What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit K.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk be highlighted:

- 1. Out-of-State Dispute Resolution.** The Franchise Agreement requires you to resolve disputes with us by litigation only in California. Out-of-state litigation may force you to accept a less favorable settlement for disputes. It may also cost you more to sue us in California than in your home state.
- 2. Short Operating History:** We are at an early stage of development and have a limited operating history. This franchise is likely to be a riskier investment than a franchise in a system with a longer operating history.
- 3. General Financial Condition:** Our financial condition as reflected in our financial statements (see Item 21) calls into question our financial ability to provide services and support to you.
- 4. Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in termination of your franchise and loss of your investment.
- 5. Inventory Control:** You must make minimum inventory and supply purchases, even if you do not need or are unable to sell that quantity of inventory. Your inability to make these purchases may result in termination of your franchise and loss of your investment.
- 6. Supplier Control:** You must purchase all or nearly all of the inventory or supplies that are necessary to operate your business from us, our affiliates, or suppliers that we designate, at prices we or they set. These prices may be higher than prices you could obtain elsewhere for the same or similar goods. This may reduce the anticipated profit of your franchise business.
- 7. Spousal Liability:** Your spouse must sign a guarantee that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**THE FOLLOWING APPLY ONLY TO TRANSACTIONS GOVERNED BY THE
MICHIGAN FRANCHISE INVESTMENT LAW**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver or estoppel which deprives a franchisee of rights and protections provided in the Michigan Franchise Investment Law. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - i. The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.

- ii. The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - iii. The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
 - iv. The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.
- (h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision I.
- (i) A provision which permits the franchisor to directly or indirectly convey, assign or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE ATTORNEY GENERAL.

Notes

(1) This table estimates your investment from the time of signing the Franchise Agreement until about three months later.

(2) The Initial Fee is between \$25,000 and \$100,000. You pay half on signing the Franchise Agreement and half in twelve (12) equal monthly installments, which will start on the first day of the month that is two (2) full months after the official showroom opening. See Item 10 for further information on the financing we offer.

(3) You will lease space for your office, showroom and warehouse. This may be in a business park, light industrial campus or stand-alone facility. You must get our written consent to the site before you lease. This estimate includes three months' rent and security deposit equal to one month rent, costs of improvements including shelving, lobby and office décor, signage, and set up of your showroom, warehouse and office. The low estimate is for about 3,500 sq. ft. of office and warehouse space at monthly rent of about 75¢/sq. ft. and an unlit channel letter sign on the building costing approximately \$5,000. The high estimate is for about 7,500 sq. ft. at monthly rent of about \$1.85/sq. ft with a lit channel letter sign and possibly an additional location sign costing approximately \$9,000. If you buy real estate, lease large space or pay higher rent, or pay more for improvements, signage or décor or have other costs, your cost would exceed the high estimate.

(4) Estimates for purchase of desk, chairs, cabinets, computer, printer, desk items and office supplies, and your cost to use the cloud version of QuickBooks for 3 months at about \$75 - \$150 per month.

(5) Utility suppliers like water, electric, gas and internet services provider, may require deposits to establish an account.

(6) You buy from us or our affiliate an opening inventory of the Products at an estimated cost of \$30,000 to \$100,000. We suggest and will try to recommend an inventory for about thirty (30) days of sales, but any approximation is imprecise for your new franchise and you must not view this as any projection of sales. The low estimate is based on a smaller market; the high estimate is based on a larger market.

(7) We recommend you buy or lease a carpet cutting machine. Currently, we recommend the Accu-Cut Q-9 or the EZ Cut MK7/MK10 Hybrid. The high estimate of \$75,000 assumes you buy and pay in full for a new machine. Your initial cost may be lower if you buy a used machine or if you lease. We estimate first three months lease payments for a used or new machine meeting our specifications at about \$1,200 to \$3,600 (\$400 to \$1,200 per month). The low estimate of zero assumes you elect to do manual cutting and do not buy or lease a carpet cutting machine.

(8) This estimate is for a flat-bed or stake-bed trailer delivery truck. The high estimate of \$85,000 assumes you buy a new truck. Your initial cost may be lower if you buy a used truck or if you lease a truck. The low estimate of zero assumes you do not buy or lease a delivery truck, which is possible but not recommended because not having a vehicle limits your ability to deliver merchandise and requires you to use a third-party delivery contractor or service.

(9) You need a forklift truck with carpet pole to receive, move and handle merchandise. The high estimate of \$57,500 assumes you buy a new vehicle and pole accessory. Your initial cost may be lower if you buy a used vehicle and accessory or if you lease these items. The low estimate of \$10,000 assumes you buy a used forklift and used pole accessory.

(10) You must obtain and maintain, at a minimum: (1) general and professional liability, \$1 million per occurrence and \$2 million aggregate; (2) employment practices liability insurance of at least \$1 million; (3) workers' compensation or other employer's liability; (4) insurance required by law where your business is located; (5) auto, including non-owned auto liability, at least \$1 million; (6) insurance required by any property or equipment lease; (7) property insurance, at greater of your fixed assets, equipment and usual inventory value, or \$100,000; and (8) Cyber security and data privacy coverage, at least \$5 million. Insurers must have a Best rating of "A" or better and be satisfactory to us. Policies must name us and our owners, members, managers, directors, officers and employees as additional insureds and provide us 45 days' notice of material modification, cancellation, termination or nonrenewal. Policies must not exclude claims between insureds. The lower estimate represents a less expensive package of insurance or a quarterly payment of premium. The higher estimate represents an approximate annual premium and assumes you pay in full in a lump sum. It is possible to buy additional or more costly insurance. Doing so may exceed the high estimate. If you don't get/maintain the required insurance, we may choose to obtain some or all insurance. You pay charges we incur, which are likely to be more than the premium if you purchased your own insurance. The cost depends on what kind of coverage(s) is needed, insurer(s), loss history, market conditions, timing and possibly other factors to affect the amount of the insurance cost stated herein.

(11) You will have costs to attend training we provide, like transportation, lodging, meals for you and your personnel and wages of your personnel. Amounts depend on distance you travel, type of travel, lodging and meals you choose and rate of compensation. You come to our headquarters or other location we designate for about 10 days. The low estimate of \$1500 assumes you are close to our offices, do not have travel, lodging or meal expenses, and you pay one person for about 80 hours at about \$15 per hour and have only modest additional costs of \$300 associated with attendance at such training. The high estimate assumes about \$600 per person for round trip travel for you and one other person, about \$150 per person per day for meals and lodging for 10 days, wages described above for one person and no wages for yourself.

(12) The estimates assume you will conduct initial advertising before and during the first 3 months of operation in a combination of local newspaper, outdoor signage, internet, social media, network marketing, chamber of commerce, e-mail and community education outreach. Some of these involve charges. Some can be done at minimal out-of-pocket cost. This range also includes your first 3 months of Adtrack platform fees in the amount of \$140 per month payable to us. Your local advertising is subject to our prior approval.

(13) These are estimated costs for local required licenses and permits, also including a contractor’s license if required. Requirements vary depending upon the area or market. You must investigate requirements where you will be located.

(14) You should consult professional advisors like a lawyer and accountant. The low estimate assumes you consult only one professional at a very modest fee. The higher estimate assumes a more in-depth analysis and consultation with your lawyer, accountant or both. It is possible you could consult in more depth or have advisors whose fees are higher, and the high estimate could be exceeded.

(15) You will have expenses for personnel and taxes associated with their salaries. These estimates are for approximately 3 months. The low estimate assumes one customer service associate (one employee at \$3,000 per month). The high estimate assumes one manager at \$4,000 per month and one warehouse/delivery person at \$3,000 per month. Both estimates assume you or an owner do not receive payment of an hourly wage or salary.

(16) Some time will be needed to generate revenues and there can be unexpected expenses. You may need additional working capital if business is slow or costs are higher. We relied on our officers’ experience of more than 11 years, and experience of those operating under a Territory Holder Agreement for these estimates. You should review the estimates carefully with a business advisor before making any decision to invest in a franchise.

(17) You may have additional expenses, or other categories of expenses. You should not plan to draw income from operations during the start-up and development stage, which could substantially exceed 3 months. You should have reserves to cover other expenses, losses or unanticipated events. Generally, none of the expenses is refundable, except security deposits may be refundable and some premium may be refunded when an insurance policy is cancelled before its term ends. We do not provide direct or indirect financing.

MULTI-UNIT DEVELOPMENT AGREEMENT
(FOR 2 PURCHASE GREEN BUSINESSES)

Type of Expenditures	Amount	Method of Payment	When Due	To Whom Payment Is Made
Territory Rights Fee(1)	\$5,000	Check	On Signing Multi-Unit Development Agreement	Us
Franchise Agreement signed for first unit (2)	\$119,920-\$588,620	See above	See above	See above
Professional Advisors (3)	\$1,000 - \$3,500	As arranged	As arranged	Professional advisors
TOTAL	\$125,920-\$597,120			

(1) Territory Rights Fee. You pay us \$5,000 multiplied by the number of units, minus one when you sign the Multi-Unit Development Agreement. The estimate is for 2 units: 1 x \$5,000 = \$5,000. If your Multi-Unit Development Agreement is for more than 2 units, your territory rights fee will be higher by \$5,000 for each additional unit.

(2) Franchise Agreement for first unit. The low and high amounts are based on the first table above representing estimated initial investment associated with the Franchise Agreement.

(3) Professional Advisors. You should consult with professional advisors like a lawyer and accountant. This estimate is for their review and consultation on the Multi-United Development Agreement.

ITEM 8:
RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Location of Your Showroom/Sales Office/Warehouse.

You must get our prior written consent to the facility where you will operate your showroom, office, and warehouse, and to open any additional business location(s) in your territory for the sale or service or products or to display products.

The location will be stated in the Franchise Agreement. If the location is not known when the Franchise Agreement is signed, a general area will be stated, and you will identify a location within the stated area. When the location is identified, it will be filled in the Franchise Agreement.

You must operate only at the agreed location. If the lease ends or the location is destroyed, then we will consent to you changing to a new location that meets our requirements. You locate, lease or purchase the location for your showroom/ office/warehouse.

The location must meet our requirements, that we outline in the Operating Manual. Before leasing (or buying) you give us a description of the proposed location and letter from the landlord indicating you will be able to lease the location. We will try to notify you within 10 days if we approve or not or need more information. Failure to respond within 10 days should not be deemed as an approval of the proposed location.

After getting our consent, you will enter into a lease with the landlord. Our consent may be conditioned on the lease including terms we require. Here are examples of terms we require:

- (i) Right for us to receive assignment of the lease on termination or expiration of the franchise;
- (ii) Lessor must provide us a copy of any written notice of deficiency or default and giving us the right (but not obligation) to cure within 30 days after expiration your time to cure;
- (iii) Provision that you can display our signs according to our specifications;
- (iv) Provision allowing construction of improvements and use meeting our requirements;
- (v) Provision that you will be free from disturbance/interference by the lessor's lender or lienholder;
- (vi) Our Conditional Lease Assignment or equivalent, signed by the landlord and you; and
- (vii) Other provisions we deem reasonable to require.

Our review of a proposed lease, and our consent are not an endorsement or approval of terms or assurance of any particular results in the lease or location.

You must find a site within 45 days and enter into a lease within 60 days from signing the Franchise Agreement and start operating the business within 90 days from the date of the Franchise Agreement. Failure to meet these timelines may result in termination of the Franchise Agreement.

We have the right to require you to equip and redecorate and display signage and other indicia of a Purchase Green Business and remove and/or avoid signage and displays we deem unsuitable for the Business. All the foregoing must be according to our standards and specifications as set forth in the Operations Manual. All replacements must conform to our quality standards and specifications and must be consented to by us in writing.

Maintenance of the location and minor and/or major modification or replacement of equipment may be required from time to time and may require significant expenditures.

Products and Services

You must purchase all Products, and other products (we provide you a list with our confidential price sheet), essentially all resalable merchandise, from us or our affiliates, as we determine. You cannot obtain these products from anyone else, without our consent. This includes anything we consider to be equivalent or substitute products. Packing materials may be obtained from us or from third parties.

We provide you a list of approved suppliers and products for your Business. This could be on our website or provided by other means. You will be required to purchase such approved products from our approved suppliers, which may be us or our affiliate, unless otherwise approved by us. As noted above, the Products must be purchased from us or our affiliate.

If you propose to use or obtain items or services not approved by us, or from a source not designated by us as an approved supplier, you must request our approval and submit specifications, photos, samples and other information we request. We will determine if the item, service or supplier meets our specifications and standards and notify you. We estimate the time for our review and notification to you to be 3 to 6 months. We may charge you our costs to review a proposed supplier or product. Some suppliers may possibly be willing to reimburse you some of the cost we require you to pay us. This approval process does not apply to the Products.

We may withdraw authorization for you to offer and sell certain products at any time but if you object to the withdrawal, you may ask to continue to offer and sell such products, and we will consider the request in good faith.

Suppliers may offer or be willing to pay reasonable rebates, commissions, or other consideration to us in connection with your purchase of products or services. We can receive and keep these without obligation to account or other restrictions.

All other inventory, products, materials and other items and supplies used in operating your Business, which are not specifically required by us to be purchased according to lists we provide, must meet specifications and quality standards we establish.

Advertising

Your advertising and promotion must use only materials, concepts, content and programs provided by us or approved in advance by us. Our approval won't be unreasonably withheld or delayed. You must submit for our review any proposed materials we have not approved. We have 5 days to notify you if we approve. Unless we provide approval, they are not approved.

Software

We require you to get a QuickBooks (cloud-based with inventory module) license and use this and other software we specify. You pay for this directly to the vendor and/or other suppliers. You must grant us administrative and accounting access.

Insurance

You must get at least this insurance: (1) general and professional liability, \$1 million per occurrence and \$2 million aggregate; (2) employment practices liability insurance of at least \$1 million; (3) workers' compensation or other employer's liability; (4) insurance required by law where your business is located; (5) auto, including non-owned auto liability, at least \$1 million; (6) insurance required by any property or equipment lease; (7) property insurance, at greater of your fixed assets, equipment and usual inventory value, or \$100,000; and (8) cyber security and data privacy coverage, at least \$5 million. Insurers must have a Best rating of "A" or better and be satisfactory to us. Policies must name us and our owners, members, managers, directors, officers and employees as additional insureds and provide us 45 days' notice of material modification, cancellation, termination or nonrenewal. Policies must not exclude claims between insureds.

Other Matters Regarding Sources of Products and Services

We (or our affiliates) will derive revenue from purchases you are required to make from us (or our affiliates) of the Products for resale. The revenue will equal amounts you pay us (or our affiliates) for such items.

In the year ending December 2023, we did not derive any revenue from required purchases or leases by Franchisees and Territory Holders. PTP's revenue from required purchases or leases by Franchisees and Territory Holders in 2023 was \$17,106,740.76, or about 28.4% of its total revenue of \$60,285,616.98.

Our officers and/or our ultimate parent entity own an interest in our designated suppliers, including PTP and Controlled Products, LLC., which are suppliers, directly or indirectly, of the Products.

We could designate supplies or products from companies that are publicly traded. Any of our officers could own stock in publicly traded companies.

We are not obligated to make our criteria for approving suppliers available to you.

We may negotiate purchase arrangements with some suppliers. These may require that our system meet minimum volume, percentage of purchase and other requirements. Some suppliers may pay us rebates or other consideration based on sales to you. If we receive these payments, we will have the option to pay all or a portion of the funds to you (and/or other franchisees) and/or keep them for ourselves, as we determine. There are no such arrangements at present specifically for the Purchase Green System.

We could seek to negotiate group rates for purchases of products and materials with suppliers in our discretion. We have not done so yet.

There are no purchasing or distribution cooperatives at this time.

We estimate that between 60% and 70% of your expenditures in establishing your Business will be from us, our affiliates or on account of required leases and purchases for which suppliers must be approved by us, or which must meet our standards or specifications, or must be leased or purchased from us or our affiliate, and between 30% and 65% of your ongoing operational expenditures will be on account of goods and services purchased from us, our affiliates or suppliers approved by us, or which must meet our standards or specifications or which must be leased or purchased from us or our affiliate. These estimates assume you purchase a delivery vehicle, forklift and carpet cutting machine. If you do not purchase these, or if you save money by buying lower priced used equipment or by leasing, then the above percentages could be higher than the high estimates. We include inventory purchases in the above figures.

We do not provide or withhold material benefits to you (like renewal rights or right to open additional franchised Purchase Green Businesses) based on whether or not you buy through the sources we designate or approve. However, purchases of unapproved products or services or from unapproved suppliers violates the Franchise Agreement, for which we could terminate the franchise and seek damages.

Except as listed below we are not required to provide you with any assistance:

(a) Our Obligations Before You Start Operating the Purchase Green Franchised Business:

1. In the Franchise Agreement, we will designate the area where you must locate the business that you will operate under the Franchise Agreement. (Franchise Agreement Section 3.).

2. We will evaluate sites you propose. (Franchise Agreement Section 3.c.). We do not locate potential sites or assist in negotiating to lease or purchase a site; and we do not generally own the sites where our franchisees are located. Our criteria and requirements for the site are in the Operating Manual and concern such matters as nature of facility, suitability of facility to the

Purchase Green Business, size, zoning and accessibility. (Franchise Agreement Section 6.a).

We and our employees do not claim to have expertise in selecting sites or more knowledge than you about the area where you will operate.

We require that your lease contain certain provisions. Examples include that landlord provide us 30 days' notice of breach, letting us cure your breach and letting us assume your lease rights and obligations if you breach or on termination. We will not unreasonably withhold approval, but we can refuse to approve the lease if it does not contain provisions we require.

We will try to approve or disapprove a proposed site within 10 days after you submit all the information we require. If we do not approve a proposed site and if you and we cannot agree on a site that is satisfactory to us within 45 days of the effective date of the Franchise Agreement, then we have the right to terminate the Franchise Agreement. (Franchise Agreement Sections 3.c and 3.e).

You must make sure the location of your business complies with local ordinances and zoning requirements.

These contain specifications, standards, operating procedures and rules for the Purchase Green Business and information relative to your obligations. We can add to and modify these documents. You must keep these documents confidential. (Franchise Agreement Section 15.). You must operate your Purchase Green Business in compliance with the terms of your Franchise Agreement and these Manuals.

4. You will not be authorized to create a separate website for your business. We will establish your Internet domain name and website, which could be a page or portion within our website, or a website separate from our website with a distinct domain name. We will have sole authority to establish the domain name and website. You will assist us in customizing the website for the Business. We will have the rights, at all times to own the website and domain name for the Business, edit its contents and/or suspend its accessibility in whole or in part. (Franchise Agreement Section 17.b.).

10. We will try to keep a sufficient inventory of products to be able to fulfill your purchase orders in a reasonable time in most instances; keep you informed of our inventory levels and provide reasonable advance notice of potential out-of-stock conditions; and try to provide you 30 days' notice where possible of any changes in our product line (Franchise Agreement Section 8.c.).

11. We will provide guidance on product knowledge and installation procedures (Franchise Agreement Section 7.1.).

12. We will provide you a promotional material packet. If you ask, we will provide, at your expense, additional copies of promotion, marketing, advertising and related reference and assistance in generating those materials for use in your territory. (Franchise Agreement Section 17.c.).

13. You must get our approval of all advertising materials you will use. (Franchise Agreement Section 17.a.).

(c) Products and Pricing

A Purchase Green Business offers turf and accessory products we authorize for sale at a Purchase Green Business. We will identify or develop products we view as anticipating or being responsive to market conditions. We may recommend prices. You decide and set your prices for products and services.

If we establish a national or regional account program and invite you to assist in providing products or services to a national or regional account we have arrangements with, then as a condition of participating, you must comply with any pricing arrangement we have reached with the account.

(d) Advertising.

To use your own advertising, you must first get our written approval. You submit to us or our designated agency, for consent, promotion materials and advertising you propose to use. We will try to respond within 5 business days, but proposed material is not approved unless and until we tell you in writing they are approved. (Franchise Agreement Section 17.a.).

Each quarter, you must spend the lesser of 2% of gross revenues or \$7,500 on advertising in any medium. This can include internet advertising approved by us. On request, you will provide us accountings and proof of your expenditures. (Franchise Agreement Section 17.d.).

Alternatively, you can contribute an amount we specify, not exceeding the above to the PGF Marketing Fund (if established). These payments will be credited toward amounts you are required to spend on local advertising.

If and when we establish the Marketing Fund, we or our designee will direct all advertising programs with sole discretion over the creative concepts, materials, media, placement and allocation. We will administer the Marketing Fund. We don't promise that the fund's expenditures

will be equivalent or proportionate to your contribution, nor that you or any franchisee will benefit directly or pro rata from our use of the Marketing Fund.

Monies in the Marketing Fund may be used to for a wide range of purposes, among them to maintain, administer, direct, produce and prepare promotions and advertising, costs of conducting public relations, advertising and producing promotion brochures and other marketing materials. These monies may be commingled with our other funds or kept in a separate account from our other monies.

The Marketing Fund will not be used to solicit selling franchises or to defray our general operating expenses, except for reasonable administrative costs and overhead (which will not to exceed 20% of the amounts contributed to the Marketing Fund) that we incur in activities reasonably related to the administration or direction of the Marketing Fund and advertising programs including, without limitation, market research, preparing marketing and advertising materials and collecting and accounting for assessments for the Marketing Fund.

We can terminate the Marketing Fund. We will not terminate the Marketing Fund until all monies in the Marketing Fund have been expended for advertising and promotion purposes or returned to franchisees. If terminated, we can restart the fund or a new marketing fund.

An accounting of the Marketing Fund will be prepared annually and made available to you on request. We can require that the annual accounting include an audit prepared by an independent CPA, prepared at the expense of the Marketing Fund.

You must register for, attend, and advertise at least 2 trade or home shows per year, at least 1 in the Spring and 1 in the Fall. You submit to us for our approval a list of trade shows you wish to attend and at which you want to advertise. (Franchise Agreement Section 6.e.)

We do not have an obligation to do particular advertising, whether in a particular amount, geography or media. At the effective date of this Disclosure Document, we have not established the Marketing Fund, so no monies were contributed to a fund and no fund monies were used. As of the issuance date of this Disclosure Document, we anticipate that franchisees will contribute similar amounts to the Marketing Fund. For each location we operate, we anticipate that we will contribute to the Marketing Fund on a pro-rata basis, but there is no contractual requirement for us to do so. We are not required to spend any amount on advertising in any particular area or at all. There is no franchisee council that advises us on advertising.

(e) Website and Internet.

We will establish one or more websites to advertise, market and promote the Purchase Green brand and Purchase Green Businesses. These may include the Purchase Green franchise opportunity. You must not maintain an internet website or a presence or advertise on the internet or other computer network without our prior written consent.

We will establish your internet presence. This will be a page or portion in our website, or separate website with a distinct domain name. We will have sole authority to establish the domain name and website. We will have the rights for us or our designee to own the website and domain

name, edit its contents and/or suspend its accessibility in whole or in part. (Franchise Agreement Section 17.b.).

If we grant you a right to operate a separate website or splash page, maintain an internet presence or presence through any social networking site, you must follow our standards and policies stated in the Manual or otherwise. We can modify or supplement our policies.

We have an internet website, www.purchasegreen.com, that provides information about Purchase Green products, services and programs. We have the sole right to market on the internet, including use of websites, domain names, uniform resource locators, keywords, linking, search engines, search engine optimization techniques, banner ads, meta-tags, marketing, auction sites, e-commerce and co-branding. We have the sole right to use the marks on the internet, including on websites, as domain names, directory addresses, search terms and meta-tags, and linking, marketing, co-branding and other arrangements. We have the sole right to approve linking to or other use of the Purchase Green website.

(f) Computer Hardware/Software.

You are required to use a cloud-based version of QuickBooks or an approved substitute (at the issuance date of this Disclosure Document, NetSuite is an approved substitute) for bookkeeping and as your point of sale (POS) system. You will need a computer and printer. We do not currently require you to use a specific computer or printer. Estimated cost to purchase a suitable computer and printer is \$750 to \$2,500 and it is estimated that these will need to be replaced about every 3 years. You must provide us at all times, with on-line access to your POS system and all data and information. There is no contractual limit on us accessing your POS data and information.

We designated/approved the cloud version of QuickBooks. Your estimated cost for this is about \$75 - \$150 per month. We require you to grant us administrator level access for electronically collected information and data.

We can require you to pay us and third party suppliers, recurring and nonrecurring fees for hardware and software.

We can change the required software. You must, at your cost, update and modify the computer hardware/systems to meet changes in our specifications. (Franchise Agreement Section 18.) There is no restriction on how often we may require this. You are responsible for maintenance, repairs or updates to your computer system. Your cost may be minimal such as if you or an employee are capable of performing system maintenance and support. If you work with an outside provider on a per-incident basis, we would expect charges for attention to a maintenance or support need to typically involve 1 – 2 hours at about \$100 - \$150 per hour for outside support.

(g) Manuals. The table of contents for the Operating Manual is attached as Exhibit H to this Disclosure Document. As of the date of this Disclosure Document, the Operating Manual was 90 pages. The Operating Manual is online and multi-media. (Franchise Agreement Section 15.).

(h) Training. Before opening your business, we provide an initial training program. (Franchise Agreement Section 7.l) The topics are listed in the chart below. You must designate a manager and you and that person must complete the initial training to our satisfaction. Franchise Agreement Section 6.m.).

*With regard to accounting training, if you ask, we can provide additional training up to 6 additional hours.

The initial training will include a combination of on-site training at one or more of our facilities, some by video conference, and digital training classes on our learning management system (LMS) platform. We may waive or modify all or some training requirements for personnel we determine, in our discretion, already has skill, experience and/or training to operate according to the System.

You must complete the initial training to our satisfaction before opening for business. You can do this any time that you and we schedule training, after entering into the Franchise Agreement and before opening for business. Usually, it is preferable to complete training closer in time to, but several days ahead of opening. Training programs will be made available as needed.

As of the issuance date of this Disclosure Document training is supervised by Joshua Turcotte. Mr. Turcotte has 8 years' experience in the artificial grass industry. The person supervising training may be assisted by team members from our Franchising team, Learning & Development team, and New Store Coordinator.

If we determine you or a person associated with you is unable to satisfactorily complete any part of training, we can require attendance at additional training to prove the ability to operate the Purchase Green Business to our satisfaction or require you or a new approved designee to complete the training subject to our then-current training requirements or terminate the Franchise Agreement.

We can require you and your personnel to attend and successfully complete new or refresher training. These may be at locations we designate. These may be conducted specifically for such persons or for a broader range of persons. While you are in full compliance with the Franchise Agreement, attendance will not be mandatory at more than one such additional or refresher training program in any calendar year and any such program shall not exceed 5 business days in a calendar year. You bear all expenses, including, without limitation, travel, lodging, meals and salaries.

You must start to operate the Business within 90 days after signing the Franchise Agreement. Factors that may affect this time include obtaining, a location for the Business that meets with our approval, completing our initial training program, obtaining vehicle(s), equipment and inventory, availability of products and supplies and other relevant circumstances, that could cause delays. We estimate the typical length of time between signing the franchise agreement and opening the Business to be approximately 90 days.

ITEM 12: **TERRITORY**

Franchise Agreement

We grant a specific geographic area to operate your Business as set forth in the Franchise Agreement. The proposed territory will be provided to you at least 7 days prior to you signing the Franchise Agreement. We will not grant another franchisee a territory that overlaps any portion of your territory or authorize someone else to open a Purchase Green franchised business using the Purchase Green marks, in that territory as long as you are in compliance with the Franchise Agreement. We anticipate designating your territory based on a combination of city boundaries, zip codes, major intersections, and the like, using demographic information, projected advertising spend, driving distances and to determine these zip codes and/or boundary lines. Typically, territories are a radius of 10 to 25 miles or equivalent in square miles since territories are not necessarily circular, or equivalent to approximately 1200-2000 square miles. Other factors are projected advertisement spending; number of clicks, and/or a combination of the number of people and popularity of the product in that market.

You must operate from a showroom and warehouse approved by us. The showroom is also a sales office and store. The warehouse is for storage and inventorying of product. Normally this will be near the general center of your territory and not within 10 miles of a territory border. You may not relocate without our prior written approval.

You may sell Purchase Green products to any customer who comes to your showroom or service facility and wants to self-install the products, even if their location is outside your territory. Other franchisees, distributors and our affiliate-owned businesses may sell Purchase Green products to any customer who enters their showrooms or service facilities and wants to self-install, even if their location is in your territory.

You can distribute, install and arrange for installation of Products outside your territory, but not market or sell outside the territory without specific written authorization from us, and in all instances marketing in a territory owned by another franchisee is prohibited. We can require you to cease activity outside the territory, in areas PGF grants to others as franchisees. We can grant territory(ies) outside your territory to others, including in geographic areas adjacent to the territory.

You are not allowed to market or solicit or use the Internet to market or solicit customers or sell to customers outside your territory; use other channels of distribution, such as telemarketing or other direct marketing, to solicit customers or make sales outside your territory; or advertise and market in media that circulates outside your territory.

We reserve the rights, regardless of the above exclusivity, to:

- (1) sell the same or related services, products and equipment outside your territory;
- (2) offer to the public separately, jointly or with others, all related services and/or products of every kind, using Purchase Green marks, copyrights, and know-how, all outside your territory;
- (3) establish, operate and/or license others to establish and/or operate franchised businesses anywhere adjacent to or outside the territory granted to you,
- (4) develop and establish other business systems based outside the territory, which could distribute products or services similar to those offered by your business, using names or marks other than the Purchase Green marks, within or outside the territory, and to grant licenses to use those systems;
- (5) advertise and promote the System anywhere, including the territory granted to you;
- (6) acquire assets or minority or controlling ownership of businesses identical or similar to the franchised business, and/or franchise, license, and/or similar agreements for such businesses, some or all of which might be in or near the territory;
- (7) acquire other businesses, and/or be acquired by a business, whether identical or similar to Purchase Green, even if the other business operates, franchises and/or licenses

competitive businesses in or near your territory;

(8) contract with, sell to or enter into alliances or similar relationships with National Accounts (as defined below), which could have locations in your territory, to use for themselves or provide Purchase Green products and services to others;

(9) use our marks in promotion and marketing to identify products and services distributed at any location, including sales through retail locations, home improvement and hardware stores, distributors, Internet, catalog sales, telemarketing, or other direct marketing sales;

(10) use and license other marks (not “Purchase Green”) in the sale of products and services the same, similar to, or different from, those you sell, in alternative channels, businesses the same, or similar to, or different from Purchase Green Businesses, at any locations, on any terms, without granting you rights to them;

(11) conduct any activities not prohibited in the Franchise Agreement;

(12) use and license others to use the marks and system for operation of Purchase Green Businesses at any location other than in your territory;

(13) use the marks in promotion and marketing to identify products and services distributed at any location, including sales through such channels as retail locations, home improvement and hardware stores, distributors, the Internet, catalog sales, telemarketing, or other direct marketing sales;

(14) use and license the use of other marks (dissimilar from the “Purchase Green” marks) in the sale of products and services the same as, similar to, or different from, those you sell, whether in alternative channels of distribution in businesses the same, or similar to, or different from Purchase Green Businesses, at any location, and on any terms, without granting you any rights to them; and

(15) engage in any other activities not expressly prohibited in the Franchise Agreement.

A “National Account” is a business, organization, government or quasi-government entity or other entity that has operations or represents a customer-base, directly or through others, or is an architect, contractor, designer, installer, end user of products, reseller or consultant, operating in two or more franchise territories or with at least ten (10) locations, and has a National Account relationship with us or our Affiliate. A National Account relationship includes any contractual relationship, strategic alliance or similar relationship with us or our Affiliate to provide Purchase Green products and services to National Account locations for use or resale or to provide endorsements, assignments or referrals for Purchase Green products and services to customers.

We will provide you an opportunity to provide Purchase Green products and services to National Accounts at locations in your territory or to a customer in your territory endorsed, assigned or referred to us by the National Account on the terms in our National Account relationship (e.g. qualifications, conditions for availability, installation expertise, price, discounts, and other requirements.). If within 10 days of contacting you, you are unable to provide the

Purchase Green products and services, or you do not elect to provide the products and services according to the terms, then we, our Affiliate or their designees, including other franchisees or distributors, can do so. Failure or refusal by you to serve a National Account with respect to one transaction will not be a failure or refusal by you to serve that National Account with respect to subsequent transactions but after we arrange for someone else to service a particular National Account, that provider may continue to do so and so long as other person/entity services the National Account, we are not required to offer that opportunity to you. If you fail or refuse to serve a National Account, you will not be entitled to receive compensation from us or someone else providing products and services to that National Accounts or their designees, with respect to the specific underlying transaction. You do not receive compensation for any of the above activities we may do. We are not required to refer you to a National Account that expresses a preference for another provider, whether on its own initiative or in response to an inquiry.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

Continuation of your territory does not depend on achieving a certain sales volume or market penetration or other contingency, but there will be minimum volume requirements to stay in compliance with the Franchise Agreement. The Franchise Agreement does not authorize us to modify your territory.

We do not have any current plans to operate or franchise a business under a different trademark that sells goods or services similar to those to be sold at your Purchase Green Business but reserve the right to do so.

Certain of our affiliates operate businesses and sell similar goods and services as you will. For example, our affiliate Engineered Turf Manufacturing, LLC sells turf products. CH3 Solutions, LLC and Swisstrax, LLC sell garage and court tiles. Poly-Green Foam Holdings, LLC sells padding that goes under turf. Your Business may carry and offer some or all of these products for sale in the future. Depending on your location, our affiliate, Turf Factory Direct Distributing, LLC, may also sell turf in your territory, but any sales are done in connection with their distinct brand. We do not anticipate any conflicts in our affiliates' activities in the territory as you and they will operate under different and distinct brands.

We do not have a specific plan for resolving conflicts between you and us. We do not anticipate any such conflict and would address any such conflict based on its own circumstances, if it occurred.

You do not receive any right of first refusal or other right to acquire additional franchises.

Multi-Unit Development Agreement

You will be granted the right to develop an agreed number of Purchase Green Businesses in a defined geographic area, during an agreed period of time. We will not operate, or grant others the right to operate, a Purchase Green Business in your territory and/or operate, or grant others the right to operate, a business under a different name in your territory which predominantly offers

products similar to those of Purchase Green, except for a business that is already in existence or development at the time of entering into the Multi-Unit Development Agreement (the “Development Agreement”).

We reserve the rights, regardless of the above exclusivity, to:

- (1) sell the same or related services, products and equipment outside your territory;
- (2) offer to the public separately, jointly or with others, all related services and/or products of every kind, using Purchase Green marks, copyrights, and know-how, all outside your territory;
- (3) establish, operate and/or license others to establish and/or operate franchised businesses anywhere adjacent to or outside the territory granted to you,
- (4) develop and establish other business systems based outside the territory, which could distribute products or services similar to those offered by your business, using names or marks other than the Purchase Green marks, within or outside the territory, and to grant licenses to use those systems;
- (5) advertise and promote the System anywhere, including the territory granted to you;
- (6) acquire assets or minority or controlling ownership of businesses identical or similar to the franchised business, and/or franchise, license, and/or similar agreements for such businesses, some or all of which might be in or near the territory;
- (7) acquire other businesses, and/or be acquired by a business, whether identical or similar to Purchase Green, even if the other business operates, franchises and/or licenses competitive businesses in or near your territory;
- (8) contract with, sell to or enter into alliances or similar relationships with National Accounts (as defined below), which could have locations in your territory, to use for themselves or provide Purchase Green products and services to others;
- (9) use our marks in promotion and marketing to identify products and services distributed at any location, including sales through retail locations, home improvement and hardware stores, distributors, Internet, catalog sales, telemarketing, or other direct marketing sales;
- (10) use and license other marks (not “Purchase Green”) in the sale of products and services the same, similar to, or different from, those you sell, in alternative channels, businesses the same, or similar to, or different from Purchase Green Businesses, at any locations, on any terms, without granting you rights to them;
- (11) conduct any activities not prohibited in the Development Agreement;
- (12) use and license others to use the marks and system for operation of Purchase Green Businesses at any location other than in your territory;

(13) use the marks in promotion and marketing to identify products and services distributed at any location, including sales through such channels as retail locations, home improvement and hardware stores, distributors, the Internet, catalog sales, telemarketing, or other direct marketing sales;

(14) use and license the use of other marks (dissimilar from the “Purchase Green” marks) in the sale of products and services the same as, similar to, or different from, those you sell, whether in alternative channels of distribution in businesses the same, or similar to, or different from Purchase Green Businesses, at any location, and on any terms, without granting you any rights to them; and

(15) engage in any other activities not expressly prohibited in the Development Agreement

You will propose a site for each location to be developed and if we approve, we will identify the proposed territory for that Purchase Green Business. You may disapprove of the proposed territory within 5 days by written notice to us. We will then negotiate, trying to agree on a mutually acceptable boundary for the territory. If after 30 days, we do not agree, the proposed site will be deemed disapproved.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

We are part of an organization that has many affiliated entities and may have additional and different affiliates from time to time. We may not be in a position to limit or control the activities of any such affiliates. Consequently, our affiliates may compete with you.

There are currently no effective material determinations of the USPTO, Trademark Trial and Appeal Board, trademark administrator of this state or any court; pending infringement, opposition or cancellation; or pending material litigation involving the marks.

We are not aware of anyone having superior rights in the mark "Purchase Green" or any infringing use or anyone making a claim regarding our use, that could materially affect the use of the marks in this state or any state in which the franchised business will be located.

A license from PTP authorizes us use and franchise you to use the marks. The license has no set term and can be terminated by either party at any time. Because PTP is our parent company, we do not expect they would terminate the license at any time that would be disruptive to us. Under the license, franchises granted prior to termination may continue to use the marks for the rest of their franchise term and any renewals. Other than this license and franchise agreements we enter into, no other agreement materially limits our right to use or license the use of the marks.

As between you and us, we own the trademarks. Your right to use the marks comes only from the Franchise Agreement and is limited to conducting business pursuant to and in compliance with the Franchise Agreement. All your use of the marks and goodwill established by that use is for our benefit and does not confer in you any goodwill or other interest in the marks. You must not ever contest the validity or ownership of any of the marks or help anyone else to do so.

You will be identified as “Purchase Green [community name]” or mutually agreed equivalent, on our website, printed literature, and elsewhere that we identify you. You must use this identifier in marketing and sale of products. You must promptly obtain all approvals and make all filings required by any government authority to use this identifier. You must not use a different identifier without first obtaining our written consent. You must prominently state in all printed materials that identify you: “An Independently Owned, Authorized Purchase Green® Distributor.”

Any installation contract or contract for services that goes beyond retailing products must list your legal business name, the above listed DBA and must include the modifier listed in Section 17(i). Your contracts must not include or omit any term or phrase or content or disclosure, that may lead a customer to believe they are contracting with us.

All your use of the marks and goodwill established by that use is for our benefit and does not confer in you any goodwill or other interest in the marks. You must not ever contest the validity or ownership of any of the marks or help anyone else to do so.

You must not use any of the marks or portion of any mark as part of a corporate or trade name or with any prefix, suffix or other modifying words, terms, designs or symbols or any modified way. You must not use any of our marks in selling any unauthorized product or service or in any way not expressly authorized in writing by us. You must give notices of trademark and service mark registrations as we specify. You must obtain fictitious or assumed name registrations as required by law.

You must notify us if you become aware of or suspect third-party infringement of our intellectual property. You must provide enough details for us to identify the actual or potential infringement. We can take or not take action as we deem appropriate and will have no obligation to take any action or particular action. You must not take action regarding a potential or actual infringement without prior written consent from us. You must notify us of any action, claim or demand against you relating to our marks within 3 business days after you find out.

After we receive timely notice from you, we will have the right, but not the duty, to defend any such action. We can contest or bring action against a third party regarding their use of any of the marks. In the defense or prosecution of any litigation relating to the marks or parts of our system, you must cooperate with us and sign any documents and take actions that we ask.

If we think it advisable to modify or stop using any mark, and/or use one or more additional or substitute names or marks or symbols, you must comply with our direction to do so. We will not be liable with regard to such modification or discontinuance of any mark.

You may not advertise on the Internet using, or establish, create or operate an Internet site or website using any domain name containing the words “Purchase Green” or variation of “Purchase Green” or any term similar to “Purchase Green” without our prior written consent.

You must not do or permit anything to be done that conflicts with our rights in the trademarks or any of our intellectual property and must not contest or help anyone else contest our ownership.

There are no other agreements currently in effect which significantly limit our right to use or license the use of the Marks in any manner material to the franchise.

To the extent it is not deemed to be a work-made-for-hire, you assign all rights and ownership to us. At our request you must sign documents and take action we ask to enable us to secure all rights in us. If you don't, then we can sign and act on your behalf as your attorney-in-fact.

We will provide you proprietary, confidential and trade secret information. Any improvements you develop or customer lists and databases you obtain will be our proprietary information. Our trade secrets include methods, specifications, processes, procedures and/or improvements regarding a Purchase Green Business, our system and any information that is valuable and secret in the sense that it is not generally known to competitors of us. You must maintain absolute confidentiality of all such information during and after the term of the franchise and must not use any such information in any other business or in any manner not specifically authorized or consented to in writing by us.

You may provide confidential information only to the extent and only to those of your

employees who must have access to that information to operate the Purchase Green Business.

The goodwill associated with all phone and fax numbers, email addresses, domain names and social media and other Internet addresses used the business is an asset that belongs to us. On cancellation, termination or expiration of the Franchise Agreement, you will be deemed to have assigned to us or our designee all right, title and interest in these. We will notify you of modifications through the Operating Manual or other means we select. You must comply with modifications we make. You must not modify or alter our system.

You must never, in perpetuity, divulge to any person or entity any information, trade secrets, and processes, used for a Purchase Green Business or any information stated in our Operating Manual. You must not do or permit anything to be done that conflict with our rights in any of our intellectual property and must not contest or help anyone else contest our ownership.

ITEM 15:
OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE

If you operate more than one franchise, you must divide at least a 40-hour work week among all the Purchase Green Businesses you operate and employ at least the number of managers for each Purchase Green Business to meet our requirements for managers. You will file your tax, regulatory and payroll reports, and be responsible for all employee benefits and workers compensation insurance payments for your employees and operations.

Our authority under the Franchise Agreement to train and approve your supervisory or managerial personnel does not vest us with power or authority or right to hire, fire or control your personnel. You will be solely responsible for all hiring and employment decisions and functions relating to your Purchase Green business, including hiring, firing, training, remuneration, wage and hour compliance, minimum wage compliance, personnel policies, benefits, recordkeeping, authorization of persons to work in the United States, supervision and discipline of employees, regardless of whether you received advice from us on these subjects or not. Any guidance we may give you regarding employment policies should be considered merely examples. You will be responsible to establish and implement your own employment policies and should do so in consultation with local legal counsel experienced in employment law.

Opinion

We have audited the financial statements of Purchase Green Franchising, LLC, which comprise the balance sheet as of December 31, 2023, and the related statements of operations and member's equity (deficit) and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Purchase Green Franchising, LLC as of December 31, 2023, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Purchase Green Franchising, LLC and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Purchase Green Franchising, LLC's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Purchase Green Franchising, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Purchase Green Franchising, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Information

Management is responsible for the other information included in the franchise disclosure document. The other information comprises the information included in the franchise disclosure document but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

PURCHASE GREEN FRANCHISING, LLC
NOTES TO FINANCIAL STATEMENTS
December 31, 2023

NOTE 1 - DESCRIPTION OF BUSINESS AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations: Purchase Green Franchising, LLC, the Company, is a limited liability company under Delaware laws and franchises exclusive areas of operation to sell Purchase Green products in the artificial grass industry. All franchised stores are operated by the franchisees under franchised arrangements.

Prior to establishing the Company to handle franchise agreements, the parent, Path to Prosperity, LLC (“PTP”) had purchase supplier agreements with territory holders. While the nature may be similar in terms of benefits with exclusive territories, competitive prices, and trademarks, the legacy territory holders deal directly with PTP and have no customer relationship with the Company.

Accounting Basis: The books and records of the Company are kept using the accrual method for financial reporting purposes.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires the Company to make estimates and assumptions that affect the reported amounts of assets and liabilities as of the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates.

Cash: Cash includes cash and investments with original maturities of three months or less. The Company has cash on deposit with one financial institution, which at times during the period is in excess of federally insured limits.

Deferred Contract Costs: Deferred contract costs are contract assets that consist of costs to obtain customer contracts, such as commissions paid to sales personnel. Sales commissions relating to recurring revenues are considered incremental and recoverable costs of obtaining a contract with a customer. These costs are deferred and amortized over the contract term. Amortization expense is included in revenue in the accompanying statement of operations. Contract assets were \$42,939 at January 1, 2023 and \$92,747 at December 31, 2023.

Deferred Revenue: As the franchise fees only cover the means of operation during the specific term, the franchise fees received are recognized as revenue on a straight-line basis over the contract term of each area agreement, subject to the cumulative amount of revenue recognized not exceeding the amount of cash received. Deferred revenue is a contract liability that represents the amount of cash received for franchise fees in excess of the revenue recognized. Contract liabilities were \$398,024 at January 1, 2023 and \$698,730 at December 31, 2023.

Revenue Recognition: The Company grants franchise rights to franchisees for a term of 10 to 15 years. In exchange for franchise fees, the Company is obligated by its franchise agreements to provide training, an operating manual, operational assistance, marketing and advertising, and other obligations. Franchise fee revenue for the sales of individual territories is recognized when the Company has satisfied performance obligations over the franchise term. The aggregate amount of deferred revenue as of December 31, 2023 expected to be recognized as revenue in the next year is \$80,320.

Topic 606, Subtopic 952-606 provides a practical expedient that permits private company franchisors to account for opening services provided to a franchisee as distinct from the franchise license if the services are consistent with those included in a predefined list within the guidance. The Company elected not to apply the practical expedient and rather has applied the ASC 606 guidance on identifying performance obligations over the franchise term.

(Continued)

NOTE 1 - DESCRIPTION OF BUSINESS AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Taxes: The Company is a Delaware limited liability company and is treated as a disregarded entity for federal and state income tax purposes. Accordingly, no provision has been made for federal or state income taxes in the accompanying financial statements. The Company's income and expenses are consolidated under the parent, Controlled Products Acquisition Corporation for a federal tax return. The Company is subject to minimum franchise taxes in certain states plus a limited liability company fee based on revenue. This fee is de minimis for the year ended December 31, 2023.

The Company's income tax filings are subject to audit by various taxing authorities. A tax position is recognized as a benefit only if it is "more likely than not" that the tax position would be sustained in a tax examination with a tax examination being presumed to occur. The amount recognized is the largest amount of tax benefit that is greater than 50% likely of being realized on examination. For tax positions not meeting the "more likely than not" test, no tax benefit is recorded. The Company is no longer subject to examination by taxing authorities for tax years before 2020.

The Company has not recorded any interest or penalties related to unrecognized tax benefits. No amounts were accrued for interest or penalties as of December 31, 2023. The Company does not expect the total amount of unrecognized tax benefits to significantly change in the next 12 months.

Advertising: The Company expenses all advertising costs as incurred. For the year ended December 31, 2023, advertising expense was \$87,145 and is recorded in cost of sales on the statement of operations and changes in member's equity (deficit).

NOTE 2 – RELATED PARTY PAYABLE

The Company shares certain expenses with its parent company, PTP. As of December 31, 2023, there was a payable to the related party for \$199,305 reflected as related party payable on the balance sheet.

NOTE 3 – FRANCHISE ARRANGEMENTS

Under the franchise arrangement, franchisees are granted the right to operate a store using the Purchase Green system, generally for a period of 10 to 15 years. See Note 1.

NOTE 4 – SUBSEQUENT EVENTS

The Company evaluated subsequent events through the date the financial statements were available to be issued on March 25, 2024. There were no subsequent events that required recognition or disclosure.

Business operations

Purchase Green Franchising, LLC, the company, is a limited liability company under Delaware laws and franchises exclusive areas of operation to sell Purchase Green products in the artificial grass industry. All four (three at the start of the year with one added store in 2021) franchised stores in 3 states are operated by the franchisees under franchised arrangements.

Prior to establishing the Company to handle franchise agreements, the parent, Path to Prosperity, LLC (“PTP”) had purchase supplier agreements with territory holders. While the nature may be similar in terms of benefits with exclusive territories, competitive prices, and trademarks, the legacy territory holders deal directly with PTP and have no customer relationship with the Company.

Accounting basis

The books and records of the Company are kept using the accrual method for financial reporting purposes.

Estimates in financial statements

The preparation of financial statements in conformity with generally accepted accounting principles requires the Company to make estimates and assumptions that affect the reported amounts of assets and liabilities as of the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates.

Advertising

The Company expenses all advertising costs as incurred. For the year ended December 31, 2021, advertising expense was \$93,940.

Cash

The Company classifies all cash and marketable securities with maturities of three months or less as cash equivalents. The Company maintains its cash in bank deposit accounts which, a majority of the time, are within federally insured limits. The Company has not experienced any losses in such accounts and does not believe that it is exposed to any significant credit risk on cash.

Income taxes

The Company is a Delaware limited liability company and is treated as a disregarded entity for federal and state income tax purposes. Accordingly, no provision has been made for federal income taxes in the accompanying financial statements. The Company's income and expenses are consolidated under the parent, Controlled Products Acquisition Corporation for a federal tax return. The Company is subject to minimum income taxes in the state in which it operates of \$800 plus the limited liability company fee based on revenue. In the year ended December 31, 2021, \$1,600 was paid for years 2020 and 2021.

The Company's income tax filings are subject to audit by various taxing authorities. The Company's open audit period is 2020-2021. In evaluating the Company's tax provisions and accruals, future taxable income, and tax planning strategies are considered. The Company believes their estimates are appropriate based on current facts and circumstances.

Deferred revenue

As the franchise fees only cover the means of operation during the specific term, the franchise fees received are recognized as revenue on a straight-line basis over the contract term of each area agreement, subject to the cumulative amount of revenue recognized not exceeding the amount of cash received. Deferred revenue represents the amount of cash received for franchise fees in excess of the revenue recognized.

Revenue recognition

The Company typically grants franchise rights to franchisees for a term of 10 to 15 years. In exchange for franchise fees, the Company is obligated by its franchise agreements to provide training, an operating manual, operational assistance, marketing and advertising, and other obligations. Franchise fee revenue for the sales of individual territories is recognized when the Company has satisfied performance obligations over the franchise term. The aggregate amount of deferred revenue as of December 31, 2021 expected to be recognized as revenue in the next year is \$20,850.

Topic 606, Subtopic 952-606 provides a new practical expedient that permits private company franchisors to account for opening services provided to a franchisee as distinct from the franchise license if the services are consistent with those included in a predefined list within the guidance. The Company elected not to apply the practical expedient and rather has applied the ASC 606 guidance on identifying performance obligations over the franchise term.

Allocation of Expenses

The Company was established solely to assist with franchise obligations. As a general rule, the Company only recognizes expenses exceeding the normal capacity of PTP and directly benefiting the Company, such as direct marketing and direct legal fees. There is no staffing allocation because there is no overhead expense (outside of direct marketing or direct legal fees) that would be eliminated even if the Company was eliminated. Furthermore, the actual usage of shared resources is minimal in comparison to PTP.

NOTE 2 PAYABLE – RELATED PARTY

The Company's managing members are also the owners of PTP, who in turn owns the Company. See Note 1. The Company's recurring expenses may be set up with PTP's credit card for automatic payment. As of December 31, 2021, there was a payable to the related party for \$106,074. This amount is reported as a related party loans in the balance sheet.

NOTE 3 FRANCHISE ARRANGEMENTS

Under the franchise arrangement, franchisees are granted the right to operate a store using the Purchase Green's system, generally for a period of 10 to 15 years. See Note 1.

NOTE 4 CONTINGENCIES

The Company was involved in a legal proceeding, where the plaintiff was a regulatory agency claiming the Company was not in compliance with franchising regulation. As of reporting date, the dispute has been settled for \$47,000. The Company has accrued for \$47,000 as penalty expenses and \$4,490 in contingent legal expenses arising from the claim.

NOTE 5 SUBSEQUENT EVENTS

The Company evaluated subsequent events through the date the financial statements were issued on July 25, 2022. There were no subsequent events that required recognition or disclosure.

EXHIBIT B

FRANCHISE AGREEMENT

Franchise Agreement

This Franchise Agreement (“Agreement”) is entered into on [MONTH] [DATE] [YEAR] (“Effective Date”) by and between Purchase Green Franchising, LLC, a Delaware limited liability company, with its offices at 1925 Wright Avenue, Suite A & B, La Verne, CA 91750 (“PGF”) and [INDIVIDUAL(S) OR LEGAL ENTITY NAME] (to be operating under the d/b/a Purchase Green [TERRITORY]), a [ENTITY STATE, IF APPLICABLE] [ENTITY TYPE, IF APPLICABLE], whose address is [INDIVIDUAL(S) OR ENTITY ADDRESS] (“Franchisee”).

Background

PGF offers and sells franchises for a business selling artificial grass, putting greens, artificial ivy and sports turfs, golf products associated with putting greens, solar lights and related installation accessories (the “Purchase Green Business”). PGF wants to grant to Franchisee the right to operate a Purchase Green Business (the “Business”) reselling PGF’s products (the “Products” or “Products”) using PGF’s brand and the trademarks, trade names and copyrights associated with PGF’s brand (the “PGF IP”) on the terms contained in this Agreement. Franchisee wants to serve as a reseller of PGF’s products in the Territory and to purchase the Products from PGF or its affiliate and use the PGF IP on the terms contained in this Agreement. Accordingly, the parties agree as follows:

Agreement

1. Grant of Franchise.

PGF hereby grants to Franchisee the right to operate the Business at the Location set forth in Section 3 and to use the PGF IP in connection with the operation of the Business. Franchisee accepts such grant under the terms set forth in this Agreement.

2. Initial Franchise Fee.

Franchisee agrees to pay PGF as an initial franchise fee the sum of _____ Dollars (\$) for the rights granted in this Agreement (the “Initial Franchise Fee”). Franchisee shall pay the Initial Franchise Fee as follows:

- a. One-half of the Initial Franchise Fee _____ Dollars (\$) will be paid on signing this Agreement;
- b. The remainder of the Initial Franchise Fee shall be paid in twelve (12) equal monthly installments of _____ Dollars (\$) each. These monthly payments will start on the first (1st) day of the month that is two (2) full months after the official showroom opening.

The Initial Franchisee shall not be refundable under any circumstances.

3. Location.

- a. The location of the showroom, office and warehouse at which Franchisee shall conduct the Business is:

(the "Location"). If not known when this Agreement is entered into, then the location will be designated within the following area:

_____;
and when a specific location in this area has been agreed by the parties, it shall be filled in above or deemed to be stated in this Section 3, as if originally stated here and the area described in this Section 3 shall have no further significance in relation to this Agreement. The parties agree that the target showroom opening date is _____. Franchisee shall use its best efforts to complete all steps necessary to open the showroom by such date. Franchisee shall not relocate its showroom, office or warehouse without the prior written consent of PGF.

b. Franchisee shall operate the Business only at the Location stated or provided for in Section 3(a). If the lease for that Location ends without fault of Franchisee or if the Location is destroyed, condemned or otherwise rendered unusable, PGF shall be willing to consent to relocation of the Business to a location and site acceptable to PGF. Any relocation shall be subject to obtaining PGF's consent as to the location and lease, as provided in this Section 3.

c. Franchisee will be solely responsible to locate, lease or purchase a suitable site for the Business. Prior to acquisition by lease or purchase of any site, Franchisee shall submit a description of the proposed site to PGF, together with a landlord's letter of intent or other evidence satisfactory to PGF which confirms Franchisee's favorable prospects for securing the proposed site. PGF shall try to notify Franchisee within ten (10) days after receiving Franchisee's proposal and all needed information, whether PGF consents to or withholds consent to the proposed site. Failure of PGF to respond within ten (10) days shall not constitute consent to the proposed site. Any site for the Business and all operations and activities must comply with PGF's requirements set forth in the PGF's Confidential Operating Manual, Training Manual, Standard Operating Procedures and policies and procedures PGF provides to Franchisee from time to time (collectively, the "Operating Manual").

d. After receiving PGF's written consent to the Location, Franchisee shall, subject to obtaining the prior written consent to the lease terms from PGF, execute a lease for the Location. PGF's consent to the lease may be conditioned on the lease including terms PGF requires, which may include, but are not limited to the following and PGF shall have the right, but not the obligation, to withhold consent to Franchisee's proposed Location if the lease does not include one or more of the following:

(i) Reservation of PGF's right, at PGF's election, to receive an assignment of the leasehold interest on termination or expiration of the franchise;

(ii) Requirement that the lessor concurrently provides PGF a copy of any written notice of deficiency or default under the lease sent to Franchisee and granting PGF the right (but not obligation) to cure any deficiency or default by Franchisee within thirty (30) days after expiration of the period within which Franchisee had to cure such default if Franchisee fails to do so;

(iii) A provision authorizing Franchisee to display the PGF IP in accordance with specifications required by PGF;

(iv) A provision allowing construction of leasehold improvements and usage meeting the requirements of this Agreement and the Operating Manual;

(v) A provision assuring that Franchisee will be free from disturbance or interference by the lessor's lender, lienholder, mortgagee or other person or entity having an interest or claim in the premises of the Location;

(vi) A provision equivalent to PGF's form of Conditional Lease Assignment or execution of such form by Franchisee and the landlord.

(vii) Such other provisions as PGF deems reasonable to require, whether generally or in the particular circumstances.

PGF's review of any proposed lease, and any consent, will not be construed as an endorsement or approval of its terms nor assurance of any particular results in the lease or at the Location.

e. If no acceptable site is found and agreed by the parties within forty-five (45) days from the Effective Date of this Agreement, or if a lease is not consented to by PGF and signed by Franchisee and a lessor and a copy provided to PGF, all within, sixty (60) days from the Effective Date of this Agreement, or if Franchisee has not started operating the Business at the Location, all within ninety (90) days from the date of this Agreement, then in any such event, on written notice from PGF, PGF may terminate this Agreement. PGF shall have no obligation to return any of the Initial Franchise Fee.

f. PGF shall have the right to require Franchisee to equip, redecorate and display signage and other indicia of the PGF brand and remove and/or avoid signage and displays PGF deems unsuitable for the Business. All of the foregoing requirements must be in accordance with standards and specifications prescribed by PGF from time to time and with the prior written consent of PGF. All replacements of such items must conform to PGF's then-current quality standards and specifications and shall be subject to PGF's consent in writing.

g. Franchisee acknowledges that maintenance of the Location and minor and/or major modification or replacement of equipment may be required by PGF from time to time and may require significant expenditures.

h. Franchisee shall indemnify and hold harmless PGF or PGF's affiliate for, and reimburse, all costs and expenses incurred by PGF or PGF's affiliate, as a result of Franchisee's failure to cure a deficiency or a default by Franchisee under the lease.

4. Term and Renewal.

a. This Agreement shall be effective as of the Effective Date and continue in effect for ten (10) years and shall expire at the close of business on the date that is the ten (10) year anniversary of the Effective Date (the "Term"). However, this Agreement may be terminated before expiration of the Term on the grounds provided in Section 21.

b. Franchisee shall have the option to renew the franchise subject to meeting all of the following terms and conditions:

(i) Franchisee shall have given written notice of its desire to renew to PGF at least one hundred eighty (180) days but not more than two hundred seventy (270) days before expiration of the Term.

(ii) Franchisee shall have been in full compliance with this Agreement throughout the Term, including but not limited to provisions for payments to PGF and its affiliates continuously during the Term, at the time of delivering its written notice and at the time of expiration of the Term.

(iii) Franchisee shall, by the expiration of the Term, have proven to PGF's satisfaction that Franchisee has the right to remain in possession of the premises for the Location for the renewal term and shall have brought the Location into full compliance with the specifications and standards then applicable for a new or renewing franchised Purchase Green Business.

(iv) At least sixty (60) days prior to expiration of the Term, Franchisee shall execute a new Franchise Agreement on the form then being used by PGF in granting renewal franchises. The renewal Franchise Agreement shall provide for the term offered in the then-current Franchise Agreement, which shall commence on the date of expiration of the Term. The renewal Franchise Agreement shall be modified to provide for an initial franchise fee equal to ten percent (10%) of the initial franchise fee then being charged by PGF and Franchisee shall accompany delivery of the executed Franchise Agreement with payment of such initial franchise fee. Franchisee understands and acknowledges that the renewal Franchise Agreement may be materially different from this Agreement in any or all of its other provisions.

(v) Subject to applicable law, Franchisee and its owners shall execute a general release in favor of PGF and various persons and entities affiliated with PGF then and in the past, in a form prescribed by PGF, which shall also include a waiver of unknown claims.

(vi) Before expiration of the Term, if requested by PGF, Franchisee shall attend a re-orientation training, seminar, or workshop designated by PGF.

(vii) None of the grounds for termination provided in Section 21 shall exist at the time of expiration of the Term.

(viii) Franchisee shall have satisfied all PGF's then-current requirements for a new or renewal Franchisee. Within a reasonable time after receipt of the written notice under Section 4(d), above, PGF shall have the right to provide Franchisee with written notice of (a) any reasons PGF identifies at that time that could cause PGF not to grant a renewal; and (b) PGF's then-current requirements for a PGF showroom and warehouse. Franchisee shall comply with these requirements within the time period specified in PGF's notice.

5. Exclusivity.

a. PGF grants Franchisee, and Franchisee accepts, the exclusive right to market and sell the Products in the Territory. So long as Franchisee is in full compliance with this Agreement, PGF will not (i) compete with Franchisee for the sale or installation of the Products in the Territory, or (ii) grant a franchise or license to someone else for the sale or installation of the Products or the operation of a distribution facility or showroom, warehouse or office in the Territory for the sale or installation of the Products.

b. Franchisee understands and acknowledges that PGF is part of an organization that has numerous affiliated entities and may have additional and different affiliates from time to time and that affiliates of PGF may compete with Franchisee.

c. Franchisee shall not directly or indirectly source, purchase, develop, manufacture, market, recommend, display, install or sell or otherwise obtain Products for display, marketing, resale, or other form of distribution, from anyone other than PGF or supplier(s) designated by PGF, which may be affiliates of PGF, except as provided for in Section 8, whether within or outside the Territory.

d. Franchisee shall not directly or indirectly advertise, promote, market or sell any Products at any location outside the Territory. Notwithstanding the foregoing, Franchisee shall be permitted to distribute, install and arrange for installation of the Products outside the Territory, so long as Franchisee does not market or sell the Products outside the Territory without specific written authorization from PGF, and in no event shall Franchisee conduct marketing activities in a territory owned by another franchisee. Franchisee may be required by PGF to cease activity outside the Territory that is described in this Section 5(d), in geographic areas that PGF grants to others as franchisees. PGF is not restricted from granting a territory or territories outside the Territory to others, including in geographic areas adjacent to the Territory.

e. Notwithstanding anything contained in this Section 5, Franchisee is not restricted from selling Products at Franchisee's Location to any customer who visits the Location, regardless of whether the customer's delivery or installation location is inside or outside the Territory, and Franchisee may perform the delivery and installation for such customer. PGF and other franchisees are not restricted from selling Products at the Location to any customer who visits the Location, regardless of whether the customer's delivery or installation location is inside the Territory and other franchisees and PGF and other franchisees may perform the delivery and installation for such customers even in the Territory.

f. PGF reserves the rights for itself and its direct and indirect parent and affiliated entities, regardless of the above exclusivity, to: (i) sell the same or related services, products and equipment outside the Territory; (ii) offer to the public separately, jointly or with others, related services and/or products of every kind, using the PGF IP and know-how, all outside the Territory; (iii) establish, operate and license others to establish and/or operate franchised or other businesses anywhere adjacent to, or outside, the Territory on terms PGF elects; (iv) develop and establish other business systems which could distribute products or services similar to those offered by Franchisee, using names or marks other than the PGF trademarks, within or outside the Territory, and grant licenses to use those systems; (v) advertise and promote Products anywhere, including in the Territory; (vi); acquire assets or minority or controlling ownership of businesses identical or similar to the business conducted by Franchisee; (vii) acquire other businesses, and/or be acquired by a business, whether identical or similar to Purchase Green Businesses, even if the other business operates, franchises and/or licenses competitive businesses in or near the Territory; (viii) subject to subsection (h) below, contract with, sell to or enter into strategic alliances or similar relationships with National Accounts, which may have locations in the Territory, to directly or indirectly use for themselves or provide Products and related services to others; (ix) use the marks in promotion and marketing to identify products and services distributed at any location, including sales through such channels as retail locations, home improvement and hardware stores, distributors, the Internet, catalog sales, telemarketing, or other direct marketing sales; (x) use and license the use of other marks (dissimilar from PGF trademarks) in the sale of products and services (other than the Products) similar to, or different from, those Franchisee sells, whether in alternative channels of distribution, in businesses the same, or similar to, or different from Purchase Green Businesses, at any locations, and on any terms, without granting Franchisee any rights to thereto; and (xi) engage in any activities not expressly prohibited in this Agreement.

g. For purposes of this Section 5, a "National Account" is a business, organization, government or quasi-government entity or other entity that has operations or represents a customer-base, directly or through others, or is an architect, contractor, designer, installer, end user of products, reseller or consultant, operating in two or more franchise territories, or with at least ten (10) locations, and has a National Account relationship with PGF or an affiliate of PGF. A National Account relationship includes any contractual relationship, strategic alliance or similar relationship with PGF or an affiliate of PGF to provide Products and related services to National Account locations for use or resale or to provide endorsements, assignments or referrals for Products and related services to customers.

h. PGF shall provide Franchisee an opportunity to provide Products and related services to National Accounts at locations in the Territory or to a customer in the Territory endorsed, assigned or referred to PGF by the National Account on terms in a National Account relationship (e.g., qualifications, conditions for availability, installation expertise, price, discounts, and other requirements.) If, within ten (10) days of contacting Franchisee, Franchisee is unable to provide the Products and related services or does not elect to provide the Products and related services on such terms, then PGF, PGF's affiliate or designees, including other franchisees or distributors, may do so. Failure or refusal by Franchisee to serve a National Account with respect to one transaction shall not constitute a failure or refusal by Franchisee to serve said National Account with respect to subsequent transactions but after PGF arranges for another party to service a particular National Account, that provider may continue to do so and so long as the other

party services the National Account, PGF is not required to offer that opportunity to Franchisee. If Franchisee fails or refuses to serve a National Account, Franchisee will not be entitled to receive compensation from PGF or other party providing products and services to such National Account with respect to the specific underlying transaction. PGF is not required to refer to Franchisee a National Account that expresses a preference for another provider, whether on its own initiative or in response to an inquiry from PGF or its affiliates.

6. Franchisee Responsibilities.

Franchisee shall:

a. Operate the Business in compliance with the provisions, standards and procedures contained in this Agreement and in the Operating Manual.

f. Maintain the Location as a showroom, sales office and warehouse for display of and sales of all Products. Artificial grass samples shall be at least 16" x 35" in size, or as otherwise approved by PGF.

g. Establish and maintain the Location, and any additional business location(s) approved in writing by PGF for the display, presentation and sale of Products and, with regard to the warehouse, for inventorying and storage of Products, within the Territory at the location(s) approved in writing by PGF and not at any other location(s). PGF reserves the right to withhold approval of a proposed showroom and/or warehouse location that does not meet location criteria in the Operating Manual.

h. Open the showroom to the public and fully staff the showroom at least fifty (50) hours per week Monday through Friday during the first twelve (12) months of operation and increasing to fifty-six (56) hours per week Monday through Saturday thereafter, appropriately reduced for weeks in which holidays are observed . PGF shall have the right to modify the minimum days and hours the Location must be open in the Operating Manual.

i. Extend to customers PGF's warranty for Products in effect at the time of retail sale. Franchisee acknowledges that no other warranty by PGF or any affiliate of PGF is expressed or implied. Franchisee shall not purport to bind PGF or its affiliate to any warranty in excess of PGF's warranty.

k. Explain to customers the proper installation, use and maintenance instructions for the Products in accordance with PGF's written instructions.

l. Ensure compliance with customer service benchmarks and performance standards in the Operating Manual and other operating procedures, memoranda and instructions PGF provides from time to time. Regardless of Section 7(h), if Franchisee fails to materially comply with a PGF's performance standards, whether due to insufficient staff, untrained or insufficiently trained staff, failure regarding operating hours, inadequate inventory, or other reason, or is in material breach of this Agreement, or of a requirement in the Operating Manual, then without waiving the breach, and in addition to other remedies, PGF reserves the right to service Franchisee's leads as PGF sees fit regardless of whether they are in the Territory, without any obligation to Franchisee, until a time after acceptable performance standards (as determined by PGF) are reestablished and maintained by Franchisee (but without assurance, and the foregoing does not imply, that this Agreement will continue in effect and not be terminated before such time).

m. Devote full time and attention to managing and supervising operation of the Business. If PGF allows Franchisee to devote less than full time, which PGF may decline to do in its reasonable discretion, then Franchisee must employ and retain an individual who shall be vested with the authority and responsibility for the day-to-day operations of the Business (the "Manager"). The Manager must always meet the following qualifications: (i) actively supervise and manage the business on a full time basis and devote his or her full time and commercial best efforts solely to operation of the Business and to no other business activities; (ii) meet PGF's criteria for such position, as set forth in the Operating Manual or otherwise in writing by PGF; and (iii) successfully complete the initial and any other training program designated by PGF to PGF's satisfaction. If Franchisee is a business entity, Franchisee must designate a Manager acceptable to PGF who will be principally responsible for communicating with PGF about operational and other ongoing matters concerning the Business. If Franchisee operates more than one (1) franchised Purchase Green Business, Franchisee shall devote at least a forty (40) hour work week among all the Purchase Green franchised Businesses Franchisee operates and employ at least one (1) Manager for each such business.

n. Ensure that, at all times, Franchisee's primary showroom employee has completed PGF's then-current training requirements and satisfied PGF regarding his or her Product and operational knowledge. This includes prior to the opening the showroom and warehouse for business and applies with regard to any subsequent primary showroom employee.

o. Operate the Purchase Green Business in compliance with all terms of this Agreement and the Operating Manual. Franchisee acknowledges and agrees that Franchisee alone shall exercise day-to-day control over all operations, activities and elements of the Purchase Green Business, including over Franchisee's employees, and under no circumstance shall PGF do so or be deemed to do so. Franchisee acknowledges and agrees the various requirements, restrictions, prohibitions, specifications and procedures of the Purchase Green Business, all of which Franchisee must comply with under this Agreement, the Operating Manual or otherwise, do not directly or indirectly constitute, suggest, infer or imply that PGF controls any aspect or element of day-to-day operations of the Business, but are only standards which Franchisee must satisfy in exercising Franchisee's control over the day-to-day operations of the Business.

p. Properly store, maintain and care for all Products held for potential sale or for which any amount is owed to PGF or its affiliate, to assure their proper quality when provided to customers and to protect against damage to appearance and quality and from loss from any cause.

In view of the 10-year duration of this Agreement, PGF shall have the right to increase the fee for Adtrack proportionally to changes in the actual cost per line and cost per minute paid to outside vendors for this service or any other reasonable basis. The base year cost is based upon a cost of \$10 per phone number, \$.08 per minute and \$30 per month per business intelligence dashboard.

s. Cooperate with PGF in PGF's review of Franchisee's performance, which may occur annually or at other frequency and/or intervals as PGF determines and cooperate in other programs or matters pertaining or relating to administration by PGF of this Agreement.

t. Not perform installation or other services or activities without having all licenses, permits and other authorizations required by laws and regulations applicable to Franchisee and the Business and making sure at all times to be in possession of all licenses, permits and other authorizations required to conduct and operate the Business.

u. Not purport to act as an agent of PGF or purport to incur any obligation or make representations on behalf of PGF.

v. Provide PGF a valid reseller permit and maintain the permit in good standing at all times. Franchisee acknowledges being aware that if at any time Franchisee lacks a valid reseller permit, then without waiving this breach and in addition to other remedies, PGF or its affiliate may decline to make sales and/or may add sales tax to sales made to Franchisee.

w. Submit proposed and planned advertising and marketing materials for the Products to PGF for pre-approval and not use any advertising and/or marketing materials prior to receiving approval from PGF, which approval shall not be unreasonably withheld or delayed.

x. Act in good faith in the performance of this Agreement.

y. Use Franchisee's commercial best efforts to carry out all Franchisee's responsibilities and obligations under this Agreement.

k. Provide PGF-developed artwork for advertising and marketing materials for contractor and homeowner sales.

l. Provide Franchisee with training for up to three (3) persons and support to include: warehouse requirements and setup; Product display; accounting setup and administrative support; inventory management; suggested pricing structures; and guidance on Product knowledge and installation procedures. If PGF determines that Franchisee or a person associated with Franchisee is unable to satisfactorily complete any part of training, PGF can require attendance at additional training to prove the ability to operate the Business to PGF's satisfaction or require Franchisee or a new approved designee to complete the training subject to PGF's then-current training requirements, or PGF may, at its option, terminate this Agreement upon notice to Franchisee.

m. Have the right to require Franchisee and personnel of Franchisee to attend and successfully complete new or refresher training at locations PGF designates. Such training may be conducted specifically for such persons or for a broader group of persons. Provided Franchisee is in full compliance with the Franchise Agreement, attendance shall not be mandatory at more than one (1) such additional or refresher training program in any calendar year and any such program shall not exceed five (5) business days in duration in any calendar year. Franchisee shall bear all expenses, including, without limitation, travel, lodging, meals and salaries in connection with attendance at such training programs.

n. Franchisee acknowledges and agrees that the results of Franchisee's efforts to operate the Business rest solely with Franchisee. Franchisor may make recommendations that it deems appropriate to assist Franchisee's efforts. However, Franchisee alone shall establish all requirements, consistent with the policies of Franchisor, regarding (i) employment policies, hiring, firing, training, wage and hour requirements, including minimum wage requirements, record keeping, including authorization of persons to work in the United States, supervision, and discipline of employees; (ii) the customers to whom Franchisee will offer and sell Products; and (iii) the suppliers from whom Franchisee obtains any products or services used in or at the Business for which Franchisor has not established designated or approved suppliers.

8. Purchase and Supply of Products.

a. PGF agrees to sell or arrange for its affiliate and/or other supplier(s) ("Designated Suppliers") to sell to Franchisee, and Franchisee agrees to buy from Designated Suppliers, the Products.

b. PGF shall have the right at any time(s) to introduce new products, withdraw authorization for Franchisee to offer and sell certain products (but if Franchisee objects to the withdrawal, Franchisee may request to continue to offer and sell such products, and PGF shall consider the request in good faith), stop and cause other Designated Suppliers to stop manufacturing or sales of existing products, modify products, and make any other kinds of changes to the products and combinations of products, and to make changes to prices, in each case without consulting Franchisee and without obligation or liability to Franchisee. PGF

shall provide Franchisee or inform Franchisee of the existence of updated and reviewed versions and new versions of the Products from time to time, reflecting such changes. Updates are deemed to occur pursuant to and do not constitute amendments to this Agreement.

c. PGF shall use reasonable efforts to notify Franchisee of changes to any of the Products at least thirty (30) days in advance but is not obligated to do so.

d. If Franchisee proposes to use or obtain products or services not approved by PGF, or from a source not designated by PGF as an approved supplier, Franchisee must request PGF's approval and submit specifications, photos, samples and other information PGF may request. PGF will determine if the item, service or supplier meets PGF's specifications and standards and notify Franchisee if Franchisee may use the proposed product or service or supply. It is estimated that it will take PGF between three (3) to six (6) months to review the proposed supplier and provide notification of its decision. Franchisee understands and agrees that this subsection d. and subsection e. below shall not apply to the Products which are available from Designated Suppliers, except as otherwise provided in this Agreement.

e. The parties acknowledge that Franchisee may identify a proposed item, service or supplier that may be, appears to be or is competitive with, equal to or better in terms of price, quality, features or service than items, services or suppliers approved by PGF. PGF has or could have at the time broader, longer term and other interests to advance, including but not limited to standardization and uniformity among franchisees, maintaining and growing volume of purchases with particular supplier(s), long-term supplier relationships, supply to a wider range of franchisees reliability of supply, distribution of products and services of PGF and affiliates, and other interests, PGF shall have the right, in its sole discretion, to decline approval of such item, service or supplier.

f. Franchisee understands and agrees that suppliers may offer or be willing to pay rebates, commissions or other consideration to PGF in connection with Franchisee's purchase of products or services, including the Products, and that PGF shall be entitled to receive and keep such payments without any obligation to account for or be subject to any restrictions.

g. Franchisee shall place orders for Products, using PGF's or the Designated Suppliers' then-current form of purchase order ("Purchase Order"). Franchisee may, in whole or in part, cancel or amend a Purchase Order submitted to PGF or a Designated Supplier for usual quantities of standard merchandise, up to the time when the product leaves PGF's or the Designated Supplier's warehouse for delivery to Franchisee.

9. Failure to Purchase Minimum Quantities.

a. If at any time, Franchisee fails to purchase Minimum Quantities, and PGF or a Designated Supplier or Suppliers has or have been ready, willing, and able to deliver the Product in at least Minimum Quantities, then as a remedy for such breach, on each occasion, and without waiving PGF's other rights and remedies under this Agreement, Franchisee shall pay PGF on demand, an amount equal the shortfall between the Minimum Quantity and the actual amount ordered. The time of payment of such amount shall be within ninety (90) days after the end of the Minimum Quantities annual period.

10. Failure to Fulfill Purchase Requirements.

a. If (a) PGF or a Designated Supplier fails to supply Franchisee with Product in quantities ordered by Franchisee pursuant to properly submitted Purchase Orders, (b) PGF or the Designated Supplier has been given a reasonable period of time to fill such orders, (c) Franchisee has given PGF written notice of such failure, (d) Franchisee is ready, willing and able to buy and timely pay for the Product in such amounts, (e) Franchisee is current on all amounts due to PGF and the affiliate and all other suppliers and creditors, and (f) Franchisee is otherwise in material compliance with this Agreement, then, Franchisee

shall have the temporary right to obtain only the portion of Franchisee's then present order (including quantity) not able to be fulfilled by PGF or the Designated Supplier (but not stocking of material future inventory) of such unavailable Product (or comparable product) from other suppliers. Franchisee shall notify PGF in writing of the exercise of such right and shall keep PGF fully informed in writing of the supplier, product involved, quantity(s) ordered and purchased, order and delivery dates. Franchisee shall obtain PGF's approval for the substitute supplier as set forth in Section 8(d). Products purchased by Franchisee from alternate suppliers pursuant to and in full compliance with the provisions of this Section 10 shall count toward the Minimum Quantities required under this Agreement.

b. The temporary right in Section 10(a) to purchase from alternative suppliers is limited to only to the Product and quantity and only during such time that PGF or the Designated Supplier is unable to supply the Product. As soon as PGF or the Designated Supplier notifies Franchisee that the Designated Supplier is able to supply such Product, the temporary right automatically expires and the requirement to purchase exclusively from PGF or the Designated Supplier resumes. These provisions of this Section 10 are Franchisee's sole right and remedy for failure of PGF or a Designated Supplier to supply any Product.

11. Delivery of Products / Shipping.

PGF or the Designated Supplier shall deliver the Products to a location designated by Franchisee in the applicable Purchase Order (the "Delivery Point") which shall normally be the Location. PGF or the Designated Supplier will use commercially reasonable efforts to ship Product(s) within to two (2) business days of receipt of a Purchase Order. The Designated Supplier shall be responsible for the Products, and all risk of damage, loss, or delay of delivery, until the Products are delivered at the Delivery Point. Once the Products delivered to the Delivery Point, Franchisee bears all responsibility for and risk of loss or damage. If Franchisee chooses to accept delivery at PGF's or the Designated Supplier's warehouse, PGF's or the Designated Supplier's warehouse shall be the Delivery Point for purposes of this Section 11.

12. Warranty and Limitation of Remedies; Disclaimer.

a. PGF warrants, or will cause to be warranted, that Products supplied by PGF or the Designated Supplier shall be free from material defects as indicated on its standard limited warranty. PGF or the Designated shall have the right to modify its standard limited warranty from time to time in its discretion; provided Franchisee shall always provide extended warranty provisions that are at least comparable to those general terms provided to other customers of PGF or the Designated Supplier.

b. If a warranty claim is made, PGF's and the Designated Supplier's entire liability, and Franchisee's exclusive remedy, shall be, at Franchisee's option, to replace the defective Product within a reasonable time after written notification and return of the defective Product to PGF or the Designated Supplier, or a credit in the amount equal to the original invoiced amount for the defective Product.

c. THE WARRANTIES MADE UNDER THIS SECTION 12 ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTY OF MERCHANTABILITY, IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, ANY IMPLIED WARRANTY ARISING OUT OF A COURSE OF DEALING OR OF PERFORMANCE, CUSTOM OR USAGE OF TRADE, EXCEPT OF TITLE AND AGAINST PATENT INFRINGEMENT.

13. Inspection and Acceptance.

a. Franchisee must inspect any delivery of Products received from PGF or the Designated Supplier and notify PGF or the Designated Supplier in writing within one (1) day after delivery, of all defects that are or would be apparent in any such an inspection. Franchisee must notify PGF or the Designated Supplier in writing within five (5) days after delivery, of all defects not apparent upon receipt

of the Products. If Franchisee fails to notify PGF or the Designated Supplier of defects within such time periods, the shipment of Products shall be deemed accepted. Franchisee shall allow PGF or the Designated Supplier to inspect any Products alleged to be defective. If Franchisee believes there is a defect in the Product(s) and notified PGF or the Designated Supplier as required in this Section 13, then at PGF's or the Designated Supplier's request, Franchisee must ship such Products to PGF or the Designated Supplier; provided, however, PGF or the Designated Supplier shall pay any freight charges for such shipment.

b. PGF or the Designated Supplier shall supply Products to Franchisee at prices specified in PGF's or the Designated Supplier's price list, published from time to time. The price of each Product includes packaging costs, applicable taxes (excluding sales tax, as Franchisee will make purchases using a valid resellers permit), customs duties, export duties, or similar tariffs or fees PGF or the Designated Supplier may be required to pay or collect. Franchisee will not be charged for insurance or storage of Products by PGF or the Designated Supplier. PGF or the Designated Supplier may update the price sheet annually or sooner if the price of raw materials, fabrication, ocean transit charges, duties, labor, insurance, or other inputs increase.

c. PGF or the Designated Supplier will send invoices to Franchisee, and Franchisee shall pay PGF or the Designated Supplier, at the address stated on the invoice. Franchisee shall pay in full within fifteen (15) days of invoice date, except that payment prior to shipment shall be required until the Initial Franchise Fee has been paid in full. Title in and to the Products shall pass from PGF or the Designated Supplier to Franchisee on Franchisee's possession of the Products (i.e., at the time of pickup, if the Products are picked up at PGF's or the Designated Supplier's location, or at the time of delivery to and acceptance by, Franchisee, if the Products are shipped by a carrier arranged by PGF or the Designated Supplier.)

d. If Franchisee does not fully and timely pay open invoices, PGF or the Designated Supplier has the right to require prepayment to PGF or the Designated Supplier of invoices prior to shipment of Products.

e. Invoices and any amount not paid within thirty (30) days of the invoice date will incur a one percent (1%) per month finance charge (or the highest rate permitted by applicable law) assessed against the unpaid balance from the date due, until paid. This charge is not permission for late payment and does not excuse the breach.

f. PGF or the Designated Supplier may set a credit limit and payment terms and may modify the limit and terms to protect PGF's or the Designated Supplier's interest.

g. Payment to PGF or the Designated Supplier shall be by cash, check or ACH payment. Payment by credit card will incur a three percent (3%) convenience fee. PGF or the Designated Supplier shall have the right to limit payment methods and/or designate a specific method. When PGF or the Designated Supplier permits or requires payment by ACH, Franchisee shall execute and deliver to PGF or the Designated Supplier the authorization(s), pre-authorized check forms and other instruments or drafts required by PGF's or the Designated Supplier's bank, to enable PGF or the Designated Supplier to draw amounts from Franchisee's bank account(s) payable to PGF or the Designated Supplier. If a payment instrument or attempt is refused for insufficient funds or other reason, PGF or the Designated Supplier may, at its discretion, attempt to process the charge again and charge an additional processing fee. PGF or the Designated Supplier shall have access to the account for the purpose of receiving payment for invoices and other amounts which Franchisee owes to PGF or the Designated.

h. Any check or other payment instrument returned as unpaid for any reason shall incur a rejected payment fee. As of the Effective Date, the fee amount is one percent (1%) of the check or other payment per month plus fifty dollars (\$50), provided PGF or the Designated Supplier may increase this fee from time to time and further provided that the amount charged shall not exceed the highest amount or rate permitted under applicable law.

14. Intellectual Property.

a. PGF grants Franchisee a non-exclusive, non-transferable, non-sublicensable, non-divisible license to use the PGF IP in the normal course of reselling the Products and performing related services under this Agreement.

b. PGF reserves all rights to the PGF IP, except as specifically granted to Franchisee in this Agreement. PGF may exercise reserved rights at any time. PGF has the right to terminate Franchisee's right to use any of the properties comprising PGF IP at any time upon written notice to Franchisee.

Franchisee shall not make any change to marketing, advertising, or packaging without prior written approval of PGF.

e. Franchisee is not entitled, by implication or otherwise, to any title, interest or goodwill in any of the PGF IP. All goodwill arising from or developed from Franchisee's use of PGF IP shall belong solely to PGF.

f. Franchisee's license to use the PGF IP is limited by the terms of this Agreement. Franchisee shall always comply with all restrictions and limitations imposed by PGF from time to time.

g. Franchisee shall not use PGF's name as part of Franchisee's name or in any manner that may misrepresent or may confuse others about the relationship between Franchisee and PGF, except as provided herein.

h. Franchisee will be identified as "**Purchase Green [TERRITORY NAME]**" or mutually agreed equivalent, on PGF's website, printed literature, and elsewhere that PGF identifies Franchisee. Franchisee shall use this identifier in marketing and sale of the Products. Franchisee shall promptly obtain all approvals and make all filings required by any government authority to use this identifier. Franchisee shall not use a different identifier without first obtaining written consent from PGF.

i. Franchisee shall prominently state in all printed materials that identify Franchisee: "An Independently Owned, Authorized Purchase Green® Franchisee."

j. Any installation contract or contract for services must list Franchisee's legal business name, as stated in subsection h above. Contracts entered into by Franchisee shall not include or omit any term or phrase or content or disclosure, that may lead a customer to believe the customer is contracting with PGF.

k. If Franchisee becomes aware of or suspects any third-party infringement of the PGF IP, Franchisee shall promptly inform PGF and provide sufficient details (to the extent in Franchisee's possession) to identify the actual or potential infringement. PGF shall have the right to take or not take action as PGF deems appropriate and shall have no obligation to take any action or any particular action. Franchisee shall not take any action with regard to a potential or actual infringement without PGF's prior written consent.

l. Franchisee must notify PGF within three (3) business days of becoming aware of any action, claim or demand against Franchisee relating to its use of the PGF IP.

m. If it becomes advisable at any time, in PGF's discretion, to change or stop using any of the trademarks, copyrighted works or any of the PGF IP or adopt or use one or more additional or substitute trademarks or additional or substitute PGF IP, then Franchisee shall conform all use to the manner requested by PGF. PGF shall not have any obligation to pay or reimburse Franchisee for expenses associated with any such changes and Franchisee waives any other claim arising from or relating to any such change.

n. Franchisee shall not commit or permit acts or things that conflict with PGF's rights in the trademarks, any copyrighted works or other PGF IP and shall not contest or assist any person or entity to contest validity or PGF's ownership in and to any of the PGF IP. Franchisee shall not apply for or accept any registration in any of the PGF IP. Franchisee agrees to execute any document that PGF requests of Franchisee to protect PGF's interests in and to the PGF IP.

15. Operating Manual.

a. Franchisee must at all times treat the Operating Manual, any other manuals created for or approved for use in the operation of the Business, and the information contained therein as Confidential Information. Franchisee must maintain the information as secret and confidential, in accordance with Section 16 of this Agreement and including, without limitation, the following: Franchisee must not, at any time, without PGF's prior written consent, copy, duplicate, record, or otherwise reproduce the foregoing materials, in whole or in part, and not make any of these available to any unauthorized person. The persons who are authorized include management personnel who have executed the Employee Non-Competition and Non-Disclosure Agreement, attached as Exhibit D.

b. The Operating Manual shall at all times remain PGF's sole property. Franchisee must return the Operating Manual to PGF immediately on expiration or termination of this Agreement.

c. The Operating Manual will contain specifications, standards, operating procedures and rules for operating the Business and information relative to Franchisee's obligations. PGF may, from time to time, revise the contents of the Operating Manual when PGF considers revisions to be necessary or useful to improve or maintain standards for Purchase Green Businesses, and Franchisee agrees to comply with each new or changed standard. Revisions to contents of the Operating Manual shall be deemed effective ten (10) days after the date of mailing or providing the of the revision electronically, unless PGF specifies another earlier or later effective date.

d. PGF may modify standards for any particular franchisee based on circumstances PGF considers appropriate. PGF's modifications of standards for a particular franchisee does not mean Franchisee will be permitted to follow the modified standard, and Franchisee acknowledges and agrees PGF is not required to provide Franchisee with a like modification of such standard.

16. Protection of Confidential Information.

a. Any and all information, knowledge and know-how, including, without limitation, operating procedures, sources of supplies, equipment, specifications, techniques, and other data that PGF designates as confidential shall be deemed Confidential Information, except information which Franchisee demonstrates that Franchisee knew prior to disclosure by PGF to Franchisee; or which, at the time of disclosure by PGF to Franchisee, was already part of the public domain through publication by others who are not bound by such confidentiality obligations; or which, after disclosure to Franchisee by PGF, becomes part of the public domain through legal publication by others, but only from and after the time of such publication.

The covenants must expressly identify PGF as a third-party beneficiary of such covenants with the independent right to enforce them.

d. Franchisee acknowledges and agrees that any actual or threatened failure to comply with requirements of this Section 16 will cause PGF immediate and irreparable injury, not fully compensable or remediable by payment of money damages, permitting PGF with or without notice to seek and obtain immediate injunctive relief without need to post a bond. Franchisee agrees to pay all court costs and reasonable attorneys' fees incurred by PGF when PGF seeks specific performance or an injunction or other relief against threatened or actual violation by Franchisee of the requirements of this Section 16.

e. This Section 16 supplements and is additional to and does not supersede any previously executed Confidentiality and Non-Disclosure Agreement between the parties. The obligations under any such multiple agreements shall be cumulative.

17. Advertising.

a. Franchisee must use for Franchisee's advertising and promotion activities only materials, concepts and programs provided by PGF or approved in advance by PGF, which approval will not be unreasonably withheld or delayed. For any proposed materials PGF has not approved, Franchisee must submit the materials to PGF for PGF's review. PGF will try to notify Franchisee within five (5) business days after receipt of the proposed advertising and promotion materials whether they are approved. Proposed materials are not approved unless and until PGF provides written approval. Any advertising materials Franchisee submits for review become PGF's property (to which Franchisee has a license as long as this Agreement is in effect), and PGF may use or distribute these in any manner PGF deem appropriate, including permitting use by other franchisees, without compensation or attribution to Franchisee.

Franchisee must not maintain an internet website or otherwise maintain a presence or advertise on the internet or other computer network without PGF's prior written consent. PGF will establish Franchisee's internet domain name and website, which will at PGF's discretion, be a page or portion within PGF's website, or a website separate from PGF's website with a distinct domain name. PGF will have sole authority to establish the domain name and website. Franchisee must assist PGF in customizing the website for the Business. PGF shall have the rights, at all times, for PGF or its designee to own the website and domain name for the Business, edit its contents and/or suspend its accessibility in whole or in part.

c. Franchisee must conduct local advertising in the Territory, using vendors approved by PGF. PGF will provide Franchisee promotional materials including, without limitation, business cards, and on each occasion an initial starting supply of brochures. If Franchisee wishes to purchase additional copies of these materials, Franchisee agrees to pay PGF's then-applicable duplication costs.

d. Franchisee agrees to spend each calendar quarter for advertising in the Territory, an amount equal to at least the lesser of (i) two percent (2%) of Franchisee's Gross Revenues for the prior calendar quarter, or (ii) Seven Thousand Five Hundred Dollars (\$7,500). "Gross Revenues" means the total of all receipts and revenues derived from the sale or delivery of merchandise and/or services, receipts and revenues from any source and of any other kind or nature, whether in cash, credit, check, credit card,

To the extent Franchisee spends more than the required amount in any calendar quarter, Franchisee shall receive a credit for required expenditures in the next ensuing calendar quarters, not to exceed two (2) calendar quarters. On PGF's request, Franchisee must provide PGF with proof of all expenditures for local advertising, including such detail, receipts, proofs of publication and other documentation as PGF may require.

e. Alternatively, PGF may require that Franchisee contribute to a marketing fund (the "Marketing Fund") an amount specified by Franchisor, not exceeding the required expenditures under Section 8.d.

f. The Marketing Fund, if and when established, shall be maintained and administered by Franchisor or its designee, as follows:

a. Franchisor or Franchisor's designee shall direct all advertising programs with sole discretion over the creative concepts, materials, media, placement and allocation.

b. The monies contributed toward the Marketing Fund may be used to meet any and all costs of maintaining, administering, directing, producing and preparing promotions and advertising including, without limitation, the cost of conducting public relations activities, advertising and producing promotional brochures and other marketing materials to franchisees in the PGF system. These monies contributed toward the Marketing Fund may be commingled with our other funds or kept in a separate account from our other monies.

d. Franchisor maintains the right to terminate the Marketing Fund. The Marketing Fund shall not be terminated, however, until all monies contributed toward the Marketing Fund have been expended for advertising and promotional purposes or returned to franchisees. If terminated, Franchisor reserves the right to restart the Marketing Fund.

e. An accounting of the monies contributed to the Marketing Fund shall be prepared annually and made available to Franchisee on request. Franchisor reserves the right, at its option, to require that the annual accounting include an audit of the monies contributed to the Marketing Fund prepared by an independent certified public accountant selected by Franchisor and prepared at the expense of the Marketing Fund.

f. Franchisee must not advertise or use in advertising or any other form of promotion, PGF's copyrighted materials, trademarks, service marks or commercial symbols without the appropriate © or ® registration marks or designation TM or SM where applicable. PGF reserves the right to require Franchisee to obtain updates, modifications and new versions of and/or to change required software from time to time and/or to adopt and use a computer point-of-sale (POS) system specified by or meeting specifications set by PGF. Franchisee shall comply at Franchisee's cost. Franchisee must provide PGF at all times, with on-line access to the POS system and all data and information.

d. To enable PGF to verify advertising expenditures to be made by Franchisee, and to be informed of Franchisee's compliance, Franchisee must provide PGF periodic written reports in such form and at such frequency as PGF prescribes.

19. Audit and Inspection.

a. PGF and PGF representatives shall have the right at PGF's cost (subject to subsection (b) below) and during business days (which may include weekends or holidays when Franchisee operates on those days) and without prior notice to enter the Business or other location where books and records relating to the Business are kept, and inspect, copy and audit the books and records, including, without limitation, Franchisee's state and federal income tax, sales and use tax and personal property tax returns. Franchisee waives any privileges regarding tax returns and other tax information. Franchisee must cooperate with the inspection and/or audit and provide and explain all records requested by PGF or its representative.

b. If an audit or inspection discloses that Franchisee obtained and/or sold unauthorized merchandise, underpaid amounts due to PGF or its affiliates, did not expend amounts for advertising in the Territory required by this Agreement, or materially breached this Agreement in any other way, Franchisee shall pay the underpaid amount (plus any applicable interest) and/or damages caused immediately, and make the required advertising expenditures immediately, or over such time frame as is acceptable to PGF. If the audit or inspection is conducted due to Franchisee's failure to provide required reports, or due to other irregularity or noncompliance by Franchisee, or if an inspection or audit reveals an understatement of two percent (2%) or more of any amounts reported by Franchisee to PGF for any reporting period, Franchisee must pay the underpaid amount (plus any applicable interest) and/or damages caused immediately, and, in addition, reimburse PGF's actual out-of-pocket costs associated with conducting the inspection and/or audit. These remedies do not permit underreporting, underpayment, under-expenditure for advertising or other breach and do not waive the breach and are additional to other rights and remedies of PGF under this Agreement or applicable laws.

c. Franchisee acknowledges and agrees that the nature and quality of all products and services provided by Franchisee under the PGF IP, all goods and products sold by Franchisee; the operation of the

b. For purposes of Section 20(a) the reference to various kinds of actions or omissions by Franchisee, includes Franchisee and any of Franchisee's agents, servants, employees, contractors, partners, proprietors, affiliates, or in any manner in connection with the Business. The term "losses, costs and expenses" shall expressly be deemed to include any exemplary or punitive damages and any and all fines, charges, costs, expenses, reasonable attorneys' fees, reasonable experts' fees, court costs, settlement amounts approved by Franchisee and judgments. Franchisee agrees to give PGF immediate notice of any such allegation, action, suit, proceeding, claim, demand, inquiry, or investigation.

c. At Franchisee's expense and risk, PGF may elect to assume (but is not obligated to undertake) the defense and/or settlement of any action, suit, proceeding, claim, demand, inquiry or investigation, provided PGF will seek Franchisee's input and approval for, and keep Franchisee informed regarding, settlement(s) PGF proposes to offer or accept.

21. Grounds for Early Termination.

a. This Agreement may be terminated by the Franchisee, at any time, for material breach of any provision of this Agreement by PGF, if PGF's material breach is not cured within sixty (60) days after receipt of written notice from Franchisee identifying the breach and demanding that it be cured, provided

that if such breach is of the type that cannot be cured within such sixty (60) day period, PGF shall be given a reasonable period of time thereafter to cure such breach.

b. This Agreement may be terminated by either party at any time, without prior notice, if the other party institutes a proceeding seeking relief under the Bankruptcy Code or similar law, makes an assignment for the benefit of creditors, or admits in writing its inability to pay its debts as they become due.

c. This Agreement may be terminated by PGF in the event Franchisee fails to purchase the Minimum Quantities during any calendar year. a. In-Term Covenants

Franchisee acknowledges that, pursuant to this Agreement, Franchisee will receive valuable training and Confidential Information, including, without limitation, information regarding promotion, operation, sales, and marketing methods and techniques of a Purchase Green Business, and that the restrictions against competing in this Section 25 are fair and reasonable and will not impose undue hardship on Franchisee, that Franchisee has other considerable skills, experience, and education which afford Franchisee the opportunity to derive income from other endeavors. Franchisee agrees that during the term of this Agreement Franchisee will not, directly or indirectly, or through or in conjunction with any person, persons, or entity, do any of the following:

c. Amendment of Covenants

Each of the covenants contained in this Section 25 shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of any covenant contained in this Section 25 is held to be unreasonable or unenforceable by a court or arbitrator having jurisdiction to which PGF is a

party, the court or arbitrator is authorized to enforce, and Franchisee agrees to be bound by, the lesser covenant, lessened on a mile-by-mile radial basis, and lessened on a month-by-month basis and lessened by any discreet activity description, that is subsumed within the terms of the covenant, that imposes the maximum duty permitted by law as if the resulting covenant were separately stated in and made part of this Section 25.

d. Injunction

Franchisee acknowledges and agrees that any threatened or actual failure to comply with the requirements of this Section 25 would cause PGF to suffer immediate and irreparable injury for which no adequate remedy at law may be available, and Franchisee consents to entry of injunctive relief, granted without need for posting of bond, prohibiting conduct by Franchisee and persons and entities acting in concert or cooperation with Franchisee, in violation of the terms of this Section 25.

e. Additional Covenants

At PGF's request, and upon advice of Franchisee's legal counsel that such practices are legal and enforceable in the local jurisdiction(s) in which Franchisee operates (provided, that, if Franchisee's legal counsel is unable to provide such advice, then Franchisee shall inquire to counsel and inform PGF as to the maximum of the following that can be done legally in such jurisdiction(s)), Franchisee shall require and obtain execution of covenants substantially similar to those in this Section 25 (including covenants applicable on the termination of a person's relationship with Franchisee) from: (a) key persons employed by Franchisee who received training from PGF; (b) members, managers, directors, officers and holders of a beneficial interest of five percent (5%) or more of the securities or interests in Franchisee, and of any entity directly or indirectly controlling Franchisee, if Franchisee is an entity; and (c) the general partners and any limited partners (including any entity, and the members, managers, directors, officers and holders of a beneficial interest of five percent (5%) or more of the securities of any entity which controls, directly or indirectly, any general or limited partner), if Franchisee is a partnership. Each covenant required to be executed pursuant to this Section 25 shall be on a form supplied by or approved by PGF, including, without limitation, identification of PGF as a third-party beneficiary of the covenants with the independent right to enforce them. The form attached as Exhibit D shall be deemed to be satisfactory to PGF.

26. Insurance.

a. Prior to opening the Business, Franchisee must obtain the following insurance coverage under policies of insurance issued by carriers having an A.M. Best rating of "A" or better and otherwise satisfactory to us: (1) general and professional liability, One Million Dollars (\$1 million) per occurrence and Two Million Dollars (\$2 million) in the aggregate; (2) employment practices liability insurance of at least One Million Dollars (\$1 million); (3) workers' compensation or other employer's liability required under applicable law; (4) auto, including non-owned auto liability, of at least One Million Dollars (\$1 million); (5) insurance required by any property or equipment lease; (6) property insurance, at greater of the fixed assets of the Business, equipment and usual inventory value, or One Hundred Thousand Dollars (\$100,000); (7) Cyber security and data privacy coverage of at least Five Million Dollars (\$5,000,000); and (8) all other insurance required under applicable law.

b. Each policy shall provide that it shall not be materially modified, cancelled, terminated or nonrenewed without at least forty-five (45) days written notice to PGF from the insurer; not contain any exclusion for claims between insureds; name PGF and PGF's affiliates and their owners, members, managers, directors, officer and employees as additional insureds; and be with insurance carriers having a Best rating of "A" or better and be otherwise satisfactory to PGF.

c. PGF may from time to time increase or decrease amounts of coverage required under Section 26(a), above and require different or additional kinds of insurance, including excess liability

insurance, to reflect inflation, identification of new risks, changes in activities authorized for the Business, changes in law or standards of liability, higher damage awards, or other relevant changes in circumstances.

d. Franchisee must provide PGF with a complete copy of each policy upon obtaining the policy and whenever requested by PGF. Before expiration of the term of each policy, Franchisee must provide PGF a certificate of insurance for each policy to be maintained for the upcoming term.

e. If Franchisee does not maintain required insurance or does not furnish a copy of the policy or other evidence, satisfactory to PGF, of the required insurance coverage and payment of premiums, PGF may obtain, at PGF's option and in addition to PGF's other rights and remedies, any required insurance coverage on Franchisee's behalf or portions of the coverage provided PGF has no obligation to do so. If PGF does so, Franchisee must fully cooperate with PGF's effort to obtain the insurance, promptly execute all forms or instruments required to obtain or maintain the insurance, allow any inspections of the Business which are required to obtain or maintain the insurance and pay to PGF, on demand, any costs and premiums incurred. Any such action or inaction by PGF does not waive Franchisee's breach of the obligations contained in this Section 26.

f. Franchisee's obligation to maintain insurance coverage provided above is not reduced in any way by reason of any separate insurance PGF maintains or does not maintain.

27. Transfer.

a. Assignment by PGF

PGF will have the right to assign, transfer or sell PGF's rights under this Agreement to any person or entity, in whole or in part, on one or more occasions. Upon assignment and assumption, PGF shall be under no further obligation hereunder, except for any accrued liabilities. Franchisee acknowledges and agrees that PGF may go public; engage in a private placement of some or all of PGF's securities; merge, acquire entities, be acquired; and/or undertake refinancing, recapitalization, leveraged buyout or other economic or financial restructuring. These may include any such transactions with or involving competitive or non-competitive franchises, chains or other business, regardless of location(s). In certain instances, such locations could be close to or overlap the Location or Territory or area in which Franchisee provides services.

b. Assignment by Franchisee

Neither Franchisee's interest in this Agreement nor any of Franchisee's rights hereunder, nor the Business nor any interest therein, may be assigned, transferred, shared or divided, voluntarily or involuntarily, directly or indirectly, in whole or in part, without PGF's prior written consent, which consent shall not be unreasonably withheld, and without Franchisee first complying with this Section 27. The term "assignment" includes actual or purported assignment, sale, transfer or other arrangement having the purpose or effect of shifting ownership or control of interests in the Business. Any actual or purported assignment of this Agreement or of the Business in violation of the terms in this Agreement shall be null and void and of no effect and shall be an incurable breach of this Agreement. Actual or purported transfer in the aggregate of twenty-five percent (25%) or more of the Business or in Franchisee shall be deemed to be an assignment of this Agreement.

c. Conditions to Consent to Transfer

PGF can require or make any or all of the following conditions to giving consent to a proposed assignment:

(i) The proposed assignee must submit an application meeting PGF's requirement with curriculum vitae/resume and credit application and must consent to a background/credit check and any additional investigation to be conducted by PGF or by a service provider PGF designates.

(ii) The proposed assignee and its owners must demonstrate skills, qualifications, licensing and economic resources necessary, in PGF's reasonable judgment, to conduct the Business and to fulfill its obligations to Franchisee and to PGF.

(iii) The proposed assignee and its owners must expressly assume in writing all Franchisee's obligations under this Agreement.

(iv) As of the date of assignment, Franchisee shall have fully complied with all Franchisee's obligations to PGF, whether under this Agreement or law or any other agreement, arrangement or understanding with PGF.

(v) Franchisee must pay PGF a transfer fee equal to the greater of Seven Thousand Five Hundred Dollars (\$7,500) or two percent (2%) of the non-contingent consideration due to Franchisee as of the closing date of the transfer (and for a transfer to a controlled entity of Franchisee, Two Thousand Five Hundred Dollars (\$2,500)). This payment shall be due and payable to PGF upon closing of the transfer; provided, however, that, if the transfer does not close, Franchisee shall reimburse PGF for all of its actual out-of-pocket expenses incurred in connection with its review of the transferee.

(vi) The proposed assignee or the individual designated as its manager shall satisfactorily complete the training then required of all new franchisees, at the expense of Franchisee or assignee, also including payment of Franchisor's reasonable charge for training the proposed assignee or its manager.

(vii) PGF shall be provided full copies of all proposed final agreements between Franchisee and proposed assignee and correspondence that adds to, modifies or otherwise impacts the terms of such proposed agreements.

(viii) Franchisee and its owners shall have executed a general release in a form satisfactory to PGF of any and all claims against PGF, its affiliates and their respective shareholders, members, managers, directors, officers and employees in these entities in their entity and individual capacities, including, without limitation, claims arising under federal, state and local laws, rules and ordinances.

(ix) Other conditions and requirements that are reasonable in the circumstances for PGF to impose.

Franchisee acknowledges and understands the proposed assignee may not be affiliated in any way with a competitor of PGF.

28. Death or Disability.

a. On Franchisee's death, or if Franchisee is determined to suffer a legal incapacity (or, if Franchisee is an entity, then on death or legal incapacity of the shareholder, member, manager, officer or partner principally responsible for the operation of the Business), the Franchisee's legal representative shall transfer this Agreement and the Business to a third party approved by PGF in accordance with the transfer and assignment provisions of this Agreement, provided PGF will approve the transfer of Franchisee's interest to Franchisee's heirs, legatees, personal representatives or conservators, surviving partner(s) or fellow shareholder(s), as applicable, and such transfer shall not give rise to PGF's right of first refusal to purchase the Business set forth in Section 32, subject to the following conditions:

(i) The heirs, legatees, personal representatives, conservators, surviving partner(s) or fellow member(s) or shareholder(s), as applicable, meet PGF standards for qualification of new franchisees and agree in writing to be bound by the terms and conditions of this Agreement.

(ii) Within ninety (90) days of the death or incapacity, a person designated by Franchisee's heirs, legatees, personal representative(s), conservator(s), surviving partners or fellow shareholders/members, as applicable, shall have satisfactorily completed PGF's then-current training requirements.

(iii) Until the person(s) indicated above have qualified, PGF may elect to, but is not obligated to, conduct interim operation as provided in Section 30.

29. Additional Training.

In the event of a valid and complete assignment of the Business by Franchisee or an interest in Franchisee to a third party, or the assignment in event of death or disability of Franchisee or any person identified in Section 28, or other circumstances wherein in PGF's judgment additional training may be needed, PGF will be willing to provide training to the third party according to PGF's then-applicable training procedures; PGF may require the assignee franchisee to pay the then-current training fee for each individual required or designated to be trained, in addition to any fees or other requirements related to the assignment.

30. Operation by PGF.

To reduce or avoid interruption of the Business operations which would cause harm to the Business, thus lowering its value, Franchisee authorizes PGF, at PGF's option, if Franchisee dies or is absent for any reason or is incapacitated by reason of illness or other reason and is unable, in PGF's judgment, to operate the Business satisfactorily, to operate the Business for as long as PGF reasonably deems necessary and practical, and without waiver of any other rights or remedies PGF may have under this Agreement or otherwise. All monies from the operation of the Business during operation by PGF shall be directed to a separate account, and expenses of the Business, including reasonable compensation and expenses for PGF representatives, shall be charged to and paid from that account. Franchisee agrees to pay PGF Five Hundred Dollars (\$500) per day for operation of the Business pursuant to this paragraph. That fee will be due regardless of the results of operation. Franchisee agrees to indemnify, defend and hold harmless PGF and any representative and personnel of PGF who may act hereunder to temporarily operate the Business, from any and all acts PGF or they may perform (excluding acts of gross negligence, willful misconduct or intentional misconduct). Franchisee releases all the foregoing for and agrees not to bring any claim or cause of action arising from or relating to actual or claimed failure, omission, deficiency or affirmative act of any kind or nature in their operation of the Business under this Section, but this sentence shall not apply to gross negligence, willful misconduct or intentional dishonesty. If in the course of such operation PGF discovers any breach of this Agreement or other irregularity in the operation of the Business, PGF shall have all applicable rights, claims and remedies as to any such breach or irregularity.

31. Transfer to a Corporate Entity.

If Franchisee wishes to transfer Franchisee's interests to an entity formed by Franchisee solely for convenience of ownership, Franchisee must obtain PGF's prior written consent. PGF can require or make any or all of the following, conditions to giving consent to the proposed assignment:

(a) Franchisee must be the owner of all the voting stock or membership interests or other applicable equity and voting interests of the entity, or, if Franchisee comprises more than one (1) individual, each such individual shall have the same proportionate ownership interest in the entity as he/she/it held in Business prior to the contemplated transfer.

(b) Appropriate forms of entity resolutions and minutes have been duly adopted and are furnished to PGF prior to the transfer.

(c) Franchisee pay PGF a transfer fee in the amount of Two Thousand Five Hundred Dollars (\$2,500.).

(d) Other conditions and requirements that are reasonable in the circumstances for PGF to impose.

32. Right of First Refusal.

Franchisee's right to assign, transfer or sell Franchisee's interest in this Agreement (voluntarily or by operation of law) and/or the Business shall be subject to PGF's right of first refusal. PGF shall have the right to be offered by Franchisee the opportunity to purchase the interest in this Agreement and/or the Business on the terms and conditions which have been offered to and accepted by a third party or offered by a third party and accepted or proposed to be accepted by Franchisee, in a wholly arms-length transaction. The right of first refusal shall be exercised as follows:

(a) Franchisee shall deliver to PGF a written notice stating all material terms and conditions of the proposed assignment, transfer or sale, stating the purchase price and information regarding the identity, financial standing and character of the proposed purchaser (the "Proposed Assignment").

(b) Within twenty-one (21) days after receipt of the notice containing all of the requisite information of the Proposed Assignment, PGF may, at PGF's option, purchase or identify a designee to purchase the interest in this Agreement and/or the Business on the terms and conditions in the notice and agreement attached thereto. PGF or its designee will have the rights to substitute money for any nonmoney consideration. If the agreement and terms include other assets or property, PGF or its designee will have the right, at PGF's election, to accept the transaction involving only the interest in this Agreement and/or the Business and not include the other assets or property with the price adjusted accordingly; provided, however, that if Franchisee (or its affiliates) owns several PGF franchised Businesses and all the Businesses are subject to the underlying transaction, the right of first refusal must be exercised for all such interest and/or the Businesses. If a transaction described in this Section 32 includes consideration other than money, or consideration of a unique nature that PGF or its designee is not in a position to match due to the unique nature, PGF or its designee shall have the right to substitute cash for the value of such other consideration.

(c) If PGF elects not to exercise the right of first refusal and consents to the assignment, transfer or sale, Franchisee shall, subject to the provisions of this Section 32, be free to assign this Agreement and/or the Business to the proposed assignee or transferee on the terms and conditions in the notice, subject to satisfaction of the other conditions to transfer provided for in this Agreement.

(d) The Proposed Assignment must close within sixty (60) days after PGF delivers notice of its intent not to exercise the right of first refusal. If the material terms contained in the notice are modified after submission to PGF, then PGF's right of first refusal shall start again. If the Proposed Assignment does not close within sixty (60) days after PGF delivers notice of its intent not to exercise the right of first refusal, PGF's right of first refusal shall start again.

(e) PGF's right of first refusal as provided in this Section 32 shall apply to the sale of any ownership interest in Franchisee by the owners of Franchisee.

33. Improvements and Inventions Belong to PGF.

Any improvements, inventions or discoveries made by Franchisee, or Franchisee's employees or agents relating to the Business ("improvements"), shall be deemed to be assigned to and owned by PGF.

The consideration for such assignment is the provisions of this Agreement and PGF is not required to provide Franchisee any further or additional compensation. All documents and other information concerning such improvements shall be disclosed to PGF promptly after creation or invention. PGF reserves sole discretion to decide whether to include the improvements in the operation of a Purchase Green Business in original or any modified form or not at all, and the method of implementation and protection PGF deems appropriate, if any. Franchisee must execute all documents PGF deems to be necessary to perfect PGF's ownership in and to any such improvements and Franchisee must cooperate with PGF in the creation, implementation, use and protection thereof.

34. No Security Interests.

Franchisee shall have no right or power to, and Franchisee shall not pledge, encumber, hypothecate or otherwise grant any third party, any security interest in this Agreement or in the PGF IP or the Business in any manner whatsoever without PGF's express written consent, which consent may be withheld for any reason or no reason.

35. Modifications.

a. Franchisee acknowledges that to meet and seek to benefit from changes and improvements in technology, competitive circumstances, demographics, populations, consumer trends, societal trends and other marketplace variables, and seek to best serve the interests of PGF and PGF's franchisees, PGF may in PGF's discretion, need to change and develop the products, services, procedures, advertising, brand usage and any other aspects of the manner of the operation of Purchase green Businesses. Franchisee acknowledges and agrees that PGF may from time to time make changes to any components or aspects of the operation of a Purchase Green Business, including, but not limited to, products, programs, services, methods, standards, forms, policies and procedures; deleting from or modifying services, programs and products that a Purchase Green Business is authorized and required to offer; modifying or substituting products, equipment, signage, trade dress, décor, color schemes, specifications and other attributes which Franchisee is required to observe; and changing, improving, modifying or substituting PGF IP. Franchisee agrees to comply with modifications, changes, additions, deletions, substitutions and alterations upon PGF's written notice. Franchisee shall accept, use and effectuate any such changes or modifications to, or substitution as if they were part of the operation of the Business at the time that this Agreement was executed.

b. PGF shall not be liable to Franchisee for any expenses, losses or damages sustained by Franchisee as a result of any of the modifications contemplated hereby. Franchisee agrees not to commence or join in any litigation or other proceeding against PGF or any third party complaining of any such modifications or seeking expenses, losses or damages caused thereby. Franchisee hereby expressly waives any claims, demands or damages arising from or related to the foregoing activities including, without limitation, any claim of breach of contract, breach of fiduciary duty, fraud, and/or breach of the implied covenant of good faith and fair dealing.

c. Any fees and charges provided for in this Agreement as a specified amount, or maximum amount, represent the amount of the fee or charge at the date of execution of this Agreement. Such specified or maximum amounts may be increased by PGF from time to time, to account for inflation or other cost increases impacting PGF's costs and expenses associated with matters pertaining to such fee or charge.

36. Force Majeure.

PGF and the Franchisee shall not be considered in default under this Agreement or be liable for any failure to perform or delay in performing any provisions of this Agreement to the extent that such failure or delay is caused by any reason beyond its control, including any act of God, fire, pandemics, explosions, hostilities, or war (declared or undeclared), strike or work stoppage involving either Party's employees, or

governmental restrictions; provided, however, that the Party declaring force majeure shall give prompt written notice to the other Party of the commencement, nature, and termination of the force majeure condition and provided further, no event of force majeure shall relieve Franchisee's obligations to make all payments due hereunder.. The Party whose performance has been interrupted by such circumstances shall use every reasonable means to resume full performance of this Agreement as promptly as possible.

37. Arbitration.

a. Any controversy or claim arising out of or relating to this Agreement, or actual or claimed breach, termination or invalidity of this Agreement, shall be settled by arbitration before a single arbitrator, according to the Commercial Rules of Arbitration of the American Arbitration Association. The arbitrator shall be bound by the Agreement and shall interpret this Agreement in accordance with the applicable laws of the United States and the internal laws of the state of California without regard for principles of conflicts of law. Any award made pursuant to the arbitration shall be deemed final and binding and may be entered and enforced in any court of competent jurisdiction.

b. If during the term of this Agreement, Franchisee shall have reason to believe it has any claims against PGF in any respect to any transaction or matter arising out of or relating to this Agreement, Franchisee shall notify PGF in writing within one (1) year after Franchisee knows, or has reason to know, the basis of any such claim. Failure to give the claim notice shall relieve PGF from all liability on any claim in respect to any transactions growing out of this Agreement. This Section 37(b) shall be applied to reduce, and not in any way to enlarge any applicable statutory time limit (statute of limitations or statute of repose) or equitable time limit to bring such claim.

c. Franchisee and PGF agree that arbitration will be conducted on an individual, and not a class-wide basis, and that an arbitration proceeding between the parties (or any related entities, including any of Franchisee's owners, guarantors, affiliates and/or employees, if applicable, may not be consolidated with any other arbitration proceeding between them and any other person, corporation, limited liability company, partnership or other entity.

d. Regardless of the above provisions, a party may institute in court, in the jurisdiction and venue provided for below, an action for temporary or preliminary injunctive relief in aid of the arbitration, provided, that party shall contemporaneously submit the dispute to arbitration on the merits in accordance with this Section 37. Franchisee agrees that PGF may have such temporary or preliminary injunctive relief without bond, but on due notice, and Franchisee's sole remedy in the event of entry of injunctive relief shall be dissolution of the injunction, if warranted, on hearing; all claims for damages by reason of wrongful issuance of any injunction being hereby waived.

38. Jurisdiction and Venue.

Any litigation arising from or relating to this Agreement, including confirmation of any arbitration award, shall be brought exclusively in the United States District Court for the Central District of California or Superior Court of California for the County of Los Angeles. The parties submit, consent and waive objection to the jurisdiction and venue of such courts.

39. Purchase Green Business Judgment.

Franchisee acknowledges and agrees PGF may operate and make changes to its business, standards, specifications and any other aspects impacting Franchisee, in any way that is not expressly prohibited by this Agreement. Whenever PGF has reserved in this Agreement or is deemed to have a right and/or discretion to take or withhold action, or to grant or decline to grant Franchisee a right or to take or withhold action, or to approve or consent or withhold approval or consent, PGF may make the decision or exercise the right and/or discretion on the basis of PGF's reasonable good faith judgment of what is in PGF's best

interest, including without limitation PGF's reasonable good faith judgment of what is in the best interest of its network of franchisees and company/affiliate owned showrooms, without regard to whether: (a) other reasonable alternative decisions or actions, or arguably preferable alternative decisions or actions, could have been made; (b) PGF's decision or the action taken or withheld promotes PGF's financial or other interest; or (c) the decision or the exercise of PGF's right or discretion is adverse to Franchisee's interests. PGF will have no liability to Franchisee for any such decision or action. In no event will Franchisee make any claim, whether directly, by way of setoff, counter-claim, defense or otherwise, for money damages or otherwise, by reason of any granting, withholding or delaying or the like of any consent or approval by PGF, unless such granting, withholding or delaying is not conducted reasonably or in good faith. Franchisee's sole remedy for any such claim is review of the action or decision, approval, consent or withholding thereof, and the like, and request to have PGF directed to make or take a different action or decision, approval, consent or withholding thereof, or the like, but always under the standards and bases of PGF's discretion provided for above.

40. Waiver.

PGF and Franchisee may, by written instrument, unilaterally waive or reduce any obligation of or restriction on the other under this Agreement, effective on delivery of written notice to the other. Any waiver granted by PGF shall be without prejudice to any other rights PGF may have, will be subject to continuing review and may be revoked, in PGF's reasonable discretion, at any time and for any reason, effective on delivery to Franchisee of ten (10) days' prior written notice. PGF and Franchisee shall be deemed to not have waived or impaired any right, power or option reserved by this Agreement by virtue of any custom or practice of the parties at variance with the terms of this Agreement; any failure, refusal or neglect of PGF or Franchisee to exercise any rights under this Agreement or to insist on exact compliance by the other with its obligations; any waiver, forbearance, delay, failure or omission by PGF to exercise any right, power or option, whether of the same, similar or different nature, with respect to other Purchase Green Businesses; or acceptance by PGF of any payments due from Franchisee after any breach of this Agreement

41. Successors and Assigns.

References in this Agreement to the parties shall be deemed to include, as applicable, reference to their respective permitted successors and assigns. The provisions of this Agreement shall bind and benefit the successors and assigns of the parties.

42. No Third-Party Beneficiaries.

Nothing in this Agreement is intended, nor shall be deemed, to confer any rights or remedies on any person or legal entity not a party hereto with the exception that Designated Suppliers (who are also affiliates) may enforce Sections 11, 12, and 13, the persons and entities referred to in Section 20 to be indemnified, defended and held harmless, and the persons and entities in Section 26 to be named as additional insureds are each third party beneficiaries with the right to enforce such provisions for their benefit, even though they are not signers of this Agreement.

43. Relationship.

a. This Agreement does not imply any joint venture or partnership. Neither Party shall have any right to enter into any contract or commitment in the name of, or on behalf of the other, or to bind the other in any respect. No party, nor its agents or employees shall, under any circumstances, be deemed employees, employers, co-employers, partners, agents or representatives of any other party. This Agreement establishes an arm's length business relationship with each party being entitled to act in its best interest within the bounds of this Agreement. The parties do not intend and shall be deemed not to have undertaken any fiduciary or other heightened obligations or duties to each other.

b. Franchisee shall hold Franchisee's self out to the public only as an independent contractor operating the Business pursuant to a franchise granted by PGF. Franchisee shall take such affirmative steps as may be necessary or as PGF specifies to communicate the independent contractor relationship, including, without limitation, giving public notice in conspicuous places at the Business, on invoices, stationery, business cards and advertising noting that Franchisee is an independent contractor operating the Business under a franchise granted by PGF.

c. If Franchisee is an entity, Franchisee shall cause all individuals and entities that own twenty percent 20% or more of the stock, membership interest or other form of equity in Franchisee to execute and deliver to PGF a Guaranty in the form of Exhibit F. If any such owner is an entity, Franchisee shall cause that entity's owner(s) who directly or indirectly own 20% or more of Franchisee execute and deliver to PGF such guaranty. If there no single individual(s) who own 20% or more, than Franchise shall nonetheless cause sufficient individuals to deliver executed Guaranties so that PGF is in possession of guaranties of individuals comprising at least 20% ownership of Franchisee. In the event of any assignment or transfer of any ownership interest in Franchisee, new guaranties shall be delivered by Franchisee to assure that Franchisee is at all times in compliance with this Section 43(c).

44. Modification of the Agreement.

This Agreement may be supplemented, amended, or modified only by the mutual agreement of the parties, and such agreement must be in writing and signed by both Parties.

45. Notice.

Any notice or other communication provided for in this Agreement or given under this Agreement to a party shall be in writing and shall be given in person, by nationally recognized overnight courier, by mail (registered or certified mail, postage prepaid, return-receipt requested) or by email to the party as follows or at such other address of which a party has given notice:

46. Governing Law; Attorney's Fees.

This Agreement shall be governed by the laws of the state of California applicable to agreements entered into and to be performed entirely within the state and thus without regard for principles of conflicts of law. Where a provision of California law provides that it is not applicable, such as an exemption for a franchisee meeting certain requirements or located elsewhere, such exemption or other basis of inapplicability shall be in effect. If any provision of this Agreement would not be enforceable under the laws of California, and if the Business is located outside California and such provision would be enforceable under the laws of the state in which the franchised business is located, then such provision shall be interpreted and construed under the laws of that state. If arbitration or litigation results from or arises out of this Agreement or the performance, the prevailing party(s) shall be entitled to also recover reasonable attorneys' fees and court costs from the non-prevailing party(s).

47. Severability.

Each provision of this Agreement will be interpreted in a manner to be effective and valid under

applicable law, but if any provision of this Agreement is held to be invalid, illegal, or unenforceable under any applicable law or rule, the invalidity, illegality, or unenforceability will not affect any other provisions, and will not affect such provision in any other jurisdiction where the provision would be valid, legal and/or enforceable, and this Agreement will be reformed, construed, and enforced as if the invalid, illegal, or unenforceable provisions was never contained herein.

48. Headings.

Headings and section numbers in this Agreement are for convenience only and shall not be used to construe meaning or intent. The provisions of this Agreement shall be interpreted and construed according to their fair meanings and not strictly for or against either party.

49. Complete Agreement.

This Agreement contains the final, complete and exclusive expression of the terms of the parties' agreement and supersedes and replaces any and all prior and/or concurrent discussions, negotiations, communications, understandings, agreements, inducements, courses of dealing, representations (financial or otherwise), promises, options, rights of first refusal, guarantees, warranties (express or implied) or otherwise (oral or written) between Franchisee and PGF. PGF disclaims any understandings, agreements, inducements, course(s) of dealing, representations (financial or otherwise), promises, options, rights of first refusal, guarantees, warranties (express or implied) or otherwise (oral or written) not stated in this Agreement. Nothing in the agreement or in any related agreement is intended to disclaim the representations made in the Franchise Disclosure Document.

50. Counterparts/Electronic Signatures.

This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which shall constitute one and the same instrument. For purposes of this Agreement, use of a facsimile, e-mail, or other electronic medium shall have the same force and effect as an original signature.

51. No Waiver of Disclaimer of Reliance In Certain States.

The following provision applies only to franchisees and franchises that are subject to state franchise registration/disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin:

No statement, questionnaire, or acknowledgement signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on behalf of us. This provision supersedes any other term of any document executed in connection with the franchise.

MULTI-UNIT DEVELOPMENT AGREEMENT

MULTI-UNIT DEVELOPMENT AGREEMENT

This Multi-Unit Development Agreement (“Agreement”) is made and entered into on the ___ day of _____, 202__ by and between Purchase Green Franchising, LLC, a Delaware limited liability PGF with its address at 1925 Wright Avenue, Suite A & B, La Verne, California 91750 (“PGF”) and [INDIVIDUAL(S) OR LEGAL ENTITY NAME], a [ENTITY STATE, IF APPLICABLE] [ENTITY TYPE, IF APPLICABLE], whose address is [INDIVIDUAL(S) OR ENTITY ADDRESS] (“Developer”).

RECITALS

A. PGF developed and owns a unique system (the “System”) for establishing, developing and operating businesses (“Purchase Green Businesses”) which sell, install and maintain artificial grass, putting greens, artificial ivy and sports turfs, golf products associated with putting greens, solar lights and related installation accessories (“Products”), using the trademark Purchase Green and related marks (the “Marks”). Some elements of the System may remain, and some will be changed, improved and further developed by PGF from time to time and over time.

B. PGF grants to persons who are able to meet PGF’s qualifications and will undertake the necessary investment and effort, and Developer applied for, the right to develop and operate a mutually agreed number of Purchase Green Businesses within a designated geographic area, pursuant to the System and the further requirements and obligations in this Agreement. Accordingly, the parties have agreed as follows:

AGREEMENT

1. DEVELOPMENT RIGHTS AND OBLIGATIONS

1.1 Grant of Rights. PGF grants Developer, and Developer accepts, the exclusive right to develop Purchase Green Businesses in the geographic area described on attached Exhibit “1” (“Developer’s Territory”), on the terms and subject to the conditions of this Agreement.

1.2 Territory Rights Fee. On signing this Agreement, Developer shall pay to PGF a territory rights fee of _____ (\$_____) (the “Territory Rights Fee”). The Territory Rights Fee is fully earned by PGF when paid. It represents consideration for PGF’s administrative and other expenses incurred, and for development opportunities lost or deferred, in granting development rights to Developer. The Territory Rights Fee is not refundable in any circumstance or for any reason.

1.3 Developer’s Territory. During the Development Term (defined below), provided Developer is in full compliance and not in default under this Agreement, PGF shall not: (a) operate, or grant others the right to operate, a Purchase Green Business in Developer’s Territory; and/or (b) operate, or grant others the right to operate a business under a different name in Developer’s Territory which predominantly offers Products similar to

those of Purchase Green Businesses, except for a business that is already in existence or development at the time of entering into this Agreement.

1.4 PGF's Reserved Rights in Developer's Territory. Nothing in this Agreement prohibits PGF from engaging in the following activities, whether within or outside of Developer's Territory: (i) sell the same or related services, products and equipment outside the Developer's Territory; (ii) offer to the public separately, jointly or with others, related services and/or products of every kind, using the PGF IP and know-how, all outside the Developer's Territory; (iii) establish, operate and license others to establish and/or operate franchised or other businesses anywhere adjacent to, or outside, the Developer's Territory on terms the PGF elects; (iv) develop and establish other business systems which could distribute products or services similar to those offered by Developer, using names or marks other than the PGF trademarks, within or outside the Developer's Territory, and grant licenses to use those systems; (v) advertise and promote Products anywhere, including in the Developer's Territory; (vi); acquire assets or minority or controlling ownership of businesses identical or similar to the business conducted by PGF; (vii) acquire other businesses, and/or be acquired by a business, whether identical or similar to Purchase Green Businesses, even if the other business operates, franchises and/or licenses competitive businesses in or near the Developer's Territory; (viii) subject to subsection (h) below, contract with, sell to or enter into strategic alliances or similar relationships with National Accounts, which may have locations in the Developer's Territory, to directly or indirectly use for themselves or provide Products and related services to others; (ix) use the marks in promotion and marketing to identify products and services distributed at any location, including sales through such channels as retail locations, home improvement and hardware stores, distributors, the Internet, catalog sales, telemarketing, or other direct marketing sales; (x) use and license the use of other marks (dissimilar from PGF trademarks) in the sale of products and services (other than the Products) similar to, or different from, those Developer sells, whether in alternative channels of distribution, in businesses the same, or similar to, or different from Purchase Green Businesses, at any locations, and on any terms, without granting Developer any rights to thereto; and (xi) engage in any activities not expressly prohibited in this Agreement.

1.5 Further Regarding Company's Reserved Rights. Developer acknowledges that Company, entities related to Company through common ownership (collectively, "Company's Affiliates"), and their respective officers, directors, employees and agents, may engage in any, and every, activity, within or outside of Developer's Territory, which is not expressly prohibited by this Agreement. Except for the restrictions in Section 1.3, this Agreement does not limit Company's right to use or license the Marks or the System, or to engage in, or license, any other type of business activity, whether similar to or different from the System. Additionally:

1.5.1. Developer understands, acknowledges and agrees it has no right to participate, directly or indirectly, in any activity reserved by Company, and no right to object to the issuance of franchise rights to others.

1.5.2. Company, in its sole discretion, reserves the absolute right to approve exceptions or deviations from the System. Developer acknowledges it has no right to object to any variances granted to others and no claim against Company for failing to enforce standards of the System against others permitted to use it.

1.6 Licensing Others Prohibited. Developer shall have no right under this Agreement to license others to use the Marks or the System.

2. DEVELOPMENT TERM

The term of this Agreement (“Development Term”) starts on the date written on page 1. Unless this Agreement is earlier terminated as provided below, the Development Term expires on the earlier of the following two dates: (i) the date specified for opening the last Purchase Green Business as set forth on Exhibit “2”, or (ii) the date the last Purchase Green Business permitted to be open pursuant to this Agreement actually opens for business to the public.

3. DEVELOPMENT OBLIGATIONS

3.1 Development Quota; Development Deadline. Developer agrees to open and operate, within Developer’s Territory, the increasing, cumulative number of Purchase Green Businesses set forth on Exhibit “2” (the Development Quota”) from and after each point in time set forth on Exhibit “2” (each deadline identified on Exhibit “2” for fulfilling a Development Quota is referred to as a “Development Deadline”).

3.2 Failure to Meet Development Conditions. If Developer does not satisfy a Development Quota by the applicable Development Deadline, PGF may terminate this Agreement and the consequences of termination, stated in this Agreement shall apply.

3.3 Closures. If a Purchase Green Business closes for any reason after opening, and as a result of closure, Developer falls below the Development Quota applicable at the time of closure, Developer shall have six (6) months from the closing date to open a substitute Purchase Green Business within Developer’s Territory in its place.

4. GRANT OF FRANCHISES TO DEVELOPER.

4.1 Site Selection and Designation of Territory. Following execution of this Agreement, PGF shall provide Developer with a copy of PGF’s current site proposal guidelines, including the demographic, design and construction guidelines for selection and build-out of the franchise location and other requirements applied by PGF in connection with site review and approval. PGF shall provide Developer with updates to such information which may be made from time to time. Developer shall propose to PGF, for approval, specific locations in Developer’s Territory for each Purchase Green Business which Developer believes meets PGF’s site proposal package guidelines. Each location proposed by Developer shall be subject to PGF’s approval, which PGF shall not unreasonably withhold. Before PGF shall be obligated to offer Developer a Franchise Agreement for any proposed location, Developer shall comply with all of the following conditions:

4.1.1 Developer shall submit a written site proposal to PGF, which shall contain all the information required by PGF’s then-current site proposal package guidelines.

4.1.2 PGF shall have fifteen (15) business days following receipt of the completed site proposal to approve the proposed site by giving written notice to Developer; PGF’s failure to give timely notice shall constitute its disapproval of the proposed site. Developer acknowledges

that PGF's approval of a proposed site does not constitute a guaranty or warranty that a Purchase Green Business at that site will be successful or profitable or achieve any particular results. Approval signifies that the PGF accepts the site as meeting PGF's site guidelines and/or has chosen to waive guidelines the site does not meet.

4.1.3 If PGF approves a proposed site, PGF will identify the proposed exclusive territory for that Purchase Green Business. Developer may disapprove the proposed exclusive territory by giving written notice of disapproval to PGF within five (5) days after receipt of PGF's notice. Otherwise, Developer is deemed to accept such boundaries. If Developer gives timely notice that it disapproves the proposed boundaries, the parties shall negotiate in good faith attempting to identify mutually acceptable boundaries for the proposed exclusive territory for that Purchase Green Business, consistent with PGF's policies concerning size and demographic qualities of franchisee territories; provided, however, if the parties cannot agree on such boundaries within thirty (30) days after Developer receives PGF's notice of site approval, the proposed site shall be deemed disapproved. Developer acknowledges that territory exclusivity is subject to exceptions, exclusions and other limitations stated in the Franchise Agreement.

4.2 Franchise Agreement. If the parties agree on the proposed location and exclusive territory for a Purchase Green Business, PGF shall offer Developer a franchise to operate a Purchase Green Business at that location by providing a Franchise Agreement for such site.

4.2.1 The form of Franchise Agreement shall initially be the form attached as Exhibit "3" (the "Franchise Agreement"). Subsequently, the form of Franchise Agreement shall be PGF's then current form of Franchise Agreement.

4.2.2. The Initial Franchise Fee for the second and each subsequent Franchise Agreement entered into pursuant to this Agreement, shall be the initial franchise fee that PGF is then customarily charging according to its then current Franchise Disclosure Document. PGF shall credit Developer with the then customary charge toward the applicable Initial Franchise Fee, being a portion of the Territory Rights Fee paid pursuant to this Agreement.

4.2.3 Within twenty (20) days after receipt of the Franchise Agreement for an approved site, Developer shall execute the Franchise Agreement and return it to PGF together with payment of the applicable Initial Franchise Fee determined according to this Section 4.2. If Developer fails to comply with this obligation, PGF shall have no obligation to grant a franchise to Developer for the approved site, and Developer has the risk of failing to satisfy the Development Quota on Exhibit "2."

4.2.4 After the parties execute a Franchise Agreement for an approved site, their relationship, and the parties' rights and obligations, as to development, ownership and operation of that site, shall be exclusively governed by the Franchise Agreement and any other agreements entered into by them pursuant to the Franchise Agreement.

5. MARKS AND SYSTEM.

Developer acknowledges that this Agreement does not grant a franchise and does not grant Developer any right to use the Marks or System. Developer's right to use the Marks and System

is derived solely from each Franchise Agreement which may be entered into pursuant to this Agreement.

6. FULL TIME AND ATTENTION.

Developer shall devote full time and best efforts to the development obligations under this Agreement. Developer shall cause Developer's principal owner or principal executive officer, or other principal officer acceptable to PGF, to personally undergo and satisfactorily complete training in accordance with the training obligations in the first Franchise Agreement that Developer enters into with PGF.

7. TERMINATION OF DEVELOPMENT AGREEMENT BY PGF.

7.1 Procedure for Terminating Agreement. PGF may terminate this Agreement, in its discretion and election, effective on PGF's delivery of written notice of termination to Developer (unless a different effective date is specified in this Agreement or in the notice of termination). PGF's notice must specify the grounds of default and be based on any one or more of the following events, and Developer shall have no opportunity to cure a default based on any of the following events:

7.1.1 If Developer makes a general arrangement or assignment for the benefit of creditors or become a "debtor" as defined in 11 U.S.C. §101 or any successor statute, unless, in the case where a petition is filed against Developer, Developer obtains an order dismissing the proceeding within sixty (60) days after the petition is filed; or if a trustee or receiver is appointed to take possession of all, or substantially all, the assets of the Purchase Green Business, unless possession of the assets is restored to Developer within thirty (30) days following such appointment; or if all, or substantially all, of the assets of Developer become subject to an order of attachment, execution or other judicial seizure, unless the order or seizure is discharged within thirty (30) days;

7.1.2 Developer breaches or fails to comply with any of the conditions governing transfer of rights under this Agreement;

7.1.3 If an order is made or resolution passed for winding-up or liquidation of Developer (if a corporation, LLC, partnership or other entity) or if Developer adopts or takes any action for its dissolution or liquidation;

7.1.4 If Developer, or any authorized representative of Developer, makes a material misrepresentation or omission in obtaining rights granted hereunder, or if Developer or any officer, director, shareholder, member, manager, or general partner of Developer is convicted of or pleads no contest to a felony charge or engages in any conduct or practice that, in PGF's reasonable opinion, reflects unfavorably on or is detrimental or harmful to the good name, goodwill or reputation of PGF or to the business, reputation or goodwill of the System or any of the Marks;

7.1.5 If Developer is or becomes a subject of attention for any act, omission, statement, conduct or behavior of any kind, or there is a risk of attention for any of the foregoing, in print, broadcast or other media, social media, on the internet or in the public,

which may injure the reputation or goodwill of the Marks (regardless of whether the matter that is the basis of the attention is true or not);

7.1.6 If Developer fails or refuses to pay, on or before the due date, any fee or other amount payable to PGF under this Agreement, and if the default continues for a period of ten (10) days after written notice of default is given by PGF to Developer;

7.1.7 If Developer fails to satisfy the Development Quota;

7.1.8 If any other agreement by and between Developer and PGF or any of PGF's Affiliates, including, without limitation, any Franchise Agreement for a Purchase Green Business, is terminated for any reason;

7.1.9 After curing any default, if Developer engages in the same noncompliance, whether or not the later default is timely corrected after notice is delivered to Developer, or, alternatively, if on three (3) or more occasions within any twelve (12) consecutive months during the Development Term, Developer fails to comply with one or more requirements of this Agreement whether or not each separate default (which need not be the same act of noncompliance) is timely corrected after notice is delivered to Developer; or

7.1.10 If Developer fails to comply with any other provision of this Agreement and does not correct the default within sixty (60) days after PGF gives Developer written notice of the default, which notice must describe the action that Developer must take to cure the default.

7.1.11 For purposes of this Agreement, the acts and omissions of Developer, Developer's managers and employees of Developer shall be deemed to be and are the acts and omissions of Developer and Developer is and shall be deemed to be responsible for such acts and omissions.

7.2 Effect of Termination on Franchise Agreements.

7.2.1 Termination of this Agreement pursuant to Section 7.1, or expiration of this Agreement shall not, by itself, terminate any Franchise Agreement or other agreement then in effect by and between Developer and PGF, unless such event is provided for as a ground for termination in such other agreement, or unless the grounds on which termination is predicated also are grounds for terminating the other agreement(s) and PGF has satisfied all requirements to effect a termination of the other agreement(s).

7.2.2 If this Agreement is terminated or expires, Developer shall have no further right to develop Purchase Green Businesses in Developer's Territory, nor shall Developer have any right to prevent PGF, or others, from owning and operating, or granting franchises to others to own and operate, Purchase Green Businesses in Developer's Territory, subject, however, to the territory rights, if any, granted to Developer under each Franchise Agreement then in effect between the parties pertaining to a Purchase Green Business owned by Developer.

8. TRANSFER.

8.1 Assignment by PGF. PGF will have the right to assign, transfer or sell PGF's rights under this Agreement to any person or entity, in whole or in part, on one or more occasions. Upon assignment and assumption, PGF shall be under no further obligation hereunder, except for any accrued liabilities. Developer acknowledges and agrees that PGF may go public; engage in a private placement of some or all of PGF's securities; merge, acquire entities, be acquired; and/or undertake refinancing, recapitalization, leveraged buyout or other economic or financial restructuring. These may include any such transactions with or involving competitive or non-competitive franchises, chains or other business, regardless of location(s). In certain instances, such locations could be close to or overlap the Developer's Territory or area in which Developer provides services.

8.2 Assignment by Developer. Neither Developer's interest in this Agreement nor any of Developer's rights hereunder, nor the Business nor any interest therein, may be assigned, transferred, shared or divided, voluntarily or involuntarily, directly or indirectly, in whole or in part, without PGF's prior written consent, which consent shall not be unreasonably withheld, and without Franchisee first complying with this Section 8. The term "assignment" includes actual or purported assignment, sale, transfer or other arrangement having the purpose or effect of shifting ownership or control of interests in the Business. Any actual or purported assignment of this Agreement or of the Business in violation of the terms in this Agreement shall be null and void and of no effect and shall be an incurable breach of this Agreement. Actual or purported transfer in the aggregate of twenty-five percent (25%) or more of the Business or in Franchisee shall be deemed to be an assignment of this Agreement.

8.3 Conditions to Consent to Transfer. PGF can require or make any or all of the following conditions to giving consent to a proposed assignment:

- (i) The proposed assignee must submit an application meeting PGF's requirement with curriculum vitae/resume and credit application and must consent to a background/credit check and any additional investigation to be conducted by PGF or by a service provider PGF designates.
- (ii) The proposed assignee and its owners must demonstrate skills, qualifications, licensing and economic resources necessary, in PGF's reasonable judgment, to conduct the Business and to fulfill its obligations to Developer and to PGF.
- (iii) The proposed assignee and its owners must expressly assume in writing all Developer's obligations under this Agreement.
- (iv) As of the date of assignment, Developer shall have fully complied with all Developer's obligations to PGF, whether under this Agreement or law or any other agreement, arrangement or understanding with PGF.
- (v) Franchisee must pay PGF a transfer fee equal to the greater of Seven Thousand Five Hundred Dollars (\$7,500) or two percent (2%) of the non-contingent consideration due to Developer as of the closing date of the transfer (and for a transfer to a controlled entity of Developer, Two Thousand Five Hundred Dollars (\$2,500)). This payment shall be due and payable

to PGF upon closing of the transfer; provided, however, that, if the transfer does not close, Developer shall reimburse PGF for all of its actual out-of-pocket expenses incurred in connection with its review of the transferee.

(vi) The proposed assignee or the individual designated as its manager shall satisfactorily complete the training then required of all new franchisees, at the expense of Developer or assignee, also including payment of PGF's reasonable charge for training the proposed assignee or its manager.

(vii) PGF shall be provided full copies of all proposed final agreements between Developer and proposed assignee and correspondence that adds to, modifies or otherwise impacts the terms of such proposed agreements.

(viii) Developer and its owners shall have executed a general release in a form satisfactory to PGF of any and all claims against PGF, its affiliates and their respective shareholders, members, managers, directors, officers and employees in these entities in their entity and individual capacities, including, without limitation, claims arising under federal, state and local laws, rules and ordinances.

(ix) Other conditions and requirements that are reasonable in the circumstances for PGF to impose.

Franchisee acknowledges and understands the proposed assignee may not be affiliated in any way with a competitor of PGF.

8.3 PGF's Right of First Refusal. Except as otherwise provided in this Section 8.3, if a written offer ("Third Party Offer") is made to purchase or otherwise acquire: (a) Developer's rights under this Agreement, (b) more than a one percent (1%) interest in the outstanding securities of a Publicly Held Entity, (c) any securities of Developer offered pursuant to a transaction which is subject to registration under federal or state securities laws or is offered as a private offering pursuant to a written private placement memorandum of any kind, or (d) a Controlling Interest in the equity or voting interests of Developer which is not a Publicly Held Entity, Developer, or the person receiving the offer (the "Individual Transferor"), shall, within five (5) days after receiving the Third Party Offer and before accepting it, apply to PGF in writing for PGF's consent to the proposed assignment. Developer, or the Individual Transferor, shall attach to the application a copy of the Third Party Offer together with (i) information relating to the proposed transferee's experience and qualifications, (ii) a copy of the proposed transferee's current financial statement, and (iii) other information that PGF may require which PGF deems to be relevant or material to the Third Party Offer, proposed transferee and proposed assignment.

8.3.1 PGF or its nominee shall have the right, exercisable by written notice ("Notice of Exercise") delivered to Developer, or the Individual Transferor, within thirty (30) days following receipt of the Third Party Offer, all supporting information, and the application for consent, to notify Developer or the Individual Transferor that it will purchase or acquire the rights, equity and/or interests proposed to be assigned on the terms in the Third Party Offer, except that PGF may (a) substitute cash for any form of payment proposed in the offer discounted to present value based on the rate of interest stated in the Third Party Offer, and (b) deduct from the purchase price the amount of any commission or fee that would otherwise be payable to any broker or agent

in connection with the Third Party Offer and all amounts then due and owing or to become due from Developer to PGF.

8.3.2 The closing for any purchase by PGF shall be consummated and closed in PGF's principal office at a mutually agreed date and time, provided that the closing shall be held no later than sixty (60) days after receipt of the Third Party Offer, all supporting information, and the application for consent. At the closing, Developer or the Individual Transferor shall deliver to PGF such documents, affidavits, warranties, indemnities and instruments as would have been delivered by Developer or the Individual Transferor to the proposed transferee pursuant to the Third Party Offer. All costs, fees and other expenses incurred in connection with the transfer shall be allocated between Developer and PGF in accordance with the terms of the Third Party Offer, and any costs not allocated shall be paid by Developer or the Individual Transferor.

8.3.3 If PGF gives timely Notice of Exercise but, through no fault of Developer or the Individual Transferor, fails to close the purchase of the interest which is the subject of the Third Party Offer, the transfer to a Third Party may not be completed unless PGF's consent is obtained and all other conditions stated in this Section 8 are satisfied.

8.3.4 PGF's right of first refusal shall not apply to any of the following transfers ("Qualified Transfers"): (a) the transfer or assignment of equity or voting interests constituting less than a Controlling Interest of the equity or voting interests of a Developer which is not a Publicly Held Corporation, (b) if Developer is an individual, the transfer by Developer all of his or her rights under this Agreement to a newly-formed corporation, LLC or other entity provided all the equity or voting interests of such entity are owned by the individual, or (c) a transfer following death or permanent incapacity of Developer, or of the person owning a Controlling Interest in the equity or voting interests of Developer, to the spouse, adult children, heirs or legal representative of the deceased or incapacitated person.

8.4 Conditions of Assignment to Third Party. If PGF does not exercise its right of first refusal or complete the purchase of the interest which is the subject of a Third Party Offer, or in the event of a Qualified Transfer or other transfer requiring PGF's consent, PGF shall determine whether or not to consent to the proposed transfer, and shall notify Developer of its decision by no later than the following dates: (a) if PGF gives timely Notice of Exercise but does not consummate the transfer through no fault of Developer or the Individual Transferor, notice shall be given by either ten (10) days after the scheduled closing date for PGF's purchase of the interest, or thirty (30) days after Notice of Exercise is given, whichever occurs last, or (b) in all other cases, notice shall be given thirty (30) days following PGF's receipt of the Third Party Offer (if any), all supporting information and the application for consent. As a condition to consenting to the transfer, PGF may, in its sole discretion, require that any or all of the following conditions be satisfied:

8.4.1 Developer shall pay to PGF a transfer fee equal to ten percent (10%) of the Territory Rights Fee when Developer applies to PGF for its consent to transfer. This shall be additional to the payment of any transfer fee(s) due under any Franchise Agreement(s). If consent is denied, PGF may retain an amount equal to five percent (5%) of the Territory Rights Fee as compensation for expenses in reviewing the proposed transfer;

8.4.2 The proposed transferee must meet PGF's then-current qualifications for an area developer of a territory similar in size and demographic characteristics to Developer's Territory, including qualifications pertaining to financial condition, credit rating, business experience, moral character and reputation.

8.4.3 Developer must execute and deliver a general release, in form satisfactory to PGF, of any and all claims against PGF and its officers, directors, shareholders, employees and agents;

8.4.4 The proposed transferee must execute all other documents and agreements required by PGF to evidence the assumption of Developer's obligations hereunder and under any other agreements which are contemporaneously being assigned. This Agreement may only be transferred and assigned in connection with the transfer of all Businesses developed by Developer pursuant to this Agreement; provided, however, Developer must satisfy all conditions for transfer imposed under such other agreements, including any applicable Franchise Agreements, for the Businesses;

8.4.5 If the proposed transferee is a corporation, LLC or other entity, each person who at the time of such assignment, or later, owns or acquires, either legally or beneficially, ten percent (10%) or more of the equity or voting interests of the proposed transferee must furnish any financial information reasonably required by PGF and execute PGF's then-current form of Guarantee and Assumption of Obligations.

8.4.6 Developer's right to receive the sales proceeds from the proposed transferee in consideration of the transfer, or otherwise, shall be subordinate to the proposed transferee's and Developer's duties owed to PGF, or to any assignee or affiliate of PGF, under, or pursuant to, this Agreement or any other agreement, including under any Franchise Agreement, Lease or Sublease. All contracts by and between Developer and the proposed transferee shall provide for such subordination and may further provide that so long as the proposed transferee is not in default to PGF in the performance of any of its obligations, the proposed transferee may pay such sales proceeds to Developer;

8.4.7 Developer and its owner(s) shall enter into an agreement with PGF which provides that all obligations of the proposed assignee to make installment payments of the purchase price to Developer or its owner(s) shall be subordinate to the proposed assignee(s) obligations to pay to PGF or PGF's Affiliates service fees, advertising contributions and any other payment obligations imposed by any Franchise Agreement or any other agreement which is contemporaneously being assigned and assumed; and

8.4.8 As of the date consent is requested and through the date of closing of the proposed transfer and assignment, Developer must not be in default under this Agreement or under any other agreements with PGF, including Franchise Agreements for Purchase Green Businesses owned by Developer, and must be current with all monetary obligations owed to third parties.

8.5 Additional Conditions Re Sale of Securities. Whenever the issuance, offer or sale of securities of Developer (whether or not a Publicly Held Entity) is subject to registration under federal or state securities laws or is offered as a private offering pursuant to a written private

placement memorandum of any kind, Developer shall, (i) at least forty five (45) days before the proposed effective date of the registration or delivery of any private placement memorandum, submit all offering or registration materials to PGF for its prior review; (ii) reimburse PGF's actual expenses incurred in connection with reviewing the offering or registration materials, including (without limitation) attorneys' fees, accountants' fees and travel expenses, in an amount not to exceed \$25,000 (the "Securities Review Fee"); (iii) provide PGF a written opinion of counsel, in the form and covering the matters prescribed by PGF, that the offering or registration complies with all federal and state laws; and (iv) agree in writing to fully indemnify and hold PGF harmless from and against any claims, demands, liability, costs or expenses of any kind arising out of the private or public offering and avoid any implication that PGF participates in, or endorses, the offering.

8.5.1 Developer shall promptly delete or correct any statements concerning the System, Marks or experience of Purchase Green Businesses that PGF may reasonably objects to following notice from PGF.

8.5.2 The Securities Review Fee shall automatically increase January 1 each year by an amount equal to the percentage increase, if any, in the Consumer Price Index published by the United States Department of Labor, Bureau of Labor Statistics for the Los Angeles-Anaheim-Riverside, All Urban Consumers (All Items 1982 = 100), or if that index is no longer published then by a comparable index selected by PGF (the "Index"), comparing the Index level existing on January 1 of each subsequent year during the Term with the Index level existing on January 1 of the year in which the Term commenced.

8.6 Closing of Sale to Third Party. If PGF consents to an assignment to a third party, Developer, or the Individual Transferor, may only complete the transfer to the proposed transferee on the terms in the Third Party Offer or as otherwise stated in Developer's application for consent. If there is any material change in the terms of the Third Party Offer, PGF has a right of first refusal to accept the new terms subject to the conditions in this Section 8. If PGF consents to the assignment, the transfer to the proposed transferee must close within sixty (60) days from the date the Third Party Offer is first submitted to PGF unless PGF grants an extension of time in writing; otherwise, it must again be offered to PGF.

8.7 Corporate/Entity Developer. If Developer is a corporation, LLC, partnership, or other entity, it shall furnish to PGF, on execution of this Agreement or at such other time as transfer to the entity is permitted, a copy of its articles of incorporation, by-laws, operating agreement, partnership agreement or other governing document or agreement, as appropriate, and a list of all persons owning an interest in the equity or voting interests of the entity. Developer shall promptly provide PGF with a copy of any amendments to, or changes in, such information during the Development Term.

8.7.1 During the Development Term, each person who now or later owns or acquires, either legally or beneficially, ten percent (10%) or more of the equity or voting interests of Developer, must furnish any financial information reasonably required by PGF and execute PGF's then-current form of Guarantee and Assumption of Obligations.

8.7.2 Developer shall maintain stop transfer instructions against the transfer on its records of any equity or ownership interests. Each certificate representing an ownership interest in Developer shall bear a legend stating that such interest is held, and further assignment or transfer is subject to all restrictions imposed on transfer set forth in this Agreement. The chief financial officer of Developer shall deliver a certificate to PGF annually, on or before January 15 each year, which lists all owners of record and all beneficial owners of any interest in the equity or voting interests of Developer as of the end of the most recent calendar year and identifies all transfers of equity or voting interests in Developer which occurred during such calendar year.

8.8 Death or Incapacity. In the event of the death or incapacity of Developer, or any person owning a Controlling Interest in the equity or voting interests of Developer, the spouse, heirs or personal representative of the deceased or incapacitated person, or the remaining shareholders, members, partners or owners (collectively, the “Successor”) shall have one hundred eighty (180) days from the date of death or incapacity to (i) purchase the interest of the deceased or incapacitated person in this Agreement or in Developer, or (ii) complete the sale or assignment of such interest to a qualified, approved third party, provided, in either case, the purchase or assignment complies with all of the terms and conditions for assignment stated in this Section 8.

8.8.1 The development obligations imposed by this Agreement shall be tolled until the events described in (i) or (ii) of the preceding section occur, or, if neither occurs, for 180 days. At the end of the one hundred eighty (180) day period, if the Successor has not purchased the interest of the deceased or incapacitated person in this Agreement or in Developer or obtained PGF’s consent to an assignment to a third party, PGF may, at its election, terminate this Agreement.

8.8.2 For this Agreement, “incapacity” means inability due to medical reasons to devote full time and attention to the development obligations under this Agreement for at least four (4) months in the aggregate during any consecutive twelve (12) month period during the Development Term, based on the examination and findings of a physician selected by PGF. A period of incapacity shall continue without interruption unless and until the person suffering the incapacity resumes his or her duties under this Agreement on a full time basis for thirty (30) consecutive business days.

8.9 Transfer of Individual Franchise Agreements. Developer’s right to transfer its interest in any Business or Franchise Agreement shall be governed by the terms of that Franchise Agreement.

9. RELATIONSHIP OF PARTIES.

9.1 Independent Contractor. This Agreement does not create a fiduciary relationship between the parties. PGF and Developer are independent contractors. Nothing in this Agreement is intended to make either party a general or special agent, joint venturer, partner or employee of the other for any purpose. PGF shall neither regulate nor be responsible for the hiring or firing of Developer’s agents or employees or for Developer’s contracts with third parties, except to the extent necessary to protect PGF’s name, reputation and goodwill, the Marks, or the confidentiality of information which may be imparted to Developer.

9.2 No Liability. Neither PGF nor Developer shall be obligated by, or have any liability under, any agreements or representations made by the other that are not expressly authorized under this Agreement. PGF shall not be obligated for any damages to any person or party directly or indirectly arising out of the operation of any Purchase Green Business in which Developer owns an interest, whether caused by Developer's negligence, willful action or failure to act.

9.3 Indemnification. Developer shall indemnify and hold PGF and each of PGF's managers, members, officers, employees, agents, successors and assigns, harmless from and against any and all costs, expenses, losses, liabilities, damages, causes of action, claims and demands whatsoever, arising, directly or indirectly, out of Developer's exercise of the rights granted hereunder. PGF shall have the right to retain its own counsel to defend any third party claim asserted against it which is covered by this indemnification agreement. This indemnity shall continue in effect subsequent to, and notwithstanding, expiration or termination of this Agreement.

10. PERSONAL GUARANTY.

10.1 Guarantee and Assumption of Obligations ("Guarantee"). If Developer is a corporation, LLC or other entity, each person who owns or at any time during the Development Term acquires, either legally or beneficially, ten percent (10%) or more of the equity or voting interests of Developer shall furnish any financial information reasonably required by PGF and execute PGF's then-current form of Guarantee. An event of default under this Agreement shall occur if any guarantor fails or refuses to deliver to PGF, within twenty (20) days after PGF's written request: (i) evidence of the due execution of the Guarantee, and (ii) current financial statements of guarantor as may from time to time be requested by PGF.

10.2 Spouse. If the person signing the Personal Guaranty is married, PGF may require the individual's spouse to also sign the Guarantee as a co-guarantor.

11. CHOICE OF LAW, VENUE FOR LITIGATION.

11.1 THIS AGREEMENT AND THE RIGHTS OF THE PARTIES TAKE EFFECT ON ACCEPTANCE AND EXECUTION BY PGF AND SHALL BE INTERPRETED AND CONSTRUED UNDER THE LAWS OF CALIFORNIA, WHICH LAWS SHALL PREVAIL IN THE EVENT OF ANY CONFLICT OF LAW. IF ANY PROVISION OF THIS AGREEMENT WOULD NOT BE ENFORCEABLE UNDER CALIFORNIA LAW, AND WOULD BE ENFORCEABLE UNDER THE LAWS OF THE STATE IN WHICH DEVELOPER IS LOCATED, THEN SUCH PROVISION SHALL BE INTERPRETED AND CONSTRUED UNDER THE LAWS OF THAT STATE. NOTHING IN THIS SECTION IS INTENDED BY THE PARTIES TO SUBJECT THIS AGREEMENT TO ANY FRANCHISE OR SIMILAR LAW, RULES, OR REGULATION OF THE STATE OF CALIFORNIA TO WHICH IT WOULD NOT OTHERWISE BE SUBJECT.

11.2 DEVELOPER ACKNOWLEDGES AND AGREES THAT THIS AGREEMENT IS ENTERED INTO IN LOS ANGELES COUNTY, CALIFORNIA, AND THAT ANY ACTION BY EITHER PARTY SHALL BE BROUGHT EXCLUSIVELY IN THE U.S. DISTRICT COURT FOR THE CENTRAL DISTRICT OF CALIFORNIA OR THE SUPERIOR COURT OF CALIFORNIA IN AND FOR LOS ANGELES COUNTY, CALIFORNIA. THE PARTIES

CONSENT TO AND WAIVE ANY OBJECTION TO PERSONAL JURISDICTION AND VENUE IN THOSE COURTS.

11.3 NO RIGHT OR REMEDY CONFERRED ON OR RESERVED TO PGF OR DEVELOPER BY THIS AGREEMENT IS INTENDED TO BE, NOR SHALL BE DEEMED, EXCLUSIVE OF ANY OTHER RIGHT OR REMEDY IN THIS AGREEMENT OR BY LAW OR EQUITY PROVIDED OR PERMITTED, BUT EACH SHALL BE CUMULATIVE OF EVERY OTHER RIGHT OR REMEDY.

12. MISCELLANEOUS.

12.1 Notices. All communications required or permitted to be given to either party shall be in writing and shall be deemed duly given on the earlier of: (a) the date when delivered by hand; (b) the date when delivered by fax or email if confirmation of transmission is received or can be established by the sender; (c) one business day after delivery to a reputable national overnight delivery service; or (d) three (3) business days after being placed in the United States Mail and sent by certified or registered mail, postage prepaid, return receipt requested. All notices shall be addressed to Developer or PGF at the address in the introductory paragraph of this Agreement, provided that either party may change its address for receiving notices by written notice to the other. Notwithstanding the parties' agreement regarding when notices shall be deemed to be given, any required payment not actually received by PGF during regular business hours on the date it is due shall be deemed delinquent.

12.2 Time of the Essence. Time is of the essence of this Agreement with respect to each and every provision of this Agreement in which time is a factor.

12.3 Withholding of Consent. Except where this Agreement expressly obligates PGF to reasonably approve or not unreasonably withhold approval of any action or request by Developer, PGF has the absolute right to refuse any request by Developer or to withhold approval of any action by Developer. Further, whenever the consent or approval of PGF is required under this Agreement such consent or approval must be in writing unless this Agreement specifies otherwise.

12.4 Waiver. Any waiver granted by PGF to Developer excusing or reducing any obligation or restriction imposed under this Agreement shall be in writing and shall be effective on delivery of the writing by PGF to Developer or on such other effective date as specified in the writing, and only to the extent specifically allowed in the writing. No waiver granted by PGF, and no action taken by PGF, with respect to any third party shall limit PGF's discretion to take action of any kind, or not to take action, with respect to Developer. Any waiver granted by PGF to Developer shall be without prejudice to any other rights PGF may have. No delay by PGF in exercising any right or remedy shall operate as a waiver, and no single or partial exercise by PGF of any right or remedy shall preclude PGF from fully exercising that right or remedy or any other right or remedy. PGF's acceptance of any payments made by Developer after a breach of this Agreement shall not be, nor be construed as, a waiver by PGF of any breach by Developer of any term, covenant or condition of this Agreement. The rights of PGF are cumulative and no exercise or enforcement by PGF of any right or remedy shall preclude the exercise or enforcement by PGF of any other right or remedy to which PGF is entitled by law to enforce.

12.5 Capitalized Terms. Except as expressly provided herein, to the extent any capitalized term is also defined in the Franchise Agreement, the term shall have the same meaning given to it in the Franchise Agreement and such definitions are incorporated herein by this reference. All other capitalized terms shall have the meaning given to them herein.

12.6 Section Headings; Language. Section headings in this Agreement are for convenience only and shall be deemed not to affect the meaning or construction of any of the terms, provisions, covenants or conditions of this Agreement. The language used in this Agreement shall be construed according to its fair meaning and not strictly for or against PGF or Developer. The term “Developer” as used herein is applicable to one or more persons, corporations, entities or partnerships, as the case may be, and the singular usage includes the plural and the masculine and neuter usages include the other and the feminine. If two (2) or more persons are at any time Developer, whether or not as partners or joint venturers, their obligations and liabilities shall be joint and several. Nothing in this Agreement is intended, nor shall it be deemed, to confer any rights or remedies on any person or entity not a party hereto. No agreement between PGF and anyone else is for the benefit of Developer. Whenever this Agreement refers to “business days,” it shall mean weekdays only, excluding Saturdays, Sundays and holidays.

12.7 Binding on Successors. Subject to the restrictions on assignment by Developer herein, the covenants, agreements, terms and conditions in this Agreement shall be binding on, and shall benefit, the successors, assigns, heirs and personal representatives of the parties.

12.8 Validity; Conformity with Applicable Law. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be valid under applicable law, but if any provision of this Agreement shall be invalid or prohibited under applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity without invalidating the rest of the provision or the remaining provisions of this Agreement. To the extent the provisions of this Agreement provide for periods of notice less than those required by applicable law, or provide for termination other than according to applicable law, such provisions shall be deemed to be automatically amended to conform to the provisions of applicable law.

12.9 Amendments. No amendment, change, modification or variance to or from the terms and conditions in this Agreement shall be binding on any party unless it is set forth in writing and executed: (i) on behalf of Developer by Developer or, if Developer is not a natural person, by an authorized agent or officer of Developer; and (ii) on behalf of PGF, by a duly authorized officer of PGF.

12.10 Complete Agreement. This Agreement, including the exhibits, is the entire agreement between the parties on its subject, superseding any and all prior agreements or understandings between them pertaining to the subject matter. The recitals in this Agreement, and exhibits, are incorporated here by reference. There are no representations, warranties, promises or inducements, either oral or written, except those in this Agreement. However, nothing in this Agreement, exhibits or related agreement or document is intended to disclaim representations made in PGF’s Franchise Disclosure Document which Developer acknowledges was furnished to Developer.

12.11 Covenant and Condition. Each provision of this Agreement performable by Developer shall be construed to be both a covenant and a condition.

12.12 Submission of Agreement. The submission of this Agreement to Developer is not an offer to Developer and this Agreement shall become effective only on execution by PGF and Developer.

12.13 Spousal Consent. If the party entering into this Agreement as Developer is married and the party's spouse is not a party to this Agreement, Developer's spouse shall execute PGF's then-current Spousal Consent.

Any business opportunities related to Employer's or Company's business that Employee learns of or obtains while employed by Employer (whether or not during working hours) shall belong to Employer.

5. Saving Provision. The parties agree and stipulate that the agreements and covenants not to compete contained in the preceding paragraph, including the scope of the restricted activities described therein and the duration and geographic extent of such restrictions, are fair and reasonably necessary for the protection of Confidential Information, goodwill, and other protectable interests, in light of all of the facts and circumstances of the relationship between the Company, Employee and Employer. In the event a court of competent jurisdiction should decline to enforce any provision of the preceding paragraph, such paragraph shall be deemed to be modified to restrict Employee's competition to the maximum extent, in both time and geography, which the court shall find enforceable.

6. No Guarantee of Employment. This Agreement does not guarantee continued employment. Employee's employment is terminable at any time by Employer or Employee, with or without cause or prior notice, unless otherwise provided in a written employment agreement.

7. No Conflicting Agreements. Employee represents and warrants that Employee is not a party to any agreements, such as confidentiality or non-competition agreements, that limit Employee's ability to perform his or her duties for Employer.

8. Injunctive Relief. Employee acknowledges that disclosure of any Confidential Information or breach or threatened breach of any of the non-competition and non-disclosure covenants or other agreements contained herein would give rise to irreparable injury to Employer or the Company, which injury would be inadequately compensable in money damages. Accordingly, Employer or the Company, at its sole discretion, may seek and obtain injunctive relief from the breach or threatened breach of any provision, requirement or covenant of this Agreement, in addition to and not in limitation of any other legal remedies which may be available. Employee further acknowledges, agrees and stipulates that, in the event of the termination of employment with the Employer, the Employee's experience and capabilities are such that the Employee can obtain employment in business activities which are of a different and non-competing nature with his or her activities as an employee of Employer; and that the enforcement of a remedy hereunder by way of injunction will not prevent the Employee from earning a reasonable livelihood. Employee further acknowledges and agrees that the covenants contained

herein are necessary to protect the legitimate business interests of Employer and the Company and are reasonable in scope and content.

9. Enforcement. The provisions of this Agreement shall be enforceable notwithstanding the existence of any claim or cause of action against the Company, Employer by Employee, whether predicated on this Agreement or otherwise.

10. Governing Law. The Agreement shall be construed in accordance with the internal laws of the State of California. The parties agree to personal jurisdiction in the County of Flathead, State of California. Employee's obligations under this Agreement supplement and do not supersede the obligations imposed on Employee by applicable law.

11. Legal Expense. In any suit, proceeding or action to enforce any provision of this Agreement or for adjudication of the rights of Company, Employer or Employee, the prevailing party shall be entitled to recover from the other party reasonable attorneys' fees and costs and expenses incurred in the suit, proceeding or action.

12. Waiver. Waiver of a breach of any provision of this Agreement or of failure to enforce any provision hereof shall not operate or be construed as a waiver of any subsequent breach by any party.

Guarantors jointly and severally unconditionally guaranty the full, prompt and complete performance of the Franchisee under the terms, covenants and conditions of the Agreement, including, without limitation, the complete and prompt payment of all indebtedness to PGF under the Agreement. The word “indebtedness” is used herein in its most comprehensive sense and includes, without limitation, any and all advances, debts, obligations and liabilities of the Franchisee, now or hereafter incurred, either voluntarily or involuntarily, and whether due or not due, absolute or contingent, liquidated or unliquidated, determined or undetermined, or whether recovery thereof may be now or hereafter barred by any statute of limitation or is otherwise unenforceable.

STATE ADDENDA

ADDITIONAL DISCLOSURES FOR THE MULTISTATE FRANCHISE DISCLOSURE DOCUMENT OF PURCHASE GREEN FRANCHISING LLC

The following are additional disclosures for the Multistate Franchise Agreement of Purchase Green Franchising, LLC required by various state franchise laws. Each provision of these additional disclosures shall not apply unless, with respect to that provision, the jurisdictional requirements of the applicable state franchise registration and disclosure law are met independently without reference to these additional disclosures.

NO WAIVER OF DISCLAIMER OF RELIANCE IN CERTAIN STATES

The following provision applies only to franchisees and franchises that are subject to the state franchise registration/disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin:

No statement, questionnaire, or acknowledgement signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on our behalf. This provision supersedes any other term of any document executed in connection with the franchise.

CALIFORNIA

The Disclosure Document is amended as follows:

California Corporations Code, Section 31125 requires the franchisor to give the franchisee a disclosure document, approved by the Department of Financial Protection & Innovation, prior to a solicitation of a proposed material modification of an existing franchise.

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT 14 DAYS PRIOR TO EXECUTION OF ANY AGREEMENT.

OUR WEBSITE HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION & INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENTS OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT FINANCIAL PROTECTION & INNOVATION (“DEPARTMENT”) AT WWW.DFPI.CA.GOV.

THESE FRANCHISES HAVE BEEN REGISTERED UNDER THE FRANCHISE INVESTMENT LAW OF THE STATE OF CALIFORNIA. SUCH REGISTRATION DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE COMMISSIONER OF FINANCIAL PROTECTION & INNOVATION NOR A FINDING BY

THE COMMISSIONER THAT THE INFORMATION PROVIDED HEREIN IS TRUE, COMPLETE AND NOT MISLEADING.

1. The following language is added to the end of Item 3 of the Disclosure Document:

“Neither we nor any person identified in Item 2, or an affiliate or franchise broker offering franchises under our principal trademark is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such person from membership in such association or exchange.”

2. The following paragraphs are added at the end of Item 17 of the Disclosure Document:

“Notwithstanding any provision of the Franchise Agreement that requires you to sign a general release of claims if you renew or transfer your franchise, California Corporations Code Section 31512 voids any waiver of your rights under the Franchise Investment Law (California Corporations Code Sections 31000 through 31516), and California Business and Professions Code Section 20010 voids any waiver of your rights under the Franchise Relations Act (California Business and Professions Code Sections 20000 through 20043).

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer, or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

The Franchise Agreement provides for termination upon bankruptcy. This may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).

The Franchise Agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

The franchise agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

The highest interest rate allowed by law in California is 10% annually.

The Franchise Agreement contains provisions shortening the statute of limitations to bring claims and requiring you to waive your right to punitive or exemplary damages against the franchisor, limiting your recovery to actual damages for any claims related to your franchise. Under California

Corporations Code section 31512, these provisions are not enforceable in California for any claims you may have under the California Franchise Investment Law.

3. Before we can ask you to materially modify your existing franchise agreement, Section 31125 of the California Corporations Code requires us to file a material modification application with the Department that includes a disclosure document showing the existing terms and the proposed new terms of your franchise agreement. Once the application is registered, we must provide you with that disclosure document with an explanation that the changes are voluntary.

4. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

INDIANA

For franchisors and franchisees subject to the Indiana Franchise Disclosure Law and the Indiana Deceptive Franchise Practices Law, the following information supersedes or supplements, as the case may be, the corresponding disclosures in the main body of the text of Purchase Green Franchising LLC's Franchise Disclosure Document.

Item 8. Item 8 of the Disclosure Document is amended to include the following disclosure:

The Indiana Deceptive Franchise Practices Law, Ind. Code §23-2-2.7-1(4) prohibits provisions in a Franchise Agreement subject to the Law which allow the franchisor to obtain money, goods, services, or any other benefit from any other person with whom the franchisee does business, on account of, or in relation to, the transaction between the franchisee and the other person, other than for compensation for services rendered by the franchisor, unless the benefit is promptly accounted for, and transmitted to the franchisee. To the extent that any provision of the Franchise Agreement conflicts with Indiana Law, Indiana Law will control.

The Indiana Deceptive Franchise Practices Law, Ind. Code §23-2-2.7-2(6) makes it unlawful for any franchisor to obtain money, goods, services, or any other benefit from any other person with whom the franchisee does business, on account of, or in relation to, the transaction between the franchisee and the other person, other than compensation for services rendered by the franchisor, unless the benefit is promptly accounted for, and transmitted to the franchisee. To the extent that any of Purchase Green Franchising LLC's business practices conflicts with Indiana Law, Indiana Law will control.

Item 17. Item 17 of the Disclosure Document is amended to include the following disclosure:

To the extent you are required to execute a release in favor of Purchase Green Franchising LLC., such release shall exclude liabilities arising under the Indiana Deceptive Franchise Practices Law, Ind. Code §23-2-2.7-1.

Ind. Code §23-2-2.7-2(3) makes it unlawful for a franchisor to deny the surviving spouse, heirs, or estate of a deceased franchisee the opportunity to participate in the ownership of the franchise under a valid Franchise Agreement for a reasonable time after the death of the franchisee, provided that the surviving spouse, heirs or estate maintains all standards and obligations of the franchise. To the extent that the Franchise Agreement requires a surviving spouse, heirs or an estate representative to assume liability under the Franchise Agreement and to complete training, the Franchise Agreement has been amended in accordance with Indiana Law to provide that all such conditions must be met within 6 months of the franchisee's date of death.

Ind. Code §23-2-2.7-1(10) prohibits any provision in the Agreement which limits litigation brought for breach of the Agreement in any manner whatsoever. To the extent that any provision of the Agreement conflicts with Indiana law, Indiana law will control.

The choice of law provision contained in the Franchise Agreement should not be considered a waiver of any right conferred upon you by the provisions of the Indiana Franchise Disclosure Law or the Indiana Deceptive Franchise Practices Law with respect to the offer and sale of a franchise and the franchise relationship. The Franchise Agreement shall be governed by the Indiana Franchise Disclosure Law IC §23-2-2.5 and the Indiana Deceptive Franchise Practices Law IC §23-2-2.7, under Ind. Code §23-2-2.7.

Indiana franchisees are allowed access to Indiana courts. Any provision in the Franchise Agreement which designates jurisdiction or venue or requires the franchisee to agree to jurisdiction or venue in a forum outside of Indiana with respect to any matter governed by the Indiana Deceptive Franchise Practices Law and Indiana Franchise Disclosure Law is void.

The post term covenant not to compete is limited to your non-exclusive area under the Franchise Agreement pursuant to Ind. Code §23-2-2.7-1(9).

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Where and to the extent that any of the provisions of this Rider are contrary to, in conflict with or inconsistent with any provision contained in the Franchise Agreement, the provisions contained in this Rider shall control. Defined terms contained in the Franchise Agreement shall have the identical meanings in this Rider.

1. Sections 4.d.(v) and 27.c.(viii) of the Franchise Agreement are amended by the addition of the following language to the original language that appears therein:

“Any general release required as a condition of renewal, sale and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.”

2. Any provision requiring Franchisee to bring an action against Franchisor in any state other than Maryland shall not apply to claims arising under the Maryland Franchise Registration and Disclosure Law. Franchisee may bring an action in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law. All claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of a franchise.

3. The Maryland Franchise Registration and Disclosure Law prohibits a franchisor from requiring a prospective franchisee to assent to any release, estoppel or waiver of liability as a condition of purchasing a franchise. Any provisions which require a prospective franchisee to disclaim the occurrence and/or non-occurrence of acts that would constitute a violation of the Maryland Franchise Registration and Disclosure Law in order to purchase a franchise are not intended to, nor shall they act as a release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.

4. In the event of any conflict between the terms of this Rider and the terms of the Franchise Agreement, the terms of this Rider shall prevail.

5. Each provision of this Rider shall be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Franchise Law are met independently without reference to this Rider.

6. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller,

or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

7. Section 1(a) of the Franchise Agreement is amended to add the following sentence:

“All initial fees due to Franchisor shall be deferred until the first business day following the date Franchisor completed all of its material initial obligations to Franchisee under the Franchise Agreement and Franchisee begins operations at Franchisee’s Purchase Green business, at which time all initial fees will become immediately due and payable. The above fee deferral limitation will not apply to any initial inventory of products and other items Franchisor sells to Franchisee prior to opening. Franchisee acknowledges that Franchisor may charge and collect the purchase amount for these items as incurred prior to opening.”

**SBA ADDENDUM TO FRANCHISE
AGREEMENT**

ADDENDUM TO FRANCHISE AGREEMENT

THIS ADDENDUM (“Addendum”) is made and entered into on _____, 20 __, by and between _____ (“Franchisor”) located at _____, and (“Franchisee”) located at _____.

Franchisor and Franchisee entered into a Franchise Agreement on _____, 20 ____ (such Agreement, together with any amendments, the “Franchise Agreement”). Franchisee is applying for financing(s) from a lender in which funding is provided with the assistance of the U. S. Small Business Administration (“SBA”). SBA requires the execution of this Addendum as a condition for obtaining SBA-assisted financing.

In consideration of the mutual promises below and for good and valuable consideration, the receipt and sufficiency of which the parties acknowledge the parties agree that notwithstanding any other terms in the Franchise Agreement:

CHANGE OF OWNERSHIP

- If Franchisee is proposing to transfer a partial interest in Franchisee and Franchisor has an option to purchase or a right of first refusal with respect to that partial interest, Franchisor may exercise such option or right only if the proposed transferee is not a current owner or family member of a current owner of Franchisee. If the Franchisor’s consent is required for any transfer (full or partial), Franchisor will not unreasonably withhold such consent. In the event of an approved transfer of the (Enter type of) interest or any portion thereof, the transferor will not be liable for the actions of the transferee Franchisee.

FORCED SALE OF ASSETS

- If Franchisor has the option to purchase the business personal assets upon default or termination of the Franchise Agreement and the parties are unable to agree on the value of the assets, the value will be determined by an appraiser chosen by both parties. If the Franchisee owns the real estate where the franchisee location is operating, Franchisee will not be required to sell the real estate upon default or termination, but Franchisee may be required to lease the real estate for the remainder of the (enter type of) term (excluding additional renewals) for fair market value.

¹ While relationships established under license, jobber, dealer and similar agreements are not generally described as “franchise” relationships, if such relationships meet the Federal Trade Commission’s (FTC’s) definition of a franchise (see 16 CFR § 436), they are treated by SBA as franchise relationships for franchise

affiliation determinations per 13 CFR § 121.301(f)(5).

COVENANTS

- If the Franchisee owns the real estate where the franchisee location is operating, Franchisor has not and will not during the term of the Franchise Agreement record against the real estate any restrictions on the use of the property, including any restrictive covenants, branding covenants or environmental use restrictions. If any such restrictions are currently recorded against the Franchisee 's real estate, they must be removed in order for the Franchisee to obtain SBA-assisted financing.

EMPLOYMENT

- Franchisor will not directly control (hire, fire or schedule) Franchisee's employees. For temporary personnel franchises, the temporary employees will be employed by the Franchisee not the Franchisor.

As to the referenced Franchise Agreement, this Addendum automatically terminates when SBA no longer has any interest in any SBA-assisted financing provided to the Franchisee.

Except as amended by this Addendum, the Franchise Agreement remains in full force and effect according to its terms.

Franchisor and Franchisee acknowledge that submission of false information to SBA, or the withholding of material information from SBA, can result in criminal prosecution under 18 U.S.C. 1001 and other provisions, including liability for treble damages under the False Claims Act, 31 U.S.C. §§ 3729 - 3733.
