The franchisee (which we refer to as an “Agency Owner”) will operate a Brightway Location that will primarily engage in the business of selling, servicing and delivering property and casualty insurance policies, but that may also offer certain other insurance services to its clients. As an Agency Owner, you will enter into a Franchise Agreement with us.

The total investment necessary to begin operation of a single Brightway retail franchise (a “Retail Agency”) is \$56,900 to \$159,500. This includes a \$50,000 initial fee that must be paid to the franchisor or its affiliate(s), which may be paid in lump sum or financed with a down payment of \$25,000.

Additionally, we offer franchisees the right to operate a Brightway franchise from a professional office space. The total investment necessary to begin operation of a single Brightway franchise from a professional office space (an “Office Agency”) is \$27,100 to \$82,700. This includes \$15,000 to \$30,000 that must be paid to the franchisor or its affiliate(s).

By purchasing a Retail Agency or Office Agency and meeting certain qualifications, you automatically have the right to open additional Brightway Locations of the same type without payment of any initial fee associated with the additional Franchise Agreement(s).

What You Need to Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends that franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit H.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See Exhibit G for the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The Franchise Agreement requires you to resolve all disputes with the franchisor by mediation and/or litigation only in Florida. Out-of-state mediation or litigation may force you to accept a less favorable settlement for disputes. It may also cost you more to mediate or litigate in Florida than in your own state.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” to see whether your state requires other risks to be highlighted.

ITEM 1:
THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

To simplify the language in this Disclosure Document, “we,” “us” or “Brightway” means Brightway Insurance, LLC, a Florida limited liability company, the franchisor. “You” or “Agency Owner” means the person or legal entity that buys the franchise, and we generally require that our Agency Owners be legal entities instead of individuals. If you are a corporation, partnership or limited liability company, certain provisions of this Disclosure Document also apply to your owners. To fully understand all of your rights, our rights, and our obligations to each other, you must still carefully review the actual agreements you will execute. These will control if there is any dispute between us.

Brightway and Predecessors

Brightway is a Florida limited liability company formed on August 1, 2003. Originally, we were incorporated as “Miller Insurance Group, Inc.,” and only began doing business under the name “Brightway Insurance” in May 2007. From that date until December 8, 2021, when we converted to a limited liability company, we were organized as a Florida corporation under the name Brightway Insurance, Inc. In certain states, we may also do business as “Brightway Insurance Agency.” We do not do business under any name other than our limited liability company name and the names “Brightway Insurance” and “Brightway Insurance Agency.” We began selling franchises in 2008. We officially changed our entity name to “Brightway Insurance, Inc.” in August 2010, and converted the corporation to Brightway Insurance, LLC in December 2021.

We have operated a business similar to those being franchised under this Disclosure Document since 2003. In September 2003, we acquired the assets of an insurance agency known as Jennings Insurance Agency, Inc., which was at the time one of the oldest Nationwide Insurance Agencies operating within the State of Florida (in operation since 1961). The office of this agency was located at 9263 Lem Turner Road, Jacksonville, Florida 32208, and this office was closed in September 2013. Our principal place of business and corporate office is now located at 3733 University Boulevard West, Suite 100, Jacksonville, Florida 32217. Our corporate office is located in an 86,000 square foot office building in the heart of Jacksonville, Florida, and also houses our centralized Engagement Center.

Our registered agent for service of process is listed in Exhibit H. We have offered franchises for businesses similar to the type offered in this Disclosure Document since February 2008. We do not have any predecessors that offered franchises. We have not offered franchises in any other line of business. Our affiliate First City Insurers, LLC (“FCI”), a Florida limited liability company with an address of 3733 University Boulevard West, Suite 300, Jacksonville, Florida 32217 is a managing general agent that may offer certain brokerage services to our franchisees as well as other third parties. FCI was formed in November 2017 and first began offering services to our franchisees in September 2018. In addition, GrowthCurve Capital (a private equity firm) holds membership interests in a parent of Brightway. GrowthCurve Capital and FCI have not offered franchises in any line of business.

We have five parent companies, including (i) Brightway Holdings, LLC, a Delaware limited liability company, (ii) BWI Intermediate Holdings, LLC, a Delaware limited liability company, and (iii) BWI TopCo, LLC, a Delaware limited liability company. These three parent companies share a principal business address at 3733 University Boulevard West, Suite 100, Jacksonville, Florida 32217. The remaining two parent companies are BWI Parent, LLC, a Delaware limited liability company, and Brightway GCC Member LP, a Delaware limited partnership, which share a principal business address at 1301 Avenue of the Americas, 38th Floor, New York, NY 10019. Except as described above, we have no parents, predecessors or affiliates that are required to be disclosed in this Item.

Business - Overview

We have established and have licensed others the right to develop and operate an insurance business that is primarily engaged in the business of offering, selling and servicing property and casualty insurance policies but which also offers other insurance, such as life insurance. In addition to our two company-owned locations, as of December 31, 2023, we had 333 operating franchised Brightway Locations owned by Agency Owners.

As described in more detail below, we have created several programs and opportunities for individuals to enter the Brightway System at the appropriate level and progress at the time that is best for them. These options include: (a) the lower-cost Office Agency franchise model, where one or more individuals operate from a professional office space; (b) our Retail Agency franchise model, where three or more individuals operate from retail office space; and (c) our enterprise franchise models, where existing Agency Owners participate in our option program and/or Multi-Unit Program and operate multiple Brightway Locations. Our goal is to create an ecosystem that allows individuals to start in the right place with the possibility of building an enterprise any size they wish in the future.

Additionally, we may pursue relationships with affinity partners to secure additional channels to sell insurance, which will directly benefit our customers as well as our franchisees by providing them with leads or passive income. We may enter into certain national account agreements with affinity partners or others, pursuant to which we will receive insurance sales leads and potential customer information which we may distribute to qualified Agency Owners. You may be required to participate in marketing campaigns with any affinity partners we designate. As an insurance distribution company with a dedicated Engagement Center providing support to our customers, we may also pursue other channels of distribution, both branded and unbranded. Other than the franchise and insurance distribution activities described in this Item 1, we currently do not engage in any other lines of business.

The Franchise Offered

Pursuant to this Disclosure Document, we offer you the opportunity to execute a Franchise Agreement, in the form attached as Exhibit B, which allows you to develop and operate a single Brightway Location under certain trade names, trademarks, service marks and/or indicia of origin that we license you the right to use ("Licensed Marks"). Brightway Locations operate according to a distinctive format, appearance and operating procedures. We have described our mandatory and recommended standards and procedures in our Confidential Operating Manual.

We offer franchises for two distinct models – a Brightway Location operated from a retail space (a "Retail Agency") and a Brightway Location operated from a professional office space (an "Office Agency"). For the purposes of this Disclosure Document, Retail Agencies and Office Agencies are collectively referred to as "Brightway Locations."

Your business will be located at a site approved by us. You may not relocate your business location without our consent, and you may only relocate to a new location approved by us. Most frequently, our Retail Agencies are located in retail areas such as strip malls or similar buildings, but may be located in a free-standing building or any other space we determine in our sole discretion constitutes a retail office space. Office Agencies are typically located in office parks or similar buildings, but may be located in any approved professional office space.

You are not required to be a licensed insurance agent to acquire a franchise. However, your Brightway Location must at all times be operated under the direct supervision of a licensed insurance agent who you designate as

your “Principal.” Your Principal must be licensed by all applicable governmental and other regulatory authorities, successfully complete our required training and be approved in writing by us. Our grant of a franchise to you authorizes you to access the services provided by us, including access to the insurance carriers and other companies with which we have active contracts (“Contracted Companies”). We will, at our sole discretion and with our Contracted Companies’ approval, determine which Contracted Companies you may use, as well as which lines of insurance business and specific policy types you may sell with such Contracted Companies. The primary service which will be offered by you will be property and casualty insurance. However, we may authorize you to offer other products or services, including other types of insurance and other products and services geared around protecting families.

You are required to process all applications for insurance policies and other products exclusively through the facilities and systems of Brightway. Brightway, and not you, will be the “agent of record” for all policies sold, renewed, serviced or delivered through your Brightway Location. As compensation for your efforts, we will pay you a percentage of the sales commissions we receive from the Contracted Companies on client accounts you generate. Unlike a traditional franchise in which the franchisee generally pays the franchisor a monthly royalty fee based upon the franchisee’s gross sales, all “Brightway Sales Commissions” are paid directly to us by the Contracted Companies and we, in turn, forward you a certain percentage of these commissions on a monthly basis, as described in more detail in Item 6.

Our primary goal is to provide our Agency Owners with a “turn-key” solution for marketing primarily property and casualty insurance. Our built-in efficiencies allow our Agency Owners to produce greater sales with less staff than a traditional insurance agency. We accomplish this by linking our Agency Owners’ offices to our Engagement Center for comprehensive after-the-sale customer support. In addition, our Agency Owners are required to follow “Brightway Technology Specifications,” which incorporate technology solutions that enable seamless interface, along with agency coaching systems that provide improved work-flows and efficiencies. Perhaps the greatest help in lowering the threshold for entry into the insurance business is the unique way we simplify the operation and daily management of a Brightway Location. To increase productivity in the Brightway Location, we perform essentially all of the after-the-sale service the Agency Owners’ client accounts require at our centralized customer Engagement Center. Taking this ongoing service burden away from the Brightway Location makes opening and managing a successful insurance agency easier. Further, we provide certain other “back-office” support to the Brightway Location, including but not limited to accounting, data analytics, marketing, communications, website and social media, sales expertise, training, telephony and IT infrastructure, and systems. This comprehensive system of business support is what separates us from the rest and what defines the “Brightway System” (also referred to as the “System” in this Disclosure Document).

We also provide Agency Owners with the ability to build a true enterprise and operate multiple Brightway Locations, leveraging individual economies of scale, expanding geographically into different states and sharing work across Brightway Locations.

Multi-Unit Program

By purchasing a Retail Agency or Office Agency and meeting certain qualifications, you automatically have the right to open additional Brightway Locations of the same type without payment of any initial fee associated with the additional Franchise Agreement. In order to exercise this option, you must meet any performance benchmarks defined by us, not have received a default notice from us with respect to your initial Brightway Location, and you must execute our then-current form of Franchise Agreement for both your initial Brightway Location and the additional location. The operation of the additional location shall be governed by our then-current form of Franchise Agreement (the “Additional Franchise Agreement”), the terms of which may materially

differ from the terms of your first Franchise Agreement. No initial franchise fee shall be due and payable under the Additional Franchise Agreement.

Market and Competition

The market for your services will be the general public. The market for insurance agencies is competitive and developed. Agencies that are operated by Brightway and by other franchisees, including those developed in the future, may have an effect on the sales of your Brightway Location. You will also be competing with other independent and captive insurance agencies that offer the same types of products and services that you do. These agencies may be associated with national or regional insurance companies (franchised or not) or they may be local, single agency locations. You will also compete with other insurance agencies that offer products different than those offered by Brightway.

Your competitive advantage in the marketplace will also be based on your adherence to our processes, standards and guidelines, as well as your entrepreneurial and managerial abilities and focus on building relationships with referral sources and others in your community, along with your ability to meet individual customer's needs for insurance protection. The ability of each Brightway Location to compete also depends on its location, service, employee attitudes, overhead, changing local market and economic conditions, and many other factors both within and outside your control. Local market conditions, regulatory restrictions, weather events and other related factors will also have an impact on your ability to secure appointments and/or write new business with Contracted Companies.

Industry Specific Laws

The insurance industry is regulated at the state level, and you will be subject to all licensure and other laws and regulations applicable to the operation of an insurance agency. You will also be subject to certain minimum continuing education requirements specified by such laws and regulations. In addition, there are other local, state and federal laws and regulations applicable to businesses generally with which you must comply, including zoning laws, labor laws and the Fair Labor Standards Act, workers' compensation laws, business licensing laws, tax regulations, anti-terrorism laws, and the Americans with Disabilities Act. You must also obtain all real estate permits and licenses and operational licenses necessary to operate the Brightway Location.

We are not required to provide any guidance regarding compliance with these laws and regulations, and any guidance that is provided is not guaranteed to be complete or accurate. You should consult with your attorney concerning these and other laws, regulations and ordinances that may affect the operation of your business. You are solely responsible for investigating and complying with all of these applicable laws, regulations, and other requirements, despite any advice or information that we may give you. We have not researched any of these laws to determine their applicability to your Brightway Location. You will also be required to comply with all of our rules and procedures, as well as those of the Contracted Companies.

**ITEM 3:
LITIGATION**

Concluded Litigation

Eurohold Investments, LLC, Peter Linke and Eva Linke v. Brightway Insurance, Inc. et al. (Case No. 3:19-cv-528-J-34JBT, United States District Court for the Middle District of Florida). In May 2019, one of our franchisees filed a complaint against us, our affiliate, and two of our principals regarding an addendum permitting the franchisee to offer additional types of insurance. The claims asserted include breach of contract, violation of the Texas Deceptive Trade Practices Consumer Protection Act, violation of the Florida Deceptive and Unfair Trade Practices Act, violation of the Texas Business Opportunity Act, fraudulent inducement and fraud, and negligent misrepresentation. The parties amicably resolved this matter following mediation. Under the terms of the settlement, we paid certain monetary consideration to the franchisee in exchange for dismissal of all claims with prejudice and the franchisee's execution of a new Franchise Agreement and addendum for a full five-year term.

Other than this action, no litigation must be disclosed in this Item.

**ITEM 4:
BANKRUPTCY**

No bankruptcy information must be disclosed in this Item.

**ITEM 5:
INITIAL FEES**

Initial Fee

The initial fee for a Retail Agency is \$50,000 if paid in lump sum, or \$65,068 if a portion is financed by us. If you elect to finance a portion of the initial fee for a Retail Agency, you will pay \$25,000 upon signing your Franchise Agreement, and the remaining \$40,068 balance will be paid in monthly installments of \$742 beginning on the date of the first commission run in the 7th month after opening your Brightway Location, pursuant to the promissory note attached to this Disclosure Document as Exhibit F.

The initial franchise fee for an Office Agency is \$30,000 if paid in lump sum, or \$39,030 if a portion is financed by us (each of the foregoing, the "Initial Fee"). If you elect to finance a portion of the Initial Fee for an Office Agency, you will pay \$15,000 upon signing your Franchise Agreement, and the remaining \$24,030 balance will be paid in monthly installments of \$445 beginning on the date of the first commission run in the 7th month after opening your Brightway Location, pursuant to the promissory note attached to this Disclosure Document as Exhibit M.

The lump sum portion of the Initial Fee is payable to us in full on the date you sign the Franchise Agreement. If you are a veteran, any non-financed portion of the Initial Fee will be discounted by 10%.

The Initial Fee will not be refundable under any circumstances and is deemed fully earned upon payment in consideration of administrative costs and other expenses incurred by us in granting the franchise to you and our lost opportunity to franchise others.

Retail Agency Conversion Fee

We offer qualified Office Agency Owners the opportunity to convert their Office Agency to a Retail Agency. This option is available to Office Agents who meet our then-current minimum performance and operational criteria, which are subject to change and may include, without limitation, having a sufficiently large book of business and operating in good standing for a certain period of time. Qualified Agency Owners must pay a “Retail Agency Conversion Fee,” the amount of which will depend on the location of the existing Office Agency and whether the Retail Agency Conversion Fee is financed or paid in lump sum. If paid in full, the Retail Agency Conversion Fee is \$20,000. You may also finance a portion of the Retail Agency Conversion Fee pursuant to the promissory note attached to this Disclosure Document as Exhibit M. To opt into the financing option, you must pay a lump sum conversion fee of Five Thousand Dollars (\$5,000), and execute the promissory note with a principal amount of \$24,030. The financed portion of the Retail Agency Conversion Fee shall be paid in monthly installments beginning on the date of the first commission run in the 7th month after opening the agency. If the agency has already been open for at least 6 months, the first payment will be due the month following execution of the promissory note. Qualified Agency Owners who want to finance the Retail Agency Conversion Fee must pay in full any outstanding promissory note balance(s) with us before we will grant additional financing. Converted Retail Agencies will be eligible to participate in the “Horizons” incentive program on the same terms and conditions as other Retail Agencies. See Item 6. To convert an Office Agency to a Retail Agency, you may be required to enter into our then-current form of Retail Agency Conversion Addendum.

Multi-Unit Program

We offer existing, qualified Agency Owners an option to open additional Brightway Locations of the same type currently operated. No initial franchise fee shall be due and payable under the Additional Franchise Agreement for the additional location. You must meet our then-current minimum performance and operational standards to exercise this option.

ITEM 6: OTHER FEES

Our System is unlike traditional franchises, where all fees are paid by the franchisee to the franchisor. As described below, all commission income from the Contracted Companies is paid directly to us, and we then pay a portion of these commissions to our Agency Owners as compensation. The following table, together with its footnotes, describes such compensation and also lists the fees and other expenses you are required to pay to us.

Most Agency Owner Shared Expenses are billed monthly, however the E&O premium amount may be billed</p>

			<p>quarterly or at some other interval designated by us.</p> <p>By way of illustration, a Retail Agency with three producers total would have an Agency Owner Shared Expense of approximately \$1,050 to \$1,200 per month, plus the annual E&O premium allocation which varies significantly based on size and operational history of the agency.</p> <p>Since the Agency Owner Shared Expenses are not solely determined or retained by us, these amounts are necessarily estimates and subject to change. We reserve the right to modify the methodology for determining each Agency Owner's share of the component costs that make up the Agency Owner Shared Expenses. You may incur additional Agency Owner Shared Expenses for required products or services added during the term of your agreement. See Note 3 for additional information.</p>

NOTES

- (1) Unless otherwise noted, all fees are uniformly imposed by and payable to us and are non-refundable.
- (2) All client accounts generated by your Brightway Location are our exclusive property, and all funds, correspondence, notices and other communications relating to such client accounts must be forwarded to us. We are the “Agent of Record” with the Contracted Companies on all such client accounts. Accordingly, all sales commissions paid by the Contracted Companies are paid directly to us, and not to you. On or about the 2nd business day of each month (date subject to change), we will pay you (via electronic funds transfer to an account you specify in the Electronic Funds Withdrawal and Deposit Authorization attached to the Franchise Agreement) a percentage of the sales commissions we receive from the Contracted Companies on the client accounts you generate, and we will retain the remainder.

“New Business” shall mean the first term of a policy which is sold in connection with your Brightway Location and “Renewal Business” shall mean all subsequent/renewal terms of a policy which are sold in connection with your Brightway Location, including any policies rewritten to another Contracted Company.

For a Retail Agency, on New Business, we will pay you a baseline of 85% of the sales commissions we receive, and we will retain 15%. On Renewal Business we will pay you 55% of the sales commissions we receive, and we will retain 45%.

For an Office Agency, we will pay you a baseline of 80% of the sales commissions we receive on New Business, and we will retain the remaining 20%. On Renewal Business we will pay you 50% of the sales commissions we receive, and we will retain the other 50%, notwithstanding your eligibility for the “Sunrise” program described immediately below.

Sunrise Program

For new Retail Agencies and Office Agencies, during your initial year of operations you will receive an additional 15% of the Brightway Sales Commissions in connection with your sale of New Business if you meet our then-current minimum operational standards which shall be provided to all Agency Owners in writing and may be modified from time to time. Qualifying Retail Agencies will retain 100% of Brightway Sales Commissions on New Business and qualifying Office Agencies will retain 95% of Brightway Sales Commissions on New Business. These minimum standards may include, without limitation, opening in a timely manner, avoiding any breaches of your Franchise Agreement, obtaining and maintaining all required licenses, complying with ESV Program requirements (as applicable) and maintaining a minimum signed application percentage. We may amend these requirements at any time by providing you with written notice. If you fail to meet one or more of these minimum standards, you will receive the baseline Brightway Sales Commissions on New Business (see Item 6) and may be subject to other penalties or consequences applicable to your breach of the Franchise Agreement.

During the second year your Brightway Location is operational (months 13 through 24), all Retail Agencies and Office Agencies will have the opportunity to earn up to 15% additional Brightway Sales Commissions on New Business (above baseline) if you meet our then-current minimum operational standards and also achieve certain new business production levels. Currently, the additional Brightway Sales Commissions increase incrementally based on new business production volume, with the highest production category increasing your Brightway Sales Commission by 15%.

The first- and second-year bonus commission program described above is collectively designated the “Sunrise” program. The Sunrise program is purely voluntary, and we have the right to modify the production standards and commission bonuses, or to stop offering the incentive program, at any time.

- (3) We will deduct from the payments we make to you the expenses borne or paid by us which relate to the conduct of your business, as well as any additional costs we designate in the Confidential Operating Manual (the “Agency Owner Shared Expenses”). Examples of Agency Owner Shared Expenses include one-time carrier appointment fees, recurring software license fees, marketing expenses, and Errors and Omissions premiums. The majority of the Agency Owner Shared Expenses represent pass-through charges from third parties, and we do not collect any administration fees for the processing of the charges. The Agency Owner Shared Expenses will change from time to time and are set forth in the Confidential Operating Manual. Changes may be triggered by adding/removing required products or services, price changes imposed by the included vendors, or amendments to our methodology for calculating the portion of Agency Owner Shared Expenses allocated to each agency or producer. Your portion of these costs and expenses shall be determined by us in good faith, and such determination may be based, solely or partially, upon the expenses we incur or the then-current fair market value of the items provided to you. We may also allow third party service providers to allocate expenses to each agency. At our discretion, we are also permitted to deduct from the payments we make to you: (a) the costs and expenses incurred by us (including, but not limited to, our reasonable labor and administrative costs) as a result of your failure to conduct your Brightway Location in compliance with our procedures and standards of operation; and (b) any payments we make in good faith to your vendors or suppliers in order to cure your failure to make such payments on a timely basis.
- (4) In the event you are eligible to renew the Franchise Agreement but elect not to do so, then we will pay you certain post-term compensation in 24 monthly installments via electronic funds transfer, so long as

your Brightway Location generated more than \$20,000 in Brightway Sales Commissions paid to you during the most recent twelve full months of operation preceding non-renewal.

- (5) All transfers are subject to our prior consent, and Agency Owners must meet various conditions in order to obtain our consent. No transfer fee is payable to us by the transferee in the event of a gift transfer where you do not retain any interest in the Agency Owner entity and you waive your rights to the post-termination compensation described in Note 4 above.
- (6) From time to time we may provide you with local advertising and marketing materials at a reasonable price, and we reserve the right to charge a reasonable price for providing these materials. We may require you to participate in such cooperative or other advertising and/or marketing programs as we prescribe from time to time in the Confidential Operating Manual. We do not currently have any cooperative advertising programs; however, in the event created, your contributions shall be capped at 3% of your Brightway Sales Commissions and credited against the Local Advertising Requirement (if imposed). The cooperative may, by the majority vote of its members, require a contribution in excess of the Local Advertising Requirement. Franchisor outlets will not have any voting power regarding fees imposed by franchisee cooperatives.
- (7) If we prevail in any action against you, or if any provision of the Franchise Agreement is enforced at any time by us, or if any amounts due from you to us are, at any time, collected by or through an attorney or collection agency, you will be liable to us for all costs and expenses of enforcement and collection including, but not limited to, court costs and reasonable attorneys' fees.
- (8) You must indemnify and hold us and our directors, officers, agents, attorneys and shareholders harmless in all actions arising out of or resulting from (a) your breach of the Franchise Agreement; (b) unauthorized use of the Licensed Marks or other proprietary materials; (c) the operation of your Brightway Location; (d) any professional or other negligence; (e) unauthorized transfer; (f) the infringement of any third party intellectual property rights; (g) libel, slander or any other form of defamation of us or our System; or (h) any incident, death, injury or damage to any person or property occurring in, on or about the premises of your Brightway Location.
- (9) We currently charge a fee of \$100 for the training of all new producers for an existing Brightway Location. In addition, you must pay the costs of wages, transportation, lodging and food during such additional training (if any). We may also provide such training at your request, at our sole discretion and subject to our availability.

TOTAL ESTIMATED INITIAL INVESTMENT (13)	\$56,900 to \$159,500			

NOTES

- (1)** Costs paid to us are not refundable. Whether any costs paid to third parties are refundable will vary based on the practice of such third party and the general practice in the area where your Brightway Location is located. Additionally, as described in Item 5, if you qualify for and are exercising your option to open an additional location, we will waive the Initial Fee.

- (2) The manner in which the Initial Fee is paid and the circumstances under which the Initial Fee may be reduced are explained in greater detail in Item 5. The low-end value of \$25,000 is only applicable if you choose to finance a portion of the initial fee. The high-end value of \$50,000 is applicable if you do not finance any portion of the initial fee. The low-end value represents the portion due and payable prior to opening your Brightway Location and does not include any financed payments due after you commence operations.
- (3) We expect that you will lease the retail office space for your Brightway Location. A typical retail office will occupy approximately 900 to 1,300 square feet of space. Lease payments will vary considerably depending upon the property size, type of transaction and location. The low-end estimate above assumes that you already own or have pre-existing access to a leased retail office space, and the high-end estimate above assumes that you will be leasing a new retail space and that the initial lease deposit for this space will be equal to two months of rent. Lease agreements may also include the following expenses: taxes, insurance, maintenance, fixed rent (with escalations), percentage rent, and other charges related to the operation of the Brightway Location.
- (4) Office build-out expenses can vary widely. Brightway Locations do not require extensive build-out; however, we permit franchisees who wish to do so to spend additional sums on leasehold improvements (though these additional amounts are not incorporated into the estimates above). In new retail space, you may expect to install carpet, paint, cabling and limited interior walls. There may also be plumbing or electrical costs. You should check with the relevant regulatory agencies to identify costs for required building permits, impact fees, taxes, bonds, licenses and other fees, which can vary dramatically depending on the location. The low-end estimate above assumes that you already have access to a retail office space which meets our minimum requirements, and therefore you will not incur any build-out expenses during the pre-opening period. In some cases, the landlord of an office or retail space may cover some portion of the cost of leasehold improvements.
- (5) You must purchase certain furniture and fixtures in order to operate your Brightway Location from a retail office space. The Brightway Location will require one desk and chair for each person working at the Brightway Location. Other items include desks, guest chairs and miscellaneous reception area and back-office furniture. The low-end estimate assumes you already have access to a fully furnished retail office space, and the high-end estimate assumes you will commence operations of your Retail Agency from a newly leased or unfurnished retail office space.
- (6) You must obtain certain equipment according to our Brightway Technology Specifications. You are required to maintain one laptop computer (properly configured for use within our System and purchased from our required vendor) for each person working at the Brightway Location. The computer purchase will occur through the purchase of a standardized workstation bundle which includes a docking station, monitor(s), headset, and other related network and computing items. The low-end estimate above assumes you are purchasing a single "Minimum" workstation bundle and the high-end estimate assumes you are purchasing "Standard" workstation bundles for you and two producers.
- (7) The type of signage to be installed at your retail office space is governed by local ordinances and lease provisions regarding height and size restrictions. The types and amount of signage will vary based on the type of location, landlord requirements, and city/municipality requirements. All signage must conform to the Brightway System specifications and must be submitted to us for approval prior to purchase and installation. You may be required to use our required vendor for signage. In some cases, the landlord of your retail office space may cover some or all of the cost of any exterior signage.

- (8) These figures represent the estimated costs of engaging an attorney, CPA or other business professionals to review this Disclosure Document and the accompanying agreements, to assist you in organizing a business entity and setting up your books, and to help you obtain required licenses and permits.
- (9) The estimated amount above includes the initial cost of the professional insurance policies that you will need to obtain and maintain according to our standards and specifications. These policies are described in detail in Item 8 and in your Franchise Agreement.
- (10) You are responsible for obtaining certain licenses required by the state in which you are located. The estimate above also includes any initial education costs associated with obtaining your licenses. The low-end estimate assumes that you have insurance experience and already possess the licenses necessary to operate your Brightway Location.
- (11) You are not required to expend any amount on grand opening advertising, however we recommend that you conduct an opening advertising program to promote the opening of your Brightway Location during the first 60 days following your soft opening. If you elect to do so, the amount of the opening advertising will be dependent on your unique circumstances, and we will work with you to determine an appropriate program during the time period following the execution of your Franchise Agreement and prior to your opening.
- (12) These figures are an estimate of your operating expenses for the initial six months of business. Both high-end and low-end estimates include rent, taxes, insurance, supplies, utilities, technology costs, licenses and permits, bank charges and repair and maintenance expenses. They also include the costs of an opening advertising program, which will generally consist of primarily grass roots advertising but may involve printing and other costs necessary to generate referral sources. They do not include the portion of commissions withheld by us. The low-end estimate assumes you will not employ any other individuals to work full time writing New Business from your Brightway Location during the additional funds period, that you will have strong initial sales and will qualify for the Sunrise program. The high-end estimate assumes that you will employ two other individuals to work full-time writing New Business from your Brightway Location. The high-end estimate also assumes you will have low initial sales. These figures are estimates that we prepared using our internal pro forma statements we provide to franchisees, and do not include any amounts for owner salary. We cannot guarantee that you will not have additional expenses starting the business. Your costs will depend on factors such as: the size of your Premises; your management skill, experience and business acumen; number of producers and other staff; financing costs; local economic conditions; the local market for insurance products; the prevailing wage rate; competition; and the sales levels reached during the initial period. You will be required to pay Agency Owner Shared Expenses during this six-month period. These currently include, without limitation, fees for Agency Management System (AMS360), Office 365 access (Outlook, OneDrive, PowerBI, Microsoft Apps), IT Support and Implementation, Errors and Omissions Coverage, and Marketing items (YEXT, Web hosting). We reserve the right to amend or supplement the Agency Owner Shared Expenses at any time. See Item 6.
- (13) You should review these figures carefully with a business advisor before making any decision to purchase the franchise. We have prepared these estimates based on our years of experience as a franchisor, our experience in operating insurance agencies similar to those that are offered under this Disclosure Document, as well as a survey we recently conducted by asking Agency Owners that opened within the past year to share their initial investment costs. Except as expressly indicated otherwise, these estimates cover your initial cash investment to open your business. They do not provide for your cash needs to

cover any financing incurred by you or your other expenses. You should not plan to draw income from the operation during the start-up and development stage of your business, the actual duration of which will vary materially from location to location and cannot be predicted by us for your business (and which may extend for longer than the six month “initial phase” described in Note 13). You must have additional sums available, whether in cash or through a bank line of credit or have other assets which you may liquidate or against which you may borrow, to cover other expenses and any operating losses you may sustain, whether during your start-up and development stage, or beyond. The amount of necessary reserves will vary greatly from franchisee to franchisee and will depend upon many factors, including the rate of growth and success of your business, your ability to operate efficiently and in conformance with our recommended methods of doing business, and competition. Because the exact amount of reserves will vary from operation to operation and cannot be meaningfully estimated by us, we urge you to retain the services of an experienced accountant or financial advisor to develop a business plan and financial projections for your particular operation.

NOTES

- (1) Costs paid to us are not refundable. Whether any costs paid to third parties are refundable will vary based on the practice of such third party and the general practice in the area where your Brightway Location is located. Additionally, as described in Item 5, if you qualify for and are exercising your option to open an additional location, we will waive the Initial Fee.
- (2) The manner in which the Initial Fee is paid and the circumstances under which the Initial Fee may be reduced are explained in greater detail in Item 5.
- (3) A typical Office Agency will occupy approximately 100 to 600 square feet of professional office space. Lease payments will vary considerably depending upon the property size, type of transaction and location. The low-end estimate above assumes that you will not be required to pay any rent because you are (i) the owner of the professional office space, or (ii) your agreement with the owner of the professional office space does not require you to pay any rent. The high-end estimate assumes you will begin operations from a professional office space and includes one month of rent and a lease deposit equal to another month of rent. Lease agreements may also include the following expenses: taxes, insurance, maintenance, fixed rent (with escalations), percentage rent, and other charges related to the operation of the Brightway Location.
- (4) Brightway Office Agencies do not require any specific build-out. The low-end estimate assumes that no buildout is required, and the high-end estimate assumes limited painting or similar costs that you elect to incur.
- (5) You are not required to purchase any specific furniture or fixtures for your Office Agency. The Brightway Location will require one desk and chair for each person working at the Brightway Location, and you may also wish to purchase other desks and guest chairs. The low-end estimate assumes that you will not need to purchase any furniture or fixtures because you already own these items or your professional office space will already have these items available for you.
- (6) You must obtain certain equipment according to our Brightway Technology Specifications. You are required to maintain one laptop computer (properly configured for use within our System and purchased from our required vendor) for each person working at the Brightway Location. The computer purchase will occur through the purchase of a standardized workstation bundle which includes a docking station, monitor(s), headset, and other related network and computing items. The low-end estimate above assumes you are purchasing a single "Minimum" workstation bundle and the high-end estimate assumes you are purchasing "Standard" workstation bundles for you and an additional producer.
- (7) The Brightway Office Agency does not require the purchase of any signage. You may choose, but are not required, to install signage for your Office Agency that has been approved by us.
- (8) These figures represent the estimated costs of engaging an attorney, CPA or other business professionals to review this Disclosure Document and the accompanying agreements, to assist you in organizing a business entity and setting up your books, and to help you obtain required licenses and permits.
- (9) The estimated amount above includes the initial cost of the professional insurance policies that you will need to obtain and maintain according to our standards and specifications. These policies are described in detail in Item 8 and in your Franchise Agreement.

- (10) You are responsible for obtaining certain licenses required by the state in which you are located. The estimate above also includes any initial education costs associated with obtaining your licenses. The low-end estimate assumes that you have insurance experience and already possess the licenses necessary to operate your Brightway Location.
- (11) You are not required to expend any amount on grand opening advertising, however we recommend that you conduct an opening advertising program to promote the opening of your Brightway Location during the first 60 days following your soft opening. If you elect to do so, the amount of the opening advertising will be dependent on your unique circumstances, and we will work with you to determine an appropriate program during the time period following the execution of your Franchise Agreement and prior to your opening.
- (12) These figures are an estimate of your operating expenses for the initial six months of business. Both the high-end and low-end estimates include rent, taxes, insurance, supplies, utilities, technology costs, licenses and permits, bank charges and repair and maintenance expenses. They do not include the portion of commissions withheld by us. The low-end estimate assumes you will not employ any additional individuals, that you will have strong initial sales and will remain qualified for the Sunrise program. The high-end estimate assumes that you will employ one other individual to work full-time writing New Business from your Brightway Location. The high-end estimate also assumes you will have low initial sales. These figures are estimates that we prepared using our internal pro forma statements we provide to franchisees, and do not include any amounts for owner salary. We cannot guarantee that you will not have additional expenses starting the business. Your costs will depend on factors such as: your decision to operate from a home office before moving into a professional office space; the size of your Premises; your management skill, experience and business acumen; financing costs; local economic conditions; number of producers and other staff; the local market for insurance products; the prevailing wage rate; competition; and the sales levels reached during the initial period.
- (13) You should review these figures carefully with a business advisor before making any decision to purchase the franchise. We have prepared these estimates based on our years of experience as a franchisor, the costs incurred by all Office Agencies that have opened since the program was launched in 2019 and provided us with relevant cost information, and our general knowledge of the insurance industry. Except as expressly indicated otherwise, these estimates cover your initial cash investment to open your business. They do not provide for your cash needs to cover any financing incurred by you or your other expenses. You should not plan to draw income from the operation during the start-up and development stage of your business, the actual duration of which will vary materially from location to location and cannot be predicted by us for your business (and which may extend for longer than the six month "initial phase" described in Note 13). You must have additional sums available, whether in cash or through a bank line of credit or have other assets which you may liquidate or against which you may borrow, to cover other expenses and any operating losses you may sustain, whether during your start-up and development stage, or beyond. The amount of necessary reserves will vary greatly from franchisee to franchisee and will depend upon many factors, including the rate of growth and success of your business, your ability to operate efficiently and in conformance with our recommended methods of doing business, and competition. Because the exact amount of reserves will vary from operation to operation and cannot be meaningfully estimated by us, we urge you to retain the services of an experienced accountant or financial advisor to develop a business plan and financial projections for your particular operation.

ITEM 8:
RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

To protect the reputation and goodwill of the Brightway System, and to maintain standards of operation under the Licensed Marks, you must operate your Brightway Location in strict conformance with our methods, standards, and specifications which we prescribe in our Confidential Operating Manual and various other confidential manuals and writings prepared for use by you in operating a Brightway Location (collectively, the “Manual”), which we may change at our sole discretion. When any provision in the Franchise Agreement requires that you comply with any standard, specification or requirement of Brightway, unless otherwise indicated, such standard, specification or requirement shall be such as is set forth in the Franchise Agreement or the Manual.

Approved Insurance Products and Services

You may only offer and sell insurance policies written by the Contracted Companies through us. We reserve the right to change the Contracted Companies at any time. You are not permitted to be licensed as an agent, solicitor, representative or broker for any insurance company or business other than Brightway and the Contracted Companies unless authorized by us in writing. We will, at our sole discretion and with our Contracted Companies’ approval, determine which Contracted Companies you may use, as well as which lines of insurance and specific policy types you may sell with such Contracted Companies. Upon request, we will provide you with a list of the Contracted Companies. We will negotiate all contracts with the Contracted Companies, including the compensation paid by them for the sale, renewal, service or delivery of policies. The primary service which will be offered by you will be property and casualty insurance. However, we may authorize you to offer other services such as life insurance. You are not permitted to conduct any business with regard to any type of insurance that has not been approved by us, or for which you are not licensed by the appropriate insurance, securities or other regulatory authorities. Additionally, you are not permitted to conduct any business of any kind other than your Brightway Location business, either from the Brightway Location or through the corporate entity that owns and operates the franchise.

New agencies operated by a Designated Agency Principal with less than one year of recent property and casualty insurance experience must participate in our Enhanced Supervision Program (“ESV Program”). The ESV Program includes additional training, supervision and resources for inexperienced agents, as well as review and assistance prior to binding new business during an initial period of operations. See Item 11.

Lease and Leasehold Improvements

We expect that you will lease the location for your Brightway Location. A typical Retail Agency will occupy approximately 900 to 1,300 square feet of retail space. A typical Office Agency will occupy approximately 100 to 600 square feet of professional office space.

We must approve your location and lease terms before you sign a lease for a location. Our approval of any relocation, including a relocation from a professional office space to retail office space, will be conditioned on your satisfaction of our minimum staffing requirements. If you are opening a Retail Agency, we will condition our approval of your lease upon, among other conditions, you and your landlord’s signing of our Collateral Assignment of Lease, where your landlord grants us the right to assume your rights and obligations under the lease in the event that you breach your lease, or your Franchise Agreement is terminated or expires. Office Agencies are not currently required to execute a Collateral Assignment of Lease.

You are not permitted to relocate your Brightway Location without our prior written consent. If, for any reason, you cannot continue to occupy the premises during the term of your Franchise Agreement, you must notify us of your intention to relocate at least 90 days prior to closing operations at the existing premises and be open for business at a new mutually agreed-upon location within 30 days of closing business at the existing premises.

The Brightway Location shall conform to our standards and specifications for appearance, layout and design. Brightway Locations do not require extensive build-out. For Retail Agencies, you may expect to install carpet, paint and limited interior walls. You must also submit all preliminary and final plans and specifications to us for approval, and you may not make material modifications to the approved plans without our consent. You may not operate your Brightway Location until construction of your premises is completed in accordance with the approved site and building plans, and we have provided you with authorization to open.

Furniture, Fixtures, Equipment and Signage

You are required to purchase, install and maintain all furnishings, fixtures, equipment and signage as we deem necessary and appropriate for your business, as specified in the Manual, which may include requirements that you purchase certain items only from designated suppliers, including us, our affiliates, and/or third parties. We may negotiate volume purchase agreements with some vendors for the purchase of equipment needed to operate your business.

Currently, we require that Retail Agencies have desks, guest chairs and miscellaneous reception area and back-office furniture. Office Agencies are required to have approved workstation furniture for each producer.

You are required to acquire and utilize the telephone system or software that we designate. The system currently must be purchased from and installed by our required vendor. You also must use designated fax lines (which may be Internet-based) in connection with the operation of your Brightway Location.

In addition to the telephone system and fax lines, you must purchase additional products and services, which may include certain signs, electronic documentation services, signage, furnishings, supplies, fixtures, computer hardware and software, technology services and other products and services from Brightway or designated or required vendors as we may specify in the Manual or otherwise in writing. We or our affiliates may be one of several or the only approved supplier of any item.

Currently, we are the sole approved supplier of certain proprietary software programs that you will use in conjunction with certain approved third party provided software programs to facilitate the sales process. The fee for these programs will be included as an Agency Owner Shared Expense, as described in more detail in Item 6. Except for these proprietary software programs, neither we nor our affiliates are the approved supplier of any items. However, should you choose to write business through certain non-admitted carriers or brokers, our affiliate FCI may be the only managing general agent through which you can write policies on behalf of those specific carriers/brokers. With that being said, we do not require you to write policies with any specific carriers, so you will not be required to use FCI.

Apart from any products and services identified as source-limited in this disclosure document, all other furnishings, fixtures, finishes, equipment and supplies for your business may be selected by you, and purchased from vendors you choose, so long as they are compatible with our established computer and other systems and meet our quality standards and minimum equipment specifications set forth in the Manual. Upon our request, you must promptly acquire, install, update or replace any furnishings, equipment, including the telephone system or any computer hardware or software, designated by us for use pursuant to the Brightway System and the Brightway Technology Specifications.

As described in Item 6, we will charge you for your portion of certain Agency Owner Shared Expenses. Your portion of such expenses will be determined by us in good faith, and such determination may be based, solely or partially, upon the costs we incur or the then-current fair market value of the items we provide to you (and therefore may be in excess of the costs actually incurred by us on your behalf).

In the event you wish to purchase any approved items from an unapproved supplier, you must provide us with the name, address and telephone number of the proposed supplier, a description of the item you wish to purchase, and the purchase price of the item, if known. If we incur any costs in connection with evaluating an unapproved item or supplier at your request, you or the supplier must reimburse us for our reasonable testing costs, regardless of whether we subsequently approve the item or supplier. We will notify you of approval or disapproval within 15 business days of receiving all requested information, and failure to provide notice during this timeframe will be deemed a disapproval. We are not required to approve any particular supplier. We may revoke our approval of particular items or suppliers when we determine, at our sole discretion, that such items or suppliers no longer meet our standards. Upon receipt of written notice of such revocation, you must cease purchasing items from such supplier. You must use items purchased from approved suppliers solely in connection with the operation of your Brightway Location and not for any competitive business purpose.

Insurance

You must maintain in full force and effect the types of insurance that you determine are necessary or appropriate for the operation of your business, which shall include, at a minimum, insurance policies of the kinds and in the amounts required by us. The Franchise Agreement currently requires you to obtain and maintain in full force and effect: (a) a standard Business Owners Policy providing coverage for your place of business with liability limits of not less than \$1,000,000/\$1,000,000; (b) a Workers Compensation Policy with liability limits of not less than \$500,000/\$500,000; (c) an Employment Practices Liability Policy providing coverage for your entity with liability limits of not less than \$500,000/\$500,000; and (d) any other types of policies that we determine are necessary for the operation of a Brightway Location, as communicated in the Manual or otherwise in writing. We do not designate the insurance carriers you must use for these purposes. You also must carry such insurance as may be required by your lease or by any of your lenders or equipment lessors. You must maintain these insurance levels throughout the term of your Franchise Agreement.

You must add us and our designees or assignees to all insurance contracts as additional insureds under the insurance policies, the cost of which will be paid by you. The types and amounts of insurance you are required to obtain and maintain may be modified by amendments to the Manual, or otherwise in writing by us. You must promptly provide us with all of your certificates of insurance, each of which must state that the policy will not be cancelled or materially altered without at least 30 days' prior written notice to us. If you fail to comply with our minimum insurance requirements, we have the right to obtain such insurance and keep the same in force and effect. You must pay us, on demand, the premium cost of this insurance, as well as administrative costs of 18% in connection with us obtaining the insurance.

Subject to the prior approval of our carrier, we will endorse our Errors and Omissions insurance policy to provide Errors and Omissions insurance coverage for you. We will calculate, or allow our Errors and Omissions insurance carrier to allocate, your share of our Errors and Omissions insurance policy premium in a fair and reasonable manner and will deduct such amount from the compensation you are to receive from us. This cost is included in the Agency Owner Shared Expenses described above. You may be required to participate in Errors and Omissions loss control seminars from time to time at our request. In the event you fail to participate in such seminars, you may be assessed an additional amount for Errors and Omissions coverage. You will be responsible for the

payment of all deductibles or other settlement costs payable on claims against you or any of your officers, directors, shareholders, employees or independent contractors.

Advertising

You may not use our trade name, trademarks or other intellectual property in any advertising or promotional materials or literature without our prior consent. You must submit to us for approval samples of all advertising to be used by you which has not been prepared or previously approved by us. You may use only business stationery, business cards, printed materials or forms which have been approved in advance by us. You may not employ any person to act as your representative in connection with local promotion of your business in any public media without our prior approval. At your expense, you must: (a) obtain listings of your business in appropriate business directories and publications (both Internet and non-Internet based), and engage in appropriate Internet strategies designed to drive business to your Brightway Location, all as specified from time to time by us; and (b) obtain and maintain any special promotional materials of the kind and size as we may from time to time require for comparable Brightway Locations.

From time to time, we may provide you with local advertising and marketing materials, including merchandising materials, sales aids, special promotions and similar advertising, and we reserve the right to charge a reasonable price for providing these materials. You must participate in all cooperative advertising and/or marketing programs as are from time to time prescribed by us. The terms and conditions required for participation in any such programs will be as specified in the Manual or otherwise in writing.

Our approval of any advertising or promotional materials or programs may be withdrawn at any time, and you must immediately cease the use and display of any materials or programs for which our approval has been withdrawn.

Computer Hardware and Software

You must engage our required vendor to obtain and install computer hardware, required dedicated telephone lines, a high-speed Internet connection, modems, printers, and other computer-related accessories or peripheral equipment as we may specify in the Manual or otherwise in writing from time to time. You must utilize any software programs, system documentation manuals, and other technology as outlined in the Brightway Technology Specifications, and other proprietary materials provided by us in connection with the operation of your Brightway Location. You must input and maintain in your computer the software programs, data and information as we prescribe.

You shall have the sole and complete responsibility for: (a) the acquisition, operation, maintenance, and upgrading of any computer hardware and software used in connection with the operation of your Brightway Location; and (b) any and all consequences that may arise if the computer hardware and software is not properly maintained, operated, and upgraded. We have the right to require you to enter into a separate maintenance agreement for computer hardware and software. Upon our request, you must promptly acquire, install, update or replace any computer hardware and software designated by us for use pursuant to the Brightway System or the Brightway Technology Specifications.

General

As we determine client preferences and trends in the marketplace, or develop new marketing techniques, technologies, products and services, we anticipate that we will formulate and modify our standards and

specifications as we consider appropriate and useful, and notify you through amendments to the Manual, articles, newsletters, or other bulletins.

Except as specifically noted above, we and our affiliates are not suppliers for any of the goods or services you must acquire. Our affiliate FCI is a managing general agent that may provide certain brokerage services to franchisees and retain an industry-standard share of commissions. If you elect to engage a managing general agent, FCI may be the only available option for writing policies with certain non-admitted carriers. However, we do not require you to write policies with any specific carriers, so you will not be required to use FCI. None of our officers currently own an interest in any other approved suppliers.

At the present time, we do not receive rebates or any material benefits from any supplier for the purchase of goods or services by you or other franchisees, though we may receive certain benefits from contingency programs implemented by Contracted Companies (who are not suppliers). You will not receive any material benefit from purchasing from approved or designated suppliers, though you may receive certain benefits from contingency programs implemented by Contracted Companies, as we determine in our sole discretion. There are currently no purchasing or distribution cooperatives.

During the fiscal year ended December 31, 2023, we did not derive any profit from required franchisee purchases or leases.

We estimate that the purchase of goods and services that are subject to our standards and specifications represents approximately 75% of all purchases and leases necessary to open your Brightway Location as a Retail Agency, and approximately 40% of your annual costs of goods and services necessary to operate your Brightway Location as a Retail Agency on an ongoing basis.

We estimate that the purchase of goods and services that are subject to our standards and specifications represents approximately 40% of all purchases and leases necessary to open your Brightway Location as an Office Agency, and approximately 40% of your annual costs of goods and services necessary to operate your Brightway Location as an Office Agency on an ongoing basis.

ITEM 10: FINANCING

Office Agency Initial Fee Financing; Retail Agency Conversion Fee Financing

We offer new Agency Owners the option of financing a portion of the Initial Fee for opening an Office Agency (see Exhibit M). The total Initial Fee for a financed Office Agency is \$39,030.

For financed Office Agencies, qualified prospective Agency Owners may pay \$15,000 in lump sum contemporaneously with the execution of the Franchise Agreement and enter into our prescribed form of promissory note pursuant to which the remaining \$24,030 will be financed. To qualify for financing, a prospective Agency Owner must satisfy certain uniform criteria including, without limitation, exceeding our then-current minimum liquidity and credit score requirements, and must not have any material outstanding liens or judgments against it or any of its principals. If you qualify for a veteran discount, your lump sum payment will be discounted by 10%.

Current qualified Office Agency owners who wish to convert to a Retail Agency may pay a conversion fee, the amount of which will depend on whether the Retail Agency Conversion Fee is partially financed or paid in lump sum. If paid in full, the Retail Agency Conversion Fee will be equal to \$20,000. If the Retail Agency Conversion Fee is partially financed pursuant to the promissory note attached to this Disclosure Document as Exhibit M, the fee and financed amount will be equal \$29,030, comprised of \$24,030 financed pursuant to a promissory note, and a \$5,000 lump sum payment due upon executing of the note. We do not currently finance the conversion fee for any Office Agency owner who has an outstanding principal balance on any other note with us. In order to qualify for Retail Agency conversion fee financing, you must: (i) first fully satisfy all outstanding notes with us, (ii) meet any then-current minimum performance criteria, and (iii) meet certain uniform financial criteria including, without limitation, exceeding our then-current minimum liquidity and credit score requirements, and satisfactorily establish that neither the Agency Owner nor any of its principals has any material outstanding liens or judgments.

The Office Agency Initial Fee promissory note and Retail Agency Conversion Fee promissory note (see Exhibit M) include the following terms:

- (i) a principal balance equal to \$24,030 (not subject to any veteran discount);
- (ii) Unless the Franchise Agreement is terminated or assigned to a third party, no amount shall be due or payable until the date of the first commission run in the seventh (7th) month after you open your Brightway Location. If you are financing the Retail Agency Conversion Fee and your Office Agency has already been open for at least six (6) months, the first payment shall be due the month following execution of the Retail Agency Conversion Addendum and Note. On that date, and for exactly fifty-three (53) months subsequent (54 monthly payments total, unless terminated earlier as described in numeral (iii) below), you will be responsible for making monthly payments of \$445 each.

(iii) upon the earlier of (a) the termination or expiration and non-renewal of the Franchise Agreement, or (b) any transfer or assignment of the Franchise Agreement to a third party, if the assignee does not also assume this Note, the aggregate unpaid principal amount shall be immediately due and payable on the 2nd business day of the following month;

(iv) no interest shall accrue on the note;

(v) any payments not made within five (5) days of the date due shall be subject to a five percent (5%) late fee;

(vi) the outstanding principal balance may be prepaid by you at any time, without penalty, if paid in full; and

(vii) you may make exactly one (1) partial prepayment per 365-day period without penalty, provided, however, that no additional partial prepayments shall be permitted during a single 365-day period.

Retail Agency Initial Fee Financing

We offer new Agency Owners and qualified Office Agency owners the option of financing a portion of the Initial Fee for opening a Retail Agency (see Exhibit F). The total Initial Fee for a financed Retail Agency is \$65,068.

For financed Retail Agencies, qualified prospective Agency Owners may pay \$25,000 in lump sum contemporaneously with the execution of the Franchise Agreement and enter into our prescribed form of promissory note pursuant to which the remaining \$40,068 will be financed. To qualify for financing, a prospective Agency Owner must satisfy certain uniform criteria including, without limitation, exceeding our then-current minimum liquidity and credit score requirements, and must not have any material outstanding liens or judgments against it or any of its principals. If you qualify for a veteran discount, your lump sum payment will be discounted by 10%.

The Retail Agency Initial Fee promissory note includes the following terms:

(i) a principal balance equal to \$40,068 (not subject to any veteran discount);

(ii) Unless the Franchise Agreement is terminated or assigned to a third party, no amount shall be due or payable until the date of the first commission run in the seventh (7th) month after you open your Brightway Location. On that date, and for exactly fifty-three (53) months subsequent (54 monthly payments total, unless terminated earlier as described in numeral (iii) below), you will be responsible for making monthly payments of \$742 each.

(iii) upon the earlier of (a) the termination or expiration and non-renewal of the Franchise Agreement, or (b) any transfer or assignment of the Franchise Agreement to a third party, if the assignee does not also assume this Note, the aggregate unpaid principal amount shall be immediately due and payable on the 2nd business day of the following month;

(iv) no interest shall accrue on the note;

(v) any payments not made within five (5) days of the date due shall be subject to a five percent (5%) late fee;

(vi) the outstanding principal balance may be prepaid by you at any time, without penalty, if paid in full; and

(vii) you may make exactly one (1) partial prepayment per 365-day period without penalty, provided, however, that no additional partial prepayments shall be permitted during a single 365-day period.

General Notes to all Financing Offers

In the event you default under the terms of a note, such default will also be considered a default under your Franchise Agreement. In addition, in the event you default under the terms of the Franchise Agreement, such default will be considered a default under the note.

In the event you default under the terms of the note, interest will accrue at the highest rate permitted under existing Florida law, not to exceed 18%, on the then-outstanding principal balance and accrued interest (if applicable), until such time as you make such payments to us. In addition, if you default we will have the option to declare all of the then-outstanding principal balance and all accrued interest immediately due and payable. Furthermore, we will have the right to offset against any amounts we owe you under your Franchise Agreement against any amounts you owe us under the terms of a note. If you default, you will be required to pay all of our costs of collection and enforcement of the note, including reasonable attorneys' fees, costs, and expenses. The terms of each note require you to consent to a confession of judgment, to waive notice and waive your right to a jury trial, as well as presentment, protest and notice of dishonor.

The note must be guaranteed by all persons owning an equity interest in Agency Owner and their spouses. The form of guaranty is attached to the notes found in Exhibit F and Exhibit M to this Disclosure Document. As of the issuance date of this Disclosure Document it is not our practice to sell, assign, or discount to a third party all or part of the financing arrangement, however we are presently exploring options to sell or assign Retail Agency Conversion/Initial Fee and Office Agency Initial Fee Notes to a third party. Such an arrangement will not diminish our obligations under the Franchise Agreement, however affected borrowers may lose all defenses against the lender as a result of any sale or assignment.

Except as otherwise provided above, we do not offer direct or indirect financing. We will not guarantee your note, lease or other obligation.

ITEM 11: FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS & TRAINING

Except as listed below, we are not required to provide you with any assistance.

Our Obligations Prior To Opening

Before you open your business, we will:

1. Provide you, to the extent we deem appropriate at our sole discretion, with information concerning site evaluation, as well as preliminary plans and layouts for your Brightway Location. (Franchise Agreement, Section 5(a)). We will review your preliminary and final plans and specifications of your Brightway Location, and you may not move forward until you receive our approval. (Franchise Agreement, Section 6(a)). We will review your lease for your business premises and you may not sign the lease until you receive our

approval. (Franchise Agreement, Section 6(a)). You will acquire or lease your premises from a third party. We will not own or lease the premises to you. Franchisees may elect to open from a home office location, in which case these obligations will be performed within 90 days of opening.

2. Provide you, to the extent we deem appropriate at our sole discretion, with standards and specifications for fixtures, furniture, finishes, signs, improvements, equipment and other related facilities required for use in your Brightway Location. (Franchise Agreement, Section 6(a)).

3. Provide you, to the extent we deem appropriate at our sole discretion, with information concerning sources of signs, equipment, fixtures, furnishings, improvements and other products and services required for the buildout and operation of your Brightway Location. (Franchise Agreement, Section 5(a)).

4. Provide you with initial training for your Principal, as described below. The new hire set-up fee applicable to any additional trainees will be set forth in our Manual and is subject to change from time to time at our sole discretion. Your producers are required to successfully complete our training program. (Franchise Agreement, Section 5(a)).

5. Provide you with such pre-opening or opening assistance in the initial operation of your business as we deem appropriate.

6. Provide you with access to the Manual, which describes our System and the mandatory and recommended standards and procedures for the operation of your business. The Manual remains our property. We retain the right to change the Manual and the elements of the System at any time, and you agree to comply with such new or changed provisions. (Franchise Agreement, Section 10(a)).

7. Provide you with specifications of all computer software programs that are required in the operation of your business, including but not limited to the Brightway Technology Specifications, which programs may be updated or modified by us from time to time. Any proprietary programs shall remain our property and shall be on loan to you. (Franchise Agreement, Section 5(a)).

8. Provide you, to the extent we deem appropriate in our sole discretion, with access to our website, as well as a webpage dedicated to your Brightway Location that you must use in conjunction with the operation of your Brightway Location. (Franchise Agreement, Section 5(a)).

9. Provide you with express authorization to open your business for operation. You must open your business for operations no later than 180 days after the date the effective date of your Franchise Agreement. (Franchise Agreement, Section 6(a)).

Selecting the Location for Your Business

We will provide you with information regarding our standards for site selection. We must approve the proposed site for your Brightway Location. (Franchise Agreement, Section 6(a)). We may approve or deny any proposed site at our sole discretion. You may execute the Franchise Agreement prior to selecting a site for your business. If no site has been designated at the time you sign the Franchise Agreement, you must enter into our form of Site Selection Addendum, attached as Exhibit 5 to the Franchise Agreement. Once you propose a site, we will have 21 days to review it; we will notify you of approval or disapproval of the proposed site within the 21-day period. (Franchise Agreement, Exhibit 5).

A typical Retail Agency will occupy approximately 900 to 1,300 square feet of retail space. A typical Office Agency will occupy approximately 100 to 600 square feet of professional office space.

We do not select the site for your Brightway Location. You are solely responsible for selecting the site of your Brightway Location. If we offer assistance to you in this regard, you may not construe our assistance as a guarantee or other assurance that the site will necessarily be successful. Our acceptance of a site only indicates our willingness to be represented by you at that site. The factors we consider in approving Brightway Locations include but are not limited to general location and neighborhood, traffic patterns, parking, retail nature of location (preferably, for Retail Agencies, within strip malls or similar locations), physical characteristics of buildings, accessibility, availability for prominent signage (for Retail Agencies), lease terms, competition from similar businesses in the area (including other Brightway Locations), population, and market growth.

You must submit a copy of any proposed lease agreement, which must be approved by us. The lease must provide us with the right to enter the premises to make any modification necessary to protect the Licensed Marks, and, if you are opening a Retail Agency, you must enter into a Collateral Assignment of Lease in a form substantially the same as that attached as Exhibit K to this Disclosure Document. Under this Collateral Assignment of Lease, we will receive notice of your default of the lease, a right to cure such default, the right to assume the lease, and the right to sublease or assign the lease to another Brightway System franchisee. Office Agencies are not currently required to execute a Collateral Assignment of Lease. We will have the right to inspect the construction of the premises at any reasonable time. You must correct, upon our request and at your own expense, any deviation from the approved site layout and plan and must furnish us with a copy of the certificate of completion from your architect that the Brightway Location was built in accordance with the approved final plans and specifications and in compliance with all applicable laws. You must then obtain our approval of the completed construction prior to operating the Brightway Location at the approved premises. (Franchise Agreement, Section 6(a)).

Time to Open Your Business

We estimate that it will take approximately 60-120 days from the date you sign your Franchise Agreement to open your Brightway Location. The factors that may affect this time period include your ability to obtain a lease or financing, building permits, zoning and local ordinances, weather, the time needed to secure carrier appointments, construction delays, delayed installation of equipment, fixtures and signs, or delays in the completion of your initial training. You must provide us with documentation showing you have accurately applied for all required licenses within 90 days of signing your Franchise Agreement, and you must locate an approved site (professional office space or retail office space, as applicable) and open your Brightway Location to transact business with the public no later than 180 days after signing your Franchise Agreement. If you fail to apply for all required licenses and/or commence operating within this timeframe, we have the right to terminate the Franchise Agreement. (Franchise Agreement, Section 6(a)).

Our Obligations After Opening

During the operation of your business, we will:

1. To the extent we deem it appropriate, provide you with:
 - (a) Periodic assistance in local advertising and marketing;

- (b) Periodic individual or group business consulting in the operation of a Brightway Location;
- (c) Advice concerning operations of a Brightway Location;
- (d) Advice and guidance with respect to new and improved methods of operation or business procedures developed by us, as well as use of the Manual, management materials, promotional materials, advertising formats, and the Licensed Marks; and
- (e) Periodic inspections of your premises and the products and services you offer. (Franchise Agreement, Section 5(b)).

2. Provide you with the opportunity to participate in group purchasing programs for equipment, supplies, and insurance that we may, from time to time, use, develop, sponsor or provide. (Franchise Agreement, Section 5(b)).

3. Approve the Principal that will work at your Brightway Location. (Franchise Agreement, Section 7(l)).

4. Use our commercially reasonable best efforts to provide you with access to, and the opportunity to write insurance for, certain of the Contracted Companies (but only for the lines of business and types of policies we specify, at our discretion). We will not be required to undertake such efforts with regard to any insurance business for which your staff is not properly licensed or sufficiently trained, as determined at our sole discretion. (Franchise Agreement, Section 5(c)).

5. Provide you with access to our “Engagement Center,” which provides you with service and support for all of your client accounts. (Franchise Agreement, Section 5(c)).

6. Provide technology and other services, to the extent we deem necessary at our sole discretion, with regard to accounting for, and processing of, all applications for insurance policies and all policies issued, renewed, endorsed, changed, serviced, delivered or canceled on behalf of your client accounts. (Franchise Agreement, Section 5(c)).

7. Subject to the approval of our carrier, we will endorse our Errors and Omissions insurance policy to provide Errors and Omissions insurance to you, at your expense. (Franchise Agreement, Section 5(c)).

8. Provide you with information regarding your client accounts, including statements and other information received from Contracted Companies relating to such client accounts. Such information will be given in a form and manner we specify. (Franchise Agreement, Section 5(v)).

9. If you elect to conduct opening advertising, work with you to determine an appropriate amount to spend. (Franchise Agreement, Section 11(f)).

10. If we decide to do so, implement incentive programs to reward Agency Owners for their performance. Currently, we offer a “Horizons” incentive program through which tenured Retail Agency Owners are able to retain a higher percentage of Brightway Sales Commissions for new policies written. We also currently offer new Agency Owners who satisfy our current minimum operational and performance criteria the opportunity to retain additional Brightway Sales Commissions on new policies written during the first two years

of operations pursuant to the “Sunrise” bonus program. See Item 6. You must qualify for these types of programs, which are purely voluntary, and we have the right to stop offering incentive programs at any time.

Advertising

We reserve the right to establish a national advertising and marketing fund (the “Advertising Fund”) for the common benefit of the System. If we establish an Advertising Fund, you must participate in and contribute an amount we specify, which will not exceed 3% of your Brightway Sales Commissions, on a monthly basis to the Advertising Fund in the manner we prescribe. We have the right to use the Advertising Fund contributions, at our sole discretion, to develop, produce, and distribute national, regional and/or local advertising and to create advertising materials and public relations that promote, in our sole judgment, the services offered by System Agency Owners. We may use the Advertising Fund to satisfy any and all costs of maintaining, administering, directing, preparing, and producing advertising, including: (a) the cost of preparing and producing television, radio, magazine, and newspaper advertising campaigns; (b) the cost of direct mail; (c) the cost of public relations activities and advertising agencies; (d) the cost of developing and maintaining an Internet website; and (e) personnel and other departmental costs for advertising that we internally administer or prepare. Nevertheless, not all System Agency Owners will benefit directly or on a pro rata basis from such expenditures. While we do not anticipate that any part of the Advertising Fund contributions will be used for advertising which is principally a solicitation for the sale of franchises, we reserve the right to use the Advertising Fund for public relations or building recognition of the Brightway brand and to include a notation in any advertisement indicating “Franchises Available”. (Franchise Agreement, Section 11(d)).

We have the sole right to determine how to spend contributions to the Advertising Fund, or any funds from any other advertising program, and the sole authority to determine the selection of the advertising materials and programs; provided, however, that we will make a good faith effort to expend such funds in the general best interests of the System on a national or regional basis. We may use the Advertising Fund to maintain high quality standards through customer surveys, customer interviews, and other similar initiatives. We have the right to reimbursement from the Advertising Fund contributions for reasonable costs and overhead as we may incur in activities which are reasonably related to directing and implementing the Advertising Fund and advertising programs for Agency Owners and the System, including costs of personnel for creating and implementing advertising, promotional and marketing programs. Our contribution to the Advertising Fund for subsequent company-owned or affiliate-owned units will be equal to that provided for in our Franchise Disclosure Document in the year the Advertising Fund is implemented. If the advertising contribution for the System decreases at any time, we have the right to reduce our contribution from company-owned and affiliate-owned units to the rate specified for franchised locations. There is no requirement that the Advertising Fund be audited. Upon your written request, we will provide you with an unaudited accounting of Advertising Fund contributions and expenditures within 120 days of the end of the fiscal year. Although we anticipate that all Advertising Fund contributions will be spent in the fiscal year they accrue, if we do not spend all Advertising Fund contributions by the end of each fiscal year, the remaining amounts may be carried over to be expended during the next fiscal year. (Franchise Agreement, Section 11(d)).

In 2022 we created a franchisee advisory council. This advisory council is not directly associated with the Advertising Fund, but we reserve the right to modify the scope, authority or any other characteristic of the franchisee advisory council at any time. We have the right to require that an advertising cooperative and/or franchisee advisory council be formed, changed, dissolved or merged. We are not required to spend any amount on advertising in your area. (Franchise Agreement, Section 11(d)).

Additionally, while we do not currently have a local advertising requirement, we reserve the right to require you to spend up to 3% of Brightway Sales Commissions per month on local advertising (the "Local Advertising Requirement"). You must spend the Local Advertisement Requirement as we prescribe in the Manual or otherwise in writing, which may include, without limitation, requirements for placing a certain number of and/or types of media advertisements. Your Local Advertising Requirement must be expended regardless of the amounts spent by other System franchisees on local advertising. You may spend any additional sums you wish on local advertising. (Franchise Agreement, Section 11(e)).

You must use only advertising and promotional materials as have been previously approved by us. If we do not approve of your proposed advertising materials in writing within 30 days of receipt, the proposed advertising materials will be deemed rejected, unless we subsequently convey otherwise. (Franchise Agreement, Section 11(c)). In the event the Local Advertising Requirement is implemented, you will submit to us an annual plan for your expenditure of your Local Advertising Requirement. You must send us proof of these expenditures within 15 days of the end of each quarter. (Franchise Agreement, Section 11(e)).

We strongly recommend that you conduct an opening advertising program to promote the opening of your Brightway Location during the first 60 days following your soft opening. If you elect to do so, the amount of the opening advertising will be dependent on the unique circumstances of each Agency Owner, and we will work with you to determine an appropriate program during the time period following the execution of your Franchise Agreement and prior to your opening. All advertising must be approved by us in writing prior to publication. (Franchise Agreement, Section 11(f)).

We will have the right, in our discretion, to designate any geographical area for purposes of establishing a regional advertising and promotional cooperative ("Cooperative"), and to determine whether a Cooperative is applicable to your Brightway Location. If a Cooperative is established applicable to your Brightway Location, you must participate in the Cooperative. Cooperative contributions will be credited towards the Local Advertising Requirement. Cooperative contributions will not exceed the maximum 3% Local Advertising Requirement unless a majority of the Cooperative votes to increase that requirement. (Franchise Agreement, Section 11(g)).

Computer Equipment

You are required to purchase, license, install and maintain all required hardware and software from a required vendor as specified in the Brightway Technology Specifications, as well as any other computer hardware and software required by us from time to time. The computer system includes several required software programs and will be used for daily functions and operation of the Brightway Location, such as tracking and entering policies, generating reports, and analysis of financial information relating to the Brightway Location.

You may not sell, lease or authorize the use of such programs and software to anyone else. You may not configure, program or change any such programs or software. You can only access client account information through the specified programs via the Internet. You have the sole and complete responsibility for: (a) the acquisition, operation, maintenance, and upgrading of any computer hardware and software used in connection with operation of the Brightway Location; and (b) any and all consequences that may arise if the computer hardware and software is not properly maintained, operated, and upgraded. We have the right to require you to enter into a separate maintenance agreement for computer hardware and software. You must indemnify and hold us and our affiliates harmless from claims arising out of or connected with an interruption in Internet services or from any unauthorized use of or access to client account information through the Internet.

You must have and maintain adequate hardware and software in order to access the Internet at the speed we require. You must maintain an email account that we designate and we will have independent access to all emails and other information stored on your email account. You must also give us electronic access to any other information on your computer that we request. No contractual limitation exists on our right to access the information.

We and/or our affiliates are the lawful, rightful and sole owner of the Internet domain names www.brightway.com, www.brightwayinsurance.com and www.brightwaydifference.com (collectively, the "Brightway Web Presence"), as well as any other Internet domain names registered by us, and you do not have any ownership interest in such domain names or any similar Internet domain names. The websites provide information and resources to current and prospective Brightway clients, including insurance quotes, online payment options, and a searchable database of Brightway Locations. We shall have sole discretion and control over the Brightway Web Presence and any other websites we may in the future create (including timing, design, contents and continuation). We shall have the right to modify our website requirements as we deem necessary or appropriate in the best interest of the Brightway System. We reserve the right to provide each Agency Owner with an individual website that they are required to exclusively use in the operation of their Brightway Location. The only URL that you are permitted to use on marketing materials for your Brightway Location is the URL provided and owned by us.

Except as approved in advance in writing by us, you may not establish or maintain a separate website, domain name, URL, splash page, profile or other presence on the Internet, or otherwise advertise on the Internet or any other public computer network in connection with the Brightway Location, including any profile on Facebook, Instagram, Twitter, LinkedIn, YouTube or any other social media and/or networking site. If such approval is granted by us, you must: (a) establish and operate such website or social media page in accordance with Brightway System standards and any other policies we designate in the Manual or otherwise in writing from time to time; and (b) utilize any templates that we provide to you to create or modify such site(s).

You must comply with our standards and policies related to privacy and data security, which includes taking any actions that are necessary to ensure that your Brightway Location is compliant with all Payment Card Industry Data Security Standards (PCI DSS) requirements. Currently, all Agency Owners are also required to obtain and maintain the network firewall and associated licenses set forth in the Technology Supplement to the Confidential Operating Manual.

You are required to participate in any System-wide computer network, intranet system or extranet system that we implement and may be required by us to use such area computer network, intranet system or extranet system to, among other things: (a) submit reports due under the Franchise Agreement to us online; (b) view and print portions of the Manual; (c) download approved local advertising materials; (d) communicate with us and other System franchisees; (e) complete any initial and ongoing training; and (f) view and retrieve standard business forms. You must use the facilities of any such area computer network, intranet system or extranet system in strict compliance with the standards, protocols, and restrictions that we include in the Manual, including those related to the encryption of confidential information and prohibitions against the transmission of libelous, derogatory or defamatory statements.

We estimate that the cost of complying with our current initial computer system requirements for a Retail Agency will be roughly \$6,500, which includes computer hardware, software, cabling, telephones, and installation costs. The estimated cost of optional or required maintenance, updating, upgrading, or support contracts is roughly \$10,500 per year, which also includes license fees for proprietary software necessary to operate your Brightway Location.

For an Office Agency, we estimate that the cost of complying with our current initial computer system requirements will be roughly \$3,500, including which includes computer hardware, software, cabling, telephones, and installation costs. The estimated cost of optional or required maintenance, updating, upgrading, or support contracts is roughly \$5,000 per year, which also includes license fees for proprietary software necessary to operate your Brightway Location.

Confidential Operating Manual

Attached as Exhibit D is a copy of the Table of Contents for our Confidential Operating Manual, as of the date of this Disclosure Document. It indicates the number of pages devoted to each topic and the total number of pages in the Confidential Operating Manual. Our Confidential Operating Manual currently has 111 pages, including the 13-page Technology Supplement.

Training

We will provide your Principal with initial training regarding insurance products, sales and marketing, sales processing, management systems, office procedures, our web-based systems, computer software, and other matters as we deem necessary to allow you to operate your business in a professional and successful manner. Such training is mandatory, and we will not authorize you to open your Brightway Location until the training has been successfully completed to our satisfaction. We may, but are not required, to provide your other initial employees with a limited training program. We do not charge you for our initial training. A new hire set-up fee applicable to any additional trainees will be set forth in our Manual and is subject to change from time to time in our sole discretion. This fee is currently \$100. We provide the initial training program virtually via our intranet or another online portal, and do not anticipate you will incur any direct costs (other than the optional new hire set-up fee) in connection with completing the initial training requirements.

Your initial training will be conducted by us or our designee virtually via our intranet or other online portal, or, if held in-person, at our corporate offices, your premises, or such other site as we designate. Training for additional producers will be conducted by us virtually via our intranet or another online portal we designate, or may be scheduled either at our corporate offices or at your location, subject to the availability of our training staff. We offer our training programs periodically during the year, on an as-needed basis, subject to the availability of our training instructors. Subsequent to your initial training, and prior to opening your business to the public, you must be certified by us as meeting our qualifications for the sale of insurance, and insurance agency management.

Katlyn Eggar supervises the Brightway training team. Ms. Eggar has 1 year of experience with us and over 13 years of insurance experience. Ms. Eggar may also enlist other staff or Brightway insurance agents to assist her with the initial training program. The instructional materials used will include, but not be limited to, various Brightway Training Manuals and online training software. All initial training materials are proprietary and confidential in nature and may not be used for any purpose other than providing training. Training hours designated as “classroom” training in the chart below will be led or facilitated by a training instructor and are all in all instances mandatory. Certain “on the job” training described below is optional and designed for you to complete independently.

The following chart summarizes, in general terms, the subjects taught during our initial training program for all Agency Owners:

TRAINING PROGRAM

Subject	Hours of Classroom Training	Hours of On the Job Training	Location
Quality Assurance Topics reviewed include documentation requirements, policy adherence, eligibility guidelines, manual access, and a review of how to partner with our Accounting, Carrier Appointments, and Quality Assurance departments	7	5	Online/virtual training portal
Systems and Technology Topics include systems overview, how to perform common operations within systems, knowledge checks, customer and policy entry with Management System Training Database, and technology tutorials	8	4.0	Online/virtual training portal
Sales and Marketing Topics include consultative sales methods, preferred coverages, prospecting and marketing methods, and partnering with the Marketing department	25	10.0	Online/virtual training portal
Agency Operations Topics include business planning, reporting, time management, goal setting, processes, and interacting with the Engagement Center, Agency Support, and Agency Development Consultant department	10	10.0	Online/virtual training portal
Insurance Products Topics include quoting methods as well as product knowledge for auto, flood, home, umbrella policies and accessing carrier portals	15	3.0	Online/virtual training portal
Enhance Supervision (ESV) Curriculum Topics include insurance fundamentals, quoting training, and supervised quoting practice. Only provided for agents with limited personal lines sales experience (see below).	15	7	Online/virtual training portal

The ESV Curriculum is required for agency owners and principals who have less than one year of recent Personal Lines sales experience. This Enhanced Supervision Program (ESV) provides additional classroom training and additional online courses. Post-graduation, ESV participants are also required to meet quoting requirements under supervision prior to binding new policies. ESV participants can graduate from the enhanced supervision program after they have demonstrated their ability to meet our quality assurance guidelines. If you are required to enroll in the ESV Curriculum, you will be notified during Onboarding. Failure to comply with ESV program requirements is a breach of the franchise agreement and will also result in disqualification from the Sunrise

incentive program until deficiencies are cured. We reserve the right to modify ESV training and supervision requirements as necessary in our sole discretion.

Subsequent to the date that your Brightway Location is open, we have the right at any time to require that your Principal and/or any of your other staff attend and complete, to our satisfaction, any and all additional training deemed necessary or appropriate by us at our sole discretion. Such training shall be conducted exclusively by us or our designee virtually via our intranet or other online portal, or, if held in-person, at our corporate office, your Brightway Location, or such other site designated by us. We may charge you a reasonable fee (currently \$100 per person) for such training sessions. In addition, you must pay the costs of wages, transportation, lodging and food for your Principal and your staff during such additional training. We may also provide such additional training at your request, at our sole discretion and subject to the availability of our staff. We reserve the right to modify the elements of the initial training program and any additional training programs at our sole discretion.

In addition to the training we provide, it is strongly encouraged that you periodically attend additional training provided by the Contracted Companies. Such training classes are typically done online for one or more hours, depending on the particular class. The Contracted Companies typically do not charge for such training, but you are responsible for any costs or expenses associated with this training.

We may also require you to participate in Errors and Omissions loss control seminars provided by our Errors and Omissions insurance carriers or others from time to time, at your own expense. In the event you fail to participate in such seminars, you may be assessed an additional amount for your Errors and Omissions coverage.

We generally do not provide training that may be required to meet continuing education or licensing requirements even though this education is required by regulatory agencies. This training may be obtained from industry groups, professional providers or regulatory agency sponsored events. It is your sole responsibility to ensure that you meet any continuing education or licensing requirements.

ITEM 12: TERRITORY

Approved Location and Relocation

Under the Franchise Agreement, you may only operate your Brightway Location at a specific location which must be approved by us (the “Premises”). If you have not yet secured a site for your Brightway Location at the time you sign the Franchise Agreement, you will enter into our Site Selection Addendum, attached as Exhibit 5 to the Franchise Agreement, which will govern the site selection process. You may not conduct any business at the Premises other than the Brightway Location.

A Retail Agency must always be located in an approved retail office space, and an Office Agency must be located in an approved professional office space. We reserve the right to determine, in our sole discretion, what constitutes a “retail space”, however in all instances a retail space must have some exterior signage. You must obtain our approval prior to relocating your Brightway Location for any reason, and our approval of any proposed relocation shall be conditioned on your compliance with our then-current minimum staffing requirements. If you fail to meet our then-current staffing requirements, your Brightway Sales Commissions for a Retail Agency will convert to the rates applicable to an Office Agency until such time as you have complied with our then-current staffing requirements.

If, for any reason, the term of your lease is shorter than the term of the Franchise Agreement and the lease cannot be renewed or extended, or you cannot continue for any other reason to occupy the Premises, you must

first obtain our consent and then relocate your Brightway Location to a mutually acceptable site to complete the unexpired portion of the term of the Franchise Agreement. You must notify us of your intention to relocate, procure a site acceptable to us at least 90 days prior to closing operations at your current Premises, and open for business at the new Premises within 30 days of closing business at your existing Premises. Our determination of whether to approve your new Premises will be based on our then-current site selection criteria, which includes general location and neighborhood, traffic patterns, parking, retail nature of location (preferably within strip malls or similar locations for Retail Agencies), physical characteristics of buildings, accessibility, availability for prominent signage, lease terms, and competition from similar businesses in the area.

You do not have the right to: (a) construct or operate any additional, expanded or modified facilities on the Premises, nor any right to construct or operate the Brightway Location at any other location; (b) offer any product or service via e-commerce; (c) establish an independent website or URL incorporating the Licensed Marks or any variation of the Licensed Marks; or (d) distribute, market, or implement our products and services in any channel of distribution not specifically identified in the Franchise Agreement.

There are no restrictions on the areas in your state in which you may solicit or accept new customers, nor are other franchisees restricted from soliciting new customers in the area of your Brightway Location. Neither we nor other franchisees are required to compensate you for soliciting or accepting orders from new customers located within the area surrounding your Brightway Location. You may not solicit or accept new customers from outside the state where your Brightway Location is located unless we have authorized you to do so, and then only in those states expressly authorized by us. Currently, Agency Owners operating in a border county are authorized to solicit and accept orders from the proximate neighboring state if they meet our then-current minimum operational standards. Other Agency Owners may request the ability to sell in particular states, and these requests will be evaluated on a case-by-case basis. We may change the minimum operational standards or eligibility criteria at any time, or terminate or revoke the ability to advertise or sell outside of the state where your agency is located. You may be required to enter into our then-current form of non-resident appointment approval agreement before we approve any request for interstate authorization.

No Exclusive Territory – Franchise Agreement

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

We may establish, within or outside your immediate geographic area, other franchised or company-owned Brightway Locations that may compete with your location using our trademarks or different trademarks. However, the Franchise Agreement provides that we will not establish any franchised or company-owned Brightway Locations in the immediate vicinity of your Brightway Location unless in good faith we believe that the market in which your Brightway Location is located can reasonably be expected to sustain both your Brightway Location and such other new franchised or company-owned Brightway Location.

Reservation of Rights

We and our affiliates reserve the right, at our sole discretion, to: (a) use the Licensed Marks and Brightway System in connection with ancillary services and products, promotional and marketing efforts or related items, or in any alternative channels of distribution (including the Internet), without regard to location; (b) acquire, be acquired by, merge with, engage in joint ventures with, or otherwise affiliate with, and own and operate and franchise others the right to own and operate, any business of any kind, including businesses that offer products or services that are similar to those provided by a Brightway Location; and (c) use the Licensed Marks and Brightway System, and license others to use the Licensed Marks and Brightway System to engage in any other

activities not expressly prohibited in the Franchise Agreement. Nothing in the Franchise Agreement provides you with the right to conduct in any of the above listed activities or share in the revenue generated by any of these activities.

Without our written consent, you are not permitted to cause or allow any of our trademarks, or any words, slogans, symbols, logos, designs or terms confusingly similar to our trademarks, to be used or displayed in whole or part: (a) as, or as a part of, the Agency Owner's entity name or an Internet domain name; (b) on or in connection with Facebook, Instagram, Twitter or any other social media platform; or (c) on or in connection with any Internet home page, website, bulletin board, newsgroup, chat group, buddy list, instant messenger, meta-tag (or the comparable identifier in any future technology) or other Internet-related activity, without our prior written consent. All of your business conducted via the Internet must be done only through our website at the URL we designate.

We have the right, at our sole discretion, to designate one or more new, modified or replacement trademarks for the System, and may require you to use such new, modified or replacement trademarks in addition to or in lieu of the trademarks listed above in this Item 13. All costs and expenses associated with your use of any such new, modified or replacement trademarks will be your sole responsibility. You must discontinue using all marks which we have notified you, in writing, have been modified or discontinued, within 10 days of receiving written notice, and you must promptly begin using the additional, modified or substituted marks.

ITEM 14:

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

We do not own any registered patents which are material to the franchise. We claim common law copyright and trade secret protection for several aspects of the System, including our onboarding process and the Manual, as described below. We do not have any federal copyright registrations which are presently material to the franchise offered.

We possess certain proprietary and confidential information relating to the operation of the System, which includes certain proprietary trade secrets, methods, techniques, formats, specifications, systems, procedures, methods of business practices and management, sales and promotional techniques and knowledge of, and experience in, the operation of the Brightway Location (the "Confidential Information"). Our Confidential Information also includes: (a) site selection criteria and plans and specifications for the development of Brightway Locations; (b) sales, marketing and advertising programs and techniques; (c) information about Contracted Companies, other suppliers, and knowledge of specifications and pricing for authorized products, supplies and equipment; (d) methods of management; (e) Brightway Technology Specifications and other information regarding computer systems and software programs, including the Internet-based Agency Management System; (f) the Confidential Operating Manual; (g) lists of client accounts and prospects; (h) policy expiration lists, and (i) all other client account records, documents and information.

You must operate your Brightway Location in accordance with our standards, specifications, policies and procedures as set forth in the Manual or otherwise communicated to you. You must treat the information contained in the Manual and any other manuals or supplemental material supplied by us as Confidential Information. The Manual is copyrighted proprietary material, and you may not duplicate, copy, disclose or disseminate the contents of the Manual without our prior written consent. We have the right to modify or supplement the Manual upon notice or delivery to you, and you must promptly comply with all such changed requirements. There are no current determinations, proceedings or litigation involving any of our copyrighted materials. Should you become aware that any unauthorized third party is using any of our copyrighted materials, you must notify us of such unauthorized use.

You may not divulge or use any of our Confidential Information during or after the term of the Franchise Agreement, except as expressly permitted by the terms of the Franchise Agreement in connection with the operation of your Brightway Location. Confidential Information made available to you may not be divulged to any person other than your employees or advisors who reasonably need access to such information for purposes of fulfilling their employment or contractual responsibilities. All employees to whom the information, or any of it, is made available shall be informed of this obligation and must sign a written confidentiality agreement (on our standard form, which is included in the Manual). If you are a corporation, limited liability company, partnership, or other business entity, we will require your shareholders, members, partners or other equity owners to sign an agreement which binds them to the confidentiality provisions of the Franchise Agreement. We are not required by any agreement to protect or defend copyrights or Confidential Information, although we intend to do so as appropriate.

The Franchise Agreement provides that if you, your employees, or principals, develop any new concept, process or improvement in the operation or promotion of the Brightway Location, you must promptly notify us, and provide us with all of the information necessary to implement the improvement, without any compensation. Any such concept, process or improvement will become our sole property and we will be the sole owner of all patents, patent applications, trademarks, copyrights and other related intellectual property rights. You and your principals and agents must assign to us any rights you may have or acquire, including the right to modify such concept, process or improvement, and otherwise waive and/or release all rights of restraint and moral rights. You and your principals and agents must agree to assist us in obtaining and enforcing the intellectual property rights to any such concept, process or improvement in any and all countries, and further agree to execute and provide us with all necessary documentations for obtaining and enforcing such rights. You and your principals and agents must designate and appoint us as your agent and attorney-in-fact to execute and file any such documentation and to do all other lawful acts to further the prosecution and issuance of patents or other intellectual property rights related to any such concept, process or improvement. In the event that this

framework is found to be invalid or otherwise unenforceable, you and your principals and agents must grant to us a worldwide, perpetual, non-exclusive, fully-paid license to use and sublicense the use of the concept, process or improvement to the extent such use or sublicense would directly or indirectly infringe your rights.

ITEM 15:
OBLIGATION TO PARTICIPATE IN
THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

In the event you are a corporation, limited liability company, partnership or other business entity, the “Controlling Interest” identified in your Franchise Agreement must at all times have the right to control the operations of your business. However, you may designate another individual other than the Controlling Interest to be your “Primary Contact” who will be our primary point of contact for any business matters relating to the Brightway Location. The Primary Contact has the authority to make all business decisions on behalf of Agency Owner.

In addition, the person you identify as the “Designated Agency Principal” in your Franchise Agreement (who is also referred to as the “Principal” in this Disclosure Document) shall be an individual you appoint, who: (a) has been licensed by all applicable governmental and other regulatory authorities; (b) successfully completes all of the required training; (c) dedicates his or her full-time best efforts (40+ hours per week) to the operation of the Brightway Location, and (d) is approved in writing by us. A Principal can have an ownership interest in the Agency Owner entity but is not required to do so. In the event that a Principal resigns or is otherwise terminated from your Brightway Location, you shall hire a replacement approved by us in writing who meets our then-current standards for Designated Agency Principals within 30 days after termination or resignation of the prior Principal. We reserve the right, without the obligation, to train the new Principal directly.

The Principal will also be required to execute our form of Confidentiality and Non-Compete Agreement, which is currently attached as Exhibit L to this Disclosure Document (unless the Principal has an ownership interest in the Agency Owner entity, in which case the Principal will execute the Guaranty attached as Exhibit 1 to the Franchise Agreement). Under no circumstances may any of your Brightway Location’s business be conducted unless it is under the direct supervision of an approved Principal.

In the event you are a corporation, limited liability company, partnership or other business entity, each individual who owns an equity interest in your entity must sign a Guaranty, under which they each assume and agree to perform all of your obligations under the Franchise Agreement. A copy of the Guaranty is attached as Exhibit 1 to the Franchise Agreement. If you are signing a Franchise Agreement for a Retail Agency, the spouse of each individual who owns an equity interest in the Agency Owner entity must also execute a Guaranty. Spouses of individuals owning an equity interest in an Agency Owner entity operating an Office Agency may sign a Guaranty, or alternatively may execute our form of Confidentiality and Non-Compete Agreement, which is currently attached as Exhibit 5 to the Franchise Agreement. If an Office Agent converts to a Retail Agency, all spouses of individuals owning an equity interest in the Agency Owner entity must execute a Guaranty.

You must also comply with all other staffing requirements set forth in the Confidential Operating Manual. Currently, in addition to the Designated Agency Principal, Retail Agencies must employ at least two additional producers to work full-time writing New Business (either from the Premises of your Retail Agency or remotely) by no later than twelve (12) months after commencing operations. We reserve the right to amend the staffing requirements at any time in our sole discretion.

ITEM 16:
RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

Your relationship with us is exclusive. As such, you must sell only products and services approved by us and the Contracted Companies, and you must use commercially reasonable efforts to sell products and services for the Contracted Companies, lines of business, and policy types that we authorize you to sell. We will be the agent of record for all policies that you sell. You are not permitted to be licensed as an agent, solicitor, representative or broker for any insurance company or business other than Brightway and the Contracted Companies, unless authorized by us in writing. We will, at our sole discretion and along with our Contracted Companies' approval, determine which Contracted Companies you may use and which lines of business you may offer with those Contracted Companies. We reserve the right to change the Contracted Companies and approved lines of business at any time, including, without limitation, any restrictions related to minimum premiums. We will provide you with notice of any changes made by us to the list of authorized Contracted Companies and policies from time to time, and you must immediately cease selling any discontinued policies. You must secure and keep in effect any required licenses to represent Brightway and the Contracted Companies and are not permitted to conduct any business that has not been approved by us, or for which you are not licensed by the appropriate insurance, securities or other regulatory authorities. You are not permitted to conduct any business of any kind other than your Brightway Location, either from the Brightway Location or through the corporate entity that owns and operates the franchise.

PUBLIC FIGURES**

We do not use any public figure to promote our franchise.

**ITEM 19:
FINANCIAL PERFORMANCE REPRESENTATIONS**

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may only be given if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

This Item sets forth certain historical revenue, production and related information for Brightway Locations. We believe that the following financial data has been compiled using generally accepted accounting principles, but we have not audited the data and no assurance can be offered that the data does not contain inaccuracies that an audit might disclose.

Written substantiation of the data used in preparing the information found in this Item 19 will be made available upon reasonable request.

As of December 31, 2023, we had 333 franchised Brightway Locations. The agency level data presented below sets forth the financial performance of certain subsets these franchised Brightway Locations.

Prior to issuance of this Disclosure Document, we offered two different Office Agency models – Office Agency Enhanced and Office Agency Standard. The sole Office Agency offering in this Disclosure Document is the Office Agency Enhanced model, which is now referred to as an "Office Agency." Since we no longer offer the Office

Agency Standard model, agencies operating Office Agency Standard locations have been excluded from all agency-level information included in this Item 19.

Table 1 includes data for: (i) the 141 Retail Agency Brightway Locations that commenced operations prior to December 31, 2022, were open and operating for the entire 2023 calendar year, and did not convert agency types at any time during their tenure (the “Included RA Locations”); and (ii) the 125 Office Agency Brightway Locations that commenced operations prior to December 31, 2022, were open and operating for the entire 2023 calendar year, and did not convert agency types at any time during their tenure (the “Included OA Locations”). The Included RA Locations and Included OA Locations are referred to collectively as the “Included Locations.” For purposes of this Item 19, “Office Agency” shall refer to historical agencies operating under the “Office Agency Enhanced” model. All Tables in this Item also exclude one franchised agency that is authorized to sell certain insurance products outside of our normal lines of business.

Table 2 presents data for a subset of the 333 franchised Brightway Locations open as of December 31, 2023 comprised of the Included Locations as well as the 15 Office Agency Standard locations that commenced operations prior to December 31, 2022, were open and operating for the entire 2023 calendar year, and did not convert agency types at any time during their tenure, but excluding any Brightway Locations that did not employ at least one full-time Producer during calendar year 2023, defined as a Producer who sold a minimum of 50 policies in 2023. Producers who did not sell a minimum of 50 policies in 2023 are excluded from this Table in order to include only those individuals who have New Business production as a meaningful part of their jobs.

Table 3 presents data for those Brightway Locations that opened after January 1, 2020, did not convert model types, have at least one full year of operations as of the issuance date of this Disclosure Document, and remain open as of the issuance date of this Disclosure Document.

Table 4 presents data based on “Tenure Years” for agencies that operated at any point as a Retail Agency for at least one full calendar year between January 1, 2013 and December 31, 2023. This Table presents data based on agency tenure during the first 5+ years of operations, and because we do not have any Office Agencies with five or more full years of operations no data for Office Agency operations are included in this Table.

Table 5 presents information for a subset of 53 mature Included RA Locations that were open for five full years as of December 31, 2023 and that meet the criteria outlined in Footnote 8.

TABLE 1
SUMMARY OF ANNUALIZED PREMIUM BY AGENCY OWNER (2023)^{1,2}

Table 1 provides a snapshot of the size of the book of business associated with each of the Included RA Locations and Included OA Locations, which is a commonly-referenced metric used in the insurance industry to determine agency size. “Annualized Premium” is defined as the amount of premium customers pay for policies in one year; if a policy is issued in a six-month term, the premium amount is doubled.

The information presented immediately below shows the Annualized Premium of the 125 Agency Owners operating the 141 Included RA Locations for the 2023 calendar year. The 141 Included RA Locations in Table 1 were open for more than twelve months as of December 31, 2023. The Annualized Premium of our multi-unit owners are combined because our multi-unit owners are permitted to share business across their locations, and the number of multi-unit owners in each subset are shown below. The column presenting data for Number of Agency Owners shows the count of individual owners, including multi-unit owners, who fall within a premium range, and the column presenting data for Number of Locations shows the count of agency locations within a

premium range. Since our multi-unit owners each own more than one location, the total location count exceeds the number of Agency Owners in the second column. However, the number of Agency Owners in a particular premium range may exceed the number of locations in that same category, since the total Annualized Premium for those owners may be within the designated premium range, but the Annualized Premium for the constituent agencies may be within different Annualized Premium range(s). The Included RA Agencies excludes 1 Retail Agency that converted to that model and was previously operated as an Office Agency.

Annualized Premium for Calendar Year Ending December 31, 2023	Number of Agency Owners	Number of Multi-Unit Location Owners	Number of Locations
Over \$25M	7	4	12
Between \$15M & \$25M	13	5	19

Between \$2M & \$3M	15	1	16
Between \$1M & \$2M	11	0	11
Under \$1M	13	0	13

The information presented immediately below shows the Annualized Premium of the 125 Agency Owners operating the Included OA Locations for the 2023 calendar year. The 125 Included OA Locations in Table 1 were open for more than twelve months as of December 31, 2023. As set forth above, the Included OA Agencies excludes 17 Office Agencies that converted to that model and were previously operated as Retail Agency, and 1 Office Agency that was previously operated as an Office Agency Standard. None of the Included OA Locations were multi-unit owners during the disclosure period.

TABLE 2
NEW BUSINESS POLICY PRODUCTION BY PRODUCER (2023)^{3,4}

Table 2 profiles the number of New Business policies and New Business Annualized Premiums generated by Producers of 133 Retail Agencies, 74 Office Agencies and 15 Office Agency Standard locations that commenced operations and received commissions by December 31, 2022, were open and operating for the entire 2023 calendar year, and which employed at least one full-time Producer during calendar year 2023, defined as a Producer who was associated with the agency for the entire 2023 calendar year and sold a minimum of 50 policies in 2023. Unlike the Tables above, Table 2 does not exclude (i) any Producers who worked for Brightway Locations that converted model types during their tenure, and (ii) any data for Office Agency Standard locations, because Table 2 does not present agency-level data. For the broader purposes of Item 19, “Producer” is defined as an individual who sells property and casualty insurance in Brightway Locations, including owners. 24 Brightway Locations are excluded from Table 2 because they did not satisfy the criteria of employing at least one full-time producer who was associated with the agency for the entire 2023 calendar year.

New Business Annualized Premium is defined as the amount of premium customers pay for a new policy in one year; if a policy is issued in a six-month term, the premium amount is doubled.

Included in Table 2 are 407 Producers who owned or were employed by the subset of Brightway Locations described above. Table 2 excludes any Producers who did not sell a minimum of 50 policies in 2023, in order to include only those individuals who have New Business production as a meaningful part of their jobs. We separately identify Producers employed by Office Agencies and Retail Agencies in the bottom row, where “RA” refers to Retail Agency Producers and “OA” describes Office Agency Producers (including Office Agency Standard Producers). If an agency converted during its tenure, the model type designation for its Producers is determined by the type of agency operated as of December 31, 2023.

TABLE 3
NEW BUSINESS PRODUCTION BY AGENCY (2023)⁵

Table 3 of this Item sets forth the number of New Business policies sold by certain Brightway Locations during their first and second years of operations. Table 3 shows information for those Brightway Locations that opened after January 1, 2020, did not convert model types, have at least one full year of operations as of the issuance date of this Disclosure Document, and remain open as of the issuance date of this Disclosure Document. In Table 3, each “Office Count” represents performance data for an Included Location during one twelve-month period of operations. Depending on the opening date of the Included Location, either one or two years of performance data for each Included Office is represented in the Tables below. Average and median number of producers are rounded to the nearest whole number.

New Business Production by Agency and Tenure RETAIL AGENCIES

Year 3	240	288	2	2	3

The Table below sets forth the new business production information described above for the Office Agencies which meet the specified criteria described above.

TABLE 4
ANNUAL COMMISSIONS PAID TO RETAIL AGENCIES BY LOCATION (2013-2023)^{6,7}

The information below reflects average commissions earned by Retail Agencies with at least one full calendar year of operations, grouped by Tenure. Amounts shown are the commissions paid to Agency Owners during the calendar years ranging from 2013 to 2023, after taking into account the percentage of commissions retained by Brightway. We have not been offering Office Agencies for five years. Accordingly, no Office Agencies are included in the data set forth in Table 4.

We have segregated the data by the Retail Agency “Tenure,” defined as the number of twelve-month periods, or Tenure years, in which a Retail Agency received commissions.

For all information presented in this Table 4, Tenure reflects full calendar years of business. We do this to account for the ramp-up when a Brightway Location first commences operation and to normalize results. Therefore, if a store opened in July, that Location’s first full year starts in January of the following year. For the number of Included RA Locations in each Tenure, along with relative performance, see Footnote 7. All Retail Agencies included in this chart had at least one full calendar year of operations on or before December 31, 2023, regardless of operational status as of that date.

TABLE 5
REVENUE OF ESTABLISHED BRIGHTWAY LOCATIONS (2023)⁸

Table 5 of this Item sets forth agency revenue information for established Brightway Locations.

Included in Table 5 are 70 of the Included RA Locations that were open for five full years as of December 31, 2023 and that meet the criteria outlined in Footnote 8, which includes the requirement that the Included RA Location meets Brightway's then-current staffing requirements.

The primary purpose of Table 5 is to show the revenue of mature, tenured Brightway Locations that have been in business five years or more.

Year	Average Revenue Top 25%	Average Revenue	Average Revenue Bottom 25%	Median Revenue	High	Low
2023	\$1,280,570	\$651,362	\$261,150	\$504,122	\$2,708,190	\$124,765

FOOTNOTES TO ALL ITEM 19 TABLES

- Table 1 shows the results of all 266 Included Locations that commenced operations and received commissions by December 31, 2022, were open and operating for the entire 2023 calendar year, and did not convert model type during their tenure. Information is shown separately for Included OA Locations and Included RA Locations. The final column of each Table 1 chart notes how many of the Included Locations in each premium range were open and operating for less than two full years as of December 31, 2023.

2. The average “Tenure” of the Included RA Locations in each subset of Table 1, defined as the number of twelve-month periods for which a Brightway Location had received commissions as of the end of the 2023 calendar year, is as follows:

Annualized Premium (2023)	Average Tenure
Over \$25M	10
Between \$15M & \$25M	8
Between \$10M & \$15M	11
Between \$8M & \$10M	11
Between \$6M & \$8M	9
Between \$4M & \$6M	9
Between \$3M & \$4M	7
Between \$2M & \$3M	4
Between \$1M & \$2M	4
Under \$1M	2

3. In Table 2, of the 407 Producers included, 46 out of 102 (45%) exceeded the Bottom 25% Average New Business Policies Sold, 141 out of 407 (35%) exceeded the Average New Business Policies Sold, and 35 out of 101 (35%) exceeded the Top 25% Average New Business Policies Sold.

In Table 2, of the 407 Producers included, 52 out of 102 (51%) exceeded the Bottom 25% Average New Business Annualized Premium, 129 out of 407 (32%) exceeded the Average New Business Annualized Premium, and 36 out of 101 (36%) exceeded the Top 25% Average New Business Annualized Premium.

In this table, the high and low results are exact numbers and not averages.

4. Out of the 407 Producers represented in Table 2, a total of 45 Producers (11%) had a New Business Annualized Premium during calendar year 2023 greater than one million dollars (\$1M). 3 of these Producers owned or were employed by an Office Agency, and 42 of these Producers owned or were employed by a Retail Agency.
5. Table 3 contains information for all Brightway Locations that were open and operational for their first, second and/or third full year between January 1, 2020 and the issuance date of this Disclosure Document. “Year 1” represents data for any agency included in this subset based on its first full twelve months of operations. “Year 2” represents data for any agency included in this subset based on its second twelve-month period of operations. “Year 3” represents data for any agency included in this subset based on its third twelve-month period of operations. “Producer” is defined as an individual who sells property and casualty insurance in Brightway Locations, including owners. “Average Producers” was calculated by identifying the number of producers associated with an Included Location during Years 1, 2 or 3, dividing it by the applicable Office Count, and rounding to the nearest whole number. “Production” includes all new business production for all lines of business. As an example, if a Brightway Location opened in January 2021, its new business production and number of producers during the first full year of operations would be included the relevant columns for “Year 1,” and its new business production and number of producers

during the second full year of operations would be included the relevant columns for “Year 2.” If a Brightway Location opened in October of 2022, the relevant data points would only be included in the columns for “Year 1,” since it does not have a second or third full year of operations. If a Brightway Location opened in 2016, it would be excluded from Table 3 altogether, since the first and second full years of operations fall outside the measurement period.

6. In Table 4, we calculate the data in terms of “Locations,” and each Location represents performance data during one calendar year (2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020, 2021, 2022 and 2023) for one Brightway Location. Table 4 includes data for Brightway Locations that were open and operating for one full year as of December 31, 2023. We have segregated the data by the Brightway Location’s “Tenure,” which is the number of twelve-month periods, or Tenure years, for which a Brightway Location received commissions as of the end of the particular calendar year in question. As an example, if a Brightway Location opened in 2019, its first four full calendar years of performance (2020 through 2023) would be represented in Table 4 in Tenure years 1 through 4, and it would be counted as one “Location” in each of these Tenure years. As another example, if a particular Brightway Location has performance data for Tenure years 5 through 7, then its performance for those three years would be represented in Table 4 as three Locations in the 5+ Tenure subset. Excluded from Table 4 are franchised Brightway Locations that were open for less than one year as of the end of a particular calendar year. In Table 4, the Top 25% were identified based on the Locations with the highest commission revenue in a particular year, calculated independently for each Tenure group and each calendar year between 2013 and 2023. In this table, the high and low results are exact numbers and not averages.

7. In Table 4, there were 61 Locations with a Tenure of 1. The lowest annual commission for a Location with a Tenure of 1 was \$8,308, and the highest annual commission for a Location with a Tenure of 1 was \$263,972.

There were 59 Locations with a Tenure of 2. The lowest annual commission for a Location with a Tenure of 2 was \$175, and the highest annual commission for a Location with a Tenure of 2 was \$484,064.

There were 76 Locations with a Tenure of 3. The lowest annual commission for a Location with a Tenure of 3 was \$1,278, and the highest annual commission for a Location with a Tenure of 3 was \$595,353.

There were 68 Locations with a Tenure of 4. The lowest annual commission for a Location with a Tenure of 4 was \$323, and the highest annual commission for a Location with a Tenure of 4 was \$674,468.

There were 447 Locations with a Tenure of 5+. The lowest annual commission for a Location with a Tenure of 5+ was \$1,311, and the highest annual commission for a Location with a Tenure of 5+ was \$2,685,787.

The average annual commission presented in Table 4 is the portion of the amounts paid by Contracted Companies to Brightway that Brightway then pays to Agency Owner for the sale of policies. This is the “net” commission amount, after Brightway retains its percentage of New Business and Renewal Business commissions. All Brightway Locations included in Table 4 are Retail Agencies, which receive the following baseline net commissions: for New Business, this represents 85% of the commissions paid to Brightway, and for Renewal Business this represents 55% of the commissions paid to Brightway. Retail Agencies are able to retain a higher percentage of commissions if they qualify for participation in the “Horizons” program, and, commencing with the issuance of this Disclosure Document, if they are in their first two years of operations and qualify for the “Sunrise” program. The “Sunrise” program was created in 2022. Office Agencies receive a lower net commission amount, as described in more detail in Item 6.

8. Table 5 contains Revenue information for a subset of 70 Included RA Locations that commenced operations and received commissions by December 31, 2022 and were open and operating for the entire 2023 calendar year. Excluded from this Table are the following: (a) Agency Owners who have not been receiving commissions for one full calendar year as of December 31, 2023; (b) Agency Owners who were not “fully staffed,” which means they did not have three or more Producers earning commissions as of December 31, 2023, and (c) all Office Agencies (since no Office Agency has a tenure of five or more years). 29 Brightway Locations were excluded from Table 5 for failing to satisfy our current staffing requirements. Of this subset of 70 Included RA Locations, 18 are Top 25% Agencies and 18 are Bottom 25% Agencies.

The term “Revenue” means the total commissions paid to Agency Owners during the 2023 calendar year in each subset, inclusive of any bonus payments through the “Horizons” program. Of the 70 Brightway Locations presented in Table 5, 25 (36%) exceeded the Overall Average Revenue. Of the 18 Top 25% Brightway Locations presented in Table 5, 5 (28%) exceeded the Top 25% Average Revenue. Of the 18 Bottom 25% Brightway Locations presented in Table 5, 10 (56%) exceeded the Bottom 25% Average Revenue. When examining these figures, please note that Revenue already account for the percentage of commissions that is retained by Brightway as a royalty, comprising 15% of the Brightway Sales Commissions for New Business and 45% of the Brightway Sales Commissions for Renewal Business for all Included RA Locations described in this Table (subject to “Horizons” bonus payments). Agency Owners that choose to purchase an Office Agency location will receive a different commission split, as described in more detail in Item 6. In this table, the high and low results are exact numbers and not averages.

Independent Auditor's Report

RSM US LLP

Board of Directors
Brightway Holdings, LLC

Opinion

We have audited the consolidated financial statements of Brightway Holdings, LLC and its subsidiaries (the Company), which comprise the consolidated statements of financial position as of December 31, 2023 and 2022, the related consolidated statements of income, member's equity, and cash flows for the years then ended, and the related notes to the consolidated financial statements (collectively, the financial statements).

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Note 1 – Basis of Presentation

Nature of Operations

Brightway Holdings, LLC (“Holdings”), and its wholly owned subsidiaries, Brightway Insurance, LLC, and First City Insurers, LLC (collectively the “Company”) is a leading insurance agency that places insurance coverages for policyholders. We operate a differentiated franchise model, in which the Company provides product development, business development, training, policyholder administration services, and proprietary technology and our franchises provide policyholder advisory, distribution, and placement services under a “you sell, we service” division of responsibilities.

Our mission is to provide industry leading and innovative insurance solutions and service for our franchise agents, our policyholders, and our carriers. We believe that policyholders are increasingly demanding more choice, greater client service, and access to products and services through a variety of channels. The Company is well-suited to satisfy policyholder demands by distributing products and services through a broad network of franchised insurance agencies that have access to robust products and services, leading technology, and aligned financial interests.

We generally provide these products and solutions through our network of franchised insurance agencies. The Company grants franchise agreements, generally for an initial term of five-year, at locations approved by the Company. The Company had 324 and 301 franchises in operation as of December 31, 2023, and 2022, respectively. In exchange for services provided to the franchisees, the Company recognizes revenue equal to a fixed portion of gross commissions paid by insurance carriers for the placement of policies.

Holdings was formed on November 7, 2021 as a Delaware limited liability company. Brightway Holdings is a direct, wholly owned subsidiary of BWI Intermediate Holdings, LLC (“BWI Intermediate Holdings”), a Delaware limited liability holding company. BWI Intermediate Holdings is a direct, wholly-owned subsidiary of BWI TopCo, LLC (“BWI TopCo”), a Delaware limited liability holding company. BWI TopCo is a direct, wholly owned subsidiary of Brightway Parent, LLC (“Brightway Parent”), a Delaware limited liability holding company.

Basis of Presentation

The accompanying consolidated financial statements and notes thereto have been prepared in accordance with U.S. Generally Accepted Accounting Principles (“U.S. GAAP”). The consolidated financial statements include the Company’s accounts and those of all controlled subsidiaries. Intercompany accounts and transactions have been eliminated in consolidation.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, as well as the reported amounts of revenue and expenses during the applicable reporting period. Significant accounting policies are those that are the most important portrayal of our financial condition, results of operations and cash flows, and that require our subjective judgment as a result of the need to make estimates about the effect of matters that are inherently uncertain. In applying such policies, we must use some amounts that are based upon our informed judgments and best estimates. Estimates, by their nature, are based upon judgments and available information. The estimates that we make are based upon historical factors, current circumstances and the experience and judgment of management. We evaluate our assumptions and estimates on an ongoing basis. Our actual results may differ from these estimates under different assumptions or conditions.

Note 2 – Summary of Significant Accounting Policies

Revenue Recognition

The Company generates revenue through royalties from franchises for services and through commissions from carriers for brokerage and underwriting.

The Company incurs both costs to fulfill contracts, principally in pre-placement brokerage activities and post-placement servicing activities, and costs to obtain a contract, principally through certain sales commissions paid to employees. For situations in which the underlying insurance renewal period is one year or less and renewal costs are

BRIGHTWAY HOLDINGS, LLC 2023 CONSOLIDATED FINANCIAL STATEMENTS
(Amounts presented in \$000s, unless otherwise stated)

commensurate with the initial contract, the Company applies a practical expedient and recognizes the costs of obtaining a contract as an expense when incurred.

Franchise Commissions

Franchise commissions, or royalties, are based on a percentage of the gross commissions received by insurance carriers for an agreed-upon level of service. The Company estimates the amount of franchise commissions, or royalties, to recognize revenue on the effective date of a policy is placed into service based on estimates of premiums, policy changes and cancellations. The Company's customers for this revenue stream are the franchisees.

Brokerage Commissions and Fees

Brokerage commissions and fees revenue is primarily based on a percentage of premiums or fees received for an agreed-upon level of service. The net Brokerage Commissions and Fees are recognized at a point in time when an insurance policy is bound and issued, which occurs on the later of the policy effective date of the associated policies, or the date the Company receives a request to bind coverage from the customer.

Cancellation Constraint

Most insurance premiums are subject to policy cancellation; therefore, both Franchise commissions and fees and Brokerage commission and fees are considered variable consideration at the underlying contract effective date and is recognized net of a constraint for estimated policy cancellations, based upon the Company's historical cancellations.

Contingent Commissions

Supplemental and contingent commissions are additional revenues paid to the Company based on the volume and/or underwriting profitability on the eligible insurance contracts placed. The Company's performance obligation is satisfied over time, and revenue is recognized over time using the output method as the Company places eligible or profitable policies. Because of the limited visibility into the satisfaction of performance indicators outlined in the contracts, the Company constrains the recognition of related revenues until the time that the carrier provides explicit confirmation of amounts owed to the Company to avoid a significant reversal of revenue in a future period. The uncertainty regarding the ultimate variable consideration for contingent commissions is principally the profitability of the underlying insurance policies placed as determined by the development of loss ratios maintained by the carriers. The uncertainty is resolved over the contractual term as actual results are achieved.

Franchise Sales

Franchise sales revenue is received for agreed-upon services provided to our franchisee customers. The Company has elected the Private Company Council ("PCC") expedient whereby various pre-opening franchise activities are determined to be a single performance obligation distinct from the franchise right conveyed. Franchise sales revenue is recognized when the pre-opening activities are completed, which is generally when the franchise is opened. For approximately 40% of new franchise sales, we issue Company-provided financing. For those franchise sales for which financing is provided, the Company only recognizes revenue if collectability is probable. We recognize interest on notes receivable within Interest income on the Consolidated Statements of Income.

Cash and Cash Equivalents

Cash and cash equivalents include cash in demand deposits accounts and short-term investments, consisting principally of money market demand accounts, having original maturities of 90 days or less. The Company maintains its deposits in federally insured financial institutions and may exceed federally insured limits. The Company has not experienced any losses in such accounts and management believes the Company is not exposed to any significant credit risk.

Restricted Cash and Cash Equivalents

In its role as an insurance intermediary, the Company collects and remits amounts between policyholders, agents, and insurance carriers. Because these amounts are collected on behalf of third parties, they are excluded from the measurement of the transaction price. Similarly, the Company excludes from the measurement of the transaction price surplus lines taxes, as these are assessed by a governmental authority that are both imposed on and concurrent with the revenue-producing transactions and collected by the Company from customers and remitted to the taxing authority.

The Company recognizes amounts held and due to the Company as either Restricted cash or within receivables. Premiums and surplus lines taxes are included in Accounts payable and accrued liabilities in the Consolidated

(Amounts presented in \$000s, unless otherwise stated)

Statements of Financial Position. The Company does not have any rights or obligations in connection with these amounts with the exception of segregating these amounts from the operating accounts and liabilities.

The Restricted cash and cash equivalents include cash in demand deposits accounts and short-term investments, consisting principally of money market demand accounts, having original maturities of 90 days or less.

Brokerage and Franchise Commissions and Fees Receivable

The Company earns commissions and fees from the placement and services provided to our policyholder and franchisees. The Company records a receivable once a performance obligation is satisfied. Commission payables consist of amounts due to agents of the Company related to the commission receivable. Commission payables are stated at the amounts due to the agents less an estimated allowance for chargebacks.

Allowance for Credit Losses on Notes Receivable

The Company records certain receivables net of an allowance for estimated uncollectable accounts to reflect any loss anticipated for the receivable balance. The Company calculates the allowance based on our history of write offs associated with each receivable. We have considered the available information relating to past events, current conditions, and reasonable and supportable forecasts.

Goodwill and Finite-Lived Intangible Assets

Goodwill

Goodwill represents the excess of consideration transferred over the fair value of the net assets acquired in the acquisition of a business. The Company recognizes goodwill as the amount of consideration transferred which cannot be assigned to other tangible or intangible assets and liabilities.

The Company reviews goodwill for impairment at least annually, and whenever events or changes in circumstances indicate that the carrying value of the reporting unit may not be recoverable. In the performance of the annual evaluation, the Company also considers qualitative and quantitative developments between the date of the goodwill impairment review and the fiscal year end to determine if an impairment should be recognized.

The Company reviews goodwill for impairment at the reporting unit level. The determinations of impairment indicators and the fair value of the reporting unit are based on estimates and assumptions related to the amount and timing of future cash flows and future interest rates. Such estimates and assumptions could change in the future as more information becomes available, which could impact the amounts reported and disclosed herein.

Finite-Lived Intangible Assets

Intangible assets other than goodwill consist primarily of policyholder and franchise relationships (collectively, “Customer Relationships”). Customer Relationships consist of customer-related assets, which are amortized over their estimated useful lives. Generally, the Company uses outside valuation specialists to value acquired intangible assets. Intangible assets also include trade names and acquired technology, which are amortized over their estimated lives. The Company has no indefinite-lived intangible assets. Intangible assets are reviewed at least annually for impairment. If the carrying value of these assets exceeds the current fair value, the asset is considered impaired and is reduced to fair value resulting in a non-cash charge to earnings. Events and conditions that could result in impairment include a sustained drop in franchises, increased competition or loss of market share, and a decrease in geographic footprint that result in a significant loss of sales. To the extent our fair value is below our net book value, or if other indicators of potential impairment are present, then we will be required to take further steps to determine if an impairment of intangible assets has occurred and to calculate an impairment loss.

Property and Equipment, Net of Accumulated Depreciation

The Company recognizes property and equipment at cost, less accumulated depreciation, in the Consolidated Statements of Financial Position. Depreciation of property and equipment is calculated using the straight-line method over the estimated useful life as follows:

BRIGHTWAY HOLDINGS, LLC 2023 CONSOLIDATED FINANCIAL STATEMENTS
(Amounts presented in \$000s, unless otherwise stated)

Asset Class	Useful Lives
Furniture and Fixtures	7-10 Years
Office Equipment	5-10 Years
Leasehold Improvements	9 Years
Computers	3 Years
Software	3 Years

The Company develops various software applications for internal use and accounts for costs incurred to develop such computer software. The Company capitalizes costs incurred during an application's development stage, which include costs to design the software configuration and interfaces, coding, installation, and testing. Costs incurred during the preliminary and post-implementation stages of internal-use computer software are expensed as incurred. Costs incurred to maintain existing software are expensed as incurred.

Compensation

Equity-Based Compensation

The Company issues equity-based awards to employees in the form of Restricted Units, Time Vested Incentive Units, and Performance Vested Incentive Units. These awards vest into equity of Brightway Parent, LLC. Compensation cost for equity awards is measured at the grant date fair value. The grant date fair value of equity-awards is estimated using a Black-Scholes option pricing model. This pricing model requires management to make assumptions with respect to the fair value of the equity awards on the grant date, including the expected term of the award, the expected volatility of the Brightway Parent, LLC's equity units based on a period of time generally commensurate with the expected term of the award, risk-free interest rates and expected dividend yields, among other items.

Equity-based compensation expense is recorded in Employee compensation on the Consolidated Statements of Income over the requisite service period of the award's recipient. The Brightway Parent, LLC Board must authorize all shares of its stock for equity-based compensation before granting. See Note 12, *Equity-based Compensation*, for additional information on the Company's equity-based compensation awards. Compensation expense is recognized using the graded vesting attribution method and forfeitures are accounted for as they occur.

Defined Contribution Plan

The Company recognizes expense for the matching contribution to the defined contribution plan in the year where requisite employee service is performed. Matching contributions are made to participants throughout the year. Any liabilities for matching contributions are recognized as General and administrative expense within the Consolidated Statements of Income.

Litigation and Contingent Liabilities

The Company may be subject to various legal actions related to claims, lawsuits, and proceedings incident to the nature of the business. The Company records liabilities for loss contingencies when it is probable that a liability has been incurred on or before the Consolidated Statements of Financial Position measurement date and the amount of the liability can be reasonably estimated as of the issuance date. The Company does not discount such contingent liabilities and recognizes related legal costs, such as fees and expenses of external counsel and other service providers, as period expenses when incurred. The loss contingencies, if any, are held within Accounts payable and accrued liabilities in the Consolidated Statements of Financial Position. Significant management judgment is required to estimate the amounts of such contingent liabilities and the related insurance recoveries. To assess the potential liabilities, the Company analyzes the litigation exposure based upon available information, including consultation with counsel handling the defense of these matters. As these liabilities are uncertain by their nature, the recorded amounts may change due to a variety of factors, including new developments or changes in the approach, such as changing the settlement strategy as applicable to a matter.

Leases

The Company evaluates contracts entered into to determine whether the contract involves the use of property or equipment, which is either explicitly or implicitly identified in the contract. The Company then evaluates whether it controls the use of the asset, which is determined by assessing whether it obtains substantially all economic benefits from the use of the asset, and whether it has the right to direct the use of the asset. If these criteria are met and a lease

BRIGHTWAY HOLDINGS, LLC 2023 CONSOLIDATED FINANCIAL STATEMENTS
(Amounts presented in \$000s, unless otherwise stated)

has been identified, the Company accounts for the contract under the requirements of Accounting Standards Codification (ASC) 842, *Leases*.

The Company's leased assets consist primarily of real estate leases for occupied offices and office equipment leases. The lease commencement date is the beginning of the lease term and is recognized when the right-of-use asset has been made available by the lessor to the Company. Certain of these leases have options permitting renewals for additional periods or clauses allowing for early termination, and where those are reasonably certain to be executed, they are recognized as a component of the lease term. All of the Company's real estate leases and office equipment leases are recognized as operating leases, with lease terms ranging from 2 to 9 years. The Company recognizes lease payments for short-term leases of twelve months or less in the Consolidated Statements of Income on a straight-line basis over the lease term.

For leases in which an implicit rate is not provided in the contract, the Company uses the risk-free rate available at the lease commencement date in determining the present value of lease payments. The Company does not account for separate lease components of a contract and its associated non-lease components as a single lease component. Further, variable expenses related to real estate and equipment leases are expensed as incurred.

At the lease commencement, the Company recognizes the total lease liability through the lease term as the present value of all remaining payments, discounted by the rate determined at commencement in the Consolidated Statements of Financial Position. Lease liabilities are decreased for payments made in the period and are increased by the accretion of the discount. Rent expense for operating leases is recognized on a straight-line basis over the lease term and is presented within General and administrative expense on the Consolidated Statements of Income, it is recognized as the lease liability interest expense, and the right-of-use asset amortization. Operating leases are included in Non-current assets - Right-of-use asset, Current liabilities - Lease liability, and Non-current liabilities - lease liability on the Consolidated Statements of Financial Position.

In the event the lease liability is remeasured due to a change in the scope of or the consideration for a lease, an adjustment is made to the right-of-use asset. In the instance where the right-of-use asset is impaired, the impairment charge is recognized in the Consolidated Statements of Income within General and administrative expense, irrespective of its classification of operating or finance lease. The Company will periodically review right-of-use lease assets for impairment whenever events or changes in business circumstances indicate that the carrying value of the assets may not be recoverable.

Long-term Debt and Debt Issuance Costs

The Company recognizes debt net of debt issuance costs within the Consolidated Statements of Financial Position. Debt issuance costs are incurred in connection with the issuance of debt and are capitalized and amortized to Interest expense within the Consolidated Statements of Income in accordance with the related debt agreements.

Income Taxes

The Company is treated as a partnership for U.S. federal and applicable state and local income tax purposes. As a partnership, the Company's taxable income or loss was included in the taxable income of its members. Accordingly, no income tax expense was recorded for federal and state and local jurisdictions in the Consolidated Statements of Income.

Subsequent Events

The Company evaluated the recognition and disclosure of subsequent events for its financial statements through March 29, 2024, the date the financial statements were available to be issued. In March 2024, the Company was approved for an incremental term loan of \$10,000 with the current lender, which has the same interest rate and maturity date as the existing term loan.

Recently Adopted Accounting Guidance

Recently adopted accounting pronouncements Reference Rate Reform (ASU 2020-04): In March 2020, the Financial Accounting Standards Board issued ASU 2020-04 Facilitation of the Effects of Reference Rate Reform on Financial Reporting, which provides optional expedients and exceptions for applying U.S. GAAP if certain criteria are met to contracts, hedging relationships and other transactions that reference LIBOR or another reference rate expected to be discontinued. ASU 2020-04 is effective from March 12, 2020, through December 31, 2022. In December 2022, ASU

BRIGHTWAY HOLDINGS, LLC 2023 CONSOLIDATED FINANCIAL STATEMENTS
(Amounts presented in \$000s, unless otherwise stated)

2022-06 extended the effective period through December 31, 2024. A substantial portion of our indebtedness bears interest at variable interest rates, primarily based on USD-LIBOR. The adoption of ASU 2020-04 did not have a material impact on our consolidated financial statements. The standard will ease, if warranted, the administrative requirements for accounting for the future effects of the rate reform. Our debt agreement contains a provision to move to the Secured Overnight Financing Rate ("SOFR") if or when LIBOR is phased out. On February 15, 2023, the Company entered into the First Amendment to the Credit Agreement executing the provision to move to SOFR from LIBOR. Under the allowable expedients, a modification of a debt contract that is only a replacement of the reference rate is accounted for as a non-substantial modification.

In January 2017, the FASB issued ASU 2017-04, Intangibles—Goodwill and Other (Topic 350)—Simplifying the Test for Goodwill Impairment ("ASU 2017-04"). ASU 2017-04 simplifies the accounting for goodwill impairments by eliminating the requirement to compare the implied fair value of goodwill with its carrying amount as part of step two of the goodwill impairment test referenced in Accounting Standards Codification ("ASC") 350, Intangibles - Goodwill and Other ("ASC 350"). As a result, an entity should perform its annual, or interim, goodwill impairment test by comparing the fair value of a reporting unit with its carrying amount. An impairment charge should be recognized for the amount by which the carrying amount exceeds the reporting unit's fair value. However, the impairment loss recognized should not exceed the total amount of goodwill allocated to that reporting unit. ASU 2017-04 is effective for annual reporting periods beginning after December 15, 2019, including any interim impairment tests within those annual periods, with early application permitted for interim or annual goodwill impairment tests performed on testing dates after January 1, 2017. In January 2023, we elected to adopt ASU 2017-04, and the adoption had no impact on our consolidated financial statements. We will perform future goodwill impairment tests according to ASU 2017-04.

Note 3 – Acquisitions

The Company accounts for acquisitions either as business combinations or asset acquisitions depending on the facts and circumstances of each acquisition. Transaction costs arising from business combinations or asset acquisitions are recognized within General and administrative expense in the Consolidated Statements of Income.

Total consideration for certain acquisitions includes contingent consideration, which is generally based on achieved revenue. Contingent consideration is recognized at its fair value as of the acquisition date. The fair value of contingent consideration is based on the present value of the expected future payments under the respective purchase agreements. In determining fair value the Company estimates cash payments based on the management's estimate of the performance of each acquisition relative to the formula specified by each purchase agreement. Further information regarding fair value measurements is detailed in Note 14, Fair Value Measurements. For asset acquisitions, the Company recognizes contingent consideration when the underlying contingency is resolved, and the consideration is paid or payable.

Acquired Policyholder Relationships

During the year ended December 31, 2022, the Company acquired 100% of the assets from four of their franchisees, including their share of commissions owed for prior placements of insurance coverage. In accordance with ASC 805, *Business Combinations*, the Company determined that substantially all the fair value of the gross assets acquired of each franchise was concentrated in a single identifiable asset, which was policyholder relationships. The commissions receivable from each acquired franchise was immaterial, individually and in aggregate. Accordingly, the acquired set of assets and activities did not meet the definition of a business.

As a result, the Company accounted for each franchise acquisition as an asset acquisition as opposed to a business combination and allocated the cost of each asset acquisition to an intangible policyholder relationship asset. The identified intangible assets acquired as a part of these asset acquisitions were policyholder relationships with estimated useful lives of 10 years. The intangible assets were valued using an excess earnings model. Changes in consideration represent changes in the present value of the future payments due and change in contingent considerations based on the performance of the acquired books of business. The intangible assets are amortized based on the relative discounted cash flows the Company expects to receive from the policyholder relationships each year.

Additionally, the Company has evaluated ASC Topic 340 - Other Assets and Deferred Cost (“ASC 340”) which requires companies to defer certain incremental cost to obtain customer contracts, and certain costs to fulfill customer contracts.

Incremental cost to obtain - The adoption of ASC 340 resulted in the Company deferring certain costs to obtain franchise contracts primarily as they relate to the Franchise Channel compensation expense that is directly related to obtaining new franchise agreements. We note that the cost to obtain is considered immaterial.

Costs to fulfill - The Company has evaluated the need to capitalize costs to fulfill customer contracts and has determined that there are no costs that meet the definition for capitalization under ASC 340.

Note 5 – Receivables

Commissions and Fees Receivable

The Company had receivables of \$9,492 and \$6,819 as of December 31, 2023 and 2022, which were recognized within Commissions and fees receivable, net in the Consolidated Statements of Financial Position. We predominately become aware of commission and fee revenue when carriers provide confirmation of amounts owed and collection is highly probable. As such, we do not recognize a provision for credit losses on our commissions and fees receivable.

No single counterparty accounted for more than ten percent of our total commissions and fees receivable.

Note 6 – Notes Receivable

The Company offers notes to certain franchises, typically in conjunction with the sale of a new franchise. The notes have maturities that range between 12 months and 112 months. The aggregate balance of notes was \$2,238 as of December 31, 2023. This balance is included within current Notes Receivable, Net, and non-current Notes Receivable, Net in the Statements of Financial Position.

Interest income on the notes was \$217 and \$124 in 2023 and 2022, respectively. The weighted-average interest rate on outstanding notes receivable was 10.08% and 9.80% as of December 31, 2023 and 2022, respectively.

This facility matures on December 16, 2027. The Facility consists of a term loan and a revolving line of credit, which are described below.

On February 15, 2023, the Company amended the credit agreement which replaced LIBOR with SOFR.

Revolving Credit Line

The Company maintains access to a \$10 million revolving credit line. The interest rate applicable to the revolving credit line is equivalent to the applicable interest rate on the term loan. The Revolving Credit Line also includes a commitment fee of 0.50% of any amounts undrawn.

Note 13 – Employee Benefit Plans and Long-Term Incentives

Defined Contribution Plan

The Company offers a defined contribution retirement plan, the Members 401(k) Advantage Plan (the “Plan”), to all eligible employees, based on a minimum of service hours in a year. Under the Plan, eligible employees may contribute a percentage of their compensation, subject to certain limitations. Further, the Plan authorizes the Company to make a discretionary matching contribution, which has historically equaled 100% of each eligible employee’s contribution of up to 3% of their compensation, and 50% of the next 2% of their compensation. The Company recognized expenses related to the discretionary matching contributions in the amount of \$438 and \$367 in 2023 and 2022, respectively. Matching contributions are made throughout the year, and therefore there were no Company contributions accrued as of December 31, 2023.

Deferred Compensation Plan

In connection with Brightway Parent LLC’s acquisition of the Company, the Company transferred \$719 into a newly formed rabbi trust in 2022. This amount fully funds long-term incentive obligations in place as of the acquisition in accordance with the plan’s applicable sunset provision. The vested portion of funds contributed into the rabbi trust are paid in twenty-four monthly installments once eligible participants qualify to receive such distributions. During 2023, the Company elected to make early payments on the long-term incentive obligations totaling \$628.

The balance in the Rabbi trust on December 31, 2023 and 2022, is \$91 and \$719, respectively, and is included in our Statements of Financial Position.

Note 14 – Fair Value Measurements

Accounting standards establish a three-tier fair value hierarchy that priorities the inputs used in measuring the fair value as follows:

Level 1. Observable inputs such as quotes prices for identical assets in active markets;

Level 2. Inputs other than quoted prices for identical assets in active markets, that are observable either directly or indirectly; and

Level 3. Unobservable inputs in which there is little or no market data, which requires the use of valuation techniques and the development of assumptions.

The level in the fair value hierarchy within the fair value measurement is classified is determined based on the lowest level of input that is significant to the fair value measure in its entirety.

The carrying amount of financial assets and liabilities reported on the Consolidated Statements of Financial Position for Cash and cash equivalents, Commissions and fees receivable - net, Other current assets, and Accounts payable and Accrued liabilities approximate fair value because of the short-term duration of these instruments.

Contingent Consideration

Any contingent consideration arising upon an acquisition of a franchisee’s book of business is initially recorded as a component of the total consideration of acquisition at fair value with an offsetting liability in Non-Current Accounts Payable and Accrued Liabilities in the Consolidated Statements of Financial Position. The fair value of these contingent consideration obligations is based on the present value of the future expected payments to be made to the sellers of the acquired book of business businesses in accordance with the provisions outlined in the respective purchase agreements, which is a Level 3 fair value measurement. In determining fair value, the Company estimates cash payments based on management’s financial projections of the performance of each acquired business relative to the formula specified by each purchase agreement.

During 2023, the Company engaged a 3rd party consulting company to perform advisory services to assist the Company in optimizing its franchise sales efforts. As part of the arrangement, the Company agreed to pay a fee that consists of two components: (1) current fixed fees of \$250 and long-term fixed fees of \$1,750; (2) a performance-

(Amounts presented in \$000s, unless otherwise stated)

based variable fee that is contingent upon the number of new policies in force for franchise units added from January 1, 2024, to December 31, 2030, and changes in fair value of the Company. As of December 31, 2023, the Company estimated the contingent liability for the performance based variable fee to be \$230.

Liabilities Measured at Fair Value on a Recurring Basis

The following fair value hierarchy table presents information about the Company's liabilities measured at fair value on a recurring basis as of December 31, 2023.

	As of December 31, 2023

Litigation

From time to time the Company may be subject to claims and litigation. As of December 31, 2023, and as of the date of this report, the Company is not a party to material litigation.

Errors and Omissions and Business Accommodations

As an insurance broker, the Company has the potential for Errors and Omissions (“E&O”) risk if an insurance carrier with which the Company placed coverage denies coverage for a claim or pays less than the insured believes is the full amount owed. As a result, the Company from time to time seeks to resolve early in the process, through a commercial accommodation, certain matters to limit the economic exposure and reputational risk, including potential legal fees, created by a disagreement between a carrier and the insured.

The Company purchases insurance to provide protection from E&O liabilities that may arise during the ordinary course of business. As of December 31, 2023, our E&O insurance provides aggregate coverage for E&O losses up to \$36,000 in excess of a \$30 retention per claim. The Company maintains self-insurance reserves for the Company's retained portion of the E&O exposure that is not insured. The Company periodically determines a range of possible

(Amounts presented in \$000s, unless otherwise stated)

reserve levels using the best available information that relies heavily on projecting historical claims data into the future.

The reserve for these and other non-E&O claims and business accommodations in the Consolidated Statements of Financial Position was \$80 and \$163 as of December 31, 2023 and 2022. The Company recognized \$158 and \$73 E&O expense in 2023 and 2022, respectively. The historical claim and commercial accommodation data used to project the current reserve levels may not be indicative of future claim activity. Thus, the reserve levels could change in the future as more information becomes known, which could materially impact the amounts reported and disclosed herein.

Independent Auditor's Report

Board of Directors
Brightway Insurance, LLC

Opinion

We have audited the financial statements of Brightway Insurance, LLC (the Company), which comprise the statement of financial position as of December 31, 2022, the related statements of income, member's equity (deficit) and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2022, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the Company restated prior period financial statements due to corrections of errors and changed its method of accounting for leases in 2022 due to the adoption of Accounting Standards Codification 842, Leases. We audited the adjustments necessary to restate the 2021 and 2020 financial statements as further disclosed in Note 1. Our opinion is not modified with respect to this matter.

Other Matter

The financial statements of the Company, as of and for the years ended December 31, 2021 and 2020, before they were restated for the matter discussed in Note 1 to the financial statements, were audited by other auditors, whose report, dated April 21, 2022, expressed an unmodified opinion on those statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

BRIGHTWAY INSURANCE, LLC 2022 FINANCIAL STATEMENTS

(\$ amounts in thousands unless otherwise indicated)

Note 1 – Basis of Presentation

Nature of Operations

Brightway Insurance, LLC (the “Company”) is a leading insurance agency that places insurance coverages for policyholders. Our differentiated franchise model, in which the Company provides product development, business development, training, policyholder administration services, and proprietary technology and our franchises provide policyholder advisory, distribution, and placement services under a “you sell, we service” division of responsibilities contributes to outperformance of revenue growth and profitability relative to other industry participants.

Our mission is to provide industry leading and innovative insurance solutions and service for our franchise agents, our policyholders, and our carriers. We believe that policyholders are increasingly demanding more choice, greater client service, and access to products and services accessed through a variety of channels. The Company is well-suited to satisfied policyholder demands by distributing products and services through a broad network of franchised insurance agencies that have access to robust products and services, leading technology, and aligned financial interests.

We generally provide these products and solutions through our network for franchised insurance agencies. The Company grants franchise agreements, generally for an initial term of five-years, at locations approved by the Company. The Company had 301 and 287 franchises in operation as of December 31, 2022, and January 1, 2022, respectively. In exchange for services provided to the franchisees, the Company recognizes revenue equal to a fixed portion of gross commissions paid by insurance carriers for the placement of policies.

The Company is wholly owned by Brightway Holdings, LLC (“Holdings”). Holdings was formed on November 7, 2021 as a Delaware limited liability company.

The Company is headquartered in Jacksonville, Florida, and has operations throughout the United States.

Basis of Presentation

The accompanying financial statements and notes thereto have been prepared in accordance with U.S. Generally Accepted Accounting Principles (“U.S. GAAP”).

Going Concern

On December 16, 2021, Holdings sold a controlling equity stake to a private equity financial sponsor and entered into a credit agreement with a private lender. The investment thesis contemplated significant investments in talent and technology to accelerate growth. As a result of the transaction and subsequent investments in talent and technology, the Company has experienced a decrease in profitability and cash flows from operations. In order to fund operations and continue to make desired investments, the Company plans to further draw on Holdings’ revolving credit line and, if necessary, raise equity from its financial sponsor, which has signaled continued willingness and ability to provide support. Such willingness and ability, coupled with the Company’s ability to rapidly adjust operations to postpone or decrease the level of investments in talent and technology, eliminate substantial doubt about the ability of the Company to continue as a going concern. As such, the Company’s financial statements are prepared on a going concern basis, which contemplates the realization of assets and the satisfaction of obligations in the normal course of business.

Reclassifications of Previously Issued Consolidated Financial Statements

We have restated herein our audited financial statements for the years ended December 31, 2021, and December 31, 2020.

Reclassifications Background

The Company has reclassified certain amounts within the financial statements in order to enhance presentation and comparability. These reclassifications did not have any impact on net income or member’s equity (deficit). A description of material reclassifications follows:

BRIGHTWAY INSURANCE, LLC 2022 FINANCIAL STATEMENTS

(\$ amounts in thousands unless otherwise indicated)

Current and Non-Current Reclassifications

We have reviewed our underlying records, transactions, and underlying intent and have reclassified certain amounts between current and non-current assets, as well as current and non-current liabilities. These reclassifications are based on when we expected to realize cash from these assets, or when we expect to disburse cash for these liabilities.

Other

We have introduced or excised certain captions in order to enhance the presentation.

Restatement Adjustments

The Company has made several restatements in order to correct errors in the previously issued financial statements. A description of material errors corrected follow:

Supplemental Commissions

The Company typically receives confirmation of supplemental commissions from carrier partners in the first calendar quarter of each year, and before financial statements are issued. The Company erroneously recognized income in 2020 and 2021 that related to supplemental commissions for the preceding year, which were confirmed by carrier partners in advance of the preparation of financial statements. We have corrected this misstatement to recognize amounts in the proper period, including adjusting retained earnings (deficit) as of December 31, 2019, pursuant to our policy as described in Note 2, *Summary of Significant Accounting Policies*.

Franchise Commissions

Within the Statements of Operations, commissions expense payable to our franchisees were reported within Operating Expenses. These amounts have been reclassified within Franchise Commissions and Fees, net. As our franchisees act as insurance sub producers and these amounts are directly tied to the placement of insurance risk and are determined based on gross revenue it is customary to report such amounts as contra-revenue. We believe this reclassification will improve comparability of our financial performance and position as compared to other insurance intermediaries.

Franchise Notes Receivable

From time to time, our franchises may borrow from unrelated parties to fund investments and operations. These are negotiated and executed without the Company's involvement there is no recourse against the Company in the event of default, but the Company will deduct amounts from any commissions and fees owed to the franchisees to fund interest and/or principal payments as instructed by the franchisee. Previously, the Company recognized an asset for the future amount of cash flows to be deducted and an amount payable to the third-party lender for amounts communicated to us as obligations between any franchisee to the third-party lender. As we have no rights or obligations with respect to these franchisor borrowings, we have derecognized such assets and liabilities.

Liability for Future Policy Cancellations

The Company previously recognized a liability for the expected return of commissions to carriers for projected insurance policy cancellations. The formulas used to derive the projections had mathematical errors, resulting in an understatement of the liability. We have corrected this misstatement by revising the mathematical formulas used to derive the projections in 2020 and 2021. As a result, in addition, we have made material adjustments to commission receivable and payables in 2020 and 2021 including retained earnings (deficit) as of December 31, 2019.

Accounts Payable and Accrued Expenses Recognition

The Company previously recognized certain commissions payable to franchisees and incentive payments to employees when cash was paid, and not when the obligation was incurred. We have corrected these misstatements to recognize amounts in the proper period.

BRIGHTWAY INSURANCE, LLC 2022 FINANCIAL STATEMENTS

(\$ amounts in thousands unless otherwise indicated)

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, as well as the reported amounts of revenue and expenses during the applicable reporting period. Significant accounting policies are those that are the most important portrayal of our financial condition, results of operations and cash flows, and that require our subjective judgment as a result of the need to make estimates about the effect of matters that are inherently uncertain. In applying such policies, we must use some amounts that are based upon our informed judgments and best estimates. Estimates, by their nature, are based upon judgments and available information. The estimates that we make are based upon historical factors, current circumstances and the experience and judgment of management. We evaluate our assumptions and estimates on an ongoing basis. Our actual results may differ from these estimates under different assumptions or conditions.

Note 2 – Summary of Significant Accounting Policies

Revenue Recognition

The Company primarily generates revenue through royalties from franchises for services and through commissions from carriers for brokerage and underwriting.

The Company incurs both costs to fulfill contracts, principally in pre-placement brokerage activities and post-placement servicing activities, and costs to obtain a contract, principally through certain sales commissions paid to employees. For situations in which the underlying insurance renewal period is one year or less and renewal costs are commensurate with the initial contract, the Company applies a practical expedient and recognizes the costs of obtaining a contract as an expense when incurred.

Franchise Commissions

Franchise commissions, or royalties, are based on a percentage of the gross commissions received by insurance carriers for an agreed-upon level of service. The Company estimates the amount of franchise commissions, or royalties, to recognize revenue on the effective date of a policy is placed into service based on estimates of premiums, policy changes and cancellations. The Company's customers for this revenue stream are the franchisees.

Brokerage Commissions and Fees

Brokerage commissions and fees revenue is primarily based on a percentage of premiums or fees received for an agreed-upon level of service. The net Brokerage Commissions and Fees are recognized at a point in time when an insurance policy is bound and issued, which occurs on the later of the policy effective date of the associated policies, or the date the Company receives a request to bind coverage from the customer.

Cancellation Constraint

Most insurance premiums are subject to policy cancellation; therefore, both Franchise commissions and fees and Brokerage commission and fees are considered variable consideration at the underlying contract effective date and is recognized net of a constraint for estimated policy cancellations, based upon the Company's historical cancellations.

Contingent Commissions

Supplemental and contingent commissions are additional revenues paid to the Company based on the volume and/or underwriting profitability on the eligible insurance contracts placed. The Company's performance obligation is satisfied over time, and revenue is recognized over time using the output method as the Company places eligible or profitable policies. Because of the limited visibility into the satisfaction of performance indicators outlined in the contracts, the Company constrains the recognition of related revenues until the time that the carrier provides explicit confirmation of amounts owed to the Company to avoid a significant reversal of revenue in a future period. The uncertainty regarding the ultimate variable consideration for contingent commissions is principally the profitability of the underlying insurance policies placed as determined by the development of loss ratios maintained by the carriers. The uncertainty is resolved over the contractual term as actual results are achieved.

BRIGHTWAY INSURANCE, LLC 2022 FINANCIAL STATEMENTS

(\$ amounts in thousands unless otherwise indicated)

Franchise Sales

Franchise sales revenue is received for agreed-upon services provided to our franchisee customers. The Company has elected the Private Company Council (“PCC”) expedient whereby various pre-opening franchise activities are determined to be a single performance obligation distinct from the franchise right conveyed. Franchise sales revenue is recognized when the pre-opening activities are completed, which is generally when the franchise is opened. For the majority of new franchise sales, we issue Company-provided financing. For those franchise sales for which financing is provided, the Company only recognizes revenue if collectability is probable. We recognize interest on notes receivable within Interest income on the Statement of Income.

Cash and Cash Equivalents

Cash and cash equivalents include cash in demand deposits accounts and short-term investments, consisting principally of money market demand accounts, having original maturities of 90 days or less. The Company maintains its deposits in federally insured financial institutions and may exceed federally insured limits. The Company has not experienced any losses in such accounts and management believes the Company is not exposed to any significant credit risk.

Restricted Cash and Cash Equivalents

In its role as an insurance intermediary, the Company collects and remits amounts between policyholders, agents, and insurance carriers. Because these amounts are collected on behalf of third parties, they are excluded from the measurement of the transaction price. Similarly, the Company excludes from the measurement of the transaction price surplus lines taxes, as these are assessed by a governmental authority that are both imposed on and concurrent with the revenue-producing transactions and collected by the Company from customers and remitted to the taxing authority.

The Company recognizes amounts held and due to the Company as either Restricted cash or within receivables. Premiums and surplus lines taxes are included in Accounts payable and accrued liabilities in the Statements of Financial Position. The Company does not have any rights or obligations in connection with these amounts with the exception of segregating these amounts from the operating accounts and liabilities.

The Restricted cash and cash equivalents include cash in demand deposits accounts and short-term investments, consisting principally of money market demand accounts, having original maturities of 90 days or less.

Brokerage and Franchise Commissions and Fees Receivable

The Company earns commissions and fees from the placement and services provided to our policyholder and franchisees. The Company records a receivable once a performance obligation is satisfied. Commission payables consist of amounts due to agents of the Company related to the commission receivable. Commission payables are stated at the amounts due to the agents less an estimated allowance for chargebacks.

Allowance for Credit Losses on Notes Receivable

The Company records certain receivables net of an allowance for estimated uncollectable accounts to reflect any loss anticipated for the receivable balance. The Company calculates the allowance based on our history of write offs associated with each receivable. We have considered the available information relating to past events, current conditions, and reasonable and supportable forecasts.

Goodwill and Finite-Lived Intangible Assets

Goodwill

Goodwill represents the excess of consideration transferred over the fair value of the net assets acquired in the acquisition of a business. The Company recognizes goodwill as the amount of consideration transferred which cannot be assigned to other tangible or intangible assets and liabilities.

The Company reviews goodwill for impairment at least annually, and whenever events or changes in circumstances indicate that the carrying value of the reporting unit may not be recoverable. In the performance of the annual evaluation, the Company also considers qualitative and quantitative developments between the date of the goodwill impairment review and the fiscal year end to determine if an impairment should be recognized.

BRIGHTWAY INSURANCE, LLC 2022 FINANCIAL STATEMENTS

(\$ amounts in thousands unless otherwise indicated)

The Company reviews goodwill for impairment at the reporting unit level. The determinations of impairment indicators and the fair value of the reporting unit are based on estimates and assumptions related to the amount and timing of future cash flows and future interest rates. Such estimates and assumptions could change in the future as more information becomes available, which could impact the amounts reported and disclosed herein.

Finite-Lived Intangible Assets

Intangible assets other than goodwill consist of client relationships. Client Relationships are amortized over their estimated useful lives, ranging from 7 to 10, in proportion with the realization of their economic benefit. The Company has no indefinite-lived intangible assets. Intangible assets are reviewed at least annually for impairment. If the carrying value of these assets exceeds the current fair value, the asset is considered impaired and is reduced to fair value resulting in a non-cash charge to earnings. Events and conditions that could result in impairment include a sustained drop in franchises, increased competition or loss of market share, and a decrease in geographic footprint that result in a significant loss of sales. To the extent our fair value is below our net book value, or if other indicators of potential impairment are present, then we will be required to take further steps to determine if an impairment of intangible assets has occurred and to calculate an impairment loss.

Property and Equipment, Net of Accumulated Depreciation

The Company recognizes property and equipment at cost, less accumulated depreciation, in the Statement of Income. Depreciation of property and equipment is calculated using the straight-line method over the estimated useful life as follows:

Asset Class	Useful Lives
Furniture and Fixtures	7-10 Years
Office Equipment	5-10 Years
Leasehold Improvements	9 Years
Computers	10 Years
Software	3 Years

The Company develops various software applications for internal use and accounts for costs incurred to develop such computer software. The Company capitalizes costs incurred during an application's development stage, which include costs to design the software configuration and interfaces, coding, installation, and testing. Costs incurred during the preliminary and post-implementation stages of internal-use computer software are expensed as incurred. Costs incurred to maintain existing software are expensed as incurred.

Compensation

Equity-Based Compensation

The Company issues equity-based awards to employees in the form of Restricted Units, Time Vested Incentive Units, and Performance Vested Incentive Units. These awards vest into equity of Brightway Parent, LLC. Compensation cost for equity awards is measured at the grant date fair value. The grant date fair value of equity-awards is estimated using a Black-Scholes option pricing model. This pricing model requires management to make assumptions with respect to the fair value of the equity awards on the grant date, including fair value of the Brightway Parent, LLC's equity units, the expected volatility of the Brightway Parent, LLC's equity units based on a period of time generally commensurate with the expected term of the award, risk-free interest rates and expected dividend yields, among other items.

Equity-based compensation expense is recorded in Employee compensation on the Statement of Income over the requisite service period of the award's recipient. See Note 12, *Equity-based Compensation*, for additional information on the Company's equity-based compensation awards. Compensation expense is recognized using the graded vesting attribution method and forfeitures are accounted for as they occur.

Defined Contribution Plan

The Company recognizes expense for the matching contribution to the defined contribution plan in the year where requisite employee service is performed. Matching contributions are made to participants throughout the year. Any

BRIGHTWAY INSURANCE, LLC 2022 FINANCIAL STATEMENTS

(\$ amounts in thousands unless otherwise indicated)

liabilities for matching contributions are recognized as General and administrative expense within the Statement of Income.

Litigation and Contingent Liabilities

The Company may be subject to various legal actions related to claims, lawsuits, and proceedings incident to the nature of the business. The Company records liabilities for loss contingencies when it is probable that a liability has been incurred on or before the Statement of Financial Position measurement date and the amount of the liability can be reasonably estimated as of the issuance date. The Company does not discount such contingent liabilities and recognizes related legal costs, such as fees and expenses of external counsel and other service providers, as period expenses when incurred. The loss contingencies, if any, are held within Accounts payable and accrued liabilities in the Statements of Financial Position. Significant management judgment is required to estimate the amounts of such contingent liabilities and the related insurance recoveries. In order to assess the potential liabilities, the Company analyzes the litigation exposure based upon available information, including consultation with counsel handling the defense of these matters. As these liabilities are uncertain by their nature, the recorded amounts may change due to a variety of factors, including new developments or changes in the approach, such as changing the settlement strategy as applicable to a matter.

Leases

The Company evaluates contracts entered into to determine whether the contract involves the use of property or equipment, which is either explicitly or implicitly identified in the contract. The Company then evaluates whether it controls the use of the asset, which is determined by assessing whether it obtains substantially all economic benefits from the use of the asset, and whether it has the right to direct the use of the asset. If these criteria are met and a lease has been identified, the Company accounts for the contract under the requirements of Accounting Standards Codification (ASC) 842, *Leases*.

The Company's leased assets consist primarily of real estate leases for occupied offices and office equipment leases. The lease commencement date is the beginning of the lease term and is recognized when the right-of-use asset has been made available by the lessor to the Company. Certain of these leases have options permitting renewals for additional periods or clauses allowing for early termination, and where those are reasonably certain to be executed, they are recognized as a component of the lease term. All of the Company's real estate leases and office equipment leases are recognized as operating leases, with lease terms ranging from 2 to 9 years. The Company recognizes lease payments for short-term leases of twelve months or less in the Statement of Income on a straight-line basis over the lease term.

For leases in which an implicit rate is not provided in the contract, the Company uses the risk-free rate available at the lease commencement date in determining the present value of lease payments. The Company does not account for separate lease components of a contract and its associated non-lease components as a single lease component. Further, variable expenses related to real estate and equipment leases are expensed as incurred.

At the lease commencement, the Company recognizes the total lease liability through the lease term as the present value of all remaining payments, discounted by the rate determined at commencement in the Statements of Financial Position. Lease liabilities are decreased for payments made in the period and are increased by the accretion of the discount. Rent expense for operating leases is recognized on a straight-line basis over the lease term and is presented within General and administrative expense on the Statement of Income, it is recognized as the lease liability interest expense, and the right-of-use asset amortization. Operating leases are included in Non-current assets - Right-of-use asset, Current liabilities - Lease liability, and Non-current liabilities - lease liability on the Statements of Financial Position.

In the event the lease liability is remeasured due to a change in the scope of or the consideration for a lease, an adjustment is made to the right-of-use asset. In the instance where the right-of-use asset is impaired, the impairment charge is recognized in the Statement of Income within General and administrative expense, irrespective of its classification of operating or finance lease. The Company will periodically review right-of-use lease assets for impairment whenever events or changes in business circumstances indicate that the carrying value of the assets may not be recoverable.

Income Taxes

The Company is treated as a partnership for U.S. federal and applicable state and local income tax purposes. As a partnership, the Company's taxable income or loss was included in the taxable income of its members. Accordingly, no income tax expense was recorded for federal and state and local jurisdictions in the Statement of Income.

Subsequent Events

The Company evaluated the recognition and disclosure of subsequent events for its financial statements through July 28, 2023, the date the financial statements were available to be issued.

Recently Adopted Accounting Guidance

Measurement of Credit Losses on Financial Instruments (ASU 2016-13)

On June 16, 2016, the FASB issued guidance replacing the current incurred loss model. The guidance requires entities to measure expected credit losses based on consideration of a broad range of relevant information, including historical experience, current conditions, and reasonable and supportable forecasts that affect the collectability of the reported amount of the financial instrument. Prior to the adoption of this guidance, we recorded an allowance for credit losses if it was probable that a loss had been incurred as of the statement of condition date and the amount of the loss could be reasonably estimated.

Effective January 1, 2022, we adopted ASU 2016-13 using the modified retrospective method. The Company measured expected credit losses over the estimated life of our in-scope financial instruments, i.e., Notes receivable, and the adoption of this guidance increased our allowance for credit losses. Therefore, a cumulative-effect adjustment of \$384 was recorded to retained earnings as of January 1, 2022. Refer to Note 6 – *Notes Receivable* for details of the allowance for credit losses recognized for each in-scope financial instrument.

Leases (ASU 2016-02)

On February 25, 2016, the FASB issued guidance that requires a lessee, in an operating or finance lease, to recognize on the statement of condition a liability to make lease payments and a right-of-use asset representing its right to use the underlying asset for the lease term. However, for a lease with a term of 12 months or less, a lessee is permitted to make an accounting policy election not to recognize a lease asset and lease liability. Under previous guidance, a lessee was not required to recognize a lease asset and lease liability arising from an operating lease on the statement of condition. While this guidance does not fundamentally change lessor accounting, some changes have been made to align that guidance with the lessee guidance and other areas within GAAP.

This guidance was effective for the interim and annual periods beginning on January 1, 2022. The Company elected to adopt this guidance as of January 1, 2022. The company used the full retrospective method of adoption and adjusted each financial statement period presented to reflect adoption. For transition purposes, the Company elected the package of practical expedients to reassess prior conclusions related to contracts containing leases, lease classification, and initial direct costs. The Company elected the practical expedient to utilize the risk-free rate to determine the present value of future lease payments. Upon adoption of this guidance, we reported higher assets and liabilities as a result of including right-of-use assets of \$4,138 and lease liabilities of \$3,422 in 2020. The impact to our statements of cash flows was not material. Refer to Note 9 – *Leases* for more information.

Note 3 – Acquisitions

The Company accounts for acquisitions either as business combinations or asset acquisitions depending on the facts and circumstances of each acquisition. Transaction costs arising from business combinations or asset acquisitions are recognized within General and administrative expense in the Consolidated Statement of Income.

Total consideration for certain acquisitions includes contingent consideration, which is generally based on achieved revenue. Contingent consideration is recognized at its fair value as of the acquisition date. The fair value of contingent

BRIGHTWAY INSURANCE, LLC 2022 FINANCIAL STATEMENTS

(\$ amounts in thousands unless otherwise indicated)

consideration is based on the present value of the expected future payments under the respective purchase agreements. In determining fair value the Company estimates cash payments based on management's estimate of the performance of each acquisition relative to the formula specified by each purchase agreement. Further information regarding fair value measurements is detailed in Note 14, Fair Value Measurements. For asset acquisitions, the Company recognizes contingent consideration when the underlying contingency is resolved, and the consideration is paid or payable. Revaluation of contingent consideration are recognized as a component of Non-Operating Income (Loss) within the Consolidated Statement of Income.

Acquired Policyholder Relationships

During the year ended December 31, 2021, and 2022, the Company acquired 100% of the books of business from five of their franchisees, including their share of commissions owed for prior placements of insurance coverage. The Company made an upfront cash payment of \$294 for the acquisitions. The Company paid \$753 of contingent consideration as the associated contingencies relating to this payment have been resolved. An additional \$712 of contingent consideration may be owed to the former franchisees based upon future revenues of the acquired books of business. In accordance with ASC 805, *Business Combinations*, the Company determined that substantially all the fair value of the gross assets acquired of each franchise was concentrated in a single identifiable asset, which was policyholder relationships. The commissions receivable from each acquired franchise was immaterial, individually and in aggregate. Accordingly, the acquired set of assets and activities did not meet the definition of a business.

As a result, the Company accounted for each franchise acquisition as an asset acquisition as opposed to a business combination and allocated the cost of each asset acquisition to an intangible policyholder relationship asset. The identified intangible assets acquired as a part of these asset acquisitions were policyholder relationships with estimated useful lives of 10 years. The intangible assets were valued using an excess earnings model. The intangible assets are amortized based on the relative discounted cash flows the Company expects to receive from the policyholder relationships each year.

The following table provides a roll forward of consideration that we expect to pay to the sellers of these policyholder relationships:

		Fixed Consideration	Contingent Consideration	Total

Incremental cost to obtain - The adoption of ASC 340 resulted in the Company deferring certain costs to obtain franchise contracts primarily as they relate to the Franchise Channel compensation expense that is directly related to obtaining new franchise agreements. We note that the cost to obtain is considered immaterial.

Costs to fulfill - The Company has evaluated the need to capitalize costs to fulfill customer contracts and has determined that there are no costs that meet the definition for capitalization under ASC 340.

The Company offers a defined contribution retirement plan, the Members 401 (k) Advantage Plan (the “Plan”), to all eligible employees, based on a minimum of service hours in a year. Note 14 – Fair Value Measurements

Accounting standards establish a three-tier fair value hierarchy that priorities the inputs used in measuring the fair value as follows:

Level 1. Observable inputs such as quotes prices for identical assets in active markets;

Level 2. Inputs other than quoted prices for identical assets in active markets, that are observable either directly or indirectly; and

Level 3. Unobservable inputs in which there is little or no market data require the use of valuation technique and the development of assumptions.

The level in the fair value hierarchy within the fair value measurement is classified and determined based on the lowest level of input that is significant to the fair value measure in its entirety.

The carrying amount of financial assets and liabilities reported on the Statement of Financial Position for cash and cash equivalents, commissions and fees receivable - net, other current assets, and accounts payable and accrued liabilities approximate fair value because of the short-term duration of these instruments.

Contingent Consideration

Any contingent consideration arising upon an acquisition of a franchisee’s book of business is initially recorded as a component of the total consideration of acquisition at fair value with an offsetting liability in Non-Current Accounts Payable and Accrued Liabilities in the Statements of Financial Position. The fair value of these contingent consideration obligations is based on the present value of the future expected payments to be made to the sellers of the acquired book of business businesses in accordance with the provisions outlined in the respective purchase agreements, which is a Level 3 fair value measurement. In determining fair value, the Company estimates cash payments based on management’s financial projections of the performance of each acquired business relative to the formula specified by each purchase agreement.

Liabilities Measured at Fair Value on a Recurring Basis

The following fair value hierarchy table presents information about the Company’s liabilities measured at fair value on a recurring basis as of December 31, 2022:

Note 15 – Commitments and Contingencies***Litigation***

From time to time the Company may be subject to claims and litigation. As of December 31, 2022, and as of the date of this report, the Company is not a party to material litigation.

Errors and Omissions and Business Accommodations

As an insurance broker, the Company has the potential for Errors and Omissions (“E&O”) risk if an insurance carrier with which the Company placed coverage denies coverage for a claim or pays less than the insured believes is the full amount owed. As a result, the Company from time to time seeks to resolve early in the process, through a commercial accommodation, certain matters to limit the economic exposure and reputational risk, including potential legal fees, created by a disagreement between a carrier and the insured.

The Company purchases insurance to provide protection from E&O liabilities that may arise during the ordinary course of business. As of December 31, 2022, 2021, and 2020, our E&O insurance provides aggregate coverage for E&O losses up to \$36,000 in excess of a \$30 retention per claim. The Company maintains self-insurance reserves for the Company’s retained portion of the E&O exposure that is not insured. The Company periodically determines a range of possible reserve levels using the best available information that relies heavily on projecting historical claims data into the future.

The reserve for these and other non-E&O claims and business accommodations in the Statement of Financial Position was \$163 and \$50 as of December 31, 2022, and December 31, 2021, respectively. The Company recognized \$73, \$90, and \$57 in E&O expense in 2022, 2021, and 2020, respectively. The historical claim and commercial accommodation data used to project the current reserve levels may not be indicative of future claim activity. Thus, the reserve levels could change in the future as more information becomes known, which could materially impact the amounts reported and disclosed herein.

This **BRIGHTWAY INSURANCE, LLC FRANCHISE AGREEMENT** (the “**Agreement**”) is made and entered into as of _____ (the “**Effective Date**”), by and between **BRIGHTWAY INSURANCE, LLC**, a Florida limited liability company with an address at 3733 University Boulevard West, Suite 100, Jacksonville, Florida 32217 (“**Brightway**”), and _____, a _____ with an address at _____ (“**Associate Agency Owner**” or “**Franchisee**”). The majority owner of Franchisee shall be recognized as the “**Controlling Interest**” of Franchisee, as set forth in **Exhibit 2**.

Recitals

- a) Brightway owns or has the right to license certain trade names, trademarks, service marks and/or indicia of origin identified in Item 13 of Brightway’s current form of franchise disclosure document, as well as such other marks as may be designated by Brightway (the “**Licensed Marks**”), the distinctiveness and value of which are acknowledged by Franchisee.
- b) In connection therewith, Brightway is engaged in the business of licensing others the right to use the Licensed Marks to operate Brightway Insurance stores (individually referred to as a “**Brightway Location**” and collectively referred to as “**System Locations**”) that primarily engage in the business of selling, procuring and servicing property and casualty insurance policies, but that may also offer certain other insurance products and services to their clients.
- c) Brightway has also developed a unique system for the establishment and operation of System Locations, which system includes, but is not limited to, assistance in site evaluation, marketing, advertising, sales and promotional techniques, training, data analytics, customer service, accounting and record-keeping methods, and other matters relating to the operation and promotion of System Locations (the “**Brightway System**”), all of which are designed to enhance the reputation and goodwill of the System Locations.
- d) Franchisee has investigated and become familiar with the Brightway System, and desires, within the terms and conditions set forth herein, to undertake the obligation to: (i) obtain a license to establish and operate a Brightway Location at a location approved by Brightway; (ii) use the Licensed Marks and the Brightway System in connection with the operation of the Brightway Location; and (iii) derive the business benefits of the Brightway System. Brightway is willing, within the terms and conditions set forth herein, to license Franchisee the right to operate a Brightway Location leveraging the Brightway System.

NOW, THEREFORE, for and in consideration of the above Recitals, the mutual promises and covenants set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are acknowledged, Brightway and Franchisee agree as follows:

1. Definitions

“Affiliate” shall mean, with respect to any entity, any natural person or firm, corporation, partnership, limited liability company, association, trust or other entity which controls, is controlled by, or is under common control with, the subject entity; a natural person or entity which controls an Affiliate under the foregoing shall also be deemed to be an Affiliate of such entity. For purposes hereof, the term “control” shall mean the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of any such entity, or the power to veto major policy decisions of any such entity, whether through the ownership of voting securities, by contract, or otherwise.

“Agent of Record” or **“AOR”** shall mean the person or entity designated on a Contracted Company’s records as the agent or representative of a specific Policy and the owner of all commissions paid thereon.

“Brightway Sales Commissions” shall mean commissions paid by the Contracted Companies to Brightway. The parties acknowledge and agree that the Brightway Sales Commissions are based upon Commissionable Premiums.

“Brightway Sales Commissions Paid to Franchisee” shall mean commissions paid by the Contracted Companies to Brightway and due to Franchisee for the sale or renewal of a specific policy.

“Brightway Technology Specifications” shall mean Brightway’s prescribed technology that suits the unique needs of System Locations and thereby is now a key feature of the Brightway System. The components that make up Brightway Technology Specifications are subject to change at any time at Brightway’s discretion.

“Brightway Web Presence” shall mean Brightway’s web presence in its entirety including, without limitation, Brightway’s corporate sites, the Brightway Location’s sites, the sites of other System Locations, and any Brightway-related social media presence.

“Client Account” shall mean any and all information relating to a person who, or an entity that, has considered purchasing a Policy, is currently a customer, or has previously purchased a Policy from Brightway through any System Location. All Client Accounts shall be owned exclusively by Brightway, and not by Franchisee.

“Commissionable Premiums” shall mean that portion of the gross premiums upon which each Contracted Company will pay Brightway the Brightway Sales Commissions.

“Confidential Information” shall mean Brightway’s proprietary and confidential information relating to the Brightway System and the development and operation of System Locations, including, but not limited to: (i) site selection criteria for System Locations and plans and specifications for the development of System Locations; (ii) sales, marketing and advertising programs and techniques for System Locations; (iii) information about Contracted Companies, other suppliers, and knowledge of specifications and pricing for authorized products, supplies and equipment; (iv) methods of management of System Locations; (v) Brightway Technology Specifications and other information regarding computer systems and software programs, including the

Internet-based Agency Management System; (vi) the Confidential Operating Manual; (vii) lists of Client Accounts and client prospects; (viii) policy expiration lists, and (ix) all other Client Account records, documents and information.

“Confidential Operating Manual” shall mean Brightway’s proprietary document containing policies and procedures for operation of the Brightway Location, as Brightway may change from time to time in its sole discretion.

“Contracted Companies” shall mean: (i) insurance companies issuing, brokering, selling or making a market for Policies, which have a current contract with Brightway; and (ii) any other company with which Brightway may contract with in the future to provide products and services available for sale through System Locations or through Brightway.

“Controlling Interest” shall mean the individual with ownership of at least fifty-one percent (51%) of the outstanding capital stock or other equity interests in Franchisee. A Primary Contact must be named by Franchisee and specified in **Exhibit 2**. In instances in which there is no Controlling Interest (no one person with 51% ownership), references to Controlling Interest in this Agreement will refer to Franchisee’s Primary Contact.

“Designated Agency Principal” or **“DAP”** shall mean the person specified in **Exhibit 2** of this Agreement, who shall be an individual appointed by Franchisee, who: (i) has been licensed by all applicable governmental and other regulatory authorities; (ii) successfully completes all of the training required pursuant to the terms of this Agreement; and (iii) is approved in writing by Brightway. Designated Agency Principal can have an ownership interest in Franchisee but is not required to do so. Designated Agency Principal must execute **Exhibit N** to the Franchise Disclosure Document, unless otherwise required to execute **Exhibit 1** to this Agreement.

“Franchise Disclosure Document” shall mean Brightway’s legal document presented to prospective buyers of franchises in the pre-sale disclosure process, as required by the Federal Trade Commission’s Franchise Rule.

“Guarantors” shall mean those persons executing the Guaranty of Franchisee’s Undertaking attached to this Agreement as **Exhibit 1**.

“Insurance Services” shall include, but are not limited to, the sale, renewal, service or delivery of insurance policies, insurance brokering services, and other insurance products and services.

“New Business” shall mean the first term of a Policy sold in connection with the operation of the Brightway Location. If an existing Policy is moved from one Contracted Company to another Contracted Company (whether such move is made at the request of the policyholder or at the suggestion of Franchisee), this is considered “Renewal Business” and not “New Business.” The term “New Business” may be further modified or supplemented from time to time in the Confidential Operating Manual.

“Office Agency” shall mean a Brightway Location operated from a professional office space, characterized by certain Office Specifications, Premises requirements, staffing requirements, and Brightway Sales Commissions Paid to Franchisee, which distinguish the Office Agency from a Retail Agency. The type of Brightway Location governed by this Agreement is set forth in **Exhibit 2** to this Agreement.

“Office Specifications” shall mean Brightway’s required office layout, including but not limited to signage, furniture, and fixtures.

“**Policy**” or “**Policies**” shall include, but are not limited to, any and all insurance policies, services, coverages or products associated therewith sold, renewed, serviced or delivered by Franchisee or Brightway to any person or entity.

“**Premises**” shall mean a Brightway-approved establishment located at the address listed in **Exhibit 2** hereto, and shall include the real estate, furniture, fixture and equipment, together with all appurtenances thereto and all easements, entrances, exits, rights of ingress and egress thereto and any improvements thereon.

“**Primary Contact**” shall mean that person identified in **Exhibit 2** to this Agreement, who shall be at all times during the term of this Agreement Brightway’s primary point of contact for any business matters relating to the Brightway Location. This person has the authority to make all business decisions on behalf of Franchisee. Primary Contact must execute **Exhibit 1** to this Agreement, unless Primary Contact does not have any ownership stake in Franchisee, in which case Primary Contact must execute **Exhibit N** to the Franchise Disclosure Document.

“**Renewal Business**” shall mean all subsequent/renewal terms of a Policy sold in connection with the operation of the Brightway Location; provided, however, that the term “Renewal Business” may be modified or supplemented from time to time in the Confidential Operating Manual.

“**Retail Agency**” shall mean a Brightway Location operated from a retail office space, characterized by certain Office Specifications, Premises requirements, staffing requirements, and Brightway Sales Commissions Paid to Franchisee, which distinguish the Retail Agency from an Office Agency. The type of Brightway Location governed by this Agreement is set forth in **Exhibit 2** to this Agreement.

“**Staff**” shall refer to the individuals referenced in this contract and by the Confidential Operating Manual necessary to successfully operate the Brightway Location.

“**Transfer Fee**” shall mean the amounts due for eligible transfers as outlined in Section 13 of this Agreement.

2. Grant of Franchise

- a) **Grant.** Subject to all of the terms and conditions herein, Brightway grants to Franchisee the nonexclusive right to use the Licensed Marks (in the manner prescribed from time to time by Brightway) and, in connection therewith, to operate a Brightway Location solely at the approved Premises. Except for the operation of the Brightway Location, Franchisee may not conduct or operate any other business at the Premises and may not relocate the Brightway Location without Brightway’s prior written consent, as described in Section 6(b)(xiii) below.
- b) **No Right to Operate Additional Locations.** Franchisee acknowledges and agrees that the foregoing grant relates solely to the Premises and the Brightway Location located thereon and affords Franchisee no right to construct or operate any additional expanded or modified facilities on the Premises, nor any right to construct or operate another Brightway Location at any location other than the Premises. Franchisee must obtain Brightway’s written permission before opening any additional Brightway Locations, which, if granted, Brightway will condition upon: (i) Franchisee’s construction and buildout of the additional location in accordance with Brightway’s then-current standards; (ii) Franchisee’s designation of a Designated Agency Principal who has successfully completed Brightway’s initial training program to manage the location; (iii) Franchisee’s execution of a franchise agreement in Brightway’s then-current form and payment of Brightway’s then-current initial franchise fee (unless Franchisee

qualifies to enter into Brightway's then-current form of Option Agreement or Multi-Unit Program Agreement, which may provide for certain reductions to the initial franchise fee); and (iv) Franchisee's purchase of all supplies, equipment, inventory, signage and other materials required to open the additional location. Nothing in this Agreement grants Franchisee any rights to own additional Brightway Locations.

- c) **Non-Exclusivity of Grant.** Franchisee expressly acknowledges and agrees that its rights are nonexclusive. Further, Franchisee agrees that Brightway may itself own and operate Brightway Locations and grant others the right to use the Licensed Marks and to own and operate Brightway Locations, as well as any business not using the Licensed Marks, at any location other than the Premises.
- d) **Reserved Rights.** Franchisee expressly acknowledges and agrees that Brightway and Brightway's Affiliates shall have the right, at Brightway's sole discretion, to: (i) use the Licensed Marks and Brightway System in connection with ancillary services and products, promotional and marketing efforts or related items, or in any alternative channels of distribution, without regard to location; (ii) acquire, be acquired by, merge with, engage in joint ventures with, or otherwise affiliate with, and thereafter own and operate and franchise others the right to own and operate, any business of any kind, including businesses that offer products or services that are similar to those provided by a Brightway Location; and (iii) use the Licensed Marks and Brightway System, and license others to use the Licensed Marks and Brightway System, to engage in any other activities not expressly prohibited in this Agreement. Nothing in this Agreement provides Franchisee with the right to conduct any of the foregoing activities nor to share in the revenue generated by any of these activities.

3. Term and Renewal

- a) **Initial Term.** This Agreement shall commence on the Effective Date and shall terminate five (5) years after the Effective Date (the "**Initial Term**"), unless previously terminated pursuant to the terms hereof.
- b) **Renewal.** If Franchisee is not in default under this Agreement, and if Franchisee has the right to continue to occupy the Premises, Franchisee may renew this Agreement for successive renewal terms of five (5) years each (each referred to as a "**Renewal Term**"). Franchisee shall exercise the option to seek renewal by giving Brightway written Notice of Franchisee's election to renew not less than six (6) months nor more than twelve (12) months prior to the expiration of the Initial Term or applicable Renewal Term. In the event Franchisee exercises the option to renew, then at least thirty (30) days prior to the expiration of the Initial Term and each Renewal Term, as applicable, Franchisee shall comply with Brightway's then-current terms and conditions for granting renewal franchises, which shall include, but is not limited to: (i) execution of Brightway's then-current form of franchise agreement, the terms of which may materially differ from this Agreement (without the requirement for the payment of an additional Initial Fee), (ii) execution of a general release, in a form satisfactory to Brightway, of any and all claims against Brightway and its Affiliates and their officers, directors, attorneys, shareholders and employees; (iii) Franchisee must not be in default of any provision of this Agreement, including provisions governing monetary obligations; (iv) Franchisee demonstrates a right to operate the Brightway Location at the Premises for the duration of the Renewal Term; and (v) Franchisee must refurbish the Brightway Location to conform to Brightway's then-current Office Specifications and Brightway Technology Specifications within the timeframes prescribed by Brightway.

4. Initial Fee Payable by Franchisee

In consideration of the execution of this Agreement, Franchisee agrees to pay Brightway an initial fee in the amount set forth in **Exhibit 2** to this Agreement (the "**Initial Fee**"), which shall be paid in full on or before the

Effective Date. A portion of the Initial Fee for a Retail Agency may be financed pursuant to the Retail Agency Initial Fee Promissory Note included as Exhibit F of the Franchise Disclosure Document. A portion of the Initial Fee for an Office Agency may be financed pursuant to the Office Agency Initial Fee Promissory Note included as Exhibit M of the Franchise Disclosure Document. Upon execution of this Agreement by all parties, the Initial Fee shall be nonrefundable and deemed fully earned upon payment in consideration of administrative and other expenses Brightway incurs in granting the franchise, as well as for Brightway's lost or deferred opportunity to franchise others. The Initial Fee will primarily be used to offset a portion of Brightway's internal pre-opening costs related to site selection and buildout, training, marketing and public relations.

5. Brightway's Obligations

- a) **Prior to Commencing Operations of Brightway Location.** Brightway (or its designee) shall, to the extent Brightway deems appropriate at Brightway's sole discretion, provide Franchisee with the following assistance:
- i. **Location Approval.** Brightway may assist, to the extent it determines necessary in its sole discretion, with respect to site evaluation, preliminary plans and layouts for the Brightway Location.
 - ii. **Fixtures/Furnishings.** Brightway shall provide information concerning sources of required signage, equipment, fixtures, furnishings, improvements and other products and services necessary in connection with the buildout and operation of the Brightway Location.
 - iii. **Initial Training Program.** Brightway shall provide such initial business planning and training as Brightway determines necessary, which may include, without limitation, training related to business planning, financial modeling, goal setting, insurance products, sales and marketing, sales processing, management systems, office procedures, Brightway Technology Specifications and other computer software or systems, and other matters as Brightway deems necessary and appropriate. All training materials are proprietary and confidential and may not be used for any purpose other than providing Staff training. Such training shall be conducted exclusively by Brightway or its designee remotely via an intranet or other online portal or, if provided at a physical location, shall be held at Brightway's corporate offices, the Premises, or such other site designated by Brightway or its designee. Notwithstanding the foregoing:
 - 1) Brightway's initial training program shall be provided to Franchisee and/or Franchisee's Designated Agency Principal, at no cost to Franchisee. All Staff are required to undertake Brightway's training program and Franchisee shall be required to pay Brightway's then-current new hire fee for each additional trainee that does not attend initial training at the same time as Franchisee, which shall be set forth in the Confidential Operating Manual and is subject to change from time to time at Brightway's sole discretion. Thereafter, Brightway shall be permitted to charge Franchisee a reasonable additional training fee for any training sessions provided to any of Franchisee's Staff, whether such training sessions are required by Brightway or requested by Franchisee. Such additional training fees shall be set forth by Brightway in the Confidential Operating Manual.
 - 2) Designated Agency Principal's who do not meet our then-current minimum experience requirement may be required to participate in our Enhanced Supervision Program ("ESV Program"). The ESV Program provides additional training modules and oversight during an initial period of operations. Failure to comply with all requirements of the ESV Program may result in disqualification from any then-offered voluntary incentive programs, including the Sunrise Program.

- 3) Franchisee shall, with regard to all training, pay all of its and its Staff's costs incurred to attend such training, such as travel, room, board, wages and living expenses (if applicable).
 - 4) Franchisee shall thereafter comply with Brightway's then-current staffing requirements, which Brightway may change from time to time in its sole discretion, as set forth in the Confidential Operating Manual or otherwise in writing.
- iv. **Access to Proprietary Materials.** Brightway may make available to Franchisee certain proprietary materials as Brightway deems appropriate, and such materials may be amended from time to time.
 - v. **Brightway Technology Specifications.** Brightway shall make available to Franchisee information about all technology that may be required by Brightway to be used by Franchisee in the operation of the Brightway Location, including, but not limited to Brightway Technology Specifications and information about other technology and programs, which may be updated or modified by Brightway from time to time during the term of this Agreement. Any such programs shall remain the property of Brightway and shall be loaned to Franchisee only for the term of this Agreement.
 - vi. **Web Presence.** Brightway shall provide access to, and inclusion in, the Brightway Web Presence as described in the Confidential Operating Manual.
 - vii. **Commencing Operations of the Brightway Location.** Brightway shall provide such assistance as Brightway determines necessary with respect to commencing operations of the Brightway Location in the form that Brightway, at its sole discretion, deems appropriate.

- r) **Reporting Legal or Regulatory Issues.** Franchisee shall fully report to Brightway any policyholder-related legal or regulatory issues such as potential or actual Errors & Omissions claims, insurance department or other regulatory complaints, or legal summons and/or subpoenas, in writing within two (2) days of the date that Franchisee is aware of any such issue. Franchisee shall not make any written or verbal comments or responses regarding said issues without Brightway's express permission. Franchisee acknowledges and agrees that Brightway shall coordinate and control responses to all such issues. Franchisee shall also notify Brightway, in writing, within two (2) days of the commencement of any action, suit or proceeding or the issuance of any order, suit or proceeding of any court, agency or other governmental body, including the receipt of any subpoena, notice or citation, which may adversely affect the operation or financial condition of Franchisee or the Brightway Location.
- s) **Financial Reports.** Franchisee shall provide Brightway with the type of financial reports specified by Brightway in the form specified by Brightway in the Confidential Operating Manual or otherwise in writing; the type of reports Brightway requires and the frequency with which they must be provided may change at any time at Brightway's sole discretion. This may include but is not limited to the following: (i) a monthly or quarterly balance sheet and income statement, in a format specified by Brightway; (ii) annual financial reports and operating statements in the form Brightway specifies and in accordance with Brightway's prescribed chart of accounts, within a certain time period after the close of each calendar year as required in writing by Brightway; (iii) state and local sales tax returns or reports and federal, state and local income tax returns for each year in which the Brightway Location operated, within a certain time period after their timely completion; and (iv) such other reports as Brightway may from time to time require, in the form and on the timeline Brightway prescribes. Franchisee's fiscal year must be the calendar year. Franchisee acknowledges and agrees that Brightway may use any information reported to Brightway to prepare and develop financial performance representations for the Brightway System in Brightway's Franchise Disclosure Document or other documents. To help Franchisee in recording and keeping accurate and detailed financial records for reports and tax returns, Brightway, at Brightway's discretion, may specify the form in which the business records are to be maintained, and provide a uniform set of business records for Franchisee to use. Brightway shall have full access to all of Franchisee's data, system, and related information by means of direct access, whether in person, or by telephone/modem installed and maintained at Franchisee's sole expense.
- t) **Maintaining GAAP Financial Records.** Franchisee shall, in accordance with Generally Accepted Accounting Principles, maintain full and complete books and records, accounts, data, licenses, contracts

and invoices that shall accurately reflect all particulars relating to the conduct of the Brightway Location, and such statistical and other information or records as Brightway may require, and shall keep all such information for not less than seven (7) years, even if this Agreement is no longer in effect. The aforementioned books and records of the Brightway Location shall be kept at the Premises or at such other place as the parties may hereafter mutually approve. Brightway or Brightway's designees have the right to inspect and/or audit Franchisee's business records at any time during normal business hours, to determine whether Franchisee is operating in compliance with the terms of this Agreement and the Confidential Operating Manual. Upon Brightway's request, Franchisee shall furnish Brightway with complete copies of the books and records described in this paragraph, as well as any state or federal income tax returns covering the operation of the Brightway Location, all of which Franchisee shall certify as true and correct.

- u) **Maintaining Working Capital.** Franchisee must at all times maintain such working capital as may be reasonably necessary to enable Franchisee to properly and fully carry out and perform all of Franchisee's duties, obligations and responsibilities hereunder and to operate the Brightway Location in a businesslike, proper and efficient manner.
- v) **Franchisee's Staff and Ongoing Compliance.** The duties and obligations of Franchisee set forth in this Agreement apply to Franchisee and Staff, as well as Franchisee's owners, officers, directors, employees and independent contractors. In as much as this Agreement is between Franchisee and Brightway, Franchisee is responsible for the compliance of Staff and Franchisee's owners, officers, directors, employees and independent contractors with the terms of this Agreement and any rules and procedures adopted from time to time by Brightway, whether such rules and procedures are contained in the Confidential Operating Manual or otherwise. Franchisee agrees that it is fully responsible for the acts and omissions of Staff and Franchisee's owners, officers, directors, employees and independent contractors.

- b) **Renewal Business.** Except as set forth below, Brightway shall pay Franchisee the percentage of all Brightway Sales Commissions received on all Renewal Business from Client Accounts generated by Franchisee set forth in Exhibit 2 to this Agreement, and Brightway shall be entitled to retain the remaining balance of all Brightway Sales Commissions received on Renewal Business, as set forth in Exhibit 2 to this Agreement.
- c) **Retail Agency Conversion Fee.** If Franchisee is operating an Office Agency, Franchisee may, subject to satisfying Brightway's then-current minimum operational and performance requirements, choose to pay a "Retail Agency Conversion Fee" of Twenty Thousand Dollars (\$20,000), and convert the Brightway Location to a Retail Agency. This conversion option may not be exercised without Brightway's written approval, which may be withheld in Brightway's sole discretion. Franchisee must (a) not be in default of this Agreement or any other agreement between Franchisee and Brightway, (b) have achieved or exceeded Brightway's then-current minimum quality requirements, (c) have a book of business which meets or exceed Brightway's then-current minimum size requirements, and (d) pay the Retail Agency

Conversion Fee. Franchisee acknowledges these minimum requirements may be revised by Brightway from time-to-time. At Brightway's option, Franchisee shall execute Brightway's then-current form of "Retail Agency Conversion Addendum" and Franchisee's status as Retail Agency shall be expressly conditioned upon Franchisee's strict compliance with the terms and conditions thereof.

- d) **Financed Retail Agency Conversion Fee.** Franchisee may, subject to satisfying Brightway's then-current minimum operational and performance criteria, choose to finance the Retail Agency Conversion Fee at any point after commencing operation of the Brightway Location by entering into Brightway's then-current form of Retail Agency Conversion Addendum and Promissory Note. The Retail Agency Conversion Fee is equal to \$29,030 if partially financed, including \$5,000 paid in lump sum. This conversion option may not be exercised without Brightway's written approval, which may be withheld in Brightway's sole discretion. Notwithstanding anything set forth herein, the financed Retail Agency Conversion Fee must be paid in accordance with the terms and conditions of the Retail Agency Conversion Addendum and Promissory Note.
- e) **Policy and Agency Fees.** To the extent Brightway authorizes and as permitted in certain states, policy fees, agency fees or other similar fees may be assessed to Franchisee's customers; in such event, Brightway shall have the right to pay or not pay Franchisee any portion of these fees at its sole discretion.
- f) **When New and Renewal Payments Stop.** Notwithstanding the foregoing, Brightway's obligation to pay Brightway Sales Commissions to Franchisee shall cease immediately after the date of the transfer, termination, expiration or non-renewal of this Agreement, and, if Franchisee is eligible, shall be replaced by Brightway's payment obligations set forth in Section 17 of this Agreement.
- g) **Shared Expenses.** Notwithstanding the foregoing, Brightway shall be permitted to deduct from such payments to Franchisee expenses borne or paid by Brightway which relate to the conduct of Franchisee's Brightway Location and all other amounts owed to Brightway under this Agreement, including costs related to indemnification (the "**Franchisee Shared Expenses**"), as outlined in the Confidential Operating Manual or this Agreement. Franchisee's portion of the aforementioned costs and expenses shall be determined by Brightway in good faith, and such determination may be based, solely or partially, upon the expenses incurred by Brightway and/or the then-current fair market value of the items provided to Franchisee. In addition to the aforementioned Franchisee Shared Expenses, Brightway shall also be permitted to deduct from such payments to Franchisee: (i) the costs and expenses incurred by Brightway (including, but not limited to, Brightway's reasonable internal labor and administrative costs) as a result of Franchisee's failure to conduct its Brightway Location in compliance with Brightway's procedures and standards of operation provided to Franchisee pursuant to the Confidential Operating Manual or as otherwise communicated by Brightway to Franchisee from time to time; and (ii) any payments made in good faith by Brightway to vendors or suppliers of Franchisee in order to cure Franchisee's failure to timely make such payments.
- h) **Payments Are Made Electronically.** Brightway shall pay Franchisee by electronic funds transfer to an account specified by Franchisee in the Electronic Funds Withdrawal and Deposit Authorization attached hereto as **Exhibit Z**, which shall effectuate Brightway's ability to deposit and withdraw funds from such bank account via electronic funds transfer. Brightway shall pay Franchisee the amounts to which it is entitled under Sections 8(a) and 8(b), less the Franchisee Shared Expenses described in Section 8(i) (and any other setoff amounts permitted under this Agreement), on or about the second (2nd) business day of each calendar month ("Commission Run"). In addition, on or about the second (2nd) business day of each calendar month, Brightway shall send Franchisee an e-mail including a statement containing a detailed calculation of the amounts paid to Franchisee pursuant to the terms of this Section 8. Such statement shall be in a form prescribed by Brightway and may change from time-to-time. Upon written Notice to Franchisee, Brightway may change the date(s) on or about which the electronic funds transfers

are made and the statements are forwarded, as well as the interval at which Brightway Sales Commissions are distributed.

- i) **Policies for Which Payment Will Not Be Made.** Notwithstanding the foregoing, Franchisee shall not be entitled to receive the compensation set forth in Sections 8(a) and 8(b) on any Policies which are sold by Franchisee in violation of the terms of Sections 6 or 7 of this Agreement.
- j) **Brightway Sales Commissions for Retail Agency Franchisees Continuing to Operate without a Retail Space.** Notwithstanding anything set forth in Section 8(a), 8(b), 8(e) or 8(f) above, in the event Franchisee has purchased a Retail Agency and fails to continually operate the Retail Agency from an approved Retail Space or comply with Brightway's staffing requirements for Retail Agencies within the time period prescribed in Section 6(a), Brightway shall pay Franchisee (i) eighty percent (80%) of all Brightway Sales Commissions received on all New Business from Client Accounts generated by Franchisee (with Brightway retaining the balance), and (ii) fifty percent (50%) of all Brightway Sales Commissions received on all Renewal Business from Client Accounts generated by Franchisee (with Brightway retaining the balance), until such time as Franchisee commences operations from a Retail Space approved by Brightway and complies with Brightway's staffing requirements for Retail Agencies, at which time the New Business and Renewal Business Brightway Sales Commission rates will revert to the amounts set forth in Sections 8(a) and 8(b) above.
- k) **National Account Customers.** Brightway may enter into certain national account agreements with affinity partners or others (each, a "National Account"), pursuant to which Brightway will receive insurance sales leads and potential customer information which Brightway may distribute to qualified Franchisees. Franchisee acknowledges that Brightway may be required to pay National Accounts certain fees, and that payment of these fees may be included in Franchisee Shared Expenses. Franchisee shall comply with any National Account requirements and participate in any National Account marketing programs prescribed by Brightway.

9. Licensed Marks

- a) **Brightway Owns the Licensed Marks.** Franchisee expressly acknowledges that Brightway owns all right, title, and interest in and to the Licensed Marks and Brightway System. Franchisee agrees not to represent in any manner that Franchisee has acquired any ownership rights in the Licensed Marks. Franchisee agrees not to use any of the Licensed Marks or any marks, names or indicia which are or may be confusingly similar to the Licensed Marks except as authorized in this Agreement. Franchisee further acknowledges and agrees that any and all goodwill associated with the Brightway System and/or the Licensed Marks (including all future distinguishing characteristics, improvements and additions to or associated with the Brightway System) shall be Brightway's property and shall inure directly and exclusively to the benefit of Brightway and that, upon the transfer, termination, expiration or non-renewal of this Agreement for any reason, no monetary amount shall be assigned as attributable to any goodwill associated with Franchisee's use of the Licensed Marks. The license of the Licensed Marks granted to Franchisee hereunder is nonexclusive and Brightway retains the rights, among others: (i) to use the Licensed Marks itself in connection with selling products and services; (ii) to grant other licenses for the Licensed Marks; and (iii) to develop and establish other products, services or systems using the Licensed Marks, similar proprietary marks, or any other proprietary marks, and to grant licenses thereto without providing any rights therein to Franchisee.
- b) **Unauthorized Use of Licensed Marks.** Franchisee understands and agrees that any use of the Licensed Marks other than as expressly authorized by Brightway, without Brightway's prior written consent, will constitute an infringement of Brightway's rights therein and that the right to use the Licensed Marks granted herein does not extend beyond the transfer, termination, expiration or non-renewal of this

Agreement. Franchisee expressly covenants that, during the term of this Agreement and thereafter, Franchisee shall not, directly or indirectly, commit any act of infringement or contest or aid others in contesting the validity of Brightway's right to use the Licensed Marks, or take any other action in derogation thereof. Franchisee shall use the Licensed Marks only for the benefit and operation of the Brightway Location and only at the Premises and in approved marketing materials. Franchisee agrees that it will not take any action that will bring disrepute to or otherwise damage the goodwill associated with the Licensed Marks.

- c) **Litigation Related to the Licensed Marks.** In the event of any litigation relating to Franchisee's use of the Licensed Marks, Franchisee shall execute any and all documents and do such acts as may, in Brightway's opinion, be necessary to carry out such defense or prosecution including, without limitation, becoming a nominal party to any legal action. If Brightway, in Brightway's sole discretion, determines that Franchisee has used the Licensed Marks in accordance with this Agreement, Brightway shall bear the cost of such defense or prosecution, including the cost of any judgment or settlement. If Brightway, in Brightway's sole discretion, determines that Franchisee has not used the Licensed Marks in accordance with this Agreement, Franchisee shall bear the cost of such defense or prosecution, including the cost of any judgment or settlement. Franchisee shall promptly notify Brightway of any claim, demand or cause of action that Brightway may have based upon or arising from any unauthorized attempt by any person or legal entity to use the Licensed Marks, any colorable variation thereof, or any other mark, name or indicia in which Brightway has or claims a proprietary interest. Franchisee shall help Brightway, upon request and at Brightway's expense, in taking such action, if any, as Brightway may deem appropriate to halt such activities, but shall take no action nor incur any expenses on Brightway's behalf without Brightway's prior written approval. If Brightway undertakes the defense or prosecution of any litigation relating to the Licensed Marks, which Brightway has the right though not the obligation to do, Franchisee agrees to execute any and all documents and to do such acts and things as may, in the opinion of Brightway's legal counsel, be reasonably necessary to carry out such defense or prosecution.
- d) **Franchisee's Use of the Marks.** Franchisee further agrees and covenants to: (i) operate and advertise only under the names or marks designated by Brightway; (ii) adopt and use the Licensed Marks solely in the manner prescribed by Brightway (including, but not limited to, the specific fonts and/or colors prescribed by Brightway); (iii) refrain from using the Licensed Marks to perform any activity or to incur any obligation or indebtedness in such a manner as may, in any way, subject Brightway to liability therefore; (iv) refrain from using the Licensed Marks or any designation confusingly similar thereto in any entity name without Brightway's express authorization, (v) observe all laws with respect to the registration of trade names and assumed or fictitious names, to include in any application therefore a statement that Franchisee's use of the Licensed Marks is limited by the terms of this Agreement, and to provide Brightway with a copy of any such application and other registration documents; and (vi) observe such requirements with respect to trademark and service mark registrations and copyright notices as Brightway may, from time to time, require, including, without limitation, affixing "SM," "TM," or ®, adjacent to all such Licensed Marks in any and all uses thereof, and to use such other appropriate notice of ownership, registration and copyright as Brightway may require. Franchisee may not use the Licensed Marks in connection with the offer or sale of any services or products which Brightway has not authorized for use in connection with the Brightway System. Franchisee may not use the Licensed Marks as part of Franchisee's corporate or other legal name. Franchisee's corporate name and all fictitious names under which Franchisee proposes to do business must be approved by Brightway in writing before use. Franchisee must use Franchisee's corporate or limited liability company name as well as the "D/B/A" name or trade name that is reasonably approved by Brightway.
- e) **New, Modified or Replacement Marks.** Brightway reserves the right, at its sole discretion, to designate one or more new, modified or replacement Licensed Marks for use by Brightway Locations and to

require the use by Franchisee of any such new, modified or replacement Licensed Marks in addition to or in lieu of any previously designated Licensed Marks. Any expenses or costs associated with the use by Franchisee of any such new, modified or replacement Licensed Marks shall be the sole responsibility of Franchisee. Franchisee shall discontinue using all Licensed Marks which Brightway has notified Franchisee, in writing, have been modified or discontinued within ten (10) days of receiving written notice and shall promptly begin using such additional, modified or substituted Licensed Marks.

- f) **Use of Other Marks.** Except as authorized by Brightway in writing, Franchisee shall not use any other marks in the marketing, advertising, or operation of the Brightway Location. Further, Franchisee shall not use any names, URLs, tag lines or any other moniker in any way relating to the operation of the Brightway Location, other than those provided or approved by Brightway.

10. Confidential Operating Manual and Confidential Information

- a) **Confidential Operating Manual on Loan to Franchisee.** To protect the reputation and goodwill of the System Locations operating under the Brightway System, and to maintain standards of operation under the Licensed Marks, Franchisee shall operate its Brightway Location in accordance with various written instructions and confidential manuals (hereinafter and previously referred to as the “**Confidential Operating Manual**”), including such amendments thereto, as Brightway may publish from time to time, all of which Franchisee acknowledges belong solely to Brightway and shall be on loan from Brightway to Franchisee during the term of this Agreement. When any provision in this Agreement requires that Franchisee comply with any standard, specification or requirement of Brightway, unless otherwise indicated, such standard, specification or requirement shall be such as is set forth in this Agreement or as may, from time to time, be set forth by Brightway in the Confidential Operating Manual or in other writings.
- b) **Confidential Operating Manual Modifications.** Franchisee acknowledges and agrees that Brightway may, from time to time, revise the contents of the Confidential Operating Manual and implement new or different requirements for the operation of the Brightway Location, and Franchisee expressly agrees to promptly comply with all such changed requirements provided that such requirements shall also be applied in a reasonably nondiscriminatory manner to comparable businesses operated under the Brightway System by other System Locations. The implementation of such requirements may require the expenditure of reasonable sums of money by Franchisee.
- c) **Most Current Version of the Confidential Operating Manual.** Franchisee shall at all times ensure that it is using the most current and up-to-date version of the Confidential Operating Manual, which shall be uploaded to the file location designated by Brightway. In the event of any dispute as to the contents thereof, the terms and dates of the master copy maintained by Brightway at its principal place of business shall be controlling.
- d) **Nondisclosure of Confidential Information.** Franchisee acknowledges that the Confidential Operating Manual contains Confidential Information and that all other manuals, materials, goods and information that Franchisee receives from Brightway that are designated confidential will be treated as Confidential Information. All Confidential Information is proprietary and a trade secret of Brightway. Franchisee shall not use or disclose any Confidential Information in an unauthorized manner, and Franchisee expressly acknowledges that the unauthorized use or disclosure of Brightway’s Confidential Information or trade secrets will cause irreparable injury to Brightway and that damages are not an adequate remedy. Accordingly, Franchisee will: (i) not acquire any interest in the Confidential Information; (ii) not use the Confidential Information in any other business or capacity; (iii) exert its best efforts to maintain the confidentiality of the Confidential Information during and after the term of this Agreement (including limiting access to Confidential Information by Franchisee’s employees and representatives to a need-to-

know basis); (iv) not make unauthorized copies of, or extracts from, any portion of the Confidential Information disclosed in written or other tangible form; and (v) adopt and implement all reasonable procedures prescribed from time to time by Brightway to prevent unauthorized use or disclosure thereof by Franchisee, Staff, and Franchisee's officers and other employees, including the use of nondisclosure clauses in agreements with all such persons.

- e) **Maintaining Positive Goodwill.** Franchisee agrees that Franchisee will not at any time make any false, misleading, disparaging or uncomplimentary statements or remarks about Brightway, other System Locations, or any of Brightway's officers, directors, shareholders, employees or affiliated entities or persons, or the Brightway System, with the intent to harm the status, reputation, goodwill or business of such entities or persons, or of the Brightway System.
- f) **New Concepts.** If Franchisee, Franchisee's employees, or principals, develop any new concept, process or improvement in the operation or promotion of the Brightway Location, Franchisee will promptly notify Brightway, and provide Brightway with all of the information necessary to implement the improvement, without any compensation. Any such concept, process or improvement will become Brightway's sole property and Brightway will be the sole owner of all patents, patent applications, trademarks, copyrights and other intellectual property rights related thereto. Franchisee and Franchisee's principals and agents hereby assign to Brightway any rights they may have or acquire therein, including the right to modify such concept, process or improvement, and otherwise waive and/or release all rights of restraint and moral rights therein and the refo. Franchisee and Franchisee's principals and agents agree to assist Brightway in obtaining and enforcing the intellectual property rights to any such concept, process or improvement in any and all countries and further agree to execute and provide Brightway with all necessary documentations for obtaining and enforcing such rights. Franchisee and Franchisee's principals and agents hereby irrevocably designate and appoint Brightway as Franchisee's agent and attorney-in-fact to execute and file any such documentation and to do all other lawful acts to further the prosecution and issuance of patents or other intellectual property rights related to any such concept, process or improvement. In the event that the foregoing provisions of this Section are found to be invalid or otherwise unenforceable, Franchisee and Franchisee's principals and agents hereby grant to Brightway a worldwide, perpetual, non-exclusive, fully-paid license to use and sublicense the use of the concept, process or improvement to the extent such use or sublicense would, absent this Agreement, directly or indirectly infringe Franchisee's rights therein.

11. Marketing and Advertising

Recognizing the value of standardized advertising and marketing programs to the furtherance of the goodwill and public image of the Brightway System, and in order to execute such programs in an effective and consistent manner, the parties agree as follows:

- a) **Local Advertising Materials.** At its discretion and from time to time, Brightway may provide Franchisee with local advertising and marketing materials, including without limitation, merchandising materials, sales aids, special promotions and similar advertising, and Brightway reserves the right to charge a reasonable price for providing such materials.
- b) **Advertising Requirements.** Franchisee is required to:
 - i. **List Brightway Location in Local and Online Directories.** Obtain listings of the Brightway Location, at Franchisee's expense, in appropriate business directories and publications (both Internet and non-Internet based), and engage in appropriate Internet strategies designed to drive business to its Brightway Location, all as specified from time to time by Brightway;

- ii. **Maintain Required Promotional Materials.** At Franchisee's expense, obtain and maintain any special promotional materials of the kind and size as Brightway may from time to time require for comparable System Locations;
 - iii. **Use Approved Business Stationery.** At Franchisee's expense, use pre-approved vendors to print and maintain business cards, stationery, letterhead, and any required forms that are pre-approved by Brightway;
 - iv. **Use Phone Numbers and Internet Addresses.** Include in all advertising any phone numbers or Internet addresses required by Brightway.
- c) **All Promotional/Marketing/Advertising Materials Must be Pre-Approved.** Franchisee shall submit to Brightway for its prior approval samples of all advertising, promotional or marketing materials to be used by Franchisee that has not been prepared or previously approved by Brightway. If Brightway does not approve of Franchisee's proposed advertising materials in writing within thirty (30) days of receipt, the proposed advertising materials shall be deemed rejected, unless Brightway subsequently conveys otherwise in writing.
- d) **Advertising Fund.** Brightway reserves the right to establish an advertising and marketing fund (the "**Advertising Fund**") for the common benefit of System Locations. Franchisee may be required to participate in and contribute monthly to the Advertising Fund, in the manner Brightway prescribes, and in an amount specified by Brightway at the time such Advertising Fund is created. The amount of the Advertising Fund contributions shall be no more than three percent (3%) of Brightway Sales Commissions Paid to Franchisee (the "**Advertising Fee**"). If Brightway requires Franchisee to contribute to the Advertising Fund, the Advertising Fee shall be deducted from payments to Franchisee in the same manner as the Franchisee Shared Expenses, as specified in Section 8(i) of this Agreement. Brightway has the right to require that an advertising cooperative and/or franchisee advisory council be formed, changed, dissolved or merged.
- i. **Brightway's Use of Advertising Fund.** Brightway will use Advertising Fund contributions, at Brightway's sole discretion, to develop, produce and distribute national, regional and/or local advertising and to create advertising materials and public relations programs which promote, in Brightway's sole judgment, the services offered by System Locations. Brightway has the sole right to determine contributions to and expenditures from the Advertising Fund, or any other advertising program, and sole authority to determine, without limitation, the selection of the advertising materials and programs; provided, however, that Brightway will make a good faith effort to expend Advertising Fund contributions in the general best interests of the Brightway System on a national, regional or local basis. Brightway may use the Advertising Fund to satisfy any and all costs of maintaining, administering, directing, preparing, and producing advertising, including the cost of preparing and producing television, radio, magazine and newspaper advertising campaigns, the cost of direct mail and outdoor billboard advertising, the cost of public relations activities and advertising agencies, the cost of developing and maintaining an Internet website and other online advertising/marketing, and personnel and other departmental costs for advertising that Brightway internally administers or prepares. Franchisee acknowledges that not all System Franchisee's will benefit directly or on a pro-rata basis from such expenditures. While Brightway does not anticipate that any part of the Advertising Fund contributions will be used for advertising that is principally a solicitation for the sale of franchises, Brightway reserves the right to use the Advertising Fund for public relations or building recognition of the Brightway brand and to include a notation in any advertisement indicating "Franchises Available."

- ii. **Surveys.** In the interest of continually improving the products and services Brightway offers, Brightway may periodically conduct customer surveys, customer interviews, and other similar initiatives (“**Surveys**”). The cost of such programs will be borne by the Advertising Fund. The cost of these programs may be charged directly to Franchisee if Franchisee’s results from a Survey fall below system-established minimum standards for such Surveys.
 - iii. **Reimbursement of Reasonable Costs and Overhead.** Brightway has the right to reimburse itself from the Advertising Fund contributions for such reasonable costs and overhead, if any, including salaries, as Brightway may incur in activities reasonably related to the direction and implementation of the Advertising Fund.
 - iv. **Brightway’s Contribution to the Fund.** Brightway’s contribution to the Advertising Fund for subsequent company-owned or Affiliate-owned units will be equal to that provided for in Brightway’s Franchise Disclosure Document in the year that the Advertising Fund is implemented. Should the advertising contribution for the System decrease at any time, Brightway has the right to reduce Brightway’s contribution from company-owned and Affiliate-owned units to the rate specified for franchised locations.
 - v. **Advertising Fund Statements.** Upon Franchisee’s request, Brightway will make available within one hundred and twenty (120) days of the end of the fiscal year, a statement of contributions and expenditures for the Advertising Fund. The Advertising Fund is not required to be independently audited. Although Brightway anticipates that all Advertising Fund contributions will be spent in the fiscal year they accrue, if Brightway does not spend all Advertising Fund contributions by the end of each fiscal year, the remaining amounts may be carried over to be expended during the next fiscal year.
- e) **Local Advertising Requirement.** In addition to the Advertising Fund contributions described above, Brightway reserves the right to require Franchisee to spend a certain amount every month, which shall be no more than three percent (3%) of Brightway Sales Commissions Paid to Franchisee, on local advertising and promotion in accordance with an annual plan approved by Brightway and in accordance with Brightway’s standards and specifications (the “**Local Advertising Requirement**”). Franchisee must spend the Local Advertisement Requirement as Brightway prescribes in the Confidential Operating Manual or otherwise in writing, which may include, without limitation, requirements for placing a certain number and/or type(s) of media advertisements. In the event the Local Advertising Requirement is implemented, Franchisee acknowledges and agrees that Franchisee’s Local Advertising Requirement must be expended regardless of the amounts spent by other System Locations on local advertising. Franchisee may spend any additional sums Franchisee wishes on local advertising. Franchisee must use only such advertising and promotional materials as have been previously approved by Brightway, as described in Section 11(c) above. In the event the Local Advertising Requirement is implemented, Franchisee will submit to Brightway an annual plan for Franchisee’s expenditure of Franchisee’s local marketing budget, which Brightway must approve in writing. Franchisee must send Brightway proof of these expenditures within fifteen (15) days of the end of each quarter.
- f) **Opening Advertising Program.** Brightway strongly recommends that Franchisee conduct an opening advertising program to promote the opening of Franchisee’s Brightway Location during the first sixty (60) days following Franchisee’s soft opening. If Franchisee elects to conduct such advertising, Brightway and Franchisee shall work together to determine an appropriate program during the time period following the execution of this Agreement and prior to Franchisee’s opening. All advertising must be approved by Brightway in writing prior to publication, as described in Section 11(c) above.
- g) **Co-op Advertising and Other Marketing Programs.** Brightway will have the right, in its discretion, to designate any geographical area for purposes of establishing a regional advertising and promotional cooperative (“**Cooperative**”), and to determine whether a Cooperative is applicable to the Brightway

Location. If a Cooperative is established applicable to the Brightway Location, Franchisee must participate in the Cooperative. Cooperative contributions will be credited towards the Local Advertising Requirement. Cooperative contributions will not exceed the maximum Local Advertising Requirement unless a majority of the Cooperative votes to increase the required Cooperative contributions. If implemented, the following provisions will apply to each Cooperative:

- i. Each Cooperative will be organized and governed in a form and manner, and will commence operation on a date, approved in advance by Brightway;
 - ii. Each Cooperative will be organized for the exclusive purpose of administering regional advertising programs and developing, subject to Brightway's approval, standardized advertising materials for use by the members in local advertising;
 - iii. No promotional or advertising plans or materials may be used by a Cooperative or furnished to its members without Brightway's prior approval. All such plans and materials must be submitted to Brightway in accordance with Section 11(c);
 - iv. Cooperative activities will be determined by a majority vote of the member franchisees in the Cooperative;
 - v. Each member franchisee must submit to the Cooperative, no later than the tenth (10th) of each calendar month, for the preceding calendar month, its respective contribution as provided in this Agreement together with such other statements or reports as Brightway may require or as may be required by the Cooperative with Brightway's approval; and
 - vi. Brightway may grant to Franchisee or any other franchisee an exemption from participating in a Cooperative at its sole discretion, upon a written request stating the reasons supporting such exemption. Brightway's decision concerning such request for exemption will be final.
- h) **Requirement to Use Only Brightway-Assigned Website and URL.** Franchisee will not develop, create, generate, own, license, lease or use in any manner any computer medium or electronic medium (including any Internet home page, e-mail address, website, social media page, bulletin board, newsgroup or other Internet-related medium) which in any way uses or displays, in whole or part, the Licensed Marks, or any words, slogans, symbols, logos, designs or terms confusingly similar thereto, or which relates to the Brightway Location in any way, without Brightway's express prior written consent, and then only in such manner and in accordance with such procedures and policies as Brightway may establish from time to time. Without limiting the generality of the foregoing, Franchisee will not cause, permit or allow any of the Licensed Marks, or any words, slogans, symbols, logos, designs or terms confusingly similar thereto, to be used or displayed in whole or part: (i) as, or as a part of, an Internet domain name or URL; (ii) on or in connection with Facebook, Instagram, Twitter or any other social media platform; or (iii) on or in connection with any Internet home page, website content, bulletin board, newsgroup, chat group, blogs, buddy list, instant messenger, meta-tag (or the comparable identifier in any future technology) or other Internet-related activity, without Brightway's express prior written consent, and then only in such manner and in accordance with such procedures and policies as Brightway may establish from time to time. All Brightway Location business conducted via the Internet as aforesaid shall be done only through the assigned Brightway Website, URL and Brightway Web Presence.
- i) **Marketing Representatives Must be Pre-Approved.** Franchisee shall not employ or engage any person to act as a representative of Franchisee in connection with local promotion of the Brightway Location in any public media without the prior written approval of Brightway. Any and all signs, equipment, supplies or materials purchased, leased or licensed by Franchisee must meet the standards specified by Brightway in the Confidential Operating Manual or otherwise in writing.
- j) **Displays at the Premises.** If required by Brightway, Franchisee shall, in such form and manner as may be specified, notify the public that Franchisee is operating the Brightway Location as an independently

owned franchisee of Brightway, and shall identify its business location in the manner specified by Brightway in the Confidential Operating Manual.

12. Covenants

During the Term of this Agreement, Franchisee and all Guarantors executing that Guaranty of Franchisee's Undertakings attached hereto as **Exhibit 1** (the "**Guaranty**"), as well as all parents, children, spouses, and siblings of Franchisee and all Guarantors, as applicable (collectively, the "**Covenantors**"), each individually covenant:

- a) **In-Term Non-Compete.** Not to engage, directly or indirectly, for themselves or through, on behalf of, or in conjunction with any other person or entity, as an owner, operator, employee, producer, agent, manager, consultant, or broker, or to otherwise have any interest in any property and casualty insurance and/or life insurance-related business other than as an authorized owner of a Brightway Location; provided, however, that Covenantors shall not be prohibited hereby from owning equity securities of any insurance agency, whose shares are publicly traded on a stock exchange or on the over-the-counter market so long as a Covenantor's ownership interest represents two percent (2%) or less of the total number of outstanding shares of such business.
- b) **Post-Term Non-Compete.** In the event this Agreement is terminated, expires and is not renewed, or if Franchisee assigns or transfers its interest herein to any person or business organization (except pursuant to Section 13(f) hereof), then for a period of two (2) years after such termination, expiration and non-renewal, or Transfer, not to: (i) engage, directly or indirectly, for themselves or through, on behalf of, or in conjunction with any other person or entity, as an owner, employee, producer, manager, consultant, or broker, or otherwise have any interest in any business that is competing in whole or in part with Brightway by granting franchises or licenses to operate insurance agencies anywhere in the United States; or (ii) engage, directly or indirectly, for themselves or through, on behalf of, or in conjunction with any other person, partnership or corporation, as an owner, operator, employee, producer, agent, manager, consultant, or broker, or otherwise have any interest in any property and casualty insurance and/or life insurance-related business at or within a twenty (20)-mile radius of the former Premises or any other franchisee-owned or company-owned Brightway Location that is in operation at the time this Agreement is terminated, expires and is not renewed, or transferred, other than as an authorized owner of another Brightway Location. It is understood and agreed that the purpose of this covenant is not to deprive Covenantor of a means of livelihood and will not do so, but is rather to protect the goodwill and interests of Brightway and the Brightway System.
- c) **In-Term Non-Solicitation of Customers.** Franchisee shall not knowingly, during the term of this Agreement, for any competitive purpose whatsoever, directly or indirectly solicit a prospect, customer or client for any competitive purpose, or accept an order from a prospect, customer or client: (i) of Brightway or any Brightway Location; (ii) to whom Brightway or any other Brightway Location has submitted a bid or quotation; or (iii) that has previously been a customer or client of Brightway or any other Brightway Location in the preceding twenty-four (24) months.
- d) **Post-Term Non-Solicitation of Customers.** Franchisee shall not knowingly, for a two (2) year period following the termination, expiration and non-renewal, or Transfer of this Agreement, for any competitive purpose whatsoever, directly or indirectly solicit a prospect, customer or client for any competitive purpose, or accept an order from a prospect, customer or client: (i) of Brightway or any Brightway Location as of the date of such termination, expiration, non-renewal or Transfer; (ii) to whom Brightway or any Brightway Location, as of the date of such expiration, termination, non-renewal or Transfer, has submitted a bid or quotation; or (iii) that has previously been a customer or client of Brightway or any Brightway Location at any time during the twenty-four (24) months immediately preceding such expiration, termination, non-renewal or Transfer.

- e) **Maintain Confidentiality; Staff Confidentiality Agreements.** During the term of this Agreement and thereafter, not to communicate, directly or indirectly, nor to divulge to or use for their benefit or the benefit of any other person or legal entity, any trade secrets that are proprietary to Brightway or any information, knowledge or know-how deemed Confidential Information under this Agreement, except as expressly permitted by Brightway in writing. Furthermore, in the event of any termination, expiration, non-renewal or Transfer of this Agreement, Covenantors must permanently cease all use of Brightway's Confidential Information, trade secrets, methods of operation or any proprietary components of the Brightway System. The protection granted hereunder shall be in addition to and not in lieu of all other protections for such trade secrets and Confidential Information as may otherwise be afforded in law or in equity. Franchisee's Staff as designated by Brightway must execute and comply with Brightway's prescribed form of Confidentiality and Non-Competition Agreement. Brightway shall be a third-party beneficiary of such agreement, and Franchisee shall not amend, modify or terminate any such agreement without Brightway's prior written consent.
- f) **Covenants are Independent of Other Covenants or Provisions of This Agreement.** The parties agree that each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement, and shall, where applicable, survive the termination, expiration, non-renewal or Transfer of this Agreement for any reason. Should any part of one or more of these restrictions be found to be unenforceable by virtue of its scope in terms of area, business activity prohibited or length of time, and should such part be capable of being made enforceable by reduction of any or all such restrictions, Franchisee and Brightway agree that the same shall be enforced to the fullest extent permissible under the law. In addition, Brightway may unilaterally, at any time and at its sole discretion, revise any of the covenants in this Section so as to reduce the obligations of Covenantors hereunder. The running of any period of time specified in this Section shall be tolled and suspended for any period of time in which a Covenantor is in violation of any restrictive covenant. Franchisee further expressly agrees that the existence of any claim it may have against Brightway, whether or not arising from this Agreement, shall not constitute a defense to the enforcement by Brightway of the covenants set forth in this Section.

13. Transfer and Assignment

- a) **Brightway's Right to Transfer.** This Agreement and all rights and duties hereunder may be freely assigned or transferred by Brightway, in whole or in part, without Franchisee's consent, to any person or legal entity that agrees to assume Brightway's obligations hereunder, including a competitor of Brightway, and shall be binding upon and inure to the benefit of Brightway's successors and assigns including, without limitation, any entity which acquires all or a portion of the capital stock of Brightway or any entity resulting from or participating in a merger, consolidation or reorganization in which Brightway is involved, and to which Brightway's rights and duties hereunder (in whole or in part), are assigned or transferred.
- b) **Transfers Require Prior Written Approval.** Franchisee understands and acknowledges that the rights and duties created by this Agreement are personal to Franchisee, and that Brightway has granted Franchisee this franchise in reliance on many factors, including, without limitation, the individual or collective character, skill, aptitude and business and financial capacity of Franchisee. Accordingly, neither Franchisee nor any person owning any direct or indirect equity interest therein, shall directly or indirectly sell, assign, transfer, convey, give away, pledge, mortgage or otherwise encumber any interest in: (i) this Agreement or any portion or aspect thereof; (ii) the Brightway Location; (iii) the Premises; or (iv) any equity or voting interest in Franchisee; nor permit the Brightway Location to be operated, managed, directed or controlled, directly or indirectly, by any person other than the Designated Agency

Principal (any such act or event is referred to as a “**Transfer**”) without the prior written approval of Brightway, which may be withheld at Brightway’s sole discretion, as described more fully in this Section 13. Any such purported Transfer occurring by operation of law or otherwise, including any Transfer by a trustee in bankruptcy, without Brightway’s prior written consent, shall be a material default of this Agreement, but the transferor shall remain obligated under this Agreement until released by Brightway, or until this Agreement is terminated and all post-term obligations set forth in this Agreement are fulfilled.

- c) **Brightway’s Right of First Refusal in the Event of Any Transfer.** If Franchisee proposes to transfer either this Agreement, any equity interest in Franchisee, all or substantially all of the assets used in connection with the Brightway Location, or any interest in Franchisee’s lease to any third party (other than to a wholly owned entity as set forth in Section 13(f) below), Franchisee shall first offer to sell such interest to Brightway on the same terms and conditions as offered by such third party. Franchisee shall obtain from the third party and provide Brightway a statement in writing, signed by the third party and Franchisee, of the terms of the offer (“**Letter of Intent**”). If Brightway elects not to accept the offer within a thirty (30) day period, Franchisee shall have a period not to exceed sixty (60) days to complete the transfer described in the Letter of Intent subject to the conditions for approval set forth in Section 13(e) below. Franchisee shall effect no other sale or transfer as contemplated under the Letter of Intent without first complying with this Section 13(c). Any material change in the terms of the Letter of Intent shall be deemed a new proposal subject to Brightway’s right of first refusal. So long as Franchisee has obtained Brightway’s prior written consent, which shall not be unreasonably withheld, a transfer to an existing partner or shareholder, or a transfer as a result of the death, disability or incapacitation of a shareholder or partner, in accordance with the provisions set forth in this Section 13, is not subject to Brightway’s first right of refusal.
- d) **Franchisee’s Incapacitation.** In the event of Franchisee’s death, disability or incapacitation (or the death, disability or incapacitation of Franchisee’s shareholders, members, partners or personal guarantors), Franchisee’s legal representative or Franchisee’s partner’s or guarantor’s respective legal representative, as applicable, shall have the right to continue the operation of the Brightway Location as the Franchisee under this Agreement if: (i) within forty-five (45) days from the date of death, disability or incapacity (the “**45-Day Period**”), such person has obtained Brightway’s prior written approval and has executed Brightway’s then-current form of franchise agreement for a new five (5) year term, or has furnished a personal guaranty of any partnership, corporate or limited liability company Franchisee’s obligations to Brightway and Brightway’s Affiliates; and (ii) such person successfully completes Brightway’s training program (which Brightway will provide at Brightway’s then-current tuition rate). Such assignment by operation of law will not be deemed in violation of this Agreement, provided such heirs or legatees accept the conditions imposed by the franchise agreement and are acceptable to Brightway. Brightway is under no obligation to operate the Brightway Location or incur any obligation on behalf of any incapacitated Franchisee, during or after the 45-Day Period. If necessary, Franchisee (or Franchisee’s legal representative, as applicable) shall appoint a previously approved acting interim manager to operate the Brightway Location during the 45-Day Period. In the event of Franchisee’s death, disability, or incapacitation, Brightway may (but is not required to) operate the Brightway Location on Franchisee’s behalf and at Franchisee’s expense for such period of time (and under such terms and conditions) as Brightway determines, including paying out the assets and/or revenues of the Brightway Location to cover any or all past, current and/or future obligations (including any amounts owed to Brightway and/or any Affiliate) in such priorities as Brightway determines from time-to-time at Brightway’s sole and absolute discretion. In such a situation, Brightway may pay itself a reasonable amount to reimburse Brightway for Brightway’s management services and other costs. Brightway may obtain approval of a court or arbitrator for any such arrangements, the attorneys’ fees and other costs

incurred in connection with obtaining such approval to be charged against the assets or revenues of the Brightway Location. Franchisee (or Franchisee's estate) will indemnify Brightway against any costs or liabilities incurred by it in connection with, or related in any way to, the operation of the Brightway Location as described herein.

- e) **Consent to Transfer.** Franchisee understands and acknowledges the vital importance of the performance of Franchisee to the market position and overall image of Brightway. Franchisee also recognizes that there are many subjective factors that comprise the process by which Brightway selects a suitable Brightway System franchisee. As of the effective date of the proposed Transfer, Brightway must have forwarded to Franchisee its approval, granted in its Reasonable Business Judgment, of the proposed Transfer to the proposed transferee, in accordance with the provisions of this Section 13. The consent of Brightway to any Transfer by Franchisee shall remain a subjective determination and shall include, but not be limited to, the following conditions:
- i. **Transferee Must be Approved.** The proposed transferee is a person or entity that meets Brightway's then-current standards of qualification for similar Brightway System franchisees, including, without limitation, that transferee: (i) is properly licensed by all governmental and other regulatory agencies and organizations; (ii) meets Brightway's managerial and business standards then in effect for similarly situated Brightway franchisees; (iii) possesses a good moral character, business reputation, and satisfactory credit rating; (iv) is not a competitor of Brightway; (v) will comply with all training and other requirements of Brightway; and (vi) has the aptitude and ability to operate the Brightway Location (as may be evidenced by prior related business experience or otherwise).
 - ii. **Terms are Commercially Reasonable.** The proposed Transfer is at a price and upon such terms and conditions as Brightway shall deem commercially reasonable.
 - iii. **Franchisee's Obligations are Satisfied.** As of the effective date of the proposed Transfer, all obligations of Franchisee under this Agreement, and under any other agreements between Franchisee or its Affiliates and Brightway, are fully satisfied.
 - iv. **Transferee Obligations are Satisfied.** As of the effective date of the proposed Transfer, all obligations of the proposed transferee or its Affiliates to Brightway under all agreements of any kind between the proposed transferee or its Affiliates and Brightway are fully satisfied.
 - v. **Requirements for Transfer.** In addition to the foregoing, the requirements for all such Transfers under this Section are as follows:
 - a. Franchisee or the proposed transferee must request that Brightway provide the prospective transferee with Brightway's current form of Franchise Disclosure Document, and a receipt for such document shall be delivered to Brightway; provided, however, Brightway shall not be liable for any representations other than those contained in such Franchise Disclosure Document.
 - b. The proposed transferee must execute Brightway's then-current form of franchise agreement, which may contain terms and conditions substantially different from those in this Agreement, for a full five (5) year initial term.
 - c. In the event of a transfer/sale/change of a majority of equity interests (51% or greater) of Franchisee, or a transfer/sale/change that results in a change in the Controlling Interest of Franchisee, and except as provided in Section 13(k) below, the proposed transferee shall pay Brightway a Transfer Fee in an amount equal to the then-current Initial Fee being paid to Brightway by new franchisees.
 - d. In the event of a transfer/sale/change of a majority of equity interests (51% or greater) or a transfer/sale/change that results in a change in the Controlling Interest of an Franchisee owning multiple Brightway Locations itself or through its Affiliates, and

except as provided in Section 13(k) below, the proposed transferee shall pay Brightway a Transfer Fee in an amount equal to twice the then-current Initial Fee being paid to Brightway by new franchisees for the type of agencies (Office Agency or Retail Agency) to be transferred (regardless of the number of Brightway Locations involved). By way of example, the Transfer Fee for three (3) Retail Agencies would be \$100,000, assuming Brightway's then-current Initial Fee for a Retail Agency is fifty thousand dollars (\$50,000).

- e. In the event of a transfer under Section 13(f) below or transfers that solely consist of a transfer/sale change of a minority of equity interests of Franchisee and without a change in Controlling Interest, the Transfer Fee shall equal two thousand five-hundred dollars (\$2,500). Similarly, Brightway reserves the right to reduce the Transfer Fee described in Section 13(e)(vi)(c) above to two thousand five-hundred dollars (\$2,500) in the event the following conditions are met: (i) the Transfer involves a minority owner of Franchisee purchasing the equity interests of the majority owner of Franchisee; (ii) the minority owner must have had an active working role as a producer of the Brightway Location for a period of at least five (5) years preceding the date of the Transfer; and (iii) Franchisee must have paid a full lump sum Initial Fee to Brightway in connection with the original purchase or acquisition of the Brightway Location.
 - f. Franchisee and the transferee must execute Brightway's prescribed form of consent to transfer agreement, which shall include a general release in a form satisfactory to Brightway, of any and all claims against Brightway, its Affiliates and their officers, directors, attorneys, shareholders, and employees, in their corporate and individual capacities.
 - g. The transferee and its personnel must complete, to Brightway's satisfaction, the initial training then required by Brightway.
 - h. Franchisee must purchase an Errors & Omissions "Tail Policy" from a provider designated by Brightway that is reasonably satisfactory to Brightway, as determined by Brightway in its sole discretion.
- f) **One-time Transfer to Legal Entity Wholly Owned by Individual Franchisee.** Notwithstanding Section 13(e) of this Agreement, it is understood and agreed that if Franchisee is an individual, he/she may assign this Agreement, the Brightway Location, and Franchisee's rights and obligations hereunder on one occasion to a legal entity organized and wholly-owned by Franchisee for that purpose only. Brightway shall be given thirty (30) days' advanced written Notice of such assignment to review the terms thereof, and, upon entering into Brightway's prescribed form of Consent to Transfer Agreement, such legal entity shall have all of the rights and obligations of Franchisee under this Agreement, and the term "Franchisee" as used herein shall refer to such legal entity. Such assignment shall in no way affect the obligations hereunder of the individual originally designated as "Franchisee" hereunder, who shall remain fully bound by and responsible for the performance of all such obligations, jointly and severally with such legal entity, and shall enter into the Guaranty attached as **Exhibit 1** to this Agreement. Such legal entity shall at no time engage in any business or activities other than the exercise of the rights herein granted to Franchisee and the performance of its obligations as Franchisee hereunder. Any such assignment completed under this Section 13(f) will not be subject to Brightway's right of first refusal set forth in Section 13(c) hereof. The Transfer Fee imposed in connection with a transfer under this Section 13(f) will be two thousand five-hundred dollars (\$2,500).
- g) **Brightway's Consent to Transfer.** Brightway's consent to a Transfer of any interest in Franchisee granted herein shall not constitute a waiver of any claims it may have against the transferring party, nor shall it

be deemed a waiver of Brightway's right to demand exact compliance with any of the terms of this Agreement by the transferee.

- h) **Assignment of Interests.** Brightway will not require approval of the assignment or hypothecation of all or any part of the assets of the Brightway Location or the stock or other interests in Franchisee, excluding Franchisee's rights under this Agreement or the franchise granted hereunder, to a bank or other lending institution as collateral security for loans made directly to or for the benefit of the Brightway Location. However, Brightway's approval will be required for any proposed assignment or hypothecation of this Agreement or the franchise granted hereunder if such an assignment/hypothecation would permit any transfer or assignment of this Agreement or the franchise granted hereunder without compliance by the transferee or assignee with the provisions of Section 13 hereof.
- i) **Restriction on Franchisee Stock.** If Franchisee is a corporation or other business entity, all certificates representing shares or other equity interests in Franchisee, whether already or hereafter issued by Franchisee, shall, from and after the date hereof, bear a legend sufficient under applicable law to constitute notice of the restrictions on such stock contained in this Agreement and to allow such restrictions to be enforceable. Such legend shall appear in substantially the following form: "The sale, transfer, pledge or hypothecation of this stock is restricted pursuant to the terms of a Franchise Agreement dated _____, 20__, by and between Brightway Insurance, LLC, a Florida limited liability company, and the issuer of these shares."
- j) **Right to Compensation Following Transfer.** The parties expressly acknowledge and agree that in the event Brightway, at its sole discretion, consents to a Transfer pursuant to the terms of this Section 13 (other than a Transfer pursuant to Section 13(f), 13(h), or a transfer of a minority interest in Franchisee), then all of the transferor's rights to compensation under this Agreement, including but not limited to Post-Term Extended Earnings described in Section 17, shall immediately cease and all such amounts shall revert to Brightway on the effective date of the Transfer.
- k) **Gifting the Franchise.** Notwithstanding the provisions of this Section 13, in the event of a Transfer meeting all of the other requirements of this Section 13, pursuant to which: (i) the transferor Franchisee and its owners and Affiliates receive no direct or indirect financial remuneration or benefit from the proposed transferee in connection with the Transfer (as would be the case with a gift of the entire Brightway Location to a family member or a key employee); (ii) in the case of a Transfer of the equity interests of the existing Franchisee, no owner of the Franchisee's existing equity interests retains any direct or indirect equity interest in such entity or any right to future compensation from such entity (and is not granted any such direct or indirect equity interests in the future); and (iii) Franchisee expressly waives all of its rights, in writing, to any Post-Term Extended Earnings as defined in Section 17, then:
 - i. No Transfer Fee shall be payable to Brightway by the transferee; and
 - ii. Notwithstanding anything to the contrary in Section 13(j), the transferee shall be entitled to receive both: (i) all of the transferor Franchisee's rights under Section 8 of this Agreement to a portion of Brightway Sales Commissions on Renewal Business for Policies in effect prior to the date of Transfer; and (ii) all of the compensation specified in Section 8 of this Agreement for policies which take effect after the date of Transfer; provided, however, that at least five (5) days prior to the consummation of any such Transfer, the transferor Franchisee must provide Brightway with complete copies of all agreements and other transaction documents to be executed or delivered by the transferor Franchisee and the proposed transferee in connection with the Transfer.
- l) **Following the Gifting of a Franchise.** In the event of any Transfer made in compliance with the requirements of Section 13(k), then for a period of three (3) years following the date of the Transfer: (i) the transferor Franchisee and its owners and Affiliates shall submit to Brightway, on an annual basis (by no later than May 15th of each year), a copy of their U.S. federal tax returns for the applicable year; and

(ii) upon reasonable advance notice to the transferor Franchisee, the transferor Franchisee and its owners and Affiliates shall accord to Brightway, its accountants, attorneys and agents, the right to examine or inspect the financial books and records of the transferor Franchisee and its owners and Affiliates for the purpose of determining whether the transferor Franchisee or its owners or Affiliates received any direct or indirect financial remuneration or benefit from the transferee in connection with the Transfer (or, in connection with the Transfer of Franchisee's equity interests, retained or subsequently obtained any direct or indirect equity interests in Franchisee). In the event that Brightway determines that the transferor Franchisee or its owners or Affiliates received, at any time, any direct or indirect financial remuneration or benefit from the transferee in connection with the Transfer (or, in connection with the Transfer of Franchisee's equity interests, retained or subsequently obtained any direct or indirect equity interests in Franchisee), the transferor Franchisee or its owners shall, within thirty (30) days of receiving Notice from Brightway of such determination, pay to Brightway a sum equal to one hundred and twenty-five percent (125%) of the Transfer Fee to which Brightway would have otherwise been entitled to receive from the transferee pursuant to the terms of Section 13(e).

14. Additional Representations and Warranties

- a) **Duly Organized.** Franchisee, if a registered business entity, warrants and represents that it is duly organized, existing and in good standing under the laws of the state in which it was organized and/or incorporated.
- b) **Agreement Doesn't Violate Other Obligations to Third Parties.** Franchisee represents and warrants that the execution of this Agreement, the operation of the Franchisee's Brightway Location, and the performance of all of the terms and conditions of this Agreement by Franchisee, Staff and Franchisee's owners, officers, directors, and employees will not and shall not violate the terms of any contractual, legal or other obligations with any third party.
- c) **All Applicable Licensing Laws/Regulations Must be Followed.** Franchisee represents and warrants that Staff and Franchisee's owners, officers, directors, employees or independent contractors that are required to be duly and fully licensed by any regulatory organization, governmental agency or any Contracted Company shall be, at all times during the term of this Agreement, duly and fully licensed and appointed as insurance agents under Brightway's master licenses and appointments as required by Brightway, and shall have and maintain all other required licenses, registrations, and authorities to sell, renew, service or deliver Policies in any state in which Franchisee sells, renews, services or delivers such Policies.
- d) **Notify Brightway of Any and All Litigation.** Franchisee shall immediately notify Brightway of any and all litigation to which Franchisee or any of Franchisee's Affiliates, Staff, owners, directors, officers, employees or independent contractors may become a party, whether as plaintiff or defendant, and represents and warrants that no such litigation is now pending.
- e) **Notify Brightway of Any and All Investigations.** Franchisee shall notify Brightway of any and all investigations of or hearings related to Franchisee or any of Franchisee's Affiliates, Staff, owners, directors, officers, employees or independent contractors that are conducted by any regulatory organization, governmental agency, or Contracted Company, and represents and warrants that no such investigations or hearings are now pending.
- f) **Authority to Enter Into this Agreement.** If a corporation or other business entity, Franchisee represents and warrants that Franchisee has taken all necessary action, including but not limited to binding resolutions/actions of all of its managers, directors and/or shareholders, to enter into this Agreement and to carry out the terms and conditions set forth herein.

- g) **Adherence to Anti-Terrorism Laws.** Franchisee certifies that neither Franchisee, nor Franchisee's owners, Staff or anyone associated with Franchisee is listed in the Annex to Executive Order 13224 (the "**Annex**"). Franchisee agrees not to hire or have any dealings with a person listed in the Annex. Franchisee certifies that Franchisee has no knowledge or information that, if generally known, would result in Franchisee, Franchisee's owners, Staff, or anyone associated with Franchisee being listed in the Annex. Franchisee agrees to comply with and assist Brightway to the fullest extent possible in Brightway's efforts to comply with the Anti-Terrorism Laws (as defined below). In connection with such compliance, Franchisee certifies, represents, and warrants that none of Franchisee's property or interests are subject to being "blocked" under any of the Anti-Terrorism Laws and that Franchisee and Franchisee's owners or principals are not otherwise in violation of any of the Anti-Terrorism Laws. Franchisee is solely responsible for ascertaining what actions must be taken by Franchisee to comply with all such Anti-Terrorism Laws, and Franchisee specifically acknowledges and agrees that Franchisee's indemnification responsibilities as provided in Section 20(b) of this Agreement pertain to Franchisee's obligations under this Section 14(g). Any misrepresentation by Franchisee under this Section or any violation of the Anti-Terrorism Laws by Franchisee, Franchisee's owners, principals or employees shall constitute grounds for immediate termination of this Agreement in accordance with the terms of Section 15(b)(xix). As used herein, "Anti-Terrorism Laws" means Executive Order 13224 issued by the President of the United States, the Terrorism Sanctions Regulations (Title 31, Part 595 of the U.S. Code of Federal Regulations), the Foreign Terrorist Organizations Sanctions Regulations (Title 31, Part 597 of the U.S. Code of Federal Regulations), the Cuban Assets Control Regulations (Title 31, Part 515 of the U.S. Code of Federal Regulations), the USA PATRIOT Act, and all other present and future federal, state and local laws, ordinances, regulations, policies lists and any other requirements of any governmental authority (including without limitation, the United States Department of Treasury Office of Foreign Assets Control) addressing or in any way relating to terrorist acts and acts of war.

15. Default and Termination

- a) **Automatic Termination.** This Agreement shall automatically terminate without notice or an opportunity to cure upon the occurrence of any of the following:
- i. **Voluntary Bankruptcy.** If Franchisee or any Guarantor makes an assignment for the benefit of creditors, files a voluntary petition in bankruptcy, is adjudicated bankrupt or insolvent, files or acquiesces in the filing of a petition seeking reorganization or arrangement under any federal or state bankruptcy or insolvency law, or consents to or acquiesces in the appointment of a trustee or receiver for Franchisee or the Brightway Location.
 - ii. **Involuntary Bankruptcy.** If proceedings are commenced to have Franchisee or any Guarantor adjudicated bankrupt or to seek Franchisee's reorganization under any state or federal bankruptcy or insolvency law, and such proceedings are not dismissed within sixty (60) days, or a trustee or receiver is appointed for Franchisee or the Brightway Location without Franchisee's consent, and the appointment is not vacated within sixty (60) days.
 - iii. **Unauthorized Transfer.** If Franchisee purports to sell, transfer or otherwise dispose of the franchise or any interest in Franchisee or the Brightway Location in violation of Section 13 hereof.
- b) **With Notice and Without Opportunity to Cure.** Brightway has the right to terminate this Agreement upon notice without providing Franchisee an opportunity to cure upon the occurrence of any of the following:

- i. **Criminal Acts.** If Franchisee's owners, officers, directors, employees, Staff or independent contractors are convicted of or plead guilty or no contest to a felony, or take part in any criminal misconduct relevant to the operation of Franchisee's Brightway Location.
- ii. **Fraud.** If Franchisee's owners, officers, directors, employees, Staff or independent contractors commit any fraud, whether or not directly related to the operation of the Brightway Location.
- iii. **Misrepresentation.** If Franchisee's owners, officers, directors, employees, Staff or independent contractors make any misrepresentation or omission in connection with Franchisee's franchise application, including but not limited to any financial misrepresentation.
- iv. **Failure to Complete Training.** If Franchisee's owners, officers, directors, employees, Staff or independent contractors do not successfully complete training as described in Section 5(a)(iii).
- v. **Repeated Breaches.** If Brightway sends Franchisee two (2) or more written notices to cure pursuant to Sections 15(b), (c) or 15(d) hereof in any twelve (12)-month period, whether or not the defaults are similar and whether or not they are cured.
- vi. **Breach of Other Agreements.** If Franchisee or Franchisee's affiliates, owners, officers, directors, employees, Staff or independent contractors materially breach any other agreement with Brightway or any of Brightway's Affiliates, or threaten any material breach of any such agreement, or the lease for the Brightway Location, and fail to cure such breach within any permitted period for cure.
- vii. **Misuse of the Licensed Marks or Confidential Information.** If Franchisee's owners, officers, directors, employees, Staff or independent contractors violate any provision hereof pertaining to Licensed Marks or Confidential Information or misuse the Licensed Marks or Confidential Information, including but not limited to any action that brings disrepute or damages the goodwill of the Licensed Marks.
- viii. **Violation of Health or Safety Law.** If Franchisee's owners, officers, directors, employees, Staff or independent contractors violate any health, safety or sanitation law, ordinance or regulation, or operate the Brightway Location in a manner that presents a health or safety hazard to any customers or the general public.
- ix. **Violation of In-term Restrictive Covenant.** If any Covenantor violates any of the in-term restrictive covenants set forth in Section 12 of this Agreement.
- x. **Liens.** If a levy of writ of attachment or execution or any other lien is placed against Franchisee or any of Franchisee's assets, which is not released or bonded against within thirty (30) days.
- xi. **Insolvency.** If Franchisee or Controlling Interest becomes insolvent.
- xii. **Abandonment.** If Franchisee, Franchisee's owners or Designated Agency Principal voluntarily or otherwise abandons the Brightway Location. The term "abandon" includes any conduct which indicates a desire or intent to discontinue the operation of the Brightway Location at the Premises on a full-time basis in accordance with the terms of this Agreement, and shall apply in any event Franchisee fails to (a) operate the Brightway Location as a System Location for a period of two (2) or more consecutive days without Brightway's prior written approval, or (b) produce any new business for a period of two (2) or more consecutive months.
- xiii. **Unauthorized Products or Services.** If Franchisee's owners, officers, directors, employees, Staff or independent contractors offer any unauthorized and unapproved products or services at or from the Brightway Location or representing the Brightway Location at any other location.
- xiv. **Unauthorized Contracted Company Appointment.** If Franchisee's owners, officers, directors, employees, Staff or independent contractors sell or attempt to sell a Policy on behalf of an insurance carrier that is not an approved Contracted Company, or if Franchisee's owners, officers, directors, employees, Staff or independent contractors secure or attempt to secure an appointment with an insurance carrier that is not an approved Contracted Company.

- xv. **Failure to Maintain Insurance.** If Franchisee fails to maintain the required insurance or to repay Brightway for insurance paid for by it, or otherwise fails to adhere to the requirements of Section 18.
- xvi. **Violation of Insurance Law or Government Actions.** If Franchisee's owners, officers, directors, employees, Staff or independent contractors violate any laws or regulations related to the insurance industry, or if there is any governmental or other regulatory action taken against Franchisee resulting from Franchisee's operation of the Brightway Location in a manner that is not authorized by Brightway.
- xvii. **Misuse of Assets or Information.** If Franchisee's owners, officers, directors, employees, Staff or independent contractors use the assets of the Brightway Location or the assets of customers of the Brightway Location or Brightway for personal use, including any misuse of a customer's identifying information.

- xix. **Unauthorized Relocation.** If Franchisee relocates the Brightway Location without Brightway's prior written approval and consent.
- xx. **Contracted Companies.** If Franchisee's owners, officers, directors, employees, Staff or independent contractors cause Brightway to lose its contract with any of the Contracted Companies, or otherwise materially harms Brightway's relationship with any of the Contracted Companies.
- xxi. **Failure to Submit Financial Reports.** If Franchisee fails to submit timely and accurate financial reports using Brightway's designated chart of accounts for any reporting period.
- xxii. **Other Conduct Reflecting Adversely on System.** If Franchisee's owners, officers, directors, employees, Staff or independent contractors conduct themselves in a manner that, although not criminal, reflects adversely on the Brightway System, the Licensed Marks, or the products and services offered through the System.
- xxiii. **Failure to Open.** If Franchisee fails to commence operations of the Brightway Location within the time prescribed in Section 6(a)(xi) of this Agreement.
- xxiv. **Proprietary Software.** If Franchisee misuses or makes unauthorized use of any proprietary software Brightway developed for use within the Brightway System.
- c) **Upon 15 Days' Notice to Cure.** Brightway has the right to terminate this Agreement if Brightway provides Franchisee with Notice of any of the following defaults, and such default remains uncured for a period of fifteen (15) days following receipt of such Notice:
 - i. **Nonpayment.** If Franchisee's owners, officers, directors, employees, Staff or independent contractors fail to pay, as and when due, any sums owed to Brightway, any of Brightway's Affiliates, or any of Brightway's suppliers or vendors.
 - ii. **Endorsement of Checks.** If Franchisee's owners, officers, directors, employees, Staff or independent contractors fail to immediately endorse and deliver to Brightway any payments due to Brightway from any third party that is erroneously made to Franchisee, or fail to deposit customer payments in the designated bank account within the timeframe designated in the Confidential Operating Manual.
 - iii. **Interruption of Service.** If Franchisee fails to maintain the prescribed months, days or hours of operation at the Brightway Location, as described in the Confidential Operating Manual.
 - iv. **Failure to Personally Supervise Business Operations or Employ Adequate Personnel.** If Franchisee or Designated Agency Principal fail to, at all times, personally supervise day-to-day operation of the Brightway Location, or if Franchisee fails to, at all times, employ a sufficient

- number of qualified, competent personnel as Brightway requires. If such staffing requirements change, it is Franchisee's responsibility to comply with the then-current requirements.
- v. **Quality Control.** If Franchisee's owners, officers, directors, employees, Staff or independent contractors fail to maintain the strict quality controls reasonably required by this Agreement or the Confidential Operating Manual.
 - vi. **Licenses and Permits.** If Franchisee fails to procure or maintain any licenses, certifications, or permits necessary for the operation of the Brightway Location.
 - vii. **Using Unauthorized Vendors.** If Franchisee's owners, officers, directors, employees, Staff or independent contractors order or purchase supplies, signs, furnishings, fixtures, telephones, computer hardware or software, marketing materials or any other equipment or materials used in connection with the Brightway Location from any unapproved supplier, vendor or company.
- d) **Upon 30 Days' Notice to Cure.** Brightway has the right to terminate this Agreement if Brightway provides Franchisee with Notice that Franchisee or Franchisee's owners, officers, directors, employees, Staff or independent contractors have failed to perform or comply with any one or more of the other terms or conditions of this Agreement, the Confidential Operating Manual, or any ancillary agreements between Franchisee and Brightway or Brightway's Affiliates, and such default remains uncured for a period of thirty (30) days following receipt of such Notice.
- e) **Step-In Rights.** In addition to Brightway's right to terminate this Agreement, and not in lieu of such right, or any other rights Brightway may have against Franchisee, upon a failure to cure any default within the applicable time period (if any), Brightway has the right, but not the obligation, to enter the Brightway Location Premises and exercise complete authority with respect to the operation of the Brightway Location until such time that Brightway determines, at its sole discretion, that the default has been cured and Franchisee is otherwise in compliance with this Agreement. In the event Brightway exercises the rights described in this Section, Franchisee must reimburse Brightway for all reasonable costs and overhead, if any, incurred in connection with its operation of the Brightway Location including, without limitation, costs of personnel for supervising and staffing the Brightway Location and their travel and lodging accommodations. If Brightway undertakes to operate the Brightway Location pursuant to this Section, Franchisee agrees to indemnify and hold Brightway (and Brightway's representatives and employees) harmless from and against any fines, claims, suits or proceedings which may arise out of Brightway's operation of the Brightway Location.
- f) **Non-Waiver.** Brightway's delay in exercising or failing to exercise any right or remedy under this Agreement or Brightway's acceptance of any late or partial payment due hereunder shall not constitute a waiver of any of Brightway's rights or remedies against Franchisee.
- g) **Notice.** In the event that Franchisee claims that Brightway has failed to meet any obligation under this Agreement, Franchisee shall provide Brightway with written Notice of such claim within one (1) year of its occurrence, specifically enumerating all alleged deficiencies and providing Brightway with an opportunity to cure, which shall in no event be less than thirty (30) days from the date of receipt of such Notice by Brightway from Franchisee. Failure to give such Notice shall constitute a waiver of any such alleged default.

16. Post-Term Rights and Obligations

- a) **Franchisee's Obligations.** Upon termination of this Agreement, regardless of the cause, or upon expiration and non-renewal or Transfer of this Agreement (other than a Transfer made pursuant to Section 13(f) or a transfer of a minority interest in Franchisee), Franchisee must, at Franchisee's cost and expense:
- i. **Cease All Operations.** Cease immediately all operations under this Agreement;

- ii. **Pay Outstanding Debt.** Pay Brightway immediately all unpaid fees and pay Brightway, Brightway's Affiliates, and Brightway's suppliers and vendors, all other monies owed;
- iii. **Discontinue Use of Licensed Marks.** Immediately discontinue the use of the Licensed Marks, and promptly surrender all stationery, printed matter, advertising materials and other items containing the Licensed Marks and all items which are a part of the trade dress of the Brightway System, as Brightway directs;
- iv. **Discontinue Use of Proprietary Materials.** Delete or destroy any locally saved copies of Brightway property including but not limited to the Confidential Operating Manual, customer lists, and all other proprietary materials and Confidential Information Brightway loaned to Franchisee, and immediately and permanently cease use of such information and materials;
- v. **Discontinue and Redirect All Listings.** Immediately cease using all telephone numbers and online and offline listings used in connection with the operation of the Brightway Location and direct the telephone company and any online or offline directory or other services to transfer all such numbers and listings to Brightway or Brightway's designee pursuant to the Conditional Assignment of Franchisee's Telephone Numbers, Facsimile Numbers, and Domain Names attached hereto as **Exhibit 6** or, if Brightway directs, to disconnect the numbers;
- vi. **Remove All Signage.** Franchisee does hereby grant in favor of Brightway a lien upon all exterior signs or other signage bearing any Licensed Marks which are to be displayed on the exterior of the Premises, and, in the event of any termination, expiration and non-renewal, or Transfer of this Agreement, Franchisee agrees to immediately remove such signage bearing any of the Licensed Marks from the Premises. If Franchisee fails to make such alterations within five (5) days after termination, expiration and non-renewal, or Transfer of this Agreement, Franchisee agrees that Brightway or its designated agents may enter upon the Premises at any time to make such alterations, at Franchisee's sole risk and expense, without liability for trespass;
- vii. **Cease Identifying as Brightway.** Cease to hold itself out as Brightway's franchisee, agency owner, or as otherwise being affiliated with Brightway in any fashion or form;
- viii. **Cease Using Trade Name.** Take such action as shall be necessary to amend or cancel any assumed name, business name or equivalent registration that contains any trade name or other Licensed Mark Brightway licensed to Franchisee, and furnish Brightway satisfactory evidence of Franchisee's compliance with this obligation within thirty (30) calendar days after the termination, expiration and non-renewal, or Transfer of this Agreement;
- ix. **Allow Brightway to Perform Final Inspection of Books.** Permit Brightway to make final inspection of Franchisee's financial records, books, and other accounting records at any time within twenty-four (24) months of the effective date of termination, expiration and non-renewal, or Transfer;
- x. **Comply with Post-Termination Covenants.** Comply with the post-termination covenants set forth in Section 12 and any other applicable Section of this Agreement, all of which shall survive the termination, expiration and non-renewal, or Transfer of this Agreement;
- xi. **Cease Using Methods.** Cease to use in advertising or in any other manner any methods, procedures or techniques associated with Brightway or the Brightway System;
- xii. **Perform all Offboarding Duties.** Execute from time to time any necessary papers, documents, and assurances to effectuate the intent of this Section 16, and otherwise comply with Brightway's offboarding process;
- xiii. **Surrender Customer Information.** Promptly turn over all lists and information Franchisee may have about former, existing, or potential customers;
- xiv. **Forward Correspondence.** Set up mail forwarding from the former Brightway Location as directed by Brightway;

- xv. **Obtain E&O Tail Policy.** Obtain an Errors & Omissions Tail Policy from a provider designated by Brightway, at Franchisee's expense and for a period of three (3) years following the date of termination, expiration and non-renewal, or Transfer;
 - xvi. **Vacate Premises.** Immediately vacate the Premises upon receipt of written notice from Brightway, or if Brightway exercises Brightway's rights pursuant to a Collateral Assignment of Lease; and
 - xvii. **Execute a General Release.** Execute a general release in a form satisfactory to Brightway, of any and all claims against Brightway, its Affiliates and their officers, directors, attorneys, shareholders, and employees, in their corporate and individual capacities.
- b) **Power of Attorney.** Franchisee hereby irrevocably appoints Brightway as Franchisee's attorney-in-fact to execute in Franchisee's name and on Franchisee's behalf all documents necessary to discontinue Franchisee's use of the Licensed Marks and Confidential Information, or to otherwise effectuate the obligations set forth in Section 16(a) above.
- c) **Option to Purchase Personal Property.** Upon the termination or expiration of this Agreement, Brightway or Brightway's designee shall also have the option, but not the obligation, to purchase any personal property used in connection with the operation of Franchisee's Brightway Location, by providing Franchisee written notice of Brightway's election within sixty (60) calendar days after such termination or expiration and paying Franchisee the book value for such personal property within sixty (60) calendar days of such notice. For purposes of this paragraph, "book value" means the amount Franchisee actually paid for the personal property less depreciation (calculated by using the straight-line depreciation method on a five (5) year depreciation schedule irrespective of the depreciation method or schedule Franchisee uses for accounting purposes). Notwithstanding the foregoing, to the extent that Brightway exercises Brightway's right to purchase any personal property that is subject to a lease or financing agreement, the purchase price of such personal property shall equal the amount of Franchisee's remaining obligations under the lease or financing agreement, as applicable. Brightway shall be entitled to offset the purchase price by the amount of money owed by Franchisee to Brightway for any payments necessary to acquire clear title to property or for any other amounts owed under this Agreement. If Brightway exercises Brightway's option to purchase, pending the closing of such purchase, Brightway has the right to appoint a manager to maintain operation of the Brightway Location, or Brightway may require that Franchisee close the Brightway Location during such period without removing any assets. Franchisee is required to maintain in force all insurance policies required under this Agreement until the date of such closing. Brightway has the unrestricted right to assign this option to purchase personal property of the Brightway Location. Brightway will be entitled to all customary warranties and representations in connection with Brightway's purchase of Franchisee's property, including, without limitation, representations and warranties as to ownership and condition of and title to the property; liens and encumbrances on the property; validity of contracts and agreements; and liabilities affecting the property, contingent or otherwise. Brightway may exclude from the personal property purchased hereunder cash or its equivalent and any equipment, signs, inventory, materials and supplies that are not reasonably necessary (in function or quality) to the operation of the Brightway Location, or that Brightway has not approved as meeting standards for the Brightway Location.
- d) **Damages, Costs, and Expenses.** In the event of termination for any default by Franchisee, Franchisee shall promptly pay to Brightway all damages, costs and expenses, including reasonable attorneys' fees, incurred by Brightway as a result of the default, including but not limited to any costs incurred by Brightway in curing said default on Franchisee's behalf, which obligation shall give rise to and remain, until paid in full, a lien in favor of Brightway against any and all of Franchisee's personal property, furnishings, equipment, signs, fixtures and inventory related to the operation of the Brightway Location.

17. Post-Term Extended Earnings

- a) **Eligibility for Post-Term Extended Earnings.** In the event Franchisee is eligible but elects to not renew this Agreement pursuant to Section 3(b), then Franchisee may be entitled to receive certain post-termination compensation from Brightway, which compensation is referred to herein as “**Post-Term Extended Earnings.**” Post-Term Extended Earnings can only be earned when Franchisee is eligible but elects not to renew this Agreement, and Franchisee acknowledges and agrees that any right to receive Post-Term Extended Earnings automatically becomes null and void in the event of a Transfer or gift of the Brightway Location, or in the event Brightway terminates this Agreement for cause. In order to be entitled to receive Post-Term Extended Earnings, Franchisee’s Brightway Location must have generated greater than twenty thousand dollars (\$20,000) in Brightway Sales Commissions Paid to Franchisee during the twelve (12) months of operation preceding the expiration date of this Agreement.
- b) **Calculating Post-Term Extended Earnings.** The total Post-Term Extended Earnings payable to Franchisee shall be an amount equal to one hundred and fifty percent (150%) of that portion of the Brightway Sales Commissions Paid to Franchisee pursuant to this Agreement on account of Renewal Business during the twelve (12) months immediately preceding the non-renewal of this Agreement.
- c) **When Post-Term Extended Earnings are Paid.** Franchisee’s Post-Term Extended Earnings shall be paid by Brightway to Franchisee in twenty-four (24) monthly installments, commencing with the first month following the effective date of expiration and non-renewal of this Agreement, and shall be payable via electronic funds transfer to an account designated in writing by Franchisee.
- d) **Brightway to Provide Calculations.** Within ten (10) days of the expiration and non-renewal of this Agreement, Brightway shall provide Franchisee with written Notice of its calculations (together with such supporting documentation as Brightway deems appropriate) of Franchisee’s Post-Term Extended Earnings and the monthly payments to be made to Franchisee pursuant to this Section, and the first twelve (12) payments shall be in equal amounts and shall equal fifty percent (50%) of the total Post-Term Extended Earnings, as determined based on this initial calculation.
- e) **First Recalculation.** One (1) year following the date of the expiration and non-renewal of this Agreement, Brightway shall recalculate the total Post-Term Extended Earnings for the purposes of determining the final twelve (12) payments, and Brightway shall have the right to reduce the total Post-Term Extended Earnings payable to Franchisee by an amount equal to that portion of the total Post-Term Extended Earnings attributable to commissions paid on any Policy or Client Account which does not renew in the one (1) year following the expiration and non-renewal of this Agreement. Franchisee expressly acknowledges that Brightway will not be responsible for any Policies or Client Accounts that fail to renew, regardless of the reason for non-renewal.
- f) **Second Recalculation.** Furthermore, one (1) year following the date of expiration and non-renewal of this Agreement, Brightway shall perform an additional recalculation of the Post-Term Extended Earnings payable to Franchisee for the purpose of taking into account the Renewal Business for Client Accounts generated by Franchisee that were considered New Business during the twelve (12) months immediately preceding expiration and non-renewal, as well as changes in premium. The recalculated total Post-Term Extended Earnings shall be an amount equal to one hundred and fifty percent (150%) of the portion of the Brightway Sales Commissions that would have been paid to Franchisee pursuant to this Agreement on Renewal Business for Client Accounts generated by Franchisee during the twelve (12) months immediately following the expiration and non-renewal of this Agreement. The amounts payable to Franchisee during installment period months thirteen (13) through twenty-four (24) shall then be revised to reflect twelve (12) equal payments based on the recalculated total Post-Term Extended Earnings divided by the twenty-four (24) month installment period.

- i. **Example:** The Brightway Sales Commissions Paid to Franchisee on account of Renewal Business during the 12 months immediately preceding the expiration and non-renewal of this Agreement by Franchisee is \$600,000. To calculate Post-Term Extended Earnings, this amount (\$600,000) is multiplied by 150% to arrive at \$900,000, which is then divided by 24 to determine the amount of monthly payments for the first 12 months, which would be \$37,500. After 12 months, after performing the recalculations described in Sections 17(e) and 17(f) above, the adjusted amount of Brightway Sales Commissions Paid to Franchisee on account of Renewal Business could be \$620,000 (taking into account rate increases, book maturity and retention). That amount is then multiplied by 150% to arrive at \$930,000, which is then divided by 24 to determine the amount of monthly payments for months 13-24, which would be \$38,750.

First Calculation of Post-Term Extended Earnings

	New Business	Renewal Business
Commissions Paid in 12 Months Preceding Expiration and Non-renewal	\$100,000	\$600,000
Post-Term Extended Earnings Calculation Gross Up	n/a	150%
Post-Term Extended Earnings		\$900,000
Amount of Each Installment Payment 1 through 12		\$37,500

Re-calculation of Post-Term Extended Earnings

	New Business	Renewal Business
Commissions That Would Have Been Paid	n/a	\$620,000
Post-Term Extended Earnings Calculation Gross Up	n/a	150%
Post-Term Extended Earnings		\$930,000
Amount of Each Installment Payment 13 through 24		\$38,750

- g) **When Post-Term Extended Earnings Terminate.** Notwithstanding the foregoing, all of Franchisee's rights to receive the Post-Term Extended Earnings shall immediately terminate, upon written Notice from Brightway, in the event Franchisee fails to comply with: (i) any of the post-term obligations set forth in Section 16 of this Agreement; (ii) any of the post-term covenants set forth in Section 12 of this Agreement; or (iii) any of the confidentiality or non-disclosure provisions set forth in this Agreement.

18. Insurance

- a) **Required Insurance Policies.** Subject to applicable law and eligibility requirements, Franchisee shall, at its expense, no later than the date of commencement of the business contemplated by this Agreement, procure and maintain in full force and effect throughout the term of this Agreement: (i) a standard Business Owners Policy providing coverage for Franchisee's Brightway Location, Premises and operation

with liability limits of not less than \$1,000,000/\$1,000,000; (ii) a Workers Compensation Policy with liability limits of not less than \$500,000/\$500,000; (iii) an Employment Practices Liability Policy providing coverage for Franchisee with liability limits of not less than \$500,000/\$500,000; and (iv) any other types of policies that Brightway determines necessary for the operation of the Brightway Location, as communicated in the Confidential Operating Manual or otherwise in writing. Franchisee agrees to carry such insurance as may be required by the lease of the Premises or by any of Franchisee's lenders or equipment lessors. Franchisee shall add Brightway and its designees and assignees to all insurance contracts as additional insureds under the insurance policies, the cost of which will be paid by Franchisee. The types and amounts of insurance to be acquired and maintained by Franchisee may be modified as provided in the Confidential Operating Manual or otherwise in writing by Brightway.

- b) **Certificates of Insurance on File with Brightway.** Franchisee shall make timely delivery of certificates of all required insurance to Brightway, each of which shall contain a statement by the insurer that the policy will not be cancelled or materially altered without at least thirty (30) days' prior written Notice to Brightway.
- c) **Franchisee's Liability to Brightway.** The procurement and maintenance of such insurance shall not relieve Franchisee of any liability to Brightway under any indemnification requirement set forth in this Agreement.
- d) **Brightway's Option to Force Place.** If Franchisee fails to comply with the minimum insurance requirements set forth herein, Brightway has the right to obtain such insurance and keep the same in force and effect and Franchisee shall pay Brightway, on demand, the premium cost thereof and administrative costs of eighteen percent (18%) in connection with Brightway obtaining the insurance.

19. Taxes, Permits, Indebtedness, Compliance with Laws

- a) **Franchisee Responsible for Timely Payment of all Taxes Due.** Franchisee shall promptly pay when due any and all federal, state and local taxes, including without limitation unemployment and sales taxes, levied or assessed with respect to any services or products furnished, used or licensed pursuant to this Agreement, and all accounts or other indebtedness of every kind incurred by Franchisee in the operation of the Brightway Location. Franchisee agrees to indemnify Brightway in the event that Brightway is held responsible for these taxes.
- b) **Compliance with Laws, Rules and Regulations Required.** Franchisee shall comply with all applicable federal, state and local laws, rules and regulations. Franchisee shall also timely obtain any and all permits, certificates and licenses for the full and proper conduct of the Brightway Location. Franchisee and Designated Agency Principal will have sole authority and control over the day-to-day operations of the Brightway Location and Franchisee's employees. Franchisee agrees to be solely responsible for all employment decisions and to comply with all state, federal, and local hiring laws applicable to the Brightway Location, including without limitation, those related to hiring, firing, training, wage and hour requirements, compensation, promotion, record-keeping, supervision, and discipline of employees, paid or unpaid, full or part-time. At no time will Franchisee or Franchisee's employees be deemed to be employees of Brightway.
- c) **Franchisee Responsible for All Debts and Obligations.** Franchisee hereby expressly covenants and agrees to accept full and sole responsibility for any and all debts and obligations incurred in the operation of its Brightway Location.

20. Independent Contractor and Indemnification

- a) **Independent Contractor Relationship.** It is understood and agreed that Franchisee is an independent contractor and is in no way authorized to make any contract, warranty or representation or to create any obligation on behalf of Brightway except as expressly authorized under this Agreement. Nothing in this Agreement is intended by the parties hereto to create a fiduciary relationship between them or to designate Franchisee as a legal representative, subsidiary, joint venturer, partner, employee, tenant or servant of Brightway for any purpose whatsoever. In all dealings with third parties including, without limitation, employees, suppliers and customers, Franchisee shall disclose in an appropriate manner acceptable to Brightway that it is an independent contractor licensed by Brightway to use the Licensed Marks and operate the Brightway Location. Franchisee shall be responsible for payment of its own federal income taxes, Social Security, Medicare and such other taxes and liabilities assessed or levied against Franchisee by virtue of this Agreement and the sums received by Franchisee pursuant to this Agreement. Franchisee shall have the discretion to determine the time, place and manner of soliciting and servicing clients and otherwise carrying out its obligations hereunder, subject to the limitations set forth herein and Brightway's requirement to maintain high ethical standards and quality customer service in order to maintain the goodwill associated with the Licensed Marks. Nothing in this Agreement authorizes Franchisee to make any contract, agreement, warranty, or representation on Brightway's behalf, or to incur any debt or other obligation in Brightway's name; and Brightway shall in no event assume liability for, or be deemed liable hereunder as a result of, any such action; nor shall Brightway be liable by reason of any of Franchisee's acts or omissions in the operation of the Brightway Location or for any claim or judgment arising therefrom against Franchisee or Brightway. Neither this Agreement nor Brightway's course of conduct is intended, nor may anything in this Agreement (nor Brightway's course of conduct) be construed to state or imply, that Brightway is the employer of Franchisee or Franchisee's employees and/or independent contractors.
- b) **Indemnification.** Franchisee agrees to protect, defend, indemnify, and hold Brightway and its Affiliates, and their respective directors, officers, employees, agents, attorneys and shareholders ("**Brightway Indemnitees**") jointly and severally harmless from and against, and promptly to reimburse Brightway Indemnitees for, all claims, actions, proceedings, damages, costs, expenses and other losses and liabilities consequently, directly or indirectly incurred (including without limitation reasonable attorneys' and paralegals' fees, court costs and costs of investigation) as a result of, arising out of, or connected with (i) Franchisee's breach of any of the covenants, representations, warranties or terms of this Agreement; (ii) the use of the Licensed Marks or Brightway's other proprietary materials in an unauthorized manner; (iii) Franchisee's operation of the Brightway Location; (iv) any professional or other negligence on the part of Franchisee or its Affiliates, or any of their respective directors, officers, agents, shareholders, employees, contractors, subcontractors, servants, licensees or invitees; (v) the transfer of any interest in this Agreement or the Brightway Location in any manner not in accordance with this Agreement; (vi) the infringement, alleged infringement, or any other violation or alleged violation by Franchisee or any of Franchisee's Staff of any patent, mark or copyright or other proprietary right owned or controlled by third parties; (vii) libel, slander or any other form of defamation of Brightway, the Brightway System, any franchisee operating under the Brightway System, or any Brightway affinity partner, by Franchisee or by any of Franchisee's Staff; or (viii) any incident, death, injury or damage to any person or property occurring in, on or about the Premises. Brightway shall have the right to defend or settle any such claim against it in such manner as Brightway deems appropriate, at its sole discretion; provided, however, that such an undertaking by Brightway shall, in no manner or form, diminish Franchisee's and each of Franchisee's Staff's obligations to indemnify the Brightway Indemnitees and to hold them harmless.

- c) **Survivability.** The provisions of this Section 20 shall continue in full force and effect subsequent to and notwithstanding the termination, expiration, non-renewal or Transfer of this Agreement for any reason.

21. Written Approvals, Waivers, Forms of Agreement and Amendment

- a) **Written Request for Brightway's Approval.** Whenever this Agreement requires, or Franchisee desires to obtain, Brightway's approval, Franchisee shall make a timely written request. Unless a different time period is specified in this Agreement, Brightway shall respond with its approval or disapproval within fifteen (15) days of receipt of such request. If Brightway has not specifically approved a request within such fifteen (15) day period, such failure to respond shall be deemed a disapproval of any such request.
- b) **Non-Waiver.** No failure of Brightway to exercise any power reserved to it by this Agreement and no custom or practice of the parties at variance with the terms hereof shall constitute a waiver of Brightway's right to demand exact compliance with any of the terms herein. No waiver or approval by Brightway of any particular breach or default by Franchisee, nor any delay, forbearance or omission by Brightway to act or give Notice of default or to exercise any power or right arising by reason of such default hereunder, nor acceptance by Brightway of any payments due hereunder shall be considered a waiver or approval by Brightway of any preceding or subsequent breach or default by Franchisee of any term, covenant or condition of this Agreement.
- c) **Agreements May Vary.** No warranty or representation is made by Brightway that all franchise agreements issued by Brightway before or after the Effective Date do or will contain terms substantially similar to those contained in this Agreement. Further, Franchisee recognizes and agrees that Brightway may, in its Reasonable Business Judgment, due to local business conditions or otherwise, waive or modify comparable provisions of other franchise agreements heretofore or hereafter granted to other Brightway System franchisees in a non-uniform manner.
- d) **Amendment.** This Agreement may not be modified except by a written document signed by both parties; provided, however, that Franchisee expressly acknowledges that Brightway may unilaterally modify the Confidential Operating Manual from time to time in its sole discretion.

22. Enforcement

- a) **Brightway's Access to Franchisee's Brightway Location and Records.** To ensure Franchisee's compliance with this Agreement, and to enable Brightway to carry out its obligations under this Agreement, Franchisee agrees that Brightway and its designated agents shall be permitted full and complete access during business hours, without notice, to inspect (and copy, if Brightway so desires) the Premises and the Brightway Location and all records relating thereto including, but not limited to, records relating to Franchisee's prospective clients and Client Accounts, suppliers, employees, agents and independent contractors. Franchisee agrees to render such assistance as may reasonably be requested by Brightway and its designated agents, and to take such steps as may be necessary to immediately correct any deficiencies detected during such an inspection upon the request of Brightway or its designated agents. Brightway also has the right to require Franchisee to provide information that is necessary to prohibit any act or omission by Franchisee or its employees that constitutes a violation of any applicable law or regulation, or that is necessary to comply with a complaint or investigation from any governmental or regulatory body or from a Contracted Company.
- b) **Temporary or Permanent Injunctions.** Brightway or its designee shall be entitled to obtain, without bond, temporary and permanent injunctions, and orders of specific performance, in order to enforce any restrictive covenants in this Agreement, the provisions of this Agreement relating to Franchisee's use of the Licensed Marks, or the obligations of Franchisee upon termination, expiration and non-

renewal, or Transfer of this Agreement, or to prohibit any act or omission by Franchisee or its employees that constitutes a violation of any applicable law or regulation, that is dishonest or misleading to prospective or current customers or Contracted Companies, that constitutes a danger to other Brightway System franchisees, employees, customers or the public, or that may impair the goodwill associated with the Licensed Marks. If injunctive relief is granted, Franchisee's only remedy will be the court's dissolution of the injunctive relief. If the injunctive relief was wrongfully issued, Franchisee expressly waives all claims for damages Franchisee incurred as a result of the wrongful issuance.

23. Notices

- a) **Notices in Writing, How to Deliver.** Each party giving or making any notice, request, demand or other communication (each, a "**Notice**") pursuant to this Agreement shall: (i) give the Notice in writing, and (ii) use one of the following methods of delivery, each of which for purposes of this Agreement is a writing: (A) personal delivery, (B) registered or certified mail, return receipt requested and postage prepaid, (C) nationally recognized overnight courier, with all fees prepaid, (D) facsimile, or (E) e-mail.

24. Governing Law and Dispute Resolution

- a) **Agreement Governed by Florida Law.** This Agreement is accepted by Brightway in the State of Florida and shall be governed by and construed in accordance with the laws of the State of Florida, which laws shall prevail in the event of any conflict of laws.
- b) **Internal Dispute Resolution.** The parties hereto agree that it is in their best interest to resolve disputes between them in an orderly fashion and in a consistent manner. Therefore, Franchisee must first bring any claim or dispute between Franchisee and Brightway to Brightway's President, after providing Notice as set forth in Section 23 above. Franchisee must exhaust this internal dispute resolution procedure before Franchisee may bring Franchisee's dispute before a third party. This agreement to first attempt resolution of disputes internally shall survive termination or expiration of this Agreement.
- c) **Non-Binding Mediation Following Internal Dispute Resolution.** At Brightway's option, all claims or disputes between Franchisee and Brightway or its Affiliates arising out of, or in any way relating to, this Agreement or any other agreement by and between Franchisee and Brightway or its Affiliates, or any of the parties' respective rights and obligations arising from such agreement, which are not first resolved through the internal dispute resolution procedure set forth in Section 24(b) above, must be submitted first to non-binding mediation, in Duval County, Florida, under the auspices of the American Arbitration Association ("AAA"), in accordance with AAA's Commercial Mediation Rules then in effect. Before commencing any action against Brightway or its Affiliates with respect to any such claim or dispute, Franchisee must submit a notice to Brightway, which specifies, in detail, the precise nature and grounds of such claim or dispute. Brightway will have a period of thirty (30) days following receipt of such notice within which to notify Franchisee as to whether Brightway or its Affiliates elects to exercise its option to submit such claim or dispute to mediation. Franchisee may not commence any action against Brightway or its Affiliates with respect to any such claim or dispute in any court unless Brightway fails to exercise its option to submit such claim or dispute to mediation, or such mediation proceedings have been terminated either: (i) as the result of a written declaration of the mediator that further mediation efforts are not worthwhile; or (ii) as a result of a written declaration by Brightway. Brightway's right to mediation, as set forth herein, may be specifically enforced by Brightway. Each party shall bear its own cost of mediation and Brightway and Franchisee shall share mediation costs equally. This agreement to mediate shall survive any termination or expiration of this Agreement. The parties shall not be required to first attempt to mediate a controversy, dispute, or claim through mediation as set forth in this Section if such controversy, dispute, or claim concerns an allegation that a party has violated (or threatens to violate, or poses an imminent risk of violating): (i) any federally protected intellectual property rights related to the Licensed Marks, the Brightway System, or any Confidential Information; or (ii) any of the restrictive covenants contained in this Agreement. The parties agree that there will be no class action mediation.
- d) **Jurisdiction and Venue.** Franchisee consents and agrees that venue shall be proper in any of the following courts in all lawsuits relating to or arising out of this Agreement and hereby waives any defense it may have of improper venue in any such lawsuits filed in these courts: (i) the state court of the county in which Brightway has its principal place of business (presently, Duval County, Florida); and (ii) the federal court nearest to Brightway's principal place of business (presently, the United States District Court for the Middle District of Florida). All lawsuits filed by Franchisee against Brightway relating to or arising out of this Agreement shall be required to be filed exclusively in one of these courts; provided, however, that if none of these courts has subject-matter jurisdiction over such a lawsuit, such lawsuit may be filed in any court having such subject matter jurisdiction if in-personam jurisdiction and venue in such court are otherwise proper. Lawsuits filed by Brightway against Franchisee may be filed in any of the courts named in this subsection or in any court in which jurisdiction and venue are proper. The

parties agree that all proceedings will be conducted on an individual, not a class-wide basis, and that any proceeding between Franchisee, Guarantors, and Brightway or its affiliates or employees may not be consolidated with any other proceeding between Brightway and any other person or entity.

- e) **Service of Process.** In all lawsuits relating to or arising out of the Agreement, Franchisee consents and agrees that it may be served with process outside the State of Florida in the same manner as service may be made within the State of Florida by any person authorized to make service by the laws of the state, territory, possession or country in which service is made, and Franchisee hereby waives any defense it may have of insufficiency of service of process relating to such service. Such methods of service shall not be the exclusive methods of service available in such lawsuits and shall be available in addition to any other method of service allowed by law.
- f) **Timeframe in Which Action May Be Brought.** Franchisee further agrees that no cause of action arising out of or under this Agreement may be maintained by Franchisee against Brightway unless brought before the expiration of one (1) year after the act, transaction or occurrence upon which such action is based or the expiration of one (1) year after the Franchisee becomes aware of facts or circumstances reasonably indicating that Franchisee may have a claim against Brightway hereunder, whichever occurs sooner, and that any action not brought within this period shall be barred as a claim, counterclaim, defense, or set-off. Franchisee hereby waives the right to obtain any remedy based on alleged fraud, misrepresentation, or deceit by Brightway, including, without limitation, rescission of this Agreement, in any mediation, judicial, or other adjudicatory proceeding arising hereunder, except upon a ground expressly provided in this Agreement, or pursuant to any right granted by any applicable statute expressly regulating the sale of franchises, or any regulation or rules promulgated thereunder.
- g) **Notice of Violation or Breach.** As a condition precedent to commencing an action for damages or for violation or breach of this Agreement, Franchisee must notify Brightway within thirty (30) days after the occurrence of the violation or breach, and failure to timely give such notice shall preclude any claim for damages.
- h) **Third Party Beneficiaries.** Brightway's Affiliates, officers, directors, shareholders, agents and/or employees are express third-party beneficiaries of the provisions of this Agreement, including the mediation provision set forth above in Section 24(c), each having authority to specifically enforce the right to mediate claims asserted against such person(s) by Franchisee.
- i) **Right to Certain Claims Waived.** Franchisee hereby waives to the fullest extent permitted by law any right to or claim for any punitive, exemplary, incidental, indirect, special or consequential damages (including, without limitation, lost profits) against Brightway arising out of any cause whatsoever (whether such cause be based in contract, negligence, strict liability, other tort or otherwise) and agrees that in the event of a dispute, Franchisee's recovery is limited to actual damages. If any other term of this Agreement is found or determined to be unconscionable or unenforceable for any reason, the foregoing provisions shall continue in full force and effect, including, without limitation, the waiver of any right to claim any consequential damages.
- j) **Brightway Solely Responsible.** Franchisee agrees that fulfillment of any and all of Brightway's obligations written in this Agreement or based on any oral communications which may be ruled to be binding in a court of law shall be Brightway's sole responsibility and none of Brightway's agents, representatives, employees, nor any individuals associated with Brightway's franchise company shall be personally liable to Franchisee for any reason.
- k) **Rights Waived to Trial by Jury.** TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE PARTIES HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVE ANY RIGHT THEY MAY HAVE TO A TRIAL BY JURY IN RESPECT TO ANY LITIGATION ARISING OUT OF, UNDER, OR IN CONNECTION WITH THIS AGREEMENT AND ANY OTHER AGREEMENTS EXECUTED OR CONTEMPLATED TO BE EXECUTED IN CONNECTION HERewith, OR ARISING OUT OF, UNDER, OR IN CONNECTION WITH ANY COURSE OF

CONDUCT, COURSE OF DEALING, STATEMENTS (VERBAL OR WRITTEN) OR ACTION OF ANY PARTY IN CONNECTION WITH THIS AGREEMENT.

25. Miscellaneous

- a) **Severability.** In case any covenant, condition, term or provision contained in this Agreement shall be held to be invalid, illegal, or unenforceable in any respect, in whole or in part, by judgment, order or decree of any court or other judicial tribunal of competent jurisdiction, the validity of the remaining covenants, conditions, terms and provisions contained in this Agreement, and the validity of the remaining part of any term or provision held to be partially invalid, illegal or unenforceable, shall in no way be affected, prejudiced, or disturbed thereby. Franchisee understands and acknowledges that Brightway shall have the right, at its sole discretion, on a temporary or permanent basis, to reduce the scope of any covenant or provision of this Agreement binding upon Franchisee, or any portion hereof, without Franchisee's consent, effective immediately upon receipt by Franchisee of written Notice thereof, and Franchisee agrees that it will comply forthwith with any covenant as so modified, which shall be fully enforceable.
- b) **Agreement May Be Executed in Two or More Counterparts; Electronic Signatures Permitted.** To facilitate the execution of this Agreement by geographically separated parties, it may be executed in two (2) or more counterparts, all of which shall constitute one and the same instrument. The execution by one party of any counterpart shall be sufficient execution by that party whether or not the same counterpart has been executed by any other party. This Agreement shall become effective when each party has signed at least one counterpart. An electronically-signed copy of this Agreement delivered by email or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.
- c) **Headings and Captions for Reference Only.** The headings and captions contained herein are for the purposes of convenience and reference only and are not to be construed as a part of this Agreement. The parties agree that each section of this Agreement shall be construed independently of any other section or provision of this Agreement.
- d) **Provisions Survive Agreement.** All provisions of this Agreement which, by their nature, must survive the termination or expiration of this Agreement in order to give effect thereto, are hereby deemed to survive the termination or expiration of this Agreement for any reason.
- e) **Parties Agree to Sign Additional Documents When Necessary.** Each of the parties hereto agrees that they shall sign such additional and supplemental documents as may be necessary pursuant to the terms of this Agreement when requested to do so by any party to this Agreement.
- f) **Franchisee Understands Agreement.** Franchisee represents and warrants to Brightway that it: (i) understands fully the terms of this Agreement (including all of its Exhibits) and the consequences of the execution and delivery of this Agreement; (ii) has been afforded an opportunity to have this Agreement reviewed by, and to discuss this Agreement and any other document executed in connection herewith with such attorneys and other persons as Franchisee may wish; and (iii) has entered into this Agreement and executed and delivered all documents in connection herewith of its own free will and accord and without threat, duress or other coercion of any kind by any person or entity. The parties hereto acknowledge and agree that neither this Agreement nor the other documents executed pursuant hereto shall be construed more favorably in favor of one than the other based upon which party drafted the same.
- g) **Terms are Binding.** The terms and conditions of this Agreement shall be binding upon the assigns, creditors, transferees or successors in interest of the parties to this Agreement, whether by operation of law or otherwise.

- h) **Time is of the Essence.** Time is of the essence of this Agreement and each covenant and condition contained herein.
- i) **Exhibits and Schedules are Incorporated.** The terms of all Exhibits and any schedules to this Agreement are hereby incorporated into this Agreement by this reference.
- j) **Payment of Attorneys' Fees.** In the event any litigation or controversy arises out of or in connection with this Agreement between the parties hereto, the prevailing party shall be entitled to recover from the other party or parties all reasonable attorneys' and paralegals' fees, expenses and suit costs, including those associated with any appellate or post-judgment collection proceedings.
- k) **Force Majeure.** Neither party shall be liable for failure to perform any of its obligations under this Agreement during any period in which such party cannot perform due to fire, flood, or other natural disaster or act of God, war or other national emergency, terrorism, embargo, riot, strike, the intervention of any governmental authority, communications line failures, power failures or other causes beyond the reasonable control of the parties (but specifically excluding therefrom general economic conditions or the economy in general as a cause); provided, however: (i) such delay or failure could not have been prevented by reasonable precautions by that party; and (ii) that the party so delayed must promptly notify the other party of such delay and undertake all efforts that are reasonable under the circumstances to resume performance of its obligations hereunder as soon as feasible.
- l) **Brightway Entitled to Setoff.** Brightway shall be entitled to set off against any amounts it owes to Franchisee, any amounts Franchisee owes to Brightway or to any Brightway Affiliate (whether pursuant to this Agreement, or any other agreement with Brightway or any Brightway Affiliate), consistent with applicable law.
- m) **This Agreement May have Special Stipulations.** Attached hereto as **Exhibit 3** is a listing of all "Special Stipulations" and other agreements between the parties which, to the extent they are in conflict with any other provisions of this Agreement, shall control.
- n) **Brightway May Make Changes to the Brightway System.** Brightway may from time to time add to, amend, modify, delete or enhance any portion of the Brightway System (including any of the Licensed Marks) as may be necessary in Brightway's Reasonable Business Judgment (defined in Section 25(o) below) to change, maintain or enhance the reputation, efficiency, competitiveness and/or quality of the Brightway System, or to adapt it to new conditions or technology, or to better serve the public. Franchisee, at its expense, will promptly and fully comply with all such additions or modifications reasonably designated as applicable to then-existing System Locations similarly situated.
- o) **Reasonable Business Judgment Definition.** Brightway agrees to use Reasonable Business Judgment in the exercise of its rights, obligations and discretion under this Agreement, except where otherwise indicated in this Agreement. "**Reasonable Business Judgment**" shall mean that Brightway's determination shall prevail even in cases where other alternatives are also reasonable so long as Brightway is intending to benefit or is acting in a way that could benefit the Brightway System by enhancing the value of the Licensed Marks, promoting Brightway System uniformity, increasing customer satisfaction, maintaining positive relationships with Contracted Companies or other suppliers, or minimizing possible brand or location confusion. Brightway shall not be required to consider Franchisee's particular economic or other circumstances when exercising its Reasonable Business Judgment. At no time is Franchisee or any third party (including, but not limited to any third party acting as a trier of fact) entitled to substitute Franchisee's or its judgment for a judgment that has been made by or on behalf of Brightway and that meets the definition of Reasonable Business Judgment, in recognition of the fact that the long-term goals of a franchise system, and the long-term interests of both Brightway and all Brightway System franchisees, taken together, require that Brightway have the latitude to exercise Reasonable Business Judgment.

- p) **Terms May be Plural, Singular, Male, Female or Gender Neutral.** Reference to terms defined herein shall include the plural or singular forms of such terms and the male, female, or neutral gender thereof, as appropriate.
- q) **Terms that Refer to the Entire Agreement.** The use of the words “herein,” “thereof,” “hereof,” “hereinafter,” “hereinabove” and other words of similar import shall be deemed to refer to this Agreement as a whole and not to a specific section, subsection or paragraph thereof.
- r) **Brightway May Be Assisted by Others in Fulfilling this Agreement.** In rendering the services it is to provide to Franchisee hereunder, Brightway shall have the right, at its sole discretion, to be assisted by third parties, and, accordingly, some or all of the services which Brightway undertakes to provide under this Agreement may be delegated to or provided by such third parties.

IN WITNESS WHEREOF, the parties hereto, intending to be legally bound, have duly executed and delivered this Agreement the date and year first written above.

Exhibit 4: Site Selection Addendum

Site Selection Addendum

Brightway Insurance, LLC ("Brightway") and _____ ("Franchisee"), have entered into a franchise agreement (the "Franchise Agreement") dated _____ and desire to supplement its terms regarding the parties' site selection obligations thereunder, as set forth below. The parties therefore agree as follows:

1. Within six (6) months after the effective date of the Franchise Agreement, Franchisee must obtain a site, at Franchisee's expense, and thereafter open the business franchised under the Franchise Agreement at such site (the "Brightway Location"), which Brightway will approve as hereinafter provided.

(a) If Franchisee purchased the right to operate a Retail Agency, Franchisee must operate the Retail Agency from a retail office space ("Retail Space"). Brightway shall, in its sole discretion, determine and notify Franchisee whether a proposed location meets Brightway's then-current minimum requirements for a Retail Space.

(b) If Franchisee purchased the right to operate an Office Agency, Franchisee must operate the Office Agency from a professional office space ("Professional Space"). Brightway shall, in its sole discretion, determine and notify Franchisee whether a proposed location meets Brightway's then-current minimum requirements for a Retail Space.

2. Except as set forth in this Section 2, Franchisee's failure to obtain any site for the Brightway Location and open the Brightway Location within the time period required in Paragraph 1 will constitute a default under the Franchise Agreement (as set forth therein) and this Site Selection Addendum. Time is of the essence.

3. Prior to Franchisee's acquisition by lease or purchase of any Professional Space or Retail Space for the Brightway Location, Franchisee must submit to Brightway, in the form Brightway specifies, a completed site review form, such other information or materials as Brightway may reasonably require, and a letter of intent or other evidence satisfactory to Brightway which confirms Franchisee's favorable prospects for obtaining the proposed site. Recognizing that time is of the essence, Franchisee must submit a proposed site, together with the information and materials required by this Paragraph 3, to Brightway for Brightway's approval within ninety (90) days after execution of this Site Selection Addendum. Brightway will have twenty-one (21) days after receipt of such information and materials from Franchisee to conduct an evaluation of the site to determine whether it can be conformed to Brightway's then-current Office Specifications. Brightway will notify Franchisee of its approval or disapproval of the proposed site within the twenty-one (21) day period. Approval will be granted by Brightway at its sole discretion. No proposed site will be deemed approved unless Brightway has expressly approved it in writing.

4. Brightway will furnish to Franchisee such site selection guidelines, Office Specifications and consultation as Brightway deems advisable as part of Brightway's evaluation of Franchisee's request for site approval.

5. If Franchisee will be occupying the Brightway Location's Premises under a lease, Franchisee must, prior to the execution of the lease, submit the lease to Brightway for Brightway's written approval. Brightway's approval of the lease for a Retail Agency will be conditioned upon Franchisee's execution of a Collateral Assignment of Lease in the form Brightway prescribes (see **Exhibit M** to the Franchise Disclosure Document) and the inclusion of the following terms and conditions:

(a) That the lessor consents to Franchisee's use of such Licensed Marks and initial signage as Brightway may prescribe for the Brightway Location;

(b) That the entire Premises may only be used for the operation of the Brightway Location pursuant to Brightway's standards and specifications (unless Franchisee is operating as an "Office Agent");

(c) That Franchisee be prohibited from subleasing or assigning all or any part of Franchisee's occupancy rights without Brightway's prior written consent;

(d) That Franchisee provide to Brightway copies of any and all notices of default given to Franchisee under the lease;

(e) That Brightway has the right to enter the Premises to make modifications necessary to protect the Licensed Marks or the Brightway System or to cure any default under the Franchise Agreement or under the lease; and

(f) That Brightway (or Brightway's designee) has the option, upon default, expiration, or termination of the Franchise Agreement or lease, and upon notice to the Franchisee, to assume all of Franchisee's rights under the lease terms, including the right to assign or sublease.

6. Franchisee must furnish Brightway with a copy of any executed lease within five (5) days after execution thereof.

7. After Brightway has approved a site for the Brightway Location in writing and Franchisee has acquired the site pursuant to the terms of the Franchise Agreement and this Site Selection Addendum, the site will constitute the Premises referenced in the Franchise Agreement and described in **Exhibit 2** to the Franchise Agreement.

8. Franchisee hereby acknowledges and agrees that Brightway's approval of a site does not constitute an assurance, representation or warranty of any kind, express or implied, as to the suitability of the site for the Brightway Location or for any other purpose. Brightway's approval of the site indicates only that Brightway believes the site complies with acceptable minimum criteria established by Brightway solely for Brightway's purposes as of the time of the evaluation. Both parties to this Site Selection Addendum acknowledge the application of criteria that have been effective with respect to other sites and premises may not be predictive of potential for all sites and that, subsequent to Brightway's approval of a site, demographic and/or economic factors, such as competition from other similar businesses, included in or excluded from Brightway's criteria could change thereby altering the potential of a site. Such factors are unpredictable and are beyond Brightway's control. Brightway will not be responsible for the failure of a site approved by Brightway to meet Franchisee's expectations as to revenue or operational criteria. Franchisee further acknowledges and agrees that Franchisee's selection of the site for its Brightway Location is based on Franchisee's own independent investigation of the suitability of the site.

9. This Site Selection Addendum constitutes an integral part of the Franchise Agreement between the parties hereto, and terms of this Site Selection Addendum will be controlling with respect to the subject matter hereof. Except as modified or supplemented by this Site Selection Addendum, the terms of the Franchise Agreement are hereby ratified and confirmed.

IN WITNESS WHEREOF, and intending to be legally bound, the parties hereto have duly executed this Site Selection Addendum.

Pursuant to a Franchise Agreement dated _____ (the “Franchise Agreement”), Franchisee has acquired the right and franchise from Brightway Insurance, LLC (“Brightway”) to establish and operate a Brightway insurance agency (the “Agency Business”) and the right to use in the operation of the Agency Business Brightway’s trade names, service marks, trademarks, logos, emblems, and indicia of origin (the “Licensed Marks”), as they may be changed, improved and further developed from time to time in Brightway’s sole discretion, only at the following authorized and approved location once established (the “Premises”).

2. Brightway, as the result of the expenditure of time, skill, effort and resources has developed and owns a distinctive format and system (the “Brightway System”) relating to the establishment and operation of Agency Business, in the business of selling, servicing and delivering property and casualty insurance policies to clients. Brightway possesses certain proprietary and confidential information relating to the operation of the System, which includes certain proprietary trade secrets, methods, techniques, formats, specifications, systems, procedures, methods of business practices and management, sales and promotional techniques and knowledge of, and experience in, the operation of the Agency Business (the “Confidential Information”). I acknowledge that certain information regarding customers, including (i) lists of Client Accounts, including current customer and prospective customer names and addresses; (ii) information about credit extensions to customers; (iii) customer service purchasing histories; and (iv) rates charged to customers (subsections (i)-(iv) collectively “Customer Lists”) also constitute Brightway’s trade secrets and Confidential Information.

3. Any and all information, knowledge, know-how, and techniques which Brightway specifically designates as confidential shall be deemed to be Confidential Information for purposes of this Agreement.

4. As the spouse of Owner, Brightway, Franchisee or Owner may disclose Brightway’s trade secrets and Confidential Information to me during the term of the Franchise Agreement.

5. I will not acquire any interest in the Confidential Information, and I acknowledge that any duplication of the Confidential Information for any use outside the System would constitute an unfair method of competition.

6. The Confidential Information is proprietary, involves trade secrets of Brightway, and is disclosed to me solely on the condition that I agree, and I do hereby agree, that I shall hold in strict confidence all Confidential Information and all other information designated by Brightway as confidential. This agreement to not disclose any of Brightway’s Confidential Information will continue to stay in full force and effect after the date of termination, expiration, or nonrenewal of the Franchise Agreement, or the separation or termination of my marriage to Owner, unless I can demonstrate that such information has become generally known or easily accessible other than by the breach of an obligation of Franchisee or Owner under the Franchise Agreement. For the remainder of this agreement, the earlier of (1) the date of termination, expiration, or nonrenewal of the Franchise Agreement, or (2) the date of separation or termination of my marriage to Owner, will be referred to

as the "Termination Date". Further, I will not solicit Brightway or Brightway System Agency prospects, customers, employees or clients for a period of two (2) years after termination of their employment with Franchisee.

7. Except as otherwise approved in writing by Brightway, I shall not, during the term of the Franchise Agreement, engage, directly or indirectly, as an owner, operator, employee, producer, agent, manager, consultant, broker, or otherwise have any interest in any insurance-related business other than as an authorized owner of a Brightway System Agency; and I covenant, for a period of two (2) years following the Termination Date, not to engage, directly or indirectly, as an owner, operator, employee, producer, agent, manager, consultant, broker, or otherwise have any interest in:

7.1 in any business that is competing in whole or in part with Brightway by granting franchises or licenses to operate insurance agencies; or

7.2 in any insurance-related business at or within a twenty (20)-mile radius of the former Premises or any other Franchisee-owned or company-owned Brightway Agency that is in operation at the time this Agreement is terminated, expires, or is not renewed, other than as an authorized owner of another Brightway System Agency.

8. I agree that I will not knowingly, up until the Termination Date and for a two (2) year period thereafter: (i) directly or indirectly solicit for employment, for Franchisee or for another, any of the employees of Brightway or any Brightway System Agency employed at the Termination Date or within ninety (90) days preceding such Termination Date; or (ii) directly or indirectly solicit a prospect, customer or client, or accept an order from a prospect, customer or client (1) of Brightway or any Brightway System Agency as of the Termination Date, or (2) to whom Brightway or any Brightway System Agency, as of such Termination Date, has submitted a bid or quotation, or (3) that has previously been a customer or client of Brightway or any Brightway System Agency at any time during the twenty-four (24) months immediately preceding such Termination Date.

9. I agree that each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Agreement is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an unappealed final decision to which Brightway is a party, I expressly agree to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Agreement.

10. I understand and acknowledge that Brightway shall have the right, in its sole discretion, to reduce the scope of any covenant set forth in this Agreement, or any portion thereof, without my consent, effective immediately upon receipt by me of written notice thereof; and I agree to comply forthwith with any covenant as so modified.

11. Brightway is a third-party beneficiary of this Agreement and may enforce it, solely and/or jointly with the Franchisee. I am aware that my violation of this Agreement will cause Brightway and the Franchisee irreparable harm; therefore, I acknowledge and agree that the Franchisee and/or Brightway may apply for the issuance of an injunction preventing me from violating this Agreement, and I agree to pay the Franchisee and Brightway all the costs it/they incur(s), including, without limitation, legal fees and expenses, if this Agreement is enforced against me. Due to the importance of this Agreement to the Franchisee and Brightway, any claim I have against the Franchisee or Brightway is a separate matter and does not entitle me to violate, or justify any violation of this Agreement.

12. This Agreement shall be construed under the laws of the State of Florida. The only way this Agreement can be changed is in writing signed by both the Franchisee and Brightway.

Capitalized terms not defined herein shall have the meanings set forth in the Franchise Agreement.

2. **Termination of Franchise Agreement.** Subject to the terms and conditions of the Franchise Agreement, the Franchise Agreement, Personal Guaranty, and all in-term rights and obligations arising from or related to the Franchise Agreement and Personal Guaranty, respectively, are hereby terminated, effective as of the date of this Agreement. Notwithstanding the foregoing, the parties acknowledge and agree that those provisions of the Franchise Agreement and Personal Guaranty, which by their terms or by their nature are intended to survive the termination of such agreement, shall remain in full force and effect as provided in the Franchise Agreement and Personal Guaranty and shall not be affected by this Agreement (including, but not limited to the post-term obligations set forth in Section 16 of the Franchise Agreement, as well as Franchisee’s and Guarantor’s post-termination covenants and obligations relating to confidential information, non-competition, and indemnification).

3. **Acknowledgment Regarding E&O Coverage.** Franchisee and Guarantor expressly acknowledge that Brightway has required that Franchisee and Guarantor obtain a three-year errors & omissions tail policy for the Brightway Location, and that Brightway provided Franchisee and Guarantor with the information and opportunity to obtain such a policy. Specifically excepted from this release are any and all claims asserted against Brightway or any of its present and former officers, employees, shareholders, directors, agents, servants, representatives, affiliates, successors or assigns (the "Indemnified Parties") by any third party, which claims arise out of or relate to the Franchise Agreement, Personal Guaranty, or Franchisee's or Guarantor's ownership or operation of the Brightway Location. Franchisee and Guarantor agree to indemnify and hold the Indemnified Parties harmless from any and all losses, damages, liabilities, claims, costs, expenses, or judgments, including reasonable attorneys' fees, incurred in connection with such claims.

6. **Confidentiality.** Franchisee and Guarantor shall not reveal or disclose (or permit others to reveal or disclose) the existence of this Agreement, or the terms hereof, to any other person, firm, corporation, company, or entity now or at any time in the future unless Brightway consents to such disclosure in writing; provided, however, that Franchisee or Guarantor may disclose the terms of this Agreement to their auditors, accountants, tax advisors and/or legal counsel only to the extent required for professional advice from those sources.

(a) Franchisee and Guarantor agree that they will not make any false, misleading, disparaging or uncomplimentary statements or remarks about Brightway, or any of Brightway's respective officers, directors, shareholders, employees or affiliated entities or persons, with the intent to harm the status, reputation, goodwill or business of such entities or persons.

(b) Franchisee and Guarantor agree that they will not at any time, directly or indirectly, interfere or attempt to interfere with or disrupt the business relationship between Brightway and Brightway's shareholders, franchisees, carriers, clients, customers or accounts, prospective clients or customers, or persons using the services of Brightway or doing business with Brightway, with such prohibited behavior to include, but not be limited to, using Brightway's internal data in a damaging or derogatory manner that would potentially damage Brightway's relationship with its shareholders, franchisees, carriers, clients, customers or accounts.

8. **Severability.** In case any covenant, condition, term or provision contained in this Agreement shall be held to be invalid, illegal, or unenforceable in any respect, in whole or in part, by judgment, order or decree of any court or other judicial tribunal of competent jurisdiction, the validity of the remaining covenants, conditions, terms and provisions contained in this Agreement, and the validity of the remaining part of any term or provision held to be partially invalid, illegal or unenforceable, shall in no way be affected, prejudiced, or disturbed thereby.

9. **Waiver or Modification.** No waiver or modification of this Agreement or of any covenant, condition or limitation herein contained shall be valid unless in writing and duly executed by the party to be charged therewith. Furthermore, no evidence of any waiver or modification shall be offered or received in evidence in any proceeding or litigation between the parties arising out of or affecting this Agreement, or the rights or obligations of any party hereunder, unless such waiver or modification is in writing and duly executed as aforesaid. The provisions of this Section may not be waived except as herein set forth.

10. **Entire Agreement.** This Agreement, the Franchise Agreement, and the Personal Guaranty constitute the entire agreement of the parties hereto with respect to the subject matter of this Agreement and supersede any and all previous agreements between the parties, whether written or oral, with respect to such subject matter.

11. **Applicable Law, Binding Effect and Venue.** This Agreement shall be construed and regulated under and by the laws of the State of Florida and shall inure to the benefit of and be binding upon the parties hereto and their heirs, personal representatives, successors and assigns. Venue for any action related to or arising out of this Agreement shall be in the state or federal court in or nearest to Duval County, Florida.

12. **Attorneys' Fees.** In the event any litigation or controversy arises out of or in connection with this Agreement between the parties hereto, the prevailing party shall be entitled to recover from the other party or parties all reasonable attorneys' and paralegals' fees, expenses and suit costs, including those associated with any appellate or post-judgment collection proceedings.

13. **Further Assurances.** Each of the parties hereto agree that they shall sign such additional and supplemental documents as may be necessary to implement the transactions contemplated pursuant to this Agreement when requested to do so by any party to this Agreement.

14. **Multiple Copies or Counterparts of Agreement; E-Signature.** The original and one or more copies of this Agreement may be executed by one or more of the parties hereto. In such event, all of such executed copies shall have the same force and effect as the executed original and all of such counterparts taken together shall have the effect of a fully executed original. An electronically-signed copy of this Agreement delivered by email or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

IN WITNESS WHEREOF, the parties hereto, intending to be legally bound hereby, have duly executed and delivered this Agreement the date and year first written above.

[OR – THIS PROMISSORY NOTE WAS MADE, EXECUTED, DELIVERED AND ACCEPTED OUTSIDE THE STATE OF FLORIDA AND ACCORDINGLY NO FLORIDA DOCUMENTARY STAMP TAXES ARE DUE AND OWING IN CONNECTION THEREWITH]

This Note is also executed and delivered in connection with that certain Franchise Agreement by and among Maker and Payee dated as of the same date of this Note (the “Franchise Agreement”) and is subject to the terms and conditions thereof.

The occurrence of any one or more of the following events shall constitute an “Event of Default” under this Note:

(a) The failure by Maker to pay, when due, any principal or other monetary amounts due under this Note, the Franchise Agreement or any other franchise or other agreement between Payee and Maker or Maker’s affiliates; or

(b) The failure of Maker to perform or observe, in a prompt and timely manner, any obligation, term, provision, covenant or agreement contained in this Note, the Franchise Agreement or any other franchise or other agreement between Payee and Maker or Maker’s affiliates.

Upon the occurrence of an Event of Default, all of the then-outstanding balance of the Principal Amount and any accrued late fees shall, at the option of Payee, then become due and payable immediately without presentment, demand or notice of any kind. Failure to exercise this option shall not constitute a waiver of the right to exercise the same in the event of any subsequent Event of Default.

Upon the occurrence of an Event of Default, Payee shall also be entitled to set off any amounts Maker owes to Payee under the terms of this Note against any amounts Payee owes to Maker or its affiliates under the Franchise Agreement (or any other franchise or other agreement between Payee and Maker or its affiliates).

No act of omission or commission of Payee, including specifically any failure to exercise any right, remedy or recourse, shall be a waiver of any right, remedy or recourse unless in a writing executed by Payee, and then only to the extent specifically recited therein. A waiver or release with reference to one event shall not be construed as continuing, as a bar to, or as a waiver or release of any subsequent right, remedy or recourse as to any subsequent event.

Time is of the essence in this Note. In the event of any default hereunder, Maker further agrees that Maker shall pay all costs of collection and enforcement of this Note, including all costs, expenses and attorneys’ fees for any hearing, trial, retrial, rehearing or appeals.

This Note may not be changed, altered, modified, or terminated orally, but only by an agreement or discharge in writing signed or delivered by Payee, including without limitation any replacement Schedule I delivered by Payee to Maker pursuant to the terms of this Note.

Maker hereby waives presentment, protest and notice of dishonor and further agrees to all extensions and renewals of this Note as Payee may, in its discretion, grant, and does further waive the right to receive any and all other notices as may be required under applicable law.

The persons executing this Note on behalf of entities acknowledge their authority to do so. Maker represents and warrants that no third-party consent is required for delivery or execution of this Note.

Maker's obligations hereunder shall not be assigned by Maker without the consent of Payee. This Note shall bind Maker and its permitted successors and assigns. If this Note is transferred by Payee, a new note of like tenor, date and maturity shall be issued to the transferee upon the surrender hereof for cancellation.

This Note shall be subject to and governed by the laws of the State of Florida, without regard to such state's choice of law provisions. Maker hereby irrevocably consents to the jurisdiction and venue of the courts in Duval County, Florida and of any federal court located in the Middle District of Florida in connection with any action or proceeding arising out of or relating to this Note or a default of this Note.

If any provision of this Note is deemed illegal under any state or federal law, then such provision shall not be considered part of this Note and the remainder of this note shall not be affected.

Maker hereby waives any right to a trial by jury in any civil action arising out of, or based upon, this Note.

In consideration of Payee entering into this Note, Maker, for itself and all persons and entities claiming by, through, or under it, releases, acquits and forever discharges Payee and its present and former officers, employees, shareholders, directors, agents, servants, representatives, affiliates, successors, and assigns (the "Payee Releasees") from all obligations, claims, debts, demands, covenants, contracts, promises, agreements, liabilities, costs, attorneys' fees, actions or causes of action whatsoever, whether known or unknown, which Maker, by itself, on behalf of, or in conjunction with any other person, persons, or entity, have, had or claim to have against the Payee Releasees arising out of or related to the offer or sale of the Franchise Agreement, and the operation of any franchised Brightway Insurance location owned by Maker or its affiliates.

TO SECURE PAYMENT, MAKER IRREVOCABLY AUTHORIZES ANY ATTORNEY OF ANY COURT OF RECORD TO APPEAR FOR MAKER IN SUCH COURT AT ANY TIME AFTER THE PAYMENT DEADLINE AND CONFESS A JUDGMENT WITHOUT PROCESS IN FAVOR OF PAYEE FOR SUCH AMOUNT AS MAY APPEAR TO BE UNPAID, TOGETHER WITH THE COSTS AND REASONABLE ATTORNEYS' FEES AMOUNTING TO THE GREATER OF TWO THOUSAND DOLLARS (\$2,000) OR TEN PERCENT (10%) OF THE UNPAID BALANCE THEN DUE UNDER THIS NOTE. MAKER WAIVES AND RELEASES PAYEE FROM ALL ERRORS IN SUCH PROCEEDINGS, AND CONSENTS TO THE IMMEDIATE EXECUTION UPON ANY SUCH JUDGMENT, AND RATIFIES AND CONFIRMS ALL THAT THE ATTORNEY MAY DO BY VIRTUE OF SUCH JUDGMENT. MAKER WAIVES AND RELEASES, TO THE EXTENT PERMITTED BY LAW, ALL BENEFIT AND RELIEF FROM ANY AND ALL APPRAISEMENT, STAY, OR EXEMPTION LAWS OF ANY STATE, NOW AND IN THE FUTURE ENACTED. PAYEE'S RIGHT TO ENTER JUDGMENT BY CONFESSION SHALL NOT BE EXHAUSTED BY THE ENTRY OF SUCH JUDGMENT, AND PAYEE SHALL HAVE THE RIGHT TO ENTER SUCCESSIVE JUDGMENTS PURSUANT TO THIS NOTE.

The undersigned hereby consent and agree that: (i) the undersigned may be sued by the holder of the Note with or without joining the Maker of the Note, and without first or contemporaneously suing the Maker or otherwise seeking or proceeding to collect from the Maker; and (ii) the payment of the Note, or any of the liabilities of the Maker thereof, may be extended or the Note renewed any number of times and for any period without notice.

If any part of this Guaranty shall be adjudged invalid or not enforceable, then such partial invalidity or unenforceability shall not cause the remainder of this Guaranty to be or to become invalid or unenforceable, and if a provision hereof is held invalid or unenforceable in one or more of its applications, the parties hereto agree that said provisions shall remain in effect in all valid or enforceable applications that are severable from the invalid or unenforceable applications.

None of the terms and provisions of this Guaranty shall be waived, altered or amended except by a writing, duly signed by an appropriate representative of the holder of the Note and by the undersigned. Neither the franchisor nor any person in Item 2 of the Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such person from membership in that association or exchange.
2. The California Franchise Investment Law requires that a copy of all proposed agreements relating to the sale of the franchise be delivered together with the Disclosure Document.

4. The following paragraphs are added at the end of Item 17 of the Disclosure Document:

A. Termination and Non-Renewal:

California Business and Professional Code Sections 20000 through 20043 provide rights to franchisees concerning termination or non-renewal of a franchise. If the Franchise Agreement contains any provision that is inconsistent with the law, the law, as amended from time to time, will control.

B. Post Termination Non-Competition Covenants:

Any non-competition and non-solicitation agreement containing a covenant not to compete that extends beyond the termination/expiration of the franchise may not be enforceable under California law.

MICHIGAN ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT

NOTICE TO PROSPECTIVE FRANCHISEES IN THE STATE OF MICHIGAN

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES FOUND IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

(A) A prohibition on the right of a franchisee to join an association of franchisees.

(B) A requirement that a franchisee assent to release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a Franchise Agreement, from settling any and all claims.

(C) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the Franchise Agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

(D) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures and furnishings not reasonably required in the conduct of the franchise business are subject to compensation. This subsection applies only if: (1) the term of the franchise is less than 5 years and (2) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise, or the franchisee does not receive at least 6 months advance notice of the franchisor's intent not to renew the franchise.

(E) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

(F) A provision requiring that mediation or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of mediation, to conduct mediation at a location outside this state.

(G) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(1) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.

(2) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(3) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(4) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the Franchise Agreement existing at the time of the proposed transfer.

(H) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provision of the Franchise Agreement and has failed to cure the breach in the manner provided in subdivision (C).

(I) a provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

Except as provided herein, neither we, our predecessor, nor any person identified in Item 2 or an affiliate offering franchises under our principal trademark has been convicted of a felony or pleaded *nolo contendere* to a felony charge or, within the 10 year period immediately preceding the application for registration, has been convicted of or pleaded *nolo contendere* to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud or securities law; fraud, embezzlement, fraudulent conversion or misappropriation of property, or unfair or deceptive practices or comparable allegations.

Except as provided herein, neither we, our predecessor, any person identified in Item 2 or an affiliate offering franchises under our principal trademark is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a federal, state or Canadian franchise, securities, antitrust, trade regulation or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

4. Item 5 shall be supplemented by the following:

The initial franchise fee constitutes part of our general operating funds and will be used as such in our discretion.

5. The following is added to the end of the “Summary” sections of Item 17(c), titled “Requirements for franchisee to renew or extend,” and Item 17(m), entitled “Conditions for franchisor approval of transfer”:

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687.4 and 687.5 be satisfied.

NORTH DAKOTA ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT

For franchises and Agency Owners subject to the North Dakota Franchise Investment Law, the following information supersedes on supplements, as the case maybe, the corresponding disclosures in the main body of the text of the Brightway Insurance, LLC Franchise Disclosure Document.

1. Item 17 is amended by the addition of the following language to the original language that appears therein:
 - (a) Covenants not to compete upon termination or expiration of a Franchise Agreement are generally unenforceable in North Dakota, except in certain instances as provided by law.
 - (b) Any provision in the Franchise Agreement which designates jurisdiction or venue or requires the Agency Owner to agree to jurisdiction or venue in a forum outside of North Dakota is void with respect to any cause of action which is otherwise enforceable in North Dakota. As such, each provision providing that the jurisdiction or venue is outside of North Dakota is deleted.
 - (c) Any provision in the Franchise Agreement which requires an Agency Owner to waive his or her right to a jury trial has been determined to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law.
 - (d) Any provision requiring an Agency Owner to sign a general release upon renewal of the Franchise Agreement has been determined to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law.
 - (e) Any provision in the Franchise Agreement requiring an Agency Owner to agree to the mediation of disputes at a location that is remote from the site of the Agency Owner's business has been determined to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. Accordingly, the site of mediation or litigation will be agreeable to all parties and may not be remote from Agency Owner's place of business.
 - (f) Apart from civil liability as set forth in Section 51-19-12 of the N.D.C.C., which is limited to violations of the North Dakota Franchise Investment Law (registration and fraud), the liability of the franchisor to an Agency Owner is based largely on contract law. Despite the fact that those provisions are not contained in the franchise investment law, those provisions contain substantive rights intended to be afforded to North Dakota residents and it is unfair to franchise investors to require them to waive their rights under North Dakota Law. As such, any provision in the Franchise Agreement that requires Agency Owner to waive those substantive rights shall be void.

- (g) Any provision in the Franchise Agreement requiring that the Franchise Agreement be construed according to the laws of a state other than North Dakota are unfair, unjust or inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. As such, the Franchise Agreement shall be governed by North Dakota law.
- (h) Any provision in the Franchise Agreement requiring an Agency Owner to consent to termination or liquidated damages is unfair, unjust or inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law.
- (i) Any provision in the Franchise Agreement requiring an Agency Owner to consent to a waiver of exemplary and punitive damages is unfair, unjust or inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law.

2. The Rhode Island Franchise Investment Act requires a franchisor to deliver a copy of a disclosure document reflecting all material changes together with a copy of all proposed agreements relating to the sale of the franchise at the earlier of: (i) the prospective Agency Owner’s first personal business meeting with the franchisor which is held for the purpose of discussing the sale or possible sale of the franchise, or (ii) ten business days prior to the execution of an agreement or payment of any consideration relating to the franchise relationship.

An acknowledgment provision, disclaimer or integration clause or a provision having a similar effect in the Franchise Agreement does not negate or act to remove from judicial review any statement, misrepresentations or action that would violate this Act or a rule or order under this Act. SOUTH DAKOTA ADDENDUM TO THE FRANCHISE AGREEMENT

ALL FRANCHISE AGREEMENTS EXECUTED IN AND OPERATIVE WITHIN THE STATE OF SOUTH DAKOTA ARE HEREBY AMENDED AS FOLLOWS:

Neither Brightway Insurance, LLC nor any person identified in Item 2 has any material arbitration proceeding pending, or has during the 10-year period immediately preceding the date of this Disclosure Document been a party to concluded material arbitration proceedings.

Although the Franchise Agreement requires all mediation/litigation proceedings to be held nearest to Brightway's principal place of business, the site of any mediation/litigation initiated pursuant to the Franchise Agreement will be at a site mutually agreed upon by you and us.

We may not terminate the Franchise Agreement for a breach, for failure to meet performance and quality standards and/or for failure to make royalty payments unless you receive thirty (30) days prior written notice from us and you are provided with an opportunity to cure the defaults. Covenants not to compete upon termination or expiration of the Franchise Agreement are generally unenforceable in the State of South Dakota.

The laws of the State of South Dakota will govern matters pertaining to franchise registration, employment, covenants not to compete, and other matters of local concern; but as to contractual and all other matters, the Franchise Agreement will be subject to the applications, construction, enforcement and interpretation under the governing law of Florida.

Any provision in the Franchise Agreement restricting jurisdiction or venue to a forum outside of the State of South Dakota or requiring the application of the laws of another state is void with respect to a claim otherwise enforceable under the South Dakota Franchise Act.

Any provision that provides that the parties waive their right to claim punitive, exemplary, incidental, indirect, special or consequential damages may not be enforceable under South Dakota law.

VIRGINIA ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT

In recognition of the restrictions contained in Section 13.1-564 of the Virginia Retail Franchising Act, the Franchise Disclosure Document for Brightway Insurance, LLC for use in the Commonwealth of Virginia shall be amended as follows:

Additional Disclosure: The following statements are added to Item 17:

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any ground for default or termination stated in the Franchise Agreement does not constitute “reasonable cause,” as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

BRIGHTWAY INSURANCE, LLC
WASHINGTON ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT, FRANCHISE AGREEMENT,
AND RELATED AGREEMENTS

ALL ABOVE-CAPTIONED AGREEMENTS EXECUTED IN AND OPERATIVE WITHIN THE STATE OF WASHINGTON ARE HEREBY AMENDED AS FOLLOWS:

1. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.
2. RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.
3. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
5. Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
6. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.
7. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

8. A surety bond in the amount of \$100,000 has been obtained by the Franchisor. The Washington Securities Division has made the issuance of the franchisor's permit contingent upon the Franchisor maintaining surety bond coverage acceptable to the Administrator until (a) all Washington Franchisees have (i) received all initial training that they are entitled to under the franchise agreement or offering circular, and (ii) are open for business; or (b) the Administrator issues written authorization to the contrary.

The undersigned hereby acknowledge and agree that this addendum is hereby made part of and incorporated into the foregoing Franchise Agreement.

(a) No Disclosure of Confidential Information or Trade Secrets. DAP shall protect and guard, and not use for his/her own benefit or the benefit of anyone other than Agency Owner, or disclose, use, disseminate, copy, reproduce, make derivative works of, publish, communicate, reveal or divulge, directly or indirectly, any Confidential Information or Trade Secrets to any person or entity at any time or in any manner without the prior written consent of Agency Owner, except as required in the course of employment with Agency Owner for the benefit of Agency Owner or to the Franchisor for the benefit of the Franchisor. DAP shall maintain Confidential Information and Trade

Secrets in accordance with all instructions and policies of Agency Owner and the Franchisor and, in any event, not less than with the same degree of care that DAP uses with respect to his/her own private personal and confidential information, and DAP will limit the disclosure of Confidential Information and Trade Secrets on a need-to-know basis to persons and entities who have signed an agreement of nondisclosure or confidentiality and for whom DAP has been granted permission by Agency Owner or the Franchisor in the course of performing duties as an DAP of Agency Owner.

(b) Use or Disclosure. DAP shall not, while employed by Agency Owner and at any time thereafter, for any reason whatsoever, without the written consent of Agency Owner or if applicable the Franchisor, directly or indirectly, engage in, represent in any way, be connected with, furnish consulting services to, be employed by, or have any interest, whether as owner, employee, principal, partner, servant, agent, employee, representative, independent contractor, member, distributor, consultant, officer, director, shareholder, or otherwise, whether or not for compensation, in any business which through the faithful performance of his/her duties thereof could reasonably be anticipated to lead to the use or disclosure of Agency Owner's Confidential Information or Trade Secrets.

(c) Ownership and Return of Agency Owner's Property Upon End of the Employment Relationship. (i) DAP acknowledges and confirms that all Confidential Information and Trade Secrets which are conceived, developed, or made by DAP in the course of DAP's employment with Agency Owner, or disclosed to or otherwise acquired by DAP in the course of DAP's employment with Agency Owner, or are otherwise within DAP's possession, custody or control but belong to Agency Owner, shall remain the sole and exclusive property of Agency Owner; (ii) that DAP shall not retain, copy or otherwise appropriate any of such Confidential Information or Trade Secrets for DAP's own use or the use or purposes of any third party, without the prior written consent of Agency Owner or written permission of an officer of Franchisor as the case may be; (iii) that, upon the end of DAP's employment relationship with Agency Owner, for any reason whatsoever, DAP shall promptly return all such Confidential Information and Trade Secrets, including all copies or multiple versions thereof (regardless of the form or medium contained or stored in (including hard copy, electronic or digital form), to Agency Owner according to clause (iv) of this Subsection 2(c) and, in the case of intangible information, shall continue to hold them as the confidential property of Agency Owner or the Franchisor and not disclose them, directly or indirectly, or use them for any purpose, without the prior written consent of Agency Owner or written permission of an officer of Franchisor; and (iv) at any time upon Agency Owner's request or Franchisor's request and at any time DAP's employment with Agency Owner is terminated for any reason, whether voluntarily or involuntarily, DAP shall within 48 hours of request or termination, and without requiring the written demand or request by the Agency Owner or Franchisor:

1) Inform Agency Owner of and deliver to Agency Owner all records, files, electronic data, documents, plans, reports, books, notebooks, notes, memoranda, correspondence, contracts and the like in DAP's possession, custody or control that contain any Trade Secrets or Confidential Information which DAP prepared, used, or came in contact with while employed by Agency Owner; and

2) Inform Agency Owner of and deliver to Agency Owner all records, files, electronic data, documents, plans, reports, books, notebooks, notes, memoranda, correspondence, contracts and the like in DAP's possession, custody or control that pertain in any way to the business of Agency Owner and which DAP prepared, used, or came in contact with while employed by Agency Owner; and

3) Deliver to Agency Owner all tangible property in DAP's possession, custody or control belonging to Agency Owner or Franchisor, including, but not limited to, key cards, office keys, cell phone, pagers, personal digital assistants, external hard drives, thumb drives, zip drives, lap top computers, desk top computers, printers, fax machines, loaners, Agency Owner vehicles and all other property; and

4) Delete permanently from any electronic media in DAP's possession, custody, or control (such as computers, cell phones, hand-held devices, back-up devices, zip drives, PDAs, etc.) or to which DAP has access (such as remote e-mail exchange servers, back-up servers, off-site storage, etc.), all Agency Owner documents or electronically stored images, including writings, drawings, graphs, charts, sound recordings, images, and other data or data compilations stored in any medium from which such information can be obtained including, but not limited to, customer and supplier data (including, but not limited to, names, addresses, email addresses, office/home/mobile phone numbers); and

5) Deliver to Agency Owner a list of any documents that DAP created or is otherwise aware that are password-protected and the password(s) necessary to access such password-protected documents; and

6) Allow Agency Owner representatives to inspect DAP's Agency Owner issued and/or personal computers, thumb drives, and any other external hard drives to determine whether any of Agency Owner Trade Secrets or Confidential Information reside on said computers or drives and to remove any such Trade Secrets and/or Confidential Information; and

DAP authorizes the Agency Owner to use this Agreement as an authorization that, to the extent permitted by applicable law, it may withhold or deduct from DAP's wages, commissions, severance, or otherwise, to recover the value of Agency Owner property which DAP has returned upon the end of DAP's employment with Agency Owner.

(d) DTSA Notice. DAP acknowledges having been notified that, notwithstanding any obligations in this Agreement, pursuant to Section 7 of the Defend Trade Secrets Act of 2016 ("DTSA"), Agency Owner will not hold DAP criminally or civilly liable under any federal or state trade secret law for the disclosure of Confidential Information or Trade Secrets that is made: (i) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney, and (ii) solely for the purpose of reporting or investigating a suspected violation of law. Agency Owner will also not hold DAP liable for such disclosures made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal. DAP also acknowledges having been notified that individuals who file a lawsuit for retaliation by an employer for reporting a suspected

violation of law may disclose the Confidential Information or Trade Secret to the attorney of the individual and use the Confidential Information or Trade Secret information in the court proceeding, if the individual files any document containing the Confidential Information or Trade Secret under seal and does not disclose the Confidential Information or Trade Secret, except pursuant to court order.

3. Innovations.

(a) DAP shall promptly disclose to Agency Owner in writing all Innovations. DAP shall promptly disclose and deliver to Agency Owner copies of any patent, copyright, industrial design, or other application for registration, letters patent, or extension of protection filed by DAP or any third party on DAP's behalf, during DAP's employment with Agency Owner or within one year after the end of DAP's employment relationship with Agency Owner, for any reason whatsoever, that lists or identifies DAP as an inventor or author or that, pursuant to this Section 3, is owned by or under obligation of assignment to Agency Owner.

(b) DAP shall transfer and assign, and does hereby transfer and assign, to Agency Owner all of DAP's right, title and interest in and to each Innovation covered by this Section 3. All work performed by DAP for Agency Owner shall be considered "work made for hire," and any written or tangible materials conceived or written by DAP shall be done as "work made for hire" as defined and used in the Copyright Act of 1976, 17 U.S.C. §§ 1, et seq. In the event of publication of such materials, DAP understands that since all work is "work made for hire," Agency Owner will retain and own all rights in said materials, including right of copyright and the right to make derivative works from said materials, and it is expressly agreed and understood that title in such work shall at all times be held by Agency Owner. DAP's sole right with respect to such work shall be to receive the payments mutually agreed for the services performed as an employee. DAP expressly waives any and all claims to ownership or permissions, including any rights of attribution or so-called "moral rights," of any work product created in connection with providing services to the Agency Owner or otherwise at the request of Agency Owner. As may be requested by Agency Owner from time to time, DAP agrees to take all steps reasonably necessary to assist Agency Owner in obtaining and enforcing any patent, copyright, or other protection that Agency Owner elects to obtain or enforce, in any country, for any Innovation covered by this Section 3. DAP's obligation to assist Agency Owner in obtaining and enforcing such patents, copyrights, and other protections shall continue beyond the end of DAP's employment relationship with Agency Owner, for any reason whatsoever, but Agency Owner shall compensate DAP at a reasonable rate after the end of DAP's employment relationship with Agency Owner for the time actually spent at Agency Owner's request providing such assistance. DAP shall execute, without additional compensation, any document deemed necessary by Agency Owner to vest in it title or ownership in all Innovations covered by this Section 3. If Agency Owner is unable, after reasonable effort, to secure DAP's signature on any document needed to apply for, prosecute, or enforce any patent, copyright, or other protection in relation to any Innovation, whether because of DAP's physical or mental incapacity or for any other reason whatsoever, DAP hereby irrevocably designates and appoints Agency Owner and its duly authorized officers and agents as DAP's agent and attorney-in-fact, to act for and in DAP's behalf and stead to execute and file any such document and to do all other lawfully permitted acts to further the prosecution and enforcement of patents, copyrights, or other protections with the same legal force and effect as if executed by DAP.

(c) Prior Intellectual Property. Prior to becoming employed by Agency Owner, DAP represents and warrants that: (i) DAP made no inventions and acquired no interest in

inventions that relate in any way to Agency Owner's actual or anticipated business or research and development and that are the subject of issued patents or pending patent applications, or that might become the basis for one or more patent applications, other than those provided to Agency Owner in writing prior to execution of this Agreement, and (ii) DAP made no works and acquired no interest in works that relate in any way to Agency Owner's actual or anticipated business or research and development and that are the subject of existing copyright protection or pending applications for copyright protection, or that might become the basis for one or more applications for copyright protection, other than those provided to Agency Owner in writing prior to execution of this Agreement.

4. Confidential Information or Trade Secrets of Others.

(a) While employed by Agency Owner, DAP shall not improperly use or disclose any confidential information or trade secrets of any former or concurrent employer or other person or entity without the prior written consent of that employer, person or entity. Furthermore, while employed by Agency Owner, DAP shall not bring onto Agency Owner premises any such confidential information or trade secrets of any former or concurrent employer or other person or entity without the prior written consent of that employer, person or entity.

(b) DAP represents and warrants that DAP is not under any obligation to assign or transfer to any third party any rights to any Innovations conceived, developed, or made by DAP, alone or with others.

5. No Solicitation of Customers or Potential Customers. DAP shall not, while employed by Agency Owner and for a period of two years after the end of DAP's employment relationship with Agency Owner, for any reason whatsoever, without the prior written consent of Agency Owner, other than for the account of Agency Owner, directly or indirectly, solicit, attempt to solicit, accept business from, or cause to be solicited any party who during the term of DAP's employment (a) was a customer of Franchisor, Agency Owner or any other Brightway Insurance agency during DAP's employment with Agency Owner, (b) was the recipient of a bid or proposal from Franchisor, Agency Owner, any other Brightway Insurance agency, or their agents, representatives, or employees within 24 months prior to the end of DAP's employment relationship with Agency Owner, or (c) that has previously been a customer or client of Franchisor, Agency Owner or any other Brightway Insurance agency, at any time during the 24 months prior to the end of DAP's employment relationship with Agency Owner.

6. Non-Competition. DAP shall not, while in DAP's position with Agency Owner, engage, directly or indirectly, as an owner, operator, employee, producer, agent, manager, consultant, broker, or otherwise have any interest in any property and casualty insurance and/or life insurance-related business other than as a Designated Agency Principal of Agency Owner; and if DAP is terminated by Agency Owner or otherwise leaves DAP's position with Agency Owner for any reason whatsoever, including but not limited to if the Franchise Agreement between Franchisor and Agency Owner is terminated, expires, or is not renewed, DAP shall not, for a period of two (2) years after such occurrence, engage, directly or indirectly, as an owner, operator, employee, producer, agent, manager, consultant, broker, or otherwise have any interest in: (i) any business that is competing in whole or in part with Franchisor by granting franchises or licenses to operate insurance agencies; or (ii) any business engaged, directly or indirectly, in the sale of property & casualty insurance or life insurance, at or within a twenty (20) mile radius of Agency Owner or any other franchisee-owned or company-owned Brightway

Insurance location that is in operation at such time, other than as an authorized owner of another Brightway Insurance location.

7. No Solicitation of Referral Sources. DAP shall not, while employed by Agency Owner and for a period of two years after the end of DAP's employment relationship with Agency Owner, for any reason whatsoever, without the prior written consent of Agency Owner, other than for the account of Agency Owner, directly or indirectly, solicit, attempt to solicit, accept business from, or cause to be solicited any party who was a referral source to the Agency Owner during DAP's employment with Agency Owner, or was actively solicited by Agency Owner, its agents, representatives, or employees within 12 months prior to the end of DAP's employment relationship with Agency Owner.

8. No Hiring of Employees. DAP shall not, while employed by Agency Owner and for a period of two years after the end of DAP's employment relationship with Agency Owner, for any reason whatsoever, without the prior written consent of Agency Owner, other than for the account of Agency Owner, directly or indirectly: (a) hire or employ any employee or other person associated with Agency Owner on behalf of any individual, corporation or other entity; or (b) induce or attempt to induce any employee or other person associated with Agency Owner to leave the employ of or cease doing business with Agency Owner.

9. No Inducement to Cease Doing Business with Agency Owner. DAP shall not, while employed by Agency Owner and for a period of three years after the end of DAP's employment relationship with Agency Owner, for any reason whatsoever, without the prior written consent of Agency Owner, directly or indirectly, induce or attempt to induce any customer, supplier, insurer, referral source, association, organization, vendor or any other person or entity to cease doing business with Agency Owner.

10. LinkedIn and Social Media.

(a) In connection with any social media accounts associated as an account of Agency Owner, DAP shall, immediately following the termination of employment (e.g., during an exit interview), or at any time upon the request of the Agency Owner, but in no event later than 24 hours from termination of employment, for any reason whatsoever, or the Agency Owner's request, provide Agency Owner with the account information for electronic mail, computer networks or Internet bulletin boards, blogs, or social media, such as Facebook, LinkedIn, Instagram, or Twitter, or any other form of communication, including, but not limited to, user names, login information, password reset information, associated e-mail addresses, and passwords. Furthermore, DAP shall, immediately following the termination of employment, for any reason whatsoever, cease and desist from use of social media accounts associated with Agency Owner including, but not limited to Agency Owner's Facebook, LinkedIn, Instagram, and Twitter accounts.

(b) Immediately following the termination of employment (e.g., during an exit interview) but in no event later than 24 hours following the end of DAP's employment relationship with Agency Owner, for any reason whatsoever, DAP shall: (a) remove any association with (i.e., "unfriend," "unconnect," or "unfollow") each employee, candidate, customer, prospective customer, referral source, or vendor of Agency Owner prior to changing his/her on-line profile and data to reflect that s/he is no longer employed by Agency Owner; and (b) remove any reference to being a current employee of or being currently associated with Agency Owner. Any failure to comply with the terms of

this Section 10, in the order specified, is a material breach of the confidentiality and non-solicitation provisions of this Agreement. The use of Facebook, LinkedIn, Instagram, Twitter or other social media to contact employees, candidates, customers, prospective customers, vendors, or referral sources of Agency Owner, following the end of DAP's employment relationship with Agency Owner, for any reason whatsoever, is a material breach of the non-solicitation provisions of this Agreement.

11. Breach. The restrictions contained in this Agreement, in view of the nature of Agency Owner's business, are reasonable and necessary to protect the legitimate business interests of Agency Owner, and that any breach or threatened breach of this Agreement will cause irreparable injury to Agency Owner, that money damages shall not provide an adequate remedy, and that their enforcement would not impose a hardship or significantly impair DAP's ability to earn a livelihood. The remedy at law for any breach of the foregoing shall be inadequate, and Agency Owner shall therefore be entitled, in addition to any other relief available to it, to preliminary, temporary and permanent injunctive relief without the necessity of proving irreparable harm. If provisions of this Agreement are ever determined by a court of competent jurisdiction to exceed limitations permitted by law, then such provisions shall be reformed automatically to set forth the maximum limitations permissible by law. If DAP violates any of the restrictions contained in this Agreement, the relevant restricted period shall be extended by a period equal to the length of time from the commencement of any such violation until such time as such violation shall be deemed, by Agency Owner, to be cured. Nothing contained herein shall be considered as prohibiting Agency Owner from pursuing any other remedies available to it for such breach or threatened breach, including any recovery of damages from DAP. If DAP violates this Agreement, and the Agency Owner prevails in any enforcement action, the DAP shall be liable for any attorneys' fees and costs that Agency Owner incurs in connection with the enforcement of its rights under this Agreement. Agency Owner may provide a copy of this Agreement to any third party, for the purpose of ensuring DAP's compliance with this Agreement, in the sole discretion of Agency Owner.

12. No Disparagement. DAP shall not take any action, directly or indirectly, which is contrary to the interests of Agency Owner or make any disparaging, untrue, negative, derogatory or defamatory remarks concerning Franchisor, Agency Owner or their business practices at any time. Notwithstanding anything in this Agreement to the contrary, DAP's obligations under this Agreement including, but not limited to, DAP's confidentiality, non-disparagement, and non-cooperation obligations, shall not apply in connection with the DAP's rights to participate in any proceeding before the National Labor Relations Board, the Equal Employment Opportunity Commission or any similar state administrative agency or body. However, should DAP initiate, commence, voluntarily cooperate with or provide assistance including, but not limited to, testimony or consultative services, in any claim, lawsuit, administrative proceeding, investigation, inquiry, or similar activity, whether governmental or private, whether pending or otherwise, against or related to Agency Owner, DAP shall provide written notice to Agency Owner prior to engaging in such conduct or activity.

13. Prior Agreements. DAP represents and warrants to Agency Owner that there are no restrictions, agreements or understandings, including, but not limited to, prior covenants not to compete agreements, oral or written, to which DAP is a party or by which DAP is bound, that prevent or make unlawful or actionable DAP's execution or performance of this Agreement.

14. DAP Cooperation. DAP shall make him/herself available and cooperate in any reasonable manner in providing assistance to Agency Owner in concluding and defending any business or legal (including the defense of any claim) matters which relate to Agency Owner. DAP's obligation to

assist Agency Owner shall continue beyond the end of DAP's employment relationship with Agency Owner, for any reason whatsoever; however, Agency Owner shall not be obligated to compensate DAP for said cooperation and assistance. Such cooperation shall include, but not be limited to, answering questions regarding any previous or current project DAP worked on while employed by Agency Owner so as to insure a smooth transition of responsibilities and to minimize any adverse consequences of a change in DAP's relationship with Agency Owner or otherwise as well as meeting with internal Agency Owner employees to discuss and review issues which DAP was directly or indirectly involved with during employment with Agency Owner, participating in any investigation conducted by Agency Owner either internally or by outside counsel or consultants, signing declarations or witness statements, preparing for and serving as a witness in any civil or administrative proceeding by both depositions or a witness at trial, reviewing documents and similar activities that Agency Owner deems necessary. Furthermore, DAP shall not initiate, commence, voluntarily cooperate with or provide assistance to any third party or individual in connection with any claim against Agency Owner, whether pending or otherwise, including, but not limited to, testimony or consultative services, in any claim, lawsuit, administrative proceeding, investigation, inquiry, or similar activity, whether governmental or private, without the prior written consent of Agency Owner. In the case of legal proceedings, DAP shall notify Agency Owner of any subpoena or other similar notice to give testimony or provide documentation ("Notice"), within two business days of receipt of said Notice and prior to providing any response to said Notice such that Agency Owner may have an opportunity to seek and obtain, among other things, an appropriate protective order or seek intervention in the matter.

15. Electronic Communication Systems.

(a) DAP shall not utilize for his/her personal use, any of the Agency Owner's electronic communication systems (including, but not limited to, desktop or laptop computers, facsimile machines, PDAs, telephones, cell phones, smartphones, any portable data storage devices (including, but not limited to, thumb/flash memory, hard disc drive, CDs, DVDs, disks or any other type of magnetic or optical storage device or any other device of similar function) (collectively referred to herein as "Device(s)"). DAP shall also not remove any Device from the Agency Owner's premises without the prior written consent of Agency Owner. DAP acknowledges and confirms that s/he has no expectation of privacy in the Agency Owner's electronic communication systems.

(b) DAP acknowledges and confirms that:

(i) all electronic (email/internet/world wide web ("www")) communication systems operated by Agency Owner (collectively referred to herein as "Systems"), as well as information stored, downloaded, transmitted, received, or contained in such Systems, are the property of Agency Owner. These Systems are to be used solely for job related purposes;

(ii) Agency Owner reserves and intends to exercise the right at any time to review, audit, intercept, access, and disclose all materials created, received or sent over such Systems and that DAP shall have no expectation of privacy from such access or monitoring;

(iii) the Systems shall not be used to solicit others for commercial ventures, religious or political causes, outside organizations or other non-business matters;

(iv) the Systems shall not be used to create any offensive or disruptive messages. Offensive and disruptive messages include, but are not limited to, any messages which are in contravention of Agency Owner's Non-Harassment Policy, which contain any racial or ethnic slurs or which offensively address someone's age, gender, sexual orientation, religious or political beliefs, national origin, or disability/handicap or other classification protected by applicable law;

In connection with this disclosure requirement, DAP shall include, in writing, the name of DAP's direct supervisor(s); the Agency Owner reserves the right to contact these individuals for the purpose of ensuring DAP's compliance with the terms of this Agreement.

17. Miscellaneous.

(a) Indulgences, etc. Neither the failure nor any delay on the part of Agency Owner to exercise any right, remedy, power or privilege under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege preclude any other or further exercise of the same or of any other right, remedy, power or privilege, nor shall any waiver of any right, remedy, power or privilege with respect to any occurrence be construed as a waiver of such right, remedy, power or privilege with respect to any other occurrence. No waiver shall be effective unless it is in writing and is signed by the party asserted to have granted such waiver. A valid waiver of any provision of this Agreement shall be limited to the instance specified in writing and, unless otherwise expressly stated, shall not be effective as a continuing waiver or repeal of such provision.

(d) Provisions Separable. The provisions of this Agreement are independent of and separable from each other, and no provision shall be affected or rendered invalid or unenforceable by virtue of the fact that for any reason any other or others of them may be invalid or unenforceable in whole or in part. If any provision of this Agreement is deemed invalid or unenforceable, the validity of the other provisions of this Agreement shall not be impaired. If any provision of this Agreement shall be deemed invalid as to its scope, then, notwithstanding such invalidity, such provision shall be valid to the fullest extent permitted by law, and, if any court makes such a determination, such court shall have the power to modify the duration, scope and/or area of such provision and/or to delete specific words and phrases by "blue penciling" and, in its reduced or blue penciled form, to enforce such provision to the fullest extent permitted by law.

(e) DAP Claims. The existence of any claim or cause of action by DAP against Agency Owner shall not constitute a defense to the enforcement by Agency Owner of DAP's covenants, obligations, or undertakings in this Agreement.

(f) Entire Agreement. This Agreement contains the entire understanding among the parties hereto with respect to the subject matter of this Agreement, and supersedes all prior and contemporaneous agreements and understandings, inducements or conditions, express or implied, oral or written, except as herein contained. The express terms hereof control and supersede any course of performance and/or usage of the trade inconsistent with any of the terms hereof. By the execution of this Agreement, DAP acknowledges that any such superseded understandings and agreements are terminated, and DAP disclaims any and all rights or interest that may have existed with respect thereto. Further, any representations, promises, agreements or understandings, written or oral, with regard to the terms addressed in this Agreement that are not contained in this Agreement shall be of no force or effect. This Agreement may not be modified or amended other than by an agreement in writing signed by DAP and Agency Owner. Furthermore, DAP acknowledges and confirms that any subsequent change or changes in his/her duties, compensation or benefits shall not affect the validity or scope of this Agreement. Notwithstanding the foregoing, nothing herein shall limit the application of any generally applicable Agency Owner policy, practice, plan or the terms of any agreement, manual or handbook applicable to Agency Owner's employees generally, except to the extent the foregoing directly conflict with this Agreement, in which case the terms of this Agreement shall prevail.

(g) Section Headings. The Section headings in this Agreement are for convenience only; they form no part of this Agreement and shall not affect its interpretation.

(h) Gender, etc. Words used herein, regardless of the number and gender specifically used, shall be deemed and construed to include any other number, singular or plural, and any other gender, masculine, feminine or neuter, as the context indicates is appropriate.

(i) Jurisdiction of Courts. The exclusive legal venue for any legal action, claim, suit, dispute or matter arising out of or relating to this Agreement, or any documents to be executed pursuant to this Agreement by the parties hereto, shall be: (i) Duval County, Florida, in the event that Franchisor initiates an action under this Agreement pursuant to its third-party beneficiary rights; or (ii) the state or federal courts nearest to the premises of the business operated by Agency Owner, in all other instances.

(j) Survival. All provisions of this Agreement which by their terms survive the end of DAP's employment relationship with Agency Owner, including, but not limited to, the post-employment obligations and covenants of DAP set forth in this Agreement, shall survive the end of DAP's employment relationship with Agency Owner and shall remain in full force and effect thereafter in accordance with their terms.

(k) Advice of Counsel and Acknowledgement. DAP acknowledges that DAP has had a full and fair opportunity to seek DAP's own counsel regarding this Agreement and that DAP has so consulted or freely chosen not to seek counsel. By signing this Agreement, DAP acknowledges that DAP has read and understands this Agreement and shall abide by all its terms and conditions. DAP also acknowledges that this Agreement has not been executed in reliance upon any representation or promise except those contained herein, and that Agency Owner has made no representation or guarantee about employing DAP for a specified period of time.

(l) Waiver of Jury Trial. Any dispute arising out of or concerning this Agreement and/or any and all claims or causes of action, including statutory claims, arising out of DAP's employment, between DAP and Agency Owner during his/her employment or after the termination of said employment, shall be tried without a jury. EMPLOYEE HEREBY IRREVOCABLY EXPRESSLY AND VOLUNTARILY WAIVES HIS/HER RIGHT TO A JURY TRIAL AND DOES SO IN ORDER TO RESOLVE ANY FUTURE DISPUTES IN A MORE EFFICIENT AND COST-EFFECTIVE MANNER.
