What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit [HI](#).

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Texas. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Texas than in your own state.
2. **Minimum Royalty Payments.** You must make minimum royalty payments or advertising contributions regardless of your sales levels. Your inability to make these payments may result in termination of your franchise and loss of your investment.
3. **Financial Condition.** The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's ability to provide services and support to you.
4. **Unopened Franchises.** The franchisor has signed a significant number of franchise agreements with franchisees who have not yet opened their outlets. If other franchisees are experiencing delays in opening their outlets, you also may experience delays in opening your outlet.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

MICHIGAN NOTICE

The State of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you:

- (a) A prohibition against you joining an association of franchisees.
- (b) A requirement that you assent to a release, assignment, novation, waiver or estoppel which would deprive you of rights and protections provided under the Michigan Franchise Investment Law. This does not preclude you, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits the franchisor to terminate your franchise prior to the expiration of its term except for good cause. Good cause includes your failure to comply with any lawful provision of the Franchise Agreement, and to cure such failure after being given written notice thereof, and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits the franchisor to refuse to renew your franchise without fairly compensating you by repurchase or other means for the fair market value at the time of expiration, of your inventory, supplies, equipment, fixtures, and furnishings. Personalized materials, which have no value to the franchisor, and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This provision applies only if:
 - (i) The term of the franchise is less than five years; and
 - (ii) You are prohibited by the Franchise Agreement or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising or other commercial symbol in the same area subsequent to the expiration of the franchise, or if you do not receive at least six months advance notice of the franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew the franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This provision does not require a renewal provision in the Franchise Agreement or other agreement.
- (f) A provision requiring that arbitration or litigation be conducted outside of Michigan. This does not preclude you from entering into an agreement, at the time of the arbitration, to conduct arbitration at a location outside of Michigan.
- (g) A provision that permits the franchisor to refuse to permit a transfer of ownership of the franchise, except for good cause. This provision does not prevent the franchisor from exercising a right of first refusal to purchase the franchise. Good cause includes, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then-current reasonably qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
 - (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor, or to cure any default in the Franchise Agreement existing at the time of the proposed transfer.
- (h) A provision that requires you to resell to the franchisor items that are not uniquely identified with the franchisor. This does not prohibit a provision that grants the franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a *bona fide* third party willing and able to purchase those assets, nor does it prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if you have breached the lawful provisions of the Franchise Agreement, and have failed to cure the breach in the manner provided in (c),

above.

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to you, unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the Attorney General does not constitute approval, recommendation, or endorsement by the Attorney General.

Any questions concerning this notice should be directed to the Michigan Department of Attorney General, Consumer Protection Division, Franchise Unit, 525 W. Ottawa Street, G. Mennen Williams Building, 1st Floor, Lansing, Michigan 48913, (517) 373-7117.

THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

If the franchisee is a corporation, limited liability company, or other entity, the term “you” does not include the entity’s principals, unless otherwise stated.

The Franchisor, and Any Parents, Predecessors and Affiliates

We are a Delaware corporation, originally formed as a Texas limited liability company on February 1, 2012 and which converted to a Delaware corporation on March 31, 2020. We only do business under our corporate name. Our principal business address is 8524 Highway 6 North, # 310, Houston, Texas 77095. Our agents for service of process are listed in Exhibit HI of this disclosure document. We have been offering franchises of the type described in this disclosure document since April 2012, and have never offered franchises or licenses in any other line of business. Except as described below, we have no parent company nor any predecessors. Except as described below, we do not engage in any other business activities.

Our parent, Blue Ocean International, Inc. (“BOI”), was originally formed as a Delaware limited liability company in December 21, 2016, was converted to a Delaware corporation on March 31, 2020, and has a principal business address at 300 Delaware Avenue, Suite 210-A, Wilmington, Delaware, 19801.

Our affiliate, OsteoStrong International, Inc. (“OSI”), originally formed as a Texas corporation on October 30, 2015 and which converted to a Delaware corporation on March 31, 2020, shares our principal business address and only does business under its corporate name. OSI offers franchises of the type described in this disclosure document to prospective franchisees outside of the United States. OSI does not offer franchises in any other line of business. OSI also serves as the parent company of OS Franchising, ULC, a British Columbia unlimited liability company formed on November 12, 2015 who shares our principal business address and may begin offering franchises similar to those described in this disclosure document in Canada in 2017.

Our affiliate, True Wellness, Inc. (“True Wellness”), originally formed as a Tennessee limited liability company on October 17, 2012, and which converted to a Delaware corporation on March 31, 2020, maintains a principal business address at 917 Auburn Ln, Brentwood, Tennessee 37027. True Wellness, Inc. is an intellectual property holding company and licenses intellectual property for use by us. True Wellness has never offered franchises of the type described in this disclosure document or any other line of business.

Our affiliate, Go Figure, Inc. (“Go Figure”), is a Texas corporation formed on December 22, 1997, who maintains a principal business address at 8524 Highway 6 North, #310, Houston, Texas 77095. Go Figure owned and operated up to nine Curves® fitness centers and transferred its interest in the fitness centers in 2002. Go Figure operates under the trademark “iGo Figure”, and focuses primarily on developing and licensing high quality software products that, among other functions, manage membership, customer information, and other business management information for health clubs and fitness centers. Go Figure licenses the iGo Figure software and operates a technical support call center for OsteoStrong® System franchisees. Go Figure has never offered franchises in any line of business.

The Franchise Offered

We grant franchises for the operation of a wellness center that offers customers the use of machines which promote bone and muscle health and a vibration plate exercise machine, under the “OsteoStrong” trademark and other related trademarks, service marks, logos, and catch phrases (“Marks”).

Our proprietary business format and system (“System”) includes distinctive interior and exterior design, décor, color scheme, graphics, fixtures and furnishings, our proprietary products, operations, and customer

service standards and procedures, advertising and marketing specifications and requirements, product offerings (such as supplements), and other standards, specifications, techniques, and procedures that we designate for developing, operating, and managing an OsteoStrong® Center, all of which we may change, improve, and further develop (collectively, our “Standards”).

A typical OsteoStrong® Center is located in or adjacent to a major shopping mall, retail strip mall, urban shopping center, or medical office complex located near a large residential population, and ranges between 1,100 to 1,800 square feet. You will operate the Center according to our standard franchise agreement (see Exhibit B), and our standards, specifications, policies, and procedures, which will be communicated to you via our confidential operations manuals and other written directives (collectively, our “Manuals”).

Market and Competition

You will provide services and sell products to your customers that are part of the OsteoStrong® standard portfolio and which appeal to health conscious consumers. Although most people can benefit from the OsteoStrong® System, our target market is primarily defined as men and women over the age of 45.

The portion of the health and fitness industry which targets bone and muscle health, specifically, is newly emerging. You will compete with businesses which present themselves to the public as an aid to increased bone density or osteoporosis without medication. You may also compete with various established national and local health clubs, fitness centers and spas, as well as other medical providers of bone density treatments. OsteoStrong® Centers operate year-round and are not seasonal in nature.

Special Industry Regulation

A number of states and local jurisdictions have enacted laws, rules, regulations, and ordinances, which may apply to the operation of your Center, including those which: (1) establish licensing and certification requirements for businesses in general; (2) establish general standards, specifications, and requirements for the construction, design, and maintenance of the Center location; (3) regulate matters affecting the health, safety, and welfare of your customers, such as general health and sanitation requirements for Centers; (4) set standards pertaining to employee health and safety; and (5) set standards and requirements for fire safety and general emergency preparedness.

In addition, the physical fitness industry, particularly providing services through for-profit clubs, is subject to extensive regulation at the local, state, and federal levels. Many states have enacted specific laws (1) regulating membership contract length and terms, advertising, and limitations on pre-opening sales, and (2) requiring bonding, buyer’s remorse cancellation rights for limited periods (usually three to ten days after sale), and cancellation and partial refund rights for medical or relocation reasons. At the federal level, health clubs who sell memberships on credit may be subject to the federal Truth-In-Lending Act and Regulation Z, and various other credit-related statutes like the Equal Credit Act and Fair Debt Collection Practices Act.

It is solely your responsibility to comply with all applicable laws and regulations, and to obtain and keep in force all necessary licenses and permits required by public authorities. Before purchasing the franchise, we strongly urge you to hire an attorney to review local, state, and federal laws that may affect your operations or impact your operating costs.

The Court entered a temporary injunction against Rhodes on May 22, 2020. Rhodes filed his answer and counterclaims on April 3, 2020, alleging that Franchisor wrongfully terminated the franchise development agreement and interfered with Rhodes' existing and potential franchise deals. Rhodes' claims included a request for declaratory judgment that the termination was improper and ineffective, breach of contract, tortious interference with existing and prospective business relationships, and seeks monetary damages, punitive~~

~~damages, attorneys' fees, declaratory relief, and costs. On February 3, 2021, the Court entered a stipulated dismissal of the settled claims and a permanent injunction against Rhodes, under which Rhodes agreed and was ordered not to disseminate false information, disparage the Franchisor, or tortiously interfere with Franchisor's business relationships. On October 21, 2020 the Court ruled Rhodes in contempt of court for violating the injunction, the Court held Rhodes in contempt a second time on July 2, 2021, and a third time on October 15, 2021.~~

~~In addition, as a result of Rhodes' conduct, OsteoStrong International, Inc. ("OSI") terminated a buyback agreement under which OSI had agreed to purchase back certain international licensing rights from OsteoFit AG ("OsteoFit"), where Rhodes is a shareholder of OsteoFit, for breach based on Rhodes' conduct. OSI then filed claims for breach of contract of under the buyback agreement against OsteoFit and against Ronald and Charles Berger (the "Bergeres") as guarantors under the buyback agreement. OsteoFit filed counterclaims seeking a declaratory judgement that OSI's termination was improper and therefore breached the contract, and damages, attorneys' fees and costs from OSI, and from Franchisor and Kyle Zagrodzky as guarantors. OSI and OsteoFit each filed motions for summary judgment. On November 12, 2021, the Court denied OSI's motion and granted OsteoFit's motion. The ruling was appealed to the U.S. Fifth Circuit Court of Appeals. The parties subsequently resolved the dispute with OSI buying back the Master license.~~

ITEM 4 BANKRUPTCY

No bankruptcy information is required to be disclosed in this Item.

ITEM 5 INITIAL FEES

Application Fee

In connection with your franchise application, but not sooner than the expiration of 14 days after you have been provided with a copy of this Disclosure Document, you will pay to us an Application Fee of \$150 per individual applicant upon our request. As an example, you anticipate that the franchise be owned by three individuals, or an entity owned by three individuals, the Application Fee will total \$450. In ~~2024~~²⁰²³, we did periodically waive the Application Fee. The Application Fee is fully earned and nonrefundable upon payment.

Initial Franchise Fee

When you sign the Franchise Agreement, you will pay to us an Initial Franchise Fee of \$35,000. This amount is uniformly imposed and is considered fully earned and nonrefundable upon payment.

If you qualify for our military veteran's program, the Initial Franchise Fee for your first Center will be discounted by 10%. This discount is available to veterans who have received a discharge (other than dishonorable) as well as any active-duty personnel. If the franchisee is a corporation, limited liability company, or other legal entity, the veteran participant must maintain at least a 51% ownership interest in the entity to qualify for this discount. To apply for the discount, you must provide us with a copy of form DD-214, reflecting your military status, before the Franchise Agreement is signed.

If you enter into a third or subsequent Franchise Agreement with us, we will discount the Initial Franchise Fee by 5%.

Operations Software Package

Approximately 60 days prior to opening the Center, you will pay to Go Figure \$1,500 plus shipping and tax, for the iGo Figure membership and business management software necessary to operate the Center ("Operations Software"). The above fee also includes a bar code scanner and a credit card swiper. This fee is uniform for all franchisees and is considered fully earned and nonrefundable when paid.

Initial Training Fee

When you sign the Franchise Agreement, you will pay to us an Initial Training Fee in the amount of \$6,000. This amount includes the tuition and training costs and expenses incurred by us in providing your trainees with our initial training program. This amount is considered fully earned and nonrefundable upon payment.

Center Design Fee

When you sign the Franchise Agreement, you will pay to us a Center Design Fee in the amount of \$9,000 which includes our costs related to the services of a third-party service provider who will assist in the layout, décor, and design elements of the Center. This Center Design Fee is optional for your second and any subsequent Center you elect to open. This amount is uniformly imposed and is considered fully earned and nonrefundable upon payment.

Initial Equipment Package

You must purchase your Center equipment from us or our affiliates. On the execution of your Franchise Agreement, you will pay a 50% deposit on the total amount due for your purchase of all required equipment. Afterwards, at least 60 days prior to opening the Center, you will pay the balance owed on the purchase of the equipment. The purchase price for any optional equipment will be paid in full immediately on your receipt of invoice. Equipment will be shipped once it has been paid for in full.

Required Center Equipment

Required Center equipment currently includes our proprietary osteogenic loading equipment, one vibration plate exercise machine, one interactive kiosk, and twelve X3 home gym systems. The total purchase price for the required equipment ranges from \$145,945 to \$150,763, which includes shipment to the continental United States and a sales tax rate of 6% on the low end and 9.5% on the high end. Shipments to Alaska and Hawaii will incur additional shipping costs.

Optional Center Equipment

We also suggest, and you may elect to purchase, optional Center equipment. These include up to two additional vibration plate exercise machines, one water massage lounge device, one group pulsed electro-magnetic field device, two individual pulsed electro-magnetic field devices, one forced plate balance device, one high intensity variable resistance device, one dynamic air compression device, one individual pulsed electro-magnetic field device and cover, and one red light therapy device. A list of our current suppliers and approved equipment will be provided to you during your opening process. Currently, the total purchase price for this optional equipment ranges from \$0, if you elect not to purchase any optional equipment, to \$54,130, which includes the purchase of all of the suggested equipment listed, shipping costs throughout the continental United States and the highest likely estimate tax rate of 9.5%.

With an assumed tax rate of 6% on the low end and 9.5% on the high end, the total cost range for the initial Center equipment ranges from \$145,945 to \$204,893, where the low range does not include any optional equipment. The above-listed prices may be proportionately increased only in the event that our suppliers increase their resale price, wholesale price, or our purchase rate. Payments for optional equipment are uniform for all franchisees and all equipment-related payments are considered fully earned upon payment. If for any reason your Center does not open, to the extent you purchased the equipment from us and not our designated suppliers, we will refund the amount paid to us as part of your purchase of the initial equipment package, less any related costs and expenses incurred in connection with any equipment return. Otherwise, payments made for the purchase of equipment are not refundable for any reason.

Furniture, Signage, and Flooring

You have the option of purchasing your furniture, interior and exterior signage, and flooring from us in accordance with your final center design. Alternatively, you may choose to purchase these items in accordance with our brand Standards from suppliers we approve in advance in writing. If you choose to purchase these items from us, approximately 90 days prior to opening the Center you will place your order for these items with us and immediately pay to us, or to whom we designate, on your receipt of our invoice, the amount due for your order. The invoiced amount will include the placement and assembly (if needed) of the furniture, installation of the flooring, and installation of the interior and exterior signage. The design process will adhere to our most current Center design standards. The following are the expected cost ranges for the items you elect to order from us, where the low range assumes a sales tax rate of 6% and the high end assumes a higher tax rate of 9.5%:

Furniture: \$7,384 to \$26,646

Signage and Graphics: \$5,118 to \$19,906

Flooring: \$0 to \$19,710¹

Note 1. The low range for flooring assumes that the site you secure for your Center already includes flooring acceptable by us for use in your Center.

The above-listed prices may be proportionately increased in the event that our suppliers increase their retail or wholesale prices. All furniture, signage, and flooring related payments made to us are uniform for all franchisees and not refundable for any reason.

Proprietary Digital Marketing Lead Generation Expenditure

We have developed a proprietary digital marketing lead generation system which includes marketing strategies through social media channels, pre-sale assistance, online training and coaching, and monitoring of system performance. The current fee for participation in the proprietary digital marketing lead generation system includes a one-time \$500 set up fee, a monthly administrative fee of \$997 per month, and an ad spend fee ranging from \$1,000 to \$3,000 per month. While there is a minimum required ad spend of \$1,000, any additional ad spend may be made for additional \$500 increments at your discretion. Currently, we require that you participate in this marketing program during the period beginning at least two full months prior to the date your Center will open for business through the third full month after your Center opens for business. After this period, participation is currently optional. During this initial five-month period, the above-described costs range from \$10,485 to \$20,485, where the low range includes the minimum ad spend of \$1,000 per month and the high range includes the higher ad spend amount of \$3,000 per month. As these fees are dependent on third party provider charges, the fees are subject to change. We reserve the right to revise the list of services offered, and to modify or terminate the digital marketing system, as well as participation requirements, at our discretion. This amount nonrefundable for any reason.

Notes:

Note 1. Unless otherwise stated, all fees payable to us are uniformly imposed and nonrefundable. The Royalty Fee and Advertising Fee, Renewal Fee, Proprietary Digital Marketing System fees, and Transfer fees, however, are not uniformly imposed. All fees in the above chart are payable to us or our affiliate, Go Figure.

Note 2. Gross Revenues means the aggregate of: (1) all revenue from the sale of products and services, whether made for cash, on credit, or otherwise, without reserve or deduction for inability or failure to collect, that you, in the normal course of your operations would credit or attribute to the operation of an OsteoStrong® Center; (2) all monies, trade value, or other things of value that you receive from Center operations at, in, or from the Center premises that are not expressly excluded from Gross Revenue; and (3) business interruption insurance proceeds. Gross Revenues does not include: (a) the exchange of merchandise between OsteoStrong® Centers (if you operate multiple Centers) if the exchanges are made solely for the convenient operation of your business and not for the purpose of depriving us of the benefit of a sale that otherwise would have been made at, in, on or from the Center premises; (b) returns to shippers, vendors, or manufacturers; (c) sales of fixtures or furniture after being used in the conduct of the Center; (d) cash or credit refunds for transactions included within Gross Revenues (limited, however, to the selling

Notes:

Note 1. Initially you will purchase two separate user licenses for the Operations Software, which includes the Go Figure membership and business management software and QuickBooks Online. As your Center grows, you may need to purchase additional user licenses. In addition to the Operations Software, each Center must have at least one computer, one monitor (however we recommend two monitors), and one multi-functional printer. You must also purchase and install the latest version of Microsoft operating system compatible with the iGo Figure software.

Note 2. While you must purchase your required Center equipment from us, you may elect to either purchase or lease the remainder of the approved equipment for your Center. The low amount in the chart includes your purchase price for the required equipment which includes our proprietary osteogenic loading equipment, one vibration plate exercise machine, one interactive kiosk, and twelve X3 home gym systems. The higher amount in the range includes the required Center equipment as well as the optional equipment approved by us. The optional equipment included in the higher range includes: two additional vibration plate exercise machines, one water massage lounge devices, one group pulsed electro-magnetic field device, one dynamic air compression device, one individual pulsed electro-magnetic field device and cover, and one red light therapy device.

If for any reason your Center does not open (other than in the event the parties mutually agree to extend the originally established Opening Date), then to the extent you purchased the equipment from us and not our designated suppliers, we will refund the amount paid for the Initial Equipment Package, less any related costs and expenses incurred in connection with any equipment return.

Note 3. You may, at your option, purchase your furniture, interior and exterior signage, and flooring from us in accordance with your final Center design. As you are not required to offer products for retail sale in your Center, the lower estimate excludes retail-related expenses. The lower range also assumes that the site you have secured for your Center already includes flooring acceptable by us for use in your Center. Alternatively, you may choose to purchase these items in accordance with our brand Standards from suppliers we approve in advance in writing.

Note 4. The low range includes the amounts payable for our proprietary digital marketing system during the required five-month participation period prior to Center opening with a minimum ad spend of \$1,000 per month for the five-month period. The high range includes the amounts payable for our proprietary digital marketing system during the required five-month participation period prior to Center opening with a higher ad spend amount of \$3,000 per month for the full five-month period.

Note 5. The range in expenses includes both your expenses in traveling to and attending our initial training program as further described in this paragraph, as well as the expenses you will cover for our trainers when they travel to your Center location to provide per-opening training. You must make arrangements for, and pay the expenses of, each individual who attends our initial training program, where each of your owners and, in some instances designated managers, are required to attend. Such expenses will include transportation, lodging, meals, and wages. The amount expended will depend, in part, on the distance you must travel, and the type of accommodation you choose. The figures in the chart represent the estimated cost for two individuals attending our initial training program. You will also be asked to pay for the travel, including flight and rental car, lodging, and per diem dining costs for our trainers who provide you with required on-site pre-opening assistance. We may direct you to coordinate the dates and timing with your trainer and then arrange for and pay the third party provider directly.

Note 6. We reserve the right to approve the location of your Center, and you must construct, remodel, alter, and improve the location to our specifications. You must purchase or lease commercial retail space with 1,100 to 1,800 square feet of useable square feet. Commercial real estate costs vary greatly and too many variables exist to provide an estimate for the cost of real estate, including buying versus renting space, the geographic location of your Center, the size and layout of the space and your personal preference as to space. A typical Center will be located in a major shopping mall, retail strip mall, urban shopping center, or medical office complex located near a large residential population. We recommend the space for your Center be located in a secondary rent location to reduce your monthly rent. We must accept your Center's proposed site before you sign a lease. The figures in the chart reflect a security deposit equal to one month's rent, plus base rent for the first three months, but do not include payment of common area maintenance charges or any other charges that may be imposed. We strongly recommend that you consult with a commercial realtor in your area before deciding to purchase a franchise.

Note 7. In the event the equipment for your Center is delivered prior to the location being move-in ready, you will need to secure a storage space for the equipment. You may elect to use existing space, such as a residential car garage or to rent storage for a month or two until the equipment can be moved to the Center. You will be responsible for moving the equipment from storage to your Center.

Note 8. Construction and remodeling costs vary widely depending upon the location, design, configuration, and condition of the premises, the condition and configuration of existing services, and facilities such as air conditioning, electrical and plumbing, and the terms of your lease. The low figure in the chart assumes a space that requires minimal improvement, if any. The high figure in the chart includes a general contractor's fee, contractor's insurance, materials and supplies, tools, labor and subcontractor fees, and other costs to construct leasehold improvements conforming to our standards. Your costs may exceed the

higher range, however, depending on your area, union requirements, and other local construction requirements.

Note 9. Security deposits are generally required by utility providers, and equipment lessors. Amounts will vary depending on utility provider policies, provisions of various leases, and your credit rating.

Note 10. We strongly recommend that you hire your own attorney to help you evaluate this franchise offering, to identify the laws and regulations that may apply to your Center, to help you set up a business entity, to review and negotiate your lease, to assist you in adapting the Form Membership Agreement to laws and regulations in your state or locality, and for whatever other purpose you deem appropriate.

Note 11. The estimates in the above table do not include managerial salaries or any payments to you. These estimates also do not take into account finance payments, charges, interest, and related costs you may incur if any portion of the initial investment is financed. These amounts are the minimum recommended levels to cover operating expenses, including your employees' salaries for three months. The low end of the range assumes you and your family members operate the Center without salaries and the high end of the range assumes you hire three non-managerial employees. However, we cannot guarantee that those amounts will be sufficient. Additional working capital may be required if sales are low or fixed costs are high. We relied on our founder's operating experience in compiling these working capital estimates.

Note 12. All amounts due us are non-refundable, unless otherwise noted.

ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Initial Equipment Package

You must purchase from us, or purchase or lease from our designated suppliers, and through our approved sales channels, all fitness and exercise equipment we require for an OsteoStrong® Center. The Initial Equipment Package currently includes both mandatory and optional equipment, which you must purchase from us, or lease from designated suppliers. The required equipment for the Center currently consists of our proprietary Spectrum® osteogenic loading equipment, one vibration plate exercise machine, and one interactive kiosk. Optional approved equipment may include up to additional vibration plate exercise machines, one water massage lounge devices, one group pulsed electro-magnetic field device, one dynamic air compression device, one individual pulsed electro-magnetic field device and cover, and one red light therapy device. A list of our current suppliers and approved equipment will be provided to you during your opening process.

Inventory

You must stock the Center with a sufficient amount of health supplements (if applicable), promotional merchandise, and other related products and inventory items we deem necessary to meet your customer demand. All supplements and inventory offered for sale at your Center must be purchased from us, our designated suppliers, or in accordance with our standards and specifications, as communicated to you in our Manuals, which includes our approved supplier white sheets. Currently, we do not require that you offer and sell health and nutritional supplements at your Center.

Marketing and Promotional Materials; Items Bearing our Marks

You must purchase from us or our designated suppliers all marketing, advertising, and promotional materials, including business cards, stationery, brochures, flyers, postcards, posters, advertisement templates, and any other promotional or business marketing tools we use, or might use, as a part of the System.

Any items, including all merchandise and any promotional items, which bear or include our Marks, must be purchased from us or our designated suppliers to ensure brand consistency within the OsteoStrong® System.

Computer Hardware and Software Requirements

You must license from our affiliate, Go Figure, the latest version of the Operations Software we require on all computer terminals accessible by those employees designated in the Manual. You must also enter into a maintenance agreement with Go Figure and pay all associated fees. It is important to note that the Go Figure software will only operate in conjunction with a Windows operating system, therefore, you must purchase and install the latest version of Microsoft operating system, whichever is required by Go Figure. We also require that you license through us, or an approved third-party supplier, the use of QuickBooks Online software. We are not restricted from requiring you to purchase and install software in addition to that which we currently require. Should we designate such additional software for your use in connection with the Center, you must purchase the required software from our designated suppliers, or in accordance with our specifications, and agree to any applicable agreement, such as an end user license agreement. Upon request, you must provide us access to your detailed financials in QuickBooks or other locations you may have that information most readily available within seven business days of the request.

You may purchase computer hardware from the supplier of your choice, but in accordance with our specifications, however, you must purchase your bar code scanner, credit card swiper, OsteoStrong® key tags, and web camera from us or our affiliate.

You must maintain at all times a sufficient number of OsteoStrong® key tags to meet your customer demand. Your initial and on-going inventory of key tags, bar code swipers, and other member access and identification related items must be purchased from us or other designated suppliers.

Payment Processing Services

We may require you to enter into a merchant services agreement with our designated supplier for payment processing and fund transfer services (i.e. ACH, EFT).

Fixtures, Furniture, and Additional Materials, Supplies, and Products

We may designate suppliers from whom you will be required to purchase certain fixtures, furnishings, equipment, uniforms, supplies, marketing materials, forms, computer hardware, software, routers, and peripheral equipment and other products, supplies, services, and equipment, other than proprietary products, which you may or must use or sell at or through the Center. You may use, offer, or sell only those non-proprietary products that we expressly authorize and you may purchase them from (i) us or our affiliates, (ii) suppliers we designate, or (iii) suppliers you select that we approve in advance in writing.

Insurance

You must maintain insurance that we determine is necessary or appropriate for liabilities caused by or occurring in connection with the development and operation of the Center, which must include the following minimum coverages:

- (1) Comprehensive general liability insurance including coverage for bodily injury, personal injury, products liability, blanket contractual liability, broad form property damage, non-owned automobiles, completed operations and property damage on an occurrence basis with policy limits of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate;
- (2) Property Insurance written on an “All Risks” or “Special Form” policy with limits of insurance of not less than the full replacement value of the Center, and its furniture, fixtures, equipment, inventory and other tangible property;

(3) Business Interruption and Extra Expense coverage to include rental payment continuation for a minimum of 12 months, loss of profits and other extra expenses experienced during the recovery from property loss;

(4) Workers' Compensation Coverage and such other insurance as may be required by statute or rule of the state or locality in which the Center is located and Employer's Liability coverage in the amount of \$1,000,000 per person, \$1,000,000 in the aggregate and \$1,000,000 for occupational disease;

(5) Employment Practices Liability insurance in the amount of at least \$100,000 for each claim and \$100,000 in the aggregate as well as third party coverage and wage and hour coverage;

(6) Professional Liability insurance in the amount of \$1,000,000 for each claim and \$1,000,000 in the aggregate; and

(7) Contents Liability coverage to include physical damage with a limit of \$100,000.

In the event you elect to provide services to professional athletes, none of your applicable insurance coverages, as outlined above, may exclude coverage for professional athletes. We have the right to establish and modify the minimum coverages required, and require different or additional kinds of insurance to reflect inflation, changes in standards of liability, higher damage awards, or other relevant changes in circumstances. All such insurance policies must name us as additional insured, include any endorsements we may require (including an alternate employer endorsement under Employer's Liability policy) and include a waiver of subrogation in favor of us and our affiliates, and each company's officers, directors, shareholders, partners, members, agents, representatives, independent contractors, servants, and employees.

Supplier and Equipment Approval

We will provide you with our Manual and various supplemental bulletins and notices that will contain the specifications, standards, and restrictions on your purchase of products, equipment, and services. Upon request, we will furnish to you an approved list of suppliers which we may update periodically.

If you desire to purchase products from a supplier other than our approved suppliers or equipment other than our approved equipment, you must submit a written request to us for approval of the proposed supplier or equipment, together with any evidence of conformity with our standards and specifications as we may reasonably require, or will request the supplier itself to do so. We may inspect and evaluate the supplier's facilities and the products or the equipment before we approve or disapprove your proposed supplier or equipment. You may not use a supplier or equipment before you receive our written approval. A supplier of any proposed product or equipment must demonstrate to our reasonable satisfaction that it can supply an item meeting our standards and specifications for the item, that it is in good financial standing in the business community, and that its products and services are reliable. We will provide you with our specifications, standards, and our criteria for approval of suppliers, and will generally approve or disapprove a proposed supplier within 30 days following our receipt of all the information we require to thoroughly evaluate the proposed supplier. Your request is not automatically approved if we do not provide you with our approval or disapproval within this time frame. We will notify you if and when we no longer approve a previously approved supplier, product, or equipment. A supplier must continually adhere to our standards and specifications to maintain its approval. We reserve the right to condition our approval of any proposed product or equipment on such terms we decide at our discretion, including your execution of a general release in our favor, your agreement to obtain additional related insurance and to attend additional training, and your agreement to a test period.

Except with respect to Center equipment; supplement inventory; the Go Figure and QuickBooks Online software; membership, credit card, and security-related hardware; marketing materials, merchandise, and other items bearing our Marks; credit card processing, and other technical support services implemented over time; neither we nor our affiliates are an approved supplier for any other goods or services.

Kyle Zagrodzky, our Founder and Chief Executive Officer, and Matt Zagrodzky, our General Counsel, each hold an ownership interest in our affiliate, Go Figure. None of our other officers own any interest in any other supplier. Occasionally, our officers may own non-material interests in publicly-held companies that may be suppliers to our franchise system.

We currently have agreements in place to receive \$2,000 to \$3,000 for each franchisee purchase of certain models of water massage beds, \$500 to \$1,000 for each franchisee purchase of a group pulsed electro-magnetic field device, 3% to 12% of the purchase price for each franchisee purchase of an individual pulsed electro-magnetic field device, \$25 for each franchisee purchase of a high intensity variable resistance system, 10% to 19% of the purchase price for each franchisee purchase of compression and pulsed recovery items, 60% of the margin on each franchisee purchase of a water ionization system, 10% to 15% of the purchase price for franchisee purchases of nutrition supplements, 8% of the purchase price for franchisee purchases of certain print and promotional items; and \$200 per month per center on certain digital marketing and advertising services. We and our affiliate, Go Figure, will also derive revenue from your purchases and leases to the extent that you purchase and lease items from us, as applicable.

During our fiscal year ending December 31, ~~2024~~2023, we derived \$~~4,479,033.083,882,469~~ in revenue as a result of franchisee purchases, which is ~~51.5149~~% of our total revenues of \$~~8,694,8347,923,835~~ for the year then-ended. Also, during its fiscal year ending December 31, ~~2024~~2023, Go Figure derived revenue in the amount of \$~~387418,297~~ for the iGo Figure® software license and related maintenance fees, proprietary supplies, ACH, EFT, and credit card processing services as well as for Spectrum® software support and Spectrum® equipment setup.

We have the right to change our System requirements, suppliers, and/or vendors at our discretion. If we do so, you will be responsible for the related costs to comply with the new Standards.

We estimate that your required purchases and leases will range from 60% to 80% of your total initial investment (not including the initial franchise fee) and from 50% to 70% of your ongoing purchases and leases in the operation of the Center.

Currently, there are no purchasing or distribution cooperatives in existence with respect to the franchise system. We anticipate that we will negotiate purchase arrangements with suppliers for the benefit of our franchisees.

Franchised Location and Lease

You must acquire a site for your Center that meets our site selection criteria and that we approve. If you occupy the Center according to a commercial lease, before you sign the lease, you must provide us a copy of the lease, which must contain the basic lease terms we specify. If the lease does not contain our specified lease terms, we may, in our sole discretion, withdraw our approval of the selected site. (See Lease Addendum, attached as Attachment F to the Franchise Agreement).

You must construct, equip, and improve the Center in compliance with our current design standards, and trade dress. You must purchase and install, at your expense, all millwork and customized fixtures, furnishings, equipment (including a point-of-sale cash register system), décor, and signs from our designated or approved third party suppliers.

Description of Purchasing Cooperatives; Purchasing Arrangements

We may negotiate purchase arrangements with primary suppliers for the benefit of franchisees. If we negotiate a purchase agreement for the region where your Center is located, you must participate in the purchasing program. Presently there are no purchasing or distribution cooperatives in existence for the franchise system. Go Figure will also derive revenue from the designated supplier of payment processing services.

We do not provide material benefits to you (for example, renewal or granting additional franchises) based on your purchase of particular products or services or use of particular suppliers.

ITEM 11 FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Pre-opening Obligations.

Before you open the Center for business:

1. We will provide you with available pre-determined territory options, one of which you will select and in which you must locate your Center before you sign the Franchise Agreement. We will approve or refuse to approve the specific Center site within 30 days of receiving all requested information. (Franchise Agreement, Sections 3.1. and 3.2.)
2. We will admit all of your Owners to our initial training program, which is described below. You will pay a reasonable tuition fee for any additional attendees you request, and we permit to participate in our initial training program. (Franchise Agreement, Section 5.1.)
3. We will provide you with access to a digital copy of our Manuals. (Franchise Agreement, Section 8.1.) The Table of Contents of our Confidential Operations Manual is attached to this disclosure document as Exhibit E. Our Manual contains 185 pages.

4. We will provide such pre-opening consultation and advice as we deem appropriate, which may include advice with regard to the development and operation of the Center, building layout, furnishings, fixtures, and equipment, plans and specifications, employee recruiting, selection, and training, purchasing and inventory control, and such other matters as we deem appropriate. (Franchise Agreement, Section 5.4.)

Continuing Obligations.

During the operation of the Center:

1. We will provide such ongoing consultation and advice as we deem appropriate, which may include information about new service and product development, instruction concerning the operation and management of the Center, advertising and marketing advice, and financial and accounting advice. (Franchise Agreement, Section 5.5.)
2. We will communicate to you information about our approved and designated suppliers. (Franchise Agreement, Section 6.6.)

Advertising

Currently, our advertising program for the products and services offered by the OsteoStrong® Centers consist of online marketing campaigns, dissemination of direct mail, brochures, and press releases, other print media, as well as outreach osteoporosis awareness presentations and bone density screenings. Our advertising materials are created in house; however, we may use the services of an outside agency in our sole discretion.

We will maintain control over all promotional and marketing materials to be used in your Center. You may, at your option and at your expense, submit to us proposed materials. If we approve the materials, we will use our best efforts to notify you within 15 days of our receipt of the materials. Materials that are not approved within this 15-day period are considered not approved.

We do not require you to contribute to an advertising fund, but we impose an Advertising Fee calculated as the greater of 1% of Gross Revenues or \$500 per month. The Advertising Fee will be used to compensate us for creating and producing, advertising, and marketing promotion materials and public relations that we make available to you for purchase or to use at no additional cost.

The Advertising Fee monies will not be held in a trust or escrow account, and we will not have any fiduciary obligations to you with respect to the Advertising Fee. Advertising Fee monies are not audited and, as Advertising Fees are not subject to the restrictions of a fund, no financial statements related to advertising fees will be available for review by franchisees. We will determine the use of the Advertising Fee monies. We will not be required to spend any particular amount on marketing, advertising, or promotion in the area in which your Center is located, nor any pro rata amount based upon your Advertising Fee contribution.

You are not required to participate in local or regional advertising cooperatives. We do not currently have an advertising council composed of franchisees.

OsteoStrong Proprietary Digital Marketing System

We have developed a proprietary digital marketing lead generation system which includes marketing strategies through social media channels, pre-sale assistance, online training and coaching, and monitoring of system performance. The current fee for participation in the proprietary digital marketing lead generation system includes a one-time \$500 set up fee, a monthly administrative fee of \$997 per month, and an ad spend ranging from \$1,000 to \$3,000 per month. While there is a minimum required ad spend of \$1,000 per month, any additional ad spend may be made at additional \$500 increments at your discretion. Currently, we require that you participate in this marketing program during the period beginning at least two full months prior to the date your Center will open for business through the third full month after your

Center opens for business. After this period, participation is currently optional. As these fees are dependent on third party provider charges, the fees are subject to change. We reserve the right to revise the list of services offered, and to modify or terminate the digital marketing system, as well as participation requirements, at our discretion.

Computer Systems

You must license from our affiliate, Go Figure, the use of our required Operations Software. Our Operations Software generates customer data, membership data, processes recurring payments and point of sale purchases, inventory, employee compensation, and other business reports, information and other relevant features and statistics needed for the operation of an OsteoStrong® Center. You must ensure that the Operations Software is connected to the Internet via a high-speed Internet connection at all times. The Operations Software will only operate in conjunction with a Windows operating system. Therefore, in addition to the Operations Software, you must purchase and/or license, install, and maintain the latest version of Microsoft operating system on your computer. You must also license through us and use in connection with the Center QuickBooks Online software.

With respect to computer hardware, you are required to purchase and install a minimum of one computer, one monitor, and one multi-functional printer. Updates or replacement of computer hardware and software may be required. There is no contractual limitation on the frequency or cost of these obligations. All computer system hardware requirements must be purchased in accordance with our specifications.

The approximate cost to purchase the required computer system hardware and other software ranges from \$2,500 to \$3,500. This includes the \$1,500 you will pay to Go Figure for your initial set-up fee to use the Operations Software, a barcode scanner and a credit card swiper. You must also use QuickBooks Online, which is currently \$30 per month.

Before you may use the Operations Software, you must execute the software license agreement required by Go Figure, a copy of which is included in Exhibit C of this disclosure document, as well as any other agreements required by suppliers. The current total for software licensing fees for all of the Operations Software, including Go Figure and QuickBooks Online currently totals \$149 per month. These fees are subject to increase by Go Figure and suppliers. Go Figure provides updates and upgrades to the Operations Software during the term of the franchise at no additional charge to you.

We have also established an Technology and Education Fee, currently \$600 per month, where a portion of these fees are for the use of our online systems such as e-mail, Center microsite setup and hosting, and which we may use to offset our costs and expenses related to software and technology related costs as intranet development, support, maintenance, and related costs; software or application development, customization, and implementation; online or Internet or digital related support; hardware and/or software support; and other such technologically-related activities. The Technology and Education Fee also includes the Spectrum® License Fee for the use and function of your Spectrum® osteogenic loading equipment which is dependent on the Spectrum® software which operates the equipment. This software is licensed to you by us under the Spectrum® Software License Agreement included as Attachment L of the franchise agreement included in this disclosure document. There is no initial license fee due to us, however the recurring license fee is included in the Technology and Education Fee.

At our request, you must install at the Center and maintain interactive multi-media equipment, devices, and facilities that we require, including approved music systems, wireless internet, and interactive displays.

You must (a) use any proprietary software programs, system documentation manuals, and other proprietary materials that we require in connection with the operation of the Center; (b) input and maintain in your computer such data and information as we prescribe; and (c) purchase new or upgraded software programs, system documentation manuals, and other proprietary materials at then-current prices whenever we adopt new or upgraded programs, manuals and materials system-wide. You must enter into all software license

agreements, “terms of use” agreements, and software maintenance agreements, in the form and manner we prescribe, and pay all fees that we or the software provider may impose.

We may independently poll your active members, gross sales, and other information input and compiled by the software we require you to use from a remote location. There is no limitation on our right to access this information. We own all data obtained from your software and records, and we are not restricted on how we choose to use the data.

Except as described above, neither we, nor our affiliates, nor any third parties, must provide ongoing maintenance, repairs, upgrades, or updates to your computer system or other computer equipment. Except as described above, there are currently no optional or required maintenance/upgrade contracts for the computer system or other computer equipment.

Initial Training Program

Within a reasonable time after you sign a Franchise Agreement for the Center, and generally no later than three weeks before the opening of your OsteoStrong® Center, we will provide initial training that your Managing Owner and your Center Manager (if not the Managing Owner) must attend or access online, which must be completed to our satisfaction. If you are both the Managing Owner and the Center Manager, you may have one other employee attend this training. Our initial training program will be held either at a classroom facility that we designate near an OsteoStrong® Center, at a certified training center that we designate, or through our online learning system. We will provide in-person training, the instructor(s), a digital training manual, and other materials as a part of our Initial Training Fee.

The initial training program is available online or held on an as-needed basis over a period of three days. The program is developed in part and overseen by our Chief Executive Officer, Kyle Zagrodzky, whose experience in the health and fitness industry dates back to September 1997, and who, as founder, has been with us since our inception. Assisting Mr. Zagrodzky in overseeing training is John Jaquish, Ph.D., who has over 10 years of experience in the field of osteogenic loading, biomedical engineering, and the design and development of the Spectrum® equipment and who has been with us since October 2015. We may also utilize the services of other individuals to assist in training.

If during the term of your franchise, you request additional on-site training, we may, at our discretion, provide additional on-site training, and you agree to pay our current daily rate for providing such assistance. You also must reimburse us for the out-of-pocket costs we incur in connection with providing such additional assistance, including travel, lodging and dining costs for the individual(s) providing the training. If during the term of your franchise, you request additional classroom training, we may, at our discretion, provide additional classroom training. You are also responsible for all other costs and expenses related to your employees’ attendance at such additional classroom training, including salary, travel, lodging, and dining costs.

We reserve the right to approve each attendee who is to attend our initial training program or any additional training options. Each individual attending our training programs must sign our then-current confidentiality agreement.

Site Selection and Opening

When you sign the Franchise Agreement, we will agree on a “Territory” within which you must locate the Center. You must acquire an acceptable site for the Center by no later than the Control Date identified in the Franchise Agreement (which is generally four months after the date you sign the Franchise Agreement). If you fail to acquire an acceptable site by the date that we mutually agree on before you sign the Franchise Agreement (the “Control Date”) we may terminate the Franchise Agreement. For each proposed site that you identify, you must deliver to us a franchise site application in a form that we prescribe, including information about the site as we may reasonably request to perform our evaluation. We will approve or refuse to approve your proposed site within 30 days of receiving all requested information about the site. The criteria that we use to evaluate the site include general location, neighborhood, population density, traffic patterns, parking, size, physical characteristics of existing buildings, and lease terms.

A Center usually opens for business within six months after the Franchise Agreement is signed. Factors which may affect the length of time between signing of the Franchise Agreement and opening for business include the time necessary to identify a location which we will accept; to obtain any financing you need; to obtain required licenses, permits, and governmental agency approvals; to fulfill local ordinance requirements; to complete construction, remodeling, alteration, and improvement of the Franchised Location, including the installation of fixtures, equipment, and signs; to complete our initial training program; and to complete the hiring and training of personnel. Delay in construction may be caused by inclement weather, material or labor shortages, labor union regulations, labor actions, slow deliveries, equipment shortages and similar factors.

When the site is selected, we will mutually agree on an Opening Date for the Center, which will be no later than 180 days after site selection. If no site has been selected within 180 days of the effective date of your Franchise Agreement, the Opening Date will be 12 months from the effective date of your Franchise Agreement. If you fail to open the Center by the Opening Date, we can terminate the Franchise Agreement.

ITEM 12 TERRITORY

You will operate the Center at a location that we have approved and may relocate the Center only with our prior written consent. We will consent to relocation if your lease expires or terminates through no fault of yours, or if the Center premises is destroyed or materially damaged by fire, flood, or other natural catastrophe, and you are not in default of the Franchise Agreement or any other agreement with us or our affiliates.

Prior to entering into your Franchise Agreement, you will select a pre-determined “Territory,” and a map of the Territory will be included in Attachment B to the Franchise Agreement accordingly. You will select a Center location from within your Territory identified in Attachment B. If your Center does not open for business by the Opening Date, we may approve another franchisee’s proposed Center location within your Territory. If we approve another franchisee’s Center location within your Territory, you will then need to select another available pre-determined Territory and your Franchise Agreement will be amended accordingly.

You may not offer goods or services to consumers outside your Territory without our prior written consent. Except in conjunction with approved advertising promotions, you may not directly market or solicit business outside your Territory without prior written authorization from us, including ad and Internet marketing. You may not distribute postcards, letters, fliers, e-mails, or other marketing communications outside your Territory, make telemarketing calls to clients located outside your Territory, or advertise in print or other media where two-thirds or more of the media circulation base or broadcast area is located outside your Territory.

During the franchise term, we will not own or operate, or grant anyone else the right to operate, a Center under the trademark OsteoStrong® within the Territory except if we purchase, merge, acquire, or affiliate with another business, we may continue to operate, franchise, or license the acquired business anywhere, including in the Territory, under the Marks or a different trademark.

We reserve to ourselves all other rights, including the right: (a) to own and operate and to grant others the right to own and operate Centers outside the Territory, regardless of their proximity to the Territory; and (b) the right to distribute products and services identified by the Marks, such as proprietary products, through alternative channels of distribution including mail order, catalog sales, and/or Internet sales. We are not required to compensate you if we exercise any of the rights specified above inside your Territory.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

Except for the Territory granted in your Franchise Agreement, we do not grant any rights of first refusal to obtain additional franchise rights. If you wish to develop additional Centers, you must enter into a new Franchise Agreement and meet all our current requirements for franchisees. There are no circumstances that permit us to modify your Territory, nor do we require that you meet a minimum sales quota.

The License Agreement remains in effect throughout the life of the patent and intellectual property necessary for the manufacture of the SPECTRUM® Suite and may only be terminated if we fail to pay the royalty fees and other payments due to PHS in connection with the License Agreement. If the License Agreement is terminated earlier as a result of our failure to pay, any equipment sold to franchisees will remain the property of the franchisee.

OF THE FRANCHISE BUSINESS

You must designate an individual who we approve and who successfully completes our initial training program as the Center Manager. The Center Manager oversees the day-to-day operation of the Center and must devote his or her full-time best efforts towards the management, operation, promotion, and growth of the business. We strongly recommend, but do not require, that an Owner be appointed as the Center Manager. If a non-Owner is appointed as the Center Manager, however, at least one Owner must oversee the general operations and business activities of the Center. We refer to this individual as the “Managing Owner.” The Managing Owner and the non-Owner Center Manager must successfully complete our initial training program.

The Center Manager may not engage in any other business or activity that requires substantial management responsibility or time commitment. If your Center Manager ceases to serve in, or no longer qualifies for, the position, you must designate a new Center Manager within 30 days. Each replacement Center Manager (whether an Owner or non-Owner) must successfully complete our initial training program before assuming responsibility.

If the franchisee is a business entity, each Owner identified in Attachment C to the Franchise Agreement must sign a Personal Guaranty and Undertaking substantially in the form attached as Attachment E-1 to the Franchise Agreement. Any individual who attends our initial training program, including your Center Manager, must sign a confidentiality and non-competition agreement substantially in the form attached as Attachment E-2 to the Franchise Agreement.

The term “Owner” means each individual or entity holding a beneficial ownership in the franchisee. It includes all shareholders of a corporation, all members of a limited liability company, all general and limited partners of a limited partnership, and the grantor and the trustee of the trust.

ITEM 16
RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

Except as described below, you must offer and sell all products and services that we require, and only the products and services that we have approved. We may add, eliminate and change products and service items periodically, and you must comply with all directives (which may require purchasing and installing additional equipment). There are no limits on our right to make changes. We may, on occasion, require you to test market products and/or services at your Center. You must cooperate with us in conducting these test marketing programs, and must comply with all rules and regulations that we establish.

All sales must be for retail consumption only, and you may not engage in wholesale sales of any kind through any channels of distribution without our prior consent. You may not sell proprietary products through any means of distribution other than from the Center location unless we expressly authorize in writing. We have the right to establish maximum, minimum or other retail pricing requirements to the extent permitted by law.

You are restricted by the Franchise Agreement, the Manual, and any other practice or custom with respect to the goods or services which you may offer, all of which must be approved by us. You are not restricted as to the customers whom you may solicit or service within your Territory; however, there are certain restrictions that apply outside of your Territory (See Item 12).

You may not operate any co-branding marketing system without our prior written consent, which may be withheld in our sole discretion. No vending, gaming machines, payphones, automatic teller machines, Internet kiosks, or other mechanical or electrical devices are permitted in your Center.

We may periodically enter into agreements with clients that we consider to be “National Account Clients” (that is, for example, clients that contract with us for group memberships, or memberships for individuals

from multiple locations). You agree to provide services to National Account Clients under the terms and conditions we have negotiated with the National Account Client. To the extent that we receive payment directly for the services provided for a National Account Client, we will deduct from the payment the amount of all fees and other payments that you owe to us, and remit to you the balance within a reasonable period of time. You cannot decline to service a National Account Client. Failure to service a National Account Client is grounds for your termination as a franchisee.

ITEM 19 FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the Franchise Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

We do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Kyle Zagrodzky, Chief Executive Officer, OsteoStrong Franchising, Inc., 8524 Highway 6 North, # 310, Houston, Texas 77095; (877) 893-0008, the Federal Trade Commission, and the appropriate state regulatory agencies.

FOR THE STATE OF INDIANA

1. Item 17, Additional Disclosures. The following statements are added to Item 17:

The Indiana Deceptive Franchise Practices Law (Indiana Code 23-2-2.7 et seq.) in general governs the relationship between the franchisor and the franchisee by forbidding certain provisions in the Franchise Agreement and related documents and by preventing the franchisor from engaging in certain acts and practices which could be considered coercive or oppressive to the master licensee. If any of the provisions of the Franchise Agreement conflict with this law, this law will control.

Any provisions requiring you to sign a general release of claims against us, including upon execution of the Franchise Agreement or a successor Franchise Agreement or transfer, does not release any claim you may have under the Indiana Deceptive Franchise Practices Law.

FOR THE STATE OF WASHINGTON

Franchisor was served with a civil investigative demand relating to a no-poaching provision that had been included in previous franchise agreements, which, among other things, requested copies of all franchise agreements used by Franchisor for any franchise in the State of Washington in the past five years. Franchisor entered into an Assurance of Discontinuance (AOD) with the State of Washington in which it agreed to, among other things, formally amend existing franchise agreements in the State of Washington within a certain timeframe, amend the other franchise agreements on a nationwide basis as such come up for either renewal or renegotiation during the ordinary course of business, and to notify all franchisees of the existence of the AOD. This matter was closed following the Washington Attorney General's acceptance of the AOD in the enforcement of the Consumer Protection Act and the approval and entry of the AOD by the State of Washington King County Superior Court dated December 27, 2019.

The following information supplements Item 5:

In lieu of an impound of franchise fees, the Franchisor will not require or accept the payment of any initial franchise fees until the franchisee has (a) received all initial training that it is entitled to under the franchise agreement or offering circular, and (b) is open for business.

The following information supplements Item 17:

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for

claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

The franchisor [uses/may use] the services of franchise brokers to assist it in selling franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. Do not rely only on the information provided by a franchise broker about a franchise. Do your own investigation by contacting the franchisor's current and former franchisees to ask them about their experience with the franchisor.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. 2. TERM

2.1. Term. The term of this Agreement shall begin on the Effective Date and shall expire, unless earlier terminated, on the Expiration Date indicated on the Summary Pages.

2.2. Successor Terms. You may renew the franchise granted by this Agreement for two additional five-year terms if, at the end of the initial term, each of the following conditions has been satisfied:

2.2.1. You have notified Franchisor of your intent to renew the franchise no less than 180 days and no more than 12 months prior to expiration of the then-current term;

2.2.2. You are not in default of any material provision of this Agreement, or of any other agreement between you and Franchisor or Franchisor's Affiliates, and you have complied with the materials terms and conditions of this Agreement throughout the term;

2.2.3. You have satisfied all monetary obligations owed to Franchisor, its Affiliates and third party suppliers;

2.2.4. You have renovated and refurbished the Center premises so that it reflects Franchisor's then-current image, trade dress, equipment, and furnishings requirements;

2.2.5. You have demonstrated to Franchisor's satisfaction that you have the right to remain in possession of the Center premises, or you have secured an alternate site with Franchisor's prior approval;

2.2.6. You comply with the then-current qualifications and training requirements;

2.3. Holdover. If you continue to accept the benefits of this Agreement after the expiration of the initial term but do not complete the requirements in Section 2.2., then at Franchisor's sole option, this Agreement may be treated as **(i)** expired as of the Expiration Date and you will be operating without a franchise or license to do so and in violation of Franchisor's rights to the Marks and System; or **(ii)** continued on a month-to-month basis (a "**Holdover Period**") and all your obligations will remain in full force and effect during the Holdover Period as if the Agreement had not expired; provided, however, that during any Holdover Period you will pay a Royalty Fee and Advertising Fee equal to 125% of the rates described in the Summary Pages. Each Holdover Period expires at the end of each calendar month unless this Agreement is continued as provided in this Section 2.3. The Holdover Period does not create any new franchise rights and upon

expiration of the final Holdover Period, you will be bound by all post-term obligations as provided in this Agreement.

3. SITE SELECTION; CONSTRUCTION; CENTER LOCATION

3.1. Site Selection. You must identify and acquire a site for the Center by the Control Date (the “**Control Date**”) specified in the Summary Pages. The site must be located within the Territory (the “**Territory**”) identified in Attachment B, must meet Franchisor’s then-current site selection criteria, and must otherwise be mutually acceptable to you and to Franchisor. If your Center does not open for business by the Opening Date, Franchisor may, without notice to you, allow any proposed center to be established within the Territory. If Franchisor approves another franchisee’s center location within your Territory, you will then need to select another available territory and your Franchise Agreement will be amended accordingly, in which amendment Franchisor reserves the right to include a general release to be executed by you and your Guarantors in Franchisor’s and its related parties’ favor. Franchisor may assist you in site selection, in its sole discretion, which assistance may include making available to you the services of the Franchisor’s designated marketing research firm. Ultimately, site selection is solely your responsibility.

3.2. Franchise Site Application. For each proposed site that you identify, you must deliver to Franchisor a completed franchise site application in a form Franchisor prescribes, including such information about the site as Franchisor may reasonably request to perform its evaluation. This information may include, among other things, a description of the proposed site, demographic and psychographic characteristics, traffic patterns, parking, character of the neighborhood, competition from other businesses in the area, the proximity to other businesses, the nature of other businesses in proximity to the site, and other commercial characteristics (including the purchase price, rental obligations, and other lease terms for the proposed site) and the size, appearance, other physical characteristics, and a site plan of the premises. Franchisor will approve or refuse to approve a proposed site within 30 days after the receipt of these documents and any additional information as Franchisor may reasonably require. Franchisor’s failure to provide notification within this time period shall not be considered either approval or disapproval. **The parties acknowledge and agree that Franchisor’s site approval is not an assurance that the Center will achieve a certain sales volume or level of profitability; it means only that the proposed site meets Franchisor’s minimum criteria for OsteoStrong® Centers.**

3.3. Lease. If you will occupy the Franchised Location under a lease with a third-party landlord, Franchisor shall have the right to approve the lease terms, and the lease shall not be signed until it has been reviewed and approved by Franchisor. **The parties acknowledge and agree that Franchisor’s approval of a lease does not mean that the economic terms of the lease are favorable, it means only that the lease contains the lease terms that Franchisor requires.** The lease must also contain the terms reflected in Attachment G, including Franchisor’s option to assume the lease in the event of expiration or termination of this Agreement. If the lease does not contain these terms Franchisor may, in its sole discretion, withdraw its consent to the selected site. The lease must be completed on or before the Control Date, and you shall provide to Franchisor a fully executed copy of the lease within 10 days after its execution.

3.4. Center Design and Build Out. You shall follow Franchisor’s procedures for the Center’s construction and build out, shall construct and build out the Center according to Franchisor’s standards and specifications for design, décor, and layout, and shall equip the Center according to Franchisor’s requirements for fixtures, furnishings, equipment, interior and exterior signage, artwork and graphics, and awnings. You are solely responsible for obtaining all government approvals, zoning classifications, permits, and clearances related to the Center, and for complying with applicable requirements of the Americans with Disabilities Act. During construction, you must maintain general liability and property damage insurance of the type and with the limits Franchisor requires, protecting you, Franchisor, and its Affiliates, and their respective partners, shareholders, directors, members, manager, agents, and employees. Such policy or policies shall be written by a responsible insurer or insurers acceptable to Franchisor and shall contain a waiver of subrogation in favor of Franchisor and its Affiliates, and their respective partners,

shareholders, directors, members, managers, agents, and employees. You shall notify Franchisor in writing when construction begins, and thereafter shall provide a monthly progress report. Franchisor and its designees have the right to inspect the site at all reasonable times.

3.5. Opening.

3.5.1. When a site is identified, the parties will mutually agree on an opening date (“**Opening Date**”) which will also be reflected on the Summary Pages. If no Opening Date is reflected in the Summary Pages, your default Opening Date will be the earlier of 180 days from the date you select a site or, if you fail to select a site within 180 days of the Effective Date of this Agreement, 12 months from the Effective Date of this Agreement.

3.5.2. You may open the Center for business only with prior written permission of Franchisor.

3.5.3. Franchisor will grant permission to open only if **(a)** all amounts due Franchisor under this Agreement, and to Franchisor's Affiliates under any agreement related to the Center, have been paid; **(b)** the Center has been constructed and equipped according to Franchisor's standards and specifications; **(c)** all of your pre-opening and training obligations have been satisfied; **(d)** Franchisor, or its designee, has received from you a credit card authorization and ACH authorization form (Attachment E) by no later than the Control Date; **(e)** Franchisor has received from you a fully executed copy of your Center lease containing the mandatory lease terms described in Attachment G; **(f)** Franchisor has received from you certificates of insurance as required by Article 11; and **(g)** you are otherwise in good standing under this Agreement.

3.6. Relocation. You may relocate the Center only with Franchisor's prior written consent. Franchisor will grant its consent if your lease expires or terminates through no fault of yours, or if the Center premises is destroyed or materially damaged by fire, flood, or other natural catastrophe (an “**Innocent Loss or Casualty**”) and you are not in default of this Agreement or any other agreement between you and Franchisor or its Affiliates. Selection of the relocation site and Center construction, renovation, and opening shall be governed by this Article 3; provided that if the relocation occurred as a result of an Innocent Loss or Casualty event, the Center must be open for business at the new location within 180 days of closing at the previous location; however, if the relocation occurred for any other reason, the Center must be open for business at the new location within five days of closing at the previous location. You are solely responsible for all relocation costs and expenses.

4. **FEES**

If any taxes, fees, or assessments are imposed on Royalty Fee payments by reason of Franchisor acting as a franchisor or licensing the Marks under this Agreement, you shall reimburse Franchisor the amount those taxes, fees, or assessments within 30 days after receipt of an invoice from Franchisor.

4.4. Technology Fee and Education and Spectrum® License Fee. You must also pay to Franchisor, on such date and in such manner as Franchisor designates, ~~ana~~ Technology fee and a combined Education and Spectrum® License Fee in the amount indicated on the Summary Pages. Franchisor, in its discretion, may collect the taxes in the same manner as Royalty Fees are collected and promptly pay the tax collections to the appropriate governmental authority; provided, however, that unless Franchisor so elects, it shall be your responsibility to pay all sales, use or other taxes now or hereinafter imposed by any governmental authorities on initial franchise fees, royalty fees and advertising fees.

4.11. Partial Payments; Application of Payments. If you pay less than the amount due, your payment will be considered a partial payment on account. 5.3. Pre-Opening Consultation. Franchisor shall provide such pre-opening consultation and advice as it deems appropriate, which may include advice with regard to the development and operation of the Center, building layout, furnishings, fixtures, and equipment, plans and specifications, employee recruiting, selection, and training, purchasing and inventory control, and such other matters as Franchisor deems appropriate.

5.4. Ongoing Consultation. Franchisor shall provide such ongoing consultation and advice as it deems appropriate, which may include information about new service and product development, instruction concerning the operation and management of OsteoStrong® Center, advertising and marketing advice, and financial and accounting advice. Such consultation and advice may be provided, in Franchisor's discretion, through Center visits by Franchisor personnel, via meetings, seminars or conferences, and/or through dissemination of electronic or printed materials.

5.5. Additional Training. You shall cause the Managing Owner (if the Managing Owner is not also the Center Manager), the Center Manager, and other employees that Franchisor designates to attend such additional courses, seminars, and other training programs as Franchisor may reasonably require. Franchisor may charge a reasonable tuition for these additional courses, seminars, or other training programs, and you are responsible for all training-related costs and expenses including, without limitation, salary, travel, lodging, and dining costs for all employees who participate in the training.

5.6. Additional On-Site Training. In the event that you fail two consecutive quality inspections Franchisor may, in its sole discretion, require the Center Manager (or, if the Center Manager is also the Managing Owner then one additional employee) to attend up to three days of on-site training. You will bear all costs for such additional training including, but not limited to Franchisor's current daily rate for providing such training and all travel expenses, provided, however, that such daily rate will not increase more than 50% in each calendar year.

5.7. Performance by Delegate. You acknowledge and agree that any rights or duties of Franchisor may be exercised and/or performed by any of Franchisor's designees, agents, or employees.

6. OPERATION OF THE CENTER

(c) To maintain your premises and conduct your Center operations, at all times, in compliance with all applicable laws, regulations, codes and ordinances including, without limitation, (i) all governmental regulations relating to sales, advertising and membership cancellation rights of health club memberships, and all bonding requirements, and (ii) all applicable laws pertaining to the privacy of consumer, employee and transactional information ("**Privacy Laws**").

(d) To notify Franchisor by telephone and confirm in writing within 72 hours of any investigation or violation, actual or alleged, concerning any health or safety regulations, and notify Franchisor in writing within five days of the commencement of any investigation, action, suit or proceeding, and the issuance of any order, writ, injunction, award, or decree of any court, agency or other government instrumentality, which may adversely affect the operation or financial condition of the Center.

(e) Upon the occurrence of a Crisis Management Event, to immediately inform Franchisor's President (or as otherwise instructed in the Manuals) by telephone, and to cooperate fully with Franchisor with respect to Franchisor's response to the Crisis Management Event.

6.2. Center Manager.

6.2.1. The Center must be supervised by a Center Manager. The Center Manager may, but is not required to be, the Managing Owner. The Center Manager shall have full control (to the extent granted by Franchisee) over day-to-day Center management and operations. The Center Manager and, if the Center Manager is not also the Managing Owner then the Managing Owner, must attend and successfully complete Franchisor's initial training program and all additional training that Franchisor requires, to Franchisor's satisfaction. If the Center Manager is the Managing Owner, Franchisor may require that one additional employee also successfully complete Franchisor's initial and any additional training programs. The Center Manager shall devote his or her full-time best efforts to Center operations, and shall not engage in any other business or activity, directly or indirectly, that requires substantial management responsibility or time commitment. Franchisor shall have approved the Center Manager as meeting its then-current qualifications for such position.

6.2.2. If the Center Manager ceases to serve in, or no longer qualifies for, such position, you shall designate another qualified person to serve as your Center Manager within 30 days after the date the prior Center Manager ceases to serve or no longer qualifies to serve. Any proposed replacement Center Manager must successfully complete the initial training program and such other training required by Franchisor, and be approved by Franchisor, before assuming his or her position as Center Manager and, in no event, later than 90 days after the previous Center Manager ceased to serve in such position.

6.3. Employee Policy; Uniforms and Employee Appearance. You shall maintain a competent, conscientious, and trained staff, and shall take such steps as are necessary to ensure that your employees and/or Center representatives preserve good customer relations; render competent, prompt, courteous, and knowledgeable service. You shall cause all employees and/or Center representatives, while working at the Center, to: (a) wear uniforms of such color, design, and other specifications as Franchisor may designate from time to time, and (b) present a neat and clean appearance. In no case shall any of your employees

and/or independent technicians wear his or her OsteoStrong® uniform while working for you at any location other than the Center. You are responsible for the training of your own employees.

6.4. Authorized Equipment; Related Agreements and Fees. You must use in the operation of the Center only the proprietary or non-proprietary equipment that Franchisor specifies in the Manuals or other written directives. You must purchase or lease all equipment that Franchisor designates for use in connection with the Center from Franchisor or Franchisor's designated suppliers. Franchisor will supply to you a copy of the current equipment list prior to your opening of the Center. You acknowledge and agree that Franchisor may change the list periodically and that you are obligated to conform to the requirements. This may include, but is in no way limited to, the purchase and installation of additional equipment and replacing existing equipment. You will not be allowed to open or operate the Center with any unapproved equipment. If any of the suppliers, manufacturers, or licensors of the required equipment, which may include Franchisor or its affiliates, require that you enter into an agreement related to your purchase, installation, license, or use of the Center equipment, you agree to execute such agreements and to pay any and all payments and fees such parties may impose in connection with the Center equipment.

6.5. Memberships. You must sell memberships ("Memberships") only on such terms and conditions as Franchisor specifies periodically. All Memberships must be evidenced by a written or, if approved or required by Franchisor, electronic agreement ("Membership Agreement") and all member and billing information must be promptly and accurately entered into the approved computer system according to Franchisor's then-current policies. You must use Membership Agreements that are based on Franchisor's then-current standard form of Membership Agreement, with the exception, however, that there may be state and local laws that may require you to alter the membership agreement in the jurisdictions under which your Center operates – you must abide by those laws. Any changes to the form document must be approved in writing by Franchisor. The Membership Agreement must include: (i) a reciprocity provision that permit members from your Center to use other OsteoStrong® centers and permits another OsteoStrong® center Member to also use your Center, (ii) a waiver and release of Franchisor and Franchisor's Affiliates and (iii) a statement identifying the Center as an independently-owned franchised location. You must permit members of other OsteoStrong® centers to use your Center under such terms and conditions as Franchisor may state in writing from time to time. All Membership Agreements and all billings of any type must be processed through Franchisor's approved processing system (which is currently the iGo Figure System).

You may only solicit memberships to persons residing or employed in your Territory. Franchisor or other franchisees may solicit memberships within your Territory (for example, if territories overlap). Unless approved by Franchisor in writing, all membership sales must be made face-to-face. You may solicit, advertise, and accept memberships online or outside your Territory only with our prior approval or in accordance with our then-current policies. We have the right to prohibit or cancel memberships you sell that will expire beyond the expiration date of your Term or any exercised renewal term. You are responsible for all refunds or liabilities to your members due to the cancelation of memberships as provided in this Section 6.5. You must execute the Membership Contract Assignment Agreement in the form attached as Attachment K.

6.6. Member Administration and Mediation. Franchisor or an Affiliate may from time to time engage in administrative tasks related to member administration such as administering the membership transfer and reciprocity programs. You agree that Franchisor may take those actions in accordance with Franchisor's then-current policies, which may include transferring members to and from your Center and providing on-line member enrollment. You agree that Franchisor may make such corrections as necessary, including that if a member is mistakenly transferred to the wrong center, Franchisor may issue credits and charges for the membership dues to the affected centers. Any actions Franchisor takes for member administration are for the benefit of the brand and uniformity in the System and not to exercise control over your business.

6.7. Authorized Services and Product Offerings. You must offer and sell all services and products that Franchisor requires, and only those services and products that Franchisor has approved. Franchisor may add, eliminate and change authorized services and/or products, in its sole discretion, and you must comply

with all directives (which may require purchasing and installing additional equipment). You shall package all products in accordance with Franchisor's standards and procedures as communicated to you from time to time via the Manual or other written directives. Such standards and procedures may include, without limitation, use of packing and marketing paraphernalia bearing the Marks, and other standards for displaying for sale the proprietary products and other items approved by Franchisor for retail sale. You shall participate in all market research programs that Franchisor requires, which includes test-marketing new services and/or products, purchasing a reasonable quantity of new products for test-marketing, promoting the sale of the new services and/or products. You shall provide Franchisor with timely reports and test results for all such programs.

6.8. Purchase Requirements. You shall purchase and install, at your expense, all fixtures, furnishings, equipment, décor, signs, and other items as Franchisor may reasonably direct; and shall refrain from installing or permitting to be installed on or about the Center premises any fixtures, furnishings, equipment, décor, signs, vending or game machines, or other items not approved by Franchisor. In addition, you shall purchase and use only products, packaging materials, and supplies that conform to Franchisor's standards and specifications; and shall purchase, use, offer and/or promote OsteoStrong® products which are produced or manufactured in accordance with Franchisor's proprietary specifications and/or formulas or which Franchisor designates as "**Proprietary Products**".

6.9. Purchases from Designated Sources. Franchisor and its Affiliates may act as suppliers of goods, services, products, and/or supplies to be purchased by you, including, without limitation, the Proprietary Products, membership identification supplies, marketing collateral, and your computer hardware and software ("**Goods and Services**"), and may designate themselves as the sole suppliers of any such Goods and Services. You shall purchase your requirements of Goods and Services from Franchisor or its designated sources, which purchase price shall also include all taxes and shipping costs. Such Goods and Services shall be made available for purchase at then-current published prices according to the supplier's then-current purchase terms and conditions. You shall purchase all other products, equipment, supplies and materials used or sold at or by the Center solely from suppliers (including Franchisor, or its Affiliates, and manufacturers, wholesalers, and distributors) designated or approved by Franchisor. Franchisor may also designate specific accounts, channels, processes and/or procedures which you agree to purchase through or abide by in connection with your purchase of any Goods and Services, products, equipment, supplies, and materials used or sold at or by the Center.

You acknowledge and agree that Franchisor and its Affiliates may negotiate purchase arrangements with suppliers for your benefit and may derive revenue or obtain rebates, bulk pricing discounts or allowances for their own account from approved or designated suppliers if rebates or other considerations become available because of your purchases of products or services. If you desire to purchase products or equipment from sources other than approved suppliers, or offer the use of unapproved equipment at your Center, you shall submit to Franchisor a written request to approve the proposed supplier and/or equipment, together with such information as Franchisor may request and evidence of conformity with Franchisor's specifications as Franchisor may reasonably require, or shall request the supplier itself to do so. Franchisor shall have the right to inspect and evaluate the supplier's facilities and products or equipment to be supplied. Franchisor may from time to time re-inspect and re-evaluate the facilities and products and equipment of any approved supplier and revoke its general approval of particular products, equipment, or suppliers when Franchisor determines, in its sole discretion, that such products, equipment or suppliers no longer meet Franchisor's standards. Upon receipt of written notice of such revocation, you shall cease to offer the use of such equipment at the Center, or cease to sell any disapproved products and cease to purchase from any disapproved supplier. Franchisor reserves the right to condition its approval of any proposed product or equipment on such terms Franchisor decides in its sole discretion, including, without limitation, your execution of a general release in Franchisor's and its related parties' favor, your agreement to obtain additional insurance, your agreement to attend additional training, and your agreement to a test period.

6.10. Franchised Location.

6.10.1. You shall maintain the Center (including adjacent public areas) in a clean, orderly condition and in excellent repair and in accordance with Franchisor's standards. You shall, at your expense, make such additions, alterations, repairs, and replacements under this Agreement as may be required for that purpose, including, without limitation, such periodic repainting, repairing, and replacing of obsolete or deteriorated signs, furnishings, fixtures, equipment, and décor as Franchisor may reasonably direct. Upon Franchisor's request, you shall install and maintain at the Center interactive multi-media equipment, devices, and facilities Franchisor requires, including, without limitation, approved music systems, Wi-Fi and other wireless internet and communications systems, and interactive displays, including LCD screens.

6.10.2. You shall not cause or permit vending, gaming machines, pay telephones, automatic teller machines, Internet kiosks or any other mechanical or electrical device to be installed or maintained at the Franchised Location.

6.10.3. You shall purchase and install, at your expense, all fixtures, furnishings, equipment, décor, signs, and other items as Franchisor may reasonably direct from time to time in the Manual or otherwise in writing in accordance with Franchisor's standards and specifications; and shall refrain from installing or permitting to be installed on or about the Franchised Location, any fixtures, furnishings, equipment, décor, signs, vending or game machines or other items not previously approved in writing as meeting Franchisor's standards and specifications.

6.10.4. At Franchisor's request, you shall make such alterations as may be necessary to reflect new product offerings and marketing incentives, including updating or replacement new interior signage, graphics, and/or point of sale materials.

6.10.5. At Franchisor's request, but not more often than once every 60 months (and in addition to any work which you may undertake pursuant to other sections of this Agreement), you shall refurbish the Center, at your own expense, to conform to the building design, trade dress, color schemes, and presentation of the Marks in a manner consistent with the then-current public image for new or remodeled OsteoStrong® Centers in the System, including, without limitation, replacement or renovation of equipment, remodeling, redecoration, and modifications to existing improvements and reasonable structural changes that Franchisor may reasonably require or that may be required by law.

6.11. Days and Hours of Operation. You shall cause the Center to be open and in normal operation for such minimum hours and days as Franchisor may specify in the Manual or in other written directives. Unless otherwise approved by Franchisor in advance and in writing, the Center will not be open for operation without the minimum number of required staff on duty at the Center location.

6.12. Quality Assurance Inspections; Testing. Franchisor shall have the right to enter upon the Center premises during regular business hours to inspect the Center for quality assurance purposes. You shall allow Franchisor from time to time to obtain samples of ingredients, products and supplies, without charge, to test for quality assurance purposes. Franchisor reserves the right to conduct remote inspections as well, and you agree to cooperate, participate, and facilitate any such remote inspections.

6.13. Modification to the System. At your own expense, you shall make such alterations, additions, or modifications to the Franchised Location as Franchisor may reasonably require to implement changes to the System, including, without limitation, changes to products, services or market positioning. You shall make all such changes within 90 days from receipt of notice. You shall not implement any modification to the System without Franchisor's express prior written consent.

6.14. Pricing. To the fullest extent permitted by applicable law, Franchisor reserves the right to establish maximum, minimum or other pricing requirements with respect to the prices you may charge for Memberships, products or services.

6.15. Intranet/Extranet System. Franchisor may, at its option, establish and maintain an intranet or extranet system through which franchisees of the OsteoStrong® network may communicate and through

which Franchisor may disseminate updates to the Manual and other Confidential Information. Franchisor will have no obligation to establish or to maintain the intranet indefinitely, and may dismantle it at any time without liability to you. Franchisor may establish policies and procedures for the intranet's use. Franchisor expects to adopt and adhere to a reasonable privacy policy. However, you acknowledge that, as administrator of the intranet, Franchisor can access and view any communication that anyone posts on the intranet. You further acknowledge that the intranet facility and all communications that are posted to it will become Franchisor's property, free of any claims of privacy or privilege that you or any other individual may assert. If you fail to pay when due any amount payable to Franchisor under this Agreement, or if you fail to comply with any policy or procedure governing the intranet, Franchisor may temporarily suspend your access to any chat room, bulletin board, listserv, or similar feature the intranet includes until such time as you fully cure the breach.

6.16. Website. Franchisor may, but shall not be obligated to, establish and maintain from time to time Franchisor's Website to provide information about the System and the goods and services that OsteoStrong® Centers provide, even though Franchisor's Website is accessible by persons in your trade area. Franchisor has sole discretion and control over the design and content of Franchisor's Website.

6.17. National Accounts. Franchisor may periodically enter into agreements with clients that Franchisor considers to be "**National Account Clients**" (that is, clients that contract with Franchisor for group memberships or memberships for individuals in multiple locations or other clients which contract for products or services, to be provided by multiple OsteoStrong® Centers). You agree to provide Center products and services to National Account Clients under the terms and conditions Franchisor has negotiated with the National Account Client. To the extent that Franchisor receives payment directly for the products purchased or services performed for a National Account Client, Franchisor will deduct from the payment the amount of all fees and other payments that you owe to Franchisor or its Affiliates, and remit to you the balance within a reasonable period of time following the payment. You cannot decline to service a National Account Client. Failure to service a National Account Client is grounds for termination under this Agreement.

6.18. Restriction on Transfer or Sale of Proprietary Equipment. At all times during the Term of this Agreement as well as after the expiration or termination of this Agreement, you agree that you are prohibited from selling, transferring, leasing, or otherwise disposing of the Proprietary Equipment in any way that is not expressly approved by Franchisor in advance in writing, which Franchisor may be withheld or conditioned at Franchisor's sole discretion. Franchisor further reserves the right to strictly prohibit any sale, transfer, lease or disposition of the Proprietary Equipment.

7. PROPRIETARY MARKS AND COPYRIGHTS

7.1. Franchisor's Representations. Franchisor represents to you that it has obtained from its Affiliate a license to use and to sublicense to you the right to use the Marks in accordance with the terms and conditions of this Agreement.

7.2. Acknowledgments. You expressly acknowledge that Franchisor or its Affiliate owns all right, title, and interest in and to the Marks and the goodwill associated with the Marks, and that you have no ownership interest in the Marks. You agree not to use any other Marks or any marks, names or indicia of origin that are or may be confusingly similar to the Marks in your own corporate or business name except as authorized in this Agreement. You further acknowledge and agree that any and all goodwill associated with the Center and identified by the Marks is Franchisor's property and shall inure directly and exclusively to the benefit of Franchisor and that, upon the expiration or termination of this Agreement for any reason, no monetary amount shall be assigned as attributable to any goodwill associated with your use of the Marks. You understand and agree that any use of the Marks other than as expressly authorized by this Agreement, without Franchisor's prior written consent, may constitute an infringement of Franchisor's rights herein and that the right to use the Marks granted herein does not extend beyond the termination or expiration of this Agreement.

7.3. Use of the Marks. You shall use only the Marks designated by Franchisor, shall use them only in the manner that Franchisor authorizes and permits, and shall use them with the symbols “®”, “™”, or “SM”, as appropriate. You shall use the Marks only in connection with the operation and promotion of the Center, and only in the manner prescribed by Franchisor. You may not contest ownership or validity of the Marks or any registration thereof, or engage in any conduct that adversely affects the ownership or registration of the Marks, or Franchisor’s right to use or to sublicense the use of the Marks. You shall execute all documents that Franchisor requests in order to protect the Marks or to maintain their validity and enforceability.

7.4. Restriction Against Use in Your Corporate Name. You may not use the Marks or any part thereof in your corporate name, and may not use them to incur any obligation or indebtedness on Franchisor’s behalf.

7.5. Restriction Against Use of the Marks and Copyrighted Works on the Internet. You may not use the Marks or any part or derivative thereof or any of Franchisor’s Copyrighted Works on the Internet, except as expressly permitted by Franchisor in writing. Without limiting the generality of the foregoing, you may not use the Marks or any part or derivative of the Marks as part of any URL or domain name, and may not register as part of any username on any website (including commercial, gaming, video sharing, user review, and social networking websites), or as part of any unauthorized email address. You also may not display on any website (including commercial, gaming, video sharing, user review, and social networking websites) Franchisor’s Copyrighted Works, which include the design portion of its Marks, or any collateral merchandise identified by the Marks.

7.6. Notice. You shall identify yourself as an independent franchise owner of the Center in conjunction with any use of the Marks or operation of the Center, including, but not limited to, such use on invoices, order forms, receipts, business stationery, business cards, and contracts, as well as at such conspicuous locations at the Center as Franchisor may designate in writing. The form and content of such notice shall comply with the standards set forth in the Manuals.

7.7. Infringement. You shall promptly notify Franchisor of any suspected unauthorized use of, or any challenge to the validity of the Marks or Copyrighted Works, or any challenge to Franchisor’s or its Affiliate’s ownership of, Franchisor’s license to use and to license others to use, or your right to use, the Marks or Copyrighted Works licensed under this Agreement. You acknowledge that Franchisor or its Affiliate has the right, but not the obligation, to direct and control any administrative proceeding or litigation, or other adjudicative proceeding involving the Marks or Copyrighted Works, including any settlement thereof. Franchisor or its Affiliate has the right, but not the obligation, to take action against third parties for infringement of the Marks or Copyrighted Works or defend you against any third-party claim, suit, or demand arising out of your use of the Marks or Copyrighted Works. In the event of any litigation relating to your use of the Marks or Copyrighted Works, you shall execute any and all documents and do such acts as may, in the opinion of Franchisor, be necessary to carry out such defense or prosecution, including, but not limited to, becoming a nominal party to any legal action. Franchisor may, in its sole discretion, elect to bear the cost of such defense or prosecution, including the cost of any judgment or settlement. Except to the extent that such litigation is the result of your use of the Marks or Copyrighted Works in a manner inconsistent with the terms of this Agreement, Franchisor may also agree to reimburse you for your associated costs.

7.8. Changes to the Marks. Franchisor reserves the right, in its sole discretion, to designate one or more new, modified or replacement Marks for your use and to require your use of any such new, modified or replacement Marks in addition to or in lieu of any previously designated Marks. You must comply with any such directive within 60 days following your receipt of Franchisor’s written notice to you, and you are responsible for all related costs and expenses.

8. SYSTEM, MANUALS, AND INFORMATION

8.1. Manuals. Franchisor will provide you with access to a digital copy of the Manuals. You shall operate the Center in accordance with the standards, methods, policies, and procedures specified in the Manuals. The Manuals shall at all times remain the sole property of Franchisor and shall be kept in a secure place at the Franchised Location. You shall ensure that your copy of the Manuals are kept current at all times, and in the event of any dispute as to the contents of the Manuals, the terms of the master copy of the Manuals maintained by Franchisor shall be controlling.

8.2. System Modification. You acknowledge that the System, Franchisor's Manuals, and the products and services offered by the Center may be modified, (such as, but not limited to, the addition, deletion, and modification of operating procedures, products and services) from time to time by Franchisor. You agree to comply, at your expense, with all such modifications, including, without limitation, all requirements to implement the modifications, such as replacement or renovation of equipment, remodeling, redecoration and modifications to existing improvements, including structural changes. Franchisor shall notify you of any such System changes and you shall implement any System changes upon receipt of notice thereof from Franchisor, and shall complete their implementation within such time as Franchisor may reasonably specify. For purposes of this Agreement, System changes shall include, without limitation, changes in any of the categories referred to in this Section 8.2. No such modification will alter your fundamental status and rights as a franchisee under this Agreement.

8.3. Compliance with System and Manuals. You agree that the uniformity and consistency of the operation of all OsteoStrong® centers is mutually beneficial to Franchisor and franchisees. You also agree that your full and strict compliance with the Manuals and System and any changes thereto is necessary to protect the reputation and goodwill of Franchisor, and the reputation, goodwill, value, and integrity of the Marks and System, and that such compliance is essential, material, and vital to the operation of your Center. Therefore, you agree to always be in full and strict compliance with all parts of the Manuals and System and that your failure to comply is a material default of this Agreement. In addition, in the event that during the Term of this Agreement you are not in strict compliance with the Manuals and System and any changes thereto, you will pay to Franchisor a Compliance Administration Fee of \$300 per month until you are fully and strictly compliant with the Manuals and System. This Assessment is not a punitive fee or a penalty and is meant to compensate Franchisor for the monitoring of your noncompliance, for any administrative costs and efforts incurred in connection with your noncompliance.

8.4. Confidentiality. You shall maintain the confidentiality of all Confidential Information. You shall use Confidential Information only in connection with the operation of the Center, and shall divulge Confidential Information only to your employees and only on a need to know basis. You hereby acknowledge and agree that all Confidential Information, including Member Information, belongs exclusively to Franchisor. This obligation shall survive termination or expiration (without renewal) of this Agreement.

9. ADVERTISING AND MARKETING

9.1. General. All of your promotional and marketing materials shall be presented in a dignified manner and shall conform to Franchisor's standards and specifications related to advertising, marketing, and trademark use. You shall submit to Franchisor samples of proposed promotional and marketing materials, and notify Franchisor of the intended media, before first publication or use. Franchisor shall use good faith efforts to approve or disapprove proposed promotional and marketing materials within 15 days of their receipt. You may not use the promotional or marketing materials until Franchisor expressly approves the materials and the proposed media. Once approved, you may use the materials only in connection with the media for which they were approved. Franchisor may disapprove of your promotional or marketing materials, or the media for which they were approved, at any time, and you must discontinue using any disapproved materials or media upon your receipt of written notice of disapproval.

9.2. Grand Opening Advertising. Your required grand opening advertising expenditures consist of your participation in Franchisor's proprietary digital marketing system as set forth in Section 9.5.1 below.

9.3. Advertising Fee. Each month during the Term, you shall pay to Franchisor the Advertising Fee in the amount stated in the Summary Pages in consideration ~~for~~^{of} the advertising and marketing services that Franchisor provides in its discretion. You shall submit payment of the Advertising Fee in the same manner as the Royalty Fee and on such Due Date as Franchisor designates.

9.4. Loyalty Programs, Prize Promotions, and Promotional Literature.

9.4.1. You shall participate in and offer to your customers: **(a)** all customer loyalty and reward programs; and **(b)** all contests, sweepstakes, and other prize promotions; which Franchisor may develop from time to time. Franchisor will communicate to you in writing the details of each such program or promotion, and you shall promptly display all point-of-sale advertising and promotion-related information at such places within the Center as Franchisor may designate. You shall purchase and distribute all coupons and other collateral merchandise designated by Franchisor for use in connection with each such program or promotion.

9.4.2. If Franchisor develops or authorizes the sale of gift certificates and/or stored value cards, loyalty cards and/or customized promotional receipts, you shall acquire and use all computer software and hardware necessary to process their sale and to process purchases made using them and be solely responsible for the service charges related to such processing. All proceeds from the sale of all gift certificates and/or loyalty cards belong exclusively to Franchisor, and you shall remit the proceeds of such sales to Franchisor according to the procedures that Franchisor prescribes periodically. Franchisor shall reimburse or credit to you (at Franchisor's option) the redeemed value of gift certificates and/or loyalty cards accepted as payment for products and services sold by the Center.

9.4.3. You also shall display at the Center all promotional literature and information as Franchisor may reasonably require from time to time. This may include, among other things, displaying signage or other literature containing information about the OsteoStrong® franchise offering.

9.4.4. You also agree to honor such credit cards, courtesy cards, and other non-cash or credit devices, programs, and plans as may be issued or approved by us from time to time. Any reasonable and customary service charges or discounts from reimbursements charged on such cards or authorizations will be at your sole expense. The parties acknowledge and agree that protection of customer privacy and credit card information is necessary to protect the goodwill of businesses operating under the Marks and System. Accordingly you agree that you shall cause the Center to meet or exceed, at all times, all applicable security standards developed by the Payment Card Industry Standards Council or its successor and other regulations and industry standards applicable to the protection of customer privacy and credit card information. You are solely responsible for educating yourself as to these regulations and standards, and for achieving and maintaining applicable compliance certifications. You shall defend, indemnify, and hold Franchisor harmless from and against all claims arising out of or related to your violation of the provisions of this Section 9.4.4. You further agree to provide Franchisor with any information Franchisor requires concerning your compliance with the requirements in this Section, and to demonstrate your compliance on reasonable request, which may include undergoing an independent third party audit. In the event you are unable to demonstrate full compliance, Franchisor may require that you engage the services of an approved vendor to assist you on an ongoing basis and to abide by such vendor's recommendations.

9.5. Participation in Marketing Programs. You shall at all times cooperate with Franchisor and other franchisees of Franchisor and shall actively participate in any and all sales, public relations, advertising, cooperative advertising and purchasing programs or promotional programs (including, without limitation, product give-away promotions, lead generation programs, and social media marketing programs) which may be developed and ~~implement~~^{implemented} by Franchisor. Participation may include, without limitation, purchasing (at your expense) and using **(a)** point of sale and marketing materials, **(b)** counter cards, displays, and give away items promoting loyalty programs, prize promotions, and other marketing campaigns and programs, and **(c)** equipment necessary to administer loyalty programs and to prepare and print customized purchase receipts, coupons, and similar items. In addition, in connection with a marketing program or

initiative implemented by the Franchisor, you may be required to engage a designated third-party services provider, such as a marketing agency, or Franchisor or its Affiliate, and pay any fees imposed by such parties in connection with the implementation of the marketing program, and enter into such agreements as required by the service provider to provide marketing program services to you.

9.5.1. Proprietary Digital Marketing System. Franchisor has implemented a digital marketing system designed to generate member leads and drive brand recognition and business development. You agree to participate fully in this marketing system, in the form such system takes from time to time as decided by Franchisor, and where the Franchisor reserves the right to modify, suspend, and discontinue this system, as well as its related fees, in its sole discretion, and to pay all related fees, up to any minimum expenditure obligation in the program the Franchisor sets. Franchisor's designated supplier for this proprietary digital marketing system (which may include the Franchisor or its affiliates), the services provided for the system, participation requirements, and the systems' related fees and expenditure requirements may be revised by Franchisor from time to time in its discretion.

10. COMPUTER SYSTEM; ACCOUNTING AND RECORDS; TAXES

10.1. Computer System. You shall acquire and use only the point of sale cash registers and computer systems and equipment that Franchisor prescribes for use by OsteoStrong® Centers ("**Computer System**"), and adhere to Franchisor's requirements for their use. Requirements may include, among other things, connection to remote servers, off-site electronic repositories, and high-speed Internet connections. As technology or software is developed in the future, Franchisor may, in its sole discretion, require you to add to your Computer System memory, ports, and other accessories or peripheral equipment or additional, new, or substitute software, and replace or upgrade your Computer System and software as Franchisor prescribes. You shall acquire, install and maintain such anti-virus and anti-spyware software as Franchisor requires, and shall adopt and implement such Internet user policies as Franchisor may prescribe for purposes of avoiding, blocking, and eliminating viruses and other conditions that interfere with operation of the Computer System.

10.2. Software. You shall: **(a)** use any proprietary software programs, system documentation manuals, and other proprietary materials that Franchisor requires in connection with the operation of the Center; **(b)** input and maintain in your computer such data and information as Franchisor prescribes in the Manual, software programs, documentation, or otherwise; and **(c)** purchase or license new or upgraded software programs, system documentation manuals, and any proprietary materials at then-current prices whenever Franchisor adopts such new or upgraded programs, manuals, and materials system-wide. You shall enter into all software license agreements, "terms of use" agreements, and software maintenance agreements, in the form and manner Franchisor prescribes, and pay all fees imposed thereunder. Contemporaneously with this Agreement you must execute our Spectrum® Software License Agreement, included as Attachment L to this Agreement, and pay any required fees described thereunder. The Spectrum® Software License Agreement grants you the right to use the Spectrum® Software, a proprietary software created to operate and personalize a customer's use of certain required equipment offered to customers at your Center, in accordance with its terms.

10.3. Independent Access. You must give to Franchisor unrestricted access to your Computer System at all times (including users IDs and passwords, if necessary, and remote access, if possible) to download and transfer Center related data and Franchisor may independently poll Gross Sales, expense, and all other information input and compiled by your Computer System from a remote location. There is no limitation on Franchisor's right to access this information nor in Franchisor's right to use the information for any desired purpose.

10.4. Customer Data. You agree that all data and information collected by you from customers and potential customers in connection with your Center ("**Customer Data**") is owned by us. You also agree to give us, or grant us unlimited access to, the Customer Data any time we request it. You have a license and right to use Customer Data while this Agreement or a replacement or renewal franchise agreement is in

effect, but only in line with the policies that we establish and applicable law. You may not sell, transfer, or use Customer Data for any purpose other than in the operation of your Center in accordance with this Agreement.

10.45. Maintenance of Records. You shall prepare and preserve for at least five years from the date of preparation complete and accurate books, records, and accounts according to generally accepted accounting principles and in the form Franchisor prescribes.

10.6. Submission of Financial Statements and Tax Returns. No later than March 30 of each calendar year, you shall provide to Franchisor **(a)** a copy of the previous year's annual profit and loss statements; **(b)** a copy of the previous year's sales tax returns; and **(c)** a copy of your federal and state income tax returns for the previous year; provided, however, that if you are an individual franchisee, you may submit only those schedules to your personal tax returns which reflect the revenues and expenses of the Center.

10.7. Submission of Performance Reports. You shall accurately report to Franchisor the Center's Gross Sales and such other financial information as Franchisor may reasonably require using the procedures and Franchisor prescribes periodically. Reports shall be due on the date prescribed by Franchisor, and shall be signed by an authorized representative, attesting to their accuracy. Within 30 days following the end of each fiscal quarter, you shall provide to Franchisor a copy of your profit and loss statements prepared according to generally accepted accounting principles and which accurately reflect your financial information for the period requested by Franchisor. You also shall provide to Franchisor such other reports, computer back-up and other information that Franchisor may reasonably request.

10.8. Audit of Franchisee Records. Franchisor or its designated agent shall have the right to audit, examine and copy your books, records, accounts, and business tax returns at any time. If an inspection or audit reveals underpayment of amounts owed to Franchisor, you shall immediately pay the understated amount with interest as provided in Section 4.9. If an audit or inspection reveals your understatement of Gross Sales by 2% or more during any continuous six month period then, in addition to amounts due on the understatement and interest, you shall promptly reimburse Franchisor all costs and expenses that it incurred in connection with performing the audit or inspection (including travel, lodging and wage expenses, and attorneys' and accountants' fees).

10.9. Use of Financial Information. You acknowledge and agree that it may be in the best interest of the franchise system to share historical revenue and expense information with prospective franchisees. To that end, you hereby authorize Franchisor to publish information concerning the Center's Gross Sales, expense, and other information reported to Franchisor. There is no limitation on Franchisor's right to use and publish this information.

10.10. Taxes. You shall promptly pay all taxes due and owing based on your operation of the Center including, without limitation, sales taxes, income taxes, and property taxes.

11. INDEPENDENT CONTRACTOR, INSURANCE AND INDEMNIFICATION

11.1. Independent Contractor. The parties acknowledge and agree that you are operating the Center as an independent contractor. Nothing contained in this Agreement shall create or be construed to create a partnership, joint venture, employee, joint-employer, or agency relationship between the parties. Neither party shall have fiduciary obligations to the other, or be liable for the debts or obligations of the other. Neither party shall have the right to bind the other, transact business in the other party's name or in any manner make any promises or representations on behalf of the other party, nor contract any debts or obligations on behalf of the other party, or their affiliates, unless otherwise agreed in writing by the parties. You shall conspicuously identify yourself and the Center in all dealings with your customers, contractors, suppliers, public officials, and others, as an independent franchisee of Franchisor, and shall place a conspicuous notice, in the form and at such place as Franchisor prescribes, notifying the public of such independent ownership. Franchisor in no way participates in the hiring, disciplining, or discharging of your employees or in setting and paying wages and benefits to your employees, and you acknowledge that

Franchisor has no power, responsibility, or liability with respect to the hiring, disciplining, or discharging of employees or in setting or paying their wages.

11.2. Insurance Obligations.

11.2.1. You shall maintain in full force and effect at all times during the term of this Agreement, at your expense, an insurance policy or policies protecting you, Franchisor and its Affiliates, and their respective partners, shareholders, directors, members, managers, agents, and employees, against any demand or claim with respect to personal and bodily injury, death, or property damage, or any loss, liability, or expense arising out of, or occurring upon or in connection with, the operation of the Center, including at a minimum, those insurance policies Franchisor requires and communicates to you in writing.

11.2.2. Such policy or policies shall: **(a)** be written by insurer(s) licensed and admitted to write coverage in the state in which the Center is located and with a rating of “A” or better as set forth in the most recent edition of Best's Key Rating Guide; **(b)** name Franchisor and its Affiliates, and their partners, officers, subsidiaries, affiliates, shareholders, directors, managers, members, regional directors, agents, and employees as additional insureds on a primary non-contributory basis, **(c)** the additional insured coverage must be provided on an Additional Insured Grantor of Franchise Endorsement per form CG2029 (or an endorsement form with comparable wording acceptable to Franchisor); and **(d)** comply with Franchisor's written requirements at the time such policies are obtained, and provide at least the types and minimum amounts of coverage specified and described in Franchisor's written notice to you.

11.2.3. Each year Franchisor may unilaterally modify the types of insurance coverage and policies required as well as their associated coverage requirements which may include an increase to the minimum coverage requirements, requirements for addition of the Franchisor and related parties as additional insured or as covered third parties, and obtaining endorsements.

11.2.4. In connection with any and all insurance that you are required to maintain under Section 11.2., you and your insurers shall agree to waive their rights of subrogation against Franchisor, and you shall provide evidence of such waiver in accordance with this Section 11.2. Franchisor may unilaterally modify these insurance requirements, which modifications may include increasing minimum policy limits, by delivering to you written notice of the change.

11.2.5. Your obligation to obtain and maintain insurance shall not be limited in any way by reason of any insurance which may be maintained by Franchisor, nor shall your performance of that obligation relieve you of liability under the indemnity provisions set forth in Section 11.3. of this Agreement.

11.2.6. All public liability and property damage policies shall contain a provision that Franchisor and its Affiliates, although named as an additional insureds, shall nevertheless be entitled to recover under such policies on any loss occasioned to Franchisor, or its Affiliates, partners, members, managers, shareholders, officers, directors, agents, or employees by reason of your negligence.

11.2.7. At least 10 days prior to the time you are first required to carry insurance, and thereafter at least 30 days prior to the expiration of any policy, you shall deliver to Franchisor certificate of insurance evidencing your compliance with this Article 11. Each certificate of insurance shall expressly provide that no less than 30 days' prior written notice shall be given to Franchisor in the event of material alteration to or cancellation or non-renewal of the coverages evidenced by such certificates.

11.2.8. If you fail to procure or maintain the minimum insurance requirements, Franchisor or its designee shall have the right and authority (but not the obligation) to procure such insurance on your behalf. Such right shall be in addition to and not in lieu of any other rights or remedies available to Franchisor. If this occurs, you shall reimburse Franchisor the cost of the premium upon demand.

11.3. Indemnification. You shall indemnify and hold harmless to the fullest extent by law, Franchisor, its Affiliates and their respective directors, officers, managers, members, employees, shareholders, and agents, (collectively the “**Indemnitees**”) from any and all “**losses and expenses**” (as hereinafter defined)

incurred in connection with any litigation or other form of adjudicatory procedure, claim, demand, investigation, or formal or informal inquiry (regardless of whether same is reduced to judgment) or any settlement thereof which arises directly or indirectly from, as a result of, or in connection with **(a)** injury of any kind (including monetary, mental, or physical—including death) to any person (including your employees) or damages to any property of whatsoever kind and nature arising out of or in any manner connected with the Center; **(b)** the Center and your operation thereof, including, but in no way limited to, losses and expenses arising as a result of product liability or the maintenance and operation of related vehicles; **(c)** any of your employees', contractors', agents', or representatives' acts, omissions, and claims; or **(d)** your activities under or any breach of this Agreement, where the foregoing include, without limitation, those losses and expenses alleged to be caused in whole or in part by any act, omission, negligence, or strict liability of the Indemnitees (collectively an “**event**”), and regardless of whether same resulted from any strict or vicarious liability imposed by law on the Indemnitees; provided, however, that this indemnity shall not apply to any liability arising from the gross negligence of Indemnitees (except to the extent that joint liability is involved, in which event the indemnification provided in this Agreement shall extend to any finding of comparative negligence or contributory negligence attributable to you). For the purpose of this Section 11.3., the term “**losses and expenses**” shall be deemed to include compensatory, exemplary, or punitive damages; fines and penalties; attorneys' fees; experts' fees; court costs; costs associated with investigating and defending against claims; settlement amounts; judgments; compensation for damages to Franchisor's reputation and goodwill; and all other costs associated with any of the foregoing losses and expenses. You shall give Franchisor prompt notice of any event of which you are aware, for which indemnification is required, and, at your expense and risk, Franchisor may elect to assume (but under no circumstance is obligated to undertake) the defense and/or settlement thereof, provided that Franchisor will seek your advice and counsel. Any assumption by Franchisor shall not modify your indemnification obligation. Franchisor may, in its sole and absolute discretion, take such actions as it seems necessary and appropriate to investigate, defend, or settle any event or take other remedial or corrective actions with respect thereof as may be, in Franchisor's sole and absolute discretion, necessary for the protection of the indemnities or the System.

12. TRANSFER OF INTEREST

12.1. **Transfer by Franchisor.** Franchisor may transfer or assign all or any part of its rights or obligations under this Agreement to any person or legal entity. With respect to any assignment which results in the subsequent performance by the assignee of all of Franchisor's obligations under this Agreement, the assignee shall expressly assume and agree to perform such obligations, and shall become solely responsible for all of Franchisor's obligations under this Agreement from the date of assignment. In addition, and without limitation to the foregoing, you expressly affirm and agree that Franchisor and/or its Affiliates may sell their assets, the Marks or Copyrighted Works, or the System; may sell securities in a public offering or in a private placement; may merge, acquire other corporations, or be acquired by another corporation; and may undertake a refinancing, recapitalization, leveraged buy-out, or other economic or financial restructuring. With regard to any of the above sales, assignments and dispositions, you expressly and specifically waive any claims, demands or damages arising from or related to the loss of Franchisor's name, the Marks (or any variation thereof) and System and/or the loss of association with or identification of OsteoStrong Franchising, Inc. as the franchisor under this Agreement. You specifically waive any and all other claims, demands or damages arising from or related to the foregoing merger, acquisition and other business combination activities including, without limitation, any claim of divided loyalty, breach of fiduciary duty, fraud, breach of contract or breach of the implied covenant of good faith and fair dealing. You agree that Franchisor has the right, now or in the future, to purchase, merge, acquire or affiliate with an existing competitive or non-competitive franchise network, chain or any other business regardless of the location of that chain's or business' facilities, and to operate, franchise or license those businesses and/or facilities as OsteoStrong® Centers operating under the Marks or any other marks following Franchisor's

purchase, merger, acquisition or affiliation, regardless of the location of these facilities (which you acknowledge may be proximate to the Center).

12.2. Transfer by Individual Franchisee to Business Entity for Convenience. If you are an individual, you may transfer your interest in this Agreement to a Business Entity for convenience of operation within the first 12 months of this Agreement by signing Franchisor's standard form of assignment and assumption agreement if **(a)** the Business Entity is formed solely for purposes of operating the Center, and **(b)** you provide to Franchisor a copy of the Business Entity's formation and governing documents and a certificate of good standing from the jurisdiction under which the Business Entity was formed. Franchisor will not charge you a fee for this form of transfer, however you agree to reimburse Franchisor for any expenses Franchisor incurs with respect to the transfer.

12.3. Transfer Among Owners; Transfer of Non-Controlling Interest. If you are a Business Entity, your Owners may transfer their ownership interests in the Business Entity among each other, and may transfer up to a Non-Controlling Interest in the Business Entity to one or more third parties, if: **(a)** you have provided to Franchisor advance notice of the transfer, **(b)** Attachment C has been amended to reflect the new ownership; **(c)** each new Owner has signed a Personal Guaranty and Undertaking in the form of Attachment E-1; and **(d)** you pay to Franchisor the transfer fee set forth in the Summary Pages.

12.4. Transfer of Agreement; Transfer of the Center; Transfer of Controlling Interest. All other transfers (including any sale or transfer of your interest in this Agreement, the sale or transfer of all or substantially all of the assets of the Center, and the sale of a Controlling Interest in you if you are a Business Entity) require Franchisor's prior written consent. Franchisor will not unreasonably withhold its consent to a transfer, but may condition its consent on satisfaction of any or all of the following:

12.4.1. You shall have requested consent in writing and delivered to Franchisor a copy of the proposed transfer agreements, including sale terms, at least 30 days prior to the proposed transfer, and Franchisor has determined, in its sole and reasonable discretion, that the terms of the sale will not materially and adversely affect the post transfer viability of the Center.

12.4.2. The transferee shall demonstrate to Franchisor's satisfaction that the transferee meets Franchisor's then-current educational, managerial and business standards; possesses a good moral character, business reputation and credit rating; has the aptitude and ability to operate the Center; and has sufficient equity capital to operate the Center;

12.4.3. All of your accrued monetary obligations and all other outstanding obligations to Franchisor, its Affiliates, and third party suppliers shall be up to date, fully paid and satisfied, and you must be in full compliance with this Agreement and any other agreements between you and Franchisor, its Affiliates, and your suppliers;

12.4.4. You or the transferee shall have agreed to refurbish the Center premises so that it meets Franchisor's image requirements for a new OsteoStrong® Center;

12.4.5. You and each Owner shall have executed a general release, in a form satisfactory to Franchisor, of any and all claims against Franchisor and its Affiliates and their respective officers, directors, shareholders, managers, members, agents and employees in their corporate and individual capacities, including, without limitation, claims arising under federal, state and local laws, rules and ordinances; provided, however, that any release will not be inconsistent with any state law regulating franchising;

12.4.6. You or the transferee shall have paid the Transfer Fee in the amount set forth in the Summary Pages;

12.4.7. The transferee shall have executed Franchisor's then-current form of franchise agreement, the terms of which may be materially different than the terms of this Agreement and may include, among other things, a different percentage royalty fee and different advertising obligations. The term of such agreement shall be the remaining term of this Agreement at the time of transfer.

12.4.8. If the transferee is a Business Entity, then the transferee's Owners each shall sign Franchisor's standard form of Personal Guaranty and Undertaking;

12.4.9. The transferee shall have complied with Franchisor's then-current initial training requirements; and

12.4.10. If Franchisor introduced the buyer to you, you have paid all fees due Franchisor under its then-current franchise resale policy or program.

12.5. Transfers Void. Any purported transfer, by operation of law or otherwise, made without Franchisor's prior written consent will be considered null and void and will be considered a material breach of this Agreement.

12.6. Security Interest. You may grant a security interest in this Agreement or the franchise represented by this Agreement only to the limited extent permitted by Section 9-408 of the Uniform Commercial Code. Any such security interest may only attach to an interest in the proceeds of the operation of the Center and may not entitle or permit the secured party to take possession of or operate the Center or to transfer your interest in the franchise without Franchisor's consent. Furthermore, you may not use the Proprietary Equipment as collateral for any financing obtained, nor encumber the Proprietary Equipment in any way that does or may result in a change of title.

12.7. Public Offerings. If you are a Business Entity and you intend to issue equity interests pursuant to a public or private offering, you shall first obtain Franchisor's written consent, which consent shall not be unreasonably withheld. You must provide to Franchisor for its review a copy of all offering materials (whether or not such materials are required by applicable securities laws) at least 60 days prior to such documents being filed with any government agency or distributed to investors. No offering shall imply (by use of the Marks or otherwise) that Franchisor is participating in an underwriting, issuance or offering of your securities, and Franchisor's review of any offering shall be limited to ensuring compliance with the terms of this Agreement. Franchisor may condition its approval on satisfaction of any or all of the conditions set forth in Section 12.4. and on execution of an indemnity agreement, in a form prescribed by Franchisor, by you and any other participants in the offering. For each proposed offering, you shall pay to Franchisor a retainer in an amount determined by Franchisor, which Franchisor shall use to reimburse itself for the reasonable costs and expenses it incurs (including, without limitation, attorneys' fees and accountants' fees) in connection with reviewing the proposed offering.

12.8. Right of First Refusal. If you receive a bona fide offer to purchase your interest in this Agreement or all or substantially all of the assets of the Center, or if any Owner receives a bona fide offer to purchase his or her equity interests in you, and you or such Owner wishes to accept such offer, you or the Owner must deliver to Franchisor written notification of the offer and, except as otherwise provided herein, Franchisor shall have the right and option, exercisable within 30 days after receipt of such written notification, to purchase the seller's interest on the same terms and conditions offered by the third party. If the bona fide offer provides for the exchange of assets other than cash or cash equivalents, the bona fide offer shall include the fair market value of the assets and you shall submit with the notice an appraisal prepared by a qualified independent third party evidencing the fair market value of such assets as of the date of the offer. Any material change in the terms of any offer prior to closing shall constitute a new offer subject to the same right of first refusal by Franchisor as in the case of an initial offer. If Franchisor elects to purchase the seller's interest, closing on such purchase must occur by the later of: **(a)** the closing date specified in the third party offer; or **(b)** within 60 days from the date of notice to the seller of Franchisor's election to purchase. Franchisor's failure to exercise the option described in this Section 12.8. shall not constitute a waiver of any of the transfer conditions set forth in this Article 12.

12.9. Transfer Upon Death or Incapacitation. Upon the death or permanent incapacity (mental or physical) of any person with an interest in this Agreement, in you, or in all or substantially all of the assets of the Center, the executor, administrator, or personal representative of such person shall transfer such

interest to a third party approved by Franchisor within six months after such death or mental incapacity. Such transfers, including, without limitation, transfers by devise or inheritance, shall be subject to the same conditions as an inter vivos transfer, except that the transfer fee shall be waived. In the case of transfer by devise or inheritance, however, if the heirs or beneficiaries of any such person are unable to meet the conditions of this Section 12.9., the executor, administrator, or personal representative of the decedent shall transfer the decedent's interest to another party approved by Franchisor within six months, which disposition shall be subject to all the terms and conditions for transfer contained in this Agreement. If the interest is not disposed of within such period, Franchisor may, at its option, terminate this Agreement, pursuant to ~~Section 13~~ Section 13.5.

12.10. Non-Waiver of Claims. Franchisor's consent to a transfer shall not constitute a waiver of any claims it may have against the transferring party, and it will not be deemed a waiver of Franchisor's right to demand strict compliance with any of the terms of this Agreement, or any other agreement to which Franchisor's and the transferee are parties, by the transferee.

13. DEFAULT AND TERMINATION

13.1. Termination In the Event of Bankruptcy or Insolvency. You shall be deemed to be in default under this Agreement, and all rights granted to you in this Agreement shall automatically terminate without notice, if you become insolvent or make a general assignment for the benefit of creditors; if a petition in bankruptcy is filed by you or such a petition is filed and against you and you do not oppose it; if you are adjudicated as bankrupt or insolvent; if a bill in equity or other proceeding for the appointment of a receiver for you or other custodian for your business or assets is filed and consented to by you; if a receiver or other custodian (permanent or temporary) of your assets or property, or any part thereof, is appointed by any court of competent jurisdiction; if proceedings for a composition with creditors under any state or federal law is instituted by or against you; if a final judgment remains unsatisfied or of record for 30 days or longer (unless a supersedeas bond is filed); if you are dissolved; if execution is levied against your business or property; if judicial, non-judicial or administrative proceedings to foreclose any lien or mortgage against the Franchised Location premises or assets or equipment is instituted against you and not dismissed within 30 days; or if the real or personal property of the Center is sold after levy thereupon by any sheriff, marshal, or constable.

(*q*) you fail to participate in any advertising or marketing program pursuant to Sections 9.5. or 9.6. on two or more occasions within any rolling 12-month period, or (*r*) Franchisor delivers to you two or more written notices of default pursuant to this Article 13 within any rolling 12-month period, whether or not the defaults described in such notices ultimately are cured.

13.3. Termination with 10-Day Cure Period. Franchisor has the right to terminate this Agreement, which termination will become effective upon delivery of written notice of termination, if you fail to cure the following defaults within 10 days after delivery of written notice: (*a*) failure to obtain or maintain required insurance coverage; (*b*) failure to pay any amounts due to Franchisor; (*c*) you fail to pay any amounts due to your trade creditors (unless such amount is subject to a bona fide dispute); (*d*) you fail to pay any amounts for which Franchisor has advanced funds for or on your behalf, or upon which Franchisor is acting as guarantor of your obligations; (*e*) failure to comply with your minimum monthly local advertising expenditure requirements; (*f*) your violation of any provision of this Agreement concerning the use and protection of the Marks or Copyrighted Works; (*g*) you fail to service a National Account Client on such terms as negotiated by Franchisor; or (*h*) your violation of any provision of this Agreement concerning the packaging, service, appearance or quality of OsteoStrong® products, or the use of any authorized equipment.

13.4. Termination with 30-Day Cure Period. Except as otherwise provided in this Article 13, Franchisor has the right to terminate this Agreement, which termination will become effective upon delivery of written notice of termination, if you fail to cure any curable default within 30 days after delivery of written notice.

13.5. Termination Related to Death or Permanent Incapacity. Franchisor has the right to terminate this Agreement if an approved transfer as required by Section 12.9. is not affected within the designated time frame following a death or permanent incapacity (mental or physical).

13.6. Cross-Default. Any default under any agreement between you and Franchisor or its Affiliates, and failure to cure within any applicable cure period, shall be considered a default under this Agreement and shall provide an independent basis for termination of this Agreement.

13.7. Additional Remedies. In addition to, or in lieu of, termination of this Agreement, in its sole discretion, Franchisor may: (*a*) require the Center be closed during any cure period relating to a default based on public health and safety concerns; (*b*) grant its Affiliate the right to suspend the provision of services, including, but in no way limited to, access to the intranet or any management or other software, including, without limitation, the Spectrum® software, until you cure your default(s) under this Agreement.

14. POST TERMINATION OBLIGATIONS

14.1. Cease Use of Marks and Copyrighted Works; Cancellation of Fictitious Name; Assignment of E-mail Addresses, URLs, Domain Names, Internet Listings. Upon termination or expiration of this Agreement, you shall immediately cease all use of the Marks, Copyrighted Works and Confidential Information. You shall cancel any assumed name registration containing the Marks. You shall, at Franchisor's option and request, assign to Franchisor all rights to all e-mail addresses, URLs, domain names, Internet listings, and Internet accounts related to the Center.

14.2. Assignment of Lease; De-Identification. At Franchisor's request, you shall assign to Franchisor or its designee your interest in the lease. If Franchisor does not request assignment of the lease before or as of the date of expiration or termination of this Agreement, then within 10 days after termination or expiration of this Agreement, you shall modify the Center premises (including, without limitation, the changing of the color scheme and other distinctive design features, and the changing of and assigning to Franchisor of, the telephone numbers) as may be necessary to distinguish the appearance of the Franchised Location from that of other OsteoStrong® Centers, and shall make such specific additional changes to the Franchised Location as Franchisor may reasonably request for that purpose. If you fail to modify the Center premises as required in this Section 14.2., Franchisor shall have the right to enter the premises, without any criminal or civil liability, whether in tort, trespass, or otherwise, for the purpose of effectuating the de-identification of the

Center premises. You will be responsible for the reimbursement of Franchisor's expenses in connection with the de-identification of the Center premises.

14.3. Return of Manuals and Other Confidential Information. You shall immediately deliver to Franchisor the Manuals and all other manuals, records, correspondence, files, and any instructions containing Confidential Information relating to the operation of the Center which are in your possession; and all copies thereof (all of which are acknowledged to be the property of Franchisor).

Depreciation will be calculated on a five-year straight line basis, but will in no event equal less than \$10. Franchisor will arrange for and bear the expense of taking possession of and shipping the Proprietary Equipment, and Franchisee grants to Franchisor and its designees the right to enter the Center premises, or whatever property Franchisee may control where the Proprietary Equipment is located, without notice to Franchisee, for the purpose of taking possession of and moving the Proprietary Equipment Franchisor elects to purchase.

15. COVENANTS

15.1. Non-Competition During Term of Agreement. You and each Owner acknowledge that you and each Owner will receive valuable specialized training and Confidential Information, including, without limitation, information regarding the operational, sales, promotional, and marketing methods and techniques and trade secrets of Franchisor and the System. You and each Owner covenant and agree that during the term of this Agreement, except as otherwise approved in writing by Franchisor, you and, if applicable, such Owner, shall not, either directly or indirectly, for yourselves, or through, on behalf of, or in conjunction with any person, or legal entity:

15.1.1. Divert or attempt to divert any present or prospective customer of the Center to any competitor, by direct or indirect inducement or otherwise, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Marks and the System.

15.1.2. Own, maintain, advise, operate, engage in, be employed by, make loans to, invest in, provide any assistance to, or have any interest in (as owner or otherwise) or relationship or association with, any business that offers to its customers or the general public the use of any health or fitness equipment which promotes both bone and muscle health, other than a Center operated pursuant to a then-currently effective franchise agreement with Franchisor at any location within the United States, its territories or commonwealths, or any other country, province, state or geographic area in which Franchisor or its Affiliates have used, sought registration of or registered the Marks or similar marks or operate or license others to operate a business under the Marks or similar marks.

15.2. Non-Competition After Expiration or Termination of Agreement. Commencing upon the later of: **(a)** a transfer permitted under Article 12 of this Agreement, expiration of this Agreement, or termination of this Agreement (regardless of the cause for termination) or **(b)** a final court order (after all appeals have been taken) with respect to any of the foregoing events or with respect to enforcement of this Section 15.2.,

and continuing for an uninterrupted period of two years thereafter, you shall not either directly or indirectly, for yourselves, or through, on behalf of, or in conjunction with any person, persons, or legal entity, own, maintain, advise, operate, engage in, be employed by, make loans to, or have any interest in or relationship or association with any business that offers to its customers or the general public the use of any health or fitness equipment which promotes both bone and muscle health, other than a Center operated pursuant to a then-currently effective franchise agreement with Franchisor, and **(i)** is, or is intended to be, located at the location of the former Center; or **(ii)** within a 20-mile radius of the Center or any other Center operating under the System and Marks in existence or under development at the time of such expiration, termination or transfer. If any Owner ceases to be an Owner of the Franchisee for any reason during the franchise term, the foregoing covenant shall apply to the departing Owner for a two-year period beginning on the date such person ceases to meet the definition of an Owner. The obligations described in this Section 15.2. shall be tolled during any period of noncompliance.

15.3. Additional Provisions. The parties acknowledge and agree that Franchisor shall have the right, in its sole discretion, to reduce the scope of any covenant set forth in Sections 15.1. and 15.2., or any portion thereof, without your consent or the consent of any Owner, effective immediately upon delivery of written notice to the affected party; and you and each Owner agree that such person shall comply forthwith with any covenant as so modified. You and each Owner expressly agree that the existence of any claims you may have against Franchisor, whether or not arising from this Agreement, shall not constitute a defense to Franchisor's enforcement of the covenants in this Article 15. You agree to pay all costs and expenses (including reasonable attorneys' fees) incurred by Franchisor in connection with the enforcement of this Article 15.

15.4. Covenants from Individuals. Each individual who attends Franchisor's training program shall be required to sign a confidentiality and non-competition agreement substantially in the form attached as Attachment E-2 to this Agreement. You shall be responsible for ensuring compliance with such agreement.

15.5. Breach of Covenants Causes Irreparable Injury. You acknowledge that your violation of any covenant of this Article 15 would result in irreparable injury to Franchisor for which no adequate remedy at law may be available, and you consent to the issuance of, and agree to pay all court costs and reasonable attorneys' fees incurred by Franchisor in obtaining, without the posting of any bond, an ex parte or other order for injunctive or other legal or equitable relief with respect to such conduct or action.

15.6. Exception for Publicly Held Companies. The foregoing restrictions shall not apply to your ownership or any Owner's ownership of less than a 5% beneficial interest in the outstanding equity securities of any company registered under the Securities Act of 1933 or the Securities Exchange Act of 1934.

15.7. Improvements. If you, your employees, or Owners develop any new concept, process or improvement in the operation or promotion of OsteoStrong® Center (an "**Improvement**"), you agree to promptly notify Franchisor and provide Franchisor with all necessary related information, without compensation. Any such Improvement shall become Franchisor's sole property and Franchisor shall be the sole owner of all related patents, patent applications, and other intellectual property rights. You and your Owners hereby assign to Franchisor any rights you or your Owners may have or acquire in the Improvements, including the right to modify the Improvement, and waive and/or release all rights of restraint and moral rights therein and thereto. You and your Owners agree to assist Franchisor in obtaining and enforcing the intellectual property rights to any such Improvement in any and all countries and further agree to execute and provide Franchisor with all necessary documentation for obtaining and enforcing such rights. You and your Owners hereby irrevocably designate and appoint Franchisor as agent and attorney-in-fact for you and for them to execute and file any such documentation and to do all other lawful acts to further the prosecution and issuance of patents or other intellectual property right related to any such Improvement. In the event that the foregoing provisions of this Section 15.7. are found to be invalid or otherwise unenforceable, you and your Owners hereby grant to Franchisor a worldwide, perpetual, non-

exclusive, fully-paid license to use and sublicense the use of the Improvement to the extent such use or sublicense would, absent this Agreement, directly or indirectly infringe on you or your Owners' rights therein.

15.8. **Non-Disparagement.** You agree and covenant that neither you, nor your employees, contractors, officers, and Owners will defame in or through any statements and in any forum, whether public or private—nor publicly disparage, nor make any public derogatory or negative statements concerning—the Franchisor, its employees, contractors and officers, and the OsteoStrong franchise system, including its franchisees and suppliers. For the purposes of this Section, “publicly” and “statements” includes the use of all forms of communication, including but not limited to, Internet, World Wide Web, telephone, e-mail, texting, social networking and social media platforms, and all other forms of oral and written communication and applies to any third parties, without limitation.

16. REPRESENTATIONS

16.1. **Representations of Franchisor.** Franchisor represents and warrants that **(a)** Franchisor is duly organized and validly existing under the law of the state of its formation; **(b)** Franchisor is duly qualified and authorized to do business in each jurisdiction in which its business activities or the nature of the properties it owns requires such qualification; and **(c)** the execution of this Agreement and the performance of the transactions contemplated by this Agreement are within Franchisor's corporate power and have been duly authorized.

16.2.2. You acknowledge that you have conducted an independent investigation of OsteoStrong® franchise opportunity, and recognize that the business venture contemplated by this Agreement involves business risks and that its success will be largely dependent on your ability as an independent business person.

16.2.3. Except for representations contained in Franchisor's Franchise Disclosure Document provided to you in conjunction with this franchise offering, you represent that neither Franchisor nor its agents or representatives have made any representations, and you have not relied on representations made by Franchisor or its agents or representatives, concerning actual or potential Gross Sales, expenses or profit of an OsteoStrong® Center.

16.2.4. You acknowledge that you have received a complete copy of Franchisor's Franchise Disclosure Document at least 14 calendar days before you signed this Agreement or paid any consideration to Franchisor for your franchise rights.

You represent and warrant to Franchisor that you will not accept money from or employ any Blocked Person.

Either party may change its address for the purpose of receiving notices, demands and other communications as in this Agreement by providing a written notice given in the manner aforesaid to the other party.

18. CONSTRUCTION

18.1. Entire Agreement. This Agreement and any other agreements executed by the parties concurrently with the parties’ execution of this Agreement represent the entire fully integrated agreement between the parties and supersede all other negotiations, agreements, representations, and covenants, oral or written. Notwithstanding the foregoing, nothing in this Agreement shall disclaim or require you to waive reliance on any representation that Franchisor made in the Franchisor’s Franchise Disclosure Document (including its exhibits and amendments) that Franchisor delivered to you in connection with this franchise offering. Except for those changes permitted to be made unilaterally by Franchisor hereunder, no amendment, change or variance from this Agreement shall be binding on either party unless mutually agreed to in writing by the parties and executed by their authorized officers or agents. In the event you and the Franchisor enter into any amendments to this Agreement that provide any kind of benefit to you or includes terms in your favor, the Franchisor reserves the right to include in such amendment a general release on you and your Guarantors’ behalf in favor of the Franchisor and its related parties.

18.2. No Waiver. No waiver or modification of this Agreement or of any covenant, condition, or limitation herein contained shall be valid unless the same is made in writing and duly executed by the party to be charged therewith. No evidence of any waiver or modification shall be offered or received in evidence in any proceeding, arbitration, or litigation between the parties arising out of or affecting this Agreement, or the rights or obligations of any party hereunder, unless such waiver or modification is in writing, duly executed as aforesaid.

18.3. Severability. The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement.

18.4. Survival of Terms. Any provision or covenant of this Agreement which expressly or by its nature imposes obligations beyond the expiration or termination of this Agreement shall survive such expiration or termination.

18.5. Definitions and Captions. Unless otherwise defined in this body of this Agreement, capitalized terms shall have the meaning ascribed to them in Attachment A (“**Glossary of Additional Terms**”). All captions in this Agreement are intended for the convenience of the parties, and none shall be deemed to affect the meaning or construction of any provision of this Agreement.

18.6. Persons Bound. This Agreement shall be binding on the parties and their respective successors and assigns. Each Owner shall execute the Personal Guaranty and Undertaking attached as Attachment E-1. Failure or refusal to do so shall constitute a breach of this Agreement. You and each Owner shall be joint and severally liable for each person’s obligations hereunder and under the Personal Guaranty and Undertaking.

18.7. Rules of Construction. Neither this Agreement nor any uncertainty or ambiguity in this Agreement shall be construed or resolved against the drafter of this Agreement, whether under any rule of construction or otherwise. Terms used in this Agreement shall be construed and interpreted according to their ordinary meaning. If any provision of this Agreement is susceptible to two or more meanings, one of which would render the provision enforceable and the other(s) which would render the provision unenforceable, the provision shall be given the meaning that renders it enforceable.

18.8. Timing. Time is of the essence with respect to all provisions in this Agreement. Notwithstanding the foregoing, if performance of either party is delayed on account of a Force Majeure, the applicable deadline for performance shall be extended for a period commensurate with the Force Majeure, but not to exceed 12 months.

19. APPLICABLE LAW; DISPUTE RESOLUTION

19.1. Choice of Law. This Agreement and all claims arising out of or related to this Agreement or the parties’ relationship created hereby shall be construed under and governed by the laws of the State of Texas (without giving effect to any conflict of laws).

19.2. Mediation.

19.2.1. The parties acknowledge that during the term and any extensions of this Agreement certain disputes may arise that the parties are unable to resolve, but that may be resolvable through mediation. To facilitate such resolution, Franchisor, you, and each Owner agree to submit any claim, controversy or dispute between Franchisor or its Affiliates (and Franchisor’s and its Affiliate’s respective owners, officers, directors, agents, representatives and/or employees) and you or your Affiliates (and your Owners, agents, representatives and/or employees) arising out of or related to **(a)** this Agreement or any other agreement between Franchisor and you, **(b)** Franchisor’s relationship with you, or **(c)** the validity of this Agreement or any other agreement between Franchisor and you, to mediation before bringing such claim, controversy or dispute in a court or before any other tribunal.

19.2.2. The mediation shall be conducted by a mediator agreed upon by Franchisor and you and, failing such agreement within not more than 15 days after either party has notified the other of its desire to seek mediation, by the American Arbitration Association or any successor organization (“AAA”) in accordance with its rules governing mediation. Mediation will be held at the offices of the AAA in the county in which Franchisor maintains its principal place of business. The costs and expenses of mediation, including the compensation and expenses of the mediator (but excluding attorneys’ fees incurred by either party), shall be borne by the parties equally.

19.2.3. If the parties are unable to resolve the claim, controversy or dispute within 90 days after the mediator has been chosen, then, unless such time period is extended by written agreement of the parties, either party may bring a legal proceeding pursuant to Section 19.3. The parties agree that statements made during such mediation proceeding will not be admissible for any purpose in any subsequent legal proceeding.

19.2.4. Notwithstanding the foregoing provisions of this Section 19.2., the parties' agreement to mediate shall not apply to controversies, disputes or claims related to or based on amounts owed to Franchisor pursuant to this Agreement, the Marks, Copyrighted Works, Non-Competition Covenants, or Franchisor's Confidential Information. Moreover, regardless of this mediation agreement, Franchisor and you each have the right in a proper case to seek temporary restraining orders and temporary or preliminary injunctive relief in any court of competent jurisdiction.

19.3. Arbitration.

19.3.1. If the parties are not able to resolve any dispute through the mediation process described above, then the parties agree, notwithstanding anything to the contrary in this Agreement, that the dispute shall be submitted to binding arbitration according to this Section 19.3. The arbitration shall be administered by the American Arbitration Association ("AAA") and governed by the AAA's Commercial Arbitration Rules. The arbitration shall be governed by the United States Arbitration Act, 9 U.S.C. § 1-16.

19.3.2. Arbitration will be held at the offices of the AAA in county in which Franchisor maintains its principal place of business, unless otherwise mutually agreed between the parties. Franchisor reserves the right, but has no obligation, to advance your share of the costs of any arbitration proceeding in order for such arbitration proceeding to take place and by doing so shall not be deemed to have waived or relinquished its right to seek the recovery of those costs. The arbitrator, in the conduct of the arbitration, shall not have the authority to declare any Mark generic or otherwise invalid, or to award punitive, exemplary, incidental, or consequential damages. The parties hereby waive, to the fullest extent permitted by law, any right to or claim for any punitive, exemplary, incidental or consequential damages against the other. The arbitrator shall be required to state in writing the reasoning on which the award is based.

19.3.3. The parties agree that arbitration shall be conducted on an individual, not a class wide, basis, that only Franchisor (and its affiliates and its and their respective owners, officers, directors, agents and employees, as applicable) and Franchisee (and its affiliates and its and their respective owners, officers and directors, as applicable) may be the parties to any arbitration proceeding described in this Section 19.3., and that no such arbitration proceeding shall be consolidated with any other arbitration proceeding involving Franchisor and/or any other natural person, association, corporation, partnership, limited liability company or other entity. Notwithstanding the foregoing or anything to the contrary in this Section 19.3., if any court or arbitrator determines that all or any part of the preceding sentence is unenforceable with respect to a dispute that otherwise would be subject to arbitration under this Section 19.3.3., then all parties agree that this arbitration clause shall not apply to that dispute and that such dispute shall be resolved in a judicial proceeding in accordance with this Agreement (excluding this Section 19.3.3.).

19.4. Right to Injunctive Relief. Notwithstanding the foregoing provisions of Section 19.3., the parties' agreement to arbitrate shall not apply to controversies, disputes or claims related to or based on amounts owed to Franchisor pursuant to this Agreement, the Marks, Copyrighted Works or Franchisor's Confidential Information. Moreover, regardless of this arbitration agreement, Franchisor and you each have the right in a proper case to seek temporary restraining orders and injunctive relief in any court of competent jurisdiction.

19.45. Venue. With respect to any controversies, disputes or claims which are not finally resolved through mediation as provided in Section 19.2., the parties agree that any action brought by either party against the other in any court, whether federal or state, must be brought and maintained exclusively within the state and federal judicial district courts that service the county in which Franchisor maintains its principal business address at the time the action is initiated, and the parties hereby waive all questions of personal jurisdiction or venue for the purpose of carrying out this provision.

19.56. Non-exclusivity of Remedy. No right or remedy conferred upon or reserved to Franchisor or you by this Agreement is intended to be, nor shall be deemed, exclusive of any other right or remedy in this

Agreement or by law or equity provided or permitted, but each shall be cumulative of every other right or remedy.

19.67. WAIVER OF JURY TRIAL. FRANCHISOR AND YOU IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER OF THEM AGAINST THE OTHER, WHETHER OR NOT THERE ARE OTHER PARTIES IN SUCH ACTION OR PROCEEDING.

19.78. WAIVER OF PUNITIVE DAMAGES. THE PARTIES HEREBY WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT TO OR CLAIM OF ANY PUNITIVE OR EXEMPLARY DAMAGES AGAINST THE OTHER AND AGREE THAT IN THE EVENT OF A DISPUTE BETWEEN THEM EACH SHALL BE LIMITED TO THE RECOVERY OF ANY ACTUAL DAMAGES SUSTAINED BY IT.

19.89. Right to Injunctive Relief. Nothing in this Agreement contained shall bar Franchisor's right to seek injunctive relief from any court of competent jurisdiction; and you agree to pay all costs and reasonable attorneys' fees incurred by Franchisor in obtaining such relief.

19.910. Attorneys' Fees. If either party commences a legal action against the other party arising out of or in connection with this Agreement, the prevailing party shall be entitled to have and recover from the other party its reasonable attorneys' fees and costs of suit.

19.1011. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one agreement.

IN WITNESS WHEREOF, the parties have executed this Agreement on the dates noted below, but effective for all purposes as of the Effective Date.

FRANCHISE AGREEMENT**

**ATTACHMENT D-1
PERSONAL GUARANTY AND UNDERTAKING**

Each of the undersigned acknowledges and agrees as follows:

- (1) Each has read the terms and conditions of the Franchise Agreement and acknowledges that the execution of this Personal Guaranty and Undertaking of the Owners in the Franchise Agreement are in partial consideration for, and a condition to, the granting of the rights under the Franchise Agreement, and that Franchisor would not have granted such rights without the execution of this Personal Guaranty and Undertaking and the other undertakings by each of the undersigned.
- (2) Each is included in the term "Owner".
- (3) Each individually, jointly, and severally, makes all of the covenants, representations, warranties and agreements of the Owners set forth in the Franchise Agreement and is obligated to perform thereunder (including, without limitation, those regarding the use of confidential information in Article 8, the indemnification obligations in Article 11; the transfer provisions in Article 12; the covenants in Article 15; and the choice of law and venue provisions in Article 19).
- (4) Each individually, jointly and severally, unconditionally, and irrevocably guarantees to Franchisor and its successors and assigns that all obligations of the Franchisee under the Franchise Agreement will be punctually paid and performed. Upon default by the Franchisee or upon notice from Franchisor, each Owner will immediately make each payment and perform each obligation required of the Franchisee under the Franchise Agreement. Without affecting the obligations of any Owner under this Personal Guaranty and Undertaking, Franchisor may, without notice to any Owner, waive, renew, extend, modify, amend, or release any indebtedness or obligation of the franchisee or settle, adjust, or compromise any claims that Franchisor may have against the Franchisee. Each Owner waives all demands and notices of every kind with respect to the enforcement of this Personal Guaranty and Undertaking, including notices of presentment, demand for payment or performance by the Franchisee, any default by the Franchisee or any guarantor, and any release of any guarantor or other security for this Personal Guaranty and Undertaking or the obligations of the Franchisee. Franchisor may pursue its rights against any Owner without first exhausting its remedies against the franchisee and without joining any other guarantor and no delay on the part of Franchisor in the exercise of any right or remedy will operate as a waiver of the right or remedy, and no single or partial exercise by Franchisor of any right or remedy will preclude the further exercise of that or any other right or remedy. Upon receipt by Franchisor of notice of the death of any Owner, the estate of the deceased will be bound by the foregoing Personal Guaranty and Undertaking, but only for defaults and obligations under the Franchise Agreement existing at the time of death, and in that event, the obligations of the Owners who survive such death will continue in full force and effect.
- (5) Each also agrees to be bound individually to all of the provisions of the Franchise Agreement including, without limitation, the litigation and dispute resolution provisions set forth in Article 19, and each irrevocably submits to the exclusive jurisdiction of the state and federal courts situated in Harris County, Texas.
- (6) I hereby waive **(a)** all rights described in California Civil Code Section 2856(a)(1)-(2), inclusive, which includes, without limitation, any rights and defenses which are or may become available to the undersigned by reason of California Civil Code Sections 2787 to 2855, inclusive; and **(b)** California Civil Code Sections 2899 and 3433.

**ATTACHMENT D-2
CONFIDENTIALITY AGREEMENT
(for trained employees of Franchisee)**

In accordance with the terms of this Confidentiality (“**Confidentiality Agreement**”) and in consideration of my being a _____ of _____ (the “**Franchisee**”), and other good and valuable consideration, the receipt and sufficiency of which is acknowledged, I hereby acknowledge and agree that:

1. _____ doing business as _____ (the “**Franchisee**”), has acquired the right and franchise from OsteoStrong Franchising, Inc. (“**Franchisor**”) to establish and operate a Center (the “**Center**”) and the right to use in the operation of the Center Franchisor’s trade names, trademarks, service marks, including the trademark and service mark OsteoStrong® (the “**Marks**”) and the system developed by Franchisor and/or its affiliates for operation and management of Centers (the “**System**”), as they may be changed, improved, and further developed from time to time in Franchisor’s sole discretion.
2. Franchisor possesses certain proprietary and confidential information relating to the operation of the System, which includes the Manuals, trade secrets, and copyrighted materials, methods, and other techniques and know-how (the “**Confidential Information**”).
3. Any and all manuals, trade secrets, copyrighted materials, methods, information, knowledge, know-how, and techniques which Franchisor specifically designates as confidential shall be deemed to be Confidential Information for purposes of this Confidentiality Agreement.
4. As _____ of the Franchisee, Franchisor and Franchisee will disclose the Confidential Information to me in furnishing to me the training program and subsequent ongoing training, Franchisor’s operations manual (the “**Manual**”) and other general assistance during the term of this Confidentiality Agreement.
5. I will not acquire any interest in the Confidential Information, other than the right to utilize it in the operation of the Center during the term hereof, and the use or duplication of the Confidential Information for any use outside the System would constitute an unfair method of competition.
6. The Confidential Information is proprietary, involves trade secrets of Franchisor, and is disclosed to me solely on the condition that I agree, and I do hereby agree, that I shall hold in strict confidence all Confidential Information and all other information designated by Franchisor as confidential. Unless Franchisor otherwise agrees in writing, I will disclose and/or use the Confidential Information only in connection with my duties as _____ of the Franchisee, and will continue not to disclose any such information even after I cease to be in that position and will not use any such information even after I cease to be in that position unless I can demonstrate that such information has become generally known or easily accessible other than by the breach of an obligation of Franchisee under the Franchise Agreement.
7. Except as otherwise approved in writing by Franchisor, I shall not, while in my position with the Franchisee and for a continuous uninterrupted period commencing upon the cessation or termination of my position with Franchisee, regardless of the cause for termination, and continuing for a two (2) year period thereafter, either directly or indirectly, for myself or through, on behalf of, or in conjunction with any other person, partnership, corporation, or other limited liability company own, maintain, engage in, be employed by, advise, assist, invest in, franchise, make loans to, or have any interest in any business that offers to its customers or the general public the use of any health or fitness equipment which promotes both bone and

muscle health, from within a radius of a 20-miles of any OsteoStrong® Center, as that term is defined in the Franchise Agreement. This restriction does not apply to my ownership of less than five percent beneficial interest in the outstanding securities of any publicly-held corporation. The two-year time period referenced above will be tolled during any period of non-compliance.

8. I agree that each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Confidentiality Agreement. If all or any portion of a covenant in this Confidentiality Agreement is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an unappealed final decision to which Franchisor is a party, I expressly agree to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Confidentiality Agreement.

9. I understand and acknowledge that Franchisor shall have the right, in its sole discretion, to reduce the scope of any covenant set forth in this Confidentiality Agreement, or any portion thereof, without my consent, effective immediately upon receipt by me of written notice thereof, and I agree to comply forthwith with any covenant as so modified.

10. Franchisor is a third-party beneficiary of this Confidentiality Agreement and may enforce it, solely and/or jointly with the Franchisee. I am aware that my violation of this Confidentiality Agreement will cause Franchisor and the Franchisee irreparable harm; therefore, I acknowledge and agree that the Franchisee and/or Franchisor may apply for the issuance of an injunction preventing me from violating this Confidentiality Agreement, and I agree to pay the Franchisee and Franchisor all the costs it/they incur(s), including, without limitation, legal fees and expenses, if this Confidentiality Agreement is enforced against me. Due to the importance of this Confidentiality Agreement to the Franchisee and Franchisor, any claim I have against the Franchisee or Franchisor is a separate matter and does not entitle me to violate, or justify any violation of this Confidentiality Agreement.

11. This Confidentiality Agreement shall be construed under the laws of the State of Texas. The only way this Confidentiality Agreement can be changed is in writing signed by both the Franchisee and me.

12. With respect to all claims, controversies and disputes, I irrevocably consent to personal jurisdiction and submit myself to the jurisdiction of the state courts located in Harris County, Texas, and the United States District Court for the Southern District of Texas. I acknowledge that this Confidentiality Agreement has been entered into in the State of Texas, and that I am to receive valuable information emanating from Franchisor's offices in Texas. In recognition of the information and its origin, I hereby irrevocably consent to the personal jurisdiction of the state and federal courts of Texas as set forth above. Notwithstanding the foregoing, I acknowledge and agree that Franchisor or the Franchisee may bring and maintain an action against me in any court of competent jurisdiction for injunctive or other extraordinary relief against threatened conduct that will cause it loss or damages, under the usual equity rules, including the applicable rules for obtaining restraining orders and preliminary and permanent injunctions.

THE PARTIES HERETO, INTENDING TO BE LEGALLY BOUND, HAVE EXECUTED THIS CONFIDENTIALITY AGREEMENT AS OF THE DATES NOTED BELOW.

LEASE ADDENDUM**

THIS LEASE ADDENDUM (the “**Lease Addendum**”) is made and entered into as of the ____ day of _____, 20__, by and between _____ (“**Landlord**”), with its principal offices at _____ and _____ (“**Franchisee**” or “**Tenant**”), with its principal offices at _____, and OsteoStrong Franchising, Inc. (“**Franchisor**”) with its principal offices at 8524 Highway 6 North, # 310, Houston, Texas 77095.

BACKGROUND

- A. OsteoStrong Franchising, Inc. or its affiliates, and their successors or assigns (“**Franchisor**”) franchises the operation of a wellness center, (each “**OsteoStrong® Center**” or “**Center**”) that offers customers the use of certain health and exercise equipment, including a set of machines which promote bone and muscle health and a vibration plate exercise machine under the “OsteoStrong” trademarks, service marks, logos, and other indicia of origin prescribed by Franchisor (collectively, the “**Marks**”).
- B. Franchisee has acquired the right and has undertaken the obligation to develop and operate OsteoStrong® Center pursuant to the terms and conditions of a certain franchise agreement between Franchisee and Franchisor (“**Franchise Agreement**”).
- C. Under the terms and conditions of the Franchise Agreement, Franchisor has the right to approve the site for the Center; and if the Center premises will be occupied pursuant to a commercial lease, Franchisor has prescribed certain lease terms and has the right to condition its approval of a proposed site on inclusion of the prescribed lease terms.
- D. Franchisee desires, and has requested Franchisor’s approval, to develop and operate one OsteoStrong® Center at the premises (“**Premises**”) identified in the attached lease (“**Lease**”).
- E. Landlord desires to lease to Franchisee the Premises for purposes of developing and operating one OsteoStrong® Center.
- F. The parties desire to modify and amend the Lease in accordance with the terms and conditions contained herein for purposes of obtaining Franchisor’s approval.

(1) During the term of the Franchise Agreement, the Premises will be used only for the operation of the Center.

(2) Landlord consents to Franchisee’s use of such Marks and signs, interior and exterior décor, furnishings, fixtures, items, color schemes, plans, specifications, and related components of OsteoStrong® System (as defined in the Franchise Agreement and as Franchisor may prescribe for the Center).

(3) Landlord agrees to furnish Franchisor with copies of any and all letters and notices sent to Franchisee pertaining to the Lease and the Premises at the same time that such letters and notices are sent to Franchisee.

(4) Franchisor will have the right to enter onto the Business premises at any time, to make any modification or alteration necessary to protect OsteoStrong® System and Marks or to cure any default under the Franchise Agreement or under the Lease, without being guilty of trespass or any other crime or

tort, and the Landlord will not be responsible for any expense or damages arising from Franchisor's action in connection therewith.

(5) During the term of the Lease, and any exercised options thereunder, Landlord agrees not to lease a location or premises at the _____ **[As identified and defined under the Lease]** to a tenant who will or anticipates offering to its customers or the general public the use of any health or fitness equipment which promotes skeletal strength conditioning.

(6) In the event of Franchisee's default under the terms of the Lease, Landlord shall promptly deliver notice of such default to Franchisor and shall offer Franchisor the opportunity to cure the default and to assume the Lease in Franchisor's name. If Franchisor elects to cure the default and assume the Lease, Franchisor, within 10 days of its receipt of notice from Landlord, shall notify Landlord of its intent to cure such default and to assume the Lease. If Franchisor elects to cure the default, it shall cure the default within 30 days of such election or, if the default cannot be reasonably cured within such 30 day period, then Franchisor will commence and proceed to cure the default within such time as is reasonably necessary to cure the default. If Franchisor elects to assume the Lease, Landlord agrees to recognize Franchisor as the tenant under the Lease and Franchisee will no longer have any rights there under.

(7) Franchisee will be permitted to assign the Lease to Franchisor or its affiliates upon the expiration (without renewal) or earlier termination of the Franchise Agreement and the Landlord hereby consents to such assignment and agrees not to impose or assess any assignment fee or similar charge or accelerate rent under the Lease in connection with such assignment, or require Franchisor to pay any past due rent or other financial obligation of Franchisee to Landlord, it being understood that Landlord will look solely to the Franchisee for any rents or other financial obligations owed to Landlord prior to such assignment. Landlord and Franchisee acknowledge that Franchisor is not a party to the Lease and will have no liability under the Lease, unless and until the Lease is assigned to, or assumed by, Franchisor.

(8) Except for Franchisee's obligations to Landlord for rents and other financial obligations accrued prior to the assignment of the Lease, in the event of such assignment, Franchisor or any affiliate designated by Franchisor will agree to assume from the date of assignment all obligations of Franchisee remaining under the Lease, and in such event Franchisor or any affiliate will assume Franchisee's occupancy rights, and the right to sublease the Premises, for the remainder of the term of the Lease. In the event of such assignment, neither Franchisor nor any affiliate will be required to pay to Landlord any security deposit.

(9) Notwithstanding anything contained in this Lease, Franchisor is expressly authorized, without the consent of the Landlord, to assign the Lease, or to sublet all or a portion of Premises, to an authorized franchisee. If Franchisor elects to assign the Lease, the subtenant/franchisee shall expressly assume all of Franchisor's obligations under the Lease, and Franchisor shall be released of all obligations to Landlord under the Lease as of the date of assignment. If Franchisor elects to sublet the premises, such subletting shall be subject to the terms of this Lease, the subtenant/franchisee shall expressly assume all of Franchisor's obligations under the Lease, and Franchisor shall remain liable for the performance of the terms of this Lease. Franchisor shall notify Landlord as to the name of the subtenant/franchisee within 10 days after such assignment or subletting, as applicable.

(10) Franchisee will not assign the Lease or renew or extend the term thereof without the prior written consent of Franchisor.

(11) Neither Landlord nor Franchisee shall amend or otherwise modify the Lease in any manner that could materially affect any of the foregoing requirements without the prior written consent of Franchisor.

(12) All notices hereunder shall be by certified mail to the addresses set forth above or to such other addresses as the parties hereto may, by written notice, designate. Notices required to be given to Franchisor shall be delivered to the following address: 8524 Highway 6 North, # 310, Houston, Texas 77095.

(13) This Lease Addendum shall be binding upon the parties hereto, their heirs, executors, successors, assigns and legal representatives.

The terms of this Lease Addendum will supersede any conflicting terms of the Lease.

IN WITNESS WHEREOF, the parties have executed this Lease Addendum as of the date first above written.

- B. One of Franchisee’s obligations under the Franchise Agreement is to purchase and offer to the public at the Center premises equipment designated by the Franchisor which promotes bone density and strength (“**Equipment**”).
- C. Franchisor or its assignee has developed software to be established and used in and in conjunction with certain required Equipment which Franchisor owns or has the right to sublicense to Franchisee (“**Spectrum® Software**”). The Spectrum® Software provides and stores user-specific data and information to tailor and personalize each user’s experience on the Equipment.
- D. Guarantors agree to personally, and jointly and severally, guaranty Franchisee’s obligations and covenants under this Agreement and to be bound by each provision as though each were the Franchisee.
- E. Now, the parties desire to define the terms and conditions on which Franchisor will grant use of the Spectrum® Software to Franchisee in accordance with the provisions of this Agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual promises contained in this Agreement and other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. SPECTRUM® SOFTWARE

A. GRANT OF USE

- (a) **License Grant.** Franchisor grants to Franchisee a personal, limited, non-assignable, non-transferrable, non-exclusive license to use the Spectrum® Software during the term of the Franchise Agreement, subject to the terms and conditions set forth in this Agreement.
- (b) **No Customization.** Franchisor prohibits Franchisee from customizing or authorizing customizations of the Spectrum® Software.
- (c) **Scope of Use.** Franchisee may use the Spectrum® Software solely in connection with the Equipment, specifically Center customer use of the Equipment, and will not make

the Spectrum® Software available to or permit the use thereof by any person or entity except to the extent and in the manner permitted under this Agreement.

- (d) **No Reverse Engineering or Modifications**. Franchisee agrees not to reverse engineer, decompile or disassemble the Spectrum® Software or any part of the Spectrum® Software, nor will Franchisee change, modify or create derivative works from the Spectrum® Software.
- (e) **Ownership**. Franchisee acknowledges that Franchisee has no ownership rights in the Spectrum® Software.
- (f) **Other Rights**. Franchisee has no other rights in the Spectrum® Software except those rights expressly granted by this Agreement.
- (g) **Third Party Access**. Franchisee must not make the Spectrum® Software available to any third-party unless required by Franchisor at its sole discretion.
- (h) **Updating to Current Version**. Franchisee must only use current versions of the Spectrum® Software; provided, however, Franchisee may use prior versions if prior versions are necessary to support the current version. Current version may include an upgrade to a version requiring an additional fee after the effective date of this Agreement.

B. FEES

- (a) **Spectrum® Software License Fee**. Beginning in the first month Franchisee begins to operate the Center, Franchisee must pay to Franchisor a continuing Software License Fee via automatic bank draft for the right to use the Spectrum® Software for such periods and at such frequency as designated by Franchisor and communicated to you in writing. The amount of the Spectrum® Software License Fee is set in the Summary Pages of the Franchise Agreement to which this Agreement is attached and is incorporated by reference herein and Franchisor reserves the right to increase this Software License Fee by up to 50% per calendar year.

C. TERMINATION

- (a) **Term**. Except as otherwise expressly set forth below, the parties intend that the term of the license granted hereby will be coextensive with the term of the Franchise Agreement and all renewals and extensions thereof.
- (b) **Automatic Termination**. The license granted hereby will terminate automatically upon the expiration, nonrenewal, or termination of the Franchise Agreement.
- (c) **Termination by Franchisor**. Franchisor or its designee may terminate the license to use the Spectrum® Software, as granted herein, upon notice to Franchisee with immediate effect in the event that (i) Franchisee breaches any of its obligations under this Agreement or under the Franchise Agreement, (ii) the Franchise Agreement is terminated, expires, or is not renewed, or (iii) Franchisor requires Franchisee to cease using the Spectrum® Software, or any or all portions of it, as specified by Franchisor. Unless notified to discontinue use, Franchisee agrees to continue to use the Spectrum® Software and any updated versions of it as long as Franchisor requires it.

- (d) **Disabling of the Spectrum® Software.** Franchisee understands that Franchisor may include a feature in the Spectrum® Software that will cause the Spectrum® Software to automatically cease to operate in whole or in part in the event Franchisee materially breaches this Agreement, the Franchise Agreement, or fails in a timely manner to (i) submit to Franchisor the reports required by Franchisor; (ii) pay to Franchisor the required fees under this Agreement; or (iii) pay to Franchisor the Royalty Fee or any other amounts due to Franchisor under the Franchise Agreement. **Franchisor will not be liable to Franchisee for any damages whatsoever that may result directly or indirectly from Franchisor's disabling of the functionality of the Spectrum® Software pursuant to this Section.**
- (e) **Disposition of Copies.** Upon termination of the license to use the Spectrum® Software granted herein Franchisee agrees to promptly return to Franchisor, or otherwise dispose of as Franchisor may instruct, all physical copies of the Spectrum® Software and its associated documentation in Franchisee's possession or under Franchisee's control and will remove all copies thereof from Franchisee's electronic storage media (including from Equipment hardware). On Franchisor's request, Franchisee will provide Franchisor with written certification of its compliance with the foregoing.
- (f) **No Refunds.** Upon the expiration or termination of the license granted hereby, or if the Spectrum® Software is disabled as described above, Franchisee will not receive any refund of any payments made to Franchisor.
- (g) **Ownership of Data.** Franchisee acknowledges and agrees that all data and information input and stored in the Spectrum® Software is the sole and exclusive property of Franchisor and that such information is licensed to Franchisee for its use solely for the direct and customary operation of the Center and only during the term of this Agreement.

2. TRAINING AND SUPPORT; ACCOUNTANTS & OTHER PROFESSIONAL CONSULTANTS

A. **Cooperation of Franchisee.** Franchisee agrees to cooperate with Franchisor in all matters relating to the installation and support of the Spectrum® Software and shall complete such training of Franchisee's personnel with respect to the Spectrum® Software as may be required by Franchisor.

B. **Training and Support.** Franchisor or Franchisor's designee will provide a limited amount of training and support to Franchisee which may be by telephone, webinar or any other means during Franchisor's normal business hours, via a written manual, the Internet or in any other manner chosen by Franchisor. The type and amount of such training and support shall be determined by Franchisor in its sole discretion.

C. **Maintenance, Upgrades and Fixes.** Franchisor or its designee may, in its discretion, modify, upgrade or create fixes, service releases and new versions of the Spectrum® Software from time to time and provide them to Franchisee.

D. **Remote Access.** Franchisee permits Franchisor or its designee unrestricted remote access to Franchisee's network and each device containing any of the Spectrum® Software. Such access may be to allow for the full functioning of the Spectrum® Software, to allow Franchisor to install the Spectrum® Software and modifications, fixes, service releases and new versions of the Spectrum® Software, to provide training and support, and any other reason Franchisor may designate or deem necessary. Franchisee acknowledges and agrees that (i) Franchisee will install on its network reasonable security protection; (ii)

remote access may reduce or disable the effectiveness of security protection; and (iii) neither Franchisor nor any party acting on behalf of Franchisor shall be liable for any claims, demands, damages, costs or expenses that arise or are in any way connected with the remote access to Franchisee's network described herein. Franchisee further understands and acknowledges that such remote access allows Franchisor to have full access to the data generated by Franchisee and to retrieve and use any such data without any limitation.

3. CONFIDENTIALITY AND LIMITED ACCESS

A. **Nondisclosure.** Franchisee agrees to maintain the Spectrum® Software, including its documentation and the data generated by the use of the Spectrum® Software in confidence by using at least the same physical and other security measures that Franchisee uses for its own confidential information. Franchisee further agrees not to allow anyone to access or use the Spectrum® Software or to see its documentation or the data it generates other than Franchisee's customers in connection with such customers' use of the Equipment, and Franchisee's employees, agents, and representatives who have a need to have access to or to use the Spectrum® Software in order to support Franchisee's authorized use thereof, provided that each such employee, agent, and representative shall have signed an undertaking to Franchisee, in a form satisfactory to Franchisor, acknowledging that he or she is bound by an obligation of confidentiality.

B. **Notice of Loss.** Franchisee shall immediately notify Franchisor upon discovering any loss or theft of any copy of the Spectrum® Software or its documentation or any data generated by its use, or any unauthorized disclosure thereof by any of Franchisee's employees, agents or representatives.

4. REPRESENTATIONS; WARRANTIES; LIMITATION OF LIABILITY; INDEMNIFICATION

A. **Disclaimer of Warranty.** EXCEPT AS SPECIFICALLY PROVIDED HEREIN, NEITHER FRANCHISOR NOR ANY AFFILIATE OF FRANCHISOR MAKES ANY EXPRESS OR IMPLIED WARRANTY WHATSOEVER. FRANCHISOR AND ALL AFFILIATES OF FRANCHISOR EXPRESSLY DISCLAIM THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. FRANCHISOR SPECIFICALLY MAKES NO WARRANTIES AND DISCLAIMS ANY EXPRESS OR IMPLIED WARRANTY RELATING TO THE SPECTRUM® SOFTWARE, OR ANY ASPECT OR COMPONENT THEREOF. FRANCHISOR DISCLAIMS ANY EXPRESS OR IMPLIED WARRANTY THAT FRANCHISOR WILL CORRECT ANY OR ALL SOFTWARE DEFECTS.

B. **Specific Warranty Disclaimers.** WITHOUT LIMITING ANY DISCLAIMER OF WARRANTY IN SECTION 4.A, FRANCHISOR SPECIFICALLY DISCLAIMS ANY WARRANTY THAT THE SPECTRUM® SOFTWARE OR DOCUMENTATION:

- (a). will meet Franchisees' requirements;
- (b). will adhere to any quality standards;
- (c). will be uninterrupted, timely, secure, bug-free or error-free;
- (d). will be free from harmful code;
- (e). will produce effective, accurate or reliable results;
- (f). will meet Franchisees' expectations; or
- (g). will be free from technical or other mistakes, inaccuracies or typographical errors.

C. **Limitation of Liability.** THE LIABILITY OF FRANCHISOR TO FRANCHISEE WILL BE LIMITED TO DIRECT DAMAGES. IN NO EVENT WILL FRANCHISOR BE LIABLE FOR INCIDENTAL, SPECIAL, INDIRECT, OR CONSEQUENTIAL DAMAGES (INCLUDING LOST PROFITS), EVEN IF FRANCHISOR HAS PREVIOUSLY BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN ADDITION, FRANCHISOR SHALL HAVE NO

LIABILITY FOR ANY ERRORS OR OMISSIONS IN ANY WAY RELATED TO WORK PERFORMED BY CONSULTANTS OR OTHER PROFESSIONALS, REGARDLESS OF ANY PERMISSION, APPROVAL OR ACCEPTANCE BY FRANCHISOR. FRANCHISOR SHALL ALSO HAVE NO LIABILITY FOR THE INADVERTENT INTERRUPTION, DISABLING, OR UPDATE OF THE SPECTRUM® SOFTWARE.

D. Spectrum® Software and Franchisee's Right to Indemnification. If a third party claims that the Spectrum® Software infringes any U.S. patent, copyright, or trade secret, Franchisor may elect, in its sole discretion, to defend Franchisee against such claim at Franchisor's expense and pay all damages that a court finally awards, provided that Franchisee promptly notifies Franchisor in writing of the claim, and allows Franchisor to control, and Franchisee cooperates with Franchisor in, the defense or any related settlement negotiations. If such a claim is made or appears possible, Franchisor may, at its option, secure for Franchisee the right to continue to use the Spectrum® Software, or modify or replace the Spectrum® Software so that it is non-infringing. If neither of the foregoing options is available in Franchisor's judgment, Franchisor may terminate the license granted by this Agreement and require Franchisee to return the Spectrum® Software without compensation. Franchisor has no obligation with respect to any claim based on a version of the Spectrum® Software that is modified without Franchisor's authorization or is combined, operated or used with any product, data, or apparatus not specified or approved by Franchisor. **THIS SECTION 4.D. STATES THE ENTIRE OBLIGATION OF FRANCHISOR AND FRANCHISOR'S AFFILIATES TO FRANCHISEE WITH RESPECT TO ANY CLAIM OF INFRINGEMENT.**

E. Franchisor's Right to Indemnification. Franchisee must indemnify, hold harmless, and defend Franchisor, its affiliates, and their agents and employees, in accordance with this Section, against any loss arising from or in connection with, or resulting from, and will be limited to any claim that materials or content (including, any information, software, and data) furnished by Franchisee infringe or misappropriate any third party copyright or trademark rights.

5. MISCELLANEOUS

A. Remedies. Franchisee acknowledges that any breach of the covenants set forth in Subsections 1.A.(b), (c), (d), (f) or (g) or Section 3 of this Agreement would cause irreparable damage to Franchisor that would be incapable of precise measurement and for which no adequate remedy would exist at law. Franchisee therefore agrees that injunctive relief shall be available for any such breach in addition to all other remedies that may be available.

B. Notices. All notices, requests, consents and other communications required or permitted by this Agreement shall be in writing and shall be delivered by hand, fax, overnight delivery service, or registered or certified first class mail, to then-current address of the recipient known by the sender, to the attention of the person then holding the title of the person signing this Agreement on behalf of the recipient. Any such notice, request, consent or other communication shall be deemed given and be effective upon receipt at such address.

C. Entire Agreement; Amendments. This Agreement constitutes the entire understanding between the parties relating to the subject matter hereof, superseding all prior agreements, arrangements and understandings between the parties relating to its subject matter. This Agreement may not be amended or changed in any way unless such changes are in writing signed by the parties hereto.

D. Waiver. No delay, omission or failure to exercise any right or remedy provided for herein will be deemed to be a waiver thereof or acquiescence in the event giving rise to such right or remedy. No waiver will be binding unless contained in a writing signed by the party waiving its rights. Any waiver is limited

to the specific situation in which it is given and no waiver of any breach or default under this Agreement will be construed as a waiver of any earlier or succeeding breach or default.

E. **Governing Law.** This Agreement will be governed by and construed in accordance with the laws of the State of Texas applicable to agreements made and to be performed entirely within the State of Texas, without regard to Texas's conflicts of law principles.

F. **Dispute Resolution.** Section 19 of the Franchise Agreement is hereby incorporated into this Agreement in its entirety and made a part by reference, and the parties agree that any controversy or dispute arising out of or related to this Agreement will be governed exclusively by this dispute resolution Section.

G. **Assignment.** Franchisee may not assign or transfer this Agreement or any rights hereunder without Franchisor's prior written consent. Franchisor may assign or transfer this Agreement and all of Franchisor's rights, duties, and obligations hereunder to any person, group, or entity that Franchisor chooses. Upon an assignment, Franchisor will be released from all of duties and obligations and Franchisee will look to the assignee for the performance of these duties and obligations.

H. **Costs, Expenses and Attorneys' Fees.** If an action is commenced between the parties to enforce any provision of this Agreement, the prevailing party will be entitled to reasonable costs and expenses, including attorneys' fees.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the Effective Date written above.

CALIFORNIA AMENDMENT TO FRANCHISE AGREEMENT

THIS AMENDMENT TO FRANCHISE AGREEMENT (“Amendment”) dated _____, 20____ is intended to be a part of, and by this reference is incorporated into that certain Franchise Agreement (the “Franchise Agreement”) dated _____, 20____, by and between OsteoStrong Franchising, Inc. (“Franchisor”), a Delaware corporation, with a principal business address of 8524 Highway 6 North, # 310, Houston, Texas 77095, and _____ (“you” or “Franchisee”). Defined terms contained in the Franchise Agreement shall have the identical meanings in this Amendment.

1. The California Department of Financial Protection and Innovation requires that certain provisions contained in franchise documents be amended to be consistent with California law, including the California Franchise Investment Law, CAL. CORP. CODE Section 31000 et seq., and the California Franchise Relations Act, CAL. BUS. & PROF. CODE Section 20000 et seq., (collectively, the “Act”). To the extent that the Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

2. Sections 20000 through 20043 of the California Business and Professions Code provide rights to you concerning nonrenewal and termination of the Franchise Agreement. The Federal Bankruptcy Code also provides rights to you concerning termination of the Franchise Agreement upon certain bankruptcy-related events. To the extent the Franchise Agreement contains a provision that is inconsistent with these laws, these laws will control.

3. The Franchise Agreement requires you to execute a general release of claims upon renewal or transfer of the Franchise Agreement. California Corporations Code Section 31512 provides that any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of that law or any rule or order is void. Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code 31000 through 31516). California Business and Professions Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (California Business and Professions Code 2000 through 20043).

4. If the Franchise Agreement requires payment of liquidated damages that is inconsistent with California Civil Code Section 1671, the liquidated damage clause may be unenforceable.

5. If the Franchise Agreement contains a covenant not to compete which extends beyond the expiration or termination of the Agreement, the covenant may be unenforceable under California law.

6. If the Franchise Agreement requires litigation, arbitration, or mediation to be conducted in a forum other than the State of California, the requirement may unenforceable under California law.

7. If the Franchise Agreement requires that it be governed by a state’s law other than the State of California, such requirement may be unenforceable.

8. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

9. Each provision of this Amendment shall be effective only to the extent that the jurisdictional requirements of California law applicable to the provisions are met independent of this Amendment. This Amendment shall have no force or effect if such jurisdictional requirements are not met.

IN WITNESS WHEREOF, the parties have executed this Amendment on the date first shown above.

3. WASHINGTON AMENDMENT TO FRANCHISE AGREEMENT

THIS AMENDMENT TO FRANCHISE AGREEMENT (“**Amendment**”) dated _____, 20__ is intended to be a part of, and by this reference is incorporated into that certain Franchise Agreement (the “**Franchise Agreement**”) dated _____, 20__, by and between OsteoStrong Franchising, Inc. (“**Franchisor**”), a Delaware corporation, with a principal business address of 8524 Highway 6 North, # 310, Houston, Texas 77095, and _____ (“**Franchisee**”). Defined terms contained in the Franchise Agreement shall have the identical meanings in this Amendment.

1. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.
2. RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.
3. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
5. Section 4.1 of this Franchise Agreement is revised to state that the Washington Department of Financial Institutions Securities Division has imposed a financial assurance requirement. Therefore, as a condition to becoming registered to offer and sell franchises in the State of Washington, we have agreed to defer your obligation to pay the Initial Franchise Fee to us until Franchisor has completed all of its preopening obligations to Franchisee under the Franchise Agreement and Franchisee has opened for business.
6. Transfer fees are collectable to the extent that they reflect the franchisor’s reasonable estimated or actual costs in effecting a transfer.
7. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee’s earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor’s earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.
8. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

9. Sections 16.2.2, 16.2.3, and 16.2.5 of the Franchise Agreement are deleted in their entirety.

10. Each provision of this Amendment shall be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Washington laws are met independently without reference to this Amendment.

11. The Franchisor [uses/may use] the services of franchise brokers to assist it in selling franchises. A franchise broker represents the Franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. Do not rely only on the information provided by a franchise broker about a franchise. Do your own investigation by contacting the Franchisor's current and former franchisees to ask them about their experience with the Franchisor.

12. No statement, questionnaire or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of: (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on behalf of the Franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

IN WITNESS WHEREOF, the parties have executed this Amendment on the date first shown above.

Independent Auditor's Report

To the Stockholder
OsteoStrong Franchising, Inc.
Brentwood, Tennessee

Report on the Financial Statements

Opinion

We have audited the financial statements of OsteoStrong Franchising, Inc. (the "Company"), which comprise the balance sheets as of December 31, 2024 and 2023 and the related statements of operations, changes in stockholder's deficit, and cash flows for the years ended December 31, 2024, 2023 and 2022 and related notes to the financial statements.

In our opinion, the accompanying financial statements presents fairly, in all material respects, the financial position of the Company as of December 31, 2024 and 2023 and the results of its operations, changes in stockholder's deficit and cash flows for the years ended December 31, 2024, 2023 and 2022 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of OsteoStrong Franchising, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about OsteoStrong Franchising, Inc.'s ability to continue as a going concern within one year from the date the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of OsteoStrong Franchising, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used, and the reasonableness of, significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about OsteoStrong Franchising, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

2. Significant Accounting Policies

Basis of Accounting

The Company uses the accrual basis of accounting in accordance with accounting principles generally accepted in the United States ("U.S. GAAP"). Under this method, revenue is recognized when earned and expenses are recognized as incurred.

Use of Estimates

The preparation of the financial statements and accompanying notes in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenue and expenses and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reported period. Estimates are used for the following, among others: revenue recognition, allowance for credit losses, useful lives for depreciation of long-lived assets and deferred taxes. Actual results could differ from those estimates.

Comparative Financial Statements

Certain prior period amounts have been reclassified to conform to current year presentation.

Fair Value of Financial Instruments

Fair value is defined as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company's financial instruments consist primarily of cash and cash equivalents, accounts receivable, prepaid expenses, deferred costs, accounts payable and accrued expenses and deferred revenue. The carrying values of cash and cash equivalents, accounts receivable, prepaid expenses, deferred costs, accounts payable and accrued expenses and deferred revenue are considered to be representative of their respective fair values due to the short-term nature of these instruments. Based on borrowing rates currently available to the Company for loans with similar terms, the carrying value of long-term debt approximates fair value.

Assets and liabilities that are carried at fair value are classified and disclosed in one of the following three categories:

Level 1: Quoted market prices in active markets for identical assets and liabilities.

Level 2: Observable market-based inputs or unobservable inputs that are corroborated by market data.

Level 3: Unobservable inputs that are not corroborated by market data

Non-recurring fair value measurements include the assessment of property and equipment and intangible assets for impairment. As there is no corroborating market activity to support the assumptions used, the Company has designated these estimates as Level 3.

Cash and Cash Equivalents

For purposes of reporting cash flows, all highly liquid investments with a maturity of three months or less are considered cash equivalents.

2. Significant Accounting Policies (continued)

Accounts Receivable

Accounts receivable consists primarily of franchise fees, royalty revenue, advertising fee revenue, equipment revenue and other fees revenue due from franchisees and are stated at the amount the Company expects to collect. The Company maintains allowances for credit losses for estimated losses resulting from the inability of its customers to make required payments. Management considers the following factors when determining the collectability of specific customer accounts: customer credit worthiness, past transaction history with the customer, current economic industry trends, and changes in customer payment terms. Past due balance over 90 days and other higher risk amounts are reviewed individually for collectability. If the financial condition of the Company's customers were to deteriorate, adversely affecting their ability to make payments, additional allowances would be required. Based on management's assessment, the Company provides for estimated uncollectible amounts through a charge to earnings and a credit to an allowance. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the allowance for credit losses.

Inventory

Inventory is composed of multi-purpose actuators, load cells, triggers, adapters, and other component items for sale and are stated at lower of cost or market and are expensed in equipment expense using the weighted-average cost method when provided to its customers.

Deferred costs

The Company capitalizes incremental contract costs associated with obtaining franchise contracts which include broker fees, sales commissions and general fees that would not have been incurred had the franchise sale not occurred. These balances are reported as deferred costs on the balance sheets and are amortized over the term of the related franchise agreements. Amortization is included as commission expense in the statements of operations.

Property and Equipment

Property and equipment is stated at cost less accumulated depreciation. Depreciation is computed using the straight-line method over the following estimated useful lives of the respective asset:

	<u>Estimated Useful Life</u>
Trailer equipment	5 Years

Maintenance and repair costs are expensed in the period incurred. Expenditures for purchases and improvements that extend the useful lives of property and equipment are capitalized.

Intangible Assets

Intangible assets are stated at cost less accumulated amortization. Amortization is computed using the straight-line method over the following estimated useful life of the respective asset:

	<u>Estimated Useful Life</u>
Reacquired franchise rights	6 to 10 Years

2. Significant Accounting Policies (continued)**Impairment of Long-Lived Assets**

The Company assesses potential impairment of its long lived assets whenever events or changes in circumstances indicate that the carrying value may not be recoverable. Factors that the Company considers important which could trigger an impairment review include, but are not limited to, significant under-performance relative to historical or projected future operating results, significant changes in the manner of use of the acquired assets or the strategy for the Company's overall business, and significant industry or economic trends. When the Company determines that the carrying value of the long-lived assets may not be recoverable based upon the existence of one or more of the above indicators, the Company determines the recoverability by comparing the carrying amount of the asset to net future undiscounted cash flows that the asset is expected to generate. If the carrying value is not recoverable, an impairment is recognized in the amount by which the carrying amount exceeds the fair value of the asset. During the years ended December 31, 2024, 2023 and 2022, no impairment charges were recognized related to long-lived assets.

Revenue Recognition**Franchise fee revenue**

The Company recognizes revenue in accordance with Financial Accounting Standards Board ("FASB") ASC 606-10-25, *Revenue from Contracts with Customers*. In January 2021, the FASB issued Accounting Standards Update ("ASU") 2021-02, "Franchisors – Revenue from Contracts with Customers (Subtopic 952-606): Practical Expedient." ASU 2021-02 provides a practical expedient that simplifies the application of ASC 606 about identifying performance obligations and permits franchisors that are not public entities to account for pre-opening services listed within the guidance as distinct from the franchise license. The Company has adopted ASU 2021-02 and implemented the guidance on its revenue recognition policy.

The Company sells individual franchises. The franchise agreements typically require the franchisee to pay an initial, non-refundable fee prior to opening the respective location(s), continuing royalty and other fees on a monthly basis based upon a percentage of franchisees gross sales. A franchise agreement establishes a franchised center developed in one defined geographic area and provides for a 10-year initial term with the option to renew for two addition 5-year terms. Subject to the Company's approval, a franchisee may generally renew the franchise agreement upon its expiration. If approved, a franchisee may transfer a franchise to a new or existing franchisee, at which point a transfer fee is typically paid by the current owner which then terminates that franchise agreement, and a franchise agreement is signed with the new franchisee. In the event a franchise agreement is terminated, any remaining deferred fees are recognized in the period of termination.

Under the terms of our franchise agreements, the Company typically promises to provide franchise rights, pre-opening services such as functional training and ongoing services. These performance obligations are highly interrelated and we do not consider them to be individually distinct, and therefore account for them under Topic ASC 606 as a single performance obligation. Revenue related to franchise fees is recognized evenly over the contractual term of the franchise agreement.

The Company also sells master licenses that grant the licensee the sole rights to develop OsteoStrong Centers and grant individual franchises within a specific geographical area. These agreements transfer franchise rights within a geographical area permitting the opening of a number of franchised outlets. Decisions regarding the number of outlets and their location are primarily made by the master franchisee with approval of the Company. Revenue is recognized when substantially all significant services to be provided to the franchisee/licensee have been performed.

NOTES TO FINANCIAL STATEMENTS

2. Significant Accounting Policies (continued)**Revenue Recognition (continued)****Royalty revenue**

Royalty revenue is charged to existing franchise owners based on a percentage of a center's gross revenue. This revenue is generally the greater of four to seven percent of gross revenue or \$999 to \$1,500 per month. The revenue is recognized as earned.

Advertising fee revenue

Advertising fee revenue is charged to existing franchise owners based on a percentage of a center's gross revenue. This revenue is generally greater of one percent of gross revenue or \$500 per month. The revenue is recognized as earned.

Proprietary digital marketing system revenue

Proprietary digital marketing system revenue is charged to existing franchise owners at \$997 per month and an additional ad spend ranging from \$1,000 to \$3,000 per month. The revenue is recognized as earned.

Equipment revenue and marketing product revenue

Equipment revenue and marketing product revenue are recognized when the products have been shipped. The Company accounts for shipping and handling revenues and costs: (1) as revenues within the caption of equipment revenue, and (2) as expenses within the caption of equipment expense, in the statements of operations.

Management fee revenue

Management fee revenue consists of revenue from OsteoStrong International, Inc. ("OSI"), the Company's affiliate, to manage the operations of OSI.

Other revenues

Other revenues consist of convention sponsorship fee, technology fee, initial training, center design fee and Spectrum support revenue. The Company receives endorsements from its sponsors for the convention held during the year. The Company recognizes the revenue when the convention is held. Technology fees are currently charged at \$250 per month per existing franchise and recognized as earned. The franchisor also requires the franchisee to pay initial training and center design fee upon signing the agreement. The Company will recognize these fees as revenue when substantially all initial services required by the franchise agreement are performed, which is generally upon opening of the franchise. The Company provided technical support to franchisees for Spectrum equipment, and is recognized as earned.

Advertising and marketing

All costs associated with advertising and marketing are expensed in the period incurred.

2. Significant Accounting Policies (continued)

Income Taxes

The Company is a wholly owned subsidiary of BOI and as such does not file an income tax return separate and apart from its parent, which is taxed as a C-Corporation. Income taxes are provided for the tax effects of transactions reported in the financial statements and consist of taxes currently due plus deferred taxes. Deferred income taxes are provided for the temporary differences in basis of the Company's assets and liabilities and their reported amounts. The deferred tax assets and liabilities represent the future tax consequences of those differences, which will either be taxable or deductible when the assets and liabilities are recovered or settled. Deferred tax assets and liabilities are determined based on the enacted rates that are expected to be in effect when these differences are expected to reverse. Deferred tax expense or benefit is the result of the changes in the deferred tax assets and liabilities. The Company records a valuation allowance to reduce deferred tax assets if it is more likely than not that some portion or all of the deferred tax assets will not be realized. The Company recognizes income tax related interest and penalties in interest expense and general and administrative expenses, respectively.

Recent Accounting Pronouncements

In December 2023, the FASB issued ASU No. 2023-09, "Income Taxes (Topic 740) - Improvements to Income Tax Disclosures". The standard requires disaggregated information about a reporting entity's effective tax rate reconciliation as well as information on income taxes paid. The standard is intended to benefit investors by providing more detailed income tax disclosures that would be useful in making capital allocation decisions and applies to all entities subject to income taxes. ASU 2023-09 will be effective for annual periods beginning after December 15, 2025. The guidance will be applied on a prospective basis with the option to apply the standard retrospectively. Early adoption is permitted. The Company is currently evaluating the impact of adopting ASU No. 2023-09 on its financial statements.

In July 2025, the FASB issued ASU No. 2025-05, "Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses for Accounts Receivable and Contract Assets". This accounting standard amends ASC 326-20 to provide a practical expedient (for all entities) and an accounting policy election (available to all entities other than public business entities) related to the estimation of expected credit losses for current accounts receivable and current contract assets that arise from transactions accounted for under ASC 606. ASU No. 2025-05 will be effective for fiscal years, and interim periods within those years, beginning after December 15, 2025. Early adoption is permitted, with prospective application. The Company is currently evaluating the impact of adopting ASU No. 2025-05 on its financial statements.

We reviewed other significant newly-issued accounting pronouncements and concluded that they either are not applicable to our operations or that no material effect is expected on our financial statements as a result of future adoption.

Subsequent Events

In accordance with FASB ASC 855, Subsequent Events, the Company has evaluated subsequent event through August 13, 2025, the date on which these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

At December 31, 2024 and 2023, approximately \$1.34 million and \$1.7 million of net operating loss carryforwards was available to offset future taxable income, respectively. The Company's management periodically assess the likelihood that it will be able to recover its deferred tax assets. As of December 31, 2023, the Company recorded a valuation allowance of \$352,860, which was equal to the full amount of the net operating loss deferred tax asset due to the uncertainty of the utilization of this deferred tax asset in future periods. The valuation allowance was released during 2024 due to the expected utilization of the net operating loss carryover.

During the year ended December 31, 2024, the Company utilized approximately \$341,000 of its federal net operating loss carryforwards to offset taxable income, resulting in a reduction of current income taxes payable of approximately \$71,610.

The Company's parent files income tax returns in the U.S. federal jurisdictions and states in which it operates. The Company is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. The Company has analyzed tax positions taken for filing with the jurisdictions where it operates. The Company believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on the Company's financial condition, results of operations or cash flows. Accordingly, the Company has not recorded any reserves, or related accruals for interest and penalties for uncertain income tax positions at December 31, 2024 and 2023.

The Simpson Parties' claims included common-law fraud, fraudulent nondisclosure, fraudulent inducement, negligent misrepresentation, breach of contract, quantum meruit, unjust enrichment, and defamation. Franchisee Plaintiffs are seeking monetary damages, punitive damages, attorneys' fees and costs, and declaratory relief. Company filed its answer and brought counterclaims against Plaintiffs and other third-party defendants including claims for the Simpson Parties' and counter defendants' conspiracy to spread false information about the OsteoStrong brand in an effort to damage the brand, defamation, business disparagement, tortious interference with existing contracts and prospective business relationships, conspiracy, and breach of contract. Company's motion seeking dismissal of the Simpson Parties' claims for defamation, quantum meruit, and unjust enrichment was filed on April 20, 2020. The Court granted Company's motion to dismiss each of these claims except negligent misrepresentation.

Company's counterclaims were dismissed and re-filed in a separated lawsuit on October 11, 2021, where Company brought claims against Sean Simpson, Charla Simpson, OS New Mexico, LLC, and OS Regional Developers Colorado, Rachelle Worral, Derek Albrecht, James Hellerman, Gale Jungemann-Schulz, John Baird, Linda Burbank & Ken Burbank, K&L Wellness, LLC, Mary Jo McHenry, Bret Kurihara, Roy Kevin Gutierrez, Coleman Travelstead, Brookes McIntyre, BNS RD, LLC, BioStrength 1, Mark Partlow, Karen Partlow, and John Does 1-10 ("Conspiracy Defendants"), Case No. 4:21-cv-03330 filed in the United States District Court for the Southern District of Texas Houston Division. Company seeks to recover damages suffered as a result of the Conspiracy Defendants' conspiracy to spread numerous false, derogatory, and defamatory statements and communications about Company to franchisees, prospects, investors, and business partners and extensive efforts to undermine, through the targeted spreading of false and defamatory statements, Company's existing and potential contractual relationships. Company has asserted claims against the Conspiracy Defendants for defamation, business disparagement, tortious interference with existing contracts, tortious interference with prospective business relationships, conspiracy, malicious prosecution, and breach of confidentiality and conspiracy to breach confidentiality agreement. Company is seeking monetary damages, including actual, compensatory, and punitive damages, as well as attorneys' fees. On December 21, 2021, this case was consolidated under the above case title and is currently in the discovery phase of litigation. Company's claims against Albrecht, Hellerman, and Jungemann-Schulz were settled on April 11, 2022 and dismissed with prejudice on May 27, 2022. Company's claims against BioStrength 1, Mark Partlow, Karen Partlow were settled on May 6, 2022 and those claims have been dismissed. The Company intends to vigorously prosecute its claims against the remaining Conspiracy Defendants, and defend what's left of the Simpson Parties' claims.

John Baird, K&L Wellness, LLC, Bret Kurihara, OS New Mexico, LLC, BNS RD, LLC, Sean Simpson, Charla Simpson, and Mary Jo Mchenry v. OsteoStrong Franchising, LLC, Kyle Zagrodzky, and John Jaquish; Case No. 2:20-at-00986 filed in the United States District Court for the Eastern District of California on October 7, 2020. Plaintiffs are former franchisees and regional developers who filed suit against the defendants alleging that: (i) Company omitted certain information and made false representations in Company's past franchise disclosure document, (ii) Company created an impossibility for plaintiffs to perform under their franchise agreements because of the liability, Plaintiffs allege, that Company's marketing of the Center equipment created, including under the Food, Drug, and Cosmetic Act and Food and Drug Administration regulations, by requiring that Plaintiffs use the marketing materials Company prepared. Plaintiffs' claims include common law fraudulent misrepresentation, fraudulent inducement, and negligent misrepresentation, unjust enrichment, violations of the California Business Professions Code and California Corporations Code, statutory false advertisement and marketing claims under the United States Code. Plaintiffs are asking court for a declaratory judgement requesting to void the franchise agreements, injunctive relief, actual, economic, exemplary and mental anguish damages, rescission, attorneys' fees, costs, and pre and post judgment interest. Plaintiffs also sought a preliminary injunction, which the Court denied on May 4, 2021. On March 8, 2022, the Court granted Company's

motion to transfer this case to Houston, cause no. 4-22-CV-0843 in the Southern District of Texas. A motion to consolidate this case with the Sean Simpson case above has been granted.

OsteoStrong Franchising, LLC, OsteoStrong International, Inc., Kyle Zagrodzky, and James Youngblood v. Gary Andrew Rhodes, Nichola Taylor, OsteoFit AG, Ronald Berger, and Charles Berger; Case No. 4:20-cv-00465, filed in the United States District Court for the Southern District of Texas Houston Division on February 11, 2020, No. 22-20069 in the Fifth Circuit Court of Appeals. Defendant Rhodes is a former international franchise developer. Company brought suit against Gary Rhodes ("Rhodes") for trademark infringement and dilution in violation of the Lanham Act, common law unfair competition, trademark infringement in violation of the Texas Anti-Dilution Statute, common law trademark dilution, cyberspiracy in violation of the Lanham Act, breach of contract, and application for injunctive relief. The Court entered a temporary injunction against Rhodes on May 22, 2020. Rhodes filed his answer and counterclaims on April 3, 2020, alleging that Company wrongfully terminated the franchise development agreement and interfered with Rhodes' existing and potential franchise deals. Rhodes' claims included a request for declaratory judgment that the termination was improper and ineffective, breach of contract, tortious interference with existing and prospective business relationships, and seeks monetary damages, punitive damages, attorneys' fees, declaratory relief, and costs.

In August 2020, Rhodes filed an amended answer and counterclaims alleging tortious interference against Mr. James Youngblood and tortious interference and negligent misrepresentation against Mr. Kyle Zagrodzky. Company, Rhodes, Nichola Taylor, Kyle Zagrodzky and James Youngblood settled their claims on January 5, 2021, and, on February 3, 2021, the Court entered a stipulated dismissal of the settled claims and a permanent injunction against Rhodes, under which Rhodes agreed and was ordered not to disseminate false information, disparage the Company, or tortiously interfere with Company's business relationships. On October 21, 2020 the Court ruled Rhodes in contempt of court for violating the injunction. The Court held Rhodes in contempt a second time on July 2, 2021, and a third time on October 15, 2021. In addition, as a result of Rhodes' conduct, OsteoStrong International, Inc. ("OSI") terminated a buyback agreement under which OSI had agreed to purchase back certain international licensing rights from OsteoFit AG ("OsteoFit"), where Rhodes is a shareholder of OsteoFit, for breach based on Rhodes' conduct. OSI then filed claims for breach of contract of under the buyback agreement against OsteoFit and against Ronald and Charles Berger (the "Bergers") as guarantors under the buyback agreement. OsteoFit filed counterclaims seeking a declaratory judgement that OSI's termination was improper and therefore breached the contract, and damages, attorneys' fees and costs from OSI, and from Company and Kyle Zagrodzky as guarantors. OSI and OsteoFit each filed motions for summary judgment. On November 12, 2021, the Court denied OSI's motion and granted Osteo Fit's motion. The ruling was appealed to the U.S. Fifth Circuit Court of Appeals. The parties subsequently resolved the dispute with OSI buying back the Master License.

The Company is party to various other claims, legal actions and complaints arising in the ordinary course of business. In the opinion of the management, all matters are of such nature, or involve such amounts, that unfavorable disposition, if any, would not have a material effect on the financial position of the Company.

Independent Auditor's Report

To the Stockholder
OsteoStrong Franchising, Inc.
Brentwood, Tennessee

Report on the Financial Statements

Opinion

We have audited the financial statements of OsteoStrong Franchising, Inc. (the "Company"), which comprise the balance sheets as of December 31, 2023 and 2022 and the related statements of operations, changes in stockholder's deficit, and cash flows for the years ended December 31, 2023, 2022 and 2021 and related notes to the financial statements.

In our opinion, the accompanying financial statements presents fairly, in all material respects, the financial position of the Company as of December 31, 2023 and 2022 and the results of its operations, changes in stockholder's deficit and cash flows for the years ended December 31, 2023, 2022 and 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of OsteoStrong Franchising, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about OsteoStrong Franchising, Inc.'s ability to continue as a going concern within one year from the date the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of OsteoStrong Franchising, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used, and the reasonableness of, significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about OsteoStrong Franchising, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

2. Significant Accounting Policies

Basis of Accounting

The Company uses the accrual basis of accounting in accordance with accounting principles generally accepted in the United States ("U.S. GAAP"). Under this method, revenue is recognized when earned and expenses are recognized as incurred.

Use of Estimates

The preparation of the financial statements and accompanying notes in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenue and expenses and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reported period. Estimates are used for the following, among others: revenue recognition, allowance for credit losses, useful lives for depreciation of long-lived assets and deferred taxes. Actual results could differ from those estimates.

Comparative Financial Statements

Certain prior period amounts have been reclassified to conform to current year presentation.

Fair Value of Financial Instruments

Fair value is defined as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company's financial instruments consist primarily of cash and cash equivalents, accounts receivable, prepaid expenses, deferred costs, accounts payable and accrued expenses and deferred revenue. The carrying values of cash and cash equivalents, accounts receivable, prepaid expenses, deferred costs, accounts payable and accrued expenses and deferred revenue are considered to be representative of their respective fair values due to the short-term nature of these instruments. Based on borrowing rates currently available to the Company for loans with similar terms, the carrying value of long-term debt approximates fair value.

Assets and liabilities that are carried at fair value are classified and disclosed in one of the following three categories:

Level 1: Quoted market prices in active markets for identical assets and liabilities.

Level 2: Observable market-based inputs or unobservable inputs that are corroborated by market data.

Level 3: Unobservable inputs that are not corroborated by market data

Non-recurring fair value measurements include the assessment of property and equipment and intangible assets for impairment. As there is no corroborating market activity to support the assumptions used, the Company has designated these estimates as Level 3.

Cash and Cash Equivalents

For purposes of reporting cash flows, all highly liquid investments with a maturity of three months or less are considered cash equivalents.

NOTES TO FINANCIAL STATEMENTS

2. Significant Accounting Policies (continued)

Accounts Receivable

Accounts receivable consist primarily of franchise fees, royalty revenue, advertising fee revenue, equipment revenue and other fees revenue due from franchisees and are stated at the amount the Company expects to collect. The Company maintains allowances for credit losses for estimated losses resulting from the inability of its customers to make required payments. Management considers the following factors when determining the collectability of specific customer accounts: customer credit worthiness, past transaction history with the customer, current economic industry trends, and changes in customer payment terms. Past due balance over 90 days and other higher risk amounts are reviewed individually for collectability. If the financial condition of the Company's customers were to deteriorate, adversely affecting their ability to make payments, additional allowances would be required. Based on management's assessment, the Company provides for estimated uncollectible amounts through a charge to earnings and a credit to an allowance. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the allowance for credit losses.

Inventory

Inventory is composed of multi-purpose actuators, load cells, triggers, adapters, and other component items for sale and are stated at lower of cost or market and are expensed in equipment expense using the weighted-average cost method when provided to its customers.

Deferred costs

The Company capitalizes incremental contract costs associated with obtaining franchise contracts which include broker fees, sales commissions and general fees that would not have been incurred had the franchise sale not occurred. These balances are reported as deferred costs on the balance sheets and are amortized over the term of the related franchise agreements. Amortization is included as commission expense in the statements of operations.

Property and Equipment

Property and equipment is stated at cost less accumulated depreciation. Depreciation is computed using the straight-line method over the following estimated useful lives of the respective asset:

	<u>Estimated Useful Life</u>
Trailer equipment	5 Years

Maintenance and repair costs are expensed in the period incurred. Expenditures for purchases and improvements that extend the useful lives of property and equipment are capitalized.

NOTES TO FINANCIAL STATEMENTS

2. Significant Accounting Policies (continued)**Impairment of Long-Lived Assets**

The Company assesses potential impairment of its long lived assets whenever events or changes in circumstances indicate that the carrying value may not be recoverable. Factors that the Company considers important which could trigger an impairment review include, but are not limited to, significant under-performance relative to historical or projected future operating results, significant changes in the manner of use of the acquired assets or the strategy for the Company's overall business, and significant industry or economic trends. When the Company determines that the carrying value of the long-lived assets may not be recoverable based upon the existence of one or more of the above indicators, the Company determines the recoverability by comparing the carrying amount of the asset to net future undiscounted cash flows that the asset is expected to generate. If the carrying value is not recoverable, an impairment is recognized in the amount by which the carrying amount exceeds the fair value of the asset. During the years ended December 31, 2023, 2022 and 2021, no impairment charges were recognized related to long-lived assets.

Revenue Recognition

The Company recognizes revenue in accordance with Financial Accounting Standards Board ("FASB") ASC 606-10-25, *Revenue from Contracts with Customers*. In January 2021, the FASB issued Accounting Standards Update ("ASU") 2021-02, "Franchisors – Revenue from Contracts with Customers (Subtopic 952-606): Practical Expedient." ASU 2021-02 provides a practical expedient that simplifies the application of ASC 606 about identifying performance obligations and permits franchisors that are not public entities to account for pre-opening services listed within the guidance as distinct from the franchise license. The Company has adopted ASU 2021-02 and implemented the guidance on its revenue recognition policy.

The Company's primary sources of revenue are as follows:

Franchise fee revenue

The Company sells individual franchises. The franchise agreements typically require the franchisee to pay an initial, non-refundable fee prior to opening the respective location(s). A franchise agreement establishes a franchised center developed in one or multiple defined geographic area and provides for a 10-year initial term with the option to renew for an addition 5-year terms. Subject to the Company's approval, a franchisee may generally renew the franchise agreement upon its expiration. If approved, a franchisee may transfer a franchise to a new or existing franchisee, at which point a transfer fee is typically paid by the current owner which then terminates that franchise agreement, and a franchise agreement is signed with the new franchisee. In the event a franchise agreement is terminated, any remaining deferred fees are recognized in the period of termination. These performance obligations are highly interrelated and we do not consider them to be individually distinct, and therefore account for them under Topic 606 as a single performance obligation. Revenue related to franchise fees is recognized evenly over the contractual term of the franchise agreement.

The Company also sells master licenses that grant the licensee the sole rights to develop OsteoStrong Centers and grant individual franchises within a specific geographical area. These agreements transfer franchise rights within a geographical area permitting the opening of a number of franchised outlets. Decisions regarding the number of outlets and their location are primarily made by the master franchisee with approval of the Company. Revenue is recognized when substantially all significant services to be provided to the franchisee/licensee have been performed.

Royalty revenue

Royalty revenue is charged to existing franchise owners based on a percentage of a center's gross revenue. This revenue is generally the greater of six percent of gross revenue or \$1,500 per month. The revenue is recognized as earned.

NOTES TO FINANCIAL STATEMENTS

2. Significant Accounting Policies (continued)**Revenue Recognition (continued)****Advertising fee revenue**

Advertising fee revenue is charged to existing franchise owners based on a percentage of a center's gross revenue. This revenue is generally greater of one percent of gross revenue or \$500 per month. The revenue is recognized as earned.

Equipment revenue and marketing product revenue

Equipment revenue and marketing product revenue are recognized when the products have been shipped. The Company accounts for shipping and handling costs: (1) as revenues within the caption of equipment revenue, and (2) as expenses within the caption of equipment expense, in the statements of operations.

Management fee revenue

Management fee revenue consists of revenue from OsteoStrong International, Inc. ("OSI"), the Company's related party, to manage the operations of OSI.

Other revenues

Other revenues consist of convention sponsorship fee, technology fee, initial training and center design fee. The Company receives endorsements from its sponsors for the convention held during the year. The Company recognizes the revenue when the convention is held. Technology fees are currently charged at \$250 per month per existing franchise and recognized as earned. The franchisor also requires the franchisee to pay initial training and center design fee upon signing the agreement. The Company will recognize these fees as revenue when substantially all initial services required by the franchise agreement are performed, which is generally upon opening of the franchise.

Advertising

All costs associated with advertising and marketing are expensed in the period incurred.

Income Taxes

The Company is a wholly owned subsidiary of BOI and as such does not file an income tax return separate and apart from its parent, which is taxed as a C-Corporation. Income taxes are provided for the tax effects of transactions reported in the financial statements and consist of taxes currently due plus deferred taxes. Deferred income taxes are provided for the temporary differences in basis of the Company's assets and liabilities and their reported amounts. The deferred tax assets and liabilities represent the future tax consequences of those differences, which will either be taxable or deductible when the assets and liabilities are recovered or settled. Deferred tax assets and liabilities are determined based on the enacted rates that are expected to be in effect when these differences are expected to reverse. Deferred tax expense or benefit is the result of the changes in the deferred tax assets and liabilities. The Company records a valuation allowance to reduce deferred tax assets if it is more likely than not that some portion or all of the deferred tax assets will not be realized. The Company recognizes income tax related interest and penalties in interest expense and general and administrative expenses, respectively.

Recently Adopted Accounting Pronouncements

In June 2016, the FASB issued ASU No. 2016-13, "Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments", and subsequent amendments to the initial guidance, ASU 2019-10. This accounting standard changes the methodology for measuring credit losses on financial instruments, including trade accounts receivable, and the timing of when such losses are recorded. ASU No. 2016-13 is effective for fiscal years, and interim periods within those years, beginning after December 15, 2022. The Company adopted this standard as of January 1, 2023, using the modified retrospective approach and it did not have a material impact on its financial statements.

NOTES TO FINANCIAL STATEMENTS

2. Significant Accounting Policies (continued)**Recent Accounting Pronouncements**

In December 2023, the FASB issued ASU No. 2023-09, "Income Taxes (Topic 740) - Improvements to Income Tax Disclosures". The standard requires disaggregated information about a reporting entity's effective tax rate reconciliation as well as information on income taxes paid. The standard is intended to benefit investors by providing more detailed income tax disclosures that would be useful in making capital allocation decisions and applies to all entities subject to income taxes. ASU 2023-09 will be effective for annual periods beginning after December 15, 2025. The guidance will be applied on a prospective basis with the option to apply the standard retrospectively. Early adoption is permitted. The Company is currently evaluating the impact of adopting ASU No. 2023-09 on its financial statements.

We reviewed other significant newly-issued accounting pronouncements and concluded that they either are not applicable to our operations or that no material effect is expected on our financial statements as a result of future adoption.

As of December 31, 2023 and 2022, the Company recorded a valuation allowance of \$352,860 and \$418,418, respectively, which is equal to the full amount of the net operating loss deferred tax asset due to the uncertainty of the utilization of this deferred tax asset in future periods.

The Company is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. OSI then filed claims for breach of contract of under the buyback agreement against OsteoFit and against Ronald and Charles Berger (the "Bergers") as guarantors under the buyback agreement. OsteoFit filed counterclaims seeking a declaratory judgement that OSI's termination was improper and therefore breached the contract, and damages, attorneys' fees and costs from OSI, and from Company and Kyle Zagrodzky as guarantors. OSI and OsteoFit each filed motions for summary judgment. On November 12, 2021, the Court denied OSI's motion and granted OsteoFit's motion. The ruling was appealed to the U.S. Fifth Circuit Court of Appeals. The parties have agreed to mediate the dispute. We intend to vigorously defend the claims.
