What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends that franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit D.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation and/or litigation only in Ohio. Out-of- state mediation or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate or litigate with the franchisor in Ohio than in your own state.
2. **Mandatory Minimum Payments.** You must make minimum royalty or brand fund payments, regardless of your sales levels. Your inability to make payments may result in termination of your franchise and loss of your investment.
3. **Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

NOTICE REQUIRED BY

STATE OF MICHIGAN

The State of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, according to the Michigan Department of Attorney General, Consumer Protection Division (the “Division”), the provisions are void and cannot be enforced against you:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided by the Michigan Franchise Investment Law. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee’s inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor’s intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This subsection does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside the State of Michigan. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market value or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c) above.

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the Attorney General of Michigan does not constitute approval, recommendation, or endorsement by the Attorney General.

The Franchised Business

We franchise the right to operate a business that: (i) offers and sells an array of insulation products, including proprietary injection foam, polyurethane spray foam insulation, blown fiberglass insulation, rolled/batten fiberglass insulation and other products and services that we authorize (collectively, the “Approved Products”); and (ii) evaluates a customer’s insulation needs and subsequently installs 1 or more of the Approved Products at that customer’s property (the “Approved Services”). Some of the Approved Products may be proprietary or comprised of proprietary components that are developed by us or our designated supplier for that product.

If we grant you a franchise, you may operate the business described above (the “Franchised Business”) utilizing our Marks and System (each as defined below) in the area described more fully in Item 12 of this Disclosure Document (the “Designated Territory”).

Your Franchised Business must be operated from a location within the Designated Territory that we approve (the “Approved Location”). Your Approved Location must: (i) be located in a light industrial area; (ii) be large enough to park (2) Approved Vehicles; and (iii) have sufficient space and appropriate layout for a reception area, offices, warehouse space and room to store all required supplies, products and equipment. Your Approved Location will typically be between 2,500 to 3,500 square feet. We require a lease of at least 2 years but we do not recommend a lease of more than (3) years. You are solely responsible for preparing the Proprietary Foam Insulation Products for use in connection with providing the Approved Services once those products are delivered to you.

If a qualified individual or entity has offered insulation products and other energy efficient products and related installation services similar or identical to the services provided by a USA Insulation franchisee for at least 12 months and that have generated more than \$500,000 in sales during the immediately preceding 12 month period (a “Conversion Franchisee”), then we offer the opportunity to enter into a Conversion Franchise Addendum to our Franchise Agreement, under the terms of which we will (i) waive the Initial Franchise Fee, and (ii) reduce the monthly Royalty Fee to the greater of 2% of monthly Gross Sales or \$1,000 per month for the first 24 months of the Franchise Agreement term. INITIAL FEES**

Franchise Agreement

Initial Franchise Fee

The amount of the initial franchise fee you pay will depend upon the size of the territory we grant you. We offer two franchise territories for sale. The first, a “Large Market” territory, consists of up to 150,000 homes built before 1990. The second, a “Small Market” territory, consists of up to 100,000 homes built before 1990. You must pay us an initial franchise fee of \$55,000 for the Large Market territory, and an initial franchisee fee of \$45,000 for the Small Market territory (each an “Initial Franchise Fee”). The Initial Franchise Fee must be paid to us in one lump-sum when you sign your Franchise Agreement, unless we offer to finance all or a portion of it. We may offer to prospects who meet our qualifications, including creditworthiness financing of up to the full amount of the Initial Franchise Fee. See Item 10 for additional information. The Initial Franchise Fee is fully earned by us when you sign the Franchise Agreement and it is not refundable.

For existing franchisees, or franchisees who have a demonstrated record of success operating a franchise in our or our affiliate brands, we will waive the Initial Franchise Fee in exchange for an increase to the Continuing Royalty rate by an additional 2.5% of Gross Consumer Sales (example the 5% royalty will

increase to 7.5%) for 10 years (the initial term). We refer to this program as our “Franchise Option Program”. You will enter into the Franchise Option Amendment attached to the Franchise Agreement as Exhibit 5. See Item 6 for more information related to this program.

For new franchisees who desire to participate in the Franchise Option Program, we will refund your Initial Franchise Fee within 10 days of the opening of your Franchised Business so long as it opens within the time required under the Franchise Agreement and you are not otherwise in default under the Franchise Agreement or any other agreement between you and us or any of our affiliates. You will enter into the Franchise Option Amendment attached to the Franchise Agreement as Exhibit F.

If you are a current member of the United States Armed Forces or you received an honorable discharge from the United States Armed Forces you may be eligible for a 20% reduction of the Initial Franchise Fee on your first Franchised Business. We also offer a “First Responders” discount. If you are a police officer, firefighter, or paramedic/emergency medical technician (EMT) you may be eligible for a 20% reduction of the Initial Franchise Fee on your first Franchised Business.

We currently offer a multi-unit discount. If you purchase 3 or more USA Insulation franchises, you may be eligible to receive a 25% reduction of the Initial Franchise Fee off the second and any additional franchises you purchase at the time you purchase the initial USA Insulation franchise. If you qualify as a Conversion Franchisee, then we will (i) waive the Initial Franchise Fee, and (ii) reduce the monthly Royalty Fee to the greater of 2% of monthly Gross Sales or \$1,000 for each of the first 24 months of the Franchise Agreement term. You must enter into a Conversion Franchise Addendum if you purchase the Franchised Business as a Conversion Franchisee.

We may offer a discount of up to 10% off the Initial Franchise Fee to prospects who will be operating their franchise in a hard-to-serve or underserved market, whether geographic or demographic.

Any waiver of, or reduction in, the Initial Franchise Fee will be granted in our sole discretion. We evaluate each situation on an individual basis. We reserve the right to change, modify or discontinue any of these discount/waiver programs at any time.

Additional Purchases Before Opening

Before opening your Franchised Business, you must purchase certain proprietary materials and equipment from our affiliate, that will be used in the operation of your Franchised Business. Specifically, you must purchase from our affiliate FDIE: (i) certain equipment necessary to outfit the truck (model Isuzu NPR XD with Morgan 18-foot box or equivalent approved by us) (the “Equipment Package”) which we estimate will cost between \$40,000 to \$50,000; and (ii) the initial stock of the Proprietary Foam Insulation Products inventory from FDIE before opening and additional truck inventory supplies, which we estimate will cost between \$14,000 to \$30,000.

Our current training fee for any additional trainees is \$500 per day per trainer for on-site training programs, and \$495 per attendee for off-site training programs.

Referral Fee

We pay a referral fee (“Referral Fee”) to any current franchisee for each candidate referred to us who meets our qualifications and signs a Franchise Agreement. Currently, the Referral Fee is \$10,000 for each successful referral of a candidate who is not a current franchisee of our brand or any of our affiliate brands. We can change, modify or discontinue this referral program at any time.

NOTES:

1. **Generally.** Except as otherwise noted, all fees noted in this Item 7 are payable to us and are non-refundable under any and all circumstances. The total investment range disclosed in the Chart above is our estimate of the costs you will incur to open and commence operating a Franchised Business, with one combination truck and the equipment and inventory necessary to provide our products and services. Many of the purchases you make to set-up the business, are paid to local suppliers as noted in the far-right hand column above.

2. **Initial Franchise Fee.** The amount of the Initial Franchise Fee will depend upon the size of the territory we grant to you. Except as discussed in Item 5 for new franchisees in our Franchise Option Program, this fee is non-refundable, the Initial Franchise Fee is nonrefundable. We may finance up to the entire amount of the Initial Franchise Fee. See Item 10 for additional information. Otherwise, we do not finance any fees due under the Franchise Agreement, or any other part of your investment in the business.

3. **Real Property.** The cost per square foot of commercial space varies considerably depending upon the location and market conditions. Lease costs vary based upon square footage, the cost per square foot, required maintenance costs and other lease variables. It is difficult to estimate real estate costs. You will need approximately 2,500 to 3,500 square feet of light industrial space with easy access to major highways. Our estimate accounts for the first 3 months of rent. The security deposit is included under Security Deposits. These costs may not be refundable, but your security deposit may be refundable under certain circumstances.

4. **Leasehold Improvements.** You will need to comply with all specifications required by us. The estimated range includes the build-out of office space including a cooler for the resin to be stored in a temperature- controlled state. Your actual costs may vary considerably depending on the size of the space, the cost of financing, and other local conditions, including labor, material costs, architectural fees and local government requirements. You may also be required to retain licensed construction management services.

Local governments and agencies typically charge you fees for such things as construction permits and operating licenses. Costs may vary based on the requirements of local government agencies. These fees are typically not refundable.

5. **Vehicle.** You must purchase and/or lease the tools, parts, equipment, Approved Vehicle, and Approved Vehicle wrap necessary to operate your Franchised Business as we designate in the manuals. The cost of these items will vary according to local market conditions, suppliers and other related factors. We do not know if the amounts you pay for tools, parts, equipment or the Approved Vehicle is refundable. A conversion franchisee may have previously purchased some or all of the items.

You must purchase at least one 18-foot box “combination” truck. This estimate includes the cost to lease a truck for your first 3 months of operation. Your actual costs for these Approved Vehicles will vary based on the location of the Franchised Business, competition among local dealers, the time of year, and other factors. These expenses are typically not refundable.

Other equipment costs include hand tools and equipment required to outfit each truck for product.

application and the warehouse area for product preparation and general maintenance. This estimation is in part based on the estimate provided by an Approved Supplier for the Approved Vehicle wrap. Your location will need the following proprietary equipment:

Equipment Package: Our proprietary system, when built and installed to our specifications, stores the resin and the foaming agent in your truck and, using our specially designed pump, delivers the components to a mixing chamber where they are mixed together into our proprietary foam, which can be delivered from the mixing chamber to the customer’s wall cavity through attached equipment. The System includes:

- Heat System
- Holding Tanks
- 12.5 KW Gen-Set
- Electrical
- Transfer Pump
- Air Compressor
- All Cabinetry and racking
- Foam Delivery System

In addition to the proprietary equipment above, you must obtain a designated insulation blower and a diesel-powered generator from the supplier we designate or approve in writing.

6. **Equipment.** You must purchase equipment for material handling and storage, including a forklift. You must also purchase office equipment and furniture. The low end of this estimate includes the cost of leasing a forklift for your first 3 months of operation. The furniture and equipment you must purchase includes a workbench, brooms, wrenches, pallet loader, desk, cabinets, and computers.

7. **Supplies, Fixtures & Signs.** You must purchase general office supplies including stationery and business cards. Factors that may affect your cost of office equipment and supplies include local market

conditions, competition among suppliers, and other things. We do not know if the amounts you pay for office equipment and supplies are refundable.

This range also includes the cost of the supplies, apparel, sales materials and a computer and 1 mobile tablet or other approved mobile device per Technician or Approved Vehicle, whichever is greater, signs and fixtures used in the Franchised Business, including building, and yard signs. Your cost will vary based upon the size and location of the Franchised Business, number of Approved Vehicles, local government requirements and local wage rates. The amounts you pay for signage are typically not refundable.

8. **Professional Fees.** You may need the assistance of an attorney, accountant or other consultants to assist in establishing your Franchised Business. These fees may vary from location to location depending upon the prevailing local rate of attorneys', accountants' and consultants' fees. These fees are typically not refundable.

9. **Security Deposits.** We estimate that you will have to pay security deposits on items like utilities, insurance, phones and rent as well as the deposit for your combination truck.

10. **Opening Inventory.** You must purchase an initial supply of 8 drum sets (1 Resin barrel and 1 Foaming Agent container per drum set) of USA Insulation Premium Foam and a start-up package of USA Insulation products. We recommend that you purchase 24 drum sets, which is the amount we estimate to be sufficient inventory for the first 3 months of operation, but you will need to replenish inventory on a regular basis. Product costs vary over time based upon raw materials and manufacturing costs, the size and location of the Franchised Business, the size of your Designated Territory, freight and other related factors.

You must purchase an initial supply of loose blown and batten insulation for Attic installation. We have estimated the costs of these products in sufficient quantity for the first 3 months of operation.

11. **Initial Marketing Spend.** This is the estimated costs you will incur during the first 3 months of operation. This estimate also includes the costs of sales and marketing materials required to begin your business. You must spend a minimum of \$25,000 on your Initial Marketing Spend during the first 3 months of operation, exclusive of the cost of sales and marketing materials. You may choose to spend more. Depending on the size of your Designated Territory, you may be required to spend up to \$45,000 on your Initial Marketing Spend within the first 3 months of operations, exclusive of the cost of sales and marketing materials. Factors that may affect your decision on what additional amounts to spend on advertising includes local media cost, location of the Franchised Business, time of year and customer demographics in the surrounding area. We may require you to demonstrate that you have expended or are in a position to expend the Initial Marketing Spend as a condition to receiving approval to attend the portion of our Initial Training Program that takes place at our corporate headquarters or designated training facility. The amounts you spend for initial marketing and advertising are typically not refundable. You must also spend 15% of the prior month's Gross Sales of your Franchised Business each calendar month as your "Local Advertising Requirement" on the local advertising and promotion of your Franchised Business within your Designated Territory.

12. **Training and Expenses Associated with our Initial Training Program.** All components of our Initial Training Program will be provided to you (including each owner or manager of your corporate entity if the franchise is owned or operated by a corporate entity), and any individuals selling, or you intend to engage as an initial Authorized Installer that will provide, the Proprietary Foam Insulation Products when your Franchised Business opens, without us charging you any training fee, provided all of these individuals attend training at the same time before the opening of the Franchised Business. You are responsible for all costs and expenses associated with you and your personnel attending or otherwise participating in all required training appropriate for such personnel, including the travel, food, lodging and employee salaries

for the approximately 8 business days of training at our headquarters in Ohio or other training facility we designate or, at our sole discretion, by remote/virtual means.

The total costs and expenses to attend our Initial Training Program will vary on how many people, up to 6, who attend, how far you travel and the type of accommodations you choose.

You must also attend and successfully complete third-party training, at your expense, before opening your business. This third-party training is provided at our approved supplier's then-current tuition rates. These expenses are typically not refundable. This third-party training typically contains about eight hours of instruction covering building/energy science, safety and OSHA/State-OSHA compliance. The cost of this training is approximately \$900 per person, with a possible additional charge of up to \$400 for course materials.

Many jurisdictions (state and local) require specialized training and licenses for insulation installers. If required by the jurisdiction(s) where you operate your Franchised Business, you must attend, successfully complete and achieve the necessary certifications and accreditations to operate your business, all at your own expense.

13. **Insurance.** This estimate includes 3 months of the insurance coverages disclosed in Item 8. You must obtain, annually renew and submit proof to us of these insurances. You must name us and our affiliated Approved Suppliers as an additional insured party on all of your required policies. The cost of insurance varies by market and experience.

14. **Additional Funds.** We recommend that you have a minimum amount of working capital available to cover certain expenses incurred before you open and in your first 3 months of operation, including operating expenses and salaries and fees payable to us (which are not included in these estimates). You will need to have sufficient capital to cover employment costs for three to five associates, some of which will be part time. You must be prepared to reorder inventory and supplies as necessary and to cover the costs of operations.

Additional working capital may be required. These expenses are typically not refundable. In calculating these estimates, we relied on our affiliate's over 35 years of experience in the business and the experience of our franchisees starting USA Insulation Franchised Businesses. This estimate for "Additional Funds" does not include any of your personal living expenses and does not include any fees associated with debt services.

Unless otherwise stated, all fees are non-refundable by us or your suppliers. Some pre-payments, return items, or deposits in which the conditions have been fulfilled may be refundable by local suppliers.

ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must operate all aspects of your Franchised Business in strict conformance with the methods, standards and specifications of our System. Our methods, standards, and specifications will be communicated to you in writing when we evaluate your proposed location for the Franchised Business during training, before you conduct your Initial Marketing Spend, during on-site opening assistance, during periodic visits to your Franchised Business and through periodic bulletins and the USA Insulation Operations Manual and other proprietary guidelines and writings that we prepare for your use in connection with the Franchised Business and System. We may periodically change our System standards and specifications, as we deem appropriate or necessary, and you will be solely responsible for costs associated with complying with any modifications

to the System. We have no purchasing or distribution cooperatives and we do not negotiate purchase arrangements with suppliers for the benefit of franchisees.

Proprietary Foam Insulation Products and other Items

You may only market, offer, sell and provide the Proprietary Foam Insulation Products at your Franchised Business in a manner that meets our System standards and specifications. We will provide you with a list of our then-current Proprietary Foam Insulation Products, along with their standards and specifications, as part of the USA Insulation Operations Manual. We may update or modify this list in writing at any time.

If you wish to offer any product or service in your Franchised Business other than our Proprietary Foam Insulation Products, or use any item in connection with your Franchised Business that does not meet our System standards and specifications, you must obtain our prior written approval, as described more fully in this Item.

You must carry commercial general liability insurance, including personal injury, completed operations, contractual liability, and products liability, in an amount of at least \$2,000,000 per occurrence for bodily injury and at least \$2,000,000 per occurrence for property damage. You must also carry fire, vandalism, and extended coverage insurance with primary and excess limits of not less than the full replacement value of the premises of the Franchised Business and its furniture, fixtures, and equipment. You must carry auto insurance for all vehicles used in connection with the Franchised Business, with liability coverage of at least \$1,000,000 per year, as well as commercial auto insurance including collision and comprehensive coverage as well as liability coverage of at least \$250,000 per person and \$500,000 per accident per year, or the minimum required by state law, whichever is greater. You must also carry employer's liability, workers' compensation insurance and such other insurance as may be required by applicable state or local law and business interruption insurance, based on projected annual income for the Franchised Business, with coverage of at least \$500,000 per occurrence per year.

Approved Suppliers

We can require you to purchase or lease any items or services necessary to operate your Franchised Business, including equipment, fixtures, inventory, and paper goods, from a supplier that we approve or designate (each, an "Approved Supplier"), which may include us or our affiliate(s). We will provide you with a list of our Approved Suppliers, as part of the USA Insulation Operations Manual, or otherwise in writing, and we may update or modify this list as we deem appropriate.

We, an affiliate or a third party may be the sole supplier of goods or services you must purchase for use or sale in your Franchised Business. For example, FDIE is the only Approved Supplier for our Proprietary Foam Insulation Products and the Equipment Package. We can sell these products and the Equipment Package directly to you or designate a different supplier from which you must buy this equipment and ongoing inventory. Other than FDIE and us, none of our officers presently own an interest in any of our Approved Suppliers. Except for FDIE, neither we, nor our affiliate, are currently the Approved Supplier for any other items you will use in your Franchised Business.

We also have Approved Suppliers for the following items that you must use in connection with your Franchised Business: (i) insulation and other inventory/supplies necessary to provide the Approved Products and Services; (ii) certain equipment with which you must outfit and equip your Approved Vehicle, and any vehicle wrap or other trade dress; and (iii) the proprietary customer record management system (or "CRM") that you must use in connection with your Franchised Business, which we will also be able to access independently.

Non-Approved Product/Service and Alternate Supplier Approval

We may, but are not obligated to, grant your request to: (i) offer any products or services in connection with your Franchised Business other than the Approved Services (which includes the Proprietary Foam Insulation Products); or (ii) purchase any item or service we require you to purchase from an Approved Supplier from an alternative supplier.

If you wish to undertake either of these actions, you must request and obtain our approval in writing before:

(i) using or offering the non-approved product or service in connection with your Franchised Business; or

(ii) purchasing from a non-approved supplier. We may ask you to submit samples or information so that we can make an informed decision whether the goods, equipment, supplies or supplier meet our specifications and quality standards. In evaluating a supplier that you propose to us, we consider not only the quality of the particular product at issue, but also the supplier's production and delivery capability, overall business reputation and financial condition. We may provide any alternate supplier you propose with a copy of our then-current specifications for any product(s) you wish the supplier to supply, provided the supplier enters into a confidentiality and non-disclosure agreement in the form we specify. We may also inspect a proposed supplier's facilities and test its products, and request that you reimburse our actual costs associated with the testing/inspection.

We will notify you in writing within 30 days after we receive all necessary information and/or complete our inspection or testing to advise you if we approve or disapprove the proposed item and/or supplier. The criteria we use in approving or rejecting new suppliers is proprietary, but we may (but are not required to) make it available to you upon request. Each supplier that we approve of must comply with our requirements regarding insurance, indemnification and non-disclosure. If we incur any costs in connection with testing a particular product or evaluating an unapproved supplier at your request, you must reimburse us for our reasonable testing costs, regardless of whether we subsequently approve the item or supplier. We may re-inspect and/or revoke our approval of a supplier or item at any time and for any reason to protect the best interests and goodwill of our System and Marks. The revocation of a previously approved product or alternative supplier is effective immediately when you receive written notice from us of revocation and, following receipt of our notice, you may not place any new orders for the revoked product, or with the revoked supplier.

Required Purchases and Right to Derive Revenue

We estimate that the costs of your purchases from designated or approved sources, or according to our standards and specifications, may range from 55% to 65% of the costs of establishing your Franchised Business, and approximately 15% to 25% of the total cost of operating your Franchised Business after that time.

We and our affiliates may derive revenue as a result of purchases or leases by our franchisees. This revenue may come directly from our or affiliates' sale of goods or services to franchisees or from rebates, marketing allowances or other amounts paid to us by suppliers to our franchisees. We may also be provided with discounts on goods or services we purchase, beneficial purchasing terms, or other benefits based upon our franchisees' purchases of goods or services from these suppliers. We may receive rebates in amounts equal to a percentage of franchisee purchases from certain preferred suppliers. In the past fiscal year this percentage was approximately 3% of the purchase value. In our most recent fiscal year ended December 31, 2023, we received a total of \$247,759.84 in rebates from third-party suppliers.

In the fiscal year ended December 31, 2023: (i) we had revenue of \$32,019.65 from required purchases or leases made by System franchisees, representing .003% of our total annual revenue of \$8,961,268.93; and (ii) our affiliate FDIE derived \$7,641.707 on account of franchisees' required purchases. This information was taken from our affiliate's internal financial statements.

Franchisee Compliance

When determining whether to grant new or additional franchises, we consider many factors, including your compliance with the requirements described in this Item 8. You do not receive any further benefit as a result of your compliance with these requirements.

ITEM 10 FINANCING

Except as disclosed below, we offer no financing arrangements to USA Insulation franchisees, and we do not receive payment or other consideration for the placing of financing. We do not guaranty any note, lease or obligation you enter into for your Franchised Business.

We may offer financing of up to the full amount of the Initial Franchise Fee as disclosed in Item 5 to prospects who meet our qualifications, including creditworthiness.

If you qualify and accept financing from us, you must sign the Promissory Note attached as Exhibit G to the Franchise Agreement. Your owners must guaranty the payment of all amounts you owe under the Promissory Note.

The Promissory Note will provide for payment by electronic funds transfer (EFT) in scheduled monthly installments of up to 24 months. We will charge interest at an annual rate of 12%. The Promissory Note may be prepaid at any time without penalty.

If you fail to make payment under the Promissory Note within 10 days after a payment date we may impose a late charge of 5% of the unpaid amount. If any payment is not made within 30 days after the due date we may impose an additional late charge of 5% of the unpaid amount plus a 5% late charge of the unpaid amount for each 30 day period that the amount remains unpaid. (Section 1)

Under the Promissory Note, you waive: (1) the right to claim or enforce any right of offset, counterclaim, recoupment or breach in any action brought to enforce your obligations under the Note (Section 6); (2) the right to demand, presentment for payment, notices of nonperformance or nonpayment, protest and notice of protest, notice of dishonor, diligence in bringing suit and notice of acceleration (Section 7); (3) questions of governing law, personal jurisdiction and convenience of forum and venue (Section 12 and 14); (4) trial by jury (Section 13); and (5) all claims that you may have against us and any persons and entities related to

us, other than our obligations under the Franchise Agreement, accruing on or before the date of the Promissory Note (Section 16). If any of the events of default described in Section 5 of the Note occur, the entire unpaid principal and accrued interest, if any, of the Note will become immediately due and payable without further notice. Under Section 8 of the Note, you must pay all of our expenses and costs of collection, including attorneys' fees and expenses, court costs, costs of sale and costs of maintenance and repair we incur in connection with the enforcement of the Note, collection of amounts due and sale or other disposition of any collateral.

A default under the Franchise Agreement or any other agreement with us constitutes a default under the Promissory Note (Section 5). A default under the Promissory Note constitutes a default under the Franchise Agreement, which gives us the right, among other remedies, to terminate the Franchise Agreement.

We may sell, assign or discount the Promissory Note. If we do assign the Promissory Note we will not remain primarily obligated under the Note. You will also lose all of your defenses against us as they relate to the Promissory Note as a result of the sale or assignment (Section 17).

ITEM 11

FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

A. Pre-Opening Obligations

Before the opening of your Franchised Business, we (or our designee) will, as applicable, provide you with the following assistance:

1. We will provide site selection guidelines and assistance, in connection with selecting the Approved Location for your Franchised Business. The general site selection and evaluation criteria or factors that we consider in approving sites include, among other things, the condition of the premises, vehicular and pedestrian access, population demographics of the surrounding area, and general suitability. (Franchise Agreement, Sections 2(B) and 5(D)). Your Approved Location must: (i) be located in a light industrial area; and (ii) be large enough to park two (2) Approved Vehicles; and (iii) have sufficient space and appropriate layout for a reception area, offices, warehouse space and room to store all required supplies, products and equipment. Your Approved Location will typically be between 2,500 to 3,500 square feet. We will approve or reject your site proposals within 30 days of the date you provide us all reasonably requested information that we require (Franchise Agreement, Section 5(D)).

2. We will also review, and subsequently approve/reject, any proposed lease or purchase agreement for the location that you propose as an Approved Location for your Franchised Business. (Franchise Agreement, Sections 2(B) and 6(B)). We require a lease of at least two (2) years but we do not recommend a lease of more than three (3) years.

3. Once you secure the Approved Location, we will define your Designated Territory for that Franchised Business and include its boundaries in Exhibit A-1 to your Franchise Agreement. (Franchise Agreement, Section 2(C)).

4. We will provide you with online access to, or otherwise loan you, one copy of our confidential and proprietary USA Insulation Operations Manual. The USA Insulation Operations Manual consists of many different manuals that cover a variety of specific topics. The tables of contents from all of our subject-specific manuals are attached to this Disclosure Document as Exhibit B, and together total approximately 800 pages. (Franchise Agreement, Sections 5(C) and 8(A)).

5. We will provide you with a list of our Required Items and Approved Suppliers (to the extent we have designated them), either as part of our proprietary USA Insulation Operations Manual or otherwise in writing. (Franchise Agreement, Section 5(C)). Our affiliate will also supply you with the Equipment Package and initial supply of the Proprietary Premium Foam Products that are necessary to establish and commence operations of the Franchised Business, so long as you pay the appropriate fees for these items at, or prior to, delivery. (Franchise Agreement, Sections 4(A)(3) and 5(I)).

6. We will review and approve your proposed layout and design of your Approved Location as well the signage, equipment, furniture and fixtures used in connection with your Franchised Business, as we deem appropriate and advisable in our discretion. We will also provide you with an approved template for you to use to prepare your signage, which you may then purchase from our Approved Suppliers. (Franchise Agreement, Section 6(G)). We do not conform your Approved Location to local ordinances and building codes or obtain any required permits for you, and we do not construct, remodel, or decorate the premises.

7. We may provide you with guidance and/or directives in connection with how to expend the required funds associated with the promotion and advertisement of the initial launch of your Franchised Business. (Franchise Agreement, Section 5(E)).

8. We will provide our Initial Training Program (Franchise Agreement, Section 5(A)) as discussed below.

Except as discussed above, we have no obligation to provide assistance to you to obtain signs, fixtures, opening inventory or supplies for your Franchised Business. Other than the template discussed above, we do not provide any of these items to you but will provide you with names of Approved Suppliers. We do not deliver or install any of these items for you. We may provide you with our general pricing guidelines for your Approved Products and Services. We may also require you to follow these guidelines as permitted by applicable law.

B. Initial Training Program and Other Training

Initial Training Program

Before you may open your Franchised Business, you must complete, to our satisfaction, the Initial Training Program including all phases of New Office Launch checklist. The topics covered are listed in the chart below. The instructional materials used in the initial training program are the USA Insulation Operations Manual that currently includes, among other things: the New Office Launch Manual, Marketing Manual, Sales Manual, Installation and Safety Manual and Policy Manual. This training is offered at our headquarters or another location we designate unless we determine to conduct training by virtual/remote means. Currently, we offer the Initial Training Program on an as-needed basis as you near the opening of your Franchised Business. You, and each owner or manager of your Franchised Business if it is owned and operated by a corporate entity, must attend and complete the appropriate components of the Initial Training Program, before you open the Franchised Business. Those individuals that will be installing or selling our Proprietary Foam Insulation Products must attend and complete the relevant components of our Initial Training Program that we designate as necessary to provide those services. (Franchise Agreement, Section 5(A)). This will typically include specific training and authorization to provide those Approved Services that involve the Proprietary Foam Insulation Products. We will then issue them an Authorized Installer Certificate and wallet card that details the services that the individual is eligible to provide through the Franchised Business.

We expect that trainees will advance through the Initial Training program at different rates depending on a variety of factors, including background and experience. The time frames set forth in the chart are an estimate of the time it will take to complete training and the number of hours required may vary based on (a) the experience of the trainee and (b) the schedules and availability of our training staff. We do not charge any tuition or training fee for you, the owners and managers of your corporate entity, your operating principal, installers and sellers to attend the appropriate portions of our Initial Training Program, provided all individuals attend at the components that are provided at our headquarters or other designated training facility at the same time before the opening your Franchised Business. You will be responsible for all costs and expenses associated with you and your personnel attending the Initial Training Program, as well as any other ongoing training that we or any third-party provides once your Franchised Business is open. You and any required trainees must complete to our satisfaction the Initial Training Program within 120 days of the date of your Franchise Agreement.

Before attending any portion of the Initial Training Program that takes place at our Corporate Headquarters in Ohio, or other designated training facility, or, in our sole discretion, by remote/virtual means, you must (i) submit and obtain our approval of your Initial Marketing Spend plan for the Franchised Business, (ii) demonstrate that you have pre-paid all amounts in connection with the Initial Marketing Spend or are in a position to do so in the near future, (iii) undertake all steps to establish the EFT Account, including providing us with all authorizations and approvals necessary to access such EFT Account, (iv) demonstrate that you have obtained all required insurance coverages set forth in the Franchise Agreement and USA Insulation Operations Manual, (v) have your own counsel review and, if determined appropriate, ensure the validity and enforceability of any then-current template form of services agreement, and (vi) provide us with completed copies of all agreements and contracts that are attached as Addenda to the Franchise Agreement.

Cory has been with us since August 2023 and Rich since March 2015. We may periodically name additional trainers if the training schedule requires it. There are no limits on our right to assign a substitute to provide training. Substitute trainers currently have a minimum of 12 years' training experience.

The Initial Training Program and the training discussed below are for the purpose of protecting the goodwill related to the USA Insulation franchise system and the Marks and not to control the day-to-day operation of your Franchised Business.

Training Conducted by Third-Party(ies) Before Opening

If third-party certification training becomes required by law, we have included the cost of such certification training in Item 7 and may provide you with information on where and when you can obtain such training as it becomes available. We may require you to complete this certification training before opening for business.

You must attend and successfully complete third-party training, which is currently provided by one of our Approved Suppliers, at your expense, before opening your business. This third-party training is provided at our Approved Supplier's then-current tuition rates (which are accounted for in Item 7 of this Disclosure Document). These expenses are typically not refundable. This third-party training typically contains about eight hours of instruction covering building/energy science, safety and OSHA/State-OSHA compliance. The cost of this training is approximately \$900 per person, with a possible additional charge of up to \$400 for course materials.

We may also require you to attend and complete an accredited course or training program regarding the proper use of QuickBooks Online in the operation of your Franchised Business. We may require you to attend this training in a classroom taught by a certified instructor in the event there is a training location nearby your Franchised Business, or we may permit you to complete this training online. We do not necessarily require that this training be completed before opening your Franchised Business, but we may do so as we deem advisable in our sole discretion.

The Initial Training Program is provided for the purpose of protecting the goodwill related to the USA Insulation franchise system and the Marks and not to control the day-to-day operation of your Business.

Additional Training

Once you and your required trainees have completed the components of our Initial Training Program we require, we may provide you with on-site assistance at your Franchised Business that is designed to provide additional on-the-job instruction. There will also be opportunities for advanced coaching and training at an additional cost as approved by us.

Conferences and Training Sessions

We, at our option, will conduct conferences or training sessions (Franchise Agreement, Section 5(O)). We may charge registration fees to subsidize the costs associated with performing these activities (see Item 6 for fees and costs). You may be required to attend the conferences or training sessions/programs. You are solely responsible for paying all related expenses, including travel, transportation, food/meals, hotel/lodging and wages (with payment to be made at the time and upon the terms specified by each vendor) while attending the conferences, conventions, and training sessions/programs. You must pay us an annual Convention Fee of between \$600 and \$1,500. (Franchise Agreement, Section 5).

C. Typical Length of Time Before Operation

We must approve a location for your Franchised Business and you must secure property control of the Approved Location all within 90 days of the date you sign the Franchise Agreement. You must open and commence operations of your Franchised Business within 6 months of the date you sign your Franchise Agreement for that Franchised Business. We estimate that it will take 4-6 six months to open your Franchised Business from the time you sign your Franchise Agreement. Your total timeframe may be shorter or longer depending on the time necessary to obtain an acceptable Approved Location, to obtain financing, to obtain the permits and licenses for the construction and operation of the Franchised Business, to complete construction or remodeling as it may be affected by weather conditions, shortages, delivery schedules and other similar factors, to complete the interior and exterior of the Franchised Business, including decorating, purchasing and installing fixtures, equipment and signs, and to complete preparation for operating the Franchised Business, including purchasing any inventory or supplies needed before opening. If we do not approve a location for your Franchised Business or you do not secure the Approved Location within 90 days of the date you sign the Franchise Agreement, or you do not open or operate your Franchised Business within 6 months of the date you sign your Franchise Agreement, then we may terminate your Franchise Agreement and any amounts you have paid us or our affiliates will not be refunded (Franchise Agreement, Sections 6(B) and 6(C)).

D. Post-Opening Obligations

After the opening of your Franchised Business, we (or our designee) will or may, as applicable, provide you with the following assistance:

1. We may offer, and require you and your management to attend, additional training programs and/or refresher courses, as we deem necessary (“Additional Training”). We will not require you and/or your management to attend more than: (i) two sessions of additional/refresher training year, which, combined will not exceed 7 total days and may take place at our designated training facility in Ohio (or other location that we designate); and (ii) 24 hours of additional or refresher training via webinar, Skype or other medium that allows for remote attendance and completion. We may also provide Remedial Training to you if you are in default of your Franchise Agreement or if your required trainees fail to complete any Additional Training as described more fully in Item 6 of this Disclosure Document, and we can charge you our then-current Training Fee for this Remedial Training (currently, \$495 per attendee for off-site training programs). For both Additional Training and Remedial Training, you will be responsible for all expenses incurred in connection with you and your personnel attending. Additionally, if we provide any Additional Training at your Approved Location, we may require you to pay us our then-current training fee for such training (currently, \$500 per trainer per day). (Franchise Agreement, Section 5(B));

2. We may provide you with continuing consultation and advice, as we deem necessary in our sole discretion, regarding the management and operation of the Franchised Business. We may provide this assistance by telephone, facsimile, intranet communication, video conference or any other communication channel, as we deem advisable and subject to the availability of our personnel. (Franchise Agreement, Section 5);

3. We will approve or deny any advertising/marketing materials you wish to use in connection with your Franchised Business as described more fully below in this Item 11 under the heading “Advertising and Marketing.” (Franchise Agreement, Section 5(F));

4. We will list the contact information of the Franchised Business on our Website, provided you are not in material default of your Franchise Agreement. (Franchise Agreement, Section 5(G));

5. We will, as we deem appropriate, conduct inspections and/or audits of the Franchised Business and, upon 48 hours' notice, of the Approved Location and/or Approved Vehicle(s) to ensure that you are operating the Franchised Business in compliance with the terms of the Franchise Agreement, the USA Insulation Operations Manual and the System standards and specifications. (Franchise Agreement, Section 5(J));

6. We will approve or disapprove your requests to: (i) purchase and/or offer non-approved products or services in connection with the Franchised Business; and (ii) make Required Purchases from suppliers other than our then-current Approved Suppliers. (Franchise Agreement, Section 6(L));

7. We will administer and maintain the Brand Fund (as defined below) for the benefit of the System, as we deem necessary. (Franchise Agreement, Sections 5(K) and 9I);

8. We may schedule and hold a franchise conference, as we deem advisable in our sole discretion, to discuss the current state of the System, improvements to the System and hold discussion forums for System franchisees. If we schedule a conference, we may require you to attend for up to 5 days each year. You will be responsible for the costs and expenses you incur in connection with any franchise conference. You must also pay the Convention Fee. (Franchise Agreement, Section 5(O)); and

9. We, or our designee, may establish and maintain a System-wide call center (the "Call Center") and, if we do so, you must pay related subscription fees at our then-current rate, or the then-current rate charged by our Approved Supplier for call center services. (Franchise Agreement, Section 5(P)).

E. Advertising and Promotion

We have no obligation to spend any amount on advertising in your area or territory.

You must spend 15% of the prior month's Gross Sales of your Franchised Business each calendar month as your "Local Advertising Requirement" on the local advertising and promotion of your Franchised Business within your Designated Territory, with such obligations commencing once the approved period for your Initial Marketing Spend (described more fully below under this heading) has expired. We will approve the advertising, promotions and public relations plan and its creative execution on a periodic basis, as we deem necessary. (Franchise Agreement, Section 9 (D)).

You must contribute to our Brand Fund each month in an amount equal to the greater of: (i) 2% of the monthly Gross Sales of your Franchised Business from the prior month; or (ii) \$500. (Franchise Agreement, Section 9(E)). The Brand Fund Fee is non-refundable. We can modify it on 30 days' notice to you.

(a) The purpose of the Brand Fund (the "Fund") is to support the USA Insulation brand. This means we may use monies in the Fund for any purpose that promotes the USA Insulation name or any other names we choose to use in the System, including the creation, production and placement of commercial advertising; to pay for agency costs and commissions; to pay the costs to create and produce video, audio and written advertisements; to pay for direct mail and other media advertising, including internet advertising, internet search engine campaigns, direct email marketing, and the cost to maintain and update our websites, intranet, web pages, social media and social networking sites, profiles and accounts; for the costs to create and maintain any applications, whether web-based or otherwise, and for the costs of search engine optimization; the cost to license, improve and interface with software for your use in the operation of your franchise; in-house staff assistance, including salaries, and related administrative costs; local and regional promotions; public relations campaigns including the cost of retaining public relations firms; market research; and other advertising, marketing and sales activities such as the cost of operating a call center to assist with selling USA Insulation products and services and servicing existing customers, creating

sales materials and tools for your use, the costs of customer satisfaction activities such as customer surveys and the cost of training and training tools for our franchisees.

(b) Although the Brand Fund is not audited, the Brand Fund will prepare annual income and expense statements which will be available to you upon request. Excess funds not spent in any given fiscal year will be carried forward to the next fiscal year. If any taxes become due based upon the activities of the Brand Fund, these taxes may be paid out of the funds in the Brand Fund. We can terminate the Brand Fund only after all monies have been spent for advertising and promotion. As our System expands, we may create an advertising council. (Franchise Agreement, Section 9(E)).

(c) All USA Insulation franchisees must contribute to the Brand Fund based on the terms of their Franchise Agreements. Neither we nor our affiliates will have any obligation to contribute to the Brand Fund for USA Insulation businesses operated by us or our affiliates. No portion of the funds collected will be used principally to solicit franchises. However, a brief statement about availability of information regarding the purchase of USA Insulation franchises may be included in advertising and other items produced and/or distributed using the Brand Fund. We may collaborate with the advertising and marketing funds of certain franchise systems affiliated with us. There can be no assurance that the Brand Fund's participation in these collaborations and joint efforts will benefit the franchised businesses using the Marks proportionately or equivalently to the benefits received by the other franchised businesses or the other franchised systems affiliated with us that also participate. We are not obligated to make proportionate expenditures of your contributions. (Franchise Agreement, Section 9(E)). We do not guarantee that expenditures from the Brand Fund will benefit you or any other franchisee directly, on a pro rata basis, or at all. We may, but have no obligation to, loan amounts to the Fund and can determine the repayment obligation of the Fund, including interest rate of the loan and repayment terms, as we see fit.

(d) In the fiscal year ended December 31, 2023, the Brand Fund (formerly known as the Advertising Fund) contributions were expended as follows: (i) Production – 5%; (ii) Creative – 4%; (iii) Technology and CRM – 27%; (iv) Website and SEO Management – 5%; (v) Call Center Fees (answering services and call tracking in connection with (800) number) – 1%; (vi) Marketing Professional Wage Reimbursement – 14%; (vii) Lead Generation/Brand Awareness – 37%; (viii) Customer Surveys – 1%; and (ix) Shared Services – 6%.

(e) The Fund is not a trust and we assume no fiduciary duty to the franchisees in administering the Fund. (Franchise Agreement, Section 9(E)(3)).

(f) Although we are not obligated to do so, we may create an advertising cooperative for the benefit of all USA Insulation franchises located within a particular region. If we create one in the region in which your Franchised Business is located you must participate in it and contribute the amount we specify to the cooperative. We will not require you to contribute an amount greater than the amount you must contribute to the Fund. Any amount you contribute will be in addition to any amounts you must contribute to the Fund. Any outlets we or an affiliate own that are located in the region will not contribute to the cooperative. We may administer the cooperative or appoint a third party to administer it. If we create a cooperative, there will not be governing documents for review. The cooperative will not prepare annual or periodic financial statements and none will be available for review. We may change, dissolve, or merge any cooperatives that we create. We may also establish a council to provide advice and guidance regarding the administration of the Fund and various other advertising/marketing matters (an “Advertising Council”). (Franchise Agreement, Sections 9(F) and 9(H)).

(g) During your first 3 months after you begin operating, you must spend an amount between \$25,000 and \$45,000 (depending on the size of your Designated Territory), exclusive of the cost of sales and marketing materials, on the initial advertising and promotion of your Franchised Business (“Initial

Marketing Spend”), as outlined in the approved marketing plan developed with you and marketing professionals during the New Office Launch process (as described more fully in the New Office Launch component of our USA Insulation Operations Manual). You may choose to spend more. Factors that may affect your decision on the actual amount to spend includes local media cost, location of the Franchised Business, time of year and customer demographics in the surrounding area. The amounts you spend in connection with your Initial Marketing Spend are typically not refundable. We may provide you with guidance with respect to conducting these activities, as we deem appropriate, and we will review and approve the materials you use as part of your Initial Marketing Spend. (Franchise Agreement, Section 9(C)). You may use your own advertising materials to advertise your Franchised Business as long as we approve the materials before use.

(h) You must list the telephone numbers for the Franchised Business in the appropriate Internet-based and Chamber of Commerce directories designated by us and in Google and other relevant search engines under the category “Insulation Service Contractors” or such other category as we may specify. You must place the listings together with other Franchised Businesses operating within the distribution area of the directories. (Franchise Agreement, Section 9(D)). For further information about your costs, see Item 6 of this disclosure document.

F. Computer System

You must purchase and use any hardware and software programs we require. You must purchase and use all of the hardware and software below in connection with the operation of the Franchised Business. The use of your desktop computer must be exclusively designated for operation of the Franchised Business and may not be used or shared for any other purpose, including, personal or home use. (Franchise Agreement, Section 6(I)). The required computer hardware and software is as follows:

HARDWARE
A computer that meets our specifications as stated in our Manuals, as that otherwise meets our requirements and is approved by us.
1 mobile tablet or other approved mobile device per Technician or per Approved Vehicle, whichever is greater. The mobile device must be capable of achieving internet connectivity at all potential worksites.
SOFTWARE
Most Recent Version of QuickBooks Online
Most Recent Version of Windows Small Business
Then-current Customer Record Management (CRM) Software Platform
Additional software we may designate or specify in the future for use in connection with your Franchised Business

The estimated cost of purchasing the computer hardware and software above is approximately between \$2,000 to \$5,000, depending on whether you already own some of the required hardware and software. You are responsible for ensuring that your hardware and software is properly maintained, secure and upgraded as necessary to ensure your compliance with our specifications. We may introduce new requirements for computer systems. We can require you to purchase QuickBooks online for use in connection with the Franchised Business and you would then be required to pay all fees associated with this software. There are no limits on our rights to do so. We estimate that you will spend approximately \$100 to \$500 annually on maintenance and support contracts for your computer system, which includes any upgrades.

You must lease or purchase the necessary equipment and software and must have arrangements in place with the credit card or gift card issuers as we may designate for purposes of taking payment from your customers.

You will store financial records as well as prospect and customer information in your computer system. We have the right to independently access all information you collect or compile at any time without first notifying you. There are no limits on our rights.

We may establish and maintain a website portal or other intranet for use by you and other franchisees (the “USA Insulation Web Portal”), where we may post content that will automatically become part of, and constitute a supplement to, the USA Insulation Operations Manual, all of which you must strictly comply with promptly after such content is posted or otherwise listed on the USA Insulation Web Portal. (Franchise Agreement, Section 9(G)).

You must pay a monthly Technology Fee of between \$300 and \$500. You will receive at least one branded email address, access to our field service or point-of-sale software and access to our intranet and on-line training portal. You may be required to pay our vendors a separate fee for tenant or user licenses for emails, software or other services as required by us or our preferred vendor. See Item 6 for additional information.

G. Website and Internet Use

Except as approved in advance in writing by us, you must not establish or maintain a separate website, splash page, profile or other presence on the Internet, or otherwise advertise on the Internet or any other public computer network in connection with the Franchised Business, including any profile on Facebook, Instagram, LinkedIn, Pinterest, Twitter, YouTube or any other social media and/or networking site. Any such Internet website or presence is considered “advertising” and must be approved by us before use, as described in this Item. If we permit you to establish one or more of the above presences on the Internet, you must: (i) establish and operate your World Wide Web or Internet site or social media sites and profiles in accordance with System standards and any other policies we designate in the USA Insulation Operations Manual or otherwise in writing; and (ii) utilize any templates that we provide to you to create and/or modify such site(s). (Franchise Agreement, Section 9(G)).

We can establish and maintain a website, that may, without limitation, promote the Marks and/or the System (the “Website”), including the contact information of your Franchised Business. We will establish an interior page on the Website to display the contact information associated with the Franchised Business for so long as (i) the Franchised Business is open and actively operating, and (ii) the Franchise Agreement governing that Franchised Business is not subject to termination. (Franchise Agreement, Section 9(G)). We have sole control over all aspects of the Website, including without limitation its design, content, functionality, links to other websites, legal notices, and policies and terms of usage. We can discontinue operation of the Website at any time without notice to you. We can modify our policies regarding your use of social media and Internet websites in connection with your Franchised Business as we deem necessary or appropriate. We or our affiliate, as applicable, are the sole owners of the Internet domain name www.usainsulation.net, www.usainsulation.com, as well as any other Internet domain names that we or our affiliates register in the future. You must not register or use any Internet domain name that contains words used in or similar to any brand name owned by us or our affiliates or any abbreviation, acronym, phonetic variation or visual variation of those words.

**ITEM 12
TERRITORY**

You will operate from one site located in your Designated Territory (defined below) and you may not relocate the Franchised Business without our prior written consent, which we will not unreasonably withhold, provided: (i) you secure an alternate location for the Franchised Business within the Designated Territory (as defined below); and (ii) you reimburse us for the reasonable costs and expenses that we incur in connection with evaluating and approving the proposed relocation. If you can no longer use the location due to circumstances beyond your control, including destruction of the premises, we will not unreasonably withhold our written consent to relocate. You may not operate the Franchised Business unless you have secured an Approved Location that is within your Designated Territory and properly staffed it to meet our System standards.

Designated Territory

If you purchase a Large Market territory you will typically receive a territory consisting of up to 150,000 homes built before 1990 (“Older Homes”). If you purchase a Small Market territory you will typically receive a territory consisting of up to 100,000 Older Homes. We refer to the territory we grant to you as the “Designated Territory”. The number of Older Homes will be determined based upon the figures available from the United States Census Bureau. Under certain circumstances, you may accept customers from outside your Designated Territory as long as these customers do not reside in the Designated Territory of another franchisee (unless that other franchisee consents).

Once your Franchised Business has been open and operating for a period of 6 months, the Franchised Business must generate a certain level of average Gross Sales over each rolling, 3-month period of operations (each, a “MPL Period”) in order to: (i) comply with your minimum productivity levels under your Franchise Agreement (the “Minimum Productivity Levels”) detailed more fully in the table below.

You must generate the following Minimum Productivity Levels within each Designated Territory we grant to you:

LARGE MARKET MPL Period(s) at Issue	Minimum Productivity Level for the MPL Period (Average Monthly Gross Sales over Period)
Each MPL Period once the Franchised Business has been open for a period of 6 months	\$30,000
Each MPL Period once Franchised Business has been open for a period of 1 year	\$40,000
Each MPL Period once Franchised Business has been open for a period of 2 years	\$60,000
Each MPL Period once Franchised Business has been open for a period of 3 years	\$70,000

SMALL MARKET MPL Period(s) at Issue	Minimum Productivity Level for the MPL Period (Average Monthly Gross Sales over Period)
Each MPL Period once the Franchised Business has been open for a period of 6 months	\$15,000
Each MPL Period once Franchised Business has been open for a period of 1 year	\$20,000
Each MPL Period once Franchised Business has been open for a period of 2 years	\$30,000

Each MPL Period once Franchised Business has been open for a period of 3 years	\$35,000
--	----------

The continuation of your territorial rights is contingent upon achieving and maintaining your Minimum Productivity Levels. If you do not meet the applicable Minimum Productivity Levels for 3 consecutive MPL Periods, then we may: (i) terminate your Franchise Agreement; or (ii) reduce the size of your Designated Territory. We may require that you attend Remedial Training if, among other things, you fail to meet your Minimum Productivity Level in 3 or more MPL Periods (consecutive or otherwise) within any 18-month period.

If we elect to reduce the size of your Designated Territory as an alternative to terminating your Franchise Agreement, we will provide you an Addendum that details the size and boundaries of your reduced territory. You must execute this addendum within 10 days of your receipt, or your Franchise Agreement will be terminated. Once your Designated Territory is effectively reduced, we may own or operate, or license another to operate, additional USA Insulation businesses anywhere in the reduced area. If we reduce the size of your Designated Territory, you do not have the right to nor will you receive compensation for any value of the forfeited portion of your Designated Territory. If the zip codes used to define your territory should be changed in the future by the U.S. Post Office or other government agency, we may require you to execute an addendum to your Franchise Agreement to redefine the physical territory using new zip code numbers. Redefinition of your territory to comply with the U.S. Post Office or other government agency's definition does not constitute a material change to the Franchise Agreement. Except as set forth in this Item 12, we may not modify your Designated Territory for any reason other than by mutual agreement.

For so long as you are in compliance with the terms of your Franchise Agreement (including achieving and maintaining your Minimum Productivity Levels), we will not grant licenses to establish any other USA Insulation businesses that are physically located in your Designated Territory. We may establish alternate channels of distribution selling similar services and products, including e-commerce, Internet, mail order or catalogs. We are not required to pay you any compensation for soliciting or accepting orders inside your Designated Territory obtained through these alternative channels of distribution. Although at this time we have no plans to establish other franchises or company-owned or other channels of distribution selling or leasing similar products or services under a different trademark, there is nothing in the Franchise Agreement that prohibits us from doing so and we expressly reserve the right to do so. There are no geographic restrictions on soliciting or advertising for customers, except that you may not: (i) solicit or advertise within the Designated Territory of another franchisee without that franchisee's express consent and/or cooperation; (ii) solicit or advertise on the Internet without our consent; or (iii) service any customer that resides within the designated territory of another USA Insulation business, unless you obtain the prior consent of the owner of that business.

Reservation of Rights

Your rights under the Franchise Agreement do not include: (i) any right to offer any USA Insulation product or service via e-commerce; (ii) any right to establish an independent website or to establish a URL incorporating the Marks or any variation thereof; (iii) any right to sell USA Insulation merchandise via wholesale; (iv) any right to otherwise distribute, market, or implement our products and services in any channel of distribution not specifically identified in this Agreement; (v) the right to sub-license the USA Insulation franchise business in any fashion; or (vi) the right to sell any or all of your Designated Territory independent of your entire Franchised Business to another person or franchisee without our written permission.

You expressly understand and agree that we and our affiliates have the right, in our sole discretion, to: (i) own and operate franchised businesses at any location(s) outside of the Designated Territory under the

Marks, or to license others the right to own and operate USA Insulation businesses at any location(s) outside of the Designated Territory under the Marks and System; (ii) the right to own and operate businesses under different marks at any location(s) inside or outside of your Designated Territory, or license to others the right to own and operate such businesses, under different marks at any location(s) inside or outside of Designated Territory; (iii) use the Marks and System in connection with services and products, promotional and marketing efforts, or related items, or in alternative channels of distribution, including the sale of any products in wholesale and retail stores, via the Internet, and through mail order catalog, without regard to location; (iv) use the Marks and System, and license others to use the Marks and System to engage in any other activities not expressly prohibited in this Agreement; and (v) acquire, be acquired by, or merge with other companies with existing insulation and related businesses, and other related services anywhere including inside or outside of the Designated Territory and, even if such businesses are located in the Designated Territory. You do not have any of the foregoing rights under your Franchise Agreement, and we are not required to provide you any compensation in connection with conducting any of these activities.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

Additional Disclosures

The Franchise Agreement does not provide you with any right or option to open and operate additional Franchised Businesses. Regardless, each Franchised Business you are granted the right to open and operate must be governed by its own specific form of Franchise Agreement. You must meet our then-current qualifications for new franchises, as set forth in our then-current Franchise Agreement, to qualify for additional businesses.

We have not established other franchises or company-owned outlets or another distribution channel selling or leasing similar products or services under a different trademark. Neither we nor either of our affiliates have established, or presently intend to establish, any other franchised or company-owned businesses that sell our Proprietary Foam Insulation Products under a different trade name or trademark, but we reserve the right to do so in the future.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

ITEM 13 TRADEMARKS

Under your Franchise Agreement, we will grant you a non-exclusive license to use the Marks solely in connection with your Franchised Business, and as authorized in your Franchise Agreement, our USA Insulation Operations Manual, or otherwise by us in writing. You must follow our rules when you use these Marks. We currently license you under the Franchise Agreement the Marks in the charts below.

You must immediately notify us, in writing, if you become aware of any unauthorized use of our Marks or other proprietary information, and you must permit us to participate in any litigation involving you and our Marks. We will take the action we think appropriate. We will indemnify and defend you up to the amount of the Initial Franchise Fee you paid under the Franchise Agreement against a claim against your use of our Marks, so long as your use of the Marks was in compliance with the Franchise Agreement and our written directives, you notify us of the proceeding in a timely manner and you have complied with our directions with regard to the proceeding. We will control the defense and settlement of any proceeding. We will not reimburse you for your expenses and legal fees for separate, independent legal counsel and for expenses in removing signage or discontinuing your use of any Marks. We will not reimburse you for disputes where we challenge your use of a Mark.

You must modify or discontinue the use of a trademark if we modify or discontinue it. If this happens, you will be responsible for your costs of compliance (for example, changing exterior and interior signage, advertisements and promotional material, etc.). We are not obligated to reimburse you for any loss of revenue or other amounts attributable to the modified or discontinued mark or for any expenditure you incur to promote a modified or substitute mark.

ITEM 14 PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

We do not own rights in, or license to, patents or any pending patent applications that are material to the franchise. Although we have not filed an application for a copyright registration for our manuals or advertising materials, we claim common law copyright in these materials and all other proprietary materials that we develop for use in connection with the System or a Franchised Business. We consider our USA Insulation Operations Manual to be confidential and require you to treat it as confidential. You must tell us when you learn about any unauthorized use of our USA Insulation Operations Manual.

There are no current determinations, proceedings or litigation involving any of our copyrighted materials. If you become aware that any unauthorized third party is using any of our copyrighted materials, you must notify us of such unauthorized use. We may revise our System and any of our copyrighted materials and may require that you cease using any outdated copyrighted material. You are responsible for printing any revised or new advertising, marketing or other business materials and for any costs associated with the change.

During our relationship, you will receive information we consider trade secrets and confidential information. You may not, during the term of the Franchise Agreement or any time after that, communicate, divulge, or use for the benefit of any other party any of these trade secrets, copyrighted materials, methods and other techniques and know-how concerning the operation of the Franchised Business (the

“Confidential Information”). You may divulge Confidential Information only to your employees who must have access to it in order to perform their employment obligations.

The Franchise Agreement provides that if you, your employees, or principals develop any inventions, discoveries, and improvements, whether or not patentable or copyrightable, that are conceived or made by you or your employees or agents that are in any way related to the establishment or operation of the Franchised Business (collectively, the “Improvements”), you must disclose those Improvements to us and all Improvements will automatically and without further action be owned by us without compensation to you (including all intellectual property rights therein). Whenever requested to do so by us, you will execute any and all applications, assignments, or other instruments that we may deem necessary to apply for and obtain intellectual property protection or to otherwise protect our interest therein. These obligations continue after the termination or expiration of the Franchise Agreement. If a court should determine that we cannot automatically own any of the Improvements that may be developed, then you hereby agree to grant us a perpetual, royalty-free worldwide license to use and sublicense others to use such Improvements.

You must operate your Franchised Business in accordance with our manuals, including the USA Insulation Operations Manual and all applicable laws and regulations. We may amend or modify our manuals to reflect changes in the System. You may not copy any part of our manuals. You must keep a copy of the manuals at your Approved Location, and if there is a dispute relating to the contents of a manual, then the master copy (which we maintain at our corporate headquarters) will control. We can disclose updates to the manuals in any manner, including electronic means such as e-mail, our website and any intranet or extranet that we establish in connection with the System.

ITEM 15 OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You must personally participate in the actual operation of your Franchised Business.

Under certain conditions and with our prior approval, we may permit you to appoint a “Dedicated Manager” to handle day-to-day management of the Franchised Business on-site at the Approved Location but only after your Franchised business has been in operation for at least 18 months. Your Dedicated Manager must complete our Initial Training Program, but we do not require that your manager have an ownership interest in a corporate or partnership franchisee. The Dedicated Manager must be approved by us and will need to sign the form a confidentiality and non-Compete Agreement in a form substantially similar to the form attached to your Franchise Agreement. Any replacement manager, must attend and complete all required training before assuming any management responsibility in connection with your Franchised Business.

If you or your Dedicated Manager are not physically present on an Approved Vehicle or on-site at a given customer job, then there must be at least one Authorized Installer present if the services being provided involve the Proprietary Foam Insulation Products.

We are not your employer. You have the right to control all decisions related to recruiting, hiring or firing any personnel, including any managers. NOTES:

1. “Gross Sales” as used in this Item 19 has the same meaning as “Gross Sales” disclosed in Item 6 of this Disclosure Document and as is used in the Franchise Agreement. “Costs of Goods” includes all insulation products other than our Proprietary Foam Insulation products that a franchisee would ordinarily purchase. “Cost of Sales Commissions” is the amounts paid to sales personnel on customer sales. “Cost of Labor” is the amounts for payroll for installation technicians. These costs to franchisees have been reported to us by our reporting franchisees discussed in the chart above. The items in the chart above related to percentage of Gross Sales were determined by taking the total amount of the applicable cost for that outlet and dividing it against the Gross Sales for that outlet.

2. The information in this Item 19 does not reflect all costs of sales, operating expenses or other costs or expenses that must be deducted from the sales figures to calculate net income or profit.

3. The dollar amounts shown in this Item 19 have been rounded to the nearest cent and the percentages have been rounded to the nearest full percentage point.

Written substantiation of the data used in preparing this information will be made available upon reasonable request. Except for the corporate-owned location, the information contained in this Item was reported to us by our franchisees.

Some outlets have sold these amounts. Your individual results may differ. There is no assurance you’ll sell as much.

Other than the preceding financial performance representation, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to our management by contacting our President, Suave Brachowski, at 17700 Saint Clair Avenue, Cleveland, Ohio 44110, (440) 951-6800, the Federal Trade Commission and the appropriate state regulatory agencies.

USA INSULATION FRANCHISE, LLC
FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT (the “Agreement”) is made and entered into as of _____ (“Effective Date,”) by and between: (i) **USA INSULATION FRANCHISE, LLC**, an Ohio limited liability company, with its principal business address at 17700 Saint Clair Avenue, Cleveland, OH 44110 (the “Franchisor”); and (ii) _____, an individual] or a [corporation / limited liability company] established in the State of _____ with a primary [residence] / [principal place of business] at _____ (the “Franchisee”).

BACKGROUND

A. Franchisor and its affiliate, as a result of the expenditure of time, skill, effort, and money, has developed and owns a unique system (the “System”) related to the development, opening, and ongoing operation of a business that offers and provides various types of insulation-related products and services that Franchisor authorizes now or in the future (collectively, the “Approved Products” and “Approved Services”, as applicable), including proprietary injection foam, polyurethane spray foam, blown fiberglass insulation, rolled/batten fiberglass insulation and other energy efficient products and the corresponding installation services to existing residential homes or commercial buildings (each, a “Client”). For purposes of this Agreement, each such business will be referred to herein as a “USA Insulation Business” or “Franchised Business.”

B. Franchisor’s System is comprised of various proprietary and, in some cases, distinguishing elements, including without limitation: proprietary methodology and procedures for the establishment and operation of a USA Insulation Business; standards and specifications for the supplies, inventory and methodology associated with storing, preparing, offering and providing each type of Approved Product and Approved Service; advertising; marketing; standards and specifications for equipment; customize designed chemicals, equipment, and other services; basic standards typically used as the premises for a USA Insulation Business; standards and specifications for the furniture, fixtures and equipment, including computer hardware and system, that must be used in connection with a Franchised Business; established relationships with approved or designated suppliers for certain products and services that must be utilized in connection with a Franchised Business, including certain proprietary and/or branded items; proprietary training programs, courses and training materials; Franchisor’s confidential and proprietary operations manual and, at Franchisor’s option, other instructional manuals that have been reduced to writing (collectively, the “Manuals”); and standards and specifications for advertising, bookkeeping, sales and other aspects of operating a Franchised Business. The parties agree and acknowledge that Franchisor may change, improve, further develop, or otherwise modify the System from time to time as it deems appropriate in its discretion. Franchisee hereby acknowledges and agrees that: (i) while the System and Franchisor’s related materials contain information that, in isolated form, could be construed as being in the public domain, they also contain significant proprietary and confidential information that makes the System unique as a whole; and (ii) the combined methods, information, procedures, and theories that make up the System or are contained in the relevant manuals are proprietary and confidential.

C. The System and Franchised Businesses are primarily identified by the mark USA INSULATION, as well as certain other trade names, trademarks, service marks and trade dress, all of which Franchisor may modify, update, supplement or substitute in the future (collectively, the “Proprietary Marks”). The parties agree and acknowledge that Franchisor has established substantial goodwill and business value in its Proprietary Marks, expertise, and System.

D. Franchisor is in the business of granting qualified individuals and entities a franchise for the right to independently own and operate a single Franchised Business utilizing the Proprietary Marks and System at a location that Franchisor approves in writing.

E. Franchisee recognizes the benefits derived from being identified with Franchisor, appreciates and acknowledges the distinctive and valuable significance to the public of the System and the Proprietary Marks, and understands and acknowledges the importance of Franchisor's high and uniform standards of quality, appearance, and service to the value of the System.

F. Franchisee desires to acquire a non-exclusive franchise for the right to operate a single Franchised Business and has submitted an application to obtain such a franchise from Franchisor.

G. Franchisor is willing to grant Franchisee the right to operate a Franchised Business based on the representations contained in the franchise application and subject to the terms and conditions set forth in this Agreement.

NOW THEREFORE, in consideration of the foregoing recitals and other good and valuable consideration, the receipt and sufficiency of which is hereby mutually acknowledged, the parties hereto, intending to be legally bound, do hereby agree as follows:

1. REPRESENTATIONS OF FRANCHISEE

A. Any and all applications, financial statements, and representations submitted to Franchisor by Franchisee, whether oral or in writing, were true, complete and accurate when submitted and are complete and accurate as of the date of execution of this Agreement unless the same has been otherwise amended in writing with Franchisee expressly acknowledging that Franchisor is relying upon the truthfulness, completeness and accuracy of such information. Franchisee states that Franchisee and Franchisee's owners are not presently involved in any business activity that could be considered competitive in nature with a Franchised Business, unless heretofore disclosed to Franchisor in writing.

B. Franchisee represents and warrants that Franchisee is not a party to or subject to any order or decree of any court or government agency that would limit or interfere in any way with the performance by Franchisee of the obligations under this Agreement and that Franchisee is not a party and has not within the last ten (10) years been a party, to any litigation, bankruptcy, or legal proceedings other than those heretofore disclosed to Franchisor in writing.

C. Franchisee agrees and acknowledges that: (i) Franchisor may enter into franchise agreements with other franchisees that may contain provisions, conditions, and obligations that differ from those contained in this Agreement, including without limitation, franchise agreements for the operation of a Franchised Business; and (ii) the existence of different forms of agreement and the fact that Franchisor and other franchisees may have different rights and obligations does not affect the parties' duty to comply with the terms of this Agreement.

D. Franchisee agrees and acknowledges as follows:

1. Franchisee will have sole authority and control over the day-to-day operations of the Franchised Business and Franchisee's employees and/or independent contractors. Franchisee agrees to be solely responsible for all employment

decisions and to comply with all state, federal, and local hiring laws and functions of the Franchised Business, including without limitation, those related to hiring, firing, training, wage and hour requirements, compensation, promotion, record-keeping, supervision, and discipline of employees. At no time will Franchisee or Franchisee's employees be deemed to be employees of Franchisor or Franchisor's affiliates.

2. Neither this Agreement nor Franchisor's course of conduct is intended, nor may anything in this Agreement (nor Franchisor's course of conduct) be construed to state or imply that Franchisor is the employer of Franchisee's employees and/or independent contractor, nor vice versa.

2. **GRANT OF FRANCHISE**

- A. **Grant of Franchise.** Franchisor hereby grants Franchisee, subject to the terms, conditions, and obligations of this Agreement, a non-exclusive right and license to use the Proprietary Marks and receive the other benefits of the System in connection with the establishment and operation of a single Franchised Business (the "Franchised Business").
- B. **Approved Location.** Unless Franchisor approves otherwise in writing, Franchisee will be required to operate the Franchised Business from the approved premises within the Designated Territory as set forth on Exhibit A hereto (the "Approved Location"), Franchisee may not relocate the Franchised Business without Franchisor's prior written consent. Franchisee will be required to reimburse Franchisor for reasonable costs and expenses Franchisor incurs in connection with evaluating and approving any proposed relocation.
- C. **Designated Territory.** Franchisee shall only have the right to operate the Franchised Business and offer/provide the Approved Services in connection with homes that are located within the designated territory set forth in Section 2 of Exhibit A (the "Designated Territory"), which will be comprised of either up to 150,000 homes built before 1990 (Large Market) or 100,000 homes built before 1990 (Small Market) based upon the figures available from the United States Census Bureau. For so long as Franchisee is in compliance with this Agreement, Franchisor will not open or operate, or license a third party the right to open or operate, any other USA Insulation Business that is physically located within the Designated Territory.
- D. **Rights Not Granted.** Franchisee acknowledges and agrees that this Agreement does not grant Franchisee any right or option to open any additional Franchised Businesses nor does this Agreement provide Franchisee with any right to sub-license or sub-franchise any of the rights granted hereunder. Franchisee may not use the Proprietary Marks or System for any purpose other than promoting and operating the Franchised Business at the Approved Location and within the Designated Territory. Franchisor will have sole discretion as to whether it decides to grant Franchisee the right to open any additional Franchised Businesses, each of which will be governed by a separate form of Franchisor's then-current franchise agreement.
- E. **Reservation of Rights.** Notwithstanding anything contained in this Agreement, Franchisor and its affiliates hereby reserve the exclusive right to: (i) own and operate franchised businesses at any location(s) outside of the Designated Territory under the Proprietary Marks, or to license others the right to own and operate a Franchised Business

at any location(s) outside of the Designated Territory; (ii) the right to own and operate businesses under different marks at any location(s) inside or outside of the Designated Territory, or license to others the right to own and operate such businesses, under different marks at any location(s) inside or outside of the Designated Territory; (iii) use the Proprietary Marks and System in connection with services and products, promotional and marketing efforts, or related items, or in alternative channels of distribution, including the sale of any USA Insulation products in wholesale and retail stores, via the Internet, and through mail order catalog, without regard to location; (iv) use the Proprietary Marks and System, and license others to use the Marks and System to engage in any other activities not expressly prohibited in this Agreement; and (v) acquire, be acquired by, or merge with other companies with existing insulation and related businesses, and other related services anywhere (including inside or outside of the Designated Territory), even if such businesses are located in the Designated Territory, and to continue the operation of such existing or related businesses even if they are located in the Designated Territory.

- F. **Modification of System**. Franchisee acknowledges and agrees that from time to time Franchisor may change or modify the System standards and Franchisor's business in any manner that is not expressly and specifically prohibited by this Agreement including, but not limited to, the adoption and use of new or modified trade names, trademarks, service marks or copyrighted materials, new computer programs and systems, new types or brands of products or services, new equipment requirements or new techniques, and that Franchisee will accept, use and display for the purpose of this Agreement any such changes in the System, as if they were part of this Agreement at the time of execution. Whenever Franchisor has expressly reserved in this Agreement or is deemed to have a right and/or discretion to take or withhold an action, or to grant or decline to grant Franchisee a right to take or withhold an action, Franchisor may make such decision or exercise Franchisor's right and/or discretion on the basis of Franchisor's judgment of what is in Franchisor's best interests, including without limitation Franchisor's judgment of what is in the best interests of the System, at the time Franchisor's decision is made or Franchisor's right or discretion is exercised. Franchisee shall not change, modify or alter in any way any material aspect of the System, without Franchisor's prior written consent.

3. **TERM AND RENEWAL**

- A. **Term**. Unless previously terminated pursuant to this Agreement, the term of this Agreement shall be for a period of ten (10) years commencing as of the Effective Date.
- B. **Renewal**. Franchisee may be eligible to renew its franchise to operate the Franchised Business granted hereunder if Franchisee meets all conditions of renewal set forth in Section 3(d). Franchisor has the absolute right to refuse to renew or extend the term of the Franchised Business granted in this Agreement if Franchisee has, during the term of this Agreement, received three (3) or more notices of default, whether or not Franchisee has subsequently cured such default.
- C. Franchisee must notify Franchisor that Franchisee intends to seek renewal of the franchise for the Franchised Business by providing written notice not less than six (6) months prior to the expiration of the term of this Agreement. Failure to provide the required notice shall act as a waiver of Franchisee's option to renew.
- D. Franchisee may be eligible to renew the franchise for the Franchised Business if Franchisee:

- (i) Provides Franchisor with the notice required under Section 3(C); and
 - (ii) Is not in default under this Agreement, or any other agreement ancillary hereto as of the date of the notice; and
 - (iii) Has not received three (3) or more notices of default during the term of this Agreement, regardless of whether Franchisee cured the default(s); and
 - (iv) Has timely paid all Royalties Fees, Brand Fund Fees and any other amounts due and owing to Franchisor and any of its affiliates; and
 - (v) Is not in default beyond the applicable cure period with Franchisor or any of its affiliates or any of Franchisee's vendors or suppliers; and
 - (vi) At Franchisee's sole cost and expense, re-image, renovate, refurbish, and modernize the Approved Vehicles, the Approved Location and other aspects of the Franchised Business as necessary to meet Franchisor's then-current System standards, specifications, and design criteria.
 - (vii) Enter into the then-current form of franchise agreement offered by Franchisor, which may contain terms different from those contained herein including, but not limited to, different performance standards, renewal terms, royalty structures or fees, and territory and our then-current renewal amendment, the current form of which is attached as Exhibit H to this Agreement; and
 - (viii) Pay the renewal fee of twenty percent (20%) of the then-current initial franchise fee.
- E. If Franchisee continues to operate after the end of the term of this Agreement, Franchisee shall be deemed to be operating on a month-to-month basis under the terms and conditions of this Agreement. In such circumstances, and notwithstanding the foregoing, Franchisor may on ten (10) days written notice, terminate this Agreement and Franchisee's right to operate the Franchised Business.

4. FEES AND PAYMENTS

- A. **Fees.** In consideration of the rights and license granted herein, Franchisee agrees and acknowledges that it must pay the following amounts to Franchisor or, as noted below, Franchisor's designated supplier:
- 1. *Initial Franchise Fee.* Upon execution of this Agreement, an initial franchise fee (the "Initial Franchise Fee") of either Fifty-Five Thousand Dollars (\$55,000) or Forty-Five Thousand Dollars (\$45,000) respectively depending upon whether Franchisee is being granted a "Large Market" or "Small Market" Designated Territory. The Initial Franchise Fee is due and payable upon execution of this Agreement, unless Franchisee is financing the Initial Franchise Fee, in which case Franchisee shall execute the Promissory Note attached as Exhibit G to this Agreement. The Initial Franchise Fee shall be deemed fully earned and non-refundable under any circumstances upon execution of this Agreement.

2. *Equipment Package.* Upon execution of this Agreement, Franchisee shall purchase certain proprietary materials and equipment from Franchisor, Franchisor's affiliate or other supplier that Franchisor designates, that will be used in the operation of the Franchised Business, including without limitation certain equipment necessary to up-fit the initial truck Franchisee must purchase in connection with establishing the Franchised Business (the "Equipment Package"). Franchisee must also purchase any and all other items and services necessary to establish, open, and operate the Franchised Business in accordance with Franchisor's standards and specifications (including the computer hardware and software that Franchisor designates). Franchisee may not make any changes to any of the equipment or products provided to Franchisee unless Franchisor provides its prior written consent. Franchisee may never sell equipment from the Equipment Package to anyone other than Franchisor or, if approved by Franchisor, another franchisee of Franchisor.
3. *Proprietary Foam Insulation Products.* Franchisee must purchase Franchisor's proprietary foam insulation formulation products (both resin and foaming agent) necessary to service Franchisee's Clients within the Designated Territory (collectively, the "Proprietary Foam Insulation Products"). Franchisee shall place its initial order of Proprietary Foam Insulation Products (ordering amounts sufficient to operate for at least three (3) months) upon execution of this Agreement or as otherwise directed by Franchisor. Franchisee shall then purchase additional Proprietary Foam Insulation Products in such amounts and on such schedule as necessary to service its Clients and according to such purchasing schedules and requirements as Franchisor may impose in its standards and specifications.
4. *Definition of Gross Sales.* In addition to the fees above, Franchisee will be required to pay Franchisor certain ongoing fees that may be based on "Gross Sales". As used in this Agreement, "Gross Sales" include all: (a) revenue from the sale of all products and performance of services from or through the Franchised Business, whether for cash, credit or barter, and regardless of collection in the case of credit, and income of every kind and nature related to the Franchised Business; and (b) any rebates or other consideration that Franchisee receives from third-party vendors/suppliers. Gross Sales will not include monies that are collected and submitted by Franchisee for the transmittal to the appropriate taxing authority. In computing Gross Sales, Franchisee shall be permitted to deduct the amount of cash refunds to, and coupons used by Clients at or prior to the time the Client has paid the full balance owed to Franchisee, provided such amounts have been included in sales. In the event Franchisee participates in any discount program, including, but not limited to, Groupon (which Franchisor must approve in writing), Gross Sales will include the full retail value of the goods or services rendered before any discounts or commission.
5. *Royalty Fee.* Once the Franchised Business is open and operating (and/or required to be open and operating under this Agreement), Franchisee will pay Franchisor a continuing monthly Royalty Fee in the amount equal to the greater of: (i) five percent (5%) of Gross Sales of the Franchised Business from the preceding month; or (ii) One Thousand Dollars (\$1,000) per month (collectively, the "Royalty Fee"). Payment shall be due as directed by Franchisor in its standards and specifications. The Royalty Fee is deemed fully earned and nonrefundable upon payment.

6. *Brand Fund Fee.* Franchisor has established a System-wide Brand Fund (“Brand Fund”). Franchisee shall make monthly contributions to the Brand Fund amounting to the greater of: (i) two percent (2%) of the Gross Sales of the Franchised Business from the preceding month; or (ii) five hundred dollars (\$500) per month (the “Brand Fund Fee”). Franchisor may modify these fund contributions requirements upon thirty (30) days written notice to Franchisee.
7. *Technology Fee.* Franchisee shall pay Franchisor a monthly Technology Fee of \$500, or if this Agreement is for a Franchised Business that will operate in a territory that is adjacent and contiguous to the territories of one or more of Franchisee’s operating USA Insulation franchises, and which operates out of the same location as such adjacent and contiguous territory, the Technology Fee shall be reduced to \$300 per month. The Technology Fee shall be due and owing each month beginning in the first full month the Franchised Business is open and operating.
8. *Other Amounts.* The other amounts detailed in this Agreement that Franchisee will be required to expend on are: (a) local advertising and promotion of the Franchised Business; (b) training/tuition fees; (c) evaluation costs; (d) ongoing software licensing fees for software that Franchisor designates for use in connection with the Franchised Business; and (e) marketing materials, inventory and/or other supplies that must be purchased on an ongoing basis in accordance with Franchisor’s System standards and specifications. Franchisor may require Franchisee to purchase any of the foregoing items or services from Franchisor, its affiliate or another supplier that Franchisor approves and/or designates.

B. Method of Payment; Bank Accounts.

1. *Method of Payment.* With the exception of the Initial Franchise Fee, Franchisee shall pay all fees and other amounts due to Franchisor, its affiliates, and designated vendors and suppliers, under this Agreement through an electronic funds transfer program (the “EFT Program”), under which all payments owed under this Agreement, or any other agreement between Franchisee and Franchisor or its affiliates, or designated vendors and suppliers, is automatically deducted to Franchisor, from the bank account Franchisee provides to Franchisor for use in connection with the EFT Program (the “EFT Account”). Upon Franchisor’s written request, Franchisee must make any or all payments by bank or certified check.
2. *Use of EFT Account for Operational Funds.* Franchisee shall immediately deposit all revenues from operation of the Franchised Business into this bank account immediately upon receipt, including cash, checks, and credit card receipts. At least ten (10) days prior to opening the Franchised Business, Franchisee shall provide Franchisor with: (i) Franchisee’s bank name, address and account number; and (ii) a voided check from such bank account. Contemporaneous with the execution of this Agreement, Franchisee shall sign and provide to Franchisor and Franchisee’s bank, all documents, including Franchisor’s form of EFT Authorization Form attached as Exhibit C to this Agreement, necessary to effectuate the EFT Program and Franchisor’s ability to withdraw funds from such bank account via electronic funds transfer. Franchisee shall immediately notify

Franchisor of any change in Franchisee's banking relationship, including any change to the EFT Account.

- C. **Access to Computer System.** Franchisor may, without notice to Franchisee, have the right to independently and remotely access any proprietary software program and the computer system that Franchisee is required to use in connection with the Franchised Business or will be required to use in the future (the "Computer System"), via the Internet or other electronic means, in order to obtain any financial and/or Client information that is related to the operation of the Franchised Business, including without limitation, Gross Sales and Client contact and property information. Franchisee must obtain and use the Computer System hardware, software and other components that Franchisor prescribes for use in connection with the Franchised Business and, utilize and participate in any intranet/extranet that Franchisor establishes in connection with the System. Franchisee hereby consents to Franchisor using and disclosing to third parties (including, without limitation, prospective franchisees, financial institutions, legal and financial advisors), for any purpose or as may be required by law, any financial or other information contained in or resulting from information, data, materials, statements and reports received by Franchisor or disclosed to Franchisor in accordance with this Agreement.

D. **Operational Reports; Right to Modify Payment Interval.**

1. Franchisee shall provide Franchisor with the following reports and information, all of which must be certified as true and correct by Franchisee and in the form and manner prescribed by Franchisor: (i) a signed Gross Sales report on or before the 5th day of each month for Gross Sales generated during the immediately preceding month detailing the information from the preceding week, including (a) Gross Sales of the Franchised Business, (b) Franchisee's calculated Royalty Fee, (c) Brand Fund Fees, (d) Cooperative contributions (if applicable), and such evidence that Franchisee has made its local advertising expenditures required by Franchisor under this Agreement, the Manual, policy, or otherwise in writing; (ii) on or before the fifteenth (15th) of each month, an unaudited profit and loss statement for the Franchised Business for the preceding calendar month; (iii) within sixty (60) days of each calendar quarter, an unaudited balance sheet reflecting the financial position of the Franchised Business as of the end of that calendar quarter; (iv) within sixty (60) days of Franchisor's request, a financial statement that details the total assets and liabilities of the Franchised Business (and, if appropriate Franchisee and personal guarantors under this Agreement); (v) within sixty (60) days after the close of each fiscal year of Franchisee, financial statements which must include a statement of income and retained earnings, a statement of changes in financial position, and a balance sheet of the Franchised Business, all as of the end of such fiscal year; and (vi) any other financial information or performance metrics of the Franchised Business that Franchisor may reasonably request.
2. The parties agree and acknowledge that Franchisor may modify the interval at which it collects Franchisee's Royalty Fee, Brand Fund Fee and other recurring fees under this Agreement upon written notice (i.e., Franchisor may provide Franchisee with notice that it will be collecting these fees on a weekly rather than monthly basis). In such event, Franchisee's reporting obligations may also be modified by Franchisor accordingly.

3. Franchisee hereby grants Franchisor permission to report and distribute Franchisee's gross sales, gross sales mix, cost of material and labor and other certain expenses to other existing franchisees of Franchisor and others with such additional information as Franchisor may deem appropriate, including the identification of Franchisee, the address of Franchisee's Approved Location, and such other information as may make the gross sales/gross sales mix information a useful business aid to Franchisee and other franchisees of Franchisor.
- E. **Late Payments.** If any payment due under this Agreement is not received by Franchisor by the scheduled date due, Franchisee shall be in default under this Agreement. If any payment is overdue, Franchisee shall pay interest to Franchisor, in addition to the overdue amount, at a rate of the lesser of twelve percent (12%) per year, or the maximum rate allowed by applicable law in the state where the Franchised Business is located, beginning from the date of non-payment or underpayment, until paid. Entitlement to collect such interest shall be in addition to any and all other remedies Franchisor may have. Franchisee agrees to pay Fifty Dollars (\$50) for each check given or electronic transfer made to Franchisor that is dishonored, fails to process, or is returned.
 - F. **Late Submission Fee.** In the event any payment (including a late fee), request for information, forms, data or any item related to the operation of the Franchised Business, is not received by the established due date, you agree to pay us a late fee ("Late Submission Fee") of One Hundred Dollars (\$100) per violation, which is intended to reimburse us for our expenses and to compensate us for our inconvenience and does not constitute interest. Any acceptance of an amount which is less than the full amount due, shall not be considered a waiver of our right to (or your obligation for) the full amount then due, or which may become due in the future.
 - G. **Taxes Owed by Franchisee.** No payments to be made to Franchisor by Franchisee, whether for royalties, advertising, merchandise, special programs, or otherwise, may be reduced on account of the imposition by any federal, state, or local authority of any tax, charge, or assessment, or by any claim Franchisee may have against Franchisor. All taxes, charges, or assessments shall be paid by Franchisee to the taxing authorities when due, in addition to the amounts due to Franchisor.
 - H. **Inability to Operate Franchised Business.** If Franchisee is unable to operate the Franchised Business due to damage to or loss of the Approved Location and/or the Approved Vehicle(s) and any equipment located thereon caused or created by a casualty, act of God, condemnation, or other condition over which Franchisee has no control, then Franchisor will waive the Royalty Fee due under this Agreement for a period of time that Franchisor reasonably determines is necessary for the Franchised Business to repair the damage/loss to the Approved Location and resume operations (or relocate the Franchised Business to a different location within the Designated Territory), with said waiver period not to exceed ninety (90) days commencing from the date Franchisee gives Franchisor notice of the damage or loss.

5. **DUTIES OF FRANCHISOR**

A. **Initial Training.**

1. *Initial Training Prior to Opening.* Franchisor will provide (a) its initial training program (the "Initial Training Program") to Franchisee (including each owner or

manager if you are an entity), and (b) the appropriate installation and other components of the Initial Training Program, to each additional individual that Franchisee expects or intends to engage as an Authorized Installer that will be authorized to provide certain Approved Services and Approved Products through the Franchised Business, or that will be authorized to sell the Approved Services and Approved Products. Franchisor will not charge any tuition or its then-current training fee to provide the Initial Training Program or appropriate components thereof to the foregoing individuals (up to six (6) trainees), provided all individuals attend such training at the same time as the Franchisee prior to opening the Franchised Business. Franchisee shall pay Franchisor's then-current training fee for any additional trainees. The parties agree and acknowledge that: (i) certain portions of the Initial Training Program will be provided by Franchisor remotely via telephone calls, webinars or other online learning management system/technology; (ii) other portions of the Initial Training Program must be attended and completed at Franchisor's headquarters or other designated training facility, unless Franchisor, in its sole discretion, determines that the entire training will be by remote/virtual means; and (iii) Franchisee shall bear all its costs and expenses incurred by Franchisee and all other trainees in connection with the Initial Training Program, including without limitation, travel, lodging, meals, local transportation and wages for any personnel.

2. *Replacement Personnel.* Franchisor will also provide the Initial Training Program or appropriate portions thereof, to any replacement personnel that will serve as Franchisee's Dedicated Manager and/or an Authorized Installer of the Franchised Business or a salesperson of the Approved Products or Services, provided Franchisee pays Franchisor's then-current training fee for such training as set forth in its Manual (as well as any costs and expenses incurred) and subject to the schedule and availability of Franchisor's training staff.
3. *Training Pre-Conditions; Acknowledgement of Completion.* The parties agree and acknowledge that: (i) Franchisee must satisfy the training pre-conditions set forth in Section 6(N) of this Agreement (the "Training Pre-Conditions") before Franchisee or any of its personnel can attend any portion of the Initial Training Program that is provided at Franchisor's headquarters and/or other designated training facility; and (ii) upon completion of the Initial Training Program and/or any appropriate components thereof, Franchisee or the individual that completed such training may be required to sign an acknowledgement that it received such training from Franchisor consistent with this Agreement and the FDD.

B. Additional and Refresher Training.

1. *Additional Training.* Franchisor may, as it deems appropriate in its discretion, develop additional and refresher training courses ("Additional Training"), and require Franchisee, its owners, its Dedicated Manager, Authorized Installers or approved product sellers to attend such courses either in-person or via remote presentation. Franchisor may charge its then-current training fee for each attendee at any Additional Training. Franchisee shall be responsible for all costs and expenses, including travel, lodging, food and salaries, to attend any Additional Training.

2. *Requested Additional Training and/or On-Site Assistance.* Franchisor may also provide Additional Training or other on-site assistance at Franchisee's reasonable written request, subject to: (i) the schedule and availability of Franchisor's training personnel; and (ii) Franchisee paying Franchisor's then-current training fee for each trainer that is provided in connection with the requested Additional Training, as well as Franchisee covering the costs and expenses that such personnel incur in providing such training. Franchisor will provide Additional Training under this Section as it deems appropriate in its discretion.
 3. *Remedial Training.* Franchisor may require Franchisee to attend up to five (5) days of remedial training that Franchisor reasonably determines Franchisee and appropriate personnel must undertake in response to (a) the failure of Franchisee or any other required personnel to sufficiently complete the Initial Training Program or any type of Additional Training that Franchisor requires, or (b) Franchisee's failure to operate the Franchised Business in accordance with the terms of the Franchise Agreement after Franchisor has provided Franchisee with written notice of such failure (each, an instance of "Remedial Training"). Franchisor reserves the right to charge its then-current training fee for any Remedial Training that is provided to Franchisee and/or its personnel at any location. Franchisee must cover the costs and expenses incurred by Franchisor and its personnel in providing such Remedial Training if such training is provided at a location other than Franchisor's headquarters.
- C. **Manuals.** Franchisor will provide to Franchisee access to its Manuals prior to the opening of the Franchised Business. Franchisor will provide Franchisee a list of (i) all furniture, fixtures, equipment, inventory, supplies and other items that Franchisee is required to purchase or lease in connection with the establishment and ongoing operation of the Franchised Business (collectively, the "Required Items"); (ii) a list of all suppliers from which Franchisee must purchase or lease any Required Items, which may be Franchisor or its affiliates (collectively, the "Approved Suppliers"); and (iii) a list of the Approved Products and Approved Services that Franchisee is authorized to offer, sell or provide at and from the Franchised Business, including membership programs and services. Any product or service that is not specifically listed as an Approved Product or Approved Service is prohibited. The foregoing lists may be provided as part of the Manuals or otherwise in writing prior to opening, and Franchisor has the right to revise, supplement or otherwise modify these lists and the Manuals at any time upon written notice to Franchisee. Franchisor may also establish and maintain a website portal or other intranet for use by Franchisee and other Franchised Business owners (the "USA Insulation Web Portal"), wherein Franchisor may post the Manuals, or additional content that will automatically become part of, and constitute a supplement to, the Manuals, all of which Franchisee must strictly comply with promptly after such content is posted or otherwise listed on the USA Insulation Web Portal. In the event Franchisee or its personnel saves or prints out a hard copy of any Manual, then such electronic/hard versions of said Manuals must be immediately returned upon expiration or termination of this Agreement for any reason (and never used for any competitive purpose). The provisions of this Section shall survive the term of this Agreement.
- D. **Site Selection Review and Approval.** Following execution of this Agreement, Franchisor shall: (i) provide Franchisee with basic site selection criteria that Franchisor establishes for the premises of the Franchised Business, if any; (ii) review and evaluate any site relocation proposals from Franchisee; and (iii) approve or reject such site selection proposals within

30 days of the date Franchisee provides Franchisor with all reasonably-requested information that Franchisor requests in connection with a given site proposal. The parties agree and acknowledge, however, that Franchisor's approval of any given site does not constitute a guarantee or other representation that the Franchised Business will succeed or otherwise perform at a certain level at that location.

- E. **Initial Marketing Assistance.** Franchisor may assist Franchisee, as it deems appropriate in its discretion, in developing and conducting the Initial Marketing Spend (as defined and described more fully in Section 9 of this Agreement), which program will be conducted at Franchisee's expense.
- F. **Review of Advertising Materials.** Franchisor will review and approve/reject any advertising or marketing materials proposed by Franchisee in connection with the Franchised Business as described more fully in Section 9 of this Agreement.
- G. **Website.** For so long as Franchisor has an active website containing content designed to promote the USA INSULATION brand, System and Proprietary Marks (collectively, the "Website"), Franchisor will list the contact information of the Franchised Business on this Website, provided Franchisee is not in material default under this Agreement.
- H. **Email Addresses.** Franchisor will provide Franchisee with at least one (1) email address, which: (i) Franchisee is required to use in connection with the Franchised Business; and (ii) must be the only email address(es) used in connection with the Franchised Business.
- I. **Private Label Products.** Franchisor may directly, or indirectly through Franchisor's affiliates or designated vendors, develop and provide Franchisee with private label products or other merchandise bearing the Proprietary Marks to be used by Franchisee and/or offered and sold by Franchisee as part of the Approved Services that are provided at the Franchised Business. Franchisee may be required to purchase these items from Franchisor or any other Approved Supplier that Franchisor designates.
- J. **Inspections of the Approved Location and Approved Vehicles.** Franchisor will, as it deems appropriate in its sole discretion, conduct inspections and/or audits of the Franchised Business and, upon 48 hours' notice, of the Approved Location and/or Approved Vehicles to ensure that Franchisee is operating its Franchised Business in compliance with the terms of this Agreement, the Manuals and the System standards and specifications. Such inspections may include: (i) inspections of the Approved Location and/or Approved Vehicles and inspecting any and all books and records; and/or (ii) conducting mystery shop services and/or inspections designed to evaluate the Approved Products and Approved Services provided by the Franchised Business and any pre-sale activities involved with the same. Inspections of the Approved Location and/or Approved Vehicles will only occur during normal business hours and, with respect to the Approved Location, will only involve the physical area that is specifically devoted to the Franchised Business. Franchisee is solely responsible for ensuring that the Franchised Business is being operated in compliance with all applicable laws and regulations.
- K. **Administration of Brand Fund.** Franchisor will administer the Brand Fund as it deems advisable in its sole discretion as described more fully in Section 9 of this Agreement.
- L. **No Assumption of Liability.** Franchisor shall not, by virtue of any approvals or advice provided to Franchisee under this Agreement, including site approval or other approval

provided under this Section 5, assume any responsibility or liability to Franchisee or to any third party to which it would not otherwise be responsible or liable. Franchisee acknowledges that any assistance (including site selection and project oversight) provided by Franchisor or its designee in relation to the selection or development of the Approved Location is only for the purpose of determining compliance with System standards and does not constitute a representation, warranty, or guarantee, express, implied or collateral, regarding the choice and location of the Approved Location, that the development of the Approved Location is free of error, nor that the Franchised Business is likely to achieve any level of volume, profit or success.

- M. **Delegation of Duties.** Franchisee acknowledges and agrees that any designee, employee, or agent of Franchisor may perform any duty or obligation imposed on Franchisor by the Agreement, as Franchisor may direct.
- N. **Pre-Opening Obligations Acknowledgement.** If Franchisee believes Franchisor has failed to provide adequate pre-opening services as provided in this Agreement, Franchisee shall notify Franchisor in writing within sixty (60) days following the opening of the Franchised Business. Absent such notice to Franchisor, Franchisee acknowledges, agrees and grants that Franchisor fully complied with all of its pre-opening and opening obligations set forth in this Agreement.
- O. **Conferences and Conventions.** Franchisor may, at its discretion, from time-to-time conduct conventions or host meetings of some or all of the franchisees. (“Conventions”). The duration, curriculum and location of the Conventions will be determined by Franchisor, in its sole and exclusive discretion. Franchisee may be required to attend one or more of Conventions, and to pay all of Franchisee’s expenses incurred in connection with attending the Conventions, including transportation cost, meals, lodging and living expenses. Franchisee will pay Franchisor annually a Convention Fee of between \$600 and \$1,500 based on the duration and location of the Convention. Franchisee will only be charged one annual Convention Fee, regardless of how many Franchised Businesses Franchisee owns and operates. Franchisee shall pay the Convention Fee via EFT when invoiced. The Convention Fee is not refundable and will be collected and retained even if Franchisee does not attend any Conventions in a given calendar year.
- P. **Call Center.** Franchisor reserves the right, but is under no obligation, to establish a System-wide call center (the “Call Center”). If Franchisor or its designee does so, Franchisee will have the right to participate, provided Franchisee pays the then-current rate charged by Franchisor or Franchisor’s Approved Supplier for call center services. Franchisee understands and acknowledges that Franchisor may require Franchisee to use a Call Center in the following circumstances to handle both inbound and outbound calls for the Franchised Business, including all “rehash” or “win back” calls: (i) during the first two years the Franchised Business is operating; and (ii) in any given subsequent calendar year of operation upon written notice from Franchisor if the Franchised Business fails to generate at least \$1,000,000 in Gross Sales in the prior calendar year of operation.

6. **DUTIES OF FRANCHISEE**

- A. **Securing an Approved Location.** Franchisee shall obtain and secure an Approved Location for the operation of the Franchised Business within ninety (90) days of the execution of this Agreement that Franchisor approves in its sole discretion (if an Approved

Location is not already identified and accepted by Franchisor at the time of execution of this Agreement).

B. **Lease.** Franchisee must enter into an approved lease for the Approved Location (the "Lease") within ninety (90) days from the execution of this Agreement and ensure that it complies with all provisions of the Lease, including those provisions related to leasehold improvements and signage. Franchisor may review any proposed Lease for the Approved Location and approve such Lease prior to Franchisee's execution for use in connection with operating the Franchised Business. Franchisee must ensure that the Lease contains the following terms as a condition to Franchisor's approval thereof:

1. The Lease requires the landlord to provide Franchisor with a written notice of Franchisee's default or deficiency under the Lease at the same time such notice of default is sent to Franchisee;
2. The Lease requires the landlord to provide Franchisor with written notice of Franchisee's failure to cure any default under the Lease within the appropriate cure period and grants Franchisor the right (but not the obligation), in its sole discretion, to cure any such default or deficiency under the lease within thirty (30) days after the expiration of the Franchisee's cure period if Franchisee fails to cure;
3. The Lease evidences the right of Franchisee to display the Proprietary Marks in accordance with the specifications required by the Manuals, subject only to provisions of applicable law;
4. The Lease requires the Approved Location be used solely for the operation of a Franchised Business;
5. The Lease prohibits modification, supplementation, cancellation, termination, or amending of the Lease without Franchisor's reasonable prior express written approval.

C. **Build-Out of Approved Location and Time to Open.**

1. Franchisee shall submit to Franchisor, for Franchisor's approval, detailed plans and specifications, adapting Franchisor's then-current standard plans and specifications to the Approved Location and to local and state laws, regulations, and ordinances. Once approved by Franchisor, Franchisee shall not materially change or modify such plans and specifications without the prior written consent of Franchisor. Franchisor must provide its prior written consent before Franchisee may open the Franchised Business, and Franchisor reserves the right to inspect the construction and/or build-out of the Franchised Business at any reasonable time prior to the opening date. Should Franchisee fail to open the Franchised Business for operation within the prescribed period or, if applicable, within an extension of time approved in writing by Franchisor, this Agreement will be deemed terminated upon written notice from Franchisor to Franchisee, without the necessity of further action or documentation by either party. Franchisee shall use a qualified licensed, general contractor or construction supervisor to oversee construction or modification of the Franchised Business and completion of all improvements.

2. Franchisee shall complete the construction or development of the Approved Location of the Franchised Business and open for operations no later than six (6) months from the date this Agreement is executed.
 3. If Franchisee fails to open the Franchised Business for operation within the prescribed period (or, if applicable, within any extended period of time Franchisor approves in writing), this Agreement will be deemed terminated upon written notice to Franchisee from Franchisor.
- D. **Licenses and Permits for Franchised Business.** Prior to opening, Franchisee must obtain and maintain (throughout the term of this Agreement) all required licenses, permits and approvals to establish, open and operate the Franchised Business at the Approved Location and within the Designated Territory, including all required licenses and permits related to the offer and sale of the Approved Products and Approved Services.
- E. **Licensing Requirements for Personnel.** Franchisee must ensure that the applicable Approved Services provided at the Franchised Business are only conducted by individuals that have the necessary licenses and/or other certifications or approval, if any, necessary to provide the Approved Services at issue.
- F. **Approved Products and Approved Services; Authorized Installer Requirement.**
1. *Authorized Products and Services Only.* Franchisee must offer and sell only the Approved Products and Approved Services at the Franchised Business. Franchisee may not offer or provide any other products/services and must not deviate from Franchisor's System standards and specification related to the manner in which the Approved Services and Approved Products are offered and sold, unless Franchisor provides its prior written consent. Franchisor has the right to add additional, delete or otherwise modify certain aspects of the Approved Services or Approved Products from time to time in the Manuals and otherwise in writing, as it deems appropriate in its sole discretion. In the event of a dispute between Franchisee and Franchisor concerning Franchisee's right to carry any particular product or to offer any specific service, Franchisee will immediately remove the disputed products from inventory, remove the disputed service from those services offered at the Approved Location, or, if the same are not already in inventory or such services not yet being offered, will defer offering for sale such products and services pending resolution of the dispute. If Franchisee desires to purchase any services or products from suppliers that Franchisor has not previously approved, Franchisee or the supplier must submit a written request for such approval to Franchisor. As a condition of Franchisor's approval, Franchisor may require that Franchisor's representatives be allowed to inspect the supplier's facilities and/or that a sample of its product be made available to Franchisor or Franchisor's designee for testing. In such event, Franchisee or the supplier may be charged a fee not to exceed the actual cost of such inspection and/or testing. Within thirty (30) days of delivery of the test results, if testing is conducted, or the written request if testing is not conducted, Franchisor will issue a decision in writing. Such decision may be a determination that additional time is needed to complete the review. Any denial will state the reasons. In the event Franchisor does not provide Franchisee with a written decision, the request shall be deemed denied.

2. *Personnel that May Provide Certain Approved Services and/or Approved Products.* Franchisee agrees and acknowledges that: (i) for the offer and sale of certain Approved Services and corresponding Approved Products through the Franchised Business, including those Approved Services involving the Proprietary Foam Insulation Products, Franchisee, its Dedicated Manager or other individual must first complete the appropriate components of the Initial Training Program necessary to become an Authorized Installer of such Approved Services and Approved Products; (ii) upon completion of such initial training, Franchisor will provide Franchisee, its Dedicated Manager (if applicable) and/or other individual with a written acknowledgement that he/she is an Authorized Installer (the “Authorized Installer Notice”) that confirms and details the specific Approved Services that the installer may provide to Clients of the Franchised Business (the “Authorized Installer Services”); and (iii) Franchisee must ensure that any Approved Services and Approved Products provided through the Franchised Business are provided by an Authorized Installer (which may be Franchisee or its Dedicated Manager or other individual) that has received an Authorized Installer Notice detailing the relevant services/products as part of the Authorized Installer Services.

G. **Approved Vehicles, Signs, and Inventory.** Franchisee must maintain at all times during the term of this Agreement and any renewals hereof, at Franchisee’s expense, the Approved Vehicles, the Franchised Business, and all equipment, fixtures, furnishings, signs, artwork, décor items and inventory therein as necessary to comply with Franchisor’s standards and specifications as prescribed in the Manuals or otherwise in writing and cannot make any changes not in compliance with the Manuals. Franchisee must also make such additions, alterations, repairs, and replacements to the foregoing as Franchisor requires. At Franchisor’s request, which shall not be more often than once every five (5) years, Franchisee shall refurbish and upgrade the Approved Vehicles, any equipment thereon, and other components of the Franchised Business at its expense, to conform to the building design, trade dress, color schemes, and presentation of Proprietary Marks consistent with Franchisor’s then-current standards and conditions for the System, including without limitation, redecoration, remodeling, and modifications to existing improvements, but specifically excluding vehicle wraps, lettering, and/or trade dress for those vehicles used in the operation of the Franchised Business that may be updated more frequently (collectively, the “Vehicle Updates”). Franchisee shall have twelve (12) months from its receipt of Franchisor’s request to complete the change, except that Franchisee is required to complete any Vehicle Updates within four (4) months of Franchisor’s request.

H. **Compliance with Applicable Laws.** Franchisee must at all times conduct and operate the Franchised Business in accordance with all federal, state, and local laws, ordinances, and regulations applicable thereto.

I. **Approved Vehicle; Other Required Items.** Franchisee must: (i) purchase, lease, and/or maintain any and all Required Items that Franchisor designates for use in connection with the Franchised Business that may include, without limitation, the vehicle that must be used in connection with the Franchised Business (the “Approved Vehicle”), Computer System, equipment, supplies, inventory; (ii) ensure that all Required Items meet Franchisor’s standards and specifications; and (iii) purchase all items Franchisor specifies from the Approved Supplier(s) that Franchise designates, which may include Franchisor or its affiliate(s). Franchisee agrees and acknowledges that Franchisor and/or its affiliates may derive revenue from the offer and sale of Required Items.

Franchisee shall cause the Approved Vehicle to be wrapped or painted in signage and artwork as approved by Franchisor prior to opening the Franchised Business. Franchisee agrees to maintain any Approved Vehicle in good mechanical condition and an appearance that properly represents the USA Insulation brand to the public and to improve vehicle appearance at the request of the Franchisor.

- J. **Required Purchases of Inventory and Supplies.** Franchisee must purchase all inventory and supplies required to sell and provide the Approved Products and Approved Services, as well as thereafter maintain such inventory/supply levels, as Franchisee deems reasonably necessary and appropriate to meet current customer demand and any anticipated customer demand in the near future.
- K. **Inspection of Items.** Franchisee shall permit Franchisor or its agents, at any reasonable time, to remove from the Franchised Business samples of items without payment therefor, in amounts reasonably necessary for testing by Franchisor or an independent, certified laboratory to determine whether said samples meet Franchisor's then-current standards and specifications. In addition to any other remedies it may have under this Agreement, Franchisor may require Franchisee to bear the cost of such testing if the supplier of the item has not previously been approved by Franchisor, or if the sample fails to conform to Franchisor's specifications.
- L. **Alternative Supplier Approval.** If Franchisee wishes to purchase any unapproved item, including inventory, and/or acquire approved items from an unapproved supplier, Franchisee must provide Franchisor the name, address and telephone number of the proposed supplier, a description of the item Franchisee wishes to purchase, and the purchase price of the item, to the extent known. At Franchisor's request, Franchisee must also provide Franchisor, for testing purposes, a sample of the item Franchisee wishes to purchase. If Franchisor incurs any costs in connection with testing a particular product or evaluating an unapproved supplier at Franchisee's request, Franchisee must reimburse Franchisor for Franchisor's reasonable testing costs, regardless of whether Franchisor subsequently approves the item or supplier. Franchisor will use commercially reasonable efforts to notify Franchisee in writing whether or not Franchisee's request is approved or denied within thirty (30) days of: (i) Franchisor's receipt of all supporting information from Franchisee regarding Franchisee's request under this Section; and (ii) if applicable, Franchisor's completion of any inspection or testing associated with Franchisee's request. If Franchisor does not provide written approval within this time period, then Franchisee's request will be deemed denied. Franchisor may, but is not obligated to, provide Franchisee's proposed supplier with its specifications for the item that Franchisee wishes the third-party to supply, provided that third-party executes Franchisor's prescribed form of non-disclosure agreement. Each supplier that Franchisor approves must comply with Franchisor's usual and customary requirements regarding insurance, indemnification and non-disclosure. If Franchisor approves any supplier, Franchisee may enter into supply contracts with such third party, but under no circumstances will Franchisor guarantee Franchisee's performance of any supply contract. Franchisor may re-inspect and revoke Franchisor's approval of particular products or suppliers when Franchisor determines, in Franchisor's sole discretion, that such products or suppliers no longer meet Franchisor's standards. Upon receipt of written notice of such revocation, Franchisee must cease purchasing products from such supplier. Nothing in this Section shall be construed to require Franchisor to approve any particular supplier. Franchisor may base Franchisor's approval of any such proposed item or supplier on considerations relating not only directly to the item or supplier itself, but also indirectly to the uniformity, efficiency, and quality

of operation Franchisor deems necessary or desirable in Franchisor's System as a whole. Franchisor has the right to receive payments from suppliers on account of their dealings with Franchisee and other franchisees and to use all amounts Franchisor receives without restriction (unless instructed otherwise by the supplier) for any purposes Franchisor deems appropriate.

M. **Computer Issues.** Franchisee acknowledges and agrees that Franchisee is solely responsible for protecting itself from computer viruses, bugs, power disruptions, communication line disruptions, internet access failures, internet content failures, date-related problems, and attacks by hackers and other unauthorized intruders in connection with the operation of the Franchised Business, including any proprietary software used in connection with the System.

N. **Training Completion and Conference Attendance.**

1. Franchisee must ensure that Franchisee, each owner if Franchisee is an entity and any other prospective Authorized Installers or sellers of the Approved Products or Services each attend and successfully complete the Initial Training Program, or appropriate portions thereof with respect to any prospective Authorized Installers or salesperson, prior to opening the Franchised Business. Franchisee agrees and acknowledges that Franchisor may require Franchisee and its personnel to complete the components of the Initial Training Program that are provided via remote participation within 30 days of the date this Agreement is executed.
2. Franchisee agrees and acknowledges that it must complete and/or satisfy the following Training Pre-Conditions before Franchisor will approve Franchisee or any of its designated trainees to attend the components of the Initial Training Program that are provided at Franchisor's headquarters or other designated training facility:
 - i. submit, and obtain Franchisor's approval of, Franchisee's Initial Marketing Spend plan for the Franchised Business;
 - ii. demonstrate that Franchisee has pre-paid all amounts in connection with the Initial Marketing Spend or is in a position to do so in the near future;
 - iii. undertake all steps to establish the EFT Account, as described in Section 4(B) of this Agreement, including providing Franchisor and/or its designee with all authorizations and approvals necessary to access such EFT Account;
 - iv. demonstrate that Franchisee has obtained all required insurance coverages as set forth in this Agreement and the Manuals;
 - v. consult with counsel to ensure any then-current template agreement or services agreement that Franchisor provides to Franchisee in its Manuals are reviewed by counsel and ensure the validity and enforceability of any such agreement; and
 - vi. provide Franchisor with completed copies of all agreements and contracts that are attached as Addenda to this Agreement that are signed by

Franchisee and/or appropriate third party(ies), to the extent such documents have not been signed, completed or need to be updated as of that date.

3. In addition to the Initial Training Program, Franchisee and any other management personnel of the Franchised Business must attend a training program that is conducted by one (1) or more of Franchisor's Approved Suppliers and designed to provide further instruction and training regarding the operation of the Franchised Business and provision of certain Approved Services (the "Third-Party Training"). Franchisee will be: (i) required to pay the then-current training fee, and any course materials charges, for those that attend the Third-Party Training; and (ii) responsible for the costs and expenses associated with Franchisee and any other required trainees attending such training. Once the Franchised Business is open, Franchisor will have the right to make this kind of Third-Party Training part of any Additional Training or Remedial Training that Franchisor may require under this Agreement.
 4. Franchisee must also ensure that Franchisee, any owner, its Dedicated Manager and any other Authorized Installers or sales personnel attend and complete and Additional Training or Remedial Training that may be required pursuant to this Agreement.
 5. Any failure by Franchisee or any of its required trainees to (a) attend and complete the Initial Training Program, or (b) any other training/conferences that such individual(s) are required to attend and/or complete hereunder or as set forth in the Manuals will constitute a material default of this Agreement and grounds for termination if not cured within the appropriate cure period set forth in this Agreement.

In the event Franchisee does not comply with Franchisor’s requests regarding such online listings or advertisement, Franchisor reserves the right to place, modify, or remove such listings and advertisements on behalf of Franchisee. For any listings or advertisements that Franchisor posts on behalf of Franchisee due to Franchisee’s non-compliance under this Section, Franchisee shall promptly pay, upon demand by Franchisor, its pro rata share of the costs of such listings or advertisements. Upon termination, transfer, or expiration of this Agreement, Franchisee agrees to take any and all steps necessary to assist Franchisor in removing or assigning control of all listing under this Section to Franchisor.
5. Franchisee may not advertise and promote the Franchised Business outside of the Designated Territory, unless (a) the geographic area wherein Franchisee wishes to advertise has not been granted in connection with any other Franchised Business, and Franchisee cannot ever engage in targeted advertising (e.g. digital, direct mail, etc.) outside of Franchisee’s Designated Territory.

E. **Brand Fund**. Franchisor has established a Brand Fund for advertising, marketing and promotion associated with the System and the sale of products and services. Franchisee is required to pay the Brand Fund Fee monthly. Franchisor may modify this “Brand Fund Fee” upon thirty (30) days written notice to the Franchisee.

1. Franchisor may use monies in the Brand Fund for any purpose that promotes the USA Insulation name or any other marks it chooses to use in the System, and in connection with the offer and sale of products and services, including the creation, production and placement of commercial advertising; to pay for agency costs and commissions; to pay the costs to create and produce video, audio and written advertisements; to pay for direct mail and other media advertising, including internet advertising, internet search engine campaigns, direct email marketing, and the cost to maintain and update Franchisor’s websites, intranet, web pages, social media and social networking sites, profiles and accounts; for the costs to create and maintain any applications, whether web-based or otherwise, and for the costs of search engine optimization; the cost to license, improve and interface with software for use in the operation of the Franchised Business; in-house staff, including salaries, assistance and related administrative costs; local and regional promotions; public relations campaigns including the cost of retaining public relations firms; market research; and other advertising, marketing and sales activities such as the cost of operating a call center to assist with selling USA Insulation products and services and servicing existing Clients, creating sales materials and tools for use by franchisees, the costs of client satisfaction activities such as customer surveys and the cost of training and training tools for its franchisees.
2. No portion of the fees collected will be used principally to sell franchises. However, a brief statement about availability of information regarding the purchase of USA Insulation franchises may be included in advertising and other items produced and/or distributed using the Brand Fund. If any taxes become due based upon the activities of the Brand Fund, these taxes may be paid out of the funds in the Brand Fund. Franchisor may terminate the Brand Fund only after all monies have been spent.
3. Franchisor may collaborate with the advertising and marketing funds of certain franchise systems affiliated with it. There can be no assurance that the Brand Fund’s participation in these collaborations and joint efforts will benefit the Franchised Businesses proportionately or equivalently to the benefits received by the other franchised businesses or the other franchised systems affiliated with us that also participate. The Franchisor has no obligation to make proportionate expenditures of contributions to the Brand Fund. Franchisor does not guarantee that expenditures from the Brand Fund will benefit Franchisee or any other franchisee directly, on a pro rata basis, or at all. Franchisee agrees and acknowledges that the Brand Fund is not a trust and the Franchisor has no fiduciary duty to Franchisee in administering the Brand Fund.

F. **Advertising Council**. Franchisor may establish, if and when it deems appropriate in its sole discretion, a council to provide advice and guidance regarding the administration of the Brand Fund and various other advertising/marketing matters (an “Advertising Council”). If Franchisor establishes an Advertising Counsel, it will serve in only an advisory capacity and may consist of franchisees, personnel from Franchisor’s affiliate-

owned Franchised Businesses, or other management/employees that Franchisor designates. If an Advertising Council is established, the membership of such Advertising Council, along with the policies and procedures by which it operates, will be determined by Franchisor. The recommendations of the Advertising Council shall not be binding on Franchisor.

- G. **Website.** Franchisor may establish an interior page on its corporate website to display the Premises and contact information associated with the Franchised Business for so long as (i) the Franchised Business is open and actively operating; and (ii) this Agreement is not subject to termination. If Franchisor creates and includes any information about Franchisee on a website, then Franchisor may require Franchisee to prepare all or a portion of the page, at Franchisee's expense, using a template that Franchisor provides. Franchisee may not establish any separate website or other Internet presence in connection with the Franchised Business, System or Proprietary Marks without Franchisor's prior written consent. If approved to establish a separate website, Franchisee shall comply with Franchisor's policies, standards and specifications with respect to the creation, maintenance and content of any such website. Franchisee specifically acknowledges and agrees that any website owned or maintained by or for the benefit of Franchisee shall be deemed "advertising" under this Agreement, and will be subject to (among other things) Franchisor's approval as described in this Section 9. Franchisee may not promote or otherwise list its Franchised Business, or the Proprietary Marks or System, on any social media or networking site, including without limitation, Facebook, LinkedIn, Instagram, Pinterest, Twitter or YouTube, without Franchisor's prior written consent. Franchisor shall have the right to modify the provisions of this Section relating to Franchisee's use of separate websites and social media, as Franchisor determines necessary or appropriate. Franchisee must follow Franchisor's social media policies and directives as set forth in the Manuals, including the Policy and Procedures Manual and/or Marketing Manual.
- H. **Cooperatives.** Franchisor may establish regional advertising cooperatives that are comprised of multiple Franchised Business owners located within a geographical region that Franchisor designates (each, a "Cooperative"). If Franchisor establishes a Cooperative and designates Franchisee as a member thereof, Franchisee may be required to contribute to the Cooperative in a monthly specified amount. All amounts paid to a Cooperative will be credited towards Franchisee's Local Advertising Requirement or Brand Fund Fee. Franchisor may specify the governing rules, terms and operating procedures of any Cooperative.

10. **ACCOUNTING AND RECORDS**

- A. **Maintenance of Records.** Franchisee must, in a manner satisfactory to Franchisor and in accordance with generally accepted accounting principles ("GAAP"), maintain original, full, and complete register tapes, computer files, back-up files, other records, accounts, books, data, licenses, contracts, and product vendor invoices which shall accurately reflect all particulars relating to the Franchised Business, as well as other statistical and financial information and records Franchisor may require. All of this information must be kept for the duration of this Agreement and for a period of at least five (5) years thereafter. Upon Franchisor's request, Franchisee must furnish Franchisor with copies of any or all product or equipment supply invoices reflecting purchases by or on behalf of the Franchised Business. In addition, Franchisee shall compile and provide to Franchisor any statistical or financial information regarding the operation of the Franchised Business, the products and services sold by it, or data of a similar nature, including without limitation, any financial

data that Franchisor believes that it needs to compile or disclose in connection with the sale of franchises or that Franchisor may elect to disclose in connection with the sale of franchises. All data provided to the Franchisor under this Section 10 shall belong to Franchisor and may be used and published by Franchisor in connection with the System (including in Franchisor's disclosure documents).

- B. **Examination and Audit of Records.** Franchisor and its designated agents shall have the right to examine and audit Franchisee's records, accounts, books, computer files and data, including any proprietary software used in connection with the System, at all reasonable times to ensure that Franchisee is complying with the terms of this Agreement. If such audit discloses that Franchisee has underreported the Gross Sales of the Franchised Business (or any amount due to Franchisor) for any period or periods, Franchisee must pay Franchisor, within fifteen (15) days after receipt of the inspection or audit report, the underpayment amount which was not paid as a result of the understatement, plus interest as provided in Section 4.B. If an inspection or audit discloses an understatement of two percent (2%) or more in any given reporting period (weekly, monthly or otherwise), then Franchisee must also upon demand: (i) reimburse Franchisor for any costs/expenses incurred in connection with conducting the inspection and audit including, without limitation, the charges of any independent accountant and the travel, lodging, and meal expenses and compensation of Franchisor's employees.
- C. **Computer System for Records.** Franchisee shall record all transactions of the Franchised Business on a Computer System designated or approved by Franchisor, which must contain software that allows Franchisee to record accumulated sales without turning back, resetting or erasing such sales. Franchisor will, at all times and without notice to Franchisee, have the right to independently and remotely access and view Franchisee's Computer System as described in Section 4(C) of this Agreement.
- D. **Computer System Files and Passwords.** Franchisee shall not install or load any computer software on the Computer System used in connection with the Franchised Business without Franchisor's prior written consent. All computer and file passwords associated with the Computer System must be supplied as a list to Franchisor by Franchisee, along with any modifications or changes to that list. The passwords to access the Computer System located at the Premises or used by the Franchised Business, as well as all computer files and records related to the Franchised Business, are the exclusive property of Franchisor and Franchisee must provide Franchisor with these files and information upon the termination or expiration of this Agreement. Consistent with the other provisions of this Agreement, Franchisee agrees and acknowledges that Franchisor may have automatic access to Franchisee's specific passwords/keys/logins through the Computer System components and related software that Franchisor requires Franchisee to use in connection with the Franchised Business.
- E. **Current Contracts, Listings and Projects.** At any time and upon request of Franchisor, Franchisee shall provide Franchisor with a copy or summary listing, at Franchisor's discretion, of all current contracts, listings, agreements, and projects related to Clients and/or properties that Franchisee is involved in, working with or soliciting.
- F. **Tax Returns.** Upon Franchisor's request, Franchisee shall furnish Franchisor with a copy of each of its reports, returns of sales, use and gross receipt taxes, and complete copies of any state or federal income tax returns covering the operation of the Franchised Business,

and that of each of its owners, all of which Franchisee and such owners shall certify as true and correct.

- G. **Right to Require Audit if Franchisee Underreports.** In the event a prior audit or inspection conducted by Franchisor (or its designee) has revealed that Franchisee has underreported the Gross Sales of the Franchised Business by two percent (2%) or more for any reporting period as described in Section 10(B), then Franchisor may require Franchisee to provide, at the Franchisee's expense, audited financial statements that comply with GAAP and generally accepted auditing standards for Franchisee's fiscal year within one hundred twenty (120) days of Franchisee's fiscal year end.
- H. **Change to Ownership of Franchisee.** In addition to the foregoing statements, and subject to Section 13 (including obtaining Franchisor's consent), Franchisee must provide Franchisor with written reports regarding any authorized change to: (i) the listing of all owners and other holders of any type of interest (legal or beneficial) in Franchisee or the Franchised Business; and (ii) Franchisee's partners, officers, directors, as well as any of the Dedicated Manager(s) that manage the day-to-day operations of the Franchised Business. Franchisee will notify Franchisor in writing within ten (10) days after any such change, unless Franchisee is required to first notify Franchisor and obtain its approval prior to making any such change.

11. **INSURANCE**

- A. **Required Insurance.** Franchisee shall, at its own expense and no later than the earlier of (a) the date on which Franchisee uses any of the Proprietary Marks; or (b) the date Franchisee begins building out the Premises, procure and maintain in full force and effect throughout the term of this Agreement the types of insurance enumerated in the Manuals or otherwise in writing (whether the Franchised Business is open or not). This insurance shall be in such amounts Franchisor or the lessor of the Premises designates from time to time. In addition to any other insurance that may be required by applicable law, or by lender or lessor, Franchisee shall procure:
1. Commercial general liability insurance, including personal injury, completed operations, contractual liability, and products liability, in an amount of not less than Two Million Dollars (\$2,000,000) per occurrence for bodily injury and not less than Two Million Dollars (\$2,000,000) per occurrence for property damage, and naming Franchisor as an additional insured in each such policy or policies;
 2. Fire, vandalism, and extended coverage insurance with primary and excess limits of not less than the full replacement value of the premises of the Franchised Business and its furniture, fixtures, and equipment;
 3. Auto insurance for all vehicles used in connection with operating the Franchised Business, including Franchisee-owned vehicles, and non-Franchisee-owned vehicles, which will include liability coverage in the minimum amount of One Million Dollars (\$1,000,000) per year, as well as commercial auto insurance for Franchisee-owned vehicles, which will include collision and comprehensive coverage as well as liability coverage in the minimum amount of Two Hundred Fifty Thousand Dollars (\$250,000) per person and Five Hundred Thousand (\$500,000) per accident per year, or the minimum required by state regulations, whichever is greater;

4. Employer's liability, workers' compensation insurance and such other insurance as may be required by statute or rule of the state or locality in which the Franchised Business is located and operated;
5. Business interruption insurance, which may also be called Business income insurance, based on projected annual income for the business, with coverage in the minimum amount of Five Hundred Thousand Dollars (\$500,000) per occurrence per year; and; and
6. Such insurance as necessary to provide coverage under the indemnity provisions set forth in this Section 11.

Franchisee must buy insurance only from carriers rated A-VIII or better by A.M. Best and Company, Inc. (or similar criteria as Franchisor periodically specifies), unless Franchisor designates specific carriers from which Franchisee must purchase coverage (in which case Franchisee may only purchase from the designated carrier(s)). Franchisor may periodically increase the amounts of coverage required under these insurance policies and/or require different or additional insurance coverage. All insurance policies Franchisee purchases must name Franchisor and any affiliate Franchisor designate as additional insureds. Franchisee shall make timely delivery of certificates of all required insurance to Franchisor, each of which shall contain a statement by the insurer that the policy will not be cancelled or materially altered without at least thirty (30) days' prior written notice to Franchisor. The procurement and maintenance of such insurance shall not relieve Franchisee of any liability to Franchisor under any indemnity requirement of this Agreement.

- B. **General Contractor Insurance.** In connection with any construction, renovation, refurbishment, or remodeling of the Franchised Business, Franchisee shall cause the general contractor to maintain with a reputable insurer comprehensive general liability insurance (with comprehensive automobile liability coverage for vehicles, builder's risk, private liability, and independent contractors coverage) in at least the amount of Two Million Dollars (\$2,000,000), with Franchisor named as an additional insured, and workers' compensation and employer's liability insurance as may be required by law.
- C. **Failure to Procure and Maintain Insurance.** If Franchisee fails for any reason to procure and maintain the required insurance coverage, Franchisor has the right and authority (without having any obligation to do so) to immediately procure such insurance coverage, in which case Franchisee must: (i) reimburse Franchisor for the costs incurred to obtain the required insurance (including any premium amounts paid); and (ii) pay Franchisor its then-current administrative fee, as may be reasonably charged by Franchisor as consideration for securing the required insurance on Franchisee's behalf.

12. **INDEPENDENT CONTRACTOR AND INDEMNIFICATION**

- A. **No Fiduciary Relationship.** In all dealings with third parties, including without limitation, employees, suppliers, and Clients, Franchisee shall disclose in an appropriate manner acceptable to Franchisor that it is an independent entity licensed by Franchisor. Nothing in this Agreement is intended by the parties hereto either to create a fiduciary relationship between them or to constitute the Franchisee an agent, legal representative, subsidiary, joint venture, partner, employee, or servant of Franchisor for any purpose whatsoever.

B. **Independent Contractor Relationship.** It is understood and agreed that Franchisee is an independent contractor and is in no way authorized to make any contract, agreement, warranty, or representation or to create any obligation on behalf of Franchisor. Upon Franchisor's request, Franchisee must display a sign in its Franchised Business displaying the following phrase (or something similar): "This Franchised Business is independently owned and operated pursuant to a franchise agreement."

C. **Indemnification.**

1. Franchisee, as a material part of the consideration to be rendered to Franchisor, agrees to indemnify, defend and hold Franchisor, as well as Franchisor's directors, officers, principals/owners, managers, members, partners, shareholders, affiliates (including any affiliate supplier), subsidiaries, employees, servants, agents, successors and assignees (collectively, the "Indemnitees"), harmless from and against any and all losses, damage, claims, demands, liabilities and causes of actions of every kind or character and nature, as well as costs and expenses incident thereto (including reasonable attorneys' fees and court costs), that are brought against any of the Indemnitees (collectively, the "Claims") that arise out of or are otherwise related to Franchisee's (a) breach or attempted breach of, or misrepresentation under, this Agreement, and/or (b) ownership, construction, development, management, or operation of the Franchised Business in any manner. Notwithstanding the foregoing, at Franchisor's option, Franchisor may choose to engage counsel and defend against any such Claim and may require immediate reimbursement from the Franchisee of all expenses and fees incurred in connection with such defense. This indemnity will continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement.
2. Franchisee will be solely responsible for storing and preparing the Proprietary Foam Insulation Products for use in connection with providing the Approved Services once those products are delivered to Franchisee. Franchisor will not be responsible or liable in connection with any claims involving how the Proprietary Foam Insulation Products are prepared and/or used by Franchisee once they are delivered to Franchisee. Franchisee must indemnify and hold Franchisor (and/or its designated supplier) harmless in connection with any third-party claims or damages arising out of or related to claims involving how the Proprietary Foam Insulation Products are prepared and/or used by Franchisee once they are delivered to Franchisee.

13. **TRANSFER AND ASSIGNMENT**

A. **No Transfer by Franchisee Without Franchisor's Approval.** Franchisee's rights under this Agreement are personal, and Franchisee shall not sell, transfer, assign or encumber Franchisee's interest in this Agreement or the Franchised Business (or undertake any of the actions identified in Section 13(C) of this Agreement) without Franchisor's prior written consent. Any sale, transfer, assignment or encumbrance made without Franchisor's prior written consent, shall be voidable at Franchisor's option and shall subject this Agreement to termination as specified herein.

B. Death or Disability.

1. In the event of Franchisee's death, disability or incapacitation (or the death, disability or incapacitation of Franchisee's principals/owners/guarantors), Franchisee's legal representative, or Franchisee's partner's or guarantor's respective legal representative, as applicable, will have the right to continue the operation of the Franchised Business as "Franchisee" under this Agreement if: (i) within one hundred and eighty (180) days from the date of death, disability or incapacity (the "180 Day Period"), such person has obtained Franchisor's prior written approval and has executed Franchisor's then-current franchise agreement for the unexpired term of the franchise, or has furnished a personal guaranty of any partnership, corporate or limited liability company Franchisee's obligations to Franchisor and Franchisor's affiliates; and (ii) such person successfully completes Franchisor's training program (which Franchisor will provide at Franchisor's then-current tuition rate). Such assignment by operation of law will not be deemed in violation of this Agreement, provided such heirs or legatees accept the conditions imposed by the Franchise Agreement and are acceptable to Franchisor.
2. Franchisor is under no obligation to operate the Franchised Business, or incur any obligation on behalf of any incapacitated franchisee, during or after the 180 Day Period. If necessary, Franchisee (or Franchisee's legal representative, as applicable) shall appoint a previously approved acting interim manager to operate the Franchised Business during the 180 Day Period. In the event of Franchisee's death, disability, or incapacitation, Franchisor may (but is not required to) operate the Franchised Business on Franchisee's behalf and at Franchisee's expense for such period of time (and under such terms and conditions) as Franchisor determines, including paying out the assets and/or revenues of the Franchised Business to cover any or all past, current and/or future obligations of the Franchised Business (including any amounts owed to Franchisor and/or any affiliate) in such priorities as Franchisor determines in Franchisor's sole discretion. Franchisor may pay itself a reasonable amount to reimburse Franchisor for Franchisor's management services and other costs. Franchisor may obtain approval of a court for any such arrangements, the attorney's fees and other costs incurred in connection with obtaining such approval to be charged against the assets and/or revenues of the Franchised Business. Franchisee (and/or Franchisee's estate) will indemnify Franchisor against any costs and/or liabilities incurred by it in connection with, or related in any way to, the operation (or otherwise) of the Franchised Business.
3. Franchisor will not collect any transfer fee if there is a transfer under this Section 13(B) to an immediate family member of the Franchisee that Franchisor approves, pursuant to Section 13(E).

- C. Ownership.** In addition to those acts described in Section 13(A), a transfer or assignment requiring Franchisor's prior written consent shall be deemed to occur: (i) if Franchisee is a corporation, upon any assignment, sale, pledge or transfer of any fractional portion of Franchisee's ownership shares/stock or any increase in the number of outstanding shares/stock of Franchisee's ownership/membership units that results in a change of ownership; (ii) if Franchisee is a partnership, upon the assignment, sale, pledge or transfer of any fractional partnership ownership interest; or (iii) if Franchisee is a limited liability company, upon the assignment, sale, pledge or transfer of any interest in the limited

liability company. Any new partner, shareholder, or member or manager owning having an ownership interest in the surviving entity after the proposed transfer will be required to personally guarantee Franchisee's obligations under this Agreement. A transfer pursuant to (i) and (iii) above shall not be subject to Franchisor's right of first refusal as set forth in Section 13(D) so long as there is no change in control (ownership or otherwise) with respect to Franchisee.

- D. **Right of First Refusal.** If (a) Franchisee proposes to transfer any of its interest in this Agreement or the Franchised Business or any interest in its lease for the Premises, or (b) Franchisee's owners propose to transfer any interest in Franchisee if Franchisee is an entity (other than under Section 13(C) hereof or in the event of Franchisee's death/disability/ incapacitation as set forth in Section 13(B)), then Franchisee shall first offer to sell such interest to Franchisor on the same terms and conditions as offered by such third party. Franchisee shall obtain from the third party and provide Franchisor a statement in writing, signed by the third party and Franchisee, of the terms of the offer ("Letter of Intent"). If Franchisor elects not to accept the offer within a thirty (30) day period, Franchisee shall have a period not to exceed ninety (90) days to complete the transfer described in the Letter of Intent subject to the conditions for approval set forth in Section 13(E) of this Agreement. Franchisee shall effect no other sale or transfer as contemplated under the Letter of Intent without first complying with this Section. Any material change in the terms of the offer will be deemed a new proposal subject to Franchisor's right of first refusal. So long as Franchisee has obtained Franchisor's prior written consent, which shall not be unreasonably withheld, a transfer to an existing partner or shareholder, or a transfer as a result of the death, disability or incapacitation of a shareholder or partner, in accordance with the provisions set forth below, is not subject to Franchisor's first right of refusal.
- E. **Conditions for Approval.** Franchisor may condition Franchisor's approval of any proposed sale or transfer of the Franchised Business or of Franchisee's interest in this Agreement or any other acts of transfer described in Section 13(C) upon satisfaction of the following occurrences:
1. Franchisee has paid in full all amounts due to Franchisor, Franchisor's affiliates, and Franchisor's designated/approved suppliers and vendors;
 2. Franchisee is not in default of this Agreement, or any other agreement between Franchisee and Franchisor, Franchisor's affiliates, or Franchisor's designated/approved suppliers and vendors;
 3. Franchisee, its transferee and Franchisor have entered into a transfer agreement in a form satisfactory to Franchisor, and Franchisee shall execute a general release in favor of Franchisor;
 4. The transferee is approved by Franchisor to purchase the Franchised Business, having demonstrated to Franchisor's satisfaction that he or she meets Franchisor's educational, managerial and business standards; possesses a good moral character, business reputation and credit rating; has the aptitude and ability to conduct the business to be transferred; and has adequate financial resources and capital to meet the performance obligations under this Agreement;

5. The transferee shall execute Franchisor's then-current franchise agreement (which may contain materially different terms than this Agreement) for the remaining balance of Franchisee's term under this Agreement, with transferee's term commencing on the date agreed to by the transferee, Franchisee and Franchisor;
6. Franchisee or transferee shall pay Franchisor a transfer fee equal to twenty five percent (25%) of the then-current standard initial franchise fee charged by Franchisor for new USA Insulation franchises; provided, if Franchisor is not selling USA Insulation franchises at the time of transfer, the transfer fee due hereunder will be the greater of the transfer fee or twenty five percent (25%) of the initial franchise fee originally paid by Franchisee;
7. The transferee shall satisfactorily complete Franchisor's Initial Training Program within the time frame Franchisor sets forth without paying an additional tuition fee, but the transferee will be responsible for all costs and expenses associated with attending the Initial Training Program;
8. Franchisee (and Franchisee's owners, principals, guarantors if Franchisee is a partnership, corporation or limited liability company) must comply with the post-termination provisions of this Agreement;
9. The transferee must demonstrate that it has obtained or maintained, within the time limits set by Franchisor, all permits and licenses required for the continued operation of the Franchised Business; and
10. To the extent required by the terms of any leases or other agreements, the lessors or other parties must have consented to the proposed transfer.

Franchisor will not unreasonably withhold its consent to a proposed transfer or assignment requested by Franchisee, provided the foregoing conditions are met. Franchisor's approval of a transfer shall not operate as a release of any liability of the transferring party nor shall such approval constitute a waiver of any claims Franchisor may have against the transferring party.

- F. **Transfer from an Individual Franchisee to Business Entity.** If Franchisee is an individual and desires to assign its rights under this Agreement to a corporation or limited liability company, and if all of the following conditions are met, Franchisor will consent to the transfer without assessing a transfer fee or training tuition fees, and such assignment will not be subject to Franchisor's right of first refusal in Section 13(D): (i) the corporation or limited liability company is newly organized and its activities are confined to operating the Franchised Business; (ii) the entity at issue is wholly owned by Franchisee (and no other party); (iii) the corporation or limited liability company agrees in writing to assume all of Franchisee's obligations hereunder; and (iv) all stockholders of the corporation, or members and managers of the limited liability company, as applicable, personally guarantee prompt payment and performance by the corporation or limited liability company of all its obligations to Franchisor and Franchisor's affiliates, under this Agreement and any other agreement between Franchisee and Franchisor and/or Franchisor's affiliates, and execute the Personal Guaranty attached to this Agreement as Exhibit B.

- G. **Franchisor's Right to Transfer.** Franchisor has the right to sell, transfer, assign and/or encumber all or any part of Franchisor's assets and Franchisor's interest in, and rights and obligations under, this Agreement in Franchisor's sole discretion.

14. **COVENANTS**

Franchisee acknowledges that, as a participant in Franchisor's System, Franchisee will receive proprietary and confidential information and materials, trade secrets, and the unique methods, procedures and techniques that Franchisor has developed. As such, Franchisee agrees to the covenants in this Section to protect Franchisor, the System, Proprietary Marks and Franchisor's other franchisees.

- A. **During the Term of this Agreement.** During the term of this Agreement, neither Franchisee, its principals, owners, guarantors or Dedicated Manager(s), nor any immediate family of Franchisee, its principals, owners, guarantors or Dedicated Manager(s), may, directly or indirectly, for themselves or through, on behalf of, or in conjunction with any other person, partnership or corporation:

1. Own, maintain, engage in, be employed by or serve as an officer, director, or principal of, lend money or extend credit to, lease/sublease space to, or have any interest in or involvement with, any other business that (a) offers, sells or provides any kind of the Approved Products (including spray foam insulation, blown insulation or batten insulation) or the Approved Services (including the installation of any insulation products) that are offered or provided by the Franchised Business and/or other USA Insulation franchises (each, a "Competing Business"), or (b) offers or grants licenses or franchises, or establishes joint ventures, for the ownership or operation of a Competing Business; or (c) competes with any of Franchisor's franchisor affiliates by providing the same or similar products and/or services provided by their franchisees. For purposes of this Agreement, a Competing Business does not include: (i) any business operated by Franchisee under a Franchise Agreement with Franchisor; or (ii) any business operated by a publicly-traded entity in which Franchisee owns less than two percent (2%) legal or beneficial interest; or
2. Divert, or attempt to divert, any prospective client to a Competing Business in any manner.

- B. **After the Term of this Agreement.**

1. For a period of two (2) years after the expiration and nonrenewal, transfer or termination of this Agreement, regardless of the cause, neither Franchisee, its principals, owners and guarantors, nor any member of the immediate family of Franchisee, its principals, owners or guarantors, may, directly or indirectly, for themselves or through, on behalf of, or in conjunction with any other person, partnership or corporation: (i) be involved with any business that competes in whole or in part with Franchisor by offering or granting licenses or franchises, or establishing joint ventures, for the ownership or operation of a Competing Business, (ii) directly or indirectly owning or operating a Competing Business, or (iii) directly or indirectly working with or for or being affiliated with a Competing Business. The geographic scope of the covenant contained in this Section is any

location where Franchisor can demonstrate it has offered or sold franchises as of the date this Agreement is terminated or expires.

2. For a period of two (2) years after the expiration and nonrenewal, transfer or termination of this Agreement, regardless of the cause, neither Franchisee, its principals, owners and guarantors, nor any member of the immediate family of Franchisee, its principals, owners or guarantors, may, directly or indirectly, for themselves or through, on behalf of, or in conjunction with any other person, partnership or corporation:
 - a. Own, maintain, engage in, be employed as an officer, director, or principal of, lend money to, extend credit to, lease/sublease space to, or have any interest in or involvement with any other Competing Business:
 - i. within the Designated Territory, including at the Approved Location;
 - ii. within a sixty (60) mile radius of the Designated Territory;
 - iii. within a sixty (60) mile radius of any USA Insulation Franchised Business that is open and operating as of the date this Agreement expires and/or is terminated; or
 - iv. within a sixty (60) mile radius of any other designated territory that has been granted by Franchisor or its affiliates in connection with a USA Insulation Franchised Business as of the date this Agreement expires and/or is terminated, regardless of whether a Franchised Business is open and operating in that designated territory; or
 - b. Solicit business from Clients of Franchisee's former Franchised Business or contact any of Franchisor's suppliers or vendors for any Competitive Business purpose.

C. **Intent and Enforcement.** It is the parties' intent that the provisions of this Section 14 be judicially enforced to the fullest extent permissible under applicable law. Accordingly, the parties agree that any reduction in scope or modification of any part of the noncompetition provisions contained herein shall not render any other part unenforceable. In the event of the actual or threatened breach of this Section 14 by Franchisee, any of Franchisee's principals, or any member of the immediate family of Franchisee or Franchisee's principals, Franchisor shall be entitled to an injunction restraining such person from any such actual or threatened breach. Franchisee acknowledges that the covenants contained herein are necessary to protect the goodwill of the Franchised Business, other System franchisees, and the System. Franchisee further acknowledges that covenants contained in this Section 14 are necessary to protect Franchisor's procedures and know-how transmitted during the term of this Agreement. Franchisee agrees that in the event of the actual or threatened breach of this Section 14, Franchisor's harm will be irreparable and that Franchisor has no adequate remedy at law to prevent such harm. Franchisee acknowledges and agrees on Franchisee's own behalf and on behalf of the persons who are liable under this Section 14 that each has previously worked or been gainfully employed in other careers and that the provisions of this Section 14 in no way prevent any such person from earning

a living. Franchisee further acknowledges and agrees that the time limitation on the restrictive covenants set forth in Section 14(B) shall be tolled during any default under this Section 14.

- D. **Confidentiality and Restrictive Covenant Agreement.** Franchisee must ensure that all management personnel of the Franchised Business, as well as any officers and directors of Franchisee, execute Franchisor's then-current form of Confidentiality and Restrictive Covenant Agreement (which will be in substantially the same form as the document attached to the Franchise Disclosure Document). Franchisee must furnish Franchisor a copy of each executed agreement.
- E. **No Defense.** Franchisee hereby agrees that the existence of any claim Franchisee may have against Franchisor, whether or not arising from this Agreement, shall not constitute a defense to Franchisor's enforcement of the covenants contained in this Section 14. Franchisee agrees to pay all costs and expenses (including reasonable attorneys' fees) that Franchisor incurs in connection with the enforcement of this Section 14.
- F. **Specified Damages.** In addition to any other remedies or damages allowed under this Agreement and/or by law, if Franchisee breaches any of the covenants set forth in Subsections (A) and (B) above, Franchisee shall pay Franchisor a fee equal to Franchisor's then-current initial franchise fee for each Competing Business identified plus seven percent (7%) of such Competing Business' Gross Sales until expiration of the non- competition period set forth in this Section.

15. **DEFAULT AND TERMINATION**

- A. Franchisor may terminate this Agreement as described in this Section, and Franchisee agrees and acknowledges that the defaults, or failure to cure such defaults within the appropriate time period prescribed below (if any), shall constitute "good cause" and "reasonable cause" for termination under any state franchise laws or regulations that might apply to the operation of the Franchised Business.
- B. **Automatic Termination.** This Agreement will automatically terminate without notice or an opportunity to cure upon the occurrence of any of the following:
 - 1. The Franchisee becomes insolvent or makes a general assignment for the benefit of creditors, unless otherwise prohibited by law;
 - 2. A petition in bankruptcy is filed by Franchisee or such a petition is filed against and consented to by Franchisee and not dismissed within thirty (30) days;
 - 3. A bill in equity or other proceeding for the appointment of a receiver of Franchisee or other custodian in connection with the Franchisee or Franchised Business (or assets of the Franchised Business) is filed and consented to by Franchisee;
 - 4. A receiver or other custodian (permanent or temporary) of Franchisee's assets or property, or any part thereof, is appointed;
 - 5. A final judgment in excess of Ten Thousand Dollars (\$10,000.00) against Franchisee remains unsatisfied or of record for sixty (60) days or longer (unless a bond is filed or other steps are taken to effectively stay enforcement of such

judgment in the relevant jurisdiction), except that Franchisor may provide Franchisee with additional time to satisfy the judgment if Franchisee demonstrates that it is using commercially reasonable efforts to resolve the issues related to the judgment; or

6. Franchisee attempts to sell, transfer, encumber or otherwise dispose of any interest in Franchisee, this Agreement or the Franchised Business in violation of Section 13 hereof.

C. **Termination upon Notice.** Franchisor has the right to terminate this Agreement effective immediately upon written notice to Franchisee as a result of any of the following breaches or defaults:

1. If Franchisee or Franchisee's owners/principals commit any fraud or misrepresentation in the establishment or operation of the Franchised Business, including without limitation, any misrepresentation made in Franchisee's franchise application;
2. If Franchisee and any other required attendees fail to attend and complete the Initial Training Program within the time period prescribed in this Agreement;
3. If Franchisee receives from Franchisor three (3) or more notices to cure the same or similar defaults or violations set forth in Section 15(C)(22) of this Agreement during the term hereof, whether or not these breaches were timely cured;
4. If Franchisee or Franchisee's owners/principals violate any of the in-term covenants not to compete or any of the other restrictive covenants set forth in Section 14 of this Agreement;
5. If Franchisee misuses the Proprietary Marks or Confidential Information in any manner, or otherwise violates any provision of this Agreement related to the use of the Proprietary Marks, Confidential Information and any other confidential materials provided by Franchisor (including those provisions related to non-disclosure of the Manuals and other confidential materials that Franchisor loans to Franchisee);
6. If Franchisee misuses any proprietary software that Franchisor designates for use in connection with the Franchised Business;
7. If Franchisee or any of Franchisee's owners or principals default on any other agreement with Franchisor or any affiliate or Approved Supplier of Franchisor, and such default is not cured within the prescribed time period set forth in that other agreement;
8. If Franchisee defaults under the Lease for the Approved Location and does not cure within the prescribed period of time thereunder, or if Franchisee otherwise loses its right to possess and control the Approved Location to operate the Franchised Business at any time during the term of this Agreement (except in cases of *force majeure* and cases where Franchisor has previously approved Franchisee's relocation request and Franchisee timely relocates);

9. If Franchisee fails to open and commence operations of the Franchised Business within the time period prescribed in Section 6 of this Agreement;
10. If Franchisee fails to cure any of the following violations under this Agreement within ten (10) days of being notified by Franchisor: (i) failure to offer only those Approved Products and Approved Services that Franchisor authorizes at the Franchised Business; (ii) any purchase of any non-approved item or service for use in connection with the Franchised Business; (iii) failure to purchase any Required Item that Franchisor designates as necessary for the establishment or operation of the Franchised Business from the appropriate Approved Supplier(s) that Franchisor designates; and/or (iv) failure to comply with any of the standards required in the Manual;
11. If Franchisee voluntarily or otherwise abandons the Franchised Business. For purposes of this Agreement, the term “abandon” means: (i) failure to actively operate the Franchised Business for more than two (2) business days without Franchisor’s prior written consent; or (ii) any other conduct on the part of Franchisee or its principals that Franchisor determines indicates a desire or intent to discontinue operating the Franchised Business in accordance with this Agreement or the Manuals;
12. If Franchisee fails to provide Franchisor with access, or otherwise blocks Franchisor’s access, to Franchisee’s Computer System as required under this Agreement, and fails to remedy this default within forty-eight (48) hours of being notified by Franchisor;
13. If Franchisee fails to pay Franchisor, its affiliates, any of its Approved Suppliers or any Client any amount that is due and owing that party within ten (10) days of the date that Franchisor (or other party owed the money) notifies Franchisee of the outstanding amount that is due and owed;
14. If Franchisee fails after notification of non-compliance by appropriate authority, to immediately comply with any law or regulation applicable to the operation of the Franchised Business;
15. If Franchisee fails, for a period of ten (10) days after notification of non-compliance, to obtain any other licenses, certificates, permits or approvals necessary to operate the Franchised Business at the Premises;
16. If Franchisee, any person controlling, controlled by, or under common control with the Franchisee, any principal officer or employee of Franchisee, or any person owning an interest in Franchise is convicted of a felony or any other crime or offense (even if not a crime) that is reasonably likely in the reasonable opinion of Franchisor to adversely affect the System, any System unit, the Proprietary Marks, or the goodwill associated therewith;
17. If Franchisee takes for Franchisee’s own personal use any assets or property of the Franchised Business, including inventory, employee taxes, FICA, insurance or benefits;

18. If there are insufficient funds in Franchisee's EFT Account to cover a check or EFT payment due to Franchisor or its affiliates under this Agreement three (3) or more times within any twelve (12) month period;
19. If Franchisee commits repeated violations of any health, zoning, sanitation, or other regulatory law, standard, or practice; operates the business in a manner that presents a health or safety hazard to its employees or clients;
20. If Franchisee fails to meet the Minimum Productivity Levels set forth in Section 6 of this Agreement for three (3) consecutive MPL Periods;
21. If Franchisee, on three (3) or more occasions, fails to comply with the standards and specifications set forth in the Manuals during the term of this Agreement, whether or not these failures were timely cured; or
22. If Franchisee (i) breaches or violates any other covenant, obligation, term, condition, warranty, or certification under this Agreement; and (ii) fails to cure such breach or violation within ten (10) days of the date Franchisee is provided with notice thereof by Franchisor.

D. **Loss of Designated Territory.** Notwithstanding the foregoing, if Franchisee is in default of this Agreement pursuant to Section 6(Z), Franchisor may, in its sole discretion and as an alternative to terminating this Agreement, elect to reduce the size of Franchisee's Designated Territory and own and operate, or license another to operate, additional USA Insulation businesses in the Designated Territory. In the event Franchisor elects to reduce Franchisee's Designated Territory, Franchisor will provide Franchisee with written notice thereof. Upon receipt of such notice, Franchisee will have ten (10) calendar days to execute an addendum to this Agreement detailing the revised boundaries of the Designated Territory. If Franchisee does not execute this Addendum within the prescribed time period, then Franchisor may, at its option, immediately terminate this Agreement upon notice to Franchisee.

E. **Step-In Rights.** In addition to Franchisor's right to terminate this Agreement, and not in lieu of such right or any other rights hereunder, if this Agreement is subject to termination due to Franchisee's failure to cure any default within the applicable time period (if any), then Franchisor has the right, but not the obligations, to enter the Premises and exercise complete authority with respect to the operation of the Franchised Business until such time that Franchisor determines, in its reasonable discretion, that the default(s) at issue have been cured and that Franchisee is otherwise in compliance with the terms of this Agreement. In the event Franchisor exercises these "step-in rights," Franchisor will maintain in a separate account, all Gross Sales of the Franchised Business. From that account Franchisor will pay all expenses of the Franchised Business, which will include the Royalty Fees, Brand Fund Fees, Technology Fees, and all other fees due pursuant to this Agreement. In addition, Franchisee must (a) pay Franchisor a management fee amounting to eight percent (8%) of the Gross Sales of the Franchised Business during the time period that Franchisor's representatives are operating the Franchised Business (the "Management Fee"), and (b) reimburse Franchisor for all reasonable costs and overhead that Franchisor incurs in connection with its operation of the Franchised Business, including without limitation, costs of personnel supervising and staffing the Franchised Business and any travel, lodging and meal expenses. If Franchisor undertakes to operate the Franchised Business pursuant to this Section, Franchisee must indemnify, defend and

hold Franchisor (and its representatives and employees) harmless from and against any Claims that may arise out of Franchisor's operation of the Franchised Business.

16. **POST-TERM OBLIGATIONS**

Upon the expiration or termination of this Agreement, Franchisee shall immediately:

- A. **Cease Ownership and Operation of Franchised Business; Cease Affiliation with Franchisor and Brand Generally.** Cease to be a franchise owner of Franchised Business under this Agreement and cease to operate the former Franchised Business under the System. If this Agreement is terminated for cause by Franchisor, then Franchisee shall not thereafter directly or indirectly represent to the public that the former Franchised Business is or was operated or in any way connected with the System or hold itself out as a present or former franchise owner of a Franchised Business (unless Franchisor agrees otherwise in writing);
- B. **Return Manuals and Confidential Information.** Return to Franchisor the Manuals and all trade secrets, Confidential Information (including all Client lists and Approved Services agreements) and other confidential materials, equipment, software and property owned by Franchisor and all copies thereof. Franchisee shall retain no copy or record of any of the foregoing; provided, however, that Franchisee may retain its copy of this Agreement, any correspondence between the parties, and any other document which Franchisee reasonably needs for compliance with any applicable provision of law;
- C. **Assignment of Approved Services Contracts, Telephone/Facsimile Numbers and Domain Names.** Take such action as Franchisor may designate to: (i) provide and assign to Franchisor the then-current and up-to-date (a) Client and property lists, and (b) any Approved Services contracts and other agreements between Clients and the former Franchised Business; and (ii) transfer, disconnect, forward, or assign all telephone/facsimile numbers and domain names used in connection with the former Franchised Business, as well as any white and yellow page telephone references, advertisements, and all trade and similar name registrations and business licenses to Franchisor or its designee and cancel any interest which Franchisee may have in the same (as Franchisor directs in its sole discretion). Franchisee agrees to execute all documents necessary to comply with the obligations of this Section, including the form Conditional Assignment of Telephone/Facsimile Numbers and Domain Names attached to this Agreement as Addendum E.
- D. **Cease Using Proprietary Marks.** Cease to use in advertising or in any manner whatsoever any methods, procedures, or techniques associated with the System or in which Franchisor has a proprietary right, title, or interest, cease to use the Proprietary Marks and any other marks and indicia of operation associated with the System, and all client lists owned by Franchisor or required to be transferred to Franchisor, and all other indicia of operations associated with the System. Remove all trade dress, then Franchisee must remove physical characteristics, color combinations, and other indications of operation under the System from the Premises and from the Approved Vehicles (and provide documentation thereof to Franchisor as set forth in Section 16(G) below).
 1. Franchisee shall not thereafter use, in any manner, or for any purpose, directly or indirectly, any of Franchisor's Manuals, confidential information, trade secrets, procedures, forms, techniques, know-how, or materials acquired by Franchisee by

virtue of the relationship established hereby, including but not limited to, USA Insulation services, programs and products, specifications or descriptions of USA Insulation services and products; lists of Clients and lists of employees and independent contractors; any telephone number listed in any telephone directory under the name "USAI", "USA Insulation" or any similar designation or directory listing which relates to the Franchised Business.

2. Upon Franchisor's request, Franchisee must provide all materials bearing the Proprietary Marks to Franchisor upon expiration or termination of this Agreement for any reason, without cost to Franchisor.

In the event Franchisee fails or refuses to comply with the requirements of this subsection D, Franchisor has the right to modify Franchisee's property without being guilty of trespass or any other tort, for the purpose of making or causing to be made such changes as may be required at Franchisee's expense, which expense Franchisee shall pay upon demand.

- E. **Compliance with Post-Term Covenants.** Comply with the post-term covenants not to compete and other restrictive covenants set forth in Section 14 of this Agreement;
- F. **Payment of Amounts Due.** Pay all sums owing to Franchisor within seven (7) days including, but not limited to, any and all amounts owed under this Agreement or otherwise in connection with the former Franchised Business including, but not limited to, all sums due and owing to any employees, taxing authorities, and all other third parties. Upon termination for any default by Franchisee, said sums shall include actual and consequential damages, costs and expenses (including reasonable attorneys' and experts' fees) incurred by Franchisor as a result of Franchisee's default and the obligation to pay said sums shall give rise to and remain, until paid in full, a lien in favor of Franchisor against any and all of the real property, personal property, furnishings, equipment, signs, fixtures and inventory owned by Franchisee or the Franchised Business at the time of default and/or against any of Franchisee's monies held or otherwise in Franchisor's possession.
- G. **Written Evidence of Compliance.** Provide Franchisor with written evidence that Franchisee has complied with the post-term obligations, within thirty (30) days' notice of termination or scheduled expiration of the franchise; and
- H. **Purchase of Assets.** Franchisor shall have the option, but not the obligation, within thirty (30) days after the date of termination, expiration, and non-renewal of this Agreement to purchase any and all of Franchisee's operating assets from the Franchised Business at a purchase price equal to net depreciated book value. If Franchisor elects this option, Franchisor will deliver written notice to Franchisee. Franchisor will have the right to inspect equipment at any time during this thirty (30) day period. If Franchisor elects to purchase equipment as part of the asset purchase, Franchisor will be entitled to, and Franchisee must provide, all customary warranties and representations as to compliance with law, the maintenance, function, and condition of the equipment and Franchisee's good title to the equipment (including, but not limited to, that Franchisee owns the equipment free and clear of any liens and encumbrances).
- I. **Disconnection of Telephone Number on Termination/Renewal.** Franchisee acknowledges that there will be substantial confusion among the public if, after the termination or expiration and non-renewal of this Agreement, Franchisee continues to use advertisements and/or the telephone number listed in the telephone directory under the

name USA INSULATION or any name similar to it. Thus, effective upon the termination or expiration and non-renewal of this Agreement, Franchisee agrees to direct the telephone company servicing Franchisee, per Franchisor's request, to disconnect the telephone number used in connection with the Franchised Business or transfer such number to Franchisor or to any person or location of Franchisor's choosing. If Franchisee fails to take these steps, Franchisee shall be deemed to have hereby irrevocably appointed Franchisor as Franchisee's attorney-in-fact for purposes of directing and accomplishing such transfer. Franchisee understands and agrees that, notwithstanding any billing arrangements with any telephone company or yellow pages directory company, Franchisor will be deemed for purposes hereof to be the subscriber of such telephone numbers, with full authority to instruct the applicable telephone or yellow pages directory company as to the use and disposition of telephone listings and numbers. Franchisee hereby agrees to release, indemnify, and hold such companies harmless from any damages or loss as a result of following Franchisor's instructions.

17. TAXES AND INDEBTEDNESS

- A. **Taxes.** Franchisee must promptly pay when due any and all federal, state, and local taxes, including without limitation, unemployment, workers' compensation, lodging, and sales taxes which are levied or assessed with respect to any services or products furnished, used, or licensed pursuant to this Agreement and all accounts or other indebtedness of every kind incurred by Franchisee in the operation of the Franchised Business. Franchisee shall pay to Franchisor (or any subsidiary, affiliate or designee) promptly and when due the amount of all sales taxes, use taxes, personal property taxes and similar taxes imposed upon, required to be collected, or paid by Franchisor on account of services or goods furnished by Franchisor to Franchisee through sale, lease or otherwise, or on account of collection by Franchisor of the Initial Franchise Fee, Royalty Fees, or any other payment to Franchisor called for by this Agreement.
- B. **Debts and Obligations.** Franchisee hereby expressly covenants and agrees to accept full and sole responsibility for any and all debts and obligations incurred in the operation of the Franchised Business.

18. WRITTEN APPROVALS; WAIVERS; FORMS OF AGREEMENT; AMENDMENT

- A. **Franchisor's Approval.** Whenever this Agreement requires or Franchisee desires to obtain Franchisor's approval, Franchisee shall make a timely written request. Unless a different period is specified in this Agreement, Franchisor shall respond with its approval or disapproval within fifteen (15) business days of receipt of such request. If Franchisor has not specifically approved a request within such fifteen (15) business day period, such failure to respond shall be deemed as a disapproval of any such request. In no event shall Franchisee be entitled to make, nor shall Franchisee make, any claim, and Franchisee hereby waives any claim for money damages, nor shall Franchisee claim any money damages, by way of set-off, counterclaim or defense, based upon any claim or assertion by Franchisee that Franchisor has unreasonably withheld or unreasonably delayed any consent or approval to a proposed act by Franchisee under any of the terms of this Agreement. Franchisee's sole remedy for any such claim shall be a court proceeding to enforce any such provisions.
- B. **No Waiver.** No failure of Franchisor to exercise any power reserved to it by this Agreement and no custom or practice of the parties at variance with the terms hereof shall constitute a

waiver of Franchisor's right to demand exact compliance with any of the terms herein. No waiver or approval by Franchisor of any particular breach or default by Franchisee; no delay, forbearance, or omission by Franchisor to act or give notice of default or to exercise any power or right arising by reason of such default hereunder; and no acceptance by Franchisor of any payments due hereunder shall be considered a waiver or approval by Franchisor of any preceding or subsequent breach or default by Franchisee of any term, covenant, or condition of this Agreement. Any conditional waiver granted by Franchisor shall be subject to its continuing review, may subsequently be revoked for any reason effective ten (10) days after Franchisee's receipt of Franchisor's prior written notice to that effect, and shall be without prejudice to any other rights Franchisor may have.

- C. **Terms of Other Franchise Agreements.** No warranty or representation is made by the Franchisor that all franchise agreements heretofore or hereafter issued by Franchisor in connection with a Franchised Business do or will contain terms substantially similar to those contained in this Agreement. Further, Franchisee recognizes and agrees that Franchisor may, in its reasonable business judgment due to local business conditions or otherwise, waive or modify comparable provisions of other franchise agreements heretofore or hereafter granted to other System franchise owners in a non-uniform manner.
- D. **Modification of System and Manuals.** Except as provided in Section 22 and Franchisor's right to unilaterally modify the System and Manuals, no amendment, change, or variance from this Agreement shall be binding upon either Franchisor or Franchisee unless set forth in writing and signed by both parties.
- E. **No Disclaimers of Franchise Disclosure Document.** Nothing in this Agreement or in any related agreement is intended to disclaim the representations Franchisor has made in the franchise disclosure document.

19. **ENFORCEMENT**

- A. **Injunctive Relief.** The Franchisor or its designee shall be entitled to obtain without bond, declarations, temporary and permanent injunctions, and orders of specific performance in order to enforce the provisions of this Agreement relating to Franchisee's use of the Proprietary Marks, the obligations of Franchisee upon termination or expiration of this Agreement, and assignment of the franchise and ownership interests in Franchisee or in order to prohibit any act or omission by Franchisee or its employees which constitutes a violation of any applicable law or regulation, which is dishonest or misleading to prospective or current Clients of businesses operated under the System, which constitutes a danger to other franchise owners, employees, customers, or the public or which may impair the goodwill associated with the Proprietary Marks.
- B. **No Withholding of Payments.** Franchisee agrees and acknowledges that it may not withhold payments or amounts of any kind due to Franchisor on the premise of alleged nonperformance by Franchisor of any of its obligations hereunder.
- C. **Enforcement Costs and Expenses.** Franchisee shall pay Franchisor on demand any and all costs and expenses Franchisor incurs in enforcing the terms of this Agreement or any related agreement, including, but not limited to, its overhead costs and expenses for its staff's time and efforts to obtain overdue reports and/or payments or to address and/or resolve defaults; costs and commissions due to a collection agency; attorneys' fees; and our administrative costs. If a claim for amounts owed by Franchisee to Franchisor or any

of its affiliates is asserted in any legal proceeding or if Franchisor is required to enforce this Agreement in a judicial proceeding or if Franchisee institutes any legal action to interpret or enforce the terms of this Agreement and Franchisor prevails, Franchisee must reimburse Franchisor for its costs and expenses, including court costs, expert witness fees, discovery costs, and reasonable accounting and attorneys' fees and costs on appeal together with interest charges on all of the foregoing whether incurred prior to, in preparation for, or in contemplation of the filing of any such proceeding. All such costs and expenses shall be prorated to properly reflect any partial prevailing in the proceeding, as determined by the court. Franchisor is entitled to have any amount awarded be part of the award or judgment. Franchisee's duty to pay all of the above costs and expenses shall survive the termination or expiration of this Agreement.

20. **NOTICES**

All approvals, requests, notices, and reports required or permitted under this Agreement will not be effective unless in writing and delivered to the party entitled to receive the notice in accordance with this Section. All such approvals, requests, notices, and reports, as well as all payments, will be deemed delivered at the time delivered by hand; or one (1) business day after sending by facsimile, e-mail or comparable electronic system or through a nationally recognized commercial courier service for next business day delivery; or three (3) business days after placement in the United States Mail by Registered or Certified Mail, Return Receipt Requested, postage prepaid; and must be addressed to the party to be notified at its most current principal business address of which the notifying party has been notified and/or, with respect to any approvals and notices that Franchisor provides to Franchisee or Franchisee's Owners, at the Franchised Business's address. As of the Effective Date of this Agreement, notices should be addressed as set forth on page one of this Agreement unless and until a different address has been designated by written notice to the other party.

21. **GOVERNING LAW AND DISPUTE RESOLUTION**

- A. **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of Ohio, without reference to this state's conflict of laws principles, except for any actions or disputes involving any franchise or business opportunity law must be governed by the law of the state where the Franchised Business is located.
- B. **Internal Dispute Resolution.** Franchisee must first bring any claim or dispute between Franchisee and Franchisor to Franchisor's President and/or Chief Executive Officer, after providing notice as set forth in Section 21(G) of this Agreement, and make every effort to resolve the dispute internally. Franchisee must exhaust this internal dispute resolution procedure before Franchisee may bring Franchisee's dispute before a third party. This agreement to first attempt resolution of disputes internally shall survive termination or expiration of this Agreement.
- C. **Mediation.** At Franchisor's option, all claims or disputes between Franchisee and Franchisor (or its affiliates) arising out of, or in any way relating to, this Agreement or any other agreement by and between Franchisee and Franchisor (or its affiliates), or any of the parties' respective rights and obligations arising from such agreement, which are not first resolved through the internal dispute resolution procedure set forth in Section 21(B) above, will be submitted first to mediation to take place in the County of Cuyahoga, Ohio, under the auspices of the American Arbitration Association ("AAA"), in accordance with AAA's Commercial Mediation Rules then in effect. Before commencing any legal action

against Franchisor or its affiliates with respect to any such claim or dispute, Franchisee must submit a notice to Franchisor, which specifies, in detail, the precise nature and grounds of such claim or dispute. Franchisor will have a period of thirty (30) days following receipt of such notice within which to notify Franchisee as to whether Franchisor or its affiliates elects to exercise its option to submit such claim or dispute to mediation. Franchisee may not commence any action against Franchisor or its affiliates with respect to any such claim or dispute in any court unless Franchisor fails to exercise its option to submit such claim or dispute to mediation, or such mediation proceedings have been terminated either: (i) as the result of a written declaration of the mediator(s) that further mediation efforts are not worthwhile; or (ii) as a result of a written declaration by Franchisor. Franchisor's rights to mediation, as set forth herein, may be specifically enforced by Franchisor. Each party will bear its own cost of mediation and Franchisor and Franchisee will share mediator fees equally. This agreement to mediate will survive any termination or expiration of this Agreement. The parties will not be required to first attempt to mediate a controversy, dispute, or claim through mediation as set forth in this Section 21(C) if such controversy, dispute, or claim concerns an allegation that a party has violated (or threatens to violate, or poses an imminent risk of violating): (i) any federally protected intellectual property rights in the Proprietary Marks, the System, or in any Confidential Information or other confidential information; (ii) any of the restrictive covenants contained in this Agreement; and (iii) any of Franchisee's payment obligations under this Agreement.

- D. **Injunctive Relief.** Franchisee acknowledges and agrees that irreparable harm could be caused to Franchisor by Franchisee's violation of certain provisions of this Agreement and, as such, in addition to any other relief available at law or equity, Franchisor shall be entitled to obtain in any court of competent jurisdiction, without bond, restraining orders or temporary or permanent injunctions in order to enforce, among other items, the provisions of this Agreement relating to: (i) Franchisee's use of the Proprietary Marks and Confidential Information (including any proprietary software used in connection with the Franchised Business); (ii) the in-term covenant not to compete, as well as any other violations of the restrictive covenants set forth in this Agreement; (iii) Franchisee's obligations on termination or expiration of this Agreement; (iv) disputes and controversies based on or arising under the Lanham Act, or otherwise involving the Proprietary Marks, as now or hereafter amended; (v) disputes and controversies involving enforcement of the Franchisor's rights with respect to confidentiality under this Agreement; and (vi) to prohibit any act or omission by Franchisee or its employees that constitutes a violation of applicable law, threatens Franchisor's franchise System or threatens other franchisees of Franchisor. Franchisee's only remedy if such an injunction is entered will be the dissolution of the injunction, if appropriate, and Franchisee waives all damage claims if the injunction is wrongfully issued.
- E. **Venue.** Subject to Sections 21(C) and 21(D) above, the parties agree that any actions arising out of or related to this Agreement must be initiated and litigated to conclusion exclusively in the state court of general jurisdiction in the County of Cuyahoga, Ohio or, if appropriate, the United States District Court for the Northern District of Ohio. Franchisee acknowledges that this Agreement has been entered into in the State of Ohio, and that Franchisee is to receive valuable and continuing services emanating from Franchisor's headquarters, including but not limited to training, assistance, support and the development of the System. In recognition of such services and their origin, Franchisee hereby irrevocably consents to the personal jurisdiction of the state and federal courts of Ohio as set forth in this Section.

- F. **Third Party Beneficiaries.** Franchisor's officers, directors, shareholders, owners, members, managers, agents and/or employees are express third party beneficiaries of the provisions of this Agreement, including the dispute resolution provisions set forth in this Section 21, each having authority to specifically enforce the right to mediate claims asserted against such person(s) by Franchisee.
- G. **Notice Requirement.** As a condition precedent to commencing an action for damages or for violation or breach of this Agreement, Franchisee must notify Franchisor within thirty (30) days after the occurrence of the violation or breach, and failure to timely give such notice shall preclude any claim for damages.
- H. **No Withholding of Payments.** Franchisee shall not withhold all or any part of any payment to Franchisor or any of its affiliates on the grounds of Franchisor's alleged nonperformance or as an offset against any amount Franchisor or any of Franchisor's affiliates allegedly may owe Franchisee under this Agreement or any related agreements. No endorsement or statement on any check or payment of any sum less than the full sum due to Franchisor shall be construed as an acknowledgement of payment in full or an accord and satisfaction, and Franchisor may accept and cash such check or payment without prejudice to Franchisor's right to recover the balance due or pursue any other remedy provided herein or by law. Franchisor may apply any payments made by Franchisee against any past due indebtedness of Franchisee as Franchisor may see fit. Franchisor may set off against any sums payable to Franchisee hereunder any unpaid debts due from Franchisee to Franchisor.
- I. **Limitation of Actions.** Franchisee further agrees that no cause of action arising out of or under this Agreement may be maintained by Franchisee against Franchisor unless brought before the expiration of one (1) year after the act, transaction or occurrence upon which such action is based or the expiration of one year after the Franchisee becomes aware of facts or circumstances reasonably indicating that Franchisee may have a claim against Franchisor hereunder, whichever occurs sooner, and that any action not brought within this period shall be barred as a claim, counterclaim, defense, or set-off. Franchisee hereby waives the right to obtain any remedy based on alleged fraud, misrepresentation, or deceit by Franchisor, including, without limitation, rescission of this Agreement, in any mediation, judicial, or other adjudicatory proceeding arising hereunder, except upon a ground expressly provided in this Agreement, or pursuant to any right expressly granted by any applicable statute expressly regulating the sale of franchises, or any regulation or rules promulgated thereunder.

- K. **Damages.** Nothing in this Section or any other provision of this Agreement shall be construed to prevent Franchisor from claiming and obtaining expectation or consequential damages. 22. **SEVERABILITY AND CONSTRUCTION**

- A. Should any provision of this Agreement for any reason be held invalid, illegal, or unenforceable by a court of competent jurisdiction, such provision shall be deemed restricted in application to the extent required to render it valid, and the remainder of this Agreement shall in no way be affected and shall remain valid and enforceable for all purposes, both parties hereto declaring that they would have executed this Agreement without inclusion of such provision. In the event such total or partial invalidity or unenforceability of any provision of this Agreement exists only with respect to the laws of a particular jurisdiction, this paragraph shall operate upon such provision only to the extent that the laws of such jurisdiction are applicable to such provision. Each party agrees to execute and deliver to the other any further documents which may be reasonably required to make fully the provisions hereof. Franchisee understands and acknowledges that Franchisor shall have the right in its sole discretion on a temporary or permanent basis, to

Variations from standard specifications and practices granted to other franchisees shall not under any circumstances, be cause to require Franchisor to grant to Franchisee a like or similar variation hereunder, either now or in the future.

24. MISCELLANEOUS

- A. If any applicable and binding law or rule of any jurisdiction requires a greater prior notice of the termination of, or refusal to renew, this Agreement than is required hereunder, the prior notice or other action required by such law or rule shall be substituted for the notice requirements hereof. Such modifications to this Agreement shall be effective only in such jurisdiction and this Agreement shall otherwise be enforced as originally made and entered into in all other jurisdictions.
- B. The rights and remedies of the parties hereunder are cumulative and no exercise or enforcement by a party of any right or remedy hereunder shall preclude the exercise or enforcement by that party of any other right or remedy herein contained, or to which it is entitled by law.
- C. Franchisee agrees and acknowledges that Franchisee has not been induced to enter into this Agreement in reliance upon, nor as a result of, any statements, representations, warranties, conditions, covenants, promises, or inducements whatsoever, whether oral or written, and whether directly related to the contents hereof or collateral hereto, made by Franchisor, Franchisor's officers, members, managers, directors, shareholders, agents, employees or contractors which are not contained within this Agreement.

Franchisee authorizes the transmission of e-mail by Franchisor and Franchisor's employees, vendors, and Affiliates (“Official Senders”) to Franchisee during the term of this Agreement and any renewal thereof. Franchisee further agrees that: (a) Official Senders are authorized to send e-mails to those of Franchisee's employees as Franchisee may occasionally authorize for the purpose of communicating with Franchisor; (b) Franchisee will cause Franchisee's officers, directors, members, managers, and employees to give their consent to Official Senders' transmission of e-mails to them; (c) Franchisee will require such persons not to opt out or otherwise ask to no longer receive e-mails from Official Senders during the time that such person works for or is affiliated with Franchisee; and (d) Franchisee will not opt out or otherwise ask to no longer receive e-mails from Official Senders during the Term and any renewal thereof. Franchisor's decisions or actions will be deemed to be the result of Reasonable Business Judgment, even if other reasonable or even arguably preferable alternatives are available, if Franchisor's decision or action is intended, in whole or significant part, to promote or benefit the System generally even if the decision or action also promotes Franchisor's financial or other individual interest. Decisions Franchisor makes using Franchisor's Reasonable Business Judgment will not affect all franchisees equally, and some may be benefited while others are not. Neither Franchisee nor any third party (including without limitation a court of competent jurisdiction), shall substitute its judgment for Franchisor's Reasonable Business Judgment.

- J. This Agreement has been negotiated in the English language and the rules of construction and definitions of the English language will be applied in interpreting this Agreement. - K. Franchisee acknowledges and understands that any training, support, guidance or tools Franchisor provides to Franchisee as part of the franchise are for the purpose of protecting the System, brand, and Marks and to assist Franchisee in the operation of Franchisee's Franchised Business and not for the purpose of controlling or in any way intended to exercise or exert control over Franchisee's decisions or day-to-day operations of the Franchised Business, including Franchisee's sole responsibility for the hiring, wages and other compensation (including benefits), training, supervision and termination of Franchisee's employees and all other employment and employee related matters.

EXHIBIT D TO THE FRANCHISE AGREEMENT

CONFIDENTIALITY AGREEMENT

(for Dedicated Managers and other management personnel, Authorized Installers, as well as any officers, directors, or owners of the Franchisee that did not sign the full Personal Guaranty)

In consideration of my being a [INSERT TITLE/ROLE WITH FRANCHISEE] of _____ (the "Franchisee"), and other good and valuable consideration, the receipt and sufficiency of which is acknowledged, I (the undersigned) hereby acknowledge and agree that Franchisee has acquired the right from **USA INSULATION FRANCHISE, LLC** (the "Company" or "Franchisor") to: (i) establish and operate a franchised business (the "Franchised Business"); and (ii) use in the operation of the Franchised Business the Company's trade names, trademarks and service marks (collectively, the "Proprietary Marks") and the Company's unique and distinctive format and system relating to the establishment and operation of Franchised Business businesses (the "System"), as they may be changed, improved and further developed from time to time in the Company's sole discretion, only at the following authorized and approved location: _____ (the "Premises").

1. The Company possesses certain proprietary and confidential information relating to the operation of the Franchised Business and System generally, including without limitation: Company's proprietary and confidential Manuals and other manuals providing guidelines, standards and specifications related to the establishment and operation of the Franchised Business (collectively, the "Manuals"); Franchisor's proprietary training materials and programs, as well as proprietary marketing methods and other instructional materials, trade secrets; information related to any other proprietary methodology or aspects of the System or the establishment and continued operation of the Franchised Business; financial information; any and all customer lists, contracts and other customer information obtained through the operation of the Franchised Business and other Franchised Businesses; any information related to any type of proprietary software that may be developed and/or used in the operation of the Franchised Business; and any techniques, methods and know-how related to the operation of Franchised Business or otherwise used in connection with the System, which includes certain trade secrets, copyrighted materials, methods and other techniques and know-how (collectively, the "Confidential Information").

2. Any other information, knowledge, know-how, and techniques which the Company specifically designates as confidential will also be deemed to be Confidential Information for purposes of this Agreement.

3. As [INSERT TITLE WITH RESPECT TO FRANCHISEE] of the Franchisee, the Company and Franchisee will disclose the Confidential Information to me in furnishing to me the training program and subsequent ongoing training, the Manuals, and other general assistance during the term of this Agreement.

4. I will not acquire any interest in the Confidential Information, other than the right to utilize it in the operation of the Franchised Business during the term hereof, and the use or duplication of the Confidential Information, in whole or in part, for any use outside the System would constitute an unfair method of competition.

5. The Confidential Information is proprietary, involves trade secrets of the Company, and is disclosed to me solely on the condition that I agree, and I do hereby agree, that I shall hold in strict confidence all Confidential Information and all other information designated by the Company as confidential. Unless the Company otherwise agrees in writing, I will disclose and/or use the Confidential Information only in connection with my duties as [INSERT TITLE] of the Franchisee, and will continue not to disclose any such information even after I cease to be in that position and will not use any such information even after I

cease to be in that position unless I can demonstrate that such information has become generally known or easily accessible other than by the breach of an obligation of Franchisee under the Franchise Agreement.

6. I will surrender any material containing some or all of the Confidential Information to the Company, upon request, or upon conclusion of the use for which the information or material may have been furnished.

7. Except as otherwise approved in writing by the Company, I shall not, while in my position with the Franchisee, for myself, or through, on behalf of, or in conjunction with any person, persons, partnership, corporation or limited liability company, own, maintain, engage in, be employed by, or have any interest in any other business that: (i) is an insulation service business that is similar to the Franchised Business and/or that features, offers and/or sells products and services similar to those offered and sold by the Franchised Business and/or other USA Insulation franchises (a "Competing Business"); or (ii) grants or has granted franchises or licenses, or establishes or has established joint ventures, for one or more Competing Businesses. I also agree that I will not undertake any action to divert business from the Franchised Business to any Competing Business, or solicit any of the former customers or employees of Franchisee for any competitive business purpose.

7.1 Post-Term Restrictive Covenant for Dedicated Manager of Franchised Business or Manager/Officers/Directors of Franchisee. In the event I am a manager of the Franchised Business, or an officer/director/manager/partner of Franchisee that has not already executed a Personal Guaranty agreeing to be bound by the terms of the Franchise Agreement, then I further agree that I will not be involved in a Competing Business of any kind for a period of two years after the expiration or termination of my employment with Franchisee for any reason: (i) at or within a 60 mile radius of the Premises; or (ii) within a 60-mile radius of any other Franchised Business that exists at the time my employment with Franchisee ceases through the date of my involvement with the Competing Business. I also agree that I will not be involved in the franchising or licensing of any Competing Business at any location, or undertake any action to divert business from the Franchised Business to any Competing Business or solicit any of the former customers or employees of Franchisee for any competitive business purpose, during this two (2) year period following the termination or expiration of my employment with the Franchisee.

8. I agree that each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Agreement is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an unappealed final decision to which the Company is a party, I expressly agree to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Agreement.

9. I understand and acknowledge that the Company shall have the right, in its sole discretion, to reduce the scope of any covenant set forth in this Agreement, or any portion thereof, without my consent, effective immediately upon receipt by me of written notice thereof; and I agree to comply forthwith with any covenant as so modified.

10. The Company is a third-party beneficiary of this Agreement and may enforce it, solely and/or jointly with the Franchisee. I am aware that my violation of this Agreement will cause the Company and the Franchisee irreparable harm; therefore, I acknowledge and agree that the Franchisee and/or the Company may apply for the issuance of a temporary and/or permanent injunction and a decree for the specific performance of the terms of this Agreement, without the necessity of showing actual or threatened harm and without being required to furnish a bond or other security. I agree to pay the Franchisee and the Company all the costs it/they incur(s), including, without limitation, legal fees and expenses, if this Agreement is enforced against me. Due to the importance of this Agreement to the Franchisee and the

Company, any claim I have against the Franchisee or the Company is a separate matter and does not entitle me to violate, or justify any violation of this Agreement.

11. I shall not at any time, directly or indirectly, do any act that would or would likely be injurious or prejudicial to the goodwill associated with the Confidential Information and the System.

12. Franchisee shall make all commercially reasonable efforts to ensure that I act as required by this Agreement.

13. Any failure by Franchisor to object to or take action with respect to any breach of this Agreement by me shall not operate or be construed as a waiver of or consent to that breach or any subsequent breach by me.

14. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED AND ENFORCED IN ACCORDANCE WITH THE LAWS OF THE STATE OF **[INSERT STATE WHERE FRANCHISEE IS LOCATED]** AND MYSELF HEREBY IRREVOCABLY SUBMITS HIMSELF TO THE JURISDICTION OF THE STATE COURT CLOSEST TO THE PREMISES OF THE FRANCHISED BUSINESS OR, IF APPROPRIATE, THE FEDERAL COURT CLOSED TO SUCH PREMISES. I HEREBY WAIVE ALL QUESTIONS OF PERSONAL JURISDICTION OR VENUE FOR THE PURPOSE OF CARRYING OUT THIS PROVISION. I HEREBY AGREE THAT SERVICE OF PROCESS MAY BE MADE UPON ME IN ANY PROCEEDING RELATING TO OR ARISING UNDER THIS AGREEMENT OR THE RELATIONSHIP CREATED BY THIS AGREEMENT BY ANY MEANS ALLOWED BY **[INSERT STATE]** OR FEDERAL LAW. I FURTHER AGREE THAT VENUE FOR ANY PROCEEDING RELATING TO OR ARISING OUT OF THIS AGREEMENT SHALL BE ONE OF THE COURTS DESCRIBED ABOVE IN THIS SECTION; PROVIDED, HOWEVER, WITH RESPECT TO ANY ACTION WHICH INCLUDES INJUNCTIVE RELIEF OR OTHER EXTRAORDINARY RELIEF, FRANCHISOR MAY BRING SUCH ACTION IN ANY COURT IN ANY STATE WHICH HAS JURISDICTION.

15. The parties acknowledge and agree that each of the covenants contained in this Agreement are reasonable limitations as to time, geographical area, and scope of activity to be restrained and do not impose a greater restraint than is necessary to protect the goodwill or other business interests of Franchisor. The parties agree that each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Agreement is held unreasonable or unenforceable by a court or agency having valid jurisdiction in any unappealed final decision to which Franchisor is a part, I expressly agree to be bound by any lesser covenant subsumed within the terms of the covenant that imposes the maximum duty permitted by law as if the resulting covenant were separately stated in and made a part of this Agreement.

16. This Agreement contains the entire agreement of the parties regarding the subject matter of this Agreement. This Agreement may be modified only by a duly authorized writing executed by all parties.

17. All notices and demands required to be given must be in writing and sent by personal delivery, expedited delivery service, certified or registered mail, return receipt requested, first-class postage prepaid, facsimile or electronic mail, (provided that the sender confirms the facsimile or electronic mail, by sending an original confirmation copy by certified or registered mail or expedited delivery service within three (3) business days after transmission), to the respective party at the following address unless and until a different address has been designated by written notice.

For notices to Franchisor, the notice shall be addressed to

EXHIBIT G TO THE FRANCHISE AGREEMENT

PROMISSORY NOTE

§ _____

Dated: _____

FOR VALUE RECEIVED, the undersigned, [FRANCHISEE ENTITY] a [STATE] corporation/limited liability company with a principal place of business at [ADDRESS] (collectively referred to as “Maker”) promises to pay to the order of **USA INSULATION FRANCHISE, LLC**, an Ohio limited liability company, (herein with its successors and/or assigns, “Payee”) having its principal place of business at 17700 Saint Clair Avenue Cleveland, Ohio 44110, or at such other place as the Payee or other holder hereof may direct in writing, the aggregate principal sum of [AMOUNT] (\$XX,XXX) together with interest payable as follows:

1. Interest. The unpaid principal amount of this Promissory Note (“Note”) from time to time outstanding shall bear interest at the rate of twelve percent (12%) per annum. If Maker fails to pay any installment or make any payment on this Note for ten (10) days after the same shall become due, whether by acceleration or otherwise, Payee may, at its option, impose a late charge on the undersigned in an amount equal to five percent (5%) of such installment or payment. If any payment or installment is not made within thirty (30) days after the same shall become due, Payee may, at its option, impose an additional late charge on the undersigned in an amount equal to five percent (5%) of such installment or payment. Such installment or payment shall be subject to an additional five percent (5%) late charge for each additional period of thirty (30) days thereafter that such installment or payment remains past due. The late charge shall apply individually to all installments and payments past due. This provision shall not be deemed to excuse a late installment or payment or be deemed a waiver of any other rights Payee may have, including, but not limited to, the right to declare the entire unpaid balance due under this Note immediately due and payable. In no event shall the rate of interest payable hereunder at any time exceed the highest rate of interest allowed under applicable usury laws.

2. Principal and Interest Payments. This Note shall be due and payable by electronic funds transfer in _____ consecutive equal monthly installments of [AMOUNT] (\$0,000.00), with the initial installment being due and payable on **DATE**, and the remaining installments being due and payable on the same day of each consecutive month thereafter. The final installment shall be due and payable on **DATE** and shall consist of the remaining principal balance of this Note, and all unpaid interest, accrued thereon. In the event any payment date shall fall due on a Saturday, Sunday or United States banking holiday, payment shall be made on the next succeeding business day, and interest will continue to accrue on the unpaid amount during the interim. All payments of principal and interest are to be made in lawful money of the United States of America in immediately available funds.

3. Payment Application. Payments shall be applied first to expenses, costs, and attorney’s fees which are payable under this Note, secondly to interest and finally to the reduction of principal; provided, such payments may at the option of Payee or other holder hereof, be applied to the payment of delinquent taxes, installments of special assessments, insurance premiums and/or other legal charges.

4. “Event of Default”. An “Event of Default” shall be deemed to have occurred in the event that: (a) any amount due hereunder is not paid after becoming due and payable; or (b) any default by Maker occurs in the performance of the covenants, obligations or other provisions under the Franchise Agreements between Maker and Payee (the “Franchise Agreement(s)”), or any other agreement between Maker (or its affiliates) and Payee; or (c) any representation or warranty of the Maker set forth in the Franchise Agreement(s), or any other agreement between Maker and Payee proves to have been incorrect in any material respect; or (d) Maker becomes subject to any bankruptcy, insolvency or debtor relief proceedings;

or (e) Maker fails to comply with or perform any provision of this Note not constituting a default under the previous items of this paragraph and such failure continues for fifteen (15) days after notice thereof to Maker; or (f) a default occurs causing the acceleration of any material obligation of Maker to any other creditors; or (g) any guarantor of the Franchise Agreement(s) revokes or renounces their guaranty; or (h) the Franchise Agreement(s) is terminated by Maker or by Payee or is declared terminated in any judicial proceeding.

5. Default and Remedies. Upon the occurrence of an Event of Default as defined herein or at any time thereafter, the entire principal and accrued interest of this Note shall become immediately due and payable, without further notice to Maker, at the option of Payee or other holder hereof. To the extent permitted by applicable law, all benefits, rights and remedies hereunder shall be deemed cumulative and not exclusive of any other benefit, right or remedy herein. The failure of Payee or other holder hereof to exercise any right or remedy hereunder shall not be deemed to be a release or waiver of any obligation or liability of the Maker.

6. Obligations Absolute. All obligations of Maker hereunder are absolute and unconditional, irrespective of any offset or counterclaim of Maker against Payee or other holder hereof. Maker hereby waives the right to claim or enforce any right of offset, counterclaim, recoupment or breach in any action brought to enforce the obligations of Maker under this Note.

7. Waivers. Maker and any co-makers, sureties, endorsers and guarantors of this Note, hereby jointly and severally waive presentment for payment, notices of non-performance or nonpayment, protest, notice of protest, notice of dishonor, diligence in bringing suit hereon, against any party hereto and notice of acceleration. Payee reserves the right, in its sole and exclusive discretion, to waive the requirement in Section 2 above that all payments hereunder be due by electronic funds transfer.

8. Collection Costs; Attorney's Fees. Maker agrees to pay all expenses and costs of collection, including all reasonable attorney's fees and expenses, court costs, costs of sale and costs of maintenance and repair and similar costs incurred by Payee in connection with the enforcement of this Note, the collection of any amounts payable hereunder, whether by acceleration or otherwise, and/or the sale or other disposition of any Collateral.

9. Prepayment. Maker may prepay this Note, in whole or in part, at any time without premium or penalty. Any partial payments shall be applied first to accrued interest and then to principal installments in reverse order of maturity.

10. Severability. If any term or provision of this Note or application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Note, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and shall be valid and enforced to the fullest extent permitted by law.

11. Limitation on Interest. All agreements between Maker and Payee, whether now existing or hereafter arising and whether written or oral, are hereby limited so that in no contingency, whether by reason of demand or acceleration of the maturity hereof or otherwise, shall the interest contracted for charged, or received by Payee, or any subsequent holder hereof, exceed the maximum amount permissible under applicable law. If any interest in excess of the maximum amount of interest allowable by said applicable laws is inadvertently paid to Payee or the holder hereof, at any time, any such excess interest shall be refunded by the holder to the party or parties entitled to the same after receiving notice of payment of such excess interest. All interest paid or agreed to be paid to Payee shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full period until payment in

full of the principal (including the period of any renewal or extension hereof) so that the interest hereon for such full period shall not exceed the maximum amount permitted by applicable law. This paragraph shall control all agreements between Maker and Payee as to the payment of interest.

12. Jurisdiction and Venue. It is hereby agreed that any and all claims, disputes or controversies whatsoever arising from or in connection with this Note, shall be commenced, filed and litigated, if at all, in the judicial district in which Cleveland, OH is located, unless the conduct of such litigation is not within the subject matter jurisdiction of the court of such district. The parties waive all questions of personal jurisdiction, convenience of forum and venue for purposes of carrying out this provision.

13. Jury Trial Waiver. MAKER AND PAYEE IRREVOCABLY WAIVE TRIAL BY JURY, REGARDLESS OF THE FORUM, IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM BROUGHT BY EITHER OF THEM AGAINST THE OTHER ARISING FROM, WHETHER DIRECTLY OR INDIRECTLY, THIS NOTE.

14. Governing Law. In order to effect uniform interpretation of this Note, this Note, and all disputes or controversies arising or related hereto shall be interpreted and construed under the laws of the State of Ohio.

15. Amount Owng. The records of Payee or other holder of this Note shall be prima facie evidence of the amount owing on this Note.

16. Release. In consideration of the credit given to the Maker as evidenced by this Note, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each of the undersigned, for himself and his agents, employees, representatives, associates, heirs, successors and assigns (collectively the "Franchisee Entities"), does hereby fully and finally release and forever discharge the Payee ("**USA INSULATION FRANCHISE, LLC**"), and its officers, shareholders, directors, agents, employees, representatives, associates, successors and assigns (collectively, the "Franchising Entities") of and from any and all actions and causes of action, suits claims, demands, damages, judgments, accounts, agreements, covenants, debts, levys and executions, including without limitation attorneys' fees, whatsoever, whether known or unknown, liquidated or unliquidated, fixed, contingent, direct or indirect, whether at law or in equity, which the Franchisee Entities, or any one or more of them, have had, now have or may in the future, have against the Franchising Entities, or any one or more of them, arising out of, in connection with or relating in any way to that certain franchise agreement between the undersigned and **USA INSULATION FRANCHISE, LLC**, dated _____ (the "Franchise Agreement"), or any other agreement between the undersigned and **USA INSULATION FRANCHISE, LLC**, including but not limited to, any actions for fraud or misrepresentation, violation of any franchise laws, violation of any state or federal antitrust or securities laws, or violation of any common law, from the beginning time to the date of this Note; provided, however, specifically excluded from the release provisions of this Note shall be all obligations of **USA INSULATION FRANCHISE, LLC**, under the Franchise Agreement first accruing on and after the date hereof. This release does not apply to claims arising under the Washington Franchise Investment Act, chapter 19.100 RCW, or the rules adopted thereunder in accordance with RCW 19.100.220(2).

17. Assignment. Payee may sell or assign this Note at Payee's sole discretion. If Payee sells or assigns this Note Payee will not remain primarily obligated under the Note. Additionally, Maker will also lose all of its defenses against Payee as they relate to this Note as a result of the sale or assignment.

IN WITNESS WHEREOF, Maker has made, executed and delivered this Note effective as of the date first above written.

Independent Auditor's Report

RSM US LLP

Board of Directors
HS Group Holding Company LLC and Subsidiaries d/b/a Threshold Brands

Opinion

We have audited the consolidated financial statements of HS Group Holding Company, LLC and Subsidiaries d/b/a Threshold Brands (the Company), which comprise the consolidated balance sheets as of December 31, 2023 and 2022, the related consolidated statements of operations, changes in members' equity and cash flows for the years ended December 31, 2023, 2022, and 2021, and the related notes to the consolidated financial statements (collectively, the financial statements).

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and 2022, and the results of their operations and their cash flows for the years ended December 31, 2023, 2022, and 2021, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Basis of presentation: The consolidated balance sheets are presented as of December 31, 2023 and 2022. The consolidated statements of operations, changes in members' equity, and cash flows are presented for the years ended December 31, 2022, 2021, and 2021. The accompanying consolidated financial statements of the Company include its wholly owned subsidiaries.

All intercompany transactions have been eliminated. The accompanying consolidated financial statements have been prepared in accordance with accounting standards set by the Financial Accounting Standards Board (FASB). The FASB sets generally accepted accounting principles (GAAP) that the Company follows to ensure its financial condition, results of operations, and cash flows are consistently reported. References to GAAP issued by the FASB in these notes to the consolidated financial statements are to the FASB Accounting Standards Codification (ASC).

Revenue recognition policy: The Company recognizes revenue in accordance with ASC Topic 606, Revenue from Contracts with Customers, which provides a five-step model for recognizing revenue from contracts with customers as follows: identify the contract with a customer, identify the performance obligations in the contract, determine the transaction price, allocate the transaction price to the performance obligations in the contract, and recognize revenue when or as performance obligations are satisfied.

Significant accounting policies:

Nature of services

The Company's franchise agreements include (a) the right to use its symbolic intellectual property over the term of each franchise agreement, (b) preopening services, such as training, (c) ongoing services, such as management of the advertising fund contributions and support services for the franchisees, and (d) a license to use the Company's internal-use software which is hosted on the Company's software as a service (SaaS) platform. These promises are highly dependent upon and interrelated with the franchise right granted in the franchise agreement, so they are not considered to be individually distinct and therefore are accounted for as a single performance obligation. The performance obligation under the franchise agreement is the promise to provide daily access to the symbolic intellectual property over the term of each franchise agreement, which is a series of distinct services that represents a single performance obligation. Although the franchisor's underlying activities associated with the symbolic intellectual property will vary both within a day and day-to-day, the symbolic intellectual property is accessed over time and the customer (the franchisee) simultaneously receives and consumes the benefit from the franchisor's performance of providing access to the symbolic intellectual property (including other related activities). Revenue earned from providing these services is collectively referred to as franchise revenue.

Note 1. Summary of Significant Accounting Policies (Continued)

The Company's revenue consists primarily of recurring revenue, which includes franchise royalties, advertising fund contributions, and support services performed for franchisees. Franchise revenue (Initial franchise fees) is based on the market type selected and are paid at the time an individual franchise agreement is signed. Territory fees are for the purchase of additional territory over and above the minimum qualified households allowable based on the market type selected and are also paid at the time an individual franchise agreement is signed.

The Company also operates certain franchise locations. The revenue for these consists of revenue recognized at a point in time as the service is completed.

Payment terms

The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring goods and services to the customer. Agreements may include initial and renewal franchise fees, sales-based royalties, and fees for administrative services performed for the franchisee.

The Company believes its franchising agreements do not contain a significant financing component because (a) the timing of the upfront payment does not arise for the reason of provision of financing to the Company and (b) the sales-based royalty is variable and based on factors outside the Company or the franchisee's control.

Revenue recognition

Initial and renewal franchise fees are recognized as revenue on a straight-line basis over the term of the respective agreement beginning when the agreement is signed. Franchise agreements typically have a term of five to ten years with the option to renew for an additional years if the franchisee is in compliance with the terms of the franchise agreement.

Continuing royalties are calculated as a percentage of franchisees' reported sales that are related entirely to the Company's performance obligation under the franchise agreement. These royalties are considered variable consideration, but because they relate to a license of intellectual property, they are not included in the transaction price. Instead, royalty revenue is recognized as franchisee sales occur. Advertising contributions received from the Company's franchisees are recorded as a component of franchise royalties and fees in the consolidated statements of operations.

Contract balances

The Company records accounts receivable when it has the unconditional right to issue an invoice and receive payment, regardless of whether revenue has been recognized. If revenue has not yet been recognized, a contract liability (deferred franchise and territory fees) also is recorded.

Commission costs

The Company defers those direct and incremental costs associated with the sale of franchises. Deferred costs are charged to earnings when the related deferred franchise and territory fees are recognized as revenue over the term of the respective agreement. The Company has determined the period of benefit for direct and incremental costs associated with the sale of franchises to be the initial term of the franchise agreement. Amortization is recognized on a straight-line basis commensurate with the pattern of revenue recognition.

Note 1. Summary of Significant Accounting Policies (Continued)

Advertising funds

The Company collects funds from its franchisees for advertising pursuant to the Company's franchise agreements at a percentage of franchisee sales. These advertising services are not considered distinct because they are highly dependent and interrelated to the franchise right. Advertising contributions are considered part of the transaction price for the franchise right and recognized as revenue as the underlying sales occur. The advertising costs incurred for franchisees will be expensed in accordance with the Company's normal policy.

Cash and cash equivalents: The Company considers all short-term, highly liquid investments with original maturities of 90 days or less to be cash and cash equivalents. Cash equivalents consist of money market accounts.

The following table provides a reconciliation of cash and cash equivalents reported in the consolidated balance sheets for continuing operations that sums to the total of the amounts shown in the consolidated statements of cash flows for the years ended December 31:

	2023	2022	2021
Cash - continuing operations	\$7,292,172	\$2,848,939	\$6,701,825
Cash reclassified to discontinued operations	213,960	291,909	479,252
	<u>\$7,506,132</u>	<u>\$3,140,848</u>	<u>\$7,181,077</u>

Accounts receivable: Accounts receivable are recorded at transaction price. The allowance for credit losses on accounts receivable represents the Company's estimate of expected credit losses over the lifetime of the receivables. This estimation process is based on historical experience, current conditions, asset-specific risk characteristics and reasonable and supportable forecasts about future economic and market conditions. Accounts receivable are written off when deemed uncollectible. Recoveries of accounts receivable previously written off are recorded when received. The allowance for credit loss was approximately \$813,000 and \$542,000 for the years ended December 31, 2023 and 2022, respectively. The Company will continue to monitor and evaluate the adequacy of the allowance for credit losses on accounts receivable on a regular basis and make adjustments as necessary in response to changes in economic conditions and credit quality indicators.

The Company adopted Accounting Standards Update (ASU) 2016-13, Financial Instruments – Credit Losses (Topic 326), on January 1, 2023. This accounting standard requires companies to measure expected credit losses on financial instruments based on the total estimated amount to be collected over the lifetime of the instruments which would include accounts receivables. Prior to the adoption of this accounting standard, the Company recorded incurred loss reserves against account receivable balances based on current and historical information. The adoption of this ASU did not have a material effect on the Company's financial statements.

Concentration of credit risk: The Company's financial instruments that are exposed to concentrations of credit risk consist primarily of cash and cash equivalents and accounts receivable. The Company maintains its cash and cash equivalents in bank deposit accounts, which at times may exceed federally insured limits. The Company has not experienced any losses in such accounts. The Company believes it is not exposed to any significant credit risk on cash and cash equivalents. The Company grants credit to its franchisees and customers. Consequently, the Company's ability to collect the amounts due from franchisees and customers is affected by economic fluctuations. The Company routinely assesses the financial strength of its franchisees and customers and believes that its accounts receivable credit risk exposure is limited.

Note 1. Summary of Significant Accounting Policies (Continued)

Franchisor advertising: Advertising costs of the franchisor are charged against income during the period the advertising is displayed. Advertising costs are expensed as incurred and totaled approximately \$938,000, \$1,863,000, and \$2,148,000 for the years ended December 31, 2023, 2022, and 2021 respectively.

Software development costs: Costs for software developed for internal use are accounted for in accordance with ASC 350, Intangibles – Goodwill and Other - Internal-Use Software. ASC 350 requires the capitalization of certain costs incurred in connection with developing or obtaining internal-use software. In accordance with ASC 350, the Company expenses costs incurred in the preliminary project stage of developing or acquiring internal use software, such as research and feasibility studies, as well as costs incurred in the post-implementation/operational stage, such as maintenance and training. Capitalization of software development costs occurs only after the preliminary project stage is complete,

management authorizes the project, and it is probable that the project will be completed and the software will be used for the function intended. Costs associated with the purchase and development of computer software are capitalized and amortized on a straight-line basis over the estimated useful life of the related asset. Software development costs are recorded in property and equipment in the accompanying consolidated balance sheets. The Company capitalized software development costs. There were approximately \$72,000 and \$0 of capitalized costs for the year ended December 31, 2023 and 2022, respectively.

Property and equipment: Property and equipment is stated at cost, net of accumulated depreciation and amortization. Expenditures for additions and improvements are capitalized while maintenance and repair expenditures are charged to operations as incurred. When assets are sold or otherwise retired from service, their cost and related accumulated depreciation and amortization are removed from the accounts and any gain or loss is included in the results of operations. Depreciation and amortization is computed using the straight-line method based on the following estimated useful lives:

	Years
Equipment	5-10
Vehicles	5-10
Furniture and fixtures	3-5
Leasehold improvements	Lesser of useful life or lease term
Software development costs	3-7

Goodwill and intangibles: Goodwill is recognized for the excess of the fair value of an acquired business over the fair value of the identifiable net assets acquired. Under FASB ASC Topic 350, Intangibles—Goodwill and Other, the Company elected the accounting alternative to amortize goodwill on a straight-line basis over 10 years.

The Company has elected the provisions of FASB ASU 2014-18, *Business Combinations (Topic 805): Accounting for Identifiable Intangible Assets in a Business Combination*. ASU 2014-18 specifies that a private company that elects the accounting alternative to recognize or otherwise consider the fair value of intangible assets as a result of any in-scope transactions should no longer recognize separately from goodwill: (1) customer-related intangible assets unless they are capable of being sold or licensed independently from the other assets of the business and (2) noncompetition agreements.

Notes to Consolidated Financial Statements

Note 1. Summary of Significant Accounting Policies (Continued)

The Company tests its recorded goodwill for impairment upon a triggering event. Factors that could trigger an impairment test include, but are not limited to, underperformance relative to historical or projected future operating results, significant changes in the manner of use of the acquired assets or the overall business, significant negative industry or economic trends and a sustained period where market capitalization, plus an appropriate control premium, is less than member's equity. Goodwill is tested using a fair-value approach at the entity level. No impairment expense was recognized for the years ended December 31, 2023, 2022 and 2021.

Intangible assets include franchise agreements, trade names, trade secrets and software. Intangible assets are amortized on a straight-line basis over their estimated useful lives, which range between 7 to 25 years.

Long-lived assets: Long-lived assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset may not be recoverable. If impairment is considered, recoverability of these assets is measured by a comparison of the carrying amount of the asset to estimated future undiscounted cash flows expected to be generated by the asset. If the carrying amount of an asset exceeds its estimated future cash flows, an impairment charge is recognized by the amount of which the carrying amount of the asset exceeds the fair value of the asset. No impairment expense was recognized for the years ended December 31, 2023, 2022 and 2021.

Fair value measurements: The Company uses the fair value measurement and disclosure guidance for all assets and liabilities that are recognized or disclosed at fair value in the consolidated financial statements. The guidance defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In determining fair value, the Company uses various methods including market, income and cost approaches. Based on these approaches, the Company often utilizes certain assumptions that management believes market participants would use in pricing the asset or liability, including assumptions about risk and or the risks inherent in the inputs to the valuation technique. These inputs can be readily observable, market corroborated, or generally unobservable inputs. The Company utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. The fair value hierarchy ranks the quality and reliability of the information used to determine fair values. Assets and liabilities carried at fair value will be classified and disclosed in one of the following three categories:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that are accessible at the measurement date.

Level 2: Inputs to the valuation methodology include quoted prices in markets that are not active or quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

Level 3: Inputs to the valuation methodology are unobservable, reflecting the entity's own assumptions about assumptions market participants would use in pricing the asset or liability.

Note 1. Summary of Significant Accounting Policies (Continued)

Leases: In February 2016, the FASB issued ASC Topic 842, Leases, to increase transparency and comparability among organizations related to their leasing arrangements. The update requires lessees to recognize most leases on their balance sheets as a right-of-use (ROU) asset representing the right to use an underlying asset and a lease liability representing the obligation to make lease payments over the lease term, measured on a discounted basis. Topic 842 also requires additional disclosure of key quantitative and qualitative information for leasing arrangements. Similar to the previous lease guidance, the update retains a distinction between finance leases (similar to capital leases in Topic 840, Leases) and operating leases, with classification affecting the pattern of expense recognition in the income statement. The Company adopted Topic 842 on January 1, 2022, using the optional transition method to the modified retrospective approach, which eliminates the requirement to restate the prior-period financial statements. Under this transition provision, the Company has applied Topic 842 to reporting periods beginning on January 1, 2022, while prior periods continue to be reported and disclosed in accordance with the Company's historical accounting treatment under ASC Topic 840, Leases.

The Company elected the "package of practical expedients" under the transition guidance within Topic 842, in which the Company does not reassess (1) the historical lease classification, (2) whether any existing contracts at transition are or contain leases, or (3) the initial direct costs for any existing leases. The Company has not elected to adopt the "hindsight" practical expedient, and therefore will measure the ROU asset and lease liability using the remaining portion of the lease term upon the adoption of Topic 842 on January 1, 2022.

The Company determines if an arrangement is or contains a lease at inception, which is the date on which the terms of the contract are agreed to, and the agreement creates enforceable rights and obligations. A contract is or contains a lease when (i) explicitly or implicitly identified assets have been deployed in the contract and (ii) the Company obtains substantially all of the economic benefits from the use of that underlying asset and directs how and for what purpose the asset is used during the term of the contract. The Company also considers whether its service arrangements include the right to control the use of an asset.

The Company made an accounting policy election available under Topic 842 not to recognize ROU assets and lease liabilities for leases with a term of 12 months or less. For all other leases, ROU assets and lease liabilities are measured based on the present value of future lease payments over the lease term at the commencement date of the lease (or January 1, 2022, for existing leases upon the adoption of Topic 842). The ROU assets also include any initial direct costs incurred and lease payments made at or before the commencement date and are reduced by any lease incentives. To determine the present value of lease payments, the Company made an accounting policy election available to non-public companies to utilize a risk-free borrowing rate, which is aligned with the lease term at the lease commencement date (or remaining term for leases existing upon the adoption of Topic 842).

The Company has made an accounting policy election to account for lease and non-lease components in its contracts as a single lease component for its various asset classes. The non-lease components typically represent additional services transferred to the Company, such as common area maintenance for real estate, which are variable in nature and recorded in variable lease expense in the period incurred.

Adoption of Topic 842 resulted in the recording of additional ROU assets and lease liabilities related to the Company's operating leases of approximately \$6.67 million and \$6.71 million, respectively, at January 1, 2022. The adoption of the new lease standard did not materially impact consolidated net earnings or consolidated cash flows and did not result in a cumulative-effect adjustment to the opening balance of retained earnings.

Note 1. Summary of Significant Accounting Policies (Continued)

Income taxes: As a limited liability company, the Company is treated as a partnership for federal and state income tax purposes. As such, the taxable income of the Company is allocated in the tax returns of its members for federal and state tax purposes in accordance with their respective percentage ownership. Accordingly, no provision for federal income taxes is included in the consolidated financial statements. Entity-level, composite state and local income taxes (benefits) are accrued at the applicable rates, if any, and are included in the consolidated statements of operations.

The FASB provides guidance for how uncertain tax provisions should be recognized, measured, disclosed, and presented in the consolidated financial statements. The Company identifies its tax positions taken or expected to be taken in the course of preparing its tax returns and determines whether any tax positions are more likely than not of being sustained when challenged or when examined by the applicable tax authority. Management has determined that there are no uncertain tax positions at December 31, 2023, 2022, and 2021.

Debt issuance costs: Debt issuance costs are carried at cost less accumulated amortization as a direct deduction from the carrying amount of the related loan. The costs are amortized over the term of the related loan using a method that approximates the effective interest rate method. Amortization expense is classified in interest expense in the accompanying consolidated statements of operations.

Foreign currency translation: The functional currency of the Company's international subsidiary is the Canadian dollar. Foreign currency denominated assets and liabilities are translated into United States dollars at the rate of exchange in effect at year-end. Income and expenses are translated at a weighted average rate of exchange for the years ended December 31, 2023, 2022 and 2021. The aggregate effect of translating the consolidated financial statements is included in foreign currency translation in the consolidated statements of changes in members' equity.

Use of estimates: The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent events: On January 31, 2024, the Company sold PHP in exchange of 300 Class A units owned by the buyer that were valued at \$630,000 (see Note 9).

The Company evaluated subsequent events for potential required disclosure through April 24, 2024, which is the date the consolidated financial statements were available to be issued.

Maximum borrowings under the credit agreement allow for \$2,000,000 of a revolving loan, \$12,500,000 of a senior secured term loan and \$20,000,000 of additional term loans, which are secured by substantially all of the assets of the Company. The available borrowings on the revolver are limited to a borrowing base, calculated from the adjusted senior debt to earnings before interest, taxes, depreciation and amortization (EBITDA) as further defined in the credit agreement. In connection with the agreement, the Company incurred debt issuance costs of \$410,323, which are amortized over the term of the credit agreement.

The Company incurred debt issuance costs of \$451,094, which are amortized over the term of the credit agreement.

The interest rate is a floating rate equal to the lesser of Secured Overnight Financing Rate (SOFR) plus the applicable margin as defined in the credit agreement, which is 11.04% as of December 31, 2023. Principal payments are due quarterly on the first day of each quarter in an amount equal to \$102,344 and with a balloon payment on December 23, 2025. There is \$27,716,562 outstanding on the senior secured term loan at December 31, 2023, and \$1,300,000 drawn down on the revolving loan and nothing drawn down on the additional term loans.

The credit agreement includes certain ratios and excess cash flow payments. The credit agreement is collateralized by all business assets of the Company. As of December 31, 2023, the Company was in compliance with its debt covenants.

Amortization expense recognized on debt issuance costs was approximately \$210,000, \$210,000, and \$123,000 as of December 31, 2023, 2022, and 2021, respectively.

In addition, certain leases contain termination options, where the rights to terminate are held by either the Company, the lessor or both parties. Note 7. Commitments and Contingencies

Legal matters: From time to time, the Company may be involved in legal actions arising in the ordinary course of business or, conditions may exist that may result in a loss but will only be resolved when one or more future events occur or fail to occur. Each of these actions or matters is assessed by the Company's management and legal counsel to evaluate the perceived merits of any proceeding or claim, as well as any relief sought or expected to be sought. Such assessment involves the exercise of judgment. The Company establishes accruals for losses that management deems to be probable and subject to reasonable estimate. If the assessment indicates that a potentially material loss contingency is not probable but reasonably possible, or is probable but cannot be estimated, then the nature of the contingent liability, together with an estimate of the range of possible loss, if determinable and material, would be disclosed.

Related-party transaction: A company related to the Company's majority member charges the Company for financial and management services under a management services agreement for reimbursement of reasonable direct expenses, which is included in general and administrative expense on the accompanying consolidated statements of operations. The total expense for the years ended December 31, 2023, 2022, and 2021, is approximately \$530,000, \$295,000, and \$294,000, respectively.

Note 8. Members' Equity

Members' equity consisted of the following membership units:

	2023	
	Units Authorized	Units Outstanding
Class A Units	1,000,000	88,117
Class B Units	11,431	5,250
	2022	
	Units Authorized	Units Outstanding
Class A Units	1,000,000	72,224
Class B Units	7,524	4,184

Class A Units have voting rights on all matters requiring the consent, approval or vote of the Members. The Class A Units receive preference on distributions.

Class B Units are profit interests that do not have voting rights and have been issued to designated management employees of the Company without any corresponding capital contribution. The holders of these units are entitled to share in the appreciation of the Company's assets that occur subsequent to the date of grant. The Class B Units are dilutive to the participating preferred units.

Note 8. Members' Equity (Continued)

The Company has issued 11,431, 8,415, and 6,452 units to certain management employees as of December 31, 2023, 2022, and 2021, respectively. The units substantially vest upon a change in control of the Company, if still employed. The fair value of the awards at the date of grant is estimated using option pricing models. The expected terms assumption reflects the period for which the Company believes the awards will remain outstanding and is based on the expected behavior of the award holders. The Company determined the volatility of the fair value of its units through comparison to similar entities considering such characteristics as industry, stage of life cycle, size, and financial leverage. The risk free rate reflects the U.S. Treasury yield curve for similar expected life instruments in effect at the time of grant. During the years ended December 31, 2023 and 2022, and 2021 there were 6,181, 4,231, and 1,314 cumulative units forfeited, respectively. Class B units have no compensation expense recorded as their vesting condition is not considered probably until a change in control occurs.

Note 9. Discontinued Operations

GGFA was sold by the Company on December 31, 2023, in exchange of 300 Class A units owned by the buyer that were valued at \$221,000. This entity operated as a separate business. In addition, on January 31, 2024, the Company sold PHP in exchange of 300 Class A units owned by the buyer that were valued at \$630,000. Finally, MM is being marketed for sale and it is probable that a transaction will occur in the next year. PHP and MM are classified as held-for-sale.

The sale of GGFA, subsequent sale of PHP and the anticipated sale of MM businesses are considered to be a strategic change in operations as they are all non-franchisors so the Company can focus on the franchisor business. GGFA, PHP, and MM are therefore being accounted for as discontinued operations. The results of the operations and sale GGFA business are being presented as loss from discontinued operations in the accompanying consolidated statements of operations for the years ended December 31, 2023, 2022, and 2021.

REQUIRED BY THE STATE OF ILLINOIS**

The conditions under which the Franchise Agreement can be terminated and your rights upon nonrenewal may be affected by Illinois law (815 ILCS 705/19 and 705/20).

In conformance with section 41 of the Illinois Franchise Disclosure Act, any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void.

For choice of law purposes, and for the interpretation and construction of the Franchise Agreement, Illinois law governs.

Although the Franchise Agreement requires litigation to be instituted in a court in Ohio, all litigation must be instituted in a court of competent jurisdiction located in the State of Illinois, subject to the internal dispute and mediation provisions of the Franchise Agreement.

No statement, questionnaire, or acknowledgment signed or agreed to by Franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of Franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Indiana law makes unilateral termination of a franchise unlawful unless there is a material violation of the Franchise Agreement and the termination is not done in bad faith.

Indiana law prohibits a prospective general release of claims subject to the Indiana Deceptive Franchise Practices Law.

REQUIRED BY THE STATE OF MARYLAND**

Based upon the franchisor's financial condition, the Maryland Securities Commissioner has required a financial assurance. Therefore, all initial fees and payments owed by a franchisee shall be deferred until the franchisor completes its pre-opening obligations under the Franchise Agreement.

With respect to Item 17, any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within three years after the grant of the franchise. Additionally, any general release required by the terms and conditions of the Franchise Agreement as a condition of renewal, assignment or transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

With respect to Item 17, under certain circumstances, the Franchise Agreement requires you to submit to a court proceeding in the State of Ohio. These provisions may run contrary to the Maryland Franchise Registration and Disclosure Law. Therefore, nothing will preclude you from being able to enter into litigation with us in Maryland, as long as the nature of the litigation is not the type of dispute, controversy, claim, action, or proceeding which would be subject to litigation under the Franchise Agreement.

With respect to Item 17's discussion of our right to terminate you upon your bankruptcy, this provision in the Franchise Agreement may not be enforceable under federal bankruptcy law (11 U.S.C. §101 *et. seq.*).

Maryland law applies to claims arising under the Maryland Franchise Registration and Disclosure Law.

No statement, questionnaire, or acknowledgment signed or agreed to by Franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of Franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Minn. Stat. **WASHINGTON ADDENDUM TO USA INSULATION FRANCHISE, LLC
FRANCHISE DISCLOSURE DOCUMENT
REQUIRED BY THE STATE OF WASHINGTON**

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

No statement, questionnaire, or acknowledgment signed or agreed to by Franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of Franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

The foregoing indemnification is conditioned upon the following: Franchisee must (i) provide written notice to Franchisor of any claims subject to indemnification hereunder within twenty (20) days of Franchisee's receipt of any written information pertaining to such claims, (ii) tender the defense of the claims to Franchisor if Franchisor so desires, and (iii) permit Franchisor to have sole control of the defense and settlement of any such claim.

Notwithstanding Sections 21(A) and 21(E) of the Franchise Agreement the choice of law and venue provisions of the Franchise Agreement should not be construed as a waiver of any right conferred upon Franchisee by the provisions of Article 33 of the General Business Law of the State of New York.

REQUIRED BY THE STATE OF VIRGINIA**

No statement, questionnaire, or acknowledgment signed or agreed to by Franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of Franchisor. **WASHINGTON ADDENDUM TO USA INSULATION FRANCHISE, LLC
FRANCHISE AGREEMENT,
AND RELATED AGREEMENTS**

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

Subsection (C) of Section 24 of the Franchise Agreement is deleted in its entirety and replaced with "[Intentionally Deleted]".

Subsections (A), (D), (E) and (H) of Section 25 of the Franchise Agreement are deleted in their entirety and replaced with "[Intentionally Deleted]".

No statement, questionnaire, or acknowledgment signed or agreed to by Franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any

applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of Franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Section 23 of the Franchise Agreement is hereby modified by adding the following to the first paragraph thereof:

“The Wisconsin Fair Dealership Law supersedes any provision of this Agreement which is inconsistent with that law.”

FOR RESIDENTS OF ALL STATES LISTED IN THIS ADDENDUM

If the Transfer is not completed on the Transfer Date, or on such alternate date as agreed upon by all parties in writing, this Agreement is void and Franchisor’s consent is revoked.

2. Conditions of Transfer. As a condition of Franchisor's consent, Transferee and Franchisee collectively represent and warrant the following regarding the performance of the Transfer:

A. On the Transfer Date, Franchisee will transfer either all of the stock, shares, interests or other form of equity in Franchisee ("Franchisee Equity"), or substantially all Franchisee's assets related to the operation of the Franchise, including but not limited to vehicles, facilities, equipment, inventory, uniforms, marketing materials, social media accounts, contracts, accounts receivable/payable, and customer data (the "Franchise Assets") to Transferee. As of the Transfer Date, Transferee shall either have all right, title to and interest in the Franchise Assets, or control of the Franchisee Equity.

B. [Transferee / Franchisee] shall pay to the Franchisor the Transfer Fee of [AMOUNT] on the Transfer Date.

C. [OPTIONAL CLAUSE] No later than [DATE], the [Transferee / Franchisee] will make improvements to the Franchise Assets as directed by Franchisor to meet Franchisor's prevailing design and branding criteria and will pay all costs, fees and expenses related to or arising out of the improvements.

D. Franchisee and Transferee acknowledge and agree that they have negotiated the Transfer without involvement by Franchisor and that, except for the preparation and execution of this Agreement for the purpose of exercising Franchisor's right to consent, Franchisor has not participated in the transaction between them and, therefore, has no knowledge of, and does not attest to, and has no obligations for, the accuracy of any representations or warranties made by or between Franchisee and Transferee in connection with this transfer.

3. Obligations and Representations. As a further condition of Franchisor's consent, Franchisee and Transferee separately represent and warrant the following:

iv. If necessary for the continued operation of the Franchise, Transferee has entered into a lease or taken assignment of an existing lease or entered into a sublease for or purchased the premises of the Franchise, effective as of the Transfer Date, and has provided evidence of such lease, sublease, assignment or purchase to the Franchisor in a form satisfactory to Franchisor. It is not the expectation of the Parties that Transferee will take possession of Franchisee's personal residence, if such residence is used as the premises of the Franchise, but rather that Transferee shall be obligated to find a new premises for the continued operation of the Franchise no later than the Transfer Date.

B. Franchisee Obligations and Representations. Franchisee represents and warrants that:

ii. Franchisee has complied, and will continue to comply, with all obligations under the Existing Franchise Agreement, including but not limited to payment of all amounts due and owing to the Franchisor, whether under the Existing Franchise Agreement or any other agreement, and, where necessary, the return of customer data and trademarked and proprietary materials to Franchisor.

iii. Franchisee is not in default of the Existing Franchise Agreement, or, to the extent Franchisee is in default, Franchisor and Franchisee have agreed in a separate writing on the resolution of such default.

iv. Franchisee has no right or title to the Trademark Assets and has not represented to Transferee or any other person, natural or fictitious, that it has right or title to the Trademark Assets. Franchisee has not entered into any agreement to sell or transfer the Trademark Assets. As of the Transfer Date, Franchisee will cease to identify itself or any other business it operates (excluding other USA Insulation franchises owned by the Franchisee) as a current or former USA Insulation franchise and will cease to use any Trademark Asset, including any USA Insulation trademark, trade name or trade dress, or any colorable imitation of the same, or other indicia of a USA Insulation franchise in any manner or purpose. v. Franchisee will continue to operate the Franchise until the Transfer Date. Franchisee shall remain obligated to pay Franchisor any amounts due and owing under the Franchise Agreement that arise on or before the Transfer Date.

vii. Franchisee, its officers, directors, members, principals, employees, representatives, successors and assigns, will not make any disparaging, derogatory or negative comments, statements or other communications, orally, in writing, or in any medium, to any person or organization about Franchisor or the USA Insulation system or any parties or persons associated therewith, nor take any action that could have the effect of damaging the reputation of Franchisor, the USA Insulation system or any parties or persons associated therewith.

4. Release. In consideration for Franchisor's consent, Franchisee, for itself, its affiliates, and its successors and assigns, hereby remises, releases and forever discharges Franchisor, its affiliates, successors and assigns, as well as the shareholders, members, principals, officers, directors, employees, attorneys, agents, heirs and executors of Franchisor, its affiliates, successors and assigns (collectively, the "Released Parties"), of and from any and all debts, demands, losses, actions, causes of action, suits, accounts,
