What You Need to Know About Franchising Generally

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the Franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the Franchisor or a limited group of suppliers the Franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from Franchisor. Even if the franchise agreement grants you a territory, the Franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About This Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out of State Dispute Resolution.** The franchise agreement requires you to resolve disputes with us by mediation, arbitration and/or litigation only in Arizona. Out-of-state arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost you more to mediate, arbitrate or litigate with us in Arizona than in your home state.
2. **Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.
3. **Franchise Location.** If the Franchisor offers you a location in your market, you must take the location and operate it as your own. If you fail to accept and operate the newly offered food service unit, your franchise agreement or your other sushi bars and food retail units shall be in default and you may lose your right to operate all of your food retail units.
4. **Conversion.** If the Franchisor requires your Satellite Sushi Bar to convert to a Full Service Sushi Bar, and you fail to do so, then your franchise agreement for all food service bars shall be in default and you may lose your right to operate all food retail units.

This Franchise. Certain states may require other risks to be highlighted. If so, check the "State Specific Addenda" pages for your state.

ITEM 1: THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

The Franchisor

To simplify the language in this disclosure document "we" or "us" or "Franchisor" means Hissho International, LLC. "You" or "Franchisee" means the individual(s), corporation, partnership, or limited liability company that buys the franchise and the shareholders of that corporation or members of that limited liability company. If you choose not to create a corporation or a limited liability company and you buy the franchise individually, "you" means you individually. Throughout this disclosure document whenever we refer to "company-operated" Food Retail Units, we mean all Food Retail Units operated by our affiliate, Hissho Operations, LLC.

Hissho International, LLC is a limited liability company organized under the laws of the State of Delaware on March 29, 2017. We do business under the service marks and trade names "Hissho Sushi," "Oumi Sushi," and "Sushi with Gusto" and various other trademarks and/or service marks. Our principal place of business is at 11949 Steele Creek Road, Charlotte, North Carolina 28273, and our telephone number is (704) 926-2200. Our affiliate, Lwin Family Co., LLC may provide services to franchisees on our behalf.

On January 1, 2021, we acquired substantially all of the assets of Sushi With Gusto, Inc., a South Carolina corporation. As part of that transaction, we acquired the rights to offer Sushi with Gusto franchises throughout the United States.

We authorize the respective agents for service of process as referenced in Exhibit B.

We offer for sale or grant franchisees the right to develop and operate sushi bars and (in some cases) Asian hot food bars under the name "Hissho Sushi" ~~or~~ "Oumi Sushi" or "Sushi with Gusto" ("Food Retail Units" or "Franchises"). We began offering franchises similar to the franchises offered by this disclosure document on September 6, 2013. We have not offered franchises in any other line of business and do not conduct any other kind of business. We do not maintain a sales office at any location other than our principal place of business and do not retain the services of any sales organization except employees of our affiliate Lwin Family Co.

Our Parent Companies

Our immediate parent company is Hissho Holdco, LLC, a Delaware limited liability company ("Holdco"), which owns 100% of the equity in us. Holdco's parent is Hissho Parent, LLC, a Delaware limited liability company ("Parent"), which owns 100% of the equity in Holdco. The principal business address for both Holdco and Parent is 11949 Steele Creek Road, Charlotte, North Carolina 28273

Holdco is controlled by AIH – Hissho Sushi, LLC, a Delaware limited liability company ("AIH – Hissho"). AIH–Hissho is controlled by American Investment Holdings, LLC, a Delaware limited liability company that owns a variety of privately held companies. The principal business address of each of these companies is 401 E. Jackson Street, Suite 2525, Tampa, Florida 33602.

Our Predecessors and Affiliates

We do not have any predecessors, although we were originally formed as a North Carolina limited liability company and moved the state in which we are organized to Delaware during 2017.

We have two affiliates that also maintain their principal place of business at 11949 Steele Creek Road, Charlotte, North Carolina 28273. Lwin Family Co., LLC (referred to as "Lwin" or "Lwin Family Co") is our designated supplier of food, certain types of equipment and certain services to franchisees. Lwin has not offered franchises in any line of business.

Our affiliate Hissho Operations, LLC operates Food Retail Units under the Proprietary Marks that are similar to those offered by this disclosure document. Those Food Retail Units operated by Hissho Operations, LLC are referred to as company operated Food Retail Units.

The System

Food Retail Units are generally located in grocery stores, supermarkets, specialty stores, hospitals, universities, and other locations owned and operated by third-party operators (the “Retail Host”) who enter into agreements with us or our affiliates to have sushi and/or Asian hot food products prepared and offered for sale at sushi counters and/or Asian hot food bars within the Retail Host locations that are branded with one of the Proprietary Marks.

The right to operate and the terms of operation of a Food Retail Unit are negotiated by us or our affiliate directly with the Retail Host. When we franchise a Food Retail Unit to you, you must comply with the requirements of the Retail Host in all respects. Your right to operate a Food Retail Unit is conditional upon our right to operate a Food Retail Unit in the Retail Host, and if for any reason we or our affiliates lose the right to operate a location, you will also lose the right to operate a Food Retail Unit. If we lose the right to operate a particular location, we do not compensate you and we do not guaranty or promise that we will find you another location.

We offer three variations of Food Retail Units: full service sushi bars (“Full Service Sushi Bar”), satellite sushi bars (“Satellite Sushi Bar”) and Asian food bars (“Asian Food Bar”). Full Service Sushi Bars and Satellite Sushi Bars are sometimes referred to as “Sushi Bars.” We may offer you a single location or multiple locations over time. If we offer you additional Food Retail Units, you will sign an addendum to your franchise agreement authorizing operation of the additional Food Retail Units. We decide whether to offer you a Sushi Bar or an Asian Food Bar depending upon the suitability of the facility, available square footage, the characteristics of the Retail Host’s location, and other factors. Typically, Food Retail Units will be located within the premises of a Retail Host.

Our Full Service Sushi Bars, Satellite Sushi Bars and Asian Food Bars operate using the same systems, methods and procedures, and under the same supply arrangements, regardless of the Proprietary Marks utilized in connection with its operation. So when we refer to the “Hissho System” in the remainder of this document, we mean our method of operating Food Retail Units under any Proprietary Mark.

Sushi Bars

Full Service Sushi Bars may require personnel to be present during all operating hours, or may be part-time sushi bars that require personnel to be present 30 to 35 hours during the operating week. The determination of whether a Full Service Sushi Bar is full time or part time is made by us in our discretion, and may be determined in consultation with the Retail Host. Full Service Sushi Bars offer high quality, freshly prepared sushi products which are offered for sale at competitive prices as carry-out items typically for off-premises consumption or on-premises consumption depending upon the seating availability of the Retail Host location. Sushi Bars also offer for sale various packaged retail products such as bottled, branded sauces, dried seaweed, wasabi and gari.

Franchisees may also have pre-packaged sushi display and merchandising cases at Retail Host locations in the vicinity of a Full Service Sushi Bar (“Satellite Sushi Bars”). Sushi is not prepared on-site at a Satellite Sushi Bar but is prepared at a Full Service Sushi Bar and delivered to a Satellite Sushi Bar. Your franchise business may have only a Full Service Sushi Bar or it may have one or more Full Service Sushi Bars and Satellite Sushi Bars. You may not obtain a Satellite Sushi Bar unless you also have a Full Service Sushi Bar. If we grant you the right to open Satellite Sushi Bars, you will prepare products at your Full Service Sushi Bar and deliver them to your Satellite Sushi Bars. If we obtain a suitable location for a Satellite Sushi Bar within the vicinity of one of your Full Service Sushi Bars, you will be required

to operate the Satellite Sushi Bar as your own. If you operate a Satellite Sushi Bar you will sign an addendum adding it to your Franchise Agreement.

Asian Food Bars

Asian Food Bars offer freshly prepared Asian dishes for take-away, consumption off premises, and, depending on the facility, for consumption on premises. Asian Food Bars are full service food bars requiring personnel to be present during all operating hours. We may require you to operate both an Asian Food Bar with your Sushi Bar in a particular Retail Host location, at our discretion. At this time Asian Food Bars do not prepare or serve sushi.

The Franchise Agreement

You may be a corporation or a limited liability company, as approved by us, or you may sign the Franchise Agreement in your individual capacity.

Under our franchise program you will sign a Franchise Agreement (the "Franchise Agreement") which grants you the right to establish and operate a Full Service Sushi Bar or an Asian Food Bar at a Retail Host location identified in the Franchise Agreement.

Under our satellite program, your Franchise Agreement will also grant you the right and the obligation to operate one or more Satellite Sushi Bars, and you will sign an addendum to your Franchise Agreement designating the Satellite Sushi Bar(s).

Food Retail Units operating under our brands are characterized by a system which includes distinctive layout and systems, a special selection of sushi products prepared fresh and from high grade ingredients, utilizing our procedures and preparations which may be changed from time to time; methods for operating; a training program using special course instruction, and manuals; and distinctive graphics presentations, marketing and promotional programs and materials (the "System"). We will continue to improve and develop the System and will provide you with new information and techniques as they may develop. The Sushi Bars offer a standard special selection of branded sushi products and condiments, which may change from time to time.

The System is identified by certain trade names, service marks, trademarks, logos, emblems, and indicia of origin, including the mark "Hissho Sushi" ~~or~~ "Oumi Sushi" or "Sushi with Guso" that we currently designate and may designate in writing in the future for use with the System (the "Proprietary Marks") and certain unique trade dress, including but not limited to specific color schemes, patterns, design, decor, layout, that we now or hereafter use in connection with the System (the "Trade Dress").

Our typical franchised Food Retail Unit will be located within a Retail Host location in an urban or suburban location, with proximity to residential areas, near or in commercial areas. Typically, we or our affiliate will have an agreement with the Retail Host that gives us or our affiliates the right to operate a Food Retail Unit within the Retail Host. We will give you access to the Retail Host location as part of our franchise agreement. Sushi products will be purchased through the Retail Host's cash register system. The amounts you receive are referred to as Franchise Commissions and are stated in the Franchise Agreement. After the Retail Host retains its portion of the Gross Sales, which percentage will be pre-negotiated with us, the remaining sales will be submitted to us. Any additional portion of the Gross Sales that are retained by the Retail Host will be deducted from your Franchise Commissions. We then retain and deduct from your Franchise Commissions any amounts that you owe us under the terms of your Franchise Agreement, plus any amounts you owe us for fees (See Item 6), financing costs (Item 10), amounts you owe us or our affiliates for purchases of food and supplies, and any other monetary obligation that you have to us or our affiliate. All amounts that we or our affiliate retain are deducted from your Franchise Commissions. We will remit to you the remainder of your Franchise Commissions. If there is a negative balance to your Franchise Commissions after all deductions, then your negative

balance will be carried forward to the next month and be deducted from your next month's Franchise Commissions. We are never required to remit any funds to you until the Retail Host remits those funds to us. If occupancy costs and other costs imposed by the Retail Host are increased this may also result in a reduction in your Franchise Commissions.

Our Food Retail Units generally use a standard design, layout, and décor. Our standard, traditional Full Service Sushi Bar occupies between approximately 50 to 300 square feet within a Retail Host location including shared storage with the Retail Host. An Asian Food Bar is approximately 50 to 400 square feet including shared storage area. A Satellite Sushi Bar typically occupies from approximately 2 to 25 linear feet within a cold food display case of a Retail Host location. Typically, sushi is offered for off premises consumption although there may be occasions that a Retail Host location may provide limited seating.

The sushi business and the market for prepared Asian food is highly competitive and may be affected by changes in taste and eating habits of the public and by local and national economic conditions. The principal basis of competition in the industry is the quality of products served, price of the food products offered, but name identification, ambiance, décor, site selection, speed of service, advertising, and attractiveness of facilities are also important. There is also competition for available locations within various Retail Hosts. Your competition will include other sushi bars, and retail chains of sushi bars and restaurants that offer or specialize in sushi, or Asian food some of which may be located close to your Food Retail Unit, including national and regional chains, as well as secondary competition, including grocery stores offering prepared products and restaurants that offer sushi. Sales may be seasonally affected and may be affected generally by weather conditions and in some areas with seasonal traffic (for example, vacation areas) sales may be particularly seasonal in nature.

Each individual who owns an interest in your corporation or limited liability company must sign the Franchise Agreement in his/her individual capacity and a guaranty agreeing to be bound by all the terms and conditions of the Franchise Agreement including any amendments and to unconditionally guarantee the payment of all liabilities incurred by you, as Franchisee, at any time and must sign as additional signatories the Franchise Agreement.

We are sometimes required to open Food Retail Units in new locations of Retail Hosts as a condition of operating any Food Retail Units with a particular Retail Host. If you own a Food Retail Unit and we obtain or are offered the right to operate another Food Retail Unit within thirty miles of one of your Food Retail Units, we may require you to take and operate the newly offered Food Retail Unit as your own. If you are required to take and operate an additional Food Retail Unit, your Franchise Commission with respect to the additional Food Retail Unit, will be no less than the highest rate of Franchise Commission in your existing and operating full service Food Retail Units.

Industry-Specific Regulations

Each franchised Food Retail Unit will be subject to federal and local health inspection authorities which govern the handling of food, temperatures and other health considerations. Federal law and regulation impose specific requirements on the handling of fresh fish products under the Hazard Analysis Critical Control Points (HACCP) program. Federal law also requires chain retail food establishments with more than twenty locations to disclose the number of calories of each standard menu item on the menu and menu boards, make additional written nutritional information available to customers on request and provide a statement on menu boards about the availability of additional information. In some states or municipalities or other political subdivisions there may be local regulations that limit foods offered for sale, or that require posting of calorie content or other nutritional information.

ITEM 3:ITEM 5: LITIGATION

No litigation is required to be disclosed in this Item.

ITEM 4:ITEM 6: BANKRUPTCY

No bankruptcy information is required to be disclosed in this Item.

ITEM 5:ITEM 7: INITIAL FEES

Initial Franchise Fee

You must pay a franchise fee (the “Initial Franchise Fee”) upon execution of the Franchise Agreement for a Food Retail Unit. The Initial Franchise Fee for a Full Service Sushi Bar is \$4,200. The Initial Franchise Fee for an Asian Food Bar is \$4,200. There is no Initial Franchise Fee for a Satellite Sushi Bar.

If you acquire other Food Retail Units from us later (Sushi Bar, Satellite Sushi Bar, or Asian Food Bar), the length of the term granted for subsequent Food Retail Units will match the length of the term remaining on the Franchise Agreement for your first Food Retail Unit. The Initial Franchise Fee payable for any additional Food Retail Units after the first Food Retail Unit depends on the term remaining on your Franchise Agreement as follows:

- Between 25 and 36 months remaining--Initial Franchise Fee \$4,200;
- Between 13 to 24 months remaining--Initial Franchise Fee \$2,800;
- Less than 13 months remaining--Initial Franchise Fee \$1,400.

~~We do not charge an Initial Franchise Fee in connection with Satellite Sushi Bars.~~

If you acquire existing Food Retail Units from another franchisee, at our option, you will be required to pay either a prorated franchise fee for the remaining term under the Franchise Agreement, or a full Initial Franchise Fee for each acquired Food Retail Unit for which you receive a new Franchise Agreement with a three-year term.

If you acquire existing Food Retail Units from us, and if the combined total of the Gross Sales of the Food Retail Units averages less than \$2,000 per week based on the preceding 12-month average Gross Sales, then we may discount your Initial Franchise Fee by 50% for those particular Food Retail Units. If the combined total of the Gross Sales of the Food Retail Units averages less than \$1,500 per week based on the preceding 12-month average Gross Sales, then we may discount your Initial Franchise Fee by 75% for those particular Food Retail Units.

During our last fiscal year, the Initial Franchise Fees that we collected ranged from a low of \$0 to a high of \$4,200.

Additional Fees and Costs Payable to Us or Affiliates

\$2,300 to \$5,600 for training fees, depending upon the experience of your principals and the pace of your training, as further described in Item 7 of this Disclosure Document.

\$3,500 to \$10,000 for equipment, small-wares, a label machine, and tablet, purchased from our affiliate Lwin Family Co. We will offer certain types of equipment for lease, such as display cases, if they are not provided by the Retail Host.

Our affiliate has charged between \$0 and \$50,000 for purchase of its existing locations, but for highly successful locations our affiliate may charge a price of up to \$150,000. 1. You do not receive payments from customers for the sales of goods and services from your Food Retail Units. Those payments will be made directly to the Retail Host where the Food Retail Unit is located and paid directly by the customer through the Retail Host's POS System. As used in this Agreement, "Gross Sales" includes all revenue from the sale of all services and products related to the Franchised Business, whether for cash or credit and regardless of collection in the case of credit; except that "Gross Sales" does not include any sales taxes or other taxes collected from customers for transmittal to the appropriate taxing authority.

The percentage of sales that the Retail Host may retain as its share of Gross Sales (its "Service Commission") is negotiated directly by us or Lwin with the Retail Host and may vary among Food Retail Units. The Service Commission varies by Retail Host and location. A typical Service Commission is 25% but may range from 0% to 40% of Gross Sales. Service Commissions may fluctuate during the term of your Franchise Agreement. The amount remaining from Gross Sales after deduction of the Service Commission is referred to as "Net Sales." In other words, the Net Sales paid by the Retail Host ranges from 60% to 100% of Gross Sales. Any additional charges or changes in cost made by the Retail Host will be passed along to you and will be deducted from your Franchise Commissions.

When we receive the Net Sales from the Retail Host, we will remit to you the percentage of Gross Sales that we agree with you in the Franchise Agreement for each individual Food Retail Unit (your "Franchise Commissions"), but only after first deducting from your Franchise Commissions: (i) all amounts owed to us, including all fees listed in this Item 6; (ii) all amounts you owe to Lwin and/or affiliated suppliers for food and supplies and other purchases made by Franchisee, and (iii) any other amounts owed to us arising from loans, financings, advances, credits or deferrals made to you by us or our affiliates. After all deductions, we will remit the remainder of your Franchise Commissions to you. If after all deductions from the Franchise Commission there remains a negative balance, the negative balance will be carried forward to the next month, and if necessary, additional subsequent months, and the negative balance shall be deducted from your next Franchise Commissions. You will not be entitled to any Gross Sales or Net Sales except in the amount of the Franchise Commissions after all deductions

2. The amounts we retain, after payment of all amounts owed to Lwin, and after amounts owed to us for fees and other charges varies, but typically ranges from 0% to 25% of Gross Sales. Lwin will deduct all amounts owed to it and we will deduct all amounts owed to us before we pay you your Franchise Commissions.

Typically, the Retail Host will make monthly payments to us, but the payment terms may vary from two week intervals up to three-months between payments from the Retail Host. If we do not receive a monthly report from the Retail Host and the amount of Gross Sales is unknown, we may estimate the amount of the Gross Sales for that reporting period and note on your account the amounts you owe us. Upon receipt of payment from the Retail Host we will withhold those amounts you owe us for previous months' Franchise Commission. We are not required to pay your Franchise Commissions until the Retail Host pays Lwin and us. Any debits or reductions made by the Retail Host, which may include under-payments from previous reporting periods, will also be deducted from your Franchise Commissions.

3. ~~Local Marketing Contributions are paid directly to us and are non-refundable.~~ You will make a Brand Fund Contribution of two percent (2%) of your Net Sales each week at the same time and in the same manner as you pay Royalty Fees. We may increase the Brand Fund Contribution upon thirty (30) days written notice to you.

4. If you ask for an accounting or evidence of amounts we receive from the Retail Host, or other information more detailed than that provided to you in your monthly report, we will charge you \$100 per month for which you request additional sales or other information. Therefore, if you ask for evidence of amounts we received from a Retail Host for a three-month period, your fee will be \$300 (\$100 per

month). This fee is imposed by and payable to us, is not collected on behalf of nor paid to any third party and is non-refundable.

5. Food purchased, supplies, condiments, third party drop ship vendor purchases approved by us or Lwin, and the cost of freight are imposed by and payable to our affiliate Lwin Family Co (See Item 7) and are not refundable. On an ongoing basis you may buy produce for your own account. On occasion, at our discretion, we may maintain an account at the Retail Host or other supplier of produce from which you may order. If you order on our account, you will be required to re-pay us, and these amounts owed may be deducted by us from your Franchise Commissions.

6. Initial equipment and small wares required for each Food Retail Unit are purchased from us, Lwin, or a third party drop ship vendor approved by us or Lwin, and are payable to us or Lwin. Any amounts paid to us or Lwin are in all cases non-refundable. The initial cost of equipment and small wares are estimated to be between \$1,000 and \$15,000 for each Full Service Sushi Bar and up to \$2,000 for each Satellite Sushi Bar, and between \$1,000 and \$25,000 for each Asian Food Bar, except that the cost of a food display case, sushi robot and the label machine are not included in these estimates.

7. In some cases, the Retail Host may provide some of the equipment required in place. If the Retail Host does not provide a food display case, we will acquire a food display case and charge you \$500 per month as a leasing cost. (See Item 7). If you operate a high volume location, we may require you to lease a sushi robot and charge a lease fee between \$500 to \$600 per month. Sushi robots may be available at certain locations for purchase. Pricing varies depending on distributor and financing may be available under Item 10 "Terms". Purchases of sushi robots are non-refundable.

8. You will also be required to ~~purchase~~lease a ~~label machine with scanner, tablet, and printer~~Hissho Label System for each Full Service Sushi Bar from us or our Affiliates. ~~The price for each tablet is \$1,250 although if you purchase additional tablets for a particular Food Retail Unit, the cost for each additional tablet will be \$350. You may not purchase multiple tablets at one Food Retail Unit for use at other Food Retail Units. You will be obligated to pay us a maintenance fee of \$12 per month for each label machine unit and \$88 for each tablet. There is a \$150 fee payable to us for any label machine system returned to the label machine servicer that remains operable. In any case, the maintenance fee payable to us~~Hissho Label System is touch screen terminal, with built-in high-speed label printers, designed specifically for back-of-house applications in the food service industry. You will pay us an Initial Lease Fee of \$1,500 and a monthly software license fee of \$12110 per month, ~~will remain in effect. In addition, you will also be responsible for payments directly to us or our affiliates for monthly fees and data rates assessed by the service provider~~exchange for your use of the Hissho Label System. You may also be obligated to pay us a data overage fee if you exceed the included data usage. Branded uniforms are purchased from our affiliate, Lwin (See Item 7).

9. You will be required to purchase point of sale and other marketing materials from us including signs, banners, cards and other materials or marketing services provided to you to promote your Sushi Bar and the brand when you open and as you operate your Food Retail Unit. These estimated amounts will be paid to us as these materials are created and cost of services provided to you and will be deducted from your Franchise Commissions. The approximate amount of initial materials provided prior to opening are \$2,000 per Food Retail Unit, and we estimate an additional \$2,000 per Food Retail Unit in point of sale marketing materials will be provided you during each year of operation. The maximum annual required payments that you will be required to make are \$4,000 per Food Retail Unit, ~~but these amounts are separate from and in addition to any amounts you pay into Local Marketing Program~~. These fees are imposed by and payable to us, are not collected on behalf of nor paid to any third party and is non-refundable.

The fee is reimbursement for our reasonable

costs and expenses for the review of the application for a transfer. We do not allow transfer of control of your franchise entity or your Food Retail Unit until you have operated the Food Retail Unit for at least one year. In no case may you transfer less than all Food Retail Units that you own, and in all cases transfer is subject to our approval. Transfer fees are imposed by us on all franchisees, are payable to us, and are not collected on behalf of, nor paid to, any third party and are non-refundable.

11. This fee is 75% of our then-current franchise fee for a full service Food Retail Unit. This fee is imposed by and payable to us, is not collected on behalf of, nor paid to, any third party and is non-refundable.

12. To ensure food safety we may laboratory-test your food for safety on occasion in our discretion. Our cost to do so with an outside laboratory may be more or less than the amount we charge you, but we will charge you a flat fee of \$500 per food item. This fee is imposed by and payable to us and is not collected on behalf of nor paid to any third party except we may incur costs from testing. All fees are non-refundable.

13. If you ask us to consider or review a new product as part of your Sushi Bar, or request that we approve a vendor, supplier, or manufacturer that is not currently approved, we will charge \$500 per request plus our out of pocket costs for investigation and review. 16. Local and state governments may impose various business, resale, and license fees including health inspection fees or other charges. We may require you to pay for these fees out of pocket or we may pay them and charge you them plus an administration fee. If we pay these fees for you and/or provide services to assist you in obtaining business and/or health licenses, we will charge you, in addition to the costs and fees imposed by the applicable government body, a convenience fee of \$100 per license. If any other related fees are charged by business permit authorities or local health department authorities, we may pay these amounts and deduct the fees from your Franchise Commissions. 1. The Initial Franchise Fee for your first Food Retail Unit is \$4,200. The Franchise Fee for second and subsequent Food Retail Units are prorated depending upon the length of term remaining on the Franchise Agreement for your first Food Retail Unit. ~~There is no Initial Franchise Fee for Satellite Sushi Bars.~~ Initial Franchise Fees are discussed in Item 5.

2. The figures in the chart are estimated annual insurance expenses for a single Food Retail Unit. In some cases, you may be required to pay the entire annual premium upon entering into an insurance contract. Costs vary among different underwriters and may be based on variables including types of coverage, amounts of coverage, how long you have been in business, your financial condition, your prior risks and location of your Food Retail Units. You must obtain in advance general liability insurance in the amount of \$2 million per occurrence limit, and \$2 million personal injury and advertising limit; \$4 million general aggregate, \$2 million Products and Completed Operations Aggregate, \$1 million umbrella liability; \$2 million business auto liability; worker's compensation/employers liability. Insurance requirements may change and may be changed in the Franchise Manual. If you fail to maintain the required insurance coverages, we may obtain the insurance and deduct it from your Franchise Commissions (see Item 6).

3. You will incur expenses associated with our Initial Training Program. The training fees and costs shown are for a single Full Service Sushi Bar or an Asian Food Bar. The Sushi Bar and Asian Food Bar training programs are separate programs and each of the two programs will last ten (10) days if taken separately. We provide instructors and instructional materials at the cost of \$2,000 per person, per program if taken separately. In addition, you will also need to arrange for transportation, food and lodging for yourself and any employees to be trained to our headquarters in Charlotte, North Carolina. The Initial Training Program is required for each equity owner for each applicable training program. If you own multiple Food Retail Units, the Initial Training Program is required for at least the lead manager of each Full Service Sushi Bar and Asian Food Bar. See Item 11 for discussion of training programs provided.

If any person who is required to take the Initial Training Program takes the Sushi Bar and Asian Food Bar training programs at the same time, then the training fee will be \$3,000 per person for the combined programs, and the number of training days will be adjusted to 15 days to avoid duplication of material.

All equity owners must take the full Initial Training Program at our headquarters in Charlotte, North Carolina. If lead managers of a Food Retail Unit, other than the equity owners, have substantial sushi chef experience, those individuals, at our discretion, may take a shortened 5-day training program at a

Food Retail Unit where available. The cost for the 5-day program is \$1,000 per person, plus the cost of travel, food and lodging of our training representative, and the cost of travel, food and lodging of the trainee.

If any equity owners or the lead managers do not have sufficient sushi chef experience he/she must have additional sushi chef training for 10 to 20 days at a place we designate. The fee for sushi chef training is an additional \$2,000 per person plus the cost of accommodations, food and travel. The estimated cost of travel, lodging and food for 20 days is \$2,500.

The ServSafe food safety training and testing is required at the cost of \$300 per person for any trained person not previously certified. Each Full Service Sushi Bar and Asian Food Bar is required to have at least one ServSafe certified person on duty at all times. There is a \$50 per person re-testing fee if a trainee fails to pass the ServSafe test.

The cost of all training programs will depend on the number of people trained, and the travel costs which will vary by the type of accommodations you choose that we estimate to be \$1,500 to \$2,500 per person for the initial training session. In addition, you must pay any wages due employees during training.

4. You may need to hire an attorney to organize your entity and review your Franchise Agreement, and seek advice from an accountant to organize your business.

5. You will be required to purchase point of sale equipment, and other marketing materials including signs, banners, cards and other materials to promote your Sushi Bar and the brand (as appropriate). The amounts shown here are the estimated amounts of the initial point of sale marketing materials that you must purchase prior to opening for a single Food Retail Unit.

6. The initial cost of equipment and small wares are estimated to be between \$1,000 and \$15,000 for each Full Service Sushi Bar, up to \$2,000 for each Satellite Sushi Bar, and between \$1,000 and \$25,000 for each Asian Food Bar, except that the cost of a food display case and the label machine are not included in these estimates.

If you operate a high volume location, we may require you to lease a sushi robot and charge you a lease fee in the range of \$500 to \$600 per month. Sushi robots may be available for purchase at certain locations. Pricing varies depending on distributor and financing may be available (See Item 10 "Terms"). Purchases of sushi robots are non-refundable.

In some cases, the Retail Host may provide some of the equipment required in place. If the Retail Host does not provide a food display case, then we will acquire a food display case and charge you \$500 per month as a leasing cost. In some cases, you may purchase some small wares directly from third party vendors and not from us.

You will also be required to ~~purchase a label machine with scanner, tablet and printer for each Full Service Sushi Bar. We estimate that the cost of this equipment to be between \$2,000 to \$3,000. This estimate includes the purchase of one tablet and one label printer. The price for each tablet is \$1,250 although if you purchase additional tablets for a particular Food Retail Unit, the cost for each additional tablet will be \$350. You may not purchase multiple tablets at one Food Retail Unit for use at other Food Retail Units~~ lease the Hissho Label System from us or our Affiliates. You will pay us an Initial Lease Fee of \$1,500 in connection with your lease of the Hissho Label System. You will be obligated to pay us a ~~maintenance fee~~ Software License Fee of ~~\$12110~~ \$110 per month for each ~~label machine unit and \$88 for each tablet~~ Hissho Label System. There is a \$150 fee payable to us for any label machine system returned to the label machine servicer that remains operable.

7. Branded uniforms are purchased from our affiliate, Lwin Family Co. We estimate that your initial food purchases will be sufficient to cover initial supplies of food products and supplies for the

opening of the Food Retail Unit for a one-month period for each Food Retail Unit. We estimate that your initial food purchase for a Full Service Sushi Bar to be from \$5,000 to \$25,000, and for an Asian Food Bar to be from \$5,000 to \$25,000. We estimate that initial purchases for a Satellite Sushi Bar to be approximately \$1,000 to \$6,000 for the initial three months of operation for each Satellite Sushi Bar. You may not open a Satellite Sushi Bar without a Full Service Sushi Bar. The amount of food you will need to purchase will vary depending upon the volume of sales each Sushi Bar obtains. You will purchase at least two sets of uniforms at the cost \$200 each. You will need to purchase two sets of uniforms for each additional employee at the cost of \$200 each.

You may buy produce for your own account. On occasion, at our discretion, we may maintain an account at the Retail Host or other supplier of produce from which you may order. If you order on our account, you will be required to re-pay us, and these amounts owed may be deducted by us from your Franchise Commissions.

8. Local and state governments may impose various business, resale, and license fees including health inspection fees or other charges. This amount reflects an estimate of the costs associated with securing these licenses and permits. We may require you to pay for these fees out of pocket or we may pay them and charge you them plus an administration fee. If we pay these fees for you and/or provide services to assist you in obtaining business and/or health licenses, we will charge you, in addition to the costs and fees imposed by the applicable government body, a convenience fee of \$100 per license. If any other related fees are charged by business permit authorities or local health department authorities, we may pay these amounts and deduct the fees from your Franchise Commissions. In addition to the direct fees from government authorities, we may impose an additional processing and administrative fee to cover our cost of getting you in compliance. These type of business permits are renewed annually or as required by the local and state authorities. All fees are non-refundable.

9. You will be given, on loan, one copy of the Franchise Manual at the charge of \$150. You will also be given a copy of the SSOP/ HACCP Food Safety Plan for each Food Retail Unit for \$150 for each Food Retail Unit excluding locations where you solely deliver sushi (and make none on premises).

10. After your application has been approved you will be required to pay \$250 per person for each owner or shareholder/member of your Franchise entity for background checks, credit checks, and drug tests. There is no application fee.

11. You will need capital to support on-going and miscellaneous expenses to the extent these costs are not covered by sales revenue. New businesses often generate a negative cash flow for some period of time. We estimate that the amount shown will be sufficient to cover on-going expenses for a period of three months for a single new Full Service Sushi Bar or Asian Food Bar. The working capital needed for a new Satellite Sushi Bar may be less, but you are eligible for a Satellite Sushi Bar only if you have a Full Service Sushi Bar also. These are only estimates, however, and there is no assurance that additional working capital will not be necessary during the first three months or thereafter.

12. We relied upon the experience of our Food Retail Units and knowledge of others' practices in the industry. You should review these figures carefully with a business advisor before making any decision to purchase the Franchise.

~~ITEM 8:~~ ~~ITEM 10:~~ RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Lwin provides food and other products consumed in Food Retail Unit operations, and at the current time Lwin is the only approved distributor of food for Food Retail Units. Lwin negotiates with high quality providers of sushi grade fish and other food items, condiments, utensils and supplies. Our Manager and Chief Executive Officer owns all of the stock of Lwin, and none of our other officers own any of the stock of Lwin or any of our suppliers. We may designate one supplier or vendor for any products or services at any time upon written notice to you. Once designated, you will be required to utilize that supplier or vendor exclusively for the applicable products or services.

You must purchase all other food items, ingredients, equipment, furnishings, supplies, materials, services, and other items used or offered for sale at the Food Retail Units or in connection with the operation of your Franchise, solely from suppliers and vendors (including manufacturers, distributors, brokers, agents, and other sources) who demonstrate, to our continuing reasonable satisfaction, the ability to meet our then-current standards and specifications for such items or services; who possess adequate quality controls and capacity to supply your needs promptly and reliably; and who have been approved by us in writing and not thereafter disapproved. In order to maintain quality and uniformity of flavor and type of sushi, you must purchase sushi products only from the suppliers we designate.

The cost of distribution of food items, ingredients, equipment, furnishings, supplies, materials, and other items from approved vendors may vary among Franchisee owned Food Retail Units and company-operated Food Retail Units. These variations in cost of distribution may be due to various factors, including the geographic proximity of your Food Retail Unit to the supplier's distribution center, varying costs charged by transport companies, the number of deliveries scheduled to your area each week or month and actual transportation costs.

If you desire to purchase products from other than approved suppliers or distributors, you must submit or have the proposed supplier submit to our principal place of business a written request for approval together with such evidence of conformity with our specifications as we may reasonably require. We will have sole discretion to determine whether the proposed supplier or vendor will be approved.

We will have the right to require that our representatives be permitted to inspect the supplier's facilities, and that samples from the supplier be delivered for evaluation and testing either to us or to an independent testing facility designated by us. You or the supplier must pay to us a charge of \$500 per product item plus our out of pocket costs for evaluation and testing. Out of pocket costs include costs of travel that we estimate to be \$3,000, for our representatives to review and assess the quality of the product, the production facilities, and to investigate financial capability, credit and reputation within the United States. If the supplier has facilities or imports food from outside the United States, the cost of international travel will be greater. If the review involves product testing, we estimate the cost to be an additional \$3,000. We estimate the time necessary to approve a supplier after receipt of all necessary information to be 30 to 60 days. We will, within 90 days after your request, notify you of our approval or disapproval of the proposed supplier or vendor. You must not sell or offer for sale any products or services of the proposed supplier or vendor until you receive our written approval of the proposed supplier or vendor. You must use products purchased from approved suppliers solely for the purpose of operating the franchised Food Retail Unit and not for any other purpose. When a supplier is approved we may require annual or more frequent reviews of the supplier, their facilities, processes and finances.

Our criteria for supplier approval include: (a) adequate quality controls assuring ability to consistently produce product of desired quality in flavor, size, appearance and texture; (b) sufficiently high sanitation rating of facility producing product; (c) financial stability; (d) ability to consistently and promptly produce desired quality and quantity of product; (e) full compliance with all government regulations and specifications; (f) positive reputation in the community and ethical operation of organization; and (g) competitive pricing.

You must permit us or our agent, at any reasonable time, to remove samples of food or non-food items from your inventory, or from the Food Retail Units, without payment, in amounts reasonably necessary for testing by us in independent laboratories, to determine whether the samples meet our then-current standards and specifications. You must bear the cost of such testing if the supplier of the item has not previously been approved by us or if the sample fails to conform to our specifications.

Formulae for specially formulated pre-prepared mixes or condiments are not available to you or other franchisees. Standards and specifications for other food and paper products are not uniformly issued to franchisees but are available for specific products upon a franchisee's written request to us. We determine the standards and specifications for those food and packaging products, sometimes in consultation with suppliers, to assure our desired quality of ingredients, size, flavor and appearance and our desired quantities for each product. We formulate and modify standards and specifications through consumer research and internal product testing.

We may from time to time revoke our approval of particular products or suppliers when we determine in our sole discretion that those products or suppliers no longer meet our standards. Upon your receipt of notice of such revocation, you must stop selling any disapproved products and stop purchasing from any disapproved supplier.

Typically, we provide you the location of your Food Retail Unit which we or our affiliate have secured by agreement with our Retail Host. The Retail Host is usually a retail or grocery store location in which the Food Retail Unit is located. If you secure your own location, you must obtain our written approval of the site on which a Food Retail Unit is to be developed including approval of layout and design as well as the terms of any lease or other agreement. If you obtain your own location, and it is approved by us, the lease must be assigned to us and upon approval of the site we will permit you by agreement to operate a Food Retail Unit from the approved location. The documents must provide, in form and substance satisfactory to us, including provisions for quiet enjoyment. Leases must be bona fide and provide financial terms consistent with those prevalent in the area.

If our or our affiliate's rights expire or are terminated with respect to your Food Retail Unit for any reason, your right to operate a Food Retail Unit will also terminate. If your rights are terminated, we do not have any obligation to replace your location or to offer another Food Retail Unit to you.

If we obtain a location suitable for operating a Satellite Sushi Bar within the vicinity of your Full Service Sushi Bar, we may offer the location to you. If we offer a Satellite Sushi Bar to you, you must take the Satellite Sushi Bar and operate it as your own. Upon your agreement to accept the Satellite Sushi Bar, you will sign an addendum to your Franchise Agreement. If you fail to do so, it will be a default of your Franchise Agreement.

You will be required to purchase your initial and ongoing supply of point of sale marketing materials exclusively from us, as otherwise described in this Disclosure Document.

We estimate all of your purchases and leases will represent approximately 100% of the cost of all purchases and leases of goods and services to establish the franchised Food Retail Units and 100% of the cost to operate the franchised Food Retail Units, excluding wages, payroll taxes and any other costs that you incur to employ workers at your Food Retail Unit.

During our ~~2019~~2020 fiscal year, (a) we had total revenues of ~~\$13,129,385~~\$12,520,587 of which ~~\$2,632,924~~\$3,138,576 or ~~20.1~~25.1% was derived from required franchisee purchases or leases; and (b) our affiliate Lwin Family Co had total revenues of ~~\$43,678,331~~\$42,206,881 of which ~~\$43,678,331~~\$42,206,881 or 100.0% of its total revenues were obtained from Franchisees in the following amounts: ~~\$39,866,831~~\$38,302,944 from the sale of food and supplies, and ~~\$3,811,499~~\$3,903,937 for services and fees and other sums received. Except for the required label printer and tablets and certain standard software, you are not required to use a particular POS system or particular computer hardware or software systems. If you opt not to make your orders electronically you may complete your order forms and fax them to us or Lwin. You will be required to receive communication from us on a variety of subjects on an on-going basis by e-mail. We provide you an email address in our system which uses “@hissho.com” which you must use and we use to communicate with you. The e-mail accounts that we provide to you will, at all times, be the property of Hissho International, LLC. We will have unfettered access to read, review, retain, catalog, and utilize such emails, including e-mail messages, attachments, and other materials associated therewith for any business purpose. We charge you an administration/web fee of \$100 per month per email address to maintain such email addresses. The administration/web fee is described in Item 6.

You must purchase insurance in accordance with the Franchise Agreements as shown in Item 7.

There are no purchasing or distribution cooperatives.

Our affiliate Lwin negotiates arrangement with suppliers, including price terms, for the benefit of franchisees as follows: (a) Lwin bargains with the various suppliers of ingredients and products used in the Food Retail Units to get the best pricing possible while maintaining the quality of menu offerings, and (b) if Lwin achieves cost savings due to decreases in market prices or other factors, Lwin decreases the prices charged to Franchisees. However, Lwin also earns a profit on its distribution of ingredients and products to Franchisees.

We consider a variety of factors when determining whether to renew or grant additional franchises. Among the factors we consider is compliance with the requirements described above.

You do not pay us or our affiliate lease payments but you pay us other fees that are described in Item 6 and the Franchise Agreement (See Item 6). The Franchise Agreement must be signed and joined by each of your shareholders or members, and obligations under the Franchise Agreement must be guaranteed by each of your shareholders or members in the form shown in Exhibit E to this disclosure document.

In our discretion we may offer financing for some or all of the following:

4. In all cases, financing is entirely at our discretion. Lwin may extend credit to you on a month to month basis for the purchase of food, inventory, supplies or items of equipment as part of your ongoing operations under the terms of your franchise agreement, and may not create a Promissory Note. At all times we and Lwin have the right to withhold any amounts owed from your Franchise Commissions whether or not we use a Promissory Note. If, after the deduction of all amounts owed to the Retail Host, to our affiliate supplier, Lwin Family Co, and to us for various fees and costs, or if we forward to you some of your Franchise Commissions that we have not yet received from the Retail Host, you may have a negative balance of amounts you owe us. Any negative balance that is carried by us may be carried forward to future months and deducted from future Franchise Commissions, but any negative balance is indebtedness to us and is payable on demand by us.

All amounts owed to us or our affiliate, Lwin Family Co, may be withheld by us from Net Sales we receive from your Retail Host, including any of your obligations that arise from acceleration of advanced, loaned or deferred amounts.

It is not our practice or intent to sell, assign or discount to third parties all or part of financed or deferred amounts, although the form of Promissory Note is a negotiable instrument.

ITEM 11:~~ITEM 13:~~ FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

We may provide any of the services described in this Item 11 through our affiliate, Lwin Family Co and its employees.

Pre-Opening Obligations

Before you open your Food Retail Unit, we will:

1. With respect to a location under our control or the control of our affiliate, offer you a specific location, subject to all requirements and terms of the Retail Host (Franchise Agreement, Section 5.A). We or our affiliate typically acquire the right to operate a Food Retail Unit within a Retail Host location, and extend the right to you to operate your Food Retail Unit as part of your Franchise Agreement. Under our agreement with the Retail Host, the Retail Host receives a negotiated percentage of proceeds from the Food Retail Unit, known as the Retail Host's Service Commission, and remits the remainder to us. We then apply a portion of these proceeds to the amounts you owe us for fees and financed costs, and any other items, and to our affiliate for food and supplies you have purchased. The remainder is then remitted to you, as your Franchise Commissions. (Franchise Agreement, Section 4.C)

2. If you currently operate at least one Food Retail Unit and want to open another at a location not currently under our control or the control of our affiliate, we may permit you to seek a location in a defined area. If you submit a site to us and we approve the site, you must assign the lease to us. The revenue produced from the Franchised Business shall be first remitted to us and we will retain fees and financed items (See ITEM 6:) and other items, as well as amounts owed to our affiliate for food purchased. The remainder of proceeds will then be distributed to you. (Franchise Agreement, Section 4.C). We must approve or disapprove your proposed site within 30 days, and of your lease with comments as to any disapproval within 20 days of our receipt of a copy of it. (Franchise Agreement, Section 5.B). If we disapprove a site that you have proposed then you will not be permitted to operate a Food Retail Unit at that location and to expand you will have to find a different site that we approve;

however, you will not have to pay us any initial fees until we have approved a site and the lease is signed for that site. We do not provide plans or specifications under the Franchise Agreement.

3. Provide an Initial Training Program as described below to instruct you as to the procedures and techniques to be used in the Franchised Business (Franchise Agreement, Section 3.A). The Initial Training Program is approximately ten days in duration consisting of classroom instruction and on-the-job training for all equity owners of your Franchise and at least one lead employee for each Food Retail Unit, but may be extended for those without sufficient experience up to 20 days.

4. Loan a copy of written (the "Manual" or "Franchise Manual") (Franchise Agreement, Section 9.A). The total number of pages in the Manual is 353, and the table of contents of the Franchise Manual is attached as Attachment A to this disclosure document. The Franchise Manual may be provided to you by physical, written copy or electronic version. There are additional publications and memoranda that may be provided in written form by us that are considered part of the Franchise Manual.

5. Provide you advice and consultation in connection with the operation of the Food Retail Units and new developments, techniques, and improvements in areas of Food Retail Unit management, operations, sales promotion, and service which may be provided by us by sending our employees or representatives to the Food Retail Unit, or by providing publications, other written materials, tapes, or films or by conducting meetings or seminars as they may be developed (Franchise Agreement, Section 3.B).

6. Either directly or through our affiliate Lwin Family Co., provide all of the equipment, signs, fixtures, opening inventory and supplies necessary to operate the Food Retail Unit, in exchange for the fee payments described in Item 5 of this Disclosure Document.

7. We are not obligated by the Franchise Agreement, or any other agreement, to provide any other supervision, assistance or services prior to the opening of the franchised Food Retail Units.

Continuing Obligations

During the operation of each franchised Food Retail Unit we will:

1. Provide such training programs from time to time as we may deem appropriate (Franchise Agreement, Section 7.D). These training programs are offered from time to time through the year and are required.

2. Provide you advice and consultation in connection with the operation of the Food Retail Units and new developments, techniques, and improvements in areas of Food Retail Unit management, operations, sales promotion, and service which may be provided by us by sending our employees or representatives to the Franchised Business, or by providing publications, written materials, or by conducting meetings or seminars as they may be developed. Some or all of these publications or programs may be provided electronically by Franchisor and not by printed or physical documents. (Franchise Agreement, Section 3.C). We determine the menu, types of sushi offered, condiments and the development of new food offerings (Franchise Agreement, Section 7.H).

3. Provide to you advice and assistance in local marketing from time to time and, at your expense, promotional materials for local advertising (Franchise Agreement, Sections 3.C). Much of our advice and assistance in local marketing will be in the area of labeling, presentation, point of sale materials, and brand identification within the Retail Host location, subject to any requirements imposed by the Retail Host. In some cases, no trademark or brand identification may be permitted by the Retail Host except for labeling and presentation of products.

4. We will establish and administer a National Brand Fund (the “Brand Fund”) that will include your Brand Fund Contributions and those of other Hissho Full Service, Hissho Sushi Bar, and Asian Food Bar franchise owners, in accordance with each applicable Franchise Agreement (See Item 6 of this Disclosure Document). The Brand Fund Contribution, which is a percentage of your Net Sales (See Exhibit E: Franchise Agreement) shall be due and payable with the Royalty Fee (See Exhibit C: Franchise Agreement). All franchisees must contribute to the Brand Fund at the same rate of two percent (2%) of Net Sales (the “Brand Fund Contribution”). If an affiliate of ours administers the Brand Fund or places advertising in connection with the System, such affiliate may be paid a fee that will not exceed the fee that would be payable to unrelated third parties for comparable services. Each of our company-owned or affiliated Hissho Full Service locations, Hissho Sushi Bars, and Asian Food Bars will make contributions to the Brand Fund on the same basis as required of the other franchise owners in the same geographic market. Unless required by applicable law, we will have no obligation to create a trust account, escrow account, or other special account for the Brand Fund, and the monies comprising the Brand Fund may be placed in our general account(s) if we desire. We may also reserve portions of the Brand Fund for use in a subsequent year. (Exhibit E: Franchise Agreement). We may solicit franchisee input directly and/or form a franchise advisory council to provide input to us on the use of the Brand Fund although we are not obligated to do so. We are not obligated to act on any specific proposals or recommendations from franchisees or a franchise advisory council.

a. The Brand Fund will be used for marketing, advertising, production, and media expenses to promote the Hissho Sushi, Sushi with Gusto, and Oumi Sushi names, Systems, products, and services. The Brand Fund may be used to pay any and all costs of maintaining, administering, directing, and preparing advertising, including the cost of preparing and conducting television, radio, internet, social media, digital, electronic mail, magazine and newspaper advertising campaigns and other public relations activities, employing advertising agencies to assist in such campaigns or other activities, and providing customizable digital files and other marketing materials to franchise owners. We are entitled to receive the following from the Brand Fund: reimbursement of our expenses, overhead, and employee salaries for services provided to the Brand Fund, and rent for office space provided to the Brand Fund. Brand Fund Contributions not spent in the fiscal year in which they accrue are rolled over to the next fiscal year. The Brand Fund is not audited and the financial statements for the Brand Fund are not available to franchisees. We may use an outside advertising agency to create and place advertising or we may use an in-house marketing department. The Brand Fund will be used to create new marketing material and promote the products and services offered by Hissho Full Service locations, Hissho Sushi Bars, and Asian Food Bars.

b. All advertising by you must be conducted in a professional manner, must conform to the standards and requirements in our Confidential Operations Manual, and must display our Marks only in those forms approved by us. You will submit samples to us (through e-mail, return receipt requested) and obtain our prior approval (except with respect to the cost of the advertising) of all advertising and promotional plans and materials that you desire to use and that have not been prepared or previously approved by us. If you do not receive our written approval within 15 days from the date of receipt by us of such materials, we will be deemed to have rejected the proposed advertising. We may make available to you, from time to time, approved advertising, promotional plans and materials for purchase. You will not be obligated to accept or purchase any such advertising, promotional plans, and materials offered to you by us.

c. You may not maintain a website or otherwise maintain a presence or advertise on the Internet or any other public computer network in connection with your Hissho Full Service without our prior written approval.

d. We will not prevent the formation of franchisee cooperatives. We may, in our sole discretion form, develop, and coordinate cooperatives. Currently, there are no regional or national marketing cooperatives for Hissho Full Service, Hissho Sushi Bar, Oumi Sushi, Sushi with Gusto, or Asian Food Bar franchisees. We encourage our franchisees to form and operate voluntary franchisee

cooperative regional advertising associations (each a “Cooperative”). If a Cooperative is formed for your region, you must participate in the Cooperative or lose your right to vote as to Cooperative matters. The membership of the Cooperative would be defined by us by market area. We reserve the right at any time, in our sole discretion, to form, change, dissolve, or merge Cooperatives and you will be obligated to contribute to the Cooperative in an amount established and approved by the Cooperative that will be in addition to your other required marketing expenditures.

5. ~~4-~~Develop advertising materials and direct advertising programs for ~~a National Co-op Marketing Fund (“Fund”), if established, the Brand Fund~~ with sole discretion over the creative concepts, materials, and media used in such programs (Franchise Agreement, Sections ~~3.D~~Error! Reference source not found., Error! Reference source not found., and ~~7.E. and F.~~Error! Reference source not operate a Fund found.).

6. ~~5-~~Provide as we deem advisable revisions periodically of the contents of the Franchise Manual and written operating materials (Franchise Agreement, Section 9.D).

7. ~~6-~~Perform, as we deem advisable, inspections of the Food Retail Units, and evaluations of products sold and services rendered (Franchise Agreement, 3.F).

8. ~~7-~~Provide services at your expense, as we determine necessary, with respect to onsite assistance, and the resolution of customer complaints and operating problems, including complaints from the Retail Host (Franchise Agreement, Section 4.~~E~~D).

9. ~~8-~~We are not obligated by the Franchise Agreement or any other agreement to provide any supervision, assistance or services in connection with the on-going operation of the franchised Food Retail Units other than as stated herein.

Site Selection

The Franchise Agreement grants you an assigned location to be determined under procedures established in the Franchise Agreement for the establishment and operation of a Food Retail Unit under the System.

If we provide you the location, we or Lwin will enter directly into an agreement with our Retail Host under which we agree to pay the Retail Host its Service Commission, which is a negotiated percentage of the revenues of your Food Retail Unit. The Service Commission payable to the Retail Host may change. We will franchise the location to you giving you the right to operate the Food Retail Unit under the Franchise Agreement. If our right to the location of your Food Retail Unit expires or is terminated for any reason, then your right to operate your Food Retail Unit shall be terminated. If your Franchise Agreement is terminated we do not have an obligation to replace your Food Retail Unit, to refund any fees or other funds to you, or to offer another Food Retail Unit to you.

If we locate a suitable location for a Satellite Sushi Bar in the vicinity of your Full Service Sushi Bar, we may offer the Satellite location to you. If we offer the Satellite location to you, you must take the Satellite location and operate it as your own. The reason that you will be required to take such a location if offered is that Satellite locations must be serviced by other Full Service Sushi Bars in the region, and if you operate Full Service Sushi Bars in the region, we may be required by Retail Hosts or by choice to operate the Satellite location. If you agree to operate the offered Satellite location, you will sign an addendum to your Franchise Agreement. If you fail to do so, your Franchise Agreement for your Full Service Sushi Bar shall be in default and you may lose your right to operate your Full Service Sushi Bar.

Generally, we grant the right to operate a Food Retail Unit in a location we or Lwin control and have obtained from the Retail Host. Typically, you will not be asked or permitted to find locations for a Food Retail Unit, but in the event we offer you this possibility there are procedures you must follow. If you obtain a location you must propose the site for our approval including layout and design, before your

acquisition by lease or purchase of any site for a Food Retail Unit, in the manner designated by us. You may submit a site to us only after you have carefully evaluated the site, determined that it meets the criteria for Food Retail Unit sites which we have communicated to you, and determined that you may acquire or lease it. If we need more time or information to evaluate a site that you submit, we will contact you within 30 days of your submission of the site. If more information or time to evaluate the site is needed, we will inform you. If we do not approve a site you submit, you will not be permitted to develop a Food Retail Unit on the site. We will review your application for site approval, and, within 30 days of our receipt of your application we will either approve the proposed site or reject the site in our sole discretion with comments concerning the reasons for rejection. The factors which we consider in approving site include population, demographics, traffic counts of Retail Host, revenues of Retail Host and its deli, if applicable, signage available, visibility of the location and square footage.

For a site not currently operating as a Food Retail Unit, it is our experience that after an acceptable site has been located and a Franchise Agreement and location lease are executed, it takes approximately 60 to 90 days before a franchised Food Retail Unit is ready to open for business. You must furnish and open the Food Retail Unit according to our requirements. At times you may be offered a Food Retail Unit that is already operating, and in that case there should be no delay between the time you sign a Franchise Agreement and when you commence operating your Food Retail Unit, except for the time necessary to complete your training requirements.

Computer Hardware and Software

For the typical Food Retail Unit, you are not required to buy an electronic cash register or computer system because sales are made through the Retail Host POS system. You will need to buy a computer with basic capability to interact with the internet, receive and send emails using the Hissho email address we provide for you, Microsoft Office word processing and spread sheet capability, to submit orders and to receive monthly statements, but only for purposes of operating your business generally. You will also need to purchase a label printer and tablet that we specify. No specific type of data is necessary to be generated or stored in the computer system. To order supplies and food through the internet you will need to use an Excel spreadsheet system, although at this time you are permitted to prepare these documents by hand and fax them. We estimate that the cost will be \$500 - \$800 to purchase the computer including access to Microsoft Office suite of software. We estimate a cost of \$200 every 3 years to update software and \$600 every 5 years to replace the computer. While you are not required to purchase any maintenance or support contracts for this computer, and computer operating system software patches are typically provided without separate charge, you can obtain an optional maintenance contract for the computer for approximately \$150 per year.

If you operate a Food Retail Unit outside of a Retail Host location, we do not require that you use an electronic cash register or Point of Sale System, but we will require you to adopt a reliable method to document the Gross Sales of your Food Retail Unit. We will not have independent access to the information generated or stored in the computer system.

Training

You must designate an individual to serve as your Operating Principal if Franchisee is a corporation, partnership, or limited liability company. For the qualifications required of an Operating Principal, see Item 15. Before the opening of your Food Retail Unit, the Operating Principal, if he has not previously attended our Initial Training Program, and all other equity owners of Franchisee, and at a minimum a lead employee for each Food Retail Unit, if you have multiple locations, must attend, complete, and perform satisfactorily in the Initial Training Program that we offer. After the opening of your Food Retail Unit, any person employed by you in the position of Food Retail Unit manager, and each Operating Principal, if he has not already attended our Initial Training Program, must attend and complete the Initial Training Program.

Your Operating Principal and each of the equity owners must attend the Initial Training Program at our headquarters in Charlotte, North Carolina. If you have multiple Food Retail Units, at least one lead employee per Food Retail Unit must satisfactorily complete the Initial Training Program, but if a lead employee has substantial sushi experience, in our discretion, that employee may take an abbreviated 5-day program in a Food Retail Unit where available.

We offer an Initial Training Program for the Full Service Sushi Bar and Asian Food Bar. The classroom and business portion of the Initial Training Program, consisting of 90 hours over a period of 5 days, is the same for each program. The on-the-job training program, also consisting of 90 hours over a period of 5 days, differs and is designed specifically for either the Sushi Bar or the Asian Food Bar. If any person takes both the Sushi Bar training program and the Asian Food Bar training program at the same time, he/she may take a combined program consisting of 15 days rather than two separate programs of 10 days each. If the Operating Principal does not have substantial sushi experience, in our discretion, we may require additional on-the-job training up to 20 days.

The fee that you must pay to us for the Initial Training Program is \$2,000 per person, or if the Sushi Bar and Asian Food Bar program are taken at the same time, then the cost is discounted to \$3,000 per person. For a lead employee with extensive sushi experience, in our discretion, who qualifies for the 5-day program, the Initial Training Program fee may be lowered to \$1,000 per qualifying person. There is an additional training fee if we require additional, initial training of an inexperienced Operating Principal or equity owner.

Included within the fee is the cost of instructors and training materials for all required training programs; and you or your employees will be responsible for all other expenses incurred by them in connection with any training programs, including the cost of transportation, lodging and meals (which are estimated to be approximately \$1,000 per person per week plus wages).

The Operating Principal, your lead employees, and other employees must also attend such training programs and seminars as we may require, and such optional training programs that we may offer from time to time. You must pay to us, for each person attending such a program, the training fee then charged by us. If any training fee is imposed by us, the training fee will be in addition to any other expenses incurred by the persons attending training.

We currently provide training in our headquarters location. We may provide some training regionally in selected Food Retail Units. Location of training is at our discretion. The Initial Training Program will be approximately 10 days in duration; and an additional component consisting of on-the-job training requiring an additional 10-20 days, is conducted on an as-needed basis for trainees without advanced sushi preparation experience.

You may be required to pay for and complete successfully our Initial Training Program as a condition to our offering a Franchise to you. If you do not complete the Initial Training Program successfully, as we determine in our sole discretion, you will not be offered a Franchise, and we will not refund any fees you paid for the initial training. If you do complete the training successfully we are not required to offer you a Franchise, but in no event will we refund any fees you paid for your initial training.

If you or your lead employees do not have food safety certifications required by the State, they will be required to take the Food Safety Course & Certification Test for an additional 16 hours (ServSafe). The fee for this course is \$300 per trainee. If the trainee is required to re-take the test, they will be an additional \$50 for each test re-taken. You must have at least one manager on duty at all times with food safety certification at each Food Retail Unit.

Some state regulations require additional food safety certificates that are specific to their states. You may be required to take an additional certification course and test from the local authorities. Proof of certification will need to be provided to us. At least one lead employee on duty at all times at each Food

Retail Unit must have a Food Safety Certification. You will need to ensure your employee obtains the certification at their local authority agency. Proof of certification will need to be provided to us. Food safety and certification courses and testing are done only at our headquarters in Charlotte. If the person does not attend training in Charlotte, they will be required to attend the course and obtain certification on their own within thirty days prior to the opening of the Food Retail Unit.

Training should be scheduled so that your trainees graduate from the Initial Training Program approximately four weeks before the Food Retail Unit opens if it is not already operating. For trainees without advance experience in sushi preparation, additional on-the-job training is required for a period of 10-20 days in a Food Retail Unit as selected by us, and this on-the-job training should be completed prior to trainee being permitted to operate a Food Retail Unit. The fee for the Sushi Chef Training is \$2,000 per person trained. You will bear the cost of travel, upkeep and wages of any employee or trainee. Each trainee must complete the training program to our satisfaction in order to be certified as a Food Retail Unit manager.

If your Operating Principal does not satisfactorily complete training within sixty days of the execution of a Franchise Agreement, we have the right to terminate the Franchise Agreement.

The Initial Training Program will be coordinated by the Hissho Training and Development Department (See Chart Below), which is led by Lauren McGraw Kraemer. Ms. McGraw has 8 years of relevant experience in conducting management and leadership training programs in multiple countries. She has created tools and processes to support Franchise business owners in launching their business and thrive. Lauren is also a ServSafe certified instructor and trains franchisees in food safety. The instructional materials include a Franchise Manual, operations videos, power point presentations and supporting handouts and job aids.

Advertising

We are not obligated to spend any amount on advertising in your area or territory.

~~We may require you to contribute at least one percent (1%) of the Gross Sales of your franchised Food Retail Units directly to us for use in a marketing program that we direct (the "Local Marketing Program"). All of our franchise agreements allow us to require this contribution, but the Local Marketing Program may be required in a particular Food Retail Unit, a particular market, group of Food Retail Units, or Food Retail Units within a particular Retail Host, such as a supermarket chain, and therefore some franchisees may be required to pay this contribution while others are not. We may offer periodically to provide, upon your request and at your expense, approved local advertising and promotional plans and materials. We will deduct any payments you are required to make from your Franchise Commissions together with any other amounts you owe us or our affiliate. The purpose of any Local Marketing Program will be to foster and increase patronage of the Food Retail Units by consumers. These funds may be used locally for advertising, marketing, promotions, charity events, loyalty cards, sampling for special events, and may be used for activities in a particular market, or Food Retail Units in particular Retail Host locations (such as a supermarket chain). Any advertising may be disseminated in~~

~~various forms of media, for example through radio, cable television, direct mail, yellow pages, billboards, and advertising at sporting or other events. The source of the advertising materials may be internal or from an outside advertising or creative agency.~~

~~If we implement a Local Marketing Program to which you must contribute, we will prepare an annual unaudited accounting of how advertising funds are spent, and you may obtain our latest annual accounting within 30 days of when you request it. Franchisor or Franchisor affiliate owned outlets will not be required to contribute to the Local Marketing Program. If all of the advertising fees are not spent in the fiscal year in which they accrue, we will retain them for use in such Local Marketing Programs in the following year. We have yet to implement any Local Marketing Programs, and therefore during our last fiscal year we did not receive any Local Marketing Program contributions or make any expenditure under such a program.~~ will establish and administer a National Brand Fund (the "Brand Fund") that will include your Brand Fund Contributions and those of other franchise owners, in accordance with each applicable Franchise Agreement (See Item 6 of this Disclosure Document). The Brand Fund Contribution, which is a percentage of your Net Sales (See Exhibit E: Franchise Agreement) shall be due and payable with the Royalty Fee (See Exhibit C: Franchise Agreement). All franchisees must contribute to the Brand Fund at the same rate of two percent (2%) of Net Sales (the "Brand Fund Contribution"). If an affiliate of ours administers the Brand Fund or places advertising in connection with the System, such affiliate may be paid a fee that will not exceed the fee that would be payable to unrelated third parties for comparable services. Each of our company-owned or affiliated Hissho Full Service locations, Hissho Sushi Bars, and Asian Food Bars will make contributions to the Brand Fund on the same basis as required of the other franchise owners in the same geographic market. Unless required by applicable law, we will have no obligation to create a trust account, escrow account, or other special account for the Brand Fund, and the monies comprising the Brand Fund may be placed in our general account(s) if we desire. We may also reserve portions of the Brand Fund for use in a subsequent year. (Section Exhibit E: Franchise Agreement). We may solicit franchisee input directly and/or form a franchise advisory council to provide input to us on the use of the Brand Fund although we are not obligated to do so. We are not obligated to act on any specific proposals or recommendations from franchisees or a franchise advisory council.

The Brand Fund will be used for marketing, advertising, production, and media expenses to promote the Hissho Sushi, Sushi with Gusto, and Oumi Sushi names, Systems, products, and services. The Brand Fund may be used to pay any and all costs of maintaining, administering, directing, and preparing advertising, including the cost of preparing and conducting television, radio, internet, social media, digital, electronic mail, magazine and newspaper advertising campaigns and other public relations activities, employing advertising agencies to assist in such campaigns or other activities, and providing customizable digital files and other marketing materials to franchise owners. We are entitled to receive the following from the Brand Fund: reimbursement of our expenses, overhead, and employee salaries for services provided to the Brand Fund, and rent for office space provided to the Brand Fund. Brand Fund Contributions not spent in the fiscal year in which they accrue are rolled over to the next fiscal year. The Brand Fund is not audited and the financial statements for the Brand Fund are not available to franchisees. We may use an outside advertising agency to create and place advertising or we may use an in-house marketing department. The Brand Fund will be used to create new marketing material and promote the products and services offered by Hissho Full Service locations, Hissho Sushi Bars, and Asian Food Bars.

We may offer periodically to provide upon your request and at your expense, approved local advertising and promotional plans and materials to you to use as part of your local marketing program.

You must participate in any and all national advertising, marketing, and charitable promotions ("Promotions"), as Hissho designates and approves, in its sole discretion, and you will not have the right to decline participation in the Promotions, without Hissho's prior consent.

We will ~~solely administer the use of the Local Marketing Program contributions and decide on their use. Currently, there is no advertising council composed of franchisees that advises us on advertising policies. However, we may not use Local Marketing Program contributions~~ not use Brand Fund Contributions for advertising that is primarily a solicitation for the sale of franchises.

We may require you to contribute to any other national or regional marketing fund that we control, except as explained above.

Company-owned stores will also contribute to the Brand Fund on the same basis as franchisees. The Brand Fund Contributions paid by you, other franchisees, and company-owned stores will be maintained in a single account. Hissho reserves the right to set up a separately incorporated entity to administer the Brand Fund.

There is currently ~~no advertising council composed of franchisees~~ but we reserve the right to establish such a council at any time upon written notice to you.

No other supervision, assistance, or services are provided by us or any parent or affiliate for the establishment or operation of a franchised Hissho Full Service

We may not require you to contribute to any other national or regional marketing fund that we control, except as explained above. We may not require you to contribute separately to a cooperative advertising fund with other franchisees. We previously required franchisees to contribute to a National Co-op Marketing Fund but we stopped requiring those contributions from any franchisee in 2015.

No other supervision, assistance, or services are provided by us or any parent or affiliate for the establishment or operation of a franchised Food Retail Unit.

ITEM 12:~~ITEM 14:~~ TERRITORY

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. You will be authorized to open a Food Retail Unit at a specific location approved by us. The location of your Food Retail Unit will be based upon relevant factors and typically set within an existing market, grocery store, or other retail outlet. We consider the size of the Food Retail Unit, the sales volume of the Retail Host, the presence and sales volume of the deli operations within a Retail Host, and other characteristics in evaluating a prospective Retail Host.

We or our affiliate will enter directly into an agreement with our Retail Host under which we agree to pay the Retail Host a negotiated percentage of the revenues of sales from your Food Retail Unit. We will give you the right to operate the Food Retail Unit at the Retail Host under the Franchise Agreement. If our right to the location of your Food Retail Unit expires or is terminated for any reason, then your right to operate your Food Retail Unit shall be simultaneously terminated. If your Franchise Agreement is terminated we do not have an obligation to replace your Food Retail Unit, to offer you another Food Retail Unit, or to pay you any compensation.

In all cases you will operate from the specific location designated in your Franchise Agreement and you must receive our prior written permission before relocating any Food Retail Unit. Relocation of your Food Retail Unit is only at our discretion. If we approve a new location, you will have the right to open a Food Retail Unit at that specific location only, and we will sign an addendum to your existing Franchise Agreement for that location. Our approval will be based upon a variety of factors including the viability of the then-current location, whether the proposed location is near your Food Retail Unit, the characteristics relating to the proposed location, and the proximity of other Food Retail Units to the proposed location. When we grant you the right to open a Food Retail Unit we do not grant options, rights of first refusal, or similar rights to acquire additional franchises.

If we locate a suitable location for a Full Service Sushi Bar or a Satellite Sushi Bar in your market area that is within thirty miles of one of your Food Retail Units, in our discretion, we may offer the location to you. If we offer the location to you, you must take the location and operate it as your own. If you agree to operate the offered Satellite location, you will sign an addendum to your Franchise Agreement and your Franchise Commission rate will not be less than the highest Franchise Commission rate you receive from any of your Full Service Sushi Bars. If you fail to accept and operate the new offered Food Retail Unit, your Franchise Agreement for your Food Retail Units shall be in default and you may lose your right to operate all of your Food Retail Units. If we require your Satellite Sushi Bar to convert to a Full Service Sushi Bar, and you fail to do so, your Franchise Agreement for all Food Retail Units shall be in default and you may lose your right to operate all Food Retail Units.

We retain the right, among others, on any terms and conditions we deem advisable, and without granting you any rights therein to establish and operate and license others to establish and operate Food Retail Units at any location in all areas we deem advisable.

In all cases we and our affiliates retain the right to offer for sale similar products and services in connection with the Proprietary Marks through alternate channels of distribution. These alternate channels of distribution may include sales of products or services through grocery stores, other retail outlets and other types of retail outlets, catalogs, direct marketing sales, or through the internet. Neither we nor any of our affiliates have established, other sushi bars or alternate channels of distribution for sale of similar products or services under a different trade name or trademark except as detailed in this Disclosure Document, but we reserve the right to do so.

You may only solicit sales and orders, fulfill orders, and prepare and sell food from your franchised locations; and you may sell food only to customers at your franchised locations; however, you are not restricted from advertising outside your location or assigned area if all sales are made from your franchised locations. We and other franchisees are not restricted from soliciting sales in market areas in which you operate a Franchise. We do not have to pay you any compensation for soliciting or accepting orders in the market areas in which you operate a Franchise.

Your continuing right to operate a Food Retail Units is dependent upon your achievement of at least the sales volume of the preceding year. Some Retail Hosts may impose separate minimum sales volumes or improved minimum sales volumes as a condition to maintaining the location with the Retail Host.

You must cooperate fully with us in defending or settling such litigation.

1. To use the principal trademarks in connection with selling products and services;
2. To grant other licenses for the principal trademarks, in addition to those licenses already granted to existing franchisees; and
3. To develop and establish other systems using the same or similar principal trademarks, or any other principal trademarks, and to grant licenses or franchises thereto without providing any rights therein to you.

There is no currently effective determination of the United States Patent and Trademark Office, Trademark Trial and Appeal Board, the trademark administrator of any state, or any court, nor any pending infringement, opposition, or cancellation proceeding, nor any pending material litigation involving the trademarks, service marks, trade names, logotypes, or other commercial symbols which are relevant to their use in the state in which any Food Retail Unit is to be located or elsewhere.

There are no superior prior rights or infringing uses actually known to us that could materially affect your use of the principal trademarks in the state in which any Food Retail Unit is to be located or elsewhere. We will take all steps reasonably necessary to preserve and protect our ownership in and validity of the principal trademarks.

You must promptly notify us of any suspected unauthorized use of the principal trademarks and of any litigation involving the principal trademarks that is threatened or instituted against you. Report of Independent Auditor

To the Board of Directors
Hissho International, LLC
Charlotte, North Carolina

We have audited the accompanying financial statements of Hissho International, LLC (the “Company”), which comprise the balance sheets as of December 31, 2020 and 2019, and the related statements of income and member’s equity and cash flows for the years then ended, and the related notes to the financial statements.

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Company’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2020 and 2019, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

HISSHO INTERNATIONAL, LLC

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

Note 1—Nature of operations and summary of significant accounting policies

Organization and Business Activity – Hissho International, LLC (the “Company”) was organized in the state of North Carolina on July 12, 2013. Effective April 6, 2017, the Company had a change in ownership and became organized under Delaware law as a result of re-domesticating its limited liability company charter. The Company is engaged in the sale of sushi and Asian food bar franchises located in retail outlets. The Company offers products and services throughout the United States. As an LLC, the member’s liability is limited to its investment.

Use of Estimates – The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition – The Company franchises Hissho Sushi stores. Revenue is recognized upon the transfer of control of promised goods or services to customers in an amount that reflects the consideration the Company expects to receive for those goods or services. The following are the principal activities from which the Company earns revenue:

Commissions and Administrative Revenues

The Company recognizes commission income as a percentage of retail sales of food and beverages through franchise stores located in the United States. Administrative fees are charged to franchise stores as incurred (usage-based). Commission and administrative revenue are recognized monthly as earned based on the provisions of the franchise agreement. Customer payments are generally collected at the time of sale by a related party. Sales taxes collected from customers are remitted to the appropriate taxing authority and are not recognized as revenue. Payments for administrative fees are due and collected by a related party within 30 days after month-end.

Franchise Revenues

The franchise arrangement between the Company and each franchise owner of a Hissho Sushi store is documented in the form of a franchise agreement. The franchise arrangement requires the Company as franchisor to perform various activities to support the Hissho Sushi brand and does not involve the direct transfer of goods and services to the franchise owner as a customer. All material activities, with the exception of pre-closing activities, performed by the Company are highly interrelated with the franchise license and are considered to represent a single performance obligation, which is the transfer of the franchise license. The nature of the Company’s promise in granting the franchise license is to provide the franchise owner with access to the brand’s intellectual property over the term of the franchise arrangement. The pre-closing activities are considered distinct in nature and therefore represent a performance obligation.

The most significant items associated with the transaction price in a standard franchise arrangement consist of continuing franchise fees (royalties), advisory and consulting fees, pre-closing fees, and training fees. The value of each performance obligation is the stand-alone selling price detailed in each franchise agreement. These are considered the transaction price for the identified performance obligations.

HISSHO INTERNATIONAL, LLC

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

Note 1—Nature of operations and summary of significant accounting policies (continued)

The timing of revenue recognition may differ from the timing of payment from customers. A related party to the Company records a receivable when revenue is recognized in advance of payment, and a contract liability (“unearned revenue”) when revenue is recognized subsequent to payment. Unearned revenue consists mainly of franchise and training fees paid in advance. A liability is recorded when it is known that an amount previously received will be refunded. The Company does not incur a significant amount of contract acquisition costs in conducting its franchising activities and has not capitalized any such costs.

Income Taxes – The Company, with the consent of its member, has elected to be taxed as a partnership. In lieu of corporate federal income taxes, the member of the Company is taxed on its proportional share of the Company’s taxable income. Accordingly, no provision for income taxes is reflected in the financial statements. Management has evaluated the tax positions of the Company that could have a significant impact on the financial statements of the Company pursuant to the guidance provided by U.S. GAAP.

The Company follows the Financial Accounting Standards Board guidance on Accounting for Uncertainty in Income Taxes. The Company’s policy is to record a liability for any tax position taken that is beneficial to the Company, including any related interest and penalties, when it is more likely than not the position taken by management with respect to a transaction or class of transactions will be overturned by a taxing authority upon examination.

Other Receivables – As of December 31, 2020, the Company had approximately \$98,000 of insurance claim reimbursements which have been recorded as other receivables in the balance sheet. There was no balance in this account as of December 31, 2019.

Note 2—Concentrations of credit risk

Financial instruments that potentially expose the Company to concentrations of credit risk consist primarily of cash and cash equivalents.

The Company places its cash and cash equivalents on deposit with financial institutions in the United States of America. The Federal Deposit Insurance Corporation covers \$250,000 for substantially all depository accounts. The Company from time to time may have amounts on deposit in excess of the insured limits.

Note 3—Related party transactions

The Company incurs management fee expense from an entity under common ownership for certain operating expenses. These management fees of \$7,140,411 and \$7,786,399 for the years ended December 31, 2020 and 2019, respectively, are included in operating expenses on the accompanying statements of income and member’s equity.

The Company has a receivable from an entity under common ownership for cash collected on its behalf for franchisee fees and commission income, net of management fees incurred.

In addition, for the year ended December 31, 2020, the related party receivable balance is netted with proceeds of the loan received under the Paycheck Protection Program (“PPP”) by the Company for an amount of \$1,004,000, which was established under the CARES Act and administered by the Small Business Administration. The proceeds from the PPP loan are shown net within accounts receivable, related party. The related party receivable totaled \$28,746,345 and \$22,438,430 as of December 31, 2020 and 2019, respectively.

Note 7—Contingencies

On January 30, 2020, the World Health Organization declared the coronavirus disease (COVID-19) outbreak a Public Health Emergency of International Concern and on March 11, 2020, declared it to be a pandemic. Actions taken around the world to help mitigate the spread of COVID-19 include restrictions on travel, quarantines, or stay at home restrictions in certain areas and forced closures for certain types of public places and businesses. COVID-19 and actions taken to mitigate it have had and are expected to continue to have an adverse impact on the economies and financial markets globally, including the geographical areas in which the Company operates.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

Note 7—Contingencies (continued)

While it is unknown how long these conditions will last and what the complete financial impact will be, the Company is closely monitoring the impact of the COVID-19 pandemic on all aspects of the business and are unable at this time to predict the continued impact that COVID-19 will have on their business, financial position, and operating results in future periods due to numerous uncertainties.

As discussed in Note 6, the Company received PPP loan of \$1,004,000 during the year ended December 31, 2020. The application for the PPP loan requires the Company to, in good faith, certify that the current economic uncertainty made the loan request necessary to support the ongoing operation of the Company. This certification further requires the Company to take into account current business activity and ability to access other sources of liquidity sufficient to support the ongoing operations in a manner that is not significantly detrimental to the business. The receipt of the funds from the PPP loan and the forgiveness of the PPP loan is dependent on the Company having initially qualified for the PPP loan and qualifying for the forgiveness of such PPP loan based on funds being used for certain expenditures such as payroll costs and rent, as required by the terms of the PPP. There is no assurance that the Company's obligation under the PPP loan will be forgiven. If the PPP loan is not forgiven, the Company will need to repay the PPP loan over the applicable repayment period, commencing after the applicable deferral period.

Note 8—Subsequent events

The Company has evaluated subsequent events through April 2, 2021 in connection with the preparation of these financial statements, which is the date these financial statements were available to be issued.

Report of Independent Auditor

To the Board of Directors
Hissho International, LLC
Charlotte, North Carolina

We have audited the accompanying financial statements of Hissho International, LLC (the “Company”), which comprise the balance sheets as of December 31, 2019 and 2018, and the related statements of income and member’s equity and cash flows for the years then ended, and the related notes to the financial statements.

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Company’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2019 and 2018, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

HISSHO INTERNATIONAL, LLC

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2019 AND 2018

Note 1—Nature of operations and summary of significant accounting policies and activities

Organization and Business Activity – Hissho International, LLC (the “Company”) was organized in the state of North Carolina on July 12, 2013. Effective April 6, 2017, the Company had a change in ownership and became organized under Delaware law as a result of re-domesticating its limited liability company charter. The Company is engaged in the sale of sushi and Asian food bar franchises located in retail outlets. The Company offers products and services throughout the United States.

Use of Estimates – The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition – The Company adopted Financial Accounting Standards Board (“FASB”) Accounting Standards Update (“ASU”) No. 2014-09, *Revenue from Contracts with Customers (“Topic 606”)* as of January 1, 2019. The Company adopted the new standard using the modified retrospective method. Accordingly, previously reported financial information has not been restated to reflect the application of the new standard to all comparative periods presented. Revenue related to the Company’s franchise royalties, which are based on a percentage of franchise sales, and revenue from Company-owned stores remain substantially unchanged. The adoption of Topic 606 did not have a material impact on the Company’s financial statements.

The Company franchises Hissho Sushi stores. Revenue is recognized upon the transfer of control of promised goods or services to customers in an amount that reflects the consideration the Company expects to receive for those goods or services. The following are the principal activities from which the Company earns revenue:

Commissions and Administrative Revenues

The Company recognizes commission income as a percentage of retail sales of food and beverages through franchise stores located in the United States. Administrative fees are charged to franchise stores as incurred (usage-based). Commission and administrative revenue are recognized monthly as earned based on the provisions of the franchise agreement. Customer payments are generally collected at the time of sale by a related party. Sales taxes collected from customers are remitted to the appropriate taxing authority and are not recognized as revenue. Payments for administrative fees are due and collected by a related party within 30 days after month-end.

Franchise Revenues

The franchise arrangement between the Company and each franchise owner of a Hissho Sushi store is documented in the form of a franchise agreement. The franchise arrangement requires the Company as franchisor to perform various activities to support the Hissho Sushi brand and does not involve the direct transfer of goods and services to the franchise owner as a customer. All material activities, with the exception of pre-closing activities, performed by the Company are highly interrelated with the franchise license and are considered to represent a single performance obligation, which is the transfer of the franchise license. The nature of the Company’s promise in granting the franchise license is to provide the franchise owner with access to the brand’s intellectual property over the term of the franchise arrangement. The pre-closing activities are considered distinct in nature and therefore represent a performance obligation.

HISSHO INTERNATIONAL, LLC

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2019 AND 2018

Note 1—Nature of operations and summary of significant accounting policies and activities (continued)

The most significant items associated with the transaction price in a standard franchise arrangement consist of continuing franchise fees (royalties), advisory and consulting fees, pre-closing fees and training fees. The value of each performance obligation is the standalone selling price detailed in each franchise agreement. These are considered the transaction price for the identified performance obligations.

The timing of revenue recognition may differ from the timing of payment from customers. A related party to the Company records a receivable when revenue is recognized in advance of payment, and a contract liability (“unearned revenue”) when revenue is recognized subsequent to payment. Unearned revenue consists mainly of franchise and training fees paid in advance. A liability is recorded when it is known that an amount previously received will be refunded. The Company does not incur a significant amount of contract acquisition costs in conducting its franchising activities and has not capitalized any such costs.

Income Taxes – The Company, with the consent of its member, has elected to be taxed as a partnership. In lieu of corporate federal income taxes, the member of the Company is taxed on its proportional share of the Company’s taxable income. Accordingly, no provision for income taxes is reflected in the financial statements. Management has evaluated the tax positions of the Company that could have a significant impact on the financial statements of the Company pursuant to the guidance provided by U.S. GAAP.

The Company follows FASB guidance on Accounting for Uncertainty in Income Taxes. The Company’s policy is to record a liability for any tax position taken that is beneficial to the Company, including any related interest and penalties, when it is more likely than not the position taken by management with respect to a transaction or class of transactions will be overturned by a taxing authority upon examination.

Note 2—Concentrations of credit risk

Financial instruments that potentially expose the Company to concentrations of credit risk consist primarily of cash and cash equivalents.

The Company places its cash and cash equivalents on deposit with financial institutions in the United States of America. The Federal Deposit Insurance Corporation covers \$250,000 for substantially all depository accounts. The Company from time to time may have amounts on deposit in excess of the insured limits.

Note 3—Related party transactions

The Company incurs management fee expense from an entity under common ownership for certain operating expenses. These management fees of \$7,786,399 and \$7,106,052 for the years ended December 31, 2019 and 2018, respectively, are included in operating expenses on the accompanying statements of income and member’s equity.

The Company has a receivable from an entity under common ownership for cash collected on its behalf for franchisee fees and commissions income, net of management fees incurred. The related party receivable totaled \$22,438,430 and \$18,014,540 as of December 31, 2019 and 2018, respectively.

HISSHO INTERNATIONAL, LLC
NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2019 AND 2018

Note 4—Franchise revenue

Note 5—Summary of franchise outlets

Following is a summary of changes in the number of franchise outlets during the years ended December 31:

	<u>2019</u>	<u>2018</u>
In operation, beginning of year	1,205	943
Transferred during the year	82	81
New franchises sold during the year	228	221
Franchises closed during the year	(47)	(40)
In operation, end of year	<u>1,468</u>	<u>1,205</u>

Note 6—Subsequent events

The Company has evaluated subsequent events through March 19, 2020 in connection with the preparation of these financial statements, which is the date these financial statements were available to be issued.

As a result of the spread of COVID-19 in early 2020, economic uncertainties have arisen, which are likely to negatively impact retail sales at certain company franchise owned stores. Other financial impacts could occur though such potential impact is unknown at this time.

Report of Independent Auditor

To the Board of Directors
Hissho International, LLC
Charlotte, North Carolina

We have audited the accompanying financial statements of Hissho International, LLC (the “Company”), which comprise the balance sheets as of December 31, 2018 and 2017, and the related statements of income and member’s equity and cash flows for the years then ended, and the related notes to the financial statements.

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Company’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Hissho International, LLC as of December 31, 2018 and 2017, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Revenue Recognition – Revenue from sales of individual franchises is recognized, net of an allowance for uncollectible amounts, when substantially all significant services to be provided to the franchisee have been performed. Revenues include franchise fees, administrative fees, early termination fees and noncompliance charges, training fees, and other revenue and represent amounts earned from the sale and service of individual franchises and are recognized as revenue when the franchisee commences operations or the related services have been performed. B. WHEREAS, the distinguishing characteristics of the System include, without limitation, unique interior design, presentation and preparation layout, including use of a special selection of high grade sushi and food components, specially prepared and packaged condiments and methods of preparation and operation, which may be changed from time to time, prompt and courteous service; a clean, and wholesome preparation and presentation area; a training program utilizing special course instructions and manuals; and unique graphic presentations, marketing and promotional programs and materials; all of which may be changed, improved, and further developed by Franchisor from time to time;

C. WHEREAS, Franchisor identifies the System by means of certain trade names, service marks, trademarks, logos, emblems, and indicia of origin, including but not limited to the marks "HISSHO SUSHI[®]," "OUMI SUSHI[®]," and "SUSHI WITH GUSTO" and such other trade names, service marks, and trademarks as are now designated (~~and may hereafter be designated by Franchisor in writing~~) ~~for use in connection with the System~~ (~~hereinafter referred to as "Proprietary Marks"~~);

D. WHEREAS, Franchisor continues to develop, use, and control the use of such Proprietary Marks in order to identify for the public the source of services and products marketed thereunder and under the System, and to represent the System's high standards of quality, cleanliness, appearance, and service;

E. WHEREAS, Franchisor has obtained and seeks to obtain locations in which to place sushi bars and other food retail locations that typically are contained within third- party retail or grocery outlets ("~~Retail Hosts~~");

F. WHEREAS, Franchisee desires to enter into the business of operating one or more sushi bars or Asian food bars under the System and wishes to obtain a Franchise from Franchisor for that purpose, as well as to receive the training and other assistance provided by Franchisor in connection therewith; and

G. WHEREAS, Franchisee understands and acknowledges the importance of Franchisor's high standards of quality, cleanliness, appearance, and service and the necessity of operating the business franchised hereunder in conformity with Franchisor's standards and specifications.

NOW, THEREFORE, the parties, in consideration of the undertakings and commitments of each party to the other party set forth herein, hereby agree as follows:

1. GRANT

A. Franchisor hereby grants to Franchisee, upon the terms and conditions herein contained, the right and license, and Franchisee undertakes the obligation, to operate one or more of the following: a Full-Service Sushi Bar (~~"Sushi Bar"~~), an Asian Food Bar (~~"Asian Food Bar"~~) or a Satellite Sushi Bar (~~"Satellite Sushi Bar"~~), any or all of which together are referred to as "Food Retail Units," or the "Franchised Business" and to use solely in connection therewith the Proprietary Marks and the System, as they may be changed, improved, and further developed from time to time. All Food Retail Units may be operated by Franchisee only at the locations and of a type and subject to any special terms, all as set forth in Attachment "A" hereto and any sub-parts, additions or amendments (~~shown as Addenda~~) to Attachment "A." Any reference in this Agreement to Attachment "A" shall include all sub-parts (~~such as Attachment A-1, Attachment A-2~~) and amendments (~~referred to as Addenda~~) to Attachment "A."

B. If Franchisor grants the right for additional Food Retail Units then this Agreement will be amended with particular addenda stating the location, amount of Franchise Commission (~~as defined in Paragraph 4.C(4) of this Agreement~~) to be paid to Franchisee for the particular Food Retail Unit, and other applicable terms relating to the Food Retail Unit. The operation of each Food Retail Unit is made subject to the terms of this Agreement and each Addendum to this Agreement.

C. Franchisor and Franchisee agree that (i) ~~if~~ Franchisor shall open or obtain the right to operate a Satellite Sushi Bar or other Food Retail Unit, and (ii) ~~if~~ Franchisee operates another Food Retail Unit within thirty miles of the new proposed Food Retail Unit, and (iii) ~~if~~ such location is offered by Franchisor to Franchisee; then Franchisee agrees to take and operate such additional Food Retail Unit as its own in compliance with all terms of this Agreement and the Franchise Manual, to execute an addendum specifying the location and the terms of operation of the offered Food Retail Bar, including any Franchise Commission (~~as defined in Paragraph 4.C(4) of this Agreement~~) to be paid to Franchisee.

D. Franchisor and Franchisee agree that nothing in this Agreement requires Franchisor to offer rights to operate additional Food Retail Units. Franchisee acknowledges that this Agreement is non-exclusive, and is granted subject to the terms of Paragraph 8.C(6) hereof.

E. All grants of right to operate a Food Retail Unit are subject to the ongoing right of Franchisor or its affiliate to continue to operate a Food Retail Unit at the location provided by the Retail Host. If a Retail Host terminates or fails to renew an agreement

to operate a Food Retail Unit operated by Franchisee, then Franchisor may terminate Franchisee's right to operate that Food Retail Unit without penalty or payment by Franchisor.

2. TERM AND RENEWAL

A. Except as otherwise provided herein or in Attachment "A" and amendments to Attachment "A," the initial term of this Agreement and each Food Retail Unit shown in the Attachment "A" and amendments to Attachment "A" shall expire three (~~3~~) years from the date of this Agreement (~~"Initial Term"~~) so that the term of each Food Retail Unit shall expire on the same date even if Franchisee commenced operating its various Food Retail Units on different dates; provided, however, this Agreement shall terminate prior to the expiration of the three (~~3~~) year term upon expiration or termination of Franchisor's right (~~or the right of Franchisor's affiliate as the case may be~~) to remain and operate a Food Retail Unit at the designated location provided by a Retail Host.

B. Franchisee may, at its option, renew this Agreement of all but not less than all Food Retail Units under this Agreement for one ~~(1)~~ additional consecutive term of three ~~(3)~~ years (“Renewal Term”) from the date of this Agreement, provided that prior to the end of the then-current term:

(1) Franchisee has paid to Franchisor a renewal fee in the amount of Franchisor’s then current Initial Franchise Fee for each Sushi Bar and Asian Food Bar renewed, except that ~~(i)~~ if the Franchise Agreement at the time of the renewal has been in effect at least three years, and ~~(ii)~~ if there has been no change of control of ownership of the Franchised Business or of the Franchisee, then the renewal fee shall be in the amount of seventy five percent ~~(75%)~~ of Franchisor’s then current Initial Franchise Fee;

(2) Franchisee has given Franchisor written notice of its election to renew not less than six ~~(6)~~ months prior to the end of the applicable term;

(3) Franchisee has made or has provided for, in a manner satisfactory to Franchisor, such renovation and modernization of the Food Retail Unit as Franchisor may reasonably require, including, without limitation, renovation of signs, furnishings, equipment, fixtures, and decor, to reflect the then-current standards and image of the System as designated in the Confidential Franchise Manual (“Franchise Manual”), described in Paragraph 9 hereof;

(4) Franchisee is not in default and has not previously been in default resulting in written notice of the default of any provision of this Agreement, any amendment hereof or successor hereto, or any other agreement between Franchisee and Franchisor or its subsidiaries and affiliates;

(5) Franchisee has satisfied all monetary obligations owed by Franchisee to Franchisor and its subsidiaries and affiliates;

(6) Franchisor, or its affiliate shall have the continued right to remain in the location under the terms of its agreement with its Retail Host’s location;

(7) Franchisee shall have executed Franchisor's then-current form of franchise agreement, which agreement shall supersede this Agreement in all respects, and the terms of which may differ from the terms of this Agreement, including, without limitation, a higher percentage royalty fee and ~~advertising~~ Brand Fund contribution, other additional or increased fees and costs;

(8) Franchisee shall execute a general release, in a form prescribed by Franchisor, of any and all claims against Franchisor and its parents, subsidiaries and affiliates, and their respective officers, directors, agents, and employees; and

(9) Franchisee shall comply with Franchisor's then-current qualification and training requirements.

(10) Notwithstanding any other provision of this Agreement, if Franchisor, directly or through its affiliate, has provided the location in which Franchisee’s Food Retail Unit is located, and if Franchisor’s right to the location has expired or is terminated for any reason, then the term, and any Renewal Term, of this Agreement and Franchisee’s right to occupy and operate the Food Retail Unit shall be terminated. In the event that the Franchise Agreement is terminated Franchisor shall have no requirement to replace or transfer Franchisee’s Franchise or to provide an alternative location to operate a Food Retail Unit.

(11) Franchisee shall renew all Food Retail Units under this Agreement at the same time this Agreement is renewed. Any notice of renewal received shall be deemed notice of renewal of all Food Retail Units of Franchisee under the Agreement. The failure to renew any Food Retail Unit shall be

deemed a failure to renew all Food Retail Units by Franchisee. The Renewal Term shall expire on the same date for each of the Food Retail Units operated under the Agreement.

C. With respect to a second and all other additional Food Retail Units franchised to Franchisee by Franchisor under this Agreement, the term of each additional Food Retail Unit shall expire on the same date as the first Food Retail Unit shown in Attachment A.

3. DUTIES OF FRANCHISOR

During the term of this Agreement, an additional Initial Franchise Fee shall be paid with respect to each additional Food Retail Unit franchise granted by Franchisor in a pro-rated amount as follows ~~(except that Franchisee shall not be required to pay an Initial Franchise Fee only for a Satellite Sushi Bar as defined by Franchisor):~~

For any additional Food Retail Unit franchised during the term of the Agreement, ~~(i)~~ if there is between 25 to 36 months remaining on the term of this Agreement, then the additional Initial Franchise Fee for that additional Food Retail Unit shall be \$4,200; ~~(ii)~~ if there is between 13 to 24 months remaining on the term of this Agreement, then the additional Initial Franchise Fee for that additional Food Retail Unit

shall be \$2,800; and ~~(iii)~~ if there is less than 13 months remaining on the term of this Agreement, then the additional Initial Franchise Fee for that additional Food Retail Unit shall be \$1,400. All sums paid shall be deemed fully earned and nonrefundable in consideration of administrative and other expenses incurred by Franchisor in granting this Franchise and for Franchisor's lost or deferred opportunity to franchise to others.

B. If Franchisee is purchasing an operating Food Retail Unit in connection with this Agreement, Franchisee shall pay to Franchisor, in addition to the Initial Franchise Fee, a Unit Purchase Fee as specified in Attachment "A" at the time this Agreement is executed. This payment is solely for the goodwill of the operating Food Retail Unit as a going concern, and does not cover payments for inventory, small wares or other tangible assets.

C. Franchisee acknowledges and agrees that under the System's structure:

(1) Franchisee shall not receive payments for the sales of goods and services of its Food Retail Units, and that those payments will be made directly to the Retail Host where the Food Retail Unit is located, and that all payments for goods and services will be made to the Retail Host. Franchisee further acknowledges and agrees that all sales will be made through cash registers of the Retail Host and that Franchisee shall not make any sales through Franchisee's cash registers. Franchisor shall have the right to unilaterally modify this payment structure at any time.

(2) As used in this Agreement, "Gross Sales" shall include all revenue from the sale of all services and products related to the Franchised Business, whether for cash or credit and regardless of collection in the case of credit; provided, however, that "Gross Sales" shall not include any documented deductions, promotions, or returns, or sales taxes or other taxes collected from customers by Franchisee for transmittal to the appropriate taxing authority.

(3) The percentage of sales that the Retail Host may retain as its share of Gross Sales ~~("Service Commission")~~ is negotiated directly by Franchisor or Franchisor's affiliate with the Retail Host and may vary among Food Retail Units. The amount remaining from Gross Sales after deduction of the Retail Host's Service Commission is referred to as "Net Sales." Service Commissions may fluctuate during the term of your Franchise Agreement.

(4) Upon receipt of the Net Sales from the Retail Host, Franchisor shall remit to Franchisee the agreed percentage of Net Sales or Gross Sales, as the case may be, which is set forth in the Attachment "A" to this Agreement and amendments to Attachment "A" for each individual Food Retail Unit ~~("Franchise Commission")~~, but only after first deducting from Franchise Commissions: ~~(i)~~ all amounts owed of every type and nature by Franchisee to Franchisor including all fees and other sums owed under this Paragraph 4; ~~(ii)~~ all amounts owed by Franchisee to Franchisor's affiliated suppliers for food and supplies and other purchases made by Franchisee; ~~(iii)~~ any amounts owed to Franchisor or its affiliated parties arising from loans, financings, advances, credits or deferrals made to Franchisee by Franchisor or its affiliates; and ~~(iv)~~ Franchisor's share of any Negotiated Retail Price Increase. For purposes of this Agreement, the term "Negotiated Retail Price Increase" means an increase in Gross Sales resulting from the negotiation by Franchisor of an increase in the retail sales price for food and beverage products from Franchisee's applicable Food Retail Units.

(5) After deduction of all items, Franchisor shall remit any remainder of the Franchise Commissions to Franchisee. If after all deductions from the Franchise Commission there remains a negative balance, then the negative balance will be carried forward to the next month, and if necessary, additional subsequent months, and the negative balance shall be deducted from Franchisee's next months' Franchise Commissions.

(6) Franchisor does not guaranty payment by the Retail Host, and Franchisor shall have no obligation to pay Franchisee its Franchise Commissions until Franchisor first receives remittance of Net Sales from the Retail Host. If from time to time Franchisor chooses in its discretion to advance Franchisee Commissions to Franchisee prior to Franchisor's receipt of Net Sales from the Retail Host, Franchisee agrees that such amounts shall become indebtedness of Franchisee to Franchisor and shall be carried forward by Franchisor as a negative balance owed by Franchisee. Any negative balance carried forward may be withheld from future Franchise Commissions otherwise due to Franchisee, but any negative balance shall constitute indebtedness of Franchisee due on demand by Franchisor at any time. Franchisor does not guaranty payment to any of Franchisee's vendors or suppliers. Notwithstanding anything to the contrary, Franchisee shall not be entitled to any Gross Sales or Net Sales except in the amount of the Franchise Commissions after all deductions described in this Agreement.

(7) Franchisor shall have the right to retain some or all of the revenue collected from a Negotiated Retail Price Increase. Upon negotiation of an increase in retail pricing, Franchisor shall notify Franchisee of the Negotiated Retail Price Increase and notify Franchisee what percentage of the revenue resulting from Franchisor's efforts shall be retained by Franchisor.

(8) If the Service Commissions payable to a Retail Host increase, we shall be entitled, upon written notice to you, to reduce your Franchise Commission, to reflect that increase in money retained by the Retail Host.

A. Franchisee shall maintain insurance in force as follows:

(1) Employer's liability and worker's compensation as prescribed by law in the state in which the Food Retail Unit is located and as stated in the Franchise Manual;

(2) general liability insurance in the amount of \$2 million per occurrence limit, and \$2 million personal injury and advertising limit; \$4 million general aggregate, \$2 million Products and Completed Operations Aggregate, \$1 million umbrella liability; \$2 million business auto liability; worker’s compensation/employers liability. Insurance requirements may change and may be changed in the Franchise Manual. If you fail to maintain the required insurance coverages we may obtain the insurance and deduct it from your Franchise Commissions (see Item 6).

(3) All policies of insurance shall name Franchisor as an additional insured; and shall provide that the policy cannot be cancelled without thirty ~~(30)~~ days prior written notice to Franchisor; and shall specify that copies of all notices shall be sent to Franchisor. Franchisee shall furnish Franchisor with copies of all policies or certificates evidencing insurance in force as required herein. Evidence of payment of premiums shall be delivered to Franchisor at least thirty ~~(30)~~ days prior to the expiration dates of each existing insurance policy; and

(4) Such additional insurance covering such additional risks or providing such higher limits as Franchisor may reasonably request. Franchisor’s additional requirements may be stated in the Franchise Manual, the requirements and coverages being subject to change by Franchisor.

B. Should Franchisee, for any reason, fail to procure or maintain the insurance required by this Agreement, as such requirements may be revised from time to time by Franchisor in the Franchise Manual or otherwise in writing, Franchisor shall have the right and authority ~~(without, however, any obligation to do so)~~ immediately to procure such insurance and to charge same to Franchisee, which charges, together with the Insurance Service Fee described in Paragraph 4.E~~(19)~~ of this Agreement, for

Franchisor's time and expenses in so acting which amounts will be deducted from Franchisee's Franchise Commission. The foregoing remedies shall be in addition to any other remedies Franchisor may have.

14. TRANSFER

A. Franchisor shall have the right to transfer or assign all or any part of its rights or obligations herein to any person or legal entity.

B. Transfer by Franchisee of the right to operate the restaurant, or any interest in this Agreement, the Franchise rights and license rights, and Franchisee are limited as follows and may only occur after Franchisee has operated the Food Retail Unit for at least one year:

(1) Franchisee's authority to transfer any interest under this Agreement is also subject to the terms of any other agreement between Franchisor and Franchisee which may impose additional conditions and limitations on Franchisee's right to transfer its interest under this Agreement.

(2) Franchisee understands and acknowledges that the rights and duties set forth in this Agreement are personal to Franchisee and, if Franchisee is an entity, its shareholders or members, and that Franchisor has granted this Agreement in reliance on Franchisee's business skill and financial capacity, and, if Franchisee is an entity, the business skill, financial capacity and personal character of Franchisee's shareholders or members. Accordingly, neither Franchisee nor any immediate or remote successor to any part of Franchisee's interest in this Agreement, nor any individual, partnership, corporation, limited liability company, or other legal entity which directly or indirectly owns any interest in the Food Retail Unit, in this Agreement, or in Franchisee shall sell, assign, transfer, convey, give away, pledge, mortgage, or otherwise encumber any direct or indirect interest in the Food Retail Unit, interest in this Agreement, interest in the Franchise rights and license rights, or any obligations granted hereunder, or in Franchisee without the prior written consent of Franchisor. Any such proposed transfer shall be subject, where applicable, to Franchisor's option to purchase set forth in Paragraph 14.C herein. Any purported assignment or transfer, by operation of law or otherwise, not having the written consent of Franchisor required by this Paragraph 14.B(2), or any attempted or purported transfer of fewer than all Food Retail Units under this Agreement, shall be null and void and shall constitute a material breach of this Agreement, for which Franchisor may then terminate without opportunity to cure pursuant to Paragraph 15.B of this Agreement.

(3) If a transfer, alone or together with other previous, simultaneous, or proposed transfers, would have the effect of transferring a controlling interest in any Food Retail Unit, interest in this Agreement, interest in the Franchise rights or license rights granted hereunder, or interest in Franchisee, Franchisor may, in its sole discretion, not elect to exercise its option to purchase set forth in Paragraph 14.C herein, and require any or all of the following as conditions of its approval:

(a) All of Franchisee's accrued and outstanding monetary obligations to third parties and all accrued and outstanding obligations to Franchisor, or any affiliate of Franchisor shall have been satisfied;

(b) Franchisee shall not be in default of any provision of this Agreement, any amendment hereto or successor hereof, or any other agreement between Franchisee and Franchisor, its parents, subsidiaries, or affiliates;

(c) The transferor shall have executed a general release under seal, in a form satisfactory to Franchisor, of any and all claims against Franchisor and its officers, directors, shareholders, and employees, in their corporate and individual capacities, including, without limitation, claims arising under federal, state, and local laws, rules, and ordinances; and shall agree to remain liable to Franchisor for all affirmative obligations, covenants, and agreements contained herein for two ~~(2)~~

years following the effective date of transfer (or, if transferor retains any interest of any kind in the transferred business, for a period greater than two ~~(2)~~ years, until the interest is extinguished) or for such shorter period as Franchisor may, in its sole discretion, determine;

(d) The transferee shall enter into a written assignment, under seal and in a form satisfactory to Franchisor, assuming and agreeing to discharge all of Franchisee's obligations under this Agreement; and, if the obligations of Franchisee were guaranteed by the transferor, the transferee shall guarantee the performance of all such obligations in writing in a form satisfactory to Franchisor;

(e) The transferee shall demonstrate to Franchisor's satisfaction that the transferee meets Franchisor's educational, managerial, and business standards; possesses a good moral character, business reputation, and credit rating; has the aptitude and ability to conduct the Franchised Business herein (as may be evidenced by prior related business experience or otherwise); and has adequate financial resources and capital to operate the Franchised Business;

(f) At Franchisor's option, the transferee ~~(i)~~ shall execute (and/or, upon Franchisor's request, shall cause all interested parties to execute), for a term ending on the expiration date of this Agreement, the then-current standard form of franchise agreement being offered to new System franchisees and other ancillary agreements, modified to require the transferee to pay a pro-rated franchise fee for the remaining term of the Franchise Agreement; or ~~(ii)~~ sign Franchisor's then current form of franchise agreement for a full term and pays Franchisor's then current Initial Franchise Fee in full. The then current Franchise Agreement shall include a guarantee of such agreement executed by all shareholders of the transferee, as Franchisor may require for the Franchised Business, which agreements shall supersede this Agreement in all respects and the terms of which agreements may differ from the terms of this Agreement, including, without limitation, a higher percentage royalty rate and ~~advertising~~Brand Fund contribution;

(g) At Franchisor's sole discretion, the transferee, at its expense, shall upgrade the Food Retail Unit to conform to the then-current standards and specifications of System restaurants, and shall complete the upgrading and other requirements within the time specified by Franchisor;

(h) Franchisee shall remain liable for all of its obligations to Franchisor in connection with the Franchised Business prior to the effective date of the transfer, and shall execute any and all instruments reasonably requested by Franchisor to evidence such liability;

(i) At the transferee's expense, transferee's Operating Principal and transferee's managers, shall complete any training and certification programs then in effect for franchisees upon such terms and conditions as Franchisor may reasonably require; and

(j) Franchisee shall pay to Franchisor a transfer fee of one thousand five hundred dollars ~~(\$1,500)~~ for each transferred Food Retail Unit for which Franchisee requests the right to transfer, and any other transfer fees required by Paragraph 4.~~E(18D21)~~ or 4.~~E(19D22)~~, plus Franchisor's legal expenses related to review and administration of the transfer including Franchisor's cost of travel, lodging and meals;

(4) Franchisee shall grant no security interest in this Agreement or in the Franchised Business (other than a pledge of assets to secure a bona fide loan made or credit extended in connection with acquisition of the assets pledged) unless the secured party agrees that in the event of any default by Franchisee under any documents related to the security interest, Franchisor shall have the right and option to purchase the rights of the secured party upon payment of all sums then due to such secured party.

(5) Franchisee acknowledges and agrees that each condition which must be met by transferee is necessary to assure such transferee's full performance of the obligations hereunder.

C. Franchisor shall have the option to purchase any interest in the Food Retail Unit or this Agreement as follows:

(1) Any party holding any direct or indirect interest in the Food Retail Unit, in this Agreement or in Franchisee who desires to accept any bona fide offer from a third party to purchase such interest, if a transfer of that interest alone or together with other previous, simultaneous or proposed transfers would have the effect of transferring a controlling interest in the Food Retail Unit, in this Agreement, or in Franchisee, shall provide Franchisor with all of the terms of the proposed transfer in writing at least sixty ~~(60)~~ days prior to the proposed date of transfer. Franchisor shall have the right and option, exercisable within sixty ~~(60)~~ days after receipt of such written notification, to send written notice to the seller that Franchisor intends to purchase the seller's interest on the same terms and conditions offered by the third party, net of any finders or brokers' fees which any third party would be obligated to pay. In the event that Franchisor elects to purchase the seller's interest, closing on such purchase must occur within sixty ~~(60)~~ days from the date of notice to the seller of the election to purchase by Franchisor. If Franchisor does not exercise its option to purchase, Franchisee or shareholders or members of Franchisee, as applicable, may proceed to consummate a transfer to a third party if they have complied with the conditions of this Paragraph 14. If Franchisor did not exercise its option to purchase, any material change in the terms of the third party's offer prior to closing shall constitute a new offer subject to the same option to purchase by Franchisor as in the case of an initial offer. Failure of Franchisor to exercise the option afforded by this Paragraph 14.C shall not constitute a waiver of any other provision of this Agreement, including all of the requirements of this Paragraph 14 with respect to a proposed transfer.

(2) In the event the consideration, terms, and/or conditions offered by a third party are such that Franchisor is not in a position to furnish the same consideration, terms, and/or conditions, then Franchisor may purchase the interest proposed to be sold for the reasonable equivalent in cash.

D. Upon the death or mental incapacity of Franchisee if Franchisee is an individual or any person with a controlling, direct or indirect interest in this Agreement or in Franchisee or the Franchised Business, Franchisor may take possession of the Food Retail Units and operate it for its own account. Upon taking possession of the Food Retail Units Franchisor shall give credits to Franchisee's account against any amounts owed in the amount of fifty percent ~~(50%)~~ of Franchisee's original cost of acquisition of equipment acquired from Franchisor and one hundred percent ~~(100%)~~ of Franchisee's cost for any unopened, usable food utilized by Franchisor.

E. Franchisor's consent to a transfer of any interest in Franchisee, rights to operate the Food Retail Unit, interest in this Agreement or any license or Franchise rights granted hereunder shall not constitute a waiver of any claims it may have against the transferring party, nor shall it be deemed a waiver of Franchisor's right to demand exact compliance with any of the terms of this Agreement by the transferee.

F. Franchisee acknowledges that any failure to comply with the requirements of this Paragraph 14 will cause Franchisor irreparable injury, for which no adequate remedy at law may be available, and Franchisee agrees to pay all court costs and reasonable attorneys' fees incurred by Franchisor in obtaining specific performance of, or an injunction against violation of, the requirements of this Paragraph 14.

15. DEFAULT AND TERMINATION

A. Franchisee shall be deemed to be in default under this Agreement, and all rights granted herein shall automatically terminate without notice to Franchisee, if Franchisee shall become insolvent or make a general assignment for the benefit of creditors; or if a petition in bankruptcy is filed by Franchisee or such a petition is filed against Franchisee and not opposed by Franchisee; or if Franchisee is adjudicated a bankrupt or insolvent; or if a bill in equity or other proceeding for the appointment of a receiver of Franchisee or other custodian for Franchisee's business or assets is filed and consented to by Franchisee; or if a receiver or other custodian ~~(permanent or temporary)~~ of Franchisee's assets or property, or any part thereof, is appointed by any court of competent jurisdiction; or if proceedings for a composition with creditors under any state or federal law should be instituted by or against Franchisee.

B. Upon occurrence of any of the following events, Franchisee shall be deemed to be in default and Franchisor may, at its option, terminate this Agreement and all rights granted hereunder, without affording Franchisee any opportunity to cure the default, effective immediately upon receipt of notice by Franchisee, and may take immediate possession of the Food Retail Units together with all equipment and inventory:

(1) If Franchisee fails to immediately operate the Franchised Business if it is a currently operating Food Retail Unit, or if Franchisee shall fail to open upon Franchisor's designated opening date if the Food Retail Unit is not yet operating;

(3) If Franchisee or any shareholder or member of Franchisee purports to transfer any interest in this Agreement, any rights hereunder, including but not limited to any rights to operate the Food Retail Units, Franchise and license rights or obligations under this Agreement or any interest in Franchisee to any third party without Franchisor's prior written consent, contrary to the terms of Paragraph 14 of this Agreement; or if Franchisor purports to transfer or attempt to transfer fewer than all Food Retail Units under this Franchise Agreement;

(7) If Franchisee shall cause, suffer, or permit ~~(voluntarily or involuntarily)~~ its right to or possession of the premises on which the Food Retail Unit is located to be terminated prematurely for any cause whatsoever; or if Franchisee shall fail to follow any policy, rule, regulation or directive of the Retail Host; be in material default under the lease for the premises on which the Food Retail Unit is located;

(8) If Franchisee ceases to operate or otherwise abandons, fails to open the Food Retail Unit during ordinary business hours, or attempts to cease to operate or abandon, the Food Retail Unit, or enters into an agreement to sell, or sells, or purports or attempts to sell rights to the Food Retail

Unit, or substantially all right in and to the Food Retail Unit or substantially all of the assets of Franchisee or of the Food Retail Unit, without Franchisor's prior written consent;

(9) If any other Franchise Agreement with Franchisor is terminated based upon Franchisee's default thereunder, or if Franchisee is in default under any other contract with Franchisor, Lwin Family Co, or other affiliate of Franchisor;

(10) If Franchisee, after curing a default pursuant to Paragraph 15.C, commits the same, or a substantially similar, default again within one hundred eighty ~~(180)~~ days after the prior default occurred, whether or not cured after notice;

(11) If Franchisee repeatedly is in default under Paragraph 15.C for failure to comply with any of the requirements imposed by this Agreement, whether or not cured after notice;

(12) If for any reason Franchisor's right of possession or right to operate the Food Retail Unit expires or is terminated and Franchisor loses the right to retain the location in which the Franchised Business operates;

(16) If Franchisee denies Franchisor or its designee the right to inspect the Food Retail Unit at any time;

(17) If Franchisee fails to comply with the in-term covenants in Paragraph 17.A hereof or employs, or seeks to employ, any person who at the time is employed by Franchisor or any of its affiliates or by any HISSHO ~~or~~ Sushi, OUMI Sushi, or SUSHI WITH GUSTO franchisee, or otherwise induces, directly or indirectly, any such person to leave such employment;

(18) If a final judgment against Franchisee remains unsatisfied or of record for thirty ~~(30)~~ days or longer ~~(unless an appeal is filed and supersedeas bond obtained)~~;

(19) If Franchisee is dissolved, execution is levied against Franchisee's business or property, suit to foreclose any lien or mortgage against the Franchised Business or equipment situated therein is instituted against Franchisee and not dismissed or bonded off within sixty ~~(60)~~ days, or the real or personal property of the Franchised Business is sold after levy thereupon by any sheriff, marshal or constable; or

(20) If Franchisee purchases ingredients used to produce food products from an unapproved source and has been assessed a Non-Compliance Fee for such a deviation on at least one ~~(1)~~ prior occasion, or if Franchisee's food inventory order to Franchisor or its affiliate is less than ninety percent ~~(90%)~~ of the total amount reasonably required to meet the Food Retail Unit's production needs and Franchisee has been assessed the Ordering Non-Compliance Fee on two ~~(2)~~ or more prior occasions.

C. Except as otherwise provided in Paragraphs 15.A and 15.B of this Agreement, Franchisee shall have fifteen ~~(15)~~ days after its receipt from Franchisor of a written notice of default within which to remedy any default hereunder and to provide evidence thereof to Franchisor. If any such default is not cured within that time, or such longer period as applicable law may require, Franchisor may terminate this Agreement, effective immediately upon Franchisee's receipt of notice from Franchisor after the expiration of the fifteen ~~(15)~~ day period or such longer period as applicable law may require. Franchisee shall be in default hereunder for any failure to comply with any of the requirements imposed by this Agreement, including any matter enumerated in this Paragraph 15.C, as it may from time to time reasonably be supplemented by the Franchise Manual, or to carry out the terms of this Agreement in good faith. Such defaults shall include, for example, but without limitation, the occurrence of any of the following events:

(1) If Franchisee fails, refuses, or neglects promptly to pay any monies owing to Franchisor or its parents, subsidiaries or affiliates when due, or to submit the financial or other information required by Franchisor under this Agreement;

(2) If Franchisee fails to pay or fails repeatedly to make prompt payment of undisputed amounts due to its suppliers, landlord, equipment lessors, or other third parties;

(3) If Franchisee fails to maintain the Food Retail Unit in a good, clean and wholesome manner, or fails to maintain or observe any of the other standards or procedures prescribed by Franchisor in this Agreement, the Franchise Manual, or otherwise in writing;

(4) If Franchisee fails, refuses, or neglects to obtain Franchisor's prior written approval or consent as required by this Agreement; or

(5) If Franchisee engages in any business or markets any service or product under a name or mark which, in Franchisor's opinion, is confusingly similar to the Proprietary Marks or uses the Franchisor's Trade Dress other than in connection with the Food Retail Unit or uses any of Franchisor's products, procedures or methods in any other operation not authorized by Franchisor.

D. In order to maintain continuous operation of the Food Retail Unit and to promote the best interests of the System, in the event this Agreement is terminated, or if Franchisee shall at any time abandon any Food Retail Unit for any period of time, Franchisor shall have the right immediately upon termination to enter and take possession of and operate the Food Retail Unit. Upon taking possession of the Food Retail Units Franchisor shall give credits to Franchisee's account against any amounts owed in the amount of fifty percent ~~(50%)~~ of Franchisee's original cost of acquisition of equipment acquired from Franchisor and one hundred percent ~~(100%)~~ of Franchisee's cost for any unopened, usable food utilized by Franchisor.

E. Franchisor may terminate this Agreement if for any reason it or its affiliates shall lose the right to operate a Food Retail Unit in the Retail Host location under its agreements with the Retail Host. No guaranty or warranty is made by Franchisor that it shall have the ongoing right to operate any Food Retail Unit, and Franchisor shall have no obligation to compensate or reimburse any payments made to Franchisee, or to provide another franchised Food Retail Unit to replace a Food Retail Unit.

F. Upon termination of this Agreement Franchisee shall not remove any furniture, fixtures, signs, equipment or other property or leasehold improvements from the Food Retail Unit premises without the written consent of Franchisor.

G. Upon termination of this Agreement, or abandonment of any Food Retail Unit by Franchisee (abandonment shall be deemed to have occurred if Franchisee shall fail to open for business on any business day), Franchisor shall have the immediate right to take possession of the Food Retail

Unit without notice to Franchisee; and Franchisor shall be entitled to withhold all fees, damages, amounts owed to Franchisor or its affiliates, and to accelerate any financial obligations of Franchisee to Franchisor or its affiliates, and to apply all or any portion of Net Sales to such obligations of Franchisee.

16. OBLIGATIONS UPON TERMINATION OR EXPIRATION

Upon termination or expiration of this Agreement, all rights granted hereunder to Franchisee shall forthwith terminate, and:

A. Franchisee shall immediately cease to operate the Franchised Business, shall not thereafter, directly or indirectly, represent to the public or hold itself out as a present or former franchisee of Franchisor; and shall immediately and permanently cease to use, in any manner whatsoever, any confidential methods, procedures and techniques associated with the System; the Proprietary Marks HISSHO, OUMI, SUSHI WITH GUSTO, and all other Proprietary Marks and distinctive forms, slogans, signs, symbols, and devices and any Trade Dress associated with the System.

B. Franchisee shall return possession of the premises to Franchisor immediately on demand by Franchisor, leaving all furniture, fixtures, equipment and signage used in connection with the Food Retail Unit in place. Franchisor also may require Franchisee to leave in place all of Franchisee's usable inventory items, small wares and other tangible property used in the Food Retail Unit, and if so Franchisor will purchase all such usable items from Franchisee for their fair value as posted in the Franchise Manuals.

C. Franchisee shall take such action as may be necessary to cancel any assumed name or equivalent registration which contains the mark "HISSHO" ~~or~~ "OUMI" or "SUSHI WITH GUSTO" or any other service mark or trademark of Franchisor, and Franchisee shall furnish Franchisor with evidence satisfactory to Franchisor of compliance with this obligation within thirty ~~(30)~~ days after termination or expiration of this Agreement.

D. Franchisee agrees, in the event it continues to operate or subsequently begins to operate any other business, not to use any reproduction, counterfeit, copy, or colorable imitation of the Proprietary Marks, either in connection with such other business or the promotion thereof, which is likely to cause confusion, mistake, or deception, or which is likely to dilute Franchisor's rights in and to the Proprietary Marks, and further agrees not to utilize any Trade Dress or designation of origin or description or representation which falsely suggests or represents an association or connection with Franchisor constituting unfair competition.

E. Franchisee shall promptly pay all sums owing to Franchisor and its subsidiaries and affiliates. In the event of termination for any default of Franchisee, such sums shall include all damages, costs, and expenses, including reasonable attorneys' fees, incurred by Franchisor as a result of the default, which obligation shall give rise to and remain, until paid in full, a lien in favor of Franchisor against any and all of the personal property, furnishings, equipment, signs, fixtures, and inventory owned by Franchisee and on the premises operated hereunder at the time of default.

F. Franchisee shall pay to Franchisor all damages, costs, and expenses, including reasonable attorneys' fees, incurred by Franchisor subsequent to the termination or expiration of this Agreement in obtaining injunctive or other relief for the enforcement of any provisions of this Paragraph 16.

G. Franchisee shall immediately deliver to Franchisor all manuals, including the Franchise Manual, records, files, instructions, correspondence, all materials related to operating the Franchised Business, including, without limitation, brochures, agreements, invoices, and any and all other materials relating to the operation of the Franchised Business in Franchisee's possession, and all copies thereof ~~(all~~

of which are acknowledged to be Franchisor's property), and shall retain no copy or record of any of the foregoing, except Franchisee's copy of this Agreement and of any correspondence between the parties and any other documents which Franchisee reasonably needs for compliance with any provision of law.

H. Franchisee shall comply with any surviving covenants contained in Paragraph 3 of this Agreement.

17. COVENANTS

A. Franchisee acknowledges that, pursuant to this Agreement, Franchisee will receive valuable specialized training and Confidential Information, including, without limitation, information relating to the operational, sales, promotional, and marketing methods and techniques of Franchisor and the System. Accordingly, Franchisee covenants that:

(1) During the term of this Agreement, except as otherwise approved in writing by Franchisor, Franchisee and, if Franchisee is an entity, its shareholders or members shall not, either directly or indirectly, for themselves, or through, on behalf of, or in conjunction with any person, persons, partnership, corporation or limited liability company:

(a) Divert or attempt to divert any business or customer of the Food Retail Unit to any competitor, by direct or indirect inducement or otherwise, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with Franchisor's Proprietary Marks and the System; or

(b) Employ or seek to employ any person who is at that time employed by Franchisor or by any other developer or franchisee of Franchisor, or otherwise directly or indirectly induce such person to leave his or her employment.

(2) Except as otherwise approved in writing by Franchisor, Franchisee and, if Franchisee is an entity, its shareholders or members shall not, either directly or indirectly, for themselves, or through, on behalf of, or in conjunction with any person, persons, partnership, corporation, or limited liability company, own, maintain, advise, help, invest in, make loans to, be employed by, be the landlord of, engage in, or have any interest in:

(a) A sushi bar, or a shop or restaurant that features sushi, and shall not offer any items which are menu items or items produced in any Food Retail Unit, in any State in which there is operating a Food Retail Unit, during the term of this Agreement and for a continuing uninterrupted period commencing upon the expiration or termination of this Agreement, regardless of the cause for termination, and continuing for one ~~(1)~~ year thereafter; and

(b) A sushi bar, or a shop or restaurant, or a retail counter that features sushi, and shall not offer any items which are menu items or items produced in any Food Retail Unit, which is located within twenty ~~(20)~~ miles from any Food Retail Unit during the term of this Agreement and for a continuous uninterrupted period of one year commencing upon the expiration or termination of this Agreement, regardless of the cause of termination, and continuing for one ~~(1)~~ year thereafter.

B. Paragraph 17.A shall not apply to ownership by Franchisee of less than five percent ~~(5%)~~ beneficial interest in the outstanding equity securities of any corporation which is registered under the Securities Exchange Act of 1934.

C. The parties agree that each of the foregoing covenants, and each of the sub-parts of the foregoing covenants, shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Paragraph 17 is held unreasonable or unenforceable

by a court or agency having valid jurisdiction in an unappealed final decision to which Franchisor is a party, Franchisee expressly agrees to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Paragraph 17.

D. Franchisee understands and acknowledges that Franchisor shall have the right, in its sole discretion, to reduce the scope of any covenant set forth in Paragraph 17.A or any portion thereof, without Franchisee's consent, effective immediately upon receipt by Franchisee of written notice thereof; and Franchisee agrees that it shall comply forthwith with any covenant as so modified.

E. Franchisee expressly agrees that the existence of any claims it may have now or in the future against Franchisor, whether or not arising from this Agreement, shall not constitute a defense to the enforcement by Franchisor of the covenants in this Paragraph 17.

F. Franchisee acknowledges that any failure to comply with the requirements of this Paragraph 17 would result in irreparable injury to Franchisor, for which no adequate remedy at law may be available, and Franchisee agrees to pay all court costs and reasonable attorneys' fees incurred by Franchisor in obtaining specific performance of, or an injunction against violation of, the requirements of this Paragraph 17.

G. If Franchisee is an entity, at the request of Franchisor, Franchisee shall obtain and deliver to Franchisor executed covenants similar in substance to those set forth in this Paragraph 17 ~~(including covenants applicable upon the termination of a person's relationship with Franchisee)~~ from the following persons: all officers, directors, or members, and holders of the securities of Franchisee, and of any corporation or limited liability company directly or indirectly controlling or controlled by Franchisee. Every covenant required by this Paragraph 17.G shall be in a form satisfactory to Franchisor, including, without limitation, specific identification of Franchisor as a third-party Franchisor of such covenants with the independent right to enforce them. Failure by Franchisee to obtain execution of a covenant required by this Paragraph 17.G or to deliver the covenant to Franchisor shall constitute a default under this Agreement.

18. FORCE MAJEURE

If the performance of any obligation under this Agreement is prevented or delayed, in whole or in part, by reason of force majeure, or the consequence thereof, affecting the parties hereto or the rights granted hereunder, such force majeure to include but not be limited to acts of God, fire, flood, governmental restrictions, lockouts or labor disputes, then the affected party shall be given such additional time as is reasonable to perform in view of the nature and extent of the force majeure.

19. TAXES, PERMITS, AND INDEBTEDNESS

A. Franchisee shall promptly pay when due all taxes levied or assessed, including, without limitation, unemployment and sales taxes, and all accounts and other indebtedness of every kind incurred by Franchisee in the conduct of the Franchised Business. Franchisee shall pay to Franchisor an amount equal to any sales tax, gross receipts tax, or similar tax imposed on Franchisor with respect to any payments to Franchisor required under this Agreement, unless the tax is credited against income tax otherwise payable by Franchisor.

B. In the event of any bona fide dispute as to Franchisee's liability for taxes assessed or other indebtedness, Franchisee may contest the validity or the amount of the tax or indebtedness in accordance with procedures of the taxing authority or applicable law; however, in no event shall Franchisee permit a tax sale or seizure by levy of execution or similar writ or warrant, or attachment by a creditor, to occur against the premises of the Franchised Business, or any improvements thereon.

C. Franchisee shall comply with all federal, state, and local laws, rules and regulations, and shall timely obtain any and all permits, certificates, or licenses necessary for the full and proper conduct of the Franchised Business, including, without limitation, licenses to do business, fictitious name registrations, resale and sales tax permits, and fire clearances.

D. Franchisee shall notify Franchisor in writing within ten ~~(10)~~ days of the commencement of any action, suit, or proceeding, and of the issuance of any order, writ, injunction, award, or decree of any court, agency, or other governmental instrumentality, which may adversely affect the operation or financial condition of the Franchised Business.

20. INDEPENDENT CONTRACTOR AND INDEMNIFICATION

A. It is understood and agreed by the parties hereto that this Agreement does not create a fiduciary relationship between them, that Franchisee is an independent contractor, and that nothing in this Agreement is intended to constitute either party an agent, legal representative, subsidiary, joint venturer, partner, employee, or servant of the other for any purpose whatsoever.

B. During the term of this Agreement and any extensions thereof, Franchisee shall hold itself out to the public as an independent contractor operating the Franchised Business pursuant to a Franchise Agreement with Franchisor. Franchisee agrees to take such action as may be necessary to do so, including, without limitation, exhibiting a notice of that fact in a conspicuous place in the Food Retail Unit, the content of which Franchisor reserves the right to specify.

C. It is understood and agreed that nothing in this Agreement authorizes Franchisee to make any contract, agreement, warranty, or representation on Franchisor's behalf, or to incur any debt or other obligation in Franchisor's name, and that Franchisor shall in no event assume liability for, or be deemed liable hereunder as a result of, any such action, or by reason of any act or omission of Franchisee in its conduct of the Franchised Business or any claim or judgment arising therefrom. Franchisee shall indemnify and hold Franchisor and Franchisor's officers, directors, shareholders, and employees harmless against any and all claims arising directly or indirectly from, as a result of, or in connection with, Franchisee's operation of the Franchised Business, as well as the costs, including attorneys' fees, of defending against them.

21. APPROVALS AND WAIVERS

A. Whenever this Agreement requires the prior approval or consent of Franchisor, Franchisee shall make a timely written request to Franchisor therefor, and such approval or consent shall be obtained in writing.

B. Franchisor makes no warranties or guarantees upon which Franchisee may rely, and assumes no liability or obligation to Franchisee by providing any waiver, approval, consent, or suggestion to Franchisee in connection with this Agreement, or by reason of any neglect, delay, or denial of any request therefor.

C. No delay, waiver, omission, or forbearance on the part of Franchisor to exercise any right, option, duty, or power arising out of any breach or default by Franchisee under any of the terms, provisions, covenants, or conditions hereof shall constitute a waiver by Franchisor to enforce any such right, option, duty, or power as against Franchisee, or as to a subsequent breach or default by Franchisee. Subsequent acceptance by Franchisor of any payments due to it hereunder shall not be deemed to be a waiver by Franchisor of any preceding breach by Franchisee of any terms, provisions, covenants, or conditions of this Agreement.

22. NOTICES

All notices, requests, demands and other communications required or permitted under this Agreement shall be in writing and shall be deemed to have been properly given immediately when sent by email to Franchisee's assigned "@hissho.com" email address or Franchisee's personal email address on file with Franchisor ~~(a)~~ on the day delivered, if delivered personally or ~~(b)~~ three ~~(3)~~ business days after being mailed, if mailed first class, postage prepaid, registered or certified mail, return receipt requested, or ~~(c)~~ one ~~(1)~~ business day after being mailed, if sent via a reputable overnight courier service, as follows:

If to Franchisee:

Any party may give notice of a change of address by written notice given as provided in this paragraph.

23. ENTIRE AGREEMENT

This Agreement, the documents referred to herein, and the Attachment~~(s)~~ hereto constitute the entire, full, and complete agreement between Franchisor and Franchisee concerning the subject matter hereof, and supersede all prior agreements. No representations have induced Franchisee to execute this Agreement except for those contained in this Agreement, the Exhibits and the Franchise Disclosure Document. No amendment, change, or variance from this Agreement shall be binding on either party unless mutually agreed to by the parties and executed by their authorized officers or agents in writing; provided, however, if Franchisee is an entity, that a writing signed by Franchisee need not be signed by any of its shareholders or members except to the extent, if any, that such writing would increase the amount of such shareholder's or member's financial obligations. Further, no modification, amendment, waiver, discharge or termination of any obligation of Franchisee, and no other matter or termination of any nature or kind whatsoever, including without limitation any release of Franchisee from any such obligation, shall release any shareholder or member of any guaranty obligation given or made by him under this Agreement or otherwise, whether or not such shareholder or member has notice thereof, all rights to notice or to consent being expressly waived hereby.

24. SEVERABILITY AND CONSTRUCTION

A. Except as expressly provided to the contrary herein, each portion, paragraph, section, part, term, and/or provision of this Agreement shall be considered severable; and if, for any reason, any portion, paragraph, section, part, term, and/or provisions herein is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation by a court or agency having valid jurisdiction, such shall not impair the operation of, or have any other effect upon, such other portion, paragraph, section, part, term, and/or provision of this Agreement as may remain otherwise intelligible; and the latter shall continue to be given full force and effect and bind the parties hereto; and said invalid portion, paragraph, section, part, term, and/or provision shall be deemed not to be a part of this Agreement.

B. Except as expressly provided to the contrary herein, nothing in this Agreement is intended, nor shall be deemed, to confer upon any person or legal entity other than Franchisee,

Franchisor, Franchisor's officers, directors, and employees, and such of Franchisee's and Franchisor's respective successors and assigns as may be contemplated by Paragraph 14 hereof, any rights or remedies under or by reason of this Agreement.

C. Franchisee and each of its shareholders or members, as applicable, expressly agree to be bound by any promise or covenant imposing the maximum duty permitted by law which is subsumed within the terms of any provision hereof, as though it were separately articulated in and made a part of this Agreement, that may result from striking from any of the provisions hereof any portion or portions which a court may hold to be unreasonable and unenforceable in a final decision to which Franchisor is a party, or from reducing the scope of any promise or covenant to the extent required to comply with such a court order.

D. All captions in this Agreement are intended solely for the convenience of the parties, and none shall be deemed to affect the meaning or construction of any provision hereof.

E. All references herein to the masculine, neuter, or singular shall be construed to include the masculine, feminine, neuter, or plural, where applicable, and all acknowledgments, promises, covenants, agreements, and obligations herein made or undertaken by Franchisee shall be deemed jointly and severally undertaken by all those executing this Agreement on behalf of Franchisee.

F. This Agreement shall be executed in three copies and each executed copy shall be deemed an original.

25. ARBITRATION

A. ANY DISPUTE ARISING OUT OF, IN CONNECTION WITH OR RELATING TO THIS AGREEMENT SHALL BE SUBMITTED FOR RESOLUTION TO THE AMERICAN ARBITRATION ASSOCIATION (“AAA”), OR A COMPARABLE ORGANIZATION IF THE AAA CEASES TO EXIST, AND DETERMINED PURSUANT TO THE COMMERCIAL ARBITRATION RULES OF THE ADMINISTERING ORGANIZATION. SUCH ARBITRATION PROCEEDINGS SHALL BE CONDUCTED WITHIN MECKLENBURG COUNTY, NORTH CAROLINA. ANY ARBITRATION BETWEEN OR AMONG THE PARTIES TO THIS AGREEMENT AND ANY OF THEIR RELATED PARTIES SHALL BE CONDUCTED ON AN INDIVIDUAL BASIS AND NOT ON A CONSOLIDATED OR CLASS-WIDE BASIS. THIS ARBITRATION CLAUSE WILL NOT DEPRIVE EITHER PARTY OF ANY RIGHT IT MAY OTHERWISE HAVE TO SEEK PROVISIONAL INJUNCTIVE RELIEF FROM A COURT OF COMPETENT JURISDICTION. THE ARBITRATOR MUST BE AN ATTORNEY WITH SUBSTANTIAL EXPERIENCE IN FRANCHISE LAW. THE PARTIES ASK THAT THE ARBITRATOR LIMIT DISCOVERY TO THE GREATEST EXTENT POSSIBLE CONSISTENT WITH BASIC FAIRNESS IN ORDER TO MINIMIZE THE TIME AND EXPENSE OF ARBITRATION. IF PROPER NOTICE OF ANY HEARING HAS BEEN GIVEN, THE ARBITRATOR WILL HAVE FULL POWER TO PROCEED TO TAKE EVIDENCE OR TO PERFORM ANY OTHER ACTS NECESSARY TO ARBITRATE THE MATTER IN THE ABSENCE OF ANY PARTY WHO FAILS TO APPEAR. BOTH PARTIES WAIVE ANY RIGHTS THEY MAY HAVE TO DEMAND TRIAL. THE ARBITRATOR WILL HAVE NO POWER TO ~~(1)~~ STAY THE EFFECTIVENESS OF ANY PENDING TERMINATION OF THE FRANCHISE; OR ~~(2)~~ MAKE ANY AWARD THAT MODIFIES OR SUSPENDS ANY LAWFUL PROVISION OF THIS AGREEMENT. THE PARTY AGAINST WHOM THE ARBITRATOR RENDERS A DECISION MUST PAY ALL EXPENSES OF ARBITRATION. ANY COURT OF COMPETENT JURISDICTION MAY ENTER JUDGMENT UPON ANY AWARD.

B. Franchisee recognizes that Franchisee is a member of a franchise network and that Franchisee's acts and omissions may have a positive or negative effect on the success of other businesses operating under Franchisor's Proprietary Marks. Failure on the part of a single franchisee to comply with the terms of its franchise agreement is likely to cause irreparable damage to Franchisor and to some or all of its other franchisees. For this reason, Franchisee agrees that if Franchisor can demonstrate to a court of competent jurisdiction that there is a substantial likelihood of Franchisee's breach or threatened breach of any of the terms of this Agreement, Franchisor will be entitled to an injunction restraining the breach or to a decree of specific performance, without showing or proving any actual damage, until a final determination is made by an arbitrator.

C. The parties hereto recognize, and any arbitrator is affirmatively advised, that certain provisions of this Agreement describe Franchisor's right to take ~~(or refrain from taking)~~ certain actions in the exercise of its business judgment based on its assessment of the overall best interests of the System. Where such discretion has been exercised, and is supported by Franchisor's business judgment, no arbitrator may substitute his or her judgment for the judgment so exercised by Franchisor.

D. Both parties waive, to the greatest extent permitted by law, its right to seek or be awarded punitive, exemplary or special damages by an arbitrator, except that Franchisor may seek and obtain an award against Franchisee of trebled damages for trademark infringement should Franchisee continue to use the Proprietary Marks after termination of this Agreement.

E. A party that is successful in enforcing its rights under this Agreement through commencement of an action or counterclaim in arbitration will be awarded its costs ~~(including charges for investigation and preparation, expert witness, the arbitrator and the arbitration administrator)~~ and reasonable attorney fees incurred in such arbitration.

F. This arbitration provision is deemed to be self-executing, is intended to benefit and bind Franchisor's and Franchisee's owners and affiliated companies, and will remain in full force and effect after expiration or termination of this Agreement. If either party fails to appear at any properly-noticed arbitration proceeding, an award may be entered against such party by default or otherwise notwithstanding said failure to appear.

G. This arbitration clause will be construed as independent of any other covenant or provision of this Agreement; provided that if a court of competent jurisdiction determines that any of such provisions are unlawful in any way, then the parties' intent is that the court may modify such provisions to the minimum extent necessary to comply with applicable law. However, if any court finds that the punitive damages limitation or class action waiver contained in this arbitration clause is unconscionable or otherwise unenforceable, then either party may require a dispute otherwise subject to the arbitration clause to be decided by a court in accordance with the terms of this Agreement without first submitting the dispute to arbitration.

26. APPLICABLE LAW

A. This Agreement takes effect upon its acceptance and execution by Franchisor in the State of North Carolina, and shall be interpreted and construed under the laws of that State, which laws shall prevail in the event of any conflict of law; provided, however, that if any of the provisions of this Agreement would not be enforceable under the laws of North Carolina, then such provisions shall be interpreted and construed under the laws of the state in which the principal office of Franchisee is located.

B. For any claims to which the arbitration provisions of Section 26 do not apply, the parties agree that any action brought by either party against the other in any court, whether federal or state, shall

be brought within the State of North Carolina and do hereby waive all questions of personal jurisdiction or venue for the purpose of carrying out this provision.

C. No right or remedy conferred upon or reserved to Franchisor or Franchisee by this Agreement is intended to be, nor shall be deemed to be, exclusive of any other right or remedy herein or by law or equity provided or permitted, but each shall be cumulative of every other right or remedy.

D. Nothing herein contained shall bar Franchisor's right to obtain injunctive relief against threatened conduct that will cause it loss or damages, under the usual equity rules, including the applicable rules for obtaining restraining orders and preliminary injunctions.

E. In the event of any action at law or in equity to secure or protect rights under or to enforce the terms of this Agreement, except as otherwise provided for in this Agreement, the prevailing party shall be entitled to recover reasonable counsel fees together with court costs and expenses incurred in connection with the litigation.

27. ACKNOWLEDGMENTS

A. Franchisee acknowledges that the success of the business venture contemplated by this Agreement involves substantial business risks and will be largely dependent upon the ability of Franchisee as an independent business entity. Franchisor expressly disclaims the making of, and Franchisee acknowledges not having received, any warranty or guarantee, express or implied, as to the potential volume, profits, or success of the business venture contemplated by this Agreement.

B. Franchisee acknowledges that Franchisee has received, read, and understood this Agreement, the Exhibits attached hereto, and agreements relating hereto, if any; that other franchise agreements entered into by Franchisor may be different in form and content from this Agreement; and that Franchisor has accorded Franchisee ample time and opportunity, and has encouraged Franchisee, to consult with advisors of Franchisee's own choosing about the potential benefits and risks of entering into this Agreement.

EXHIBIT F -TRAINING AND CONFIDENTIALITY AGREEMENT
Hissho International, LLC
Franchise Disclosure Document

TRAINING AND CONFIDENTIALITY AGREEMENT

This Training and Confidentiality Agreement (~~“Agreement”~~) is made and entered into on this day of, 20____, between Hissho International LLC, a Delaware Limited Liability Company, 11949 Steele Creek Road, Charlotte, North Carolina 28273, (~~the~~ “Company”), and _____ (~~the~~ “Trainee”).

RECITALS

1. Company provides training in Company’s confidential methods, techniques and procedures in preparation of Trainee to acquire a franchise (~~the~~ “Franchise”), and to prepare our sushi products and to operate one or more of our Food Retail Unit locations in supermarkets and restaurants (~~a~~ “Food Retail Unit”).
2. Trainee desires to acquire a Franchise, or to manage a Food Retail Unit.
3. Successful completion of the Hissho Sushi Culinary Training Program (~~“Culinary Training Program”~~), and further approval by the Company are pre-conditions to the purchase of a Franchise by Trainees.

Therefore, for good and valuable consideration, the adequacy is hereby acknowledged by the parties, the Company and Trainee agree as follows:

1. CULINARY TRAINING PROGRAM.

A. The Company shall provide to Trainee the Culinary Training Program that will expose Trainee to the Company’s trade secrets and confidential methods, techniques and procedures to prepare sushi and sushi related products and to operate one or more Food Retail Units. The Culinary Training Program shall take place at Company’s headquarters or such other locations that Company designates at its sole discretion. The Culinary Training Program may include classroom, hands- on and on-the-job training and cover various aspects of the operation of a Food Retail Unit. Topics to be covered may include, but are not limited to cleanliness, recipes, food preparation, customer service, quality standards, marketing, use of labor, financial controls, bookkeeping, ServSafe, maintenance, pH testing, log keeping, and other matters.

B. At all times during the Culinary Training Program Trainee shall be a student or trainee, and at no time is the Trainee an employee of the Company or of any company or person affiliated with the Company, and at no time is Trainee a franchisee or licensee of the Company unless the Company subsequently grants a Franchise to Trainee.

C. The Company may discontinue Trainee’s participation in the Culinary Training Program at any time in the Company’s discretion, without refund, if in the Company’s discretion Trainee is unable to successfully complete the program or if Trainee does not maintain the Company’s operating standards during the Culinary Training Program.

D. Trainee hereby undertakes and agrees that while Trainee participates in the Culinary Training Program, to respect and comply with all applicable laws, rules and regulations governing such activities, to comply with directions and/or instructions given, including without limitation the content of any safety checklist.

2. FEE FOR CULINARY TRAINING PROGRAM.

Upon signing this Agreement, Trainee shall pay Company a fee for the Culinary Training Program in the sum of \$_____. Whether or not any or all of the Trainees complete the Culinary Training Program, and whether or not the Company grants a Franchise to any of Trainees, all fees paid are non-refundable and fully earned by the Company upon payment.

3. TRAINING DOES NOT REQUIRE COMPANY TO GRANT A FRANCHISE.

The parties acknowledge that Trainee has expressed an interest in acquiring a Franchise from the Company, and that Company will not offer the Trainee a Franchise unless, among other things, the Trainee satisfactorily completes the Culinary Training Program as determined in the Company's sole satisfaction and discretion. Completion of the Culinary Training Program does not provide assurance that the Company will consider granting a Franchise; and neither the execution of this Agreement nor the completion of the Culinary Training Program shall create any obligation of Company to grant a Franchise to Trainee or to grant any Trainee the right to operate any Food Retail Unit.

4. BEST EFFORTS.

The parties acknowledge that Company desires to provide the Culinary Training Program only to individuals who are interested and willing to devote their best efforts to learning the information to be provided. Trainee shall exert Trainee's best efforts to learn the information, procedures and techniques to be imparted in the Culinary Training Program.

5. RELEASE, WAIVER AND ASSUMPTION OF RISK.

Trainee hereby agrees to release the Company and the various parties described below as Released Parties, to waive his or her claims and assume the risks further described herein. Trainee wishes to train in the Culinary Training Program and hereby freely and voluntarily, without duress, executes this Release, Waiver and Assumption of Risk under the following terms:

A. Assumption of Risk. Trainee, understands that as a participant in the Culinary Training Program, Trainee will be exposed to and/or engage in activities that may be hazardous to him or her including, but not limited to: **raw food preparation, using food prep tools including knives, and choppers; cooking, including using ovens, steamers, rice cookers, steam-jacketed kettles, hot pans; unloading product deliveries and transferring items to cold storage and dry storage areas; loading prepared foods into delivery containers, loading delivery containers into vehicles; riding in vans and trucks to sushi bar locations, restaurants and supermarkets. Trainee recognizes and understands that during his or her participation in the Culinary Training Program, Trainee may, in some situations, use equipment that is inherently dangerous, and may cause injuries such as cuts, burns, dismemberment, or even death.**

B. Waiver and Release. Trainee, on behalf of himself or herself, his or her heirs, assigns, successors, beneficiaries, executors, attorneys, and all other legal and personal representatives, agrees to waive, release and covenant not to sue the Company, and its successors or predecessors in interest, assigns, or any related or affiliated entities, and each of their respective employees, shareholders, officers, directors, members, agents, dealers, representatives, attorneys, insurers, insurance adjusters, insurance agents and brokers (collectively the "Released Parties"), of and from, any and all actions, causes of actions, claims, demands, damages, losses, costs, expenses, compensation, rights, debts, liabilities, obligations, disputes, controversies, and payments of every kind and character, known or unknown, past, present or future, existing or contingent, latent or patent, regarding, arising from, on account of, growing out of, or in any way related to or in connection with the Culinary Training Program, the premises in which the Culinary Training Program is held, the conduct of the Released Parties, or his or her own conduct, whether or not due to his or her own negligence, acts, or omissions, or the negligence, acts or omissions of other third parties, or the Released Parties, for any and all known and

unknown personal injuries, death, disabilities, damages, or intangible damages occurring at the time hereafter.

C. Insurance. Trainee expressly waives any such claim for compensation or liability on the part of the Company in the event of such injury or medical expense.

D. Specific Release/Waiver of Unknown Claims. Trainee understands that Trainee may hereafter discover claims, facts, demands, actions, causes of action, liability, losses, damages, costs and/or expenses in addition to or different from those that Trainee now knows or believes to be true with respect to the Culinary Training Program and the matters discussed herein. Nevertheless, Trainee acknowledges that it is his or her intention to fully and completely waive and release the Released Parties from all such unknown matters and claims.

E. Photographic Release. Trainee grants and conveys unto the Company all right, title, and interest in any and all photographic images and video or audio recordings during the period Trainee participates in the Culinary Training Program.

F. Indemnification. Trainee hereby agrees to indemnify, defend and hold harmless the Company and each of the Released Parties against any and all claims, demands, actions, causes of action, liability, losses, damages, costs, expenses and reasonable attorneys' fees, which Released Parties may incur as a result, directly or indirectly of his or her participation in the Culinary Training Program.

G. Full Understanding of Release and Waiver/No Coercion. **Trainee declares that Trainee has fully read and understood this Assumption of Risk, Release and Waiver of Liability. Trainee declares that Trainee has not been influenced to any extent whatsoever in making this release by any representations or statements regarding the Culinary Training Program, or any other matters, made by the Company or any of the Released Parties and understands that Trainee is giving up substantial rights by signing it and further does so voluntarily.**

6. CONFIDENTIAL INFORMATION.

A. **HISSHO INTERNATIONAL, LLC
ADDENDUM TO FRANCHISE DISCLOSURE DOCUMENT
REQUIRED BY CERTAIN STATES**

**ADDENDUM TO HISSHO INTERNATIONAL, LLC FRANCHISE DISCLOSURE DOCUMENT
REQUIRED BY THE STATE OF CALIFORNIA**

This Addendum to the Franchise Disclosure Document is set forth below in order to amend and revise the Franchise Disclosure Document as follows:

1. THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

2. ITEM 3 of the Disclosure Document is amended to add the following:

Neither the Franchisor nor any person or franchise broker identified in Item 2 of the Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in that association or exchange.

3. ITEMS 6 AND 10 of the Disclosure Document are amended as follows:

The highest interest rate allowed in California is 10% annually.

4. ITEM 17 of the Disclosure Document is amended to add the following:

- The California Business and Professions Code Sections 20000 through 20043 provide rights to Franchisee concerning termination or non-renewal of a franchise, and also limit the Franchisor's ability to restrict the transfer of franchise rights. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

- The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).

- The Franchise Agreement contains a covenant not to compete which extends beyond the term of the agreement. This provision might not be enforceable under California law.

- The Franchise Agreement requires litigation to be conducted in a court located outside of the State of California. This provision might not be enforceable for any cause of action arising under California law.

- The Franchise Agreement requires application of the laws of North Carolina. This provision might not be enforceable under California law.

- Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

**ADDENDUM TO HISSHO INTERNATIONAL, LLC FRANCHISE DISCLOSURE DOCUMENT
REQUIRED BY THE STATE OF ILLINOIS**

- Illinois law governs the agreements between the parties to this franchise.
- Section 4 of the Illinois Franchise Disclosure Act provides that any provision in a franchise agreement that designates jurisdiction or venue outside the State of Illinois is void. However, a franchise agreement may provide for arbitration outside of Illinois.
- Section 41 of the Illinois Franchise Disclosure Act provides that any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void.
- Your rights upon termination and non-renewal of a franchise agreement are set forth in sections 19 and 20 of the Illinois Franchise Disclosure Act.

**ADDENDUM TO HISSHO INTERNATIONAL, LLC FRANCHISE DISCLOSURE DOCUMENT
REQUIRED BY THE STATE OF MARYLAND**

This Addendum to the Franchise Disclosure Document is set forth below in order to amend and revise the Franchise Disclosure Document as follows:

ITEM 5 of the Disclosure Document is amended to add the following:

- All initial fees and payments shall be deferred until such time as the Franchisor completes its initial obligations under the Franchise Agreement.

ITEM 17 of the Disclosure Document is amended to add the following:

- Under the Maryland Franchise Registrations and Disclosure Law, Md. Code Ann. Bus. Reg. §14-201 et seq., the general release that shall be required as a condition of renewal, termination and/or transfer shall not apply to any liability incurred under the Maryland Franchise Registration and Disclosure Law.
- Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.

This franchise agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.

- In the event of a conflict of laws to the extent required by the Maryland Franchise Registration and Disclosure Law, Maryland law shall prevail.
- The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C. Section 101, et seq.).

**ADDENDUM TO HISSHO INTERNATIONAL, LLC FRANCHISE DISCLOSURE DOCUMENT
REQUIRED BY THE STATE OF MICHIGAN**

This Addendum to the Franchise Disclosure Document is set forth below in order to amend and revise the Franchise Disclosure Document pursuant to the Michigan Franchise Investment Law as follows:

The State of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you.

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver or estoppel which deprives the franchisee of rights and protections provided in this Act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchise of the franchisee's inventory, supplies, equipment, fixtures and furnishings. Personalized materials which have no value to the Franchisor and inventory, supplies, equipment, fixtures and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applied only if ~~(i)~~ the term of the franchise is less than 5 years and ~~(ii)~~ the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising of other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of Franchisor's intent not to renew the franchise.
- (e) A provision that permits the Franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits Franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a Franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the Franchisor's then current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the Franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the Franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the Franchisor items that are not uniquely identified with the Franchisor. This subdivision does not prohibit a provision that grants a Franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the Franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the Franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provisions has been made for providing the required contractual service.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE ATTORNEY GENERAL.

ADDENDUM TO HISSHO INTERNATIONAL, LLC (“HISSHO INTERNATIONAL”)
FRANCHISE AGREEMENT REQUIRED BY THE STATE OF MARYLAND

This Addendum to the Hissho International Franchise Agreement is executed between Franchisor and Franchisee as set forth below in order to amend and revise Hissho International Franchise Agreement in the following respects:

1. In recognition of the requirements of the Maryland Franchise Registration and Disclosure law, the Franchise Agreement is amended as follows:

- The Agreement requires Franchisee to sign a general release as a condition of renewal or transfer of the franchise; such release shall not apply to any liability arising under the Maryland Franchise and Registration and Disclosure Law.
- No representation, warranty, acknowledgement, or disclaimer contained in the Franchise Agreement is intended to or will act as a release, estoppel, or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.
- No limitation of claims provision in the Franchise Agreement shall act to reduce the three ~~(3)~~-5-year state of limitations afforded Franchisee for bringing a claim arising under the Maryland Franchise Registration and Disclosure Law.
- This franchise agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.
- Franchisee’s disclaimers of reliance in Section 22 are not intended to be, nor shall be, construed as a waiver or estoppel of Franchisee’s rights under the Maryland Franchise Registration and Disclosure Law.

2. Each provision of this Addendum shall be effective only to the extent that the jurisdictional requirements of the Maryland Franchise Registration and Disclosure Law applicable to the provisions are met independent of this Addendum. To the extent this Addendum shall be deemed to be inconsistent with any terms or conditions of said Franchise Agreement or exhibits thereto, the terms of this Addendum shall govern.

3. The Franchise Agreement is amended to include the following sentence at the end of Section 4: “All initial fees and payments shall be deferred until such time as the Franchisor completes its initial obligations under the Franchise Agreement.”

IN WITNESS WHEREOF, the parties hereto have duly executed, sealed and delivered this Addendum to the Hissho Franchise Agreement on the same date as respective Hissho Franchise Agreement was executed.

ADDENDUM TO HISSHO INTERNATIONAL, LLC (“HISSHO INTERNATIONAL”)
FRANCHISE AGREEMENT REQUIRED BY THE STATE OF WASHINGTON

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor’s reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee’s earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor’s earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from ~~(i)~~ soliciting or hiring any employee of a franchisee of the same franchisor or ~~(ii)~~ soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.
