## **What You Need To Know About Franchising *Generally***

**Continuing responsibility to pay fees.** You may have to pay royalties and other fees even if you are losing money.

**Business model can change.** The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

**Supplier restrictions.** You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

**Operating restrictions.** The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

**Competition from franchisor.** Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

**Renewal.** Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

**When your franchise ends.** The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

### **Some States Require Registration**

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit B.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

## Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Texas. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Texas than in your own state.
2. **Mandatory Minimum Payments.** You must make minimum license fee and MAP fee payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
3. **Spousal Liability.** Your spouse may be required to sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.
4. **Sales Performance Requirement.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

### **ADDITIONAL DISCLOSURES FOR THE STATE OF MICHIGAN**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

1. A prohibition on the right to join an association of franchisees.
2. A requirement that a franchise assent to a release, assignment, novation, waiver or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a Franchise Agreement, from settling any and all claims.
3. A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the Franchise Agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
4. A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising or other commercial symbol in the same area subsequent to the expiration of the franchise, or the franchisee does not receive at least 6 months advance notice of the franchisor's intent not to renew the franchise.
5. A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
6. A provision requiring that arbitration or litigation is to be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
7. A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
  - a) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
  - b) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
  - c) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

- d) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the Franchise Agreement existing at the time of the proposed transfer.
- 8. A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third-party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market, or appraised value of such assets if the franchisee has breached the lawful provisions of the Franchise Agreement and has failed to cure the breach in the manner provided in the subdivision(c).
- 9. A provision which permits the franchisor to directly or indirectly convey, assign or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited, and show a net worth of less than \$100,000.00, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

#### Description of the Franchise

As a Mr. Handyman franchise owner, you will have the right to use, in the operation of a Mr. Handyman business, the “Mr. Handyman” and/or “My Handyman” trademark, and/or a similar trademark or other symbols, logos, emblems, slogans or other indicia of origin that are or may be designated by us in the future (the “Marks”), within a specified trading area (the “Territory”), using the methods, processes and operating systems developed by us in connection with the franchise (the “System”) that are defined in our Operating Manuals (the “Manuals”). The Mr. Handyman Franchised Business is devoted to providing consumers with a professional, safe, and reliable maintenance, repair and improvement service. We seek to build customer trust by our professional approach, advanced computerized systems, personalized marketing programs, customer relationship management, and by the use of uniforms and identifiable Mr. Handyman service vehicles in the communities we service. Generally, our franchise owners do not perform the actual maintenance, repair and improvement services but employ individuals experienced in providing such services. While Mr. Handyman businesses can be initially operated from a home office with express written permission from Mr. Handyman, we strongly recommend that you lease office space in a commercial or light industrial office park of your choice. Our approval is not required of any office space you select, provided that it is at a location that meets our site selection guidelines and is within your Territory.

Within the residential and business maintenance, repair and improvement service market, Mr. Handyman competes with other businesses, including other national and regional franchise programs as well as services provided by local repair and maintenance establishments. We differentiate the System from our competitors in ways that are specifically designed to offer our customers accessibility, convenience, quality, flexibility, and peace of mind. We do this through distinctive service techniques, packaging and signs; unique methods of delivery of services and products; comprehensive sales and marketing procedures and methods; our Software System (as defined in Item 11), for managing customer

lists, scheduling, and payroll; specialized advertising and potential cross promotions with participating affiliated companies.

As explained above, some of our affiliates may provide some services that overlap with the services to be provided by your Business. We offer the following discounts on the Initial Franchise Fee:

##### VetFran Discount

As a member of the International Franchise Association (“IFA”), we participate in the IFA’s VetFran Program. If you are a United States or Canadian honorably discharged veteran (as such term is defined by us in our sole discretion) who meets our qualifications for purchasing a franchise, we will discount the minimum Initial Franchise Fee (\$65,000) by 15%. In determining who is a “veteran,” we may be guided, in whole or in part, by any definitions we find appropriate, including definitions used by the federal government of the United States or Canada, as applicable, in determining who is eligible for federal benefits intended for veterans.

[If you qualify for the VetFran discount, you must have a 51% majority interest in the beneficial ownership and voting interest of the franchisee if the franchisee is a corporation, partnership or other entity at the time the franchise agreement is signed.](#)

##### Additional Concept Discount

If you have been a franchisee of one of our affiliates (see Item 1) for at least 2 years and you purchase a franchise from us, you will receive a 10% discount on the Initial Franchise Fee.

Restrictions may apply on whether and how you may combine multiple discount programs. Any questions about application or combination of discounts, including the order in which discounts may be applied, will be resolved by us in our sole discretion.

We may offer reduced or deferred Initial Fees in special circumstances, such as in connection with any entrepreneurial and/or economic development programs, minority franchise programs and in new and developing markets (the “Programs”) for third parties which otherwise meet our financial and other qualifications and enter into a Franchise Agreement with us. The Programs are intended to promote economic renewal or development in economically impaired areas, and to assist minority franchisees. These special incentives may be offered to existing and/or new franchisees. From time to time, we may also offer promotional offers, such as a marketing or vehicle credit, to all who purchase an initial franchise during a specific set-time period.

#### Incentive Development Program Discount for Purchased TAFS.

We currently offer an incentive program to existing franchisees who meet our expansion criteria and who have been generating a portion of their franchised business’ Gross Sales outside of their Territory, in an area that is not currently serviced by another Mr. Handyman franchisee (such area, as further described in Item 12, “TAFS”). If you are a qualified existing franchisee generating Gross Sales in an assigned TAFS and you enter, on or before July 31, 2025, into another Franchise Agreement with us for a territory that encompasses such TAFS, we will discount the Initial Franchise Fee attributable to TAFS under such Franchise Agreement by 50%. If you are a qualified existing franchisee generating Gross Sales in an assigned TAFS and you enter, between August 1, 2025 and December 31, 2025, into another Franchise Agreement with us for a territory that encompasses such TAFS, we will discount the Initial Franchise Fee attributable to TAFS under such Franchise Agreement by 25%. The discount on TAFS will not be combined with any other discount.

All fees are imposed by us and are payable to us, except the fees for (i) our business management software (currently ServiceTitan), which are collected by ServiceTitan, Inc. via ACH (the current ServiceTitan fees are \$131.36 - \$89.38/month per office user and \$85.08 - \$59.23/month per service professional (based on number of users)); (ii) the other components of the Software System (currently Qvinci, FranConnect, one NPS Product (currently, Broadly), and two Microsoft Office365 E1 email accounts), which are imposed by us, collected by our designee (currently our affiliate ZorWare) and may be passed through to the service provider; (iii) any local or regional LMG fees, which are imposed by us, and may be payable to us or the LMG, and (iv) call center fees, which are imposed by and paid to our affiliate Neighborly Service Solutions SPV LLC You may be required to pay by automatic bank draft all current and future fees specified in this Item 6. See Item 11 for information about electronic reporting of Gross Sales and payment of fees by automatic bank draft. Some banks or other financial institutions may charge a fee for electronic transfers.

**Note 2: Gross Sales.** Gross Sales include the total revenues and receipts from whatever source (whether in the form of cash, credit, agreement to pay, barter, trade or other consideration) that arise, directly or indirectly, from the operation of – or in connection with – your Business whether under any of the Marks or otherwise. Gross Sales exclude sales taxes collected from customers and paid to the appropriate taxing authority and any other bona fide refunds, rebates or discounts that we authorize in writing. Gross Sales also exclude sales from any Excluded Services (as defined in a mutually executed Excluded Services Addendum (see Schedule H to the Franchise Agreement). The Excluded Services Addendum requirements include that (i) the operation of the Existing Business does not interfere with your operation of the Business; (ii) you do not utilize our Marks, System and Confidential Information in the operation of the Existing Business; (iii) the Existing Business offers only the Excluded Services (the gross sales of which are excluded from the Gross Sales of the Business) specifically identified in the Excluded Services Addendum, which are services specified by us that are related to but distinguishable from the services of your Business, and does not compete with the Business by offering the same services and/or products as the Business; and (iv) you maintain separate books and records for each of the Business and the Existing Business. You must agree to make the books and records, including but not limited to tax returns, for your

Existing Business available to us on reasonable prior written notice so that we may verify your compliance with the requirement concerning separate books and records.

**Note 3: Training.** During your Initial Training, you must sign and deliver to us the documents we require to debit your business checking account automatically for all fees due us. This includes the License Fee, MAP Fee and/or interest fees (Schedule B to Franchise Agreement). For purposes of paying the License Fee, our week begins on Sunday and ends on Saturday. You must report your weekly sales to us on the second Thursday following the end of the week. We will then draft the License Fee from your bank account, (ex, when the week start is January 6, the week end is January 12, and the License Fee report is due January 24). We may periodically specify other dates for reporting and payment of the License Fee.

**Note 4: MAP Fees.** May be used to pay the costs, including a 10% administrative fee and personnel, associated with preparing and producing video, audio, and written materials, administering and placing national, regional, and multi-regional marketing and advertising programs, administering and placing cross-promotion programs with third parties, and employing outside advertising and public relations agencies to provide assistance and support for public relations, market research, and other advertising, promotion, and marketing activities.

**Note 5: Minimum Local Marketing Spending; Local Marketing Groups/Advertising Cooperatives.** You must spend \$60,000 in year 1 and \$75,000 in year two of operation on approved local marketing and advertising of your Business (the “Minimum Local Marketing Spending”). Beyond year 2, you must spend annually an amount equal to 8% of the just-completed calendar year’s combined Gross Sales. This amount will be in addition to any MAP Fees you must pay to us. Amounts paid to an LMG and certain other amounts of local advertising spending will count towards the Minimum Local Marketing Spending, as more particularly described in the Manuals.

If you fail to make the required expenditures, we have the right to collect the deficiency and spend it as provided below in this paragraph. We reserve the right to require you to use one or more designated vendors in connection with your local marketing and promotional activities. In addition, we reserve the right to collect (on a monthly or quarterly basis), as we may from time to time designate) the Minimum Local Marketing Spending and in return provide to you local promotional, marketing and advertising materials and related services to promote the Business in the Territory. Should your franchise agreement terminate prior to our providing such local promotional, marketing and advertising materials and related services in the Territory, we reserve the right to contribute the Minimum Local Marketing Spending amounts collected to the MAP Fund.

If advertising cooperatives are set up, franchisor-owned outlets will not have controlling voting power, although as franchisor, we will set the contribution rates and franchisor-owned outlets will contribute at the same rate. If local marketing groups are set up, the franchisor will set the contribution rates and franchisor-owned outlets will contribute at the same rate; the members will have no votes but they will advise the franchisor on the local marketing group’s strategies and initiatives. There currently are no cooperatives.

**Note 6: Software System.** We require you to use our Software System (currently Qvinci, FranConnect, one NPS product (currently, Broadly), and two Microsoft Office365 E1 email accounts).

You must also use the accounting, reporting and other software we from time to time specify and pay the monthly charges applicable to such software usage. Currently, we require that you also license QuickBooks Online either directly from our designated vendor, Intuit Limited, or through ZorWare. If you license QuickBooks Online through ZorWare, you will pay the QuickBooks Online fee to ZorWare as noted in the Item 6 table above and your use of QuickBooks Online will be subject to the Software

System User and Maintenance Agreement. We may at any time substitute or add a different required software for operations, accounting and reporting and office/other business functions for the franchised business, any such software may be provided by us, a third party or a combination of providers, and you will be required to pay to us or the third-party provider fees for such software and sign related software license agreements. Enrollment and monthly fees for required software may change in the future. If we update our system to require different software which may be provided by a third party, that provider will determine payment methods and future fee increases.

**Note 7: Transfer.** In a transfer, the transferee promises to pay us at the time of the purchase closing, the following fees if they are not timely paid by the transferor: the transfer fee, Transfer Initial Package Fee, all outstanding License Fees, MAP Fees, and any amounts owed for purchases from us, and any late payments and interest.

**Note 8: Territory Violation Penalty.** You may not service a customer in another franchisee's territory without our prior written consent. Currently, there is no penalty fee for the first violation unless it is intentional. If we determine that the violation was intentional, then it is a default under the Franchise Agreement and to cure it you must pay us a penalty fee of 50% of the cumulative revenue from a customer wrongfully serviced. Any subsequent violation is a separate default and to cure it you must pay us a penalty fee of 100% of the cumulative revenue from a customer wrongfully serviced, and in addition we have the right to immediately terminate the Franchise Agreement.

**Note 9: Key Accounts.** If we establish a Key Accounts program, you may participate in it, and, if you participate, you must comply with all Key Accounts standards and procedures described in the Operations Manual and/or as we may otherwise communicate to you, which participation may, in some cases, require you to use a third party billing provider that offers additional services and those services may include additional software. These third party providers charge a range of fees, normally a percentage of the Gross Sales of the invoice and/or a per invoice referral or work order dispatched fee which may be in addition to the fees stated above. A company that refers customers may also charge a fee for referrals or the use of their software. We cannot estimate the amount of these fees.

1. **License Fees.** From and after you execute your Franchise Agreement, you begin to report Gross Sales and pay us a weekly license fee (the “License Fee”) based on the previous week’s Gross Sales, equal to the greater of (i) the applicable license fee described in the first table above or (ii) the applicable Minimum License Fee described in the second table above.

2. **Material Revenue.** Material Revenue includes all revenue you derive from the sale of parts, equipment, purchased stock, van stock, and materials during the operation of the Business.

3. **Subcontractor Revenue.** Subcontractor Revenue is any money you charge a customer for the labor and materials provided by a worker who is not your employee and who is not affiliated with your Business or other businesses you own.

4. **MAP Fees.** In addition, you must pay the marketing, advertising and promotion fee (the “MAP Fee”) equal to the greater of (i) the applicable MAP fee described in the third table above or (ii) the applicable Minimum MAP Fee described in the last table above.

5. **For Standard Fees Calculate by Multiplying Percentage by Gross Sales.** All fees expressed in percentages are calculated by multiplying the percentage stated by the total weekly Gross Sales, unless otherwise indicated. See notes 6, 7, and 8.

6. **Exclusion of certain services.** If you currently perform services that are related to, but distinguishable from the services to be performed by the Business, you may elect, if we consent, in our sole discretion, to exclude that work from your franchise. If so, the services to be excluded must be specifically listed as Excluded Services performed by your Existing Business on Schedule H to the Franchise Agreement. If you do not currently perform these services or sales in an existing business but elect to start offering those services in the future you will not have the option of excluding those services from the franchise.

7. **Renewal.** If you are signing a franchise agreement as part of a renewal, the Minimum License Fee begins with the 1<sup>st</sup> week of the term of the renewal franchise agreement and is the rate or amount stated in the renewal franchise agreement. The Minimum License Fee is calculated based on the cumulative number of months of service as a franchisee, including months as a franchisee under the existing franchise agreement and the number of months as a franchisee under the renewal franchise agreement. If you are signing a Franchise Agreement as part of a renewal, the Minimum License Fee per week begins with the first week of the term of the renewal franchise agreement.

In addition, if you are signing a franchise agreement as part of a renewal and (i) you have executed the renewal franchise agreement at least 60 days prior to the existing franchise agreement's ("Original Franchise Agreement") expiration date, the license fees and MAP Fees as set forth in the Original Franchise Agreement will continue to apply under the renewal franchise agreement until the Original Franchise Agreement's expiration date, and thereafter the License Fees and MAP Fees set forth in the renewal franchise agreement will apply; and/or (ii) (A) you have executed a renewal franchise agreement at least 7 calendar days prior to the expiration of your Original Franchise Agreement, and (B) the license fee under your Original Franchise Agreement is less than our current standard license fee at the time of renewal by more than 0.25% (for example, if the current standard license fee is 7%, and the license fee under the Original Franchise Agreement was less than 6.75%), your License Fee under your renewal franchise agreement for the first 12 months of the renewal term will equal the license fee under the Original Franchise Agreement plus 0.25%, and thereafter your License Fee under the renewal franchise agreement will increase annually by 0.25% until such time as the License Fee equals our standard license fee rate at the time of renewal, which standard license fee will then apply for the remainder of the renewal term.

For avoidance of doubt, notwithstanding the foregoing, if you are signing a Franchise Agreement for an initial term, you will only have the right to one renewal term, subject to satisfying conditions to renewal identified in the franchise agreement.

11. **Transfer.** If you are purchasing an operating Business (as opposed to a territory that has not yet been developed), you will pay us a weekly License Fee beginning the first week you sign your Franchise Agreement.

#### Explanatory Notes:

Note 1: Estimates are based on a new Franchisee buying his/her first Franchise. Except as otherwise described in the notes below, the table provides an estimate of your initial investment and the costs necessary to begin operating a Mr. Handyman franchise. Actual costs will vary for each franchise location, depending on a number of factors, including, but not limited to, market condition and the geographic location of your business.

Note 2: The Initial Franchise Fee is for a territory of approximately 40,000 – 60,000 households that meet our demographic criteria for target households. We may charge more or less when a larger or smaller (respectively) territory is granted. You may qualify for a discount on the initial franchise fee. See

Item 5 for a description of discounts. The initial franchise fee is not refundable. You must pay the initial franchise fee in full when you sign the franchise agreement. We may agree to finance a portion of the initial franchise fee, depending on your credit-worthiness, the collateral that you have available and our then-current financing policies. Monthly payments depend on the amount financed. See Item 10 for more information about financing and see Item 12 for more information about territory. The Initial Franchise Fee is waived for renewal terms; however, you will need to pay the renewal fee. If this is a Transfer, the Initial Franchise Fee is waived; however, you will need to pay the transfer fee and the Transfer Initial Package Fee.

Note 3: You must purchase the Initial Package from us. See also Item 5. The items included in the Initial Package may change to reflect the changing needs of the Business in accordance with System procedures. There are no refunds of the Initial Package Fee.

Note 4: Franchised Businesses must begin operation with a van that meets our System standards and specifications. As your Franchised Business grows, you will need to add additional vans. You should consult your personal financial advisor to determine whether you should lease or purchase your initial and subsequent vans. The cost of purchasing and outfitting a van typically ranges from \$43,000 to \$58,000, plus applicable taxes. When leasing, the amount of deposit will vary depending upon supplier pricing strategies, promotions, and willingness to provide startup businesses with more advantageous pricing than they typically offer individuals leasing a single van.

Note 5: You must use a computer with adequate memory, speed and storage to run the software we require. You must also equip each technician with an iPad (See Item 11.).

Note 6: As required by lessor and utility companies.

Note 7: Estimated cost for items including desks, chairs, a file cabinet, telephone system, wastebaskets, and other equipment and supplies necessary to begin the operation of the Franchised Business.

Note 8: List of tools and equipment is included in the Manuals. These may be purchased locally through national suppliers or at a local home improvement store.

Note 9: As required by local and state regulations.

Note 10: List of initial equipment, uniforms and marketing materials needed for opening the business to include but not limited to: branded wear, office supplies and promotional materials. A list of specific items will be provided by the Sure Start coordinator as a part of the Sure Start process.

Note 11: Specifications are listed in Item 8 of this Disclosure Document. Typically, insurance companies require startup businesses to pre-pay a portion of their premiums.

Note 12: Out-of-pocket travel expenses vary depending on your proximity to our training centers in Waco or Dallas, Texas, as well as the field training site, the type of transportation you use, and your individual expenses during the Initial Training period of 5 days. For the purposes of this Item, we have estimated two individuals sharing one hotel room. As of the date of this Disclosure Document, this training may be conducted virtually. Therefore, you may not incur any travel expenses if your training is done remotely/virtually.

Note 13: This item estimates your initial startup expenses for the first three months of operations, not including those expenses identified separately in the table. It includes payroll costs for operation and customer service employees, general vehicle maintenance and gasoline, advertising, Internet and

telephone provider fees, some uniforms, and, at the high end of the range, office rental. In computing this estimate, we relied on information provided to us by our franchisees as well as on our and our predecessors' 23 years of experience in managing and developing this franchise system. The estimate of additional funds does not include an owner's salary or draw. The amount of working capital you need will depend on a number of factors, including the area you are located in; how much you follow our methods and procedures; your management skills; experience and business acumen; local economic conditions; the relative effectiveness of your staff; local market for repair and maintenance services; the prevailing wage rate; competition; and the sales level reached by your Franchised Business during its initial period.

You should review them carefully with a business advisor before making any decision to purchase the franchise.

### **Renewal and Purchase of Operating Franchise**

If you are renewing your franchise or if you are purchasing an operating franchised business (as opposed to a territory that has not yet been developed), the above costs will not apply except to the extent they apply in your ongoing business. You will pay a Renewal Fee of \$5,000 (per Franchise Agreement renewed) instead of an Initial Franchise Fee when you renew the franchise. Also, instead of an Initial Franchise Fee, we currently charge a Transfer Fee in the amount equal to the greater of (i) 5% of the purchase price of the Business (or portion thereof) or other interest that is being Transferred or (ii) \$9,900 in the case of a resale/transfer (purchase of an existing Business), plus, for new franchisees purchasing an existing Business, a \$5,500 Transfer Initial Package Fee to receive our Transfer Initial Package. If you choose to have legal review of your franchise documents, we estimate the cost at \$4,000 for a renewal (since your business has already been formed) and \$5,000 for review of a franchise agreement and formation of a legal entity to be the franchisee, in the case of a resale/transfer. This estimate does not include the cost of preparing and negotiating the purchase agreement with the owner of the franchised business you are purchasing, if applicable, and you must make your own estimate of those costs. If you are acquiring an operating franchise, you will pay to the selling franchisee a purchase price for the business, which purchase price you will negotiate with the selling franchisee.

### **ITEM 8. RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES.**

You must maintain the highest standards of quality and workmanship in order to provide the highest quality of service to your customers. You must use in the operation of your Business, and in the offer and sale of the services and products we approve, only those techniques, procedures, and supplies we specify in writing. You must offer all, and only such, products and services as we approve from time to time. We may change any of our requirements periodically. We will notify you of any changes to the standards or the Manuals.

#### **Approved Supplies and Suppliers**

We may furnish you from time to time lists of approved supplies and approved suppliers. We reserve the right to require that you only use approved products, inventory, supplies, uniforms, tools, equipment, signs, telephone and internet equipment and service, advertising materials, and other items (the "approved supplies") in the Business as described in the approved supplies and approved suppliers' lists, as we may amend from time to time. We also may develop and research new products or services as we determine necessary. We reserve the right to designate a primary or single source of supply for certain products and supplies, and we or our affiliates may be that single source. You must pay the then current price in effect for any purchases from us or our affiliates. Without limiting the foregoing, we are the only approved supplier of the Initial Package. Subsequent purchases of items found in the Initial Package can be

purchased through any of our approved suppliers. You may not contract with an alternative supplier for any products and/or services for which we have designated a supplier.

You may purchase from other suppliers if you follow our supplier approval procedures, as described in the Manuals, and obtain our prior written approval. You must give us at least thirty (30) business days' prior written notice if you wish to purchase from a source other than our approved suppliers. We may require that samples be delivered to us or to a designated independent testing laboratory for testing before our approval is given. You must pay upon demand our (or the third party's) actual costs of the testing and any related costs/expenses (regardless of whether we grant an approval). We will usually notify you of our decision within ten (10) days after we receive the test results. Additional or different procedures may be required for approval of services, software or other special items, as described in the Manuals. We reserve the right to revoke our approval at any time upon the supplier's failure to meet our then-current criteria.

We may also require that other products, supplies, equipment, inventory, or services you use in connection with the operation of your Business meet our then-current specifications (as we may from time to time modify).

#### Initial Opening Items

To assist you with efficiently launching your Business, you must purchase the Initial Opening Items from our designated vendors before the commencement of operation of the Business. The items included in the Initial Opening Items change periodically to reflect the changing needs of the Business in accordance with System procedures, changes in suppliers and/or product specifications. See also Item 5.

#### Software System

You must purchase business management software (currently ServiceTitan) from our designated supplier (currently Service Titan, Inc.) and pay monthly fees to Service Titan, Inc. for your usage. In addition, you must purchase a Technology Package (currently Qvinci, FranConnect, one NPS product (currently, Broadly), and two Office365 E1 email accounts) from us and pay our designee (currently our affiliate ZorWare) a monthly fee for such software system. We may update the Software System from time to time and require you to use different and/or additional proprietary and/or other software and you will be required to purchase/enter into software agreements/licenses for such software as we (or the third-party supplier) specify and you will be required to pay to us or the third-party supplier fees for such software. You must purchase one mobile device per technician or vehicle. See Item 11.

Other than with respect to the Technology Package, neither we nor our affiliates are currently an approved supplier for any products or services, but we and our affiliates may be approved suppliers for other/additional products and services in the future.

You must also obtain (directly from a third-party vendor) an Internet connection and anti-virus software that meet our specifications.

#### Call Center

You must participate in our Call Center Program with respect to rollover customer calls and customer calls outside business hours, including on weekends, which program is currently administered by our affiliate, Neighborly Service Solutions SPV LLC ("NCS"), and pay NCS the fees described in Item 6. Your participation is subject to your agreement to NCS's Terms of Use (the current version of which is attached to this Franchise Disclosure Document as Exhibit M). Your participation in the Call Center Program may require you to use and publish a telephone number we designate and acquire, install

and use designated or approved equipment and/or technology. We may modify or discontinue the Call Center Program at any time upon notice to you.

We believe the Technology Package fees and the Call Center Program fees are equal to or lower than the prevailing market price you would obtain if you engaged a third party on your own to provide comparable services of a comparable quality on a consistent basis. This does not mean that we offer the lowest price; however, based on our experience, vendors that provide lower pricing for a single franchisee or a small group of franchisees and/or for a limited time do not promote the same level of uniformity in long-term system-wide product quality and service that we, as the franchisor, or our affiliates are able to provide. The Technology Package fees and the Call Center Program Fees include a mark-up to offset our (or our affiliate's, as applicable) costs of administering and managing the Technology Package and the Call Center Program related services; such mark-up exceeds our (or our affiliate's, as applicable) direct costs of the Technology Package and the Call Center Program, respectively, related services, and we or our affiliate (as applicable) may derive a profit from the Technology Package fees and the Call Center Program Fees.

### Vehicles

You must use vans for the Business that meet our specifications for model type, color, trademark representation, and appearance (no rust or body damage), as set forth in our Manuals. All vehicles purchased or leased for the business are to be, and maintained, in a "good" condition as defined by KELLY BLUE BOOK ("Good" condition means that the vehicle is free of any major defects. The paint, body, and interior have only minor (if any) blemishes, and there are no major mechanical problems. In states where rust is a problem, this should be very minimal). All vehicles used in the Business are to be decaled as required by us and the decals are to be free of defects.

### Marketing Materials

All advertising and promotional materials, signs and other items we designate must bear the Marks (see Item 13) in the form, color, location and manner we specify. Your advertising and promotion must meet our standards as described in the Manuals or otherwise by us in writing. You may prepare and use your own advertising or promotional materials provided that we have approved them in writing prior to use. While most franchise owners choose to order trademarked items from our approved suppliers, you are only required to order your professional uniforms from them. The remaining items you require for the operation of your Business may be ordered from approved third party suppliers (except as specified otherwise herein).

You must maintain trademark listings as we require. To assure that we maintain consistency in advertising, you must place your listing through an agency of our choice. If two or more Mr. Handyman businesses are served by the same telephone directory, we may require you to list all businesses under one Mr. Handyman heading. In this instance, you promise to pay your pro-rata share of the total expense of the joint listing which is determined by dividing the total expense by the number of Franchised Businesses which are listed. You promise to continually list the Franchised Business in the "White Pages" of the primary telephone directory servicing your Territory.

### Telephone Numbers and Electronic Identities

The telephone numbers and electronic identities you use in connection with the Business must be owned and controlled by us or an approved supplier. We require you to "port" or transfer to an approved call routing and tracking supplier all phone numbers associated with the Business or published in any

print or online directory, advertisement, marketing or promotion associated with the Marks and/or the Business.

#### Purchasing Arrangements and Rebates

We do not provide you with any material benefits based on your purchase of particular products or services, or your use of designated or approved sources. Our affiliate, ProTradeNet, negotiates and enters into purchase arrangements, which may include discounted pricing, special terms, rebates or other incentives with suppliers for the benefit of our franchisees. We may also negotiate or enter into these types of arrangements directly.

We are not an affiliate of Enterprise Leasing Company (“Enterprise”); however, because of fleet buying incentives we may qualify for rebates, depending on actual volume. The franchise owner receives the majority benefit of the rebate up front, reducing the purchase price. We receive a residual benefit if and when certain fleet volume requirements are met. The exact amount per vehicle varies as it comes from the vehicle’s manufacturer and is based on their current pricing as well as the number of purchases made by franchisees associated with us and our affiliates. In 2024, we received revenue or material consideration for franchisees’ purchases or leases from Enterprise in the amount of \$0.00.

ProTradeNet has and may enter into relationships with other buying groups, which may include competitors, for the purpose of improving negotiating strength and purchase volume for the entire group. We or an affiliate (including ProTradeNet) may make available to you the opportunity to participate from time to time in certain discounts, rebates, or other benefits in connection with approved suppliers (collectively, “Rebates”), if you meet certain conditions, such as supplier terms and conditions and attendance at annual meetings. All Rebates not returned to franchisees may be retained by us or our affiliate (including ProTradeNet) and used to cover administrative costs or to promote our system and brands. Although neither we nor ProTradeNet have any contractual obligation to pay you Rebates, in most instances, but subject to change and vendor relationships, ProTradeNet will retain 25% of all Rebates, pay 25% of all Rebates to us and pay 50% of all Rebates to you, the franchisee, based on qualifying purchases. The Rebates received by ProTradeNet from suppliers are generally a percentage of each supplier’s annual billings to franchisees with respect to certain products or services provided by the supplier to the franchisees. In 2024, these Rebates ranged from 1% to 25% of the suppliers’ annual billings to franchisees. Some suppliers may also pay additional fees for advertising, which fees range from \$500 to \$35,000; for marketing, which fees range from .5% to 1% of total qualified purchases by franchisees from the supplier; and for sponsorships, and tradeshow space, which fees range from \$500 to \$175,000, for the purpose of promoting their product or service to franchisees. All of these amounts and percentages, including the percentages of Rebates retained by ProTradeNet and paid to us and to you and all additional fees, may change in the future at our sole discretion. Rebates are typically paid on net sales for qualified purchases and ProTradeNet may or may not from time to time include purchases made by the MAP Fund in our rebate program. If MAP Fund purchases are included as qualified purchases ProTradeNet will allocate 100% of the rebates from those purchases to the MAP Fund. The agreement you are required to sign with ProTradeNet to participate is included as Exhibit J hereto, and additional terms and conditions, which may change from time to time, are included on the ProTradeNet website, [www.protradenet.com](http://www.protradenet.com). While you are required to enter into the ProTradeNet Agreement, you are not required to purchase any items under the ProTradeNet Program except as otherwise stated in this disclosure document or required by your Franchise Agreement, our Manuals or our policies and procedures. However, certain benefits, Rebates and special pricing will be available to you only if you participate on the terms required by ProTradeNet or each individual supplier.

We may derive revenue as a result of your required purchases. Amounts listed below are based on cash received and cash disbursed. Some Rebates may be received and the portion of any that are

disbursed may be held until the next national meeting before being disbursed. Not all suppliers provide Rebates. A complete listing of suppliers providing Rebates and their rates is available from ProTradeNet.

- In the year ended December 31, 2024, ProTradeNet had revenue of \$312,662, from purchases by Mr. Handyman franchisees. These figures were computed from ProTradeNet's respective internal accounting records for the year ended December 31, 2024.
- In the year ended December 31, 2024, we had revenue of \$315,051, or 1.98% of our total revenue of \$15,988,214, as a result of purchases by Mr. Handyman franchisees from approved suppliers or under our specifications or as a result of purchases, if any, directly from Predecessor or us. These figures were computed from our internal accounting records for the year ended December 31, 2024.
- In the year ended December 31, 2024, our affiliate ZorWare had revenue of \$311,564 from the required purchases or payments by our Franchisees for initial training and maintenance and monthly support. These figures were computed from ZorWare's internal accounting records for the year ended December 31, 2024.
- In the year ended December 31, 2024, Neighborly Service Solutions SPV LLC had revenue of \$960 from franchisee payments of fees for the call center services. This figure was computed from Neighborly Service Solutions' internal accounting records for the year ended December 31, 2024.
- We or our affiliates may receive a commission from the brokerage of a capital lease or other equipment finance, should you require financial assistance from third parties.

You must comply with all terms and conditions applicable to these programs to receive the discount or Rebate. Additional information is available by contacting us. These programs may be changed or discontinued at any time. Other than the ProTradeNet program described above, we do not currently participate in any purchasing or distribution cooperatives. We or our affiliate(s) may from time to time negotiate purchase arrangements with suppliers (including price terms to the extent permitted by law) for the items and services described in this Item 8 that you may obtain only from designated sources.

#### Key Accounts Program

We may, but have no obligation to, offer a Key Accounts or similar program. From time to time we evaluate opportunities for Key Accounts which might be best administered through our parent, an affiliate or a third party, as we determine in our discretion. If we establish a Key Accounts program, you may participate in it subject to compliance with the standards and procedures of that program. We, Neighborly Service Solutions and/or a third party we select, may solicit Key Accounts for the franchisees of certain franchise systems affiliated with Neighborly, including us. A "Key Account" is a customer account which may be national or regional and cover multiple customer locations (within and/or outside your Territory) with whom we have entered into arrangements (i) for servicing of multiple locations of such customers and/or (ii) that we determine are designed to benefit the System as a whole by gaining otherwise unavailable business or addressing the concerns of such customers that may require specific terms or provisions of our arrangement with them, including without limitation special insurance, experience, equipment, pricing, payment terms, turnaround requirements, or approvals. A Key Account is generally, but not always, a large organization with multiple locations that need products and services provided by franchisees in our franchise system and/or the franchise systems of our affiliates around the country or in a region or other area. The agreement to provide services may be formal or informal and the account may be administered by us, an affiliate or a designee of ours. In some cases our Key Accounts

program provides a central number customers may call for those services. If you elect to participate, you must comply with the terms we specify, which may include provisions that require the payment of management fees or other fees, including sales commissions or similar payments, offering of special products or services at certain times or for certain prices (to the extent allowed by law) and special insurance, indemnity, quality control and other provisions. You may also be required to enter into additional agreements required by a Key Account or our policies and procedures. The Key Accounts administrator may collect payments from Key Account customers and distribute payments to franchisees for work provided but has no obligation, and we have no obligation, to make any payments to you for work to the extent payment in good funds by the Key Accounts customer has not been made to us or the administrator. We and/or the administrator of the Key Accounts program have the right to charge additional amounts, including commissions or other fees or charges, to third parties and/or to Key Account customers on account of work performed on Key Accounts by you or other third-party service providers.

### Insurance

Before you begin operating your Business, you must purchase, and maintain at all times during the term of your franchise agreement, at your cost, insurance coverage, from a responsible carrier, with an A.M. Best rating of A-VIII or better, with the coverage amounts, types and other features as we from time to time specify, using the insurance industry form(s) acceptable to us, and such other insurance coverage as required by law and any other agreement related to the Business. We reserve the right to designate a primary or single source for all or any of the insurance coverage for the Business, and we or our affiliates may be that primary or single source. We may develop an insurance program and require you to participate in it. Any person or entity with an insurable interest that we designate (each, an “Additional Insured”) must be named an additional insured on all required liability policies. Each insurance policy must contain a waiver of subrogation in favor of the Additional Insureds. Your insurance must apply as primary and non-contributory. Currently, our minimum insurance requirements include (i) commercial general liability insurance, with minimum liability coverage of \$1,000,000 per occurrence (including Products/Completed Operations and Personal Injury and Advertising Injury) and \$2,000,000 in the aggregate; (ii) auto liability coverage, combined single limit in the amount we specify, up to \$2,000,000 but no less than \$1,000,000, on each owned, non-owned or hired vehicle used in connection with the Business; (iii) workers’ compensation coverage regardless of whether required by state law, but with minimum coverage as required by state law; (iv) \$500,000 per claim and in the aggregate cyber-liability insurance for financial losses arising from unauthorized access, loss or corruption of data, including but not limited to privacy and data security breaches, misdirected funds, virus transmission, denial of service and loss of income from network security failures; and (v) such other insurance as from time to time required by us, under applicable law and under other agreements applicable to your Business. With respect to Key Accounts, if the insurance amount required for any Key Account or for Key Account work in general exceeds the amount specified as the maximum amount required by us for any type of insurance, that higher amount required for the Key Account work will apply. We also recommend that you carry an environmental insurance policy covering pollutants including mold. Additional insurance requirements are described in the Operations Manual.

You must deliver to us at commencement and thereafter annually or at our request a proper certificate of insurance evidencing the existence of the required insurance coverage. We also may request copies of all insurance policies. We may modify the required minimum limits and types of coverage, by written notice to you. Upon such notification, you must immediately implement the modification of the policy, and provide evidence thereof, in accordance with our request. You may satisfy the insurance coverage limits through an umbrella policy that meets all our requirements. We have the right to terminate your Franchise Agreement for cause if you fail to comply with our insurance requirements.

## Accounting Software and Other Requirements

We recommend that you engage the services of a certified public accountant to assist you with the set-up of your books and records, in using the appropriate chart of accounts that we require and in producing monthly and annual compiled financial statements. If you request, we will provide you with information about companies we are aware of that offer these services to our franchisees. We require that you use an appropriate chart of accounts, comply with our operating procedures and specifications, including internal audit standards, and use our required software (as part of the Software System) and that your accounting must also be compatible with our required software system. Currently, we also require that you license QuickBooks Online (either directly from our designated vendor, Intuit Limited, or through our affiliate ZorWare as described in Item 6). We may, upon demand, require you to provide us, within the time as we specify, with audited financial statements, using an independent certified public accountant designated by or satisfactory to us, to adopt a fiscal year consistent with ours, to cooperate with our auditors and to comply with such additional requirements as may be reasonably necessary to enable us to meet our obligations under Generally Accepted Accounting Principles and to comply with applicable accounting standards and rules.

There are no approved suppliers in which any of our officers owns an interest.

We estimate that of all purchases and leases by you, of goods and services, in establishing and operating the Business, approximately 15% will be for required purchases and leases.

## **ITEM 10. FINANCING.**

Other than as disclosed in this Item, we do not offer any other direct or indirect financing.

### Initial Fees Financing

We have no obligation to provide you any financing, but we may agree to finance a portion of the initial franchise fee for qualified prospective franchisees under specified terms and conditions. Our decision to finance the initial franchise fee will be based, in part, on your credit-worthiness, the collateral you have available to secure the financing and our then-current financing policies. We do not provide any financing in any transaction in which brokers are involved.

We limit the amount that we will finance, currently, to an amount less than 50% of the total equity, debt and other financial support of your Business (collectively, "obligations"). You must make a written representation to us, in the form we specify, confirming the dollar amount of your obligations.

The representation must remain true through execution of your franchise agreement and we may elect not to approve a transfer, including a transfer to a corporation or other entity wholly owned by you, if you do not either maintain the same investment in your Business or pay any loans payable to us and our Affiliates in full. Subject to the obligation limit, our standard financing is up to 70% of your Initial Franchise Fee, and we may agree, in our sole discretion, to finance up to 80% of your Initial Franchise Fee if you meet certain requirements.

You must qualify to purchase a franchise, meet our credit standards and be otherwise eligible for financing to qualify for the following interest rates. We currently charge an interest rate based on your credit score as follows:

<b>Credit Score</b>	<b>Annual Interest Rate</b>
<b>Under 600</b>	<b>12%</b>
<b>600 - 649</b>	<b>11%</b>
<b>650 - 699</b>	<b>10%</b>
<b>700 or more</b>	<b>9%</b>

If we agree to finance a portion of the Initial Franchise Fee, you must sign a promissory note (Schedule G to the Franchise Agreement). You must pay us the down payment when you sign your franchise agreement and pay the balance in monthly installments.

You must make note payments to us by automatic bank draft. Some banks and other financial institutions may charge a fee for electronic transfers. Monthly payments will begin approximately 2 months after you complete Phase I Training. The length of the repayment term may be negotiable, but will generally follow these guidelines:

<b>Loan Amount</b>	<b>Length of Repayment Term</b>
<b>Less than \$45,000</b>	<b>Up to 5 years</b>
<b>\$45,001 - \$75,000</b>	<b>6 years</b>
<b>\$75,001 - \$100,000</b>	<b>7 years</b>
<b>\$100,001 - \$150,000</b>	<b>8 years</b>
<b>Greater than \$150,000</b>	<b>9 years</b>

We require a security interest in the Business. You must sign a security agreement, substantially in the form included in the promissory note attached as Schedule G to the franchise agreement, granting us a security interest in all your assets, including after-acquired property, and we will file a UCC financing statement with the appropriate governmental authority. We have the right to require additional forms of security.

You may prepay the note at any time without penalty. If you default, including if you default under the Franchise Agreement, we may declare the entire remaining amount due. If you do not pay us the entire balance, and any accrued, unpaid interest, you may be responsible for the court costs and

attorneys' fees we incur in collecting the debt from you. We may terminate your franchise agreement if you do not pay us.

You must waive your rights to certain notices of a collection action in our promissory note, security agreement and guaranty but there are no waivers of defense in our promissory note, security agreement or guaranty. If you are a legal entity, your shareholders, members, partners and/or owners must personally guarantee the debt and agree to pay the entire debt and all collection costs. We have the right to require a spouse's personal guaranty.

The financing described in this Item 10 is provided by us, Mr. Handyman SPV LLC.

We may sell, assign or discount any promissory note or other obligation arising out of the franchise agreement to a third party. If we sell or assign your promissory note, it will not affect our obligation to provide the services to you that are described in the franchise agreement but the third party may be immune under the law to any defenses to payment you may have against us.

We may periodically agree with third-party lenders to make financing available to our qualified franchisees and we may, in our sole discretion, refer you to a third-party lender for financing. We have no control over whether financing will be offered to you by any third-party lender. The lender is not obligated to provide financing to you or to any other franchisee that the lender finds does not meet its credit requirements and loan criteria. If we refer you to a third-party lender for financing, we may agree to take a short-term promissory note (in a form we provide to you) until your financing is arranged. You must use the proceeds from the lender to pay any promissory note to us.

We do not currently derive income from referrals or placement of financing with any third-party lender. However, we may require payment from you or other persons for the placement of financing in the future. If we charge for placing financing in the future, we expect to use the payments to offset our expenses in doing so.

We do not guarantee your obligations to third parties.

We may, in limited circumstances, agree to finance a portion of any renewal fee for qualified franchisees at a 12% interest rate under specified terms and conditions. Our decision to finance a renewal fee will be based, in part, on your credit-worthiness, the collateral you have available to secure the financing and our then-current financing policies.

You will be billed our then current fee for calls made to the 877-MrHandyman number that are routed to your office. Currently this fee is \$0.25 per minute. We will use our commercially reasonable efforts to maintain this service 24 hours per day, seven days per week subject to acts of God or circumstances beyond our reasonable control, including power outages and the unavailability of telephone services.

## Marketing

### MAP Fund

We collect a MAP Fee from you for the MAP Fund equal to 2% of Gross Sales; minimum MAP Fees also apply, as provided in Item 6. (Franchise Agreement, Section 8.C)

We have established the MAP Fund and have designated the Manager (i.e., Neighborly Company) to administer the MAP Fund. The MAP Fund is not a trust or escrow account, and neither we nor the Manager have any fiduciary obligations with respect to the MAP Fund. While we cannot guarantee results or proportional distribution, we make best efforts to apply the MAP Fund for brand and system success. If all of the MAP Fees are not spent in the fiscal year in which they accrue, the remaining amounts are retained in the MAP Fund for use in the following years. The Manager may use the MAP Fund administrative fee of 10% for various purposes related to the Mr. Handyman franchise system, including, but not limited to, (1) broadcast, print or digital advertising; (2) the creation, development and production of advertising and promotional materials (i.e., print ads, digital, radio, film and television commercials, video, digital ads, direct mail pieces, and other print advertising); (3) any marketing or related research and development; (4) advertising and marketing expenses, including product research and development and services provided by advertising agencies, public relations firms or other marketing, research or consulting firms or agencies; (5) the development, licensing and/or use of any tools and platforms in connection with marketing, advertising and promotional activities; and (6) expenses, administrative costs and overhead we or the Manager may incur in activities related to maintaining, administering, directing, and conducting the MAP Fund and its programs, including compensation to employees or any other individual or entity providing services to the MAP Fund. (Franchise Agreement, Section 7.A)

The Manager determines the use of the monies in the MAP Fund. The Manager is not required to spend any particular amount on marketing, advertising or promotion in the area in which your Business is located. The Manager and the MAP Fund may collaborate with the advertising funds of certain franchise systems affiliated with us. There can be no assurance that the MAP Fund's participation in these collaborations and joint efforts will benefit the franchised businesses using the Marks proportionately or equivalently to the benefits received by the other franchised businesses or the other franchised systems affiliated with us that also participate. The Manager oversees the advertising programs and uses the MAP

Fund to create marketing materials and conduct national, regional or local advertising. We will contribute to the MAP Fund amounts equal to your required percentage for each similarly situated company-owned and affiliate-owned Mr. Handyman businesses. From time to time we may contribute to the MAP Fund some amounts paid to us by outside suppliers. The Manager will prepare an annual unaudited accounting of the MAP Fund and will make it available for your review upon your written request. The Manager has its own in-house marketing and advertising production capabilities, but also may use an outside national, regional, or local agency. Neither we nor the Manager will use any of the advertising funds for the solicitation of franchise sales, but any marketing materials the Manager produces may designate “Franchises Available.”

We reserve the right to cause the MAP Fund to be incorporated or operated through an entity separate from us or the Manager at such time as we may deem appropriate, and any such successor entity will have all our rights and duties with respect to the MAP Fund. We or the Manager may use collection agents and institute legal proceedings at the MAP Fund’s expense to collect MAP Fund contributions. We may also forgive, waive, settle, and compromise all claims by or against the MAP Fund. If we terminate the MAP Fund, we will refund you your pro-rata portion of any amounts remaining in the MAP Fund, based on your contributions to the MAP Fund. (Franchise Agreement, Section 7.A)

During the fiscal year ended December 31, 2024, the MAP Fund contributions were primarily allocated toward the following uses:

Type Expense	Percent of Expenses
Production	9%
Administrative Expenses	1%
Digital & Other Media Placement	87%
Public Relations	3%
Other	0%
<b>Total</b>	<b>100%</b>

### Local Marketing

You will conduct your own marketing, advertising, and promotion programs, using approved materials and venues, at the local level at your own expense. All of your local marketing and promotion (including through social media) must be in media that we approve, conducted in a dignified manner and conform to the standards and requirements that we specify, including compliance with all Mark usage and branding standards. Specifically, you must submit all advertising materials to us at least fourteen (14) days prior to use. If we do not respond within 14 days after you submit the proposed advertising materials to us, the advertising materials will be deemed unapproved.

In year 1 of operations, you must spend \$60,000 on local marketing. In year 2, you must spend \$75,000. After that, each year, you must spend 8% of the just-completed calendar year’s combined gross sales for local advertising and promotional programs. We may request each month that you submit to us, in the format that we require, an accurate accounting of your local marketing expenditures during the preceding month for approved marketing, advertising and promotion. We may, at our sole discretion, allow certain other expenditures to count towards a maximum credit of \$300 per month towards your Local Marketing Requirement (“LMR credit”). Each year, any LMR credits available will be posted on our intranet website or Manuals, and may include items such as properly decaled vehicles, the use of certain vendors, etc. We may modify the LMR credits at our sole discretion. If you fail to make the required expenditures, we have the right to collect the deficiency and spend it as provided below in this

paragraph. We reserve the right to require you to use one or more designated vendors in connection with your local marketing and promotional activities. In addition, we reserve the right to collect (on a monthly or quarterly basis, as we may from time to time designate) the Minimum Local Marketing Spending and in return provide to you local promotional, marketing and advertising materials and related services to promote the Business in the Territory. Should your franchise agreement terminate prior to our providing such local promotional, marketing and advertising materials and related services in the Territory, we reserve the right to contribute the Minimum Local Marketing Spending amounts collected to the MAP Fund. (Franchise Agreement, Section 7.B)

We reserve the right to require advertising or marketing cooperatives and/or local marketing groups (“LMG”) to be formed, changed, dissolved or merged, based on specific criteria determined by us for designated marketing areas. We typically determine the local marketing areas based on a combination of designated market area and core-based statistical area data. We have the right to establish how LMGs operate and to administer the LMGs. If an LMG is established in your market, you will be designated to be a member of the LMG. We will determine the amount of member contribution, which will be a percentage of Gross Sales and will not to exceed 3% of Gross Sales. Other franchisees that will be members of the same LMG will contribute on the same basis as you. We may require that some or all of your LMG contribution be paid to us or our affiliate, and we reserve the right to use your LMG contribution on any promotional, marketing and advertising initiatives, including digital and other marketing and brand awareness programs. As of the issuance date of this Franchise Disclosure Document, we may require that a portion of your LMG contribution (currently, 2% of your Gross Sales) be paid for use towards the Neighborly marketing and brand awareness initiatives, which may include service professional recruitment marketing. Your contribution to the LMG will count towards any required Minimum Local Marketing Spending but any required Minimum Local Marketing Spending will not represent a limit on your LMG contributions. Each company-owned or affiliate-owned Mr. Handyman® business located within the LMG’s market will be a member and will contribute to the LMG on the same terms as franchisees. The LMG will not be required to operate from written governing documents although we may establish written operating guidelines and rules for the LMG. The LMG will not be required to prepare annual or periodic financial statements. All promotional and advertising materials proposed to be used by the LMG must be approved by us prior to use. As of the date of this disclosure document, the LMGs we plan to establish will be local marketing groups rather than advertising cooperatives. (Franchise Agreement, Section 7.D)

#### Advertising Council

We have established an advertising council known as the National Marketing Council composed of franchisees that advise us solely on advertising activities and policies. The members of the National Marketing Council are chosen annually before our national convention by the Brand Manager or on an as need basis. The members must be in compliance with their Franchise Agreement. The council services in an advisory capacity. We have the power to form, change or dissolve the National Marketing Council.

#### Call Center Program

With respect to rollover customer calls and customer calls outside business hours, including on weekends, we require you to participate in our Call Center Program currently administered by our affiliate Neighborly Service Solutions SPV LLC, pursuant to which you will receive, for a payment of corresponding fees (see Item 6; currently \$349.99 - \$449.99/month (depending on the third-party vendor NCS is able to use) plus \$25 per booked appointment), certain call center services, including call routing and scheduling services. You will be required to agree to NCS’s Terms of Use (the current version of which is included as Exhibit M). (Franchise Agreement, Section 5.E) See also Item 6 and Item 8.

## Computer System

You must purchase a computer system that meets our standards and requirements (the “Computer System”). You must license business management software from us or our designees and pay license and other fees for use of same, as discussed below and in Items 5 and 6. Additionally, you may be required to license additional software from us, an affiliate, or a third party and you also may be required to pay an additional software licensing or user fee in connection with your use of such software. You will be liable for all damages and problems caused by your use of any software or the Computer System. We will have full and complete access to the information and data entered and produced by the Computer System and can use them in any way we deem appropriate. You must maintain a dedicated email account for the Business, separate from any personal or other email account. You must purchase any upgrades, enhancements or replacements to the Computer System and/or hardware and software that we may from time to time require and that may be referenced in the Manuals. Except as provided in Exhibit K (Software System User and Maintenance Agreement), we have no contractual obligation to maintain, repair, update or upgrade the Computer System. You must make sure that you are in compliance with all laws that are applicable to the Computer System or other technology used in the operation of your Business, including all data protection or security laws as well as payment card industry compliance. (Franchise Agreement, Section 5.E)

You must use the following hardware and software in the operation of the Business:

### Hardware

The current cost of hardware for the Computer System is between \$450 and \$1,200 per computer, although the cost may increase in the future. You must use a computer with adequate memory, speed and storage to run the software we require you to use (described below). We will periodically assist you in determining the appropriate hardware and operating systems needed to support the required software but we are not obligated to provide or assist you in obtaining computer hardware. You may acquire your computer hardware from any source. You may use any type of computer that meets our requirements and will run the required software.

Currently, for office use, we recommend a PC with a 3.0 GHz or higher 10 Core processor; 16 GB RAM; minimum 120 GB SSD hard drive; high speed Internet access capability; 1080P color monitor; 2 monitors; keyboard; mouse; and a laser or ink jet printer.

Currently, you must bring a laptop computer to training with at least a Quad Core 3.0 GHz processor or the equivalent; 8 GB RAM; 120 GB SSD hard drive; 1080P color monitor; and WI-FI 5 capable.

Currently, you must provide a current model iPad to each of your technicians for use with customers or otherwise in connection with the operation of the Business. We estimate the current cost of these tablets to be \$500 each.

You must pay for all maintenance of your Computer System, internet access, and local area networks, at your own expense. We do not require you to sign any hardware maintenance or support contracts with us or any third party suppliers. In our experience, most of the computer hardware will have a manufacturer’s warranty that you can extend at additional cost. We estimate that the annual cost to maintain the Computer System is \$100 - \$200 for maintenance not covered under manufacturer’s warranty. We do not guarantee, warranty, maintain or support any computer hardware in any manner. You should determine for yourself whether or not any third party supplier from whom you purchase any

component of your Computer System is obligated to provide ongoing maintenance, repairs, upgrades or updates to any component of your Computer System, and determine the additional cost for the services.

### Software System

You must license our business management software (currently ServiceTitan) from our designated supplier (currently ServiceTitan), and enter into a terms and conditions agreement for same in the form prescribed by us or such designated supplier (as such terms and conditions are referenced in the Software System User and Maintenance Agreement attached as Exhibit K). (The current license fees for ServiceTitan are as follows: Office users - \$131.36 per month for each office user up to 5 office users, \$102.31 per month for each office user from 6 to 10 office users, \$89.38 per month for each officer user from 11 and greater. Service professional users - \$85.08 per month for each service professional user up to 5 service professional users, \$67.84 per month for each service professional user from 6 to 10 service professional users, \$59.23 per month for each service professional user from 11 and greater; these fees are subject to change).

You must also license the Technology Package (currently Qvinci, FranConnect, one NPS product (currently, Broadly), and two Microsoft Office365 E1 email accounts) from our designated supplier (currently us), and pay our affiliate ZorWare monthly support and maintenance fees (see Items 5 and 6 and Exhibit K). The Technology Package and ServiceTitan are referred to in this Disclosure Document as the "Software System". Additional Office365 Exchange email accounts are \$4.50 per month, Office365 E1 email accounts are \$10.50 per month, and Office365 E3 email accounts are \$24.00 per month. You will be provided access to the Software System in an online environment. The Software System provides inventory tracking and management, customer and prospect tracking, scheduling, dispatching, point of sale invoicing interfaced with general ledger software, customer service history, sales analysis, reporting functions and our confidential operations set-up and menu pricing guide. These fees cover maintenance on the Technology Package as provided in the Software System User and Maintenance Agreement (attached as Exhibit K); any maintenance on the ServiceTitan software is provided at ZorWare's then-current hourly rates (currently \$125/hr), as provided in the Software System User and Maintenance Agreement.

Currently, you must participate in an electronic system of reporting Gross Sales from the operation of your franchise through our Software System. You may not at any time substitute any other software for the software we require. We will have independent access to the Software System and certain information in your Computer System, including sales and related data, and there are no contractual limitations on our right to access this information and data.

We will request from ServiceTitan, Inc. access to information that you input into the ServiceTitan system (the "system") or develop on the system in or with respect to accounts related to your franchised business, including, but not limited to customer data, transaction data and operational and financial data about your franchised business(es) (the "data"). Such access may be in individual or aggregated form and may take place with or without notice to you. You must consent to this disclosure by ServiceTitan of any and all data to franchisor and its affiliates and agree to indemnify and hold harmless ServiceTitan and its subsidiaries, affiliates, officers, agents, and employees, for any damages, expenses, losses or liabilities suffered by you in connection with any such disclosure whether such damages are under contract or tort or under any other theory of liability.

We may also request to be granted administrative access to your ServiceTitan user account(s) related to your franchised business(es), to export, transfer or grant access to your account or to data associated with such account(s) or your franchised business(es), to suspend such account(s) or your access to the system for your franchised business(es) or, in connection with a termination of your

franchise agreement(s) with us, to terminate or delete your ServiceTitan account(s) related to your franchised businesses. You must consent to all such access and actions by us and agree that you will not seek any mass export of your data with respect to your franchised business without our written consent. You must also agree to indemnify and hold harmless ServiceTitan and its subsidiaries, affiliates, officers, agents, and employees, for any damages, expenses, losses or liabilities suffered by you in connection with any such actions of franchisor whether such damages are under contract or tort or under any other theory of liability.

We will make available to you an optional third-party web-based job applicant tracking system (“Paradox ATS”), which will allow you to create and manage local job postings online, track job applicants, and manage your recruiting efforts. Your use of the Paradox ATS will be subject to Paradox, Inc.’s terms of use. You will pay us or our affiliate an annual fee at the then-current rate (\$750/year). We may increase the fee in the future but as of the date of this Disclosure Document we don’t anticipate an increase of more than 30% annually in addition to any direct price increases from the vendor, Paradox, Inc. You may opt out of using Paradox at any time. Your access to this third-party applicant tracking system in no way shifts any employee or employment related responsibility from you to us. You are, and will remain, the sole employer of your employees at all times, and you are solely responsible for all employment decisions and actions related to your employees.

In addition, you must also purchase or obtain separately and use the following:

- An operating system that will provide access to the Internet and run the Software System
- Google Chrome
- Adobe Acrobat Portable Document File (PDF) Reader
- Software providing spreadsheet capability and word processing functions
- QuickBooks Online, licensed pursuant to the terms and conditions at <https://quickbooks.intuit.com/global/terms-of-service/>

We currently estimate the cost for the software you must purchase separately to be approximately \$350 to \$500, but this may vary based on whether some of the software is purchased together with your computer hardware. You have the option to obtain QuickBooks Online directly from the third-party vendor (Intuit) or you can obtain it through our affiliate, Zorware, in which case your use of QuickBooks Online will also be subject to the terms of the Software System User and Maintenance Agreement and you will pay to ZorWare the fee for QuickBooks Online (which will be \$30-\$200 per month depending on the license tier that you select).

Our computer hardware and software requirements, including the Software System, will periodically change and you will be required to update your systems and you may incur additional or higher fees and costs in connection with any such changes or updates. We will advise you of any required upgrades, updates or changes. There are no contractual limitations on your obligations to upgrade your Computer System and pay for those upgrades or changes. We may periodically develop other proprietary software and other systems, products and upgrades that we may require you to use. We may charge you a license fee for any new software.

Other than the Computer System requirements described above, you do not have to buy or use an electronic cash register.

### Internet Service Provider

You must have a primary and we recommend a secondary or “back-up” source of internet access. Your primary internet access must be high speed business class internet service with a minimum of 1 megabit per second (Mbps) of available band width per named Software System user. We may modify these requirements in the future. You may use any independent Internet service providers (“ISP”) of your choice as long as each allows you to perform all necessary functions. (Franchise Agreement, Section 5.E)

### Email, Internet and Web Site

We own the domain name [www.mrhandyman.com](http://www.mrhandyman.com) and [www.myhandyman.com](http://www.myhandyman.com) as our primary websites for information about franchised businesses. You must provide information to us promoting your Business to post on the websites. You may not separately register any domain name or any social media account containing any of the Marks or establish a website or social media account for the Business without our prior written consent. We reserve the right to pre-approve, establish rules, procedures, and policies relating to any website or social media account you create for the operation of your Business. Our system standards will apply to website advertising. At our option, we may, in the future, establish one or more additional websites to advertise, market, promote and operate Mr. Handyman businesses and the franchise opportunity, and provide you certain additional website-related services such as a listing for your location, or a web page, and we may charge you a fee for such services (see Item 6). (Franchise Agreement, Section 5.K)

We make no warranties and disclaim any express or implied warranty relating to any software, data, Intranet, website or other related items provided or recommended by us. If we provide you with any software or require the use of any software, Intranet, website or other related items we will not be liable for any costs or expenses, including any special, indirect, or other damages (including lost profits), even if we have been advised of the possibility of damages and even if the software did not function properly or had design problems that may have contributed to any loss.

You must comply with all policies and procedures as described in our Manuals, and execute any required agreements for use of our Intranet or any electronic communication, or data storage/retrieval system, website or software, as we periodically require, including policies that require you to identify yourself in all electronic communications as an independently owned business. We may periodically modify these rules and policies at our discretion. We are not obligated to provide you with an internet or intranet email account or system but we do currently use an on-line system for the communication of information and Internet/electronic mail access. We may discontinue the current system of communication and Internet/electronic mail at any time and you may be required to maintain an account we designate with a provider of our selection and pay the required fees. See Item 6. We are not obligated to monitor or create/maintain any backup of email and information/data related to email. There are no contractual limitations on our right to access information and data on the electronic communication and Internet/electronic mail systems. You agree you have no right of privacy with respect to such communication and data and we may access these email communications and data. Any access to, monitoring or copies of, data related to electronic communications and emails will be solely for our benefit.

We may use all data provided by you to us for any and all purposes for which we may solely determine, including financial information and assessments or similar data, and we may share and disclose the data to/with our affiliates, their franchisees and our franchisees, and all prospective franchisees, without restriction and without compensation, subject to compliance with applicable laws. We will disclose such financial information and data to any other third party only after your name has

been omitted unless you consent or as required by judicial process or a governmental investigation, in each case subject to compliance with applicable laws. (Franchise Agreement, Section 5E).

### Site Selection

You select the site for the Business with site selection guidelines we provide. You must verify to us that your site complies with our site selection guidelines. We do not select your site. You may operate the Business from your home if your home is located within your Territory, and if local zoning permits and you have received our written approval; however, you have the option to lease office space. We will approve your site so long as it meets our site selection guidelines. The factors we consider in approving your site are whether the site is located within your Territory and whether it meets zoning requirements. We will attempt to approve or disapprove your selected site within 10 business days after you submit the location (together with evidence of its compliance with our site selection guidelines) to us for approval. There are no consequences if you and we can't agree upon the location, except that the franchised business cannot be operational. We do not generally own the premises for a franchised business and lease them to a franchisee. You must begin operating your Business within 6 months from the date you sign a Franchise Agreement, although you may not commence operations of your Business until you successfully complete our training program and have otherwise complied with your pre-opening obligations. (Franchise Agreement, Section 5.A)

### Manuals

We will loan you copies of or provide electronic access to our Manuals, which contain mandatory and suggested specifications, standards and procedures. You must adopt and use as your continuing operational routine the required standards, service style, procedures, techniques, and management systems described in our Manuals or other written materials relating to the Business. The Manuals will contain both mandatory standards and recommended standards. You must treat the Manuals, and other materials created for or approved for use in the operation of the Business, and the information contained in them, as confidential. The Manuals will remain solely our property. We may, from time to time, revise the contents of the Manuals and you must comply with each new or changed standard. The Manuals have a combined total of 1,330 pages. (Franchise Agreement, Section 5.G)

The table of contents from our Manuals is as follows:

Topic	Number of Pages

\* These are a partial list of Safety Data Sheets that OSHA requires that you provide to your technicians.

### Training

You must successfully complete our Initial Training program within six months of the time you sign the Franchise Agreement and before opening the Business.

Our President directs our training program and has over 20 years of experience working with franchisors and training new franchisees, six years of that with us and our affiliates. See also Item 2. Our President has responsibility for our training staff, consisting of assistants, sales and marketing staff, franchise service personnel and officers and personnel from our affiliate companies. These instructors' length of experience in the industry ranges from 2 years to 20 years, with 2 years to 9 years of that experience with us and Predecessor.

Initial Training begins with "Sure Start," a six to eight week program that includes numerous pre-opening activities. During Sure Start, you must prepare a comprehensive financial plan, review the Manuals, complete a territory review, coordinate your initial advertising program, acquire proper insurance, and acquire all permits, licenses, and approved vehicles. Sure Start activities are completed before attending training in Dallas, TX and are conducted in your hometown with assistance from our home office staff (or virtually). You may enter Sure Start immediately upon your signing and return to us of the Franchise Agreement and the Initial Fees. During Sure Start, we will tentatively schedule a classroom training session for you to attend (which may be conducted remotely/virtually). Final confirmation of your scheduled classroom training will be contingent upon your successful completion of Sure Start. In addition, your on-site (or virtual) training and opening Business launch dates will be mutually agreed upon during Sure Start.

Upon your successful completion of Sure Start, you will attend up to ten days of classroom training at our offices in Dallas, TX or at another location designated by us, although as of the date of this Disclosure Document, this training may be conducted virtually. Following the successful completion of your classroom (or virtual) training, final confirmation will be made of your Business launch date which will include two days of training at your site (which training may be conducted virtually). We may also require that you attend one of our field training centers for two (2) to three (3) days.

Although we or our affiliate will furnish Initial Training to you and one other person (training for additional persons will be provided on a space-available basis), at no additional fee, you must pay for all travel and living expenses you incur while training (unless your training is conducted virtually). In addition, each attendee must sign our then current Non-Disclosure Agreement before the start of the session. If it becomes necessary to retrain a certain individual, we reserve the right to charge you a training fee.

If this is an additional Franchise being awarded to you, and you have already attended Initial Training, the requirement that you attend Initial Training is waived, as is our obligation to provide this to you at no additional fee. If this is a Transfer, you will be required to complete the Initial Training Program, although we may modify the training based on the circumstances in the event you are a transferee/buyer and have signed a Buyer Commitment Agreement.

We reserve the right to revise the training itineraries at any time. We conduct the Initial Training as often as needed, typically this is at least once monthly. All classes are scheduled by written notice to franchise owners.

Any training provided by us or our affiliate to any of your workers will be limited to training or guidance regarding the delivery of approved services to clients in a manner that reflects the customer and client service standards of the System. You are, and will remain, the sole employer of your employees at all times, including during all training programs, and you are solely responsible for all employment decisions and actions related to your workers. You are solely responsible for ensuring that your workers receive adequate training. (Franchise Agreement, Section 6)

Currently, we have chosen to provide on-going training through conventions and regional meetings, as well as through webinars. While we may, at our sole option, choose to change formats, times, and locations, you must attend some form of periodic training session every 2 years for which we may charge fees. You must pay all registration, travel and living expenses that you incur while attending any session. If you do not attend at least one Reunion event every two years, we may debit your account \$2,000.

We establish the duration, curriculum, and location of these sessions. The curriculum for past events has included (but is not limited to): technical training, business plan analysis, marketing, profitability, and maximizing your business opportunities. Continuing training sessions are currently held online, in Dallas, TX or at other locations as determined by us.

### **Opening of Franchise**

Our franchisees typically open for business within 45 days after completing Initial Training, which will generally take place 1 to 3 months after signing the Franchise Agreement. The Franchise Agreement requires you to open within 6 months after signing the Franchise Agreement. The factors that affect how quickly you can open your Business include the training schedule, your ability to obtain necessary financing, delivery of vehicles, any local requirements for permits or licenses and your ability to complete our recommended pre-training agenda. (Franchise Agreement, Section 5.A)

## **ITEM 12. TERRITORY.**

### **The Territory**

You will receive the right to operate a Mr. Handyman business at a location within your territory that meets our site selection guidelines (the "Franchise Location"). Your Franchise Agreement will also specify a designated territory that will provide you limited territory protection (the "Territory"). We identify Territories by U.S. Postal codes or physical or political boundaries. Within your Territory, you and we will agree upon an approximate number of target households that meet our current demographic

formulation. The typical Territory includes approximately 60,000 target households. The minimum Territory size is 40,000 target households and the maximum Territory size is 60,000 target households. You will maintain rights to your Territory even if the population in your Territory increases. The Franchise Agreement does not grant you any territorial rights beyond the Territory.

If you wish to relocate from your Franchise Location to a new business site, we will authorize you to do so; provided (1) you are not in default of the Franchise Agreement, any other agreements with us, or the lease for the former Franchise Location, (2) you are current on your financial obligations to us and our affiliates and all your third party creditors, (3) you open for business at the new location on the same day you close your former Franchise Location, and (4) the new business site is within your Territory. You may operate from your home if your home is located within your Territory, and if local zoning permits and you have received our written approval or from any existing business premises.

In the limited instance that Google (or another designated vendor we use for search engine optimization purposes to drive online customer marketing) requires a secondary physical location in your Territory (in addition to your Franchise Location) in order to align with the marketing areas identified by Google/the vendor, we and you will agree on how you can establish and operate the secondary location in a manner that meets Google/the vendor's requirements as well as our applicable System standards for a secondary location; provided that this requirement will not apply during the first year of operation of your Business.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets we own, or from other channels of distribution or competitive brands that we, our affiliates or third parties control, operate or franchise. However, provided you are in full compliance with your Franchise Agreement, we will not operate or grant a franchise for the operation of another Mr. Handyman franchise with rights to market within your Territory during the term of your Franchise Agreement.

We and our affiliates reserve all other rights not specifically granted to you, including the right, while your Franchise Agreement is in effect, to sell or allow others to sell: any products or services anywhere using different trademarks; the same or similar products and services, competitive with those you will provide, anywhere using different channels of distribution; different products and services anywhere using the Marks; or the same products and services using the same trademarks anywhere outside your Territory. In addition, we may advertise, solicit and enter into Key Accounts, which are national, regional or other accounts we believe will benefit the system as further described in the Franchise Agreement, the Manuals and Item 8, and Key Accounts may involve marketing in your Territory. In addition to allowing others to offer products and services in your Territory generally, in the specific case when a Key Account is involved we may also designate or authorize a corporate employee, another franchisee or any other third party to perform or assist you in performing services within your Territory if you refuse, after being offered an opportunity, or, in our judgment, are not qualified, interested, able or available to perform services for any customer in the Territory, including for any Key Account customer; or if you request assistance. If you agree to participate in or service Key Accounts, you must do so on the terms we specify, which terms may include, but may not be limited to, the provision of certain insurance, equipment, products and services, and the offer of services at prices not to exceed the maximum prices specified as well as payment by you of any applicable sales or broker commissions. If we allow others to provide services in your Territory, you will not be entitled to any compensation for the sales or services performed. Subject to the rights granted to you in your Franchise Agreement, we may provide in the Manuals for other programs in which we offer and sell, and/or authorize others to offer and sell, using the Marks or other marks, goods and services in your Territory that are identical or similar to and/or competitive with those provided at your Business. We may also acquire businesses or be acquired by a business offering similar products and services anywhere.

You cannot advertise for or attempt to solicit customers for any products or services, including using Internet, telemarketing or other direct marketing, outside your Territory. You may only provide products/services to customers outside your Territory in accordance with our policies and procedures (including the Preferred Lead Program described below) and only with our prior written consent. We may identify in the Manuals or otherwise in writing the conditions under which we would grant our consent to your servicing or selling outside of your Territory and our consent may be conditioned upon whether you have obtained a required level or the highest level of quality or service as determined by a rating system we designate, which may change from time to time. Under our Preferred Lead Program, you may provide services within a specified area outside your Territory (such area, “designated area”), if such services are provided to your existing customer that has locations inside your Territory and within the designated area and the franchisee who owns the territory in which the designated area is located also participates in the Preferred Lead Program. Additional terms and conditions of the Preferred Lead Program are described in the Manuals. You must meet the qualifications described in the Manuals before you may participate in the Preferred Lead Program.

Our Manuals may also set specific rules for engaging in, and what may constitute, marketing within your Territory and other related matters, including what telephone area codes and exchanges may be used within the Territory (depending on the areas covered by those area codes/exchanges); which publications or media you may advertise in (depending on whether the circulation of the publication/media is wholly or mostly within your Territory); participation in promotional events, tradeshow, continuing education programs, chambers of commerce and industry association meetings; the post office box or mailing address that may be displayed on advertising; which phone numbers may be displayed on your vehicles; how, when and from which customers or accounts you may solicit work (depending on their location and the location and/or duration of the work); requirements for referral of work; enforcement, administration and interpretations of provisions of marketing/territory rules and procedures; and other matters; and we may update and change these rules from time to time.

We do not otherwise limit or restrict your solicitation of customers in your Territory.

Neither we nor any other party are required to pay you as a result of us exercising in your Territory any of our rights described in this Item.

Beginning with the second full calendar year of operations, your Business must achieve (a) in each calendar year, annual Gross Sales that are in the top 90% of the annual Gross Sales per franchised business for the Mr. Handyman franchise system for that calendar year (the “Gross Sales MPS”) and (b) a Net Promoter Score (or another customer satisfaction survey score we designate) (“NPS”) that is not more than 10 points below the average NPS for the Mr. Handyman franchise system for each applicable measurement period we set (the “Customer Satisfaction MPS” and collectively with the Gross Sales MPS, the “Minimum Performance Standards”). If you operate multiple Mr. Handyman businesses, the Minimum Performance Standards will apply separately to each franchised business. We can make changes to the Minimum Performance Standards upon 6 months’ prior written notice in accordance with our reasonable business judgement and so long as such revised Minimum Performance Standards are applied to all similarly situated Mr. Handyman franchised businesses.

If you do not meet the Minimum Performance Standards for any applicable calendar year or measurement period, we will meet with you to identify the reasons for the substandard performance and establish a performance improvement plan (“PIP”) for the Business to take specific actions with the goal to improve the overall performance of the Business, including its annual Gross Sales and/or NPS. Your failure to implement or comply with the PIP over the three to six month period we designate will be a default under your Franchise Agreement, subject to a 30-day cure period. During the cure period, you will have the opportunity to advise us of your intent to sell your Business to a third party, in which case

we will give you an additional 90 days (from the date of your notice of intent to sell) to transfer the Business in accordance with the transfer requirements of the Franchise Agreement. Failure to timely cure the default or transfer the Business will give us the right to either reduce the size of your Territory or terminate your Franchise Agreement.

Although you do not have a right to do so, we may permit you to establish another Mr. Handyman Business, if you meet our then-current Expansion Criteria. We have the absolute right to determine whether an existing franchisee meets our Expansion Criteria, which we may modify from time to time. As of the date of this Disclosure Document, the criteria we consider are, among other factors: a franchisee's compliance with the System, operational success (including your existing Franchised Business(es) meeting or exceeding certain performance thresholds), leadership ability and team development, financial stability and ability to expand and potential limits on the number of Businesses any franchisee owns.

We do not generally grant any right of first refusal to obtain additional territory.

If you do not qualify for renewal of your Franchise Agreement, we may, in some cases, but are not required to, offer to enter into a franchise agreement with you for a smaller territory and you would then have the option to accept that territory on the terms offered.

We do not operate or franchise, or currently plan to operate or franchise, any business under a different trademark that sells or will sell goods or services similar to those that our franchisees sell. However, certain of our affiliates described in Item 1, and other portfolio companies that currently are or in the future may be owned by private equity funds managed by our affiliates, may operate and/or franchise businesses that sell similar goods or services to those that our franchisees sell. Item 1 describes our current affiliated franchise programs that offer franchises, their principal business addresses, the goods and services they sell, whether their businesses are franchised and/or company-owned, and their trademarks. As noted in Item 1, all of these affiliated franchised brands (with the exception of Mosquito Joe, PDS, and any KKR portfolio companies) have the same principal business address as us, and they generally do not maintain separate offices and training facilities from our offices and training facilities (except for Rainbow International, which maintains some separate training space) although each affiliated brand has its own separate meeting space. Most of the affiliated franchisors and the affiliated franchise brands are not direct competitors of our franchise network given the products or services they sell, although some are to a limited extent, as described in Item 1. All of the businesses that our affiliates and their franchisees operate may solicit and accept orders from customers in your territory. Because they are separate companies, we do not expect conflicts between our franchisees and our affiliates' franchisees regarding territory, customers and support, and we have no obligation to resolve any perceived conflicts that might arise.

### ITEM 13. TRADEMARKS.

We grant you the right to operate a franchise under the name MR. HANDYMAN®. You may use our other current or future trade names, trademarks, service marks, symbols, emblems, logos and indicia of origin designated by us ("Marks") to identify your franchise.

As noted in Item 1, we became the owner of the above-listed Marks in March 2021.

Our Parent, Neighborly Assetco LLC, owns the following Marks, which are registered on the Principal Register of the USPTO, and we license from Parent the right to use and to allow our franchisees to use these Marks under a Trademark License Agreement (the “License Agreement”). The License Agreement grants us a worldwide, non-exclusive, nontransferable license to use and to license others to use the Marks. Parent may terminate the License Agreement due to our material breach, ownership change or for any reason upon 90 days’ notice. Upon any termination of the License Agreement, we will be required to cease all use of these Marks and we will require you to do the same.

Required affidavits and renewals for the registrations for our principal trademarks have been filed when due. In addition to the Federal rights that apply to use of the registered Marks above, we claim common law rights, based on our use of the Marks, to all of our Marks.

There may be areas, however, in which a third party has prior common law rights to the use of one of our Marks. If you propose to operate a franchise in one of those areas, we may attempt to obtain exclusive use of that Mark, or, in the alternative, we may designate and grant you permission to utilize a different proprietary mark. We do know of instances where another entity may have superior prior rights to use the “Mr. Handyman” mark that could materially affect your use of our principal Mark. In these instances, you will use the Marks “My Handyman”. The areas include: Washtenaw County, MI (1998); Montgomery County, NH (1991); and Morristown, TN (1994). We also know of instances where another entity is infringing upon the “Mr. Handyman” mark. We are taking action to defend our Marks in these

areas, which include: Tucson, AZ (unknown); Southern Florida (unknown); Atlanta, GA (2013); Hillsborough County, NJ (unknown); Long Island, NY (unknown); and Henderson, NV (unknown). There may be other instances in which we may elect to use, or require you to use, a different proprietary mark in a market, region or systemwide. In any instance in which we require you to use a different proprietary mark, you must, at your expense, comply with our designation and use, or change your use to the designated mark. You must modify or discontinue the use of a Mark, at your expense, if we direct. If we direct, you must adopt or use one or more additional or substituted Marks.

Except as provided above, there are no currently effective determinations of the USPTO, the Trademark Trial and Appeal Board, the trademark administrator of any state or any court, no pending infringement, opposition or cancellation proceedings and no pending litigation involving any of the Marks that may significantly affect the ownership or use of any Mark listed above. Except for the License Agreement noted above, no agreements limit our right to use or license the use of our Marks.

You must notify us immediately when you learn about an infringement of or challenge to your use of our Marks. We will take the action we think appropriate but are not obligated to protect your rights to use the Marks. We have the right to control the defense of any claim using attorneys we choose and you must cooperate in that defense. You may participate in the defense and settlement at your own expense but our decisions will be final and binding. We will indemnify you or reimburse you for your liability and reasonable costs if there is a challenge to your authorized use of our Marks provided you have notified us immediately after you learned of the challenge and cooperate with us in defending the challenge as required.

You must follow our rules when you use the Marks and you may only use the Marks for the operation of your Business in your Territory. You must execute any documents we require to protect the Marks or to maintain their continued validity and enforceability. You may not directly or indirectly contest the validity of our Marks, our (or Parent's, as applicable) ownership of the Marks or our right to use or license our Marks, trade secrets, confidential information or business techniques that are part of our business. You cannot use the Marks as part of a corporate or other legal name and you must comply with our instructions in filing and maintaining trade name or fictitious name registrations.

You must modify or discontinue the use of a Mark, at your expense if we direct. If we direct, you must adopt or use one or more additional or substituted Marks.

#### **ITEM 14. PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION**

You do not receive the right to use an item covered by a patent but you can use the proprietary information in our Manuals and software which are described in Item 11. We have not filed an application for a copyright registration in these items, but we claim a common-law copyright in our Manuals and software and we treat the information in these items as confidential and proprietary. Item 11 describes limitations on the use of the Manuals and software by you and your employees. You must treat these items and the information as confidential. You must also promptly tell us when you learn about unauthorized use of this proprietary information. We are not obligated to take any action to protect or defend use of proprietary information but will respond as we think appropriate and will control any action we decide to bring or defend. We are not required to participate in your defense or indemnify you for use of copyrighted material or patents. We do not actually know of any infringing uses of our copyrights that could materially affect your use of the copyrighted materials in any state and there are no agreements that limit our rights to use our copyrights or to allow others to use them.

Confidential information includes all information, data, knowledge, materials, techniques and know-how designated or treated by us as confidential and includes any and all Manuals, computer software or programs, training materials, operational videos, marketing programs, franchise rosters,

franchisee lists, customer and prospective customer lists and data, and any other materials designated or treated by us as confidential. You may not, at any time during or after the term of the Franchise Agreement, disclose, copy or use any confidential information except as we specifically authorize.

If we ask, you must have your personnel who receive or will have access to confidential information sign covenants not to divulge the confidential information or use it for their own benefit. If you are a corporation or other business entity, your shareholders, members and/or owners must also abide by these covenants and sign a Guaranty (attached to the Franchise Agreement as Schedule C). If you are an individual, we may require your spouse to sign and abide by a confidentiality agreement. If we ask, your employees with access to your password and log-in name for our Intranet must sign a confidentiality agreement agreeing to not disclose this information.

If you develop any new product, service offering, concept, invention, business venture, technique, process or improvement in the operation or promotion of your Business, you must promptly notify us and provide us with all necessary information free of charge. You acknowledge that we own any such information and you agree to assign ownership of same to us, and you acknowledge that we may provide the information to other franchisees for use in their franchises.

There currently are no effective adverse determinations of the USPTO, United States Copyright Office or any court, nor are there any pending infringements, opposition or cancellation proceedings or material litigation, involving the copyright materials that are relevant to their use by our franchisees.

#### **ITEM 15. OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS**

If you are an individual, you must directly perform or supervise the operation of the Business unless we consent otherwise. You must obtain and maintain an immigration status that will allow you to live and work in the United States for the initial term of the Franchise Agreement and for the length of any renewal term of the Franchise Agreement. If you do not have or maintain the required status, the Franchise Agreement will immediately expire by its terms with no further notice or opportunity to cure and we will have no liability to you, and no refund of any fees will be made. However, you will remain bound by all post-termination obligations in the Franchise Agreement, including all obligations regarding non-competition, de-identification, confidentiality, and indemnity.

If we agree that you need not personally perform or supervise operation of the Business, an individual who has successfully completed our training program (“manager”) must directly supervise the Business, and that individual must be a bona fide manager, as determined by us. If we ask, the manager must sign a written agreement to maintain confidentiality of the trade secrets described in Item 14.

If you are a corporation or other legal entity, direct, on-site supervision must be done by a designated owner who has successfully completed our training program unless we consent otherwise (“principal owner”). If we ask, the principal owner must sign a written statement to maintain confidentiality of the trade secrets described in Item 14 and to conform to the covenants not to compete described in Item 17. If we agree that a principal owner need not personally perform or supervise the operation of the Business, a manager must directly supervise the Business. The manager need not have an ownership interest in the Business. If you are a corporation or other legal entity, your principal shareholders, members and/or owners must sign a Guaranty agreeing to pay and perform all obligations under the Franchise Agreement (attached to the Franchise Agreement as Schedule C). If you obtain financing from us as provided in Item 10, we have the right to require a spouse’s personal guaranty.

While you own the Business, you cannot have an interest or relationship with any competitors. If you own an existing business when you sign the Franchise Agreement, we may (in our sole discretion)

allow you to exclude such business from the Business by executing the Excluded Services Addendum attached as Schedule H to the Franchise Agreement.

#### **ITEM 16. RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL.**

You must offer and sell only the goods and services that conform to our standards and specifications. You must offer the goods and/or services that we designate as required for all franchisees and you may elect to offer other products and/or services only if we approve them in advance. You must provide residential and business repair, maintenance and improvement services. We may change the authorized services and/or products that we require you and all franchisees to offer by adding additional services and/or products or deleting products and/or services, or both and there are no limits on our right to make changes. If we make any changes, we will notify you. We have no plans to make significant changes in the future.

You must honor our warranty policies for installations, repairs and replacements as described in the Manuals. This policy states that we handle warranty claims on a case-by-case basis with some basic guidelines and, as a result, you will be obligated to perform warranty work, at no charge, on certain services, including services that another franchisee originally performed.

You must comply with all applicable laws and regulations and obtain all appropriate governmental approvals for the Business, including obtaining applicable contractor's license if required by your locality. To ensure that the highest degree of quality and service is maintained, you must operate in conformity with the methods, standards and specifications in the Manuals and as we may otherwise require in writing periodically. You must not deviate from our standards and specifications without our prior written consent.

We do not limit or restrict your solicitation of customers in your Territory, although we own all customer information and may use the customer information as we deem appropriate (subject to applicable law), including, without limitation, sharing it with our affiliates for cross-marketing, customer loyalty programs or other purposes. For example, "Your Hub for Home Services" is Neighborly's current cross-branding initiative where we intend to increase cross utilization of Neighborly brands by consumers and drive consumer awareness via getneighborly.com and other marketing programs.

#### ITEM 18. PUBLIC FIGURES.

We do not use any public figure to promote our franchise business.

#### ITEM 19. FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may only be given if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

The following charts and tables are a historic financial performance representation and are not a forecast of your future financial performance. Franchisees are not required to use generally accepted accounting principles when reporting these figures.

For purposes of the representations below, "Gross Sales" means the total revenues and receipts from whatever source (whether in the form of cash, credit, agreement to pay, barter, trade or other consideration) that arise, directly or indirectly, from the operation of, or in connection with, a Mr. Handyman Business, whether under any of the Marks or otherwise. Gross Sales exclude sales taxes collected from customers and paid to the appropriate taxing authority and any other bona fide refunds, rebates or discounts that we authorize in writing. Gross Sales also exclude sales from any Excluded Services (as defined in a mutually executed Excluded Services Addendum (see Schedule H to the Franchise Agreement)). Gross sales reflect the total sales for the Operators as reported to us through the Software System.

As of December 31, 2024, there were 347 Mr. Handyman businesses in operation in the United States, all of which were franchised businesses. Tables A, B and C of this Item 19 include data for 310 franchised businesses (“Reporting Businesses”) that were in operation and reported sales for all 12 months of the calendar year 2024 (the “Reporting Period”). Tables A, B and C do not include data for (a) 27 franchised businesses that opened in 2024 and therefore did not report data for the entire Reporting Period; and (b) 10 franchised businesses that underwent a transfer during the Reporting Period and as a result did not report data for all months of the Reporting Period.

Six franchised businesses closed during the Reporting Period (and therefore did not report data for the entire Reporting Period) and thus were excluded from this Item 19; of the 6 businesses that closed during the Reporting Period, no businesses closed after being open for less than 12 months.

**TABLE A – AVERAGE AND MEDIAN GROSS SALES FOR THE PERIOD OF JANUARY 1, 2024 TO DECEMBER 31, 2024**

The following table provides the average and median Gross Sales for the Reporting Period for 151 franchisees that operated the Reporting Businesses (the “Reporting Franchisees”). Because Mr. Handyman franchisees have historically reported data to us aggregated by franchisee (rather than by a franchised business) and a number of Mr. Handyman franchisees operate multiple Mr. Handyman franchised businesses, we have separated the data reported in this Table A by the number of franchised businesses that the franchisees own – i.e., separately showing average and median Gross Sales data for franchisees that own one franchised business/unit, franchisees that own two franchised businesses/units, franchisees that own three franchised businesses/units, franchisees that own four franchised businesses/units and franchisees that own five to six franchised businesses.

# of Franchised Businesses/Units Owned by Each Franchisee	# of Reporting Franchisees <sup>1</sup>	# of Reporting Franchised Businesses	Average Gross Sales <sup>5</sup>	#/ % of Franchisees that Achieved at least the Average <sup>4</sup>	Actual Highest Gross Sales <sup>2</sup>	Actual Lowest Gross Sales <sup>3</sup>	Median Gross Sales <sup>5</sup>
Single-Unit Franchisees Group	56	56	\$763,264	19/34%	\$3,232,942	\$39,157	\$592,224

<sup>1</sup>This is the number of franchisees whose Gross Sales data is included in each group (“Reporting Franchisees”).

<sup>2</sup>This is the actual highest Gross Sales for the applicable group of Reporting Franchisees during the Reporting Period.

<sup>3</sup>This is the actual lowest Gross Sales for the applicable group of Reporting Franchisees during the Reporting Period.

<sup>4</sup> This is the number and percentage of the Reporting Franchisees in the applicable group that achieved or exceeded the Average Gross Sales for the group for the Reporting Period.

<sup>5</sup> We calculated the average and median Gross Sales data as follows: first we calculated the average Gross Sales for the Reporting Period for each Reporting Franchisee in the applicable group (the “Individual Franchisee Gross Sales”) and then we calculated the average and median of the Individual Franchisee Gross Sales for all Reporting Franchisees in the applicable group.

#### **TABLE D – 2024 AVERAGE AND MEDIAN GROSS SALES PER JOB**

The following table provides the average and median 2024 Gross Sales Per Job for the Reporting Franchisees for the Reporting Period.

<b># of Reporting Franchisees</b>	<b># of Reporting Franchise Businesses</b>	<b>Average Gross Sales per Job<sup>1</sup></b>	<b>#/ % of Franchisees that Achieved at least the Average<sup>4</sup></b>	<b>Highest Gross Sales per Job<sup>2</sup></b>	<b>Lowest Gross Sales per Job<sup>3</sup></b>	<b>Median Gross Sales per Job<sup>1</sup></b>
151	310	\$684	57/37.1%	\$1,872	\$310	\$636

<sup>1</sup> We calculated the average and median Gross Sales Per Job as follows: (i) first, we received the annual Gross Sales of each Reporting Franchisee for the Reporting Period, as provided to us by franchisees through the Software System, (ii) we then received the total number of jobs of each Reporting Franchisee for the Reporting Period, as provided to us through the Software System, (iii) next we divided the annual Gross Sales for each Reporting Franchisee by the total number of jobs of the Reporting Franchisee (the “Individual Franchisee Gross Sales per Job”), and (iv) then we calculated the average and median of all Reporting Franchisees’ Individual Franchisee Gross Sales Per Job for the Reporting Period.

<sup>2</sup> This is the actual highest Gross Sales per Job of the Reporting Businesses for the Reporting Period.

<sup>3</sup> This is the actual lowest Gross Sales per Job of the Reporting Businesses for the Reporting Period.

<sup>4</sup> This is the number and percentage of Reporting Franchisees that achieved the Average Gross Sales per Job or greater during the Reporting Period.

**Some outlets have earned this amount. Your individual results may differ. There is no assurance that you will earn as much.**

The financial performance representation figures do not reflect the costs of sales, operating expenses or other costs or expenses that must be deducted from the gross revenues or gross sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating the Business. Franchisees or former franchisees listed in this Disclosure Document may be one source of information. We encourage you to carefully review this material with your attorney, business advisor and/or accountant.

We have in our possession written substantiation of the information used to compile this Franchise Performance Representation. At your written request, we will make this written substantiation available to you.

Other than the preceding financial performance representation, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Ronald Michael Shimek II, 1010 North University Parks Drive, Waco, Texas 76707, (800) 289-4600, the Federal Trade Commission, and the appropriate state regulatory agencies.

If the Franchisee is a corporation, partnership, limited liability company or other legal entity, the provisions of this Agreement also apply to its owners.

### RECITALS

A. We have developed a system for establishing and operating businesses identified by the Marks (as defined below) and engaged in providing a diverse array of residential or business maintenance, repair or improvement services and performing related services and selling related products pursuant to certain standards and specifications (each, a “MR. HANDYMAN Business”).

B. We own the MR. HANDYMAN® service mark and other marks, as well as other Intellectual Property (as defined below) used in connection with the operation of a MR. HANDYMAN Business.

C. You desire to develop and operate a MR. HANDYMAN Business, and we have agreed to grant you a franchise to operate a MR. HANDYMAN Business subject to the terms and conditions of this Agreement.

In consideration of the foregoing and the promises and consideration below, you and we agree as follows:

### DEFINITIONS

1. For purposes of this Agreement, the terms below have the following definitions (other terms are defined in the body of this Agreement):

A. “Business” means the MR. HANDYMAN Business you develop and operate pursuant to this Agreement.

B. “Confidential Information” means any proprietary and non-public information, data, Intellectual Property, materials and know-how relating to the development or operation of MR. HANDYMAN Businesses, whether contained in the Operations Manual or otherwise, including, but not limited to: (1) training programs and materials; (2) databases of Customers and potential customers, including Customer Information; (3) sales and marketing programs and techniques for MR. HANDYMAN Businesses; (4) knowledge of operating systems of MR. HANDYMAN Businesses; and (5) computer systems, technology and software programs.

C. “Customer” means any person or entity (1) included on any marketing or customer lists you develop or use, including any such lists provided by us to you; (2) who has purchased, is purchasing, or has inquired about purchasing products or services from you during the term (even if you have solicited the person and/or established a relationship independent of us and without our assistance) or whom you have solicited to purchase any products or services; (3) who has been entered into any software program used in, or relating to, the operation of the franchised business; (4) for whom you provide products or services on our behalf or at our direction; and (5) if any of the foregoing is an entity, all employees of such entity.

D. “Customer Information” means any contact information (including name, address, phone and fax numbers, and e-mail addresses), sales and payment history, and all other information about any Customer, including any personal information that identifies, relates to, describes, is capable of being associated with, or could reasonably be linked, directly or indirectly, with a particular individual or household.

E. “Effective Date” means the date designated as Effective Date on the Data Sheet. If no Effective Date is designated on the Data Sheet, the Effective Date is the date when we sign this Agreement.

F. “Franchise Location” is the premises that are located within the Territory, that meet our site selection guidelines and criteria and from which you will operate your Business.

G. “Gross Sales” include the total revenues and receipts from whatever source (whether in the form of cash, credit, agreement to pay, barter, trade or other consideration) that arise, directly or indirectly, from the operation of or in connection with your Business whether under any of the Marks or otherwise. Gross Sales exclude sales taxes collected from Customers and paid to the appropriate taxing authority and any other bona fide refunds, rebates or discounts that we authorize in writing. Gross Sales also exclude sales from any Excluded Services (as defined in a mutually executed Excluded Services Addendum (attached as Schedule hereto)).

H. “Intellectual Property” means patents, rights to inventions, copyright and related rights, the Marks, business names, domain names, social media accounts and identifiers (and all related content and programming, and related security codes and passwords), rights in goodwill and the right to sue for passing off, rights in designs, database rights, rights to use, and protect the confidentiality of, confidential information (including know-how), and all other intellectual property rights, in each case whether registered or unregistered and including all applications and rights to apply for and be granted, renewals or extensions of, and rights to claim priority from, such rights and all similar or equivalent rights or forms of protection that subsist or will subsist now or in the future in any part of the world relating to the MR. HANDYMAN Business and the System, owned by us and acquired by us from time to time.

I. “Internet” means all communications between computers and television, telephone, facsimile and any other communication or communication capable devices and another such device or machine, including the World Wide Web, proprietary online services, social media platforms, blogs, E-mail, news groups and electronic bulletin boards and forums.

J. “Key Accounts” means national, regional or other customers of MR. HANDYMAN Businesses located within and/or outside the Territory with whom we have entered or plan to enter into contracts, programs or other arrangements (i) for servicing of multiple locations of such customers and/or (ii) that we determine are designed to benefit the System as a whole by gaining otherwise unavailable business or addressing the concerns of such customers that may require specific terms or provisions of our arrangement with them, including without limitation special insurance, experience, equipment, pricing, payment terms, turnaround requirements, or approvals.

K. “Marks” means the “MR. HANDYMAN” service mark and logo, the “neighborly” service mark and logo, and such other trade names, trademarks, service marks, trade dress, logos, social media indicators, social media handles, and commercial symbols as we may from time to time expressly authorize or direct you, in writing, to use in connection with the operation of the Business.

L. “Operations Manual” means any collection of written, video, audio and/or software media (including materials distributed electronically), regardless of title and consisting of various subparts and separate components, all of which we or our agents produce and which contain specifications, standards, policies, procedures and recommendations for operating MR. HANDYMAN Businesses, all of which we may change from time to time. The term “Operations Manual” includes all means of communicating such information, regardless of format.

M. “Preferred Lead Program” means a program that we offer to qualified franchisees that permits each such franchisee to perform services in a defined area outside of its territory (the “designated area”) so long as (i) such services are for such franchisee’s existing customer that has locations within and outside of such franchisee’s territory (but within the designated area) and (ii) the franchisee who owns the territory in which the designated area is located also participates in the Preferred Lead Program. Additional terms and conditions of the Preferred Lead Program are set forth in the Operations Manual. You must meet the qualifications set forth in the Operations Manual before you may participate in the Preferred Lead Program.

N. “Principal Owner” means any person or entity who, now or hereafter, directly or indirectly, owns a 5% or greater interest in the franchisee when the franchisee is a corporation, limited liability company, partnership or other entity. However, if we are entering into this Agreement totally or partially based on the financial qualifications, experience, skills or managerial qualifications of any person or entity who directly or indirectly owns less than a 5% interest in the franchisee, we have the right to designate that person or entity as a Principal Owner for all purposes under this Agreement. In addition, if the franchisee is a partnership entity, then each person or entity who, now or hereafter is or becomes a general partner is a Principal Owner, regardless of the percentage ownership interest. If the franchisee is one or more individuals, each individual is a Principal Owner of the franchisee. Each franchisee must have at least one Principal Owner. Your Principal Owner(s) are identified in the Data Sheet in Schedule A to this Agreement. As used in this Agreement, any reference to Principal Owner includes all Principal Owners.

O. “System” means our operating systems, marketing systems, business techniques, and methods, processes, policies and procedures for providing, selling and performing a diverse array of residential or business maintenance, repair or improvement services, including items of trade dress and sales, leadership and management training for the development and operation of MR. HANDYMAN Businesses, including all training materials; all as the same may exist today or as the same may change from time to time, as specified in the Operations Manual or as otherwise reasonably directed by us from time to time.

P. “Territory” means the area designated on the Data Sheet. If the Territory is not designated at the time you and we sign this Agreement, we will notify you of the Territory within 30 days of the Effective Date. To the extent any portion of the Territory includes an area designated as an Indian Reserve, a governmental territory or other territory that may have separate or additional laws, regulations or other requirements for performing work in such territory, Franchisee is granted such territory only to the extent and for so long as Franchisee is qualified under such separate or additional requirements to perform work in such territory; knowledge of and compliance with such requirements being the sole responsibility of Franchisee.

#### GRANT OF LICENSE

2. The following provisions control with respect to the license granted hereunder:

A. Rights Granted. Subject to the terms and conditions of this Agreement, we hereby grant you the right and license to engage in and conduct, in the Territory, during the term of this Agreement, a MR. HANDYMAN Business identified by the Marks.

You hereby accept said license and undertake the obligation to operate your Business faithfully, honestly and diligently, using the System and in compliance with this Agreement and our standards and requirements. You may not subfranchise, sublicense, assign or transfer your rights under this Agreement, except as specifically provided in this Agreement. You undertake the obligation to develop and service Customers throughout the Territory.

You understand and acknowledge that the scope of the Business overlaps to some extent with the scope of businesses operated under other franchise concepts that are owned by our affiliates (e.g., Mr. Rooter, Mr. Electric, Aire Serv, Mr. Appliance, Glass Doctor, Grounds Guys, Five Star, Precision Door Service and possibly other brands that our affiliates may acquire in the future) (collectively, "Affiliated Brands"). For avoidance of doubt, this Agreement does not grant you the right to operate a business under any of the Affiliated Brands. You may contact us to inquire about the opportunity to obtain a franchise for any of the Affiliated Brands, but you may not limit or focus your Business hereunder to the provision of any specific services (e.g., plumbing, electrical, painting, etc.) that are franchised by our affiliates under the Affiliated Brands. The provision of such specific services must be incidental to the Business.

B. Rights to Territory. During the term of this Agreement and provided that you are in compliance with the terms and conditions of this Agreement, we will not (i) modify the Territory without your written permission, subject to your compliance with the Minimum Performance Standards set forth in Section 5.R, or (ii) subject to our reservation of rights set forth in Section 2.C, establish either a company- or affiliate-owned or franchised MR. HANDYMAN Business geographically located within the Territory.

You may not advertise or solicit customers, perform services or sell products related to the Business outside the Territory without our prior written consent, which consent we may give, condition or withdraw as we deem appropriate. If you receive a request for services or products from outside the Territory, you must refer that request to the franchisee, if any, that owns the applicable territory, or seek our written permission to process such a request. If you service a customer outside the Territory without our prior written consent and we determine that the violation was intentional, then it is a default under this Agreement and to cure it you must pay us a penalty fee of 50% of the cumulative revenue from a customer wrongfully serviced. Any subsequent violation is a separate default and to cure it you must pay us a penalty fee of 100% of the cumulative revenue from a customer wrongfully serviced, and in addition we have the right to immediately terminate this Agreement. Notwithstanding the foregoing, under certain limited circumstances, you may process such a request from outside the Territory if such activity is permitted under our Preferred Lead Program as more particularly set forth in the Operations Manual.

C. Our Reservation of Rights. Except as expressly limited by Section 2.B, we and our affiliates may engage in any activity whatsoever on any terms and conditions we deem advisable whenever and wherever we or they desire. We and our affiliates retain all rights whatsoever not expressly granted herein, including, but not limited to:

- (i) the right to establish and operate, and to grant to others the right to establish and operate similar businesses or any other businesses offering similar or dissimilar products and services through similar or dissimilar channels of distribution, at any locations inside or outside the Territory (A) under trademarks or service marks other

than the Marks and on any terms and conditions we deem appropriate or (B) under the Marks, but if inside the Territory, then only pursuant to programs set forth in the Operations Manual (including the Preferred Lead Program);

(ii) the right to provide, offer and sell and to grant others the right to provide, offer and sell goods and services that are identical or similar to and/or competitive with those provided at the Franchise Location hereunder, whether identified by the Marks or other trademarks or service marks, through dissimilar channels of distribution (including internet or similar electronic media) both inside and outside the Territory and on any terms and conditions we deem appropriate;

(iii) the right to establish and operate, and to grant to others the right to establish and operate businesses offering dissimilar products and services, both inside and outside the Territory under the Marks and on any terms and conditions we deem appropriate;

(iv) the right to establish and operate, and to grant others the right to establish and operate a MR. HANDYMAN Business located anywhere outside the Territory under any terms and conditions we deem appropriate and regardless of their proximity to the Franchise Location or their actual or threatened impact on sales at the Franchise Location;

(v) (a) the right, directly or through an authorized third party (including, another franchisee), to advertise, solicit, enter into contracts with and service Key Accounts in any area, including in the Territory, upon such terms as we negotiate from time to time; (b) further, if (i) you refuse, after being offered an opportunity, or are not qualified, interested or available to perform services or otherwise cannot or do not perform services for any customer located within the Territory, for a Key Account, or (ii) you request assistance in the performance of services to a customer, we have the right to authorize another franchisee (or designate or authorize a corporate employee or any other third party) to perform services for or sell products to the applicable customers inside the Territory. You agree that you will not be entitled to any compensation for sales or services performed inside the Territory by someone other than you as contemplated under this paragraph;

(vi) the right to acquire the assets or ownership interests of one or more businesses providing products and services similar to those provided at the Business, and franchising, licensing or creating similar arrangements with respect to these businesses once acquired, wherever these businesses (or the franchisees or licensees of these businesses) are located or operating (including in the Territory); and

(vii) the right to be acquired (in whole or in part and regardless of the form of transaction), by a business providing products and services similar to those provided at the Business, or by another business, even if such business operates, franchises and/or licenses a business(es) that competes with you in the Territory.

#### TRADEMARK STANDARDS AND REQUIREMENTS

3. We hereby grant you the right to use the Marks in connection with the operation of the Business hereunder, subject to the following terms and conditions:

A. Mark Ownership. The Marks are our and/or our affiliates' valuable property, and we and/or our affiliate(s) are the sole and exclusive owner of all right, title and interest in and to

the Marks and all past, present or future goodwill of the Business and of the business conducted that is associated with or attributable to the Marks. Your use of the Marks will inure to our benefit. You may not, during or after the term of this Agreement, engage, directly or indirectly, in any conduct that would infringe upon, harm, contest or otherwise interfere with our or our affiliates' rights in any of the Marks or the goodwill associated with the Marks, including any use of the Marks in a derogatory, negative, or other inappropriate manner in any media, including but not limited to print or electronic media. You agree that you will not grant or attempt to grant a security interest in, or otherwise encumber, the Marks or record any such security interest or encumbrance against any application or registration regarding the Marks in the United States Patent and Trademark Office or elsewhere.

B. Use of Marks. You may not use, or permit the use of, any trademarks, trade names, logos, service marks or any other names or marks in connection with the Business except those we authorize or direct in writing. You may use the Marks only in the form and manner we prescribe in writing and only in connection with the products and services that we specify and that meet our standards and requirements with respect to quality, production, installation and sale. You must strictly comply with all trademark, trade name and service mark notice marking requirements and other brand usage guidelines that we may provide from time to time.

C. Business Identification. You must use the name MR. HANDYMAN and the city, county or region we designate for you as the trade name of the Business (e.g., MR. HANDYMAN of Ann Arbor), and you must obtain and maintain corresponding fictitious or assumed name registration as required under applicable laws in the jurisdiction in which your business is located and provide us with evidence of the same prior to opening for business. You may not use the words "MR. HANDYMAN" or any other Mark as part of the name of your corporation, partnership, limited liability company or other business entity. You may not use any other mark or words to identify the Business without our prior written consent. You may not change your legal entity or fictitious or assumed name without our written consent. You may use the Marks on various materials associated with the Business, such as business cards, stationery and checks; provided that you (i) accurately depict the Marks on the materials as we direct, (ii) use the Marks in accordance with all of our trademark usage and branding standards, (iii) include a statement on the materials indicating that the Business is independently owned and operated by you, (iv) do not use the Marks in connection with any other trademarks, trade names, logos, service marks or any other names or marks unless we specifically approve in writing prior to such use, and (v) make available to us, upon our request, a copy of any materials depicting the Marks. You must put Customers on notice (by language in your contracts) identifying you as a MR. HANDYMAN franchisee in a format we deem acceptable, including an acknowledgment that you independently own and operate the Business.

D. Litigation. If any person or entity improperly uses or infringes the Marks or challenges your use or our use or ownership of or the validity of the Marks, we will control all litigation and other proceedings and we have the right to determine whether suit or other proceeding will be instituted, prosecuted or settled, the terms of settlement and whether any other action will be taken. You must promptly notify us of any such use or infringement of which you become aware or any challenge or claim arising out of your use of any Mark. You must take reasonable steps, without compensation, to assist us with any action we undertake. We will be responsible for our fees and expenses incurred in connection with any such action, unless the challenge or claim results from your misuse of the Marks in violation of this Agreement, in which case you must pay us for our costs and expenses including our attorney's fees.

Provided that you are using the Marks in compliance with the terms of this Agreement, we will defend, at our own expense, any action against you brought by a third party alleging that any of the Marks infringes any U.S. trademark of a third party, and we will pay those costs and damages finally awarded against you in any such action that are specifically attributable to such claim or those costs and damages agreed to in a monetary settlement of such action. The foregoing obligations are conditioned on you: (i) notifying us promptly in writing of such action; (ii) giving us sole control of the defense thereof and any related settlement negotiations; and (iii) cooperating and, at our request and expense, assisting in such defense.

E. Changes. Unless we direct you so in writing, you may not make any changes or substitutions to the Marks. We reserve the right to change the Marks at any time and you must comply with any such changes within the time frames we specify.

F. Creative Works. All ideas, business ventures, concepts, inventions, techniques, or materials concerning a MR. HANDYMAN Business, whether or not protectable Intellectual Property and whether created by or for you or one of your owners or employees, must be promptly disclosed to us and will be deemed to be solely and exclusively our property, part of the System, and “works made-for-hire,” as the phrase is defined in the Copyright Act of 1976 (17 U.S.C. 101 et seq.), for us. To the extent any item does not qualify as a “work made-for-hire” for us, by operation of law or otherwise, you agree to assign and hereby irrevocably assign, for no additional consideration, ownership of that item, and all related rights to that item, to us, our successors and assigns, including without limitation, the right to sue, counterclaim, and recover for all past, present, and future infringement, misappropriation, or dilution thereof, and all rights corresponding thereto throughout the world and agree to take whatever action (including signing an assignment agreement or other documents) we request to show our ownership or to help us obtain intellectual property rights in the item. Notwithstanding anything to the contrary, neither the expiration nor the termination of this Agreement shall affect our ownership of the items herein or alter any of our rights or privileges hereunder.

#### TERM AND RENEWAL

4. The following provisions control with respect to the term and renewal of this Agreement:

A. Term. The initial term of this Agreement commences on the Effective Date and expires on the 10-year anniversary of the Effective Date, unless terminated earlier as provided herein.

B. Renewal Term and Conditions of Renewal. You may renew your license for one renewal term of 10 years; provided that: (i) you have given us written notice of your request to renew at least 180 days but not more than 240 days prior to the end of the expiring term; (ii) you sign our then-current form of franchise agreement (modified to reflect that the agreement relates to the grant of a renewal), the terms of which may differ from this Agreement, including higher fees; (iii) you are not in default of this Agreement or any other agreement pertaining to the franchise granted, have satisfied all monetary and other material obligations on a timely basis during the term, are in good standing, have received no more than 2 written notices of default during the term of this Agreement, and have not failed to meet the Minimum Performance Standards for any two calendar years (or two measurement periods, as applicable) during the term; (iv) you comply with our then-current training requirements; (v) you and your guarantors execute a general release of claims in a form we prescribe; and (vi) you pay a renewal fee of \$5,000.

C. Interim Period. If this Agreement expires without you properly exercising your renewal right and you continue to accept the benefits of this Agreement thereafter, then, at our option, we may treat this Agreement either as (i) expired as of the date of expiration, with you then illegally operating a franchise in violation of our rights; or (ii) continued on a month-to-month basis (the “Interim Period”) until both parties agree to enter into our then-current form of franchise agreement for a renewal term or until one party provides the other with written notice of termination, in which case the Interim Period will terminate 30 days after receipt of the notice of termination. In the latter case, all of your obligations shall remain in full force and effect during the Interim Period as if this Agreement had not expired, except that the License Fee during the Interim Period will be increased to 10% of Gross Sales for all types of products/services and without any reductions. All obligations and restrictions imposed on you upon expiration of this Agreement shall take effect upon termination of the Interim Period.

## OPERATIONS STANDARDS AND REQUIREMENTS

5. You must implement and abide by our requirements and standards directed to enhancing substantial System uniformity. The following provisions control with respect to operation of your Business:

A. Franchise Location. You are responsible for finding and purchasing or leasing a site that meets our site selection guidelines and standards and is located in the Territory. We will approve your site as long as it meets our site selection guidelines and we will attempt to provide our approval or disapproval within 10 business days after you submit the location information (together with evidence of compliance with our site selection guidelines) to us. You may operate your Business from your home if it is located within the Territory, local zoning regulations permit such operation, and you have received our prior written approval. In addition, your Franchise Location must meet the following conditions:

(i) You must begin operating your Business within 6 months of the date we sign this Agreement, although you may not commence operations of your Business until you have satisfactorily completed our training program and complied with your other pre-opening obligations. We are not responsible or liable for any of your pre-opening obligations, losses or expenses, including those you might incur for your failure to comply with these obligations or your failure to open by a particular date. We have no responsibility for any lease; it is your sole responsibility to evaluate, negotiate and enter into a lease or a purchase agreement for the Franchise Location premises.

(ii) You must construct and equip your Franchise Location in accordance with our current approved specifications and standards as set forth in the Operations Manual, including any specific requirements if you intend to operate your Business from your residence (subject to our prior written approval). You must maintain and periodically refresh the building, equipment, vehicles, fixtures, furnishings, signage and trade dress (including the interior and exterior appearance) used in the operation of your Business in accordance with our requirements established periodically and any periodic evaluations of the premises by our representatives.

From time to time as we require, you must effect items of modernization and/or replacement of the premises, trade dress, vehicles, equipment and grounds as may be necessary for your Business to conform to the standards for similarly situated new MR. HANDYMAN Businesses.

Each Transfer of any interest in this Agreement or your Business under Section 10 and each renewal under Section 4 are expressly conditioned upon your compliance with our then-current modernization or replacement requirements.

(iii) If you need to relocate your Franchise Location for reasons other than your breach of your lease, we will grant you authority to relocate to another site within the Territory that meets our site selection guidelines and standards; provided that you are not in default under this Agreement or any other agreement with us and you are current on all of your financial obligations to us, our affiliates and third parties. You still must continue to operate the Business at all times during any such relocation.

(iv) In the limited instance that Google (or another designated vendor we use for search engine optimization purposes to drive online customer marketing) requires a secondary physical location in your Territory (in addition to your Franchise Location) in order to align with the marketing areas identified by Google/the vendor, we and you will agree on how you can establish and operate the secondary location in a manner that meets Google/the vendor's requirements as well as our applicable System standards for a secondary location; provided that this requirement will not apply during the first year of operation of the Business.

B. Vehicle Acquisition and Maintenance. You must acquire and maintain, at your sole expense, one or more vehicles as specified by us for use in the Business. Each vehicle shall be equipped, outfitted, insured and maintained in accordance with our specifications and standards. You must maintain the interior, exterior and mechanical parts of all required vehicles in good repair and condition and regularly service and maintain the vehicles to keep them clean and in good working order.

C. Authorized Services and Products. You can only offer and sell authorized services and products from your Business and you must refrain from selling any other services or products. You must use in the operation of your Business and in the offer and sale of authorized services and products of your Business only those techniques, procedures and supplies we specify in writing. You acknowledge and agree that we may change any of our requirements periodically and you agree to conform to any such changes. All Customer service materials, techniques, and promotional items of all descriptions and types must meet our standards of uniformity and quality.

D. Approved Supplies and Suppliers. We reserve the right to require that you only use approved products, services, inventory, equipment, signs, advertising materials, and other items (collectively "approved products and supplies") in the Business. We may introduce new products and supplies and change previously approved products and supplies from time to time and you agree to promptly comply with our new or changed requirements. Although we do not do so for every item, we have the right to approve the supplier of approved products and supplies. You acknowledge and agree that certain approved products and supplies may only be available from one approved supplier source, and we or our affiliates may be that source. You will pay the then-current price in effect for any approved products and supplies you purchase from us or our affiliates. All products, materials, services and other items and supplies used in the operation of the Business must conform to the specifications and standards we establish from time to time. We may furnish to you from time to time lists of approved products and supplies and/or approved suppliers, which lists we may amend from time to time. We or our affiliate may make available to you the opportunity to participate from time to time in certain discounts, rebates or other benefits in connection with your purchases from approved suppliers.

WE AND OUR AFFILIATES MAKE NO WARRANTY WITH RESPECT TO ANY PRODUCTS, SERVICES, EQUIPMENT, SUPPLIES OR OTHER ITEMS WE APPROVE AND WE EXPRESSLY DISCLAIM ALL WARRANTIES, EXPRESS AND IMPLIED, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, WITH RESPECT TO ANY SUCH PRODUCTS, EQUIPMENT (INCLUDING WITHOUT LIMITATION AND ANY REQUIRED COMPUTER SYSTEMS), SUPPLIES, OR OTHER APPROVED ITEMS.

E. Computer System; Call Center Program. You must purchase a computer system (including all future updates, supplements and modifications) and other technology that meets our standards and requirements (the “Computer System”). The Computer System will be used to develop a database of Customers and prospective customers and other related Customer Information, schedule appointments, generate proposals, maintain communications over the Internet, and produce your accounting records. All phone calls must be answered by a live person. We may require you to use the Call Center for rollover, evenings and weekends. You agree that, without our prior written consent, you may not input, provide or otherwise use any Confidential Information in connection with any Computer System that leverages artificial intelligence or machine learning models, including but not limited to any publicly-available generative AI tools (e.g., ChatGPT). The foregoing restriction includes inputting, providing or otherwise using any Confidential Information to train, develop or modify any such models.

You may be required to license software from us, our affiliate, or a third party and you also may be required to sign software license agreements and pay an additional software licensing or user fee(s) in connection with your use of the software. All right, title and interest in and to the software will remain with the licensor of the software. You will be liable for all damages (under this Agreement, any other software license agreement you execute and under applicable law) and problems caused by your use of any software on the Computer System. You acknowledge and agree that we will have full and complete access to the information and data entered into or produced by the Computer System, including, without limitation, email communications and related data, and we can use the same in any way we deem appropriate, including in connection with the development, training, or modification of artificial intelligence / machine learning models, subject to applicable law. You must have Internet access with a form of high speed connection as we may require and you must maintain two dedicated email accounts for the Business, separate from any personal or other email account. You must purchase any upgrades, updates, enhancements and/or replacements to the Computer System and/or related hardware, software or other technology as we may from time to time require. It is your responsibility to make sure that you are in compliance with all laws that are applicable to the Computer System, including all data protection, privacy and security laws as well as payment card industry (PCI) compliance.

As to any malfunctioning of the Computer System or any website as further described in Section 5.K, neither we nor any affiliate will be liable to you for any consequential, incidental, indirect, economic, special, exemplary or punitive damages, such as, but not limited to, loss of revenue or anticipated profits or lost business, even if you have advised us that such damages are possible as a result of any breach or malfunction.

In addition, you are required to participate in our call center program that processes customer requests for services, schedules estimates, refers services requests to franchisees and otherwise handles customer inquiries (“Call Center Program”) and pay us or our designee a call center fee as specified in Section 8. We reserve the right to designate a third-party vendor to administer the Call Center Program.

F. Customer Information. You agree that we own all Customer Information and may use the Customer Information as we deem appropriate (subject to applicable law), including disclosing it to vendors, developing, training or modifying artificial intelligence / machine learning models, or sharing it with our affiliates for cross-marketing or other purposes. You may only use Customer Information for the purpose of operating the Business to the extent permitted under this Agreement, including the Operations Manual, during the term hereof and subject to such restrictions as we may from time to time impose and in compliance with all data privacy, security and other applicable laws. Without limiting the foregoing, you agree to comply with applicable law in connection with your collection, storage, disclosures and your use and our use of such Customer Information, including, complying with all laws and regulations relating to data protection, privacy and security, including data breach response requirements (“Privacy Laws”), as well as data privacy and security policies, procedures and other requirements we may periodically establish. Some laws require you to obtain consent to collect, store, disclose, and use (collectively “process”) personal information. You are responsible for obtaining appropriate Customer consent, as well as all necessary rights in the Customer Information, to ensure you and we may process Customer Information as outlined in this Agreement, including but not limited to as set forth in Section 5(E). You must notify us immediately of any suspected data breach at or in connection with the Business. You must fully cooperate with us and our counsel in determining the most effective way to meet our standards and policies pertaining to Privacy Laws within the bounds of applicable law. You are responsible for any financial losses you incur or remedial actions that you must take as a result of breach of security or unauthorized access to Customer Information in your control or possession.

If any federal or state Privacy Law, including the California Consumer Privacy Act, as revised by the California Consumer Privacy Rights Act, Cal. Civ. Code § 1798.100, et seq. (collectively, “CCPA”), and any related regulations, applies to the operation of the Business, whenever and to the extent you operate as a “Service Provider” or “Contractor” under the CCPA, a data processor, or in a similar capacity under any federal or state Privacy Law, you represent and warrant that:

(1) Except for the purpose of operating the Business in accordance with this Agreement, including the Operations Manual, you will not retain, use, combine or disclose any Customer Information;

(2) You will not sell, share, make available or otherwise disclose any Customer Information to any third party for valuable consideration or for the purpose of performing cross-context behavioral advertising, targeted advertising, or profiling, as those terms are defined under applicable Privacy Laws;

(3) You will not retain, use, or disclose Customer Information outside of the direct business relationship between you and us;

(4) You will delete any Customer Information upon our request unless you can prove that such request is subject to an exception under applicable law;

(5) If you receive a Customer Information data request (e.g. a request to delete Customer Information) directly from a consumer (e.g., a California resident under the CCPA, or a resident of another jurisdiction under other applicable Privacy Law), you shall inform us of that request within one business day and cooperate with us to ensure that the consumer receives an appropriate and timely acknowledgement and response;

(6) You will implement reasonable security procedures and practices appropriate to the Customer Information you collect, retain, use or disclose, in order to protect it from unauthorized or illegal access, including following minimum requirements that may be set forth in the Operations Manual;

(7) You will cooperate with us to the extent necessary to assist us with conducting required data protection assessments or other similar assessments under applicable Privacy Laws, responding to Consumer Information data requests, responding to requests or inquiries from government authorities, or if we seek to ensure that you have collected, retained, used, or disclosed Customer Information consistent with Privacy Laws and this Agreement, including but not limited to providing us with requested compliance documents, or allowing us or our designee to assess, audit, or test your privacy and security controls at least annually;

(8) You will cooperate with us to stop or remediate any unauthorized use of Customer Information, including verifying that you no longer retain or process personal information that a consumer has asked you or us to delete under applicable Privacy Laws;

(9) You will notify us immediately if you determine you cannot meet your obligations under Privacy Laws or this Agreement regarding your collection, retention, use, or disclosure of Customer Information.

You certify that you understand the restrictions in Paragraphs (1) – (9) of this section and will comply with them. You also acknowledge and agree that we may modify these restrictions from time to time by written notice to you, by issuing updates to our standards and policies pertaining to Privacy Laws, including by adding other similar restrictions that may be required under other state or federal Privacy Laws, and you agree to comply with the same. You also agree to execute any addenda that we may determine are required to conform this Agreement to new or changed Privacy Laws.

To the extent that you engage another person to collect, use, sell, share, store, disclose, analyze, delete, modify, or to otherwise perform any processing of Customer Information for the purpose of operating the Business (a “Subprocessor”), you will notify us of such engagement, which shall be governed by a written contract that includes the same restrictions as in Paragraphs (1) – (9) of this section and imposes reasonable confidentiality obligations and privacy and security controls on the Subprocessor.

G. Operating Procedures; Operations Manual. We will provide you an electronic copy of our Operations Manual. We will make it available to you online or in such other manner and format as we approve. You acknowledge that the Operations Manual is at all times our Intellectual Property and owned exclusively by us. You must, at all times, treat the Operations Manual, and the information it contains, as secret and confidential, and must use all reasonable efforts to maintain such information secret and confidential. You must adopt and use as your continuing operational routine the required standards, service style, procedures, techniques and management systems described in the Operations Manual or other written materials relating to the Business provided from time to time by us. We will revise the Operations Manual and these standards, procedures, techniques and management systems periodically to meet changing conditions and in the best interest of the MR. HANDYMAN BUSINESSES and the System. We will notify you of any such updates or revisions and you expressly agree to comply with each new or changed requirement. You must at all times ensure that your copy of the Operations Manual is kept current and up to date, and in the event of any dispute as to the contents of said Operations Manual, the terms of the master copy of the Operations Manual that we maintain are controlling.

The Operations Manual will contain both mandatory standards and recommended standards. Any required standards exist to protect our interests in the System and the Marks and not for the purpose of establishing any control or duty to take control over those matters that are reserved to you. The required standards generally will be set forth in the Operations Manual or other written materials. The Operations Manual also will include guidelines or recommendations in addition to required standards. In some instances, the required standards will include recommendations or guidelines to meet the required standards. You may follow the recommendations or guidelines or some other suitable alternative, provided you meet and comply with the required standards. In other instances, no suitable alternative may exist. In order to protect our interests in the System and the Marks, we reserve the right to determine if you are meeting a required standard and whether an alternative is suitable to any recommendations or guidelines.

H. Confidential Information. You may not, during the term of this Agreement or thereafter, communicate, divulge or use any Confidential Information for the benefit of any other person or entity, except that you may communicate Confidential Information to such employees as must have access to it in order to operate the Business. All Confidential Information, including, without limitation, methods, procedures, suggested pricing, specifications, processes, materials, techniques, Customer Information and other data, may not be used for any purpose other than operating the Business hereunder. In the interest of protecting our System, we may require that you obtain nondisclosure and confidentiality agreements in a form satisfactory to us from your owners (if franchisee is an entity), your spouse, your manager and other key employees. You must provide executed copies of these agreements to us upon our request. A copy of the current Confidentiality Agreement form to be used with your owners (if franchisee is an entity) or your spouse is included as Schedule F. Notwithstanding anything to the contrary herein, as between you and us, you agree that all Confidential Information, including all Intellectual Property rights therein, belong to us.

I. Evaluations. We and our authorized representative have the right to visit and inspect your Business at all reasonable times during the business day for the purpose of making periodic evaluations and to ascertain your compliance with the provisions of this Agreement, and to inspect and evaluate your services, supplies or products and other aspects of your Business. Any failure of an inspection is a default under this Agreement. Further, if we determine that any condition in the Business presents a threat to customers or public health or safety, we may take whatever measures we deem necessary, including requiring you to immediately close the Business until the situation is remedied to our satisfaction. Any evaluation or inspection we conduct is not intended to exercise control over your day-to-day operation of your Business or to assume any responsibility for your obligations under this Agreement.

J. Compliance with Laws; Licenses and Permits. You must, at your expense and at all times, maintain and conduct your Business operations in compliance with all applicable federal, state and local laws, regulations, codes and ordinances. You must secure and maintain in force all required licenses, permits and certificates relating to your Business, including but not limited to obtaining and maintaining required authorizations from federal and state transportation authorities and public utility commissions. Without limiting the foregoing, if you or any of your Principal Owners is not a U.S. national, you represent that you and/or such Principal Owner(s) have an immigration status that allows you and/or such Principal Owner(s) to live and work in the United States, and you hereby promise that you and/or such Principal Owner(s) will maintain such status during the term of this Agreement.

You acknowledge that you are an independent business and responsible for control and management of your Business, including, but not limited to, the hiring and discharging of your

employees, tax withholdings, and setting and paying wages and benefits of your employees. You acknowledge that we have no power, responsibility or liability in respect to the hiring or discharging of employees, tax withholdings or setting or paying of wages or related matters.

You must immediately notify us in writing of any claim, litigation or proceeding that arises from or affects the operation or financial condition of your Business or names us as a party.

K. Participation in Internet Websites or Other Online Communications. We may require you, at your expense, to participate in our MR. HANDYMAN website on the Internet, our intranet or extranet system or other online communications as we may from time to time prescribe. We have the right to determine the content and use of our website and intranet or extranet system and establish the rules under which franchisees may or must participate. We will post your Business contact information on our website. You may not separately register any domain name containing any of the Marks or operate a website or social media account for your Business. We reserve the right to pre-approve, establish rules, procedures and policies relating to any website and social media account that you create or use for the operation of your Business. We may immediately terminate this Agreement if you register any domain name or social media account containing any of the Marks. We retain all rights relating to our website, intranet system and social media accounts and may alter or terminate our website, extranet system or intranet system, or any social media accounts. Your general conduct on our website, social media accounts, intranet or extranet system or other online communications and specifically your use of the Marks or any advertising is subject to the provisions of this Agreement. You acknowledge that certain information related to your participation in our website, social media accounts, extranet system or intranet system may be considered Confidential Information, including access codes and identification codes. Your right to participate in our website, social media accounts, and intranet or extranet system, or otherwise use the Marks or System on the Internet or other online communications, will terminate when this Agreement expires or terminates. You acknowledge and agree that you do not have any right to use the Marks or other Intellectual Property of the System on any website or any social media platform except as expressly approved by us in writing.

Unless we direct otherwise, simultaneously herewith, you agree to execute the Telephone Number and Internet Agreement (attached hereto as Schedule E), pursuant to which you assign to us ownership of all Telephone Listings and Internet Listings (each term as defined in Schedule E).

L. System Modifications. You acknowledge and agree that we have the right to modify, add to or rescind any requirement, standard or specification that we prescribe under this Agreement to adapt the System to changing conditions, competitive circumstances, business strategies, business practices and technological innovations and other changes as we deem appropriate. You must comply with these modifications, additions or rescissions at your expense, subject to any express limitations set forth in this Agreement.

M. Suggested Pricing Policies. Based on examples from MR. HANDYMAN Businesses, we may, from time to time, make suggestions to you with regard to your pricing policies. In addition, we have the right to negotiate Key Account arrangements, including pricing which will bind all MR. HANDYMAN Businesses providing services to such Key Accounts. Although you generally have the right to establish prices for the products and services you sell, we reserve the right to establish and enforce prices, both minimum and maximum, to the extent permitted by applicable law.

N. Key Accounts. We reserve the right to establish and administer a Key Accounts program. If such a program is established, you may participate in it and comply with all Key

Accounts standards and procedures set forth in the Operations Manual and/or as we may otherwise communicate to you, as well as the specific terms of our arrangement with each applicable Key Account, which terms may include, without limitation, the provision of certain insurance and other products and services, special pricing, payment terms, turnaround on services, etc.

O. Customer Service; Service Warranties. You must honor our warranty policies for services you provide to Customers, as described in the Operations Manual. You are solely responsible for the quality and results of the services and products you sell and provide to Customers, maintaining a continuing responsibility with respect to such services and products beyond the termination or expiration of this Agreement. You must render and must cause each of your employees to render prompt, competent and courteous service to Customers and you shall offer and honor such service warranties as we direct.

You must respond to any dissatisfied Customers within 24 hours after the complaint is received or as otherwise set forth in the Operations Manual. If you are unable to equitably resolve the Customer's complaint within 3 days after the initial contact, you must contact us for assistance in handling the complaint. In no event shall our assistance be construed to make us liable to you or to a Customer in connection with such complaint. You are solely responsible for satisfactorily and timely resolving all warranty claims, Customer disputes, and online Customer reviews. Should you fail to do so, you must reimburse the cost of any such services to us or any third party that we authorize to perform the services or you must reimburse us for any refund or other payment we may make to a Customer (as applicable). We may at any time contact Customers concerning the quality of services you provide, the level of Customer satisfaction, or other aspects of the Business that we deem relevant.

P. Ethical Business Conduct. You agree to adhere to good business practices, observing high standards of honesty, integrity, fair dealing and ethical business conduct and good faith in all business dealings with Customers, vendors, your employees, our corporate employees, and all other MR. HANDYMAN franchisees. You must not engage in deceptive, misleading or unethical practices or conduct that may have a negative impact on the reputation and goodwill associated with the Marks.

Q. Crisis Situations. In the interest of protecting the MR. HANDYMAN brand, Marks and the System, we have the sole and absolute right to determine a response, including what steps will be taken and what communications will be made, in instances of a Crisis, and you agree to comply with and implement our directions in response to a Crisis. "Crisis" means an event or development that negatively impacts the MR. HANDYMAN brand or System in such a way that we determine may cause substantial harm or injury to the Marks, System, the Intellectual Property associated with the System, or the reputation or image of the MR. HANDYMAN brand.

R. Minimum Performance Standards. Beginning with the second full calendar year of operating the Business, the Business must achieve (a) in each calendar year, annual Gross Sales that are in the top 90% of the annual Gross Sales per franchised business for the MR. HANDYMAN franchise system for that calendar year (the "Gross Sales MPS") and (b) a Net Promoter Score (or another customer satisfaction survey score we designate) ("NPS") that is not more than 10 points below the average NPS for the MR. HANDYMAN franchise system for each applicable measurement period we set (the "Customer Satisfaction MPS" and collectively with the Gross Sales MPS, the "Minimum Performance Standards"). If you operate multiple MR. HANDYMAN businesses, the Minimum Performance Standards will apply separately to each franchised business. You agree we can make changes to the Minimum Performance Standards upon 6 months' prior written notice in accordance with our Reasonable Business Judgement (as defined in Section 14.G.3) and so long as

such revised Minimum Performance Standards are applied to all similarly situated MR. HANDYMAN franchised businesses.

If you do not meet the Gross Sales MPS (i.e., the Business' annual Gross Sales are in the bottom 10% of the MR. HANDYMAN franchised businesses for that calendar year) for any applicable calendar year or the Customer Satisfaction MPS for any applicable measurement period, we will meet with you to identify the reasons for the substandard performance and establish a performance improvement plan ("PIP") for the Business to take specific actions with the goal to improve the overall performance of the Business, including its annual Gross Sales and/or NPS. Your failure to implement or comply with the PIP over the three to six month period we designate will be a default under this Agreement, subject to a 30-day cure period. During the cure period, you will have the opportunity to advise us of your intent to sell the Business to a third party, in which case we will give you an additional 90 days (from the date of your notice of intent to sell) to transfer the Business in accordance with the transfer requirements of Section 10 of this Agreement. Failure to timely cure the default or transfer the Business as provided herein will give us the right to either reduce the size of your Territory or terminate this Agreement.

#### PERSONNEL AND SUPERVISION STANDARDS

6. The following provisions and conditions control with respect to personnel, training and supervision:

A. Supervision of the Business; Guarantors. You, or your Principal Owner(s) (as identified on the Data Sheet) if you are a business entity, must devote full-time attention to your Business, which at all times must be under your, or your Principal Owner(s)'s direct and active supervision and management. If you are a business entity, (i) all your owners must sign a Confidentiality Agreement; (ii) you must designate one or more Principal Owners; and (iii) all persons and entities that, as of the date of this Agreement hold, or during the term of this Agreement become holders of, 5% or more of your ownership interests must personally guarantee your performance hereunder to us by executing the personal guarantee attached hereto as Schedule C. If two (2) or more persons are the Franchisee or guarantors, their obligations and liability to us shall be joint and several.

B. Training. You must comply with all of the training requirements we prescribe for the Business. You, or your Principal Owners if you are a legal entity, must attend our initial training program and complete it to our satisfaction. You must pay all costs and expenses, including hotel and transportation costs, you incur in attending our initial training program. If it becomes necessary to re-train a certain individual, we reserve the right to charge you a training fee. You also must pay all costs and expenses for any additional personnel who attend our initial training program. The training requirements may vary depending on your experience and other factors specific to the Business. If you are given notice of default that relates, in whole or in part, to your failure to meet any operational standards, we may require that, as a condition of curing the default, you and your manager, at your expense, comply with the additional training requirements we prescribe. Under no circumstances may you permit management of the Business' operations on a regular basis by a person who has not successfully completed to our reasonable satisfaction all applicable training we require.

C. Ongoing Training. We may require you and other key employees of the Business to attend ongoing training at our training facility or other locations we designate. If you request training in addition to the initial training program identified above, we reserve the right to charge you a training fee, plus you must pay your costs and expenses in connection with such training.

Any training provided by us to any of your workers will be limited to training or guidance regarding the delivery of approved services to clients in a manner that reflects the customer and client service standards of the System. You are, and will remain, the sole employer of your employees at all times, including during all training programs, and you are solely responsible for all employment decisions and actions related to your workers. You are solely responsible for ensuring that your workers receive adequate training.

D. Staffing. You must employ a sufficient number of competent and trained employees to ensure efficient service to Customers. It is your responsibility to make sure that no employee or subcontractor enters a Customer's home if such person has not passed the required background checks. No employee of yours will be deemed to be an employee of ours for any purpose whatsoever, and nothing in any aspect of the System or the Marks in any way shifts any employee or employment related responsibility from you to us.

E. Attendance at Reunion and Meetings. You must attend, at your expense, at least one franchise convention or conference, every other year, that we may hold or sponsor, and any meetings relating to new services or products, new operational procedures or programs, training, business management, sales or sales promotion, or similar topics, including any system-wide teleconferences or web-conferences, as more particularly set forth in the Operations Manual. We reserve the right to charge you a fee to attend any such franchise conventions, meetings, programs or other trainings and we may collect such a fee from you whether you attend or not. If you do not attend or participate in the annual franchise convention (Reunion) at least once every two years, we may charge you \$2,000. If you are not able to attend a meeting or convention, you must give us prior notice and must have a substitute person acceptable to us attend such meeting or convention. Nothing in this Agreement is intended to require us to hold any annual conventions or other meetings.

## MARKETING

7. You agree to actively promote your Business, to abide by all of our marketing and advertising requirements and to comply with the following provisions:

A. MAP Fund. We have established and manage a Marketing, Advertising and Promotion Fund for MR. HANDYMAN Businesses (the "MAP Fund"). All MAP Fees (as defined in Section 8.C) you pay to us hereunder will be placed in the MAP Fund. The Map Fund will be accounted for separately but said funds may be commingled in our general operating accounts. On behalf of our company and affiliate-owned MR. HANDYMAN Businesses, we will pay the same MAP Fee as similarly situated franchised Mr. HANDYMAN Businesses. The MAP Fund is not a trust or escrow account, and we have no fiduciary obligation to franchisees with respect to it. We have the right to make disbursements from the MAP Fund, as recommended by the franchise advisory council, for expenses incurred in connection with the cost of formulating, creation, promotion, developing, implementing and administering marketing, advertising, public relations, and promotional campaigns. The disbursements will include an annual payment to us of 10% of the MAP Fund revenues as an administration fee for the expense of administering the MAP Fund ("MAP Fund Administration Fee"). The MAP Fund Administration Fee shall not exceed 10% of the MAP Fund revenues. We have the right, following recommendation by the franchise advisory council, to determine the methods of marketing, advertising, media employed and contents, terms and conditions of marketing campaigns and promotional programs. Because of the methods used, we are not required to spend a prorated amount on each MR. HANDYMAN Business or in each advertising market. We, as the administrator of the MAP Fund, may collaborate with the administrators of advertising funds of certain other franchise systems affiliated with us. You

acknowledge that there can be no assurance that the MAP Fund's participation in these collaborations and joint efforts will benefit MR. HANDYMAN Businesses proportionately or equivalently to the benefits received by any other franchised businesses of the other participating affiliated franchise systems.

We will provide an annual unaudited statement of the financial condition of the MAP Fund to the franchise advisory council. We assume no direct or indirect liability or obligation to you with respect to collecting amounts due to the MAP Fund or related to our maintenance, direction or administration of the MAP Fund, including with respect to the efficiency or effectiveness, if any, of the MAP Fund in enhancing the Marks, brand or System or advancing the business interests of a franchisee or franchisees in general.

We have the right, but not the obligation, to cause the MAP Fund to be incorporated or operated through an entity separate from us at such time as we deem appropriate, and any such successor entity shall have all our rights and duties under this Section 7.A. We may use collection agents and institute legal proceedings at the MAP Fund's expense to collect MAP Fund contributions. We also may forgive, waive, settle, and compromise all claims by or against the MAP Fund. If we terminate the MAP Fund, we will refund to you your pro-rata portion of any amounts remaining in the MAP Fund, based on your contributions to the MAP Fund.

B. Required Local Expenditures. You must use your best efforts to promote and advertise the Business and participate in any local marketing and promotional programs we establish from time to time. In addition to the payment of the MAP Fee, you must spend the minimum amounts set forth in the Data Sheet on approved local marketing and promotion in the Territory each year ("Minimum Local Marketing Amounts"). Upon our request, you must provide us with itemized documentation and proof of such expenditures. If you fail to make the required expenditures, we have the right to collect the deficiency and spend it as provided below in this paragraph. We reserve the right to require you to use one or more designated vendors in connection with your local marketing and promotional activities. In addition, we reserve the right to collect (on a monthly or quarterly basis, as we may from time to time designate) the Minimum Local Marketing Amounts and in return provide to you local promotional, marketing and advertising materials and related services to promote the Business in the Territory. Should this Agreement terminate prior to our providing such local promotional, marketing and advertising materials and related services in the Territory, we reserve the right to contribute the Minimum Local Marketing Amounts collected to the MAP Fund.

C. Approved Materials. You must use only such marketing materials (including any print, radio, television, electronic, on-line or other media forms that may become available in the future) as we furnish, approve in writing or make available, and the materials must be used only in the manner we prescribe and in compliance with all trademark usage and branding standards. Furthermore, any promotional activities you conduct for the Business are subject to our approval. You must submit all advertising and promotional materials to us for approval prior to your use. If we do not respond within 14 days of your submission, the materials will be deemed not approved. We will not unreasonably withhold approval of any materials or media and activities; provided that they are current, in good condition, in good taste and accurately depict the Marks. Notwithstanding our approval, it is solely your responsibility to conduct your promotional activities in accordance with all applicable laws.

D. Local Marketing Groups. We have the right to designate local advertising markets and advertising cooperatives and/or local marketing groups for such markets (collectively, each such cooperative or group, a "LMG"), and if designated, you must participate in the LMG and its

programs in your designated local advertising market. If established, you must contribute to the LMG the amount we designate, but such contribution amount shall not exceed 3% of your Gross Sales. We may require that some or all of your LMG contribution be paid to us or our affiliate, and we reserve the right to use your LMG contribution on any promotional, marketing and advertising initiatives, including digital and other marketing and brand awareness programs. As of the date of this Agreement, we may require that a portion of your LMG contribution (currently, 2% of your Gross Sales) be paid for use towards the Neighborly marketing and brand awareness initiatives, which may include service professional recruitment marketing. If established, each MR. HANDYMAN Business, including those operated by us or our affiliates within a designated local advertising area, will be a member of the LMG. You must obtain our written approval of all promotional and advertising materials, creative execution and media schedules prior to their implementation. Your contribution to the LMG will count towards the Minimum Local Marketing Amounts, but the Minimum Local Marketing Amounts do not represent a limit on your LMG contribution. We have the right to establish how the LMGs will operate and we have the right to require LMGs to be formed, changed, dissolved or merged.

#### FEES, REPORTING AND AUDIT RIGHTS

8. You must pay the fees described below and comply with the following provisions:

A. Initial Franchise Fee. Upon signing of this Agreement, you must pay to us an initial franchise fee as set forth in the Data Sheet (the “Initial Franchise Fee”), which is earned upon receipt and is non-refundable. Any financing of the Initial Franchise Fee is only available if we offer you financing under the terms of the Promissory Note and Security Agreement included as Schedule G.

Simultaneously with the payment of the Initial Franchise Fee, you must also pay us a fee in the amount set forth in the Data Sheet (the “Initial Package Fee”) that covers the upfront cost of certain technology, equipment and supplies we provide to you, an allowance for subsequent training (the “Training Allowance”) and a convention allowance (the “Convention Allowance”), as more particularly described in the Data Sheet (the “Initial Package”). The Convention Allowance will be refunded to you if you attend the first franchise convention that is held after your completion of your initial training. The Training Allowance will be refunded to you if you attend the 2-3 day training at our designated training facility within the first year of your becoming a Franchisee. Except for the refundability of the Convention Allowance and the Training Allowance as described herein, the Initial Package Fee is earned upon receipt and is non-refundable.

B. License Fees. From and after the Effective Date, you must pay to us, weekly in the manner specified in Section 8.E, a fee (the “License Fee”) in the amount equal to the greater of (i) the applicable percentage of Gross Sales set forth on the Data Sheet or (ii) the applicable Minimum License Fee (if any) set forth on the Data Sheet. The License Fee calculation may differ based on the type of service or product from which the Gross Sales are generated, as specified on the Data Sheet. The Minimum License Fee shall be calculated in the manner set forth on the Data Sheet.

C. MAP Fees. You must pay to us each week, in the manner specified in Section 8.E, a MAP Fund fee (the “MAP Fees”) in an amount equal to the greater of (i) the applicable percentage of Gross Sales set forth in the Data Sheet or (ii) the applicable Minimum MAP Fee set forth on the Data Sheet. The MAP Fee calculation may differ based on the type of service or product from which the Gross Sales were generated. The Minimum MAP Fee shall be calculated in the manner set forth on the Data Sheet.

D. Call Center Fees. You must pay to us or our designee each month, in the manner specified in the Data Sheet, a call center fee (the “Call Center Fee”) in the amount set forth in the Data Sheet.

E. Manner of Payment; Electronic Transfer of Funds. For purposes of calculating payments of License Fees and MAP Fees, our week begins on Sunday and ends on Saturday. All payments of the License Fees and MAP Fees for each week’s Gross Sales are due to us on the Thursday which is twelve days after the end of the week, together with a weekly report of Gross Sales. You must sign an electronic ACH Form, attached as Schedule B, to authorize and direct your bank or financial institution to allow us or our affiliate to initiate a transfer of funds electronically directly to our or our affiliate’s account and to charge to your account all amounts due to us or any affiliate. You must maintain a balance in your account sufficient to allow us and our affiliates to collect the amounts owed when due. You are responsible for any penalties, fines or other similar expenses associated with the transfer of funds described in this Section.

F. Late Payments. A late payment fee of \$10.00 per day (the “Late Payment Fee”) plus interest at the highest applicable legal rate for open account business credit in the state of your domicile, not to exceed 12.0% per annum, will accrue on all late payments from the due date until all sums are paid. If a check is returned or an ACH draft is refused by your financial institution due to insufficient funds in your account, you must pay us an insufficient funds fee of \$50. In addition, if you fail to timely provide any Gross Sales report to us, in addition to any other rights available to us, we may withdraw the applicable Minimum License Fee and the Minimum MAP Fee (as applicable) from your account, and once the applicable Gross Sales report becomes available to us, you will be required to immediately pay us any additional amounts owed as shown in the calculation of the License Fees and MAP Fees in such Gross Sales report. You acknowledge and agree that this Section 8.F does not constitute our agreement to accept payments or reports after they are due or a commitment by us to extend credit to you or to otherwise finance your operation of the Business. Further, you acknowledge and agree that your failure to pay all amounts and provide all reports when due will constitute grounds for termination of this Agreement, notwithstanding the provisions of this Section 8.F. You will not, on grounds of the alleged nonperformance by us of any of our obligations under this Agreement, withhold payment of any License Fees, MAP Fees or any other amounts due to us and you will not, on such grounds, discontinue providing services to Customers in accordance with this Agreement.

G. Application of Fees. Notwithstanding any designation by you, we have the right to apply any payments received from you to any past due indebtedness to us or any affiliate in such amounts and in such order as we determine.

H. Financial Planning and Management. You must compile and keep books and records that accurately reflect the operations and condition of your Business, including detailed daily sales, cost of sales, and other relevant records and information, maintained in an electronic media format and using the methods of bookkeeping and accounting as we periodically may prescribe. You must also retain check registers, purchase records, invoices, sales summaries and inventories, sales tax records and returns, state, federal, personal and other income tax records and returns covering or related to the Business, payroll records, cash disbursement journals and general ledgers. You must submit to us such reports, statement of profit and loss, balance sheet, tax returns, books and records as we may require, including those identified in Section 8.I below, all on the forms and according to reporting formats, methodologies and time schedules that we establish from time to time. You must preserve the books, records and reports for the longer of (i) five years from creation or (ii) such period as required under applicable laws. You must allow us electronic and manual access to any and all records relating to your Business.

I. Reports. On each date the License Fees and MAP Fees are due hereunder, we will automatically pull from your point-of-sale system (POS) a report of Gross Sales and gross receipts of the Business, and a computation of the corresponding License Fees and MAP Fees, with respect to the preceding week. Gross Sales must be entered into the software and reported for the week in which they are earned; you may not postpone the reporting of any Gross Sales for any reason. In addition, within 15 days after the end of each month, you must submit to us the following information for the preceding month: (i) copies of your most recent balance sheet and statement of profit and loss, including a summary of your costs for labor, rent and other material cost items; and (ii) if requested by us to verify your Gross Sales, all such books and records as we may require under our audit policies published from time to time. You also must, at your expense, submit to us by February 15<sup>th</sup> after the end of each fiscal year a detailed balance sheet, profit and loss statement and statement of cash flows for such fiscal year. All reports shall be provided in the form and content as we periodically prescribe. You must certify in writing all reports to be true and correct. You acknowledge and agree that we have the right to impose these requirements on you regardless of whether we impose the same requirement on our other franchisees. You further agree and acknowledge that, subject to compliance with applicable law, we may use any information, data or other materials related to your Business for any reason that we deem appropriate and you shall provide the same to us promptly upon our request. Without limiting the foregoing, we may disclose all data, including the Business' financial information and operating performance ratings, assessments or similar data to our other franchisees, our affiliates and their franchisees, and prospective franchisees through the use of newsletters, bulletins, award ceremonies, and otherwise as we deem necessary or advisable.

J. Audits. We or our authorized representative have the right, at all times (i) during the business day to enter the premises where the books and records of the Business are kept and to evaluate, copy and audit such books and records, including, but not limited to, any and all financial statements, reports, state, federal, personal income tax records or other income tax records covering or related to the Business, sales tax records, payroll records, databases, and other related records, (ii) to remotely access and evaluate, copy and audit your electronic records located on the Computer System, and (iii) to evaluate remotely or on the Business premises your compliance with your obligations regarding Customer Information. In addition, if, in our reasonable business judgment, we believe that you have failed to comply with your reporting and/or record keeping obligations hereunder, we have the right to also access and evaluate, copy and audit books and records relating to any other business in which you have an ownership or management interest. We also have the right to request information from you and your suppliers, vendors, and Customers. You must fully cooperate with us in connection with our exercise of our audit rights. If you fail to timely make available to us requested documents in connection with an audit, we may charge you \$500 per missing document (up to \$2,500 per audit), and if we must reschedule an audit due to your failure to cooperate, you must reimburse us for the cost of the audit (including, without limitation, professional fees, travel, and room and board expenses directly related thereto, collectively "Audit Cost"). If any evaluation or audit reveals an understatement of 2% or more of your Gross Sales or you do not provide any requested information within 30 days from the date of our initial request, you must pay for the Audit Costs, in addition to the amount owed (if any) plus interest and late fees as provided in Section 8.F. In addition to any other rights we may have in such an event, we have the right to conduct further periodic audits and evaluations of your books and records as we reasonably deem necessary and you must reimburse us for the Audit Cost of any such further audits and evaluations conducted within two years thereafter. Furthermore, if you intentionally understate or underreport Gross Sales at any time, or if a subsequent audit or evaluation conducted within the two-year period reveals any understatement of your Gross Sales of 2% or more, in addition to any other remedies provided for in this Agreement, at law or in equity, we have the right to terminate this Agreement immediately. To verify the information that you supply, we have the right to

reconstruct your Gross Sales through any reasonable method of analyzing and reconstructing Gross Sales, and you agree to accept any such reconstruction of Gross Sales unless you provide evidence in a form satisfactory to us of your Gross Sales within a period of 14 days from the date of notice of understatement or variance. If you dispute any audit findings, you must do so in writing and in accordance with the Operations Manual within 30 days of the notice of understatement or variance, or you will waive the right to challenge the audit findings. For avoidance of doubt, no provision of this Section 8.J shall be deemed to supersede or waive the 10-day cure period for failure-to-pay defaults set forth in Section 12.B.1.

#### YOUR OTHER OBLIGATIONS; NONCOMPETITION COVENANTS

9. You agree to comply with the following terms and conditions:

A. Payment of Debts. You agree to (i) pay promptly when due all payments, obligations, assessments and taxes due and payable to us and our affiliates, vendors, suppliers, lessors, federal, state or local governments, or creditors in connection with your Business; (ii) promptly discharge and remove all liens and encumbrances of every kind and character created or placed upon or against any of the property used in connection with the Business; and (iii) timely pay all accounts and discharge other indebtedness of every kind incurred by you in the conduct of the Business. If you default in making any such payment, we are authorized, but not required, to pay and discharge the same on your behalf and you agree promptly to reimburse us on demand for any such payment.

You also will pay all federal, state and local taxes other than taxes assessed on our income, that may be imposed on us as the result of our receipt or accrual of the Initial Franchise Fee, the License Fees, the MAP Fees, or other fees referenced in this Agreement, whether assessed against you through withholding or other means or whether paid by us directly. In either case, you shall pay us (and to the appropriate governmental authority) such additional amounts as are necessary to provide us, after taking such taxes into account (including any additional taxes imposed on such additional amounts), with the same amounts that we would have received or accrued had such withholding or other payment, whether by you or by us, not been required.

B. Indemnification. You waive any and all Claims (as defined below) against us for damages to property or injuries to persons arising in any way out of this Agreement, your servicing of Customers under this Agreement or any other contracts, your actions or omissions, or the operation of your Business. Except to the extent otherwise provided in Section 3.D., you agree, at your sole expense, to defend, fully protect, indemnify and hold harmless, us, our affiliates, our parent companies, our sister companies and our owners, directors, officers, members, managers, employees, attorneys, successors and assigns (collectively, "Franchisor Parties"), as well as our customers and the owners of each and every property you service, from any and all Claims. "Claims" as used herein means any and all claims, demands, damages, assessments, violations, causes of action, lawsuits, liens, and liabilities of any nature whatsoever arising in any manner, directly or indirectly, out of or in connection with or incidental to the operation of your Business (regardless of cause or any concurrent, superseding or contributing fault, liability or negligence of us, our affiliates, our parent companies, and our customers and the owners of any property you service), your actions or omissions, or any breach by you or your failure to comply with any of the terms and conditions of this Agreement. We also reserve the right to select our own legal counsel to represent our interests, and you agree to reimburse us for our interest, costs and attorneys' fees immediately upon our request.

It is the intention of the parties to this Agreement that we shall not be deemed a joint employer with you for any reason; however, you will, at your sole expense, defend, fully protect, indemnify and hold harmless, Franchisor Parties, from any and all Claims arising in any manner, directly or indirectly, out of or in connection with or incidental to the actions or omissions of your employees or independent contractors or allegations that we are the joint employer of your employees. The obligations under this Section shall survive the expiration or termination of this Agreement.

C. Insurance. Before you begin operating your Business you must purchase, and maintain at all times during the term of this Agreement, at your sole cost, insurance coverage, from a responsible carrier, with an A.M. Best rating of A-VIII or better, with the coverage amounts, types and other features as we from time to time specify, using the insurance industry form(s) acceptable to us, and such other insurance coverage as required by law and any other agreement related to the Business. We reserve the right to designate a primary or single source for all or any of the insurance coverage for the Business, and we or our affiliates may be that primary or single source. We may develop an insurance program and require you to participate in it. Any person or entity with an insurable interest that we designate (each, an "Additional Insured") must be named an additional insured on all required liability policies. Each insurance policy must contain a waiver of subrogation in favor of the Additional Insureds. Your insurance must apply as primary and non-contributory. Currently, our minimum insurance requirements include (i) commercial general liability insurance, with minimum liability coverage of \$1,000,000 per occurrence (including Products/Completed Operations and Personal Injury and Advertising Injury) and \$2,000,000 in the aggregate; (ii) auto liability coverage, combined single limit in the amount we specify, up to \$2,000,000 but no less than \$1,000,000, on each owned, non-owned or hired vehicle used in connection with the Business; (iii) workers' compensation coverage regardless of whether required by state law with minimum coverage as required by state law (if applicable); (iv) \$500,000 per claim and in the aggregate cyber-liability insurance for financial losses arising from unauthorized access, loss or corruption of data, including but not limited to privacy and data security breaches, misdirected funds, virus transmission, denial of service and loss of income from network security failures; and (v) such other insurance as from time to time required by us, under applicable law and under other agreements applicable to your Business. With respect to Key Accounts, if the insurance amount required for any Key Account or for Key Account work in general exceeds the amount specified as the amount required by us for any type of insurance, that higher amount required for the Key Account work will apply. We also recommend that you carry an environmental insurance policy covering pollutants including mold. Additional insurance requirements are set forth in the Operations Manual.

The commercial general liability policy must name Franchisor and any and all parents, subsidiaries, directors, officers, employees, and agents as their interest may appear as Additional Insureds. The policy must also include a waiver of subrogation against all parties named as Additional Insureds. The auto liability policy must name Franchisor and any and all parents, subsidiaries, directors, officers, employees, and agents as their interest may appear as Additional Insureds. The policy must also include a waiver of subrogation against all parties named as Additional Insureds. The workers' compensation policy must include a waiver of subrogation against Franchisor and any and all parents, affiliates, subsidiaries, directors, officers, employees, and agents.

Additional Insured status for Franchisor and any and all parents, subsidiaries, directors, officers, agents, employees or any other party required to be named as additional insureds under this Agreement will extend to the full limits of liability maintained by you even if those limits of liability are in excess of those required in this Agreement. Your insurance will be primary and any

insurance carried by Franchisor is strictly excess and secondary and will not contribute with your insurance. The requirements of this Agreement as to insurance limits and acceptability of insurers and insurance to be maintained by you are not intended to and will not in any manner limit or qualify the liabilities and obligations assumed by you under this Agreement.

You must deliver to us at least 5 days prior to commencement and thereafter annually or at our request a proper certificate of insurance, insurance policy endorsements and other evidence of compliance showing the existence of the insurance coverage and your compliance with this Section. Your certificate of insurance will provide proof of the following: (i) Franchisor and all other affiliated parties are included as an Additional Insured where required; (ii) waiver of subrogation included in favor of Franchisor and all other affiliated parties; (iii) your insurance is primary, and all insurance maintained by Franchisor is excess and secondary and shall not contribute with your insurance; and (iv) no insurance may be cancelled or substantially changed without thirty (30) days' prior written notice by certified mail to Franchisor. If you change your insurance provider, you must immediately deliver the proper certificate of insurance to us. We also may request copies of all insurance policies. Any review we conduct of your insurance coverage does not limit your obligation to comply with this Section. We may modify the required minimum limits and types of coverage, by written notice to you. Upon such notification, you must immediately implement the modification of the policy, and provide evidence thereof, in accordance with our request. You may satisfy the insurance coverage limits through an umbrella policy that meets all the requirements of this Section. We have the right to terminate this Agreement for cause if you fail to comply with this Section.

You acknowledge that these minimum insurance requirements do not constitute advice or a representation by us that such coverages are necessary or adequate to protect you from losses in connection with the Business. Nothing in this Agreement restricts you from obtaining insurance with higher policy limits and/or additional coverage.

D. Noncompetition Covenants. You agree that you will receive valuable training and Confidential Information that you otherwise would not have received or had access to but for the rights licensed to you under this Agreement. You therefore agree to the following noncompetition covenants and agree that the following noncompetition covenants are reasonable and necessary to protect the System's legitimate business interests, including its Confidential Information, Intellectual Property, and customer goodwill:

1. Unless otherwise specified, the term "you" as used in this Section 9.D means and includes, collectively and individually, (a) if you are an entity, the entity, all guarantors and all shareholders, members, partners, as the case may be, and other holders of any ownership interest in the entity (collectively, "Owners"), as well as any spouse, children, parents and siblings of any guarantor and Owner, or (b) if you are an individual, the individual and the individual's spouse, children, parents and siblings. We may require you to obtain from your guarantors and Owners, and/or from your spouse, children, parents and siblings or any spouse, children, parents, and siblings of any Owner or guarantor, as applicable, a signed non-compete agreement in a form satisfactory to us that contains the non-compete provisions of this Section 9.D.

2. You promise that during the term of this Agreement, and during any Interim Period (if applicable), you will not, either directly or indirectly, for yourself, or through, on behalf of, or in conjunction with, any person or entity, own, manage, operate, maintain, engage in, consult with or have any interest in any Competitive Business (as defined below).

3. You promise that you will not, for a period of two years after the expiration or termination of this Agreement, or after the expiration or termination of any Interim Period (as applicable), regardless of the cause of termination, or within two years of the sale or Transfer of the Business or any interest in you, either directly or indirectly, for yourself, or through, on behalf of, or in conjunction with any person or entity, own, manage, operate, maintain, engage in, advertise, promote in any media including social media platforms, or consult with or have any interest in a Competitive Business (as defined below) that is located:

- a. In the Territory;
- b. Within a 25-mile radius of the outer boundary of the Territory;  
or
- c. Inside the territory of another MR. HANDYMAN Business,  
whether franchised or owned by us or our affiliates.

For purposes of this Agreement, a “Competitive Business” is any business that offers or sells any product or service or component thereof that (i) composes a part of our System, (ii) is the same as or similar to any product or service then-offered by our franchisees or (iii) otherwise competes directly or indirectly with our System.

4. You agree that the length of time in paragraph 3 above will be tolled for any period during which you are in breach of the non-compete covenants or any other period during which we seek to enforce this Agreement.

5. In addition, you agree that during the term of this Agreement and for one year thereafter, you will not, without our prior written consent, directly or indirectly, for yourself or on behalf of any other person, divert, or attempt to divert, any business or customer of the Business or any other MR. HANDYMAN Business away from the System.

6. The parties agree that each of the foregoing covenants in this Section 9.D will be construed as independent of any other covenant or provision of this Agreement. To the extent anyone successfully contests the validity or enforceability of any part of this Section 9.D in its present form predicated upon the area of coverage, this provision will not be deemed invalid or unenforceable, but will instead be deemed modified, so as to be valid and enforceable, to provide coverage for the maximum scope that any court of competent jurisdiction or arbitrator will deem reasonable and necessary to protect our legitimate interests.

#### TRANSFER OF FRANCHISE

10. You agree that the following provisions govern any Transfer or proposed Transfer:

A. Transfers. We have entered into this Agreement with specific reliance upon your financial qualifications, experience, skills and managerial qualifications as being essential to the satisfactory operation of the Business. Consequently, neither your interest in this Agreement nor in the Business may be directly or indirectly Transferred to or assumed by any other person or entity (at times referred to as the “Assignee”), in whole or in part, unless (i) you have first tendered to us the right of first refusal to acquire this Agreement in accordance with Section 10.F, and we do not exercise such right; (ii) our prior written consent is obtained; (iii) the Transfer fee provided

for in Section 10.C is paid and the Transfer Initial Package (provided in Section 10.C) is purchased; and (iv) the Transfer conditions described in Section 10.D are satisfied. Any direct or indirect sale (including installment sale), lease, pledge, management agreement, contract for deed, option agreement, assignment, bequest, gift or otherwise, or any arrangement pursuant to which you turn over all or part of the daily operation of the Business to a person or entity who shares in the losses or profits of the Business (including merger, combination, or reorganization or as a result of death, disability, divorce, insolvency, or bankruptcy) in a manner other than as an employee will be considered a "Transfer" for purposes of this Agreement. A Transfer also includes the following which triggers the Transfer conditions set forth in this Section 10:

1. For purposes of this Section 10.A, a transfer, pledge or seizure, or change in the control of any 20% direct or indirect ownership interest in you or in any Principal Owner, whether accomplished in a single transaction or a series of related or unrelated transactions; or
2. Any change in the general partner of a franchisee that is a general, limited or other partnership entity.

You may not place in any communication media or any form of advertising, any information relating to the sale of the Business or the rights under this Agreement, without our prior written consent.

B. Consent to Transfer. We will not unreasonably withhold our consent to a Transfer; provided we determine that all of the conditions described in this Section 10 have been satisfied. Application for our consent to a Transfer and tender of the right of first refusal provided for in Section 10.F must be made by submission on our form of application for consent to Transfer, which must be accompanied by the documents (including a copy of the proposed purchase or other Transfer agreement) and other required information. The application must indicate whether you or an owner will retain an interest in the property to be Transferred. No interest may be retained or created without our prior written consent and only upon conditions acceptable to us. Any agreement used in connection with a Transfer shall be subject to our prior written approval, which approval will not be withheld unreasonably. You immediately must notify us of any proposed Transfer and must submit promptly to us the application for consent to Transfer. Any attempted Transfer by you without our prior written consent or otherwise not in compliance with the terms of this Agreement will be void and will provide us with the right to elect either to default and terminate this Agreement or to collect from you and the guarantors a Transfer fee equal to two times the Transfer fee provided for in Section 10.C as damages.

C. Transfer Fee; Transfer Initial Package Fee. You must pay to us a Transfer fee in the amount equal to the greater of (i) 5% of the purchase price of the Business (or portion thereof) or other interest that is being Transferred or (ii) \$9,900. We will reduce the Transfer fee to \$500 for a Transfer to an immediate family member (i.e., a spouse or a child; for the avoidance of doubt, a sibling is not considered an immediate family member for this purpose). The Transfer fee is nonrefundable. You will not be required to pay a Transfer fee if you are an individual and wish to Transfer this Agreement to a newly formed legal entity wholly owned by you and established solely for purposes of the convenience of ownership and the operation of the Business; provided that you must become a guarantor of the Business as required under Section 6.A; and provided further that if you subsequently change the legal entity that owns the Business, you will be required to pay a fee of \$500 in connection with each subsequent entity change. In addition, any Assignee acquiring the entire Business must also pay us a fee of \$5,500 (the "Transfer Initial Package Fee") for the Initial Package that we provide in connection with Transfers (the "Transfer Initial Package"). The

Transfer Initial Package Fee is non-refundable, with the exception of the convention fee as described in Section 8.A.

D. Conditions of Transfer. We condition our consent to any proposed Transfer, whether to an individual, a corporation, a partnership or any other entity, upon the following:

1. Assignee Requirements. The Assignee must meet all of our then-current requirements for our MR. HANDYMAN franchise program we are offering at the time of the proposed Transfer, sign our then-current form of franchise agreement, and its owners must become guarantors of the Business as required under Section 6.A.

2. Payment of Amounts Owed. All amounts owed by you to us, or any of our affiliates or your suppliers, or upon which we or our affiliates have any contingent liability, must be paid in full.

3. Reports. You must have provided all required reports to us.

4. Guarantee. In the case of an installment sale for which we have consented to you or any owner retaining an interest or other financial interest in this Agreement or the Business, you or such owner, and the guarantors, are obligated to guarantee the performance under this Agreement until the final close of the installment sale or the termination of such interest, as the case may be.

5. Assumption of Obligations. The Assignee must assume and agree to be bound by all of your Customer obligations, including all warranty work and service plans obligations.

6. General Release. You and each guarantor must sign a general release of all claims arising out of or relating to this Agreement, your Business or the parties' business relationship, in the form we designate, releasing us and our affiliates.

7. Training. The assignee must, at your or assignee's expense, comply with our training requirements.

8. Financial Reports and Data. We have the right to require you to prepare and furnish to assignee and/or us such financial reports and other data relating to the Business and its operations as we deem reasonably necessary or appropriate for assignee and/or us to evaluate the Business and the proposed Transfer. You agree that we have the right to confer with proposed assignees and furnish them with information concerning the Business and proposed Transfer without being held liable to you, except for intentional misstatements made to an assignee. Any information furnished by us to proposed assignees is for the sole purpose of permitting the assignees to evaluate the Business and proposed Transfer and must not be construed in any manner or form whatsoever as earnings claims or claims of success or failure.

9. Other Conditions. You must have complied with any other conditions that we reasonably require from time to time as part of our Transfer policies. You acknowledge and agree that following any Transfer hereunder, you and your owners will continue to be subject to the noncompetition covenant under Section 9.D.3.

E. Involuntary Transfers.

1. Death, Disability or Incapacity. You will promptly notify us in the event of a death, disability or incapacity of Franchisee (or, if Franchisee is a legal entity, of Franchisee's Principal Owner). In such an event, if the decedent's or disabled or incapacitated person's heir or successor-in-interest wishes to continue as the Franchisee or the Principal Owner of the Franchisee entity, such person or entity must tender the right of first refusal provided for in Section 10.F, apply for our consent under Section 10.B, pay the applicable Transfer fee under Section 10.C, and satisfy the Transfer conditions under Section 10.D, as in any other case of a proposed Transfer, all within 120 days of the death or event of disability or incapacity. During any transition period to an heir or successor-in-interest, the Business still must be operated in accordance with the terms and conditions of this Agreement. If the assignee of the decedent, disabled, or incapacitated person is the spouse or child of such person, no Transfer fee will be payable to us and we will not have a right of first refusal as set forth in Section 10.F.

2. Insolvency or Bankruptcy. In the event of your insolvency or the filing of any petition by or against you under any provisions of any bankruptcy or insolvency law, if your legal representative, successor, receiver or trustee desires to succeed to your interest in this Agreement or the business conducted hereunder, such person first must notify us, tender the right of first refusal provided for in Section 10.F, and if we do not exercise such right, must apply for and obtain our consent to the Transfer, pay the Transfer fee and the Transfer Initial Package Fee provided for in Section 10.C, and satisfy the Transfer conditions described in Section 10.D. In addition, you or the Assignee must pay the attorneys' fees and costs that we incur in any bankruptcy or insolvency proceeding pertaining to you.

3. Divorce. You will promptly notify us of any divorce proceedings that may result in a Transfer and tender the right of first refusal provided for in Section 10.F. If we do not exercise such right, you must apply for and obtain our consent to the Transfer, pay the Transfer fee and the Transfer Initial Package Fee provided for in Section 10.C, and satisfy the Transfer conditions described in Section 10.D.

F. Right of First Refusal. If you propose to Transfer this Agreement or your interest herein or in the Business, in whole or in part, to any third party, as contemplated by Section 10.A, you first must deliver a statement to us offering to sell us your interest in this Agreement and the land, building, equipment, furniture and fixtures and any other assets or leasehold interests used in the operation of the Business (subject to this Section 10). If the proposed Transfer involves an offer from a third party, then you must obtain from the third-party offeror and deliver to us a statement, in writing, signed by the offeror and by you, of the binding terms of the offer.

If the Transfer does not involve an offer from a third party, then the purchase price for our purchase of assets described above will be established by a qualified appraiser selected by the parties. The price determined by the appraiser(s) will be the reasonable fair market value of the assets based on their continuing use in, as, and for the operation of the Business and the appraiser will designate a price for each category of asset (e.g., land, building, equipment, fixtures, etc.), but shall not include the value of any goodwill of the Business, as the goodwill of the Business is attributable to the Marks and the System. If the parties cannot agree upon the selection of such an appraiser, a Judge of the United States District Court for the District in which the Franchise Location is located will appoint one upon petition of either party. You or your legal representative must deliver to us a statement in

writing incorporating the appraiser's report and all other information we have requested. We and you will each pay one-half of the appraiser's fees and expenses.

We then have 10 days from our receipt of the statement setting forth the third-party offer or the appraiser's report, as applicable (and all other information requested by us) to accept the offer by delivering written notice of acceptance to you. We will have an additional 45 days to complete the purchase if we elect to exercise our right of first refusal. Our acceptance of any right of first refusal will be on the same price and terms set forth in the statement delivered to us; provided, however (and regardless of whether the following are inconsistent with the price and terms set forth in the statement) (1) we have the right to substitute equivalent cash for any noncash consideration included in the offer, (2) we will prepare the transaction documents for the Transfer, which will be on terms customary for this type of transaction (including representations and warranties, covenants, conditions, and indemnification), and (3) our purchase may be limited to any assets related to the Business.

If we fail to accept the offer within the 10-day period, you will be free for 60 days after such period to effect the disposition described in the statement delivered to us; provided such Transfer is in accordance with this Section 10, including obtaining our consent under Section 10.B. You may effect no other sale or assignment of you, this Agreement or the Business without first offering the same to us in accordance with this Section 10.F.

G. Transfer by Us. We have the right to sell or assign, in whole or in part, our interest in this Agreement without prior notice to you and without your consent.

## DISPUTE RESOLUTION

11. The following provisions apply with respect to dispute resolution:

A. Mediation. Before any party may bring an action in court against the other, or commence an arbitration proceeding (except as noted in Section 11.B below), the parties must first meet to mediate the dispute. The mediation will be held in McLennan County, Texas. Any such mediation shall be non-binding and shall be conducted by the American Arbitration Association (the "AAA") in accordance with its then-current rules for mediation of commercial disputes unless the parties agree otherwise in writing. The mediator will be appointed in accordance with the rules and regulations of the AAA unless the parties agree on a mediator in writing within 10 days after either party gives written notice of mediation. The mediation hearing will be held within 20 days after the mediator has been appointed. Each party will bear its own costs and expenses for the mediation and will be responsible to pay 50% of the mediator's costs and expenses.

B. Exceptions to Mediation. Notwithstanding Section 11.A or any other provision of this Agreement, the parties agree that the following claims will not be subject to mediation and may be brought in any court of competent jurisdiction, subject to Sections 14.G.1 and 14.H:

1. any action for temporary, preliminary or permanent injunctive relief, ex parte seizure, specific performance, writ of attachment, or other equitable relief necessary to enjoin any harm or threat of harm to such party's tangible or intangible property, including trademarks, service marks and other Intellectual Property, confidential and/or trade secret information, or noncompetition covenants. You specifically acknowledge that your breach or threatened breach of any of your obligations under this Agreement, including but not limited to Sections 3 (Trademark Standards and Requirements), 5.C (Authorized Services and Products), 5.E (Computer System; Call Center Program), 5.F.

(Customer Information), 5.H (Confidential Information), 5.K (Participation in Internet Websites), 9.D (Noncompetition Covenants), 10.A (Transfers), or 13.A (Reversion of Rights; Discontinuation of Trademark Use), will cause irreparable harm to our tangible and/or intangible property and goodwill. You understand that irreparable harm is an injury for which monetary damages are not an adequate remedy. Therefore, upon any such breach or threatened breach by you, in addition to any other rights or remedies that may be available to us at law, equity or otherwise, you acknowledge that we will be entitled to equitable relief, including an injunction, restraining order or specific performance, without any requirement to prove irreparable harm. In addition, you hereby waive any right to request that a bond be issued as security (except for a nominal bond not to exceed \$100);

2. any action in ejectment or for possession of any interest in real or personal property; and

3. any action related solely to the collection of moneys owed to us or our affiliates under this Agreement (including, without limitation License Fees, MAP Fees, and Minimum License Fees), or any other agreement related to the franchise granted under this Agreement, including, without limitation, any promissory note or a guarantee executed hereunder. "Moneys owed" also includes attorneys' fees incurred in the collection of moneys owed, including through the judicial process.

C. Litigation. Except as provided in Section 11.D., any dispute between you and us or any of our or your affiliates, including without limitation, your owners and guarantors, arising under, out of, in connection with or in relation to this Agreement, the parties' relationship, or your Business (collectively, "Dispute") not resolved through mediation under Section 11.A must be submitted to litigation pursuant to Section 14.H.

D. Arbitration. If a court of competent jurisdiction determines that Section 14.I (Jury Waiver) and/or Section 14.J (No Class or Consolidated Actions) is invalid or unenforceable with respect to the Dispute, then and only then, notwithstanding any other provision of this Agreement to the contrary, the Dispute must be submitted to binding arbitration under the authority of the Federal Arbitration Act and must be determined by arbitration administered by the AAA pursuant to its then-current commercial arbitration rules and procedures. The arbitration must take place in McLennan County, Texas. The arbitration must be conducted by a single arbitrator. The arbitrator must follow the law and not disregard the terms of this Agreement. The arbitrator must have at least five years of significant experience in franchise law. The court shall decide the gateway issue of arbitrability. Any arbitration must be on an individual basis and the parties and the arbitrator will have no authority or power to proceed with any claim as a class action or otherwise to join or consolidate any claim with any other claim or any other proceeding involving third parties. If this limitation on joinder of or class action certification of claims within arbitration is held to be unenforceable, then this entire commitment to arbitrate shall become null and void and the parties shall submit all claims to the jurisdiction of the courts. A judgment may be entered upon the arbitration award in any court of competent jurisdiction. The decision of the arbitrator will be final and binding on all parties to the dispute; however, the arbitrator may not under any circumstances: (1) stay the effectiveness of any pending termination of this Agreement; (2) except as provided in Section 14.K., assess punitive or exemplary damages; or (3) make any award which extends, modifies or suspends any lawful term of this Agreement or any reasonable standard of business performance that we set. Each party will bear its own costs and expenses for the arbitration and will be responsible to pay 50% of the arbitrator's fees and costs (including arbitrator's and AAA's fees and costs); provided that the prevailing party will be entitled to reimbursement of its fees and costs under Section 11.E.

E. Attorneys' Fees. The prevailing party in any action or proceeding arising under, out of, in connection with, or in relation to this Agreement, the parties' relationship or the Business will be entitled to recover its reasonable attorneys' fees and costs (including arbitrator's and AAA's fees and costs).

2. Immediate Termination With No Opportunity to Cure. If any of the following defaults occur, you will have no right to cure the default and this Agreement will terminate effective immediately on our issuance of written notice of termination: (i) any material misrepresentation or omission in your franchise application or other reports or information provided to us; (ii) your voluntary abandonment of this Agreement (which includes your failure to operate the Business for seven or more consecutive days or the removal of the Marks); (iii) the closing of the Business by any state or local authorities for public safety reasons; (iv) your registration of any domain name or social media account containing our Marks; (v) any unauthorized use of the Confidential Information; (vi) insolvency of you or guarantor, you or a guarantor making an assignment or entering into any similar arrangement for the benefit of creditors; (vii) conviction of you or any guarantor of (or pleading no contest to) any misdemeanor that brings or tends to bring any of the Marks into disrepute or impairs or tends to impair your reputation or the goodwill of the Marks or the Business, or any felony; (viii) intentionally understating or underreporting Gross Sales, License Fees or MAP Fees or any understatement or 2% variance on a subsequent audit within a 2-year period; (ix) a violation of the non-competition covenant under Section 9.D and/or Schedule F; (x) any actual or attempted unauthorized Transfer in

4. Effect of Other Laws. The provisions of any valid, applicable law or regulation prescribing permissible grounds, cure rights or minimum periods of notice for termination of this franchise supersede any provision of this Agreement that is less favorable to you.

C. Termination by You. You may terminate this Agreement as a result of a breach by us of a material provision of this Agreement; provided that: (i) you provide us with written notice of the breach that identifies the grounds for the breach; and (ii) we fail to cure the breach within 30 days after our receipt of the written notice. If we fail to cure the breach, the termination will be effective 60 days after our receipt of your written notice of breach. Your termination of this Agreement under this Section will not release or modify your post-term obligations under Section 13 of this Agreement.

## POST-TERM OBLIGATIONS

13. Upon the expiration or termination of this Agreement, or the expiration or termination of any Interim Period:

A. Reversion of Rights; Discontinuation of Trademark Use and Use of Intellectual Property. All of your rights to the use of the Marks and Intellectual Property and all other rights and licenses granted herein and the right and license to conduct business under the Marks will revert to us immediately upon expiration or termination of this Agreement without further act or deed of any party. All of your right, title and interest in, to and under this Agreement will become our property. Upon our demand, you must assign to us or our assignee your remaining interest in any lease then in effect for the Business (although we will not assume any past due obligations).

You must immediately comply with the post-term noncompetition obligations under Section 9.D, cease all use and display of the Marks, all other Intellectual Property associated with the System and of any proprietary material (including the Operations Manual) and of all or any portion of promotional materials furnished or approved by us, assign and transfer all right, title and interest in the telephone numbers, domain names, and social media or digital marketing accounts used at any time for the Business and cancel or assign, at our option, any assumed name rights or equivalent registrations filed with authorities. You are solely responsible for removing and ceasing use of the Marks on any social media or digital marketing accounts that you setup for the Business and providing us with written confirmation of the same. You must immediately pay all sums due to us, our affiliates or designees and to third parties, such debts being accelerated automatically without further notice to you. You must immediately deliver to us, at your expense, all copies of

the Operations Manual, Customer lists and ongoing Customer contracts then in your possession or control or previously disseminated to your employees and continue to comply with the confidentiality provisions of Section 5.H. You must promptly, at your expense, remove or obliterate all MR. HANDYMAN Business signage, displays or other materials in your possession that bear any of the Marks or names or material confusingly similar to the Marks, including all such signage and displays on any vehicles, and so alter the appearance of the Business premises as to differentiate the Business unmistakably from duly licensed MR. HANDYMAN Businesses identified by the Marks and you must provide us with written confirmation of the same. You must cease any and all advertising and use of any identifying materials generated during the term of the franchise, including, but not limited to, terminating all business listings in electronic and print format, cancelation of all websites, domain names, social media accounts, and telephone numbers (if not assigned to us) used at any time in connection with the Business. If you fail to immediately de-identify your Business, you must pay all expenses we incur to de-identify your Business.

Upon expiration or termination of this Agreement (or the expiration or termination of any Interim Period), any continued use of the Marks by you or the Business or use of any other Intellectual Property associated with the System: (i) will constitute willful and knowing infringement, dilution of our trademark rights and unfair competition; (ii) will constitute the false designation of origin, source, or sponsorship and false or misleading descriptions and representations in violation of Section 43 of the Lanham Act, 15 U.S.C. § 1125(a), and (iii) may constitute trafficking in a counterfeit mark, among other causes of action.

In the event of expiration or termination of this Agreement (or the expiration or termination of any Interim Period), you will remain liable for your obligations pursuant to this Agreement or any other agreement between you and us or our affiliates that expressly or by their nature survive the expiration or termination of this Agreement, including your indemnification obligations under Section 9.B.

B. Claims. You and your owners and guarantors may not assert any claim or cause of action against us or our affiliates arising out of or relating to this Agreement or your Business after the shortest period of (i) the applicable statute of limitations, (ii) two years and one day following the effective date of expiration or earlier termination of this Agreement or (iii) two years and one day from the accrual of any such claim or cause of action; provided that where the two-year-and-one-day limitation of time in clause (ii) or clause (iii) is prohibited or invalid by or under any applicable law, then and in that event only, no suit or action may be commenced or maintained unless commenced within the applicable statute of limitations.

#### GENERAL PROVISIONS

14. The parties agree to the following provisions:

A. Severability. Should one or more clauses of this Agreement be held void or unenforceable for any reason by any court of competent jurisdiction, such clause or clauses will be deemed to be separable in such jurisdiction and the remainder of this Agreement is valid and in full force and effect and the terms of this Agreement must be equitably adjusted so as to compensate the appropriate party for any consideration lost because of the elimination of such clause or clauses. It is the intent and expectation of each party that each provision of this Agreement will be honored, carried out and enforced as written. Consequently, each party agrees that any provision of this Agreement sought to be enforced in any proceeding must, at the election of the party seeking enforcement and notwithstanding the availability of an adequate remedy at law, be enforced by specific performance or any other equitable remedy.

B. Waiver/Integration/Amendments. No waiver by us of any breach by you, nor any delay or failure by us to enforce any provision of this Agreement, may be deemed to be a waiver of any other or subsequent breach or be deemed a bar or an estoppel to enforce our rights with respect to that or any other or subsequent breach. Subject to our rights to modify the Operations Manual and/or standards and as otherwise provided herein, this Agreement may not be waived, altered or rescinded, in whole or in part, except by a writing signed by you and us. This Agreement together with the addenda and appendices hereto constitutes the entire agreement between the parties concerning the franchise for the Business and supersedes any and all prior negotiations, understandings, representations, and agreements. Nothing in this or in any related agreement, however, is intended to disclaim the representations we made in the Disclosure Document we furnished to you. You must pay us our then-current processing fee (currently \$300) if we make any modifications to this Agreement upon your request.

C. Notices. Except as otherwise provided in this Agreement, any notice, demand or communication provided for herein must be in writing and signed by the party serving the same and either delivered personally, in electronic form via email to an authorized email address or deposited in the United States mail, service or postage prepaid, and if such notice is a notice of default or of termination, by a reputable overnight service, and addressed as follows:

1. If intended for us, addressed to MR. HANDYMAN SPV LLC, 1010 North University Parks Drive, Waco, Texas 76707: Attn: President with a copy to the General Counsel at the same address;

2. If intended for you, addressed to you at the address set forth on the Data Sheet; or, in either case, to such other address as may have been designated by notice to the other party. Notices for purposes of this Agreement will be deemed to have been received if mailed or delivered as provided in this Section.

D. Authority. Any modification, consent, approval, authorization or waiver granted hereunder required to be effective by signature will be valid only if in writing executed by you or, if on behalf of us, in writing executed by our President or one of our authorized Vice Presidents or other authorized officer.

E. References. If the franchisee is two or more individuals, the individuals are jointly and severally liable hereunder, and references to you in this Agreement include all of the individuals. Headings and captions contained herein are for convenience of reference and may not be taken into account in construing or interpreting this Agreement.

F. Successors/Assigns. Subject to the terms of Section 10 hereof, this Agreement is binding upon and inures to the benefit of the administrators, executors, heirs, successors and permitted assigns of the parties.

G. Interpretation of Rights and Obligations. The following provisions apply to and govern the interpretation of this Agreement, the parties' rights under this Agreement, and the relationship between the parties:

1. Applicable Law and Waiver. The parties agree that the execution of this Agreement and the acceptance of its terms occurred in the state of Texas. The parties further agree that the performance of material obligations arising under the Agreement, including but not limited to, your payment of monies due hereunder and the satisfaction of certain of our training requirements, shall occur in the state of Texas. Accordingly, subject

to our rights under federal trademark laws and the parties' rights under the Federal Arbitration Act in accordance with Section 11, this Agreement, the parties' rights under this Agreement, and the relationship between the parties under this Agreement are governed by, and will be interpreted in accordance with, the laws (statutory and otherwise) of the state of Texas (excluding any conflicts of laws principles).

2. Our Rights. Whenever this Agreement provides that we have a certain right, that right is absolute and the parties intend that our exercise of that right will not be subject to any limitation or review. We have the right to operate, administrate, develop, and change the System in any manner that is not specifically precluded by the provisions of this Agreement.

3. Our Reasonable Business Judgment. Whenever we reserve discretion in a particular area or where we agree to exercise our rights reasonably or in good faith, we will satisfy our obligations whenever we exercise "Reasonable Business Judgment" (as defined below) in making our decision or exercising our rights. Our decisions or actions will be deemed to be the result of "Reasonable Business Judgment," even if other reasonable or even arguably preferable alternatives are available, if our decision or action is intended, in whole or significant part, to promote or benefit the System generally even if the decision or action also promotes our financial or other individual interest. Examples of items that will promote or benefit the System include, without limitation, enhancing the value of the Marks, improving customer service and satisfaction, improving product and service quality, improving uniformity, enhancing or encouraging modernization and improving the competitive position of the System.

H. Venue. Any dispute between you and us or any of our or your affiliates, including without limitation, your owners and guarantors, arising under, out of, in connection with or in relation to this Agreement, the parties' relationship, or your Business, including disputes not resolved through mediation, must be brought in the state or federal district court located in McLennan County, Texas. Both parties hereto irrevocably submit themselves to, and consent to, the jurisdiction of said courts and specifically waive any objection to the jurisdiction and venue of such courts. The parties specifically waive the right to remove any action brought in the state court of McLennan County, Texas to a federal district court. The provisions of this Section will survive the termination of this Agreement. The parties are aware of and acknowledge the business purposes and needs underlying the language of this Section, and with a complete understanding thereof, agree to be bound in the manner set forth.

I. Jury Waiver. **ALL PARTIES HEREBY WAIVE ANY AND ALL RIGHTS TO A TRIAL BY JURY IN CONNECTION WITH THE ENFORCEMENT OR INTERPRETATION BY JUDICIAL PROCESS OF ANY PROVISION OF THIS AGREEMENT, AND IN CONNECTION WITH ALLEGATIONS OF STATE OR FEDERAL STATUTORY VIOLATIONS, FRAUD, MISREPRESENTATION OR SIMILAR CAUSES OF ACTION OR ANY LEGAL ACTION INITIATED FOR THE RECOVERY OF DAMAGES FOR BREACH OF THIS AGREEMENT AND CLAIMS ARISING OUT OF THE PARTIES' RELATIONSHIP.**

J. No Class or Consolidated Actions. **ALL CLAIMS, CONTROVERSIES AND DISPUTES MAY ONLY BE BROUGHT BY THE FRANCHISEE ON AN INDIVIDUAL BASIS AND MAY NOT BE COMBINED OR CONSOLIDATED WITH ANY CLAIM, CONTROVERSY OR DISPUTE FOR OR ON BEHALF OF ANY OTHER FRANCHISEE OR BE PURSUED AS PART OF A CLASS ACTION.**

K. Waiver of Punitive and Consequential Damages. Except with respect to indemnification obligations hereunder with respect to third-party claims and except for damages under the Lanham Act, you and us and our affiliates agree to waive, to the fullest extent permitted by law, the right to or claim for any consequential, indirect, special, punitive or exemplary damages against the other and agree that in the event of any dispute between them, each will be limited to the recovery of actual damages sustained. Notwithstanding anything herein to the contrary, each party waives, to the fullest extent permitted by law, the right to or claim for any punitive or exemplary damages against the other.

L. WAIVER OF CONSUMER RIGHTS. YOU WAIVE ANY RIGHTS YOU MAY HAVE UNDER THE TEXAS DECEPTIVE TRADE PRACTICES CONSUMER PROTECTION ACT, SECTION 17.41, ET SEQ., BUSINESS AND COMMERCE CODE, AND UNDER ANY OTHER SIMILAR LAW OF TEXAS OR ANY OTHER JURISDICTION THAT GIVES CONSUMERS SPECIAL RIGHTS AND PROTECTIONS. AFTER AN ADEQUATE OPPORTUNITY TO REVIEW THIS PROVISION INCLUDING THE OPPORTUNITY TO CONSULT WITH AN ATTORNEY OF YOUR OWN SELECTION, YOU VOLUNTARILY CONSENT TO THIS WAIVER.

M. Relationship of the Parties. You and we are independent contractors. Neither party is the agent, legal representative, partner, subsidiary, joint venturer or employee of the other. Neither party may obligate the other or represent any right to do so. This Agreement does not reflect or create a fiduciary relationship or a relationship of special trust or confidence.

N. Construction. The parties mutually agree that any ambiguities in this Agreement shall not be construed or interpreted more strictly against the drafting party.

O. Force Majeure. A party's failure of performance of this Agreement according to its terms will not be deemed a breach of this Agreement to the extent such failure was caused by events beyond the party's control and which could not be avoided by the exercise of due care, including, but not limited to, terrorism, strikes (except those caused by employees or agents), war, riots, civil disorder, and acts of government except as may be specifically provided for elsewhere in this Agreement. Nothing in this provision shall excuse a party from any obligations, or deprive any party of rights, that survive termination of this Agreement, including but not limited to those obligations and rights set forth in Sections 9.B. and 9.D.

P. Adaptations and Variances. You acknowledge that complete and detailed uniformity under many varying conditions may not always be possible, practical, or in the best interest of the System. Accordingly, we have the right to vary the standards, specifications, and requirements for any franchised business based on conditions we deem important to the operation of such business and/or the System, as more particularly set forth in the Operations Manual. We are not required to grant you a like or other variation. You acknowledge that the obligations and rights of the parties to other agreements may differ materially from your rights and obligations under this Agreement.

Q. Notice of Potential Profit. You acknowledge that we and/or our affiliates may from time to time make a profit on our sales of goods or services to you for use in your Business. Further, we and/or our affiliates may from time to time receive rebates and/or other consideration from suppliers and/or manufacturers in respect of sales of goods or services to you or in consideration of services rendered or rights licensed to such persons. You agree that we and/or our affiliates are entitled to said rebates, profits and/or consideration and we may use same as we deem appropriate.

R. Anti-Terrorism Provision. You and each of your Owners represent and warrant to us that: (i) neither you nor any Owner is named, either directly or by an alias, pseudonym or nickname, on the lists of “Specially Designated Nationals” or “Blocked Persons” maintained by the U.S. Treasury Department’s Office of Foreign Assets Control currently located at [www.treas.gov/offices/enforcement/ofac/](http://www.treas.gov/offices/enforcement/ofac/); (ii) you and each Owner will take no action that would constitute a violation of any applicable laws against corrupt business practices, against money laundering and against facilitating or supporting persons or entities who conspire to commit acts of terror against any person or entity, including as prohibited by the U.S. Patriot Act (currently located at [www.epic.org/privacy/terrorism/hr3162.html](http://www.epic.org/privacy/terrorism/hr3162.html)), U.S. Executive Order 13244 (currently located at [www.treas.gov/offices/enforcement/ofac/sanctions/terrorism.html](http://www.treas.gov/offices/enforcement/ofac/sanctions/terrorism.html)) or any similar laws; and (iii) you and each Owner shall immediately notify us in writing of the occurrence of any event or the development of any circumstance that might render any of the foregoing representations and warranties false, inaccurate or misleading.

S. Franchisor’s Affiliates. You agree that except for any affiliate that guarantees our performance hereunder pursuant to a guarantee included in our Franchise Disclosure Document, no other past, present or future director, officer, employee, incorporator, member, partner, stockholder, subsidiary, affiliate, controlling party, entity under common control, ownership or management, vendor, service provider, agent, attorney or representative of Mr. Handyman SPV LLC will have any liability for: (i) any obligations or liabilities of Mr. Handyman SPV LLC relating to or arising from this Agreement; (ii) any claim against Mr. Handyman SPV LLC based on, in respect of, or by reason of the relationship between you and Mr. Handyman SPV LLC; or (iii) any claim against Mr. Handyman SPV LLC based on any alleged unlawful act or omission of Mr. Handyman SPV LLC.

EACH PERSON SIGNING THIS AGREEMENT REPRESENTS AND WARRANTS THAT HE OR SHE IS AUTHORIZED TO BIND THE RESPECTIVE PARTY TO THIS AGREEMENT. THIS AGREEMENT IS NOT BINDING OR ENFORCEABLE UNTIL WE SIGN IT.

STATE LAW ADDENDA. The state law addenda included in Schedule I are an integral part of this Agreement. If your Business is to be located in California, Michigan, Washington, Rhode Island, Maryland, Illinois, Indiana, Minnesota, New York, North Dakota, Virginia, or you are a resident of any of these states (except for Virginia), the respective state law addendum included in Schedule I amends this Agreement.

I hereby authorize MR. HANDYMAN SPV LLC (“Franchisor”), its affiliates, including Neighborly Assetco LLC, and the financial institution named above to initiate entries, including debit and credit entries, to my checking/savings account identified above periodically, including weekly, monthly, annually or as necessary, on a day specified from time to time by Franchisor to pay all fees, charges and any other amounts owed (including, License Fees, MAP fees, call center fees, late fees, interest charges, note payments, software fees and any other amounts owed) pursuant to the terms of the Franchise Agreement and all related agreements entered into with Franchisor and/or its affiliates, with License Fees and MAP fees to be in accordance with the weekly sales analysis submitted by me; and, if necessary, to initiate adjustments for any transactions credited in error. These debits are related to the operation of the franchised business and the amount of each debit will vary, including from week to week, to a maximum amount (if any) as set forth in the Franchise Agreement. The credits are the amounts due to the franchised business that Franchisor receives from third parties for services performed by the franchised business net of Franchisor’s deductions for audit and any related administrative fees and/or credit entries to correct any debit entries that may have been made in error. This authority will remain in effect until I notify you in writing to cancel it in such time as to afford the financial institution a reasonable opportunity to act on such instructions. I can stop payment

of any entry by notifying the financial institution at least 3 days before my account is scheduled to be charged. WHEREAS, you are associated with Franchisee as a spouse or owner of Franchisee;

WHEREAS, Franchisor intends to enter into a Franchise Agreement (the “Franchise Agreement”) pursuant to which Franchisor will grant Franchisee (or a legal entity owned and/or controlled by Franchisee) a license to use Franchisor’s trademarks, services marks, logos and other indicia of origin (the “Marks”) and Franchisor’s methods of operation (the “System”) in connection with the operation of a business providing a diverse array of residential or business maintenance, repair or improvement services (the “Franchise”) in and for a specified geographical area described in the Franchise Agreement. (Capitalized terms used herein without a definition shall have the same meaning as assigned to them in the Franchise Agreement); and

WHEREAS, Franchisor has undertaken, at considerable effort and expense, to create the System which will be revealed to Franchisee pursuant to the Franchise Agreement and you either will be involved in the operation of the franchise, or, if a spouse of Franchisee, may not intend to hold an ownership interest in the Franchise or be actively involved in the operation of the Franchise but through your relationship with Franchisee, will be exposed to and learn many procedures, techniques and other matters that are identified and treated by Franchisor as confidential, proprietary or trade secret, including, without limitation, information regarding the operational, sales, and marketing methods and techniques of Franchisor, which are beyond your skills and experience (“Confidential Information”); and

WHEREAS, you agree that you will receive material benefit from Franchisor entering into the Franchise Agreement with Franchisee. In exchange for that good consideration, you agree to execute and be bound by this Agreement, including the noncompetition covenant set forth herein.

NOW, THEREFORE, you hereby agree as follows:

1. Acknowledgement of Confidentiality Obligation. You acknowledge that through your association or relationship with Franchisee, you will receive valuable Confidential Information that provides a competitive advantage in the development of the Franchise. You acknowledge and agree that the Confidential Information and any Operations Manual are confidential and proprietary in nature and contain trade secrets belonging to Franchisor and that all such tangible evidence of Confidential Information is a property right of great value to Franchisor. You hereby agree to be bound by the provisions of the Franchise Agreement related to confidentiality and protection of trade secrets, including but not limited to Section 5.H of the Franchise Agreement, to the same extent as if a party to the Franchise Agreement.

2. Non-Use. You agree not to (a) use Confidential Information without prior written approval from Franchisor or as otherwise permitted by the Franchise Agreement, or (b) do or perform any other act injurious to the goodwill associated with the Marks and the System.

3. Non-Disclosure. Without prior written approval from Franchisor, you agree not to disclose, communicate or divulge any Confidential Information for your benefit or for the benefit of any other third party, including, without limitation, a competitor of the Franchise and/or Franchisor.

4. Exclusions. Confidential Information does not include and this Agreement does not apply to information that you can establish by reliable documentary evidence (a) was previously known by you, (b) is or becomes part of the public domain other than through your wrongful act, (c) is otherwise lawfully in your hands by a means other than breach of this Agreement or (to your knowledge) third party's breach of its confidentiality obligation to Franchisor, or (d) is sought pursuant to a subpoena or written discovery ("Process"); provided that Franchisor shall be immediately notified of the receipt of the Process, whereupon Franchisor has the right to request that Franchisee and/or you delete the Confidential Information from the scope thereof, and if Franchisee or you refuse, then Franchisor may seek any and all available remedies, including, without limitation, commencing proceedings to enjoin the disclosure of Confidential Information or intervening impending proceedings to seek the entry of protective orders or other appropriate relief. Nothing in this Agreement shall be construed to interfere with a party's obligations to comply with lawful court orders; however, no disclosure of Confidential Information by a party pursuant thereto shall be deemed to place the Confidential Information in the public domain or to relieve the party from the future performance of all its confidentiality obligations under this Agreement, absent express orders of the court to the contrary.

5. Covenant Not to Compete. Except as otherwise approved in writing by Franchisor, you may not, directly or indirectly, through, on behalf of, or in conjunction with, any other person, partnership, or legal entity, own, maintain, operate, or engage or participate in, inure benefit to, or have any financial interest, either as an officer, agent, employee, principal, partner, director, shareholder or any other individual or representative capacity, in any corporation, partnership or other legal entity that engages in any business that is the same as or similar to the Franchise, or is otherwise in competition with the business of Franchisor or Franchisor's franchisees, that engages in the distribution of similar products, services and/or equipment and that is located (a) anywhere, while the Franchise Agreement is in effect or (b) (i) within the territory specified on the Data Sheet to the Franchise Agreement, (ii) within a 25-mile radius of the outer boundary of such territory, or (iii) inside the territory of another Mr. Handyman business, in each case during a period of two (2) years commencing with the earlier of the termination of the Franchise Agreement or the date on which you cease to be associated with Franchisee (or the individual who is the principal of a legal entity identified as Franchisee) whether because of a termination of an employment arrangement or marriage or otherwise, which period shall be extended by any period of non-compliance. You further agree that upon Franchisor's request you shall make his/her personal and business records available for inspection by Franchisor to determine your compliance with this provision.

6. Customer Non-Solicitation Covenant. In addition, you agree that during the term of the Franchise Agreement and for a period of one year commencing with the earlier of the termination of the Franchise Agreement or the date on which you cease to be associated with Franchisee (or the individual who is the principal of a legal entity identified as Franchisee) whether because of a termination of an employment arrangement or marriage or otherwise, you will not, without our prior written consent, directly or indirectly, for yourself or on behalf of any other person: divert, or attempt to divert, any business or customer of the Business or any other MR. HANDYMAN Business to any competitor by direct or indirect inducement.

7. Scope of Covenants. The parties agree that each of the foregoing covenants in Section 5 and Section 6 will be construed as independent of any other covenant or provision of this Agreement. To the extent anyone successfully contests the validity or enforceability of any part of Section 5 or Section 6 in its present form predicated upon the scope of coverage, this provision will not be deemed invalid or unenforceable, but will instead be deemed modified, so as to be valid and enforceable, to provide coverage for the maximum scope that any court of competent jurisdiction or arbitrator will deem reasonable and necessary to protect Franchisor's legitimate interests.

8. Choice of Law and Jurisdiction. This Agreement shall be governed by the internal laws of the State of Texas, without regard to conflicts of laws provisions. You agree that any litigation or legal action to enforce or relating to this Agreement shall be filed in Waco, McLennan County, Texas. You hereby consent to the jurisdiction of such Courts and further agree to waive any rights or objections to the jurisdiction or venue of any such actions when filed in such Courts.

9. Legal Fees and Costs. Any unauthorized disclosure following execution of this Agreement may be cause for suit for injunctive relief and damages. If you breach this Agreement, you shall pay reasonable attorney's fees and other costs incurred by Franchisor and/or Franchisee in enforcing the provisions of this Agreement. If any legal proceeding is commenced to enforce or interpret any provision of this Agreement, the prevailing party will be entitled to recover reasonable attorney's fees and all costs and disbursements allowed by law.

10. Defend Trade Secrets Act of 2016 Disclosure. 18 U.S.C. § 1833(b) states: "An individual shall not be held criminally or civilly liable under any Federal or State trade secret law for the disclosure of a trade secret that—(A) is made—(i) in confidence to a Federal, State, or local government official, either directly or indirectly, or to an attorney; and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal." Accordingly, the Parties to this Agreement have the right to disclose in confidence trade secrets to Federal, State, and local government officials, or to an attorney, for the sole purpose of reporting or investigating a suspected violation of law. The Parties also have the right to disclose trade secrets in a document filed in a lawsuit or other proceeding, but only if the filing is made under seal and protected from public disclosure. Nothing in this Agreement is intended to conflict with 18 U.S.C. § 1833(b) or create liability for disclosures of trade secrets that are expressly allowed by 18 U.S.C. § 1833(b).

11. Entire Agreement. This Agreement sets forth the entire understanding among you, Franchisor and Franchisee with respect to its subject matter and cannot be changed except by written instrument signed by you, Franchisor and Franchisee. There are no representations of any kind except as contained herein. This Agreement will be binding upon and inure to the benefit of the parties, their legal representatives, successors, and assigns.

**PROMISSORY NOTE AND SECURITY AGREEMENT**

**DATE:** \_\_\_\_\_

**DEBTOR:** \_\_\_\_\_

**DEBTOR'S MAILING ADDRESS:** \_\_\_\_\_

**SECURED PARTY:** MR. HANDYMAN SPV LLC  
a Delaware limited liability company, or its successors or assigns

**SECURED PARTY'S MAILING ADDRESS:** 1010 North University Parks Drive, Waco, Texas 76707

**PRINCIPAL:** \_\_\_\_\_ AND 00/100 DOLLARS (\$\_\_\_\_.\_\_\_\_)

**INTEREST:** \_\_\_\_\_ percent (\_\_\_\_%) per annum on unmatured, unpaid PRINCIPAL beginning thirty (30) days before the due date of the first payment and the maximum legal rate of interest on matured, unpaid amounts from the date of maturity.

**TERMS OF PAYMENT:**

The principal and interest of this note shall be payable in monthly installments of \_\_\_\_\_ **AND 00/100 DOLLARS (\$\_\_\_\_\_)** each, beginning on \_\_\_\_\_ and continuing on the first day of each month thereafter until \_\_\_\_\_, on which date the entire principal balance, any accrued, unpaid interest and all other amounts payable under this document are due in full. By execution of the ACH Form attached to the Franchise Agreement entered into by and between DEBTOR and SECURED PARTY (the "Franchise Agreement"), DEBTOR authorizes SECURED PARTY and the financial institution named thereon to make the foregoing payments from DEBTOR'S account until DEBTOR cancels such automatic draft in accordance with the terms of the Authorization or this note is paid in full.

DEBTOR promises to pay PRINCIPAL and INTEREST according to the above TERMS OF PAYMENT to the order of SECURED PARTY. This note may be prepaid in any amount at any time before maturity without penalty. Installments shall continue to be payable regularly after any partial payment unless and until this note has been fully paid. INTEREST shall be calculated on the unpaid PRINCIPAL to the date of any payment or prepayment, with that payment or prepayment being credited first to pay the accrued INTEREST and then to reduce the PRINCIPAL.

If DEBTOR defaults in the payment of any indebtedness or the performance of any obligations under this document or any document collateral to it, including, without limitation, the Franchise Agreement, or DEBTOR sells, assigns or transfers the Franchise Agreement or any interest therein or in the franchise granted thereunder to a third party, SECURED PARTY may declare the entire unpaid PRINCIPAL, earned INTEREST and any other amounts payable under this document immediately due. DEBTOR and each surety, endorser and guarantor waive all demands for payment, presentations for payment, notices of intention to accelerate, notices of acceleration, protests and notices of protest to the extent permitted by law.

If this document or any document collateral to it, including, without limitation, the Franchise Agreement, is given to an attorney for collection or enforcement, is collected or enforced after suit is

brought for that purpose or is collected or enforced through probate, bankruptcy or other judicial proceeding, DEBTOR shall pay SECURED PARTY all costs of collection and enforcement (including, without limitation, reasonable attorney's fees and court costs) in addition to amounts due. Reasonable attorney's fees shall be ten percent (10%) of all amounts due unless plead otherwise.

Interest on any indebtedness under this document or any document collateral to it shall not exceed the maximum amount of nonusurious interest that may be contracted for, taken, reserved, charged or received under law. Any interest in excess of that maximum amount shall be credited on the principal of the indebtedness or, if that has been paid, refunded. Any such excess resulting from any acceleration or prepayment shall be canceled automatically or, if already paid, credited on the unpaid principal of the indebtedness or, if the principal of the indebtedness has been paid, refunded. This provision overrides other provisions in this and all other instruments related hereto.

If any installment of this note is not paid within thirty (30) days of its due date, a late charge in the amount of TEN AND NO/100 DOLLARS (\$10.00) per payment per day will be paid by DEBTOR upon demand as compensation for any expense or inconvenience incurred in collecting that delinquent installment. DEBTOR is not hereby authorized to be delinquent in paying any installment. Any demand for a late charge shall not affect any other remedies available.

If any draft or check is returned by DEBTOR'S financial institution for insufficient funds or any other reason, SECURED PARTY is entitled to reimbursement from DEBTOR in the amount of TWENTY FIVE AND 00/100 DOLLARS (\$25.00) per draft or check. Any demand for reimbursement shall not in any manner affect any other remedies available.

#### **COLLATERAL:**

All right, title and interest of DEBTOR to all fixtures, furniture, leasehold improvements, furnishings, materials, supplies, equipment, goods, machinery, general intangibles, money, accounts, inventory, chattel paper, documents, instruments, commercial tort claims, deposit accounts, investment property, letter-of-credit rights, letters of credit and other personal property of any kind whatsoever, whether now or hereafter existing, arising, acquired or used by DEBTOR in any manner in connection with the MR. HANDYMAN franchise operated by DEBTOR under the Franchise Agreement or any other business which has provided or is providing services in any manner related to the business of providing a diverse array of residential or business maintenance, repair or improvement services; and all replacements, betterments, substitutions, renewals, additions, products and proceeds thereto or therefrom.

#### **GRANT OF SECURITY INTEREST:**

DEBTOR grants SECURED PARTY a security interest in the COLLATERAL to secure the payment of all indebtedness owed and the performance of all obligations performable by DEBTOR to or for SECURED PARTY (including, without limitation, all indebtedness and obligations under this document or any document collateral to it).

SECURED PARTY's sole duty with respect to the custody, safekeeping and physical preservation of COLLATERAL in its possession or under its control will be to use reasonable care in the custody and preservation of such COLLATERAL. DEBTOR agrees that SECURED PARTY will be deemed to have used reasonable care in the custody and preservation of COLLATERAL if SECURED PARTY deals with such COLLATERAL in the same manner as SECURED PARTY deals with similar property for its own account and, to the extent permitted by applicable law. SECURED PARTY need not take any steps to preserve rights against any other person or entity. Neither SECURED PARTY nor any of its directors, officers, managers, members, employees or agents will be liable for failure to demand, collect or realize

upon the COLLATERAL or will be under any obligation to sell or otherwise dispose of any COLLATERAL.

DEBTOR confirms that value has been given, that DEBTOR has rights in the COLLATERAL, and that DEBTOR and SECURED PARTY have not agreed to postpone the time for attachment of the security interest to any of the COLLATERAL. In respect of COLLATERAL which is acquired after the execution date of this Promissory Note and Security Agreement, the time for attachment will be the time when DEBTOR acquires such COLLATERAL.

SECURED PARTY may (and DEBTOR hereby authorizes SECURED PARTY to) execute and file such financing statements and other documents as SECURED PARTY may at any time deem appropriate to perfect the foregoing security interest. Without limiting the generality of the foregoing, DEBTOR authorizes SECURED PARTY to file financing statements designating the collateral as "all personal property" or "all assets" of DEBTOR, and authorizes, ratifies and approves any financing statement filed by SECURED PARTY on or prior to the date of this document.

#### **DEBTOR'S WARRANTIES AND COVENANTS:**

DEBTOR warrants, represents and covenants that: 1) No financing statement covering the COLLATERAL is filed in any public office; 2) DEBTOR is validly existing and in good standing under the laws of its jurisdiction of organization, and the execution and delivery of this document by DEBTOR and the performance of its obligations hereunder have been duly authorized by all necessary action in accordance with applicable laws; 3) DEBTOR owns the COLLATERAL, free and clear of all liens other than liens in favor of SECURED PARTY, and has the authority to grant this security interest; 4) none of the COLLATERAL is or will be affixed to real estate, an accession to any goods, commingled with other goods, or a fixture, accession or part of a product or mass with other goods; 5) all information about DEBTOR'S financial condition provided to SECURED PARTY was accurate when submitted, as will be any information subsequently provided; 6) DEBTOR will defend the COLLATERAL against all claims and demands adverse to SECURED PARTY'S interest in it; 7) the COLLATERAL will remain in DEBTOR'S possession or control at all times; 8) DEBTOR will maintain the COLLATERAL in good condition and protect it against misuse, abuse, waste and deterioration except for ordinary wear and tear resulting from its intended use; 9) DEBTOR will insure the COLLATERAL in accordance with SECURED PARTY'S reasonable requirements regarding choice of carrier, casualties insured against and amount of coverage; 10) insurance policies will be written in favor of DEBTOR and SECURED PARTY according to their respective interests or according to SECURED PARTY'S other requirements; 11) all insurance policies shall provide that the SECURED PARTY will receive at least ten (10) days' notice before cancellation, and the policies or certificates evidencing them will be provided to SECURED PARTY when issued; 12) DEBTOR assumes all risk of loss or damage to the COLLATERAL to the extent of any deficiency in insured coverage; 13) DEBTOR irrevocably appoints SECURED PARTY as DEBTOR'S attorney-in-fact to collect on DEBTOR'S behalf any returned unearned premiums and proceeds of any insurance on the COLLATERAL and to endorse any draft or check deriving from the policies and made payable to DEBTOR; 14) DEBTOR will pay all expenses incurred by SECURED PARTY in negotiating, obtaining, preserving, perfecting, defending and enforcing this document, any document collateral to it or the COLLATERAL (expenses for which DEBTOR is liable include, without limitation, taxes, assessments, reasonable attorney's fees and other legal expenses, these expenses will bear interest from the dates of payments at the highest legal rate of interest, and DEBTOR will pay SECURED PARTY this interest on demand at a time and place reasonably specified by SECURED PARTY); 15) DEBTOR will sign any papers that SECURED PARTY considers necessary to obtain, maintain and perfect this security interest or to comply with any relevant law, including, without limitation, such documents as may be required to have the security interest granted hereunder properly noted on a certificate of title; 16) DEBTOR will immediately notify SECURED PARTY in writing of any material change in the COLLATERAL, of any

change in DEBTOR'S name, address or location, of any change in any matter warranted or represented in this document or any document collateral to it, of any change that may affect the security interest in the COLLATERAL, or perfection thereof, and of any event of default; 17) without SECURED PARTY'S prior written consent, DEBTOR will not sell, transfer or encumber any of the COLLATERAL other than sales of inventory in the ordinary course of business; 18) DEBTOR will maintain accurate books and records covering the COLLATERAL; and 19) DEBTOR will furnish SECURED PARTY any requested information related to the COLLATERAL and DEBTOR will allow SECURED PARTY, at any time and place, to inspect the COLLATERAL and all records describing or related to the COLLATERAL.

#### **RIGHTS AND REMEDIES OF SECURED PARTY:**

Regardless of whether or not DEBTOR is in default hereunder, SECURED PARTY may: 1) release any COLLATERAL in SECURED PARTY'S possession to any debtor, temporarily or otherwise; 2) take control of any proceeds generated by the COLLATERAL, such as refunds from and proceeds of insurance, and reduce any part of the owed indebtedness accordingly or permit DEBTOR to use such funds to repair or replace damaged/destroyed COLLATERAL; 3) contact account debtors directly to verify information furnished by DEBTOR; 4) notify obligors on the COLLATERAL to pay SECURED PARTY directly and reduce any part of the owed indebtedness accordingly; and 5) as DEBTOR'S agent, endorse any documents or chattel paper that is COLLATERAL or that represents proceeds of COLLATERAL.

SECURED PARTY has no obligation to collect any account and will not be liable for failure to collect any account or for any act or omission on the part of SECURED PARTY or SECURED PARTY'S officers, agents or employees, except willful misconduct. If DEBTOR fails to maintain insurance as required, SECURED PARTY may purchase single-interest insurance coverage that will protect only SECURED PARTY. If SECURED PARTY purchases this insurance, the insurance premiums will become part of the indebtedness owed by DEBTOR to SECURED PARTY under this document.

#### **EVENTS OF DEFAULT:**

Each of the following conditions is an event of default: 1) if DEBTOR defaults in the timely payment or performance of any indebtedness, obligation, covenant or liability in this document, in any document collateral to it, including, without limitation, the Franchise Agreement, or in any other agreement between DEBTOR and SECURED PARTY and fails to cure the same within the applicable cure period (if any); 2) if any warranty, covenant or representation made to SECURED PARTY by or on behalf of DEBTOR proves to have been false or incomplete in any material respect when made; 3) if a receiver is appointed for DEBTOR or any of the COLLATERAL or if the COLLATERAL is assigned for the benefit of creditors or, to the extent permitted by law, if bankruptcy or insolvency proceedings are commenced against or by DEBTOR, any partnership of which DEBTOR is a general partner or any maker, drawer, acceptor, endorser, guarantor, surety, accommodation party or other person liable on or for any part of the indebtedness owed or obligations performable by DEBTOR under this document or any document collateral to it; 4) if any lien attaches to any of the COLLATERAL other than any lien granted in favor of SECURED PARTY; and 5) if any of the COLLATERAL is lost, stolen, damaged or destroyed, unless it is promptly restored or replaced with collateral of like quality.

#### **REMEDIES OF SECURED PARTY ON DEFAULT:**

During the existence of any event of default, SECURED PARTY may declare the unpaid PRINCIPAL and earned INTEREST and all other amounts payable under this document immediately due in whole or part, enforce the payment of indebtedness and performance of obligations by DEBTOR under this document and any document collateral to it and exercise any rights and remedies granted by this document, any document collateral to it or by applicable law (including, without limitation, the Texas

Uniform Commercial Code), including, without limitation, the following: 1) require DEBTOR to deliver to SECURED PARTY all books and records relating to the COLLATERAL; 2) require DEBTOR to assemble the COLLATERAL and make it available to SECURED PARTY at a place reasonably convenient to both parties; 3) take possession of any of the COLLATERAL and for this purpose enter any premises where it is located; 4) sell, lease or otherwise dispose of any of the COLLATERAL in accord with the rights, remedies and duties of a secured party under Chapters 2 and 9 of the Texas Uniform Commercial Code after giving notice as required by those chapters; 5) surrender any insurance policies covering the COLLATERAL and receive the unearned premium; 6) apply any proceeds from disposition of the COLLATERAL after default in the manner specified in Chapter 9 of the Texas Uniform Commercial code, including, without limitation, payment of SECURED PARTY'S reasonable attorney's fees and court expenses; and; 7) if disposition inadequate, collect the deficiency.

#### **GENERAL PROVISIONS:**

1. SECURED PARTY'S rights under this document shall inure to the benefit of its successors and assigns.
2. Neither delay in exercise nor partial exercise of any of SECURED PARTY'S remedies or rights shall waive further exercise of those remedies or rights. SECURED PARTY'S failure to exercise remedies or rights does not waive subsequent exercise of those remedies or rights. SECURED PARTY'S waiver of any default does not waive further default. SECURED PARTY may remedy any default without waiving the default. The rights, remedies, powers, and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers, and privileges provided by law.
3. If DEBTOR fails to perform any of DEBTOR'S obligations, SECURED PARTY may perform those obligations and be reimbursed by DEBTOR on demand for any sums so paid (including, without limitation, attorney's fees and other legal expenses) plus interest on those sums from the dates of payment at the maximum legal rate of interest. The sum to be reimbursed shall be secured by the security interest under this document.
4. This document constitutes the entire contract between DEBTOR and SECURED PARTY with respect to the subject matter hereof and supersedes all previously executed agreements and understandings, oral or written, with respect thereto. No provisions of this document shall be modified or limited except by written agreement executed by both parties.
5. The unenforceability of any provision will not affect the enforceability or validity of any other provision.
6. This document and the agreement evidenced hereby is to be construed according to Texas laws. All indebtedness is payable and all obligations are performable in Waco, McLennan County, Texas.
7. A carbon, photographic, electronic or other reproduction of this Promissory Note and Security Agreement or any financing statement covering the COLLATERAL is sufficient as a financing statement.
8. If the COLLATERAL is sold after default, recitals in the transfer document will be prima facie evidence of their truth, and all prerequisites to the sale specified herein and by the Texas UCC will be presumed satisfied.

9. The security interest under this document shall neither affect nor be affected by any other security for any of the indebtedness owed or obligations performable by DEBTOR under this document or any document collateral to it. Neither extensions of any of that indebtedness or those obligations nor releases of any of the COLLATERAL will affect the priority or validity of the security interest under this document.
10. Foreclosure of the security interest under this document by suit shall not limit SECURED PARTY'S remedies, including, without limitation, the right to sell the COLLATERAL. All remedies of SECURED PARTY may be exercised at the same or different times, and no remedy shall be a defense to any other. SECURED PARTY'S rights and remedies include all those granted in this document, by law or otherwise.
11. DEBTOR'S appointment of SECURED PARTY as DEBTOR'S attorney-in-fact or agent is coupled with an interest and will specifically survive any death or disability of DEBTOR.
12. As used in this document and unless the context requires another construction, the masculine, feminine and neuter gender shall each include the others and the singular and plural case shall each include the other.
13. DEBTOR acknowledges receipt of an executed copy of this document. DEBTOR waives the right to receive any amount that it may now or hereafter be entitled to receive (whether by way of damages, fine, penalty, or otherwise) by reason of the failure of SECURED PARTY to deliver to DEBTOR a copy of any financing statement or any statement issued by any entity that confirms registration of a financing statement.

Schedule H to the Franchise Agreement

**EXCLUDED SERVICES ADDENDUM**

This EXCLUDED SERVICES ADDENDUM (the “Addendum”) is entered into by and between **MR. HANDYMAN SPV LLC**, a DELAWARE LIMITED LIABILITY COMPANY having a principal place of business at 1010 North University Parks Drive, Waco, Texas 76707 (“Franchisor”), and \_\_\_\_\_, individually, having an address of \_\_\_\_\_ (“Franchisee”).

WHEREAS, Franchisor and Franchisee have contemporaneously herewith entered into a Franchise Agreement (the “Agreement”) for the operation by Franchisee of the Business (the “Franchised Business”) (Capitalized terms used herein without a definition shall have the meaning assigned to them in the Agreement);

WHEREAS, Franchisee or its affiliate (as applicable) currently operates an Existing Business (as defined below) which offers Excluded Services (as defined below) that are related to but distinguishable from the services provided by the Franchised Business under the Agreement; and

WHEREAS, Franchisor has agreed that, subject to Franchisee’s and, if applicable, its affiliate’s continuing compliance with the conditions set forth in this Addendum, the continued operation of the Excluded Services by the Existing Business shall not be deemed to be a violation of Section 9.D of the Agreement (Noncompetition Covenants), and the gross sales attributable to such Excluded Services shall not be included as “Gross Sales” under the Agreement.

NOW, THEREFORE, for and in consideration of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. **Identification of Existing Business.** The name of the Existing Business authorized pursuant to this Addendum is: \_\_\_\_\_, a \_\_\_\_\_ located at \_\_\_\_\_ (“Existing Business”), and the Excluded Services performed by the Existing Business are: \_\_\_\_\_ (“Excluded Services”).

2. **Authorization of Excluded Services Offered by the Existing Business.** Anything in the Agreement to the contrary notwithstanding, the continued offer of the Excluded Services by the Existing Business shall not be deemed to be a violation of Section 9.D of the Agreement (Noncompetition Covenants) and the gross sales of such Excluded Services shall not be deemed to be “Gross Sales” under the Agreement; provided, that the conditions set forth in subparagraphs 2(a)-(d) below are satisfied as of the date of this Addendum and throughout the term of the Agreement (including any extensions or renewals thereof):

(a) the operation of such Existing Business does not interfere with Franchisee’s operation of the Franchised Business;

(b) the Existing Business does not utilize Franchisor’s Marks, System or Confidential Information;

(c) the Existing Business offers only the Excluded Services identified herein and does not offer the services offered by the Franchised Business or services that otherwise compete with the Franchised Business; and

(d) the Franchised Business and the Existing Business maintain separate books and records.

3. **Effect of Failure to Comply with Conditions.** If Franchisee or its affiliate (as applicable) at any time fails to satisfy any of the conditions set forth in subparagraphs 2.(a)-(d) of this Addendum, then the continued operation of the Existing Business shall be deemed to be a violation of Section 9.D of the Agreement (Noncompetition Covenants). In that event Franchisor may terminate the Agreement immediately if Franchisee fails (or fails to cause its affiliate) to cure the breach within a reasonable period of time, not to exceed ten (10) calendar days following written notice from Franchisor (provided however that a breach of clause 2(b) shall not be subject to a cure opportunity). Upon any termination of the Agreement pursuant to this provision, Franchisor shall be entitled to any and all legal and equitable remedies available under the Agreement and applicable law, including, without limitation, the collection, as liquidated damages and not as a penalty, of an amount equal to the License Fees provided in the Agreement with respect to all Gross Sales of the Existing Business for all periods during which the breach is continuing or, if such period cannot be ascertained with certainty, during all periods during which this Addendum has been in effect. This provision shall survive any transfer, expiration, termination or non-renewal of the Agreement or the Franchised Business for the time period set forth in Section 9.D.3 of the Agreement.

4. **Inspections; Audits.** Franchisee shall make and if applicable shall cause its affiliate to make the books and records (including all electronic records, tax returns and personal tax returns) for the Existing Business available to Franchisor for inspection and audit, upon reasonable prior notice, so that Franchisor may verify Franchisee's compliance with the requirements of this Addendum, including the requirements in subparagraph 2(d) above. In addition, the provisions of Section 8.J of the Agreement regarding audits shall apply in all respects to the Existing Business and Franchisor shall have the same rights to access (including remotely) and audit the books and records of the Existing Business, and to require payment for the audit if the audit reveals that Franchisee did not comply with the requirements of this Addendum, in addition to any other remedies available to Franchisor hereunder or under the law.

5. **Franchisee's Representations and Warranties.** Franchisee hereby represents and warrants to Franchisor that it has all necessary power and authority to execute this Addendum, to bind the Existing Business to the terms hereof and to perform and comply with all of its obligations hereunder. There is no agreement or understanding (and Franchisee will not permit any such agreement or understanding to be entered into during the term of this Addendum) with respect to the Existing Business that would conflict with the terms of this Addendum.

6. **Construction.** Notwithstanding anything to the contrary in the Agreement, in the event of a conflict between the provisions of the Agreement and the provisions of this Addendum, the provisions of this Addendum shall control. Except as specifically provided in this Addendum, the Agreement remains fully effective in all respects in accordance with its terms, and all the respective rights and obligations of Franchisee and Franchisor remain as written unless modified specifically herein.

7. **No Restriction on In-Term and Post-Term Covenants.** Except as specifically stated in this Addendum, nothing in the Agreement or this Addendum or in the terms used herein shall be construed in any way to limit or restrict the application of the provisions of Section 9.D of the Agreement as it relates to the Existing Business or any other business Franchisee or any of its affiliates may engage in.

## **Report of Independent Auditors**

To the Board of Directors and Stockholders of  
Neighorly Assetco LLC and Subsidiaries

### **Opinion**

We have audited the combined financial statements of Neighorly Assetco LLC and subsidiaries (the Company), which comprise the combined balance sheets as of December 31, 2024 and 2023, and the related combined statements of operations and comprehensive income, changes in member's equity and cash flows for the years then ended, and the related notes (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company at December 31, 2024 and 2023, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material

misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Notes to Combined Financial Statements (\$000's)

---

The Company was formed in connection with a financing transaction (the “Securitization Transaction”), which was completed on March 25, 2021 (see Note 2). On March 25, 2021, the Manager, a Non-Securitization Entity, contributed to the Company through a series of asset transfers to the SPV Guarantor, the Issuer, the Company and its subsidiaries (the “Securitization Entities”), substantially all of its US intellectual property, including tradenames (the “Securitization IP”), franchise agreements, national account relationships and systems-in-place and the UK tradenames (collectively, the “Securitization Assets”). The Manager, certain Securitization Entities and the SPV Franchisors entered into license agreements pursuant to which they granted, respectively, to certain Non-Securitization Entities (i) a non-exclusive license to use and sublicense the Securitization IP in connection with owning and operating certain company-owned store locations, UK locations and Canadian locations and (ii) an exclusive license to use and sublicense the Securitization IP in connection with other products and services.

The contributions of the Securitization Assets are between entities under common control and are recorded at book value. No gain or loss has been realized on the transactions.

On March 25, 2021, the Securitization Entities entered into the management agreement (the “Management Agreement”) with the Manager to perform certain services on behalf of the Securitization Entities, including, among other things, collecting franchisee payments, managing the operations on behalf of the Securitization Entities, and performing certain franchising, marketing, and operational and reporting services, as well as managing the intangible assets on behalf of the Securitization Entities. In exchange for providing such services, the Manager will be entitled to receive certain management fees on a weekly basis.

### ***Basis of Presentation***

The accompanying combined financial statements as of December 31, 2024 and December 31, 2023 include the accounts of the Company and its wholly owned subsidiaries. All significant intercompany accounts and transactions have been eliminated in consolidation.

FASB ASC Topic 810-10, Consolidation, applies to certain entities in which equity investors do not have the characteristics of a controlling financial interest or do not have sufficient equity at risk for the entity to finance its activities without additional subordinated financial support. Such an entity is referred to as a variable interest entity (“VIE”). FASB ASC Topic 810-10 requires the consolidation of a VIE by its primary beneficiary. The primary beneficiary is the entity, if any, that has the obligation to absorb losses or the right to receive benefits of the VIE that could potentially be significant to the VIE, which is the Company and its subsidiaries.

The Company has determined that the Securitization Entities qualify as VIE’s and that Neighborhood Company, the Manager, is the primary beneficiary, having both power and benefits, of the Securitization Entities. Accordingly, consolidation of the Company and its subsidiaries (including the SPV Franchisors and the Non-franchisor SPVs) is precluded, and as a result, combined financial statements are presented. All intercompany transactions have been eliminated.

### ***Acquisition of the Manager***

On June 29, 2021, Kohlberg Kravis and Roberts (“KKR”), and associated co-investors formed Nest Bidco Inc. which, on September 1, 2021, purchased 100% of the shares of Balcones Holdco, Inc., the parent company of Neighborhood Company, from TDG Investment Holdings, LP. Nest Bidco Inc. is an indirectly wholly owned subsidiary of Nest Holdings LP, which is the ultimate parent company of the

newly formed business. The transaction was effected to add Neighorly to KKR's investment portfolio, and allows Neighorly to gain access to KKR's capital and resources.

### *Use of Estimates*

The preparation of combined financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the combined financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

### *Income Taxes*

The Company is a single-member limited liability company for federal and state income tax purposes with all income tax liabilities and/or benefits of the Company being passed through to the Manager. As such, no recognition of federal or state income taxes will be provided for in the financial statements of the Company.

### *Revenue Recognition*

The Company's primary sources of revenue are as follows:

- Franchise service fees from existing franchise owners based on a percentage of each franchise owner's gross sales. These fees generally range from 2% to 15% of the franchise owner's weekly sales, depending upon the particular franchise concept and upon various other factors;
- Synthetic royalties and master license fees from affiliated entities resulting from their use of the Company's intellectual property;
- Franchise sales fees generated from the sale of new franchise territories and the sale of additional franchise territories to existing franchise owners;
- Sales of products and services to unrelated third parties;
- Advertising and promotional revenue represents marketing, advertising and promotional ("MAP") fund fees collected from existing franchise owners. These fees are typically a percentage of each franchise owner's gross sales and vary depending upon the particular franchise concept and various other factors;
- Other revenue consists of incentives earned from services performed for unrelated third parties and interest generated from notes receivable.

Typically, franchise agreements are granted to franchise owners for an initial term of ten years with an option to renew. The respective franchisor's obligations under franchise agreements consist of providing a license of the applicable brand's intellectual property, a list of approved suppliers, certain training programs, an operations manual, and to maintain the MAP fund. These performance obligations are highly interrelated, and we do not consider them to be individually distinct, and therefore account for them as a single performance obligation, which collectively represent the

# Neighborhood Assetco LLC and Subsidiaries

## Notes to Combined Financial Statements (\$000's)

---

obligation to provide a license for the right to use our brand's intellectual property. Revenue related to franchise agreements is recognized on a straight-line basis over the term of the agreement, with the exception of variable or sales-based royalties, MAP fund fees collected and revenue allocated to goods and services and other variable fees which are recognized as the underlying sales occur and performance obligations are satisfied.

In the event a franchise agreement is terminated, without a corresponding agreement executed by the same franchise owner, any remaining deferred fees are recognized in the period of termination.

The Company periodically extends credit to entities for the purchase of franchises. These entities are typically controlled by individuals who operate their businesses as an owner/manager. Generally, the notes receivable are collateralized by the related franchise territory rights. The Company also extends unsecured credit to its franchise owners for unpaid franchise service fees. The Company places notes receivable on nonaccrual status when payment is ninety days past due, and ceases to recognize revenue from interest on the note until such time as the note is no longer past due. Interest on trade notes receivable is recorded as revenue when earned. Each entity's ability to perform is dependent upon the economic condition of the business. The Company maintains ongoing credit evaluations of its franchise owners.

The Company adopted ASU 2016-13, Financial Instruments - Credit Losses, on January 1, 2023, which was retroactively applied as of the first day of 2023, as further described below. This accounting standard requires companies to measure expected credit losses on financial instruments based on the total estimated amount to be collected over the lifetime of the instrument. Prior to the adoption of this accounting standard, the Company recorded incurred loss reserves against receivable balances based upon past loss experience, known and inherent risks in the accounts, adverse situations that may affect a franchise owner's ability to repay, and current economic conditions.

Expected credit losses for uncollectible receivable balances consider both current conditions and reasonable and supportable forecasts of future conditions. Current conditions considered include pre-defined aging criteria, as well as specified events that indicate the balance due is not collectible. Reasonable and supportable forecasts used in determining the probability of future collection consider publicly available macroeconomic data and whether future credit losses are expected to differ from historical losses.

Franchise service fee revenues represent sales-based royalties that are related entirely to the applicable franchisor's performance obligation under the franchise agreement and are recognized in the period in which the sales occur. Sales-based royalties are variable consideration related to our performance obligations to the franchise owners to maintain the intellectual property being licensed.

The right to collect marketing, advertising, and promotional ("MAP") fees and the obligation to maintain the MAP fund is assigned to the Manager by each SPV Franchisor, and the performance obligation and fulfillment thereof resides with the Manager. The Manager's obligation related to these funds is to administer the MAP fund, keep unused MAP fees in segregated bank accounts and use MAP fees for certain activities related to the marketing and promotion of the individual businesses. We have determined we act as the principal in the transaction related to the MAP fund contributions and expenditures. MAP fund contributions and expenditures are reported on a gross basis in the accompanying Combined Statements of Operations and Comprehensive Income. As noted above, we have concluded the advertising services provided to franchise owners are highly interrelated with the franchise rights and not a distinct performance obligation; therefore, revenues from MAP fund fees are recognized as advertising and promotion fund revenue when the related

# Neighborly Assetco LLC and Subsidiaries

## Notes to Combined Financial Statements (\$000's)

sales occur based on the application of the sales-based royalty exception within ASC 606, Revenue from contracts with customers.

Revenues from product sales are recognized upon transfer of title, when delivered to the customer, when the work is performed, or orders are shipped. Incentives earned are recognized as services are performed.

Synthetic royalties from affiliated entities represent sales-based royalties that are related entirely to our performance obligation under intellectual property license agreements with affiliated entities and are recognized in the period in which the sales occur. These sales-based royalties are variable consideration related to our performance obligations to affiliated entities to maintain the intellectual property being licensed.

Master license and services fees from affiliated entities represent variable consideration in a series for which our performance obligation is satisfied over time, as our intellectual property is simultaneously accessed and benefits thereof consumed by affiliated entities.

### **Contract Balances**

The contract liabilities which we classify as “deferred revenue” consist primarily of the unamortized portion of initial franchise fees that are currently being amortized into revenue, amounts related to pending agreements, or other deferred revenues not related to franchise agreements. Contract deferred franchise revenue represents our remaining performance obligations to our franchise owners, as we account for our highly interrelated obligations as a single performance obligation, which collectively represent the obligation to provide a license for the right to use our brand’s intellectual property excluding amounts of variable consideration related to sale-based royalties, synthetic royalties, license fees and advertising. The other deferred revenues not related to the franchise agreements are included in current deferred revenue.

The components of the change in deferred revenue are as follows:

For the years ended December 31,	2024	2023
Balance at beginning of period	\$ 83,807	\$ 68,226
Fees received from franchise owners	35,141	47,447
Franchise sales revenue recognized	(33,680)	(36,783)
Contributed from Manager	-	4,386
Other deferred revenue recognized	264	531
Balance at end of period	85,532	83,807
Less: current portion	14,745	13,631
Deferred revenue, noncurrent	\$ 70,787	\$ 70,176

# Neighborly Assetco LLC and Subsidiaries

## Notes to Combined Financial Statements (\$000's)

As of December 31, 2024, the deferred revenue expected to be recognized for each of the next five years, and in the aggregate, is as follows:

Years ending December 31,		
2025	\$	14,745
2026		11,949
2027		11,701
2028		11,109
2029		9,829
Thereafter		26,199
	\$	85,532

Direct, incremental selling expenses are reimbursed by the Company to the Manager. Such costs paid when the franchise agreement is executed are recorded as a contract asset by the Company and amortized over the life of the agreement consistent with the recognition of the deferred revenue. Contract assets are included in current and non-current prepaid selling expenses in the accompanying Combined Balance Sheets. For the year ended December 31, 2024, \$24,044 of costs were incurred and expense of \$14,023 was recognized. For the year ended December 31, 2023, \$23,590 of costs were incurred and expense of \$6,181 was recognized. The ending asset for deferred contract costs as of December 31, 2024 was \$59,435, of which \$7,940 was current. The ending asset for deferred contract costs as of December 31, 2023 was \$49,414, of which \$6,935 was current.

### ***Advertising***

The Company expenses advertising costs as incurred. Advertising expense was \$12,013 and \$13,353 for the years ended December 31, 2024 and 2023, respectively. Advertising expense is included in general and administrative expense in the accompanying Combined Statements of Operations and Comprehensive Income. This is separate from MAP fees which are presented on their own line in Consolidated Statements of Operations and Comprehensive Income (Loss).

### ***Inventories***

Inventories consist of products to be sold and are stated at the lower of cost (first-in, first-out method) or net realizable value.

### ***Property and Equipment***

Property and equipment is stated at cost and is depreciated using the straight-line method over the estimated useful lives of the respective assets which are generally as follows: machinery, equipment, and vehicles (5-10 years); and software (3 years). Additions, renewals, and betterments are capitalized; maintenance and repairs which do not extend the useful life of the asset are expensed as incurred.

Management evaluates long-lived assets used in operations for impairment when indicators of impairment are present. Impairment losses are recorded in the amount that carrying value exceeds fair market value when the undiscounted cash flows estimated to be generated by those assets are less than the carrying amount of the assets. No impairment losses for property and equipment were recorded for the years ended December 31, 2024 and December 31, 2023.

# Neighborly Assetco LLC and Subsidiaries

## Notes to Combined Financial Statements (\$000's)

---

### ***Goodwill***

Goodwill represents the excess of the consideration transferred over the fair value of identifiable net assets acquired. The Company tests goodwill annually for impairment, or earlier if events or changes in circumstances indicate that impairment may exist. Management's impairment tests are generally performed as of October 1<sup>st</sup> annually. The Company's current goodwill balance was measured as of September 1, 2021, resulting from the acquisition of the Manager and pushdown accounting election, based on the excess of consideration over the fair value of assets acquired.

The Company performed a qualitative assessment of its goodwill as of October 1, 2024 and concluded it is not more likely than not that the fair value of its reporting unit is less than the carrying amount and, as such, a quantitative impairment test was not considered necessary. Management determined that there was no impairment of goodwill in the combined financial statements.

### ***Intangible Assets***

Intangible assets consist of tradenames, franchise relationships, national accounts, developed technology, and domain name, and are stated at their acquisition-date fair value, less subsequent amortization. The Company's intangible assets are definite lived, other than domain name, which is indefinite lived.

For definite lived intangible assets, when events or changes in circumstances indicate that the carrying amount of the asset may not be recoverable, the Company evaluates the definite lived intangible assets for impairment by comparing the carrying value to the anticipated future undiscounted cash flows expected to be generated from the use of the intangible assets. If the carrying amount is not recoverable, a loss is recorded in the amount the carrying value exceeds the fair market value of the assets. The Company performed a qualitative assessment of its intangible assets and determined that no indicators of impairment were present for definite lived intangible assets.

Tradenames are amortized over their estimated useful life of 20 years, using the straight-line method. Franchise relationships and national accounts relationships are amortized over their estimated useful lives of 15 years, using the straight-line method. Software is amortized over its estimated useful life of 3 years, using the straight-line method.

Domain names are stated at their acquisition-date fair value, and are not amortized, as their useful lives are considered indefinite, but are subject to annual impairment testing. The Company performed a qualitative assessment of its indefinite lived intangible assets as of October 1 in each of 2024 and 2023 and concluded it is not more likely than not that the fair value of its domain names is less than the carrying amount and, as such, a quantitative impairment test was not considered necessary.

### ***Fair Value of Financial Instruments and Non-Financial Assets***

In accordance with FASB ASC 820, Fair Value Measurements, certain assets carried at fair value are categorized based on the level of judgment associated with the inputs used to measure their fair

# Neighborhood Assetco LLC and Subsidiaries

## Notes to Combined Financial Statements (\$000's)

value. The standard establishes a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three levels:

**Level 1** - Inputs are unadjusted quoted market prices in active markets for identical assets or liabilities at the measurement date.

**Level 2** - Inputs (other than quoted prices included in Level 1) are either directly or indirectly observable for the asset or liability through correlation with market data at the measurement date for the duration of the instrument's anticipated life.

**Level 3** - Inputs are unobservable and therefore reflect management's best estimate of the assumptions that market participants would use in pricing the asset or liability.

The trade names, systems in place, and developed technology were valued using the relief from royalty method and the franchise relationships and national account relationships were valued using the multi-period excess earnings method in the periods acquired. The future projections and estimates used for the valuations are considered Level 3 inputs.

### **Foreign Currency Translation**

Combined entities that have a functional currency that differs from the Company's reporting currency include our foreign subsidiaries, which are in the UK Foreign currency denominated assets and liabilities are translated using the exchange rates at the end of each reporting period. Results of foreign operations are translated at the weighted average exchange rate for each reporting period. Translation adjustments are included as a component of accumulated other comprehensive income (loss) until realized. Where amounts denominated in a foreign currency are converted into US dollars by remittance or repayment, the realized exchange differences are included in the accompanying Combined Statements of Operations and Comprehensive Income, primarily in general and administrative expense, and was immaterial in all periods presented.

### **Cash and Restricted Cash**

Cash consists of cash held on deposit. Restricted cash includes securitized cash held on deposit in Company accounts related to the Securitization Transaction.

Cash and restricted cash consists of the following:

As of December 31,	2024	2023
Cash	\$ 2,499	\$ 3,171
Restricted Cash:		
Whole business securitization	4,037	1,566
Total cash and restricted cash	\$ 6,536	\$ 4,737

The Company maintains its cash in banks in which deposits may, from time to time, exceed federally insured limits. The Company has not experienced any losses in such accounts and believes that it is not exposed to any significant credit risks related to cash.

### 2. Securitization Transactions

On March 25, 2021, the Manager, a Non-Securitization Entity, contributed to the Company through a series of asset transfers to the Securitization Entities, substantially all of the US intellectual property, including tradenames, franchise agreements, national account relationships and systems-in-place and the UK tradenames. The Manager, certain Securitization Entities and the SPV Franchisors entered into license agreements pursuant to which they granted, respectively, to certain Non-Securitization Entities (i) a non-exclusive license to use and sublicense the Securitization IP in connection with owning and operating certain company-owned store locations, UK locations and Canadian locations and (ii) an exclusive license to use and sublicense the Securitization IP in connection with other products and services.

The contributions of the Securitization Assets are between entities under common control and are recorded at book value as of the unaudited interim date. No gain or loss has been realized on the transactions.

The Issuer is dependent on the Company for sufficient cash flows from their securitized operations to service the Series 2021-1, Series 2022-1, and Series 2023-1 Senior Notes (see Note 3), remit management fees to the Manager, and pay certain other ongoing costs related to the Securitization Transaction.

### 3. Debt Guarantee

In conjunction with the Securitization Transaction, on March 25, 2021, the Issuer issued \$800,000 Series 2021-1 3.584% Fixed Rate Senior Secured Notes (the "Series 2021-1 Senior Notes"). The Senior Notes have an anticipated repayment date of April 30, 2028, and a final maturity date of April 30, 2051. Scheduled principal payments of \$2,000 and interest are paid quarterly. ## Notes to Combined Financial Statements (\$000's)

On February 3, 2023, in connection with a third securitization, the issuer, issued \$275,000 Series 2023-1 7.308% Fixed Rate Senior Secured Notes (the "Series 2023-1 Senior Notes") through a third whole business securitization transaction (the "Third Securitization Transaction"). The Series 2023-1 Senior Notes have an anticipated repayment date of January 30, 2028, and a final maturity date of January 30, 2053. Scheduled principal payments of \$687 and interest are paid quarterly. As of December 31, 2024 and 2023 respectively, \$270,188 and \$272,938 was outstanding on the Series 2023-1 Senior Notes.

The Series 2021-1 Senior Notes, the Series 2022-1 Senior Notes, the Series 2023-1 Senior Notes, the Series 2021-1 Class A-1 Notes, the Series 2022-1 Class A-1 Notes, and the Series 2023-1 Class A-1 Notes described above issued in conjunction with the Securitization Transaction, the Second Securitization Transaction, and the Third Securitization Transaction (together, the "Securitization Transactions") are secured by substantially all assets of the Securitization Entities and guaranteed by the Securitization Entities, including the Company, each of which is a bankruptcy remote entity and which owned substantially all of the Manager's US intellectual property including tradenames, franchise agreements, national account relationships and systems-in-place, as well as the UK tradenames as of the date of issuance. The restrictions placed on the Issuer and its subsidiaries require that interest and scheduled principal payments on the Senior Notes and Class A-1 Notes be paid prior to any residual distributions to the Manager, and amounts are segregated weekly to ensure appropriate funds are reserved to pay the quarterly interest and scheduled principal amounts due. The amount of weekly cash flow that exceeds all expenses and obligations of the Issuer and its subsidiaries is generally remitted to the Manager in the form of a distribution. The Manager also receives a fee for the services it provides to the Securitization Entities that is senior to debt service. The Securitization Transaction requires, among other things, maintenance of minimum debt-service coverage ratio levels and additional incurrence of indebtedness and scheduled amortization requirements are subject to compliance with maximum leverage ratio levels. As of December 31, 2024 and 2023, the Issuer was in compliance with all debt-service coverage covenants.

### 4. Intangible Assets and Goodwill

On March 25, 2021, intangible assets were contributed to the Company, along with certain dates thereafter as discussed in Note 1. Each of the SPV Franchisors are wholly owned subsidiaries and there was no change in ultimate ownership. Accordingly, there has been no change in control and therefore the Company concluded that the guidance in ASC 805 Business Combinations was not applicable. Intangible assets were recorded at the carrying value from the contributing entities on the date of the contribution, as the entities are under common control. Upon the acquisition by KKR (see Note 1), and the Company's election to apply pushdown accounting, the intangible assets were recorded at their acquisition-date fair values.

Intangible assets as of December 31, 2024, consisted of the following:

## 5. Member's Equity

Neighborhood Assetco LLC ("the Limited Liability Company") was formed pursuant to and in accordance with the Delaware Limited Liability Company Act (6 Del.C. §18-101, et seq.), as amended from time to time (the "Act").

The Limited Liability Company is governed by a Limited Liability Company Agreement in which management of the Company is vested in the member ("the Member"), the Manager, who has all powers, statutory or otherwise, possessed by members of a limited liability company under the laws of the State of Delaware. The Member has the authority to bind the Company.

The Member may appoint officers of the Company and may revoke delegated authorities and duties at any time by the Member.

The Limited Liability Company is capitalized with a single membership unit with a \$1 per unit par value.

Pursuant to the Management Agreement, excess cash collections after distributions to the Issuer for quarterly interest and scheduled principal payments, expense reimbursements to the Manager and payment of management fees, are distributed to the Manager, as discussed in Note 8. The Member's equity is the residual of equity contributions from the Manager and income earned from operations, less distributions to the Issuer and Manager.

The Company shall dissolve, and its affairs be wound up upon the first to occur of the following: (i) the written consent of the Member, (ii) the retirement, resignation or dissolution of the Member or the occurrence of any other event which terminates the continued membership of the Member in the Company unless the business of the Company is continued in a manner permitted by the Act, or (iii) the entry of a decree of judicial dissolution under Section 18-802 of the Act.

## 6. Trade Notes Receivable

The Company periodically receives notes from the sale of new franchises. The rights to the related franchise territory sold generally collateralize these notes. The Company also from time-to-time

receives notes for delinquent franchise service fees. Such notes, as of December 31, 2024 and 2023, bear interest at rates typically ranging from 9% to 12% and generally require equal monthly installments over a life of one to ten years. Initial trade notes receivable for the respective SPV Franchisors were contributed to the Company as of March 31, 2021 by the Manager and subsequently at various dates thereafter. As the contribution was between entities under common control, the notes receivable transferred were recorded at their historical cost basis in the financial records of the Manager.

### 9. Contingencies

The Company is engaged in various legal proceedings incidental to its normal business activities. Management believes that the outcome of such matters will not have a material effect on the Company's combined financial statements.

### 10. Subsequent Events

## **Report of Independent Auditors**

### **To the Board of Directors and Members of Neighborhood Assetco LLC and Subsidiaries**

#### **Opinion**

We have audited the combined financial statements of Neighborhood Assetco LLC and subsidiaries (the Company), which comprise the combined balance sheets as of December 31, 2023 and 2022, and the related combined statements of operations and comprehensive income, changes in member's equity and cash flows for the years then ended, and the related notes (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company at December 31, 2023 and 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Restatement of 2022 Financial Statements**

As discussed in Note 1 to the financial statements, the 2022 financial statements have been restated to correct a misstatement in the loss recorded on the impairment of goodwill. Our opinion is not modified with respect to this matter.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Notes to Combined Financial Statements (\$000's)

---

The Company was formed in connection with a financing transaction (the "Securitization Transaction"), which was completed on March 25, 2021 (see Note 2). On March 25, 2021, the Manager, a Non-Securitization Entity, contributed to the Company through a series of asset transfers to the SPV Guarantor, the Issuer, the Company and its subsidiaries (the "Securitization Entities"), substantially all of its US intellectual property, including tradenames (the "Securitization IP"), franchise agreements, national account relationships and systems-in-place and the UK tradenames (collectively, the "Securitization Assets"). The Manager, certain Securitization Entities and the SPV Franchisors entered into license agreements pursuant to which they granted, respectively, to certain Non-Securitization Entities (i) a non-exclusive license to use and sublicense the Securitization IP in connection with owning and operating certain company-owned store locations, UK locations and Canadian locations and (ii) an exclusive license to use and sublicense the Securitization IP in connection with other products and services.

The contributions of the Securitization Assets are between entities under common control and are recorded at book value. No gain or loss has been realized on the transactions.

On March 25, 2021, the Securitization Entities entered into the management agreement (the "Management Agreement") with the Manager to perform certain services on behalf of the Securitization Entities, including, among other things, collecting franchisee payments, managing the operations on behalf of the Securitization Entities, and performing certain franchising, marketing, and operational and reporting services, as well as managing the intangible assets on behalf of the Securitization Entities. In exchange for providing such services, the Manager will be entitled to receive certain management fees on a weekly basis.

### ***Basis of Presentation***

The accompanying combined financial statements as of December 31, 2023 and December 31, 2022 include the accounts of the Company and its wholly owned subsidiaries. All significant intercompany accounts and transactions have been eliminated in consolidation.

FASB ASC Topic 810-10, Consolidation, applies to certain entities in which equity investors do not have the characteristics of a controlling financial interest or do not have sufficient equity at risk for the entity to finance its activities without additional subordinated financial support. Such an entity is referred to as a variable interest entity ("VIE"). FASB ASC Topic 810-10 requires the consolidation of a VIE by its primary beneficiary. The primary beneficiary is the entity, if any, that has the obligation to absorb losses or the right to receive benefits of the VIE that could potentially be significant to the VIE, which is the Company and its subsidiaries.

The Company has determined that the Securitization Entities qualify as VIE's and that Neighborhood Company, the Manager, is the primary beneficiary, having both power and benefits, of the Securitization Entities. Accordingly, consolidation of the Company and its subsidiaries (including the SPV Franchisors and the Non-franchisor SPVs) is precluded, and as a result, combined financial statements are presented. All intercompany transactions have been eliminated.

### ***Acquisition of the Manager***

On June 29, 2021, Kohlberg Kravis and Roberts ("KKR"), and associated co-investors formed Nest Bidco Inc. which, on September 1, 2021, purchased 100% of the shares of Balcones Holdco, Inc., the parent company of Neighborhood Company, from TDG Investment Holdings, LP. Nest Bidco Inc. is an indirectly wholly owned subsidiary of Nest Holdings LP, which is the ultimate parent company of the

newly formed business. The transaction was effected to add Neighorly to KKR's investment portfolio, and allows Neighorly to gain access to KKR's capital and resources.

### *Use of Estimates*

The preparation of combined financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the combined financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

### *Income Taxes*

The Company is a single-member limited liability company for federal and state income tax purposes with all income tax liabilities and/or benefits of the Company being passed through to the Manager. As such, no recognition of federal or state income taxes will be provided for in the financial statements of the Company.

### *Revenue Recognition*

The Company's primary sources of revenue are as follows:

- Franchise service fees from existing franchise owners based on a percentage of each franchise owner's gross sales. These fees generally range from 2% to 15% of the franchise owner's weekly sales, depending upon the particular franchise concept and upon various other factors;
- Synthetic royalties and master license fees from affiliated entities resulting from their use of the Company's intellectual property;
- Franchise sales fees generated from the sale of new franchise territories and the sale of additional franchise territories to existing franchise owners;
- Sales of products and services to unrelated third parties;
- Advertising and promotional revenue represents marketing, advertising and promotional ("MAP") fund fees collected from existing franchise owners. These fees are typically a percentage of each franchise owner's gross sales and vary depending upon the particular franchise concept and various other factors;
- Other revenue consists of incentives earned from services performed for unrelated third parties and interest generated from notes receivable.

Typically, franchise agreements are granted to franchise owners for an initial term of ten years with an option to renew. The respective franchisor's obligations under franchise agreements consist of providing a license of the applicable brand's intellectual property, a list of approved suppliers, certain training programs, an operations manual, and to maintain the MAP fund. These performance obligations are highly interrelated, and we do not consider them to be individually distinct, and therefore account for them as a single performance obligation, which collectively represent the

---

obligation to provide a license for the right to use our brand's intellectual property. Revenue related to franchise agreements is recognized on a straight-line basis over the term of the agreement, with the exception of variable or sales-based royalties, MAP fund fees collected and revenue allocated to goods and services and other variable fees which are recognized as the underlying sales occur and performance obligations are satisfied.

In the event a franchise agreement is terminated, without a corresponding agreement executed by the same franchise owner, any remaining deferred fees are recognized in the period of termination.

The Company periodically extends credit to entities for the purchase of franchises. These entities are typically controlled by individuals who operate their businesses as an owner/manager. Generally, the notes receivable are collateralized by the related franchise territory rights. The Company also extends unsecured credit to its franchise owners for unpaid franchise service fees. The Company places notes receivable on nonaccrual status when payment is ninety days past due, and ceases to recognize revenue from interest on the note until such time as the note is no longer past due. Interest on trade notes receivable is recorded as revenue when earned. Each entity's ability to perform is dependent upon the economic condition of the business. The Company maintains ongoing credit evaluations of its franchise owners.

The Company adopted ASU 2016-13, Financial Instruments - Credit Losses, on January 1, 2023, which was retroactively applied as of the first day of 2023, as further described below. This accounting standard requires companies to measure expected credit losses on financial instruments based on the total estimated amount to be collected over the lifetime of the instrument. Prior to the adoption of this accounting standard, the Company recorded incurred loss reserves against receivable balances based upon past loss experience, known and inherent risks in the accounts, adverse situations that may affect a franchise owner's ability to repay, and current economic conditions.

Expected credit losses for uncollectible receivable balances consider both current conditions and reasonable and supportable forecasts of future conditions. Current conditions considered include pre-defined aging criteria, as well as specified events that indicate the balance due is not collectible. Reasonable and supportable forecasts used in determining the probability of future collection consider publicly available macroeconomic data and whether future credit losses are expected to differ from historical losses.

Franchise service fee revenues represent sales-based royalties that are related entirely to the applicable franchisor's performance obligation under the franchise agreement and are recognized in the period in which the sales occur. Sales-based royalties are variable consideration related to our performance obligations to the franchise owners to maintain the intellectual property being licensed.

The right to collect marketing, advertising, and promotional ("MAP") fees and the obligation to maintain the MAP fund is assigned to the Manager by each SPV Franchisor, and the performance obligation and fulfillment thereof resides with the Manager. The Manager's obligation related to these funds is to administer the MAP fund, keep unused MAP fees in segregated bank accounts and use MAP fees for certain activities related to the marketing and promotion of the individual businesses. We have determined we act as the principal in the transaction related to the MAP fund contributions and expenditures. MAP fund contributions and expenditures are reported on a gross basis in the accompanying Combined Statements of Operations and Comprehensive Income. As noted above, we have concluded the advertising services provided to franchise owners are highly interrelated with the franchise rights and not a distinct performance obligation; therefore, revenues from MAP fund fees are recognized as advertising and promotion fund revenue when the related

sales occur based on the application of the sales-based royalty exception within ASC 606, Revenue from contracts with customers.

Revenues from product sales are recognized upon transfer of title, when delivered to the customer, when the work is performed, or orders are shipped. Incentives earned are recognized as services are performed.

Synthetic royalties from affiliated entities represent sales-based royalties that are related entirely to our performance obligation under intellectual property license agreements with affiliated entities and are recognized in the period in which the sales occur. These sales-based royalties are variable consideration related to our performance obligations to affiliated entities to maintain the intellectual property being licensed.

Master license and services fees from affiliated entities represent variable consideration in a series for which our performance obligation is satisfied over time, as our intellectual property is simultaneously accessed and benefits thereof consumed by affiliated entities.

### **Contract Balances**

The contract liabilities which we classify as “deferred revenue” consist primarily of the unamortized portion of initial franchise fees that are currently being amortized into revenue, amounts related to pending agreements, or other deferred revenues not related to franchise agreements. Contract deferred franchise revenue represents our remaining performance obligations to our franchise owners, as we account for our highly interrelated obligations as a single performance obligation, which collectively represent the obligation to provide a license for the right to use our brand’s intellectual property excluding amounts of variable consideration related to sale-based royalties, synthetic royalties, license fees and advertising. The other deferred revenues not related to the franchise agreements are included in current deferred revenue.

The components of the change in deferred revenue are as follows:

<i><b>For the years ended December 31,</b></i>	<b>2023</b>	<b>2022</b>
Balance at beginning of period	\$ 68,226	\$ 62,393
Fees received from franchise owners	47,447	24,518
Franchise sales revenue recognized	(36,783)	(13,642)
Contributed from Manager	4,386	-
Other deferred revenue recognized	531	(5,043)
Balance at end of period	83,807	68,226
Less: current portion	13,631	10,604
Deferred revenue, noncurrent	\$ 70,176	\$ 57,622

# Neighborly Assetco LLC and Subsidiaries

## Notes to Combined Financial Statements (\$000's)

Revenue deferred as of December 31, 2022 and recognized in the year ended December 31, 2023 was \$10,385. Revenue deferred as of December 31, 2021 and recognized in the year ended December 31, 2022 was \$16,912.

As of December 31, 2023, the deferred revenue expected to be recognized for each of the next five years, and in the aggregate, is as follows:

### *Years ending December 31,*

2024	\$	13,631
2025		11,053
2026		10,857
2027		10,547
2028		9,973
Thereafter		27,746
	\$	83,807

Direct, incremental selling expenses are reimbursed by the Company to the Manager. Such costs paid when the franchise agreement is executed are recorded as a contract asset by the Company and amortized over the life of the agreement consistent with the recognition of the deferred revenue. Contract assets are included in current and non-current prepaid selling expenses in the accompanying Combined Balance Sheets. For the year ended December 31, 2023, \$23,590 of costs were incurred and expense of \$6,181 was recognized. For the year ended December 31, 2022, \$16,534 of costs were incurred and expense of \$8,274 was recognized. The ending asset for deferred contract costs as of December 31, 2023 was \$49,414, of which \$6,935 was current. The ending asset for deferred contract costs as of December 31, 2022 was \$32,005, of which \$4,449 was current.

### ***Advertising***

The Company expenses advertising costs as incurred. Advertising expense was \$13,353 for the year ended December 31, 2023 and \$9,033 for the year ended December 31, 2022. Advertising expense is included in general and administrative expense in the accompanying Combined Statements of Operations and Comprehensive Income.

### ***Inventories***

Inventories consist of products to be sold and are stated at the lower of cost (first-in, first-out method) or net realizable value.

### ***Property and Equipment***

Property and equipment is stated at cost and is depreciated using the straight-line method over the estimated useful lives of the respective assets which are generally as follows: machinery, equipment, and vehicles (5-10 years); and software (3 years). Additions, renewals, and betterments are capitalized; maintenance and repairs which do not extend the useful life of the asset are expensed as incurred.

Management evaluates long-lived assets used in operations for impairment when indicators of impairment are present. Impairment losses are recorded in the amount that carrying value exceeds fair market value when the undiscounted cash flows estimated to be generated by those assets are

---

less than the carrying amount of the assets. No impairment losses for property and equipment were recorded for the years ended December 31, 2023 and December 31, 2022.

### ***Goodwill***

Goodwill represents the excess of the consideration transferred over the fair value of identifiable net assets acquired. The Company tests goodwill annually for impairment, or earlier if events or changes in circumstances indicate that impairment may exist. Management's impairment tests are generally performed as of October 1<sup>st</sup> annually. The Company's current goodwill balance was measured as of September 1, 2021, resulting from the acquisition of the Manager and pushdown accounting election, based on the excess of consideration over the fair value of assets acquired.

The Company performed a qualitative assessment of its goodwill as of October 1, 2023 and concluded it is not more likely than not that the fair value of its reporting unit is less than the carrying amount and, as such, a quantitative impairment test was not considered necessary. Management determined that there was no impairment of goodwill in the combined financial statements.

### ***Restatement***

During 2023, we determined that our prior year goodwill impairment was overstated and the goodwill balance was understated, resulting in an error in our previously issued financial statements for the period ended December 31, 2022. The overstatement of impairment expense was the result of concluding, in error, that reporting units in Assetco were the same as in the Manager. We have instead concluded that Assetco is comprised of only one consolidated reporting unit, and based on our quantitative impairment analysis performed as of December 31, 2022, we concluded that no impairment existed at Assetco. We concluded that the effect of the error on the financial statements of the prior period was material, and the correction to the prior year is reflected in the accompanying financial statements.

As a result, we recorded a \$25,937 adjustment to reduce Loss on impairment of goodwill and increase Goodwill and Total assets by \$25,937 in the combined balance sheet as of December 31, 2022. The correction also impacted the following financial statement line items in the related financial statements: (i) increased Accumulated other comprehensive income/(loss), Goodwill, and Total assets by \$2,264 and increased Total Member's Equity and Total liabilities and member's equity by \$28,201 in the combined balance sheet as of December 31, 2022; (ii) increased Net income by \$25,937, increased Foreign currency translation adjustment by \$2,264 and increased Comprehensive income by \$28,201 in the combined statement of operations and comprehensive income for the period ended December 31, 2022; (iii) increased Net income by \$25,937, increased Foreign currency translation adjustment by \$2,264 and increased total Member's equity balance by \$28,201 in the combined statements of changes in Member's Equity for the period ended December 31, 2022; (iv) increased Net income by \$25,937 and reduced loss on impairment of goodwill by the same amount in the combined statement of cash flows for the period ended December 31, 2022; and (v) reduced the goodwill impairment by \$25,937, increased the Adjustment to goodwill for unrealized gain/loss on foreign currency by \$2,264, and increased the ending goodwill balance by \$28,201 as of December 31, 2022 in Note 4 to the combined financial statements.

Additionally, we recorded an immaterial correction of \$800 in 2022 which impacted the following financial statement line items in the related financial statements: (i) increased Trade accounts receivable - net, Total current assets, Total assets, Accumulated earnings, Total Member's Equity, and Total liabilities and member's equity by \$800 in the combined balance sheet as of December

31, 2022; (ii) increased Other revenue, Total revenues and income, Gross Profit, Net income and Comprehensive income by \$800 in the combined statement of operations and comprehensive income for the period ended December 31, 2022; (iii) increased Net income and total Member's equity balance by \$800 in the combined statements of changes in Member's Equity for the period ended December 31, 2022; (iv) increased Net income by \$800 and reduced Trade accounts receivable by the same amount in the combined statement of cash flows for the period ended December 31, 2022.

### ***Intangible Assets***

Intangible assets consist of tradenames, franchise relationships, national accounts, developed technology, and domain name, and are stated at their acquisition-date fair value, less subsequent amortization. The Company's intangible assets are definite lived, other than domain name, which is indefinite lived.

For definite lived intangible assets, when events or changes in circumstances indicate that the carrying amount of the asset may not be recoverable, the Company evaluates the definite lived intangible assets for impairment by comparing the carrying value to the anticipated future undiscounted cash flows expected to be generated from the use of the intangible assets. If the carrying amount is not recoverable, a loss is recorded in the amount the carrying value exceeds the fair market value of the assets. The Company performed a qualitative assessment of its intangible assets and determined that no indicators of impairment were present for definite lived intangible assets.

Tradenames are amortized over their estimated useful life of 20 years, using the straight-line method. Franchise relationships and national accounts relationships are amortized over their estimated useful lives of 15 years, using the straight-line method. Software is amortized over its estimated useful life of 3 years, using the straight-line method.

Domain names are stated at their acquisition-date fair value, and are not amortized, as their useful lives are considered indefinite, but are subject to annual impairment testing. The Company performed a qualitative assessment of its indefinite lived intangible assets as of October 1 in each of 2023 and 2022 and concluded it is not more likely than not that the fair value of its domain names is less than the carrying amount and, as such, a quantitative impairment test was not considered necessary.

### ***Fair Value of Financial Instruments and Non-Financial Assets***

In accordance with FASB ASC 820, Fair Value Measurements, certain assets carried at fair value are categorized based on the level of judgment associated with the inputs used to measure their fair value. The standard establishes a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three levels:

**Level 1** - Inputs are unadjusted quoted market prices in active markets for identical assets or liabilities at the measurement date.

**Level 2** - Inputs (other than quoted prices included in Level 1) are either directly or indirectly observable for the asset or liability through correlation with market data at the measurement date for the duration of the instrument's anticipated life.

**Level 3** - Inputs are unobservable and therefore reflect management's best estimate of the assumptions that market participants would use in pricing the asset or liability.

# Neighborly Assetco LLC and Subsidiaries

## Notes to Combined Financial Statements (\$000's)

The trade names, systems in place, and developed technology were valued using the relief from royalty method and the franchise relationships and national account relationships were valued using the multi-period excess earnings method in the periods acquired. The future projections and estimates used for the valuations are considered Level 3 inputs.

### *Foreign Currency Translation*

Combined entities that have a functional currency that differs from the Company's reporting currency include our foreign subsidiaries, which are in the UK Foreign currency denominated assets and liabilities are translated using the exchange rates at the end of each reporting period. Results of foreign operations are translated at the weighted average exchange rate for each reporting period. Translation adjustments are included as a component of accumulated other comprehensive income (loss) until realized. Where amounts denominated in a foreign currency are converted into US dollars by remittance or repayment, the realized exchange differences are included in the accompanying Combined Statements of Operations and Comprehensive Income, primarily in general and administrative expense, and was immaterial in all periods presented.

### *Cash and Restricted Cash*

Cash consists of cash held on deposit. Restricted cash includes securitized cash held on deposit in Company accounts related to the Securitization Transaction.

Cash and restricted cash consists of the following:

<b>As of December 31,</b>	<b>2023</b>	<b>2022</b>
Cash	\$ 3,171	\$ 2,381
Restricted Cash:		
Whole business securitization	1,566	3,359
<b>Total cash and restricted cash</b>	<b>\$ 4,737</b>	<b>\$ 5,740</b>

The Company maintains its cash in banks in which deposits may, from time to time, exceed federally insured limits. The Company has not experienced any losses in such accounts and believes that it is not exposed to any significant credit risks related to cash.

### *Recent Accounting Pronouncements*

In June 2016, the FASB issued ASU No. 2016-13, Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments. ASU 2016-13 amends the impairment model by requiring entities to use a forward-looking approach based on expected losses to estimate credit losses on certain types of financial instruments, including trade receivables. In November 2018, the FASB issued ASU No. 2018-19, Codification Improvements to Topic 326, Financial Instruments - Credit Losses ("ASU 2018-19"), which clarifies that receivables arising from operating leases are accounted for using lease guidance and not as financial instruments. In April 2019, the FASB issued ASU No. 2019-04, Codification Improvements to Topic 326, Financial Instruments - Credit Losses, Topic 815, Derivatives and Hedging, and Topic 825, Financial Instruments ("ASU 2019-04"), which clarifies the treatment of certain credit losses. In May 2019, the FASB issued ASU No. 2019-05, Financial Instruments - Credit Losses (Topic 326): Targeted Transition Relief ("ASU 2019-05"), which provides

an option to irrevocably elect to measure certain individual financial assets at fair value instead of amortized cost. In November 2019, the FASB issued ASU No. 2019-11, Codification Improvements to Topic 326, Financial Instruments - Credit Losses ("ASU 2019-11"), which provides guidance around how to report expected recoveries. ASU 2016-13, ASU 2018-19, ASU 2019-04, ASU 2019-05 and ASU 2019-11 (collectively, "ASC 326") are effective for fiscal years beginning after December 15, 2022, with early adoption permitted.

The Company adopted ASU 2016-13 using the modified retrospective adoption method on January 1, 2023, which was retroactively applied as of the first day of 2023. Upon adoption of this guidance, the Company recognized a decrease to its allowance for credit losses of \$0.5 million and a corresponding adjustment to accumulated earnings/(loss).

## 2. Securitization Transactions

On March 25, 2021, the Manager, a Non-Securitization Entity, contributed to the Company through a series of asset transfers to the Securitization Entities, substantially all of the US intellectual property, including tradenames, franchise agreements, national account relationships and systems-in-place and the UK tradenames. The Manager, certain Securitization Entities and the SPV Franchisors entered into license agreements pursuant to which they granted, respectively, to certain Non-Securitization Entities (i) a non-exclusive license to use and sublicense the Securitization IP in connection with owning and operating certain company-owned store locations, UK locations and Canadian locations and (ii) an exclusive license to use and sublicense the Securitization IP in connection with other products and services.

The Company received a cash capital contribution in January 2022 of \$102,000 which the Company used to acquire \$102,000 in intangible assets. Also in January 2022, the Company received a non-cash capital contribution of \$13,456, consisting of \$10,862 in property and equipment, \$2,082 in intangible assets, and \$512 in inventories. In March 2022, the Company received a non-cash contribution of \$1,214, consisting of \$1,169 in property and equipment and \$45 in inventories. In December 2022, the Company received a non-cash contribution of \$2,112 in intangible assets from the Manager.

In January 2023, the Company received a non-cash contribution of \$101,756, consisting of \$99,349 in intangible assets, \$3,600 in accounts receivable, \$2,241 in property and equipment, \$280 in inventories, and an unearned revenue liability, net of prepaid selling expenses, of \$3,714.

The contributions of the Securitization Assets are between entities under common control and are recorded at book value as of the unaudited interim date. No gain or loss has been realized on the transactions.

The Issuer is dependent on the Company for sufficient cash flows from their securitized operations to service the Series 2021-1, Series 2022-1, and Series 2023-1 Senior Notes (see Note 3), remit management fees to the Manager, and pay certain other ongoing costs related to the Securitization Transaction.

## 3. Debt Guarantee

In conjunction with the Securitization Transaction, on March 25, 2021, the Issuer issued \$800 million Series 2021-1 3.584% Fixed Rate Senior Secured Notes (the "Series 2021-1 Senior Notes"). The Senior

Notes have an anticipated repayment date of April 30, 2028, and a final maturity date of April 30, 2051. Scheduled principal payments of \$2 million and interest are paid quarterly. As of December 31, 2023 and 2022, \$780 million and \$788 million, respectively, was outstanding on the Senior Notes.

On January 19, 2022, in connection with a second securitization, the Issuer, issued \$410 million Series 2022-1 3.695% Fixed Rate Senior Secured Notes (the "Series 2022-1 Senior Notes") through a second whole business securitization transaction (the "Second Securitization Transaction"). The Series 2022-1 Senior Notes have an anticipated repayment date of January 30, 2029, and a final maturity date of January 30, 2052. Scheduled principal payments of \$1.03 million and interest are paid quarterly. As of December 31, 2023 and 2022, respectively, \$402.83 million and \$406.93 million, was outstanding on the Series 2022-1 Senior Notes.

On February 3, 2023, in connection with a third securitization, the issuer, issued \$275 million Series 2023-1 7.308% Fixed Rate Senior Secured Notes (the "Series 2023-1 Senior Notes") through a third whole business securitization transaction (the "Third Securitization Transaction"). The Series 2023-1 Senior Notes have an anticipated repayment date of January 30, 2028, and a final maturity date of January 30, 2053. Scheduled principal payments of \$687.5 and interest are paid quarterly. As of December 31, 2023, \$272.94 million was outstanding on the Series 2023-1 Senior Notes.

The Series 2021-1 Senior Notes, the Series 2022-1 Senior Notes, the Series 2023-1 Senior Notes, the Series 2021-1 Class A-1 Notes, the Series 2022-1 Class A-1 Notes, and the Series 2023-1 Class A-1 Notes described above issued in conjunction with the Securitization Transaction, the Second Securitization Transaction, and the Third Securitization Transaction (together, the "Securitization Transactions") are secured by substantially all assets of the Securitization Entities and guaranteed by the Securitization Entities, including the Company, each of which is a bankruptcy remote entity and which owned substantially all of the Manager's US intellectual property including tradenames, franchise agreements, national account relationships and systems-in-place, as well as the UK tradenames as of the date of issuance. The restrictions placed on the Issuer and its subsidiaries require that interest and scheduled principal payments on the Senior Notes and Class A-1 Notes be paid prior to any residual distributions to the Manager, and amounts are segregated weekly to ensure appropriate funds are reserved to pay the quarterly interest and scheduled principal amounts due. The amount of weekly cash flow that exceeds all expenses and obligations of the Issuer and its subsidiaries is generally remitted to the Manager in the form of a distribution. The Manager also receives a fee for the services it provides to the Securitization Entities that is senior to debt service. The Securitization Transaction requires, among other things, maintenance of minimum debt-service coverage ratio levels and additional incurrence of indebtedness and scheduled amortization requirements are subject to compliance with maximum leverage ratio levels. As of December 31, 2023 and 2022, the Issuer was in compliance with all debt-service coverage covenants.

### 4. Intangible Assets and Goodwill

On March 25, 2021, intangible assets were contributed to the Company, along with certain dates thereafter as discussed in Note 1. Each of the SPV Franchisors are wholly owned subsidiaries and there was no change in ultimate ownership. Accordingly, there has been no change in control and therefore the Company concluded that the guidance in ASC 805 Business Combinations was not applicable. Intangible assets were recorded at the carrying value from the contributing entities on the date of the contribution, as the entities are under common control. Upon the acquisition by KKR (see Note 1), and the Company's election to apply pushdown accounting, the intangible assets were recorded at their acquisition-date fair values.

Pursuant to the Management Agreement, excess cash collections after distributions to the Issuer for quarterly interest and scheduled principal payments, expense reimbursements to the Manager and payment of management fees, are distributed to the Manager, as discussed in Note 8. ### 6. Trade Notes Receivable

The Company periodically receives notes from the sale of new franchises. The rights to the related franchise territory sold generally collateralize these notes. The Company also from time-to-time receives notes for delinquent franchise service fees. Such notes, as of December 31, 2023 and 2022, bear interest at rates typically ranging from 9% to 12% and generally require equal monthly installments over a life of one to ten years. Initial trade notes receivable for the respective SPV Franchisors were contributed to the Company as of March 31, 2021 by the Manager and subsequently at various dates thereafter. As the contribution was between entities under common control, the notes receivable transferred were recorded at their historical cost basis in the financial records of the Manager.

A summary of trade notes receivable as of December 31 is as follows:

	2023	2022
Amounts due within one year, net of allowance for credit losses of \$89 as of December 31, 2023 and allowance for doubtful accounts of \$166 as of December 31, 2022	\$ 9,530	\$ 7,846

## **Report of Independent Auditors**

To the Board of Directors and Stockholders of  
Neighborly Company and subsidiaries

### **Opinion**

We have audited the consolidated financial statements of Neighborly Company and subsidiaries (the Company), which comprise the consolidated balance sheets as of December 31, 2024 and 2023, and the related consolidated statements of operations and comprehensive income (loss), changes in stockholders' equity and cash flows for the years then ended, and the related notes (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company at December 31, 2024 and 2023, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee

that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the entity's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during our audit.

### 2. Summary of Significant Accounting Policies

#### *Recently Issued Accounting Pronouncements*

In December 2023, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2023-09, “Income Taxes (Topic 740): Improvements to Income Tax Disclosures,” (ASU No. 2023-09) which requires disclosure of disaggregated information about a reporting entity’s effective tax rate reconciliation as well as disclosures on income taxes paid by jurisdiction. ASU No. 2023-09 is effective for annual periods beginning after December 15, 2024. The guidance is required to be applied on a prospective basis, with the option to apply the standard retrospectively. Early adoption is permitted. Management is currently evaluating the impact of this guidance on the Company’s consolidated financial statements and related disclosures.

In January 2024, the FASB issued ASU No. 2024-01, “Scope Application of Profits Interest and Similar Awards.” This update clarifies that profits interests and similar awards granted to employees as compensation for services are within the scope of ASC Topic 718 (Compensation—Stock Compensation). The amendments in this update are effective for fiscal years beginning after December 15, 2024, including interim periods within those fiscal years, with early adoption permitted. to awards outstanding at the beginning of the fiscal year of adoption, with cumulative-effect adjustments to retained earnings. Management is currently evaluating the impact of this guidance on the Company's consolidated financial statements and related disclosures.

### *Principles of Consolidation and Variable Interest Entities*

The accompanying consolidated financial statements as of December 31, 2024 and 2023 include the accounts of the Company and its wholly owned subsidiaries. All intercompany accounts and transactions have been eliminated in consolidation.

FASB Accounting Standards Codification (ASC) Topic 810-10, Consolidation, applies to certain entities in which equity investors do not have the characteristics of a controlling financial interest or do not have sufficient equity at risk for the entity to finance its activities without additional subordinated financial support. Such an entity is referred to as a variable interest entity ("VIE"). FASB ASC Topic 810-10 requires the consolidation of a VIE by its primary beneficiary. The primary beneficiary is the entity, if any, that has the power to direct activities of a VIE that most significantly impact the VIE's economic performance and has the obligation to absorb losses or the right to receive benefits of the VIE that could potentially be significant to the VIE.

Neighbory Assetco LLC ("Assetco") is a direct, wholly owned subsidiary of Neighbory Issuer LLC (the "Issuer"), which is a special purpose Delaware limited liability company and a direct, wholly owned subsidiary of Neighbory SPV Guarantor LLC (the "SPV Guarantor"), which is a special purpose Delaware limited liability company that is an indirect, wholly owned subsidiary of Neighbory (the "Manager").

Assetco's subsidiaries are comprised of a number of franchisors and related supporting businesses operating in the US and internationally and include the following businesses: Aire Serv SPV LLC, Mr. Electric SPV LLC, The Grounds Guys SPV LLC, Rainbow International SPV LLC, Glass Doctor SPV LLC, Mr. Appliance SPV LLC, Mr. Rooter SPV LLC, Molly Maid SPV LLC, Mr. Handyman SPV LLC, Five Star Painting SPV LLC, Window Genie SPV LLC, Real Property Management SPV LLC, Mosquito Joe SPV LLC, HouseMaster SPV LLC, Dryer Vent Wizard SPV LLC, ShelfGenie SPV LLC, Precision Door Service SPV LLC, Junk King SPV LLC, and Lawn Pride SPV LLC (each an "SPV Franchisor" and together the "SPV Franchisors") and ProTradeNet SPV LLC, Neighbory Service Solutions SPV LLC, Back Office SPV LLC, G-O Manufacturing SPV LLC, Zorware SPV LLC, NBLY Co Ops CO SPV LLC, NBLY Co Ops WA SPV LLC, NBLY Co Ops AZ SPV LLC, NBLY Co Ops IN SPV LLC, Trench Right SPV LLC, Trench Right WA SPV LLC, Dig Boss SPV LLC, NBLY Logistics SPV LLC, and Pimlico SPV Limited (each a "Non-Franchisor SPV Entity" and together the "Non-Franchisor SPV Entities"), each of which is a direct, wholly owned subsidiary of Assetco.

Assetco holds all the equity interests in the SPV Franchisors and the Non-Franchisor SPV Entities, certain intellectual property, certain license agreements and certain vendor agreements. Each SPV Franchisor holds the tradenames and the franchise agreements related to such brand and any product supply agreements or vendor agreements related to such brand. The Non-Franchisor SPV

Entities hold certain tradenames, certain product supply agreements, certain vendor agreements and the office service agreements.

Neighbory SPV Guarantor LLC, Neighbory Issuer LLC, and Neighbory Assetco LLC (collectively with the SPV Franchisors and the Non-Franchisor SPV Entities are referred to as "Securitization Entities")

were formed in connection with a financing transaction (the "Securitization Transaction"), which was completed on March 25, 2021 and on subsequent dates thereafter (see Note 3).

The Company has determined that the Securitization Entities qualify as VIE's and that Neighorly is the primary beneficiary, having both power and benefits, of the Securitization Entities and accordingly, consolidation is concluded.

### ***Use of Estimates***

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

### ***Revenue Recognition, Accounts Receivable, Notes Receivable, and Allowances***

The Company's primary sources of revenue are as follows:

- Franchise service fees from existing franchise owners based on a percentage of each franchise owner's gross sales. These fees generally range from 2% to 15% of the franchise owner's gross sales, depending upon the particular franchise concept and upon various other factors;
- Franchise sales fees generated from the sale of new franchise territories and the sale of additional franchise territories to existing franchise owners;
- Sales of products and services to unrelated third parties;
- Advertising and promotional fund revenue represents marketing, advertising and promotional ("MAP") fund fees collected from existing franchise owners. These fees are typically a percentage of each franchise owner's sales and vary depending upon the particular franchise concept and various other factors;
- Other revenue consists of incentives earned from services performed for unrelated third parties and interest generated from notes receivable.

Typically, franchise agreements are granted to franchise owners for an initial term of ten years with an option to renew. Our performance obligations under franchise agreements consist of providing a license of our brand's intellectual property, a list of approved suppliers, certain training programs, an operations manual, and to maintain the MAP fund. These performance obligations are highly interrelated and we do not consider them to be individually distinct, and therefore account for them as a single performance obligation, which collectively represent the obligation to provide a license for the right to use our brand's intellectual property. Revenue related to franchise agreements is recognized on a straight-line basis over the term of the agreement, with the exception of variable or sales-based royalties, MAP fund fees collected and revenue allocated to goods and services and other variable fees which are recognized as the underlying sales occur and performance obligations are satisfied.

In the event a franchise agreement is terminated, without a corresponding agreement executed by the same franchise owner, any remaining deferred fees as well as applicable termination fees are recognized in the period of termination.

The Company periodically extends credit to entities for the purchase of franchises. These entities are typically controlled by individuals who operate their businesses as an owner/manager. Generally, the notes receivable are collateralized by the related franchise territory rights. The Company also extends unsecured credit to its franchise owners for unpaid franchise service fees. The Company places notes receivable on nonaccrual status when payment is ninety days past due, and ceases to recognize revenue from interest on the note until such time as the note is no longer past due. Interest on trade notes receivable is recorded as revenue when earned. Each entity's ability to perform is dependent upon the economic condition of the business. The Company maintains ongoing credit evaluations of its franchise owners.

The Company adopted ASU 2016-13 ASU No. 2016-13, Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments using the modified retrospective adoption method on January 1, 2023, which was retroactively applied as of the first day of 2023. This accounting standard requires companies to measure expected credit losses on financial instruments based on the total estimated amount to be collected over the lifetime of the instrument. Upon adoption of this guidance, the Company recognized a decrease to its allowance for credit losses of \$200 and a corresponding adjustment to accumulated deficit, net of tax.

Expected credit losses for uncollectible receivable balances consider both current conditions and reasonable and supportable forecasts of future conditions. Current conditions considered include pre-defined aging criteria, as well as specified events that indicate the balance due is not collectible. Reasonable and supportable forecasts used in determining the probability of future collection consider publicly available macroeconomic data and whether future credit losses are expected to differ from historical losses.

Franchise service fee revenues represent sales-based royalties that are related entirely to our performance obligation under the franchise agreement and are recognized in the period in which the sales occur. Sales-based royalties are variable consideration related to our performance obligations to our franchise owners to maintain the intellectual property being licensed.

We have determined we act as the principal in the transaction related to the MAP fund contributions and expenditures. MAP fund contributions and expenditures are reported in the accompanying Consolidated Statements of Operations and Comprehensive Income (Loss). Our obligation related to these funds is to administer the MAP fund, keep unused MAP fees in segregated bank accounts which are classified as restricted cash on the Consolidated Balance Sheet and use MAP fees for certain activities related to the marketing and promotion of the individual brands. As noted above, we have concluded the advertising services provided to franchise owners are highly interrelated with the franchise rights and not a distinct performance obligation; therefore, revenues from MAP fund fees are recognized as advertising and promotion fund revenue when the related sales occur based on the application of the sales-based royalty exception within ASC 606, Revenue from Contracts with Customers.

Revenues from product sales are recognized upon transfer of title, when delivered to the customer, when the work is performed, or orders are shipped. Incentives earned are recognized as services are performed.

### Contract Balances

The contract liabilities which we classify as “deferred revenue” consist primarily of the unamortized portion of initial franchise fees that are currently being recognized into revenue, amounts related to pending agreements, or other deferred revenues not related to franchise agreements. Contract deferred franchise revenue represents our remaining performance obligations to our franchise owners, as we account for our highly interrelated obligations as a single performance obligation, which collectively represent the obligation to provide a license for the right to use our brand’s intellectual property excluding amounts of variable consideration related to sale-based royalties and advertising. The other deferred revenues not related to the franchise agreements are included in current deferred revenue.

The components of the change in deferred revenue are as follows:

	Year Ended December 31,	
	2024	2023
Balance at beginning of period	\$ 91,610	\$ 80,364
Fees received from franchise owners	37,203	49,188
Franchise sales revenue recognized	(35,122)	(38,441)
Other changes in deferred revenue	(758)	499
Balance at end of period	92,933	91,610
Less: current portion	18,215	17,760
Deferred revenue noncurrent	\$ 74,718	\$ 73,850

Revenue deferred as of December 31, 2023 and recognized in the period from January 1, 2024 through December 31, 2024 was \$17,623. Revenue deferred as of December 31, 2022 and recognized in the period from January 1, 2023 through December 31, 2023 was \$20,133.

As of December 31, 2024, the deferred revenue expected to be recognized for each of the next five years and in the aggregate is as follows:

Years ending December 31,	
2025	\$ 18,215
2026	12,829
2027	12,455
2028	11,718
2029	10,267
Thereafter	27,449
	<u>\$ 92,933</u>

Direct, incremental selling expenses incurred when the franchise agreement is executed are recorded as a contract asset and amortized over the life of the agreement consistent with the recognition of the deferred revenue. Contract assets are included in current and non-current

prepaid selling expenses in the accompanying Consolidated Balance Sheets and the amortization is included in general and administrative expense in the accompanying Consolidated Statements of Operations and Comprehensive Income (Loss). For the year ended December 31, 2024, \$7,736 of costs were paid and amortization expense of \$6,175 was recognized. For the year ended December 31, 2023, \$8,883 of costs were paid and amortization expense of \$5,845 was recognized.

The ending asset for deferred contract costs as of December 31, 2024 was \$24,622, of which \$4,726 was current. The ending asset for deferred contract costs as of December 31, 2023 was \$23,063, of which \$3,959 was current.

### ***Advertising***

The Company expenses advertising costs as incurred. Advertising expense was \$23,200 and \$28,772 for the years ended December 31, 2024 and 2023, respectively. Advertising expense is included in general and administrative expense in the accompanying Consolidated Statements of Operations and Comprehensive Income (Loss). This is separate from MAP fees which are presented on their own line in Consolidated Statements of Operations and Comprehensive Income (Loss).

### ***Inventories***

Inventories consist of products to be sold and are stated at the lower of cost (first-in, first-out method) or net realizable value.

### ***Property and Equipment***

With the exception of land, which is not depreciated, property and equipment is stated at cost and is depreciated using the straight-line method over the estimated useful lives of the respective assets which are generally as follows: buildings (30 years) and building improvements (5-15 years), capped at the lesser of life of the leasehold improvements or remaining lease life; machinery, equipment, and vehicles (5-10 years); furniture and fixtures (5 years); and hardware and software (3 years). Additions, renewals, and betterments are capitalized; maintenance and repairs which do not extend the useful life of the asset are expensed as incurred.

Management evaluates long-lived assets used in operations for impairment when indicators of impairment are present. Impairment losses are recorded in the amount that carrying value exceeds fair market value when the undiscounted cash flows estimated to be generated by those assets are less than the carrying amount of the assets. No impairment losses for property and equipment were recorded for the year ended December 31, 2024.

### ***Goodwill***

Goodwill represents the excess of the consideration transferred over the fair value of the identifiable net assets acquired. The Company tests goodwill annually for impairment, or earlier if events or changes in circumstances indicate that impairment may exist. Management's impairment tests are generally performed as of October 1<sup>st</sup> annually. The Company's current goodwill balance resulted from the acquisition of the Company as of September 1, 2021, and from the Company's acquisitions in the successor period, as discussed in Note 1.

The Company performed a qualitative assessment of its goodwill as of October 1, 2024 and concluded that indicators of impairment existed for certain of its reporting units, based on trends

## Notes to Consolidated Financial Statements (\$000's)

---

in financial performance. Therefore, the Company performed a quantitative assessment of its goodwill for certain reporting units with indicators of impairment by measuring the fair value using present value techniques including the income approach and the market approach. The Company's weighted average cost of capital declined slightly as well as projected positive operating performance of the reporting units resulted in a fair value that exceeded carrying value with no resulting impairment. A goodwill impairment expense of \$417,591 was recorded in the year ended December 31, 2023, and none in 2024.

### *Intangible Assets*

Intangible assets consist of tradenames, franchise relationships, national accounts, insurance company relationships, customer relationships, re-acquired franchise rights, developed technology, copyrights, and domain name, and are stated at their estimated fair value as of the date of acquisition, less subsequent amortization. The Company's intangible assets are definite lived, other than domain name, which is indefinite lived.

For definite lived intangible assets, when events or changes in circumstances indicate that the carrying amount of the asset may not be recoverable, the Company evaluates the definite lived intangible assets for impairment by comparing the carrying value to the anticipated future undiscounted cash flows expected to be generated from the use of the intangible assets. If the carrying amount is not recoverable, a loss is recorded in the amount the carrying value exceeds the fair market value of the assets. No impairment expense was recorded in the year ended December 31, 2024, and \$10,695 was recorded in the year ended December 31, 2023.

Tradenames are amortized over their estimated useful life, which ranges from three years to 20 years, using the straight-line method. Franchise relationships, national accounts relationships, and insurance company relationships are amortized over their estimated useful lives of 15 years, using the straight-line method. Customer relationships are amortized over their estimated useful life of three to 10 years, using the straight-line method. Reacquired franchise rights are amortized over the remaining life of the reacquired agreements, between one to seven years, using the straight-line method. Copyrights are amortized over their estimated useful life of five years, using the straight-line method. Developed technology is amortized over their estimated useful life of three years, using the straight-line method.

Domain names are stated at their estimated fair value at the date of acquisition, and are not amortized, as their useful lives are considered indefinite, but are subject to annual impairment testing. The Company performed a qualitative assessment of its indefinite lived intangible assets as of October 1, of 2024 and 2023 and concluded it is not more likely than not that the fair value of its domain names is less than the carrying amount and, as such, a quantitative impairment test was not considered necessary.

### *Income Taxes*

Deferred tax assets and liabilities are recognized for the estimated future tax consequences attributable to differences between the consolidated financial statement carrying amounts of assets and liabilities and their respective tax basis. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in tax expense in the period that includes the enactment date.

## Notes to Consolidated Financial Statements (\$000's)

The Company establishes valuation allowances in accordance with the provisions of FASB ASC Topic 740, Income Taxes. The Company reviews the adequacy of any valuation allowance and recognizes tax benefits only when it is more likely than not that the benefits will be realized.

The Company measures, classifies, and discloses uncertain tax benefits in accordance with FASB ASC Topic 740-10, Income Taxes-Overall. The Company has elected to classify interest and penalties related to uncertain tax benefits as a component of income tax expense.

### ***Equity-based Compensation***

The Company accounts for equity-based compensation under FASB ASC Topic 718, Compensation-Stock Compensation. This pronouncement requires the measurement of all equity-based payments to employees using a fair-value-based method and the recording of such expense in the accompanying Consolidated Statements of Operations and Comprehensive Income (Loss). The Company participates in an equity-based employee compensation plan, which is described more fully in Note 5.

### ***Foreign Currency Translation***

Consolidated entities that have a functional currency that differs from the Company's reporting currency include our foreign subsidiaries, which are in Canada, the United Kingdom (the "UK"), Germany and Austria. Foreign currency denominated assets and liabilities are translated using the exchange rates at the end of each reporting period. Results of foreign operations are translated at the weighted average exchange rate for each reporting period. Translation adjustments are included as a component of accumulated other comprehensive income (loss) until realized. Where amounts denominated in a foreign currency are converted into US dollars by remittance or repayment, the realized exchange differences are included in the accompanying Consolidated Statements of Operations and Comprehensive Income (Loss), primarily in general and administrative expense, and was immaterial in all periods presented.

### ***Cash and Restricted Cash***

The Company considers all cash and highly liquid investments purchased with an initial maturity of three months or less to be cash or cash equivalents.

Cash consists primarily of cash on hand and cash on deposit. Restricted cash includes funds held for the MAP funds and securitized cash held for principal and interest payments on deposit related to the Securitization Transaction.

Cash and restricted cash consists of the following as of December 31,:

		2024		2023
Cash	\$	18,436	\$	43,416
Restricted Cash:				
Whole business securitization		23,639		21,903
MAP funds		4,438		6,733

The Company maintains its cash in banks in which deposits may, from time to time, exceed federally insured limits. The Company has not experienced any losses in such accounts and believes that it is not exposed to any significant credit risks related to cash.

### ***Fair Value of Financial Instruments and Non-financial Assets***

In accordance with FASB ASC 820, Fair Value Measurements, certain assets and liabilities carried at fair value are categorized based on the level of judgment associated with the inputs used to measure their fair value. The standard establishes a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three levels:

**Level 1** - Inputs are unadjusted quoted market prices in active markets for identical assets or liabilities at the measurement date.

**Level 2** - Inputs (other than quoted prices included in Level 1) are either directly or indirectly observable for the asset or liability through correlation with market data at the measurement date for the duration of the instrument's anticipated life.

**Level 3** - Inputs are unobservable and therefore reflect management's best estimate of the assumptions that market participants would use in pricing the asset or liability.

The tradenames, systems in place, and developed technology were valued using the relief from royalty method and the franchise relationships, customer relationships, national account relationships, and insurance company relationships were valued using the multi-period excess earnings method in the periods acquired, except for those tradenames remeasured in 2023 as a result of impairment testing as discussed above. Rollover equity was valued using a combination of Level 2 observable inputs including EBITDA multiples and comparable public company as well as discounted cash flow analysis of future projections in the period issued. The future projections and estimates used to fair value the assets acquired in acquisitions, as well as those used in our long-lived asset and goodwill impairment testing, are considered Level 3 inputs.

As of December 31, 2024 and 2023, the Issuer was in compliance with all debt-service coverage covenants.

## 5. Equity-based Compensation

In September 2021, Nest Management LP, a co-investor with KKR, created a profits interest plan which provides for profits interest award grants of Nest Holdings LP and its subsidiaries. A total of 202,843,686 profits interests units were approved to be granted under the plan.

On October 27, 2021, and certain dates thereafter, Nest Management LP granted awards under the plan. The profits interests are exercisable only to the extent they are vested, and do not expire. Generally, vesting of a portion of the profits interests (50%) is subject to the passage of time; the remaining (50%) vest based on achievement of defined financial criteria upon a liquidity event of the Company. Based on continuous employment, time-based profits interest units vest 20% annually, for each of five years.

The Company accounts for equity-based compensation in accordance with ASC 718, Compensation-Stock Compensation, which requires the fair value of equity-based payments to be recognized in the consolidated statements as compensation expense over the requisite service period. For time-based awards, compensation expense is recognized on a straight-line basis, net of forfeitures which

# Neighborhoodly Company and Subsidiaries

## Notes to Consolidated Financial Statements (\$000's)

are recognized as they occur, over the requisite service period for awards that actually vest. For performance-based awards, compensation expense is estimated based on

achievement of performance conditions and is recognized over the requisite service period for awards that actually vest. Equity-based compensation expense is recorded in the equity-based compensation line in the consolidated statements of operations.

The average grant date fair value of awards under the Nest Management LP profits interest plan was determined using Monte-Carlo simulation, and was \$0.36 per unit for awards in the years ended December 31, 2024 and 2023, respectively. As of December 31, 2024 and 2023 no units were both vested and exercisable.

Equity-based compensation expense recorded for the years ended December 31, 2024 and 2023 was \$3,130 and \$4,194, respectively. As of December 31, 2024, unamortized stock compensation expense to be recognized in future years was \$9,707.

The Company also from time-to-time receives notes for delinquent franchise service fees. Such notes, as of December 31, 2024 and 2023, bear interest at rates typically ranging from 9% to 12% and generally require equal monthly installments over a life of one to ten years.

## 8. Leases

The Company's primary operating lease commitments consist of leases for office and retail space for its company-operated stores and corporate offices. The Company leases vehicles under financing lease agreements expiring at various dates through 2029.

We determine whether an agreement contains a lease at inception based on our right to obtain substantially all of the economic benefits from the use of the identified asset and the right to direct the use of the identified asset. The Company does not to recognize a right-of-use asset and a lease liability for leases with an initial term of twelve months or less. Lease liabilities represent the present value of future lease payments and the right-of-use (ROU) assets represent our right to use the underlying assets for the respective lease terms. The Company does not separate lease and non-lease components for new and modified leases after the adoption date, and instead accounts for each separate lease component of a contract and its associated non-lease components as a single lease component.

# Neighborly Company and Subsidiaries

## Notes to Consolidated Financial Statements (\$000's)

The operating lease liability is measured as the present value of the unpaid lease payments and the ROU asset is derived from the calculation of the operating lease liability. Other than for leased vehicles, our leases do not generally provide an implicit rate and we use our incremental borrowing rate as the discount rate to calculate the present value of lease payments. The incremental borrowing rate represents an estimate of the interest rate that would be required to borrow over a similar term, on a collateralized basis in a similar economic environment.

Rent escalations occurring during the term of the leases are included in the calculation of the future minimum lease payments and the rent expense related to these leases is recognized on a straight-line basis over the lease term. In addition to minimum lease payments, certain leases require payment of a proportionate share of real estate taxes and certain building operating expenses allocated on a percentage of sales in excess of a specified base. These variable lease costs are not included in the measurement of the ROU asset or lease liability due to unpredictability of the payment amount and are recorded as lease expense in the period incurred. The ROU asset is adjusted to account for previously recorded lease-related expenses such as deferred rent and other lease liabilities.

The components of lease cost are as follows (in thousands):

	December 31,	
	2024	2023
Operating lease cost	\$ 7,149	\$ 7,855

## **Report of Independent Auditors**

**To the Board of Directors and Stockholders of  
Neighborly Company and Subsidiaries**

### **Opinion**

We have audited the consolidated financial statements of Neighborly Company and subsidiaries (the Company), which comprise the consolidated balance sheets as of December 31, 2023 and 2022, and the related consolidated statements of operations and comprehensive income (loss), changes in stockholder's equity and cash flows for the years then ended, and the related notes (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company at December 31, 2023 and 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an

auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### *Acquisitions*

During 2023, the company made no acquisitions.

During 2022, the Company acquired Lawn Pride in August, Greensleeves in October and Junk King in November, and repurchased three of its previously franchised Mr. Rooter territories in March, each of which operates in the home services industry. The purchase price of the acquisitions of \$290,364, comprised of \$258,870 of cash, consideration payable of \$96, and \$31,398 of rollover equity, has been allocated to the assets acquired and liabilities assumed by the Company based on independent valuation studies and management estimates of their fair value in accordance with FASB ASC Topic 805, Business Combinations, on the date of acquisition. The Company acquired 100% ownership of these entities, or acquired certain assets, to gain control and access to the intellectual property of each.

## 2. Summary of Significant Accounting Policies

### *Recent Accounting Pronouncements*

In June 2016, the FASB issued ASU No. 2016-13, Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments. ASU 2016-13 amends the impairment model by requiring entities to use a forward-looking approach based on expected losses to estimate credit losses on certain types of financial instruments, including trade receivables. In November 2018, the FASB issued ASU No. 2018-19, Codification Improvements to Topic 326, Financial Instruments - Credit Losses ("ASU 2018-19"), which clarifies that receivables arising from operating leases are accounted for using lease guidance and not as financial instruments. In April 2019, the FASB issued ASU No. 2019-04, Codification Improvements to Topic 326, Financial Instruments - Credit Losses, Topic 815, Derivatives and Hedging, and Topic 825, Financial Instruments ("ASU 2019-04"), which clarifies the treatment of certain credit losses. In May 2019, the FASB issued ASU No. 2019-05, Financial Instruments - Credit Losses (Topic 326): Targeted Transition Relief ("ASU 2019-05"), which provides an option to irrevocably elect to measure certain individual financial assets at fair value instead of amortized cost. In November 2019, the FASB issued ASU No. 2019-11, Codification Improvements to Topic 326, Financial Instruments - Credit Losses ("ASU 2019-11"), which provides guidance around how to report expected recoveries. ASU 2016-13, ASU 2018-19, ASU 2019-04, ASU 2019-05 and ASU 2019-11 (collectively, "ASC 326") are effective for fiscal years beginning after December 15, 2022, with early adoption permitted.

The Company adopted ASU 2016-13 using the modified retrospective adoption method on January 1, 2023, which was retroactively applied as of the first day of 2023. Upon adoption of this guidance, the Company recognized a decrease to its allowance for credit losses of \$0.2 million and a corresponding adjustment to accumulated deficit, net of tax.

### *Principles of Consolidation and Variable Interest Entities*

The accompanying consolidated financial statements as of December 31, 2023 and 2022 include the accounts of the Company and its wholly owned subsidiaries. All intercompany accounts and transactions have been eliminated in consolidation.

FASB ASC Topic 810-10, Consolidation, applies to certain entities in which equity investors do not have the characteristics of a controlling financial interest or do not have sufficient equity at risk for the entity to finance its activities without additional subordinated financial support. Such an entity is referred to as a variable interest entity ("VIE"). FASB ASC Topic 810-10 requires the consolidation of a VIE by its primary beneficiary. The primary beneficiary is the entity, if any, that has the power to direct activities of a VIE that most significantly impact the VIE's economic performance and has the obligation to absorb losses or the right to receive benefits of the VIE that could potentially be significant to the VIE.

Neighborhood Assetco LLC ("Assetco") is a direct, wholly owned subsidiary of Neighborhood Issuer LLC (the "Issuer"), which is a special purpose Delaware limited liability company and a direct, wholly owned subsidiary of Neighborhood SPV Guarantor LLC (the "SPV Guarantor"), which is a special purpose Delaware limited liability company that is an indirect, wholly owned subsidiary of Neighborhood (the "Manager").

Assetco's subsidiaries are comprised of a number of franchisors and related supporting businesses operating in the US and internationally and include the following businesses: Aire Serv SPV LLC, Mr. Electric SPV LLC, The Grounds Guys SPV LLC, Rainbow International SPV LLC, Glass Doctor SPV LLC, Mr. Appliance SPV LLC, Mr. Rooter SPV LLC, Molly Maid SPV LLC, Mr. Handyman SPV LLC, Five Star Painting SPV LLC, Window Genie SPV LLC, Real Property Management SPV LLC, Mosquito Joe SPV LLC, HouseMaster SPV LLC, Dryer Vent Wizard SPV LLC, ShelfGenie SPV LLC, Precision Door Service SPV LLC, Junk King SPV LLC, and Lawn Pride SPV LLC (each an "SPV Franchisor" and together the "SPV Franchisors") and ProTradeNet SPV LLC, Neighborhood Service Solutions SPV LLC, Back Office SPV LLC, G-O Manufacturing SPV LLC, Zorware SPV LLC, NBLY Co Ops CO SPV LLC, NBLY Co Ops WA SPV LLC, NBLY Co Ops AZ SPV LLC, NBLY Co Ops IN SPV LLC, Trench Right SPV LLC, Trench Right WA SPV LLC, Dig Boss SPV LLC, NBLY Logistics SPV LLC, and Pimlico SPV Limited (each a "Non-Franchisor SPV Entity" and together the "Non-Franchisor SPV Entities"), each of which is a direct, wholly owned subsidiary of Assetco.

Assetco holds all the equity interests in the SPV Franchisors and the Non-Franchisor SPV Entities, certain intellectual property, certain license agreements and certain vendor agreements. Each SPV Franchisor holds the tradenames and the franchise agreements related to such brand and any product supply agreements or vendor agreements related to such brand. The Non-Franchisor SPV Entities hold certain tradenames, certain product supply agreements, certain vendor agreements and the office service agreements.

Neighborhood SPV Guarantor LLC, Neighborhood Issuer LLC, and Neighborhood Assetco LLC (collectively with the SPV Franchisors and the Non-Franchisor SPV Entities are referred to as "Securitization Entities") were formed in connection with a financing transaction (the "Securitization Transaction"), which was completed on March 25, 2021 and on subsequent dates thereafter (see Note 3).

# Neighborly Company and Subsidiaries

## Notes to Consolidated Financial Statements (\$000's)

---

The Company has determined that the Securitization Entities qualify as VIE's and that Neighborly is the primary beneficiary, having both power and benefits, of the Securitization Entities and accordingly, consolidation is concluded.

### ***Reclassifications***

Certain reclassifications have been made to conform prior year balances to the current year presentation. Payments on principal of finance lease liabilities have been included in financing activities in the accompanying Consolidated Statements of Cash Flow. None of the reclassifications affected our net loss in the prior year.

### ***Use of Estimates***

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

### ***Revenue Recognition, Accounts Receivable, Notes Receivable, and Allowances***

The Company's primary sources of revenue are as follows:

- Franchise service fees from existing franchise owners based on a percentage of each franchise owner's gross sales. These fees generally range from 2% to 15% of the franchise owner's weekly sales, depending upon the particular franchise concept and upon various other factors;
- Franchise sales fees generated from the sale of new franchise territories and the sale of additional franchise territories to existing franchise owners;
- Sales of products and services to unrelated third parties;
- Advertising and promotional fund revenue represents marketing, advertising and promotional ("MAP") fund fees collected from existing franchise owners. These fees are typically a percentage of each franchise owner's gross sales and vary depending upon the particular franchise concept and various other factors;
- Other revenue consists of incentives earned from services performed for unrelated third parties and interest generated from notes receivable.

Typically, franchise agreements are granted to franchise owners for an initial term of ten years with an option to renew. Our performance obligations under franchise agreements consist of providing a license of our brand's intellectual property, a list of approved suppliers, certain training programs, an operations manual, and to maintain the MAP fund. These performance obligations are highly interrelated and we do not consider them to be individually distinct, and therefore account for them as a single performance obligation, which collectively represent the obligation to provide a license for the right to use our brand's intellectual property. Revenue related to franchise agreements is recognized on a straight-line basis over the term of the agreement, with the exception of variable

---

or sales-based royalties, MAP fund fees collected and revenue allocated to goods and services and other variable fees which are recognized as the underlying sales occur and performance obligations are satisfied.

In the event a franchise agreement is terminated, without a corresponding agreement executed by the same franchise owner, any remaining deferred fees are recognized in the period of termination.

The Company periodically extends credit to entities for the purchase of franchises. These entities are typically controlled by individuals who operate their businesses as an owner/manager. Generally, the notes receivable are collateralized by the related franchise territory rights. The Company also extends unsecured credit to its franchise owners for unpaid franchise service fees. The Company places notes receivable on nonaccrual status when payment is ninety days past due, and ceases to recognize revenue from interest on the note until such time as the note is no longer past due. Interest on trade notes receivable is recorded as revenue when earned. Each entity's ability to perform is dependent upon the economic condition of the business. The Company maintains ongoing credit evaluations of its franchise owners.

The Company adopted ASU 2016-13, Financial Instruments - Credit Losses, on January 1, 2023, which was retroactively applied as of the first day of 2023, as further described above. This accounting standard requires companies to measure expected credit losses on financial instruments based on the total estimated amount to be collected over the lifetime of the instrument. Prior to the adoption of this accounting standard, the Company recorded incurred loss reserves against receivable balances based upon past loss experience, known and inherent risks in the accounts, adverse situations that may affect a franchise owner's ability to repay, and current economic conditions.

Expected credit losses for uncollectible receivable balances consider both current conditions and reasonable and supportable forecasts of future conditions. Current conditions considered include pre-defined aging criteria, as well as specified events that indicate the balance due is not collectible. Reasonable and supportable forecasts used in determining the probability of future collection consider publicly available macroeconomic data and whether future credit losses are expected to differ from historical losses.

Franchise service fee revenues represent sales-based royalties that are related entirely to our performance obligation under the franchise agreement and are recognized in the period in which the sales occur. Sales-based royalties are variable consideration related to our performance obligations to our franchise owners to maintain the intellectual property being licensed.

We have determined we act as the principal in the transaction related to the MAP fund contributions and expenditures. MAP fund contributions and expenditures are reported on a gross basis in the accompanying Consolidated Statements of Operations and Comprehensive Income (Loss). Our obligation related to these funds is to administer the MAP fund, keep unused MAP fees in segregated bank accounts and use MAP fees for certain activities related to the marketing and promotion of the individual brands. As noted above, we have concluded the advertising services provided to franchise owners are highly interrelated with the franchise rights and not a distinct performance obligation; therefore, revenues from MAP fund fees are recognized as advertising and promotion fund revenue when the related sales occur based on the application of the sales-based royalty exception within ASC 606, Revenue from Contracts with Customers.

# Neighborhoodly Company and Subsidiaries

## Notes to Consolidated Financial Statements (\$000's)

Revenues from product sales are recognized upon transfer of title, when delivered to the customer, when the work is performed, or orders are shipped. Incentives earned are recognized as services are performed.

### **Contract Balances**

The contract liabilities which we classify as “deferred revenue” consist primarily of the unamortized portion of initial franchise fees that are currently being recognized into revenue, amounts related to pending agreements, or other deferred revenues not related to franchise agreements. Contract deferred franchise revenue represents our remaining performance obligations to our franchise owners, as we account for our highly interrelated obligations as a single performance obligation, which collectively represent the obligation to provide a license for the right to use our brand’s intellectual property excluding amounts of variable consideration related to sale-based royalties and advertising. The other deferred revenues not related to the franchise agreements are included in current deferred revenue.

The components of the change in deferred revenue are as follows:

<i>For the years ended December 31,</i>	<b>2023</b>	<b>2022</b>
Balance at beginning of period	\$ 80,364	\$ 72,091
Fees received from franchise owners	49,188	26,170
Franchise sales fee revenue recognized	(38,441)	(20,655)
Deferred revenue from acquisitions	-	3,497
Other changes in deferred revenue	499	(739)
Balance at end of period	91,610	80,364
Less: current portion	17,760	15,688
Deferred revenue noncurrent	\$ 73,850	\$ 64,676

## Neighborly Company and Subsidiaries

### Notes to Consolidated Financial Statements (\$000's)

Revenue deferred as of December 31, 2022 and recognized in the period from January 1, 2023 through December 31, 2023 was \$20,133. Revenue deferred as of December 31, 2021 and recognized in the period from January 1, 2022 through December 31, 2022 was \$12,893.

As of December 31, 2023, the deferred revenue expected to be recognized for each of the next five years and in the aggregate is as follows:

*Years ending December 31,*

2024	\$	17,760
2025		11,841
2026		11,538
2027		11,088
2028		10,370
Thereafter		29,013
	\$	91,610

Direct, incremental selling expenses incurred when the franchise agreement is executed are recorded as a contract asset and amortized over the life of the agreement consistent with the recognition of the deferred revenue. Contract assets are included in current and non-current prepaid selling expenses in the accompanying Consolidated Balance Sheets. For the year ended December 31, 2023, \$8,883 of costs were paid and expense of \$5,845 is included in general and administrative expense in the accompanying Consolidated Statements of Operations and Comprehensive Income (Loss). For the year ended December 31, 2022, \$6,843 of costs were paid and expense of \$5,584 was recognized. The ending asset for deferred contract costs as of December 31, 2023 was \$23,063, of which \$3,959 was current. The ending asset for deferred contract costs as of December 31, 2022 was \$20,025, of which \$3,143 was current.

#### ***Advertising***

The Company expenses advertising costs as incurred. Advertising expense was \$28,772 for the year ended December 31, 2023 and was \$22,669 for the year ended December 31, 2022. Advertising expense is included in general and administrative expense in the accompanying Consolidated Statements of Operations and Comprehensive Income (Loss).

#### ***Inventories***

Inventories consist of products to be sold and are stated at the lower of cost (first-in, first-out method) or net realizable value.

#### ***Property and Equipment***

With the exception of land, which is not depreciated, property and equipment is stated at cost and is depreciated using the straight-line method over the estimated useful lives of the respective assets which are generally as follows: buildings (30 years) and building improvements (5-10 years), capped at the lease life for leasehold improvements; machinery, equipment, and vehicles (5-10 years); furniture and fixtures (5 years); and hardware and software (3 years). Additions, renewals, and betterments are capitalized; maintenance and repairs which do not extend the useful life of the asset are expensed as incurred.

## Notes to Consolidated Financial Statements (\$000's)

---

Management evaluates long-lived assets used in operations for impairment when indicators of impairment are present. Impairment losses are recorded in the amount that carrying value exceeds fair market value when the undiscounted cash flows estimated to be generated by those assets are less than the carrying amount of the assets. No impairment losses for property and equipment were recorded for the year ended December 31, 2023.

### ***Goodwill***

Goodwill represents the excess of the consideration transferred over the fair value of the identifiable net assets acquired. The Company tests goodwill annually for impairment, or earlier if events or changes in circumstances indicate that impairment may exist. Management's impairment tests are generally performed as of October 1<sup>st</sup> annually. The Company's current goodwill balance resulted from the acquisition of the Company as of September 1, 2021, and from the Company's acquisitions in the successor period, as discussed in Note 1.

The Company performed a qualitative assessment of its goodwill as of October 1, 2023 and concluded that indicators of impairment existed for certain of its reporting units, based on trends in financial performance. Additionally, upon measurement using present value techniques including the income approach and the market approach, the Company's weighted average cost of capital increased, due to increasing interest rates, combined with operating performance, unfavorably impacting the calculated fair value of those reporting units. Accordingly, a goodwill impairment charge of \$417,591 was recorded in 2023.

### ***Intangible Assets***

Intangible assets consist of tradenames, franchise relationships, national accounts, insurance company relationships, customer relationships, re-acquired franchise rights, developed technology, copyrights, and domain name, and are stated at their estimated fair value as of the date of acquisition, less subsequent amortization. The Company's intangible assets are definite lived, other than domain name, which is indefinite lived.

For definite lived intangible assets, when events or changes in circumstances indicate that the carrying amount of the asset may not be recoverable, the Company evaluates the definite lived intangible assets for impairment by comparing the carrying value to the anticipated future undiscounted cash flows expected to be generated from the use of the intangible assets. If the carrying amount is not recoverable, a loss is recorded in the amount the carrying value exceeds the fair market value of the assets. Impairment expense of \$10,695 was recorded in the year ended December 31, 2023, and none was recorded in the year ended December 31, 2022.

Tradenames are amortized over their estimated useful life, which ranges from three years to 20 years, using the straight-line method. Franchise relationships, national accounts relationships, and insurance company relationships are amortized over their estimated useful lives of 15 years, using the straight-line method. Customer relationships are amortized over their estimated useful life of three to 10 years, using the straight-line method. Reacquired franchise rights are amortized over the remaining life of the reacquired agreements, between one to seven years, using the straight-line method. Copyrights are amortized over their estimated useful life of five years, using the straight-line method. Developed technology is amortized over their estimated useful life of three years, using the straight-line method.

---

Domain names are stated at their estimated fair value at the date of acquisition, and are not amortized, as their useful lives are considered indefinite, but are subject to annual impairment testing. The Company performed a qualitative assessment of its indefinite lived intangible assets as of October 1, of 2023 and 2022 and concluded it is not more likely than not that the fair value of its domain names is less than the carrying amount and, as such, a quantitative impairment test was not considered necessary.

### *Income Taxes*

Deferred tax assets and liabilities are recognized for the estimated future tax consequences attributable to differences between the consolidated financial statement carrying amounts of assets and liabilities and their respective tax basis. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in tax expense in the period that includes the enactment date.

The Company establishes valuation allowances in accordance with the provisions of FASB ASC Topic 740, Income Taxes. The Company reviews the adequacy of any valuation allowance and recognizes tax benefits only when it is more likely than not that the benefits will be realized.

The Company measures, classifies, and discloses uncertain tax benefits in accordance with FASB ASC Topic 740-10, Income Taxes-Overall. The Company has elected to classify interest and penalties related to uncertain tax benefits as a component of income tax expense.

### *Equity-based Compensation*

The Company accounts for equity-based compensation under FASB ASC Topic 718, Compensation-Stock Compensation. This pronouncement requires the measurement of all equity-based payments to employees using a fair-value-based method and the recording of such expense in the accompanying Consolidated Statements of Operations and Comprehensive Income (Loss). The Company participates in an equity-based employee compensation plan, which is described more fully in Note 5.

### *Foreign Currency Translation*

Consolidated entities that have a functional currency that differs from the Company's reporting currency include our foreign subsidiaries, which are in Canada, the United Kingdom (the "UK"), Germany and Austria. Foreign currency denominated assets and liabilities are translated using the exchange rates at the end of each reporting period. Results of foreign operations are translated at the weighted average exchange rate for each reporting period. Translation adjustments are included as a component of accumulated other comprehensive income (loss) until realized. Where amounts denominated in a foreign currency are converted into US dollars by remittance or repayment, the realized exchange differences are included in the accompanying Consolidated Statements of Operations and Comprehensive Income (Loss), primarily in general and administrative expense, and was immaterial in all periods presented.

### *Cash and Restricted Cash*

The Company considers all cash and highly liquid investments purchased with an initial maturity of three months or less to be cash or cash equivalents.

# Neighborly Company and Subsidiaries

## Notes to Consolidated Financial Statements (\$000's)

Cash consists primarily of cash on hand and cash on deposit. Restricted cash includes funds held for the MAP funds and securitized cash held for principal and interest payments on deposit related to the Securitization Transaction.

Cash and restricted cash as of December 31, consists of the following:

	2023	2022
Cash	\$ 43,416	\$ 55,741
Restricted Cash:		
Whole business securitization	21,903	17,422
MAP funds	6,733	8,941
Total cash and restricted cash	\$ 72,052	\$ 82,104

The Company maintains its cash in banks in which deposits may, from time to time, exceed federally insured limits. The Company has not experienced any losses in such accounts and believes that it is not exposed to any significant credit risks related to cash.

### *Fair Value of Financial Instruments and Non-financial Assets*

In accordance with FASB ASC 820, Fair Value Measurements, certain assets and liabilities carried at fair value are categorized based on the level of judgment associated with the inputs used to measure their fair value. The standard establishes a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three levels:

**Level 1** - Inputs are unadjusted quoted market prices in active markets for identical assets or liabilities at the measurement date.

**Level 2** - Inputs (other than quoted prices included in Level 1) are either directly or indirectly observable for the asset or liability through correlation with market data at the measurement date for the duration of the instrument's anticipated life.

**Level 3** - Inputs are unobservable and therefore reflect management's best estimate of the assumptions that market participants would use in pricing the asset or liability.

The tradenames, systems in place, and developed technology were valued using the relief from royalty method and the franchise relationships, customer relationships, national account relationships, and insurance company relationships were valued using the multi-period excess earnings method in the periods acquired, except for those tradenames remeasured in 2023 as a result of impairment testing as discussed above. Rollover equity was valued using a combination of Level 2 observable inputs including EBITDA multiples and public company comparables as well as discounted cash flow analysis of future projections in the period issued. The future projections and estimates used to fair value the assets acquired in acquisitions, as well as those used in our long-lived asset impairment testing, are considered Level 3 inputs.

The Series 2023-1 Senior Notes issued in conjunction with the securitization transaction are secured by substantially all assets of the Securitization Entities and guaranteed by the Securitization Entities. Proceeds were distributed to Neighborly's parent company to extinguish debt incurred by the parent to fund the Company's acquisitions.

The Series 2021-1 Senior Notes, the Series 2022-1 Senior Notes, the Series 2023-1 Senior Notes, the Series 2021-1 Class A-1 Notes, the Series 2022-1 Class A-1 Notes, the Series 2023-1 Class A-1 Notes, and VFN facility described above issued in conjunction with the Securitization Transaction, the Second Securitization Transaction, and the Third Securitization Transaction (together, the "Securitization Transactions") are secured by substantially all assets of Neighborly Issuer LLC and the other Securitization Entities, and guaranteed by the Issuer and such Securitization Entities, each of which is a bankruptcy remote entity and which owned substantially all of the Company's US intellectual property including tradenames, franchise agreements, national account relationships and systems-in-place, as well as the UK tradenames as of the date of issuance. subsidiaries is generally remitted to the Manager in the form of a distribution. The Manager also receives a fee for the services it provides to the Securitization Entities that is senior to debt service. As of December 31, 2023 and 2022, the Issuer was in compliance with all debt-service coverage covenants.

The Company's long-term debt and trade notes receivable bear interest at market rates. Thus, management believes their carrying amounts approximate fair value.

the Company. Based on continuous employment, time-based profits interest units vest 20% annually, for each of five years.

The Company accounts for equity-based compensation in accordance with ASC 718, Compensation-Stock Compensation, which requires the fair value of equity-based payments to be recognized in the consolidated statements as compensation expense over the requisite service period. For time-based awards, compensation expense is recognized on a straight-line basis, net of forfeitures which are recognized as they occur, over the requisite service period for awards that actually vest. For performance-based awards, compensation expense is estimated based on achievement of performance conditions and is recognized over the requisite service period for awards that actually vest. Equity-based compensation expense is recorded in the equity-based compensation line in the consolidated statements of operations.

The average grant date fair value of awards under the Nest Management LP profits interest plan was determined using Monte-Carlo simulation, and was \$0.36 per unit for awards in the year ended December 31, 2023 and was \$0.35 per unit for awards in the year ended December 31, 2022. As of December 31, 2023 and 2022 no units were both vested and exercisable.

### 8. Leases

The Company's primary operating lease commitments consist of leases for office and retail space for its company-owned stores and corporate offices. The Company leases vehicles under financing lease agreements expiring at various dates through 2027.

We adopted ASC 842 effective January 1, 2022 using the modified retrospective adoption method, which resulted in no adjustment to opening retained earnings.

We utilized the modified retrospective option available in ASC 842, which allowed the continued application of the legacy guidance in ASC 840, including disclosure requirements, in the comparative periods presented in the year of adoption. The Company elected not to separate lease and non-lease components for new and modified leases after the adoption date, and instead will account for each separate lease component of a contract and its associated non-lease components as a single lease component. The Company elected not to recognize a right-of-use asset and a lease liability for leases with an initial term of twelve months or less.

We determine whether an agreement contains a lease at inception based on our right to obtain substantially all of the economic benefits from the use of the identified asset and the right to direct the use of the identified asset. Lease liabilities represent the present value of future lease payments and the right-of-use (ROU) assets represent our right to use the underlying assets for the respective lease terms.

The operating lease liability is measured as the present value of the unpaid lease payments and the ROU asset is derived from the calculation of the operating lease liability. Other than for leased vehicles, our leases do not generally provide an implicit rate and we use our incremental borrowing rate as the discount rate to calculate the present value of lease payments. The incremental borrowing rate represents an estimate of the interest rate that would be required to borrow over a similar term, on a collateralized basis in a similar economic environment.

Rent escalations occurring during the term of the leases are included in the calculation of the future minimum lease payments and the rent expense related to these leases is recognized on a straight-line basis over the lease term. In addition to minimum lease payments, certain leases require payment of a proportionate share of real estate taxes and certain building operating expenses allocated on a percentage of sales in excess of a specified base. These variable lease costs are not included in the measurement of the ROU asset or lease liability due to unpredictability of the payment amount and are recorded as lease expense in the period incurred. The ROU asset is adjusted to account for previously recorded lease-related expenses such as deferred rent and other lease liabilities.

### Notes to Consolidated Financial Statements (\$000's)

The Company reported net operating losses in the following jurisdictions as of December 31:

Jurisdiction	2023	2022	Expiration
US Federal	\$ -	\$ -	Indefinite
US State	17,085	15,371	Various
United Kingdom	-	-	Indefinite
Germany	-	1,462	Indefinite
Austria	-	12	Indefinite
Canada	91	-	20 Years
Total	\$ 17,176	\$ 16,845	

The Company files a US consolidated federal income tax return for Nest Holdings, Inc. and Subsidiaries which includes Neighborly Company. State returns are filed on either a separate company or consolidated return basis. The company also files separate returns where required for the various LLC entities. The Company's subsidiaries file income tax returns in Canada, Germany, the UK and Austria.

The Company files US state income tax returns in nearly every state in the US. Many of the state return filings reflect net operating loss carryovers computed on a post-apportionment basis, while several states compute operating loss carryovers on a pre-apportionment basis. The US state income tax effect of the net operating loss carryforwards, net of federal income tax, amounted to \$872 and \$810 at December 31, 2023 and 2022, respectively. The state net operating losses have varying carryover periods. The Company expects to fully utilize all net operating loss carryovers prior to expiration.

The Company has no current or pending US income tax examinations. US Federal income tax returns for years ended December 31, 2020, August 31, 2021, December 31, 2021, and December 31, 2022 remain open for examination. State income tax returns remain open for similar years, and several states having a longer statute remain open for examination. The Company has timely filed all federal and state income tax returns. The Company underwent a federal income tax audit for the year ended December 31, 2014. The audit was closed during June 2018 with no adjustments reported.

The UK entities have no prior or pending income tax examinations with Her (now, His) Majesty's Revenue and Customs ("HMRC"), the UK's tax, payments and customs authority. The UK corporation income tax process is one of self-assessment. Following filing of the tax return, HMRC has a period of (usually) 12 months in which to raise formal inquiries. These can range from simple information requests to detailed technical challenges over treatments adopted in the tax return. HMRC has made no requests. The UK December 31, 2022 corporate tax returns remain open for examination. The UK entities have timely filed all corporate income tax returns.

---

The German entities have no prior or pending income tax examinations with Bundeszentralamt für Steuern ("BZSt"), Germany's federal tax office. The statute of limitations in Germany for examination is four years from the end of the year in which the return was filed. The Germany entities' tax returns for years ended December 31, 2019 and forward remain open for examination. The German entities have timely filed all corporate income tax returns.

As of December 31, 2019 (Predecessor), the Company maintained a valuation allowance of \$2,009. The valuation allowance represented a reserve against certain UK net deferred tax assets for which the Company believed the "more likely than not" criterion for recognition purposes could not be met. For the year ended December 31, 2020 (Predecessor), the Company recorded a valuation allowance release with respect to these UK net deferred tax assets, on the basis of the Company's reassessment of the "more likely than not" criterion. As of each reporting date, the Company considers new evidence, both positive and negative, that could affect its view of the future realization of deferred tax assets. In the period from January 1, 2021 through August 31, 2021 (Predecessor) the Company began utilizing net operating losses in the UK tax jurisdiction and continued to do so in the period from September 1, 2021 through December 31, 2021 (Successor). The Company fully utilized all remaining net operating losses in the year ended December 31, 2022, and no valuation allowance remains. The net operating losses comprised the majority of the UK net deferred tax asset balance.

The US and foreign entities operate under transfer pricing agreements that control the pricing of intercompany management services, interest and royalties.

The Company has both the intent and ability to reinvest foreign earnings, therefore deferred tax liabilities have not been recorded on either unremitted earnings, components of other comprehensive income, or applicable foreign withholding taxes.

This RENEWAL ADDENDUM WITH TERMINATION OF FRANCHISE AGREEMENT AND RELEASE (this “Addendum”) is entered into by and between MR. HANDYMAN SPV LLC, a Delaware limited liability company having a principal place of business at 1010 North University Parks Drive, Waco, Texas 76707 (“Franchisor”), and \_\_\_\_\_, individually, having an address of \_\_\_\_\_ (“Franchisee”).

WHEREAS, Franchisor and Franchisee have entered into a franchise agreement dated as of \_\_\_\_\_ pursuant to which Franchisor has granted Franchisee a right and obligation to establish and operate a Mr. Handyman® franchise using the Marks and the System in and for the Territory (the “Original Franchise Agreement”); and

WHEREAS, on the terms set forth below, Franchisor and Franchisee desire to terminate and cancel the Original Franchise Agreement; and

WHEREAS, Franchisor and Franchisee have contemporaneously herewith entered into a franchise agreement pursuant to which Franchisor has granted Franchisee a renewal license, granting Franchisee the right and obligation to continue operation of the franchise using the Marks and the System in and for the Territory (the “Agreement”); and

[WHEREAS, Franchisee acknowledges and agrees that Franchisee’s execution of the Agreement is pursuant to Franchisee’s last renewal option under the Original Franchise Agreement and Franchisee has no further rights of renewal; and]

WHEREAS, the parties have agreed to alter the terms stated in the Agreement, as provided herein to reflect the parties’ intentions and the terms of renewal stated in the Original Franchise Agreement.

NOW, THEREFORE, that for and in consideration of good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. The Original Franchise Agreement is hereby terminated by mutual agreement, except for Franchisee’s indemnification obligations thereunder.

2. Notwithstanding anything to the contrary in the Agreement, in the event of a conflict between the provisions of the Agreement and the provisions of this Addendum, the provisions of this Addendum shall control. The parties agree that the Agreement remains fully effective in all respects except as specifically modified herein, and all the respective rights and obligations of Franchisee and Franchisor remain as written unless modified specifically herein.

3. Franchisee agrees that the renewal fee will be collected via electronic ACH from Franchisee’s bank account at signing of the Agreement, and Franchisee hereby represents and warrants to Franchisor that all necessary action for the execution of this Addendum has been taken.

4. If Franchisee is executing the Agreement at least 60 days prior to the expiration date of the then-current term of the Original Franchise Agreement (such expiration date, the “Original FA Expiration Date”), then Section 4.A, Term, of the Agreement is hereby amended so that the term of the Agreement is the time period from the Effective Date of the Agreement until the Original FA Expiration Date, plus 10 years. (For example, if the Agreement was signed 12 months before the Original Franchise Agreement expires, the term of the Agreement would be 11 years).

[Because Franchisee is hereby exercising its last renewal option under the Original Franchise Agreement, Section 4.B (Renewal Term and Conditions of Renewal) of the Original Franchise Agreement is hereby deleted.]

5. Section 8.A, Initial License Fee, is amended to provide that no Initial Franchise Fee and no Initial Package Fee shall be due upon execution of the Agreement.

6. Section 8.B, License Fee, is amended to provide that Franchisee must report and pay a weekly License Fee beginning the 1st week of the Agreement at the rate stated in the Agreement, unless one of the provisions below applies.

☐ Franchisee has executed the Agreement at least 60 days prior to the Original FA Expiration Date. Accordingly, the License Fees and MAP Fees as set forth in the Original Franchise Agreement shall continue to apply under the Agreement until the Original FA Expiration Date, and thereafter the License Fees and MAP Fees set forth in the Agreement shall apply.

☐ Franchisee has executed the Agreement at least 7 calendar days prior to the expiration of the Original Franchise Agreement and the license fee under the Original Franchise Agreement is less than Franchisor's current standard license fee by more than 0.25% (for example, if the current standard license fee is 7% and the license fee under the Original Franchise Agreement was less than 6.75%). Accordingly, for the first 12 months of the renewal term, Franchisee's License Fee under the Agreement will equal the license fee under the Original Franchise Agreement plus 0.25%, and thereafter the License Fee under the Agreement will increase annually by 0.25% until such time as Franchisee's License Fee equals Franchisor's standard license fee rate at the time of renewal, which standard license fee will then apply for the remainder of the renewal term.

If any of the provisions above is selected and, at any time, Franchisee is not in compliance with the terms of the Agreement, Franchisor may immediately increase Franchisee's License Fee up to Franchisor's standard license fee at the time of renewal.

The Minimum License Fee payment obligation (in the amount provided in the Agreement) begins the 1st week of the term of the Agreement. The Minimum License Fee is calculated based on the cumulative number of months of service as a franchisee, including months as a franchisee under the Original Franchise Agreement and the number of months as a franchisee under the Agreement.

7. Section 8.C, MAP Fee, is amended to provide that Franchisee shall pay a MAP Fee (at the rate or amount set forth in the Agreement, except to the extent otherwise set forth in Section 6 of this Addendum) beginning the 1st week of the term of the Agreement.

8. Franchisee, for itself and each of its past and present heirs, executors, administrators, representatives, affiliates, directors, officers, owners, successors and assigns and on behalf of any other party claiming an interest through Franchisee, in their corporate and individual capacities (collectively "Releasor"), hereby releases and forever discharges Franchisor and each of its predecessors, successors, affiliates, subsidiaries, assigns, past and present officers, directors, shareholders, agents and employees, and their respective heirs, executors, administrators, representatives, successors and assigns, in their corporate and individual capacities (collectively "Releasees"), from, in respect of and in relation to any and all claims, actions, causes of action, suits, debts, obligations, liabilities, sums of money, costs and expenses, acts, omissions or refusals to act, damages, judgments and demands, of any kind whatsoever, joint or several, known or unknown, vested or contingent, which the Releasor ever had, now has or which Releasor hereinafter can, will or may have, against Releasees related to, arising from, for, upon or by reason of any matter, cause or thing whatsoever related to the Original Franchise Agreement and the

business operated thereunder or any other agreement between Releasor and Releasees, or the relationship between Releasor and Releasees, through the Effective Date (collectively, the "Claims"), for known or unknown damages or other losses, including but not limited to any alleged violations of any deceptive or unfair trade practices laws, franchise laws, or other local, municipal, state, federal, or other laws, statutes, rules or regulations, and any alleged violations of the Original Franchise Agreement or any other related agreement between the Releasor and Releasees or the relationship between Releasor and Releasees through and including the Effective Date. For avoidance of doubt, the Releasor does not release Releasees from any obligations arising by virtue of the Agreement and any claims arising from the Releasees' failure to comply with those obligations or the Franchise Disclosure Document furnished to Franchisee as part of entering into the Agreement and the franchise laws that apply to the specific offer, sale and signing of the Agreement.

The release of the Claims as set forth above is intended by the Releasor to be full and unconditional general releases, as that phrase is used and commonly interpreted, extending to all claims of any nature, whether or not known, expected or anticipated to exist in favor of the Releasees regardless of whether any unknown, unsuspected or unanticipated claim would materially affect settlement and compromise of any matter mentioned herein. In making this voluntary express waiver, the Releasor acknowledges that claims or facts in addition to or different from those which are now known to exist with respect to the matters mentioned herein may later be discovered and that it is the Releasor's intention to hereby fully and forever settle and release any and all matters, regardless of the possibility of later discovered claims or facts. The Releasor acknowledges that Releasor has had adequate opportunity to gather all information necessary to enter into this Addendum and to grant the releases contained herein, and needs no further information or knowledge of any kind that would otherwise influence the decision to enter into this Addendum. The Releasor, for itself and its heirs, successors and assigns, hereby expressly, voluntarily, and knowingly waives, relinquishes and abandons each and every right, protection, and benefit to which they would be entitled, now or at any time hereafter under Section 1542 of the Civil Code of the State of California, as well as under any other statutes or common law principles of similar effect to said Section 1542, whether now or hereafter existing under the laws of California or any other applicable federal or state law with jurisdiction over the parties' relationship. The Releasor acknowledges that Section 1542 of the Civil Code of the State of California provides as follows:

"A general release does not extend to claims which the creditor or releasing party does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor or released party."

This release is and shall be and remain a full, complete and unconditional general release. The Releasor acknowledges and agrees that this release is an essential, integral and material term of this Addendum. The Releasor further acknowledges and agrees that no violation of this Addendum shall void the release set forth herein.

9. Notwithstanding the releases contained herein, all rights and obligations created under this Addendum will specifically survive the execution of this Addendum and the releases contained herein.

10. Each person executing this Addendum on behalf of any of the parties hereto represents and warrants that he or she has been fully empowered to execute this Addendum and that all necessary action has been taken.

11. The provisions of this Addendum shall inure to the benefit of and be binding upon the heirs, successors and assigns in interest of the parties.

12. Each of the parties hereto represents and warrants to each other party that it has not heretofore assigned or transferred, or purported to assign or transfer to any person, entity or corporation whatsoever, any of the claims released hereunder. Each party agrees to indemnify and hold harmless each other party against any claim, demand, debt, obligation, liability, cost, expense, right of action or cause of action based on, arising out of, or in connection with any such transfer or assignment or purported transfer or assignment.

13. If any provision of this Addendum shall for any reason be held violative of any applicable law, governmental rule or regulation, or if said agreement is held to be unenforceable or unconscionable, then the invalidity of such specific provisions herein shall not be held to invalidate the remaining provisions of this Addendum.

In any case, PROTRADENET may terminate this Agreement at any time upon notice to Franchisee if Franchisee is in default of his Franchise Agreement with Franchisor or if Franchisee has failed to comply with the terms and conditions of participation in this Program as set forth in this Agreement, on the website of PROTRADENET or as specified by Franchisor. Upon any termination of this agreement neither PROTRADENET nor any of its affiliates will have any liability to Franchisee or any other party.

2. **PROTRADENET Administration.** PROTRADENET or Franchisor may, but are not required to, return a portion of the fees paid to PROTRADENET from Vendors on behalf of purchases made by Franchisee (“Rebates”) directly to Franchisee if Franchisee meets certain conditions, such as Vendor terms and conditions, attendance at Franchisor annual meetings, and other criteria as established by Vendor, PROTRADENET or Franchisor. The allocation of these Rebates may change at the sole discretion of PROTRADENET. Accordingly, subject to the terms and conditions set forth in this Agreement, PROTRADENET agrees to process Program Rebates when paid by Vendor within terms as agreed upon by Franchisor. PROTRADENET will pay Franchisor or Franchisee directly, at the discretion of Franchisor. Franchisor reserves the right to deny Program Rebates otherwise due to Franchisee if Franchisor deems Franchisee not qualified for a Rebate(s). PROTRADENET may also withhold or deny Program Rebates if terms of the Program are not met.

3. **Franchisee Exclusion from Vendor Program.** Franchisee acknowledges the Vendor’s right to exclude Franchisee from the Program for failure to meet Vendor’s terms or for other reasons at the Vendor’s discretion.

4. **Access and Release of Information.** Franchisee authorizes PROTRADENET to provide information including, but not limited to, Franchisee’s Federal Tax Identification Number (“FTIN”) and purchase orders, invoices, payments, purchase history or other purchasing information to its Vendors regarding Franchisee, and Franchisee authorizes PROTRADENET to request, and Vendors to provide, information manually or electronically regarding purchase orders, invoices, payments, purchase history or other purchasing information from Vendors for the purpose of administration of the Program. Franchisee hereby releases PROTRADENET and its past and present parent, affiliates, members, officers, employees, agents, successors and assigns from any liability whatsoever with regard to PROTRADENET providing

Franchisee's confidential information, including Franchisee's FTIN, to Vendors or Franchisor pursuant to this Agreement.

5. **Confidentiality.** Franchisee acknowledges the proprietary and confidential nature of PROTRADENET's, Franchisors' and Vendor's Program details and shall use this information only for the purposes of inquiry or purchasing of VENDOR's products and services from the Program. Franchisee shall not provide PROTRADENET's, Franchisors' and/or Vendor's confidential Program information to a third party. This section shall survive the expiration or termination of this Agreement.

6. **Vendors.** Vendors may be added or removed from the Program at any time. Franchisee will receive written, email, or website notification of a change in Vendor status from PROTRADENET or Franchisor. Franchisors have SOLE DISCRETION over whether or not they choose to participate in a Vendor Program and offer that Program to their franchisees.

7. **Miscellaneous**

7.1 **No Guarantee of Rebates.** PROTRADENET does not guarantee any Vendor rebates or payments by Vendors. If PROTRADENET does not receive payment from the Vendor, rebates will not be paid.

7.2 **No Guarantee of Accuracy.** PROTRADENET makes no guarantee of accuracy or uninterrupted delivery of the data exchanged using the e-commerce web solution software as a part of the Program. It is the responsibility of the Franchisee to notify PROTRADENET or Vendor if the purchasing information represented on the e-commerce website is incorrect. Franchisee must notify PROTRADENET within sixty (60) days of the transaction date if the purchasing information is missing or invalid.

## EXHIBIT J

### SOFTWARE SYSTEM USER AND MAINTENANCE AGREEMENT

This SOFTWARE SYSTEM USER AND MAINTENANCE AGREEMENT ("Agreement") is entered into on the Effective Date noted below in Section 6(h) by and between **MR. HANDYMAN SPV LLC**, a Delaware limited liability company with an address of 1010 North University Parks Drive, Waco, Texas 76707 ("Franchisor"), and \_\_\_\_\_, a(n) \_\_\_\_\_, having an address of \_\_\_\_\_ ("Franchisee"). Franchisor and Franchisee may be referred to herein singularly as a "Party" and jointly as the "Parties".

WHEREAS, the Parties have entered into or are entering into a franchise agreement ("Franchise Agreement") pursuant to which Franchisor has granted or is granting to Franchisee the right to operate a MR. HANDYMAN® franchise and Franchisee has agreed to or is agreeing to undertake the obligations of a MR. HANDYMAN® franchisee. One of Franchisee's obligations under the Franchise Agreement is to install, maintain and upgrade such computer hardware, software and Internet access as Franchisor may periodically require; and

WHEREAS, Franchisor currently requires all of its franchisees to use the software identified on **Exhibit "A"** hereto (the "Software System") in their respective MR. HANDYMAN® Franchised Businesses, which Software System Franchisor may revise from time to time upon notice to Franchisee; and

WHEREAS, Service Titan, Inc. has developed a computer software program called ServiceTitan (the "ServiceTitan Software"), a database system designed for MR. HANDYMAN® franchisees and customized for use in Franchisor's franchise system which software's features include payroll automation, customer and prospect tracking, scheduling, dispatching, sales analysis, automated reporting and more; and

WHEREAS, to the extent the Software System includes third-party software, Franchisee will become licensed by such third party software provider (each, a "Third-Party Provider") to access and use the third-party software through the acceptance of the Third-Party Provider's terms and conditions as provided on the Third-Party Provider's website, as set forth on **Exhibit "A"** hereto; and

WHEREAS, each Third-Party Provider has delegated to Franchisor and/or Franchisor's designee the training, maintenance and support of such Third-Party Provider's software included in the Software System and licensed to the MR. HANDYMAN® franchisees; and

WHEREAS, the Third-Party Providers and the Parties desire to define the terms and conditions on which Franchisor will provide for the training, maintenance and support for the software included in the Software System.

NOW, THEREFORE, the Parties agree as follows:

#### 1. TRAINING AND SUPPORT

(a) **ZorWare.** Franchisor hereby appoints ZorWare SPV LLC ("ZorWare") as Franchisor's agent and designee to provide training, maintenance and support to Franchisee with respect to the Software System. Franchisee agrees to cooperate with ZorWare in all matters relating to the installation, maintenance and support of the Software System and the training of Franchisee's personnel with respect to the Software System.

(b) **Training and Support.** ZorWare will provide service for training, maintenance and support to Franchisee by telephone and over the internet during ZorWare's normal business hours, as set forth in **Exhibit "B"**. The amount and types of support may change in the future.

(c) **Maintenance, Upgrades and Fixes.** Franchisor or ZorWare may, in their discretion, modify, upgrade or create fixes, service releases and new versions of the Software System from time to time

and provide them to Franchisee. Franchisor may add software to or remove software from the Software System upon notice to Franchisee.

(d) **Remote Access.** Franchisee acknowledges that the proper functioning of the Software System as intended by Franchisor requires Franchisee to give Franchisor and ZorWare remote access to Franchisee's network. Franchisee agrees to give Franchisor and ZorWare such remote access to Franchisee's network at all times to allow for the full functioning of the Software System, to allow Franchisor or ZorWare to install the Software System and modifications, fixes, service releases and new versions of the Software System, and to provide training and support. Franchisee understands and acknowledges that such remote access will allow both Franchisor and ZorWare to have access to the data generated by Franchisee's use of the Software System, and will allow for Franchisee's submission of periodic reports to Franchisor, as required by Franchisor. Franchisee, to ensure Franchisor's access to Franchisee's data, shall, contemporaneously with the execution of this Agreement, execute the authorization form attached to this Agreement as **Exhibit "C"**, whereby Franchisee authorizes Service Titan, Inc. to provide Franchisor with access to all of Franchisee's data in the possession of the Third-Party Provider via the Software System and/or otherwise.

## **2. FEES**

(a) **Software System Enrollment Fee.** Upon signing this Agreement, Franchisee will pay ZorWare an initial enrollment fee for the Software System as set forth on **Exhibit "A"** hereto. Franchisor may increase these fees (as provided in **Exhibit "A"**), and/or modify the services that are provided for these fees, provided Franchisee is notified of any changes applicable to Franchisee. As of the date of execution of this Agreement, Franchisee must pay an initial enrollment fee (if any) set forth on **Exhibit "A"**.

In the event that Franchisee enters into a franchise agreement with Franchisor for an additional franchised business (the "Additional Franchised Business") Franchisee shall pay an initial Software System enrollment fee as set forth on **Exhibit "A"** for the Additional Franchised Business.

(b) **Monthly Fees.** In addition to the enrollment fee, Franchisee will pay to ZorWare a monthly support and maintenance fee, in the amount set forth on **Exhibit "A"**. The monthly fees will be paid via automatic bank draft. The monthly support and maintenance fees do not apply to support and maintenance services for the Service Titan Software, which is provided at Franchisor's hourly rates set forth on **Exhibit "B"** hereto. ZorWare may increase monthly support and maintenance fees as provided in **Exhibit "A"**, and/or modify the services that are provided for these fees, provided Franchisee is notified of any changes applicable to Franchisee. The amount of each bill will be the then-current amount charged for monthly support and maintenance fees by ZorWare to franchisees of Franchisor.

(c) **Additional Fees.** If Franchisor or its affiliates develops proprietary software other than the Software System that Franchisor requires or permits Franchisee to use, Franchisor may charge Franchisee a license or maintenance fee for such software that will be reasonable in light of the fees that other companies charge for comparable software packages. Unless the Parties enter into a separate license agreement for such software, the terms and conditions for that software's maintenance and support will be the same as those set forth in this Agreement.

(d) **Late Payments.** Any amount due hereunder that is not paid within 30 days of the invoice date will incur a late fee of \$25 per month, or the maximum amount allowed under the law, whichever is lower.

## **3. CONFIDENTIALITY AND LIMITED ACCESS**

(a) **Nondisclosure.** Franchisee agrees to maintain the Software System, its documentation and the data generated by the use of the Software System in confidence by using at least the same physical and other security measures that Franchisee uses for its own confidential information. Franchisee further agrees not to allow anyone to access or use the Software System or to see its documentation or the data it generates other than Franchisee's employees, agents and representatives who have a need to have access to or to use the Software System in order to support Franchisee's authorized use thereof, provided that each

such employee, agent and representative shall have signed an undertaking to Franchisee acknowledging that Franchisee is bound by an obligation of confidentiality.

(b) **Notice of Loss.** Franchisee shall immediately notify Franchisor upon discovering any loss or theft of any copy of the Software System or its documentation or any data generated by its use, or any unauthorized disclosure thereof by any of Franchisee's employees, agents or representatives.

#### **4. REPRESENTATIONS; WARRANTIES; LIMITATION OF LIABILITY**

(a) **Franchisor's Representations.** Franchisor hereby represents, warrants and covenants that to the best of its knowledge, information and belief its maintenance obligations under this Agreement will not infringe any U.S. patent, copyright or trade secret of any third party.

(b) **Disclaimer of Warranty.** *EXCEPT AS SPECIFICALLY PROVIDED HEREIN, FRANCHISOR DOES NOT MAKE ANY EXPRESS OR IMPLIED WARRANTY WHATSOEVER. FRANCHISOR EXPRESSLY DISCLAIMS THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.*

(c) **Limitation of Liability.** **THE LIABILITY OF FRANCHISOR TO FRANCHISEE WILL BE LIMITED TO DIRECT DAMAGES ARISING SOLELY OUT OF FRANCHISOR'S MAINTENANCE OBLIGATIONS UNDER THIS AGREEMENT. IN NO EVENT WILL FRANCHISOR BE LIABLE FOR INCIDENTAL, SPECIAL, INDIRECT, OR CONSEQUENTIAL DAMAGES (INCLUDING LOST PROFITS), EVEN IF FRANCHISOR HAS PREVIOUSLY BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.**

#### **5. TERM; TERMINATION; DISABLING OF SOFTWARE SYSTEM**

(a) **Term.** Except as otherwise expressly set forth below, with respect to each software included in the Software System, the Parties intend that the term of the license granted by the applicable Third-Party Provider for such software will be coextensive with the term of the Franchise Agreement and all renewals and extensions thereof.

(b) **Automatic Termination.** The license granted by each Third-Party Provider will terminate automatically upon the expiration, nonrenewal or termination of the Franchise Agreement.

(c) **Termination by Franchisor.** Franchisor may seek to have the Third-Party Provider terminate its license granted to Franchisee upon notice to Franchisee with immediate effect in the event that (i) Franchisee materially breaches any of its obligations under this Agreement or under the Franchise Agreement, or (ii) Franchisor requires Franchisee to cease using such software (or all software) included in the Software System.

(d) **Disabling of the Software System.** Franchisor reserves the right to request that a Third-Party Provider disable the functionality of such Third-Party Provider's software included in the Software System, in whole or in part, in the event that Franchisee (i) fails in a timely manner to submit to Franchisor the reports required by Franchisor under the Franchise Agreement, (ii) fails in a timely manner to pay to Franchisor or ZorWare the required monthly Software System fees, or (iii) otherwise materially breaches this Agreement or the Franchise Agreement. Franchisor will not be liable to Franchisee for any damages whatsoever that may result directly or indirectly from a Third-Party Provider's disabling of the functionality of its software pursuant to this section.

(e) **Disposition of Copies.** Upon termination of the license granted by a Third-Party Provider, Franchisee shall promptly return to Franchisor, or otherwise dispose of as Franchisor may instruct, all physical copies of the applicable software included in the Software System and its associated documentation in Franchisee's possession or under Franchisee's control and shall remove all copies thereof from Franchisee's computers and other electronic storage media. Upon Franchisor's request, Franchisee shall provide Franchisor with written certification of its compliance with the foregoing.

(f) **No Refunds.** Upon the expiration or termination of the license granted by a Third-Party Provider, or if the applicable Software System software is disabled as described above, Franchisee will not receive any refund of any payments made to ZorWare.

## 6. MISCELLANEOUS

(a) **Remedies.** Franchisee acknowledges that any breach of the covenants set forth in Section 3 this Agreement would cause irreparable damage to Franchisor that would be incapable of precise measurement and for which no adequate remedy would exist at law. Franchisee therefore agrees that injunctive relief shall be available for any such breach in addition to all other remedies that may be available.

(b) **Notices.** All notices, requests, consents and other communications required or permitted by this Agreement shall be in writing and shall be delivered by hand, fax, overnight delivery service, or registered or certified first class mail, to then-current address of the recipient known by the sender, to the attention of the person then holding the title of the person signing this Agreement on behalf of the recipient. Any such notice, request, consent or other communication shall be deemed given and be effective upon receipt at such address.

(c) **Entire Agreement; Amendments.** This Agreement constitutes the entire understanding between the Parties relating to the subject matter hereof, superseding all prior agreements, arrangements and understandings between the Parties relating to its subject matter. ## ASSIGNMENT AND CONSENT AGREEMENT

This Assignment and Consent Agreement (this “Agreement”) is made effective as of the date Franchisor signs below (the “Effective Date”) and is entered into by and among [ ] (“Franchisee”), and [ ] (a “Franchisee Principal(s)”) (Franchisee and Franchisee Principal(s) collectively referred to as “Assignor”), [ ] (“Assignee”), and Mr. Handyman SPV LLC, a Delaware limited liability company having a principal place of business at 1010 North University Parks Drive, Waco, TX 76707 (“Franchisor”). All capitalized terms not defined in this Agreement have the respective meanings set forth in the Old Franchise Agreement (as defined below).

### RECITALS

A. Franchisor and Assignor are parties to a Mr. Handyman® Franchise Agreement dated [ ] (the “Old Franchise Agreement”), pursuant to which Assignor was granted the right to operate a Mr. Handyman® business in the following territory: \_\_\_\_\_ (the “Franchised Business”).

B. Assignor desires to assign to Assignee all right, title and interest in the Franchised Business, including the franchise rights for the Franchised Business (the “Assignment”); Assignee wishes to accept the Assignment and, as of the Effective Date, assume all of the duties, obligations, and liabilities of Assignor related thereto by entering into a purchase and sale agreement with Assignor and by signing a franchise agreement with Franchisor.

C. Assignor represents that there is no dispute related to the offer and sale of the Old Franchise Agreement or Franchised Business, and further represents that Assignor has no claims against Franchisor under applicable laws.

D. In consideration of Assignor’s request for the Assignment and the representations set forth in Recital C above, Franchisor is willing to consent to the Assignment as of the Effective Date, subject to the provisions stated below, and Assignor agrees to settle all known and unknown disputes it may have against Franchisor, if any, that exist as of the Effective Date.

### AGREEMENTS

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Assignment and Assumption. Assignor assigns to Assignee all right, title and interest in and to the Franchised Business, including the franchise rights for the Franchised Business. Assignee unconditionally assumes and accepts the Assignment of the Franchised Business, including the franchise rights for the Franchised Business, and agrees to be bound by all duties, obligations, and liabilities of the Assignor related thereto, including without limitation all of Assignor’s customer obligations, including all warranty work and service plans obligations.

2. Signing of Current Form of Franchise Agreement. As a condition of Franchisor’s consent to the Assignment, Assignee agrees to sign Franchisor’s then-current form of franchise agreement (the “New Franchise Agreement”). Assignee acknowledges that the terms and conditions of the New Franchise Agreement may be different from the terms and conditions of the Old Franchise Agreement. Prior to the Effective Date, Assignee shall deliver to Franchisor two signed copies of the New Franchise Agreement, along with the executed copies of this Agreement.

3. Termination of Old Franchise Agreement. All parties agree that the Old Franchise Agreement is terminated as of the effective date of the New Franchise Agreement with no further force and effect, except for the post-termination obligations identified in Section 12 below.

4. Status of Assignor Following Assignment. Upon and after the Effective Date and subject to Section 12 below, Assignor will have no interest in and will no longer be responsible or liable for (a) the Franchised Business, (b) the franchise rights for the Franchised Business, or (c) the Old Franchise Agreement. Assignor, however, will remain liable for any responsibilities, obligations, and liabilities related to the Old Franchise Agreement and the Franchised Business up to the Effective Date, including all monetary obligations due to Franchisor, its affiliates, and other third parties under the Old Franchise Agreement that have accrued as of the Effective Date and all post-termination obligations identified in Section 12 below.

5. Assignee Principals. If Assignee is an entity, Assignee represents and warrants to Franchisor and Assignor that the following individuals and/or entities are the sole owners of Assignee (the “Assignee Principals”):

<b>Name of Principal Owner</b>	<b>Percentage of Ownership in Assignee (total must equal 100%)</b>
<b>Total</b>	<b>100%</b>

6. Payment of Transfer Fee. On or before the Effective Date, Franchisor must receive a transfer fee in the amount of \$[\_\_\_\_\_], as referenced in Section 10.C. of the Old Franchise Agreement.

7. Training. On or before the Effective Date, Assignee must complete Franchisor’s training requirements.

8. Payment of Fees Owed to Franchisor; Delivery of Reports. On or before the Effective Date, all fees owed by Assignor to Franchisor, its affiliates or suppliers or upon which Franchisor or its affiliates have any contingent liability, under or related to the Old Franchise Agreement (the “Fees Owed”) must be paid in full. Accordingly, on or before the Effective Date, Assignor or Assignee must deliver the full amount of Fees Owed to Franchisor, its affiliate(s) and/or suppliers, along with three fully executed copies of this Agreement. In addition, on or before the Effective Date, Assignor must deliver to Franchisor any and all reports required to be delivered under the Old Franchise Agreement, including without limitation reports related to any Fees Owed and any financial and other reports relating to the Franchised Business and its operations as Franchisor may request pursuant to Section 10.D.8 of the Franchise Agreement in order for Franchisor and/or assignee to evaluate the Franchised Business and the proposed transfer.

9. Personal Guarantee. Each Assignee Principal must execute a personal guarantee in the form attached to the New Franchise Agreement.

10. Representations.

- A. Assignor and Assignee represent and warrant to each other that they have the authority to execute this Agreement.
- B. Assignor represents and warrants to Franchisor and Assignee that it owns all right, title and interest in and to the Franchised Business and the Old Franchise Agreement, free and clear of any mortgage, lien or claims, and has not assigned any or all of its interest in the Franchised Business or the Old Franchise Agreement to any third party.
- C. Assignor and Assignee represent and warrant to Franchisor that they have consummated the asset purchase and sale transaction that is related to the Assignment contemplated hereunder as of the Effective Date.

11. Indemnification.

- A. Assignor, for itself, its heirs, successors and assigns, agrees to indemnify and hold harmless Franchisor, its affiliates, successors, assigns, officers, directors, employees, agents, and each of them, against any and all liabilities, damages, actions, claims, costs (including reasonable attorneys' fees), or expenses of any nature resulting, directly or indirectly, from any of the following: (i) any misrepresentations or breach of warranty by Assignor under this Agreement; (ii) the Assignment; or (iii) any claim, suit or proceeding initiated by or for a third party(s), now or in the future, that arises out of or relates to the Old Franchise Agreement or the Franchised Business operated by Assignor prior to the Effective Date.
- B. Assignee, for itself, its heirs, successors and assigns, agrees to indemnify and hold harmless Franchisor, its affiliates, successors, assigns, officers, directors, employees, agents, and each of them, against any and all liabilities, damages, actions, claims, costs (including reasonable attorneys' fees) or expenses of any nature resulting, directly or indirectly, from any of the following: (i) any misrepresentations or breach of warranty by Assignee under this Agreement; or (ii) the Assignment.

12. Assignor's Post-Termination Obligations. Assignor agrees that, upon transfer of its interest in the Franchised Business to Assignee, Assignor will comply with all post-termination obligations set forth in Section 13 of the Old Franchise Agreement, which obligations shall be incorporated herein by reference. Further, Assignor shall comply with any other provisions of the Old Franchise Agreement which, by their nature, survive termination or expiration of the Old Franchise Agreement.

13. Consent to Assignment. Franchisor consents to the Assignment subject to the terms and conditions of this Agreement. Franchisor's consent to the Assignment will not result in any waiver of any rights nor a release under the Old Franchise Agreement or New Franchise Agreement, and is not a consent to any additional or subsequent transfers or assignments.

14. Release and Settlement of Claims by Assignor. Except as may be prohibited by applicable law, Franchisee and Franchisee Principals (individually and as owners of Franchisee) and each of their respective heirs, successors, assigns, affiliates, shareholders, officers, directors, employees, and

agents, and on behalf of any other party claiming an interest through them (collectively and individually referred to as the “Assignor Parties” for purposes of Sections 14, 15 and 16 hereof), release and forever discharge Franchisor, its predecessors, successors, affiliates, directors, officers, shareholders, agents, employees and assigns (collectively and individually referred to as the “Franchisor Parties” for purposes of Sections 14, 15 and 16) of and from any and all claims, debts, liabilities, demands, obligations, costs, expenses, actions and causes of action (collectively, “Claims”), whether known or unknown, vested or contingent, which Assignor Parties may now or in the future own or hold, that in any way relate to the Old Franchise Agreement, any other agreement between Assignor and Franchisor, the Franchised Business, or the relationship between Assignor and Franchisor through the Effective Date (collectively, “Assignor Claims”), for known or unknown damages or other losses including, but not limited to, any alleged violations of any deceptive or unfair trade practices laws, franchise laws, or other local, municipal, state, federal, or other laws, statutes, rules or regulations, and any alleged violations of the Old Franchise Agreement or any other agreement between Assignor and Franchisor through and including the Effective Date.

15. Release by Assignee. Except as noted in this Section 15, Assignee, Assignee Principals (if any), and their respective affiliates, successors, assigns, officers, directors, employees, agents, and on behalf of any other party claiming an interest through them (collectively and individually referred to as the “Assignee Parties” for purposes of this Section 15 and Section 16 below), release and forever discharge the Franchisor Parties of and from any and all Claims, whether known or unknown, vested or contingent, which Assignee may now or in the future own or hold, that in any way relates to the Franchised Business or the New Franchise Agreement (collectively referred to as “Assignee Claims” for purposes of this Section 15 and Section 16).

As to the New Franchise Agreement, the Assignee Parties and Franchisor Parties acknowledge and agree that the release by the Assignee Parties does not relate to the offer and sale of the New Franchise Agreement. Further, the parties agree that the release as it relates to the New Franchise Agreement is effective as to Assignee Claims arising through the Effective Date of this Agreement, and not to any claims arising after the Effective Date.

16. Acknowledgement of Releasors. The release of Assignor Claims set forth in Section 14 and Assignee Claims in Section 15 are intended by the Assignor Parties and Assignee Parties (collectively, the “Releasors”) to be full and unconditional general releases, as that phrase is used and commonly interpreted, extending to all claims of any nature, whether or not known, expected or anticipated to exist in favor of one of the Releasors against any other Releasor. In making this voluntary express waiver, the Releasors acknowledge that claims or facts in addition to or different from those which are now known to exist with respect to the matters mentioned herein may later be discovered and that it is the Releasors’ intention to hereby fully and forever settle and release any and all matters, regardless of the possibility of later discovered claims or facts. The Releasors acknowledge that they have had adequate opportunity to gather all information necessary to enter into this Agreement and release, and need no further information or knowledge of any kind that would otherwise influence the decision to enter into this Agreement. The Releasors, for themselves and their heirs, successors and assigns, hereby expressly, voluntarily, and knowingly waive, relinquish and abandon each and every right, protection, and benefit to which they would be entitled, now or at any time hereafter under Section 1542 of the Civil Code of the State of California, as well as under any other statutes or common law principles of similar effect to said Section 1542, whether now or hereafter existing under the laws of California or any other applicable federal or state law with jurisdiction over the parties’ relationship. The Releasors acknowledge that Section 1542 of the Civil Code of the State of California provides as follows:

“A general release does not extend to claims which the creditor or releasing party does not know or suspect to exist in his favor

at the time of executing the release, which if known by him must have materially affected his settlement with the debtor or released party.”

This release is and shall be and remain a full, complete, and unconditional general release. The Releasors acknowledge and agree that this release and the foregoing waiver are an essential, integral and material term of this Agreement. The Releasors further acknowledge and agree that no violation of this Agreement shall void the releases set forth in Sections 14 and 15.

17. Confidentiality. Assignor and Assignee acknowledge and agree that this Agreement and matters discussed in relation thereto are entirely confidential. It is therefore understood and agreed by Assignor and Assignee that they will not reveal, discuss, publish or in any way communicate any of the terms, amount or fact of this Agreement to any person, organization or other entity, except to their respective officers, employees or professional representatives, or as required by law.

18. Miscellaneous. This Agreement, and the documents referred to herein, constitute the entire agreement among the parties with respect to the subject matter hereof. No amendment will be binding unless in writing and signed by the party against whom enforcement is sought. All representations, warranties, agreements and all other provisions of this Agreement which by their terms or by reasonable implication are intended to survive the closing of this transaction will survive it.

19. Representation by Counsel. The parties have had adequate opportunity to consult with an attorney of their respective choice, including with respect to the release of claims set forth herein.

20. Governing Law/Venue. This Agreement will be construed and enforced in accordance with the laws of Texas, without regard to principles of conflicts of law. The parties further agree that any legal proceeding relating to this Agreement or the enforcement of any provision herein shall be brought or otherwise commenced only in the courts of Texas.

21. Counterparts. This Agreement may be executed in more than one counterpart, each of which shall constitute an original copy.

WHEREAS, simultaneously herewith, Buyer and \_\_\_\_\_, a “\_\_\_\_\_” franchisee (“**Seller**”) are entering into an agreement (“**Purchase Agreement**,” and the transaction contemplated thereunder, the “**Transfer**”) pursuant to which Buyer shall agree to purchase from Seller the “\_\_\_\_\_” business located at \_\_\_\_\_ (the “**Business**”) and operated by Seller pursuant to a franchise agreement dated \_\_\_\_\_ between Seller and Franchisor (“**Seller’s Franchise Agreement**”);

WHEREAS, Owner owns 100% of the equity ownership interests in Buyer;

WHEREAS, Buyer’s and Seller’s consummation of the Transfer (“**Closing**”) is subject to Franchisor’s prior written consent, and Franchisor’s consent is subject to a number of conditions imposed by Franchisor, including, without limitation, a requirement that, prior to completing the Transfer, Buyer satisfactorily complete certain training requirements (the “**Training**”), and Buyer pays a transfer fee to Franchisor (as provided in Seller’s Franchise Agreement);

WHEREAS, Buyer and Seller have mutually requested that Owner be permitted to attend Training prior to Closing to enable Owner to begin to operate the Business immediately upon Closing without any interruption to attend Training after Closing;

WHEREAS, Franchisor requires that Buyer and Owner enter into this Agreement before Franchisor is willing to provide the Training to Owner and pay the Training Fee set forth below;

WHEREAS, as another condition to Franchisor’s consent to the Transfer, Assignee will be required to enter into a new Franchise Agreement (the “**Franchise Agreement**”) with Franchisor, pursuant to which Franchisor will grant Assignee a license to use Franchisor’s trademarks, services marks, logos and other indicia of origin (the “**Marks**”) and Franchisor’s methods of operation (the “**System**”) in connection with the operation of the Business. (Capitalized terms used herein without a definition shall have the same meaning as assigned to them in the Franchise Agreement), and Owner will be required to enter into a guaranty with Franchisor, guaranteeing Assignee’s obligations under the Franchise Agreement (the “**Guaranty**”); and

WHEREAS, Franchisor has undertaken, at considerable effort and expense, to create the System which will be revealed to you during the Training and pursuant to the Franchise Agreement and you will be exposed to and learn many procedures, techniques and other matters that are identified and treated by Franchisor as confidential, proprietary or trade secret, including, without limitation, information regarding the operational, sales, and marketing methods and techniques of Franchisor, which are beyond your skills and experience (“**Confidential Information**”); and

WHEREAS, you agree that you will receive material benefit from Franchisor by receiving the Training and entering into the Franchise Agreement and/or the Guaranty. **In exchange for that good**

**consideration, you agree to execute and be bound by this Agreement, including the noncompetition covenant set forth herein, with the understanding that Franchisor would not permit you to attend Training without your agreement to comply with this Agreement, including the noncompetition covenant.**

NOW, THEREFORE, you hereby agree as follows:

1. Confidentiality Obligation. You acknowledge that you will receive valuable Confidential Information that provides a competitive advantage in the development and operation of the Business. You acknowledge and agree that the Confidential Information, including any Operations Manual of Franchisor, is confidential and proprietary in nature and contains trade secrets belonging to Franchisor and its affiliates and that all such tangible evidence of Confidential Information is a property right of great value to Franchisor and its affiliates. You may not, during the term of this Agreement and for five years thereafter, communicate, divulge or use any Confidential Information for the benefit of any other person or entity, except that you may communicate Confidential Information to such employees as must have access to it in order to operate the Business during the term of the Franchise Agreement; provided, however that you require any such employees to maintain the confidentiality of the Confidential Information in accordance with this Section. All Confidential Information, including, without limitation, methods, procedures, suggested pricing, specifications, processes, materials, techniques and other data, may not be used for any purpose other than operating the Business under the Franchise Agreement.

2. Non-Use. You agree not to (a) use Confidential Information without prior written approval from Franchisor or except as provided under the Franchise Agreement, or (b) do or perform any other act injurious to the goodwill associated with the Marks and the System.

3. Non-Disclosure. You agree not to disclose, communicate or divulge any Confidential Information for your benefit or for the benefit of any other third party, including, without limitation, a competitor of the Business and/or Franchisor.

4. Exclusions. Confidential Information does not include and this Agreement does not apply to information that you can establish by reliable documentary evidence (a) was previously independently and lawfully known by you, (b) is or becomes part of the public domain other than through your wrongful act, (c) is otherwise lawfully in your hands by a means other than breach of this Agreement or (to your knowledge) third party's breach of its confidentiality obligation to Franchisor, or (d) is sought pursuant to a subpoena or written discovery ("**Process**"); provided that Franchisor shall be immediately notified of the receipt of the Process, whereupon Franchisor has the right to request that you delete the Confidential Information from the scope thereof, and if you refuse, then Franchisor may seek any and all available remedies, including, without limitation, commencing proceedings to enjoin the disclosure of Confidential Information or intervening impending proceedings to seek the entry of protective orders or other appropriate relief. Nothing in this Agreement shall be construed to interfere with a party's obligations to comply with lawful court orders; however, no disclosure of Confidential Information by a party pursuant thereto shall be deemed to place the Confidential Information in the public domain or to relieve the party from the future performance of all its confidentiality obligations under this Agreement, absent express orders of the court to the contrary.

5. Covenant Not to Compete. Except as otherwise approved in writing by Franchisor, you may not, directly or indirectly, through, on behalf of, or in conjunction with, any other person, partnership, or legal entity, own, maintain, operate, or engage or participate in, inure benefit to, or have any financial interest, either as an officer, agent, employee, principal, partner, director, shareholder or any other individual or representative capacity, in any corporation, partnership or other legal entity that engages in any business that is the same as or similar to the Business, or is otherwise in competition with

the business of Franchisor or Franchisor's franchisees, that engages in the distribution of similar products, services and/or equipment and that is located:

(a) anywhere, during the time period beginning on the Effective Date and ending on the expiration or earlier termination of this Agreement; or

(b)

(i) within the territory specified in the Assignor's Franchise Agreement

(ii) within a 25-mile radius of the outer boundary of such territory, or

(iii) inside the territory of another \_\_\_\_\_ business,

in each case during a time period of:

(A) eighteen (18) months commencing with the earlier of the termination or expiration of this Agreement, if the Transfer is not consummated prior to the expiration of this Agreement, or,

(B) with respect to Owner, eighteen (18) months commencing on the date on which Owner ceases to be associated with the Business,

in each case which time period shall be extended by any period of non-compliance.

You further agree that upon Franchisor's request you shall make your personal and business records available for inspection by Franchisor to determine your compliance with this provision.

6. Customer Non-Solicitation Covenant. In addition, you agree that during the term of this Agreement and for one year thereafter, you will not, without our prior written consent, directly or indirectly, for yourself or on behalf of any other person, divert, or attempt to divert, any business or customer of the Business or any other \_\_\_\_\_ business to any competitor by direct or indirect inducement, with the understanding that this covenant expires in the event you close on the sale of the Business, satisfactorily complete Franchisor's training and begin the operation of the Business in accordance with a duly executed Franchise Agreement with Franchisor.

7. Scope of Covenants. The parties agree that each of the foregoing covenants in Section 5 and Section 6 will be construed as independent of any other covenant or provision of this Agreement. To the extent anyone successfully contests the validity or enforceability of any part of Section 5 or Section 6 in its present form predicated upon the area of coverage, this provision will not be deemed invalid or unenforceable, but will instead be deemed modified, so as to be valid and enforceable, to provide coverage for the maximum scope that any court of competent jurisdiction or arbitrator will deem reasonable and necessary to protect Franchisor's legitimate interests.

8. Choice of Law and Jurisdiction. This Agreement shall be governed by the internal laws of the State of Texas, without regard to conflicts of laws provisions. You agree that any litigation or legal action to enforce or relating to this Agreement shall be filed in Waco, McLennan County, Texas. You hereby consent to the jurisdiction of such courts and further agree to waive any rights or objections to the jurisdiction or venue of any such actions when filed in such courts.

9. Training Fee. You will pay to Franchisor a nonrefundable training fee in the amount of \$14,900 (the “**Training Fee**”) prior to attending any of Franchisor’s training sessions. Upon the successful completion of training and full execution of the Franchise Agreement, Franchisor will apply the Training Fee to any Transfer Fee owed in connection with the Transfer.

10. Legal Fees and Costs. Any unauthorized disclosure following execution of this Agreement may be cause for suit for injunctive relief and damages. If you breach this Agreement, you shall pay reasonable attorney’s fees and other costs incurred by Franchisor and/or Franchisee in enforcing the provisions of this Agreement or any other agreement related to Buyer’s purchase of the Business (regardless of whether the purchase closes). If any legal proceeding is commenced to enforce or interpret any provision of this Agreement, the prevailing party will be entitled to recover reasonable attorney’s fees and all costs and disbursements allowed by law.

11. Term of Agreement. The term of this Agreement begins on the Effective Date and ends on the effective date of the Franchise Agreement, in which case Buyer and Owner will be subject to the confidentiality, noncompetition and non-solicitation covenants set forth in the Franchise Agreement and any related nondisclosure/noncompetition agreement signed by Owner, which covenants shall then supersede the confidentiality, noncompetition and non-solicitation covenants of this Agreement. If, however, the Franchise Agreement is not executed within one year of the Effective Date of this Agreement, then this Agreement terminates on the one year anniversary of the Effective Date, but the confidentiality, noncompetition and non-solicitation covenants continue in full force and effect thereafter as provided in Sections 1, 5, and 6, respectively.

12. Defend Trade Secrets Act of 2016 Disclosure. 18 U.S.C. § 1833(b) states: “An individual shall not be held criminally or civilly liable under any Federal or State trade secret law for the disclosure of a trade secret that—(A) is made—(i) in confidence to a Federal, State, or local government official, either directly or indirectly, or to an attorney; and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal.” Accordingly, the parties to this Agreement have the right to disclose in confidence trade secrets to Federal, State, and local government officials, or to an attorney, for the sole purpose of reporting or investigating a suspected violation of law. The parties also have the right to disclose trade secrets in a document filed in a lawsuit or other proceeding, but only if the filing is made under seal and protected from public disclosure. Nothing in this Agreement is intended to conflict with 18 U.S.C. § 1833(b) or create liability for disclosures of trade secrets that are expressly allowed by 18 U.S.C. § 1833(b).

13. Entire Agreement. This Agreement (i) sets forth the entire understanding among Buyer, Owner and Franchisor with respect to its subject matter and cannot be changed except by written instrument signed by you and Franchisor, and (ii) is separate from any other agreement regarding conditions to Franchisor’s consent to the Transfer or any agreement between Buyer and Seller regarding the Transfer. There are no representations of any kind except as contained herein. This Agreement will be binding upon and inure to the benefit of the parties, their legal representatives, successors, and assigns.

B. The Franchise Agreement provides for termination upon insolvency. This provision might not be enforceable under federal bankruptcy law (11 U.S.C.A. Secs. 101 et seq).

C. The Franchise Agreement contains a covenant not to compete that extends beyond the termination of the franchise. This provision may not be enforceable under California law.

D. The Franchise Agreement requires you to sign a general release of claims upon renewal or transfer of the Franchise Agreement. This may not be enforceable under California Law. California Corporations Code Section 31512 provides that any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of that law or any rule or order there under is void. Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Section 31000-31516). Business and Professions Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000-20043).

E. The Franchise Agreement requires litigation or arbitration in McLennan County, Texas, with the prevailing party paying for all costs associated with the litigation or arbitration. You are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a Franchise Agreement restricting venue to a forum outside of the State of California.

This provision supersedes any other term of any document executed in connection with this franchise.

Each provision set forth in this Addendum shall be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the California Franchise Investment Law are met independently without reference to this Addendum.

**In recognition of the requirements of the Illinois Franchise Disclosure Act of 1987, 815 ILCS 88705/1 ET. SEQ., the Franchise Disclosure Document, in connection with the offer and sale of franchises for use in the State of Illinois, shall be amended to include the following:**

### **State Cover Page; Risk Factors.**

The following statement is added to the end of the first Risk Factor: Section 4 of the Illinois franchise disclosure act provides that any provision in a franchise agreement that designates jurisdiction or venue in a forum outside of Illinois is void with respect to any cause of action which otherwise is enforceable in Illinois; provided, however, that the franchise agreement may provide for arbitration in a forum outside of Illinois.

### **Item 17 – Additional Disclosures.**

The following language is added to the table in Item 17 at the end of the Summary sections of provisions (v) and (w) entitled Choice of Venue and Choice of Law: “except for any claims arising under the Illinois Franchise Disclosure Act of 1987.”

The Illinois Franchise Disclosure Act will govern any franchise agreement if it applies to a franchise located in Illinois.

Any provision in a franchise agreement that designates jurisdiction or venue outside of the state of Illinois is void. However, arbitration may take place outside of Illinois. 815 ILCS 705/4 (West 2012)

Any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act is void. 815 ILCS 705/41 (West 2012)

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Each provision set forth in this Addendum shall be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Illinois Franchise Disclosure Act (815 ILL. COMP. STAT. §§ 705/1 through 705/44) are met independently without reference to this Addendum.

In the event of any conflict between any provision of the franchise agreement and the Indiana Franchise Practices Law the Indiana law will control, but in that case, the provision of the franchise agreement affected will be limited only to the extent necessary to bring it within the requirement of the law and, to that extent, that provision shall be deemed to have been omitted from the franchise agreement as of the date of execution of the franchise agreement. This will not affect the validity of any remaining portion of the franchise agreement.

## ADDITIONAL DISCLOSURES FOR THE STATE OF WASHINGTON

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.

2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.

3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).

5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.

8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).

10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).

11. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.

12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.

14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.

15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor.

As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is

inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a “franchise broker” is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

19. **Assurance of Discontinuance.** To resolve an investigation by the Washington Attorney General and without admitting any liability, the franchisor has entered into an Assurance of Discontinuance (“AOD”) with the State of Washington, where the franchisor affirmed that it already removed from its form franchise agreement a provision which restricted a franchisee from soliciting and/or hiring the employees of other franchisees, which the Attorney General alleges violated Washington state and federal antitrust and unfair practices laws. The franchisor has agreed, as part of the AOD, to not enforce any such provisions in any existing franchise agreement, to not include any such provisions in future franchise agreements, to request that its Washington franchisees amend their existing franchise agreements to remove such provisions, and to notify its franchisees about the entry of the AOD. In addition, the State of Washington did not assess any fines or other monetary penalties against the franchisor.

The undersigned parties do hereby acknowledge receipt of this Addendum.

This Amendment shall pertain to franchises sold in the State of Illinois and shall be for the purpose of complying with Illinois statutes and regulations. Despite anything to the contrary in the Franchise Agreement, if there is a conflict between the terms of this Rider and the terms of the Franchise Agreement, the terms of this Rider shall control and supersede the Franchise Agreement.

1. Section 14.H of the Franchise Agreement is supplemented to include the following: Any provision which designates jurisdiction or venue or requires you to agree to jurisdiction or venue in a forum outside of Illinois is void with respect to any cause of action which is otherwise enforceable in Illinois, except arbitration may take place outside the State of Illinois.
2. Illinois law governs the agreement(s) between the parties.
3. Section 13.B of the Franchise Agreement is supplemented to include the following: No action for liability under the Illinois Franchise Disclosure Act shall be maintained unless brought before the expiration of three (3) years after the act or transaction constituting the violation upon which it is based, the expiration of one (1) year after Franchisee becomes aware of facts or circumstances reasonably indicating that he may have a claim for relief in respect to conduct governed by the Act, or ninety (90) days after delivery to Franchisee of a written notice disclosing the violation, whichever shall first expire.
4. Section 705/41 of the Illinois Franchise Disclosure Act states that “any condition, stipulation, or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of this Act, or any other law of Illinois, is void.” To the extent that any provision in Section 15.M of the Franchise Agreement is inconsistent with Illinois law, Illinois law will control.
5. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
