## What You Need To Know About Franchising Generally

**Continuing responsibility to pay fees.** You may have to pay royalties and other fees even if you are losing money.

**Business model can change.** The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

**Supplier restrictions.** You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

**Operating restrictions.** The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

**Competition from franchisor.** Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

**Renewal.** Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

**When your franchise ends.** The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

### Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in [Exhibit C](#).

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

## Special Risks to Consider About *This Franchise*

Certain states require that the following risk be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in California. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in California than in your own state.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

## **Item 1: The Franchisor, and any Parents, Predecessors and Affiliates**

To simplify the language in this disclosure document, “we” or “us” means SCA Franchising Corporation, the franchisor. “You” means the individual, corporation, limited liability, partnership or other business entity who acquires the franchise from us and includes all of your Owners (as defined below). If the franchisee will operate through a corporation or partnership, “you” also includes the franchisee’s owners or partners.

Our principal business address is 3817 West Magnolia Boulevard, Burbank, CA 91505 and our telephone number is (800) 572-8010.

The principal business address of our agents for service of process are shown on Exhibit D.

We conduct business under the names “SCA Franchising Corporation” and “SCA Appraisal Services.” We are a California corporation incorporated in Burbank California on March 14, 2007.

Your business will operate a SCA Appraisal Services Business providing vehicle damage appraisal services for insurance companies (the “SCA Appraisal Services Business” or the “Appraisal Business”).

Our first affiliate is SCA Enterprises, Inc. (“SCA”), a California corporation incorporated on May 28, 1996. The principal business address of SCA is 3817 West Magnolia Boulevard, Burbank, CA 91505 and its telephone number is (800) 572-8010. SCA has operated SCA Appraisal Services Businesses since 1979.

Our second affiliate is Woodland Capital Franchising, Inc. (“WCF”), a Georgia corporation incorporated on February 5, 2020. The principal business address of WCF is 5090 Highway 212, Covington, Georgia 30016. On February 5, 2020, WCF was licensed the right to offer franchises for a property and casualty damage appraisal business under the name Doan Group and has offered Doan Group franchises since March 17, 2020. As of March 31, 2025, WCF has 14 franchises licensing 26 franchised locations.

Our third affiliate is SCA Adjusting Services Inc. (“SCA Adjusting”), a Texas corporation incorporated on December 1, 2022. The principal business address of SCA Adjusting is 1100 E. Campbell Road, Suite 247, Richardson, Texas 75081. SCA Adjusting provides professional adjusting services for vehicles and heavy equipment. SCA Adjusting does not currently franchise, but may provide support, services or products to SCA Appraisal Services Businesses in the future.

We have not operated any SCA Appraisal Services Businesses. We franchise persons that operate a SCA Appraisal Services Business. In addition, we act as a reseller of appraisal estimating software subscriptions to our franchisees and to independent contractors that provide appraisal services for our affiliate, SCA. Neither we, nor SCA, WCF or SCA Adjusting have previously offered or sold franchises for SCA Appraisal Services Businesses. Neither we nor SCA, WCF nor SCA Adjusting have offered franchises for any other types of business than those described above.

The market for your services consists of national and local insurance companies. We may provide you with opportunities to service national insurance companies with who we have existing business

relations. Sales are not seasonal. The market is very well developed and highly competitive. You will compete with other regional, local and national vehicle damage appraisal services.

In our sole discretion, we may allow SCA Appraisal Services Businesses to utilize Doan franchisees located in or surrounding the SCA Appraisal Services Businesses territory as independent contractors to provide services to customers. Additionally, we may allow you to enter into independent contractor agreements with one or more Doan franchisees located in or around your territory and service referrals, customers or national accounts of a Doan franchisee without violating the terms of your restrictive covenants with us. Your franchised business must be in full compliance with the terms of your franchise agreement and our System Standards (as described in Item 8) to provide services to Doan franchisees.

If you wish to purchase, and we agree to sell you, additional Franchises after you open your initial Franchise, you must sign our then-current form of franchise agreement for any additional Franchise that you wish to purchase. The terms of any then-current franchise agreement may differ from the Franchise offered under this Disclosure Document.

You must comply with all federal, state and local regulations regarding disposal of waste products and chemicals. You must comply with the Payment Card Industry Data Security Standard (“PCI DSS”) established by major credit card brands to ensure that merchants like your Appraisal Business securely store, process, and transmit customer credit information.

The United States has enacted the “Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001” (the “Patriot Act”). We are required to comply with the Patriot Act. To help us comply with the Patriot Act, you must confirm for us that neither you nor your directors, officers, shareholders, partners, members, employees, or agents are: (i) suspected terrorists; (ii) persons associated with suspected terrorists; or (iii) under investigation by the U.S. government for criminal activity.

You must comply with federal, state and local license, certificate and permit requirements for the operation of your Appraisal Business. Certain states require property damage appraisers to obtain licenses. Certain states also require property insurance adjusters to obtain separate licenses if the appraiser meets the definition of an insurance adjuster under state law or provides services deemed “adjuster” services. Certain states may require separate licenses or approvals depending on the type of property you are appraising on behalf of a customer. Most states have separate agencies and departments of insurance, often overseen by a designated insurance commissioner, that regulate the insurance industry and the requirements of such states vary. You should determine what laws apply to you before acquiring an Appraisal Business. Failure to comply with laws and regulations is a material breach of the Franchise Agreement. We will not provide you with any assistance in complying with any licensing requirements currently in effect or which may be adopted in the future or any federal, local or state law, regulation or requirement applicable to your Appraisal Business.

**Item 3: Litigation**

*Kevin Lukasik v. SCA Franchising Corporation, Case No. 01-15-0004-0362 (Filed June 30, 2015)*

Our franchisee, Kevin Lukasik filed a demand for arbitration raising allegations of breach of franchise agreements, common law fraud and statutory fraud. We responded with a counterclaim alleging a breach of contract by the franchisee. The matter was amicably resolved via settlement on December 17, 2015. Pursuant to the settlement, (a) neither party admitted any liability, (b) SCA paid to Lukasik a one-time settlement payment of \$15,000, (c) Lukasik, his operating entity and SCA exchanged complete, mutual releases, and Lukasik and SCA, jointly, terminated the arbitration proceedings with prejudice. Additionally, in the settlement agreement, Lukasik agreed to continue to abide by certain covenants in the franchise agreement respecting confidential information and the non-use of intellectual property, and to the ability of SCA to seek injunctive relief against him if those covenants were violated.

Other than the above action, no litigation is required to be disclosed in this Disclosure Document.

**Item 4: Bankruptcy**

No bankruptcy information is required to be disclosed in this Item.

**Item 5: Initial Fees**

All franchisees pay an “Initial Franchise Fee” of \$10,000 in a lump sum for our standard size Service Area. We reserve the right to increase or decrease the initial franchise fee based on the (1)

population density, (2) needs of our National Accounts and (3) geography and size of the territory where your Appraisal Business is located. The range for an initial franchise fee depending upon these factors is \$10,000 to \$50,000.

The initial franchise fee is deemed fully earned upon payment and, in consideration of administrative and other expenses we incur in granting this Appraisal Business and for our lost or deferred opportunity to offer the Appraisal Business to others, and is nonrefundable under any circumstances.

We may also discount the initial franchise fee for franchisees who purchase multiple franchises or multiple territories, or for franchisees that offer special qualifications to the System, including having a current book of business. During the most recent fiscal year, we collected initial franchise fees ranging from \$3,000 to \$10,000.

**Notes:**

1. The ranges and categories of expenses listed on the table above are based solely on the experience of SCA Appraisal Businesses and your expenses may be significantly different depending on the suppliers you use and local costs. Do not rely on this estimate of expenses to project your future performance because your expenses may differ from the ranges above and you will have additional expenses to third party suppliers, to us and our affiliates which we have not listed. See Item 8 for additional information concerning your purchases from third party suppliers. We do not make any representation regarding whether any amounts paid to third parties are refundable. Unless otherwise stated, amounts paid to us are not refundable. Unless otherwise stated above, these estimates are subject to increases based on changes in market conditions, our cost of providing services and future policy changes. At the present time, we have no plans to increase payments we control.
2. The initial franchise fee is non-refundable. See Item 10 for options for financing.
3. There is no charge for initial training. The chart estimates your trainees' living and transportation expenses for initial training. You must pay all these expenses. See Item 11.
4. We expect that virtually all of our franchisees will operate their Appraisal Business out of home offices and, therefore, will not incur expenses for real property. The chart estimates your costs and expenses for outfitting an already existing room in your home as an office.
5. Required office equipment includes a copier, personal computer and printer, commercial word processing and accounting software, a telephone with a minimum of two lines, a mobile smart phone capable of taking photographs and running our mobile management system "Core Mobile", and a high speed internet connection. Estimate is based on a purchase of these items. We expect that virtually all of our franchisees will use their personal automobile for transportation and the cost of owning an automobile is not included in this amount. The

forms needed for operation are available without charge on our website. You will be required to print these forms on your personal printer or using a quick print service such as Kinkos for volume printing.

6. We do not currently require you to purchase a minimum amount of inventory.
7. Because we assume virtually all franchisees will operate from a home office, we do not estimate costs for security deposits and utility deposits, but you may have prepaid telephone and internet costs. See Notes 3, 4 and 5 above. See Item 11. You must comply with federal, state and local license, certificate and permit requirements for the operation of your Appraisal Business. Certain states require property damage appraisers to obtain licenses. The requirements of such states vary. You should determine what laws apply to you before acquiring a franchise. You must obtain and pay for these licenses for yourself and any of your employees that provide appraisal services before commencing your appraisal business.
8. Annual premium for required insurance coverage. See Item 8.
9. This estimates the costs for you to obtain your own license to use the software from the third party vendors.
10. The estimate of additional funds for the initial phase of your Appraisal Business is based on operating expenses for the first three months of operation. The estimate of additional funds does not include an owner's salary or draw. In compiling these estimates, we rely on our and SCA's experience in operating and franchising businesses. It is anticipated that you will initially have no payroll expense.

#### **Item 8: Restrictions on Sources of Products and Services**

We and our owners and affiliates have spent considerable time, effort and money to develop the System. You must conform to our high and uniform standards of quality in operation your Franchise. You must provide the Services in accordance with the standards related to response time, appearance, and safety, including those standards and requirements imposed by our National Accounts. We anticipate that our standards will change over time. You are expected to adhere to these changes. To ensure that you maintain the highest degree of consistency, quality and service, and to protect our brand, you must operate and develop your Appraisal Business in strict conformance with our methods, standards and specifications and obtain certain goods, inventory, services, supplies, materials, equipment, and other products, including your uniforms, advertising materials, computer hardware, and software, in strict compliance with our specifications and only from us, our affiliates or the authorized manufacturers, distributors, suppliers, vendors, merchants or providers designated or approved by us. Our methods, standards and specifications, including, without limitation, any standards imposed by national accounts (collectively, the "System Standards"), are prescribed in our Confidential Operations Manual (the "Operations Manual").

We will disclose to you, in the Operations Manual or otherwise in writing, any specifications related to providing your appraisal services. You must sell and offer for sale all services required by us in the manner and style we require. In addition, you must provide the services utilizing the method of technology we require. You must not deviate from our System Standards without obtaining our prior written consent. We may periodically change System Standards at our sole discretion and we reserve the unlimited right to formulate, modify and supplement our System Standards for operating the Appraisal Business. The vehicle appraisal industry is constantly changing and you may be required to utilize new methods of servicing customers, including new products and software that provide virtual appraisal services or that solicit or service customers through crowdsourcing. You must at all times comply with any System Standards imposed by national accounts. We will provide you with written notice of any changes as they occur, which may include through mail, email, posting

on our website or other means. You must implement all changes at your sole expense. You may incur increased costs to comply with our changes. We may also require you to occasionally participate in the test marketing of products, services, distribution methods, mobile apps and software programs at your expense. We reserve the right to implement quality assurance audit or otherwise establish a quality control or audit program or “secret customer” program to anonymously evaluate your operations and if we do, you must participate in the program. A significant level of negative feedback from your customers, National Accounts, or an unsatisfactory result of a mystery shopper or customer program or quality assurance audit will be a default under your Franchise Agreement, and we may require you to participate in remedial training or terminate your Franchise.

Currently there are no other items for which we or our affiliates are approved suppliers or the only approved suppliers. There are no approved suppliers in which any of our officers owns an interest.

We will provide you with written specifications governing the minimum standards of certain products, services or equipment you procure from unrelated third parties. Currently, your required purchases from approved suppliers are as follows: one NADA Vehicle Value Subscription, one set of Neon Photos Arrows, one Keson Tape Measurer, and one Tire Depth Gauge. We may modify our specifications in writing, and may add new specifications in writing. You may purchase these items from any supplier whose product, service or equipment meets our specifications.

We provide to you, free of charge, the right to use our Core software program and mobile Core app “Core Mobile”. You must purchase a license to use the collision estimating software programs we designate. We recommend, but do not require, additional software programs for use in the Appraisal Business. We reserve the right to change the software you must use or the approved vendors for any software we require in our discretion. Any costs incurred in connection with any change in software requirements is solely your responsibility. Any software we require must currently be licensed independently from any of our approved vendors but we and our affiliates reserve the right to establish a sub-license program in the future and derive a profit from the program. If we or our affiliate has a sub-license program for any software, you must participate and we and our affiliates reserve the right to charge a fee for use of the software. In connection with our or our affiliate’s administration of the various software programs, we and our affiliates reserve the right to collect all software fees on behalf of the vendor and directly remit payment to the particular vendor on your behalf and to charge you a monthly fee as a separate administration fee. The fees negotiated by us with the software providers may result in fees charged to you which is currently less than any available retail subscription. If we or our affiliate has a sub-license program, we reserve the right to renegotiate or cancel the relationship in our discretion. You must purchase a computer or laptop and a DSL line or other comparable high-speed wireless Internet connection and service, required dedicated telephone and power lines and other computer-related accessories, smartphone, peripherals and equipment, including a fax machine and a dedicated phone line for faxes meeting the specifications described in Item 11. The computer hardware may be purchased from any supplier.

We do not maintain written criteria for approving suppliers, and thus these criteria are not available to you or your proposed supplier. If we name a supplier for a product or service, you may contract with an alternative supplier if we approve the supplier. To obtain our written approval for the alternative supplier, you must submit a written request to us for approval of the supplier and the

supplier must meet our specifications to our reasonable satisfaction. We will approve an alternative supplier if it meets the performance standards of our comparable and approved suppliers. We will give you notice of our approval or disapproval within 3 to 6 weeks depending on the nature of the product or service. We do not currently charge a testing fee. We reserve the right to revoke our approval of a supplier if we determine that it no longer meets our quality, operational, pricing, or service standards. If we revoke approval of any supplier, we will give you written notice.

You must obtain and maintain insurance policies protecting you and us in connection with certain demands or claims with respect to the operation of your Appraisal Business in the minimum policy limits described in the Franchise Agreement and Operations Manual. You must maintain broad form comprehensive general liability coverage in the minimum amount of \$2 million and automobile insurance with policy limits of \$2 million per person for death or bodily injury, \$500,000 property damage, and \$2 million aggregate, including non-owned driver insurance for the automobile you use in your Appraisal Business. You must also maintain statutory workers' compensation insurance; errors and omissions insurance in the minimum amount of \$3 million and cyber liability insurance in the minimum amount of \$3 million. We can change the required coverage and amounts. We make available to you, as a convenience, an insurance program in which you may participate if you choose. We reserve the right to either discontinue offering our business insurance or to make it mandatory for you to participate in our business insurance program. Our insurance program may require you to purchase insurance through a master policy issued to us. Our current insurance program does not include cyber liability insurance for your business activities outside breaches related to our computer system. You will need to obtain a separate cyber liability insurance to cover your other cyber and data security needs. If you do not participate in our business insurance program, you must provide us a copy of your insurance policies, meeting the insurance requirements outlined in this Item and the Operations Manual, and you must name us as additional insureds. We reserve the right to reject any insurance policy that you provide if it does not meet the required limits or standards of quality if in our sole opinion the insurance does not sufficiently protect us, you or your customers. We may also designate an insurance agency or broker as an Approved Supplier where you must procure your insurance from the designated agency or broker.

We may, from time to time, offer certain marketing and promotional programs for National Account and other clients and customers of the System. If Franchisee participates in such programs, then it must fulfill its obligations and adhere to the standards, terms and conditions of such programs at all times. Any programs may be further described in the Operations Manual or other materials, which may be amended, cancelled, terminated or modified from time to time.

We and our affiliates receive no other payments from any supplier, nor do we or our affiliates receive any special discount on purchases from any supplier for ourselves or themselves, in connection with purchases from our franchisees.

We currently do not negotiate purchase arrangements with suppliers for the benefit of franchisees. There are no purchasing or distribution cooperatives. We do not provide you with material benefits (such as renewal or granting additional franchises) based on your use of designated or approved sources but doing so is one of your obligations under the Franchise Agreement.

For the fiscal year ending March 31, 2025, we did not derive any revenue from franchisee's required purchases or leases. The equipment, products and supplies required to be purchased or leased in accordance with our specifications represent approximately 3% of your total purchases in connection with the establishment of an Appraisal Business and approximately 5% of your total purchases in operating the Appraisal Business.

Our form of agreement for our purchase of accounts receivable is annexed as Exhibit C to the Franchise Agreement. We will maintain a reserve of 10% of collections, on a rolling basis, for amounts that are uncollectible on account of claims by the insurance carrier of unsatisfactory work. Our purchase of your accounts receivable will be on a non-recourse basis.

Additionally, we may agree to finance your initial franchise fee for your Appraisal Business if you meet our financial and credit requirements and other standards for qualification. If this financing is offered, you will sign a Promissory Note (the "Note") which is attached to the Franchise Agreement as Exhibit (G).

**Item 11: Franchisor’s Assistance, Advertising, Computer Systems and Training**

**Except as listed below, we are not required to provide you with any assistance.**

**Pre-Opening Obligations**

Before you open your Business, we will:

- 1. Designate your Service Area. (Franchise Agreement, Section 3 and Exhibit A)

We do not require that you maintain a “site” for your Business, and we expect that virtually all of our franchisees will operate out of offices in their homes.

- 2. Lend you a copy of the Operations Manual. You must strictly comply with the Operations Manual in operating your Appraisal Business. We can change the Operations Manual, and you must comply with these changes when you receive them, but they will not materially alter your rights and obligations under the Franchise Agreement. (Franchise Agreement, Section 6(a)(ii) and 11(b))

See below in this Item 11 for the Table of Contents of the Operations Manual as of the date of this disclosure document.

3. Furnish you with any written specifications for required products and services. We and our affiliates do not deliver or install any of these items. (Franchise Agreement, Section 6(d)) We require that you license certain computer software programs for use in the operation of your Appraisal Business. 4. Provide you access to the Core program software and Core Mobile. (Franchise Agreement, Section 6(d))

7. Suggest prices for your products and services. We negotiate prices for appraisal services for national accounts, which you must observe. We recommend, but do not establish, prices for any other services you perform. (Franchise Agreement, Section 6)
8. From time to time and at our discretion, make arrangements with national and regional Customers and offer you the right to service the national account at the price we establish. (Franchise Agreement, Section 6(c))
9. Make available to you, as a convenience, an insurance program in which you may participate if you choose; provided that we reserve the right to either discontinue offering our business insurance program or to make it mandatory for you to participate in our business insurance program. (Franchise Agreement, Section 6(a)(iv))

### **Time to Open**

You must open your Appraisal Business within 30 days after we sign your Franchise Agreement, which is our estimated typical length of time between the signing of the Franchise Agreement and the opening of your Appraisal Business. If we do not offer our Initial Training Program within the 30 days after signing of the Franchise Agreement, then we will extend the deadline for opening until we offer the Initial Training Program for you. Factors affecting time to open include attendance at and satisfactory completion of our “Initial Training Program”, delivery and installation of equipment and computer software, obtaining and printing forms and business cards and obtaining any necessary local or industry required licenses and insurance.

You must obtain our consent prior to opening. We will consent to your opening once (1) your Operating Principal and Designated Appraiser complete the “Initial Training Program” to our satisfaction, (2) you purchase, receive and install all required equipment and computer software, (3) you obtain all required business forms and business cards, and (4) you obtain any required or necessary permits, licenses and approvals, and (5) you obtain any required insurance.

6. Periodically and in our sole discretion, establish and enforce System Standards. (Franchise Agreement, Section 6(b))
7. Periodically and in our sole discretion, provide advice concerning operations, new techniques or operating methods for the Appraisal Business and use of the Operations Manual. (Franchise Agreement, Section 6(b))
8. Periodically and in our sole discretion, specify minimum policy limits for certain types of insurance coverage and review, verify and/or approve proof of insurance and forms of additional insured endorsements. (Franchise Agreement, Section 7(d))

We are not required to provide any other service or assistance to you for the continuing operation of your Appraisal Business.

## **Advertising Fund**

We do not have a national advertising and marketing fund and therefore you are not required to contribute to any national advertising and marketing fund. We may however, require you to spend a minimum amount on local advertising as described below.

## **Local Advertising Requirement**

We do not currently require you to spend a minimum amount local advertising, marketing and promotion, however, we reserve the right to do so in the future. See Item 6. However, we do require you spend a minimum of ten (10) hours per month marketing the Services offered by your Appraisal Business. (Franchise Agreement – Section 7(e)). Upon request, you must provide us with a report logging and outlining all of local marketing endeavors and initiatives. If we require you to spend a minimum amount of funds in local advertising, then you must provide us a monthly report of your local marketing expenditures along with any requested supportive documentation evidencing the expenditures as we may require from time to time. Local marketing may include expenditures on television, radio, newspapers, magazines, billboards, posters, banners, brochures, direct mail,

Yellow Pages and website listings (Angie’s List, Yelp, Yahoo! Local Listings, etc.), local social media websites or review sites, and other types of marketing designated in the Operations Manual and approved by us in accordance with our approval process described in the Operations Manual.

### **Advertising Cooperatives**

There is no cooperative composed of franchisees or others for advertising purposes which you are required to or may join.

### **Other Advertising Information**

There is no advertising council composed of franchisees that advises the franchisor on advertising policies. The Franchise Agreement does not give us the power to form, change or dissolve an advertising council.

There is no obligation for us to maintain any advertising program or to spend any amount on advertising in your area or territory.

You may develop advertising materials for your own use, at your own cost. As stated above, we must approve these advertising materials in advance and in writing, but if we do not respond within ten (10) business days after receiving your proposed advertising material, the material is approved.

### **Market Tests and Surveys**

You may be asked to participate in marketing tests and surveys. In the event that you are approved to participate, you may be required to enter into an agreement that outlines all the requirements for marketing tests and surveys. All test and survey requirements, processes and procedures must be adhered to and any applicable costs will be our responsibility. You must provide complete data statistics on the tests or surveys for our review and evaluation.

### **Electronic Accounting System**

Before the commencement of operation of the franchised Appraisal Business, you must purchase a desktop or laptop computer meeting the specifications outlined below that can effectively operate the required Core software program and the required collision estimating system software. You must also have a DSL line or other comparable high-speed wireless Internet connection and service, required dedicated telephone and power lines and other computer-related accessories, peripherals and equipment, including a fax machine and a dedicated phone line for faxes and smartphone (the “IT System”). You must also maintain a functioning e-mail address for your business.

The following are the current specifications for the required IT System: a PC with a 2.0 GHz processor; 256 MB RAM; a 40 Gb hard drive; flat monitor; keyboard; optical mouse; and Windows XP Professional, or comparable laptop system; smartphone with voice, email, text, and Internet capable of taking and uploading photographs and running the mobile management system “Core Mobile”. The system also requires a Hewlett-Packard laser printer, Microsoft Office Professional and QuickBooks business accounting software. We estimate the cost of purchasing or leasing the system to be approximately \$7,000.

You must provide all assistance we require to bring your IT System on-line with our headquarters computer at the earliest possible time and to maintain this connection as we require. We will have independent access to computer data and information. We may retrieve from your IT System all information that we consider necessary, desirable or appropriate. This information may include individual or summaries of appraisals, sales and marketing information, financial statements, expense reports, or related financial documents, tax returns or filings, other records related to the Franchise Business (such as insurance, employee, invoicing, royalty, fee, or related information), any internal communications, and correspondence with customers or third-parties. There are no contractual limitations on our right to access information. The computer systems and programs will be used for administrative and service purposes to assist in the total operations of the business including collecting customer information and tracking invoices.

Due to legal and contractual requirements of certain customers, you must monitor all users of Core and Core Mobile including conducting background checks on any person you provide with access to the software. Only authorized registered employees and agents of the Appraisal Business may use or have access to Core and Core Mobile. At any time we may mandate additional user restrictions and guidelines for Core and Core Mobile use and you must comply with them.

You must maintain your IT System and keep it in good repair. There is no contractual limit on our ability to require you to upgrade the IT System and computer software, add components to the IT System and computer software and replace components of the IT System and computer software. We cannot predict the actual cost of maintaining, updating or upgrading your IT System or its components or computer software because it will depend on your repair history, local costs of computer maintenance services in your area and technological advances which we cannot predict at this time. The cost of any monthly software license fees may increase and you may have to update the hardware necessary to run any updated software. We estimate your increased cost (for both the increased licensing fee and additional hardware upgrades) to be between \$1,500-\$2,000.

Computer systems are vulnerable in varying degrees to computer viruses, bugs, power disruptions, communication line disruptions, Internet access failures, Internet content failures, data related problems and attacks by hackers and other unauthorized intruders (“E-Problems”). We do not guarantee that information or communication systems we or others supply will not be vulnerable to E-Problems. It is your responsibility to protect yourself from E-Problems. You should also take reasonable steps to verify your suppliers, lenders, landlords, customers, and governmental agencies on which you rely, have reasonable protection from E-Problems. This may include trying to secure your Computer Systems (including firewalls, password protection, and anti-virus systems), and to provide backup systems.

We will conduct the initial training at our California headquarters in Burbank, California or at facilities in Bayville, New York or Richardson, Texas, depending upon your location. We may modify the location of the initial training or provide all virtual training at our discretion. The topics of the initial training program are as follows:

You must complete the Initial Training Program to our satisfaction prior to opening your business and no later than 90 days after the signing of the Franchise Agreement. We reserve the right to modify the Initial Training Program for current franchisees, prior SCA independent contractors or employees who have familiarity or previous knowledge of the System, System Standards or operations of a SCA Appraisal Business.

The Initial Training Program is mandatory for the Operating Principal and Designated Appraiser. The initial franchise fee includes the cost of the Initial Training Program and there is no additional charge for training, although you must bear your own travel and living costs and other expenses during training. (Franchise Agreement, Section 6(a)(i))

Fees may be imposed for necessary make up sessions and related expenses. We may charge a registration fee for conventions, which will not exceed our costs per attendee in producing the convention, and you must pay for the expense of salaries, travel, meals, lodging, and miscellaneous expenses of your personnel attending such seminars or conventions. (Franchise Agreement, Section 6(f))

Except as described above, we do not require any additional training programs or refresher courses at this time, but we reserve the right to do so in the future. You are required to complete all continuing training, whether virtual or classroom within the timeframe set by us. If we offer any additional training

programs or refresher courses at the time of the renewal of your Franchise Agreement, then you must complete them as a condition of renewal.

## **Item 12: Territory**

We will grant you a geographic area (the “Service Area”). We will describe your Service Area in detail in Exhibit A to our Franchise Agreement. The Service Area is the geographic area in which you have primary responsibility, but you have no exclusive or protected rights in the Service Area. During the term of your Franchise Agreement, we reserve the right to increase Franchisee’s Service Area up to fifty (50) miles to accommodate the needs of certain National Accounts. In the event that we exercise our right to increase the Service Area, we will provide you at least thirty (30) days’ advance written notice.

We reserve the right to modify your Service Area upon renewal.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

Your franchise rights do not depend on your achieving a certain sales volume, market penetration or other contingency. There is no minimum sales quota. There is no provision in the Franchise Agreement for modification of your territorial rights for any reason, except that we may assign all or part of your Service Area to an SCA-owned office or other franchisee or utilize the service of independent appraisers if we believe, in our sole subjective discretion that you are not satisfactorily servicing insurance companies in the Service Area, including if you fail to meet the designated deadline for completing the services (“Cycle Time”).

We reserve all rights not expressly granted in the Franchise Agreement. Unless specifically agreed with you in writing, our grant of the Appraisal Business does not include any option or promise to allow you to purchase any additional franchises or to expand your Service Area contiguously or elsewhere, whether by option, right of first-refusal or similar right.

Virtually all of our franchisees operate out of a home office, so we do not have restrictions on the relocation of your Appraisal Business.

There is no limitation on our rights to sell products and services under the Trademarks within and outside your Service Area through any method of distribution including, through any and all channels of distribution as the Internet, telemarketing, mobile applications, or other direct marketing sales (together, “alternative distribution channels”). You may not use alternative distribution channels to make sales outside or inside your Service Area except as described in the following paragraph and you will receive no compensation for our sales through alternative distribution channels except as described in the following paragraph.

If we engage in electronic commerce through any Internet, World Wide Web or other computer network site or mobile application or sell through any other alternative distribution channel, and we receive orders for any Appraisal Business products or services calling for delivery or performance in your Service Area, then we will offer the order to you at the price we establish but you must agree to meet the designated Cycle Time. If you choose not to fulfill the order or are unable to do so within

the designated Cycle Time, then we, one of our affiliates or a third party we designate (including another franchisee) may fulfill the order, and you will be entitled to no compensation in connection with this. If you fail to fulfill an order to the customer's satisfaction or within the designated Cycle Time, then we have no obligation to offer you additional orders in your Service Area through alternative distribution channels.

You may solicit or accept orders from customers outside your Service Area, but you may not use alternative distribution channels to solicit or fill orders.

We and our affiliates can use alternative channels of distribution to make sales within your Service Area of products or services under trademarks different from the Trademarks you will use under the Franchise Agreement, but we and our affiliates have not yet made any sales of this type.

As of March 17, 2020, WCF established a franchise system which offers and sells franchised businesses that provide appraisal services under the Doan Group trademark in the United States. WCF does not intend to own or operate Doan Group outlets. WCF franchisees will solicit and accept calls for services within your and other SCA Appraisal Business' Service Areas.

We have implemented procedures to reduce the potential for any conflict between a Doan Group franchisee and SCA Appraisal Business. We and SCA have a national account sales team of representatives that solicit National Accounts for SCA Appraisal Businesses and WCF employs an entirely separate sales representative team to solicit National Accounts for its system. If a National Account prospect calls us, SCA or one of our or their sales representatives, the new client or National Account will be assigned to a SCA Appraisal Business. The same is true if a new client calls the Doan Group sales team and it will be assigned to a Doan Group franchise. National Account and prospective National Account information will not be exchanged between the sales representatives of each franchise system.

However, if a client or National Account is dissatisfied with the service provided by a SCA Appraisal Business or Doan Group franchise and requests to be transferred, we reserve the right to assign the file to the other franchise system or another SCA Appraisal Business, in our discretion. If there is no SCA Appraisal Business to service an assignment for a client or National Account, we reserve the right to assign the file to a Doan Group franchise, in our discretion.

WCF's principal place of business is 5090 Highway 212, Covington, Georgia 30016 and will maintain a separate office and training facility and employ a separate operations manager.

There are presently no effective determinations of the USPTO, any trademark trial and appeal board, any state trademark administrator or any court, or any pending interference, opposition, or cancellation proceeding involving any of the above-referenced Trademarks. There are no currently effective agreements that significantly limit our rights to use or license the use of the Trademarks listed in this section in a manner material to the franchise. There are no infringing uses or superior previous rights known to us that can materially affect your use of the Trademarks in this state or any other state in which the Appraisal Business is to be located. There is no pending material federal or state court litigation regarding our use or ownership rights in any Trademark. All required affidavits and renewals have been and will be filed.

We have the right to control any administrative proceedings or litigation involving a trademark licensed by us to you. If you learn of any claim against you for alleged infringement, unfair competition, or similar claims about the Trademarks, you must promptly notify us. We will promptly take the action we consider necessary to defend you in our sole judgment. The Franchise Agreement does not require us to take any affirmative action when notified of these uses or claims. We must indemnify you for any action against you by a third party bases solely on alleged infringement, unfair competition, or similar claims about the Trademarks. We will have no obligation to defend or indemnify you if the claim against you relates to your use of the Trademarks in violation of the Franchise Agreement.

If you learn that any third party whom you believe is not authorized to use the Trademarks is using the Trademarks or any variant of the Trademarks, you must promptly notify us. We will determine whether or not we wish to take any action against the third party. You will have no right to make any demand or to prosecute any claim against the alleged infringer for the infringement.

If you are required to modify or discontinue a Trademark, we are not obligated under the Franchise Agreement to reimburse you for your expenses in doing so or for any loss of revenue attributable to any modified or discontinued Trademark or for any expenditure you make to promote a modified or substitute trademark or service mark.

**Item 18: Public Figures**

There are no public figures associated with us or our franchises.

**Item 19: Financial Performance Representations**

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

This Item sets forth certain historical data submitted by each of the franchised locations operating during our last fiscal year (the “Franchised Locations”), including annual gross revenue for the period beginning on April 1, 2022 and ending on March 31, 2023 (the “2022 Measurement Period”), for the period beginning on April 1, 2023 and ending on March 31, 2024 (the “2023 Measurement Period”), and for the period beginning on April 1, 2024 and ending on March 31, 2025 (the “2024 Measurement Period” and with the 2022 Measurement Period and the 2023 Measurement Period, collectively, the “Measurement Periods”). THIS FRANCHISE AGREEMENT (together with all exhibits, schedules, appendices and addenda, signed in connection with the grant of the Franchise defined below and described herein collectively, the “Agreement”) is entered into as of the date set forth in Exhibit A between SCA Franchising Corporation, a California corporation (the “Franchisor”), and the Franchisee and Owners (as defined in Section 1(f) below) identified in Exhibit A and shall be deemed effective upon the date countersigned by Franchisor (“Effective Date”).

Franchisor and Franchisee hereby agree as follows:

**1. Statement of Underlying Facts.**

(a) Defined Terms. Certain terms are used in this Agreement with the meanings assigned in body of this Agreement or in the Glossary of Terms at the end of this Agreement. Exhibit A and the Glossary are incorporated into and made an integral part of this Agreement by this reference.

(b) Franchisor’s Affiliate. Franchisor’s sister corporation, SCA Enterprises, Inc. (“Affiliate”), has developed a System for the operation of businesses providing property damage appraisal services (“Services”) identified by the Marks and using the Intellectual Property.

(c) License from Affiliate. Affiliate has granted a license to Franchisor to franchise the System and sub-license the Marks and Intellectual Property to qualified franchisees for the operation of Franchised Businesses in accordance with our System Standards.

(d) Franchisee’s Application. Franchisee has submitted an application for a franchise to operate a Franchised Business, representing and warranting that all of the information Franchisee provided Franchisor in such application is true, complete, and not misleading in all material respects. Franchisor has approved the application in reliance upon Franchisee’s representation and warranty.

(e) Acknowledgments. Franchisee understands that the terms of this Agreement are reasonably necessary to maintain our System Standards and the uniformity of those standards among all SCA Appraisal Franchises, and to protect and preserve the goodwill of the Marks, the Intellectual Property and the System. Further Franchisee appreciates and acknowledges the importance of Franchisor’s standards of quality, appearance and service as a necessity of owning and operating a Franchised Business in conformity with Franchisor’s standards and specifications and Franchisee represents and warrants that:

(i) Franchisee is not a party to or subject to any order, judgment or decree of any court or government agency which would limit or interfere in any way with the performance by Franchisee of the obligations under this Agreement.

(ii) neither Franchisee nor any person or firm cooperating, assisting or acting with Franchisee in connection with the opening of this Franchise, or upon whom or which he may be relying for any assistance in this matter, direct or indirect, financial or otherwise, is a party to any contract, agreement or arrangement (including but not limited to, employment agreement, non-compete agreement, non-solicit agreement or confidentiality agreement with any other person or entity) which limits, prohibits or purports to limit or prohibit Franchisee’s entering into this Agreement or performing Franchisee’s obligations hereunder.

(iii) the execution, delivery and performance of this Agreement does not and shall not conflict with, breach, violate or cause a default under any contract, agreement, instrument, order, judgment or decree to which Franchisee is a party or by which Franchisee is bound and upon the execution

and delivery of this Agreement, this Agreement shall be a valid and binding obligation of Franchisee, enforceable in accordance with its terms; and

(iv) it has not and will not at any time after entering into this Agreement disclose any confidential proprietary information or trade secret information of any former employer, franchisor, licensor or business partner. Franchisee represents that it has not taken any action(s) to date that would have constituted a violation of this Agreement had the Agreement been in place at the time of such action(s).

(f) Owner Acknowledgement. Franchisee, including its Operating Principal, current and future owners, shareholders, members, partners, equity holders and principals (“Owners”) have represented to Franchisor that Franchisee has entered into this Agreement with the intention to comply fully with the obligations to operate a SCA Franchised Business hereunder and not for the purpose of reselling the rights to develop the Franchise hereunder. Franchisee and its Owners understand and acknowledge that Franchisor has granted such rights in reliance on the business skill, financial capacity, personal character of, and expectations of performance hereunder by, Franchisee (including its Owners) and that this Agreement and the rights and obligations hereunder may not be transferred until after the Franchise commences operations to the public and then only in accordance with the terms of this Agreement.

## **2. Grant of Franchise.**

(a) Grant. Subject to the terms and conditions of this Agreement, Franchisor grants and Franchisee accepts the right and obligation to operate a Franchised Business within the Service Area (defined in Section 3) during the entire Term in accordance with Franchisor’s System Standards.

(b) Enumeration of Rights. The franchise includes the following rights and licenses:

(i) Authorization to provide Services for Customers using the System, Intellectual Property and the Marks within the Service Area; and

(ii) Authorization to advertise and promote the Franchised Business and to solicit assignments for Services from Customers using the Marks as an authorized provider of Services.

(c) Reservation of Rights. Franchisor reserves and retains all rights that this Agreement does not expressly grant to Franchisee.

(d) Alternative Services. Franchisee acknowledges and understands that Franchisor and its affiliates may develop, create, offer or launch new products, services, or service lines, directly or indirectly through distribution, licensing, franchising or other business models, which may be competitive or complementary to the Products and Services offered by the Franchised Business. Franchisee understands this Agreement does not grant Franchisee any rights to offer the new products, services, or service lines described in this Section 2 or share in any of the revenue or proceeds generated from such sales.

(e) Service Certification Program and Qualification Requirements. The Franchisor or its affiliates, reserve the right to establish or launch one or more service certification or qualification requirements through which SCA franchisees may be authorized to provide additional services or products which Franchisor may designate in connection with the System (“Certification Program(s)”). The Franchisor may condition Franchisee's participation in any Certification Program on meeting certain standards, terms and requirements. Participation in a Certification Program may require (1) additional purchase of equipment, inventory or supplies; (2) training for the Operating Principal and Designated Appraiser; (3) additional marketing requirements; (4) Franchisee and its personnel obtaining additional

professional or industry licenses, permits, approvals, certifications, and authorizations; and (5) other conditions, all of which Franchisee must meet at its own expense. In the event Franchisee is unable or unwilling to participate in a Certification Program or does not meet the requirements of participation, then Franchisee understands and agrees that Franchisor and its affiliates have the right to perform Certification Program services in the Service Area or grant other franchisees or third parties the right to perform Certification Program services in the Service Area. Franchisee disclaims any compensation or consideration for work performed by others in the Service Area. This Section does not constitute a right of first refusal for any additional franchise programs which the Franchisor or its affiliates may now or in the future create.

### **3. Service Area.**

(a) Service Area Defined. The Service Area is the geographic territory within which Franchisee has primary responsibility to provide, advertise, and solicit assignments for Services from Customers. Franchisee will devote its full-time and best efforts to provide, advertise, and solicit assignments for Services to be performed within the Service Area. Franchisor reserves the right to increase Franchisee's Service Area up to fifty (50) miles to accommodate the needs of certain National Accounts (as defined in Section 6(c) below). In the event that Franchisor exercises its right to increase the Service Area, then Franchisor shall provide Franchisee at least thirty (30) days' advance written notice.

(b) Franchisee's Rights. Provided that Franchisee continuously satisfies its Customer for the performance of Services in the Service Area in accordance with System Standards and Franchisor does not receive complaints from Customers about the quality or timeliness of Franchisee's work in the Service Area (including, without limitation, failures to meet designated Cycle Times):

(i) Franchisee may provide, advertise and solicit Customers and provide Services outside of the Service Area so long as such area is not assigned as a Service Area of another Franchisee or Affiliate or operating as a company owned outlet. Franchisee may only provide Services to Customers located in another Franchisee's Service Area if authorized in writing by the Franchisee's Regional Director by following the procedure set forth in the Operations Manual. Failure to receive authorization from Franchisee's Regional Director in accordance with the terms of this provision and the Operations Manual shall be a default under this Agreement and Section 8(f) of this Agreement; and

(ii) Franchisor will not assign the same geographic territory as the Service Area as another SCA franchisee's area of primary responsibility. If, however, Franchisor determines that Franchisee is not meeting System Standards or complying with National Account quality and timeliness standards (including, without limitation, by failing to meet designated Cycle Times) and Franchisor determines that Franchisee is not Satisfactorily providing Services in the Service Area, then Franchisor may assign all or part of the Service Area to one or more other members of the SCA Network.

(c) No Exclusivity. Notwithstanding anything contained in this Section 3 or elsewhere in this Agreement or implied to the contrary, Franchisee does not have any exclusive rights of any kind within or outside of the Service Area, and Franchisor, its affiliates and its franchisees and their respective employees and contractors, may, without limitation or obligation to Franchisee, advertise, solicit and provide Services to clients of Customers located within the Service Area or in any other geographic area and itself open or franchise others to open one or more offices within the Service Area.

**4. Initial Payment.** In consideration of Franchisor's granting the franchise, Franchisee will pay Franchisor an initial franchise fee in the amount stated in Exhibit A. The franchise fee is payable (a) in full when Franchisee signs this Agreement; or (b) in accordance with the payment schedule outlined in the secured promissory note attached to this Agreement as Exhibit G. The initial franchise fee is deemed fully earned upon execution of this Agreement. The initial franchise fee is non-refundable. Franchisee also

acknowledges and agrees that the grant of the license to operate the Franchised Business and the undertakings and agreements of Franchisor contained in this Agreement constitute the sole and exclusive consideration for Franchisee's payment of the initial franchise fee.

## 5. Term and Renewal.

(a) Initial Term. The franchise will continue for an initial term of 5 years from and after the Effective Date ("Initial Term"), subject to earlier termination in accordance with Sections 14 and 15.

(b) Renewal. If, upon the expiration of the Initial Term, Franchisee is in full compliance with this Agreement and has been in substantial compliance with this Agreement during the entire Initial Term, Franchisor is still offering and selling SCA Franchised Businesses in the state in which you are operating your SCA Franchised Business, at the expiration of the Initial Term, and Franchisee satisfies the then current general standards for Franchisor's new franchisees, Franchisee will have the option to renew the Franchise for one additional 5 year term (the "Renewal Term" and together with the Initial Term, the "Term") by doing the following:

(i) notifying Franchisor of Franchisee's intention to renew not earlier than 180 days nor later than 90 days before the expiration date of the initial term;

(ii) signing Franchisor's then current renewal form of Franchise Agreement, which will govern Franchisor's and Franchisee's rights and obligations during the renewal term;

(iii) agreeing to any modifications to the Service Area due to System Standards, National Account needs, shifts in population, Customer demand or other factors;

(iv) completing and causing Franchisee's employees to complete any supplemental or refresher training Franchisor requires, not later than 30 days before the preceding term's scheduled expiration date;

(v) signing a general release, in the form prescribed by the Franchisor and hereto attached as Exhibit B, releasing Franchisor and Affiliate and their subsidiaries (if any) and their respective officers, directors, employees, attorneys, contractors, agents, and representatives from any claim that Franchisee may have against them prior to the expiration of the initial term of this Agreement (the "General Release"); and

(vi) Franchisee's Designated Appraiser obtains any additional certifications, licensing or authorizations required to provide any services or products offered by new franchisees at the time of renewal.

Upon Franchisee's notice to Franchisor of its desire to renew the Franchise within the time period prescribed in subsection (b) above, Franchisor, in turn, shall provide Franchisee with any documents that Franchisee is required to execute for the renewal term, which documents may include, but are not limited to, a general release, Franchisor's then current Franchise Agreement and all other ancillary agreements, instruments and documents then customarily used in granting new SCA franchises. Franchisee must execute and return to Franchisor, no later than the expiration date of the Initial Term. If Franchisor does not receive the executed documents by such expiration date, then this Agreement shall expire, Franchisee shall have no further rights under this Agreement. Further, if Franchisee fails or refuses to make the required modifications or undergo any refresher training or otherwise meet any conditions set forth above, then Franchisor shall have the right to terminate any renewal agreement.

(c) Failure to Properly Renew. If Franchisee fails or refuses to comply with any of the conditions to renewal contained in Section 5(b) and continues to accept the benefits of this Agreement, then, at Franchisor's option, this Agreement may be treated as: (i) expired as of the date of the initial term's expiration, which will result in Franchisee's operating the Franchised Business without a license in violation of Franchisor's rights; or (ii) continued on a month-to-month basis until Franchisor provides Franchisee with notice of Franchisor's intent to terminate the month-to-month term. In the latter case, all of Franchisee's obligations shall remain in full force and effect as if this Agreement had not expired, and all obligations and restrictions imposed upon Franchisee upon the expiration of this Agreement shall be deemed to take effect upon the termination of the month-to-month term.

(d) Current Form of Franchise Agreement. Franchisee acknowledges and agrees that Franchisor's renewal form of Franchise Agreement may vary in material respects from the terms and conditions of this Agreement, including, without limitation, with respect to royalty payments, further renewal rights, Service Area, Services, and other material and non-material economic and non-economic aspects of the relationship between the parties.

(e) Standards for Renewal. If at the time of renewal of the franchise, Franchisee is unable to satisfy Franchisor's then current general standards for new franchisees but is otherwise in compliance with the terms of this Agreement and System Standards, Franchisor will permit Franchisee to transfer the franchise to a purchaser that meets Franchisor's then general standards for new franchisees in accordance with the provisions of Section 12, subject to Franchisor's right of first refusal set forth in Section 12(f). If, after exercising diligent efforts to make such transfer, Franchisee is unable to do so by the expiration of the Initial Term of this Agreement, this Agreement will be renewed on a month-to-month basis for up to a maximum of 6 months, on the written request of Franchisee to Franchisor prior to the expiration of the Initial Term, to allow the Franchisee to complete such transfer.

(f) Failure to Renew. If Franchisee does not qualify to renew, or elects not to renew, the franchise, the provisions of Sections 15(b) through (e) and Sections 16 (b) and (c) will apply.

If any trainee from Franchisee's organization does not Satisfactorily complete the initial training program within the allocated time period, or if Franchisor determines that any trainee from Franchisee's organization cannot Satisfactorily complete the initial training program, Franchisee will designate a replacement and cause that person to attend and Satisfactorily complete the training program; provided, however, Franchisor reserves also the right to disqualify Franchisee as a franchisee of Franchisor by delivering written notice to Franchisee of such disqualification at any time prior to the time that the Operating Principal and Designated Appraiser Satisfactorily completes Franchisor's initial training program. If Franchisor disqualifies Franchisee as a franchisee of Franchisor pursuant to the foregoing provision, this Agreement will be deemed terminated. Franchisor will refund the initial franchise fee paid by Franchisee pursuant to Section 4 less any training and other out-of-pocket expenses incurred by Franchisor once (1) Franchisee returns to Franchisor all training materials, the Operations Manual and other written or electronic materials, and all copies thereof furnished to Franchisee or any other trainee and (2) Franchisee and its owners all sign a General Release. Neither party shall thereafter have any further rights or obligation under this Agreement, except under those provisions of this Agreement, which are by their nature intended to survive the termination of this Agreement. Franchisor will not permit Franchisee to provide Services until such time as the Operating Principal, Designated Appraiser and another of Franchisee's employees have Satisfactorily completed the initial training program. Franchisor reserves the right to modify the initial training program for current franchisees, prior SCA independent contractors or employees who have familiarity or previous knowledge of the System, System Standards or operations of a SCA Appraisal Business.

(ii) Franchisee will provide Franchisor the street and e-mail addresses and the telephone and fax numbers of Franchisee's Business Office, and will notify Franchisor of any change at least 10 Business Days before a change of address or telephone/fax number becomes effective. Franchisee will be solely responsible for the compensation, benefits, employer contributions, the deduction and deposit of withholding taxes on employee compensation, social security deductions and deposits, and all other costs attendant to the employment of all employees. Franchisee may not hire independent contractors or otherwise subcontract for the performance of Services under this Agreement except with Franchisor's prior written consent in each instance, which consent Franchisor may withhold in its sole, subjective discretion. Consent by Franchisor to any subcontracting arrangement for which such consent is requested by Franchisee will not constitute assurance by Franchisor that any subcontractor is not an employee of Franchisee as a matter of applicable local, state and federal laws pertaining to labor and employment, and Franchisee will at all times be solely responsible for compliance with such laws with respect to any person it characterizes as an independent contractor.

(iv) Franchisee will use the Marks, Intellectual Property, the Copyrighted Materials, and the Operations Manual in strict compliance with Section 11 and in a manner tending to promote the goodwill and public image of the Marks.

(vii) Franchisee will furnish to Franchisor copies of all federal and state income and sales tax returns that Franchisee files with respect to the Franchised Business' income or sales. Franchisee will deliver these returns to Franchisor within 30 Business Days after the date they are filed.

(viii) Franchisee shall observe the insurance provisions set forth in Section 7(d) of this Agreement and in the Operations Manual.

(ix) Franchisee will maintain complete and accurate books and records relating to the operation of the Franchised Business, permit Franchisor representatives to inspect such books and records at reasonable times and, within 45 days after the end of each fiscal year, submit to Franchisor a

balance sheet, income statement and statement of cash flow for the year then ended. These financial statements will disclose separately the items specified by Franchisor on forms it provides, and will be prepared in accordance with the accounting principles and practices Franchisor prescribes.

(x) Franchisee will permit Franchisor, at any time during the term of this Agreement and for 3 years after it expires or terminates, to conduct an audit of Franchisee's books and records. If an audit establishes that Franchisee's royalty reports or profit and loss statements have understated Gross Revenues for any fiscal year by more than 2%, Franchisee will pay the audit's cost, including the travel, lodging and meal expenses of the persons who conduct the audit. Otherwise, Franchisor will bear the audit's entire cost. Franchisee will promptly pay Franchisor any royalty and other fee deficiencies established by an audit, together with late fees and interest as provided in Section 13.

(xi) Franchisee will indemnify, hold harmless and timely defend Franchisor, and its Affiliate and their officers, directors, employees, agents, successors and assigns (each, an "Indemnified Party" and collectively, "Indemnified Parties") from and against any and all claims, demands, legal proceedings, administrative inquiries, investigations and proceedings, damages, losses, judgments, settlements, fines, penalties, remedial actions, costs and expenses (including attorneys' fees) asserted against, incurred or sustained by any Indemnified Party, whether or not separately insured, that arise out of or are attributable to Franchisee's operation of the Franchised Business, provision of any Services, or hiring or supervision of its employees (and/or any independent contractors engaged by Franchisee). Franchisor may elect (but under no circumstance will be obligated) to undertake or assume the defense of any such claim, demand, inquiry, investigation or proceeding (an "Indemnified Matter"), and to conduct and supervise all settlement negotiations related to any Indemnified Matter. Franchisee will pay the legal fees and other expenses Franchisor incurs in connection with the investigation, defense and settlement of any Indemnified Matter Franchisor undertakes to defend or assumes. Franchisor's election to undertake or assume the defense or settlement of an Indemnified Matter will not extinguish or diminish Franchisee's indemnification obligation hereunder. This obligation shall survive the termination of this Agreement.

(xii) Franchisee will not, without Franchisor's prior written consent, transfer or sell all or any interest in the Franchised Business or its assets or control of any Business Entity that is the Franchisee hereunder to any person or entity who has not agreed in accordance with Section 12 to continue to provide Services as a Franchisor franchisee.

(xiii) Franchisee shall maintain a Business Office from which Franchisee will conduct the Franchised Business that will satisfy Franchisor's specifications set forth in the Operations Manual. Except with Franchisor's prior written consent, Franchisee's Business Office will be located in Franchisee's Service Area. Franchisor may, in its sole discretion, permit Franchisee to operate from a Business Office located in Franchisee's place of residence.

(xiv) Franchisee will be solely responsible for all costs and expenses relating to the establishment and operation of the Franchised Business and will pay all amounts due to its vendors and creditors when due.

(xv) Franchisee shall monitor all users of Core and Core Mobile, including, without limitation, conducting background checks on any person that Franchisee provides with access to Core and Core Mobile prior to providing such person with access. Franchisee understands and acknowledges that National Account Customers have certain requirements that appraisers and persons with access to National Account information successfully pass background checks. Franchisee shall conduct such background checks at Franchisee's sole expense and shall provide Franchisor with a copy of any and all such background checks upon request. Only employees and agents of the Franchised Business who successfully pass background checks and are registered and authorized users may have access to Core and

Core Mobile. At any time, Franchisor may, in its sole discretion, mandate additional user restrictions and guidelines for Core and Core Mobile use and Franchisee must promptly comply with such additional restrictions and guidelines at Franchisee's sole expense.

(xvi) Franchisor may, in its discretion, hold international, national or regional seminars, conventions, conferences or meetings (collectively, the "Franchise Conventions") at a location to be selected by Franchisor. Franchisor may require Franchisee to attend any Franchise Conventions Franchisor holds. Franchisor reserves the right to charge an attendance or registration fee. The amount of the registration fee will not exceed the costs, per Franchisee, Franchisor incurs in holding the Franchise Convention. In addition, all expenses of Franchisee and its attendees, including wages, travel, living and miscellaneous expenses incurred during the Franchise Conventions, are Franchisee's sole responsibility. If Franchisor requires Franchisee to attend the Franchise Conventions, and Franchisee does not attend, additional fees may be imposed for necessary make up sessions and related expenses.

(c) General Standards of Performance.

(i) Recognizing the excellent reputation of Franchisor and Affiliate and the value of the goodwill associated with the Marks, Franchisee shall, in the operation of the Franchised Business, maintain the highest standards of honesty, integrity, and ethical conduct, and shall at all-times be responsive and courteous to Customers and their representatives and to clients for which Services are performed.

(ii) Consistent with the foregoing general standard of performance, Franchisee will not and will not permit any of its employees (or any independent contractors engaged by Franchisee) to accept a gratuity or anything of value from any client of any Customer for whom Franchisee performs Services, have any interest in any provider of goods or services in connection with the repair of any property damage relating to any assignment of Services to Franchisee, or having any interest in salvage purchase of property of any client of a Customer, or do any act or fail to do any act which creates a conflict of interest with any Customer.

(iii) Franchisee shall promptly report to Franchisor any complaints received on account of Services or otherwise from the operation of the Franchised Business, including, without limitation any litigation or notices of regulatory action by any governmental authority.

(iv) Franchisee acknowledges that the Franchisor may offer certain marketing and promotional programs for National Account and other clients and customers of the System. If Franchisee participates in such programs, then it agrees to fulfill its obligations and adhere to the standards, terms and conditions of such programs at all times. Any programs may be further described in the Operations Manual or other materials, which may be amended, cancelled, terminated or modified from time to time.

(d) Insurance Provisions

(i) Franchisee will carry continuously during the term of this Agreement insurance of the types (including worker's compensation, employer's liability, motor vehicle liability, various special liability coverage, and professional liability (errors and omissions)) in the amounts and with the coverage this Agreement and the Operations Manual specify from time to time and such additional insurance as may be required by laws or regulations applicable to the Franchised Business. It is Franchisee's sole obligation to determine whether such additional insurance is required by laws or regulations applicable to the Franchised Business. Until the Operations Manual specifies otherwise, Franchisee will carry general liability, employer's liability and automobile liability insurance (including

non-owned driver insurance for the automobile Franchisee uses in the Franchised Business) with policy limits of \$2,000,000 per person for death or bodily injury, \$500,000 property damage, and \$2,000,000 aggregate, cyber liability insurance in the minimum amount of \$3,000,000 and errors and omissions insurance in the minimum amount of \$3,000,000. Each policy must (1) be obtained from an insurance carrier that has and maintains a Best's Insurance Reports rating of A, Class VIII, or better; (2) satisfy the additional insured requirements set forth in Section 7(d)(iii) below and afford separate coverage to each named insured; (3) provide for a deductible of not more than \$7,500 per occurrence; (4) contain no provision that limits or reduces Franchisee's coverage on account of a claim against Franchisee by Franchisor; (5) provide for not less than 30 days' prior notice to Franchisor of cancellation, amendment, expiration or non-renewal; and (6) be primary coverage without the right of contribution from any of Franchisor's insurance. Franchisor may change these insurance requirements, upon reasonable notice to Franchisee, to conform to reasonable business practices. If Franchisee fails to maintain the required insurance, Franchisor may obtain coverage on Franchisee's behalf and charge the cost to Franchisee. Franchisee agrees to reimburse Franchisor for the premium costs Franchisor incurs to provide such coverage, plus Franchisor's administrative fee as provided in Section 13, within 10 days after Franchisor submits a statement for its costs.

(ii) The cost of the insurance policies will vary depending on the insurance carrier charges, terms of payment and certain factors unique to each franchise, including location, size and business volume. Payment will be spread out over 52 equal, weekly payments. The standards and specifications for insurance coverage as set forth in this Agreement (including, without limitation, the coverages offered pursuant to Section 6(a)(iv) of this Agreement) and in the Operations Manual are intended as "minimum" standards and Franchisee must review Franchisee's insurance coverage and policies, and Franchisee should consult with Franchisee's insurance agents, brokers, attorneys or other insurance advisors, to determine if additional coverage is necessary, desired or appropriate for Franchisee's Franchise in addition to the coverage and limits required by us. Franchisor does not represent or warrant that any insurance that Franchisee is required to purchase, or which Franchisor procures on Franchisee's behalf or offers pursuant to Section 6(a)(iv) of this Agreement, will provide adequate coverage for Franchisee. The requirements of insurance specified in this Agreement and in the Operations Manual are for Franchisor's protection. If Franchisee believes that Franchisee should not be required to carry an identified type of insurance or otherwise comply with Franchisor's minimum insurance requirements, Franchisee must submit a written waiver request and obtain a waiver from Franchisor. Until such time as Franchisor notifies Franchisee in writing of Franchisor's approval, Franchisee is obligated to comply with all minimum insurance requirements.

(iii) Each insurance policy required under this Agreement and/or the Operations Manual must contain a Grantor of Franchise endorsement approved in writing by Franchisor naming Franchisor as additional insureds and an additional insured endorsement approved in writing by Franchisor naming Franchisor, Franchisor's affiliates (including, without limitation, the Affiliate) and each of their respective officers, directors, managers, partners, members, affiliates, subsidiaries and employees as additional insureds. Additional insured status shall include, without limitation, coverage for ongoing and completed operations. The additional insured endorsement form shall be ISO CG 20-29 or any other form approved in writing by Franchisor that provides comparable coverage. Additional insured coverage shall not be limited to vicarious liability and shall extend to (and there shall be no endorsement limiting coverage for) the negligent acts, errors or omissions of Franchisor or other additional insureds. Franchisee shall maintain such additional insured status for Franchisor on Franchisee's policies (including its errors and omissions policies) continuously during the term of this Agreement.

(iv) Franchisee's obligation to obtain and maintain the insurance policies in the amounts specified in this Agreement and the Operations Manual shall not be limited in any way by reason of any insurance that may be maintained by Franchisor, nor shall Franchisee's procurement of required insurance relieve Franchisee of liability under the indemnification provisions set forth in this Agreement. Franchisee's insurance procurement obligations under this Agreement and as specified in the Operations Manual are separate and independent of Franchisee's indemnification obligations under this Agreement.

(v) Prior to the time any insurance is required to be carried by Franchisee, and thereafter prior to the renewal of any such policy, Franchisee must submit to Franchisor a copy of the certification of insurance evidencing such coverages that are required by this Agreement and the Operations Manual. Franchisee will also furnish a full copy of each insurance policy, both prior to the first day Franchisee provides any Services and within 10 days after each policy renewal date. Franchisor's review and verification of certain elements of Franchisee's insurance does not in any way reduce or eliminate Franchisee's obligations to fully comply with all of the insurance requirements set forth in this Agreement and in the Operations Manual.

(vi) It is Franchisee's sole obligation to fully comply with these insurance requirements and it is Franchisee's sole obligation to confirm with Franchisee's insurance providers that Franchisee's policies are in compliance. Franchisor may make an insurance program available to Franchisee and Franchisee agrees to pay the required allocated portion of the premium to Franchisor on demand or as otherwise required by Franchisor.

(vii) Franchisor's current insurance program does not include cyber liability insurance for Franchisee's business activities outside of utilizing Franchisor software. Franchisee will need to obtain a separate cyber liability insurance to cover its other cyber and data security needs and to comply with this Agreement and the Operations Manual.

(viii) Franchisor's current insurance program does not include coverage for Franchisee's Customers who are not National Account of the Franchisor. Franchisee must maintain its own errors and omission coverage for claims arising from Services provided to non-National Account Customers.

(e) Advertising.

(i) Franchisee is required to spend a minimum of ten (10) hours per month marketing, advertising and promoting the Services offered by Franchisee's Franchised Business in the Service Area and in accordance with the parameters, specifications and standards outlined in the Operations Manual (the "Advertising Requirement"). Franchisor may increase the Advertising Requirement to up to twenty (20) hours by notifying Franchisee of such change. Upon request, Franchisee must provide Franchisor Satisfactorily evidence that it is meeting the Advertising Requirement.

(ii) The Franchisor reserves the right to also require Franchisee spent a minimum amount of funds to meet the Advertising Requirement. If Franchisor imposes a minimum spend to meet the Advertising Requirement, then such amount will not exceed the greater of \$250 per month or one percent (1%) of Gross Revenue. Upon Franchisor request, Franchisee must send Franchisor proof of these expenditures on a monthly basis, or in any other manner as Franchisor may specify.

(iii) Franchisee's advertising must conform to all provisions of this Agreement. All advertising, promotion and marketing must be completely clear and factual, not misleading and conform to the highest standards of ethical marketing and promotion policies that Franchisor may prescribe from

time to time. In no event will Franchisee's advertising contain any statement or material which may be considered: (a) in bad taste or offensive to any group or person, (b) defamatory on any person or an attack on a competitor, (c) inconsistent with Franchisor public image, or (d) not in accord with Franchisor standards. Samples of all advertising, promotional and marketing materials which Franchisor has not prepared or previously approved must be submitted to Franchisor for approval before Franchisee uses them. If Franchisee does not receive Franchisor's written disapproval or approval within ten (10) business days after Franchisor receipt of such materials, the materials are deemed approved. Upon Franchisor notice Franchisee must immediately cease using any advertising, marketing or promotional materials which are no longer approved.

(iv) Marketing may include expenditures on television, radio, newspapers, magazines, billboards, posters, banners, brochures, direct mail, and other types of marketing designated in the Operations Manual and approved by Franchisor.

(f) Failure to Adhere to Performance Obligations. Without limiting any other right of Franchisor under this Agreement or under any applicable law, Franchisor may elect, in its sole discretion, to remedy any deficiency or default by Franchisee under this Section 7 or any failure of Franchisee to comply with System Standards or the Operations Manual (including any failure to meet the standards or requirements imposed by any National Account) and charge Franchisee for all of Franchisor's costs and expenses in doing so without prior notice or cure period. This includes, but is not limited to, initial estimates, supplements and revision/correction requests. A National Account file removed from Franchisee may be fulfilled by an alternative resource without compensation to Franchisee. Further, if Franchisee is unable to Satisfactorily service a National Account and Franchisor is required to re-assign the National Account to another member of the SCA Network, then Franchisee must reimburse Franchisor for its reasonable costs and expenses in doing so.

(g) Photo/Video Release. You acknowledge and authorize us to use your likeness in a photograph or video in any and all of our publications, including printed and digital publications and on websites. You agree and understand that any photograph or video using your likeness will become our property and will not be returned. You agree and irrevocable authorize us to edit, alter, copy, exhibit, publish, or distribute any photograph or video of your for any lawful purpose. You agree and waive any rights to royalties or any other compensation related to our use of any photograph or vide of you. You agree to hold harmless and forever discharge us from all claims, demands, and causes of action that you may have in connection with this authorization. For purposes of this Section "you" shall refer to your owners if you are a legal entity.

(h) Artificial Intelligence Usage. Franchisor acknowledges and agrees that in order to protect the goodwill of the System and the Intellectual Property, the use of artificial intelligence ("AI") in the Franchised Business must be conducted in a safe, thoughtful, and ethical manner. Franchisee shall adhere to the following guidelines when employing AI technologies within the Franchise operations as well as any other guidance set forth in the Operations Manual:

(i) *Permitted and Prohibited Use of AI.* Franchisee may implement AI solutions within the permitted business scope of operating its Franchise, focusing on tasks such as process automation, customer service optimization, data analysis, and targeted marketing. Franchisee is strictly prohibited from using AI solutions to: (i) access, use, or transmit Confidential Information or Intellectual Property without Franchisor's prior written authorization; (ii) collect, store, or otherwise utilize Intellectual Property and Confidential Information in any way not expressly permitted under this Agreement and applicable data privacy laws; (iii) engage in any activity that could harm the System or Franchisor's brand reputation or expose it or us to legal or regulatory risk; and (iv) develop or deploy AI solutions that violate

applicable laws or regulations, including those pertaining to discrimination, data privacy, and consumer protection.

(ii) *Data Security, Confidentiality, and Privacy.* Franchisee must implement and maintain appropriate technical and organizational measures to protect the security and privacy of all data processed or stored through AI solutions. Franchisee shall not use, disclose, or permit the use or disclosure of any Confidential Information, including but not limited to trade secrets, business strategies, and proprietary processes, in connection with the development, implementation, or operation of AI technologies. Under no circumstances shall Franchisee use any Intellectual Property and Confidential Information, whether obtained through the System or otherwise, in connection with AI technologies. Franchisee must promptly notify Franchisor of any potential data security breaches or privacy violations involving Franchisee's AI solutions.

(iii) *Ethical AI Practices.* Franchisee agrees to employ AI technologies in accordance with industry best practices and ethical standards. This includes, but is not limited to, ensuring transparency, fairness, and accountability in AI decision-making processes.

(iv) *Monitoring and Reporting.* Franchisor reserves the right to periodically audit Franchisee's use of AI solutions to ensure compliance with this provision. Upon request or as otherwise directed in the Operations Manual, Franchisee agrees to provide Franchisor with regular reports on the performance and impact of Franchisee's AI solutions, including metrics relevant to data security, privacy, and compliance in the form set forth in the Operations Manual.

(v) *Consequences of Breach.* Any violation of this provision constitutes a material breach of this Agreement and entitles Franchisor to all remedies available under law and this Agreement, including termination of the Franchise Agreement. Notwithstanding anything set forth in these guidelines or the Operations Manual, Franchisee is solely responsible for ensuring its use of AI solutions and technologies comply with all applicable laws, rules and regulations, industry best practices, and any vendor supplier contracts. In no event will Franchisor be responsible for Franchisee's use of AI solutions or technologies, and Franchisee shall defend and indemnify Franchisor in accordance with Section 20 of this Agreement for any losses and expenses incurred as a result of Franchisee's use of AI solutions and technologies.

The specifications and additional terms and conditions of the Elite Program are outlined in the Operations Manual.

Provided however, the sublicense or license fee payable by Franchisee for any such software programs will not exceed \$500 a month during the first 24 months of any such sublicense or license.

(c) Technology Fee. Franchisor does not current charge a separate technology maintenance fee, but it reserves the right to charge a reasonable fee in the event Franchisor or its Affiliates (i) creates or develops and licenses to Franchisee additional software or other technology, (ii) modify, improve, replace or enhance proprietary software, the Information Systems, the website, or technology already licensed to Franchisee, (iii) furnishes Franchisee with other technology or e-commerce related software, maintenance and support services or (iv) incur increased costs or expenses related to third-party software Franchisor requires.

(d) Quality Control Review Administrative Fee/Special Services Fee. It is Franchisee's responsibility to complete all Services for its customers, including all National Accounts in accordance with System Standards. If Franchisee requests that Franchisor provide certain quality control reviews or special services (for example, material corrections or revisions to appraisal reports and estimates), then Franchisor may, in its sole discretion and subject to personnel availability, agree to complete such services on a single occurrence or temporary basis. The current fees for such services are set forth on Exhibit A.

(e) Non-Compliance Fee. In addition to any amounts due under Section 7(f), Franchisor may charge Franchisee \$500 for any instance of non-compliance with the System Standards of this Agreement (other than Franchisee's non-payment of a fee owed to Franchisor). If such non-compliance is ongoing, Franchisor may charge Franchisee \$500 per week until Franchisee ceases such non-compliance. This fee is a reasonable estimate of Franchisor's internal cost of personnel time attributable to addressing the non-compliance, and is not a penalty or estimate of all damages arising from Franchisee's breach. The non-compliance fee is in addition to all of Franchisor's other rights and remedies.

(f) No Off-Sets. Franchisee may not withhold or offset payment of royalties, or other amounts due Franchisor or Affiliate on account of any breach or alleged breach of Franchisor's obligations under this Agreement. Any failure to make payments due Franchisor or Affiliate at the time such payments are due will give rise to the remedies described in Sections 14 and 15 of this Agreement. Royalties and other fees due under this Agreement are not refundable under any circumstances.

## **9. Guaranty.**

(a) Execution and Delivery. If Franchisee is a Business Entity, contemporaneously with the execution and delivery of this Agreement, all persons owning an equity interest in such Business

Entity (whether direct or indirect) shall execute and deliver to Franchisor the Guaranty in the form of Exhibit D hereto.

(b) Default under Guaranty. If, for any reason, a Guaranty between Franchisor and any of the persons that own an equity interest in a Business Entity that becomes the Franchisee hereunder (whether at the time of execution of this Agreement, or thereafter pursuant to Section 12(c)) materially breaches such Guaranty or for any reason such Guaranty is no longer in full force and effect, such event shall be deemed a default under this Agreement.

**10. System Modifications.** Franchisor reserves the unlimited right in its sole discretion to modify the System, the Services provided and the Service standards (including, without limitation, designated Cycle Times) or System Standards for any reason, including, without limitation, to respond to changes in Customer needs, implement efficiencies, accommodate new methods and technologies, and be more competitive. These changes may include, but are not limited to, requiring Franchisee to utilize new methods of servicing Customers, including new products and software that provide virtual appraisal services or that solicit or service customers through crowdsourcing. Franchisor will provide Franchisee with written notice of any such modifications as they occur, including, without limitation, through regular mail, email, posting on the Franchisor's websites or other means. Franchisee must implement all changes at its sole expense.

**11. Intellectual Property.**

(a) Marks and Copyrighted Materials. Franchisee acknowledges and agrees that:

(i) Affiliate and/or Franchisor are the sole owner of the Marks, the Intellectual Property and the Copyrighted Materials, that Franchisee's interest in the Marks, the Intellectual Property and the Copyrighted Materials is solely that of a sublicensee pursuant to the terms and conditions of this Agreement, and that all uses of the Marks and the Copyrighted Materials by Franchisee are for the benefit of Franchisor;

(ii) Franchisee will conduct business exclusively under the trade name "SCA Appraisal Franchisor," without prefix or suffix. All advertising, bank checks, business cards, invoices, business stationary, business forms, and signs used by Franchisee in connection with the operation of the Franchised Business will include the following legend: "An independently owned and operated franchise of SCA Franchising Corporation."

(iii) If Franchised is a Business Entity, Franchisee will not use any of the Marks or any abbreviation, acronym or variation of those words as part of the name of Franchisee. Franchisee will file an assumed name or fictitious name registration in accordance with applicable law to signify that it is operating as "SCA Appraisal Franchisor";

(iv) Franchisee will not copy, distribute or otherwise disseminate any of the Copyrighted Materials except as specifically permitted, and subject to, the restrictions and limitations of this Agreement;

(v) Franchisee will not use any of the Marks or the Copyrighted Materials to advertise, promote, furnish or sell any goods or services other than Services pursuant to this Agreement;

(vi) Franchisee will at its expense: (1) adopt and use all additional trademarks, brand names, copyrighted materials, slogans, commercial symbols and logos Franchisor develops from time to time, (2) use the Marks in the form and manner Franchisor prescribes, and (3) observe Franchisor's

directions regarding the use, copying and distribution of the Copyrighted Materials. Franchisee will promptly abandon and discontinue the use of any Mark or Copyrighted Materials that Franchisor determines in its sole business judgment should be discontinued. Franchisee will submit to Franchisor for approval prior to use all business forms, advertisements and promotional materials not furnished by Franchisor;

(vii) Franchisee will not knowingly permit, and will promptly report to Franchisor, any unauthorized use of a Mark and any unauthorized use of any Copyrighted Materials by any person, or the use by any person of a trade name, trademark, service mark or symbol that Franchisee believes is confusingly similar to a Mark, and will cooperate with the Franchisor in the investigation and protection by Franchisor of its trademark and copyright rights. Franchisor reserves the right to make the final determination of infringement or other unlawful use, to conduct all legal proceedings relating to the Marks and the Copyrighted Materials, and to compromise or settle all infringement claims.

(viii) Franchisee will immediately report to Franchisor any claim by any third party that Franchisee's use of the Marks or Copyrighted Materials violate the legal rights of such third party. Any action taken or not taken by Franchisor in response to any claim by a third party will be in its sole business judgment, based on business decisions that Franchisor alone will be entitled to make in good faith. Franchisor does not warrant to Franchisee that Franchisor's ownership of any of the Marks or Copyright Materials is incontestable or that they do not infringe or conflict with the rights of any third party.

(ix) Upon the expiration or termination of this Agreement, Franchisee will immediately discontinue all use of the Marks, the Intellectual Property and Copyrighted Materials and will make no statement or claim that Franchisee is or was formerly associated with the SCA Network. Further, Franchisee will take appropriate action to remove the Marks from any signs, cancel any advertising relating to Franchisee's use of the Marks, the Intellectual Property or the Copyrighted Materials, including yellow pages listings, cancel or withdraw any assumed or fictitious name flings covering Franchisee's use of Marks, and otherwise cease using the Marks to identify Franchisee. Franchisee acknowledges and agrees that Franchisee's failure or refusal to comply fully with these requirements will constitute willful trademark and copyright infringement.

(b) Confidentiality; Operations Manual. During the Term, Franchisor will grant Franchisee electronic (or other) access to the Operations Manual or other writings in which Franchisor designates the System Standards (such Operations Manual to include all written guidelines, bulletins, descriptions, instructions, recordings, videotapes, audiotapes, magnetic media, and computer software concerning System Standards, including updates, amendments and supplements, however communicated by Franchisor or its affiliates or designees). The Franchisee acknowledges and agrees that the System belongs exclusively to Affiliate and Franchisor and that the Operations Manual is confidential and contains information that is proprietary to Franchisor and Affiliate. Franchisee agrees that the unauthorized disclosure or use of any confidential element of the System or any other information contained in the Operations Manual or other materials provided by Franchisor may damage Affiliate and Franchisor. Accordingly, Franchisee agrees to perform and abide by the following provisions and restrictions, each of which will survive the expiration or termination of this Agreement and will be perpetually binding upon Franchisee:

(i) Franchisee will hold the elements of the System, the Intellectual Property, the Confidential Information of the Franchisor and its Affiliates and the contents of the Operations Manual in strict confidence, will not disclose any operating or management procedure to any person or Business Entity other than Franchisee's employees to whom such disclosure is necessary in relation to their job duties, and will instruct and routinely remind Franchisee's employees that the System and the contents of the Operations Manual are confidential and may not be disclosed or appropriated.

(ii) Franchisee will not use any element of the System or the operating, management or marketing procedures the Operations Manual contains in connection with the operation of any business or enterprise other than the Franchised Business, and will promptly discontinue use of the System and the operating, management and marketing procedures the Operations Manual contains upon the expiration or termination of this Agreement.

(iii) Franchisee will not, without Franchisor's prior written consent, copy or permit any person to copy or reproduce any part of the Operations Manual or otherwise permit their use or inspection by any person other than Franchisee's employees to whom such disclosure is necessary in relation to their job duties, and authorized Franchisor representatives.

(iv) The version of the Operations Manual on file in Franchisor's offices constitutes the standard, official version for purposes of resolving any question or dispute concerning the Operations Manual's contents.

(v) Franchisee will obtain from each of Franchisee's employees, including part-time and temporary employees, a Confidentiality/Restrictive Covenant Agreement in the form approved from time to time by Franchisor.

(vi) Franchisee agrees that the Operations Manual is the sole property of Franchisor and is lent to Franchisee for Franchisee's use during the term of this Agreement and subject to the terms and conditions hereof. Franchisee will at all times ensure the confidential safekeeping of the Operations Manual and will promptly return it to Franchisor upon the expiration or termination of this Agreement.

(vii) The Operations Manual may be modified by Franchisor from time to time to reflect changes in the System Standards. The revisions to the Operations Manual will be effective on delivery to Franchisee (including via electronic format), unless Franchisor specifies a later effective date for a particular revision.

(c) Internet Domain Name. Franchisee acknowledges that Franchisor or Affiliate owns and operates a website with the domain name, www. sca-apraisal.com. Franchisee agrees not to use or register any domain name that contains any of the Marks or words that are confusingly similar to any of the Marks.

(d) Customer List. Franchisee assigns and transfers to Franchisor all rights or interests that Franchisee has or may have in the Customer List, as constituted from time to time, with the result that the Customer List will be and remain Franchisor's sole property. Franchisor grants Franchisee the right and license to use the Customer List during the term of this Agreement solely for the purposes contemplated by this Agreement. Franchisee will maintain and use the Customer List in strict compliance with any privacy policy that Franchisor adopts for the SCA Network.

## **12. Transfers.**

(a) Limitations on Transfer. Franchisee acknowledges that the integrity of the System and the stability of the SCA Network depend in large measure on the technical skills, business qualifications, financial capabilities, honesty and integrity of Franchisor's franchisees. Franchisee further acknowledges that Franchisor's lack of opportunity to evaluate and approve each potential franchisee's qualifications and the terms of each proposed transfer could irreparably damage the SCA Network. Consequently, Franchisee agrees not to sell, assign, transfer, give away, pledge, mortgage or otherwise dispose of any interest in the franchise or Franchisee's rights under this Agreement without Franchisor's

prior written consent. If Franchisee is a Business Entity, any sale, transfer or other disposition of any equity interest in Franchisee (except a limited partnership interest) will be considered a transfer covered by and subject to the terms and conditions of this Section 12. Any transfer lacking Franchisor's prior written consent or that otherwise violates the restrictions in this Section 12 will be ineffective against Franchisor and will constitute a default under Section 14(c)(ii).

(b) Conditions to Voluntary Transfer of Rights. Franchisor's consent to a voluntary disposition of Franchisee's interest in the franchise or under this Agreement will not be unreasonably withheld, provided that Franchisee files a written request for Franchisor's consent a reasonable time prior to the proposed transfer date along with a deposit of \$1,000 (the "Transfer Deposit"), and complies with all of the following conditions:

(i) At the time of transfer, Franchisee is in full compliance with Franchisee's obligations under this Agreement, including payment of all monetary obligations due Franchisor;

(ii) The proposed transfer or other disposition involves the complete disposition of the Franchise Business, and Franchisee simultaneously assigns all of its rights and the transferee assumes all of Franchisee's obligations under this Agreement in writing for the benefit of Franchisor;

(iii) Franchisee delivers to Franchisor all copies of the Operations Manual, as supplemented or amended, the Customer List and all Copyrighted Materials;

(iv) Franchisee furnishes Franchisor a copy of the contract of sale, including price and payment terms, and Franchisor, in its sole discretion, determines that the transferee will be able to satisfy any debt obligations to Franchisee and still derive a reasonable profit from the Franchised Business;

(v) Concurrently with the transfer, the transferee agrees to the termination of this Agreement and executes Franchisor's then current form of Franchise Agreement (which will provide for the same royalty and Ad Fund rates as those provided in this Agreement and will limit the term of the transferee's franchise to the unexpired term of Franchisee's franchise);

(vi) The transferee provides Franchisor a General Release;

(vii) Each General Partner or holder of more than 9% of the transferee's equity delivers a signed Guaranty to Franchisor;

(viii) The transferee's Operating Principal and another of transferee's employees Satisfactorily complete the training program provided under Section 6(a)(iii);

(ix) Franchisor receives a Transfer Fee in the amount stated in Exhibit A to cover the cost of the transferee's training and Franchisor's administrative, legal and other expenses in connection with the transfer; and

(x) The Franchisee and its owners sign and deliver to Franchisor general releases, in form and substance prescribed by Franchisor, releasing Franchisor and Affiliate and their respective officers, directors, employees, agents and representatives from any known or unknown claim, except for the payment of uncollected amounts due Franchisee for Services prior to the effective date of transfer.

Franchisor will hold the Transfer Deposit for a period of ninety (90) days as collateral for the satisfaction of all of Franchisee's financial and other obligations due to Franchisor or its Affiliates. Ninety days after the effective date of the transfer, Franchisor shall refund the Transfer Deposit less any unpaid liabilities attributable to Franchisee during its ownership of the Franchise under this Agreement. Additionally, if Franchisor determines that there are any potential claims, damages, liabilities, or amounts which may become due to Franchisor as a result of Franchisee's operation of the Franchise (including third-party indemnification claims) in an amount which is reasonably likely to exceed the amount of the Transfer Deposit, then Franchisor may require Franchisee escrow such amounts from the sale proceeds as security for such potential liabilities. For the avoidance of doubt, neither the Transfer Deposit nor the escrow shall not limit Franchisor's rights, remedies, damages or claims against Franchisee under this Agreement or otherwise at law.

(c) Transfer for Convenience of Ownership. An individual Franchisee may form a Business Entity and transfer the franchise to the new entity, provided that Franchisee owns 100% of the equity interest in the new entity. To obtain Franchisor's consent to the transfer, the new entity must expressly assume Franchisee's obligations under this Agreement, Franchisee must personally guaranty the new entity's obligations to Franchisor, and the new entity must pay Franchisor a fee of \$1,500 to defray its administrative expenses incident to a transfer by Franchisee.

(d) Involuntary Transfers. No involuntary transfer or partitioning of Franchisee's interest in the franchise or under this Agreement, whether in connection with bankruptcy, foreclosure, divorce or other proceeding, will be effective against Franchisor unless all of the following conditions are satisfied:

(i) the transferee shall each deliver to Franchisor a signed Guaranty under which transferee agree to be jointly and severally liable for the payment of Franchisee's monetary obligations under this Agreement, whether or not such obligations are then delinquent;

(ii) the transferee agrees in writing to be personally bound by the confidentiality provisions and restrictive covenants in this Agreement; and

(iii) unless the transfer encompasses Franchisee's total interest in the franchise and under this Agreement, the transferee irrevocably designates and appoints Franchisee to be the transferee's agent and attorney-in-fact with whom Franchisor may deal for all purposes expressed in or contemplated by this Agreement.

(e) Waiver of Interference Claims. Franchisee acknowledges that Franchisor has legitimate reasons to evaluate the qualifications of potential transferees and to analyze and critique the terms of their purchase contracts with Franchisee. Franchisee also acknowledges that Franchisor's contact with potential transferees for the purpose of protecting its business interests will not constitute wrongful conduct, including without limitation, unlawful interference with Franchisee's business or contracts. Franchisee expressly authorizes Franchisor to investigate any potential transferee's qualifications, to analyze and critique the proposed purchase terms with the transferee, and to withhold consent to economically questionable transactions. Without limitation of the foregoing, Franchisee waives any claim that any action Franchisor takes in relation to a proposed transfer to protect its business interests constitutes tortious interference with contractual or business relationships.

(f) Right of First Refusal. If Franchisee receives a bona fide offer to purchase Franchisee's interest in this Agreement or in the Franchised Business from any third party, or Franchisee proposes to sell, assign or otherwise transfer Franchisee's interest in this Agreement or in the Franchised Business to any third party, other than a Business Entity in which Franchisee owns the entire equity interest, or if the owners of a 51% or greater equity interest in Franchisee propose to sell, assign or otherwise transfer any part of their equity interests in Franchisee (either in a single transaction or a series of related transactions), Franchisee or the owners of a controlling interest in Franchisee (the "Franchisees") will first offer to sell such interest to Franchisor on the following terms:

(i) The Franchisees will provide to Franchisor an exact copy of the offer they made or received, and Franchisor will have 30 days from the receipt of the offer either to accept or reject it. Written notice of Franchisor's decision to accept or reject the offer will be delivered by Franchisor within the 30-day period. Acceptance by Franchisor will be at the same price and on the same terms set forth in the offer, except that the Franchisor will have the right to substitute cash for the fair market value of any non-cash consideration.

(ii) If Franchisor fails to accept the offer within the 30-day period, Franchisee will be free to effect the disposition upon the terms set forth in the offer upon compliance with the requirements of Section 12(b); provided, however, if the transfer or other disposition is not completed within 120 days after the end of such 30-day period, Franchisor shall again be given notice and shall have a new right of first refusal on the terms and conditions set forth herein.

(g) Transfer Upon Franchisee's Death or Disability.

(i) This Section 12(g) applies only if (i) an individual franchisee, a general partner that owns 50% or greater economic interest in a Franchisee that is a partnership, a member of a limited liability company that is the Franchisee and owns 50% or more of the membership or economic interests in the Franchisee, or a beneficial owner of 50% or more of the outstanding capital stock of a Franchisee that is a corporation dies or becomes disabled during the term of the franchise, and (ii) the death or disability results in a change in responsibility for managing the Franchised Business.

(ii) During the first 180 days after the death or disability occurs, Franchisor will evaluate the new management's willingness and ability to operate the Franchised Business in compliance with this Agreement. By the end of the 180-day evaluation period, Franchisor will decide whether the new management is qualified to manage the Franchised Business and will notify management of its decision. As conditions to continuing the franchise, each new proprietor, general partner or beneficial owner of 50% or more of Franchisee's equity must furnish Franchisor a signed Guaranty, and any Event of Default by Franchisee (whether or not the subject of a prior notice from Franchisor) must be Satisfactorily cured. Further, Franchisor may require the new management to attend and Satisfactorily complete the training program provided under Section 6(a)(i).

(iii) If any of the conditions stated in Section 12(g)(ii) are not satisfied, or if Franchisor decides that the new management has not adequately demonstrated its technical or business qualifications or commitment to the franchise relationship, the owners of the franchise will have 180 days after delivery of Franchisor's notice to sign a binding contract to sell the Franchised Business to a buyer approved by Franchisor in accordance with, and in a transaction structured to comply with, Section 12(b). The proposed sale will be subject to Franchisor's right of first refusal under Section 12(f).

(iv) If any of the franchise's owners fail to sign a binding contract of sale before the 180-day selling period expires, or if a contract is signed, but the proposed sale is not concluded

within 30 days after Franchisor approves the transfer, Franchisor may terminate this Franchise Agreement in accordance with Section 15.

(h) Legend on Certificates. If Franchisee is a Business Entity, or if the franchise is transferred to a Business Entity, Franchisee agrees to cause each certificate evidencing shares of its capital stock, LLC membership units or the partnership agreement to be imprinted with a conspicuous legend to the affect that ownership interests in Franchisee are subject to the provisions of this Section 12.

(i) Ownership Reports. To assist Franchisor in determining and enforcing its rights under this Section 12, Franchisee agrees to submit to Franchisor on or before December 31 of each year a written list of the name and address of each person who owns an equity interest in Franchisee, designating the amount and percentage of equity interest each such person owns.

(j) Assignment by Franchisor. There are no restrictions upon the right of Franchisor to assign its rights or delegate its obligations under this Agreement. Without limiting the generality of the foregoing, Franchisor may delegate any of its duties described in Section 6(e) of this Agreement to Affiliate or a subsidiary of Affiliate.

**13. Late Fees; Interest on Delinquent Accounts.** If Franchisee fails to make any royalty or any other periodic payment to Franchisor within 3 Business Days after it is due, Franchisee will make the following payments to Franchisor in addition to the amount otherwise due:

(a) a one-time late fee of 2% of the amount due, which amount is intended as compensation for Franchisor's costs and administrative expenses in processing late payments and is not interest or a penalty; and

(b) interest on any overdue payment at the lower of (i) one and one-half percent (1.5%) per month; or (ii) the highest contract rate allowable by law. Interest on any overdue amount shall accrue from the original due date until payment in full is received. Interest as enumerated in this Section 13 shall also apply to any understated amounts as revealed by an audit of Franchisee's financial records. Franchisee acknowledges that this Section 13 is not Franchisor's agreement to accept any payments after they are due or our commitment to extend credit to, or otherwise finance Franchisee's operation of the Franchise.

Nothing in this Agreement will obligate Franchisee or any guarantor of Franchisee's obligations to pay, or entitle Franchisor to collect, interest in excess of the maximum rate applicable law permits. If, for any reason, Franchisor charges or receives interest in excess of the maximum rate permitted by applicable law, the excess will be applied as a payment against the principal amount of Franchisee's other obligations under this Agreement. If no other obligations are due, Franchisor will promptly refund the excess payment to the party that paid it.

**14. Default.**

(a) Event of Default. If any event or condition listed in this Section 14 (an "Event of Default") occurs, Franchisee will be deemed to have committed a material breach of this Agreement. The occurrence of an Event of Default is not predicated on notice of default by Franchisor. Franchisor's failure to take prompt action with respect to a particular Event of Default will not constitute a waiver of that or any subsequent Event of Default.

(b) Curable Defaults. Following are Events of Default that Franchisee may cure by taking appropriate remedial action within a prescribed time after Franchisor demands remedial action. Unless Franchisee cures such an Event of Default before the end of the indicated remedial period,

Franchisor may terminate this Agreement or take any of the other actions Section 15 permits. If the Event of Default is cured to Franchisor's satisfaction before Franchisor gives Franchisee notice of termination, Franchisor will not proceed under Section 15.

(i) The Operating Principal or Designated Appraiser of Franchisee fails to complete the training program in accordance with Section 7(a)(i), or to establish and begin operating the Franchised Business within 90 days after the Effective Date, and fails to cure such failure within 30 days after Franchisor notifies Franchisee in writing of the remedial action to be taken;

(ii) Franchisee fails to fulfill any requirement, to perform any obligation, or to observe any restriction set forth in Section 7(b) and fails to come into compliance within 30 days after Franchisor notifies Franchisee in writing of the remedial action to be taken;

(iii) Franchisee fails to pay any royalty or other payment due Franchisor or Affiliate, including any late payment and interest on delinquent payments, within 10 days after notice that payment is past due;

(iv) Franchisee fails to maintain the insurance required under Section 7(b)(viii) and Section 7(d) and fails to cure such breach within 10 days' notice from Franchisor;

(v) Franchisee fails to attend any required Continuing Training, Remedial Training or Franchise Convention and fails to cure such breach within 10 days' notice from Franchisor;

(vi) Franchisee fails to meet its Advertising Requirement and fails to cure such breach within 10 days' notice from Franchisor;

(vii) Franchisee fails in any way to comply with System Standards and fails to cure such breach within 10 days' notice from Franchisor; or

(viii) Franchisee breaches any other obligation undertaken by it under this Agreement (other than the non-curable defaults described in Section 14(c)) and fails to remedy such breach within 30 days after written notice from Franchisor specifying the breach alleged to have occurred and the action to be taken by Franchisee in curing the same.

(c) Non-Curable Defaults. Following are Events of Default that are non-curable and give rise to the right by Franchisor to forthwith terminate this Agreement immediately upon the delivery of notice of termination to Franchisee:

(i) Franchisee's franchise application was untrue, incomplete or misleading in any material respect when delivered to Franchisor;

(ii) Franchisee either (i) fails to observe or comply with the requirements of Section 12 in connection with any sale, assignment or transfer, or (ii) makes a material misrepresentation in any transfer request or document in support of a request for Franchisor's consent to a transfer of the Franchise;

(iii) Franchisee commits a breach of Section 16(a) (exclusive dealing) or of the confidentiality provisions of Section 11(b) of this Agreement;

(iv) Franchisee violates the provisions of Section 12 hereof;

(v) Franchisee abandons the Franchised Business. Franchisee will be conclusively presumed to have abandoned the Franchised Business if Franchisee fails to accept National Accounts or fails to provide Services on more than 5 consecutive Business Days or on more than 10 Business Days in any calendar month, except on account of verified injury or illness, or any other planned or unforeseen event (of which Franchisor is informed in accordance with the requirements of the Operations Manual), or other circumstances Franchisee demonstrates was beyond Franchisee's reasonable control;

(vi) Franchisor receives 2 or more verified complaints from a National Account (including an employee or representative thereof), claimant, insured, SCA employee, approved supplier or vendor (including any auto body shop owner) or any other party involved in the service transaction about Franchisee's Service performance during any consecutive 12-month period or 3 verified complaints from any of the parties listed above during the entire Term of you operating the Franchise (whether overlapping the Initial Term and any Renewal Term), whether or not Franchisee successfully resolves the complaints;

(vii) Franchisee fails repeatedly to meet required Cycle Times;

(viii) Franchisee commits or allows to occur 3 or more Events of Default during the Term of the Franchise or during any consecutive 12 month period during the Term of the Franchise (whether overlapping the Initial Term and any Renewal Term) , whether or not the Events of Default are related types of default and whether or not they are cured;

(ix) Franchisee, if Franchisee is a natural person, or any employee who remains employed by Franchisee after a conviction occurs, is convicted of driving while intoxicated (or comparable offense) while driving a vehicle during the course of performing Services;

(x) Franchisee or any person who executes a Guaranty becomes insolvent, admits in writing the inability to pay the monetary obligations of Franchisee or the guarantor as they mature, is adjudicated a bankrupt, voluntarily files a petition for liquidation, rehabilitation or reorganization under any provision of the United States Bankruptcy Code, makes an assignment for the benefit of creditors or takes any other action pursuant to any federal or state insolvency statute;

(xi) A receiver or trustee is appointed for all or a substantial part of Franchisee's assets, or a judgment for an amount in excess of \$5,000 is entered against Franchisee that Franchisee does not pay or stay within 30 days after the judgment is entered;

(xii) Franchisee, or if Franchisee is a Business Entity, any person that owns more than 49% of the Business Entity, is convicted of a felony, fraud, embezzlement, or any crime involving moral turpitude;

(xiii) Franchisee fails to obtain or to maintain any license required by applicable law to lawfully operate the Franchised Business;

(xiv) Franchisee commits an uncured or incurable default under either the Franchisor's Approved Accounts Receivable Purchase Agreement, in the form of Exhibit C, attached hereto, or any other agreement between Franchisee and Franchisor or its Affiliate, leading to the termination thereof;

(xv) The commission by Franchisee of any act of dishonesty or other intentional malfeasance relating to or, in Franchisor's sole, subjective judgment, materially adversely affecting the Franchised Business or Franchisee's ability to continue to successfully operate the Franchised

Business or the goodwill associated with the Marks, including without limitation, maintaining false or misleading books and records, accepting anything of value from a person to influence Franchisee's property damage appraisal, purchasing or selling any type of salvage, using body shop estimates without independent estimates or investigations, steering of claims, having an interest in any person or entity that performs services for any client of a Customer, or having a conflict of interest with any Customer; or

(xvi) Franchisee violates Section 6(c) of this Agreement, including but not limited to, by (a) communicating with employees or representatives of National Accounts other than the National Account Rep (except in cases of potential or suspected insurance fraud); or (b) engaging in inappropriate behavior or behaving in an unprofessional manner towards any Customer, National Account, insured, claimant, approved suppliers or vendor, auto body shop or service center owner, or their respective employees and representatives.

**15. Actions Upon Expiration or Termination of Agreement.** All of the following remedies of Franchisor upon expiration or earlier termination of this Agreement are cumulative:

(a) Commission of Event of Default. If Franchisee commits or allows an Event of Default to occur and does not cure it before the related remedial period, if any, expires, or if Franchisee fails to or is unable to renew the term of this Agreement, Franchisor may at its sole discretion, either terminate the franchise and Franchisee's rights under this Agreement or compel Franchisee to sell the Franchised Business in accordance with Section 15(d), giving rise to Franchisor's purchase option in Section 15(e). Upon termination or expiration of the franchise, Franchisee's right and privilege to use the Marks, the Copyrighted Materials, the Operations Manual and the System will cease. Thereupon, Franchisee will immediately:

- (i) discontinue use of the Marks, the Copyrighted Materials and the System;
- (ii) return to Franchisor the Operations Manual, including any supplements thereto;
- (iii) deliver to Franchisor the Customer List, retaining no copies; and
- (iv) remove from the Business Office all signs containing the Marks and other materials in which the Marks are used.

(b) Payment of Amounts Due. Franchisee shall pay to Franchisor all royalties and other amounts due Franchisor, plus late fees and interest due under Section 13.

(c) Injunctive Relief. Franchisor will be entitled to injunctive relief, without bond, against Franchisee restraining the unauthorized use of any Mark or Copyrighted Materials, or the unauthorized use or disclosure of Franchisor's confidential information.

(d) Purchase Option. Franchisor or its nominee will have an option (but no obligation) to purchase all of the tangible assets relating to the operation of the Franchised Business from Franchisee within 90 days after the Agreement expires or is terminated. The purchase price will equal the net book value (i.e. cost, less depreciation) or fair market value, whichever is lower of all tangible assets of Franchisee. In computing the purchase price, no value will be given to this Agreement, the Marks, the goodwill associated with the Marks or the Customer List, since all of such assets are the sole property of Franchisor. The purchase price will be payable in cash (except that Franchisor may assume any note or lease covering office equipment). Franchisee agrees to provide Franchisor the information necessary to establish the purchase price, to assign and deliver to Franchisor a bill of sale or an assignment of lease, and

otherwise to cooperate with Franchisor in its taking title to and delivery of the items Franchisor purchases. If Franchisee fails or refuses to comply with its obligations under this Section Franchisor will be entitled to an order from any court of competent jurisdiction for an order of specific performance.

(e) Hold Back. Franchisor shall have the right, following termination, transfer, or expiration of this Agreement for any reason, to holdback any amounts due to Franchisee with respect to the servicing of National Accounts or otherwise due or have a reasonably likelihood of becoming due, from Franchisor to Franchisee (including in connection with claims by the Franchisor for indemnification from activities conduct by the Franchisee) pending receipt and satisfaction of any other amounts due in connection with the operation of the Franchise prior to termination or expiration. Franchisor shall refund any holdback amounts less any unpaid liabilities attributable to Franchisee during its ownership of the Franchise under this Agreement upon satisfaction of any unresolved liabilities or claims. For the avoidance of doubt, the holdback shall not limit Franchisor's rights, remedies, damages or claims against Franchisee under this Agreement or otherwise at law.

## **16. Exclusive Dealing; Covenants Against Competition and Other Covenants.**

(a) Disclosure by Franchisor. During the Term, as a result of the Franchise granted hereby, and in order to carry out Franchisee's duties hereunder, Franchisor may disclose, a variety of information concerning it, its affiliates, its business and the System including, without limitation: the Operations Manual; System Standards; the Intellectual Property; methods for operating, managing and developing the Franchise; marketing, advertising and promotion methods, strategies, campaigns and discussions; best-know-methods, standard operating procedures, techniques, processes and practices and initiatives; equipment or supplies; recruitment, training and compensation methods; reporting methods and techniques; recruitment, human resourcing, training, sales and merchandising strategies; any related underlying materials, analyses, compilation, forecasts, research or market studies; proprietary software (if applicable); customer lists (including information on National Accounts); trade secrets; referral sources; billing and collection methods; training materials; know-how; procedures and processes for providing the Services; financial information; and any other non-public information about Franchisor and its Approved Suppliers, strategic partners, franchisees, business plans, employees, and independent contractors (collectively, the "Confidential Information"). The parties acknowledge that the Confidential Information is proprietary, confidential and Franchisor's trade secrets. Franchisee acknowledges that Franchisor and its affiliates have expended and continue to expend great amounts of time, money and effort in devising and processing the Confidential Information.

(c) In-Term – Competitive Activities. Franchisee acknowledges Franchisor's legitimate business interest in the Confidential Information and goodwill associated with its System. Franchisee covenants that during the Term of this Agreement, except as otherwise approved in writing by Franchisor, Franchisee and each of its Owners and each of their respective spouses shall not, directly or indirectly (whether as owner, partner, associate, agent, consultant, employee, independent contractor, member, stockholder, officer or otherwise of another or on Franchisee's own account):

(i) Divert or attempt to divert any business or customer to any competitor, by direct or indirect inducement or otherwise, to do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Marks, Intellectual Property and the System; or

(ii) Own, maintain, engage in, be employed by, lease real estate to, finance, or have any interest in any Competitive Business (as defined below), other than a Franchise under an effective Franchise Agreement with us.

(d) After the Term. For the 2-year period following the expiration or termination of this Agreement for any reason, unless Franchisor otherwise permits in writing, neither Franchisee nor its Owners or their respective spouses shall, directly or indirectly (whether as owner, partner, associate agent, consultant, employee, independent contractor, member, stockholder, officer or otherwise of another or on Franchisee's own account):

(i) Participate in the development of, or engage in, or market, sell, distribute, render, provide, perform, offer or sell similar services, or contribute Franchisee's knowledge to, or have any financial interest in, any work or activity that relates to or involves any of the Confidential Information or is in any way engaged in the operation, licensing, franchising or consulting, developing, marketing, organizing, providing or promoting of a Competitive Business (i) within the Service Area, (ii) within any geographic territory that Franchisor has assigned to a Franchise or in which Franchisor directly operate, market or sell, (iii) via the Internet or other form of e-commerce, wherever located, or (iv) within twenty-five (25) miles of the Service Area or any protected area described in clause (ii) above in existence or under development as of the end of the Term;

(ii) Induce or attempt to induce, or solicit any of Franchisor or other SCA strategic partners, customers, referral sources, brokers, appraisers, Personnel or other independent contractors to accept employment or an affiliation with Franchisee; or

(iii) Solicit, divert, contact, take away or interfere with any of Franchisor's business, customers, referral sources, brokers, insurers, suppliers, trade or patronage with whom Franchisor (or its affiliates or franchisees) does business or whom Franchisee knows Franchisor has contacted or solicited for business relationships, or those of any of Franchisor's affiliates or franchisees, as of the date of termination or expiration of this Agreement.

(e) Acknowledgements and Further Covenants. Franchisee acknowledges and agrees that:

(i) Franchisee's covenant not to compete is reasonable as to time, geographical area and scope, and is necessary to protect the business and goodwill of the SCA Network and to avoid misappropriation or other unauthorized use of the System. The covenant set forth in this Section 16 will be construed as independent of any other covenant or provision of this Agreement. If any portion of the covenant in this Section 16 is held unreasonable or unenforceable in a final judicial decision or arbitration award, Franchisee and Franchisee's Operating Principal or Designated Appraiser (if Franchisee is a Business Entity) agree to be bound by a lesser covenant subsumed within the terms of the covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Section.

(ii) Franchisee's Designated Appraiser and any personnel who undergo our training, as permitted by law, must sign a Restrictive Covenant Agreement. Franchisee must ensure that all of its other employees, officers, directors or independent contractors who may have access to our Intellectual Property information execute a Confidentiality Agreement before having access to our Intellectual Property information. Franchisee must use its best efforts to ensure that these individuals comply with the terms of the Restrictive Covenant Agreements and Confidentiality Agreements, as applicable, and Franchisee must immediately notify us of any breach that comes to its attention. Franchisee agrees that Franchisor will have independent enforcement rights of the Restrictive Covenant Agreements and Confidentiality Agreements and agrees to reimburse Franchisor for all reasonable expenses that it incurs in enforcing a Restrictive Covenant Agreement or Confidentiality Agreement, including reasonable attorneys' fees and court costs.

(iii) Franchisor will have the right, in its sole discretion, unilaterally to reduce the scope of the covenant set forth in this Section 16 without their consent, effective immediately upon notice to Franchisee. Franchisee and Franchisee's Operating Principal and Designated Appraiser (if Franchisee is a Business Entity) agree that they will immediately comply with the covenant, as modified.

(iv) Franchisee or Franchisee's Operating Principal and Designated Appraiser (if Franchisee is a Business Entity) possesses the education, training and experience necessary to earn a reasonable livelihood apart from operating a business that offers Services.

Franchisee shall refrain from taking any action, directly or indirectly, which is contrary to the interests of Franchisor or making any disparaging, untrue, negative, derogatory or defamatory remarks concerning Franchisor or its business practices at any time, including, without limitation, on any social media platform (whether it be a personal page or business page).

(f) Notification of Legal Proceedings and Crisis Events. Franchisee will notify Franchisor in writing as soon as possible but in no event more than twenty-four (24) hours of the commencement of any action, suit, or proceeding, and of the issuance of any order, writ, injunction, award, or decree of any court, agency, or other governmental instrumentality, of which Franchisee becomes aware and which may adversely affect the operation or financial condition of Franchisee's Franchised Business. Upon the occurrence of a Crisis Event (defined below), Franchisee will immediately inform Franchisor by telephone and email (or other electronic medium authorized by Franchisor for this purpose). Franchisee will cooperate fully with Franchisor with respect to its response to the Crisis Event. In the event of the occurrence of a Crisis Event, Franchisor may also establish emergency procedures, which may require Franchisee to temporarily close the Franchised Business to the public, in which event Franchisor shall not be liable to Franchisee for any loss or costs, including consequential damages or loss profits occasioned thereby.

For purposes of this Section, a "Crisis Event" any event or business interruption that runs the risk of (1) escalating in intensity; (2) adversely impacting Franchised Business's financial position; (3) causing harm to Customers, Personnel or the public or damage to their respective property or the environment; (4) falling under close media or governmental or regulatory scrutiny; (5) interfering with normal operations and wasting significant management time and/or financial resources; (6) adversely affecting Personnel morale; (7) jeopardizing the contractual relationship or business partnership with any National Accounts; or (8) jeopardizing the business, the Marks or the System's reputation, image, products, brand, intellectual property, or management and therefore negatively impacting its future. Without limiting the foregoing, a Crisis Event shall include contagious diseases, natural disasters, terrorist acts, shootings, or any other circumstance, which may damage the System, Marks, or Franchisor's image or reputation.

(g) Press Releases. Franchisee will not issue any press release or conduct any interviews regarding its franchised business without Franchisor's prior express written approval.

(h) Contributions and Donations. Franchisee will not make any contributions or donations of items, services, or money to any individual or entity, or provide any type of other benefit to any charitable, religious, political, social, civic, or other type of organization (or to any individual on behalf on any organization) in the name of SCA or otherwise associate with any Mark, without Franchisor's prior express written consent.

17. **Severability.** The provisions of this Agreement are severable, and if any provision is held illegal, invalid or unenforceable, the holding will not affect the legality, validity or enforceability of any other provision. Any illegal, invalid or unenforceable provision will be reformed to the minimum extent necessary to render it legal, valid and enforceable and, as so reformed, will continue in full force and effect.

18. **Notices.** All notices, requests, consents and other communications required hereunder shall be in writing and shall be duly given if hand delivered and a signed receipt obtained, sent by registered or certified mail, postage prepaid, return receipt requested, sent by overnight express type service, or sent by telecommunication with confirmed delivery, including electronic mail, addressed:

If to Franchisor, to:

SCA Franchising Corporation  
3817 W. Magnolia Boulevard  
Burbank, CA 91505  
Attention: Timothy W. P. Davis  
President

and if to Franchisee, to the address shown in Exhibit A.

Either party may at any time change the address to which notices are to be sent by giving the other party at least 10 days' prior notice in accordance with this Section. Each such notice shall be deemed delivered (a) on the date delivered, if by personal delivery; (b) one (1) day after notice is sent, if by overnight express type service; (c) on the date of transmission by telecommunication with confirmed delivery, if by electronic mail or other electronic method; and (d) on the first occurring of: (i) three (3) business days after mailing, postage prepaid, or (ii) the date upon which the return receipt is signed or delivery is refused or the notice is designated by the postal authorities as not deliverable, as the case may be, if mailed. Any notice provided by electronic mail or other electronic method shall be confirmed by one (1) of the delivery methods listed under subsection (a), (b), or (d) although this shall not affect the time notice is deemed given hereunder.

19. **Relationship.** Franchisee will be at all times an independent contractor. Franchisee shall at all times remain an independent business owner of its Franchised Business. This Agreement creates a franchise relationship, it is not intended to create, and will not be interpreted or construed as creating, a partnership, joint venture, agency, employment, fiduciary or other special relationship between Franchisor and Franchisee. No representation to the contrary will be binding on Franchisor. No person, other than an Affiliate, not a signatory to this Agreement is an intended beneficiary of this Agreement and no third party beneficiary relationship is created by this Agreement. Affiliate shall be a third party beneficiary of this Agreement as its interests appear.

20. **Law Governing; Dispute Resolution.**

(a) **Governing Law.** Except to the extent this Agreement or any particular dispute is governed by the U.S. Trademark Act of 1946 (Lanham Act, 15 U.S.C. §1051 and the sections following it) or other federal law, this Agreement and the Franchised Business shall be enforced and governed by and under the substantive law of the State of California, without regard to choice of law rules, unless otherwise provided herein. Notwithstanding the foregoing, the Franchisee and Franchisor specifically agree and acknowledge that all claims, causes of actions or disputes related to Franchisee's covenants not to compete set forth in Section 16(b) of this Agreement, including the interpretation, validity and enforcement thereof, shall be governed by the laws of the state where the Franchised Business is located.

(b) Jurisdiction. Except as otherwise set forth herein, the exclusive venue and exclusive forum for all disputes between the parties shall be any state court of general jurisdiction located in Los Angeles, California or the United States District Court for the Central District of California, and the parties to this Agreement hereby waive any and all objections with regard to personal jurisdiction and/or venue.

(c) Internal Dispute Resolution. Franchisee must first bring any claim or dispute between Franchisee and Franchisor to Franchisor's President, after providing notice as set forth in Section 18 above. Franchisor must respond to Franchisee's notice inquiry within ten (10) business days of receipt or otherwise it is deemed denied. Franchisee must exhaust this internal dispute resolution procedure ("IDR") before Franchisee may bring Franchisee's dispute before a third party. Franchisee agrees that Franchisor has sixty (60) days to attempt to resolve Franchisee's claim or dispute with IDR (the "IDR Period"). This agreement to first attempt resolution of disputes internally through IDR will survive termination or expiration of this Agreement.

(d) Mediation. At Franchisor's sole discretion, any disputes and claims relating to this Agreement, the rights and obligations of the parties hereto, third-party beneficiaries, and/or any guarantors and/or transferees of this Agreement, or any other claims or causes of action relating to the making, interpretation, or performance of either party under this Agreement, may be submitted to non-binding mediation conducted before a sole neutral mediator referred by the American Arbitration Association ("AAA") in accordance with its Commercial Mediation Procedures. Mediation will be conducted in Los Angeles, California. The parties shall each bear all of their own costs of mediation; provided, however, the fees of the mediator shall be divided equally between Franchisee and Franchisor. The mediator will be disqualified as a witness, expert or counsel for any party with respect to the dispute and any related matter. Mediation is a compromise negotiation and will constitute privileged communications under the law governing this Agreement. The entire mediation process will be confidential and the conduct, statements, promises, offers, views and opinions of the mediator and the parties will not be discoverable or admissible in any legal proceeding for any purpose; provided, however, that evidence that is otherwise discoverable or admissible will not be excluded from discovery or admission as a result of its use in the mediation. Franchisor will notify Franchisee of Franchisor's election to submit any dispute to non-binding mediation within (i) thirty (30) days after the end of the IDR Period or (ii) at the time Franchisor provides Franchisee with notice of a dispute, claim, or alleged cause of action, as applicable.

(e) Arbitration. At Franchisor's sole discretion, any disputes and claims relating to this Agreement, the rights and obligations of the parties hereto, third-party beneficiaries, and/or any guarantors and/or transferees of this Agreement, or any other claims or causes of action relating to the making, interpretation, or performance of either party under this Agreement (including the arbitrability of such claims), may be resolved by submission to binding arbitration by and before a neutral franchise attorney referred by AAA and selected by the parties in accordance with the then-existing Commercial Arbitration Rules of the AAA. All hearings and other proceedings will take place in Los Angeles, California. Franchisor will notify Franchisee of Franchisor's election to submit any dispute to arbitration within thirty (30) days of a non-binding mediation determination pursuant to Section 20(d) above, or if Franchisor do not elect mediation under Section 20(d), within (i) thirty (30) days after the end of the IDR Period, or (ii) at the time Franchisor provides Franchisee with notice of a dispute, claim, or alleged cause of action, as applicable.

(i) The following shall supplement and, in the event of a conflict with any law or rule, including but not limited to the AAA Commercial Arbitration Rules, shall govern any dispute submitted to arbitration. The parties shall select one arbitrator from the proposed list of arbitrators provided by the AAA. If the parties are unable to agree upon an arbitrator, each party to the dispute shall have fifteen (15) days from the transmittal date of the proposed list in which to strike names objected to, number the

remaining names in order of preference, and return the list to the AAA. If a party does not return the list within the time specified, all persons named therein shall be deemed acceptable. From among the persons who have been approved on both lists, and in accordance with the designated order of mutual preference, the AAA shall invite the acceptance of an arbitrator to serve. If the parties fail to agree on any of the persons named, or if acceptable arbitrators are unable to act, or if for any other reason the appointment cannot be made from the submitted lists, the process of submitting lists shall continue until a suitable arbitrator is selected. In all aspects of conducting the arbitration and in rendering his or her decision, the arbitrator shall enforce and apply the substantive laws of the State of California for interpretation of this Agreement, without regard to choice of law rules. The parties may conduct one seven-hour discovery deposition of a designated representative of the opposing party. Any party wishing to take such a deposition must describe with reasonable particularity, in the notice of deposition, the matters to be inquired into at the deposition, and the party producing the designated representative must designate one or more officers, directors, or managing agents who consent to testify on its behalf. No other discovery depositions shall occur, unless the arbitrator finds such additional depositions to be necessary after written request and an opportunity to be heard. Each party shall be permitted up to ten (10) interrogatories and reasonable requests for production of documents. Each party shall be entitled to file a motion to dismiss, a motion for summary judgment and reasonable motions in limine. The arbitrator shall permit a responding party a reasonable period of time to respond in writing to any such motions. The arbitrator shall apply the Federal Rules of Evidence at the hearings. The arbitrator's award shall include an award of pre-hearing interest from the date upon which any damages were incurred, and from the date of the award until paid in full, at a rate to be fixed by the arbitrator, but in no event less than 1.5% per month, or part of a month (unless a lower rate is required by law). The prevailing party shall be entitled to recover from the non-prevailing party all costs of arbitration, including, without limitation, the arbitrator's fee, interest, and costs of investigation. In addition, the prevailing party shall be entitled to an award of its reasonable and necessary attorneys' fees. The arbitration hearings shall be completed within one hundred and fifty (150) days of the filing of the arbitration demand, unless the arbitrator, for good cause, must extend this deadline.

(ii) The arbitrator shall have no authority to amend or modify the terms of this Agreement. To the extent permitted by applicable law, no issue of fact or law shall be given preclusive or collateral estoppel effect in any arbitration hereunder, except to the extent such issue may have been determined in another proceeding between the parties. Judgment upon the award of the arbitrator shall be submitted for confirmation to the United States District for the Central District of California or any state court of general jurisdiction located in Los Angeles, California and, if confirmed, may be subsequently entered and/or docketed, including as a judgment, in any court having competent jurisdiction. Similarly, any appeals from and/or relating to any arbitration which may be brought in accordance with this Section 20(e)(ii) shall be heard before the United States District Court for the Central District of California, or any other state court of general jurisdiction located in Los Angeles, California.

(iii) The arbitration provisions of this Agreement shall survive any termination or expiration of this Agreement.

(f) Injunctive Relief. Nothing contained in this Agreement shall prevent Franchisor from applying for and/or obtaining, from any court having competent jurisdiction, a writ of attachment, injunctive relief, including without limitation a temporary injunction or preliminary injunction, and/or other emergency relief available to safeguard and protect Franchisor's interests. Franchisor is entitled to seek this relief without the posting of any bond or security and, if a bond is nevertheless required by a court of competent jurisdiction, the parties expressly agree that the sum of \$1,000 is a sufficient bond.

(g) Third Party Beneficiaries. Franchisor's officers, directors, shareholders, agents, representatives, affiliates, and/or employees are express third party beneficiaries of the provisions of this Agreement, including the mediation and arbitration provision set forth in this Section 20, each having

authority to specifically enforce the right to mediate/arbitrate/litigate claims asserted against such person(s) by Franchisee or asserted in relation to this Agreement.

(h) Prior Notice of Claims. As a condition precedent to commencing an action for damages or for Franchisor's violation or breach of this Agreement, Franchisee must notify Franchisor in writing within ninety (90) days after the occurrence of the violation or breach, and failure to timely give such notice will preclude any claim for damages.

(i) Cumulative Remedies. The remedies available to any party if the other party breaches this Agreement are cumulative. The exercise of any remedy will not limit any other remedies that may be available. Both parties will also be entitled to any and all remedies available under applicable law.

(j) Waiver of Punitive Damages. WITHOUT LIMITING FRANCHISEE'S OBLIGATIONS TO INDEMNIFY COMPANY PURSUANT TO THIS AGREEMENT, BOTH PARTIES EACH WAIVE, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT TO, OR CLAIM OF, ANY PUNITIVE OR EXEMPLARY DAMAGES AGAINST THE OTHER. FRANCHISEE AND COMPANY ALSO AGREE THAT, IN THE EVENT OF A DISPUTE BETWEEN THEM, THE PARTY MAKING A CLAIM WILL BE LIMITED TO RECOVERY OF ANY ACTUAL DAMAGES IT SUSTAINS AND ANY OTHER DAMAGES AWARD SPECIFICALLY REFERENCED IN THIS AGREEMENT.

(k) Limitations of Claims. UNLESS ANOTHER TIME PERIOD IS SPECIFICALLY SET FORTH IN THIS AGREEMENT, ANY AND ALL CLAIMS ARISING OUT OF THIS AGREEMENT OR THE RELATIONSHIP BETWEEN AND/OR AMONG FRANCHISEE AND COMPANY MUST BE MADE BY WRITTEN NOTICE TO THE OTHER PARTY WITHIN 1 YEAR FROM THE OCCURRENCE OF THE FACTS GIVING RISE TO SUCH CLAIM (REGARDLESS OF WHEN IT BECOMES KNOWN); EXCEPT FOR CLAIMS ARISING FROM: (A) INDEMNIFICATION; OR (B) UNAUTHORIZED USE OF THE MARKS, INTELLECTUAL PROPERTY OR CONFIDENTIAL INFORMATION. HOWEVER, THIS PROVISION DOES NOT LIMIT THE RIGHT TO TERMINATE THIS AGREEMENT IN ANY WAY.

**(l) Waiver of Jury Trial. BOTH PARTIES IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY ANY PARTY.**

(m) Waiver of Class Actions. EACH OF THE PARTIES HEREBY IRREVOCABLY WAIVES THE RIGHT TO LITIGATE ON A CLASS ACTION BASIS, IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY ANY PARTY.

(n) Arbitration/Litigation Expenses. In any action or dispute, at law or in equity, that may arise under or otherwise relate to the terms of this Agreement, the prevailing party shall be entitled to full reimbursement of its arbitration or litigation expenses from the other party. Litigation or arbitration expenses include reasonable attorneys' fees, arbitrator's fee, defense costs, witness fees including expert witness fees and costs and other related expenses including paralegal fees, administrative costs, investigative costs, court reporter fees, sales and use taxes, if any, travel and lodging expenses, court or arbitration costs, and all other charges billed by the attorneys to the prevailing party. Reimbursement is due within thirty (30) days of written notice of an award or other notice of the expenses due. If Franchisor engages legal counsel for Franchisee's failure to pay when due any monies owed under this Agreement or to submit when due any reports, information or supporting records, or for any failure otherwise to comply

with this Agreement, Franchisee must reimburse Franchisor on demand for all of the above-listed expenses Franchisor incurs.

**21. Security Interest.**

(a) Collateral. Franchisee grants to Franchisor a security interest (“Security Interest”) in all of the equipment, signage, décor, inventory, assets and realty of the Franchise, together with all similar property now owned or hereafter acquired, additions, substitutions, replacements, proceeds, and products thereof, wherever located, used in connection with the Franchise. All items in which a security interest is granted are referred to as the “Collateral.”

(b) Indebtedness Secured. The Security Interest is to secure payment of the following (the “Indebtedness”): (a) all amounts due under this Agreement or otherwise by Franchisee; (b) all sums which Franchisor may, at its option, expend or advance for the maintenance, preservation, and protection of the Collateral, including, without limitation, payment of rent, taxes, levies, assessments, insurance premiums, and discharge of liens, together with interest, or any other property given as security for payment of the Indebtedness; (c) all expenses, including reasonable attorney fees that Franchisor incurs in connection with collecting any or all Indebtedness secured hereby or in enforcing or protecting Franchisor’s rights under the Security Interest and this Agreement; and (d) all other present or future, direct or indirect, absolute or contingent, liabilities, obligations, and Indebtedness of Franchisee to Franchisor or third parties under this Agreement, however created, and specifically including all or part of any renewal or extension of this Agreement, whether or not Franchisee executes any extension agreement or renewal instruments.

Franchisor’s security interest, as described herein, shall be subordinated to any financing related to Franchisee’s operation of the Franchise including, but not limited to, a real property mortgage and equipment leases.

(c) Additional Documents. Franchisee will from time to time, as required by Franchisor, join with Franchisor in executing any additional documents and one (1) or more financing statements pursuant to the Uniform Commercial Code (and any assignments, extensions, or modifications thereof) in form satisfactory to Franchisor.

(d) Possession of Collateral. Upon default and termination of Franchisee’s rights under this Agreement, Franchisor shall have the immediate right to possession and use of the Collateral.

(e) Our Remedies in Event of Default. Franchisee agrees that, upon the occurrence of any default set forth above, the full amount remaining unpaid on the Indebtedness secured shall, at Franchisor’s option and without notice, become due and payable immediately, and Franchisor shall then have the rights, options, duties, and remedies of a secured party under, and Franchisee shall have the rights and duties of a debtor under, the Uniform Commercial Code of the state in which Franchisee’s Franchise is located (or other applicable law), including, without limitation, Franchisor’s right to take possession of the Collateral and without legal process to enter any premises where the Collateral may be found. Any sale of the Collateral may be conducted by Franchisor in a commercially reasonable manner. Reasonable notification of the time and place of any sale shall be satisfied by mailing to Franchisee pursuant to the notice provisions set forth above.

(f) Special Filing as Financing Statement. This Agreement shall be deemed a Security Agreement and a Financing Statement. This Agreement may be filed for record in the real estate records of each county in which the Collateral, or any part thereof, is situated and may also be filed as a Financing Statement in the counties or in the office of the Secretary of State, as appropriate, in respect of those items

of Collateral of a kind or character defined in or subject to the applicable provisions of the Uniform Commercial Code as in effect in the appropriate jurisdiction.

## **22. General Provisions.**

(a) Amendments Must be in Writing. This Agreement may not be amended, modified or rescinded, or any performance requirement waived, except by a written document signed by Franchisor and Franchisee. This provision does not apply to changes in the Operations Manual. The parties expressly agree that this Agreement may not be amended or modified, or any performance standard changed, by course of dealing or by waiver by Franchisor and Franchisee.

(b) Entire Agreement. This Agreement, the attached Exhibits and any duly executed amendment attached to this Agreement contain the entire agreement between and among the parties with respect to the subject matter of this Agreement, and supersedes any prior or contemporaneous agreements between Franchisor and Franchisee, written or oral, with respect to the franchise. Nothing in this Agreement or in any related agreement is intended to disclaim the representations Franchisor made in the Franchise Disclosure Document.

(c) No Other Representations or Promises. No written or oral agreements, promises, representations, commitments, undertakings or understandings were made to or with Franchisee that are not expressly set forth in this Agreement. No person representing Franchisor made any oral, written or visual claim, presentation or representation to Franchisee that stated or suggested that Franchisee's Franchised Business might attain any actual, projected or forecasted level of sales, income or profits. No representation, warranty, guaranty or promise other than those expressly set forth in this Agreement and in the Franchise Offering Circular that Franchisor delivered to Franchisee was made by Franchisor or any other person to induce Franchisee to sign this Agreement. Franchisee recognizes that neither Franchisor nor anyone else can guarantee Franchisee's business success or state the exact costs of opening and operating a Franchised Business, and that such success and costs will depend primarily upon Franchisee's own efforts and business ability. Franchisee also recognizes that any new business venture is speculative.

(d) Survival. All obligations under this Agreement (whether Franchisee's or Franchisor's) which expressly or by their nature survive the expiration or termination of this Agreement will continue in full force and effect after and notwithstanding the expiration or termination of this Agreement until such provisions are satisfied in full or by their nature expire.

(e) Execution in Counterparts. This Agreement may be executed in two (2) or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one (1) and the same instrument. Counterparts may be delivered via facsimile, electronic mail (including pdf or any electronic signature complying with the U.S. federal ESIGN Act of 2000, e.g., www.docuSign.com) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

## **23. Acknowledgments.**

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

The below acknowledgment and statements that are contrary to the North American Securities Administrators Association, Inc.'s Statement of Policy Regarding the Use of Franchise Questionnaires and Acknowledgments shall not apply to prospective franchisees who are residents of California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington and Wisconsin or who seek to purchase a franchise located in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington and Wisconsin.

### APPROVED ACCOUNTS RECEIVABLE PURCHASE AGREEMENT

This APPROVED ACCOUNTS RECEIVABLE PURCHASE AGREEMENT (“Agreement”) is made as of the \_\_\_\_ day of \_\_\_\_\_, 202\_ between SCA Franchising Corporation (“Franchisor”) and \_\_\_\_\_ (“Franchisee”) with reference to the following facts:

A. Franchisee is a franchisee of Franchisor under a Franchise Agreement of even date herewith (the “Franchise Agreement”) pursuant to which, among other things, (i) Franchisee will provide automobile damage insurance appraisal services under Franchisor’s service mark, “SCA Appraisal Services” (the “SCA Franchised Business”); and (ii) Franchisor will arrange for Franchisee to be provided from time to time with engagements from certain insurance carriers designated by Franchisor (“Designated Insurance Carriers”) for automobile damage insurance appraisal services to be performed by Franchisee in the course of his operation of the SCA Franchised Business;

B. During the term of the Franchise Agreement, Franchisee will have Approved Accounts receivable from such Designated Insurance Carriers as a result of appraisal services performed by Franchisee pursuant to such engagements and in the ordinary course of Franchisee’s operation of his SCA Franchised Business (“Approved Accounts”); and

C. Franchisee desires to sell to Franchisor the Approved Accounts during the term of the Franchise Agreement.

It is therefore agreed:

1. Franchisee shall offer to sell, assign and transfer to Franchisor all Approved Accounts as they are created by Franchisee in the ordinary course of his operation of his SCA Franchised Business, such assignments to be made upon forms prescribed by Franchisor so that Franchisor may be and become subrogated to all the rights possessed by Franchisee. Franchisee shall also deliver invoices of each Approved Account in duplicate, with proof of delivery and performance of the appraisal services for which the invoice was rendered.

2. Provided Franchisee is in full compliance with its obligations under the Franchise Agreement and no uncured default then exists, Franchisor shall, from time to time during the term of this Agreement, buy such Approved Accounts belonging to Franchisee, as may be approved in writing by the credit department of Franchisor, and shall pay for such Approved Accounts one hundred (100%) percent of the net value thereof. Franchisor shall have all the rights of Franchisee with respect to the Approved Accounts assigned.

3. Franchisor may retain a reserve equal to ten (10%) percent of the face amount of the unpaid Approved Accounts purchased by it as a reserve against any loss which it may sustain by reason of all claims which may be asserted by the Designated Insurance Carriers for which the Approved Accounts were created.

4. Franchisee shall indemnify Franchisor against liability or loss, or expense incurred by it arising out of any claims which may be asserted by the Designated Insurance Carriers relating to the insurance appraisal services provided by Franchisee.

5. Franchisee represents and warrants that all Approved Accounts to be assigned to Franchisor will be based upon a bona fide written order from Designated Insurance Carriers during the term of this Agreement and that the Approved Accounts assigned will be for automobile damage insurance appraisal services performed pursuant to the terms of such written order in the ordinary course of Franchisee's operation of his SCA Franchised Business.

6. Franchisee promises that there will be no offsets or counterclaims against any Approved Accounts assigned to Franchisor, and that Franchisee will not, subsequent to such assignment, incur any obligation which may create any offset or counterclaim thereto. Franchisee shall not sell, grant a security interest in, or assign any of its Approved Accounts elsewhere during the term of this Agreement.

7. Franchisee shall, at his own expense, keep proper books of account showing all sales, claims, and allowances on the performance of automobile damage insurance appraisal services. Immediately upon the consummation of the purchase of Approved Accounts hereunder, Franchisee shall make proper entries in its books disclosing the absolute sale of such Approved Accounts to Franchisor, and Franchisee shall further, upon demand, execute and deliver to Franchisor all instruments and do all things necessary to carry into effect the terms of this Agreement. Franchisee shall permit Franchisor to examine and make extracts from the books and records of Franchisee at any time for the purpose of certifying the validity of any account assigned or to ascertain any facts in connection therewith.

8. Franchisee shall, at its own expense, promptly adjust all disputes with all Designated Insurance Carriers for which Approved Accounts have been assigned to Franchisor and will, at Franchisee's own expense, fully cooperate with Franchisor in adjusting such disputes. In case any dispute remains unadjusted at the time any account becomes due, Franchisor shall have the right to charge back to Franchisee the Approved Accounts involved, and Franchisee shall pay the amount of such Approved Accounts to Franchisor upon demand.

9. In the event Franchisee becomes aware of any claim with any Designated Insurance Carrier which resulted in such assigned Approved Accounts, Franchisee shall give to Franchisor immediate notice of such claim, and thereafter, upon demand, Franchisee shall repurchase the Assigned Account.

10. Franchisee shall hold in trust for Franchisor all checks, drafts, notes, acceptances, cash or other evidence of payment received in payment or on account of any Approved Account purchased by Franchisor hereunder, and shall transmit or deliver these to Franchisor at its office on the day of receipt. The failure of Franchisee to comply with this provision shall constitute conversion. Franchisor is hereby authorized and given power of attorney to indorse the name of Franchisee upon all checks, drafts, notes, money orders, and all other instruments that may require such endorsement. Franchisor shall also have the right to receive all amounts remitted by Designated Insurance Carriers for which Franchisee provided services, and such remittances are to be considered payments on account.

11. Franchisor may send notices of assignment of the Approved Accounts purchased hereunder to any or all of the Designated Insurance Carriers whose Approved Accounts are so purchased.

12. This Agreement shall continue during the term of the Franchise Agreement and any renewal thereof unless terminated as follows:

(a) Either party may, upon at least 30 days' written notice to the other party, cancel this Agreement as to future transactions at the end of any monthly period.

(b) Should Franchisee become insolvent or make an assignment for the benefit of creditors, or should a receiver be appointed for Franchisee, or should Franchisee commit any act of

bankruptcy or in any other way should Franchisor become financially insecure, this Agreement may be terminated by Franchisor, without notice, immediately upon the happening of any such events.

(c) Should Franchisee commit a default under the Franchise Agreement resulting in a notice of termination of such Franchise Agreement, this Agreement may be terminated by Franchisor without notice, immediately upon the delivery of the notice of termination of the Franchise Agreement.

13. In addition to Franchisor's right to terminate this Agreement under the provisions of paragraph 12, Franchisor shall have the right to suspend its purchase of any Approved Accounts upon the delivery of a notice of default under the Franchise Agreement, without notice, such suspension to remain in effect until the cure (if applicable) of such default by Franchisee.

14. This Agreement shall not be modified or altered without the written consent of both parties hereto. The failure of Franchisor to insist upon strict observance of all the terms of this agreement in any one or more instances shall not be deemed a waiver of such terms for the future. This is the entire agreement concerning the subject matter hereof and supersedes any other negotiations or agreements. Any dispute arising out of or relating to this Agreement shall be resolved in the same manner as provided for the resolution of disputes in the Franchise Agreement.

15. Franchisee affirms that its only place of business and the place where the records concerning the Approved Accounts herein referred to are kept is the premises of Franchisee's SCA Franchised Business and if such place of business or record keeping is changed or a new place of business or record keeping added, Franchisor will be promptly notified.

INTENDING TO BE BOUND, the parties have signed this Agreement on the date set forth above.

1. **Definitions.** For purposes of this Agreement, the following terms have the meanings given to them below:

“Competitive Business” means (i) any business that derives more than 10% of its revenues from the provision of auto, specialty or property physical damage appraisal services, adjusting services or ancillary services like appraisal clause or department of insurance re-inspection and claim services or comparable services (“Services”) or (ii) any business granting franchises or licenses to others to operate the type of business specified in subparagraph (i).

“Copyrighted Materials” refers to and includes all versions, variations and adaptations of the following materials in tangible form, either produced by Franchisor, produced on its behalf as works for hire, or derived from works produced by or on behalf of Franchisor: (i) the Operations Manual, (ii) training materials (including printed, audio, video or electronic materials), (iii) advertisements, commercials and other marketing materials, (iv) labels, forms and reports that Franchisor provides, (v) Affiliate’s Software and other computer software developed by Franchisor or Affiliate or as works for hire for use in the operation of the Franchised Business, (vi) the design and contents of the Franchisor websites, and (vii) any other materials protected by copyright law or marked or identified by Franchisor as protected by copyright.

“Franchisee” means the SCA franchisee for whom you are a manager of such Franchisee.

“Franchised Business” means (i) the license granted to Franchisee by Franchisor to operate an SCA Claims damage appraisal business providing the Services in accordance with the System and in association with the Marks operated pursuant to the Franchise Agreement, (ii) the assets owned and/or used by Franchisee in the operation of the Franchised Business, and (iii) any and all rights granted to Franchisee by Franchisor under this Agreement.

“Franchisee’s Location” means the location of the Franchised Business in a geographic area determined by Franchisor.

“Intellectual Property” means the Marks, the Copyrighted Materials and all other intellectual property and other methods and procedures, copyrights, titles, symbols, logotypes, trade dresses, emblems, slogans, insignias, terms, know-how, specifications, designations, designs, diagrams, anecdotes, worksheets, techniques, rules, ideas, advertising and promotional materials, software, programming, materials, audio, video and written materials developed and designated for use in connection with the System, including the URL websites used by the System or other proprietary information we may hereafter acquire, develop or designate for use in connection with the System.

“Operations Manual” means, collectively, all manuals, policy statements, directives, bulletins and memoranda that contain prescribed or recommended specifications, standards, procedures, policies and advice relating to the performance or marketing of Services, or the operation or management of a Franchised Business provided by the Franchisor, its affiliates or its designees.

“Marks” refers to and includes (i) the service marks, “SCA Appraisal Franchisor” and “SCA” and related logotypes, and (ii) all additional or different trade names, trademarks, service marks, logotypes and slogans that Franchisor adopts to identify the SCA Network and Services.

“System” refers to the compilation of unique and distinctive set of operating procedures, marketing concepts, formats, methods, standards, specifications, information, training and business relationships, and management techniques that Franchisor or Affiliate developed to govern the provision of Services and the operation of a business model that provide those Services, all of which Franchisor or Affiliate in our sole judgment, may change, alter, amend, further improve, discontinue, develop or otherwise modify from time to time.

**2. Background.** You are a manager of Franchised Business. As a result of this association, you may gain knowledge of our System and Intellectual Property information. You understand that protecting the Intellectual Property is vital to our success and that of our franchisees and that you could seriously jeopardize our entire franchise system if you were to unfairly compete with us. In order to avoid such damage, you agree to comply with the terms of this Agreement.

**3. Intellectual Property.** You agree: (i) you will not use our Intellectual Property information in any business or capacity other than at the Franchised Business; (ii) you will maintain the confidentiality of the Intellectual Property at all times; (iii) you will not make unauthorized copies of documents containing any Intellectual Property information; (iv) you will take such reasonable steps as we may ask of you from time to time to prevent unauthorized use or disclosure of our Intellectual Property information; and (v) you will stop using the Intellectual Property immediately if you are no longer a manager of Franchisee. You further agree that you will not use the Intellectual Property for any purpose other than the performance of your duties for Franchisee and within the scope of your employment.

**4. Unfair Competition During Relationship.** You acknowledge that as a manager of Franchisee, you may gain knowledge of our System and Intellectual Property. You therefore agree that while you are a manager of Franchisee or associated with Franchised Business, neither you nor your spouse or any immediate family members, including your children, will:

(a) have any direct or indirect controlling or non-controlling interest as an owner – whether of record, beneficially, or otherwise – in a Competitive Business, wherever located or operating (except that equity ownership of less than five percent (5%) of a Competitive Business whose stock or other forms of ownership interest are publicly traded on a recognized United States stock exchange will not be deemed to violate this subparagraph);

(b) perform services as a director, officer, manager, employee, consultant, creditor representative, or agent for a Competitive Business, wherever located or operating;

(c) divert or attempt to divert any actual or potential business or customer of Franchisee to a Competitive Business;

(d) engage in any other activity which might injure the goodwill of the Marks and System; or

(e) employ or seek to employ any person who is employed by us, our affiliate, or by any of our or our affiliate’s other franchisees, developers, or master franchisees, or induce, or attempt to induce, any such person to leave said employment without the prior written consent of such person’s employer.

**5. Unfair Competition After Relationship.**

(a) Upon the termination or expiration of your association with Franchisee, you agree that, for two (2) years beginning on the effective date of the termination or expiration of your association with Franchisee, whichever is applicable, you will not have any direct or indirect interest (e.g., through an immediate family member including your children and spouse) as an owner (whether of record, beneficially, or otherwise), investor, partner, director, officer, employee, consultant, creditor, representative, or agent in any Competitive Business located or operating:

(i) at the premises of Franchisee;

(ii) within a twenty five (25) mile radius of Franchisee's Location;

(iii) within twenty five (25) miles of any other SCA Franchised Business in operation or under construction on the later of the effective date of the termination or expiration of your association with Franchisee or the date on which you begin to comply with this Section 4.

(b) Upon the termination or expiration of your association with Franchisee, you agree that, for two (2) years beginning on the effective date of the termination or expiration of your association with Franchisee, whichever is applicable, you will not directly or indirectly (whether through affiliates, immediate family members or otherwise) employ, or seek to employ, any person who is employed by us, our affiliate or by any of our or our affiliate's other franchisees, developers, or master franchisees, or induce, or attempt to induce, any such person to leave said employment without the prior written consent of such person's employer. If you make an offer of employment to our or our affiliate's employee, or to an employee of one of our or our affiliate's other franchisees, developers, or master franchisees, such person or entity must first obtain our or our affiliate's prior written approval, which we or our affiliate have the absolute right to withhold.

(c) If any person restricted by this Section 5 refuses voluntarily to comply with these obligations, the two (2) year period for that person will commence with the entry of a court order enforcing this provision. The two (2) year period will be tolled, if applicable, for the period during which a restricted person is in breach of this Section and will resume when that person begins or resumes compliance.

**6. Immediate Family Members.** You acknowledge that you could circumvent the purpose of this Agreement by disclosing Intellectual Property information to an immediate family member (i.e., spouse, parent, sibling, child, or grandchild). You also acknowledge that it would be difficult for us to prove whether you disclosed the Intellectual Property information to family members. Therefore, you agree that you will be presumed to have violated the terms of this Agreement if any member of your immediate family (i) fails to comply with the obligations under Sections 4 and 5 or (ii) uses or discloses the Intellectual Property information. However, you may rebut this presumption by furnishing evidence conclusively showing that you did not disclose the Know-how to the family member.

**7. Covenants Reasonable.** You acknowledge and agree that: (i) the terms of this Agreement are reasonable both in time and in scope of geographic area; and (ii) you have sufficient resources and business experience and opportunities to earn an adequate living while complying with the terms of this Agreement. YOU HEREBY WAIVE ANY RIGHT TO CHALLENGE THE TERMS OF THIS AGREEMENT AS BEING OVERLY BROAD, UNREASONABLE OR OTHERWISE UNENFORCEABLE.

**8. Breach.** You agree that failure to comply with the terms of this Agreement will cause substantial and irreparable damage to us and/or other SCA franchisees for which there is no adequate

remedy at law. Therefore, you agree that any violation of the terms of this Agreement will entitle us to injunctive relief. You agree that we may apply for such injunctive relief, without bond, but upon due notice, in addition to such further and other relief as may be available at equity or law, and the sole remedy of yours, in the event of the entry of such injunction, will be the dissolution of such injunction, if warranted, upon hearing duly held (all claims for damages by reason of the wrongful issuance of any such injunction being expressly waived hereby). If a court requires the filing of a bond notwithstanding the preceding sentence, the parties agree that the amount of the bond shall not exceed \$1,000. None of the remedies available to us under this Agreement are exclusive of any other, but may be combined with others under this Agreement, or at law or in equity, including injunctive relief, specific performance and recovery of monetary damages. Any claim, defense or cause of action that you may have against us or against Franchisee, regardless of cause or origin, cannot be used as a defense against our enforcement of this Agreement.

**9. Miscellaneous.**

(a) If we hire an attorney or file suit against you because you have breached this Agreement and prevail against you, you agree to pay our reasonable attorneys' fees and costs in doing so.

(b) This Agreement will be governed by, construed and enforced under the laws of the State of California and the courts in that state shall have jurisdiction over any legal proceedings arising out of this Agreement.

(c) Each section of this Agreement, including each subsection and portion thereof, is severable. In the event that any section, subsection or portion of this Agreement is unenforceable, it shall not affect the enforceability of any other section, subsection or portion; and each party to this Agreement agrees that the court may impose such limitations on the terms of this Agreement as it deems in its discretion necessary to make such terms reasonable in scope, duration and geographic area.

(d) You and we both believe that the covenants in this Agreement are reasonable in terms of scope, duration and geographic area. However, we may at any time unilaterally modify the terms of this Agreement upon written notice to you by limiting the scope of the activities prohibited, narrowing the definition of a Competitive Business, shortening the duration of the restrictive covenants, reducing the geographic scope of the restrictive covenants and/or reducing the scope of any other covenant imposed upon you under this Agreement to ensure that the terms and covenants in this Agreement are enforceable under applicable law.

## EXHIBIT F

### CONFIDENTIALITY AGREEMENT

This Agreement (this "Agreement") is entered into by the undersigned ("you") in favor of SCA Franchising Corporation, a California corporation, and its successors and assigns ("Franchisor" or "us"), upon the terms and conditions set forth in this Agreement.

1. **Definitions.** For purposes of this Agreement, the following terms have the meanings given to them below:

"Copyrights" means all works and materials for which we or our affiliate have secured common law or registered copyright protection and that we allow franchisees to use, sell or display in connection with the marketing and/or operation of a Franchised Business, whether now in existence or created in the future.

"Franchisee" means the SCA franchisee for whom you are an employee, officer, director or independent contractor.

"Franchised Business" means (i) the license granted to Franchisee by Franchisor to operate an SCA Claims damage appraisal business providing the Services in accordance with the System and in association with the Marks operated pursuant to the Franchise Agreement, (ii) the assets owned and/or used by Franchisee in the operation of the Franchised Business, and (iii) any and all rights granted to Franchisee by Franchisor under this Agreement.

"Intellectual Property" means the Marks, the Copyrighted Materials and all other intellectual property and other methods and procedures, copyrights, titles, symbols, logotypes, trade dresses, emblems, slogans, insignias, terms, know-how, specifications, designations, designs, diagrams, anecdotes, worksheets, techniques, rules, ideas, advertising and promotional materials, software, programming, materials, audio, video and written materials developed and designated for use in connection with the System, including the URL websites used by the System or other proprietary information we may hereafter acquire, develop or designate for use in connection with the System.

"Marks" refers to and includes (i) the service marks, "SCA Appraisal Franchisor" and "SCA" and related logotypes, and (ii) all additional or different trade names, trademarks, service marks, logotypes and slogans that Franchisor adopts to identify the SCA Network and Services.

"System" refers to the compilation of unique and distinctive set of operating procedures, marketing concepts, formats, methods, standards, specifications, information, training and business relationships, and management techniques that Franchisor or Affiliate developed to govern the provision of Services and the operation of a business model that provide those Services, all of which Franchisor or Affiliate in our sole judgment, may change, alter, amend, further improve, discontinue, develop or otherwise modify from time to time.

2. **Background.** You are an employee, officer, director or independent contractor of Franchisee. As a result of this association, you may gain knowledge of our System and Intellectual Property information. You understand that protecting the Intellectual Property is vital to our success and that of our franchisees and that you could seriously jeopardize our entire franchise system if you were to unfairly compete with us. In order to avoid such damage, you agree to comply with the terms of this Agreement.

3. **Intellectual Property.** You agree: (i) you will not use our Intellectual Property information in any business or capacity other than at the Franchised Business; (ii) you will maintain the confidentiality of the Intellectual Property at all times; (iii) you will not make unauthorized copies of documents containing any Intellectual Property information; (iv) you will take such reasonable steps as we may ask of you from time to time to prevent unauthorized use or disclosure of our Intellectual Property information; and (v) you will stop using the Intellectual Property immediately if you are no longer a manager of Franchisee. You further agree that you will not use the Intellectual Property for any purpose other than the performance of your duties for Franchisee and within the scope of your employment.

4. **Immediate Family Members.** You acknowledge that you could circumvent the purpose of this Agreement by disclosing Intellectual Property information to an immediate family member (i.e., spouse, parent, sibling, child, or grandchild). You also acknowledge that it would be difficult for us to prove whether you disclosed the Intellectual Property information to family members. Therefore, you agree that you will be presumed to have violated the terms of this Agreement if any member of your immediate family uses or discloses the Intellectual Property information. However, you may rebut this presumption by furnishing evidence conclusively showing that you did not disclose the Intellectual Property information to the family member.

5. **Covenants Reasonable.** You acknowledge and agree that: (i) the terms of this Agreement are reasonable both in time and in scope of geographic area; and (ii) you have sufficient resources and business experience and opportunities to earn an adequate living while complying with the terms of this Agreement. YOU HEREBY WAIVE ANY RIGHT TO CHALLENGE THE TERMS OF THIS AGREEMENT AS BEING OVERLY BROAD, UNREASONABLE OR OTHERWISE UNENFORCEABLE.

6. **Breach.** You agree that failure to comply with the terms of this Agreement will cause substantial and irreparable damage to us and/or other SCA franchisees for which there is no adequate remedy at law. Therefore, you agree that any violation of the terms of this Agreement will entitle us to injunctive relief. You agree that we may apply for such injunctive relief, without bond, but upon due notice, in addition to such further and other relief as may be available at equity or law, and the sole remedy of yours, in the event of the entry of such injunction, will be the dissolution of such injunction, if warranted, upon hearing duly held (all claims for damages by reason of the wrongful issuance of any such injunction being expressly waived hereby). If a court requires the filing of a bond notwithstanding the preceding sentence, the parties agree that the amount of the bond shall not exceed \$1,000. None of the remedies available to us under this Agreement are exclusive of any other, but may be combined with others under this Agreement, or at law or in equity, including injunctive relief, specific performance and recovery of monetary damages. Any claim, defense or cause of action that you may have against us or against Franchisee, regardless of cause or origin, cannot be used as a defense against our enforcement of this Agreement.

7. **Miscellaneous.**

(a) If we hire an attorney or file suit against you because you have breached this Agreement and prevail against you, you agree to pay our reasonable attorneys' fees and costs in doing so.

(b) This Agreement will be governed by, construed and enforced under the laws of the State of California and the courts in that state shall have jurisdiction over any legal proceedings arising out of this Agreement.

(c) Each section of this Agreement, including each subsection and portion thereof, is severable. In the event that any section, subsection or portion of this Agreement is unenforceable, it shall

not affect the enforceability of any other section, subsection or portion; and each party to this Agreement agrees that the court may impose such limitations on the terms of this Agreement as it deems in its discretion necessary to make such terms enforceable.

**SECURED PROMISSORY NOTE**

\$ \_\_\_\_\_

\_\_\_\_\_

Date

Each of the undersigned (hereinafter individually referenced as "Maker"), jointly and severally, promises to pay to the order of SCA Franchising Corporation, a California corporation (hereinafter "Holder"), at 3817 West Magnolia Boulevard, Burbank, CA 91505, or at such other place as Holder may designate in writing from time to time, the principal sum of \_\_\_\_\_ Dollars (\$ \_\_\_\_\_), together with interest on the unpaid balance of the principal from time to time outstanding from the date of this Note until paid in full, as all hereinafter set forth (the "Loan"). Interest shall be calculated on the basis of three hundred sixty-five (365) days per year.

The following terms shall apply to this Promissory Note:

1. Interest. Interest on the outstanding principal balance of the Loan shall accrue at the fixed rate of percent (5.0%) per annum beginning to accrue on the date set forth above. Interest shall be calculated on the basis of the actual number of days elapsed from the later of the date of this Note or the date of the last payment received under this Note to the date of the applicable payment and on the unpaid balance of the principal from the later of the date of this Note or the date of the last payment received under this Note to the date of the applicable payment.

2. Loan Term. If not sooner paid, the entire outstanding principal balance of the Loan, all accrued and unpaid interest and any other payment due hereunder shall be due and payable in equally monthly installments of \_\_\_\_\_ Dollars (\$ \_\_\_\_\_), beginning on the \_\_\_\_\_ day of \_\_\_\_\_, and continuing on the \_\_\_\_\_ day of each \_\_\_\_\_ thereafter \_\_\_\_\_, at which point all principal and interest shall have been fully paid. All amounts paid pursuant to this Note shall be paid in legal tender for the payment of public and private debts in the United States of America. If any portion of the indebtedness evidenced by this Note is not received by Holder when due, Holder may, at Holder's option and without notice to or demand on any Maker, accelerate all or any portion of such unpaid indebtedness due and declare the same payable at one. Time is of the essence on this Note. Each payment will be made in accordance with the terms of payment for ongoing fees as outlined in that certain franchise agreement of even date herewith (the "Franchise Agreement").

3. Payment of Principal and Interest. All payments hereunder, in Holder's sole discretion, may be applied first to the payment of accrued and unpaid interest and the balance to the payment of principal. This Note may be prepaid in full or in part at any time without penalty. Any prepayment shall be applied first to the discharge of accrued interest and then to the reduction of the principal portion of the installment or installments last maturing hereunder.

4. Late Charge and Interest After Default. If any installment or any payment hereunder is past due for five (5) business days or more, Maker shall pay, upon notification, a late charge of three percent (3%) of the amount of the payment that is past due. If Maker fails to make any payment of principal as required hereunder or otherwise upon an Event of Default under this Promissory Note, the balance of this Promissory Note will bear interest at the rate of ten percent (10%) effective as of the date of the occurrence of the Event of Default; provided, however, Maker shall not be required to pay any amount of interest or other fees or charges that is in excess of the maximum permitted by applicable law. Any payment in excess

of such maximum shall be refunded to Maker or credited against the principal, at the option of Holder. The increase in the interest rate upon the occurrence of an Event of Default shall be applicable whether or not Holder has exercised its option to accelerate the maturity of this Promissory Note and declared the entire unpaid principal amount due and payable.

6. Security Interest.

(a) This Note and the due performance by Maker of all of its obligations hereunder are secured by all of Maker's right, title and interest in and to the following property, in each case whether now or hereafter existing, whether now owned or hereafter acquired and whether or not subject to the UCC (the "Security Interest"): all of the tangible and intangible personal property owned by the Maker's SCA franchised business (the "Franchised Business"), including, without limitation, the license to operate the Franchised Business granted by Holder to Maker pursuant to that certain Franchise Agreement (collectively the "Collateral").

(b) Maker represents and warrants that he has full title to the Collateral free from any lien, security interest, encumbrance, or claim, and Maker will, at Maker's cost and expense, defend any action that may affect Holder's Security Interest in, or Maker's title to, the Collateral.

(c) Maker will join in executing all necessary financing statements in forms satisfactory to Holder and will further execute all other necessary instruments deemed necessary by Holder. Maker hereby acknowledges and understands that Holder may file UCC and such other financing statements (collectively, the "Financing Statements") concerning Holder's Security Interest in the Collateral, and Maker hereby gives its permission to Holder, as Maker's attorney-in-fact, to file all such Financing Statements as deemed necessary in the sole discretion of Holder.

(d) Except in the ordinary course of business, Maker will not, without the written consent of Holder, which consent shall not be unreasonably conditioned, delayed or withheld, sell, contract to sell, lease, encumber, or dispose of the Collateral or any interest in it until this Promissory Note and all debts secured by it have been fully satisfied.

(e) Subject to ordinary wear and tear in the course of Maker's ordinary course of business, Maker will keep the Collateral in good order and repair and will not waste or destroy the Collateral or any part of it. Maker will not use the Collateral in violation of any statute or ordinance and Holder will have the right to examine and inspect the Collateral at any reasonable time.

7. Event of Default. The happening of any of the following shall constitute a default hereunder:

(a) Failure of Maker to pay interest or principal under this Note to Holder when due, and such failure remains uncured by Maker five (5) days after the due date;

(b) Maker becomes insolvent, admits in writing its insolvency or its present or prospective inability to pay its debts generally as they become due, does not pay all or any material portion (in number or dollar amount) of its debts as they become due, permit or suffer a judgment to exist against it (unless enforcement thereof is stayed pending appeal), makes or proposes an assignment for the benefit of creditors, convenes or proposes to convene a meeting of its creditors, or any class thereof, for purposes of effecting a moratorium upon or extension or composition of its debts, proposes any such moratorium, extension or composition, or commences or proposes to commence any bankruptcy, reorganization or insolvency proceeding, or other proceeding under any federal, state or other law for the relief of borrowers;

(c) Maker fails to obtain the dismissal, within thirty (30) days after the commencement thereof, of any bankruptcy, reorganization or insolvency proceeding, or other proceeding under any law for the relief of Maker, instituted against it by one or more third parties, fails actively to oppose any such proceeding, or, in any such proceeding, defaults or files an answer admitting the material allegations upon which the proceeding was based or alleges its willingness to have an order for relief entered or desire to seek liquidation, reorganization or adjustment of any of its debts;

(d) Any receiver, trustee or custodian is appointed to take possession of all or any substantial portion of the assets of Maker or any committee of Maker's creditors, or any class thereof, is formed for the purpose of monitoring or investigating the financial affairs of Maker or enforcing such creditors' rights; or

(e) The Franchise Agreement is terminated.

8. Acceleration. If an event of default occurs hereunder, Holder may, in Holder's sole discretion and without notice or demand, declare the entire unpaid principal balance plus accrued interest and all other sums due hereunder immediately due and payable. Failure by Holder to exercise this option shall not constitute a waiver of the right to exercise the same in the event of any subsequent default.

9. Costs and Expenses; Waiver by Maker. Maker shall pay to Holder and reimburse Holder for any and all costs and expenses, including attorney's fees and court costs, if any, incurred by Holder in connection with the enforcement or collection hereof; both before and after the commencement of any action to enforce or collect this Promissory Note, but whether or not any such action is commenced by Holder. Maker waives presentment, protest and demand, notice of protest, notice of dishonor and nonpayment of this Promissory Note and expressly agrees that this Promissory Note or any payment hereunder may be extended from time to time without in any way affecting the liability of the Maker hereunder.

10. Cumulative Remedies; No Waiver by Holder. The rights and remedies of Holder hereunder shall be cumulative and concurrent and may be pursued singularly, successively or together at the sole discretion of Holder, and may be exercised as often as occasion therefor shall occur, and the failure to exercise any such right or remedy shall in no event be construed as a waiver or release of the same or any other right or remedy.

11. Evidence of Indebtedness. This Promissory Note is given and accepted as evidence of indebtedness only, and not in payment or satisfaction of any indebtedness or obligation.

12. Headings. The headings used in Promissory Note are for convenience only and are not to be interpreted as a part of this Promissory Note.

13. Attorneys' Fees and Costs. In the event that one or more Events of Default shall occur, and in the event that thereafter this Promissory Note is placed in the hands of an attorney for collection, or in the event that this Promissory Note is collected in whole or in part through legal proceedings of any nature, then and in any such case, Holder shall be entitled to collect (in addition to all principal, interest and other amounts due hereon) Holder's reasonable costs, expenses, and attorneys' fees incurred in the collection of this Note.

14. Waivers and Remedies. Each Maker, surety, endorser, and guarantor of this Note (i) waives demand, presentment for acceptance, presentment for payment, notice of dishonor, protest of dishonor, notice of intent to file suit, and diligence in collecting this Note; (ii) agrees to any substitution, exchange, or release of any collateral securing the indebtedness evidenced by this Note for the release of

any person or entity primarily or secondarily liable on this Note; (iii) agrees that the Holder shall not be required first to institute suit or exhaust its remedies against the Maker or others liable or to become liable on this Note or to enforce the Holder's rights against any collateral then securing the payment of this Note in order to enforce payment of this Note against any collateral then securing the payment of this Note or against anyone liable on this Note; (iv) consents to any extension or postponement of time for payment of this Note and to any other indulgence with respect to this Note without notice thereof; and, (v) agrees that neither the failure of the Holder to exercise the Holder's right to accelerate the maturity of the indebtedness nor the Maker being granted indulgence from time to time shall in any event be considered a waiver of the Holder's right of acceleration or estop the Holder from exercising said right.

13. Usury. All agreements between Maker and Holder, whether now existing or hereafter arising and whether written or oral, are expressly limited so that in no contingency or event whatsoever, whether by acceleration of the maturity of this Promissory Note or otherwise, shall the amount paid, or agreed to be paid, to Holder for the use, forbearance or detention of the money to be loaned hereunder or otherwise, exceed the maximum amount permissible under applicable law. If from any circumstances whatsoever fulfillment of any provision of this Promissory Note or of any other document evidencing, securing or pertaining to the indebtedness evidenced hereby, at the time performance of such provision shall be due, shall involve transcending the limit of validity prescribed by law, then the obligation to be fulfilled shall be reduced to the limit of such validity, and if from any such circumstances Holder shall ever receive anything of value as interest or deemed interest by applicable law under this Promissory Note or any other document evidencing, securing or pertaining to the indebtedness evidenced hereby or otherwise an amount that would exceed the highest lawful rate, such amount that would be excessive interest shall be applied to the reduction of the principal amount owing under this Promissory Note or on account of any other indebtedness of Maker to Holder relating to this Promissory Note, and not to the payment of interest, or if such excessive interest exceeds the unpaid balance of principal of this Promissory Note and such other indebtedness, such excess shall be refunded to Maker. The terms and provisions of this section shall control and supersede every other conflicting provision of all agreements between Maker and Holder.

14. Assignment. This Note may be assigned by the Holder. Each Maker, surety, endorser, and guarantor of this Note expressly agrees that the rights of any such assignee shall be those of a holder in due course.

15. Governing Law and Dispute Resolution. All claims, causes of action, liabilities, controversies, and disputes relating to the negotiation, formation, construction, interpretation, performance, or enforcement of this Note shall be governed by and construed in accordance with California law. At the option of Holder, jurisdiction and venue for any and all claims, causes of action, liabilities, controversies, and disputes between any Holder, Maker, surety, endorser, and guarantor of this Note shall be proper only in a court of general jurisdiction in Los Angeles, California or the United States District Court for the Central District of California. Each Maker, surety, endorser, and guarantor of this Note hereby consent to the exercise of in personam jurisdiction in a court of general jurisdiction in Los Angeles, California or the United States District Court for the Central District of California.

IN WITNESS WHEREOF, Maker has executed this Promissory Note specifically intending this Promissory Note to constitute an instrument under seal and Holder has acknowledged same.

If Franchisor accepts the tender of defense, Franchisor has the right to manage the defense of the claim including the right to compromise, settle or otherwise resolve the claim, and to determine whether to appeal a final determination of the claim.”

2. Section 5(b) of the Franchise Agreement is amended to add the following:

“With respect to franchises governed by Minnesota law, Franchisor will comply with Minn. Stat. Sec. 80C.14, Subds. 3, 4, and 5 which require, except in certain specified cases, that a Franchisee be given 180 days’ notice for non-renewal of the Franchise Agreement.”

3. Section 5(b)(iv) of the Franchise Agreement is hereby deleted and replaced with the following:

“signing a general release, in the form prescribed by the Franchisor and hereto attached as Exhibit B, releasing Franchisor and Affiliate and their subsidiaries (if any) and their respective officers, directors, employees, attorneys, contractors, agents, and representatives from any claim that Franchisee may have against them prior to the expiration of the initial term of this Agreement; provided, however, any release shall not release Franchisor of any liability imposed by Minnesota Statutes 1973 Supplement, Sections 80C.01 to 80C.22 (the “General Release”).”

4. Section 12(a) of the Franchise Agreement is amended to add the following:

“With respect to franchises governed by Minnesota law, Franchisor will comply with Minn. Stat. Sec. 80C.14, Subds. 3, 4, and 5 which require (except in certain specified cases) that Franchisor’s consent to the transfer of the franchise not to be unreasonably withheld.”

5. Section 12(b)(x) of the Franchise Agreement is hereby deleted and replaced with the following:

The Franchisee and its owners sign and deliver to Franchisor general releases, in form and substance prescribed by Franchisor, releasing Franchisor and Affiliate and their respective officers, directors, employees, agents and representatives from any known or unknown claim, except for the payment of uncollected amounts due Franchisee for Services prior to the effective date of transfer; provided, however, any release shall not release Franchisor of any liability imposed by Minnesota Statutes 1973 Supplement, Sections 80C.01 to 80C.22.

6. Section 14 of the Franchise Agreement is amended to add the following:

“With respect to franchises governed by Minnesota law, Franchisor will comply with Minn. Stat. Sec. 80C.14, Subds. 3, 4, and 5 which require, except in certain specified cases, that a Franchisee be given 90 days’ notice of termination (with 60 days to cure).”

7. Section 20 of the Franchise Agreement is amended as follows:

“Minn. Stat. §80C.21 and Minn. Rule 2860.4400J prohibit Franchisor from requiring litigation to be conducted outside Minnesota. Nothing contained herein shall limit Franchisee’s right to submit matters to the jurisdiction of the courts of Minnesota to the full extent required by Minn. Rule 2860.4400J. In addition, nothing in the disclosure document or this Agreement can abrogate or reduce (1) any of Franchisee’s rights as provided for in Minnesota Statutes, Chapter 80C or (2) Franchisee’s rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.”

8. Section 15(c) is amended to read as follows:

“Franchisor may seek injunctive relief, without bond if determined by the court of competent jurisdiction that a bond is not required, against Franchisee restraining the unauthorized use of any Mark or Copyrighted Materials, or the unauthorized use or disclosure of Franchisor’s confidential information.”

9. Section 20(f) is hereby deleted in its entirety and replaced with the following:

“Nothing contained in this Agreement shall prevent Franchisor from seeking from any court having competent jurisdiction, a writ of attachment, injunctive relief, including without limitation a temporary injunction or preliminary injunction, and/or other emergency relief available to safeguard and protect Franchisor’s interests. Franchisor is entitled to seek this relief without the posting of any bond or security if determined by the court of competent jurisdiction that a bond is not required.”

10. Section 20(k) of the Franchise Agreement is hereby amended by adding the following at the end of the Section: “; provided, however, any action under Chapter 80C of the Minnesota Statutes must be submitted within three years after the cause of action accrues.”

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. 1. Bankruptcy. Section 14(c)(x), which terminates the Franchise Agreement upon the bankruptcy of Franchisee, may not be enforceable under federal bankruptcy law (11 U.S.C. Section 101, et seq).
2. Termination. Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any grounds for default or termination stated in the Franchise Agreement does not constitute "reasonable cause," as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

## WASHINGTON AMENDMENT TO FRANCHISE AGREEMENT

Franchisor and Franchisee hereby agree that the Franchise Agreement dated \_\_\_\_\_, 20\_\_\_, will be amended as follows:

1. The State of Washington has a statute, RCW 19.100.180, which may supersede the Franchise Agreement in Franchisee's relationship with the Franchisor, including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the Franchise Agreement in your relationship with Franchisor including the areas of termination and renewal of your franchise.
2. In the event of a conflict of law, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.
3. A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
4. Transfer fees are collectable to the extent that they reflect Franchisor's reasonable estimated or actual costs in effecting a transfer.
5. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the State of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the Franchise Agreement, Franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
6. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of Franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of Franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the Franchise Agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.
7. RCW 49.62.060 prohibits Franchisor from restricting, restraining, or prohibiting Franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the Franchise Agreement or elsewhere are void and unenforceable in Washington.
8. Section 22(c) of the Franchise Agreement is hereby deleted in its entirety and replaced with "**Intentionally omitted.**"
9. Section 23 of the Franchise Agreement is hereby deleted in its entirety.

10. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

11. Exhibit B to the Franchise Agreement shall be amended with the addition of the following language: "Notwithstanding anything in this Agreement to the contrary, the General Release does not apply with respect to claims arising under the Washington Franchise Investment Protection Act, RCW 19.100, and the rules adopted thereunder."

12. The undersigned hereby acknowledges receipt of this amendment.

IN WITNESS WHEREOF, Franchisor and Franchisee have duly executed and delivered this Amendment as of the date set forth above.

## Independent Auditors' Report

To the Board of Directors and Stockholders of  
SCA Franchising Corporation

### Opinion

We have audited the financial statements of SCA Franchising Corporation (the Company), which comprise the balance sheets as of March 31, 2025, 2024 and 2023, and the related statements of income and retained earnings and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of March 31, 2025, 2024 and 2023 and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

### **Supplementary Information**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of operating expenses on page 11 are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Notes to Financial Statements  
March 31, 2025, 2024 and 2023

## 1. Business Activity and Summary of Significant Accounting Policies

### Business Activity

SCA Franchising Corporation (the Company) is a California C-corporation located in Burbank, California. The Company was incorporated on March 14, 2007. The Company offers and sells SCA Appraisal Services franchises nationwide. SCA Appraisal Services engages in providing automobile damage insurance appraisal services for various insurance carriers. The Company handles the initial sale of the franchise and holds the related franchise agreement. The Company receives an initial franchise fee upon the commencement of the franchise agreement and recognizes the related royalties once the franchise is operating. The initial term of each franchise agreement is five years and can be renewed for additional five-year terms.

The Company offers its franchisees assistance with invoicing and collection of the franchisees' accounts receivable. Receivables that result from services to customers outside the Company's customer base can also be handled by the Company. This service is provided in exchange for a service fee. A franchisee may also sell its receivables to the Company at a discount rate in accordance with the terms and conditions of the Company's factoring agreement.

### Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP). The financial statements are presented on the accrual basis of accounting.

### Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

### Revenue Recognition

#### Royalties and Franchise Fees

The Company records revenue under Financial Accounting Standards Board (FASB) Accounting Standard Codification (ASC) 606, *Revenue From Contracts With Customers (Topic 606)*, which requires revenue to be recorded as the transfer of promised goods or services to customers in an amount that reflects the consideration to which the reporting entity expects to be entitled in exchange for those goods or services. The Company has selected the private company alternative under Accounting Standards Update (ASU) No. 2021-02 for pre-opening services as a single performance obligation. Based on this guidance, the Company recognizes initial franchise fees at the opening of the store location.

Revenue related to the Company's franchise royalties is recorded when earned based upon the franchisee's sales. Franchise royalties are earned at a rate of 50% of each franchisee's gross revenues and recognized as income in the period of such revenues. Franchise royalties and administration fees are in accordance with the Franchise Agreement provision and are subject to change based on geographical and other conditions. As a result, from time to time, lower franchise royalties are negotiated for certain contracts. For the years ended March 31, 2025, 2024 and 2023, the Company recognized \$5,547,856, \$7,179,381 and \$8,025,913 of franchise royalties, which were approximately 95%, 98% and 98%, respectively, of total revenues.

Notes to Financial Statements  
March 31, 2025, 2024 and 2023

Revenues earned from billing and collection of franchisees' receivables are recognized when billed to the franchisees. The Company also recognizes additional income when a franchisee has transferred or cancelled its franchise.

## Insurance Fees

The Company recognizes errors and omissions (E&O) insurance fee revenue when billed to the franchisee. A franchisee must maintain E&O insurance in the minimum amount of \$2,000,000. The Company has made available to the franchisees, as a convenience, an insurance program in which they may participate. The insurance policies are sold on a monthly basis and automatically renew until the franchisee has been terminated by the Company or has decided not to purchase its E&O insurance through the Company.

## Notes Receivable

The Company has loan agreements with franchisees. The Company allowed franchisees to finance the remaining franchise fee balance over four years at an interest rate of 5% per annum, after a minimum deposit of \$1,000. As of March 31, 2025, 2024 and 2023, the notes receivable balances were \$12,117, \$19,901 and \$36,473, respectively.

## Income Taxes

Income taxes are recognized for the amount of taxes payable or refundable for the current year. The Company records a liability for uncertain tax positions when it is probable that a loss has been incurred and the amount can be reasonably estimated. The Company continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax laws and new authoritative rulings. The Company recognizes the amount of taxes payable or refundable for the current year and deferred tax liabilities and assets are recognized for the future tax consequences of transactions that have been recognized in the Company's financial statements or tax returns. A valuation allowance is provided when it is more likely than not that some portion or the entire deferred tax asset will not be realized.

The Company files income tax returns in the U.S. federal jurisdiction, and various state and city jurisdictions. The Company recognizes tax benefits from uncertain tax positions when it is more likely than not that the position will be sustained upon examination, including resolutions of any related appeals or litigations processes, based on the technical merits of the tax position.

The Company's policy is to recognize interest and penalties accrued on any unrecognized tax benefits as a component of income tax provision. As of March 31, 2025, 2024 and 2023, the Company did not have any accrued interest or penalties associated with any unrecognized tax benefit.

## Fair Value of Financial Instruments

The carrying amount of the Company's receivables and accounts payable and accrued expenses approximate their estimated fair value due to the short-term maturities of those financial instruments.

## Recent Accounting Pronouncements

On April 1, 2023, the Company adopted ASU No. 2016-13, *Financial Instruments—Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, as amended, which replaces the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss (CECL) methodology. The measurement of expected credit losses under the CECL methodology is applicable to financial assets measured at amortized cost, including trade accounts receivable. The Company adopted ASC 326 using the modified retrospective method for its notes receivable. Accordingly, this adoption did not have a material impact to the financial statements.

# SCA Franchising Corporation

Notes to Financial Statements  
March 31, 2025, 2024 and 2023

The Company's effective tax rate differs from the statutory rate in 2025 primarily due to state income taxes and the estimated 2024 taxes being overstated and adjusted in 2025. At March 31, 2025, 2024 and 2023, deferred tax (liabilities) assets consisted of the following:

	<u>2025</u>	<u>2024</u>	<u>2023</u>
Deferred tax (liabilities) assets:			
State taxes	\$ (1,000)	\$ 9,716	\$ 7,319

Deferred income taxes are provided for the tax effects of temporary differences in the reporting of income for financial statement and income tax reporting purposes and arise principally from the timing of when state income taxes are deductible.

The Company establishes a valuation allowance when it is more likely than not that the Company's recorded net deferred tax asset will not be realized. In determining whether a valuation allowance is required, the Company must take into account all positive and negative evidence with regard to the utilization of a deferred tax asset. As of March 31, 2025, 2024 and 2023, the Company did not believe a valuation allowance was required.

As of March 31, 2025, 2024 and 2023, the Company had no net operating loss carryforwards for federal and state income tax purposes. As of the date of this report, the Company has not filed their tax returns for the year ended March 31, 2025. The utilization of net operating loss carryforwards may be limited under the provisions of Internal Revenue Code Section 382 and similar state provisions due to a change in ownership.

The Company has not recognized any liability for unrecognized tax benefits. The Company expects any resolution of unrecognized tax benefits, if created, would occur while the full valuation allowance of deferred tax assets is maintained; therefore, the Company does not expect to have any unrecognized tax benefits that, if recognized, would affect the effective tax rate. In assessing the realizability of deferred tax assets, management considers whether it is more likely than not that some portion of all the deferred tax assets will not be realized. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable income during the periods in which those temporary differences become deductible. Management considers the scheduled reversal of deferred tax assets, projected future taxable income and tax planning strategies in making this assessment.

The Company files tax returns as prescribed by the tax laws of the jurisdictions in which it operates. In the normal course of business, the Company is subject to examination by federal and state jurisdictions, where applicable. There are currently no pending tax examinations. Earlier years may be examined to the extent that credit or loss carry-forwards are used in future periods. The resolution of tax matters is not expected to have a material effect on the Company's financial statements. The Company's policy is to record interest and penalties related to income taxes as part of the tax provision.

## 7. Business Concentrations

### Cash in Financial Institution

The Company's cash balances at its financial institution at times may exceed federally insured limits. The Company places its cash balance in high quality institutions. The Company has not experienced losses in such accounts and believes it is not exposed to significant credit risk on its cash management.

## 8. Subsequent Events

1. The laws of the State of Indiana supersede any provisions of the Franchise Agreement, the other agreements or California law if such provision are in conflict with Indiana law.
2. 3. Item 12 and Section 3(c) of the Franchise Agreement are subject to Indiana Code § 23-2-2.7-1(2) and § 23-2-2.7-2(4) which prohibit us from competing unfairly with you within a reasonable area.

## **ADDENDUM TO THE DISCLOSURE DOCUMENT UNDER THE MARYLAND FRANCHISE REGISTRATION AND DISCLOSURE LAW**

Notwithstanding anything to the contrary set forth in the Disclosure Document, the following provisions shall supersede and apply to all franchises offered and sold in the State of Maryland:

The following sentence is added to the end of the “Summary” section of Item 17(c) and Item 17(m):

1. Item 17(v) is supplemented with the following: “A franchisee may bring a lawsuit in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law.”

3. Item 17 is amended by adding the following at the end of the section: “The Franchise Agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.”
4. ## **ADDENDUM TO THE DISCLOSURE DOCUMENT UNDER THE MICHIGAN FRANCHISE INVESTMENT LAW**

Notwithstanding anything to the contrary set forth in the Disclosure Document, the following provisions shall supersede and apply to all franchises offered and sold in the State of Michigan:

The State of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you:

1. A prohibition on your right to join an association of franchisees.
2. A requirement that you assent to a release, assignment, novation, waiver or estoppel which deprives you of rights and protections provided in this Act. This shall not preclude you, after entering into a license agreement, from settling any and all claims.
3. A provision that permits us to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include your failure to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
4. A provision that permits us to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the license of your inventory, supplies, equipment, fixtures and furnishings. Personalized materials which have no value to us, and inventory, supplies, equipment, fixtures and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applied only if (i) the term of the franchise is less than 5 years and (ii) you are prohibited by the license or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising or other commercial symbol in the same area subsequent to the expiration of the franchise or you do not receive at least 6 months advance notice of our intent not to renew the franchise.
5. A provision that permits us to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
6. A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude you from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
7. A provision which permits us to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent us from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
  - a. The failure of the proposed transferee to meet our then current reasonable qualifications or standards.
  - b. The fact that the proposed transferee is a competitor of us or sub-franchisor.
  - c. The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

- d. The failure of you or the proposed transferee to pay any sums we are owed or to cure any default in the license agreement existing at the time of the proposed transfer.
- 8. A provision that requires you to resell to us items that are not uniquely identified with us. This subdivision does not prohibit a provision that grants us a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if you have breached the lawful provisions of the license agreement and has failed to cure the breach in the manner provided in subdivision (c).
- 9. A provision which permits us to directly or indirectly convey, assign, or otherwise transfer our obligations to fulfill contractual obligations to you unless provisions has been made for providing the required contractual service.
- 10. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

## **ADDENDUM TO THE DISCLOSURE DOCUMENT UNDER THE MINNESOTA FRANCHISE INVESTMENT LAW**

Notwithstanding anything to the contrary set forth in the Disclosure Document or Franchise Agreement, as applicable, the following provisions shall supersede and apply to all franchises offered and sold in the State of Minnesota:

1. The following language is added to Item 13 of the Disclosure Document:

As such, the Minnesota Department of Commerce requires the Franchisor to indemnify Minnesota franchisees against liability to third parties resulting from claims by third parties that the Franchisee’s use of the tradename infringes trademark rights of the third party. Franchisor indemnifies Franchisee against the consequences of Franchisee’s use of the tradename in accordance with the requirements of the license, and, as a condition to indemnification, Franchisee must provide notice to Franchisor of any such claims within ten (10) days and tender the defense of the claim to Franchisor. If Franchisor accepts the tender of defense, Franchisor has the right to manage the defense of the claim including the right to compromise, settle or otherwise resolve the claim, and to determine whether to appeal a final determination of the claim.”

2. Item 17 of the Disclosure Document:

“With respect to franchises governed by Minnesota law, we will comply with Minn. Stat. Sec. 80C.14, Subds. 3, 4, and 5 which require (except in certain specified cases) (1) that a franchisee be given 90 days’ notice of termination (with 60 days to cure) and 180 days’ notice for non- renewal of the franchise agreement and (2) that consent to the transfer of the franchise will not be unreasonably withheld.

“Pursuant to Minnesota Statutes, Section 80C.21 and Minn. Rule Part 2860-4400J, this Section shall not in any way abrogate or reduce (1) any of the franchisee’s rights as provided for in Minnesota Statutes, Chapter 80C or (2) franchisee’s rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

“Minnesota Statutes, Section 80C.21 and Minnesota Rules 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes.

“The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief and a court will determine if a bond is required. See Minn. Rules 2860.4400J.

“You may not bring any action under Chapter 80C of the Minnesota Statutes more than three years after the cause of action accrues.”

3. Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.

4. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

## **ADDENDUM TO THE DISCLOSURE DOCUMENT UNDER THE NEW YORK FRANCHISE LAW**

Notwithstanding anything to the contrary set forth in the Disclosure Document, the following provisions shall supersede and apply to all franchises offered and sold in the State of New York:

1. The following information is added to the cover page of the Franchise Disclosure Document:

INFORMATION COMPARING FRANCHISORS IS AVAILABLE. CALL THE STATE ADMINISTRATORS LISTED IN EXHIBIT A OR YOUR PUBLIC LIBRARY FOR SERVICES OR INFORMATION. REGISTRATION OF THIS FRANCHISE BY NEW YORK STATE DOES NOT MEAN THAT NEW YORK STATE RECOMMENDS IT OR HAS VERIFIED THE INFORMATION IN THIS FRANCHISE DISCLOSURE DOCUMENT. IF YOU LEARN THAT ANYTHING IN THIS FRANCHISE DISCLOSURE DOCUMENT IS UNTRUE, CONTACT THE FEDERAL TRADE COMMISSION AND THE APPROPRIATE STATE OR PROVINCIAL AUTHORITY. THE FRANCHISOR MAY, IF IT CHOOSES, NEGOTIATE WITH YOU ABOUT ITEMS COVERED IN THE FRANCHISE DISCLOSURE DOCUMENT. HOWEVER, THE FRANCHISOR CANNOT USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS WHICH ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.

2. Item 3 "Litigation" is amended by adding the following:

Neither we nor any predecessor, any person identified in Item 2, or any affiliate offering franchises under our principal trademark:

- A. Has an administrative, criminal or civil action pending against that person alleging: a felony; a violation of a franchise, antitrust or securities law; fraud, embezzlement, fraudulent conversion, misappropriation of property; unfair or deceptive practices or comparable civil or misdemeanor allegations.
- B. Has any pending actions, other than routine litigation incidental to the business, which are significant in the context of the number of franchisees and the size, nature or financial condition of the franchise system or its business operations.
- C. Has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the ten-year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud or securities law, fraud, embezzlement, fraudulent conversion or misappropriation of property, or unfair or deceptive practices or comparable allegations.

D. Is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a federal, State or Canadian franchise, securities, antitrust, trade regulation or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

Neither we nor any of our affiliates, predecessors, officers, or general partner during the 10-year period immediately before the date of this Disclosure Document: (a) filed as debtor (or had filed against it) a petition to start an action under the U.S. Bankruptcy Code; (b) obtained a discharge of its debts under the bankruptcy code; or (c) was a principal officer of a company or a general partner in a partnership that either filed as a debtor (or had filed against it) a petition to start an action under the U.S. Bankruptcy Code or that obtained a discharge of its debts under the U.S. Bankruptcy Code during or within 1 year after the officer or general partner of the franchisor held this position in the company or partnership.

4. Item 14 “Requirements for franchisee to renew or extend” is amended to add the following:

No general release shall be required as a condition of renewal, termination and/or transfer that is intended to exclude claims arising under the New York General Business Law, Article 3, Sections 687.4 and 687.5.

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this provision that the non-waiver provisions of General Business Law Sections 687(4) and 687(5) be satisfied.

5. Item 17 “Termination” Section (d) is amended by adding the following at the end of the Summary section:

“You may terminate the Franchise Agreement on any grounds available by law.”

6. Item 17 “Assignment of Contract by Us” Section (j) is amended by adding the following at the end of the Summary section:

“However, no assignment will be made except to an assignee who, in good faith and judgment of the franchisor, is willing and financially able to assume the franchisor’s obligations under the franchise agreement.”

7. Item 17 “Choice of Law” Section (w) is amended by adding the following at the end of the Summary section:

“The California choice of law should not be considered a waiver of any right conferred upon the franchisor or upon the franchisee by article 33 of the General Business law of the state of New York”

8. Franchisor represents that this Disclosure Document does not knowingly omit anything or contain any untrue statements of a material fact.

This provision supersedes any other term of any document executed in connection with the franchise.

## ADDENDUM TO THE DISCLOSURE DOCUMENT UNDER THE NORTH DAKOTA FRANCHISE LAW

Notwithstanding anything to the contrary in the Disclosure Document, the following provisions shall supersede and apply to all franchises offered and sold in the State of North Dakota:

1. Item 17(v) is deleted and is replaced by the following:

3. Item 17(u) of the Disclosure Document is amended to add the following:

In case of any enforcement action, the prevailing party is entitled to recover all costs and expenses including attorneys’ fees.

4. North Dakota has determined that requiring a franchisee to sign a general release upon renewal of the franchise agreement is unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. Accordingly, all references to the Franchisee signing a general release upon renewal of the Franchise Agreement are deleted.

5. Summary column (r) in Item 17 of the Disclosure Document and Section 16(b) of the Franchise Agreement prohibit you from owning or being involved with a company or other business within the Service Area that offers services competitive with those offered, franchised or licensed by us for 2 years after termination or expiration of the Franchise Agreement. Covenants not to compete such as those mentioned above are generally considered unenforceable in the State of North Dakota. 6. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

2. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

## **ADDENDUM TO THE DISCLOSURE DOCUMENT UNDER THE VIRGINIA RETAIL FRANCHISING ACT**

Notwithstanding anything to the contrary set forth in the Disclosure Document or Franchise Agreement, as applicable, the following provisions shall supersede and apply to all franchises offered and sold in the Commonwealth of Virginia:

In recognition of the restrictions contained in Section 13.1-564 of the Virginia Retail Franchising Act, the Franchise Disclosure Document for use in the Commonwealth of Virginia shall be amended as follows:

The following statements are added to Item 17.h.

“Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any ground for default or termination stated in the franchise agreement does not constitute "reasonable cause," as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.”

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

## ADDENDUM TO THE DISCLOSURE DOCUMENT UNDER THE WASHINGTON FRANCHISE INVESTMENT LAW

Notwithstanding anything to the contrary in the disclosure document, the following provisions shall supersede and apply to all franchises offered and sold in the State of Washington.

1. If any of the provisions in the disclosure document or Franchise Agreement are inconsistent with the provisions of RCW 19.100.180 or other requirements of the Washington Franchise Investment Protection Act (the "Act"), the provisions of the Act will prevail over the inconsistent provisions of the disclosure document and Franchise Agreement with regard to any franchises sold in Washington.

2. Item 17 is amended to add the following:

"RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

"In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

"Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

"A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

"Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's

earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

“RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

“A provision in the Franchise Agreement which terminates the franchise upon bankruptcy of the franchise may not be enforceable under Title 11, United States Code Section 101.”

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
