

## SPECIAL RISKS TO CONSIDER ABOUT *THIS* FRANCHISE

Certain states require that the following risk(s) be highlighted:

**Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with us by mediation and litigation in New York. Out of state mediation and litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate and litigate in New York than in your own state.

**Mandatory minimum payments.** You must make minimum payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.

**Supplier Control.** You must purchase all or nearly all of the inventory or supplies that are necessary to operate your business from the franchisor, its affiliates, or suppliers that the franchisor designates, at prices the franchisor or they set. These prices may be higher than prices you could obtain elsewhere for the same or similar goods. This may reduce the anticipated profit of your franchise business.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) in Exhibit F to see whether your state requires other risks to be highlighted.
