This disclosure document summarizes certain provisions of your franchise agreement and other information in plain English. Read this disclosure document and all accompanying agreements carefully. You must receive this disclosure document at least fourteen (14) calendar-days before you sign a binding agreement with, or make any payment to, the franchisor or an affiliate in connection with the proposed franchise sale. **Note, however, that no governmental agency has verified the information contained in this disclosure document.**

The terms of your contract will govern your franchise relationship. Don't rely on the disclosure document alone to understand your contract. Read all of your contract carefully. Show your contract and this disclosure document to an advisor, like a lawyer or an accountant.

STATE COVER PAGE

Your state may have a franchise law that requires a franchisor to register or file with a state franchise administrator before offering or selling in your state. REGISTRATION OF A FRANCHISE BY A STATE DOES NOT MEAN THAT THE STATE RECOMMENDS THE FRANCHISE OR HAS VERIFIED THE INFORMATION IN THIS DISCLOSURE DOCUMENT.

Call the state franchise administrator listed in **Exhibit A** for information about the franchisor, or about franchising in your state.

MANY FRANCHISE AGREEMENTS DO NOT ALLOW YOU TO RENEW UNCONDITIONALLY AFTER THE INITIAL TERM EXPIRES. YOU MAY HAVE TO SIGN A NEW AGREEMENT WITH DIFFERENT TERMS AND CONDITIONS IN ORDER TO CONTINUE TO OPERATE YOUR BUSINESS. BEFORE YOU BUY, CONSIDER WHAT RIGHTS YOU HAVE TO RENEW YOUR FRANCHISE, IF ANY, AND WHAT TERMS YOU MIGHT HAVE TO ACCEPT IN ORDER TO RENEW.

Please consider the following RISK FACTORS before you buy this franchise:

THE FRANCHISE AGREEMENT REQUIRES YOU TO RESOLVE DISPUTES WITH US BY ARBITRATION ONLY IN NEBRASKA. OUT-OF-STATE ARBITRATION MAY FORCE YOU TO ACCEPT A LESS FAVORABLE SETTLEMENT FOR DISPUTES. IT MAY ALSO COST YOU MORE TO ARBITRATE WITH US IN NEBRASKA THAN IN YOUR OWN STATE.

YOU, YOUR SPOUSE, AND ALL THOSE WITH ANY INTEREST IN YOUR FRANCHISED BUSINESS MUST ENTER INTO A NON-COMPETE AGREEMENT AND GUARANTEE ALL OF THE OBLIGATIONS UNDER THE FRANCHISE AGREEMENT, THEREBY PLACING PERSONAL AND MARITAL ASSETS AT RISK.

THE FRANCHISE AGREEMENT STATES THAT NEBRASKA LAW GOVERNS THE AGREEMENTS, AND THIS LAW MAY NOT PROVIDE THE SAME PROTECTION AND BENEFITS AS LOCAL LAW. YOU MAY WANT TO COMPARE THESE LAWS.

YOUR FRANCHISE MAY BE TERMINATED IF YOU FAIL TO MEET BILLING REQUIREMENTS SET BY FRANCHISOR, AND FRANCHISOR MAY INCREASE YOUR BILLING REQUIREMENTS BY 5% EACH YEAR.

THERE MAY BE OTHER RISKS CONCERNING THIS FRANCHISE.

We use the services of one or more FRANCHISE BROKERS or referral sources to assist us in selling our franchise. A franchise broker or referral source represents us, not you. We pay this person a fee for selling our franchise or referring you to us. You should be sure to do your own investigation of the franchise.

We have a parent, RiseMark Brands, Inc. (formerly known as Caring Brands, Inc.), a Nebraska corporation that was incorporated on January 3, 2014. RiseMark Brands, Inc. is located at 2111 S. 67th Street, Ste. 410, Omaha, NE 68106. On January 8, 2014, we became a wholly-owned subsidiary of RiseMark Brands, Inc.

We have three affiliates: Teryl Corp., a Nebraska corporation that was incorporated in May 1995; Right at Home International (“**RAHI**”), a Nebraska corporation that was incorporated in March 2009; and, IKOR International, Inc. Teryl Corp. is located at 13304 West Center Road, Omaha, Nebraska 68144 and its telephone number is (402) 697-7536. It operates a business similar to the Franchised Business by providing non-medical in-home care assistance and companionship services. In October 1998, Teryl Corp. began offering healthcare supplemental staffing services. In July 2001, Teryl Corp. began offering home health services. It does not offer franchises in any line of business. Allen Hager, our President, has been a 50% owner of, and has operated, Teryl Corp.

RAHI is located at 6464 Center Street, Suite 150, Omaha, Nebraska. RAHI is licensed by RAH to use its Marks and System. IKOR USA, Inc. granted franchises offering healthcare advocacy, financial advocacy,

and personal and estate guardianship services to seniors and the disabled from February 2008 until March 2014. IKOR USA, Inc. had not offered franchises in any other line of business.

The Franchised Business

Right at Home Franchised Businesses specialize in an array of services including, but not limited to, providing hands-on personal care, non-medical care, in-home care, assistance and companionship care services to seniors and other adults (the “**Core Services**”) and (i) supplemental staffing services for nursing homes, hospitals, other home health agencies and other medical settings and (ii) skilled nursing and other in-home medical care; and (iii) other related products, materials, and equipment that we have or may develop and implement that you are authorized, but not required, to provide (the “**Ancillary Services**”) (the Core Services and Ancillary Services are collectively referred to as a “**Franchised Business**”). We grant franchises for, and may periodically operate, businesses under the “Right at Home” trademark which is our principal mark; and we use a secondary mark “RAH Staffing Services” to identify our supplemental staffing services.

Unless prohibited by state or federal law, if you desire to offer to your clients Ancillary Services relating to skilled nursing (“**Skilled Nursing Services**”), you must apply to us for our prior written approval, which we have the right to provide or deny. To be eligible to offer Skilled Nursing Services: you must have operated your Franchised Business for at least eighteen (18) months; you must not have any uncured defaults under the Franchise Agreement; you or a qualified person designated by you must have successfully completed our applicable training program; you must comply with all federal, state, and local laws and regulations, including obtaining all applicable licenses and permits; you must follow the guidelines outlined in the Home Health Policy and Procedure Manual; you must satisfy any other requirements established by us that we believe are necessary for a Franchised Business to offer Skilled Nursing Services; and, you must execute an amendment to the Franchise Agreement in a form similar to **Exhibit G** to the Franchise Agreement. If permitted by applicable law, you may determine the referrals for services you will accept based on the skill level of your personnel. We have the right to revoke our approval for you to offer Skilled Nursing Services if you fail or refuse to continue to meet any of these conditions. If you acquire the right to operate an existing Franchised Business, you must also meet these requirements to offer Skilled Nursing Services.

Each Franchised Business operates in accordance with our system (“**System**”). The distinguishing characteristics of the System include the Right at Home Confidential Operations Manual, uniform operating methods, procedures, and techniques; other confidential operations procedures; and, methods and techniques for record keeping, personnel management and training, marketing and advertising (collectively, the “**Operations Manual**”); and, the “Right at Home” and “RAH Staffing Services” marks along with other means of identification including certain trademarks, service marks, and logos as are now designated or may be designated in the future (collectively, the “**Marks**”), all of which we may change, improve and further develop periodically.

As described in this Franchise Disclosure Document, we offer a franchise grant for a single Franchised Business under the terms and conditions of the Franchise Agreement attached as **Exhibit B**, which will be the actual contract between you and Right at Home and which describes your rights and obligations. If you desire to develop more than one franchised business in a specified territory you must sign a Franchise Agreement for each Franchised Business.

Market and Competition

You will compete with other businesses offering similar services, some of which are part of national or regional franchised and non-franchised chains. The hands-on personal care, non-medical care, in-home care assistance, companionship care services, and Skilled Nursing Services, if applicable, will be offered

primarily to seniors or other individuals. The supplemental staffing services in health care will be offered to nursing homes, hospitals, other home health agencies, and other medical settings. The market for in-home care services and for supplemental staffing services in health care is highly developed in most markets.

Industry Specific Regulations

You must comply with all federal, state and local laws and regulations that apply to your operations, including those pertaining to the health care industry, professional and facility licensing, workers' compensation, corporate, tax, environmental, sanitation, insurance, no smoking, EEOC, OSHA, non-discrimination, employment and sexual harassment laws.

You should consider the following types of regulation that may apply to the ownership and operation of your Franchised Business:

A. Licensure; Record Keeping

You must obtain and maintain any health care or employment related permits, licenses, certifications or other indications of authority necessary for the operation of your Franchised Business, including, for example, a home health agency license, nurse staffing and/or employment agency license. Some jurisdictions may also require a Certificate of Need. Some states require you to obtain a license to provide employment services. Local law may require you to obtain a particular permit, license or accreditation. Some states have imposed a moratorium on the issuance of home health agency licenses, nurse staffing licenses, and other in-home healthcare licenses or permits. You are responsible for investigating the availability and requirements for obtaining all necessary licenses in your state.

Many states have licensing, certification or registration requirements applicable to the services you will be providing as a Right at Home franchisee. You therefore may be required to register as a home health agency, nurse staffing and/or employment agency and to comply with the screening requirements of health care workers. State licensing, certification and registration statutes may require a minimum level of education or related work experience and/or the payment of a fee in order to obtain the license.

In addition to obtaining business licenses, your staff may also need to be licensed, registered, or certified to perform certain services. You may also be required to have a full-time registered nurse (RN) to comply with the regulations in your state governing nursing agencies and/or home health agencies and to provide services through licensed individuals. You should inquire about any applicable laws and your corresponding obligations and cost of compliance.

Some states may also have specific record-keeping or other requirements for health care providers. You will be responsible for investigating and complying with any such laws that may apply in your territory.

B. Anti-Kickback Laws

Certain provisions of the Social Security Act, commonly referred to as the "Anti-Kickback Act," prohibit the offer, payment, solicitation or receipt of any form of remuneration either in return for the referral of patients or patient care opportunities paid in whole or in part by a federal health care program, including the VA, or in return for the recommendation, arrangement, purchase, lease or order of items or services paid in whole or in part by a federal health care program, including VA benefits. The Anti-Kickback Act is broad in scope and has been broadly interpreted by courts in many jurisdictions. The Anti-Kickback Act prohibits many business courtesies and arrangements that are common outside the health care industry.

Additionally, a number of states have enacted laws which prohibit payment for referrals and other types of “kickback” arrangements. These state laws sometimes apply to all patients regardless of their insurance coverage.

C. Other Federal Regulations

There are a number of federal laws prohibiting certain activities and arrangements relating to services or items that are reimbursable by Medicare or Medicaid. While Medicare and Medicaid laws may not apply to your Franchised Businesses, these laws may apply to those facilities, including laws prohibiting Medicare- or Medicaid-participating facilities, from employing providers excluded from those programs. If a practitioner is an excluded provider from Medicare or Medicaid, he or she will be prohibited from receiving payment from that facility. It is your responsibility to determine whether and to what extent employees of your Franchised Business need to be screened for their possible excluded status in these or other payment programs.

To the extent your Franchised Business accepts reimbursement directly from the VA, it will be required to satisfy the applicable regulatory requirements the VA imposes on its vendors, including but not limited to the Federal Acquisition Regulations and various VA contract requirements. The False Claims Act imposes civil liability on persons or corporations which submit or cause to be submitted false or fraudulent claims for payment to the government. A violation of the False Claims Act may result in liability for fines, treble damages, attorneys’ fees and exclusion from federal health care programs.

We require all of our franchisees to be compliant with the portions of the Health Insurance Portability and Accountability Act (“**HIPAA**”) which require health care providers to submit transactions related to payment in standard electronic formats and regulate the security and privacy of health data, and HIPAA’s implementing regulations, including the HIPAA Privacy Rule, HIPAA Breach Notification Rule, HIPAA Security Rule, HITECH Act, and Omnibus Rule. Under HIPAA’s privacy and security regulations, you must implement privacy and security policies and safeguards, designate a privacy and security officer, inform individuals how their health information is used and disclosed, provide access to health information, and give notice of certain breaches of protected data. To help you comply, we have designated a third party supplier to provide you with various tools for implementing your own compliance program (See ITEM 11). In addition, if you engage a third party to perform functions that require access to patients’ personal information, you are required to execute a business associate agreement (“**Business Associate Agreement**”) in a form similar to the form of agreement between you and us (Exhibit E to the Franchise Agreement).

D. General Matters

Laws and regulations may change at any level of government at any time, resulting in increased scrutiny applied to medical, home care, and/or staffing agencies by various levels of government. As such, the costs of compliance may increase. You are responsible for keeping informed about changes in legislation that may impact the operation of your Franchised Business. We strongly urge you to consult with competent local counsel regarding all of the laws and regulations described above and others that may be applicable to you and your Franchised Business.

This document does not include all laws that may apply to your Franchised Business. You should also be aware of pending legislation that may affect your Franchised Business in the future.

We have resources available as a reference to you, but you are solely responsible for investigating, understanding and complying with the laws, regulations and requirements applicable to you and your Franchised Business.

ITEM 3. LITIGATION

Garcia and Luciano v. Right at Home, Inc., Kenny Enterprises, LLC D/B/A Right at Home, Jay Kenney and Rosaleen Doherty, C.A. No. 15-808 B.L.S. (Suffolk County, MA filed March 23, 2015). Plaintiffs filed a Complaint against us, Brian Petranick, Allen Hager and our franchisees in Massachusetts. We and all of the other defendants subsequently served the plaintiffs with a motion to dismiss. In response, the plaintiffs filed a First Amended Complaint on June 19, 2015. In their Amended Complaint, plaintiffs allege that their employer, Kenney Enterprises, LLC, violated the Massachusetts wage and hour laws by failing to (a) pay them for time spent traveling between appointments, and (b) reimburse them for travel-related expenses. The plaintiffs are seeking damages, interest and attorneys' fees. They also claim that we are jointly liable for these violations as a joint employer because we controlled, or had the right to control, the wage and hour policies of Kenney Enterprises. We, Petranick, and Hager filed a new motion to dismiss on August 6, 2015. The Court dismissed the claims against Petranick and Hager on January 21, 2016. The Court denied our motion to dismiss. The parties currently are engaged in discovery. The court has not yet set a trial date. We deny the claims made against us and intend to defend our self vigorously.

Other than this action, no litigation information is required to be disclosed in this Item.

ITEM 4. BANKRUPTCY

No bankruptcy information is required to be disclosed in this Item.

ITEM 5. INITIAL FEES

Single Unit Franchises

The standard initial franchise fee for one Franchised Business is \$47,500 for all franchisees who attend our Discovery Day prior to April 22, 2016 and sign Franchise Agreements by April 29, 2016 or, if you reside in or will operate your Franchised Business in a state where we are required to renew the registration of the franchise (see Page iv), sign a Franchise Agreement within 20 days after our renewal is approved and we send you this Franchise Disclosure Document and a Franchise Agreement (the “**Initial Franchise Fee**”). The Initial Franchise will be \$48,500 for all Franchise Agreements signed after April 29, 2016 or more than 20 days after our renewal is approved and we have sent you this Franchise Disclosure Document and a Franchise Agreement. If we are required to amend our franchise registration prior to the expiration of the 20-day period; then, the 20-day period will restart when the amendment to our franchise registration is effective and we have sent you a revised Franchise Disclosure Document.

The Initial Franchise Fee is charged for a franchise to operate from one location in an assigned specific territory that we describe as the “**Designated Area**.” The Initial Franchise Fee offsets the expenses that we incur in marketing, researching, awarding and training franchisees. When paid, the Initial Franchise Fee is fully earned by us and non-refundable. The Initial Franchise Fee is payable at the time you sign the Franchise Agreement. The Designated Area will be defined by ZIP codes and generally includes a population of approximately 15,000 – 30,000 people aged 65 and older, as more thoroughly explained in Item 12. We currently use Intelligent Direct, Inc. for demographic information; but, we reserve the right to use the services of any reputable marketing information resource. Intelligent Direct, Inc. is a Pennsylvania corporation with its principal office in Wellsboro, Pennsylvania.

During fiscal year 2015, the range of Initial Franchise Fees collected was between \$40,500 (\$45,000 less the VetFran discount) and \$47,500.

The Initial Franchise Fee is uniform to all franchisees under this offering. You pay us no other fees or payments for services before your Franchised Business opens.

Multiple Unit Owners

At our discretion, we may offer qualified candidates the right to open and operate multiple Franchised Businesses. If you enter into one or more other Franchise Agreements at the same time, and the Designated Areas granted to you under the Franchise Agreements are contiguous, your Premises for the operation of the Franchised Business under each Franchise Agreement may be at the same Premises. If we authorize you to do so, you will execute the appropriate amendments to the various Franchise Agreements provided in **Exhibit F** to the Franchise Agreement (See Item 11).

We will discount the Initial Franchise Fee for Additional Franchise Agreements by 25% if you sign the Franchise Agreements and pay the Initial Franchise Fees at the same time or do so prior to opening the office of your first Franchise Agreement.

Referral Program

We have developed a referral program, detailed in the Operations Manual, which provides an incentive to our current franchisees to attract new franchisees who will contribute to the ongoing growth of our franchise system or IKOR.

VetFran

To honor those men and women who have served in the U.S. military, the Veterans Transition Franchise Initiative, known as “VetFran”, was developed to help those individuals transition to civilian life.

This initiative is a voluntary effort of International Franchise Association (IFA) member-companies and is designed to encourage franchise ownership by offering financial incentives to honorably discharged veterans. We offer a ten percent (10%) discount of the Initial Franchise Fee for the first Franchised Business to individuals who qualify under VetFran. This 10% discount does not apply to any Additional Franchise Agreements if any other discount applies.

NOTES:

1. Net Billings. The term "Net Billings," as used here and throughout this Franchise Disclosure Document, will mean and include the total of all revenues from the operation of the Franchised Business whether received in cash, in services in kind, from barter and/or exchange, on credit (whether or not payment is received therefor) or otherwise. There will be deducted from Net Billings for purposes of said computation (but only to the extent they have been included) the amount of all sales tax receipts or similar tax receipts which, by law, are chargeable to clients; provided, that such taxes were separately stated when the client was charged and such taxes were paid to the appropriate taxing authority. There will be further deducted from Net Billings the amount of any documented refunds, chargebacks, credits and allowances given in good faith to clients by you, mileage expense, or any reimbursed expense. (See Section 10.1.2, Franchise Agreement)

2. Local Marketing and Sales. Each calendar month you must spend at least 2% of your Net Billings on local marketing and sales. So long as the Brand Marketing and Promotion Fee is greater than one percent (1%) of weekly Net Billings, then your local marketing, sales and promotion expenditures will reduce so that your required total combined expenditures on local marketing, sales and promotion, other Promotional Materials and Brand Marketing and Promotion Fee payments will not exceed three percent (3%) of Franchisee's Net Billings. You will make the expenditures directly, subject to our approval and direction. If requested by us, within 30 days of the end of each calendar month, you must furnish to us, in a manner we approve, an accurate accounting of your expenditures on marketing and sales for the preceding

calendar month just ended. We may provide guidelines for local advertising and any deviation from the guidelines requires our prior written approval and you will maintain Internet presence (Section 9.2, Franchise Agreement). Also see Item 11(B)(8).

3. Brand Marketing and Promotion Fee. In January 2014 we established a Brand Marketing and Promotion Fund to promote expansion and increase brand awareness and preference of the System. Your required contributions will be limited to an amount not greater than two percent (2%) of your weekly Net Billings on the first \$1,000,000 of Net Billings each calendar year plus one percent (1%) of your weekly Net Billings on the next \$2,000,000 of Net Billings each calendar year. See Item 11(D).

4. Insurance Policies. The following is a list of the required coverages with their respective minimum limits of coverage: (See Section 14.2, Franchise Agreement)

a. Commercial Property or “Special” form coverage insurance on business property used in the operation of the Franchised Business for full repair as well as replacement value of the property, except that an appropriate deductible clause will be permitted not to exceed \$2,500.

b. Workers’ Compensation and Employer’s Liability insurance and, in some jurisdictions, stop gap liability (also known as Employers Contingent Liability), as well as such other insurance as may be required by statute or rule of the state and county in which the Franchised Business is located.

c. Commercial General liability insurance, including a per location aggregate including the following coverages: Medical Professional Liability or Healthcare Provider Professional Liability; broad form blanket contractual liability; personal and advertising injury; products/completed operations; medical payments and fire damage liability; insuring Franchisor on a primary and noncontributory basis and Franchisee against all claims, suits, obligations, liabilities and damages, including attorney fees, based upon or arising out of actual or alleged personal injuries or property damage resulting from, or occurring in the course of, or on or about or otherwise relating to the Franchised Business, including coverage in the following limits:

Coverage	Minimum Limits of Coverage
General Aggregate	\$3,000,000
Professional Liability	\$1,000,000
Products/Completed Operations Aggregate	\$3,000,000
Personal and Advertising Injury	\$1,000,000
Each Occurrence	\$1,000,000
Fire Damage (Legal Liability)	\$50,000
Sexual Abuse and Molestation (each occurrence)	\$500,000
Sexual Abuse and Molestation (aggregate)	\$500,000
Umbrella Coverage over existing Commercial General Liability, Professional Liability, Commercial Automobile Liability, and Employer’s Liability	\$1,000,000
Employment Practices Liability Insurance	\$1,000,000
Wage & Hour claims defense	\$100,000

Should any liability policy(ies) be written on a “claims-made” basis for trigger of cover, the policy(ies) “Retroactive Date” will at all times be the original inception date of the first claims-made liability policy acquired for insuring you or the franchisee entity. Should the claims made liability policy(ies) be replaced, full retro dated coverage is required. Should any policy(ies) be terminated or cancelled for any reason, or a “claims made” policy(ies) be rewritten to an

“occurrence form” of coverage, the franchisee must maintain at a minimum and secure two (2) additional years of “Extended Reporting Period” for claims that may not be discovered until after policy termination.

d. Business interruption extra expense insurance for actual losses sustained, for a period of indemnity not less than a six (6) month period.

e. Commercial Automobile Liability insurance including all owned, non-owned and hired vehicle coverage with a combined single limit of at least one million dollars (\$1,000,000) each accident, subject to a maximum retention of \$5,000.

f. Such additional insurance and types of coverage as may be required by the terms of any office lease for the Franchised Business, or as we may require periodically. You must name us as “Additional Insured” on a primary basis on your insurance policies for Commercial General Liability, Medical Professional Liability, and Auto Liability, and provide us or our third party representative with an ACORD Form Certificate of Insurance for each policy prior to the commencement of operations of your Franchised Business. The coverages described in this Item 6 must be in full force and effect throughout the term of the Franchise Agreement. You should expect to incur the same fees for each Franchised Business. No other fees or payments are to be paid to us, nor do we impose or collect any other fees or payments for any third party. Any fees paid to us are non-refundable. Fees payable to third parties are refundable based on your agreement with those third parties.

g. Crime-Fidelity Employee Dishonesty coverage with Third Party Crime endorsement added. Limit of insurance must be in a minimum amount not less than \$25,000 subject to minimum state requirements and a deductible per claim of not more than \$1,000.00.

h. For franchisees that are approved by us to provide Skilled Nursing Services, Network Security/Data Breach (Cyber Liability) coverage for a minimum of \$1,000,000 in coverage.

In addition to the required coverages described above, we also recommend and reserve the right to require you to purchase additional insurance coverages, as necessary, including 3rd Party Employment Practices Insurance and Cyber Liability Insurance.

5. Continuing Education. As a franchisee you will have the opportunity to attend the Right at Home annual meeting held each year, where you can participate in various sessions that offer insight and learning opportunities to help you run your Franchised Business. The fee for the annual meeting is set several months prior to the meeting and we do not currently expect it to exceed \$500 per attendee but it may exceed that amount in the future. After the Office for your Franchised Business has been open for approximately 12-24 months and as determined by us, you will be required to complete Profit Mastery University (“PMU”), an online training program which is provided by a third party, Business Resource Services (“BRS”). As a franchisee, you may also have the opportunity to participate in facilitated performance groups that focus on your business performance. You will not be allowed to participate in any facilitated performance groups (continuing education opportunities that focus on your business performance) until you have completed PMU. PMU will also be required of franchisees who desire to purchase additional Franchised Businesses. Currently, we anticipate that your cost to access PMU will be approximately \$395, which you will be required to pay directly to BRS. You will also be required to pay your expenses as well as your employees’ expenses to attend any such performance group meetings. If your Franchised Business is approved by us to offer Skilled Nursing Services, you or a qualified person designated by you must successfully complete our training program specifically relating to Skilled Nursing Services, which will not exceed 5 days in duration. We have the right to charge a fee for any of these

additional continuing educational training programs, seminars, or webinars to cover our costs of providing such programs.

6. Range or Formula of Fees/Expenses. The ranges and categories of fees/expenses listed on the table above are based solely on the experience of franchisor to date and your expenses may be significantly different depending on the suppliers you use and local costs. The coverages included in this Franchise Disclosure Document are the recommended minimums, but they may not be adequate for all losses of every type and size. We encourage you to make decisions with the advice of your insurance consultant and legal counsel. See Items 7 and 8 that follow for additional information.

NOTES:

1 Initial Franchise Fee. If you attend our Discovery day prior to April 22, 2016 and sign a Franchise Agreement by April 29, 2016, the Initial Franchise Fee is \$47,500 or, if you reside in or will operate your Franchised Business in a state where we are required to renew the registration of the franchise (see Page iv), within 20 days after our renewal is approved and we send you this Franchise Disclosure Document and a Franchise Agreement. The Initial Franchise will be \$48,500 for all Franchise Agreements signed after April 29, 2016 or more than 20 days after our renewal is approved and we have sent you this Franchise Disclosure Document and a Franchise Agreement. The Initial Franchise Fee is described in greater detail in Item 5 of this Franchise Disclosure Document. If you are a veteran of the U.S. military, please see Item 5 for information on the Veterans Transition Franchise Initiative, known as “VetFran.”

2 Real Property. You must provide a location other than a personal residence from which to operate the Franchised Business, and the open office must exist solely and exclusively for the operation of the Franchised Business. Normally, space is obtained on a leasehold basis. The floor area recommended for the Franchised Business is approximately 600 to 800 square feet. The estimate for rental property represents a high-end annual lease rate of \$23 per square foot for 800 square feet of space. The low-end estimate represents an annual lease rate of \$18 per square foot for 600 square feet of space. Additionally, there may be lease acquisition costs in the nature of deposits. It is extremely difficult to estimate lease acquisition costs because of the wide variation in these costs among various locations. We will not assist in financing this expenditure.

3 Rent Deposits. A rent deposit may be required by your landlord.

4 Leasehold Improvements. Minimal leasehold improvements are generally required before operation. These costs again vary based on the size of the business and requirements of a particular landlord, depending upon whether or not the improvements are capitalized as part of the lease.

5 Insurance. Requirements are described in greater detail in Item 6 of this Franchise Disclosure Document. This estimate is for estimated first year premiums of all insurance except office contents and workers’ compensation insurance which vary by location.

6 Furniture and Fixtures. The range represents the approximate costs associated with acquiring the furniture, including desks, chairs, shelves and phone system.

7 Computer Hardware and Software. The range represents the approximate costs associated with acquiring the Franchisor required computer hardware, software and high speed internet service.

8 Other Office Equipment and Supplies. The range represents the approximate costs associated with acquiring basic office supplies and fax/copy machine.

9 Training. You are responsible for arranging transportation and paying the expenses for meals and lodging for any persons attending our training program. The amount expended will depend on the distance you must travel and the type of accommodations you choose. The low estimate contemplates attendance by one person traveling to our headquarters in Omaha, Nebraska or other designated location for approximately 12 days. The high estimate contemplates attendance by two people traveling to our headquarters or other designated location for approximately 12 days.

10 Initial Opening Marketing. The range represents the approximate costs associated with promoting the opening of your location.

11 Permits. State and local government licensing and registration fees vary considerably from state to state and you must check into and verify the amount of the fees.

12 Professional Fees. This range represents the approximate costs associated with attorney and CPA fees.

13 Signage. This range includes the cost of all requisite signage used in the Franchised Business.

14 Additional Funds. Such amounts are the minimum recommended levels to cover operating expenses, including employees' salaries for 3 months. However, we cannot guarantee that such an amount will be sufficient. The amounts do not include money for Franchise owner's compensation. Additional working capital may be required if sales are high or fixed costs are high. The disclosure laws require us to include this estimate of all costs and expenses to operate a franchise during the "initial phase" of your business, which is defined, for purposes of this Section, as 3 months or a longer period if "reasonable for the industry." We are not aware of any established longer "reasonable period" for the industry, so the disclosures cover a 3-month period.

15 Total Investment. In compiling this list of expenditures, we relied on our experience involving Franchised Businesses and data from a sampling of recently opened Franchised Businesses. The amounts shown are estimates only and may vary for many reasons including the size of a Franchised Business, the capabilities of your management team, where you locate your Franchised Business, and your business experience and acumen. For planning purposes, please note that most costs and expenses listed in this Item 7 are not within our control and are affected more by general economic conditions than our actions. This does not include any personal living expenses, Franchise owner compensation, royalty, or company-wide brand marketing and promotion fund contributions. You should review these estimates carefully with a business advisor or accountant before making any decision to buy a franchise. We do not offer direct financing to you for any item. All or part of your investment may be financed by a bank or other lending institution on terms we cannot estimate. Once you sign the Franchise Agreement, no payment you make to us is refundable.

ITEM 8. RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Approved Supplies and Suppliers

You must operate the Franchised Business according to our System standards. System standards include the matters in the Operations Manual and they may regulate among other things, the types, models and brands of required equipment, signs, stationary, promotional materials and other items necessary to operate the Franchised Business. From time to time, we will provide you a list of approved manufacturers, suppliers and distributors authorized to supply items or services used to operate the Franchised Business ("**Approved Suppliers List**") and a list of approved products, materials, equipment, signs, stationary, supplies and other items or services necessary to operate the Franchised Business or offer for sale to clients of a Franchised Business ("**Approved Supplies List**"). You must purchase, sell and use only those suppliers and supplies that are listed on the Approved Suppliers List or Approved Supplies List. We do not have an affiliate that is a supplier of products or services to us or any franchisee. Currently neither we nor any of our affiliates are approved suppliers or the only approved suppliers of any good or service. Neither we nor any of our officers or principals owns an interest in any of our Approved Suppliers.

Any item used in the Franchised Business that is not specifically required to be purchased in accordance with the Approved Suppliers List or the Approved Supplies List must conform to our established standards and specifications.

We apply the following general criteria in approving a proposed supplier:

1. Ability to provide sufficient quantity of product;
2. Quality of products and/or services at competitive prices;
3. Production and delivery capability; and
4. Dependability and general reputation.

We may revoke approval of a supplier if a supplier no longer meets these general criteria. You will receive notice of our approval or disapproval of a proposed supplier within 30 days of our receipt of all pertinent information.

If you would like to offer for sale to clients of the Franchised Business or use to operate the Franchised Business any product, material, equipment or supply or purchase any products from a supplier not on either of these lists, you must obtain our prior written approval. In that case, you must notify us and submit to us all information, specifications and samples that we may request regarding a supplier, service or product proposed by you. We may require that our representatives be permitted to inspect the proposed supplier's facilities and that samples from the proposed supplier be delivered to us for evaluation and testing. We have the absolute right to determine whether such supplier's goods or products meet the System standards and our specifications, and may approve or disapprove any proposed supplier. We will typically provide response to such written request within 30 days from the date we receive your written request and the necessary items we require for review. Although products, services or suppliers may be approved by us, we and our affiliates expressly disclaim all warranties, including warranties of merchantability and fitness for any particular purpose, with respect to products, services, fixtures, furniture (including without limitation any required computer systems), signs, stationary, supplies or other approved items sold to or provided to you by us or any third-party, including any Approved Supplier. We reserve the right to designate exclusive suppliers, the right to designate us or our affiliate(s) as an approved or exclusive supplier, and the right to earn fees on Franchisee purchases from suppliers. We do not charge you a fee to obtain our approval for a supplier.

Standards and Specifications

In addition to using services and products which are required to be purchased from Approved Suppliers or must be Approved Supplies, you may be obligated to purchase items that meet our minimum guidelines, standards and specifications. Our guidelines, standards and specifications may impose minimum requirements for quality, uniformity, design and appearance. Those will be communicated to you in our Operations Manual or other communication used in our System. Presently, we have established guidelines, standards and specifications for all advertising, promotion and logo use. You must adhere to our guidelines, standards and specifications for content, size, color paper stock and typeface. All advertisements are subject to our approval or disapproval and we must be given at least 10 business days to review your advertisements. If we or our designated agent fails to respond to you in 10 business days, then such advertisements will be deemed to be approved by us. In addition, your insurance policy must meet our minimum specifications as prescribed in Item 6. We will also provide you with an array of operating forms and other supplies which you will reproduce and must use in the operation of your Franchised Business.

Computer Hardware and Software

You are required to purchase and utilize computer hardware and software as more fully described in Item 11 of this Franchise Disclosure Document.

Miscellaneous

There are currently no purchasing or distribution cooperatives. We may negotiate discounted group rates, as we deem appropriate, for purchases of office supplies, printing, and other items necessary for the operation of the Franchised Business. We currently have supply purchase agreements in effect for items including office supplies, insurance, payroll services, background checks, answering services, printing, and training.

We receive no revenue or other material consideration from any suppliers as a result of purchases by you or other franchisees. While we intend to pass through to our franchisees all revenue received from suppliers, we retain the right to offset administrative costs incurred by us because of franchisee purchases.

We estimate that approximately 15% to 25% of your expenditures for leases (excluding real estate) and purchases in establishing your Franchised Business and less than 25% of your expenditures on an ongoing basis will be for goods and services which are subject to sourcing restrictions (that is, for which supplies we must approve, or which must meet our standards or specifications).

For our fiscal year ended December 31, 2015, we did not receive any revenues from franchisees for purchases of services and products from franchisor. We do not provide or withhold material benefits to you (such as renewal rights or the right to open additional businesses) based on whether or not you purchase through the sources we designate or approve; however, purchases of unapproved products or from unapproved vendors in violation of the Franchise Agreement will entitle us, among other things, to terminate the Franchise Agreement.

Brand Marketing and Promotion Fee. In January 2014 we established a brand marketing and promotion fund to promote expansion and increase brand awareness and preference of the System (“**Brand Marketing and Promotion Fund**”). Contributions to the Brand Marketing and Promotion Fund began in July 2014 (“**Brand Marketing and Promotion Fee**”). You are required to participate in the Brand Marketing and Promotion Fund and pay the Brand Marketing and Promotion Fee. The Brand Marketing and Promotion Fee is two percent (2%) of Franchisee’s weekly Net Billings on the first \$1,000,000 of Net Billings each calendar year, plus one percent (1%) of Franchisee’s weekly Net Billings on the next \$2,000,000 of Net Billings for such calendar year and each calendar year thereafter. When the Brand Marketing and Promotion Fee is greater than one percent (1%) of weekly Net Billings, then your local marketing, sales and promotion expenditures detailed in Section 9.2 of the Franchise Agreement will reduce so that your required total combined monthly expenditures on local marketing, sales and promotion, other Promotional Materials detailed in Section 9.2 of the Franchise Agreement and Brand Marketing and Promotion Fee payments will not exceed three percent (3%) of your Net Billings.

If you operate more than one Franchised Business in Designated Areas within the same Metropolitan Statistical Area (as that term is defined by the U.S. Government from time to time) or other similar geographic area designed by us, then your maximum Brand Marketing and Promotion Fee will be based on the Net Billings from all Designated Areas in the same Metropolitan Statistical Area or other similar geographic area designated by us (the “**MSA Cap**”). You must pay the Brand Marketing and Promotion Fees weekly in the same manner as the Royalty Fee or as otherwise prescribed in the Operations

Manual until you pay the maximum amount that you are obligated to contribute each calendar year. All franchisees are required to contribute to the Brand Marketing and Promotion Fund on the same basis; provided, however, some franchisees may not be obligated to do so under their current franchise agreements. The Brand Marketing and Promotion Fees will be paid directly into the Brand Marketing and Promotion Fund and will be used by us to develop and implement programs to promote expansion and increase awareness and preference of the Right at Home brand. We reserve the right to reduce, terminate or suspend the Brand Marketing and Promotion Fee at any time during the initial term, or any renewal term, with input and advice from the Brand Marketing and Promotion Council (as defined below); provided, that the contribution will not exceed the MSA Cap each calendar year. We will hold the Brand Marketing and Promotion Fund contributions in a separate account to be expended only as described below. The Brand Marketing and Promotion Fund will not be commingled with our funds or considered to be income of ours; but, will be held in the separate account to be expended as set forth in the Franchise Agreement. Any business operated by us or our Affiliates under the same Marks as the Franchised Business will contribute to the Brand Marketing and Promotion Fund on the same basis as franchisees. We also reserve the right to terminate or suspend the Brand Marketing and Promotion Fund at any time, but we will seek the advice of the Brand Marketing and Promotion Council prior to doing so. If we terminate the Brand Marketing and Promotion Fund, any unused Brand Marketing and Promotion Fees in the Brand Marketing and Promotion Fund will be paid back to all franchisees in the System in proportion to their contributions to the Brand Marketing and Promotion Fund during the preceding 12 months.

The Brand Marketing and Promotion Fund will only be used for the following:

- The development of programs and materials to build brand awareness and preference with referral sources, consumers, insurance companies or related businesses, health care providers, facilities, social service organizations and others at the local, regional, and/or national level.
- Local, regional, or national advertising, promotions, marketing, public relations, and/or direct sales including print, social media, Internet or web based, direct mail, radio or television; development and maintenance of any Internet and/or e-commerce programs, which may include utilizing employees or third parties to administer and/or update approved Internet and social media websites used by franchisees; Internet promotions and on-line marketing activities, and related expenses.
- The creation, production and placement of commercial advertising; agency costs and commissions; creation and production of video, audio and written advertisements; market research and research agency fees; administering local, regional, or national advertising programs, direct mail, promotions, public relations, Internet/e-commerce, social media, and other media advertising.
- The attendance or participation in local, regional, or national tradeshows, conferences, exhibitions where promoting the brand would be appropriate; affiliate with national/community organizations to leverage the brand.
- Developing and administering sales, marketing, and/or public relations training or support programs for franchisees utilizing employees or third parties to develop, administer, or conduct the training or support programs and such other programs designed to promote or enhance the brand, with the advice of the Brand Marketing and Promotion Council.

The Brand Marketing and Promotion Fund will not be used for advertising or marketing activities whose principal purpose is to solicit new franchisees. We may engage a third party agency or agencies to assist us with these initiatives in addition to our own in-house efforts. We cannot use the Brand Marketing

and Promotion Fund for communications or materials primarily geared towards franchise sales or solicitations. Any expenditures from the Brand Marketing and Promotion Fund may or may not be proportionate to contributions made by you or provide a direct or any benefit to you. We, with input and advice from the Brand Marketing and Promotion Council, have the right to direct expenditures from the Brand Marketing and Promotion Fund for the purposes described above. Subject to these foregoing limitations, we may accumulate these funds, and the balance may be carried over to subsequent years and used for the purposes stated in the Franchise Agreement. If the Brand Marketing and Promotion Fund needs additional funds at any time to pay for expenditures, with input and advice from the Brand Marketing and Promotion Council, we may loan such funds to the Brand Marketing and Promotion Fund at an interest rate not to exceed five percent (5%) per annum and with repayment terms that will not unreasonably burden the Brand Marketing and Promotion Fund or prevent it from performing its obligations. We may also utilize the Brand Marketing and Promotion Fund to reimburse us for administrative expenses incurred in administering the Brand Marketing and Promotion Fund and the Brand Marketing and Promotion Council. An unaudited annual financial statement and report of the Brand Marketing and Promotion Fund will be prepared and delivered to the Brand Marketing and Promotion Council members and all franchisees participating in the Brand Marketing and Promotion Fund within 120 days after the end of our fiscal year. The report will show the total Brand Marketing and Promotion Fees collected and expenditures from the Brand Marketing and Promotion Fund during the previous fiscal year. We reserve the right to change the name of the Brand Marketing and Promotion Fund from time to time.

For the twelve month period ending December 31, 2015, our Brand Marketing and Promotion Fund expenditures were the following percentages of total expenditures: Production Development (7.3%), Media Placement (90.4%), Administrative (0%); and, Other (Research and Call Center/Call Tracking) (2.3%). None of the expenditures were principally to solicit new franchise sales. During 2014, we loaned \$700,000 to help the Brand Marketing and Promotion Fund get established and pay expenses prior to the date when collection of Brand Marketing and Promotion Fees from franchisees began. This loan will be repaid, in full, by the end of 2016, without interest.

In connection with the Brand Marketing and Promotion Fund, we established a committee composed of franchisees and members of our staff ("**Brand Marketing and Promotion Council**"). The Brand Marketing and Promotion Council consists of not less than seven (7) members, at least four (4) of whom must be franchisees, who will initially be appointed by us. By-laws for the operation of the Brand Marketing and Promotion Council will be prepared and adopted by the initial Brand Marketing and Promotion Council, which will provide that: each franchisee member of the Brand Marketing and Promotion Council will serve for terms that will be not less than two (2) years each and may serve up to two (2) consecutive terms; a franchisee member of the Franchisee Advisory Council may not also serve as a member of the Brand Marketing and Promotion Council and a franchisee member of the Brand Marketing and Promotion Council may not also serve as a member of the Franchisee Advisory Council; elections or appointments of franchisee members to the Brand Marketing and Promotion Council will occur between September 1 and October 31, 2016, based on the procedures established in the by-laws; and we have the right to appoint the members of our staff who serve on the Brand Marketing and Promotion Council and to appoint franchisee members to fill any vacancies that arise.

F. Methods Used to Select the Location of the Franchised Business:

We do not assign a specific office location in your Designated Area. You must lease or own a conventional office location to operate your business. You select your site although it must be within your Designated Area and we must approve the location you propose to use. We have the right to grant or deny the location of your open office/Premises. Generally, we will not own the Premises and lease it to you. You may relocate your open office/Premises within your Designated Area after we approve the location you propose to use. We have the right to grant or deny the relocation of your open office/Premises.

We will use reasonable efforts to help you analyze your market area, determine site feasibility and to assist you in the designation of the franchise location; however, it is your sole responsibility to undertake site selection activities and otherwise secure premises for the Franchised Business.

You must operate the Franchised Business from a conventional office located outside of any personal residence, the office must be located within your designated territory, and the open office must exist solely and exclusively for the operation of the Franchised Business (“**Premises**”). The Premises is subject to our approval, and such approval indicates only that we believe the office falls within the acceptable criteria we have established as of the approval date. Based on the requirements of the Franchise Agreement, the factors we consider for such approval are whether the Premises is located in your Designated Area, if it is located in a conventional office located outside of any personal residence, and if it is used solely and exclusively for the operation of the Franchised Business. Other than these factors, we do not consider any other factors when granting approval of the Premises. We do not: (i) select your office location, (ii) assist you in conforming it to local ordinances and building codes, (iii) assist you with constructing or decorating it, or (iv) provide for necessary equipment, signs or fixture.

G. Typical Length of Time Before Operation:

The typical length of time between the signing of the Franchise Agreement and the opening of your Franchised Business is approximately 115 days. Factors that may affect the time period are obtaining any necessary licenses to operate your Franchised Business (such time may vary considerably among states); obtaining a lease, financing, or building permits; zoning and local ordinances; or delayed installation of equipment, fixtures, signs, etc., together with the variance in performance among franchisees.

It is your obligation to locate a site for your office and to provide us with all necessary information in accordance with the timing requirements established in the Franchise Agreement so that we may approve your Premises in time for you to open your Franchised Business in accordance with the requirements established in the Franchise Agreement. Specifically, if you do so, we will approve your Premises in time for you to open your Franchised Business and have an “open office” not later than the earlier to occur of six (6) months after signing the Franchise Agreement, unless otherwise agreed upon in writing by us or due to licensing requirements imposed by applicable law in the Designated Area. If the Franchise Agreement is for an additional Franchised Business, we will determine if you can operate your Franchised Businesses from the same Premises when you sign your Franchise Agreement or if you will need to open another Premises in the Designated Area of your additional Franchised Business. If you fail to provide us with all such necessary information in accordance with the timing requirements established in the Franchise Agreement, your failure to do so will be a default of the Franchise Agreement and we may, in addition to all other remedies provided for under the Franchise Agreement, terminate the Franchise Agreement. An open office is defined as (i) a Premises, and (ii) such Premises will at all times have at least two full-time equivalent staff members, one of whom may be the Operating Principal and one of whom must have the authority to hire and manage employees and actively market and sell the services and products, materials and equipment of the Franchised Business, and (iii) such Premises continuously provides and supervises home care and/or staffing services, and (iv) such Premises produces and delivers all of Weekly Reports and

others required under the Franchise Agreement. Within the context of a Franchised Business that is re-sold, an open office is defined as the date on which the Franchised Business's office was originally opened.

H. Training:

We will train your Operating Principal (See Item 15) and up to two other persons, one of whom may be another owner or your office manager, for approximately 10 days as described below and commonly referenced to as our phase one training. Each person attending the training program on your behalf must complete phase one of the training program successfully. Phase one training will occur in Omaha, Nebraska at our headquarters or another site we designate after you sign the Franchise Agreement and must be successfully completed at least 30 days before you begin operating your Franchised Business and before you may have an open office. We expect to conduct phase one training approximately 8 to 10 times per year. Phase two of the training program occurs within 6 months after you have begun operating your Franchised Business. Phase two training will occur at the office that you use exclusively for the operation of your Franchised Business or another site we designate. At our expense, we will furnish to you one of our representatives for approximately 2 days for the purpose of facilitating the early stages of your Franchised Business. During this period, our representative will assist you in establishing and standardizing procedures and techniques essential to the operation of your Franchised Business. Our representative will also assist in training your personnel. If you request additional assistance from us in order to facilitate the early stages of your Franchised Business, or if we deem it necessary to provide such additional assistance

to you, you will reimburse us for the expense that we incur in providing such additional assistance to you at the then-current rate as published in the Operations Manual, plus expenses.

Michelle Koester will oversee all training for franchisees utilizing various Right at Home staff members. Ms. Koester is our Vice President of Operational learning. She was our Director of Organizational Learning from September 2011 until January 2016. She was our Director of Training from August 2009 to September 2011. She worked for Cox Communications in Omaha, Nebraska as a Leadership Development Specialist and as a Technical Trainer from September 2004 until August 2009. Ms. Koester holds a Master of Science degree in Adult Learning, Performance and Leadership.

We periodically may provide and require that previously trained and experienced franchisees, their managers, and/or employees attend and successfully complete refresher and updated training programs to be conducted in Omaha, Nebraska at our headquarters or at another site we designate. Attendance at refresher training programs will be at your sole expense, however, attendance will not be required at more than 2 of these programs in any calendar year and will not collectively exceed 5 days in duration during any calendar year. We have the right to charge a fee for any continuing educational training programs, seminars, or webinars to cover our costs of providing such programs. You are required to pay your expenses as well as your employees' expenses when attending these programs.

To be eligible to offer Skilled Nursing Services, you or a qualified person designated by you must successfully complete our training program relating to Skilled Nursing Services to be conducted in Omaha, Nebraska at our headquarters or at another site we designate. This training program will not exceed 5 days in duration. You or a qualified person designated by you may also be required to attend additional training relating to Skilled Nursing Services, as directed by us, which may include online training through our learning management system, teleconferences, and webinars. We have the right to charge a fee for any of these continuing educational training programs, seminars, or webinars to cover our costs of providing such programs. You are required to pay your expenses as well as your employees' expenses when attending these programs.

After the Office for your Franchised Business has been open for approximately 12-24 months and as determined by us, you will be required to complete Profit Mastery University ("PMU"), an online training program which is provided by a third party, Business Resource Services ("BRS"). PMU allows for self-paced learning, and once you gain access to PMU, you will continue to have access to the program as long as you are a Right at Home franchisee. You will not be allowed to participate in any facilitated performance groups (continuing education opportunities that focus on your business performance) until you have completed PMU. PMU will also be required of franchisees who desire to purchase additional Franchised Businesses. Currently, we anticipate that your cost to access PMU will be approximately \$395, which you will be required to pay directly to BRS.

We may periodically conduct an annual conference, convention, or training session and if we do, we will determine its duration, curriculum, and location. We strongly encourage you to attend these programs and we reserve the right to require you to do so. Currently, attendance at these programs is optional and you must pay all travel and living expenses for you and your personnel.

ITEM 12. TERRITORY

Your Designated Area will be defined by ZIP codes and include a population of approximately 15,000 to 30,000 people who are age 65 and older. A list of the ZIP codes will be attached to the Franchise Agreement as **Exhibit A**. ZIP codes are a system of postal codes used by the United States Postal Service ("USPS") and are changed by the USPS from time to time. Changes by the USPS may affect the ZIP codes and the geographic area that makes up your Designated Area. You maintain rights to your Designated Area even though the population increases.

You do not have rights or options to acquire additional franchises after executing a Franchise Agreement. You may apply for the right to operate additional RIGHT at HOME Franchised Businesses under separate Franchise Agreements.

If you are opening an additional Franchised Business under a separate Franchise Agreement and another Right at Home franchisee has been serving clients in an area previously unassigned to any franchisee that is now in your Designated Area, we will, in accordance with the Operations Manual and in the best interests of continuity of client care, permit that franchisee to continue to serve those clients in your Designated Area only if that franchisee was doing so before you executed the additional Franchise Agreement or before you established an open office for the Franchised Business granted to you under the Franchise Agreement.

For your Franchised Business, except as explained below, you will not receive an exclusive territory, known as your “**Designated Area**”. You may face competition from other channels of distribution or competitive brands that we control. While the Franchise Agreement is in effect, you have an open office, and you are in compliance with all of the terms and conditions of the Franchise Agreement, including but not limited to complying with the Net Billings requirement for your franchise, we will not grant the right to another franchisee to operate a Franchised Business in the Designated Area and we will not establish a company-owned or affiliate-owned RIGHT at HOME business in your Designated Area. If, before you execute the Franchise Agreement or before you have established an open office, another Right at Home franchisee has been serving clients in an area previously unassigned to any franchisee that is now in your Designated Area, we will, in accordance with the Operations Manual and in the best interests of continuity of client care, permit that franchisee to continue to serve those clients in your Designated Area.

If you are granted the right to enter into more than one Franchise Agreement and the Designated Areas granted to you under the Franchise Agreements are contiguous, we can authorize you to operate the Franchised Businesses under the Franchise Agreements from the same Premises. If we authorize you do to so, you will execute the appropriate amendments to the various Franchise Agreements provided in **Exhibit F** to the Franchise Agreement (See Item 5).

You must confine the performance of all services and the supply of all related products, materials and equipment to clients located in the Designated Area, except as may be authorized by written communication from us. If you wish to provide Core Services or Ancillary Services or any other related products, materials and equipment outside your Designated Area (e.g., in an area that is not currently assigned to another Right at Home franchisee), then you must first obtain prior written approval from us, which we are under no obligation to grant. If we have granted such approval, you may advertise and promote, use promotional materials, solicit and engage in similar efforts outside of the Designated Area. If we have granted you approval to provide Core Services or Ancillary Services or to advertise and promote, use Promotional Materials, solicit and engage in similar efforts outside of your Designated Area, we may withdraw our approval at any time and for any reason without any further obligation to you.

You do not have the right to use other channels of distribution, such as the Internet, telemarketing or other direct marketing to make sales outside of your Designated Area, unless otherwise permitted in writing by us. We retain the sole right to:

1. Establish and/or license other Franchised Businesses at any location outside of the Designated Area as we deem appropriate;
2. Establish and license others to establish businesses under other systems using the Marks or other proprietary marks, which businesses may be located within or outside the Designated Area, provided,

however, that, except as specifically provided in this Agreement, we will not license or establish a business substantially offering the Core Services within your Designated Area;

3. Advertise and sell the Core Services and Ancillary Services under other trademarks, service marks and commercial symbols through similar or dissimilar channels of distribution, including without limitation, by electronic means such as the Internet and websites we establish and according to terms we deem appropriate within and outside your Designated Area without compensation to you; provided, however, that we do not have the right to sell goods or services in your Designated Area and that all leads for the sale of goods or services in your Designated Area developed by any form of alternate channels of distribution used by us will be directed to you;

5. Advertise the System and communicate about the System, its products and services on the Internet (including social media) and to create, operate, maintain and modify, or discontinue the use of one or more websites using the Marks;

6. Offer for sale products that are ancillary or related to the Core Services and Ancillary Services and needs of clients and customers through our website(s) or through such dissimilar channels of distribution as we determine at our discretion within and outside your Designated Area;

7. Acquire the assets or ownership interest of one or more businesses providing Core Services and Ancillary Services similar to those provided at your Franchised Business, and franchise under a service mark or trademark other than the Marks, license or grant the right to others to operate those businesses once acquired, regardless of whether these businesses are located or operating within your Designated Area; provided, however, that such businesses will not be granted the rights to use the Marks;

8. To be acquired by an entity providing services, products, materials and equipment similar to those provided at your Franchised Business, even if such business operates, franchises and /or licenses competitive businesses in your Designated Area; provided, however, that any business operated directly or indirectly by such acquirer that is similar to the Franchised Business will not be granted the right to operate using the Marks in the Designated Area; and

9. Engage in any other activities not expressly prohibited in this Agreement.

Presently, we have no plans to provide substantially similar services or products under a different mark either through similar or alternative channels of distribution, but reserve the right to do so.

In consideration of our agreement not to grant another RIGHT at HOME franchise in your Designated Area, you must at all times use your best efforts to promote and increase the sales and service of the Franchised Business and to effect the widest and best possible distribution, sale and placement, solicitation and servicing of all potential clients for authorized RIGHT at HOME services throughout the Designated Area. You cannot, without our prior written permission, solicit sales or perform services outside your Designated Area. You must confine all efforts (including any advertising, promotion or solicitation using online or traditional media), as well as performing all services to clients at sites located in the Designated Area unless we otherwise grant permission in advance in writing. If you wish to provide Core Services or Ancillary Services or any other related products, materials and equipment outside of your Designated Area, in unassigned areas, then you must have our prior written approval. Even if we have given our approval, we may, in our discretion, at any time for any reason, withdraw our permission to you to perform further services for either preexisting or new clients outside your Designated Area. As such, you understand that the privilege to perform services outside of your Designated Area may be withdrawn at any time in our sole discretion and thus any operation outside of your Designated Area is at your risk. These conditions on soliciting sales or performing services outside of your Designated Area pertain to all

channels of distribution including, without limitation, by electronic means such as the Internet and websites. In order for you to maintain the exclusivity rights to your Designated Area, you are required, at a minimum, to generate average Net Billings from the operation of the Franchised Business for each four (4) consecutive week period according to the following schedule:

<u>Months of Operation</u>	<u>Average Net Billing Requirement</u>
13-24	\$14,000
25-36	\$23,000
37-48	\$32,000
49-60	\$46,000
61-72	\$55,000
73 and thereafter, including Renewal Term, if any	\$65,000

We may increase the average Net Billing requirements for our franchisees by up to 5% per year upon notice to them. Continuation of your Designated Area exclusivity depends on you achieving the set sales volume and Net Billings. Your failure to achieve the above-referenced Net Billings in any year after you have had an open office for one (1) year and/or maintain the applicable average Net Billing requirements for any period of 12 consecutive weeks after such one-year period, will constitute a default under the Franchise Agreement and, in addition to the other remedies established in the Franchise Agreement, will entitle us to: (i) decrease/reduce or otherwise change the size of your Designated Area; (ii) establish other franchises within your Designated Area; (iii) permit other franchisees to provide services to clients located within your Designated Area; or, (iv) in addition to all other remedies provided under the Franchise Agreement and by law, terminate the Franchise Agreement as provided in the Franchise Agreement. You may cure such default as follows: we will request that you provide us within 30 calendar days with a detailed business plan for meeting the described Net Billing requirements within a reasonable period of time, not to exceed 6 months. Such business plan will be in form and contain substance acceptable to us. If you provide the business plan within the 30 calendar days, we will review it within 14 days after we receive the business plan. If we, in our sole judgment, believe that the business plan is reasonably achievable, we will give to you additional time to meet the Net Billing requirements in accordance with the business plan. If you fail or refuse to provide a business plan within the 30 calendar days, or if we determine that the business plan you submitted is not reasonably achievable, or if we approve the business plan but you fail to meet the Net Billing requirements in accordance with the plan, we may give you notice of termination under the Franchise Agreement. Details as to the form and content required for the business plan and the process described above may be more specifically explained and modified in the Operations Manual.

As the demand for home care services continues to grow so will the likelihood of competition. One could expect to find that the home care market is competitive but not saturated. The needs of the market will provide opportunities for organizations providing quality, dependable services.

ITEM 13. TRADEMARKS

We grant you the right to use certain trademarks, service marks and other commercial symbols in operating a Franchised Business (“Marks”) including the “RIGHT AT HOME” mark (“Principal Mark”). The principal Right at Home commercial symbol which we will license to you appears on the cover of this Franchise Disclosure Document.

Currently there are no effective material determinations of the United States Patent and Trademark Office, trademark trial and appeal board, the trademark administrator of this state or any court; pending infringement, opposition or cancellation; or pending material litigation involving the Principal Mark.

There are no infringing or prior superior uses actually known to us that could materially affect the use of the Principal Mark in this state or any other state in which the Franchised Business is to be located. All required affidavits have been filed. No registration of any Mark has been renewed.

There are no other agreements currently in effect which significantly limit our rights to use or license the use of the Principal Mark in any manner material to your franchise.

All of your usage of the Marks and any goodwill established from their use will inure to our benefit.

You acknowledge that we are the owner of all right, title and interest in the Marks. You will not receive any interest in the Marks. You may not at any time contest the validity or ownership of the Marks, including any Marks that we license to you after you sign the Franchise Agreement.

You must promptly notify us of any claim, demand or cause of action based upon or arising from any attempt by any person, firm or corporation to use the Marks or any colorable imitation of the Marks. We will take whatever action it deems appropriate to protect the Marks. We are not required to defend or otherwise protect you against a claim of infringement or unfair competition arising out of your use of the Marks. We have the right to control any administrative proceedings or litigation involving a Mark. We are not required to participate in your defense or in your indemnification for expenses and damages if you are party to an administrative or judicial proceeding involving a trademark licensed to you, or if the proceeding is resolved unfavorably to you.

You must modify or discontinue using any Mark upon direction to do so from us within a reasonable time after receiving notice from us. We may add to, delete, substitute or modify any or all of our Marks from time to time. You must accept, use or cease using, as may be appropriate, the Marks, including modified or additional Marks in accordance with our prescribed directives, procedures, policies, rules and regulations whether contained in the Operations Manual, Franchise Agreement or otherwise. If You fail or refuse to do so, we may execute in Your name and on Your behalf any and all documents necessary, in our judgment, to comply with this Section; and we are hereby irrevocably appointed and designated as Your attorney-in-fact to do so. You will not be compensated or otherwise reimbursed for expenses resulting from or related to any discontinuance or modification of any of the Marks.

Except as approved by us in writing, you must not use any Mark or part of any Mark as part of any corporate or trade name, in any modified form, nor may you use any Mark in connection with the sale of any unauthorized product or service, or in any other manner we do not authorize in writing. You must give notices of trademark and service mark registrations as we specify and obtain such fictitious or assumed name registrations as may be required under the law.

You may not establish a Web site or any other Web presence on the Internet using any domain name without obtaining our prior written approval. Any domain name cannot contain the words “RIGHT AT HOME”, “RAH STAFFING SERVICES” or any variation without our written consent. We retain the sole right to advertise on the Internet and create Web sites using the “RIGHT AT HOME” and “RAH STAFFING SERVICES” domain names. You acknowledge that we are the owner of all right, title and interest in and to such domain names as we designate in the Operations Manual. We retain the right to pre-approve your use of linking and framing between our Web pages and all other Web sites and any other Web presence. If we request, you will, within 5 days, dismantle any frames and links between your Web pages and any other Web sites and Web presences.

We and our agents will have the right to enter and inspect your Franchised Business, during normal business hours, to ensure you are complying with our standards.

ITEM 14. PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION

No patents are material to the franchise and we do not have any pending patent applications that are material to the franchise. We own certain copyrights in the Operations Manual, marketing materials, certain forms and reports and other copyrightable items. While we claim copyrights in these and similar items used in operating a Franchised Business, we have not registered these copyrights with the United States Registrar of Copyrights but need not do so to protect them. You may use these items only as we specify while operating your Franchised Business and must stop using them immediately if we direct you to do so and also at such time when the franchise is terminated.

You will receive proprietary, confidential and trade secret information of Right at Home. Our confidential information will include services, equipment, technologies, systems of operation, programs, policies, standards, techniques, requirements and specifications, the Operations Manual, the identity of and services to clients, records of clients and billings, methods of advertising and promotion, instructional materials, and other matters all being part of the Right at Home System. You are required to maintain the confidentiality of this information and may not use such information in any other business or in any manner we do not specifically authorize in writing. You may never, during the term of the Franchise Agreement, or after the Franchise Agreement expires or is terminated, reveal any of our confidential information, which will then include contracts for clients served by you, client lists and details of service, to another person or use it for any other person or business. You may not copy any of our confidential information or give it to a third party except as we authorize.

You will divulge confidential information only to your employees who must have access to it in order to operate the Franchised Business. All information, knowledge and know-how which we designate as confidential will be deemed confidential for purposes of the Franchise Agreement, except information which you can demonstrate lawfully came to your attention before our disclosure of it; or which, at the time of our disclosure to you, had lawfully become a part of the public domain, through publication or communication by others; or which, after our disclosure to you, lawfully becomes a part of the public domain, through publication or communication by others.

You and any of your employees having access to confidential information will be required by us to sign a confidentiality agreement in the form attached as Exhibit C-1 or C-2 to the Franchise Agreement.

If you make or acquire any improvements, including any enhancements, adaptations, derivative works, modifications or new processes in the operation of the Franchised Business, you will grant-back rights in these improvements to us in consideration of the grant of the franchise and without the payment of additional consideration. If we seek patent protection or copyright registration for any improvements, it will do so at our own expense. You will sign or have the creator sign all documents necessary to enable us to apply for intellectual property rights protection and to secure all rights to these improvements. You will have each of your employees sign an agreement requiring employee cooperation with the foregoing requirements. You agree that this does not constitute our consent to your modification of any RIGHT at HOME intellectual property or the creation of any derivative work based on any RIGHT at HOME copyright and you must obtain our express written consent before making the modification or derivative work.

The Operations Manual belongs to us and we have the right to terminate your access upon the expiration or termination of the Franchise Agreement. You may not make any disclosure, duplication, or other unauthorized use of any portion of the Operations Manual.

You must keep the passwords and any access codes to the Operations Manual confidential. If there is a dispute with the contents of the Operations Manual, the terms of our master copy will control.

You must not use, in advertising or any other form of promotion, the copyrighted materials, trademarks, service marks or commercial symbols of Right at Home without the appropriate notices which may be required by law or us, including ©, ® or other copyright registration notices or the designations TM, SM where appropriate or an indication that the Marks described in Item 13 and any other Right at Home trademarks or service marks are the trade names, trademarks and service marks of Right at Home or an affiliate. The contents of all material available from us are copyrighted by us unless otherwise indicated. All rights are reserved by us, and content may not be reproduced, disseminated, published, or transferred in any form or by any means, except with our prior written permission. Despite anything stated or implied to the contrary in this Agreement, Franchisee must not use any of the Marks or copyrighted materials in any manner which has not been specified or approved by us.

To establish the validity of the sale of any Franchised Business for comparable purposes, we reserve the right to disclose information about any such transaction, including, but not limited to the transaction's terms, financing structure, and related marketing materials; the unit's operations and financial performance; and any other related material information.

ITEM 15. OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

Upon executing the Franchise Agreement, you will designate and retain an individual to serve as your Operating Principal ("**Operating Principal**"). The Operating Principal will have the full authority to act on your behalf in all matters related to the performance of the Franchise Agreement and the operation of the

Franchised Business. We have the right to rely on any and all directions, elections, information and other communication from your Operating Principal as being made on your behalf, even if we receive information from any other owner or person who claims to have an ownership interest in you which may be contrary to or different from the information provided by your Operating Principal. We have no duty or obligation to inquire into or resolve any conflicting information provided by your Operating Principal and any other person on your behalf. If you are an individual, you will perform all the obligations of the Operating Principal.

The Operating Principal will, during the entire period he or she serves as such: (i) unless agreed upon in writing by us, maintain a direct or indirect ownership interest in you equal to at least 25% of the ownership interests in you; (ii) establish the operation of the Franchised Business as his or her primary business focus and devote his or her best efforts to the supervision and conduct of the Franchised Business; (iii) meet our standards and criteria for such individual, as outlined in the Operations Manual or otherwise in writing by us; and (iv) satisfy the training requirement discussed in Item 11(F). You must keep us informed of the identity of your Operating Principal.

Even if you designate and retain an Operating Principal, you will remain obligated to oversee the operations of the Franchised Business, and you must devote the necessary time and best efforts for the proper and effective operation of the franchise. You must at all times faithfully, honestly and diligently perform your obligations under the Franchise Agreement(s) and you must not engage in any business or other activities that will conflict with your obligations under the Franchise Agreement.

You are not an agent, legal representative, joint venturer, partner or employee of ours. You will be an independent contractor and are in no way authorized to make any contract, agreement, warranty or representation or to create any obligation, express or implied, on behalf of us.

You, your spouse, and all holders of a legal or beneficial interest in the franchisee entity must personally guarantee the obligations of franchisee to us and enter into a Non-Compete Agreement.

All of your employees having access to confidential information may be required to sign employment agreements with confidentiality agreements in a form approved by us as described in Item 14.

ITEM 16. RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must offer and sell only those services and products that we approve as part of the System. You may not offer any products or perform any services that we have not authorized. We periodically may change approved services and/or add products, and there are no limits on our right to do so.

You must not, without our written consent, place in, on or upon the location of the Franchised Business, or in any communication media, any form of advertising, or list with any business, real estate broker, agent or attorney any information concerning the sale of the Franchised Business or the rights granted under the Franchise Agreement.

You must, at all times, hold yourself out as an independent contractor. You must take whatever actions we suggest which clearly indicates that the Franchised Business is independently owned and operated as a RIGHT at HOME Franchised Business and not as an agent of ours.

You must cooperate with us by maintaining high standards in the operation of the franchise and you must at all times, give prompt, courteous and efficient service to your clients and not engage in any business or other activities that will conflict with your obligations under the Franchise Agreement. The Franchised Business will, in all dealings with its clients, suppliers and the public, adhere to the highest standards of honesty, integrity, fair dealing, moral and ethical conduct.

We reserve the right to designate certain national or regional accounts that we may develop for the RIGHT AT HOME System. Your obligation to participate and our policies and procedures for National/Regional Accounts will be included in the Operations Manual.

ITEM 18. PUBLIC FIGURES

We do not presently use any public figures to promote our franchise.

ITEM 19. FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in this disclosure document. Financial performance information that differs from that included in this Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

BACKGROUND

This Item 19 sets forth certain historical financial performance data as provided by our franchisees and that is the basis and written substantiation for the representations included below. The representations made in this Item 19 are based upon the franchise system's outlets that existed for the periods of time indicated below and are not made up of any other subset of those outlets. These businesses all offered similar services and do not differ materially from the type of business described in this disclosure document.

Written substantiation of the data used in preparing this information and for the financial performance representation made in this Item 19 will be made available to prospective franchisees upon reasonable request.

For the purpose of this Item 19, "**Net Billings**" means the total of all revenues from the operation of the Franchised Business whether received in cash, services in kind, from barter and/or exchange, on credit (whether or not payment is received therefore) or otherwise. Net Billings does not include the amount of all sales tax receipts or similar tax receipts which, by law, are chargeable to clients, if such taxes are separately stated when the client is charged and if such taxes are paid to the appropriate taxing authority. In addition, Net Billings does not include the amount of any documented refunds, chargebacks, credits and allowances given in good faith to clients by franchisee and the amount of mileage and out-of-pocket expenses incurred by and reimbursed to your employees in connection with providing services to clients.

IMPORTANTLY, THE SUCCESS OF YOUR FRANCHISE WILL DEPEND LARGELY UPON YOUR PERSONAL ABILITIES, YOUR USE OF THOSE ABILITIES AND YOUR MARKET. THE FINANCIAL RESULTS OF YOUR FRANCHISE WILL LIKELY DIFFER, PERHAPS MATERIALLY, FROM THE RESULTS SUMMARIZED IN THIS ITEM.

AVERAGE NET BILLINGS

Tables 1, 1A and 2 presented below contain certain information related to Net Billings realized by our franchisees for the period beginning January 1, 2015 and ending December 31, 2015. The opening date of a Franchised Business is the date the Franchisee is able to take on his or her first client.

The information and figures regarding Net Billings presented in Tables 1, 1A and 2 below are based upon information reported to us by 367 Right at Home franchisees whose Franchised Businesses had been open for at least 12-months for the period ending December 31, 2015 and reported Net Billings. NOTE: Right at Home has not audited this information, nor have we independently verified this information. The information is for the period commencing January 1, 2015 through December 31, 2015. The information has been extracted from actual franchise reports made to Right at Home. The Franchised Businesses classified below, together with the breakdown of information, represent only those franchisees that reported data to us as specifically noted following the Net Billings Information table. The information may be used to evaluate the experience of existing Right at Home Franchised Businesses, but the information may not be relied upon as a projection or forecast of what a new franchisee may experience.

In preparing financial projections for a prospective franchise operation, it is important to keep in mind that each franchisee's experience is unique and their results will most likely vary depending on a number of factors, including the franchisee's personal abilities, use of those abilities, the market in which they operate, the general economic conditions, competition, effectiveness of the franchisee in the management of the Franchised Business, and the overall efficiency of their operation.

Notes to Tables 1 and 1A:

Tables 1 and 1A include data reported by 367 Franchised Businesses operated by franchisees that reported Net Billings during 2015. Eleven franchisees that operate multiple Franchised Businesses aggregated their data and did not report to us separate data for each of their Franchised Businesses. Twenty-three franchises transferred ownership of their Franchised Businesses during 2015. Net Billings data for those Franchised Businesses were reported based on the date the respective original Franchised Businesses opened. Written substantiation of this information is available upon request.

Table 1 is the data reported for each of the 367 Franchised Businesses operated by franchisees that reported Net Billings during 2015. Table 1A is the same data as in Table 1 aggregated for each Franchisee Entity. A Franchisee Entity may own and operate more than one Franchised Business that is under common ownership with other Franchised Businesses.

Notes to Table 3-A:

The average performance Table 3-A sets forth the year-by-year average business performance of our franchisees based on those costs listed and then measured against their Net Billings. As used in the average performance Table 3-A:

1. Gross Margin means Net Billings less the Cost of Goods Sold. Cost of Goods Sold includes all direct costs related to direct care staff, including wages, workers compensation insurance, crime—fidelity employee dishonesty coverage and other professional and general liability insurance. Payroll taxes and payroll related insurance are included in the Cost of Goods Sold both for office staff and direct care staff because they were combined in the information reported to us by these franchisees.
2. Office Payroll means all wages for office staff employees. Payroll taxes and payroll related insurance are included in Cost of Goods Sold.
3. Marketing costs are those associated with marketing and promoting the business, including such items as local telephone directory advertising, web-based advertising, media advertising, and trade show fees.

In Table 3-A you will find financial data reported only from those Franchised Businesses that had been open for at least the entire year indicated. For the year ending 12/31/2006, we received complete financial data from all of the 68 Franchised Businesses (100%). For the year ending 12/31/2007, we received complete financial data from 73 of the 80 Franchised Businesses (91%). For the year ending 12/31/2008, we received complete financial data from 98 of the 113 Franchised Businesses (87%). For the year ending 12/31/2009, we received complete financial data from 111 of the 134 (83%) Franchised Businesses. For the year ending 12/31/2010, we received complete financial data from 112 of the 168 (67%) Franchised Businesses. For the year ending 12/31/2011, we received complete financial data from 163 of the 191 (85%) Franchised Businesses. Notes to Tables 3-A, 3-B and 3-C:

The information contained in Tables 3-A, 3-B and 3-C and related Sections is historical, based on cost experience reported, and may not be relied upon as a projection or forecast of what Net Billings or costs a new franchisee may experience. These are not the only costs associated with the business. There is no assurance your costs will be comparable to our other franchisees.

SYSTEMWIDE NET BILLINGS

Table 4 presented below contains certain information related to Net Billings realized by all of our franchisees for the period beginning January 1, 2001 (the first full year after we began selling franchises) and ending December 31, 2015.

The information and figures regarding Net Billings presented in Table 4 below are based upon information reported to us by all Right at Home franchisees whose Franchised Businesses had been open

for any period of time during the period beginning January 1, 2001 and ending December 31, 2015. During such period, all units offered the same or similar services. NOTE: Right at Home has not audited this information, nor have we independently verified this information. The information is for the period commencing January 1, 2001 through December 31, 2015. The information has been extracted from actual franchise reports made to Right at Home. The information may be used to evaluate the experience of existing Right at Home Franchised Businesses, but the information may not be relied upon as a projection or forecast of what a new franchisee may experience.

Some franchisees have earned these amounts. There is no assurance that you will sell as much. If you rely upon those figures, you do so at your own risk of not doing as well. Actual results vary from business to business, and we cannot reasonably estimate the result of a particular business operation. Gross Revenues, Net Billings and costs will vary. In particular, the gross revenues and Net Billings of your Franchised Business will be directly affected by many factors, such as: (a) geographic location; (b) competition from other similar businesses in your area; (c) sales and marketing effectiveness based on market saturation; (d) your product and service pricing; (e) vendor prices on materials, supplies and inventory; (f) labor costs; (g) ability to generate clients; (h) client loyalty; and (i) employment conditions in the market. Any such factor may differ materially from those that may exist for a franchise offered to you.

Importantly, you should not consider the Net Billings Information presented to be the actual potential Net Billings that you will realize. We do not represent that you can or will attain those or similar

revenues or margins, or any particular level of Net Billings. We do not represent that you will generate income, which exceeds the initial payment for, or investment in, your franchise.

Based on all of the matters mentioned in this Item 19, we recommend that you make your own independent investigation to determine whether or not the franchise may be profitable to you and worth the risk. You should use this information only as a reference in conducting your analysis and in preparing your own projected income statements and cash flow statements. We suggest strongly that you consult your financial advisor or personal accountant concerning financial projections, federal, state and local income taxes, and any other applicable taxes that you may incur in owning and operating a franchised business.

THE SUCCESS OF YOUR FRANCHISE WILL DEPEND LARGELY UPON YOUR INDIVIDUAL ABILITIES, YOUR USE OF THOSE ABILITIES, AND YOUR MARKET. THE FINANCIAL RESULTS OF YOUR FRANCHISE OPERATIONS ARE LIKELY TO DIFFER, PERHAPS MATERIALLY, FROM THE RESULTS SUMMARIZED IN THIS ITEM 19.

Disclaimer Regarding Claims Made by Agents, et al.: We specifically instruct our sales personnel, franchise brokers, agents, employees and officers that they may not make any claims or statements as to the earnings, sales, profits, prospects, or chances of success of a Right at Home franchised business other than as set forth in this Item 19. They are not authorized to represent or estimate dollar figures as to a franchisee's operation other than as shown above, and if you decide to proceed to own a franchise you will be required to acknowledge in writing that you have not relied on any such unauthorized representation or estimate in purchasing your franchise.

A new franchisee's financial results are likely to differ from the results stated in the financial performance representation.

Other than the preceding financial performance representation, Right at Home does not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Eric Little, Chief Development Officer, 6464 Center Street, Suite 150, Omaha, Nebraska 68106, (877) 697-7537, the Federal Trade Commission, and the appropriate state regulatory agencies.

Exhibit H lists the name, city and state, and the current business telephone number (or, if unknown, the last known home telephone number) of every franchisee who had an outlet terminated, cancelled, not-renewed or otherwise voluntarily or involuntarily ceased to do business under the Franchise Agreement during our most recently completed fiscal year or who had not communicated with us within 10 weeks of the issuance date of this Franchise Disclosure Document. FRANCHISE AGREEMENT

This Franchise Agreement, together with the Exhibits attached to it (collectively “this **Agreement**”), made by and between Right at Home, Inc., a corporation formed under the laws of the State of Nebraska and having its principal place of business at 6464 Center Street, Suite 150, Omaha, Nebraska 68106 (“**Franchisor**”), and _____ whose principal address is _____, an individual/partnership/corporation/limited liability company resident/established in the State of _____ (“**Franchisee**”) and is effective as of the date Franchisor executes this Agreement as indicated on the signature page hereto (“**Effective Date**”).

WITNESSETH:

WHEREAS, Franchisor, over a period of time and as the result of extensive research and the expenditure of time, expertise, effort and money, has developed a business system (“**System**”) that is owned by Franchisor and identified by the trade names “RIGHT AT HOME” and “RAH STAFFING SERVICES”, relating to the establishment, development and operation of a business providing hands-on personal care, non-medical care, in-home care assistance and companionship care services to seniors and other adults (the “**Core Services**”); and, (i) supplemental staffing services for nursing homes, hospitals and other medical settings; (ii) skilled nursing and other in-home medical care; and, (iii) other related products, materials, and equipment that Franchisor has or may develop and implement that franchisees are authorized, but not required to provide (the “**Ancillary Services**”) (the Core Services and the Ancillary Services are collectively referred to as the “**Franchise**”); and

WHEREAS, the distinguishing characteristics of the System and the Franchise include, without limitation, established programs, resources and support services, exclusively designed signage, equipment, products, and materials; the Right at Home Confidential Operations Manual; uniform policies, operating methods, procedures and techniques; other confidential operations procedures; and methods and techniques for record keeping and reporting, personnel management and training, marketing and advertising (collectively, the “**Operations Manual**”), all of which may be changed, improved and further developed by Franchisor from time to time; and

WHEREAS, Franchisor is the owner of the right, title and interest, together with all the goodwill connected with them, in and to the trade names, service marks and trademarks “RIGHT AT HOME” and “RAH STAFFING SERVICES”, associated logos, commercial symbols and such other trade names, service marks and trademarks as are now designated (and may hereinafter be designated by Franchisor) as part of the System (individually, “**Mark**”; collectively, “**Marks**”); and, in accordance with the terms and conditions of this Agreement, has licensed to Franchisee the right to use the Marks in the operation of a Franchise; and

WHEREAS, Franchisor will continue to develop, use and control such Marks for the benefit and use of itself and its franchisees in order to identify for the public the source of services and products, materials and equipment marketed thereunder and to represent the System’s high standards of quality; and

* If Franchisee is a resident of or if the Franchised Business is to be located in a registration State, then State Addenda is attached and modifies this Agreement in accordance with its provisions.

WHEREAS, Franchisor grants and licenses to certain qualified persons and entities the right to own and operate a Franchise providing Core Services and Ancillary Services that are authorized and approved by Franchisor in utilizing the System and Marks; and

WHEREAS, Franchisee desires to operate a Franchise under the System and wishes to obtain the rights from Franchisor for that purpose, as well as to receive other assistance provided by Franchisor in connection therewith; and

WHEREAS, Franchisee understands and acknowledges the importance of Franchisor's high and uniform standards of quality and service and the necessity of operating a Franchise (sometimes referred to in this Agreement as the "**Franchised Business**") in conformity with Franchisor's standards and specifications; and

WHEREAS, Franchisor expressly disclaims the making of, and Franchisee acknowledges that it has not received nor relied upon, any warranty or guaranty, express or implied, as to the revenues, profits or success of the business venture contemplated by this Agreement. Franchisee acknowledges that it has read and understands this Agreement, the Franchisor's Franchise Disclosure Document and all of their respective attachments, upon which Franchisee has exclusively relied, and that Franchisee has no knowledge of any representations by Franchisor or its officers, directors, shareholders, employees or agents that are contrary to the statements made in this Agreement, Franchisor's Franchise Disclosure Document or their respective attachments.

NOW, THEREFORE, the parties, in consideration of the undertakings and commitments of each party to the other party, hereby agree as follows:

1. APPOINTMENT AND FRANCHISE FEE

1.1 Franchisor grants to Franchisee, and Franchisee accepts, as of the Effective Date set forth after Franchisor's signature and pursuant to the terms and conditions of this Agreement, (i) the right to conduct the Franchised Business in accordance with the System, as it may be changed, improved and further developed from time to time; and, (ii) the license to use the Marks, within the Designated Area (described in Section 1.2). Franchisee undertakes the obligation to operate the Franchised Business strictly in accordance with the System and this Agreement, as the System may be changed, improved and further developed from time to time, at a location to be designated, as provided in Section 3 hereof within the Designated Area.

1.2 Neither Franchisor nor any parent, subsidiary or affiliate of Franchisor (collectively, "**Related Entity**") will, conditioned upon Franchisee's full compliance with the terms of this Agreement, so long as this Agreement is in force and effect and Franchisee is not in default under any of the terms of this Agreement, license or operate any other Franchise within the Designated Area, except as specifically set forth in this Agreement. The Designated Area is defined by ZIP codes and includes a population of approximately fifteen thousand (15,000) to thirty thousand (30,000) people or more, who are age sixty-five (65) and older ("**Potential Clients**"). A list of the ZIP codes for the Designated Area is in Exhibit A. ZIP codes are a system of postal codes used by the United States Postal Service ("**USPS**") and are changed by it from time to time. Changes by the USPS may affect the ZIP codes and the geographic area that makes up Franchisee's Designated Area.

1.3 Notwithstanding the rights granted to Franchisee in Section 1.2, Franchisor retains the sole right to:

1.3.1 Establish and/or license other Franchises at any location outside of the Designated Area as Franchisor deems appropriate;

1.3.2 Establish and license others to establish businesses under other systems using the Marks or other proprietary marks, which businesses may be located within or outside the Designated Area, provided, however, that, except as specifically provided in this Agreement, Franchisor will not license or establish a business offering the Core Services within Franchisee's Designated Area;

1.3.3 Advertise and sell the Core Services and Ancillary Services under other trademarks, service marks and commercial symbols through similar or dissimilar channels of distribution, including, without limitation, by electronic means such as the Internet and websites that Franchisor establishes and pursuant to terms Franchisor deems appropriate outside Franchisee's Designated Area;

1.3.4 Advertise the System on the Internet (including social media) and to create, operate, maintain and modify, or discontinue the use of one or more websites using the Marks;

1.3.5 Offer for sale products that are ancillary or related to the Core Services and Ancillary Services and needs of clients and customers through our website(s) or through such dissimilar channels of distribution within and outside Franchisee's Designated Area;

1.3.6 Acquire the assets or ownership interest of one or more businesses providing Core Services and Ancillary Services similar to those provided at Franchisee's Franchised Business, and franchise, under a service mark or trademark other than the Marks, license or grant the right to others to operate those businesses once acquired, regardless of whether these businesses are located or operating within Franchisee's Designated Area; provided, however, that such businesses will not be granted the rights to use the Marks;

1.3.7 Be acquired by an entity providing services, products, materials and equipment similar to those provided at Franchisee's Franchised Business, even if such business operates, franchises and/or licenses competitive businesses in Franchisee's Designated Area; provided, however, that any business operated directly or indirectly by such acquirer that is similar to the Franchise will not be granted the right to operate using the Marks in the Designated Area;

1.3.8 Engage in joint marketing programs with partner companies and all forms of sales through the Internet or any other form of electronic media (including social technology, social media and social networking platforms); and

1.3.9 Engage in any other activities not expressly prohibited in this Agreement.

1.4 Franchisee will use its best efforts to confine all advertising and promotion (including using online or traditional media), use of Promotional Materials (as defined in Section 9.1), solicitation, and similar efforts to the Designated Area, except as may be authorized by written communication from Franchisor. Franchisee will confine the performance of all services and the supply of all related products, materials and equipment to clients located in the Designated Area, except as may be authorized by written communication from Franchisor. If Franchisee wishes to provide Core Services or Ancillary Services or any other related products, materials and equipment outside of its Designated Area, then Franchisee must first obtain the prior written approval of Franchisor, which Franchisor is under no obligation to grant. Notwithstanding the foregoing, if Franchisor provides its prior written approval, Franchisee may advertise and promote, use Promotional Materials (as defined in Section 9.1), solicit and engage in similar efforts outside of its Designated Area. If Franchisor has granted Franchisee approval to provide Core Services or Ancillary Services or to advertise and promote, use Promotional Materials, solicit and engage in similar efforts outside of Franchisee's Designated Area, Franchisor may withdraw its approval at any time and for any reason without any further obligation to Franchisee. If, before Franchisee executed this Agreement or

before Franchisee has established an open office (defined in Section 12.2), another Right at Home franchisee has been serving clients in an area previously unassigned to any franchisee that is now in Franchisee's Designated Area, Franchisor will, in the best interests of continuity of client care, permit that franchisee to continue to serve those clients in Franchisee's Designated Area. Despite any other provision in this Agreement to the contrary, authority for the disposition and resolution of any request by Franchisee or disagreement that may arise between Franchisor and Franchisee about ZIP codes, Designated Area make-up, franchisee sales, marketing, promotions, advertising, soliciting, working or rendering services or products, materials or equipment outside of a franchisee's Designated Area will rest with the Franchisor and Franchisor's decision will be final and conclusive.

1.5 In consideration of the Franchise granted in this Agreement, Franchisee will pay to Franchisor, upon execution of this Agreement, a Franchise Fee ("**Franchise Fee**") in the amount set forth on Exhibit A. When paid, the Franchise Fee is fully earned and non-refundable as consideration for expenses incurred by Franchisor, including marketing, researching, awarding, furnishing assistance and services to Franchisee and for Franchisor's lost or deferred opportunity to franchise others.

1.6 If Franchisee desires to offer to its clients Ancillary Services relating to skilled nursing ("**Skilled Nursing Services**"), Franchisee must apply for prior written approval from Franchisor, which approval Franchisor has the right to provide or deny.

1.6.1 To be eligible to offer Skilled Nursing Services, Franchisee must demonstrate to Franchisor's satisfaction that it has met the following conditions:

1.6.1.1 Franchisee must have operated the Franchised Business for at least eighteen (18) months;

1.6.1.2 The Franchised Business must not have any uncured defaults under the Franchise Agreement;

1.6.1.3 Franchisee or a qualified person designated by Franchisee must have successfully completed Franchisor's training program specifically relating to Skilled Nursing Services;

1.6.1.4 Franchisee must comply with all state and federal laws, including obtaining all applicable licenses and permits;

1.6.1.5 Franchisee must follow the guidelines outlined in the Home Health Policy and Procedure Manual, which Franchisee will be required to purchase from an Approved Supplier;

1.6.1.6 Franchisee must satisfy any other requirements established by Franchisor that Franchisor believes is necessary for a Franchised Business to offer Skilled Nursing Services; and

1.6.1.7 Franchisee must execute an amendment to this agreement ("**Skilled Nursing Services Amendment to Franchise Agreement**") in a form similar to Exhibit G to this Agreement.

1.6.2 If Franchisee and the Franchised Business meet all of these conditions, the Franchised Business may offer Skilled Nursing Services and, if required by applicable law, determine the referrals for services it will accept based on the skill level of its personnel. Franchisor

has the right to revoke its approval for Franchisee to offer Skilled Nursing Services if Franchisee fails or refuses to continue to meet any of the foregoing conditions.

1.6.3 If Franchisee purchases a Franchised Business that is already approved to offer Skilled Nursing Services, Franchisee may continue offering Skilled Nursing Services so long as Franchisee and the Franchised Business meet all of the above conditions, excluding the condition set forth in Section 1.6.1.1.

1.6.4 If Franchisee purchases a Franchised Business that is not already approved to offer Skilled Nursing Services, Franchisee and the Franchised Business must meet all of the conditions above; provided, however, that the eighteen (18) month requirement set forth in Section 1.6.1.1 will be measured from the opening date of the Franchised Business instead of the date on which Franchisee begins operating the Franchised Business after acquiring it.

1.7 Franchisee acknowledges that because complete and detailed uniformity under many varying conditions may not be possible or practical, Franchisor specifically reserves the right and privilege, as it may deem in the best interests of all concerned in any specific instance, to vary standards for any franchisee based upon the peculiarities of the particular site/area or circumstance, density of population, business potential, population of Designated Area, existing business practices or any other condition which Franchisor deems to be of importance to the successful operation of such franchisee's business. Franchisee will not be entitled to require Franchisor to grant to Franchisee a like or similar variation under this Agreement.

2. TERM AND RENEWAL

2.1 This Agreement will be effective and binding from the date of its acceptance by Franchisor (as indicated on the signature page) for an initial term equal to ten (10) years (unless sooner terminated in accordance with the terms of this Agreement, with three (3) separate options intended to renew this Agreement for the period of five (5) years each as provided in Section 2.2).

2.2 Subject to the notice provisions in Section 2.3, at the expiration of the initial term (or any renewal term), if this Agreement will then be in full force and effect, and Franchisee will have duly performed all of its terms and conditions, Franchisee will have three (3) separate options to renew this Agreement, subject to the terms and conditions of the then current form of Franchise Agreement, for periods of five (5) years each. A renewal of this Agreement will not grant Franchisee an additional option for successive terms. For the purposes of this Section 2, unless the context clearly indicates otherwise, the words "terms and conditions" of this Agreement will include, but not be limited to, the following:

2.2.1 Franchisee has, during the entire initial term of this Agreement and any subsequent renewals, duly performed all provisions of this Agreement;

2.2.2 Franchisee maintains legal and physical possession of the Premises (as defined in Section 3.1 below) and the Franchised Business is in full compliance with the specifications and standards then applicable for a new or renewing Franchise. Franchisee will also present evidence reasonably satisfactory to Franchisor that Franchisee has the right to remain in possession of the Premises for the duration of any renewal term; or, in the event Franchisee is unable to legally retain possession of the Premises, or, in the judgment of Franchisor, the Franchised Business should be relocated, Franchisee secures substitute premises approved by Franchisor;

2.2.3 Franchisee has given notice of renewal to Franchisor as provided in Section 2.3 below;

2.2.4 Franchisee has satisfied all monetary obligations owed by Franchisee to Franchisor and its Related Entities, including the renewal fee, and has timely met these obligations throughout the term of this Agreement;

2.2.5 Instead of the then-current Franchise Fee or its equivalent, Franchisee has delivered to Franchisor the renewal fee, if any, in the amount of ten percent (10%) of the then-current Franchise Fee that corresponds to the type of Franchise Fee initially paid by Franchisee for the Franchised Business and Franchisee has executed Franchisor's then current form of the Franchise Agreement, or at Franchisor's election has executed renewal documents with appropriate modifications to reflect the fact that the current form Franchise Agreement relates to the grant of a renewal franchise term, which Franchise Agreement or renewal documents will supersede in all respects this Agreement, and the terms of this Agreement. Despite the foregoing, upon renewal (i) the Royalty Fee described in Section 10 will not exceed five percent (5%) of the Net Billings derived from the Franchised Business, and (ii) unless otherwise provided in this Agreement, the Designated Area will not be changed unless mutually agreed to in writing by Franchisee and Franchisor; and

2.2.6 Franchisee and its owners have executed a general release, in a form prescribed by Franchisor, of any and all existing claims against Franchisor and its respective officers, directors, agents and employees, except such claims as are not permitted to be waived under applicable law.

2.3 Unless the context of this Agreement clearly indicates otherwise, the words “**term of this Agreement**” will include and apply to the initial term and any renewal term. If Franchisee desires to exercise its option to renew this Agreement at the expiration of the then current term of this Agreement, Franchisee must give Franchisor written notice of its desire to renew at least eight (8) months, but not more than fourteen (14) months, prior to the expiration of the then current term of this Agreement. Such fictitious or assumed name registrations will recognize Franchisee as doing business under an assumed name but will not recognize Franchisee as having the exclusive right to use such name in that state. In no event, however, will this right to use be considered a specific grant of any ownership rights in any of the Marks. The contents of all material available from Franchisor are copyrighted by Franchisor unless otherwise indicated. All rights are reserved by Franchisor, and content may not be reproduced, disseminated, published, or transferred in any form or by any means, except with the prior written permission of Franchisor. On expiration or sooner termination of this Agreement, Franchisor may, if Franchisee does not timely comply with Franchisor's directions, execute in Franchisee's name and on Franchisee's behalf any and all documents necessary, in Franchisor's judgment to end and cause a discontinuance of the use by Franchisee of the Marks and Franchisor is hereby irrevocably appointed and designated as Franchisee's attorney-in-fact to do so. Franchisee will be responsible for the tangible costs (such as replacing signs and materials) of complying with any obligation to change or discontinue using the Marks. Franchisor will not be liable for any direct, indirect, special, incidental, exemplary or consequential damages arising out of an addition, substitution or modification of any of the Marks.

5.6 Franchisee may not establish a Web site or any other Web presence on the Internet using any domain name until Franchisee obtains Franchisor's prior written approval. Any domain name cannot contain the words "RIGHT AT HOME", "RAH STAFFING SERVICES" or any variation without Franchisor's written consent. Franchisor retains the sole right to develop, design and execute any form of content or promotion, social networking or advertising on the Internet and to create a website using the "RIGHT AT HOME" and "RAH STAFFING SERVICES" domain names and other domain names using the Marks. Franchisee acknowledges that Franchisor is the owner of all right, title and interest in and to such domain names. 9.3 Franchisee will use all Promotional Materials in accordance with Section 1.4, except as may be authorized by written communication from Franchisor. Franchisor reserves the right to withdraw approval of the use of any Promotional Materials for any reason by sending written notice to Franchisee.

9.4 Franchisee will provide necessary information for the website developed by Franchisor pursuant to Section 13.2.6.

9.5 Franchisee will not use in advertising or in any other form of promotion, the copyrighted materials, trademarks, service marks or commercial symbols of Franchisor without appropriate notices which may be required by applicable laws or as Franchisor may from time to time direct, including, without limitation, ©, ®, TM, SM, or other copyright or trademark registration notices or the designations where applicable or an indication that the name “RIGHT AT HOME” and the Marks are the trade names, trademarks and service marks owned by Franchisor.

9.6 Franchisor has established a brand marketing and promotion fund to promote expansion and increase brand awareness and preference of the System (“**Brand Marketing and Promotion Fund**”).

9.6.1 Franchisee will contribute the following amounts (the “**Brand Marketing and Promotion Fee**”) to the Brand Marketing and Promotion Fund: two percent (2%) of Franchisee’s weekly Net Billings on the first \$1,000,000 of Net Billings each calendar year, plus one percent (1%) of Franchisee’s weekly Net Billings on the next \$2,000,000 of Net Billings for such calendar year and each calendar year thereafter. If Franchisee operates more than one Franchised Business in Designated Areas within the same Metropolitan Statistical Area (as that term is defined by the US Government from time to time) or other similar geographic area designed by Franchisor that participate in the Brand Marketing and Promotion Fund; then, Franchisee’s maximum Brand Marketing and Promotion Fees are based on the Net Billings from all Designated Areas in the same Metropolitan Statistical Area or other similar geographic area designated by Franchisor (the “**MSA Cap**”). The Brand Marketing and Promotion Fees are paid weekly at the same time and in the same manner as the Royalty Fee or as otherwise prescribed in the Operations Manual until the maximum amount that Franchisee is obligated to contribute has been paid in each calendar year. All franchisees are required to contribute to the Brand Marketing and Promotion Fund on the same basis; provided, however, some franchisees may not be obligated to do so under their current franchise agreements. The Brand Marketing and Promotion Fees are paid directly into the Brand Marketing and Promotion Fund and will be used by Franchisor to develop and implement programs to promote expansion and increase awareness and preference of the Right at Home brand. Franchisor has the right to modify or increase the Brand Marketing and Promotion Fee, with input and advice from the Brand Marketing and Promotion Council (as defined below); provided, that the contribution will not exceed two percent (2%) of Franchisee’s weekly Net Billings or the MSA Cap each calendar year. Franchisor holds the Brand Marketing and Promotion Fund contributions in a separate account to be expended only as described below. The Brand Marketing and Promotion Fund will not be commingled with Franchisor’s funds or considered to be income of Franchisor; but, are held in the separate account to be expended as set forth in the Franchise Agreement. Any business operated by Franchisor or its Affiliates under the same Marks as the Franchised Business contribute to the Brand Marketing and Promotion Fund on the same basis as franchisees. Franchisor reserves the right to terminate or suspend the Brand Marketing and Promotion Fund and payment of the Brand Marketing and Promotion Fee at any time, but Franchisor will seek the advice of the Brand Marketing and Promotion Council prior to doing so. If Franchisor terminates the Brand Marketing and Promotion Fund, any unused Brand Marketing and Promotion Fees in the Brand Marketing and Promotion Fund will be paid back to all franchisees in the System in proportion to their contributions to the Brand Marketing and Promotion Fund during the preceding twelve (12) months.

9.6.2 The Brand Marketing and Promotion Fund will only be used for the following:

9.6.2.1 The development of programs and materials to build brand awareness and preference with referral sources, consumers, insurance companies or related businesses, health care providers, facilities, social service organizations, and others at the local, regional, and/or national level;

9.6.2.2 Local, regional, or national advertising, promotions, marketing, public relations, and/or direct sales including print, social media, Internet or web based, direct mail, radio or television; development and maintenance of any Internet and/or e-commerce programs; Internet promotions and on-line marketing activities, and related expenses;

9.6.2.3 The creation, production and placement of commercial advertising; agency costs and commissions; creation and production of video, audio and written advertisements; market research and research agency fees; administering local, regional, or national advertising

programs, direct mail, promotions, public relations, Internet/e-commerce, social media, and other media advertising;

9.6.2.4 The attendance or participation in local, regional, or national tradeshow, conferences, exhibitions where promoting the brand would be appropriate; affiliate with national/community organizations to leverage the brand; and

9.6.2.5 Developing and administering sales, marketing, and/or public relations training or support programs for franchisees utilizing employees or third parties to develop, administer, or conduct the training or support programs and such other programs designed to promote or enhance the brand, with the advice of the Brand Marketing and Promotion Council.

9.6.2.6 The Brand Marketing and Promotion Fund will not be used for advertising or marketing activities whose principal purpose is to solicit new franchisees.

Franchisor may engage a third party agency or agencies to assist Franchisor with these initiatives in addition to Franchisor's own in-house efforts. Franchisor cannot use the Brand Marketing and Promotion Fund for communications or materials primarily geared towards franchise sales or solicitations. Any expenditures from the Brand Marketing and Promotion Fund may or may not be proportionate to contributions made by Franchisee or provide a direct or any benefit to Franchisee. Franchisor, with input and advice from the Brand Marketing and Promotion Council, has the right to direct expenditures from the Brand Marketing and Promotion Fund for the purposes described above. Subject to these foregoing limitations, Franchisor may accumulate these funds, and the balance may be carried over to subsequent years and used for the purposes stated in the Franchise Agreement. If the Brand Marketing and Promotion Fund needs additional funds at any time to pay for expenditures, with input and advice from the Brand Marketing and Promotion Council, Franchisor may loan such funds to the Brand Marketing and Promotion Fund at an interest rate not to exceed five percent (5%) per annum and with repayment terms that will not unreasonably burden the Brand Marketing and Promotion Fund or prevent it from performing its obligations. Franchisor may also utilize the Brand Marketing and Promotion Fund to reimburse Franchisor for administrative expenses incurred in administering the Brand Marketing and Promotion Fund and the Brand Marketing and Promotion Council. An unaudited annual financial statement and report of the Brand Marketing and Promotion Fund will be prepared and delivered to the Brand Marketing and Promotion Council members and all franchisees participating in the Brand Marketing and Promotion Fund within 120 days after the end of Franchisor's fiscal year. The report will show the total Brand Marketing and Promotion Fees collected and expenditures from the Brand Marketing and Promotion Fund during the previous fiscal year. Franchisor reserves the right to change the name of the Brand Marketing and Promotion Fund from time to time.

9.6.3 Franchisor has established a committee composed of franchisees and members of Franchisor's staff ("**Brand Marketing and Promotion Council**"). The Brand Marketing and Promotion Council consists of not less than seven (7) members, at least four (4) of whom must be franchisees, who will initially be appointed by Franchisor. By-laws for the operation of the Brand Marketing and Promotion Council will be prepared and adopted by the initial Brand Marketing and Promotion Council, which will provide that:

9.6.3.1 each franchisee member of the Brand Marketing and Promotion Council will serve for terms that will be not less than two (2) years each and may serve up to two (2) consecutive terms;

9.6.3.2 a franchisee member of the Franchisee Advisory Council may not also serve as a member of the Brand Marketing and Promotion Council and a franchisee member of the

Brand Marketing and Promotion Council may not also serve as a member of the Franchisee Advisory Council;

9.6.3.3 elections or appointments of franchisee members to the Brand Marketing and Promotion Council will occur between September 1 and October 31, 2016, based on the procedures established in the by-laws; and

9.6.3.4 Franchisor has the right to appoint the members of Franchisor's staff who serve on the Brand Marketing and Promotion Council and to appoint franchisee members to fill any vacancies that arise.

9.6.4 During such time that Brand Marketing and Promotion Fees are required to be paid by Franchisee, if the Brand Marketing and Promotion Fee is greater than one percent (1%) of weekly Net Billings, then Franchisee's local marketing, sales and promotion expenditures pursuant to Section 9.2 of the Franchise Agreement will reduce so that Franchisee's required total combined expenditures on local marketing, sales and promotion, other Promotional Materials pursuant to Section 9.2 of the Franchise Agreement and Brand Marketing and Promotion Fee payments will not exceed three percent (3%) of Franchisee's Net Billings.

9.6.5 Notwithstanding the requirements of Section 1.4 regarding restrictions on the use of advertising and promotion materials, solicitations and similar efforts in the Designated Area, Franchisee understands that certain activities and programs undertaken by the Brand Marketing and Promotion Fund and approved by the Brand Marketing and Promotion Council may not lend themselves to be confined to franchisees' designated areas or other geographic areas. Therefore, Franchisee will not be deemed to be in default if Franchisee participates in such activities and programs in accordance with their approved terms and conditions.

10. CONTINUING SERVICES AND ROYALTY FEE

10.1 Franchisee will pay, without offset, credit or deduction of any nature, to Franchisor a royalty fee equal to five percent (5%) of the Net Billings derived from the Franchised Business ("**Royalty Fee**"). The Royalty Fee will be paid weekly in the manner specified below or as otherwise prescribed in the Operations Manual.

10.1.1 On a weekly basis on a date designated by Franchisor, Franchisee will submit to Franchisor, in a format and manner directed by Franchisor, a true and accurate statement of Franchisee's Net Billings for the preceding week just ended ("**Weekly Reports**"). See Section 10.6 below. Franchisee will make available to Franchisor all original books and records that Franchisor may deem necessary to ascertain Franchisee's Net Billings for reasonable inspections at reasonable times.

10.1.2 The term "**Net Billings**," as used throughout this Agreement, will mean and include the total of all revenues from the operation of the Franchised Business whether received in cash, in services, in kind, from barter and/or exchange, on credit (whether or not payment is received therefor) or otherwise. There will be deducted from Net Billings for purposes of said computation (but only to the extent they have been included) the amount of all sales tax receipts or similar tax receipts which, by law, are chargeable to clients, if such taxes are separately stated when the client is charged and if such taxes are paid to the appropriate taxing authority. There will be further deducted from Net Billings the amount of any documented refunds, chargebacks, credits and allowances given in good faith to clients by Franchisee and the amount of mileage and out-of-pocket expenses incurred by and reimbursed to employees of Franchisee in connection with providing services to clients.

10.2 Franchisee will pay Franchisor a late fee in an amount up to two hundred fifty dollars (\$250.00) for each occurrence if a Weekly Report is not submitted on its due date or if a Royalty Fee is not paid when due. All Royalty Fees, amounts due for purchases by Franchisee from Franchisor, and other amounts which Franchisee owes to Franchisor, will also bear interest after due and payable date at the highest applicable legal rate for open account business credit, not to exceed one and one-half percent (1.5%) per month. Franchisee acknowledges that all amounts due and payable pursuant to this Section 10.2 and Section 11.3 are reasonable liquidated damages, are set because of the difficulty of ascertaining the exact amount of expenses incurred by Franchisor, and are not penalties, and will be in addition to all other remedies available to Franchisor. Franchisee also acknowledges that this Section 10 will not constitute agreement by Franchisor to accept such payments after same are due and payable or a commitment by Franchisor to extend credit to, or otherwise finance Franchisee's operation of, the Franchised Business. Franchisee acknowledges that its failure to pay all amounts when due will constitute, in addition to all other remedies available to Franchisor, grounds for termination of this Agreement, as provided in Section 16 hereof, despite the provisions of this Section 10. Nothing in this Section will limit Franchisor's right and remedies under any other provision of this Agreement.

10.3 Despite any designation by Franchisee, Franchisor will have the absolute right to apply any payments by Franchisee to any past due indebtedness of Franchisee for Royalty Fees, purchases from Franchisor, interest or any other indebtedness owed by Franchisee to Franchisor, in such amounts and in such order as Franchisor will determine.

10.4 All Royalty Fees, amounts due for purchases by Franchisee from Franchisor and other amounts that Franchisee owes to Franchisor, may, at Franchisor's option, be required to be paid to Franchisor through an Electronic Depository Transfer Account ("**EDTA**") as further described in the Operations Manual. Immediately following execution of this Agreement, if directed by Franchisor, Franchisee will set up an EDTA and Franchisor will have access to such account for the purpose of receiving payment for Royalty Fees, amounts due for purchases by Franchisee from Franchisor, and any other amounts which Franchisee owes to Franchisor. Each week, Franchisee will make deposits to the EDTA sufficient to cover amounts owed to Franchisor for Royalty Fees and other monies owed by Franchisee to Franchisor. For the purposes of this Agreement, workweeks run from Sunday through Saturday. Deposits are due the Friday following the previous workweek. Franchisee will not withhold payment of any Royalty Fee, amounts due for purchases by Franchisee from Franchisor, or other amounts that Franchisor claims are due to Franchisor. Any alleged non-performance or breach of Franchisor's obligations under the Franchise Agreement or any related agreement does not establish a right at law or in equity for Franchisee to withhold payment due Franchisor for Royalty Fee, amounts due for purchases by Franchisee from Franchisor, or other amounts that Franchisor claims are due to Franchisor.

10.5 Franchisee will pay to Franchisor (or any Related Entity) promptly and when due the amount of all sales taxes, use taxes, personal property taxes and similar taxes imposed upon, required to be collected, or paid by Franchisor on the account of services or goods furnished by Franchisor to Franchisee through sale, lease or otherwise, or on account of collection by Franchisor of the initial Franchise Fee, all Royalty Fees, amounts due for purchases by Franchisee from Franchisor, and other amounts which Franchisee owes to Franchisor.

10.6 Franchisee's and the Operating Principal's signature on this Agreement constitutes: (i) Franchisee's consent to make filings with the Franchisor by electronic means, if Franchisor so requests, and (ii) Franchisee's representation and warranty to Franchisor that each electronic filing made by Franchisee is true and correct in all respects, and (iii) Franchisee's consent and representation to Franchisor that each electronic signature will be equivalent to Franchisee's actual signature for all intents and purposes.

11. ACCOUNTING AND RECORDS

11.1 Franchisee will regularly prepare and maintain during the term of this Agreement, and will preserve for the time period specified in the Operations Manual, full, complete and accurate books, records and accounts, including records maintained in electronic format, in accordance with the standard accounting system and procedures prescribed by Franchisor in the Operations Manual or otherwise. Franchisee will retain, during the term of this Agreement and for three (3) years thereafter, all books, records and accounts related to the Franchised Business, including, without limitation, sales reports, checks, purchase orders, invoices, payroll records, check stubs, sales tax records and returns, cash receipts and disbursement journals, general ledgers and any other financial records designated by Franchisor or required by law.

11.2 On or before the fifteenth (15th) day of each calendar month in a form and in the manner approved by Franchisor, Franchisee will supply to Franchisor a balance sheet as of the end of the last preceding calendar month, a profit and loss statement for such month and Franchisee's fiscal year-to-date, and a statement of the aging of accounts receivable of the Franchised Business. Additionally, Franchisee will, at its expense, submit to Franchisor within one hundred twenty (120) days after the end of each fiscal year, an income statement for such fiscal year and a balance sheet as of the last day of such fiscal year, prepared in accordance with generally accepted accounting principles. Such financial statements will be certified to be true and correct by Franchisee.

11.3 Franchisee will submit to Franchisor such other periodic reports, forms and records, including income tax returns of Franchisee and, if applicable, its owners, in the manner and at the time specified in the Operations Manual, or as Franchisor will otherwise require in writing from time to time. If Franchisee is not using Franchisor's designated system for electronic reporting, for each occurrence that such a report, form or record is not timely submitted, Franchisee will incur a late fee payable to Franchisor in an amount up to two hundred fifty dollars (\$250.00) as determined by Franchisor. Such late fee will recur every seven (7) calendar days during the period of time that such report, form or record is not timely submitted.

11.4 Franchisor may develop and custom design certain software for use in maintaining and managing client information, scheduling, accounting records, administrative functions and related activities. If developed, the software will be proprietary to Franchisor and will constitute part of the Confidential Information of Franchisor. Franchisor may not be able to practically alter the software and System to accommodate each and every one of its franchisees, and Franchisor will designate when Franchisee will use the software, if ever. Franchisee will comply with all specifications and standards prescribed by Franchisor regarding the equipment and software, as will be provided from time to time in the Operations Manual. Until such time as Franchisor develops the software (if ever), Franchisee will utilize software designated by Franchisor as in compliance with Franchisor's specifications. If Franchisor requires Franchisee to use any software developed by Franchisor, then, Franchisor reserves the right to charge a fee for the use of such software, but the fees will not exceed the fees or charges for similar software developed by third parties.

11.5 Franchisor or its designated agents will have the right at all reasonable times to examine, inspect and copy, at its expense, Franchisee's books, records and accounts, including tax returns. As part of the inspection, Franchisor will also have the right, at any time, to have an independent audit made of Franchisee's books, records and accounts at Franchisor's expense. If an inspection should reveal that any payments due to Franchisor have been understated in any report to Franchisor, then Franchisee will immediately pay to Franchisor the amount understated upon demand, in addition to interest from the date such amount was due until paid, at the maximum rate permitted by law. If an inspection discloses an understatement in any report equal to two percent (2%) or more, Franchisee will also reimburse Franchisor for any and all costs and expenses connected with the inspection (including, without limitation, reasonable accounting and attorney fees). If an inspection discloses that Franchisee has operated its Franchised

Business in violation of this Agreement, Franchisee will reimburse Franchisor for any and all costs and expenses connected with the inspection. The remedies described in this Section 11 are not exclusive and will be in addition to any other remedies Franchisor may have in this Agreement or as provided by law.

11.6 Pursuant to the terms of this Agreement, Franchisee will create and maintain an electronic database comprised of certain books, records, accounts, client lists, prospective clients, referral sources, etc., as prescribed by Franchisor. Franchisee acknowledges that it is imperative for the Franchisor to be able to timely and readily access such database and information. Franchisee covenants that Franchisee will cooperate in good faith with the Franchisor as to all aspects relating to the performance of Franchisee's obligation to provide access to the database and provide such information to Franchisor. Franchisee covenants to cooperate with the Franchisor to promptly and mutually agree upon a time to coordinate with and allow Franchisor access to Franchisee's database and records via Franchisee's computer system. Franchisor maintains Internet access software so that it is able to connect remotely with Franchisee over the Internet. Upon Franchisor's request, Franchisee will promptly allow its database to be reviewed by Franchisor and Franchisee will generate and transmit the reports as requested by Franchisor. In the event that the Franchisor desires to review Franchisee's entire database, Franchisor and Franchisee will set up a webinar so that the entire database may be transferred via Franchisor's FTP site. Franchisor reserves the right to require that Franchisee upgrade any software used and approved by Franchisor for bookkeeping and record keeping purposes at least once every two (2) years.

11.7 Franchisee acknowledges and understands that computer systems are vulnerable to computer viruses, bugs, power disruptions, communication line disruptions, Internet access failures, Internet content failures, date-related problems, and attacks by hackers and other unauthorized intruders. Franchisor has taken reasonable steps to ensure that these problems will not materially affect the System. Franchisor does not guarantee that information or communication systems supplied by Franchisor or its suppliers will not be vulnerable to these problems. Franchisee acknowledges and agrees that Franchisee is solely responsible for protecting itself from these problems. Franchisee must also take reasonable steps to verify that Franchisee's suppliers, lenders, landlords, customers, and governmental agencies on which Franchisee relies, are reasonably protected. This may include taking reasonable steps, including steps that Franchisor may require, to secure Franchisee's systems, including, but not limited to, firewalls, access code protection, anti-virus systems, and use of backup systems.

12. STANDARDS OF QUALITY AND PERFORMANCE

12.1 Franchisee will comply with all requirements set forth in this Agreement and the Operations Manual and other written policies, specifications, standards, procedures, rules and regulations promulgated by Franchisor from time to time and supplied to Franchisee by Franchisor ("**Promulgated Rules**"). The Promulgated Rules will constitute provisions of this Agreement as if fully set forth herein; provided, however, except as provided in this Agreement, that any changes to the Promulgated Rules will not materially alter or amend Franchisee's obligations in this Agreement with regard to the minimum Net Billing requirements; payment of Royalty Fees, Brand Marketing and Promotion Fees; or, renewal fees or affect the term of this Agreement. All references herein to this Agreement will include such Promulgated Rules. Franchisee will comply with the entire System, including, but not limited to, the provisions of this Section 12.

12.2 If this Agreement is for Franchisee's first Franchised Business, Franchisee or the Operating Principal must successfully complete Phase-one training at least thirty (30) days prior to opening the office at the Premises and Franchisee must commence operations of the Franchised Business not later than six (6) months after execution of this Agreement, unless otherwise agreed upon in writing by Franchisor or due to licensing requirements imposed by applicable law in the Designated Area. If this Agreement is for an additional Franchised Business, Franchisee must commence operations of the Franchised Business on the

date contemporaneously or within thirty (30) days after execution of this Agreement. As used in this Agreement, an open office means: a Premises, and such Premises will continuously (i) have at least two (2) full-time equivalent staff members, one of which may be the Operating Principal, who have the authority to and are hiring and managing employees and actively marketing and selling the services and products, materials and equipment of the Franchised Business, and (ii) provide and supervise home care and/or staffing services, and (iii) produce and deliver all Weekly Reports and others required under this Agreement. As used in this Agreement within the context of a Franchised Business that is re-sold, an open office means the date on which the Franchised Business's office was originally opened. As used in this Agreement, "continuously" means uninterrupted at least during normal day to day business hours and at least Monday through Friday, plus providing a service to handle calls from and respond to the public 24 hours each day, 7 days per week. Prior to such opening, Franchisee will have complied with all of Franchisor's pre-opening standards and specifications. If Franchisee for any reason fails to commence and or continue such operations as herein provided, such failure will be a default of this Agreement and Franchisor may, in addition to all other remedies provided for under this Agreement, terminate this Agreement.

12.3 Franchisee will maintain the condition and appearance of the Premises consistent with Franchisor's standards. Franchisee will operate the Premises to maintain and/or improve the appearance and efficient operation of the Franchised Business, including, but not limited to, replacement of worn out or obsolete fixtures and signs, and repair of the exterior and interior of the Premises. If at any time, in Franchisor's reasonable judgment, the general state of repair or the appearance of the Premises or its equipment, fixtures, signs or decor does not meet Franchisor's standards therefor, Franchisor will so notify Franchisee, specifying the action to be taken by Franchisee to correct such deficiency. If Franchisee fails or refuses to initiate within thirty (30) days after receipt of such notice or immediately, if the condition presents a safety or health hazard, and thereafter continue a bona fide program to complete any required maintenance, Franchisor will have the right, in addition to all other remedies, to enter upon the Premises and effect such maintenance on behalf of Franchisee and Franchisee will pay the entire costs thereof upon demand.

12.4 Franchisor may, in the future, develop custom design and license to Franchisee, proprietary software for tracking sales leads and marketing support, sales reports, job cost, estimating, appointment scheduling, service calls, accounting and other business functions. In addition, Franchisor may require Franchisee to purchase and utilize commercially available software. Franchisee will comply with all specifications and standards prescribed by Franchisor regarding any software as provided from time to time in the Operations Manual. Franchisor may determine that it cannot practically alter the System to accommodate each and every one of its franchisees. Thus, Franchisee may only utilize software as prescribed by Franchisor. Software support and service will be provided by the software manufacturer with costs of such support paid by Franchisee directly to the manufacturer. Franchisor may, but is not obligated to, provide additional software support. Franchisor will have independent access to all of Franchisee's information and data relating to the Franchised Business. There are no contractual limitations on Franchisor's access to said information and data. In the event Franchisor introduces the software into the System, Franchisee will license the software from Franchisor or any designated party. Franchisee may choose any authorized dealer from which to license commercially available software.

12.5 Franchisee will offer for sale and provide at the Franchised Business all types of services and related products, materials and equipment that Franchisor from time to time authorizes and will not offer for sale or provide at the Franchised Business or the Premises which it occupies, any other category of services, products, materials or equipment or use such Premises for any purpose other than the operation of the Franchised Business. Franchisor reserves the right to designate certain national or regional accounts that Franchisor may develop for the RIGHT at HOME System. Franchisee's obligation to participate and Franchisor's policies and procedures for National/Regional Accounts will be included on the Operations Manual.

12.6 From time to time, Franchisor will provide to Franchisee a list of approved manufacturers, suppliers and distributors authorized for items or services used to operate the Franchised Business (“**Approved Suppliers List**”) and a list of approved inventory, products, materials, fixtures, furniture, equipment, signs, stationery, supplies and other items or services necessary to operate the Franchised Business or offer for sale to clients of a Franchised Business (“**Approved Supplies List**”). Franchisor may revise the Approved Suppliers List and Approved Supplies List from time to time, as Franchisor determines is appropriate. Franchisee must purchase, sell and use only those suppliers and supplies that are set forth on the Approved Suppliers List or Approved Supplies List. Franchisee must operate the Franchised Business according to our System standards. System standards include, but are not limited to, the matters in the Operations Manual and they may regulate among other things, the Approved Suppliers List, Approved Supplies List, types, models and brands of required equipment, signs, stationery, promotional materials and other items or services necessary to operate the Franchised Business or offer for sale to clients of a Franchised Business. If Franchisee would like to offer for sale to clients of the Franchised Business or use to operate the Franchised Business any product, material, equipment or supply or purchase any products, materials or equipment from a supplier not on either of these lists, Franchisee must obtain Franchisor’s prior written approval. Franchisee must notify Franchisor of such event and submit to Franchisor all information, specifications and samples that Franchisor may request regarding a supplier, service or product proposed by Franchisee. Franchisor may require that its representatives be permitted to inspect the proposed supplier’s facilities and that samples from the proposed supplier be delivered to Franchisor for evaluation and testing. Franchisor has the absolute right to determine whether such supplier’s goods or products meet the System standards and Franchisor’s specifications, and may approve or disapprove any proposed supplier. Franchisor will typically provide response to such written request within 30 days from the date Franchisor receives Franchisee’s written request and the necessary items Franchisor requires for review. **ALTHOUGH PRODUCTS, SERVICES OR SUPPLIERS MAY BE APPROVED BY FRANCHISOR, FRANCHISOR AND ITS AFFILIATES EXPRESSLY DISCLAIM ALL WARRANTIES, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR ANY PARTICULAR PURPOSE, WITH RESPECT TO PRODUCTS, SERVICES, FIXTURES, FURNITURE (INCLUDING WITHOUT LIMITATION ANY REQUIRED COMPUTER SYSTEMS), SIGNS, STATIONERY, SUPPLIES OR OTHER APPROVED ITEMS SOLD TO PROVIDED TO FRANCHISEE BY FRANCHISOR OR ANY THIRD-PARTY, INCLUDING ANY APPROVED SUPPLIER.** Franchisor reserves the right to designate exclusive suppliers, the right to designate the Franchisor or its Related Entity as an approved or exclusive supplier, and the right to earn fees on Franchisee purchases from suppliers.

12.7 Franchisee, at its expense, will secure and maintain in force all required licenses, permits and certificates relating to the operation of the Franchised Business and will operate the Franchised Business in full compliance with all applicable laws, ordinances and regulations including, without limitation, all government regulations relating to housing and the care of individuals, occupational hazards and health, trade regulation, workers’ compensation, unemployment insurance and withholding and payment of federal and state income taxes, social security taxes and sales, use and property taxes.

12.8 Franchisee will maintain an electronic database of the names and addresses and contact notes of all current and past clients, clients’ families, and responsible parties, current and past prospects, referral sources and vendors of the Franchised Business. Franchisee will supply said database to Franchisor by electronic transmission at a time and in a manner prescribed by Franchisor. Franchisee will maintain the confidentiality of said information and will not disclose, provide, transfer, assign, sell or otherwise disclose such database or contents thereof to any person or entity other than Franchisor, or as required by applicable law, in accordance with the provisions of Section 7 of this Agreement.

12.9 Each Franchised Business must operate and maintain an open office that must be under the direct and continuous supervision of the Operating Principal who has successfully completed Franchisor’s Phase-one training. Franchisee will keep Franchisor informed at all times of the identity of any employee(s)

acting as manager(s) of the Franchised Business. Franchisee will, at all times, faithfully, honestly and diligently perform its obligations and will not engage in any business or other activities that will conflict with its obligations. Franchisee, the Operating Principal and Franchisee's owners will participate in the day-to-day activities of the Franchised Business on an ongoing basis.

12.10 Franchisee will conduct criminal background checks on all prospective employees and current employees of the Franchised Business to determine whether there is a history of elder abuse or crimes involving elders or similar crimes that are ascertainable on the public record. All employees must pass any applicable tests required by any governmental entity, submit to annual medical examinations and random drug tests, have a criminal background investigation performed and participate actively in safety training seminars and programs. Franchisee is responsible and assumes liability for all hiring decisions for the Franchised Business.

12.11 Franchisee will notify Franchisor in writing within five (5) days after Franchisee's receipt of any written threat or the actual commencement of any action, suit or proceeding, or of the issuance of any order, writ, injunction, award or decree of any court, agency or other governmental instrumentality which may adversely affect the operation or financial condition of the Franchised Business.

12.12 Franchisee will at all times continuously use its best efforts to promote and increase the sales of the Franchised Business and to effect the widest and best possible distribution, sales and placement, soliciting all Potential Clients and accounts for services and related products, materials and equipment within the Designated Area.

12.12.1 To maintain the exclusivity of Franchisee's Designated Area, Franchisee must generate average Net Billings from the operation of the Franchised Business for each four (4) consecutive week period according to the following schedule:

Months After Franchisee Has Opened Office	Average Net Billing Requirement
13-24	\$14,000
25-36	\$23,000
37-48	\$32,000
49-60	\$46,000
61-72	\$55,000
73 and thereafter	\$65,000

12.12.2 Franchisor can increase the above stated average Net Billing requirements by up to 5% per year upon notice to Franchisee. Franchisee's failure to achieve the above-referenced average Net Billings in any year after Franchisee has had an open office for one (1) year and/or maintain the applicable average Net Billing requirements for any period of 12 consecutive weeks after such one-year period, will constitute a default under this Agreement and, in addition to the other remedies set forth in this Agreement, Franchisor has the right to implement any one or more of the following actions: (i) decrease/reduce or otherwise change the size of the Designated Area; (ii) establish other franchises within the Designated Area; (iii) permit other franchisees to provide services to clients located within Franchisee's Designated Area; or (iv) in addition to all other remedies provided under this Agreement and by law, terminate this Agreement as provided in this Agreement. Franchisee may cure such default as follows: Franchisor will request that Franchisee provide to Franchisor a detailed business plan within 30 calendar days after such request setting forth the plan for meeting the described Net Billing requirements within a reasonable period of time, not to exceed 6 months. Such business plan will be in form and substance acceptable to Franchisor. If Franchisee provides the business plan within the 30 days, Franchisor will review it within 14 calendar days after it is received. If Franchisor, in its sole judgment, believes that the business plan is reasonably achievable, Franchisor will give to Franchisee additional time to meet

the Net Billing requirements in accordance with the business plan. If Franchisee fails or refuses to provide a business plan within 30 calendar days, or if Franchisor determines that the business plan is not achievable, or if Franchisor approves the business plan but Franchisee fails to meet the Net Billing requirements in accordance with the plan, Franchisor may give Franchisee notice of termination under this Agreement. Details as to the form and content required for the business plan and the process described above may be more specifically set forth and modified in the Operations Manual.

12.12.3 For purposes of this Section, the office is considered to be “open” as follows:

12.12.3.1 For a new Franchised Business, the office is open in accordance with Section 12.2;

12.12.3.2 For a Franchised Business opened as an Additional Franchised Business pursuant to Exhibit F, the office is considered to be open as of the date that the first Franchised Business opens;

12.12.3.3 If the Franchise Agreement for an Additional Franchised Business pursuant to Exhibit F is not signed on the same date that the Franchise Agreement for the first Franchised Business is signed, then the Additional Franchised Business is considered to be open as of the date that the Franchise Agreement for the Additional Franchised Business is signed; and

12.12.3.4 For a Franchised Business acquired from a previous franchisee, the office is open on the date that the Franchised Business was considered to be open by the original franchisee.

12.13 Franchisee will comply with the portions of the Health Insurance Portability and Accountability Act (“**HIPAA**”) which require health care providers to submit transactions related to payment in standard electronic formats and regulate the security and privacy of health data, and HIPAA’s implementing regulations, including the HIPAA Privacy Rule, HIPAA Breach Notification Rule, HIPAA Security Rule, HITECH Act, and Omnibus Rule. To comply with HIPAA’s privacy and security regulations, Franchisee must implement privacy and security policies and safeguards, designate a privacy and security officer, inform individuals how their health information is used and disclosed, provide access to health information, and give notice of certain breaches of protected data. To help Franchisee comply with the applicable HIPAA regulations, policies, and procedures, Franchisor has designated a third party supplier to provide Franchisee with various tools for implementing Franchisee’s own compliance program. In addition, if Franchisee engages a third party to perform functions that require access to patients’ personal information, Franchisee and such third party are required to execute a business associate agreement (“**Business Associate Agreement**”) in a form similar to the form of agreement included in Exhibit E to this Agreement.

13. FRANCHISOR’S OPERATIONS ASSISTANCE

13.1 Franchisor may from time to time advise or offer guidance to Franchisee relative to prices for the services and products, materials and equipment offered by the Franchised Business that, in Franchisor’s judgment, constitute good business practice. Such guidance will be based on the experience of Franchisor and its franchisees in operating Franchises and an analysis of the costs of such services and prices charged for competitive services. Franchisee will not be obligated to accept any such advice or guidance and will have the sole right to determine the prices to be charged by the Franchised Business and no such advice or guidance will be deemed or construed to impose upon Franchisee any obligation to charge any fixed or minimum prices for any services offered for sale by the Franchised Business; provided, however, that Franchisor reserves the right to establish maximum prices as Franchisor deems appropriate.

13.2 Prior to and upon commencement of operation of the Franchised Business and during the term of this Agreement, Franchisor must provide to Franchisee the following:

13.2.1 Guidelines for identifying a suitable location for the Franchised Business;

13.2.2 A comprehensive list of established sources of services, products, materials, equipment, supplies and goods necessary for the operation of the Franchised Business and specifications for same;

13.2.3 Guidance of advertising materials and strategies;

13.2.4 Negotiation of group rates for purchases of services, products, materials, and equipment as Franchisor deems necessary and appropriate;

13.2.5 Ongoing research and development of new services; and

13.2.6 Franchisor will host a website and, pursuant to the terms and conditions contained in the Operations Manual, provide Franchisee four (4) pages of content of Franchisor's design promoting the Franchised Business. Franchisee may not participate or market on any website or other form of electronic media (including social technology, social media and social networking platforms) using the Marks unless Franchisee first obtains written approval from Franchisor.

13.3 Franchisor may furnish Franchisee with ongoing assistance in connection with the operation of the Franchised Business as is reasonably determined to be necessary by Franchisor. Operations assistance may consist of advice and guidance with respect to:

13.3.1 Procedures adopted by the Franchised Business regarding the services and products, materials and equipment to be offered by the Franchised Business;

13.3.2 Purchase of services, products, materials, equipment and supplies;

13.3.3 Institution of proper administrative, bookkeeping, accounting, inventory control, supervisory and general operating procedures for the effective operation of the Franchised Business; and

13.3.4 Marketing and promotional programs and consultation.

13.4 Franchisor will make periodic visits to the Franchised Business for the purposes of consultation, assistance and guidance of Franchisee in all aspects of the operation and management of the Franchised Business. Franchisor or Franchisor's representatives who visit at the Franchised Business may prepare, for the benefit of both Franchisor and Franchisee, written reports with respect to such visits outlining any suggested changes or improvements in the operations of the Franchised Business and detailing any defaults in such operations which become evident as a result of any such visit. A copy of each such written report will be provided to Franchisor and may be provided to Franchisee. Franchisor will advise Franchisee of problems arising out of the operation of the Franchised Business as disclosed by reports submitted to Franchisor by Franchisee or by inspections conducted by Franchisor of the Franchised Business.

13.5 All of the specifications, Approved Suppliers Lists, Approved Supplies Lists, training and operations manuals to be provided by Franchisor to Franchisee pursuant to this Agreement will be delivered upon completion of training.

Should the claims made liability policies be replaced, full retro dated coverage is required. Should any policies be terminated or cancelled for any reason, or a "claims made" policies be rewritten to an "occurrence form" of coverage, Franchisee will maintain at a minimum and secure two (2) additional years of "Extended Reporting Period" for claims that may not be discovered until after policy termination.

14.2.4 Business interruption extra expense insurance for actual losses sustained, for a period of indemnity not less than a six (6) month period.

14.2.5 Commercial Automobile liability insurance, including all owned, non-owned and hired vehicle coverage, with a combined single limit of at least ONE MILLION DOLLARS (\$1,000,000) each accident, subject to a maximum retention of FIVE THOUSAND DOLLARS (\$5,000).

Prior to commencement of operations of the Franchised Business, Franchisee will provide Franchisor with a current Certificate of Insurance issued on a standard ACORD certificate of insurance form evidencing all required and optional insurance requirements of this Agreement. Franchisee will maintain all such insurance at all times while operating under any authorization granted to Franchisee by Franchisor and including any completed or discontinued operations. It is Franchisee's sole responsibility to provide Franchisor with notice should any required insurance be cancelled, not renewed, materially changed or reduced from the required coverages. Failure of Franchisee to provide all insurance required, or failure to provide notice to Franchisor, will not relieve Franchisee of its obligations under this Agreement. Maintenance of such insurance and the performance by Franchisee of the obligations under this Section 14 will not relieve Franchisee of liability under the indemnity provision set forth in this Agreement. Minimum limits, as required above, may be modified from time to time, as conditions require, by written notice to Franchisee and Franchisee must maintain any such revised insurance coverage. As mentioned above, the coverages set forth in this Agreement are the minimum, but they may not be adequate for all losses of every type and size. Franchisor encourages Franchisee to make decisions with the advice of Franchisee's insurance consultant and legal counsel.

14.5 Should Franchisee, for any reason, not supply Franchisor with the required insurance certificate or procure and maintain such insurance coverage as required by this Agreement, Franchisor will have the right and authority (without, however, any obligation to do so) to procure such insurance coverage and to charge the cost of the same to Franchisee, which charges, together with a reasonable fee for expenses incurred by Franchisor in connection with such procurement, will be payable by Franchisee immediately upon notice from Franchisor.

15. COVENANTS

15.1 Unless otherwise specified, the term "Franchisee" as used in this Section 15 will include, collectively and individually, Franchisee as defined in Section 30.

15.2 Franchisee covenants that during the term of this Agreement, except as otherwise approved in writing by Franchisor, Franchisee or the Operating Principal will devote his or her full-time energy and best efforts to the management and operation of the Franchised Business.

15.3 Franchisee covenants that during the term of this Agreement, except as otherwise approved in writing by Franchisor, Franchisee and the Operating Principal will not, either directly or indirectly, for itself or through, on behalf of or in conjunction with any person, persons or entities:

15.3.1 Divert or attempt to divert any business or client of the Franchised Business to any competitor by direct or indirect inducement or otherwise, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Marks or the System;

15.3.2 Employ or seek to employ any person who is employed by Franchisor, or by any other Franchisee of Franchisor (other than caregivers), or otherwise directly or indirectly induce or seek to induce such person to leave such employment without a mutual agreement with Franchisor or the other Franchisee; or

15.4 Franchisee specifically acknowledges that, pursuant to this Agreement, Franchisee and the Operating Principal will receive valuable training and confidential information from Franchisor, including, without limitation, information regarding the promotional, operational, sales and marketing methods and techniques of Franchisor and the System. Thus, Franchisee covenants that at the time of execution of this Agreement and at all times during the initial term and any renewal term, the Franchisee, the Operating Principal and all shareholders or members of the Franchisee, as the case may be, will enter into a written Confidentiality and Non-Compete Agreement in the form of Exhibit C-1 attached to this Agreement.

15.5 Each of the foregoing agreements, acknowledgements and covenants will be construed as independent of any other provision of this Agreement. If all or any portion of any covenant in this Section 15 is held unreasonable or unenforceable by a court or agency having valid jurisdiction, Franchisee covenants that Franchisee and the Operating Principal will be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Section 15. The invalidity of any covenant contained in this Agreement does not affect the validity of remaining covenants contained in this Agreement.

15.6 Franchisee understands and acknowledges that Franchisor has the right to reduce the scope of any covenant set forth in Section 15.3 and Exhibit C-1 or C-2 of this Agreement or any portion thereof, without Franchisee's consent, effective immediately upon receipt by Franchisee of written notice thereof. Franchisee will comply forthwith with any covenant as so modified, which will be fully enforceable despite the provisions of Section 26 hereof.

15.7 Franchisee covenants and agrees to cooperate in good faith with Franchisor as to all aspects relating to the performance of Franchisee's obligations under this Agreement, and Franchisee will use good faith efforts to promote and develop the Franchised Business and Franchisor.

15.8 Franchisee will require those personnel performing managerial or supervisory functions and all personnel receiving training from Franchisor to execute Confidentiality Agreements in a form substantially similar to Exhibit C-2.

16. DEFAULT AND TERMINATION

16.1 Franchisee may not terminate this Agreement prior to the expiration of its term except through legal process resulting from Franchisor's breach of this Agreement which breach results in a material adverse effect on Franchisee or otherwise with Franchisor's consent. In the event that Franchisee will claim that Franchisor has failed to meet any obligation under this Agreement, Franchisee will provide Franchisor with written notice of such claim within one (1) year after its occurrence, specifically enumerating all alleged deficiencies and providing Franchisor with an opportunity to cure, which will in no event be less than thirty (30) days after the date of receipt of such notice by Franchisor from Franchisee; provided, however, that if the nature of Franchisor's breach is such that more than thirty (30) days are reasonably required for performance or cure, then Franchisor will not be in breach if it commences performance within the thirty (30) day period and thereafter diligently continues and cures the breach. Failure to timely give any such notice will constitute a waiver of any such alleged breach by Franchisor.

16.2 If any of the following occurs, Franchisee will be in default, will have no right or opportunity to cure the default and Franchisor will have the right and good cause to terminate this Agreement, which termination will be effective immediately upon Franchisor's delivery of the written notice of termination pursuant to Section 25 identifying the grounds for the termination because Franchisee or any one or more of its Operating Principal, owners, officers, members, shareholders or managers:

16.2.7 Misuses or makes an unauthorized use of any Marks or commits any act which action can reasonably be expected to impair the goodwill associated with any Marks;

16.2.8 Misuses or makes an unauthorized use of any of Franchisor's proprietary software (if developed which can reasonably be expected to adversely affect the Franchisor's interest in such software);

16.2.10 Any other franchise agreement with Franchisor is terminated by Franchisor as a result of Franchisee's default, other than a default due to Franchisee's failure to meet the average Net Billing requirements set forth in such franchise agreement;

16.4 If any of the following defaults occur, Franchisee must cure the default within the time periods set forth in this Section:

16.4.1 Fails to complete the training program at least thirty (30) days prior to opening the office, as provided in Section 12.2 of this Agreement;

16.4.2 Fails to cure any violation of a health, safety or other local, state or federal regulation or ordinance in a manner that presents a hazard to a client of the Franchised Business or other member of the public within the time period required by such regulation or ordinance; or

16.6 If Franchisee fails to cure the defaults with the time periods set forth in Sections 16.3, 16.4 or 16.5, termination of this Agreement will be accomplished by Franchisor delivering written notice of termination to Franchisee pursuant to Section 25 identifying the grounds for the termination. 16.8 The remedies described in this Agreement and in particular this Section 16 are not exclusive and will be in addition to any other remedies Franchisor may have in this Agreement or as provided by law. 17. RIGHTS AND DUTIES OF PARTIES UPON EXPIRATION OR TERMINATION

Upon termination or expiration of this Agreement all rights granted by this Agreement to Franchisee will terminate, and:

17.1 Franchisee will immediately cease to operate the Franchised Business and will not thereafter, directly or indirectly, represent to the public or hold itself out as a present franchisee of Franchisor.

17.2 Upon demand by Franchisor, Franchisee will assign Franchisee's interest in any lease then in effect for the Premises to Franchisor, and Franchisee will furnish Franchisor with evidence satisfactory to Franchisor of compliance with this obligation within fifteen (15) days after termination or expiration of this Agreement.

17.3 Franchisee will immediately and permanently cease to use, by advertising or in any manner whatsoever, any Confidential Information, Marks, any distinctive forms, slogans, signs, symbols, logos, devices, methods, procedures and techniques associated with the System. In particular, Franchisee will cease to use, without limitation, all signs, advertising materials, websites, stationery, forms and any other articles which display the Marks.

17.4 Upon demand by Franchisor, Franchisee will take such action as may be necessary to cancel, or, if Franchisor so requests, to assign to Franchisor or its designee, any fictitious or assumed name rights or equivalent registration filed with state, city or county authorities which contain the names "RIGHT AT HOME," "RAH STAFFING SERVICES" or any other service mark or trademark associated with the System, and Franchisee will furnish Franchisor with evidence satisfactory to Franchisor of compliance with this obligation within thirty (30) days after termination or expiration of this Agreement. All goodwill attendant to, related to, and in connection with the Marks, clients, and use of Franchisor's System belong to the Franchisor.

17.5 Franchisee will immediately and permanently cease using any entity used for operating the Franchised Business. In the event Franchisee subsequently operates any other business, Franchisee will not use any reproduction, counterfeit, copy or colorable imitation of the Marks either in connection with such other business or the promotion thereof, which is likely to cause confusion, mistake or deception, or which is likely to dilute Franchisor's rights in and to the Marks and further, Franchisee will not utilize any designation of origin, description or representation which falsely suggests or represents an association or connection with Franchisor. Franchisee will make such modifications or alterations to the Premises (including, without limitation, the changing of the telephone number) immediately upon termination or expiration of this Agreement as may be necessary to prevent any association with Franchisor or the System and any business thereon subsequently operated by Franchisee or others, and will make such specific additional changes thereto as Franchisor may reasonably request for that purpose including, without limitation, removal of all distinctive physical and structural features identifying the System. In the event Franchisee fails or refuses to comply with the requirements of this Section 17, Franchisor will have the right to enter upon the Premises without being guilty of trespass or any other tort, for the purpose of making or causing to be made such changes as may be required at the expense of Franchisee, which expense Franchisee will pay upon demand.

17.6 Franchisee will promptly within fifteen (15) days after the effective date of termination or expiration pay all sums owing to Franchisor. In the event of termination for any default of Franchisee, such sums will include all damages, costs and expenses, including reasonable attorney fees, incurred by Franchisor as a result of the default. Franchisee must contemporaneously with payment furnish a complete accounting of all amounts owing to Franchisor.

17.7 Upon demand by Franchisor, Franchisee will pay to Franchisor all damages, costs and expenses, including reasonable attorney fees, incurred by Franchisor subsequent to the termination or expiration of the franchise herein granted in obtaining injunctive or other relief for the enforcement of any provisions of this Section 17 or Section 15.

17.8 Franchisee will immediately turn over to Franchisor the Confidential Information; Operations Manual; the passwords, access codes and users names to access the Operations Manual in electronic format; all other manuals, client information, client lists, details of service to clients, supplier lists, records, files, electronic files, instructions, brochures, agreements, disclosure statements, relevant data bases

and any materials provided by Franchisor to Franchisee relating to the operation of the Franchised Business, all of which are acknowledged by Franchisee to be Franchisor's property. Franchisor acknowledges that time schedules, time limits, and requirements specified in this Section 17.8 are of the essence in order for Franchisor to protect its Confidential Information and System. For each full day or part thereof after termination or expiration of this Agreement that the Operations Manual and the passwords, access codes and users names to access the Operations Manual in electronic format are not delivered back to Franchisor, Franchisee will pay to Franchisor liquidated damages in the amount of Two Hundred and Fifty Dollars (\$250.00). Liquidated damages as provided in this Section 17.8 will not be the exclusive liability of Franchisee for delay, but are in addition to all other remedies available to Franchisor. Franchisor and Franchisee further agree that the terms, conditions and amounts fixed for liquidated damages are reasonable considering the damages. Franchisor will sustain in the event of Franchisee's failure to meet the requirements for timely turning over the Operations Manual, together with the passwords, access codes and users names to access the Operations Manual in electronic format and that the amount is agreed upon and fixed as liquidated damages because of the difficulty of ascertaining the exact amount of damages that may be sustained by Franchisor and will be applicable regardless of the actual amount of damages sustained.

17.9 Upon demand, Franchisor will have the right, title and interest to any sign or sign faces bearing the Marks. Franchisee hereby acknowledges Franchisor's right to access the Premises should Franchisor elect to take possession of any said sign or sign faces bearing the Marks.

17.10 Franchisor will have the option and right (but not the duty), to be exercised by notice of intent to do so within thirty (30) days after termination or expiration of this Agreement, to purchase the following: (1) all fixed assets of the Franchised Business at depreciated value as reflected on the Franchisee's most recent financials; (2) the real property consisting of the designated site of the Franchised Business, as specified under Section 3 of this Agreement, at fair market value; and (3) all other assets/property of the Franchised Business at fair market value. If the parties cannot agree on fair market value within a reasonable time, the determination will be made by a Qualified Appraiser (as defined below) selected by both the Franchisor and the Franchisee to determine the amount of the fair market value; provided that in the event that the Franchisor and Franchisee cannot agree upon a Qualified Appraiser within thirty (30) days after the notice of intent is given by the Franchisor to the Franchisee to purchase the assets, the Franchisor and Franchisee will each have the opportunity to appoint a Qualified Appraiser, within five (5) days following the expiration of such thirty (30) day period. The two (2) Qualified Appraisers will establish the amount of the fair market value in a single written opinion agreed to and signed by both of them. If these two (2) Qualified Appraisers cannot agree on the amount of the fair market value within ten (10) days after the appointment of the latter of them, these two (2) appointed Qualified Appraisers will together appoint a third Qualified Appraiser whose sole written opinion will establish the amount of the fair market value. A "Qualified Appraiser" will mean a professional appraiser or independent certified public accountant that is qualified by experience and ability to appraise the amount of the fair market value. The fees of any Qualified Appraiser or Qualified Appraisers will be equally shared by Franchisor and Franchisee. If either the Franchisor or the Franchisee entitled to appoint an appraiser fails to do so or if one of the two initial appraisers fails after appointment to submit his/her appraisal within the required period, the appraisal submitted by the remaining appraiser will be controlling. If Franchisor elects to exercise any option to purchase herein provided, it will have the right to set off all amounts due from Franchisee under this Agreement, if any, against any payment therefor.

17.11 Franchisee acknowledges that all telephone and facsimile numbers, Internet addresses and electronic mail addresses and domain names used in the operation of the Franchised Business constitute assets of the Franchisor and Franchisee will promptly execute all documents, including, but not limited to, authorization forms, prescribed by Franchisor to transfer and assign said assets to Franchisor upon termination or expiration of this Agreement. At termination or expiration of this Agreement, Franchisee will assign to Franchisor or its designee, all of Franchisee's right, title and interest in and to Franchisee's

telephone and facsimile numbers, Internet addresses and electronic mail addresses and domain names and will notify the telephone company and all listing agencies of the termination or expiration of Franchisee's right to use any telephone and facsimile numbers, Internet addresses and electronic mail addresses and domain names and any regular, classified or other telephone directory listing associated with the Marks and authorize a transfer of same to or at the direction of Franchisor.

17.12 Franchisee will comply with the requirements and covenants contained in Sections 11 and 15 of this Agreement.

17.13 All obligations of Franchisor and Franchisee which expressly or by their nature survive the expiration or termination of this Agreement will continue in full force and effect subsequent to and despite its expiration or termination and until they are satisfied or, by their nature, expire.

18. TRANSFERABILITY OF INTEREST

18.1 This Agreement and any rights hereunder can be assigned and transferred by Franchisor and, if so, will be binding upon and inure to the benefit of Franchisor's successors and assigns; provided, however, that with respect to any assignment or transfer resulting in the subsequent performance by the assignee or transferee of the functions of Franchisor, the assignee or transferee will: (i) at the time of such assignment, be financially responsible and economically capable of performing the obligations of Franchisor under this Agreement; and (ii) expressly assume and agree to perform such obligations.

18.1.1 Specifically, and without limitation to the foregoing, Franchisee expressly agrees and acknowledges that Franchisor may sell its assets, Marks and/or System outright to a third party; may make a public offering of Franchisor as securities; may engage in a private placement of some or all of its securities; may merge, acquire other corporations or entities, or be acquired by another corporation or other entity; may undertake a refinancing, recapitalization, leveraged buyout or other economic or financial restructuring; and, with regard to any or all of the above sales, assignments and dispositions, Franchisee expressly and specifically waives any claims, demands or damages arising from or related to the loss of any Marks (or any variation thereof) and/or the loss of association with or identification of Right at Home, Inc. as Franchisor.

18.1.2 Nothing contained in this Agreement will require Right at Home, Inc. to continue to offer franchises in the event that Franchisor exercises its rights to assign or otherwise transfer its rights in this Agreement.

18.2 Franchisee understands and acknowledges that the rights and duties created by this Agreement are personal to Franchisee and its owners and that Franchisor entered into this Agreement in reliance upon the individual or collective character, skill, aptitude, attitude, business ability and financial capacity of Franchisee and its owners. This Agreement and all rights hereunder including, but not limited to, any legal or beneficial interest in the Franchised Business and any assets of the Franchisee relating to the Franchised Business, may only be sold, assigned, transferred, conveyed, given away, encumbered, or otherwise transferred by Franchisee subject to the following conditions and requirements first being met, together with Franchisor's option/right to purchase and its right of first refusal as set forth in this Agreement and, if so sold, assigned, transferred, conveyed, given away, encumbered, or otherwise transferred, will be binding upon and inure to the benefit of Franchisee's successors and assigns:

18.3 Except as set forth in Section 18.7, neither Franchisee, its Operating Principal nor any holder of a legal or beneficial interest in Franchisee will sell, assign, transfer, convey, give away, encumber or otherwise transfer to any person, firm, corporation or other entity, all or any part of its interest in this Agreement or its assets or its interest in the franchise granted by this Agreement or its interest in any proprietorship, partnership, limited liability company or corporation which owns any interest in the

franchise, nor offer, permit or suffer the same to be sold, assigned, transferred, conveyed, given away, encumbered or otherwise transferred in any way to any person, firm, corporation, limited liability company or other entity without the prior written consent of Franchisor. Franchisee may not, without the prior written consent of Franchisor, fractionalize any of the rights of Franchisee granted pursuant to this Agreement. The restrictions on transferability described in the remainder of this Section 18 also apply to any purported transfers through a shell, through divorce or separation proceedings or by operation of law. Any purported assignment of any of Franchisee's rights herein not having the aforesaid consent will be null and void and will constitute a default of this Agreement;

18.4 Franchisor will not unreasonably withhold its consent to any transfer referenced in Section 18.3 of this Agreement when requested; provided, however, that the following conditions and requirements will first be met to the full satisfaction of Franchisor:

18.4.1 If Franchisee is an individual or general partnership and desires to assign and transfer its rights to a corporation, limited liability company or other entity (hereinafter the **"Business Transferee Entity"**):

18.4.1.1 The Business Transferee Entity will be newly and duly organized, in good standing in its state of origin, and validly existing solely for the exclusive purpose of owning and operating a Franchised Business as licensed under this Agreement and will state that in its organizational documents;

18.4.1.2 Franchisee will be and will remain the owner of the majority of voting stock, membership interest or other interest of the Business Transferee Entity;

18.4.1.3 The individual Franchisee (or, if Franchisee is a partnership, one of the partners) will be the Operating Principal of the Business Transferee Entity or appoint an Operating Principal approved by Franchisor;

18.4.1.4 The Business Transferee Entity will enter into a written assignment or agreement and conditional consent to transfer (in a form satisfactory to Franchisor) in which the Business Transferee Entity assumes all of Franchisee's obligations in this Agreement;

18.4.1.5 All shareholders or members of the Business Transferee Entity will enter into a written non-compete agreement, together with a guaranty and assumption of obligations agreement, in a form satisfactory to Franchisor, jointly and severally guaranteeing the full payment and performance of the Business Transferee Entity's obligations to Franchisor under this Agreement;

18.4.1.6 Each stock certificate or membership certificate of the Business Transferee Entity will have conspicuously endorsed upon it a statement that it is held subject to, and that further assignment or transfer thereof is subject to, all restrictions imposed upon assignments by this Agreement;

18.4.1.7 The shareholders agreement or operating agreement of the Business Transferee Entity will be in writing and will conspicuously state that all interests are held subject to, and that further assignment or transfer thereof is subject to, all restrictions imposed upon assignments by this Agreement;

18.4.1.8 No shares of common or preferred stock or membership interests (of whatever nature) in the Business Transferee Entity will be issued or transferred, directly or indirectly, to any person, partnership, trust, foundation, limited liability company, corporation or

other entity without obtaining Franchisor's prior written consent and then, only upon disclosure of the terms and conditions contained herein being made to the prospective new holders of the stock or membership interests;

18.4.1.9 All accrued money obligations of Franchisee to Franchisee's suppliers, Franchisor, its subsidiaries or assignees, will be satisfied prior to assignment or transfer;

18.4.1.10 Franchisor has the right to require that the Business Transferee Entity execute this Agreement or a new Franchise Agreement, together with a Confidentiality and Non-Compete Agreement, for the term established in the form of the standard form franchise agreement then being offered to new System franchisees and other standard ancillary agreements with Franchisor on the current standard forms being used by Franchisor;

18.4.1.11 The Business Transferee Entity will deliver copies of the Business Transferee Entity's organizational documents to Franchisor prior to the assignment of this Agreement and from time to time upon Franchisor's request;

18.4.1.12 The Business Transferee Entity will not use any Mark or portion of any Mark as part of any corporate or other entity name, with any prefix, suffix or other modifying words, terms, designs or symbols or in any modified or other confusingly similar form; and

18.4.1.13 The Franchisee owner(s) prior to the transfer will execute a general release, in a form prescribed by Franchisor, of any and all existing claims against Franchisor and its respective officers, directors, agents and employees, except such claims as are not permitted to be waived under applicable law.

18.4.2 If Franchisee is an individual or general partnership and desires to assign and transfer its rights to a trust or other similar entity (hereinafter the "**Trust Transferee Entity**"):

18.4.2.1 The Trust Transferee Entity will be in good standing in its state of origin, and validly existing with the power and purpose of owning and operating a Franchised Business as licensed under this Agreement and will state that in its organizational documents;

18.4.2.2 Franchisee will be and will remain the grantor and beneficial owner of the majority of the interest of the Trust Transferee Entity;

18.4.2.3 The individual Franchisee (or, if Franchisee is a partnership, one of the partners) will be the Operating Principal of the Trust Transferee Entity or appoint an Operating Principal approved by Franchisor;

18.4.2.4 The Trust Transferee Entity will enter into a written assignment or agreement and conditional consent to transfer (in a form satisfactory to Franchisor) in which the Trust Transferee Entity assumes all of Franchisee's obligations in this Agreement;

18.4.2.5 All grantors and trustees of the Trust Transferee Entity will enter into a written non-compete agreement, together with a guaranty and assumption of obligations agreement, in a form satisfactory to Franchisor, jointly and severally guaranteeing the full payment and performance of the Trust Transferee Entity's obligations to Franchisor under this Agreement;

18.4.2.6 Any certificate or other evidence of beneficial interest in the Trust Transferee Entity will have conspicuously endorsed upon it a statement that it is held subject to, and

that further assignment or transfer thereof is subject to, all restrictions imposed upon assignments by this Agreement;

18.4.2.7 The trust agreement of the Trust Transferee Entity will be in writing and will conspicuously state that all legal and beneficial interests are held subject to, and that further assignment or transfer thereof is subject to, all restrictions imposed upon assignments by this Agreement;

18.4.2.8 No legal or beneficial interests (of whatever nature) in the Trust Transferee Entity will be issued or transferred, directly or indirectly, to any person, partnership, trust, foundation, limited liability company, corporation or other entity without obtaining Franchisor's prior written consent and then, only upon disclosure of the terms and conditions contained herein being made to the prospective new holders of the legal or beneficial interests;

18.4.2.9 All accrued money obligations of Franchisee to Franchisee's suppliers, Franchisor, its subsidiaries or assignees, will be satisfied prior to assignment or transfer;

18.4.2.10 Franchisor has the right to require that the Trust Transferee Entity execute this Agreement or a new Franchise Agreement, together with a Confidentiality and Non-Compete Agreement, for the term established in the form of the standard form franchise agreement then being offered to new System franchisees and other standard ancillary agreements with Franchisor on the current standard forms being used by Franchisor;

18.4.2.11 The Trust Transferee Entity will deliver copies of the Business Transferee Entity's organizational documents to Franchisor prior to the assignment of this Agreement and from time to time upon Franchisor's request;

18.4.2.12 The Trust Transferee Entity will not use any Mark or portion of any Mark as part of any corporate or other entity name, with any prefix, suffix or other modifying words, terms, designs or symbols or in any modified or other confusingly similar form; and

18.4.2.13 The Franchisee owner(s) prior to the transfer will execute a general release, in a form prescribed by Franchisor, of any and all existing claims against Franchisor and its respective officers, directors, agents and employees, except such claims as are not permitted to be waived under applicable law.

18.4.3 If the transfer, other than such transfer as is authorized under Section 18.4.1 of this Agreement, if consummated alone or together with other related previous, simultaneous or proposed transfers, would have the effect of transferring control of the franchise granted by this Agreement to someone other than an original signatory of this Agreement:

18.4.3.1 The transferee(s) will be of good moral character with collected skill, aptitude, business ability, and reputation, together with a good credit rating, financial capacity, and competent business qualifications reasonably acceptable to Franchisor. Franchisee will provide Franchisor with a final purchase agreement duly executed by Franchisor and transferee, together with such information as Franchisor may require to make such determination concerning each such proposed transferee;

18.4.3.2 The transferee(s) or such other individual(s) as will be the Operating Principal will have successfully completed and passed the training course then in effect for franchisees or will have otherwise demonstrated to Franchisor's satisfaction, sufficient ability to operate the Franchised Business being transferred;

18.4.3.3 Franchisor has the right to require that the transferee(s), including all shareholders, officers, directors, members, beneficiaries, trustee, managers, governors and partners of the transferee(s), jointly and severally execute any or all of the following:

18.4.3.3.1 This Agreement or a new franchise agreement for the term established in the form of the standard form Franchise Agreement then being offered to new System franchisees and other standard ancillary agreements with Franchisor on the current standard forms being used by Franchisor, such as a non-compete agreement and a guaranty and assumption of obligations, except that an additional Franchise Fee will not be charged; and/or

18.4.3.3.2 A written agreement and conditional consent to transfer agreement or assignment from Franchisee in a form satisfactory to Franchisor, wherein transferee will assume all of Franchisee's obligations hereunder;

18.4.3.4 Approval by Franchisor of any transfer by Franchisee of the Franchised Business or any of Franchisee's rights under this Agreement will in no way be deemed a release by Franchisor of Franchisee's obligations pursuant to this Agreement. Consent by Franchisor to a transfer of the Franchised Business will not constitute or be interpreted as consent for any future transfer of the franchise;

18.4.3.5 The term of said agreements required pursuant to Section 18.4.3.3 will be for the unexpired term of this Agreement and for any extensions or renewals as provided in this Agreement;

18.4.3.6 If transferee is a corporation or a limited liability company:

18.4.3.6.1 The Transferee Entity will be newly and duly organized, in good standing in its state of origin, and validly existing solely for the exclusive purpose of owning and operating a Franchised Business as licensed under this Agreement and will state that in its organizational documents; and each stock certificate or membership certificate of the Transferee Entity will have conspicuously endorsed upon it a statement that it is held subject to, and that further assignment or transfer thereof is subject to, all restrictions imposed upon assignments by this Agreement;

18.4.3.6.2 The shareholders agreement or operating agreement of the Transferee Entity will be in writing and will conspicuously state that all interests are held subject to, and that further assignment or transfer thereof is subject to, all restrictions imposed upon assignments by this Agreement;

18.4.3.6.3 No shares of common or preferred stock or membership interests in the Transferee Entity will be issued or transferred, directly or indirectly, to any person, partnership, trust, foundation, limited liability company, corporation or other entity without obtaining Franchisor's prior written consent and then, only upon disclosure of the terms and conditions contained herein being made to the prospective new holders of the stock or membership interests; and

18.4.3.6.4 All shareholders or members of the Transferee Entity will enter into a written non-compete agreement, together with a written agreement, in a form satisfactory to Franchisor, guaranteeing the full payment and performance of the transferee of all obligations to Franchisor under this Agreement; and

18.4.3.6.5 The Transferee Entity will designate an Operating Principal in accordance with Section 3.4.

18.4.3.7 All accrued money obligations of Franchisee to Franchisee's suppliers, to Franchisor, any Related Entity(ies) or assignee(s) of Franchisor, will be satisfied prior to assignment or transfer, and Franchisee will not be in default under the terms of this Agreement;

18.4.3.8 Franchisee, Operating Principal and each of its shareholders or members, prior to the transfer, will execute a general release, in a form prescribed by Franchisor, of any and all existing claims against Franchisor and its respective officers, directors, agents and employees, except such claims as are not permitted to be waived under applicable law; and

18.4.3.9 Franchisee, transferee and Franchisor will enter into an agreement and conditional consent to transfer, which agreement will set forth all of the conditions precedent to the transfer and it will be provided by Franchisor;

18.5 Franchisee will have fully paid and satisfied all of Franchisee's obligations to Franchisor, and the transferee or Franchisee will have fully paid to Franchisor at or before the closing of the transfer a transfer fee for the training, supervision, administrative costs, overhead, counsel fees, accounting and other related Franchisor incurred expenses in connection with the transfer in the amount determined as follows:

18.5.1 if there is no Franchisee consultant or broker commission payable, fifty percent (50%) of the Franchise Fee then being charged by Franchisor for a new franchise; or

18.5.2 if there is a Franchisee consultant or broker commission payable one hundred percent (100%) of the Initial Franchise Fee then being charged by Franchisor for a new franchise, in which case Franchisor will pay the consultant or broker commission.

18.5.3 This transfer fee will not apply to an assignment of interest to a corporation or limited liability company under Section 18.4.1 of this Agreement or a transfer to a Permitted Transferee under Section 18.7 of this Agreement.

18.6 No sale, assignment, transfer, conveyance, encumbrance or gift of any interest in this Agreement or in the Franchise granted by this Agreement, will relieve Franchisee, the Operating Principal and the shareholders, members, beneficiaries or partners participating in any transfer of the obligations of the covenants contained in Section 15, except where Franchisor will expressly authorize in writing; and

18.7 Despite anything to the contrary contained in this Agreement, Franchisor will consent to any transfer referenced in Section 18.3 of this Agreement when requested when such proposed transferee is (i) a spouse or child of a Franchisee who is an individual; (ii) a Business Transferee Entity that is 100% owned by a spouse or a child of a Franchisee who is an individual, or (iii) an owner of more than fifty percent (50%) of a Business Transferee Entity, (collectively, "**Permitted Transferees**"); provided, however, that the conditions and requirements contained in Section 18.4.3 of this Agreement will first be met with regard to the Permitted Transferees to the full satisfaction of Franchisor.

18.8 Franchisee will promptly give Franchisor written notice whenever Franchisee has received an offer to buy the Franchised Business. Franchisee will also give Franchisor written notice simultaneously with any offer to sell the Franchised Business or any or all of the ownership entity of same made by, for or on behalf of Franchisee. Franchisee will indemnify and hold harmless Franchisor for Franchisee's failure to comply with this Section 18.8.

18.9 Franchisee will not, without prior written consent of Franchisor, place in, on or upon the location of the Franchised Business, or in any communication media, any form of advertising relating to the sale of the Franchised Business, any ownership therein, or the rights granted under this Agreement.

19. DEATH OR INCAPACITY OF FRANCHISEE

19.1 In the event of the death or incapacity of the Operating Principal or any holder of a legal or beneficial interest of fifty percent (50%) or more in Franchisee, the heirs, beneficiaries, devisee, legal representatives of said individual, Settlor, partner, member or shareholder, as the case may be, will, within one hundred eighty (180) days after such event:

19.1.1 Apply to Franchisor for the right to continue to operate the franchise for the duration of the term of this Agreement and any renewals hereof, which right will be granted upon the fulfillment of all of the conditions set forth in Section 18.4.3 of this Agreement (except that no transfer fee will be required) and upon appointing a designated manager to operate the Franchised Business which manager must begin Franchisor's training program no later than six (6) months after the date of death or disability; or

19.1.2 Sell, assign, transfer or convey Franchisee's interest in compliance with the provisions of Sections 18.2 and 20 of this Agreement; provided, however, in the event a proper and timely application for the right to continue to operate has been made and rejected, the one hundred eighty (180) days to sell, assign, transfer or convey will be computed from the date of application. For purposes of this Section 19.1.2, Franchisor's silence on an application made pursuant to Section 18.4 through the one hundred eighty (180) days following the event of death or incapacity will be deemed a rejection made on the last day of such period.

19.2 In the event of the death or incapacity of an individual Franchisee, Settlor, or any partner, shareholder or member of a Franchisee which is a partnership, corporation or limited liability company, where the aforesaid provisions of Section 18 have not been fulfilled within the time provided, all rights licensed to Franchisee under this Agreement will, at the option of Franchisor, terminate forthwith and automatically revert to Franchisor.

19.3 For purposes of this Agreement, "incapacity" will be defined as the inability of Franchisee to operate or oversee the operation of the Franchised Business on a regular basis by reason of any continuing physical, mental or emotional incapacity, chemical dependency or other limitation. Any dispute as to the existence of an incapacity as used herein will be resolved by majority decision of three (3) licensed medical physicians practicing in the MSA in which the Franchised Business is located, with each party selecting one (1) medical physician, and the two (2) medical physicians so designated selecting the third medical physician. The determination of the majority of the three (3) medical physicians will be binding upon the parties and all costs of making said determination will be borne by the party against whom it is made.

20. RIGHT OF FIRST REFUSAL

If Franchisee or its owners propose to sell the Franchised Business (or its assets) or part or all of the ownership of Franchisee, Franchisee and its owners will obtain and deliver to Franchisor a bona fide, executed written offer or proposal to purchase or proposal to merge same, and Franchisor will, for a period of thirty (30) days after the date of delivery of such offer or proposal, have the right, exercisable by written notice to Franchisee or its owners, to purchase the Franchised Business (or its assets) or such ownership for the price and on the terms and conditions contained in such offer or proposal delivered to Franchisor, provided that Franchisor may substitute cash for the fair market value of any form of payment proposed in such offer or proposal. If Franchisor does not exercise its right of first refusal, the offer or

proposal may be accepted by Franchisee or its owners, subject to the prior written approval of Franchisor, as provided in Section 18, provided that if the sale fails to close within one hundred twenty (120) days after the date thereof, Franchisor will again have the right of first refusal described in this Section. Should a transferee assume the rights and obligations under this Agreement, such transferee will likewise be subject to Franchisor's right of first refusal under terms and conditions as set forth herein. Despite the foregoing, the right of first refusal herein described will not apply to the sale or transfer of the Franchised Business (or its assets) or part or all of the ownership of Franchisee to a Permitted Transferee in accordance with Section 18.7 of this Agreement.

21. OPERATION IN THE EVENT OF ABSENCE, INCAPACITY OR DEATH

21.1 In order to prevent any interruption of the Franchised Business which would cause harm to said business and thereby depreciate the value thereof, in the event that Franchisee or the Operating Principal is absent or incapacitated by reason of illness or death and is not, therefore, in the sole judgment of Franchisor, able to operate the Franchised Business, Franchisee authorizes Franchisor to operate said business without waiver of any other rights or remedies Franchisor may have under this Agreement; provided, however, that (i) Franchisor will not be obligated to so operate the Franchised Business, and if Franchisor does operate the business (ii) Franchisor will not operate or manage the daily operations of the business for a period of time in excess of ninety (90) days, which period of time may be renewed from time to time as necessary in increments of ninety (90) day for an aggregate period of time up to an additional two hundred and seventy (270) days, and (iii) the Franchisor will regularly and periodically discuss the status of the business operations with the Franchisee, its heirs or successors, as applicable.

21.2 Franchisor will act diligently, in good faith and honestly in Franchisor's actions hereunder. In furtherance of the foregoing, Franchisor may:

21.2.1 collect any and all revenues due and payable to the Franchised Business and endorse Franchisee's name on checks received;

21.2.2 pay any and all expenses incurred to operate the Franchised Business including, but not limited to, wages, salaries and other compensation to Franchisee's employees, to Franchisor and persons Franchisor employs on Franchisee's behalf to manage the Franchised Business and to others for professional services;

21.2.3 pay any amounts due to Franchisor or Franchisor's affiliates, including the continuing Royalty Fees, Brand Development fees, amounts due for purchases of product and supplies and amounts due under any financing agreements;

21.2.4 incur debts in the ordinary course of business for inventory, materials, supplies and other items needed for the operation of the Franchised Business;

21.2.5 execute documents or instruments on Franchisee's behalf;

21.2.6 receive a reasonable fee for Franchisor's services hereunder (as more fully set forth below);

21.2.7 institute legal or administrative proceedings on behalf of and defend actions brought against the Franchised Business; and

21.2.8 take any other action Franchisor deems necessary or appropriate in furtherance of this provision.

21.3 Franchisor will maintain separate books and records of Franchisor's actions hereunder in accordance with the format required by the System. The net proceeds, if any, from Franchisor's operation of the Franchised Business will be deposited into a separate bank account or accounts under Franchisor's direction and control as trustee for Franchisee. Upon Franchisor's termination of the rights granted hereunder, such net proceeds, if any, will be distributed to Franchisee or as Franchisee directs. Franchisor will not be liable to Franchisee except for willful misconduct or gross negligence. Franchisee grants Franchisor the right to set off such charges to the account. Franchisee will indemnify and hold Franchisor harmless from and against any loss, claim, expense, damage, liability or other obligation of any nature, including legal fees and expenses arising from or in any manner connected with Franchisor's actions hereunder, excepting only those arising from or connected with Franchisor's willful misconduct or gross negligence.

21.4 All monies from the operation of the business during such period of operation by Franchisor will be kept in a separate account and the expenses of the business, including reasonable compensation of the then-current fees as specified in the Operations Manual, plus travel, room and board and expenses for Franchisor's representative, will be charged to said account.

21.5 In addition to any other fees due under this Agreement and reimbursement of Franchisor's out-of-pocket expenses to provide management services, including reasonable compensation of the then-current fees as specified in the Operations Manual, plus travel, room and board and expenses for Franchisor's representative, Franchisor is entitled to receive a fee for the management services provided by Franchisor equal to a management fee of 15% of the Net Billings of the Franchised Business ("**Management Fee**"). The Management Fee will be paid within ten (10) days after the end of each month, or part thereof, that management services are provided by Franchisor. Any portion of the Management Fee which is not paid when due shall bear interest at the rate set forth in Section 10.2 until such amount is paid in full.

21.6 In addition to the foregoing, Franchisee acknowledges that if Franchisor becomes aware, by any means, of any situation where any license required for the Franchised Business is or may be suspended, terminated or affected in any manner that could result in the closing of the Franchised Business for any period time, Franchisor may, but is not obligated to, notify any federal, state or local authority. If Franchisor takes such action, Franchisee agrees that Franchisor shall not be liable to Franchisee for any costs, expenses or damages resulting therefrom.

22. INDEPENDENT CONTRACTOR AND INDEMNIFICATION

22.1 This Agreement does not create a fiduciary relationship between the parties, nor does it constitute Franchisee or the Operating Principal as an agent, legal representative, joint venturer, partner, employee or servant of Franchisor for any purpose whatsoever; and it is understood between the parties that Franchisee and the Operating Principal will be independent contractors and are in no way authorized to make any contract, agreement, warranty or representation on behalf of Franchisor to incur any debt, or to create any obligation, express or implied, on behalf of Franchisor.

22.2 During the term of this Agreement and any renewal hereof, Franchisee will hold itself out to the public as an independent contractor operating the business pursuant to a franchise from Franchisor. Franchisee will take such affirmative action as may be necessary to do so including, without limitation, exhibiting a notice of that fact in a conspicuous place on the Premises and on all forms, stationery or other written materials, the content of which Franchisor reserves the right to specify.

22.3 Franchisee will defend, at its own cost, and indemnify and hold harmless Franchisor, its shareholders, directors, officers, employees and agents, from and against any and all losses, costs, claims, expenses (including, without limitation, reasonable accountant, attorney and expert witness fees, costs of

investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses), damages and liabilities, however caused, resulting directly or indirectly, from or pertaining to (i) the use, condition or construction, equipping, decorating, maintenance or operation of the Franchised Business, including the sale of any service or product sold from the Franchised Business, except to the extent caused by Franchisor's gross negligence or willful misconduct with regard to the foregoing, or (ii) any breach of this Agreement by Franchisee. Such losses, claims, costs, expenses, damages and liabilities will include, without limitation, those arising from latent or other defects in the Franchised Business, its services or products, materials or equipment whether or not discoverable by Franchisor, and those arising from the death or injury to any person or arising from damage to the property of Franchisee or Franchisor, their agents or employees or any third person, firm or corporation, whether or not such losses, claims, costs, expenses, damages or liabilities were actually or allegedly caused wholly or in part through the active or passive negligence of Franchisor or any of its agents or employees or resulted from any strict liability imposed on Franchisor or any of its agents or employees. The indemnification and hold harmless will survive termination of this Agreement.

22.4 Franchisor will not, by virtue of any approvals, advice or services provided to Franchisee or the Operating Principal, assume responsibility or liability to Franchisee, the Operating Principal or any third parties to which Franchisor would otherwise be subject.

23. APPROVALS

23.1 Whenever this Agreement requires the prior approval or consent of Franchisor, Operating Principal will make a timely written request to Franchisor therefor, and, except as otherwise provided herein, any approval or consent granted must be in writing to be binding upon Franchisor.

23.2 Franchisor makes no warranties or guarantees upon which Franchisee or the Operating Principal may rely and assumes no liability or obligation to Franchisee, the Operating Principal or any third party to which it would not otherwise be subject, by providing any waiver, approval, advice, consent or services to Franchisee or the Operating Principal in connection with this Agreement, or by reason of any neglect, delay or denial of any request therefor.

24. NON-WAIVER

No failure of Franchisor to exercise any power reserved to it in this Agreement, or failure to insist upon strict compliance by Franchisee and the Operating Principal with any obligation or condition in this Agreement, and no custom or practice of the parties that varies from the terms in this Agreement, will constitute a waiver of Franchisor's right to demand exact compliance with the terms hereof. Waiver by Franchisor of any particular breach or default by Franchisee or the Operating Principal will not be binding unless in writing and executed by the Franchisor and will not affect or impair Franchisor's right with respect to any subsequent default of the same or of a different nature; nor will any delay, waiver, forbearance or omission of Franchisor to exercise any power or rights arising out of any breach or default by Franchisee of any of the terms, provisions or covenants hereof, affect or impair Franchisor's rights, nor will such constitute a waiver by Franchisor of any right hereunder or of the right to declare any subsequent breach or default. Subsequent acceptance by Franchisor of any payment(s) due to it hereunder will not be deemed to be a waiver by Franchisor of any preceding breach by Franchisee of any terms, covenants or conditions of this Agreement.

25. NOTICES

Any and all notices required or permitted under this Agreement will be in writing and will be personally delivered, delivered by messenger or delivery service, delivered by overnight express delivery service, mailed by certified mail return receipt requested, or delivered by facsimile transmission, and will

be effective when received by or confirmation of receipt is acknowledged to the respective parties at the addresses set forth in the introductory Section of this Agreement unless and until a different address has been designated by written notice to the other party. Any notice by certified mail will be deemed to have been given at the date and time of mailing. Franchisee will promptly notify Franchisor of any change in Franchisee's address.

26. ENTIRE AGREEMENT

This Agreement, any exhibit attached hereto, and the documents referred to herein, will be construed together and constitute the entire, full and complete agreement between Franchisor and Franchisee concerning the subject matter hereof, and supersede all prior agreements. No other representation has induced Franchisee to execute this Agreement, and there are no representations, inducements, promises or agreements, oral or otherwise, between the parties not embodied in this Agreement, which are of any force or effect with reference to this Agreement or otherwise. No amendment, change or variance from this Agreement (other than amendments to the Operations Manual or other matters with respect to which Franchisor has reserved the unilateral right to amend) will be binding on either party unless executed in writing by both parties. Nothing in this Agreement or in any related agreement is intended to disclaim the representations made in the Franchisor's Franchise Disclosure Document that Franchisor has furnished to Franchisee.

27. SEVERABILITY AND CONSTRUCTION

27.1 Each paragraph, part, term and/or provision of this Agreement will be considered severable, and if, for any reason, any paragraph, part, term and/or provision herein is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation, such will not impair the operation of or affect the remaining portions, sections, parts, terms and/or provisions of this Agreement, and the latter will continue to be given full force and effect and bind the parties hereto; and said invalid sections, parts, terms and/or provisions will be deemed not part of this Agreement; provided, however, that if Franchisor determines that said finding of illegality adversely affects the basic consideration of this Agreement, Franchisor may, at its option, terminate this Agreement as provided in this Agreement.

27.2 Anything to the contrary herein notwithstanding, nothing in this Agreement is intended nor will be deemed to confer upon any person or legal entity other than Franchisor or Franchisee and such of their respective successors and assigns as may be contemplated by this Agreement, any rights or remedies under or by reason of this Agreement.

27.3 Franchisee will be bound by any promise or covenant imposing the maximum duty permitted by law which is contained within the terms of any provision hereof, as though it were separately stated in and made a part of this Agreement, that may result from striking from any of the provisions hereof any portion or portions which a court may hold to be unreasonable and unenforceable in a final decision to which Franchisor is a party, or from reducing the scope of any promise or covenant to the extent required to comply with such a court order. By executing this Agreement, Franchisee acknowledges entering into this Agreement as a result of Franchisee's and Operating Principal's own independent investigation of Franchisor's franchised business and not as a result of any representations about Franchisor made by any of its shareholders, officers, directors, employees, agents, representatives, independent contractors, or franchisees that are contrary to the terms set forth in this Agreement, or in the Franchisor's Franchise Disclosure Document given to Franchisee pursuant to applicable law.

27.4 All captions herein are intended solely for the convenience of the parties, and none will be deemed to affect the meaning or construction of any provision hereof. The singular usage includes the plural and the masculine and neuter usages include the other and the feminine.

27.5 The recitals set forth in this Agreement are specifically incorporated into the terms of this Agreement and hereby constitute a part thereof.

28. APPLICABLE LAW AND CHOICE OF FORUM

28.1 This Agreement will be governed by and construed according to the laws of the State of Nebraska, excluding any conflict of laws provisions which would result in the application of the laws of another jurisdiction, EXCEPT TO THE EXTENT GOVERNED BY FEDERAL LAW INCLUDING, WITHOUT LIMITATION, THE UNITED STATES TRADEMARK ACT OF 1946, AS AMENDED (LANHAM ACT, 15 U.S.C. SECTIONS 1051 ET SEQ.). Franchisor and Franchisee irrevocably agree that the United States District Court of the District of Nebraska and the Courts of Nebraska sitting in Douglas County, Nebraska will have exclusive jurisdiction to hear and determine any action on a controversy on or under this Agreement, including any action for injunctive relief and for specific performance and other equitable relief, irrevocably submit to the jurisdiction of such Courts and irrevocably waive any objection which either of them might have to such Courts being nominated as the forum to hear and determine any such action on a controversy relating to this Agreement and agree not to claim that any such Court is not a convenient or appropriate forum. Not only must any such action be brought in such Courts but any such action must also be continually maintained in such Courts. The parties agree that such Courts have power under the law of Nebraska to entertain any such action, that Nebraska is a reasonably convenient place for the trial of any such action, and that this agreement, applicable law, and choice of forum were not obtained by misrepresentation, duress, the abuse of economic power or other unconscionable means.

28.2 FRANCHISEE ACKNOWLEDGES THAT THIS AGREEMENT IS ENTERED INTO IN DOUGLAS COUNTY, NEBRASKA.

28.3 NO RIGHT OR REMEDY CONFERRED UPON OR RESERVED TO FRANCHISOR OR FRANCHISEE BY THIS AGREEMENT IS INTENDED TO BE, NOR WILL BE DEEMED, EXCLUSIVE OF ANY OTHER RIGHT OR REMEDY IN THIS AGREEMENT OR BY LAW OR EQUITY PROVIDED OR PERMITTED, BUT EACH WILL BE CUMULATIVE OF EVERY OTHER RIGHT OR REMEDY.

28.4 NOTHING IN THIS AGREEMENT WILL BAR FRANCHISOR'S RIGHT TO OBTAIN INJUNCTIVE RELIEF AGAINST THREATENED CONDUCT UNDER GENERAL PRINCIPLES OF EQUITY, INCLUDING THE APPLICABLE PRINCIPLES FOR OBTAINING RESTRAINING ORDERS, PERMANENT AND PRELIMINARY INJUNCTIONS.

29. DISPUTE RESOLUTION

29.1 Except as provided in Section 29.3, if any dispute, controversy or claim between Franchisor Franchisee and the Operating Principal, and any of Franchisor's or Franchisee's affiliates, officers, directors, shareholders, members, guarantors, employees or owners, arising under, out of, in connection with or in relation to this Agreement, any loan or other finance arrangement between Franchisor or its affiliates and Franchisee, the parties' relationship, the Franchised Business, or any System Standard; or the scope of validity of the arbitration obligation under this Section (a "**Dispute**"), the Dispute will be settled as follows.

29.1.1 The parties will first attempt to resolve the Dispute through good faith negotiation in accordance with Sections 29.1.2 and 29.1.3 below. Failure of a party to adhere to Sections 29.1.2 and 29.1.3 will constitute a waiver by such party of any right, remedy or relief claimed by the other party or provided by this Agreement or by law to otherwise accrues as a result of such Dispute.

29.1.2 If a party claims that a Dispute exists, such party will notify the other party in writing that a Dispute exists, specifying the nature and extent of the Dispute (the “**Dispute Notice**”). The parties will meet within thirty (30) days after the date of delivery of such Dispute Notice in Omaha, Nebraska at the Hilton Omaha Hotel downtown at 1001 Cass Street, or at such other location as directed by Franchisor for such attempted resolution.

29.1.3 Persons representing Franchisor and Franchisee who are authorized to settle the Dispute must attend the meeting required by Section 29.1.2. The parties may be represented by counsel at such meeting. The parties will then make a good faith attempt to resolve the Dispute. If the Dispute is not resolved at such meeting or a party fails to appear at a scheduled meeting, the parties are free to pursue arbitration. Each party will bear its own costs in connection with such meeting. The meeting and any negotiations and results thereof will be treated as a compromise settlement negotiation and the entire process is confidential.

29.2 Except as provided in Section 29.3, Franchisor and Franchisee agree that any Dispute not resolved pursuant to Section 29.1 must be submitted to binding arbitration in accordance with the Federal Arbitration Act in accordance with the following procedures:

29.2.1 The American Arbitration Association (“**AAA**”) will administer the arbitration pursuant to its then-current Commercial Arbitration Rules by one arbitrator.

29.2.2 Franchisor and Franchisee will submit or file any claim which would constitute a compulsory counterclaim (as defined by the then-current Rule 13 of the Federal Rules of Civil Procedure) within the same proceeding as the claim to which it relates. Any such claim which is not submitted or filed in such proceeding will be barred.

29.2.3 Any arbitration must be on an individual basis and the parties and the arbitrator will have no authority or power to proceed with any claim as a class action or otherwise to join or consolidate any claim with any claim or any other proceeding involving third parties. If a court or arbitrator determines that this limitation on joinder of or class action certification of claims is unenforceable, then the agreement to arbitrate the Dispute will be null and void and the parties must submit all claims to the jurisdiction of the courts, in accordance with Section 29.8.

29.2.4 The arbitration must take place in the city where our headquarters is located at the time of the Dispute.

29.2.5 The arbitrator must follow the law and not disregard the terms of this Agreement. The arbitrator must have at least 5 years of significant experience in franchise law. The arbitrator may not consider any settlement discussions or offers that might have been made by either Franchisor or Franchisee. The arbitrator will also have the right to make a determination as to any procedural matters as would a court of competent jurisdiction be permitted to make in the state in which the main office of Franchisor is located. The arbitrator will also decide any factual, procedural, or legal questions relating in any way to the Dispute between the parties, including, but not limited to: any decision as to whether forum and venues provision is applicable and enforceable as against the parties, subject matter, timeliness, scope, remedies, unconscionability, and any alleged fraud in the inducement. The arbitrator may issue summary orders disposing of all or part of a claim and provide for temporary restraining orders, preliminary injunctions, injunctions, attachments, claim and delivery proceedings, temporary protective orders, receiverships, and other equitable and/or interim/final relief. Each party consents to the enforcement of such orders, injunctions, etc., by any court having jurisdiction. The arbitrator will have subpoena powers limited only by the laws of the state in which the main office of Franchisor is located.

29.2.6 The parties to the Dispute will have the same discovery rights as are available in civil actions under the laws of the state in which the main office of Franchisor is then located. All other procedural matters will be determined by applying the statutory, common laws, and rules of procedure that control a court of competent jurisdiction in which the main office of Franchisor is then located.

29.2.7 Other than as may be required by law, the entire arbitration proceedings (including, but not limited to, any rulings, decisions or orders of the arbitrator), will remain confidential and will not be disclosed to anyone other than the parties to this Agreement.

29.2.8 The judgment of the arbitrator on any preliminary or final arbitration award will be final and binding and may be entered in any court having jurisdiction.

29.2.9 Franchisor reserves the right, but has no obligation, to advance Franchisee's share of the costs of any arbitration proceeding in order for such arbitration proceeding to take place and by doing so will not be deemed to have waived or relinquished our right to seek recovery of those costs in accordance with Section 29.4.

29.3 Notwithstanding Sections 29.1 and 29.2, the parties agree that the following claims will not be subject to arbitration or mediation:

29.3.1 any action for equitable relief, including, without limitation, seeking preliminary or permanent injunctive relief, specific performance, other relief in the nature of equity to enjoin any harm or threat of harm to such party's tangible or intangible property, brought at any time, including without limitation, prior to or during the pendency of any arbitration proceedings initiated hereunder; or

29.3.2 any action in ejectment or for possession of any interest in real or personal property.

29.4 The prevailing party in any action or proceeding arising under, out of, in connection with, or in relation to this Agreement will be entitled to recover its reasonable costs and expenses (including attorneys' fees, arbitrators' fees and expert witness fees, costs of investigation and proof of facts, court costs, and other arbitration or litigation expenses) incurred in connection with the claims on which it prevailed. For the purposes of this Agreement in general and this Section specifically, the "**Prevailing Party**" will be deemed to be that party which has obtained the greatest net judgment in terms of money or money equivalent. If money or money equivalent has not been awarded, then the Prevailing Party will be that party which has prevailed on a majority of the material issues decided. The "**net judgment**" is determined by subtracting the smallest award of money or money equivalent from the largest award. If there is a mixed decision involving an award of money or money equivalent and equitable relief, the arbitrator will award the above fees to the party that it deems has prevailed over the other party using reasonable business and arbitrator's judgment.

29.5 The provisions of this Section are intended to benefit and bind certain third party non-signatories and will continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement. All applicable statutes of limitation and defenses based on the passage of time are tolled while the Dispute resolution procedures in this Section are pending. The parties will take such action, if any, required to effectuate such tolling. Each party must continue to perform its obligations under this Agreement pending final resolution of any Dispute pursuant to this Section, unless to do so would be impossible or impracticable under the circumstances.

29.6 If the Franchisee is owned by either (i) an entity owned by more than one person, or (ii) more than one person ((i) and (ii), an “**Owner**” or “**Owners**”), then Franchisor has the right to determine that any disagreement (“**Franchisee Quarrel**”) among any Owners (“**Quarreling Owners**”) in respect to the Franchised Business has resulted in, or may result in, a negative and adverse effect upon Franchisor or its System, Franchisor may, by notice in writing, order Franchisee and its Owners to promptly initiate/submit to (as the case may be) a binding arbitration proceeding with the Quarreling Owners (the “**Notice to Arbitrate**”). The arbitration proceeding will be conducted pursuant to and in accordance with the then-current Commercial Arbitration Rules of the AAA by one arbitrator selected by mutual agreement of the Quarreling Owners within 15 days after the Notice to Arbitrate is given, or, if the single arbitrator is not so mutually agreed upon, then, within 15 days after such failure to agree, in accordance with the rules of the AAA. Each Owner hereby agrees that the determination of the arbitrator as to the Franchisee Quarrel and the allocation of the costs of the proceeding will be final and binding upon such Owners, who will comply in all material respects with such determination. Each Owner further agrees that the prevailing Owner will have the right to bring an action in any court of competent jurisdiction within the State wherein the Franchisee is authorized to do business to enforce the arbitrator’s award, and for that purpose each Owner hereby accepts generally and unconditionally the non-exclusive jurisdiction and venue of such courts and waives any defense related thereto including any defense of an inconvenient forum.

29.7 Notwithstanding any choice of law provision of this Agreement, all issues relating to arbitration or the enforcement of the agreement to arbitrate contained in this Agreement are governed by the U.S. Federal Arbitration Act (9 U.S.C. § 1 et seq.) and the U.S. federal common law of arbitration. This federal act preempts any state rules on arbitration, including those relating to the site of arbitration. Judgment on an arbitration award, or on any award for interim relief, may be entered in any court having jurisdiction, and will be binding.

29.8 Except to the extent governed by the Federal Arbitration Act, the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Sections 1051 et seq.) or other federal law, this Agreement shall be interpreted under the laws of the State of Nebraska and any Dispute between the parties shall be governed by and determined in accordance with the substantive laws of the State of Nebraska, which laws shall prevail in the event of any conflict of law. Franchisee and Franchisor have negotiated regarding a forum in which to resolve any Disputes that may arise between them and have agreed to select a forum in order to promote stability in their relationship. Therefore, if a claim is asserted in any legal proceeding involving Franchisee, its officers, directors, managers, partners or Guarantors (collectively, “**Franchisee Affiliates**”), and Franchisor, its parent, subsidiaries or affiliates and their respective officers, directors and sales employees (collectively, “**Franchisor Affiliates**”), the parties agree that the exclusive venue for Disputes between them shall be in the state and federal courts of Nebraska or the Omaha office of the AAA and each party waives any objection it may have to the personal jurisdiction of or venue in the state and federal courts of Nebraska or the Omaha, Nebraska office of the AAA. Franchisor, Franchisor Affiliates, Franchisee and Franchisee Affiliates each waive their rights to a trial by jury.

29.9 Except for payments owed by one party to the other, and unless prohibited by applicable law, any legal action or arbitration proceeding brought or instituted with respect to any Dispute arising from or related to this Agreement or with respect to any breach of the terms of this Agreement must be brought or instituted within a period of two (2) years from the date of discovery of the conduct or event that forms the basis of the legal action or proceeding.

29.10 The provisions of this Section 29 will not bar, override, delay or in any way restrict the right of Franchisor to terminate this Agreement pursuant to Sections 16.2 or 16.3, or to obtain any legal relief for a breach of this Agreement by Franchisee including by way of temporary or permanent injunction.

30. “FRANCHISEE” DEFINED AND GUARANTY

30.1 As used in this Agreement, the term “**Franchisee**” will include all persons who succeed to the interest of the original Franchisee by transfer or operation of law and will be deemed to include not only the individual or entity defined as “Franchisee” in the introductory paragraph of this Agreement, but will also include all owners of a legal or beneficial interest in the Franchised Business and/or Franchisee entity. Franchisee, if more than one individual, agrees that all liability pursuant to this Agreement will be joint and several. Franchisee, if it is an entity, represents and warrants to Franchisor that the persons executing the Guaranty and Assumption of Obligations, and the persons executing the Confidentiality and Non-Compete Agreement, constitute all owners of any legal or beneficial interest in Franchisee. By their signatures placed on this Agreement, each individual signatory acknowledges and accepts the duties and obligations imposed upon the Franchisee and each of the signatories by the terms of this Agreement. The singular usage includes the plural and the masculine and neuter usages include the other and the feminine.

30.2 Franchisee, if an individual, agrees that his/her spouse, as now or hereafter may exist, will benefit from and be exposed to valuable knowledge and information regarding the Franchised Business and thus his/her spouse will execute both a Guaranty and Assumption of Obligations and a Confidentiality and Non-Compete Agreement in the form respectively of Exhibits B and C to this Agreement. Franchisee, if an entity, agrees that the owners thereof and the spouse of each owner, as now or hereafter may exist, will benefit from and be exposed to valuable knowledge and information regarding the Franchised Business and thus such spouse(s) will execute both a Guaranty And Assumption of Obligations and a Confidentiality and Non-Compete Agreement in the form respectively of Exhibits B and C to this Agreement.

31. FORCE MAJEURE

Whenever a period of time is provided in this Agreement for either party to do or perform any act or thing, except the payment of monies, neither party will be liable nor responsible for any delays in performance due to strikes, lockouts, casualties, acts of God, war, governmental regulation or control or other interference through legal proceedings, all beyond the reasonable control of the parties and, in any event, said time period for the performance of an obligation hereunder will be extended for the amount of time of the delay; provided, the party delayed will give the other party written notice and full particulars of the force majeure promptly after the event occurs. This clause will not, however, result in an extension of the term of this Agreement.

32. CAVEAT

The success of the business venture contemplated to be undertaken by Franchisee by virtue of this Agreement is speculative and depends, to a large extent, upon the ability of Franchisee, as an independent businessperson, and its active participation in the daily affairs of the business as well as other factors. Franchisor does not, in this Agreement or otherwise, make any representation or warranty, express or implied, as to the potential success of the business venture.

33. ACKNOWLEDGMENTS

33.1 Franchisee and the Operating Principal represent and acknowledge that they have received, read and understood this Agreement and Franchisor’s Franchise Disclosure Document and that Franchisor has accorded Franchisee and the Operating Principal ample time and opportunity to consult with advisors of their own choosing about the potential benefits and risks of entering into this Agreement. Even though this Agreement has been prepared by one of the parties, each of the parties confirms that each of them and their respective counsel have reviewed, negotiated and adopted this Agreement as the joint agreement and understanding of the parties. Thus, this Agreement is to be construed as a whole and any presumption that ambiguities are to be resolved against the primary drafting party will not apply. References to any

document or other instruments include all amendments and replacements to such amendments and supplements to such amendments.

33.2 Franchisee and the Operating Principal acknowledge that Franchisee and the Operating Principal received the Franchise Disclosure Document, as required by the Federal Trade Commission Franchise Rule, at least fourteen (14) calendar days before the date on which this Agreement and the attachments to this Agreement were signed or consideration (anything of value) was paid. Franchisee and the Operating Principal acknowledge that, as a prospective franchisee, it had at least a full fourteen (14) days in which to review the disclosures. Franchisee and the Operating Principal further acknowledge that they received an additional copy of this completed Agreement and the attachments to this Agreement for signature, at least seven (7) calendar days before the date on which this Agreement and the attachments to this Agreement were signed and the Franchise Fee paid.

33.3 Franchisee and the Operating Principal have been advised to consult with an attorney, accountant, and other own advisors with respect to the legal, financial and other aspects of this Agreement, the business franchised hereby, and the prospects for that business. Franchisee and the Operating Principal have either consulted with such advisors or have deliberately declined to do so. Despite the fact that this Agreement has been prepared by the Franchisor, Franchisee and the Operating Principal confirm that they and their respective counsel have reviewed, negotiated and adopted this Agreement, in its entirety, as the joint agreement and understanding of the parties.

33.4 Franchisee and the Operating Principal acknowledge that the covenants not to compete set forth in this Agreement are fair, reasonable and will not impose any undue hardship on Franchisee or the Operating Principal, since Franchisee and the Operating Principal have other considerable skills, experience and education which afford Franchisee and the Operating Principal the opportunity to derive income from other endeavors.

33.5 Franchisee and the Operating Principal declare under penalty of perjury, according to the laws of the State of Nebraska that all information set forth in any and all applications, financial statements and submissions to Franchisor are true, complete and accurate in all respects, with Franchisee and the Operating Principal expressly acknowledging that Franchisor is relying upon the truthfulness, completeness and accuracy of such information.

33.6 Franchisee and the Operating Principal have conducted an independent investigation of the business contemplated by this Agreement and recognize that, like any other business, an investment in a Right at Home Franchised Business involves business risks and that the success of the venture is primarily dependent upon the business abilities and efforts of Franchisee and the Operating Principal.

33.7 Franchisee and the Operating Principal have by entering into this Agreement, irrevocably waived trial by jury in any action, proceeding or counterclaim, whether at law or in equity, brought by either Franchisor or Franchisee.

34. LIMITATION ON DAMAGES

34.1 IN NO EVENT, WHETHER AS A RESULT OF BREACH OF CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, INDEMNITY, OR OTHERWISE, WILL FRANCHISOR BE LIABLE TO FRANCHISEE FOR ANY SPECIAL, CONSEQUENTIAL, INCIDENTAL, INDIRECT, PUNITIVE OR EXEMPLARY DAMAGES, INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF REVENUE OR LOSS OF PROFIT.

34.2 The total liability of Franchisor to Franchisee arising out of or in connection with this Agreement, from any and all causes, will not exceed one hundred percent (100%) of the compensation actually received by Franchisor from Franchisee during the most recent 12 months preceding the claim.

IN WITNESS WHEREOF, AND INTENDING TO BE LEGALLY BOUND HEREBY, THE PARTIES HAVE CAUSED THIS AGREEMENT TO BE EXECUTED BY THEIR AUTHORIZED REPRESENTATIVES TO BE EFFECTIVE AS OF THE DATE FRANCHISOR EXECUTES THIS AGREEMENT.

EXHIBIT B TO THE FRANCHISE AGREEMENT

GUARANTY AND ASSUMPTION OF OBLIGATIONS

THIS GUARANTY AND ASSUMPTION OF OBLIGATIONS (“**Guaranty**”) is given on the date last below written next to the signature(s) of the undersigned.

In consideration of, and as an inducement to, the execution of that certain Franchise Agreement made _____ (the “**Agreement**”) by Right at Home, Inc. (“**Franchisor**”), each of the undersigned hereby irrevocably personally and unconditionally guarantees to Franchisor, and its successors and assigns, for the term of the Agreement and thereafter as provided in the Agreement and until such time as all indebtedness and performances created in connection with the Agreement are paid and fulfilled, that _____ (“**Franchisee**”) and each of the undersigned: (1) will punctually pay, perform and abide by each and every monetary and other obligation, undertaking, agreement and covenant set forth in the Agreement; (2) will take or refrain from taking the specific actions described and referenced in Sections 15.3 and 15.4 of the Agreement; and (3) will comply with each provision of the Agreement and be bound thereby in the same manner as the Franchisee is so bound. Each of the undersigned has fully read the Agreement, knows the contents of it, and understands its meaning. Each of the undersigned waives: any and all defenses of Franchisee, including waiver and release; acceptance and notice of acceptance by Franchisor of the foregoing undertakings; notice of demand for payment of any indebtedness or non-performance of any obligations hereby guaranteed; protest and notice of default with respect to the indebtedness or non-performance of any obligations hereby guaranteed; any right the undersigned may have to require that an action be brought against Franchisee or any other person as a condition of liability; and any and all other notices and legal or equitable defenses to which the undersigned may be entitled. This Guaranty is continuing, absolute, unconditional, and irrevocable.

Each of the undersigned also consents and agrees that: (1) their direct and immediate liability under this Guaranty will be joint and several; (2) they will render any payment or performance required under the Agreement upon demand if Franchisee fails or refuses punctually to do so; (3) their liability will not be contingent or conditioned upon pursuit by Franchisor of any remedies against Franchisee or any other person; (4) their liability will not be diminished, relieved or otherwise affected by any extension of time, credit or other indulgence which Franchisor may from time to time grant to Franchisee or to any other person including, without limitation, the acceptance of any partial payment or performance, or the compromise or release of any claims, none of which will in any way modify or amend this Guaranty; (5) this Guaranty will continue unchanged by the occurrence of any bankruptcy with respect to Franchisee or any assignee, transferee, or successor franchisee and by any abandonment of the Franchise Agreement by a Trustee of Franchisee; (6) Franchisor may amend, extend or terminate the Agreement or release Franchisee or any other person from its obligations under the Agreement, without notice to the undersigned, and such act or actions will not affect the liability of the undersigned; and (7) the percentage of ownership interest in the Franchisee indicated under their respective signature is for informational purposes only and does not in any way limit the obligations of the undersigned.

If Franchisor presently holds one or more guaranties from any one or more of the undersigned as a guarantor, or hereafter receives one or more additional guaranties from any one or more of the undersigned as a guarantor, Franchisor’s rights under all such guaranties will be cumulative and in the aggregate under the terms of this Guaranty and any such other guaranties. This Guaranty will not (unless specifically provided below to the contrary) affect, lessen the obligation in, narrow the scope of or invalidate any such other guaranties. To the extent of any conflict between this Guaranty and any prior guaranties concerning the subject matter of this Guaranty, the terms of this Guaranty will prevail.

Each of the undersigned irrevocably waives trial by jury in any action, proceeding or counterclaim, whether at law or in equity, brought by either the Franchisor or any one or more of the undersigned.

This Guaranty will be governed by and construed according to the laws of the State of Nebraska, excluding any conflict of laws provisions that would result in the application of the laws of another jurisdiction, except to the extent governed by federal law. Each of the undersigned irrevocably agrees that the United States District Court of the District of Nebraska and the Courts of Nebraska sitting in Douglas County, Nebraska will have exclusive jurisdiction to hear and determine any action on a controversy on or under this Guaranty, including any action for injunctive relief and for specific performance and other equitable relief, irrevocably submits to the jurisdiction of such Courts and irrevocably waives any objection which any of them might have to such Courts being nominated as the forum to hear and determine any such action on a controversy relating to this Guaranty and agree not to claim that any such Court is not a convenient or appropriate forum. Not only must any such action be brought in such Courts but any such action must also be continually maintained in such Courts. Each of the undersigned agrees that such Courts have power under the law of Nebraska to entertain any such action, that Nebraska is a reasonably convenient place for the trial of any such action, and that this choice of forum agreement was not obtained by misrepresentation, duress, the abuse of economic power, or other unconscionable means.

Except as provided in Section 29.3 of the Franchise Agreement, any Dispute (as defined in the Franchise Agreement) not resolved pursuant to Section 29.1 of the Franchise Agreement must be submitted to binding arbitration in accordance with Section 29.2 of the Franchise Agreement:

The prevailing party in any action or proceeding arising under, out of, in connection with, or in relation to this Guaranty will be entitled to recover its reasonable costs and expenses (including attorneys' fees, arbitrators' fees and expert witness fees, costs of investigation and proof of facts, court costs, and other arbitration or litigation expenses) incurred in connection with the claims on which it prevailed. For the purposes of this Agreement in general and this Section specifically, the "**Prevailing Party**" will be deemed to be that party which has obtained the greatest net judgment in terms of money or money equivalent. If money or money equivalent has not been awarded, then the Prevailing Party will be that party which has prevailed on a majority of the material issues decided. The "**net judgment**" is determined by subtracting the smallest award of money or money equivalent from the largest award. If there is a mixed decision involving an award of money or money equivalent and equitable relief, the arbitrator will award the above fees to the party that it deems has prevailed over the other party using reasonable business and arbitrator's judgment.

EXHIBIT C-1 TO THE FRANCHISE AGREEMENT

CONFIDENTIALITY AND NON-COMPETE AGREEMENT

THIS AGREEMENT ("Agreement"), made and entered into as of _____, by and between Right at Home, Inc., a Nebraska corporation ("**Franchisor**"), and [Insert Name of Franchisee and Owner(s), as applicable] (collectively the "**Restricted Party**"). Except as specifically defined in this Agreement all words beginning with a capital letter will have the meaning ascribed to them in the Franchise Agreement.

WITNESSETH:

WHEREAS, Franchisor and _____, a _____ ("**Franchisee**"), entered into a Franchise Agreement dated _____ (the "**Franchise Agreement**") for Franchisee to conduct a Franchised Business in accordance with Franchisor's System (the "**Franchised Business**"); and

WHEREAS, throughout the term of the Franchise Agreement Restricted Party will be exposed to valuable knowledge and information at the highest level regarding the Franchised Business, the System, and Confidential Information of Franchisor and Franchisee; and

WHEREAS, Restricted Party, as an owner of Franchisee, will benefit from the operation of the Franchised Business; and

WHEREAS, Franchisor would not enter into the Franchise Agreement with Franchisee unless Franchisor's goodwill and Confidential Information were protected against unfair competition.

NOW THEREFORE, in consideration of the recitals, and of the mutual covenants hereafter set forth, and of other good and valuable consideration, the receipt and sufficiency of which are mutually acknowledged, it is agreed between Franchisor and Restricted Party, as follows:

1. Confidentiality.

(a) Franchisor owns and possesses (and may continue to develop and acquire) certain confidential information consisting of and relating to the methods, techniques, formats, specifications, procedures, equipment, information, software, systems, sales and marketing techniques and programs, and knowledge of and experience in the development, operation and franchising of Franchises; advertising, marketing and promotional programs for Franchises; knowledge of, specifications for and suppliers of certain products, materials, equipment and supplies used to operate a Franchise; knowledge of the operating results and financial performance of Franchises other than the Franchised Business; the Operations Manual; passwords, codes and user names to access the Operations Manual in electronic format; and, contracts for clients served by Franchisee, the client lists and details of service (collectively, the "**Confidential Information**"). The term "Confidential Information" also includes all written or electronic information, computer files, documents, records and data that the Franchisor or any of its representatives furnishes or otherwise discloses to Franchisee or any of its representatives, together with all analyses, compilations, studies, memoranda, translations, notes or other documents, records or data (in whatever form maintained, whether documentary, computer or other electronic storage or otherwise) prepared by Franchisee, Restricted Party or any of Franchisee's representatives which contain or otherwise reflect or are generated from such information and documents. Franchisor will retain all ownership of, property in, and title to its Confidential Information; and Franchisee and Restricted Party will have no claim to it or right in it except as expressly authorized under the provisions of the Franchise Agreement. Franchisor will disclose certain Confidential Information to Franchisee and Restricted Party in the training program, the Operations Manual, and in

guidance furnished to Franchisee and Restricted Party during the term of the Franchise Agreement. Restricted Party acknowledges that the Confidential Information is proprietary and involves trade secrets of Franchisor, and that Restricted Party will not acquire any interest in the Confidential Information, other than the right to utilize the Confidential Information in the operation of the Franchised Business in compliance with the Franchise Agreement during the term of the Franchise Agreement. Restricted Party further acknowledges and agrees that the Confidential Information is disclosed to Franchisee and Restricted Party only on the condition precedent that Franchisee and Restricted Party agree and Restricted Party hereby does agree to: (1) use the Confidential Information only in operating the Franchised Business and not in any other business or capacity; (2) keep all Confidential Information absolutely confidential during and after the term of this Agreement; (3) make no unauthorized copies of any Confidential Information disclosed via electronic medium, in writing or other tangible form; and (4) adopt and implement all reasonable procedures periodically prescribed by Franchisor to prevent unauthorized use or disclosure of Confidential Information including restrictions on disclosures to Franchisee's principals and employees. Restricted Party will divulge Confidential Information only to Franchisee's employees who must have access to it in order to operate the Franchised Business. Restricted Party does, by entering into this Agreement, acknowledge that all Confidential Information is owned by Franchisor alone and during the term of this Agreement and at the end of the Franchise Agreement all Confidential Information will be returned to Franchisor.

(b) Restricted Party acknowledges and agrees that the Franchised Business' clients, client lists, details of service, and contracts are also trade secrets and are derived and result from the operation of the Franchised Business in accordance with the Franchise Agreement and Franchisor's System standards, specifications and operating procedures. Restricted Party acknowledges and agrees that such clients, client lists, details of service to clients, and contracts are deemed Confidential Information (as defined above) owned by Franchisor and are subject to the restrictions set forth above, including, without limitation, restrictions on the use, sale or transfer of such client lists and contracts to a third party.

(c) All ideas, concepts, techniques or other materials relating to the Franchised Business, whether or not protectable intellectual property and whether created by or for Franchisee or its employees, must be promptly disclosed to Franchisor and will be deemed to be Franchisor's sole and exclusive property, part of its franchise System and works made-for-hire. To the extent that any item does not qualify as a work made-for-hire, Restricted Party hereby assigns ownership of that item, and all related rights to that item, to Franchisor and agrees to sign any assignments or other documents as Franchisor reasonably requests to evidence its ownership of or to otherwise assist Franchisor in obtaining intellectual property rights in the item.

(d) Confidential Information does not include any information, knowledge or know-how which Franchisee or Restricted Party obtained prior to its being provided to Franchisee or Restricted Party directly or indirectly by Franchisor or any of its current, former or future affiliates (including, without limitation, pursuant to any license agreement or similar agreement between Franchisee and any such party). Franchisee and Restricted Party have the burden of proving that the elements of this Section apply to any information, knowledge or know-how.

2. Non-Competition.

(a) Restricted Party, including successors and assigns of Franchisee, will not, for a period of one and one-half (1½) years after the first to occur of the termination or expiration or transfer of the Franchise Agreement, regardless of the cause of termination, whether as an agent, consultant, independent contractor, owner, stockholder, partner, director, officer, manager or otherwise, engage or become interested in, own, organize, finance, lease, operate, or invest in any business which engages in the services and business of the Franchise or the Franchised Business anywhere within a radius of ten (10) miles from the outer boundaries of Franchisee's Designated Area.

(b) Restricted Party will not, for a period of one and one-half (1½) years after the first to occur of the termination or expiration or transfer of the Franchise Agreement, regardless of the cause of termination, become an employee of any business which engages in the services and business of the Franchise or the Franchised Business anywhere within a radius of ten (10) miles from the outer boundaries of Franchisee's Designated Area.

(c) For a period of one and one-half (1½) years after the first to occur of the termination or expiration of the Franchise Agreement, Restricted Party will not, directly or indirectly, solicit, call on or attempt to solicit or call on any of the then current or past customers, accounts or clients served by the Franchised Business for the purpose of inducing such customers, accounts or clients to become a customer, client or account of any party in competition with the business of the Franchisor, Franchise or the Franchised Business.

(d) For a period of one and one-half (1½) years after the first to occur of the termination or expiration of the Franchise Agreement, Restricted Party will not, directly or indirectly, solicit, call on or attempt to solicit or call on any of the then current or past referral sources and contacts utilized by the Franchised Business during the Restricted Party's affiliation with the Franchised Business, for the purpose of obtaining referral of customers or business from such referral sources and contacts in competition with the business of the Franchisor, Franchise or the Franchised Business.

3. Enforcement of Franchisee and Restrictions.

Restricted Party has, with the assistance of legal counsel, carefully read and considered the provisions of this Agreement and, having done so, agrees that the applicable restrictions set forth in this Agreement in Section 1 (including, but not limited to, the period of restriction and the geographic area of the restriction set forth) are fair and reasonable and are necessarily required for the protection of the interests of Franchisor. Restricted Party further acknowledges that due to the nature of the business, a more limited geographical restriction would not be reasonable or appropriate. Restricted Party covenants and agrees with the Franchisor that if Restricted Party will violate any of the covenants or agreements contained in this Agreement, then Franchisor will be entitled to injunctive relief; such remedy to be in addition to and not in limitation of any other rights or remedies to which Franchisor is or may be entitled to at law or in equity. In the event that despite the foregoing, any part of the covenants set forth in this Agreement will be held to be invalid or unenforceable, the remaining parts thereof will nevertheless continue to be valid and enforceable as though the invalid and unenforceable part had not been included herein. In the event that any provisions of this Agreement relating to the time period and/or area of restriction will be declared by a court of competent jurisdiction to exceed the maximum time periods or areas which such court deems reasonable and enforceable, such time period and/or area of restriction will be deemed to become and thereafter be the maximum time period and/or area which such court deems reasonable and enforceable.

4. Notices.

All notices required or permitted hereunder will be in writing and will be delivered personally or sent by United States registered or certified mail postage prepaid or sent by priority overnight mail, addressed to Restricted Party at:

5. Miscellaneous.

(a) Headings. Headings, titles and captions contained in this Agreement are inserted only as a matter of convenience and reference and in no way define, limit, extend, or describe the scope of this Agreement or the intent of any provision hereof.

(b) Entire Agreement. This writing, together with the Franchise Agreement, constitutes the entire agreement between the parties hereto and supersedes any prior understanding or agreements among them respecting the subject matter. There are no extraneous representations, arrangements, understandings, or agreements, oral or written, among the parties hereto, except those fully expressed herein.

(c) Amendments. No amendments, changes, alterations, modifications, additions or qualifications to the terms of this Agreement will be made or binding unless made in writing and signed by all the parties hereto.

(d) Waiver. The failure of either party to enforce at any time any of the provisions of this Agreement will not be construed as a waiver of such provisions or of the right of such party thereafter to enforce any such provisions.

(e) Invalidity. The invalidity or unenforceability of any particular provision of this Agreement will not affect the other provisions hereof, and this Agreement will be construed in all respects as if such invalid or unenforceable provisions were omitted.

(f) Governing Law. This Agreement will be construed and governed in accordance with the laws of the State of **[Insert State of Franchise]**.

(i) EXCEPT TO THE EXTENT GOVERNED BY FEDERAL LAW INCLUDING, WITHOUT LIMITATION, THE UNITED STATES TRADEMARK ACT OF 1946, AS AMENDED (LANHAM ACT, 15 U.S.C. SECTIONS 1051 ET SEQ.). Franchisor and Restricted Party irrevocably agree that the United States District Court of the District of Nebraska and the Courts of Nebraska sitting in Douglas County, Nebraska will have exclusive jurisdiction to hear and determine any action on a controversy on or under this Agreement, including any action for injunctive relief and for specific performance and other equitable relief, irrevocably submit to the jurisdiction of such Courts and irrevocably waive any objection which either of them might have to such Courts being nominated as the forum to hear and determine any such action on a controversy relating to this Agreement and agree not to claim that any such Court is not a convenient or appropriate forum. Not only must any such action be brought in such Courts but any such action must also be continually maintained in such Courts. The parties agree that such Courts have power under the law of Nebraska to entertain any such action, that Nebraska is a reasonably convenient place for the trial of any such action, and that this choice of forum agreement was not

obtained by misrepresentation, duress, the abuse of economic power or other unconscionable means.

(ii) RESTRICTED PARTY ACKNOWLEDGES THAT THIS AGREEMENT IS ENTERED INTO IN DOUGLAS COUNTY, NEBRASKA.

(iii) NO RIGHT OR REMEDY CONFERRED UPON OR RESERVED TO FRANCHISOR OR RESTRICTED PARTY BY THIS AGREEMENT IS INTENDED TO BE, NOR WILL BE DEEMED, EXCLUSIVE OF ANY OTHER RIGHT OR REMEDY HEREIN OR BY LAW OR EQUITY PROVIDED OR PERMITTED, BUT EACH WILL BE CUMULATIVE OF EVERY OTHER RIGHT OR REMEDY.

(iv) NOTHING HEREIN CONTAINED WILL BAR FRANCHISOR'S RIGHT TO OBTAIN INJUNCTIVE RELIEF AGAINST THREATENED CONDUCT UNDER GENERAL PRINCIPLES OF EQUITY, INCLUDING THE APPLICABLE PRINCIPLES FOR OBTAINING RESTRAINING ORDERS, PERMANENT AND PRELIMINARY INJUNCTIONS.

(g) Binding Agreement. This Agreement will be binding upon and inure to the benefit of the parties, their heirs, successors and assigns.

(h) Counterparts. This Agreement may be executed in one or more counterparts, each of which will be deemed to be an original but all of which together will constitute one and the same instrument.

(i) Miscellaneous. No provision of this Agreement may be modified, waived or discharged unless such waiver, modification or discharge is agreed to in writing, and is signed by Franchisee and Related Persons and by an executive officer of the Franchisor. No agreements or representations, oral or otherwise, express or implied, with respect to the subject matter hereof have been made by any party that is not set forth expressly in this Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date and year first above written.

WITNESSETH:

WHEREAS, Franchisor and Franchisee, entered into a Franchise Agreement dated _____ (the "**Franchise Agreement**") for Franchisee to conduct a Franchised Business in accordance with Franchisor's System (the "**Franchised Business**"); and

WHEREAS, throughout the term of employment with Franchisee, Restricted Party will be exposed to valuable knowledge and information at the highest level regarding the Franchised Business, the System, and Confidential Information of Franchisor and Franchisee; and

1. Confidentiality.

(a) Franchisor owns and possesses (and may continue to develop and acquire) certain confidential information consisting of and relating to the methods, techniques, formats, specifications, procedures, equipment, information, software, systems, sales and marketing techniques and programs, and knowledge of and experience in the development, operation and franchising of Franchises; advertising, marketing and promotional programs for Franchises; knowledge of, specifications for and suppliers of certain products, materials, equipment and supplies used to operate a Franchise; knowledge of the operating results and financial performance of Franchises other than the Franchised Business; the Operations Manual; passwords, codes and user names to access the Operations Manual in electronic format; and, contracts for clients served by Franchisee, the client lists and details of service (collectively, the "**Confidential Information**"). Franchisor will disclose certain Confidential Information to Franchisee and Restricted Party in the training program, the Operations Manual, and in guidance furnished to Franchisee and Restricted Party during the term of the Franchise Agreement. Restricted Party acknowledges that the Confidential Information is proprietary and involves trade secrets of

Franchisor, and that Restricted Party will not acquire any interest in the Confidential Information, other than the right to utilize the Confidential Information in the operation of the Franchised Business in compliance with the Franchise Agreement during the term of the Franchise Agreement. (c) All ideas, concepts, techniques or other materials relating to the Franchised Business, whether or not protectable intellectual property and whether created by or for Franchisee or its employees, must be promptly disclosed to Franchisor and will be deemed to be Franchisor's sole and exclusive property, part of its franchise System and works made-for-hire. To the extent that any item does not qualify as a work made-for-hire, Restricted Party hereby assigns ownership of that item, and all related rights to that item, to Franchisor and agrees to sign any assignments or other documents as Franchisor reasonably requests to evidence its ownership of or to otherwise assist Franchisor in obtaining intellectual property rights in the item.

This Addendum, to the Franchise Agreement, is made by and between Right at Home, Inc., a corporation formed under the laws of the State of Nebraska and having its principal place of business at 6464 Center Street, Suite 150, Omaha, Nebraska 68106 (“**Franchisor**”), and _____ whose principal address is _____, an individual/partnership/corporation/limited liability company resident/established in the State of _____ (“**Franchisee**”).

RECITALS

A. On or about _____, Franchisee entered into a Franchise Agreement (the “**Original Franchise Agreement**”) with Franchisor pursuant to which Franchisee has operated a Right at Home® Business in the Designated Area described in the Original Franchise Agreement.

B. Franchisee has notified Franchisor of its desire to obtain an additional term granted pursuant to the Original Franchise Agreement to continue to use the System and Marks in the operation of a Franchised Business.

C. Pursuant to the rights granted in the Original Franchise Agreement, Franchisee is willing to enter into a new franchise agreement with Franchisor on the terms and conditions of Franchisor’s current form of franchise agreement, as modified by this Addendum (the “**Renewal Franchise Agreement**”).

D. Franchisee has had a full and adequate opportunity to be advised thoroughly of the terms and conditions of the Renewal Franchise Agreement, including this Addendum, by legal counsel or other advisors, and has had sufficient opportunity to evaluate and investigate the System, the financial investment requirements and the business risks associated with owning and operating a Right at Home Business.

In consideration of the foregoing and the covenants and consideration below, Franchisee and Franchisor agree to amend the Renewal Franchise Agreement as follows:

1. Renewal Fee. Section 1.5 of the Renewal Franchise Agreement is deleted and replaced with the following:

1.5 In consideration of the Franchise granted in this Agreement, Franchisee will pay to Franchisor, upon execution of this Agreement, a renewal fee (“**Renewal Fee**”) in the amount set forth on Exhibit A. When paid, the Renewal Fee is fully earned and non-refundable as consideration for expenses incurred by Franchisor, including marketing, researching, awarding, furnishing assistance and services to Franchisee and for Franchisor’s lost or deferred opportunity to franchise others. Whenever the term “Franchise Fee” is used in the Renewal Franchise Agreement, it will be “Renewal Fee”.

2. Term. Section 2.1 of the Renewal Franchise Agreement is deleted and replaced with the following:

2.1 This Agreement will be effective and binding from the date of its acceptance by Franchisor (as indicated on the signature page) and expires on the fifth (5th) anniversary of the date of acceptance by Franchisor (unless sooner terminated in

accordance with the terms of this Agreement), with three (3) separate options intended to renew this Agreement for the period of five (5) years each, as provided in Section 2.2.

3. Renewal Terms. The first sentence of **Section 2.2** of the Renewal Franchise Agreement is deleted and replaced with the following:

Subject to the notice provisions in Section 2.3, at the expiration of the term set forth in Section 2.1 (as amended), if this Agreement will then be in full force and effect, and the Franchisee will have duly performed all of its terms and conditions, Franchisee will have three (3) separate options to renew this Agreement, subject to the terms and conditions of the then current form of Franchise Agreement, for the period of five (5) years each.

4. Business Location. **Section 3.2** of the Renewal Franchise Agreement is deleted and replaced with the following:

3.2. Franchisee will be solely responsible for purchasing or leasing a suitable site and office for any replacement Premises and for maintaining in the condition and appearance of the Premises consistent with Franchisor's standards. While Franchisor utilized its general experience in providing guidelines and criteria for selection of a Premises location, nothing contained herein will be interpreted as a guarantee of success for said location. Any replacement for the Premises is subject to Franchisor's approval, which Franchisor has the right to grant or deny. Franchisee acknowledges that Franchisor's approval of the Premises or any replacement Premises indicates only that Franchisor believes that the office falls within the acceptable criteria established by Franchisor as of the approval date.

5. Training. **Sections 4.1 and 4.2** of the Renewal Franchise Agreement are deleted and replaced with the following:

4.1 If Franchisor determines it is necessary, Franchisee and two (2) additional persons, who must be Franchisee's office manager and the Operating Principal, may be required to successfully re-complete Phase-one of the training program. Phase-one training will begin on the date designated by Franchisor within approximately ninety (90) days after the Effective Date. The Phase-one training program will include classroom training at Franchisor's headquarters or another location designated by Franchisor. The Phase-one training program will be approximately ten (10) days in duration and will cover administrative, operational, sales and marketing matters. All expenses incurred by Franchisee and its Operating Principal and other representatives in attending such training, including, without limitation, travel costs, room and board expenses, and employees' salaries, will be the sole responsibility of Franchisee.

4.2 If Franchisor determines it is necessary, Franchisee must participate in the Phase-two training program, which will begin on a date designated by Franchisor within six (6) months after the Effective Date. Franchisor will furnish to Franchisee, at the Premises, one (1) of Franchisor's representatives for approximately two (2) days or such longer period of time as Franchisor determines is necessary for the purpose of facilitating the Franchised Business. During this period, such representative will assist Franchisee and Operating Principal in establishing and standardizing current procedures and techniques essential to the operation of the Franchised Business and will assist in training personnel. The first two days of Phase-two training will be at Franchisor's expense. Should Franchisee request additional assistance from Franchisor to facilitate the Franchised

Business, or should Franchisor determine that Franchisee or the Operating Principal needs additional training, Franchisee will reimburse Franchisor for the expense Franchisor incurs in providing such additional assistance at its then-current rate as published in the Operations Manual (defined in Section 6), plus expenses.

6. Average Net Billing Requirement. Section 12.12 of the Renewal Franchise Agreement is deleted and replaced with the following:

12.12 Franchisee will at all times continuously use its best efforts to promote and increase the sales of the Franchised Business and to effect the widest and best possible distribution, sales and placement, soliciting all Potential Clients and accounts for services and related products, materials and equipment within the Designated Area. To maintain the exclusivity of Franchisee's Designated Area, Franchisee must generate average Net Billings equal to at least \$65,000* for each four (4) consecutive week period throughout the Renewal Term.

* NOTE: If Franchisor has increased the Net Billing Requirement pursuant to its right to do so, as set forth below, then the Net Billing Requirement will be adjusted to reflect such increase.

Franchisor can increase the above stated average Net Billing requirements by up to 5% per year upon notice to Franchisee. Franchisee's failure to achieve the above-referenced average Net Billings requirements for any period of 12 consecutive weeks after the Effective Date, will constitute a default under this Agreement and, in addition to the other remedies set forth in this Agreement, Franchisor has the right to implement any one or more of the following actions: (i) decrease/reduce or otherwise change the size of the Designated Area; (ii) establish other franchises within the Designated Area; (iii) permit other franchisees to provide services to clients located within Franchisee's Designated Area; or, (iv) in addition to all other remedies provided under this Agreement and by law, terminate this Agreement as provided in this Agreement. Franchisee may cure such default as follows: Franchisor will request that Franchisee provide to Franchisor a detailed business plan within 30 calendar days after such request setting forth the plan for meeting the described Net Billing requirements within a reasonable period of time, not to exceed 6 months. Such business plan will be in form and substance acceptable to Franchisor. If Franchisee provides the business plan within the 30 days, Franchisor will review it within 14 calendar days after it is received. If Franchisor, in its sole judgment, believes that the business plan is reasonably achievable, Franchisor will give to Franchisee additional time to meet the Net Billing requirements in accordance with the business plan. If Franchisee fails or refuses to provide a business plan within 30 calendar days, or if Franchisor determines that the business plan is not achievable, or if Franchisor approves the business plan but Franchisee fails to meet the Net Billing requirements in accordance with the plan, Franchisor may give Franchisee notice of termination under this Agreement. Details as to the form and content required for the business plan and the process described above may be more specifically set forth and modified in the Operations Manual.

7. Release of Claims. Franchisee, its heirs, successors and assigns, affiliates, directors, officers and shareholders, and any other party claiming an interest through them (collectively and individually referred to as the "**Franchisee Parties**"), hereby releases and forever discharges Franchisor, for itself, its predecessors, successors, assigns, affiliates, directors, officers, shareholders, and employees (collectively and individually referred to as the "**Franchisor Parties**") from any and all claims, debts, liabilities, demands, obligations, costs, expenses, actions and causes of action, whether known or unknown,

vested or contingent, which Franchisee may now or in the future own or hold, that in any way relate to the Original Franchise Agreement (collectively, “**Claims**”), including but not limited to, any alleged violations of any deceptive or unfair trade practices laws, franchise laws, or other local, municipal, state, federal, or other laws, statutes, rules or regulations, and any alleged violations of the Original Franchise Agreement or any other related agreement between Franchisee Parties and Franchisor Parties.

8. Warranties and Representations of Franchisee. Franchisee warrants and represents as follows:

(a) Franchisee has, during the entire initial term of the Original Franchise Agreement, duly performed all provisions of the Original Franchise Agreement;

(b) Franchisee maintains legal and physical possession of the Premises Franchisee and has present evidence reasonably satisfactory to Franchisor that Franchisee has the right to remain in possession of the Premises for the duration of the renewal term; or, in the event Franchisee is unable to legally retain possession of the Premises, or, in the judgment of Franchisor, the Franchised Business should be relocated, Franchisee has secured substitute premises approved by Franchisor;

(c) The Franchised Business is in full compliance with the specifications and standards then applicable for a new or renewing Franchise.

(d) Franchisee has given notice of renewal to Franchisor least eight (8) months, but not more than twelve (12) months, prior to the expiration of the term of the Original Franchise Agreement;

(e) Franchisee has satisfied all monetary obligations owed by Franchisee to Franchisor and its Related Entities, including the renewal fee, and has timely met these obligations throughout the term of this Agreement;

(f) Franchisee has paid to Franchisor the renewal fee in the amount of \$_____;

(g) Franchisee has executed the Renewal Franchise Agreement, with this Addendum attached and incorporated therein by this reference;

(h) Franchisee has complied with Franchisor’s then-current qualifications and training requirements; and

(i) Franchisee and its owners have executed a general release, in a form attached to this Addendum as Attachment A, of any and all existing claims against Franchisor and its respective officers, directors, agents and employees, except such claims as are not permitted to be waived under applicable law.

9. Capitalized Terms. Capitalized terms not otherwise defined in this Renewal Addendum shall have the same meaning as in the Renewal Franchise Agreement.

10. Addendum Binding. This Renewal Addendum will be binding upon and inure to the benefit of each party and to each party’s respective successors and assigns.

11. No Further Changes. Except as specifically provided in this Addendum, all of the terms, conditions and provisions of the Renewal Franchise Agreement will remain in full force and effect as originally written and signed.

IN WITNESS WHEREOF, the parties have executed this Renewal Franchise Agreement as of the Effective Date.

EXHIBIT E TO THE FRANCHISE AGREEMENT

FORM OF BUSINESS ASSOCIATE AGREEMENT

This Business Associate Agreement (this "**Agreement**") is entered into by and between [Insert Name of Franchisee and Owner(s), as applicable] ("**Covered Entity**") and Right at Home, Inc. ("**Right at Home**" or "**Business Associate**") in order to comply with privacy and security provisions of the Health Insurance Portability and Accountability Act of 1996 and its implementing regulations, as amended from time to time (statute and regulations collectively referred to as "**HIPAA**").

RECITALS

Right at Home provides services ("**Services**") to Covered Entity that involve the creation, use, or disclosure of protected health information ("**PHI**") under one or more agreements (each an "**Underlying Agreement**") and that are defined under HIPAA as business associate services.

Covered Entity and Right at Home are required by HIPAA to enter into a Business Associate Agreement with respect to the Services.

STATEMENT OF AGREEMENT

1. Definitions. Terms used, but not otherwise defined, in this Agreement will have the same meaning as those terms in HIPAA; provided that PHI refers only to protected health information of the Covered Entity unless otherwise stated.

2. Compliance and Agents. Right at Home agrees that when using or disclosing PHI, Right at Home will comply with the requirements of this Agreement with respect to such PHI. Right at Home will ensure that every agent, including a subcontractor, to whom Right at Home provides PHI received from, or created or received by Covered Entity will enter into a written business associate agreement with Right at Home that includes the same restrictions and conditions as set forth in this Agreement. If Right at Home is required to carry out an obligation of Covered Entity under HIPAA, Right at Home will comply with applicable requirements of HIPAA that apply to Covered Entity in the performance of that obligation.

3. Use and Disclosure; Rights. Right at Home agrees that it shall not use or disclose PHI except as permitted under this Agreement or as required by law. Right at Home's use and disclosure of PHI shall comply with the provisions of HIPAA applicable to business associates. Right at Home may use or disclose the PHI received or created by it (a) to perform its obligations under this Agreement, (b) to provide Services for, or on behalf of, Covered Entity as specified in the Underlying Agreement, and (c) to provide data aggregation functions to or for the benefit of Covered Entity. Right at Home may use the PHI received by it, if necessary, to manage and administer its business or to carry out its legal responsibilities. Right at Home may disclose the PHI received by it to manage and administer its business or to carry out its legal responsibilities if: (a) the disclosure is required by law, or (b) Right at Home obtains reasonable assurances from the person to whom the information is disclosed that it will be held confidentially and used or further disclosed only as required by law or for the purpose for which it is disclosed to the person, and the person agrees to notify Right at Home of any instances of which the person is aware that the confidentiality of the PHI has been breached. Covered Entity shall not ask Right at Home to use or disclose PHI in any manner that would not be permissible under HIPAA if done by Covered Entity.

4. Safeguards. Right at Home agrees to implement appropriate physical, administrative, and technical safeguards as required by 45 CFR §§164.308-164.316, to prevent any use or disclosure of electronic PHI other than as permitted or required by this Agreement.

5. Minimum Necessary. To the extent required by HIPAA, Right at Home will limit any use, disclosure, or request for use or disclosure of PHI to the minimum necessary to accomplish the intended purpose of the use, disclosure, or request.

6. Report of Improper Use or Disclosure. Right at Home will report to Covered Entity any information of which it becomes aware concerning any use or disclosure of PHI that is not permitted by this Agreement and any security incident of which it becomes aware.

7. Individual Access. In accordance with an individual's right to access to his or her own PHI in a designated record set under 45 CFR §164.524 and the individual's right to copy or amend such records under 45 CFR §164.524 and §164.526, Right at Home will make available all PHI in a designated record set to Covered Entity to enable the Covered Entity to provide access to the individual to whom that information pertains or such individual's representative.

8. Amendment of PHI. Right at Home will make available for amendment PHI in a designated record set and will incorporate any amendments to PHI in a designated record set in accordance with 45 CFR §164.526 and in accordance with any process mutually agreed to by the parties.

9. Accounting. Right at Home agrees to document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to an individual's request for an accounting of disclosures of their PHI in accordance with 45 CFR §164.528. Right at Home agrees to make available to Covered Entity the information needed to enable Covered Entity to provide the individual with an accounting of disclosures as set forth in 45 CFR §164.528.

10. DHHS Access to Books, Records, and Other Information. Right at Home will make available to the U.S. Department of Health and Human Services ("DHHS") its internal practices, books, and records relating to the use and disclosure of PHI received from, or created or received by Right at Home on behalf of, Covered Entity for purposes of determining the Covered Entity's compliance with HIPAA.

11. Individual Authorizations; Restrictions. Covered Entity will notify Right at Home of any limitation in Covered Entity's notice of privacy practices, any restriction on the use or disclosure of PHI that Covered Entity has agreed to with an individual, and any changes to or revocation of an authorization or other permission by an individual, to the extent that such limitation, restriction, change, or revocation may affect Right at Home's use or disclosure of PHI.

12. Security Breach Notification. Right at Home will, following the discovery of a breach of unsecured protected health information, as defined in 45 CFR §164.402, notify Covered Entity of such breach within 15 business days. The notice will include the identification of each individual whose unsecured protected health information has been, or is reasonably believed by Right at Home to have been, accessed, acquired, or disclosed during such breach and other information required by HIPAA.

13. Term. This Agreement takes effect on the effective date of the Underlying Agreement, and continues in effect unless and until either party terminates the Underlying Agreement.

14. Breach; Termination; Mitigation. If Covered Entity knows of a pattern of activity or practice of Right at Home that constitutes a material breach or violation of Right at Home's obligations under this Agreement, Right at Home and Covered Entity will take any steps reasonably necessary to cure such breach and make Right at Home comply, and, if such steps are unsuccessful, Covered Entity may terminate this Agreement. Right at Home will take reasonable actions available to it to mitigate any detrimental effects of such violation or failure to comply.

15. Return of PHI. Right at Home agrees that upon termination of this Agreement, and if feasible, Right at Home will (a) return or destroy all PHI received from Covered Entity, or created or received by Right at Home on behalf of Covered Entity, that Right at Home or any subcontractor maintains in any form or manner and retain no copies of such information or, (b) if such return or destruction is not feasible, immediately notify Covered Entity of the reasons return or destruction are not feasible, and extend indefinitely the protection of this Agreement to such PHI and limit further uses and disclosures to those purposes that make the return or destruction of the PHI not feasible.

16. Conflicts. The terms and conditions of this Agreement will override and control any conflicting term or condition of the Underlying Agreement. All non-conflicting terms and conditions of the Underlying Agreement will remain in full force and effect. Any ambiguity in this Agreement with respect to the Underlying Agreement will be resolved in a manner that will permit Covered Entity to comply with HIPAA.

IN WITNESS WHEREOF, Covered Entity and Right at Home execute this Agreement as of the Effective Date stated below.

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of RiseMark Brands, Inc. and Subsidiaries, which comprise the consolidated balance sheet as of December 31, 2015, and the related consolidated statements of income, stockholders' equity and cash flows for the year ended December 31, 2015, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a reasonable basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of RiseMark Brands, Inc. and Subsidiaries as of December 31, 2015, and the consolidated results of their operations and their cash flows for the year ended December 31, 2015 in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 8 to the consolidated financial statements, the 2014 consolidated statement of stockholders' equity has been restated to correct an error. Our opinion is not modified with respect to this matter.

1. Summary of Significant Accounting Policies

A summary of the significant accounting policies consistently applied in the preparation of the accompanying consolidated financial statements is set forth below.

Principles of Consolidation and Nature of Business

The consolidated financial statements include the accounts of RiseMark Brands, Inc., (RiseMark) and its wholly owned subsidiaries, Right at Home, Inc. (RAH), Right at Home International, Inc. (RAH International) and IKOR International, Inc. (IKOR), collectively the "Company". All significant intercompany accounts and transactions have been eliminated in consolidation.

RiseMark was incorporated in the state of Nebraska on January 3, 2014, as Caring Brands, Inc. RiseMark is the sole stockholder of RAH, RAH International and IKOR. On March 6, 2015, the board of directors of Caring Brands, Inc. voted to change the corporate name to RiseMark Brands, Inc. The articles of amendment of Articles of incorporation have been filed with the Nebraska secretary of state.

RAH was incorporated in the state of Nebraska on July 10, 1999. RAH sells home care and healthcare supplemental staffing franchises throughout the United States of America.

RAH International was incorporated in the state of Nebraska on March 31, 2009. RAH International sells master franchises throughout the world. These master licensees grant the franchisees the right to sell home care and healthcare supplemental staffing franchises throughout their territories.

IKOR was incorporated in the state of Nebraska on February 10, 2014. IKOR sells franchises for professional advocacy and guardianship services, for seniors, children and the disabled throughout the United States of America where it is registered to offer franchises.

RAH established an advertising program in 2014 called the Brand Marketing and Promotion Fund (Brand Fund). RAH administers the Brand Fund. Participating franchisees contribute to the Brand Fund based on a percentage of sales. The Brand Fund's assets, consisting of primarily accounts receivable and cash received from RAH and franchisees, can only be used to market and promote the brand and for the purposes stated in the franchise agreements. The Brand Fund's liabilities represent the corresponding obligation arising from the receipt of the contributions for approved marketing and promotion activities. Creditors of the Brand Fund do not have recourse to the general credit of RAH or the Company. Therefore, all assets and liabilities of the cooperative are consolidated as Brand Fund assets, restricted and Brand Fund liabilities, restricted in the consolidated balance sheet. As the contributions to the Brand Fund are designated and segregated for advertising, the Company acts as an agent for the franchisees with regard to these contributions. Thus, the contributions and expenses are not reflected in the consolidated statements of income and cash flows.

Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Company's policy is to invest excess cash in income-producing investments. Cash equivalents consist of temporary cash investments with maturities of three months or less. For purposes of the statements of cash flows, the Company includes these amounts in cash and cash equivalents.

Receivables

Trade accounts receivable are carried at original invoice amount less an estimate made for doubtful receivables based on a review of all outstanding amounts on a periodic basis. Management determines the allowance for doubtful accounts by regularly evaluating individual franchisee receivables and considering a franchisee's financial condition, credit history, and current economic conditions. Trade accounts receivable are written off when deemed uncollectible. Recoveries of trade accounts receivable previously written off are recorded when received.

RiseMark Brands, Inc. and Subsidiaries

Notes to Consolidated Financial Statements

December 31, 2015

The Brand Fund receivable and notes receivable are considered to be fully collectible. Accordingly, no allowance for doubtful accounts is recorded. If amounts become uncollectible, they are charged to operations when that determination is made.

Concentration of Credit Risk

The Company has several types of financial instruments subject to credit risk. The Company maintains bank accounts in which the balances sometimes exceed federally insured limits. The Company's receivables and notes receivable also subject the Company to credit risk.

Property and Equipment

Property and equipment are recorded at cost. Expenditures for additions and betterments are capitalized; expenditures for maintenance and repairs are charged to expense as incurred. The costs of assets disposed of and related accumulated depreciation are eliminated from the accounts in the year of disposal. Gains or losses from property disposals are recognized in the year of disposal.

Costs incurred on computer software having the characteristics of internal-use software are classified as preliminary project stage, application development stage or the post-implementation/operation stage costs. Expenditures for the application stage are capitalized; expenditures for preliminary project and post implementation/operation stages are charged to operations as incurred.

Depreciation is computed using the straight-line method over the following estimated lives:

	<u>Years</u>
Computer Software and Equipment	3 - 5
Office Furniture and Equipment	5 - 15
Leashold Improvements	4 - 10

Projects in progress are recorded at cost and depreciation is recorded once the assets are placed in service.

Goodwill and Intangible Assets

Goodwill represents the carrying amount of the cost in excess of net assets acquired in a business combination. The Company follows FASB Accounting Standards Updated 2014-02, Intangibles – Goodwill and Other (Topic 350): Accounting for Goodwill, which allows the Company to amortize goodwill prospectively on a straight-line basis up to 10 years. Amortization expense of \$91,928 was recorded for the year ended December 31, 2015. The Company will continue to review goodwill for possible impairment when a triggering event has occurred. Amortization expense over the next five years is anticipated to be approximately \$73,000 annually.

The Company's intangible assets consist principally of licensing agreements related to purchased franchise advisory programs, trademarks, and other intangibles which are being amortized on a straight-line basis over their finite useful lives ranging from 3 to 15 years. Amortization expense of \$27,341 was recorded for the year ended December 31, 2015. Amortization expense over the next five years is anticipated to be approximately \$25,000 annually.

RiseMark Brands, Inc. and Subsidiaries

Notes to Consolidated Financial Statements

December 31, 2015

Franchise Operations

Initial and Master Area Franchise fees are recognized as income as the Company satisfies the significant conditions relating to the franchise sale. Under the terms of the franchise agreement, the Company is obligated to provide training, general assistance upon commencement of operation, an operations manual, and various forms and printed materials. Franchise sales paid in advance are separately accounted for as deferred revenue.

RAH Royalties are based upon 5% of each franchisee's gross sales and are recognized as revenue on an accrual basis.

RAH International Royalties, under Master Area Franchise agreements, are based upon 2% of each franchisee's gross sales and are recognized as revenue on an accrual basis.

IKOR Royalties are based upon 8% of each franchisee's gross sales and are recognized as revenue on an accrual basis.

Advertising

The Company expenses advertising costs as incurred. Advertising expense totaled approximately \$1,083,000 for the year ended December 31, 2015.

Foreign Currency Exchange

RAH International sells to various foreign companies and, accordingly, is subject to the inherent risks associated with foreign exchange rate movements. All transactions are recorded using the U.S. dollar as the measurement currency.

Income Taxes

The Company and its Subsidiaries, with the consent of its stockholders, elected under the Internal Revenue Code to be taxed as an S corporation. Accordingly, taxable income, deductions and credits flow through to the stockholders each year as earned and are reported on their personal income tax returns. Therefore, no provision or liability for income taxes has been included in the consolidated financial statements of the Company.

The Company follows the provisions of FASB Codification Topic 740-10 related to uncertain income tax positions. Management believes there are no uncertain income tax positions taken which would require the Company to reflect a liability for unrecognized tax benefits on the accompanying consolidated balance sheet.

The Company generally makes tax related cash distributions to its stockholders in amounts sufficient to cover any income taxes they are required to pay on the Company's taxable income.

RiseMark Brands, Inc. and Subsidiaries

Notes to Consolidated Financial Statements

December 31, 2015

The Company reports certain expenses differently for financial statement purposes than for income tax return purposes. At December 31, 2015, there were (net) accumulated temporary differences, relating principally to depreciation, of approximately \$181,000 which will increase income for tax return purposes in the future as they reverse.

The tax returns of the Company are subject to examination by the federal and state taxing authorities for a period of three years. The 2010 State of Nebraska tax return examination period for RAH was extended until 2016.

Subsequent Events

Subsequent events are events or transactions that occur after the consolidated balance sheet date but before the consolidated financial statements are available to be issued and may require potential recognition or disclosure in the consolidated financial statements. Management has considered such events or transactions through March 9, 2016, noting no items requiring disclosure.

2. Related Party Transactions

Teryl Corp, Inc.

During the year ended December 31, 2015, RAH made cash payments totaling \$23,781 on behalf of Teryl Corp, Inc. (Teryl Corp). Teryl Corp is affiliated by common ownership and management and the Company is expected to be reimbursed by Teryl Corp. At December 31, 2015, the total amount due to RAH was \$40,134 and is included in trade accounts receivable in the accompanying consolidated balance sheet.

Brand Fund

RAH administers the Brand Fund, an advertising program to market and promote the brand for the purposes stated in franchise agreements. The Brand Fund is affiliated through common management. During 2014, an advance of \$700,000 was made to the Brand Fund for initial implementation. Repayments to RAH are made in equal installments of \$29,167 through December 2016. There was \$329,734 due to RAH at December 31, 2015 and is included in the Brand Fund receivables in the accompanying consolidated balance sheet.

RiseMark Brands, Inc. and Subsidiaries

Notes to Consolidated Financial Statements

Non-interest bearing unsecured note receivables from various franchisees. Repayments ranging from \$124 to \$995 are made weekly through various dates in 2016.	104,351
Total Notes Receivable	254,351
Less Current Portion	122,883
Notes Receivable, Less Current Portion	<u>\$ 131,468</u>

The aggregate maturities of notes receivable for the years ending after December 31, 2015 are as follows:

<u>Year Ending December 31,</u>	
2016	\$ 122,883
2017	74,258
2018	57,210
	<u>\$ 254,351</u>

4. Financing Arrangement

The Company's financing arrangement consists of a \$2,500,000 revolving bank line of credit, with interest at 2.25% over the *One-Month LIBOR Rate* (*One-Month LIBOR Rate* was .243% at December 31, 2015). This line of credit is collateralized by substantially all assets of the Company. There was \$550,000 outstanding against this line of credit at December 31, 2015. This line of credit also contains various restrictive covenants for which the Company was in compliance at December 31, 2015.

5. Deferred Compensation

The Company has non-qualified phantom stock plans for certain key employees to provide propriety interest in the success of the Company. These plans provide for the calculation of the phantom stock plan based on the number of units held by the participants. A cash payment event occurs upon participant's disability, death, separation of service or a change in control in the Company. Participants of the plans are also entitled to certain bonuses, paid quarterly, in an amount as determined by the plan. The phantom stock plans carry no ownership or voting power in the Company. These plans are scheduled to expire on various dates through January 2019. Non-cash compensation expense of \$84,002 was recognized under the terms of the plans for the year ended December 31, 2015 (see Note 8). The total value of the vested benefits related to the phantom stock plans was \$827,627 at December 31, 2015 and is recorded in long-term liabilities in the accompanying consolidated balance sheet.

RiseMark Brands, Inc. and Subsidiaries

Notes to Consolidated Financial Statements

December 31, 2015

6. Commitments

Lease Obligations

The Company has entered into various operating leases for certain office space, office equipment and vehicles used by the Company. Normal maintenance, insurance and other expenses incidental to the premises are the responsibility of the Company for certain leases. Lease expense under these operating leases was approximately \$643,000 for the year ended December 31, 2015.

The future minimum lease payments under these noncancelable operating leases as of December 31, 2015 are as follows:

<u>Year Ending December 31,</u>	
2016	\$ 560,407
2017	621,285
2018	627,618
2019	628,937
2020	120,653
	<u>\$ 2,558,900</u>

IKOR sublets certain office space mentioned above to a certain franchisee. The terms of the sub-lease agreement with the franchisee effectively reduce IKOR's total cost of monthly payments. This cost reduction is not reflected in the future minimum lease payments above.

Stockholder Agreement

The Company and all stockholders have entered into a stock restriction agreement. The agreement restricts the stockholders from selling their shares to any entity other than remaining shareholders, family members or the Company, unless approved by the Company and its stockholders. Upon death, termination or request to transfer stock, the Company is required to purchase those shares at a purchase price as defined in the agreement.

7. 401(k) Profit Sharing Plan

The Company maintains a 401(k) profit sharing plan which covers substantially all employees upon completion of one year and 1,000 hours of service and attainment of 21 years of age. The Company makes contributions to the plan matching 100% of the amount contributed by participants up to a maximum of 4% of their eligible annual wages. Additional contributions may also be made at the Company's discretion. The Company's 401(k) profit sharing costs was approximately \$150,000 for the year ended December 31, 2015.

8. Prior Period Adjustment

The Company's consolidated financial statements prior to January 1, 2015 contained an error for understatement of the Company's deferred compensation liability by \$743,625 at December 31, 2014 (see Note 5). Accordingly, the consolidated statement of stockholders' equity at December 31, 2014 has been restated to correct the effect of this error.

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Right at Home, Inc. and Affiliate as of December 31, 2013, 2012, and 2011, and the results of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
December 31, 2013, 2012 and 2011

NOTE A - SUMMARY OF ACCOUNTING POLICIES

A summary of Right at Home, Inc.'s (the Company) and Right at Home International, Inc.'s (the Affiliate) significant accounting policies consistently applied in the preparation of the accompanying statements follows:

1. Nature of Business

The Company was incorporated in the State of Nebraska on July 10, 1999. The Company sells home care and healthcare supplemental staffing franchises throughout the United States of America.

The Affiliate is related to the Company by common ownership and management. The Affiliate was incorporated in the State of Nebraska on March 31, 2009. The Affiliate sells master franchises throughout the world. These master franchises grant the franchisees the right to sell home care and healthcare supplemental staffing franchises throughout their territories.

2. Principles of Consolidation

The Company is the primary beneficiary of the Affiliate and, as such, has consolidated the activities of the Affiliate. The accompanying consolidated financial statements, for the years ended December 31, 2013, 2012 and 2011, reflect the consolidation of the individual financial statements of Right at Home, Inc. and Right at Home International, Inc. after elimination of all intercompany transactions and balances.

3. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

4. Cash

The Company considers all highly liquid debt instruments purchased with maturities of 90 days or less to be cash equivalents.

5. Accounts Receivable

Accounts receivable are considered past due in accordance with the terms of the franchise agreements. Management periodically reviews all accounts receivable for collectability on an individual and collective basis. Accounts are considered uncollectible on an individual basis when it is probable the account will not be repaid. The collective basis component of the allowance is based on management's review and historical experience. The allowance for doubtful accounts was \$153,555, \$262,441, and \$235,000 for all account receivable at December 31, 2013, 2012, and 2011, respectively.

The Company charges a late fee and accrues interest on invoices after July 1, 2009 that are 30 days past due. Receipts are applied to current invoices and unidentified lump sum payments are applied to pre July 1, 2009 invoices. Late fees and accrued interest are not charged to accounts that have agreed to a repayment plan.

NOTE A - SUMMARY OF ACCOUNTING POLICIES - CONTINUED

5. Accounts Receivable - Continued

Financing receivables consist of franchise repayment plans. Repayment plans range from one to three years with fixed payments based on the balance of the account. Management periodically reviews the accounts for collectability.

6. Fixed Assets

Fixed assets are stated at cost. Depreciation is provided over the estimated lives of five to ten years on the straight-line method. Software costs are amortized over estimated lives of three years on the straight-line method.

7. Intangibles

Intangibles are recorded at cost and are amortized on a straight-line basis over 15 years. Amortization expense was \$966 for the years ended December 31, 2013, 2012, and 2011.

8. Revenue Recognition

Franchise fees are recognized as income as the Company satisfies the material conditions relating to the franchise sale. Under the terms of the franchise agreement, the Company is obligated to provide training, general assistance upon commencement of operation, an operations manual, and various forms and printed materials. Franchise sales paid in advance are separately accounted for as deferred revenue.

Royalties are based upon 5% of each franchisee's gross sales and are recognized as revenue on an accrual basis.

The Affiliate has operations in countries other than the United States of America through master franchising agreements. These agreements allow the licensee the right to sell home care and health care supplemental staffing franchises throughout their territories.

9. Advertising

Accordingly, no provision for federal income tax is reflected in the financial statements, as the taxable income and deductible losses of the Company and Affiliate are reported by the stockholders. However, the consolidated financial statements do include state income tax from various states for corporate franchise and income tax.

Distributions by the Company to its shareholders were made during the year from their proportionate share of the Company's taxable income.

NOTE A - SUMMARY OF ACCOUNTING POLICIES - CONTINUED

10. Income Taxes - Continued

It is the policy of the Company and Affiliate to provide for uncertain tax positions and related interest and penalties based upon management's assessment of whether a tax benefit is more likely than not to be sustained upon examination by the tax authorities. The Company and Affiliate have no uncertain tax positions that would require recognition, de-recognition, or disclosure in the financial statements for the years ended December 31, 2013, 2012, and 2011. The tax returns of the Company and Affiliate are subject to examination by the federal and state taxing authorities for a period of three years. 12. Foreign Exchange

13. Subsequent Events

Management evaluated all activity of the Company and Affiliate through February 21, 2014, (the date the financial statements are available for issuance) and concluded that no subsequent events have occurred that would require recognition in the audited financial statements or disclosure in the related notes to the financial statements.

14. Reclassifications

12. Item 17 is further amended by the addition of the following language to the original language that appears:

Indiana law prohibits franchisors from requiring their franchisees to prospectively agree to a release, assignment, novation, waiver or estoppel that attempts to relieve any person from liability.

Company will not permit a franchise to sell or renew without good cause or in bad faith. However, Indiana law does not prohibit a Franchise Agreement from providing that the agreement is not renewable on expiration or that the agreement is renewable if you meet certain conditions specified in the agreement.

Unilateral termination of the franchise is not permitted under Indiana law if the termination is without good cause or in bad faith. Good cause within the meaning of Indiana law includes any material violation of the Franchise Agreement.

Franchisee will not be required to indemnify Franchisor for any liability imposed upon Franchisor as a result of Franchisee's reliance upon or use of procedures or products which were required by Franchisor, if such procedures or products were utilized by Franchisee in the manner required by Franchisor.

You are not responsible for tortious claims from Company's gross negligence or willful misconduct in the making of or causing of the changes necessary in Company's protection of its Marks.

Indiana prohibits covenants not to compete in an area greater than the Area of Primary Responsibility; therefore, you agree to abide by the covenants not to compete terms within the Designated Area as defined in this Franchise Agreement.

If there is an alleged breach of Sections 6 or 7 of the Franchise Agreement, Company may be entitled to seek immediate equitable remedies, including, restraining orders and injunctive relief to safeguard the proprietary and confidential information.

Indiana prohibits the limitation of litigation brought for breach of the Franchise Agreement in any matter. Any terms, which designate jurisdiction or venue or require you to agree to jurisdiction or venue in a forum outside of Indiana is void concerning any cause of action, which is otherwise enforceable in Indiana. The Franchise Agreement and all related agreements will be interpreted and construed under the Indiana Franchise Laws, except to the extent governed by the United States Trademark Act of 1946.

If there is an alleged breach of Section 15, Company may be entitled to seek immediate equitable remedies, including, restraining orders and injunctive relief to safeguard the proprietary and confidential information.

Despite anything to the contrary in this provision, the franchisee does not waive any right under the Indiana statutes with regard to prior representations made in the Indiana Uniform Franchise Offering Circular.

IN WITNESS WHEREOF, each of the undersigned hereby acknowledges having read this Indiana-specific Addendum, understands and consents to be bound by all of its terms, and agrees it becomes effective the _____ day of _____, 20____.

MICHIGAN

The following disclosures are required by the State of Michigan:

1. “THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.”

Each of the following provisions is void and unenforceable if contained in any documents related to a franchise:

- A. A prohibition on the right of a franchisee to join an association of franchisees.
- B. A requirement that a franchisee assent to a release, assignment, novation, waiver or estoppel which deprives a franchisee of rights and protections provided in this act. This will not preclude a franchisee, after entering into a Franchise Agreement, from settling any and all claims.
- C. A provision that permits a franchisor to terminate a franchise prior to the expiration of this term except for good cause. Good cause includes the failure of the franchisee to comply with any lawful provision of the Franchise Agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- D. A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee’s inventory, supplies, equipment, fixtures and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years, and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor’s intent not to renew the franchise.
- E. A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- F. A provision requiring that arbitration or litigation be conducted outside this state. This will not preclude the franchisee from entering into an agreement, at the time of arbitration or litigation, to conduct arbitration or litigation at a location outside this state.
- G. A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. The subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause includes, but is not limited to:
 - 1) The failure of the proposed transferee to meet the franchisor’s then-current reasonable qualifications or standards.
 - 2) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

3) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

4) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the Franchise Agreement existing at the time of the proposed transfer.

H. A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value and has failed to cure the breach in the manner provided in subdivision (C).

I. A provision which permits the franchisor to directly or indirectly convey, assign or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless a provision has been made for providing the required contractual services.

2. If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000.00 the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

MINNESOTA

1. Risk Factors: The second Risk Factor is amended by the addition of the following language at the end thereof:

MINNESOTA STATUTE SECTION 80C.21 AND MINNESOTA RULE PART 2860.4400J PROHIBIT FRANCHISOR FROM REQUIRING LITIGATION TO BE CONDUCTED OUTSIDE MINNESOTA. IN ADDITION, NOTHING IN THE FRANCHISE DISCLOSURE DOCUMENT OR AGREEMENTS CAN ABROGATE OR REDUCE ANY OF YOUR RIGHTS AS PROVIDED FOR IN MINNESOTA STATUTES, CHAPTER 80C, OR YOUR RIGHTS TO ANY PROCEDURE, FORUM OR REMEDY PROVIDED FOR BY THE LAWS OF THE JURISDICTION.

2. The following Section is added to Item 11:

Company will provide you with password protected electronic access to the Operations Manual consisting of 543 pages, which contains mandatory and suggested specifications, standards and procedures. The Operations Manual is confidential and remains the property of Company. Company may modify the Operations Manual. The Table of Contents of the Operations Manual, including pages devoted to each subject, is attached to this Franchise Disclosure Document as Exhibit C. (See Section 6)

3. The following Section is added at the end of Item 12: “The Net Billings Requirement is not an earnings claim.”

4. The following Sections are added at the end of Item 13:

The Minnesota Department of Commerce requires that the Company indemnify Minnesota franchisees against liability to third parties resulting from claims by third parties that the franchisee’s use of the Company’s trademark infringes trademark rights of the third party. The Company does not indemnify against the consequences of the franchisee’s use of the Company’s trademark except in accordance with the requirements of the franchise, and, as a condition to indemnification, the franchisee must provide notice to the Company of any claim within ten (10) days and tender the defense of the claim to the Company. If the Company accepts the tender of defense, the Company has the right to manage the defense of the claim including the right to compromise, settle or otherwise resolve the claim, and to determine whether to appeal a final determination of the claim.

By not having a Principal Register Federal Registration for either “Right at Home” or “RAH Staffing Services”, Company does not have certain presumptive legal rights granted by a registration.

5. The first sentence of the “Summary” section of Item 17(c) entitled Requirements for you to Renew or Extend is deleted in its entirety and the following is substituted in its place:

You must have complied, and continue to comply, with all provisions of all agreements and must execute our then-current form of Franchise Agreement and sign general releases of all claims against us, provided however, that such general releases will not apply to any claims arising under the Minnesota Franchise Law.

6. All franchise contracts or agreements, and any other device or practice of a Company other than those classifications of franchises specifically recognized by the Commissioner will conform to the following provisions. It is an unfair and inequitable practice for any Company to:

A. Terminate or cancel a franchise without first giving written notice setting forth all the reasons for the termination or cancellation to the franchisee at least ninety (90) days in advance of termination or cancellation, and the franchisee fails to correct the reasons stated for termination or cancellation in the notice within sixty (60) days of receipt of the notice. However, the notice will be effective immediately upon receipt where the alleged grounds for termination or cancellation are:

(i) Voluntary abandonment of the franchise relationship by the franchisee;

(ii) The conviction of the franchisee of an offense directly related to the business conducted pursuant to the franchise; or

(iii) Failure to cure a default under the Franchise Agreement which materially impairs the goodwill associated with the Company's trade name, trademark, service mark, logotype or other commercial symbol after the franchisee has received written notice to cure at least twenty-four (24) hours in advance thereof;

B. Terminate or cancel a franchise except for good cause. "Good cause" means failure by the franchisee to substantially comply with the material and reasonable franchise requirements imposed upon him by the Company including, but not limited to:

(i) The bankruptcy or insolvency of the franchisee;

(ii) Assignment for the benefit of creditors or similar disposition of the assets of the franchised business;

(iii) Voluntary abandonment of the franchised business;

(iv) Conviction or a plea of guilty or no contest to a charge of violating any law relating to the franchised business; or

(v) Any act by or conduct of the franchisee which materially impairs the goodwill associated with the Company's trademark, trade name, service mark, logotype or other commercial symbol; or

C. Except for failure to renew a franchise for good cause as defined in Section 2 above, and the franchisee has failed to correct reasons for termination as stated in Section 1 above, no person may fail to renew a franchise unless:

(i) The franchisee has been given written notice of the intention not to renew at least one hundred eighty (180) days in advance of the expiration of the franchise; and

(ii) The franchisee has been given an opportunity to operate the franchise over a sufficient period of time to enable the franchisee to recover the fair market value of the franchise as a growing concern, as determined and measured from the date of

the failure to renew. No Company may refuse to renew a franchise if the refusal is for the purpose of converting the franchisee's business premises to an operation that will be owned by the Company for its own account.

D. Unreasonably withhold consent to an assignment, transfer, or sale of the franchise whenever the franchisee to be substituted meets the present qualifications and standards required of the franchisees of the particular Company.

7. Requirements for you to renew or extend: "Minnesota Rules, 1989, Department of Commerce, Chapter 2860, Section 4400D prohibits a Company from requiring a Franchisee to assent to a release, assignment, novation, or waiver that would relieve any person from liability imposed by Minnesota Statutes 1973 Supplement, section 80C.01 to 80C.22; provided, that this part will not bar the voluntary settlement of disputes."

8. Minn. Rule 2860.4400J. states that it is unfair and inequitable for a franchisor to require a franchisee to waive his rights to any forum provided for by the laws of jurisdiction. Any language found in the Franchise Disclosure Document contrary to this rule is amended so that it does not apply to Minnesota franchisees.

9. Franchisee cannot consent to the Franchisor obtaining injunctive relief. Franchisor may seek injunctive relief.

IN WITNESS WHEREOF, each of the undersigned hereby acknowledges having read this Minnesota-specific Addendum, understands and consents to be bound by all of its terms, and agrees it becomes effective the _____ day of _____, 20____.

WASHINGTON

The state of Washington has a statute, RCW 19.100.180 which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

If Franchisor exercises its option to purchase the following assets of the Franchisee upon a termination or expiration of this Agreement, Franchisor will purchase any of Franchisee's inventory, supplies, equipment, and furnishings purchased from Franchisor, and good will, exclusive of personalized materials which have no value to Franchisor, and inventory, supplies, equipment and furnishings not reasonably required in the conduct of the Franchised Business for their fair market value, provided, that (a) compensation need not be made to Franchisee for good will if: (i) Franchisee has been given one year's notice of nonrenewal and (ii) Franchisor agrees in writing not to enforce any covenant which restrains Franchisee from competing with Franchisor; and, (b) Franchisor may offset against amounts owed to Franchisee any amounts owed by Franchisee to Franchisor.

A release or waiver of rights executed by a franchisee will not include rights under the Washington Franchise Investment Protection Act except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, rights or remedies under the Act such as a right to a jury trial may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
