What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration, and/or litigation only in Michigan. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Michigan than in your own state.
2. **Mandatory Minimum Payments.** You must make minimum royalty and other payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**FRANCHISE DISCLOSURE DOCUMENT FOR PROSPECTIVE FRANCHISEES
REQUIRED BY THE STATE OF MICHIGAN**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This will not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause will include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise agreement or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise agreement.
- (e) A provision that permits the franchisor to refuse to renew a franchise agreement on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This will not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subsection does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause will include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then- current, reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subsection does not prohibit a provision that grants, to a franchisor, a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subsection prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subsection (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless a provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

If you have any questions regarding the foregoing provisions, contact the Michigan Department of Attorney General, Consumer Protection Division, Franchise, P.O. Box 30213, Lansing, Michigan 48909, (517) 335-7561.

The Michigan Notice applies only to Franchisees who are residents of Michigan or locate their franchises in Michigan.

ITEM 1. THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

To simplify the language in this Disclosure Document, the words “we,” “our,” “us” and “Goldfish Swim School” refer to Goldfish Swim School Franchising LLC, the franchisor of this business. “You” and “your” refer to the person who buys the franchise, whether you are a corporation, limited liability company or other business entity. If you are a corporation, limited liability company or other business entity, certain provisions of this disclosure also apply to your owners and will be noted.

The Franchisor

We formed a limited liability company in Michigan on June 19, 2008 for the purpose of offering Goldfish Swim School franchises. Our principal business address is 2701 Industrial Row Drive, Troy, Michigan 48084. We do business under our corporate name and the name Goldfish Swim School. We have offered franchises since 2008.

We franchise the right to operate a swim school that provides specialized quality swim instruction and superior customer service to its clients. The franchise aims to service local markets by offering group and private swim lessons as well as birthday parties, open swim times, swim clinics and many other aquatic activities to children aged 4 months to 12 years of age in a fun and colorful environment. The franchise will also service its clients by offering a snack bar and retail area. The franchise or franchised swim school does business under the trade name, Goldfish Swim School®, and also uses our other related service marks, trademarks or logos (our “Marks”). The location of a franchised swim school typically requires between 6,000 to 9,500 square feet, and is usually in a geographical area with a substantial population of children under the age of 9 years old. The franchise operates using our standards, methods, procedures and specifications, called our “System.” We also offer, to persons and entities that meet our qualifications, the opportunity to develop multiple Swim Schools within a protected development territory (“Development Territory”) under the terms of the Area Development Agreement (“Area Development Agreement”). If you sign an Area Development Agreement, you must develop an agreed-upon number of Swim Schools according to a specific development schedule and you will sign a separate Franchise Agreement in our then-current form for each Swim School developed under your Area Development Agreement, which may be different from the form of franchise agreement included in this offering.

We do not operate and have never operated a business of the type being franchised. We are not involved in any other business activities and have not offered franchises in any other business.

We do not have any parent companies or predecessors. General Description of the Market and Competition

A Goldfish Swim School franchise provides swim instruction to children aged 4 months to 12 years. You may have to compete with other swim schools, including franchised operations, national chains and independently owned companies offering swimming lessons to children as well as competition from local school districts, park districts, and other local organizations which provide swimming lessons. You may also encounter competition from other Goldfish Swim School franchises, who are located outside your designated area, but who may market and advertise within your designated area. Changes in local and national economic conditions and population density affect this industry and are generally difficult to predict. You will face other business risks that could have an adverse effect on your business, including pricing policies of competitors, changes to laws or regulations, changes in supply and demand, new technologies and competition that provide related products. Our ability to fulfill our obligations under our

Franchise Agreement depends in part on our present and future financial condition. Litigation risks also exist, including future litigation that may not be predicted.

Regulations Specific to the Industry

The federal government and most states and local jurisdictions have enacted laws, rules, regulations and ordinances that may apply to the operation of the franchised swim school, including those that: (a) require a CPR, life guard and first aid certification or other certification; (b) establish general standards, specifications and requirements for the construction, design and maintenance of the business premises, including without limitation, pool construction requirements, zoning regulations, building codes, whether at the federal, state, or local level; (c) regulate matters affecting the health, safety and welfare of your customers, such as, without limitation, federal, state, or local laws, regulations, executive orders, or emergency orders that require closure or significant limitations in the operation of the Franchised Swim School in response to health crises, epidemics, or pandemics, such as COVID-19, general health and sanitation requirements, pool water testing requirements and maintenance of water quality, draining and refilling of the pool, procedures for managing pool water quality anomalies or emergencies, teacher/student ratios, restrictions on smoking, requirement of background checks for employees who will be in contact with children, obligations to report suspected child abuse or neglect, availability of and requirements for public accommodations, including restrooms, and all other regulatory standards applicable to child-related service businesses such as water safety instruction conducted by Franchisee and the Franchised Swim School; (d) set standards pertaining to employee health and safety, including the Occupational Safety and Health Act and other federal, state, and local laws and regulations relating to safe employment conditions; (e) regulate matters affecting requirements for accommodations for disabled persons; (f) set standards and requirements for fire safety and general emergency preparedness; (g) regulate the proper use, storage and disposal of waste including the proper maintenance of pool water; (h) require you to conduct background checks on your employees and independent contractors; (i) require you to comply with the Americans with Disabilities Act and other federal, state, or local laws or regulations relating to employees and customers with disabilities, including without limitation, the commercial pool lift regulations; (j) require you to comply with employment laws such as the Fair Labor Standards Act, Title VII of the Civil Rights Act, the Equal Employment Opportunity Act, Affordable Care Act, Age Discrimination in Employment Act, Employee Retirement Income Security Act, immigration laws, and other federal, state, and local laws and regulations governing minimum wage, overtime, and other employment related subjects; (k) require you to comply with citizenship and immigration status of your employees; (l) require you to meet air quality standards, such as without limitation, the Federal Clean Air Act and various other federal, state and local laws or regulations that regulate air quality standards limiting emissions of ozone, carbon monoxide, and particles, including caps on emissions from indoor pools; and (m) require you to comply with federal, state, or local laws and regulations that

regulate indoor air quality, the construction, operation, or maintenance of your pools, and the construction or operation of your Franchised Swim School business. You must investigate and comply with all applicable federal, state, or local laws, regulations, ordinances, or other governmental directives related to your Franchised Swim School. You alone are responsible for complying with all applicable federal, state, or local laws, regulations, ordinances, or other governmental directives related to your Franchised Swim School, despite any advice or information that we may give you.

NOTES

¹ Franchise Fee. The franchise fee and its refund policy are described in greater detail in ITEM 5. We do not finance any fee.

² Development Fee. You must pay an Initial Franchise Fee for the Area Development Agreement based upon the number of Swim Schools that you develop in the Development Territory (the "Development Fee"). The Development Fee is equal to the Initial Franchise Fee for the first Swim School (\$50,000) plus the one-half of the Initial Franchise Fee (a reduced fee

of \$40,000) for each additional Swim School developed under the Area Development Agreement. Upon signing the Area Development Agreement, you pay a lump sum Development Fee based upon this formula, which is nonrefundable, and you must sign the Franchise Agreement for your first Swim School.

³ Real Estate/Rent. You must lease or otherwise provide a suitable facility for the operation of the franchised swim school. Typically, the facility will range in size from 6,000 to 9,500 square feet. It is difficult to estimate lease acquisition costs because of the wide variation in these costs between various locations. Lease costs will vary based upon square footage, cost per square foot and required maintenance costs. The low estimate is based on an assumption that you will own your property and, therefore, have no security deposit or rent obligations in the initial period. The high estimate is based upon an assumption that you will lease your property and includes 3 month's rent and a security deposit. Some landlords may refund the security deposit if you cancel the lease before you occupy the premises. The estimated range of costs in this category includes your costs to enter into a lease agreement for the facility and rental expense for the opening period of operations (3 months). These estimates do not include property acquisition or real estate costs. If you choose to purchase the building you will not have a lease deposit or rent.

⁴ Leasehold Improvements. To adapt a newly acquired facility for operation of the franchised swim school, it must be renovated. Leasehold improvement costs could include, without limitation, excavation, import and export of material, structural changes, concrete slabs, floor and window covering, wall treatments, carpentry, millwork, vapor barriers, wall and ceiling assemblies, doors and windows, painting, electrical, plumbing, heating and cooling systems, pool construction and related equipment, municipal, licensing, contractor's fees, pool pump and filtration equipment, pool water heating system, pool water quality monitoring, chemical controls and input systems, safety equipment for the pool and mechanical areas, and specialized systems responsible for maintaining consistent temperatures and humidity throughout the franchised Swim School. The cost of purchasing equipment will depend on the unique attributes of the Swim School's site, price variances and shipping distances from suppliers. Estimate include sales taxes and shipping costs. The cost of the leasehold improvements will vary depending on factors, including without limitation, municipal approvals required, modifications based on availability of required utilities, extent of existing demolition requirements, the space's previous use, the size, condition and location of the facility, local wage rates and the cost of materials. The amounts you pay for leasehold improvements are typically non-refundable. You should inquire about the refund policy of the contractor at or before the time of hiring. Some costs may be offset by construction allowances or landlord improvement commitments that you negotiate in your lease.

⁵ Insurance. You must purchase the types of insurance and coverage amounts as we determine from time to time as provided in our Brand Standards Manual. Factors that may affect your cost of insurance include the size and location of the franchised swim school, value of the leasehold improvements, equipment, inventory, number of employees and other factors. The amounts estimated are for the first 3 months of operation. The amounts you pay for insurance are typically non-refundable. You should inquire about the cancellation and refund policy of the insurance carrier or agent at or before the time of purchase.

⁶ Training. The cost of initial training is included in the franchise fee, but you are responsible for transportation and expenses for meals and lodging while attending training. The total cost will vary depending on the number of people attending, how far you travel and the type of accommodations you choose. These expenses are typically non-refundable. Before making airline ticket, hotel, rental car or other reservations, you should inquire about the refund policy in the event you need to cancel any reservation. This cost also includes the cost of a General Manager, reception staff and swim teachers prior to opening the facility.

⁷ Furniture, Fixtures, Equipment, Computers, & Decor. You must purchase and/or lease and install furniture, fixtures and equipment and décor necessary to operate your franchised swim school. The cost of the furniture, fixtures and equipment will vary according to local market conditions, the size of the facility, suppliers and other related factors. Equipment installation charges are also included in this range. We do not know if the amounts you pay for furniture, fixtures or equipment are refundable. Factors determining whether furniture, fixtures and equipment are refundable typically include the condition of the items, level of use, length of time of possession and other variables. You should inquire about the return and refund policy of the suppliers at or before the time of purchasing or leasing. You must purchase general office supplies including stationery, business cards and typical office equipment. Factors that may affect your cost of office equipment and supplies include local market conditions, competition among suppliers and other factors. We do not know if the amounts you pay for office equipment and supplies are refundable. Factors determining whether office equipment and supplies are refundable typically include the condition of the items at time of return, level of use and length of time of possession. You should inquire about the return and refund policy of the supplier at or before the time of purchase. This range includes the cost of all signage used in the franchised swim school. The signage requirements and costs will vary based upon the size and location of the franchised swim school, local zoning requirements, landlord requirements and local wage rates for installation. The amounts you pay for signage are typically non-refundable. You should inquire about the return and refund policy of the suppliers at or before the time of purchase. You must purchase an initial inventory of swim lesson equipment, merchandise, vending items and birthday party supplies for use in the operation of the franchised swim school. Some of these inventory items may include goggles, barbells, swim suits and diapers, food and beverage items, balloons, and birthday party centerpieces. Costs vary based upon the size and

location of the franchised swim school, suppliers and other related factors. We do not know if the amounts you pay for inventory items may be refundable. Factors determining whether inventory items are refundable typically include the condition of the items at time of return, level of use, and length of time of possession and other factors. You should inquire about the return and refund policy of the suppliers at or before the time of purchasing. You must purchase computer equipment and software described in more detail in ITEM 11. Amounts you pay for the computer equipment and software are non-refundable, or if refundable, you may be subject to a “re-stocking” fee. You should inquire about the return and refund policy of the suppliers at or before the time of purchasing.

⁸ Initial Advertising Expense. You must spend an amount we require for your initial advertising expense from the time prior to the opening of your Franchised Swim School through the first 3 months of your operations, which amount includes without limitation, all marketing, advertising, promotion, and the grand opening party. We determine the minimum based on our assessment of your advertising costs in your swim school market. You may choose to spend more. See ITEM 11. Factors that may affect the actual amount you spend include but are not limited to local media costs, site selection of the Franchised Swim School, competition and brand awareness, time of year, customer demographics in the surrounding area, and whether your Franchised Swim School will be the first Goldfish Swim School® in the market. The amounts you spend for initial advertising expense are typically non-refundable. You should inquire about the return and refund policy of the suppliers at or before the time of purchasing. We require that you hire at your cost Approved Suppliers to provide local marketing services and branding advertising services prior to the opening of your Franchised Swim School.

⁹ Licenses, Permits, & Deposits. We assume that the site you select is properly zoned and that no extraordinary effort or expense is required to construct your Franchised Swim School. State and local government agencies typically charge fees for occupancy permits, operating licenses and construction permits. Your actual costs may vary from the estimates based on the requirements of state and local government agencies. These fees are typically non-refundable. You should inquire about the cancellation and refund policy of the agencies at or before the time of payment. If you are a new customer of your local utilities, you will generally have to pay deposits to obtain services, including electric, telephone, gas and water. The amount of the deposit and whether the deposit is refundable will vary depending on the local utilities. You should contact your local utilities for more information.

¹⁰ Legal & Accounting. You will need to contract with an attorney, an accountant, a bookkeeping service, and other consultants to assist you in establishing your franchised swim school. These fees may vary from location to location depending on the prevailing rates of local attorneys, accountants and consultants. These fees are typically non-refundable. You should

inquire about the refund policy of the attorney, accountant or consultant at or before the time of hiring.

¹¹ Project Manager/Owner's Representative. You must contract with an Approved Supplier for project manager/owner's representative services to supervise and coordinate the construction of your Franchised Swim School. This expense is non-refundable.

¹² Water Tap Fees. You may be required by a local unit of government to pay a fee to access the local unit of government's water and/or sewer system. Early in the process, you should investigate whether the location you are considering will result in a water tap fee assessment.

¹³ Additional Funds. We recommend that you have a minimum amount of money available to cover operating expenses, including among other things utilities and employees' salaries for the initial operational period that the franchised swim school is open. We cannot guarantee that our recommendation will be sufficient. This amount includes loan costs generally incurred by our franchisees who finance part of this initial investment. Additional working capital may be required if sales are low or operating costs are high. These expenses are typically non-refundable.

¹⁴ Total. In compiling this chart, we relied on our and our Affiliate's industry knowledge and experience as well as our experience in assisting franchisees open their Franchised Swim Schools. These estimates are based upon our existing experience in our existing markets. If you propose to open in a market other than a market in which we have opened a company-owned, affiliate-owned, or franchised outlet, you may experience significantly different initial investment expenses. The amounts shown are estimates only and may vary for many reasons, including the size and condition of your facility, the capabilities of your management team, where you locate your franchised swim school and your business experience and acumen. You should review these estimates carefully with an accountant or other business advisor before making any decision to buy a franchise. These figures are estimates only and we cannot guarantee that you will not have additional expenses in starting the franchised swim school.

We do not offer direct or indirect financing to you for any items.

ITEM 8. RESTRICTIONS ON SOURCES OF SERVICES AND PRODUCTS

You must purchase all of your supplies ("Approved Supplies") including without limitation your furniture, fixtures, equipment, including computer equipment, inventory, and

We may communicate our standards and specifications directly to suppliers who wish to supply you with furniture, fixtures, equipment, inventory and signage under specifications and to Approved Suppliers performing services on your behalf. We communicate our standards and specifications to you when we evaluate your proposed location for the franchised swim school during training, before you conduct your initial advertising expense, during on-site opening assistance, during periodic visits to your franchise location and through the Confidential Brand Standards Manual (including periodic bulletins). At this time, we do not, however, derive any material benefits based upon your use of any required purchases from Approved Suppliers, nor do we provide any material benefits to you based upon your use of any required purchases from Approved Suppliers. We do not provide material benefits to you (for example, renewal or granting additional franchises) based upon your purchase of particular products or services or use of particular suppliers.

We reserve the right from time to time to establish exclusive arrangements with certain providers or suppliers for the benefit of the entire System. When we establish these exclusive System-wide supplier arrangements, you must participate.

We intend that any rebates received as a result of purchases by our affiliates will be returned to our affiliates.

Approval Criteria for Non-Approved Goods & Services

If you would like to use any goods or services in establishing and operating the franchised swim school that we have not approved (for goods and services that must meet our standards, specifications or that require supplier approval), you must first send us sufficient information, specifications and samples for us to determine whether the goods or services comply with our standards and specifications or the supplier meets our approved supplier criteria. You must pay for the evaluation of the goods, services or suppliers. We will decide within 30 days after receiving the required information whether you may purchase or lease the goods or services or from the supplier. Our criteria for approving or revoking approval of suppliers includes: the supplier's ability to provide sufficient quantity of goods; quality of goods or services at competitive prices; production and delivery capability; and dependability and general reputation.

Periodically, we may review our approval of any goods, services or suppliers. We will notify you if we revoke our approval of goods, services or suppliers, and you must immediately stop purchasing disapproved goods or services, or must immediately stop purchasing from a disapproved supplier. Additionally, we may negotiate pricing arrangements, including volume discounts on behalf of our franchisees with our suppliers. Volume discounts may not be available to franchisees located in outlying markets that a particular supplier does not serve in significant volume. Presently, there are no purchasing or distribution cooperatives that you must join.

Percentage of Your Costs Due to our Standards & Specifications

We estimate that approximately 80% to 95% of your expenditures for leases and purchases in establishing your franchised swim school will be for goods and services that must be purchased from us, our Affiliate or an approved supplier or according to our standards and specifications. We estimate that approximately 35% to 45% of your expenditures on an ongoing basis will be for goods and services that must be purchased from either us, our Affiliate, an approved supplier or according to our standards and specifications.

We do not provide material benefits to you (including renewal rights or the right to additional franchises) based on whether you purchase through the sources we designate or approve. We have no purchasing or distribution cooperatives serving our franchise System.

We will provide you with support, consulting, and guidance for conducting initial advertising expense, and we will help plan, review and approve the marketing venues you use in your initial advertising expense. (Section 11.1; See also ITEM 9.f. and 9.o.) We may require you to hire an Approved Supplier to perform certain local marketing services.

2. Each quarter, you must spend 2% of gross sales on advertising, promotions and public relations in the local area surrounding the franchised swim school. You will pay for your ads and promotions directly, but we will provide you with general marketing guidelines and we will review and approve your advertisements. (Section 11.2; See also ITEM 9.o.)

3. To assist in our system-wide marketing, we have developed a System-wide Brand Fund, administered by our affiliate, and you must contribute to the fund. Presently, we or our affiliate collect the greater of \$900 per month or up to 3% (we currently charge 2%) of gross sales for the 90 day period following the earlier of the date you open for business or 600 days after you sign a Franchise Agreement, and the greater of \$1,200 per month or up to 3% (we currently charge 2%) of gross sales thereafter. The Brand Fund Contribution is collected in the same manner as Royalty. (Section 11.3; See also ITEM 9.o.) Our affiliate will administer the Brand Fund as follows:

(a) Through our affiliate, we will control the creative concepts and the materials and media to be used, and we will determine the placement and allocation of advertisements. Through our affiliate, we may use print, television, radio, Internet or other media for advertisements and promotions. Neither we nor our affiliate guarantee that any particular franchisee will benefit directly or in proportion to their contribution from the placement of advertising by the Brand Fund.

(b) Through our affiliate, we may use your contributions to meet or reimburse us for any cost of producing, maintaining, administering and directing consumer advertising (including the cost of preparing and conducting television, radio, Internet, magazine, direct mail and newspaper advertising campaigns and other public relations activities; hosting an

Internet web page of similar activities; employing advertising agencies to assist therein; providing promotional brochures; conducting market research; and providing other marketing materials to franchisees). Your contributions to our affiliate are in our affiliate’s account separate account from our funds and will not be use for any of our general operating expenses, except for our reasonable administrative costs and overhead related to the administration of the Brand Fund. Neither we nor our affiliate will use Brand Fund contributions for the direct solicitation of franchise sales.

(c) Through our affiliate, we expect to use all contributions in the fiscal year they are made. Through our affiliate, we will use any interest or other earnings of the Brand Fund before we use current contributions. We intend for the Brand Fund to be perpetual, but we have the right to terminate it if necessary. We will not terminate the Brand Fund until all contributions and earnings have been used for advertising and promotional purposes or we have returned your pro rata share.

(d) All Goldfish Swim Schools owned by us or an affiliate will make similar contributions to the Brand Fund as required of franchisees.

(e) Through our affiliate, we will have an accounting of the Brand Fund prepared each year and we will provide you with a copy if you request it. We may require that the annual accounting be reviewed or audited and reported on by an independent certified public accountant at the Brand Fund’s expense.

(f) The Brand Fund is not a trust and neither we nor our affiliate assume no fiduciary duty in administering the Brand Fund.

(g) During our fiscal year 2020, our affiliate collected \$1,701,349 in revenue for the Brand Fund. In our fiscal year 2020, our affiliate spent \$1,572,650 from the Brand Fund in the following category of expenses:

Digital Media:	29.39%
Public Relations & Brand Awareness:	9.05%
National Media/Creative/Research	2.35%
Print Media and Production:	1.32%
Email Program and Hosting:	3.89%
Social Media:	1.29%
Listing and Review Services:	1.88%
Software Licensing:	7.90%
Administrative:	42.93%
Total	100.00%

“Administrative” consists of labor costs, training and development and software and equipment for staff associated with the Marketing Department. Additional costs incurred were related to public relations and awareness programs and services to promote the brand and drive membership and member satisfaction at the local level. Any Brand Fund revenue not spent in the fiscal year will be either used to eliminate a previous year’s Brand Fund deficiency or carried over to the next fiscal year and spend on behalf of the System. In the future, if the Brand Fund spends more in any fiscal year than it receives, we intend to recover such expenditures in the following fiscal year. We do not use any portion of the Brand Fund for the sole solicitation of new franchisees.

There is no fiduciary or trust relationship created by our administering the Brand Fund. We anticipate all of our franchisees will contribute to the Brand Fund, although there is no prohibition against us charging higher or lower rates for future franchisees. We also may forgive, waive, settle, or compromise claims by or against the Brand Fund. We may defer or reduce a franchisee’s contribution based on the peculiarities of a particular territory or circumstance, existing business practices, or other factors that we deem to be important to the operation of any franchised swim school or the System. If we terminate the Brand Fund, we will distribute all unused monies to the contributors in proportion to their respective contributions during a pre-determined period.

4. At this time, there are no Advertising Cooperatives. Although we are not obligated to do so, we may create a cooperative advertising program for the benefit of all Goldfish Swim School franchises located in a particular region so long as at least 50% of the franchisees in the region agree to create the advertising cooperative. Your contributions to the advertising cooperative will satisfy your local advertising obligations, provided that your contributions to the advertising cooperative meet or exceed the local advertising requirements. The level of your cooperative advertising contribution will be determined by the cooperative, of which you will be a voting member, but that amount may exceed your minimum local advertising obligation under the Franchise Agreement, but in no event will it exceed 5% of gross sales. We will determine the geographic territory and market areas for each cooperative advertising program. If formed, you must participate in any cooperative advertising program established in your region. If cooperative advertising is implemented in a particular region, an advertising council of franchisees in that region will be appointed to self-administer the program. We reserve the right to dissolve or merge these program(s) and/or council(s) at any time. Goldfish Swim Schools operated by us or our affiliates in an area covered by an Advertising Cooperative will contribute to the Advertising Cooperative on the same basis as comparable franchisees and have the same voting rights as any comparable franchisee. (Section 11.4; See also ITEM 9.o.)

5. You are restricted from establishing a presence on, or marketing on the Internet or any social media, such as, without limitation, Facebook, Twitter, Four Square, Instagram, etc., without our consent. We have an Internet website at the uniform resource locator www.goldfishswimschool.com that provides information about the System and about Goldfish Swim School franchises. We will include at the Goldfish Swim School website an interior page containing information about your franchised swim school. All information must be approved by us before it is posted. We retain the sole right to market on the Internet, including the use of websites, domain names, uniform resource locators, keywords, linking, search engines (and search engine optimization techniques), banner ads, meta-tags, marketing, auction sites, e-commerce and co-branding arrangements. You may be requested to provide content for our Internet marketing and you must follow our intranet and Internet usage rules, policies and requirements. We retain the sole right to use the Marks on the Internet, including on websites, as domain names, directory addresses, search terms and meta-tags, and in connection with linking, marketing, co-branding and other arrangements. We retain the sole right to approve any linking to, or other use of, the Goldfish Swim School website. (Section 11.5; See also ITEM 9.o.)

6. We may periodically conduct promotional campaigns on a national or regional or system-wide or partially system-wide basis to promote products, services, or marketing themes. You must participate in all promotional campaigns we establish for the region in which your Franchised Swim School is located.

7. There is no franchisee advertising council. However, we established a “Brand Advisory Council” in which some franchisees participate that may have input on advertising or marketing initiatives. We select up to 5 franchisees as the members of this BAC. The BAC does not have decision making authority, but will provide input and suggestions into all areas of System operations, including, without limitation, marketing. We have the power to form, change, or dissolve this BAC in our discretion, or form, change, or dissolve any advertising council that we may form in the future.

D. Computer/Point-of-Sale System

You must purchase and use any hardware and software programs we designate. (Section 12.5) Presently, you must purchase hardware and software for your computer system that must meet our requirements, including, without limitation: (a) back office and point of sale systems, data, audio, video, and voice storage, retrieval, and transmission systems for use in your franchised swim school; (b) cash register systems; (c) physical, electronic, and other security systems; (d) printers and other peripheral devices; (e) archival back-up systems; and (f) internet access mode (such as the form of telecommunications connection) and speed. The computer system will include multiple access points in the franchised swim school, multiple printer

stations, a network configuration to allow all of the computers to access and input data directly to a centralized network, point of sale software and hardware to register customers, schedule customer swim lessons, schedule employees, software to complete payroll functions, accounting, remote access, on-hold messaging, and other software and hardware that we designate from time to time. Technology is advancing so quickly that the specifications are being revised continuously. We may periodically require you to upgrade and update the hardware and software used in connection with the computer system. There are no contractual limitations on the frequency and cost of these upgrades and updates. We update our computer system requirements in our Brand Standards Manual.

Presently, the Technology Fee you pay to us gives you access to a custom email domain, Customer Relationship Management software, and Customer Scheduling, Billing, and Payment software that is specific to our business. As part of the Technology Fee, you receive up to 20 software licenses. You will also be required to purchase networking equipment and security software from an Approved Supplier. You must purchase and install business class internet that meets our Standards and Specifications outlined in our Brand Standards Manual. You must also install and run an approved malware software and firewall solution as outlined in our Brand Standards Manual. Your wifi access must meet our Standards and Specifications as outlined in our Brand Standards Manual. We rely on suppliers to provide support for the hardware and software. The approximate cost of the hardware and software ranges from \$13,000 to \$18,000. This cost is included in the category of “Furniture, Fixtures, Equipment, Computers, and Decor” in Your Estimated Initial Investment chart in ITEM 7. You may be responsible for annual support or license fees for required software as we implement from time to time in our Brand Standards Manual. We are otherwise unaware of any annual maintenance or updating expenses for the required hardware and software or the costs for such annual support or license fees.

You do not have to enter into any ongoing maintenance or support agreements for the maintenance of a computer or point-of-sale system, but you may find it advantageous to do so. You may periodically be required to update or upgrade computer hardware and software, if we believe it is necessary. We may introduce new requirements for computer and point-of-sale systems or modify our specifications and requirements. There are no limits on our rights to do so. If we make new requirements, including adopting a new software or point-of-sale system solution, you must comply with these requirements at your sole cost and expense. We have the right to independently access all information you collect or compile at any time without first notifying you. (Sections 10.2, 12.5 and 12.6.)

We will have independent access to your computer system and data. You must afford us unimpeded access to your computer system in the manner, form, and at the times we

may request. We will have the right at any time to retrieve and use this data and information from your computer system in any manner we deem necessary or desirable.

E. Methods Used to Select the Location of the Franchised Swim School

If you have a potential site for the franchised swim school, you may propose the location for our consideration. We may consent to the site after we have evaluated it. If you do not have a proposed site, we will designate a geographic area in which you must locate the franchised swim school and we will furnish you with our general site selection criteria. We may provide sites in your designated area to review. You are solely responsible for locating and obtaining a site that meets our standards and criteria and that is acceptable to us. (Sections 2.3 and 5.1) You must use a real estate broker that we approve. We reserve the right to designate a Designated Supplier for real estate acquisition services.

The general site selection and evaluation criteria or factors that we consider in approving your site includes the condition of the premises, demographics of the surrounding area including population size of children under the age of 9, proximity to other Goldfish Swim Schools, proximity to competitive businesses, lease requirements, traffic patterns, visibility, vehicular and pedestrian access, proximity to major roads, available parking and overall suitability. We will provide you with written notice of our approval or disapproval of any proposed site within a reasonable time (usually 30 days) after receiving all requested information. If we cannot agree with you on a suitable site for the franchised swim school within 180 days after you sign the Franchise Agreement, we may terminate the Franchise Agreement. (Sections 5.1 and 5.2).

F. Typical Length of Time Before Operation

We estimate that the typical length of time between the signing of the Franchise Agreement and the opening of the franchise is 600 days. Factors that may affect your beginning operations include ability to secure permits, zoning and local ordinances, weather conditions and delays in installation of equipment and fixtures, satisfactory completion of our training programs and your Designated Manager's successful completion of his/her CPR, first aid and lifeguard certifications. You must execute a lease or a binding purchase agreement for a site location within 180 days after signing the Area Development Agreement and/or Franchise Agreement, begin construction of your approved location within 330 days after signing the Area Development Agreement and/or Franchise Agreement, and open your franchised swim school and be operational within 600 days after signing the Franchise Agreement. (Sections 5.3, 5.4, 5.5, and 5.6). If you execute an Area Development Agreement, you are required to open additional franchised swim schools pursuant to the Development Schedule.

G. Training

1. Goldfish On-boarding Training We provide on-boarding training for the Control Person and other owners of yours that we may require. These people must attend the Goldfish On-boarding Training within 60 days following the execution of the Franchise Agreement. You must pay all costs associated with attendance, which shall be held every other month or as needed at our offices or, in our discretion, through a virtual or remote platform. 2. Initial Training. We provide you an initial training program that covers material aspects of the operation of the Franchised Swim School and is provided to protect Franchisor’s brand and the Trademarks and not to control the day-to-day operations of the Franchised Swim School business. The topics covered are listed in the chart below. This required training is offered by us on an as needed basis in part by a virtual platform and in part in person at our headquarters in Troy, Michigan, or another location we designate at a mutually convenient time for you and us. You must designate a general manager (“Designated Manager”), an assistant general manager, and at least 1 owner approved by us to attend the training, and each must complete to our satisfaction the initial training program of approximately 24 days to our satisfaction at least 60 days before the opening of the franchised swim school. We expect that your attendees will advance through the training program at different rates depending on a variety of factors, including background and experience. The time frames provided in the chart are a minimum estimate of the time it will take to complete training. Training for your attendees may take longer. We do not charge for initial training. You must pay for all travel costs and living expenses for yourself and any of your attendees. These costs are estimated in ITEM 7. If you replace your Designated Manager, your new Designated Manager must attend our training program in order to properly implement our brand standards. You may be charged fees for additional training. Our current fees for additional training are described in ITEM 6. You are responsible for training your own employees and other management personnel. This initial training is in addition to the on-site opening assistance we provide to you. Your franchised swim school must at all times be under the day-to-day supervision of a Designated Manager who has satisfactorily completed our training program. After a replacement of the Designated Manager, he or she has 60 days to complete initial training. (Section 8). You will designate a Marketing Lead who is the person responsible for all matters related to marketing, advertising, and sales at your Franchised Swim School. The Marketing Lead must attend Week 2 of the Training Program described below.

Nicole Thomas is principally responsible for facilitating our training program. Additional employees or contractors of ours who have experience in some facet of the operation of our business may assist Ms. Thomas in the implementation of our training program. Further, Ms. Thomas will be assisted by other employees and contractors of ours. Those employees and contractors of ours who participate in the training program will have, on average, 2 years of experience in the subject matter being taught and 1 year experience with our System.

If circumstances require, a substitute trainer may provide training to you. We may periodically name additional trainers if the training schedule requires it. There are no limits on our right to assign a substitute trainer to provide training.

The initial training will include an electronic copy of our Confidential Brand Standards Manual, which we will update and notify you of any updates or changes, access to our training modules, curriculum documentation, sample employee handbook, a sample of our emergency action plan, access to a library of training videos on our required software platforms, pump room, and swim techniques. We will also provide a library of documentation that is operationally used in your schools daily. The in-person training will occur both at our headquarters in Troy, Michigan and a location we designate.

In addition to the required training described above, your staff must obtain CPR (cardiopulmonary resuscitation), First Aid, and AED (automated external defibrillator). Pool deck staff must obtain the shallow water lifeguarding certification. All managers will be required to also have a CPO (certified pool operations) certificate. (Section 5.6.1.5). State or local laws, regulations, or ordinances may require additional certifications.

Periodically, you, your managers or employees may be required attend refresher-training programs to be conducted at our headquarters or another location we designate. Attendance at these programs will be at your expense. You do not have to attend more than 4 of these programs in any calendar year and these programs will not exceed 8 days during any calendar year. (Section 8.5)

ITEM 12. TERRITORY

If you sign an Area Development Agreement, the Area Development Agreement gives you the right to establish an agreed-upon number of franchised swim schools in a specified geographic area, subject to certain excluded areas described below (“Territory”). We describe your Territory by boundary streets, highways or other recognizable demarcations and delineate it on a map or written description as attached as part of the Area Development Agreement. If you are not in default under the Area Development Agreement, we will not establish or franchise anyone else to establish a swim school in your Territory during the term of the Area Development Agreement. We can terminate or modify your rights in the Territory if you do not comply with the Area Development Agreement or any other agreement you have with us. If we terminate or modify your territorial rights under the Area Development Agreement or your Area Development Agreement expires or terminates, you shall continue to have any approved territory rights you have under any individual Franchise Agreement that you signed for a particular Franchised Swim School. You receive no minimum territory. Your Territory is not dependent upon achievement of a certain sales volume, market penetration, or any other contingency. You will receive an exclusive territory.

The Franchise Agreement licenses you to operate one Franchised Swim School at a specific site within the designated area. Territorial rights are granted under the Franchise Agreement include a “designated area,” which is described below. The designated area that you receive will be described and depicted in a map attached to or included in the Franchise Agreement. You will operate one swim school in your designated area and must receive our permission before relocating. We determine the boundaries of the area based on a variety of factors, including general population, population size of children under the age of 9 years, proximity to competitors, proximity to other franchisees and natural, physical or political boundaries. As long as you are not in default under the Franchise Agreement, we will not establish other franchised or company-owned swim schools using the System with a physical location in your designated area. You receive no minimum territory. Your designated area is not dependent upon achievement of a certain sales volume, market penetration, or any other contingency. You will receive an exclusive territory.

You are not restricted from selling goods and services using the System to customers residing outside your designated area. There are no restrictions on your ability to advertise outside your territory, including engaging in mail order solicitations, direct mail programs, telemarketing, internet or television solicitation programs or use any other advertising media.

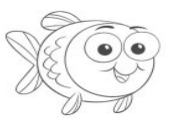

We reserve all rights not expressly granted in the Franchise Agreement or Area Development Agreement. For example, we or our affiliates may own, operate or authorize others to own or operate a Goldfish Swim School® outside your designated area and may

operate other kinds of businesses under other marks within your designated area. We and our affiliates may conduct or authorize others to conduct any form of business at any location selling any type of product or service not offered under the Trademarks. We reserve the right to establish other channels of distribution for the sale of services and products including, without limitation, Internet sales or other direct marketing sales. These activities may compete with your franchised swim school. We will not compensate you for any sales made in your area through an alternate channel of distribution. Unless you are advertising cooperatively with another franchisee, you may not advertise in any media primarily circulated within another franchisee's area of primary responsibility. With these reservations, you may face competition from other franchisees, from outlets that we own or from other channels of distribution or competitive brands that we control.

You will operate the franchise from one location that we approve. You must receive our written permission before relocating. In order to analyze the proposed location for the relocated franchised swim school, we will use the same criteria as we use to evaluate an initial location. If you can no longer use the location due to circumstances beyond your control or fault, including destruction of the premises, you may be allowed to relocate. If you attempt to sell your franchised swim school or transfer your interest from the franchised swim school to a third party, we may exercise our right of first refusal. You do not have any options, rights of first refusal, or similar rights, and do not receive the right to acquire additional franchises or development territories under either the Franchise Agreement or the Area Development Agreement. You must meet our qualifications for new franchisees to qualify for an additional franchise location. There are no minimum sales quotas. As described in detail in ITEM 11.C.4, if we request, you must combine advertising with other franchises that are located in the market targeted by the advertising.

ITEM 13. TRADEMARKS

You receive the right to operate your swim school under the name, Goldfish Swim School®, which is the primary Mark used to identify our System. You may also use any other current or future Marks to operate your franchised swim school that we designate, including the logo on the front of this Disclosure Document and the service mark listed below. By "Mark," we mean any trade name, trademark, service mark or logo used to identify your business. We have the following registered Marks and pending applications on the U.S. Patent and Trademark Office ("USPTO") Principal and Supplemental Registers:

* You are authorized to use the word "Bubbles" in connection with live performances of our mascot. You are also authorized to distribute approved course and educational materials in the fields of swimming, swimming instruction, and water safety in connection with those live mascot performances. You are prohibited from using the word "Bubbles" in connection with your swimming instruction services.

We do not have federal registrations for some of our principal trademarks, including those identified in the table by the TM symbol and the word "Sloan," which is registered on the USPTO's Supplemental Register. Therefore, the trademarks that are not registered do not have as many legal benefits and rights as a federally-registered trademark. If our right to use those trademarks is challenged, you may have to change to an alternative trademark, which may increase your expenses.

Currently, we know of no effective material determinations of the USPTO, trademark trial and appeal board, the trademark administrator of the State of Michigan or any court; pending infringement, opposition or cancellation; or pending material litigation involving the Marks. We have filed all required affidavits.

On August 16, 2016, we entered into a trademark co-existence agreement with Pepperidge Farm, Incorporated that limits your ability to use the trademarks “Goldfish” and “Goldfish Swim School” in association with food or beverage products. More particularly, you cannot use or sell “Goldfish” or “Goldfish Swim School” branded food or beverage products. However, you may use and sell “Goldfish Swim School” branded bottled water so long as such use and sales take place at your franchise location. The duration of the co-existence agreement is perpetual unless either party legally abandons and no longer uses their respective trademark for a period of three (3) years. Other than the above, there are no agreements currently in effect that significantly limit our rights to use or license the use of the Marks in any manner material to the franchise.

We know of no infringing or prior superior uses that could materially affect the use of the Marks in any state in which the franchised swim school is to be located.

You do not receive any rights to the Marks other than the nonexclusive right to use them in the operation of your franchised swim school. You must follow our rules when you use the Marks. You must use the Marks as the sole trade identification of the franchised swim school. You cannot use a name or Mark as part of a corporate name or with modifying words, designs or symbols except for those which we license to you. You may not use any Mark in connection with the sale of any unauthorized services or products, or in any other manner that we do not authorize in writing. You must obtain a fictitious or assumed name registration if required by your state or local law. Any unauthorized use of the Marks by you is a breach of the Franchise Agreement and an infringement of our rights in the Marks. You must not contest the validity or ownership of the Marks, including any Marks that we license to you after you sign the Franchise Agreement. You must not assist any other person in contesting the validity or ownership of the Marks.

You must immediately notify us when you learn about an infringement of, or challenge to your use of, any Mark, or any claim by any person of any rights in any Marks, and you must not communicate with any person other than us and our counsel regarding any infringements, challenges or claims unless you are legally required to do so, however, you may communicate with your own counsel at your own expense. We will take the action we think appropriate in these situations; we have exclusive control over any settlement or proceeding concerning any Mark. You must take any actions that, in the opinion of our counsel, may be advisable to protect and maintain our interests in any proceeding or to otherwise protect and maintain our interests in the Marks.

While we are not required to defend you against a claim arising from your use of our Marks, we will reimburse you for all of your expenses reasonably incurred in any legal proceeding disputing your authorized use of any Mark, but only if you notify us of the

proceeding in a timely manner and you have complied with our directions with regard to the proceeding. We have the right to control the defense and settlement of any proceeding. We will not reimburse you for your expenses and legal fees for separate, independent legal counsel and for expenses in removing signage or discontinuing your use of any Mark. We will not reimburse you for disputes where we challenge your use of a Mark.

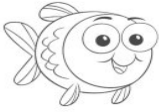

If we require, you must modify or discontinue the use of any Mark and use other trademarks or service marks we designate. We do not have to reimburse you for modifying or discontinuing the use of a Mark or for substituting another trademark or service mark for a discontinued Mark. If we adopt and use new or modified Marks, you must add or replace equipment, signs, supplies and fixtures, and you must make other modifications we designate as necessary to adapt your franchised swim school for the new or modified Marks. We do not reimburse you for any loss of goodwill associated with a modified or discontinued Mark.

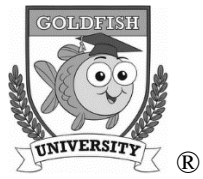

You must notify us if you apply for your own trademark or service mark registrations. You must not register or seek to register as a trademark or service mark, either with the USPTO or any state or foreign country, any of the Marks or a trademark or service mark that is confusingly similar to any of our Marks.

ITEM 14. PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

No patents are material to the franchise. We own copyrights in the Confidential Brand Standards Manual, our swim lesson curriculum, our employee training manuals, our website, our marketing materials and other copyrightable items that are part of the System.

You may use these items only as we specify while operating the franchised swim school and you must stop using them if we direct you to do so.

We know of no effective determinations of the U.S. Copyright Office or any court regarding any of our copyrighted materials. Our right to use or license copyrighted items is not materially limited by any agreement or known infringing use.

We have developed certain trade secrets and other confidential information, including methods of business management, sales and promotion techniques, and know-how, knowledge

of, and experience in, operating a Goldfish Swim School. We will provide our trade secrets and other confidential information to you during training, in the Confidential Brand Standards Manual and as a result of the assistance we furnish you during the term of the franchise. You may only use the trade secrets and other confidential information for the purpose of operating your franchised swim school. You may only divulge trade secrets and other confidential information to employees who must have access to it to operate the franchised swim school. You are responsible for enforcing the confidentiality provisions as to your employees.

Certain individuals with access to trade secrets or other confidential information, including your shareholders (and members of their immediate families and households), officers, directors, partners, members, if you are a corporation, limited liability company or other business entity, and your Designated Managers and executives are required to sign nondisclosure and non-competition agreements in a form the same as or similar to the Nondisclosure and Non-Competition Agreement attached to the Franchise Agreement. We will be a third-party beneficiary with the right to enforce those agreements. You must ensure that your employees with access to Confidential Information execute a Nondisclosure Agreement in the form similar to the form attached to the Franchise Agreement to prevent your employees from using or disclosing our Confidential Information after their employment terminates.

All ideas, concepts, techniques or materials concerning the franchised swim school and/or the System, whether or not protectable intellectual property and whether created by or for you or your owners or employees, must be promptly disclosed to us and will be our sole and exclusive property and a part of the System that we may choose to adopt and/or disclose to other franchisees, and you agree to assign to us all right, title and interest in any intellectual property so developed. Likewise, we will disclose to you concepts and developments of other franchisees that we make part of the System. You must also assist us in obtaining intellectual property rights in any concept or development if requested.

Your use of the Confidential Brand Standards Manual, trade secrets or other confidential information in an unauthorized manner is a default of the Franchise Agreement that may result in automatic termination of the Franchise Agreement. Further information about termination of the Franchise Agreement following a default is included in ITEM 17.

ITEM 15. OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

The franchised swim school must always be under the direct, full-time, day-to-day supervision of a designated manager who is certified and approved by us. If you are an individual, we may require you to be the designated manager of the franchise. If we require you to be the designated manager, you must request our consent to select another individual to

replace you as the designated manager. If you are a corporation or other business entity, you will select a designated manager for the franchise that we approve on an annual basis. The designated manager must attend and satisfactorily complete our initial training program before opening the franchised swim school. You must keep us informed at all times of the identity of your designated manager. If you must replace the designated manager, your replacement must attend and satisfactorily complete our initial training program. You must also designate one of your owners as a Control Person who is responsible for oversight of the Franchised Swim School, bind you, and be the sole point of contact between us and you. You must also designate one of your owners as a Marketing Lead who is responsible for all marketing, advertising, and sales activities at your Franchised Swim School.

As described in ITEM 14, certain individuals associated with your franchised swim school, including your owners (and members of their immediate families and households), officers, directors, partners, your Designated Managers, and executives are required to sign nondisclosure and non-competition agreements the same as or similar to the Nondisclosure and Non-Competition Agreement attached to the Franchise Agreement. We will be a third-party beneficiary with the independent right to enforce the agreements.

The Franchisee's obligations under the Franchise Agreement shall be personally guaranteed by individuals who meet our financial requirements, and may include your spouse, if necessary to meet our financial requirements. If you are a corporation or other business entity, anyone who owns any equity in the entity must personally guarantee the performance of all of your obligations under the Franchise Agreement and agree to be personally liable for your breach of the Franchise Agreement by signing the Unlimited Guaranty and Assumption of Obligations attached to the Franchise Agreement.

ITEM 16. RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must offer the services and products we specify. You may not sell any services or products that we have not authorized and you must discontinue offering any services or products that we disapprove. We may take action, including terminating your franchise if you purchase or sell unapproved products or make purchases from unapproved suppliers. We may periodically change required or authorized services or products. There are no limits on our right to do so.

Periodically, we may allow certain services or products that are not otherwise authorized for general use as a part of the System to be offered locally or regionally based on factors, including test marketing, your qualifications, and regional or local differences.

We do not place restrictions on you with respect to who may be a customer of your franchised swim school.

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Franchisee shall pay all Royalty Fees, Brand Fund Contributions, software license fee, amounts due for purchases by Franchisee from Franchisor and other amounts due to Franchisor through an Electronic Depository Transfer Account. All Royalty Fees, Brand Fund Contributions, amounts due for purchases by Franchisee from Franchisor and other amounts that are not received by Franchisor within five (5) days after the due date shall incur late fees at the rate of one and one-half percent (1.5%) per month or the maximum amount allowed by law, whichever is less, from the date payment is due to the date payment is received by Franchisor. Franchisee shall pay Franchisor for all costs incurred by Franchisor in the collection of any unpaid and past due Royalty Fees, Brand Fund Contributions or any other amounts due Franchisor, including reasonable accounting and legal fees. This Section shall not constitute an agreement by Franchisor to accept any payments after the due date or a commitment by Franchisor to extend credit to or otherwise finance Franchisee.

3.6 Application of Payments

Notwithstanding any designation by Franchisee, Franchisor shall have the right first to apply any payments by Franchisee to any past due indebtedness of Franchisee for Royalty Fees, Brand Fund Contributions, purchases from Franchisor or any other amount owed to Franchisor in any proportion or priority.

3.7 Technology Fee

On the fifth day of each month (unless such fifth day is a Saturday or Sunday, and in such case on the following Monday), for so long as this Agreement shall be in effect, Franchisee shall pay to Franchisor without offset, credit or deduction of any nature, a monthly technology fee equal to the amount prescribed in the Confidential Brand Standards Manual by

Electronic Funds Transfer and Franchisee authorizes Franchisor to withdraw the software license fee from its account each month.

Upon execution of this Agreement, Franchisee shall pay to Franchisor a non-refundable Real Estate Fee in the amount depicted in Exhibit 4 to this Agreement. 4. TERM AND RENEWAL

4.1 Initial Term

This Agreement shall be effective and binding from the Effective Date, and will have an initial term of fifteen (15) years from the date that Franchise opens for business to the public pursuant to section 5.6.1, unless sooner terminated pursuant to Section 16. Upon opening, Franchisor and Franchisee will execute Exhibit 11 to this Agreement, which will clearly identify the date of opening and the expiration date of this Agreement.

4.2 Successor Terms

Subject to the conditions below, Franchisee has the right to obtain a successor franchise at the expiration of the term of this Agreement by entering into a new franchise agreement with Franchisor. Franchisee's right to a successor franchise is limited to three (3) successive terms of five (5) years each, such that the total term of the Franchise shall not exceed thirty (30) years. To qualify for a successor franchise, each of the following conditions shall have been fulfilled and remain true as of the last day of the term of this Agreement:

4.2.1 Franchisee has, during the entire term of this Agreement, fully complied with all material provisions of this Agreement;

4.2.2 Franchisee has access to and, for the duration of the successor franchise, the right to remain in possession of the Approved Location, or a suitable substitute location approved by Franchisor, which is in full compliance with Franchisor's then-current specifications and standards;

4.2.3 Franchisee has, at its expense, made such capital expenditures as were necessary to maintain uniformity with any Franchisor-required System modifications such that the Franchised Swim School reflects Franchisor's then-current standards and specifications;

4.2.4 Franchisee has satisfied all monetary obligations owed by Franchisee to Franchisor (or any Affiliate), and has timely met these obligations throughout the term of this Agreement;

4.2.5 Franchisee is not in default of any provision of this Agreement or any other agreement between Franchisee and Franchisor;

4.2.6 Franchisee has given written notice of its intent to operate a successor franchise to Franchisor not less than eighteen (18) months nor more than twenty-four (24) months prior to the end of the term of this Agreement;

4.2.7 Franchisee has executed Franchisor's then-current form of franchise agreement (or has executed other documents at Franchisor's election that modify this Agreement to reflect the fact that the Franchise Agreement relates to the grant of a successor franchise), which franchise agreement shall supersede this Agreement in all respects, and the terms of which may differ from the terms of this Agreement by requiring, among other things, a different percentage Royalty Fee or Brand Fund Contribution; provided, however, that Franchisee shall not be required to pay the then-current Franchise Fee;

4.2.8 Franchisee has complied with Franchisor's then-current qualifications for a new franchisee and has agreed to comply with any training and certification requirements; and

4.2.9 Franchisee has executed a general release, in a form the same as or similar to the General Release attached as Exhibit 1, of any and all claims against Franchisor, any Affiliate and against their officers, directors, shareholders, managers, members, partners, owners, employees and agents (in their corporate and individual capacities), except to the extent prohibited by the laws of the state where the Franchised Swim School is located.

4.2.10 Franchisee has paid to Franchisor the renewal fee of ten thousand dollars (\$10,000.00).

4.2.11 If Franchisee does not sign a new Franchise Agreement for a renewal term prior to the expiration of this Agreement and continues to accept the benefits of this Agreement after the expiration of this Agreement, then at the option of Franchisor, this Agreement may be treated either as (i) expired as of the date of expiration with Franchisee then operating without a franchise to do so and in violation of Franchisor's rights; or (ii) continued on a month-to-month basis ("Extension Period") until one party provides the other with written notice of such party's intent to terminate the Extension Period, in which case the Extension Period will terminate thirty (30) days after receipt of the notice to terminate the Extension Period. In the latter case, all

obligations of Franchisee shall remain in full force and effect during the Extension Period as if this Agreement had not expired, and all obligations and restrictions imposed on Franchisee upon expiration of this Agreement shall be deemed to take effect upon termination of the Extension Period.

5. APPROVED LOCATION

5.1 Selection of Site

Franchisee shall promptly select a site for the Franchised Swim School and shall notify Franchisor of such selection. Franchisee shall engage the services of a commercial real estate broker, which commercial real estate broker shall be approved by Franchisor in Franchisor's sole and absolute discretion. Franchisee shall not enter into any exclusive engagement with a commercial real estate broker unless approved in advance by Franchisor. Franchisor may at any time designate one or more preferred real estate broker(s) to be engaged by Franchisee in which case the Franchisee shall be required to use a/the real preferred real estate broker(s) designated by Franchisor. Franchisor reserves the right to provide to Franchisee certain properties for review by Franchisee. Franchisee acknowledges and agrees that an integral part of the site selection process is Franchisee's diligent inquiry into the real estate in the Area of Primary Responsibility. Franchisee shall, or cause its commercial real estate broker to: (a) communicate with Franchisor on any schedule designated by Franchisor to provide to Franchisor updates and information regarding the Franchisee's site selection process, including timely providing any and all data or documentation requested by Franchisor; and (b) participate in all scheduled conference calls or other form of communication designated by Franchisor regarding the status of the site selection process or particular sites under review. Franchisee shall submit to Franchisor such information as Franchisor may require in order for Franchisor to evaluate Franchisee's proposed site. Franchisor shall evaluate the site and notify Franchisee of its acceptance or non-acceptance of the site within a reasonable time (usually fifteen [15] days) of receiving notice of the site from Franchisee. Franchisee shall submit to Franchisor such information as Franchisor may require in order for Franchisor to evaluate Franchisee's proposed site. If Franchisor accepts of such selection, the site shall be designated as the Approved Location. If Franchisor does not accept of such selection, Franchisee shall select and notify Franchisor of new sites until Franchisor accepts a site for the Franchised Swim School. Franchisor shall provide Franchisee with general guidelines to assist Franchisee in selecting a site suitable for the Approved Location. Franchisee shall ensure that any proposed site meets the then-current Standards and Specifications, including, without limitation ceiling heights, composition of the structure, size, composition and location of water lines, size and location of sewer lines, location and capacity of electrical service, location and size of gas service, fire suppression requirements, and soil conditions necessary for the construction of a pool. Franchisor has the right to accept or not accept a proposed location based on such factors as it deems appropriate, including, without limitation, the condition of the premises, demographics of

the surrounding area including population size of adolescents, proximity to other Goldfish Swim Schools, proximity to Competitive Businesses, lease requirements, traffic patterns, visibility, vehicular and pedestrian access, proximity to major roads, available parking and overall suitability. Franchisee shall not locate the Franchised Swim School on a selected site without the prior written acceptance of Franchisor. Franchisor does not represent that it, or any of its Affiliate, owners, employees or agents, have special expertise in selecting sites. Neither Franchisor's assistance nor acceptance is intended to indicate or indicates that the Franchised Swim School will be profitable or successful at the Approved Location. Franchisee is solely responsible for identifying the Approved Location.

5.2 Failure to Select Site

Should Franchisee fail to select a site for the Franchised Swim School that is accepted by Franchisor within one hundred eighty (180) days after the Effective Date ("Site Selection Period"), Franchisor has the right to terminate this Agreement. If this Agreement is terminated pursuant to this Section 5.2, Franchisor shall return to Franchisee twenty five percent (25%) of the Franchise Fee paid by Franchisee upon Franchisor's receipt of a general release, the same as or similar to the General Release attached as Exhibit 1, releasing any and all claims against Franchisor, any Affiliate and their officers, directors, shareholders, managers, members, partners, owners, employees and agents (in their corporate and individual capacities).

5.3 Lease or Purchase of Approved Location

After the designation of the Approved Location (and if the site is to be leased or purchased), Franchisee shall execute a lease for, or a binding agreement to purchase within the Site Selection Period, the Approved Location, the terms of which must have been previously approved by Franchisor in writing. Franchisor shall not unreasonably withhold its acceptance. If Franchisee leases the Approved Location, Franchisee shall control or have options to control the Approved Location for the operation of the Franchised Swim School for the Term of this Agreement. *Franchisor's review of a lease or purchase agreement, or any advice or recommendation offered by Franchisor, shall not constitute a representation or guarantee that Franchisee will succeed at the Approved Location nor constitute an expression of Franchisor's opinion regarding the terms of such lease or purchase agreement. Franchisor will not guarantee any lease agreement on behalf of Franchisee. Franchisee acknowledges and agrees that Franchisee shall solely rely on its review of any such lease.* Franchisor shall be entitled to require that nothing therein contained is contradictory to, or likely to interfere with, Franchisor's rights or Franchisee's duties under this Agreement, if Franchisee purchases the real estate for the Approved Location.

Franchisee shall provide Franchisor with an option to purchase the real estate consistent with the terms of the Real Estate Option to Purchase form attached as Exhibit 7 to this Agreement. Franchisee shall take all actions necessary to maintain the lease, if any, of the Approved Location while this Agreement is in effect. Any default for which the lease may be terminated shall also be deemed a default hereunder and the time to cure the same shall expire when the lease is terminated. Franchisee shall conditionally assign the lease to Franchisor, pursuant to the terms of its standard Conditional Assignment of Lease form attached as Exhibit 6 to this Agreement, to secure performance by Franchisee of its obligation under this Agreement and have the lessor consent to such conditional assignment of lease. Franchisor's approval of a lease shall be conditioned upon inclusion of terms in the lease acceptable to Franchisor and, at Franchisor's option, the lease shall contain such provisions as Franchisor may reasonably require, including:

5.3.1 a provision reserving to Franchisor the right, but not the obligation, at Franchisor's election, to receive an assignment of the leasehold interest without payment of any assignment fee or similar charge and without any increase in rent or other fees upon termination or expiration of the Franchise grant. The lessor agrees that, before the effective date of any assignment of the lease to Franchisor (or its designee), Franchisee shall be solely responsible for all obligations, debts and payments under the lease;

5.3.2 a provision requiring the lessor to provide Franchisor with a copy of any written notice of deficiency sent by the lessor to Franchisee, and granting to Franchisor the right (but not the obligation) to cure any deficiency under the lease should Franchisee fail to do so within fifteen (15) days after the expiration of the period in which Franchisee may cure the default;

5.3.3 a provision requiring the lessor to provide Franchisor (at the same time lessor provides to Franchisee) a copy of all lease amendments and assignments, and a copy of all letters and notices lessor sends to Franchisee relating to the lease or the leased premises;

5.3.4 a provision permitting Franchisor to enter the leased premises to make any modifications or alterations necessary in Franchisor's sole discretion to protect the System and the Marks without being guilty of trespass, or other tort or other crime;

5.3.5 a provision allowing Franchisee to display the Marks in accordance with the specifications required by the Confidential Brand Standards Manual, subject only to the provisions of applicable law;

5.3.6 a provision prohibiting the premises from being used for any purpose other than the operation of the Franchised Swim School;

5.3.7 a provision allowing Franchisor, upon expiration and non-renewal or termination of the lease or the Franchise Agreement, to enter the premises and remove any interior and exterior signs containing the Marks and trade fixtures;

5.3.8 a provision stating that upon default of this Agreement, Franchisor or its nominee has the right, but not the obligation, to take possession of the Approved Location and operate the Franchised Swim School;

5.3.9 a provision stating that lessor shall not amend or otherwise modify the lease in any manner that would affect any of the foregoing provisions to be included in the lease set forth above without Franchisor's prior written consent;

5.3.10 a provision stating that if Franchisor takes assignment of the lease, Franchisor may, without lessor's prior written consent, assign such lease to another franchisee using the System and, upon assignment, all of Franchisor's obligations under the lease shall be terminated; and

5.3.11 a provision requiring Franchisee, at the expiration or termination of the lease, to completely de-identify the leased premises, including without limitation, filling in the pools, and removal of all plumbing and pump equipment, removal of all indicia of affiliation with Franchisor, and a full restoration of the leased premises to a "white box." Further, if Franchisee fails to perform such actions, Franchisor may enter the leased premises, without being liable for trespass or other damages as to landlord, and perform such restoration actions to restore the leased premises to a "white box."

5.4 Construction of Approved Location

Franchisor shall make available to Franchisee, at no charge to Franchisee, specifications for the development of a Goldfish Swim School, including specifications for the exterior and interior design and layout, fixtures, equipment, décor and signs. Such plans and specifications are subject to alteration as Franchisor deems necessary. Franchisee shall cause the Approved Location to be under construction within the Construction Commencement Period. In connection with the development and construction of the Approved Location, Franchisee shall:

5.4.1 employ an Approved Suppliers for architectural and pool engineering work for the Franchised Swim School to prepare, for Franchisor's approval, preliminary plans and specifications for improvement of the Approved Location adapted from the prototypical plans and specifications furnished by Franchisor. Franchisee shall ensure that such architect shall not claim any copyrights on any plans and specifications adapted from Franchisor's

prototypical plans and specifications. The architect employed by Franchisee shall create an initial “test fit” of the planned location showing detail of the layout of the Franchised Swim School and submit such “test fit” to Franchisor for review. Franchisor will use commercially reasonable efforts to review and approve or deny that “test fit” layout within thirty (30) days following receipt of such “test fit” layout from the architect. Franchisee shall not release the architect to complete the full construction documents for the project until Franchisor has approved the “test fit” layout. Franchisee shall submit to Franchisor all permitted construction drawings, specifications and other drawings or plans (in both PDF and CAD format) requested by Franchisor certified by the approved architect (“Final Plans and Specifications”) within five (5) days following completion by architect. Franchisor shall respond to Franchisee within fifteen (15) days following receipt of the Final Plans and Specifications from Franchisee. Franchisee shall not commence construction until Franchisor has approved the Final Plans and Specifications. Franchisee shall ensure that architect waives any and all copyrights related to the Final Plans and Specifications and authorizes Franchisor to use the Final Plans and Specifications in any way Franchisor deems appropriate in Franchisor’s sole discretion, including without limitation, using the Final Plans and Specifications as Franchisor’s prototypical plans and specifications for future franchisees.

5.4.2 obtain all zoning classifications and clearances which may be required by state and local laws, ordinances or regulations, and submit to Franchisor, for Franchisor’s approval, final plans for construction based upon the preliminary plans and specifications;

5.4.3 ensure or employ an Approved Supplier (the Franchisee’s Project Manager or Owner’s Representative) to ensure that the location is suitable for the operation of a Goldfish Swim School, including, without limitation, proper ceiling heights, composition of the structure, size, composition and location of water lines, size and location of sewer lines, location and capacity of electrical service, location and size of gas service, fire suppression requirements, and soil conditions necessary for the construction of a pool and submit to Franchisor a completed site submission checklist in the form provided by Franchisor;

5.4.4 obtain all building, utility, sign, health, and business permits and licenses, and any other permits and licenses required for the build-out and operation of the Franchised Swim School and certify in writing and provide evidence to Franchisor that all such permits have been obtained within fifteen (15) days following receipt of any such permits or licenses;

5.4.5 employ at Franchisee’s sole cost and expenses the services of an Approved Supplier project manager/owner’s representative to assist you in the development and construction of your Franchised Swim School and comply with all Franchisor requirements related to the following, without limitation: list of all construction vendors or contractors; construction budget; construction schedule; and buyout dates;

7. TRADE SECRETS AND OTHER CONFIDENTIAL INFORMATION

7.1 Confidentiality of Trade Secrets and Other Confidential Information

Franchisee acknowledges that Franchisor shall disclose Trade Secrets and other Confidential Information to Franchisee during the training program, through the Confidential Brand Standards Manual, and as a result of guidance furnished to Franchisee during the term of this Agreement. Franchisee shall not acquire any interest in the Trade Secrets or other Confidential Information, other than the right to use it in the development, construction and operation of the Franchised Swim School and in performing its duties during the term of this Agreement. Franchisee acknowledges that the use or duplication of the Trade Secrets or other Confidential Information in any other business venture would constitute an unfair method of competition. Franchisee acknowledges that the Trade Secrets and other Confidential Information are proprietary and are disclosed to Franchisee solely on the condition that Franchisee (and all holders of a legal or beneficial interest in Franchisee and all officers, directors, executives, managers and members of the professional staff of Franchisee): (a) shall not use the Trade Secrets or other Confidential Information in any other business or capacity; (b) shall maintain the absolute confidentiality of the Trade Secrets and other Confidential Information during and after the term of this Agreement; (c) shall not make any unauthorized copies of any portion of the Trade Secrets or other Confidential Information disclosed in written or other tangible form; and (d) shall adopt and implement all reasonable procedures prescribed from time to time by Franchisor to prevent unauthorized use or disclosure of the Trade Secrets and other Confidential Information, including without limitation, keeping such Trade Secrets and other Confidential Information in a place of safekeeping accessible only to the Designated Manager when such Trade Secrets and other Confidential Information is not in use. Franchisee shall take all necessary precautions to insure that any employee to whom Franchisee discloses Confidential Information only to the extent necessary for such employee to carry out the employee's job duties maintains the Confidential Information in confidence and comply with the confidentiality provisions of this Agreement. Franchisee shall obtain from all persons to whom Confidential Information is disclosed an executed Confidentiality and Non-Disclosure Agreement and Covenant Not to Compete or a Confidentiality and Non-Disclosure Agreement, as applicable, in the form as provided in the Confidential Brand Standards Manual. Franchisee shall enforce this Section as to its owners, officers, directors, members, managers, employees, agents and

representatives and shall be liable to Franchisor for any unauthorized disclosure or use of Trade Secrets or other Confidential Information by any of them. Franchisee shall vigorously and vigilantly prosecute to the fullest extent permitted by law breaches of any Confidentiality and Non-Disclosure Agreement and Covenant Not to Compete or Confidentiality and Non-Disclosure Agreement, as applicable, executed by any of the individuals to whom Franchisee has disclosed Confidential Information. Franchisee acknowledges Franchisor's right, to be exercised as Franchisor alone determines, to enforce for itself the terms of such executed Confidentiality and Non-Disclosure Agreement and Covenant Not to Compete or Confidentiality and Non-Disclosure Agreement. If the substantive provisions of the Confidentiality and Non-Disclosure Agreement and Covenant Not to Compete have been breached by an individual employed, engaged or otherwise serving the Franchised Swim School who has not executed a Confidentiality and Non-Disclosure Agreement and Covenant Not to Compete or Confidentiality and Non-Disclosure Agreement, Franchisee shall nevertheless vigorously and vigilantly prosecute such conduct to the fullest extent permitted by law. If Franchisor prosecutes such Confidentiality and Non-Disclosure Agreement and Covenant Not to Compete or Confidentiality and Non-Disclosure Agreement, Franchisee shall indemnify and hold Franchisor harmless from any and all losses and expenses as provided in this Agreement.

Franchisor has the right to incorporate such items into the System. To the extent any item does not qualify as a "work made-for-hire" for Franchisor, Franchisee shall assign, and by this Agreement, does assign, ownership of that item, and all related rights to that item, to Franchisor and shall sign any assignment or other document as Franchisor requests to assist Franchisor in obtaining or preserving intellectual property rights in the item. As Franchisor may reasonably request, Franchisee shall take all actions to assist Franchisor's efforts to obtain or maintain intellectual property rights in any item or process related to the System, whether developed by Franchisee or not.

7.3 Exclusive Relationship

Franchisee acknowledges that Franchisor would be unable to protect the Trade Secrets and other Confidential Information against unauthorized use or disclosure and would be

unable to encourage a free exchange of ideas and information among Goldfish Swim School franchisees if owners of Goldfish Swim Schools and members of their immediate families or households were permitted to hold an interest in or perform services for any Competitive Business. Therefore, during the term of this Agreement, neither Franchisee nor any holder of a legal or beneficial interest in Franchisee (or any member of their immediate families or households), nor any officer, director, executive, manager or member of the professional staff of Franchisee, either directly or indirectly, for themselves, or through, on behalf of or in conjunction with any person, partnership, corporation, limited liability company or other business entity, shall:

Upon Franchisor's request, Franchisee shall provide Franchisor with copies of all nondisclosure and non-competition agreements signed pursuant to this Section. Such agreements shall remain on file at the offices of Franchisee and are subject to audit or review as otherwise set forth herein. Franchisor shall be a third party beneficiary with the right to enforce covenants contained in such agreements. In the event that you or your employees, agents, consultants or contractors receive notice of any request, demand, or order to transfer or disclose all or any portion of the Confidential Information, you shall immediately notify us thereof, and shall fully cooperate with and assist us in prohibiting or denying any such transfer or disclosure. Should such transfer or disclosure be required by a valid, final, non-appealable court order, you shall fully cooperate with and assist us in protecting the confidentiality of the Confidential Information to the maximum extent permitted by law.

7.5 Reasonableness of Restrictions

Franchisee acknowledges that the restrictive covenants contained in this Section are essential elements of this Agreement and that without their inclusion, Franchisor would not

have entered into this Agreement. Franchisee acknowledges that each of the terms set forth herein, including the restrictive covenants, is fair and reasonable and is reasonably required for the protection of Franchisor, the System and the Marks and Franchisee waives any right to challenge these restrictions as being overly broad, unreasonable or otherwise unenforceable.

The initial training program is designed to protect Franchisor's brand and covers the material aspects of the operation. At least (60) days prior to the opening of the Franchised Swim School, the Designated Manager and at least one (1) other manager (as determined by the Franchisor in its sole discretion), and the Control Person or one (1) or more owners of Franchisee designated by Franchisor must attend and successfully complete, to the Franchisor's satisfaction, a training program pertaining to the operation and administration of the Franchised Swim School including but not limited to, sales and marketing methods, financial controls, maintenance of quality standards, customer service techniques, record keeping, reporting procedure, and other operational function. Franchisor shall conduct the initial training program at its headquarters or at another designated location. Franchisor shall not charge tuition or similar fees for initial training, however, all expenses incurred by Franchisee in attending such program including, but not limited to, travel costs, room and board expenses and employees' salaries, shall be the sole responsibility of Franchisee. If Franchisee believes that Franchisor has not met its training obligations set forth above, Franchisee must notify Franchisor within fifteen (15) days following its initial training. If Franchisee fails to deliver notice to Franchisor as provided in this section, Franchisee shall be deemed to have acknowledged that all initial training required to be provided by Franchisor was provided. Franchisee shall be responsible for training its management and other employees.

Franchisor may require all owners of Franchisee to attend some or all of the initial training.

8.2 Opening Assistance

In conjunction with the beginning of operation of the Franchised Swim School, Franchisor shall make available to Franchisee, at Franchisor's expense, one (1) of Franchisor's representatives for no more than five (5) days for your first Franchised Swim School and three (3) days for your or your affiliate's second Franchised Swim School (which duration we determine in our discretion), experienced in the System, for the purpose of familiarizing Franchisee's staff with the Goldfish Swim School techniques and for the purpose of providing general assistance and guidance in connection with the opening of the Franchised Swim School. Franchisor will not provide any opening assistance for any of Franchisee's franchised swim schools after Franchisee's second franchised swim school, it being understood that Franchisee will be responsible for all responsibilities of opening the third franchised swim school and every franchised swim school thereafter. If Franchisee requests additional assistance with respect to the opening or continued operation of the Franchised Swim School, and should Franchisor deem it necessary and appropriate to comply with such request, Franchisee shall pay Franchisor's then-current standard rates, plus expenses, for such additional assistance. If Franchisee believes that Franchisor has not met its training obligations set forth above, Franchisee must notify Franchisor within fifteen (15) days following its opening assistance training. If Franchisee is a business entity and the Designated Manager and/or Control Person or other owner of Franchisee fails to complete the initial training program to Franchisor's reasonable satisfaction, Franchisee may be permitted to select a substitute manager or Control Person or other owner of Franchisee and such person must complete the initial training to Franchisor's satisfaction. Franchisee will be required to pay Franchisor's then-current rates for additional training, if any, for providing the substitute manager an initial training program.

After beginning operations, should Franchisee name a new Designated Manager or Control Person, Franchisee must notify Franchisor of the identity of the new Designated Manager or Control Person and the new Designated Manager must obtain CPR, life guard and first aid certifications as well as complete the initial training program to Franchisor's satisfaction within sixty (60) days of being named. A new Control Person named by Franchisee shall complete the initial training program to Franchisor's satisfaction within sixty (60) days of being named. The new Designated Manager or Control Person may attend the initial training program provided by Franchisor and Franchisee shall pay to Franchisor the then-applicable fees for such training, as well as all expenses related to that training, such as all wages and employee expenses, travel, room and board, and related expenses for the new Designated Manager or Control Person to attend the initial training program.

Franchisor may impose a registration fee on all those who attend the annual convention. Franchisor may make recommendations from time to time about certain employment policies and procedures. Unless determined to be a Brand Standard in the Brand Standards Manual, Franchisee will have sole discretion as to adoption of any such policies and procedures and the specific terms of such policies and procedures. Training with respect to all such policies and procedures shall be Franchisee's sole responsibility.

All references to the Confidential Brand Standards Manual in this Agreement will include the Supplements to the Confidential Brand Standards Manual. Supplements to the Confidential Brand Standards Manual will become binding upon Franchisee as if originally set forth in the Confidential Brand Standards Manual, upon being delivered to Franchisee. The Confidential Brand Standards Manual and any Supplements to the Confidential Brand Standards Manual are material in that they will affect the operation of the Franchised Swim School, but they will not conflict with or materially alter Franchisee's rights and obligations under this Agreement. Franchisor may make such additions or modifications without prior notice to Franchisee. Franchisee shall immediately, upon notice, adopt any such changes and shall ensure that any printed copy of the Confidential Brand Standards Manual retained by Franchisee or Franchisee's employees is up-to-date at all times. Franchisee also acknowledges that a fundamental requirement of the System, this Agreement, and other Goldfish Swim School franchises is adherence by all franchisees to the Company's uniform standards and policies, except for certain regional or individual differences we may from time to time approve or require. Franchisee acknowledges and agrees that it shall strictly comply, and shall cause the Franchised Swim School and its employees to strictly comply, with all requirements, specifications, standards, operating procedures and rules set forth in this Agreement, the Confidential Brand Standards Manual or other communications supplied to Franchisee by Franchisor.

10.2 Modification of the System

Franchisor has the right to change or modify the System from time to time including, without limitation, the adoption and use of new or modified Marks or copyrighted materials, the presentation of the Marks, and computer hardware, software, required equipment, inventory, supplies, signs or sales and marketing techniques, certification requirements, modifications to the Confidential Brand Standards Manual, the offered products and services, the building and premises of the Franchised Swim School (including the trade dress, décor, and color schemes), and the adoption of new administrative forms and methods of reporting and payment

of any monies owed to Franchisor (including electronic means of reporting and payment). Within 30 days after receipt of written notice from Franchisor, Franchisee shall begin selling any newly authorized products and services and cease selling products and services that are no longer authorized. Franchisee shall accept and use any such changes in, or additions to, the System as if they were a part of this Agreement as of the Effective Date. Franchisee shall make such expenditures as such changes, additions or modifications in the System as Franchisor may require at Franchisee's sole cost and expense. Any required expenditure for changes or upgrades to the System shall be in addition to expenditures for repairs and maintenance as required in Section 13.2. Franchisee shall be required to make any and all improvements or modifications whenever such are required by law, regulation, agency decision or court order.

10.3 Variance

Franchisor has the right to vary standards or specifications for any franchisee based upon that particular franchisee's qualifications, the peculiarities of the particular site or circumstances, the demographics of the trade area, business potential, existing business practices or any other condition which Franchisor deems to be of importance to the successful operation of any particular Goldfish Swim School. Franchisor shall not be required to disclose or grant to Franchisee a like or similar variance hereunder.

11. ADVERTISING AND PROMOTIONAL ACTIVITIES

Franchisee shall appoint a Marketing Lead who is the person responsible for all matters related to marketing and sales at the Franchised Swim School. The Marketing Lead is identified in Exhibit 4.

11.1 Initial Marketing Expense

During the period of time prior to the opening of Franchisee's Franchised Swim School (as determined by Franchisor in Franchisor's sole discretion) through the first three (3) months of operation, Franchisee shall spend an amount specified by Franchisor, no greater than the range contained in the Franchise Disclosure Document on local advertisement and promotion of the initial opening ("Initial Marketing Expense"). Franchisor shall determine and specify an appropriate minimum amount which Franchisee shall be required to expend on Initial Marketing Expense based upon Franchisor's general assessment of Franchisee's advertising costs in Franchisee's Designated Area, local media costs, site selection of the Franchised Swim School, competition, brand awareness, time of year, customer demographics in the surrounding area, and whether the Franchised Swim School will be the first Swim School in the market. Franchisee may choose to spend more. Further, Franchisor shall specify the time at which Franchisee shall conduct Initial Marketing Expense. Prior to their use, all materials to be used in Initial Marketing Expense must be approved by Franchisor through the process set forth in Section

11.2.2. Such Initial Marketing Expense shall include, but not be limited to, digital, social, broadcast, public relations, and print advertising; local marketing costs for events, partnerships, or other promotional efforts. Franchisor will provide Franchisee with support, consulting, and guidance for conducting Initial Marketing Expense, and Franchisor will help plan, review, and approve the marketing venues Franchisee uses in Franchisee's Initial Marketing Expense. Initial Marketing Expense expenditures shall be in addition to any Local Advertising expenditures and Brand Fund Contributions. Franchisor may require that Franchisee hire at Franchisee's cost an Approved Supplier to provide local marketing and advertising services and branding advertising services prior to the opening of the Franchised Swim School.

11.2 Local Advertising

11.2.1 Franchisee shall continuously promote the Franchised Swim School. Every quarter, Franchisee shall spend two percent (2%) of the previous quarter's Gross Sales on advertising, promotions and public relations within the immediate locality surrounding the Franchised Swim School ("Local Advertising"). Such expenditures shall be made directly by Franchisee, subject to the prior approval and direction of Franchisor. Franchisor shall provide general guidelines to Franchisee for conducting Local Advertising. Within thirty (30) days after the end of each quarter, Franchisee shall furnish to Franchisor an accurate accounting of the expenditures on Local Advertising for the preceding quarter. Franchisor may require that Franchisee retain, at the sole cost and expense of Franchisee, an Approved Supplier to perform certain local marketing for and on behalf of Franchisee.

11.2.2 Franchisee shall submit to Franchisor, for its prior approval, all advertising and promotional materials to be used by Franchisee including, but not limited to, television ads, radio ads, ad copy, coupons, flyers, scripts and direct mail. Franchisor shall use reasonable efforts to provide notice of approval or disapproval within fourteen (14) days from the date all requested material is received by Franchisor. If Franchisor does not approve submitted materials by the end of such fourteen (14) day period, such materials shall be deemed to have received the required approval. Franchisee shall not use any marketing or promotional material prior to written approval by Franchisor. The submission of advertising materials to Franchisor for approval shall not affect Franchisee's right to determine the prices at which Franchisee sells products or provides services. Franchisee is not restricted from selling goods and services using the Franchise System to customers residing outside of the Designated Area or Area of Primary Responsibility. There are no restrictions on your ability to advertise outside your Designated Area or Area of Primary Responsibility, including engaging in mail order solicitations, direct mail programs, telemarketing, internet or television solicitation programs or use any other advertising media.

11.3 Brand Fund

Through an affiliate of Franchisor, Franchisor has established and administers a System-wide marketing, advertising and promotion fund to assist in Franchisor's regional and national advertising ("Brand Fund"). Franchisee shall be required to contribute monthly to the Brand Fund in an amount specified by Franchisor and which Franchisor may adjust from time to time ("Brand Fund Contribution") commencing on the earlier of the date that Franchisee opens for business to the public under section 5.6.1 of this Agreement or on the expiration of the Development Period as defined herein. Franchisee shall pay to Franchisor a Brand Fund Contribution equal to the greater of Nine Hundred Dollars (\$900) or three percent (3%) of Gross Sales (we currently collect 2%) for the preceding month for the ninety (90) day period following the earlier of the date that Franchisee opens for business to the public under section 5.6.1 of this Agreement or on the expiration of the Development Period as defined herein, and the greater of One Thousand Two Hundred Dollars (\$1,200) or three percent (3%) of Gross Sales (we currently collect 2%) for the preceding month thereafter. If the Brand Fund Contribution is based on a percentage of Gross Sales, Franchisor currently collects 2% of Gross Sales for the Brand Fund Contribution, and reserves the right to increase the Brand Fund Contribution, as limited by this section, by notice to Franchisee through the Brand Standards Manual. Brand Fund Contributions shall be made at the time and in the manner provided for Royalty Fees in Section 3.2 and may be drawn by Franchisor or its designate, including Franchisor's affiliate. Franchisor shall notify Franchisee at least thirty (30) days before changing Brand Fund Contribution requirements. The Brand Fund shall be maintained and administered by Franchisor or its designee, including Franchisor's affiliate as follows:

11.3.1 Franchisor shall oversee all marketing programs, with sole control over creative concepts, materials and media used in such programs, and the placement and allocation thereof. Franchisor does not warrant that any particular franchisee will benefit directly or pro rata from expenditures by the Brand Fund. The program(s) may be local, regional or System-wide. Franchisor does not warrant the success or effectiveness of any particular marketing program.

11.3.2 Franchisee's Brand Fund Contributions may be used to meet the costs of, or to reimburse Franchisor for its costs (including, without limitation, Franchisor's employment expenses for staff to manage the Brand Fund) of, producing, maintaining, administering and directing consumer advertising (including, without limitation, the cost of preparing and conducting television, radio, Internet, magazine, newspaper, and direct mail advertising campaigns and other public relations activities; developing and/or hosting an Internet web page or site and similar activities; employing advertising agencies to assist therein; and providing promotional brochures and other marketing materials to franchisees). All Brand Fund Contributions shall be maintained in a separate account from the monies of Franchisor and shall

not be used to defray any of Franchisor's general operating expenses, except for such reasonable costs and expenses, if any, that Franchisor may incur in activities reasonably related to the administration of the Brand Fund.

11.3.3 Franchisor shall endeavor to spend all Brand Fund Contributions on marketing programs and promotions during Franchisor's fiscal year within which such contributions are made. If excess amounts remain in any Brand Fund at the end of such fiscal year, all expenditures in the following fiscal year(s) shall be made first out of such excess amounts, including any interest or other earnings of the Brand Fund, and next out of prior year contributions and then out of current contributions.

11.3.4 Although Franchisor intends the Brand Fund to be of perpetual duration, Franchisor has the right to terminate the Brand Fund at any time. The Brand Fund shall not be terminated, however, until all Brand Fund Contributions have been expended for advertising and promotional purposes or returned to Franchisee and other franchisees on a pro rata basis based on total Brand Fund Contributions made in the aggregate by each franchisee.

11.3.5 Each Goldfish Swim School operated by Franchisor or an Affiliate shall make Brand Fund Contributions at the same rate as Goldfish Swim School franchisees.

11.3.6 An accounting of the operation of the Brand Fund shall be prepared annually and shall be available to Franchisee upon request. Franchisor retains the right to have the Brand Fund reviewed or audited and reported on, at the expense of the Brand Fund, by an independent certified public accountant selected by Franchisor.

11.3.7 Franchisee acknowledges that the Brand Fund is not a trust and Franchisor assumes no fiduciary duty in administering the Brand Fund. There is no fiduciary or trust relationship created by Franchisor's or its affiliate's administering the Brand Fund. Franchisor anticipates all franchisees will contribute to the Brand Fund, although there is no prohibition against Franchisor charging higher or lower rates for future franchisees. Franchisor also may forgive, waive, settle, or compromise claims by or against the Brand Fund. Franchisor may defer or reduce a franchisee's contribution based on the peculiarities of a particular territory or circumstance, existing business practices, or other factors that Franchisor deems to be important to the operation of any franchised swim school or the System. If Franchisor terminates the Brand Fund, Franchisor or its affiliate will distribute all unused monies to the contributors in proportion to their respective contributions during a pre-determined period.

11.4 Cooperative Advertising

Franchisor has the right, but not the obligation, to create a Cooperative Advertising program for the benefit of Goldfish Swim Schools located within a particular region, so long as at least 50% of the franchisees in that region agree to the formation of such advertising cooperative. The level of your cooperative advertising contribution will be determined by the

cooperative, of which you will be a voting member, but that amount may exceed your minimum local advertising obligation under the Franchise Agreement, but in no event will it exceed 5% of gross sales. Your contributions to the advertising cooperative in your region will satisfy your local advertising obligations, so long as they meet the minimum local advertising obligations otherwise contained in this Agreement. Franchisor has the right to determine the composition of all geographic territories and market areas for the implementation of each Cooperative Advertising program and to require that Franchisee participate in such Cooperative Advertising programs when established within Franchisee's region, regardless of Franchisee's position on the formation of such advertising cooperative. If a Cooperative Advertising program is implemented in a particular region, an advertising council of franchisees in that region will be selected to self-administer the Cooperative Advertising program. Franchisee shall participate in the council according to the council's rules and procedures and Franchisee shall abide by the council's decisions. Nevertheless, Franchisor reserves the right, but not the obligation, to change, dissolve or merge such program(s) and/or council(s) at any time. Goldfish Swim Schools operated by us or our affiliates in an area covered by an Advertising Cooperative will contribute to the Advertising Cooperative on the same basis as comparable franchisees and have the same voting rights as any comparable franchisee.

11.5 Internet Advertising

Franchisee may not establish a presence on, or market using, the Internet or any social media, such as, without limitation, Facebook, Twitter, Four Square, Instagram, etc., in connection with the Franchised Swim School without Franchisor's prior written consent. Franchisor has established and maintains an Internet website at the uniform resource locator www.goldfishswimschool.com that provides information about the System and the products and services that Franchisor and its franchisees provide. Franchisor will include at the Goldfish Swim School website an interior page containing information about the Franchised Swim School. If Franchisor includes such information on the Goldfish Swim School website, Franchisor has the right to require Franchisee to prepare all or a portion of the page, at Franchisee's expense, using a template that Franchisor provides. All such information shall be subject to Franchisor's approval prior to posting. Any websites or other modes of electronic commerce that we establish or maintain may – in addition to advertising and promoting products, programs or services available at the franchised swim schools – also be devoted in part to offering franchises for sale and be utilized by Franchisor to exploit the electronic commerce rights we alone reserve in this Agreement. Franchisor retains the sole right to advertise or use the Marks on the Internet, including the use of websites, domain names, uniform resource locators, keywords, linking, search engines (and search engine optimization techniques), banner ads, meta-tags, marketing, auction sites, e-commerce and co-branding arrangements. Franchisee may be requested to provide content for Franchisor's Internet marketing and shall be required to follow Franchisor's intranet and Internet usage rules, policies and requirements. Franchisor alone will be, and at all times will remain, the sole owner of the copyrights to all material which

appears on any website we establish and maintain, including any and all material you may furnish to us as provided herein. Franchisor retains the sole right to approve any linking to, or other use of, the Goldfish Swim School website. In addition to these activities, we may also establish an intranet through which downloads of operations and marketing materials, exchanges of franchisee email, System discussion forums and system-wide communications (among other activities) can be effected. Designated Manager and Control Person shall comply with all communication requirements as set forth in the Confidential Brand Standards Manual.

11.6 Promotional Marketing

Franchisor may periodically conduct promotional campaigns on a national or regional or system-wide or partially system-wide basis to promote products, services, or marketing themes. You must participate in all promotional campaigns we establish for the region in which your Franchised Swim School is located. Franchisor may from time to time designate a “National Sponsorship Program” with a specific charity or organization (“National Sponsor”). If Franchisor designates such an organization as a National Sponsor, Franchisee shall participate in the National Sponsor program according to its terms or as implemented through the Confidential Brand Standards Manual.

12. ACCOUNTING, RECORDS AND REPORTING OBLIGATIONS

12.1 Records

During the term of this Agreement, Franchisee shall maintain full, complete and accurate books, records and accounts in accordance with the standard accounting system and standard chart of accounts prescribed by Franchisor in the Confidential Brand Standards Manual or otherwise in writing for at least the current fiscal year and the immediately three (3) preceding fiscal years. Franchisee shall retain during the term of this Agreement, and for three (3) years thereafter, all books and records related to the Franchised Swim School as provided herein, including, without limitation, purchase orders, invoices, payroll records, sales tax records, state and federal tax returns, bank statements, cancelled checks, deposit receipts, cash receipts and disbursement journals, general ledgers, and any other financial records designated by Franchisor or required by law. Franchisor may at any time require that Franchisee retain, at its sole cost and expense an Approved Supplier to perform certain bookkeeping/recordkeeping services on behalf of Franchisee.

12.2 Gross Sales Reports

Franchisee shall maintain an accurate record of monthly Gross Sales and shall deliver to Franchisor a signed and verified statement of Gross Sales (“Gross Sales Report”) for each month within three (3) days of the close of each month in a form that Franchisor approves

or provides in the Confidential Brand Standards Manual. The Gross Sales Report for the preceding month must be provided to Franchisor by the close of business on the third (3rd) day of each month (or such other day as specified by Franchisor).

12.3 Financial Statements

Franchisee shall supply to Franchisor on or before the twentieth (20th) day of each month, in a form approved by Franchisor, a balance sheet as of the end of the last day of the preceding month and an income statement for the preceding month and the fiscal year-to-date. Franchisee shall, at its expense, submit to Franchisor within forty-five (45) days after the end of each calendar year, an income statement for the calendar year just ended and a balance sheet as of the last day of the calendar year. Such financial statements shall be prepared in accordance with GAAP applied on a consistent basis. All financial statements shall be certified by an officer of the Franchisee. Franchisee shall submit to Franchisor such other periodic reports in the manner and at the time specified in the Confidential Brand Standards Manual or otherwise in writing. Franchisee acknowledges that Franchisor may use Franchisee's financial statements and the data in the financial statements in an aggregated form for its own purposes, such as, without limitation, to demonstrate the financial performance of the system for press releases, future franchise disclosure documents, and recruitment of financing sources.

12.4 Other Reports

Franchisee shall submit to Franchisor copies of all state sales tax returns that are required to be filed with the appropriate governmental agency and such other records as Franchisor may reasonably request from time to time or as specified in the Confidential Brand Standards Manual. Franchisor shall have the right to release financial and operational information relating to the Franchised Swim School to Franchisor's lenders or prospective lenders. Franchisee shall certify as true and correct all reports to be submitted pursuant to this Agreement. Franchisee must provide Franchisor with all of the data required by Franchisor in the Confidential Brand Standards Manual in a format readily usable by Franchisor. All data pertaining to, derived from, or displayed at the Franchised Swim School (including without limitation, data pertaining to or otherwise about Franchised Swim School customers) is and shall be Franchisor's exclusive property, and Franchisor hereby grants Franchisee with a royalty-free non-exclusive license to use that data during the Term of this Agreement and any renewal term. Franchisee agrees that all data collected from customers and potential customers in connection with the Franchised Swim School ("Customer Data") is deemed to be owned exclusively by Franchisor, and Franchisee agrees to provide Customer Data to Franchisor at any time that Franchisor requests. Franchisee has the right to use Customer Data while this Agreement is in effect, but only in connection with operating the Franchised Swim School and only in accordance with the policies established by Franchisor from time to time. Franchisee shall not sell, assign, transfer or use Customer Data for any purpose other than operating the Franchised

Swim School and marketing the Franchise System services and products. Franchisee agrees to abide by all applicable laws pertaining to the privacy of customer, employee and transactional information (“Privacy Laws”). Franchisee agrees to comply with Franchisor’s standards and policies pertaining to Privacy Laws. If there is a conflict between Franchisor’s standards pertaining to the Privacy Laws and the requirements of any applicable law, Franchisee shall: (a) comply with the requirements of applicable law; (b) immediately provide written notice to Franchisor of said conflict; and (c) promptly and fully cooperate with Franchisor and counsel in determining the most effective way, if any, to meet Franchisor’s standards and policies pertaining to Privacy Laws within the bounds of applicable law.

12.5 Computer/Point-of-Sale System

Franchisor reserves the right to require that certain brands, types, makes, and/or models of communications, computer and technology systems, and hardware be used by, between, or among the Businesses, and in accordance with our standards, including without limitation: (a) back office and point of sale systems, data, audio, video (including managed video security surveillance), telephone, voice messaging, retrieval, and transmission systems for use at the Businesses, between or among Businesses, and between and among the Franchised Business, and you, and us; (b) POS Systems; (c) customer relationship management systems; (d) physical, electronic, and other security systems and measures; (e) printers and other peripheral devices; (f) archival back-up systems; (g) internet access mode (e.g., form of telecommunications connection) and speed; and (h) WiFi and other internet service for customers (collectively, all of the above are referred to as the “Computer System”). At this time, Franchisee shall purchase the Computer System required by the Confidential Brand Standards Manuals. Franchisee shall record all Gross Sales information on the required Computer System. The Computer System provides Franchisee with sales reports, scheduling and various product and service usage reports. Franchisor shall have and has full access to Franchisee’s Computer System and all of Franchisee’s computer and point-of-sale data and systems and all related information by means of direct access, either in person or by telephone, modem or Internet to permit Franchisor access to all of Franchisee’s financial information and to verify Franchisee’s compliance with its obligations under this Agreement. Franchisee is responsible for the annual maintenance and repairs of the Computer System. The technology configuration is frequently subject to change due to technology and service advancement, as updated in the Confidential Brand Standards Manual. Franchisee acknowledges that Franchisor may require Franchisee to update the Computer System or implement another point of sale system or Computer System in the future as implemented and updated in the Confidential Brand Standards Manual. Franchisee acknowledges that computer systems are susceptible to viruses, bugs, power disruptions, access failures, content failures, and attacks by third parties. Franchisor does not warranty and specifically disclaims any warranty that information systems or computer systems supplied by

Franchisor or its Designated Supplier or Approved Supplier will not be susceptible to these issues. Franchisee acknowledges that Franchisee is solely responsible for protecting itself from these issues. Franchisee must also take appropriate steps to verify that Franchisee's suppliers, lenders, lessors, customers and governmental agencies on which Franchisee relies, are reasonably protected. This may include taking steps to secure Franchisee's systems, including, but not limited to, firewalls, access code protections, anti-virus protections and use of backup related systems.

THE COMPUTER SYSTEM AND ITS CONTENT ARE PROVIDED "AS-IS". FRANCHISOR AND ITS AGENTS AND LICENSORS DISCLAIM ANY AND ALL WARRANTIES RELATING TO THE COMPUTER SYSTEM, EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT, REGARDING ANY CONTENT AND YOUR ABILITY OR INABILITY TO USE THE COMPUTER SYSTEM AND ITS CONTENT.

USE OF THE COMPUTER SYSTEM IS AT FRANCHISEE'S SOLE RISK. FRANCHISOR WILL NOT BE LIABLE TO FRANCHISEE OR ANY PERSON CLAIMING THROUGH FRANCHISEE FOR ANY DIRECT, INDIRECT, CONSEQUENTIAL, INCIDENTAL OR OTHER DAMAGES UNDER ANY THEORY OR LAW FOR ANY ERRORS IN OR THE USE OF OR INABILITY TO USE THE COMPUTER SYSTEM AND ITS CONTENT INCLUDING DAMAGES FOR LOST PROFITS, BUSINESS, DATA, OR DAMAGE TO ANY COMPUTER SYSTEMS.

12.6 Right to Inspect

Franchisor or its designee has the right, during normal business hours, to examine, copy and audit the books, records and tax returns of Franchisee for the previous three fiscal years. If the audit or any other inspection should reveal that any payments to Franchisor have been underpaid, then Franchisee shall immediately pay to Franchisor the amount of the underpayment plus interest from the date such amount was due until paid at the rate of eighteen percent (18%) per annum. If the audit or any other inspection should reveal that Franchisee has not spent two percent (2%) of its monthly Gross Sales on Local Advertising or if the inspection discloses an underpayment of three percent (3%) or more of the amount due for any period covered by the audit, Franchisee shall, in addition, reimburse Franchisor for any and all costs and expenses connected with the inspection (including, without limitation, travel expenses and reasonable accounting and attorneys' fees). The foregoing remedies shall be in addition to any other remedies Franchisor may have.

12.7 Release of Records

At Franchisor's request, Franchisee shall authorize and direct any third parties, including accounting and legal professionals, to release to Franchisor all accounting and financial records arising from or relating to the operation of the Franchised Swim School including, but not limited to, records evidencing Gross Sales, profits, losses, income, tax liabilities, tax payments, revenues, expenses, and any correspondence, notes, memoranda, audits, business records, or internal accounts within said third parties' possession, custody or control, and to continue to release such records to Franchisor on a monthly basis for the length of the unexpired term of this Agreement or until such time as Franchisor withdraws its request. Franchisee shall execute all documents necessary to facilitate the release of records referenced herein to Franchisor.

13. STANDARDS OF OPERATION

13.1 Authorized Products, Services and Suppliers

13.1.1 Franchisee acknowledges that the reputation and goodwill of the System is based in large part on offering high quality products and services to its customers. Accordingly, Franchisee shall provide or offer for sale or use at the Franchised Swim School only those supplies, signs, equipment and other items and services that Franchisor from time to time approves (and which are not thereafter disapproved) and that comply with Franchisor's specifications and quality standards. Franchisor will from time to time provide you with a list of these Approved Supplies. If required by Franchisor, any such items or services shall be purchased only from "Approved Suppliers" that Franchisor designates or approves (which might include, or be limited to, Franchisor or an Affiliate). Franchisor will from time to time provide you with a list of the Approved Suppliers. Franchisee shall not offer for sale, sell or provide through the Franchised Swim School or from the Approved Location any products or services that Franchisor has not approved. Franchisee shall not sell products or services on a wholesale basis, using its best efforts to ensure that its sales of products or services are to the end user customer. Franchisor may, in the exercise of its business judgment, enter into supply contracts either for all Swim Schools or a subset of Swim Schools situated within one or more geographic region(s) (each, a "system-wide supply contract"). Franchisor may enter into system-wide supply contracts with one or more vendors or products, services or equipment that all Franchised Swim Schools in a geographic area will be required to purchase, use or sell. If Franchisor does so, then immediately upon notification to Franchisee, Franchisee and all other franchised swim schools in the geographic area must purchase the specified product, service or equipment only from the designated supplier. However, if at the time of the notification to Franchisee, Franchisee is already a party to a non-terminable supply contract with another vendor or supplier

for the product, service or equipment, then Franchisee's obligation to purchase from the designated supplier under the system-wide supply contract will not begin until the scheduled expiration (or earlier termination) of the pre-existing contract. Franchisor makes no representation that Franchisor will enter into any system-wide supply contracts or other exclusive supply arrangements or, if Franchisor does so, that Franchisee would not otherwise be able to purchase the same products and/or services at a lower price from another supplier. Franchisor may add to, modify, substitute or discontinue system-wide supply contracts or exclusive supply arrangements in the exercise of Franchisor's business judgment.

EXCEPT AS EXCLUSIVELY SET FORTH IN WRITING, FRANCHISOR AND ITS AFFILIATES MAKE NO WARRANTIES, EITHER EXPRESS OR IMPLIED, WITH RESPECT TO ANY PRODUCTS OR SERVICES SOLD BY OR THROUGH FRANCHISOR OR ITS AFFILIATES, INCLUDING THE IMPLIED WARRANTY OF TITLE AND THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. FRANCHISOR WILL NOT BE LIABLE FOR PERSONAL INJURY OR PROPERTY DAMAGE, LOSS OF PROFIT, OR OTHER INCIDENTAL, CONSEQUENTIAL OR SPECIAL DAMAGES ARISING OUT OF THE USE OR INABILITY TO USE THE PRODUCTS AND SERVICES SOLD BY OR THROUGH FRANCHISOR OR ITS AFFILIATES OR FOR ANY DAMAGES (REGARDLESS OF THEIR NATURE) CAUSED BY FRANCHISOR'S FAILURE TO FULFILL FRANCHISOR'S RESPONSIBILITIES UNDER THIS AGREEMENT. FRANCHISOR AND ITS AFFILIATES' SOLE LIABILITY FOR ANY WARRANTIES GRANTED IS TO REPAIR OR REPLACE, AT FRANCHISOR OR FRANCHISOR'S AFFILIATES' OPTION, ANY PRODUCTS AND SERVICES SOLD BY OR THROUGH FRANCHISOR AND ITS AFFILIATES THAT ARE NOT IN COMPLIANCE WITH THE WARRANTY. FRANCHISOR'S AND ITS AFFILIATES' LIABILITY RELATING TO PRODUCTS AND SERVICES SOLD BY OR THROUGH FRANCHISOR OR ITS AFFILIATES WILL IN NO EVENT EXCEED THE STATED SELLING PRICE OF THE PRODUCTS AND SERVICES TO FRANCHISEE. ANY WARRANTIES GRANTED WILL BE VOID AND OF NO FORCE AND EFFECT WITH RESPECT TO ANY PRODUCTS THAT ARE DAMAGED AS A RESULT OF (A) NEGLIGENCE, ALTERATION OR ACCIDENT OR (B) IMPROPER USE, INCLUDING FAILURE TO FOLLOW OPERATING AND MAINTENANCE PROCEDURES SPECIFIED BY FRANCHISOR AND ITS AFFILIATES.

13.1.2 Franchisor shall provide Franchisee, in the Confidential Brand Standards Manual or other written or electronic form, with a list of specifications and, if required, a list of Approved Suppliers for some or all of the supplies, signs, equipment and other approved or specified items and services, and Franchisor may from time to time issue revisions to such list. If Franchisor or an Affiliate is an Approved Supplier, Franchisee shall execute a standard form purchase or supply agreement for the items to be supplied by Franchisor or its Affiliate. If Franchisee desires to utilize any products or services that Franchisor has not approved (for

products and services that require supplier approval), Franchisor shall direct Franchisee to have the service or product and/or supplier evaluated by an independent agency to determine whether the service or product complies with Franchisor's standards and specifications or whether the supplier meets its Approved Supplier criteria. Franchisee shall bear all of the expenses for such independent evaluation (as disclosed in the Confidential Brand Standards Manual) of each product or supply that Franchisee seeks to implement in the System. Franchisor will decide within thirty (30) days after receiving the required information whether Franchisee may purchase or lease such items or services or from such supplier. Franchisor's failure to respond to Franchisee within thirty (30) days after receiving the required information from Franchisee will be deemed to be a denial of the proposed supplier. Approval of a supplier may be conditioned on the supplier's ability to provide sufficient quantity of product; quality of products or services at competitive prices; production and delivery capability; and dependability and general reputation. Nothing in this Section shall be construed to require Franchisor to approve any particular supplier, or to require Franchisor to make available to prospective suppliers, standards and specifications that Franchisor deems confidential.

13.1.3 Notwithstanding anything contrary in this Agreement, Franchisor has the right to review from time to time its approval of any items or suppliers. Franchisor may revoke its approval of any item, service or supplier at any time by notifying Franchisee and/or the supplier. Franchisee shall, at its own expense, promptly cease using, selling or providing any items or services disapproved by Franchisor and shall promptly cease purchasing from suppliers disapproved by Franchisor.

13.1.4 Franchisor has the right to designate certain products and services, not otherwise authorized for general use as part of the System, to be offered locally or regionally based upon such factors as Franchisor determines including, but not limited to, franchisee qualifications, test marketing and regional or local differences. Franchisor has the right to give its consent to one (1) or more franchisees to provide certain products or services not authorized for general use as part of the System. Such consent will be based upon the factors set forth in Section 10.3 and shall not create any rights in Franchisee to provide the same products or services.

13.1.5 Franchisor has the right to retain volume rebates, markups and other benefits from suppliers or in connection with the furnishing of supplies based upon Franchisee's purchases of such supplies. Franchisee shall have no entitlement to or interest in any such benefits.

13.2 Appearance and Condition of the Franchised Swim School

Franchisee shall maintain the Franchised Swim School and the Approved Location in "like new" condition, and shall repair or replace equipment, fixtures, supplies, inventory and signage as necessary to comply with the standards and specifications of

Franchisor, the Confidential Brand Standards Manual, and Franchisee's landlord and any applicable laws or regulations. The expense of such maintenance shall be borne by Franchisee and shall be in addition to any required System modifications, as described in Section 10.2.

13.3 Ownership and Management

The Franchised Swim School shall, at all times, be under the direct supervision of Franchisee. The Designated Manager shall devote sufficient efforts to the management of the day-to-day operation of the Franchised Swim School. Franchisee shall keep Franchisor informed, in writing, at all times of the identity of its Designated Manager. Franchisee shall keep Franchisor informed, in writing, at all times of the identity of the Control Person. At all times, Designated Manager and Control Person shall have successfully completed Franchisor's training program. Franchisor shall have the right to require the Designated Manager, Control Person, or other owner of Franchisee to attend additional training of up to four (4) times per year and up to eight (8) days per year at times and locations Franchisor determines. Franchisee shall be responsible for all costs associated with such additional training, including tuition, travel, meals, lodging, and other expenses. Franchisee and Designated Manager and Control Person must not engage in any business or other activities that will conflict with its obligations under this Agreement. It is acknowledged that Franchisee is the sole and independent owner of the Franchised Swim School business, shall be in full control thereof, shall designate the Control Person to act on its behalf, and shall conduct the business solely in accordance with its own judgment and discretion, subject only to the provisions of this Agreement.

Franchisor may withhold any such consent in its sole and absolute discretion.

13.7 Licenses and Permits

This Agreement is expressly conditioned upon Franchisee's ability to secure and maintain, at Franchisee's sole cost and expense, any and all required state, county, city and/or local licenses required for the construction and operation of the Franchised Swim School (collectively "Licenses"). After Franchisee has secured the required Licenses, Franchisee shall thereafter comply with all applicable laws and regulations pertaining to the development,

construction and operation of the Franchised Swim School. If operations pursuant to this Agreement or the Confidential Brand Standards Manual are suspended or prohibited for more than 30 consecutive days as a result of Franchisee's failure to comply with applicable laws and regulations relating to any License, then Franchisor may, in its sole discretion, terminate this Agreement upon 10 days prior written notice to you. 13.8 Notification of Proceedings

Franchisee shall notify Franchisor in writing of the commencement of any action, suit or proceeding involving Franchisee or the Franchised Swim School, and of the issuance of any order, writ, injunction, judgment, award or decree which may affect the operation or financial condition of the Franchised Swim School not more than five (5) days after notice of such commencement or issuance. 13.9 Compliance with Good Business Practices

Franchisee acknowledges that the quality of customer service, and every detail of appearance and demeanor of Franchisee and its employees, is material to this Agreement and the relationship created and licenses granted hereby. Therefore, Franchisee shall endeavor to maintain high standards of quality and service in the operation of the Franchised Swim School. Franchisee shall at all times give prompt, courteous and efficient service to customers of the Franchised Swim School. The Franchised Swim School shall in all dealings with its customers, vendors and the general public, adhere to the highest standards of honesty, fair dealing and ethical conduct. Franchisor has the right to terminate this Agreement for violation of this Section. Franchisee shall reimburse Franchisor for

all costs incurred by Franchisor in servicing a customer of the Franchised Swim School pursuant to this Section. Franchisee shall, at its expense, lease or purchase the necessary equipment and/or software and shall have arrangements in place with Visa, MasterCard, American Express and such other credit card issuers as Franchisor may designate, from time to time, to enable the Franchised Swim School to accept such methods of payment from its customers. Franchisee shall also accept debit cards, stored value gift cards or other non-cash payment systems specified by Franchisor to enable customers to purchase authorized products and services. Franchisee shall obtain all necessary hardware and/or software used in connection with these non-cash payment systems. At all times, Franchisee shall maintain credit card relationships with the credit and debit card issuers or sponsors, check or credit verification services, financial center services, and electronic funds transfer systems (together, "Credit Card Vendors") that Franchisor designates as mandatory. The term Credit Card Vendors includes among other things, companies that provide services for electronic payment, such as near field communication vendors (for example, "Apple Pay" and "Google Wallet"). Franchisee may not use any Credit Card Vendors that Franchisor has not approved in writing or for which Franchisor has revoked approval. Franchisor has the right to modify the requirements and designate additional approved or required methods of payment and vendors for processing such payments, and to revoke approval of any such service provider. Franchisee must sign a Gift Card Participation Agreement if required to designate a vendor or to establish procedures for administering the gift

Among other things, Franchisee agrees to implement the enhancements, security requirements, and other standards that the PCI Security Standards Council (or its successor) requires of a merchant that accepts payment by credit and/or debit cards. Franchisee must demonstrate compliance upon reasonable request, which may include having an independent third party Qualified Security Assessor (QSA) conduct a PCI/DSS audit. In the event Franchisee is unable to demonstrate full compliance, Franchisor may require that Franchisee engages the services of an approved supplier to assist you on an ongoing basis. Having a secure managed firewall that meets Franchisor's system standards is one part of the current requirement. Franchisee will be required to enter into a contractual relationship directly with an approved managed firewall supplier.

14. FRANCHISOR'S ADDITIONAL OPERATIONS ASSISTANCE

14.1 General Advice and Guidance

Franchisor shall be available to render advice, discuss problems and offer general guidance to Franchisee by telephone, e-mail, or other electronic communication, newsletters and other methods with respect to planning, opening and operating the Franchised Swim School. Franchisor shall not charge for this service, however, Franchisor retains the right to refuse or charge a fee for this service should Franchisee be deemed by Franchisor to be utilizing this service too frequently or in an unintended manner. Franchisor's advice or guidance to Franchisee relative to prices for products and services that, in Franchisor's judgment, constitutes good business practice is based upon the experience of Franchisor and its franchisees in operating Goldfish Swim Schools and an analysis of costs and prices charged for competitive products and services. Because enhancing the Franchise System's competitive position and consumer acceptance for the Franchise System's products and services is a paramount goal of Franchisor and the Franchise System's franchisees, and because this objective is consistent with the long-term interest of the Franchise System overall, Franchisor may exercise rights with respect to the pricing of products and services to the fullest extent permitted by then-applicable law. These rights may include (without limitation) prescribing the maximum and/or minimum retail prices which Franchisee may charge customers for the products and/or services offered and sold at the Franchised Swim School; recommending retail prices; advertising specific retail prices for some or all products or services sold by the Franchised Swim School, which prices Franchisee will be compelled to observe; engaging in marketing, promotional and related campaigns which you must participate in and which may directly or indirectly impact your retail prices (such as "buy one, get one free"); and, otherwise mandating, directly or indirectly, the maximum and/or minimum retail prices which the Franchised Swim School may charge the public for the products and services offered. Franchisor may engage in any such activity either periodically or throughout the term of this Agreement. Further, Franchisor may engage in such activity only in certain geographic areas (cities, states, regions) and not others, or with regard to certain subsets of franchisees and not others. Franchisee acknowledges and agrees that any maximum, minimum or other prices we prescribe or suggest may or may not optimize the revenues or profitability of your Franchised Swim School and Franchisee irrevocably waives any and all claims arising from or related to our prescription or suggestion of your Franchise Store's retail prices. Franchisee acknowledges that Franchisor shall have the sole right to determine the prices to be charged for products sold through the Goldfish Swim School Internet site, including products sold to persons identified as customers of the Franchised Swim School.

Franchisor and Franchisor's representatives who visit the Franchised Swim School will prepare, for the benefit of both Franchisor and Franchisee, a written report detailing any problems or concerns discovered during any such visit and outlining any required or suggested changes or improvements in the operations of the Franchised Swim School. A copy of any such written report shall be provided to Franchisee. Franchisee shall implement any required changes or improvements as required by Franchisor within fourteen (14) days of Franchisee's receipt of the written report from Franchisor, with time being of the essence. Franchisee agrees to cooperate fully with such activities. If Franchisee, for any reason, fails to correct such deficiencies within a reasonable time as determined by Franchisor, Franchisor shall have the right and authority (without, however, any obligation to do so) to correct such deficiencies and to charge you a reasonable fee for our expenses in so acting, payable by Franchisee immediately upon demand, in the same manner as Franchisee pays Royalty.

14.3 Participation in Customer Sales Support Services

Franchisor may provide or have an affiliate or a third-party provide customer sales support services for Franchisee, which may include responding to afterhours phone calls and emails and/or responding to calls and emails during business hours in certain circumstances or other similar services. Franchisor may require Franchisee to participate in these services and to pay a proportionate share of the costs of these services or a reasonable charge for these services as Franchisor may implement through the Brand Standards Manual. Franchisee must comply with Franchisor's policies and procedures relating to participation in the customer sales support services.

Further, if Franchisor exercises its option to acquire the Franchised Swim School, Franchisor shall have the immediate right to occupy the premises and require Franchisee to vacate. Franchisee grants Franchisor an option to acquire all rights and assume all obligations remaining under any equipment leases. This option shall be exercised in the same manner that Franchisor is required to exercise its option as to the real estate, with possession to be transferred at the time possession of the real estate is transferred. In light of the poor market for used equipment, any equipment leases assumed by Franchisor, if it exercises its option, have a fair market value of \$0.00.

If the fair market value of any assets Franchisor elects to acquire cannot be agreed upon between the parties within 30 days following the termination or expiration without renewal of this Agreement, Franchisor shall select and pay for the services of a qualified appraiser to establish the fair market value thereof, and a copy of said appraisal will be provided to Franchisee. If the value is not agreed to by the parties within 10 days after Franchisee's receipt of the appraisal, Franchisee shall select and pay for the services of a qualified appraiser to appraise the property within 15 days after the expiration of such 10 day period. Franchisee shall provide Franchisor with a copy of its appraisal. If the value of all of the property is still not agreed to within 10 days after the receipt of that appraisal from Franchisee, the 2 appraisers shall select a third appraiser within the 15 days thereafter whose determination of fair market value as to the property to which a value has not yet been agreed to shall be final and binding. The cost of the third appraiser shall be paid equally by Franchisor and Franchisee. The parties shall close the purchase of the assets within 120 days of the date of determination of the fair market value of such assets.

17.2 Post-Termination Covenant Not to Compete

17.2.1 Franchisee acknowledges that the restrictive covenants contained in this Section and in Section 7 are fair and reasonable and are justifiably required for purposes including, but not limited to, the following:

17.2.1.1 to protect the Trade Secrets and other Confidential Information of Franchisor;

17.2.1.2 to induce Franchisor to grant a Franchise to Franchisee; and

17.2.1.3 to protect Franchisor against its costs in training Franchisee and its officers, directors, executives, professional staff and Designated Managers.

17.2.2 Except as otherwise approved in writing by Franchisor, neither Franchisee, nor any holder of a legal or beneficial interest in Franchisee, nor any officer, director, executive, Designated Manager or member of the professional management staff of Franchisee, shall, for a period of two (2) years after the expiration or termination of this Agreement, regardless of the cause of termination, either directly or indirectly, for themselves or through, on behalf of or in conjunction with, any person, persons, partnership, corporation, limited liability company or other business entity:

17.2.2.1 own an interest in, manage, operate or provide services to any Competitive Business located or operating (a) within a twenty-five (25) mile radius of the Approved Location or within the Area of Primary Responsibility (whichever is greater), or (b) within a twenty-five (25) mile radius of the location of any other Goldfish Swim School in existence at the time of termination or expiration; or

17.2.2.2 solicit or otherwise attempt to induce or influence any customer or other business associate of Franchisor to terminate or modify his, her or its business relationship with Franchisor or to compete against Franchisor.

17.2.3 In furtherance of this Section, Franchisor has the right to require certain individuals to execute standard form nondisclosure or non-competition agreements in a form the same as or similar to the Nondisclosure and Non-Competition Agreement attached as Exhibit 2.

17.3 Unfair Competition

If Franchisee operates any other business, Franchisee shall not use any reproduction, counterfeit, copy or colorable imitation of the Confidential Brand Standards Manuals or Marks, either in connection with such other business or the promotion thereof, that is likely to cause confusion, mistake or deception, or that is likely to dilute Franchisor's rights in

the Marks. Franchisee shall not utilize any designation of origin, description or representation that falsely suggests or represents an association or connection with Franchisor. This Section is not intended as an approval of Franchisee's right to operate other businesses and in no way is it intended to contradict Sections 7, 17.1 or 17.2. If Franchisor elects not to receive an assignment or sublease of the Approved Location, Franchisee shall make such modifications or alterations to the Approved Location (including changing telephone and facsimile numbers) immediately upon termination or expiration of this Agreement as may be necessary to prevent any association between Franchisor or the System and any business subsequently operated by Franchisee or others at the Approved Location. Franchisee shall make such specific additional changes to the Approved Location as Franchisor may reasonably request for that purpose including, without limitation, removal of all physical and structural features identifying or distinctive to the System. If Franchisee fails or refuses to comply with the requirements of this Section, Franchisor has the right to enter upon the Approved Location for the purpose of making or causing to be made such changes as may be required, at the expense of Franchisee, which expense Franchisee shall pay upon demand.

17.4 Franchisor's Option to Purchase Certain Business Assets

Franchisor has the right (but not the duty), for a period of thirty (30) days after termination or expiration of this Agreement, to purchase any or all assets of the Franchised Swim School including leasehold improvements, equipment, supplies and other inventory. The purchase price shall be equal to the assets' fair market value as agreed upon by the parties. If the fair market value of any assets Franchisor elects to acquire cannot be agreed upon between the parties within 30 days following the termination or expiration without renewal of this Agreement, the process to determine the fair market value under this section will be identical to the process described in section 17.1.9 above.

17.5 Survival of Certain Provisions

All obligations of Franchisor and Franchisee, which expressly or by their nature survive the expiration or termination of this Agreement, shall continue in full force and effect subsequent to and notwithstanding their expiration or termination and until satisfied or by their nature expire.

17.6 Loss of Future Royalties

If termination is the result of Franchisee's default, Franchisee will pay to Franchisor a lump sum payment (as liquidated damages for causing the premature termination of this Agreement and not as a penalty) equal to the lesser of (a) three (3) times the total of all Royalty Fee payments for preceding twelve (12) calendar months preceding Franchisee's default or (b) the Royalties due to Franchisor for the remaining term of this Agreement, using the average Royalty Fee paid by Franchisee in the preceding twelve (12) calendar months preceding

Franchisee's default multiplied by the number of months remaining in the Term of this Agreement. The parties agree that a precise calculation of the full extent of the damages that Franchisor will incur on termination of this Agreement as a result of Franchisee's default is difficult and the parties desire certainty in this matter and agree that the lump sum payment provided under this Section is reasonable in light of the damages for premature termination that Franchisor will incur. This payment is not exclusive of any other remedies that Franchisor may have including attorneys' fees and costs.

18. TRANSFERABILITY OF INTEREST

18.1 Transfer by Franchisor

This Agreement and all rights and duties hereunder are fully transferable in whole or in part by Franchisor and such rights will inure to the benefit of any person or entity to whom transferred; provided, however, that with respect to any assignment resulting in the subsequent performance by the assignee of the functions of Franchisor, the assignee shall assume the obligations of Franchisor hereunder and Franchisor shall thereafter have no liability for the performance of any obligations contained in this Agreement.

18.2 Transfer by Franchisee to a Third Party

The rights and duties of Franchisee as set forth in this Agreement, and the Franchise herein granted, are personal to Franchisee (or its owners), and Franchisor has entered into this Agreement in reliance upon Franchisee's personal or collective skill and financial ability. Accordingly, neither Franchisee nor any holder of a legal or beneficial interest in Franchisee may sell, assign, convey, give away, pledge, mortgage, sublicense or otherwise transfer, whether by operation of law or otherwise, any interest in this Agreement, the Franchise granted hereby, the Approved Location used in operating the Franchised Swim School, its assets or any part or all of the ownership interest in Franchisee without the prior written approval of Franchisor. Any purported transfer without such approval shall be null and void and shall constitute a material breach of this Agreement. If Franchisee is in compliance with this Agreement, Franchisor's consent to such transfer shall be conditioned upon the satisfaction of the following requirements:

18.2.1 Franchisee has complied with the requirements set forth in Section 19;

18.2.2 all obligations owed to Franchisor, and all other outstanding obligations relating to the Franchised Swim School, are fully paid and satisfied;

18.2.3 Franchisee (and any transferring owners, if Franchisee is a business entity) has executed a general release, in a form the same as or similar to the General Release attached as Exhibit 1, of any and all claims against Franchisor, including its officers, directors, shareholders, managers, members, partners, owners, employees and agents (in their corporate

and individual capacities), including, without limitation, claims arising under federal, state or local laws, rules or ordinances, and any other matters incident to the termination of this Agreement or to the transfer of Franchisee's interest herein or to the transfer of Franchisee's ownership of all or any part of the Franchise; provided, however, that if a general release is prohibited, Franchisee shall give the maximum release allowed by law;

18.2.4 the prospective transferee has satisfied Franchisor that it meets Franchisor's management, business and financial standards, and otherwise possesses the character and capabilities, including business reputation and credit rating, as Franchisor may require to demonstrate ability to conduct the Franchised Swim School;

18.2.5 the transferee and, if Franchisor requires, all persons owning any interest in the transferee, have executed the then-current franchise agreement for new franchisees, which may be substantially different from this Agreement, including different Royalty Fee and Brand Fund Contribution rates and other material provisions, and the franchise agreement then executed shall be for the term specified in such agreement;

18.2.6 the transferee has executed a general release, in a form the same as or similar to the General Release attached as Exhibit 1, of any and all claims against Franchisor and its officers, directors, shareholders, managers, members, partners, owners, employees and agents (in their corporate and individual capacities), with respect to any representations regarding the Franchise or the business conducted pursuant thereto or any other matter that may have been made to the transferee by Franchisee;

18.2.7 Franchisee has provided Franchisor with a complete copy of all contracts and agreements and related documentation between Franchisee and the prospective transferee relating to the intended sale or transfer of the Franchise;

18.2.8 Franchisee, or the transferee, has paid to Franchisor a transfer fee in an amount equal to two thousand five hundred dollars (\$2,500) if the transferee is already part of the System and fifty percent (50%) of the then-existing initial franchise fee for new franchisees if the transferee is new to the System;

18.2.9 the transferee, or all holders of a legal or beneficial interest in the transferee, has agreed to be personally bound jointly and severally by all provisions of this Agreement for the remainder of its term by executing a personal guaranty in such form as prepared by Franchisor;

18.2.10 Franchisee has agreed to be bound to the obligations of the new franchise agreement and to guarantee the full performance thereof by the transferee, if required by Franchisor;

18.2.11 the transferee has obtained all necessary consents and approvals by third parties (such as the lessor of the Approved Location) and all applicable federal, state and local laws, rules, ordinances and requirements applicable to the transfer have been complied with or satisfied;

18.2.12 Franchisee has, and if Franchisee is an entity, all of the holders of a legal and beneficial interest in Franchisee have executed and delivered to Franchisor a nondisclosure and non-competition agreement in a form satisfactory to Franchisor and in substance the same as the nondisclosure and non-competition covenants contained in Sections 7 and 17;

18.2.13 the transferee agrees that its Designated Manager shall complete, to Franchisor's satisfaction, a training program in substance similar to the initial training described in Section 8.1 prior to assuming the management of the day-to-day operation of the Franchised Swim School; and

18.2.14 the transferee agrees to furnish evidence that all employees and the Designated Manager have obtained CPR, life guard and first aid certifications.

18.3 Transfer to a Controlled Entity

18.3.1 If Franchisee wishes to transfer this Agreement or any interest herein to a corporation, limited liability company or other legal entity which shall be entirely owned by Franchisee ("Controlled Entity"), which Controlled Entity is being formed for the financial planning, tax or other convenience of Franchisee, Franchisor's consent to such transfer shall be conditioned upon the satisfaction of the following requirements:

18.3.1.1 the Controlled Entity is newly organized and its charter or articles of formation provides that its activities are confined exclusively to the operation of the Franchised Swim School;

18.3.1.2 Franchisee or all holders of a legal or beneficial interest in Franchisee own all of the equity and voting power of the outstanding stock or other capital interest in the Controlled Entity, and there is no change in the Control Person;

18.3.1.3 all obligations of Franchisee to Franchisor or any Affiliate are fully paid and satisfied; provided, however, that neither Franchisee nor the Controlled Entity shall be required to pay a transfer fee as required pursuant to Section 18.2.8;

18.3.1.4 the Controlled Entity has entered into a written agreement with Franchisor expressly assuming the obligations of this Agreement and all other agreements relating to the operation of the Franchised Swim School. If the consent of any other party to any

such other agreement is required, Franchisee has obtained such written consent and provided the same to Franchisor prior to consent by Franchisor;

18.3.1.5 all holders of a legal or beneficial interest in the Controlled Entity have entered into an agreement with Franchisor jointly and severally guaranteeing the full payment of the Controlled Entity's obligations to Franchisor and the performance by the Controlled Entity of all the obligations of this Agreement;

18.3.1.6 each stock certificate or other ownership interest certificate of the Controlled Entity has conspicuously endorsed upon the face thereof a statement in a form satisfactory to Franchisor that it is held subject to, and that further assignment or transfer thereof is subject to, all restrictions imposed upon transfers and assignments by this Agreement; and

18.3.1.7 copies of the Controlled Entity's articles of incorporation or organization, bylaws, operating agreement, federal tax identification number and other governing regulations or documents, including resolutions of the board of directors authorizing entry into this Agreement, have been promptly furnished to Franchisor. Any amendment to any such documents shall also be furnished to Franchisor immediately upon adoption.

18.3.2 The term of the transferred franchise shall be the unexpired term of this Agreement, including all renewal rights, subject to any and all conditions applicable to such renewal rights.

18.3.3 Franchisor's consent to a transfer of any interest in this Agreement, or of any ownership interest in the Franchised Swim School, shall not constitute a waiver of any claims Franchisor may have against the transferor or the transferee, nor shall it be deemed a waiver of Franchisor's right to demand compliance with the terms of this Agreement.

18.4 Franchisor's Disclosure to Transferee

Franchisor has the right, without liability of any kind or nature whatsoever to Franchisee, to make available for inspection by any intended transferee of Franchisee all or any part of Franchisor's records relating to this Agreement, the Franchised Swim School or to the history of the relationship of the parties hereto. Franchisee hereby specifically consents to such disclosure by Franchisor and shall release and hold Franchisor harmless from and against any claim, loss or injury resulting from an inspection of Franchisor's records relating to the Franchised Swim School by an intended transferee identified by Franchisee.

18.5 For-Sale Advertising

Franchisee shall not, without prior written consent of Franchisor which shall not be unreasonably withheld, place in, on or upon the location of the Franchised Swim School, or in

any communication media, any form of advertising relating to the sale of the Franchised Swim School or the rights granted hereunder.

18.6 Transfer by Death or Incapacity

18.6.1 Upon the death or Incapacity of Franchisee (if Franchisee is an individual) or any holder of a legal or beneficial interest in Franchisee (if Franchisee is a business entity), the appropriate representative of such person (whether administrator, personal representative or trustee) shall, within a reasonable time not exceeding one hundred eighty (180) days following such event, transfer such individual's interest in the Franchised Swim School or in Franchisee to a third party approved by Franchisor. Such transfers, including transfers by will or inheritance shall be subject to the conditions for assignments and transfers contained in this Agreement, unless prohibited by the laws of the state wherein Franchisee resided, with such choice of law provision being applicable only for this Section 18.6. During such one hundred eighty (180) day period, the Franchised Swim School must remain at all times under the primary management of a Designated Manager and Control Person who otherwise meets Franchisor's management qualifications. Upon the death or Incapacity of the Control Person, Franchisee shall name a replacement Control Person within ten (10) days of such date of death or Incapacity and Franchisee and new Control Person shall comply with the terms of this Agreement and the Confidential Brand Standards Manual.

18.6.2 Following such a death or Incapacity of such person as described in this Section 18.6, if necessary in Franchisor's discretion, Franchisor shall have the right, but not the obligation, to assume operation of the Franchised Swim School until the deceased or incapacitated owner's interest is transferred to a third party approved by Franchisor. Franchisor may charge a management fee as stated in the Confidential Brand Standards Manual from time to time, currently equal to SIX HUNDRED DOLLARS (\$600.00) per day, and Franchisor shall be entitled to reimbursement of any expenses Franchisor incurs in relation to the management of the Franchised Swim School, including without limitation, travel expenses, room and board expenses, and related expenses for Franchisor to perform these management functions.

19. RIGHT OF FIRST REFUSAL

19.1 Submission of Offer

If Franchisee, or any of its owners, proposes to sell or otherwise transfer (including a transfer by death or Incapacity pursuant to Section 18.6) the Franchised Swim School (or any of its assets outside of the normal course of business), any ownership interest in Franchisee or any ownership interest in the Franchise granted hereunder, Franchisee shall obtain and deliver a bona fide, executed written offer or proposal to purchase such interest of Franchisee only, along with all pertinent documents including any contract or due diligence materials, to Franchisor, except with regards to a sale or transfer to a family member. The offer

must apply only to an approved sale of the assets or interests listed above and may not include any other property or rights of Franchisee or any of its owners.

19.2 Franchisor's Right to Purchase

Unless the proposed sale or transfer is to a member of the immediate family of a holder of a legal or beneficial interest in Franchisee, Franchisor shall, for sixty (60) days from the date of delivery of all such documents, have the right, exercisable by written notice to Franchisee, to purchase the offered assets or interest for the price and on the same terms and conditions contained in such offer communicated to Franchisee. Franchisor has the right to substitute cash for the fair market value of any form of payment proposed in such offer. Franchisor's credit shall be deemed at least equal to the credit of any proposed buyer. After providing notice to Franchisee of Franchisor's intent to exercise this right of first refusal, Franchisor shall have up to ninety (90) days to close the purchase. Franchisor shall be entitled to receive from Franchisee all customary representations and warranties given by Franchisee as the seller of the assets or such ownership interest or, at Franchisor's election, such representations and warranties contained in the proposal.

19.3 Non-Exercise of Right of First Refusal

If Franchisor does not exercise its right of first refusal within sixty (60) days from the date of delivery of all such documents, the offer or proposal may be accepted by Franchisee or any of its owners, subject to Franchisor's prior written approval as required by Section 18.2. Should the sale fail to close within one hundred twenty (120) days after the offer is delivered to Franchisor, Franchisor's right of first refusal shall renew and be implemented in accordance with this Section.

19.4 Sales or Transfers to Family Excepted

If Franchisee, or any of its owners, proposes to sell or otherwise transfer the Franchised Swim School (or any of its assets outside of the normal course of business), any ownership interest in Franchisee or any ownership interest in the Franchise granted hereunder to a member of Franchisee's (or its owners') family, then the terms and conditions of this Section 19 shall be inapplicable. Nothing in this Section 19.4 shall be construed to relieve Franchisee from full compliance with the terms and conditions of Section 18.2 prior to a sale or transfer to family pursuant to this Section.

20. BENEFICIAL OWNERS OF FRANCHISEE

Franchisee represents, and Franchisor enters into this Agreement in reliance upon such representation, that the individuals identified in Exhibit 4 are the sole holders of a legal or beneficial interest (in the stated percentages) of Franchisee.

21. RELATIONSHIP AND INDEMNIFICATION

21.1 Relationship

This Agreement is purely a contractual relationship between the parties and does not appoint or make Franchisee an agent, fiduciary, legal representative, joint venturer, partner, employee, servant, independent contractor of Franchisor, joint employer, or other special relationship between the parties for any purpose whatsoever. No agency, employment, or partnership is created or implied by the terms of this Agreement, and Franchisee may not represent or imply or hold itself out to third parties that Franchisee is an agent, fiduciary, legal representative, joint venture, partner, employee, servant, independent contractor, joint employer, or other special relationship of or with Franchisor, and Franchisee is in no way authorized to make any contract, agreement, warranty or representation on behalf of Franchisor, or to create any obligation, express or implied, on Franchisor's behalf. Neither this Agreement nor our course of conduct is intended, nor may anything in this Agreement (nor our course of conduct) be construed, to state or imply that Franchisor is Franchisee's employer or the employer of Franchisee's employees and or independent contractors, nor vice versa. During the term of this Agreement, and any extension or renewal hereof, Franchisee shall hold itself out to the public only as a franchisee and an owner of the Franchised Swim School operating the Franchised Swim School pursuant to a franchise from Franchisor. Franchisee shall take such affirmative action as may be necessary to do so including, without limitation, exhibiting a notice of that fact in a conspicuous place on the Approved Location and on all forms, stationery or other written materials, the content of which Franchisor has the right to specify. Under no circumstances shall Franchisor be liable for any act, omission, contract, debt, nor any other obligation of Franchisee. Franchisor shall in no way be responsible for any injuries to persons or property resulting from the operation of the Franchised Swim School. Any third party contractors and vendors retained by Franchisee to convert or construct the premises are independent contractors of Franchisee alone. None of Franchisee's employees will be considered Franchisor's employees. Neither Franchisee nor any of its employees whose compensation Franchisee pays may in any way, directly or indirectly, expressly or by implication, be construed to be Franchisor's employee for any purpose, most particularly with respect to any mandated or other insurance coverage, tax or contributions, or requirements pertaining to withholdings, levied or fixed by any local, state, or federal government agency. Franchisor shall not have the power to hire or fire Franchisee's employees. Franchisee expressly agrees, and will never contend otherwise, that Franchisor's authority under this Agreement to certify certain of Franchisee's employees for qualification to perform certain functions for the Franchised Swim School does not directly or indirectly vest in Franchisor the power to hire, fire, or control such employee. Franchisee acknowledges and agrees, and will never contend otherwise, that Franchisee alone will exercise day-to-day control over all operations, activities and elements of the Franchised Swim School and that under no circumstance shall Franchisor do so or be deemed to do so. Franchisee further acknowledges and agrees, and will never contend otherwise, that the various requirements, restrictions,

prohibitions, specifications and procedures of the Franchise System which Franchisee is required to comply with under this Agreement, whether set forth in the Confidential Brand Standards Manual or otherwise, do not directly or indirectly constitute, suggest, infer or imply that Franchisor controls any aspect or element of the day-to-day operations of the Franchised Swim School, which Franchisee alone controls, but only constitute standards Franchisee must adhere to when exercising its control of the day-to-day operations of the Franchised Swim School. Except as expressly provided in this Agreement, Franchisor may not control or have access to Franchisee's funds or the expenditure of Franchisee's funds or in any other way exercise dominion or control over the Franchised Swim School. Except as otherwise expressly authorized by this Agreement, neither party will make any express or implied agreements, warranties, guarantees or representations or incur any debt in the name of or in behalf of the other party, or represent that the relationship between Franchisor and Franchisee is other than that of franchisor and franchisee. Franchisor does not assume any liability, and will not be considered liable, for any agreements, representations, or warranties made by Franchisee which are not expressly authorized under this Agreement. Franchisor will not be obligated for any damages to any person or property which directly or indirectly arise from or relate to Franchisee's operation of the Franchised Swim School. Franchisee shall have no right or power to, and shall not, bind or obligate us or our affiliates in any way or manner, nor represent that Franchisee has any right to do so. Franchisee is an independent contractor, and Franchisee is solely responsible for all aspects of the development and operation of the Franchised Swim School, subject only to the conditions and covenants established by this Agreement. Without limiting the generality of the foregoing, Franchisee acknowledges that Franchisor has no responsibility to ensure that the Franchised Swim School is developed and operated in compliance with all applicable laws, ordinances, and regulations and that Franchisor shall have no liability in the event the development or operation of the Franchised Swim School violates any law, ordinance, or regulation. Franchisee's business is, and shall be kept, totally separate and apart from any that may be operated by Franchisor. In all public records, in relationships with others, and on letterhead and business forms, electronic communications, bulletins and posters to Franchisee's employees, paychecks, checks, and other communications to customers, Franchisee shall indicate that Franchisee is solely a franchisee of Franchisor.

21.2 Standard of Care

This Agreement does not establish a fiduciary relationship between the parties. Unless otherwise specifically provided in this Agreement with respect to certain issues, whenever this Agreement requires Franchisee to obtain Franchisor's written consent or permits Franchisee to take any action or refrain from taking any action, Franchisor is free to act in its own self-interest without any obligation to act reasonably, to consider the impact on Franchisee or to act subject to any other standard of care limiting Franchisor's right, except as may be provided by statute or regulation.

21.3 Indemnification

Franchisee shall hold harmless and indemnify Franchisor, any Affiliate, all holders of a legal or beneficial interest in Franchisor and all officers, directors, executives, managers, members, partners, owners, employees, agents, successors and assigns (collectively “Franchisor Indemnitees”) from and against all losses, damages, fines, costs, expenses or liability (including reasonable attorneys’ fees, costs of investigation, expert fees and disbursements and all other costs of investigation, arbitration and/or litigation, court costs, settlement amounts, judgments, compensation for damages to the Franchisor’s reputation and goodwill, costs of or resulting from delays, travel, food, lodging and other living expenses necessitated by the need or desire to appear before (or witness the proceedings of) courts or tribunals (including arbitration tribunals), or government or quasi-governmental entities (including those incurred by Franchisor Indemnitee’s attorneys and/or experts), financing, costs of advertising material and media time/space, and costs of changing, substituting or replacing the same, and any and all expenses of recall, refunds, compensation, public notices and other such amounts incurred in connection with the matters described) incurred in connection with any action, suit, demand, claim, investigation or proceeding, or any settlement thereof, which arises from or is based upon Franchisee’s (a) ownership or operation of the Franchised Swim School; (b) violation, breach or asserted violation or breach of any federal, state or local law, regulation or rule; (c) breach of any representation, warranty, covenant, or provision of this Agreement or any other agreement between Franchisee and Franchisor (or an Affiliate); (d) defamation of Franchisor or the System; (e) acts, errors or omissions committed or incurred in connection with the Franchised Swim School, including any negligent or intentional acts; (f) infringement, violation or alleged infringement or violation of any Mark, patent or copyright or any misuse of the Trade Secrets or other Confidential Information, (g) violation of any federal, state, or local labor and employment law for acts or omissions of Franchisee or Franchisee’s employees; or (h) any cybersecurity breaches or violations of any Privacy Laws. The obligations of this Section 21.3 shall expressly survive the termination of this Agreement.

21.4 Right to Retain Counsel

Franchisee shall give Franchisor immediate notice of any such action, suit, demand, claim, investigation or proceeding that may give rise to a claim for indemnification by a Franchisor Indemnitee. Franchisor has the right to retain counsel of its own choosing in connection with any such action, suit, demand, claim, investigation or proceeding. In order to protect persons, property, Franchisor’s reputation or the goodwill of others, Franchisor has the right to, at any time without notice, take such remedial or corrective actions as it deems expedient with respect to any action, suit, demand, claim, investigation or proceeding if, in Franchisor’s sole judgment, there are grounds to believe any of the acts or circumstances listed above have occurred. If Franchisor’s exercise of its rights under this Section causes any of Franchisee’s insurers to refuse to pay a third party claim, all cause of action and legal remedies

Franchisee might have against such insurer shall automatically be assigned to Franchisor without the need for any further action on either party's part. Franchisor has the right, at any time it considers appropriate, to offer, order, consent or agree to settlements or take any other remedial or corrective actions Franchisor considers expedient with respect to the action, suit, proceeding, claim, demand, inquiry, or investigation if, in Franchisor's sole judgment, there are reasonable grounds to do so. Under no circumstances shall Franchisor be required or obligated to seek coverage from third parties or otherwise mitigate losses in order to maintain a claim against Franchisee. The failure to pursue such remedy or mitigate such loss shall in no way reduce the amounts recoverable by Franchisor from Franchisee.

22. GENERAL CONDITIONS AND PROVISIONS

22.1 Waiver

No failure of Franchisor to exercise any power reserved to it hereunder, or to insist upon strict compliance by Franchisee with any obligation or condition hereunder, and no custom nor practice of the parties in variance with the terms hereof, shall constitute a waiver of Franchisor's right to demand exact compliance with the terms of this Agreement. Waiver by Franchisor of any particular default by Franchisee shall not be binding unless in writing and executed by Franchisor and shall not affect nor impair Franchisor's right with respect to any subsequent default of the same or of a different nature. Subsequent acceptance by Franchisor of any payment(s) due shall not be deemed to be a waiver by Franchisor of any preceding breach by Franchisee of any terms, covenants or conditions of this Agreement. In no event may Franchisee make any claim for money damages based upon any claim or assertion that Franchisor has unreasonably withheld or delayed any consent or approval under this Agreement. Franchisee waives any such claim for damages. Franchisee may not claim any such damages by way of set off, counterclaim, or defense. Franchisee's sole remedy for the claim will be an action or proceeding to enforce the Agreement provisions consistent with the terms of this Agreement.

22.2 Injunctive Relief

As any breach by Franchisee of any of the restrictions contained in Sections 6, 7 and 17 would result in irreparable injury to Franchisor, and as the damages arising out of any such breach would be difficult to ascertain, in addition to all other remedies provided by law or in equity, Franchisor shall be entitled to seek injunctive relief (whether a restraining order, a preliminary injunction or a permanent injunction) against any such breach, whether actual or contemplated. Franchisor's right to seek injunctive relief will not affect the parties' waiver of jury trial and covenant to arbitrate all disputes in accordance with Section 23.7. Franchisor's rights herein shall include pursuing injunctive relief through arbitration or in state or federal court.

22.3 Notices

All notices required or permitted under this Agreement shall be in writing and shall be deemed received: (a) at the time delivered by hand to the recipient party (or to an officer, director or partner of the recipient party); (b) on the next business day after transmission by facsimile or other reasonably reliable electronic communication system; (c) two (2) business days after being sent via guaranteed overnight delivery by a commercial courier service; or (d) five (5) business days after being sent by Registered Mail, return receipt requested. Either party may change its address by a written notice sent in accordance with this Section 22.3. All notices, payments and reports required by this Agreement shall be sent to Franchisor at the following address:

Goldfish Swim School Franchising LLC
Attn: Chief Executive Officer
2701 Industrial Row Drive
Troy, Michigan 48084

22.4 Cost of Enforcement or Defense

If Franchisor or Franchisee is required to enforce this Agreement in a judicial or arbitration proceeding, the prevailing party shall be entitled to reimbursement of its costs, including reasonable accounting and attorneys' fees, in connection with such proceeding.

22.5 Unlimited Guaranty and Assumption of Obligations

Franchisee's obligations under this Franchise Agreement shall be personally guaranteed by individuals who meet our financial requirements. All holders of a legal or beneficial interest in Franchisee shall be required to execute, as of the date of this Agreement, the Unlimited Guaranty and Assumption of Obligations attached as Exhibit 3, through which such holders agree to assume and discharge all of Franchisee's obligations under this Agreement and to be personally liable hereunder for all of the same.

22.6 Approvals

Whenever this Agreement requires the prior approval or consent of Franchisor, Franchisee shall make a timely written request to Franchisor for such approval and, except as otherwise provided herein, any approval or consent granted shall be effective only if in writing. Franchisor makes no warranties or guarantees upon which Franchisee may rely, and assumes no liability or obligation to Franchisee or any third party to which it would not otherwise be subject,

by providing any waiver, approval, advice, consent or services to Franchisee in connection with this Agreement, or by reason of any neglect, delay or denial of any request for approval.

22.7 Entire Agreement

This Agreement, its exhibits and the documents referred to herein shall be construed together and constitute the entire, full and complete agreement between Franchisor and Franchisee concerning the subject matter hereof and shall supersede all prior agreements. No other representation, oral or otherwise, has induced Franchisee to execute this Agreement, and there are no representations (other than those within Franchisor's Goldfish Swim School Franchising LLC Disclosure Document), inducements, promises or agreements, oral or otherwise, between the parties not embodied herein, which are of any force or effect with respect to the matters set forth in or contemplated by this Agreement or otherwise. No amendment, change or variance from this Agreement shall be binding on either party unless executed in writing by both parties. Nothing in this Agreement, however, is intended to disclaim the representations we made in the franchise disclosure document that we furnished to you.

22.8 Severability and Modification

22.8.1 Except as noted below, each paragraph, part, term and provision of this Agreement shall be considered severable. If any paragraph, part, term or provision herein is ruled to be unenforceable, unreasonable or invalid, such ruling shall not impair the operation of or affect the remaining portions, paragraphs, parts, terms and provisions of this Agreement, and the latter shall continue to be given full force and effect and bind the parties; and such unenforceable, unreasonable or invalid paragraphs, parts, terms or provisions shall be deemed not part of this Agreement. If Franchisor determines that a finding of invalidity adversely affects the basic consideration of this Agreement, Franchisor has the right to, at its option, terminate this Agreement.

22.8.2 Notwithstanding the above, each of the covenants contained in Sections 7 and 17 shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of any such covenant is held to be unenforceable, unreasonable or invalid, then it shall be amended to provide for limitations on disclosure of Trade Secrets or other Confidential Information or on competition to the maximum extent provided or permitted by law.

22.9 Construction

All captions herein are intended solely for the convenience of the parties, and none shall be deemed to affect the meaning or construction of any provision hereof.

22.10 Force Majeure

Whenever a period of time is provided in this Agreement for either party to perform any act, except pay monies, neither party shall be liable nor responsible for any delays due to strikes, lockouts, casualties, acts of God, war, terrorism, governmental regulation or control or other causes beyond the reasonable control of the parties, and the time period for the performance of such act shall be extended for the amount of time of the delay. This clause shall not result in an extension of the term of this Agreement.

22.11 Timing

Time is of the essence. Except as set forth in Section 22.10, failure to perform any act within the time required or permitted by this Agreement shall be a material breach.

22.12 Withholding Payments

Franchisee shall not, for any reason, withhold payment of any Royalty Fees or other amounts due to Franchisor or to an Affiliate. Franchisee shall not withhold or offset any amounts, damages or other monies allegedly due to Franchisee against any amounts due to Franchisor. No endorsement or statement on any payment for less than the full amount due to Franchisor will be construed as an acknowledgment of payment in full, or an accord and satisfaction, and Franchisor has the right to accept and cash any such payment without prejudice to Franchisor's right to recover the full amount due, or pursue any other remedy provided in this Agreement or by law. Franchisor has the right to apply any payments made by Franchisee against any of Franchisee's past due indebtedness as Franchisor deems appropriate. Franchisor shall set off sums Franchisor owes to Franchisee against any unpaid debts owed by Franchisee to Franchisor.

22.13 Further Assurances

Each party to this Agreement will execute and deliver such further instruments, contracts, forms or other documents, and will perform such further acts, as may be necessary or desirable to perform or complete any term, covenant or obligation contained in this Agreement.

22.14 Third-Party Beneficiaries

Anything to the contrary notwithstanding, nothing in this Agreement is intended, nor shall be deemed, to confer upon any person or legal entity other than Franchisor or Franchisee, and their respective successors and assigns as may be contemplated by this Agreement, any rights or remedies under this Agreement.

22.15 Multiple Originals; Counterparts; Original Signatures

Both parties will execute multiple copies of this Agreement, and each executed copy will be deemed an original. This Agreement may be executed in any number of counterparts each of which when so executed shall be an original, but all of which together shall constitute one (1) and the same instrument. Any signature required by this Agreement or any Exhibit or Schedule may be delivered via electronic and/or facsimile signature and said electronic and/or faxed signature shall be considered as though an original.

22.16 Compliance with Laws

Franchisee shall comply with all requirements of applicable federal, state, and local rules, regulations, statutes, laws, and ordinances (“Laws”), including without limitation, Laws that: (a) require a CPR, life guard and first aid certification or other certification; (b) establish general standards, specifications and requirements for the construction, design and maintenance of the business premises, including without limitation, pool construction requirements, zoning regulations, building codes, whether at the federal, state, or local level; (c) regulate matters affecting the health, safety and welfare of Franchisee’s customers, such as general health and sanitation requirements, pool water testing requirements and maintenance of water quality, draining and refilling of the pool, procedures for managing pool water quality anomalies or emergencies, teacher/student ratios, restrictions on smoking, requirement of background checks for employees who will be in contact with children, obligations to report suspected child abuse or neglect, availability of and requirements for public accommodations, including restrooms, and all other regulatory standards applicable to child-related service businesses such as water safety instruction conducted by Franchisee and the Franchised Swim School; (d) set standards pertaining to employee health and safety, including the Occupational Safety and Health Act and other federal, state, and local laws and regulations relating to safe employment conditions; (e) regulate matters affecting requirements for accommodations for disabled persons; (f) set standards and requirements for fire safety and general emergency preparedness; (g) regulate the proper use, storage and disposal of waste including the proper maintenance of pool water; (h) require Franchisee to conduct background checks on Franchisee’s employees and independent contractors; (i) require Franchisee to comply with the Americans with Disabilities Act and other federal, state, or local laws or regulations relating to employees and customers with disabilities, including without limitation, the commercial pool lift regulations; (j) require Franchisee to comply with employment laws such as the Fair Labor Standards Act, Title VII of the Civil Rights Act, the Equal Employment Opportunity Act, Affordable Care Act, Age Discrimination in Employment Act, Employee Retirement Income Security Act, immigration laws, and other federal, state, and local laws and regulations governing minimum wage, overtime, and other employment related subjects; (k) require Franchisee to comply with citizenship and immigration status of Franchisee’s employees; (l) require Franchisee to meet air quality standards, such as without limitation, the Federal Clean Air

Act and various other federal, state and local laws or regulations that regulate air quality standards limiting emissions of ozone, carbon monoxide, and particles, including caps on emissions from indoor pools; and (m) require Franchisee to comply with federal, state, or local laws and regulations that regulate indoor air quality, the construction, operation, or maintenance of Franchisee's pools, and the construction or operation of Franchisee's franchised swim school business. Franchisee must investigate and comply with all applicable Laws or other governmental directives related to Franchisee's franchised swim school. Franchisee alone is responsible for complying with all applicable Laws or other governmental directives related to Franchisee's franchised swim school, despite any advice or information that Franchisor may give Franchisee.

23. DISPUTE RESOLUTION

23.1 Choice of Law

Except to the extent this Agreement or any particular dispute is governed by the U.S. Trademark Act of 1946 or other federal law, this Agreement shall be governed by and construed in accordance with the laws of the State of Michigan (without reference to its conflict of laws principles). The Federal Arbitration Act shall govern all matters subject to arbitration. References to any law refer also to any successor laws and to any published regulations for such law as in effect at the relevant time. References to a governmental agency also refer to any regulatory body that succeeds the function of such agency. The parties agree, however, that if Franchisee's Approved Location is not in Michigan and if you are not a resident of the state of Michigan, the Michigan Franchise Investment Law shall not apply to this transaction, the relationship between Franchisor and Franchisee or this Agreement.

23.2 Consent to Jurisdiction

Any action brought by either party except those claims required to be submitted to arbitration, shall only be brought in the appropriate state court located in or serving Oakland County, Michigan. The parties waive all questions of personal jurisdiction or venue for the purposes of carrying out this provision. Claims for injunctive relief may be brought by Franchisor where Franchisee is located. This exclusive choice of jurisdiction and venue provision shall not restrict the ability of the parties to confirm or enforce judgments or arbitration awards in any appropriate jurisdiction.

23.3 Cumulative Rights and Remedies

No right or remedy conferred upon or reserved to Franchisor or Franchisee by this Agreement is intended to be, nor shall be deemed, exclusive of any other right or remedy herein or by law or equity provided or permitted, but each shall be in addition to

every other right or remedy. Nothing contained herein shall bar Franchisor's right to obtain injunctive relief against threatened conduct that may cause it loss or damages, including obtaining restraining orders and preliminary and permanent injunctions.

23.4 Limitations of Claims

Any claim concerning the Franchised Swim School or this Agreement or any related agreement will be barred unless an action for a claim is commenced within one (1) year from the date on which Franchisee or Franchisor knew or should have known, in the exercise of reasonable diligence, of the facts giving rise to the claim.

23.5 Limitation of Damages

Franchisee and Franchisor each waive, to the fullest extent permitted by law, any right or claim for any punitive or exemplary damages against the other and agree that if there is a dispute with the other, each will be limited to the recovery of actual damages sustained by it including reasonable accounting and legal fees as provided in Section 22.4. Franchisee waives and disclaims any right to consequential damages in any action or claim against Franchisor concerning this Agreement or any related agreement. In any claim or action brought by Franchisee against Franchisor concerning this Agreement, Franchisee's contract damages shall not exceed and shall be limited to refund of Franchisee's Franchise Fee and Royalty Fees.

23.6 Waiver of Jury Trial

FRANCHISEE AND FRANCHISOR EACH IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, WHETHER AT LAW OR EQUITY, BROUGHT BY EITHER OF THEM.

23.7 Arbitration

This Agreement evidences a transaction involving commerce and, therefore, the Federal Arbitration Act, Title 9 of the United States Code is applicable to the subject matter contained herein. Except for controversies or claims relating to the ownership of any and all intellectual property rights, including, but not limited to, Franchisor's Marks, copyrights or the unauthorized use or disclosure of Franchisor's Confidential Information, covenants against competition and other claims for injunctive relief, or amounts owed by Franchisee to Franchisor, all disputes arising out of or relating to this Agreement or to any other agreements between the parties, or with regard to interpretation, formation or breach of this or any other agreement between the parties, shall be settled by binding arbitration conducted in Oakland County, Michigan, in accordance with the Commercial Arbitration Rules of the American Arbitration Association then in effect. The proceedings

will be held by a single arbitrator agreed upon by the parties or otherwise appointed by the District Court for the State of Michigan and located in Oakland County, Michigan. The decision of the arbitrator will be final and binding upon the parties. Judgment upon the award rendered by the arbitrator may be entered in any court having personal and subject matter jurisdiction.

Franchisee agrees that it will not file any arbitration claim as a class action, seek class action status, or permit its claim to be joined or made part of any class action filed by another. Franchisee further agrees that it will not file or join in any consolidated arbitration.

Franchisee acknowledges that it has read the terms of this binding arbitration provision and affirms that this provision is entered into willingly and voluntarily and without any fraud, duress or undue influence on the part of Franchisor or any of Franchisor's agents or employees.

24. ACKNOWLEDGMENTS

24.1 Receipt of this Agreement and the Franchise Disclosure Document

Franchisee represents and acknowledges that it has received, read and understands this Agreement and Franchisor's Franchise Disclosure Document; and that Franchisor has accorded Franchisee ample time and opportunity to consult with advisors of its own choosing about the potential benefits and risks of entering into this Agreement. Franchisee represents and acknowledges that it has received, at least fourteen (14) calendar-days prior to the date on which this Agreement was executed, the Disclosure Document required by the Trade Regulation Rule of the Federal Trade Commission entitled Disclosure Requirements and Prohibitions Concerning Franchising and Business Opportunity Ventures.

24.2 Consultation by Franchisee

Franchisee represents that it has been urged to consult with its own advisors with respect to the legal, financial and other aspects of this Agreement, the business franchised hereby and the prospects for that business. Franchisee represents that it has either consulted with such advisors or has deliberately declined to do so. Franchisee further acknowledges he or she has conducted an independent investigation of the business franchised pursuant to this agreement and recognizes the business venture contemplated by this agreement involves the normal business risks associated with beginning a new business. Franchisee acknowledges that it is entering into this Agreement based upon its own investigation and not as a result of any representations about Franchisor made by Franchisor's shareholders, members, officers, directors, employees, agents, representatives, independent contractors, or franchisees which are contrary to the terms set forth

in this Agreement or any franchise disclosure document required or permitted to be given to Franchisee pursuant to applicable law.

24.3 True and Accurate Information

Franchisee represents that all information set forth in any and all applications, financial statements and submissions to Franchisor is true, complete and accurate in all respects, and Franchisee acknowledges that Franchisor is relying upon the truthfulness, completeness and accuracy of such information.

24.4 Risk

Franchisee represents that it has conducted an independent investigation of the business contemplated by this Agreement and acknowledges that, like any other business, an investment in a Goldfish Swim School involves business risks and that the success of the venture is dependent, among other factors, upon the business abilities and efforts of Franchisee. Franchisor makes no representations or warranties, express or implied, in this Agreement or otherwise, as to the potential success of the business venture contemplated hereby.

24.5 No Guarantee of Success

Franchisee represents and acknowledges that it has not received or relied on any guarantee, express or implied, as to the revenues, profits or likelihood of success of the Franchised Swim School. Franchisee represents and acknowledges that there have been no representations by Franchisor's officers, directors, employees or agents that are not contained in, or are inconsistent with, the statements made in the Franchise Disclosure Document or this Agreement. Specifically, Franchisee acknowledges that the only financial performance information Franchisor furnished is set forth in Item 19 of the Franchise Disclosure Document; that no officer, director, member, employee, agent, representative or independent contractor of Franchisor is authorized to furnish Franchisee with any other financial performance information; that if they nevertheless do, Franchisee will not rely on any such financial performance information given to Franchisee by any such individual; and that if any such individual attempts to or actually does give Franchisee any such financial performance information in contravention of this provision, Franchisee will immediately communicate such activity to Franchisor. For the purpose of this Agreement, "financial performance information" means information given, whether orally, in writing or visually which states, suggests or infers a specific level or range of historic or prospective sales, expenses and/or profits of franchised or non-franchised swim schools.

24.6 No Violation of Other Agreements

Franchisee represents that its execution of this Agreement will not violate any other agreement or commitment to which Franchisee or any holder of a legal or beneficial interest in Franchisee is a party.

24.7 Other Agreements

Franchisee acknowledges that Franchisor intends to enter into agreements with other franchisees that may contain certain provisions, conditions and obligations that differ from those contained in this Agreement. The existence of different forms of agreement and the fact that Franchisor and other franchisees may have different rights and obligations do not affect the duties of the parties to this Agreement to comply with the terms of this Agreement. Franchisee further acknowledges that because uniformity under many varying conditions may not be possible or practical, Franchisor reserves the right to materially vary our standards or franchise agreement terms for any Franchised Swim School, based upon the timing of the grant of the franchise, the peculiarities of the particular territory or circumstances, business potential, population, existing business practices, other non-arbitrary distinctions or any other condition which Franchisor considers important to the successful operation of the Franchise System. Franchisee has no right to require Franchisor to disclose any variation or to grant the same or a similar variation to Franchisee.

24.8 Financing Franchisee has, or has made firm arrangements to acquire funds to commence, open and operate the Franchised Swim School and it is financially and otherwise able to accept the risk attendant to entering into this Agreement.

24.9 Litigation Franchisee is not a party to nor subject to any court order or action of any governmental authority which would limit or otherwise interfere in any way with the performance by Franchisee of its obligations under this Agreement.

24.10 Certain Offenses Franchisee represents and warrants neither Franchisee nor any owner of Franchisee has been accused of or convicted of a crime against a child or any form of physical violence or sexual assault against any person.

24.11 Anti-Terrorism Representations. Franchisee and its owners agree to comply with and/or to assist Franchisor to the fullest extent possible in Franchisor's efforts to comply with Anti-Terrorism Laws (as defined below). In connection with such compliance, Franchisee and its owners certify, represent, and warrant that none of their property or interests is subject to being "blocked" under any of the Anti-Terrorism Laws and that Franchisee and its owners are not otherwise in violation of any of the Anti-Terrorism Laws. Franchisee and its owners certify

that none of them, their respective employees, or anyone associated with Franchisee is listed in the Annex to Executive Order 13224 (which can be accessed at <http://www.treasury.gov/offices/enforcement/ofac/legal/eo/13224.pdf>). Franchisee agrees not to hire (or, if already employed, retain the employment of) any individual who is listed in the Annex. Franchisee certifies that it has no knowledge or information that, if generally known, would result in Franchisee, its owners, their employees, or any one associated with Franchisee to be listed in the Annex to Executive Order 13224. Franchisee is solely responsible for ascertaining what actions it must take to comply with the Anti-Terrorism Laws, and Franchisee specifically acknowledges and agrees that its indemnification responsibilities set forth in this Agreement pertain to its obligations under this Section 24.11. Any misrepresentation under this Section or any violation of the Anti-Terrorism Laws by Franchisee, its owners, agents, its employees shall constitute grounds for immediate termination of this Agreement and any other agreement Franchisee has entered with Franchisor or any of Franchisor's affiliates. "Anti-Terrorism Laws" means Executive Order 13224 issued by the President of the United States, the Terrorism Sanctions Regulations (Title 31, Part 595 of the U.S. Code of Federal Regulations), the Foreign Terrorist Organizations Sanctions Regulations (Title 31, Part 597 of the U.S. Code of Federal Regulations), the Cuban Assets Control Regulations (Title 31, Part 515 of the U.S. Code of Federal Regulations), the USA PATRIOT Act, and all other present and future federal, state and local laws, ordinances, regulations, policies, lists and any other requirements of any governmental authority (including, without limitation, the United States Department of Treasury Office of Foreign Assets Control and any government agency outside the U.S.) addressing or in any way relating to terrorist acts and/or acts of war.

24.12 Other Acknowledgements

Franchisee has carefully considered the nature and extent of the restrictions upon Franchisee set forth in this Agreement (including without limitation, the covenants not to compete, confidentiality restrictions and the restrictions on assignment) and the rights and remedies conferred upon Franchisee and Franchisor under this Agreement. Such restrictions, rights and remedies: (a) are reasonable, including, but not limited to, their term and geographic scope; (b) are designed to preclude competition which would be unfair to Franchisor and the Franchise System; (c) are fully required to protect Franchisor's legitimate business interests; and (d) do not confer benefits upon Franchisor that are disproportionate to Franchisee's detriment. The covenants not to compete set forth in this Agreement are fair and reasonable, and will not impose any undue hardship on Franchisee, since Franchisee has other considerable skills, experience and education which afford Franchisee the opportunity to derive income from other endeavors.

IN WITNESS WHEREOF, the parties hereto, intending to be legally bound hereby have duly executed this Agreement.

**EXHIBIT 2 TO THE FRANCHISE AGREEMENT
NONDISCLOSURE AND NON-COMPETITION AGREEMENT
(Owner)**

This "Agreement" made as of the ____ day of _____, 20____, is by and between Goldfish Swim School Franchising, LLC ("Company") and _____ ("Individual"), equity owner of _____ ("Franchisee").

WITNESSETH:

WHEREAS, Franchisee is a party to that certain Franchise Agreement dated _____, 20____ ("Franchise Agreement") by and between Franchisee and Goldfish Swim School Franchising LLC ("Company"); and

WHEREAS, Franchisee and the Company has provided Individual with access to and review certain Trade Secrets and other Confidential Information, which are more particularly described below; and

WHEREAS, Individual is an equity owner of Franchisee; and

WHEREAS, Franchisee is required by the Franchise Agreement to have Individual execute this Agreement prior to providing Individual access to said Trade Secrets and other Confidential Information; and

WHEREAS, Individual understands the necessity of not disclosing any such information to any other party or using such information to compete against Company, Franchisee or any other franchisee of Company in any business (i) that offers (or grants franchises or licenses to others to operate a business that offers) swim instruction to children the same as or similar to those provided by Franchisee or (ii) in which Trade Secrets and other Confidential Information (as defined below) could be used to the disadvantage of Franchisee, or Company, any affiliate of Company or Company's other franchisees (hereinafter, "Competitive Business"); provided, however, that the term "Competitive Business" shall not apply to any business operated by Franchisee under a Franchise Agreement with Company.

NOW, THEREFORE, in consideration of the mutual promises and undertakings set forth herein, and intending to be legally bound hereby, the parties hereby mutually agree as follows:

1. Trade Secrets and Confidential Information

Individual understands Franchisee possesses and will possess Trade Secrets and other Confidential Information that are important to its business.

a) For the purposes of this Agreement, a “Trade Secret” is information in any form (including, but not limited to, materials and techniques, technical or non-technical data, formulas, patterns, compilations, programs, devices, methods, techniques, drawings, processes, financial data, financial plans, product plans, passwords, lists of actual or potential customers or suppliers) related to or used in Goldfish Swim Schools that is not commonly known by or available to the public and that information: (i) derives economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use; and (ii) is the subject of efforts that are reasonable under the circumstances to maintain its secrecy.

b) For the purposes of this Agreement “Confidential Information” means technical and non-technical information used in or related to Goldfish Swim Schools and not commonly known by or available to the public, including, without limitation, Trade Secrets and any other information identified or labeled as confidential when delivered by Franchisor. Confidential Information shall not include, however, any information that: (a) is now or subsequently becomes generally available to the public through no fault of Franchisee; (b) Franchisee can demonstrate was rightfully in its possession, without obligation of nondisclosure, prior to disclosure pursuant to this Agreement; (c) is independently developed without the use of any Confidential Information; or (d) is rightfully obtained from a third party who has the right, without obligation of nondisclosure, to transfer or disclose such information.

c) Any information expressly designated by Company or Franchisee as “Trade Secrets” or “Confidential Information” shall be deemed such for all purposes of this Agreement, but the absence of designation shall not relieve Individual of his or her obligations hereunder in respect of information otherwise constituting Trade Secrets or Confidential Information. Individual understands Franchisee’s providing of access to the Trade Secrets and other Confidential Information creates a relationship of confidence and trust between Individual and Franchisee with respect to the Trade Secrets and other Confidential Information.

2. Confidentiality/Non-Disclosure

a) Individual shall not communicate or divulge to (or use for the benefit of) any other person, firm, association, or corporation, with the sole exception of Franchisee, now or at any time in the future, any Trade Secrets or other Confidential Information. At all times from

the date of this Agreement, Individual must take all steps reasonably necessary and/or requested by Franchisee to ensure that the Confidential Information and Trade Secrets are kept confidential pursuant to the terms of this Agreement. Individual must comply with all applicable policies, procedures and practices that Franchisee has established and may establish from time to time with regard to the Confidential Information and Trade Secrets.

b) Individual's obligations under paragraph 2(a) of this Agreement shall continue in effect after termination of Individual's relationship with Franchisee, regardless of the reason or reasons for termination, and whether such termination is voluntary or involuntary, and Franchisee is entitled to communicate Individual's obligations under this Agreement to any future customer or employer to the extent deemed necessary by Franchisee for protection of its rights hereunder and regardless of whether Individual or any of its affiliates or assigns becomes an investor, partner, joint venturer, broker, distributor or the like in a Goldfish Swim School.

3. Non-Competition

a) During the term of Individual's relationship with Franchisee and for a period of two (2) years after the expiration or termination of Individual's relationship with Franchisee, regardless of the cause of expiration or termination, Individual shall not, directly or indirectly, for themselves or through, on behalf of or in conjunction with, any person, persons, partnership, corporation, limited liability company or other business entity, divert or attempt to divert any business or customer of Franchisee to any Competitive Business, by direct or indirect inducement or otherwise, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Company's service mark "Goldfish Swim School®" and such other trade names, trademarks, service marks, trade dress, designs, graphics, logos, emblems, insignia, fascia, slogans, drawings and other commercial symbols as the Company designates to be used in connection with Goldfish Swim Schools or the Company's uniform standards, methods, procedures and specifications for the establishment and operation of Goldfish Swim Schools.

b) During the term of Individual's relationship with Franchisee, Individual shall not, directly or indirectly, for themselves or through, on behalf of or in conjunction with, any person, persons, partnership, corporation, limited liability company or other business entity, carry on, be engaged in or take part in, render services to, or own or share in the earnings of any Competitive Business anywhere within the United States without the express written consent of Franchisor, and for a period of two (2) years thereafter, regardless of the cause of termination, Individual shall not, directly or indirectly, for themselves or through, on behalf of or in conjunction with, any person, persons, partnership, corporation, limited liability company or other business entity, carry on, be engaged in or take part in, render services to, or own or share in the earnings of any Competitive Business (a) within a twenty-five (25) mile radius of the

Approved Location or within the Area of Primary Responsibility (whichever is greater), or (b) within a twenty-five (25) mile radius of the location of any other Goldfish Swim School in existence at the time of termination or expiration, without the express written consent of Franchisor.

c) During the term of Individual's relationship with Franchisee and for a period of two (2) years thereafter, regardless of the cause of termination, Individual shall not, directly or indirectly, solicit or otherwise attempt to induce or influence business associate or customer of Franchisee, Company or any other Goldfish Swim School to compete against, or terminate or modify his, her or its business relationship with, Franchisee, Company or any other Goldfish Swim School.

4. Reasonableness of Restrictions

Individual acknowledges that each of the terms set forth herein, including the restrictive covenants, is fair and reasonable and is reasonably required for the protection of Franchisee, Company, and Company's Trade Secrets and other Confidential Information, the Company's business system, network of franchises and trade and service marks, and Individual waives any right to challenge these restrictions as being overly broad, unreasonable or otherwise unenforceable. If, however, a court of competent jurisdiction determines that any such restriction is unreasonable or unenforceable, then Individual shall submit to the reduction of any such activity, time period or geographic restriction necessary to enable the court to enforce such restrictions to the fullest extent permitted under applicable law. It is the desire and intent of the parties that the provisions of this Agreement shall be enforced to the fullest extent permissible under the laws and public policies applied in any jurisdiction where enforcement is sought.

5. Relief for Breaches of Confidentiality and Non-Competition

Individual further acknowledges that an actual or threatened violation of the covenants contained in this Agreement will cause Franchisee and Company immediate and irreparable harm, damage and injury that cannot be fully compensated for by an award of damages or other remedies at law. Accordingly, Franchisee and Company shall be entitled, as a matter of right, to an injunction from any court of competent jurisdiction restraining any further violation by Individual of this Agreement without any requirement to show any actual damage or to post any bond or other security. Such right to an injunction shall be cumulative and in addition to, and not in limitation of, any other rights and remedies that Franchisee and Company may have at law or in equity.

6. Miscellaneous

a) This Agreement constitutes the entire Agreement between the parties with respect to the subject matter hereof. This Agreement supersedes any prior agreements, negotiations and discussions between Individual and Franchisee. This Agreement cannot be altered or amended except by an agreement in writing signed by the duly authorized representatives of the parties.

b) Except to the extent this Agreement or any particular dispute is governed by the U.S. Trademark Act of 1946 or other federal law, this Agreement shall be governed by and construed in accordance with the laws of the State of Michigan (without reference to its conflict of laws principles). The Federal Arbitration Act shall govern all matters subject to arbitration. EXHIBIT 6 TO THE FRANCHISE AGREEMENT

CONDITIONAL ASSIGNMENT OF LEASE

THIS AGREEMENT is made and entered into between Goldfish Swim School Franchising, LLC, a Michigan corporation (“GOLDFISH”), located at 2701 Industrial Row Drive, Troy, MI 48084 and _____ located at _____, (“Franchisee”).

WHEREAS, GOLDFISH and Franchisee have executed a Franchise Agreement on the ____ day of _____, 20____ (“Franchise Agreement”) for the establishment of a GOLDFISH Franchised Swim School to be operated pursuant to GOLDFISH’s Marks as that term is defined in the Franchise Agreement.

WHEREAS, the Franchise Agreement requires the execution of this Conditional Assignment of Lease if the real estate for the facility through which a Franchised Swim School is operated is leased by the Franchisee;

WHEREAS, Franchisee proposes to enter into a real estate lease for the facility through which a Franchised Swim School is operated pursuant to the Franchise Agreement with _____ (“Landlord”), which lease is dated the ____ day of _____, 20____, a copy of which is attached hereto (as Exhibit “A”) and which is incorporated herein by reference (hereinafter referred to as the “Real Estate Lease”).

NOW THEREFORE, it is hereby agreed as follows:

1. **Conditional Assignment.** Franchisee hereby assigns to GOLDFISH all of Franchisee’s right, title, and interest in and to the Real Estate Lease, including any and all rights or options of Franchisee to extend, renew, or purchase the leased property through a right of first refusal or otherwise, such assignment to become effective upon the occurrence of either of the following:

A. **Termination of Franchise Agreement.** Upon termination or expiration without renewal of the Franchise Agreement, GOLDFISH shall have the option to accept the assignment of the Real Estate Lease pursuant to this Agreement by giving the notice prescribed by this Conditional Assignment of Lease, in which case it is agreed the Real Estate Lease shall remain in effect as to GOLDFISH.

B. **Termination of Real Estate Lease.** Upon termination of the Real Estate Lease as to Franchisee or termination of Franchisee's possession rights under the Real Estate Lease, whether by Franchisee's default under the Real Estate Lease or otherwise, GOLDFISH shall have the option to accept the assignment of the Real Estate Lease pursuant to this Agreement by giving the notice prescribed by this Conditional Assignment of Lease, in which case it is agreed the Real Estate Lease shall remain in effect as to GOLDFISH.

C. **Franchisee Right to Assign.** At Franchisee's discretion, Franchisee may assign the Real Estate Lease to GOLDFISH, and GOLDFISH may accept such assignment, at any time.

If any of the events occur that could give rise to GOLDFISH's exercise of its option to exercise its right to accept assignment of the Real Estate Lease and GOLDFISH chooses not to exercise its option to accept assignment of the Real Estate Lease, GOLDFISH nevertheless has the authority to enter the facility through which a Franchised Swim School is operated for the purpose of removing any GOLDFISH Marks, material containing GOLDFISH's Marks, inventory or other property owned by GOLDFISH customers and in the possession of or stored in the facility through which the Franchised Swim School is operated and remove such materials in order to protect the Marks, goodwill of the System, and customer relationships. Landlord shall make the facility through which a Franchised Swim School is operated available to GOLDFISH immediately upon notice from GOLDFISH.

2. **Effect of Assignment.** Upon GOLDFISH's exercise of its option to take the above-described assignment:

A. Franchisee shall be relieved from any further liability under the provisions of the Real Estate Lease and the Real Estate Lease shall be terminated as to Franchisee; provided; however, that Franchisee shall remain liable for any amounts owing, or any other default occurring, prior to the effective date of assignment.

B. GOLDFISH shall succeed to all of Franchisee's rights, options, and obligations under the Real Estate Lease commencing with the effective date of the assignment and shall have the right to transfer or assign the Real Estate Lease to another GOLDFISH® Franchisee without the need to seek consent from the Landlord. GOLDFISH's transfer to another GOLDFISH® Franchisee relieves GOLDFISH from any further liability under the Real Estate Lease.

3. **Notice of Franchisee's Default.**

A. **Landlord's Notice.** Landlord shall provide GOLDFISH notice of any default under the Real Estate Lease. GOLDFISH shall have the option (but not obligation) to cure any default should Franchisee fail to cure the default within the period in which Franchisee has to cure the default. At the expiration of Franchisee's period in which Franchisee has to cure any default, GOLDFISH shall then have fifteen (15) days in which to make its decision to cure. GOLDFISH may cure Franchisee's default without exercising its option to accept assignment of the Real Estate Lease and, in such event, Landlord agrees to accept GOLDFISH's cure as if made timely by Franchisee. Landlord shall give GOLDFISH written notice at least thirty (30) days prior to the termination of the Real Estate Lease, expiration without renewal, or date of re-entry or repossession. GOLDFISH shall have thirty (30) days after written notice from Landlord to exercise this option to accept assignment of the Real Estate Lease. GOLDFISH may exercise its option to accept assignment of the Real Estate Lease by written notice to the Landlord, and the assignment shall be effective upon the termination of the Real Estate Lease as to Franchisee.

B. **GOLDFISH's Notice.** GOLDFISH shall give Landlord copies of any or all notices of termination given to Franchisee pursuant to the Franchise Agreement, and if GOLDFISH desires to exercise its option to accept the assignment of the Lease in the event of Franchisee's failure to cure the default of the Franchise Agreement, GOLDFISH shall provide Landlord with a written notice on or before the date of termination of the Franchise Agreement. It is hereby agreed that Landlord may rely solely upon the written notice received from GOLDFISH as to the termination or expiration without renewal of the Franchise Agreement, and Franchisee hereby releases the Landlord from any liability for relying upon such notice and shall hold the Landlord harmless from any and all liability to Lessee for any action Landlord may take in such reliance.

4. **Notice.** Notice required by this Agreement shall be sent by overnight, certified or registered mail to GOLDFISH at the following address:

Goldfish Swim School Franchising, LLC
2701 Industrial Row Drive
Troy, MI 48084

with a copy to (which shall not be deemed notice):

Mark J. Burzych
Fahey Schultz Burzych Rhodes PLC

Notice required by this Agreement shall be sent to Franchisee at the following address:

Notice required by this Agreement shall be sent to Landlord at the following address:

Notice shall be deemed effective on the date received, and regardless of whether the notice is signed for by the recipient, notice shall be deemed received two (2) business days after mailing. Parties may change the notice address by providing written notice to the other parties of a change in such notice address.

5. **Execution of the Documents.** Franchisee hereby agrees to execute any and all documents requested by GOLDFISH in order to fully exercise any of the rights under the Real Estate Lease or this Conditional Assignment of Lease. If Franchisee shall not have executed any such document within the three (3) days after having been so requested by GOLDFISH, Franchisee hereby appoints any member or officer of GOLDFISH as its attorney-in-fact with the full right and power to execute any and all such documents.

6. **Renewal, Extension or Amendment.** Any renewal or extension of the Real Estate Lease, or any amendment to this Agreement or the Real Estate Lease of any type, can only be made by a writing executed by all three (3) parties to this Agreement.

7. **Indemnification.** Franchisee shall indemnify and hold GOLDFISH harmless from any and all liability that GOLDFISH may incur after the effective date of the assignment of the Real Estate Lease arising under the terms of that Real Estate Lease from Franchisee’s acts or omissions occurring prior to the effective date of the assignment, excluding only any liability prior to the assignment that GOLDFISH agrees in writing to assume and from which

GOLDFISH agrees to hold Franchisee harmless.

8. **Miscellaneous.**

A. **Use of Real Estate.** Landlord hereby agrees to and acknowledges Franchisee's right to use and display GOLDFISH's Trademarks as that term is used in the Franchise Agreement, subject only to any limitations imposed by GOLDFISH and any local, state or federal law. Landlord agrees that it will not limit Franchisee's right to use GOLDFISH's Trademarks. Landlord further agrees to and acknowledges that the real estate subject to the Real Estate Lease shall be used solely for the operation of a GOLDFISH franchise. Landlord agrees to notify GOLDFISH in the event that Franchisee begins to use real estate in any other manner and Landlord shall consider such use as an event of default.

B. **Applicable Law.** This Agreement shall be construed according to the laws of the state in which the premises are located. If any provision, or portion of a provision, of this Agreement is or shall become in conflict with any applicable law, then the applicable law shall govern and such provision or portion of a provision shall be automatically deleted and shall not be effective to the extent that it is not in accordance with applicable law. However, the remaining terms and conditions of this Agreement shall remain in full force and effect and no provision shall be deemed dependent upon any other provision unless otherwise expressed in this Agreement.

C. **Entire Agreement.** This Agreement contains all of the terms and conditions agreed upon by the parties, except for: (i) the provisions of the Real Estate Lease which are incorporated herein, and (ii) as between GOLDFISH and Franchisee, the provisions of the Franchise Agreement and related agreements. The parties agree that all representations which have been made by other parties that in any way are to be given effect herein are set forth in this Agreement and the above-referenced documents.

D. **New Real Estate Lease.** It is hereby agreed that if the Real Estate Lease is terminated or expires without renewal, and the Franchisee and Landlord enter into a new lease arrangement, any such new real estate lease shall be deemed to be the Real Estate Lease for purposes of this Conditional Assignment of Lease thereby making it fully applicable to the new lease.

E. **Option to Purchase.** In the event Franchisee purchases the real estate, Franchisee agrees to execute the Real Estate Option to Purchase in the form then prescribed by GOLDFISH.

F. **Disputes.** Any dispute between the parties regarding this Conditional Assignment of Lease, and any claim by either party that cannot be amicably settled, shall be determined solely and exclusively by arbitration under the then applicable Commercial Arbitration Rules of the American Arbitration Association consistent with the Franchise Agreement.

EXHIBIT 7 TO THE FRANCHISE AGREEMENT

REAL ESTATE OPTION TO PURCHASE

THIS AGREEMENT is entered into between Goldfish Swim School Franchising, LLC, a Michigan limited liability company, located at 2701 Industrial Row Drive, Troy, MI 48084 (hereinafter referred to as “Goldfish”) and _____ located at _____ (hereinafter referred to as “Franchisee”).

WHEREAS, Franchisee and Goldfish have entered into a Franchise Agreement by which Franchisee acquired the right to establish and operate a “Goldfish Swim School®” using the Marks and Goldfish’s System as those terms are defined in the Franchise Agreement, which Agreement is dated the ____ day of _____, 20__ (hereinafter referred to as the “Franchise Agreement”);

WHEREAS, the Franchise Agreement requires that Goldfish approve the location for the Franchise Store to be established pursuant to the above referenced Franchise Agreement, that approval being conditioned upon the execution of this Real Estate Option to Purchase in the event Franchisee owns or controls the real estate;

WHEREAS, Franchisee seeks Goldfish’s approval for particular real estate.

NOW THEREFORE, it is hereby agreed as follows:

1. **Option**. Franchisee hereby grants to Goldfish the option to purchase the real estate described in Exhibit “A” (and hereinafter referred to as the “Real Estate”) upon the expiration without renewal or termination of the Franchise Agreement. Any transfer, renewal, extension, or amendment of the Franchise Agreement shall not affect this Option Agreement unless expressly provided. The terms of the Option rights are as follows:

A. **Exercise of Option**. Within fifteen (15) days following the termination or expiration without renewal of the Franchise Agreement as provided for in the Franchise Agreement, Goldfish may notify Franchisee in writing of its intention to exercise this option to purchase the Real Estate, and which notice shall constitute an agreement to purchase the Real Estate conditioned upon Goldfish obtaining any necessary financing and the Real Estate being inspected for environmental law compliance. The closing of the sale shall occur as soon as all documentation and other matters have been completed, including obtaining any necessary financing and environmental inspections, but in any event not later than one hundred twenty (120) days after the date upon which the fair market value of the Real Estate is established, as provided in Paragraph B below, unless the parties hereto agree to a later closing date.

B. **Fair Market Value.** The parties will attempt to agree upon a fair price for the purchase of the Real Estate, but upon failing to do so within thirty (30) days from the date of the exercise of this option by Goldfish, Goldfish shall select and pay for the services of a qualified appraiser to establish the fair market value of the Real Estate, and a copy of that appraisal shall be provided to Franchisee. Within ten (10) days after Franchisee receives the written appraisal, Franchisee shall advise Goldfish, in writing, as to whether Franchisee accepts the appraisal. If the appraisal is acceptable to both Goldfish and Franchisee, then the amount stated therein shall be the purchase price. If Franchisee rejects the value stated in the appraisal, then Franchisee must notify Goldfish of its rejection within the ten (10) day period (failing to so notify shall be deemed to be an acceptance) and thereafter Franchisee shall select and pay for the services of a qualified appraiser to appraise the value of the property within fifteen (15) days thereafter. Franchisee shall provide Goldfish with a copy of the appraisal so obtained, within thirty (30) days after its rejection of the appraisal obtained by Goldfish. If Goldfish accepts the value stated therein, then the amount stated therein shall be the purchase price. If Goldfish rejects the value stated in this appraisal, then two (2) appraisers shall select a third appraiser within the fifteen (15) days thereafter, whose determination of fair market value as to the property shall be final and binding on the parties. The cost of the third appraiser shall be paid equally by both Goldfish and the Franchisee.

C. **Possession.** Upon receipt of Goldfish's notice that it is exercising the option to purchase, Franchisee shall immediately vacate the premises and transfer possession of premises to Goldfish. From the date of possession to the date of closing, Goldfish shall pay on or before Friday of each week a per diem rate equal to .002 of the assessed value on the property, with the final adjustment to be made at closing at a per diem rate equal to .002 of the purchase price for the Real Estate. All utilities and taxes shall be prorated as of the date of possession. Taxes shall be deemed to cover the calendar year in which the taxes became a lien. Taxes that become a lien in years prior to the year of closing shall be paid by Franchisee without proration. Taxes that become a lien in the year of closing shall be prorated so that the Franchisee shall be charged with taxes from the first of the year to closing date and Goldfish shall be charged with taxes for the balance of the year. If any bill for taxes proratable under this provision has not yet been issued, the corresponding tax bill for the last previous year shall be substituted therefore and used in proration. Franchisee shall provide an owner's policy of title insurance without exceptions covering the Real Estate at Franchisee's expense, or at Goldfish's option, a complete abstract showing marketable title, together with a 10-year tax history, tax lien search, and financing statements search, all certified to the date of the transfer of possession to Goldfish, the cost of the abstract to be paid by Franchisee. Franchisee shall maintain insurance on the Real Estate to the date of closing, with Goldfish becoming responsible for insuring the property beginning with the date of closing.

2. **Miscellaneous.**

A. **Applicable Law.** This Agreement shall be construed according to the laws of the state in which the Real Estate is located.

B. **Integration.** This Agreement, together with the Franchise Agreement, and any addendums that are attached hereto and are executed on the date hereof which are hereby incorporated herein, contain all of the terms and conditions agreed upon by the parties. No promises or representations have been made by Goldfish other than herein set forth. No modifications of the terms of this Agreement shall be valid unless made in writing and executed by both Goldfish and the Franchisee.

C. **Arbitration.** Any dispute between the parties, and any claim by either party that cannot be amicably settled, shall be determined solely and exclusively by arbitration as provided for in the Franchise Agreement.

WHEREAS, in consideration of Goldfish granting the franchise to Franchisee, Franchisee agreed in the Franchise Agreement to execute an assignment to Goldfish of its telephone number upon the termination or expiration without renewal of the Franchise Agreement, or transfer of the Franchise Agreement;

NOW THEREFORE, it is hereby agreed as follows:

1. **Telephone Information.**

Franchisee represents and warrants that the telephone number(s) set forth in the attached Exhibit “A,” from time to time, shall constitute all of the telephone numbers to be used in its advertising and marketing of its “Goldfish®” Franchised Swim School licensed by the above-referenced Franchise Agreement. A copy of this Assignment, certified by an officer of Goldfish, is agreed to be as valid and binding as the original.

4. **Notice.**

Goldfish shall give notice of its acceptance of the assignment of the telephone numbers pursuant to this agreement by either delivering them personally or sending them by first class, certified or registered mail with postage fully paid and depositing them in a depository of the United States Postal Service. All notices to Franchisee shall be addressed to the address indicated in this Agreement, or to any subsequent address of which Goldfish is notified in writing and shall be effective on the date sent by Goldfish. Any notice delivered by mail in the manner set forth above shall be deemed delivered and received two (2) days after mailing.

5. **Cooperation.**

Franchisee shall cooperate with Goldfish, including but not limited to, executing any and all documents reasonably necessary to effectuate this Assignment, and to cause the telephone company or companies to recognize this Assignment. Upon Franchisee's failure to sign any required documents within two (2) business days of Notice, Franchisee hereby appoints Goldfish as its lawful attorney-in-fact to sign on Franchisee's behalf any and all documents necessary to effectuate the assignment of the telephone numbers listed in Exhibit "A" to Goldfish. 2. DESIGNATED RIGHTS; TERM

A. We grant to Developer the right, and Developer accepts the obligation, subject to the Terms and conditions herein, to develop and operate the number of Swim schools set forth in the Development Schedule (set forth in Attachment 1) as may be approved by us in accordance with its then-current site consent procedures. Developer, a subsidiary of Developer or an affiliate of Developer as determined by Franchisor in its sole discretion shall execute each Franchise Agreement for each Swim School to be developed and opened pursuant to said Franchise Agreement as required by this Agreement. If no event shall Developer relinquish control over any entity operating each Swim School. If Developer utilizes an operating entity to enter into the Franchise Agreements for the Approved Locations for each Swim School that is required to be developed under this Agreement, the principals of Developer (or Developer's affiliate) shall execute Franchisor's then-current form of Guaranty and other documents required by us for each Franchise Agreement. The Swim schools shall be developed and operated in the Territory pursuant to the System. For so long as no Event of Default has occurred and is continuing and no event has occurred which, with the giving of notice or lapse of time, or both, would constitute an Event of Default, we will neither develop, nor authorize any other person to develop Swim schools in the Territory during the Term. You acknowledge and agree that we and our affiliates have the unrestricted right to operate and franchise others to operate swim schools outside the Territory.

B. We reserve the right to use some parts of or similar components of the System in connection with Other Concepts.

C. We expressly reserve the right, and Developer acknowledges that we have the exclusive unrestricted right, to engage, directly and indirectly, through its employees, developers, franchisees, licensees, agents and others within the Territory, in Other Concepts. Such Other Concepts may compete with Developer directly or indirectly. Developer shall have no rights with respect to Other Concepts.

D. Subject to Sections 3 and 4 hereof, Developer shall exercise the rights granted herein for each Swim school by executing, delivering and otherwise performing pursuant to a Franchise Agreement.

E. Unless sooner terminated as provided herein, this Agreement shall commence on the Commencement Date and continue until the expiration of the Term. This Agreement shall

automatically expire on the date specified in Section 3.A. as the opening date for the last Swim school to be opened.

F. Upon any termination or expiration of this Agreement, (i) Developer shall not develop additional Swim schools in the Territory pursuant to this Agreement; provided, however, that Developer may complete development of and/or operate Swim schools under then-existing Franchise Agreements signed by us, subject to the Terms and conditions thereof; and (ii) we may develop, or authorize others to develop, Swim schools in the Territory.

G. The rights granted under this Agreement are limited to the right to develop and operate Swim schools located in the Territory, and do not include (i) any right to sell products or services identified by the Trademarks at any Location or through any other channel or method of distribution, including without limitation, the internet, world wide web or other existing or future form of electronic commerce, other than at Swim schools within the Territory; (ii) any right to sell products and services identified by the Trademarks to any person or entity for resale or further distribution; or (iii) any right to exclude, control or impose conditions on our development or operation of franchised, company or affiliate-owned Swim schools at any time or at any Location outside the Territory. You may not establish a presence on, or market using, the Internet or any social media, such as, without limitation, Facebook, Twitter, Four Square, etc., in connection with any Franchised Swim School without Franchisor's prior written consent. Franchisor has established and maintains an Internet website at the uniform resource locator www.goldfishswimschool.com that provides information about the System and the products and services that Franchisor and its franchisees provide. Franchisor will include at the Goldfish Swim School website an interior page containing information about the Franchised Swim School. If Franchisor includes such information on the Goldfish Swim School website, Franchisor has the right to require you to prepare all or a portion of the page, at your expense, using a template that Franchisor provides. All such information shall be subject to Franchisor's approval prior to posting. Any websites or other modes of electronic commerce that we establish or maintain may – in addition to advertising and promoting products, programs or services available at the franchised swim schools – also be devoted in part to offering franchises for sale and be utilized by Franchisor to exploit the electronic commerce rights we alone reserve in this Agreement. Franchisor retains the sole right to advertise or use the Marks on the Internet, including the use of websites, domain names, uniform resource locators, keywords, linking, search engines (and search engine optimization techniques), banner ads, meta-tags, marketing, auction sites, e-commerce and co-branding arrangements. You may be requested to provide content for Franchisor's Internet marketing and shall be required to follow Franchisor's intranet and Internet usage rules, policies and requirements. Franchisor alone will be, and at all times will remain, the sole owner of the copyrights to all material which appears on any website we establish and maintain, including any and all material you may furnish to us as provided herein. Franchisor retains the sole right to approve any linking to, or other use of, the Goldfish Swim School website. In additions to these activities, we may also establish an intranet through which downloads of operations and marketing materials, exchanges of franchisee email, System discussion forums and system-wide communications (among other activities) can be effected. We alone will be, and at all times will remain, the sole owner of the copyrights to all material which appears on any website we establish and maintain, including any and all material you may furnish to us as provided above.

H. This Agreement is not a Franchise Agreement and you have no right to use in any manner the Trademarks by virtue of this Agreement. You have no right under this Agreement to sublicense or subfranchise others to operate a business or Swim school or use the System or Trademarks.

3. DEVELOPMENT SCHEDULE; LOCATION SELECTION; OCCUPANCY CONTRACT; DEVELOPMENT MATERIALS

A. Developer shall develop, open, commence operation of and continuously operate pursuant to the respective Franchise Agreements the minimum number of Swim schools in the Territory, pursuant to the Development Schedule as described in Attachment 1 to the Area Development Agreement.

B. Each Swim school and the cumulative number of Swim schools indicated in the Development Schedule shall be **OPEN AND OPERATING** by the date(s) specified therein. Developer shall select a Location that we approve consistent with the applicable Franchise Agreement so that each and every Swim school is OPEN AND OPERATING pursuant to the Development Schedule. Our consent to any Location or execution of a Franchise Agreement shall not waive, extend or modify the Development Schedule. Unless otherwise agreed and approved by us, the Swim schools shall refer to Goldfish Swim School® Swim schools operating pursuant to the System.

If the Developer shall close any Location, whether voluntarily or involuntarily, and whether as a result of the loss of possession of the premises, by fire or other casualty, or otherwise, the Developer shall locate and secure a suitable alternative Location or premises approved by us within six (6) months from the loss of possession of the original site, and shall be open for business at the new Location not more than twelve (12) months following the closing of the prior Location, while at the same time maintaining the Development Schedule. If a suitable alternative Location is not secured and opened as hereinabove described or if Developer does not comply with the Development Schedule, this Agreement and the right of the Developer to develop additional Locations under this Agreement shall terminate. The opening of a Location in replacement of another Location under this paragraph shall not satisfy the Developer's obligation to open Locations under this Section 3 of this Agreement.

C. We make no representation or warranty as to the number of Swim schools that can be operated in the Territory. Developer assumes all cost, liability, expense, risk and responsibility for locating, obtaining, and developing Locations for Swim schools, and for constructing and equipping Swim schools at such Locations. Developer shall obtain our approval to each Location (including, without limitation, the Trademarks which shall be used to identify the Swim school at the Location to the public) pursuant to the time frames set forth in the applicable Franchise Agreement so that Developer maintains compliance with the Development Schedule, including submission of our then-existing Location selection criteria and procedures including:

(1) selecting a real estate professional (“Real Estate Broker”) that has been selected by Developer for site selection for the next Goldfish Swim School to be developed under this Agreement, which Real Estate Broker is subject to approval of Franchisor in its sole discretion no later than eight (8) months prior to the Occupancy Contract Date set forth in the Development Schedule (the “Broker Engagement Date”). Developer acknowledges and agrees that Franchisor reserves the right to designate to Developer a preferred Real Estate Broker to be used by Developer in connection with its location search for its next Goldfish Swim School location. After approval of said Real Estate Broker, the Developer covenants and agrees that the Developer shall, and shall cause its Real Estate Broker to, complete and actively participate in any and all site selection update requests of the Franchisor, including completing any and all forms or documents requested by Franchisor on the timelines requested by Franchisor and actively participating in any requested teleconference updates requested by Franchisor;

(2) timely submission of all Development Materials to us; and

(3) with respect to each Swim school to be developed hereunder, completion of one (1) Location visit by us at our sole cost and expense, if we require.

(4) You must not be in default of this Agreement, any Franchise Agreement entered into pursuant to this Agreement or any other agreement between you and any of your affiliates and us or any of our affiliates. You must have satisfied on a timely basis all monetary and material obligations under the Franchise Agreements for all existing Swim schools.

Time is of the essence.

D. Within a reasonable time (usually fifteen [15] days) following receipt of all Development Materials and completion of any such visit, we shall consent to or reject such Location. Our failure to consent shall constitute rejection of such Location. Promptly after our consent is obtained, but prior to commencing construction at such Location, Developer shall execute a Franchise Agreement and pay the Franchise Fee.

E. Neither our (i) consent to, nor (ii) assistance in the selection of, any Location shall constitute our representation or warranty that a Swim school operated at such Site will be profitable or meet any financial projection.

F. We shall have the right to review and consent to the Occupancy Contract prior to the execution thereof, which consent shall not be unreasonably withheld. A copy of the proposed Occupancy Contract shall be provided to us within thirty (30) days of the date of our consent. The Occupancy Contract shall be executed by all necessary parties within thirty (30) days following our consent thereto. Developer shall furnish us a complete copy of the executed Occupancy Contract within the (10) days after execution. Unless it conveys to Developer fee simple title to the Location, the landlord shall consent to the Conditional Assignment of Lease, attached as Exhibit 6 to the Franchise Agreement, consistent with the Terms of the Franchise Agreement. Landlord and Developer shall not amend the Occupancy Contract in any way which is inconsistent with the provisions of the Franchise Agreement or the Conditional Assignment of Lease.

G. Notwithstanding the Terms of Section 3.F, Developer shall:

(1) deliver to us, immediately after delivery to or by Developer, any notice of default under the Occupancy Contract which threatens or purports to terminate the Occupancy Contract or result in a foreclosure thereof; and

(2) permit us or our representative to enter the Swim school premises to protect the Trademarks or the System or to cure any Event of Default or default under the Occupancy Contract or the applicable Franchise Agreement, all at Developer's expense.

H. If Developer owns the Location in fee simple, Developer must grant to us the option to purchase the real estate upon which a Swim school is located (and hereinafter referred to as the "Real Estate") upon the expiration without renewal or termination of a Franchise Agreement or termination of the Agreement. Any Transfer, renewal, extension, or amendment of the Franchise Agreement shall not affect this Option Agreement unless expressly so provided. The Terms of the Option rights are detailed in Exhibit 7 to the Franchise Agreement included in the Franchise Disclosure Document.

I. Developer shall abide by the Terms of the Franchise Agreement executed in connection with each Swim school.

J. Franchisor shall make available to Developer, at no charge to Developer, specifications for the development of a Goldfish Swim School, including specifications for the exterior and interior design and layout, fixtures, equipment, décor and signs. Such specifications are subject to alteration as Franchisor deems necessary.

K. YOU ACKNOWLEDGE THAT YOU HAVE CONDUCTED AN INDEPENDENT INVESTIGATION OF THE PROSPECTS FOR THE ESTABLISHMENT OF SWIM SCHOOLS WITHIN THE TERRITORY, AND RECOGNIZE THAT THE BUSINESS VENTURE CONTEMPLATED BY THIS AGREEMENT INVOLVES BUSINESS AND ECONOMIC RISKS AND THAT YOUR FINANCIAL AND BUSINESS SUCCESS WILL BE PRIMARILY DEPENDENT UPON THE PERSONAL EFFORTS OF YOU AND YOUR MANAGEMENT AND EMPLOYEES. WE EXPRESSLY DISCLAIM THE MAKING OF, AND YOU ACKNOWLEDGE THAT YOU HAVE NOT RECEIVED, ANY ESTIMATES, PROJECTIONS, WARRANTIES OR GUARANTEES, EXPRESS OR IMPLIED, REGARDING THE POTENTIAL GROSS SALES, PROFITS, EARNINGS OR THE FINANCIAL SUCCESS OF THE SWIM SCHOOLS YOU DEVELOP WITHIN THE TERRITORY, OTHER THAN AS PROVIDED IN THE FRANCHISE DISCLOSURE DOCUMENT.

L. You recognize and acknowledge that this Agreement requires you to open Swim schools in the future pursuant to the Development Schedule. You further acknowledge that the estimated expenses and investment requirements set forth in Items 6 and 7 of our Franchise Disclosure Document are subject to increase over time, and that future Swim schools likely will involve greater initial investment and operating capital requirements than those stated in this

Franchise Disclosure Document provided to you prior to the execution of this Agreement. You are obligated to execute all the Franchise Agreements and open all of the Swim schools on the dates set forth in the Development Schedule, regardless of: (i) the requirement of a greater investment; (ii) the financial condition or performance of your prior Swim schools; or (iii) any other circumstances, financial or otherwise. The foregoing shall not be interpreted as imposing any obligation upon us to execute the Franchise Agreements under this Agreement if you have not complied with each and every condition necessary to develop the Swim schools.

4. FEES AND PAYMENTS

A. In consideration of the development rights granted herein, Developer shall pay to us upon execution of this Agreement the Development Fee. Under no circumstances shall Developer be entitled to any refund of any portion of the Development Fee.

B. The Development Fee to be paid by Developer is calculated based upon the number of Swim Schools to be developed under the Development Schedule set forth in Section 3.A hereof. The initial franchise fee for each Swim School to be developed under this Agreement shall be Fifty Thousand and 00/100 Dollars (\$50,000.00) for the first Swim school to be developed under the Development Schedule and Forty Thousand and 00/100 Dollars (\$40,000) for each subsequent Swim School to be developed under the Development Schedule. The Development Fee shall be equal to Fifty Thousand and 00/100 Dollars (\$50,000.00) for the first Swim school to be developed under the Development Schedule plus one-half of the initial franchise fee of Forty Thousand and 00/100 Dollars (\$40,000) for each subsequent Swim school to be developed under the Development Schedule. The Development Fee shall be payable upon execution of this Development Agreement. The remaining portion of the initial franchise fee for each subsequent Swim School to be developed under the Development Schedule shall be paid at the time that the Developer signs each subsequent Franchise Agreement. Developer shall receive a credit against the payment of the Initial Franchise Fee due for each Swim school developed pursuant to the Development Schedule for the proportionate share of the Development Fee (\$20,000).

C. (1) All Payments shall be submitted to us at the address provided in Section 14 hereof, in care of the "Vice President of Franchising," or such other address as we shall designate in writing.

(2) Payments shall be received by us (i) upon execution hereof in the case of the Development Fee; and (ii) not more than thirty (30) days after date of invoice for all other Payments. Delinquent Payments shall bear interest from the due date until received by us at one and one-half percent (1.5%) per month or the maximum rate permitted by law, whichever is less.

D. Developer shall not withhold or off-set any portion of any Payment due to our alleged non-performance under this Agreement or any other agreement by and between us and Developer or their respective parents, subsidiaries or affiliates.

5. REPRESENTATIVE; OPERATOR; TRAINING

A. Developer hereby designates the person identified in Attachment 1 as the Representative. Any replacement Representative shall be designated within ten (10) days of the prior Representatives' resignation or termination. Each Representative shall attend and successfully complete to our satisfaction, all of our required training programs, including, without limitation, the management training program and the staff training program. The Representative shall be the same individual under each Franchise Agreement.

B. Developer hereby designates the person identified in Attachment 1 as the Operator. Any replacement Operator shall be designated within ten (10) days of the prior Operator's resignation or termination. Each Operator shall attend and successfully complete at the Training Center within six (6) months of appointment our management training program and staff training program (see Section 5.D.).

C. Not less than sixty (60) days prior to the commencement of Swim school construction, Developer shall identify the identity of the person who shall act as the Project Manager to assist you in the development and construction of the Franchised Swim School.

D. Each Operator and Project Manager shall have satisfactorily completed the training required by us. Developer shall bear all costs and expenses related to the required training for each Operator and Project Manager. Our determination that any Operator or Project Manager has successfully completed the training shall not be construed as our endorsement of same and shall not be construed by Developer as a representation or warranty by us that any person so trained can or will perform the functions of the job for which the person is hired; Developer shall remain solely liable and responsible for all hiring decisions, regardless of our training of any Operator and Project Manager.

E. We shall provide instructors, facilities and materials for training at the Training Center, and may provide, at our option, other training programs at non-Training Center Locations as we may designate from time to time in the Brand Standards Manuals or otherwise in writing. Developer shall reimburse us for any Territorial Expenses or other direct expenses incurred by us for such other training programs.

F. We are not obligated to perform our training services to Developer's particular level of satisfaction, but as a function of our experience, knowledge and judgment. We make no representation or warranty that the person trained can adequately perform the job function to which the person is assigned. Developer acknowledges and accepts all responsibility for the proper job performance of each and every employee.

G. Except as provided herein, Developer shall bear all costs and expenses relating to any Representative, Project Manager, and Operator training.

H. The New Swim school Team shall assist in (i) training Developer's employees at each Swim school; and (ii) the opening of each Swim school. The New Swim school Team for a

Swim school typically consists of a combined total of approximately three (3) employees of ours and Developer (the actual number of members shall be determined by us in our sole discretion, depending upon the number of Swim school Locations already open and operating by Developer and such other criteria as we deem reasonable). The members of the New Swim school Team shall be subject to our consent. The number of our employees selected to serve on the New Swim school Team for a Swim school is determined according to the following schedule, provided however, we may elect to modify this schedule in the event the total number of people on the New Swim school Team is greater or less than three (3):

Swim school No. Operated By Developer	No. of Our Employees on the New Swim school Team	No. of Team Members Paid for by Us	Team Members Paid for by Developer
1 & 2	1	1	2
3 or more	0	0	3

In the event we determine that more than three (3) New Swim school Team members are necessary for an opening, a Developer with three (3) or more Swim schools open (inclusive of the new Swim school) shall be responsible for the costs associated with the team members in excess of three (3). For Developers with less than three (3) Swim schools open, we will bear the costs of the additional team members.

If Developer fails or is unable to timely provide such employees, we may, but shall not be obligated to, staff the New Swim school Team with our employees. We and Developer shall each be responsible for: (a) making all travel, per diem food and lodging arrangements, and (b) the wage and other expenses of the New Swim school Team members provided by each; provided, however, that Developer shall reimburse us for the Territorial Expenses and the Wage Expenses of our employees who are provided as a result of Developer's failure or inability to provide Developer employees for participation on the New Swim school Team.

6. CONFIDENTIAL INFORMATION

A. Developer acknowledges that Franchisor shall disclose Trade Secrets and other Confidential Information to Developer during the training program, through the Confidential Brand Standards Manual, and as a result of guidance furnished to Developer during the term of this Agreement. Developer shall not acquire any interest in the Trade Secrets or other Confidential Information, other than the right to use it in the development, construction and operation of the Franchised Swim school and in performing its duties during the term of this Agreement. Developer acknowledges that the use or duplication of the Trade Secrets or other Confidential Information in any other business venture would constitute an unfair method of competition. Developer acknowledges that the Trade Secrets and other Confidential Information are proprietary and are disclosed to Developer solely on the condition that Developer (and all holders of a legal or beneficial interest in Developer and all officers, directors, executives, managers and members of the professional staff of Developer): (a) shall not use the Trade Secrets or other Confidential Information in any other business or capacity; (b) shall maintain the absolute confidentiality of the Trade Secrets and other Confidential Information during and after

the term of this Agreement; (c) shall not make any unauthorized copies of any portion of the Trade Secrets or other Confidential Information disclosed in written or other tangible form; and (d) shall adopt and implement all reasonable procedures prescribed from time to time by Franchisor to prevent unauthorized use or disclosure of the Trade Secrets and other Confidential Information. Developer shall take all necessary precautions to insure that any employee to whom Developer discloses Confidential Information only to the extent necessary for such employee to carry out the employee's job duties maintains the Confidential Information in confidence and comply with the confidentiality provisions of this Agreement. Developer shall obtain from all persons to whom Confidential Information is disclosed an executed Confidentiality and Non-Disclosure Agreement and Covenant Not to Compete in the form as provided in the Confidential Brand Standards Manual. Developer shall enforce this Section as to its owners, officers, directors, members, managers, employees, agents and representatives and shall be liable to Franchisor for any unauthorized disclosure or use of Trade Secrets or other Confidential Information by any of them. Developer shall vigorously and vigilantly prosecute to the fullest extent permitted by law breaches of any Confidentiality and Non-Disclosure Agreement and Covenant Not to Compete executed by any of the individuals to whom Developer has disclosed Confidential Information. Developer acknowledges Franchisor's right, to be exercised as Franchisor alone determines, to enforce for itself the terms of such executed Confidentiality and Non-Disclosure Agreement and Covenant Not to Compete. If the substantive provisions of the Confidentiality and Non-Disclosure Agreement and Covenant Not to Compete have been breached by an individual employed, engaged or otherwise serving the Developer who has not executed a Confidentiality and Non-Disclosure Agreement and Covenant Not to Compete, Developer shall nevertheless vigorously and vigilantly prosecute such conduct to the fullest extent permitted by law. If Franchisor prosecutes such Confidentiality and Non-Disclosure Agreement and Covenant Not to Compete, Developer shall indemnify and hold Franchisor harmless from any and all losses and expenses as provided in this Agreement.

B. All ideas, concepts, techniques or materials concerning the System or developed, in whole or in part, using Trade Secrets or other Confidential Information, whether or not protectable intellectual property and whether created by or for Developer or its owners or employees, shall be promptly disclosed to Franchisor and shall be deemed the sole and exclusive property of Franchisor and works made-for-hire for Franchisor, and no compensation shall be due to Developer or its owners or employees therefore, and Developer hereby agrees to assign to Franchisor all right, title and interest in any intellectual property so developed. Franchisor has the right to incorporate such items into the System. To the extent any item does not qualify as a "work made-for-hire" for Franchisor, Developer shall assign, and by this Agreement, does assign, ownership of that item, and all related rights to that item, to Franchisor and shall sign any assignment or other document as Franchisor requests to assist Franchisor in obtaining or preserving intellectual property rights in the item. Franchisor shall disclose to Developer concepts and developments of other franchisees that are made part of the System. As Franchisor may reasonably request, Developer shall take all actions to assist Franchisor's efforts to obtain or maintain intellectual property rights in any item or process related to the System, whether developed by Developer or not.

C. Developer acknowledges that Franchisor would be unable to protect the Trade Secrets and other Confidential Information against unauthorized use or disclosure and would be unable to encourage a free exchange of ideas and information among Goldfish Swim School franchisees if owners of Goldfish Swim Schools and members of their immediate families or households were permitted to hold an interest in or perform services for any Competing Business. Therefore, during the term of this Agreement, neither Developer nor any holder of a legal or beneficial interest in Developer (or any member of their immediate families or households), nor any officer, director, executive, manager or member of the professional staff of Developer, either directly or indirectly, for themselves, or through, on behalf of or in conjunction with any person, partnership, corporation, limited liability company or other business entity, shall:

(1) Divert or attempt to divert any business or customer of the Franchised Swim School to any Competitive Business, by direct or indirect inducement or otherwise, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Marks or the System; or

(2) Own an interest in, manage, operate, or perform services for any Competitive Business wherever located.

D. Franchisor has the right to require any holder of a legal or beneficial interest in Developer (and any member of their immediate families or households), and any officer, director, executive, manager or member of the professional staff and all employees of Developer to execute a nondisclosure and non-competition agreement, in a form as required by Franchisor, upon execution of this Agreement or prior to each such person's affiliation with Developer. Upon Franchisor's request, Developer shall provide Franchisor with copies of all nondisclosure and non-competition agreements signed pursuant to this Section. Such agreements shall remain on file at the offices of Developer and are subject to audit or review as otherwise set forth herein. Franchisor shall be a third party beneficiary with the right to enforce covenants contained in such agreements. In the event that you or your employees, agents, consultants or contractors receive notice of any request, demand, or order to transfer or disclose all or any portion of the Confidential Information, you shall immediately notify us thereof, and shall fully cooperate with and assist us in prohibiting or denying any such transfer or disclosure. Should such transfer or disclosure be required by a valid, final, non-appealable court order, you shall fully cooperate with and assist us in protecting the confidentiality of the Confidential Information to the maximum extent permitted by law.

E. Developer acknowledges that the restrictive covenants contained in this Section are essential elements of this Agreement and that without their inclusion, Franchisor would not have entered into this Agreement. Developer acknowledges that each of the terms set forth herein, including the restrictive covenants, is fair and reasonable and is reasonably required for the protection of Franchisor, the System and the Marks and Developer waives any right to challenge these restrictions as being overly broad, unreasonable or otherwise unenforceable.

F. Developer's representations, warranties, covenants and agreements herein are continuing representations, warranties, covenants and agreements each of which shall survive the expiration or termination hereof.

8. TRANSFER

A. We may assign this Agreement, or any of its rights or obligations herein, to any person or entity without Developer's or any Principal's consent; provided, however, that our obligations which are assigned shall be fully assumed by the party to whom we assign such obligations.

B. The rights and duties of Developer as set forth in this Agreement are personal to Developer (or its owners), and Franchisor has entered into this Agreement in reliance upon Developer's personal or collective skill and financial ability. Accordingly, neither Developer nor any holder of a legal or beneficial interest in Developer may sell, assign, convey, give away, pledge, mortgage, sublicense or otherwise transfer, whether by operation of law or otherwise, any interest in this Agreement, the development rights provided hereunder, its assets or any part or all of the ownership interest in Developer without the prior written approval of Franchisor. Any purported transfer without such approval shall be null and void and shall constitute a material breach of this Agreement. If Developer is in compliance with this Agreement, Franchisor's consent to such transfer shall be conditioned upon the satisfaction of the following requirements:

(1) Developer has complied with the requirements set forth in this Section;

(2) all obligations owed to Franchisor, and all other outstanding obligations relating to this Agreement, are fully paid and satisfied;

(6) the transferee has executed a general release, in a form as required by Franchisor, of any and all claims against Franchisor and its officers, directors, shareholders, managers, members, partners, owners, employees and agents (in their corporate and individual capacities), with respect to any representations regarding the business conducted pursuant the Area Development Agreement or any other matter that may have been made to the transferee by Developer;

C. If Developer wishes to transfer this Agreement or any interest herein to a corporation, limited liability company or other legal entity which shall be entirely owned by Developer (“Controlled Entity”), which Controlled Entity is being formed for the financial planning, tax or other convenience of Developer, Franchisor’s consent to such transfer shall be conditioned upon the satisfaction of the following requirements:

(1) the Controlled Entity is newly organized and its charter or articles of formation provides that its activities are confined exclusively to the operation of the Franchised Swim School;

(2) Developer or all holders of a legal or beneficial interest in Developer own all of the equity and voting power of the outstanding stock or other capital interest in the Controlled Entity;

Agreement, have been promptly furnished to Franchisor. Any amendment to any such documents shall also be furnished to Franchisor immediately upon adoption.

(8) The term of the transferred Area Development Agreement shall be the unexpired term of this Agreement, including all rights, duties, and obligations.

(9) Franchisor's consent to a transfer of any interest in this Agreement shall not constitute a waiver of any claims Franchisor may have against the transferor or the transferee, nor shall it be deemed a waiver of Franchisor's right to demand compliance with the terms of this Agreement.

D. Franchisor has the right, without liability of any kind or nature whatsoever to Developer, to make available for inspection by any intended transferee of Developer all or any part of Franchisor's records relating to this Agreement, the Franchised Swim Schools developed under this Agreement, or to the history of the relationship of the parties hereto. Developer hereby specifically consents to such disclosure by Franchisor and shall release and hold Franchisor harmless from and against any claim, loss or injury resulting from an inspection of Franchisor's records relating to this Agreement or the Franchised Swim Schools developed by Developer, by an intended transferee identified by Developer.

E. Developer shall not, without prior written consent of Franchisor which shall not be unreasonably withheld, place in, on or upon the location of any of the Franchised Swim Schools developed under this Agreement, or in any communication media, any form of advertising relating to the sale of the Developer's rights granted hereunder.

Such transfers, including transfers by will or inheritance shall be subject to the conditions for assignments and transfers contained in this Agreement, unless prohibited by the laws of the state wherein Developer resided, with such choice of law provision being applicable only for this Section 8F.

G. Following such a death or Incapacity of such person as described in this Section 8F, if necessary in Franchisor's discretion, Franchisor shall have the right, but not the obligation, to assume operation of the Developer or any Franchised Swim School developed by Developer until the deceased or incapacitated owner's interest is transferred to a third party approved by Franchisor. Franchisor may charge a management fee as stated in the Confidential Brand Standards Manual from time to time, currently equal to SIX HUNDRED DOLLARS (\$600.00) per day per Swim school, and Franchisor shall be entitled to reimbursement of any expenses Franchisor incurs that are not paid out of the operating cash flow of the Franchised Swim School.

9. CONSENT AND WAIVER

A. When required, Developer or any Principal shall make a written request for our consent in advance and such consent shall be obtained in writing. Our consent shall not be unreasonably withheld. The foregoing notwithstanding, where either party's consent is expressly reserved to such party's sole discretion, the exercise of such discretion shall not be subject to contest. In no event may you make any claim for money damages based on any claim or assertion that we have unreasonably withheld or delayed any consent or approval under this Agreement. You waive any such claim for damages. You may not claim any such damages by way of setoff, counterclaim, or defense. Your sole remedy for the claim will be an action or proceeding to enforce the Agreement provisions.

B. WE MAKE NO REPRESENTATIONS OR WARRANTIES UPON WHICH DEVELOPER OR ANY PRINCIPAL MAY RELY AND ASSUME NO LIABILITY OR OBLIGATION TO DEVELOPER, ANY PRINCIPAL OR ANY THIRD PARTY BY PROVIDING ANY WAIVER, ADVICE, CONSENT OR SERVICES TO DEVELOPER OR DUE TO ANY DELAY OR DENIAL THEREOF.

10.02 Among the remedies we have for breach of this Agreement, upon the occurrences of any Event of Default under Section 10.01, we may: (a) terminate this Agreement and all rights granted hereunder without waiving, (i) any claim for damages suffered by us, or (ii) other rights, remedies or claims; (b) assert any and all other rights or remedies available to us.

10.03 Subject to the provisions of Section 10.06, all rights and remedies of either party shall be cumulative, and not exclusive, of any other right or remedy described herein or available at law or in equity. The expiration or termination of this Agreement shall not release any party from any liability or obligation then accrued or any liability or obligation continuing beyond, or arising from, such expiration or termination. Nothing in this Agreement shall impair either party's right to obtain injunctive or other equitable relief.

10.04 The failure of any party to exercise any right or remedy or to enforce any obligation, covenant or agreement herein shall not constitute a waiver by, or estoppel of, that party's right to any of the remedies described herein including, without limitation, to enforce strict compliance with any such obligation, covenant or agreement. No custom or practice shall modify or amend this Agreement. The waiver of, or failure or inability of any party to enforce, any right or remedy shall not impair that party's rights or remedies with respect to subsequent Events of Default of the same, similar or different nature. The delay, forbearance or failure of any party to exercise any right or remedy in connection with any Event of Default or default by any other developers shall not affect, impair or constitute a waiver of such party's rights or remedies herein. Acceptance of any Payment shall not waive any Event of Default.

10.05 Developer and each Principal shall, jointly and severally, pay all costs and expenses (including reasonable fees of attorneys and other engaged professionals) incurred by us in successfully enforcing, or obtaining any remedy arising from the breach of this Agreement. The existence of any claims, demands or Actions which Developer or any Principal may have against us, whether arising from this Agreement or otherwise, shall not constitute a defense to our enforcement of Developer's or any Principal's representations, warranties, covenants, obligations or agreements herein.

10.06 IN THE EVENT OF A DISPUTE BETWEEN THEM WHICH IS NOT SUBJECT TO, NOR ARISES UNDER, SECTION 13, WE, DEVELOPER AND PRINCIPALS HEREBY WAIVE, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT TO OR CLAIM FOR ANY PUNITIVE, EXEMPLARY, INCIDENTAL, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES (INCLUDING, WITHOUT LIMITATION, LOSS OF PROFITS, BUT SPECIFICALLY EXCLUDING, HOWEVER, DAMAGES TO THE REPUTATION AND GOODWILL ASSOCIATED WITH AND/OR

SYMBOLIZED BY THE TRADEMARKS) AGAINST THE OTHER ARISING OUT OF ANY CAUSE WHATSOEVER (WHETHER SUCH CAUSE BE BASED IN CONTRACT, NEGLIGENCE, STRICT LIABILITY, OTHER TORT OR OTHERWISE) AND AGREE THAT EACH SHALL BE LIMITED TO THE RECOVERY OF ANY ACTUAL DAMAGES SUSTAINED BY IT. IF ANY OTHER TERM OF THIS AGREEMENT IS FOUND OR DETERMINED TO BE UNCONSCIONABLE OR UNENFORCEABLE FOR ANY REASON, THE FOREGOING PROVISION SHALL CONTINUE IN FULL FORCE AND EFFECT.

10.07 Developer and each Principal agree that our exercise of the rights and remedies set forth herein are reasonable. We may, in addition to pursuing any other remedies, specifically enforce such obligations, covenants and agreements or obtain injunctive or other equitable relief in connection with the violation or anticipated violation of such obligations, covenants and agreements.

11. RIGHTS AND DUTIES OF PARTIES UPON TERMINATION OR EXPIRATION

Upon termination or expiration of this Agreement, all rights granted to you will automatically terminate, and:

A. All remaining rights granted to you to develop Swim schools under this Agreement will automatically be revoked and will be null and void. You will not be entitled to any refund of any fees. You will have no right to develop or operate any business for which a Franchise Agreement has not been executed by us. We will be entitled to develop and operate, or to franchise others to develop and operate, Swim schools in the Territory, except as may be otherwise provided under any Franchise Agreement that has been executed between us and you and that has not been terminated.

B. You must immediately cease to operate your business under this Agreement and must not thereafter, directly or indirectly, represent to the public or hold yourself out as a present or former developer of ours.

C. You must take such action as may be necessary to cancel or assign to us or our designee, at our option, any assumed name or equivalent registration that contains our name or any of the words Goldfish™ or Goldfish Swim School® or any other Trademark of ours, and you must furnish us with evidence satisfactory to us of compliance with this obligation within thirty (30) days after termination or expiration of this Agreement.

D. You must assign to us or our designee all your right, title and interest in and to your telephone number(s) and must notify the telephone company and all listing agencies of the termination or expiration of your right to use any telephone number in any regular, classified or other telephone directory listing associated with the Trademarks and to authorize Transfer of same at our discretion. If you fail to sign any required documents within two (2) Business Days of Notice, you hereby appoint us as your lawful attorney-in-fact to sign on your behalf any and all documents necessary to effectuate the assignment of the telephone numbers listed to us. This

power, coupled with an interest, is given as Security for the rights and privileges given to you under this Agreement.

E. You must within thirty (30) days of the termination or expiration of this Agreement, pay all sums owing to us and our affiliates, including without limitation, the balance of the Initial Franchise Fees that we would have received had you developed all of the Swim schools set forth in the Development Schedule. In addition to the Initial Franchise Fee for undeveloped Swim schools, you agree to pay us, as fair and reasonable liquidated damages (but not as a penalty) an amount equal to Eighty Thousand Dollars (\$80,000) for each undeveloped Swim school. You agree that this amount is for lost revenue from Royalty Fees and other amounts payable to us, including the fact that you were holding the development rights for those Swim schools and precluding the development of certain Swim schools in the Territory, and that it would be difficult to calculate with certainty the amount of damages we will incur. Notwithstanding your agreement, if a court determines that this liquidated damages payment is unenforceable, then we may pursue all other available remedies, including without limitation, consequential damages.

All unpaid amounts will bear interest at the rate of eighteen percent (18%) per annum or the maximum contact rate of interest permitted by governing law, whichever is less, from and after the date of accrual. In the event of termination for any default by you, the sums due will include all damages, costs and expenses, including reasonable attorney fees and expenses, incurred by us as a result of your default. You also must pay to us all damages, costs and expenses, including reasonable attorney fees and expenses that we incur subsequent to the termination or expiration of this Agreement in obtaining injunctive or other relief for the enforcement of any provisions of this Agreement.

F. You must comply with all other applicable provisions of this Agreement.

G. All of our and your obligations that expressly or by their nature survive the expiration or termination of this Agreement will continue in full force and effect subsequent to and notwithstanding its expiration or termination and until they are satisfied or by their nature expire.

12. INSURANCE

A. Developer shall obtain within thirty (30) days from the date hereof and maintain throughout the Term, such insurance coverage (including, without limitation, auto liability coverage and workers compensation insurance) as may be (i) required by law; or (ii) prescribed by us from time to time as to types of coverage and amounts of coverage. We may require more coverage or additional coverages from time to time in our sole and absolute discretion. Such insurance shall:

(1) name Our Indemnitees as additional named insured parties and provide that coverage applies separately to each insured and additional insured party against whom a claim is brought as though a separate policy had been issued to each of Our Indemnitees;

(2) contain no provision which limits or reduces coverage in the event of a claim by any one (1) or more of the insured or additional insured parties;

(3) provide that policy limits shall not be reduced, coverage restricted, canceled, allowed to lapse or otherwise altered or such policy(ies) amended without our consent, but in no event upon less than thirty (30) days prior written notice to us; and

(4) be obtained from reputable insurance companies with an A.M. Best Rating of “A” and an A.M. Best Class Rating of VIII or better (or comparable ratings from a reputable insurance rating service, in the event such A.M. Best ratings are discontinued or materially altered), authorized to do business in the jurisdiction in which the Swim school is located.

B. Such insurance may provide for reasonable deductible amounts not to exceed Ten Thousand Dollars (\$10,000) per occurrence with our consent.

C. A certificate of insurance shall be submitted for our consent within ten (10) days following commencement of such coverage, and additional certificates of insurance shall be submitted to us thereafter, evidencing uninterrupted coverage. Developer shall deliver a complete copy of such policy(ies) within ten (10) days of request.

D. In the event of a claim of any one or more of Our Indemnitees against Developer, Developer shall, on our request, assign to us any and all rights which Developer then has or thereafter may have with respect to such claim against the insurer(s) providing the coverage described in this Section.

E. Developer’s obligation to obtain and maintain insurance or to indemnify any of Our Indemnitees shall not be limited by reason of any insurance which may be maintained by Our Indemnitee, nor shall such insurance relieve Developer of any liability under this Agreement. Developer’s insurance shall be primary to any policies maintained by any of Our Indemnitees.

F. If Developer fails to obtain or maintain the insurance required by this Agreement, as such requirements may be revised from time to time, we may acquire such insurance, and the cost thereof, together with a reasonable fee for our expenses in so acting and interest at one and one-half percent (1.5%) per month from the date acquired, shall be payable by Developer upon notice.

13. INDEMNIFICATION

A. Developer and each Principal will, at all times and at your sole cost and expense, indemnify and hold harmless, to the fullest extent permitted by law, Our Indemnitees from all “Losses and Expenses” incurred in connection with any Action, suit, proceeding, claim, demand, investigation or inquiry (formal or informal), or any settlement thereof (whether or not a formal proceeding or Action has been instituted or reduced to judgment) which actually or allegedly, directly or indirectly, arises out of, is a result of, is based upon, is a result of, or is related in any way to any of the following:

(1) The infringement, alleged infringement, or any other violation or alleged violation by Developer or any Principal of any patent, mark or copyright or other proprietary right owned or controlled by third parties.

(2) The violation, breach or asserted violation or breach by Developer or any Principal of any contract, federal, state or local law, regulation, ruling, standard or directive or any industry standard.

(3) Libel, slander or any other form of defamation of us or the System, by Developer or any Principal.

(4) The violation or breach by Developer or any Principal of any warranty, representation, agreement or obligation in this Agreement.

(5) Acts, errors or omissions of Developer or any of its agents, servants, employees, contractors, partners, affiliates or Representatives, Operators, or Program Managers.

(6) Any and all liability that may arise as a result of your development, establishment, construction, opening, or operation of the Swim schools.

(7) Any personal injury, death or property damage suffered by any customer, visitor, operator, employee or guest of the Swim schools or construction site; crimes committed on or near any of the premises, facilities of the Swim schools or vehicles used in the operation of your Swim school; all acts, errors, neglects or omissions engaged in by you, your contractors or subcontractors, as well as any third party, arising out of or related to the design, construction, conversion, build-out, outfitting, remodeling, renovation or upgrading of your Swim schools, whether or not any of the foregoing was approved by us; defects in any Swim schools you construct and/or operate, whether or not discoverable by you or by us; all acts, errors, neglects or omissions of you or the Swim school and/or the Principal Owners, officers, directors, management, employees, agents, servants, contractors, partners, proprietors, affiliates or representatives of you or the Swim schools (or any third party acting on your behalf or at your direction), whether in connection with the Swim schools or otherwise, including without limitation, any property damage, injury or death suffered or caused by any delivery person or vehicle serving your Swim schools; all liabilities arising from or related to your offer, sale and/or delivery of products and/or services as contemplated by this Agreement; and any action by any customer of yours or visitor to your Swim schools or any other facility of your business.

(8) Any violation of any federal, state, or local labor and employment law for acts or omissions of Developer or Developer's employees.

(9) Any cybersecurity breaches or violations of Privacy Laws.

B. Developer and each Principal agree to give us written notice of any such Action, suit, proceeding, claim, demand, inquiry or investigation immediately upon your actual or constructive knowledge of it.

C. We shall at all times have the absolute right to retain counsel of our own choosing in connection with any Action, suit, proceeding, claim, demand, inquiry or investigation. We shall at all times have the absolute right to investigate any Action, suit proceeding, claim or demand itself.

D. Developer and each Principal shall indemnify Our Indemnitees for attorney fees, expenses, and costs incurred in connection with the enforcement of our rights under this Section 13. This provision shall not be construed so as to limit or in any way affect Developer's indemnity obligations pursuant to the other provisions of this Section 13.

E. In the event that our exercise of our rights under Section 13 actually results in Developer's insurer with respect to insurance required to be maintained by Developer pursuant to Section 12 (hereinafter, the "Insurer") refusing to pay on a third-party claim, all causes of Action and legal remedies which Developer might have against the Insurer shall be automatically assigned to us without the need for any further action on our or Developer's part. For the purposes of Section 13, "actually results" means that, but for our exercise of our rights under Section 13, the Insurer would not have refused to pay on said third-party claim.

F. In the event that our exercise of our rights under Section 13 actually results in the Insurer refusing to pay on a third-party claim, Developer shall be required to indemnify us for the our attorney fees, expenses and costs incurred in connection with that claim.

G. In the event that Developer encourages, requests, or suggests that the Insurer deny a claim, Developer shall indemnify us for our attorney fees, expenses and costs in connection with that claim.

H. In order to protect persons or property, or our reputation or goodwill, or the reputation or goodwill of others, we may, at any time and without notice, as in our judgment we deem appropriate, consent or agree to settlements or take such other remedial or corrective action as we deem expedient with respect to the Action, suit, proceeding, claim, demand, inquiry or investigation if, in our sole judgment, there are reasonable grounds to believe that:

(1) any of the acts or circumstances enumerated in Section 13.A. above have occurred; or

(2) any act, error, or omission of Developer or any Principal may result directly or indirectly in damage, injury or harm to any person or any property.

I. In addition to their other indemnity obligations, Developer and each Principal shall indemnify us for any and all losses, compensatory damages, exemplary or punitive damages, fines, charges, costs, expenses, lost profits, settlement amounts, judgments, compensation for damages to our reputation and goodwill, costs of or resulting from delays, financing, costs of advertising material and media time/space, and costs of changing, substituting or replacing the same, and any and all expenses of recall, refunds, compensation, public notices

and other such amounts incurred in connection with the matters described, which result from any of the items set forth in Section 13.

J. We do not assume any liability whatsoever for acts, errors, or omissions of those with whom Developer or any Principal may contract, regardless of the purpose. Developer and each Principal shall hold harmless and indemnify us for all Losses and Expenses which may arise out of any acts, errors or omissions of these third parties.

K. Under no circumstances shall we be required or obligated to seek recovery from third parties or otherwise mitigate its losses in order to maintain a claim against Developer or any Principal. Developer and each Principal agree that the failure to pursue such recovery or mitigate loss will in no way reduce the amounts recoverable by us from Developer or any Principal. The indemnification obligations of this section will survive the expiration or sooner termination of this Agreement.

L. All such Losses and Expenses incurred under this indemnification provision will be chargeable to and paid by you pursuant hereto, regardless of any actions, activity or defense undertaken by us or the subsequent success or failure of the actions, activity or defense.

14. NOTICES

All notices required or desired to be given hereunder shall be in writing and shall be sent by personal delivery, expedited delivery service, facsimile or certified mail, return receipt requested to the addresses identified in Attachment 1 to this Area Development Agreement (or such other addresses as designated pursuant to this Section 14).

Notices posted by personal delivery, next day or same day expedited service or given by facsimile shall be deemed given the next Business Day after transmission. Notices posted by certified mail shall be deemed received three (3) Business Days after the date of posting. Any change in the foregoing addresses shall be effected by giving fifteen (15) days written notice of such change to the other party.

15. FORCE MAJEURE

Whenever a period of time is provided in this Agreement for either party to perform any act, except pay monies, neither party shall be liable nor responsible for any delays due to strikes, lockouts, casualties, acts of God, war, terrorism, governmental regulation or control or other causes beyond the reasonable control of the parties, and the time period for the performance of such act shall be extended for the amount of time of the delay. This clause shall not result in an extension of the term of this Agreement. Notwithstanding the foregoing, if any force majeure event extends for a duration of more than three (3) months, then Developer's obligations under this Agreement will be extended by such duration of the force majeure event.

16. SEVERABILITY

A. Except as noted below, each paragraph, part, term and provision of this Agreement shall be considered severable. If any paragraph, part, term or provision herein is ruled to be unenforceable, unreasonable or invalid, such ruling shall not impair the operation of or affect the remaining portions, paragraphs, parts, terms and provisions of this Agreement, and the latter shall continue to be given full force and effect and bind the parties; and such unenforceable, unreasonable or invalid paragraphs, parts, terms or provisions shall be deemed not part of this Agreement. If Franchisor determines that a finding of invalidity adversely affects the basic consideration of this Agreement, Franchisor has the right to, at its option, terminate this Agreement.

B. Notwithstanding the above, each of the covenants contained in Sections 6 and 11 shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of any such covenant is held to be unenforceable, unreasonable or invalid, then it shall be amended to provide for limitations on disclosure of Trade Secrets or other Confidential Information or on competition to the maximum extent provided or permitted by law.

C. Captions in this Agreement are for convenience only and shall not affect the meaning or construction of any provision hereof.

17. INDEPENDENT CONTRACTOR

A. This Agreement is purely a contractual relationship between the parties and does not appoint or make Developer an agent, fiduciary, legal representative, joint venturer, partner, employee, servant, independent contractor, joint employer of Developer, or other special relationship between the parties for any reason whatsoever. No agency, employment, or partnership is created or implied by the terms of this Agreement and Developer may not represent or imply or hold itself out to third parties that Developer is an agent, fiduciary, legal representative, joint venture, partner, employee, servant, independent contractor, joint employer, or other special relationship of or with of us, and Developer is in no way authorized to make any contract, agreement, warranty or representation on behalf of Franchisor, or to create any obligation, express or implied, on Franchisor's behalf. Neither this Agreement nor our course of conduct is intended, nor may anything in this Agreement (nor our course of conduct) be construed, to state of imply that we are Developer's employer or the employer of Developer's employees and or independent contractors, nor vice versa. During the term of this Agreement, and any extension or renewal hereof, Developer shall hold itself out to the public only as a developer, franchisee, and an owner of the Franchised Swim Schools developed and operating pursuant to a franchise agreement and/or this Agreement. Developer shall take such affirmative action as may be necessary to do so including, without limitation, exhibiting a notice of that fact in a conspicuous place on Developer's location, if any, and on all forms, stationery or other written materials, the content of which Franchisor has the right to specify. Under no circumstances shall Franchisor be liable for any act, omission, contract, debt, nor any other obligation of Developer. Franchisor shall in no way be responsible for any injuries to persons or property resulting from the development or operation of the Franchised Swim Schools developed hereunder. Any third party contractors and vendors retained by Developer to convert or

construct the premises are independent contractors of Developer alone. None of Developer's employees will be considered Franchisor's employees. Neither Developer nor any of its employees whose compensation Developer pays may in any way, directly or indirectly, expressly or by implication, be construed to be Franchisor's employee for any purpose, most particularly with respect to any mandated or other insurance coverage, tax or contributions, or requirements pertaining to withholdings, levied or fixed by any local, state, or federal government agency. Franchisor shall not have the power to hire or fire Developer's employees. Developer expressly agrees, and will never contend otherwise, that Franchisor's authority under this Agreement to certify certain of Developer's employees for qualification to perform certain functions for Developer does not directly or indirectly vest in Franchisor the power to hire, fire, or control such employee. Developer acknowledges and agrees, and will never contend otherwise, that Developer alone will exercise day-to-day control over all operations, activities and elements of the development and operation of the Franchised Swim Schools developed hereunder and that under no circumstance shall Franchisor do so or be deemed to do so. Developer further acknowledges and agrees, and will never contend otherwise, that the various requirements, restrictions, prohibitions, specifications and procedures of the Franchise System which Developer is required to comply with under this Agreement, whether set forth in the Confidential Brand Standards Manual or otherwise, do not directly or indirectly constitute, suggest, infer or imply that Franchisor controls any aspect or element of the day-to-day development and operations of the Franchised Swim Schools developed hereunder, which Developer alone controls, but only constitute standards Developer must adhere to when exercising its control of the day-to-day development and operations of the Franchised Swim Schools developed hereunder. Except as expressly provided in this Agreement, Franchisor may not control or have access to Developer's funds or the expenditure of Developer's funds or in any other way exercise dominion or control over any of the Franchised Swim Schools developed hereunder. Except as otherwise expressly authorized by this Agreement, neither party will make any express or implied agreements, warranties, guarantees or representations or incur any debt in the name of or in behalf of the other party, or represent that the relationship between Franchisor and Developer is other than that of franchisor and developer/franchisee. Franchisor does not assume any liability, and will not be considered liable, for any agreements, representations, or warranties made by Developer which are not expressly authorized under this Agreement. Franchisor will not be obligated for any damages to any person or property which directly or indirectly arise from or relate to Developer's development or operation of the Franchised Swim Schools developed hereunder.

B. This Agreement does not establish a fiduciary relationship between the parties. Unless otherwise specifically provided in this Agreement with respect to certain issues, whenever this Agreement requires Developer to obtain Franchisor's written consent or permits Developer to take any action or refrain from taking any action, Franchisor is free to act in its own self-interest without any obligation to act reasonably, to consider the impact on Developer or to act subject to any other standard of care limiting Franchisor's right, except as may be provided by statute or regulation.

18. DUE DILIGENCE AND ASSUMPTION OF RISK

A. Developer and each Principal (i) have conducted such due diligence and investigation as each desires; (ii) recognize that the business venture described herein involves risks; and (iii) acknowledge that the success of such business venture is dependent upon the abilities of Developer and Principals. **WE, INCLUDING OUR SHAREHOLDERS, OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, REPRESENTATIVES, INDEPENDENT CONTRACTORS, DEVELOPERS AND FRANCHISEES EXPRESSLY DISCLAIM THE MAKING OF, AND DEVELOPER AND EACH PRINCIPAL ACKNOWLEDGE THAT THEY HAVE NOT RECEIVED OR RELIED UPON, ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, AS TO THE POTENTIAL PERFORMANCE OR VIABILITY OF THE BUSINESS VENTURE CONTEMPLATED BY THIS AGREEMENT OR OTHERWISE ARE CONTRARY TO THE TERMS SET FORTH IN THIS AGREEMENT OR ANY FRANCHISE DISCLOSURE DOCUMENT REQUIRED OR PERMITTED TO BE GIVEN TO YOU PURSUANT TO APPLICABLE LAW.**

B. Developer and each Principal have received, read and understand this Agreement, the documents referred to herein and the Exhibits and Schedules hereto. Developer and each Principal have had ample time and opportunity to consult with their advisors concerning the potential benefits and risks of entering into this Agreement.

19. ENFORCEMENT

A. Enforcement by Judicial Process. We shall have the right to enforce by judicial process our right to terminate this Agreement for the causes enumerated in Section 10, to prevent or remedy a material breach of this Agreement by Developer or Principal if such breach could materially impair the goodwill associated with the System or our Trademarks (including actions with respect to the servicing of wholesale accounts), to collect unpaid fees due to us, to enforce the confidentiality provisions of this Agreement, and to enforce the Non-Competition provisions of this Agreement. We shall be entitled without bond to the entry of temporary restraining orders and temporary and permanent injunctions enforcing the aforementioned provisions. If a court determines a bond is necessary, Developer or Principal agrees that the bond shall be limited to not more than Five Thousand Dollars (\$5,000). If we are successful in obtaining an injunction or any other relief against Developer or Principal, Developer or Principal shall pay us an amount equal to the aggregate of our costs of commencing and prosecuting the Action, including, without limitation, reasonable attorney fees, costs of investigation and proof of facts, court costs, other litigation expenses and travel and living expenses.

B. Choice of Law. Except to the extent this Agreement or any particular dispute is governed by the U.S. Trademark Act of 1946 or other federal law, this Agreement shall be governed by and construed in accordance with the laws of the State of Michigan (without reference to its conflict of laws principles). The Federal Arbitration Act shall govern all matters subject to arbitration. References to any law refer also to any successor laws and to any published regulations for such law as in effect at the relevant time. References to a governmental

agency also refer to any regulatory body that succeeds the function of such agency. The parties agree, however, that if Developer's Approved Location is not in Michigan and if you are not a resident of the state of Michigan, the Michigan Franchise Investment Law shall not apply to this transaction, the relationship between Franchisor and Developer or this Agreement.

C. Consent to Jurisdiction. Any action brought by either party, including any claim for injunctive relief, except those claims required to be submitted to arbitration, shall only be brought in the appropriate state court located in or serving Oakland County, Michigan. The parties waive all questions of personal jurisdiction or venue for the purposes of carrying out this provision. This exclusive choice of jurisdiction and venue provision shall not restrict the ability of the parties to confirm or enforce judgments or arbitration awards in any appropriate jurisdiction.

D. Cumulative Rights and Remedies. No right or remedy conferred upon or reserved to Franchisor or Developer by this Agreement is intended to be, nor shall be deemed, exclusive of any other right or remedy herein or by law or equity provided or permitted, but each shall be in addition to every other right or remedy. Nothing contained herein shall bar Franchisor's right to obtain injunctive relief against threatened conduct that may cause it loss or damages, including obtaining restraining orders and preliminary and permanent injunctions.

E. Limitations of Claims. Any claim concerning the Franchised Swim School or this Agreement or any related agreement will be barred unless an action for a claim is commenced within one (1) year from the date on which Developer or Franchisor knew or should have known, in the exercise of reasonable diligence, of the facts giving rise to the claim.

F. Limitation of Damages. Developer and Franchisor each waive, to the fullest extent permitted by law, any right or claim for any punitive or exemplary damages against the other and agree that if there is a dispute with the other, each will be limited to the recovery of actual damages sustained by it including reasonable accounting and legal fees as provided in Section 22.4. Developer waives and disclaims any right to consequential damages in any action or claim against Franchisor concerning this Agreement or any related agreement. In any claim or action brought by Developer against Franchisor concerning this Agreement, Developer's contract damages shall not exceed and shall be limited to refund of Developer's Franchise Fee and Royalty Fees.

G. Waiver of Jury Trial.

DEVELOPER AND FRANCHISOR EACH IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, WHETHER AT LAW OR EQUITY, BROUGHT BY EITHER OF THEM.

H. Arbitration. This Agreement evidences a transaction involving commerce and, therefore, the Federal Arbitration Act, Title 9 of the United States Code is applicable to the subject matter contained herein. Except for controversies or claims relating to the ownership of any and all intellectual property rights, including, but not limited to, Franchisor's Marks, copyrights or the unauthorized use or disclosure of Franchisor's Confidential Information,

covenants against competition and other claims for injunctive relief, or amounts owed by Developer to Franchisor, all disputes arising out of or relating to this Agreement or to any other agreements between the parties, or with regard to interpretation, formation or breach of this or any other agreement between the parties, shall be settled by binding arbitration conducted in Oakland County, Michigan, in accordance with the Commercial Arbitration Rules of the American Arbitration Association then in effect. The proceedings will be held by a single arbitrator agreed upon by the parties or otherwise appointed by the District Court for the State of Michigan and located in Oakland County, Michigan. The decision of the arbitrator will be final and binding upon the parties. Judgment upon the award rendered by the arbitrator may be entered in any court having personal and subject matter jurisdiction.

Developer agrees that it will not file any arbitration claim as a class action, seek class action status, or permit its claim to be joined or made part of any class action filed by another. Developer further agrees that it will not file or join in any consolidated arbitration.

Developer acknowledges that it has read the terms of this binding arbitration provision and affirms that this provision is entered into willingly and voluntarily and without any fraud, duress or undue influence on the part of Franchisor or any of Franchisor's agents or employees.

I. Waiver of Collateral Estoppel. The parties agree they should each be able to settle, mediate, litigate, arbitrate, or compromise disputes in which they are involved with third parties, without having the disposition of such disputes directly affect the contract or relationship between us and Developer or Principal. We and Developer or Principal therefore each agree that a decision of an arbitrator or court of law in litigation to which one of them is not a party shall not in any manner prevent the person that was a party to such Action from making similar arguments, or taking similar positions, in any Action between us and Developer or Principal. The parties therefore waive the right to assert that principles of collateral estoppel prevent either of them from raising any claim or defense in an Action between them as a result of such party having lost a similar claim or defense in another Action.

20. MISCELLANEOUS

A. Time is of the essence to this Agreement.

B. There are no third-party beneficiaries to this Agreement except for the remedy provided for breach of Developer's or any Principal's covenant contained in Section 7.C.(3)(a).

C. This Agreement may be executed in any number of counterparts each of which when so executed shall be an original, but all of which together shall constitute one (1) and the same instrument.

D. All references herein to the masculine, neuter or singular shall be construed to include the masculine, feminine, neuter or plural, unless otherwise suggested by the text.

E. This Agreement will become effective only upon execution hereof by our President or authorized officer.

F. This Agreement is not a Franchise Agreement and does not grant Developer or any Principal any rights in or to the (i) System (except as expressly provided herein); or (ii) Trademarks.

G. Developer shall not use the words “Goldfish™” or “Goldfish Swim School®,” or any part thereof, as part of its corporate or other name.

H. Developer and each Principal acknowledge that each has received a complete copy of this Agreement, the documents referred to herein and the Exhibits hereto at least seven (7) days prior to the date on which this Agreement was executed. Developer and each Principal further acknowledge that each has received our Franchise Disclosure Document at least fourteen (14) days prior to the date on which this Agreement was executed.

I. Should one or more clauses of this Agreement be held void or unenforceable for any reason by any court of competent jurisdiction, such clause or clauses will be deemed to be separable in such jurisdiction and the remainder of this Agreement is valid and in full force and effect and the terms of this Agreement must be equitably adjusted so as to compensate the appropriate party for any consideration lost because of the elimination of such clause or clauses.

J. No waiver by us of any breach by you, nor any delay or failure by us to enforce any provision of this Agreement, may be deemed to be a waiver of any other or subsequent breach or be deemed an estoppel to enforce our rights with respect to that or any other or subsequent breach. This Agreement may not be waived, altered or rescinded, in whole or in part, except by a writing signed by you and us.

K. You and each of your Principal Owners shall execute the form of guaranty at the end of this Agreement.

L. You further acknowledge that you have conducted an independent investigation of the business franchised pursuant to this Agreement and recognize the business venture contemplated by this Agreement involves the normal business risks associated with beginning a new business. As part of such investigation, you acknowledge that you had ample opportunity to consult with advisors of your own choosing about the potential benefits and risks of entering into this agreement. You acknowledge that you are entering into this Agreement based upon your own investigation and not as a result of any representations about us made by shareholders, members, officers, directors, employees, agents, representatives, independent contractors, or franchisees which are contrary to the terms set forth in this Agreement or any franchise disclosure document required or permitted to be given to Franchise Owner pursuant to applicable law.

M. You acknowledge that the only financial performance information we furnished is set forth in Item 19 of the Franchise Disclosure Document; that no, officer, director, member, employee, agent, representative or independent contractor of ours is authorized to furnish you

with any other financial performance information; that if they nevertheless do, you will not rely on any such financial performance information given to you by any such individual; and that if any such individual attempts to or actually does give you any such financial performance information in contravention of this provision, you will immediately communicate such activity to us.

N. You represent that you have been urged to consult with your own advisors with respect to the legal, financial and other aspects of this Agreement, the business franchised hereby and the prospects for that business. You represent that you have either consulted with such advisors or has deliberately declined to do so.

O. You represent that all information set forth in any and all applications, financial statements and submissions to us is true, complete and accurate in all respects, and you acknowledge that we are relying upon the truthfulness, completeness and accuracy of such information.

P. You acknowledge that before executing this Agreement, you had the opportunity to contact all of our existing franchisees.

Q. You have carefully considered the nature and extent of the restrictions upon you set forth in this Agreement (including without limitation, the covenants not to compete, confidentiality restrictions and the restrictions on assignment) and the rights and remedies conferred upon you and us under this Agreement. Such restrictions, rights and remedies: (a) are reasonable, including, but not limited to, their term and geographic scope; (b) are designed to preclude competition which would be unfair to us and the System; (c) are fully required to protect our legitimate business interests; and (d) do not confer benefits upon us that are disproportionate to your detriment. The covenants not to compete set forth in this Agreement are fair and reasonable, and will not impose any undue hardship on you, since you have other considerable skills, experience and education which afford you the opportunity to derive income from other endeavors.

R. Each party represents it has the authority to execute this agreement. You acknowledge only officers or individuals designated by officers of us have the authority to make binding commitments on behalf of us. In particular, field support personnel employed by us cannot contractually bind us by making any verbal or written representations. You acknowledge that we intend to enter into agreements with other developers and franchisees that may contain provisions, conditions and obligations that differ from those contained in this Agreement. The existence of different forms of agreement and the fact that we and other developers or franchisees may have different rights and obligations do not affect the duties of the parties to this Agreement to comply with the terms of this Agreement.

Each party agrees to execute such other instruments and documents as needed to carry out the intent of the parties, all of which shall be incorporated herein by reference as if set forth herein.

T. Developer represents that its execution of this Agreement will not violate any other agreement or commitment to which Developer or any holder of a legal or beneficial interest in Developer is a party.

U. Developer acknowledges that Franchisor intends to enter into agreements with other developers that may contain certain provisions, conditions and obligations that differ from those contained in this Agreement. The existence of different forms of agreement and the fact that Franchisor and other developers may have different rights and obligations do not affect the duties of the parties to this Agreement to comply with the terms of this Agreement. Developer further acknowledges that because uniformity under many varying conditions may not be possible or practical, Franchisor reserves the right to materially vary our standards or area development agreement for any Franchised Swim Schools developed by other developers, based upon the timing of the grant of the development rights, the peculiarities of the particular territory or circumstances, business potential, population, existing business practices, other non-arbitrary distinctions or any other condition which Franchisor considers important to the successful operation of the Franchise System. Developer has no right to require Franchisor to disclose any variation or to grant the same or a similar variation to Developer.

21. ENTIRE AGREEMENT

This Agreement and the contemporaneously executed Exhibits, Addenda and Schedules hereto and the Franchise Disclosure Document constitute the entire agreement between us, Developer and the Principals concerning the subject matter hereof. All prior agreements, discussions, negotiations, understandings, inducements, representations, warranties, and covenants are merged herein and are superseded by this Agreement. Nothing in this or any related agreement, however, is intended to disclaim the representations we made in the franchise disclosure document that we furnished to you. THERE ARE NO WARRANTIES, REPRESENTATIONS, COVENANTS OR AGREEMENTS, EXPRESS OR IMPLIED, BETWEEN THE PARTIES CONCERNING THE SUBJECT MATTER HEREOF, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED COVENANT OF GOOD FAITH AND FAIR DEALING, EXCEPT THOSE EXPRESSLY SET FORTH IN THIS AGREEMENT. EXCEPT THOSE PERMITTED TO BE MADE UNILATERALLY BY US HEREUNDER, NO AMENDMENT, CHANGE OR VARIANCE FROM THIS AGREEMENT SHALL BE BINDING ON EITHER PARTY UNLESS MUTUALLY AGREED TO BY US AND DEVELOPER AND EXECUTED IN WRITING.

For the purpose of this Agreement, “financial performance information” means information given, whether orally, in writing or visually which states, suggests or infers a

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Notes to Consolidated Financial Statements

December 31, 2020, 2019, and 2018

Note 1 - Nature of Business

Goldfish Swim School Franchising, LLC and Subsidiaries (the "Company") is engaged in franchising and support of franchisees in the establishment and operations of Goldfish Swim Schools. Franchise schools are located throughout the United States and Canada.

The Company executes franchise agreements that establish the terms of its arrangement with franchisees. The franchise agreements require the franchisee to pay an initial fee of \$50,000, with a reduction in the franchise fee for opening additional franchises. In addition to the initial investment fee, the franchisee pays the Company a monthly royalty fee of 6 percent of gross sales and a brand fund contribution of up to 2 percent of gross sales.

At December 31, 2020, there were 150 signed franchise agreements and 49 signed area development agreements, with 108 swim schools open and operating. At December 31, 2019, there were 139 signed franchise agreements and 44 signed area development agreements, with 96 swim schools open and operating. At December 31, 2018, there were 113 signed franchise agreements and 37 signed area development agreements, with 79 swim schools open and operating.

Note 2 - Significant Accounting Policies

Basis of Accounting

The consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Company has elected to adopt certain accounting alternatives for private companies developed by the Private Company Council.

Principles of Consolidation

The consolidated financial statements include the accounts of Goldfish Swim School Franchising, LLC; its wholly owned subsidiary, Goldfish Swim School Franchise Marketing, LLC; and all variable interest entities (VIEs) for which the Company is the primary beneficiary. The equity attributable to the VIE is reported as a noncontrolling interest in the accompanying consolidated financial statements. All significant intercompany accounts and transactions have been eliminated in consolidation.

The effects of eliminations of revenue and expenses due to intercompany transactions between the wholly owned subsidiary and consolidated VIEs are not attributed to noncontrolling interests in the VIEs.

The Company is the primary beneficiary of McCuiston Family Enterprises, Inc. (MFE) and its wholly owned subsidiary, GSSF of Canada Holdings, Inc., which qualifies as a variable interest entity. Accordingly, the assets and liabilities and revenue and expenses of MFE have been included in the accompanying consolidated financial statements. The entity was formed in 2016 for the purpose of providing management services. See Note 11 for additional financial information relating to MFE.

Use of Estimates

The preparation of consolidated financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Cash Equivalents

The Company considers all investments with an original maturity of three months or less when purchased to be cash equivalents.

Note 2 - Significant Accounting Policies (Continued)

Restricted Cash

The Company has restricted cash equal to the amount of unspent advertising funds on deposit. At December 31, 2020, 2019, and 2018, \$462,276, \$331,976, and \$307,874, respectively, of cash is restricted for this purpose.

Revenue Recognition

The Company earns revenue from its franchised schools, which includes royalties, franchise fees, brand fund fees, and technology fees. The Company sells individual franchisees the right to operate a school within a defined territory using the franchise name. The initial term of franchise agreements is typically 20 years, with an option to renew or transfer the franchise agreement to a new or existing franchisee.

The Company has obligations to provide franchisees with the franchise rights to operate a school, training, and site selection, as well as technology and advertising for which fees are charged. The Company has concluded that management training and site selection are separate performance obligations due to the nature of these services being non-brand specific and capable of being used by the franchisee in other businesses. The remaining items represent a single performance obligation. Therefore, initial franchise fees for each agreement are allocated to the management training, site selection, and franchise right for each individual franchise. The management training and site selection revenue is recognized at the time the obligations have been satisfied. The franchise right revenue is recognized over the term of the respective franchise agreement beginning on the date the school is opened. Income for royalties, technology fees, and advertising fees is recognized over the term of the respective franchise agreement as the underlying sales occur.

Payment Terms

The Company's franchise agreements require the payment of various fixed and variable fees. Initial franchise fees are due and typically paid when a franchise agreement is executed and are nonrefundable. These fees are collected prior to the satisfaction of the Company's performance obligations, resulting in the Company recognizing deferred revenue contract liabilities. Initial franchise fees are also received pursuant to area development agreements, which grant the right to develop franchised swim schools in future periods in specific geographic areas. Royalties and brand fund fees are paid on a monthly basis, based upon a percentage of franchisee gross sales. Additional monthly fees are also charged for technology support provided to the franchisees. Deferred revenue at January 1, 2018 was \$2,817,395.

Allocating the Transaction Price

The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for providing franchisees with the franchise rights to service customers. To determine the transaction price, the Company considers its customary business practices and the terms of the underlying agreement. For the purpose of determining transaction prices, the Company assumes performance obligations will be satisfied as promised in accordance with franchise agreements and that the agreements will not be canceled, renewed, or modified.

The Company's franchise agreements with franchisees have transaction prices that contain a fixed and variable component. Variable consideration includes revenue related to royalties and brand fund fees, as the transaction price is based on the franchisees' sales. The variable consideration is recognized based on the actual amounts incurred each month.

The Company allocates consideration to the training program based on the observable stand-alone selling price of the training charged when additional management training program participation is requested by the franchisees. The Company allocates consideration to site selection based on the observable stand-alone selling price, which approximates the fair value of the service using the cost plus margin approach. The remaining consideration is allocated to the franchise right.

Notes to Consolidated Financial Statements

December 31, 2020, 2019, and 2018

Note 2 - Significant Accounting Policies (Continued)

Accounts Receivable

Accounts receivable are stated at net invoice amounts. An allowance for doubtful accounts is established based on a specific assessment of all invoices that remain unpaid following normal customer payment periods. All amounts deemed to be uncollectible are charged against the allowance for doubtful accounts in the period that determination is made. No allowance for doubtful accounts receivable was deemed necessary based on management's estimates at December 31, 2020, 2019, or 2018. Accounts receivable from franchisees at January 1, 2018 totaled \$525,638.

Property and Equipment

Property and equipment are recorded at cost. Major improvements and renewals are capitalized, while ordinary maintenance and repairs are expensed. The straight-line method is used for computing depreciation. Assets are depreciated over their estimated useful lives, which range from 3 to 15 years. Management annually reviews these assets to determine whether carrying values have been impaired.

Income Taxes

The Company is treated as a partnership for federal income tax purposes. Consequently, federal income taxes are not payable or provided for by the Company. Members are taxed individually on their pro rata ownership share of the Company's earnings. The Company's net income or loss is allocated among the members in accordance with the Company's operating agreement.

MFE, the variable interest entity, has elected to be taxed as an S corporation. Generally, the income of an S corporation is not subject to federal income tax at the corporate level, but rather the stockholders are required to include a pro rata share of the corporation's taxable income or loss in their personal income tax returns, irrespective of whether dividends have been paid. Accordingly, no provision for federal income taxes has been made in the accompanying consolidated financial statements.

Advertising Expense

In accordance with the franchise agreement, franchisees pay a percentage of monthly sales to a brand fund to be used for advertising, marketing, and other promotional purposes. The contribution received from franchisees for the brand fund is segregated into a separate bank account maintained by Goldfish Swim School Franchise Marketing, LLC. Any excess amounts remaining in the brand fund at the end of the year are used for marketing and promotion in the following year.

Brand fund fees from the franchisees of \$1,701,349, \$2,925,080, and \$2,182,289 for 2020, 2019, and 2018, respectively, are included in net revenue in the accompanying consolidated statement of operations, and advertising expense of \$1,573,449, \$2,900,947, and \$2,181,394 for 2020, 2019, and 2018, respectively, is included in operating expenses in the accompanying consolidated statement of operations.

The costs of advertising not paid from the brand funds are expensed as incurred. The Company incurred no direct advertising costs during the years ended December 31, 2020, 2019, or 2018.

Government Grants

The Company has elected to account for loan funds received under the Paycheck Protection Program (PPP) as in-substance government grants. Accounting principles generally accepted in the United States of America do not include guidance on the accounting for government grants by for-profit entities. As a result, the Company has elected to analogize to the guidance in International Accounting Standards (IAS) Statement 20, *Accounting for Government Grants and Disclosure of Government Assistance* (IAS 20). While IAS 20 does not represent authoritative guidance for entities preparing U.S. GAAP financial statements, use of this guidance by analogy is permitted.

Notes to Consolidated Financial Statements

December 31, 2020, 2019, and 2018

Note 2 - Significant Accounting Policies (Continued)

Under IAS 20, government grants, including forgivable government loans, are recognized as income when it is probable that the Company will comply with the conditions of the grant and that the grant will be received. The Company recognizes proceeds under grant programs on a systematic basis over the period in which the Company recognizes as expenses the related costs for which the grant is intended to compensate. The Company has further elected to record the grant income separately from the related expenses in nonoperating income (expense).

Impact of COVID-19 Pandemic

On March 11, 2020, the World Health Organization declared the outbreak of a respiratory disease caused by a new coronavirus a pandemic. First identified in late 2019 and now known as COVID-19, the outbreak has impacted thousands of individuals worldwide. In response, the United States and various state and local governments have implemented measures to combat the outbreak that have severely impacted business operations. Certain Goldfish Swim School franchisees were forced to shut down operations for a period of time during 2020, impacting revenue earned by the Company. However, the majority of franchisees resumed operations, with capacity restrictions, prior to December 31, 2020. No impairments were recorded as of December 31, 2020; however, the extent of any future impact cannot be reasonably estimated at this time.

Subsequent Events

The consolidated financial statements and related disclosures include evaluation of events up through and including March 2, 2021, which is the date the consolidated financial statements were available to be issued.

Upcoming Accounting Pronouncement

In February 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2016-02, *Leases*, which will supersede the current lease requirements in Accounting Standards Codification (ASC) 840. The ASU requires lessees to recognize a right-of-use asset and related lease liability for all leases, with a limited exception for short-term leases. Leases will be classified as either finance or operating, with the classification affecting the pattern of expense recognition in the statement of operations. Currently, leases are classified as either capital or operating, with only capital leases recognized on the balance sheet. The reporting of lease-related expenses in the statements of operations and cash flows will be generally consistent with the current guidance. The new lease guidance will be effective for the Company's year ending December 31, 2022 and will be applied using a modified retrospective transition method to either the beginning of the earliest period presented or the beginning of the year of adoption.

While the Company is continuing to assess all potential impacts of the standard, it currently believes the most significant impact relates to the operating lease with a related party (see Note 5). Specifically, it is expected a right-of-use asset and corresponding liability will be recorded on the consolidated balance sheet. The effects on the results of operations are not expected to be significant, as recognition and measurement of expenses and cash flows for leases will be substantially the same under the new standard.

Note 3 - Paycheck Protection Program Loans

During the year ended December 31, 2020, Goldfish Swim School Franchising, LLC and McCuiston Family Enterprises, Inc. each received a Paycheck Protection Program (PPP) loan in the aggregate amount of \$817,425. The PPP was created under the Coronavirus Aid, Relief, and Economic Security (CARES) Act and is administered by the Small Business Administration (SBA). Under the terms of this program, the loan may be fully or partially forgiven if the loan proceeds are spent on qualifying expenses and staffing level and salary maintenance requirements are met. The Company may use the funds on qualifying expenses over a covered period up to 24 weeks. At the conclusion of the covered period, any balance that is not forgiven by the SBA will be repaid over a period of two years with interest accruing at a rate of 1 percent, with monthly payments of principal and interest beginning 10 months after the conclusion of the covered period.

Any request for forgiveness is subject to review and approval by the lender and the SBA, including review of qualifying expenditures and staffing and salary levels.

The Company has not submitted a request for forgiveness as of the date the consolidated financial statements were available to be issued but expects to request forgiveness of the PPP loans in 2021. While the Company believes that forgiveness of the loans is probable, there can be no assurance that any portion of the PPP loans will be forgiven. Accordingly, the Company has recognized \$817,425 received under the PPP loan program as other income on the consolidated statement of operations.

Subsequent to December 31, 2020, Goldfish Swim School Franchising, LLC received a second PPP loan in the amount of \$693,815. This loan is subject to the same aforementioned terms that govern the first PPP loan.

Note 11 - Information about Variable Interest Entities

The Company receives management services from McCuiston Family Enterprises, Inc. and has determined that it is a variable interest entity of MFE because MFE exists primarily to provide such services to the Company. The Company has determined that it is the primary beneficiary of MFE because it has (1) the power to direct the activities of MFE that most significantly impact its economic performance and (2) the obligation to absorb losses that could potentially be significant to MFE. As a result, MFE has been included in the consolidated financial statements as a consolidated variable interest entity.

As of December 31, 2020, MFE had assets of \$626,720, of which \$182,847 was eliminated in consolidation, and liabilities of \$531,466, of which \$256,945 was eliminated in consolidation. Note 11 - Information about Variable Interest Entities (Continued)

The creditors and beneficial interest holders of MFE have no recourse against the assets or general credit of Company.

Note 12 - Leasing Entity Under Common Control

The Company leases a building from an entity under common control. The Company has elected to apply the private company accounting alternative for common control leasing arrangements developed by the Private Company Council. Under the accounting alternative, the Company is not required to evaluate whether the leasing entity is a variable interest entity subject to consolidation by the Company. See Note 5 for further disclosures related to the lease.

The leasing entity has two outstanding bank notes totaling \$1,627,147, \$1,638,034, and \$1,677,315 at December 31, 2020, 2019, and 2018, respectively, that were used to finance the assets leased to the Company. The debt agreements required interest-only monthly payments through April 2018 at 4.57 percent. Subsequent to this date, monthly principal payments of \$8,429 and \$1,253 are required for the two notes, including interest at 4.50 percent through October 2027. The assets leased to the Company serve as collateral for the debt.

The Company has also pledged all of its assets as collateral for the bank debt and has provided a guarantee of amounts due. In the event of a default by the leasing entity, the Company could be obligated to repay the full amount outstanding on the loans. As of December 31, 2020, the maximum potential future obligation under this guarantee is the outstanding balance of the debt and any accrued and unpaid interest. In the event the Company is required to make payments under this guarantee, the Company could seek to recover those amounts from the leasing entity; however, the Company does not hold specific recourse or collateral rights in connection with the guarantee. As of December 31, 2020, the Company is unaware of any circumstances that would require performance under this guarantee.

As described in Note 6, the Company had notes receivable from members that have common ownership of the leasing entity totaling \$274,062 at December 31, 2018 and an advance to the leasing entity for \$511,275, \$547,078, and \$470,005 at December 31, 2020, 2019, and 2018, respectively, that were used to finance the acquisition of the assets leased to the Company.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

As discussed in Note 3 to the consolidated financial statements, on January 1, 2019, the Company adopted Accounting Standards Codification (ASC) Topic 606, *Revenue from Contracts with Customers*, using the full retrospective adoption method. Our opinion is not modified with respect to this matter.

Goldfish Swim School Franchising, LLC and Subsidiaries

Notes to Consolidated Financial Statements

December 31, 2019, 2018, and 2017

Note 1 - Nature of Business

Goldfish Swim School Franchising, LLC and Subsidiaries (the "Company") is engaged in franchising and support of franchisees in the establishment and operations of Goldfish Swim Schools. Franchise schools are located throughout the United States and Canada.

The Company executes franchise agreements that establish the terms of its arrangement with franchisees. The franchise agreements require the franchisee to pay an initial fee of \$50,000, with a reduction in the franchise fee for opening additional franchises. In addition to the initial investment fee, the franchisee pays the Company a monthly royalty fee of 6 percent of gross sales and a brand fund contribution of up to 2 percent of gross sales.

At December 31, 2019, there were 139 signed franchise agreements and 44 signed area development agreements, with 96 swim schools open and operating. At December 31, 2018, there were 113 signed franchise agreements and 37 signed area development agreements, with 79 swim schools open and operating. At December 31, 2017, there were 93 signed franchise agreements and 26 signed area development agreements, with 57 swim schools open and operating.

Note 2 - Significant Accounting Policies

Basis of Accounting

The consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America. The Company has elected to adopt certain accounting alternatives for private companies developed by the Private Company Council.

Principles of Consolidation

The consolidated financial statements include the accounts of Goldfish Swim School Franchising, LLC; its wholly owned subsidiary, Goldfish Swim School Franchise Marketing, LLC; and all variable interest entities (VIEs) for which the Company is the primary beneficiary. The equity attributable to the VIE is reported as a noncontrolling interest in the accompanying consolidated financial statements. All significant intercompany accounts and transactions have been eliminated in consolidation.

The effects of eliminations of revenue and expenses due to intercompany transactions between the wholly owned subsidiary and consolidated VIEs are not attributed to noncontrolling interests in the VIEs.

The Company is the primary beneficiary of McCuiston Family Enterprises, Inc. (MFE) and its wholly owned subsidiary, GSSF of Canada Holdings, Inc., which qualifies as a variable interest entity. Accordingly, the assets and liabilities and revenue and expenses of MFE have been included in the accompanying consolidated financial statements. The entity was formed in 2016 for the purpose of providing management services. See Note 11 for additional financial information relating to MFE.

Use of Estimates

The preparation of consolidated financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition

The Company earns revenue from its franchised schools, which includes royalties, franchise fees, brand fund fees, and technology fees. The Company sells individual franchisees the right to operate a school within a defined territory using the franchise name. The initial term of franchise agreements is typically 20 years, with an option to renew or transfer the franchise agreement to a new or existing franchisee.

Goldfish Swim School Franchising, LLC and Subsidiaries

Notes to Consolidated Financial Statements

December 31, 2019, 2018, and 2017

Note 2 - Significant Accounting Policies (Continued)

The Company has obligations to provide franchisees with the franchise rights to operate a school, training, and site selection, as well as provide technology and advertising for which fees are charged. The Company has concluded that management training and site selection are separate performance obligations due to the nature of these services being nonbrand specific and capable of being used by the franchisee in other businesses. The remaining items represent a single performance obligation. Therefore, initial franchise fees for each agreement are allocated to the management training, site selection, and franchise right for each individual franchise. The management training and site selection revenue is recognized at the time the obligations have been satisfied. The franchise right revenue is recognized over the term of the respective franchise agreement beginning on the date the school is opened. Income for royalties, technology fees, and advertising fees is recognized over the term of the respective franchise agreement as the underlying sales occur.

Payment Terms

The Company's franchise agreements require the payment of various fixed and variable fees. Initial franchise fees are due and typically paid when a franchise agreement is executed and are nonrefundable. These fees are collected prior to the satisfaction of the Company's performance obligations, resulting in the Company recognizing deferred revenue contract liabilities. Initial franchise fees are also received pursuant to area development agreements, which grant the right to develop franchised swim schools in future periods in specific geographic areas. Royalties and brand fund fees are paid on a monthly basis, based upon a percentage of franchisee gross sales, respectively. Additional monthly fees are also charged for technology support provided to the franchisees. Deferred revenue at January 1, 2017 was \$1,890,729.

Allocating the Transaction Price

The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for providing franchisees with the franchise rights to service customers. To determine the transaction price, the Company considers its customary business practices, and the terms of the underlying agreement. For the purpose of determining transaction prices, the Company assumes performance obligations will be satisfied as promised in accordance with franchise agreements and that the agreements will not be canceled, renewed, or modified.

The Company's franchise agreements with franchisees have transaction prices that contain a fixed and variable component. Variable consideration includes revenue related to royalties and brand fund fees, as the transaction price is based on the franchisees sales. The variable consideration is recognized based on the actual amounts incurred each month.

The Company allocates consideration to the training program based on the observable stand-alone selling price of the training charged when additional management training program participation is requested by the franchisees. The Company allocates consideration to site selection based on the observable stand-alone selling price, which approximates the fair value of the service using the cost plus margin approach. The remaining consideration is allocated to the franchise right.

Accounts Receivable

Accounts receivable are stated at net invoice amounts. An allowance for doubtful accounts is established based on a specific assessment of all invoices that remain unpaid following normal customer payment periods. All amounts deemed to be uncollectible are charged against the allowance for doubtful accounts in the period that determination is made. No allowance for doubtful accounts receivable was deemed necessary based on management's estimates at December 31, 2019, 2018, or 2017.

Goldfish Swim School Franchising, LLC and Subsidiaries

Notes to Consolidated Financial Statements

December 31, 2019, 2018, and 2017

Note 2 - Significant Accounting Policies (Continued)

Property and Equipment

Property and equipment are recorded at cost. Major improvements and renewals are capitalized, while ordinary maintenance and repairs are expensed. The straight-line method is used for computing depreciation. Assets are depreciated over their estimated useful lives, which range from 3 to 15 years. Management annually reviews these assets to determine whether carrying values have been impaired.

Income Taxes

The Company is treated as a partnership for federal income tax purposes. Consequently, federal income taxes are not payable or provided for by the Company. Members are taxed individually on their pro rata ownership share of the Company's earnings. The Company's net income or loss is allocated among the members in accordance with the Company's operating agreement.

MFE, the variable interest entity, has elected to be taxed as an S corporation. Generally, the income of an S corporation is not subject to federal income tax at the corporate level, but rather the stockholders are required to include a pro rata share of the corporation's taxable income or loss in their personal income tax returns, irrespective of whether dividends have been paid. Accordingly, no provision for federal income taxes has been made in the accompanying consolidated financial statements.

Advertising Expense

In accordance with the franchise agreement, franchisees pay a percentage of monthly sales to a brand fund to be used for advertising, marketing, and other promotional purposes. The contribution received from franchisees for the brand fund is segregated into a separate bank account maintained by Goldfish Swim School Franchise Marketing, LLC. Any excess amounts remaining in the brand fund at the end of the year are used for marketing and promotion in the following year.

Brand fund fees from the franchisees of \$2,925,080, \$2,182,289, and \$1,516,928 for 2019, 2018, and 2017, respectively, are included in net revenue in the accompanying consolidated statement of operations, and advertising expense of \$2,900,947, \$2,181,394, and \$1,412,602 for 2019, 2018, and 2017, respectively, is included in operating expenses in the accompanying consolidated statement of operations.

The costs of advertising not paid from the brand funds are expensed as incurred. The Company incurred no direct advertising costs during the years ended December 31, 2019, 2018, or 2017.

Restricted Cash

The Company has restricted cash equal to the amount of unspent advertising funds on deposit. At December 31, 2019, 2018, and 2017, \$331,976, \$307,874, and \$306,979, respectively, of cash is restricted for this purpose.

In 2019, the Company adopted Accounting Standards Update No. 2016-18, which requires the Company to present the change of both cash and restricted cash in the consolidated statement of cash flows. This guidance has been applied to the earliest period presented.

Subsequent Events

The consolidated financial statements and related disclosures include evaluation of events up through and including March 2, 2020, which is the date the consolidated financial statements were available to be issued.

Goldfish Swim School Franchising, LLC and Subsidiaries

Notes to Consolidated Financial Statements

December 31, 2019, 2018, and 2017

Note 2 - Significant Accounting Policies (Continued)

Upcoming Accounting Pronouncement

In February 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2016-02, *Leases*, which will supersede the current lease requirements in Accounting Standards Codification (ASC) 840. The ASU requires lessees to recognize a right-of-use asset and related lease liability for all leases, with a limited exception for short-term leases. Leases will be classified as either finance or operating, with the classification affecting the pattern of expense recognition in the statement of operations. Currently, leases are classified as either capital or operating, with only capital leases recognized on the balance sheet. The reporting of lease-related expenses in the statements of operations and cash flows will be generally consistent with the current guidance. The new lease guidance will be effective for the Company's year ending December 31, 2021 and will be applied using a modified retrospective transition method to either the beginning of the earliest period presented or the beginning of the year of adoption.

While the Company is continuing to assess all potential impacts of the standard, it currently believes the most significant impact relates to the operating lease with a related party (see Note 5). Specifically, it is expected a right-of-use asset and corresponding liability will be recorded on the consolidated balance sheet. The effects on the results of operations are not expected to be significant, as recognition and measurement of expenses and cash flows for leases will be substantially the same under the new standard.

Note 3 - Adoption of New Accounting Standard

In May 2014, the FASB issued an ASU that amends the guidance for revenue recognition. This amendment contains principles that require an entity to recognize revenue to depict the transfer of promised goods and services to customers at an amount that an entity expects to be entitled to in exchange for those promised goods or services. The Company adopted this amendment using the full retrospective method. Under the full retrospective method, all periods are presented under the revenue guidance in these amendments.

The adoption of this amendment changed the timing of recognition of initial franchise fees. Previously, these fees were generally recognized upfront upon the opening of a school. The new guidance generally requires these fees to be recognized over the term of the related franchise agreement.

The adoption of this amendment also changed the recognition of brand fund fees. Previously, the surplus balance of unspent brand fund fees was included in current liabilities in the consolidated balance sheet. Contributions received from franchisees constituted agency transactions and were not recognized as revenue and expenses. Effective January 1, 2019, with the adoption of ASC 606, the Company's brand fund fees are accounted for on a gross basis as revenue from franchisees, and related advertising costs are accounted for separately under ASC 720-35, *Other Expenses - Advertising Costs*.

The Company leases a building from an entity under common control. The Company has elected to apply the private company accounting alternative for common control leasing arrangements developed by the Private Company Council. Under the accounting alternative, the Company is not required to evaluate whether the leasing entity is a variable interest entity subject to consolidation by the Company. See Note 5 for further disclosures related to the lease.

The leasing entity has two outstanding bank notes totaling \$1,638,034, \$1,677,315, and \$1,481,616 at December 31, 2019, 2018, and 2017, respectively, that were used to finance the assets leased to the Company. In the event of a default by the leasing entity, the Company could be obligated to repay the full amount outstanding on the loans. As of December 31, 2019, the maximum potential future obligation under this guarantee is the outstanding balance of the debt and any accrued and unpaid interest. In the event the Company is required to make payments under this guarantee, the Company could seek to recover those amounts from the leasing entity; however, the Company does not hold specific recourse or collateral rights in connection with the guarantee. As of December 31, 2019, the Company is unaware of any circumstances that would require performance under this guarantee.

Note 1 - Nature of Business

Goldfish Swim School Franchising, LLC and Subsidiaries (the "Company") is engaged in franchising and support of franchisees in the establishment and operations of Goldfish Swim Schools. Franchise schools are located throughout the United States and Canada.

The Company executes franchise agreements that establish the terms of its arrangement with franchisees. The franchise agreements require the franchisee to pay an initial fee of \$50,000, with a reduction in the franchise fee for opening additional franchises. In addition to the initial investment fee, the franchisee pays the Company a monthly royalty fee of 6 percent of gross sales and a brand fund contribution of up to 2 percent of gross sales.

At December 31, 2018, there were 113 signed franchise agreements and 37 signed area development agreements, with 79 swim schools open and operating. At December 31, 2017, there were 93 signed franchise agreements and 26 signed area development agreements, with 57 swim schools open and operating. At December 31, 2016, there were 64 signed franchise agreements and 10 signed area development agreements, with 37 swim schools open and operating.

Note 2 - Significant Accounting Policies

Basis of Accounting

The consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America. The Company has elected to adopt certain accounting alternatives for private companies, as developed by the Private Company Council.

Principles of Consolidation

The consolidated financial statements include the accounts of Goldfish Swim School Franchising, LLC; its wholly owned subsidiary, Goldfish Swim School Franchise Marketing, LLC; and all variable interest entities (VIEs) for which the Company is the primary beneficiary. The equity attributable to the VIE is reported as a noncontrolling interest in the accompanying consolidated financial statements. All significant intercompany accounts and transactions have been eliminated in consolidation.

The effects of eliminations of revenue and expenses due to intercompany transactions between the wholly owned subsidiary and consolidated VIEs are not attributed to noncontrolling interests in the VIEs.

The Company is the primary beneficiary of McCuiston Family Enterprises, Inc. (MFE) and its wholly owned subsidiary, GSSF of Canada Holdings, Inc., which qualifies as a variable interest entity. Accordingly, the assets and liabilities and revenue and expenses of MFE have been included in the accompanying consolidated financial statements. The entity was formed in 2016 for the purpose of providing management services. See Note 10 for additional financial information relating to MFE.

Use of Estimates

The preparation of consolidated financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Franchising and Revenue Recognition

When an individual franchise agreement is entered into, the Company provides certain services to the franchisee, including site selection and training. The Company recognizes nonrefundable initial fees as revenue when substantially all initial services required by the franchise agreement are performed, which is generally upon completion of a preopening training completed at the franchise location. Until such time, any initial fees received are recorded as deferred revenue.

Notes to Consolidated Financial Statements

December 31, 2018, 2017, and 2016

Note 2 - Significant Accounting Policies (Continued)

Fees received pursuant to area development agreements, which grant the right to develop franchised swim schools in future periods in specific geographic areas, are deferred and recognized in the same manner as initial franchise fees.

Royalty fees are recognized as earned. Franchise fees, royalties, and operating rights are stipulated in franchise agreements, which have 20-year terms.

Accounts Receivable

Accounts receivable are stated at net invoice amounts. An allowance for doubtful accounts is established based on a specific assessment of all invoices that remain unpaid following normal customer payment periods. All amounts deemed to be uncollectible are charged against the allowance for doubtful accounts in the period that determination is made. No allowance for doubtful accounts receivable was deemed necessary based on management's estimates at December 31, 2018, 2017, or 2016.

Property and Equipment

Property and equipment are recorded at cost. Major improvements and renewals are capitalized, while ordinary maintenance and repairs are expensed. The straight-line method is used for computing depreciation. Assets are depreciated over their estimated useful lives, which range from 3 to 10 years. Management annually reviews these assets to determine whether carrying values have been impaired.

Income Taxes

The Company is treated as a partnership for federal income tax purposes. Consequently, federal income taxes are not payable or provided for by the Company. Members are taxed individually on their pro rata ownership share of the Company's earnings. The Company's net income or loss is allocated among the members in accordance with the Company's operating agreement.

MFE, the variable interest entity, has elected to be taxed as an S corporation. Generally, the income of an S corporation is not subject to federal income tax at the corporate level, but rather the stockholders are required to include a pro rata share of the corporation's taxable income or loss in their personal income tax returns, irrespective of whether dividends have been paid. Accordingly, no provision for federal income taxes has been made in the accompanying consolidated financial statements.

Advertising Expense

In accordance with the franchise agreement, franchisees pay a percentage of monthly sales to a brand fund to be used for advertising, marketing, and other promotional purposes. The contribution received from franchisees for the brand fund is segregated into a separate bank account maintained by Goldfish Swim School Franchise Marketing, LLC. Any excess amounts remaining in the brand fund at the end of the year are used for marketing and promotion in the following year, and costs incurred in excess of fees assessed are recorded as other accounts receivable. As of December 31, 2018, 2017, and 2016, the Company has a liability of \$307,874, \$306,979, and \$202,653, respectively, relating to advertising fees collected in excess of advertising expended.

The costs of advertising not paid from the brand funds are expensed as incurred. The Company incurred no direct advertising costs during the years ended December 31, 2018, 2017, or 2016.

Restricted Cash

The Company has restricted cash equal to the amount of unspent advertising funds on deposit. At December 31, 2018, 2017, and 2016, \$307,874, \$306,979, and \$202,653, respectively, of cash is restricted for this purpose.

Note 2 - Significant Accounting Policies (Continued)

Subsequent Events

The consolidated financial statements and related disclosures include evaluation of events up through and including March 1, 2019, which is the date the consolidated financial statements were available to be issued.

Upcoming Accounting Pronouncements

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2014-09, *Revenue from Contracts with Customers (Topic 606)*, which will supersede the current revenue recognition requirements in Topic 605, *Revenue Recognition*. The ASU is based on the principle that revenue is recognized to depict the transfer of goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The ASU also requires additional disclosure about the nature, amount, timing, and uncertainty of revenue and cash flows arising from customer contracts, including significant judgments and changes in judgments and assets recognized from costs incurred to obtain or fulfill a contract. The new guidance will be effective for the Company's year ending December 31, 2019. The ASU permits application of the new revenue recognition guidance using one of two retrospective application methods. The Company has not yet determined which application method it will use.

While the Company is continuing to assess all potential impacts of the standard, it currently believes the most significant impact relates to accounting for franchise fees, though the precise impact has not been determined. The Company expects revenue related to royalties to remain substantially unchanged.

In February 2016, the FASB issued ASU No. 2016-02, *Leases*, which will supersede the current lease requirements in ASC 840. The ASU requires lessees to recognize a right-of-use asset and related lease liability for all leases, with a limited exception for short-term leases. Leases will be classified as either finance or operating, with the classification affecting the pattern of expense recognition in the statement of operations. Currently, leases are classified as either capital or operating, with only capital leases recognized on the balance sheet. The reporting of lease-related expenses in the statements of operations and cash flows will be generally consistent with the current guidance. The new lease guidance will be effective for the Company's year ending December 31, 2020 and will be applied using a modified retrospective transition method to the beginning of the earliest period presented.

While the Company is continuing to assess all potential impacts of the standard, it currently believes the most significant impact relates to the operating lease with a related party (see Note 4). Specifically, it is expected a right-of-use asset and corresponding liability will be recorded on the consolidated balance sheet. The effects on the results of operations are not expected to be significant, as recognition and measurement of expenses and cash flows for leases will be substantially the same under the new standard.

The Company receives management services from McCuiston Family Enterprises, Inc. (MFE) and has determined that it is a variable interest entity of MFE because MFE exists primarily to provide such services to the Company. The Company has determined that it is the primary beneficiary of MFE because it has (1) the power to direct the activities of MFE that most significantly impact its economic performance and (2) the obligation to absorb losses that could potentially be significant to MFE. As a result, MFE has been included in the consolidated financial statements as a consolidated variable interest entity.

Note 11 - Leasing Entity Under Common Control

The Company leases a building from an entity under common control. The Company has elected to apply the private company accounting alternative for common control leasing arrangements, as developed by the Private Company Council. Under the accounting alternative, the Company is not required to evaluate whether the leasing entity is a variable interest entity subject to consolidation by the Company. See Note 4 for further disclosures related to the lease.

The leasing entity has two outstanding bank notes totaling \$1,677,315, \$1,481,616, and \$880,000 at December 31, 2018, 2017, and 2016, respectively, that were used to finance the assets leased to the Company. The debt agreements required interest-only monthly payments through April 2018 at 4.57 percent. Subsequent to this date, monthly principal payments of \$8,429 and \$1,253 are required for the two notes, including interest at 4.50 percent through October 2027. The assets leased to the Company serve as collateral for the debt.

The Company has also pledged all of its assets as collateral for the bank debt and has provided a guarantee of amounts due. In the event of a default by the leasing entity, the Company could be obligated to repay the full amount outstanding on the loans. As of December 31, 2018, the maximum potential future obligation under this guarantee is the outstanding balance of the debt and any accrued and unpaid interest. In the event the Company is required to make payments under this guarantee, the Company could seek to recover those amounts from the leasing entity; however, the Company does not hold specific recourse or collateral rights in connection with the guarantee. As of December 31, 2018, the Company is unaware of any circumstances that would require performance under this guarantee.

As described in Note 5, the Company has notes receivable from members that have common ownership of the leasing entity totaling \$274,062, \$274,062, and \$508,553 at December 31, 2018, 2017, and 2016, respectively, and an advance to the leasing entity for \$470,005, \$469,106, and \$28,752 at December 31, 2018, 2017, and 2016, respectively, that were used to finance the acquisition of the assets leased to the Company.

2. THE FRANCHISE AGREEMENT CONTAINS PROVISIONS THAT LIMIT FRANCHISEE'S RIGHTS AND MAY NOT BE ENFORCEABLE IN CALIFORNIA, INCLUDING BUT NOT LIMITED TO A TIME LIMIT TO RAISE CLAIMS AGAINST THE FRANCHISOR, LIMITATION OF DAMAGES, AND WAIVER OF JURY TRIAL.

3. **Spousal liability**: Your spouse will be liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. 6. The California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer, or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

7. The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).

8. The Franchise Agreement contains a covenant not to compete that extends beyond the term of the agreement. This provision might not be enforceable under California law.

9. The Franchise Agreement requires litigation to be conducted in Oakland County, Michigan. This provision might not be enforceable for any cause of action arising under California law.

10. The Franchise Agreement requires application of the laws of the state of Michigan apply, with some restrictions. This provision might not be enforceable under California law.

FOR THE STATE OF MICHIGAN

1. THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

- A prohibition of your right to join an association of Franchisees.
- A requirement that you assent to a release, assignment, novation, waiver or estoppel that deprives you of rights and protections provided in this act. This shall not preclude you, after entering into a Franchise Agreement, from settling any and all claims.
- A provision that permits us to terminate a franchise prior to the expiration of this term except for good cause. Good cause shall include your failure to comply with any lawful provision of the Franchise Agreement and to cure the failure after being given written notice of the failure and a reasonable opportunity, which in no event need be more than 30 days, to cure the failure.
- A provision that permits us to refuse to renew a franchise without fairly compensating you by repurchase or other means for the fair market value at the time of expiration of your inventory, supplies, equipment, fixtures and furnishings. Personalized materials that have no value to us and inventory, supplies, equipment, fixtures and furnishings not reasonably required in the conduct of the Franchised Swim School are not subject to compensation. This subsection applies only if: (a) the term of the franchise is less than 5 years, and (b) you are prohibited by the franchise agreement or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising or other commercial symbol in the same area subsequent to the expiration of the franchise or you do not receive at least 6 months advance notice of our intent not to renew the franchise.

- A provision requiring that litigation be conducted outside this state. This shall not preclude you from entering into an agreement, at the time of litigation, to conduct litigation at a location outside this state.
- A provision that permits us to refuse to permit a transfer of ownership of a franchise, except for good cause. The subdivision does not prevent us from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

- The failure of the proposed transferee to meet our then-current reasonable qualifications or standards.
- The fact that the proposed transferee is our or Subfranchisor's competitor.

- Your or proposed transferee's failure to pay us any sums or to cure any default in the Franchise Agreement existing at the time of the proposed transfer.
- A provision that requires you to resell to us items that are not uniquely identified with us. This subdivision does not prohibit a provision that grants us a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants us the right to acquire the assets of a franchise for the market or appraised value and has failed to cure the breach in the manner provided in ITEM 17 (g).
- A provision that permits us to directly or indirectly convey, assign or otherwise transfer our obligations to fulfill contractual obligations to you unless a provision has been made for providing the required contractual services.

2. THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENFORCEMENT BY THE ATTORNEY GENERAL.
