OHM Fitness Franchise, LLC offers area representative (“AR”) franchises for the operation of a business that solicits, screens, recruits, develops, services and supports third party franchisees that operate OHM® exercise and fitness studios within a designated development territory.

The total investment necessary to begin operation of an OHM® AR franchise ranges from \$135,000 to \$403,000. This includes \$125,000 to \$375,000 that must be paid to us and our affiliates.

How to Use this Franchise Disclosure Document

Here are some questions you may be asking about buying a franchise and tips on how to find more information:

QUESTION	WHERE TO FIND INFORMATION
How much can I earn?	Item 19 may give you information about outlet sales, costs, profits or losses. You should also try to obtain this information from others, like current and former franchisees. You can file their names and contact information in Item 20 or Exhibit D.
How much will I need to invest?	Items 5 and 6 list fees you will be paying to the Franchisor or at the Franchisor’s direction. Item 7 lists the initial investment to open. Item 8 describes the suppliers you must use.
Does the Franchisor have the financial ability to provide support to my business?	Item 21 or Exhibit E includes financial statements. Review these statements carefully.
Is the franchise system stable, growing, or shrinking?	Item 20 summarizes the recent history of the number of company-owned and franchised outlets and AR franchises.
Will my business be the only OHM® AR franchise in my area?	Item 12 and the “territory” provisions in the AR agreement describe whether the Franchisor and other franchisees can compete with you.
Does the Franchisor have a troubled legal history?	Items 3 and 4 tell you whether the Franchisor or its management have been involved in material litigation or bankruptcy proceedings.
What is it like to be an OHM® AR franchisee?	Item 20 or Exhibit D lists current and former franchisees. You can contact them to ask about their experiences.
What else should I know?	These questions are only a few things you should look for. Review all 23 Items and all Exhibits in this disclosure document to better understand this franchise opportunity. See the table of contents.

What You Need To Know About Franchising *Generally*

Continuing responsibility pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the Franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the Franchisor or a limited group of suppliers the Franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from Franchisor. Even if the franchise agreement grants you a territory, the Franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of State Specific Addenda.

Special Risks to Consider About *This Franchise*

1. **Out-of-State Dispute Resolution:** The franchise agreement and area representative agreement (“ARA”) require you to resolve disputes with the Franchisor by mediation, arbitration and/or litigation only in Arizona. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the Franchisor in Arizona than in your own state.
2. **Spousal Liability:** Your spouse will be liable for all financial obligations under the ARA even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse’s marital and personal assets, perhaps including your house, at risk if your franchise fails.
3. **Short Operating History:** The franchisor is in the early stages of development and has limited operating experience. This franchise is likely to be a riskier investment than a franchise in a system with a longer operating history.
4. **Financial Condition.** The Franchisor’s financial condition, as reflected in its financial statements (see Item 21) calls into question the franchisor’s financial ability to provide services and support to you.
5. **Sales Performance Required.** You must maintain minimum performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.

Certain states may require other risks to be highlighted. If so, check the “State Specific Addenda” pages for your state.

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000.00, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

**OHM® FITNESS STUDIO
AREA REPRESENTATIVE
FRANCHISE DISCLOSURE DOCUMENT**

**ITEM 1.
FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES**

To simplify the language in this Disclosure Document, “we,” “us” and “the Company” mean OHM Fitness Franchise, LLC - the franchisor. “You” means the person who buys an area representative OHM® franchise - the franchisee, and includes your partners if you are a partnership, your shareholders if you are a corporation, and your members if you are a limited liability company.

Corporate Information

OHM Fitness Franchise, LLC is a Wyoming limited liability company that was organized on June 3, 2021. Our principal business address is located at 15011 N. 75th Street, Suite #2, Scottsdale, AZ 85260, and our telephone number is (480) 797-2854. Our agent for service of process is disclosed in Exhibit A. to this Disclosure Document. We do not do business under any names other than “OHM Fitness Franchise, LLC” and “OHM®”.

Business History

We began offering OHM® franchises and Area Representative (“AR”) franchises in October 2021. We are not engaged in any business other than the offering of OHM® single unit franchises and AR franchises. ARs are authorized to open and own, or to solicit, recruit, service and support owners for, a specified number of franchises located in a defined geographic area according to a development schedule. As of the issuance date of this Disclosure Document, we have sold 5 AR franchises. We have never offered franchises in any other line of business.

OHM® single unit franchises are offered under a separate Disclosure Document. As of the date of this Disclosure Document we have sold 14 OHM® franchises. An OHM® franchised business consists of a fitness and training studio (“Studio”) specializing in group class workout sessions utilizing an electronic magnetic stimulation body suit (the “OHM® Body Suit”) that is worn to achieve in a 25 minute workout what is typically achieved in a traditional 2 hour workout session.

We have not operated a business similar to the OHM® business being offered under this franchise. However, our affiliate currently operates 1 OHM® studio in Arizona and our principals have previously owned and operated other fitness franchises and AR territories. The studio opened in Scottsdale in August 2022.

Parents, Affiliates and Predecessors

We do not have any predecessors or parent company.

We have 4 affiliates. Our affiliate OHM Distribution, LLC sells inventory items for resale to our franchisees such as the OHM® Body Suit, accessories, merchandise and other retail items. Our affiliate OHM 001, LLC owns and operates the studio located in Arizona. Our affiliate OHM At Home, LLC, will offer at-home training products and services. Our affiliate OHM Virtual, LLC will offer gaming through use of headsets. Our affiliates will share our principal business address. Our affiliates have never offered franchises in this or any other line of business and neither has operated an OHM® studio.

Except as disclosed above, we do not have any affiliates that offer franchises or provide any goods or services to our franchisees.

Description of Franchised Business

As an AR, you will be responsible for performing a variety of franchise sales, servicing and support functions with respect to OHM® franchisees. These services include soliciting, screening, recruiting, developing, servicing and supporting OHM® franchises. We will delegate to you our franchise support obligations under the franchise agreements we sign with franchisees in your Development Territory.

In exchange, we will pay you the following commissions for revenues we receive from third party franchisees that purchase OHM® franchises in your Development Territory: (i) 50% of the net initial franchise fee; and (ii) 2.25% of the Gross Revenues generated by franchisees. The “net” initial franchise fee means the total amount of the initial franchise fee that we collect less any amounts we must pay to third party brokers, in-house commissioned salespeople, online lead generation service companies or other referral sources, relating to the sale. You are essentially acting as our “broker” within your Development Territory. As such, you should check with your state to see if you need to be registered or licensed as a “broker” to sell or offer franchises in your state. With our prior approval, you may engage other brokers, lead generation companies or referral sources to solicit and refer prospects to you. However, you are solely responsible for all brokerage and other fees owed to brokers, lead generation companies and referral sources that you engage, meaning that these fees will be paid by you directly out of the 50% of the net initial franchise fee that we pay to you.

We will pay you the same commissions on the fees that you (or your affiliates) pay for each OHM® Studio owned and operated by you (or your affiliate).

You must sign our standard form of AR Agreement (the “ARA”), the form of which is attached to this Disclosure Document as Exhibit B. You will perform your AR services according to the policies and procedures described in our AR Manual (the “AR Manual”). All of our policies and procedures may change from time to time.

As an AR, you will solicit and screen prospective franchisees to ensure they meet our minimum qualifications and requirements. You will refer any qualified prospect to us and we will determine, in our commercially reasonable judgment, whether to sign a franchise agreement with the prospect. You are not authorized to sign franchise agreements or other binding agreements with franchisees. However, you are responsible for complying with all franchise laws relating to your solicitation of franchisees, including providing a copy of our Franchise Disclosure Document in the time and manner required by applicable law (unless we choose to control the disclosure process ourselves).

If we sign a franchise agreement with a franchisee in your Development Territory, you must provide the franchisee with all pre-opening support and ongoing assistance that we require, including in the areas of: (i) site selection and lease negotiation; (ii) constructing, developing and equipping OHM® Studios; (iii) conducting grand openings and sales and marketing support; (iv) operational and quality control issues; (v) the sourcing of equipment, fixtures, furnishings, inventory and supplies; and (vi) the closure, relocation, renewal and transfer of OHM® Studios. You will also help us administer the franchise system in your Development Territory by monitoring and inspecting the operations of OHM® businesses, assisting us with enforcing the terms of franchise agreements and the Manual against franchisees who are in breach of their obligations, and assisting franchisees who seek to close or transfer their franchises. You are required to perform these services in a manner that meet, in our sole discretion, our standards and specifications in order to entitle you to receive 2.25% of the Gross Revenue generated by franchisees in your Territory to us.

You must develop the minimum number of franchises in your Development Territory that are specified in the development schedule that is described in Attachment “D” to your ARA. Any OHM® Studio that you directly own and operate (including any Studios owned and operated by your affiliates) will be counted in

determining whether you are meeting your minimum development obligations. Unless we agree to the contrary, you must directly own and operate at least 3 OHM® Studio during the entire term of the ARA.

We have developed a distinct system (the “System”) for the operation of an OHM® Studio and an OHM® Business. Distinctive characteristics of the System include an exercise curriculum, logo, proprietary techniques and products, the unique OHM® Body Suit, confidential brand standards manual and operating system. You will operate your OHM® AR franchise as an independent business using the Marks, the System, the OHM® name, as well as the support, guidance and other methods and materials provided or developed by us.

Market and Competition

The target market for OHM® customers includes women and men interested in fitness and exercise programs that are shorter and more efficient than traditional exercise class workouts. Our clients include men and women between the ages of 19 and 90, although the majority of our clients are men and women between the ages of 23 and 57.

We believe that the market for the services offered at an OHM® Studio is competitive and rapidly developing. OHM® Studios compete primarily with other gyms, health clubs, exercise fitness centers, training classes, personal instructors and in-home fitness concepts. Some of these businesses operate through franchise systems. They may be independently owned and operated or may consist of regional or national chains.

As an AR, you will compete with other franchise systems in the fitness industry seeking to recruit franchisees in your Development Territory.

Laws and Regulations

You must comply with all federal and state licensing and other regulatory requirements relating to the operation of your Business. You should inquire about such laws. Some states have laws and regulations that specifically apply to gyms and health clubs which may impose restrictions or requirements relating to the sale of memberships valid for a specified period of time, the training of and on-site access to certain first aid devices such as automated external defibrillators and procedures such as CPR, the holding of membership fees in an escrow account before a Studio is open, as well as other restrictions on what health clubs offer for sale. You should obtain advice and guidance on these possible restrictions before opening your Studio.

As an AR, you must also comply with all local, state and federal laws that apply to businesses generally.

We require all OHM® instructors to obtain certification by the American Council on Exercise (ACE) and the National Academy of Sports Medicine (NASM).

ITEM 2. BUSINESS EXPERIENCE

Douglas Payne – Chief Executive Officer & Co-Founder

Mr. Payne has been our and our affiliates’ Chief Executive Officer since our inception on June 3, 2021. From January 1, 2009 to May 1, 2022, he owned a European Wax Center in Scottsdale, Arizona.

Eric Hamann – Vice President – Finance & Co-Founder

Mr. Hamann has been our and our affiliates' Vice President-Product Development since our inception on June 3, 2021. He served as President of Southwest Dealer Services, Inc. located in Irvine, California from 1990 to 2019. After his nearly 30-year tenure with Southwest Dealer Services, Inc., Mr. Hamann took time off from traditional employment from 2019 to 2021 to consider new business and investment opportunities.

Steven Belknap – Vice President – Regional Sales and Co-Founder

Mr. Belknap has been our and our affiliates' Vice President – Regional Sales since our inception on June 3, 2021. ITEM 3. LITIGATION

No litigation is required to be disclosed in this Item.

ITEM 4. BANKRUPTCY

No bankruptcy is required to be disclosed in this Item.

ITEM 5. INITIAL FEES

At the time you sign the ARA, you must pay us an initial development fee that is calculated as \$12,500 multiplied by the total number of OHM® Studios to be developed in your Development Territory. For example, a Development Territory that could sustain 10 OHM® Studios would require a Development Fee of \$125,000. We anticipate that most development fees will range from \$125,000 (for a Development Territory that can sustain 10 franchises) to \$375,000 (for a Development Territory that can sustain 30 franchises). The development fee is non-refundable, uniformly imposed and fully earned upon receipt. You must pay us the development fee by wire transfer.

Currently, we require all area representatives to also commit to develop at least 3 franchised OHM® Fitness Studios. Franchised OHM® Studios are offered under a separate disclosure document.

This estimate includes working capital that is in addition to the working capital required for your OHM® business. These figures are estimates based on the past experience of our principals in developing and operating the OHM® Fitness franchises.

ITEM 8.
RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Source Restricted Purchases and Leases - Generally

We require that you purchase or lease certain “source restricted” goods and services for the development and ongoing operation of your Business. By “source restricted,” we mean that the good or service must meet our specifications and/or must be purchased from an approved or designated supplier (in some cases, an exclusive designated supplier, which may be us or an affiliate). If we have designed an exclusive designated supplier for any item, you may not use another supplier without our prior written approval. Our specifications and list of approved and designated suppliers are contained in the AR Manual. We will notify you within 30 days of any changes to our specifications or list of approved or designated suppliers. We may notify you of these changes in various ways, including written or electronic correspondence, verbal or telephonic notification, amendments or updates to the AR Manual, bulletins, or other means of communication.

Supplier Criteria

Our criteria for evaluating a supplier include standards for quality, delivery, performance, design, appearance and price of the product or service as well as the dependability, reputation and financial viability of the supplier. Upon your request, we will provide you with any objective specifications pertaining to our evaluation of a supplier, although certain important subjective criteria (e.g., product appearance, design, functionality, etc.) are important to our evaluation but cannot be described in writing.

If you want to purchase or lease a source restricted item from a non-approved supplier, you must send us a written request for approval and submit any additional information that we request. We may require that you send us samples from the supplier for testing. We may also require that we be allowed to inspect the supplier’s facilities. We will notify you of our approval or disapproval within 30 days after we receive your request for approval plus all additional information and samples that we require. We may, at our option, re-inspect the facilities and products of any approved supplier and revoke our approval if the supplier fails to meet any of our then-current criteria. You must reimburse us for all costs that we incur in reviewing a proposed supplier and testing the products.

Current Source Restricted Items

As described in the separate FDD you received relating to the purchase of your OHM® Studio franchise, we currently require that you purchase or lease a variety of source restricted goods and services relating to the operation of your OHM® business. We estimate that 15% of the total purchases and leases that will be required to establish and operate your Business will consist of source restricted goods or services.

In addition to those purchases, as an area representative we require that you purchase (i) errors and omissions insurance in the minimum amount of \$1,000,000 per occurrence and \$2,000,000 in the aggregate (ii) general liability insurance in the minimum amount of \$1,000,000 per occurrence and \$2,000,000 in the aggregate relating to your area representative business; (iii) worker’s compensation and employer’s liability insurance.

We also require that all of your marketing materials comply with our standards and requirements. We must approve all of your marketing materials before you use them, including marketing materials that you use to solicit the sale of franchises. You must purchase all branded marketing materials only from us or other suppliers that we designate or approve. We may require that you utilize a designated marketing company to implement your grand opening marketing campaign and/or ongoing marketing campaigns (we do not have a designated marketing company at this time).

Purchase Agreements

We may try to negotiate relationships with suppliers to enable our affiliates and franchisees to purchase certain items at discounted prices. If we succeed, you will be able to purchase these items at the discounted prices that we negotiate (less any rebates or other consideration paid to us). Alternatively, we reserve the right to purchase the items in bulk and resell them to you at our cost plus a reasonable markup (your total cost to purchase the items from us will not exceed your total cost to purchase the items directly from the supplier without the benefit of our group purchasing power).

Currently, we have negotiated proprietary pricing with a OHM® Body Suit provider, proprietary Music Service, Software/POS Platform, specialized towel manufacturer, Red Light Therapy Manufacture and Nutritional Supplement company . If you do not use our recommended provider, you must hire another provider of your choosing (if available) to provide these services, provided that Franchisor approves such providers upon your submission to Franchisor of their pricing and their provision of services.

There are no purchasing cooperatives, although we reserve the right to establish one or more purchasing cooperatives in the future. You do not receive any material benefits for using designated or approved suppliers other than having access to any discounted pricing that we negotiate

Franchisor Revenues from Source Restricted Purchases

We are not currently an approved or designated supplier for any items that must be purchased or leased by area representatives. However, we reserve the right to designate ourselves or an affiliate as an approved or designated supplier for any items we specify in the future.

No persons affiliated with us are currently an approved (or the only approved) supplier for an area representative.

None of our officers own an interest in any approved supplier.

Neither we nor our affiliates have received any revenues from franchisee purchases from us or other designated or approved suppliers during fiscal year ending December 31, 2023.

Area Representative Training Program

Overview

We will provide an area representative training program for the Managing Owner and all your initial employees who will be involved with soliciting and/or supporting franchises.. Training takes place at our affiliate-owned OHM® Fitness Studio in Scottsdale, Arizona—or any other location we designate in the future. The training program includes franchise sales training, franchise service, and support training. The franchise sales training is designed to introduce you to certain legal compliance issues pertaining to the offer and sale of franchises, as well as certain Area Representative operational matters. The franchise service and support training are designated to teach you how to evaluate, inspect, and support franchisees. The entire training program is three days. Your Managing Owner must complete the initial training to our satisfaction within 30 days after the effective date of your AR Agreement and prior to soliciting, recruiting, servicing or supporting franchisees.

We can modify the training program at our discretion based upon our subjective assessment of the skills, abilities, and prior experience of your owners and employees. Currently, we intend to offer the initial training program as often as necessary to meet the demand of our area representatives.

Ongoing Training

From time to time, we may provide periodic refresher courses for ARs. Attendance at these training programs is mandatory. You may also request that we provide additional training (either at corporate headquarters or at your studio). We are not required to provide this additional training.

Training Fees and Costs

We do not charge a training fee for any of the training materials, the initial training program, or any system-wide refresher or additional training that we conduct at our headquarters or at an affiliate owned OHM® Studio. You must pay us a training fee of up to \$1,000 per person per day for:

- (i) each person that attends our initial training program after you open your Business (such as new Managing Owner or managers);
- (ii) any person who must retake training after failing to successfully complete training on a prior attempt;
- (iii) any remedial training that we require based on your operational deficiencies; or
- (iv) each person to whom we provide additional training that you request.

If we agree to provide onsite training or assistance, you must reimburse us for all costs incurred by our representative for meals, travel, and lodging (this obligation does not apply to on-site training we provide as part of the pre-opening initial training program). You are responsible for all expenses and costs that your trainees incur for training, including wages, travel, and living expenses.

Manual

We will lend you our AR Manual in text or electronic form for the term of your AR Agreement. The AR Manual contains a total of 400 pages. A copy of the Table of Contents to the AR Manual is attached to this Disclosure Document as Exhibit C.

Site Development

You must purchase or lease an office from which you will administer your Business. We do not have any standards or specifications for your office except that it must be suitable for training and supporting franchisees. It must also present a professional appearance. Your area representative office may be located within the facility for your OHM® Studio.

We do not select a site for your office or identify an area within which you must establish your office. We do not own the premises and then lease it to you. You do not need our approval of the location of your office. However, your office must be located within your Development Territory.

If you establish a separate office for your Business, you do not need our approval of the lease for that office. Similarly, we do not require that the lease for the area representative office include any specific terms.

If you sign an ADA, we must approve the location of each franchise to be developed under our then-current site selection criteria.

Computer System

You must purchase the computer system we specify relating to the operation of your OHM® Studio. The computer system is described in detail in our separate Franchise Disclosure Document for our OHM® franchise offering. We do not require that area representatives use any specialized computer system for the area representative component of the business. However, we may impose this requirement in the future.

You must purchase and utilize all software and technology that we require for the operation of your Business. We reserve the right to enter into a master license agreement with any software or technology supplier and sublicense the software or technology to you, in which case we may charge you for all amounts that we must pay to the licensor based on your use of the software or technology. We also reserve the right to create new or additional proprietary software that must be used by area representatives, in which case we may require that you enter into a license agreement with us and pay us reasonable initial and ongoing licensing, support and maintenance fees. All of the fees referenced in this paragraph comprise the technology fee. We can change the software and technology that must be used by our area representatives at any time, which may result in a change in the technology fee.

We will have independent unlimited access to the data collected on your computer system. We may also inspect your computer system and access the data as part of an inspection. There are no contractual limits imposed on our access to your computer information.

Marketing Fund

We do not require that area representatives contribute to a marketing fund and we are not obligated to conduct marketing for area representatives.

Local Advertising

On an annual basis, you will develop a marketing plan for the development of your Development Territory for the ensuing 12-month period. As part of the marketing plan, we may require that you spend an agreed

upon minimum amount of funds to promote the franchise opportunity on an annual basis (\$1,500 per month is the minimum).

You agree to participate at your own expense in all advertising, promotional and marketing programs that we require. We may require that you administer a regional marketing program and/or marketing cooperative within your Development Territory for the benefit of all OHM® Studios located in your Development Territory.

Before you begin soliciting franchisees, we will provide you with access to certain franchise marketing materials that you may download from our intranet site. You may reproduce these materials at your cost. Throughout the term of your AR Agreement, we will provide you with access to any new or updated marketing materials that we develop. You may not use any advertising materials that have not been prepared or approved by us. You must submit to us any advertising materials that you prepare or modify and we will have 14 days to review and either approve or reject the materials. If we fail to issue our approval or rejection within such 14-day period, the materials will be considered approved. You must immediately stop using any advertising materials that we disapprove (including items we previously approved and later disapprove). In some states (including California), all franchise advertisements must be submitted to the appropriate regulatory agency prior to use. We will submit such advertising materials to any required regulatory agency for their approval.

You may not maintain your own website or solicit franchisees on the Internet or on any social media site or through any other electronic, mobile or digital device, method or system without our prior written approval. Specifically, you may not maintain a website, conduct e-commerce, or otherwise maintain a presence or advertise on the Internet or any other public computer network (including social network services and social media sites such as Facebook, Twitter and LinkedIn) relating to your Business except as we specifically approve or require. We may impose mandatory marketing requirements that involve the use of the Internet or social media sites from time to time, including the use of micro-sites that you will administer in accordance with our policies and other requirements. If we do so, you agree to comply with all policies and procedures we specify from time to time. If we allow you to operate a micro-site or other website, we will own your domain name and associated URLs at all times. You may not apply for or acquire any domain name or URL that includes any of the Marks without our prior written consent. You agree to comply with any social media policy that we may develop.

We do not require that area representatives participate in an advertising cooperative.

You are not required to participate in an advertising cooperative.

Advisory Council

We may, but need not, create an AR advisory council to provide us with suggestions to improve the System and the methods of operation of area representatives. We would consider all suggestions from the advisory council in good faith, but we would not be bound by any such suggestions. The advisory council would be established and operated according to rules and regulations we periodically approve, including procedures governing the selection of representatives of the advisory council to communicate with us on matters raised by the advisory council. You would have the right to be a member of the advisory council as long as you are not in default under your AR Agreement and you do not act in a disruptive, abusive or counter-productive manner, as determined by us in our discretion. As a member, you would be entitled to all voting rights and privileges granted to other members of the council. We would not be a member of the advisory council. Each member would be granted 1 vote on all matters on which members are authorized to vote. We would have the power to form, change or dissolve the advisory council in our discretion.

Opening Requirements

You may not begin soliciting the sale of franchises or servicing and supporting franchises until you: (i) successfully complete the initial training program; (ii) purchase all required insurance; and (iii) obtain all required licenses, permits and other governmental approvals. The typical AR will begin operating within 2 months of signing the AR Agreement. The time to opening depends on how long it takes to obtain the required governmental licenses and approvals..

ITEM 12. TERRITORY

Location of your Office

You must purchase or lease an office from which you will administer your Business. Your area representative office may be located within the facility for your OHM® Studio.

We do not select a site for your office or identify an area within which you must establish your office. You do not need our approval of the location of your office. However, your office must be located within your Development Territory.

Your Protected Development Territory

Before you sign your AR Agreement, we will designate the boundaries of the area in which you will solicit and service franchisees and operate your Business (your “Development Territory”). Your Development Territory will be described in Attachment “B” to your AR Agreement. There is no specific minimum or maximum area that we must include in a development territory although the smallest development territory would be capable of supporting a minimum of 10 OHM® Studios.

Under your AR Agreement, we will grant you certain territorial protections. Specifically, during the term of your AR Agreement, we will not grant area representative rights to any other person for any portion of your Development Territory. However, we reserve the right to: (i) directly solicit, screen, recruit, develop, service and/or support franchises that are located within your Development Territory; and (ii) engage the services of a third party franchise broker, franchise sales company, in-house commissioned salespeople and/or utilize any lead generation service that we desire in order to solicit, screen and/or recruit franchises that are located within your Development Territory. However, if you have successfully completed the initial training program and you are in compliance with your AR Agreement, we will turn all leads for your territory over to you. If we solicit the sale of a franchise within your Development Territory during the term of your AR Agreement (whether directly or indirectly through a third-party broker, franchise sales company, in-house commissioned salesperson or lead generation service), we will still pay you a commission equal to 50% of the net initial franchise fee that we collect from that sale. Similarly, if you are in compliance with your AR Agreement and we agree to service or support a franchisee within your Development Territory during the term of your AR Agreement, we will still pay you a commission equal to 2.25% of the Gross Revenue generated by franchisees that we service or support. The “net initial franchise fee” is the total amount of the initial franchise fee that we collect less any amounts we must pay to third party brokers we hire, online lead generation service companies we hire or other referral sources relating to the sale. You may not sell outside of the Development Territory. You may not sell through any other channels of distribution.

You will not receive an exclusive Development Territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

You will not receive any rights to develop any other territories.

Alternative Channels of Distribution

We reserve the right to sell or license others to sell competitive or identical goods or services (whether under the Marks or under different trademarks) through alternative channels of distribution, such as sales over the Internet or through catalogs or telemarketing. If we sell a franchise or franchise license in your Development Territory through alternative channels of distribution, we will still pay you your standard commission on the sale as further described above.

Restrictions on Your Sales and Marketing Activities

We reserve the right to sell or license others to sell competitive or identical goods or services (whether under the Marks or under different trademarks) through alternative channels of distribution, such as sales over the Internet or through catalogs or telemarketing. If we sell a franchise in your Development Territory through alternative channels of distribution, we will still pay you your standard commission on the sale as further described above.

Minimum Performance Requirements

You are required to develop your Development Territory according to the development schedule in your AR Agreement. Specifically, you must ensure that the minimum number of OHM® Studios are established within the time periods described in the development schedule. If you fail to comply with your minimum development obligations, we have the right to terminate your AR Agreement.

Additional Territories

The AR Agreement gives you the right to purchase additional franchises for OHM® businesses that you will own and operate in your Development Territory. We reserve the right to limit the maximum number of OHM® Studios that you operate in your Development Territory at any given point in time in order to prevent excessive competition between you and the other franchisees in your Development Territory and/or to ensure that you have sufficient time and resources to properly support franchisees in your Development Territory.

Competitive Businesses Under Different Marks

Currently, neither we nor any affiliate of ours intends to operate or franchise another business under a different trademark that sells products or services similar to the products or services offered by area representatives. However, we reserve the right to do so in the future.

ITEM 13. TRADEMARKS

OHM Fitness Franchise, LLC owns the following trademarks registered on the United States Patent and Trademark Office principal register:

MARK	Registration Number	Registration Date
	7021870 (Principal)	April 11, 2023

All required affidavits for the registered trademark (“Marks”) have been filed. Our Mark has been accepted by the United States Patent and Trademark Office and as required was published for Opposition. We do not anticipate any opposition to our Mark.

We grant you the right to operate a franchise under the name “OHM®” and logo shown on the cover page of this Disclosure Document. By trademark, we mean trade names, trademarks, service marks, and logotypes used to identify your OHM® franchise or the products or services sold at your Business. We may change the trademarks you may use from time to time (including by discontinuing use of the Marks). If this happens, you must change to the new trademark at your expense. We have no obligation to reimburse you for any losses you may incur as a result of modifying or discontinuing use of any trademark.

You must follow our rules when using the Marks. You cannot use our name or mark as part of a corporate name or with modifying words, designs, or symbols unless you receive our prior written consent. You may not use the OHM® name relating to the sale of any product or service that is not previously authorized by us in writing.

You must notify us immediately when you learn about an infringing or challenging use of the Marks. We will take the action we think appropriate, but we are not required to take any action if we do not feel it is warranted. We may require your assistance, but you are not permitted to control any proceeding or litigation relating to our Marks. You must not directly or indirectly contest our right to the Marks.

We are not required under the AR Agreement to: (i) protect your right to use the Marks or protect you against claims of infringement or unfair competition arising out of your use of the Marks; or (ii) participate in your defense or indemnify you for expenses or damages you incur if you are a party to an administrative or judicial proceeding involving our marks or if the proceeding is resolved in a manner that is unfavorable to you.

We do not know of any superior prior rights or infringing uses that could materially affect your use of the principal trademarks in any states. There are currently no effective agreements that significantly limit your rights to use or license the trademarks. There are no currently effective material determinations of the Patent and Trademark Office, the Trademark Trial and Appeal Board, the trademark administrator of this state or any court; no pending infringements, oppositions or cancellations; and no pending material litigation involving any of the Marks. We do not know of any infringing uses that could materially affect your use of the Marks.

ITEM 14. PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION

No patents or pending patent applications are material to the franchise. Although we have not filed an application for copyright registration for the Manual, our website or our marketing materials, we do claim a copyright to these items. During the term of your AR Agreement, we will allow you to use our proprietary information relating to the development, marketing and operation of an area representative business, including, methods, techniques, specifications, procedures, policies, marketing strategies and information comprising the System and the AR Manual. If we require you to modify or discontinue use of the subject matter covered by any materials in which we claim a copyright, we are not required to compensate you in any manner. You will own your customer data during the term of the franchise but we may use that data for any purpose. Upon the termination or expiration of the AR Agreement you must assign ownership of all customer data to us. All ideas, improvements, inventions, marketing materials, and other concepts you develop relating to the operation of your Business will be owned by us.

Our manuals, communications, guidelines and other materials contain our confidential and proprietary information and trade secrets (collectively the “Confidential Information”) that we will continue to further develop. This includes site selection criteria, methods, formats, specifications, standards, systems, procedures, sales and marketing techniques, knowledge and experience used in developing and operating OHM® Studios; market research and advertising, marketing and promotional programs, customer communication and retention programs, and any other information or data that we designate as confidential or proprietary.

You are required to maintain the confidentiality of all of our proprietary information and use it only in strict accordance with the terms of the AR Agreement and the AR Manual. You may not use any Confidential Information in any other business or capacity. You must promptly tell us when you learn about unauthorized use of our proprietary information. We are not obligated to act, but will respond to this information as we deem appropriate. You are not permitted to control any proceeding or litigation alleging the unauthorized use of any of our proprietary information. We have no obligation to indemnify you for any expenses or damages arising from any proceeding or litigation involving our proprietary information. There are no infringements that are known by us at this time.

There are no current material determinations of the United States Patent and Trademark Office, the United States Copyright Office, or a court regarding any patents or copyrights

ITEM 15.
**OBLIGATION TO PARTICIPATE IN THE ACTUAL
OPERATION OF THE FRANCHISE BUSINESS**

Under your AR Agreement, you must designate an owner (the “Managing Owner”) who will be primarily responsible for the daily management and supervision of your area representative Business. In addition to the initial training for an OHM® Studio, your Managing Owner must also successfully complete our area representative initial training program (if offered by us). Your other owners are not required to directly participate in the operation of your Business. The Managing Owner must at all times own a controlling interest in the area representative entity (or the franchise if there is no entity). However, we may modify or waive this requirement for a given franchisee.

The Managing Owner must dedicate his or her full-time efforts to the operation of your Business. Any new Managing Owner must successfully complete the initial training program before becoming involved with the supervision, management or operation of the Business. The Managing Owner must also complete any mandatory refresher or advanced training courses that we require.

All of your employees and other agents or representatives who may have access to our confidential information must sign a Confidentiality Agreement, which is attached to the AR Agreement as Attachment “E”. Each owner of the area representative entity (i.e., each person holding an ownership interest in you) and the spouse of each owner must sign a Franchise Owner Agreement, the form of which is attached to the AR Agreement as Attachment “C”.

ITEM 16.
RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

We must approve all goods and services that you sell as part of your Business. You must offer all goods and services that we require. You may not sell any goods or services that we have disapproved. We have the unrestricted right to change the goods and/or services that you are required to sell as part of your Business at any time in our sole discretion, and you must comply with any such change.

We will provide you with our suggested pricing for the goods and services you sell. We must approve any material deviations from our suggested pricing. We may require that you participate in a gift card or other customer loyalty program in accordance with our policies and procedures. In order to participate, you may be required to purchase additional equipment and pay any fees relating to the use of that equipment. AREA REPRESENTATIVE AGREEMENT

THIS AREA REPRESENTATIVE AGREEMENT (this "Agreement") is entered into as of _____ (the "Effective Date") between OHM Fitness Franchise, LLC, a Wyoming limited liability company ("we" or "us") and _____ ("you"). You and we are collectively referred to as the "Parties".

1. **DEFINITIONS.** Capitalized terms used in this Agreement are defined either in the body of this Agreement or in Attachment "A". For capitalized terms that are defined in the body of this Agreement, Attachment "A" lists the Sections of this Agreement in which such terms are defined.

2. **PREAMBLES.**

(a) We grant franchises for the operation of a fitness and training Studio that operates under the name OHM® Fitness and specializes in conducting class fitness lessons utilizing an electro muscle stimulation body suit (the "OHM Body Suit").

(b) All OHM® Fitness Studios operate using a system that was developed by us and our affiliates (the "Operating System") as well as our Copyrights, Marks and Know-How. The distinctive characteristics of our Operating System include logo, proprietary techniques and products, confidential brand standards manual and operating system.

(c) We desire to increase the number of franchised OHM® Fitness Studios and establish an administrator of the OHM® Fitness franchise system (the "Franchise System") within the geographic area described on Attachment "B" (the "Development Territory").

(d) You wish to represent us as an independent contractor to solicit, screen, recruit, develop, service and support OHM® Fitness Studio franchises in the Development Territory and we are willing to allow you to do so upon the terms and conditions set forth in this Agreement.

3. **GRANT OF AREA REPRESENTATIVE RIGHTS.** Subject to the provisions of this Agreement, and solely during the Term, we hereby grant you: (i) Area Representative Rights authorizing you to solicit, screen, recruit, develop, service and support OHM® Fitness Studio franchises solely within the Development Territory; (ii) a license to use the Intellectual Property solely in connection with the activities contemplated by this Agreement; and (iii) the right and obligation to directly own and operate at least three (3) OHM® Fitness Studios pursuant to separate Franchise Agreements between you and us. You understand that you do not have the right to: (i) sell franchises; (ii) sign Franchise Agreements or other binding agreements with franchisees; or (iii) agree to negotiated modifications to our standard form of franchise agreement. You may begin soliciting, recruiting, training and supporting franchisees after you have successfully completed our initial training program and obtained all required insurance.

4. **TERRITORIAL PROTECTIONS & LIMITATIONS.**

4.1 Protected Rights. For the duration of the Term, we will not grant Area Representative Rights to any other person for the Development Territory. You understand that nothing in this Agreement provides you with any protections relating to the sale of fitness or other related services or products within the Development Territory, and any such protections (if any) would only be granted pursuant to the terms of a Franchise Agreement. You further understand that your protected territorial rights are subject to the limitations described in Section 4.2 below. We reserve all rights not expressly granted to you.

4.2 Limitations on Protected Territorial Rights. We reserve the right to: (i) directly solicit, screen, recruit, develop, service and/or support OHM® Fitness franchises that are located within your Development Territory provided that we pay you the full commissions described in Section 6 with respect to such franchises; (ii) engage the services of third party franchise brokers or franchise sales companies and/or utilize any lead generation services that we desire in order to solicit, screen and/or recruit OHM® Fitness franchises that are located within your Development Territory provided that we pay you the full commissions described in Section 6 with respect to such franchises. You understand that only we may sign Franchise Agreements with OHM® Fitness franchisees that you solicit or that we solicit as described above.

5. **DEVELOPMENT FEE AND ANNUAL SUPPORT FEE.** Upon execution of this Agreement, you shall pay us a non-refundable one-time development fee of \$_____. The development fee must be paid by cashier's check, wire transfer or other immediately available funds. The development fee is in addition to any other amounts you are required to pay under this Agreement or any Franchise Agreement. You are responsible for all costs and expenses that you and your employees incur in connection with the performance of your obligations under this Agreement.

6. COMMISSIONS.

6.1 Commission on Franchise Sales. For each franchise that we sell during the Term that is located in the Development Territory (including Studios operated by you and your affiliates), we will pay you a commission equal to 50% of the "net" initial franchise fee that we collect. The "net" initial franchise fee is the total amount of the initial franchise fee that we collect less any amounts we must pay to third party brokers we hire, online lead generation service companies we hire or other referral sources relating to the sale. If you choose to engage the services of third-party brokers, online lead generation service companies or other referral sources, you are solely responsible for all fees owed to such brokers, companies and referral sources. You understand that we have complete discretion to determine the amount of the initial franchise fee that we charge and that we may: (i) negotiate reduced initial franchise fees for particular transactions or classes of franchisees; (ii) increase or decrease the amount of the standard initial franchise fee from time to time; and/or (iii) offer financing or installment payment plans with respect to the initial franchise fee. If payment of the initial franchise fee for a franchise sold during the Term extends beyond the expiration of this Agreement, we will continue to pay you your commission in the time and manner specified in this Agreement with respect to such initial franchise fee provided that we did not terminate this Agreement prior to its expiration date due to your default. You are not entitled to any commission with respect to any initial franchise fee that we are unable to collect.

6.2 Commission on Royalty Fees. For each OHM® Fitness franchise operated in the Development Territory (including Studios operated by you and your affiliates), we will pay you a commission equal to 2.25% of the Gross Revenues generated by the franchisees during the Term. You understand that we have complete discretion to determine the amount of the royalty fee that we charge and that we may: (i) negotiate reduced royalty fees for particular transactions or classes of franchisees; and/or (ii) increase or decrease the amount of the standard royalty fees from time to time. You are not entitled to any commission with respect to any royalty fee that we are unable to collect or if we determine, in our reasonable discretion, that you have not provided the required support services to the franchised Studios in your Territory.

6.3 Timing for Payment. Except as described above, you are not entitled to commissions on any other fees or payments made by franchisees in your Development Territory. We will pay you your commission on or before the 15th day of each month for initial franchise fees and royalty fees collected during the prior month. You understand that our obligation to pay you a commission only arises after our actual receipt of the fee in good funds. If payment of all or any portion of the fee is deferred for any reason

(including, without limitation, our negotiation of a payment plan, offer of financing, or state imposed impound condition), our obligation to pay you your commission will be deferred accordingly.

7. TERM AND RENEWAL.

7.1 Term. The term of this Agreement will begin on the Effective Date and expire 10 years thereafter (the “Term”). Upon the expiration of the Term, you may enter into a maximum of one (1) successor area representative agreement (a “Successor Agreement”) as long as you meet the conditions for renewal specified below. Each Successor Agreement shall be the current form of area representative agreement that we use in granting Area Representative Rights as of the expiration of the Term or renewal term, as applicable. The terms and conditions of the Successor Agreement may vary materially and substantially from the terms and conditions of this Agreement, except that: (i) the geographic area that comprises the Development Territory shall not be reduced unless a reduction is mutually agreed upon by the Parties; and (ii) you shall not be required to pay an additional Development Fee. The renewal term will be 10 years, for a maximum total term of 20 years. You will have no further right to operate your Business following the expiration of the final renewal term unless we grant you another franchise in our sole discretion. If this Agreement is a Successor Agreement, the renewal provisions in your original area representative agreement will dictate the length of the Term of this Agreement as well as your remaining renewal rights, if any.

7.2 Renewal Requirements. In order to enter into a Successor Agreement, you and your Owners (as applicable) must: (i) notify us in writing of your desire to enter into a Successor Agreement not less than 180 days nor more than 270 days before the expiration of the Term; (ii) not be in default under this Agreement or any other agreement with us or any affiliate of ours at the time you send the renewal notice or the time you sign the Successor Agreement; (iii) negotiate a new Development Schedule that is mutually agreeable to the Parties; provided, however, that if we determine in our commercially reasonable judgment that the Development Territory cannot support any additional OHM® Fitness Studios, then you may not solicit or recruit any additional franchises except to the extent that the Franchise Agreements for existing franchises are terminated or expire without the execution of a successor franchise agreement; (iv) sign the Successor Agreement and all ancillary documents that we require area representatives to sign; (v) sign a General Release; (vi) pay us a renewal fee equal to 25% of the development fee imposed under Section 5; and (vii) take any additional action that we reasonably require.

7.3 Interim Term. If you do not sign a Successor Agreement after the expiration of the Term and you continue to accept the benefits of this Agreement, then at our option, this Agreement may be treated either as: (i) expired as of the date of the expiration with you then operating without a franchise to do so and in violation of our rights; or (ii) continued on a month-to-month basis (the “Interim Term”) until either Party provides the other Party with 30 days’ prior written notice of the Party’s intention to terminate the Interim Term. In the latter case, all of your obligations will remain in full force and effect during the Interim Term as if this Agreement had not expired, and all obligations and restrictions imposed on you and your Owners upon the expiration or termination of this Agreement will be deemed to take effect upon the termination of the Interim Term.

8. MANAGEMENT AND STAFFING.

8.1 Owner Participation. You acknowledge that a major requirement for the success of your Business is the active, continuing, and substantial personal involvement and hands-on supervision by your Managing Owner. At a minimum, the Managing Owner must: (i) successfully complete the initial training program for OHM® Fitness franchisees and area representatives and all mandatory refresher or advanced training programs; (ii) ensure that the Business is operated in accordance with the standards and requirement imposed by this Agreement and the AR Manual; and (iii) submit an initial and annual business plan for

your Business. The Managing Owner must participate personally and substantially in the management of the Business and dedicate his or her full-time efforts to the Business. You may not permit a transfer of all or any portion of the Managing Owner's responsibilities to a substitute Managing Owner at any time during the Term without our prior written consent, which we will not unreasonably withhold. Any substitute Managing Owner that we approve after opening must successfully complete the initial training program. The Managing Owner (or a substitute Managing Owner) must own and control not less than a controlling ownership interest and voting rights in the area representative Entity.

8.2 Employees. You must hire, train, and supervise honest, reliable, competent and courteous employees for the operation of your Business. You must employ (or retain on an independent contractor basis) franchise salespersons, field consultants and other staff necessary to perform all activities contemplated by this Agreement. You must ensure that all of your staff maintains any required licenses, certifications or other credentials that are necessary to offer or sell franchises. You must pay all wages, commissions, benefits, worker's compensation premiums and payroll taxes (and other withholdings required by law) due for your employees. These employees will be employees of yours and not of ours. You must ensure that a sufficient number of trained employees are available to meet the operational standards of your Business and provide adequate levels of support to franchisees at all times. You must ensure that your employees perform their duties in compliance with the terms of the AR Manual and any other materials applicable to employees that we communicate to you. You may give your employees only the minimum amount of information from the AR Manual that is necessary to enable them to perform their assigned tasks. You must ensure that your employees do not make or retain copies of the AR Manual or any portion of the AR Manual. We do not control the day-to-day activities of your employees or the manner in which they perform their assigned tasks. We also do not control the hiring or firing of your employees.

8.3 Interim Manager. We have the right, but not the obligation, to designate an individual of our choosing (an "Interim Manager") to manage your Business if either: (i) your Managing Owner ceases to perform the responsibilities of a Managing Owner (whether due to retirement, death, disability, or for any other reason) and you fail to find an adequate replacement Managing Owner within 30 days; or (ii) you are in material breach. The Interim Manager will cease to manage your Business at such time that you hire an adequate replacement Managing Owner who has successfully completed training, or you cure the material breach, as applicable. If we appoint an Interim Manager, you agree to compensate the Interim Manager at a rate that we establish in our commercially reasonable discretion. The Interim Manager will have no liability to you except for gross negligence or willful misconduct. We will have no liability to you for the activities of an Interim Manager unless we are grossly negligent in appointing the Interim Manager.

9. **FRANCHISEE AS ENTITY**. The Owners must form an Entity to be the "area representative" under this Agreement. If the Entity did not initially sign this Agreement, the Owners must assign this Agreement to the Entity before you begin operating your Business. You agree to provide us with a list of all of the Entity's Owners. All Owners of the Entity (whether direct or indirect) are jointly and severally responsible for the Entity's performance of this Agreement. Upon our request, you must provide us with a resolution of the Entity authorizing the execution of this Agreement, a copy of the Entity's organizational documents and a current Certificate of Good Standing (or the functional equivalent thereof). You represent that the Entity is duly formed and validly existing under the laws of the state of its formation or

incorporation. The Entity's organizational documents must incorporate the transfer restrictions set forth in this Agreement as they pertain to a transfer of an interest in the Entity.

10. **FRANCHISE OWNER AGREEMENT.** All Owners (whether direct or indirect) of the Entity that is the "area representative" under this Agreement and their spouses must sign a Franchise Owner Agreement, the current form of which is attached as Attachment "C".

11. **TRAINING AND CONFERENCES.**

11.1 Area Representative Training. You must attend and complete our standard initial training program provided to franchisees purchasing an OHM® Fitness Studio franchise. In addition to this training, we may provide additional training for your area representative business that includes two components: franchise sales training and franchise service and support training. This training program introduces you to certain issues pertaining to the offer and sale of franchises. We will also provide you with franchise service and support training, which is designed to teach you how to evaluate, inspect and support franchisees. The initial training program will be conducted at an affiliate-owned OHM® Fitness Studio in Scottsdale, Arizona or any other location that we designate. Any individual who fails to complete the initial training program to our satisfaction must retake training until he or she completes the training to our satisfaction. The Managing Owner must successfully complete initial training within 30 days after the Effective Date and prior to soliciting, recruiting, servicing or supporting franchisees.

11.2 Ongoing Training. From time to time, we may offer refresher or additional training courses for your Managing Owner and other employees relating to the operation of your Business. Attendance at these training programs is mandatory.

11.3 Initial On-Site Training. We may, but need not, provide up to five (5) days of on-site training in your Development Territory with respect to the performance of your duties under this Agreement, including assisting you with your first "discovery day" and assisting you with providing the pre-opening support to the first franchisee that you recruit. If you request additional on-site training or you request that we provide pre-opening or post-opening support to any franchisees in your Development Territory, we may, if we choose to provide such training, require that you pay us an on-site assistance fee of up to \$1,000 per day plus reimbursement of all reasonable travel and living expenses (including food, lodging and travel) incurred by our representatives in providing such on-site training or support. Any such fees and reimbursement will be due 10 days after invoicing. Our determination of whether to provide the on-site training will be based upon our subjective assessment of your prior experience and qualifications.

11.4 Conferences. We may hold periodic national or regional conferences to discuss various business issues and operational and general business concerns affecting area representatives. We may hold these conferences separately or in conjunction with conferences for OHM® Fitness franchisees. Attendance at these conferences is mandatory. We will not require attendance at more than 1 conference during any calendar year, which conference will be in addition to any conferences required under any Franchise Agreements you sign with us.

11.5 Fees and Expenses. Except as otherwise provided in Section 11, we will not charge you any fees to attend any of our training programs or conferences. You are responsible for all food, lodging and travel costs that your Managing Owner and other Owners and employees incur while attending a training program or conference.

12. OTHER FRANCHISOR ASSISTANCE.

12.1 Manuals. We will grant you electronic access to our AR Manual, which will assist and guide you in the proper development and operation of your Business. The AR Manual is further described in Section 17.1. We may grant you electronic access to our Franchisee Manual or we may provide in hard copy format. You must ensure that all franchisees develop and operate their OHM® Fitness Studios in accordance with the Franchisee Manual.

12.2 Marketing Materials. Before you begin soliciting and recruiting prospective franchisees, we will provide you with access to certain franchise marketing materials that you may download from our intranet site. Throughout the Term, we will provide you with access to any new or updated marketing materials that we develop. We may make these materials available for download over the Internet or we may enter into an arrangement with third party suppliers to produce the materials for your purchase. Alternatively, we may require that you purchase these materials directly from us at our cost to produce them. You must also reimburse us for any shipping and handling charges that we incur to deliver the materials to you.

12.3 OHM® Fitness Website. We or an affiliate of ours will maintain the OHM® Fitness website to fulfill a variety of functions, including, without limitation, the promotion of OHM® Fitness Studios and the solicitation of the purchase of franchises. If the website generates leads for prospective franchise purchasers in your Development Territory after the date that we permit you to begin soliciting and recruiting prospective franchisees, we will refer the leads to you.

12.4 General Support. Throughout the Term, we will provide you with reasonable levels of ongoing consultation, guidance, assistance and support to enable you to market, develop and support OHM® Fitness franchises and carry out the purposes of this Agreement. On a periodic basis, we may inspect your operations and analyze reports that you submit to us and provide guidance and recommendations on ways to improve the marketing and/or operation of your Business based upon our evaluation of such inspections and reports.

13. FRANCHISE SALES AND DEVELOPMENT.

13.1 Development Obligations. You agree to solicit, screen, recruit, develop, service and support in the Development Territory not less than the cumulative number of OHM® Fitness Studios set forth on Attachment “D” (the “Development Schedule”) in the manner and within each of the time periods specified therein (the “Minimum Development Obligations”). For each calendar year, you are responsible for maintaining and supporting not less than the cumulative number of open and operating OHM® Fitness Studios specified in the Development Schedule.

13.2 Franchise Solicitations and Representations. You may not make any representation to any prospective franchisee about us, you, the franchise, or otherwise, that is: (i) misleading, incomplete, fraudulent or untrue; or (ii) contradicted by the written material provided to such prospect, including the Franchise Disclosure Document. You must ensure that all franchise marketing efforts conducted by you or under your direction are conducted in a courteous, dignified, ethical and responsible manner. You agree that no sales information, earning claims or estimates or financial performance representation will be given to prospective franchisees by you or any person under your control or supervision unless such information is contained in our Franchise Disclosure Document. Moreover, you agree that you will not provide any financial performance information to prospective franchisees regarding the operation of any OHM® Fitness Studio operated by you or your affiliates. With our prior written approval, you may hire the services of third-party brokers or lead generation companies to assist you in soliciting prospective franchisees. However, you are solely responsible for all brokerage fees and other fees you must pay these companies.

You must ensure that any representatives of these companies that speak with prospective franchisees: (i) are listed on the Receipt pages; (ii) complete and file with the appropriate state agency any required Sales Agent Disclosure Form or Franchise Seller Disclosure Form; and (iii) obtain all required licenses and broker registrations that are necessary to perform services on your behalf.

13.3 Screening Franchisees. You must screen all prospective franchisees to ensure that they meet our minimum qualifications and requirements (the “Minimum Qualifications”). We may revise the Minimum Qualifications from time to time in our sole discretion. You are required to screen and investigate all prospective franchisees to determine whether they meet the Minimum Qualifications. As part of your investigative responsibilities, you are required to review credit reports, check references and conduct background investigations, including a review of employment and criminal records and a review of any licensing or credentialing required under applicable law in order to own or operate an OHM® Fitness franchise. Before providing a copy of our Franchise Disclosure Document to a prospect, you must first obtain a completed initial application from the prospect to ensure they meet any initial qualifications that we require to be met as a condition of receiving a Franchise Disclosure Document.

13.4 Franchise Disclosure Process. You understand that it is your responsibility to be aware of and comply with all applicable laws and regulations governing the offer and sale of franchises in your Development Territory to the extent your activities are subject to these laws and regulations. Unless an exemption applies and you obtain our prior written consent, you must provide a copy of our then-current Franchise Disclosure Document to each prospective franchisee in the time and manner required by applicable law. We will provide you with our most current form of Franchise Disclosure Document for use in your Development Territory (and all modifications and updates thereto). You understand that you may be prohibited from engaging in franchise sales activity during any period of time during which we do not have an effective franchise registration or business opportunity exemption for one or more states within your Development Territory. We will use commercially reasonable efforts to avoid any lapse in any required state franchise registration or business opportunity exemption, although we will have no liability to you for any interruption in your Business caused by any lapse in such registration or exemption. If you are unable to offer franchises due to our failure to maintain a required registration or exemption, we will offer you a reasonable modification to your Development Schedule to account for delays in your ability to solicit franchises. You agree to comply with any new franchise law that applies to you during the Term, including, without limitation, any obligation for you to prepare your own Franchise Disclosure Document and/or register the franchise offering. Notwithstanding the above, we reserve the right, in our discretion, to exclusively control the franchise disclosure process and distribute our Franchise Disclosure Document to prospective franchisees.

13.5 Franchise Seller/Broker Obligations. You agree to provide us with all information that we request from time to time for purposes of preparing our Franchise Disclosure Document and filing any required Franchise Seller Disclosure Form, Sales Agent Disclosure Form, Franchise Broker Registration or other comparable report or filing required under applicable franchise laws. You agree that it is your responsibility to obtain any required franchise broker registration or license at your cost. You further agree that you will promptly notify us in writing of any material change to the information previously submitted to us and/or filed with the state pertaining to you, such as new litigation, employment or bankruptcies.

13.6 Franchise Sales. If you believe that a prospective franchisee meets our Minimum Qualifications, you must notify us of this fact. You agree to provide us with all information that we reasonably request pertaining to the applicant. We may, in our commercially reasonable judgment, refuse to sell an OHM® Fitness franchise to a prospective franchisee that meets our Minimum Qualifications, in which case we will send you a written notice setting forth the reasons for our decision. At all times, we will have the right, but not the obligation, to meet with prospective franchisees, and you agree to cooperate with us and help facilitate any such meeting.

13.7 **Company Owned Franchises.** You must sign a separate Franchise Agreement with us for each OHM® Fitness Studio that you directly own and operate. You must sign a Franchise Agreement for your first three OHM® Fitness Studios concurrently with the execution of this Agreement. We may, in our commercially reasonable judgment, permit you to establish separate affiliated companies for purposes of operating OHM® Fitness Studios, provided that each such company sign a cross guaranty and sign any other documentation that we reasonably require. If we allow you to operate an OHM® Fitness Studio through an affiliate, all references in this Agreement to “you” (with respect to the operation of the OHM® Fitness Studio) shall be modified to refer to the affiliate. Any OHM® Fitness Studio that you own and operate shall count towards satisfaction of your Minimum Development Obligations. You understand that we will not be required to provide you with any of the support or services that you are required to provide to third party franchisees under this Agreement, except in connection with your first OHM® Fitness Studio. Upon the expiration of this Agreement, you may continue to operate your OHM® Fitness Studios pursuant to the Franchise Agreements provided that you are not otherwise default under the terms of the Franchise Agreements. As an area representative, you are required to operate at least three (3) OHM® Fitness Studios for the duration of the Term, unless we agree in our sole discretion to allow you not to own and operate an OHM® Fitness Studio, or fewer than three (3) OHM® Fitness Studios.

14. **TRAINING FRANCHISEES.** We will provide the classroom portion of the initial franchise training program for each franchisee. You agree to provide any additional training that we require from time to time, including, initial on-the-job and on-site training, refresher training and advanced training. You agree to use your OHM® Fitness Studio, or an OHM® Fitness Studio owned by a franchisee in your Development Territory, as a training facility for franchisees in your Development Territory. You agree to offer any initial training programs that we require on a basis sufficient to meet your Minimum Development Obligations and comply with the opening timelines set forth in the Franchise Agreements. We may require that the franchisees attend training or conferences that we conduct, and you agree to help coordinate and facilitate any such training or conference. Upon your request and at no additional charge (except for any on-site assistance that we provide), we will provide you with ongoing guidance and assistance relating to your training obligations.

15. **SUPPORTING, SERVICING AND MONITORING FRANCHISEES.**

15.1 **Generally.** You understand that we are obligated to provide certain support functions under the terms of the Franchise Agreements and that we have entered into this Agreement with you, in part, to enable us to delegate certain support functions to you. Accordingly, you agree to provide all support functions that we reasonably request from time to time, regardless of whether we are obligated to provide such support under the Franchise Agreements. You agree to provide prompt, courteous and reliable service to the franchisees and to generally promote the OHM® Fitness brand within the Development Territory.

15.2 **Ongoing Support.** You shall provide franchisees with all assistance and services that we reasonably request from time to time in connection with: (i) site selection and lease negotiation; (ii) constructing, developing and equipping OHM® Fitness Studios; (iii) conducting grand openings and sales and marketing support; (iv) operational and quality control issues; (v) the sourcing of equipment, fixtures, furnishings, inventory and supplies; and (vi) the closure, relocation, renewal and transfer of OHM® Fitness Studios. The specific service and support functions, and the proper methods of performing such functions, may be specified in the AR Manual.

15.3 **Inspections and Enforcement.** You agree to conduct a thorough and complete evaluation of each OHM® Fitness Studio within the Development Territory on at least a semi-annual basis in accordance with the standards and procedures that we prescribe from time to time; provided, however, that you agree to conduct evaluations on a more frequent basis (as often as may reasonably be necessary or

prudent) with respect to any OHM® Fitness Studio that is underperforming or in default. In connection with such evaluations, you will prepare and submit to us reports containing all information that we reasonably require within the period of time that we specify (“Evaluation Reports”). We may prescribe the form of Evaluation Report that you will use, including grading for each evaluation and information for the development of a plan to improve operations based on the results of the evaluation. You must ensure that all OHM® Fitness Studios operating your Development Territory achieve satisfactory grades on their Evaluation Reports. You agree to assist us with our enforcement of the provisions of the Franchise Agreements against franchisees that fail to comply with their obligations under such agreements.

15.4 Material Communications. You agree to send us copies of all correspondence and other communications between you and the franchisees relating to (i) any breach or alleged breach of the terms or conditions of a Franchise Agreement, (ii) the potential termination or expiration of a Franchise Agreement and (iii) any other communication that is material to the franchise relationship (collectively, “Material Communications”). You agree to prepare a written memorandum of all verbal Material Communications (which may be in the form of an e-mail). You agree to send us all Material Communications, or written memoranda thereof, within five (5) days after such Material Communication is made to or from the franchisee.

16. **MARKETING.**

16.1 Generally. You agree to participate in all promotional and marketing activities that we require from time to time at your cost. Without limiting the generality of the foregoing, you may be required to establish, maintain and administer a regional advertising program or facilitate the establishment of regional advertising cooperatives for the benefit of all franchisees within a particular region. All advertisements and promotions that you create, or use must be completely factual and conform to the highest standards of ethical advertising and comply with all federal, state and local laws. You must ensure that your advertisements and promotional materials do not infringe upon the intellectual property rights of others. On an annual basis, you must develop and submit to us upon request a marketing plan for the development of your Development Territory for the ensuing 12-month period, including a reasonable budget for anticipated expenditures to be incurred in the execution of such marketing plan. You are required to spend a minimum of \$1,500 per month to market the franchise opportunity.

16.2 Approval of Advertising. Before you use them, we must approve all advertising and promotional materials that we did not prepare or previously approve (including materials that we prepared or approved, and you or a franchisee modifies). We will be deemed to have approved the materials if we fail to issue our disapproval within 14 days after receipt. You may not use any advertising or promotional materials that we have disapproved (including materials that we previously approved and later disapprove). Similarly, you must ensure that all advertising materials used by franchisees within the Development Territory are approved by us prior to use in accordance with the terms of the Franchise Agreements.

16.3 Online Marketing and Website. You may not maintain your own website or solicit franchisees on the Internet or on any social media site or through any other electronic, mobile or digital device, method or system without our prior approval. Specifically, you may not maintain a website, conduct e-commerce, or otherwise maintain a presence or advertise on the Internet or any other public computer network (including social network services and social media sites such as Facebook, Twitter and LinkedIn) in connection with your Business except as we specifically approve or require. We may impose mandatory marketing requirements that involve the use of the Internet or social media sites from time to time, including the use of micro-sites that you will administer in accordance with our policies and other requirements. If we do so, you agree to comply with all policies and procedures we specify from time to time. If we allow you to operate a micro-site or other website, we will own your domain name and associated URLs at all times.

You may not apply for or acquire any domain name or URL that includes any of the Marks without our prior written consent. You agree to comply with any social media policy that we may develop.

17. OPERATING STANDARDS.

17.1 Area Representative Manual. We may provide you with mandatory instructions and/or optional recommendations relating to the specific methods, policies, procedures and quality standards by which you will perform your obligations under this Agreement and assist us with the administration of the Franchise System within the Development Territory. We may also provide you with guidance on the legalities associated with offering and selling franchises, although you remain solely responsible for legal compliance and hiring your own attorney to advise you on these issues. Any such information, regardless of form (including written or electronic materials, videos, tutorials, training modules, pictures, recordings, etc.) shall be deemed part of and referred to as the “AR Manual,” which shall be binding on you. You agree to comply with all mandatory provisions of the AR Manual, while recognizing that any personnel policies or procedures which are made available in the AR Manual are for your personal use and are not mandatory. The AR Manual may contain, among other things, policies and procedures, legal compliance topics, service and support functions, training requirements, sourcing requirements and supplier information, reporting and accounting requirements, marketing and promotional requirements, brand enforcement requirements, and any other information that we deem relevant and that is not inconsistent with the terms of this Agreement. The AR Manual may also include online training programs. You understand that we have the right to modify the Franchise System from time to time and that the flexibility to make such modifications is critical to the success of the Franchise System. Accordingly, you agree that we may modify the AR Manual from time to time and you agree to comply with all such modifications.

17.2 Standards of Operation. You agree to: (i) comply with the uniform standards that we establish from time to time; and (ii) require all franchisees in the Development Territory to comply with such standards. You agree to implement and support the Operating System in the Development Territory so as to maintain and enhance uniform standards and operations throughout the entire Franchise System. You agree to give prompt, courteous and efficient service, and to be governed by the highest ethical standards of fair dealing and honesty when dealing with the public and all existing and prospective franchisees in order to preserve and enhance the identity, reputation and goodwill built by the Operating System and the value of the Marks.

17.3 Authorized Goods and Services. You agree to provide franchisees with all goods and services and engage in all related activities that we require from time to time in our commercially reasonable discretion. You may not offer or provide any other goods or services or engage in any other activities in connection with your Business without our prior written permission. We may, without obligation to do so, modify the services you are authorized to provide, and you must do the same upon notice from us.

17.4 Suppliers and Purchases.

(a) Required Purchases. You agree to purchase or lease all products, supplies, equipment and other items specified in the AR Manual from time to time. The foregoing items must be obtained by you prior to commencing operation of the Business (and must be replaced on an as needed basis) and must be maintained in good working order throughout the Term.

(b) Equipment Maintenance and Changes. You agree to maintain all equipment used in connection with the Business in good condition. You shall promptly replace or repair any equipment that is damaged, worn-out or obsolete. Upon our request, you agree to replace, repair or change your equipment within the time periods that we reasonably prescribe. You understand that we may require substantial changes to your equipment, which may require you to make significant additional investments.

(c) Software and Technology. You must purchase or license, as applicable, and utilize all software and technology that we specify from time to time. We can change the software or technology you must use at any time. At any time, we may also develop proprietary software or technology that must be used by all of our area representatives. If this occurs, you agree to enter into a license agreement with us (or an affiliate of ours) and pay us (or our affiliate) commercially reasonable licensing, support and maintenance fees. The terms of the license agreement will govern the terms pursuant to which you may utilize this software or technology. We also reserve the right to enter into a master software or technology license agreement with a third-party licensor and then sublicense the software or technology to you, in which case we may charge you for all amounts that we must pay to the licensor based on your use of the software or technology plus a reasonable administrative. All fees and costs referenced in this Section shall be due and payable within 10 days after invoicing or as we otherwise specify from time to time.

(d) Suppliers. To enable us to control the quality and consistency of items and/or services used, sold, displayed or distributed in OHM® Fitness Studios and to protect the confidentiality of our trade secrets, you agree to ensure that all source restricted goods and services used, sold, displayed, or distributed in OHM® Fitness Studios are purchased from only those sources designated or approved by us from time to time. We may also require that you purchase certain items from approved or designated suppliers. All current designated and approved suppliers are identified in the AR Manual (for your source restricted purchases) or the Franchisee Manual (for source restricted purchases made by OHM® Fitness franchisees). If you wish to purchase or lease, or allow franchisees to purchase or lease, any such items from a non-approved supplier, you must send us a written notice specifying the supplier's name and qualifications and provide any additional information that we request. We will approve or reject your request within 30 days after we receive your notice and all additional information (and samples) that we require. We shall be deemed to have rejected your request if we fail to issue our approval within the 30-day period. We may, at our option, re-inspect the facilities and products of any approved supplier and revoke our approval upon the supplier's failure to meet any of our then current minimum standards and specifications. We may require that you reimburse us for all costs that we incur in reviewing a supplier and/or product that you propose.

18. **ADVISORY COUNCIL.** We may, but need not, create an area representative advisory council to provide us with suggestions to improve the Franchise System and the method of operation of area representatives. We will consider all suggestions from the advisory council in good faith, but we are not bound by any such suggestions. The advisory council would be established and operated according to rules and regulations we periodically approve, including procedures governing the selection of representatives of the advisory council who will communicate with us on matters raised by the advisory council. You would have the right to be a member of the advisory council as long as you are not in default under this Agreement and you do not act in a disruptive, abusive or counterproductive manner, as determined by us in our discretion. As a member, you would be entitled to all voting rights and privileges granted to other members of the council. Each member would be granted one (1) vote on all matters on which members are authorized to vote.

19. **RESTRICTIVE COVENANTS.**

19.1 Reason for Covenants. You acknowledge that the Intellectual Property and the training and assistance that we provide would not be acquired except through implementation of this Agreement. You also acknowledge that competition by you, the Owners or persons associated with you, or the Owners (including family members) could seriously jeopardize the entire Franchise System and Operating System because you and the Owners have received an advantage through knowledge of our day-to-day operations and Know-how related to the Franchise System and Operating System. Accordingly, you and the Owners agree to comply with the covenants described in this Section to protect the Intellectual Property, our Franchise System and our Operating System.

19.2 Our Know-how. You and the Owners agree: (i) neither you nor any Owner will use the Know-how in any business or capacity other than the operation of your Business pursuant to this Agreement and the operation of a OHM® Fitness Studio pursuant to a Franchise Agreement; (ii) you and the Owners will maintain the confidentiality of the Know-how at all times; (iii) neither you nor any Owner will make unauthorized copies of documents containing any Know-how; (iv) you and the Owners will take all reasonable steps that we require from time to time to prevent unauthorized use or disclosure of the Know-how; and (v) you and the Owners will stop using the Know-how immediately upon the expiration, termination or Transfer of this Agreement (except to the extent you are authorized to use the Intellectual Property pursuant to a Franchise Agreement that continues in good standing subsequent to the expiration, termination or Transfer of this Agreement), and any Owner who ceases to be an Owner before the expiration, termination or Transfer of this Agreement will stop using the Know-how immediately at the time he or she ceases to be an Owner.

19.3 Unfair Competition During Term. You and your Owners agree not to unfairly compete with us during the Term or any renewal term by engaging in any of the following activities (“Prohibited Activities”): (i) owning, operating or having any other interest (as an owner, partner, director, officer, employee, manager, consultant, shareholder, creditor, representative, agent or in any similar capacity) in any Competitive Business, other than owning an interest of five percent (5%) or less in a publicly traded company that is a Competitive Business; (ii) diverting or attempting to divert any business from us (or one of our affiliates or franchisees); or (iii) inducing (a) any of our employees or managers (or those of our affiliates or franchisees) to leave their position, (b) any customer of ours (or of one of our affiliates or franchisees) to transfer their business to you or to any other person that is not then a franchisee of ours or (c) any franchisee or area representative of ours to leave the OHM® Fitness system.

19.4 Unfair Competition After Term. During the Post-Term Restricted Period, you and your Owners agree not to engage in any Prohibited Activities. Notwithstanding the foregoing, you and your Owners may have an interest in a Competitive Business during the Post-Term Restricted Period as long as the Competitive Business is not located within and does not provide competitive goods or services from any site that is located within, the Development Territory. If you or an Owner engage in a Prohibited Activity during the Post-Term Restricted Period (other than having an interest in a Competitive Business that is permitted under this Section), then the Post-Term Restricted Period applicable to you or the non-compliant Owner, as applicable, shall be extended by the period of time during which you or the non-compliant Owner, as applicable, engaged in the Prohibited Activity.

19.5 Employees and Others Associated with You. You must ensure that all of your employees, officers, directors, partners, members, independent contractors and other persons associated with you or your Business who have access to any of our Know-how sign and send us a Confidentiality Agreement before having access to our Know-how. You must use your best efforts to ensure that these individuals comply with the terms of the Confidentiality Agreements, and you must immediately notify us of any breach that comes to your attention. You agree to reimburse us for all reasonable expenses that we incur in enforcing a Confidentiality Agreement, including reasonable attorneys’ fees and court costs.

19.6 Covenants Reasonable. You and the Owners acknowledge and agree that: (i) the terms of this Agreement are reasonable both in time and in scope of geographic area; (ii) our use and enforcement of covenants similar to those described above with respect to other OHM® Fitness franchisees and area representatives benefits you and the Owners in that it prevents others from unfairly competing with you; and (iii) you and the Owners have sufficient resources and business experience and opportunities to earn an adequate living while complying with the terms of this Agreement. **YOU AND THE OWNERS HEREBY WAIVE ANY RIGHT TO CHALLENGE THE TERMS OF THIS SECTION 19 AS BEING OVERLY BROAD, UNREASONABLE OR OTHERWISE UNENFORCEABLE.**

19.7 Breach of Covenants. You and the Owners agree that failure to comply with the terms of this Section 19 will cause substantial and irreparable damage to us and/or other OHM® Fitness franchisees and area representatives for which there is no adequate remedy at law. Therefore, you and the Owners agree that any violation of the terms of this Section 19 will entitle us to injunctive relief. We may apply for such injunctive relief, without bond, but upon due notice, in addition to such further and other relief as may be available at equity or law, and the sole remedy of yours, in the event of the entry of such injunction, will be the dissolution of such injunction, if warranted, upon hearing duly held (all claims for damages by reason of the wrongful issuance of any such injunction being expressly waived hereby). If a court requires the filing of a bond notwithstanding the preceding sentence, the Parties agree that the amount of the bond shall not exceed \$1,000. None of the remedies available to us under this Agreement are exclusive of any other, but may be combined with others under this Agreement, or at law or in equity, including injunctive relief, specific performance and recovery of monetary damages. Any claim, defense or cause of action that you or an Owner may have against us, regardless of cause or origin, cannot be used as a defense against our enforcement of this Section 19.

20. YOUR OTHER RESPONSIBILITIES.

20.1 Reports and Records.

(a) (a) Books and Records. You agree to prepare and maintain at your office full, complete and accurate books, records, accounts and tax returns pertaining to the Business throughout the Term and for a period of at least five (5) years thereafter. Without limiting the generality of the foregoing, the books and records must contain all reports that the franchisees are required to provide to you, copies of all correspondence between you and the franchisees, all Evaluation Reports, Material Communications and any other information specified in the AR Manual. Within seven (7) days of our request, you agree to provide us with copies of any of your books or records that we request.

(b) (b) Periodic Reports. You agree to prepare all reports that we request in the form and manner that we specify. You agree to send us a copy of any report required by this Section upon request. If we require that you purchase a computer system that allows us to electronically retrieve information concerning the operations of your Business, you agree that we will have the right to electronically poll your computer to retrieve and compile information regarding your operations at any time and without notice.

(c) (c) Financial Statements. Within 90 days after the end of each calendar year, you must prepare a balance sheet for your Business (as of the end of the calendar year) and an annual statement of profit and loss and source and application of funds. Annual financial statements must be: (i) verified and signed by you certifying to us that the information is true, complete, and accurate; and (ii) submitted in any format that we reasonably require. We have the right to require that your financial statements be audited by a certified public accountant if you have previously submitted to us materially inaccurate financial statements. You agree to send us a copy of any financial statement required by this Section upon request. You authorize us to disclose the financial statements, reports, and operating data to prospective franchisees, regulatory agencies and others at our discretion, provided the disclosure is not prohibited by applicable law.

20.2 Compliance with Laws. You agree to perform all activities contemplated or authorized under this Agreement, the Franchise Agreements or otherwise, in compliance with all applicable laws, rules and regulations. Without limiting the generality of the foregoing, in connection with your solicitation of franchisees, you shall comply with, and conduct all franchise promotion, advertising, and other activities in accordance with, all applicable franchise laws regulating the offer and sale of franchises or the relationship between franchisors and franchisees. You must notify us of any changes to these laws that you become

aware of. You understand that it is your responsibility to identify and comply with these laws. You agree to secure and maintain in force all required licenses, permits and bonding relating to the operation of your Business.

20.3 Insurance. For your protection and ours, you agree to maintain the following insurance policies: (i) “all risk” property insurance coverage on all assets, including inventory, furniture, fixtures, equipment, supplies and other property used in the operation of your Business, which must include coverage for fire, vandalism and malicious mischief and have coverage limits of at least full replacement cost; (ii) comprehensive general liability insurance against claims for bodily and personal injury, death and property damage caused by or occurring in conjunction with the operation of your Business, containing minimum liability protection of \$1,000,000 combined single limit per occurrence, and \$2,000,000 in the aggregate; (iii) errors and omission insurance, containing minimum liability protection of \$1,000,000 combined single limit per occurrence, and \$2,000,000 in the aggregate; (iv) worker’s compensation insurance and employer’s liability insurance as required by law; and (v) any other insurance that we specify in the AR Manual from time to time. You agree to provide us with proof of coverage on demand. You agree to obtain these insurance policies from insurance carriers that are rated A or better by Alfred M. Best & Company, Inc. and that are licensed and admitted in the state in which your Business is operated. All insurance policies must be endorsed to: (i) name us (and our members, officers, directors, and employees) as additional insureds; (ii) contain a waiver by the insurance carrier of all subrogation rights against us; and (iii) provide that we receive 10 days’ prior written notice of the termination, expiration, cancellation or modification of the policy. If any of your policies fail to meet these criteria, then we may disapprove the policy and you must immediately find additional coverage with an alternative carrier satisfactory to us. Upon 10 days’ notice to you, we may increase the minimum protection requirement as of the renewal date of any policy and require different or additional types of insurance at any time, including excess liability (umbrella) insurance, to reflect inflation, identification of special risks, changes in law or standards or liability, higher damage awards or other relevant changes in circumstances. If you fail to maintain any required insurance coverage, we have the right to obtain the coverage on your behalf (which right shall be at our option and in addition to our other rights and remedies in this Agreement), and you must promptly sign all applications and other forms and instruments required to obtain the insurance and pay to us, within 10 days after invoicing, all costs and premiums that we incur.

21. **INSPECTIONS AND AUDITS.**

21.1 Inspections. To ensure compliance with this Agreement, we or our representatives will have the right to enter your area representative office, evaluate your operations and inspect or examine your books, records, accounts and tax returns. Our evaluation may include, among other things: (i) monitoring your provision of services to and interactions with franchisees; (ii) contacting your employees; and (iii) contacting franchisees in your Development Territory to discuss their satisfaction with the services provided by you or to discuss any other matter that we deem appropriate. We may conduct our evaluation at any reasonable time and without prior notice. During the course of our inspections, we and our representatives will use reasonable efforts to minimize our interference with the operation of your Business, and you and your employees will cooperate and not interfere with our inspection. You consent to us accessing your computer system and retrieving any information that we deem appropriate in conducting the inspection.

21.2 Audit. We have the right, at any time, to have an independent audit made of your books and financial records. You agree to fully cooperate with us and any third parties that we hire to conduct the audit. Any audit will be performed at our cost and expense unless (i) the audit reveals a material default by you or (ii) the audit is required due to your failure to provide us with a required report or financial statement, in which case you must reimburse us for the cost of the audit or inspection, including without limitation, reasonable accounting and attorneys’ fees and travel and lodging expenses that we or our representatives incur. The audit cost reimbursements and late report fee, if applicable, will be due 10 days after invoicing.

22. INTELLECTUAL PROPERTY.

22.1 Ownership and Use of Intellectual Property. You acknowledge that: (i) we and our affiliates are the sole and exclusive owners (or in some cases licensors) of the Intellectual Property and the goodwill associated with the Marks; (ii) your right to use the Intellectual Property is derived solely from this Agreement (except for any right to use Intellectual Property authorized by a Franchise Agreement); and (iii) your right to use the Intellectual Property is limited to a license granted by us to operate your Business during the Term pursuant to, and only in compliance with, this Agreement, the AR Manual, and all applicable standards, specifications and operating procedures that we prescribe from time to time. You may not use any of the Intellectual Property in connection with the sale of any unauthorized product or service or in any other manner not expressly authorized by us. Any unauthorized use of the Intellectual Property constitutes an infringement of our and our affiliates' rights. You agree to comply with all provisions of the AR Manual governing your use of the Intellectual Property. This Agreement does not confer to you any goodwill, title or interest in any of the Intellectual Property.

22.2 Changes to Intellectual Property. We have the right to modify the Intellectual Property at any time in our sole discretion, including by changing the Marks, the Operating System, the Franchise System, the Copyrights and/or the Know-how. If we modify or discontinue use of any of the Intellectual Property, then you must comply with any such instructions from us within 30 days at your expense. We will not be liable to you for any expenses, losses or damages that you incur (including the loss of any goodwill associated with a Mark) because of any addition, modification, substitution or discontinuation of the Intellectual Property and you waive all claims related thereto.

22.3 Use of Marks. You agree to use the Marks as the sole identification of your Business; provided, however that you must identify yourself as the independent owner of your Business in the manner that we prescribe. You may not use any Marks in any modified form or as part of any corporate or trade name or with any prefix, suffix, or other modifying words, terms, designs or symbols (other than logos licensed to you by this Agreement). You agree to: (i) prominently display the Marks on or in connection with any media advertising, promotional materials, posters and displays, receipts, stationery and forms that we designate and in the manner that we prescribe to give notice of trade and service mark registrations and copyrights; and (ii) obtain any fictitious or assumed name registrations required under applicable law. You may not use the Marks in signing any contract, lease, mortgage, check, purchase agreement, negotiable instrument or other legal obligation or in any manner that is likely to confuse or result in liability to us for any indebtedness or obligation of yours. You may not use our Marks together with the trademarks, service marks, logos or commercial symbols of any other brand without our prior written consent.

22.4 Use of Know-how. We will disclose the Know-how to you in the initial training program, the AR Manual, the Franchisee Manual and in other guidance furnished to you during the Term. You agree that you will not acquire any interest in the Know-how other than the right to utilize it in strict accordance with the terms of this Agreement in the development and operation of your Business. You acknowledge that the Know-how is proprietary and is disclosed to you solely for use in the development and operation of your Business during the Term.

22.5 Improvements. If you conceive of or develop any improvements or additions to the Franchise System, the Operating System, the goods or services offered, or the method of operation of, an OHM® Fitness Studio or area representative business, or any advertising or promotional ideas related thereto (collectively, "Improvements"), you agree to promptly and fully disclose the Improvements to us without disclosing the Improvements to others. You must obtain our approval prior to using any such Improvements. Any Improvement that we approve may be used by us and any third parties that we or our affiliates authorize to operate an OHM® Fitness Studio or area representative business, without any obligation to pay you royalties or other fees. You must assign to us or our designee, without charge, all rights

to any such Improvement, including the right to grant sublicenses. In return, we will authorize you to use any Improvements that we or other franchisees or area representatives develop that we authorize for general use in connection with the operation of an OHM® Fitness Studio or area representative business.

22.6 Notification of Infringements and Claims. You must immediately notify us of any: (i) apparent infringement of any of the Intellectual Property; (ii) challenge to your, or a franchisee's, use of any of the Intellectual Property; or (iii) claim by any person of any rights in any of the Intellectual Property. You may not communicate with any person other than us and our counsel in connection with any such infringement, challenge or claim. We will have sole discretion to take such action as we deem appropriate. We have the right to exclusively control any litigation, Patent and Trademark Office proceeding, or other proceeding arising out of any such infringement, challenge or claim. You agree to execute any and all instruments and documents, render such assistance, and do such acts and things as may, in the opinion of our counsel, be necessary or advisable to protect and maintain our interest in any such litigation, Patent and Trademark Office proceeding or other proceeding, or to otherwise protect and maintain our interest in the Intellectual Property.

23. **INDEMNITY.** You agree to indemnify the Indemnified Parties and hold them harmless for, from and against any and all Losses and Expenses incurred by any of them as a result of or in connection with any of the following: (i) the establishment, development, marketing or operation of your Business; (ii) the solicitation of franchises, including, but not limited to, improper disclosure or alleged misrepresentations by you or your agents, by statement or omission, in connection with the solicitation of a franchise (except if the only alleged misrepresentation relates to a material fact that we provided to you or that we incorporated into our Franchise Disclosure Document without input from you); or (iii) your performance and/or breach of any of your obligations under this Agreement. The Indemnified Parties shall have the right, in their sole discretion to: (i) retain counsel of their own choosing to represent them with respect to any Claim; and (ii) control the response thereto and the defense thereof, including the right to enter into an agreement to settle such Claim. You may participate in such defense at your own expense. You agree to give your full cooperation to the Indemnified Parties in assisting the Indemnified Parties with the defense of any such Claim, and to reimburse the Indemnified Parties for all of their costs and expenses in defending any such Claim, including court costs and reasonable attorneys' fees, within 10 days of the date of each invoice delivered by such Indemnified Party to you enumerating such costs, expenses and attorneys' fees.

Provided that you are not in default under this Agreement or any other agreement with us, we will indemnify you and your Owners and employees and hold them harmless for, from and against any and all Losses and Expenses incurred by any of them as a result of or in connection with any Claim asserted against you, your Owners and/or employees based upon: (i) the violation of any franchise law caused by materially misleading information that we included in our Franchise Disclosure Document (without input from you) that is provided to a third party franchisee in your Development Territory; (ii) our breach of any material term of a Franchise Agreement that we enter into with a third party franchisee located in your Development Territory; or (iii) the violation of any third party's intellectual property rights based upon your use of our Marks in strict compliance with the terms of this Agreement, the Franchisee Manual and the AR Manual. You must promptly notify us of any such Claim and fully cooperate with us in the defense of such Claim.

24. **TRANSFERS.**

24.1 By Us. This Agreement and the franchise are fully assignable by us (without prior notice to you) and shall inure to the benefit of any assignee(s) or other legal successor(s) to our interest in this Agreement, provided that we shall, subsequent to any such assignment, remain liable for the performance of our obligations under this Agreement up to the effective date of the assignment. We may also delegate some or all of our obligations under this Agreement to one or more persons without assigning the

Agreement and/or we may hire third party consultants or other service providers to perform some of our obligations under this Agreement.

24.2 By You. You understand that the rights and duties created by this Agreement are personal to you and the Owners and that we have granted the area representative franchise in reliance upon the individual or collective character, skill, aptitude, attitude, business ability and financial capacity of you and your Owners. Therefore, neither you nor any Owner may engage in any Transfer other than a Permitted Transfer without our prior written approval. Any Transfer (other than a Permitted Transfer) without our approval shall be void and constitute a breach of this Agreement. We will not unreasonably withhold our approval of any proposed Transfer, provided that the following conditions are all satisfied:

(i) the proposed transferee is, in our opinion, an individual of good moral character, who has sufficient business experience, qualifications, credentials, aptitude and financial resources to own and operate a representative business and meets all of our other then-applicable standards for area representatives;

(ii) you and your Owners are in full compliance with the terms of this Agreement and all other agreements with us or our affiliate (including any Franchise Agreement that you sign with us);

(iii) all of the owners of the transferee have successfully completed, or made arrangements to attend, the initial training program;

(iv) the transferee and its owners and employees, to the extent necessary, have obtained all licenses and permits required by applicable law in order to own and operate the area representative business;

(v) the transferee and its owners sign our then current form of area representative agreement (unless we, in our sole discretion, instruct you to assign this Agreement to the transferee), except that: (a) the Term and renewal term(s) shall be the Term and renewal term(s) remaining under this Agreement; and (b) the transferee need not pay a separate development fee;

(vi) you or the transferee pay us a \$10,000 transfer fee to defray expenses that we incur in connection with the Transfer;

(vii) you and your Owners sign a General Release for all claims arising before or contemporaneously with the Transfer;

(viii) unless we agree to the contrary, you assign all Franchise Agreements you have entered into with us to the same transferee (or at our option, the transferee signs our then-current form of Franchise Agreement for each transferred franchise), and you comply with all of the conditions for transfer set forth in such Franchise Agreements;

(ix) you enter into an agreement with us to subordinate the transferee's obligations to you to the transferee's financial obligations owed to us pursuant to the area representative agreement;

(x) we do not elect to exercise our right of first refusal described in Section 24.5; and

(xi) you or the transferring Owner, as applicable, and the transferee have satisfied any other conditions we reasonably require as a condition to our approval of the Transfer.

Our consent to a Transfer shall not constitute a waiver of any claims we may have against the transferor, nor shall it be deemed a waiver of our right to demand exact compliance with any of the terms or conditions of the franchise by the transferee.

24.3 Permitted Transfers. You may engage in a Permitted Transfer without our prior approval, but you must give us at least 10 days' prior written notice. You and the Owners (and the transferee) agree to sign all documents that we reasonably request to effectuate and document the Permitted Transfer.

24.4 Death or Disability of an Owner. Upon the death or permanent disability of an Owner, the Owner's ownership interest in you or the franchise, as applicable, must be assigned to another Owner or to a third party approved by us within 180 days. Any assignment to a third party will be subject to all of the terms and conditions of Section 24.2. For purposes of this Section, an Owner is deemed to have a "permanent disability" only if the person has a medical or mental problem that prevents the person from substantially complying with his or her obligations under this Agreement or otherwise operating the Business in the manner required by this Agreement and the AR Manual for a continuous period of at least three (3) months.

24.5 Our Right of First Refusal. If you or an Owner desire to engage in a Transfer, you or the Owner, as applicable, must obtain a bona fide, signed written offer from the fully disclosed purchaser and submit an exact copy of the offer to us. We will have 30 days after receipt of the offer to decide whether we will purchase the interest in your Business or the ownership interest in you for the same price and upon the same terms contained in the offer (however, we may substitute cash for any form of payment proposed in the offer). If we notify you that we intend to purchase the interest within the 30-day period, you or the Owner, as applicable, must sell the interest to us. We will have at least an additional 30 days to prepare for closing. We will be entitled to receive from you or the Owner, as applicable, all customary representations and warranties given by you as the seller of the assets or the Owner as the seller of the ownership interest or, at our election, the representations and warranties contained in the offer. If we do not exercise our right of first refusal, you or the Owner, as applicable, may complete the Transfer to the purchaser pursuant to and on the terms of the offer, subject to the requirements of Section 24.2 (including our approval of the transferee). However, if the sale to the purchaser is not completed within 120 days after delivery of the offer to us, or there is a material change in the terms of the sale, we will again have the right of first refusal specified in this Section. Our right of first refusal in this Section shall not apply to any Permitted Transfer.

25. **TERMINATION.**

25.1 By You. You may terminate this Agreement if we materially breach this Agreement and fail to cure the breach within 90 days after you send us a written notice specifying the nature of the breach. If you terminate this Agreement, you must still comply with your post-termination obligations described in Section 19 and all other obligations that survive the expiration or termination of this Agreement.

25.2 Termination By Us Without Cure Period. We may, in our sole discretion, terminate this Agreement upon five (5) days' written notice, without opportunity to cure, for any of the following reasons, all of which constitute material events of default under this Agreement:

(i) if you become insolvent by reason of your inability to pay your debts as they become due or you file a voluntary petition in bankruptcy or any pleading seeking any reorganization, liquidation, dissolution or composition or other settlement with creditors under any law, or are the subject of an involuntary bankruptcy (which may or may not be enforceable under the Bankruptcy Act of 1978);

(ii) if your Business, or a substantial portion of the assets associated with your business, are seized, taken over or foreclosed by a government official in the exercise of his or her duties,

or seized, taken over or foreclosed by a creditor, lienholder or lessor; or a final judgment against you remains unsatisfied for 30 days (unless a supersedes or other appeal bond has been filed); or a levy of execution has been made upon the license granted by this Agreement or upon any property used in your Business, and it is not discharged within five (5) days of the levy;

(iii) if a regulatory authority suspends or revokes a license or permit held by you or an Owner that is required to operate the Business and you fail to overturn the suspension or revocation within 30 days;

(iv) if you or an Owner (a) is convicted of or pleads no contest to a felony, a crime involving moral turpitude or any other material crime or (b) is subject to any material administrative disciplinary action or (c) fails to comply with any material federal, state or local law or regulation applicable to your Business;

(v) if you or an Owner commits an act that can reasonably be expected to adversely affect the reputation of the Franchise System or the Operating System or the goodwill associated with the Marks;

(vi) if you or an Owner make any material misrepresentation to us, whether occurring before or after being granted the franchise;

(vii) if your Managing Owner ceases to actively manage the Business for any reason and you fail to find an approved substitute Managing Owner that successfully completes our training program within 90 days after the Managing Owner ceases active management or supervision;

(viii) if you fail to pay any amount owed to us or an affiliate of ours within 10 days after receipt of a demand for payment;

(ix) if you or an Owner makes an unauthorized Transfer;

(x) if you fail to satisfy any of your Minimum Development Obligations;

(xi) if you or an Owner breach any of the restrictive covenants described in Section 19;

(xii) if you or an Owner makes an unauthorized use of the Intellectual Property;

(xiii) if you breach this Agreement three (3) or more times during any 12-month period, regardless of whether such breaches are cured; or

(xiv) if we terminate any other agreement between you (or an affiliate of yours) and us (including a Franchise Agreement) or if any affiliate of ours terminates any agreement between you (or an affiliate of yours) and our affiliate because of your default.

25.3 Additional Conditions of Termination. In addition to our termination rights in Section 25.2, we may, in our sole discretion, terminate this Agreement upon 30 days' written notice if you or an Owner fail to comply with any other provision of this Agreement (including any mandatory provision in the AR Manual) or any other agreement with us, unless such default is cured, as determined by us in our sole discretion, within such 30-day notice period. If we deliver a notice of default to you pursuant to this Section 25.3, we may suspend performance of any of our obligations under this Agreement (including payment of commissions) until you fully cure the breach.

25.4 Mutual Agreement to Terminate. If you and we mutually agree in writing to terminate this Agreement, you and we will be deemed to have waived any required notice period.

26. **POST-TERM OBLIGATIONS.** After the termination, expiration or Transfer of this Agreement, you and the Owners agree to:

(i) immediately cease using the Intellectual Property (except to the extent authorized by a Franchise Agreement that remains in good standing subsequent to the termination, expiration or Transfer of this Agreement);

(ii) pay us all amounts that you owe us;

(iii) comply with all covenants described in Section 19 that apply after the expiration, termination or Transfer of this Agreement or the disposal of an ownership interest by an Owner;

(iv) return all copies of the AR Manual and Franchisee Manual, or any portions thereof, as well as all signs, sign faces, brochures, advertising and promotional materials, forms, and any other materials bearing or containing any of the Marks, Copyrights or other identification relating to an OHM® Fitness Studio or area representative business, unless we allow you to transfer such items to an approved transferee;

(v) take such action as may be required to cancel all fictitious or assumed names or equivalent registrations relating to your use of any of the Marks;

(vi) provide us with a copy of all of your files and information pertaining to former, existing and prospective franchisees;

(vii) notify all telephone companies, listing agencies and domain name registration companies (collectively, the "Agencies") of the termination or expiration of your right to use: (a) the telephone numbers and/or domain names, if applicable, related to the operation of your Business; and (b) any regular, classified or other telephone directory listings associated with the Marks (you hereby authorize the Agencies to transfer such telephone numbers, domain names and listings to us and you authorize us, and appoint us and any officer we designate as your attorney-in-fact to direct the Agencies to transfer the telephone numbers, domain names and listings to us if you fail or refuse to do so); and

(viii) provide us with satisfactory evidence of your compliance with the above obligations within 30 days after the effective date of the termination, expiration or Transfer of this Agreement.

27. **DISPUTE RESOLUTION.** The Parties agree to submit any claim, dispute or disagreement, including any matter pertaining to the interpretation of this Agreement or issues relating to the offer and sale of the franchise or the relationship between the Parties (a "Dispute") to mediation before a mutually-agreeable mediator prior to litigation, unless the Dispute involves an alleged breach of Section 19 or Section 22. Any mediation shall take place in the county in which we maintain our principal place of business at the time the mediation begins (currently, Maricopa County, Arizona). If the Dispute is not successfully resolved by mediation within 90 days after either party makes a demand for mediation or the Dispute involves an alleged breach of an alleged breach of Section 19 or Section 22, either party may file a lawsuit in any state or federal court of general jurisdiction in the county in which we maintain our principal place of business at the time the lawsuit is filed (currently, Maricopa County, Arizona) and we and you irrevocably submit to the jurisdiction of such courts and waive any objection either of us may have to either the jurisdiction or venue of such courts. If we or you must enforce this Agreement in a judicial proceeding,

the substantially prevailing party will be entitled to reimbursement of its costs and expenses, including reasonable accounting and legal fees. In addition, if you breach any term of this Agreement or any other agreement with us or an affiliate of ours, you agree to reimburse us for all reasonable legal fees and other expenses we incur relating to such breach, regardless of whether the breach is cured prior to the commencement of any dispute resolution proceedings. **UNLESS PROHIBITED BY APPLICABLE LAW, ANY DISPUTE (OTHER THAN FOR PAYMENT OF MONIES OWED, FAILURE TO MEET THE DEVELOPMENT SCHEDULE OR A VIOLATION OF SECTION 19 OR SECTION 22) MUST BE BROUGHT BY FILING A WRITTEN DEMAND FOR ARBITRATION (OR IF PERMITTED, LITIGATION) WITHIN ONE (1) YEAR FOLLOWING THE CONDUCT, ACT OR OTHER EVENT OR OCCURRENCE GIVING RISE TO THE CLAIM, OR THE RIGHT TO ANY REMEDY WILL BE DEEMED FOREVER WAIVED AND BARRED. THE PARTIES IRREVOCABLY WAIVE: (i) TRIAL BY JURY; AND (ii) THE RIGHT TO ARBITRATE OR LITIGATE ON A CLASS ACTION BASIS, IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER OF THE PARTIES.**

28. **YOUR REPRESENTATIONS.** YOU HEREBY REPRESENT THAT: (i) YOU HAVE NOT RECEIVED OR RELIED UPON ANY WARRANTY OR GUARANTEE, EXPRESS OR IMPLIED, AS TO THE POTENTIAL VOLUME, PROFITS OR SUCCESS OF THE BUSINESS CONTEMPLATED BY THIS AGREEMENT, EXCEPT FOR ANY INFORMATION DISCLOSED IN THE FRANCHISE DISCLOSURE DOCUMENT; (ii) YOU HAVE NO KNOWLEDGE OF ANY REPRESENTATIONS BY US OR ANY OF OUR OFFICERS, DIRECTORS, MEMBERS, EMPLOYEES OR REPRESENTATIVES ABOUT THE BUSINESS CONTEMPLATED BY THIS AGREEMENT THAT ARE CONTRARY TO THE TERMS OF THIS AGREEMENT OR THE FRANCHISE DISCLOSURE DOCUMENT; (iii) YOU RECEIVED (1) AN EXACT COPY OF THIS AGREEMENT AND ITS ATTACHMENTS AT LEAST SEVEN (7) CALENDAR DAYS PRIOR TO THE DATE ON WHICH THIS AGREEMENT IS EXECUTED; AND (2) OUR FRANCHISE DISCLOSURE DOCUMENT AT THE EARLIER OF (A) 14 CALENDAR DAYS BEFORE YOU SIGNED A BINDING AGREEMENT OR PAID ANY MONEY TO US OR OUR AFFILIATES OR (B) AT SUCH EARLIER TIME IN THE SALES PROCESS THAT YOU REQUESTED A COPY; (iv) YOU ARE AWARE OF THE FACT THAT OTHER PRESENT OR FUTURE FRANCHISEES AND AREA REPRESENTATIVES OF OURS MAY OPERATE UNDER DIFFERENT FORMS OF AGREEMENT AND CONSEQUENTLY THAT OUR OBLIGATIONS AND RIGHTS WITH RESPECT TO OUR VARIOUS FRANCHISEES AND AREA REPRESENTATIVES MAY DIFFER MATERIALLY IN CERTAIN CIRCUMSTANCES; (v) YOU ARE AWARE OF THE FACT THAT WE HAVE NEGOTIATED AREA REPRESENTATIVE AGREEMENTS WITH CERTAIN AREA REPRESENTATIVES AND YOU ARE NOT ENTITLED TO THE SAME OR SIMILAR NEGOTIATED TERMS; AND (vi) YOU HAVE CONDUCTED AN INDEPENDENT INVESTIGATION OF THE BUSINESS CONTEMPLATED BY THIS AGREEMENT AND RECOGNIZE THAT IT INVOLVES BUSINESS RISKS, MAKING THE SUCCESS OF THE VENTURE LARGELY DEPENDENT UPON YOUR OWN BUSINESS ABILITIES, EFFORTS AND JUDGMENTS, AND THE SERVICES OF YOU AND THOSE YOU EMPLOY.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

29. GENERAL PROVISIONS.

29.1 Governing Law. Except as governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. §§ 1051, et seq.), this Agreement and the franchise relationship shall be governed by the laws of the State of Arizona (without reference to its principles of conflicts of law), but any law of the State of Arizona that regulates the offer and sale of franchises or business opportunities or governs the relationship of a franchisor and its franchisee will not apply unless its jurisdictional requirements are met independently without reference to this Section.

29.2 Relationship of the Parties. You understand and agree that nothing in this Agreement creates a fiduciary relationship between the Parties or is intended to make either Party a general or special agent, legal representative, subsidiary, joint venture, partner, employee or servant of the other for any purpose. During the Term, you must conspicuously identify yourself at your base of operations, and in all dealings with third parties, as an area representative of ours and the independent owner of your Business. You agree to place such other notices of independent ownership on such forms, stationery, advertising, business cards and other materials as we may require from time to time. Neither we nor you are permitted to make any express or implied agreement, warranty or representation, or incur any debt, in the name of or on behalf of the other or represent that our relationship is other than franchisor and franchisee. In addition, neither we nor you will be obligated by or have any liability under any agreements or representations made by the other that are not expressly authorized by this Agreement.

29.3 Severability and Substitution. Each section, subsection, term and provision of this Agreement, and any portion thereof, shall be considered severable. If any applicable and binding law imposes mandatory, non-waivable terms or conditions that conflict with a provision of this Agreement, the terms or conditions required by such law shall govern to the extent of the inconsistency and supersede the conflicting provision of this Agreement. If a court concludes that any promise or covenant in this Agreement is unreasonable and unenforceable: (i) the court may modify such promise or covenant to the minimum extent necessary to make such promise or covenant enforceable; or (ii) we may unilaterally modify such promise or covenant to the minimum extent necessary to make such promise or covenant enforceable.

29.4 Waivers. The Parties may by written instrument unilaterally waive or reduce any obligation of or restriction upon the other. Any waiver granted by us shall be without prejudice to any other rights we may have. Neither Party shall be deemed to have waived or impaired any right, power or option reserved by this Agreement (including the right to demand exact compliance with every term, condition and covenant in this Agreement or to declare any breach of this Agreement to be a default and to terminate the franchise before the expiration of the Term) by virtue of: (i) any custom or practice of a Party at variance with the terms of this Agreement; (ii) any failure, refusal or neglect of a Party to exercise any right under this Agreement or to insist upon exact compliance by the other Party with its obligations under this Agreement, including any mandatory specification, standard, or operating procedure; (iii) any waiver, forbearance, delay, failure or omission by us to exercise any right, power or option, whether of the same, similar or different nature, relating to other franchisees or area representatives; or (iv) the acceptance by us of any payments due from you after breach of this Agreement.

29.5 Approvals. Whenever this Agreement requires our approval, you must make a timely written request for approval, and the approval must be in writing in order to bind us. Except as otherwise expressly provided in this Agreement, if we fail to approve any request for approval within the required period of time, we shall be deemed to have disapproved your request. If we deny approval and you seek legal redress for the denial, the only relief to which you may be entitled is to acquire our approval. You are not entitled to any other relief or damages for our denial of approval.

29.6 Force Majeure. Neither we nor you shall be liable for loss or damage or deemed to be in breach of this Agreement if our or your failure to perform our or your obligations results from any event of force majeure. Any delay resulting from an event of force majeure will extend performance accordingly or excuse performance, in whole or in part, as may be reasonable under the circumstances.

29.7 Binding Effect. This Agreement is binding upon the Parties to this Agreement and their respective executors, administrators, heirs, assigns and successors in interest. Nothing in this Agreement is intended, nor shall be deemed, to confer any rights or remedies upon any person or legal entity not a party to this Agreement; provided, however, that the additional insureds listed in Section 20.3 and you, your Owners and the Indemnified Parties are intended third party beneficiaries under this Agreement with respect to Section 20.3 and Section 23, respectively.

29.8 Integration. THIS AGREEMENT CONSTITUTES THE ENTIRE AGREEMENT BETWEEN THE PARTIES AND MAY NOT, EXCEPT AS PERMITTED BY SECTION 17.1 AND SECTION 29.3, BE CHANGED EXCEPT BY A WRITTEN DOCUMENT SIGNED BY BOTH PARTIES. Any e-mail correspondence or other form of informal electronic communication shall not be deemed to modify this Agreement unless such communication is signed by both Parties and specifically states that it is intended to modify this Agreement. The attachment(s) are part of this Agreement, which, together with any Amendments or Addenda executed on or after the Effective Date, constitutes the entire understanding and agreement of the Parties, and there are no other oral or written understandings or agreements between the Parties about the subject matter of this Agreement. As referenced above, all mandatory provisions of the AR Manual are part of this Agreement. Any representations not specifically contained in this Agreement made before entering into this Agreement do not survive after the signing of this Agreement. This provision is intended to define the nature and extent of the Parties' mutual contractual intent, there being no mutual intent to enter into contract relations, whether by agreement or by implication, other than as set forth above. The Parties acknowledge that these limitations are intended to achieve the highest possible degree of certainty in the definition of the contract being formed, in recognition of the fact that uncertainty creates economic risks for both Parties which, if not addressed as provided in this Agreement, would affect the economic terms of this bargain. Nothing in this Agreement is intended to disclaim any of the representations we made in the Franchise Disclosure Document.

29.9 Covenant of Good Faith. If applicable law implies a covenant of good faith and fair dealing in this Agreement, the Parties agree that the covenant shall not imply any rights or obligations that are inconsistent with a fair construction of the terms of this Agreement. Additionally, if applicable law shall imply the covenant, you agree that: (i) this Agreement (and the relationship of the Parties that is inherent in this Agreement) grants us the discretion to make decisions, take actions and/or refrain from taking actions not inconsistent with our explicit rights and obligations under this Agreement that may affect favorably or adversely your interests; (ii) we will use our judgment in exercising the discretion based on our assessment of our own interests and balancing those interests against the interests of our franchisees and area representatives generally (including ourselves and our affiliates if applicable), and specifically without considering your individual interests or the individual interests of any other particular franchisee or area representative; (iii) we will have no liability to you for the exercise of our discretion in this manner, so long as the discretion is not exercised in bad faith; and (iv) in the absence of bad faith, no trier of fact in any arbitration or litigation shall substitute its judgment for our judgment so exercised.

29.10 Rights of Parties are Cumulative. The rights of the Parties under this Agreement are cumulative and no exercise or enforcement by either Party of any right or remedy under this Agreement will preclude any other right or remedy available under this Agreement or by law.

29.11 Survival. All provisions that expressly or by their nature survive the termination, expiration or Transfer of this Agreement (or the Transfer of an ownership interest in the franchise) shall continue in full

force and effect subsequent to and notwithstanding its termination, expiration or Transfer and until they are satisfied in full or by their nature expire.

29.12 Construction. The headings in this Agreement are for convenience only and do not define, limit or construe the contents of the sections or subsections. All references to Sections refer to the Sections contained in this Agreement unless otherwise specified. All references to days in this Agreement refer to calendar days unless otherwise specified. The term “you” as used in this Agreement is applicable to one or more persons or an Entity, and the singular usage includes the plural, and the masculine and neuter usages include the other and the feminine and the possessive. If we allow you to operate one or more OHM® Fitness Studios through an affiliate, each reference to “you” with respect to the OHM® Fitness Studio shall be deemed to refer to your affiliate.

29.13 Time of Essence. Time is of the essence in this Agreement and every term thereof.

29.14 Counterparts. This Agreement may be signed in multiple counterparts, each of which shall be deemed an original and all of which together shall constitute but one and the same document.

29.15 Notice. All notices given under this Agreement must be in writing, delivered by hand, telegram or first-class mail, to the following addresses (which may be changed upon 10 business days prior written notice):

“*Restricted Territory*” means the Development Territory granted to Area Representative pursuant to the AR Agreement.

2. Background. In your capacity as an owner of Area Representative, or the spouse of an owner of Area Representative, you may gain knowledge of our Franchise System, Operating System and Know-how. You understand that protecting the Intellectual Property is vital to our success and that of our franchisees and area representatives and that you could seriously jeopardize our entire franchise system if you were to unfairly compete with us. In addition, you understand that certain terms of the AR Agreement apply to “owners” and not just Area Representative. You agree to comply with the terms of this Agreement in order to: (i) avoid damaging our Franchise System or Operating System by engaging in unfair competition; and (ii) bind yourself to the terms of the AR Agreement applicable to owners.

3. Brand Protection Covenants.

(a) Intellectual Property. You agree: (i) you will not use the Know-how in any business or capacity other than the Franchised Business operated by Area Representative; (ii) you will maintain the confidentiality of the Know-how at all times; (iii) you will not make unauthorized copies of documents containing any Know-how; (iv) you will take such reasonable steps as we may ask of you from time to time to prevent unauthorized use or disclosure of the Know-how; and (v) you will stop using the Know-how immediately if you are no longer an owner of Area Representative or your spouse is an owner of Area Representative, as applicable. You further agree that you will not use the Intellectual Property for any purpose other than the development and operation of the Franchised Business pursuant to the terms of the AR Agreement and Manual. You agree to assign to us or our designee, without charge, all rights to any Improvement developed by you, including the right to grant sublicenses. If applicable law precludes you from assigning ownership of any Improvement to us, then such Improvement shall be perpetually licensed by you to us free of charge, with full rights to use, commercialize, and sublicense the same.

(b) Unfair Competition During Relationship. You agree not to unfairly compete with us at any time while you are an owner of Area Representative or while your spouse is an owner of Area Representative, as applicable, by engaging in any Prohibited Activities.

(c) Unfair Competition After Relationship. You agree not to unfairly compete with us during the Restricted Period by engaging in any Prohibited Activities; provided, however, that the Prohibited Activity relating to having an interest in a Competitive Business will only apply with respect to a Competitive Business that is located within or provides competitive goods or services to customers who are located within, the Restricted Territory. If you engage in any Prohibited Activities during the Restricted Period, then you agree that your Restricted Period will be extended by the period of time during which you were engaging in the prohibited activity (any such extension of time will not be construed as a waiver of your breach or otherwise impair any of our rights

or remedies relating to your breach).

(d) **Immediate Family Members.** You acknowledge that you could circumvent the purpose of this Agreement by disclosing Know-how to an immediate family member (i.e., parent, sibling, child, or grandchild). You also acknowledge that it would be difficult for us to prove whether you disclosed the Know-how to family members. Therefore, you agree that you will be presumed to have violated the terms of this Agreement if any member of your immediate family (i) engages in any Prohibited Activities during any period of time during which you are prohibited from engaging in the Prohibited Activities or (ii) uses or discloses the Know-how. However, you may rebut this presumption by furnishing evidence conclusively showing that you did not disclose the Know-how to the family member.

(e) **Covenants Reasonable.** You acknowledge and agree that: (i) the terms of this Agreement are reasonable both in time and in scope of geographic area; and (ii) you have sufficient resources and business experience and opportunities to earn an adequate living while complying with the terms of this Agreement. **YOU HEREBY WAIVE ANY RIGHT TO CHALLENGE THE TERMS OF THIS AGREEMENT AS BEING OVERLY BROAD, UNREASONABLE OR OTHERWISE UNENFORCEABLE.** Although you and we both believe that the covenants in this Agreement are reasonable in terms of scope, duration and geographic area, we may at any time unilaterally modify the terms of the system protection covenants in Section 3 of this Agreement, upon written notice to you, by limiting the scope of the Prohibited Activities, narrowing the definition of a Competitive Business, shortening the duration of the Restricted Period, reducing the geographic scope of the Restricted Territory and/or reducing the scope of any other covenant imposed upon you under Section 3 of this Agreement to ensure that the terms and covenants are enforceable under applicable law

(f) **Breach.** You agree that failure to comply with the covenants in this Section 3 will cause substantial and irreparable damage to us and/or other OHM® Fitness franchisees for which there is no adequate remedy at law. Therefore, you agree that any violation of these covenants will entitle us to injunctive relief. You agree that we may apply for such injunctive relief, without bond, but upon due notice, in addition to such further and other relief as may be available at equity or law, and the sole remedy of yours, in the event of the entry of such injunction, will be the dissolution of such injunction, if warranted, upon hearing duly held (all claims for damages by reason of the wrongful issuance of any such injunction being expressly waived hereby). If a court requires the filing of a bond notwithstanding the preceding sentence, the parties agree that the amount of the bond shall not exceed \$1,000. None of the remedies available to us under this Section are exclusive of any other, but may be combined with others under this Agreement, or at law or in equity, including injunctive relief, specific performance and recovery of monetary damages.

4. Transfer Restrictions. If you are an owner of Area Representative, you acknowledge that we must approve all persons who hold a direct or indirect ownership interest in Area Representative. Accordingly, you agree that you will not, directly or indirectly or by operation of law, sell, assign, mortgage, pledge or in any manner transfer any direct or indirect ownership interest in Area Representative except in accordance with the terms and conditions set forth in Section 24.2 of the AR Agreement.

5. Financial Security. In order to secure Area Representative's financial obligations under the AR Agreement and all ancillary agreements executed by Area Representative in connection with the AR Agreement, including, but not limited to, any agreement for the purchase of goods or services from us or an affiliate of ours and any promissory note related to payments owed to us (collectively, the "Secured Agreements"), you, jointly and severally, personally and unconditionally: (a) guarantee to us and our successor and assigns, that Area Representative shall punctually fulfil all of its payment and other financial obligations under the Secured Agreement; and (b) agree to be personally bound by, and personally liable for, each and every monetary provision in the Secured Agreements. You waive: (1) acceptance and notice of acceptance by us of the foregoing undertakings; (2) notice of demand for payment of any indebtedness guaranteed; (3) protest and notice of default to any party with respect to the indebtedness guaranteed; (4) any right you may have to require that an action be brought against Area Representative or any other person as a condition of liability; and (5) the defense of the statute of limitations in any action hereunder or for the collection of any indebtedness hereby guaranteed. You

agree that: (1) your direct and immediate liability under this guaranty shall be joint and several with Area Representative and all other signatories to this Agreement; (2) you will render any payment required under the Secured Agreements upon demand if Area Representative fails or refuses punctually to do so; (3) your liability shall not be contingent or conditioned upon pursuit by us of any remedies against Area Representative or any other person; and (4) liability shall not be diminished, relieved or otherwise affected by any extension of time, credit or other indulgence that we may grant to Area Representative or to any other person, including the acceptance of any partial payment or performance, or the compromise or release of any claims, none of which shall in any way modify or amend this guaranty, which shall be continuing and irrevocable during the term of each of the Secured Agreements and following the termination, expiration or transfer of each of the Secured Agreements to the extent any financial obligations under any such Secured Agreements survive such termination, expiration or transfer. This guaranty will continue unchanged by the occurrence of any bankruptcy with respect to Area Representative or any assignee or successor of Area Representative or by any abandonment of one or more of the Secured Agreements by a trustee of Area Representative. Neither your obligation to make payment in accordance with the terms of this undertaking nor any remedy for enforcement shall be impaired, modified, changed, released or limited in any manner whatsoever by any impairment, modification, change, release or limitation of the liability of Area Representative or its estate in bankruptcy or of any remedy for enforcement, resulting from the operation of any present or future provision of the U.S. Bankruptcy Act or other statute, or from the decision of any court or agency.

6. Dispute Resolution. Any dispute between the parties relating to this Agreement shall be brought in accordance with the dispute resolution procedures set forth in the AR Agreement. Notwithstanding the foregoing, if any of the dispute resolution procedures set forth in the AR Agreement conflict with any of the terms of this Agreement, the terms of this Agreement shall prevail. **You acknowledge and agree that a breach of this Agreement by you shall constitute a material event of default under the AR Agreement, permitting us to terminate the AR Agreement in accordance with the terms thereof.**

7. Miscellaneous. If either party hires an attorney or files suit against the other party in relating to an alleging a breach of this Agreement, the losing party agrees to pay the prevailing party's reasonable attorneys' fees and costs incurred in connection with such breach.

(a) This Agreement will be governed by, construed and enforced under the laws of Arizona and the courts in that state shall have jurisdiction over any legal proceedings arising out of this Agreement.

(b) Any claim, defense or cause of action that you may have against us or against Area Representative, regardless of cause or origin, cannot be used as a defense against our enforcement of this Agreement.

(c) Each section of this Agreement, including each subsection and portion thereof, is severable. In the event that any section, subsection or portion of this Agreement is unenforceable, it shall not affect the enforceability of any other section, subsection or portion; and each party to this Agreement agrees that the court may impose such limitations on the terms of this Agreement as it deems in its discretion necessary to make such terms reasonable in scope, duration and geographic area.

(d) You agree that we may deliver to you any notice or other communication contemplated by this Agreement in the same manner and to the same address listed in the notice provisions of the AR Agreement and any such delivery shall be deemed effective for purposes of this Agreement. You may change the address to which notices must be sent by sending us a written notice requesting such change, which notice shall be delivered in the manner and to the address listed in the AR Agreement.

As a result of this relationship, you may gain knowledge of the Franchise System, Operating System and Know-how. You understand that protecting the Intellectual Property is vital to our success and that of our franchisees and area representatives and that you could seriously jeopardize our entire Franchise System if you were to unfairly compete with us. In order to avoid such damage, you agree to comply with the terms of this Agreement.

3. Intellectual Property. You agree: (i) you will not use the Know-how in any business or capacity other than

the OHM® Fitness Studio and Business operated by Area Representative; (ii) you will maintain the confidentiality of the Know-how at all times; (iii) you will not make unauthorized copies of documents containing any Know-how; (iv) you will take such reasonable steps as we may ask of you from time to time to prevent unauthorized use or disclosure of the Know-how; and (v) you will stop using the Know-how immediately if you are no longer an officer, director, employee or independent contractor of Area Representative. You agree that we may apply for such injunctive relief, without bond, but upon due notice, in addition to such further and other relief as may be available at equity or law, and the sole remedy of yours, in the event of the entry of such injunction, will be the dissolution of such injunction, if warranted, upon hearing duly held (all claims for damages by reason of the wrongful issuance of any such injunction being expressly waived hereby). If a court requires the filing of a bond notwithstanding the preceding sentence, the parties agree that the amount of the bond shall not exceed \$1,000. None of the remedies available to us under this Agreement are exclusive of any other, but may be combined with others under this Agreement, or at law or in equity, including injunctive relief, specific performance and recovery of monetary damages. (c) Each section of this Agreement, including each subsection and portion thereof, is severable. In the event that any section, subsection or portion of this Agreement is unenforceable, it shall not affect the enforceability of any other section, subsection or portion; and each party to this Agreement agrees that the court may impose such limitations on the terms of this Agreement as it deems in its discretion necessary to make such terms reasonable in scope, duration and geographic area.

INDEPENDENT AUDITOR'S REPORT

To the Members of **OHM Fitness Franchise, LLC**

Opinion

We have audited the accompanying financial statements of **OHM Fitness Franchise, LLC** (the "Company"), which comprise the balance sheets as of December 31, 2023 and 2022, and the related statements of operations, changes in members' deficit, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

OHM Fitness Franchise, LLC

Notes to the Financial Statement

December 31, 2023 and 2022

Note A – Organization and Description of Business

Nature of Business

OHM Fitness Franchise, LLC (the “Company”) was incorporated as a Wyoming limited liability company on June 3, 2021. The Company sells franchises to enable franchisees to utilize the Company’s fitness concept, which uses the power of electro muscle stimulation in form of a full body workout suit called the EMPower Suit. Each franchise company delivers small group workouts using this wearable technology.

Note B – Significant Accounting Policies

Basis of Accounting

The Company prepares its financial statements using the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Recently Adopted Accounting Standards

Accounting standards promulgated by the Financial Accounting Standards Board (“FASB”) are subject to change. Changes in such standards may have an impact on the Company’s future financial statements. The Company periodically reviews new accounting standards that are issued. Although some of these accounting standards may be applicable to the Company, the Company has not identified any new standards, other than the ones described below, that it believes merit further discussion as the Company expects that none would have a significant impact on its financial statements.

Effective January 1, 2023, the Company adopted the new accounting guidance in ASU No. 2016-13, *Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments (ASC 326)*. This standard replaced the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss (“CECL”) methodology. CECL requires an estimate of credit losses for the remaining estimated life of the financial asset using historical experience, current conditions, and reasonable and supportable forecasts, and generally applies to financial assets measured at amortized cost. Financial assets measured at amortized cost will be presented at the net amount expected to be collected by using an allowance for credit losses. The Company adopted the standard using the modified retroactive approach, which did not affect retained earnings.

Cash and Cash Equivalents

The Company considers all highly liquid instruments with an original maturity of less than three months to be cash equivalents.

Notes Receivable

Notes receivable are carried at net realizable value. This value includes an appropriate allowance for estimated credit losses to reflect any loss anticipated on the notes receivable balances based on the probability of default, and charged to the allowance for credit losses. This reserve is calculated based on the history of write-offs, future economic conditions, level of past due accounts, and relationships with and economic status of the borrowers. At December 31, 2023 and 2022, management determined that no allowance for credit losses was needed.

Property and Equipment

Property and equipment are carried at cost less accumulated depreciation. Major additions and improvements which extend the life of the assets are capitalized whereas maintenance and repairs, which do not improve or extend the life of the respective assets, are expensed as incurred. When property or equipment is sold or otherwise disposed of, the related cost and accumulated depreciation are removed from the accounts and any gain or loss is included in income.

OHM Fitness Franchise, LLC

Notes to the Financial Statement

December 31, 2023 and 2022

Note B – Significant Accounting Policies (continued)

Depreciation is calculated using the straight-line method over the estimated useful lives of the assets. Leasehold improvements are amortized over the shorter of their estimated useful lives or the terms of the leases, while all other assets are depreciated over estimated useful lives.

Capitalized Software Development Costs

The Company follows the provisions of Accounting Standards Codification (“ASC”) 350-40, *Internal Use Software*. ASC 350-40 provides guidance for determining whether computer software is internal-use software, and on accounting for the proceeds of computer software originally developed or obtained for internal use and then subsequently sold to the public. It also provides guidance on capitalization of the costs incurred for computer software developed or obtained for internal use. The Company expenses all costs incurred during the preliminary project stage of its development, and capitalizes the costs incurred during the application development stage. Costs incurred relating to upgrades and enhancements to the software are capitalized if it is determined that these upgrades or enhancements add additional functionality to the software. Costs incurred to improve and support products after they become available are charged to expense as incurred.

Capitalized software development costs are amortized on a straight-line basis over the estimated useful lives, currently three years. Management evaluates the useful lives of these assets on an annual basis and tests for impairment whenever events or changes in circumstances occur that could impact the recoverability of these assets. As of December 31, 2023 and 2022, the capitalized book value of developed technology for upgrades placed into service was approximately \$400,000 and \$290,000, respectively, and is included in property and equipment on the accompanying balance sheets.

Impairment of Long-Lived Assets

The Company reviews the carrying value of property and equipment for impairment whenever events and circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. In cases where undiscounted expected future cash flows are less than the carrying value, an impairment loss is recognized equal to an amount by which the carrying value exceeds the fair value of assets. The factors considered by management in performing this assessment include current operating results, trends, and prospects, as well as the effects of obsolescence, demand, competition, and other economic factors. The Company did not recognize any impairment loss in 2023 and 2022.

Leases

For any new or modified lease, the Company at the inception of the contract, determines whether a contract is or contains a lease. The Company records right of use (“ROU”) assets and lease obligations for its operating leases, which are initially recognized based on the discounted future lease payments over the term of the lease. The Company calculates operating lease liabilities with a risk-free discount rate, using a comparable period with the lease term. Lease term is defined as the non-cancelable period of the lease plus any options to extend or terminate the lease when it is reasonably certain that the Company will exercise the option. All lease and non-lease components are combined for all leases. The non-lease components are variable payments, which are primarily composed of common area maintenance and real estate taxes that are passed on from the lessor in proportion to the space leased. Lease payments for leases with a term of 12 months or less are expensed on a straight-line basis over the term of the lease with no lease asset or liability recognized.

Advertising Costs

The Company expenses advertising and promotional costs as they are incurred. Advertising costs charged to franchisee support services were \$275,000 and \$365,000, for the years ended December 31, 2023 and 2022, respectively.

Revenue Recognition

All revenues from exchange transactions are recorded in accordance with *ASC 606 - Revenue from Contracts with Customers*. The Company recognizes revenue when the following criteria are met: (i) a contract with a customer has been identified, (ii) the performance obligation(s) in the contract have been identified, (iii) the transaction price has been determined,

Note B – Significant Accounting Policies (continued)

(iv) the transaction price has been allocated to each performance obligation in the contract, and (v) the Company has satisfied the applicable performance obligation at a point in time or over time.

The Company's revenues consist mainly of revenues from the sale of area development agreements to area representatives that give exclusive rights for geographical regions and initial franchise fees. Area development agreement fees are recognized on a pro-rata basis as franchise locations are opened based on the development schedule specified in the contract. Any unrecognized amount at the end of the 10-year contract period will be recognized as revenue.

The Company also collects an initial franchise fee that ranges between \$35,000 - \$50,000. The initial franchise fees are allocated to the performance obligations completed during the initial and follow up training. Allocation of the initial franchise fees are based on an estimated stand-alone price based on a costs-plus margin approach. Any remaining fees are allocated to the performance obligations performed over time during the franchise term, which is either 10 or 15 years. Initial franchise fees are recognized as revenue when all material preliminary services and conditions related to the franchise sale have been substantially performed by the Company. Typically this occurs at the point in time at which the franchise stores open and become operational. Unearned area development agreement fees and initial franchise fees are reported as contract liabilities on the balance sheets. As of December 31, 2023 and 2022, contract liabilities totaled approximately \$3,822,000 and \$1,373,000, respectively.

When a franchise or area representative agreement is sold, the Company agrees to provide multiple performance promises in each contract, primarily the delivery of its initial custom training program and the rights to use the associated business processes, systems, access to preferred vendors additional training, access to proprietary software systems and advertising. Franchisees are also required to contribute to national advertising campaigns sponsored by the Company. Revenue from contributions to national advertising campaigns is recognized when funds are expended.

The Company will also recognize franchise royalty fees beginning in 2024, which are 6% of gross sales for each franchise and payable weekly.

The Company's revenues are concentrated in the United States of America and in the fitness industry.

Contract Assets

The Company recognized an asset for the incremental costs of obtaining the contract arising from the sales commissions to employees and external parties because the Company expects to recover those costs. The Company amortizes these contract assets ratably over the franchise license term over 10 years. The Company has included contract assets as of December 31, 2023 and 2022, of approximately \$506,000 and \$56,000, respectively, which will be amortized ratably over the franchise license term.

Income Taxes

The Company has made an election to be treated as a limited liability company under Subchapter K of the Internal Revenue Code. Accordingly, the income and losses of the Company are taxed directly to its members. Therefore, no provision for income taxes has been made in the financial statements.

Concentration of Credit Risk

Financial instruments that potentially subject the Company to significant concentrations of credit risk consist primarily of cash and cash equivalents and loans receivable. The Company maintains its cash in financial institutions where accounts are secured by the Federal Deposit Insurance Corporation up to \$250,000. The Company has not experienced any losses in such accounts and the cash balances exceeded these limit by approximately \$51,000 and \$1,490,000 as of December 31, 2023 and 2022, respectively.

Fair Value

The carrying amounts reported in the balance sheet for cash, contract assets, prepaid expenses and other assets, accounts payable, accrued expenses, and notes payable approximate their estimated fair market value based on the short-term maturity of this instrument. The carrying value of the Company's loans receivable approximate fair value because their terms approximate market rates.

Independent Auditor's Report

To the Members of **Ohm Fitness Franchise, LLC**

Opinion

We have audited the accompanying balance sheet of **Ohm Fitness Franchise, LLC** (the Company) as of December 31, 2021 and the related notes to the financial statements.

In our opinion, the financial statement referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.

Ohm Fitness Franchise, LLC

Notes to the Financial Statement December 31, 2021

Note A – Organization and Description of Business

Nature of Business

Ohm Fitness Franchise, LLC (“The Company”) was organized as a “Limited Liability Company” on June 3, 2021. The Company’s fitness concept, utilizes the power of EMS (Electro Muscle Stimulation) in form of Full Body workout Suit.

Note B – Significant Accounting Policies

Basis of Accounting

The Company prepares its financial statements using the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Company considers all highly liquid instruments with an original maturity of less than three months to be cash equivalents.

Property and Equipment

Property and equipment are carried at cost less accumulated depreciation. Major additions and improvements which extend the life of the assets are capitalized whereas maintenance and repairs, which do not improve or extend the life of the respective assets, are expensed as incurred. When property or equipment is sold or otherwise disposed of, the related cost and accumulated depreciation are removed from the accounts and any gain or loss is included in income.

Depreciation is calculated using the straight-line method over the estimated useful lives of the assets. Leasehold improvements are amortized over the shorter of their estimated useful lives or the terms of the leases, while all other assets are depreciated over estimated useful lives.

Income Taxes

The Company has made an election to be treated as a limited liability company under Subchapter K of the Internal Revenue Code. Accordingly, the income and losses of the Company are taxed directly to its members. Therefore, no provision for income taxes has been made in the financial statements.

Note C – Property and Equipment

Property and equipment consisted of the following as of December 31, 2021:

		Useful Life (years)
Equipment	\$ 18,677	5
	18,677	
Less: accumulated depreciation	(-)	
Property and equipment, net	\$ 18,677	

The equipment has not been placed into service yet and therefore no depreciation has been taken.

Ohm Fitness Franchise, LLC

Notes to the Financial Statement December 31, 2021

Note D - Related Party Payables

The Company as of December 31, 2021 owed \$30,000 to an affiliated entity. The Company as of December 31, 2021 owed \$84,999 to an officer of the Company.

Note E – Commitments and Contingencies

COVID-19

In December 2019, there was an outbreak of a novel strain of coronavirus (“COVID-19”). In March 2020, the World Health Organization made the assessment that the outbreak of COVID-19 can be characterized as a pandemic. As a result, state and local governments across the United States declared a public health emergency and imposed “shelter-in-place” orders, quarantines, executive orders and similar government orders and restrictions for businesses and residents to control the spread of the virus. These orders resulted in business closures, work stoppages, slowdowns and delays, work-from-home policies, travel restrictions and cancellation of events, among other effects, thereby negatively impacting the economy.

Due to the level of risk this virus may have on the global economy, it is at least reasonably possible that it could have an impact on the operations of the Company in the near term that could affect the Company’s financials, however management does not believe there will be any future impact. In addition, vaccines and therapeutics coming to market will also help to mitigate any potential future losses.

Note F – Subsequent Events

Subsequent events have been evaluated through March 31, 2022, which is the date the financial statements were available to be issued.

THE FOLLOWING FINANCIAL STATEMENTS ARE PREPARED WITHOUT AN AUDIT. PROSPECTIVE FRANCHISEES SHOULD BE ADVISED THAT NO CERTIFIED PUBLIC ACCOUNTANT HAS AUDITED THESE FIGURES OR EXPRESSED AN OPINION WITH REGARD TO THE CONTENT OR FORM.

Any release signed as a condition of transfer will not apply to any claims you may have under the Minnesota Franchise Act. Minnesota Rules 2860.4400(D) [revisor.leg.state.mn.us] prohibits a franchisor from requiring a franchisee to assent to a general release.

Item 17, summary columns for (v) and (w) are amended to add the following:

Minnesota Statute 80C.21 [revisor.leg.state.mn.us] and Minnesota Rule 2860.4400(J) [revisor.leg.state.mn.us] prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce (1) any of the franchisee's rights as provided for in Minnesota Statute 80C [revisor.leg.state.mn.us] or (2) franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction. e. NSF checks are governed by Minnesota Statute 604.113, which puts a cap of \$30 on service charges.

Minnesota considers it unfair to not protect the franchisee's right to use the trademarks. Refer to Minnesota Statute 80C.12 Subd. 1(G) [revisor.mn.gov]. The franchisor will protect the franchisee's rights to use the trademarks, service marks, trade names, logotypes, or other commercial symbols or indemnify the franchisee from any loss, costs, or expenses arising out of any claim, suit, or demand regarding the use of the name.

The Limitations of Claims section must comply with Minnesota Statute 80C.17 Subd. 5. [revisor.leg.state.mn.us].

NSF checks are governed by Minnesota Statute 60-5.113, which puts a cap of \$30 on service charges.

Minnesota Rules 2860.4400(G) prohibits a franchisor from imposing on a franchisee by contract or rule, whether written or oral, any standard of conduct that is unreasonable.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including, fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with this franchise.

OHM FITNESS FRANCHISE, LLC
STATE OF WASHINGTON**

The following is added to the disclosure document:

The Franchise Disclosure Questionnaire is not applicable in Washington.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of: (i) waiving any claims under any applicable state franchise law, including fraud in the inducement; or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

An Area Representative may be required to register as a franchise broker in Washington pursuant to RCW 19.100.140.

The following is added to Section 5 of the disclosure document:

Based upon the franchisor's financial condition, the Washington State Securities Division has required a financial assurance. Therefore, we have posted a Surety Bond to satisfy this financial assurance condition. A copy of the Surety Bond is attached as Exhibit "A" to this Addendum.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the Area Representative Agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the Area Representative Agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the Area Representative Agreement or elsewhere are void and unenforceable in Washington.
