Notes to Table 5

1. The projections above are for Perkins' current fiscal year, which began on April 30, 2025 and ends April 28, 2026.
2. There are no projected openings or pending outlets to be located in any state not listed above.
3. The "Franchise Agreements Signed But Outlet Not Opened" column above includes 52 Franchise Agreements that we signed as part of 7 multi-unit pack transactions, in which each of the respective franchisee's planned development of Units is structured over a number of years (ranging from 3 to 14 years), and the opening deadlines for the Units are based on those agreed upon development schedules.

The names, addresses and telephone numbers for each of Perkins' current Standard Unit franchisees are listed in **Exhibit D** of this Disclosure Document. The name, city and state, and current business telephone number (or last known home telephone number) for each of the Standard Unit franchisees who had an outlet terminated, canceled, not renewed, or otherwise voluntarily or involuntarily ceased to do business with Perkins during the most recently completed fiscal year and/or has not communicated with Perkins within the past 10 weeks are also listed in **Exhibit D** of this Disclosure Document.

If you buy this franchise, your contact information may be disclosed to other buyers when you leave the franchise system.

In some instances during the last three fiscal years, current and former franchisees have signed provisions during the last three years that would restrict their ability to speak openly about their experience with us. You may wish to speak with current and former franchisees, but be aware that not all such franchisees will be able to communicate with you.
