What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit G.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by arbitration in Chicago, Illinois or litigation in Delaware. Out-of-state arbitration or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to arbitrate with the franchisor in Chicago, Illinois or to litigate with the franchisor in Delaware than in your own state.
2. **Spousal Liability.** Your spouse may be required to sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.
3. **Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.
4. **Mandatory Minimum Payments.** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in the termination of your franchise and loss of your investment.
5. **Turnover Rate.** During the last 3 years, a large number of franchised outlets (49) were terminated, not renewed or reacquired by franchisor. This franchise could be a higher risk investment than a franchise in a system with a lower turnover rate.

Certain states may require other risks to be highlighted. Check the "state specific addenda" (if any) to see whether your state requires other risks to be highlighted.

**THE FOLLOWING PROVISIONS APPLY ONLY TO
TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this Act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This Section applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, the franchisor shall, at the request of a franchisee, arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations to provide real estate, improvements, equipment, inventory, training, or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

Item 1

THE FRANCHISOR AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

To simplify the language in this Disclosure Document, “we,” “us,” or “our,” means SHH Group, LLC, the franchisor. “**Franchisor**,” “**You**,” “**your**,” or “**yours**” means the person who is awarded the right to operate a franchise and includes your owners if you are a corporation, limited liability company, partnership or other entity. If you are a corporation, limited liability company, partnership or other entity, your owners must sign our “Guaranty,” which means that all provisions of our Franchise Agreement (Exhibit A) also will apply to your owners. (See Item 15).

The Franchisor

We organized as a limited liability company under the laws of the State of Delaware on October 3, 2017. We do business under our corporate name and the name “Sculpture Hospitality.” Our current principal place of business is 505 Consumers Road, Suite 307, Toronto, Ontario, Canada M2J 4V8. Our agents for service of process are listed in Exhibit G to this Disclosure Document.

In October 2017, we purchased through a public sale by its lenders substantially all of the assets of Sculpture Hospitality, LLC (the “**Immediate Predecessor**”), the previous owner and operator of the SCULPTURE HOSPITALITY franchise system. The assets we acquired from the Immediate Predecessor consisted in part of all instruments, documents, general intangibles including, without limitation, trademarks, trade secrets, copyrights, franchises, customer lists, contract rights software and the franchise agreements and regional director agreements associated with the SCULPTURE HOSPITALITY franchise system (collectively, “**Assets**”). Upon consummating the purchase of the Assets, we commenced operating the SCULPTURE HOSPITALITY franchise system in substantially the same format as the franchise system was operated by the Immediate Predecessor.

We began operating SCULPTURE HOSPITALITY businesses similar to those being offered under this disclosure document in October 2017. We began offering franchises for the SCULPTURE HOSPITALITY franchise system in June 2018. We have not conducted business in any other line of business, nor have we offered franchises in any other lines of business.

Predecessors

The Immediate Predecessor, a Delaware limited liability company, was organized on March 22, 2010. Its last known principal business address is 51 Brentford Drive, Louisville, Kentucky 40245. The Immediate Predecessor changed its entity name from Intelliworx, LLC to Bevinco, LLC in 2011 and from Bevinco, LLC to Sculpture Hospitality, LLC in 2014.

The Immediate Predecessor developed what is now known as the SCULPTURE HOSPITALITY franchise system in July 2011 by acquiring a beverage evaluation system and franchise system operated under the BEVINCO mark from Bevinco Corporation (“**Bevinco**”) in February 2011. Beginning in July 2011 (October 2011 in Canada), the Immediate Predecessor offered franchises under the BEVINTEL trade name and marks, before transitioning the entire franchise system to the SCULPTURE HOSPITALITY trade name and marks in October 2014. The Immediate Predecessor offered franchises under the SCULPTURE HOSPITALITY from October 2014 to October 2017. Franchisees that once operated under the BEVINCO mark now operate under the SCULPTURE HOSPITALITY mark.

Bevinco is a Canadian company incorporated in March 2003. Bevinco did not offer franchises in any line of business. However, from 1995 to February 2011, Bevinco’s affiliate, Bevinco American Bar Systems,

Ltd. (“**BABS**”), a Delaware corporation formed in June 1994, offered the BEVINCO franchises that now comprise part of the SCULPTURE HOSPITALITY franchise system. Bevinco and BABS principal place of business is 505 Consumers Road, Suite 307, Toronto, Ontario, Canada M2J 4V8.

The Immediate Predecessor also offered Regional Director franchises from October 2011 to October 2014 under the BEVINTEL trade name and marks, before transitioning the Regional Director franchise system to the SCULPTURE HOSPITALITY mark.

Other than the franchise offerings described above, the Immediate Predecessor, Bevinco, and BABS did not offer franchises in other lines of business.

Other than as stated above, we have no predecessors or affiliates that must be disclosed in this Item 1.

Our Franchise Offering

We offer qualified franchisees the right to operate businesses (“**Franchised Businesses**”) which provide consultative inventory management services for liquor, wine and beer consumption to help restaurants, bars, hotels, sports arenas, nightclubs and other similar type venues (collectively, “**Establishments**”) identify sources of theft, spillage, shrinkage, waste and other causes adversely affecting the Establishment’s profitability and beverage controls (the “**Inventory Control System**”). Through the use of a proprietary software system in conjunction with an Establishment’s existing point of sale system, a trained certified evaluator performs on premise evaluations which help identify the sources of these problems and aids in developing corrective strategies (“**Client Evaluations**”). These franchises will operate under the trade name SCULPTURE HOSPITALITY and other trademarks, service marks, trade names, and commercial symbols we designate (“**Marks**”) and operate under a distinct system (“**System**”). As of December 31, 2024, there were 179 Franchised Businesses and 10 company-owned businesses in operation in the United States.

Franchised Businesses will identify themselves as Sculpture Hospitality franchisees. If you acquire a Franchised Business, you must operate in accordance with the terms of our Franchise Agreement, including only offering the products and services we permit, operating within our specified procedures, policies, standards and specifications (the “**Standards and Specifications**”) and providing us with reports on a regular basis. For the Inventory Control System, you must pay us royalties based on the evaluations you conduct. We have the right from time to time to enhance existing services, to discontinue any adopted systems or services and to mandate that you utilize new systems or services which may require that you purchase additional equipment, to require payment to us of additional royalties, and to require compliance by you with additional minimum quota requirements.

The Inventory Control System currently has three types of clients:

- (a) “**Full-Service Clients**”: You execute the inventory count process on premise, as well as processing purchases, sales and spillage reconciliation, weekly order forecast, ordering and variance analysis.
- (b) “**Shared Service Clients**”: Your client performs on-site inventory and uploads counts to our server. You generally complete the remaining aspects of the evaluation process, but specific split of responsibilities with the client is negotiable.
- (c) “**Self-Service Clients**”: Your client executes the full evaluation process using the Sculpture Hospitality software and systems. You provide training, set up the database and verify costing and recipes.

Regional Director franchises are offered, if at all, under a separate and distinct franchise disclosure document. As of December 31, 2024, there were 14 Regional Directors in the United States and 2 Regional Directors in Canada.

National Account Program

We have established a national account program through which we are able to contract with businesses to conduct Client Evaluations on a nationwide basis and offer these accounts special pricing options for the use of our Systems (the “National Account Program”). A “National Account” is any multi-unit operator that has a minimum of five (5) locations in three or more franchised territories and/or non-franchised territories or any prospective client which will likely expand to additional locations in multiple territories following a pilot or trial program. We have the right to administer a National Account ourselves, or by or through our affiliates or designated third parties. We may mandate certain practices or service standards to ensure consistency across a National Account’s locations utilizing our Systems and may reassign the franchisee or party supporting a National Account location at any time at our sole discretion. We may discontinue or terminate a National Account or the entire National Account Program. You may receive a portion of the monthly Client Evaluation fees associated with National Accounts for which you perform services which are located in your territory, as described in Item 11.

Regulatory Matters

There are no regulations specific to the industry in which you will operate your franchise, although you must comply with local, state and federal laws that apply generally to all businesses. Additionally, since you may accept credit cards, you must also comply with any laws and regulations relating to the acceptance of credit cards, including the Payment Card Industry Data Security Standards. Compliance with these laws and regulations are your responsibility. You should consult with your attorney concerning these and other local laws and ordinances that may affect the operation of your franchise.

Market and Competition

The market for liquor, wine and beer inventory control products and services is developed and competitive. Your products and services will be sold primarily to the hospitality industry including bars, restaurants, nightclubs, hotels and sporting venues. Methods for liquor, wine and beer inventory control in these establishments are varied and include manual systems, automated dispensing systems, restricted pouring systems, SaaS solutions, and weighing systems.

Item 3

LITIGATION

Concluded or Pending Actions Involving Franchisor: None

Concluded or Pending Actions Involving Sculpture Hospitality, LLC (Predecessor)

Every Ounce Counts, LLC and Perfect Pour, LLC v. SHH Group, LLC, Peter Kaplan, Ramon Ortega, and Jorge Pineiro, 15th Judicial Circuit, Palm Beach County, Florida, Case No. 2015-CA-014358, and Every Ounce Counts, LLC, Perfect Pour, LLC and Luis Rivera v. SHH Group, LLC, American Arbitration Association Case No. 01-16-0001-0891. Franchisees of 3 territories in Florida, who sold 2 of their territories when their franchise agreements expired, filed the initial lawsuit against us and their buyers on December 29, 2015. They alleged that we wrongfully failed to renew the 2 franchises that they resold and wrongfully terminated the third franchise, bringing claims against us for breach of contract, tortious interference with contract relating to their arrangement with the buyer, civil conspiracy, and aiding and abetting the buyer's breach of fiduciary duty. The complaint sought preliminary injunctive relief reinstating the franchise agreements, a declaration that we wrongfully failed to renew or terminated the franchise agreements, and attorneys' fees, costs and interest. On March 30, 2016, the plaintiffs in the lawsuit and their principal owner filed the arbitration demand with the American Arbitration Association, ultimately

making the same allegations and claims as in the lawsuit and seeking \$300,000 in damages. On June 8, 2016, we filed a counter-demand in the arbitration seeking a declaration of our right to terminate the third franchise agreement and unspecified damages based on the former franchisees' breach of non-competition covenants contained in their 2 non-renewed franchise agreements. On January 17, 2017, the parties agreed to settle both actions and we agreed to pay the former franchisees \$126,123.

Concluded Actions Involving Bevinco American Bar Systems Ltd. (Predecessor)

State of Maryland vs. BEVINCO American Bar Systems, Ltd and Jack C. Jones (Case No. 2004-0568) On April 27, 2005, in accordance with Sections 14-210, 14-216, 14-223, and 14-229 of the Maryland Franchise Law and Maryland Franchise Regulation (COMAR) Section 02.02.08.04, the Maryland Attorney General required one of our predecessors, BAS, to sign a Consent Order for violations of those sections in that BAS sold franchises prior to BAS' renewal registration becoming effective and offered to sell several others during this period of time. The Order required BAS to offer rescission to the franchisees who bought the franchise, and to enroll one of its officers in a franchise compliance training program. The Order also provides that if BAS violates the Order, the Maryland Division of Securities may bring administrative or judicial proceedings against BAS for enforcement of the Order. BAS ceased offering franchises in 2011 and was administratively dissolved in 2013.

Other than the above actions, no litigation is required to be disclosed in this Item. See Exhibit D for any required disclosures relating to Regional Directors.

Item 4

BANKRUPTCY

No bankruptcy information is required to be disclosed in this Item. See Exhibit D for any required disclosures relating to Regional Directors.

Item 5

INITIAL FEES

All franchisees pay us an initial franchise fee depending on the number of Establishments in the franchisee's territory. We offer three territory sizes, each with a different initial franchise fee, as follows:

Number of Establishments	Initial Franchise Fee
Approximately 150	\$25,000 + \$10,000 required training fee
Approximately 250	\$30,000 + \$10,000 required training fee
Approximately 500	\$40,000 + \$10,000 required training fee

The initial franchise fee includes access to the Inventory Control System, our proprietary software programs, and/or SaaS solutions. Additionally, franchisees that are new to our system are required to pay a one-time \$10,000 training and onboarding fee. If you would like to send more than one trainee through our initial training program, and there is space available in the program, we have the right to charge a fee of up to \$5,000 per additional or subsequent trainee. There are no other required purchases from us in connection with the opening and initial operation of your franchise.

The total initial franchise fee and any required training fees are payable to us upon the execution of your Franchise Agreement and all such fees are nonrefundable. During our last fiscal year, we did not reduce the

initial franchise fee in connection with the sale of a franchise. We reserve the right to offer reduced initial franchise fees to existing franchisees purchasing additional franchises.

NOTES TO ITEM 7

These charts contain estimates of a franchisee's total initial investment in a Sculpture Hospitality franchise based upon our experience franchising Sculpture Hospitality franchises. The charts should be read in conjunction with the following notes. None of these fees or payments are refundable unless otherwise noted below.

1. As described above in Item 5, the total initial franchise fee is payable on or before you start your initial training program and is nonrefundable. The cost of the right to use our Systems, and the cost of your Required Trainee attending initial training, which includes mandatory Sandler Sales training, is included in the initial franchise fee.

In certain circumstances, we may offer to finance up to a maximum of 50% of your initial franchise fee for a term of up to 3 years. You must sign a promissory note ("**Note**") containing the terms of the financing, which is Exhibit H to this Disclosure Document. We permit you to pay the calculated amount monthly over the contract period, with interest at 8% per annum for a maximum period of 3 years. We, as the lender, do not take any security interests from you. If you elect to pay off the Note during the contract period, you will not be penalized for the remaining months as long as you pay the principal portion due on the Note in full. All interest earned prior to this conversion is considered earned by us. See Item 10 for further details.

2. You are responsible for all lodging, meals, and local transportation expenses incurred by your Required Trainee or your other trainees related to getting to and from training and any wages earned by the Required Trainee or your other trainees. Travel costs incidental to training may vary. The estimate assumes that only the Required Trainee will travel as part of the initial training.
3. As described in Item 11, you must obtain certain supplies and equipment for the Franchised Business, including computer hardware/software for use of the Systems in the operation of the Franchised Business. We currently recommend you acquire an approved model of keg scale, bottle scale, scanner, mobile device, and Bluetooth adaptor for the bottle scale (as needed), but we reserve the right to add, delete, or otherwise modify the list of equipment that we recommend from time to time. We do not sell computers to our franchisees. We may sell some equipment and supplies to you, but you are not required to buy them from us. These fees are non-refundable. However, you do not have to establish a leased or home office to operate the Franchised Business. Since you do not have to establish an office, there is no cost for furniture.
4. During the term of the Franchise Agreement, you must pay for all insurance premiums, including comprehensive general liability insurance. You must name us as an additional insured at your expense and furnish us with certificates of insurance, along with evidence that the premiums have been paid. You are liable for any cost and expense, including attorneys' fees that we incur

associated with any matters insured according to the insurance required under the Franchise Agreement. Refundability will depend upon your negotiations with the insurer.

5. This item estimates your initial startup expenses (other than the items identified separately in the table). You should provide for funds with which to pay the overhead (such as marketing) expenses of the Franchised Business during the first three months of operation. We have provided these figures based on our predecessors' and subsidiaries' experience. We estimate these amounts will be required to cover your initial startup expenses.
6. The availability and terms of financing depend on many factors including the availability of financing generally, your creditworthiness and lending policies of financial institutions from which you request financing.

Item 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Approved Products, Services and Suppliers

We have developed or may develop additional Standards and Specifications for types, models and brands of products, software and services and assets required to operate the Franchised Business. We reserve the right from time to time to approve specifications, suppliers and distributors of the above products that meet our reasonable standards and requirements. If we do so, you agree to purchase only such products meeting those specifications, and if we require it, only from distributors and other suppliers we have approved, including ourselves or our affiliates. We may designate a single distributor or supplier (collectively “**supplier**”) for any product, service, equipment, supply or material and may approve a supplier or distributor only as to certain products. The designated supplier may be us or our affiliate.

Currently, we do not derive any revenue or other material consideration from required purchases or leases by franchisees. However, we reserve the right to receive payments from suppliers on account of such suppliers' dealings with you and other Franchised Businesses and may use any amounts so received without restriction and for any purpose we deem appropriate. In addition, we may collect payments for promotional allowances, rebates, volume discounts and other payments that designated, approved or recommended suppliers make to us. We may concentrate purchases with one or more suppliers or distributors to obtain lower prices or the best advertising support or services.

We do not negotiate purchase arrangements with suppliers, including price terms, for the benefit of franchisees. We do not provide material benefits to you based on your purchase of particular products or services or use of a designated or approved supplier, since at this time, you must only use our proprietary software which is included in the franchise fee. Currently, we are the only approved supplier for the proprietary software. Except as disclosed in this Item 8, there are currently no other items for which we are currently approved suppliers or the only approved suppliers. None of our officers owns any interest in any of our suppliers.

Currently, there are no formal or mandatory purchasing or distribution cooperatives.

If you would like to purchase any items from any unapproved supplier or distributor, you must submit to us a written request for approval of the proposed supplier or distributor. (Alternatively, the proposed supplier or distributor may submit its own request.) We have the right to inspect the proposed supplier's or distributor's facilities, and to require product samples from the proposed supplier or distributor to be delivered at our option either directly to us or to any independent, certified laboratory which we designate

for testing. Either you or the proposed supplier or distributor must pay us a fee (not to exceed the reasonable cost of the inspection and the actual cost of the test) to make the evaluation. Approval of a supplier or distributor may be conditioned on requirements relating to product quality, price consistency, reliability, financial capability, labor relations, customer relations, frequency of delivery, concentration of purchases, standards of service (including prompt attention to complaints), or other criteria and such approval may be temporarily pending our continued evaluation of the supplier or distributor from time to time. Except as described in the previous sentence, we do not make specific criteria for approving suppliers available to our franchisees. We reserve the right to require you to purchase certain items from only the suppliers that we designate, regardless of the qualifications of suppliers that you propose to use.

Within a reasonable time after we receive the completed request and after we complete our evaluation and inspection or testing, we will notify you in writing of our approval or disapproval of the proposed supplier and/or product. We anticipate that we will provide notice of our decision in most cases within 30 days of our receipt of your request, but we are not contractually obligated to complete our review within a specific period of time. We reserve the right to periodically re-inspect the facilities and products of any approved supplier or distributor and to revoke our approval if the supplier or distributor does not continue to meet any of our criteria. We also reserve the right to charge manufacturers or suppliers a royalty for the right to manufacture products for any use in the Franchised Businesses.

You understand and acknowledge that every detail of the performance of the Franchised Business and the interaction with clients and potential clients in compliance with the Standards and Specifications is critical to us, you and other Franchised Businesses operating under the Marks, in order to: (1) develop and maintain high and uniform operating standards; (2) increase the demand for the products and services sold by Franchised Businesses; and (3) protect the Marks, our trade secrets, reputation and goodwill. We describe our current Standards and Specifications in our online Manuals and in other written communications with our franchisees. We may change our Standards and Specifications from time to time through modifications to our online Manuals and other written communications with our franchisees.

We estimate that the cost to purchase and lease all equipment, inventory and other items and services that we require you to obtain from us, from designated suppliers, or in accordance with our specifications will be approximately 50% of the total cost to purchase and lease equipment, inventory, and other items necessary to establish a Franchised Business and 60% to 80% of the total cost to purchase and lease equipment, inventory, and other items to operate a Franchised Business.

Sale of Unauthorized Products to the Establishments.

You must spend substantially all of your time operating your franchise. As a franchisee, you may not, directly or indirectly attempt to trade, or trade off the goodwill associated with the Marks and our System by operating any type of venture or business other than Franchised Business without our written approval. Additionally, without our prior written approval, during the term of your Franchise Agreement, your owners and their spouses and immediate family members (children and their spouses, if any) are prohibited from selling competitive products and services or products and services that by their nature trade off the goodwill associated with the Marks or our products and services) to any establishment or an owner of any establishment, whether inside or outside of your territory. If you, directly or indirectly through any other party whether or not affiliated with the Franchised Business make such unauthorized sale, we will be entitled to collect the full amount you received for such sale and this activity shall constitute a breach of the Franchise Agreement subject to termination under Section XII. For the avoidance of any doubt, the franchise granted to you prohibits you and your owners from operating any other business while you operate your Franchised Business or from owning any interest in any entity that undertakes to offer or sell products or services that compete with the products or services of a Franchised Business. You may not directly or

indirectly, offer any other products or services to any establishment or to any client or prospective client nor may you or your owners have any interest in any business that does.

Compliance with Uniform Standards.

You must operate the Franchised Business in conformity with such uniform methods, standards, and specifications as we may from time to time prescribe to ensure that the highest degree of quality and service is uniformly maintained. You shall conduct your business in a manner which reflects favorably at all times on the Sculpture Hospitality name and franchise system. You may at no time engage in deceptive, misleading or unethical practices or conduct any other act which may have a negative impact on our reputation and goodwill or the reputation and goodwill of any other franchises. According to this ongoing responsibility, you agree:

1. To maintain in sufficient supply, as we may prescribe in the Manuals or otherwise in writing and use at all times, supplies as conform to our Standards and Specifications, and to refrain from deviating from these standards without our prior written consent;
2. To sell or offer for sale all and only such products and services as approved in writing by us and as meet our uniform standards of quality and quantity which have been expressly approved for sale in writing by us in accordance with our methods and techniques.
3. To refrain from any deviation from our Standards and Specifications for serving or selling such products or services; and to discontinue selling and offering for sale any such products or services as we may, in our sole discretion, disapprove in writing at any time;
4. To permit us or our designee to conduct Client Evaluations, and collect revenue from these evaluations, from any client located within the territory, if and only if you are unwilling or unable to provide this service; and
5. To operate the Franchised Business at a standard of excellence consistent with the requirements set forth in the Manuals.
6. You and your employees are required to use an @sculpturehospitality.com email address when communicating matters that concern the Franchised Business.

Computer System

You must purchase a computer system that meets our specifications in the Operations Manual, including software, peripheral devices and equipment we specify for (i) the efficient management and operation of the Franchised Business, (ii) the transmission of data to and from us and (iii) giving us access to information related to the Franchised Business (the “**Computer System**”). You will receive access to the web-based system and mobile application. We currently allow you to purchase the Computer System (or components of the Computer System) from any supplier, but in the future, we have the right to require you to purchase it from a designated vendor or us. The current Computer System is not proprietary to us. Currently, there is not one designated source for the Computer System. You can purchase the Computer System from any vendor that can supply the Computer System that meets all of our specifications. See Item 11 for details on the Computer System.

Insurance

You must purchase and maintain specific types of insurance coverage from insurance companies satisfactory to us in accordance with the standards and specifications that we may specify from time to time in the Operations Manual or otherwise in writing. Currently, we require you to obtain and maintain at least the following policies: (a) commercial general liability (\$1,000,000 per occurrence and \$2,000,000 aggregate), (b) errors and omissions (\$100,000 per occurrence), (c) hired and non-owned automobile (\$50,000 combined single limit), (d) workers' compensation (\$100,000 each accident), and (e) employer's liability insurance (\$10,000). We may change the types of insurance and insurance amounts from time to time.

Initially and upon each periodic insurance policy renewal, you must make a request, through your insurance agent and/or carrier, for timely delivery to us of certificates of insurance of all coverage required by us along with evidence that the premiums have been paid. Each certificate must contain statements by the insurer that (i) the policy will not be canceled or initially altered without at least thirty (30) days prior written notice to us; and (ii) we are designated as an additional named insured. You must procure the required insurance coverage(s) and submit copies of the initial insurance policies to us prior to the commencement of initial training.

Non-competition and Nondisclosure Agreements

All executive personnel (including your owners) must sign the Confidentiality Agreement and Ancillary Covenants Not to Compete attached to the Franchise Agreement as Attachment D. All other employees and independent contractors must sign the Confidentiality Agreement attached to the Franchise Agreement as Attachment E.

FINANCING

After considering your financial condition and creditworthiness, we may offer to finance a portion of your initial franchise fee up to a maximum of fifty percent (50%) of the franchise fee up to a term of 3 years. If we agree to provide financing to you, the amount we finance and the term of your repayment will vary and depend on a number of factors including your financial wherewithal, your business acumen, the economy, the availability of credit from other sources, the number of other prospective franchisees seeking financing, and our own internal policies and procedures. You must sign a promissory note ("**Note**") containing the terms of the financing, which is Exhibit H to this Disclosure Document. The Note contains waivers of defenses of presentment and notice. We permit you to pay the calculated amount monthly over the contract period, with interest at 8% per annum for a maximum period of 3 years. We, as the lender, do not take any security interests from you. If you elect to pay off the Note during the contract period, you will not be penalized for the remaining months as long as you pay the principal portion due on the Note in full. All interest earned prior to this conversion is considered earned by us. If you are a corporation, limited liability company or partnership, your owners must personally guarantee your obligations under the Franchise Agreement and related commitments such as this financing arrangement in accordance with the Guaranty attached to the Franchise Agreement as Attachment B.

If you default on the Note, we may declare the entire unpaid principal amount of the Note to be due and payable immediately. You will pay all costs and expenses of enforcement and collection of the Note, including attorneys' fees and costs. If payment is not made, we may terminate the Franchise Agreement. You waive your rights to notice of a collection action and to assert any defenses to collection against us. We have the right to terminate any other franchise agreements you have signed with us if we terminate the Franchise Agreement for a default of the Note.

We currently do not, and currently do not intend to, sell, assign, or discount to a third party all or part of any financing arrangements. If we do sell, assign, or discount the Note to a third party in the future, we will determine the assignment terms at such time, and you may lose all of your defenses against the lender as a result of the sale or assignment.

Except as described above, we do not offer financing or arrange for financing from other sources for the franchise fee, computer hardware and software systems, or supplies. We will not guarantee your lease or obligations to third parties.

Item 11

FRANCHISOR’S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Before you open your Franchised Business, our duties may include some, but not necessarily all, of the following services:

1. We shall provide marketing and promotional materials for use in promoting the Franchised Business;

2. Within approximately ninety (90) days of you executing this Agreement, we shall provide you (or one of your owners, if you are an entity) (the “**Required Trainee**”) with the internet training and regional portion of our three-phase initial training program as set forth in our Manuals.

(i) Phase 1 consists of self-paced eLearning courses delivered via SculptureU, complemented by live or recorded video sessions and assessments. This phase introduces the organization, fundamental concepts, metrics, and the basics of the inventory process. Trainees will complete a simulated client inventory scenario using our technology, with progress tracked in SculptureU. Key learning outcomes include understanding Sculpture’s services, mastering foundational industry knowledge, and applying the inventory process in practice.

(ii) Phase 2 begins alongside or after Phase 1 and includes:

- Technical operations field training delivered by your Regional Director or an approved trainer.
- On-site inventories with your Regional Director until key performance indicators (KPIs) are met (specific KPIs to be determined).
- Mandatory participation in the Sandler Sales Foundations Program, facilitated by a certified Sandler Sales Training Professional. This program must commence within 120 days of signing your Franchise Agreement or as scheduling permits. Upon completion of Phase 2, trainees should have the knowledge necessary to operate the business independently.

(iii) Phase 3 focuses on advanced business operations, marketing, sales, and growth strategies. Training includes:

- Sculpture Sales Skills Program events.
- Sessions delivered by guest speakers, leadership, and approved trainers.

This phase ensures comprehensive mastery of all operational and strategic aspects of the business.

You are responsible for expenses related to transportation, lodging, meals, and any wages earned by the Required Trainee and any other trainees you send to initial training. Your Required Trainee must complete Phase 1 of the mandatory initial training program to our satisfaction. Generally, Phase 1 is completed within 90 days of enrollment following the signing of your Franchise Agreement, and Phase 2 must be completed as soon as scheduling permits. Unless you already are a Sculpture Hospitality franchisee as of the Effective Date, you are required to pay in full upon the execution of this Agreement a one-time training and onboarding fee of Ten Thousand Dollars (\$10,000). This payment covers the Required Trainee for the initial training program; and

During the initial training program, we shall provide to you with online access to our confidential manuals (collectively, the “**Manuals**”) that will contain specifications, standards, services, operating procedures and rules prescribed from time to time by us for the operation of the Franchised Business. We will provide access to different portions of the Manuals to coincide with what we deem to be necessary for your development and the opening and operation of the Franchised Business. You may not make any copies of the Manuals, or any portions thereof. Your right to access our Manuals is based solely on your status as a franchisee of ours. The Manuals contain proprietary information of ours and must be kept confidential by you during the period you are operating the Franchised Business and subsequent to the expiration or earlier termination of the Franchise Agreement, in accordance with the terms of Section VII. of the Franchise Agreement. We shall have the right to add to and otherwise modify the Manuals from time to time to reflect changes in the Specifications, Standards, operating procedures and rules prescribed by us for the Franchised Business, provided that no such addition or modification shall alter your fundamental status and rights under this Agreement. We shall have no obligation to provide the Manuals in hard copy. The Manuals remain our property at all times. You agree and covenant that you will not permit any affiliate, employee, independent contractor or other third party to disclose, duplicate or otherwise use any portion of the Manuals in any unauthorized manner or for an improper purpose. The Manuals will not include any employment-related policies or procedures. You are solely responsible for the terms and conditions of employment of your employees.

The table of contents of the Operations Manual is attached as Exhibit I to this Disclosure Document. There is a total of 14 pages in the Operations Manual; and

During the operation of the Franchised Business, we will:

1. provide such general advisory assistance deemed by us to be helpful to you in the ongoing operation, advertising and promotion of the Franchised Business (Section III.B.1. of the Franchise Agreement). As part of our advisory assistance, we may, but are not obligated to, provide recommended pricing strategies or set minimum prices. Currently, we set a minimum price for Self-Service Clients, but you otherwise may set prices in your sole discretion;
2. be available to provide management consulting services or assistance to you, or groups of franchisees, for special projects based on the availability of our personnel, and upon a mutually acceptable arrangement pertaining to fees and expenses (Section III.B.2 of the Franchise Agreement);
3. provide you with updates, revisions and amendments to our Manuals (Section III.B.3. of the Franchise Agreement);
4. continue our efforts to establish and maintain high standards of quality, and service, and to that end will on a periodic basis, (a) conduct, as we deem advisable, inspections of the services and products provided to clients and customers, and (b) where necessary, provide suggestions for improvements of such services and products (Section III.B.4. of the Franchise Agreement);

5. at our sole discretion, coordinate, conduct and otherwise make available to you such other optional and mandatory ongoing training programs or seminars that we deem appropriate from time to time (Section III.B.5. of the Franchise Agreement);
6. provide to you any Standards and Specifications for types, models, and brands of products, services, and assets (including inventory, equipment and supplies) that you are required to use to operate the Franchised Business (Section V.A. of the Franchise Agreement); and
7. review your requests to purchase any items from an unapproved supplier. We have the right to inspect the proposed supplier's or distributor's facilities, and to require product samples from the proposed supplier or distributor to be delivered at our option either directly to us or to any independent, certified laboratory which we designate for testing. Either you or the proposed supplier or distributor must pay us a fee (not to exceed the reasonable cost of the inspection and the actual cost of the test plus a 10% administrative fee) to make the evaluation. Approval of a supplier or distributor may be conditioned on requirements relating to product quality, price consistency, reliability, financial capability, labor relations, customer relations, frequency of delivery, concentration of purchases, standards of service (including prompt attention to complaints), or other criteria and such approval may be temporarily pending our continued evaluation of the supplier or distributor from time to time. Except as described in the previous sentence, we do not make specific criteria for approving suppliers available to our franchisees. Within a reasonable time frame after we receive the completed request and after we complete our evaluation and inspection or testing (typically, within 90 days of receiving your request), we will notify you in writing of our approval or disapproval of the proposed supplier and/or product (Section V.A. of the Franchise Agreement).

Site Selection

You are not required to establish an office. We do not provide any site selection assistance. If you establish an office, we do not have to approve your site. However, you may only operate the Franchised Business in your territory.

Marketing Development Fund

During the term of the Franchise Agreement, you must make nonrefundable monthly contributions to the Marketing Development Fund for each Territory where it operates a Franchised Business based upon the number of Establishments within the Territory. During the first six (6) months of the term of the Franchise Agreement, regardless of the type of Territory you operate, all franchisees pay 2% of the evaluation revenue generated per Client. Thereafter, the monthly contribution you must pay is equal to the greater of (a) 2% of the evaluation revenue generated per Client or (b) the following amounts depending on the type of Territory and size of Territory:

Months of the Term	150 Territory*	250 Territory*	500 Territory*
Each of Months 7 through 12 during the first year of the Term	\$60	\$90	\$90
Each Month in 2nd year of the Term	\$150	\$270	\$270
Each Month in third year of the Term	\$234	\$366	\$396

*The number associated with the Territory means the approximate number of Establishments in the Territory.

The Marketing Development Fund has been established to help strengthen advertising, marketing, customer relationship management system (CRMS), and public relations initiatives while safeguarding and elevating our distinctive Marks and Systems. We exercise exclusive oversight over the creative ideation, graphic

design, media selection, and endorsements for all Fund-sponsored activities, as well as their targeted placement across various geographies, markets, and media channels. Currently, we do not charge a set-up or ongoing fee to enable you to utilize the CRMS, however, we may do so in the future. The ongoing fee for CRMS, if instituted, will most likely be a pass-through, limiting the cost to our actual cost of providing the CRMS.

The Fund facilitates the creation and production of multimedia content, including video, audio, and written materials, along with the development, operation, and maintenance of a comprehensive franchise system website, intranet, extranet, and related strategies. In addition, it will orchestrate national, regional, multi-regional, and local marketing and advertising campaigns, encompassing media purchases, direct mail, online advertising, and social media promotions, among others. Furthermore, the Fund will actively engage in market research, customer satisfaction surveys, and various advertising, promotion, graphic design, and marketing endeavors, collaborating with expert agencies and advisors as needed.

Our commitment extends to supporting public relations efforts, enlisting the services of celebrities and public figures for franchise endorsements, utilizing "mystery shop" services, customizing advertising materials for local Franchised Businesses, and pursuing a spectrum of brand and design enhancement activities.

While administering the Fund, we are not obligated to allocate expenditures in direct proportion to individual franchisee contributions, nor do we guarantee specific benefits for any franchisee based on Fund expenditures. Additionally, there is no obligation to allocate a specific budget for advertising within your territory.

Periodically, the Fund will provide you with complimentary samples of advertising, marketing, CRMS, and promotional materials. If you wish to obtain additional copies, they will be available for purchase at cost, inclusive of associated production, shipping, handling, and storage expenses.

We will account for the Fund separately from our other monies and not use the Fund for our general operating expenses. However, we may use the Fund to pay the reasonable salaries and benefits of personnel who manage and administer the Fund; the Fund's other administrative costs; travel expenses of personnel while they are on Fund business; meeting costs; overhead relating to Fund business; and other expenses that we incur in activities reasonably related to administering and directing the fund and its programs, including conducting market research; public relations; preparing advertising and marketing materials, conducting promotions, directing the CRMS programs, and collecting and accounting for Fund contributions.

The Fund is not our asset and we do not owe any fiduciary obligation to you for administering the Fund or for any other reason. We hold all Fund contributions for the benefit of the contributors, and we use contributions for the purposes described in this Item. The Fund may spend in any fiscal year more or less than the total Fund contributions in that year, borrow from us or others (paying reasonable interest) to cover deficits, or invest any surplus for future use. We will use all interest earned on Fund contributions to pay costs before using the Fund's other assets. Company-owned businesses are not obligated to make any contributions to the Fund, but currently make contributions to the Fund in the same manner as our franchisees.

We will prepare an annual, unaudited statement of the Fund collections and expenses and give you a copy of the statement upon written request. We may, within our sole discretion, have the Fund audited annually, at the Fund's expense, by an independent certified public accountant we select. We may incorporate the Fund or operate it through a separate entity whenever we deem it appropriate. The successor entity will have all of the rights and duties specified in Section IX.B. of the Franchise Agreement.

We intend the Fund to maximize recognition of the Marks, enhance system protection of the Marks, and increase patronage of Franchised Businesses. Although we will try to use the Fund to develop advertising, CRMS, and marketing materials and programs, and to execute advertising, marketing, and research activities, that will benefit all Franchised Businesses, we have no requirement or obligation to ensure that Fund expenditures in or affecting any geographic area are proportionate or equivalent to Fund contributions by the Franchised Business operating in that geographic area or that any Franchised Business benefits directly or in proportion to its Fund contributions from the development of advertising, CRMS, and marketing materials or the execution of advertising, marketing, and research activities. The Fund will not be used principally to develop materials and programs to solicit franchisees. However, media, materials, and programs, including a franchise system website, prepared using Fund contributions may describe our franchise program, reference the availability of franchises and related information, and process franchise leads.

We have the right, but no obligation, to use collection agents and institute legal proceedings at the Fund's expense to collect Fund contributions. We also may forgive, waive, settle, and compromise all claims by or against the Fund. Except as expressly provided in the Franchise Agreement, we assume no direct or indirect liability or obligation to you for collecting amounts due to, maintaining, directing, or administering the Fund.

We may at any time defer or reduce contributions of the Franchised Business and, upon thirty (30) days' prior written notice to you, reduce or suspend Fund contributions and operations for one or more periods of any length and terminate (and, if terminated, reinstate) the Fund. If we terminate the Fund, at our option, we can expend all remaining Fund monies on permitted activities or distribute all unspent monies to our franchisees, and to us and our affiliates, in proportion to their, and our, respective Fund contributions during the preceding twelve (12) month period.

During our fiscal year ended December 31, 2024, 100% of the monies expended by the Fund was allocated for creative, production and development. We do not use any Fund expenditures principally to solicit new franchise sales. There is no requirement that contributions to the Fund in a given year must all be used during the year in which we received the contribution. Contributions not utilized during the year in which they were contributed, will be retained for use in future years.

There is no advertising council composed of franchisees, nor do we require you to participate in any local or regional advertising cooperatives. All franchisees are required to enroll in our free Sandler Sales coaching and training program. If you are not meeting our minimum performance requirements, you may be required to participate in additional training, at your own expense, which is approximately \$2,000.

Centralized Marketing Program

In addition to making payments to the Marketing Development Fund, all franchisees purchasing a franchise under this Disclosure Document are required to participate in our Base Centralized Marketing Program at a cost of \$40 per month payable at the same time and in the same manner, as when you make other monthly payments to us under the Franchise Agreement. There is also a mandatory one-time set-up fee of \$150. With the Centralized Marketing Program, we will set up your Business Facebook page, set up local business listings (such as Google Business Profile), create your personalized franchise web page, and set-up your branded email signature.

To participate in the Centralized Marketing Program, we require the right to access the administrative privileges of your social media accounts. This is solely for the purpose of ensuring brand compliance across all digital platforms. By granting us access, we can oversee and maintain uniformity and integrity of the brand's representation across various social media channels. This provision is essential for upholding the

brand's standard and ensuring consistency in messaging and visual identity, ultimately contributing to the overall success and reputation of the franchise.

National Account Program

We have developed a National Account Program through which we are able to serve National Accounts that have several Establishments located in multiple franchised territories and/or non-franchised territories. Pursuant to the National Account Program, at our sole option, we may contract with such businesses and offer special pricing options for the use of our Systems. We have the right to administer any National Account ourselves, or by or through our affiliates or designated third parties. National Accounts are and shall remain our sole and exclusive customer. We have the right at any time to remove a National Account from the National Account Program or to modify, discontinue, or terminate parts of, or the entire National Account Program. Similarly, we have the right to convert an existing client of the Sculpture Hospitality franchise system to a National Account due to the growth and expansion of the client's business endeavors and success. The client will become a National Account upon notification to the then-current franchisee who is servicing the client. Our notification will provide the details of the National Account Program as it will apply to the client. Depending on the service model for each National Account, you may receive a custom revenue split, determined at our sole discretion, if the program calls for you to service the National Account in your Territory.

Your Local Marketing

In addition to your Marketing Development Fund contribution obligation above, you must spend each year during the term of the Franchise Agreement, in the manner we approve, at least three percent (3%) of Gross Sales on a monthly basis, to market and promote your Franchised Business locally. At our request, you agree to send us, in the manner we prescribe, an accounting of your expenditures for local marketing and promotion. You agree to consult with us each year, as often as we deem reasonably necessary, to devise and implement a local marketing plan for your Franchised Business for that year and subsequent years of the term of the Franchise Agreement. At our request, you must send us in the manner we prescribe (with receipts included), an accounting of your expenditures for advertising, marketing, and promotion for the period we specify. We may require you to purchase from us, our affiliates and/or unaffiliated vendors advertising, marketing, and CRMS materials, brochures, and flyers. We may require you to access third party websites for such approved materials and to customize those materials for the Franchised Business. During the term of the Franchise Agreement, we may designate which expenditures will, or will not, count toward your required advertising expenditures. For example, your costs of purchasing and mailing SCULPTURE HOSPITALITY marketing materials to circulate within and outside the territory, and your costs of acquiring mailing lists (which we may require you to obtain from or through us) are excluded from the minimum percentage local marketing expenditure specified above.

Your local advertising, marketing, and promotion must follow our guidelines. All advertising, marketing and promotional materials that you develop for your Franchised Business must contain notices of the franchise system website's domain name in the manner we designate. You may not develop, maintain, provide mutual links to, or authorize any website that mentions or describes you or the Franchised Business or displays any of the Marks. You agree that your advertising, promotion, CRMS, research, and marketing will be completely clear, factual, and not misleading and conform to both the highest standards of ethical advertising and marketing and the advertising and marketing policies that we prescribe from time to time.

We have the right to audit any local marketing and advertising you conduct for the Franchised Business to confirm your compliance with the Franchise Agreement. If you fail to comply with these obligations, we may require you pay the required percentage of the Franchised Business' Gross Sales to us. We may determine how best to spend those funds including , but not limited to, depositing it into the Fund.

With the introduction of the Centralized Marketing Program, we agree that the advertising spend you contribute to this program and actually spend under it will reduce, on a dollar-for-dollar basis, your local marketing requirement for the month in which the Centralized Marketing Program uses such contributions.

In the event we provide you with a client lead, within 48 hours after receiving the lead, you are required to confirm for us in writing that you received the lead and have made initial contact with the prospective customer.

Computer System and Equipment

You must purchase any Computer System that is internet-enabled and can run the latest browser technology for either Google Chrome or Mozilla Firefox. We estimate it will cost you between \$500 and \$1,500 to purchase the required Computer System.

We also recommend that you purchase the following items and that they be operational when you commence operating your franchise:

1. A scale for weighing bottles certified for use with our mobile app, with embedded Bluetooth or an approved adapter (estimated as of the date of this disclosure document to cost between \$50 - \$700);
2. A scale capable of weighing half-barrel kegs (estimated as of the date of this disclosure document to cost between \$50 - \$300);
3. A hardware scanning solution that allows the scanning of UPC codes and is compatible with our current technology (estimated as of the date of this disclosure document to cost between \$100 - \$800); and
4. Mobile device compatible with our current approved software version and approved hardware options.

We will also provide you with access to our proprietary software programs and/or SaaS solutions as part of the initial franchise fee.

We may periodically modify the computer system and equipment specifications which you and our other franchisees must utilize. You are responsible for your computer system and equipment including complying with all applicable standards and laws as may be periodically required.

In addition to being required to connect to the Internet so you can provide us with the records and related information we require, you must finalize your evaluations on the same day that the final reports are delivered to the client.

We do not have independent access to the data stored in your computer system. We will not independently access your computer system except to perform software updates or requested remote support sessions.

We will provide you with one primary electronic mail address, which is covered in the Technology Infrastructure Fee. Should you request any additional electronic mail accounts from us, we will charge you \$14.72 per month for each additional account, subject to upward adjustment depending on Google workspace pricing. All franchisees and their employees must use an @sculpturehospitality.com email address when communicating matters that concern the Franchised Business.

We will provide you with ongoing support and required upgrades for any software that we provide as part of the franchise fee at no additional charge, although we may charge for additional optional capabilities

added or released in the future. Except as stated in the previous sentence, we, our affiliates, and third parties are not obligated to provide ongoing maintenance, repairs, upgrades, or updates of the software or hardware. The manufacturers of any hardware may provide service and support in accordance with the warranties that they may provide and service contracts that they may offer. Since we do not require you to enter into any maintenance contracts, we cannot estimate your annual cost for a maintenance contract. The cost will depend, in part, on the services you choose and the length of the contract. Some maintenance contracts average \$75 to \$150 per month.

Although we have not recommended any compatible equivalents to the computer hardware and software listed above or have a contractual obligation to upgrade or update the computer system, we will continue to research, update and/or upgrade the system with developments applicable to the industry. There are no specific contractual obligations limiting the frequency or cost of your obligation to acquire upgrades and updates or to replace obsolete or worn-out hardware or equipment.

Other than the equipment recommendations and the computer system specifications described above, we do not provide any assistance with equipment, fixtures, or opening inventory. We provide assistance with signs and supplies by providing you with marketing materials, layouts, and promotional items for use in promoting your Franchised Business.

Mandatory Initial Training Program Overview

Before you begin operating your Franchised Business, you or your Required Trainee must complete to our satisfaction Phases 1 and 2 of the mandatory initial training program. Without a thorough understanding of these two phases, you will be unable to operate your franchise effectively, provide services to client, and generate revenue. Generally, these phases are completed within 90 days of enrollment following the signing of your Franchise Agreement, and Phase 3 must be completed as soon as scheduling permits.

Your investment of \$10,000 covers one Required Trainee for the initial training program. A training fee of up to \$5,000 may be charged for each additional or subsequent trainee attending the initial training program (or if your Required Trainee retakes the program). You are responsible for expenses related to transportation, lodging, meals, and any wages earned by the Required Trainee and any additional trainees. If you acquire a franchise through transfer from an existing franchisee, you must pay us the \$10,000 initial training program fee, as you or your Required Trainee will need to attend the initial training program.

As described elsewhere in this disclosure document, our initial training program consists of three phases, as follows:

Phase 1: Laying the Groundwork

Phase 1 consists of self-paced eLearning courses delivered via SculptureU, complemented by live or recorded video sessions and assessments. This phase introduces the organization, fundamental concepts, metrics, and the basics of the inventory process. Trainees will complete a simulated client inventory scenario using our technology, with progress tracked in SculptureU. Key learning outcomes include understanding Sculpture's services, mastering foundational industry knowledge, and applying the inventory process in practice.

Each phase has specific objectives and performance metrics to measure success:

- **Phase 1:** Trainees must demonstrate a basic understanding of Sculpture’s inventory process and complete all self-paced modules with a score of 80% or higher on assessments.
- **Phase 2:** Trainees must conduct and be assessed on at least three independent inventory services and score 95% or higher on assessments, evaluated by their Regional Director or designated persons assigned by Corporate.
- **Phase 3:** Trainees must develop and present a business growth plan, reviewed and approved by corporate trainers or designated persons assigned by Corporate.

Instructional materials for all phases are hosted on SculptureU (our 360Learning platform) and in our Knowledge Center. These materials include manuals, videos, webinars, presentations, and other resources deemed beneficial. Certification of completion requires all program components to be marked “Complete” in SculptureU.

The training program combines self-paced online learning with skills practice supported by your Regional Director or corporate staff. SculptureU courses and Knowledge Center resources include articles, quick reference guides, videos, interactive system simulations, quizzes, and recorded video assessments. Most Regional Directors have been with the franchise system for over 10 years. Each of them also operates their

own unit territory and has a wealth of knowledge and hands-on experience running the business. The Foundations Sales Training is conducted by certified professionals.

Gillian Blair, our Vice President of Learning since June 2024, will oversee our training program. Ms. Blair is a seasoned learning and development professional with over 25 years of experience, including over 15 years in the hospitality sector. She also has specialized expertise in restaurant and bar operations.

In-person training may take place in your territory, or you may be required to travel to a different territory, or some combination of the two. This decision will be made at our sole discretion based on our assessment of what is likely to provide the best learning experience for your Required Trainee.

We provide accommodations for trainees with disabilities to ensure equal access to the training program. Accommodations may include extended time for eLearning modules, accessible training materials, or other adjustments as required. Requests for accommodations must be submitted in writing at least 14 days prior to the start of the training program and include any relevant documentation to support the request. We will review and respond to all requests promptly to ensure appropriate arrangements are made.

We may periodically conduct mandatory or optional training programs for your Required Trainee and/or other designated owners/ employees at our office or another location that we designate. A reasonable fee (typically not to exceed \$2,000 per trainee per program) may apply. Additional training may be delivered via recorded media, teleconference, videoconference, in-person, the Internet, webinars, or other methods. You are responsible for any travel, living expenses (including meals, transportation, and accommodations), wages, and related costs incurred by your Required Trainee or other trainees for attending these programs.

Upon successful completion of the training program, trainees will receive a Certificate of Achievement. Certification is valid for two years, after which refresher training may be required to maintain active certification status.

Opening of Business

The typical length of time between the signing of the Franchise Agreement and the opening of the Franchised Business is 90 days. The factors that affect this time are the ability to obtain a lease (we do not require you to establish an office), financing, and your completion of Phases 1 and 2 of the initial training program to our satisfaction. There are no consequences for not opening your Franchised Business within this 90-day time period.

Item 12

TERRITORY

You will receive an exclusive territory. You will receive one of three sizes of Territories based upon the number of Establishments with liquor licenses located within the Territory. The smallest Territory has approximately 150 Establishments with liquor licenses and the largest Territory has approximately 500 Establishments with liquor licenses. The other Territory has approximately 250 Establishments with liquor licenses. You must operate your Franchised Business solely within your territory. As a service business, we do not approve the site in which you will operate your administrative offices and you may relocate your administrative offices within your territory without requiring our prior approval.

We will not establish additional Franchised Businesses or company-owned units within your exclusive territory as long as you comply with the terms of the Franchise Agreement and all other agreements between us. Provided that you remain in compliance with your Franchise Agreement and all other agreements with

us, there are no other circumstances under which we are permitted to modify your territorial rights. However, we retain the right to: (1) establish and operate, and to grant to others the right to establish and operate, businesses offering dissimilar products and services, both inside and outside of the territory; (2) operate and to grant others the right to operate the Franchised Businesses located anywhere outside of the territory under terms and conditions we deem appropriate regardless of proximity to the territory; (3) acquire the assets or equity interests of one or more businesses providing products and services similar to those provided at Franchised Businesses and creating similar businesses once acquired, even if such business operates, franchises or licenses competitive businesses in the territory; (4) right to be acquired by a business providing products and services similar to those provided at Franchised Businesses or by another business, even if such business operates, franchises, and/or licenses competitive businesses in the Territory; (5) allow others including ourselves to operate in the territory under the National Accounts Program; and (6) right to operate, and to grant others the right to operate, a business inside or outside your Territory, the purpose of which is to provide consultative inventory management services associated with food consumption to help Establishments identify sources of theft, shrinkage, waste and other causes adversely affecting the Establishment's food operation's profitability and food controls.

You are not permitted to actively solicit clients or customers outside of your territory. We are not, however, responsible or liable for the acts or omissions of other franchisees. The territory is typically described in terms of municipal or county boundaries. The actual size of the territory will vary depending upon the number of establishments with liquor licenses.

We have instituted policies and procedures concerning a franchisee's attempt to provide Client Evaluations and other services outside its territory in geographic areas in which a Franchised Business has not been granted ("**Open Areas**") and which also govern the transitioning of client accounts managed by a Franchised Business in an Open Area to a new franchisee who subsequently purchases a Franchised Business for the Open Area. These policies are described in the Manuals and you must comply with these policies and procedures as they now exist or as they may be modified, altered or amended by us. Some of these policies and procedures in the Manuals require you to pay an incursion fee to the new franchisee during the transition period equal to a percentage of the fees you receive from the client accounts in the former Open Area. Currently, you must pay an incursion fee to the new franchisee of 25% of these fees that you receive from client accounts in the former Open Area.

Inventory Control System; Minimum Client Evaluations. You are required to market the Inventory Control System in the Territory and to use the Inventory Control System to complete Client Evaluations. You are required to offer and sell the Inventory Control System as the focal point of your sales activities, irrespective of the number of other services you offer to Establishments and with greater dedication and diligence than any other service we authorize you to offer to current and potential clients in the Territory. You acknowledge and agree that the development of demand for, and the use of, the Inventory Control System by your clients is, unless you are otherwise notified by us to the contrary, the primary marketing and sale priority of your Franchised Business.

Minimum Number of Monthly Client Evaluations in Your Territory

Months of the Term	150 Territory*	250 Territory*	500 Territory*
Each of Months 1 through 6 during initial year of the Term	0	0	0
Each of Months 7 through 12 during initial year of the Term	10	15	15
Each Month in 2nd year of the Term	25	45	45
Each Month in 3rd year of the Term	39	61	66

*The number associated with the Territory means the approximate number of Establishments operating in the Territory

Since you do not physically conduct Client Evaluations for your Self-Service Clients, when calculating your minimum number of Client Evaluations per month, each Self-Service Client will count for two Client Evaluations. For the avoidance of any doubt, you must physically complete these Client Evaluations. Other than Client Evaluations deemed to be conducted for Self-Service Clients, compliance with this requirement will only occur when the minimum number of Client Evaluations are actually completed within a given month and you are able to provide proof to us of each completed Client Evaluation during the month within 10 days following the last day of the applicable month.

You will be in default of this Agreement if (i) you fail to meet the minimum requirements stated in the Franchise Agreement regarding Client Evaluations or (ii) you fail to meet the minimum requirements associated with any other System you are required to operate in the future as part of your Franchised Business for two months within any consecutive 12-month period. If any such default is not cured within thirty (30) days of your receipt of our written default notice, or any longer period as applicable law may require, we may terminate your Franchise Agreement.

We have developed and continue to develop Systems for use by you to perform Client Evaluations efficiently and effectively using the Inventory Control System. In connection with the products and services you are authorized to offer in your Franchised Business, we may in our sole judgment add additional Systems, enhance existing Systems and/or delete any existing System from the Franchised Businesses upon written notice to you. We may specify a new System as either mandatory or optional. If we specify a System as mandatory you must adopt, implement and use the System in such time period as we prescribe.

You may sell our services to customers and prospective customers within your territory. You may not engage in any promotional activities or sell our proprietary products or similar products or services, whether directly or indirectly, through or on the Internet, the World Wide Web, or any other similar proprietary or common carrier electronic delivery system (collectively, the **“Electronic Media”**); through catalogs or other mail order devices sent or directed to customers or prospective customers located anywhere; or by telecopy or other telephonic or electronic communications, including toll-free numbers, directed to or received from customers or prospective customers located anywhere. You may not place advertisements in printed media, on television, radio, or on social networks in the form of a paid search or SEO that are targeted to customers and prospective customers located outside of your territory. You have no options, rights of first refusal, or similar rights to acquire additional franchises.

We and our affiliates will not sell products or services under the Marks within and outside your territory through any method of distribution other than a dedicated Franchised Business, including sales through such channels of distribution as the Internet, catalog sales, telemarketing or other direct marketing sales (together, **“alternative distribution channels”**). You may not use alternative distribution channels to make sales inside or outside your territory except as described in the following paragraph and you will not receive any compensation for our sales through alternative distribution channels except as described in the following paragraph.

If we engage in electronic commerce through any Internet, World Wide Web or other computer network site or sell through any other alternative distribution channel, and we receive orders for any services offered by a Franchised Business calling for delivery or performance in your territory, then we will offer the order to you. If you choose not to fulfill the order or are unable to do so, then we, one of our affiliates or a third party we designate (including another franchisee) may fulfill the order, and you will not be entitled to any compensation in connection with the order.

We have not yet established other franchises or company-owned outlets or another distribution channel selling or leasing similar products or services under a different trademark. We describe earlier in this Item 12 what we may do anywhere and at any time.

We do not operate or franchise the operation of (or have any presently formulated plans or policy to operate or franchise the operation of) any Franchised Businesses providing services under different trade names or trademarks similar to or competitive with those to be offered by you.

Item 13

TRADEMARKS

You must use certain Marks in operating your franchise. The principal trademark that you will use as our franchisee is the “SCULPTURE HOSPITALITY” Mark and logo that appears on the front page of this Disclosure Document. We may also periodically authorize you to use other Marks from time to time. You may only use the Marks that we designate for use in connection with your Franchised Business, and it is mandatory that your use of the Marks must conform with the Franchise Agreement, the Manuals, and other written directives we may issue with respect to the manner in which the Marks are used. All current logos are available in our franchise asset library.

The following Mark is registered on the Principal Register of the United States Patent and Trademark Office (“USPTO”):

Mark	Registration Number	Registration Date	Owner
Sculpture Hospitality (Word Mark)	5324129	October 31, 2017	Us

After our purchase of the assets of Sculpture Hospitality, LLC, the trademark registration was assigned to us officially in the records of the USPTO on January 17, 2018.

All required affidavits for the Marks have been filed. There are no currently effective determinations of the USPTO, any trademark trial and appeal board, any state trademark administrator or any court, or any court; nor is there any pending infringement, opposition or cancellation proceeding, or material litigation, involving any of the Marks. There are no agreements currently in effect which significantly limit our rights to use or license the use of the Marks in a manner material to the franchise. There are no state registrations for the Marks.

You may not use any of the Marks as part of your corporate or other name. You must follow our instructions for identifying yourself as a franchisee and for filing and maintaining the required trade name or fictitious registrations. Unless we expressly permit you to do so, you may not use the Marks or any part of derivative of the Marks on the Internet. You are prohibited from using the Marks or any derivative of the Marks as part of any URL or domain name.

We have no obligation to protect your right to use the Marks but must protect you against claims of infringement and unfair competition arising out of your use of the Marks. You agree to notify us immediately of any apparent infringement or challenge to your use of any Mark, or of any person's claim of any rights in any Mark or confusingly similar trademark, and not to communicate with any person other than us, our attorneys, and your attorneys regarding any infringement, challenge, or claim. We may take the action we deem appropriate (including no action) and control exclusively any litigation, U.S. Patent and Trademark Office proceeding, and other administrative proceeding arising from any infringement, challenge, or claim or otherwise concerning any Mark. You agree to sign any documents and take any other reasonable action that in the opinion of our attorneys, are necessary or advisable to protect and maintain our interests in any litigation or Patent and Trademark Office or other proceeding or otherwise protect and maintain our interests in any litigation or Patent and Trademark Office or other proceeding or otherwise to protect and maintain our interests in the Marks. We will reimburse your costs for taking any requested action.

We agree to reimburse you for all damages, claims, and expenses that you incur or for which you are liable in any proceeding challenging your right to use any Mark under the Franchise Agreement, provided your use has been consistent with the Franchise Agreement, the Manuals, and the Standards and Specifications communicated to you and you have timely notified us of, and comply with our directions in responding to, the proceeding. At our option, we may defend and control the defense of any proceeding arising from your use of any Mark.

If it becomes advisable at any time in our opinion for us and/or you to modify, discontinue using, and/or replace any Mark and/or to use one or more additional, substitute, or replacement trade or service marks together with or instead of any previously designated Mark, you agree to comply with our directions within a reasonable time after we deliver notice to you. We need not reimburse you for your expenses in complying with these directions (such as costs you incur in changing the signs or replacing supplies), for any loss of revenue due to any modified or discontinued Mark, or for your expenses of promoting a modified or substitute trademark or service mark.

Other than as described in this Item 13, we do not know of either superior prior rights or infringing uses that could materially affect your use of the Marks.

Item 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

We do not claim right in patents or copyrights that are material to our business, but we do claim proprietary rights and common law copyrights to the confidential information contained in our intranet system and Manuals. The Manuals are described in Item 11. We claim common law copyrights on our operational materials and on other proprietary materials specifically created by us, which is associated with our System, including the proprietary advertisements, all of our materials presented to your prospective customers, printed materials, and forms associated with the operation of a Franchised Business. The Manuals, in our intranet system, and other proprietary materials have not been registered with any copyright office. Item 11 describes limitations of the use of the Manuals by you and your employees. You must also promptly tell us when you learn about unauthorized use of this proprietary information. We are not obligated to take any action but will respond to this information as we deem appropriate. We will not indemnify you for losses brought by a third party concerning your use of this information. We do not have any pending patent applications that are material to our business.

Item 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

If you are an individual, you must devote your full-time and best efforts to the management and operation of the Franchised Business. If you are a corporation or other entity, you must appoint an owner to serve as the manager, successfully complete our initial training program, and to directly supervise the operation of the Franchised Business. Any owner who owns a majority interest in the franchisee must serve as the manager. No change in designation of manager may occur without the new manager having satisfactorily completed initial training and any additional training we may require.

You and your owners may not engage in any other business during the term of the Franchise Agreement. You are responsible for the development, operation, promotion and enhancement of the Franchised Business during the term of the Franchise Agreement. You must maintain an active business operation according to the terms of the Franchise Agreement and conduct your business in conformity with all standards of ethical business conduct.

If you are a corporation, limited liability company or partnership, your owners must personally guarantee your obligations under the Franchise Agreement and also agree to be personally bound by, and personally liable for the breach of, every provision of the Franchise Agreement according to the Guaranty attached to the Franchise Agreement as Attachment B. If the proposed owners do not meet the financial or management qualifications to become a franchisee based on their own qualifications, we may also require spouses of the owners to sign the Guaranty in order to meet our qualifications.

At our request, you shall obtain, in a form that we prescribe, non-compete and non-disclosure agreements from: (1) all directors and managers of the Franchised Business and any other personnel employed by you who have received training from us or who have access to our confidential information; (2) all officers, directors and holders of a beneficial interest of 5% or more of the securities of you and of any corporation directly or indirectly controlling you if you are a corporation; and (3) the general partners and any limited partners (including any corporation, and the officers, directors and holders of a beneficial interest of 5% or

more of the securities of any corporation which controls, directly or indirectly, any general or limited partner) if you are a partnership.

Item 16

There are no limits on our rights to change required and/or authorized products and services (see Sections V.A. and V.B. of the Franchise Agreement). You may sell authorized products and services to any customer located within your territory.

Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

SHH GROUP, LLC

FRANCHISE AGREEMENT

THIS AGREEMENT is made and entered into on this ____ day of _____, 20____ (“**Effective Date**”), by and between **SHH GROUP, LLC**, a Delaware limited liability company whose principal place of business is 505 Consumers Road, Suite 307, Toronto, Ontario, Canada M2J 4V8 (hereinafter referred to as “**we**,” “**us**,” “**our**,” or the “**Company**”) and _____, a _____, whose principal place of business is _____ (hereinafter referred to as “**you**,” “**your**” or the “**Franchisee**”).

WITNESSETH:

WHEREAS, we and our predecessor over a considerable period of time have developed (and continue to develop and modify) a consultative inventory management services business for liquor, wine and beer consumption to help restaurants, bars, hotels, sports arenas, nightclubs and other similar type venues (collectively, “**Establishments**”) identify sources of theft, spillage, shrinkage, waste and other causes adversely affecting the Establishment’s profitability and beverage controls (the “**Inventory Control System**”). Using a proprietary software system in conjunction with an Establishment’s existing point of sale system, a trained certified specialist performs an on-premises review which help identify the sources of these problems and aid in developing corrective strategies (“**Client Evaluation**”).

WHEREAS, we have developed a franchise offering under the principal trade name “Sculpture Hospitality” and in accordance with our standards and specifications (the “**Standards and Specifications**”) which allows franchisees the right to operate a business (the “**Franchised Business**”) that will offer Establishments the review services associated with our Inventory Control System, and to market other products and services and proprietary systems that we may specify from time to time (collectively, the “**Systems**”);

WHEREAS, the distinguishing characteristics of the Standards and Specifications include, without limitation, unique operational methods and techniques, proprietary software, automated programs and computerized tools, technical assistance and training in the operation, management and promotion of the Franchised Business, specialized reporting, bookkeeping and accounting methods and documents, and advertising and promotional programs, all of which may be changed, improved and further developed by us;

WHEREAS, we own the trade name, service mark and trademark “Sculpture Hospitality” and certain logos and other service marks and trademarks that we may specify from time to time (collectively, the “**Marks**”) for use in operating a Franchised Business in association with our Standards and Specifications according to the terms of this Agreement. We may supplement the Marks in the future by designating other trademarks, service marks and commercial symbols for use with a Franchised Business and, upon such designation, they will become Marks licensed hereunder;

WHEREAS, we grant to persons, who meet our qualifications and who are willing to undertake the investment and full-time efforts, a franchise to own and operate a Franchised Business within a specified geographic area (“**Territory**”), offering only the Systems we authorize in conjunction with the Marks, Standards and Specifications; and

WHEREAS, you desire to acquire a franchise to operate a Franchised Business, and we desire to grant you a franchise on the terms and conditions set forth in this Agreement.

NOW, THEREFORE, the parties, in consideration of the promises, undertakings and commitments of each party to the other set forth herein, hereby mutually agree as follows:

I. GRANT OF FRANCHISE

A. Grant. You have applied for a franchise to develop and operate a Franchised Business within the Territory identified in Attachment A. We hereby grant to you, upon the terms and conditions herein contained, the right and license to operate such a business in strict conformity with our Standards and Specifications and only using our authorized Systems and Marks. You hereby accept such license and agree to perform all of your obligations in connection therewith as set forth herein. Without our prior written consent, which may be withheld in our sole discretion, you may not operate your Franchised Business outside of the Territory.

B. Official Place of Business. The operation of the Franchised Business does not require you to establish an office, however, you may only operate the Franchised Business within the Territory.

C. Territory. Subject to the terms of this Agreement, we hereby grant to you the right and license to operate one (1) Franchised Business in the Territory. We offer three (3) sizes of territories based upon the number of Establishments in the territory. “**Territory A**” will contain approximately 150 Establishments, “**Territory B**” will contain approximately 250 Establishments and “**Territory C**” will contain approximately 500 Establishments. Attachment A lists the geographic area encompassing your Territory including, as appropriate, identifying counties and/or zip codes within the Territory or other means for designating the Territory. You have a protected territory. We agree that, provided you remain in good standing under the terms of the Franchise Agreement and subject to the rights reserved to us in Section I.D. below or as otherwise set forth herein, we will protect your territorial rights by not granting to a third party a franchise for the right to operate another Franchised Business in the Territory and we will not ourselves operate a Sculpture Hospitality business in the Territory. We are not, however, responsible or liable for the acts or omissions of other franchisees who may encroach on your territorial rights.

D. Rights We Reserve. Except as expressly limited by Section I.C. above, we and our affiliates (and our and their respective successors and assigns, by purchase, merger or otherwise) retain all rights with respect to the Franchised Businesses, the Marks, the Standards and Specifications and the Confidential Information (as defined in Section VII. below) anywhere in the world, and the right to engage in any business whatsoever including, without limitation, the following rights:

1. The right to establish and operate, and to grant others the right to establish and operate, businesses offering dissimilar products and services, both inside and outside the Territory, under the Marks and on any terms and conditions we deem appropriate;

2. The right to operate, and to grant others the right to operate, Franchised Businesses located anywhere outside the Territory under any terms and conditions we deem appropriate even if it is in close proximity to the borders of your Territory;

3. The right to acquire the assets or equity interests of one or more businesses providing products and services similar to those provided at Franchised Businesses, and franchising, licensing, or creating similar arrangements with respect to these businesses once acquired, inside and outside the Territory;

4. The right to be acquired (whether through acquisition of assets, equity interests, or otherwise, regardless of the form of transaction) by a business providing products and services similar to

those provided at Franchised Businesses or by another business, even if such business operates, franchises, and/or licenses competitive businesses in the Territory;

5. The right for us (and others we permit) to offer and operate national account programs in your Territory pursuant to the terms of our National Accounts Program (see Section IV.D. below); and

6. The right to operate, and to grant others the right to operate, a business inside or outside your Territory, the purpose of which is to provide consultative inventory management services associated with food consumption to help Establishments identify sources of theft, shrinkage, waste and other causes adversely affecting the Establishment's food operation's profitability and food controls.

E. Your Obligations with Respect to the Use of the Systems.

We developed the Inventory Control System for you to use to perform Client Evaluations in your Territory efficiently and effectively. In connection with the products and services you are authorized to offer in your Franchised Business, we may in our sole judgment enhance existing Systems, add new Systems and/or delete existing Systems from the Franchised Business upon written notice to you. We may specify a new System as either mandatory or optional. If we specify a System as mandatory, you are required to adopt, implement, and use the System for such time period as we prescribe. You acknowledge that your failure to use any System required by us constitutes a breach of this Agreement subject to the terms of Section XII. Whether a product or service we implement is mandatory or optional, we have the absolute right to require you to: (1) purchase additional computerized or electronic components to operate and implement the System; (2) impose royalty fees and other charges payable to us in connection with such System; and/or (3) establish minimum sales requirements or quotas that we impose upon you as a condition for your use of the System within your Franchised Business.

F. Inventory Control System; Minimum Client Evaluations. You are required to market the Inventory Control System in the Territory and to use the Inventory Control System to complete Client Evaluations. You are required to offer and sell the Inventory Control System as the focal point of your sales activities, irrespective of the number of other services you offer to Establishments and with greater dedication and diligence than any other service we authorize you to offer to current and potential clients in the Territory. You acknowledge and agree that the development of demand for, and the use of, the Inventory Control System by your clients is, unless you are otherwise notified by us to the contrary, the primary marketing and sale priority of your Franchised Business.

[Remainder of page intentionally left blank]

Minimum Number of Monthly Client Evaluations in Your Territory

Months of the Term	150 Territory*	250 Territory*	500 Territory*
Each of Months 1 through 6 during first Year of the Term	0	0	0
Each of Months 7 through 12 during first Year of the Term	10	15	15
Each Month during second Year of the Term	25	45	45
Each Month during third Year of the Term	39	61	66

*The number associated with the Territory means the approximate number of Establishments operating in the Territory

Since you do not physically conduct Client Evaluations for your Self-Service Clients, when calculating your minimum number of Client Evaluations per month, each Self-Service Client will count for two Client Evaluations. For the avoidance of any doubt, you must physically complete these Client Evaluations. Other than Client Evaluations deemed to be conducted for Self-Service Clients, compliance with this requirement will only occur when the minimum number of Client Evaluations are actually completed within a given month, and you are able to provide proof to us of each completed Client Evaluation during the month within 10 days following the last day of the applicable month.

You will be in default of this Agreement if (i) you fail to meet the minimum requirements stated in the Franchise Agreement regarding Client Evaluations or (ii) you fail to meet the minimum requirements associated with any other System you are required to operate in the future as part of your Franchised Business for two months within any consecutive 12-month period. If any such default is not cured within thirty (30) days of your receipt of our written default notice, or any longer period as applicable law may require, we may terminate your Franchise Agreement.

G. Inventory Control System and Client Evaluation Information. We and our affiliates, through the Inventory Control System and Client Evaluations or otherwise, will have access to data concerning the liquor, wine and beer offered and sold in Establishments located in your Territory

(collectively, “**Client Data**”). As between you and us, we own the Client Data, and you acknowledge and agree that during the Term and thereafter, we and our affiliates have the right to make use of the Client Data as we deem appropriate including disclosing such information to third parties and otherwise using Client Data in our respective business activities and in any manner that we or our affiliates deem necessary or appropriate.

II. TERM AND RENEWAL

A. Initial Term. Except as otherwise provided herein, the initial term of this Agreement shall be for three (3) years commencing on the Effective Date (the “**Initial Term**”). Collectively, the Initial Term and any renewal term hereunder shall be collectively referred to as the “**Term**.”

B. Renewal Term. You may, at your option, continue to operate and manage the Franchised Business for an unlimited number of additional three (3) year renewal Terms, subject, in each case, to the conditions set forth in Section II.C.

C. Conditions of Renewal. With respect to the renewal of the Initial Term or the final year of the then-current renewal Term, as the case may be, you must meet the following conditions unless and to the extent expressly waived in writing by us):

1. You shall give us written notice of your election to renew this Agreement no less than nine (9) months prior to the end of the then-current Term of this Agreement;

2. At least six (6) months prior to the expiration of the then-current Term of this Agreement, we shall have the right to give notice of all required modifications to the nature and quality of the products and services offered in connection with the Franchised Business, as well as your advertising, marketing and promotional programs;

3. You shall not be in default of any provision of this Agreement, any amendment hereof or any other agreement between you and us or our subsidiaries, affiliates and suppliers. You shall have substantially complied with all of the terms and conditions of such agreements during the various Terms hereof and thereof;

4. During the entirety of the final year of the then-current Term, you must have satisfied the monthly minimum number of Client Locations serviced as set forth in Section I.F.

5. You shall have satisfied all of your monetary obligations to us and our subsidiaries, affiliates and suppliers and shall have timely met those obligations throughout each Term of this Agreement;

6. You shall execute our then-current form of Franchise Agreement, which agreement will supersede in all respects this Agreement, and the terms of which may be altered including, without limitation, (i) changed geographic boundaries of your Territory because of changing demographics, population changes, and your performance during the preceding twelve (12) month period, (ii) increasing the minimum number of Client Locations to be serviced on a monthly basis but not any higher than the minimum number of Client Locations to be serviced on a monthly basis as set forth in our then-current form of franchise agreement, (iii) changes in the number of Establishments operating in your Territory, (iv) modifying your contributions and fees associated with the Marketing Development Fund, Centralized Marketing Program, Technology Infrastructure, local marketing expenditure minimums, and (v) implementing additional fees applicable to our franchise system. You must fully execute and return to us

your new franchise agreement for the new renewal Term within fifteen (15) days of your receipt of the new franchise agreement from us;

7. You must pay a renewal fee equal to ten percent (10%) of the then-current initial franchise fee for your Territory size, inclusive of training fee ("**Renewal Fee**").

8. Unless waived by us, your Required Trainee (as defined below) and any of your owners or employees that we designate shall attend our then-current qualification and training programs at your expense;

9. You and your owners shall execute a general release, in a form prescribed by us, of any and all claims against us and our subsidiaries and affiliates, and their respective officers, directors, agents and employees for the period prior to and including the date of the execution of the general release;

10. Your operation and management of the Franchised Business shall be in full compliance with the Standards and Specifications and other requirements with respect to our Systems as well as with the terms of this Agreement; and

11. You must maintain and be in good standing with all necessary and appropriate licenses and permits.

In the event that any of the foregoing conditions to renew have not been met prior to the expiration of the then-current Term of this Agreement, we shall have no obligation to renew this Agreement but shall give you at least thirty (30) days' prior written notice of our intent not to renew this Agreement, which notice shall set forth the reasons for such refusal to renew. For the avoidance of any doubt, you acknowledge that your failure to provide the required renewal notice at least six (6) months prior to the expiration of this Franchise Agreement (see Section II.C.1.) shall constitute an event of default pursuant to Section XII. of this Agreement. Notwithstanding the foregoing, should you fail to fully execute and return to us the form of franchise agreement that we issue for the new renewal term within fifteen (15) days of your receipt of such new Franchise Agreement from us, you agree that we have the right to suspend your right to access our Systems until such time as we receive the properly executed franchise agreement for the renewal term. Further, during the period of suspension, we will treat this Agreement as continued on a month-to-month basis until both parties agree to enter into our then-current form of franchise agreement for a renewal Term or until one party provides the other with written notice its decision to cease operating, in which case the suspension period will terminate thirty (30) days after the receipt of the notice of termination. All your obligations will remain in full force and effect during the suspension period as if this Agreement had not expired, except that the Royalty Fee during the suspension period will be increased by 25% from the standard Royalty Fee payable hereunder immediately prior to the expiration of this Agreement. All obligations and restrictions imposed on you upon the expiration of this Agreement shall take effect upon termination of the suspension period without the execution of a renewal Franchise Agreement.

D. Expansion of Your Territory. You acknowledge and agree that in the event you establish five (5) or more accounts outside your Territory (within a geographic area which does not yet have an active franchisee utilizing the Inventory Control System), whether through your own marketing efforts, as a result of the account being assigned to you by us or otherwise based upon our approval, you agree to purchase the expansion rights for your Territory by paying us the then-current initial franchise fee associated with the number of Establishments within the expansion portion of the Territory. ("**Expansion Fee**"). The Expansion Fee is nonrefundable and is due upon the execution of an amendment hereto modifying Attachment A to reflect the new description of the Territory. However, if the geographic area in which such accounts are located is sold to a third party franchisee prior to your consummation of the transaction expanding your Territory and your payment of the Expansion Fee, then you acknowledge and agree that

you will transition such accounts to the third party franchisee, at no charge or fee to the franchisee, and you will provide the franchisee with all data files associated with such accounts to facilitate a smooth transition.

III. DUTIES OF THE COMPANY

A. Pre-Opening Obligations. Our duties prior to the opening of the Franchised Business may include some, but not necessarily all, of the following services:

1. We shall provide marketing and promotional materials for use in promoting the Franchised Business;

2. Within approximately ninety (90) days of you executing this Agreement, we shall provide you (or one of your owners, if you are an entity) (the “**Required Trainee**”) with the internet training and regional portion of our three-phase initial training program as set forth in our Manuals and described below.

(i) Phase 1 of the initial training program consists of 4 self-paced pathways, containing 15 online learning courses (virtual) which the trainee(s) may complete from home or other location away from the franchised location, delivered via Sculpture’s Learning Management System. Live video calls and/or recorded video sessions or assessments may be required. The purpose of Phase 1 is to introduce the Required Trainee to our organization, teach the fundamental concepts and metrics you will utilize as a franchisee, and the basics of our Review Process. Phase 1 culminates with your Required Trainee applying the Review Process using our technology in a client setting with the support and guidance of an experienced expert.

(ii) Phase 2 of the initial training program can take place after the Required Trainee completes Phase 1 or it could run concurrently with the Required Trainee’s participation in Phase 1. Phase 2 is a combination of training sales and customer service and support skills, applying business management and planning skills, uncovering additional ways you can add value to your clients, all of which is facilitated by a Sandler Certified Sales Training Professional from the Sandler Organization. The Sandler Sales training program must be started within 120 days of the signing of your Franchise Agreement, or as the schedule permits. Phase 2 also consists of technical operations field training. Technical field training is delivered by the Franchisee’s Regional Director, or a Global Office approved trainer. Phase 2 is designed so that upon completing Phase 2, you have sufficient knowledge of a Sculpture Hospitality business to commence operating your franchised business.

(iii) Phase 3 of the initial training program currently consists of business operations, products and services, franchise policy, marketing, retention, and staffing, all developed and delivered by a Global Office approved trainer.

You are responsible for expenses related to transportation, lodging, meals, and any wages earned by the Required Trainee and any other trainees you send to initial training. Your Required Trainee must complete Phase 1 of the mandatory initial training program to our satisfaction. Generally, Phase 1 is completed within 90 days of enrollment following the signing of your Franchise Agreement, and Phase 2 must be completed as soon as scheduling permits. Unless you already are a Sculpture Hospitality franchisee as of the Effective Date, you are required to pay in full upon the execution of this Agreement a one-time training and onboarding fee of Ten Thousand Dollars (\$10,000). This payment covers the Required Trainee for the initial training program; and

3. During the initial training program, we shall provide to you with on-line access to our confidential manuals (collectively, the “**Manuals**”) that will contain specifications, standards, services,

operating procedures and rules prescribed from time to time by us for the operation of the Franchised Business. We will provide access to different portions of the Manuals to coincide with what we deem to be necessary for your development and the opening and operation of the Franchised Business. You may not make any copies of the Manuals, or any portions thereof. Your right to access our Manuals is based solely on your status as a franchisee of ours. The Manuals contain proprietary information of ours and must be kept confidential by you during the period you are operating the Franchised Business and subsequent to the expiration or earlier termination of the Franchise Agreement, in accordance with the terms of Section VII. of this Agreement. We shall have the right to add to and otherwise modify the Manuals from time to time to reflect changes in the Specifications, Standards, operating procedures and rules prescribed by us for the Franchised Business, provided that no such addition or modification shall alter your fundamental status and rights under this Agreement. We shall have no obligation to provide the Manuals in hard copy. The Manuals remain our property at all times. You agree and covenant that you will not permit any affiliate, employee, independent contractor or other third party to disclose, duplicate or otherwise use any portion of the Manuals in any unauthorized manner or for an improper purpose. The Manuals will not include any employment-related policies or procedures. You are solely responsible for the terms and conditions of employment of your employees.

B. Post-Opening Obligations. Our obligations following the opening of the Franchised Business are as follows:

3. We will provide you with updates, revisions and amendments to the Manuals as we determine necessary, if any;
4. We shall continue our efforts to establish and maintain high standards of quality, customer satisfaction and service, and to that end, shall on a periodic basis, (a) conduct, as we deem advisable, inspections and mystery shopping of the Franchised Business and its operations and evaluations of the methods in which you are operating the Franchised Business, and (b) upon request and subject to the terms of this Agreement, disseminate to you or your suppliers our Standards and Specifications for items not deemed by us to be our trade secrets; and
5. At our sole discretion, and from time to time, we will coordinate, conduct and otherwise make available to you such other optional and mandatory ongoing training programs or seminars that we deem appropriate, as further described in Section V.D.

C. Convention. Approximately every eighteen (18) months, we intend to have a franchise convention at a location we designate. Unless we agree otherwise, at your cost and expense (including our then-current franchise convention fee), an owner or one (1) executive member of your staff is required to attend the convention. The length of the convention is usually four (4) days/three (3) nights. Attendance at this convention is required and the failure to attend shall be deemed an event of default under this Agreement. We reserve the right to have some, or all of the convention offered virtually as we deem necessary.

D. Delegation. We have the right from time to time to delegate the performance of any portion or all of our obligations under this Agreement to third-party designees, whether they are our affiliates, agents or independent contractors.

Any such modification to the Royalty Fee will only apply to you if you agree to the modification.

D. National Account Program. We have established a national account program through which we are able to contract with businesses to conduct Client Evaluations on a national, regional or multiple franchised territory basis in order to offer these accounts special pricing options for the use of our Systems (the "**National Account Program**"). A "**National Account**" is any multi-unit operator that has a minimum of five (5) locations in three or more franchised territories and/or non-franchised territories or any prospective client which will likely expand to additional locations in multiple territories following a pilot or trial program. We have the right at any time to remove a National Account from the National Account Program or we may discontinue or terminate

the entire National Account Program. Further, we have the right to convert an existing client of the Sculpture Hospitality franchise system to a National Account due to the growth and expansion of the client's business endeavors and success. The client will become a National Account upon notification to the then-current franchisee who is servicing the client. Our notification will provide the details of the National Account Program as it will apply to the client. You may receive a portion of the monthly Client Evaluation fees associated with National Accounts for which you perform services in your territory as described herein or in our Manuals. Depending on the service model for each National Account, if a National Account is located in your Territory, you will either be paid a commission of (i) 8% of the monthly evaluation revenue or self-service fees generated by such National Account in your Territory, if we or our affiliate or a designated third party will service National Accounts, or (ii) a custom revenue split, determined in our sole discretion, which will not be less than 8% of the monthly evaluation revenue or self-service fees generated by such National Account, if the program calls for you to service such National Account.

All payments are payable via ACH Debit Transaction in accordance with the due dates described above. You must complete the ACH Debit Form attached to this Agreement as Attachment F. Regardless of how the same is to be made, you agree to pay to us, either concurrently with the advance or immediately following demand by us, all usage fees, commissions, conversion charges, e-commerce charges, administrations fees, inter-bank transfer costs, and other payment due or payable by us to the credit card provider as a result of or in connection with the advance. We reserve the right to charge an administrative fee on all credit card payments of up to four percent (4%) of the total credit charge charges.

V. FRANCHISEE'S DUTIES

A. Approved Products, Services and Suppliers. We have developed or may develop additional Standards and Specifications for types, models and brands of products and services and assets required to operate the Franchised Business. We reserve the right from time to time to approve

specifications, suppliers and distributors of such products that meet our reasonable standards and requirements. If we do so, you agree to purchase only such products meeting those specifications, and if we require it, only from distributors and other suppliers we have approved, including ourselves or our affiliates. We may designate a single distributor or supplier (collectively “**supplier**”) for any product, service, equipment, supply or material and may approve a supplier or distributor only as to certain products. The designated supplier may be us or our affiliate.

We and our affiliates may receive payments from suppliers on account of such suppliers’ dealings with you and other Franchised Businesses and may use any amounts so received without restriction for any purpose we deem appropriate. We may collect payments for promotional allowances, rebates, volume discounts and other payments that designated, approved or recommended suppliers make to us and our affiliates. We may concentrate purchases with one or more suppliers or distributors to obtain lower prices or the best advertising support or services. Approval of a supplier or distributor may be conditioned on requirements relating to product quality, price consistency, reliability, financial capability, labor relations, customer relations, frequency of delivery, concentration of purchases, standards of service (including prompt attention to complaints), or other criteria and such approval may be temporarily pending our continued evaluation of the supplier or distributor from time to time.

If you would like to purchase any items from a source that we have not previously approved as a supplier or distributor of the particular item, you must comply with our then-current supplier/distributor approval process and standard. We have the right to inspect the proposed supplier’s or distributor’s facilities, and to require product samples from the proposed supplier or distributor to be delivered at our option either directly to us or to any independent, certified laboratory which we designate for testing. Either you or the proposed supplier or distributor must pay us a fee (not to exceed the reasonable cost of the inspection and the actual cost of the test) to make the evaluation. We reserve the right to periodically re-inspect the facilities and products of any approved supplier or distributor and to revoke our approval if the supplier or distributor fails to meet any of our criteria. We also reserve the right to charge manufacturers or suppliers a royalty/fee for the right to manufacture products for any use in the Franchised Businesses.

You shall lease or purchase certain proprietary and copyrighted materials and related brochures, literature, and supplies relating to the operation of the Franchised Business solely from approved suppliers who shall have proved, to our continuing reasonable satisfaction, the ability to meet our reasonable Standards and Specifications for such products and related items. For certain proprietary products the sole approved supplier may be us. Such approved suppliers shall meet all of our Specifications and Standards as to content, quality, appearance, warranty, performance and serviceability and must adequately demonstrate their capacity and facilities to supply your needs for an effective and efficient operation of the Franchised Business as well as all Franchised Businesses.

You understand and acknowledge that every detail of the performance of the Franchised Business and the interaction with clients and potential clients in compliance with the Standards and Specifications is critical to us, you and other Franchised Businesses operating under the Marks, in order to: (1) develop and maintain high and uniform operating standards; (2) increase the demand for the products and services sold by Franchised Businesses; and (3) protect the Marks, our trade secrets, Confidential Information (as defined in Section VII.), reputation and goodwill.

B. Sale of Unauthorized Products to Establishments. You must spend substantially all of your time operating your franchise. You may not, directly or indirectly, attempt to trade, or trade off the goodwill associated with the Marks and our System by operating any type of venture or business other than Franchised Business without our prior written approval, which may be withheld in our sole discretion. Additionally, without our prior written approval, during the term of this Agreement, your owners and their spouses and immediate family members (children and their spouses, if any) are prohibited from selling

competitive products and services or products and services which by their nature trade off the goodwill associated with the Marks or our System) to any Establishment or to an owner of any Establishment, whether inside or outside of your Territory. If you, directly or indirectly through any other party, whether or not affiliated with the Franchised Business, make such an unauthorized sale, we will be entitled to collect the full amount you received for such sale and this activity shall constitute a breach of the Franchise Agreement subject to termination under Section XII. thereof. For the avoidance of any doubt, the rights granted to you hereunder prohibit you and your owners from operating any other business while this Agreement is in effect or from owning any interest in any entity that undertakes to offer or sell products or services that compete with or which are substantially similar to the products or services offered or sold in connection with the Franchised Business. You may not directly or indirectly, offer any other products or services to any Establishment or to any client or prospective client nor may you or your owners have any interest in any business that does.

C. Initial Training. Unless otherwise agreed to by us, the Required Trainee shall attend and complete, to our satisfaction, certain phases of our initial training program as set forth in our Manuals within ninety (90) days of the signing of your Franchise Agreement. Portions of our initial training program may be conducted in person at a location that we designate or via recorded media, teleconference, videoconference, the Internet, webinar, or any other means, as we determine. The training fee described in Section IV.B. covers the initial training program for your Required Trainee, although you will pay for the lodging, meals, and all transportation expenses incurred by the Required Trainee during the initial training program. We reserve the right to charge an additional training fee of up to Five Thousand Dollars (\$5,000) for each additional or subsequent trainee that attends the initial training program, or if your Required Trainee takes the program a second time.

D. Ongoing Training. We may periodically conduct mandatory or optional training programs for your Required Trainee and/or other owners or employees that we designate at our office or another location that we designate. We may charge you a reasonable fee for any training programs that we provide. We may provide additional training in person or via recorded media, teleconference, videoconference, the Internet, webinar, or any other means, as we determine. You shall be responsible for any travel and living expenses (including meals, transportation, and accommodations), wages, and other expenses incurred by your Required Trainee or other trainees related to any additional training programs.

E. Working Capital. You shall meet and maintain sufficient levels of working capital for use in connection with the management and operation of the Franchised Business as we may reasonably require from time to time.

F. Best Efforts. You shall devote your full time and best efforts to the management and operation of the Franchised Business. You and your owners may not engage in any other business while you are operating the Franchised Business. You are responsible for the development, operation, promotion and enhancement of the Franchised Business during the full term of this Agreement. You agree that the Franchised Business will at all times be under your supervision. If you are a corporation or other entity, you must appoint an owner to serve as the manager, successfully complete the initial training program, and to directly supervise the operation of the Franchised Business. Any owner who owns a majority interest in the franchisee must serve as the manager. No change in designation of manager may occur without the new manager having satisfactorily completed initial training and any additional training we may require.

G. Compliance with Uniform Standards. You shall operate the Franchised Business in conformity with such uniform methods, Standards and Specifications as we may from time to time prescribe to ensure that the highest degree of quality and service is uniformly maintained. You shall conduct your business in a manner which reflects favorably at all times on the Sculpture Hospitality trade name, brand and franchise system. You shall at no time engage in deceptive, misleading or unethical practices or

conduct any other act which may have a negative impact on our reputation and goodwill or the reputation and goodwill of any other Franchised Businesses. Pursuant to this ongoing responsibility, you agree:

1. To maintain in sufficient supply, as we may prescribe in the Manuals or otherwise in writing and use at all times, supplies as conform to our Standards and Specifications, and to refrain from deviating therefrom without our prior written consent;
2. To sell or offer for sale only and all such products and services as approved in writing by us and as meet our uniform standards of quality and quantity which have been expressly approved for sale in writing by us in accordance with our methods and techniques;
3. To refrain from any deviation from our Standards and Specifications for serving or selling such products or services and to discontinue selling and offering for sale any such products or services as we may, in our sole discretion, disapprove in writing at any time;
4. To permit us or our designee to conduct Client Evaluations, sell products and equipment and provide monitoring services and collect revenue therefrom, from any client located within the Territory, if and only if we decide to offer these any of these to the public and you are unwilling or unsuitable to provide such service or product;
5. To operate the Franchised Business at a standard of excellence consistent with the requirements set forth in the Manuals; and
6. You and your employees are required to use an @sculpturehospitality.com email address when communicating matters that concern the Franchised Business.

H. Computer Systems. You agree to obtain and use the computer hardware and software that we periodically specify including, hardware components, dedicated communication and power lines, printers, and other computer-related accessories and peripheral equipment we periodically specify in connection with the operation of the Franchised Business (collectively, the “**Computer System**”). We may periodically modify specifications for and components of the Computer System. In addition to being required to be connected to the Internet so you can provide us with the records and related information we require, you are required to finalize your evaluations on the same day that final reports are delivered to the client. This program will assist you in transferring sales data to us on a daily basis and functions in such a manner as to help simplify and reduce the time needed to complete your evaluations. We do not have independent access to the data stored in your computer and we will not independently access a franchisee’s computer system except to perform software updates and routine file maintenance, if required. Despite your obligation to buy, use, and maintain the Computer System according to our standards and specifications, you have sole and complete responsibility for: (i) acquiring, operating, maintaining, and upgrading the Computer System; (ii) the manner in which your Computer System interfaces with our and any third party’s computer system; and (iii) any and all consequences if the Computer System is not properly operated, maintained, and upgraded.

I. Non-competition and Nondisclosure Agreements. All executive personnel (including your owners) must sign the Confidentiality Agreement and Ancillary Covenants Not to Compete attached to this Agreement as Attachment D. It is your obligation to ensure that such agreement is enforceable against both your executive personnel and interest holders. All other employees and independent contractors must sign the Confidentiality Agreement attached to this Agreement as Attachment E.

J. Incursion Policies. You acknowledge and agree that we have instituted policies and procedures concerning a Sculpture Hospitality franchisee’s attempt to provide Client Evaluations and other

services outside its assigned Territory in geographic areas in which a franchise has not been granted (“**Open Areas**”) and which also governs the transitioning of client accounts managed by a franchisee in an Open Area to a new franchisee who subsequently purchases a franchise for the Open Area. Such policies are set forth in the Manuals and you agree to comply with such policies and procedures as now exist or are hereafter modified, altered or amended by us. You acknowledge and agree that some of these policies and procedures in the Manuals require you to pay an incursion fee to the new franchisee during the aforementioned transition period equal to a percentage of the fees you receive from the client accounts in the former Open Area.

K. Compliance with Laws. You must secure and maintain in force all required licenses, permits, and certificates relating to the operation of the Franchised Business and must operate the Franchise Business in full compliance with all applicable laws, ordinances, and regulations including, but not limited to, government regulations relating to occupational hazards, health, worker’s compensation, unemployment insurance, withholding and federal and state income taxes, social security taxes, and sales and service taxes. You must comply with all laws and regulations relating to privacy and data protection and must comply with any privacy policies or data protection and breach response policies we may periodically establish. All advertising and promotion by you must be completely factual and must conform to the highest standards of ethical advertising. The Franchised Business must in all dealings with its customers, suppliers, us and the public adhere to the highest standards of honesty, integrity, fair dealing, and ethical conduct. You agree to refrain from any business or advertising practice that may be injurious to our business and the goodwill associated with the Marks and other Sculpture Hospitality businesses. You must notify us in writing within five (5) days: (i) of the commencement of any action, suit, or proceeding, and of the issuance of any order, writ, injunction, award, or decree of any court, agency, or other governmental instrumentality, which may adversely affect your operation or financial condition (or that of the Franchised Business), or (ii) of any notice of violation of any law, ordinance, or regulation relating to the Franchised Business.

L. Customer List/Customer Data. You acknowledge and agree that we are the sole owners of the Franchised Business’ customer lists (“**Customer Lists**”), and you may not distribute the Customer Lists to any third party, in any form or manner, without our prior written consent. Despite our ownership of the Customer Lists, you may use the Customer Lists in connection with the Franchised Business’ operation and as otherwise permissible under this Agreement. During the Term, we and our affiliates reserve the right to communicate with and provide notifications to customers appearing on the Customer Lists and to use the Customer Lists for any business purpose we and they deem necessary or appropriate (to the extent allowed by applicable law). Upon expiration (without a successor franchise) or termination of this Agreement, you and your affiliates may not use the Customer Lists in any form or manner. Additionally, while you are operating under this Agreement, you remain responsible for maintaining the Client Data and ensuring the information remains accurate, correct, truthful and complete and, at a minimum, you must always have the Client’s full legal name, the names of those persons who have any equity ownership interest in the Client, if the Client is an entity, email address, telephone number and street address. You must also have the email address and telephone number of the primary Client contact person, if the person doesn’t have an equity ownership interest in the Client.

VI. MARKS

A. Ownership and Goodwill of Marks. We have licensed the Marks to you to use in franchising, developing, and operating the Franchised Business. Your right to use the Marks is derived only from this Agreement and is limited to your operating the Franchised Business in compliance with this Agreement and all Standards and Specifications we prescribe during the term of this Agreement. Your unauthorized use of the Marks is a breach of this Agreement and infringes our rights in the Marks. You acknowledge and agree that your use of the Marks and any goodwill established by that use are exclusively for our benefit and that this Agreement does not confer any goodwill or other interests in the Marks upon

you (other than the right to operate the Franchised Business in compliance with this Agreement). All provisions of this Agreement relating to the Marks apply to any additional proprietary trade and service marks we authorize you to use. You may not at any time during or after the term of this Agreement contest or assist any other person in contesting the validity, or our ownership, of the Marks.

B. Limitations on Your Use of Marks. You agree to use the Marks as the Franchised Business' sole identification, except that you must identify yourself as its independent owner and operator at the Franchised Business in the manner we prescribe. You may not use any Mark (i) as part of any corporate or legal business name, (ii) with any prefix, suffix, or other modifying words, terms, designs, or symbols (other than logos we license to you), (iii) in offering or selling any unauthorized services or products, (iv) as part of any domain name, homepage, electronic address, or otherwise in connection with electronic media, or (v) in any other manner we have not expressly authorized in writing. If we discover your unauthorized use of the Marks, we may require you to destroy all offending items reflecting the unauthorized use (with no reimbursement from us).

You may not use any Mark in advertising the transfer, sale, or other disposition of the Franchised Business or an ownership interest in you without our prior written consent, which we will not unreasonably withhold. You agree to display the Marks prominently as we prescribe on forms, advertising and marketing, supplies, and other materials we designate. You agree to give the notices of trade and service mark registrations that we specify and to obtain any fictitious or assumed name registrations required under applicable law.

C. Notification of Infringements and Claims. You agree to notify us immediately of any apparent infringement or challenge to your use of any Mark, or of any person's claim of any rights in any Mark or any confusingly similar trademark, and not to communicate with any person other than us, our attorneys, and your attorneys regarding any infringement, challenge, or claim. We may take the action we deem appropriate (including no action) and control exclusively any litigation, U.S. Patent and Trademark Office proceeding, or other administrative proceeding arising from any infringement, challenge, or claim or otherwise concerning any Mark. You agree to sign any documents and take any other reasonable action that, in the opinion of our attorneys, are necessary or advisable to protect and maintain our interests in any litigation or Patent and Trademark Office or other proceeding or otherwise to protect and maintain our interests in the Marks. We will reimburse your costs for taking any requested action.

D. Discontinuance of Use of Marks. If it becomes advisable at any time in our opinion for us and/or you to modify, discontinue using, and/or replace any Mark and/or to use one or more additional, substitute, or replacement trade or service marks together with or instead of any previously designated Mark, you agree to comply with our directions within a reasonable time after we deliver notice to you. We need not reimburse your direct expenses for the discontinuance or substitution of the Marks by us. We are not responsible for your expenses in modifying, discontinuing or promoting a modified or substituted Mark. Our rights in this Section VI.D. apply to any and all of the Marks (and any portion of any Mark) that this Agreement authorizes you to use. We may exercise these rights at any time and for any reason, business or otherwise, we think best. You acknowledge both our right to take this action and your obligation to comply with our directions.

E. Indemnification for Use of Marks. We agree to reimburse you for all damages, claims, and expenses that you incur or for which you are liable in any proceeding challenging your right to use any Mark or other Intellectual Property under this Agreement, provided your use has been consistent with this Agreement, the Manuals, and Standards and Specifications communicated to you and you have timely notified us of, and comply with our directions in responding to, the proceeding. At our option, we may defend and control the defense of any proceeding arising from your use of any Mark.

You must keep copies of those agreements and send them to us upon request; and

(e) will not sell, trade, or otherwise profit in any way from the Confidential Information, including customer/membership lists, except as authorized by this Agreement.

Confidential Information does not include information, knowledge, or know-how that you can lawfully demonstrate came to your attention before we provided it to you directly or indirectly; that, at the time we disclosed it to you, already had lawfully become generally known in the inventory control industries through publication or communication by others (without violating an obligation to us); that, after we disclose it to you, lawfully becomes generally known in the inventory control industries through publication or communication by others (without violating an obligation to us); or that you independently develop without access to or reliance on our Confidential Information. However, if we include any matter in Confidential Information, anyone who claims that it is not Confidential Information must prove that one of the exclusions provided in Section VII is satisfied.

All ideas, concepts, techniques, or materials relating to a Franchised Business, whether or not protectable intellectual property and whether created by or for you or your owners or employees, must be promptly disclosed to us and will be deemed to be our sole and exclusive property, part of the Sculpture Hospitality franchise system, and works made-for-hire for us. To the extent any item does not qualify as a “work made-for-hire” for us, by this Section VII you assign ownership of that item, and all related rights to that item, to us and agree to take whatever action (including signing assignment or other documents) we request to evidence our ownership or to help us obtain intellectual property rights in the item.

VIII. ACCOUNTING, INSPECTIONS AND RECORDS

A. Maintenance of Books and Records. You shall maintain during the term of this Agreement and shall preserve for not less than seven (7) years from the date of preparation full, complete and accurate books, records and accounts in accordance with the Standards and Specifications and in the form and manner prescribed by us in the Manuals or otherwise in writing.

B. Monthly Reports. During the term of this Agreement, you shall submit to us, certain monthly reports and statements of Client Evaluations in a form prescribed by us in the Manuals, together with such other data or information as we may require, which may include a statement or declaration that you have otherwise not sold any products or services in your Territory that we have not approved, whether or not related to the offerings of the Franchised Business. If you discover an error in any monthly report or statement that you are required to submit with your monthly Royalty Fee, you must notify us within 10 days of your submission of the report or statement to us.

C. Financial and Related Reporting. During the term of this Agreement, you shall, at your expense, submit to us a monthly operating report, which may be unaudited statements, for the Franchised Business in the form prescribed by us. The report shall include, but not be limited to, a statement of the sources of all income. The report shall be due not later than the fifth (5th) day of each month for the preceding month and shall be sent via modem or facsimile machine to us. Within ninety (90) days of the completion of your fiscal year, you shall also prepare, and submit by modem or facsimile, at your expense, an annual financial statement which shall include an income statement prepared in accordance with generally accepted accounting principles and copies of your federal and state tax returns. Each annual financial statement and tax return shall be compiled by an independent certified public accounting firm and signed by your president or treasurer attesting that the statement is true and correct. We also reserve the right to require you to submit to us certified financial statements for any period or periods of any fiscal

year, which shall be certified by your accounting firm and attested to by your treasurer or chief financial officer. You shall also submit to us, upon request, a copy of any of your periodic federal and state sales or income tax returns applicable to the Franchised Business.

D. Other Submissions. You shall also submit to us, for review and auditing, such other forms, and other reports and any and all other information and data as we may reasonably designate, in the form and at the times and places reasonably required by us, upon request and as specified from time to time in the Manuals or otherwise in writing, at any time during the term of this Agreement.

E. Inspection/Accuracy of Audits. We or our designated agents shall have the right at all reasonable times to examine and copy, at our expense, your books, records, receipts and your tax returns. We shall also have the right, at any time, to have an independent audit made of your books and records. If an inspection should reveal that any payments to us have been understated in any report to us, then you shall immediately pay to us, upon demand, the amount understated plus interest calculated at the default rate on a daily basis. If any inspection discloses an understatement in any report of any amount to be paid to us, you shall, in addition to the payment of interest thereon, reimburse us for any and all costs and expenses connected with the inspection (including, without limitation, reasonable accountants' and attorneys' fees). The foregoing remedies shall be in addition to any other remedies available to us hereunder. Additionally, we reserve the right to conduct periodic spot checks to verify the accuracy of audit fees reported. As such, we may request copies of your client invoices to ensure they align with corresponding entries in the system used for calculating royalty fees for billing purposes. Underreporting of royalties constitutes a material breach of this Agreement.

IX. NATIONAL AND LOCAL ADVERTISING

Recognizing the value of national and local advertising, and the importance of the standardization of advertising programs to the furtherance and protection of the Marks, goodwill and public image of the Franchised Businesses, the parties agree as follows:

A. Submission and Approval of Promotional and Marketing Materials. All promotional and marketing materials to be used by you in any medium shall be presented in a dignified manner and shall conform to such standards and requirements as we may specify, from time to time, in the Manuals or otherwise. You shall submit to us for our prior approval, samples of all promotional and marketing materials in whatever forms that you desire to use and that have not been approved within the last three (3) months by us. We shall notify you of our approval or disapproval thereof within ten (10) days from the date of receipt by us of such materials. You shall comply with all revisions to said promotional and marketing materials which we may require prior to approving said promotional and marketing materials. You shall not use any advertising or promotional plans or materials which have not been approved by us, and you shall cease to use any plans or materials promptly upon notice by us. Failure by you to obtain the prior approval of us for all proposed advertising shall be deemed a default of this Agreement in accordance with Section XII. hereof.

B. Marketing Development Fund. We maintain and administer a Marketing Development Fund (the "**Fund**"). During the Term, you must make nonrefundable monthly contributions to the Marketing Development Fund for each Territory where you operate a Franchised Business based upon the number of Establishments within the Territory. During the first six (6) months of the Term, regardless of the type of Territory you operate, you must pay 2% of the evaluation revenue generated per Client. Thereafter, the monthly contribution you must pay is equal to the greater of (a) 2% of the evaluation revenue generated per Client or (b) the following amounts depending on the type of Territory and size of the Territory:

Months of the Term	150 Territory*	250 Territory*	500 Territory*
Each of Months 7 through 12 during the first year of the Term	\$60	\$90	\$90
Each Month in the 2nd year of the Term	\$150	\$270	\$270
Each Month in the 3rd year of the Term	\$234	\$366	\$396

*The number associated with the Territory means the approximate number of Establishments in the Territory.

The Marketing Development Fund has been established to help strengthen advertising, marketing, customer relationship management (CRMS), and public relations initiatives while safeguarding and elevating our distinctive Marks and Systems. We exercise exclusive oversight regarding the creative ideation, graphic design, media selection, and endorsements for all Fund-sponsored activities, as well as their targeted placement across various geographies, markets, and media channels. Currently, we do not charge a set-up or ongoing fee to enable you to utilize the CRMS, however, we may do so in the future. The ongoing fee for CRMS, if instituted will most likely be a pass-through, limiting the cost to our actual cost of providing the CRMS.

The Fund facilitates the creation and production of multimedia content, including video, audio, and written materials, along with the development, operation, and maintenance of a comprehensive franchise system website, intranet, extranet, and related strategies. In addition, it will orchestrate national, regional, multi-regional, and local marketing and advertising campaigns, encompassing media purchases, direct mail, online advertising, and social media promotions, among others. Furthermore, the Fund will actively engage in market research, customer satisfaction surveys, and various advertising, promotion, graphic design, and marketing endeavors, collaborating with expert agencies and advisors as needed.

Our commitment extends to supporting public relations efforts, enlisting the services of celebrities and public figures for franchise endorsements, utilizing "mystery shop" services, customizing advertising materials for local Franchised Businesses, and pursuing a spectrum of brand and design enhancement activities.

We are not obligated to allocate expenditures in direct proportion to individual franchisee contributions, nor do we guarantee specific benefits for any franchisee based on Fund expenditures. Additionally, there is no obligation to allocate a specific budget for advertising within your Territory.

Periodically, the Fund will provide you with complimentary samples of advertising, marketing, CRMS, and promotional materials. If you wish to obtain additional copies, they will be available for purchase at cost, inclusive of associated production, shipping, handling, and storage expenses.

We will account for the Fund separately from our other monies and not use the Fund for any of our general operating expenses. However, we may use the Fund to pay the reasonable salaries and benefits of personnel who manage and administer the Fund; the Fund's other administrative costs; travel expenses of personnel while they are on Fund business; meeting costs; overhead relating to Fund business; and other expenses that we incur in activities reasonably related to administering and directing the Fund and its programs, including, without limitation, conducting market research, public relations, preparing advertising and marketing materials, conducting promotions, managing CRMS, and collecting and accounting for Fund contributions.

The Fund is not our asset. The Fund is not a trust. We will hold all Fund contributions for the benefit of the contributors and use contributions for the purposes described in this Subsection IX.B. We do not owe any fiduciary obligation to you for administering the Fund or any other reason. The Fund may spend in any fiscal year more or less than the total Fund contributions in that year, borrow from us or others (paying reasonable interest) to cover deficits, or invest any surplus for future use. We will use all interest earned on Fund contributions to pay costs before using the Fund's other assets. Company- owned businesses are not obligated to make any contributions to the Fund but currently make contributions to the Fund in the same manner as our franchisees.

We will prepare an annual, unaudited statement of the Fund collections and expenses and give you a copy of the statement upon written request. We may, within our sole discretion, have the Fund audited annually, at the Fund's expense, by an independent certified public accountant we select. We may incorporate the Fund or operate it through a separate entity whenever we deem appropriate. The successor entity will have all of the rights and duties specified in this Section IX.B. of the Franchise Agreement.

We intend the Fund to maximize recognition of the Marks, enhance system protection of the Marks, and increase patronage of Franchised Businesses. Although we will try to use the Fund to develop advertising, CRMS, and marketing materials and programs, and to execute advertising, marketing, and research activities, that will benefit all Franchised Businesses, we have no requirement or obligation to ensure that Fund expenditures in or affecting any geographic area are proportionate or equivalent to Fund contributions by the Franchised Business operating in that geographic area or that any Franchised Business benefits directly or in proportion to its Fund contributions from the development of advertising, CRMS, and marketing materials or the execution of advertising, marketing, and research activities. The Fund will not be used principally to develop materials and programs to solicit franchisees. However, media, materials, and programs, including a franchise system website, prepared using Fund contributions may describe our franchise program, reference the availability of franchises and related information, and process franchise leads.

We have the right, but no obligation, to use collection agents and institute legal proceedings at the Fund's expense to collect Fund contributions. We also may forgive, waive, settle, and compromise all claims by or against the Fund. Except as expressly provided in this Subsection, we assume no direct or indirect liability or obligation to you for collecting amounts due to, maintaining, directing, or administering the Fund.

We may at any time defer or reduce contributions of the Franchised Business and, upon thirty (30) days' prior written notice to you, reduce or suspend Fund contributions and operations for one or more periods of any length and terminate (and, if terminated, reinstate) the Fund. If we terminate the Fund, at our option, we can expend all remaining Fund monies on permitted activities or distribute all unspent monies to our franchisees, and to us and our affiliates, in proportion to their, and our, respective Fund contributions during the preceding twelve (12) month period.

C. Centralized Marketing Program. This program is intended to help establish both brand awareness and brand compliance. In addition to making payments to the Marketing Development Fund, all franchisees are required to participate in our Centralized Marketing Program at a cost of \$40 per month payable at the same time and in the same manner, as when you make other monthly payments to us under the Franchise Agreement. There is also a mandatory one-time set-up fee of \$150. With this Centralized Marketing Program, we will set up your Business Facebook page, set up your Google My Business profile,

create your personalized franchise web page, pull a base list and/or upload your database list (if applicable) into our marketing platform for our monthly marketing emails and set-up your branded email signature.

To participate in the Centralized Marketing Program, we require the right to access the administrative privileges of your social media accounts. This is solely for the purpose of ensuring brand compliance across all digital platforms. By granting us access, we can oversee and maintain uniformity and integrity of the brand's representation across various social media channels. This provision is essential for upholding the brand's standard and ensuring consistency in messaging and visual identity, ultimately contributing to the overall success and reputation of the franchise.

D. Your Local Marketing. In addition to your Marketing Development Fund contribution obligation under Section IX.B. above, unless we agree otherwise, you must spend each year during the term of this Agreement, in the manner we approve, at least three percent (3%) of "Gross Sales" on a monthly basis, to market and promote your Franchised Business locally. For purposes of this Agreement "Gross Sales" shall mean the total of all revenues generated by you in connection with the Franchised Business, directly or indirectly, less sales, use or service taxes actually collected and paid to the appropriate taxing authorities. You agree to send us, in the manner we prescribe, an accounting of your expenditures for local marketing and promotion during the immediately preceding month. You agree to consult with us each year, as often as we deem reasonably necessary, to devise and implement a local marketing plan for your Franchised Business for that year and subsequent years of the term of this Agreement. At our request, you must send us, in the manner we prescribe (including with receipts), an accounting of your expenditures for advertising, marketing, and promotion for the period we specify. We may require you to purchase from us, our affiliates and/or unaffiliated vendors advertising, marketing, and CRMS materials, brochures, and flyers. We may require you to access third party websites for such approved materials and to customize those materials for the Franchised Business. During the term of this Agreement, we may designate which expenditures will, or will not, count toward your required advertising expenditures under this Section IX.D. For example, your costs of purchasing and mailing Sculpture Hospitality marketing materials to circulate within and outside the Territory, and your costs of acquiring mailing lists (which we may require you to obtain from or through us) are excluded from the minimum percentage local marketing expenditure specified above. We agree that if you have met your minimum leasing requirements and Client Evaluation requirements under this Agreement during any full year of the term of this Agreement, then for the next succeeding full year of the term, you shall not be required to fulfill the local marketing expense amount set forth above.

Your local advertising, marketing, and promotion must follow our guidelines. All advertising, marketing and promotional materials that you develop for your Franchised Business must contain notices of the franchise system website's domain name in the manner we designate. You may not develop, maintain, provide mutual links to, or authorize any website that mentions or describes you or the Franchised Business or displays any of the Marks. You agree that your advertising, promotion, CRMS, research, and marketing will be completely clear, factual, and not misleading and conform to both the highest standards of ethical advertising and marketing and the advertising and marketing policies that we prescribe from time to time.

We have the right to audit any local marketing and advertising you conduct for the Franchised Business to confirm your compliance with this Section IX.D. If you fail to comply with these obligations, you agree that we have the right to require you to pay us the amount of the required local marketing expenditure (three percent (3%) of your Gross Sales) that is not spent on a monthly basis. We may determine how best to spend those funds including, but not limited to, depositing those monies into the Fund.

With the introduction of the Centralized Marketing Program, we agree that the advertising spend you contribute to this program and actually spend under it will reduce, on a dollar for dollar basis, your

local marketing requirement for the month in which the Centralized Marketing Program uses such contributions.

In the event we provide you with a client lead, you are required to confirm in writing for us within 48 hours after receiving the lead, that you received the lead and have made initial contact with the prospective customer.

X. INSURANCE

A. Procurement. You shall procure, within the timetable provided by us in the Manuals, and thereafter maintain in full force and effect during the term of this Agreement, at your expense, an insurance policy or policies protecting you and us, and our respective officers, directors, partners and employees, against any loss, liability, personal injury, death, property damage or expense whatsoever from fire, lightning, theft, vandalism, malicious mischief and the perils included in the extended coverage endorsement, arising or occurring upon or in connection with the Franchised Business, or by reason of the operation or occupancy of the Franchised Business, as well as such other insurance applicable to such other special risks, if any, as we may reasonably require for our own and your protection. You shall be obligated to procure such insurance and to submit copies of such policies to us prior to the commencement of training.

B. Minimum Coverage. Such policy or policies shall be written by an insurance company satisfactory to us in accordance with the standards and specifications set forth in the Manuals or otherwise in writing, and shall include, but shall not be limited to, the following:

1. Comprehensive General Liability insurance and Errors and Omissions insurance covering the operation of the Franchised Business; and
2. Workers' compensation and employer's liability insurance as well as such other insurance as may be required by statute or rule of the state in which the Franchised Business is located and operated.

The type of insurance and the insurance amounts are subject to change based on inflation or future experience with claims asserted against Franchised Business. We, in our sole discretion, may require additional insurance coverage to be paid for by you. You will be liable for any cost and expenses, including attorneys' fees, incurred by us in connection with any proceedings arising out of compliance with the provisions of the Franchise Agreement relating to insurance. We shall be named as an additional insured in such of your insurance policies as are designated by us.

C. Certificates. Initially and upon each periodic policy renewal, you shall make a request, through your agent and/or carrier, for timely delivery to us of certificates of insurance of all coverage required by us along with evidence that the premiums have been paid. Each such certificate shall contain statements by the insurer that (i) the policy will not be canceled or initially altered without at least thirty (30) days prior written notice to us; and (ii) we are designated as an additional named insured.

D. No Relief of Liability to Us. The procurement and maintenance of such insurance shall not relieve you of any liability to us under any indemnity requirements of this Agreement.

XI. TRANSFER OF INTEREST; OPERATION BY US

A. Transfer by Us. We shall have the right to assign this Agreement, and all of its rights and privileges hereunder without restriction. Specifically, and without limitation to the foregoing, you expressly affirm and agree that we may, among other things, sell our assets and our rights in and to the Marks and the

Standards and Specifications outright to a third party; may go public; may engage in a private placement of some or all of our securities; may merge, acquire other corporations, or be acquired by another corporation; may undertake a refinancing, recapitalization, leveraged buyout or other economic or financial restructuring; and, with regard to any or all of the above sales, assignments and dispositions, you expressly and specifically waive any claims, demands or damages arising from or related to the loss of said Marks (or any variation thereof) and/or the loss of association with or identification of us, our parent or the Sculpture Hospitality franchise system.

Nothing contained in this Agreement shall require us to remain in the beverage inventory control system or to offer similar services, whether or not bearing our Marks, in the event that we exercise our rights hereunder to assign our rights in this Agreement.

B. Transfer by You.

1. You understand and acknowledge that the rights and duties set forth in this Agreement are personal to you (or, if you are an entity, to your owners) and that we have granted you the rights under this Agreement in reliance upon our perception of your (or your owners') individual or collective character, skill, aptitude, business ability and financial capacity. Accordingly, no transfer of this Agreement or any interest in this Agreement, the Franchised Business or all or substantially all of the operating assets of the Franchised Business, or any ownership interest in you, whether directly or indirectly through a transfer of ownership interests in any owner of yours that is an entity and whether in one transaction or a series of related transactions, regardless of the time period over which these transactions take place, may be consummated without our prior written approval and satisfying the applicable conditions of this Section XI., subject to Section XI.D. Any purported assignment or transfer, by operation of law or otherwise, not having our written approval shall be null and void and shall constitute a material breach of this Agreement, for which we may then terminate without opportunity to cure pursuant to Section XII. of this Agreement.

2. We shall not unreasonably withhold our approval to a transfer of any interest in you or in this Agreement; provided, however, that if a transfer, alone or together with other previous, simultaneous or proposed transfers, would have the effect of transferring a controlling interest in you (if you are an entity) or in the Franchised Business, we may, in our sole discretion, require any or all of the following as conditions of its approval:

(a) All of your accrued monetary obligations and all other outstanding obligations to us (our subsidiaries, affiliates, suppliers and vendors) shall be up to date, fully paid and satisfied;

(b) You shall not be in default of any provision of this Agreement, any amendment hereof or successor hereto, any other franchise agreement or other agreement between you and us, or our subsidiaries, affiliates, or suppliers;

(c) You and each of your shareholders, officers and directors shall have executed a general release under seal, in a form satisfactory to us, of any and all claims against us and our officers, directors, shareholders and employees in their corporate and individual capacities, including, without limitation, claims arising under federal, state and local laws, rules and ordinances, provided, however, that you shall not be required to release us for violations of federal and state franchise registration and disclosure laws;

(d) The transferee shall enter into a written assignment, under seal and in a form satisfactory to us, assuming and agreeing to discharge all of your obligations under this Agreement;

and, if your obligations were guaranteed by the transferor, the transferee shall guarantee the performance of all such obligations in writing in a form satisfactory to us;

(e) The transferee shall demonstrate to our satisfaction that the transferee meets our educational, managerial and business standards; possesses a good moral character, business reputation and credit rating; has the aptitude and ability to operate the Franchised Business herein (as may be evidenced by prior related experience or otherwise); has at least the same managerial and financial criteria required of new franchisees and shall have sufficient equity capital to operate the Franchised Business;

(f) At our option, the transferee shall execute (and/or, upon our request, shall cause all interested parties to execute) for a term ending on the expiration date of this Agreement and with such renewal term as may be provided by this Agreement, the standard form of Franchise Agreement then being offered to new franchisees and such other ancillary agreements as we may require for the Franchised Business, which agreements shall supersede this Agreement in all respects and the terms of which agreements may differ from the terms of this Agreement, by including, without limitation, a higher Royalty Fee, higher local marketing expenditure minimums, and the implementation of additional fees;

(g) You shall remain liable for all direct and indirect obligations to us in connection with the Franchised Business prior to the effective date of the transfer and shall continue to remain responsible for its obligations of nondisclosure, noncompetition and indemnification as provided elsewhere in this Agreement and shall execute any and all instruments reasonably requested by us to further evidence such liability;

(h) At our option, the transferee will be required to successfully complete our initial training program;

(i) The transferee shall have signed an Acknowledgment of Receipt of all required legal documents, such as the Disclosure Document and the then-current Franchise Agreement and ancillary agreements; and

(j) You shall pay to us a transfer fee of thirty percent (30%) of the then-current initial franchise fee being charged by us to you. The transfer fee is to cover our administrative expenses and other costs in connection with the proposed transfer and shall be fully payable prior to any such transfer and is nonrefundable.

In the event of a transaction governed by this Section XI.B.2., we reserve the right to require that we facilitate the transfer by holding the consideration payable by the transferee and disbursing the transferor's portion of the consideration sixty (60) business days after the closing of the transfer provided transferee fulfills all training requirements we obligate the transferee to complete and all financial obligations of the transferor or transferee owed to us have been paid in full. You and the transferee agree to execute such documents we prepare which further specify our role as facilitator.

3. For a transfer which does not transfer a controlling interest in you (if you are an entity) or in the Franchised Business, we may, in order to provide our approval, require the transferee fulfill one or more of the conditions set forth in the following subparts of Section XI.B.2.: Sections XI.B.2(a), (b), (c), (h) and (i).

4. You shall grant no security interest in the Franchised Business or in any of its assets unless the secured party agrees that in the event of any default by you under any documents related to the security interest, we shall have the right and option to be substituted as obligor to the secured party

and to cure any default of you. Notwithstanding the foregoing, we shall not be construed as a guarantor or surety for you.

5. You acknowledge and agree that each of the foregoing conditions of transfer which must be met by you and the transferee are necessary and reasonable to assure such transferee's full performance of the obligations hereunder.

C. Additional Requirements – If you are a Corporation or other Entity. The following requirements shall apply to you if you are a corporation, in addition to those requirements set forth elsewhere in this Agreement, the Manuals or otherwise:

1. You shall be a newly organized corporation and your organizational documents (e.g. Articles of Incorporation or Articles of Organization) shall at all times provide that your activities are confined exclusively to operating the Franchised Business herein.

2. Copies of your organizational documents and other governing documents, and any amendments thereto, including appropriate resolutions of your governing body (e.g. Board of Directors or managing member) authorizing entry into this Agreement, shall be promptly furnished to us.

D. Our Right of First Refusal.

1. Any party who holds an interest (as reasonably determined by us) in you or in the Franchised Business and who desires to accept any written bona fide offer from a third party to purchase his interest shall notify us in writing of each such offer and, except as otherwise provided herein, we shall have the right and option, exercisable within sixty (60) days after receipt of such written notification, to send written notice to the seller that we intend to purchase the seller's interest on the same terms and conditions offered by the third party. Any material change in the terms of any offer prior to closing shall constitute a new offer subject to the same right of first refusal by us as in the case of an initial offer. In the event that we elect to purchase the seller's interest, closing on such purchase must occur by the later of: (a) the closing date specified in the third party offer; or (b) within sixty (60) days from the date of notice to the seller of our election to purchase. Failure by us to exercise the option afforded by this Section XI.D. shall not constitute a waiver of any other provision of this Agreement, including all of the requirements of this Section XI. with respect to a proposed transfer.

2. In the event the consideration, terms and/or conditions offered by a third party are such that we may not reasonably be required to furnish the same consideration, terms and/or conditions, then we may purchase the Franchised Business proposed to be sold for the reasonable equivalent in cash. If the parties cannot agree within a reasonable time on the reasonable equivalent in cash of the consideration, terms and/or conditions offered by a third party, an independent appraiser shall be designated by us, and his determination shall be final and binding.

E. Transfer Upon Death, Mental Incapacity or Disability. Upon the death, mental incapacity or disability of you or a shareholder of a corporation or a general partner of a partnership which has been formed to own and operate the Franchised Business, we shall consent to the transfer of said interest in you, the Franchised Business and this Agreement to the spouse, heirs or relative by blood or by marriage, shareholder or partner, whether such transfer is made by will or by operation of law, if, in our sole discretion and judgment, such person or persons meet our educational, managerial and business standards; possess a good moral character, business reputation and credit rating; have the aptitude and ability to conduct the Franchised Business herein; have at least the same managerial and financial criteria required by new franchisees and shall have sufficient equity capital to operate the Franchised Business. If said transfer is not approved by us, the executor, administrator or personal representative of such person shall transfer his

interest to a third party approved by us within six (6) months after such death, mental incapacity or disability. Such transfer shall be subject to our right of first refusal and to the same conditions as any inter vivos transfer.

F. Non-Waiver of Claims. Our consent to a transfer of any interest in the Franchised Business shall not constitute a waiver of any claims it may have against the transferring party, and it will not be deemed a waiver of our right to demand exact compliance with any of the terms of this Agreement, or any other agreement to which we and the transferee are parties, by the transferee.

G. Operation of the Franchised Business by Us Upon Happening of Certain Events. In order to prevent any interruption of Franchised Business and any injury to the goodwill and reputation thereof which would cause harm to the Franchised Business and thereby depreciate the value thereof, you hereby authorize us, and our sole option, to operate said Franchised Business for so long as we deem necessary in the event that: (1) any of your principals, directors, shareholders or partners is absent or incapacitated by reason of illness or death, you are not able to effectively manage the Franchised Business; (2) any allegation or claim is made against the Franchised Business, you or any of your principals, directors, shareholders, partners, or employees, involving or relating to misrepresentations or any fraudulent or deceptive practices; or (3) there occurs any other special circumstances, including but not limited to accreditation problems, or contract disputes, we shall operate the Franchised Business pursuant to this Section XI.G., without waiving any other rights or remedies we may have under this Agreement. All revenues from the operation of the Franchised Business during such period of operation by us will be kept in a separate account, and the expenses of the Franchised Business, including reasonable compensation and expenses for our operating representative, will be charged to said account. If, as herein provided, we elect to temporarily operate the Franchised Business on behalf of you, you hereby agree to indemnify and hold harmless from any and all claims arising from the acts or omissions of us and our representatives taken in good faith. It is the intent of this Section XI.G. of the Franchise Agreement to prevent any interruptions of the business of the Franchised Business and/or injury to the goodwill and reputation thereof which could cause harm to the Franchised Business or the Systems and potentially depreciate the value thereof. You are also required to provide to us or our designee (including, without limitation, your Regional Director) all data files associated with your Franchised Business in order to facilitate a smooth transition of the Franchised Business to us.

XII. DEFAULT AND TERMINATION

As a matter of policy, we shall make every good faith effort to avoid terminating this Agreement without having first employed all reasonable steps hereunder to cause you to correct and cure any default. Furthermore, the terms and conditions regarding default and termination contained herein shall be subject to any applicable state statutes or regulations regarding the termination of a franchise.

A. Default With No Opportunity to Cure. You shall be deemed to be in default and we may, at our option, terminate this Agreement and all rights granted hereunder, without affording you any opportunity to cure the default, effective immediately upon receipt of notice from us to you, upon the occurrence of any of the following events:

1. If you, or any of your partners, if you are a partnership, or any of your officers, directors, shareholders, or members, if you are a corporation or limited liability company, becomes insolvent or makes a general assignment for the benefit of creditors, or if a petition in bankruptcy is filed by you or such a petition is filed against and consented to by you, or if you are adjudicated bankrupt, or if a bill in equity or other proceeding for the appointment of a receiver of you or other custodian for your business or assets is filed and consented to by you, or if a receiver or other custodian (permanent or temporary) of your business or assets is appointed by any court of competent jurisdiction, or if proceedings

for a conference with a committee of creditors under any state, federal or foreign law should be instituted by or against you, or if a final judgment remains unsatisfied or of record for thirty (30) days or longer (unless a supersedes bond is filed), or if execution is levied against your operating location or property, or suit to foreclose any lien or mortgage against the premises or equipment is instituted against you and not dismissed within thirty (30) days, or if any substantial real or personal property of the Franchised Business must be sold after levy thereupon by any sheriff, marshal or constable;

2. If you cease to do business, or otherwise forfeit the right to do or transact business in the jurisdiction where the Franchised Business is located;

3. If you attempt to duplicate, tamper with or adulterate any of our proprietary materials;

4. If a threat or danger to public health or safety results from the construction, maintenance or operation of the Franchised Business;

5. If you have made any material misrepresentation or omission in the Franchise Agreement or request for consideration submitted to us in order to determine the eligibility and qualifications of you;

The termination fee is intended to represent the best estimate of the damages to the Sculpture Hospitality brand as a result of the termination of this Agreement including, without limitation, lost Royalties, lost Fund contributions, lost goodwill, loss of representation in the Territory, and expenses we will incur in developing another Sculpture Hospitality franchisee. You and we agree that the termination fee is a reasonable estimate of the damages likely to be suffered by us as a result of the termination of your Franchised Business. If any valid law or regulation governing this Agreement limits your obligation to pay, and our right to receive the termination fee for which you are obligated to pay, then you will be liable to us for any and all damages to our brand as described above we incur, now or in the future, as a result of your breach of this Agreement.

G. Payment of Costs. You shall pay to us all damages, costs and expenses, including reasonable attorneys' fees, incurred by us subsequent to the termination or expiration of this Agreement in obtaining injunctive or other relief for the enforcement of any provision of this Section XIII. or any other obligation under this Agreement.

B. Non-Solicitation and Non-Competition. You have heretofore specifically acknowledged that pursuant to this Agreement, you shall receive an advantage through the valuable specialized training provided under this Agreement, the knowledge of the day-to-day operations of a Franchised Business and access to the Standards and Specifications, the Manuals, Inventory Control System, Systems, trade secrets and Confidential Information (including, without limitation, information regarding the promotional, operational, sales and marketing methods and techniques of the Systems), and (b) the covenants and restrictions in this Section XIV. You covenant that during the term of this Agreement and subject to the post-termination provisions contained herein, and except as otherwise approved in writing

by us, you shall not, either directly or indirectly, for yourself, or through or on behalf of or in conjunction with any person, persons, partners or corporation:

1. Divert or attempt to divert any business or client of the Franchised Business to any competitor, by direct or indirect inducement or otherwise, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Marks and the Systems; or

2. Own, maintain, engage in, be employed by, advise, assist, invest in, franchise, make loans to or have any interest in any business which is the same as or substantially similar to the Franchised Business.

You further covenant that for such two (2) year period, you shall not contact any of the Franchised Business' former clients for the purpose of selling them products or services which are substantially similar to, or competitive with, the Systems or the products and services you offered through your Franchised Business.

If the period of time or the area specified above should be finally adjudged as unreasonable or unenforceable in any proceeding, then the period of time shall be reduced by such number of months or the area shall be reduced by the elimination of such portion thereof or both, so that such restrictions may be enforced in such area and in such time as is adjudged to be reasonable.

D. No Undue Hardship. E. Inapplicability of Restrictions. Sections XIV.B.2. and XIV.C. shall not apply to the ownership by you of less than a five percent (5%) beneficial interest in the outstanding equity securities of any publicly-held corporation.

F. Independence of Covenants. The parties agree that each of the covenants in this Agreement shall be construed as independent of any other covenant or provision of this Agreement. If any or all portions of the covenants in this Section XIV is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an unappealed final decision to which we are a party, you expressly agree to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Agreement.

G. Modification of Covenants. You understand and acknowledge that we shall have the right, in our sole discretion, to reduce the scope of any covenant set forth in this Section XIV. or any portion

thereof, without your consent, effective immediately upon receipt by you of written notice thereof, and you agree that you shall forthwith comply with any covenant as so modified, which shall be fully enforceable notwithstanding the provisions of Section XIV hereof.

H. Enforcement of Covenants. You expressly agree that the existence of any claims you may have against us, whether or not arising from this Agreement, shall not constitute a defense to the enforcement by us of the covenants in this Agreement. You agree to pay all costs and expenses (including reasonable attorneys' fees) incurred by us in connection with the enforcement of the covenants set forth in this Agreement.

I. Injunctive Relief. You acknowledge that your violation of the covenants not to compete contained in this Agreement would result in immediate and irreparable injury to us for which no adequate remedy at law will be available. Accordingly, you hereby consent to the entry of an injunction prohibiting any conduct by you in violation of the terms of the covenants not to compete set forth in this Franchise Agreement. You expressly agree that it may be presumed conclusively that any violation of the terms of said covenants not to compete was accomplished by and through your unlawful utilization of our confidential information, know-how, methods and procedures.

J. Written Agreements. At our request, you shall require and obtain execution of covenants similar to those set forth in this Section XIV. (including covenants applicable upon the termination of a person's relationship with you) from any or all of the following persons: (1) all directors and managers of the Franchised Business and any other personnel employed by you who have received training from us; (2) all officers, directors and holders of a beneficial interest of five percent (5%) or more of the securities of you and of any corporation directly or indirectly controlling you if you are a corporation; and (3) the general partners and any limited partners (including any corporation, and the officers, directors and holders of a beneficial interest of five percent (5%) or more of the securities of any corporation which controls, directly or indirectly, any general or limited partner) if you are a partnership. All covenants required by this Section XIV.J. shall be in forms satisfactory to us, including, without limitation, specific identification of us as a third-party beneficiary of such covenants with the independent right to enforce them. Failure by you to obtain execution of the agreement required by this Section XIV.J. shall constitute a default under Section XII.B. hereof.

K. Financial Ability. You represent and warrant that you have the financial ability to perform the transactions contemplated by this Agreement.

L. No Conflicts. Neither the execution of this Agreement nor the consummation of the transactions contemplated by this Agreement conflict with, result in a breach of, or constitute a default under any agreement to which you are a party or any ruling or obligation to which you are bound.

M. Power and Authority. You have the power and authority to enter into this Agreement and to execute such other documents and to take such actions as are necessary and proper to consummate the terms of this Agreement.

XV. CHANGES AND MODIFICATIONS

We reserve and shall have the sole right to make changes in the Manuals, the Systems and the Marks at any time and without prior notice to you. You shall promptly alter any business materials or related items at your sole cost and expense upon receipt of written notice of such change or modification in order to conform to our revised specifications. In the event that any improvement or addition to the Manuals, the Systems

or the Marks is developed by you and approved by us, then you agree to grant to us an irrevocable, world-wide, exclusive, royalty-free license with the right to sublicense such improvement or addition.

You understand and agree that due to changes in competitive circumstances, presently unforeseen changes in the needs of customers and/or presently unforeseen technological innovations, the Systems must not remain static, in order that it best serve our interests, our franchisees and the Systems. Accordingly, you expressly understand and agree that we may from time to time change the components of the Systems, including but not limited to, altering the programs, services, methods, standards, forms, policies and procedures of the Systems; adding to, deleting from or modifying those programs, products and services which the Franchised Business is authorized to offer; and changing, improving or modifying the Marks. You shall promptly pay, when due, all taxes levied or assessed by any federal, state or local taxing authority and any and all other indebtedness incurred by you in the operation of the Franchised Business. You shall pay to us an amount equal to any sales tax, gross receipts tax or similar tax imposed on us with respect to any payments to us required under this Agreement, unless the tax is credited against income tax otherwise payable by us.

B. Dispute. In the event of any bona fide dispute as to liability for taxes assessed or other indebtedness, you may contest the validity or the amount of the tax or indebtedness in accordance with procedures of the taxing authority or applicable law; provided, however, in no event shall you permit a tax sale or seizure by levy of execution or similar writ or warrant, or attachment by a creditor, to occur against the Franchised Business.

You shall notify us in writing within three (3) days of the commencement of any action, suit or proceeding and of the issuance of any order, writ, injunction, award or decree of any court, agency or other governmental instrumentality which may adversely affect the operation or financial condition of the Franchised Business. Additionally, any and all consumer-related complaints shall be answered by you within fifteen (15) days after receipt thereof or such shorter period of time as may be provided in said complaint. A copy of said answer shall be forwarded to us within three (3) days of the date that said answer is forwarded to the complainant.

XVII. INDEPENDENT CONTRACTOR AND INDEMNIFICATION

A. Independent Contractor.

1. It is understood and agreed by the parties hereto that this Agreement does not create a fiduciary relationship between them, that you shall be an independent contractor, and that nothing in this

Agreement is intended to make either party an agent, legal representative, subsidiary, joint venturer, partner, employee or servant of the other for any purpose whatsoever.

2. During the term of this Agreement and any extensions hereof, you shall hold yourself out to the public as an independent contractor operating the Franchised Business pursuant to a license from us and as an authorized user of the Systems and the Marks which are owned by us. You agree to take such affirmative action as may be necessary to do so, including, without limitation, exhibiting a notice of that fact in a conspicuous place in the premises where the Franchised Business operates. We reserve the right to specify the contents of such notice.

3. We shall not have the power to hire or fire your employees or any other power over your employees as you are an independently owned and operated business, and except as herein expressly provided, we may not control or have access to your funds or the expenditures thereof or in any other way exercise dominion or control over the Franchised Business.

B. Indemnification. It is understood and agreed that nothing in this Agreement authorizes you to make any contract, agreement, warranty or representation on our behalf or to incur any debt or other obligation in our name. We shall in no event assume liability for or be deemed liable hereunder as a result of any such action or by reason of any act or omission of you in your conduct of the Franchised Business or of any claim or judgment arising therefrom. You agree at all times to defend at your own cost and to indemnify and hold harmless to the fullest extent permitted by law us, our parent, the corporate subsidiaries, affiliates, successors, assigns and designees of any such entity, and the respective directors, officers, employees, agents, shareholders, designees, and representatives of each (the “**Indemnified Parties**”) from all losses and expenses incurred in connection with any action, suit, liability, obligation, proceeding, claim, demand, investigation or formal or informal inquiry, regardless of whether any are reduced to judgment, or any settlement thereof which arises out of or is based upon any of the following: (i) Your alleged infringement or any other alleged violation of any patent, trademark, copyright or other proprietary right owned or controlled by third parties; (ii) your alleged violation or breach of any contract, federal, state or local law, regulation, ruling, standard or directive of any industry standard including any allegation that we or another Indemnified Party is a joint employer or otherwise responsible for your acts or omissions relating to your employees; (iii) libel, slander or any other form of defamation by you; (iv) your alleged violation or breach of any warranty, representation, agreement, covenant or obligation in this Agreement; (v) any acts, errors or omissions by you or any of your agents, servants, employees, contractors, partners, proprietors, affiliates, or representatives including, without limitation, those acts that cause injury to person or property; (vi) latent or other defects in the Franchised Business, whether or not discoverable by us or you; (vii) the inaccuracy, lack of authenticity or nondisclosure of any information by any customer of the Franchised Business; (viii) any services or products provided by you at, from or related to the operation of the Franchised Business; (ix) any services or products provided by any affiliated or nonaffiliated participating entity; (x) any action by any customer of the Franchised Business; and any damage to your or our property of the property of our agents or employees or any third person, firm or corporation, whether or not such losses, claims, costs, expenses, damages, or liabilities were actually or allegedly caused wholly or in part through the active or passive negligence of us or any of our agents or employees, or resulted from any strict liability imposed on us or any of our agents or employees. Each Indemnified Party may defend any claim against it at your expense and agree to settlements or take any other remedial, corrective, or other actions. This indemnity will continue in full force and effect subsequent to and notwithstanding this Agreement’s expiration or termination. You agree that a failure to pursue a recovery or mitigate a loss will not reduce or alter the amounts that an Indemnified Party may recover from you under this Section XVII.B.

C. Identification. You shall conspicuously identify yourself and the Franchised Business in all dealings with your clients, contractors, suppliers, public officials and others, as an independent franchisee. You shall place a notice of independent ownership on all forms, business cards, stationery,

advertising, signs and other materials and in such fashion as we may, in our sole and exclusive discretion, specify and require from time to time in our Manuals or otherwise.

D. No False Representations. Except as otherwise expressly authorized by this Agreement, neither party hereto will make any express or implied agreements, warranties, guarantees or representations, incur any debt in the name of or on behalf of the other party, or represent that the relationship between you and us is other than that of you and us. We do not assume any liability, and will not be deemed liable, for any agreements, representations or warranties made by you which are not expressly authorized under this Agreement. We will not be obligated for any damages to any person or property which directly or indirectly arise from or relate to the operation of the Franchised Business.

XVIII. APPROVALS AND WAIVERS

A. Written Consent. Whenever this Agreement requires the prior approval or consent of us, you shall make a timely written request for such approval to us, and the only valid approval or consent shall be in writing signed by or on behalf of us.

B. No Waiver. No failure by us to exercise any power reserved to us by this Agreement, or to insist upon strict compliance by you with any obligation or condition hereunder, and no custom or practice of the parties at variance with the terms hereof, shall constitute a waiver of our right to demand exact compliance with any of the terms herein. Waiver by us of any particular default by you shall not affect or impair our rights with respect to any subsequent default of the same, similar or different nature. No delay, forbearance or omission of us to exercise any power or right arising out of any breach or default by you of any of the terms, provisions or covenants hereof shall affect or impair our right to exercise the same, and no such delay, forbearance or omission shall constitute a waiver by us of any right hereunder or of the right to declare any subsequent breach or default and to terminate this Franchise Agreement prior to the expiration of its term. Subsequent acceptance by us of any payments due to us hereunder shall not be deemed to be a waiver by us of any preceding breach by you of any terms, covenants or conditions of this Agreement.

C. Costs and Attorneys' Fees. If we incur any costs or expenses, including, without limitation, attorneys' fees and any collection costs, as a result of your non-compliance with this Agreement, you must promptly reimburse us for all such costs and expenses, even if we do not initiate a formal legal proceeding, and also must reimburse us for costs and expenses incurred in connection with any judicial or arbitration proceeding or action (whether incurred before or after the proceeding or action was commenced) if we prevail in such proceeding or action, or any portion thereof, as determined by the judge or arbitrator, as applicable.

No other representations of us or any third party have induced you to execute this Agreement. No amendment, change or variance from this Agreement shall be binding on the parties hereto unless mutually agreed to by the parties and executed by themselves or their authorized officers or agents in writing, unless otherwise permitted by this Agreement. Nothing in this or any related agreement, however, is intended to disclaim the representations made by us in the Franchise Disclosure Document that was furnished to you by us.

XXII. SEVERABILITY AND CONSTRUCTION

A. Severability. Except as expressly provided to the contrary herein, each section, part, term and/or provision of this Agreement shall be considered severable, and if, for any reason, any section, part, term and/or provision herein is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation by a court or agency having valid jurisdiction, such shall not impair the operation of, or have any other effect upon, such other portions, sections, parts, terms and/or provisions of this Agreement as may remain otherwise intelligible, and the latter shall continue to be given full force and effect and bind the parties hereto, and said invalid sections, parts, terms and/or provisions shall be deemed not to be a part of this Agreement; provided, however, that if we determine that such finding of invalidity or illegality adversely affects the basic consideration of this Agreement, we, at our option, may terminate this Agreement.

B. Covenants. You expressly agree to be bound by any promise or covenant imposing the maximum duty permitted by law which is subsumed within the terms of any provision hereof, as though it were separately articulated in and made a part of this Agreement, that may result from striking from any of the provisions hereof any portion or portions which a court may hold to be unreasonable and unenforceable in a final decision to which we are a party, or from reducing the scope of any promise or covenant to the extent required to comply with such a court order.

C. Captions. All captions in this Agreement are intended solely for the convenience of the parties, and none of the captions shall be deemed to affect the meaning or construction of any provision hereof.

D. References. All references herein to the masculine, neuter or singular shall be construed to include the masculine, feminine, neuter or plural, where applicable, and all acknowledgments, promises, covenants, agreements and obligations herein made or undertaken by you shall be deemed jointly and

F. No Off-Sets; Cumulative Rights. You may not take any off-sets from any amounts due us or our affiliates under this Agreement or any other agreements. Our and your rights under this Agreement are cumulative, and no exercise or enforcement of any right or remedy shall preclude our or your exercise or enforcement of any other right or remedy under this Agreement which we or you are entitled by law to exercise or enforce.

G. Exercise of Our Business Judgment. We have the right, in our sole judgment, to operate, develop and change the Sculpture Hospitality network or system in any manner that is not specifically prohibited by this Agreement. Whenever we have reserved in this Agreement a right to take or withhold an action, or to grant or decline to grant you a right to take or omit an action, we may, except as otherwise specifically provided in this Agreement, make our decision or exercise our rights based on the information readily available to us and our judgment of what is in our and/or the Sculpture Hospitality network's best interests at the time our decision is made, regardless of whether we could have made other reasonable or even arguably preferable alternative decisions or whether our decision or the action we take promotes our financial or other individual interest.

H. Time. Time is of the essence of this Agreement and each and every provision.

XXIII. APPLICABLE LAW

A. Governing Law. Except to the extent governed by the Federal Arbitration Act (9 U.S.C. §§ 1 et seq.), the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Sections 1051 et seq.) or other United States federal law, all controversies, disputes or claims arising from or relating to this Agreement or any other agreement between you (or your owners) and us, our relationship with you, the validity of this Agreement or any other agreement between you (or your owners) and us, will be governed by the laws of the Province of Ontario, without regard to its conflict of laws rules, except that any law regulating the offer or sale of franchises, business opportunities or similar interests or governing the relationship between us and you will not apply unless its jurisdictional requirements are met independently without reference to this Section XXIII.A.

B. Jurisdiction and Venue. Subject to Sections XXIV.B., XVIII.D., XVIII.E., and XVIII.F., you and your owners agree that all actions arising under this Agreement or otherwise as a result of the relationship between you and us must be commenced only in a provincial courts in Ontario, and you (and each owner) irrevocably submit to the jurisdiction of those courts and waive any objection you (or the owner) might have to either the jurisdiction of or venue in those courts. Nonetheless, you and your owners

agree that we may enforce this Agreement and any arbitration orders and awards in the courts of the jurisdiction in which you are domiciled or the Franchised Business is located.

C. Remedy. No right or remedy conferred upon or reserved by us or you by this Agreement is intended and it shall not be deemed to be exclusive of any other right or remedy provided or permitted herein, by law or at equity, but each right or remedy shall be cumulative of every other right or remedy.

D. Injunctive Relief. Nothing herein contained shall bar our right to obtain injunctive relief against threatened conduct that will cause us loss or damage under the usual equity rules, including the applicable rules for obtaining restraining orders and preliminary injunctions.

XXIV. DISPUTE RESOLUTION/ARBITRATION

Any dispute arising out of or relating to this Agreement, any provision of this Agreement, or any aspect of our and your relationship shall be resolved in accordance with the procedures specified in this Section XXIV, which shall be the sole and exclusive procedures for the resolution of such disputes. Each party shall continue to abide by the terms of this Agreement pending final resolution of any dispute arising out of or relating to this Agreement, unless to do so would be impossible or impracticable under the circumstances.

A. Informal Resolution. Upon becoming aware of the existence of a dispute, a party to this Agreement shall inform the other party in writing of the nature of such dispute. The parties shall have thirty (30) days from receipt of the writing to attempt in good faith to resolve any such dispute promptly by negotiation between executives who have authority to settle the controversy. All negotiations pursuant to this Section XXIV.A. shall be confidential and shall be treated as compromise and settlement negotiations for purposes of the applicable rules of evidence. In the event the dispute cannot be resolved by the parties, it shall then be submitted to arbitration, pursuant to Section XXIV.B. below.

B. Arbitration. All disputes between us and our affiliates, and our and their respective owners, officers, directors, agents, and employees, and you (and/or your owners, guarantors, affiliates, officers, directors, agents, and employees, if applicable) arising out of or related to this Agreement or any provision of this Agreement (including the validity and scope of the arbitration obligation under this Subsection, which we and you acknowledge is to be determined by an arbitrator, not a court), any other agreement between us or our affiliate and you, or any aspect of our and your relationship, shall be finally settled under the Rules of Arbitration of the International Center for Dispute Resolution in accordance with the said Rules. The place of the arbitration shall be Toronto, Canada. The number of arbitrators shall be one (1) regardless of the amount of the claim. The arbitrator shall have no authority to select a different locale for the arbitration. Judgment upon the award may be entered in any court of competent jurisdiction.

We and you agree to be bound by the provisions of any limitation on the period of time in which claims must be brought under applicable law or this Agreement, whichever expires earlier. We and you further agree that, in any arbitration proceeding, each party must submit or file any claim which would constitute a compulsory counterclaim (as defined by Rule 13 of the Federal Rules of Civil Procedure) within the same proceeding as the claim to which it relates. Any claim which is not submitted or filed as required is forever barred. The arbitrator may not consider any settlement discussions or offers that might have been made by either you or us and shall not have the right to declare any Mark generic or otherwise invalid. We and you and your owners waive to the fullest extent permitted by law any right to or claim for any punitive or exemplary damages against the other and agree that, in the event of a dispute between you and us, the party making a claim will be limited to equitable relief and to recovery of any actual damages he, she, or it sustains. We reserve the right, but have no obligation, to advance your share of the costs (excluding attorneys' fees) of any arbitration proceeding in order for such arbitration proceeding to take place and by

doing so shall not be deemed to have waived or relinquished our right to seek the recovery of those costs in accordance with Section XVIII.C. above.

Arbitration must be conducted on an individual, not a class-wide, basis; only we (and/or our affiliates, and our and their respective owners, officers, directors, agents, and employees) and you (and/or your owners, guarantors, affiliates, officers, directors, agents, and employees, if applicable) may be the parties to any arbitration proceeding described in this Subsection; and no such arbitration proceeding may be consolidated with any other arbitration proceeding between us and any other person, corporation, limited liability company, or partnership. Notwithstanding the foregoing or anything to the contrary in this Section XXIV.B. or Section XXII.A., if any court or arbitrator determines that all or any part of the preceding sentence is unenforceable with respect to a dispute that otherwise would be subject to arbitration under this Section XXIV.B., then all parties agree that this arbitration clause shall not apply to that dispute and that such dispute shall be resolved in a judicial proceeding in a court permitted under Section XXIII. of this Agreement.

Notwithstanding anything to the contrary contained in Section XXIV.B., we and you each have the right in a proper case to seek temporary restraining orders and temporary or preliminary injunctive relief from a court of competent jurisdiction; provided, however, that we and you agree to contemporaneously submit our dispute for arbitration on the merits according to this Section XXIV.B. The provisions of this Section XXIV.B. will continue in full force and effect notwithstanding the termination or expiration of this Agreement.

XXV. SURVIVAL

It is agreed by the parties that whenever performance by a party is contemplated to extend beyond the termination of this Agreement, such performance obligation shall survive the termination of this Agreement.

XXVI. COMPLIANCE WITH ANTI-TERRORISM LAWS

You and your owners agree to comply, and to assist us to the fullest extent possible in our efforts to comply, with Anti-Terrorism Laws (defined below). In connection with that compliance, you and your owners certify, represent, and warrant that none of your property or interests is subject to being blocked under, and that you and your owners otherwise are not in violation of, any of the Anti-Terrorism Laws. “**Anti-Terrorism Laws**” mean Executive Order 13224 issued by the President of the United States, the USA PATRIOT Act, and all other present and future federal, state, and local laws, ordinances, regulations, policies, lists, and other requirements of any governmental authority addressing or in any way relating to terrorist acts and acts of war. Any violation of the Anti-Terrorism Laws by you or your owners, or any blocking of your or your owners’ assets under the Anti-Terrorism Laws, shall constitute good cause for immediate termination of this Agreement, as provided in Section XII.A.22. above.

4. We have spoken to other franchisees of this system before deciding to purchase a franchise.

SECTION B

We acknowledge:

1. That you have independently investigated the Franchised Business opportunity and recognize that, like any other business, the nature of a Franchised Business will evolve and change over time.

2. That an investment in a Franchised Business involves business risks that could result in the loss of a significant portion or all of your investment.

3. That the business abilities and efforts of your owners and other principals, management, and staff are vital to your success.

4. That attracting and retaining clients for your Franchised Business will require you to provide quality services, to sell quality products, to have a high level of customer service, and to adhere strictly to our Standards and Specifications. 5. That you have not received from us, and are not relying upon, any representations or guarantees, express or implied, as to the potential volume, sales, income, or profits of a Franchised Business, that any information you have acquired from other Franchised Businesses regarding their sales, income, profits, or cash flows was not information obtained from us, and that we make no representation about that information's accuracy.

6. That we make no representation regarding any particular service or product being authorized or made available for Franchised Businesses during the entire franchise term and any renewal term.

7. That in all of our dealings with you, our officers, directors, employees, and agents act only in a representative, and not in an individual, capacity and that business dealings between you and them as a result of this Agreement are deemed to be only between you and us.

LOCAL ADDENDUM

NO WAIVER OR DISCLAIMER OF RELIANCE IN CERTAIN STATES.

The following provision applies only to franchisees and franchises that are subject to the state franchise registration/disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington or Wisconsin:

No statement, questionnaire or acknowledgement signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on our behalf. This provision supersedes any other term of any document executed in connection with the franchise.

SHH GROUP, LLC
ADDENDUM TO FRANCHISE AGREEMENT
(California)

The following Addendum modifies and supersedes the SHH Group, LLC Franchise Agreement (the "Agreement") with respect to Franchised Businesses offered or sold to either a resident of the State of California or a non-resident who will be operating a Franchised Business in the State of California pursuant to the California Franchise Investment Law §§ 31000 through 31516, and the California Franchise Relations Act, California Business and Professions Code §§ 20000 through 20043, as follows:

1. If any of the provisions of the Agreement concerning termination and non-renewal of a franchise are inconsistent with either the California Franchise Relations Act or with the federal bankruptcy law (11 U.S.C. §101, et seq.) (concerning termination of the Agreement on certain bankruptcy-related events), then such laws will apply.
2. The Agreement requires that it be governed by Delaware law. This requirement may be unenforceable under California law.
3. You must sign a general release if you renew or transfer your franchise. California Corporations Code 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code 31000 through 31516). Business and Professions Code 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code 20000 through 20043).
4. The Agreement requires a shortened statute of limitations period. Pursuant to Corporations Code Section 31512, this provision is void, to the extent that it is inconsistent with the provisions of Corporations Code Sections 31303 and 31304.
5. The Agreement contains a covenant not to compete, which extends beyond the termination of the franchise. A contract that restrains a former franchisee from engaging in a lawful trade or business is to that extent void under California Business and Professions Code Section 16600.
6. The Agreement requires binding arbitration. The arbitration will occur in Chicago, Illinois with the costs being borne equally by us and you. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.
7. For franchisees operating outlets located in California, the California Franchise Investment Law and the California Franchise Relations Act will apply regardless of the choice of law or dispute resolution venue stated elsewhere. Any language in the Franchise Agreement or any amendment thereto or any agreement to the contrary is superseded by this condition.
8. To the extent this Addendum is inconsistent with any terms or conditions of the Agreement or the Exhibits or Schedules thereto, the terms of this Addendum shall govern.

IN WITNESS WHEREOF, the parties hereto have duly executed, sealed and delivered this Addendum dated this _____ day of _____, 20____.

Stat. §§ 482E, et seq., as follows:

1. Sections II.C., II.D., and XI.B. of the Agreement each contain a provision requiring a general release as a condition of renewal and transfer of the franchise. Such release will exclude claims arising under the Hawaii Franchise Investment Law.
2. Sections II., XI., and XII. of the Agreement as they relate to non-renewal, termination, and transfer are only applicable if they are not inconsistent with the Hawaii Franchise Investment Law. Otherwise, the Hawaii Franchise Investment Law will control.

1. The Agreement contains a covenant not to compete that extends beyond the termination of the franchise. This provision may not be enforceable under Indiana law.
2. Under Section XVII.B. of the Agreement, you will not be required to indemnify us for any liability imposed on us as a result of your reliance on or use of procedures and materials which we required, if such procedures were utilized by you in the manner required by us.
3. Sections II.C., II.D., and XI.B. of the Agreement each contain a provision requiring a general release as a condition of renewal and transfer of the franchise. Each provision is inapplicable under the Indiana Deceptive Franchise Practices Law, IC § 23-2-2.7-1(5).
4. Section XXIV.B. of the Agreement is amended to provide that arbitration between us and you will be conducted at a mutually agreed-on location.
5. Section XXIII. of the Agreement is amended to provide that in the event of a conflict of law, the Indiana Franchise Disclosure Law and the Indiana Deceptive Franchise Practices Law will prevail.
6. Nothing in the Agreement will abrogate or reduce any rights you have under Indiana law.
7. We and you agree to be bound by the provisions of any limitation on the period of time in which claims must be brought under applicable law or this Agreement, whichever expires earlier.
8. Each provision of this Addendum will be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Indiana Franchise Disclosure Law and the Indiana Deceptive Franchise Practices Act are met independently without reference to this Addendum.
9. To the extent this Addendum is inconsistent with any terms or conditions of the Agreement or the Exhibits or Schedules thereto, the terms of this Addendum shall govern.

**SHH GROUP, LLC
ADDENDUM TO FRANCHISE AGREEMENT
(Maryland)**

The following Addendum modifies and supersedes SHH Group, LLC Franchise Agreement (the “Agreement”) with respect to Franchised Businesses offered or sold to either a resident of the State of Maryland or a non-resident who will be operating a Franchised Business in the State of Maryland pursuant to the Maryland Franchise Registration and Disclosure Law, MD. BUS. REG. CODE ANN. §14-201 et. seq. (2010 Repl. Vol. and Supp. 2012), as follows:

1. Section IV.A. of the Agreement is amended by the addition of the following paragraph at the end of the Section:

Based on our financial condition, the Maryland Securities Commissioner has required a financial assurance. Therefore, all initial fees and payments owed by you to us shall be deferred until we complete our pre-opening obligations under this Agreement.

2. The general release language required as a condition of renewal, sale and/or assignment or transfer shall apply except for claims arising under the Maryland Franchise Registration and Disclosure Law.

3. The Franchise Agreement provides for termination upon your bankruptcy. This provision might not be enforceable under federal bankruptcy law (11. U.S.C. Sections 101 et seq.), but we will enforce it to the extent enforceable.

4. You may bring a lawsuit in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law.

5. Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within three years after the grant of your franchise. Any limitation on the period of time arbitration and/or litigation claims must be brought shall not act to reduce the three-year statute of limitations afforded you for bringing a claim arising under the Maryland Franchise Registration and Disclosure Law.

6. The Franchise Agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.

7. Section XXI. of this Agreement is revised to remove the following statement:

No other representations of us or any third party have induced you to execute this Agreement.

8. Your acknowledgments or representations made in Section XXVIII. of this Agreement, which disclaim the occurrence and/or acknowledge the non-occurrence of acts that would constitute a violation of the Franchise Law, are not intended to nor shall they act as release,

estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.

9. Each provision of this Addendum will be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Maryland Franchise Registration and Disclosure Law are met independently without reference to this Addendum.

10. To the extent this Addendum is inconsistent with any terms or conditions of the Agreement or the Exhibits or Schedules thereto, the terms of this Addendum shall govern.

WASHINGTON ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT, THE FRANCHISE AGREEMENT, AND ALL RELATED AGREEMENTS

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.

2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.

3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).

5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.

8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the

franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).

10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).

11. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.

12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.

14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.

15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a “franchise broker” is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

19. **Initial Franchise Fee Deferral.** Section IV.A. of the Agreement is amended by the addition of the following paragraph at the end of the Section:

In lieu of an impound of franchise fees, we will not require or accept the payment of any initial franchise fees until (a) you have received all initial training that you are entitled to under the Franchise Agreement and disclosure document, and (b) your Franchised Business is open for business.

b. Except with respect to Franchised Businesses operated under valid Franchise Agreements with Franchisor, not to directly or indirectly, for himself/herself or through, on behalf of, or in conjunction with any person, partnership, corporation or other entity or association, without the prior written consent of Franchisor, own, maintain, operate, engage in, be employed by or have any financial or beneficial interest in (including any interest in corporations, partnerships, trusts, unincorporated associations or joint ventures), advise, assist or make loans to, any business located within the United States, its territories or commonwealths, or any other country, province, state or geographic area in which Franchisor has used, sought registration of or registered the Marks or the same or similar marks or operates or licenses others to operate a business under the Marks or the same or similar marks, which business is of a character and concept similar to the Franchised Business.

Miscellaneous

1. Franchisee shall make all commercially reasonable efforts to ensure that Representative acts as required by this Agreement.

2. Representative agrees that in the event of a breach of this Agreement, Franchisor would be irreparably injured and be without an adequate remedy at law. Therefore, in the event of

such a breach, or threatened or attempted breach of any of the provisions hereof, Franchisor shall be entitled to enforce the provisions of this Agreement and shall be entitled, in addition to any other remedies which are made available to it at law or in equity, including the right to terminate the Franchise Agreements, to a temporary and/or permanent injunction and a decree for the specific performance of the terms of this Agreement, without the necessity of showing actual or threatened harm and without being required to furnish a bond or other security.

REPRESENTATIVE HEREBY IRREVOCABLY SUBMITS HIMSELF/HERSELF TO THE JURISDICTION OF THE STATE AND FEDERAL DISTRICT COURTS LOCATED IN THE STATE OF DELAWARE. REPRESENTATIVE HEREBY WAIVES ALL QUESTIONS OF PERSONAL JURISDICTION OR VENUE FOR THE PURPOSE OF CARRYING OUT THIS PROVISION. REPRESENTATIVE FURTHER AGREES THAT VENUE FOR ANY PROCEEDING RELATING TO OR ARISING OUT OF THIS AGREEMENT SHALL BE IN THE STATE OF DELAWARE; PROVIDED, HOWEVER, WITH RESPECT TO ANY ACTION WHICH INCLUDES INJUNCTIVE RELIEF OR OTHER EXTRAORDINARY RELIEF, FRANCHISOR OR FRANCHISEE MAY BRING SUCH ACTION IN ANY COURT IN ANY STATE WHICH HAS JURISDICTION.

6. The parties acknowledge and agree that each of the covenants contained herein contain reasonable limitations as to time, geographical area, and scope of activity to be restrained and do not impose a greater restraint than is necessary to protect the goodwill or other business interests of Franchisor. The parties agree that each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Agreement is held unreasonable or unenforceable by a court or agency having valid jurisdiction in any unappealed final decision to which Franchisor is a party, Representative expressly agrees to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Agreement.

7. This Agreement contains the entire agreement of the parties regarding the subject matter hereof. This Agreement may be modified only by a duly authorized writing executed by all parties.

8. Independent Auditor's Report

To the Members of the Board of Directors of SHH Group, LLC

Opinion

We have audited the consolidated financial statements of SHH Group, LLC and its subsidiaries (the "Company"), which comprise the consolidated balance sheets as of December 31, 2024 and 2023, and the related consolidated statements of operations, changes in equity, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2024 and 2023, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from

error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2. Summary of Significant Accounting Policies

Basis of Preparation

The accompanying consolidated financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Principles of Consolidation

The consolidated financial statements include the accounts of SHH Group, LLC and its wholly owned subsidiaries, SHH Group Services Corp., BevTex, LLC, and Sculpture Mid Atlantic, LLC. All material intercompany accounts and transactions are eliminated upon consolidation.

Cash

The Company considers all unrestricted cash accounts that are not subject to withdrawal restrictions or penalties and all highly liquid debt instruments purchased with a maturity of three months or less to be cash or cash equivalents.

Cash is maintained at financial institutions and, at times, balances may exceed federally insured limits. The Company has never experienced any losses related to these balances. All non-interest bearing cash balances are insured up to \$250,000 per depositor at each financial institution, and non-interest bearing cash balances may again exceed federally insured limits.

2. Summary of Significant Accounting Policies - (Continued)

Revenue Recognition

The Company has seven main income streams: royalty fees, franchise fees, audit fees, convention fees, training courses, equipment revenue and application subscription fees.

Step 1 - Identify the contract

Before recognizing revenue, the Company reviews franchise agreements to ensure each party's rights and payment terms are identified, there is commercial substance, and it is probable that the Company will collect the consideration in exchange for the goods or services stated in the agreements.

Step 2 - Identifying performance obligations

The Company has determined that its significant performance obligations include providing the franchisees with continued use of franchise rights, delivering training courses, hosting conventions, delivering equipment, brand development and performing bar audits. A franchise agreement, which typically lists items separately with distinct item descriptions and prices. If an agreement contains a bundle of items priced together as a single price, the Company analyzes the agreement to identify distinct performance obligations within the bundle.

Step 3 - Determining the transaction price

Transaction prices are typically stated in the franchise agreements net of discounts. The Company reviews the franchise agreements for any variable considerations, existence of significant financing components and payables to customers and adjusts transaction prices accordingly.

Step 4 - Allocating the transaction price to performance obligations

A franchise agreement typically includes multiple performance obligations such as providing the franchisees with continued use of franchise rights, delivering training courses, hosting conventions, delivering equipment and brand development to which the transaction price is allocated based on each of their relative stand-alone selling prices. If a stand-alone selling price is not directly observable, the Company estimates the stand-alone selling price of individual elements, based on prices at which the deliverable is regularly sold on a stand-alone basis after considering specific discounts if and where appropriate.

Step 5 - Recognizing revenue upon satisfaction of performance obligations

The timing of revenue recognition is based on when a customer obtains control of an asset, which could be in the form of goods and/or services. Control of an asset refers to the ability to direct the use of, and obtain substantially all of the remaining benefits from the asset. Control includes the ability to prevent other entities from directing the use of, and obtaining the benefits from an asset. The Company reviews the franchise agreements and the nature of performance obligations to determine if a performance obligation is satisfied over time or at a point in time, and recognizes revenue accordingly.

SHH Group, LLC and Subsidiaries
Notes to the Consolidated Financial Statements
(Expressed in U.S. dollars)

December 31, 2024 and 2023

2. Summary of Significant Accounting Policies - (Continued)

Bar audit services are provided to the customers on a stand-alone basis and is the only performance obligation on the contract.

The initial franchise fees including the regional director fees for each relevant agreement are recognized over the term of the respective franchise agreement from the date of signing the franchise agreement.

Renewal fees are recognized over the renewal term for the respective franchise from the start of the renewal period. Transfer fees are recognized over the remaining term of the franchise agreement beginning at the time of the transfer.

Royalty income, audit fees and marketing development fees are recognized over the term of the respective franchise agreement based on the royalties earned in each period as the underlying services are provided by the franchisee.

Revenue from the sale of equipment, training courses and conventions are recognized at a point in time when control over these goods and services is transferred to the franchisees.

Revenue from application subscription are recognized at a point in time as the underlying services are performed by the Company.

Contract Costs

The Company pays commissions as per the terms of its Regional Director Agreements which require such commissions to be paid when a new franchise agreement is obtained by the Regional Directors. Such commissions are Incremental costs of obtaining a contract and are deferred and amortized over the terms of the relevant franchise agreements.

Accounts Receivable and Allowance for Doubtful Debts

Accounts receivable are customer obligations due under normal trade terms. The Company's estimate of the allowance for doubtful accounts for accounts receivable is primarily determined based upon the length of time that the receivables are past due. In addition, management estimates are used to determine probable losses based upon an analysis of prior collection experience, specific account risks and economic conditions. Accounts are deemed noncollectable based on the past account experience and current account financial condition.

Notes Receivable

Notes receivable are related to financing provided to franchisees upon signing of the Franchise Agreement under the normal course of business. Notes receivable were \$579,082 at December 31, 2024 (2023 - \$665,434). The Company evaluates each of its notes receivable individually for the purpose of allowance for doubtful accounts. In addition, it estimates probable losses based upon an analysis of prior collection experience, specific account risks and economic conditions. Accounts are deemed uncollectable based on past account experience and current account financial condition.

2. Summary of Significant Accounting Policies - (Continued)

Contract Liabilities

The Company records amounts related to franchise contract fees which includes initial franchise fees, franchise transfer fees and renewal franchise fees in either deferred revenue or revenue depending on whether the revenue recognition criteria described above have been met.

Property and Equipment

Property and equipment are recorded at cost. Computers, furniture and fixtures, and onsite equipment are depreciated over their estimated useful lives, using the straight-line method for financial reporting and accelerated methods for income tax purposes. Assets that are subject to capitalized lease obligations are depreciated over the lesser of the term of the lease or the estimated useful life of the asset.

The estimated useful life for each asset group is as follows:

	Years
Equipment	3
Furniture	5

At the time depreciable property is retired or otherwise disposed of the related costs and accumulated depreciation are removed from the accounts and any resulting gain or loss reflected in income.

Expenditures for maintenance and repairs which do not materially extend the useful lives of the assets are charged to expense as incurred. The costs of major improvements are capitalized.

Goodwill and Other Intangible Assets

Consideration of impairment of intangible assets, consisting of franchise relationships, externally acquired technology, and goodwill, are accounted for in accordance with ASC Topic 350, "Intangibles - Goodwill and Others" and ASC Topic 360, Property, Plant, and Equipment - Overall - Subsequent Measurement Impairment or Disposal of Long Lived Assets ("ASC 360"). ASC 360 does not permit the amortization of goodwill and indefinite lived intangible assets. Rather, these items must be tested for impairment annually and more frequently when events occur or circumstances change that would indicate the carrying amount may be impaired. Intangible assets that have finite lives are amortized using the straight-line method over their estimated useful lives, which range from five to ten years. The Company has elected to perform its annual impairment analysis of indefinite lived intangible assets at the end of each year.

Leases

The Company accounts for leases in accordance with FASB ASC Topic 842, Leases. The Company determines if an arrangement is a lease at inception. The Company elected the practical expedient available to not separate or allocate consideration to lease and non-lease components separately. Operating lease liabilities are recognized based on the present value of the future minimum lease payments over the lease term at commencement, net of any future tenant incentives. Periods beyond the noncancellable term of the lease are included in the measurement of the lease liability only when it is reasonably certain that the Company will exercise the associated extension option or waive the termination option. The Company does not recognize lease asset and lease liabilities for any lease with an original term of less than one year.

The Company adopted ASU No. 2021-09, Discount for Leases That Are Not Public Business Entities, which allows non-public entities to elect to use a risk-free rate as the discount rate for all leases. As the Company's leases do not provide an implicit rate, the net present value of future minimum payments is determined using the Company's weighted average risk free rate.

The lease right of use (ROU) assets related to the Company's operating leases are recognized based on the lease liability, adjusted for any rent payments or initial direct costs incurred or tenant incentives received prior to commencement. Lease expenses for minimum lease payments for operating leases are recognized on a straight-line basis over the lease term.

Impairment of Long-Lived Assets

The Company reviews its long-lived assets for impairment whenever events or changes in circumstances indicate that the related carrying amounts may not be recoverable. Such a review will involve comparing the carrying value of the assets with the estimated future net undiscounted cash flows expected to result from the use of the assets, including cash flows from disposition. Should the sum of the expected future net cash flows be less than the carrying value, the Company would recognize an impairment loss at that date for the amount by which the carrying amount of the asset exceeds its fair value.

2. Summary of Significant Accounting Policies - (Continued)

Income Taxes

The Company records income taxes under ASC Topic 740, *Income Taxes*, which utilizes the asset and liability method of accounting for income taxes. Under the asset and liability method, deferred income taxes are recognized for the tax consequences of “temporary differences” by applying enacted statutory tax rates to future years’ differences between the financial statement carrying amounts and the tax basis of existing assets and liabilities. Under ASC Topic 740, the effect on deferred taxes of a change in tax rates is recognized in income in the period that includes the enactment date. Tax credits are recognized in the year they become available for tax purposes as a reduction in income taxes.

As SHH Group, LLC is a limited liability company for federal income tax purposes, accordingly, the Company's profits and losses will be reportable by the Members, and as a result, no provision for U.S. income taxes is reflected in the accompanying consolidated financial statements. SHH Group Services Corp. is a Canadian taxable entity. Deferred income tax assets, if any, are recognized only to the extent that, in the opinion of management, it is more likely than not that the assets will be realized.

Foreign Currency Translation

The functional currency for SHH Group is United States (“US”) dollars. Each foreign currency asset, liability, revenue or expense are, at the transaction date, translated into US dollars by the use of the exchange rate in effect at that date. At the year end date, monetary assets and liabilities are translated into US dollars by using the exchange rate in effect at the date and the resulting foreign exchange gains and losses are included in operations in the current year.

Use of Estimates

The preparation of consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses, the determination of the fair value of intangible assets and goodwill, and disclosure of contingent assets and liabilities for the reported periods. On an ongoing basis, the Company evaluates its estimates, including impairment assessments, useful lives of long-lived assets, and income taxes. The Company bases its estimates on historical experience and on various other assumptions that are believed to be reasonable under the circumstances at the time they are made and on an ongoing basis.

Actual results could differ materially from those estimates and assumptions. The most significant estimates made by the Company are those relating to depreciable and amortizable life, impairment of long-lived assets, and uncollectible receivables.

2. Summary of Significant Accounting Policies - (Continued)

Fair Value of Financial Instruments

The Company values its financial instruments as required by ASC 825 "Disclosures about Fair Value of Financial Instruments" by using available market information and appropriate valuation methodologies.

The Company's financial instruments primarily include cash, accounts receivable, notes receivable and accounts payable. These instruments are carried at cost, which is considered to be representative of their respective fair values because of the short-term maturity of these instruments. Long-term debt and amounts due to parent entity are carried at cost using the effective interest rate method, with any resulting discount from the face value being amortized to the Consolidated Statements of Operations.

Contingencies

Certain conditions may exist which could result in a loss to the Company, but which will only be resolved when one or more future events occur or fail to occur. The Company's management and its legal counsel assess such contingent liabilities, and such assessment inherently involves an exercise of judgment.

If the assessment of a contingency indicates that it is probable that a material loss has been incurred and the amount of the liability can be estimated, the estimated liability would be accrued in the Company's consolidated financial statements. If the assessment indicates that a potentially material loss contingency is not probable but is reasonably possible, or is probable but cannot be estimated, the nature of the contingent liability, together with an estimate of the range of possible loss if determinable and material, would be disclosed.

Subsequent Events

In accordance with ASC Topic 855, Subsequent Events, the Company evaluated subsequent events after the balance sheet date of December 31, 2024, through March 31, 2025, the date that the financial statements were available to be issued.

The impact of ASC Subtopic 740-10 was immaterial to the Company's consolidated financial statements.

9. Income Taxes - (Continued)

The Company identified no unrecorded material uncertain tax positions as of December 31, 2024, consequently no interest or penalties have been accrued by the Company. The Company does not anticipate a significant change to unrecognized tax benefits within the next fiscal year.

10. Lease Liability

The Company adopted ASC 842 Leases in the year. Lease commitment under the operating lease for the remaining lease term are as follows:

	2024

The Company amended their property lease agreement in the current year which expires March 31, 2026, and the lease payments were discounted with a 2.95% interest rate.

11. Commitments and Contingencies

Lease Commitments

2025	\$ 7,697
2026	<u>1,985</u>
	<u>\$ 9,682</u>

Legal Contingencies

From time to time, the Company becomes involved in various investigations, claims and legal proceedings that arise in the ordinary course of business. These matters may relate to product liability, employment, intellectual property tax, regulation, contract or other matters. The resolution of these matters as they arise will be subject to various uncertainties outside of managements control and, even when such claims are without merit, could result in the expenditure of financial and managerial resources. While unfavourable outcomes are possible the Company generally does not believe the resolution of such matters result in a material adverse effect on the business, consolidated financial condition, or results of operations.

12. Fair Value Measurements

The Company applies ASC Topic 820 ("ASC 820"), Fair Value Measurements and Disclosures for financial assets and liabilities that are recognized or disclosed at fair value in the consolidated balance sheet on a recurring basis. ASC 820 defines fair value, establishes a framework for measuring fair value as required by other accounting pronouncements, and expands fair value measurement disclosures. Under the standard, fair value refers to the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants in the market in which the reporting entity transacts its business. ASC 820 clarifies the principle that fair value should be based on the assumptions market participants would use when pricing the asset or liability. The statement utilizes a fair value hierarchy that prioritises the inputs to valuation techniques used to measure fair value into three broad levels. The following is a brief description of those three levels:

- Level 1: Observable inputs such as quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: Inputs other than quoted prices that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets and quoted prices for identical or similar assets or liabilities in markets that are not active.
- Level 3: Unobservable inputs that reflect the reporting entity's own assumptions.

As at December 31, 2024 and 2023, there were no assets or liabilities recorded at fair value.

Independent Auditor's Report

To the Members of the Board of Directors of SHH Group, LLC

Opinion

We have audited the consolidated financial statements of SHH Group, LLC and its subsidiaries (the "Company"), which comprise the consolidated balance sheets as of December 31, 2023 and 2022, and the related consolidated statements of operations, changes in equity, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from

error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2. Summary of Significant Accounting Policies - (Continued)

Revenue Recognition

The Company has seven main income streams: royalty fees, franchise fees, audit fees, convention fees, training courses, equipment revenue and application subscription fees.

Step 1 - Identify the contract

Before recognizing revenue, the Company reviews franchise agreements to ensure each party's rights and payment terms are identified, there is commercial substance, and it is probable that the Company will collect the consideration in exchange for the goods or services stated in the agreements.

Step 2 - Identifying performance obligations

The Company has determined that its significant performance obligations include providing the franchisees with continued use of franchise rights, delivering training courses, hosting conventions, delivering equipment, brand development and performing bar audits. A franchise agreement, which typically lists items separately with distinct item descriptions and prices. If an agreement contains a bundle of items priced together as a single price, the Company analyzes the agreement to identify distinct performance obligations within the bundle.

Step 3 - Determining the transaction price

Transaction prices are typically stated in the franchise agreements net of discounts. The Company reviews the franchise agreements for any variable considerations, existence of significant financing components and payables to customers and adjusts transaction prices accordingly.

Step 4 - Allocating the transaction price to performance obligations

A franchise agreement typically includes multiple performance obligations such as providing the franchisees with continued use of franchise rights, delivering training courses, hosting conventions, delivering equipment and brand development to which the transaction price is allocated based on each of their relative stand-alone selling prices. If a stand-alone selling price is not directly observable, the Company estimates the stand-alone selling price of individual elements, based on prices at which the deliverable is regularly sold on a stand-alone basis after considering specific discounts if and where appropriate.

Step 5 - Recognizing revenue upon satisfaction of performance obligations

The timing of revenue recognition is based on when a customer obtains control of an asset, which could be in the form of goods and/or services. Control of an asset refers to the ability to direct the use of, and obtain substantially all of the remaining benefits from the asset. Control includes the ability to prevent other entities from directing the use of, and obtaining the benefits from an asset. The Company reviews the franchise agreements and the nature of performance obligations to determine if a performance obligation is satisfied over time or at a point in time, and recognizes revenue accordingly.

Bar audit services are provided to the customers on a stand-alone basis and is the only performance obligation on the contract.

The initial franchise fees including the regional director fees for each relevant agreement are recognized over the term of the respective franchise agreement from the date of signing the franchise agreement.

Renewal fees are recognized over the renewal term for the respective franchise from the start of the renewal period. Transfer fees are recognized over the remaining term of the franchise agreement beginning at the time of the transfer.

Royalty income, audit fees and marketing development fees are recognized over the term of the respective franchise agreement based on the royalties earned in each period as the underlying services are provided by the franchisee.

Revenue from sale of equipment, training courses and conventions are recognized at a point in time when control over these goods and services is transferred to the franchisees.

Revenue from application subscription are recognized at a point in time as the underlying services are performed by the Company.

Contract Costs

The Company pays commissions as per the terms of its Regional Director Agreements which require such commissions to be paid when a new franchise agreement is obtained by the Regional Directors. Such commissions are Incremental costs of obtaining a contract and are deferred and amortized over the terms of the relevant franchise agreements.

Accounts Receivable and Allowance for Doubtful Debts

Accounts receivable are customer obligations due under normal trade terms. The Company evaluates each of its accounts receivable individually on a monthly basis, and, if necessary, provides an allowance for doubtful accounts. Should collection efforts fail to settle the account, the related receivable is written off against the balance.

Notes Receivable

Notes receivable are related to financing provided to franchisees upon signing of the Franchise Agreement under the normal course of business. Notes receivable were \$665,433 at December 31, 2023 (2022 - \$653,282). The Company evaluates each of its notes receivable individually on a monthly basis, and if necessary, provides an allowance for doubtful notes.

Contract Liabilities

The Company records amounts related to franchise contract fees which includes initial franchise fees, franchise transfer fees and renewal franchise fees in either deferred revenue or revenue depending on whether the revenue recognition criteria described above have been met.

Property and Equipment

Property and equipment are recorded at cost. Computers, furniture and fixtures, and onsite equipment are depreciated over their estimated useful lives, using the straight-line method for financial reporting and accelerated methods for income tax purposes. Assets that are subject to capitalized lease obligations are depreciated over the lesser of the term of the lease or the estimated useful life of the asset.

The estimated useful life for each asset group is as follows:

	Years
Equipment	3
Furniture	5

At the time depreciable property is retired or otherwise disposed of the related costs and accumulated depreciation are removed from the accounts and any resulting gain or loss reflected in income.

Expenditures for maintenance and repairs which do not materially extend the useful lives of the assets are charged to expense as incurred. The costs of major improvements are capitalized.

Goodwill and Other Intangible Assets

Consideration of impairment of intangible assets, consisting of franchise relationships, externally acquired technology, and goodwill, are accounted for in accordance with ASC Topic 350, "Intangibles - Goodwill and Others" and ASC Topic 360, Property, Plant, and Equipment - Overall - Subsequent Measurement Impairment or Disposal of Long Lived Assets ("ASC 360"). ASC 360 does not permit the amortization of goodwill and indefinite lived intangible assets. Rather, these items must be tested for impairment annually and more frequently when events occur or circumstances change that would indicate the carrying amount may be impaired. Intangible assets that have finite lives are amortized using the straight-line method over their estimated useful lives, which range from five to ten years. The Company has elected to perform its annual impairment analysis of indefinite lived intangible assets at the end of each year.

2. Summary of Significant Accounting Policies - (Continued)

Impairment of Long-Lived Assets

The Company reviews its long-lived assets for impairment whenever events or changes in circumstances indicate that the related carrying amounts may not be recoverable. Such a review will involve comparing the carrying value of the assets with the estimated future net undiscounted cash flows expected to result from the use of the assets, including cash flows from disposition. Should the sum of the expected future net cash flows be less than the carrying value, the Company would recognize an impairment loss at that date for the amount by which the carrying amount of the asset exceeds its fair value.

Income Taxes

The Company records income taxes under ASC Topic 740, *Income Taxes*, which utilizes the asset and liability method of accounting for income taxes. Under the asset and liability method, deferred income taxes are recognized for the tax consequences of “temporary differences” by applying enacted statutory tax rates to future years’ differences between the financial statement carrying amounts and the tax basis of existing assets and liabilities. Under ASC Topic 740, the effect on deferred taxes of a change in tax rates is recognized in income in the period that includes the enactment date. Tax credits are recognized in the year they become available for tax purposes as a reduction in income taxes.

As SHH Group, LLC is a limited liability company for federal income tax purposes, accordingly, the Company's profits and losses will be reportable by the Members, and as a result, no provision for U.S. income taxes is reflected in the accompanying consolidated financial statements. SHH Group Services Corp. is a Canadian taxable entity. Deferred income tax assets, if any, are recognized only to the extent that, in the opinion of management, it is more likely than not that the assets will be realized.

Foreign Currency Translation

The functional currency for SHH Group is United States (“US”) dollars. Each foreign currency asset, liability, revenue or expense are, at the transaction date, translated into US dollars by the use of the exchange rate in effect at that date. At the year end date, monetary assets and liabilities are translated into US dollars by using the exchange rate in effect at the date and the resulting foreign exchange gains and losses are included in operations in the current year.

Use of Estimates

The preparation of consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses, the determination of the fair value of intangible assets and goodwill, and disclosure of contingent assets and liabilities for the reported periods.

Actual results could differ materially from those estimates and assumptions. The most significant estimates made by the Company are those relating to depreciable and amortizable life, impairment of long-lived assets, and uncollectible receivables.

Fair Value of Financial Instruments

The Company values its financial instruments as required by ASC 825 "Disclosures about Fair Value of Financial Instruments" by using available market information and appropriate valuation methodologies.

The Company's financial instruments primarily include cash, accounts receivable, notes receivable and accounts payable. These instruments are carried at cost, which is considered to be representative of their respective fair values because of the short-term maturity of these instruments. Long-term debt and amounts due to parent entity are carried at cost using the effective interest rate method, with any resulting discount from the face value being amortized to the Consolidated Statements of Operations.

Contingencies

Certain conditions may exist which could result in a loss to the Company, but which will only be resolved when one or more future events occur or fail to occur. The Company's management and its legal counsel assess such contingent liabilities, and such assessment inherently involves an exercise of judgment.

If the assessment of a contingency indicates that it is probable that a material loss has been incurred and the amount of the liability can be estimated, the estimated liability would be accrued in the Company's consolidated financial statements. If the assessment indicates that a potentially material loss contingency is not probable but is reasonably possible, or is probable but cannot be estimated, the nature of the contingent liability, together with an estimate of the range of possible loss if determinable and material, would be disclosed.

Subsequent Events

In accordance with ASC Topic 855, Subsequent Events, the Company evaluated subsequent events after the balance sheet date of December 31, 2023 through , the date that the financial statements were available to be issued.

Accounting Pronouncements Recently Adopted

Financial Instruments - Credit Losses

In June 2016, the FASB issued ASU 2016-13, "Financial Instruments—Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments". ASU 2016-13 requires instruments measured at amortized cost to be presented at the net amount expected to be collected. Entities are also required to record allowances for available-for-sale debt securities rather than reduce the carrying amount. In February 2022, the FASB issued 2022-02 to defer the effective dates for private companies, not-for-profit organizations and certain smaller reporting companies applying standards on current expected credit losses. The new effective dates are annual periods beginning after December 15, 2022 for current expected credit losses. The Company adopted Current Expected Credit Losses (ASC 326) in 2023 with no significant impact on the consolidated financial statements.

Legal Contingencies

From time to time, the Company becomes involved in various investigations, claims and legal proceedings that arise in the ordinary course of business. These matters may relate to product liability, employment, intellectual property tax, regulation, contract or other matters. The resolution of these matters as they arise will be subject to various uncertainties outside of managements control and, even when such claims are without merit, could result in the expenditure of financial and managerial resources. While unfavourable outcomes are possible the Company generally does not believe the resolution of such matters result in a material adverse effect on the business, consolidated financial condition, or results of operations.

13. Fair Value Measurements

The Company applies ASC Topic 820 ("ASC 820"), Fair Value Measurements and Disclosures for financial assets and liabilities that are recognized or disclosed at fair value in the consolidated balance sheet on a recurring basis. ASC 820 defines fair value, establishes a framework for measuring fair value as required by other accounting pronouncements, and expands fair value measurement disclosures. Under the standard, fair value refers to the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants in the market in which the reporting entity transacts its business. ASC 820 clarifies the principle that fair value should be based on the assumptions market participants would use when pricing the asset or liability. The statement utilizes a fair value hierarchy that prioritises the inputs to valuation techniques used to measure fair value into three broad levels. The following is a brief description of those three levels:

- Level 1: Observable inputs such as quoted prices (unadjusted) in active markets for identical assets or liabilities.
 - Level 2: Inputs other than quoted prices that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets and quoted prices for identical or similar assets or liabilities in markets that are not active.
 - Level 3: Unobservable inputs that reflect the reporting entity's own assumptions.
- As at December 31, 2023 and December 31, 2022, there were no assets or liabilities recorded at fair value.

**ADDENDUM TO
SHH GROUP, LLC
DISCLOSURE DOCUMENT FOR THE
STATES OF CALIFORNIA, HAWAII, ILLINOIS, INDIANA, MARYLAND, MICHIGAN,
MINNESOTA, NEW YORK, NORTH DAKOTA, RHODE ISLAND, SOUTH DAKOTA,
VIRGINIA, WASHINGTON, AND WISCONSIN**

The following provision applies only to franchisees and Sculpture Hospitality Franchised Businesses that are subject to the state franchise disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, and/or Wisconsin:

No statement, questionnaire, or acknowledgement signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (1) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (2) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on behalf of us. This provision supersedes any other term of any document executed in connection with the Franchised Business.

CALIFORNIA ADDENDUM TO DISCLOSURE DOCUMENT

In recognition of the requirements of the California Franchise Investment Law, Cal. Corp. Code §§ 31000-31516, and the California Franchise Relations Act, Cal. Bus. & Prof. Code §§ 20000-20043, the Franchise Disclosure Document for SHH Group, LLC in connection with the offer and sale of licenses for use in the State of California shall be amended to include the following:

The registration of this franchise offering by the California Department of Financial Protection and Innovation does not constitute approval, recommendation, or endorsement by the commissioner.

1. Item 3, "Litigation," shall be supplemented by the addition of the following paragraph after the first paragraph of the Item:

Neither we, nor any person identified in Item 2, is subject to any currently effective injunctive or restrictive order or decree relating to the franchise, or under any federal, state, or Canadian franchise, securities, antitrust, trade regulation, or trade practice law as the result of a concluded or pending action or proceeding brought by a public agency, or to any currently effective order of any national securities association or national securities exchange (as defined in the Securities and Exchange Act of 1934, 15 U.S.C. § 78a, et seq.) suspending or expelling such person from membership in such association or exchange.

2. Item 17, "Renewal, Termination, Transfer and Dispute Resolution," is amended by the addition of the following paragraphs at the end of the Item:

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer or nonrenewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C. § 101, et seq.).

The Franchise Agreement requires application of the laws of the State of Delaware. This provision may not be enforceable under California law.

The Franchise Agreement contains a covenant not to compete, which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

The Franchise Agreement requires binding arbitration. The arbitration will occur in Chicago, Illinois with the costs being borne equally by us and you. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5 Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

3. The following disclosures apply to our California Regional Director(s):

Item 2 is supplemented by the addition of the following at the end of the Item:

Regional Director: Ian Foster

Mr. Foster has been a Regional Director in California since 1995 and a Regional Director for Washington and Oregon since 1992. Mr. Foster has also been President of Quone USA Inc. in San Diego, California since October 1997. Mr. Foster serves in his present capacities in San Diego, California.

Item 3 is supplemented by the addition of the following at the end of the Item:

No litigation regarding California Regional Directors is required to be disclosed in this Item.

Item 4 is supplemented by the addition of the following at the end of the Item:

No bankruptcy information regarding California Regional Directors is required to be disclosed in this Item.

Item 11 shall be supplemented by the addition of the following at the end of the training chart for Phase 2 training:

Mr. Foster has over 25 years of experience as a Regional Director in California, Washington, and Oregon.

4. THE CALIFORNIA INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

5. Before the franchisor can ask you to materially modify your existing franchise agreement, Section 31125 of the Corporations Code requires the franchisor to file a material modification application with the Department that includes a disclosure document showing the existing terms and the proposed new terms of your franchise agreement. Once the application is registered, the franchisor must provide you with that disclosure document with an explanation that the changes are voluntary.

6. You must sign a general release if you renew or transfer your franchise. California Corporations Code 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code 31000 through 31516). Business and Professions Code 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code 20000 through 20043).

7. OUR WEBSITE HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION AT www.dfpi.ca.gov.

8. We may be required to comply with the requirements set forth in the Alcoholic Beverage Control Act.

9. Any interest rate charged to a California franchisee shall comply with the California Constitution. The interest rate shall not exceed either (a) 10% annually or (b) 5% annually plus the prevailing interest rate charged to banks by the Federal Reserve Bank of San Francisco, whichever is higher.

THESE FRANCHISES WILL BE/HAVE BEEN FILED UNDER THE FRANCHISE INVESTMENT LAW OF THE STATE OF HAWAII. FILING DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE DIRECTOR OF REGULATORY AGENCIES OR A FINDING BY THE DIRECTOR OF REGULATORY AGENCIES THAT THE INFORMATION PROVIDED HEREIN IS TRUE, COMPLETE AND NOT MISLEADING. THE FRANCHISE INVESTMENT LAW MAKES IT UNLAWFUL TO OFFER OR SELL ANY FRANCHISE IN THIS STATE WITHOUT FIRST PROVIDING TO THE PROSPECTIVE FRANCHISEE, OR SUBFRANCHISOR, AT LEAST SEVEN DAYS PRIOR TO THE EXECUTION BY THE PROSPECTIVE FRANCHISEE OF ANY BINDING FRANCHISE OR OTHER AGREEMENT, OR AT LEAST SEVEN DAYS PRIOR TO THE PAYMENT OF ANY CONSIDERATION BY THE FRANCHISEE, OR SUBFRANCHISOR, WHICHEVER OCCURS FIRST, A COPY OF THE DISCLOSURE DOCUMENT, TOGETHER WITH A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE. This provision supersedes any other term of any document executed in connection with the franchise.

2. Exhibit J (Franchisee Disclosure and Compliance Questionnaire) to the Franchise Disclosure Document is hereby deleted in its entirety.

In recognition of the requirements of the Illinois Franchise Disclosure Act of 1987, 815 ILCS 705/1-44, the Disclosure Document for SHH Group, LLC for use in the State of Illinois shall be amended to include the following:

1. Item 17, "Renewal, Termination, Transfer and Dispute Resolution," shall be amended by the addition of the following paragraph at the end of the Item:

Sec. 705/4 of the Illinois Franchise Disclosure Act of 1987 provides that "any provision in a franchise/Franchise Agreement that designates jurisdiction or venue in a forum outside of Illinois is void."

2. For choice of law purposes, Illinois law governs the Franchise Agreement. The provisions of the Agreement concerning governing law, jurisdiction, and venue shall not constitute a waiver of any right conferred on you by Illinois law.

3. Section 4 of the Illinois Franchise Disclosure Act states that "Any provision in a franchise agreement that designates jurisdiction or venue in a forum outside of this state is void provided that a franchise agreement may provide for arbitration in a forum outside of this state."

4. Section 41 of the Illinois Franchise Disclosure Act provides that any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void.

INDIANA ADDENDUM TO DISCLOSURE DOCUMENT

In recognition of the requirements of the Indiana Franchise Disclosure Law, Indiana Code §§ 23-2-2.5-1 to 23-2-2.5-51, and the Indiana Deceptive Franchise Practices Act, Indiana Code §§ 23-2-2.7-1 to 23-2-2.7-10, the Franchise Disclosure Document for SHH Group, LLC for use in the State of Indiana shall be amended as follows:

1. Item 8, "Restrictions on Sources of Products and Services," shall be amended by the addition of the following language:

Any benefits derived as a result of a transaction with suppliers for Indiana franchisees will be kept by us as compensation for locating suppliers and negotiating prices for you.

2. Item 12, "Territory," shall be amended by the addition of the following paragraph:

We will not compete unfairly with you within a reasonable area.

3. Item 17, "Renewal, Termination, Transfer and Dispute Resolution," shall be amended by the addition of the following paragraphs at the end of the Item:

The Indiana Deceptive Franchise Practices Act requires that any release executed by a Franchisee or transferor must not include any claims arising under the Indiana Franchise Disclosure Law or the Indiana Deceptive Franchise Practices Act.

The Indiana Deceptive Franchise Practices Act requires that Indiana law govern any cause of action which arises under the Indiana Franchise Disclosure Law or the Indiana Deceptive Franchise Practices Act.

The Indiana Code 23-2-2.7-1 (9) requires that any post term non-compete covenant must not extend beyond the franchisee's exclusive territory.

4. No release language set forth in the Disclosure Document or the Franchise Agreement shall relieve us or any other person directly or indirectly from liability imposed by the laws concerning franchising of the State of Indiana.

5. Each provision of this Addendum to the Disclosure Document shall be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Indiana Franchise Disclosure Law, Indiana Code §§ 23-2-2.5-1 to 23-2-2.5-51, and the Indiana Deceptive Franchise Practices Act, Indiana Code §§ 23-2-2.7-1 to 23-2-2.7-10, are met independently without reference to this Addendum to the Disclosure Document.

MARYLAND ADDENDUM TO DISCLOSURE DOCUMENT

In recognition of the requirements of the Maryland Franchise Registration and Disclosure Law, MD. BUS. REG. CODE ANN. §14-201 et. seq. (2010 Repl. Vol. and Supp. 2012), Item 17 of the Franchise Disclosure Document for SHH Group, LLC for use in the State of Maryland shall be amended as follows:

1. Item 5 is amended as follows:

Based on our financial condition, the Maryland Securities Commissioner has required a financial assurance. Therefore, all initial fees and payments owed by you to us shall be deferred until we complete our pre-opening obligations under the Franchise Agreement.

2. The general release language required as a condition of renewal, sale and/or assignment or transfer shall apply except for claims arising under the Maryland Franchise Registration and Disclosure Law.

3. You may bring a lawsuit in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law.

4. The Franchise Agreement provides for termination upon your bankruptcy. This provision might not be enforceable under federal bankruptcy law (11. U.S.C. Sections 101 et seq.), but we will enforce it to the extent enforceable.

5. Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within three years after the grant of your franchise. Any limitation on the period of time arbitration and/or litigation claims must be brought shall not act to reduce the three-year statute of limitations afforded you for bringing a claim arising under the Maryland Franchise Registration and Disclosure Law.

6. The Franchise Agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.

7. Your acknowledgments or representations made in Section XXVIII of the Franchise Agreement, which disclaim the occurrence and/or acknowledge the non-occurrence of acts that would constitute a violation of the Franchise Law, are not intended to nor shall they act as release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.

8. Each provision of this Addendum shall be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Maryland Franchise Registration and Disclosure Law, MD. BUS. REG. CODE ANN. §14-201 et. seq. (2010 Repl. Vol. and Supp. 2012), are met independently without reference to this Addendum to the Disclosure Document.

1. Item 13 of the Disclosure Document and Section VI of the Franchise Agreement are amended by the addition of the following language to the original language that appears therein:

3. Item 17 of the Disclosure Document and Section XXIII.B. of the Franchise Agreement are amended by the addition of the following language to the original language that appears therein:

Minn. Stat. Sec. 80C.21 and Rule 2860.4400J prohibit us from requiring litigation to be conducted outside Minnesota. In addition, nothing in the Disclosure Document or agreements can abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80C, or your rights to any procedure, forum, or remedies provided for by the laws of jurisdiction.

4. Item 17 of the Disclosure Document and Sections II.C. and XI.B. of the Franchise Agreement are amended by the addition of the following language to the original language that appears therein:

7. Each provision of this Addendum shall be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Minnesota Franchises Law or the Rules and Regulations promulgated thereunder by the Minnesota Commission of Commerce are met independently without reference to this Addendum to the Disclosure Document.

- B. No such party has pending actions, other than routine litigation incidental to the business, that are significant in the context of the number of franchisees and the size, nature or financial condition of the franchise system or its business operations.
- C. - D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency; or is

subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; this proviso intends that the non-waiver provisions of General Business Law Sections 687(4) and 687(5) be satisfied.

5. The following language replaces the “Summary” section of Item 17(d) of the Franchise Disclosure Document, titled Termination by franchisee:

6. The following language is added to the end of the “Summary” sections of Item 17(v), titled Choice of forum, and Item 17(w), titled Choice of law:

7. Franchisee Questionnaires and Acknowledgements. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

8. Receipts. Any sale made must be in compliance with § 683(8) of the Franchise Sale Act (N.Y. Gen. Bus. L. § 680 et seq.), which describes the time period a Franchise Disclosure Document (offering prospectus) must be provided to a prospective franchisee before a sale may be made. The Franchise Agreement contains provisions that may be interpreted as termination or liquidated damages clauses. Under the North Dakota Franchise Investment Law, termination or liquidated damages clauses are unenforceable.

3. The following is added to the end of the “Summary” section of Item 17(r), entitled Non-competition covenants after the franchise is terminated or expires:

Covenants not to compete such as those mentioned above are generally considered unenforceable in the State of North Dakota; however, we and you will enforce the covenants to the maximum extent the law allows.

4. The “Summary” section of Item 17(u), entitled Dispute resolution by arbitration or mediation is deleted and replaced with the following:

To the extent required by the North Dakota Franchise Investment Law (unless such requirement is preempted by the Federal Arbitration Act), arbitration will be at a site to which we and you mutually agree.

5. The “Summary” section of Item 17(v), entitled Choice of forum, is deleted and replaced with the following:

Subject to arbitration requirements and to the extent required by the North Dakota Franchise Investment Law, you may bring an action in North Dakota.

6. The “Summary” section of Item 17(w), entitled Choice of law, is deleted and replaced with the following:

RHODE ISLAND ADDENDUM TO DISCLOSURE DOCUMENT

In recognition of the requirements of the Rhode Island Franchise Investment Act, §§ 19-28.1-1 through 19-28.1-34, the Franchise Disclosure Document for SHH Group, LLC for use in the State of Rhode Island shall be amended as follows:

1. Item 17, "Renewal, Termination, Transfer and Dispute Resolution," shall be amended by the addition of the following paragraph at the end of the Item:

§ 19-28.1-14 of the Rhode Island Franchise Investment Act provides that "A provision in a franchise agreement restricting jurisdiction or venue to a forum outside this state or requiring the application of the laws of another state is void with respect to a claim otherwise enforceable under this Act."

2. Each provision of this Addendum shall be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Rhode Island Franchise Investment Act §§ 19-28.1-1 through 19-28.1-34, are met independently without reference to this Addendum to the Disclosure Document.

VIRGINIA ADDENDUM TO DISCLOSURE DOCUMENT

In recognition of the requirements of the Virginia Retail Franchising Act, Va. Code Ann. § 13.1-564, the Franchise Disclosure Document for SHH Group, LLC for use in the State of Virginia shall be amended as follows:

1. Additional Disclosure: The following statements are added to Item 17.h:

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any ground for default or termination stated in the franchise agreement does not constitute “reasonable cause,” as that the term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, the provision may not be enforceable.

WASHINGTON ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT, THE FRANCHISE AGREEMENT, AND ALL RELATED AGREEMENTS

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.

2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.

3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).

5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.

8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).

10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).

11. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.

12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.

14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.

15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a “franchise broker” is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

19. **Initial Franchise Fee Deferral.**

Item 5 is amended as follows:

Based on our financial condition, the Washington Securities Division has required a financial assurance. In lieu of an impound of franchise fees, we will not require or accept the payment of any initial franchise fees until (a) you have received all initial training that you are entitled to under the Franchise Agreement or disclosure document, and (b) your Franchised Business is open for business.

Each partial prepayment shall be applied to the installments of this Note in order of their stated maturities. If Maker elects to prepay this Note in whole or full, the total payment will include both the unpaid principal sum and all accrued and unpaid interest through the payment date.

This Note shall be binding upon Maker and its successors and assigns, and the terms hereof shall inure to the benefit of Payee and its successors and assigns, including subsequent holders hereof.
