What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit F.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About This Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement and area development agreement require you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in California. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in California than in your own state.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

FRANCHISE DISCLOSURE DOCUMENT

ITEM 1

THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

To simplify the language, this disclosure document uses “we,” “us” or “our” to mean APÓLA International LLC, the franchisor, and “you” or “your” means the individual, corporation or other entity that buys our franchise. “You” also includes the franchise owners, partners or members.

The Franchisor, Any Parents, Predecessors and Affiliates

We conduct business under the name “APÓLA Greek Grill”. Our principal business address is 18427 Yorba Linda Blvd., Yorba Linda, California 92886. We are a Delaware limited liability company which was formed August 15, 2019 to initiate our franchising program. We have not conducted a business of a type described in this Disclosure Document or conducted business in any other line of business but, our affiliates, APÓLA 1 Inc. and APÓLA 2 Inc., have owned and operated two restaurants of the type being franchised herein since 2017 in Irvine, California and 2019 in Yorba Linda, California respectively. Our affiliate APÓLA 3 Inc. opened November 14, 2022 in Anaheim, California with delivery only and a limited menu.

Our affiliates will not participate in the franchising operations nor will they provide any management or operational services or financial guarantees for our franchisees, except that use may be made of our affiliates’ restaurant facilities and personnel for training purposes. Neither we nor our affiliates have previously offered franchises of any type.

Agents for Service of Process

Our Agents for Service of Process are set forth in Exhibit “F” of the disclosure document.

The Franchises Being Offered

We offer franchises for the right to own and operate fast casual restaurants where guests will enjoy an authentic Greek experience, featuring gyro based quick-service meals, side dishes and our proprietary food items & sauces, (“Restaurant” or “Franchise Business”) and the opportunity to establish and operate an APÓLA franchise at a single defined location within a specific territory using our trademark, service marks, trade names, logos and commercial symbols, printed materials, proprietary products and methods of operation under a Franchise Agreement you sign with us and an Operation’s Manual that sets forth our system standards.

Our franchise restaurants provide high-quality meats in a build your own meal fashion and, though most of our recipes are family recipes, we offer the true Greek experience while also catering to many dietary needs. Our menu is simple but very customizable and also offers several options that are Gluten Free, Vegan, Vegetarian, and Halal.

We also offer qualified applicants an opportunity to develop and open a specified number of APÓLA restaurants within a defined geographical area over a required period of time (see Exhibit “H”). You will pay a development fee which will depend upon the number of restaurants to be opened within a defined geographical area over a required period of time. You will also sign the then current form of franchise agreement for each location, which may be different than the form of franchise agreement included in this franchise disclosure document and other factors specified in the Area Development Agreement (see Item 5 also).

We may in our sole discretion allow a franchisee the right to open a “cloud” (“ghost”) kitchen primarily selling to take-out customers on-line instead of a full service restaurant.

The Franchise System and Proprietary Marks

Our franchises are characterized by, among other things, distinct standards and specifications for serving the public on and off premises using products, supplies and services, uniform standards, specifications and procedures for operations, training and assistance (the “System”). The System is identified by means of certain trade names, trademarks, service marks, logos, emblems and other indicia of origin, including the Mark “APÓLA™” (the “Marks”).

Market and Competition

The market for restaurant services is well-established and highly competitive. There is active price competition among restaurants, as well as competition for management personnel and for attractive commercial real estate sites suitable for restaurants. You must expect to compete with many other restaurants offering comparably priced food and beverages. Competitors may be locally-owned or large regional or national chains. The restaurant business is also affected by changes in consumer taste, demographics, traffic patterns and economic conditions.

Industry Specific Regulations

The restaurant industry is heavily regulated. You must comply with local, state and federal laws and obtain required permits, registration and licenses. Many of the laws, rules and regulations that apply to business generally, such as the Americans with Disabilities Act, federal and state wage and hour laws and the Occupational Safety and Health Act, Affordable Care Act and data protection and privacy laws (such as credit card protection under the U.S. Fair and Accurate Credit Transactions Act) also apply to your franchise.

The U.S. Food and Drug Administration, the U.S. Department of Agriculture and state and local health departments administer and enforce laws and regulations that govern food preparation and service and restaurant sanitary conditions. State and local agencies inspect restaurants to ensure that they comply with these laws and regulations. Some states have adopted or have introduced legislation requiring disclosures on menu items.

Specific laws and regulations in your state or local area may also require licensure, certification, or training of individuals providing the services of your business. Licensure requirements may also apply to your franchise business. It is your responsibility to understand any licensure, certification and training requirements in your territory and ensure your franchise business adheres to those requirements.

You and your attorney should consider these and other applicable laws and regulations when evaluating your purchase of a franchise.

ITEM 5
INITIAL FEES

Franchise Agreement

The Initial Franchise Fee for one APÓLA restaurant is \$37,500 for a defined protected territory containing a minimum population of 150,000 people as determined by the most recent published U.S. Census, or a radius of 5 miles, whichever is the lesser area.

Area Development Agreement

If we consider you to have sufficient business experience and financial qualifications to qualify as an Area Developer, you may be granted the right to enter into an Area Development Agreement with us that will allow you to open additional franchises within a specific geographic area. If you sign an Area Development Agreement you will not pay us an Initial Franchise Fee with the opening of each individual franchise, but will instead pay us a Development Fee for the entire package granted to you. The amount of the Development Fee depends upon the number of APÓLA restaurants you are authorized to open. The Development Fee for our minimum requirement of two restaurants to be developed is \$57,000. The second restaurant must be open within 18 months from the Opening Date of the first restaurant. The Development Fee for three locations is \$75,000. In special circumstances, we may consider the sale of further additional locations for an additional fee of \$15,000 for each restaurant to be developed. All restaurants after the second restaurant must be opened within 18 months of the Opening Date for each preceding restaurant. You will sign a separate then current Franchise Agreement for each location to be opened.

All Franchise and Development Fees are payable in a lump sum, are uniform, non-refundable, fully earned upon receipt and will be used for our general operating expenses, including costs of fulfilling our

All fees paid to us are nonrefundable and fully earned when paid. The above estimates are based on information from our affiliates and information in the industry and do not include real estate purchases or lease payments.

NOTES:

1. Initial Franchise Fee. The nonrefundable Initial Franchise Fee for a single location is \$37,500 for a territory surrounding the franchised location with a minimum population of 150,000 persons (most recent U.S. Census), or a five (5) mile radius of the restaurant, whichever is the lesser area. The franchise fee is payable in full when the franchise agreement is signed. However, if you sign an Area Development Agreement you will not pay an Initial Franchise Fee to us with the opening of each individual franchise, but will instead pay us a Development Fee, as discussed in Item 5.

2. Franchise Location/Rent-Security Deposit. Estimated cost will vary depending upon such items as area of territory, whether located in a shopping center or mall, square footage of the location, negotiations with the landlord and other variable factors. To commence operation of an APÓLA restaurant, you must secure premises located within the designated Territory. Most landlords require a Security Deposit based upon a number of months of rent.

3. Leasehold Improvements. We anticipate that you will lease your franchised APÓLA restaurant within a retail shopping center. The range of costs disclosed represents the estimated cost of leasehold improvements to a 1,400 sq. ft. to 2,800 sq. ft. space in an existing developed or future developed retail shopping center complex. Factors that may significantly affect the costs of leasehold improvements include: new construction from the ground up, the condition of an existing building, the previous tenant's use of the space, the size and configuration of the premises, lease negotiation, union or non-union construction wages, varying material costs, contractor overhead and profitability, and the geographic location of your restaurant. The estimated amount assumes that the landlord will provide adequate connections to electric, gas, sewage, water services, and provide grease trap if necessary and pay any fees associated with water & sewer connections, impact fees, or any other fees associated with obtaining utility service to the unit.

These leasehold improvement estimates DO NOT include any allowance for landlord contributions. If your landlord contributes to the cost of tenant improvements, your costs may be substantially reduced depending upon lease negotiations. Tenant allowance reimbursement estimates will vary substantially and will depend on your ability to negotiate with your landlord.

These amounts do not include cost of acquiring land or the cost of site improvements, which varies widely in different parts of the country and according to the specific site size, conditions and local requirements, should you decide to own the property and build. These amounts also do not include impact fees which may be assessed by local governing authorities. You should contact a contractor or engineer for these costs once you have identified a site for the restaurant. By its nature, acquiring and developing land can be extremely risky, time consuming and expensive. Even experts in this field find it extremely difficult to navigate through all of the obstacles, such as planning and zoning requirements, soil conditions, environmental studies, and extensive impact and engineering costs. If you decide however, you may choose to purchase rather than rent real estate on which building a suitable restaurant is already constructed, or could be constructed. Real estate costs depend on location, size, visibility, economic condition, accessibility, competitive market conditions and the type of ownership you are interested in buying. The estimated cost of construction will vary greatly depending on a number of factors including the specific site or building's level of completion when you acquire it and the utility infrastructure and construction improvements in place and needed. If you incur a mortgage loan or lease, then instead of some of the out of pocket expenditures described above, you will materially increase your startup costs and working capital requirements. In the event you acquire an outparcel or site pad or raw lot, there are \$50,000 to more than \$1,000,000 of potential additional costs, depending on a number of factors including the size, zoning restrictions, soil conditions, lot configuration and status of the real estate when it is acquired. Most pad-ready improved sites and new retail buildings include a minimal amount of site work, including installing grease traps and appropriate trash receptacles and storage. More important site work and site development cost can then include additional cost, including but not limited to installing parking lots,

appropriate storm water mitigation, receptacles and sidewalks. You should consult with the appropriate engineers and design professionals to best understand the needs and costs anticipated for your specific locations.

Unless you are experienced in land acquisition, or are a commercial developer, we highly recommend you conform to our suggested prototype of the rental of retail shopping center space.

If we in our sole discretion allow a franchisee to operate a cloud kitchen and the kitchen is already in use, there would not be any leasehold improvements.

4. Architectural, Engineering, Construction and/or Remodeling. The range of costs depends on variance of the standard floor plan to a unique floor plan, based on configuration. If we in our sole discretion, allow a franchisee to operate a cloud kitchen and the kitchen is already in use there may be no architectural, engineering, construction and/or remodeling fees.

5. Kitchen Equipment Package. The estimated price is based on a one-time purchase. You may choose a lease to purchase alternative for acquiring the kitchen equipment in which case your initial out of pocket investment should be less. If we in our sole discretion allow a franchisee to operate a cloud kitchen and the kitchen is already in use, there may be no additional equipment required.

6. Opening Initial Food and Beverage Inventory. Estimates include food & beverage inventory for the restaurant's first one to two weeks of operations.

7. Signage. Estimated cost for a channel letter LED building sign, depending on length and letter size, local and state regulations, permit fees, and accessibility for installation. This also includes the cost of all interior signage, specialty wall signs, menu boards, etc.. If we in our sole discretion allow a franchisee to operate a cloud kitchen and the kitchen is already in use, there may be no additional signage required.

8. Utility Deposits, Licenses, Permits, Alarm System & Set-up Fees. These costs will vary greatly based on utility company rates, jurisdiction, credit rating, history with utility company, and square footage. All permits (including building, health, signage, electrical, plumbing, HVAC, etc.) vary in cost based on jurisdiction, county by county. Costs vary depending on which Alarm company you choose, and how extensive of a security system you choose to install.

9. Legal, Accounting and Insurance. This range includes an estimate for annual insurance premiums and initial casualty insurance policies that you are required to carry and will vary depending upon such factors as size and region of restaurant. You should consult with a local professional to get a more accurate representation of what your actual cost may be. Legal and Accounting services will also vary from region to region.

10. P.O.S. System, Software, Security & Cameras, Computers, Printers. Estimated cost is based on 1 back-office computer, 1 to 3 POS terminals and 3 to 4 printers, as well as 6 to 8 security cameras. Security costs may vary based on the systems used and their monthly or quarterly fees. The approved vendor(s) may charge a fee for enhancements and upgrades. The amount you are charged is dependent upon the relevant vendor and agreements with the vendor. If we in our sole discretion allow a franchisee to operate a cloud kitchen and the kitchen is already in use, there may be no requirement for our P.O.S. System or additional software, security cameras, printers or computers.

11. Opening Advertising. Estimated cost for all materials to market for Opening (i.e., flyers, newspaper ads, carryout menus, "now open" banners, VIP invitations, etc.) Costs will vary based on territory, market, vendor and locations. These costs do not include media such as TV, Radio, billboards, etc. Opening Advertising must be spent during the period of 30 days prior to opening and 30 days after opening.

12. Franchisee/Management Certification Training. There is no cost for the franchisee certification training and it is included in your Initial Franchise Fee, but only for the first restaurant opened. This is a cost the franchisee incurs in salaries & benefits, lodging, meals, travel, training materials and uniforms, etc. These fees vary based on salaries, training time, and chosen hotel & travel accommodations.

13. Additional Funds – 3 Months. You will need additional funds to cover expenses during your startup phase (approximately three months). However, the actual amount you will need will depend on a number of factors, including the number of employees, how well you control your initial expenses and your level of sales and marketing during the initial period.

The estimate of additional funds for the initial phase of your business is based on recurring expenses and operating expenses for the first three (3) months of operation. The estimate of additional Funds does not include an owner's salary or draw or staff salaries. The additional funds required will vary by your management skill, experience, and business acumen; the relative effectiveness of staff you may employ; local economic conditions; the local market for your services; the prevailing wage rate; competition; and the sales level that you reach in your Territory. You may incur other or higher costs or fees; you may also need operating capital when running the business that is in addition to what is estimated here. These figures are estimates based upon information provided to us from our affiliate restaurants.

14. Working Capital. Prior to Franchisor's on site Opening Training at the franchised APÓLA restaurant, you are required to deliver to Franchisor proof from a recognized financial institution, that you have the principal sum of \$50,000 liquid funds immediately available for working capital to conduct business at your franchised APÓLA restaurant. You will provide Franchisor proof of the \$50,000 working capital prior to scheduling Franchisor for on site Opening Training at the franchised APÓLA restaurant. You may not open your franchised APÓLA restaurant or schedule Franchisor's on site Opening Training at the franchised APÓLA restaurant, until you have provided Franchisor with proof satisfactory to Franchisor, that you have the required working capital available prior to opening and scheduling Franchisor for on site Opening Training at the franchised APÓLA restaurant.

15. Total Estimated Initial Investment. Your Initial Investment will fall within the above estimated range. See the chart below, and Item 5, for an explanation of the increased initial investment for opening additional locations under an Area Development Agreement.

YOUR ESTIMATED INITIAL INVESTMENT FOR AREA DEVELOPERS

Type of Expenditure	Amount	Method of Payment	When Due	To Whom Payment Is to be Made
Area Development Fee (Note 1)	\$57,000	One Installment	On Signing Development Agreement	Us
Legal and Accounting	\$2,500 - \$5,000	As Third Party Specifies	As Incurred	Attorney, Accountant
Additional Funds	\$20,000 - \$25,000	As Supplier requires	Monthly except bi-weekly payroll	Start-up capital, employees
Total (Note 2, 3)	\$79,500 - \$87,000 (excluding real property)			

Note 1: The Area Development Fee listed above is for two (2) restaurants, the minimum number of restaurants required for an Area Development Agreement. The Area Development Fee for three restaurants is \$75,000 and for each restaurant location after your third location is \$15,000 per restaurant location. The second restaurant must be open within eighteen (18) months from your Opening Date of the first restaurant location. The third and each subsequent restaurant must be open within eighteen (18) months of the Opening Date for each preceding restaurant. The Area Development Fee is payable at the time of signing the Area Development Agreement.

Note 2: All fees payable to us are fully earned when paid and non-refundable. Area Development Fees are payable to us upon signing the Area Development Agreement.

Note 3: These payments are only estimates and your costs may be higher. You should review these figures carefully with a business advisor, accountant or attorney before making any decision to enter into an Area Development Agreement. We do not offer financing for your initial investment. The availability and terms of financing with third party lenders will depend upon factors such as the availability of financing generally, your credit-worthiness and policies of lending institutions concerning the type of business to be operated.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Generally

One of our prime objectives is to ensure quality control and to protect the image of the APÓLA restaurant franchise system. The success of our system depends upon the high standards, uniformity of menu items, dietary satisfaction of customers and the health and safety of franchise patrons. In order to achieve these high standards, you are required to sell or offer for sale all products, items and services approved by us and not deviate from our standards and specifications by offering or selling unapproved products, items or services.

Site Selection and Lease of Premises

Pursuant to the Franchise Agreement, you must obtain our approval for the site of your APÓLA restaurant. We have the right to approve the terms of any lease. Except for a Cloud Kitchen, which we may in our sole discretion approve, any lease that you sign must be exclusively for the operation of an APÓLA restaurant(s), and must provide that upon termination or expiration of the franchise, for any reason, we or an affiliate will have the right, but not the obligation, to assume the lease, and replace you as tenant. If we exercise that right, we will fully indemnify you from liability for future rent and other future obligations under the lease (though not from liability for unpaid rent or any then-existing liabilities or obligations under the lease). You must agree to sign any document required to assign the lease to us or our designee (Exhibit "J" to the FDD).

Approved Real Estate Leasing Company

You must utilize our approved vendors to assist you with site location and leasing.

Purchase or Lease of Equipment, Furniture, Fixtures

You must use signs, furnishings, supplies, fixtures and equipment which comply with our standards and specifications. Specifications may include minimum standards for delivery, performance, design, and appearance, and local zoning, sign and other restrictions. We may however, approve in our sole discretion, your operating of a Cloud Kitchen selling primarily take-out customers on-line in which case we may approve existing fixtures and equipment and signage.

Specifications, Standards and Procedures

You agree to operate the APÓLA franchise in strict conformity with our standards, specifications and procedures as described in the Franchise Agreement, the Operation's Manual and other written documents. You must equip, maintain, staff and operate the franchised APÓLA restaurant strictly in accordance with the methods, procedures and techniques we, from time to time, establish and publish in the Operation's Manual and other written documents, which may be modified from time to time. The Operations Manual may be printed or in electronic format, at our discretion. We have the right under the Franchise Agreement, to change standards, specifications and procedures applicable to the operation of the Franchise, including those for equipment, furniture, fixtures, signs, products, new techniques, use of new or modified logos, trade names, service marks, new food items, or copyrighted materials. You recognize our right to make any such modifications or changes and agree to accept, implement, use and display such changes and modifications at your expense. You agree that you will make all changes or modifications that we may require, within a reasonable time after notice from us. If we in our sole discretion approve your operation of a Cloud Kitchen our standards, specifications and procedures may be modified.

Supplies

We reserve the right, under the Franchise Agreement, to require you to purchase certain items from us, our affiliates or an unaffiliated designated supplier. Our criteria for supplier approval is not available to you and we do not issue our standards and specifications to suppliers. We currently approve suppliers upon request submitted upon our "Supplier Approval Form" and payment of a supplier approval fee of \$1,000. Based upon information and samples you supply us, we will test the items supplied and review the proposed supplier's financial records, business reputation, delivery performance, credit, and other information we request from you on the supplier. We will complete our review promptly, generally within 90 days. We have the right to revoke our approval of particular products or suppliers when we determine, in our sole discretion, that such products or suppliers no longer meet our standards. Upon receipt of written notice of such revocation, you must cease purchasing products from such supplier. You must use products purchased from approved suppliers solely in connection with the operation of your APÓLA restaurant and not for any competitive business purpose. Once we approve a supplier, we have the exclusive right to negotiate price terms directly with the supplier on your behalf and on behalf of all System franchisees.

We attempt to negotiate purchase arrangements with suppliers (including price terms) for the benefit of all APÓLA restaurants, including those owned by franchisees; however, we (or our affiliates) have the right to retain 100% of all discounts, rebates, commissions or other consideration paid by approved suppliers and to use them for whatever purposes we or our affiliates elect, and you may not claim any rights to such consideration.

As an APÓLA franchise, you will be required to use our then current approved APÓLA vendors, suppliers, and equipment manufacturers. We estimate that your required purchases will account for 70% to 80% of all purchases and leases necessary to establish the franchised business, and approximately 70% to 80% of all purchases and leases necessary to operate the franchised business after opening. We currently require you to purchase all your proteins, paper products, produce goods, dairy goods, bottled water, etc. from Vitco Foods (as set out in our current Operation's Manual).

All deliveries of products that you purchase may be made only to your Franchised Business. You may not have products delivered to any other address. If you violate this restriction, you agree that we have the right to contact your suppliers and/or distributors to notify them that your deliveries may only be made to the Franchised Business. In this event, we will not be liable to you for any damages that may result from our notification to your suppliers and/or distributors. You may not offer for sale any products that you are authorized to sell in your Franchised Business at any location other than your Franchised Business (except for approved delivery services) or otherwise in compliance with your Franchise Agreement.

There are no purchasing or distribution cooperatives in existence at this time.

Advertising by Franchisee

You may not engage in any advertising program or use any other advertising, including local advertising placed on television, print or any other media (including but not limited to websites, online advertising, social media marketing or presence, digital marketing and sponsorships), or prepare or use any marketing materials, unless we have approved it in writing. All references to advertising shall include, but shall not be limited to, electronic advertising, whether by internet, social media platforms or otherwise.

Insurance

You are required to obtain: worker's compensation insurance with limits in compliance with your state law and employer's liability insurance, with One Million Dollars (\$1,000,000) limit, as well as such other insurance as may be required by statute or rule of the state in which the franchised business is located or operated.

Additionally, you must obtain comprehensive general liability insurance, employer's liability insurance, personal and advertising injury, Professional Liability (consulting) and product liability insurance with limits of One Million Dollars (\$1,000,000) including the following coverages: broad form contractual liability, personal injury (employee and contractual exclusion); insuring us and you against all claims suits, obligations, liabilities and damages, including attorneys' fees, for actual or alleged personal injuries or property damage relating to the franchised business, provided that the required amounts herein may be modified from time to time by us to reflect inflation or future experience with claims; automobile liability insurance on company vehicles, including owned, hired and non-owned vehicle coverage, with a limit of at least One Million Dollars (\$1,000,000); Employer Practices Liability insurance with a limit of at least One Million Dollars (\$1,000,000); and loss of income insurance (in an amount sufficient to cover the royalty Marketing and Development Fund fees due under the Franchise Agreement, for a period of at least six months); rental value insurance (in an amount sufficient to cover the rents and other fees due the landlord and/or Merchants' Association under the lease, if any, during any period of business interruption or inability to operate the restaurant) or such greater amounts of insurance as required by the lease for the restaurant; additional insurance and types of coverage as may be required by the terms of any lease for the franchised business, or as may be required by us, including an umbrella policy with limits of One Million Dollars (\$1,000,000).

All insurance policies must be issued by carriers rated A- or better by Alfred M. Best and Company, Inc. who are authorized to do business in the state where the restaurant is located, must contain the types and minimum amounts of coverage, exclusions and maximum deductibles as we prescribe from time to time, must name us as additional insured, must provide for 30 days' prior written notice to us of any material modification, cancellation or expiration of such policy and must include all other provisions we may require from time to time.

Insurance policies shall indemnify both the Franchisee (as named insured), the Franchisor and any other parties having an insurable interest in either your operations or our operations as an Additional Insured from an actual or alleged claim by a third party caused by or occurring in conjunction with the operation of your APÓLA restaurant or otherwise in conjunction with the conduct of business by you pursuant to the Franchise Agreement. We reserve the right to adjust the limits of indemnification (up or down) or to require you to procure and maintain other additional coverage prescribed from time to time by us and issued by insurance carriers rated A- or better by Alfred M. Best and Company, Inc. We may increase the minimum liability protection requirements annually and require different or additional kinds of insurance to reflect inflation, changes in standards of liability or higher damage awards in public, product or motor vehicle liability litigation, or other relevant change in circumstances. You shall submit to us annually a copy of the certificate of, or other evidence of, the renewal or extension of such insurance policy or policies. We reserve the right to reject any policy with exclusions or sub limits that are not satisfactory to us.

You shall procure and maintain at your sole cost and expense a policy of Commercial Fire Insurance on a Special Form Basis providing for One Hundred Percent (100%) replacement cost of franchisee's Business Personal Property, Leasehold Improvements and Betterments and Real Property (including signs and plate glass). You shall also provide Business Interruption and Extra Expense on a One Hundred Percent (100%) co-insurance basis. We shall be named as loss Payee on the Business Interruption coverage on a primary basis so as to enable you to provide us with an uninterrupted stream of payments (as if you were still in operation) for a period of a minimum of six months.

You shall further carry any additional insurance covering such additional risks or providing higher limits as we may reasonably request.

If you at any time fail or refuse to maintain in effect any insurance coverage required by us, or to furnish satisfactory evidence thereof, we at our option and in addition to its other rights and remedies hereunder, may, but shall not be required to, obtain such insurance coverage on behalf of you, and you shall promptly execute any applications or other forms or instruments required to obtain any such insurance and pay to us, on demand, any costs and premiums incurred by us plus an administrative fee of 15% of that cost (See Items 8 and 11).

Computer Equipment

You must purchase or lease a combined computer and electronic Point of Sales (POS) system for on-line reporting of sales and other information from your computer to us as required under the Franchise Agreement or Confidential Operating Manual(s). You may not use any hardware and/or software in the operation of your franchised APÓLA restaurant without our prior approval, which approval will not be unreasonably withheld (See Item 11). The cost of computer hardware and software purchased in accordance with our specifications represents approximately 1% to 1½% of your total purchases in connection with the establishment of your APÓLA restaurant. We may however, in our sole discretion, allow you to operate a Cloud Kitchen selling primarily take-out orders on-line instead of our traditional franchise, in which case we may modify requirements for the computer equipment, software and P.O.S. system.

Sponsorships

Our franchise system will depend on a growing list of handpicked and highly qualified preferred vendors. These vendors will be important to you and to our corporate staff and any training and support programs we put in place. Each year, we will survey the customer service and pricing programs offered to our franchisees. Each preferred vendor may in the future be required to contribute to our annual corporate training budget. In exchange, each member may receive:

1. A listing on our company newsletter.
2. Priority access to our franchisee directory.
3. A tabletop banner at franchise training events.
4. A 30-minute presentation at all local or regional training events.

Except as described above, neither we nor any affiliate currently derive any revenue or other material consideration as a result of required purchases or leases, but we reserve the right to do so. There are currently no purchasing or distribution cooperatives. We do not currently negotiate purchase agreements with suppliers for the benefit of our franchisees nor provide you with material benefits based on your use of designated or approved sources.

Test Products

Periodically, we will conduct market research and testing to determine consumer trends and the salability of new food or non-food products and services. If we require, you must participate in any market research programs or test marketing of new products and services in your Franchised Business, and provide

us with timely reports and any other relevant information we request for the market research. You must purchase for your Franchised Business a reasonable quantity of the test products, and you must effectively promote and make a reasonable effort to sell test products. The amount that you pay for the test products will not reduce your obligation.

FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Preopening Assistance

Before you begin operating your business:

- (833) We will approve the location of your business and provide a territory surrounding the site of your business where we will not place another APÓLA Franchisee (Franchise Agreement, Section 4).

You must select a site for your business and submit the location for our approval within 90 days of signing your agreement, enter into a lease or purchase agreement within 180 days of signing your franchise agreement and be conducting business at the approved location within 365 days or your franchise will be terminated without any refund of fees or expenses. We will accept or reject a site you propose within 30 days. If we notify you that we will not accept a site, you must within the site selection period (90 days after execution of the Franchise Agreement), submit an alternative site. We are not obligated to accept any site outside the site selection period. Failure to obtain our approval of a site is a violation of your Franchise Agreement. We do not own any real estate locations that we would lease to you and will not be responsible for locating your business site. We require you use our approved vendors to assist you with site location and leasing (Franchise Agreement Section 4).

In determining whether or not to approve any site you may propose for the franchised business, we will consider such factors as population and income level in the area, the number of comparable contiguous businesses, competition, zoning, general location and neighborhood, traffic patterns, parking, size, layout and other physical characteristics, and available square footage.

- (ii) We will provide you with layout designs and other information, (if and when needed for your lease negotiation process) including specifications and sources for construction, fixtures and furnishings required for your franchised business.

We will lend you basic layout plans which may or may not fit the space you have chosen. The floor plan layout is the template and can be adapted to fit most spaces.

Along with the floor plan layout we will lend you the equipment specifications and approved design packages so your architect may reflect the dimensions and surfaces on your plans.

- (iii) We will provide to you lists of approved and suggested suppliers for the goods and materials you will need to operate the Franchised Business (Franchise Agreement Section 5 and Section 11).

- (iv) We will loan you copies of the Operating Manual and other documents containing reasonable, mandatory and suggested specifications, standards, operation rules established from time to time by us and information relative to your obligations and the operation of your franchise business (Franchise Agreement, Section 11).

Some of our class room training is conducted

on line. Our training program occurs after the signing of the Franchise Agreement and the opening date of your restaurant. We do not have regularly scheduled dates for our training program.

Marketing and Technology Fund

We will maintain a Marketing and Technology Fund into which all franchisees will contribute 1% of Gross Revenue per month. The Fund may be increased up to 2% upon a thirty-day written notice. Monthly payments to the Marketing and Technology Fund will be made through our electronic funds transfer system described in Item 6. Our affiliates' current restaurants will contribute the same percentage of their Gross Revenue as franchisees. They are governed by the same Marketing and Technology Fund terms as our franchisee. The fund will be administered by us and there will be a yearly annual unaudited financial statement accounting for the placement of all Marketing and Technology Fund fees. We will not receive any payment or fee for providing services to the fund. Surplus funds at the end of any year will be carried over into the following year. Some advertising media will be generated by us and other items may be produced by selected agencies. We will determine in our sole discretion how and where the Marketing and Technology Fund will be spent, whether local, regional or national marketing. The fund will not be designated for the benefit of any specific franchisee, but for the benefit of the system as a whole as we may determine from time to time.

The Marketing and Technology Fund supports our National Website which also contains each franchisee's individual Location Website.

The National Website is the primary marketing "tool chest" for the entire franchise system. Its major purpose is to establish and promote our APÓLA brand that will attract retail business for our franchisees and provide an internet presence for each franchisee. We will benefit from contacts by new franchisee candidates through this website, and our franchise opportunity information and application pages will be present within the site. As with all other advertising materials, stationery and business cards, the site will also contain references to the fact that "Franchises Are Available" and that each franchise "Is Independently Owned and Operated." During the calendar year ending December 31, 2023, Franchisor collected and spent \$27,357.67 for Marketing as follows:

<u>Area of Advertising</u>	<u>Amount</u>	<u>Percentage</u>
a. Production:	\$10,118.17	37%
b. Media Placement:	\$17,027.85	62%
c. Administrative Expenses:	\$211.65	1%

National Website

The National Website contains basic information about the franchise system as well as our quality menu items and services offered by our restaurants. Each franchisee receives the following direct benefits from the website:

1. Full Hosting and management services for your individual Location Website (location finder or microsite) which will provide your franchise with an internet presence, including your business address and telephone information, customer testimonials, photographs showing your personnel and restaurant and other information about your local franchise. You do not have any responsibility or expense for designing, hosting, modifying, managing or operating this website presence;
2. Password Access for each franchisee to conduct all of its business related E-mail Operations through the Location Website. However, the franchisee has no other control or management authority except by sending requests to the website administrator to add or subtract information to or from the site, as approved by us. You may utilize only the website and Internet presence provided you by us. You may not use any other form of website or other Internet advertising;
3. A listing of the franchisees in the Location Finder or Microsite portions of the National Website.
4. If an electronic funds withdrawal is denied and remains unpaid for a period of seven (7) days, your website account may be deactivated. We reserve the right to increase the Marketing and Technology Fund fee up to 2% of Gross Revenue each month upon a thirty (30) day written notice.

We may develop proprietary software or alternate sources to provide your Location Website hosting and/or other services. If so, we or our designee shall license the software to you and we may need to make a reasonable increase to the Marketing and Technology Fund fee as a result. You agree to pay the increased fee required by us and you will comply with all specifications and standards prescribed by us from time to time in our Operation's Manual.

Media Manager

You will have Subscription and Password access (included in your Marketing & Technology Fund Fee) to Downloadable Print and Digital Marketing materials and programs administered and managed by us for all downloadable newspaper, magazine and direct mail advertising materials and the ability to order television and radio advertisements and bulk advertising materials, as may be made available by us from time to time. There is no cost for downloadable materials, but you must pay the cost of video duplication and for the tagging, printing and shipping of all ordered products.

Graphic Designer

We will also provide you information on our approved Advertising and Graphic Design provider. In addition to the materials approved by us pursuant to the Marketing and Technology Fund, you may request the provider to create advertising materials on your behalf. If you do, you must pay the provider directly for the total cost of any such materials and the materials must be approved by us prior to being ordered by you.

We will decide the amount and nature of all expenditures of the Marketing and Technology Fund and how and where all expenditures are made. In accordance with Section 16 of the Franchise Agreement,

services provided pursuant to this fund may be deactivated upon a franchisee's failure to pay the monthly fee in a timely manner and will be reinstated only when payments and penalties are brought current.

We do not maintain any other Advertising or Marketing Fund or any Advertising Council or Cooperative of any kind.

Point of Sales System

The currently required POS system, which may change from time to time, is based on the Toast POS system and has been programmed to APÓLA Franchise Operations. The Toast POS system will come to you preprogrammed and adapted to your specific location address and phone number. You may talk to the vendor and discuss upgrades (at your cost) if you desire a faster processing speed or other hardware. Technology is rapidly changing so the hardware specified by us may become out of date. The vendor is expected to be very cooperative in satisfying your specific needs.

There is a monthly service fee of approximately \$300 per month which you will pay to the supplier of our approved software. Depending upon technology development and upgrade requirements, there may be an initial cost required. We require you to pay the monthly fee in order to help avoid any future problems with updating costs or services. All of the costs involved in the installation of your POS system and future updates are included in the estimates of your initial investment as described in Item 7. Although we are very satisfied with the current POS system, we do reserve the right to alter or eliminate this system and/or to substitute another system if we determine to do so and you must at that time change to whatever program or system we prescribe at your sole cost and expense.

We may, in our sole discretion, allow you to operate a Cloud Kitchen selling primarily take-out orders on-line instead of our traditional franchise, in which case we may modify requirements for the computer equipment, software and POS system.

Business Facility Computer System, Programs and Printer

In order to be properly serviced by our Franchise Operations System and for word processing, spreadsheets, internet access and general accounting and business operations purposes you must obtain a computer, computer programs, fax and printer to use in your business with the following minimum specifications: Intel Pentium 4 processor of at least 2 GHz speed; Windows 10 or later operating system (or MAC equivalent); 4GB RAM, 300 GB hard drive and a 17 inch monitor; a modem; and, a combination printer/scanner. The equipment will cost approximately \$950, unless you elect certain upgrades. We do not have any obligation to provide ongoing maintenance, repairs, upgrades or updates of your equipment.

You also must use general computer software that we designate to assist you in conducting your business. The general software you will need includes readily available programs such as WORD and Excel. None of these items are proprietary to us. We do not provide assistance in obtaining, installing or upgrading these items.

We may, in our sole discretion, allow you to operate a Cloud Kitchen selling primarily take-out orders on-line instead of our traditional franchise, in which case we may modify requirements for the computer equipment, software and POS system.

APÓLA Franchise Operations System

There may be in the future a required monthly fee to activate an APÓLA Franchise Operations System (FOS). It will be the company-wide communication system provided by us through the Website to enable timely and efficient transfer of information, instruction, training, conferences and overall management and communication purposes with our franchisees. The FOS will be provided to you with user and password access. We reserve the right to alter or eliminate this system and/or to substitute another system or method of communication, if we determine to do so.

Accounting Application

We require you to use an approved accounting application for your franchise. You must comply with the requirements and standard processes to maintain accurate and up to date accounting records. You will provide monthly and other reports as determined by us, including updating master file records to comply with changes in accounting practices. As with all computer and internet information we have complete access to all of the information at all times.

The accounting support we provide includes responses to questions related to the accounting standards and general use of the software. The technical support for the software is provided by the approved hosting vendor.

Surveillance, TV, Audio & Music Systems,

Surveillance System

We require you to install a multi-camera surveillance system in your location as a deterrent to theft, documentation of incidents and monitoring your business. Your system should stream live to your smart phone to monitor operations. Your system must also store one (1) month of monitoring operations. We require access to your camera system. We recommend using a local supplier for your surveillance system.

We may approve, in our sole discretion, your operation of a Cloud Kitchen selling primarily take-out customers on-line, in which case we may approve your existing systems or not require all of our traditional restaurant systems.

TV, Audio & Music Systems

You must install and use the TVs, audio equipment and music system approved by us and used in accordance with our policies and procedures.

We require that all of these systems be purchased, pre-wired and ready for use prior to opening.

We may approve, in our sole discretion, your operation of a Cloud Kitchen selling primarily take-out customers on-line, in which case we may approve your existing systems or not require all of our traditional restaurant systems.

Our Access to Your Location Systems

In order to maintain high quality standards, we reserve the right to audit and monitor each of our franchisee's locations at any time through physical or electronic access to all information of your computer systems, POS, FOS, surveillance and website systems and information referenced in this Item 11 and we reserve the right to use this information and data at our discretion, for our benefit and for the benefit of the franchise system as a whole. We have no plans to do so, but may in the future require you to purchase different or other software or hardware. In that event you will receive written notification and be given a reasonable time (not to exceed 60 days) in which to purchase the required software or hardware (Franchise Agreement, Section 11).

Franchisee Operating Manual

We will loan you one copy of our Franchisee Operation's Manual ("Manual") which contains mandatory and suggested specifications, standards and operation procedures as we prescribe and may also include information relative to your Franchise Agreement. The Manual may be amended or modified from time to time to reflect changes in our System. You must keep the Manual confidential and current, and may not copy any part of the Manual. The table of contents for the Manual is listed in Exhibit "D". There are 108 pages in the manual.

Time to Open

You must be open to the public within 365 days from the signing of the Franchise Agreement, subject to unavoidable delay or failure to perform [Force Majeure] (Franchise Agreement – Section 5).

You may not open your APÓLA restaurant for business until: (1) we approve that the APÓLA restaurant is being developed according to our specification and standards; (2) pre-opening training of you and your personnel has been completed to our satisfaction; (3) you have completed all pre-opening marketing requirements; (4) the Initial Franchise Fee or Area Development Fee and all other amounts then due to us have been paid; (5) we have been furnished with copies of all required insurance policies, or such other evidence of insurance coverage and payment of premiums as we request; and (6) we have received signed counterparts of all required documents pertaining to your Site.

You must have signed a purchase or lease agreement and commence construction of your APÓLA restaurant within 180 days after the date of the Franchise Agreement (Franchise Agreement-Section 5). If you have signed an Area Development Agreement, you must open the second restaurant within eighteen (18) months of the Opening Date of the first location. If applicable to your agreement, you must open the third and any subsequent restaurants within eighteen (18) months of the Opening Date for each of the immediately preceding restaurants (Area Development Agreement – Section 3).

Other Conference/Training/Educational Events

Each person who signs the franchise agreement must attend our sixty-five (65) hour on-site Opening training session and any Conferences scheduled from time to time as we may determine to be necessary, at our company headquarters in California, or at a different location of our choosing. Conferences will not exceed 3 days in length. If you purchase more than one franchise territory, then the manager from each location must attend the above sessions.

During the operation of your business, we will, upon your request and at your expense, and to the extent we have personnel available, send one or more members of our staff to the franchised business to provide additional follow-up assistance and training (Franchise Agreement – Paragraph 7.3).

ITEM 12 TERRITORY

Your Territory.

You will receive a geographic territory (the “Protected Territory”) in which you will operate your APÓLA restaurant. During the Site Selection Period, you must obtain our acceptance of the Site, which must be located in the Site Selection Area. If we have not accepted the site and designated the Protected Territory before execution of the Franchise Agreement, you must, during the first 90 days of the Site Selection Period, submit to us for acceptance, and obtain our acceptance of your franchised APÓLA restaurant location. Your Protected Territory will be an area surrounding the restaurant location with a minimum population of 150,000 persons (U.S. Census Bureau), or a radius of 5 miles, whichever is the lesser area. Subject to this grant of minimum population and area, we reserve the absolute right to adjust the territorial boundaries as we determine to be necessary in our sole discretion. You must submit a proposed Site located in the Site Selection Area to us for acceptance during the first 90 days of the Site Selection Period. We will notify you of our acceptance or rejection of any proposed Site within 30 days of our receipt of all information we request. However, if you have submitted a proposed Site to us before the expiration of the Site Selection Period (90 days), and we have not notified you of our acceptance or rejection

before expiration of the Site Selection period, we will have 30 additional days to notify you of our decision. You may not relocate your APÓLA restaurant without our prior written approval.

The Protected Territory will be designated by us once the restaurant location is accepted by us and indicated as Exhibit G-Two to the Franchise Agreement. Once a site has been selected and lease negotiations entered into, a copy of the lease must be provided to us for our review and approval prior to execution. Our approval of the lease indicates only that we believe that its terms fall within the acceptable criteria we have established as of the time of our approval. (Franchise Agreement – Section 4, and Exhibits G-One and G-Two). Except for the rights we reserve below, we will not sell another franchise or open a company-owned APÓLA restaurant in your Protected Area during the term of the Franchise Agreement. We may develop, use, and license within or outside your Protected Territory other products or services involving Marks other than those used in connection with the System. You may not solicit or market outside your Protected Territory by means of: (a) direct marketing by telephone, mail, flyers or other means; or (b) any marketing method which targets anywhere outside your Protected Territory, except for our written approval of television, radio and print advertising media that may incidentally have coverage outside your Protected Territory.

If a city is located within your Protected Territory, then you may utilize the name of the city in your marketing methods. Your Franchise Agreement does not provide any rights of first refusal for additional locations. Except by written agreement with us, you do not receive the right to acquire additional franchises within your territory.

Rights We Reserve: Franchise Agreement

You will not receive an exclusive territory. You may face competition from other franchisees, from restaurants we own, or from other channels of distribution or competitive brands that we control. You will not receive any compensation from franchisor for sales or products or services provided in your protected territory. We retain the rights to:

1. establish and grant to other franchisees the right to establish APÓLA restaurants anywhere outside the Protected Territory, on such terms and conditions as we deem appropriate (even immediately outside the border of the Protected Territory), but not within the Protected Territory of your APÓLA restaurant you open under the Franchise Agreement and continue to operate under it;
2. operate, and grant franchises to others to operate businesses, whether inside or outside the Protected Territory, specializing in the sale of products or services, other than a Competitive Business or APÓLA restaurants, using some of the Marks and/or all of the Marks pursuant to such terms and conditions as we deem appropriate;
3. operate, and grant franchises to others to operate businesses or provide other services, whether inside or outside the Protected Territory, that do not use any of the Marks;
4. market and sell, inside and outside of the Protected Territory, through channels of distribution other than full service APÓLA restaurants (like mail order, Internet or Intranet, Website or other forms of e-commerce or grocery, retail or convenience stores or kiosks), or through special purpose sites including military bases, public transportation facilities, sport facilities, race tracks, airports, student unions or similar buildings on college or university campuses, amusement and theme parks, special events, and through other sites which are covered/closed traffic malls, or other similar sites, all of which are designated (“Special Sites”). Special sites designated above are not granted a Protected Territory; and
5. purchase, merge, acquire, be acquired by or affiliate with an existing competitive or non-competitive franchise or non-franchise network, chain or any other business regardless of the location of that other business’ facilities, and that following such activity we may operate, franchise or license those other businesses and/or facilities under any names or marks other than, while this agreement is in effect,

the Marks, regardless of the location of these businesses and/or facilities, which may be within the Protected Territory or immediately outside its border.

There is no minimum sales quota for maintaining the Protected Territory granted for your franchise, or other circumstance that gives us the right to modify your territory, if you are otherwise in compliance with all of your agreements with us.

Area Development Agreement

We may, but are not required to, enter into an Area Development Agreement with you which provides for the development of a specified number of franchised APÓLA restaurants within a defined geographic area over a specified term. An Area Development Fee for the geographic area is required, based upon the number of franchised restaurants developed. You must enter into the then-current Franchise Agreement for each franchised APÓLA restaurant established under the Area Development Agreement. You are not entitled to additional development rights beyond those specified in the Area Development Agreement. You are responsible for submitting a complete site report for each franchised restaurant. Each site is subject to our acceptance, which will not be unreasonably withheld. We also have the right to refuse to grant a franchise for a proposed APÓLA restaurant if you do not meet financial criteria established by us.

Area Development Agreement: Development Quota

Your Area Development Agreement will contain a Development Quota specifying a series of Development Periods, the number of franchised restaurants you must open during each Development Period and the cumulative number of franchised restaurants you must have opened through the end of the Development Period in question. Franchised restaurants will not count towards meeting the Development Quota for any Development Period until each has been fully constructed, developed and opened operations in accordance with the specific respective franchise agreements with us. We determine if any franchised restaurant has “opened” for purposes of meeting the Development Schedule and any Development Quota for any Development Period. If a franchised restaurant is permanently closed after having been opened, you must develop and open a substitute franchised restaurant within one year from the date of its permanent closing separate and apart from the Development Schedule.

Rights We Reserve: Area Development Agreement

1. Your Development Territory is not exclusive; we retain the right to establish and grant our affiliates, subsidiaries or parent entity the absolute right to establish APÓLA restaurants at a specific location or an area within the Designated Territory or to grant other franchisees the right to establish franchise restaurants within the Designated Territory, but if other franchisees desire to enter into a Franchise Agreement for a APÓLA restaurant at a specific location or an area within the Designated Territory, we will offer you a right of refusal to open your next scheduled APÓLA restaurant at that specific location or area within the Designated Territory (“Right of Refusal Area”), provided however if your Area Development Agreement for the Designated Territory was executed first in time (the first Area Development Agreement signed within the Designated Territory), your right of refusal shall be a First Right of Refusal for the specific location or area within the Designated Territory. If you entered into an Area Development Agreement second in time for the Designated Territory, your right of refusal shall be a Second Right of Refusal and you will not be offered the Right of Refusal Area unless the Developer with the First Right of Refusal did not accept the Right to Develop APÓLA restaurants within the Right of Refusal Area. If there are any Developers which entered into an Area Development Agreement subsequent in time to a preceding Developer, they will be offered a right of refusal for the Right of Refusal Area only if the preceding Developer refused the opportunity to develop an APÓLA restaurant for the Right of Refusal Area; and you will have seven (7) days from the date of our notice offering you the right to develop your next APÓLA restaurant in the Right of Refusal Area, to provide us with your written commitment to accept the obligation to open your next APÓLA restaurant within the Right of Refusal Area and in addition you

must find a site within ninety (90) days which is acceptable to us and also enter into our Franchise Agreement for the location. You will then have three hundred sixty-five (365) days from the date of the Franchise Agreement to open the Franchised Location. You will not receive an exclusive territory. You may face competition from other Franchisees, from restaurants that we own, or from other channels of distribution or competitive brands we control. If you have signed an Area Development Agreement, you must open the second restaurant within eighteen (18) months of the Opening Date of the first location. If the number of restaurant locations to be developed is greater than two, then each restaurant location required to be developed must be opened within eighteen (18) months of the Opening Date for each of the preceding APÓLA restaurants you are required to open under the Area Development Agreement;

2. establish and grant to other franchisees the right to establish APÓLA restaurants anywhere inside or outside the Designated Territory, on such terms and conditions as we deem appropriate (but not within the Protected Territory specified in the Franchise Agreement of any APÓLA restaurant you operate under that Agreement and continue to operate);

3. operate and grant franchises to others to operate businesses, whether inside or outside the Designated Territory, specializing in the sale of products or provision of services, other than a Competitive Business or APÓLA restaurant, using certain of the Marks and pursuant to such terms and conditions as we deem appropriate;

4. operate and grant franchises to others to operate businesses, or provide other services, whether inside or outside the Designated Territory, that do not use any of the Marks;

5. market and sell, inside and outside of the Designated Territory, through channels of distribution other than the franchised location (like internet, e-commerce, mail order or grocery, retail or convenience stores) or through special purpose sites including military bases, public transportation facilities, race tracks, airports, student unions or similar buildings on college or university campuses, amusement and theme parks, and through sites which are covered or closed traffic malls, all of which are designated ("Sites We Reserve"). Such Sites We Reserve are not protected and are not part of your Designated Territory; and

6. purchase, merge, acquire, be acquired by or affiliate with an existing competitive or non-competitive franchise or non-franchise network, chain or any other business regardless of the location of that other business' facilities, and that following such activity we may operate, franchise or license those other businesses and/or facilities under any names or marks other than, while this Agreement is in effect, the Marks, regardless of the location of these businesses and/or facilities, which may be within the Designated Territory or immediately outside its border.

Designated Territory: Default Under the Area Development Agreement

We have the right to terminate an Area Development Agreement if you default under its terms or under the terms of any Franchise Agreement or other agreement you have with us. If you do not achieve the Development Quota specified in the Area Development Agreement, we, in our sole control, may, (but are not required to do so):

1. terminate the Area Development Agreement;
2. have the right to operate (directly or through affiliates) or grant franchises for the operation of franchised APÓLA restaurants within the Designated Territory; or
3. reduce the Designated Territory and the Development Schedule to a size and magnitude that we estimate you are capable of operating otherwise in accordance with the Area Development Agreement.

ITEM 13

TRADEMARKS

Under the Franchise Agreement, we grant you the non-exclusive right to use the proprietary Mark “APÓLA” in connection with your franchise for your use and only in the manner authorized and permitted by us. The Area Development Agreement does not grant you the right to use the proprietary Mark or System. You may not directly or indirectly contest our rights in the Mark.

The Mark “APÓLA” was registered on the principal register of the United States Patent and Trademark Office (“USPTO”) by us as follows:

Word Mark: **APÓLA**

Registration Date: March 24, 2020

Registration No.: 6018034

We also use the Mark “GYRO DONE RIGHT” which was registered on the principal register of the United States Patent and Trademark Office by us as follows:

Word Mark: **GYRO DONE RIGHT**

Registration Date: March 17, 2020

Registration No.: 6013476

There are no currently effective material determinations of the USPTO, the Trademark Trial and Appeals Board, the Trademark Administrator of any state or any court relating to the Mark. There is no pending infringement, opposition or cancellation involving the Mark; no known superior rights or infringing uses actually known to us that could materially affect your use of the Mark; and no pending material litigation involving the Mark. All affidavits and renewals required to be filed have been filed.

There are no currently effective agreements that significantly limit our rights to use or license the use of the Marks listed in this section in a manner material to the franchise to be sold.

The franchise agreement grants you the non-exclusive right to use our Mark to identify the products and services offered by us. We have the right to require you to modify or discontinue your use of any Mark. If we exercise this right, we will provide advance notice to all franchisees. We will have no liability or obligation for your modification or discontinuance of any Mark or promotion of a substitute trademark, service mark or trade dress.

You must follow our rules when using our Mark. You must receive our approval when choosing your corporate or legal entity name and you cannot use the Mark as part of the corporate or other legal entity name or with modifying words, designs or symbols without our consent. All of your usage of the Marks and any goodwill you establish is to our exclusive benefit and you retain no right in the Mark on termination or expiration of the franchise agreement. You must also obtain fictitious or assumed name registrations as we require, or under applicable law.

Neither the franchise agreement nor area development agreement contain any provisions under which we are required to defend or indemnify you against any claims of infringement or unfair competition arising out of your use of the Mark. You must immediately notify us of any apparent infringement or challenge to your use of any Mark or claim by any person of any rights to any Mark. We will have the sole discretion to take any action we deem appropriate and will have the right to control exclusively, any litigation or UPTO or other administrative proceedings arising out of any infringement, challenge or claim or otherwise relating to any Mark. You must execute any and all instruments and documents, provide assistance and do such things as, in the opinion our counsel, may be necessary or advisable to protect our

interest in any litigation or UPTO or other proceeding or otherwise to protect our interest in the Mark. We have no obligation under the franchise agreement or area development agreement to protect you against or reimburse you for any damages for which you are held liable.

We may not be able to prevent anyone who began using the name APÓLA or any variation thereof before our use of it from continuing their use of that name in the area of prior use. The name APÓLA may be in use by other businesses in the United States who are not our franchisees or in any way affiliated with us. You will be responsible for finding out whether the name APÓLA is already being used in your granted Territory. Under the Franchise Agreement you release us from any liability to you caused by any prior use of the name APÓLA or any variation thereof by anyone else.

ITEM 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

There are no patents that are material to the franchise. We claim copyright protection of our Manuals and related materials, certain proprietary information, knowledge and know-how concerning the methods of operation of the franchised APÓLA restaurant and promotional materials, although these materials have not been registered with the United States Registrar of Copyrights. These items are considered proprietary and confidential and are considered our property and may be used by you only as provided in the Franchise Agreement.

There are no agreements in effect which significantly limit our right to use or license the copyrighted materials.

Franchisee Operation's Manual(s)

During the term of the Franchise Agreement, we will loan to you at no charge our Confidential Operating Manual(s) in which we assert a copyright interest. The Confidential Operating Manual(s), its supplements, and any other materials or information designated by us is confidential. You will not provide your employees access to the Confidential Operating Manual(s) unless necessary to operate your franchise restaurant.

You must use your best efforts to keep confidential all provisions in the Confidential Operating Manual(s), including any supplements or amendments that we provide. You are responsible for keeping your copy of the Confidential Operating Manual(s) up-to-date. The provisions in our master copy will control any disputes that arise. You agree to comply with every provision in the Confidential Operation's Manual and every revision to the Confidential Operating Manual(s) that we may make from time to time, provided such revisions do not implement new or different requirements which alter the fundamental terms and conditions of the Franchise Agreement.

We will loan you a replacement copy if you lose or misplace your copy or supplements but we may require a reasonable replacement charge. You must not photocopy, scan, photograph or duplicate in any way from, or form, any part of the Confidential Operating Manual(s) without our written consent.

Trade Secrets and Know-How

We will be disclosing to you certain proprietary information in our programs, systems, techniques manuals, and trade secrets as well as know-how and operating format related to our methods and materials. You will also use certain materials in the operation of your APÓLA franchise restaurant in which we have a copyright interest. You, however, do not acquire any right or interest in such proprietary information.

You must not disclose any of our proprietary rights, information, or know-how, except as authorized in the Franchise Agreement. You must maintain adequate security in the control, use and

handling of our proprietary materials as specified in the Confidential Operating Manual(s) or in writing from us. All persons you employ who can access our proprietary materials are required to sign our approved Confidentiality Agreement (Exhibits “E” and “M”). All persons with an ownership or voting interest in an entity franchise or Area Development Agreement and all individual franchisees who enter into Franchise Agreements or Area Development Agreements and any person employed by or under an independent contractor relationship with you who receives or who will receive any training by us or you which is directly or indirectly related to the System or involves any of the Confidential Information must sign our Approved Confidentiality, Non-solicitation and Non-competition Agreement (Exhibits “M” and “N”). You must immediately notify us of any unauthorized use of our trade secrets. We have complete authority under the Franchise Agreement and Area Development Agreement to take such action or inaction as deemed appropriate.

Failure to comply with the requirements of the Franchise Agreement and Area Development Agreement with respect to confidentiality will cause us irreparable injury and you agree to pay us an amount equal to the aggregate of our cost of obtaining specific performance of, or an injunction against violation of, the requirements of the Franchise Agreement and Area Development Agreement concerning confidentiality, including without limitation, reasonable attorney fees, cost of investigation and proof of facts, court expenses, and damages incurred by us.

ITEM 15

OBLIGATIONS TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISED BUSINESS

We require you to participate in the supervision of the franchise. We may, however, agree in writing to allow someone other than an owner to act as the on-premises manager. That person must complete our training program and cannot have any interest or business relationship with any of our competition and must sign a written agreement to maintain confidentiality of the proprietary information and trade secrets described in Item 14 and conform to the covenants not to compete as described in Item 17. We may, in our sole discretion, allow franchisees or Area Developers to be corporations, limited liability companies or other entities subject to our approval; however, if a corporation, limited liability company or other entity is allowed to be a franchisee, the individual stockholders, members, etc. must personally guarantee the obligations under the Franchise Agreement and also agree to be personally bound by, and personally liable for, the breach of every provision of the Franchise Agreement, including confidentiality and non-competition provisions. Additionally, a principal owner of the business entity (with ownership of at least 10% of its voting securities) must have management responsibility and authority over the restaurant on a day-to-day basis. If you are a partnership, each partner must personally guarantee your obligations under the Franchise Agreement and also agree to be personally bound by, and personally liable for, the breach of every provision of the Franchise Agreement. They must further agree to be bound by the confidentiality and non-competition provisions of the Franchise Agreement and agree to certain restrictions on their ownership interest. Non-individual franchisees that enter into Area Development Agreements are subject to these requirements as well. All persons with an ownership or voting interest in a non-individual franchise or Area Development Agreement and all individual franchisees who enter into Franchise Agreements or Area Development Agreements must execute a confidentiality/non-competition agreement in the form of our “Confidentiality, Non-solicitation and Non-Competition Agreement” (See Exhibits “M” and “N”).

ITEM 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must use only those products, services, equipment, programs and other items in the operation

of your APÓLA restaurant that we have designated in the Franchise Agreement, the Confidential Operating Manual(s), or specifically approved in writing unless, as to any one or more items, you are prohibited by local law or regulation or unless we have granted you our advance written approval to exclude some menu items, products, services or programs. If you would like to sell any product, service, equipment or program which is not a part of the System, then you must seek and obtain our advance written permission. If we grant our advance written approval, then the product, service, equipment or program in question will become a part of the System (though we will not be required to, but may, authorize it for sale at one or more other APÓLA restaurants). We may subsequently revoke our approval. We will own all rights associated with the product, service, equipment or program. You will not be entitled to any compensation in connection with it.

We may add to, delete from or modify the services, products, equipment, programs and other items which you can and must offer or we may modify the System. You must abide by any additions, deletions and modifications. There are no limits on our rights to make these changes. We may designate, prohibit or otherwise limit your use of music or other entertainment within the APÓLA franchised restaurant. These requirements are set forth in greater detail in Item 8 of this Disclosure Document.

If at any time any Approved Products or any other components of the System are unavailable at your APÓLA restaurant for any reason, and you can affirmatively prove such unavailability, we will identify alternative products or other components of the System that you may offer at your APÓLA restaurant, only until such time as the Approved Product or other component of the System becomes available. When the Approved Product or other component of the System becomes available, you will be required to offer it at your APÓLA restaurant.

You may only sell System products and services at retail, and you may not engage in the wholesale sale and/or distribution of any System product, service, equipment or other component, or any related product or service.

ITEM 18

PUBLIC FIGURES

We do not use any public figure to promote our franchise.

ITEM 19

FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or any franchisor-owned restaurants, if there is a reasonable basis for the information, and if the information is included in this disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing restaurant you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

During the calendar year 2023, our affiliates APÓLA 1 Inc. and APÓLA 2 Inc. each operated a restaurant open 1 year or longer located in California similar to the franchised restaurant offered in this disclosure document. Our affiliate APÓLA 3 Inc. was open for part of 2023 and operated as a “Ghost” kitchen, closing before the end of 2023. We had one franchised restaurant opened for at least 1 year. Gross Sales for the franchised restaurant is listed in a separate chart. The unaudited annual Gross Revenue for the two similar affiliate locations is noted below. The median Gross Revenue of the two affiliate locations was \$1,268,518.

Affiliate	Location	2023

APÓLA 2 Inc.	Yorba, CA	\$1,268,518

The earnings claim figures do not reflect cost of sales, operating expenses, or other costs or expenses that must be deducted from the gross revenue or gross sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you incur in operating your franchise business. Franchisees or former franchisees, listed in the offering circular (Exhibit “B” and Exhibit “C”) may be one source of this information.

Some outlets have earned this amount. Your individual results may differ. There is no assurance you will earn as much.

Many factors, including location, management capabilities, local market conditions and other factors, are unique to each restaurant and may significantly impact the financial performance of your franchised business.

Historical costs do not necessarily correspond to future costs because of factors such as pandemics, inflation, changes in minimum wage laws, location, financing, construction costs, lease-related costs such as rent, CAM charges, taxes, interest, insurance and utilities vary from franchised business to franchised business. All information should be evaluated in light of current market conditions including such cost and price information as may then be available.

Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request.

Other than the preceding financial performance representation, we do not make financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor’s management by contacting the Franchise Administration Department at 18427 Yorba Linda Blvd., Yorba Linda, California 92886, (833) 328-4976, the Federal Trade Commission, and the appropriate state regulatory agencies.

Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. This Agreement is made and entered into _____, 20__, between APÓLA International LLC a Delaware Limited Liability Company (“Franchisor”), and if applicable, _____ (“Franchisee”) and _____ (“Employee”).

RECITALS

WHEREAS, Franchisor, as a result of the expenditure of time, skill, and money, has developed and is continuing to develop a system (the “System”) for the development and operation of franchises under the name and Mark “APÓLA” (hereinafter “Business” or sometimes “Franchised Business”); and

WHEREAS, Franchisor identifies the System through certain trade names, trademarks, services marks, symbols, logos, emblems and indicia of origin, including, without limitation, the name “APÓLA” and other such trade names, trademarks and service marks as Franchisor may develop in the future for the purpose of identifying for the public the sources of services and products marketed under such marks and under the System and representing the System’s high standards of quality, appearance and service, all of which may be changed, improved and further developed by Franchisor from time to time (collectively, the “Trade Secrets”); and

WHEREAS, the Trade Secrets provide economic advantages to Franchisor and are not generally known to, and are not readily ascertainable by proper means by Franchisor’s competitors who could obtain economic value from knowledge and use of the Trade Secrets; and

WHEREAS, Franchisor has taken and intends to take all reasonable steps to maintain the confidentiality and secrecy of the Trade Secrets; and

WHEREAS, Franchisor has granted Franchisee a limited right pursuant to a Franchise Agreement to operate an APÓLA Franchised Business using the System and the Trade Secrets for the period defined in the Franchise Agreement; and

WHEREAS, Franchisor and Franchisee have agreed in the Franchise Agreement on the importance to Franchisor and to the Franchisee and other licensed users of the System of restricting use, access and dissemination of the Trade Secrets; and

WHEREAS, it will be necessary for certain employees of Franchisee to have access to and use some or all of the Trade Secrets in the management and operation of Franchisee’s Business using the System; and

WHEREAS, Franchisee has agreed to obtain from those employees written agreements protecting the Trade Secrets and System against unfair competition; and

WHEREAS, Employee wishes to remain, or wishes to become, an employee of Franchisee; and

WHEREAS, Employee wishes and needs to receive and use the Trade Secrets in the course of his/her employment to effectively perform his/her services for Franchisee; and

NOW THEREFORE, in consideration of the mutual covenants and obligations contained

herein, the parties agree as follows:

Confidentiality Agreement

1. Franchisor and/or Franchisee shall disclose to Employee some or all of the Trade Secrets relating to the System.

2. Employee shall receive the Trade Secrets in confidence, maintain them in confidence and use them only in the course of his/her employment by Franchisee and only in connection with the management and/or operation by Franchisee of the Franchised Business using the System for so long as Franchisee is licensed by Franchisor to use the System.

3. Employee shall not at any time make copies of any documents or compilations containing some or all the Trade Secrets without Franchisor's express written permission.

4. Employee shall not at any time disclose or permit the disclosure of the Trade Secrets except to other employees of Franchisee and then only to the limited extent necessary to train or assist other employees of Franchisee in the management or operation of a Franchised Business using the System.

5. Any and all information, know-how, knowledge, techniques and materials made available by Franchisor or by Franchisee under the Franchise Agreement, including without limitation, specifications, guidelines, procedures, cooking techniques, computer software, forms and compilations of data all of which shall be deemed confidential Trade Secrets for the purposes of this Agreement.

6. Employee shall surrender the Confidential Operations Manual and such other manuals and written materials as Franchisor shall have developed ("Manual") described in the Franchise Agreement and any other written material containing some or all of the Trade Secrets to the Franchisee or Franchisor upon request, or upon termination of employment by Franchisee, or upon conclusion of the use for which the Manual or other information or material may have been furnished to the Employee.

7. Employee shall not, directly or indirectly, do any act or omit to do any act that would or would likely be injurious or prejudicial to the goodwill associated with the Trade Secrets and the System.

8. The Manual is loaned by Franchisor to Franchisee for limited purposes only and remains the property of Franchisor and may not be reproduced, in whole or in part, without the Franchisor's written consent.

**APÓLA INTERNATIONAL LLC
FRANCHISE AGREEMENT**

THIS FRANCHISE AGREEMENT (the “Agreement”) is effective as of the ____ day of _____, 20__ (the “Agreement Date”). The parties to this Agreement are APÓLA International LLC, a Delaware Limited Liability Company, with its principal business address at 18427 Yorba Linda Blvd., Yorba Linda, CA 92886 (referred to in this Agreement as “Franchisor,” “we,” “us” or “our”), and _____, whose principal business address is _____ (referred to in this Agreement as “Franchisee,” “you” or “your”).

1. Introduction.

1.1 APÓLA Franchise. We and our affiliate have expended considerable time and effort in developing a fast casual dining restaurant concept featuring among other items, gyro based quick service meals, proprietary food items and sauces and selected Greek or Mediterranean specialties. We operate under the Marks (defined below) and under distinctive business formats, methods, procedures, designs, layouts, signs, equipment, menus, recipes, trade dress, standards and specifications, all of which we may improve, further develop or otherwise modify from time to time (collectively, the “System”).

We use, promote and license certain trademarks, services marks and other commercial symbols in the operation of our restaurants, including the trade name, trademarks and service marks “APÓLA” and other associated designs, artwork and trade dress, which have gained and continue to gain public acceptance and goodwill, and we may create, use and license additional trademarks, service marks and commercial symbols in conjunction with the operation of an APÓLA franchise (collectively, the “Marks”). We grant to persons who meet our qualifications and are willing to undertake the investment and effort, a franchise to own and operate one APÓLA restaurant offering the products and services we authorize and approve and utilizing the System. You have applied for a franchise to own and operate one APÓLA restaurant.

1.2 Confirmations. You confirm and agree that:

- a. you understand and accept the terms, conditions and covenants contained in this Agreement as being necessary to maintain our high standards of quality and service and the uniformity of those standards for each APÓLA restaurant and to protect and preserve the goodwill of the Marks;
- b. you have conducted an independent investigation of the business venture contemplated by this Agreement and recognize that, like any other business, the nature of the business conducted by an APÓLA restaurant may evolve and change over time;
- c. in all of their dealings with you, our officers, directors, employees and agents act only in a representative, and not in an individual, capacity. All business dealings between you and such person as a result of this Agreement are solely between you and us;
- d. we have provided to you a copy of our Franchise Disclosure Document at least 14 calendar days prior to the execution of the Franchise Agreement or our receipt of any consideration from you.

1.3 Representations. You represent to us, as an inducement to our entry into this Agreement, that all statements you have made and all materials you have submitted to us in connection with your purchase of the franchise are accurate and complete and that you have made no misrepresentations or material omissions in obtaining the franchise. We have approved your request to purchase a franchise partially in reliance on all of your representations.

1.4 Business Organization and Ownership Information. If you have obtained our prior approval and Franchisee is a corporation, partnership, limited liability company or other form of legal entity, Franchisee and the owners agree, represent, and warrant and covenant that:

a. you have the authority to execute, deliver and perform your obligations under this Agreement and are duly organized or formed and validly existing in good standing under the laws of the state of your incorporation or formation;

b. your organizational or governing documents will recite that the issuance and transfer of any ownership interests by you are restricted by the terms of this Agreement, and all certificates and other documents representing ownership interests in you will bear a legend referring to the restrictions of this Agreement;

c. Franchisee shall provide to Franchisor prior to the execution of this Agreement, true and correct copies, as applicable, of Franchisee's articles of incorporation, bylaws, partnership agreement, articles of organization and limited liability company operating agreement, or limited liability company agreement and other governing documents and amendments thereto, as well as resolutions of the Board of Directors, partners or members authorizing entry into and performance of this Agreement. During the term of this Agreement, Franchisee shall promptly provide to Franchisor true and correct copies of any amendments or other changes to such governing documents. No such documents shall contain any provision that is contrary to or inconsistent with any provision of this Agreement;

d. you and your owners agree to revise the Principal Owner's Statement as may be necessary to reflect any ownership changes and to furnish such other information about your organization or formation as we may request (no ownership changes may be made without our approval, which shall not be unreasonably withheld);

e. a Principal Owner of the Business Entity (with ownership of at least 10% of its voting securities) must: (i) have management responsibility and authority over the APÓLA restaurant on a day-to-day basis; (ii) oversee the APÓLA restaurant's operations; (iii) be bound by our then-current form of Confidentiality Agreement (or other form satisfactory to us); and (iv) satisfactorily complete our initial training program and any other training programs we request during the term; and

f. each of your owners during the term of this Agreement will sign and deliver to us our standard form of Principal Owner's Guaranty undertaking to be bound jointly and severally by all provisions of this Agreement and any other agreements between you and us. A copy of our current form of Principal Owner's Guaranty is attached to the Franchise Disclosure Document. The spouse of each of your owners will execute a spousal consent in the form attached hereto as Exhibit G-Three.

2. Grant and Term.

2.1 Term. The term of the Franchise and this Agreement begins on the Agreement Date and expires 10 years from the Agreement Date. This Agreement may be terminated before it expires in accordance with its terms.

2.2 Grant. Subject to the terms of and upon the conditions contained in this Agreement, we grant you a franchise (the "Franchise") to: (a) operate one APÓLA restaurant at the Site, and at no other location (temporary or permanent); (b) use the Marks solely in connection with operating the APÓLA restaurant; and (c) use the System in its operation. Except as set forth in Paragraph 2.4 and its sub-paragraphs below, as long as you are in compliance with this Agreement, we will not grant a franchise to anyone else to operate, or ourselves operate, an APÓLA restaurant within the Protected Territory.

2.3 Performance. You agree that you will at all times faithfully, honestly and diligently perform your obligations, continuously exert your best efforts to promote and enhance the APÓLA

restaurant and not engage in any other business or activity that conflicts with your obligations to operate the APÓLA restaurant in compliance with this Agreement. You may not operate the APÓLA restaurant from any location other than the Site without our prior written consent. At all times, either you or one of your Principal Owners must meet our qualifications for management responsibility and authority over the operations of the franchised APÓLA restaurant. In addition, at all times the franchised APÓLA restaurant must be managed by an operations/general manager who has satisfactorily completed our Initial Training program.

2.4 Rights We Reserve. Notwithstanding any of the foregoing, we (and our affiliates) retain the right in our sole discretion to:

- a. establish, and grant to other franchisees the right to establish, APÓLA restaurants anywhere outside the Protected Territory, on such terms and conditions as we deem appropriate (even immediately outside the border of the Protected Territory), but not within the Protected Territory of your franchised APÓLA restaurant you open under this Agreement and continue to operate under it;
- b. operate, and grant franchises to others to operate, businesses, whether inside or outside the Protected Territory, specializing in the sale of products or provisions of services, other than a Competitive Business or an APÓLA restaurant, using certain of the Marks and pursuant to such terms and conditions as we deem appropriate;
- c. operate, and grant franchises to others to operate businesses or provide other services, whether inside or outside the Protected Territory, that do not use any of the Marks;
- d. market and sell, inside and outside of the Protected Territory, through channels of distribution other than fast casual dining restaurants (like mail order, Internet or Intranet, website or other forms of e-commerce or grocery, retail or convenience stores or kiosks), or through special purpose sites including military bases, public transportation facilities, race tracks, airports, student unions or similar buildings on college or university campuses, amusement and theme parks, and through sites which are covered or closed traffic, malls, or other similar sites, all of which are designated ("Sites We Reserve"). Such Sites We Reserve are not protected and are not part of your Protected Territory;
- e. you agree that we have the right, now, or in the future, to purchase, merge, acquire, or affiliate with an existing competitive or non-competitive franchise network, chain, or any other business regardless of the location of that chain's or business' facilities, and to operate, franchise or license those businesses and/or facilities as "APÓLA" restaurants operating under the Marks or any proprietary marks or any of their marks following our purchase, merger, acquisition or affiliation, regardless of the location of these facilities (which you acknowledge may be within the "Protected Territory" or proximate thereto, or proximate to any Franchisee location); and
- f. You acknowledge and agree that we own all business records and databases, whether in print, electronic or other form, related to the APÓLA franchised business, including without limitation, Customer Data and all other Business Records Franchisee creates and maintains. Franchisor has the right to contact Franchisee's former and current customers to ascertain their level of satisfaction. We hereby grant Franchisee a license to use the Business Records during the term of this Agreement. Franchisee may not use the Business Records for any purpose whatsoever other than in the normal conduct of the APÓLA franchised business, and Franchisee may not sell, loan or give the Business Records, including without limitation, Customer Data, to anyone without Franchisor's written permission. Upon termination or expiration of this Agreement, Franchisee must promptly deliver to Franchisor all Business Records in Franchisee's possession, including without limitation, any hard or electronic copies.

We will have the right to assign this agreement, and all of its rights and privileges under this agreement, to any person, firm, corporation or other entity.

You agree and affirm that we may sell our self, our assets, Marks or other proprietary marks and/or our System to a third party; may go public; may engage in a private placement of some or all of our securities; may merge, acquire other corporations, or other entities, or be acquired by another corporation or other entity, and/or may undertake a refinancing, recapitalization, leveraged buyout or other economic or financial restructuring. With regard to any of the above sales, assignments and dispositions, you expressly and specifically waive any claims, demands or damages arising from or related to the loss of Franchisor's license to use the name(s), Marks, proprietary marks (or any variation thereof) and system and/or the loss of association with or identification of "APÓLA" under this Agreement. You specifically release any and all other claims, demands or damages arising from or related to the foregoing merger, acquisition and other business combination activities including, without limitation, any claim of divided loyalty, breach of fiduciary duty, fraud, breach of contract or breach of the implied covenant of good faith and fair dealing.

If we assign our rights in this Agreement, nothing herein shall be deemed to require us to remain in the same business or any business which we now conduct or to offer to sell any food items, products or services to you.

3. Successor Terms.

3.1 Your Right to Acquire a Successor Franchise. This Agreement expires 10 years from the Agreement Date. Upon expiration, if you (and each of your owners) have substantially complied with this Agreement during its term, and provided that:

a. you maintain possession of and agree to remodel and/or expand the APÓLA franchised restaurant, add or replace improvements, equipment and signs and otherwise modify the APÓLA restaurant as we require to bring it into compliance with specifications and standards then applicable for APÓLA restaurant Franchises; or

b. if you are unable to maintain possession of the Site, or if in our judgment the APÓLA restaurant should be relocated, you secure substitute premises accepted by us, you develop such premises in compliance with specifications and standards then applicable for APÓLA restaurants and continue to operate the franchised APÓLA restaurant at the Site until operations are transferred to the substitute premises, then, subject to the terms and conditions set forth in this Section 3, you will have the privilege to apply for successor franchise agreements to operate the then existing APÓLA restaurant as a franchised APÓLA (a "Successor Franchise"), for additional ten (10) year periods for each successor franchise agreement, on the terms and conditions of the franchise agreement we are then using in granting Successor APÓLA Franchises for franchised APÓLA restaurants, which may contain materially different terms and conditions than this Agreement.

3.2 Grant of a Successor Franchise.

a. Your Election: You agree to give us written notice of your election to acquire a Successor Franchise during the first 90 days of the 9th year of this Agreement or during the first 90 days of the 10th year of the term of any 10-year Successor Franchise. We agree to give you written notice ("Response Notice"), not more than 90 days after we receive your notice, of our decision:

- (i) to grant you a Successor Franchise; or
- (ii) to grant you a Successor Franchise on the condition that deficiencies of the APÓLA restaurant, or in your operation of the APÓLA restaurant, are corrected; or
- (iii) not grant you a Successor Franchise based on our determination that you and your owners have not substantially complied with this Agreement during its term.

b. Response Notice: If applicable, our Response Notice will:

(i) describe the remodeling and/or expansion of the APÓLA restaurant and other improvements or modifications required to bring the APÓLA restaurant into compliance with the applicable specifications and standards for APÓLA restaurants; and

(ii) state the actions you have to take to correct operating deficiencies and the time period in which such deficiencies must be corrected.

If we elect not to grant a Successor Franchise, the Response Notice will describe the reasons for our decision. Your right to acquire a Successor Franchise is subject to your continued compliance with all of your terms and conditions of this Agreement through the date of its expiration, in addition to your compliance with the obligations described in the Response Notice.

c. **Deficiencies:** If our Notice states that you must cure certain deficiencies of the franchised APÓLA restaurant or its operation as a condition to the grant of a Successor Franchise, we will give you written notice of a decision not to grant a Successor Franchise unless you cure such deficiencies, not less than 90 days prior to the expiration of this Agreement. However, we will not be required to give you such notice if we decide not to grant you a Successor Franchise due to your breach of this Agreement during the 90-day period prior to its expiration. If we fail to give you:

(i) notice of deficiencies pertaining to the franchised APÓLA restaurant, or in your operation of the APÓLA restaurant, within 90 days after we receive your timely election to acquire a Successor Franchise; or

(ii) notice of our decision not to grant a Successor Franchise at least 90 days prior to the expiration of this Agreement, if such notice is required.

We may extend the term of this Agreement for such period of time as is necessary in order to provide you with either reasonable time to correct deficiencies or 90 days' notice of our refusal to grant a Successor Franchise.

3.3 Agreements/Releases. If you satisfy all of the other conditions to the grant of a Successor Franchise, you and your owners agree to execute the form of franchise agreement and any ancillary agreements we are then customarily using in connection with the grant of Successor Franchises. You and your owners further agree to execute general releases, in the form attached to the Franchise Disclosure Document, of any and all claims against us and our shareholders, officers, directors, employees, agents, successors and assigns. Failure by you or your owners to sign such agreements and releases and deliver them to us for acceptance and execution within 60 days after their delivery to you will be deemed an election not to acquire a Successor Franchise.

3.4 Training and Refresher Programs. Our grant of a Successor Franchise is also conditioned on the satisfactory completion by you (or an Operating Partner and Operations Manager of yours approved by us) of any new training and refresher programs as we may reasonably require. You are responsible for travel, living and compensation costs of attendees.

3.5 Fees and Expenses. Our grant of a Successor Franchise is contingent on your payment to us of a Successor Franchise Fee of \$5,000.

3.6 Subsequent Successor Franchises. The fees and other conditions for any later granting of subsequent Successor Franchises will be governed by the Successor Franchise agreement (then in existence).

4. Site Selection and Development.

4.1 Site/Protected Territory. You have applied for a franchise to own and operate one APÓLA restaurant only at a location we have accepted (the "Site"). During the period ending on the 90th day following the date you sign this Franchise Agreement (the "Site Selection Period"), you must identify, submit to us for acceptance, and obtain our acceptance of the Site. During the Site

Selection Period, we will not ourselves, nor grant a franchise to someone else to, open and operate an APÓLA restaurant at a fixed location inside the Site Selection Area. During the Site Selection Period, you must adhere to the following time schedule:

a. Site Selection Area: During the first 45 days of the Site Selection Period, you must obtain our acceptance of an intersection of streets or other landmark that will form the center (the “Center”) of the Site Selection Area. The Site Selection Area (the “Site Selection Area”) will, following our acceptance of the Center, consist of the geographic area containing a radius of five (5) miles. When the Center and Site Selection Area are determined, we will complete Exhibit “G-One” and provide a copy of it to you.

b. Site Identification: Prior to the 90th day following the Agreement Date, you must identify your proposed Site (which must be located within the Site Selection Area) and submit it to us for our acceptance. If we notify you that we will not accept that proposed Site, you must, within the next 30 days of our notice rejecting that proposed Site (but prior to the expiration of the Site Selection Period), identify and submit to us an alternative proposed Site, for our review and acceptance within the Site Selection Area.

c. Site Acceptance: We are not obligated to evaluate or accept any proposed Site submitted to us for acceptance after the expiration of the Site Selection Period or outside the Site Selection Area. Once you have identified the Site and we have accepted it, and the lease has been reviewed and is acceptable to us, we will complete Exhibit G-Two and provide it to you. If you have not identified and obtained our acceptance of a Site prior to signing this Agreement, you (with or without our assistance) must, within the Site Selection Period, identify, submit to us and obtain our acceptance (in our sole judgment) of a Site for your franchised APÓLA restaurant located within the Site Selection Area. However, if as of the expiration of the Site Selection Period we have yet to notify you whether we will accept or reject a Site that was submitted to us for review during the Site Selection Period, we will have 30 days following the end of the Site Selection Period to notify you of our decision to accept or reject that proposed Site. If we do not accept a Site during that 30-day period following the Site Selection Period, we will not be obligated to permit you to submit an alternative proposed Site to us.

d. Protected Territory: Upon our acceptance of the Site and lease, we will designate the “Protected Territory” which will consist of the geographic area containing 150,000 people (most recent U.S. Census), or a radius of five (5) miles of the Site. After our acceptance of the Site, and the lease has been reviewed and is acceptable to us, we will insert that Site and the Protected Territory into Exhibit “G-Two” and send a copy to you.

4.2 Site Evaluation. Each proposed Site must be evaluated by us or by a professional site analyst that we have approved. The Site must meet our criteria, with which we will provide you, for demographic characteristics, traffic patterns, parking, competition from and proximity to other businesses and other APÓLA restaurants, the nature of other businesses in proximity to the site and other commercial characteristics and the size, appearance and other physical characteristics of the proposed site. We retain the right to accept or reject the floor plan for your site. We will accept or reject a Site you propose for an APÓLA restaurant within 30 days. We may rely entirely on the site analysis in doing so. You acknowledge and agree that:

a. our recommendation or acceptance of the Site, the Site Selection Area, or the Protected Territory does not imply, guaranty, assure, warrant or predict profitability or success, express or implied;

b. our recommendation or acceptance of the Site indicates only that we believe that the Site, the Site Selection Area and the Protected Territory fall within the acceptable demographic and other criteria for site selection areas, sites and premises or protected territories that

we have established as of the time of our recommendation or acceptance of the Site, Site Selection Area or Protected Territory;

c. application of criteria that we have developed for our System or have appeared effective with respect to other sites and premises may not accurately reflect the potential for all sites and premises, and, after our acceptance of a site, demographic and/or other factors included in or excluded from our criteria could change or alter the potential of a site and premises; and

d. the uncertainty and instability of such criteria are beyond our control, and we will not be responsible for the failure of a premises, Site and Protected Territory we accept.

4.3 Lease of Site.

a. **Lease of Site:** You agree that you must enter into an acceptable lease agreement for the approved site within 180 days from the execution of this Franchise Agreement. In order for us to accept the lease, you agree to deliver copies of the proposed lease agreement and related documents to us prior to signing them. You agree not to sign any lease agreement or related documents (or any renewal of it) unless we have previously approved them. Our approval, which will not be unreasonably withheld, will be limited to ensuring that the lease is consistent with this Agreement. If we approve the lease, you agree to deliver a copy of the signed lease to us within 15 days after its execution along with the Lease Assignment.

b. **Lease Assignment:** When entering into such a lease, you and the lessor must sign our then-current form of Conditional Assignment and Assumption of Lease Agreement (the "Lease Assignment"). You will give the lessor our form of the Lease Assignment when you begin discussions with the prospective lessor. You agree not to sign any lease or renewal of a lease unless you have also obtained the Lease Assignment signed by the lessor. Notwithstanding anything hereinabove to the contrary we may waive the requirement for the Lease Assignment if we, in our sole discretion, approve your operation of a Cloud Kitchen and your lease agreement has been executed at the time you execute this Franchise Agreement and your equipment is in place at the time you execute this Franchise Agreement.

c. **Mandatory Lease Terms:** We may require that the lease or any renewal contain certain provisions, including the following:

(i) a provision which expressly permits the lessor of the Site to provide us with all revenue and other information lessor may have related to the operation of your franchised APÓLA restaurant as we may request;

(ii) a provision which requires the lessor to contemporaneously provide us with copies of any written notice of default under the lease sent to you and which grants to us, at our option, the right (but not the obligation) to cure any default under the lease (should you fail to do so) within 15 days after the expiration of the period in which you may cure the default;

(iii) a provision which evidences your right to display the Marks in accordance with the specifications required by the Confidential Operating Manual(s), subject only to the provisions of applicable law;

(iv) a provision which requires that any lender or other person will not disturb your possession of the Site so long as the lease term continues and you are not in default (along with such documents as are necessary to ensure that such lenders and other persons are bound);

(v) a provision which expressly states that any default under the lease which is not cured within any applicable cure period also constitutes grounds for termination of this Agreement;

(vi) a lease term which is at least equal to the initial term of this Agreement, either through an initial term of that length or right, at your option, to renew the lease for the full term of this Agreement; and

(vii) the premises must be operated as an APÓLA restaurant.

d. No Warranty: You acknowledge that our approval of the lease for the Site does not constitute a guarantee or warranty, express or implied, of the successful operation or profitability of an APÓLA restaurant operated at the Site. Such approval indicates only that we believe that the Site and the terms of the lease fall within the acceptable criteria we have established as of the time of our approval. You further acknowledge that we have advised you to have an attorney review and evaluate the lease.

4.4 Ownership and Financing. Instead of leasing a Site, you may propose to purchase, construct, own and operate a franchised APÓLA restaurant on real property owned by you or through an affiliate. You must meet certain conditions if you or an affiliate own a Site or at any time prior to acquisition, or subsequently, you or your affiliates propose to obtain any financing with respect to the Site or for your franchised APÓLA restaurant or for any Operating Assets in which any of such items are pledged as collateral securing your performance. The form of any purchase contract with the seller of a Site and any related documents, and the form of any loan agreement with or mortgage in favor of any lender and any related documents, must be approved by us before you sign them. Our consent to them may be conditioned upon the inclusion of various terms and conditions, including the following:

a. a provision which requires any lender or mortgagee concurrently to provide us with a copy of any written notice of deficiency or default under the terms of the loan or mortgage sent to you or your affiliates or the purchaser;

b. a provision granting us, at our option, the right (but not the obligation) to cure any deficiency or default under the loan or mortgage (should you fail to do so) within 15 days after the expiration of a period in which you may cure such default or deficiency; and

c. a provision which expressly states that any default under the loan or mortgage, if not cured within the applicable time period, constitutes grounds for termination of this Agreement and any default under this Agreement, if not cured within the applicable time period, also constitutes a default under the loan or mortgage.

5. Development, Décor and Operating Assets.

5.1 Development. You are responsible for developing your franchised APÓLA restaurant. We will furnish you with access to prototype design plans, specifications, décor and layout including requirements for design, color scheme, image, interior, layout and Operating Assets (which include fixtures, equipment, signs, and furnishings). The floor plan layout you receive from us can be adapted to most spaces. You are obligated to have prepared all required construction plans and specifications to suit the shape and dimensions of the Site and to ensure that such plans and specifications comply with applicable ordinances, building codes and permit requirements and with lease requirements and restrictions. You agree to submit construction plans and specifications to us for approval before construction of the franchised APÓLA restaurant is commenced and, at our request, submit all revised or “as built” plans/specifications during the course of such construction. We may require that an architect designated by us oversee the finished plans before construction begins. At your request, to the extent we deem necessary, we will assist you in developing the franchised APÓLA restaurant by recommending contractors and architects and otherwise furnishing information to assist you in developing the franchised APÓLA restaurant in accordance with our specifications.

5.2 Development Expenses. You agree, at your own expense, to do the following with respect to developing the franchised APÓLA restaurant at the Site:

- a. have complete and detailed construction drawings approved by an architect (both the drawings and your architect are subject to our approval);
- b. secure all financing required to develop and operate the franchised APÓLA restaurant;
- c. obtain all building, utility, sign, health, sanitation, business and other permits and licenses required to construct and operate the franchised APÓLA restaurant and pay all assessed impact fees;
- d. construct all required improvements to the Site and decorate the franchised APÓLA restaurant in compliance with the plans, specifications and schedule we have approved;
- e. purchase or lease and install all Operating Assets required for the franchised APÓLA restaurant; and
- f. purchase an opening inventory of authorized and approved products, materials and supplies.

5.3 Décor. You agree that all décor of your franchised APÓLA restaurant must be previously approved by us and must comply with our standards as described in the Confidential Operating Manual(s), which may be periodically revised. Your failure to maintain the franchised APÓLA restaurant décor in compliance with our System and the standards described in the Confidential Operating Manual(s) constitutes a material breach of this Agreement.

5.4 Operating Assets and Materials. You agree to acquire all services, supplies, materials and food and beverage products for use in connection with your franchised APÓLA restaurant (collectively “Materials”) and all fixtures, furnishings, equipment, signs and electronic or computerized devices and services (including computers, POS, e-mail, internet services, hardware and software) (the “Operating Assets”) from suppliers we have previously approved. We will only approve suppliers whose Materials and Operating Assets meet the quality standards that we establish from time to time. You agree to only place or display at the Site (interior and exterior) such signs, emblems, lettering, logos and display materials that we periodically approve. We may require that you purchase or lease Operating Assets and Materials through any affiliate supplier and/or any form of a “business to business,” e-commerce, Internet supply network that we may designate, establish or participate in from time to time. You also agree that we or our agents, at any reasonable time, may remove any Operating Asset from the franchised APÓLA restaurant, without compensation to you, if such Operating Assets are deemed by us or our agents to not be approved for use at the franchised APÓLA restaurant or be deemed to be a public health and/or safety risk. In the event such Operating Asset is removed, we may replace such Operating Asset or make arrangements to have such Operating Asset Serviced, repaired and/or cleaned at your expense. Any expense we incur will be due and payable by you to us upon demand.

5.5 Changes to Approved Suppliers. If you want to propose a new supplier of Materials or Operating Assets, you agree to submit to us, on our “Supplier Approval Form” and pay us a Supplier Approval Fee of \$1,000 at the time you submit the “Supplier Approval Form”, sufficient written information about the proposed new supplier to enable us to approve or reject either the supplier or the particular item and to be responsible for any expenses incurred in the process by us or you. We will have 30 days from receipt of the information to approve or reject the proposed new supplier or items. We may consider in providing such approval not just the quality standards of the products or services, but their delivery capabilities, financing terms and ability to service our franchise system as a whole. We may terminate or withhold approval of any Materials or Operating

Assets, or any supplier of such item, that do not meet our quality standards by giving you written notice. If we do so, you agree to immediately stop purchasing from such supplier or using such Materials or Operating Assets in your franchised APÓLA restaurant until we notify you that such supplier or such Materials or Operating Assets meet our quality standards. At our request, you agree to submit to us sufficient information about a proposed supplier and samples of the proposed APÓLA Materials or Operating Assets for our examination so that we can determine whether they meet our quality standards. We also have the right to require our representatives to be permitted to inspect the proposed supplier's facilities at your expense. We reserve the right, at our option, to re-inspect or re-test from time to time the facilities and products, Operating Assets or other items of any approved supplier and to revoke approval upon a supplier's failure to meet any of our then-current criteria. Nothing hereinabove shall be construed to require us to approve any particular supplier. Your failure to comply with the provisions of Paragraph 5.5 shall be deemed a material breach under this Agreement. We have and reserve the right to receive compensation or other consideration from approved suppliers and service providers based on our or our franchisees' purchases from these suppliers and on our designating the supplier as an approved supplier even if these suppliers include these fees in their prices to us or our franchisees.

5.6 Opening. You agree not to open the franchised APÓLA restaurant for business until:

- a. we approve the franchised APÓLA restaurant as developed in accordance with our specifications and standards;
- b. pre-opening training of you and your personnel has been completed to our satisfaction including operator certification at our approved training site;
- c. the Franchise Fee and all other amounts then due to us have been paid;
- d. we have been furnished with copies of all insurance policies required by this Agreement, or such other evidence of insurance coverage and payment of premiums as we request or accept;
- e. we have received signed counterparts of all required documents pertaining to your lease or acquisition of the Site;
- f. if we, in our sole discretion approve you to be a business entity, we have received your Articles of Incorporation, Partnership Agreements and/or other organizational documents; and
- g. any pre-opening marketing requirements have been completed to our satisfaction.
- h. you have delivered to Franchisor proof from a recognized financial institution, that you have the principal sum of \$50,000 liquid funds immediately available for working capital to conduct business at your franchised APÓLA restaurant. You must provide Franchisor proof of the \$50,000 working capital requirement, prior to scheduling Franchisor for on site Opening Training at the franchised APÓLA restaurant. You may not open your franchised APÓLA restaurant or schedule Franchisor's on site Opening Training at the franchised APÓLA restaurant, until you have provided Franchisor with proof satisfactory to Franchisor, that you have the required working capital available prior to opening and scheduling Franchisor for on site Opening Training at the franchised APÓLA restaurant.

You agree to commence construction of (or remodeling in the case of your purchase of an existing building) the franchised APÓLA restaurant within 180 days after the date of this Franchise Agreement. You also agree that time is of the essence and except for unavoidable delay or

failure to perform [Force Majeure] you must complete all Site Selection, Development and Opening obligations within 365 days from the date of this Franchise Agreement.

6. Fees.

6.1 Franchise Fee. In consideration of our granting you an APÓLA franchise, you agree to pay us a non refundable and fully earned Initial Franchise Fee of Thirty-Seven Thousand Five Hundred Dollars (\$37,500), payable on the Agreement Date. If you enter into an Area Development Agreement, instead of paying this Initial Franchise Fee you will pay us the amount of the Area Development Fee required to be paid under that agreement determined in accordance with the number of franchised restaurants you agree to develop and you will execute a separate franchise agreement for each of the remaining franchises as they are developed by you.

6.2 License Fee. You agree to pay us a License Fee in the amount of 6% of your APÓLA restaurant's weekly Gross Revenue. We must receive the License Fee on or before the Payment Day of each week for the immediately preceding week.

6.3 Electronic Funds Transfer and Payment Procedure. We require you to pay all payments of the License Fee or any other amounts due us under this Agreement to us by electronic funds transfer. We will designate the day of each week (the "Payment Day") for the License Fee payment or payment of other amounts due us under this Agreement. We may designate different Payment Days for different amounts due us under this Agreement (e.g. License Fee, Marketing and Technology Fund fee, etc.). You agree to comply with the procedures we specify in our Confidential Operating Manual(s) and perform such acts and sign and deliver such documents as may be necessary to accomplish payment by this method. You will give us authorization, in a form that we designate, to initiate debit entries or credit correction entries to the franchised APÓLA restaurant's bank operating account (the "Account") for payments of License Fees, the Marketing and Technology Fund fee, monthly fee for on-line menu ordering system and other amounts due under this Agreement, including any applicable interest charges. You will make the funds available in the Account for withdrawal by electronic transfer no later than the Payment Day. The amount actually transferred from the Account to pay License Fees, the Marketing and Technology Fund fees, will be based on your franchised APÓLA restaurant's Gross Revenue reported to us. If you have not reported your franchised APÓLA restaurant's Gross Revenue for any reporting period, we will transfer from your Account an amount calculated in accordance with our reasonable estimate of your franchised APÓLA restaurant's Gross Revenue during any such reporting period, provided, however that the minimum amount will be five hundred dollars (\$500) per week that we will debit if you have not reported Gross Revenue in the reporting period. If we determine at any time that you have under-reported Gross Revenue or underpaid License Fees or other amounts due to us, we will be authorized to immediately initiate a transfer from the Account in the appropriate amount in accordance with the foregoing procedures, including applicable interest and late charges. Any overpayment will be credited to the Account through a credit, effective as of the first reporting date after you and we determine that such credit is due. A fee of one hundred dollars (\$100) per occurrence will be due to us for each insufficient electronic funds transfer.

6.4 Definition of "Gross Revenue". As used in this Agreement, the term "Gross Revenue" means all revenue you derive from operating your franchised APÓLA restaurant, including, but not limited to, all amounts you receive at or away from the Site from any activities or services whatsoever including any that are in any way associated with the Marks, and whether from cash, check, barter, credit or debit card or credit transactions, including the redemption value of gift certificates redeemed by you regardless of whether such gift certificates are issued by you or someone else; but excluding (1) all federal, state or municipal sales, use or service taxes collected from customers and paid to the appropriate taxing authority and (2) customer refunds, adjustments, credits and allowances actually made by APÓLA. Gross Revenue also includes the aggregate of revenues

from the sale of food, goods, wares, services and products from all sources in connection with the franchise business whether from delivery service sales, retail, concessions, take-out, catering, special functions, etc. and sales of products bearing or associated with the Marks.

6.5 Interest on Late Payments. All amounts which you owe us will bear interest after their due date at the annual rate of 18% or the highest contract rate of interest permitted by law, whichever is less. You acknowledge that we do not agree to accept any payments after they are due nor commit to extend credit to, or otherwise finance your operation of, the franchised APÓLA restaurant. Your failure to pay all amounts when due constitutes grounds for termination of this Agreement, as provided in Section 16 of this Agreement.

6.6 Late Payment Penalties. All License Fees, the Marketing and Technology Fund fee, amounts due for purchases by you from us, and any interest accrued thereon, and any other amounts which you owe us, or our affiliates, are subject to a late payment fee of 1.5% per month of the amount due, but not to exceed the maximum allowed by law. The late payment fee is due immediately on any delinquent payments. The provision in this Agreement concerning late payment fees survives termination or expiration of this Agreement and does not mean that we accept or condone late payments, nor does it indicate that we are willing to extend credit to, or otherwise finance the operation of, your franchised APÓLA restaurant.

6.7 Application of Payments. Notwithstanding any designation you might make, we have sole discretion to apply any of your payments to any of your past due indebtedness to us. You acknowledge and agree that we have the right to set off any amounts you or your owners owe us against any amounts we might owe you or your owners.

6.8 Payment Offsets. We may setoff from any amounts that we may owe you any amount that you owe to us for any reason whatsoever, including without limitation, License Fees, the Marketing and Technology Fund fee, late payment penalties and late payment interest, amounts owed to us for purchases or services or for any other reason. Thus, payments that we make to you may be reduced, in our discretion, by amounts that you owe to us from time to time. In particular, we may retain any amounts that we have received for your account as a credit and payment against any amounts that you may owe to us at any time. We will notify you monthly if we do so.

6.9 Discontinuance of Service. If you do not pay amounts due to us timely under this Agreement, we may discontinue any services to you, without limiting any of our other rights in this Agreement.

6.10 On-line Menu Ordering System.

You agree to pay us a fee for on-line menu ordering at your franchised APÓLA restaurant. We must receive the fee we designate to you, which shall not exceed \$100 per month, subject to yearly increases of ten percent (10%) per year. The on-line Menu Ordering System fee shall be paid by Electronic Funds Transfer on the day of each month we designate in writing to you.

Before the franchised APÓLA restaurant opens, we or our designee will furnish the initial 58 hour training program (“Initial Training”) to you and/or your Operating Manager (or, if you are a Business Entity, your primary operating manager (the “Operating Manager”). The Operating Manager of the franchised APÓLA restaurant must successfully and fully complete the Initial Training and pass the training certificate process (the “Training Certificate”) conducted at one of our affiliate restaurants in California. Although we, or our designee, will furnish the Initial Training to the Operating Manager and you at no additional fee or other charge, you will be responsible for all travel and living expenses which the Operating Manager and you incur in connection with the training. You must pay us a fee in the amount of \$350 per day for each replacement Trainee trained

7.2 Opening On-Site Assistance. We, or our designee, will provide supervision and assistance for opening your APÓLA franchise business (the “Opening on Site Assistance”). We, or our designee, will provide assistance for a total of sixty-five (65) hours of On-Site Assistance, which can be consecutive or split and may be pre or post opening. You must pay for motel/hotel, transportation and expenses incurred with the provision of such services. We do not provide opening on-site assistance if you enter into an Area Development Agreement and have opened at least one APÓLA restaurant pursuant to the Area Development Agreement.

7.3 Ongoing Assistance. We will provide continuing advisory assistance to you in the operation, and promotion of the franchised APÓLA restaurant as we deem necessary. We, or our designee, will also provide additional or refresher training programs for you and your employees as we deem appropriate. At your request, we will make additional or refresher training in form and content as we deem appropriate available at your franchised APÓLA restaurant or at other locations we designate for an additional fee (the “Additional Training Fee”) at the rate of \$350 per trainer, per day plus travel and living expense, minimum of one (1) day charge.

7.4 Additional Training. If, at any time after the franchised APÓLA restaurant opens, you hire additional management personnel or replace one or more of your Operating Partners/Principals, you must ensure that such new employees are satisfactorily trained and certified at an approved training restaurant at your expense. You agree to furnish meals to our, or our designee’s, training personnel during the time when your kitchen is in operation when they are at your franchised APÓLA restaurant, at no cost to us. We may require the Trainees and/or other previously trained and experienced managers or employees attend periodic refresher training courses at such times and locations that we designate. You must pay to us, or our designee, the Additional Training Fee set forth in Paragraph 7.3.

8. Marks.

8.1 Ownership and Goodwill of Marks. Your right to use the Marks is derived solely from this Agreement and limited to your operation of the franchised APÓLA restaurant at the Site

pursuant to and in compliance with this Agreement and all System Standards we prescribe from time to time during its term. Your unauthorized use of the Marks will be a breach of this Agreement and an infringement of our rights in and to the Marks. You acknowledge and agree that your usage of the Marks and any goodwill established by such use will be exclusively for our benefit and that this Agreement does not confer any goodwill or other interests in the Marks upon you (other than the right to operate the franchised APÓLA restaurant in compliance with this Agreement). All provisions of this Agreement apply to any additional proprietary trade and service marks and commercial symbols we authorize you to use.

8.2 Limitations on Your Use of Marks. You agree to use the Marks as the sole identification of the franchised APÓLA restaurant, except that you agree to identify yourself as the independent owner in the manner we prescribe in the Confidential Operating Manual(s) or otherwise. We may place a conspicuous notice at a place we designate in your franchised APÓLA restaurant identifying you as its independent owner and operator. You agree not to remove, destroy, cover or alter that notice without our prior consent. If you do not do so, we may accomplish the notice or identification as we see fit, and you agree to reimburse us for doing so. You may not use any Mark as part of any corporate or legal business name or with any prefix, suffix or other modifying words, terms, designs or symbols (other than logos we license to you), or in any modified form, nor may you use any Mark in connection with any social media networking, including but not limited to, any postings on a social media site or social media network sites nor with the performance or sale of any unauthorized services or products or in any other manner we have not expressly authorized in writing. No Mark may be used in any advertising concerning the transfer, sale or other disposition of the franchised APÓLA restaurant or an ownership interest in you. You agree to display the Marks prominently in the manner we prescribe at the franchised APÓLA restaurant, on supplies or materials we designate and in connection with forms and advertising and marketing materials. You agree to give such notices of trade and service mark registrations as we specify and to obtain any fictitious or assumed name registrations required under applicable law.

8.3 Notification of Infringements and Claims. You agree to notify us immediately of any apparent infringement or challenge to your use of any Mark, or of any claim by any person of any rights in any Mark, and you agree not to communicate with any person other than us, our attorneys and your attorneys in connection with any such infringement, challenge or claim. We have sole discretion to take such action as we deem appropriate and the right to control exclusively any litigation, U.S. Patent and Trademark Office proceeding or any other administrative proceeding arising out of any such infringement, challenge or claim or otherwise relating to any Mark. You agree to sign any and all instruments and documents, render such assistance and do such acts and things as, in the opinion of our attorneys, may be necessary or advisable to protect and maintain our interests in any litigation or Patent and Trade Mark Office or other proceeding or otherwise to protect and maintain our interests in the Marks.

8.4 Discontinuance of Use of Marks. If we deem it advisable at any time in our sole control for us and/or you to modify or discontinue the use of any Mark and/or use one or more additional or substitute trade or service marks, you agree to comply with our directions within a reasonable time after receiving notice. We will not be obligated to reimburse you for any direct or indirect loss, including loss of revenue attributable to any modified or discontinued Mark or for any expenditure you make to promote a modified or substitute trademark or service mark.

8.5 Signage. Signage must comply with all state and local laws, ordinances and any covenants agreed to within your lease. Unless we consent, in our sole discretion to your operation of a Cloud Kitchen, in which case we may modify signage requirements, you must limit your signage to “APÓLA”. The use of any other language is forbidden. If you employ any signage that does not comply with this Agreement, you will be in material breach of this Agreement. The signage must also incorporate the specific letter style/color and curvature associated with “APÓLA” logo or other

mark or logo we may, in our sole discretion, designate in writing from time to time. You must not use a sign that deviates from the standard logo unless and until you have submitted a request for such deviation to us in writing with drawings and we have approved such deviation in writing.

You understand and agree that you are strictly prohibited from promoting or using the Marks in any manner on any social and/or networking websites, including but not limited to Facebook, LinkedIn, My Space, Twitter, Instagram, Vine, Tumblr, Snapchat, TikTok or any other platform, including but not limited to any online advertising, digital marketing and sponsorships) without our prior written consent.

8.7 Copyrights. All right, title and interest in and to all materials, artwork, and designs used with the Marks or in association with the System are our sole and exclusive property and cannot be replaced or replicated either during or after this Agreement. You have no right to make any direct or indirect use of Copyright Materials except as permitted under this Agreement.

In addition, in the course of the operation of your franchised APÓLA restaurant, you or your employees may develop ideas, concepts, methods, techniques or improvements (“Improvements”) relating to your franchised APÓLA restaurant or the System, which you hereby agree to disclose to us. We will be deemed to own the Improvements, and the Improvements will constitute Confidential Information. We may use the Improvements and authorize you and others to use them in the operation of APÓLA restaurants or any other aspect of the System.

9.3 Confidentiality Obligations. You agree that your relationship with us does not vest in you any interest in the Confidential Information other than the right to use it in the development and operation of your franchised APÓLA restaurant as we see fit, and that the use or duplication of the Confidential Information in any other business would constitute an unfair method of competition. - b. disclosure of the Confidential Information in judicial, administrative or arbitration proceedings when and only to the extent you are legally compelled to disclose it, provided that you have first given us the opportunity to obtain an appropriate protective order or other assurance satisfactory to us that the information required to be disclosed will be treated confidentially.

10. Exclusive Relationship.

You acknowledge and agree that we would be unable to protect Confidential Information against unauthorized use or disclosure or to encourage a free exchange of ideas and information among franchised APÓLA restaurants if franchisees of APÓLA restaurants were permitted to hold interests in or perform services for a Competitive Business (defined below). You agree that, during the term of this Agreement, neither you nor any of your owners (nor any of your or your owners’ spouses or children) will:

- a. have any direct or indirect interest as a disclosed or beneficial owner in a Competitive Business, other than the franchised APÓLA restaurant;

11. Operation and System Standards.

11.1 Confidential Operating Manual(s). During the term of this Agreement, we will allow you access, in electronic or in another format we designate, to our manuals (the “Manuals”), consisting of such materials that we generally furnish to franchisees from time to time for use in operating an APÓLA restaurant. The Manuals contain mandatory and suggested specifications, standards, operating procedures and rules (“System Standards”) that we prescribe from time to time for the operation of a franchised APÓLA restaurant and information relating to your other obligations under this Agreement and related agreements. You agree to follow the System Standards and other standards, specifications and operating procedures we establish periodically for the System that are described in the Manuals. We also reserve the right to make the Manuals accessible to you on-line via computer systems or other electronic formats (like Internet, CD-ROM, websites or e-mail). You also must comply with all updates and amendments to the System as described in newsletters or notices we distribute, including via computer systems e.g., internet, CD or other media we select. Any form of the Manuals we make accessible to you on-line will be deemed our Confidential Information. You agree to maintain the Manuals as confidential and maintain the information in the Manuals as secret and confidential. The Manuals may be modified, updated and revised (in written or electronic format) by us from time to time to reflect changes in System Standards. If your copy of the Manuals is lost, destroyed or significantly damaged, you agree to obtain a replacement copy at our then applicable charge (unless we have made on-line Manuals accessible to you. If so, you may utilize the on-line Manuals instead of purchasing other printed Manuals.)

11.2 Compliance with System Standards. You acknowledge and agree that your operation and maintenance of the franchised APÓLA restaurant in accordance with System Standards is essential to preserve the goodwill of the Marks at all APÓLA restaurants. All references to this Agreement include all System Standards as periodically modified.

11.3 Modification of System Standards. We may periodically modify System Standards, which may accommodate regional or local variations as we determine. Such modifications may obligate you to invest additional capital in the franchised APÓLA restaurant (“Capital Modifications”) and/or incur higher operating costs. However, such modifications will not alter your fundamental status and rights under this Agreement. We will not obligate you to make any Capital Modifications when such investment cannot in our reasonable judgment be amortized during the remaining term of this Agreement, plus all eligible successor periods, unless we agree to extend the term of your franchise so that such additional investment, in our reasonable judgment, may be amortized; unless such investment is necessary in order to comply with applicable laws. We agree to give you up to 90 days to comply with Capital Modifications we require. However, if a Capital Modification requires an expenditure of more than \$20,000 we agree to give you up to 180 days from the date such request is made to comply with such Capital Modification. You are obligated to comply with all modifications to System Standards, including Capital Modification, within the time period we specify. In no event will we require you to spend in any 12-month period in excess of 25% of our high estimate of the cost of the sum of leasehold improvements and furniture, fixtures and equipment from our Franchise Disclosure Document during the term of this Agreement in connection with Capital Modifications.

11.4 Interior and Exterior Upkeep. You agree at all times to maintain the franchised APÓLA restaurant’s interior and exterior and the surrounding area in the highest degree of cleanliness, orderliness and sanitation and comply with requirements regarding the upkeep of the franchised APÓLA restaurant established in the Manuals and by federal, state and local laws.

Any amount owed hereinabove will be due and payable upon demand to us and such amount due may be collected by us through electronic funds transfer.

11.6 Accounting, Computers and Records. It is your responsibility to obtain accounting services and any required hardware or software related to them. You will at all times maintain the records reasonably specified in the Manuals, including, without limitation, sales, inventory and expense information. To the extent we require support for accounting software used by you, such support will only be provided with respect to the accounting software then used by us in the operation of our own (or our affiliates’ own) APÓLA restaurants.

11.7 Computer System. You agree to use in developing and operating the franchised APÓLA restaurant the computer equipment and operating software (and related training and periodic software support) (the “Computer System”) that we periodically specify. We may require you to obtain specified computer hardware or software and may modify specifications for and components

of the Computer System from time to time. We currently require you to use the Point of Sale (“POS”) system we designate, which is based on the Toast POS system and has been programmed to APÓLA Franchise Operations. You must also pay the vendor a monthly service fee for each restaurant. Our modifications and specifications for components of the Computer System may require you to incur cost to purchase, lease or license new or modified computer hardware or software and to obtain service and support for the Computer System during the term of this Agreement. You agree to incur such costs in connection with obtaining the computer hardware and software comprising the Computer System (any additions or modifications). Within 60 days after you receive notice from us, you agree to obtain the components of the Computer System that we designate and require. We have the right to charge you for any computer usage costs that we incur as a result of your use of the Computer System. The Computer System must be capable of connecting with our Computer System so that we can review the results of your franchised APÓLA restaurant’s operations. We also have the right to charge you a reasonable systems fee for modifications of and enhancements made to any proprietary software that we license to you and other maintenance and support services that we or our affiliates may furnish to you related to the Computer System. You are responsible for all ISP and other connectivity related fees and costs relating to your use of the Computer System. You agree to maintain an active e-mail address at all times and inform us of it. If we adopt a different computer system, POS system or other system in the future, you must adopt it at your expense. You must provide us full 24-hour, 7-day-a-week access including online access, and the right to “upload” or “download” information to and from all POS, computer and other systems, and to the information through your computer, POS or other systems. You agree that you will not make any claim against us or our affiliates for any loss, damage, liability or expense caused by or related to failures, errors, acts, omissions, or otherwise of any computer, POS, hardware or software system.

11.8 Trade Accounts and Taxes. You agree to maintain your trade accounts in a current status and seek to resolve any disputes with trade suppliers promptly. You agree to timely pay all taxes incurred in connection with your franchised APÓLA restaurant operations. If you fail to maintain your trade accounts in a current status, timely pay such taxes or any other amounts owing to any third parties or perform any non-monetary obligations to third parties, we may, but are not required to, pay any and all such amounts and perform such obligations on your behalf. If we elect to do so, then you agree to reimburse us for such amounts. You agree to repay us immediately upon receipt of our invoice. We may also set-off the amount of any such reimbursement obligations against all amounts which we may owe you.

11.9 Proprietary Materials. You agree to purchase from us or approved manufacturers or suppliers all items used in operating the franchised APÓLA restaurant, some of which may bear the Marks. These items include, but are not limited to, food and non-food items, sauces, dressings, employee clothing (such as shirts, hats and aprons) and menus (collectively, the “Proprietary Materials”), at then prevailing prices, plus freight, taxes and delivery costs. The items may also include products like glassware, clothing, hats, tee shirts, etc. for retail sale to customers.

11.10 Approved Products. You agree to only use and display menus that have been prescribed or approved (except for prices) in advance by us. You agree to sell all the food and beverage products that are included on the prescribed or approved menus, and no others. You agree to strictly follow all of our recipes for all menu items as such recipes are specified from time to time in the Manuals or otherwise. You agree not to, without our prior written consent, sell, dispense, give away or otherwise provide food or beverage products or other items except by means of retail sales

or complimentary meals to employees or customers at the franchised APÓLA restaurant, a program of charitable giving or under an approved delivery service in accordance with this Agreement. You will immediately implement changes to the products, food, service or other items requested by us, including menu changes. You agree to maintain an inventory of food and beverage products sufficient to meet the daily demands of the franchised APÓLA restaurant for all items specified in the menus. Any and all recipes or menu changes submitted by you and approved in writing by us for inclusion on the menus will become our property and you agree to sign all documents necessary to convey all rights and title, including all rights in such recipes to us.

You may not avail yourself of any local ordinances or interpretations of statute to "opt out" or in any way circumvent the requirements of this paragraph. You may not utilize a Professional Employer Organization, Employee Leasing, or other concept to transfer the responsibilities of this paragraph to another entity without the expressed written consent of us. We reserve unto ourselves the right to grant any exemption to this section of the Franchise Agreement regardless of the reasonableness of your request.

You shall carry and maintain in force, comprehensive general liability insurance, employer's liability insurance, product liability insurance, personal and advertising injury insurance, and professional liability insurance with limits of One Million Dollars (\$1,000,000) limit including the following coverages: broad form contractual liability, personal injury (employee and contractual exclusion); insuring us and you against all claims suits, obligations, liabilities and damages, including attorneys' fees, for actual or alleged personal injuries or property damage relating to your franchised restaurant franchised business, provided that the required amounts herein may be modified from time to time by us to reflect inflation or future experience with claims; automobile liability insurance on company vehicles, including owned, hired and non-owned vehicle coverage, with a limit of at least One Million Dollars (\$1,000,000); Employer Practice Liability insurance with a limit of at least One Million Dollars (\$1,000,000); and, additional insurance and types of coverage as may be required by the terms of any lease for your franchised restaurant franchised business, or as may be required by us, including an umbrella policy with limits of One Million Dollars (\$1,000,000). All insurance policies must be issued by carriers we have approved and who are authorized to do business in the state where the franchised APÓLA restaurant is located, must contain the types and minimum amounts of coverage, exclusions and maximum deductibles as we prescribe from time to time, must name us as additional insured, must provide for 30 days prior written notice to us of any material modification, cancellation or expiration of such policy and must include all other provisions we may require from time to time. These policies shall indemnify both the Franchisee (as named insured), the Franchisor and any other party having an insurable interest in either your operations or our operations as an Additional Insured from an actual or alleged claim by a third party caused by or occurring in conjunction with the operation of the franchised APÓLA restaurant or otherwise in conjunction with the conduct of business by you pursuant to this Franchise Agreement. We reserve the right to adjust the limits of indemnification (up or down) or to require you to procure and maintain other additional coverage prescribed from time to time by us and issued by insurance carriers rated A- or better by Alfred M. Best and Company, Inc. You shall submit to us annually a copy of the certificate of, or other evidence of, the renewal or extension of such insurance policy or policies. We reserve the right to reject any policy with exclusions or sub limits that are not satisfactory to us.

You shall further carry any additional insurance covering such additional risks or providing higher limits as we may reasonably request.

If you at any time fail or refuse to maintain in effect any insurance coverage required by us, or to furnish satisfactory evidence thereof, we at our option and in addition to its other rights and remedies hereunder, may, but shall not be required to, obtain such insurance coverage on behalf of you, and you shall promptly execute any applications or other forms or instruments required to obtain any such insurance and pay to us, on demand, any costs and premiums incurred by us plus an administrative fee of 15% of the amount paid.

11.14 Adequate Reserves and Working Capital. These reserves may be in the form of cash deposits or lines of credit.

11.15 Variation of Terms. You acknowledge that because uniformity under many varying conditions may not be possible or practical, we reserve the right to materially vary our standards or franchise agreement terms for any APÓLA restaurant, based on the timing of the grant of the franchise, the peculiarities of the particular protected territory or circumstances, business potential, population, existing business practices, other non-arbitrary distinctions or any other condition which we consider important to the successful operation of the franchised APÓLA restaurant. You will have no right to require us to disclose any variation or to grant the same or a similar variation to you.

11.16 Coupons, Certificates and Vouchers. Except as otherwise permitted by Franchisor in writing, Franchisee shall honor all coupons, gift certificates and vouchers sold by Franchisor or

other Franchisees in the franchised System and upon redemption thereof shall be entitled to credit the retail price of the item provided against Gross Revenue. Any coupons offered or proposed by Franchisee must be approved in writing by Franchisor prior to being extended.

You agree to comply with our on-line menu ordering system program in Paragraph 6.10 and will participate by allowing customers to order our menu items or other promotional products through the Internet or through a web-based application. Participation in such a program will be mandatory, and you agree to pay the cost and fees to support such program.

11.18 Customer Complaints. In the event your customer(s) contact(s) us to report a complaint about your APÓLA restaurant, you agree that we may in our sole discretion, compensate your customer in a manner we determine to be appropriate, and you agree to reimburse us for such compensation. Payment of such amount paid to the customer (the “Customer Comment Reimbursement Fee”) is due upon demand by us.

11.19 Sales Only In Compliance with This Agreement. You agree that all deliveries of supplies, items or products will be made only to your franchised APÓLA business. You may not have supplies, items or products delivered to any other address. You may not offer for sale any items, products that you are authorized to sell under this Franchise Agreement at any address other than at your franchised APÓLA business or otherwise in compliance with this Franchise Agreement. If you violate this restriction, it is a violation of this Franchise Agreement, you agree that in addition to any remedy under this Franchise Agreement, that we have the right to contact your supplier(s) and/or distributor(s) to notify them that your deliveries may only be made to the franchised APÓLA business. You further agree that in such an event, we will not be liable to you for any damages you claim that may result from our notification to your supplier(s) and/or distributor(s).

11.20 Distribution Activities. Except as we may in writing otherwise agree, you may not make any sales of products or services outside of the franchised APÓLA business or use vendor relationships that you establish through your association with us for any other purpose beside the operation of the franchised APÓLA business. You may, however, offer samples of approved products at or directly in front of the franchised APÓLA business or other businesses near your franchised APÓLA business as approved by your landlord. You agree to purchase materials, supplies, and inventory solely for use in the preparation of products to retail customers, and not for resale or redistribution to any other party, including other franchisees. You may not offer, unless we consent in writing, products or services in connection with the Marks via mail order sales, or any overnight or other distribution source or any website on the internet or any other electronic communication network. You may offer and sell products to off-site catering events and company account programs (collectively, “Catering Events”), provided you deliver products on the same day that they are made and adhere to any other rules that we set forth in the Confidential Operations Manual. Sales may not be made as part of a mail order program, or any delivery service program unless approved by us in writing.

11.21 Convenience Shipments. Franchisor may automatically ship to Franchisee and Franchisee must timely pay for, “convenience shipments” of certain goods, including inventory and promotional items required for limited time offers, special promotions or similar programs. You will be required to incur cost which may include but are not limited to, cost of items related to making promotional products, special packaging, wraps and boxes. Payment is due upon demand.

11.22 Test Products. Periodically, Franchisor will conduct market research and testing to determine consumer trends and the salability of new food or non-food products and services. If Franchisor requires, you must participate in any market research programs or test marketing of new products and services in your APÓLA business, and provide us with timely reports and any other relevant information we request for the market research. You must purchase for your APÓLA business a reasonable quantity of the test products, and you must effectively promote and make a

reasonable effort to sell test products. The amount that you pay for the test products will not reduce your obligation to pay Advertising Contributions to the Marketing and Media Fund in Section 12 and will not reduce your obligation to conduct local marketing.

11.23 Your Purchases. We or an affiliate may derive revenue from the sale of required purchases of products, items, goods and services through mark-ups in prices charged by us or our affiliate. We or an affiliate may receive compensation and discounts from suppliers for your purchase of items. You agree that we and/or our affiliates are entitled to such fees and/or other consideration. Any monies paid to us for products, goods or services are non-refundable.

11.24 Your Protection of Personally Identifiable Information. You must implement all administrative, physical and technical safeguards necessary to protect any information that can be used to identify an individual, including names, addresses, telephone numbers, e-mail addresses, employee identification numbers, signatures, passwords, financial information, credit card information, biometric or health data, and government-issued identification numbers ("Personal Information") in accordance with applicable laws and industry best practices. It is your responsibility entirely (even if we provide you any assistance or guidance in this regard) to confirm that safeguards you use to protect Personal Information comply with all applicable laws and industry best practices related to the collection, access, use, storage, disposal and disclosure of Personal Information. If you become aware of a suspected or actual breach of security or unauthorized access involving Personal Information, you will notify us immediately of the breach or unauthorized access, and specify the extent to which Personal Information was compromised or disclosed, and your plans to correct and prevent any further breach or unauthorized access. You will allow us, in our sole discretion, to provide advice on the course of your corrective action.

12. Marketing and Promotion.

12.1 Establishment of Marketing and Technology Fund.

a. You agree to pay us a Marketing and Technology Fund ("Fund") fee of 1% of your monthly Gross Revenue, which fee may be increased up to 2% of your monthly Gross Revenue upon a thirty (30) day written notice to you. We must receive the Fund fee by the fifth (5th) day of each month. We require you to pay the Fund fee by electronic funds transfer. You agree to comply with the procedures we specify in our Confidential Operations Manual and perform such acts and sign and deliver such documents as may be necessary to accomplish payment by this method. You will give us authorization in a form we designate to initiate debit entries or credit correction entries to your bank account for each month's Fund fee payment and any interest charges due.

b. We will direct all marketing (including but not limited to websites, online advertising, social media marketing or presence, digital marketing and sponsorships) and technology programs, with sole control over the creative concepts, materials and media used in such programs, and the placement and allocation of Fund advertising. You acknowledge that the Fund is intended to further general public recognition and acceptance of the Proprietary Marks for the benefit of the APÓLA System and other benefits derived from the website we develop or utilize. You further acknowledge that we and our designees undertake no obligation in administering the Fund to make expenditures for you which are equivalent or proportionate to your contributions, to ensure that any particular franchisee benefits directly or pro rata from the placement of advertising or to ensure that any advertising impacts or penetrates your Protected Territory. The Fund is not a trust and we are not a fiduciary with respect to the Fund.

c. The Fund may be used to meet any and all costs of administering, directing, preparing, placing and paying for national, regional or local advertising, including (without limitation): television, radio, magazine, newspaper and worldwide web/internet advertising campaigns; other advertising, marketing and public relations materials; point-of-purchase materials;

menu development; paper goods; consumer research, interviews and related activities; the creation, maintenance and periodic modification of the APÓLA website; reviewing any advertising material you propose to use (as provided below); search engine optimization; establishing a third party facility for customizing local advertising materials; the creative development of signage, menu boards, posters and unit décor items; the development and creative activity associated with loyalty programs, promotions and public relations events; accounting for APÓLA Fund receipts and expenditures; attendance at industry related conventions, shows or seminars; other activities that we in our business judgment believe are appropriate to enhance, promote and/or protect the APÓLA System or any component thereof; and, engaging advertising agencies to assist in any or all of the foregoing activities, including fees to have print, broadcast and/or internet advertising placed by an agency, and all other advertising agency and public relations fees.

d. We need not maintain the sums paid by franchisees to the Fund, or income earned from the Fund, in a separate account from our other funds, but we may not use these amounts under any circumstance for any purposes other than those provided for in this Agreement. We may, however, expend monies from the Fund for any reasonable administrative costs and overhead that we may incur in activities reasonably related to the administration or direction of the Fund and marketing and technology programs for franchisees including, without limitation, preparing marketing and advertising materials; working with advertising agencies, advertising placement services and creative talent; preparing an accounting of contributions to the Fund and the annual statement of Fund contributions and expenditures provided for below; and, otherwise devoting our personnel, resources and/or funds for the benefit of the Fund. Our right to expend monies from the Fund to reimburse us for such activities is exclusive of any advertising agency or public relations fees which the Fund must expend to secure the services of an advertising agency or public relations firm or to have print, broadcast or internet advertising placed by an agency.

e. Within 60 days following the close of our fiscal year, we will prepare (but not audit) a statement detailing Fund income and expenses for the calendar year just ended, a copy of which statement will be sent to you upon request.

f. We expect to expend most contributions to the Fund for advertising during the calendar year when the contributions are made. If we expend less than the total sum available in the Fund during any fiscal year, the excess amount will be carried forward to the following fiscal year to be used as provided for in subsection g. If we advance and expend an amount greater than the amount available in the Fund in any calendar year (in addition to any sum required to be expended because we did not expend all the sums in the Fund during the preceding year), we will be entitled to reimburse ourselves from the Fund during the following fiscal year for all such advanced sums, with interest payable on such advanced sums at the greater rate of 1.5% per month or the maximum commercial contract interest rate permitted by law (with interest accruing the first calendar day following the day on which we advance and expend any such sum).

g. We reserve the right to use any media, create any programs and allocate advertising funds to any regions or localities in any manner we consider appropriate in our business judgment. The allocation may include rebates to individual franchisees of some or all of their Fund contributions for local advertising expenditures if, in our judgment, our national or regional advertising program or campaign cannot effectively advertise or promote in certain regions or communities. If we determine that the total Fund contributions collected from all franchisees is insufficient to sustain a meaningful regional or national advertising campaign, we may rebate all or a portion of the Fund contributions to franchisees on a pro rata basis. Franchisees must expend any rebate on the types of local advertising and media that we determine. All rebate advertising expenditures must be documented to us in a monthly rebate advertising expenditure report form which we will furnish.

h. Although the Fund is intended to be a perpetual duration, we maintain the right to terminate the Fund, but will not do so until all of the monies in the Fund have been expended for advertising and promotional purposes.

i. The Fund will not be used for any activity whose sole purpose is the sale of franchises; provided, however, that the design and maintenance of our Web site (for which Fund monies may be used) may include information and solicitations for prospective franchisees and public relations and community involvement activities which may result in greater awareness of the APÓLA restaurant brand and the franchise opportunity.

j. No APÓLA restaurant which we or our affiliates own or operate will be required to participate in or contribute to the Marketing and Technology Fund or other advertising programs provided for in this Paragraph 12.1 and sub-paragraphs thereof. Notwithstanding anything herein to the contrary, our affiliates may participate in the Marketing and Technology Fund by agreeing to contribute the same percentage of their Gross Revenue as franchisees are required to contribute at the time they agree to participate in the Marketing and Technology Fund.

k. We or our designee will direct all programs financed by the Marketing and Technology Fund, with sole control over the allocation and any Internet or Intranet websites, networks or communities it operates or participate in, or which requires your participation. You agree that the Marketing and Technology Fund may be used to pay the costs associated directly or indirectly with the operation, maintenance, hosting or development of the website bearing our marks; or establishing Internet, Intranet, website or other forms of e-commerce communities, networks, systems, methods, processes, databases or monitoring systems, which may include our establishing one or more Internet or Intranet websites for purposes of: linking this Agreement; our sharing or selling information to third parties; our establishing business to business or business to customer e-commerce; promoting the development and growth of franchises or soliciting franchisees; or your reporting of License Fees, Gross Revenue or other information as we designate from time to time. The Marketing and Technology Fund may be used for defraying administrative hosting, development maintenance costs and overhead incurred by us or our designees in connection with the Fund. The Fund may periodically furnish you with samples of advertising, marketing and promotional formats and materials at no cost. Multiple copies of such materials will be furnished to you at our direct cost of producing them, plus any related shipping, handling and storage charges.

12.2 Local Advertising. You are required to spend up to 2% of your Monthly Gross Revenue, as defined herein, for local advertising approved by us. You agree that all Local Advertising will comply with the standards set by us and as established in the Confidential Operations Manual. Local Advertising requirements may include, without limitation, placing a certain number and/or type(s) of media advertisements. You are required to provide us quarterly reports of your Local Advertising expenditures and at the beginning of each new year, you must provide us with an annual budget for your Local Advertising expenditures within thirty (30) days of the beginning of each new calendar year. You shall have the right, but not the obligation, to spend more than the Local Advertising requirement on local advertising. All advertising and promotional materials must be previously approved by us and you shall report all advertising expenditures to us upon our request, within ten (10) days. You agree that we shall have the right to require your local advertising be combined with one or more franchisees in an area designated by us, and we shall have the sole right to approve the media selection format.

12.3 Directory Listings. In addition to your obligation to participate in the marketing and Technology Fund and conduct local advertising, at your expense, you agree to obtain telephone directory listing in the online white and yellow pages as approved by us. If other franchisees operate APÓLA restaurants in the market area serviced by the online directories, then you will participate in

and pay your pro rata share (based on number of APÓLA restaurants) of the cost of such listings and advertising.

12.4 Websites. You acknowledge and agree that any website constitutes “advertising” under this Agreement. Any website you develop or utilize must meet all other terms and conditions for advertising described in this Agreement. For this purpose, a “website” means an interactive electronic document, contained in a network of computers linked by communications software, that you operate or authorize others to operate that refers to your franchised APÓLA restaurant, The Marks, us, and/or the System. The term website also includes Internet, Intranet and World Wide Web home pages or e-mail address sites. You must not establish any website without our prior written approval of its form, content and information presented due to our substantial interest in protecting the Marks, the System and the Confidential Information. We may require you to participate in a centralized website operated by us, without any compensation to you. We may refuse to permit you to operate or establish any website. We reserve the right to establish one or more Internet, Intranet or other forms of e-commerce websites, networks or communities for purposes of: promoting the development, growth, sales and solicitation of franchises; our establishing or participating in, and requiring or authorizing your participation in, or in connection with: e-commerce; establishing purchasing, supply or referral programs, networks or communities in which you must participate; or monitoring your performance under this Agreement and other purpose we designate from time to time which we deem to promote the development and operation of the System. From time to time we will establish and notify you of our establishment of website policies and other forms of e-commerce policies, which will become part of our System Standards and be provided in the Operations Manual or other written communication by you. We own all right, title and interest in and to information compiled from, derived from or obtained by us via your or our use of websites or our establishment of an Intranet, Internet or other forms of e-commerce networks or communities. Furthermore, you agree to the following:

a. you agree that we may establish electronic links from our website to your website (if we agree that you may have your own website), and that other franchisees may establish electronic links to your website from their websites; without any compensation to you. We may prohibit you from linking any website to your website for any reason without compensation to you;

b. you must not use any mark as part of any URL domain name, Internet or e-mail address, or any other identification of you in any electronic medium or with any prefix, suffix or other modifying words, terms, designs, or symbols, or in any modified form, without our written consent;

c. if this Agreement expires or terminates for any reason, you must immediately stop using any website that utilizes any of the Marks or the System, or that are linked to any of our websites or the website of any of our franchisees. You must also then remove and change any website, domain names, Internet or Intranet addresses, e-mail addresses or other identification that utilize any of the Marks;

d. you agree to establish, maintain and notify us of your active e-mail address, and notify us of any change in your e-mail address within 3 business days of the change; and

e. you agree that we have the right (but no obligation) to develop an Intranet which we and our franchisees can communicate by e-mail or similar electronic means. If we develop an Intranet, you agree to use the facilities of the Intranet in strict compliance with the standards, protocols and restrictions that we include in the Manuals (including, without limitation, standards, protocols, and restrictions relating to encryption of confidential information and prohibitions against the transmission of libelous, derogatory or defamatory statements). We may, in our sole discretion charge a fee for Intranet usage, which fee shall be paid in accordance with our invoice or pursuant to Paragraph 6.3, through Electronic Funds Transfer.

12.5 Opening Advertising. You agree to spend any amount designated to you by us between \$2,000 to \$11,000 on an opening advertising campaign to promote the opening of your franchised APÓLA restaurant as directed by us. This amount must be spent in the sixty (60) day period comprising thirty (30) days before and thirty (30) days after your franchised restaurant opens to the public. Your opening advertising campaign must be approved by us before you may begin it, and we may require that your campaign include promotional giveaways, which sum shall not be included in the \$2,000 to \$11,000 advertising campaign expenses.

13. Records, Reports and Financial Statements.

13.1 Accounting System. You agree to establish and maintain at your own expense a bookkeeping and recordkeeping system conforming to the requirements and formats we prescribe from time to time. We may require you to use approved computer hardware, software and websites in order to maintain certain sales data and other information we designate from time to time. This may include the updating of Manuals and for communication purposes. You agree that we may have access to such sales data and other information through the computer system at all times.

13.2 Reports. You agree to furnish to us on such forms that we prescribe from time to time:

a. following the Agreement Date, and weekly thereafter until your franchised APÓLA restaurant opens, a report of your progress in the development and opening of your franchised APÓLA restaurant;

b. at our request, within 5 days after their filing, copies of all sales tax returns, for the franchised APÓLA restaurant and copies of the canceled checks for the required sales taxes and surtaxes;

c. on Monday of each calendar week, a report on the franchised APÓLA restaurant's Gross Revenue during the immediately preceding calendar week (Monday through Sunday);

d. within 15 days after the end of each calendar quarter, a profit and loss statement for the franchised APÓLA restaurant for the immediately preceding calendar month and year-to-date and a balance sheet as of the end of such month;

e. within 15 days after the end of the franchised APÓLA restaurant's fiscal year, annual profit and loss and source and use of funds statements and a balance sheet for the franchised APÓLA restaurant as of the end of such fiscal year; and

f. within 10 days after our request, exact copies of federal and state income and other tax returns and such other forms, records, books and other information we may periodically require.

We may require that any of the reports described in this Paragraph 13.2 or any information you are required to provide us under this Agreement or our System Standards be provided to us in electronic format via a secure website (internet or Intranet) at times and in the manner we designate, from time to time.

13.3 Access to Information. You agree to verify and sign each report and financial statement in the manner we prescribe. We have the right to disclose data derived from such reports without identifying you. We also have the right to require you to have reviewed or audited financial statements prepared on a calendar year (12 month) basis if we reasonably believe that the reports are incorrect. Moreover, we have the right as often as we deem appropriate (including on a daily basis) to access, electronically or otherwise, all computer registers and other computer systems that you are required to maintain in connection with the operation of the franchised APÓLA restaurant and to

retrieve electronically or otherwise, all information (including sales, product mix, or other information) relating to the APÓLA restaurant's operations.

13.4 Copies of Reports. You agree to furnish us with a copy of all sales, income and other tax returns relating to your APÓLA restaurant, at our request. You will also send us copies of any sales or other reports sent to any landlord or governmental agency, at our request.

14. Inspections and Audits.

14.1 Our Right to Inspect the APÓLA Restaurant. To determine whether you and the franchised APÓLA restaurant are complying with this Agreement and all System Standards, we and our designated agents have the right at any time during your regular business hours without prior notice, to:

- a. inspect the franchised APÓLA restaurant;
- b. observe, photograph and videotape the operations of the franchised APÓLA restaurant for such consecutive or intermittent periods as we deem necessary;
- c. remove samples of any products, materials or supplies for testing and analysis;
- d. interview personnel and customers of the franchised APÓLA restaurants; and
- e. inspect and copy any books, records and documents relating to your operation of the franchised APÓLA restaurant.

You agree to cooperate with us fully in connection with any such inspections, observations, photographing, videotaping, product removal, interviews and electronic (Internet or Intranet) record access. You agree to present to your customers such evaluation forms that we periodically prescribe and to participate and/or request your customers to participate in any surveys performed by us or on our behalf. You agree to correct or repair any unsatisfactory conditions we specify within 5 days.

14.2 Our Right to Audit. We have the right at any time during your business hours to inspect and audit, or cause to be inspected and audited, your (if you are a Business Entity) and the franchised APÓLA restaurant's business, bookkeeping and accounting records, purchasing records, advertising and marketing records and expenditures, sales and income tax records and returns and other records. You agree to cooperate fully with our representatives and independent accountants we hire to conduct any such inspection or audit. If our inspection or audit is made necessary by your failure to furnish reports, supporting records or other information we require, or to furnish such items on a timely basis, or if the information is not accurate (i.e., your Gross Revenue is understated by 2% or more), you agree to reimburse us for the cost of such inspection or audit, including, without limitation, the charges of attorneys and independent accountants and the travel expenses, room and board and compensation of our employees. You also must pay us any shortfall in the amounts you owe us, including late fees and interest, within 10 days of our notice. The foregoing remedies are in addition to our other remedies and rights under this Agreement and applicable law, which may include termination of this Agreement.

15. Transfer.

15.1 By Us. This Agreement is fully transferable by us, and inures to the benefit of any transferee or other legal successor to our interests, as long as such transferee or successor agrees to be bound by, and assumes all of our continuing obligations under, this Agreement. We may also delegate the performance of any portion or all of our obligations under this Agreement to third-party designees, whether these designees are our agents or independent contractors with whom we have contracted to perform these obligations.

15.2 By You. You understand and acknowledge that the rights and duties created by this Agreement are personal to you (or, if you are a Business Entity, to your owners) and that we have granted the Franchise to you in reliance upon our perceptions of your (or your owners') individual or collective character, skill, aptitude, attitude, business ability and financial capacity. Accordingly, neither this Agreement (nor any interest in it) nor any ownership or other interest in you or the franchised APÓLA restaurant may be transferred without our prior written approval. Any transfer without such approval constitutes a breach of this Agreement and is void and of no effect. As used in this Agreement, the term "transfer" includes your (or your owners') voluntary, involuntary, direct or indirect assignment, sale, gift or other disposition of any interest in: (a) you; (b) this Agreement; or (c) the franchised APÓLA restaurant.

An assignment, sale, gift or other disposition includes the following events:

- i. transfer of ownership of capital stock, any ownership interest in the legal entity, or a partnership interest;
- ii. merger or consolidation or issuance of additional securities or interest representing an ownership interest in you;
- iii. any issuance or sale of your stock or any security convertible to your stock;
- iv. transfer of an interest in you, this Agreement or the franchised APÓLA restaurant in a divorce, insolvency or corporate or any legal entity or partnership dissolution proceeding or otherwise by operation of law;
- v. transfer of an interest in you, this Agreement or the franchised APÓLA restaurant, in the event of your death or the death of one of your owners, by will, declaration of or transfer in trust or under the laws of intestate succession; or
- vi. pledge of this Agreement (to someone other than us) or of an ownership interest in you as security, foreclosure upon the franchised APÓLA restaurant or your transfer, surrender or loss of possession, control or management of the franchised APÓLA restaurant.

15.3 Conditions for Approval of Transfer. If you (and your owners) are in full compliance with this Agreement, then subject to the other provisions of this Section 15, we will not unreasonably withhold approval of a transfer that meets all the applicable requirements of this Section. The proposed transferee and its direct and indirect owners must be individuals of good character and otherwise meet our then applicable standards for franchised APÓLA restaurant franchisees. A transfer of ownership, possession or control of the franchised APÓLA restaurant may only be made if the transferee enters into a new Franchise Agreement. If the transfer is of your franchised APÓLA restaurant or a controlling interest in you, or is one of a series of transfers which in the aggregate constitutes the transfer of your franchised APÓLA restaurant(s) or a controlling interest in you, all of the following conditions must be met prior to or concurrently with the effective date of any transfer:

- a. the transferee has sufficient business experience, aptitude and financial resources to operate the franchised APÓLA restaurant and has been approved as a franchisee;
- b. you have paid all License Fees, Marketing and Technology Fund fee, amounts owed for purchases from us and all other amounts owed to us or to third-party creditors and have submitted all required reports and statements;
- c. the transferee (or its Operating Partner) and its managerial employee (if different from your manager) have completed our training program;
- d. the transferee has agreed to enter into a new Franchise Agreement;

e. you or the transferee pays us a transfer fee of \$12,500 (the “Transfer Fee”). We may provide training to your employees, other than Trainees. If we do so, you must pay us a fee of \$2,500 per person trained by us. You must also pay all travel and living expenses for you, other trainees and your employees to attend the training. This subsection will not apply if the proposed transferee is among your owners, but the transferee is required to reimburse us for any administrative costs we incur in connection with the transfer;

f. the transferee agrees to pay the costs required to bring the franchised APÓLA restaurant into compliance with the then current System Standards;

g. you (and your transferring owners) have executed a general release, in the form attached to the Franchise Disclosure Document, of any and all claims against us and our shareholders, officers, directors, employees and agents;

h. we have approved the material terms and conditions of such transfer and determined that the price and terms of payment will not adversely affect the transferee’s operation of the franchised APÓLA restaurant;

i. if you or your owners finance any part of the sale price of the transferred interest, you and/or your owners have agreed that all of the transferee’s obligations pursuant to any promissory notes, agreements or security interests that you or your owners have reserved in the APÓLA restaurant are subordinate to the transferee’s obligation to pay License Fees, the Marketing and Technology Fund fee and other amounts due to us and otherwise to comply with this Agreement;

j. you and your transferring owners have executed a non-competition covenant in favor of us and the transferee agreeing to be bound, commencing on the effective date of the transfer, by the post-term competitive restrictions otherwise contained in this Agreement; and

k. you and your transferring owners have agreed that you and they will not directly or indirectly at any time or in any manner (except with respect to other APÓLA restaurants you own and operate) identify yourself or themselves or any business as a current or former franchisee or franchised APÓLA restaurant, or as one of our licensees or franchisees, use any Mark, any colorable imitation of a Mark, or other indicia of an APÓLA restaurant in any manner or for any purpose or utilize for any purpose any trade name, trade or service mark or other commercial symbol that suggests or indicates a connection or association with us.

15.4 Transfer to a Business Entity. Notwithstanding the foregoing, if you are in full compliance with this Agreement, we may permit you to transfer this Agreement to a Business Entity that conducts no business other than the franchised APÓLA restaurant and, if applicable, other APÓLA restaurants so long as you own, control and have the right to vote all issued and outstanding ownership interests (like stock or partnership interests) and you guarantee its performance under this Agreement. All other owners are subject to our approval. The organizational or governing documents of the Business Entity must recite that the issuance and transfer of any ownership interests in the Business Entity are restricted by the terms of this Agreement, are subject to our approval, and all certificates or other documents representing ownership interest in the Business Entity must bear a legend referring to the restrictions of this Agreement. As a condition of our approval of the issuance or transfer of ownership interests to any person other than you, we may require (in addition to the other requirements we have the right to impose) that the proposed owner execute an agreement, in a form provided or approved by us, agreeing to be bound jointly and severally by, to comply with, and to guarantee the performance of all your obligations under this Agreement.

15.5 Transfer Upon Death or Disability. Upon your death or disability or, if you are a Business Entity, the death or disability of the owner of a controlling interest in you, you or such owner’s executor, administrator, conservator, guardian or other personal representative must transfer your interest in this Agreement or such owner’s interest in you to a third party. Such disposition of

this Agreement or the interest in you (including, without limitation, transfer by bequest or inheritance) must be completed within a reasonable time, not to exceed 6 months from the date of death or disability, and will be subject to all of the terms and conditions applicable to transfers contained in this Section. A failure to transfer your interest in this Agreement or the ownership interest in you within this period of time constitutes a breach of this Agreement. For purposes of this Agreement, the term “disability” means a mental or physical disability, impairment or condition that is reasonably expected to prevent or actually does prevent you or an owner of a controlling interest in you from managing and operating the APÓLA restaurant.

15.6 Operation Upon Death or Disability. If, upon your death or disability or the death or disability of the owner of a controlling interest in you, the franchised APÓLA restaurant is not being managed by a trained manager, you or such owner’s executor, administrator, conservator, guardian or other personal representative must within a reasonable time, not to exceed 15 days from the date of death or disability, appoint a manager to operate the franchised APÓLA restaurant, such manager will be required to complete training at your expense. Pending the appointment of a manager as provided above or if, in our judgment, the APÓLA restaurant is not being managed properly any time after your death or disability or after the death or disability of the owner of a controlling interest in you, we have the right, but not the obligation, to appoint a manager for the franchised APÓLA restaurant. All funds from the operation of the APÓLA restaurant during the management by our appointed manager will be kept in a separate account, and all expenses of the APÓLA restaurant, including compensation, other costs and travel and living expenses of our manager, will be charged to this account. We also have the right to charge a reasonable management fee (in addition to the License Fees and Marketing and Technology Fund contributions payable under this Agreement) during the period that our appointed manager manages the APÓLA restaurant. Operation of the APÓLA restaurant during any such period will be on your behalf, provided that we only have a duty to utilize our best efforts and will not be liable to you or your owners for any debts, losses or obligations incurred by the APÓLA restaurant or to any of your creditors for any products, materials, supplies or services the APÓLA restaurant purchases during any period it is managed by our appointed manager.

15.7 Effect of Consent to Transfer. Our consent to a transfer of your APÓLA restaurant or any interest in you does not constitute a representation as to the fairness of the terms of any contract between you and the transferee, a guarantee of the prospects of success of the APÓLA restaurant or transferee or a waiver of any claims we may have against you (or your owners).

15.8 Our Right of First Refusal. If you (or any of your owners) at any time determine to sell, assign, or transfer for consideration an interest in your franchised APÓLA restaurant or an ownership interest in you, you (or such owner) agree to obtain a bona fide, executed written offer and earnest money deposit (in the amount of 5% or more of the offering price) from a responsible and fully disclosed offeror (including lists of the owners of record and all beneficial owners of any corporate or limited liability company offeror and all general and limited partners of any partnership offeror) and immediately submit to us a true and complete copy of such offer, which includes details of the payment terms of the proposed sale and the sources and terms of any financing of the proposed purchase price. To be a valid, bona fide offer, the proposed purchase price must be denominated in a dollar amount. The offer must apply only to an interest in the franchised APÓLA restaurant and may not include an offer to purchase any of your (or your owners’) other property or rights. However, if the offeror proposes to buy any other property or rights from you (or your owners) under a separate, contemporaneous offer, such separate, contemporaneous offer must be disclosed to us, and the price and terms of purchase offered to you (or your owners) for the interest in you or the franchised APÓLA restaurant must reflect the bona fide price offered and reflect any value for any other property or rights.

We have the right, exercisable by written notice delivered to you or your selling owner(s) within 30 days from the date of the delivery to us of both an exact copy of such offer and all other information we request, to purchase such interest for the price and on the terms and conditions contained in such offer, provided that:

- a. we may substitute cash for any form of payment proposed in such offer (with a discounted amount if an interest rate will be charged on any deferred payments);
- b. our credit will be deemed equal to the credit of any proposed purchaser;
- c. we will have not less than 60 days after giving notice of our election to purchase to prepare for closing; and
- d. we are entitled to receive, and you and your owners agree to make, all customary representations and warranties given by the seller of the assets of a business or the capital stock of an incorporated business, as applicable, including, without limitation, representations and warranties as to:
 - (i) ownership and condition of and title to stock or other forms of ownership interest and/or assets;
 - (ii) liens and encumbrances relating to the stock or other ownership interest and/or assets; and
 - (iii) validity of contracts and the liabilities, contingent or otherwise, of the corporation whose stock is being purchased.

If we exercise our right of first refusal, you and your selling owner(s) agree that, for a period of 2 years commencing on the date of the closing, you and they will be bound by the post-term competitive restrictions otherwise described in this Agreement.

If we do not exercise our right of first refusal, you or your owners may complete the sale to such purchaser pursuant to and on the exact terms of such offer, subject to our approval of the transfer as otherwise provided in this Agreement, provided that, if the sale to such purchaser is not completed within 120 days after delivery of such offer to us, or if there is a material change in the terms of the sale (which you agree promptly to communicate to us), we will have an additional right of first refusal during the 30-day period following either the expiration of such 120-day period or notice to us of the material change(s) in the terms of the sale, either on the terms originally offered or the modified terms at our option.

16. Termination of Agreement.

16.1. By Us. We have the right to terminate this Agreement, effective upon delivery of written notice of termination to you, if we, in our sole discretion, determine to cease all franchise operations or if:

- a. you (or any of your owners) have made any material misrepresentation or omission in connection with your purchase of the Franchise; or
- b. you or, if applicable, the required Operating Manager or Restaurant Manager fail to successfully complete Initial Training to our satisfaction or you have not fulfilled all of the conditions for management of the franchised APÓLA restaurant; or
- c. you (i) fail to obtain our approval of the Site within the required time periods or fail to open the franchised APÓLA restaurant to the public within 365 days from the execution of this Franchise Agreement, or (ii) fail to obtain our approval of the Lease for the Site or to provide a Conditional Assignment and Assumption of Lease clearly signed by the Landlord or fail to

commence construction of the franchised APÓLA restaurant within 180 days of the Agreement Date;
or

d. you abandon or fail to actively operate the franchised APÓLA restaurant for 2 or more consecutive business days, unless the APÓLA restaurant has been closed for a purpose we have approved or because of casualty or government order; or

e. you surrender or transfer control of the operation of the APÓLA restaurant without our prior written consent; or

f. you (or any of your owners) are or have been convicted by a trial court of, or plead or have pleaded no contest, or guilty, to, a felony or other serious crime or offense that is likely to adversely affect your reputation, our reputation or the reputation of any other APÓLA restaurant; or

g. you (or any of your owners) engage in any dishonest or unethical conduct which may adversely affect the reputation of the franchised APÓLA restaurant or another APÓLA restaurant or the goodwill associated with the Marks; or

h. you (or any of your owners) make an unauthorized assignment of this Agreement or of an ownership interest in you or the franchised APÓLA restaurant; or

i. in the event of your death or disability or the death or disability of the owner of a controlling interest in you, this Agreement or such owner's interest in you is not assigned as required under this Agreement; or

j. you lose the right to possession of the Site; or

k. you (or any of your owners) make any unauthorized use or disclosure of any Confidential Information or use, duplicate or disclose any portion of the Manuals in violation of this Agreement; or

l. you violate any health, safety or sanitation law, ordinance or regulation and do not begin to cure the noncompliance or violation immediately, and correct such noncompliance or violation within 5 days, after written notice is delivered to you, except we may require the immediate shut down of your franchised APÓLA restaurant in the event we deem such violation to be a health threat to anyone; or

m. you fail to make payments of any amounts due to us or our affiliates under this Agreement or any other agreement that you have with us, and do not correct such failure within 10 days after written notice of such failure is delivered to you; or

n. you fail to make payments of any amounts due to approved suppliers of products or services and do not correct such failure within 10 days after written notice of such failure is delivered to you by such supplier; or

o. you fail to pay when due any federal or state income, service, sales or other taxes due on the operations of the franchised APÓLA restaurant, unless you are in good faith contesting your liability for such taxes; or

p. you (or any of your owners) fail to comply with any other provision of this Agreement or any System Standard and do not correct such failure within 30 days after written notice of such failure to comply is delivered to you; or

q. you (or any of your owners) fail on 2 or more separate occasions within any period of 12 consecutive months or on 3 occasions during the term of this Agreement to submit when due reports or other data, information or supporting records, to pay when due any amounts due to us

or otherwise to comply with this Agreement, whether or not such failures to comply were corrected after written notice of such failure was delivered to you; or

r. you make an assignment for the benefit of creditors or admit in writing your insolvency or inability to pay your debts generally as they become due; you consent to the appointment of a receiver, trustee or liquidator of all or the substantial part of your property; the franchised APÓLA restaurant is attached, seized, subjected to a writ or distress warrant or levied upon, unless such attachment, seizure, writ, warrant or levy is vacated within 30 days; or any order appointing a receiver, trustee or liquidator of you or the franchised APÓLA restaurant is not vacated within 30 days following the entry of such order. You are required to notify us in writing within 10 days of any of the above events; or

s. you misuse or make an unauthorized use of the Marks or materially impair the goodwill associated with the Marks.

Notwithstanding the provisions described in Paragraph 16.1 and sub-sections “a-s”, if any valid, applicable law or regulation of a competent governmental authority having jurisdiction over the Franchise and the parties to this Franchise Agreement shall limit our rights of termination or shall require a longer notice period than set forth above, this Franchise Agreement is deemed amended to conform to such rules and regulations.

16.2 Your Failure to Pay Constitutes Your Termination of This Agreement. Your failure to timely cure any breach of your obligation to make payments of License Fees, the Marketing and Technology Fund fee or any other monies due and owing to us under this Agreement, or to timely cure any other material breach of this Agreement committed by you, in either instance following our notice to you that you have committed a breach of this Agreement and granting you an opportunity to cure said breach, will be irrevocably deemed to constitute your unilateral rejection and termination of this Agreement and all related agreements between you and us or our affiliates, notwithstanding that a formal notice of such termination(s) ultimately issues from us, and you shall never contend or complain otherwise.

16.3 Cross-Default. Any default or breach by you, an affiliate which has been approved by us, and/or any guarantor of yours of any other agreement between us and you and/or such other parties will be deemed a default under this Agreement, and any default or breach of this Agreement by you and/or such other parties will be deemed a default or breach under any and all such other agreements between us and you, your affiliates and/or any guarantor of yours. If the nature of the default under any other agreement would have permitted us to terminate this Agreement if the default had occurred under this Agreement, then we will have the right to terminate all such other agreements in the same manner provided for in this Agreement for termination hereof. Your “affiliates” means any persons or entities controlling, controlled by or under common control with you.

16.4 Options Prior to Termination. Prior to the termination of this Agreement, if you fail to pay any amounts owed to us or our affiliates, or fail to comply with any term of this Agreement, then in addition to any right we may have to terminate this Agreement or to bring a claim for damages, we will have the option to:

- a. Remove the listing of the franchised APÓLA restaurant from all advertising we may publish or approve;
- b. Remove the listing of the franchised APÓLA restaurant from our Website;
- c. Prohibit you from attending any meetings or seminars we hold or sponsor or that take place on our premises; and/or

d. Suspend all services we provide to you under this Agreement or otherwise, including, but not limited to inspections, training, marketing assistance, and sale of products and supplies.

Our actions, as outlined in this Paragraph 16.4, may continue until you have brought your accounts current, cured any default, and complied with our requirements, and we have acknowledged the same in writing. You acknowledge that our taking of any of these actions would not prevent you from continuing to operate the franchised APÓLA restaurant (unless and until this Agreement has been terminated), and therefore would not constitute constructive termination of this Agreement. The taking of any of the actions permitted in this paragraph will not suspend or release you from any obligation that would otherwise be owed to us or our affiliates under the terms of this Agreement or otherwise.

17. Rights and Obligations Upon Termination.

17.1 Payment of Amounts Owed to Us. You agree to pay us within 15 days after the effective date of termination or expiration of this Agreement, or on such later date that the amounts due to us are determined, such License Fees, the Marketing and Technology Fund fee, amounts owed for purchases from us, interest due on any of the foregoing and all other amounts owed to us which are then unpaid.

17.2 Marks and De-Identification. Upon the termination or expiration of this Agreement:

a. You may not directly or indirectly at any time or in any manner (except with respect to other APÓLA restaurants you own and operate) identify yourself or any business as a current or former franchised APÓLA restaurant, or as one of our licensees or franchisees, use any Mark, any colorable imitation of a Mark or other indicia of an APÓLA restaurant in any manner or for any purpose or utilize for any purpose any trade name, trade or service mark or other commercial symbol that indicates or suggests a connection or association with us. Within thirty (30) days of termination or expiration you are to deliver to us, at your own expense, all signs, sign-faces, sign-cabinets, marketing materials, forms and other materials containing any mark or otherwise identifying or relating to an APÓLA restaurant. In our sole judgment, we may waive this requirement in writing provided that you provide a sworn Certificate of Destruction/De-identification detailing your compliance with these terms;

b. You agree to take such action as may be required to cancel all fictitious or assumed name or equivalent registrations or licenses relating to your use of any Mark;

c. If we do not have or do not exercise an option to purchase the franchised APÓLA restaurant, you agree to deliver to us within 30 days after, as applicable, the effective date of expiration/termination of this Agreement or the Notification Date all signs, sign-faces, sign-cabinets, marketing materials, forms and other materials containing any Mark or otherwise identifying or relating to an APÓLA restaurant and allow us, without liability to you or third parties, to remove all such items from the APÓLA restaurant;

d. If we do not have or do not exercise an option to purchase the APÓLA restaurant, you agree that, after, as applicable, the effective date of expiration/terminations of this Agreement or the Notification Date, you will promptly and at your own expense make such alterations we specify to distinguish the APÓLA restaurant clearly from its former appearance and from other APÓLA restaurants so as to prevent confusion by the public, including, without limitation, removing all exterior and interior signage bearing the APÓLA restaurant's name or logo; removing all furnishings bearing the APÓLA restaurant's name or logo; removing all memorabilia and décor items including pictures or any notation of any type that includes the APÓLA restaurant's name or logo; removing and ceasing to use all our private labeled food items including proprietary sauces and

dressings; removing all food presentation items, all retail merchandise bearing the APÓLA restaurant's name or logo; repainting of the interior of the restaurant to reflect a change in the basic color scheme so as to clearly distinguish from its former appearance/concept and from other APÓLA restaurants so as to prevent confusion by the public and all other alterations we specify to distinguish the APÓLA restaurant clearly from its former appearance and from other APÓLA restaurants;

e. If we do not have or do not exercise an option to purchase the APÓLA restaurant, you must return to us all proprietary manuals including the Confidential Operations Manual. These items are to be returned to us via ground delivery service, shipped no later than the day of closing, and a copy of the bill of lading/shipping order provided to us;

f. If we do not have or do not exercise an option to purchase the APÓLA restaurant, you must destroy all remaining unused gift certificates, gift cards and coupons. You must provide a signed and notarized statement attesting to the quantity (dollar amount) of unredeemed gift certificates, gift cards and coupons outstanding and a method for reimbursement to franchisees of the APÓLA restaurant system for a period of one year from date of restaurant closing. Reimbursement must be guaranteed by funds held in escrow or other form acceptable to us in our sole discretion;

g. If we do not have or do not exercise an option to purchase the franchised APÓLA restaurant you agree that, after, as applicable, the effective date of expiration/termination of this Agreement or the Notification Date, you will notify the telephone company and assign all telephone, facsimile or other numbers and any regular, classified or other telephone directory listings to us or at our direction and/or instruct the telephone company to forward all calls made to your telephone numbers to numbers we specify. You further appoint an officer of Franchisor as your attorney in fact, to direct the telephone company and any listing agencies to transfer any telephone numbers and listing to us should you fail to voluntarily do so, and the telephone company and all listing agencies shall accept such direction of this Agreement as conclusive of the exclusive rights of Franchisor in such telephone numbers and directory listings and its authority to direct their transfer; and

h. You agree to furnish us, within 30 days after, as applicable, the effective date of expiration or termination of this Agreement or the Notification Date, with evidence satisfactory to us of your compliance with the foregoing obligations.

17.3 Confidential Information. You agree that, upon termination or expiration of this Agreement, you will immediately cease to use any of our Confidential Information in any business or otherwise and return to us all copies of the Manuals and any other confidential materials that we have loaned to you.

17.4 Competitive Restrictions. Upon termination or expiration of this Agreement for any reason whatsoever, you agree that, for a period of 2 years commencing on the Effective Date of termination or expiration neither you nor any of your owners will have any direct or indirect interest (including through a spouse, child or other family member) as a disclosed or beneficial owner, investor, partner, director, officer, employee, consultant, member, manager, representative or agent or in any other capacity in any Competitive Business operating:

a. At the Site or within the Protected Territory; or

b. Within 50 miles of the Site or Protected Territory; or

c. Within 15 miles of any other APÓLA restaurant in operation or under construction on the later of the effective date of the termination or expiration.

If any person restricted by this Section refuses voluntarily to comply with the foregoing obligations, the 2-year period will commence with the entry of an order of an arbitrator, or court if necessary, enforcing this provision. You expressly acknowledge that you possess skills and abilities

of a general nature and have other opportunities for exploiting such skills. Consequently, enforcement of the covenants made in this Section will not deprive you or your owners of your or their personal goodwill or ability to earn a living.

All persons with an ownership or voting interest in you if you are a Business Entity franchisee, all individual franchisees if you are not a Business Entity and any person employed by or under an independent contractor relationship with you who receives or will receive any training by us or you which is directly or indirectly related to the System or involves any of the Confidential Information must execute the Confidentiality, Non-solicitation and Non-competition Agreement attached to the Franchise Disclosure Document no later than ten days following the effective date of this Agreement (or, if any individual or entity attains such status after the effective date of this Agreement, within ten days following such individual or entity's attaining such status).

17.5 Our Right to Purchase.

a. Exercise of Option. Upon our termination of this Agreement in accordance with its terms and conditions, we have the option, exercisable by giving written notice to you within 60 days from the date of such termination, to purchase the APÓLA restaurant from you, including the leasehold right to the Site. (The date on which we notify you whether or not we are exercising our option is referred to in this Agreement as the "Notification Date"). We have the unrestricted right to assign this option to purchase the APÓLA restaurant. We will be entitled to all customary warranties and representations in connection with our asset purchase, including, without limitation, representations and warranties as to ownership and condition of and title to assets; liens and encumbrances on assets; validity of contracts and agreements; and liabilities affecting the assets, contingent or otherwise.

b. Leasehold Rights. You agree at our election:

(i) To assign your leasehold interest in the Site to us; to enter into a sublease for the remainder of the lease term on the same terms (including renewal options) as the prime lease; or

(ii) To lease to us if you own the Site in accordance with the Agreement to Lease.

c. Purchase Price. The purchase price for the APÓLA restaurant will be its fair market value, determined in a manner consistent with reasonable depreciation of the APÓLA restaurant's equipment, signs, inventory, materials and supplies provided that the APÓLA restaurant will be valued as an independent business and its value will not include any value for:

- (i) the Franchise or any rights granted by the Agreement;
- (ii) the Marks; or
- (iii) participation in the network of APÓLA restaurants.

Your APÓLA restaurant's fair market value will include the goodwill you developed in the market of the APÓLA restaurant that exists independent of the goodwill of the Marks and the System. The length of the remaining term of the lease for the Site will also be considered in determining the APÓLA restaurant's fair market value.

We may exclude from the assets purchased cash or its equivalent and any equipment, signs, inventory, materials and supplies that are not reasonably necessary (in function or quality) to the APÓLA restaurant's operation or that we have not approved as meeting standards for an APÓLA restaurant, and the purchase price will reflect such exclusions.

The purchase price will be paid at the closing of the purchase, which will take place not later than 90 days after determination of the purchase price. We have the right to set off against the

purchase price, and thereby reduce the purchase price by, any and all amounts you or your owners owe to us. At the closing, you agree to deliver instruments transferring to us the following:

- (i) Good and merchantable title to the assets purchased, free and clear of all liens and encumbrances (other than liens and security interest acceptable to us), with all sales and other transfer taxes paid by you;
- (ii) All licenses and permits of the APÓLA restaurant which may be assigned or transferred; and
- (iii) The leasehold interest and improvements in the Site.

If you cannot deliver clear title to all of the purchased assets, or if there are other unresolved issues, the closing of the sale will be accomplished through an escrow. You and your owners further agree to execute general releases, in the form attached to the Franchise Disclosure Document, of any and all claims against us and our shareholders, officers, directors, employees, agents, successors and assigns.

18. Relationship of the Parties/Indemnification.

18.1 Independent Contractors. You and we understand and agree that this Agreement does not create a fiduciary relationship between you and us, that we and you are and will be independent contractors and that nothing in this Agreement is intended to make either you or us a general or special agent, joint venturer, partner or employee of the other for any purpose. You agree to conspicuously identify yourself in all dealings with customers, suppliers, public officials, APÓLA restaurant personnel and others as the owner of the APÓLA restaurant under a franchise we have granted and to place such notices of independent ownership on such forms, business cards, stationery and advertising and other materials as we may require from time to time. If you do not do so, we may place the notices and accomplish the foregoing as we see fit, and you must reimburse us for doing so.

18.2 No Liability for Acts of Other Party. You agree not to employ any of the Marks in signing any contract or applying for any license or permit, or in a manner that may result in our liability for any of your indebtedness or obligations, and that you will not use the Marks in any way we have not expressly authorized. Neither we nor you will make any express or implied agreements, warranties, guarantees or representations or incur any debt in the name or on behalf of the other, represent that our respective relationship is other than franchisor and franchisee or be obligated by or have any liability under any agreements or representations made by the other that are not expressly authorized in writing. We will not be obligated for any damages to any person or property directly or indirectly arising out of the APÓLA restaurant's operation or the business you conduct pursuant to this Agreement.

18.3 Taxes. We will have no liability for any sales, use, alcohol surcharge, service, occupation, excise, gross receipts, income, payroll, property or other taxes, whether levied upon you or the APÓLA restaurant, in connection with the business you conduct (except any taxes we are required by law to collect from you with respect to purchases from us). Payment of all such taxes is your responsibility.

18.4 Indemnification. You agree to indemnify, defend and hold us, our affiliate and our respective shareholders, directors, officers, employees, agents, successors and assignees (the "Indemnified Parties") harmless from and to reimburse any one or more of the Indemnified Parties for all claims, obligations and damages described in this Section, any and all taxes arising from the operation of your franchised APÓLA restaurant, and any and all claims and liabilities directly or indirectly arising out of the franchised APÓLA restaurant's operation (even if our negligence is alleged, but not proven); any element of your development, opening and operation of your franchised

APÓLA restaurant, including (without limitation) any personal injury, death or property damage suffered by any customer, visitor, operator, employee or guest of the franchised APÓLA restaurant; crimes committed on or near your franchised APÓLA restaurant or vehicles used by your franchised APÓLA restaurant; all acts, errors, neglects or omissions engaged in by you, your contractors or subcontractors, as well as any third party, arising out of or related to the design, construction, conversion, build-out, outfitting, remodeling, renovation or upgrading of your franchised APÓLA restaurant, whether or not any of the foregoing was approved by us; defects in any franchised APÓLA restaurant you construct and/or operate, whether or not discoverable by you or by us; all acts, errors, neglects or omissions of you or the franchised APÓLA restaurant and/or the owners, officers, directors, management, employees, agent, servants, contractors, partners, proprietors, affiliates or representatives of you or the franchised APÓLA restaurant (or any third party acting on your behalf or at your direction), whether in connection with the franchised APÓLA restaurant or otherwise; all liabilities arising from or related to your offer, sale and/or delivery of products and/or services as contemplated by this Agreement; and, any action by any customer of yours or visitor to your franchised APÓLA restaurant or any other facility of your franchised business; or your breach of this Agreement.

For purposes of this indemnification, “claims” includes all obligations, damages (actual, consequential or otherwise) and costs reasonably incurred in the defense of any claim against any of the Indemnified Parties, including, without limitation, reasonable accountant’s, arbitrator’s, attorney’s and expert witness fees, costs of investigation and proof of facts, court costs, other expenses of litigation, arbitration or alternative dispute resolution and travel and living expenses. We have the right to defend any such claim against us. This indemnity will continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement.

Under no circumstances will we or any other Indemnified Party be required to seek recovery from any insurer or other third party, or otherwise to mitigate our, their or your losses and expenses, in order to maintain and recover fully a claim against you. You agree that a failure to pursue such recovery or mitigate a loss will in no way reduce or alter the amounts we or another Indemnified Party may recover from you.

19. Enforcement.

19.1 Severability and Substitution of Valid Provisions. Except as expressly provided to the contrary herein, each section, paragraph, term and provision of this Agreement, and any portion thereof, shall be considered severable and if, for any reason, any such portion of this Agreement is held to be invalid, contrary to, or in conflict with any applicable present or future law or regulation in a final, un-appealable ruling issued by any court, agency or tribunal with competent jurisdiction in a proceeding to which Franchisor is a party, that ruling shall not impair the operation of, or have any other effect upon, such other portions of this Agreement as may remain otherwise intelligible, which shall continue to be given full force and effect and binding upon the parties hereto, although any portion held to be invalid shall be deemed not to be part of this Agreement from the date the time for appeal expires, if you are a party thereto, or upon your receipt of a notice of non-enforcement thereof from us. If any applicable and binding law or rule of any jurisdiction requires a greater prior notice of the termination of or refusal to allow you a Successor Franchise to this Agreement than is required hereunder, or if under any applicable and binding law or rule of any jurisdiction, any provision of this Agreement or any specification, standard or operation procedure prescribed by us is invalid or unenforceable, the prior notice and/or other action required by such law or rule shall be substituted for the notice requirements hereof, and we shall have the right, in our sole discretion to modify such invalid or unenforceable provision, specification, standard or operation procedure to the extent required to be valid and enforceable. Such modifications to this Agreement shall be effective only in such jurisdiction unless we elect to give them greater applicability and this Agreement shall be enforced as originally made and entered into in all other jurisdictions.

19.2 Waiver of Obligations. Whenever this Agreement requires our prior approval or consent, you shall make a timely written request therefor, and such approval shall be obtained in writing. We make no warranties or guarantees upon which you may rely, and assume no liability or obligation to you by granting any waiver, approval or consent to you, or by reason of any neglect, delay or denial of any request therefor. Any waiver granted by us shall be without prejudice to any other rights we may have, will be subject to continuing review by us and may be revoked, in our sole discretion, at any time and for any reason, effective upon receipt by you of ten (10) days prior written notice. We shall not be deemed to have waived or impaired any right, power, or option reserved by this Agreement (including, without limitation, our right to demand exact compliance with every term, condition and covenant herein, or to declare any breach thereof to be a default and to terminate this Franchise prior to the expiration of its term), by virtue of any custom or practice of the parties at variance with the terms hereof; any failure by us or you to demand strict compliance with this Agreement, any waiver, forbearance, delay, failure or omission by us to exercise any right, power or option, whether of the same, similar or different nature against other franchisees of us or the acceptance by us of any payments due from you after failure to comply with any provision of this Agreement, nor acceptance by us of any payment by you or failure, refusal or neglect of us or you to exercise any right under this Agreement or to insist upon full compliance by the other with its obligations, hereunder, including without limitation, any mandatory specification, standard or operating procedure, shall not constitute a waiver of any provision of this Agreement.

19.3 Franchisee May Not Withhold Payment Due Franchisor. You agree that you will not, on grounds of the alleged nonperformance by us of any of our obligations hereunder, withhold payment of any License Fees, the Marketing and Technology Fund fee, and amounts due to us for items or products purchased by you or any other amounts due from you to us.

19.4 Force Majeure. If the performance of any obligation under this Franchise Agreement is prevented or delayed, in whole or in part, by reason of force majeure, or the consequence thereof, affecting the parties hereto or the rights granted hereunder, such force majeure to include but not be limited to acts of God, fire, flood, governmental restrictions, lockouts or labor disputes, then the affected party shall be given such additional time as is reasonable to perform in view of the nature and extent of the force majeure.

19.5 Governing Law. Except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Sections 1051, *et seq.*) and the United States Arbitration Act which may also be designated the Federal Arbitration Act, this Agreement and the franchise shall be governed by the laws of Delaware.

Franchisee waives any and all rights, actions or claims for relief under the Federal Act entitled "Racketeer Influenced And Corrupt Organizations", 18 U.S.C. Section 1961, *et seq.*

19.6 Binding Effect. This Agreement is binding upon the parties hereto and their respective executors, administrators, heirs, legal representatives, assigns and successors in interest.

The parties hereto agree that this Agreement may be executed electronically by any means Franchisor chooses, and if by electronic signature, the electronic signature shall be binding to the same extent as an original signature and shall be deemed an original signature with regard to this Agreement and all Riders, Amendments or Addenda hereto. You are not entitled to challenge the validation or authenticity of the electronic signature or the document on the ground that it is not the original.

19.7 Construction. The preambles are a part of this Agreement, and together with the Manuals, all exhibits, attachments and addenda constitute the entire agreement of the parties, and, with the exception, if applicable, of a lease or sublease for the premise of the franchised APÓLA restaurant between us and you, there are no other oral or written understandings or agreements

between us and you relating to the subject matter of this Agreement. Nothing in this Agreement is intended, nor shall be deemed, to confer any rights or remedies upon any person or legal entity not a party hereto. The headings of the Sections and Paragraphs hereof are for convenience only and do not define, limit or construe the contents of such Sections or Paragraphs. The term “you”, “your” or “Franchisee” as used herein is applicable to one or more persons, a corporation, partnership, limited liability company or other legal entity, as the case may be, and the singular usage includes the plural and the masculine and neuter usages include the other and the feminine. Reference to Franchisee, and “assignees” and “transferees” which are applicable to an individual or individuals shall mean the principal owner or owners of the equity or operating control of Franchisee or any such assignee or transferee if Franchisee or such assignee or transferee is a corporation, partnership, limited liability company or other legal entity. This Agreement may be executed in multiple copies, each of which shall be deemed an original. Time is of the essence of this Agreement.

19.8 Judicial Enforcement, Injunction and Specific Performance. Notwithstanding the provisions of Paragraphs 19.9 and 19.10, we shall be entitled, without bond, to the entry of temporary and permanent injunctions and orders of specific performance enforcing the provisions of this Agreement relating to Franchisee’s use of the Marks, the obligations of Franchisee upon termination or expiration of the franchise, and assignment of the Franchise and ownership of Franchisee. If we secure any such injunction or order of specific performance, Franchisee agrees to pay to us an amount equal to the aggregate of our costs of obtaining such relief, including, without limitations, reasonable attorneys’ fees, costs of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses, and any damages incurred by us as a result of the breach of any such provision.

19.9 Mediation. The parties hereto agree that before resorting to binding arbitration, that if any dispute arises between the parties hereto, any affiliated companies thereof or any of their officers, directors, partners, joint ventures, employees, agents, representatives or those in active concert with any of such parties, relating to anything other than the matters set forth in Section 10 and Paragraphs 17.4 or 19.8, the parties hereto agree to first try in good faith before resorting to arbitration, to settle the dispute by mediation in Orange County, California, administered by the American Arbitration Association under its Commercial Mediation Rules and initiated at and supervised by the American Arbitration Association unless agreed otherwise by the parties. Disputes subject to mediation shall be all controversies, claims, and matters from the beginning of time, whether contractual or tort in nature, except for those matters specifically excluded in Section 10 and Paragraphs 17.4 and 19.8. The party who seeks resolution of a controversy, claim or dispute or other matter in question shall notify the other party and the American Arbitration Association office in writing of the existence and subject matter of such controversy, claim or dispute. Unless mutually agreed otherwise, the parties shall meet with the mediator within thirty (30) days after the recipient party has received notice of the dispute, and agree to utilize their best efforts and all expediency to resolve the matters in dispute. The mediation shall not continue longer than one (1) hearing day without the written approval of both parties. Neither party shall be bound by any recommendation of the mediator; however, any agreement reached during mediation shall be final and conclusive. The expense of mediation shall be shared equally by both parties. The parties’ obligation to mediate will be deemed to be satisfied after one (1) hearing day or 60 days after a mediation demand has been made if any party fails to appear or participate in good faith in the mediation.

Franchisor and the Franchisee each agree that the mediation process is negotiation for the purpose of compromise. All offers, promises, conduct, and statements, whether oral or written, made in the course of the mediation process by any of the parties, their agents, employees, experts and attorneys, shall be confidential. Franchisee acknowledges that Franchisor may require the Franchisee to execute a confidentiality agreement pertaining to the mediation process. Notwithstanding the

foregoing, evidence that is otherwise admissible or discoverable shall not be rendered inadmissible or not discoverable as a result of its use in the mediation process.

In the event the parties are unable to reach an agreement by mediation, then in that event all disputes, controversies, claims or causes of action shall be submitted to binding arbitration pursuant to Paragraph 19.10 hereinafter.

19.10 Arbitration. All disputes and claims relating to any provision of this Franchise Agreement (other than as set forth in Section 19, Paragraph 19.8 above, Franchisee's use of the Marks or the parties' Exclusive Relationship or the obligations of Franchisee upon termination or expiration of the franchise, and assignment of the Franchise and ownership of Franchisee), any specification, standard, operating procedure, or rule or any other obligation of Franchisee prescribed by Franchisor or any obligation of Franchisor, or the breach thereof (including, without limitation, any claim that this Agreement, any provision hereof, any specification, standard, operating procedure or rule or any other obligation of Franchisee or Franchisor is illegal or otherwise unenforceable or voidable under any law, ordinance, or ruling) shall be settled by arbitration in Orange County, California, or if Franchisor shall no longer maintain an office in Orange County, California, then the home office of Franchisor. Arbitration shall be conducted in accordance with the United States Arbitration Act (9 U.S.C. Section 1, *et seq.*), if applicable, and the Rules of the American Arbitration Association (relating to the arbitration of disputes arising under franchise and license agreements, if any, otherwise, the general rules of commercial arbitration), provided that the arbitrator shall award, or include in his/her award, the specific performance of this Agreement, and the arbitrator shall issue a written opinion explaining the reasons for his/her decision and award. If a claim for amounts owed by Franchisee to Franchisor is asserted in the arbitration proceeding and if Franchisor shall prevail on such claim, Franchisor shall be entitled to so much of its cost and expenses including accounting and legal fees, as are attributable to the prosecution thereof. Judgment upon the award of the arbitrator may be entered in any court having jurisdiction thereof or of Franchisor or of Franchisee. During the pendency of an arbitration proceeding hereunder, Franchisee and Franchisor shall fully perform and comply with the provisions of this Agreement. The parties intend and agree that any state laws attempting to prohibit arbitration or void out-of-state forums for arbitration are preempted by the Federal Arbitration Act and the arbitration shall be held as provided in Paragraph 19.10.

19.11 Third Party Beneficiaries. Our officers, directors, shareholders, agents and/or employees are express third party beneficiaries of the arbitration provisions in Paragraph 19.10, each having authority to specifically enforce the right to arbitrate claims asserted against such person(s) by Franchisee.

19.12 Class Claims. Franchisee agrees that any arbitration between Franchisee and Franchisor will be Franchisee's individual claim and that the claim or claims subject to arbitration shall not be arbitrated on a class-wide basis.

19.13 Entire Agreement. This Agreement, including the introduction, addenda and exhibits to it, constitutes the entire agreement between you and us. Notwithstanding the foregoing, nothing in the Agreement is intended to disclaim the representations we made in the Franchise Disclosure Document that we furnished to you. There are no other oral or written understandings or agreements between you and us concerning the subject matter of this Agreement. Except as expressly provided otherwise in this Agreement, this Agreement may be modified only by written agreement signed by both you and us.

19.14 Certain Definitions. The term "family member" refers to parents, spouses, offspring and siblings, and the parents and siblings of spouses. The term "affiliate" means any Business Entity directly or indirectly owned or controlled by a person, under common control with a person or controlled by a person. The terms "franchisee," "franchise owner," "you" and "your" are applicable to one or more persons, or a Business Entity, as the case may be. The singular use of any pronoun

also includes the plural and the masculine and neuter usages include the other and the feminine. The term “person” includes individuals, corporations, partnerships (general or limited), limited liability companies, and all artificial or legal entities. The term “Section” refers to a Section or Subsection of this Agreement. The word “control” means the power to direct or cause the direction of management and policies. The word “owner” means any person holding a direct or indirect, legal or beneficial ownership interest or voting right in another person (or a transferee of this Agreement or an interest in you), including any person who has a direct or indirect interest in you or this Agreement and any person who has any other legal or equitable interest, or the power to vest in himself any legal or equitable interest, in the revenue, profits, rights or assets.

19.15 Time Is of the Essence. It will be a material breach of this Agreement to fail to perform any obligation within the time required or permitted by this Agreement. In computing time periods from one date to a later date, the words “from” and “commencing on” (and the like) mean “from and including”; and the words “to”, “until” and “ending on” (and the like) mean “to but excluding.” Indications of time of day mean Yorba Linda, California time.

19.16 Anti-Terrorism Compliance. You agree to comply with, and/or assist us to the fullest extent possible in our efforts to comply with, Executive Order 13224 issued by the President of the United States, the USA PATRIOT Act, the Foreign Terrorist Organizations Sanctions Regulations, the Cuban Assets Control Regulations and all other present and future federal, state and local laws, ordinances, regulations, policies, lists and any other requirements of any governmental authority addressing or in any way relating to terrorist acts and acts of war (the “Anti-Terrorism Laws”). In connection with such compliance you certify, represent and warrant that none of your property or interests are subject to being “blocked” under any of the Anti-Terrorism Laws and that you are not otherwise in violation of any of the Anti-Terrorism Laws. Any violation of the Anti-Terrorism Laws by you or your employees or any “blocking” of your assets under the Anti-Terrorism Laws constitute grounds for immediate termination of this Agreement and any other agreements you have entered into with us or any of our affiliates, in accordance with the termination provisions of this Agreement.

19.17 Our Withholding of Consent, Your Exclusive Remedy. In no event may you make any claim for money damages based on any claim or assertion that we have unreasonably withheld or delayed any consent or approval under this Franchise Agreement. You waive any such claim for damages. You may not claim any such damages by way of setoff, counterclaim or defense. Your sole remedy for the claim will be mediation and arbitration proceedings in accordance with Paragraphs 19.9 and 19.10 respectively to enforce the Agreement provisions, for specific performance or for declaratory judgment.

19.18 Notices. All written notices and reports permitted or required under this Agreement or by the Manuals will be deemed delivered:

- a. 2 business days after being placed in the hands of a commercial airborne courier service for next business day delivery; or
- b. 3 business days after placement in the United States mail by certified mail, return receipt requested, postage prepaid.

All such notices must be addressed to the parties as follows:

Yorba Linda, CA 92886

If to You: _____

Either you or we may change the address for delivery of all notices and reports and any such notice will be effective within 10 business days of any change in address. Any required payment or report not actually received by us during regular business hours on the date due (or postmarked by postal authorities at least 2 days prior to such date, or in which the receipt from the commercial courier service is not dated prior to 2 days prior to such date) will be deemed delinquent.

20. Spousal Consent.

If you have obtained our approval and the Franchisee is a corporation, partnership, limited liability company or other form of legal entity, then the spouse of each of your owners, or, for, an individual(s), or subsequent to execution hereof you marry or you assign this Agreement to an individual(s), then in either event, the spouse(s) hereby jointly and severally personally and unconditionally guarantee(s) without notice, demand or presentment, the payment of all of your monetary obligations under this Agreement as if each were an original party to this Agreement in his or her individual capacity. All such spouses further agree to be bound by restrictions upon your activities upon transfer, termination or expiration of this Agreement as if each were an original party to this Agreement in his or her individual capacity. All such spouses must execute a spousal consent in the form attached hereto as Exhibit G-Three. In the event of divorce and re-marriage, or subsequent marriage, you covenant and agree to provide Franchisor with a properly executed spousal consent and guarantee, in the form prescribed by Franchisor.

Exhibit “H-One” Designated Territory

Exhibit “H-Two” State Amendment to Area Development Agreement

**APÓLA INTERNATIONAL LLC
AREA DEVELOPMENT AGREEMENT**

THIS AREA DEVELOPMENT AGREEMENT (this “Agreement”) is effective on _____, 20__ (the “Agreement Date”). The parties to this agreement are **APÓLA INTERNATIONAL LLC**, a Delaware Limited Liability Company, with its principal office located at 18427 Yorba Linda Blvd., Yorba Linda, CA 92886 (referred to in this Agreement as “we,” “us” or “our”) and _____ whose principal address is _____ (referred to in the Agreement as “you,” “your” or “Developer”).

1. Introduction.

1.1 APÓLA System. We and our affiliates have expended considerable time and effort in developing APÓLA fast casual dining restaurants featuring and serving a variety of foods and beverage products and services in a distinctive and innovative environment (“APÓLA”). APÓLA restaurants operate under distinctive business formats, methods, procedures, designs, layouts, signs, equipment, menus, recipes, trade dress, standards and specifications, all of which we may improve, further develop or otherwise modify from time to time (the “System”).

We use, promote and license certain trademarks, service marks and other commercial symbols in the operation of an APÓLA restaurant, including the trademarks, service marks and commercial symbols, “APÓLA”, and other associated designs, artwork and trade dress, which have gained and continue to gain public acceptance and goodwill, and may create, use and license additional trademarks, service marks and commercial symbols in conjunction with the operation of APÓLA restaurants (collectively, the “Marks”). We grant to persons who meet our qualifications and are willing to undertake the investment and effort, the right to develop and operate multiple APÓLA restaurants located within a defined geographic area.

1.2 Confirmations. You confirm and agree to the following:

- (a) you have read this Agreement and our Franchise Disclosure Document;
- (b) you understand that we may modify our current form of franchise agreement from time to time; however, any modifications of the franchise agreement during the term of this Agreement will not vary the amount of Franchise Fees or license fees to be paid by you;
- (c) you understand and accept the terms, conditions and covenants contained in this Agreement as being reasonably necessary to maintain our high standards of quality service and the uniformity of those standards at every APÓLA restaurant in order to protect and preserve the goodwill of the Marks;
- (d) you have conducted an independent investigation of the business venture contemplated by this Agreement and recognize that, like any other business, the nature of the business conducted by APÓLA franchised restaurants may evolve and change over time;
- (e) as an inducement to our entry into this Agreement, you have made no misrepresentations in obtaining the development rights granted in this Agreement; and
- (f) we have provided to you a copy of our Franchise Disclosure Document and an executable copy of the Franchise Agreement at least 14 calendar days prior to the execution of the Franchise Agreement or our receipt of any consideration from you.

1.3 Business Organization. If you are at any time a business organization (“Business Entity”) (like a corporation, limited liability, or partnership) you agree and represent that:

(a) you have the authority to execute, deliver and perform your obligations under this Agreement and are duly organized or formed and validly existing in good standing under the laws of the state of your incorporation or formation;

(b) your organizational or governing documents will recite that the issuance and transfer of any ownership interests in you are restricted by the terms of this Agreement, and all certificates and other documents representing ownership interests in you will bear a legend referring to the restrictions of this Agreement;

(c) the Principal Owner's Statement will completely and accurately describe all of your Owners and their interests in you. A copy of our current form of Principal Owner's Statement is attached to the Franchise Disclosure Document;

(d) you and your Owners agree to revise the Principal Owner's Statement as may be necessary to reflect any ownership changes and to furnish such other information about your organization or formation as we may request (no ownership changes may be made without our approval, which will not be unreasonably withheld);

(e) each of your Owners during the term of this Agreement will sign and deliver to us our standard form of Principal Owner's Guaranty undertaking to be bound jointly and severally by all provisions of this Agreement and any other agreements between you and us. A copy of our current form of Principal Owner's Guaranty is attached to our Franchise Disclosure Document; and

(f) at our request, you will furnish true and correct copies of all documents and contracts governing the rights, obligations and powers of your Owners and agents (like articles of incorporation or organization, and partnership, operating or shareholder agreements).

2. Term and Succession.

2.1 Term of Agreement. This Agreement commences on the Agreement Date and expires on the earlier of: (i) the last day of the Development Schedule; or (ii) the Certificate of Occupancy of the last APÓLA franchised restaurant specified in the Development Schedule. This Agreement may be terminated before it expires in accordance with Section 9 of this Agreement. Upon expiration or termination of this Agreement, you will not have any further rights to acquire franchises to operate APÓLA restaurants; but you may continue to own and operate all existing franchised APÓLA restaurants subject to the franchise agreements (the "Franchise Agreement(s)") with us in accordance with their terms.

This Agreement will expire when you have opened the last of the Franchised Locations you are permitted to open under this Agreement, or seven (7) years from the date of this Agreement, whichever occurs first. There are no renewal or successor rights extended to Developer in this Agreement.

2.2 Rights on Expiration or Termination. Upon expiration or termination of this agreement we may then operate or grant other persons' franchises to operate APÓLA restaurants within the Designated Territory set forth in Exhibit "H-One" attached hereto and made a part hereof. You may continue to own and operate each APÓLA franchised restaurant then in operation under Franchise Agreements that you have executed with us, subject however, to the terms and conditions of each Franchise Agreement.

3. Development Rights, Obligations and Designated Territory.

3.1 Development Rights – Right of First Refusal. If you are in full compliance with all of the provisions of this Agreement and all of the franchise agreements, then during the term of this Agreement, we will grant to you, pursuant to the terms and conditions of this Agreement, the non exclusive right to enter into franchise agreements with us (the "Franchise Agreements") to

open a total number of Franchised Locations within the development territory set forth by map or written description in Exhibit “H-One” of this Agreement (hereinafter “Designated Territory”), and to use our System, Marks and Methods solely in connection with those businesses, at specific locations to be designated in separate Franchise Agreements signed as provided herein and pursuant to the Development Schedule described in Paragraph 3.3.2 of this Agreement (“the Development Schedule”). Each Franchised Location to be developed will be located in the Designated Territory set forth in Exhibit “H-One”.

3.2 Rights Retained. Your Designated Territory is non exclusive and we retain the right in our sole and absolute discretion to:

(a) establish and grant our affiliates, subsidiaries or parent entity the absolute right to establish APÓLA restaurants at a specific location or an area within the Designated Territory or to grant other franchisees the right to establish APÓLA franchised restaurants within the Designated Territory, but if other franchisees desire to enter into a Franchise Agreement for an APÓLA franchised restaurant at a specific location or an area within the Designated Territory we will offer you a right of refusal to open your next scheduled APÓLA franchised restaurant at that specific location or area within the Designated Territory (“Right of Refusal Area”) provided however if your Area Development Agreement for the Designated Territory was executed first in time (the first Area Development Agreement signed within the Designated Territory), your right of refusal shall be a First Right of Refusal for the specific location or area within the Designated Territory. If you entered into an Area Development Agreement second in time for the Designated Territory, your right of refusal shall be a Second Right of Refusal and you will not be offered the Right of Refusal Area unless the Developer with the First Right of Refusal did not accept the Right to Develop the APÓLA restaurant within the Right of Refusal Area. If there are any Developers which entered into an Area Development Agreement subsequent in time to a preceding Developer, they will be offered a right of refusal for the Right of Refusal Area only if the preceding Developer refused the opportunity to develop the APÓLA franchised restaurant for the Right of Refusal Area.

You will have seven (7) days from the date of our notice offering you the right to develop your next APÓLA franchised restaurant in the Right of Refusal Area, to provide us with your written commitment to accept the obligation to open your next APÓLA franchised restaurant within the Right of Refusal Area and in addition, find a site within ninety (90) days which is acceptable to us and further enter into our Franchise Agreement for the location. After your written acceptance and signing the Franchise Agreement you will have three hundred sixty five (365) days from the date of the Franchise Agreement to open the Franchised Location. If the number of restaurant locations in Section 4 of this Agreement is two, then the second restaurant must be opened within eighteen (18) months of the Opening Date of the first restaurant. If the number of restaurant locations in Section 4 of this Agreement is greater than two, then each restaurant location required to be developed must be opened within eighteen (18) months of the Opening Date for each of the preceding APÓLA franchised restaurants you are required to open in Section 4 of this Agreement;

(b) establish and grant to other franchisees the right to establish APÓLA franchised restaurants anywhere inside or outside the Designated Territory, on such terms and conditions as we deem appropriate (but not within the Protected Territory specified in the Franchise Agreement of any APÓLA franchised restaurant you operate under this Agreement and continue to operate);

(c) operate and grant franchises to others to operate businesses, whether inside or outside the Designated Territory, specializing in the sale of products or provision of services, other than a Competitive Business or an APÓLA franchised restaurant, using certain of the Marks and pursuant to such terms and conditions as we deem appropriate;

(d) operate and grant franchises to others to operate businesses, or provide other services, whether inside or outside the Designated Territory, that do not use any of the Marks;

(e) market and sell, inside and outside of the Designated Territory, through channels of distribution other than fast casual dining (like internet, e-commerce, mail order or grocery, retail or convenience stores) or through special purpose sites including military bases, public transportation facilities, race tracks, airports, student unions or similar buildings on college or university campuses, amusement and theme parks, and through sites which are covered or closed traffic malls, all of which are designated ("Sites We Reserve"), such Sites We Reserve are not protected and are not part of your Designated Territory; and

(f) purchase, merge, acquire, be acquired by or affiliate with an existing competitive or non-competitive franchise or non-franchise network, chain or any other business regardless of the location of that other business' facilities, and that following such activity we may operate, franchise or license those other businesses and/or facilities under any names or marks other than, while this Agreement is in effect, the Marks, regardless of the location of these businesses and/or facilities, which may be within the Designated Territory or immediately outside its border.

3.3 Development Obligations. During the term of the Agreement, you will at all times faithfully, honestly and diligently perform your obligations and continuously exert your best efforts to promote and enhance the development of APÓLA restaurants within the Designated Territory. Without limiting the forgoing obligations, you agree to do the following:

3.3.1 Separate Agreements. You must sign separate Franchise Agreements for each of the Franchised Locations to be opened by you pursuant to and according to the Development Schedule set forth in Paragraph 3.3.2. Each Franchise Agreement to be signed by you will be the then current form of Franchise Agreement used by us in the sale of franchises.

3.3.2 Schedule of Openings. You will sign your first Franchise Agreement at the same time you sign this Agreement and you will have three hundred sixty five (365) days from the date of that Franchise Agreement to open your first Franchised Location. The second restaurant must be opened within eighteen (18) months of the Opening Date of the first restaurant location. If the number of restaurant locations in Section 4 is greater than two, then each subsequent restaurant location required to be developed must be opened within eighteen (18) months of the Opening Date for each of the preceding restaurants until you have opened the total number of Franchised Locations for which you have made payment in accordance with the requirements described in Section 4 of this Agreement. However, you may not acquire a site for any Franchised Location, or otherwise begin construction or improvement of any site for a Franchised Location, until you have signed a Franchise Agreement for that location. Further, notwithstanding any provision of this Agreement, we will not be required to sign a Franchise Agreement with you at any time in which you are in default of any provision of this Agreement or of any previously signed Franchise Agreement.

Your franchised APÓLA restaurants will not count towards meeting the Development Quota for any Development Period until they have been fully constructed, developed and have opened operations in accordance with their respective franchise agreements with us. We determine if any APÓLA restaurant has opened for purposes of meeting the Development Schedule and any Development Quota for any Development Period. If an APÓLA franchised restaurant is permanently closed after having been opened, you agree to develop and open a substitute APÓLA franchised restaurant within one (1) year from the date of its permanent closing separate and apart from the Development Schedule.

3.3.3 Designated Operations Executive. Within thirty (30) days after the execution of this Agreement, you must designate one individual as an "Operations Executive." This

person will be obligated to devote his or her full time, best efforts and constant personal attention to your APÓLA restaurant franchise operations. The Operations Executive must have full authority from you to implement our System and Methods at each Franchised Location. Your designation of the Operations Executive will be subject to our approval, which we will not arbitrarily or unreasonably withhold. The Operations Executive must attend our training program as described in the Franchise Agreements to learn the techniques of operating APÓLA franchised restaurants, furnished by us at the place and time we may designate.

3.4 Effect of Failure. Strict Compliance with the Development Schedule is the essence of this Agreement. If you do not timely meet your Development Quota as of the end of any Development Period shown on the Development Schedule, you will be in default of your obligations under this Agreement. If such a default occurs, it will constitute a material breach of this Agreement and we may then, in our sole discretion, elect to:

- (a) terminate this Agreement; or
- (b) have the right to operate (directly or through affiliates) or grant franchises for the operation of APÓLA franchised restaurants within the Designated Territory; or
- (c) reduce the Designated Territory and the Development Schedule to a size and magnitude that we estimate you are capable of operating otherwise in accordance with this Agreement.

4. Development Fee.

If you are qualified and enter into an Area Development Agreement with us, you must pay a Development Fee when you sign the Area Development Agreement together with the Franchise Agreement for your first location. The amount of the Development Fee depends upon the number of APÓLA franchised restaurants to be opened. The Development Fee for two (2) APÓLA franchised restaurants under the Area Development Agreement is \$56,000. The Development Fee for three (3) APÓLA franchised restaurants under the Area Development Agreement is \$75,000. The Development Fee for any additional location after the third location is \$15,000 for each additional restaurant to be developed. The second restaurant must be opened within eighteen (18) months from the Opening Date of the first restaurant location. The third, fourth and subsequent restaurants must be opened within eighteen (18) months of the Opening Date for each of the preceding restaurants and you will sign a separate franchise agreement for each location to be opened. The Development Fee is payable in a lump sum, is uniform, non-refundable and fully earned upon receipt.

By your signature immediately below in this Section 4, you are promising to open and operate a total of ____ franchised APÓLA restaurant locations and you agree to pay a total Development Fee of \$_____ when you sign this Agreement.

You agree that the grant of rights to you under this Agreement constitute the sole consideration for payment of the Development Fee and that the fee is fully earned by us when due and is nonrefundable.

5. Site Selection/Franchises.

Subject to the provisions of this Agreement, we will grant franchises to you for the operation of franchised APÓLA restaurants to be located within the Designated Territory on the following conditions:

5.1 Site Reports. You agree to submit to us a complete report (containing such information and collateral materials as we require from time to time) for each Site at which you propose to establish and operate an APÓLA franchised restaurant, before you acquire any interest in it (by lease or purchase). A complete site report should contain demographic, commercial and market feasibility studies, a site plan, photographs and such other information as we determine appropriate. Each Site you submit must be based on your belief that it conforms to the site criteria we establish from time to time.

5.2 Site Evaluation. We will evaluate all proposed Sites and all Sites are subject to our prior written acceptance. In evaluating a Site that you propose, we will consider such matters as demographic characteristics of the proposed site, traffic patterns, land use and zoning, licensing and regulatory concerns, residential and recreational quality, parking, character of the neighborhood, renovation and construction concerns, competition from other facilities in the area, the proximity to other facilities, the nature of other businesses and APÓLA franchised restaurants (when applicable) in proximity to the Site and other commercial and residential characteristics (including the purchase price, rental obligations and other lease or acquisition terms for the proposed Site), and the size, appearance and other physical characteristics of the Site. You agree to obtain our prior written consent to the Site before you sign any lease for, or a binding purchase agreement for, the proposed Site. Nothing prevents us from operating (directly or through an affiliate), or from granting a franchise for the operation of, an APÓLA franchised restaurant at any Site outside of the Designated Territory.

5.3 Site Acceptance. We may withhold our consent to a Site for any reason we deem to be based on our good faith business judgment. We will, by delivery of written notice to you, accept or reject each Site proposed by you for the operation of an APÓLA franchised restaurant. We agree to exert commercially reasonable efforts to notify you of our acceptance or rejection within 30 days after we have received the complete site report and other materials we have requested.

5.4 Effect of Acceptance. Our acceptance of the Site (including its location, appearance and size) indicates only that we believe it falls within the acceptable criteria we have established at that time. You acknowledge and agree that:

(a) our acceptance of the Site does not imply, assure, guaranty, warrant or predict profitability or success, express or implied;

(b) application of criteria that have been effective with respect to other Sites may not be predictive of the potential for all Sites and that, subsequent to our acceptance of a Site, demographic and/or economic factors included in, or excluding from, our criteria could change, thereby altering the potential of a Site;

(c) the uncertainty and instability of such criteria are beyond our control and we are not responsible for the failure of a Site approved by us to meet expectations as to potential revenue or operational criteria; and

(d) Your acceptance of a franchise for the operation of an APÓLA franchised restaurant at a site you propose is based upon your own independent investigation of the suitability of that location and that Site even though we may provide guidance and assistance to you in selecting the Site for your APÓLA franchised restaurant.

5.5 Franchise Agreement. If we have accepted, and you have obtained lawful possession of or a formal commitment for the Site, we will offer you a franchise to operate an APÓLA franchised restaurant at the proposed Site by delivering to you a Franchise Agreement in a form ready for signing by you (or an affiliate). You understand and agree that we may modify the Franchise Agreement from time to time. You (or an affiliate) must sign and deliver the Franchise Agreement to us within 20-days after our delivery of the Franchise Agreement to you. If you (or your affiliate) do not timely sign and return the Franchise Agreement, we may revoke our offer to grant you a franchise to operate an APÓLA franchised restaurant at the proposed Site. Contemporaneously with the signing of the Franchise Agreement, each of your direct or indirect Owners must sign and deliver to us a Principal Owner's Guaranty in the form attached to the Franchise Agreement.

6. Management of Business.

6.1 Management. You (or, if you are a Business Entity), a person having management rights and powers (e.g., officers, managers, partners, etc.) (the "Operating Partner(s)"), agree to:

- (a) supervise the development and operation of APÓLA restaurants franchised pursuant to this Agreement;
- (b) attend such training programs, meetings and conventions which we may offer during the term of this Agreement; and
- (c) pay and bear all expenses incurred by you and your Operating Partners(s) in attending such meetings, programs or conventions.

6.2 Management Personnel.

(a) Ownership Interest: As a developer of multiple APÓLA restaurants, you may not be in a position to have direct, personal day-to-day management responsibility for the APÓLA franchised restaurants that you will own and operate. However, you understand and acknowledge that each of the APÓLA franchised restaurants that you (or your affiliates) own and operate must be under the oversight, supervision and direction of an Operating Partner who has a direct economic ownership interest (at least 10%) in such APÓLA franchised restaurant (or the Business Entity that owns and operates it). Accordingly, you agree that each APÓLA restaurant will be under the oversight and direction of an Operating Partner/Principal who meets all the following qualifications and conditions:

- (i) Has ownership interest of at least 10% of the economic interest in such APÓLA franchised restaurant or Business Entity;
- (ii) Has a sufficient amount of experience in managing and operating restaurants in terms of duration, operational responsibilities and previous training and who has satisfactorily completed our training programs so that such person can demonstrate to our satisfaction that he/she is capable of overseeing the operations of an APÓLA franchised restaurant;
- (iii) Has oversight responsibility and authority over the APÓLA franchised restaurant on a day-to-day basis;
- (iv) Is bound by our then-current form of confidentiality and non-competition agreement (or other form of contract satisfactory to us); and
- (v) Satisfactorily completes our initial training program, certification and any other training programs we request from time to time.

You will provide to us a copy of the organizational and governing documents for the Business Entity(ies) that demonstrates that the Operating Partner has the requisite ownership interest.

6.3 Joint and Several. If two or more persons are at any time the Developer under this Agreement, their obligations to us are joint and several and the term “you” refers to all of them.

7. Confidential Information/Exclusive Relationship.

7.1 Types of Confidential Information. We possess certain confidential information relating to the development and operation of APÓLA franchised restaurants, which includes but is not limited to the following (collectively, the “Confidential Information”):

- (a) the System and the know-how related to its use;
- (b) plans, specifications, size and physical characteristics of APÓLA franchised restaurants;
- (c) site selection criteria, land use and zoning techniques and criteria;
- (d) sources, design and methods of use of equipment, furniture, forms, materials, supplies, Internet or Intranet, “business to business” or “business to customer” networks or communities and other e-commerce methods of business;
- (e) marketing (including but not limited to websites, online advertising, social media marketing or presence, digital marketing and sponsorships), advertising and promotional programs for APÓLA franchised restaurants;
- (f) staffing and delivery methods and techniques for personal services;
- (g) the selection, testing and training of managers and other employees for APÓLA franchised restaurants;
- (h) the recruitment, qualification and investigation methods to secure employment for employment candidates;
- (i) the Computer software we make available or recommend for APÓLA franchised restaurants;
- (j) methods, techniques, formats, specifications, procedures, information and systems related to and knowledge of and experience in the development, operation and franchising of APÓLA franchised restaurants;
- (k) knowledge of specifications for and identities of and suppliers of certain products, materials, supplies, furniture, furnishings and equipment;
- (l) recipes, formulas, preparation methods and serving techniques;
- (m) knowledge of operating results and financial performance of APÓLA franchised restaurants other than those operated by you (or your affiliates); and
- (n) pricing, purchase agreements and contracts.

We will disclose certain Confidential Information to you through various manuals and in providing training, guidance and assistance to you from time to time.

7.2 Nondisclosure Agreement. You acknowledge and agree that:

- (a) you will not acquire any interest in the Confidential Information, other than the right to utilize it in the development and operation of APÓLA franchised restaurants under the Franchise Agreements during the term of this Agreement, and that the duplication or use of the

Confidential Information in any other business would constitute an unfair method of competition; and

(b) the Confidential Information is proprietary, may involve our trade secrets and is disclosed to you solely on the condition that you agree that:

(i) you will not use the Confidential Information in any other business or capacity;

(ii) you will maintain the absolute confidentiality of the Confidential Information during and after the term of this Agreement;

(iii) you will not make unauthorized copies of any portion of the Confidential Information disclosed via electronic medium, in written form or in other tangible form, including, for example, the Manuals; and

(iv) you will adopt and implement all reasonable procedures that we prescribe from time to time to prevent unauthorized use or disclosure of the Confidential Information including, restrictions on disclosure to your employees and the use of nondisclosure and noncompetition agreements we may prescribe for employees or others who have access to the Confidential Information.

7.3 Competitive Restrictions. You agree and acknowledge that we would be unable to protect the Confidential Information against unauthorized use or disclosure and would be unable to encourage a free exchange of ideas and information among APÓLA franchised restaurants if owners of franchised APÓLA restaurants were permitted to hold any interest in any business or facility owning, operating, managing franchising or licensing, any fast casual dining restaurant, take-out or catering service that features menu items or service similar to any item offered by an APÓLA franchised restaurant including but not limited to Gyro based quick service meals, proprietary food items and sauces and selected Greek or Mediterranean specialties, or similar to any item offered by an APÓLA franchised restaurant or any food service facility that features and serves a variety of menu items, proprietary items and other goods, beverages and services (other than an APÓLA franchised restaurant under a franchise agreement with us or our affiliates, “Competitive Business”). You also acknowledge that we have entered into this Agreement with you in part upon consideration of and in reliance on your agreement to deal exclusively with us. Therefore, you agree as follows:

(a) Noncompetition and Non-solicitation: During the term of this Agreement neither you nor any of your Owners if you are a Business Entity (a “Restricted Person”) will:

(i) engage in a Competitive Business or perform services for a Competitive Business, directly or indirectly, as a director, owner, proprietor, officer, manager, employee, consultant, representative, agent, independent contractor or otherwise, except under a franchise agreement with us or our affiliates;

(ii) have any direct or indirect interest, as a disclosed or beneficial owner, in a Competitive Business, except under franchise agreements with us or our affiliates;

(iii) have any direct or indirect interest, as a disclosed or beneficial owner, in any entity which is granted or is granting franchises or licenses to others to operate any Competitive Business, except APÓLA franchised restaurants under franchise agreements with us or our affiliates; or

(iv) directly or indirectly, on behalf of yourself or any other person, or as an employee, proprietor, owner, consultant, agent, contractor, employer, affiliate, partner, officer,

director or associate, or stockholder of any other person or entity, or in any other capacity, solicit, divert, take away, or interfere with any of the business, customers, clients, contractors, referral sources, trade or patronage of ours, our affiliate or our franchisees as such may exist throughout the term of this Agreement.

(b) Public Companies: Notwithstanding the foregoing, any aggregate ownership of 5% or less of the issued and outstanding shares of any class of stock of a publicly traded company is not prohibited by the provisions of this Section.

(c) Confidentiality, Non-solicitation and Noncompetition Agreement: You must require and obtain, at your expense, execution and delivery to us of restrictive covenants, in the form of Confidentiality, Non-solicitation and Non-competition Agreement attached to the Franchise Disclosure Document from all of your Owners, and any person employed by or under an independent contractor relationship with you who receives or will receive any training by us or you which is directly or indirectly related to the System or involves any of the Confidential Information no later than ten days following the effective date of this Agreement (or, if any individual or entity attains such status after the effective date of this Agreement, within ten days following such individual or entity's attaining such status).

8. Marks and Internet.

8.1 Ownership and Goodwill of Marks. Your right to use the Marks is derived solely from this Agreement and the Franchise Agreements and limited to your operation of the APÓLA franchised restaurants at the Sites pursuant to and in compliance with the Franchise Agreements and all System Standards we prescribe from time to time during the term of the Franchise Agreements. Your unauthorized use of the Marks will be a breach of this Agreement and an infringement of our rights in and to the Marks. You acknowledge and agree that your usage of the Marks and any goodwill established by such use will be exclusively for our benefit and that neither this Agreement nor the Franchise Agreements confer any goodwill or other interests in the Marks upon you (other than the right to operate the APÓLA franchised restaurants in compliance with the Franchise Agreements). All provisions of this Agreement and the Franchise Agreements applicable to the Marks apply to any additional proprietary trade and service marks and commercial symbols we authorize to use.

8.2 Limitations on Your Use of Marks. You agree to use the Marks as the sole identification of the APÓLA franchised restaurants, except that you agree to identify yourself as the independent owner in the manner we prescribe in the Manual or otherwise. We may place or require you to place a conspicuous notice at a place we designate in each of your APÓLA franchised restaurants identifying you as its independent owner and operator. You agree not to remove, destroy, cover or alter that notice without our prior consent. If you do not do so, we may accomplish the notice or identification as we see fit, and you agree to reimburse us for doing so. You may not use any Mark as part of any corporate or legal business name or with any prefix, suffix or other modifying words, terms, designs or symbols (other than logos we license to you), or in any modified form, nor may you use any Mark in connection with the performance or sale of any unauthorized services or products or in any other manner we have not expressly authorized in writing. No Mark may be used in any advertising concerning the transfer, sale or other disposition of any APÓLA franchised restaurant or an ownership interest in you. You agree to display the Marks prominently in the manner we prescribe at each APÓLA franchised restaurant, on supplies or materials we designate and in connection with forms and advertising and marketing materials. You agree to give such notices of trade and service mark registrations as we specify and to obtain any fictitious or assumed name registrations required under applicable law.

8.3 Notification of Infringements and Claims. You agree to notify us immediately of any apparent infringement or challenge to your use of any Mark, or of any claim by any person of any rights in any Mark, and you agree not to communicate with any person other than us, our attorneys and your attorneys in connection with any such infringement, challenge or claim. We have sole discretion to take such action as we deem appropriate and the right to control exclusively any litigation, U.S. Patent and Trademark Office proceeding or any other administrative proceeding arising out of any such infringement, challenge or claim or otherwise relating to any Mark. You agree to sign any and all instruments and documents, render such assistance and do such acts and things as, in the opinion of our attorneys, may be necessary or advisable to protect and maintain our interests in any litigation or Patent and Trademark Office or other proceeding or otherwise protect and maintain our interests in the Marks.

8.4 Discontinuance of Use of Marks. If it becomes advisable at any time in our sole discretion for us and/or you to modify or discontinue the use of any Mark and/or use one or more additional or substitute trade or service marks, you agree to comply with our directions within a reasonable time after receiving notice. We will not be obligated to reimburse you for any direct or indirect loss, including loss of revenue attributable to any modified or discontinued Mark or for any expenditure you make to promote a modified or substitute trademark or service mark.

8.5 Signage. Your signage must comply with all state and local laws and ordinances. You are also to limit your signage to “APÓLA”. The use of any other language is forbidden. If you employ any signage that does not comply with this Agreement, you will be in material breach of this Agreement. The signage must also incorporate the specific letter style, curvature, approved colors and trademark associated with the APÓLA franchised restaurant logo. You must not use a sign that deviates from the standard logo unless and until you have submitted a request for such deviation to us in writing with drawings and we have approved such deviation in writing.

8.6 Internet. You may not maintain a World Wide Web site or otherwise maintain a presence or advertise on the Internet or any other public computer network in connection with any APÓLA franchised restaurant without our prior written approval, which we may withhold for any reason or no reason and in our sole discretion. You agree to submit to us for our approval, before use, true and correct printouts of all Web site pages you propose to use in your Web site connection with the business. You understand and agree that our right of approval of all such Web materials is necessitated by the fact that such Web materials will include and be inextricably linked with the Marks. You may only use material which we have approved. Should we grant you the right to establish a Web site in connection with the business authorized by this agreement, the APÓLA franchised restaurant’s web site must conform to all of our Web site requirements, whether set forth in its Manual or otherwise. You agree to provide all hyperlinks or other links that we require. If we grant approval for a Web site, you may not use any of the Proprietary Information at the site except as we expressly permit. You may not post any of our proprietary, confidential or copyrighted material or information on the Web site without our prior written permission. If you wish to modify an approved site, all proposed modifications must also receive our prior written approval. You explicitly understand that you may not post on the Web site any material which any third party has any direct or indirect ownership interest in (including, without limitation, video clips, photographs, sound bites, copyrights, trademarks or service marks, or any other text or image which any third party may claim intellectual property ownership interests in). You agree to list on the Web site, should we ever grant you the right to have a Web site in connection with any aspect of this Agreement, any Web site maintained by us, and any other information we require in the manner we dictate. You agree to obtain our prior written approval for any Internet domain name and/or home page address. The requirement for our prior approval set forth in this Paragraph will apply to all activities on the Internet or other communications network to be conducted by you, except that you may maintain one or more E-mail addresses and may conduct individual E-mail

communications with our prior written approval. You agree to obtain our prior approval as provided above if you propose to send advertising to multiple addresses via E-mail.

8.7 Protection Against Social Media Networking. You understand and agree that you are strictly prohibited from promoting or using the Marks in any manner on any social and/or networking websites, including but not limited to, Facebook, LinkedIn, My Space, Twitter, Instagram, Vine, Tumblr, Snapchat, or any other platform, including but not limited to any online advertising, digital marketing and sponsorships without our prior written consent.

9. Termination.

9.1 Termination Upon Notice. We may terminate this Agreement, effective on delivery of notice of termination to you, if:

(a) you fail to meet your obligations in accordance with the Development Schedule (unless we exercise other remedies under Paragraph 3.4 (b)-(d));

(b) you (or, if you are a Business Entity, any Operating Partner/Principal or any Owner) make an unauthorized assignment or transfer of this Agreement, an ownership interest in you or any interest in any affiliate's APÓLA franchised restaurant or Franchise Agreement granted pursuant to this Agreement;

(c) you (or, if you are a Business Entity, any Operating Partner/Principal or any Owner) have made any material misrepresentation or omission in your application for the development rights conferred by this Agreement;

(d) you (or, if you are a Business Entity, any Operating Partner/Principal or any Owner) are or have been convicted of, or plead, or have pleaded no contest, or guilty, to a felony or other serious crime or offense that is likely to adversely affect your reputation, our reputation or the reputation of any other APÓLA franchised restaurant;

(e) you (or, if you are a Business Entity, any Operating Partner/Principal or any Owner) make any unauthorized use of the Marks, fail to comply with our Internet restrictions or any unauthorized use or disclosure of the Confidential Information;

(f) you fail to make payments of any amounts due to us or our affiliates under this Agreement or any other agreement that you have with us (including any Franchise Agreement), and do not correct such failure within 10 days after written notice of such failure is delivered to you;

(g) you fail to perform or observe any provision of any lease or sublease for any Site, any financing document for any Site or any lease or financing document for any of the approved Operating Assets or APÓLA Materials (as defined in the Franchise Agreement) and do not correct such failure within the applicable cure period;

(h) you fail to commence construction of your first APÓLA franchised restaurant within 180 days following the effective date of this Agreement;

(i) you do not enter into a franchise agreement within 15 days after you have obtained lawful possession of a lease for or a contract to purchase a Site;

(j) you, or one of your principal Owners, make an assignment for the benefit of creditors or admit in writing your insolvency or inability to pay your debts generally as they become due; consent to the appointment of a receiver, trustee or liquidator of all or the substantial part of your property; your business, or a principal Owner's business, is attached, seized, subjected to a warrant or levied upon, unless such attachment, seizure, warrant or levy is vacated within 30 days; or any order appointing a receiver, trustee or liquidator of you, or a principal Owner, or the business

of any of them is not vacated within 30 days following the entry of such order (You must notify us in writing within 10 days of any of the events listed in this Paragraph 9.1(j));

(k) you, or any of your principal Owners, engage in any dishonest or unethical conduct which may adversely affect the reputation of APÓLA franchised restaurants or the goodwill associated with the Marks;

(l) you fail to comply with any other provision of the Agreement or any provision of any other agreement you have with us (including any Franchise Agreement), after we have notified you of the failure whether or not such failures to comply are corrected after notice of the failure is delivered to you;

(m) you fail on 2 or more separate occasions within any 12 consecutive month period or on 3 occasions during the term of this Agreement to comply with this Agreement or any other agreement you have with us (including any Franchise Agreement), after we have notified you of the failure whether or not such failures to comply are corrected after notice of the failure is delivered to you; or

(n) we have delivered to you (or an affiliate) a notice of termination of a Franchise Agreement in accordance with its terms and conditions or you (or your affiliates) have terminated a Franchise Agreement without cause, as defined in such agreement.

9.2 Cross-Default. Any default or breach by you, your affiliates and/or any guarantor of yours of any other agreement between us or our affiliates and you and/or such other parties will be deemed a default under this Agreement, and any default or breach of this Agreement by you and/or such other parties will be deemed a default or breach under any and all such other agreements between us or our affiliates and you, your affiliates and/or any guarantor of yours. If the nature of the default under any other agreement would have permitted us (or our affiliate) to terminate this Agreement if the default had occurred under this Agreement, then we will have the right to terminate all such other agreements in the same manner provided for in this Agreement for termination hereof. Your “affiliates” means any persons or entities controlling, controlled by or under common control with you.

10. Effect of Termination and Expiration.

10.1 Continuing Obligations. All of the obligations under this Agreement which expressly or by their nature survive the expiration or termination of this Agreement continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement, until they are satisfied in full or by their nature expire. Within 5 days immediately following termination or expiration of this Agreement for any reason, you must pay to us all fees or other amounts due us under this Agreement, or any other agreement, note, or obligation between you and us.

10.2 Post-Term Competitive Restrictions. Upon termination or expiration of this Agreement for any reason, you and your Owners and guarantors agree that, for a period of 2 years commencing on the effective date of termination or expiration, no Restricted Person will have any direct or indirect interest (e.g. through a spouse, child, or other family member) as a disclosed or beneficial owner, investor, partner, director, officer, employee, consultant, member, manager, representative or agent or in any other capacity in any Competitive Business operating:

- (a) at any Site or within the Designated Territory;
- (b) within 50 miles of any Site or the Designated Territory; or
- (c) within 15 miles of any other APÓLA franchised restaurant in operation or under construction on the later of the effective date of the termination or expiration.

If any Restricted Person refuses voluntarily to comply with the foregoing obligations, the 2-year period will commence with the entry of an order of an arbitrator, or court if necessary enforcing this provision. Each Restricted Person expressly acknowledges that he/she possesses skills and abilities of a general nature and has other opportunities for exploiting such skills. Consequently, enforcement of the covenants made in this Section will not deprive you of your personal goodwill or ability to earn a living. You acknowledge and agree that the time and geographic restrictions contained in this Section are reasonable and necessary to protect our interests and investments and do not and will not unduly burden you or deprive you of your ability to earn a living. You acknowledge and agree that any claim you have, or may have arising from this Agreement, or otherwise have or may have against us will not constitute a defense to our enforcement of the restrictive covenants contained in this Agreement.

10.3 Grant of Franchises. Upon termination or expiration of this Agreement for any reason, your rights under this Agreement will terminate and you agree to immediately and permanently cease your development activities. We will then have no further obligation to grant you additional franchises for APÓLA franchised restaurants and will be free to operate, or grant other persons franchises to operate APÓLA franchised restaurants within the Designated Territory.

10.4 Marks and Confidential Information. Except in connection with APÓLA franchised restaurants you are then operating under Franchise Agreements, or with respect to which a Franchise Agreement has been signed, you agree to immediately and permanently cease use, by advertising or in any manner whatsoever, the Marks and the Confidential Information; slogan, trademarks, trade names, service marks, designs, trade dress or logos which are similar in nature to the Marks; or any equipment, materials, forms, confidential methods, procedures, recipes and techniques associated with or similar to the System or which display the Marks or any other distinctive forms, slogans, signs, symbols, trade dress or devices associated with or belonging to us.

11. Transfers.

11.1 By Us. This Agreement is fully transferable by us and inures to the benefit of any assignee or other legal successor to our interest, as long as such assignee or successor agrees to be bound by, and assumes all of our continuing obligations under it.

11.2 By You. You understand and acknowledge that the rights and duties created by this Agreement are personal to you (or, if you are a corporation, corporation or partnership, your Owners) and that we have granted this Agreement in reliance upon our perceptions of the individual or collective character, skill, aptitude, attitude, business ability and financial capacity of you (or, if you are a Business Entity, your Owners). Therefore, neither this Agreement (or any interest therein) nor any part or all of the ownership of you may be transferred by you or your Owners without our prior written approval. Any such transfer without our prior written approval constitutes a breach of this Agreement and will convey no rights, or interests, in this Agreement. As used in this Agreement, the term “transfer” includes your (or your Owners’) voluntary, involuntary, direct or indirect assignment, sale, gift or other disposition of any interest in: (a) this Agreement; (b) you; or (c) any of the Franchise Agreements.

11.3 Transfer to a Business Entity. Notwithstanding Paragraph 11.2, if you are in full compliance with this Agreement, we may permit you to transfer this Agreement to a Business Entity that conducts no business other than your APÓLA franchised restaurants so long as you own, control and have the right to vote all of its issued and outstanding ownership interests (like stock or partnership interests) and you guarantee its performance under this Agreement. Furthermore, you may not transfer any ownership interest to anyone who does not meet our approval. All owners of every APÓLA franchised restaurant and of any Business Entity must meet

our approval. The organizational or governing documents of the business organization must recite that the issuance and transfer of any ownership interest in the business organization are restricted by the terms of this Agreement, are subject to our approval, and all certificates or other documents representing ownership interests in the business organization must bear a legend referring to the restriction of this Agreement. As a condition of our approval of the issuance or transfer of ownership interests to any person other than you, we may require (in addition to the other requirements we have the right to impose) that the proposed owner execute an agreement, in a form provided or approved by us, agreeing to be bound jointly and severally by, to comply with, and to guarantee the performance of, all of your obligations under this Agreement and sign a General Release used in the then current disclosure document.

11.4 Conditions for Approval of Transfer.

(a) Application: If you (or, if you are a Business Entity, your Owners) are in full compliance with this Agreement and all of the Franchise Agreements, we will not unreasonably withhold our approval of a transfer that meets all the applicable requirements of this Section. The proposed transferee and its owners must be individuals of good moral character and otherwise meet our then applicable standards for developers of APÓLA restaurants.

(b) Development Rights: If the transfer of the development rights granted under this Agreement or a controlling interest in the Developer, or is one of a series of transfers which in the aggregate constitute the transfer of the development rights granted under this Agreement or a controlling interest in the Developer, all of the following conditions must be met prior to or concurrently with the effective date of the transfer:

(i) the transferee must have sufficient business experience, aptitude and financial resources to operate your franchised business and develop the Designated Territory, and must either already own an APÓLA restaurant or is acquiring one or more of them in association with the transfer;

(ii) you agree to pay us all amounts owed to us or our affiliates, if any, which are then due and unpaid and submit all required reports and statements which have not yet been submitted, under this Agreement, any Franchise Agreement or any other agreement between you (or an affiliate) and us (or our affiliates);

(iii) the transferee and/or the transferee's personnel must agree to complete our initial training program to our satisfaction;

(iv) the transferee must meet our current owner criteria and agree to be bound by and expressly assume all of the terms and conditions of this Agreement for the remainder of its term;

(v) you (and your Owners) must execute a general release, in the form attached to the Franchise Disclosure Document, of any and all claims against us and our officers, directors, employees and agents;

(vi) we must approve the material terms and conditions of such transfer including, without limitation, that the price and terms of payment are not so burdensome as to affect adversely the future development of the Designated Territory and the operation of APÓLA franchised restaurants in it;

(vii) if the transferee finances any part of the sale price of the transferred interest, you (and your Owners) must agree that all obligations of the transferee under or pursuant to any promissory notes, agreements or security interests reserved by you (or your Owners) must

be subordinate to transferee's obligations to us to comply with this Agreement or Franchise Agreements executed by the transferee; and

(viii) all Restricted Persons must sign and deliver to us an agreement in which they will comply with the competitive restrictions contained in Paragraph 10.2 of this Agreement for 2 years commencing on the effective date of the transfer.

In connection with any transfer permitted under this Section, you agree to provide us with all documents to be signed by you and the proposed assignee or transferee at least 30 business days prior to signing.

11.5 Right of First Refusal. If you (or your Owners) at any time determine to transfer this Agreement (as defined above), you will obtain a bona fide, signed written offer, an earnest money deposit (in the amount of 5% or more of the offering price) from a responsible and fully disclosed purchaser and submit an exact copy of such offer to us. The offer must apply only to an interest in this Agreement or you. It must not include the purchase of any other property or rights of you (or your Owners). The offer must completely describe the purchase price, payment terms, terms of the assumption of liabilities and all other material terms of the transfer (including all exhibits and other information so that we may readily determine the foregoing). Within 30 days from the date we receive the copy of such offer, we may purchase your rights under this Agreement and the assets of your business on the terms and conditions contained in the offer provided to us, except that:

(a) we may substitute cash for any form of payment proposed in the offer (with a discounted amount if an interest rate will be charged on any deferred payments);

(b) our credit will be deemed equal to the credit of any proposed purchaser;

(c) we will have no less than 90 days to prepare for a closing; and

(d) we are entitled to receive, and you and your Owners agree to make, all customary representations and warranties given by the seller of the assets of a business or with the capital stock of an incorporated business, as applicable, including, without limitation, representations and warranties as to:

(i) ownership and condition of and title to stock or other forms of ownership interests and/or assets;

(ii) liens and encumbrances relating to the stock or other ownership interests and/or assets; and

(iii) validity of contracts and the liabilities contingent or otherwise of the corporation or other legal entity whose stock or ownership rights are being purchased.

The 30-day period will not commence until you have delivered to us full and complete documentation to enable us to fully evaluate the offer.

If we exercise our right of first refusal, you and your selling Owner(s) agree that, for a period of 2 years commencing on the date of the closing, you and they will be bound by the competitive restrictions contained in Paragraph 10.2 of this Agreement.

If we do not exercise our right of first refusal, you or your Owners may complete the transfer on the terms contained in the offer, subject to our approval of the transfer as described in this Section of this Agreement. If the transfer as described in the offer is not completed within 120 days after delivery of the offer to us, or if there is a material change in the terms of the transfer, we will again have the right of our first refusal as described in this Agreement.

11.6 Death or Permanent Disability. Upon your death or permanent disability or that of one of your Owners, the executor, administrator, conservator or other personal representative of such person must transfer his or her interest within a reasonable time, not to exceed 6 months from the date of death or permanent disability, to a third party approved by us. Such transfer, including, without limitation, transfer by devise or inheritance, is subject to all the conditions for transfers contained in Paragraph 11.4 and unless transferred by gift, devise or inheritance, subject to the terms of Paragraph 11.5. Failure to dispose of such interest within that time period constitutes a breach of this Agreement. Our consent to a transfer of any interest subject to the restrictions of this Section does not constitute a waiver of any claims we may have against the assignor; nor will it be deemed a waiver of our right to demand the assignee's exact compliance with any of the terms or conditions of this Agreement or any Franchise Agreements.

11.7 Public Offerings of Securities. Notwithstanding any other provisions of this Agreement, you agree not to, without our prior written consent, sell or offer to sell any of your securities if such sale or offer would be required to be registered pursuant to the provisions of the Securities Act of 1933, as amended, and the rules and regulations pursuant thereto, or the securities laws of any other state or territory of the United States of America or of any other jurisdiction. All advertisements or promotional materials must be previously approved by us. You may not use any advertising or promotional materials that we have disapproved.

11.8 Franchise Transfers. A transfer of any APÓLA franchised restaurant developed pursuant to this Agreement may be made only in connection with the transfer of the Franchise Agreement for such APÓLA franchised restaurant, and a transfer of the Franchise Agreement for any such APÓLA franchised restaurant may be made only in connection with the transfer of all interests of yours in such APÓLA franchised restaurant (or the affiliate that owns such APÓLA franchised restaurant). A transfer must comply with all of the requirements for a transfer set forth in the Franchise Agreement.

12. Relationship of the Parties/Indemnification.

12.1 Independent Contractors. You and we understand and agree that this Agreement does not create a fiduciary relationship between the parties. We and you are independent contractors. Nothing in this Agreement is intended to make either party a general or special agent, joint venturer, partner or employee of the other for any purpose. You agree to conspicuously identify yourself in all dealings as the owner of development rights granted under an Area Development Agreement with us in the ways we specify for doing so. You agree to place notices of independent ownership on such forms, business cards, stationery, advertising and other materials as we may require from time to time.

12.2 No Liability for Acts of Other Party. You agree not to employ any of the Marks in signing any contract or applying for any license or permit or in a manner that may result in our liability for any of your indebtedness or obligations. You agree to not use the Marks in any way not expressly authorized by this Agreement or the Franchise Agreements. Except as expressly authorized in writing, neither you nor we will make any express or implied agreements, warranties, guarantees or representations or incur any debt in the name or on behalf of the other or be obligated by or have any liability under any agreements or representation made by the other. We will not be obligated for any damages to any person or property directly or indirectly arising out of the operations of your business authorized by or conducted pursuant to this Agreement.

12.3 Taxes. We will have no liability for any sales, use, service, occupation, excise, gross receipts, income, payroll, property or other taxes, whether levied upon you or your assets or upon us, arising in connection with the business conducted by you pursuant to this Agreement or any Franchise Agreement. Payment of all such taxes is solely your responsibility.

12.4 Indemnification. You agree to indemnify, defend and hold us, our affiliates and our respective shareholders, directors, officers, employees, agents, successors and assignees (the “Indemnified Parties”) harmless from and against and to reimburse them for all claims, obligations and damages described in this Section, any and all taxes described in Paragraph 12.3 of this Agreement and any and all claims and liabilities directly or indirectly arising out of the operation of your business (even if our negligence is alleged, but not proven), your breach of this Agreement or your use of the Marks in any manner not in accordance with this Agreement. For purposes of this indemnification, “claims” means and includes all obligations, damages (actual, consequential or otherwise) and costs reasonably incurred in the defense of any claim against any of the Indemnified Parties including, without limitation, reasonable costs, other expenses of litigation, arbitration or alternative dispute resolution and travel and living expenses. The Indemnified Parties have the right to defend any such claim against them in such manner as they deem appropriate or desirable in their sole discretion. This indemnity will continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement. Under no circumstances will we or any other Indemnified Party be required to seek recovery from any insurer or other third party, or otherwise to mitigate our, their or your losses and expenses, in order to maintain and recover fully a claim against you. You agree that a failure to pursue such recovery or mitigate a loss will in no way reduce or alter the amounts we or another Indemnified Party may recover from you.

13. Enforcement.

13.1 Severability; Substitution of Valid Provisions. Except as otherwise stated in this Agreement, each provision of this Agreement, and any portion of any provision, are severable. The remainder of this Agreement will continue in full force and effect. To the extent that any provision restricting your competitive activities is deemed unenforceable, you and we agree that such provisions will be enforced to the fullest extent permissible under governing law. This Agreement will be deemed automatically modified to comply with such governing law if any applicable law requires: (a) a greater prior notice of the termination of or refusal to renew this Agreement; or (b) the taking of some other action not described in this Agreement; or (c) if any System Standard is invalid or unenforceable. We may modify such invalid or unenforceable provision to the extent required to be valid and enforceable. In such event, you will be bound by the modified provisions.

13.2 Waivers. We will not be deemed to have waived our right to demand exact compliance with any of the terms of this Agreement, even if at any time: (a) we do not exercise a right or power available to us under this Agreement; or (b) we do not insist on your strict compliance with the terms of this Agreement; (c) there develops a custom or practice which is at a variance with the terms of this Agreement; or (d) if we accept payments which are otherwise due to us under this Agreement. Similarly, our waiver of any particular breach or series of breaches under this Agreement or of any similar term in any other agreement between you and us and any other franchise owner, will not affect our rights with respect to any later breach by you or anyone else. Any waiver we may grant to you will, without any prejudice to you and without any obligation on our part to compensate you, be subject to our continuing review, and may be revoked by us, at any time and for any reason, effective upon our notice to you of our revocation of the waiver.

13.3 Limitation of Liability. Neither we nor you will be liable for loss or damage or deemed to be in breach of this Agreement if failure to perform obligations results from:

- (a) compliance with any law, ruling, order, regulation, requirement or instruction of any federal, state or municipal government or any department or agency thereof;
- (b) acts of God, terror, war or similar events; or
- (c) acts or omissions of a similar event or cause.

However, such events or delays do not excuse payments of amounts owed at any time.

13.4 Approval and Consents. Whenever this Agreement requires our advance approval, agreement or consent, you agree to make a timely written request for it. Our approval or consent will not be valid unless it is in writing. If we provide to you any waiver, approval, consent, or suggestion, or if we neglect or delay our response or deny any request for any of those, we will not be deemed to have made any warranties or guarantees which you may rely on, and will not assume any liability or obligation to you.

13.5 Governing Law. Except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Section 1051, *et seq.*) and the United States Arbitration Act, this Agreement and our relationship shall be governed by the laws of Delaware.

Developer waives any and all rights, actions or claims for relief under the Federal Act entitled “Racketeer Influenced and Corrupt Organizations”, 18 U.S.C. Section 1961, *et seq.*

13.6 Judicial Enforcement, Injunction, and Specific Performance. Notwithstanding the provisions of Paragraphs 13.7 and 13.8, we shall be entitled, without bond, to the entry of temporary and permanent injunctions and orders of specific performance enforcing the provisions of this Agreement relating to your use of the Marks, your obligation upon termination or expiration of the Agreement, and any Transfer by you of this Agreement and ownership of Developer. If we secure any such injunction or order of specific performance, you agree to pay us an amount equal to the aggregate of our cost of obtaining such relief, including, without limitation, reasonable attorneys’ fees, costs of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses, and any damages incurred by us as a result of the breach of any such provision.

13.7 Mediation. The parties hereto agree that before resorting to binding arbitration, that if any dispute arises between the parties hereto, any affiliated companies thereof or any of their officers, directors, partners, relating to anything other than the matters set forth in Paragraphs 7.3, 10.2 and 13.6, the parties hereto agree to first try in good faith before resorting to arbitration, to settle the dispute by mediation in Orange County, California, administered by the American Arbitration Association under its Commercial Mediation Rules and initiated at and supervised by the American Arbitration Association, unless agreed otherwise by the parties. Disputes subject to mediation shall be all controversies, claims, and matters from the beginning of time, whether contractual or tort in nature, except for those matters specifically excluded in Paragraphs 7.3, 10.2 and 13.6. The party who seeks resolution of a controversy, claim or dispute or other matter in question shall notify the other party and the American Arbitration Association office in writing of the existence and subject matter of such controversy, claim or dispute. Unless mutually agreed otherwise, the parties shall meet with the mediator within thirty (30) days after the recipient party has received notice of the dispute, and agree to utilize their best efforts and all expediency to resolve the matters in dispute. The mediation shall not continue longer than one (1) day without the written approval of both parties. Neither party shall be bound by any recommendation of the mediator; however, any agreement reached during mediations shall be final and conclusive. The expense of mediation shall be shared equally by both parties. The parties’ obligation to mediate will be deemed to be satisfied after one (1) hearing day or 60 days after mediation demand has been made if any party fails to appear or participate in good faith in the mediation.

We and you each agree that the mediation process is negotiation for the purpose of compromise. All offers, promises, conduct, and statements, whether oral or written, made in the course of the mediation process by any of the parties, their agents, employees, experts and attorneys, shall be confidential. You acknowledge that we may require you to execute a confidentiality agreement pertaining to the mediation process. Notwithstanding the foregoing,

evidence that is otherwise admissible or discoverable shall not be rendered inadmissible or not discoverable as a result of its use in the mediation process.

In the event the parties are unable to reach an agreement by mediation, then in that event all disputes, controversies, claims or causes of action shall be submitted to binding arbitration pursuant to Paragraph 13.8 hereinafter.

13.8 Arbitration. All disputes and claims relating to any provision of this Agreement (other than as set forth in Paragraph 13.6 above, “Judicial Enforcement, Injunction and Specific Performance”), any specification, standard, operating procedure, or rule or any other obligation of Developer prescribed by us or any obligation of us, or the breach thereof (including, without limitation, any claim that this Agreement, any provision hereof, any specification, standard, operating procedure, rule or any other obligation of Developer or us is illegal or otherwise unenforceable or voidable under any law, ordinance, or ruling) shall be settled by arbitration in Orange County, California, or if we shall no longer maintain an office in Orange County, California, then our home office. Arbitration shall be conducted in accordance with the United States Arbitration Act (9 U.S.C. Section 1, *et seq.*), if applicable, and the Rules of the American Arbitration Association (relating to the arbitration of disputes arising under franchise and license agreements, if any, otherwise, the general rules of commercial arbitration), provided that the arbitrator shall award, or include in his/her award, the specific performance of this Agreement, and the arbitrator shall issue a written opinion explaining the reasons for his/her decision and award. If a claim for amounts owed by Developer to us is asserted in the arbitration proceeding and if we shall prevail on such claim, we shall be entitled to so much of our cost and expenses including accounting and legal fees, as are attributable to the prosecution thereof. Judgment upon the award of the arbitrator may be entered in any court having jurisdiction thereof or of us or of Developer. During the pendency of an arbitration proceeding hereunder, the parties hereto shall fully perform and comply with the provisions of this Agreement.

13.9 Third Party Beneficiaries. Our officers, directors, shareholders, agents, and/or employees are express third party beneficiaries of the arbitration provisions in Paragraph 13.8, each having authority to specifically enforce the right to arbitrate claims asserted against such person(s) by Developer.

13.10 Class Claims. Developer agrees that any arbitration between Developer and us will be Developer’s individual claim and that the claim or claims subject to arbitration shall not be arbitrated on a class-wide basis.

13.11 Binding Effect. This Agreement is binding on and will inure to the benefit of our successors and assigns. Except as otherwise provided in this Agreement, this Agreement will also be binding on your successors and assigns, and your heirs, executors and administrators.

The parties hereto agree that this Agreement may be executed electronically by any means Franchisor chooses, and if by electronic signature, the electronic signature shall be binding to the same extent as an original signature and shall be deemed an original signature with regard to this Agreement and all Riders, Amendments or Addenda hereto. You are not entitled to challenge the validation or authenticity of the electronic signature or the document on the ground that it is not the original.

13.12 Entire Agreement. This agreement, including the introduction, addenda and exhibits to it, constitutes the entire agreement between you and us. There are no other oral or written understandings or agreements between you and us concerning the subject matter of this Agreement. Notwithstanding the foregoing, nothing in the Agreement is intended to disclaim the representations we made in the franchise disclosure document that we furnished to you. Except as

expressly provided otherwise in this Agreement, this Agreement may be modified only by written agreement signed by both you and us.

13.13 No Liability to Others; No Other Beneficiaries. We will not, because of this Agreement or by virtue of any approvals, advice or services provided to you, be liable to any person or legal entity who is not a party to this Agreement. Except as specifically described in this Agreement, no other party has any rights because of this Agreement.

13.14 Construction. The headings of the sections and paragraphs are for convenience only. If two or more persons are at any time operating as the Developer hereunder, whether or not as partners or joint venturers, their obligations and liabilities to us are joint and several. This Agreement may be signed in multiple copies, each of which will be an original.

13.15 Certain Definitions. The term “family member” refers to parents, spouses, offspring and siblings, and the parents and siblings of spouses. The term “affiliate” means any Business Entity directly or indirectly owned or controlled by a person, under common control with a person or controlled by a person. The terms “developer, franchisee, franchise owner, you and your” are applicable to one or more persons, a Business Entity, as the case may be. The singular use of any pronoun also includes the plural and the masculine and neuter usages include the other and the feminine. The term “person” includes individuals and Business Entities. The term “Section” or “Paragraph” refers to a section, subsection or paragraph of this Agreement. The word “control” means the power to direct or cause the direction of management and policies. The word “Owner” means: any person holding a direct or indirect, legal or beneficial ownership interest or voting rights in another person (or a transferee of this Agreement or an interest in you), and the officers, directors, partners, members or holders of a beneficial interest in any person who has 5% or more direct or indirect beneficial interest in you or this Agreement and any person who has any other legal or equitable interest, or the power to vest in himself/herself any legal or equitable interest, in the revenue, profits, rights or assets.

13.16 Time is of the Essence. It will be a material breach of this Agreement to fail to perform any obligation within the time required or permitted by this Agreement. In computing time periods from one date to a later date, the words “from” and “commencing on” (and the like) mean “to but excluding.” Indications of time of day mean Yorba Linda, California time.

13.17 Notices and Payments. All written notices and reports permitted or required under this Agreement or by the Manuals will be deemed delivered:

(a) 2 business days after being placed in the hands of a commercial airborne courier service for next business day delivery; or

(b) 3 business days after placement in the United States mail by certified mail, return receipt requested, postage paid.

We may direct notices to your affiliates to you. All such notices must be addressed to the parties as follows:

If to Us: APÓLA International LLC
18427 Yorba Linda Blvd.
Yorba Linda, CA 92886

If to You: _____

Attention: _____

Either you or we may change the address for delivery of all notices and reports and any such notice will be effective within 10 business days of any change in address. Any required payment or report not actually received by us during regular business hours on the date due (or postmarked by postal authorities at least 2 days prior to such date, or in which the receipt from the commercial courier service is not dated prior to 2 days prior to such date) will be deemed delinquent.

14. Merger, Acquisition or Affiliation.

You agree that we have the right, now, or in the future, to purchase, merge, acquire, or affiliate with an existing competitive or non-competitive franchise network, chain, or any other business regardless of the location of that chain's or business' facilities, and to operate, franchise or license those businesses and/or facilities as "APÓLA restaurants" operating under the Marks or any proprietary marks or any of their marks following our purchase, merger, acquisition or affiliation, regardless of the location of these facilities (which Developer acknowledges may be within its "Designated Territory", proximate thereto, or proximate to any of the APÓLA restaurant locations).

We will have the right to assign this Agreement, and all of our rights and privileges under this Agreement, to any person, firm, corporation or other entity.

You agree and affirm that we may sell ourselves, our assets, name and Marks or other proprietary marks and/or our system to a third party; may go public; may engage in a private placement of some or all of our securities; may merge, acquire other corporations, or be acquired by another corporation; and/or may undertake a refinancing, recapitalization, leveraged buyout or other economic or financial restructuring. With regard to any of the above sales, assignments and dispositions, you expressly and specifically waive any claim, demand, or damages arising from or related to the loss of our name, and Marks, proprietary marks (or any variation thereof) and system and/or the loss of association with or identification of APÓLA under this Agreement. You specifically release any and all other claims, demands or damages arising from or related to the foregoing merger, acquisition and other business combination activities including, without limitation, any claim of divided loyalty, breach of fiduciary duty, fraud, breach of contract or breach of the implied covenant of good faith and fair dealing.

If we assign our rights in this Agreement, nothing herein shall be deemed to require us to remain in the restaurant business or any business which we now conduct or to offer to sell any food items, products or services to Developer or any franchised APÓLA restaurant.

The parties to this Agreement now sign and deliver this Agreement in 2 counterparts effective as of the date shown on page 1, regardless of the actual date of signature.

THIS CONDITIONAL ASSIGNMENT AND ASSUMPTION OF LEASE (this “Assignment”) is made, entered into and effective as of the effective date of the Lease (as defined hereinbelow), by, between and among **APÓLA INTERNATIONAL LLC**, a Delaware Limited Liability Company with its principal business address located at 18427 Yorba Linda Blvd., Yorba Linda, CA 92886 (“Franchisor,” “Assignee,” “we,” “us” or “our”), and _____ whose current principal place of business is _____ (“Franchisee,” “Assignor,” “you” or “your”).

We entered into that certain Franchise Agreement (the “Franchise Agreement”) dated as of _____, 20__ with you, pursuant to which you plan to own and operate an APÓLA franchise located at that certain location approved by us located at _____ pursuant to the Franchise Agreement between you and us dated _____, 20__ (the “Approved Office Location” or “Site”). In addition, pursuant to that certain Lease Agreement (the “Lease”), you have leased or will lease certain space containing the APÓLA International LLC franchise described therein from _____ (the “Lessor”). The Franchise Agreement requires you to deliver this Assignment to us as a condition to the grant of a franchise.

We and you agree as follows:

1. **Background Information:** The background information is true and correct. This Assignment will be interpreted by reference to, and construed in accordance with, the background information.
2. **Incorporation of Terms:** Terms not otherwise defined in this Assignment have the meanings as defined in the lease.
3. **Indemnification of Us:** You agree to indemnify and hold us and our affiliate, if any, our members, directors, officers and representatives harmless from and against any and all losses, liabilities, claims, proceedings, demands, damages, judgments, injuries, attorneys’ fees, costs and expenses, that they incur resulting from any claim brought against any of them or any action which any of them may suffer, sustain or incur by reason of, or arising out of, your breach of any of the terms of the Lease, including the failure to pay rent or any other terms and conditions of the Lease.
4. **Assignment:** You grant to us a security interest in and to the Lease, all of the furniture, fixtures, inventory and supplies located in the Approved Location and the franchise relating to the APÓLA franchise, and all of your rights, title and interest in and to the Lease as collateral for the payment of any obligation, liability or other amount owed by you or your affiliates (if permitted by us) to the Lessor arising under the Lease and for any of the terms and provisions of the Franchise Agreement. In the event of a breach or default by you under the terms of the Lease, or, in the event we make any payment to the Lessor as a result of your breach of the Lease, then such payment by us, or such breach or default by you, will at our option be deemed to be an immediate default under the Franchise Agreement, and we will be entitled to the possession of the Site and to all of your rights, title and interest in and to the Lease and to all other remedies described herein or in the Franchise Agreement or at law or in equity, without prejudice to any of our other rights or remedies under any other Agreements or under other applicable laws or equities. This Assignment will constitute a lien on your interest in and to the Lease until satisfaction in full of all amounts owed by you to us. In addition, our rights to assume all obligations under the Lease provided in this Assignment are totally optional on our part. You agree to execute any and all Uniform Commercial Code financing statements and all other documents and instruments deemed necessary by us to perfect or document the interests and assignments granted herein.
5. **No Subordination:** You will not permit the Lease to become subordinate to any lien without first obtaining our written consent, other than the lien created by this Assignment, the Franchise

Agreement, the Lessor's lien under the Lease, liens securing bank financing for your operations on the Site and the agreements and other instruments referenced herein. You will not terminate, modify or amend any of the provisions or terms of the Lease without our prior written consent. Any attempt at termination, modification or amendment of any of the terms without such written consent is null and void.

6. **Exercise of Remedies:** In any case of default by you under the terms of the Lease or under the Franchise Agreement, we will be entitled to exercise any one or more of the following remedies:

(a) to take possession of the Approved Location, or any part thereof, personally, or by our agents or attorneys;

(b) to, without notice and with or without process of law, enter upon and take and maintain possession of all or any part of the Approved Location, together with all your furniture, fixtures, inventory, books, records, papers and accounts;

(c) to exclude you, your agents or employees from the Approved Location;

(d) as your attorney-in-fact or in our own name, and under the powers herein granted, to hold, operate, manage and control the APÓLA Franchised restaurant and conduct the business, if any thereof, either personally or by our agents, with full power to use such measures, legally rectifiable, as we may be deemed proper or necessary to cure such default, including actions of forcible entry or detainer and actions in distress of rent, hereby granting full power and authority to us to exercise each and every right or the rights, privileges and powers herein granted at any and all times hereafter;

(e) to cancel or terminate any unauthorized agreements or subleases entered into by you, for any cause or ground which would entitle us to cancel the same;

(f) to disaffirm any unauthorized agreement, sublease or subordinated lien, to make all necessary or proper repairs, decorating, renewals, replacements, alterations, additions, betterments and improvements to the Site that may seem judicious;

(g) to insure and reinsure the same for all risks incidental to our possession, operation and management thereof; and/or

(h) notwithstanding any provision of the Franchise Agreement to the contrary, to declare all of your rights but not obligations under the Franchise Agreement to be immediately terminated as of the date of your default under the Lease.

7. **Power of Attorney:** You do hereby irrevocably appoint us as your true and lawful attorney-in-fact in your name and stead and hereby authorize us, upon any default under the Lease or under the Franchise Agreement, with or without taking possession of the Site, to manage and operate the Site and/or rent or lease the Site to any person, firm, corporation or entity, upon such terms and conditions as we may determine, and with the same rights and powers and immunities, exoneration of liability and rights of recourse and indemnity as we would have upon taking possession of the Site pursuant to the provisions set forth in the Lease. The power of attorney conferred upon us pursuant to this Assignment is a power coupled with an interest and cannot be revoked, modified or altered without our written consent.

8. **Election of Remedies:** It is understood and agreed that the provisions set forth in this Assignment are deemed a special remedy given to us and are not deemed to exclude any of the remedies granted in the Franchise Agreement or any other agreement between the parties, but are deemed an additional remedy and are cumulative with the remedies therein and elsewhere granted to us, all of which remedies are enforceable concurrently or successively. No exercise by us or any of the rights hereunder will cure, waive or affect any default hereunder or default under the Franchise Agreement. No inaction or partial exercise of rights by us will be construed as a waiver of any of our rights and remedies and no

waiver by us of any such rights and remedies will be construed as a waiver by us of any future rights and remedies.

9. **Binding Agreements:** This assignment and all provisions are binding upon the parties, their successors, assigns and legal representatives and all other persons or entities claiming under them or through them, or either of them, and the words “we”, “us” or “our” or “you” and “your” includes all such persons and entities and any others liable for payment of amounts under the Lease or the Franchise Agreement. All individuals executing on behalf of corporate or other legal entities hereby represent and warrant that such execution has been duly authorized by all necessary corporate and shareholder or member authorizations and approvals.

10. **Assignment to Control.** This Assignment governs and controls over any conflicting provisions in the lease.

11. **Attorney’s Fees, Etc.** In any action or dispute, at law or in equity, that may arise under or otherwise relate to this Assignment, the prevailing party will be entitled to recover its attorneys’ fees, costs and expenses relating to any trial or appeal (including, without limitation, paralegal fees) or arbitration or bankruptcy proceeding from the non-prevailing Party.

12. **Severability.** If any of the provisions of this Assignment or any section or subsection of this Assignment is to be held invalid for any reason, the remainder of this Assignment or any such section or subsection will not be affected thereby and will remain in full force and effect in accordance with its terms.

IN WITNESS WHEREOF, the Parties have caused this Assignment to be executed as of the day and year first above written.

The term “Competitive Business” as used in this Agreement means any business or facility owning, operating or managing, or granting franchises or licenses to others to do so, any restaurant or goods or services or facility that features menu items and services similar to any of the menu

items offered by the APÓLA restaurants, including any fast casual dining restaurant, take-out or catering service, that features Greek or Mediterranean inspired foods or menu items or services similar to any item offered by the APÓLA restaurant, including but not limited to, Gyro based quick service meals, proprietary food items and sauces and selected Greek or Mediterranean specialties (other than an APÓLA restaurant operated under a franchise agreement with us). This “exclusivity” is construed in accordance with and/or is governed by (as applicable) the law of the State of Delaware without recourse to Delaware (or any other) choice of law or conflicts of law principles. If, however, any provision of this Agreement would not be enforceable under the laws of Delaware, and if the franchised Business is located outside of Delaware and the provision would be enforceable under the laws of the state in which the franchised Business is located, then the provision (and only that provision) will be interpreted and construed under the laws of that state. Nothing in this Agreement is intended to invoke the application of any franchise, business opportunity, antitrust, “implied covenant”, unfair competition, fiduciary or any other doctrine of law of the State of Delaware or any other state, which would not otherwise apply.

I further agree that all disputes and claims relating to this Agreement and of the Franchise Agreement (other than your engaging in a Competitive Business, as defined above, upon termination or expiration of the Franchise Agreement, the use of our name or trademarks) shall be settled by Arbitration in Orange County, California, or if Franchisor shall no longer maintain an office in Orange County, California, then the home office of Franchisor. Arbitration shall be conducted in accordance with the United States Arbitration Act (9 U.S.C. Section 1, *et seq.*), if applicable, and the Rules of the American Arbitration Association (relating to the arbitration of disputes arising under franchise and license agreements, if any, otherwise, the general rules of commercial arbitration), provided that the arbitrator shall award, or include in his/her award, the specific performance or injunction remedies of this Agreement, and the arbitrator shall issue a written opinion explaining the reasons for his/her decision and award. Judgment upon the award of the arbitrator may be entered in any court having jurisdiction thereof or of Franchisor, Franchisee or me as an owner, shareholder, officer, director, attorney, employee or any other relationship I have with the Franchisee. During the pendency of an arbitration proceeding hereunder, Franchisee and Franchisor shall fully perform and comply with the provisions of this Agreement.

I hereby waive and covenant never to assert or claim that arbitration is for any reason improper, inconvenient, prejudicial or otherwise inappropriate (including, without limitation, any claim under the judicial doctrine of forum non conveniens).

I hereto agree that this document may be executed electronically by any means Franchisor chooses, and if by electronic signature, the electronic signature shall be binding to the same extent as an original signature and shall be deemed an original signature with regard to this document. You are not entitled to challenge the validation or authenticity of the electronic signature or this document on the ground that it is not the original.
