Vision Source franchisees operate an optometric or ophthalmologic office, in a specific territory. Franchisees diagnose vision and eye health problems, prescribe corrective vision measures such as glasses or contact lenses, and provide all other areas of eye care which optometrists may be permitted by law to perform, including the retail sale of eyewear and optical supplies.

The total investment necessary to begin operation of a Vision Source franchise is \$52,000 to \$224,300 if you open a new office and \$500 to \$35,200 if you convert an existing office. None of this amount is paid to the franchisor or any affiliate.

This disclosure document summarizes certain provisions of your franchise agreement and other information in plain English. Read this disclosure document and all accompanying agreements carefully. You must receive this disclosure document at least 14 calendar days before you sign a binding agreement with, or make any payment to, the franchisor or an affiliate in connection with the proposed franchise sale. **Note, however, that no governmental agency has verified the information contained in this document.**

The terms of your contract will govern your franchise relationship. Don't rely on the disclosure document alone to understand your contract. Read all of your contract carefully. Show your contract and this disclosure document to an advisor, like a lawyer or an accountant.

Buying a franchise is a complex investment. The information in this disclosure document can help you make up your mind. STATE COVER PAGE

Your state may have a franchise law that requires a franchisor to register or file with a state franchise administrator before offering or selling in your state. REGISTRATION OF A FRANCHISE BY A STATE DOES NOT MEAN THAT THE STATE RECOMMENDS THE FRANCHISE OR HAS VERIFIED THE INFORMATION IN THIS DISCLOSURE DOCUMENT.

Call the state franchise administrator listed in Exhibit A for information about the franchisor or about franchising in your state.

MANY FRANCHISE AGREEMENTS DO NOT ALLOW YOU TO RENEW UNCONDITIONALLY AFTER THE INITIAL TERM EXPIRES. YOU MAY HAVE TO SIGN A NEW AGREEMENT WITH DIFFERENT TERMS AND CONDITIONS IN ORDER TO CONTINUE TO OPERATE YOUR BUSINESS. BEFORE YOU BUY, CONSIDER WHAT RIGHTS YOU HAVE TO RENEW YOUR FRANCHISE, IF ANY, AND WHAT TERMS YOU MIGHT HAVE TO ACCEPT IN ORDER TO RENEW.

Please consider the following RISK FACTORS before you buy this franchise:

1. THE FRANCHISE AGREEMENT REQUIRES YOU TO RESOLVE DISPUTES WITH US BY LITIGATION OR ARBITRATION IN HOUSTON, TEXAS. OUT OF STATE LITIGATION OR ARBITRATION MAY FORCE YOU TO ACCEPT A LESS FAVORABLE SETTLEMENT FOR DISPUTES. IT MAY ALSO COST YOU MORE TO SUE OR TO ARBITRATE WITH US IN TEXAS THAN IN YOUR HOME STATE.
2. THERE MAY BE OTHER RISKS CONCERNING THIS FRANCHISE.

See the following page for state effective dates.

Vision Source

We are a Texas limited partnership formed on April 28, 2003. Our principal place of business is at 23824 Highway 59 North, Kingwood, Texas 77339. We have been operating under the “Vision Source” name since our inception, although prior to 2005 we conducted business under the “Vision Team” name within the State of Ohio only. We do not conduct business under any names other than “Vision Source.”

The General Partner of Vision Source L.P. is Vision Source Management L.L.C. (“Vision Source Management”), a Texas limited liability company whose business address is the same as ours.

Vision Source and Vision Source Management are owned by VSH Corporation (“VSH”), a Delaware corporation, whose business address is the same as ours. VSH is owned by EOA Holding Co, Inc. a wholly owned subsidiary of Essilor International (Compagnie Generale d’Optique) S.A., with its principal place of business at 147, rue de Paris 94220 Charenton-le-Pont, France.

The Vision Source, Inc., a Texas corporation, began offering Vision Source franchises in August 1996. We have been the franchisor since a corporate reorganization in May 2003. We have never owned or operated an optometrist or retail optical eye care center. However, three members of the Vision Source management team wholly or partially own and operate independent Eye Care Centers as follows:

Glenn D. Ellisor, O.D. Vision Source - Kingwood 1714 Kingwood Drive Kingwood, Texas 77339	Bobby Christensen, O.D. Vision Source - Mid West 2008 S. Post Road Midwest City, Oklahoma 73130	Bobby Christensen, O.D. Vision Source – Mid-Del 5113A SE 15 th Street Del City, Oklahoma 73115

Vision Source’s Agent for Service of Process

Vision Source’s agent, if any, for service of process in your state is disclosed on the attached Exhibit B to

this disclosure document.

The Vision Source Franchise

We have a distinctive system for (i) facilitating the exchange of information on best practices among independent optometrists and optometric industry experts regarding the management, operation, and promotion of an optometric office; (ii) arranging for pricing concessions and/or discounts from vendors supplying optometric frames, lenses, and other products based on the nationwide buying power of our Network; and (iii) advertising, promotional and marketing programs, including the promotion and sale of prescription and non-prescription eyewear and related products and services. We refer to our distinctive methods, proprietary know-how, and trade secrets related to the Eye Care Centers collectively as the “System.”

If you qualify, we may offer you the opportunity to establish and operate an Eye Care Center and to utilize the System and certain trademarks, service marks, logos and commercial symbols (“Names and Marks”) owned by Vision Source, as further described in Item 13, under the terms of our standard Franchise Agreement. Our current form of Franchise Agreement is in Exhibit E to this disclosure document.

As our franchisee, you must operate your Eye Care Center in a manner that will inform the public that your Eye Care Center is a member of the VISION SOURCE® Network or, if you are not permitted by applicable State laws and regulations to operate under the Vision Source name, as a “Member of the VISION SOURCE® Network.” As our franchisee, you would have the right to select from the benefits and programs available to the Eye Care Centers in the VISION SOURCE® Network.

Associate Memberships

Beginning in 2015, we have implemented an associate membership program (“Associate Membership”) whereby an independently owned and operated optometrist and retail optical office can be established and operated under an Associate Membership agreement as an associate member (“Associate Member”) of the Network and can utilize the System but with some important limitations. The Associate Membership agreement includes a provision that prohibits the Associate Member from use of the Names and Marks in any manner, including but not limited to any inclusion of or reference to the Associate Member’s office on any website or marketing materials that include any of the Names and Marks. In addition, in all dealings with third parties (including, without limitation, employees, suppliers, patients, customers, and government authorities), the Associate Member will identify the Associate Member’s office only with the Associate Member’s own business name. Although we refer to the Associate Membership program at various places in this disclosure document, this disclosure document is intended only for those who would become Vision Source franchisees.

Affiliates of Vision Source

We have affiliates that offer franchises or provide products or services to Vision Source franchisees, as follows:

Vision Source Marketing, Inc. (“Vision Source Marketing”) conducts the cooperative practice development activities for our franchisees, in certain geographic areas, as described in this disclosure document (please see Item 11 for details).

Vision Source Canada L.P. (“Vision Source – Canada”), a Texas limited partnership, is a wholly owned subsidiary of Vision Source. The General Partner of Vision Source – Canada is Vision Source Management. From its inception in March 2006 through September 2013, Vision Source – Canada offered Vision Source franchises in Canada. Effective October 1, 2013, Vision Source – Canada entered into a Trademark License and Services Agreement, and other related agreements, with Vision Source Canada Inc.,

a Canadian federal corporation, for the ongoing Vision Source franchising business in Canada. Vision Source Canada, Inc. is not an affiliate of Vision Source.

Essilor of America, Inc. is an affiliate of Vision Source. Essilor sells eyeglass lenses, lens coatings and related lab services to Vision Source franchisees under the cooperative buying program and to other eye care professionals throughout the United States and other countries around the world.

All of the affiliates named above have the same address as us. Except as specified above, neither we nor our affiliates have offered franchises in any other line of business.

Market and Competition

The market for optometric goods and services is highly competitive and continually evolving in reaction to the changes in health care delivery systems and related state and federal regulations. Your competitors will include other franchised Vision Source offices, Associate Member offices, independent eye care professionals, national and regional optical chains, national retail and wholesale chains that provide optometric products and services, and sometimes mail order suppliers of similar products. You will likely face increased competition from health maintenance organizations, ophthalmologists and opticians.

Industry-Specific Laws or Regulations

The practice of optometry and ophthalmology is highly regulated in all states. If you are an individual, you must be a licensed optometrist or ophthalmologist and the Eye Care Center must be under your direct supervision. If you are a corporate entity or a partnership, you must be wholly owned by one or more licensed optometrist(s) or ophthalmologist(s) and you must designate one individual licensed optometrist or ophthalmologist to retain overall managerial control of the Eye Care Center.

You must comply with all Federal, State and local laws governing the operation of an Eye Care Center and obtain all permits and licenses necessary to operate the Eye Care Center. You should consult with independent legal counsel to determine the laws, rules and regulations to which you will be subjected to if you enter into this franchise.

Footnote No. 1. The term “Gross Receipts” means all amounts received by your Eye Care Center, computed according to generally accepted accounting principles, minus “Allowable Sales Deductions” consisting of sales taxes and other similar taxes collected from patients or customers on the basis of sales transactions, the balance due on patients’ or customers’ unclaimed orders, reimbursements and price adjustments to or from insurance carriers and governmental agencies, cash refunds to patients or customers, money lost on returned checks and credit card service charges.

Under the standard Franchise Agreement, we can charge a Royalty of 3% of Gross Receipts. However, if you sign the Franchise Agreement before we announce an increase to 3%, you will sign an addendum reducing the Royalty to the rate in effect at the time you sign the franchise agreement which, on the effective date of this disclosure document is 2.65% of Gross Receipts. The form of the addendum is in Exhibit E-2 to this disclosure document. Once we announce an increase to 3%, the addendum will not be offered to future franchisees. We will provide at least 30 days’ advance notice of the increase and we anticipate announcing the increase within a year after the date of this disclosure document.

Provided that you timely report your Gross Receipts and pay the Royalty fee due each month, the maximum Royalty due, during each successive 12 month period beginning on the Start Date, is \$48,000 (the “Royalty Cap”). If you are delinquent in reporting your Gross Receipts or paying the Royalty fee due, then the Royalty Cap will not apply for that 12 month period. If you have more than one Eye Care Center, the Royalty Cap will apply to each separate Eye Care Center, not the combined total, and each Eye Care Center

must separately report its Gross Receipts for calculation and payment of the Royalty fee due each month. If you own and operate more than one Eye Care Center, the Royalty Cap for each additional Eye Care Center that you own and operate is reduced to \$12,000.

We allow for a reduced Royalty percentage for franchisees that qualify for certain special programs:

1. New Graduate & Military Program – This program is for optometrists who open their first retail optical center in connection with becoming a franchisee of Vision Source within 1 year of graduation from optometry school or leaving military service. During the initial term of the Franchise Agreement, the Royalty fee for a qualified franchisee is waived for the first 12 months and is reduced by 1.25% for the second 12 months. For the remainder of the initial term, you pay the Royalty fee rate that was in effect when you signed the Franchise Agreement, as described above for the standard program.
2. Cold Start Program – This program is for optometrists who open their first retail optical center in connection with becoming a franchisee of Vision Source but who do not qualify for the New Graduate & Military Program. During the initial term, the Royalty fee is reduced by 1.00% for the first 12 months and is reduced by 0.50% for the second 12 months. For the remainder of the initial term, you pay the Royalty fee rate that was in effect when you signed the Franchise Agreement, as described above for the standard program.
3. Surfacing Lab Program – This program is for franchisees who own a bona fide surfacing laboratory that is in regular operation. A “surfacing laboratory” is defined as a laboratory that is owned by the franchisee, is located within the franchisee’s business premises, and has at least a functioning generator; a cylinder machine; lens grinding laps, pads and polishing solution; alloy blocking or similar blocking for semi finished lenses; tinting and UV system; and an edger. The “bona fide, regular operation” of a surfacing laboratory means a surfacing laboratory that is operated on a regular and consistent basis by the Franchisee, is an integral part of the Franchisee’s overall business operations and maintains an adequate inventory of single vision, clear and photochromatic stock lenses; and semi-finished bifocal and progressive, clear and photochromatic stock lenses. A qualified new franchisee will receive a 1.25% reduction in their Royalty fee for as long as they meet the qualifications of the Surfacing Lab Program. A qualified new franchisee with 5 or more Eye Care Centers will receive a 1.50% reduction in their Royalty fee for as long as they meet the qualifications of the Surfacing Lab Program. The Royalty fee for an existing franchisee who installs a qualified surfacing laboratory will be the lesser of (a) the Royalty fee stated in the existing franchisee’s Franchise Agreement, or (b) the applicable reduction, as stated in this paragraph, from the Royalty fee as described above for the standard program.
4. Multiple Office Program – This program is for franchisees and the franchisee’s owners who have a proportionate ownership interest in more than two Eye Care Centers. A “proportionate ownership interest” means either (a) the franchisee has a direct ownership of more than two Eye Care Centers; or (b) one or more of the franchisee’s owners have an ownership interest in more than two Eye Care Centers and, for each Eye Care Center, the respective ownership interest of each owner is not less than a proportionate interest in relation to any other owners of the Eye Care Centers. A qualified new franchisee who has three or four Eye Care Centers will receive a 0.50% reduction in their Royalty fee as long as they continue to meet the qualifications of the Multiple Office Program. A qualified new franchisee who has five or more Eye Care Centers will receive a 1% reduction in their Royalty fee as long as they continue to meet the qualifications of the Multiple Office Program. The Royalty fee for an existing franchisee who starts or acquires additional Eye

Care Centers will be the lesser of (a) the Royalty fee stated in the existing franchisee's Franchise Agreement, or (b) the applicable reduction, as stated in this paragraph, from the Royalty fee as described above for the standard program.

5. **Affiliated Group Program** – This program is for franchisees and the franchisee's owners who have an affiliation with four or more other eye care centers. An "affiliation" means the owner/doctors of each eye care center belong to a qualified buying group, doctor alliance or doctor network, as we reasonably determine, when the eye care centers join the VISION SOURCE® Network. An existing franchisee can participate in the Affiliated Group Program, however, the existing franchisee must have an affiliation with four or more other new eye care centers and the existing franchisee must sign a renewal franchise agreement with the same Start Date as the other new eye care centers in the affiliated group. Once an affiliated group has joined us, if at any time any of the Eye Care Centers comprising the affiliated group leave the group for any reason and, as a result, there are fewer than five Eye Care Centers remaining in the affiliated group, then the affiliated group will have six months to find a new qualified replacement Eye Care Center to join the affiliated group, in order to retain the reduced Royalty rate provided by the Affiliated Group Program. Multiple Eye Care Centers that share office space and overhead, who sign multiple franchise agreements, will be treated the same as a single Eye Care Center with multiple owner/doctors and will only be counted as one office in determining qualification for the Affiliated Group Program. Eye Care Centers owned by our administrators or business development consultants are not eligible for the Affiliated Group Program. The Royalty fee for each of the qualified new Eye Care Centers comprising the affiliated group is reduced by 1.00% for the initial term of the Franchise Agreement only. The Royalty fee for any renewal term will be up to 2.75% depending on the standard rate that was in effect at the start of the initial term. The Royalty fee for an existing franchisee who is part of an affiliated group will be the lesser of (a) the Royalty fee stated in the existing franchisee's Franchise Agreement, or (b) the applicable reduction, as stated in this paragraph, from the Royalty fee as described above for the standard program.

You should ask us if you qualify for a reduced Royalty percentage under any of the above programs.

If applicable laws do not permit amounts received for optometric or ophthalmologic services to be included in the calculation of Gross Receipts for the purpose of paying the Royalty, then the term "Gross Receipts" will not include receipts from such services; and the Gross Receipts as calculated will instead be multiplied by two (2) to calculate the Royalty.

If, in the future, a legal determination is made by a government authority or by us upon advice of counsel, that the current method of calculating the Royalty does not conform to current law, then we will negotiate with you in good faith an alternative fee arrangement that would conform to the law and provide equivalent economic value to Vision Source. If you and we do not agree within 60 days, we can terminate the Franchise Agreement immediately upon written notice to you. All post-termination obligations of the parties will remain in effect.

Footnote No. 2. If you qualify for the termination of the Franchise Agreement during the 19th month of the initial term (see Franchise Agreement, Section 9.01(ii)), you may be qualified for a refund of a portion of the Royalty fees paid during the first 18 months of the initial term. To qualify, you must satisfy each of the following requirements:

1. We have received your properly completed Notice of Election to Opt Out of Franchise Agreement (see Exhibit D in Franchise Agreement) at least 90 days before

the requested opt out date.

2. You have not been and are not at that time in default, whether cured or not, of the Franchise Agreement or any other agreement between us or our subsidiaries and affiliates and you have timely paid all Royalty fees with the applicable monthly sales report.
3. You have reasonably evaluated the product and service offerings from our elite vendors in the Cooperative Buying Program and, when you have determined they are clinically equivalent, you have reasonably attempted, in our discretion, to incorporate those product and service offerings into your Office.
4. You must have attended at least one Vision Source Exchange conference in its entirety.
5. You must have attended at least 50% of local, regional and/or state franchisee meetings that include your Office Territory.

If you qualify, the portion of the Royalty fees to be refunded to you will be 50% of the total Royalty fees paid to us during the initial 18 months, minus, the total vendor funds received by us and paid to you for the initial 18 months under the Cooperative Buying Program. The qualified Royalty refund will be paid by us to you in a timely manner following our receipt of all information necessary for the proper computation of the Royalty refund. (See Exhibit E-2 to this disclosure document)

Footnote No. 3. If we terminate the Franchise Agreement based on your default or wrongful repudiation of the Franchise Agreement, you must pay us liquidated damages in an amount equal to the accrued Royalties during the immediately preceding 24 full calendar months or the number of months remaining in the term of the Franchise Agreement at the date of termination, whichever is less. If you have been operating the Eye Care Center for less than 24 months, then the amount will be the average monthly Royalty since the Start Date multiplied by 24. Notwithstanding the above formula, liquidated damages will not be less than \$1,000 per month. You must also pay any taxes assessed on the payment of liquidated damages.

All of the fees in this Item are uniformly imposed on new franchisees and Associate Members, except to the extent that the Royalty reduction programs produce variation among franchisees. All of these fees are payable to Vision Source and are non-refundable except as stated in Footnote No. 2.

We may apply your payments to any past due debt you owe us regardless of how you say the payment should be applied. We may deduct past-due amounts owed to Vision Source and our affiliates from any rebates we would otherwise distribute to you under the Cooperative Buying Program (see Item 8). If you do not pay all amounts when due, we may suspend our services and support, including your participation in the Cooperative Buying Program, until you cure the delinquency.

YOUR ESTIMATED INITIAL INVESTMENT – EXISTING OFFICE

Type of Expenditures	Amount	Method of Payment	When Due	To Whom Payment is to be Made
Initial Franchise Fee	None			
Signage	\$500 to \$7,500	As Incurred	Prior to Opening	Suppliers
Initial Inventories (Contact Lenses, Optical Frames & Lenses, Supplies)	\$0 to \$12,000	As Incurred	As Incurred	Vendors
Legal Fees	\$0 to \$1,200	As Incurred	As Incurred	Attorneys

Type of Expenditures	Amount	Method of Payment	When Due	To Whom Payment is to be Made

Additional Funds – 3 Months (Note 3)	\$0 to \$12,000	As Incurred	As Incurred	Vendors & Suppliers
Total (Note 4)	\$500 to \$35,200 (Does not include real estate costs, if any)			

Notes to both Tables:

Note 1: Premises. You must pay for or provide financing for the leasing or purchase of real property and the construction or conversion of a building. Such variables as property cost, location, cost of construction, and local building codes make it difficult to estimate accurately the rental or purchase cost of real property. Vision Source franchises may have 1,200 to 5,000 or more square feet of leased space.

If the property is owned by a third party and leased, the rent for the first month is estimated to be \$1,250 to \$3,000 and the security deposit is usually equal to one months' rent. You may also incur site development and improvement costs (i.e., architectural and engineering fees, blueprint alteration costs, zoning and use costs, license fees, etc.) of up to \$100,000, particularly in a third party build-to-suit arrangement.

Note 2: Insurance. You must carry and maintain in full force and effect, with an acceptable insurer or insurers who include Vision Source as an additional insured, acceptable policy or policies of:

1. Professional errors & omissions insurance with minimum amounts of \$1,000,000 per occurrence and \$2,000,000 annual aggregate. You must obtain the policy from an insurance company with a rating of at least "AXII" by Best & Co. or a comparable rating by a comparable rating agency approved by Vision Source.
2. Product liability insurance with minimum amounts of \$1,000,000 per occurrence and \$2,000,000 annual aggregate.
3. General liability insurance in the minimum amount of \$1,000,000.

Note 3: Additional Funds. The estimated amount is for license fees, salaries, business start-up and other overhead expenses payable during the first 3 months of business operations. Working capital needs will vary depending on numerous factors, and may vary beyond the low-high range in the table.

Note 4: Total. Vision Source relied on its 10 plus years of experience in the franchised optical eye care business to compile these estimates. You should review these figures carefully with a business advisor before deciding to purchase the franchise. Neither Vision Source nor its affiliates, will finance any part of your initial investment.

The above figures may vary and all costs may increase. Except as otherwise stated, all costs are normally payable to a third-party supplier and are usually incurred within 6 months of signing the Franchise Agreement. Except for the leasehold and utility deposits, the above expenditures are nonrefundable. You should review your lease agreement and utility company regulations to determine if any deposits are refundable and under what circumstances.

ITEM 8
RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

We do not have specifications you must follow or designated suppliers or approved suppliers you must use for goods, services or real estate.

We negotiate purchasing arrangements with vendors of optometric frames, lenses, and other products to obtain pricing concessions and/or discounts for Vision Source franchisees based on the nationwide buying power of our Network. We refer to these arrangements as our “Cooperative Buying Program.” You are under no obligation to purchase from our suppliers or to participate in any volume discounts, and we do not warrant or guarantee you will be allowed to participate in all aspects of the Cooperative Buying Program. By participating in the Cooperative Buying Program, you agree that the participating vendors may disclose to us the details of the vendor’s transactions with you and your Eye Care Center. You also agree that all Cooperative Buying Program details and transaction data are subject to the confidentiality provisions in the Franchise Agreement. Since we do not have designated or approved suppliers, none of our officers have an ownership interest in any designated or approved suppliers.

Some suppliers and vendors in our Cooperative Buying Program will pay us revenue based on your purchases if you use them. In our sole discretion, we will (i) pay a portion of that revenue to you and retain the balance as partial reimbursement for our administrative costs in obtaining and maintaining those purchasing arrangements and for handling the payments to the Vision Source franchisees; and/or (ii) use all or a portion of that revenue to defray the cost of local, regional and national meetings of Vision Source franchisees, sponsorship of marketing practice management consultants and seminars, and the Vision Source website. These vendor payments are not guaranteed and we have no way of knowing if vendor payments will be received.

During our fiscal year ending December 31, 2015, we did not derive any revenue from required purchases by franchisees. As noted above, all purchases under our Cooperative Buying Program are voluntary.

ITEM 10 FINANCING

We do not offer direct or indirect financing. We do not guarantee your note, lease or any other financing obligations.

The Franchise Agreement grants us a first priority security interest in the business assets of your franchise. The security interest secures payment of all amounts that you owe to us from time to time under the Franchise Agreement and any other agreements you may have with us. Our security interest in your business assets may impair your ability to obtain financing from other potential lenders. In order to facilitate your efforts to obtain financing, we will agree to subordinate our security interest to the security interest of another lender, but only under certain conditions. Exhibit E-3 to this disclosure document is the form of Franchisor Consent and Subordination Agreement that we offer to sign with you and your lender for this purpose.

ITEM 11 FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, Vision Source is not required to provide you with any assistance.

Pre-opening Assistance. Before you open your Eye Care Center or convert your existing business to an Eye Care Center, we will:

1. Designate your territory. (Franchise Agreement Section 1.04) In certain circumstances we have approved two or more franchisees to operate Eye Care Centers utilizing the System and the Name and Marks within a portion of their designated territories, but only upon the written

consent of all franchisees physically located within that designated territory.

2. Provide information regarding your access to the Cooperative Buying Program. (Franchise Agreement Section 6.01)

Site Selection. If you do not have an existing eye care center, you will select the site for your Eye Care Center. We must approve the site you select. Among the factors we consider in approving sites are the specific location of the proposed site within the Territory, your reputation within the area, and the ability for the specific proposed site to provide the desired services and be equipped to provide patients with the standard of care for that region of the State. We have a reasonable period of time to approve or disapprove of the site you choose for your Eye Care Center. If we cannot agree on a site for your Eye Care Center, we will not sign a Franchise Agreement and you may not operate an Eye Care Center under the System and the Names and Marks. (Franchise Agreement Section 1.04)

Development Time. If you have an existing eye care center, the typical time between signing the Franchise Agreement and the conversion to the Vision Source name and System will vary from immediately to two months. This period can be longer or shorter than two months depending on the remodeling necessary to convert your existing business and your ability to quickly obtain office supplies and signs.

If you do not have an existing eye care center, the typical time between signing the Franchise Agreement and opening your Eye Care Center will vary from two to six months. This period can be longer or shorter depending on the construction work necessary, the financing needs of the business, building permits for the business, compliance with zoning and local ordinances, weather conditions, availability of products, and your ability to quickly obtain office supplies and signs.

In both cases, the Franchise Agreement requires you open for business within 180 days after acceptance of the Franchise Agreement. (Franchise Agreement Section 9.01(vi)(h))

Ongoing Assistance. After you open your Eye Care Center or convert your business to an Eye Care Center, we will:

1. Administer the Cooperative Buying Program. You will be entitled to participate in discounts and rebates on purchases through the Cooperative Buying Program, but any supplier may decide not to sell products or services to any franchisee. We do not guarantee you will be able to participate in all aspects of the Cooperative Buying Program. (Franchise Agreement Section 6.01)
2. Provide individual and/or Network-wide consultation and advice to you in the management and promotion of your Eye Care Center. You may decide, in your sole discretion, whether to follow our advice. We may provide consultation and advice in written materials, by postings on a web site, by telephone, in person at our office or your location, at franchisee meetings, or by any other means we choose. We will also facilitate the exchange of practice development ideas between our franchisees and others whose expertise may benefit the franchisees. (Franchise Agreement Section 6.02).
3. Make available for your use a limited amount of advertising and promotional material and services. These may include video and audiotapes, forms and templates, copy-ready print advertising materials, and miscellaneous point-of-sale items. Artwork may be provided in digital form. You must pay your own reproduction costs if you use this material. (Franchise Agreement Section 6.03)

Advertising. Except as described above, we do not have a central advertising or marketing program for the Network. You do not have to contribute to an advertising fund. We do not have a franchisee advisory council to advise us on advertising. You do not have to participate in a regional advertising cooperative. If

you want to use any advertising or marketing material(s) that will include the Names and Marks, you must submit those materials for review and our approval prior to any use.

Electronic Equipment and Computers. We do not require that you acquire and use any specified electronic cash register equipment or computer system. If you acquire and use an electronic cash register or computer system, we will not have independent access to any information and data on your computer system.

Training. As stated in Item 1 of this disclosure document, the Eye Care Center must be under the supervision and managerial control of a licensed optometrist or ophthalmologist. We do not provide any formal or informal training.

Operations Manual. We do not have an operating manual. Because the Eye Care Center must be under the supervision and managerial control of a licensed optometrist or ophthalmologist, we have not developed a franchisee guide or any other manual(s).

ITEM 12 TERRITORY

Each Franchise Agreement is granted for a specific business address (the “Designated Location”). If you have an existing optometric office, we anticipate that the Designated Location will be the site of your existing optometric office. If you do not have an existing optometric office, you must obtain our approval of your initial location. We will not unreasonably withhold approval.

You must operate the Eye Care Center only at the Designated Location. If you wish to relocate the Eye Care Center, the address of a new Designated Location must be approved by both parties. We will not withhold our consent to relocation within the Territory (as defined below) unless we believe that the proposed new location might have an unreasonably adverse effect on another current or prospective VISION SOURCE® franchisee or damage the goodwill associated with the Names and Marks. Our consent to any such change, whether inside or outside the Territory, may be conditioned upon an amendment to modify the Territory. We will consider allowing relocation outside the original Territory only if: (a) the amended Territory does not extend into another current or prospective franchisee’s Territory (or we obtain the other franchisee’s consent), and (b) amending the Territory would not interfere with any pending grant of a franchise or Associate Membership to another optometrist or ophthalmologist. If you change the location of your Eye Care Center, whether within or outside your Territory, without first obtaining our written consent, we may either (i) consent to the new location of your Eye Care Center and, in our discretion, modify your Territory by written notice to you, or (ii) terminate your Franchise Agreement.

While you will receive the territorial protection described below, you will not receive an “exclusive territory.” You may face competition from other franchisees, from Associate Members, from outlets that we own, or from other channels of distribution or competitive brands that we own.

We will define an area around the Designated Location (the “Territory”) within which we will not establish or franchise others to establish an Eye Care Center under the Names and Marks. Before you execute the Franchise Agreement, you and Vision Source will agree on your Territory, which will be expressed in relation to the centerlines of highways, streets, boundary lines, or some other mutually agreeable method. We do not have a minimum or maximum area we will assign as a Territory; rather, the size of your Territory will depend upon the demographic information for the proposed Territory and also the area within which you would reasonably be expected to draw patients and customers to your Eye Care Center.

Your protection for the Territory is subject to some important limitations:

1. In certain circumstances, we have approved two or more franchisees to operate Eye Care Centers within the same Territory or portion of the same Territory, but only upon the written

consent of all franchisees who will be sharing that designated Territory.

2. If you default under your Franchise Agreement and your default continues after written notice from us and beyond any applicable cure period, and we elect not to terminate your Franchise Agreement, during the remainder of the initial term and any renewal terms, we have the right to (i) establish or franchise other Eye Care Centers in your Territory, and (ii) grant Associate Memberships in your Territory, even if your default is subsequently cured.
3. If your Franchise Agreement expires, we have the right to (i) establish or franchise other Eye Care Centers in your Territory, and (ii) grant Associate Memberships in your Territory, even if we accept a Royalty payment from you after your Franchise Agreement has expired and even if we have not announced the expiration of your Franchise Agreement to the suppliers in the Cooperative Buying Program.
4. We and other franchisees and Associate Members have the right to conduct general advertising, direct and indirect sales, marketing and promotional programs anywhere, including within your Territory, as permitted by state law.
5. During the term of your Franchise Agreement, we may grant Associate Memberships in your Territory but only with your prior written consent.

All Vision Source franchisees and Associate Members have the right to use other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing, to make sales outside his or her territory. Therefore, you may solicit business from any patient or customer, irrespective of the location of the patient or customer, and we or any other franchisee and Associate Member may solicit business from any patient or customer, even if the patient or customer is in your Territory. You do not receive any compensation for the solicitation of patient(s) and customer(s) within your Territory.

For your first franchise with us, You will have a nontransferable option during the initial 5 year term of the Franchise Agreement and any renewal terms to obtain up to 2 additional Eye Care Center franchises, at locations we approve which are outside any available Territory granted to you, under the same terms and conditions for the payment of Royalty Fees as in your first Franchise Agreement. This option may be exercised only if you own 50% or more of the ownership interest in the additional Eye Care Center, you are not in default of your Franchise Agreement. You are not granted any other rights to establish additional Eye Care Centers.

We and our affiliates retain the right to establish franchise networks and grant franchises, under other names and marks, inside or outside the Territory. However, neither we nor our affiliates operate, nor do we have any present plans to operate or franchise or license the operation of, any business selling similar goods or services under different trade names or trademarks.

The continuation of your territorial rights is not dependent upon achievement of any certain sales volume, market penetration or other contingency.

ITEM 13

ITEM 14
PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

We own no patents or pending patent applications material to the franchise. We have not registered any copyrights, but we claim unregistered copyrights in the Franchise Agreement itself and in our sales, marketing, promotional and other materials.

The Franchise Agreement requires you to maintain as confidential, both during and for 3 years after the term of the Franchise Agreement, any confidential information, knowledge, or know-how concerning Vision Source, the System or the operation of the Eye Care Center you or your owners may have learned by the franchise relationship including, but not limited to, the terms and conditions of offers by vendors under the Cooperative Buying Program. You may divulge confidential information only to your employees or agents who must have access to it to operate the Eye Care Center, and those employees and agents must be instructed not to divulge confidential information. See Item 15 below concerning your obligations to obtain confidentiality and non-competition agreements from persons involved in the business.

You must promptly notify us if you learn about any unauthorized use of our copyrighted materials or proprietary information. We have no obligation to take any action in response to this notice. We will take the action we determine to be appropriate. If your Franchise Agreement terminates you must immediately cease use of and return all proprietary information to us.

ITEM 15
OBLIGATION TO PARTICIPATE
IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You, if you are an individual, or all of your owners, if you are a professional entity, must be licensed optometrists or ophthalmologists in good standing. You or one of your owners must exercise personal on-premises supervision over the Eye Care Center.

You will be responsible for all business and management decisions for your optometry practice. We may not interfere with your professional judgment. We may not assert ownership in your optometry practice, patient medical records or medical equipment. You will be fully responsible for all aspects of your optometry practice, including but not limited to the selection of employees, contractors, inventory and medical equipment, coding and billing procedures, decisions regarding patient care or any patient's need for referrals to other health care practitioners, and your hours of practice.

Each individual who has an ownership interest in the franchisee entity must sign a personal guaranty of the company's obligations under the Franchise Agreement. Our current form of personal guaranty is in Exhibit F to this disclosure document.

You must instruct your employees and agents to not divulge any confidential information, knowledge, or know-how concerning the System or the operation of the Eye Care Center. Our current form of Nondisclosure Agreement to Protect Release of Confidential Information is in Exhibit G to this disclosure document.

ITEM 16
RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

Vision Source franchisees must offer primary care optometric services and sell glasses, contacts and other eyewear. As long as your services and products are of high standards and of a style, appearance and quality suited to the protection and enhancement of the Names and Marks, you may sell any lawful services, products or supplies you desire.

ITEM 17

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Vision Source Marketing, Inc.
Notes to Financial Statements
December 31, 2014 and 2013

Note 1: Nature of Operations and Summary of Significant Accounting Policies

Nature of Operations

Vision Source Marketing, Inc., a Texas Corporation (the Company), was formed May 1, 2003, and is owned 100 percent by Vision Source L.P. (the Parent). On April 13, 2011, VSH Corporation, a Delaware Corporation (VSH), acquired 100 percent of the limited partnership interests of the Parent.

The Company is engaged in developing marketing and advertising programs on behalf of the Parent's franchisee marketing groups. Effective January 1, 2013, the Company's franchise agreements were amended and the marketing groups became voluntary.

The Parent provides certain services for accounting, legal and information technology for the Company. There is no overhead allocated or charged by the Parent for these services.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Restricted Cash

Cash received from marketing groups is considered to be restricted, as the individual marketing groups have authority, with the consent of the Parent, to authorize all funds disbursements. Furthermore, all excess funds not expended, as determined by the Parent, are required, per the franchise agreement, to be returned to the marketing groups.

Cash

At December 31, 2014 and 2013, the Company's cash accounts did not exceed federally insured limits.

Accounts and Notes Receivable

Accounts and notes receivable are based upon contracted prices and stated net of the allowance for doubtful accounts. The Company provides an allowance for doubtful accounts, which is based upon a review of outstanding receivables, historical collection information and existing economic conditions. Accounts receivable are due upon receipt and notes receivable are due as stipulated in the underlying agreement. Delinquent receivables are written off based on individual credit evaluation and specific circumstances of the customer.

Vision Source Marketing, Inc.

Notes to Financial Statements

December 31, 2014 and 2013

The Company recorded bad debt expense (recoveries) of \$(39,506) and \$2,837 for the years ended December 31, 2014 and 2013, respectively. As of December 31, 2014 and 2013, the allowance for doubtful accounts receivable was \$15,454 and \$68,192, respectively.

Income Taxes

The Company accounts for income taxes in accordance with income tax accounting guidance (Accounting Standards Codification [ASC] 740, *Income Taxes*). The income tax accounting guidance results in two components of income tax expense: current and deferred. Current income tax expense reflects taxes to be paid or refunded for the current period by applying the provisions of the enacted tax law to the taxable income or excess of deductions over revenues. The Company determines deferred income taxes using the liability (or balance sheet) method. Under this method, the net deferred tax asset or liability is based on the tax effects of the differences between the book and tax bases of assets and liabilities, and enacted changes in tax rates and laws are recognized in the period in which they occur. Deferred income tax expense results from changes in deferred tax assets and liabilities between periods. Deferred tax assets are reduced by a valuation allowance if, based on the weight of evidence available, it is more likely than not that some portion or all of a deferred tax asset will not be realized.

Tax positions are recognized if it is more likely than not, based on the technical merits, that the tax position will be realized or sustained upon examination. The term "more likely than not" means a likelihood of more than 50 percent; the terms examined and, upon examination, also include resolution of the related appeals or litigation processes, if any. A tax position that meets the more-likely-than-not recognition threshold is initially and subsequently measured as the largest amount of tax benefit that has a greater than 50 percent likelihood of being realized upon settlement with a taxing authority that has full knowledge of all relevant information. The determination of whether or not a tax position has met the more-likely-than-not recognition threshold considers the facts, circumstances and information available at the reporting date and is subject to the management's judgment. With a few exceptions, the Company is no longer subject to U.S. Federal, state and local or non-U.S. income tax examinations by tax authorities for years before 2011.

Guarantees

The Company provides a guarantee of performance with its Parent to guarantee the duties and obligations of its Parent under the Parent's franchise agreements.

Revenue Recognition

The Company receives from the Parent's franchisees, who elect, a fee as stipulated in a marketing agreement. The Company utilizes the fees to fund marketing and advertising programs on behalf of the franchise marketing groups. The Company recognizes revenues for such fees once it has incurred a third-party liability to pay for advertising or marketing costs. Excess fees received or

Vision Source Marketing, Inc.

Notes to Financial Statements

December 31, 2014 and 2013

receivable are recorded as deferred revenue and the Company returns excess funds to the marketing groups not expended within the specific period agreed to with the marketing groups. The Company had \$419,304 and \$512,395 in deferred revenue as of December 31, 2014 and 2013, respectively.

Reclassifications

Certain reclassifications have been made to the 2013 financial statements to conform to the 2014 financial statement presentation. These reclassifications had no effect on net earnings.

Note 2: Income Taxes

Since inception, the Company has been a corporation for federal income tax purposes and is subject to both federal and state income taxes. In 2012, the Company applied to the Internal Revenue Service (IRS) for a change in accounting method for amounts collected by the Company from third-party franchisees to pay for marketing and advertising expenses on behalf of the franchisees. This application was approved by the IRS in February 2013 and applies prospectively beginning with tax year 2012. Accordingly, the Company is no longer required to provide for taxes for such marketing and advertising revenues and expenses. However, if there are any revenues and expenses outside of taking in franchisee deposits and paying marketing expenses, these amounts are subject to taxation.

The Company has not recorded an income tax provision for the years ended December 31, 2014 and 2013, as the Company is applying the change in accounting method described above for the years then ended.

This consent agreement with the IRS created a net operating loss of which \$168,902 remains and gave rise to a noncurrent deferred tax asset of \$57,427, which has been recorded in the balance sheets as of December 31, 2014 and 2013. However, the ultimate realization of the deferred tax asset is dependent upon the generation of future taxable income during the available carryforward period of 18 years. A full valuation allowance has been recorded against the deferred tax asset because management does not believe it is more likely than not this deferred tax asset will be fully realized as the Company does not expect to generate taxable income during the carryforward period.

Note 3: Related-party Transactions

VSH owns 100 percent of N2itive Marketing L.L.C., which performed advertising services for the Company prior to 2014. Total related-party advertising costs were \$31,605 for the year ended December 31, 2013. The Company has an outstanding related-party liability of \$20,179 and \$25,938 at December 31, 2014 and 2013, respectively.

Notes to Financial Statements

December 31, 2015 and 2014

Note 1: Nature of Operations and Summary of Significant Accounting Policies

Nature of Operations

Vision Source Marketing, Inc., a Texas Corporation (the Company), was formed May 1, 2003, and is owned 100 percent by Vision Source L.P. (the Parent). On April 13, 2011, VSH Corporation, a Delaware Corporation (VSH), acquired 100 percent of the limited partnership interests of the Parent.

The Company is engaged in developing marketing and advertising programs on behalf of the Parent's franchisee marketing groups who elect to participate.

The Parent provides certain services for accounting, legal and information technology for the Company. There is no overhead allocated or charged by the Parent for these services.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Restricted Cash

Cash received from marketing groups is considered to be restricted, as the individual marketing groups have authority, with the consent of the Parent, to authorize all funds disbursements. Furthermore, all excess funds not expended, as determined by the Parent, are required, per the franchise agreement, to be returned to the marketing groups.

Accounts and Notes Receivable

Accounts and notes receivable are based upon contracted prices and stated net of the allowance for doubtful accounts. The Company provides an allowance for doubtful accounts, which is based upon a review of outstanding receivables, historical collection information and existing economic conditions. Accounts receivable are due upon receipt and notes receivable are due as stipulated in the underlying agreement. Delinquent receivables are written off based on individual credit evaluation and specific circumstances of the customer.

Income Taxes

The Company accounts for income taxes in accordance with income tax accounting guidance (Accounting Standards Codification [ASC] 740, *Income Taxes*). The income tax accounting guidance results in two components of income tax expense: current and deferred. Current income tax expense reflects taxes to be paid or refunded for the current period by applying the provisions of the enacted tax law to the taxable income or excess of deductions over revenues.

Vision Source Marketing, Inc.

Notes to Financial Statements

December 31, 2015 and 2014

The Company determines deferred income taxes using the liability (or balance sheet) method. Under this method, the net deferred tax asset or liability is based on the tax effects of the differences between the book and tax bases of assets and liabilities, and enacted changes in tax rates and laws are recognized in the period in which they occur. Deferred income tax expense results from changes in deferred tax assets and liabilities between periods. Deferred tax assets are reduced by a valuation allowance if, based on the weight of evidence available, it is more likely than not that some portion or all of a deferred tax asset will not be realized.

Tax positions are recognized if it is more likely than not, based on the technical merits, that the tax position will be realized or sustained upon examination. The term "more likely than not" means a likelihood of more than 50 percent; the terms examined and, upon examination, also include resolution of the related appeals or litigation processes, if any. A tax position that meets the more-likely-than-not recognition threshold is initially and subsequently measured as the largest amount of tax benefit that has a greater than 50 percent likelihood of being realized upon settlement with a taxing authority that has full knowledge of all relevant information. The determination of whether or not a tax position has met the more-likely-than-not recognition threshold considers the facts, circumstances and information available at the reporting date and is subject to the management's judgment. With a few exceptions, the Company is no longer subject to U.S. Federal, state and local or non-U.S. income tax examinations by tax authorities for years before 2012.

Guarantees

The Company provides a guarantee of performance with its Parent to guarantee the duties and obligations of its Parent under the Parent's franchise agreements.

Revenue Recognition

The Company receives from the Parent's franchisees, who elect, a fee as stipulated in a marketing agreement. The Company utilizes the fees to fund marketing and advertising programs on behalf of the franchise marketing groups. The Company recognizes revenues for such fees once it has incurred a third-party liability to pay for advertising or marketing costs. Excess fees received or receivable are recorded as deferred revenue and the Company returns excess funds to the marketing groups not expended within the specific period agreed to with the marketing groups.

Note 2: Income Taxes

Since inception, the Company has been a corporation for federal income tax purposes and is subject to both federal and state income taxes. In 2012, the Company applied to the Internal Revenue Service (IRS) for a change in accounting method for amounts collected by the Company from third-party franchisees to pay for marketing and advertising expenses on behalf of the franchisees. This application was approved by the IRS in February 2013 and applies

prospectively beginning with tax year 2012. Accordingly, the Company is no longer required to provide for taxes for such marketing and advertising revenues and expenses. However, if there are any revenues and expenses outside of taking in franchisee deposits and paying marketing expenses, these amounts are subject to taxation.

The Company has not recorded an income tax provision for the years ended December 31, 2015 and 2014, as the Company is applying the change in accounting method described above for the years then ended.

This consent agreement with the IRS created a net operating loss of which \$168,902 remains and gave rise to a noncurrent deferred tax asset of \$57,427, which has been recorded in the balance sheets as of December 31, 2015 and 2014. However, the ultimate realization of the deferred tax asset is dependent upon the generation of future taxable income during the available carryforward period of 17 years. A full valuation allowance has been recorded against the deferred tax asset because management does not believe it is more likely than not this deferred tax asset will be fully realized as the Company does not expect to generate taxable income during the carryforward period.

Note 3: Related-party Transactions

VSH owns 100 percent of N2itive Marketing L.L.C., which performed advertising services for the Company prior to 2014. The Company has an outstanding related-party liability of \$20,179 and \$20,179 at December 31, 2015 and 2014, respectively.

Note 4: Subsequent Events

Subsequent events have been evaluated through the date of the Independent Auditor's Report, which is the date the financial statements were available to be issued.

FRANCHISE AGREEMENT

This Franchise Agreement (“Agreement”) is made and entered into by and between Vision Source L.P. a Texas limited partnership (“Franchisor”), and «Comp Legal Name», (“Franchisee”), a «St of Incorp» «Corp Type», doing business as «DBA Name», whose mailing address is «Comp Mail Address L1», «Comp Mail Address L2», «Comp Mail City», «Comp Mail ST» «Comp Mail Zip», and whose Federal Employer Identification Number is «Tax ID».

RECITALS

A. Franchisor desires to promote the independent practice of optometry through a network of independently owned and operated optometric offices (“Network”).

B. Franchisor, as a result of the expenditure of time, skill, effort and money, has developed a distinctive method (“System”) of facilitating the exchange of information on best practices among independent optometrists and optometric industry experts regarding the management, operation, and promotion of an optometric office, and arranging for pricing concessions and/or discounts from vendors supplying optometric frames, lenses, and other products based on the nationwide buying power of the Network.

C. Franchisor has acquired exclusive rights in various service marks, trademarks, symbols, slogans, emblems, logos indicia, designs, and other distinguishing characteristics that may promote the members of the VISION SOURCE® Network (individually a “Name” and “Mark” and collectively the “Names and Marks”), including, among others, the Mark VISION SOURCE®, added to the principal register of the United States Patent and Trademark Office, registration number 1738869, in international classes 9 and 42 on December 8, 1992, and renewed on June 14, 2013.

D. Franchisee would like to select from the benefits and programs available to the Network as part of the System and to use certain designated Names and Marks to promote Franchisee’s practice as an independently owned and operated practice under the VISION SOURCE® Name, to the extent allowed under State laws and regulations, or if not permitted by State laws and regulations to operate under the VISION SOURCE® Name, to operate as a “Member of the VISION SOURCE® Network.”

E. Franchisee understands and acknowledges the importance of high standards of quality, appearance and service in an optometric office and the necessity of operating Franchisee’s office in a manner which enhances the goodwill associated with the Names and Marks.

NOW, THEREFORE, the parties, in consideration of the above and the mutual covenants and agreements contained in this Agreement, the receipt and sufficiency of which are acknowledged as valuable consideration by the parties to this Agreement, Franchisor and Franchisee mutually agree:

ARTICLE 1. ISSUANCE OF FRANCHISE

1.01 Grant of Franchise. Franchisor grants to Franchisee a franchise to use the specified Names and Marks and to participate in the programs and benefits available to the Network in the management and operation of Franchisee’s independently owned and operated optometric office (“Office”), subject to the terms and conditions of this Agreement, at a single location (“Designated Location”) described in Section 1.04. To the extent allowed by State laws and regulations, Franchisee agrees to operate the Office at the Designated Location under the VISION SOURCE® Name, or if not permitted by State laws and regulations to operate under the VISION SOURCE® Name, to operate as a “Member of the VISION SOURCE® Network,” as provided in Section 5.09.

1.02 Option for Additional Franchised Location(s). If this is Franchisee’s first franchise with

Franchisor, Franchisor grants to Franchisee (or an affiliate of Franchisee controlled and operated by the same Owners as those of Franchisee), a nontransferable option to enter into a franchise agreement for two (2) additional optometric offices, under Franchisor's then current form of franchise agreement, modified to provide that the required royalty will be the same as that specified under this Agreement. This option may be exercised only when Franchisee is not in default of this Agreement or any other agreement between Franchisee and Franchisor or its subsidiaries and affiliates. The additional optometric office(s) may be located inside or outside the Territory granted in this Agreement, subject to Franchisor's prior written approval, and Franchisor's approval of the location(s) will be in the same manner as for a change in the Designated Location, as provided in Section 1.04. For this Agreement, "controlled" means that fifty percent (50%) or more of the beneficial ownership interest in the additional optometric office is the same as that of the Franchisee and "Owner" and "Owners" mean the shareholder(s), member(s), general partner(s), limited partner(s) or anyone else who owns an equity interest in Franchisee.

1.03 Territory. Franchisee expressly agrees this franchise relates solely to one Designated Location within the geographic territory ("Territory") specified in Exhibit A to this Agreement and that granting this franchise is expressly subject to all conditions and limitations in this Agreement. Provided Franchisee is not in default of the terms and conditions of this Agreement after written notice and beyond any applicable cure period in Article 9 and except as otherwise provided in this Agreement, Franchisor will not establish, nor franchise anyone other than Franchisee to establish an optometric office using the System under the Names and Marks in the Territory without the written consent of Franchisee. However, if Franchisee defaults in the terms and conditions in this Agreement and the default continues after written notice from Franchisor and beyond any applicable cure period in Article 9, and Franchisor elects not to terminate this Agreement, then, during the remainder of the Initial Term and any renewal terms, Franchisor will not be prohibited from (i) establishing or franchising other franchisees to establish an optometric office using the System under the Names and Marks in the Territory, and (ii) granting associate memberships in the Territory, even if the default is subsequently cured. Franchisor will not be prohibited from establishing or franchising other franchisees to establish an optometric office using the System under the Names and Marks in the Territory, and granting associate memberships in the Territory, upon the expiration of the Initial Term or any renewal terms, even if Franchisor accepts a Royalty payment from Franchisee after the term of this Agreement has expired and even if Franchisor has not announced the termination of this Agreement to the suppliers in the Cooperative Buying Program described in Section 6.01.

Franchisor retains the right to grant franchises to an affiliate of Franchisor or to others to use the System under the Name and Marks in optometric offices anywhere outside the Territory. Franchisor and its affiliates each retain the right to establish franchise networks and grant franchises, under other names and marks, inside or outside the Territory, and grant associate memberships in the Network outside the Territory and, with the prior written consent of Franchisee, inside the Territory.

Franchisor, other franchisees of the VISION SOURCE® Network and associate members of the Network may conduct general advertising, direct and indirect sales, marketing and promotional programs anywhere within the Territory, as permitted by state law.

1.04 Sole Designated Location; Relocation. The Designated Location will be at: «*Comp Address L1*», «*Comp Address L2*», «*Comp City*», «*Comp County*» County, «*Comp ST*» «*Comp Zip*».

Before Franchisee may change the location of its franchised Office, the address of a new Designated Location must be designated in writing and approved by Franchisor. Franchisor will not withhold its consent to relocation within the Territory unless it believes, in its sole discretion, that the proposed new location might have an unreasonably adverse effect on another current or prospective VISION SOURCE® franchisee or damage the goodwill associated with the Names and Marks.

Franchisor's consent to any change, whether inside or outside the Territory, may be conditioned upon Franchisee entering into an amendment to modify the Territory. Franchisor will consider an amendment to the Territory to allow relocation outside the original Territory only if, in the Franchisor's sole discretion: (a) the amended Territory does not extend into another current or prospective franchisee's Territory or Franchisor obtains the other current or prospective franchisee's prior written consent and (b) amending the Territory would not interfere with any pending grant of a franchise to another optometrist. Any amendment must be signed by Franchisor and Franchisee. If Franchisee changes the location of its franchised Office without obtaining Franchisor's prior written consent, Franchisor may: (i) terminate this Agreement as provided in Article 9 or (ii) modify the Territory by written notice to Franchisee.

ARTICLE 2. RELATIONSHIP BETWEEN FRANCHISOR AND FRANCHISEE

2.01 Independent Entity. Franchisee is an independent contractor, and except as expressly provided for in this Agreement, is solely responsible for the direction and control of the Office and operations. Franchisee may not make any contract, warranty or representation which creates any obligation for Franchisor or its affiliates or which creates an agency (actual or apparent), employment or partnership relationship, or to act for Franchisor or its affiliates. In all dealings with third parties including, without limitation, employees, suppliers, patients and customers, Franchisee will disclose in a manner acceptable to Franchisor that Franchisee is an independent entity operating the Office under a franchise granted by Franchisor. Nothing in this Agreement is intended by the parties to create a fiduciary relationship between them nor to constitute Franchisee as an agent, legal representative, subsidiary, joint venturer, partner, co-owner, tenant, employee or servant of Franchisor for any purpose. Franchisor may act as an agent for Franchisee in certain circumstances, including, but not limited to Franchisor's negotiation of pricing terms of goods and services offered to Franchisee under the Cooperative Buying Program.

2.02 Practice of Optometry. Franchisee and the Owner(s) are responsible for all business and management decisions regarding the Franchisee's Office. Franchisor may not interfere with Franchisee's or any Owner's professional judgment in any manner. Franchisor may not assert any ownership in Franchisee's optometry practice, patient medical records or medical equipment. Franchisee and the Owner(s) will be fully responsible for all aspects of Franchisee's optometry practice, including the selection of employees, contractors, inventory and medical equipment, coding and billing procedures, decisions regarding any patient's need for referral to other health care practitioners, and Franchisee's hours of practice.

ARTICLE 3. TERM AND RENEWAL

3.01 Initial Term. The initial term of this Agreement ("Initial Term") will commence on «*Start Date*» ("Start Date") and, except as otherwise provided in this Agreement, will expire at the end of the sixtieth (60th) full calendar month following the Start Date.

3.02 Renewal Option. Franchisee may renew this franchise for one or more consecutive sixty (60) month terms, unless before the end of the expiring term Franchisor has announced a decision to: (a) stop franchising; or (b) withdraw from doing business in the geographic market in which the Office is located. Franchisor may require Franchisee to satisfy any or all of the following requirements as a condition of continuing the franchise relationship for a renewal term:

3.02.1 No Default. Neither Franchisee nor any Owner or affiliate of Franchisee are in default of any provision of this Agreement or any other agreement between Franchisee or any Owner or affiliate of Franchisee and Franchisor, its subsidiaries and affiliates. Franchisee has not been delinquent in the submission of monthly sales reports or payment of monthly Royalty fees

more than once during any twelve (12) month period during the expiring term. Franchisee and its Owners and affiliates have substantially complied with all terms and conditions of all written agreements with Franchisor during the expiring term of this Agreement.

3.02.2 Payment of All Sums Due. Franchisee and its Owners and affiliates have satisfied all monetary Obligations, as defined in Section 7.09, owed to Franchisor and its parent, subsidiaries and affiliates and have timely met those Obligations throughout the expiring term.

3.02.3 Renewal Application. Franchisee has submitted a renewal application to Franchisor not less than three (3) full calendar months prior to the end of the expiring term.

3.02.4 Signing of Renewal Documents. At Franchisor's sole option, Franchisee will either: (a) sign an extension of this Agreement; or (b) within thirty (30) days after receipt of the new form of franchise agreement from Franchisor, but no sooner than fourteen (14) full calendar days after receipt of the disclosure document and no sooner than seven (7) full calendar days after receipt of the renewal franchise agreement, sign Franchisor's then-current franchise agreement with all supplemental documents in the forms attached to the franchise agreement or disclosure document. If the royalty rate stated in the then-current form of franchise agreement differs from the royalty rate under the expiring agreement, the new franchise agreement will be amended to provide that the original royalty provision remains in effect. Under either clause (a) or clause (b), each of Franchisee's Owners, as defined in Section 1.02 above and listed in Section 16.19 below, will sign the agreements Franchisor requires of Owners at that time.

3.02.5 Signing of Special Release of Claims. Franchisee and each of its Owners will sign a special release of claims, similar to the form of Exhibit C to this Agreement.

3.03 Acceptance of Payment from Holdover Franchisee. Franchisor's acceptance of a Royalty payment from Franchisee after the term of this Agreement has expired does not constitute a waiver of the conditions listed in Section 3.02 nor Franchisor's agreement to a renewal term, even if Franchisor has not announced the expiration of this Agreement to the suppliers in the Cooperative Buying Program.

ARTICLE 4. MONETARY OBLIGATIONS OF FRANCHISEE

Franchisee will make the following payments in immediately accessible funds to Franchisor:

4.01 Royalty. Beginning on the Start Date, and continuing throughout the Initial Term and any renewal term of this Agreement, Franchisee must pay, without demand, to Franchisor a monthly royalty ("Royalty") equal to the lesser of (i) two and three-quarters percent (2.75%) of the Gross Receipts (as defined in this Section) of the Office; or (ii) if applicable, the Monthly Royalty Cap (as defined in this Section). Royalty payments are delinquent if not received in Franchisor's bank lockbox by the forty-fifth (45th) day following the last day of the calendar month for which payment is being made. Franchisee must submit a certified statement of Gross Receipts and Allowable Sales Deductions, in the form Franchisor designates, with each Royalty payment.

The term "Gross Receipts" means all amounts received by the Office, computed according to generally accepted accounting principles, minus "Allowable Sales Deductions" consisting of sales taxes and other similar taxes collected from patients or customers on the amount of sales transactions, the balance due on patients' or customers' unclaimed orders, reimbursements and price adjustments to insurance carriers and governmental agencies, cash refunds to patients or customers, money lost on returned checks and credit card service charges.

The term "Monthly Royalty Cap" means Four Thousand Dollars (\$4,000.00), however, Franchisee will be qualified for the Monthly Royalty Cap only if the following requirements are satisfied:

(a) Franchisee must report the Gross Receipts and Allowable Sales Deductions for the Office stated in this Agreement separate from any other optometric office of the Franchisee.

(b) Franchisee's monthly Gross Receipts and Allowable Sales Deductions report and the related Royalty payment for the Office must not be delinquent.

If Franchisee is delinquent in reporting and/or Royalty payment for any month during a Contract Year, as defined in this Section, then the Monthly Royalty Cap will not apply for the entire Contract Year and Franchisee must pay Royalty for the entire Contract Year based on the percentage of Gross Receipts stated in this Section. The term "Contract Year" means the twelve (12) month period commencing on the Start Date and each subsequent (12) month period during the Initial Term and any renewal term(s).

Provided Franchisee meets the requirements of subparagraphs (a) and (b) of this Section, in every month of the applicable Contract Year, the Royalty payable for the last month of that Contract Year, will be computed as follows:

(i) The total Royalty amount for the Contract Year based on the percentage of Gross Receipts stated in this Section will be computed (the "Annual Royalty Amount").

(ii) If the Annual Royalty Amount is equal to or greater than \$48,000, then the Royalty payable for the last month of that Contract Year will be \$48,000 minus the total Royalty payments by Franchisee for the first eleven (11) months of that Contract Year.

(iii) If the Annual Royalty Amount is less than \$48,000, then the Royalty payable for the last month of that Contract Year will be the Annual Royalty Amount minus the total Royalty payments by Franchisee for the first eleven (11) months of that Contract Year.

If applicable law does not permit amounts received for optometric or ophthalmologic services to be included in the calculation of Gross Receipts to compute and pay the Royalty, then the term "Gross Receipts" will not include receipts from those services; and the Gross Receipts as calculated will be multiplied by two (2) to calculate the Royalty.

If a legal determination is made by a government authority with jurisdiction over this Agreement or by Franchisor, upon advice of counsel, that the current method of calculating the Royalty does not conform to current law, then Franchisor and Franchisee agree to negotiate in good faith an alternative fee arrangement that would conform to the law and provide equivalent economic value to the Franchisor. If the parties do not so agree within sixty (60) days after notice by Franchisor that a new agreement regarding fees is necessary, this Agreement will terminate immediately upon written notice by Franchisor to Franchisee. All post-termination obligations of the parties will remain in effect.

4.02 Late Fees and Interest on Late Payments. Any payment by Franchisee that Franchisor does not receive in the full amount, in Franchisor's bank lockbox, by the end of the 5th day following the date due, will incur a late charge of Twenty-Five Dollars (\$25.00). In addition to the late charge, any payment by Franchisee that Franchisor does not receive in the full amount, in Franchisor's bank lockbox, by the end of the 90th day following the date due, will bear interest at one percent (1%) per month or at the highest rate allowed by law on the date when payment is due, whichever is less, and interest will be charged retroactively to the due date for that payment. The date a payment is deposited in Franchisor's bank lockbox is deemed the date received, provided that any payment Franchisee tenders to Franchisor that is returned or not honored by the institution on which it is drawn will not be considered as having been received. If any payment is returned or not honored by the institution on which it is drawn, the Royalty, late charges and interest due to Franchisor will be based on the date good funds are then deposited to replace the dishonored payment. Franchisee will pay Franchisor \$35.00 for each payment Franchisee tenders to Franchisor that is returned or not honored by the institution on which it is drawn.

Franchisor charges a late charge and interest on late payments to partially compensate itself for loss of use of the funds and for internal administrative costs resulting from late payment that would otherwise be difficult to measure precisely. Franchisor's imposition of these charges is not a waiver of Franchisor's right to be paid on time.

4.03 Application of Payments. Franchisor may apply any payment Franchisee makes to Franchisor, at Franchisor's option, to any past due amounts Franchisee owes Franchisor, including late charges, interest and returned check fees, regardless of how Franchisee indicates the payment should be applied. Franchisor may deduct any past-due amounts owed by Franchisee to Franchisor, or any affiliate or subsidiary of Franchisor, from any rebates Franchisor would otherwise distribute to Franchisee under the Cooperative Buying Program. If Franchisee owes any past due amounts to Franchisor when Franchisor or any affiliate or subsidiary of Franchisor owes any amount to Franchisee, then Franchisor may pay or may cause its affiliate or subsidiary to pay those amounts to Franchisor instead of to Franchisee. Deduction of past-due amounts under the foregoing provision does not constitute a waiver of Franchisor's right to be paid on time.

4.04 Suspension of Services. If Franchisor has given Franchisee notice of a default under this Agreement, Franchisor may suspend any or all of Franchisor's services and support, including Franchisee's participation in all or any part of the Cooperative Buying Program, until Franchisee cures the default. Any suspension of services will not constitute a termination of this Agreement by Franchisor and does not constitute a waiver of Franchisor's right to be paid on time.

ARTICLE 5. OTHER OBLIGATIONS OF FRANCHISEE

In addition to the monetary Obligations of Franchisee in Article 4, Franchisee will discharge the following duties and comply with the following requirements during the term of this Agreement:

5.01 Advertising and Marketing. All advertising and promotion that Franchisee undertakes for the Office must be completely truthful, conform to the highest standard of ethical advertising and comply with any laws and regulations. Franchisee must submit to Franchisor copies of all forms of promotional and advertising materials containing the Names and Marks that Franchisee proposes to use, except materials wholly prepared by Franchisor or its affiliates, at least two weeks before the proof approval deadline. Franchisor will review the materials within a reasonable time and will promptly notify Franchisee whether Franchisor approves or rejects them. Franchisor may not withhold Franchisor's approval unreasonably. Even if Franchisor approves specified materials, Franchisor may later withdraw Franchisor's approval if Franchisor reasonably believes it is necessary to eliminate misleading or unethical features of the advertising or because the Names and Marks have changed. Franchisee is not restricted from advertising or promoting its practice without Franchisor's prior written approval if the advertising contains none of the Names and Marks, but all advertising and promotion must meet the standards stated in the first sentence of this Section.

If Franchisee desires to use any promotional and advertising material(s) wholly developed or prepared by Franchisor or its affiliates, Franchisee may do so without obtaining Franchisor's prior approval, provided that all of Franchisor's instructions pertaining to those promotional and advertising materials are followed.

Franchisee agrees that the promotional and advertising material(s) developed or prepared by Franchisor for promoting the Names and Marks and the members of the Network includes copyrighted material or other types of proprietary information ("Marketing Materials"). Franchisee understands and agrees that all Marketing Materials, in whatever form, and all copies and excerpts, will be the sole property of Franchisor, subject only to the right of Franchisee to use the Marketing Materials during the term of

this Agreement.

5.02 Insurance. Franchisee must obtain and keep in effect the following insurance coverage:

(a) Professional errors and omissions insurance with an insurer and in form and substance reasonably acceptable to Franchisor, in the minimum amounts of \$1,000,000 per occurrence and \$2,000,000 annual aggregate. Franchisee must obtain that policy from an insurance company with a rating of at least "AXII" by Best & Co. or a comparable rating by another rating agency approved by Franchisor.

(b) Product liability insurance with an insurer and in form and substance reasonably acceptable to Franchisor, in the minimum amounts of \$1,000,000 per occurrence and \$2,000,000 annual aggregate.

(c) General liability insurance in the minimum amount of \$1,000,000.

Each of these insurance policies must include a provision that the policy cannot be canceled without thirty (30) days' written notice to Franchisor. It must be issued by an insurance company of recognized responsibility, designate Franchisor as an additional named insured and be satisfactory to Franchisor in form, substance, and coverage. Franchisee must deliver a certificate of the issuing insurance company evidencing each policy to Franchisor upon signing this Agreement and then when the policy is renewed or changed.

5.03 Professional Status and Requirements. Franchisee represents that the Office will offer primary care optometric services and the sale of glasses, contacts and other eyewear. During the term of this Agreement, Franchisee will be an optometrist or ophthalmologist licensed to practice within the state where the Office is located (or a professional corporation or other legal entity owned by licensed optometrist(s) or ophthalmologist(s)). To the extent required by State law and ethical codes, Franchisee or its Owner(s) must supervise the Office.

5.04 Compliance with Laws. Franchisee will operate and conduct the Office in full compliance with all laws, ordinances, rules, regulations, codes and other requirements imposed by Federal, State, County or Municipal governments and other governmental or quasi-governmental or administrative entities. Franchisee will obtain all permits, licenses and other consents necessary for the operation of the Office. Franchisee will promptly provide to Franchisor documentation and further assurances of its compliance with those requirements as Franchisor may reasonably request from time to time. If the State Optometry Board or regulatory agency, or other professional State board or regulatory body, determines that any part of this Franchise Agreement may violate the State's law(s), the Franchisee is not bound by that section of this Franchise Agreement, however, Franchisor may elect to either (i) remove the section from this Franchise Agreement, (ii) modify the section(s) so it will comply with the State's law(s), or (iii) terminate this Franchise Agreement with no liability of Franchisor to Franchisee. Franchisor's election under this Section 5.04 will be by written notice to Franchisee within ninety (90) days of written notice to Franchisor from Franchisee or the government agency that one or more sections may violate State law(s). Franchisee and the guarantors of this Agreement agree to waive and release Franchisor from any and all claims, demands, charges and causes of action, arising out of any section or sections of this Franchise Agreement which may now be or may in the future become in violation of State law(s) or regulations.

5.05 Costs of Construction. Franchisee will bear the entire cost of construction and completion of the premises for the Office, including, without limitation, the cost of labor, financing, utilities, equipment, furniture, furnishings, inventory and supplies.

5.06 Maintenance. Franchisee agrees to keep the Office premises, equipment and furnishings clean and in excellent repair.

5.07 Payment of Indebtedness. Franchisee must pay promptly when due all obligations to suppliers in the Cooperative Buying Program and all taxes and obligations that Franchisee incurs in the operation of its business, including obligations to its landlord.

5.08 Financial Information and Reports. Franchisee will furnish to Franchisor financial information and reports as Franchisor may reasonably request for monitoring compliance by Franchisee with its Obligations under this Agreement. Franchisee will prepare or cause to be prepared those financial information and reports and will deliver the same to Franchisor within fifteen (15) days after receiving a request from Franchisor. The submission of financial information and reports is in addition to Franchisor's right to conduct a review under Article 12 below.

5.09 Use of Names and Marks. Franchisee agrees to use the Names and Marks in a manner that will inform the public that the Office is part of the VISION SOURCE® Network. Franchisee may accomplish this through business procedures like answering the phone, advertising, marketing, promotional or display material, signs, stationary, office forms, and business cards. Franchisee agrees to follow any written guidelines Franchisor provides concerning the Names and Marks, including but not limited to those specified in Section 5.01. If Franchisee is prohibited by State laws and regulations from using the VISION SOURCE® Name and the other Names and Marks at the Office, Franchisee agrees to use the statement "Member of the VISION SOURCE® Network" in place of the Names and Marks, as provided in this Section.

5.10 Practice Outside of Designated Location. Throughout the Initial Term and any renewal term(s), Franchisee and each of the Owners of Franchisee agree they individually or collectively will not operate a separate and distinct optometric office at any location inside or outside of the Territory unless Franchisee or a controlled affiliate of Franchisee has entered into a separate franchise agreement with Franchisor for the separate optometric office to be part of the VISION SOURCE® Network. If the additional optometric office is within a territory assigned to a VISION SOURCE® franchisee, Franchisor may either (i) waive the requirement for that office to join the Network as a franchisee or associate member, or (ii) offer only an associate membership agreement for Franchisee's separate optometric office and the failure of the Franchisee to accept Franchisor's offer will be a breach of this Section. If Franchisor elects to waive the requirement for Franchisee's separate optometric office to join the Network, then Franchisee and/or the Owners of Franchisee may operate that separate optometric office, provided that the separate optometric office name and/or office address will not appear with the Names and Marks nor be in any advertisement(s) containing all or any part of the Names and Marks or on any website, stationary or other business materials used for the Office. Furthermore, Franchisee's separate optometric office will not be a member of the Network and will not participate in whole or part, directly or indirectly, in any benefits available to Franchisee, other franchisees or associate members of the Network, including but not limited to any benefits available to Franchisee under any Cooperative Buying Program. If the VISION SOURCE® franchisee agrees to share the territory for Franchisee's separate optometric office or if the territory for Franchisee's separate optometric office otherwise becomes available thereafter, for assignment to Franchisee's separate optometric office, then Franchisee agrees to enter into a separate franchise agreement (or at Franchisor's option, an associate membership agreement) with Franchisor for Franchisee's separate optometric office to be a part of the Network. Franchisee acknowledges that failure to do so within sixty (60) days after that territory becomes available, or any other breach of this Section, will be adequate reason for Franchisor to terminate this Agreement under Section 9.01(v)(a).

ARTICLE 6. OBLIGATIONS OF FRANCHISOR

6.01 Cooperative Buying Program. Franchisor has established a cooperative buying program ("Cooperative Buying Program") with various suppliers of optometric products and other products and

services used in the Network. The Cooperative Buying Program provides discounts and rebates for certain purchases by Franchisee. Franchisee may participate in discounts and rebates on Franchisee's purchases through the Cooperative Buying Program beginning on the Effective Date. If Franchisee participates in the Cooperative Buying Program, Franchisee authorizes Franchisor to act as a purchasing agent for Franchisee. Vendor programs in the Cooperative Buying Program may be removed or changed and new vendor programs may be added, in the sole discretion of Franchisor. Franchisee agrees that any discounts or rebates will only be available for products and services delivered to and sold at the Office. Franchisee further agrees that any supplier may decide not to sell products or services to any franchisee and that Franchisee's participation in the Cooperative Buying Program is subject to suspension as provided in Section 4.04. Franchisor does not guaranty that Franchisee can participate in all aspects of the Cooperative Buying Program. Although Franchisor does not designate required or approved suppliers or vendors, some of the suppliers or vendors that Franchisor has developed arrangements with may pay Franchisor fees based on Franchisee's purchases in consideration of promotional and administrative services provided to the vendor by Franchisor. To meet the federal health care safe harbor, any fees paid to Franchisor by a participating vendor will not exceed five percent of the purchase price of the goods or services provided by that vendor. By participating in the Cooperative Buying Program, Franchisee consents and agrees that each of the vendors participating in the Cooperative Buying Program may disclose to Franchisor the details of vendor's transactions with Franchisee and Franchisee's Office. Franchisee agrees that all of the details and information relating to the Cooperative Buying Program and all data from Cooperative Buying Program transactions are the confidential and proprietary information of the Franchisor and are provided to the Franchisee subject to the confidentiality provisions of Section 8.06.

6.02 Consultation and Services. Beginning on the Effective Date, Franchisor will provide consultation and advice, individually or on a group basis, to Franchisee in the management and promotion of the Office. Franchisee will decide whether to follow Franchisor's advice in Franchisee's sole discretion. This consultation and advice may be provided, at Franchisor's election, in bulletins, newsletters or other written materials, by postings on a web site, by telephone or personal consultations at the offices of Franchisor or the Designated Location, at monthly, quarterly or annual meetings of members of the Network, or by any other means that current technology makes possible. Franchisor will also facilitate the exchange of practice development ideas between the members of the Network and others whose expertise may benefit the members of the Network.

6.03 Advertising and Promotional Material. Franchisor may provide for Franchisee's use a limited amount of advertising and promotional material and services, which may include video and audiotapes, forms and templates, copy-ready print advertising materials, and miscellaneous point-of-sale items. Any of those materials may be provided in digital form. Franchisee must pay reproduction costs if it uses these materials.

6.04 Administrator. Franchisor, in its sole discretion, may employ the services of an administrator or other third party(ies) to fulfill, for Franchisor, any of the obligations of Franchisor in this Agreement.

ARTICLE 7. TRANSFER OF INTEREST BY FRANCHISEE

7.01 Transfer Prohibited. The rights and duties created by this Agreement are personal to Franchisee. Franchisor has approved Franchisee in reliance on many factors, including, but not limited to, the individual or collective character, skill, aptitude and business and financial capacity of Franchisee and the Owner(s). In granting this franchise, Franchisor requires assurance that the Office will remain an independent, privately owned optometry practice. Franchisee may not pledge, hypothecate, assign, give, sell, convey or otherwise transfer (collectively, "Transfer") all or any part of its interest in this Agreement

or its franchise to use the System and the Names and Marks or its membership in the Network without the prior written consent of Franchisor. The term "Transfer" also includes (i) any sale by any Owner of all or any part of that Owner's ownership interest in Franchisee or the Office, (ii) a sale by Franchisee of substantially all of the assets of the Office, and (iii) any other transaction, whether voluntary or involuntary, if the result of the transaction would be a change in control of Franchisee or in Franchisee's or any Owner's control of the Office. The term "control" means having direct or indirect power to cause direction of the daily management or policies of Franchisee or the Office. Notwithstanding the foregoing, Franchisor will approve of a Transfer to a person or entity who qualifies for a Transfer under Section 7.04 below.

7.02 Notice. Franchisee must give Franchisor written notice of any proposed Transfer at least thirty (30) days before the effective date of the proposed Transfer. The notice must include all details of the proposed terms of Transfer, including but not limited to a complete copy of the documents and information provided by Franchisee and/or the Owner(s) to the proposed transferee and a copy of the documents and information provided by the proposed transferee to Franchisee and/or the Owner(s).

7.03 Right of First Refusal. Franchisor will have the right, in its discretion, to purchase (or name a designee to purchase) the interest that is the subject of the Transfer for the same price and on the same terms in the Transfer notice. If the consideration offered by a third party includes any non-cash consideration, then Franchisor may purchase the interest proposed to be sold for the reasonable equivalent in cash. If the parties cannot agree within a reasonable time on the reasonable equivalent in cash for the non-cash consideration offered by the third party, an independent appraiser will be mutually designated by Franchisor and Franchisee, and the independent appraiser's determination will be binding. If Franchisor and Franchisee cannot mutually agree on an independent appraiser, each party will select one independent appraiser and the two appraisers will then select the independent appraiser who will prepare the appraisal required by this Section and whose determination will be binding. The cost and expense of the independent appraiser will be equally shared by the Franchisor and Franchisee. Franchisor will give written notice of its intent to exercise its right to purchase, within thirty (30) days after it receives the Transfer notice and all other information required by Section 7.02. If Franchisor exercises its right of first refusal, the closing will take place within thirty (30) days unless the parties mutually agree to a later closing date.

7.04 Advance Consent to Certain Transfers. Franchisor consents in advance to and waives its right of first refusal for the following Transfers, provided Franchisee complies with all other provisions relating to a Transfer in this Article 7 and the Transfer fully complies with all statutes, laws and ordinances of the State in which the Office is located:

- (a) if there is more than one Owner, the Transfer is from one or more Owners to one or more of the other Owners; or
- (b) the Transfer is to a licensed optometrist or ophthalmologist who has been an employee of Franchisee for at least three (3) full calendar months, or to an entity wholly owned by a licensed optometrist or ophthalmologist who has been an employee of Franchisee for at least three (3) full calendar months; provided, however, that the number of months that an employee has worked for Franchisee prior to the Start Date will be counted as months worked for Franchisee for this subsection (b); or
- (c) the Transfer is to the spouse of an Owner, to a person of lineal or collateral consanguinity to an Owner, to an entity wholly owned by the spouse of an Owner, or to an entity wholly owned by a person of lineal or collateral consanguinity to an Owner, provided that the transferee is otherwise qualified as a franchisee under this Agreement; or

(d) if there is more than one Owner, the Transfer is by an Owner to another person or entity approved by the non-transferring Owner provided the Transfer is for 50% or less in ownership interest of Franchisee and the Office, and provided further this subsection (d) may be used for only one (1) Transfer; or

(e) if Franchisee is a natural person, the Transfer by Franchisee is to a legal entity in which Franchisee owns and controls a majority interest and in which any other owners of that entity have been approved in writing by Franchisor.

7.05 Reasons for Disapproval. If Franchisor does not notify Franchisee that the Transfer is not approved within thirty (30) days after it receives the Transfer notice from Franchisee and all other information required by Section 7.02, the Transfer will be approved if the other conditions for the Transfer are met. Franchisor may disapprove a Transfer if, in its sole discretion, the proposed transferee is a person or entity which does not meet the Franchisor's then-current qualifications for new VISION SOURCE® franchise applicants or associate membership in the Network.

7.06 Transfer Requirements. If Franchisor approves a proposed Transfer, the requirements for that Transfer are:

(a) At Franchisor's sole option, either signing and delivery by the transferee of (i) Franchisor's then-current form of franchise agreement, which may contain terms and conditions substantially different from those in this Agreement, except regarding the payment of Royalties which will remain the same as in this Agreement, for an initial term equal to the time remaining in the term of this Agreement as of the Transfer or (ii) a written assumption of this Agreement. All applicable supplemental agreements attached to the franchise agreement or disclosure document, including personal guaranties, must be signed by the transferee or its owners, as required by the franchise agreement.

(b) Submittal of a completed franchise application by the proposed transferee and any other information sources requested by Franchisor that show, to Franchisor's sole satisfaction, that the proposed transferee and/or its owners meet all of Franchisor's acceptance criteria for new franchisees, including, without limitation, that the transferee meets Franchisor's managerial and business standards, possesses a good moral character, business reputation, and credit rating, and is not a competitor of Franchisor or the Network.

(c) Signing by Franchisee and all of its Owners of a special release of claims, except claims based on representations made in any disclosure document furnished to Franchisee and non-waivable statutory claims, against Franchisor and Franchisor's Owners, subsidiaries, affiliates, agents and employees in the form of Exhibit C to this Agreement.

(d) Payment of all of Franchisee's Obligations to Franchisor and Franchisor's subsidiaries and affiliates, including, but not limited to, all Royalties based on Gross Receipts through the date when the Transfer takes effect.

(e) Cure of any other defaults under this Agreement and any other agreement(s) between Franchisor or its subsidiaries and affiliates and Franchisee and its affiliates.

If Franchisee does not complete the approved Transfer within ninety (90) days after Franchisor's approval, Franchisee must once again obtain Franchisor's approval of the same or any other proposed Transfer. Any change in the Transfer notice prior to closing will be deemed a new offer, subject to the same right of first refusal by Franchisor or its designee as if it were a new offer.

7.07 Transfer Upon Death, Disability or Mental Incompetency. Transfers upon death, disability or mental incompetency will be subject to the same conditions as any other Transfer. If the

heirs, legatees or personal administrator of any person who held an interest subject to the restrictions of this Article 7 fail to comply with all the requirements of this Article 7, then the executor, administrator, or personal representative of the deceased, disabled or incompetent Franchisee or Owner (provided adequate provision has been made for operation of the Office and the estate of Franchisee or Owner has assumed in writing the deceased, disabled or incompetent individual's obligations under this Agreement) will have six (6) months from receipt of notice of Franchisor's disapproval of the heirs, legatees or personal representative to dispose of the individual's interest in Franchisee or the franchised Office, subject to Section 5.04 and to all terms and conditions for Transfer in this Agreement.

7.08 No Waiver. Franchisor's approval of a Transfer subject to the restrictions of this Article 7 will not constitute a waiver of any claims it may have against the transferor, nor will it be deemed a waiver of Franchisor's right to demand full compliance with the terms of this Agreement by the transferee.

7.09 Security Interest. To secure payment of the "Obligations," as defined below, Franchisee grants Franchisor a security interest in and to all of the personal property of Franchisee, whether now owned or acquired after the Start Date and wherever it is located, including but not limited to the following (the "Collateral"):

- (a) all equipment, furniture, furnishings, fixtures, merchandise, inventory, goods and other tangible personal property;
- (b) all accounts, accounts receivable, other receivables, contract rights, software, chattel paper and general intangibles;
- (c) all instruments, documents of title and investment property;
- (d) all books, records and documents relating to any Collateral; and
- (e) all accessions, additions and improvements to, and all replacements, substitutions and parts for, and all proceeds and products of, the Collateral, including proceeds of insurance.

"Obligations" means (i) all amounts Franchisee owes to Franchisor from time to time under this Agreement (including but not limited to Royalty payments and marketing fees) and under any other agreement between Franchisee and Franchisor and its subsidiaries and affiliates; and (ii) the reasonable costs and expenses that Franchisor incurs to collect or attempt to collect amounts due from Franchisee and to enforce the security interest granted above.

Under the Uniform Commercial Code as from time to time in effect in the State of «Comp ST» and any other applicable law, Franchisee authorizes Franchisor to file or record financing statements regarding the Collateral in a form and in the government offices as Franchisor reasonably determines appropriate to perfect the security interest granted under this Agreement.

Franchisee agrees to execute and deliver to Franchisor any other documents reasonably requested by Franchisor to create, maintain, perfect, or assure the priority of the security interest granted above. Franchisee appoints Franchisor as Franchisee's agent and attorney-in-fact to execute and deliver documents and to take all other actions (to the extent permitted by law) in Franchisee's name and on Franchisee's behalf that Franchisor may deem necessary or advisable to create, maintain, perfect, assure the priority of, or foreclose its security interest in and lien on the Collateral. This appointment is coupled with an interest and is irrevocable as long as any of the Obligations remain outstanding.

If Franchisee defaults in the payment of any of the Obligations beyond any applicable cure period, in addition to all other rights and remedies granted to Franchisor in this Agreement and in any other instrument or agreement securing, evidencing, or relating to the Obligations or any part thereof, Franchisor will have all of the rights and remedies of a secured party under the Uniform Commercial Code as adopted by the State of «Comp ST». Franchisee will be liable for all expenses of retaking, holding, preparing for

sale, or the like, and all attorneys' fees, legal expenses, and all other costs and expenses incurred by Franchisor for the collection of the Obligations and the enforcement of Franchisor's rights regarding the Collateral.

ARTICLE 8. PRESERVATION OF NAMES AND MARKS

8.01 Franchisor's Title. Except for the franchise granted in this Agreement to Franchisee of the right to use the Names and Marks as provided in this Agreement, nothing in this Agreement may be construed as an assignment or grant to the Franchisee of any right, title or interest in or to the Names and Marks. Franchisee expressly acknowledges Franchisor's rights in the Names and Marks and agrees not to contest, directly or indirectly, (i) Franchisor's ownership, title, right, or interest in the Names and Marks; (ii) the validity of this franchise; or (iii) Franchisor's right to register, use, or franchise others to use the Names and Marks.

8.02 Franchisee's Use. Franchisee will use the Marks only for the operation of the Office at the Designated Location during the term of this Agreement.

8.03 Notice of Registration. Franchisee agrees that, in each instance where the Names and Marks or the words "Member of the VISION SOURCE® Network" are used by Franchisee, that use will include the "®" symbol for statutory notice of ownership.

8.04 Quality of Services and Products. Franchisee agrees that the services and products it provides will be of high standards, style, appearance and quality as to be adequate and suited to the protection and enhancement of the Names and Marks and the Network.

8.05 Conflicts with Franchisor. Franchisee and Franchisee's Owners agree they will not apply for any copyright, trademark or patent protection which could affect Franchisor's ownership and/or use of the Names and Marks, nor file any document with any governmental authority or take any action which could affect Franchisor's ownership and/or use of the Names and Marks nor will Franchisee assist anyone else in so doing.

8.06 Confidential Information. Franchisee and Franchisee's Owners acknowledge and agree that all aspects of the System, including but not limited to all of the details and information relating to the Cooperative Buying Program, all data from Cooperative Buying Program transactions and other information, knowledge, or know-how received by Franchisee from access to the System and the Network, as provided in this Agreement, is the confidential and proprietary information ("Confidential Information") of Franchisor. Franchisee and Franchisee's Owners agree that the Confidential Information will be used only for the management and operation of the Office during the term of this Agreement and for no other purpose.

Throughout the term of this Agreement and for three (3) years following the nonrenewal, termination or Transfer of this Agreement or the Office, Franchisee and Franchisee's Owners:

(a) agree that the Confidential Information will not be used for the negotiation of special pricing and/or purchase concessions from any vendor, whether that vendor is participating in the Cooperative Buying Program or not; and

(b) will take reasonable steps to ensure all Confidential Information is kept confidential; provided, however, that during the term of this Agreement, Confidential Information may be disclosed to those Owners and employees of Franchisee who critically need to know that Confidential Information in relation to the management and operation of the Office, on the condition each the Owner or employee is informed by Franchisee of the confidential and proprietary nature of that Confidential Information and of the confidentiality undertakings of this Agreement and agrees to be bound by the terms of this Section.

Franchisee and its Owners will be responsible for any breach of this Section 8.06 by Franchisee's employees or agents. The term "reasonable steps" means the steps that Franchisee and its Owners take to protect its and their own, similar confidential and proprietary information, which will not be less than a reasonable standard of care.

8.07 Unauthorized Use by Third Parties. Franchisee must notify Franchisor immediately in writing if Franchisee learns of any unauthorized use of all or any part of Franchisor's System or the Names and Marks. Franchisee must promptly notify Franchisor in writing of any claim, demand, or suit against Franchisee or against its Owners for their use of the System or the Names and Marks. In any action or proceeding arising from or for that claim, demand, or suit, Franchisor may select legal counsel and may control the proceedings.

8.08 Change in Marks. Franchisor may change the Names and Marks and the specifications for their use upon reasonable notice to Franchisee. Franchisee must promptly conform, at Franchisee's own expense, to those changes.

ARTICLE 9. TERMINATION OF AGREEMENT

9.01 Events Permitting Termination. This Agreement may be terminated prior to the expiration of the Initial Term or any renewal term only in the following manner and for the following reasons:

- (i) Upon the mutual written agreement of Franchisor and Franchisee.
- (ii) In the Initial Term only, by Franchisee effective any day during the nineteenth (19th) full calendar month of the Initial Term; provided Franchisee gives Franchisor written notice, in the form of Exhibit D to this Agreement, that is received by Franchisor at least ninety (90) days before the effective date of that termination. However, if Franchisee fails to pay all amounts due and owing by Franchisee under this Agreement, through the effective date of that termination, including but not limited to all Royalty fees, late fees and interest, or, if Franchisee fails to satisfy the conditions stated in the written notice in the form of Exhibit D to this Agreement, then that termination by Franchisee under this subparagraph will be null and void and this Agreement will continue throughout the remainder of the Initial Term, as otherwise provided in this Agreement.
- (iii) By Franchisee if Franchisor fails to perform any material obligation or to comply with any material requirement imposed on it by this Agreement; provided however, that Franchisee promptly gives Franchisor written notice no later than one (1) year after the occurrence of that default enumerating all alleged deficiencies and Franchisor does not cure the default within sixty (60) days after it receives the notice from Franchisee (failure to give notice will constitute a waiver of that alleged default).
- (iv) By Franchisor if Franchisee fails, refuses, or neglects (a) to pay promptly any amounts owed to Franchisor or its subsidiaries or affiliates when due, and that failure continues for fifteen (15) days after receipt of written notice from Franchisor, or (b) to submit the financial information or other reports required by Franchisor under this Agreement or by any other agreement between Franchisee and any subsidiary or affiliate of Franchisor, or makes any false statements in connection therewith, and that failure continues for fifteen (15) days after receipt of written notice from Franchisor.
- (v) By Franchisor if any of the following events occurs; provided, however, that Franchisor gives Franchisee written notice of that event setting forth the basis and Franchisee does not cure that event within sixty (60) days after it receives notice from Franchisor:

- (a) Franchisee (except as otherwise provided in subsection (iv) of this Section) fails to perform any other obligation or comply with any other requirement imposed on it by this Agreement.
 - (b) Franchisee permits a final judgment exceeding five thousand dollars (\$5,000) to remain unsatisfied and of record for over thirty (30) days after that judgment is rendered and levied against Franchisee.
 - (c) A final judgment is entered in a suit against Franchisee to foreclose any lien or mortgage relating to any indebtedness of Franchisee entered into for the Office.
 - (d) Any loss or suspension of the optometrist's or ophthalmologist's professional license by any person performing services at the Office or the failure of Franchisee to secure and maintain all other licenses, permits and certificates necessary for Franchisee's operation of the Office or as otherwise required by this Agreement.
- (vi) By Franchisor (in Franchisor's sole discretion), upon written notice to Franchisee and with no cure rights, if any of the following events occur:
- (a) Franchisee or any of the Owners, by act or omission, materially and substantially impairs (1) the goodwill associated with the business of Franchisor or its subsidiaries or affiliates or with the Name and Marks; or (2) Franchisor's rights or security interest in the Collateral.
 - (b) Franchisee or any of its Owners has any direct or indirect interest in the ownership or operation of any business confusingly similar to the System or Network or that uses all or any part of the System or the Names and Marks without written authorization from Franchisor.
 - (c) Franchisee commits a default of this Agreement and Franchisor has twice previously given Franchisee written notice of the same type of default within the preceding twelve (12) months, whether or not Franchisee has cured the defaults.
 - (d) Franchisee acts without Franchisor's prior written approval or consent regarding a matter for which this Agreement expressly requires Franchisor's prior written approval or consent.
 - (e) Franchisee or any of its Owners breach the confidentiality provisions stated in Section 8.06.
 - (f) Any proceeding is instituted by or against Franchisee by a court of competent jurisdiction which seeks (i) to adjudicate Franchisee a bankrupt or insolvent, (ii) the liquidation, winding up or reorganization of Franchisee under any law relating to bankruptcy, insolvency or reorganization, or (iii) the entry of an order to appoint a receiver of Franchisee, and the proceeding is not dismissed or stayed within sixty (60) days after its commencement.
 - (g) Franchisee is required, under a final order of any court or governmental agency or department, to cease or materially restrict the operation of the Office due to violating any statute, ordinance, rule or regulation imposed by any governmental entity.
 - (h) Franchisee has not, as of the one hundred eightieth (180th) day after the Start Date, opened the Office or Franchisee closes the Office and the Office remains closed for a period over thirty (30) days.

- (i) Franchisee or any of its Owners assign or attempt to assign any rights or delegate any duties under this Agreement without first obtaining Franchisor's prior written consent to a corresponding assignment of this Agreement or in any other manner not authorized by this Agreement.
- (j) Franchisee or any of its Owners conduct a Transfer, as defined in Article 7, without first obtaining Franchisor's written consent to that Transfer.
- (k) Any administrative, investigative, judicial or other similar action or proceeding is commenced by or with any Federal, State or local optometric or ophthalmologic licensing agency or board empowered to monitor or regulate compliance with the statutes, rules, regulations and codes of professional ethics governing the optometric industry against Franchisee or its licensed optometric or ophthalmologic personnel, and that action or proceeding is not dismissed or stayed within sixty (60) days after its commencement.
- (l) Franchisee or any of its licensed optometric or ophthalmologic personnel is convicted in a court of competent jurisdiction of an offense, substantially related to the Office, punishable by a term of imprisonment over one year; or Franchisee or any of its licensed optometric or ophthalmologic personnel enters a plea of guilty or no contest to a charge it/he/she committed that offense.
- (m) Franchisee or any of its Owners (except as otherwise provided in subsection (iv) of this Section) willfully falsifies any other record or report required to be submitted to Franchisor under this Agreement or any other related Agreement or document.

9.02 Effect on Other Agreements. If Franchisee is in default of its obligations beyond any applicable cure period specified in Section 9.01 and Franchisor terminates this Agreement, Franchisor, at its option, may elect to terminate any other agreement between Franchisor (including Franchisor's subsidiaries and affiliates) and Franchisee relating to: (a) the Office and (b) any one or more other optometric office(s) and/or franchised offices of the Franchisee or subsidiaries or affiliates of Franchisee. Termination will be effective immediately upon receipt of notice by Franchisee, and Franchisee will then be obligated to comply with Article 10 regarding the terminated Office and other optometric office(s).

ARTICLE 10. OCCURRENCES UPON EXPIRATION, NON-RENEWAL OR TERMINATION

On expiration or termination of this Agreement or an approved Transfer of the Office, Franchisee and the Owners of Franchisee will promptly take the following actions:

- (a) immediately and permanently cease using the System and the Names and Marks in all forms of media, including but not limited to websites and all forms of social media, and not use similar or confusingly similar trade names, trademarks, service marks, logotypes or other commercial symbols;
- (b) discontinue representing itself as a franchisee of the System and the Names and Marks and a member of the Network;
- (c) pay all amounts due and owing to Franchisor through the date of expiration, Transfer or termination, including but not limited to its pro rata share of accrued costs of any advertisements or promotional materials developed or placed by Franchisor or its subsidiaries or affiliates for Franchisee prior to the termination, even if it continues after the termination date;
- (d) return all Confidential Information and Marketing Materials in Franchisee's actual or constructive possession received during the term of the Agreement;

(e) cease holding itself out to the public as a present or former franchisee or operator of an eye care establishment under the System and the Names and Marks, as a member of the Network, or in any way associated therewith;

(f) prevent, at Franchisee's expense, the operation of any business at the location of the Office by Franchisee or others in violation of this Article 10, including, without limitation, removal of all distinctive signs and emblems, and changing of telephone directory listings;

(g) if any of the telephone numbers for the Office are listed under the Names and Marks or the Network in any white or yellow page directory or other marketing or advertisements wholly or partially paid for by a local marketing group, Franchisee may continue to use the current telephone numbers for the Office but only if Franchisee continues to timely pay to Franchisor, Franchisee's pro-rata share of those white or yellow page directory or other marketing or advertisement charges;

(h) take action to cancel any assumed names, internet domain names, email addresses or equivalent registration(s) or social media or mobile network identifiers that contain(s) all or any part of the Names and Marks or any variation or any other service mark or trademark of Franchisor, and Franchisee will furnish Franchisor with evidence satisfactory to Franchisor of compliance with this obligation within ten (10) days after termination or expiration of this Agreement or Transfer of this Agreement or the Office;

(i) notify every vendor and/or supplier from whom Franchisee has obtained any purchase discounts and/or price concessions in the Cooperative Buying Program and also every payer under any insurance plan or managed care program in which Franchisee participates as a contracted provider, that Franchisee is no longer a member of the Network; and

(j) if Franchisor terminates this Agreement under subparagraph (iv), (v) or (vi) of Section 9.01, or Franchisee terminates or repudiates this Agreement (except under subparagraph (ii) or (iii) of Section 9.01), Franchisee must pay Franchisor within thirty (30) days following the date of termination, as liquidated damages ("Liquidated Damages"), an amount equal to the accrued Royalties during the immediately preceding twenty-four (24) full calendar months or the number of months remaining in the term of this Agreement at the date of termination, whichever is less. If Franchisee has been operating under this Agreement for less than twenty-four (24) months, then the amount will be the average monthly Royalty since the Start Date multiplied by twenty-four (24). Franchisee will also pay any taxes assessed on the payment. Notwithstanding the above computation, Liquidated Damages will not be less than one thousand dollars (\$1,000.00) per month. Liquidated Damages are paid in place of Franchisor's claim for lost future Royalties under this Agreement. Franchisor's right to receive other amounts due under this Agreement is not affected. If this Agreement is terminated because of either party's material default, the rights described in this Section may not be the injured party's exclusive remedies, but will instead supplement any other equitable or legal remedies available.

ARTICLE 11. INDEMNIFICATION BY FRANCHISEE

Franchisee agrees to indemnify, defend and hold harmless Franchisor, its officers, directors, shareholders, employees, agents, heirs, successors, assigns, and representatives (collectively, "Related Persons") against any and all claims, suits, losses, judgments, damages, and liabilities, including but not limited to malpractice of Franchisee or Franchisee's officers, directors, shareholders, or employees or the negligence of Franchisee, Franchisor, or Related Persons, including the cost of any investigation, legal, and other expenses in connection with and any amount paid in settlement of any claim, action, suit, or proceeding (collectively called "Claims") to which

Franchisor or the Related Persons may become subject, but only if those Claims:

- (a) arise out of or are based upon any facts and circumstances relating, directly or indirectly, to Franchisee's operations and business activities, or**
- (b) arise out of or are in connection with:**
 - (i) any allegedly unauthorized use by Franchisee of the System or the Names and Marks;**
 - (ii) allegedly defective products;**
 - (iii) alleged professional errors or omissions of Franchisee or Franchisee's officers, directors, shareholders, employees, agents or contractors; or**
 - (iv) any breach of this Agreement by Franchisee.**

This right to indemnification is in addition to any other rights or remedies available to Franchisor, including the right to sue Franchisee for a misrepresentation, breach of warranty, or breach of covenant under this Agreement. If Franchisor is made a party to a legal proceeding in connection with Franchisee's acts or omissions, Franchisor may hire counsel to protect Franchisor's interests and bill Franchisee for all expenses and fees Franchisor incurs. Franchisee must promptly reimburse Franchisor for those expenses and fees.

ARTICLE 12. FINANCIAL REVIEW RIGHTS

In addition to its right to request financial information under Section 5.08 above, Franchisor may review Franchisee's books and records, including Franchisee's tax returns and financial data stored on Franchisee's business computer system, during normal working hours, to ensure Franchisee's compliance with its Obligations under this Agreement. Franchisee must take all commercially reasonable steps to exclude from the review process information considered "protected health information" under the Health Insurance Portability and Accountability Act. If Franchisor determines it is not commercially reasonable for Franchisee to exclude the protected health information, Franchisor and/or its reviewer must sign and deliver business associate agreement(s), as required by law, before conducting the review. Any review will be at Franchisor's sole cost and expense, unless the results of the review show that, during the review period, Franchisee understated its Gross Receipts by more than the lesser of thirty thousand dollars (\$30,000) or five percent (5%) of its actual Gross Receipts as revealed by the review, in which case Franchisee will, in addition to paying all delinquent Royalty fees, including interest, reimburse Franchisor for all of the costs and expenses of the review. If Franchisee fails to provide Franchisor with the requested financial information by the due date specified by Franchisor, Franchisor may send a person to the Office, during normal business hours, to inspect, review and photocopy the requested financial information and Franchisee will, in addition to paying all delinquent Royalty fees, including interest, reimburse Franchisor for all of the costs and expenses of the review. If Franchisee contests the findings by Franchisor in its review, Franchisee will hire, at Franchisee's sole cost and expense, an independent, certified public accountant acceptable to Franchisor to review Franchisee's books and records, and Franchisor agrees to be bound by that review. Franchisor further agrees that any certified public accounting firm of nationally recognized standing will be acceptable to it.

ARTICLE 13. DISPUTE RESOLUTION

13.01 Negotiation and Mediation.

13.01.1 Agreement to Use Procedures. Franchisor, Franchisee and the Owners and guarantors of the Franchisee have reached this Agreement in good faith and in the belief it is mutually advantageous to them. In the same spirit of cooperation, they pledge to resolve any

dispute without litigation or arbitration. They agree that, if any dispute arises between them, before beginning any legal action or arbitration to interpret or enforce this Agreement, they will first attempt to negotiate a settlement and, if either party files a mediation proceeding, they agree to participate in the mediation. Good faith participation in these procedures to the greatest extent reasonably possible is a precondition to maintaining any legal action or arbitration to interpret or enforce this Agreement.

13.01.2 Initiation of Procedures. The party that initiates these procedures (“Initiating Party”) must give written notice to the other party, describing the dispute, specifying the Initiating Party’s claim for relief, and identifying one or more people with authority to settle the dispute for him, her, or it. The party receiving the notice (“Responding Party”) has ten (10) days within which to designate by written notice to the Initiating Party one or more people with authority to settle the dispute on the Responding Party’s behalf. These people are called the “Authorized People.”

13.01.3 Direct Negotiations. The Authorized People may investigate the dispute as they consider appropriate, but agree to meet in person, by prearranged teleconference, or by video conference within fourteen (14) days from the Initiating Party’s written notice to discuss resolution of the dispute. The Authorized People may meet at any times and places and as often as they agree. Each party will pay its own costs for these negotiations.

13.01.4 Mediation. If the dispute has not been resolved within thirty (30) days after the initial meeting, either party may, at its option, begin mediation procedures. Mediation will be conducted by and under the mediation rules of the American Arbitration Association (“AAA”) in Harris County, Texas. Franchisor will pay the mediator’s fee for the first four (4) hours of mediation. After that, the parties will equally share the costs of mediation, other than their own attorney fees.

13.02 Arbitration. Any dispute relating to this Agreement or the relationship between Franchisor and Franchisee and the Owners, if not settled by negotiation or mediation, must be determined by arbitration under the rules for commercial arbitration of the AAA, as varied by the express provisions of this Agreement. Any issue regarding arbitrability of a claim or the enforcement of this Article will be governed by the Federal Arbitration Act and the federal common law of arbitration. Franchisor and Franchisee will designate their selection of a single neutral arbitrator, from among those suggested arbitrators identified by the AAA. If the parties have not submitted their selection of arbitrators in order of preference from among the list provided by the AAA, timely within the period designated by the AAA, the arbitrator will be appointed by the AAA. Unless otherwise agreed by the parties, all arbitration proceedings will be held in Harris County, Texas. The parties waive all objections to personal jurisdiction and venue to carry out this Article. Discovery will be to the extent permitted by the designated arbitrator. If proper notice of any hearing has been given, the arbitrator will have full power to take evidence or to perform any other acts to arbitrate the matter absent any party who fails to appear and may, if appropriate, decide the matter on documents only. The parties to this Agreement waive the making of a record, written or recorded, of any and all arbitration proceedings. An arbitration proceeding under this Agreement will be conducted on an individual (not a class-wide) basis and may not be consolidated with any other arbitration proceedings to which Franchisor is a party. The arbitrator will base his or her decision and award on the terms and conditions of this Agreement and the law, common and statutory, governing this Agreement. The award may include money damages, specific performance and injunctive relief, and legal fees and costs under this Agreement; however, the arbitrator is not empowered to award punitive, consequential or exemplary damages. Each party irrevocably waives and relinquishes any right to recover punitive, consequential or exemplary damages regarding any dispute submitted to arbitration. The

arbitrator will issue a written, reasoned decision containing findings of fact and conclusions of law and explaining the manner in which any awarded damages are calculated. The arbitrator will not have authority to extend, modify or suspend any of the terms of this Agreement. A request for arbitration will not operate to stay, postpone or rescind the effectiveness of a demand for performance or a notice of termination or of non-renewal of this Agreement. The arbitrator may award interest from the date of any damages for breach or other violation of this Agreement, until paid in full, at a rate to be fixed by the arbitrator, but in no event less than 12% per annum or the maximum rate permitted by law, whichever is less. The decision and award of the arbitrator will be conclusive and binding upon all parties to the arbitration. Judgment upon any award(s) rendered by the arbitrator may be entered in any court having jurisdiction. Each party waives any objection it may have to venue in those courts, waives any claim the proceedings have been brought in an inconvenient forum, and waives the right to assert that the court does not have jurisdiction over the party. If the award is upheld by a court of competent jurisdiction in a proceeding by either party to enforce the award or to challenge the award, the party challenging the award or resisting its enforcement must pay, to the extent permitted by law, all reasonable costs, legal fees, and expenses incurred by the party defending the award or seeking its enforcement, with interest on the award from its issuance as determined by the court.

Notwithstanding the foregoing:

(a) Nothing in this Agreement will be deemed to bar Franchisor or Franchisee from seeking declaratory relief or preliminary and permanent injunctive relief in court regarding: (i) the ownership, validity, use, misuse or infringement of the Names and Marks or other intellectual property of Franchisor; (ii) actual or threatened disclosure or misuse of Confidential Information or trade secrets; or (iii) enforcement of Franchisee's post-termination obligations in Article 10.

(b) Nothing in this Agreement precludes Franchisor or Franchisee from bringing collection proceedings before the courts of any competent jurisdiction if a party is over sixty (60) days late in paying any sums due under this Agreement or any other agreement between Franchisee and Franchisor or its subsidiaries or affiliates.

(c) Franchisor, Franchisee and the guarantors consent to personal and subject matter jurisdiction and venue in the State and/or Federal Court having power and authority within or including Harris or Montgomery County, Texas. Nothing will be deemed to bar either Franchisor's or Franchisee's right to seek preliminary injunctive relief in the State and/or Federal Court having power and authority within or including Harris or Montgomery County, Texas against conduct or threatened conduct that will cause it loss or damage, pending arbitration of a covered dispute under this Section.

ARTICLE 15. ACKNOWLEDGMENTS

15.01 Independent Investigation. Franchisee acknowledges that Franchisee has conducted an independent investigation of the business franchised by this Agreement, and recognizes that the business venture contemplated by this Agreement involves business risks and its success will be dependent, in a significant part, upon the individual ability of Franchisee and/or its Owners. Franchisor expressly disclaims making, and Franchisee acknowledges that no claims of success have been made to it prior to signing this Agreement and that Franchisee has not received, any warranty or guarantee, express or implied, on the potential volume or profits of the business venture contemplated by this Agreement or on the suitability of the Designated Location for the Office; provided, however, that nothing in this or any related agreement disclaims the written representations Franchisor made in the Franchise Disclosure Document that Franchisor delivered to Franchisee. Franchisee acknowledges that Franchisor's approval of Franchisee's Designated Location and/or the Office does not constitute recommendation or endorsement of the location of the Office, nor any assurance by Franchisor that the operation of an eye care center at the Designated Location will be successful or profitable.

15.02 Receipt of Documents. Franchisee acknowledges that Franchisor or its agent has provided

Franchisee with a Franchise Disclosure Document not later than the earlier of fourteen (14) calendar days before the execution of this Agreement, or fourteen (14) calendar days before any payment of any consideration to Franchisor for this sale of a franchise. Franchisee further acknowledges that Franchisee has read that Franchise Disclosure Document and understands its contents. Franchisee further acknowledges that Franchisor has provided Franchisee with a copy of this Agreement and all related documents containing all material terms, at least seven (7) calendar days prior to Franchisee's execution of this Agreement.

Franchisee acknowledges it has had ample opportunity to consult with its own attorneys, accountants and other advisors and that the attorneys for Franchisor have not advised or represented Franchisee regarding this Agreement or the relationship created. Franchisee, together with its advisers, has sufficient knowledge and experience in financial and business matters to make an informed investment decision regarding the franchise.

15.03 Organization of Franchisee. If Franchisee is a corporation or any other authorized legal entity, Franchisee represents, warrants and covenants that:

- (a) Franchisee is duly organized and validly existing under the laws of the State of its formation.
- (b) Franchisee is duly qualified and authorized to do business in each jurisdiction in which its business activities, or the nature of properties owned by it, may require qualification.
- (c) Franchisee's corporate charter, written partnership agreement or other organizational documents provide that the activities of Franchisee are confined exclusively to the operation of the Office under the System, unless otherwise consented to in writing by Franchisor.
- (d) The signing and delivery of this Agreement and the transactions contemplated by it are within Franchisee's lawful power.

15.04 Other Acknowledgments. Franchisee does not know of any representations by Franchisor or its officers, directors, shareholders, employees, agents or servants, about the business contemplated by this Agreement that are contrary to this Agreement or the Franchise Disclosure Document. Franchisee represents, as an inducement to Franchisor's entry into this Agreement, that neither Franchisee nor any of the Owners have made any misrepresentations in obtaining this Agreement.

Franchisee knows that other present or future franchisees of Franchisor may join and operate under different agreement(s), and consequently that Franchisor's obligations and rights regarding its various franchisees may differ materially in certain circumstances.

ARTICLE 16. GENERAL PROVISIONS

16.01 Definition of "Franchisee". Unless otherwise specified, the term "Franchisee" as used in this Agreement will include the individual signatories to this Agreement; or, if Franchisee is an entity, those other persons whose names and signatures appear below and who by their execution of this Agreement agree to be personally and individually bound by all the terms by this Agreement.

16.02 Entire and Only Agreement. This Agreement, all exhibits to this Agreement and all ancillary agreements executed contemporaneously with this Agreement constitute the entire agreement between the parties referring to the matter of this Agreement and supersede all prior negotiations, understandings, representations, and agreements; provided, however, that nothing in this or any related agreement disclaims the written representations Franchisor made in the Franchise Disclosure Document that Franchisor delivered to Franchisee. Franchisee acknowledges Franchisee is entering into this Agreement, and all ancillary agreements executed contemporaneously with this Agreement, because of

Franchisee's own independent investigation of the System and the Network and not because of any representations about Franchisor, the System or the Network made by Franchisor's shareholders, officers, directors, employees, agents, representatives, independent contractors or franchisees contrary to the terms in this Agreement or of any prospectus, disclosure document or other similar document required or permitted to be given to Franchisee under applicable law.

16.03 Amendments. No alterations, modifications, amendments or changes in this Agreement will be effective or binding upon any party hereto, unless the same are in writing and executed by an authorized representative of both Franchisor and Franchisee.

16.04 Governing Law. This Agreement will be governed by and interpreted under the laws of the State where the Office is located, except that: (a) the arbitration clause will be exclusively governed by and construed according to the Federal Arbitration Act, and (b) trademark rights will be governed by and construed according to the Lanham Act.

16.05 Remedies Nonexclusive. No right or remedy conferred upon or reserved to Franchisor or Franchisee by this Agreement is, nor deemed to be, exclusive of any other right or remedy under this Agreement or by law or equity provided or permitted, but each will be cumulative of every other right or remedy.

16.06 Equitable Remedies. Nothing in this Agreement will bar either party's right to obtain injunctive relief against any conduct or threatened conduct that causes or will cause it loss or damages, under the usual equity rules, including the rules for obtaining restraining orders and preliminary injunctions.

16.07 Severability. Except as provided to the contrary, each section, part term and/or provision will be severable; and if any section, part, term or provision is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation by a court or agency having valid jurisdiction, will not impair the operation of, or have any other effect upon, other sections, parts, terms and/or provisions of this Agreement as may remain otherwise intelligible, and the latter will continue to be given full force and effect and bind the parties hereto; and except for Franchisor's election rights under Section 5.04, the invalid sections, parts, terms and/or provisions will be deemed not to be a part of this Agreement.

16.08 Approvals in Writing. Whenever this Agreement requires the prior approval or consent of Franchisor, Franchisee will make a timely written request to Franchisor for approval or consent, and that approval or consent will be obtained in writing. Franchisor agrees to respond in a timely fashion whenever Franchisee makes a timely written request for Franchisor's prior approval or consent. Approvals given by Franchisor in this Agreement will not constitute a waiver of Franchisor's rights or Franchisee's duties under any provision.

16.09 No Warranties by Franchisor. Except as otherwise provided in any written agreement between Franchisor and Franchisee, Franchisor makes no warranties or guarantees upon which Franchisee may rely. Franchisor assumes no liability or obligation to Franchisee by providing any waiver, approval, consent, suggestion or consultation to or with Franchisee for this Agreement, or by any delay or denial of any request for such waiver, approval, consent suggestion or consultation.

16.10 No Waiver. No failure of a party to exercise any power reserved to it by this Agreement, or to insist upon strict compliance by the other party with any obligation or condition, and no custom or practice of the parties at variance with the terms, will constitute a waiver of that party's right to demand exact compliance with this Agreement. Waiver by a party of any default by the other party will not affect or impair that party's right regarding any subsequent default of the same, similar, or different nature; nor will any delay, forbearance, or omission of a party to exercise any power or right arising out of any breach

or default by the other party of the terms, provisions, or covenants of this Agreement, affect or impair that party's right to exercise the same.

16.11 Waiver of Consumer Rights and Remedies. To the extent permitted by law, Franchisee expressly waives every one of its rights and remedies arising under the Deceptive Trade Practices-Consumer Protection Act, Section 17.41 et seq., Texas Business and Commerce Code (other than Section 17.555), a law that gives consumers special rights and protections. After consultation with an attorney of Franchisee's own selection, Franchisee does voluntarily consent to this waiver. Franchisee represents and warrants it has knowledge and experience in financial and business matters that enables it to evaluate the merits and risks of the transactions contemplated by this Agreement and that it is not in a significant disparate bargaining position vis-à-vis Franchisor at the time of entering into this Agreement.

16.12 Attorney's Fees. If it becomes necessary for either party to institute proceedings to enforce this Agreement, the non-prevailing party will be responsible for reasonable attorneys' fees and other costs incurred by the prevailing party for that proceeding. If a party prevails in part, then the attorney's fees will be prorated between the parties by the court as the court deems equitable.

16.13 Survival. The provisions of this Agreement as they relate to matters, events, or conditions occurring or existing prior to the expiration, termination, non-renewal or Transfer of this Agreement will survive the expiration, termination, non-renewal or Transfer of this Agreement. Further, Article 8 (Preservation of Names and Marks), Article 10 (Occurrences on Expiration, Non-Renewal or Termination), Article 11 (Indemnification by Franchisee), Article 12 (Financial Review Rights), Article 13 (Dispute Resolution), and Section 16.12 (Attorney Fees) will survive the expiration, termination, non-renewal or Transfer of this Agreement.

16.14 No Third Party Beneficiaries. Notwithstanding anything to the contrary, nothing in this Agreement is intended, nor will be deemed, to confer upon any person or legal entity other than Franchisor or Franchisee and their respective successors and assigns as contemplated by Article 7, any rights or remedies under or by this Agreement.

16.15 Assignment by Franchisor. Franchisor may assign this Agreement or any rights or obligations created by it without Franchisee's consent upon the following conditions: (a) Franchisor reasonably believes that the assignee can perform Franchisor's obligations under this Agreement and (b) the assignee expressly agrees in writing to assume Franchisor's obligations under this Agreement.

16.16 Time is of the Essence. Time is of the essence in all matters relating to every provision of this Agreement.

16.17 Gender and Number. Any reference in this Agreement to the masculine, feminine or neuter gender includes the other two genders, and any reference to the singular or plural number includes the other number.

16.18 Captions. The Captions in this Agreement are for reference only and will not affect the meaning, interpretation or scope of this Agreement.

16.19 Guaranty. Franchisee and all Owners must approve this Agreement and sign separately written guaranties of Franchisee's payments and performance in the form of Exhibit B to this Agreement. Franchisee represents and warrants that all of the Owners of Franchisee on the Effective Date are shown below and that Franchisee and the Owners will notify Franchisor, as provided in Article 7, of any proposed change in the Owners of Franchisee after the Effective Date.

16.20 Electronic Signing and Delivery. Whenever the written consent of any party to this agreement is required by this Agreement, any written consent or signature page signed and transmitted by facsimile machine or scanned and transmitted in PDF format by email is treated as an original document. The signature of any party on a faxed or scanned and emailed document is considered as an original signature, and the document transmitted is considered to have the same binding effect as an original signature on an original document. No party to this Agreement may challenge the authenticity of any document signed and delivered in compliance with this Section solely on the basis of the method by which a document has been transmitted.

IN WITNESS WHEREOF, the parties to this Agreement have signed this document on the dates below their signatures, in multiple counterparts, each of which will be an original for all purposes. The term of this Agreement and the period on which Royalties are assessed will begin on the Start Date specified in Section 3.01. If it has been signed and delivered by Franchisee, this Agreement will become legally binding on the date below the signature of Franchisor's signatory (the "Effective Date").

EXHIBIT E-2

ADDENDUM TO FRANCHISE AGREEMENT FOR MINNESOTA FRANCHISES

This Addendum relates to franchises sold in Minnesota and is intended to comply with Minnesota statutes and regulations. Under Section 16.03 of the Franchise Agreement with a Start Date of the _____ day of _____, 20__, between _____ (“Franchisee”), of _____, and Vision Source L.P. (“Franchisor”), of 23824 Highway 59 North, Kingwood, Texas 77339, (“Franchise Agreement”), the following provisions of the Franchise Agreement are changed as follows:

1. Section 4.01 of the Franchise Agreement is changed to read in its entirety as follows:

4.01 Royalty. Beginning on the Start Date, and continuing throughout the Initial Term and any renewal term of this Agreement, Franchisee must pay, without demand, to Franchisor a monthly royalty (“Royalty”) equal to the lesser of (i) two and sixty-five hundredths percent (2.65%) of the Gross Receipts (as defined in this Section) of the Office; or (ii) if applicable, the Monthly Royalty Cap (as defined in this Section). Royalty payments are delinquent if not received in Franchisor’s bank lockbox by the forty-fifth (45th) day following the last day of the calendar month for which payment is being made. Franchisee must submit a certified statement of Gross Receipts and Allowable Sales Deductions, in the form Franchisor designates, with each Royalty payment.

The term “Gross Receipts” means all amounts received by the Office, computed according to generally accepted accounting principles, minus “Allowable Sales Deductions” consisting of sales taxes and other similar taxes collected from patients or customers on the amount of sales transactions, the balance due on patients’ or customers’ unclaimed orders, reimbursements and price adjustments to insurance carriers and governmental agencies, cash refunds to patients or customers, money lost on returned checks and credit card service charges.

The term “Monthly Royalty Cap” means Four Thousand Dollars (\$4,000.00), however, Franchisee will be qualified for the Monthly Royalty Cap only if the following requirements are satisfied:

- (a) Franchisee must report the Gross Receipts and Allowable Sales Deductions for the Office stated in this Agreement separate from any other optometric office of the Franchisee.
- (b) Franchisee’s monthly Gross Receipts and Allowable Sales Deductions report and the related Royalty payment for the Office must not be delinquent,

If Franchisee is delinquent in reporting and/or Royalty payment for any month during a Contract Year, as defined in this Section, then the Monthly Royalty Cap will not apply for the entire Contract Year and Franchisee must pay Royalty for the entire Contract Year based on the percentage of Gross Receipts stated in this Section. The term “Contract Year” means the twelve (12) month period commencing on the Start Date and each subsequent (12) month period during the Initial Term and any renewal term(s).

Provided Franchisee meets the requirements of subparagraphs (a) and (b) of this Section, in every month of the applicable Contract Year, then the Royalty payable for the last month of that Contract Year, will be computed as follows:

- (i) The total Royalty amount for the Contract Year based on the percentage of Gross Receipts stated in this Section will be computed (the “Annual Royalty Amount.”
- (ii) If the Annual Royalty Amount is equal to or greater than \$48,000, then the Royalty payable for the last month of that Contract Year will be \$48,000 minus the total

Royalty payments by Franchisee for the first eleven (11) months of that Contract Year.

- (iii) If the Annual Royalty Amount is less than \$48,000, then the Royalty payable for the last month of that Contract Year will be the Annual Royalty Amount minus the total Royalty payments by Franchisee for the first eleven (11) months of that Contract Year.

If applicable law does not permit amounts received for optometric or ophthalmologic services to be included in the calculation of Gross Receipts to compute and pay the Royalty, then the term "Gross Receipts" will not include receipts from those services; and the Gross Receipts as calculated will be multiplied by two (2) to calculate the Royalty.

If a legal determination is made by a government authority with jurisdiction over this Agreement or by Franchisor, upon advice of counsel, that the current method of calculating the Royalty does not conform to current law, then Franchisor and Franchisee agree to negotiate in good faith an alternative fee arrangement that would conform to the law and provide equivalent economic value to the Franchisor. If the parties do not so agree within sixty (60) days after notice by Franchisor that a new agreement regarding fees is necessary, this Agreement will terminate immediately upon written notice by Franchisor to Franchisee. All post-termination obligations of the parties will remain in effect.

If this Agreement is terminated by Franchisee during the nineteenth (19th) full calendar month of the Initial Term, as provided in subsection (ii) of Article 9, Franchisee may be qualified for the Franchisor's Clear Confidence Clause. The requirements for the Clear Confidence Clause are:

- (a) Franchisor has received Franchisee's properly completed Notice of Election to Opt Out of Franchise Agreement (see Exhibit D in Franchise Agreement) at least ninety (90) days before the requested opt out date.
- (b) Franchisee has not been and is not then in default, whether cured or not, of this Agreement or any other agreement between Franchisee and Franchisor or its subsidiaries and affiliates and has timely paid each month all Royalty fees and submitted with the applicable monthly sales report.
- (c) Franchisee has reasonably evaluated, in Franchisor's opinion, the product and service offerings from the Vision Source Elite Vendors and, when deemed clinically equivalent by Franchisee, reasonably attempted, in Franchisor's opinion, to incorporate those product and service offerings into Franchisee's Office.
- (d) Franchisee has attended at least one (1) Vision Source Exchange conference in its entirety.
- (e) Franchisee has attended at least 50% of the local, regional and/or state Vision Source meetings that include the Franchisee's Office Territory.

If the Franchisee has satisfied all of the above requirements to the reasonable satisfaction of Franchisor, then the Franchisee will be qualified for the Clear Confidence Clause and may receive a refund of a portion of the Royalty fees paid to the Franchisor during the initial eighteen (18) months of the Term of this Agreement. The portion of the Royalty fees to be refunded to the Franchisee will be computed as follows:

Fifty Percent (50%) of the total Royalty fees paid to Franchisor during the initial 18 months, minus, total vendor funds received by Franchisor and paid to Franchisee for the initial 18 months, equals the Royalty Refund amount

The Royalty Refund will be paid by Franchisor to Franchisee in a timely manner following the

receipt by Franchisor of all information necessary for the proper computation of the Royalty Refund.

2. In recognition of the Minnesota Franchises Law, Minn. Stat. §§ 80C.01-80C.22, and the Rules and Regulations promulgated thereunder by the Minnesota Commissioner of Commerce, the parties agree to further modify the Franchise Agreement as follows:

A. Releases. Sections 3.02.5 and 7.06(c) are each amended by adding the following:

Notwithstanding the foregoing, Franchisee will not be required to assent to a release, assignment, novation, or waiver that would relieve any person from liability imposed by Minnesota Statute §§ 80C.01 - 80C.22, provided that the foregoing shall not bar the voluntary settlement of disputes.

B. Renewal and Termination. Section 3.02 and Article 9 are each amended by adding the following:

Notwithstanding anything to the contrary in this section, Franchisor will comply with Minnesota Statutes Clause 80C.14, Subdivision 3, 4, and 5 which require, except in certain cases, that Minnesota franchisees be given 90 days notice of termination (with 60 days to cure) and 180 days notice for non-renewal of the Franchise Agreement.

C. Trademarks. Section 8.01 is amended by adding the following:

Franchisor will indemnify Franchisee against liability to a third party resulting from claims that Franchisee's use of the Names and Marks infringes trademark rights of the third party, provided that Franchisee's use is in accordance with the requirements of the Franchise Agreement and the System.

D. Acknowledgments. Article 15 is amended by adding the following:

Pursuant to Minn. Stat. § 80C.21 and Minn. Rule Part 2860.4400J, nothing in the Agreement shall in any way abrogate or reduce any of Franchisee's rights as provided for in Minnesota Statutes, Chapter 80C.

E. This Addendum will have effect only if the Franchise Agreement and/or the relationship between Franchisor and Franchisee satisfy all of the jurisdictional requirements of Minnesota Statutes §§ 80C.01 - 80C.22.

(Signatures on following page.)

Ratification of Franchise Agreement

In every other respect, Franchisor and Franchisee ratify and confirm the Franchise Agreement and that the Franchise Agreement will remain in full force and effect, as amended by this Addendum.

IN WITNESS TO THE FOREGOING, the parties to this Addendum have signed and delivered this document on the dates below their signature(s) in multiple counterparts, each of which may be considered an original for all purposes.

FRANCHISOR CONSENT AND SUBORDINATION AGREEMENT

This Franchisor Consent and Subordination Agreement (the "Agreement"), dated as of _____, 20____, is by and among _____ ("Franchisee"), _____ ("Lender") and Vision Source L.P. ("Franchisor").

Recitals:

A. Franchisor and Franchisee are parties a Franchise Agreement, as amended (the "Franchise Agreement"), for the operation of a franchised optical eye care office located at _____ (the "Franchised Business").

B. Pursuant to the Franchise Agreement, Franchisee has granted a security interest (the "Franchisor Security Interest") in all of Franchisee's personal property, including furniture, fixtures, equipment, inventory, accounts, general intangibles and investment property, now owned or hereafter acquired, all additions, substitutions, replacements, proceeds and products thereof, wherever located (the "Collateral"). As specified in the Franchise Agreement, the Collateral secures the payment of all amounts due under the Franchise Agreement, including but not limited to royalty fees and marketing fees, and all other liabilities, obligation and indebtedness of Franchisee to Franchisor or any third party under the terms of the Franchise Agreement and under any other agreement between Franchisee and Franchisor and any of its affiliates (the "Franchise Indebtedness").

C. Franchisee has requested that Lender provide it with an extension of credit in the amount of _____ (the "Lender Loan") to be secured by all or part of the Collateral.

D. Lender has agreed to make the Lender Loan to Franchisee, provided that: (i) Franchisee grants to Lender a first lien on the Collateral, and (ii) Franchisor agrees to subordinate any security interest it has or may have or may claim in the Collateral to the security interest of Lender in the Collateral.

E. Franchisor is willing to subordinate its security interest in the Collateral as provided in this Agreement.

Agreement:

1. Franchisor Consent. Franchisor consents to the Lender Loan and to the grant of the security interest of the Lender in the Collateral (the "Lender Security Interest") and agrees that neither the Lender Loan nor the Lender Security Interest constitutes a default or event of default under the Franchise Agreement or any other documents, instruments or agreements evidencing, securing or otherwise relating to the indebtedness of Franchisee to Franchisor.

2. Subordination. Franchisor expressly subordinates the Franchisor Security Interest to the Lender Security Interest and makes the Franchisor Security Interest junior and inferior to the Lender Security Interest. Franchisor and Lender agree that any and all proceeds received from the exercise of any rights or remedies against the Collateral (including, without limitation, foreclosure or any other disposition of any Collateral) shall first be paid to Lender until Lender has received cash proceeds in the amount of the principal plus accrued interest outstanding on the Lender Loan plus expenses for preservation of the Collateral and any other expenses incurred by Lender in the collection of the Lender Loan, with any remaining proceeds to be paid to Franchisor for application to the Franchise Indebtedness. This Agreement constitutes a continuing agreement of subordination and shall continue its full force and effect until the Lender Loan has been fully paid and discharged.

3. Lender's Notice and Opportunity to Cure. While this Agreement is in effect, Franchisor agrees to provide a copy to the Lender of each written notice of default that Franchisor serves on Franchisee relating to Franchisee's operation of the Franchised Business. The copy shall be delivered to the Lender within fifteen (15) days after delivery of the default notice to Franchisee. The Lender will have the right, but not the obligation, to cure any default by Franchisee under the Franchise Agreement, provided that the default is curable under the terms of the applicable Franchise Agreement and cured to Franchisor's reasonable satisfaction within the time provided therein.

4. Franchisor's Notice and Opportunity to Cure. The Lender agrees to provide a copy to Franchisor of each written notice of default that the Lender serves on Franchisee within five (5) days after delivery of the default notice to Franchisee. Franchisee authorizes the Lender to furnish all such notices (or copies thereof) to Franchisor until such time as the Lender Loan is paid in full. Franchisor will have the right, but not the obligation, to cure any default by Franchisee with respect to the Lender Loan, provided that the default is curable under the loan documents and cured within the time provided therein.

5. Foreclosure; Franchisor's Right to Manage. The Lender agrees to give Franchisor written notice at least thirty (30) days before instituting foreclosure proceedings or any other action to realize on the security afforded by the Collateral. If the Lender Security Interest covers the Franchise Agreement, the Lender may assume Franchisee's rights and obligations under the Franchise Agreement only if: (i) the Lender executes a document in a form satisfactory to Franchisor, agreeing to be bound by all of the terms of the Franchise Agreement; and (ii) prior to assumption, the Lender cures all then-existing defaults by Franchisee under the Franchise Agreement. In order to protect and maintain the reputation and goodwill of the Franchised Business, Franchisor will have the right, but not the obligation, to operate the Franchised Business at the request of the Lender until such time as Franchisor or Franchisee terminates the Franchise Agreement or the Lender completes a foreclosure sale pursuant to Section 6(a) below. Franchisor's operation of the Franchised Business will be at the Lender's and Franchisee's joint reasonable cost and expense, including a reasonable management fee.

6. The Lender's Obligations Upon Foreclosure.

(a) If the Lender undertakes a foreclosure sale with respect to the Collateral, whether by public auction or private sale, before completing any sale to a third party, the Lender will give Franchisor a reasonable time to exercise its right of first refusal provided in the Franchise Agreement with respect to the Franchised Business. If Franchisor elects not to exercise its right of first refusal, Franchisor will have the right to approve any third-party purchaser in accordance with the Franchise Agreement. Franchisor will not unreasonably withhold or unduly delay its approval.

(b) Franchisor approves the Lender as a purchaser at a foreclosure sale conducted as provided in (a) above, subject to the conditions below:

(i) The Lender agrees to make good faith efforts to dispose of the Franchised Business within eighteen (18) months from the date of its acquisition. Any such disposition will be subject to Franchisor's rights under the Franchise Agreement. If the Lender fails to dispose of the Franchised Business within the 18-month period, Franchisor will have the right at any time thereafter to terminate the Franchise Agreement by delivering written notice of termination to the Lender.

(ii) For as long as the Lender retains ownership of the Franchised Business, Franchisor will have the right, but not the obligation, to operate any or all of the Franchised Business for the benefit of the Lender and Franchisor, at the Lender's reasonable cost and expense, including a reasonable management fee.

7. No Franchisor Liability. Franchisor is not and will not be liable for repayment of the Lender Loan or any other financing extended to Franchisee by the Lender.

8. Lender Actions. Lender may, at any time, from time to time, without the consent of or notice to Franchisor or any other person, without incurring any responsibility to any such person, and without impairing or releasing the obligations of Franchisee or Franchisor hereunder: (a) change the manner, place or terms of payment of, or change or extend the time of payment of, or renew or alter the Lender Loan, with the exception of increasing the principal amount owing on the Lender Loan to exceed \$_____; (b) extend, modify or amend any agreement or any other document related to the Lender or the Lender Security Interest; (c) release anyone liable for the payment of the Lender Loan; or (d) exercise or refrain from exercising any rights against the Franchisee, the Lender Security Interest or any other person.

9. Assignment of Franchisor Security Interest. Franchisor shall not assign or transfer the Franchisor Indebtedness or the Franchisor Security Agreement or any documents executed in connection therewith to any party while the Lender Loan remains unpaid, unless the assignment or transfer is made expressly subject to this Agreement.

10. No Implied Waiver. No waiver shall be deemed to be made by Lender of any of its rights hereunder unless in writing signed on behalf of Lender, and each such waiver, if any, shall be a waiver only with respect to the specific matter or matters to which the waiver relates and shall in no way impair the rights of Lender in any other respect. No waiver shall be deemed to be made by Franchisor of any of its rights hereunder unless in writing signed on behalf of Franchisor, and each such waiver, if any, shall be a waiver only with respect to the specific matter or matters to which the waiver relates and shall in no way impair the rights of Franchisor in any other respect.

11. Successors and Assigns. This Agreement is binding on Franchisor, Franchisee and Lender and their respective successors and assigns.

12. Effect on Franchise Agreement. Subject to the rights granted to the Lender herein, the Lender and Franchisee acknowledge that this Agreement does not impair Franchisor's right to exercise any rights or remedies Franchisor may have under the Franchise Agreement and applicable law, including but not limited to issuing notices of default or terminating any or all of the Franchise Agreement in accordance with the terms of the Franchise Agreement and applicable law. Franchisee agrees that the terms of this Agreement do not give Franchisee any rights against the Franchisor or Lender. This Agreement is for the sole benefit of and may be enforced by Lender, Franchisor and their respective successors and assigns only and is not for the benefit of and may not be enforced by Franchisee.

13. Termination. This Agreement will terminate upon delivery of notice to Franchisor by Franchisee or the Lender that the Lender Loan has been paid in full or otherwise discharged and that the Lender has released the Lender Security Interest.

14. Governing Law. This Agreement is governed by and will be construed in accordance with the laws of the State of _____.

15. Counterparts. This Agreement may be executed in any number of counterparts, each of which will be deemed to be an original and all of which taken together will constitute one instrument.

Franchisor, its successors and assigns, may from time to time, without notice to the undersigned (a) resort to the undersigned for payment of the liabilities and obligations of Franchisee to Franchisor (the “Liabilities”), whether or not it or its successors have resorted to any property securing the Liabilities or proceeded against any other of the undersigned or any party primarily or secondarily liable on the Liabilities, (b) release or compromise any liability of the undersigned or any liability of any party or parties primarily or secondarily liable on the Liabilities, and (c) extend, renew or credit the Liabilities for any period (whether or not longer than the original period); alter, amend or exchange the Liabilities; or give any other form of indulgence, whether under the Agreement or not.

A franchisee may bring a lawsuit in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law.

Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within three (3) years after the grant of the franchise.

INFORMATION REQUIRED BY THE STATE OF MICHIGAN

The following is added to the disclosure document for Michigan residents:

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition of the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in the Michigan Franchise Investment Law. This shall not preclude a franchisee, after entering into a Franchise Agreement, from settling any and all claims.
- (c) A provision that permits a Franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a Franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the Franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than 5 years; and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of Franchisor's intent not to renew the franchise.

(e) A provision that permits the Franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

(f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state. **[Note: The Franchisor reserves the right to challenge this requirement of Michigan law, as it applies to arbitration under the Federal Arbitration Act]**

(g) A provision which permits a Franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a Franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the Franchisor's then current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the Franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the Franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the Franchisor items that are not uniquely identified with the Franchisor. This subdivision does not prohibit a provision that grants to a Franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the Franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the Franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

Any questions regarding this Notice shall be directed to the Department of Attorney General, Consumer Protection Division, 670 Law Building, 525 West Ottawa Street, Lansing, Michigan 48913 (517) 373-7117.

cure) and 180 days notice for non-renewal of the Franchise Agreement.

Minnesota Statutes § 80C.21 and Minnesota Rule 2860.4400J prohibit us from requiring you to waive your rights as provided for in Minnesota Statutes, Chapter 80C, or your rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

Minnesota Rule 2860.4400D prohibits us from requiring you to assent to a release, assignment, novation, or waiver that would relieve any person from liability imposed by Minnesota Statutes §§ 80C.01 - 80C.22.

Minnesota Rule 2860.4400J prohibits us from requiring you to waive your rights to a trial or to consent to liquidated damages, termination penalties, or judgment notes. This rule does not bar a voluntary arbitration of any matter if the proceeding is conducted by an independent tribunal under the rules of the American Arbitration Association.

INFORMATION REQUIRED BY THE STATE OF VIRGINIA

In recognition of the restrictions contained in Section 13.1-564 of the Virginia Retail Franchising Act, the Franchise Disclosure Document for Vision Source L.P. for use in the Commonwealth of Virginia shall be amended as follows:

Item 17. Additional Disclosure. The following statements are added to Item 17.h.

Under Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. The following is added to the disclosure document for Washington residents:

Item 17. Additional Disclosures

The State of Washington has a statute, RCW 19.100.180, which may supersede the Franchise Agreement in your relationship with us, including the areas of termination and renewal of your franchise. Provisions such as those that unreasonably restrict or limit the statute of limitations period for claims under the Act, rights or remedies under the Act such as a right to a jury trial may not be enforceable.

Transfer fees are collectable to the extent that they reflect Vision Source's reasonable estimated or actual costs in effecting a transfer.
