What You Need to Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has registration requirements, or to contact your state, use the agency information in Exhibit “K.”

Your state also may have laws and require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement and the development agreement require you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Florida. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Florida than in your own state.
2. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state require other risks to be highlighted.

**THE FOLLOWING PROVISIONS APPLY ONLY TO
TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

1. Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

(a) A prohibition on the right of a franchisee to join an association of franchisees.

(b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.

2. A provision that permits a franchisor to terminate a franchise before the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

3. A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years; and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.

4. A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

5. A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

6. A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from

exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

- (a) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
- (b) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
- (c) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
- (d) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

7. A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

8. A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000.00, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

We and our affiliates have expended considerable time and effort developing a sandwich restaurant system specializing in serving large portion hot submarine style sandwiches, in a unique fire-fighting atmosphere and decorum, at an economical price (a "**FIREHOUSE SUBS® Restaurant**" or a "**Restaurant**"). The Franchise

In this Disclosure Document we grant a franchise for the right to own and operate a FIREHOUSE SUBS® Restaurant (the "**Franchise**") at a single location to persons who meet our qualifications and who are willing to undertake the investment and effort. The Franchise will be granted for a single location that we approve. The current form of Target Reservation Agreement (the "**Target Reservation Agreement**" or "**TRA**") is attached as Exhibit "D1," which you must sign if you are developing a single FIREHOUSE SUBS® Restaurant. FIREHOUSE SUBS® Restaurants operate under the Marks and under the System.

In this Disclosure Document, we also grant to persons who meet our qualifications and who are willing to undertake the investment and effort the right to develop, within a predetermined time frame, and operate FIREHOUSE SUBS® Restaurants at multiple locations within a specific geographical area ("**Developer(s)**"). Our standard form of Development Agreement (the "**Development Agreement**" or "**DA**") is attached as Exhibit "D2."

You must meet our then-current operational, financial, credit, legal and other criteria for the development and operation of a FIREHOUSE SUBS® Restaurant before you can sign a TRA or Development Agreement, and at all times during the term of the TRA or Development Agreement, including at the time of development of a FIREHOUSE SUBS® Restaurant under any of these agreements. You must obtain our acceptance for any site on which you propose to construct a new FIREHOUSE SUBS® Restaurant under the TRA or Development Agreement in accordance with our then-current standards for site acceptance. You must then construct, equip and furnish the FIREHOUSE SUBS® Restaurant at the approved site in accordance with plans and specifications approved by us.

For each FIREHOUSE SUBS® Restaurant that you develop under a TRA or Development Agreement, you will sign our then-current form of FIREHOUSE SUBS® Franchise Agreement. The terms of these agreements may differ from the form attached to this Disclosure Document. Our current form of Franchise Agreement is attached as Exhibit “B” (the “**Franchise Agreement**” or “**FA**”). Under the Franchise Agreement, you must operate the Franchise under our System and Marks at a site that we approve.

The General Market and the Competition

You will be competing with other Restaurants, casual restaurants, fast food restaurants, full service restaurants, grocery stores and specialty stores that offer food and food-related products. These restaurants and similar businesses may be associated with national or regional chains or may be local independent restaurants and other businesses. You also will be competing with other food service outlets that feature products and services that differ from those offered by FIREHOUSE SUBS® Restaurants. Your products and services will be offered to the general public, to individual consumers, for on-site consumption, carry out, catering and via delivery. Through our affiliates, we may operate other third-party franchise concepts in combination with our own. The market for FIREHOUSE SUBS® Restaurants is developed in some areas and developing in other areas, depending on the number of this type of restaurant in the particular area.

Industry Specific Laws and Regulations

You must also comply with Payment Card Industry Data Security Standards and data privacy laws. You must also comply with all provisions of the USA Patriot Act and Executive Order 13224. You must also obtain all real estate permits, licenses and operational licenses. Your business is subject to state and federal regulations that allow the government to restrict travel and/or require businesses to close or limit operations during state or national emergencies. On April 19, 2024 Jonathan Deschatelets filed a class action law suit against Defendants before the Superior Court of Quebec. Plaintiff is a consumer who has been using the Tim Hortons mobile

application for several years. Plaintiff alleges that The TDL Group Corp. (“TDL”) sent an email to approximately 500,000 customers stating that they won a boat worth CAD\$64,000 as part of the Roll Up To Win promotion. Although Plaintiff received a second email from TDL later that day, informing him that the first email was due to a technical error and to ignore it, Plaintiff argues that this constitutes a prohibited practice under the Consumer Protection Act and that TDL should honor its representations. The Plaintiff seeks specific performance, in the form of delivery of the boat or other prizes to the class members, or payment of damages equivalent to their value, as well as punitive damages of CAD\$10,000 per class member. The certification hearing ~~of the class action is scheduled for~~ took place on May 20, 2025. The decision was reserved. Purported former shareholders of Carrols Restaurant Group, Inc. (“CRG”) filed a complaint in the Court of Chancery of the State of Delaware against RBI and two individual directors that were on the board of CRG. The complaint alleges claims for breach of fiduciary duty by RBI, as a purported controlling shareholder of CRG engaging in unfair dealing leading to an unfair transaction, and unjust enrichment by RBI in connection with the acquisition of CRG, as well as claims for breaches of fiduciary duty by the two individual directors. The complaint alleges that RBI coerced CRG into the transaction, and that the two directors failed to disclose that their interests differed from the interests of other CRG shareholders, and that the two directors were not independent from RBI. The complaint seeks equitable relief, damages and fees and expenses. RBI filed a motion to dismiss in December 2024 and the Plaintiffs filed an amended complaint in February 2025. ADP Direct Poultry Ltd. v. Popeyes Louisiana Kitchen, Inc., Restaurant Brands International, Inc., Restaurant Services Canada, Inc. (RSCI), Amjad Farooq Inc., et. al., Court File No. CV-25-00741914-0000, Ontario Superior Court of Justice, filed May 29, 2025, amended June 23, 2025.

On May 29, 2025, PLK and RBI were served with a Statement of Claim (amended on June 23, 2025) by ADP Direct Poultry Ltd., a former supplier of chicken to the Popeyes Canada franchise system. Plaintiff’s comprehensive commercial claim alleges breach of contract, breach of the duty of good faith and honest performance in contractual relations, misrepresentations, conspiracy, negligence, loss of opportunity, promissory estoppel, estoppel by convention, breach of the Competition Act and defamation. These claims arise out of Plaintiff’s contention that an unauthorized supplier sold uninspected and unsafe chicken to Ontario-based Popeyes restaurants with the knowledge of the Defendants and that Defendants knew about it, failed to act and instead conspired to terminate Plaintiff’s role as a supplier, thereby breaching an alleged oral supply agreement. Relief sought includes: 1) \$35 million in damages for breach of contract and various other claims; 2) \$1 million in aggravated and punitive damages; 3) an injunction preventing PLK, RBI and others from distributing chicken from suppliers who do not meet applicable Canadian health and food safety standards; 4) defamation related damages, including injunctive relief, and 5) costs of the action. The Plaintiffs filed an opposition to the Motion to Dismiss on May 23, 2019, and Defendants filed a Reply in Support of the Motion to Dismiss on June 10, 2019. The Court Granted the Motion to Dismiss on March 24, 2020. Plaintiffs filed a motion for leave to amend their complaint on April 20, 2020, and the Defendants filed a motion opposing the motion for leave to amend on April 27, 2020. The parties filed their supplemental brief on March 14, 2025. On April 9, 2025, the Court denied BKC’s motion to dismiss. Management Information System Fee

You must pay us an annual Management Information System Fee (the “**MIS System Fee**”) of up to \$1,200 per Restaurant for use of our mandated management information system (“**MIS System**”). The MIS System Fee is due annually even if the Restaurant has not yet opened. You must pay us a proportionate share of the MIS System Fee before opening your Restaurant upon request from us to cover the period from our invoice date through December 31 of that year and commence the annual MIS System Fee on January 1 of the next year. The MIS System Fee is not refundable.

Market Introduction Fee

You must pay us \$5,000 (the “**Market Introduction Fee**”) for each new Restaurant you open. Within 12 months of the opening of the Restaurant, we will use the Market Introduction Fee to develop and conduct a market introduction program for the Restaurant in a manner determined by us. The Market Introduction Fee will be due when you sign the Franchise Agreement and is not refundable.

Other Initial Fees

Development Agreement

We charge a fee for you to obtain the exclusive right to open multiple Restaurants in a pre-determined area in a specific amount of time under the Development Agreement. Unless you are participating in the Development Incentive Programs discussed above, this fee is equal to half of the initial franchise fee times the number of Restaurants scheduled to be developed (the “**Prepaid Franchise Fee**”). During 2024, the Prepaid Franchise Fee we collected from franchisees was \$10,000 per Restaurant to be opened under the Development Agreement. You must pay the Prepaid Franchise Fee in a lump sum when you sign the Development Agreement. The Prepaid Franchise Fee is fully earned when paid and non-refundable. Upon signing each Franchise Agreement for each Restaurant developed under the Development Agreement, we apply the respective amount of the Prepaid Franchise Fees as payment of half of the initial franchise fee owed for that Restaurant until the full amount of the Prepaid Franchise Fees are exhausted.

Except as otherwise stated above, all fees are charged on a uniform basis.

Explanatory Notes

We relied on our experience and that of our affiliates and franchisees in opening Firehouse Subs Restaurants to compile these estimates. None of these amounts are refundable unless specifically noted.

1. The current initial franchise fee is \$20,000 (see Item 5), which you must pay us upon signing the Franchise Agreement.
2. We commission a mural for your Restaurant which you must pay to the artist when we order it. The amount depends on size, design and other factors and these estimates are based on our typical mural sizes and designs, and assume that the walls and site have been prepped as we require.
3. We provide our initial training program to you, your Managing Owner, and one additional employee. If space is available at the training session, we will also provide this training for up to 3 additional employees. You are responsible for all travel and living expenses for trainees. This low estimate assumes that only you and one other required attendee attend this training and all required attendees are able to drive to the training sessions without incurring any lodging expenses, and does not include the 1 week of classroom training (which we presently conduct virtually) or any salary or benefits you pay to your employees while training. This high estimate assumes that only you and one other required attendee attend this training. The high estimate includes travel, hotel, rental car and reasonable food allowances for you and your required attendee, as well as additional travel and living costs if you have to travel to complete the rest of your training, but does not include the 1 week of classroom training (which we presently conduct virtually) or any salary or benefits you pay to your employees while training. The expenses you will incur depend on factors such as the cost of travel, hotel accommodations and meals, as well as employee salaries and associated costs. In addition, training expenses will vary depending upon how many employees you send to training. If the in-restaurant portion of Firehouse Subs Training Program (as more particularly described in Item 11) is completed at a Firehouse Subs Restaurant that is owned by another Firehouse Subs franchisee, you may be required to reimburse that franchisee for certain training costs as described in Item 11.

4. You must pay us \$5,000 for each new Restaurant you open. The Market Introduction Fee is to promote the opening of the new Restaurant in a manner determined by us, which may include marketing and public relations programs and media and advertising materials. The market introduction program is in addition to other ongoing marketing obligations.

5. We cannot estimate your initial investment for acquiring or leasing real estate for the Restaurant; however, the following factors will bear on these costs. If you do not already own adequate space for the Restaurant, you will have to purchase or lease land and a building for the Restaurant. The size of a Restaurant is estimated to be between 1,200 and 2,000 square feet. The cost of commercial land or restaurant space, whether you lease or buy, varies considerably depending upon the location, entitlement requirements, and conditions affecting the local market for commercial property. The cost of land (if purchased) varies depending upon the location and condition of the property and therefore these estimates do not include the cost of purchasing land or a building for your Restaurant. The cost of converting land to use as a Firehouse Subs Restaurant may vary widely depending upon the location, previous use and condition of the property.

6. The Restaurant's location site typically will be located in a strip mall that is close to retail or other commercial areas. The range includes estimates for cost of improvements to the property outside of the leasehold improvements. These additional improvements may include amounts spent relating to exterior work on the premises including parking lot, landscaping, certain signage and drive-through structures, if applicable. Some Restaurants may also have to pay government imposed impact and permit fees depending on the site. They vary considerably due to numerous factors and we are unable to estimate them.

7. Build-out or renovation of your site to conform to our standards includes paint, tile work, lighting, salt walls, drywall partitions, counters and the like. The cost of these improvements will be significantly more if you select a site with no pre-existing improvements. If you lease your site, you may be able to negotiate an allowance to cover all or a portion of these build-out and leasehold improvements. Costs of leasehold improvements, which include floor covering, wall treatment, counters, ceilings, painting, window coverings, plumbing, electrical, carpentry and related work and contractor's fees, will vary significantly depending on the condition, location and size of the site, the demand for the site among prospective lessees and any construction or other allowances granted by the landlord after negotiations. The high estimate also includes the cost of a drive-through Restaurant. These costs also include architectural drawings.

8. The amount of the rent and security deposit will depend on the size, condition and location of the site and the demand for the site among prospective lessees.

9. The cost of signage varies depending on the size and type of signs, the size and location of the Restaurant, and any local and development requirements. If local law permits, you must display a curb or marquee sign that complies with our specifications and standards.

10. This item may include tables and booths, sinks, refrigerators, ovens, [fryers](#), steamers, ventilation systems, display cases, stools, chairs, utensils, computers, POS System and BOH System, and a phone system that meets our specifications and standards, a desk, filing cabinets and related office supplies for a Restaurant. See Items 8 and 11 for hardware and software requirements. These estimates also include \$2,000 to \$2,500 for a monitoring system during construction of your Restaurant.

11. You must obtain business and health licenses for the operation of your Restaurant. Other considerations are, but not limited to, zoning, electrical, plumbing, fire inspection, fictitious name, occupations, and various other licenses or permits. You should consult the appropriate governmental

authority concerning such licenses and/or permits and the associated expenses for your Restaurant before you sign a Franchise Agreement.

12. Insurance must be obtained to meet the minimum requirements established by the System Standards. The insurance policy must be in force and effect when the lease for your store is signed. If there is no lease (for example, you own the property), then the insurance policy must be in force and effect when you begin construction.

13. The annual MIS System Fee is \$1,200 and is prorated for the first year. These estimates assume you pay the full MIS System Fee before opening. The MIS System Fee is due annually even if the Restaurant has not yet opened.

14. If you obtain legal and accounting services to help with business formation, review of contracts, financing documents and leases, setting up of books and records and other services. This amount varies greatly depending on the services performed and rates prevailing in your market.

15. You will need capital to support ongoing expenses, such as payroll, uniforms, supplies and miscellaneous expenses. We estimate that this amount will be sufficient to cover ongoing expenses for 3 months. This is only an estimate, however, and there is no assurance that additional working capital will not be necessary whether during this initial phase or later. We relied on our experience and that of our affiliates and franchisees to compile these estimates.

16. This is our best estimate of your total investment, excluding the cost of real estate, assuming that you will establish only one Restaurant. We relied on our experience and that of our affiliates and franchisees to compile these estimates. You should review these figures carefully with a business advisor before making any decision to purchase the franchise. We do not offer financing for any portion of your initial investment. No part of your initial investment payable to us is refundable under any circumstances. We do not offer financing for any portion of your initial investment.

You must operate the Restaurant according to our System Standards. System Standards may regulate, among other things, the types, models and brands of required fixtures, furnishings, equipment, signs, software, materials, beverages and food products, and supplies to be used in operating the Restaurant, required or authorized products and product categories and designated or approved suppliers of such items (which may be limited to or include us or our affiliates). We do not make any express or implied warranties with respect to any products or goods we recommend for your use. Our standards and specifications may impose minimum requirements for quality, taste, cost, delivery, performance, design and appearance, delivery capabilities, financing terms, and ability to service our franchise system as a whole. We will notify you in our Manual or other communications of our standards and specifications and/or names of approved suppliers. Required purchases according to our specifications and standards represent approximately 75% to 81% of your total purchases in connection with the establishment of your Restaurant and approximately 30% to 40% of your overall purchases in operating the Restaurant.

If you want to use any item that does not comply with System Standards or is to be purchased from a supplier that has not yet been approved, you must first submit an approval request form, and provide sufficient information, specifications and samples for our determination whether the item complies with System Standards or the supplier meets approved supplier criteria. We will, initiate an approval process, and within 90 days, notify you of our decision. If you do not hear back from us within 90 days, your request is deemed denied. If you request approval to purchase ingredients, supplies or goods or other items or services from suppliers that we have not approved, the supplier must reimburse us for the actual cost and expenses we incur running the program. These costs include the team supervising, monitoring,

administering and/or coordinating our suppliers quality programs, inspecting the supplier's facility and testing the ingredients, supplies and goods or other items or services. We will, from time to time, establish procedures which will be communicated to you in our Manual or other communications, for submitting requests for approval of items and suppliers and may impose limits on the number of approved items and suppliers. Approval of a supplier may be conditioned on requirements relating to product quality, frequency of delivery, standards of service and concentration of purchases with one or more suppliers in order to obtain better prices and service and may be temporary, pending our further evaluation of the supplier. We will notify you in our Manual or other communications of our standards and specifications and/or names of approved suppliers.

We and FRG negotiate with suppliers and manufacturers to receive rebates on certain items you must purchase. The rebate programs vary depending on the supplier or manufacturer, and the nature of the product or service, and are based on the volume or amount of products ordered. Some suppliers pay us or our affiliates a flat amount based upon franchisee purchases for product. In our fiscal year ended December 31, 2024 the flat amounts ranged from \$.05 to \$51.00 per unit.

In our fiscal year ended December 31, 2024 we had total revenues of \$115,381,178 of which \$5,469,575 or 4.7% of our total revenues was from required purchases and leases of products and services by our franchisees. This information is taken from our internal financial statements. Our affiliate, FRG had \$29,450,835 in rebate revenue from required purchases and leases by our franchisees. Our affiliate FSSF had \$3,161,618 in rebate revenue from required purchases and leases by our franchisees. Additionally, \$4,917,443 in rebates were passed through to our franchisees. This information is taken from our affiliates' internal financial statements.

We require Restaurants to be constructed or remodeled in accordance with our specifications. The Franchise Agreement requires that you purchase or lease and use only such equipment and supplies as we may specify or approve. We also will furnish you with mandatory and suggested specifications and layouts, including requirements for dimensions, design, image, interior layout, decor, fixtures, equipment, signs, furnishings and color scheme.

We require you to purchase computer hardware and software as well as a wired, high-speed internet connection that meets our specifications and standards. Among other things, the software enables you to use our required MIS system. Currently, you are required to purchase a back-office computer with the specific hardware and software we require. The hardware and software may change from time to time. You must have an anti-virus program licensed for business use with an active definition subscription installed on all Windows-based computer systems and must be configured to automatically update. We estimate that these items are 2.2% to 3.9% of your total costs to open your FIREHOUSE SUBS® Restaurant and 2.0% to 2.5% of the total cost to operate it.

We must approve the Site for your Restaurant. The Site must meet our criteria for demographic characteristics, traffic patterns, parking, character of neighborhood, competition from and proximity to other businesses and other Restaurants, the nature of other businesses in proximity to the Site and other commercial characteristics and the size, appearance and other physical characteristics of the proposed Site and any other factors or characteristics we consider appropriate. Our criteria and our evaluation of them may vary periodically and from location to location.

If you lease the Site from a third party, or purchase the Site, we first must approve the lease, financing and/or purchase documents that you will sign. We may require that they contain certain provisions that are designed to protect our rights. You and your lessor and, if applicable, any lender for the Site also must sign our form of Addendum to Lease Agreement (the "**Lease Addendum**") which is attached to this Disclosure Document as Exhibit "F." The Lease Addendum generally protects our rights under the

Franchise Agreement, our ability to possess the Site if you violate any of your obligations to us, and your right to occupy the Site, and operate the Restaurant without interference by lenders and mortgage holders. Any person who is related to or affiliated with you or one of your owners, directors, officers or other principals, and who plans to lease the Site to you or own or obtain financing for the Site, must agree to be bound by these provisions.

In addition to the purchases or leases described above, you must obtain and maintain, at your own expense, the insurance coverage that we require from time to time and meet the other insurance-related obligations in the Franchise Agreement. The cost of this coverage will vary depending on the insurance carrier's charges, terms of payment and your history. All insurance policies, except Workers Compensation, must name us as an additional insured party on a primary and non-contributory basis. We currently require you to carry Worker's Compensation insurance and Comprehensive General Liability insurance, including products liability coverage in the minimum amount of \$1,000,000 and contents coverage in the minimum amount of \$125,000. You must also carry Commercial Automobile Liability insurance for all owned, hired and non-owned vehicles with minimum coverage limits of \$1,000,000. Limits outlined in this section are our minimums and not guidelines, nor recommendations as to how to adequately insure your operation. The minimum contents coverage may not fully cover the replacement cost represented in Tenant Improvements and Equipment. You are responsible for consulting with insurance professionals to evaluate your own risk and exposure related to your restaurant and business needs including appropriate limits, policies, carriers, etc.

Except as described above, neither we nor our affiliates currently derive revenue or other material consideration as a result of required purchases or leases. There currently are no purchasing or distribution cooperatives. We do negotiate purchase arrangements with suppliers for the benefit of franchisees and we do derive revenue or other material consideration as a result of required purchases or leases.

1. Approve or reject proposed sites that you identify for your Restaurant upon submission of site information that we require. (Development Agreement – Section 4.2)

Grant you a franchise, on our then-current form of Franchise Agreement, for a FIREHOUSE SUBS® Restaurant upon your satisfaction of all conditions for franchise approval and the opening of a FIREHOUSE SUBS® Restaurant under the Target Reservation Agreement or Development Agreement, as applicable (Target Reservation Agreement – Article IV; Development Agreement – Article IV)
3. Furnish you with approved plans and specifications (the “**Construction Plans**”) for constructing, equipping and furnishing a FIREHOUSE SUBS® Restaurant. (Target Reservation Agreement- Section 4.4). (Franchise Agreement – Section 9.03).

Loan you one copy of or license you access to our Manuals, which may be provided electronically only in our discretion, consisting of such materials (which may include audiotapes, videotapes, magnetic media, computer software and written materials) that we generally furnish to franchisees for use in operating FIREHOUSE SUBS® Restaurants. The Manual contains mandatory and suggested specifications, standards, operating procedures and rules (“**System Standards**”) that we prescribe from time to time for operation of a FIREHOUSE SUBS® Restaurant and information relating to your other obligations under the Franchise Agreement and related agreements. The Manual may be modified, updated and revised periodically to reflect changes in System Standards. (Franchise Agreement - Article VII). The table of contents of our Manual is specified in Exhibit “G.” Instead of providing a paper version, we may provide access to the Manual solely through electronic means. If printed, the Manual consists of 170 pages as of the issuance date of this Disclosure Document.
7. Provide our initial training program to you, your Managing Owner, and one additional employee at your cost and expense. 4. Provide you and your Managing Owner mandatory periodic refresher training courses as we require, at our current training fee. (Franchise Agreement – Section 8.02). We, in our sole discretion, may provide requested additional guidance or assistance, but are under no obligation to do so, and may charge our current per diem fees and charges. (Franchise Agreement – Section 9.07).

5. We will continue our efforts to maintain high and uniform standards of quality, cleanliness, appearance and services at all FIREHOUSE SUBS® Restaurants. (Franchise Agreement – Section 9.05)

6. Establish, maintain and administer an advertising system fund (the “**System Fund**”). You are obligated to contribute to the System Fund such amounts that we prescribe from time to time (see Item 6). (Franchise Agreement - Sections 3.02)

Advertising and Promotion

System Fund

We have established and administer the System Fund for the creation and development of marketing, advertising and related programs and materials on a system-wide basis. You must pay the System Fund Contribution to the System Fund, in an amount we designate up to 5% of your Gross Sales (currently 5% of your Gross Sales). The System Fund may be used to pay the costs of preparing and producing video, audio, digital, social and written advertising and marketing materials; administering national, regional and multi-regional advertising and marketing programs, including, purchasing direct mail and other media advertising and employing advertising, promotion and marketing agencies; marketing and advertising training programs and materials; and supporting public relations, social media, market research

and other advertising, promotion and marketing activities. The System Fund may periodically furnish you with samples of advertising, marketing and promotional formats and materials at no cost. Multiple copies of these materials will be furnished to you at our direct cost of producing them, plus any related shipping, handling and storage charges. We will direct all programs financed by the System Fund, with sole discretion over the creative concepts, materials and endorsements used and the geographic, market and media placement and allocation of the programs. (Franchise Agreement Section 3.02)

The System Fund is accounted for separately from our other funds and will not be used to defray any of our general operating expenses, except for such reasonable salaries, administrative costs, travel expenses and overhead, including rent and utilities, as we may incur in activities related to the administration of the System Fund and its programs, including conducting market research, preparing advertising, promotion and marketing materials, and collecting and accounting for contributions to the System Fund. None of the System Fund is used to solicit franchisees. All interest earned on monies contributed to the System Fund will be used to pay advertising and/or marketing costs before other assets of the System Fund are expended. The System Fund holds and manages third party gift card account funds. We may spend, on behalf of the System Fund, in any fiscal year an amount greater or less than the aggregate contribution of all Restaurants to the System Fund in that year, and the System Fund may borrow from us or others to cover deficits or invest any surplus for future use. If we lend money to the System Fund, we may charge interest at an annual rate 1% greater than the rates we pay our lenders. We will prepare an annual statement of monies collected and costs incurred by the System Fund and furnish the statement to you upon written request. The System Fund is not audited. We do not intend to use any monies from the System Fund for the preparation of franchise sales solicitation materials. Through FSSF, we incorporated the System Fund and operate it through a separate non-profit corporation. FSSF has all of the rights and duties described in the Franchise Agreement. (Franchise Agreement – Section 3.02). We may change that arrangement at any time and operate the System Fund directly or through another entity.

The System Fund is intended to maximize recognition of the Marks and patronage of FIREHOUSE SUBS® Restaurants. Although we will endeavor to utilize the System Fund to develop advertising and marketing materials and programs and to implement advertising and marketing that will benefit all FIREHOUSE SUBS® Restaurants, we undertake no obligation to ensure that expenditures by the System Fund in or affecting any geographic area are proportionate or equivalent to the contributions to the System Fund by FIREHOUSE SUBS® Restaurants operating in that geographic area or that any FIREHOUSE SUBS® Restaurants will benefit directly or in proportion to its contribution to the System Fund from the development of advertising and marketing materials or the placement of advertising. We assume no other direct or indirect liability or obligation to you with respect to maintaining, directing, administering or collecting amounts due to the System Fund. (Franchise Agreement – Section 3.02)

System Fund Contributions will generally be on a uniform basis, but we reserve the right to defer or reduce System Fund Contributions of a franchisee and, upon 30 days' prior written notice to you, to reduce or suspend System Fund Contributions to and operations of the System Fund for one or more periods of any length and to terminate (and, if terminated, to reinstate) the System Fund. If the System Fund is terminated, all unspent monies, less any outstanding accounts payable and other obligations on the date of termination, will be distributed to franchisees in proportion to their respective contributions to the System Fund during the preceding 12-month accounting period. We and our affiliates will contribute to the System Fund on the same basis as franchise owners for any FIREHOUSE SUBS® Restaurants they own and operate. (Franchise Agreement - Section 3.02)

During the year ending December 31, 2024, the System Fund spent contributions to it as follows:

Item	% Spent
Ad Marketing Agencies	9.41%
Research and Analysis	2.18%
Digital	27.37%
Professional Services and G&A	10.44%
Creative Development	5.55%
Interest	0%
Legal	0.08%
Media	44.97%
Total	100.00%

Local Advertising

All local advertising you conduct must be in the media, and of the type and format, that we may approve; must be conducted in a dignified manner; and must conform to such standards and requirements as we may specify. You may not use any advertising or promotional plans or materials that we have not approved. All advertising and promotional plans that you propose to use, except those that we have already previously approved, must be submitted to us for our written approval prior to any use or implementation. We will typically review your proposed advertising and promotional plans within 15 days after we receive your plans with all information and samples we require. If you do not receive our written approval within 15 days after we receive your plans with all information and samples we require, the plans are deemed disapproved. (Franchise Agreement – Section 10).

Advertising Co-op

Our affiliate, FSMF, is an association that we have established comprised of FIREHOUSE SUBS® franchisees to advise us on advertising, marketing and promotion (the “**Co-op**”). You must join and actively participate in the Co-op and sign the membership documents and agreements the Co-Op requires. A copy of the current form of Articles of Incorporation and Amended and Restated Bylaws, as amended, of the Co-Op are attached as **Exhibits “I1”** and “**I2**,” respectively, and the current form of Membership Agreement that you must sign to become a member of the Co-op is attached as **Exhibit “I3”**. We are also Members of the Co-op. The Co-op is governed by a Board of Directors consisting of 13 members, 12 of whom are elected by franchisees, and 1 appointed by us. We have the sole right to authorize dissolution of the Co-op and to vote as a member or a director to resolve a tie as to any deadlock among members or directors. We, along with a majority of the directors of the Co-op, may alter, amend or repeal the Amended and Restated Bylaws. In addition to your System Fund Contributions to the System Fund, the Co-op may from time to time require that all members, including you, make a special contribution to the Co-op as a weekly percentage of Gross Sales (the “**Special Co-Op Contribution**”). As of the issuance date of this Disclosure Document, there is no Special Co-Op Contribution. Failure to timely pay the Special Co-Op Contribution constitutes a material breach of your Franchise Agreement. The Co-op will adopt its own rules, regulations and procedures, which you must follow. We must approve any advertising to be conducted by the Co-op. (Franchise Agreement – Section 10)

Technology Requirements

You must purchase and use in your Restaurant a manager workstation computer that meets our specifications and standards, which may change from time to time, two telephone lines that are not voice-over-IP, and a high-speed broadband or cable internet connection with WiFi. You must also purchase and use in your Restaurant an approved point-of-sale system (the “**POS System**”) and back-of-house system (the “**BOH System**”); our approved centralized or technology-based method of taking, processing, routing, and delivering orders or receiving payment for orders as we require; and our approved technology

for the purpose of communicating with customers of your Restaurant. (Franchise Agreement – Section 10.14). All of these items must meet our specifications and, unless we provide otherwise, be purchased from an approved supplier (which may be us or our affiliates). The manager workstation computer must contain, and you must be reasonably proficient with, the computer software programs that we designate for use from time to time, including: database, spreadsheet, financial, word processing, communications, e-mail and calendaring programs. You must: (a) supply us with any and all codes, passwords, and information necessary to access your computer network and not change them without first notifying us; and (b) not load or utilize any software that we have not specified or approved for us. We and approved third parties for support will have access to your computer network at all times, including any data and information in your POS System and BOH System. (Franchise Agreement – Section 10.14)

You can buy a manager work station from any provider but it needs to meet our current minimum standards. You must have an anti-virus program licensed for business use with an active definition subscription installed on all Windows-based computer systems and must be configured to automatically update. You are responsible for obtaining the necessary training for proficiency in these programs. We do not require you to purchase an ongoing service contract for these programs. We may provide you guidance and assistance with respect to the operation of this system in accordance with our System Standards.

You must purchase, install, and use at your Restaurant a POS System provided by a vendor we have approved. The POS System at your Restaurant must be approved in writing by us and meet our specifications. The POS System must have a minimum of 2 POS units. You must use and adhere to a standardized set of menu sales item price look-up codes (PLUs) and descriptors for every menu sales item in your POS System and BOH System, including limited time offers. The BOH System provides functionality allowing Restaurant management to track and manage inventory, food cost, labor scheduling, labor management, and other general restaurant management tasks and information. In addition, the BOH System provides reporting capabilities in the areas of inventory and labor management, cash management and accountability and menu mix, allowing the restaurant manager and above-store operators to have full visibility into all aspects of restaurant operations. We may revise our specifications for the POS System and BOH System periodically. Consequently, you must upgrade, update or add new features or components to your POS System and BOH System at such time as specifications are revised.

You must install and use our approved managed firewall between the internet service provider (ISP) equipment and the computer equipment at your Restaurant (such as POS System, BOH System, camera equipment, etc.), as required by current Payment Card Industry Data Security Standards (PCI/DSS). You are solely responsible for meeting all requirements of the PCI-DSS as outlined on the Payment Card Industry Security Standards Council website and the credit card merchant agreement. The base service is currently provided at no cost to the franchisee. To remain compliant, there may be additional hardware and software you need to purchase as well as other procedures and yearly training that must be followed.

In general, we estimate that the cost to obtain these systems is as follows:

System	Base Price without Shipping and Tax
No Drive Thru: 2 POS System, 3 kitchen displays, 2 sticky printers, with Back Office PC	\$20,746
Drive Thru: 4 POS System, 4 kitchen displays, 2 sticky printers, with Back	\$35,525

Office PC

Prices may change mid-year. In addition to the POS System, we estimate the cost to purchase the BOH System and other minimum required technology and computer hardware above to be \$900 to \$1,400. You will be required to upgrade the hardware and software from time to time. The estimated cost of such upgrades is between \$500 and \$12,000 per year.

You must pay us a Digital Technology Fee. This fee consists of a monthly fixed amount of \$150 per Restaurant, plus an additional variable amount of 1% of “Digital Sales” defined as gross sales originating from or facilitated by our digital platforms (such as the Firehouse Subs® mobile app, website, and loyalty), digital in-restaurant offers, potential new digital channels (e.g., catering) as well as gross sales originating from or facilitated by registered online users/guests, digital drive thru recognition technology and other technology. In addition, you must pay us the Delivery Guest Support Services Fee in the amount of \$0.25 - \$0.75 (currently \$0.25) for each order through the Firehouse Subs® app or website, where the guest selects delivery as the service mode. You will collect the \$0.25 - \$0.75 from the guest for each transaction and we will invoice you the following month for the Delivery Guest Support Services Fee.

We are not obligated to provide or assist you in obtaining any of the above items or services.

Neither we nor any affiliate has any obligation to provide ongoing maintenance, repairs, upgrades or updates for any of the systems disclosed above nor do any third parties unless disclosed above. We can require you to upgrade or update any of the systems or other items disclosed above during the term of your Franchise Agreement and there is no limitation on the frequency or cost. We estimate that it will cost you \$456.17 plus any appropriate tax for a normal 2 POS System per month for a subscription and help desk support from the POS vendor for the POS System. This cost includes the ability to accept online orders, credit card EMV and encryption, free shipping for covered hardware maintenance items as well as help desk support for the POS System. This cost does not include full support for your manager work station.

You must purchase a high-speed broadband or cable internet connection which will allow us and/or our vendors to freely update menus, recipes, system configuration and independently retrieve data and information from your POS System and BOH System, including daily sales, menu mix and other data as we determine. We estimate that your monthly fee for a high-speed broadband or cable internet connection to be \$50 to \$175.

You must use the reporting and accounting system that we require. You must deliver financial and operating reports to us including via access to our internet accounting system. We have access to this information through the computer system at all times. (Franchise Agreement – Section 4.07).

Websites

You may not operate an Internet web site for your Restaurant (“**Web Site**”) without our prior written consent. Our consent to your creating, operating and/or maintaining a Web Site is subject to those requirements as we may reasonably establish periodically, including, among others: (a) we may require you to submit to us for our prior written approval, a sample of the proposed Web Site, domain name, home page address, format and visible (including proposed screen shots and any text, video clips, photographs, images, sound bites or other materials in which any third party has any ownership interest) and non-visible (including meta-tags) content in the form and manner that we may reasonably require; (b) we may require you to establish hyperlinks to our web site and others as we may require, and obtain our prior written approval of your use of any other hyperlinks and/or other links; (c) we may require you to submit to us for

our prior written approval any modifications to your Web Site. We may revoke our approval of your Web Site at any time and require you to discontinue your use of it. In addition to any other applicable requirements, you must comply with any standards and specifications we develop that are applicable to Web Sites as stated in the Manual or otherwise in writing. We may, at any time, designate the form and content of your Web Site and you must use any Web Site hosted by us or a third party whom we designate. We also may charge you a fee for developing, reviewing and approving your Web Site and/or hosting it. You may not use or permit any third party to use any of the Marks in connection with any Internet web site and/or as part of any Internet domain name or electronic mail or home page address, unless such use is expressly approved by us in writing. You may not operate or create a social media site, page or group containing our Marks using tools including, Facebook, TikTok, X, YouTube, Instagram, Google, Pinterest, Tumblr, SnapChat, Vine, or other similar tools. We may, at any time, require any such page, site or group be discontinued and deleted. (Franchise Agreement – Section 10).

Site Selection and Opening

Typically, you will sign a TRA at the same time we have approved a site for your Restaurant. Alternatively, you may sign a Development Agreement. The Development Agreement grants you a specific Territory in which to establish and operate FIREHOUSE SUBS® Restaurants at specific locations to be designated in separate Franchise Agreements.

Unless we are leasing or subleasing a site to you, we do not select the site for your Restaurant and even in those situations you are free to locate your own site. If we are leasing or subleasing a site to you we or an affiliate will generally own the site. Otherwise, you select the site subject to our acceptance of the site. Under the Development Agreement, you must submit a complete “Site Acceptance Request Package” in the form we require together with any other site information we require for the site of each Restaurant you propose to develop. We will evaluate each proposed site, site plan, floor plan and elevations and we will send you written notice of our acceptance or non-acceptance of the site. (Development Agreement – Section 4.2).

We consider the following factors, among other things, in evaluating the proposed site: demographic characteristics (such as number of households in the neighborhood, average income and family size); traffic patterns; proximity to existing restaurants, including FIREHOUSE SUBS® Restaurants; and the size and condition of the proposed premises. We may retain the services of third party real estate analysts to evaluate proposed sites for FIREHOUSE SUBS® Restaurants, including the potential sales that can be generated from particular sites. Our acceptance of a site or lease or sublease of a site to you is not a representation or promise by us that a FIREHOUSE SUBS® Restaurant at that site will achieve a certain sales volume or level of profitability. Similarly, our acceptance of one or more sites and our non-acceptance of other sites is not a representation or promise by us that a site we accept will have a higher sales volume or be more profitable than a site we do not accept. Our acceptance only indicates our willingness to be represented by you at that site. When we evaluate sites for future FIREHOUSE SUBS® Restaurants that you develop under the Development Agreement, we will apply our then-current policies and standards.

Within 90 days after our acceptance of a proposed site, you must provide us with satisfactory evidence (such as a deed or signed lease) that you have the right to occupy the site. (Target Reservation Agreement – Section 4.4; Development Agreement – Section 4.2). You must open your Restaurant within 12 months of our approval of the site and the lease for it (Target Reservation Agreement – Article II) or the date required under your development schedule (Development Agreement – Article III).

The typical length of time between the receiving site approval and the opening of a FIREHOUSE SUBS® Restaurant is 200 to 390 days. The typical length of time between the signing of a Franchise

Agreement and the opening of the Restaurant is 30 days. This interval may vary depending on the location and condition of the Site, the construction schedule for the Restaurant, the extent to which an existing location must be upgraded or remodeled, the delivery schedule for equipment and supplies, delays in securing financing arrangements, delays in completing required training and compliance with local laws and regulations. You may not open the Restaurant for business until: (1) we inspect and certify that the Restaurant has been developed according to our then-current specifications and standards; (2) pre-opening training has been completed to our satisfaction; (3) you provide us with evidence that you and your management personnel have completed training at authorized facilities; (4) the initial franchise fee and all other amounts then due to us, your landlord, governmental authorities and our suppliers have been paid; (5) you have obtained all required building, utility, sign, health, sanitation, business permits, certificates and licenses required to operate the Restaurant; (6) we have been furnished with copies of all required insurance policies, or such other evidence of insurance coverage and payment of premiums that we request; and (7) we have received signed counterparts of all required documents pertaining to your acquisition of the Site (including any required agreements between you and us).

If we cannot reach agreement on a site, or you fail to timely open your Restaurant, you will be unable to operate your Restaurant and you may be in default under the TRA or the development schedule of your Development Agreement, and we may terminate the TRA or Development Agreement, as applicable. (Target Reservation Agreement – Article V; Development Agreement – Article VI).

Except as disclosed above we do not locate a site for you. We do not negotiate the purchase or lease of a site for you. Under no circumstances do we conform the premises to local ordinances or building codes or obtain any required permits. This is your responsibility. If we lease or sublease a site to you in most cases we or a third party would have constructed the site assuming we are leasing or subleasing an actual building to you. Otherwise, we do not construct, remodel or decorate the premises.

Training

We will provide our initial training program (the “**Training Program**”) to you, your Managing Owner, and one additional employee or owner. If space is available at the training session, we will also provide this training for up to 3 additional employees or owners. (Franchise Agreement – Section 8.01). Training is timed as close as possible to the opening of your first Restaurant. You must pay for all costs and expenses that you and your trainees incur in connection with the Training Program, including fees, costs and expenses that we or our designated training vendor may charge, the cost of travel (including daily transportation to and from training), accommodations, meals, uniforms and employee wages and benefits (including any routine or emergency medical services). Neither you nor any other trainee of yours are an employee of ours, and therefore, you and any trainee of yours are not covered by our workman’s compensation insurance. We require all trainees to sign our standard Liability Waiver and Release attached as an exhibit to our Franchise Agreement. As of the issuance date of this Disclosure Document, our Training Program consists of the following:

Additional Training

We may provide you and your Managing Owner mandatory periodic refresher training courses as we require, at our current training fee. (Franchise Agreement – Section 8.02). You may also request additional guidance and assistance from us. We, in our sole discretion, may provide requested additional guidance or assistance, but are under no obligation to do so, and may charge our current per diem fees and charges. (Franchise Agreement – Section 9.07). In addition to the above-described fees, costs, and expenses, you must also pay for all other costs and expenses that you and your trainees incur in connection with training, such as the cost of travel (including daily transportation to and from training), accommodations, meals, program materials and fees, uniforms and employee wages and benefits (including any routine or emergency medical services).

ITEM 12. TERRITORY

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

Target Reservation Agreement

You may only develop your FIREHOUSE SUBS® Restaurant at a site we have approved. If you are signing a TRA that site will be identified at the time you sign the TRA. You may only develop your FIREHOUSE SUBS® Restaurant in this target area and you will not be granted any exclusivity in this target area. There are no restrictions on us in this target area. You do not have any right to prevent or restrict the development of other Restaurants at any locations in this target area, at any time. We and our affiliates also have the right to sell products including FIREHOUSE SUBS® branded products, in other channels of distribution like grocery stores, convenience stores, the Internet or other direct marketing sales under the Marks or any others anywhere in this target area. We may establish and license other FIREHOUSE SUBS® Restaurants to operate at locations in this target area, including in the vicinity of your FIREHOUSE SUBS® Restaurant. Other FIREHOUSE SUBS® Restaurants may compete with your FIREHOUSE SUBS® Restaurant or may affect customer trading patterns.

Development Agreement

Development Agreements usually contain strict development schedules for multiple sites. The terms are subject to negotiation. If you sign the Development Agreement, we will grant you a geographic area (the “**Development Area**”) and you must develop FIREHOUSE SUBS® Restaurants within this Development Area and meet the development schedules as identified in the Development Agreement. Consideration to protected distances of Restaurants (typically a 1-mile radius in the Franchise Agreement) and previously granted territories or trade areas are determined when mapping out the Development Area. The Development Agreement does not grant you any territorial rights in the Development Area or otherwise, and there are no restrictions on us in your Development Area. For example, we may ourselves develop and operate, or grant franchises for the development and operation of, FIREHOUSE SUBS® Restaurants within or outside your Development Area, including at traditional and Nontraditional Locations. We reserve the right to own or operate FIREHOUSE SUBS® Restaurants or other means of distribution in any location. We also reserve the right to distribute, offer for sale or to acquire, convert, develop and establish other license systems for the same or similar products or services, using trademarks that are the same, similar or different to the Marks, and to grant licenses, either through FIREHOUSE SUBS® Restaurants or other channels (including delivery units, kiosks, grocery or convenience stores, express units, catering, home delivery, food trucks and other mobile means of product or service delivery, mail order, television, catalogue sales, internet websites or other means of electronic advertising and sales). If you do not meet the development schedule, we may terminate the Development Agreement and retain all prepaid franchise fees that you paid under the Development Agreement.

Except as provided above, we do not grant options, rights of first refusal, or similar rights to acquire additional franchises, as each franchise is awarded on a franchise-by-franchise basis. Accordingly, you may only acquire additional franchised FIREHOUSE SUBS® Restaurants from us if you meet our qualifications at the time you apply. And we may limit the number of Restaurants owned by any franchisee or its affiliates.

Franchise Agreement

When you sign a Franchise Agreement for a FIREHOUSE SUBS® Restaurant, you will be granted a franchise for a specific location that must first be approved by us (the “**Site**”). We will not approve a Site within the Trade Area of any other FIREHOUSE SUBS® Restaurants. Under the Franchise Agreement, you will also be granted a protected area (the “**Trade Area**”) generally consisting of the Site and the geographic area within a 1-mile radius around the Site, although we may vary its size under special circumstances. However, you will not receive a Trade Area for any FIREHOUSE SUBS® Restaurant located at “**Nontraditional Locations**,” which are locations for which the majority of the persons entering the premises typically do so for the purposes other than patronizing the FIREHOUSE SUBS® Restaurant, including shopping malls, food courts, airports, military installations, hotels, railway stations and their direct surroundings, bus stations, service plazas established by governmental or quasi-governmental entities on motorways and highways, gas stations, convenience stores, universities and schools, amusement parks, cruise ships, hospitals and residences, stadiums, sports centers and clubs, and similar locations for distribution.

As long as you and your affiliates are in compliance with the Franchise Agreement and any other agreement with us and our affiliates, we will not grant franchises for, nor ourselves operate, FIREHOUSE SUBS® Restaurants that are physically located within your Trade Area. Other than your right to operate the Restaurant in its Trade Area, we do not grant you any territorial rights whatsoever. For example, we may establish, or franchise another to establish, FIREHOUSE SUBS® Restaurants within the Trade Area at Nontraditional Locations, within and outside of your Trade Area. We can operate, or permit others to operate, in the Trade Area previously granted or opened FIREHOUSE SUBS® Restaurants. We can also sell products and provide services authorized for sale by FIREHOUSE SUBS® Restaurants under the Marks or other trade names, trademarks, service marks and commercial symbols through similar or dissimilar channels (like telephone, mail order, kiosk, co-branded sites and sites located within other retail businesses, Intranet, Internet, web sites, wireless, email or other forms of e-commerce) for distribution within and outside of your Trade Area.

We do not restrict the areas in which you and other franchisees may accept orders, deliver products or provide catering services, but we reserve the right to do so in the future. You may only relocate your Restaurant with our approval, both for the relocation and for the new site. We apply the same considerations for evaluating relocations of a Restaurant and the leasing of an additional site as we do for Restaurants and sites generally.

As explained in Item 1, our affiliates BKC, BK Europe, BK APac, BK Canada, BKA IP, and BKL IP each franchise the operation of and/or operate Burger King® restaurants; our affiliates, THUSA, TDL, TH APAC, and TH International each franchise the operation of and/or operate Tim Hortons® restaurants; and our affiliates PLK, PLK APAC and PLK Europe franchise the operation of and/or operate Popeyes® restaurants. The principal business address of our affiliates is below:

FIREHOUSE SUBS® Restaurants, Burger King® restaurants, Tim Hortons® restaurants and Popeyes® restaurants currently offer significantly different menus but they do also offer similar goods and they may offer similar goods or services in the future. For example, all four currently offer sandwiches, french fried potatoes, and/or chips, dessert items and beverages. There may be Tim Hortons® restaurants, Burger King® restaurants and/or Popeyes® restaurants located, operating, marketing and making sales to customers in the same market as your FIREHOUSE SUBS® Restaurants now or in the future. Those restaurants could be company-owned, franchised or both. If there is a conflict between us and a franchisee of the other affiliated brands, our management team will attempt to resolve the conflict after taking into account the specific facts of each situation and what is in the best interests of the affected system or systems. However, we are not responsible for resolving conflicts between or among FIREHOUSE SUBS® Restaurant franchisees or between or among franchisees of the various affiliated brands.

As a member of a multi-brand restaurant chain, it is possible that other restaurant chains may be acquired that sell products or provide services similar to those offered by FIREHOUSE SUBS® Restaurants. These acquired restaurants might be converted into FIREHOUSE SUBS® Restaurants, maintained as a separate concept under the same or similar Marks or maintained as separate concepts.

FRG has granted us a worldwide, non-exclusive, license to use and to license our franchisees the right to use the Marks in connection with the ownership and operation of the Restaurants pursuant to the terms and conditions of a written Trademark, Technology and Know-How License Agreement dated December 27, 2004. The term of this agreement is perpetual. Except for the Trademark, Technology and Know-How License Agreement, there are no agreements currently in effect which significantly limit our rights to use or license the use of our Marks in a manner material to the franchise. There are no currently effective material determinations of the PTO, the Trademark Trial and Appeal Board, the trademark administrator of any state or any court, and, except as summarized below, there are no pending infringements, opposition or cancellation proceedings, or material litigation involving the principal trademarks. All registrations required to be renewed have been or will be renewed on a timely basis, and all required affidavits have been or will be filed for these principal trademarks.

Use of the Marks.

You must follow our rules when you use the Marks. You cannot use any Mark as part of your corporate or legal business name or with modifying words, designs or symbols (except for those we license to you). You cannot use any Mark in connection with the performance or sale of any unauthorized services or products or in any other manner we have not expressly authorized in writing.

Changes to the Mark.

If it becomes advisable at any time in our sole discretion for us and/or you to modify or discontinue the use of any Mark and/or use one or more additional or substitute trade or service marks, you must comply with our directions within a reasonable time after receiving notice. We will not be obligated to reimburse you for any loss of revenue attributable to any modified or discontinued Mark or for any expenditures you make to promote a modified or substitute trademark or service mark.

Infringements and Indemnification.

You must promptly notify us of any suspected infringement of, or challenge to, the validity of the ownership of, or our right to use, the Marks. We have the right to control any administrative proceeding or litigation involving the Marks. If we undertake the defense or prosecution of any litigation relating to the Marks, you must execute any documents and take any actions as we may, in the opinion of our legal counsel, deem necessary to carry out the defense or prosecution. Except to the extent that any litigation is the result of your improper, unauthorized, or inconsistent use of the Marks under the Franchise Agreement, we will reimburse you for your out-of-pocket costs in taking these actions we require, except that you are responsible for the salaries and wages of your employees.

Other Uses and Proceedings.

We are aware of other restaurants and/or bars using the term Firehouse in their names, including in Dayton, Ohio; Geneva-on-the-Lake, Ohio; Tampa, Florida; Johnson City, Tennessee; Parkville, Maryland; Rapid City, South Dakota; Houston, Texas; Somersville, Connecticut; Stafford Springs, Connecticut; and Wichita, Kansas. We are not familiar with their operations, or when they started using the names. But, they may have certain rights to continue business under their trade names. From time to time we learn of other restaurants, bars and businesses that use the term Firehouse in their names. Some of these businesses may have certain rights to continue business under their trade names using the term Firehouse. We address these matters on a case-by-case basis and take action depending upon the circumstances. Additionally, a restaurant and bar located in Myrtle Beach, South Carolina has the right to continue operating under the name Calli Baker's Firehouse Bar and Grill; a restaurant and bar located in Cincinnati, Ohio has the right to continue operating under the name The Firehouse Grill; a restaurant located in Alexandria, Virginia has the right to continue operating under the name Columbia Firehouse; and a winery that also provides an on-site restaurant located in Geneva-on-the-Lake, Ohio has the right to continue to operate under the name Old Firehouse Winery and offer those services within neighboring counties. Except for the foregoing, we do not actually know of either superior prior rights or infringing uses that could materially affect your use of our principal trademarks in any state.

On October 25, 2006, FRG filed an opposition proceeding seeking to oppose pending service mark application serial number 78477034 for the mark "The Firehouse Brewing Company." On February 23, 2007, FRG filed an opposition proceeding seeking to oppose pending service mark application serial number 78477023 for the mark "The Firehouse American Pale Ale." The respondent answered both petitions denying the allegations and raising defenses. The parties entered into a settlement agreement and the proceedings were dismissed. Pursuant to the resolution, the parties entered into a co-existence and consent agreement under which The Firehouse Brewing Company may use its "The Firehouse Brewing Company," "The Firehouse American Pale Ale" and related marks in connection with the custom manufacture of beer and may obtain trademark registrations, but restricting all other uses. Opposition proceeding numbers 91173555 and 91175836, *Firehouse Restaurant Group, Inc. v. The Firehouse Brewing Company*, United States Patent and Trademark Office, Trademark Trial and Appeal Board.

William H. Rogers, Jr. vs. Firehouse of America, LLC (File No. 3:23-cv-01360-TJC-JBT), US District Court Middle District of Florida Division of Jacksonville filed on November 17, 2023. On November 17, 2023, Plaintiff refiled a complaint with the Middle District of Florida. against Firehouse of America, LLC, Don M. Fox, Sorensen Brothers, Inc, Robin O. Sorensen and Chris R. Sorensen, seeking to cancel certain "FIREHOUSE SUBS" trademarks and seeking to cancel three FRG federal trademark registrations for marks containing the wording "FIREHOUSE SUBS" – Reg. Nos. 3246353, 2606263, and 1983934. The alleged grounds for cancellation are fraud and also a claim for the violation of the right of publicity. We filed a motion to dismiss Plaintiff's complaint, which was granted on June 20, 2024. Plaintiff has appealed the district court's decision and the matter has been fully briefed and is pending further action by the appellate Court of Appeals.

William H. Rogers v. FRG, LLC (Opposition to Application No.: 97341962) U.S. Trademark Trial and Appeal Board ("TTAB") filed on February 21, 2025. Plaintiff filed an opposition with TTAB on or about February 21, 2025, opposing FRG LLC's application for "FIREHOUSE SUBS" in classes 9, 35, and 41. It does not cover restaurant services. Plaintiff argues that the application should not be granted because: 1) the name was obtained fraudulently; 2) lack of commercial use; and 3) tarnishment by copying. FRG ~~will~~filed a motion to dismiss on April 2, 2025 which motion is pending ruling from the TTAB. On June 19, 2025, FRG received notice of a new opposition from the Plaintiff opposing a FRG application for "Firehouse Subs" in class 30. FRG intends to file a motion to dismiss this the opposition by on or before the April 2 July 30, 2025 deadline.

OTHER FINANCIAL DATA – BY ANNUAL PERFORMANCE AND EXPANDABILITY (PNE) SCORE FOR FRANCHISED RESTAURANTS

Set forth below is various financial information based upon the December 2024 PNE (Performance and Expandability scorecard) results for the 665 Restaurants disclosed in Section B above. PNE is a monthly score a Restaurant receives based on certain current and trailing 12 months metrics where 80% of the score is attributed to operations performance and 20% of the score is attributed to brand alignment. Operations performance of a Restaurant measures various metrics, including guest experience and feedback. Brand alignment measures the Restaurant's Firehouse Subs Public Safety Foundation donations.

PNE scores are rated on a percentage basis with 100% being the highest PNE score and 0% being the lowest PNE score. PNE scores were aggregated to performance-based letter grades from A-F, with the highest performance letter grade being A and the lowest performance letter grade being F. 90%-100% is required for an A PNE letter grade. 70%-89.99% is required for a B PNE letter grade. 50%-69.99% is required for a D PNE letter grade. 0%-49.99% is required for an F PNE letter grade.

NOTES TO THIS ITEM 19

1. Sales shown in this Item 19 include all revenues generated by the Firehouse Subs Restaurant in the 2024 fiscal year ended December 31, 2024 and reported to us, including catering or delivery revenues, but excluding refunds and sales taxes. This is consistent with the definition of Gross Sales in our Franchise Agreement. Sales volumes vary considerably due to a variety of factors, such as demographics of the restaurant trade area, competition from other restaurants in the trade area, traffic flow, accessibility and visibility, economic conditions in the restaurant trade area, advertising and promotional activities, and the business abilities and efforts of the management of the restaurant.

2. The sales information disclosed in this Item 19 is taken from reports provided to us by franchisees or from information we were able to obtain via the franchisees' point of sale systems. The reports are provided to us on a cash accounting basis and are used to form the basis of royalty payments to us. We have not audited the royalty reports submitted by franchisees.

3. The sales information only represents gross sales. These gross sales figures do not reflect the cost of sales, operating expenses or other costs or expenses that must be deducted from the gross sales figures to calculate net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your Firehouse Subs Restaurant. Franchisees or former franchisees, listed in this Disclosure Document, may be one source of this information.

4. Cost of Goods sold (COGS) consists of the total costs of food and beverage items as well as the cost of paper and packaging supplies. Not all franchisees used the same reporting method. If a franchisee separately reported shipping and carbonation costs, then we added those costs to the franchisee's COGS. COGS may vary depending upon a Restaurant's location, menu, variances in prices, temporary shortages, participation in cooperative or distribution programs and control over costs.

5. Labor Costs include costs for restaurant level hourly and management labor including salaries, workers compensation insurance, workers medical claims, bonuses, FICA, payroll taxes, unemployment insurance, medical benefits, vacation pay, holiday pay, other pay, sick pay, contract labor, fringe benefits and training. Costs related to district managers, area managers, life insurance, maintenance labor and auto expenses are not included in the results. However, if a franchisee did not separately report these costs on their profit and loss statements, then these costs could be included in the franchised Firehouse Subs Restaurant results. Your labor costs will be affected by the amount of vacation time and vacation pay that you provide to your employees, the rate of employee turnover, the local labor market, applicable minimum or "living" wage laws and health or other mandated benefits, and your control over costs. The costs of providing group health insurance for employees and workers' compensation insurance will vary depending on many factors, including the extent and amount of coverage provided, the loss experience of the group, which insurance provider is chosen and potential coverage requirements mandated by governmental regulation. Therefore, you may encounter higher relative costs in obtaining comparable insurance coverage.

6. Occupancy Costs are the total amount of property-related expenses paid by a tenant for use of a particular space. Occupancy Costs may include base rent as well as expenses paid by the tenant such as common area maintenance (CAM) charges, real estate taxes, personal property taxes, insurance on building and contents but excludes business operating expenses such as payroll and sales tax.

7. Other Costs include all royalties paid to us, system fund contributions paid to us, the additional ordering system fee paid to us, utilities expenses, small equipment repair and maintenance, insurance, and other miscellaneous costs, including the MIS system fee and digital technology fee. Delivery Guest Support Services Fees are not included in "Other Costs" or any other expenses items as this fee was not charged in 2024.

8. Restaurant-level EBITDA, or Restaurant-level earnings before interest, taxes, depreciation and amortization, is calculated as follows: Annual Sales minus Cost of Goods Sold minus Labor Costs minus Occupancy Costs minus Other Costs. Restaurant-level EBITDA does not include any non-cash expenses such as depreciation, gains and losses on the sale of assets, impairment or disposal of assets and amortization of business value, franchise fees, or loan fees. Restaurant-level EBITDA does not include above restaurant expenditures such as salaries of a Franchisee's corporate employees or corporate office expenses.

Some Firehouse Subs Restaurants have sold and earned these amounts. Your individual results may differ. There is no assurance that you will sell or earn as much.

Written substantiation for the information appearing in this financial performance representation will be made available to you upon reasonable request.

Management's Report on Internal Control Over Financial Reporting

Management is responsible for the preparation, integrity and fair presentation of the consolidated financial statements, related notes and other information included in this annual report. The consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America and include certain amounts based on management's estimates and assumptions. Other financial information presented in the annual report is derived from the consolidated financial statements.

Management is also responsible for establishing and maintaining adequate internal control over financial reporting, and for performing an assessment of the effectiveness of internal control over financial reporting as of December 31, 2024. Internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. Our system of internal control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of RBI; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of RBI are being made only in accordance with authorizations of management and directors of RBI; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of RBI's assets that could have a material effect on the consolidated financial statements.

Management performed an assessment of the effectiveness of RBI's internal control over financial reporting as of December 31, 2024 based on criteria established in *Internal Control — Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO). Based on our assessment and those criteria, management determined that RBI's internal control over financial reporting was effective as of December 31, 2024.

The scope of management's assessment of the effectiveness of RBI's internal control over financial reporting included all of RBI's consolidated operations except for the operations of Carrols Restaurant Group Inc., which RBI acquired in May 2024. Carrols Restaurant Group Inc. operations represented \$1,988 million of RBI's consolidated total assets and \$1,171 million of RBI's consolidated total revenues as of and for the year ended December 31, 2024.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

The effectiveness of RBI's internal control over financial reporting as of December 31, 2024 has been audited by KPMG LLP, RBI's independent registered public accounting firm, as stated in its report which is included herein.

Report of Independent Registered Public Accounting Firm

To the Shareholders and Board of Directors
Restaurant Brands International Inc.:

Opinion on the Consolidated Financial Statements

We have audited the accompanying consolidated balance sheets of Restaurant Brands International Inc. and subsidiaries (the Company) as of December 31, 2024 and 2023, the related consolidated statements of operations, comprehensive income (loss), shareholders' equity, and cash flows for each of the years in the three-year period ended December 31, 2024, and the related notes (collectively, the consolidated financial statements). In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2024 and 2023, and the results of its operations and its cash flows for each of the years in the three-year period ended December 31, 2024, in conformity with U.S. generally accepted accounting principles.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the Company's internal control over financial reporting as of December 31, 2024, based on criteria established in *Internal Control - Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission, and our report dated February 21, 2025 expressed an unqualified opinion on the effectiveness of the Company's internal control over financial reporting.

Basis for Opinion

These consolidated financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the consolidated financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. We believe that our audits provide a reasonable basis for our opinion.

Critical Audit Matters

The critical audit matters communicated below are matters arising from the current period audit of the consolidated financial statements that were communicated or required to be communicated to the audit committee and that: (1) relate to accounts or disclosures that are material to the consolidated financial statements and (2) involved our especially challenging, subjective, or complex judgments. The communication of critical audit matters does not alter in any way our opinion on the consolidated financial statements, taken as a whole, and we are not, by communicating the critical audit matters below, providing separate opinions on the critical audit matters or on the accounts or disclosures to which they relate.

Fair value of operating lease assets, lease liabilities and reacquired franchise rights acquired in a business combination

As discussed in Notes 2 and 3 to the consolidated financial statements, on May 16, 2024, the Company acquired the remaining 85% of Carrols Restaurant Group, Inc. ("Carrols") issued and outstanding shares that were not already held previously by the Company or its affiliates. The Carrols acquisition was accounted for as a business combination by applying the acquisition method of accounting. In connection with the transaction, the Company acquired operating lease assets with a fair value of \$705 million, operating lease liabilities, net of current portion with a fair value of \$684 million and reacquired franchise rights with a fair value of \$363 million. The fair value of the acquired operating lease assets and lease liabilities was determined by discounting the lease payments for each lease using the Company's incremental borrowing rate corresponding to the maturity of each lease as the discount rate. The incremental borrowing rate applicable to each lease is determined by reference to the Company's outstanding secured borrowings and implied spreads over the risk-free discount rates that correspond to the term of each lease. The fair value of the reacquired franchise rights was determined using the excess earnings method.

Table of Contents

We identified the assessment of the acquisition-date fair value of the operating lease assets, lease liabilities and reacquired franchise rights as a critical audit matter. The evaluation of certain assumptions used to estimate these fair values involved a higher degree of subjective auditor judgment and specialized skills and knowledge. Specifically, those key assumptions included the incremental borrowing rates for the valuation of the operating lease assets and lease liabilities and the discount rate for the reacquired franchise rights. Changes to those key assumptions could have had an impact on the determination of the fair values.

The following are the primary procedures we performed to address this critical audit matter: We evaluated the design and tested the operating effectiveness of certain internal controls over the Company's process to estimate the fair value of the operating lease assets, lease liabilities and reacquired franchise rights, including controls over the determination of the incremental borrowing rates and discount rate. We evaluated the Company's methodology to develop the fair values of the operating lease assets, lease liabilities and reacquired franchise rights. We performed sensitivity analyses over the Company's incremental borrowing rates and discount rate to evaluate the impact of changes in those assumptions on the Company's determination of fair values. We involved valuation professionals with specialized skills and knowledge, who assisted in:

- evaluating the incremental borrowing rates by comparing them to a range of rates independently developed using company-specific information and publicly available market data
- evaluating the discount rate by comparing it to a range of discount rates independently developed using publicly available market data for comparable restaurant companies.

Recoverability assessment of the Firehouse Subs brand

As described in Notes 2 and 6 to the consolidated financial statements, the Company had recorded an indefinite-lived intangible asset for the Firehouse Subs brand of \$816 million as of December 31, 2024. The Company performs indefinite-lived intangible assets impairment testing annually or more frequently when events or changes in circumstances indicate that impairment might have occurred. To estimate the fair value of the Firehouse Subs Brand indefinite-lived intangible asset, the Company uses an income approach, which discounts the projected brand-related cash flows using a discount rate determined from a market participant's perspective.

We identified the evaluation of the recoverability assessment of the Firehouse Subs brand as a critical audit matter. Subjective auditor judgment and specialized skills and knowledge were required to evaluate the projected revenue and discount rate assumptions used to estimate the fair value of the Firehouse Subs brand. Changes to those key assumptions could have had an impact on the Company's fair value determination and the assessment of the recoverability of the Firehouse Subs brand.

The following are the primary procedures we performed to address this critical audit matter: We evaluated the design and tested the operating effectiveness of certain internal controls over the Company's process to assess recoverability of indefinite-lived intangible assets, including controls related to the Company's determination of projected revenue and selection of the discount rate assumption used in the determination of the fair value of the Firehouse Subs brand. We performed sensitivity analyses over the Company's projected revenue and the discount rate to evaluate the impact of changes in those assumptions on the Company's estimated fair value of the Firehouse Subs brand. We evaluated the reasonableness of the Company's projected revenue by comparing actual results to the Company's historical forecasts. We involved valuation professionals with specialized skills and knowledge, who assisted in:

- evaluating the projected revenue prepared by the Company by comparing it to publicly available projected revenue for comparable restaurant companies
- evaluating the discount rate by comparing it against an independently developed discount rate using publicly available market data for comparable restaurant companies.

Report of Independent Registered Public Accounting Firm

To the Shareholders and Board of Directors
Restaurant Brands International Inc.:

Opinion on Internal Control Over Financial Reporting

We have audited Restaurant Brands International Inc. and subsidiaries' (the Company) internal control over financial reporting as of December 31, 2024, based on criteria established in *Internal Control – Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission. In our opinion, the Company maintained, in all material respects, effective internal control over financial reporting as of December 31, 2024, based on criteria established in *Internal Control – Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the consolidated balance sheets of the Company as of December 31, 2024 and 2023, the related consolidated statements of operations, comprehensive income (loss), shareholders' equity, and cash flows for each of the years in the three-year period ended December 31, 2024, and the related notes (collectively, the consolidated financial statements), and our report dated February 21, 2025 expressed an unqualified opinion on those consolidated financial statements.

The Company acquired Carrols Restaurant Group Inc. during 2024, and management excluded from its assessment of the effectiveness of the Company's internal control over financial reporting as of December 31, 2024, Carrols Restaurant Group Inc.'s internal control over financial reporting associated with total assets of \$1,988 million and total revenues of \$1,171 million included in the consolidated financial statements of the Company as of and for the year ended December 31, 2024. Our audit of internal control over financial reporting of the Company also excluded an evaluation of the internal control over financial reporting of Carrols Restaurant Group Inc..

Basis for Opinion

The Company's management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting, included in the accompanying Management's Report on Internal Control Over Financial Reporting. Our responsibility is to express an opinion on the Company's internal control over financial reporting based on our audit. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects. Our audit of internal control over financial reporting included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. Our audit also included performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.

Definition and Limitations of Internal Control Over Financial Reporting

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

RESTAURANT BRANDS INTERNATIONAL INC. AND SUBSIDIARIES**Notes to Consolidated Financial Statements****Note 1. Description of Business and Organization*****Description of Business***

Restaurant Brands International Inc. (the “Company,” “RBI,” “we,” “us” or “our”) is a Canadian corporation that serves as the sole general partner of Restaurant Brands International Limited Partnership (the “Partnership”). We franchise and operate quick service restaurants serving premium coffee and other beverage and food products under the *Tim Hortons*® brand (“Tim Hortons”), fast food hamburgers principally under the *Burger King*® brand (“Burger King”), chicken under the *Popeyes*® brand (“Popeyes”) and sandwiches under the *Firehouse Subs*® brand (“Firehouse”). We are one of the world’s largest quick service restaurant, or QSR, companies as measured by total number of restaurants. As of December 31, 2024, we franchised or owned 6,043 Tim Hortons restaurants, 19,732 Burger King restaurants, 4,979 Popeyes restaurants, and 1,371 Firehouse Subs restaurants, for a total of 32,125 restaurants, and operate in more than 120 countries and territories. As of December 31, 2024, approximately 95% of current system-wide restaurants are franchised.

Note 2. Significant Accounting Policies***Fiscal Year***

We operate on a monthly calendar, with a fiscal year that ends on December 31.

Basis of Presentation

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States (“GAAP”) and related rules and regulations of the U.S. Securities and Exchange Commission requires our management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses, and the related disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

Principles of Consolidation

The consolidated financial statements (the “Financial Statements”) include our accounts and the accounts of entities in which we have a controlling financial interest, the usual condition of which is ownership of a majority voting interest, including marketing funds we control. We also consider entities for consolidation when the controlling financial interest may be achieved through arrangements that do not involve voting interests (“VIE”).

We are the sole general partner of Partnership and, as such we have the exclusive right, power and authority to manage, control, administer and operate the business and affairs and to make decisions regarding the undertaking and business of Partnership, subject to the terms of the limited partnership agreement of Partnership (“partnership agreement”) and applicable laws. As a result, we consolidate the results of Partnership and record a noncontrolling interest in our consolidated balance sheets and statements of operations with respect to the remaining economic interest in Partnership we do not hold.

All material intercompany balances and transactions have been eliminated in consolidation. Investments in other affiliates that are owned 50% or less where we have significant influence are generally accounted for by the equity method.

Foreign Currency Translation and Transaction Gains and Losses

Our functional currency is the U.S. dollar, since our term loans and senior secured notes are denominated in U.S. dollars, and the principal market for our common shares is the U.S. The functional currency of each of our operating subsidiaries is generally the currency of the economic environment in which the subsidiary primarily does business. Our foreign subsidiaries’ financial statements are translated into U.S. dollars using the foreign exchange rates applicable to the dates of the financial statements. Assets and liabilities are translated using the end-of-period spot foreign exchange rates. Income, expenses and cash flows are translated at the average foreign exchange rates for each period. Equity accounts are translated at historical foreign exchange rates. The effects of these translation adjustments are reported as a component of accumulated other comprehensive income (loss) (“AOCI”) in the consolidated statements of shareholders’ equity.

Table of Contents

For any transaction that is denominated in a currency different from the entity's functional currency, we record a gain or loss based on the difference between the foreign exchange rate at the transaction date and the foreign exchange rate at the transaction settlement date (or rate at period end, if unsettled) which is included within other operating expenses (income), net in the consolidated statements of operations.

Cash and Cash Equivalents

All highly liquid investments with original maturities of three months or less and credit card receivables are considered cash equivalents.

Accounts and Notes Receivable, net

Our credit loss exposure is mainly concentrated in our accounts and notes receivable portfolio, which consists primarily of amounts due from franchisees, including royalties, rents, franchise fees, contributions due to advertising funds we manage and, in the case of our TH segment, amounts due for supply chain sales. Accounts and notes receivable are reported net of an allowance for expected credit losses over the estimated life of the receivable. Credit losses are estimated based on aging, historical collection experience, financial position of the franchisee and other factors, including those related to current economic conditions and reasonable and supportable forecasts of future conditions.

Bad debt expense recognized for expected credit losses is classified in our consolidated statement of operations as Cost of sales, Franchise and property expenses or Advertising expenses and other services, based on the nature of the underlying receivable. Net bad debt expense totaled \$24 million in 2024, \$20 million in 2023 and \$19 million in 2022.

Inventories

Inventories are carried at the lower of cost or net realizable value and consist primarily of raw materials such as green coffee beans and finished goods such as new equipment, parts, paper supplies and restaurant food items. The moving average method is used to determine the cost of raw materials and finished goods inventories held for sale to Tim Hortons franchisees.

Property and Equipment, net

We record property and equipment at historical cost less accumulated depreciation and amortization, which is recognized using the straight-line method over the following estimated useful lives: (i) buildings and improvements – up to 40 years; (ii) restaurant equipment – up to 17 years; (iii) furniture, fixtures and other – up to 10 years; and (iv) manufacturing equipment – up to 25 years. Leasehold improvements to properties where we are the lessee are amortized over the lesser of the remaining term of the lease or the estimated useful life of the improvement.

Major improvements are capitalized, while maintenance and repairs are expensed when incurred.

Capitalized Software and Cloud Computing Costs

We record capitalized software at historical cost less accumulated amortization, which is recognized using the straight-line method. Amortization expense is based on the estimated useful life of the software, which is primarily up to five years, once the asset is available for its intended use.

Implementation costs incurred in connection with Cloud Computing Arrangements ("CCA") are capitalized consistently with costs capitalized for internal-use software. Capitalized CCA implementation costs are included in "Other assets" in the consolidated balance sheets and are amortized over the term of the related hosting agreement, including renewal periods that are reasonably certain to be exercised. Amortization expense of CCA implementation costs is classified as "General and administrative expenses" in the consolidated statements of operations.

Leases

In all leases, whether we are the lessor or lessee, we define lease term as the non-cancellable term of the lease plus any renewals covered by renewal options that are reasonably certain of exercise based on our assessment of the economic factors relevant to the lessee. The noncancellable term of the lease commences on the date the lessor makes the underlying property in the lease available to the lessee, irrespective of when lease payments begin under the contract.

Lessor Accounting

We recognize lease payments for operating leases as property revenue on a straight-line basis over the lease term, and property revenue is presented net of any related sales tax. Lease incentive payments we make to lessees are amortized as a reduction in property revenue over the lease term. We account for reimbursements of maintenance and property tax costs paid to us by lessees as property revenue.

Table of Contents

We also have net investments in properties leased to franchisees, which are classified as sales-type leases or direct financing leases. Investments in sales-type leases and direct financing leases are recorded on a net basis. Profit on sales-type leases is recognized at lease commencement and recorded in other operating expenses (income), net. Unearned income on direct financing leases is deferred, included in the net investment in the lease, and recognized over the lease term, yielding a constant periodic rate of return on the net investment in the lease.

We recognize variable lease payment income in the period when changes in facts and circumstances on which the variable lease payments are based occur.

Lessee Accounting

In leases where we are the lessee, we recognize a right-of-use (“ROU”) asset and lease liability at lease commencement, which are measured by discounting lease payments using our incremental borrowing rate as the discount rate. We determine the incremental borrowing rate applicable to each lease by reference to our outstanding secured borrowings and implied spreads over the risk-free discount rates that correspond to the term of each lease, as adjusted for the currency of the lease. Subsequent amortization of the ROU asset and accretion of the lease liability for an operating lease is recognized as a single lease cost, on a straight-line basis, over the lease term. Reductions of the ROU asset and the change in the lease liability are included in changes in Other long-term assets and liabilities in the Consolidated Statement of Cash Flows.

A finance lease ROU asset is depreciated on a straight-line basis over the lesser of the useful life of the leased asset or lease term. Interest on each finance lease liability is determined as the amount that results in a constant periodic discount rate on the remaining balance of the liability. Operating lease and finance lease ROU assets are assessed for impairment in accordance with our long-lived asset impairment policy.

We reassess lease classification and remeasure ROU assets and lease liabilities when a lease is modified and that modification is not accounted for as a separate contract or upon certain other events that require reassessment. Maintenance and property tax expenses are accounted for on an accrual basis as variable lease cost.

We recognize variable lease cost in the period when changes in facts and circumstances on which the variable lease payments are based occur.

Goodwill and Intangible Assets Not Subject to Amortization

Goodwill represents the excess of the purchase price over the fair value of assets acquired and liabilities assumed in connection with business combination transactions. Our indefinite-lived intangible assets consist of the *Tim Hortons* brand, the *Burger King* brand, the *Popeyes* brand and the *Firehouse Subs* brand (each a “Brand” and together, the “Brands”). Goodwill and the Brands are tested for impairment at least annually as of October 1 of each year and more often if an event occurs or circumstances change which indicate that impairment might exist. Our annual impairment tests of goodwill and the Brands may be completed through qualitative assessments. We may elect to bypass the qualitative assessment and proceed directly to a quantitative impairment test for any reporting unit or Brand in any period. We can resume the qualitative assessment for any reporting unit or Brand in any subsequent period.

Under a qualitative approach, our impairment review for goodwill consists of an assessment of whether it is more-likely-than-not that a reporting unit’s fair value is less than its carrying amount. If we elect to bypass the qualitative assessment for any reporting unit, or if a qualitative assessment indicates it is more-likely-than-not that the estimated carrying value of a reporting unit exceeds its fair value, we perform a quantitative goodwill impairment test that requires us to estimate the fair value of the reporting unit. If the fair value of the reporting unit is less than its carrying amount, we will measure any goodwill impairment loss as the amount by which the carrying amount of a reporting unit exceeds its fair value, not to exceed the total amount of goodwill allocated to that reporting unit.

Under a qualitative approach, our impairment review for the Brands consists of an assessment of whether it is more-likely-than-not that a Brand’s fair value is less than its carrying amount. If we elect to bypass the qualitative assessment for a Brand, or if a qualitative assessment indicates it is more-likely-than-not that the estimated carrying value of a Brand exceeds its fair value, we estimate the fair value of the Brand and compare it to its carrying amount. If the carrying amount exceeds fair value, an impairment loss is recognized in an amount equal to that excess.

We completed our impairment tests for goodwill and the Brands as of October 1, 2024, 2023 and 2022 and no impairment resulted.

Long-Lived Assets

Long-lived assets, such as property and equipment, intangible assets subject to amortization and lease right-of-use assets, are tested for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset or asset group may not be recoverable. Some of the events or changes in circumstances that would trigger an impairment review include, but are not

Table of Contents

limited to, bankruptcy proceedings or other significant financial distress of a lessee; significant negative industry or economic trends; knowledge of transactions involving the sale of similar property at amounts below the carrying value; or our expectation to dispose of long-lived assets before the end of their estimated useful lives. The impairment test for long-lived assets requires us to assess the recoverability of long-lived assets by comparing their net carrying value to the sum of undiscounted estimated future cash flows directly associated with and arising from use and eventual disposition of the assets or asset group. Long-lived assets are grouped for recognition and measurement of impairment at the lowest level for which identifiable cash flows are largely independent of the cash flows of other assets. If the net carrying value of a group of long-lived assets exceeds the sum of related undiscounted estimated future cash flows, we record an impairment charge equal to the excess, if any, of the net carrying value over fair value.

Other Comprehensive Income (Loss)

Other comprehensive income (loss) ("OCI") refers to revenues, expenses, gains and losses that are included in comprehensive income (loss), but are excluded from net income (loss) as these amounts are recorded directly as an adjustment to shareholders' equity, net of tax. Our other comprehensive income (loss) is primarily comprised of unrealized gains and losses on foreign currency translation adjustments and unrealized gains and losses on hedging activity, net of tax.

Derivative Financial Instruments

We recognize and measure all derivative instruments as either assets or liabilities at fair value in the consolidated balance sheets. Derivative instruments accounted for as net investments hedges are classified as long term assets and liabilities in the consolidated balance sheets. We may enter into derivatives that are not designated as hedging instruments for accounting purposes, but which largely offset the economic impact of certain transactions.

Gains or losses resulting from changes in the fair value of derivatives are recognized in earnings or recorded in other comprehensive income (loss) and recognized in the consolidated statements of operations when the hedged item affects earnings, depending on the purpose of the derivatives and whether they qualify for, and we have applied, hedge accounting treatment.

When applying hedge accounting, we designate at a derivative's inception, the specific assets, liabilities or future commitments being hedged, and assess the hedge's effectiveness at inception and on an ongoing basis. We discontinue hedge accounting when: (i) we determine that the cash flow derivative is no longer effective in offsetting changes in the cash flows of a hedged item; (ii) the derivative expires or is sold, terminated or exercised; (iii) it is no longer probable that the forecasted transaction will occur; or (iv) management determines that designation of the derivatives as a hedge instrument is no longer appropriate. We do not enter into or hold derivatives for speculative purposes.

Disclosures about Fair Value

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants in the principal market, or if none exists, the most advantageous market, for the specific asset or liability at the measurement date (the exit price). The fair value is based on assumptions that market participants would use when pricing the asset or liability. The fair values are assigned a level within the fair value hierarchy, depending on the source of the inputs into the calculation, as follows:

Level 1 Observable inputs that reflect quoted prices (unadjusted) for identical assets or liabilities in active markets.

Level 2 Inputs other than quoted prices included in Level 1 that are observable for the asset or liability either directly or indirectly.

Level 3 Unobservable inputs reflecting management's own assumptions about the inputs used in pricing the asset or liability.

The carrying amounts for cash and cash equivalents, accounts and notes receivable and accounts and drafts payable approximate fair value based on the short-term nature of these amounts.

We carry all of our derivatives at fair value and value them using various pricing models or discounted cash flow analysis that incorporate observable market parameters, such as interest rate yield curves and currency rates, which are Level 2 inputs. Derivative valuations incorporate credit risk adjustments that are necessary to reflect the probability of default by the counterparty or us. For disclosures about the fair value measurements of our derivative instruments, see Note 12, *Derivative Instruments*.

The following table presents the fair value of our variable rate term debt and senior notes, estimated using inputs based on bid and offer prices that are Level 2 inputs, and principal carrying amount (in millions):

	As of December 31,	
	2024	2023
Fair value of our variable term debt and senior notes	\$ 13,090	\$ 12,401
Principal carrying amount of our variable term debt and senior notes	\$ 13,651	\$ 12,900

The determination of fair values of certain tangible and intangible assets for purposes of the application of the acquisition method of accounting to the acquisition of Carrols Restaurant Group, Inc. were based on Level 3 inputs. The determination of fair values of our reporting units and the determination of the fair value of the Brands for impairment testing using a quantitative approach during 2024, 2023 and 2022 were based upon Level 3 inputs.

Revenue Recognition

Supply chain sales

Supply chain sales represent sales of products, supplies and restaurant equipment to franchisees, as well as sales to retailers and direct to consumer and are presented net of any related sales tax. Revenue is recognized upon transfer of control over ordered items, generally upon delivery to the customer, which is when the customer has all risks and rewards of ownership and an obligation to pay for the goods is created. Shipping and handling costs associated with outbound freight for supply chain sales are accounted for as fulfillment costs and classified as cost of sales.

Company restaurant sales

Company restaurant sales consist of sales to restaurant guests. Revenue from Company restaurant sales is recognized at the point of sale. Taxes assessed by a governmental authority that we collect are excluded from revenue.

Franchise revenues

Franchise revenues consist primarily of royalties, initial and renewal franchise fees and upfront fees from development agreements and master franchise and development agreements (“MFDAs”). Under franchise agreements, we provide franchisees with (i) a franchise license, which includes a license to use our intellectual property, (ii) pre-opening services, such as training and inspections, and (iii) ongoing services, such as development of training materials and menu items and restaurant monitoring and inspections. These services are highly interrelated and dependent upon the franchise license and we concluded these services do not represent individually distinct performance obligations. Consequently, we bundle the franchise license performance obligation and promises to provide these services into a single performance obligation (the “Franchise PO”), which we satisfy by providing a right to use our intellectual property over the term of each franchise agreement.

Royalties are calculated as a percentage of franchised restaurant sales over the term of the franchise agreement. Initial and renewal franchise fees are payable by the franchisee upon a new restaurant opening or renewal of an existing franchise agreement. Our franchise agreement royalties represent sales-based royalties that are related entirely to the Franchise PO and are recognized as franchise sales occur. Initial and renewal franchise fees are recognized as revenue on a straight-line basis over the term of the respective agreement. Our performance obligation under development agreements other than MFDAs generally consists of an obligation to grant exclusive development rights over a stated term, which are not distinct from franchise agreements. Upfront fees paid by franchisees for exclusive development rights are apportioned to each franchised restaurant opened by the franchisee, with the pro rata amount apportioned to each restaurant accounted for as an initial franchise fee.

We have a distinct performance obligation under our MFDAs to grant subfranchising rights over a stated term. Under the terms of MFDAs, we typically either receive an upfront fee paid in cash and/or receive noncash consideration in the form of an equity interest in the master franchisee or an affiliate of the master franchisee. We account for noncash consideration as investments in the applicable equity method investee and recognize revenue in an amount equal to the fair value of the equity interest received. Upfront fees from master franchisees, including the fair value of noncash consideration, are deferred and amortized over the MFDA term on a straight-line basis. We may recognize unamortized upfront fees when a contract with a franchisee or master franchisee is modified and is accounted for as a termination of the existing contract.

The portion of gift cards sold to customers which are never redeemed is commonly referred to as gift card breakage. We recognize gift card breakage income proportionately as each gift card is redeemed using an estimated breakage rate based on our historical experience.

In certain instances, we provide incentives to franchisees in connection with restaurant renovations or other initiatives. These incentives may consist of cash consideration or non-cash consideration such as restaurant equipment. In general, these incentives are designed to support system-wide sales growth to increase our future revenues. The costs of these incentives are capitalized and amortized as a reduction in franchise and property revenue over the term of the contract to which the incentive relates.

Table of Contents

Advertising revenues and other services

Advertising revenues consist primarily of franchisee contributions to advertising funds in those markets where our subsidiaries manage an advertising fund and are calculated as a percentage of franchised restaurant sales over the term of the franchise agreement. Under our franchise agreements, advertising contributions received from franchisees must be spent on advertising, product development, marketing, and related activities. We determined our advertising and promotion management services do not represent individually distinct performance obligations and are included in the Franchise PO.

Other services revenues consist primarily of tech fees and revenues, that vary by market, and partially offset expenses related to technology initiatives. These services are distinct from the Franchise PO because they are not dependent upon the franchise license or highly interrelated with the franchise license.

Supply Chain Cost of Sales

Cost of sales consists primarily of costs associated with the management of our Tim Hortons supply chain, including cost of goods, direct labor, depreciation, bad debt expense (recoveries) from supply chain sales and cost of products sold to retailers.

Company Restaurant Expenses

Company restaurant expenses include food, beverage and packaging costs, restaurant wages and related expenses and restaurant occupancy and other expenses.

Franchise and Property Expenses

Franchise and property expenses consist primarily of depreciation of properties leased to franchisees, rental expense associated with properties subleased to franchisees, amortization of franchise agreements and reacquired franchise rights, and bad debt expense (recoveries) from franchise and property revenues.

Advertising Expenses and Other Services

Advertising expenses and other services consist primarily of expenses relating to marketing, advertising, promotion, and technology initiatives for the respective brands, bad debt expense (recoveries) from franchisee contributions to advertising funds we manage, depreciation and amortization and other related support functions for the respective brands. Additionally, we may incur discretionary expenses to fund advertising programs in connection with periodic initiatives.

Company restaurants and franchised restaurants contribute to advertising funds that our subsidiaries manage in the United States and Canada and certain other international markets. The advertising funds expense the production costs of advertising when the advertisements are first aired or displayed. All other advertising and promotional costs are expensed in the period incurred. The advertising contributions by Company restaurants are eliminated in consolidation. Consolidated advertising expense totaled \$1,268 million, \$1,201 million and \$1,032 million in 2024, 2023 and 2022, respectively.

Deferred Financing Costs

Deferred financing costs are amortized over the term of the related debt agreement into interest expense using the effective interest method.

Income Taxes

Amounts in the Financial Statements related to income taxes are calculated using the principles of Accounting Standards Codification Topic 740, *Income Taxes*. Under these principles, deferred tax assets and liabilities reflect the impact of temporary differences between the amounts of assets and liabilities recognized for financial reporting purposes and the amounts recognized for tax purposes, as well as tax credit carry-forwards and loss carry-forwards. These deferred taxes are measured by applying currently enacted tax rates. A deferred tax asset is recognized when it is considered more-likely-than-not to be realized. The effects of changes in tax rates on deferred tax assets and liabilities are recognized in income in the year in which the law is enacted. A valuation allowance reduces deferred tax assets when it is more-likely-than-not that some portion or all of the deferred tax assets will not be realized.

We recognize positions taken or expected to be taken in a tax return in the Financial Statements when it is more-likely-than-not (i.e., a likelihood of more than 50%) that the position would be sustained upon examination by tax authorities. A recognized tax position is then measured at the largest amount of benefit with greater than 50% likelihood of being realized upon ultimate settlement.

Translation gains and losses resulting from the remeasurement of foreign deferred tax assets or liabilities denominated in a currency other than the functional currency are classified as other operating expenses (income), net in the consolidated statements of operations.

Share-based Compensation

Compensation expense related to the issuance of share-based awards to our employees is measured at fair value on the grant date. The fair value of restricted stock units (“RSUs”) is generally based on the closing price of RBI’s common shares on the trading day preceding the date of grant. Our total shareholder return and if applicable our total shareholder return relative to our peer group is incorporated into the underlying assumptions using a Monte Carlo simulation valuation model to calculate grant date fair value for performance based awards with a market condition. Stock option awards are granted with an exercise price or market value equal to the closing price of RBI common shares on the trading day preceding the date of grant. The Black-Scholes option pricing model is used to value stock options. The compensation expense for awards that vest over a future service period is recognized over the requisite service period on a straight-line basis, adjusted for estimated forfeitures of awards that are not expected to vest. We use historical data to estimate forfeitures for share-based awards. The compensation expense for awards that contain performance conditions is recognized when it is probable that the performance conditions will be achieved.

Supplier Finance Programs

Our Tim Hortons business includes individually negotiated contracts with suppliers, which include payment terms that range up to 120 days. A global financial institution offers a voluntary supply chain finance (“SCF”) program to certain Tim Hortons vendors, which provides suppliers that elect to participate with the ability to elect early payment, which is discounted based on the payment terms and a rate based on RBI’s credit rating, which may be beneficial to the vendor. Participation in the SCF program is at the sole discretion of the suppliers and financial institution and we are not a party to the arrangements between the suppliers and the financial institution. Our obligations to suppliers are not affected by the suppliers’ decisions to participate in the SCF program and our payment terms remain the same based on the original supplier invoicing terms and conditions. No guarantees are provided by us or any of our subsidiaries in connection with the SCF Program.

Our confirmed outstanding obligations under the SCF program are classified as Accounts and drafts payable in our consolidated balance sheets. All activity related to the obligations is classified as Cost of sales in our consolidated statements of operations and presented within cash flows from operating activities in our consolidated statements of cash flows. The following table reflects the change of our confirmed outstanding obligations under the SCF program between December 31, 2023 and December 31, 2024 (in millions):

Confirmed obligations outstanding at December 31, 2023	\$	36
Invoices confirmed during the period		159
Confirmed invoices paid during the period		(173)
Confirmed obligations outstanding at December 31, 2024	\$	22

Reclassifications

Certain prior year amounts in the accompanying consolidated financial statements and notes to the consolidated financial statements have been reclassified in order to be comparable with the current year classifications. These reclassifications did not arise as a result of any changes to accounting policies and relate entirely to presentation with no effect on previously reported net income.

New Accounting Pronouncements

Segment Reporting – In November 2023, the Financial Accounting Standards Board (“FASB”) issued guidance that expands segment disclosures for public entities, including requiring disclosure of significant segment expenses that are regularly provided to the chief operating decision maker (“CODM”), the title and position of the CODM and an explanation of how the CODM uses reported measures of segment profit or loss in assessing segment performance and allocating resources. The new guidance also expands disclosures about a reportable segment’s profit or loss and assets in interim periods and clarifies that a public entity may report additional measures of segment profit if the CODM uses more than one measure of a segment’s profit or loss. The new guidance does not remove existing segment disclosure requirements or change how a public entity identifies its operating segments, aggregates those operating segments, or determines its reportable segments. During the fourth quarter of 2024, we adopted this guidance and added necessary disclosures upon adoption as disclosed in Note 18, *Segment Reporting and Geographical Information*.

Improvements to Income Tax Disclosures – In December 2023, the FASB issued guidance that expands income tax disclosures for public entities, including requiring enhanced disclosures related to the rate reconciliation and income taxes paid information. The guidance is effective for annual disclosures for fiscal years beginning after December 15, 2024, with early adoption permitted. The guidance should be applied on a prospective basis, with retrospective application to all prior periods presented in the financial statements permitted. We are currently evaluating the impact this new guidance will have on our disclosures upon adoption and expect to provide additional detail and disclosures under this new guidance.

Disaggregation of Income Statement Expenses – In November 2024, the FASB issued guidance that requires disclosure of disaggregated information about certain income statement expense line items. The guidance is effective for annual disclosures for fiscal years beginning after December 15, 2026, and subsequent interim periods with early adoption permitted, and requires retrospective application to all prior periods presented in the financial statements. We are currently evaluating the impact this new guidance will have on our disclosures upon adoption and expect to provide additional detail and disclosures under this new guidance.

Note 3. Carrols Acquisition

Prior to May 16, 2024, we owned a 15% equity interest in Carrols Restaurant Group, Inc. (“Carrols”), which was accounted for as an equity method investment. On May 16, 2024, we acquired the remaining 85% of Carrols issued and outstanding shares that were not already held by us or our affiliates for \$9.55 per share in an all cash transaction (the “Carrols Acquisition”) in order to accelerate the reimagining of restaurants before refranchising the majority of the acquired portfolio to new or existing smaller franchise operations. The Carrols Acquisition was accounted for as a business combination by applying the acquisition method of accounting and Carrols became our wholly owned consolidated subsidiary.

The acquisition of the 85% equity interest of Carrols was accounted for as a step acquisition, which required remeasurement of our existing 15% ownership interest in Carrols to fair value. We utilized the \$9.55 per share acquisition price to determine the fair value of the existing equity interest. This resulted in an increase in the value of our existing 15% equity interest and the recognition of a gain of \$79 million (the “Step Acquisition Gain”), which is included in (Income) loss from equity method investments in our consolidated statements of operations for 2024.

Total cash paid in connection with the Carrols Acquisition was \$543 million. Additionally, in connection with the Carrols Acquisition, we assumed approximately \$431 million of outstanding debt, all of which was fully extinguished as of June 30, 2024. The cash purchase price and extinguishment of debt assumed in the Carrols Acquisition was funded with a combination of cash on hand and \$750 million of incremental borrowings under our senior secured term loan facility.

The following table summarizes the purchase price consideration in connection with the Carrols Acquisition (in millions):

Total cash paid	\$	543
Effective settlement of pre-existing balance sheet accounts (a)		15
Fair value of existing 15% equity interest		90
Total consideration	\$	648

- (a) Effective settlement of pre-existing balances with Carrols related to franchise and lease agreements prior to the date of acquisition.

Fees and expenses related to the Carrols Acquisition and related financings totaled approximately \$11 million during 2024, consisting of professional fees and compensation-related expenses which are classified as general and administrative expenses in the accompanying consolidated statements of operations (the “Carrols Acquisition Costs”).

Table of Contents

During the fourth quarter of 2024, we adjusted our preliminary estimate of the fair value of net assets acquired. The preliminary allocation of consideration to the net tangible and intangible assets acquired is presented in the table below (in millions):

	May 16, 2024
Total current assets	\$ 81
Property and equipment	294
Reacquired franchise rights	363
Operating lease assets	705
Other assets	24
Accounts and drafts payable	(13)
Other accrued liabilities	(150)
Current portion of long-term debt and finance leases	(434)
Finance leases, net of current portion	(9)
Operating lease liabilities, net of current portion	(684)
Other liabilities	(10)
Total identifiable net assets	167
Goodwill	481
Total consideration	<u>\$ 648</u>

The adjustments to the preliminary estimate of net assets acquired resulted in a \$16 million increase to the preliminary estimated goodwill, primarily reflecting a \$22 million decrease in the estimated fair value of reacquired franchise rights, partially offset by changes in estimated fair values of other net assets acquired.

The purchase price allocation reflects preliminary fair value estimates for property and equipment, deferred income taxes and goodwill, which are based on management's analysis, including preliminary work performed by third-party valuation specialists. During the measurement period, we will continue to obtain information to assist in determining and finalizing the fair value of these items.

Reacquired franchise rights, which represent the fair value of reacquired franchise agreements determined using the excess earnings method, are amortized over the remaining term of the reacquired franchise agreement and have an estimated weighted average remaining term of 12 years.

Goodwill is considered to represent the value associated with the workforce and synergies anticipated to be realized as a combined company. Goodwill will be allocated to reporting units when the purchase price allocation is finalized during the measurement period.

Total revenues of Carrols from the acquisition date of May 16, 2024 through December 31, 2024, which have been included within Company restaurant sales in our consolidated financial statements, totaled \$1,171 million.

Supplemental Pro Forma Information

The following table presents unaudited supplemental pro forma consolidated revenue for 2024 and 2023 as if the Carrols Acquisition had occurred on January 1, 2023 (in millions):

	2024	2023
Total revenues	\$ 9,022	\$ 8,707

The unaudited supplemental pro forma consolidated revenue gives effect to actual revenues prior to the Carrols Acquisition, adjusted to exclude the elimination of intercompany transactions. Other than the impact of the Step Acquisition Gain and Carrols Acquisition Costs (as discussed above), supplemental pro forma net earnings, assuming the Carrols Acquisition had occurred on January 1, 2023, would not be materially different from the results reported during 2024 and 2023.

The unaudited pro forma information has been prepared for comparative purposes only, in accordance with the acquisition method of accounting, and is not necessarily indicative of the results of operations that would have occurred if the Carrols Acquisition had been completed on the date indicated, nor is it indicative of our future operating results.

Note 4. Earnings per Share

An economic interest in Partnership common equity is held by the holders of Class B exchangeable limited partnership units (the “Partnership exchangeable units”), which is reflected as a noncontrolling interest in our equity. See Note 13, *Shareholders’ Equity*.

Basic and diluted earnings per share is computed using the weighted average number of shares outstanding for the period. We apply the treasury stock method to determine the dilutive weighted average common shares represented by outstanding equity awards, unless the effect of their inclusion is anti-dilutive. The diluted earnings per share calculation assumes conversion of 100% of the Partnership exchangeable units under the “if converted” method. Accordingly, the numerator is also adjusted to include the earnings allocated to the holders of noncontrolling interests.

The following table summarizes the basic and diluted earnings per share calculations (in millions, except per share amounts):

	2024	2023	2022

Amortization expense on intangible assets totaled \$58 million for 2024, \$37 million for 2023, and \$39 million for 2022. The changes in reacquired franchise rights and goodwill balances during 2024 was primarily due to the Carrols Acquisition. Refer to Note 3, *Carrols Acquisition*, for a description of goodwill and intangible assets recognized in connection with the Carrols Acquisition. Additionally, the changes in intangible assets and goodwill balances also reflect the impact of foreign currency translation during 2024.

As of December 31, 2024, the estimated future amortization expense on identifiable assets subject to amortization is as follows (in millions):

Note 7. Equity Method Investments

As discussed in Note 3, *Carrols Acquisition*, prior to May 16, 2024, we owned a 15% equity interest in Carrols, which was accounted for as an equity method investment. In connection with the Carrols Acquisition, we acquired the remaining 85% equity interest in Carrols, resulting in the Step Acquisition Gain. As a result of the Carrols Acquisition, Carrols became a wholly owned consolidated subsidiary beginning on May 16, 2024.

The aggregate carrying amount of our equity method investments was \$113 million and \$163 million as of December 31, 2024 and 2023, respectively, and is included as a component of Other assets, net in our consolidated balance sheets.

Except for the following equity method investments, no quoted market prices are available for our other equity method investments. The aggregate market value of our 9.4% equity interest in Zamp S.A. (formerly BK Brasil Operação e Assessoria a Restaurantes S.A.) based on the quoted market price on December 31, 2024 is approximately \$9 million. The aggregate market value of our 4.2% equity interest in TH International Limited based on the quoted market price on December 31, 2024 was approximately \$5 million. We evaluate declines in the market value of these equity method investments and as a result, during 2022, we recognized an impairment of \$15 million due to a sustained decline in Carrols' share price and market capitalization.

We have equity interests in entities that own or franchise Tim Hortons, Burger King and Popeyes restaurants. Revenues recognized from franchisees that are owned or franchised by entities in which we have an equity interest, including Carrols through May 15, 2024, consist of the following (in millions):

	2024	2023	2022
Revenues from affiliates:			
Royalties	\$ 369	\$ 402	\$ 353

Franchise fees and other revenue	21	21	18
Sales	17	19	18
Total	<u>\$ 456</u>	<u>\$ 553</u>	<u>\$ 491</u>

At December 31, 2024 and 2023, we had \$44 million and \$61 million, respectively, of accounts receivable, net from our equity method investments which were recorded in accounts and notes receivable, net in our consolidated balance sheets.

With respect to our Tim Hortons business, the most significant equity method investment is our 50% joint venture interest with The Wendy's Company (the "TIMWEN Partnership"), which jointly holds real estate underlying Canadian combination restaurants. Distributions received from this joint venture were \$14 million during 2024 and \$13 million during 2023 and 2022.

We recognized rent expense associated with the TIMWEN Partnership of \$21 million during 2024 and 2023 and \$19 million during 2022.

(Income) loss from equity method investments reflects our share of investee net income or loss as well as gains or losses from changes in our ownership interests in equity investees.

In June 2024, we acquired the Popeyes China ("PLK China") business from Tims China ("the PLK China Acquisition"). In addition, Tims China issued us a \$20 million three-year convertible note due June 28, 2027 and a \$5 million three-year convertible note due August 15, 2027, which are included within other assets, net in the consolidated balance sheets as of December 31, 2024.

Credit Facilities

On September 21, 2023, two of our subsidiaries (the “Borrowers”) entered into a seventh amendment (the “7th Amendment”) to the credit agreement governing our senior secured term loan A facility (the “Term Loan A”), our senior secured term loan B facility (the “Term Loan B” and together with the Term Loan A, the “Term Loan Facilities”) and our senior secured revolving credit facility (including revolving loans, swingline loans and letters of credit) (the “Revolving Credit Facility” and together with the Term Loan Facilities, the “Credit Facilities”). Under the 7th Amendment we (i) amended the existing Revolving Credit Facility to increase the availability from \$1,000 million to \$1,250 million and extended the maturity of the facility to September 21, 2028 without changing the leverage-based spread to adjusted SOFR (Secured Overnight Financing Rate); (ii) increased the Term Loan A to \$1,275 million and extended the maturity of the Term Loan A to September 21, 2028 without changing the leverage-based spread to adjusted SOFR; (iii) increased the Term Loan B to \$5,175 million, extended the maturity of the Term Loan B to September 21, 2030, and changed the interest rate applicable to borrowings under our Term Loan B to term SOFR, subject to a floor of 0.00%, plus an applicable margin of 2.25%; and (iv) made certain other changes as set forth therein, including removing the 0.10% adjustment to the term SOFR rate across the facilities and changes to certain covenants to provide increased flexibility. On December 28, 2023, we entered into an eighth amendment (the “8th Amendment” and together with the 7th Amendment, the “2023 Amendments”) to the credit agreement whereby Partnership and its subsidiaries became guarantors, subject to the covenants applicable to the Credit Facilities. The 2023 Amendments made no other material changes to the terms of the credit agreement.

On May 16, 2024, the Borrowers entered into a sixth incremental facility amendment and a ninth amendment (the “First 2024 Amendment”) to the credit agreement governing our Credit Facilities. The First 2024 Amendment increased the existing Term Loan B by \$750 million to \$5,912 million on the same terms as the existing Term Loan B. The First 2024 Amendment also amended the interest rate applicable to the Canadian dollar loans under the credit agreement to be based on Term Canadian Overnight Repo Rate Average (“CORRA”). The security and guarantees under the amended Credit Agreement are the same as those under the existing facilities. The First 2024 Amendment made no other material changes to the terms of the Credit Agreement. The proceeds from the increase in the Term Loan B were used, along with cash on hand, to complete the Carrols Acquisition, the repayment of amounts outstanding under the Carrols’ credit agreement and the redemption and discharge of Carrols’ outstanding senior notes.

On June 17, 2024, the Borrowers entered into a tenth amendment to the credit agreement governing our Credit Facilities (the “Second 2024 Amendment”). The Second 2024 Amendment repriced our Term Loan B from an interest rate equal to the Adjusted Term SOFR plus 2.25% to an interest rate equal to the Adjusted Term SOFR Rate plus 1.75% and reduced the outstanding principal amount of the Term Loan B facility from \$5,912 million to \$4,750 million using a portion of the net proceeds from the issuance of the 6.125% First Lien Senior Notes due 2029 (defined below). There were no changes to the maturity of the Term Loan B following this repricing and all other terms are substantially unchanged.

As of December 31, 2024, the interest rate applicable to the Term Loan A and Revolving Credit Facility is, at our option, either (a) a base rate, subject to a floor of 1.00%, plus an applicable margin varying from 0.00% to 0.50%, or (b) term SOFR, subject to a floor of 0.00%, plus an applicable margin varying between 0.75% and 1.50%, in each case, determined by reference to a net first lien leverage-based pricing grid. The commitment fee on the unused portion of the Revolving Credit Facility is 0.15%. As of December 31, 2024, the interest rate on the Term Loan A was 5.61%. The principal amount of the Term Loan A amortizes in quarterly installments equal to \$8 million beginning March 31, 2025 and \$16 million beginning March 31, 2027 until maturity, with the balance payable at maturity.

As of December 31, 2024, the interest rate applicable to the Term Loan B is, at our option, either (a) a base rate, subject to a floor of 1.00%, plus an applicable margin of 0.75%, or (b) term SOFR, subject to a floor of 0.00%, plus an applicable margin of 1.75%. As of December 31, 2024, the interest rate on the Term Loan B was 6.11%. The principal amount of the Term Loan B amortizes in quarterly installments equal to \$12 million until maturity, with the balance payable at maturity.

Revolving Credit Facility

As of December 31, 2024, we had no amounts outstanding under our Revolving Credit Facility. Funds available under the Revolving Credit Facility may be used to repay other debt, finance debt or share repurchases, to fund acquisitions or capital expenditures and for other general corporate purposes. We have a \$125 million letter of credit sublimit as part of the Revolving Credit Facility, which reduces our borrowing availability thereunder by the cumulative amount of outstanding letters of credit. The interest rate applicable to amounts drawn under each letter of credit is 0.75% to 1.50%, depending on our net first lien leverage ratio. As of December 31, 2024, we had \$2 million of letters of credit issued against the Revolving Credit Facility, and our borrowing availability was \$1,248 million.

Obligations under the Credit Facilities are guaranteed on a senior secured basis, jointly and severally, by the Partnership and substantially all of its Canadian and U.S. subsidiaries, including The TDL Group Corp., Burger King Company LLC, Popeyes Louisiana Kitchen, Inc., FRG, LLC and substantially all of their respective Canadian and U.S. subsidiaries (the “Guarantors”). Amounts borrowed under the Credit Facilities are secured on a first priority basis by a perfected security interest in substantially all of the present and future property (subject to certain exceptions) of each Borrower and the Guarantors.

Restrictions and Covenants

Our Credit Facilities, as well as the 3.875% First Lien Senior Notes Indenture, 3.50% First Lien Senior Notes Indenture, 6.125% First Lien Senior Notes, 5.625% First Lien Senior Notes, 4.375% Second Lien Senior Notes Indenture and 4.00% Second Lien Senior Notes Indenture (all together the “Senior Notes Indentures”) contain a number of customary affirmative and negative covenants that, among other things, limit or restrict our ability and the ability of certain of our subsidiaries to: incur additional indebtedness; incur liens; engage in mergers, consolidations, liquidations and dissolutions; sell assets; pay dividends and make other payments in respect of capital stock; make investments, loans and advances; pay or modify the terms of certain indebtedness; and engage in certain transactions with affiliates. In addition, under the Credit Facilities, the Borrowers are not permitted to exceed a first lien senior secured leverage ratio of 6.50 to 1.00 when, as of the end of any fiscal quarter beginning with the first fiscal quarter of 2020, (1) any amounts are outstanding under the Term Loan A and/or (2) the sum of (i) the amount of letters of credit outstanding exceeding \$50 million (other than those that are cash collateralized); (ii) outstanding amounts under the Revolving Credit Facility and (iii) outstanding amounts of swing line loans, exceeds 30.0% of the commitments under the Revolving Credit Facility.

The restrictions under the Credit Facilities and the Senior Notes Indentures have resulted in substantially all of our consolidated assets being restricted.

As of December 31, 2024, we were in compliance with applicable financial debt covenants under the Credit Facilities and the Senior Notes Indentures and there were no limitations on our ability to draw on the remaining availability under our Revolving Credit Facility.

TH Facility

One of our subsidiaries entered into a non-revolving delayed drawdown term credit facility in a total aggregate principal amount of C\$225 million with a maturity date of October 4, 2025 (the “TH Facility”). Prior to June 30, 2024, the interest rate applicable to the TH Facility was the Canadian Bankers’ Acceptance rate plus an applicable margin equal to 1.40% or the Prime Rate plus an applicable margin equal to 0.40%, at our option. Beginning July 1, 2024, the interest rate applicable to the TH Facility is the Adjusted Term CORRA rate plus an applicable margin equal to 1.40% or the Prime Rate plus an applicable margin equal to 0.40%, at our option. Obligations under the TH Facility are guaranteed by three of our subsidiaries, and amounts borrowed under the TH Facility are secured by certain parcels of real estate. As of December 31, 2024, we had approximately C\$154 million outstanding under the TH Facility with a weighted average interest rate of 5.37%.

Debt Issuance Costs

During 2024, we incurred aggregate deferred financing costs of \$41 million in connection with the First 2024 Amendment, the Second 2024 Amendment, the issuance of the 6.125% First Lien Senior Notes due 2029 and the issuance of the 5.625% First Lien Senior Notes due 2029. During 2023, we incurred aggregate deferred financing costs of \$44 million in connection with the 7th Amendment. We did not incur any significant deferred financing costs during 2022.

Loss on Early Extinguishment of Debt

During 2024, we recorded a \$33 million loss on early extinguishment of debt that primarily reflects expensing of fees and the write-off of unamortized debt issuance costs in connection with various amendments to our credit agreement and the full redemption of our outstanding 5.750% first lien senior notes due 2025. During 2023, we recorded a \$16 million loss on early extinguishment of debt that primarily reflects expensing of fees in connection with the 7th Amendment and the write-off of unamortized debt issuance costs.

Note 10. Leases

As of December 31, 2024, we leased or subleased approximately 4,600 restaurant properties to franchisees under operating leases, direct financing leases and sales-type leases where we are the lessor. Initial lease terms generally range from 10 to 20 years. Most leases to franchisees provide for fixed monthly payments and many provide for future rent escalations and renewal options. Certain leases also include provisions for variable rent, determined as a percentage of sales, generally when annual sales exceed specific levels. Lessees typically bear the cost of maintenance, insurance and property taxes.

We lease land, buildings, equipment, office space and warehouse space from third parties. Land and building leases generally have an initial term of 10 to 20 years, while land-only lease terms can extend longer, and most leases provide for fixed monthly payments. Many of these leases provide for future rent escalations and renewal options. Certain leases also include provisions for variable rent payments, determined as a percentage of sales, generally when annual sales exceed specified levels. Most leases also obligate us to pay, as lessee, variable lease cost related to maintenance, insurance and property taxes.

We are generally permanently reinvested on any potential outside basis differences except for unremitted earnings and profits and thus do not record a deferred tax liability for such outside basis differences. To the extent of unremitted earnings and profits, we generally review various factors including, but not limited to, forecasts and budgets of financial needs of cash for working capital, liquidity and expected cash requirements to fund our various obligations and record deferred taxes to the extent we expect to distribute.

We had \$44 million and \$58 million of unrecognized tax benefits at December 31, 2024 and December 31, 2023, respectively, which if recognized, would favorably affect the effective income tax rate. A reconciliation of the beginning and ending amounts of unrecognized tax benefits is as follows (in millions):

	2024	2023	2022

Ending balance	<u>\$ 44</u>	<u>\$ 58</u>	<u>\$ 139</u>

Although the timing of the resolution, settlement, and closure of any audits is highly uncertain, it is reasonably possible that the balance of gross unrecognized tax benefits could significantly change in the next 12 months. We do not expect to reduce unrecognized tax benefits during the twelve months beginning January 1, 2025.

We recognize interest and penalties related to unrecognized tax benefits in income tax expense. The total amount of accrued interest and penalties was \$12 million and \$11 million at December 31, 2024 and 2023, respectively. Potential interest and penalties associated with uncertain tax positions in various jurisdictions recognized was \$3 million during 2024, \$4 million during 2023 and \$3

million during 2022. To the extent interest and penalties are not assessed with respect to uncertain tax positions, amounts accrued will be reduced and reflected as a reduction of the overall income tax provision.

We file income tax returns with Canada and its provinces and territories. Generally, we are subject to routine examinations by the Canada Revenue Agency (“CRA”). The CRA is conducting examinations of the 2015 through 2020 taxation years. Additionally, income tax returns filed with various provincial jurisdictions are generally open to examination for periods up to six years subsequent to the filing and assessment of the respective return.

We also file income tax returns, including returns for our subsidiaries, with U.S. federal, U.S. state, and other foreign jurisdictions. We are subject to routine examination by taxing authorities in the U.S. jurisdictions, as well as other foreign tax jurisdictions. Taxable years of such U.S. companies are closed through 2020 for U.S. federal income tax purposes. We have various U.S. federal, state and other foreign income tax returns in the process of examination. From time to time, these audits result in proposed assessments where the ultimate resolution may result in owing additional taxes. We believe that our tax positions comply with applicable tax law and that we have adequately provided for these matters.

Note 12. Derivative Instruments

Disclosures about Derivative Instruments and Hedging Activities

We enter into derivative instruments for risk management purposes, including derivatives designated as cash flow hedges and derivatives designated as net investment hedges. We use derivatives to manage our exposure to fluctuations in interest rates and currency exchange rates.

Interest Rate Swaps

At December 31, 2024, we had outstanding receive-variable, pay-fixed interest rate swaps with a total notional value of \$3,500 million to hedge the variability in the interest payments on a portion of our Term Loan Facilities, including any subsequent refinancing or replacement of the Term Loan Facilities, beginning August 31, 2021 through the termination date of October 31, 2028. Additionally, at December 31, 2024, we also had outstanding receive-variable, pay-fixed interest rate swaps with a total notional value of \$500 million to hedge the variability in the interest payments on a portion of our Term Loan Facilities effective September 30, 2019 through the termination date of September 30, 2026. Following the discontinuance of the U.S. dollar LIBOR after June 30, 2023, the interest rate on all these interest rate swaps transitioned from LIBOR to SOFR, with no impact to hedge effectiveness and no change in accounting treatment as a result of applicable accounting relief guidance for the transition away from LIBOR. At inception, all of these interest rate swaps were designated as cash flow hedges for hedge accounting. The unrealized changes in market value are recorded in AOCI, net of tax, and reclassified into interest expense during the period in which the hedged forecasted transaction affects earnings.

In connection with the Carrols Acquisition, we assumed a receive-variable, pay-fixed interest rate swap utilizing SOFR as the benchmark interest rate with a total notional value of \$120 million to hedge the variability in the interest payments on a portion of our Term Loan Facilities, including any subsequent refinancing or replacement of the Term Loan Facilities, through the termination date of February 28, 2025. This interest rate swap is designated as a cash flow hedge for hedge accounting and the unrealized changes in market value are recorded in AOCI, net of tax, and reclassified into interest expense during the period in which the hedged forecasted transaction affects earnings.

At December 31, 2024, the net amount of pre-tax gains that we expect to be reclassified from AOCI into interest expense within the next 12 months is \$89 million.

Cross-Currency Rate Swaps

To protect the value of our investments in our foreign operations against adverse changes in foreign currency exchange rates, we hedge a portion of our net investment in one or more of our foreign subsidiaries by using cross-currency rate swaps. At December 31, 2024, we had outstanding cross-currency rate swap contracts between the Canadian dollar and U.S. dollar and the euro and U.S. dollar that have been designated as net investment hedges of a portion of our equity in foreign operations in those currencies. The component of the gains and losses on our net investment in these designated foreign operations driven by changes in foreign exchange rates are economically partly offset by movements in the fair value of our cross-currency swap contracts. The fair value of the swaps is calculated each period with changes in fair value reported in AOCI, net of tax. Such amounts will remain in AOCI until the complete or substantially complete liquidation of our investment in the underlying foreign operations.

Table of Contents

At December 31, 2024, we had outstanding cross-currency rate swaps in which we receive quarterly fixed-rate interest payments on the U.S. dollar notional value of \$5,700 million to partially hedge the net investment in our Canadian subsidiaries. In November 2024, we restructured \$5,000 million of cross-currency rate swaps, of which \$1,950 million have a maturity of September 30, 2028, \$1,400 million have a maturity of October 31, 2029 and \$1,650 million have a maturity of October 31, 2030. The restructure resulted in a re-designation of the hedge and the swaps continue to be accounted for as a net investment hedge. Additionally, in November 2024 we entered into cross-currency rate swaps in which we receive quarterly fixed-rate interest payments on the U.S. dollar notional value of \$700 million through the maturity date of October 31, 2027 ("incremental swaps"). At inception, these cross-currency rate swaps were designated as a hedge and are accounted for as a net investment hedge. Excluding the incremental swaps, at all times during 2024, 2023, and 2022, we have had \$5,000 million of notional amount of cross-currency rate swaps between the Canadian dollar and U.S. dollar designated as hedges.

During 2022, we de-designated existing cross-currency rate swap hedges between the Canadian dollar and U.S. dollar with a total notional amount of \$5,000 million for hedge accounting. As a result of these de-designations, changes in fair value of these undesignated hedges were recognized in earnings. Concurrently with these de-designations and to offset the changes in fair value recognized in earnings, we entered into off-setting cross-currency rate swaps, with a total notional amount of \$5,000 million, that were not designated as a hedge for hedge accounting and as such changes in fair value were recognized in earnings. The balances in AOCI associated with the de-designated cross-currency rate swaps will remain in AOCI and will only be reclassified into earnings if and when the net investment in our Canadian subsidiaries is sold or substantially sold. The entire notional amount of the de-designated cross-currency rate swaps and the off-setting cross-currency rate swaps were cash settled during 2022 for approximately \$35 million in net proceeds and included within investing activities in the consolidated statements of cash flows.

At December 31, 2024, we had outstanding cross-currency rate swap contracts between the euro and U.S. dollar in which we receive quarterly fixed-rate interest payments on the U.S. dollar aggregate amount of \$2,750 million, of which \$1,400 million were entered during 2023 and have a maturity date of October 31, 2026, \$1,200 million were entered during 2023 and have a maturity date of November 30, 2028, and \$150 million were entered during 2021 and have a maturity date of October 31, 2028. At inception, these cross-currency rate swaps were designated and continue to be hedges and are accounted for as net investment hedges. The cross-currency rate swaps that were entered during 2023 replaced our previously existing cross-currency rate swaps with a total notional value of \$2,100 million that were settled in 2023 as detailed below.

During 2023, we settled our previously existing cross-currency rate swaps in which we paid quarterly fixed-rate interest payments on the euro notional amount of €1,108 million and received quarterly fixed-rate interest payments on the U.S. dollar notional amount of \$1,200 million and an original maturity date of February 17, 2024. During 2023, we also settled our previously existing cross-currency rate swap contracts between the euro and U.S. dollar with a notional value of \$900 million and an original maturity date of February 17, 2024. In connection with these settlements, we received \$69 million in cash which is included within investing activities in the consolidated statements of cash flows.

In connection with the cross-currency rate swaps hedging Canadian dollar and euro net investments, we utilize the spot method to exclude the interest component (the "Excluded Component") from the accounting hedge without affecting net investment hedge accounting and amortize the Excluded Component over the life of the derivative instrument. The amortization of the Excluded Component is recognized in Interest expense, net in the consolidated statements of operations. The change in fair value that is not related to the Excluded Component is recorded in AOCI and will be reclassified to earnings when the foreign subsidiaries are sold or substantially liquidated.

Foreign Currency Exchange Contracts

We use foreign exchange derivative instruments to manage the impact of foreign exchange fluctuations on U.S. dollar purchases and payments, such as coffee purchases made by our Canadian Tim Hortons operations. At December 31, 2024, we had outstanding forward currency contracts to manage this risk in which we sell Canadian dollars and buy U.S. dollars with a notional value of \$169 million with maturities to January 15, 2026. We have designated these instruments as cash flow hedges, and as such, the unrealized changes in market value of effective hedges are recorded in AOCI and are reclassified into earnings during the period in which the hedged forecasted transaction affects earnings.

Credit Risk

By entering into derivative contracts, we are exposed to counterparty credit risk. Counterparty credit risk is the failure of the counterparty to perform under the terms of the derivative contract. When the fair value of a derivative contract is in an asset position, the counterparty has a liability to us, which creates credit risk for us. We attempt to minimize this risk by selecting counterparties with investment grade credit ratings and regularly monitoring our market position with each counterparty.

Note 13. Shareholders' Equity

Special Voting Share

The holders of the Partnership exchangeable units are indirectly entitled to vote in respect of matters on which holders of the common shares of the Company are entitled to vote, including in respect of the election of RBI directors, through a special voting share of the Company (the "Special Voting Share"). The Special Voting Share is held by a trustee, entitling the trustee to that number of votes on matters on which holders of common shares of the Company are entitled to vote equal to the number of Partnership exchangeable units outstanding. The trustee is required to cast such votes in accordance with voting instructions provided by holders of Partnership exchangeable units. At any shareholder meeting of the Company, holders of our common shares vote together as a single class with the Special Voting Share except as otherwise provided by law.

Noncontrolling Interests

We reflect a noncontrolling interest which primarily represents the interests of the holders of Partnership exchangeable units in Partnership that are not held by RBI. The holders of Partnership exchangeable units held an economic interest of approximately 28.1% and 29.9% in Partnership common equity through the ownership of 127,038,577 and 133,597,764 Partnership exchangeable units as of December 31, 2024 and 2023, respectively.

Pursuant to the terms of the partnership agreement, each holder of a Partnership exchangeable unit is entitled to distributions from Partnership in an amount equal to any dividends or distributions that we declare and pay with respect to our common shares. Additionally, each holder of a Partnership exchangeable unit is entitled to vote in respect of matters on which holders of RBI common shares are entitled to vote through our special voting share. A holder of a Partnership exchangeable unit may require Partnership to exchange all or any portion of such holder's Partnership exchangeable units for our common shares at a ratio of one common share for each Partnership exchangeable unit, subject to our right as the general partner of Partnership, in our sole discretion, to deliver a cash payment in lieu of our common shares. If we elect to make a cash payment in lieu of issuing common shares, the amount of the payment will be the weighted average trading price of the common shares on the New York Stock Exchange for the 20 consecutive trading days ending on the last business day prior to the exchange date.

Pursuant to exchange notices received, Partnership exchanged 6,559,187, 9,398,876 and 1,996,818 Partnership exchangeable units in 2024, 2023 and 2022, respectively. In accordance with the terms of the partnership agreement, Partnership satisfied the exchange notices by exchanging these Partnership exchangeable units for the same number of newly issued RBI common shares and each such Partnership exchangeable unit was cancelled concurrently with the exchange. Partnership exchangeable units exchanged for RBI common shares subsequent to December 31, 2023 also result in the issuance of additional Partnership Class A common units to RBI in an amount equal to the number of RBI common shares exchanged. The exchanges represented increases in our ownership interest in Partnership and were accounted for as equity transactions, with no gain or loss recorded in the consolidated statements of operations.

Share Repurchases

On August 31, 2023, our board of directors approved a share repurchase program that allows us to purchase up to \$1,000 million of our common shares until September 30, 2025. This approval follows the expiration of our prior two-year authorization to repurchase up to \$1,000 million amount of our common shares. During 2024, we did not repurchase any of our common shares. During 2023, we repurchased and cancelled 7,639,137 common shares for \$500 million. During 2022, we repurchased and cancelled 6,101,364 common shares for \$326 million. As of December 31, 2024, we had \$500 million remaining under the authorization.

Note 14. Share-based Compensation

We are currently issuing awards under the 2023 Omnibus Incentive Plan (the “2023 Plan”) and the number of shares available for issuance under such plan as of December 31, 2024 was 13,641,631. The 2023 Plan permits the grant of several types of awards with respect to our common shares, including stock options, time-vested RSUs, and performance-based RSUs, which may include Company, S&P 500 Index and/or individual performance based-vesting conditions.

We also have some outstanding awards under legacy plans for Burger King and Tim Hortons, which were assumed in connection with the merger and amalgamation of those entities within the RBI group. No new awards may be granted under our Amended and Restated 2014 Omnibus Incentive Plan as amended that preceded the 2023 Plan or these legacy Burger King or legacy Tim Hortons plans.

Share-based compensation expense is generally classified as general and administrative expenses in the consolidated statements of operations and consists of the following for the periods presented (in millions):

	2024	2023	2022
Total share-based compensation expense	\$ 161	\$ 177	\$ 121

As of December 31, 2024, total unrecognized compensation cost related to share-based compensation arrangements was \$218 million and is expected to be recognized over a weighted-average period of approximately 2.5 years.

Restricted Stock Units

RSUs are generally entitled to dividend equivalents, which are not distributed unless the related awards vest. Upon vesting, the amount of the dividend equivalent, which is distributed in additional RSUs, except in the case of RSUs awarded to non-management members of our board of directors, is equal to the equivalent of the aggregate dividends declared on common shares during the period from the date of grant of the award compounded until the date the shares underlying the award are delivered. RBI grants fully vested RSUs, with dividend equivalent rights that accrue in cash, to non-employee members of its board of directors in lieu of a cash retainer and committee fees. All such RSUs will settle and common shares of RBI will be issued following termination of service by the board member.

Starting in 2021, grants of time-vested RSUs generally vest 25% per year on December 15th or 31st over four years from the grant date and performance-based RSUs generally cliff vest three years from the grant date (the starting date for the applicable vesting period is referred to as the “Anniversary Date”). Time-vested RSUs and performance-based RSUs awarded prior to 2021 generally cliff vest five years from the original grant date.

During 2022, RBI granted performance-based RSUs that cliff vest three years from the original grant date based on achievement of performance metrics with a multiplier that can increase or decrease the amount vested based on the achievement of contractually defined relative total shareholder return targets with respect to the S&P 500 Index. Performance-based RSUs granted in 2021, 2023 and 2024 cliff vest three years from the original grant date based solely on defined relative total shareholder return targets with respect to the S&P 500 Index. Performance-based RSUs granted to the CEO in 2023 cliff vest five years from the date of grant and may be earned from 50% for threshold performance to 200% for maximum performance, based on meeting performance targets tied to the appreciation of the price of RBI common shares, with none of the award being earned if the threshold is not met. The respective fair value of these performance-based RSU awards was based on a Monte Carlo Simulation valuation model and these market condition awards are expensed over the vesting period. The total fair value of performance-based RSUs that solely have a performance condition relative to the S&P 500 Index does not change regardless of the value that the award recipients ultimately receive.

For grants of time-vested RSUs, if the employee is terminated for any reason prior to any vesting date, the employee will forfeit all of the RSUs that are unvested at the time of termination. For grants of performance-based RSUs beginning in 2021, if the employee is terminated within the first two years of the Anniversary Date, 100% of the performance-based RSUs will be forfeited. If we terminate the employment of a performance-based RSU holder without cause at least two years after the grant date, or if the employee retires, the employee will become vested in 67% of the performance-based RSUs that are earned based on the performance criteria.

An alternate ratable vesting schedule applies to the extent the participant ends employment by reason of death or disability.

Chairman Awards

In connection with the appointment of the Executive Chairman in November 2022, RBI made one-time grants of options, RSUs and performance-based RSUs with specific terms and conditions. RBI granted 2,000,000 options with an exercise price equal to the closing price of RBI common shares on the trading day preceding the date of grant that cliff vest five years from the date of grant and expire after ten years. RBI granted 500,000 RSUs that vest ratably over five years on the anniversary of the grant date. Lastly, RBI granted 750,000 performance-based RSUs that cliff vest five and a half years from the date of grant and may be earned from 50% for threshold performance to 200% for maximum performance, based on meeting performance targets tied to the appreciation of the price of RBI common shares, with none of the award being earned if the threshold is not met. The respective fair value of these performance-based RSU awards was based on a Monte Carlo Simulation valuation model and these market condition awards are expensed over the vesting period regardless of the value that the award recipient ultimately receives.

Restricted Stock Units Activity

The following is a summary of time-vested RSUs and performance-based RSUs activity for the year ended December 31, 2024:

	Time-vested RSUs		Performance-based RSUs	
	Total Number of Shares (in 000's)	Weighted Average Grant Date Fair Value	Total Number of Shares (in 000's)	Weighted Average Grant Date Fair Value

Outstanding at December 31, 2024	2,359	\$ 62.74	5,816	\$ 57.04

The weighted-average grant date fair value of time-vested RSUs granted was \$68.40 and \$57.24 during 2023 and 2022, respectively. The weighted-average grant date fair value of performance-based RSUs granted was \$59.66 and \$51.31 during 2023 and 2022, respectively. The total fair value, determined as of the date of vesting, of RSUs vested and converted to RBI common shares during 2024, 2023 and 2022 was \$271 million, \$141 million and \$58 million, respectively.

Stock Options

RBI satisfies stock option exercises through the issuance of authorized but previously unissued common shares. Stock option grants generally cliff vest 5 years from the original grant date, provided the employee is continuously employed by us or one of our affiliates, and the stock options expire 10 years following the grant date. Additionally, if we terminate the employment of a stock option holder without cause prior to the vesting date, or if the employee retires or becomes disabled, the employee will become vested in the number of stock options as if the stock options vested 20% on each anniversary of the grant date. If the employee dies, the employee will become vested in the number of stock options as if the stock options vested 20% on the first anniversary of the grant date, 40% on the second anniversary of the grant date and 100% on the third anniversary of the grant date. If an employee is terminated with cause or resigns before vesting, all stock options are forfeited. If there is an event such as a return of capital or dividend that is determined to be dilutive, the exercise price of the awards will be adjusted accordingly.

The following assumptions were used in the Black-Scholes option-pricing model to determine the fair value of stock option awards granted in 2022 at the grant date. There were no significant stock option awards granted in 2024 or 2023.

	2022
Risk-free interest rate	3.92%
Expected term (in years)	7.50
Expected volatility	30.0%
Expected dividend yield	3.24%

The risk-free interest rate was based on the U.S. Treasury or Canadian Sovereign bond yield with a remaining term equal to the expected option life assumed at the date of grant. The expected term was calculated based on the analysis of a five-year vesting period coupled with our expectations of exercise activity. Expected volatility was based on the historical and implied equity volatility of RBI. The expected dividend yield is based on the annual dividend yield at the time of grant.

Note 15. Revenue Recognition

Contract Liabilities

Contract liabilities consist of deferred revenue resulting from initial and renewal franchise fees paid by franchisees, as well as upfront fees paid by master franchisees, which are generally recognized on a straight-line basis over the term of the underlying agreement. We may recognize unamortized franchise fees and upfront fees when a contract with a franchisee or master franchisee is modified and is accounted for as a termination of the existing contract. We classify these contract liabilities as Other liabilities, net in our consolidated balance sheets. The following table reflects the change in contract liabilities on a consolidated basis between December 31, 2023 and December 31, 2024 (in millions):

Contract Liabilities

Note 16. Other Operating Expenses (Income), net

Other operating expenses (income), net, consist of the following (in millions):

	2024	2023	2022
Net losses (gains) on disposal of assets, restaurant closures and refranchisings	\$ 3	\$ 16	\$ 4

Other operating expenses (income), net	\$ (59)	\$ 55	\$ 25

Net losses (gains) on disposal of assets, restaurant closures, and refranchisings represent sales of properties and other costs related to restaurant closures and refranchisings. Gains and losses recognized in the current period may reflect certain costs related to closures and refranchisings that occurred in previous periods. The amount for 2023 includes asset write-offs and related costs in connection with the discontinuance of an internally developed software project.

Litigation settlements and reserves, net primarily reflects accruals and payments made and proceeds received in connection with litigation and arbitration matters and other business disputes.

Net losses (gains) on foreign exchange consist of remeasurement of foreign denominated assets and liabilities, primarily intercompany financing.

Other, net for 2023 and 2022 are primarily related to payments in connection with FHS area representative buyouts.

Note 17. Commitments and Contingencies
Letters of Credit

As of December 31, 2024, we had \$24 million in irrevocable standby letters of credit outstanding, which were issued primarily to certain insurance carriers to guarantee payments of deductibles for various insurance programs, such as health and commercial liability insurance. Of these letters of credit outstanding, \$2 million are secured by the collateral under our Revolving Credit Facility and the remainder are secured by cash collateral. As of December 31, 2024, no amounts had been drawn on any of these irrevocable standby letters of credit.

Purchase Commitments

As of December 31, 2024, we have arrangements for information technology and telecommunication services with an aggregate contractual obligation of \$84 million over the next five years, some of which have early termination fees and commitments to purchase advertising which totaled \$192 million, most of which is due within the next 12 months. We also entered into commitments to purchase beverage and restaurant equipment which totaled \$23 million over the next four years.

Litigation

From time to time, we are involved in legal proceedings arising in the ordinary course of business relating to matters including, but not limited to, disputes with franchisees, suppliers, employees and customers, as well as disputes over our intellectual property.

On October 5, 2018, a class action complaint was filed against Burger King Worldwide, Inc. (“BKW”) and Burger King Company, successor in interest, (“BKC”) in the U.S. District Court for the Southern District of Florida by Jarvis Arrington, individually and on behalf of all others similarly situated. On October 18, 2018, a second class action complaint was filed against RBI, BKW and BKC in the U.S. District Court for the Southern District of Florida by Monique Michel, individually and on behalf of all others similarly situated. On October 31, 2018, a third class action complaint was filed against BKC and BKW in the U.S. District Court for the Southern District of Florida by Geneva Blanchard and Tiffany Miller, individually and on behalf of all others similarly situated. On November 2, 2018, a fourth class action complaint was filed against RBI, BKW and BKC in the U.S. District Court for the Southern District of Florida by Sandra Munster, individually and on behalf of all others similarly situated. These complaints have been consolidated and allege that the defendants violated Section 1 of the Sherman Act by incorporating an employee no-solicitation and no-hiring clause in the standard form franchise agreement all Burger King franchisees are required to sign. Each plaintiff seeks injunctive relief and damages for himself or herself and other members of the class. On March 24, 2020, the Court granted BKC’s motion to dismiss for failure to state a claim and on April 20, 2020 the plaintiffs filed a motion for leave to amend their complaint. On April 27, 2020, BKC filed a motion opposing the motion for leave to amend. The court denied the plaintiffs motion for leave to amend their complaint in August 2020 and the plaintiffs appealed this ruling. In August 2022, the federal appellate court reversed the lower court's decision to dismiss the case and remanded the case to the lower court for further proceedings. While we intend to vigorously defend these claims, we are unable to predict the ultimate outcome of this case or estimate the range of possible loss, if any.

On October 7, 2024, purported former shareholders of Carrols filed a complaint in the Court of Chancery of the State of Delaware against RBI and two individuals that were on the board of Carrols. The complaint alleges claims for breach of fiduciary duty by RBI, as a purported controlling shareholder of Carrols, and unjust enrichment by RBI in connection with the acquisition of Carrols, as well as claims for breaches of fiduciary duty by the two individual directors. The complaint generally alleges that RBI coerced Carrols into the transaction, and that the two directors failed to disclose that their interests differed from the interests of other Carrols shareholders, and that the two directors were not independent from RBI. The complaint seeks equitable relief, damages and fees and expenses. We filed a motion to dismiss in December 2024 and the plaintiffs filed an amended complaint in February 2025. We intend to vigorously defend these claims, however, we are unable to predict the ultimate outcome of this case or estimate the range of possible loss, if any.

Note 18. Segment Reporting and Geographical Information

As stated in Note 1, *Description of Business and Organization*, we manage four brands: *Tim Hortons*, *Burger King*, *Popeyes* and *Firehouse Subs*.

Our management structure and information regularly reviewed by our Chief Executive Officer, who is our Chief Operating Decision Maker (“CODM”), reflects five operating and reportable segments that reflect our franchisor operations consistent with how the business will be managed long-term. Additionally, following the Carrols Acquisition and PLK China Acquisition in the second quarter of 2024, we established a sixth operating and reportable segment, which includes results from the Burger King restaurants acquired as part of the Carrols Acquisition and the PLK China restaurants and will include results from Firehouse Subs Brazil (“FHS Brazil”) beginning in 2025, to reflect the manner in which our CODM manages and assesses performance of these acquired businesses. As a result, our six operating and reportable segments consist of the following:

1. Tim Hortons – operations of our Tim Hortons brand in Canada and the U.S. (“TH”);
2. Burger King – operations of our Burger King brand in the U.S. and Canada, excluding results of Burger King restaurants acquired as part of the Carrols Acquisition, included in our RH segment (defined below) (“BK”);
3. Popeyes Louisiana Kitchen – operations of our Popeyes brand in the U.S. and Canada (“PLK”);
4. Firehouse Subs – operations of our Firehouse Subs brand in the U.S. and Canada (“FHS”);
5. International – operations of each of our brands outside the U.S. and Canada, excluding results of PLK China and FHS Brazil restaurants included in our RH segment (“INTL”); and
6. Restaurant Holdings – operations of Burger King restaurants acquired as part of the Carrols Acquisition and the operations of PLK China and FHS Brazil restaurants (“RH”).

Our measure of segment income is Adjusted Operating Income which represents income from operations adjusted to exclude (i) franchise agreement and reacquired franchise right intangible asset amortization as a result of acquisition accounting, (ii) (income) loss from equity method investments, net of cash distributions received from equity method investments, (iii) other operating expenses (income), net and, (iv) income/expenses from non-recurring projects and non-operating activities. For the periods referenced, income/expenses from non-recurring projects and non-operating activities included (i) non-recurring fees and expenses incurred in connection with the Carrols Acquisition and the PLK China Acquisition consisting primarily of professional fees, compensation-related expenses and integration costs (“RH Transaction costs”); (ii) non-recurring fees and expense incurred in connection with the acquisition of Firehouse Subs consisting primarily of professional fees, compensation-related expenses and integration costs (“FHS Transaction costs”); and (iii) non-operating costs from professional advisory and consulting services associated with certain transformational corporate restructuring initiatives that rationalize our structure and optimize cash movements as well as services related to significant tax reform legislation and regulations (“Corporate restructuring and advisory fees”).

The following tables present total segment revenues, significant segment expenses that are regularly reviewed by the CODM to manage and assess segment performance and segment income, as well as depreciation and amortization, (income) loss from equity method investments, and capital expenditures by segment (in millions). For the periods referenced, segment franchise and property expenses (“Segment F&P expenses”) for each segment excludes franchise agreement and reacquired franchise rights amortization and Segment G&A for each segment excludes RH Transaction costs, FHS Transaction costs and Corporate restructuring and advisory fees (each as defined below). For segment reporting purposes, capital expenditures include payments for additions of property and equipment during the period, as well as the change in accruals for additions of property and equipment since the prior period. For 2024, capital expenditures for RH excludes \$7 million of accruals for additions of property and equipment assumed in connection with the Carrols Acquisition.

Management's Report on Internal Control Over Financial Reporting

Management of Restaurant Brands International Inc. ("RBI"), the sole general partner of Restaurant Brands International Limited Partnership (the "Partnership"), is responsible for the preparation, integrity and fair presentation of the consolidated financial statements, related notes and other information included in this annual report. The consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America and include certain amounts based on management's estimates and assumptions. Other financial information presented in the annual report is derived from the consolidated financial statements.

Management is also responsible for establishing and maintaining adequate internal control over financial reporting, and for performing an assessment of the effectiveness of internal control over financial reporting as of December 31, 2024. Internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. Our system of internal control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of Partnership; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of Partnership are being made only in accordance with authorizations of management and directors of RBI; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of Partnership's assets that could have a material effect on the consolidated financial statements.

Management performed an assessment of the effectiveness of Partnership's internal control over financial reporting as of December 31, 2024 based on criteria established in *Internal Control — Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO). Based on our assessment and those criteria, management determined that Partnership's internal control over financial reporting was effective as of December 31, 2024.

The scope of management's assessment of the effectiveness of Partnership's internal control over financial reporting included all Partnership's consolidated operations except for the operations of Carrols Restaurant Group Inc., which Partnership acquired in May 2024. Carrols Restaurant Group Inc. operations represented \$1,988 million of Partnership's consolidated total assets and \$1,171 million of Partnership's consolidated total revenues as of and for the year ended December 31, 2024.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

The effectiveness of Partnership's internal control over financial reporting as of December 31, 2024 has been audited by KPMG LLP, Partnership's independent registered public accounting firm, as stated in its report which is included herein.

Report of Independent Registered Public Accounting Firm

To the Partners, Restaurant Brands International Limited Partnership, and Board of Directors,
Restaurant Brands International Inc., the sole general partner of Restaurant Brands International Limited Partnership:

Opinion on the Consolidated Financial Statements

We have audited the accompanying consolidated balance sheets of Restaurant Brands International Limited Partnership and subsidiaries (the Partnership) as of December 31, 2024 and 2023, the related consolidated statements of operations, comprehensive income (loss), equity, and cash flows for each of the years in the three-year period ended December 31, 2024, and the related notes (collectively, the consolidated financial statements). In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Partnership as of December 31, 2024 and 2023, and the results of its operations and its cash flows for each of the years in the three-year period ended December 31, 2024, in conformity with U.S. generally accepted accounting principles.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the Partnership's internal control over financial reporting as of December 31, 2024, based on criteria established in *Internal Control - Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission, and our report dated February 21, 2025 expressed an unqualified opinion on the effectiveness of the Partnership's internal control over financial reporting.

Basis for Opinion

These consolidated financial statements are the responsibility of the Partnership's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Partnership in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the consolidated financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. We believe that our audits provide a reasonable basis for our opinion.

Critical Audit Matters

The critical audit matters communicated below are matters arising from the current period audit of the consolidated financial statements that were communicated or required to be communicated to the audit committee and that: (1) relate to accounts or disclosures that are material to the consolidated financial statements and (2) involved our especially challenging, subjective, or complex judgments. The communication of critical audit matters does not alter in any way our opinion on the consolidated financial statements, taken as a whole, and we are not, by communicating the critical audit matters below, providing separate opinions on the critical audit matters or on the accounts or disclosures to which they relate.

Fair value of operating lease assets, lease liabilities and reacquired franchise rights acquired in a business combination

As discussed in Notes 2 and 3 to the consolidated financial statements, on May 16, 2024, the Partnership acquired the remaining 85% of Carrols Restaurant Group, Inc. ("Carrols") issued and outstanding shares that were not already held previously by the Partnership or its affiliates. The Carrols acquisition was accounted for as a business combination by applying the acquisition method of accounting. In connection with the transaction, the Partnership acquired operating lease assets with a fair value of \$705 million, operating lease liabilities, net of current portion with a fair value of \$684 million and reacquired franchise rights with a fair value of \$363 million. The fair value of the acquired operating lease assets and lease liabilities was determined by discounting the lease payments for each lease using the Partnership's incremental borrowing rate corresponding to the maturity of each lease as the discount rate. The incremental borrowing rate applicable to each lease is determined by reference to the Partnership's outstanding secured borrowings and implied spreads over the risk-free discount rates that correspond to the term of each lease. The fair value of the reacquired franchise rights was determined using the excess earnings method.

Table of Contents

We identified the assessment of the acquisition-date fair value of the operating lease assets, lease liabilities and reacquired franchise rights as a critical audit matter. The evaluation of certain assumptions used to estimate these fair values involved a higher degree of subjective auditor judgment and specialized skills and knowledge. Specifically, those key assumptions included the incremental borrowing rates for the valuation of the operating lease assets and lease liabilities and the discount rate for the reacquired franchise rights. Changes to those key assumptions could have had an impact on the determination of the fair values.

The following are the primary procedures we performed to address this critical audit matter: We evaluated the design and tested the operating effectiveness of certain internal controls over the Partnership's process to estimate the fair value of the operating lease assets, lease liabilities and reacquired franchise rights, including controls over the determination of the incremental borrowing rates and discount rate. We evaluated the Partnership's methodology to develop the fair values of the operating lease assets, lease liabilities and reacquired franchise rights. We performed sensitivity analyses over the Partnership's incremental borrowing rates and discount rate to evaluate the impact of changes in those assumptions on the Partnership's determination of fair values. We involved valuation professionals with specialized skills and knowledge, who assisted in:

- evaluating the incremental borrowing rates by comparing them to a range of rates independently developed using company-specific information and publicly available market data
- evaluating the discount rate by comparing it to a range of discount rates independently developed using publicly available market data for comparable restaurant companies.

Recoverability assessment of the Firehouse Subs brand

As described in Notes 2 and 6 to the consolidated financial statements, the Partnership had recorded an indefinite-lived intangible asset for the Firehouse Subs brand of \$816 million as of December 31, 2024. The Partnership performs indefinite-lived intangible assets impairment testing annually or more frequently when events or changes in circumstances indicate that impairment might have occurred. To estimate the fair value of the Firehouse Subs Brand indefinite-lived intangible asset, the Partnership uses an income approach, which discounts the projected brand-related cash flows using a discount rate determined from a market participant's perspective.

We identified the evaluation of the recoverability assessment of the Firehouse Subs brand as a critical audit matter. Subjective auditor judgment and specialized skills and knowledge were required to evaluate the projected revenue and discount rate assumptions used to estimate the fair value of the Firehouse Subs brand. Changes to those key assumptions could have had an impact on the Partnership's fair value determination and the assessment of the recoverability of the Firehouse Subs brand.

The following are the primary procedures we performed to address this critical audit matter: We evaluated the design and tested the operating effectiveness of certain internal controls over the Partnership's process to assess recoverability of indefinite-lived intangible assets, including controls related to the Partnership's determination of projected revenue and selection of the discount rate assumption used in the determination of the fair value of the Firehouse Subs brand. We performed sensitivity analyses over the Partnership's projected revenue and the discount rate to evaluate the impact of changes in those assumptions on the Partnership's estimated fair value of the Firehouse Subs brand. We evaluated the reasonableness of the Partnership's projected revenue by comparing actual results to the Partnership's historical forecasts. We involved valuation professionals with specialized skills and knowledge, who assisted in:

- evaluating the projected revenue prepared by the Partnership by comparing it to publicly available projected revenue for comparable restaurant companies
- evaluating the discount rate by comparing it against an independently developed discount rate using publicly available market data for comparable restaurant companies.

Report of Independent Registered Public Accounting Firm

To the Partners, Restaurant Brands International Limited Partnership, and Board of Directors, Restaurant Brands International Inc., the sole general partner of Restaurant Brands International Limited Partnership:

Opinion on Internal Control Over Financial Reporting

We have audited Restaurant Brands International Limited Partnership and subsidiaries' (the Partnership) internal control over financial reporting as of December 31, 2024, based on criteria established in *Internal Control – Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission. In our opinion, the Partnership maintained, in all material respects, effective internal control over financial reporting as of December 31, 2024, based on criteria established in *Internal Control – Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the consolidated balance sheets of the Partnership as of December 31, 2024 and 2023, the related consolidated statements of operations, comprehensive income (loss), equity, and cash flows for each of the years in the three-year period ended December 31, 2024, and the related notes (collectively, the consolidated financial statements), and our report dated February 21, 2025 expressed an unqualified opinion on those consolidated financial statements.

The Partnership acquired Carrols Restaurant Group Inc. during 2024, and management excluded from its assessment of the effectiveness of the Partnership's internal control over financial reporting as of December 31, 2024, Carrols Restaurant Group Inc.'s internal control over financial reporting associated with total assets of \$1,988 million and total revenues of \$1,171 million included in the consolidated financial statements of the Partnership as of and for the year ended December 31, 2024. Our audit of internal control over financial reporting of the Partnership also excluded an evaluation of the internal control over financial reporting of Carrols Restaurant Group Inc..

Basis for Opinion

The Partnership's management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting, included in the accompanying Management's Report on Internal Control Over Financial Reporting. Our responsibility is to express an opinion on the Partnership's internal control over financial reporting based on our audit. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Partnership in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects. Our audit of internal control over financial reporting included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. Our audit also included performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.

Definition and Limitations of Internal Control Over Financial Reporting

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

RESTAURANT BRANDS INTERNATIONAL LIMITED PARTNERSHIP AND SUBSIDIARIES**Notes to Consolidated Financial Statements****Note 1. Description of Business and Organization*****Description of Business***

Restaurant Brands International Limited Partnership (“Partnership”, “we”, “us” or “our”) is a Canadian limited partnership. We franchise and operate quick service restaurants serving premium coffee and other beverage and food products under the *Tim Hortons*® brand (“Tim Hortons”), fast food hamburgers principally under the *Burger King*® brand (“Burger King”), chicken under the *Popeyes*® brand (“Popeyes”) and sandwiches under the *Firehouse Subs*® brand (“Firehouse”). We are one of the world’s largest quick service restaurant, or QSR, companies as measured by total number of restaurants. As of December 31, 2024, we franchised or owned 6,043 Tim Hortons restaurants, 19,732 Burger King restaurants, 4,979 Popeyes restaurants, and 1,371 Firehouse Subs restaurants, for a total of 32,125 restaurants, and operate in more than 120 countries and territories. As of December 31, 2024, approximately 95% of current system-wide restaurants are franchised.

We are a subsidiary of Restaurant Brands International Inc. (“RBI”). RBI is our sole general partner, and as such, RBI has the exclusive right, power and authority to manage, control, administer and operate the business and affairs and to make decisions regarding the undertaking and business of Partnership in accordance with the partnership agreement of Partnership (“partnership agreement”) and applicable laws.

Note 2. Significant Accounting Policies***Fiscal Year***

We operate on a monthly calendar, with a fiscal year that ends on December 31.

Basis of Presentation

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States (“GAAP”) and related rules and regulations of the U.S. Securities and Exchange Commission requires our management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses, and the related disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

Principles of Consolidation

The consolidated financial statements (the “Financial Statements”) include our accounts and the accounts of entities in which we have a controlling financial interest, the usual condition of which is ownership of a majority voting interest, including marketing funds we control. We also consider entities for consolidation when the controlling financial interest may be achieved through arrangements that do not involve voting interests (“VIE”).

All material intercompany balances and transactions have been eliminated in consolidation. Investments in other affiliates that are owned 50% or less where we have significant influence are generally accounted for by the equity method.

Foreign Currency Translation and Transaction Gains and Losses

Our functional currency is the U.S. dollar, since our term loans and senior secured notes are denominated in U.S. dollars. The functional currency of each of our operating subsidiaries is generally the currency of the economic environment in which the subsidiary primarily does business. Our foreign subsidiaries’ financial statements are translated into U.S. dollars using the foreign exchange rates applicable to the dates of the financial statements. Assets and liabilities are translated using the end-of-period spot foreign exchange rates. Income, expenses and cash flows are translated at the average foreign exchange rates for each period. Equity accounts are translated at historical foreign exchange rates. The effects of these translation adjustments are reported as a component of accumulated other comprehensive income (loss) (“AOCI”) in the consolidated statements of equity.

For any transaction that is denominated in a currency different from the entity’s functional currency, we record a gain or loss based on the difference between the foreign exchange rate at the transaction date and the foreign exchange rate at the transaction settlement date (or rate at period end, if unsettled) which is included within other operating expenses (income), net in the consolidated statements of operations.

Cash and Cash Equivalents

All highly liquid investments with original maturities of three months or less and credit card receivables are considered cash equivalents.

Accounts and Notes Receivable, net

Our credit loss exposure is mainly concentrated in our accounts and notes receivable portfolio, which consists primarily of amounts due from franchisees, including royalties, rents, franchise fees, contributions due to advertising funds we manage and, in the case of our TH segment, amounts due for supply chain sales. Accounts and notes receivable are reported net of an allowance for expected credit losses over the estimated life of the receivable. Credit losses are estimated based on aging, historical collection experience, financial position of the franchisee and other factors, including those related to current economic conditions and reasonable and supportable forecasts of future conditions.

Bad debt expense recognized for expected credit losses is classified in our consolidated statement of operations as Cost of sales, Franchise and property expenses or Advertising expenses and other services, based on the nature of the underlying receivable. Net bad debt expense totaled \$24 million in 2024, \$20 million in 2023 and \$19 million in 2022.

Inventories

Inventories are carried at the lower of cost or net realizable value and consist primarily of raw materials such as green coffee beans and finished goods such as new equipment, parts, paper supplies and restaurant food items. The moving average method is used to determine the cost of raw materials and finished goods inventories held for sale to Tim Hortons franchisees.

Property and Equipment, net

We record property and equipment at historical cost less accumulated depreciation and amortization, which is recognized using the straight-line method over the following estimated useful lives: (i) buildings and improvements – up to 40 years; (ii) restaurant equipment – up to 17 years; (iii) furniture, fixtures and other – up to 10 years; and (iv) manufacturing equipment – up to 25 years. Leasehold improvements to properties where we are the lessee are amortized over the lesser of the remaining term of the lease or the estimated useful life of the improvement.

Major improvements are capitalized, while maintenance and repairs are expensed when incurred.

Capitalized Software and Cloud Computing Costs

We record capitalized software at historical cost less accumulated amortization, which is recognized using the straight-line method. Amortization expense is based on the estimated useful life of the software, which is primarily up to five years, once the asset is available for its intended use.

Implementation costs incurred in connection with Cloud Computing Arrangements (“CCA”) are capitalized consistently with costs capitalized for internal-use software. Capitalized CCA implementation costs are included in “Other assets” in the consolidated balance sheets and are amortized over the term of the related hosting agreement, including renewal periods that are reasonably certain to be exercised. Amortization expense of CCA implementation costs is classified as “General and administrative expenses” in the consolidated statements of operations.

Leases

In all leases, whether we are the lessor or lessee, we define lease term as the non-cancellable term of the lease plus any renewals covered by renewal options that are reasonably certain of exercise based on our assessment of the economic factors relevant to the lessee. The noncancellable term of the lease commences on the date the lessor makes the underlying property in the lease available to the lessee, irrespective of when lease payments begin under the contract.

Lessor Accounting

We recognize lease payments for operating leases as property revenue on a straight-line basis over the lease term, and property revenue is presented net of any related sales tax. Lease incentive payments we make to lessees are amortized as a reduction in property revenue over the lease term. We account for reimbursements of maintenance and property tax costs paid to us by lessees as property revenue.

We also have net investments in properties leased to franchisees, which are classified as sales-type leases or direct financing leases. Investments in sales-type leases and direct financing leases are recorded on a net basis. Profit on sales-type leases is recognized at lease commencement and recorded in other operating expenses (income), net. Unearned income on direct financing leases is

Table of Contents

deferred, included in the net investment in the lease, and recognized over the lease term, yielding a constant periodic rate of return on the net investment in the lease.

We recognize variable lease payment income in the period when changes in facts and circumstances on which the variable lease payments are based occur.

Lessee Accounting

In leases where we are the lessee, we recognize a right-of-use (“ROU”) asset and lease liability at lease commencement, which are measured by discounting lease payments using our incremental borrowing rate as the discount rate. We determine the incremental borrowing rate applicable to each lease by reference to our outstanding secured borrowings and implied spreads over the risk-free discount rates that correspond to the term of each lease, as adjusted for the currency of the lease. Subsequent amortization of the ROU asset and accretion of the lease liability for an operating lease is recognized as a single lease cost, on a straight-line basis, over the lease term. Reductions of the ROU asset and the change in the lease liability are included in changes in Other long-term assets and liabilities in the Consolidated Statement of Cash Flows.

A finance lease ROU asset is depreciated on a straight-line basis over the lesser of the useful life of the leased asset or lease term. Interest on each finance lease liability is determined as the amount that results in a constant periodic discount rate on the remaining balance of the liability. Operating lease and finance lease ROU assets are assessed for impairment in accordance with our long-lived asset impairment policy.

We reassess lease classification and remeasure ROU assets and lease liabilities when a lease is modified and that modification is not accounted for as a separate contract or upon certain other events that require reassessment. Maintenance and property tax expenses are accounted for on an accrual basis as variable lease cost.

We recognize variable lease cost in the period when changes in facts and circumstances on which the variable lease payments are based occur.

Goodwill and Intangible Assets Not Subject to Amortization

Goodwill represents the excess of the purchase price over the fair value of assets acquired and liabilities assumed in connection with business combination transactions. Our indefinite-lived intangible assets consist of the *Tim Hortons* brand, the *Burger King* brand, the *Popeyes* brand and the *Firehouse Subs* brand (each a “Brand” and together, the “Brands”). Goodwill and the Brands are tested for impairment at least annually as of October 1 of each year and more often if an event occurs or circumstances change which indicate that impairment might exist. Our annual impairment tests of goodwill and the Brands may be completed through qualitative assessments. We may elect to bypass the qualitative assessment and proceed directly to a quantitative impairment test for any reporting unit or Brand in any period. We can resume the qualitative assessment for any reporting unit or Brand in any subsequent period.

Under a qualitative approach, our impairment review for goodwill consists of an assessment of whether it is more-likely-than-not that a reporting unit’s fair value is less than its carrying amount. If we elect to bypass the qualitative assessment for any reporting unit, or if a qualitative assessment indicates it is more-likely-than-not that the estimated carrying value of a reporting unit exceeds its fair value, we perform a quantitative goodwill impairment test that requires us to estimate the fair value of the reporting unit. If the fair value of the reporting unit is less than its carrying amount, we will measure any goodwill impairment loss as the amount by which the carrying amount of a reporting unit exceeds its fair value, not to exceed the total amount of goodwill allocated to that reporting unit.

Under a qualitative approach, our impairment review for the Brands consists of an assessment of whether it is more-likely-than-not that a Brand’s fair value is less than its carrying amount. If we elect to bypass the qualitative assessment for a Brand, or if a qualitative assessment indicates it is more-likely-than-not that the estimated carrying value of a Brand exceeds its fair value, we estimate the fair value of the Brand and compare it to its carrying amount. If the carrying amount exceeds fair value, an impairment loss is recognized in an amount equal to that excess.

We completed our impairment tests for goodwill and the Brands as of October 1, 2024, 2023 and 2022 and no impairment resulted.

Long-Lived Assets

Long-lived assets, such as property and equipment, intangible assets subject to amortization and lease right-of-use assets, are tested for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset or asset group may not be recoverable. Some of the events or changes in circumstances that would trigger an impairment review include, but are not limited to, bankruptcy proceedings or other significant financial distress of a lessee; significant negative industry or economic trends; knowledge of transactions involving the sale of similar property at amounts below the carrying value; or our expectation to dispose of long-lived assets before the end of their estimated useful lives. The impairment test for long-lived assets requires us to assess the

Table of Contents

recoverability of long-lived assets by comparing their net carrying value to the sum of undiscounted estimated future cash flows directly associated with and arising from use and eventual disposition of the assets or asset group. Long-lived assets are grouped for recognition and measurement of impairment at the lowest level for which identifiable cash flows are largely independent of the cash flows of other assets. If the net carrying value of a group of long-lived assets exceeds the sum of related undiscounted estimated future cash flows, we record an impairment charge equal to the excess, if any, of the net carrying value over fair value.

Other Comprehensive Income (Loss)

Other comprehensive income (loss) (“OCI”) refers to revenues, expenses, gains and losses that are included in comprehensive income (loss), but are excluded from net income (loss) as these amounts are recorded directly as an adjustment to equity, net of tax. Our other comprehensive income (loss) is primarily comprised of unrealized gains and losses on foreign currency translation adjustments and unrealized gains and losses on hedging activity, net of tax.

Derivative Financial Instruments

We recognize and measure all derivative instruments as either assets or liabilities at fair value in the consolidated balance sheets. Derivative instruments accounted for as net investments hedges are classified as long term assets and liabilities in the consolidated balance sheets. We may enter into derivatives that are not designated as hedging instruments for accounting purposes, but which largely offset the economic impact of certain transactions.

Gains or losses resulting from changes in the fair value of derivatives are recognized in earnings or recorded in other comprehensive income (loss) and recognized in the consolidated statements of operations when the hedged item affects earnings, depending on the purpose of the derivatives and whether they qualify for, and we have applied, hedge accounting treatment.

When applying hedge accounting, we designate at a derivative’s inception, the specific assets, liabilities or future commitments being hedged, and assess the hedge’s effectiveness at inception and on an ongoing basis. We discontinue hedge accounting when: (i) we determine that the cash flow derivative is no longer effective in offsetting changes in the cash flows of a hedged item; (ii) the derivative expires or is sold, terminated or exercised; (iii) it is no longer probable that the forecasted transaction will occur; or (iv) management determines that designation of the derivatives as a hedge instrument is no longer appropriate. We do not enter into or hold derivatives for speculative purposes.

Disclosures about Fair Value

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants in the principal market, or if none exists, the most advantageous market, for the specific asset or liability at the measurement date (the exit price). The fair value is based on assumptions that market participants would use when pricing the asset or liability. The fair values are assigned a level within the fair value hierarchy, depending on the source of the inputs into the calculation, as follows:

Level 1 Observable inputs that reflect quoted prices (unadjusted) for identical assets or liabilities in active markets.

Level 2 Inputs other than quoted prices included in Level 1 that are observable for the asset or liability either directly or indirectly.

Level 3 Unobservable inputs reflecting management’s own assumptions about the inputs used in pricing the asset or liability.

The carrying amounts for cash and cash equivalents, accounts and notes receivable and accounts and drafts payable approximate fair value based on the short-term nature of these amounts.

We carry all of our derivatives at fair value and value them using various pricing models or discounted cash flow analysis that incorporate observable market parameters, such as interest rate yield curves and currency rates, which are Level 2 inputs. Derivative valuations incorporate credit risk adjustments that are necessary to reflect the probability of default by the counterparty or us. For disclosures about the fair value measurements of our derivative instruments, see Note 12, *Derivative Instruments*.

The following table presents the fair value of our variable rate term debt and senior notes, estimated using inputs based on bid and offer prices that are Level 2 inputs, and principal carrying amount (in millions):

	As of December 31,	
	2024	2023
Fair value of our variable term debt and senior notes	\$ 13,090	\$ 12,401
Principal carrying amount of our variable term debt and senior notes	\$ 13,651	\$ 12,900

Table of Contents

The determination of fair values of certain tangible and intangible assets for purposes of the application of the acquisition method of accounting to the acquisition of Carrols Restaurant Group, Inc. were based on Level 3 inputs. The determination of fair values of our reporting units and the determination of the fair value of the Brands for impairment testing using a quantitative approach during 2024, 2023 and 2022 were based upon Level 3 inputs.

Revenue Recognition

Supply chain sales

Supply chain sales represent sales of products, supplies and restaurant equipment to franchisees, as well as sales to retailers and direct to consumer and are presented net of any related sales tax. Revenue is recognized upon transfer of control over ordered items, generally upon delivery to the customer, which is when the customer has all risks and rewards of ownership and an obligation to pay for the goods is created. Shipping and handling costs associated with outbound freight for supply chain sales are accounted for as fulfillment costs and classified as cost of sales.

Company restaurant sales

Company restaurant sales consist of sales to restaurant guests. Revenue from Company restaurant sales is recognized at the point of sale. Taxes assessed by a governmental authority that we collect are excluded from revenue.

Franchise revenues

Franchise revenues consist primarily of royalties, initial and renewal franchise fees and upfront fees from development agreements and master franchise and development agreements (“MFDAs”). Under franchise agreements, we provide franchisees with (i) a franchise license, which includes a license to use our intellectual property, (ii) pre-opening services, such as training and inspections, and (iii) ongoing services, such as development of training materials and menu items and restaurant monitoring and inspections. These services are highly interrelated and dependent upon the franchise license and we concluded these services do not represent individually distinct performance obligations. Consequently, we bundle the franchise license performance obligation and promises to provide these services into a single performance obligation (the “Franchise PO”), which we satisfy by providing a right to use our intellectual property over the term of each franchise agreement.

Royalties are calculated as a percentage of franchised restaurant sales over the term of the franchise agreement. Initial and renewal franchise fees are payable by the franchisee upon a new restaurant opening or renewal of an existing franchise agreement. Our franchise agreement royalties represent sales-based royalties that are related entirely to the Franchise PO and are recognized as franchise sales occur. Initial and renewal franchise fees are recognized as revenue on a straight-line basis over the term of the respective agreement. Our performance obligation under development agreements other than MFDAs generally consists of an obligation to grant exclusive development rights over a stated term, which are not distinct from franchise agreements. Upfront fees paid by franchisees for exclusive development rights are apportioned to each franchised restaurant opened by the franchisee, with the pro rata amount apportioned to each restaurant accounted for as an initial franchise fee.

We have a distinct performance obligation under our MFDAs to grant subfranchising rights over a stated term. Under the terms of MFDAs, we typically either receive an upfront fee paid in cash and/or receive noncash consideration in the form of an equity interest in the master franchisee or an affiliate of the master franchisee. We account for noncash consideration as investments in the applicable equity method investee and recognize revenue in an amount equal to the fair value of the equity interest received. Upfront fees from master franchisees, including the fair value of noncash consideration, are deferred and amortized over the MFDA term on a straight-line basis. We may recognize unamortized upfront fees when a contract with a franchisee or master franchisee is modified and is accounted for as a termination of the existing contract.

The portion of gift cards sold to customers which are never redeemed is commonly referred to as gift card breakage. We recognize gift card breakage income proportionately as each gift card is redeemed using an estimated breakage rate based on our historical experience.

In certain instances, we provide incentives to franchisees in connection with restaurant renovations or other initiatives. These incentives may consist of cash consideration or non-cash consideration such as restaurant equipment. In general, these incentives are designed to support system-wide sales growth to increase our future revenues. The costs of these incentives are capitalized and amortized as a reduction in franchise and property revenue over the term of the contract to which the incentive relates.

Advertising revenues and other services

Advertising revenues consist primarily of franchisee contributions to advertising funds in those markets where our subsidiaries manage an advertising fund and are calculated as a percentage of franchised restaurant sales over the term of the franchise agreement. Under our franchise agreements, advertising contributions received from franchisees must be spent on advertising, product

Table of Contents

development, marketing, and related activities. We determined our advertising and promotion management services do not represent individually distinct performance obligations and are included in the Franchise PO.

Other services revenues consist primarily of tech fees and revenues, that vary by market, and partially offset expenses related to technology initiatives. These services are distinct from the Franchise PO because they are not dependent upon the franchise license or highly interrelated with the franchise license.

Supply Chain Cost of Sales

Cost of sales consists primarily of costs associated with the management of our Tim Hortons supply chain, including cost of goods, direct labor, depreciation, bad debt expense (recoveries) from supply chain sales and cost of products sold to retailers.

Company Restaurant Expenses

Company restaurant expenses include food, beverage and packaging costs, restaurant wages and related expenses and restaurant occupancy and other expenses.

Franchise and Property Expenses

Franchise and property expenses consist primarily of depreciation of properties leased to franchisees, rental expense associated with properties subleased to franchisees, amortization of franchise agreements and reacquired franchise rights, and bad debt expense (recoveries) from franchise and property revenues.

Advertising Expenses and Other Services

Advertising expenses and other services consist primarily of expenses relating to marketing, advertising, promotion, and technology initiatives for the respective brands, bad debt expense (recoveries) from franchisee contributions to advertising funds we manage, depreciation and amortization and other related support functions for the respective brands. Additionally, we may incur discretionary expenses to fund advertising programs in connection with periodic initiatives.

Company restaurants and franchised restaurants contribute to advertising funds that our subsidiaries manage in the United States and Canada and certain other international markets. The advertising funds expense the production costs of advertising when the advertisements are first aired or displayed. All other advertising and promotional costs are expensed in the period incurred. The advertising contributions by Company restaurants are eliminated in consolidation. Consolidated advertising expense totaled \$1,268 million, \$1,201 million and \$1,032 million in 2024, 2023 and 2022, respectively.

Deferred Financing Costs

Deferred financing costs are amortized over the term of the related debt agreement into interest expense using the effective interest method.

Income Taxes

Amounts in the Financial Statements related to income taxes are calculated using the principles of Accounting Standards Codification Topic 740, *Income Taxes*. Under these principles, deferred tax assets and liabilities reflect the impact of temporary differences between the amounts of assets and liabilities recognized for financial reporting purposes and the amounts recognized for tax purposes, as well as tax credit carry-forwards and loss carry-forwards. These deferred taxes are measured by applying currently enacted tax rates. A deferred tax asset is recognized when it is considered more-likely-than-not to be realized. The effects of changes in tax rates on deferred tax assets and liabilities are recognized in income in the year in which the law is enacted. A valuation allowance reduces deferred tax assets when it is more-likely-than-not that some portion or all of the deferred tax assets will not be realized.

We recognize positions taken or expected to be taken in a tax return in the Financial Statements when it is more-likely-than-not (i.e., a likelihood of more than 50%) that the position would be sustained upon examination by tax authorities. A recognized tax position is then measured at the largest amount of benefit with greater than 50% likelihood of being realized upon ultimate settlement.

Translation gains and losses resulting from the remeasurement of foreign deferred tax assets or liabilities denominated in a currency other than the functional currency are classified as other operating expenses (income), net in the consolidated statements of operations.

Share-based Compensation

Compensation expense related to the issuance of share-based awards to our employees is measured at fair value on the grant date. The fair value of restricted stock units (“RSUs”) is generally based on the closing price of RBI’s common shares on the trading day preceding the date of grant. Our total shareholder return and if applicable our total shareholder return relative to our peer group is incorporated into the underlying assumptions using a Monte Carlo simulation valuation model to calculate grant date fair value for performance based awards with a market condition. Stock option awards are granted with an exercise price or market value equal to the closing price of RBI common shares on the trading day preceding the date of grant. The Black-Scholes option pricing model is used to value stock options. The compensation expense for awards that vest over a future service period is recognized over the requisite service period on a straight-line basis, adjusted for estimated forfeitures of awards that are not expected to vest. We use historical data to estimate forfeitures for share-based awards. The compensation expense for awards that contain performance conditions is recognized when it is probable that the performance conditions will be achieved.

Supplier Finance Programs

Our Tim Hortons business includes individually negotiated contracts with suppliers, which include payment terms that range up to 120 days. A global financial institution offers a voluntary supply chain finance (“SCF”) program to certain Tim Hortons vendors, which provides suppliers that elect to participate with the ability to elect early payment, which is discounted based on the payment terms and a rate based on RBI’s credit rating, which may be beneficial to the vendor. Participation in the SCF program is at the sole discretion of the suppliers and financial institution and we are not a party to the arrangements between the suppliers and the financial institution. Our obligations to suppliers are not affected by the suppliers’ decisions to participate in the SCF program and our payment terms remain the same based on the original supplier invoicing terms and conditions. No guarantees are provided by us or any of our subsidiaries in connection with the SCF Program.

Our confirmed outstanding obligations under the SCF program are classified as Accounts and drafts payable in our consolidated balance sheets. All activity related to the obligations is classified as Cost of sales in our consolidated statements of operations and presented within cash flows from operating activities in our consolidated statements of cash flows. The following table reflects the change of our confirmed outstanding obligations under the SCF program between December 31, 2023 and December 31, 2024 (in millions):

Confirmed obligations outstanding at December 31, 2023	\$	36
Invoices confirmed during the period		159
Confirmed invoices paid during the period		(173)
Confirmed obligations outstanding at December 31, 2024	\$	22

Reclassifications

Certain prior year amounts in the accompanying consolidated financial statements and notes to the consolidated financial statements have been reclassified in order to be comparable with the current year classifications. These reclassifications did not arise as a result of any changes to accounting policies and relate entirely to presentation with no effect on previously reported net income.

New Accounting Pronouncements

Segment Reporting – In November 2023, the Financial Accounting Standards Board (“FASB”) issued guidance that expands segment disclosures for public entities, including requiring disclosure of significant segment expenses that are regularly provided to the chief operating decision maker (“CODM”), the title and position of the CODM and an explanation of how the CODM uses reported measures of segment profit or loss in assessing segment performance and allocating resources. The new guidance also expands disclosures about a reportable segment’s profit or loss and assets in interim periods and clarifies that a public entity may report additional measures of segment profit if the CODM uses more than one measure of a segment’s profit or loss. The new guidance does not remove existing segment disclosure requirements or change how a public entity identifies its operating segments, aggregates those operating segments, or determines its reportable segments. During the fourth quarter of 2024, we adopted this guidance and added necessary disclosures upon adoption as disclosed in Note 18, *Segment Reporting and Geographical Information*.

Improvements to Income Tax Disclosures – In December 2023, the FASB issued guidance that expands income tax disclosures for public entities, including requiring enhanced disclosures related to the rate reconciliation and income taxes paid information. The guidance is effective for annual disclosures for fiscal years beginning after December 15, 2024, with early adoption permitted. The guidance should be applied on a prospective basis, with retrospective application to all prior periods presented in the financial statements permitted. We are currently evaluating the impact this new guidance will have on our disclosures upon adoption and expect to provide additional detail and disclosures under this new guidance.

Disaggregation of Income Statement Expenses – In November 2024, the FASB issued guidance that requires disclosure of disaggregated information about certain income statement expense line items. The guidance is effective for annual disclosures for fiscal years beginning after December 15, 2026, and subsequent interim periods with early adoption permitted, and requires retrospective application to all prior periods presented in the financial statements. We are currently evaluating the impact this new guidance will have on our disclosures upon adoption and expect to provide additional detail and disclosures under this new guidance.

Note 3. Carrols Acquisition

Prior to May 16, 2024, we owned a 15% equity interest in Carrols Restaurant Group, Inc. (“Carrols”), which was accounted for as an equity method investment. On May 16, 2024, we acquired the remaining 85% of Carrols issued and outstanding shares that were not already held by us or our affiliates for \$9.55 per share in an all cash transaction (the “Carrols Acquisition”) in order to accelerate the reimagining of restaurants before refranchising the majority of the acquired portfolio to new or existing smaller franchise operations. The Carrols Acquisition was accounted for as a business combination by applying the acquisition method of accounting and Carrols became our wholly owned consolidated subsidiary.

The acquisition of the 85% equity interest of Carrols was accounted for as a step acquisition, which required remeasurement of our existing 15% ownership interest in Carrols to fair value. We utilized the \$9.55 per share acquisition price to determine the fair value of the existing equity interest. This resulted in an increase in the value of our existing 15% equity interest and the recognition of a gain of \$79 million (the “Step Acquisition Gain”), which is included in (Income) loss from equity method investments in our consolidated statements of operations for 2024.

Total cash paid in connection with the Carrols Acquisition was \$543 million. Additionally, in connection with the Carrols Acquisition, we assumed approximately \$431 million of outstanding debt, all of which was fully extinguished as of June 30, 2024. The cash purchase price and extinguishment of debt assumed in the Carrols Acquisition was funded with a combination of cash on hand and \$750 million of incremental borrowings under our senior secured term loan facility.

The following table summarizes the purchase price consideration in connection with the Carrols Acquisition (in millions):

Total cash paid	\$	543
Effective settlement of pre-existing balance sheet accounts (a)		15
Fair value of existing 15% equity interest		90
Total consideration	\$	648

- (a) Effective settlement of pre-existing balances with Carrols related to franchise and lease agreements prior to the date of acquisition.

Fees and expenses related to the Carrols Acquisition and related financings totaled approximately \$11 million during 2024, consisting of professional fees and compensation related expenses which are classified as general and administrative expenses in the accompanying consolidated statements of operations (the “Carrols Acquisition Costs”).

Table of Contents

During the fourth quarter of 2024, we adjusted our preliminary estimate of the fair value of net assets acquired. The preliminary allocation of consideration to the net tangible and intangible assets acquired is presented in the table below (in millions):

	May 16, 2024
Total current assets	\$ 81
Property and equipment	294
Reacquired franchise rights	363
Operating lease assets	705
Other assets	24
Accounts and drafts payable	(13)
Other accrued liabilities	(150)
Current portion of long-term debt and finance leases	(434)
Finance leases, net of current portion	(9)
Operating lease liabilities, net of current portion	(684)
Other liabilities	(10)
Total identifiable net assets	167
Goodwill	481
Total consideration	<u>\$ 648</u>

The adjustments to the preliminary estimate of net assets acquired resulted in a \$16 million increase to the preliminary estimated goodwill, primarily reflecting a \$22 million decrease in the estimated fair value of reacquired franchise rights, partially offset by changes in estimated fair values of other net assets acquired.

The purchase price allocation reflects preliminary fair value estimates for property and equipment, deferred income taxes and goodwill, which are based on management's analysis, including preliminary work performed by third-party valuation specialists. During the measurement period, we will continue to obtain information to assist in determining and finalizing the fair value of these items.

Reacquired franchise rights, which represent the fair value of reacquired franchise agreements determined using the excess earnings method, are amortized over the remaining term of the reacquired franchise agreement and have an estimated weighted average remaining term of 12 years.

Goodwill is considered to represent the value associated with the workforce and synergies anticipated to be realized as a combined company. Goodwill will be allocated to reporting units when the purchase price allocation is finalized during the measurement period.

Total revenues of Carrols from the acquisition date of May 16, 2024 through December 31, 2024, which have been included within Company restaurant sales in our consolidated financial statements, totaled \$1,171 million.

Supplemental Pro Forma Information

The following table presents unaudited supplemental pro forma consolidated revenue for 2024 and 2023 as if the Carrols Acquisition had occurred on January 1, 2023 (in millions):

	2024	2023
Total revenues	\$ 9,022	\$ 8,707

The unaudited supplemental pro forma consolidated revenue gives effect to actual revenues prior to the Carrols Acquisition, adjusted to exclude the elimination of intercompany transactions. Other than the impact of the Step Acquisition Gain and Carrols Acquisition Costs (as discussed above), supplemental pro forma net earnings, assuming the Carrols Acquisition had occurred on January 1, 2023, would not be materially different from the results reported during 2024 and 2023.

The unaudited pro forma information has been prepared for comparative purposes only, in accordance with the acquisition method of accounting, and is not necessarily indicative of the results of operations that would have occurred if the Carrols Acquisition had been completed on the date indicated, nor is it indicative of our future operating results.

Note 4. Earnings Per Unit

Partnership uses the two-class method in the computation of earnings per unit. Pursuant to the terms of the partnership agreement, RBI, as the holder of the Class A common units, is entitled to receive distributions from Partnership in an amount equal to the aggregate dividends payable by RBI to holders of RBI common shares, and the holders of Class B exchangeable limited partnership units (the “Partnership exchangeable units”) are entitled to receive distributions from Partnership in an amount per unit equal to the dividends payable by RBI on each RBI common share. Partnership’s net income available to common unitholders is allocated between the Class A common units and Partnership exchangeable units on a fully-distributed basis and reflects residual net income after noncontrolling interests. Basic and diluted earnings per Class A common unit is determined by dividing net income allocated to Class A common unitholders by the weighted average number of Class A common units outstanding for the period. Basic and diluted earnings per Partnership exchangeable unit is determined by dividing net income allocated to the Partnership exchangeable units by the weighted average number of Partnership exchangeable units outstanding during the period.

There are no dilutive securities for Partnership as the exercise of stock options and vesting of RSUs will not affect the number of Class A common units or Partnership exchangeable units outstanding. However, the issuance of RBI shares by RBI in future periods will affect the allocation of net income attributable to common unitholders between Partnership’s Class A common units and Partnership exchangeable units.

The following table summarizes the basic and diluted earnings per unit calculations (in millions, except per unit amounts):

	2024	2023	2022
Allocation of net income among partner interests:			
Net income allocated to Class A common unitholders	\$ 1,021	\$ 1,190	\$ 1,008

Denominator - basic and diluted partnership units:			
Weighted average Class A common units	204	202	202

Included in our property and equipment, net at December 31, 2024 and 2023 are \$211 million and \$226 million, respectively, of assets leased under finance leases (mostly buildings and improvements), net of accumulated depreciation and amortization of \$120 million and \$109 million, respectively.

Note 6. Intangible Assets, net and Goodwill

Amortization expense on intangible assets totaled \$58 million for 2024, \$37 million for 2023, and \$39 million for 2022. The changes in reacquired franchise rights and goodwill balances during 2024 was primarily due to the Carrols Acquisition. Refer to Note 3, *Carrols Acquisition*, for a description of goodwill and intangible assets recognized in connection with the Carrols Acquisition. Additionally, the changes in intangible assets and goodwill balances also reflect the impact of foreign currency translation during 2024.

As of December 31, 2024, the estimated future amortization expense on identifiable assets subject to amortization is as follows (in millions):

<u>Twelve-months ended December 31,</u>	<u>Amount</u>

Note 7. Equity Method Investments

As discussed in Note 3, *Carrols Acquisition*, prior to May 16, 2024, we owned a 15% equity interest in Carrols, which was accounted for as an equity method investment. In connection with the Carrols Acquisition, we acquired the remaining 85% equity interest in Carrols, resulting in the Step Acquisition Gain. As a result of the Carrols Acquisition, Carrols became a wholly owned consolidated subsidiary beginning on May 16, 2024.

The aggregate carrying amount of our equity method investments was \$113 million and \$163 million as of December 31, 2024 and 2023, respectively, and is included as a component of Other assets, net in our consolidated balance sheets.

Except for the following equity method investments, no quoted market prices are available for our other equity method investments. The aggregate market value of our 9.4% equity interest in Zamp S.A. (formerly BK Brasil Operação e Assessoria a Restaurantes S.A.) based on the quoted market price on December 31, 2024 is approximately \$9 million. The aggregate market value of our 4.2% equity interest in TH International Limited based on the quoted market price on December 31, 2024 was approximately \$5 million. We evaluate declines in the market value of these equity method investments and as a result, during 2022, we recognized an impairment of \$15 million due to a sustained decline in Carrols' share price and market capitalization.

We have equity interests in entities that own or franchise Tim Hortons, Burger King and Popeyes restaurants. Revenues recognized from franchisees that are owned or franchised by entities in which we have an equity interest, including Carrols through May 15, 2024, consist of the following (in millions):

	2024	2023	2022
Revenues from affiliates:			
Royalties	\$ 369	\$ 402	\$ 353
Advertising revenues	36	79	71

Franchise fees and other revenue	21	21	18
Sales	17	19	18
Total	<u>\$ 456</u>	<u>\$ 553</u>	<u>\$ 491</u>

At December 31, 2024 and 2023, we had \$44 million and \$61 million, respectively, of accounts receivable, net from our equity method investments which were recorded in accounts and notes receivable, net in our consolidated balance sheets.

With respect to our Tim Hortons business, the most significant equity method investment is our 50% joint venture interest with The Wendy's Company (the "TIMWEN Partnership"), which jointly holds real estate underlying Canadian combination restaurants. Distributions received from this joint venture were \$14 million during 2024 and \$13 million during 2023 and 2022.

We recognized rent expense associated with the TIMWEN Partnership of \$21 million during 2024 and 2023 and \$19 million during 2022.

(Income) loss from equity method investments reflects our share of investee net income or loss as well as gains or losses from changes in our ownership interests in equity investees.

In June 2024, we acquired the Popeyes China ("PLK China") business from Tims China ("the PLK China Acquisition"). In addition, Tims China issued us a \$20 million three-year convertible note due June 28, 2027 and a \$5 million three-year convertible note due August 15, 2027, which are included within other assets, net in the consolidated balance sheets as of December 31, 2024.

Credit Facilities

On September 21, 2023, two of our subsidiaries (the “Borrowers”) entered into a seventh amendment (the “7th Amendment”) to the credit agreement governing our senior secured term loan A facility (the “Term Loan A”), our senior secured term loan B facility (the “Term Loan B” and together with the Term Loan A, the “Term Loan Facilities”) and our senior secured revolving credit facility (including revolving loans, swingline loans and letters of credit) (the “Revolving Credit Facility” and together with the Term Loan Facilities, the “Credit Facilities”). Under the 7th Amendment we (i) amended the existing Revolving Credit Facility to increase the availability from \$1,000 million to \$1,250 million and extended the maturity of the facility to September 21, 2028 without changing the leverage-based spread to adjusted SOFR (Secured Overnight Financing Rate); (ii) increased the Term Loan A to \$1,275 million and extended the maturity of the Term Loan A to September 21, 2028 without changing the leverage-based spread to adjusted SOFR; (iii) increased the Term Loan B to \$5,175 million, extended the maturity of the Term Loan B to September 21, 2030, and changed the interest rate applicable to borrowings under our Term Loan B to term SOFR, subject to a floor of 0.00%, plus an applicable margin of 2.25%; and (iv) made certain other changes as set forth therein, including removing the 0.10% adjustment to the term SOFR rate across the facilities and changes to certain covenants to provide increased flexibility. On December 28, 2023, we entered into an eighth amendment (the “8th Amendment” and together with the 7th Amendment, the “2023 Amendments”) to the credit agreement whereby Partnership and its subsidiaries became guarantors, subject to the covenants applicable to the Credit Facilities. The 2023 Amendments made no other material changes to the terms of the credit agreement.

On May 16, 2024, the Borrowers entered into a sixth incremental facility amendment and a ninth amendment (the “First 2024 Amendment”) to the credit agreement governing our Credit Facilities. The First 2024 Amendment increased the existing Term Loan B by \$750 million to \$5,912 million on the same terms as the existing Term Loan B. The First 2024 Amendment also amended the interest rate applicable to the Canadian dollar loans under the credit agreement to be based on Term Canadian Overnight Repo Rate Average (“CORRA”). The security and guarantees under the amended Credit Agreement are the same as those under the existing facilities. The First 2024 Amendment made no other material changes to the terms of the Credit Agreement. The proceeds from the increase in the Term Loan B were used, along with cash on hand, to complete the Carrols Acquisition, the repayment of amounts outstanding under the Carrols' credit agreement and the redemption and discharge of Carrols' outstanding senior notes.

On June 17, 2024, the Borrowers entered into a tenth amendment to the credit agreement governing our Credit Facilities (the “Second 2024 Amendment”). The Second 2024 Amendment repriced our Term Loan B from an interest rate equal to the Adjusted Term SOFR plus 2.25% to an interest rate equal to the Adjusted Term SOFR Rate plus 1.75% and reduced the outstanding principal amount of the Term Loan B facility from \$5,912 million to \$4,750 million using a portion of the net proceeds from the issuance of the 6.125% First Lien Senior Notes due 2029 (defined below). There were no changes to the maturity of the Term Loan B following this repricing and all other terms are substantially unchanged.

As of December 31, 2024, the interest rate applicable to the Term Loan A and Revolving Credit Facility is, at our option, either (a) a base rate, subject to a floor of 1.00%, plus an applicable margin varying from 0.00% to 0.50%, or (b) term SOFR, subject to a floor of 0.00%, plus an applicable margin varying between 0.75% and 1.50%, in each case, determined by reference to a net first lien leverage-based pricing grid. The commitment fee on the unused portion of the Revolving Credit Facility is 0.15%. As of December 31, 2024, the interest rate on the Term Loan A was 5.61%. The principal amount of the Term Loan A amortizes in quarterly installments equal to \$8 million beginning March 31, 2025 and \$16 million beginning March 31, 2027 until maturity, with the balance payable at maturity.

As of December 31, 2024, the interest rate applicable to the Term Loan B is, at our option, either (a) a base rate, subject to a floor of 1.00%, plus an applicable margin of 0.75%, or (b) term SOFR, subject to a floor of 0.00%, plus an applicable margin of 1.75%. As of December 31, 2024, the interest rate on the Term Loan B was 6.11%. The principal amount of the Term Loan B amortizes in quarterly installments equal to \$12 million until maturity, with the balance payable at maturity.

Revolving Credit Facility

As of December 31, 2024, we had no amounts outstanding under our Revolving Credit Facility. Funds available under the Revolving Credit Facility may be used to repay other debt, finance debt or repurchases of RBI common shares or repurchases of partnership exchangeable units, to fund acquisitions or capital expenditures and for other general corporate purposes. We have a \$125 million letter of credit sublimit as part of the Revolving Credit Facility, which reduces our borrowing availability thereunder by the cumulative amount of outstanding letters of credit. The interest rate applicable to amounts drawn under each letter of credit is 0.75% to 1.50%, depending on our net first lien leverage ratio. As of December 31, 2024, we had \$2 million of letters of credit issued against the Revolving Credit Facility, and our borrowing availability was \$1,248 million.

Obligations under the Credit Facilities are guaranteed on a senior secured basis, jointly and severally, by the Partnership and substantially all of its Canadian and U.S. subsidiaries, including The TDL Group Corp., Burger King Company LLC, Popeyes Louisiana Kitchen, Inc., FRG, LLC and substantially all of their respective Canadian and U.S. subsidiaries (the “Guarantors”). Amounts borrowed under the Credit Facilities are secured on a first priority basis by a perfected security interest in substantially all of the present and future property (subject to certain exceptions) of each Borrower and the Guarantors.

Restrictions and Covenants

Our Credit Facilities, as well as the 3.875% First Lien Senior Notes Indenture, 3.50% First Lien Senior Notes Indenture, 6.125% First Lien Senior Notes, 5.625% First Lien Senior Notes, 4.375% Second Lien Senior Notes Indenture and 4.00% Second Lien Senior Notes Indenture (all together the “Senior Notes Indentures”) contain a number of customary affirmative and negative covenants that, among other things, limit or restrict our ability and the ability of certain of our subsidiaries to: incur additional indebtedness; incur liens; engage in mergers, consolidations, liquidations and dissolutions; sell assets; pay dividends and make other payments in respect of capital stock; make investments, loans and advances; pay or modify the terms of certain indebtedness; and engage in certain transactions with affiliates. In addition, under the Credit Facilities, the Borrowers are not permitted to exceed a first lien senior secured leverage ratio of 6.50 to 1.00 when, as of the end of any fiscal quarter beginning with the first fiscal quarter of 2020, (1) any amounts are outstanding under the Term Loan A and/or (2) the sum of (i) the amount of letters of credit outstanding exceeding \$50 million (other than those that are cash collateralized); (ii) outstanding amounts under the Revolving Credit Facility and (iii) outstanding amounts of swing line loans, exceeds 30.0% of the commitments under the Revolving Credit Facility.

The restrictions under the Credit Facilities and the Senior Notes Indentures have resulted in substantially all of our consolidated assets being restricted.

As of December 31, 2024, we were in compliance with applicable financial debt covenants under the Credit Facilities and the Senior Notes Indentures and there were no limitations on our ability to draw on the remaining availability under our Revolving Credit Facility.

TH Facility

One of our subsidiaries entered into a non-revolving delayed drawdown term credit facility in a total aggregate principal amount of C\$225 million with a maturity date of October 4, 2025 (the “TH Facility”). Prior to June 30, 2024, the interest rate applicable to the TH Facility was the Canadian Bankers’ Acceptance rate plus an applicable margin equal to 1.40% or the Prime Rate plus an applicable margin equal to 0.40%, at our option. Beginning July 1, 2024, the interest rate applicable to the TH Facility is the Adjusted Term CORRA rate plus an applicable margin equal to 1.40% or the Prime Rate plus an applicable margin equal to 0.40%, at our option. Obligations under the TH Facility are guaranteed by three of our subsidiaries, and amounts borrowed under the TH Facility are secured by certain parcels of real estate. As of December 31, 2024, we had approximately C\$154 million outstanding under the TH Facility with a weighted average interest rate of 5.37%.

Debt Issuance Costs

During 2024, we incurred aggregate deferred financing costs of \$41 million in connection with the First 2024 Amendment, the Second 2024 Amendment, the issuance of the 6.125% First Lien Senior Notes due 2029 and the issuance of the 5.625% First Lien Senior Notes due 2029. During 2023, we incurred aggregate deferred financing costs of \$44 million in connection with the 7th Amendment. We did not incur any significant deferred financing costs during 2022.

Loss on Early Extinguishment of Debt

During 2024, we recorded a \$33 million loss on early extinguishment of debt that primarily reflects expensing of fees and the write-off of unamortized debt issuance costs in connection with various amendments to our credit agreement and the full redemption of our outstanding 5.750% first lien senior notes due 2025. During 2023, we recorded a \$16 million loss on early extinguishment of debt that primarily reflects expensing of fees in connection with the 7th Amendment and the write-off of unamortized debt issuance costs.

Note 10. Leases

As of December 31, 2024, we leased or subleased approximately 4,600 restaurant properties to franchisees under operating leases, direct financing leases and sales-type leases where we are the lessor. Initial lease terms generally range from 10 to 20 years. Most leases to franchisees provide for fixed monthly payments and many provide for future rent escalations and renewal options. Certain leases also include provisions for variable rent, determined as a percentage of sales, generally when annual sales exceed specific levels. Lessees typically bear the cost of maintenance, insurance and property taxes.

We lease land, buildings, equipment, office space and warehouse space from third parties. Land and building leases generally have an initial term of 10 to 20 years, while land-only lease terms can extend longer, and most leases provide for fixed monthly payments. Many of these leases provide for future rent escalations and renewal options. Certain leases also include provisions for variable rent payments, determined as a percentage of sales, generally when annual sales exceed specified levels. Most leases also obligate us to pay, as lessee, variable lease cost related to maintenance, insurance and property taxes.

We are generally permanently reinvested on any potential outside basis differences except for unremitted earnings and profits and thus do not record a deferred tax liability for such outside basis differences. To the extent of unremitted earnings and profits, we generally review various factors including, but not limited to, forecasts and budgets of financial needs of cash for working capital, liquidity and expected cash requirements to fund our various obligations and record deferred taxes to the extent we expect to distribute.

We had \$44 million and \$58 million of unrecognized tax benefits at December 31, 2024 and December 31, 2023, respectively, which if recognized, would favorably affect the effective income tax rate. A reconciliation of the beginning and ending amounts of unrecognized tax benefits is as follows (in millions):

	2024	2023	2022
Beginning balance	\$ 58	\$ 139	\$ 437

Ending balance	<u>\$ 44</u>	<u>\$ 58</u>	<u>\$ 139</u>

Although the timing of the resolution, settlement, and closure of any audits is highly uncertain, it is reasonably possible that the balance of gross unrecognized tax benefits could significantly change in the next 12 months. We do not expect to reduce unrecognized tax benefits during the twelve months beginning January 1, 2025.

We recognize interest and penalties related to unrecognized tax benefits in income tax expense. The total amount of accrued interest and penalties was \$12 million and \$11 million at December 31, 2024 and 2023, respectively. Potential interest and penalties associated with uncertain tax positions in various jurisdictions recognized was \$3 million during 2024, \$4 million during 2023 and \$3 million during 2022. To the extent interest and penalties are not assessed with respect to uncertain tax positions, amounts accrued will be reduced and reflected as a reduction of the overall income tax provision.

We file income tax returns with Canada and its provinces and territories. Generally, we are subject to routine examinations by the Canada Revenue Agency (“CRA”). The CRA is conducting examinations of the 2015 through 2020 taxation years. Additionally, income tax returns filed with various provincial jurisdictions are generally open to examination for periods up to six years subsequent to the filing and assessment of the respective return.

We also file income tax returns, including returns for our subsidiaries, with U.S. federal, U.S. state, and other foreign jurisdictions. We are subject to routine examination by taxing authorities in the U.S. jurisdictions, as well as other foreign tax jurisdictions. Taxable years of such U.S. companies are closed through 2020 for U.S. federal income tax purposes. We have various U.S. federal, state and other foreign income tax returns in the process of examination. From time to time, these audits result in proposed assessments where the ultimate resolution may result in owing additional taxes. We believe that our tax positions comply with applicable tax law and that we have adequately provided for these matters.

Note 12. Derivative Instruments

Disclosures about Derivative Instruments and Hedging Activities

We enter into derivative instruments for risk management purposes, including derivatives designated as cash flow hedges and derivatives designated as net investment hedges. We use derivatives to manage our exposure to fluctuations in interest rates and currency exchange rates.

Interest Rate Swaps

At December 31, 2024, we had outstanding receive-variable, pay-fixed interest rate swaps with a total notional value of \$3,500 million to hedge the variability in the interest payments on a portion of our Term Loan Facilities, including any subsequent refinancing or replacement of the Term Loan Facilities, beginning August 31, 2021 through the termination date of October 31, 2028. Additionally, at December 31, 2024, we also had outstanding receive-variable, pay-fixed interest rate swaps with a total notional value of \$500 million to hedge the variability in the interest payments on a portion of our Term Loan Facilities effective September 30, 2019 through the termination date of September 30, 2026. Following the discontinuance of the U.S. dollar LIBOR after June 30, 2023, the interest rate on all these interest rate swaps transitioned from LIBOR to SOFR, with no impact to hedge effectiveness and no change in accounting treatment as a result of applicable accounting relief guidance for the transition away from LIBOR. At inception, all of these interest rate swaps were designated as cash flow hedges for hedge accounting. The unrealized changes in market value are recorded in AOCI, net of tax, and reclassified into interest expense during the period in which the hedged forecasted transaction affects earnings.

In connection with the Carrols Acquisition, we assumed a receive-variable, pay-fixed interest rate swap utilizing SOFR as the benchmark interest rate with a total notional value of \$120 million to hedge the variability in the interest payments on a portion of our Term Loan Facilities, including any subsequent refinancing or replacement of the Term Loan Facilities, through the termination date of February 28, 2025. This interest rate swap is designated as a cash flow hedge for hedge accounting and the unrealized changes in market value are recorded in AOCI, net of tax, and reclassified into interest expense during the period in which the hedged forecasted transaction affects earnings.

At December 31, 2024, the net amount of pre-tax gains that we expect to be reclassified from AOCI into interest expense within the next 12 months is \$89 million.

Cross-Currency Rate Swaps

To protect the value of our investments in our foreign operations against adverse changes in foreign currency exchange rates, we hedge a portion of our net investment in one or more of our foreign subsidiaries by using cross-currency rate swaps. At December 31, 2024, we had outstanding cross-currency rate swap contracts between the Canadian dollar and U.S. dollar and the euro and U.S. dollar that have been designated as net investment hedges of a portion of our equity in foreign operations in those currencies. The component of the gains and losses on our net investment in these designated foreign operations driven by changes in foreign exchange rates are economically partly offset by movements in the fair value of our cross-currency swap contracts. The fair value of the swaps is calculated each period with changes in fair value reported in AOCI, net of tax. Such amounts will remain in AOCI until the complete or substantially complete liquidation of our investment in the underlying foreign operations.

At December 31, 2024, we had outstanding cross-currency rate swaps in which we receive quarterly fixed-rate interest payments on the U.S. dollar notional value of \$5,700 million to partially hedge the net investment in our Canadian subsidiaries. In November 2024, we restructured \$5,000 million of cross-currency rate swaps, of which \$1,950 million have a maturity of September 30, 2028, \$1,400 million have a maturity of October 31, 2029 and \$1,650 million have a maturity of October 31, 2030. The restructure resulted in a re-designation of the hedge and the swaps continue to be accounted for as a net investment hedge. Additionally, in November 2024 we entered into cross-currency rate swaps in which we receive quarterly fixed-rate interest payments on the U.S. dollar notional value of \$700 million through the maturity date of October 31, 2027 ("incremental swaps"). At inception, these cross-currency rate swaps were designated as a hedge and are accounted for as a net investment hedge. Excluding the incremental swaps, at all times during 2024, 2023, and 2022, we have had \$5,000 million of notional amount of cross-currency rate swaps between the Canadian dollar and U.S. dollar designated as hedges.

During 2022, we de-designated existing cross-currency rate swap hedges between the Canadian dollar and U.S. dollar with a total notional amount of \$5,000 million for hedge accounting. As a result of these de-designations, changes in fair value of these undesignated hedges were recognized in earnings. Concurrently with these de-designations and to offset the changes in fair value recognized in earnings, we entered into off-setting cross-currency rate swaps, with a total notional amount of \$5,000 million, that were not designated as a hedge for hedge accounting and as such changes in fair value were recognized in earnings. The balances in AOCI associated with the de-designated cross-currency rate swaps will remain in AOCI and will only be reclassified into earnings if and when the net investment in our Canadian subsidiaries is sold or substantially sold. The entire notional amount of the de-designated cross-currency rate swaps and the off-setting cross-currency rate swaps were cash settled during 2022 for approximately \$35 million in net proceeds and included within investing activities in the consolidated statements of cash flows.

At December 31, 2024, we had outstanding cross-currency rate swap contracts between the euro and U.S. dollar in which we receive quarterly fixed-rate interest payments on the U.S. dollar aggregate amount of \$2,750 million, of which \$1,400 million were entered during 2023 and have a maturity date of October 31, 2026, \$1,200 million were entered during 2023 and have a maturity date of November 30, 2028, and \$150 million were entered during 2021 and have a maturity date of October 31, 2028. At inception, these cross-currency rate swaps were designated and continue to be hedges and are accounted for as net investment hedges. The cross-currency rate swaps that were entered during 2023 replaced our previously existing cross-currency rate swaps with a total notional value of \$2,100 million that were settled in 2023 as detailed below.

During 2023, we settled our previously existing cross-currency rate swaps in which we paid quarterly fixed-rate interest payments on the euro notional amount of €1,108 million and received quarterly fixed-rate interest payments on the U.S. dollar notional amount of \$1,200 million and an original maturity date of February 17, 2024. During 2023, we also settled our previously existing cross-currency rate swap contracts between the euro and U.S. dollar with a notional value of \$900 million and an original maturity date of February 17, 2024. In connection with these settlements, we received \$69 million in cash which is included within investing activities in the consolidated statements of cash flows.

In connection with the cross-currency rate swaps hedging Canadian dollar and euro net investments, we utilize the spot method to exclude the interest component (the "Excluded Component") from the accounting hedge without affecting net investment hedge accounting and amortize the Excluded Component over the life of the derivative instrument. The amortization of the Excluded Component is recognized in Interest expense, net in the consolidated statements of operations. The change in fair value that is not related to the Excluded Component is recorded in AOCI and will be reclassified to earnings when the foreign subsidiaries are sold or substantially liquidated.

Foreign Currency Exchange Contracts

We use foreign exchange derivative instruments to manage the impact of foreign exchange fluctuations on U.S. dollar purchases and payments, such as coffee purchases made by our Canadian Tim Hortons operations. At December 31, 2024, we had outstanding forward currency contracts to manage this risk in which we sell Canadian dollars and buy U.S. dollars with a notional value of \$169 million with maturities to January 15, 2026. We have designated these instruments as cash flow hedges, and as such, the unrealized changes in market value of effective hedges are recorded in AOCI and are reclassified into earnings during the period in which the hedged forecasted transaction affects earnings.

Credit Risk

By entering into derivative contracts, we are exposed to counterparty credit risk. Counterparty credit risk is the failure of the counterparty to perform under the terms of the derivative contract. When the fair value of a derivative contract is in an asset position, the counterparty has a liability to us, which creates credit risk for us. We attempt to minimize this risk by selecting counterparties with investment grade credit ratings and regularly monitoring our market position with each counterparty.

Note 13. Equity

Pursuant to the terms of the partnership agreement, RBI, as the holder of Class A common units, is entitled to distributions from Partnership in an amount equal to the aggregate dividends payable by RBI to holders of RBI common shares, and the holders of Partnership exchangeable units are entitled to receive distributions from Partnership in an amount per unit equal to the dividend payable by RBI on each RBI common share. Additionally, if RBI proposes to redeem, repurchase or otherwise acquire any RBI common shares, the partnership agreement requires that Partnership, immediately prior to such redemption, repurchase or acquisition, make a distribution to RBI on the Class A common units in an amount sufficient for RBI to fund such redemption, repurchase or acquisition, as the case may be. Each holder of a Partnership exchangeable unit is entitled to vote in respect of matters on which holders of RBI common shares are entitled to vote through one special voting share of RBI. A holder of a Partnership exchangeable unit may require Partnership to exchange all or any portion of such holder's Partnership exchangeable units for RBI common shares at a ratio of one common share for each Partnership exchangeable unit, subject to RBI's right as the general partner of Partnership, in its sole discretion, to deliver a cash payment in lieu of RBI common shares. If RBI elects to make a cash payment in lieu of issuing common shares, the amount of the payment will be the weighted average trading price of the RBI common shares on the New York Stock Exchange for the 20 consecutive trading days ending on the last business day prior to the exchange date.

Pursuant to exchange notices received, Partnership exchanged 6,559,187, 9,398,876 and 1,996,818 Partnership exchangeable units in 2024, 2023 and 2022, respectively. In accordance with the terms of the partnership agreement, Partnership satisfied the exchange notices by exchanging these Partnership exchangeable units for the same number of newly issued RBI common shares and each such Partnership exchangeable unit was cancelled concurrently with the exchange. Partnership exchangeable units exchanged for RBI common shares subsequent to December 31, 2023 also result in the issuance of additional Partnership Class A common units to RBI in an amount equal to the number of RBI common shares exchanged. The exchanges of Partnership exchangeable units were recorded as increases to the Class A common units balance within partner's capital in our consolidated balance sheets in an amount equal to the market value of the newly issued RBI common shares and a reduction to the Partnership exchangeable units balance within partner's capital of our consolidated balance sheets in an amount equal to the cash paid by Partnership and the market value of the newly issued RBI common shares.

RBI Share Repurchases

On August 31, 2023, the RBI board of directors approved a share repurchase program that allows RBI to purchase up to \$1,000 million of RBI common shares until September 30, 2025. During 2024, RBI did not repurchase any RBI common shares. During 2023, RBI repurchased and cancelled 7,639,137 common shares for \$500 million. During 2022, RBI repurchased and cancelled 6,101,364 common shares for \$326 million. Pursuant to the terms of the partnership agreement, Partnership made a distribution to RBI on the Class A common units in an amount sufficient for RBI to fund such share repurchases.

Note 14. Share-based Compensation

Share-based compensation expense associated with the participation of Partnership and its subsidiaries in RBI's share-based compensation plans is recognized in Partnership's Financial Statements.

RBI is currently issuing awards under the 2023 Omnibus Incentive Plan (the "2023 Plan") and the number of shares available for issuance under such plan as of December 31, 2024 was 13,641,631. The 2023 Plan permits the grant of several types of awards with respect to RBI common shares, including stock options, time-vested RSUs, and performance-based RSUs, which may include RBI, S&P 500 Index and/or individual performance based-vesting conditions.

RBI also has some outstanding awards under legacy plans for Burger King and Tim Hortons, which were assumed in connection with the merger and amalgamation of those entities within the RBI group. No new awards may be granted under the Amended and Restated 2014 Omnibus Incentive Plan as amended that preceded the 2023 Plan or these legacy Burger King or legacy Tim Hortons plans.

Share-based compensation expense is generally classified as general and administrative expenses in the consolidated statements of operations and consists of the following for the periods presented (in millions):

	2024	2023	2022
Total share-based compensation expense	\$ 161	\$ 177	\$ 121

As of December 31, 2024, total unrecognized compensation cost related to share-based compensation arrangements was \$218 million and is expected to be recognized over a weighted-average period of approximately 2.5 years.

Restricted Stock Units

RSUs are generally entitled to dividend equivalents, which are not distributed unless the related awards vest. Upon vesting, the amount of the dividend equivalent, which is distributed in additional RSUs, except in the case of RSUs awarded to non-management members of RBI's board of directors, is equal to the equivalent of the aggregate dividends declared on common shares during the period from the date of grant of the award compounded until the date the shares underlying the award are delivered. RBI grants fully vested RSUs, with dividend equivalent rights that accrue in cash, to non-employee members of its board of directors in lieu of a cash retainer and committee fees. All such RSUs will settle and common shares of RBI will be issued following termination of service by the board member.

Starting in 2021, grants of time-vested RSUs generally vest 25% per year on December 15th or 31st over four years from the grant date and performance-based RSUs generally cliff vest three years from the grant date (the starting date for the applicable vesting period is referred to as the "Anniversary Date"). Time-vested RSUs and performance-based RSUs awarded prior to 2021 generally cliff vest five years from the original grant date.

During 2022, RBI granted performance-based RSUs that cliff vest three years from the original grant date based on achievement of performance metrics with a multiplier that can increase or decrease the amount vested based on the achievement of contractually defined relative total shareholder return targets with respect to the S&P 500 Index. Performance-based RSUs granted in 2021, 2023 and 2024 cliff vest three years from the original grant date based solely on defined relative total shareholder return targets with respect to the S&P 500 Index. Performance-based RSUs granted to the CEO of RBI in 2023 cliff vest five years from the date of grant and may be earned from 50% for threshold performance to 200% for maximum performance, based on meeting performance targets tied to the appreciation of the price of RBI common shares, with none of the award being earned if the threshold is not met. The respective fair value of these performance-based RSU awards was based on a Monte Carlo Simulation valuation model and these market condition awards are expensed over the vesting period. The total fair value of performance-based RSUs that solely have a performance condition relative to the S&P 500 Index does not change regardless of the value that the award recipients ultimately receive.

For grants of time-vested RSUs, if the employee is terminated for any reason prior to any vesting date, the employee will forfeit all of the RSUs that are unvested at the time of termination. For grants of performance-based RSUs beginning in 2021, if the employee is terminated within the first two years of the Anniversary Date, 100% of the performance-based RSUs will be forfeited. If we terminate the employment of a performance-based RSU holder without cause at least two years after the grant date, or if the employee retires, the employee will become vested in 67% of the performance-based RSUs that are earned based on the performance criteria.

An alternate ratable vesting schedule applies to the extent the participant ends employment by reason of death or disability.

Chairman Awards

In connection with the appointment of the RBI Executive Chairman in November 2022, RBI made one-time grants of options, RSUs and performance-based RSUs with specific terms and conditions. RBI granted 2,000,000 options with an exercise price equal to the closing price of RBI common shares on the trading day preceding the date of grant that cliff vest five years from the date of grant and expire after ten years. RBI granted 500,000 RSUs that vest ratably over five years on the anniversary of the grant date. Lastly, RBI granted 750,000 performance-based RSUs that cliff vest five and a half years from the date of grant and may be earned from 50% for threshold performance to 200% for maximum performance, based on meeting performance targets tied to the appreciation of the price of RBI common shares, with none of the award being earned if the threshold is not met. The respective fair value of these performance-based RSU awards was based on a Monte Carlo Simulation valuation model and these market condition awards are expensed over the vesting period regardless of the value that the award recipient ultimately receives.

Restricted Stock Units Activity

The following is a summary of time-vested RSUs and performance-based RSUs activity for the year ended December 31, 2024:

	Time-vested RSUs		Performance-based RSUs

Outstanding at December 31, 2024	2,359	\$ 62.74	5,816	\$ 57.04

The weighted-average grant date fair value of time-vested RSUs granted was \$68.40 and \$57.24 during 2023 and 2022, respectively. The weighted-average grant date fair value of performance-based RSUs granted was \$59.66 and \$51.31 during 2023 and 2022, respectively. The total fair value, determined as of the date of vesting, of RSUs vested and converted to common shares of RBI during 2024, 2023 and 2022 was \$271 million, \$141 million and \$58 million, respectively.

Stock Options

RBI satisfies stock option exercises through the issuance of authorized but previously unissued common shares. Stock option grants generally cliff vest 5 years from the original grant date, provided the employee is continuously employed by RBI or one of our affiliates, and the stock options expire 10 years following the grant date. Additionally, if RBI terminates the employment of a stock option holder without cause prior to the vesting date, or if the employee retires or becomes disabled, the employee will become vested in the number of stock options as if the stock options vested 20% on each anniversary of the grant date. If the employee dies, the employee will become vested in the number of stock options as if the stock options vested 20% on the first anniversary of the grant date, 40% on the second anniversary of the grant date and 100% on the third anniversary of the grant date. If an employee is terminated with cause or resigns before vesting, all stock options are forfeited. If there is an event such as a return of capital or dividend that is determined to be dilutive, the exercise price of the awards will be adjusted accordingly.

The following assumptions were used in the Black-Scholes option-pricing model to determine the fair value of stock option awards granted in 2022 at the grant date. There were no significant stock option awards granted in 2024 or 2023.

	2022
Risk-free interest rate	3.92%
Expected term (in years)	7.50
Expected volatility	30.0%
Expected dividend yield	3.24%

The risk-free interest rate was based on the U.S. Treasury or Canadian Sovereign bond yield with a remaining term equal to the expected option life assumed at the date of grant. The expected term was calculated based on the analysis of a five-year vesting period coupled with RBI's expectations of exercise activity. Expected volatility was based on the historical and implied equity volatility of RBI. The expected dividend yield is based on the annual dividend yield at the time of grant.

Stock Options Activity

The following is a summary of stock option activity under our plans for the year ended December 31, 2024:

- (a) The intrinsic value represents the amount by which the fair value of RBI's stock exceeds the option exercise price at December 31, 2024.

The weighted-average grant date fair value per stock option granted was \$18.61, and \$17.52 during 2023 and 2022, respectively. No stock options were granted by RBI in 2024. The total intrinsic value of stock options exercised was \$38 million during 2024, \$30 million during 2023, and \$10 million during 2022.

Note 15. Revenue Recognition

Contract Liabilities

Contract liabilities consist of deferred revenue resulting from initial and renewal franchise fees paid by franchisees, as well as upfront fees paid by master franchisees, which are generally recognized on a straight-line basis over the term of the underlying agreement. We may recognize unamortized franchise fees and upfront fees when a contract with a franchisee or master franchisee is modified and is accounted for as a termination of the existing contract. We classify these contract liabilities as Other liabilities, net in our consolidated balance sheets. The following table reflects the change in contract liabilities on a consolidated basis between December 31, 2023 and December 31, 2024 (in millions):

Net losses (gains) on disposal of assets, restaurant closures, and refranchisings represent sales of properties and other costs related to restaurant closures and refranchisings. Gains and losses recognized in the current period may reflect certain costs related to closures and refranchisings that occurred in previous periods. The amount for 2023 includes asset write-offs and related costs in connection with the discontinuance of an internally developed software project.

Litigation settlements and reserves, net primarily reflects accruals and payments made and proceeds received in connection with litigation and arbitration matters and other business disputes.

Net losses (gains) on foreign exchange consist of remeasurement of foreign denominated assets and liabilities, primarily intercompany financing.

Other, net for 2023 and 2022 are primarily related to payments in connection with FHS area representative buyouts.

Note 17. Commitments and Contingencies
Letters of Credit

As of December 31, 2024, we had \$24 million in irrevocable standby letters of credit outstanding, which were issued primarily to certain insurance carriers to guarantee payments of deductibles for various insurance programs, such as health and commercial liability insurance. Of these letters of credit outstanding, \$2 million are secured by the collateral under our Revolving Credit Facility and the remainder are secured by cash collateral. As of December 31, 2024, no amounts had been drawn on any of these irrevocable standby letters of credit.

Purchase Commitments

As of December 31, 2024, we have arrangements for information technology and telecommunication services with an aggregate contractual obligation of \$84 million over the next five years, some of which have early termination fees and commitments to purchase advertising which totaled \$192 million, most of which is due within the next 12 months. We also entered into commitments to purchase beverage and restaurant equipment which totaled \$23 million over the next four years.

Litigation

From time to time, we are involved in legal proceedings arising in the ordinary course of business relating to matters including, but not limited to, disputes with franchisees, suppliers, employees and customers, as well as disputes over our intellectual property.

On October 5, 2018, a class action complaint was filed against Burger King Worldwide, Inc. (“BKW”) and Burger King Company, successor in interest, (“BKC”) in the U.S. District Court for the Southern District of Florida by Jarvis Arrington, individually and on behalf of all others similarly situated. On October 18, 2018, a second class action complaint was filed against RBI, BKW and BKC in the U.S. District Court for the Southern District of Florida by Monique Michel, individually and on behalf of all others similarly situated. On October 31, 2018, a third class action complaint was filed against BKC and BKW in the U.S. District Court for the Southern District of Florida by Geneva Blanchard and Tiffany Miller, individually and on behalf of all others similarly situated. On November 2, 2018, a fourth class action complaint was filed against RBI, BKW and BKC in the U.S. District Court for the Southern District of Florida by Sandra Munster, individually and on behalf of all others similarly situated. These complaints have been consolidated and allege that the defendants violated Section 1 of the Sherman Act by incorporating an employee no-solicitation and no-hiring clause in the standard form franchise agreement all Burger King franchisees are required to sign. Each plaintiff seeks injunctive relief and damages for himself or herself and other members of the class. On March 24, 2020, the Court granted BKC’s motion to dismiss for failure to state a claim and on April 20, 2020 the plaintiffs filed a motion for leave to amend their complaint. On April 27, 2020, BKC filed a motion opposing the motion for leave to amend. The court denied the plaintiffs motion for leave to amend their complaint in August 2020 and the plaintiffs appealed this ruling. In August 2022, the federal appellate court reversed the lower court’s decision to dismiss the case and remanded the case to the lower court for further proceedings. While we intend to vigorously defend these claims, we are unable to predict the ultimate outcome of this case or estimate the range of possible loss, if any.

On October 7, 2024, purported former shareholders of Carrols filed a complaint in the Court of Chancery of the State of Delaware against RBI and two individuals that were on the board of Carrols. The complaint alleges claims for breach of fiduciary duty by RBI, as a purported controlling shareholder of Carrols, and unjust enrichment by RBI in connection with the acquisition of Carrols, as well as claims for breaches of fiduciary duty by the two individual directors. The complaint generally alleges that RBI coerced Carrols into the transaction, and that the two directors failed to disclose that their interests differed from the interests of other Carrols shareholders, and that the two directors were not independent from RBI. The complaint seeks equitable relief, damages and fees and expenses. We filed a motion to dismiss in December 2024 and the plaintiffs filed an amended complaint in February 2025. We intend to vigorously defend these claims, however, we are unable to predict the ultimate outcome of this case or estimate the range of possible loss, if any.

Note 18. Segment Reporting and Geographical Information

As stated in Note 1, *Description of Business and Organization*, we manage four brands: *Tim Hortons*, *Burger King*, *Popeyes* and *Firehouse Subs*.

Our management structure and information regularly reviewed by our Chief Executive Officer, who is our Chief Operating Decision Maker (“CODM”), reflects five operating and reportable segments that reflect our franchisor operations consistent with how the business will be managed long-term. Additionally, following the Carrols Acquisition and PLK China Acquisition in the second quarter of 2024, we established a sixth operating and reportable segment, which includes results from the Burger King restaurants acquired as part of the Carrols Acquisition and the PLK China restaurants and will include results from Firehouse Subs Brazil (“FHS Brazil”) beginning in 2025, to reflect the manner in which our CODM manages and assesses performance of these acquired businesses. As a result, our six operating and reportable segments consist of the following:

1. Tim Hortons – operations of our Tim Hortons brand in Canada and the U.S. (“TH”);
2. Burger King – operations of our Burger King brand in the U.S. and Canada, excluding results of Burger King restaurants acquired as part of the Carrols Acquisition, included in our RH segment (defined below) (“BK”);
3. Popeyes Louisiana Kitchen – operations of our Popeyes brand in the U.S. and Canada (“PLK”);
4. Firehouse Subs – operations of our Firehouse Subs brand in the U.S. and Canada (“FHS”);
5. International – operations of each of our brands outside the U.S. and Canada, excluding results of PLK China and FHS Brazil restaurants included in our RH segment (“INTL”); and
6. Restaurant Holdings – operations of Burger King restaurants acquired as part of the Carrols Acquisition and the operations of PLK China and FHS Brazil restaurants (“RH”).

Table of Contents

Our measure of segment income is Adjusted Operating Income which represents income from operations adjusted to exclude (i) franchise agreement and reacquired franchise right intangible asset amortization as a result of acquisition accounting, (ii) (income) loss from equity method investments, net of cash distributions received from equity method investments, (iii) other operating expenses (income), net and, (iv) income/expenses from non-recurring projects and non-operating activities. For the periods referenced, income/expenses from non-recurring projects and non-operating activities included (i) non-recurring fees and expenses incurred in connection with the Carrols Acquisition and the PLK China Acquisition consisting primarily of professional fees, compensation-related expenses and integration costs (“RH Transaction costs”); (ii) non-recurring fees and expense incurred in connection with the acquisition of Firehouse Subs consisting primarily of professional fees, compensation-related expenses and integration costs (“FHS Transaction costs”); and (iii) non-operating costs from professional advisory and consulting services associated with certain transformational corporate restructuring initiatives that rationalize our structure and optimize cash movements as well as services related to significant tax reform legislation and regulations (“Corporate restructuring and advisory fees”).

The following tables present total segment revenues, significant segment expenses that are regularly reviewed by the CODM to manage and assess segment performance and segment income, as well as depreciation and amortization, (income) loss from equity method investments, and capital expenditures by segment (in millions). For the periods referenced, segment franchise and property expenses (“Segment F&P expenses”) for each segment excludes franchise agreement and reacquired franchise rights amortization and Segment G&A for each segment excludes RH Transaction costs, FHS Transaction costs and Corporate restructuring and advisory fees (each as defined below). For segment reporting purposes, capital expenditures include payments for additions of property and equipment during the period, as well as the change in accruals for additions of property and equipment since the prior period. For 2024, capital expenditures for RH excludes \$7 million of accruals for additions of property and equipment assumed in connection with the Carrols Acquisition.

Note 19. Supplemental Financial Information

1011778 B.C. Unlimited Liability Company (the "Parent Issuer") and New Red Finance Inc. (the "Co-Issuer" and together with the Parent Issuer, the "Issuers") entered into indentures for the Senior Notes described in Note 9, *Long-Term Debt*. The indentures allow the financial reporting obligation of the Parent Issuer to be satisfied through the reporting of Partnership's consolidated financial information, provided that the consolidated financial information of the Parent Issuer and its restricted subsidiaries is presented on a standalone basis.

The following represents the condensed consolidating financial information for the Parent Issuer and its restricted subsidiaries ("Consolidated Borrowers") on a consolidated basis, together with eliminations, as of and for the periods indicated. The condensed consolidating financial information of Partnership is combined with the financial information of its wholly-owned subsidiaries that are also parent entities of the Parent Issuer and presented in a single column under the heading "RBILP". The consolidating financial information may not necessarily be indicative of the financial position, results of operations or cash flows had the Issuers and Partnership operated as independent entities.

THIS AGREEMENT (the “**Agreement**”) is made as of the effective date set forth on the Key Contract Data page, by and between **FIREHOUSE OF AMERICA, LLC**, a Florida limited liability company, having its principal place of business at 4600 Touchton Road, Suite 300 and Suite 400, Jacksonville, Florida 32246, U.S.A. (“**Franchisor**” or “**Firehouse Subs**”), and the party identified as the franchisee on the Key Contract Data page (“**Franchisee**”).

WITNESSETH:

WHEREAS, Franchisor and its predecessor have developed, and Franchisor owns, a unique system for opening and operating restaurants specializing in the preparation, merchandising, advertising and sale of large portion submarine style sandwiches, and other quick-service menu items developed and owned by Franchisor, in a unique fire-fighting atmosphere and decorum (the “**Firehouse Subs System**” or “**System**”) and utilizing the Proprietary Marks (“**Firehouse Subs Restaurant(s)**”);

WHEREAS, the distinguishing characteristics of the Firehouse Subs System include the name “Firehouse Subs”; specially designed buildings, distinctive interior and exterior layouts, trade dress, decor, color schemes, and furnishings; confidential food and beverage formulas and recipes; specialized menus; and standards and specifications for equipment, equipment layouts, products, operating procedures, and training programs, all of which may be changed, improved, and further developed by Franchisor from time to time;

WHEREAS, Franchisor identifies the Firehouse Subs System by means of certain trade names, service marks, trademarks, logos, emblems, and other indicia of origin, including the marks “Firehouse Subs” and “Founded by Firemen” and such other trade names, service marks, trademarks and trade dress (including all forms of art displayed in the Franchised Restaurant, including murals, paintings, pictures, drawings, sculptures and photographs that Franchisor directs Franchisee to display, further including the firehouse-themed mural commissioned for the Franchised Restaurant (collectively, the “**Art**”)) as are now, or may hereafter, be designated by Franchisor for use in connection with the Firehouse Subs System (collectively referred to as the “**Proprietary Marks**”);

WHEREAS, Franchisor continues to develop, use, and control the use of such Proprietary Marks in order to identify for the public the source of services and products marketed thereunder in the Firehouse Subs System and to represent the System’s high standards of quality, appearance, and service;

WHEREAS, Franchisee wishes to be assisted, trained, and licensed by Franchisor as a Firehouse Subs franchisee and licensed to use, in connection therewith, the Proprietary Marks;

WHEREAS, Franchisee understands the importance of the Firehouse Subs System and Franchisor’s high and uniform standards of quality, cleanliness, appearance, and service, and the

necessity of opening and operating Firehouse Subs Restaurants in conformity with the Firehouse Subs System;

NOW, THEREFORE, the parties hereto agree as follows:

I. APPOINTMENT; OPENING OF FRANCHISED RESTAURANT

1.01. Franchisor grants to Franchisee a franchise to open and operate a Firehouse Subs Restaurant at the location set forth on the Key Contract Data page attached hereto and incorporated by reference herein (the **“Franchised Restaurant”**), only upon the terms and conditions herein contained, and a license to use the Proprietary Marks and the Firehouse Subs System in connection therewith.

1.02. Trade Area.

A. Subject to the terms and conditions of this Agreement and provided Franchisee is not otherwise in default of this Agreement and/or any other agreement between Franchisor (or any parent, subsidiary or affiliate of Franchisor) and Franchisee (or any parent, subsidiary or affiliate of Franchisee), Franchisor shall not establish, nor franchise another to establish a Firehouse Subs Restaurant, for the Term, that is physically located within a geographic area immediately surrounding the Franchised Restaurant equal to a one (1) mile radius around the Franchised Restaurant (the **“Trade Area”**), without Franchisee’s prior written consent.

B. During the Term, Franchisor (and any parent, subsidiary or affiliate of Franchisor) retains the right, in its sole discretion:

1. to establish, or franchise another to establish Firehouse Subs Restaurants at Nontraditional Locations within the Trade Area. **“Nontraditional Locations”** means locations for which the majority of the persons entering the premises typically do so for purposes other than patronizing the Firehouse Subs Restaurant, including, but not limited to enclosed shopping malls, airports, military installations, hotels, railway stations and their direct surroundings, bus stations, service plazas established by governmental or quasi-governmental entities on motorways and highways, gas stations, convenience stores, universities and schools, amusement parks, cruise ships, hospitals and residences, stadiums, sports centers and clubs, and similar locations for distribution;

2. to operate, or permit others to operate, in the Trade Area: (a) Firehouse Subs Restaurants that are operating as of the effective date of this Agreement as set forth on the Key Contract Data page; (b) Firehouse Subs Restaurants that were previously operated and closed as of the effective date of this Agreement as set forth on the Key Contract Data page, provided that (i) the premises of such restaurants were most recently operated as a Firehouse Subs Restaurant and (ii) such restaurants reopen within three (3) years of their respective closing dates; and (c) Firehouse Subs Restaurants to be

operated pursuant to franchise agreements already executed at the time of this Agreement;

3. to sell and provide the services authorized for sale by Firehouse Subs Restaurants under the Proprietary Marks or other trade names, trademarks, service marks and commercial symbols through similar or dissimilar channels (like telephone, mail order, kiosk, co-branded sites and sites located within other retail businesses, Intranet, Internet, web sites, wireless, email or other forms of e-commerce) for distribution within the Trade Area and pursuant to such terms and conditions as Franchisor considers appropriate.

1.03 No Trade Area for Nontraditional Locations. The provisions of the above Section 1.02.A. shall not apply to Firehouse Subs Restaurants located at Nontraditional Locations. Firehouse Subs Restaurants located at Nontraditional Locations do not receive Trade Areas.

1.04. Limited Exclusivity. Except as expressly set forth herein: (i) the franchise granted to Franchisee under this Agreement is non-exclusive, and grants to Franchisee the rights to establish and operate the Franchised Restaurant at only the specific location set forth on the Key Contract Data page; (ii) no exclusive, protected or other territorial rights within or outside the market where the Franchised Restaurant is located are hereby granted or to be inferred; and (iii) Franchisor and/or its parents, subsidiaries or affiliates have the right to operate and grant as many other franchises for the operation of Firehouse Subs Restaurants, anywhere in the world, as they shall, in their sole discretion, elect.

1.05. Right to Open the Franchised Restaurant.

A. Prior to opening the Franchised Restaurant (or re-opening the Franchised Restaurant in the case of a transfer of an existing Franchised Restaurant), Franchisor reserves the right to conduct a final inspection of the Franchised Restaurant and its premises to determine if Franchisee has complied with this Agreement. Franchisor shall not be liable for delays or loss occasioned by its inability to complete its inspection prior to Franchisee's scheduled opening date. Franchisee shall not open the Franchised Restaurant for business without the express written authorization of Franchisor, which may be withheld unless Franchisee has satisfied the following conditions:

1. Franchisee is not in material default under this Agreement or any other agreements with Franchisor.

2. Franchisee is current on all monetary obligations due Franchisor and Franchisor's suppliers and has paid Franchisor the balance of the initial fees required by this Agreement and any amendment to this Agreement.

3. Franchisee has constructed the Franchised Restaurant substantially in accordance with plans approved by Franchisor and with applicable laws, ordinances and local codes.

4. Franchisee has decorated the interior of the Franchised Restaurant and purchased or leased and installed all specified and required fixtures, equipment, furnishings and signs substantially in accordance with Franchisor's standards and specifications and only from suppliers designated or approved by Firehouse Subs, which may include Franchisor.

5. Franchisee has obtained a certificate of occupancy and all other required building, utility, health, sign, sanitation, safety or fire department certificates, and other permits and licenses applicable to the Franchised Restaurant. If requested by Franchisor, Franchisee shall submit a copy of the certificate of occupancy to Franchisor.

6. Franchisee has hired and trained a staff in accordance with the requirements of this Agreement.

7. Franchisee has purchased an opening inventory for the Franchised Restaurant of only authorized and approved products and other materials and supplies.

8. If Franchisee leases the location of the Franchised Restaurant, Franchisor has been furnished with a copy of a fully executed lease for the location of the Franchised Restaurant, and Franchisee is current on all monetary obligations due to Franchisee's landlord.

9. Franchisee has furnished to Franchisor copies of all insurance policies required by this Agreement or such other evidence of insurance coverage and payment of premiums as Franchisor reasonably may request.

II. TERM

2.01. Except as otherwise provided in this Agreement, the initial term of this Agreement (the "**Term**") shall be for the period of time set forth on the Key Contract Data page, which shall commence on the date set forth on the Key Contract Data page (as determined by Franchisor). Franchisee agrees and shall be obligated to operate the Franchised Restaurant and perform hereunder for the full Term. Notwithstanding anything set forth below, if Franchisee continues to operate the Franchised Restaurant after the end of the Term without express written authorization from Franchisor to do so and does not renew this franchise in accordance with this Section, Franchisee shall be deemed to be operating such Franchised Restaurant on a month-to-month basis under the terms and conditions of this Agreement and Franchisor may terminate this Agreement at any time after the end of the Term upon thirty (30) days prior written notice.

2.02. Franchisee may, at its option, renew this franchise for one (1) additional period of ten (10) years (the "**Renewal Term**"), provided that, at the time of renewal:

A. Franchisee gives Franchisor written notice of such election to renew not less than six (6) months nor more than twelve (12) months prior to the end of the initial Term;

B. Franchisee executes Franchisor's then-current standard form of franchise agreement, which may differ from this Agreement as to ownership requirements and include a higher royalty fee and a higher system fund contribution, if any, than that contained in this Agreement; and the term of which shall be the Renewal Term as specified in Section 2.02. hereof;

C. Franchisee executes a general release in a form prescribed by Franchisor of any and all claims against Franchisor and its parents, subsidiaries, and affiliates, and their respective officers, directors, agents, and employees;

D. Franchisee is in "good standing" and not otherwise in default of any provision of this Agreement, or any amendment hereof or successor hereto, or any other agreement between Franchisee and Franchisor, or any parent, subsidiary or affiliate of Franchisor, and Franchisee has fully and faithfully performed all of Franchisee's obligations throughout the Term. For the purposes of this Agreement, Franchisee shall be considered in "good standing" if Franchisee is in compliance with the terms and conditions of this Agreement and the following conditions:

1. Any and all amounts owed to Franchisor and/or its parent, subsidiaries or affiliates under any agreement between Franchisor and Franchisee, are current (*i.e.*, there are no amounts delinquent), including Royalty, System Fund Contribution, lease payments, promissory note payments, and all related documents, reports and financial statements have been provided as required by Franchisor;

2. Franchisee's operation of any and all restaurants and/or other businesses operated under any agreement between Franchisee and Franchisor (or any parent, subsidiary or affiliate of Franchisor) are in compliance with the standards set forth in the respective franchise agreements and manuals applicable to such restaurants and/or businesses, or as otherwise set forth in writing;

3. Franchisee does not, at such time, operate any franchised restaurant which has failed to meet Franchisor's quality, service and/or cleanliness standards applicable to such restaurant;

4. Franchisee is in compliance with all the material terms and conditions of any and all agreements between Franchisee and Franchisor, including any franchise agreement, development agreement, lease agreement, promissory note;

5. There is, at such time, no pending or threatened litigation between Franchisee and Franchisor (or any parent, subsidiary or affiliate of Franchisor); and

6. Franchisee meets all then-current financial ratios that Franchisor uses to evaluate new franchisees for financial approval.

E. Franchisee has paid or otherwise satisfied all monetary obligations owed by Franchisee to Franchisor and its parents, subsidiaries and affiliates and any indebtedness of Franchisee which is guaranteed by Franchisor, and Franchisee has timely paid or otherwise satisfied these obligations throughout the Term;

F. Franchisee has, at its sole cost and expense, reimaged, renovated, refurbished and modernized the Franchised Restaurant, within three (3) years prior to the end of the Term, including the building design, parking lot, landscaping, equipment, signs, interior and exterior decor items, fixtures, furnishings, trade dress, color scheme, presentation of trademarks and service marks, supplies and other products and materials to meet Franchisor's then-current standards, specifications and design criteria for Firehouse Subs Restaurants, as contained in the form of franchise agreement disclosed in the then current Franchise Disclosure Document, the Manual, or otherwise communicated by Franchisor in writing, including such structural changes, remodeling and redecoration and such modifications to existing improvements as may be necessary to do so; and

G. Franchisee shall pay to Franchisor a renewal fee in the amount set forth on the Key Contract Data page above when Franchisee signs the franchise agreement for the Renewal Term.

III. FEES

3.01. In consideration of the franchise granted to Franchisee herein, Franchisee shall pay to Franchisor the following:

A. An initial franchise fee equal to the amount set forth as the "Initial Franchise Fee" on the Key Contract Data page ("**Initial Franchise Fee**") payable prior to the opening of the Franchised Restaurant for business to the public. Such Initial Franchise Fee shall be fully earned by Franchisor upon payment by Franchisee.

B. A recurring, non-refundable royalty fee equal to the amount set forth as the "Royalty" on the Key Contract Data page ("**Royalty**") during the Term, payable weekly (or on such other basis as may be set forth in the Manual or otherwise agreed to in writing by Franchisor) on the Gross Sales of the preceding week.

C. A recurring fee for the use of Franchisor's mandated management information system equal to the amount set forth as the "MIS Fee" on the Key Contract Data page ("**MIS Fee**") during the Term, payable on or before the 1st day of January

each year (or on such other basis as may be set forth in the Manual or otherwise agreed to in writing by Franchisor). Upon signing this Agreement, Franchisee shall pay a proportionate share of the MIS Fee to cover the period from the Effective Date as set forth on the Key Contract Data page through December 31 of that year and commence the annual MIS Fee on January 1 of the next year. Franchisor will maintain the management information system. The MIS Fee does not cover, and Franchisor will not perform, bookkeeping, reporting or tax return services.

3.02. In addition to the payments provided for in Section 3.01. hereof, Franchisee, recognizing the value of advertising and the importance of the standardization of advertising and promotion to the goodwill and public image of the System, (i) acknowledges that Franchisor has established a system advertising fund (the “**System Fund**”) for such advertising, marketing and public relations programs and materials on a system-wide basis that Franchisor deems necessary or appropriate in its sole discretion, and (ii) agrees to pay to the System Fund a recurring, non-refundable system fund contribution in an amount to be determined by Franchisor, in its sole discretion, not to exceed the amount set forth as the “System Fund Contribution” on the Key Contract Data page (“**System Fund Contribution**”) for the preceding week, payable weekly (or on such other basis as may be set forth in the Manual or otherwise agreed to in writing by Franchisor). The System Fund Contribution shall be expended by Franchisor in accordance with the following conditions and limitations:

A. Franchisor will direct all programs financed by the System Fund, with sole discretion over the creative concepts, materials and endorsements, and the geographic, market and media placement and allocation. Franchisee agrees that the System Fund may be used to pay the costs of preparing and producing video, audio and written advertising materials; administering regional and multi-regional advertising programs, including, without limitation, purchasing direct mail and other media advertising and employing advertising, promotion and marketing agencies; marketing and advertising training programs and materials; and supporting public relations, market research and other advertising, promotion and marketing activities. The System Fund periodically will furnish Franchisee with samples of advertising, marketing and promotional formats and materials at no additional cost. Multiple copies of such materials will be furnished to Franchisee at Franchisor’s direct cost of producing them, plus any related shipping, handling and storage charges.

B. The System Fund will be accounted for separately from other funds of Franchisor and will not be used to defray any of Franchisor’s general operating expenses, except for such reasonable salaries, administrative costs, travel expenses and overhead, including rent and utilities, as Franchisor may incur in activities related to the administration of the System Fund and its programs, including, without limitation, conducting market research, preparing advertising, promotion and marketing materials and collecting and accounting for contributions to the System Fund. All interest earned on monies contributed to the System Fund will be used to pay advertising costs before other assets of the System Fund are expended. Franchisor may spend, on behalf of the System Fund, in any fiscal year an amount greater or less than the aggregate contribution of all Firehouse Subs Restaurants to the System Fund in that year. The System Fund may

borrow from Franchisor or others to cover deficits or invest any surplus for future use. If Franchisor lends money to the System Fund, Franchisor may charge interest at an annual rate one percent (1%) greater than the rates Franchisor pays its lenders. Franchisor will prepare an annual statement of monies collected and costs incurred by the System Fund and furnish the statement to Franchisee upon written request. Franchisor administers the System Fund through a separate incorporated Florida non-profit corporation, which has all of the rights and duties specified in this Agreement. Franchisor may change that arrangement at any time and either administer the System Fund directly or through another entity. If the System Fund is terminated, all unspent monies, less any outstanding accounts payable and other obligations, on the date of termination will be distributed to Firehouse Subs franchisees in proportion to their respective System Fund Contributions to the System Fund during the preceding twelve (12) weeks. Franchisor and its affiliates will contribute to the System Fund on the same basis as franchise owners for any Firehouse Subs Restaurants they own and operate.

C. Franchisee acknowledges that the System Fund is intended to maximize recognition of the Proprietary Marks and patronage of Firehouse Subs Restaurants. Although Franchisor will endeavor to utilize the System Fund to develop advertising and marketing materials and programs and to place advertising that will benefit all Firehouse Subs Restaurants, Franchisor undertakes no obligation to ensure that expenditures by the System Fund in or affecting any geographic area are proportionate or equivalent to the contributions to the System Fund by the Firehouse Subs Restaurants operating in that geographic area or that any Firehouse Subs Restaurant will benefit directly or in proportion to its contribution to the System Fund from the development of advertising and marketing materials or the placement of advertising. Except as expressly provided in this Section, Franchisor assumes no direct or indirect liability or obligation to Franchisee with respect to maintaining, directing, administering or collecting amounts due to the System Fund.

3.03. For the purposes of this Agreement, the term “**Gross Sales**” shall mean all revenues generated by Franchisee’s business conducted upon, from or with respect to the Franchised Restaurant, whether such sales are evidenced by cash, check, credit, charge, account, barter or exchange. Gross Sales shall include monies or credit received from the sale of food and merchandise, from tangible property of every kind and nature, promotional or otherwise, and for services performed from or at the Franchised Restaurant, including such off-premises services as catering and delivery. Gross Sales shall not include the sale of food or merchandise for which refunds have been made in good faith to customers, the sale of equipment used in the operation of the Franchised Restaurant, nor shall it include sales, meals, use or excise tax imposed by a governmental authority directly on sales and collected from customers; provided that the amount for such tax is added to the selling price or absorbed therein, and is actually paid by Franchisee to such governmental authority.

3.04. Franchisee’s payment of the Initial Franchise Fee, Royalty and System Fund Contributions shall be in accordance with the following terms and requirements:

A. Franchisee shall participate in Franchisor’s then-current electronic funds transfer program authorizing Franchisor to utilize a pre-authorized bank draft system. All

Royalty and System Fund Contributions applicable to the Gross Sales and other amounts owed under this Agreement, including interest charges must be received by Franchisor or credited to Franchisor's account by pre-authorized bank debit before 5:00 p.m. on the 12th day following the issuance of each invoice, or at a later point specified by Franchisor from time to time ("**Due Date**"). On each Due Date, Franchisor will transfer from the Franchised Restaurant's commercial bank operating account ("**Account**") the amount reported to Franchisor in Franchisee's remittance report or determined by Franchisor by the records contained in the POS System and the BOH System (as defined below) of the Franchised Restaurant.

B. Franchisee shall: (i) comply with payment procedures specified by Franchisor in the Manual or otherwise in writing; (ii) a minimum of five (5) business days prior to the opening date, deliver to Franchisor an authorization in such form as Franchisor may designate to initiate debit entries and/or credit correction entries to the Account for payments of the Royalty, System Fund Contributions and other amounts payable under this Agreement, including any interest charges; (iii) promptly upon request, perform those acts and sign and deliver those documents as may be necessary to accomplish payment by electronic funds transfer as described in this Section 3.04; and (iv) make sufficient funds available in the Account for withdrawal by electronic funds transfer no later than the Due Date for payment thereof.

C. Failure by Franchisee to have sufficient funds in the Account shall constitute a default of this Agreement pursuant to Section 15.03. Additionally, Franchisor may assess and debit from the Account a reasonable administrative charge for each notification of insufficient funds. Franchisee shall not be entitled to set off, deduct or otherwise withhold any Royalty, System Fund Contributions, interest charges or any other monies payable by Franchisee under this Agreement on grounds of any alleged non-performance by Franchisor of any of its obligations or for any other reason.

3.05. Notwithstanding the provisions of Section 3.04, Franchisor reserves the right to modify, at its option, the method by which Franchisee pays the Initial Franchise Fee, Royalty, System Fund Contributions and other amounts owed under this Agreement, including interest charges, upon receipt of written notice from Franchisor.

3.06. If any monetary obligations owed by Franchisee to Franchisor and/or its parents, subsidiaries and affiliates are more than seven (7) days overdue, Franchisee shall, in addition to such obligations, pay to Franchisor a sum equal to one and one-half percent (1.5%) of the overdue balance per month, or the highest rate permitted by law, whichever is less, from the date said payment is due.

3.07. All Royalties, System Fund Contributions, amounts due for purchases by Franchisee from Franchisor, and any interest accrued thereon, and any other amounts which Franchisee owes Franchisor, or Franchisor's subsidiaries, parents or affiliates, are subject to a late payment fee of \$250 for payment or report received by Franchisor five (5) days after its due date. The late payment fee is due immediately on any delinquent payments and for dishonored checks. In the event that Franchisee is delinquent in providing payment or reports on such basis as may be set forth in the Manual or otherwise agreed to in writing by Franchisor, Franchisor

may require Franchisee to pay all amounts due Franchisor by electronic transfer or cashier's check.

IV. ACCOUNTING AND RECORDS

4.01. Accurate Books and Records. During the Term and for seven (7) years following expiration or termination of this Agreement, Franchisee shall maintain and preserve, full, complete and accurate books, records and accounts in accordance with generally accepted accounting principles and in the form and the manner prescribed by Franchisor from time-to-time in the Manual or otherwise in writing. These records shall include daily and weekly sales records, daily and weekly sales mix records, meals, sales and other tax returns, duplicate deposit slips and other evidence of Gross Sales and all other business transactions.

4.02. Royalty Reports. Franchisee shall submit to Franchisor, no later than the date each weekly Royalty payment is due during the Term, a report on forms prescribed by Franchisor, accurately reflecting all Gross Sales during the preceding week and such other forms, reports, records, financial statements or information as Franchisor may reasonably require in the Manual, or otherwise in writing. Franchisor may require Franchisee to submit such written reports in addition to the Gross Sales information transmitted to Franchisor by Franchisee's POS and BOH Systems (as defined below).

4.03. Periodic Statements. Franchisee shall, at its expense, submit to Franchisor: (i) each Period (as defined below), month or quarter, as determined by Franchisor, within twenty (20) days following the end of each Period, month or quarter of the Term hereof, profit and loss statements with such detail and in a format as Franchisor may reasonably require; and (ii) quarterly, within twenty (20) days following the end of each quarter during the Term hereof, an unaudited financial statement including an income statement, balance sheet and statement of cash flow, with such detail and in a format as Franchisor may reasonably require ("**Quarterly Statement**"), together with a certificate executed by Franchisee stating that such financial statement is true and accurate. Upon Franchisor's request, Franchisee shall submit to Franchisor, with each Quarterly Statement, copies of any state or local sales tax returns ("**Sales Tax Returns**") filed by Franchisee for the period included in the Quarterly Statement. In the event Franchisee prepares financial statements on the basis of thirteen (13), four (4) week periods ("**Periods**"), the Quarterly Statements shall be submitted within twenty (20) days following the end of the fourth (4th), seventh (7th), tenth (10th) and thirteenth (13th) Periods.

4.04. Annual Financial Statements. Franchisee shall, at its expense, submit to Franchisor within sixty (60) days following the end of each calendar or fiscal year during the Term, an unaudited financial statement for the preceding calendar or fiscal year, including an income statement, balance sheet and statement of cash flow, with such detail and in a format as Franchisor may reasonably require, together with a certificate executed by Franchisee certifying that such financial statement is true and accurate ("**Annual Financial Statements**") and such other information in such form as Franchisor may reasonably require. Upon written request from Franchisor, the foregoing Annual Financial Statement shall include a profit and loss statement and balance sheet for the Franchised Restaurant, and shall be prepared in accordance with generally accepted accounting principles. In the event Franchisee defaults under this Agreement,

including, but not limited to, by submitting late payments or late reports, or understating Gross Sales by over two percent (2%) twice or more during any eighteen-month (18-month) period, Franchisor may require, upon written notice to Franchisee, that all Annual Financial Statements submitted thereafter include a “Review Report” prepared by an independent Certified Public Accountant.

4.05. Other Reports. Franchisee shall also submit to Franchisor, for review or auditing, such other forms, financial statements, reports, records, information and data as Franchisor may reasonably designate, in the form and at the times and places reasonably required by Franchisor, upon request and as specified from time-to-time in the Manual or otherwise in writing. If Franchisee has combined or consolidated financial information relating to the Franchised Restaurant with that of any other business or businesses, including a business licensed by Franchisor, Franchisee shall simultaneously submit to Franchisor, for review or auditing, the forms, reports, records and financial statements (including the Quarterly Statements and Annual Financial Statements) which contain the detailed financial information relating to the Franchised Restaurant, separate and apart from the financial information of such other businesses. Franchisee hereby authorizes all of its suppliers and distributors to release to Franchisor, upon Franchisor’s request, any and all of its books, records, accounts or other information relating to goods, products and supplies sold to Franchisee and/or the Franchised Restaurant.

4.06. Franchisor’s Right of Audit. Franchisor or its designated agents or auditors shall have the right at all reasonable times to audit, review and examine by any means, including electronically through the use of telecommunications devices or otherwise, at its expense, the books, records, accounts, and tax returns of Franchisee related to the Franchised Restaurant. If any such audit, review or examination reveals that Gross Sales have been understated in any report to Franchisor, Franchisee shall immediately pay to Franchisor the Royalty and System Fund Contribution due with respect to the amount understated upon demand, in addition to interest from the date such amount was due until paid, at the rate of one and one-half percent (1.5%) per month. If any such understatement exceeds two percent (2%) of Gross Sales as set forth in the report, Franchisee shall, in addition, upon demand, reimburse Franchisor for any and all costs and expenses connected with such audit, review or examination (including reasonable accounting and attorneys’ fees). The foregoing remedies shall be in addition to any other rights and remedies Franchisor may have.

4.07 Reporting. Franchisee must report Gross Sales and other business information to Franchisor using the format, reporting system and accounting system (the “**Accounting System**”) that Franchisor requires from time to time. The Accounting System resides at a location Franchisor designates, and Franchisee must establish access to the Accounting System via the Internet at Franchisee’s cost, with its own internet service provider, with access via IDSL or such other means or band width Franchisor designates. Franchisor may periodically change the Accounting System and the suppliers of accounting services. Franchisor may require Franchisee to use approved computer hardware and software in order to maintain the Accounting System and other communication processes.

4.08 Financial Ratios. Franchisee shall at all times meet all then-current financial ratios Franchisor uses to evaluate Firehouse Subs franchisees for financial approval to expand in

the System, and Franchisee's failure to meet such financial ratios shall constitute a default of this Agreement pursuant to Section 15.03.

V. PROPRIETARY MARKS AND ART

5.01. It is understood and agreed that the franchise granted herein to use Franchisor's Proprietary Marks applies only to use in connection with the operation of the Franchised Restaurant franchised in this Agreement at the location set forth on the Key Contract Data page, and includes only such Proprietary Marks as are now designated or which may hereafter be designated, in the Manual or otherwise in writing as a part of the System (which might or might not be all of the Proprietary Marks pertaining to the System owned by Franchisor), and does not include any other mark, name, or indicia of origin of Franchisor now existing or which may hereafter be adopted or acquired by Franchisor.

5.02. With respect to Franchisee's use of the Proprietary Marks pursuant to this Agreement, Franchisee acknowledges and agrees that:

A. Franchisee shall not use the Proprietary Marks as part of Franchisee's corporate or other business name;

B. Franchisee shall not hold out or otherwise use the Proprietary Marks to perform any activity or incur any obligation or indebtedness in such manner as might, in any way, make Franchisor liable therefore, without Franchisor's prior written consent;

C. Franchisee shall execute any documents and provide such other assistance deemed necessary by Franchisor or its counsel to obtain protection for the Proprietary Marks or to maintain the continued validity of such Proprietary Marks; and

D. Franchisor reserves the right to substitute different Proprietary Marks for use in identifying the System and the franchised businesses operating thereunder, and Franchisee agrees to immediately substitute Proprietary Marks upon receipt of written notice from Franchisor.

5.03. Franchisee expressly acknowledges Franchisor's exclusive right to use the mark "Firehouse Subs" for restaurant services, submarine style sandwiches, and other related food products; the building configuration; and the other Proprietary Marks of the System. Franchisee agrees not to represent in any manner that it has any ownership in the Proprietary Marks or the right to use the Proprietary Marks except as provided in this Agreement. Franchisee further agrees that its use of the Proprietary Marks shall not create in its favor any right, title, or interest in or to the Proprietary Marks, and that all of such use shall inure to the benefit of Franchisor.

5.04. Franchisee acknowledges that the use of the Proprietary Marks outside the scope of this license, without Franchisor's prior written consent, is an infringement of Franchisor's exclusive right to use the Proprietary Marks, and during the Term and after the expiration or termination hereof, Franchisee covenants not to, directly or indirectly, commit an act of

infringement or contest or aid in contesting the validity or ownership of Franchisor's Proprietary Marks, or take any other action in derogation thereof.

5.05. Franchisee shall promptly notify Franchisor of any suspected infringement of, or challenge to, the validity of the ownership of, or Franchisor's right to use, the Proprietary Marks licensed hereunder. Franchisee acknowledges that Franchisor has the right to control any administrative proceeding or litigation involving the Proprietary Marks. In the event Franchisor undertakes the defense or prosecution of any litigation relating to the Proprietary Marks, Franchisee agrees to execute any and all documents and to do such acts and things as may, in the opinion of counsel for Franchisor, be necessary to carry out such defense or prosecution. Except to the extent that such litigation is the result of Franchisee's use of the Proprietary Marks in a manner inconsistent with the terms of this Agreement, Franchisor agrees to reimburse Franchisee for its out-of-pocket costs in doing such acts and things, except that Franchisee shall bear the salary costs of its employees.

5.06. Franchisee understands and agrees that its license with respect to the Proprietary Marks is non-exclusive to the extent that Franchisor has and retains the right under this Agreement:

A. To grant other licenses for the Proprietary Marks, in addition to those licenses already granted to existing franchisees;

B. To develop and establish other franchise systems for the same, similar, or different products or services utilizing proprietary marks not now or hereafter designated as part of the System licensed by this Agreement, and to grant licenses thereto, without providing Franchisee any right therein; and

C. To develop and establish other systems for the sale, at wholesale or retail, of similar or different products utilizing the same or similar Proprietary Marks, without providing Franchisee any right therein.

5.07. Franchisee acknowledges and expressly agrees that any and all goodwill associated with the Art and the System and identified by the Proprietary Marks used in connection therewith shall inure directly and exclusively to the benefit of Franchisor and is the property of Franchisor, and that upon the expiration or termination of this Agreement or any other agreement, no monetary amount shall be assigned as attributable to any goodwill associated with any of Franchisee's activities in the operation of the Franchised Restaurant granted herein, or Franchisee's use of the Proprietary Marks or the Art.

5.08. Franchisee understands and acknowledges that each and every detail of the Firehouse Subs System is important to Franchisee, Franchisor, and other franchisees in order to develop and maintain high and uniform standards of quality and services, and hence to protect the reputation and goodwill of Firehouse Subs Restaurants. Accordingly, Franchisee covenants:

A. To operate and advertise the Franchised Restaurant, at Franchisee's own expense, under the name "Firehouse Subs", without prefix or suffix;

B. To adopt and use the Proprietary Marks licensed hereunder solely in the manner prescribed by Franchisor; and

C. To observe such reasonable requirements with respect to trademark registration notices as Franchisor may from time to time direct in the Manual or otherwise in writing.

5.09. In order to preserve the validity and integrity of the Proprietary Marks licensed herein and to assure that Franchisee is properly employing the same in the operation of the Franchised Restaurant, Franchisor or its agents shall at all reasonable times have the right to inspect Franchisee's operations, premises, and Franchised Restaurant and make periodic evaluations of the services provided and the products sold and used therein. Franchisee shall cooperate with Franchisor's representatives in such inspections and render such assistance to the representatives as may reasonably be requested.

5.10. Franchisor owns all intellectual property rights (including copyrights) in and to the Art. Franchisee's license to use the Art is strictly limited to use in connection with the operation of the Franchised Restaurant franchised under this Agreement at the location designated in Section 1.01 hereof, and Franchisee shall not assign such license without the prior written consent of Franchisor. Franchisee acknowledges and agrees that Franchisee will not allow any of the Art to become a fixture of the Franchised Restaurant and Franchisee will not display or use the Art in any Disqualifying Restaurant or restaurant of any kind, other than the Franchised Restaurant.

5.11 If Franchisee commissions any Art for the Franchised Restaurant or for any use in connection with the operation of the Franchised Restaurant, Franchisee will be responsible for requiring the artist and any other person who may claim copyrights, moral rights, privacy rights, publicity rights or any other intellectual property rights in or to that Art (including any aspect of the content or composition of it), to assign to Franchisor all rights, title and interest in and to the Art. To the extent such assignment is not possible or obtainable, Franchisee must require that such persons failing to grant to Franchisor such assignment grant to Franchisor an unconditional, royalty free, world-wide, multi-site, multi user, irrevocable, freely assignable license to use, license, modify, reproduce, make commercial use of, and make derivative works from or of, the Art and all attributes of and to the Art. Franchisee agrees to, prior to commissioning, utilizing, purchasing or licensing any Art, require all persons who claim intellectual property, privacy, publicity or moral rights in or to the Art (other than Franchisor) sign such assignments or licenses as Franchisor may designate from time to time. Franchisor may also hire artists to commission the Art and Franchisee will be required to pay to Franchisor the then current fees for commissioning shipment or installation of the Art, which will be due, at Franchisor's option, prior to commencement of the work by the artist, or prior to shipment, upon delivery or otherwise in accordance with applicable policies and procedures Franchisor may establish from time to time. Franchisee's payment to Franchisor of fees for commissioning the Art will not be deemed Franchisee's purchase of the Art and only constitutes payment to Franchisor to help, in whole or in part, offset Franchisor's cost to commission the Art.

5.12 Franchisee will not (i) make any express or implied representations to any person that Franchisee owns the Art or has rights in or to it that are superior to Franchisor's rights in and to it, (ii) grant or purport to grant any security interest or lien in or on any of the Art to any other person, or (iii) permit or suffer to exist any lien on any of the Art in favor of any other person. Franchisee must discharge at Franchisee's expense any lien asserted against the Art (other than liens imposed thereon by Franchisor's acts or omissions) and to take such steps as may be necessary, from time to time, to preserve all of Franchisor's rights in the Art against third parties.

5.13 Franchisee may provide suggestions, comments or other feedback (collectively, "**Feedback**") to the Franchisor with respect to the Firehouse Subs System. Franchisee acknowledges that Feedback is voluntary. Franchisee agrees that any Feedback shall become the exclusive property of Franchisor and that Franchisor may use Feedback for any purpose without liability or compensation to Franchisee or obligation of any kind to Franchisee. Franchisor shall have no obligation to utilize any Feedback.

VI. ORGANIZATION OF FRANCHISEE

6.01. Franchisee makes the following representations, warranties and covenants to Franchisor:

A. If Franchisee is a legal entity such as a business corporation, partnership, limited liability company or other legal entity, Franchisee represents, warrants and agrees that: (i) Franchisee is duly organized, in good standing, and validly existing under the laws of the state of its organization; (ii) Franchisee is duly qualified to transact business in (and is in good standing in) the state in which the Franchised Restaurant is located; (iii) Franchisee's governing documents permit execution of this Agreement and the development and operation of the Franchised Restaurant; (iv) unless waived in writing by Franchisor, Franchisee's governing documents shall at all times provide that Franchisee's activities are restricted to those necessary solely for the development, ownership and operation of the Franchised Restaurant in accordance with this Agreement and any other agreements entered into with Franchisor or its parent, subsidiaries or affiliates; and (v) one owner of Franchisee is and shall be the chief executive officer or managing member of Franchisee, holding such office or offices as may be necessary to maintain and exercise the actual power and authority actively to direct the affairs of Franchisee.

B. If Franchisee is an individual, a group of individuals or a partnership comprised solely of individuals, Franchisee makes the following additional representations and warranties: (i) each individual has executed this Agreement; (ii) each individual shall be jointly and severally bound by, and personally liable for the timely and complete performance and a breach of, each and every provision of this Agreement; and (iii) notwithstanding any transfer to a business entity formed for convenience of ownership, each individual shall continue to be jointly and severally bound by, and personally liable for the timely and complete performance and a breach of, each and every provision of this Agreement.

6.02. Franchisee shall furnish to Franchisor, upon execution or any subsequent transfer of this Agreement, as applicable, true and complete copies of the articles or certificate of

incorporation, articles of organization, membership agreement, partnership agreement, bylaws, subscription agreements, buy-sell agreements, voting trust agreements and all other documents relating to the ownership, organization, capitalization, management and control of Franchisee and all amendments thereto and a list of shareholders, members or owners showing the percentage interest of each. When any of these governing documents are modified or changed, Franchisee promptly shall provide copies to Franchisor. Franchisee may not change the form of its entity unless Franchisor mutually agrees in writing that such a change is warranted. Franchisee shall promptly furnish Franchisor, on a regular basis, with certified copies of such business records material to the Franchised Restaurant as Franchisor may require from time to time in the Manual or otherwise in writing.

6.03. Restrictive Legend.

A. If Franchisee is a corporation, Franchisee shall maintain stop-transfer instructions against the transfer, on its records, of any securities with voting rights, subject to the restrictions of this Agreement, and each stock certificate of the corporate Franchisee representing each share of stock, shall have conspicuously endorsed upon it the following legend: “Any assignment or transfer of this stock is subject to the restrictions imposed on assignment by the Firehouse Subs Franchise Agreement with Firehouse of America, LLC dated [INSERT AGREEMENT DATE] to which the corporation is a party.”

B. If Franchisee is a limited liability company, each membership or management certificate shall have conspicuously endorsed upon its face the following statement: “Any assignment or transfer of an interest in this limited liability company is subject to the restrictions imposed on assignment by the Firehouse Subs Franchise Agreement with Firehouse of America, LLC dated [INSERT AGREEMENT DATE] to which the limited liability company is a party.”

C. If Franchisee is a partnership, Franchisee’s written partnership agreement shall provide that ownership of an interest in the partnership is held, and that further assignment or transfer thereof, is subject to all restrictions imposed on assignment by this Agreement.

6.04. Franchisee represents, warrants, and covenants to Franchisor that the information set forth on **Exhibit “A”** is and will be, true, correct, and complete at all times during the Term (including the identity of all of the individuals with an ownership interest in Franchisee, the amount of such ownership interest, and other information specified). Without limiting the generality of the foregoing, Franchisee acknowledges its understanding of Franchisor’s requirement that an individual “Managing Owner” be named and be granted the authority by Franchisee to bind Franchisee in any dealings with Franchisor and its parents, subsidiaries, and affiliates and to direct any action necessary to ensure compliance with this Agreement and any other agreements relating to the Franchised Restaurant. The Managing Owner shall, at all times, (a) own ten percent (10%) or more of the legal or beneficial interest in Franchisee (or alternatively, have the right to receive ten percent (10%) or more of the operating profits of the Franchised Restaurant), and (b) meet Franchisor’s then current criteria for Managing Owners.

Clause (a) of the immediately preceding sentence of this Section 6.04 shall not apply if Franchisee was a publicly held entity or a wholly-owned subsidiary of a publicly held entity as of the date of the first franchise related agreement between Franchisee and Franchisor. Franchisee represents, warrants, and covenants to Franchisor that the Managing Owner designated on the Key Contract Data page and in **Exhibit “A”** has, and will have throughout the Term, the authority to bind Franchisee in any dealings with Franchisor and its parents, subsidiaries, and affiliates and to direct any action necessary to ensure compliance with this Agreement and any other agreements relating to the Franchised Restaurant. Franchisee agrees to furnish Franchisor with such evidence as Franchisor may request from time to time for the purpose of assuring Franchisor that the Managing Owner’s authority remains as represented in this Agreement. Franchisee shall promptly advise Franchisor in writing of any proposed change to the information set forth on the Key Contract Data page and in **Exhibit “A”** and thereafter comply with the applicable provisions of this Agreement. No change in the Managing Owner may be made without the prior written consent of Franchisor. If Franchisor provides consent to a change in Managing Owner, such new Managing Owner shall execute an Owner’s Guaranty unless waived by Franchisor in its sole discretion or unless otherwise provided in accordance with Section 6.05 herein. If the Managing Owner dies or becomes incapacitated, then within sixty (60) days thereafter, Franchisee shall name a new Managing Owner approved by Franchisor pursuant to Franchisor’s then current criteria for approving Managing Owners.

6.05. Unless Franchisee is a publicly-held entity, all of Franchisee’s officers, directors and all holders of a legal or beneficial interest in Franchisee of ten percent (10%) or more shall jointly and severally guarantee Franchisee’s payment and performance under this Agreement and also shall bind themselves to the terms of this Agreement pursuant to an Owner’s Guaranty, in a form acceptable to Franchisor. Franchisor reserves the right, in its sole discretion, from time to time upon consideration of certain circumstances presented by Franchisee such as for family estate planning purposes, to waive the requirement that some or all of the previously described individuals execute the Owner’s Guaranty. Franchisor reserves the right to require any guarantor to provide personal financial statements to Franchisor from time to time.

6.06 Unless waived in writing by Franchisor, the Managing Owner shall also meet all of the following qualifications:

A. The Managing Owner shall, at all times, have the authority to direct full control over the day-to-day activities, including operations, of the Franchised Restaurant and those other Firehouse Subs Restaurants operated by Franchisee in the same geographic area as the Franchised Restaurant, including, without limitation, control over the standards of operation and financial performance and authority to ensure compliance with the Manual, this Agreement, and the terms of any lease or other agreements related to the Franchised Restaurant.

B. The Managing Owner shall devote full-time and best efforts to supervising the operation of the Franchised Restaurant and those other Firehouse Subs Restaurants operated by Franchisee in the same geographic area as the Franchised Restaurant and shall not engage in any other business or activity, directly or indirectly, that requires substantial management responsibility.

C. The Managing Owner shall maintain his or her primary residence within a reasonable driving distance of the Franchised Restaurant.

VII. CONFIDENTIAL OPERATING STANDARDS MANUAL

7.01. In order to protect the reputation and goodwill of Franchisor and the Firehouse Subs System and to maintain uniform standards of operation under Franchisor's Proprietary Marks, Franchisee shall operate the Franchised Restaurant in accordance with Franchisor's System Standards (as defined below) and such other operating standards, specifications, procedures and techniques prescribed by Franchisor from time to time (collectively, whether made available to Franchisee via electronic communication (including the internet) or via hard copy, and all amendments and updates thereto, the "**Manual**"). The Manual includes mandatory and suggested specifications, standards, methods, operating procedures and rules that Franchisor prescribes from time to time for the operation of a Firehouse Subs Restaurant ("**System Standards**") and information relating to Franchisee's other obligations under this Agreement and related agreements.

7.02. Franchisee shall at all times treat the Manual, and the information contained therein, as confidential, and shall use all reasonable efforts to keep such information secret and confidential. Franchisee shall not, at any time, without Franchisor's prior written consent, copy, duplicate, record, or otherwise make the Manual available to any unauthorized person or entity.

7.03. The Manual shall at all times remain the sole property of Franchisor.

7.04. In order for Franchisee to benefit from new knowledge, information, methods and technology adopted and used by Franchisor in the operation of the System, Franchisor may from time to time revise the Manual by bulletin, video, the Internet, electronic mail or by other written or electronic communication (including an online learning management system designated by Franchisor). Franchisee shall review, understand, adhere to and abide by all such revisions. Franchisee acknowledges and agrees that (i) Franchisor retains the right to modify, add to, or rescind any requirement, standard, or specification set forth in the Manual in order to adapt the Firehouse Subs System to changing conditions, competitive circumstances, business strategies, business practices, and technological innovations and other changes that Franchisor deems appropriate in its business judgment, and (ii) Franchisee shall comply with such modifications, additions, or rescissions. Notwithstanding the foregoing, no new requirement, standard or specification set forth in the Manual or otherwise, may act as a unilateral amendment to any express term, condition, or provision of this Agreement.

7.05. If Franchisee desires to print a physical copy of the Manual (subject to Franchisor's prior written consent, as provided above), Franchisee agrees at all times to keep such copy current and up-to-date, and in the event of any dispute as to the contents of such copy, the terms of the Manual maintained by Franchisor shall be controlling.

7.06. The Manual is intended to further the purposes of this Agreement, and is specifically incorporated, by reference, into this Agreement. Except as otherwise set forth in this Agreement, in the event of a conflict between the terms of this Agreement and the terms of the Manual, the terms of this Agreement shall control. Franchisee acknowledges and agrees that any required standards set forth in this Agreement and the Manual exist to protect Franchisor's interests in the Firehouse Subs System and the Proprietary Marks and not for the purpose of

establishing any control or duty to take control over those matters that are reserved to Franchisee (including the day-to-day operation of the Franchised Restaurant and the conduct and management of Franchisee's employees).

VIII. TRAINING

8.01 Before the Franchised Restaurant opens, Franchisor will furnish initial training on the operation of a Firehouse Subs Restaurant to Franchisee, its Managing Owner and one (1) additional employee or owner at Franchisee's cost and expense. If space is available at such training session, Franchisor will furnish initial training for up to three (3) additional employees or owners at Franchisee's cost and expense. The duration of the training ~~lasts for four (4) to six (6) weeks~~ shall be as specified by Franchisor in the Manual or otherwise in written or oral communications and will be furnished at Franchisor's designated training facility and/or at an operating Firehouse Subs Restaurant, as Franchisor specifies. Franchisee and Managing Owner are required to complete the initial training to Franchisor's satisfaction. Successful completion of the initial training program by Franchisee and Managing Owner is a condition to the opening of the Franchised Restaurant to the public. Franchisee is also required to participate in all other activities required to operate the Franchised Restaurant. Franchisee will be responsible for all expenses of its Managing Owner and other trainees incur in connection with the initial training or any other training, including but not limited to travel and living expenses. Franchisee agrees to replace any manager if Franchisor determines that he or she is not qualified to manage the Restaurant. If Franchisor determines that Franchisee or Managing Owner is unable to complete initial training to Franchisor's satisfaction, Franchisor has the right to terminate this Agreement and retain all amounts paid by Franchisee to Franchisor. All persons attending initial training are required to sign Franchisor's standard Liability Waiver and Release, a copy of which is attached as Exhibit "B."

8.02. Franchisor may require Franchisee and Managing Owner to attend periodic refresher training courses at such times and locations that Franchisor designates, and Franchisor may charge fees for such courses. Franchisee agrees to give Franchisor reasonable assistance in training other Firehouse Subs Restaurant franchisees. All persons attending periodic training are required to sign Franchisor's standard Liability Waiver and Release, a copy of which is attached as Exhibit "B."

IX. DUTIES OF THE FRANCHISOR

9.01. Franchisor will make available to Franchisee such continuing advisory assistance in the operation of the Franchised Restaurant, in person or by electronic or written bulletins made available from time to time, as Franchisor may deem appropriate.

9.02. Franchisor, in its sole discretion, may provide opening assistance to Franchisee at the Franchised Restaurant.

9.03. Franchisor will make available to Franchisee standard plans and specifications to be utilized only in the development of Franchisee's Construction Plans for the Franchised Restaurant. Franchisee may not modify or deviate from such standard plans and specifications

or Franchisee's approved equipment plan (including any modifications or deviations that may be required by local or state laws, regulations or ordinances) without Franchisor's prior written consent.

9.04. Franchisor will make the Manual available to Franchisee electronically via electronic mail, the internet or other electronic format.

9.05. Franchisor will continue its efforts to maintain high and uniform standards of quality, cleanliness, appearance and service at all Firehouse Subs Restaurants, to protect and enhance the reputation of the Firehouse Subs System and the demand for the products and services of the System. Franchisor will establish uniform criteria for approving suppliers; and may conduct periodic inspections of the premises and evaluations of the products used and sold at the Franchised Restaurant and in all other Firehouse Subs Restaurants.

9.06. Franchisor will provide training to Franchisee as set forth in Section VIII hereof.

9.07. Franchisee may request additional guidance and assistance from Franchisor. Franchisor, in its sole discretion, may provide such additional guidance or assistance, but is under no obligation to do so, and may charge the per diem fees and charges which Franchisor shall establish from time to time. If Franchisee requests additional or special training for Franchisee's employees, the fees, costs, and expenses of conducting such additional or special training programs (including instruction, required materials and travel and living expenses for Franchisor's training personnel) shall be borne by Franchisee. Franchisee agrees that Franchisee is solely responsible for training all Franchisee employees and ensuring that such employees are fully trained to perform their duties.

X. DUTIES OF THE FRANCHISEE

Franchisee understands and acknowledges that every detail of the System is important to Franchisor, Franchisee and other franchisees in order to develop and maintain high and uniform operating standards, to increase the demand for Firehouse Subs products and services, and to protect the reputation and goodwill of Franchisor. Accordingly, Franchisee agrees that:

10.01. Franchisee shall maintain, at all times during the Term, at Franchisee's expense, the premises of the Franchised Restaurant and all fixtures, furnishings, Art, signs, systems and equipment thereon or therein, in conformity with Franchisor's high standards and public image and to make such additions, alterations, repairs, and replacements thereto (but no others, without Franchisor's prior written consent) as may be required by Franchisor, including the following:

A. Franchisee agrees to keep the Franchised Restaurant in the highest degree of sanitation and repair (including such periodic repainting, repairs or replacement of impaired equipment, and replacement of obsolete signs, all as Franchisor may direct);

B. Franchisee agrees to meet and maintain the highest governmental standards and ratings applicable to the operation of the Franchised Restaurant;

C. Nothing in this Section 10.01. shall be deemed to limit Franchisee's other obligations, during the Term, to operate the Franchised Restaurant in accordance with Franchisor's standards and specifications for the Firehouse Subs System, including the obligations set forth in this Section X.

10.02. Franchisee agrees to abide by all System Standards prescribed from time to time in the Manual. All references to compliance with this Agreement include compliance with all System Standards as periodically modified.

10.03. Franchisee or, if Franchisee is owned by more than one individual, the Managing Owner shall remain active in overseeing the operations of the Franchised Restaurant, including regular, periodic visits to the Franchised Restaurant and sufficient communications with Franchisor to ensure that the Franchised Restaurant's operations comply with the System Standards as promulgated by Franchisor from time to time in the Manual or otherwise in written or oral communications. Following reasonable advance notice from Franchisor, from time to time, Franchisee shall attend in-person meetings with Franchisor's representatives to (among other things) review and discuss the operations and performance of the Franchised Restaurant and other Firehouse Subs Restaurants operated by Franchisee and its parents, subsidiaries and affiliates, which meetings shall be at a location designated by Franchisor (which location may include Franchisor's corporate headquarters).

10.04. Franchisee shall have sole authority and control over the day-to-day operations of the Franchised Restaurant. Without limiting the generality of the foregoing, Franchisee shall be solely responsible for (i) recruiting and hiring all employees of the Franchised Restaurant, (ii) the terms of such employees' employment and compensation, (iii) the proper training of such employees in the operation of the Franchised Restaurant (including in human resources and customer relations), and (iv) Franchisee's compliance with all applicable employment and workplace-related laws (including with respect to such employees' wages, taxes, benefits, safety, work schedules, work conditions, assignments, discipline, and termination). Franchisee is an independent contractor and is not an agent, partner, joint venture, joint employer, or employee of Franchisor, and no fiduciary relationship between the parties exists. Franchisee shall be the sole and exclusive employer of its employees with the sole right to hire, discipline, discharge, and establish wages, hours, benefits, employment policies, and other terms and conditions of

employment of Franchisee's employees. Franchisee shall have no right to bind or obligate Franchisor in any way nor shall Franchisee represent that it has any right to do so. At no time shall Franchisee's employees be deemed to be Franchisor's employees or agents, and Franchisor shall have no right or obligation to direct Franchisee's employees or oversee Franchisee's employment policies or practices.

10.05. Franchisee shall post a sign in a conspicuous location at the Franchised Restaurant that contains Franchisee's name and states that the Franchised Restaurant is independently owned and operated by Franchisee under a franchise agreement with Franchisor.

10.06. Franchisee shall operate the Franchised Restaurant in conformity with the System Standards as Franchisor may from time to time prescribe in the Manual or otherwise in writing, to insure that the highest degree of quality, service and cleanliness is uniformly maintained and to refrain from any deviation therefrom and from otherwise operating in any manner which reflects adversely on Franchisor's name and goodwill or on the Proprietary Marks, and in connection therewith:

A. Shall maintain in sufficient supply, and use at all times, only such ingredients, products, materials, supplies, and paper goods as conform to Franchisor's standards and specifications, and to refrain from deviating therefrom by using non-conforming items, without Franchisor's prior written consent;

B. Shall sell or offer for sale only such products and menu items that have been expressly approved for sale in writing by Franchisor, meet Franchisor's uniform standards of quality and quantity and as have been prepared in accordance with Franchisor's methods and techniques for product preparation; shall sell or offer for sale the minimum menu items specified in the Manual or otherwise in writing; shall refrain from any deviation from Franchisor's standards and specifications for serving or selling the menu items, without Franchisor's prior written consent; and shall discontinue selling or offering for sale such items as Franchisor may, in its discretion, disapprove in writing at any time;

C. Shall use the premises of the Franchised Restaurant solely for the purpose of conducting the business franchised hereunder, and to conduct no other business or activity thereon, whether for profit or otherwise, without Franchisor's prior written consent;

D. Shall keep the Franchised Restaurant open and in normal operation during such business hours as Franchisor may prescribe in the Manual or otherwise in writing;

E. Shall permit Franchisor or its agents, at any time during ordinary business hours, to remove from the Franchised Restaurant samples of any ingredients, products, materials, supplies, and paper goods used in the operation of the Franchised Restaurant, without payment therefore, in amounts reasonably necessary for testing by Franchisor or an independent laboratory, to determine whether such samples meet Franchisor's then-current standards and specifications. In addition to any other remedies it may have

under this Agreement, Franchisor may require Franchisee to bear the cost of such testing if any such ingredient, products, materials, supplier or paper goods have been obtained from a supplier not approved by Franchisor, or if the sample fails to conform to Franchisor's specifications;

F. Shall purchase, install and construct, at Franchisee's expense, all improvements, furnishings, Art, signs and equipment specified in the approved standard plans and specifications, and such other furnishings, Art, signs or equipment as Franchisor may reasonably direct from time to time in the Manual or otherwise in writing; and to refrain from installing or permitting to be installed on or about the premises of the Franchised Restaurant, without Franchisor's written consent, any improvements, furnishings, Art, signs or equipment not first approved in writing as meeting Franchisor's standards and specifications;

G. Shall comply with all applicable federal, state and local laws, regulations and ordinances pertaining to the operation of the Franchised Restaurant. Franchisee shall notify Franchisor if the Franchised Restaurant is closed by order of the health department or other governmental authority within twenty-four (24) hours of such closure;

H. Shall grant Franchisor and its agents the right to enter upon the premises of the Franchised Restaurant at any time during ordinary business hours for the purpose of conducting inspections; cooperate with Franchisor's representatives in such inspections by rendering such assistance as they may reasonably request; and, upon notice from Franchisor or its agents, and without limiting Franchisor's other rights under this Agreement, take such steps as may be necessary immediately to correct the deficiencies detected during any such inspection, including immediately desisting from the further use of any equipment, promotional materials, products, or supplies that do not conform with Franchisor's then-current specifications, standards, or requirements. As part of an inspection, Franchisor may observe, photograph and videotape the operations of the Franchised Restaurant for such consecutive or intermittent periods as the Franchisor may deem necessary; and

I. Shall operate the Franchised Restaurant using the bookkeeping, accounting, data processing and record keeping systems, including software, and forms required by Franchisor.

10.07. Franchisee shall purchase all ingredients, products, materials, supplies, and other items required in the operation of the Franchised Restaurant which are or incorporate trade-secrets of Franchisor, as designated by Franchisor ("**Trade-Secret Products**") only from Franchisor or suppliers designated by Franchisor, and these Trade-Secret Products shall only be purchased for, used or sold, directly or indirectly, at the Franchised Restaurant.

10.08. Franchisee shall purchase all ingredients, products, materials, supplies, including cleaning supplies, paper goods, and other items required for the operation of the Franchised Restaurant (including items required for limited time offers), except Trade-Secret Products, solely from suppliers who demonstrate, to the continuing reasonable satisfaction of Franchisor, the ability to meet Franchisor's reasonable standards and specifications for such items; who

possess adequate quality controls and capacity to supply Franchisee's needs promptly and reliably; whose approval would not adversely impact the overall efficiencies of the Firehouse Subs System; and who have been approved in writing by Franchisor and such approval has not thereafter been revoked. Franchisor may negotiate group or volume purchasing arrangements with approved suppliers and Franchisee must participate in the arrangements. Franchisor will be entitled to retain all rebates, bonuses and other benefits associated with those programs. If Franchisee desires to purchase any items from an unapproved supplier, Franchisee shall submit to Franchisor a written request for approval, or shall request the supplier itself to seek approval. Franchisor shall have the right to require, as a condition of its approval, that its representatives be permitted to inspect the supplier's facilities, and that samples from the supplier be delivered, at Franchisor's option, either to Franchisor or to an independent laboratory designated by Franchisor for testing prior to granting approval. A charge not to exceed the cost and expenses actually incurred by Franchisor to conduct any inspection, including the actual cost of testing, shall be paid by the supplier or Franchisee. In addition, if the proposed supplier lacks its own current and approved form of third-party audit, Franchisor's reasonable cost of third-party audit fees shall also be paid by the supplier or Franchisee. Franchisor reserves the right, at its option, to reinspect the facilities and products of any such approved supplier from time to time and to revoke its approval upon failure of such supplier to continue to meet any of the foregoing criteria. Nothing in the foregoing shall be construed to require Franchisor to approve any particular supplier, nor to require Franchisor to make available to prospective suppliers, standards and specifications for formulas that Franchisor, in its sole discretion, deems confidential.

10.09. Franchisor has established an association of Firehouse Subs Restaurant franchisees to advise Franchisor on advertising, marketing and promotion (the **"Co-op"**). Franchisee must join and actively participate in the Co-op and sign such membership documents and agreements the Co-Op requires from time to time.

A. From time to time, the management of the Co-Op may require all members, including Franchisee, to make a special contribution to the Co-Op, which amount shall be a specific percentage of weekly Gross Sales, for the purpose of supplementing the System Fund Contributions (**"Special Co-Op Contribution"**). The Special Co-Op Contribution, if any, shall be in addition to the System Fund Contribution Franchisee must pay under this Agreement. Franchisee shall contribute to the Co-op any amount of Special Co-Op Contributions required by the Co-op, which shall be due and payable in the same manner as the Royalty. Franchisee will remain responsible to the Co-op for all Special Co-Op Contributions due through the date of the closing of any transfer of this Agreement. Franchisee understand and agrees that the Co-op will remit all Special Co-Op Contributions to Franchisor and Franchisor may deposit such amounts into, and such amounts shall become a part of, the System Fund.

B. The Co-op will adopt its own rules, regulations and procedures, which Franchisee must follow. Advertising to be utilized by the Co-op may not be used unless and until Franchisor has reviewed and approved it.

10.10. Prior to the opening of the Franchised Restaurant to the public, Franchisee shall pay to Franchisor a fee in the amount of five thousand dollars (\$5,000) (the “**Market Introduction Fee**”) for developing and conducting a market introduction program for the Franchised Restaurant, in a manner to be determined by Franchisor, in Franchisor’s sole discretion. Such Market Introduction Fee shall be fully earned by Franchisor upon payment by Franchisee. The market introduction program may be conducted over an approximate twelve (12) month period determined by Franchisor.

10.11. All local advertising by Franchisee shall be in such media, and of such type and format as Franchisor may approve; shall be conducted in a dignified manner; and shall conform to such standards and requirements as Franchisor may specify. Franchisee shall not use any advertising or promotional plans or materials unless and until Franchisee has received written approval from Franchisor, pursuant to the procedures and terms set forth in Section 10.12 hereof.

10.12. All advertising and promotional plans proposed to be used by Franchisee, except such plans and materials that have been previously approved by Franchisor, shall be submitted to Franchisor for Franchisor’s written approval prior to any use thereof. Franchisor shall use reasonable efforts to complete its review of Franchisee’s proposed advertising and promotional plans within fifteen (15) days after Franchisor receives such plans. If written approval is not received by Franchisee from Franchisor within fifteen (15) days after receipt by Franchisor of such plans, Franchisor shall be deemed to have disapproved such plans.

10.13. The Franchised Restaurant shall not be operated by any party other than Franchisee, without Franchisor’s prior written consent.

10.14. Technology; POS and BOH Systems; Other Systems.

Franchisee shall comply with all technology requirements of Franchisor as set forth in this Agreement or in the Manual from time to time, and agrees that Franchisor may charge upfront and/or ongoing fees for any technology, software, apps or any related services that Franchisor owns, licenses, provides or otherwise makes available to Franchisee in Franchisor’s sole discretion. Such technology requirements include, but are not limited to:

A. Franchisee shall purchase, install and use a point-of-sale system (“**POS System**”) and a back-of-house system (“**BOH System**”), in each case, that has been approved in writing by Franchisor and that meets Franchisor’s specifications. Franchisee agrees that Franchisor (or Franchisor’s designated vendor) shall have the right to retrieve any data and information from Franchisee’s POS System and its BOH System as Franchisor, in its sole discretion, deems appropriate, including electronically polling sales, menu mix, transaction-level data, inventory, labor and other data of the Franchised Restaurant; provided, however, Franchisor shall take necessary precautions to preserve and protect Franchisee’s security and privacy rights in exercising its right hereunder. Franchisee shall subscribe to Franchisor’s approved polling solution. Franchisee shall use and adhere to a standardized set of menu sales item price look-up codes (PLUs) and descriptors for every menu sales item in Franchisee’s POS System and BOH System, including limited time offers. Franchisor may revise its specifications for the POS

System and the BOH System periodically. Consequently, Franchisee must upgrade, update or add new features or components to Franchisee's POS System and its BOH System at such time(s) as such specifications are revised. In addition to the foregoing, Franchisor may poll data and information from other systems installed at the Franchised Restaurant, including speed of service data from drive-thru timer systems. Further, Franchisee shall, at its sole cost and expense, integrate or otherwise permit the integration of the POS System and/or BOH System with such technological platforms designated by Franchisor from time to time (including websites and mobile applications designated by Franchisor).

B. Franchisee must also, at its sole cost and expense: (a) maintain, use and/or operate a centralized or technology based method of taking, processing, routing, and delivering orders or receiving payment for such orders that may be mandated by Franchisor at any time during the Term in addition to the methods and technology Franchisor currently uses or authorizes (individually an **"Additional Ordering System"** and collectively **"Additional Ordering Systems"**); and (b) add or replace equipment, wiring, hardware and software in connection with the Additional Ordering Systems. To the extent any products and services related to an Additional Ordering System are owned, licensed or facilitated by Franchisor or provided to Franchisee by Franchisor, Franchisor may charge up front and/or ongoing fees. Franchisor shall be the sole owner of all direct and related rights and assets, including software and hardware, intellectual property and all data generated by the Additional Ordering Systems, but excluding hardware or equipment Franchisee purchases directly for the purpose of gaining access to the Additional Order System. If Franchisor requires Franchisee to use an Additional Ordering System, then Franchisee shall comply with Franchisor's requirements for connecting to and utilizing such technology in connection with Franchisee's operation of the Franchised Restaurant. Franchisee will install and implement any Additional Ordering System required by Franchisor within the reasonable time specified by Franchisor.

C. Franchisee must also, at its sole cost and expense: (a) maintain, use and/or operate technology for the purpose of communicating with customers of Firehouse Subs Restaurants and the collection, processing, storage and use of Firehouse Subs Restaurant customer data that may be mandated by Franchisor at any time during the Term in addition to the methods and technology Franchisor currently uses or authorizes (individually an **"Additional Digital System"** and collectively, the **"Additional Digital Systems"**); and (b) add or replace equipment, wiring, hardware and software in connection with the Additional Digital Systems. To the extent any products and services related to an Additional Digital System are owned, licensed or facilitated by Franchisor or provided to Franchisee by Franchisor, Franchisor may charge up front and/or ongoing fees. Franchisor shall be the sole owner of all direct and related rights and assets, including software and hardware, intellectual property and all data generated by the Additional Digital Systems, but excluding hardware or equipment Franchisee purchases directly for the purpose of gaining access to an Additional Digital System. Franchisor may provide the data to third parties and use the data generated by the Additional Digital Systems (1) to analyze customer trends, (2) to market Franchisor-developed goods and

products to all customers or specific customer(s), (3) to reward loyal or repeat customers, (4) to provide the data to third parties, and (5) for such other purposes as Franchisor deems appropriate in its sole discretion. Franchisee acknowledges and agrees that any amounts received by Franchisor from providing the data generated by the Additional Digital Systems to third parties shall be the sole property of Franchisor. If Franchisor requires Franchisee to use an Additional Digital System, then Franchisee shall comply with Franchisor's requirements for connecting to and utilizing such technology in connection with Franchisee's operation of the Franchised Restaurant. Franchisee will install and implement any Additional Digital System required by Franchisor within the reasonable time specified by Franchisor.

D. Franchisee shall purchase, install and maintain a computer system, separate from the POS System and the BOH System, at the Franchised Restaurant that meets Franchisor's current standards and specifications for training, communications and access to Internet-based resources provided by Franchisor ("**Computer System**"). Franchisor may periodically revise its specifications for the Computer System requiring Franchisee to promptly upgrade or update as necessary to meet Franchisor's then current standards and specifications.

E. Franchisor may charge Franchisee a reasonable systems fee for modifications of and enhancements made to any software that Franchisor licenses to Franchisee and any other maintenance and support services that Franchisor, or its parents, subsidiaries or affiliates, furnish to Franchisee in relation to the POS System or BOH System, including access to and use of the Firehouse Subs intranet system.

10.15. Franchisee shall, in accordance with such requirements as Franchisor may from time to time prescribe in the Manual, participate in a guest feedback program offered through a third party service provider designated by Franchisor. Components of the program may, among other things, require Franchisee to offer (or reimburse Franchisor for offering) such guest incentives for guest participation in the program as Franchisor may reasonably require.

10.16. Franchisee shall not promote, offer or sell any products or other services related to the Franchised Restaurant through the internet or use the Proprietary Marks or any marks similar thereto in any internet domain name, electronic mail address or home page address, or in the operation of any internet web site without Franchisor's prior written consent. In connection with any such consent, which Franchisor may grant or withhold, in Franchisor's sole discretion, Franchisor may establish such requirements as Franchisor deems appropriate, including, among others: (i) Franchisor may require Franchisee to submit to Franchisor for Franchisor's prior written approval, a sample of any proposed internet web site used for or in connection with the Franchised Restaurant or the business of Franchisee ("**Web Site**"), domain name, home page address, format and visible (including proposed screen shots and any text, video clips, photographs, images, sound bites or other materials in which any party other than Franchisor has any ownership interest) and non-visible content (including meta-tags) in the form and manner that Franchisor may reasonably require; (ii) Franchisor may require Franchisee to establish hyperlinks to Franchisor's web site and others as Franchisor may require, and to obtain Franchisor's prior written approval of Franchisee's use of any other hyperlinks and/or other

links; (iii) Franchisor may require Franchisee to submit to Franchisor for Franchisor's prior written approval any modifications to Franchisee's Web Site. Franchisor may revoke Franchisor's approval of Franchisee's Web Site at any time and require Franchisee to discontinue Franchisee's use of it and any domain names associated with it. In addition to any other applicable requirements, Franchisee must comply with any standards and specifications Franchisor develops that are applicable to Web Sites as set forth in the Manual or otherwise in writing, which standards and specifications Franchisor may modify from time to time. Franchisor may designate the form and content of Franchisee's Web Site and may require that any such Web Site be hosted by Franchisor or a third party whom Franchisor designates. Franchisor also may charge Franchisee a fee for developing, reviewing and approving Franchisee's Web Site and/or hosting it. In addition to the foregoing, Franchisee shall not use or permit any third party to use any of the Proprietary Marks in connection with any internet web site and/or as part of any internet domain name or electronic mail or home page address, unless such use is expressly approved by Franchisor in writing. Franchisee shall not, directly or indirectly, nor shall Franchisee instruct or authorize any third party to, engage in any online advertising for the Franchised Restaurant or the business of Franchisee, including but not limited to the purchase of keywords consisting of, containing or similar to any of the Proprietary Marks through any paid search program, without Franchisor's prior written consent, which Franchisor may grant or withhold, in Franchisor's sole discretion.

10.17. Franchisee shall not, without Franchisor's prior written consent, operate, create, register or use any domain name, website, Internet site or presence, avatar, online account or username, social media site, page, account, profile or group containing the Proprietary Marks or referencing the Restaurant, including, but not limited to, personal blogs, common social networks like Facebook, Instagram, TikTok, Twitter, Snapchat, and Pinterest; professional networks, business profiles, or online review or opinion sites like LinkedIn, Google Business Profile, or Yelp; live-blogging tools like Twitter and Snapchat; virtual worlds, metaverses, file, audio and video-sharing sites, and other similar social networking or media sites or tools, or social channels. Franchisor may, at any time, require any unapproved page, site, account, profile, group or other Internet presence be discontinued and deleted or transferred to Franchisor.

10.18. Franchisee shall comply with all applicable legal, regulatory, credit card brand requirements and brand standards regarding the use of information technology in Franchisee's business and restaurants. Franchisee shall honor all credit, charge, courtesy or cash cards or other credit devices specified by Franchisor. Franchisee shall also comply with the then current Payment Card Industry Data Security Standards (PCI/DSS) as those standards may be revised by the PCI Security Standards Council, LLC or successor organization, including (i) implementing (at Franchisee's expense) all security requirements that the PCI Security Standards Council (or its successor) requires of a merchant that accepts payment by credit and/or debit cards, and (ii) participating in (at Franchisee's expense) a standardized PCI/DSS compliance program that is provided by a PCI/DSS vendor, in each case, approved by Franchisor in its discretion. Franchisee shall, at its expense, demonstrate full compliance through means which may include having an independent third party Qualified Security Assessor (QSA) conduct a PCI/DSS audit. In the event Franchisee is unable to demonstrate full compliance, Franchisor may require Franchisee to engage the services of an approved vendor to assist Franchisee to demonstrate full compliance on an ongoing basis. Additionally, Franchisor may require Franchisee to use, and

directly contract with, certain approved third-party vendors, and in some cases a single approved third-party vendor, for some or all of Franchisee's managed firewall, other technology security compliance and/or card brand or government requirements related to the transmission/processing of credit card transactions and information. Franchisee shall immediately notify Franchisor if Franchisee becomes aware of any breach, or suspected breach, of card holder data, Personally Identifiable Information (PII), confidential information, or trade secrets related to its business or restaurants, whether notice is provided by Franchisee's credit card processor, law enforcement or any other party.

10.19. Franchisee shall comply with all other requirements set forth in this Agreement.

XI. INSURANCE

11.01. Insurance Program. Franchisee shall be responsible for all loss or damage arising from or related to Franchisee's development and operation of the Franchised Restaurant, and for all demands or claims with respect to any loss, liability, personal injury, death, property damage or expense whatsoever occurring upon the premises of, or in connection with the development or operation of, the Franchised Restaurant. Franchisee shall procure, prior to commencement of construction of the Franchised Restaurant, and shall maintain in full force and effect during the Term, at Franchisee's expense, an insurance policy or policies protecting Franchisee and Franchisor, and their officers, directors, agents and employees, against any loss, liability, or expense whatsoever from personal injury, death or property damage or casualty, including, fire, lightning, theft, vandalism, malicious mischief, and other perils normally included in an extended coverage endorsement arising from, occurring upon or in connection with the construction, operation or occupancy of the Franchised Restaurant, as Franchisor may reasonably require for its own and Franchisee's protection.

11.02. Insurance Requirements. Such policy or policies shall be written by an insurance company satisfactory to Franchisor and Franchisee shall maintain in full force and effect throughout the Term that insurance which Franchisee determines is necessary or appropriate for liabilities caused by or occurring in connection with the development or operation of the Franchised Restaurant, which insurance shall include, at a minimum the following coverage:

A. Workers' Compensation Insurance, with statutory limits as required by the laws and regulations applicable to the employees of Franchisee who are engaged in the performance of their duties relating to the Franchised Restaurant, including any pre-opening training programs, as well as such other insurance as may be required by statute or regulation of the state in which the Franchised Restaurant is located.

B. Comprehensive General Liability Insurance, including products liability coverage in the minimum amount of \$1,000,000 and contents coverage in the minimum amount of \$125,000.

C. Commercial Automobile Liability Insurance for all owned, hired and non-owned vehicles with minimum coverage limits of \$1,000,000.

11.03. All such policies of insurance shall provide that the same shall not be canceled, modified or changed without first giving thirty (30) days' prior written notice thereof to Franchisor. No such cancellation, modification or change shall affect Franchisee's obligation to maintain the insurance coverages required by this Agreement. Except for Workers' Compensation Insurance, Franchisor shall be named as an Additional Insured on all such required policies. All liability insurance policies shall be written on an "occurrence" policy form. Franchisee shall be responsible for payment of any and all deductibles from insured claims under its policies of insurance. Franchisee shall not satisfy the requirements of this Section XI unless and until certificates of such insurance, including renewals thereof, have been delivered to and approved by Franchisor. Franchisee shall not self-insure any of the insurance coverages required by this Agreement, or non-subscribe to any state's applicable workmen's compensation laws without the prior written consent of Franchisor. Franchisor shall have the right, at any time during the Term to increase the minimum limits of insurance coverage or otherwise modify the insurance requirements of this Agreement upon written notice in the Manual or as otherwise prescribed by Franchisor in writing. If Franchisee shall fail to comply with any of the insurance requirements herein, upon written notice to Franchisee by Franchisor, Franchisor may, without any obligation to do so, procure such insurance and Franchisee shall pay Franchisor, upon demand, the cost thereof plus interest at the maximum rate permitted by law, and a reasonable administrative fee designated by Franchisor.

11.04. Insurance Obtained by Franchisee Shall Be Primary to Franchisor's Own Insurance. Franchisee agrees that all insurance policies obtained by Franchisee shall be primary coverage, the applicable limits of which shall be exhausted before any benefits (defense or indemnity) may be obtained under any other insurance (including self-insurance) providing coverage to Franchisor. Franchisee shall notify its insurers of this Agreement and shall use best efforts to obtain an endorsement on each policy it obtains pursuant to Sections 11.01. and 11.02. stating as follows:

The applicable limits of this policy shall be applied and exhausted before any benefits may be obtained (whether for defense or indemnity) under any other insurance (including self-insurance) that may provide coverage to Franchisor. All insurance coverage obtained by Franchisor shall be considered excess insurance with respect to this policy, the benefits of which excess insurance shall not be available until the applicable limits of this policy are exhausted.

11.05. No Limitation on Coverage. Franchisee's obligation to obtain and maintain the foregoing policy or policies of insurance in the amounts specified shall not be limited in any way by reason of any insurance which may be maintained by Franchisor, nor shall Franchisee's performance of that obligation relieve it of liability under the indemnity provisions set forth in Section XVIII of this Agreement.

11.06. Issuance of Insurance. Franchisee must obtain the insurance required by this Agreement no later than fifteen (15) days before the date on which any construction is commenced. The Franchised Restaurant shall not be opened for business prior to Franchisor's receipt of satisfactory evidence that all insurance required by this Agreement is in effect. Upon

obtaining such insurance, and on each policy renewal date thereafter, Franchisee shall promptly submit evidence of satisfactory insurance and proof of payment therefore to Franchisor, together with, upon request, copies of all policies and policy amendments. The evidence of insurance shall include a statement by the insurer that the policy or policies will not be canceled or materially altered without at least thirty (30) days' prior written notice to Franchisor.

11.07. No Representations. Franchisee acknowledges that no requirement for insurance contained in this Agreement constitutes advice or a representation by Franchisor that only such policies, in such amounts, are necessary to protect Franchisee from losses in connection with its business under this Agreement. Maintenance of the insurance required by this Agreement, and the performance by Franchisee of its obligations under this Section of the Agreement shall not relieve Franchisee of liability under the indemnification provisions or any other provisions of this Agreement.

XII. CONFIDENTIAL INFORMATION

12.01. Franchisee shall not, during the Term or thereafter, communicate, divulge, or use for the benefit of any other person, persons, partnership, association, corporation or other entity, any confidential information, knowledge or know-how concerning the construction and methods of operation of the Franchised Restaurant which may be communicated to Franchisee, or of which Franchisee may be apprised, by virtue of Franchisee's operation under the terms of this Agreement. 13.02. Franchisee covenants that Franchisee shall not, regardless of the cause for termination, either directly or indirectly, for itself, or through, on behalf of, or in conjunction with any person, persons, partnership, association, corporation or other entity, for a period of two (2) years following the sale, assignment, transfer, termination or expiration of this Agreement, own, maintain, engage in, or have any interest in any Disqualifying Restaurant that is located within a radius of two (2) miles of the location of the Franchised Restaurant specified on the Key Contract Data page or within a radius of ten (10) miles of the location of any Firehouse Subs Restaurant in operation or under construction, other than the Franchised Restaurant.

13.05. The parties agree that each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Section XIII, is held unreasonable or unenforceable by a court or agency having jurisdiction in a final decision, Franchisee expressly agrees to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant was separately stated in and made a part of this Section XIII.

A. Right to Reduce Covenants. Franchisee understands and acknowledges that Franchisor shall have the right, in its sole discretion, to reduce the scope of any covenant set forth in Sections 13.01 and 13.02 of this Agreement, or any portion thereof, without Franchisee's consent, effective immediately upon receipt by Franchisee of written notice thereof, and Franchisee agrees that it shall comply with any covenant as so modified, which shall be fully enforceable notwithstanding the provisions of Section XXII hereof.

B. Injunctive Relief. The parties acknowledge that it will be difficult to ascertain with any degree of certainty the amount of damages resulting from a breach by Franchisee of any of the covenants contained in this Section XIII. It is further agreed and acknowledged that any violation by Franchisee of any of said covenants will cause irreparable harm to Franchisor. Accordingly, Franchisee agrees that upon proof of the existence of a violation of any of said covenants, Franchisor will be entitled to injunctive relief against Franchisee in any court of competent jurisdiction having authority to grant such relief, together with all costs and reasonable attorneys' fees incurred by Franchisor in bringing such action.

Franchisee further agrees that (a) the Charitable Funds are not property of the Franchisee and (b) it shall not use the Charitable Funds for any purpose whatsoever, other than for turning over such Charitable Funds to the Foundation.

XIV. TRANSFERABILITY OF INTEREST

14.01. Transfer by Franchisor. This Agreement shall inure to the benefit of the successors and assigns of Franchisor. Franchisor shall have the right to transfer or assign its interest in this Agreement, in whole or in part, to any person, persons, partnership, association, corporation, or other entity. If Franchisor’s assignee assumes all the obligations of Franchisor hereunder and sends Franchisee written notice of the assignment so attesting, Franchisee agrees promptly to execute a general release of Franchisor and its parents, subsidiaries, and affiliates from claims or liabilities of Franchisor under this Agreement. Franchisor may designate another party to perform, or delegate to another party the performance of, its duties and obligations under this Agreement or authorize that party to act on its behalf.

14.02. Transfer by Franchisee. Franchisee understands and acknowledges that the rights and duties set forth in this Agreement are personal to Franchisee, and that Franchisor has granted this Agreement in reliance on Franchisee’s business skill and financial capacity. Accordingly, neither (i) Franchisee, nor (ii) any immediate or remote successor to Franchisee, nor (iii) any individual, partnership, corporation or other legal entity which directly or indirectly owns any interest in Franchisee or in this Agreement, shall sell, assign, transfer, convey, donate, pledge, mortgage, or otherwise encumber any direct or indirect interest in this Agreement or in any legal entity which owns the Franchised Restaurant without the prior written consent of Franchisor. Acceptance by Franchisor of any Royalty, System Fund Contribution or any other amount accruing hereunder from any third party, including any proposed transferee, shall not constitute Franchisor’s approval of such party as a transferee or the transfer of this Agreement to such party. Any purported assignment or transfer, by operation of law or otherwise, not having the written consent of Franchisor, shall be null and void.

14.03. Conditions for Consent. Franchisor may grant or withhold its consent to any transfer referred to in Section 14.02., when requested, in its sole discretion. Franchisor may, in its sole discretion, condition its consent to any transfer referred to in Section 14.02 on satisfaction of any or all of the following:

- A. That all of Franchisee’s accrued monetary obligations to Franchisor and its parents, subsidiaries and affiliates have been satisfied;
- B. That Franchisee (including any transferring owners, officers, directors, partners, members, managers and any of their spouses or children) has agreed to remain

obligated under the covenants contained in Section XIII hereof as if this Agreement had been terminated on the date of the transfer;

C. That transferee (or, if applicable, such owners of the transferee as Franchisor may request) is a person of good moral character and reputation, in the reasonable judgment of Franchisor;

D. That Franchisor has determined, to its satisfaction, that the transferee's qualifications meet Franchisor's then-current criteria for new franchisees;

E. That Franchisee and the transferee execute a written agreement, in a form satisfactory to Franchisor, pursuant to which the transferee assumes all of the obligations of Franchisee under this Agreement and any additional commitments of Franchisee.

F. That Franchisee unconditionally releases any and all claims Franchisee might have against Franchisor and its parents, subsidiaries, and affiliates as of the date of the transfer;

G. That transferee execute the then-current form of franchise agreement and such other then-current ancillary agreements as Franchisor may reasonably require. The then-current form of franchise agreement may have significantly different provisions including but not limited to a higher royalty fee and system fund contribution than that contained in this Agreement. The then-current form of franchise agreement will expire on the expiration date of this Agreement and will contain the same renewal rights, if any, as are available to Franchisee under Section 2.02. hereof;

H. That transferee agree at its sole cost and expense, within the time frame required by Franchisor, to (i) complete a renovation of the Franchised Restaurant, including the building design, parking lot, landscaping, equipment, signs, interior and exterior decor items, fixtures, furnishings, trade dress, color scheme, presentation of trademarks and service marks, supplies and other products and materials to meet Franchisor's then-current standards, specifications and design criteria for Firehouse Subs Restaurants, as contained in the form of franchise agreement disclosed in the then current Franchise Disclosure Document, the Manual, or otherwise communicated by Franchisor in writing, including such structural changes, remodeling and redecoration and such modifications to existing improvements as may be necessary to do so, and (ii) perform such other scope of work as may be determined by Franchisor;

I. That transferee and such other individuals as may be designated by Franchisor in the Manual or otherwise in writing, have successfully completed the training course then in effect for new franchisees, at Franchisee's expense;

J. If the transferee is a partnership, that the partnership agreement provide that further assignments or transfers of any interest in the partnership are subject to all restrictions imposed upon assignments and transfers in this Agreement;

K. That Franchisee, at Franchisor's option and request, execute a written guaranty of the transferee's obligations with respect to the Franchised Restaurant, which guaranty shall not exceed a period of three (3) years from the date of transfer; and

L. That Franchisee pay to Franchisor the transfer fee in the amount set forth on the Key Contract Data page (the "**Transfer Fee**"), however, no additional initial franchise fee or development fee shall be charged by Franchisor for a transfer. If the transferee is a corporation or other business entity formed by Franchisee for the convenience of ownership and Franchisee is the sole shareholder or member of such business entity, the Transfer Fee shall be one thousand and five hundred dollars (\$1,500).

14.04. Grant of Security Interest. Franchisee shall grant no security interest in this Agreement unless the secured party agrees: (i) that in the event of any default by Franchisee under any documents related to the security interest, (A) Franchisor shall be provided with notice of default and given a reasonable time within which to cure said default, and (B) Franchisor shall have the right and option to be substituted as obligor to the secured party and to cure any default of Franchisee or to purchase the rights of the secured party upon payment of all sums then due to such secured party, except such amounts which may have become due as a result of any acceleration of the payment dates based upon Franchisee's default; and (ii) to such other requirements as Franchisor, in its sole discretion, deems reasonable and necessary to protect the integrity of the Proprietary Marks and the Firehouse Subs System. Notwithstanding the above paragraph 14.04, in no event shall any secured party be entitled to (i) use or assign Franchisee's rights with respect to Franchisor's Proprietary Marks or (ii) use, assign, possess or have access to any trade secrets or confidential information of Franchisor.

14.05. Transfer on Death or Disability. Upon Franchisee's death or disability or, the death or disability of the owner of a controlling interest in Franchisee, Franchisor may require Franchisee (or such owner's executor, administrator, conservator, guardian or other personal representative) to transfer Franchisee's interest in this Agreement (or such owner's interest in Franchisee) to a third party. Such disposition (including, without limitation, transfer by bequest or inheritance) must be completed within the time Franchisor designates, not less than one (1) month but not more than six (6) months from the date of death or disability. Such disposition will be subject to all of the terms and conditions applicable to transfers contained in this Section. A failure to transfer Franchisee's interest in this Agreement or the ownership interest in Franchisee within this period of time constitutes a breach of this Agreement. For purposes of this Agreement, the term "**disability**" means a mental or physical disability, impairment or condition that is reasonably expected to prevent or actually does prevent Franchisee or an owner of a controlling interest in Franchisee from managing and operating the Restaurant.

14.06. Right of First Refusal. Any party holding an interest in this Agreement, the Franchised Restaurant or in Franchisee, and who desires to accept a bona fide offer from a third party to purchase such interest, shall notify Franchisor in writing of such offer within five (5) days of receipt of such offer, and shall provide such information and documentation relating to the offer as Franchisor may require. Franchisor shall have the right and option, exercisable within thirty (30) days after receipt of the notice of offer and the furnishing of all reasonably requested information, to send written notice to the seller that Franchisor intends to purchase the

seller's interest on the same terms and conditions offered by the third party. In the event that Franchisor elects to purchase the seller's interest, closing on such purchase must occur within sixty (60) days from the date of notice to the seller of the election to purchase by Franchisor. Any material change in the terms of any offer prior to closing shall constitute a new offer subject to the same rights of first refusal by Franchisor as in the case of an initial offer. Failure of Franchisor to exercise the option afforded by this Section 14.06. shall not constitute a waiver of any other provisions of this Agreement, including all of the requirements of this Section XIV, with respect to a proposed transfer. In the event the consideration, terms, and/or conditions offered by a third party are such that Franchisor may not reasonably be required to furnish the same consideration, terms, and/or conditions, then Franchisor may purchase the interest in this Agreement, Franchisee, or the Franchised Restaurant proposed to be sold for the reasonable equivalent in cash. If the parties cannot agree within a reasonable time as to the reasonable equivalent in cash of the consideration, terms, and/or conditions offered by the third party, an independent appraiser shall be designated by Franchisor, and his or her determination shall be binding upon the parties. If the sale to a third party is not completed within one hundred and twenty (120) days after the delivery of such offer to Franchisor, or if there is a material change in the terms of the sale, Franchisor shall have an additional right of first refusal during the thirty (30) day period following either the expiration of such one hundred and twenty (120) day period or notice to Franchisor of the material change(s) in the terms of the sale, either on the terms originally offered or the modified terms, at Franchisor's option.

14.07. Offerings by Franchisee. Securities or partnership interests in Franchisee may be offered to the public, by private offering or otherwise, only with the prior written consent of Franchisor, which consent shall not be unreasonably withheld. All materials required for such offering by federal or state law shall be submitted to Franchisor for review prior to their being filed with any governmental agency; and any materials to be used in any exempt offering shall be submitted to Franchisor for review prior to their use. No offering of such securities shall imply (by use of the Proprietary Marks or otherwise) that Franchisor is participating in the underwriting, issuance, or offering of securities by Franchisee; and Franchisor's review of any offering shall be limited solely to the subject of the relationship between Franchisee and Franchisor. Franchisee and the other participants in the offering shall fully indemnify Franchisor in connection with the offering. For each proposed offering, Franchisee shall pay to Franchisor a non-refundable fee of Five Thousand Dollars (\$5,000), or such greater amount as is necessary to reimburse Franchisor for its reasonable costs and expenses associated with reviewing the proposed offering, including legal and accounting fees. Franchisee shall give Franchisor written notice at least thirty (30) days prior to the date of commencement any offering or other transaction covered by this Section 14.07.

XV. TERMINATION

15.01. Franchisee shall be deemed to be in default under this Agreement, and all rights granted herein shall automatically terminate without notice to Franchisee, if Franchisee shall become insolvent or make a general assignment for the benefit of creditors; if a petition in bankruptcy is filed by Franchisee or such a petition is filed against Franchisee and not opposed by Franchisee; or if Franchisee is adjudicated bankrupt or insolvent; or if a receiver or other custodian (permanent or temporary) of Franchisee's assets or property, or any part thereof, is appointed by any court of competent jurisdiction; or if proceedings for a composition with creditors under the applicable law of any jurisdiction should be instituted by Franchisee or against Franchisee and not opposed by Franchisee; or if a final judgment remains unsatisfied or of record for thirty (30) days or longer (unless a supersedeas bond is filed); or if Franchisee is dissolved; or if execution is levied against Franchisee's property or business; or if suit to foreclose any lien or mortgage against the premises or equipment of any Franchised Restaurant developed hereunder is instituted against Franchisee and not dismissed within thirty (30) days; or if the real or personal property of any Restaurant developed hereunder shall be sold after levy thereon by any sheriff, marshal, or constable.

15.02. Franchisee shall be deemed to be in default and Franchisor may, at its option, terminate this Agreement and all rights granted hereunder without affording Franchisee any opportunity to cure the default upon the occurrence of any of the following events:

A. If Franchisee, at any time, ceases to operate the Franchised Restaurant or otherwise abandons the Franchised Restaurant, or loses the right to possess the premises of the Franchised Restaurant, or otherwise forfeits the right to do or transact business in the jurisdiction where the Franchised Restaurant is located; provided, however, that if, through no fault of Franchisee, the premises are damaged or destroyed by an event not within the control of Franchisee such that repairs or reconstruction cannot be completed within one-hundred eighty (180) days thereafter, then Franchisee shall have thirty (30) days after such event in which to apply for Franchisor's approval to relocate and/or reconstruct the premises, which approval shall not be unreasonably withheld, but may be conditioned upon the payment of an agreed minimum royalty to Franchisor during the period in which the Franchised Restaurant is not in operation;

B. If Franchisee (or any of its owners) is convicted of or pleads guilty to a felony, a crime involving moral turpitude, or any other crime or offense that Franchisor believes is reasonably likely to have an adverse effect on the System, the Proprietary Marks, the goodwill associated therewith, or Franchisor's interest therein;

C. (i) If a threat or danger to public health or safety results from the construction, maintenance, or operation of the Franchised Restaurant or from the material violation of any health and safety laws, rules, or regulations, or (ii) if the Franchised Restaurant is closed as a result of a failed inspection by the health department and in the event of such a closure, Franchisor determines, in its sole discretion, that the failed inspection is the result of repeated or a material failure by Franchisee to comply with the requirements of this Agreement or the health department. Notwithstanding anything

herein to the contrary, in the event of a default described in this Section 15.02(C), Franchisor shall have the right, in addition to any other right or remedy available hereunder, to require, upon verbal notice from Franchisor to Franchisee, that the Franchised Restaurant be closed to the public and/or remain closed until the applicable food, health, or safety matters are cured. Failure to close the Franchised Restaurant upon such verbal notice shall be a default under this Agreement, and, if this default shall occur, Franchisor shall have the right to immediately terminate this Agreement, such termination to be effective immediately and with no opportunity to cure;

D. If Franchisee, or any partner, member or shareholder of Franchisee purports to transfer any rights or obligations under this Agreement or any interest in Franchisee without Franchisor's prior written consent, contrary to the terms of Section XIV hereof;

E. If Franchisee fails to comply with the in-term covenants in Section 13.01 hereof or fails to obtain execution of the covenants required under Section 13.03 hereof;

F. If, contrary to the terms of Section VII hereof, Franchisee discloses or divulges the contents of the Manual or any other confidential information provided to Franchisee by Franchisor;

G. If an approved transfer is not effected as required by Section 14.05 hereof, following Franchisee's death or mental incapacity;

H. If Franchisee knowingly maintains false books or records, or submits any false reports to Franchisor;

I. If Franchisee or any individual, group, association, limited or general partnership, corporation or other business entity which directly or indirectly controls, is controlled by, or is under common control with Franchisee; or which directly or indirectly owns, controls, or holds power to vote ten percent (10%) or more of the outstanding voting securities of Franchisee; or which has in common with Franchisee one or more partners, officers, directors, trustees, branch managers, or other persons occupying similar status or performing similar functions ("**Affiliate**") commits any act of default under any other franchise agreement, development agreement (except for failure to meet the development schedule thereunder), asset purchase agreement, promissory note or any other agreement entered into by Franchisee or an Affiliate of Franchisee, and Franchisor, or any parent, subsidiary, or affiliate of Franchisor;

J. If Franchisee defaults more than once in any twelve (12) month period, or more than five (5) times during the Term, for failure to substantially comply with any of the requirements imposed by this Agreement, whether or not cured after notice;

K. If Franchisee refuses to permit Franchisor or its agents to enter upon the premises of the Franchised Restaurant to conduct any periodic inspection as set forth in Sections 5.09. and 10.06.H. hereof;

L. If Franchisee uses any of Franchisor's Proprietary Marks in any unauthorized manner or makes an unauthorized assignment of the Art or is otherwise in default of the provisions of Section V hereof;

M. If Franchisee fails to meet the requirements of Section 10.18 hereof, including demonstrating full PCI/DSS compliance through means requested by Franchisor, as Franchisor may elect in its reasonable discretion;

N. If Franchisee sells or offers for sale any products and menu items that have not been expressly approved for sale in writing by Franchisor, contrary to the terms of Section 10.06.B. hereof;

O. If Franchisee sells any approved products or menu items that deviate from Franchisor's standards and specifications for serving or selling such items, without Franchisor's prior written consent, contrary to the terms of Section 10.06.B. hereof;

P. If Franchisee continues to sell or offer for sale any products or menu items that Franchisor disapproves in writing at any time, contrary to the terms of Section 10.06.B.;

Q. If (A) Franchisee or the Managing Owner engages in conduct which is deleterious to or reflects unfavorably on Franchisee, the Franchisor's Proprietary Marks or the System by exhibiting a reckless disregard for the physical and mental well-being of employees, customers, Franchisor representatives or the public at large including, but not limited to, battery, assault, sexual harassment or other forms of threatening, outrageous, willfully discriminatory or unacceptable behavior, or (B) Franchisee, the Managing Owner, or any other owner of legal or beneficial interests in the Franchisee engages in conduct which, in Franchisor's sole judgment, adversely affects the reputation of the Franchised Restaurant, the System, or the goodwill associated with the Franchisor's Proprietary Marks. An act of default under this Section 15.02.Q. does not require any criminal action to be brought against Franchisee, the Managing Owner, or such other owner of legal or beneficial interests in the Franchisee;

R. If Franchisee, Managing Owner or any other management personnel designated by Franchisor in the Manual fails to successfully complete initial or any other training to Franchisor's satisfaction;

S. If neither Franchisee nor Managing Owner are present at the Franchised Restaurant during open hours; or

T. If (A) Franchisee fails to make prompt payment of undisputed bills, invoices or statements from suppliers of goods or services to the Franchised Restaurant or (B) Franchisee fails to make prompt payment to lenders, landlords or other vendors of the Franchisee.

15.03. Except as provided in Sections 15.01. and 15.02. of this Agreement, upon any default by Franchisee which is susceptible of being cured, Franchisor may terminate this Agreement only by giving written Notice of Termination stating the nature of such default to Franchisee: (i) at least five (5) days prior to the effective date of termination if the default is for failure to comply with the requirements of Sections XI or 17.02 hereof, or for the failure to sell or offer for sale the minimum menu items specified in the Manual or otherwise in writing, as required by Section 10.06.B hereof; (ii) at least ten (10) days prior to the effective date of termination if the default is due to any of the following events: (A) failure to pay the Initial Franchise Fee, Royalty, or System Fund Contributions (including Special Co-Op Contributions, if any) when due and/or failure to pay any other financial obligations owed to Franchisor by Franchisee or (B) failure to timely submit required reports to Franchisor; and (iii) at least thirty (30) days prior to the effective date of termination upon the occurrence of any other default under this Agreement not previously enumerated; provided, however, that Franchisee may avoid termination by curing such default to Franchisor's satisfaction within the aforementioned five (5) day, ten (10) day or thirty (30) day period, as applicable. If any such default is not cured within the specified time, this Agreement shall terminate without further notice to Franchisee effective immediately upon the expiration of the aforementioned five (5) day, ten (10) day, or thirty (30) day period, or such longer period as applicable law may require.

15.04. If any valid, applicable law or regulation of a competent governmental authority with jurisdiction over this Agreement requires a notice or cure period prior to termination longer than set forth in this Section XV, this Agreement will be deemed amended to conform to the minimum notice or cure period required by the applicable law or regulation.

15.05. Franchisee shall indemnify and hold Franchisor harmless for all costs, expenses and any losses incurred by Franchisor in enforcing the provisions hereof, or in upholding the propriety of any action or determination by Franchisor pursuant to this Agreement, or in defending any claims made by Franchisee against Franchisor, or arising in any manner from Franchisee's breach of or failure to perform any covenant or obligation hereunder, including reasonable litigation expenses and attorneys' fees incurred by Franchisor in connection with any threatened or pending litigation relating to any part of this Agreement, unless Franchisee shall be found, after due legal proceedings, to have complied with all of the terms, provisions, conditions and covenants hereof. For the avoidance of doubt, the indemnification provisions of this Section 15.05. shall survive the expiration or termination of this Agreement and be fully binding and enforceable as though such expiration or termination had not occurred.

XVI. EFFECT OF TERMINATION OR EXPIRATION

16.01. Upon termination or expiration of this Agreement, all rights granted herein shall forthwith terminate, and:

A. Franchisee shall immediately cease to operate the Franchised Restaurant as a Firehouse Subs Restaurant, and shall not thereafter, directly or indirectly, represent to the public that the restaurant is a Firehouse Subs Restaurant;

B. Franchisee shall immediately and permanently cease to use, by advertising or in any manner whatsoever, any menus, recipes, confidential food formulas, equipment, methods, procedures, and the techniques associated with the System, Franchisor's Proprietary Marks, and Franchisor's other trade names, trademarks and service marks associated with the Firehouse Subs System. In particular, and without limitation, Franchisee shall cease to use all signs, furniture, fixtures, equipment, advertising materials, the Web Site, stationery, forms, packaging, containers and any other articles which display the Proprietary Marks and make such removals or changes in the premises as Franchisor shall request, so as to effectively distinguish the premises and the Franchised Restaurant from its former appearance and from any other Firehouse Subs Restaurant. In the event Franchisee fails to comply with this Section, Franchisee consents to Franchisor entering the premises (which includes the Franchised Restaurant) to make nonstructural changes at Franchisee's expense. Franchisee shall obtain, on behalf of itself and Franchisor, the right to enter the premises to effectuate the purposes of this Section;

C. Franchisee agrees, in the event Franchisee continues to operate or subsequently begins to operate restaurants or other businesses, not to use any reproduction, counterfeit, copy, or colorable imitation of the Proprietary Marks in conjunction with such other business which is likely to cause confusion or mistake or to deceive, and further agrees not to utilize any trade dress, designation of origin, description, or representation which falsely suggests or represents an association or connection with Franchisor;

D. Franchisee agrees, upon termination or expiration of this Agreement or upon ceasing to operate the Franchised Restaurant at the location specified in Section I hereof for any reason, whether or not Franchisee continues to operate any business at such location, and whether or not Franchisee owns or leases the location, to make such modifications or alterations to the Franchised Restaurant premises immediately upon termination or expiration of this Agreement or cessation of operation of the Franchised Restaurant as may be necessary to prevent the operation of any businesses thereon by Franchisee or others in derogation of this Section XVI, and shall make such specified additional changes thereto as Franchisor may reasonably request for that purpose. The modifications and alterations required by this Section XVI shall include removal of all trade dress, Proprietary Marks and other indicia of the Firehouse Subs System;

E. Franchisee shall immediately pay all sums owing to Franchisor and its parents, subsidiaries and affiliates. In the event of termination for any default by Franchisee, such sums shall include all damages, costs and expenses, including reasonable attorneys' fees, incurred by Franchisor as a result of the default;

F. To the extent applicable, Franchisee shall immediately turn over to Franchisor (or, at Franchisor's direction, shall destroy) the Manual, all other manuals, records, files, instructions, correspondence and any and all other materials relating to the operation of the Franchised Restaurant in Franchisee's possession and all copies thereof (all of which are acknowledged to be Franchisor's property) and shall retain no copy or

record of any of the foregoing, with the exception of such materials possessed by Franchisee pursuant to a separate valid and enforceable franchise agreement and Franchisee's copy of this Agreement, any correspondence between the parties, and any other documents which Franchisee reasonably needs for compliance with any provision of law;

G. Franchisee shall immediately notify the telephone company and all telephone directory publishers of the termination or expiration of Franchisee's right to use any telephone, telecopy or other numbers and any regular, classified or other telephone directory listings associated with any Proprietary Mark, authorize the transfer of such numbers and directory listings to Franchisor or at Franchisor's direction and/or instruct the telephone company to forward all calls made to Franchisee's telephone numbers to numbers Franchisor may specify;

H. Franchisee shall immediately delete or cause to be deleted the Web Site (if not within Franchisor's control) and transfer to Franchisor (if not already registered to Franchisor) the registration of all domain names used in connection with the Web Site, as well as any other domain names registered by or on behalf of Franchisor in connection with the Franchised Restaurant. Any rights granted by Franchisor to Franchisee with respect to the Web Site, or any other website associated with the Franchised Restaurant, including any domain names, shall immediately cease upon termination or expiration of this Agreement, and Franchisor may, at any time upon or after termination or expiration of this Agreement, delete the Web Site (if within Franchisor's control) and cease or reassign usage of any domain names within Franchisor's control that may have benefited Franchisee; and

I. Franchisee shall reimburse Franchisor for all expenses and other costs incurred by Franchisor, if Franchisor chooses, with or without notice to Franchisee, to enter the Franchised Restaurant and remove the Art.

16.02. Franchisor shall have the right (but not the duty) to be exercised by notice of intent to do so within sixty (60) days after termination or expiration of this Agreement, to purchase any and all improvements, equipment, advertising and promotional materials, ingredients, products, materials, supplies, paper goods and any items bearing Franchisor's Proprietary Marks at current fair market value. If the parties cannot agree on a fair market value within a reasonable time, an independent appraiser shall be designated by Franchisor, and his or her determination of fair market value shall be binding. If Franchisor elects to exercise any option to purchase herein provided, it shall have the right to set-off all amounts due from Franchisee under this Agreement and the cost of the appraisal, if any, against any payment therefor.

16.03. In the event the premises are leased to Franchisee, Franchisee shall, upon termination of this Agreement and upon request by Franchisor, immediately assign, set over and transfer unto Franchisor, at Franchisor's sole option and discretion, said lease and the premises, including improvements. Any such lease entered into by Franchisee shall contain a clause specifying the landlord's consent to assign such lease to Franchisor or its assignee in the event

this Agreement is terminated. In the event the premises are owned by Franchisee or its affiliate, and this Agreement is terminated or expires without renewal, Franchisor shall have the right to require Franchisee or its affiliate, as applicable, to promptly enter into a lease with Franchisor or its designee for the Restaurant premises, which lease shall be on commercially reasonable terms, including then-current market rates, and shall be for a term of ten (10) years, unless the parties to the proposed lease agree otherwise.

16.04. Franchisee shall pay to Franchisor all damages, costs, and expenses, including reasonable attorneys' fees, incurred by Franchisor in seeking recovery of damages caused by any action of Franchisee in violation of, or in obtaining injunctive relief for the enforcement of, any portion of this Section XVI. Further, Franchisee acknowledges and agrees that any failure to comply with the provisions of this Section XVI, shall result in irreparable injury to Franchisor.

16.05. All provisions of this Agreement which, by their terms or intent, are designed to survive the expiration or termination of this Agreement, shall so survive the expiration and/or termination of this Agreement.

16.06. Franchisee shall comply with the covenants contained in Section XIII of this Agreement.

16.07. Franchisee shall execute such documents as Franchisor may reasonably require to effectuate termination of the franchise and Franchisee's rights to use the trademarks and systems of Franchisor.

XVII. TAXES, PERMITS, AND INDEBTEDNESS

17.01. Franchisee shall promptly pay when due all taxes, accounts and other indebtedness of every kind incurred by Franchisee in the conduct of Franchisee's business and operation of the Franchised Restaurant under this Agreement (the "**Indebtedness**"). If Franchisee fails to promptly pay when due any Indebtedness, Franchisor may, but is not required to, pay any and all such amounts and perform such obligations on Franchisee's behalf. If Franchisor elects to do so, Franchisee must reimburse Franchisor for any such amounts. Franchisee agrees to repay Franchisor immediately upon receipt of an invoice for Indebtedness costs paid by Franchisor. Franchisor may set-off the amount of any such reimbursement obligations against all amounts which Franchisor may owe Franchisee.

17.02. Franchisee, in the conduct of Franchisee's business and operation of the Franchised Restaurant, shall comply with all applicable laws and regulations, and shall timely obtain any and all permits, certificates, or licenses necessary for the full and proper conduct of the businesses operated under this Agreement, including licenses to do business, trade name registrations, sales tax permits and fire clearances.

17.03 Notwithstanding the foregoing or anything else herein, the amount of all fees payable pursuant to this Agreement by the Franchisee does not include Indirect Tax and, in the event Indirect Tax applies on the fees payable pursuant to this Agreement, Franchisee will be responsible for such Indirect Tax either (i) through payment of the Indirect Tax to Franchisor or

(ii) if Franchisee is required by law to deduct and pay the applicable Indirect Tax to the relevant Tax Authority, Franchisee will gross up the fees by the applicable Indirect Tax and remit payment of the applicable Indirect Tax amount to the relevant Tax Authority, without any deduction from fees payable under this Agreement. If there is an exemption in the state of the Franchised Restaurant for the application of Indirect Taxes to any payments made by Franchisee to Franchisor or its designee, Franchisee will cooperate in good faith with Franchisor and take all reasonable steps necessary to ensure that Franchisor or its designee will be eligible for such exemption, including by applying for the exemption with the applicable Tax Authority. **“Indirect Tax”** or **“Indirect Taxes”** means sales and use tax, goods and services tax, value added tax, ad valorem tax, excise tax, duty, levy or other governmental charges, and other obligations of the same or of a similar nature to any of the foregoing (together with any penalties, interest, or other similar amounts thereon) levied by a Tax Authority. **“Tax”** or **“Taxes”** means all taxes, however denominated, including any interest, penalties, or other additions that may become payable in respect thereof, imposed by any Taxing Authority. **“Tax Authority”** means any governmental authority having or purporting to have power to impose, administer or collect any Tax.

XVIII. INDEPENDENT CONTRACTOR AND INDEMNIFICATION

18.01. This Agreement does not make Franchisee an agent, legal representative, joint venturer, partner, employee or servant of Franchisor for any purpose whatsoever. It is understood and agreed that Franchisee shall be an independent contractor and is in no way authorized to make any contract, agreement, warranty, or representation on behalf of Franchisor or to incur any debt or any other obligation in Franchisor’s name, and that Franchisor shall in no event assume liability for, or be deemed liable hereunder as a result of, any such action or by reason of any act or omission of Franchisee, or any claim or judgment arising therefrom. Neither this Agreement nor Franchisor’s course of conduct is intended, nor may anything in this Agreement (nor Franchisor’s course of conduct) be construed, to state or imply that Franchisor is the employer of Franchisee’s employees and/or independent contractors, nor vice versa. The parties further agree that this Agreement does not create any fiduciary or special relationship between them. In all public records, in relationships with other persons, and on letterhead and business forms, Franchisee shall indicate its independent ownership of the Franchised Restaurant and that Franchisee is a franchisee of Franchisor.

18.02. During the Term and any extensions hereof, Franchisee agrees to take such action as Franchisor deems reasonably necessary for Franchisee to inform and hold itself out to the public as an independent contractor operating the Franchised Restaurant pursuant to a franchise from Franchisor (including exhibiting a notice of that fact at the Franchised Restaurant in form and substance satisfactory to Franchisor), subject only to the conditions and covenants set forth in this Agreement. Franchisee shall have no right or power to, and shall not, bind or obligate Franchisor in any way or manner, nor shall Franchisee represent at any time that Franchisee has any right to do so. Without limiting the generality of the foregoing, Franchisee acknowledges that (i) Franchisor has no responsibility or obligation to ensure that the Franchised Restaurant is developed and operated in compliance with all applicable laws, ordinances, and regulations, and (ii) Franchisor shall have no liability in the event the development or operation of the Franchised Restaurant violates any applicable law, ordinance, or regulation.

18.03. Franchisee agrees to defend, indemnify and hold harmless Franchisor, its parent, subsidiaries and affiliates, and their respective officers, directors, employees, agents, successors and assigns from all claims, demands, losses, damages, liabilities, cost and expenses (including attorneys' fees and litigation expenses) resulting from, or alleged to have resulted from, or in connection with Franchisee's operation of the Franchised Restaurant, including any claim or actions based on or arising out of (i) Franchisee's violation of any applicable laws, rules, or regulations (including any applicable employment or workplace-related laws, rules, or regulations), (ii) the acts or omissions of Franchisee or any of its employees, or (iii) any injuries, including death to persons or damages to or destruction of property, sustained or alleged to have been sustained in connection with or to have arisen out of or incidental to the Franchised Restaurant, Franchisee's business and/or the performance of this Agreement by Franchisee, its agents, employees, and/or its subcontractors, their agents and employees, or anyone for whose acts they may be liable, regardless of whether or not such claim, demand, damage, loss, liability, cost or expense is caused in whole or in part by the negligence of Franchisor, Franchisor's representative, or the employees, agents, invitees, or licensees thereof. For the avoidance of doubt, the provisions of this Section 18.03. shall survive the expiration or termination of this Agreement and be fully binding and enforceable as though such expiration or termination had not occurred.

18.04. Franchisor shall advise Franchisee in the event Franchisor receives notice that a claim has been or may be filed with respect to a matter covered by this Agreement, and Franchisee shall immediately assume the defense thereof at Franchisee's sole cost and expense. In any event, Franchisor will have the right, through counsel of its choice, to control any matter to the extent it could directly or indirectly affect Franchisor and/or its parent, subsidiaries or affiliates or their officers, directors, employees, agents, successors or assigns. If Franchisee fails to assume such defense, Franchisor may defend, settle, and litigate such action in the manner it deems appropriate and Franchisee shall, immediately upon demand, pay to Franchisor all costs (including attorneys' fees and litigation expenses) incurred by Franchisor in affecting such defense, in addition to any sum which Franchisor may pay by reason of any settlement or judgment against Franchisor.

18.05. Franchisor's right to indemnity hereunder shall exist notwithstanding that joint or several liability may be imposed upon Franchisor by statute, ordinance, regulation or judicial decision.

18.06. Franchisee agrees to pay Franchisor all expenses attorneys' fees and court costs, incurred by Franchisor, its parent, subsidiaries, affiliates, and their successors and assigns to remedy any defaults of or enforce any rights under this Agreement, effect termination of this Agreement or collect any amounts due under this Agreement.

XIX. APPROVALS AND WAIVERS

19.01. Whenever this Agreement requires the approval of Franchisor, Franchisee shall make a timely written request to Franchisor therefore, and such approval or consent shall be in writing. Whenever this Agreement or any related agreement grants, confers or reserves to Franchisor the right to take action, refrain from taking action, or grant or withhold Franchisor's consent or approval, unless the provision specifically states otherwise, Franchisor may take into consideration Franchisor's good faith assessment of the long term interests of all stakeholders in the Firehouse Subs System. When the terms of this Agreement specifically require that Franchisor not unreasonably withhold Franchisor's approval or consent, if Franchisee is in material default of this Agreement (after applicable notice and cure period), any withholding of Franchisor's approval or consent will be considered reasonable.

19.02. Franchisor makes no warranties or guarantees upon which Franchisee may rely, and assumes no liability or obligation to Franchisee or any third party to which Franchisor would not otherwise be subject, by providing any waiver, approval, advice, consent, or suggestions to Franchisee in connection with this Agreement, or by reason of any neglect, delay, or denial of any request therefore.

19.03. No failure of Franchisor to exercise any power reserved to it in this Agreement, or to insist upon compliance by Franchisee with any obligation or condition in this Agreement, and no custom or practice of the parties at variance with the terms hereof, shall constitute a waiver of Franchisor's right to demand exact compliance with the terms of this Agreement. Waiver by Franchisor of any particular default shall not affect or impair Franchisor's right in respect to any subsequent default of the same or of a different nature, nor shall any delay, forbearance, or omission of Franchisor to exercise any power or rights arising out of any breach or default by Franchisee of any of the terms, provisions, or covenants of this Agreement, affect or impair Franchisor's rights, nor shall such constitute a waiver by Franchisor of any rights, hereunder or right to declare any subsequent breach or default. Subsequent acceptance by Franchisor of any payments due to it shall not be deemed to be a waiver by Franchisor of any preceding breach by Franchisee of any terms, covenants, or conditions of this Agreement.

XXI. SEVERABILITY AND CONSTRUCTION

21.01. Except as expressly provided to the contrary herein, each section, paragraph, part, term, and/or provision of this Agreement shall be considered severable; and if, for any reason, any section, part, term, and/or provision herein is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation by a court or agency having valid jurisdiction, such shall not impair the operation, or have any other effect upon, such other portions, sections, parts, terms, and/or provisions of this Agreement as may remain otherwise intelligible, and the latter shall continue to be given full force and effect to bind the parties hereto; and said invalid portions, sections, parts, terms, and/or provisions shall be deemed not to be part of this Agreement.

21.02. Except as has been expressly provided to the contrary herein, nothing in this Agreement is intended, nor shall be deemed, to confer upon any person or legal entity other than Franchisee, Franchisor, Franchisor's officer, directors, and employees, and Franchisee's permitted and Franchisor's respective successors and assigns, any rights or remedies under or by reason of this Agreement.

21.03. All captions in the Agreement are intended solely for the convenience of the parties, and none shall be deemed to affect the meaning or construction of any provision hereof. In this Agreement, the words "include", "includes", and "including" shall be deemed to be followed by the phrase "without limitation".

21.04. All references herein to the masculine, neuter or singular shall be construed to include the masculine, feminine, neuter or plural, where applicable, and all acknowledgments, promises, covenants, agreements and obligations herein made or undertaken by Franchisee shall be deemed jointly and severally undertaken by all the parties hereto on behalf of Franchisee.

21.05. This Agreement may be executed in multiple counterparts, each of which when executed and delivered shall be deemed to be an original and all of which together shall constitute but one and the same agreement. By entering into this Agreement, Franchisee expressly consents to transact business with Franchisor electronically and that, consistent with the Uniform Electronic Transactions Act and all other applicable state and federal laws, this Agreement may be executed by electronic signatures. The parties to this Agreement agree that (i) the parties' electronic signatures are intended to authenticate this writing and to have the same force and effect as the use of manual signatures, and (ii) an electronically signed version of this Agreement shall constitute an original for all purposes.

XXII. ENTIRE AGREEMENT: SURVIVAL

22.01. This Agreement, the Key Contract Data page to this Agreement, the documents referred to herein, and the exhibits hereto, constitute the entire, full and complete agreement between Franchisor and Franchisee concerning the subject matter hereof and supersede any and all prior agreements. Except for those permitted to be made unilaterally by Franchisor hereunder, no amendment, change, modification or variance of this Agreement shall be binding on either party unless in writing and executed by Franchisor and Franchisee. Representations by either party, whether oral, in writing, electronic or otherwise, that are not set forth in this Agreement (other than those set forth in the Franchise Disclosure Document provided by Franchisor to Franchisee) shall not be binding upon the party alleged to have made such representations and shall be of no force or effect. However, and notwithstanding the foregoing, no provision in this Agreement is intended to disclaim any representation made by Franchisor in the Franchise Disclosure Document provided by Franchisor to Franchisee.

Franchisee has read this Section 22.01., and Franchisee acknowledges and agrees that neither it nor any of its owners, directors, officers, or employees has been induced by (and none of the foregoing are relying upon) any representation not contained in this Agreement or the Franchise Disclosure Document provided by Franchisor at least 14 days prior to the execution of any agreement with Franchisor or any parent, subsidiary or affiliate or the payment of any money to Franchisor or any parent, subsidiary or affiliate.

22.02. Notwithstanding anything herein to the contrary, upon the termination of this Agreement for any reason whatsoever (including the execution of a subsequent franchise agreement pursuant to the provisions of Sections 2.02.B. and 14.03.G.), or upon the expiration of the Term hereof, any provisions of this Agreement which, by their nature, extend beyond the expiration or termination of this Agreement, shall survive termination or expiration and be fully binding and enforceable as though such termination or expiration had not occurred.

XXIV. APPLICABLE LAW; VENUE

24.01. Applicable Law. S. Trademark Act of 1946, 15 U.S.C. § 1051, et seq. - (2) I understand and acknowledge that I am not an employee of FOA or its affiliates for any purpose whatsoever;
- (3) Since I am not an employee of FOA, I will not be entitled to any workers compensation coverage from FOA or any of its affiliates (although I may be entitled to such coverage from my own employer);
- (4) I waive any right to sue for damages or other relief, and release any claim I may have against FOA and/or any of its affiliates, agents, officers and directors, for any claims, losses, damages, liabilities or obligations that arise out of any injury I suffer during and as a result of my participation in the Training Program with FOA; and
- (5) My participation in the Training Program does not entitle me to a Firehouse Subs franchise. Franchises are granted only by separate written agreements.

FRANCHISEE is the franchisee under that certain Firehouse Subs Franchise Agreement dated as of _____, 20____ (the "Franchise Agreement") with respect to Firehouse Subs restaurant #_____ (the "Restaurant") with Firehouse of America, LLC, a Florida limited liability company (hereinafter referred to as "FRANCHISOR"). This Guaranty is incorporated in and made a part of the Franchise Agreement and may be attached thereto.

1. Acknowledgments. You acknowledge and agree that FRANCHISOR has entered into the Franchise Agreement with FRANCHISEE solely on the condition that all of FRANCHISEE'S officers, directors, and holders of a legal or beneficial interest in Franchisee of ten percent (10%) or more (each, an "Owner") be personally obligated and jointly and severally liable with FRANCHISEE (and with each other Owner) for the performance of each and every obligation of FRANCHISEE (and its Owners) under the Franchise Agreement, any amendments or modifications to the Franchise Agreement, any extensions or renewals of the Franchise Agreement, and under each and every agreement ancillary to the Franchise Agreement, including without limitation pursuant to any lease, sublease, or any other agreements with respect to the Restaurant that has been, or hereafter may be, entered into by FRANCHISEE with FRANCHISOR or any of its affiliates (all such agreements are collectively referred to as the "FRANCHISOR Agreements").

2. GUARANTOR'S Covenants, Representations and Guaranty. In consideration of and as an inducement to the execution of the Franchise Agreement by FRANCHISOR, you hereby personally, irrevocably and unconditionally:

- (a) represent and warrant to FRANCHISOR that Exhibit A to the Franchise Agreement is accurate and complete;
- (b) agree to guarantee the prompt payment and performance of all Obligations (as hereinafter defined) of FRANCHISEE to FRANCHISOR, its affiliates, and their successors and assigns;
- (c) agree to be personally bound by, and personally liable for the breach of, each and every provision in the Franchise Agreement and each and every provision in any other FRANCHISOR Agreement, as if you were the FRANCHISEE, including, without limitation, the provisions of Sections V (Proprietary Marks and Art), XII (Confidential Information), XIII (Covenants) and XIV (Transferability of Interest) of the Franchise Agreement; and

- (d) agree to indemnify and save harmless FRANCHISOR and its affiliates against and from all losses, damages, costs, and expenses which FRANCHISOR and/or its affiliates may sustain, incur, or become liable for by reason of (i) the failure for any reason whatsoever of FRANCHISEE to pay or perform the Obligations of FRANCHISEE to FRANCHISOR, its affiliates, and their successors and assigns, or (ii) any act, action, or proceeding of or by FRANCHISOR for or in connection with the recovery of monies or the obtaining of performance by FRANCHISEE of any other act, matter or thing pursuant to the provisions of the FRANCHISOR Agreements.

The term “Obligations” means the payment of all debts, liabilities and obligations of FRANCHISEE to FRANCHISOR arising under the FRANCHISOR Agreements, whether direct, indirect, absolute, contingent, matured or unmatured, extended or renewed, wherever and however incurred, together with all costs of collection, compromise and enforcement, including reasonable attorneys’ fees, and the prompt performance of each and every covenant, agreement and condition set forth in any of the FRANCHISOR Agreements. The guarantee by the GUARANTOR hereunder is an absolute, continuing, primary and unconditional guarantee of payment and performance and not of collection.

3. Waivers by GUARANTOR. You hereby waive:

- (a) acceptance and notice of acceptance by FRANCHISOR of the foregoing guaranty;
- (b) notice of demand for payment of any indebtedness or nonperformance by FRANCHISEE of any of the Obligations;
- (c) presentment or protest of any instrument and notice thereof; and notice of default or intent to accelerate with respect to the indebtedness or nonperformance of any of the Obligations;

- (g) any defense based on any irregularity or defect in the creation of any of the Obligations or modification of the terms and conditions of performance thereof;

- (h) any defense based on the failure of FRANCHISOR or any other party to take, protect, perfect or preserve any right against and/or security granted by the FRANCHISEE or any other party;
- (i) notice of any and all indebtedness or obligations of FRANCHISEE to FRANCHISOR, now existing or which may hereafter exist;
- (j) notice of amendment of the FRANCHISOR Agreements;
- (k) notices of dishonor, payment, presentation, and diligence;
- (l) any and all other notices and legal or equitable defenses to which you may be entitled; and
- (m) the right to trial by jury in respect of any action, proceeding, claim, counterclaim or otherwise, whether at law or in equity arising out of, under or in connection with this Guaranty.

4. Further Agreements and Understandings. You hereby consent and agree that:

- (a) Your direct and immediate liability under this Guaranty will be joint and several with FRANCHISEE and each other GUARANTOR of FRANCHISEE;
- (b) The death or incapacity of any GUARANTOR will not modify, amend or terminate this Guaranty, and upon such a death, the estate of such GUARANTOR shall be bound by this Guaranty;
- (c) If you should die, become incapacitated, become insolvent or make a general assignment for the benefit of creditors, or if a proceeding under the United States Bankruptcy Code or any similar law affecting the rights of creditors generally shall be filed or commenced by, against or in respect of you or any other GUARANTOR hereunder, any and all obligations of the GUARANTOR shall, at FRANCHISOR's option, immediately become due and payable without notice;
- (d) If any payment or transfer to FRANCHISOR which has been credited against any Obligation is voided or rescinded or required to be returned by FRANCHISOR, whether or not in connection with any event or proceeding described in Section 4(c), this Guaranty will continue in effect or be reinstated as though such payment, transfer or recovery had not been made;
- (e) You will render any payment or performance required under the Franchise Agreement or any other FRANCHISOR Agreement upon demand if FRANCHISEE fails or refuses punctually to do so;

- (f) Your liability hereunder will be construed as an absolute, unconditional, continuing and unlimited obligation without regard to the regularity, validity or enforceability of any of the Obligations, and without regard to whether any Obligation is limited, modified, voided, released or discharged in any proceeding under the United States Bankruptcy Code or any similar law affecting the rights of creditors generally, or any subsequent reorganization, merger, or consolidation of FRANCHISEE, or any other change in its composition, nature, personnel, or location;
- (g) Your liability hereunder will not be contingent or conditioned upon FRANCHISOR's pursuit of any remedies against FRANCHISEE or any other person;
- (h) This Guaranty will continue in full force and effect for and as to any extension of or modification or amendment to the Franchise Agreement or any other FRANCHISOR Agreement and you waive notice of any and all such extensions, modifications or amendments;
- (i) This Guaranty is irrevocable and is independent of any and all other guarantees that may be made by any other parties with respect to the Obligations. All rights of FRANCHISOR hereunder or otherwise arising under the FRANCHISOR Agreements are separate and cumulative and may be pursued separately, successively, or concurrently, or not pursued, without affecting or limiting any other right of FRANCHISOR and without affecting or impairing the liability of the GUARANTORS;
- (j) Your liability hereunder will not be diminished, relieved or otherwise affected by any extension of time, credit or other indulgence, or any waiver that FRANCHISOR may from time to time grant to FRANCHISEE or to any other person, including without limitation, the acceptance of any partial payment or performance, or the compromise or release of any claims (including the release of other Owners or guarantors), or the taking of any action by FRANCHISOR which may have the effect of increasing your obligations, none of which will in any way modify or amend this Guaranty, which will be continuing and irrevocable during the term of the Franchise Agreement and so long as any performance is or may be owed under any of the FRANCHISOR Agreements by FRANCHISEE or its Owners and so long as FRANCHISOR may have any cause of action against FRANCHISEE or its Owners, subject to paragraph (m) below;
- (k) Your liability hereunder will not be diminished, relieved or otherwise affected by any other agreements or other dealings between FRANCHISOR and FRANCHISEE having the effect of amending or altering the FRANCHISOR Agreements or FRANCHISEE's obligations thereunder, or by any want of notice by FRANCHISOR to FRANCHISEE of any default

of FRANCHISEE or by any other matter, thing, act, or omission of FRANCHISOR whatsoever;

- (l) Any and all present and future debts and obligations of the FRANCHISEE to you or any other GUARANTORS are hereby subordinated to the full payment and performance of the Obligations;
- (m) If you transfer, in compliance with the Franchise Agreement, all of your interest in the Franchise Agreement or FRANCHISEE for payment in cash, you shall, at FRANCHISOR's option and request, execute a written guaranty of the transferee's obligations with respect to the Restaurant, which guaranty shall not exceed a period of three (3) years from the date of transfer. Notwithstanding the foregoing, your liability hereunder for Obligations under the other FRANCHISOR Agreements will continue in full force and effect until FRANCHISEE has fully paid and performed all obligations thereunder;
- (n) The written acknowledgement of FRANCHISEE or the judgment of any court establishing the amount due from FRANCHISEE shall be conclusive and binding on you and your heirs, representatives, successors and assigns. FRANCHISOR's books and records showing the account between FRANCHISOR and FRANCHISEE shall be admissible in evidence in any action or proceeding, shall be binding upon you for the purpose of establishing the items therein set forth, and shall constitute prima facie proof thereof; and
- (o) Except to the extent the provisions of this Guaranty give FRANCHISOR additional rights, this Guaranty shall not be deemed to supersede or replace any other guarantees given to FRANCHISOR by you; and the obligations guaranteed hereby shall be in addition to any other obligations guaranteed by you pursuant to any other agreement of guarantee given to FRANCHISOR and other guarantees of the Obligations.

5. Assignment by FRANCHISOR. This Guaranty is for the benefit of FRANCHISOR, which may, without any notice, sell, assign or transfer any part of the Obligations guaranteed herein. Each and every successive assignee, transferee or holder of all or any part of the Obligations shall have the right to enforce this Guaranty, by suit or otherwise, for the benefit of such assignee, transferee or holder, as fully as though such assignee, transferee or holder were herein by name given such rights, powers and benefits; but FRANCHISOR shall have an unimpaired right, prior and superior to that of any such assignee, transferee or holder, to enforce this Guaranty for its benefit as to so much of said Obligations that it has not sold, assigned or transferred.

6. Choice of Law; Jurisdiction and Venue. This Guaranty takes effect upon its acceptance and execution by Franchisor and shall be interpreted and construed under the laws of the State of Florida which laws shall prevail in the event of any conflict of law (without regard to,

and without giving effect to, the application of Florida choice of law or conflict of law rules) except to the extent governed by the U. S. Trademark Act of 1946, 15 U.S.C. § 1051, et seq. (the “Lanham Act”) as amended. Nothing in this Section 6 is intended by the parties to subject this Guaranty to any franchise or similar law, rule, or regulation of the State of Florida to which this Agreement would not otherwise be subject. The parties agree that any action brought by Franchisee against Franchisor in any court, whether federal or state, shall be brought within such state and in the judicial district in which Franchisor has its principal place of business. Any action brought by Franchisor against Franchisee in any court, whether federal or state, may be brought within the state and in the judicial district in which Franchisor has its principal place of business. Franchisee hereby consents to personal jurisdiction and venue in the state and judicial district in which Franchisor has its principal place of business.

7. Severability. If one or more provisions contained in this Guaranty shall be invalid, illegal or unenforceable, in any respect under the laws of any jurisdiction, the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby.

8. Counterparts. This Guaranty may be executed in one or more counterparts, each of which shall constitute an original and all of which together shall constitute one and the same instrument.

9. Enforcement Costs. If FRANCHISOR is required to enforce this Guaranty in any judicial or arbitration proceeding or any appeals, you must reimburse FRANCHISOR for its enforcement costs. Enforcement costs include reasonable accountants’, attorneys’, attorney’s assistants’, arbitrators’ and expert witness fees, costs of investigation and proof of facts, court costs, arbitration filing fees, other litigation expenses and travel and living expenses, whether incurred prior to, in preparation for, or in contemplation of the filing of any written demand, claim, action, hearing or proceeding to enforce this Guaranty.

By entering into this Guaranty, you expressly consent to transact business with FRANCHISOR electronically and that, consistent with the Uniform Electronic Transactions Act, and all other applicable state and federal laws, this Guaranty may be executed by electronic signatures. The parties to this Guaranty agree that the parties' electronic signatures are intended to authenticate this writing and to have the same force and effect as the use of manual signatures and an electronically signed version of this Guaranty shall constitute an original for all purposes.

You now execute this Guaranty on the date shown above.

**FORM OF
DEFERRED RENOVATION ADDENDUM
TO
FRANCHISE AGREEMENT**

DEFERRED RENOVATION ADDENDUM FIREHOUSE SUBS FRANCHISE AGREEMENT

This Deferred Renovation Addendum (“**Addendum**”) is made as of the ____ day of _____, 20____ by and between the undersigned parties.

This Addendum modifies and is a part of the franchise agreement entered into by the parties on the same date herewith (the “**Franchise Agreement**”) under which Franchisee is licensed to own and operate the Firehouse Subs Restaurant to be located at the location of the franchised restaurant on the Key Contract Data page of the Franchise Agreement, and commonly referred to as FHS# _____ (the “**Franchised Restaurant**”).

1. Background and Purpose. This Addendum is being executed in order to modify certain provisions of the Franchise Agreement as necessary to reflect accurately the terms on which a franchise is being granted to Franchisee. Franchisee acknowledges that, as of the date of this Addendum, the Renovation (as defined below) of the Franchised Restaurant has not been completed, and that this Addendum reflects material conditions to the grant of the franchise to Franchisee.

2. Renovation Requirements. Franchisee acknowledges and agrees that Franchisee is required to complete certain reimagings, renovations, refurbishments, and modernizations of the Franchised Restaurant that will meet Franchisor’s then-current standards, specifications and design criteria for Firehouse Subs Restaurants (the “**Renovation**”). Franchisee acknowledges and agrees that completion of the Renovation is a material consideration for and inducement to Franchisor to enter into the Franchise Agreement and this Addendum. Franchisee agrees to complete the Renovation in a professional, workmanlike manner in accordance with Franchisor and industry standards, and to complete the Renovation in its entirety no later than _____ (the “**Renovation Completion Date**”). Franchisee further agrees that equitable relief requiring the performance of Franchisee’s obligations under this Addendum would be appropriate in the event that Franchisee fails to comply with its obligations herein, and that in the event of Franchisee’s noncompliance, Franchisor shall be entitled to such relief without bond and to recover all costs of enforcement of Franchisee’s obligations under this Addendum, including without limitation its attorneys’ fees and costs. Equitable relief will be in addition to and will not preclude other remedies. Failure to complete the Renovation in its entirety, as determined by Franchisor, by the Renovation Completion Date shall be a material default under and cause for termination of the Franchise Agreement.

3. Royalty. The following paragraphs replace Section 3.01.B. of the Agreement:

A recurring, non-refundable royalty fee equal to the amount set forth as the “**Royalty**” on the Key Contract Data page (“**Royalty**”) during the Term, payable weekly (or on such other basis as may be set forth in the Manual or otherwise agreed to in writing by Franchisor) on the Gross Sales of the preceding week.

Notwithstanding the foregoing, if Franchisor determines that Franchisee failed to complete the Renovation by the Renovation Completion Date, Franchisee shall pay Franchisor a Royalty equal to ____% of Gross Sales commencing ninety (90) days after Franchisor provides written notice of such increase to Franchisee and ending on the date that Franchisor has confirmed, in writing, that the Renovation has been completed. Thereafter, Franchisee shall pay Franchisor a Royalty equal to the amount set forth on the Key Contract Data page for the remainder of the Term. For the avoidance of doubt, the increased Royalty provided herein does not preclude Franchisor from exercising any rights and remedies for Franchisee's failure to timely complete the Renovation, including without limitation the right to terminate the Franchise Agreement.

4. Effect and Construction. The Franchise Agreement, as modified by this Addendum, replaces and supersedes all previous licenses and franchise agreements entered into by the parties or their predecessors in interest with respect to the Franchised Restaurant. Terms used in this Addendum have the same meanings given to them in the Franchise Agreement except as this Addendum may otherwise provide. Paragraph captions in this Addendum are for convenience only and do not affect the construction of its provisions. In the event of any inconsistency between the provisions of the Franchise Agreement and the provisions of this Addendum, the provisions of this Addendum shall govern.

By entering into this Addendum, Franchisee expressly consents to transact business with Franchisor electronically and that, consistent with the Uniform Electronic Transactions Act, and all other applicable state and federal laws, this Addendum may be executed by electronic signatures. The parties to this Addendum agree that the parties' electronic signatures are intended to authenticate this writing and to have the same force and effect as the use of manual signatures and an electronically signed version of this Addendum shall constitute an original for all purposes.

This Addendum is hereby executed by the parties effective on the date indicated above.

FORM OF

TARGET RESERVATION AGREEMENT

TARGET RESERVATION AGREEMENT
(NON-EXCLUSIVE)

This Target Reservation Agreement ("Agreement") is made and entered into in Jacksonville, Florida as of the ____ day of _____, 20____ (the "Effective Date"), by and between **FIREHOUSE OF AMERICA, LLC** ("FOA"), a Florida limited liability company having its principal place of business at 4600 Touchton Road, Suite 300 and Suite 400, Jacksonville, Florida 32246, and _____ ("Developer").

INTRODUCTION

In consideration of the mutual undertakings and covenants contained in this Agreement and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

ARTICLE I: GRANT

1.1 **Restaurant Site.** Subject to the terms and conditions of this Agreement, FOA grants Developer the right to develop a Firehouse Subs® restaurant (the "Franchised Restaurant") at the specific address set forth on Exhibit A ("Site"), and the development of a Franchised Restaurant at the Site.

1.2 **No Territorial or Other Rights.** The development rights granted to Developer in this Agreement are for the Site set forth in Exhibit A only, and: (a) Developer has no express or implied territorial rights in any area to develop Firehouse Subs® restaurants; (b) FOA has the unconditional right to directly or indirectly develop, establish and/or approve a franchisee to develop Firehouse Subs® restaurants at all locations other than the Site; (c) the development rights specifically exclude the right to obtain approval for development of a Firehouse Subs® restaurant at any nontraditional locations for which the majority of persons entering the premises typically do so for purposes other than patronizing the Firehouse Subs® restaurants, including, but not limited to, enclosed shopping malls, airports, military installations, hotels, railway stations and their direct surroundings, bus stations, service plazas established by governmental or quasi-governmental entities on motorways and highways, gas stations, convenience stores, universities and schools, amusement parks, cruise ships, hospitals and residences, stadiums, sports centers and clubs, and similar locations for distribution; and (d) rights or approvals previously granted by FOA to other persons or entities are not affected by this Agreement. This Agreement shall not limit FOA's ability to renew or extend existing agreements or enter into new agreements for any Firehouse Subs® restaurant whether previously approved and under development or otherwise.

1.3 **Success or Viability of a Site or Franchised Restaurant.** The Developer agrees that neither FOA's approval of the Site nor any site selection assistance, site identification or other assistance by FOA prior to such approval, shall be construed or interpreted as a representation or warranty relating directly or indirectly to the success or viability of the Site or Franchised Restaurant and no reliance shall be placed on any warranty, representation or advice that may be given by any person by or on behalf of FOA directly or indirectly relating to the success or viability of the Site or Franchised Restaurant. Developer represents and warrants that it has conducted its own independent investigation and due diligence with respect to the viability and success of the Site or Franchised Restaurant and acknowledges that there are risks associated with the development of a Franchised Restaurant at the Site and that there are no guarantees that the Site or Franchised Restaurant will be successful or viable.

ARTICLE II: OPENING DEADLINE SCHEDULE

Opening Deadline Schedule. Developer shall, in accordance with the terms and conditions hereof, construct, open and operate the new Franchised Restaurant at the Site no later than the date three hundred sixty five (365) days after the Effective Date (the "Opening Deadline").

ARTICLE III: TERM

Unless terminated earlier or extended, as provided herein, this Agreement shall commence as of the Effective Date and expire on the date of the Opening Deadline. Except as provided herein, Developer has no right to any extension or renewal of this Agreement.

ARTICLE IV: DEVELOPMENT PROCEDURE

4.1 Nature of Agreement. Developer understands and agrees that this Agreement is not a franchise agreement and does not grant Developer a franchise for the operation of a Firehouse Subs® restaurant or any right to use the FOA's trademarks, service marks or other FOA intellectual property, but is merely intended by the parties to set forth the terms and conditions which, if fully satisfied, would entitle the Developer to obtain an individual Franchise Agreement for the Site to be developed under this Agreement.

4.2 Franchise Approval. Notwithstanding any provision in this Agreement to the contrary, the Developer understands and agrees that, as a condition precedent to the development of the Franchised Restaurant, the Developer must apply for, meet and maintain FOA's then-current operational, financial, credit, legal and other criteria for developing and operating a new Firehouse Subs® restaurant as set forth in the then-current FOA Franchise Approval and Expansion Policy ("Franchise Approval"). Developer understands and accepts that FOA may change its criteria for Franchise Approval as it applies to all Franchisees in the U.S. during the term of this Agreement. Failure to meet the requirements for operational, financial, credit and/or legal approval shall constitute grounds for, among other things, FOA refusing to grant Franchise Approval or withdrawing an approval already granted. Any failure by Developer to qualify for Franchise Approval for any period of time shall not extend, modify or reduce the development obligations of Developer under this Agreement and if such failure results in Developer defaulting on its development obligations under this Agreement, FOA may, in its sole discretion, exercise its right to terminate this Agreement under Section 5.1.2 and the provisions of Section 5.2(ii) shall not apply.

4.3 Site Approval. Upon execution of this Agreement, Developer shall be deemed to have obtained site approval ("Site Approval") from FOA for the Franchised Restaurant to be developed at the Site. Developer understands and acknowledges that in addition to Site Approval, Developer shall obtain all permits required to construct, open and operate the Franchised Restaurant at the Site. Site Approval automatically expires (without any requirement of FOA to provide Developer any written notification of its expiration) on the date of the Opening Deadline (subject to any applicable cure period granted herein).

4.4 Site Acquisition, Construction Approval and Construction.

4.4.1 Within ninety (90) days following the Effective Date, Developer shall submit, in writing to FOA, satisfactory proof that Developer:

4.4.1.1 owns the Site;

4.4.1.2 has leased the Site for a term which, with renewal options, is not less than the initial term of the Franchise Agreement for the Franchised Restaurant; or

4.4.1.3 has entered into a written agreement to purchase or to lease the Site on terms provided herein, subject only to obtaining necessary governmental approvals.

The proof required by this Section 4.4.1 includes submission of executed copies of all leases and deeds, as well as all governmental approvals if effectiveness of leases or deeds is conditioned thereon. Failure to provide FOA with the proof required by this Section 4.4.1 within the 90-day period set forth in this Section 4.4.1 shall constitute a default of this Agreement with no opportunity to cure.

4.4.2 FOA assumes no liability or responsibility for: (a) evaluation of the Site's soil for hazardous substance; (b) inspection of any structure on the Site for asbestos or other toxic or hazardous materials; (c) compliance with the Americans With Disabilities Act (the "ADA"); or (d) compliance with any other applicable law. It is Developer's sole responsibility to obtain satisfactory evidence and/or assurances that the Site (and any structures thereon) is free from environmental contamination and in compliance with the requirements of the ADA.

4.4.3 If Developer proposes to lease or sublease the Site, the lease or sublease shall not contain any covenants, use clauses or other obligations that would prevent Developer from performing its obligations under the Franchise Agreement for the Franchised Restaurant. Additionally, before entering into such a lease, or renewal of a lease, Developer and the lessor must sign FOA's then-current form of Addendum to Lease Agreement (the "Lease Addendum"). Developer must give the lessor FOA's form of the Lease Addendum when Developer begins discussions with the prospective lessor.

4.4.4 The Franchised Restaurant must be constructed, equipped and furnished in accordance with FOA approved plans and specifications (the "Construction Plans"). Prior to construction, Developer must obtain from FOA written architectural and design approval of Developer's plans as indicated by issuance of a restaurant number. Developer must obtain FOA's approval of the type of facility, site layout, and equipment configuration for the Franchised Restaurant, including the building design, style, size, interior decor, type of equipment, service format and equipment arrangement ("Construction Approval"). For the avoidance of doubt, Construction Approval solely indicates FOA's approval of the Franchised Restaurant design in accordance with the Construction Plans.

4.4.5 FOA assumes no liability for the adequacy of any Construction Plan. Developer assumes all cost, liability and expense for developing, constructing and equipping the Franchised Restaurant. It shall be Developer's responsibility to have prepared Construction Plans to suit the shape and dimensions of the Site, and Developer shall ensure that the Construction Plans comply with applicable ordinances, ADA requirements, building codes and permit requirements and with lease requirements and restrictions. Developer shall obtain and use only registered architects, registered engineers, and professional and licensed contractors who demonstrate to FOA's reasonable satisfaction the ability to meet FOA's reasonable quality standards (as determined by FOA in its reasonable discretion), in each case, to prepare the Construction Plans (including surveys and site and foundation plans), to adapt the Construction Plans to applicable local or state laws, regulations or ordinances, and to construct the Franchised Restaurant. Developer shall bear all costs and expenses incurred in connection with the preparation of all Construction Plans, including the costs and expenses incurred for any plans containing deviations or modifications from FOA's standard plans and specifications. For the avoidance of any doubt, the Franchised Restaurant may

not open if construction has not been performed in substantial compliance with the Construction Plans as approved by FOA. FOA may terminate this Agreement if such non-compliance is not cured within a commercially reasonable amount of time.

4.4.6 Developer shall give FOA notice of commencement of construction within ten (10) days of the date construction began, with progress reports supporting the findings at least every two (2) weeks thereafter.

4.4.7 Developer shall complete the construction of the Franchised Restaurant and commence operation of the Franchised Restaurant (the "Opening Date") by no later than the Opening Deadline.

4.4.8 Right to Open a Franchised Restaurant. At least forty-five (45) days prior to the proposed Opening Date of the Franchised Restaurant, Developer shall notify FOA in writing of such proposed opening. Upon receipt of such notice, FOA may provide a representative to be present at the opening of the Franchised Restaurant. The Franchised Restaurant shall not open until Developer has received FOA's prior written approval to open. Should commencement of operation of the Franchised Unit be delayed by the failure of FOA to provide such a representative, the date upon which commencement of operation of the Franchised Restaurant is required pursuant to this Agreement shall be extended until such time as such assistance is provided by FOA. Should Developer reschedule the Opening Date of the Franchised Restaurant less than thirty (30) days prior to the date scheduled with FOA, Developer shall reimburse FOA for any out-of-pocket expenses incurred by FOA in connection with the reschedule, unless such delay was caused solely by FOA or as otherwise agreed to by FOA in writing.

4.4.9 MIS System Fee. Developer shall pay to FOA a recurring fee for the use of FOA's mandated management information system equal to FOA's current "MIS System Fee" ("MIS Fee"), payable on or before the 1st day of January each year (or on such other basis as may be set forth in the Manual (as defined in the Franchise Agreement) or otherwise agreed to in writing by Franchisor). Upon demand from FOA, Developer shall pay a proportionate share of the MIS Fee to cover the period from the invoice date through December 31 of that year and commence the annual MIS Fee on January 1 of the next year. Franchisor will maintain the management information system. The MIS Fee does not cover, and Franchisor will not perform, bookkeeping, reporting or tax return services.

ARTICLE V: DEFAULT

5.1 Events of Default. Each of the following events shall constitute an "Event of Default" under this Agreement, which, unless otherwise specified, shall entitle FOA to immediately terminate this Agreement upon written notice to Developer:

5.1.1 Developer fails to provide proof of property control of the Site in accordance with Section 4.4.1 of this Agreement;

5.1.2 Developer fails to develop and open for business the Franchised Restaurant by the Opening Deadline (a "Development Default");

5.1.3 Developer breaches or otherwise fails to timely comply with any provision of this Agreement;

5.1.4 Developer fails to cure any default within the time specified by FOA in any notice to Developer, under any franchise agreement, lease, or any other agreement with FOA; or

5.1.5 The knowing and intentional submission by Developer of any application which contains false or misleading statements or omission of any material fact.

5.2 Cure. In the event of a Development Default, Developer may cure such Development Default as follows: (i) open the Franchised Restaurant within thirty (30) days from the Opening Deadline (the "Cure Period"); or (ii) pay to FOA at the time of the Development Default an amount equal to the then-current franchise fee for the Franchised Restaurant, which will be applied to payment of franchise fees for the Franchised Restaurant and is deemed fully earned and non-refundable. In the event Developer elects to cure the Development Default as described in this Section 5.2(ii), FOA shall extend the Opening Deadline for the Franchised Restaurant to a date which shall be ninety (90) days from the original Opening Deadline (the "Extended Opening Deadline"). FOA shall also extend the Site Approval and Construction Approval for the Franchised Restaurant to be developed at the Site until the Extended Opening Deadline. Further, failure to open the Franchised Restaurant by the Extended Opening Deadline shall result in the immediate termination of this Agreement by FOA without further notice, in which event Developer shall forfeit all amounts paid under this Agreement.

5.3 Termination. Upon termination of this Agreement by FOA or if at the time of expiration of this Agreement Developer has not developed and opened the Franchised Restaurant, any rights granted to Developer pursuant to this Agreement shall terminate and Developer shall forfeit all amounts paid under this Agreement.

ARTICLE VI: INDEMNIFICATION/INSURANCE

6.1 Indemnification. Developer is responsible for all losses, damages and/or contractual liabilities to third parties arising out of or relating to any of the obligations, undertakings, promises and representations of Developer under this Agreement, and for all claims or demands for damages to property or for injury, illness or death of persons directly or indirectly resulting therefrom. Developer agrees to defend, indemnify and save FOA and FOA's officers, directors, agents, employees, attorneys, accountants, subsidiaries, affiliates and parent company harmless of, from and with respect to any such claims, demands, losses, obligations, costs, expenses, liabilities, debts or damages (including, without limitation, reasonable attorney's fees). FOA shall notify Developer of any such claims, and Developer shall be given the opportunity to assume the defense of the matter. If Developer fails to assume the defense, FOA may defend the action in the manner it deems appropriate, and Developer shall pay to FOA all costs, including attorney fees, incurred by FOA in effecting such defense. FOA's right to indemnity under this Agreement shall arise and be valid notwithstanding that joint or concurrent liability may be imposed on FOA by statute, ordinance, regulation or other law.

6.2 Insurance. Developer shall procure the insurance coverage provided for in FOA's standard form of Franchise Agreement as disclosed in FOA's then-current Franchise Disclosure Document (a) if Developer owns the Site, prior to the commencement of construction of a Franchised Restaurant; or (b) if Developer leases the Site, prior to entering into a written agreement to lease the Site. Developer shall maintain such insurance coverage throughout the term of the Franchise Agreement.

ARTICLE VII: SEVERABILITY

If any of the provisions of this Agreement may be construed in more than one way, one of which would render the provision illegal or otherwise void, voidable or unenforceable, such provision shall have the meaning which renders it valid and enforceable. This Agreement shall be construed according to its fair meaning and not strictly against any party. If any court or other government authority determines that any provision is not enforceable as written, the parties agree that the provision shall be amended so that it is enforceable to the fullest extent permissible under the laws and public policies of the jurisdiction in which enforcement is sought and affords the parties the same basic rights and obligations and has the same economic effect. If any provision is held invalid or otherwise unenforceable, such findings shall not invalidate the remainder of the agreement unless, in the reasonable opinion of FOA, the effect of such determination frustrates the purpose of this Agreement whereupon FOA shall have the right by written notice to the other party to immediately terminate this Agreement.

ARTICLE VIII: ENTIRE AGREEMENT

This Agreement constitutes the entire agreement and understanding between the parties with respect to the subject matter hereof and cancels and supersedes all prior negotiations, understandings and agreements, written or oral, relating to the Site and development of a Franchised Restaurant thereon. The parties acknowledge that they are not relying upon any representation, warranty, condition, agreement or understanding, written or oral, except as herein specified. Nothing in this Section, however, is intended to disclaim any representations FOA made in the Franchise Disclosure Document that it furnished to Developer. Neither this Agreement nor any term or provision of it may be changed, waived, discharged, or modified orally. The only changes, waivers, discharges or modifications that will be effective will be those which are in writing and signed by the parties to this Agreement.

ARTICLE IX: MISCELLANEOUS

9.1 **Notice.** Any notice shall be in writing and shall be delivered or sent by registered or certified mail postage fully prepaid, or a nationally recognized courier service and if to FOA to: Firehouse of America, LLC, 4600 Touchton Road, Suite 300 and Suite 400, Jacksonville, Florida 32246, Attn: General Counsel, if to Developer:_____. All such notices shall be deemed delivered on the earlier of actual receipt or the third (3rd) day after being deposited in the US Mail.

9.2 **Assignment.** This Agreement may not be directly or indirectly assigned, transferred or encumbered by Developer. FOA may assign this Agreement, in whole or in part, at any time in its sole discretion. FOA may designate another party to perform, or delegate to another party the performance of, its duties and obligations under this Agreement or authorize that party to act on its behalf.

9.3 **Non-Waiver.** Failure of FOA to insist upon strict performance of any terms of this Agreement shall not be deemed a waiver of any subsequent breach or default. Acceptance by FOA of any money paid by Developer under this Agreement or under any Franchise Agreement shall not constitute a waiver by FOA of any breach or default of this Agreement or any Franchise Agreement.

9.4 **Relationship of Parties.** The parties to this Agreement are not partners, joint venturers, or agents of each other and there is no fiduciary relationship between the parties. Developer has no right to bind or obligate FOA in any way and Developer shall not represent that it has any such right. This Agreement is not a franchise for the operation of a Firehouse Subs® restaurant.

9.5 Governing Law/Jurisdiction. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida. The parties hereto acknowledge and agree that any action brought by Developer against FOA in any court, whether federal or state, shall be brought within such state and in the judicial district in which FOA has its principal place of business. Any action brought by FOA against Developer in any court, whether federal or state, may be brought within the state and in the judicial district in which FOA has its principal place of business. Developer hereby consents to personal jurisdiction and venue in the state and judicial district in which FOA has its principal place of business.

9.6 WAIVER OF JURY TRIAL. FOA AND DEVELOPER KNOWINGLY AND VOLUNTARILY IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING, CLAIM, COUNTERCLAIM, OR OTHERWISE, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER OF THEM AGAINST THE OTHER, ARISING OUT OF THIS AGREEMENT, OR OTHERWISE, AND WHETHER OR NOT THERE ARE OTHER PARTIES IN SUCH ACTION OR PROCEEDING.

9.7 GENERAL RELEASE. For and in consideration of FOA entering into this Agreement, and other good and valuable consideration received from or on behalf of FOA, the receipt of which is hereby acknowledged, Developer hereby remises, releases, acquits, satisfies, and forever discharges FOA, its officers, directors, agents, employees, affiliates, subsidiaries, parent corporation, and all of their assignees (collectively, "FOA Parties"), of and from all manner of action and actions, cause and causes of action, suits, debts, dues, sums of money, accounts, reckonings, bonds, bills, specialties, covenants, contracts, controversies, agreements, promises, variances, trespasses, damages, judgments, executions, claims, and demands whatsoever, in law or in equity, which Developer ever had, now has, or which any successor or assign of Developer hereafter can, shall, or may have, whether known or unknown, against FOA Parties for, upon, or by reason of any matter, cause, or thing whatsoever, from the beginning of the world to the day of these presents. [DEVELOPER, EXPRESSLY AND INTENTIONALLY, AND WITH FULL KNOWLEDGE AND ADVICE OF COUNSEL, DOES HEREBY WAIVE THE PROVISIONS AND PROTECTIONS OF THE CALIFORNIA CIVIL CODE SECTION 1542, WHICH PROVIDES: "A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY."]

9.8 No Representations or Warranties. Developer agrees that FOA approvals are not a representation or warranty of the potential success or viability of a Site or Franchised Restaurant. Developer shall not rely on any warranty, representation or advice given by or on behalf of FOA directly or indirectly relating to the success or viability of a Site or Franchised Restaurant.

9.9 Franchise Agreement. Developer understands and agrees that as a condition precedent to FOA granting a franchise to operate a Franchised Restaurant, Developer must meet the requirements for Franchise Approval. Developer must sign and return to FOA, no less than seven (7) days prior to the opening of the Franchised Restaurant, the then-current form of Firehouse Subs® restaurant franchise agreement as disclosed in FOA's then-current Franchise Disclosure Document ("Franchise Agreement"), together with the then-current franchise fee, less only the Franchise Fee Deposit, if any, for the Franchised Restaurant. Developer shall not open the Franchised Restaurant prior to the execution of a Franchise Agreement, payment of the franchise fee, and receipt of FOA approval.

9.10 Survival. Article VI and all other provisions which must survive in order to give effect to their intent and meaning shall survive the termination or expiration of this Agreement.

9.11 Time is of the Essence. Time is of the essence with respect to Developer's obligations under this Agreement.

[SIGNATURE PAGE FOLLOWS]

By entering into this Agreement, Developer expressly consents to transact business with FOA electronically and that, consistent with the Uniform Electronic Transactions Act, and all other applicable state and federal laws, this Agreement may be executed by electronic signatures. The parties to this Agreement agree that the parties' electronic signatures are intended to authenticate this writing and to have the same force and effect as the use of manual signatures and an electronically signed version of this Agreement shall constitute an original for all purposes.

For the purposes of this Agreement, the above parties shall be individually referred to as a “**Party**” and collectively referred to as the “**Parties**”.

In consideration of the mutual undertakings and covenants contained in this Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

ARTICLE I: GRANT OF RIGHTS

1.1 **Non-Exclusive Development Rights.** Subject to the terms and conditions of this Agreement, FOA hereby grants to Developer the non-exclusive right to, and Developer hereby accepts the obligation to, develop, open and operate Firehouse Subs Restaurants (each, a “**Franchised Restaurant**”) in the geographic area described in Exhibit A hereto (the “**Territory**”) pursuant to the Development Schedule attached hereto as Schedule 1 (the “**Development Schedule**”) during the Term (the “**Development Rights**”).

1.2 This Agreement is not a franchise agreement and does not grant Developer a franchise for the operation of a Franchised Restaurant, nor any right to use the Proprietary Marks (as defined below) or Firehouse Subs System (as defined below), but merely sets forth the terms and conditions under which, if fully satisfied, Developer will be entitled to obtain an individual Franchise Agreement (as hereinafter defined) for each Franchised Restaurant to be developed under this Agreement. As used herein, (i) “**Firehouse Subs System**” means the unique restaurant format and operating system developed and/or owned by Firehouse Subs, its predecessor, and/or their Affiliates for the development and operation of quick service or fast food restaurants specializing in the preparation, merchandising, advertising and sale of large portion hot submarine style sandwiches, and other quick-service menu items developed and owned by Firehouse Subs, including specially designed buildings, distinctive interior and exterior layouts, trade dress, decor, color schemes, and furnishings; confidential food and beverage formulas and recipes; specialized menus; and standards and specifications for equipment, equipment layouts, products, operating procedures, and training programs; the term “**Firehouse Subs System**” also includes the Proprietary Marks and all Confidential Information (as hereinafter defined), other proprietary information, copyrights and other intellectual property rights relating to the system, and any modifications, amendments, improvements and/or other changes Firehouse Subs or any of its Affiliates may make to the system from time to time, in their sole discretion; (ii) “**Proprietary Marks**” means the trademarks, service marks, trade names, trade

dress, logos, slogans, designs and other commercial symbols and indicia of origin (and the goodwill associated therewith) used in the operation of Firehouse Subs restaurants ("**Firehouse Subs Restaurants**") and to identify the Firehouse Subs System, whether registered, applied for or unregistered, including without limitation, the marks "Firehouse Subs", and "Founded by Fireman" and such other trade names, service marks, trademarks and trade dress as are now, or may hereafter, be designated by Firehouse Subs for use in connection with the Firehouse Subs System; (iii) "**Affiliate**" means, with respect to any Person, another Person that directly, or indirectly through one or more intermediaries, Controls, is Controlled by, or is under common Control with the Person specified; (iv) "**Person**" means any natural person, corporation, limited liability company, trust, joint venture, association, company, partnership, limited partnership, governmental authority, statutory organization or other entity; and (v) "**Control**" or "**Controlled**" means the direct or indirect ownership, whether by ownership of securities, contract, proxy or otherwise, of shareholding or contractual rights of a Person that assures (A) the majority of the votes in the resolutions of such Person, (B) the power to appoint the majority of the managers or directors of such Person, or (C) the power to direct or cause the direction of the management or policies of such Person, and the related terms "Controlled by" "Controlling" or "under common Control with" shall be read accordingly.

1.3 Prior to the opening of each Franchised Restaurant, Developer must enter into a Franchise Agreement (as hereinafter defined) for such Franchised Restaurant.

1.4 No Territorial or other Rights; Reservation of Rights. For the avoidance of doubt,

1.4.1 Developer has no express or implied territorial rights in any area to develop Firehouse Subs Restaurants;

1.4.2 The right to develop, open and operate Franchised Restaurants at Nontraditional Locations (as defined below) are specifically excluded from the Development Rights set forth in Section 1.1. "**Nontraditional Locations**" are defined as are locations for which the majority of the persons entering the premises typically do so for the purposes other than patronizing the Firehouse Subs Restaurant, including, but not limited to enclosed shopping malls, airports, military installations, hotels, railway stations and their direct surroundings, bus stations, service plazas established by governmental or quasi-governmental entities on motorways and highways, gas stations, convenience stores, universities and schools, amusement parks, cruise ships, hospitals and residences, stadiums, sports centers and clubs, and similar locations for distribution.

1.4.3 The "**Trade Area**" (as such term is defined in the applicable franchise agreement) granted by FOA or any predecessor to any franchisee pursuant to a franchise agreement entered into prior to, on or after the Commencement Date shall be excluded from, and not considered a part of, the Territory;

1.4.4 FOA may itself or through another party as franchisee develop and operate Firehouse Subs Restaurants within and/or outside the Territory;

1.4.5 Rights or approvals granted by FOA to franchisees or other Persons are not affected by this Agreement, including without limitation, rights or approvals granted pursuant to any agreements between FOA and franchisees granting development rights to such franchisees in the Territory ("**Existing Development Agreements**"); and

1.4.6 This Agreement shall not limit FOA's ability to renew or extend franchise agreements or Existing Development Agreements within or outside the Territory, or to enter into new agreements for Firehouse Subs Restaurants within or outside the Territory, including new development agreements, whether previously approved and under development or otherwise.

1.5 FOA (on behalf of itself, its Affiliates and its designees) reserves all rights not expressly granted to Developer under this Agreement, and Developer and Principals hereby accept and acknowledge such reserved rights of FOA. Furthermore, FOA reserves the right to own and/or operate Firehouse Subs Restaurants or other means of distribution in any location, regardless of geographic proximity to or impact on the Territory or any

Franchised Restaurants now or in the future owned by Developer. FOA reserves the right to distribute, offer for sale and/or to acquire, convert, develop and establish other license systems for the same or similar products or services, utilizing the same, similar or different trademarks as Firehouse Subs Restaurants and to grant franchises and licenses therefor, either through Firehouse Subs Restaurants or other channels (including without limiting the generality of the foregoing, delivery units, kiosks, grocery or convenience stores, express units, catering, home delivery, food trucks and other mobile means of product or service delivery, mail order, television, catalogue sales, internet websites or other means of electronic advertising and sales), without providing Developer any rights therein.

1.6 Developer must obtain FOA's prior written approvals to develop a Franchised Restaurant in accordance with the development procedures set forth in Article IV.

1.7 In the event of conflict or confusion as to the exact boundaries of the Territory, the sole discretion of FOA will prevail.

ARTICLE II: TERM

Unless terminated earlier as provided herein, this Agreement shall commence on the Commencement Date and expire on the earlier of: (i) _____, 20____; (ii) the last day of the Development Schedule; or (iii) the opening of the last Franchised Restaurant specified in the Development Schedule (the "**Term**").

ARTICLE III: DEVELOPMENT OBLIGATIONS

Developer shall develop and open for business and keep open pursuant to the terms of the applicable Franchise Agreements a minimum number of new Firehouse Subs Restaurants in the Territory in strict compliance with the Development Schedule. All of the Cumulative Opening Targets set forth in the Development Schedule are expressed net of closures, without distinction as to the reason for such closure (i.e., expiration, early termination or otherwise).

ARTICLE IV: DEVELOPMENT PROCEDURE

4.1 **Franchise Approval.** Notwithstanding any provision in this Agreement to the contrary, Developer understands and agrees that, as a condition precedent to the development of a Franchised Restaurant, Developer must apply for, meet, and continuously maintain FOA's then-current operational, financial, credit, legal and other criteria for developing and operating a new Franchised Restaurant as set forth in the then-current Firehouse Subs Franchise Approval and Expansion Policy (herein, "**Franchise Approval**") applicable to all franchisees of FOA in the U.S. Developer understands and accepts that FOA may change its criteria for Franchise Approval as it applies to all franchisees of FOA during the Term. Failure to meet the requirements for operational, financial, credit and/or legal approval shall constitute grounds for, among other things, FOA refusing to grant Franchise Approval, Site Acceptance (as hereinafter defined), or withdrawing an approval already granted. Any failure by Developer to qualify for Franchise Approval for any period of time shall not extend, modify or reduce the development obligations of Developer under Article III, and if such failure results in Developer defaulting on its development obligations under Article III, FOA may, in its sole discretion, exercise its rights under Section 6.1.

4.2 **Site Acceptance.**

4.2.1 Developer must apply for and obtain Site Acceptance from FOA for each Franchised Restaurant to be developed under this Agreement. Developer understands and acknowledges that Site Acceptance must be obtained in addition to the permits required to construct, open and operate the Franchised Restaurants. For each proposed Site, Developer must submit a complete "**Site Acceptance Request Package**" in the form specified by FOA, together with such site information as required by FOA to evaluate the proposed Site, with a request for written FOA site acceptance ("**Site Acceptance**"). Site Acceptance is indicated by FOA's issuance of a "**Conditional Site Approval Letter**". Site Acceptance automatically expires (without any requirement of notice from FOA to

Developer regarding such expiration) upon the earlier of (i) Developer's failure to comply with any of the interim deadlines set forth in the Conditional Site Approval Letter, and (ii) eighteen (18) months following the date of the Conditional Site Approval Letter.

4.2.2 Developer agrees that FOA may, in its sole discretion, refuse to accept a site if, in FOA's sole discretion, the site does not meet FOA's criteria for Site Acceptance. If Developer enters into any legally binding commitment with respect to a potential site before FOA has granted Site Acceptance, then Developer shall bear the entire risk of loss or damage resulting from a subsequent decision of FOA not to grant Site Acceptance. The denial of Site Acceptance by FOA shall not extend, modify or reduce the development obligations of Developer under Article III.

4.2.3 Developer agrees that any site selection assistance, site identification, or offer to develop a Site by or on behalf of FOA shall not be construed or interpreted as a representation or warranty relating directly or indirectly to the success or viability of a Site or Franchised Restaurant and no reliance shall be placed on any warranty, representation or advice that may be given by any Person by or on behalf of FOA directly or indirectly relating to the success or viability of a Site or Franchised Restaurant. Developer agrees to conduct its own independent investigation and due diligence with respect to the viability and success of a Site or Franchised Restaurant and acknowledges that there are risks associated with the development of a Franchised Restaurant at any Site and that there are no guarantees that any Site or Franchised Restaurant will be successful or viable.

4.3 Property Control, Construction Approval and Construction.

4.3.1 Within ninety (90) days following notice of Site Acceptance, Developer shall submit, in writing to FOA, that Developer has acquired the Site ("**Property Control**") by providing satisfactory proof to FOA that Developer:

4.3.1.1 owns the Site;

4.3.1.2 has leased the Site for a term which, with renewal options, is not less than the initial term of the Franchise Agreement for the applicable Franchised Restaurant; or

4.3.1.3 has entered into a written agreement to purchase or to lease the Site on terms provided herein, subject only to obtaining necessary governmental approvals.

The proof required by this Section 4.3.1 includes submission of executed copies of all leases and deeds, as well as all governmental approvals if effectiveness of leases or deeds is conditioned thereon. Failure to provide FOA with the proof required by this Section 4.3.1 within the 90-day period set forth in this Section 4.3.1 shall result in automatic and immediate revocation of the relevant Site Acceptance without any requirement of notice from FOA to Developer.

4.3.2 For the avoidance of doubt, if Developer obtains Property Control or enters into any legally binding commitment with respect to a potential site before FOA has granted Site Acceptance, then Developer shall bear the entire risk of loss or damage resulting from a subsequent decision of FOA not to grant Site Acceptance.

4.3.3 FOA assumes no liability or responsibility for: (a) evaluation of an approved Site's soil for hazardous substance; (b) inspection of any structure on the approved Site for asbestos or other toxic or hazardous materials; (c) compliance with the Americans With Disabilities Act (the "**ADA**"); or (d) compliance with any other applicable law. It is Developer's sole responsibility to obtain satisfactory evidence and/or assurances that the approved Site (and any structures thereon) is free from environmental contamination and in compliance with the requirements of the ADA.

4.3.4 If Developer proposes to lease or sublease the Site, the lease or sublease shall not contain any covenants, use clauses or other obligations that would prevent Developer from performing its obligations under

the applicable Franchise Agreement for the applicable Franchised Restaurant. Additionally, before entering into such a lease, or renewal of a lease, Developer and the lessor must sign FOA's then-current form of Addendum to Lease Agreement (the "**Lease Addendum**"). Developer must give the lessor FOA's form of the Lease Addendum when Developer begins discussions with the prospective lessor.

4.3.5 All Franchised Restaurants must be constructed, equipped and furnished in accordance with FOA approved plans and specifications (the "**Construction Plans**"). Prior to construction, Developer must obtain from FOA written architectural and design approval of Developer's plans as indicated by issuance of a restaurant number. Developer must obtain FOA's approval of the type of facility, site layout, and equipment configuration for each Franchised Restaurant, including the building design, style, size, interior decor, type of equipment, service format and equipment arrangement ("**Construction Approval**"). For the avoidance of doubt, Construction Approval solely indicates FOA's approval of the Franchised Restaurant design in accordance with the Construction Plans. The failure to obtain Construction Approval in accordance with this Section 4.3.5 is an Event of Default under Section 6.1.9 below.

4.3.6 FOA assumes no liability for the adequacy of any Construction Plans. Developer assumes all cost, liability and expense for developing, constructing and equipping the Franchised Restaurant. It shall be Developer's responsibility to have prepared Construction Plans to suit the shape and dimensions of the Site, and Developer shall ensure that the Construction Plans comply with applicable ordinances, ADA requirements, building codes and permit requirements and with lease requirements and restrictions. Developer shall obtain and use only registered architects, registered engineers, and professional and licensed contractors who demonstrate to FOA's reasonable satisfaction the ability to meet FOA's reasonable quality standards (as determined by FOA in its reasonable discretion), in each case, to prepare the Construction Plans (including surveys and site and foundation plans), to adapt the Construction Plans to applicable local or state laws, regulations or ordinances, and to construct the Franchised Restaurant. Developer shall bear all costs and expenses incurred in connection with the preparation of all Construction Plans including the costs and expenses incurred for any plans containing deviations or modifications from FOA's standard plans and specifications. For the avoidance of any doubt, the Franchised Restaurant may not open if construction has not been performed in substantial compliance with the Construction Plans as approved by FOA. FOA may terminate this Agreement if such non-compliance is not cured within a commercially reasonable amount of time.

4.4 Notice of Franchised Restaurant. At least forty-five (45) days prior to the proposed opening date of each Franchised Restaurant, Developer shall notify FOA in writing of such proposed opening. Upon receipt of such notice, FOA may provide a representative to be present at the opening of the first Franchised Restaurant. At FOA's option, the first Franchised Restaurant shall not be opened unless such representative is present. Thereafter, each Franchised Restaurant shall not open until Developer has received FOA's prior written approval to open. Should commencement of operation of the first Franchised Restaurant be delayed by the failure of FOA to provide such a representative, the date upon which commencement of operation of such Franchised Restaurant is required pursuant to this Agreement shall be extended until such time as such assistance is provided by FOA. Should Developer reschedule the opening date of Developer's first Franchised Restaurant less than thirty (30) days prior to the date scheduled with FOA, Developer shall reimburse FOA for any out-of-pocket expenses incurred by FOA in connection with the reschedule, unless such delay was caused solely by FOA or as otherwise agreed to by FOA in writing.

ARTICLE V: GRANT OF FRANCHISE

5.1 Developer understands and agrees that as a condition precedent to FOA granting a franchise to operate a Franchised Restaurant, Developer must meet the requirements for Franchise Approval. Developer must sign and return to FOA, no less than seven (7) days prior to the opening of each Franchised Restaurant, the then-current form of the Firehouse Subs franchise agreement as disclosed in FOA's then-current Franchise Disclosure Document ("**Franchise Agreement**"), together with the then-current franchise fee, subject to Section 5.7 below. Developer shall not open a Franchised Restaurant prior to the execution of a Franchise Agreement, payment of the franchise fee, and receipt of FOA approval. In addition to other conditions precedent set forth in this Agreement, Developer

further acknowledges and agrees that prior to FOA's granting a Franchise Agreement for each respective Franchised Restaurant, Developer must satisfy the following conditions precedent:

5.1.1 Developer, its Affiliates, and the Principals are in full compliance with the requirements of this Agreement and all franchise agreements for Developer Restaurants (as hereinafter defined) (collectively, the **"Developer Franchise Agreements"**), in force at the time a grant of a franchise is requested;

5.1.2 Developer has obtained and continues to hold all relevant approvals, permits and licenses required by applicable law to operate the Franchised Restaurant;

5.1.3 Developer is current on all monetary obligations due to FOA and its Affiliates;

5.1.4 Developer has completed the construction of the Franchised Restaurant in accordance with the construction plans approved by FOA and with all laws, ordinances, permits, codes, and regulations;

5.1.5 Developer has decorated the interior of the Franchised Restaurant and purchased or leased and installed all specified and required fixtures, equipment, furnishings and signs in accordance with FOA's standards and specifications;

5.1.6 Developer has obtained a certificate of occupancy and all other required building, utility, health, sign, sanitation, safety or fire department certificates, and other permits and licenses applicable to the Franchised Restaurant, and, if requested by FOA, Developer shall have submitted a copy of the certificate of occupancy to FOA;

5.1.7 Developer has hired and trained a staff in accordance with the requirements of the Franchise Agreement;

5.1.8 Developer has purchased an opening inventory for the Franchised Restaurant of only products and other materials and supplies that have been authorized and approved by FOA;

5.1.9 If Developer leases the location of the Franchised Restaurant, FOA has been furnished with a copy of a fully executed lease for the location and such lease shall be for a term that is at least equal to the term of the Franchise Agreement for the relevant Franchised Restaurant; and

5.1.10 Developer has furnished to FOA copies of all insurance policies required by this Agreement and the applicable Franchise Agreement, or such other evidence of insurance coverage and payment of premiums as FOA reasonably may request,

FOA shall grant and Developer shall accept a franchise in respect of the relevant Franchised Restaurant on the terms and conditions set out in the Franchise Agreement.

5.2 However, FOA will not grant Developer a franchise for any subsequent Franchised Restaurant unless each preceding Franchised Restaurant: (a) has been open and in operation for at least three (3) months, unless otherwise specified by FOA; and (b) has a general manager assigned to the Franchised Restaurant on a full-time basis who has completed all required training by FOA.

5.3 Until the conditions set forth in Section 5.1 have been met, the proposed Franchised Restaurant shall not open for business. Following the grant of a franchise, the Franchised Restaurant shall commence trading immediately and, in any event, not later than 7 days thereafter, time being of the essence.

5.4 The duration of each Franchise Agreement shall be 10 years or such other duration agreed in writing by FOA.

5.5 Developer shall pay to FOA with respect to each Franchised Restaurant opened during the Term an “**Initial Franchise Fee**”, “**Royalty**”, “**System Contribution**”, and “**MIS Fee**” (as such terms are defined in the franchise agreement disclosed in FOA’s then current Franchise Disclosure Document at the time of such opening) in the amounts equal to the greater, in each case, of (i) the standard undiscounted rate for Initial Franchise Fee, Royalty, or System Contribution, as applicable, set forth in FOA’s then current Franchise Disclosure Document at the time of such opening and (ii) (A) twenty thousand dollars (\$20,000.00) with respect to Initial Franchise Fee, (B) six percent (6%) of “**Gross Sales**” (as such term is defined in the franchise agreement disclosed in FOA’s then current Franchise Disclosure Document at the time of such opening) with respect to Royalty, and (C) five percent (5%) of Gross Sales with respect to System Contribution.

5.6 Prepaid Franchise Fees. On the Commencement Date, Developer will pay to FOA initial franchise fees in advance in the amount of [INSERT AMOUNT], which is one half of the current initial franchise fee multiplied by the number of Franchised Restaurants to be development under this Agreement (the “**Prepaid Franchise Fees**”). Upon the execution of each Franchise Agreement for a Franchised Restaurant, FOA will apply the respective amount of the Prepaid Franchise Fees as payment of one-half of the Initial Franchise Fee owed for that Franchised Restaurant until the full amount of the Prepaid Franchise Fees are exhausted. Thereafter, Developer shall pay the applicable Initial Franchise Fee to FOA in accordance with this Agreement.

5.7 Developer acknowledges and agrees that FOA will suffer substantial damages as a result of the termination of this Agreement before the expiration of the Term. Some of those damages include lost Initial Franchise Fees, Royalties, development opportunities, market penetration, opportunity costs, and expenses that FOA will incur in developing or finding another franchisee to develop Firehouse Subs Restaurants in the Territory (collectively, “**Brand Damages**”). Developer and FOA acknowledge that Brand Damages are difficult to estimate accurately and proof of Brand Damages would be burdensome and costly. Therefore, upon termination of this Agreement before the expiration of the Term for any reason, as Brand Damages, FOA shall have the right to retain, without obligation for any refund to Developer or for any application toward any future Initial Franchise Fees due from Developer, the remaining balance of Prepaid Franchise Fees paid by Developer prior to the date of termination. Developer’s payment of the liquidated damages to FOA will not be considered a penalty but, rather, a reasonable estimate of fair compensation to FOA for the Brand Damages. Developer acknowledges that the payment of liquidated damages is full compensation to FOA only for the Brand Damages resulting from the early termination of this Agreement and is in addition to, and not in lieu of, Developer’s obligations to pay other amounts due to FOA under this Agreement as of the date of termination and to comply strictly with Developer’s other post-termination obligations.

5.8 Developer shall pay to FOA a recurring fee for the use of FOA’s mandated management information system equal to FOA’s current “**MIS System Fee**” (“**MIS Fee**”) per Restaurant, payable on or before the 1st day of January each year (or on such other basis as may be set forth in the Manual (as defined in the Franchise Agreement) or otherwise agreed to in writing by Franchisor). Upon demand from FOA, Developer shall pay a proportionate share of the MIS Fee to cover the period from the invoice date through December 31 of that year and commence the annual MIS Fee on January 1 of the next year. Franchisor will maintain the management information system. The MIS Fee does not cover, and Franchisor will not perform, bookkeeping, reporting or tax return services.

5.9 The amount of all fees and other monies payable pursuant to this Agreement by Developer do not include Indirect Tax (as hereinafter defined) and, in the event Indirect Tax applies under either existing law or a future change in statute or interpretation that results in Indirect Tax on the fees or other monies, Developer will bear the economic burden of the Indirect Tax either (i) through payment of the Indirect Tax to FOA or (ii) if Developer is required by law to pay the applicable Indirect Tax directly to the relevant tax authority, Developer will not deduct any amount for Indirect Tax from the fees payable to FOA. “**Indirect Tax**” means sales and use tax, goods and services tax, value added tax, ad valorem tax, excise tax, duty, levy or other governmental charges, and other obligations of the same or of a similar nature to any of the foregoing levied by a tax authority.

ARTICLE VI: DEFAULT AND TERMINATION

6.1 Without prejudice to any other rights of FOA under this Agreement or at law, upon the occurrence of any of the following events (each, an “**Event of Default**”), Developer shall be in default of this Agreement and FOA may, at its election, by written notice to Developer terminate this Agreement with immediate effect (but with due regard for the cure periods set forth below, if any):

6.1.1 if Developer fails to achieve the Cumulative Opening Target for any Development Year by the end of such Development Year (each such failure, a “**Development Default**” and each such Development Year, a “**Shortfall Year**”);

6.1.2 if Developer (or any of its Affiliates) fails to pay to FOA (or its designee) when due any amounts payable under this Agreement, and does not cure such failure within ten (10) days of written notice from FOA;

6.1.3 if Developer (or any of its Affiliates) fails at any time to satisfy the requirements for Franchise Approval;

6.1.4 if Developer and/or any of the Principals assigns, encumbers, transfers, sub-licenses or otherwise disposes of, or attempts to assign, transfer, encumber, or otherwise dispose of this Agreement or any of its rights hereunder in whole or in part, whether directly or indirectly by operation of law, without the prior written consent of FOA in violation of Section 8.1; or if Developer, any of its Affiliates, or any Principal duplicates, in whole or in part, the Firehouse Subs System or violates the confidentiality or restrictive covenant provisions set forth in Article VII;

6.1.5 if Developer, any of its Affiliates or any Principal seeks any type of relief under the provisions of a bankruptcy or insolvency law; or if there is an arrangement among the creditors of Developer, any of its Affiliates or any Principal; or any Person files a petition or application seeking to have Developer, any of its Affiliates or any Principal adjudicated bankrupt and the action is not dismissed within 30 days after it is filed; or Developer, any of its Affiliates or any Principal admits in writing or upon sworn oath the inability to pay any debts as they fall due; or a receiver or other administrator (permanent or temporary) is appointed over all or any of the assets of Developer, any of its Affiliates or any Principal; or any administrator or liquidator is appointed over Developer, any of its Affiliates or any Principal by any competent bankruptcy court or under any other law or authority including under an order for a suspension of proceedings or Developer, any of its Affiliates or any Principal takes any action to liquidate; or wind up;

6.1.6 if Developer (directly or through its Affiliate) opens any Franchised Restaurant using any Proprietary Marks or any marks similar to any Proprietary Marks without being granted Franchise Approval or Site Acceptance by FOA, or without having delivered to FOA a fully executed Franchise Agreement for such Franchised Restaurant, or without having paid the applicable Initial Franchise Fee for such Franchised Restaurant in accordance with this Agreement;

6.1.7 if Developer, any of its Affiliates or any Principal (or any Affiliate thereof) challenges the validity of any of the Proprietary Marks or copyright or other intellectual property rights of FOA or any FOA Affiliate;

6.1.8 if any information provided by Developer or any of the Principals to FOA, its predecessor or any of their Affiliates is materially false or misleading, including any information provided to FOA or its predecessor prior to entering into this Agreement, and any information provided to FOA by Developer any of its Affiliates or any of the Principals in order to obtain Franchise Approval or Site Acceptance pursuant to the terms of this Agreement;

6.1.9 if Developer, any of its Affiliates or any Principal fails to comply with any of the other material terms, provisions or conditions of this Agreement, any Developer Franchise Agreement, or any other material obligation owed by Developer, any of its Affiliates or any Principal to FOA and fails to rectify the same within 30

days (or such shorter period of time as may be provided under any applicable Developer Franchise Agreement or other agreement) of a notice requiring it to do so;

6.1.10 if Developer, any board member senior officer of Developer, any Managing Owner under any Franchise Agreement entered into by Developer or its Affiliates or any other owner of legal or beneficial interests in Developer engages in any conduct which, in FOA's sole judgment, adversely affects the reputation of the Developer Restaurants (as defined herein) Developer, the Firehouse Subs System, or the goodwill associated with the Proprietary Marks. An act of default under this Section 6.1.10 does not require any criminal action to be brought against Developer, such board member of senior officer of Developer, the Managing Owner, or such other owner of legal or beneficial interests in the Developer;

6.1.11 if taking into consideration operations at all Developer Restaurants (as defined below), whether developed under this Agreement or not, either (i) such operations fail at any time to score in the top fifty percent (50%) of the peer category in which FOA places Developer for each of FOA's then-standard metrics as applied consistently across the Firehouse Subs brand domestically in the U.S., or (ii) Developer receives a letter grade of "D" or "F" in any metric, including without limitation, FOA's Franchisee Performance and Expandability Scorecard, used by FOA to measure operational performance, as measured by FOA. For the avoidance of doubt, in determining any ranking, grade, rating or score of Developer pursuant to this paragraph, FOA may consider the performance of any Firehouse Subs Restaurants owned by Developer and any Firehouse Subs Restaurants owned and operated by any Affiliate(s) of Developer, or by any other franchisee owned in whole or in part by (x) any one or more of the Principals, or (y) any "Managing Owner", "Operating Partner", "Key Operator", "Principal Manager", or "Operating Principal" under any franchise agreement entered into by Developer or its Affiliate (collectively, the "**Developer Restaurants**");

6.1.12 if Developer shall at any time incur total consolidated debt that would cause the ratio of (i) the total consolidated debt of Developer, minus the cash or cash equivalents held by Developer, to (ii) the trailing twelve months EBITDA of Developer ending at such time, to be greater than [_____] (____) times. As used herein "**EBITDA**" means, for any period of measurement, an amount equal to net income for such period, plus the following to the extent deducted in calculating such net income (without duplication): (a) interest charges, (b) the provision for federal, state, local and foreign income taxes payable, and (c) depreciation and amortization expense; or

6.1.13 if Developer shall at any time incur total consolidated debt and rent and lease obligations that would cause the ratio of (i) the total consolidated debt of Developer, plus the product of [_____] (____) multiplied by the aggregate amount of principal rent or lease payments made by Developer during the twelve (12)-month period immediately preceding the date of determination, minus the cash or cash equivalents held by Developer, to (ii) the trailing twelve (12) months EBITDAR of Developer ending at such time, to be greater than [_____] (____) times. As used herein "**EBITDAR**" means, for any period of measurement, an amount equal to net income for such period, plus the following to the extent deducted in calculating such net income (without duplication): (a) interest charges, (b) the provision for federal, state, local and foreign income taxes payable, (c) depreciation and amortization expense, and (d) rent and lease expense.

6.2 In the event of a Development Default, Developer may cure such Development Default by (i) paying a nonrefundable fee equal to the balance of the initial franchise fees for the number of Franchised Restaurants remaining to be opened under the Development Schedule and (ii) opening the number of Franchised Restaurants necessary to cure the Development Default within sixty (60) days from the end of the Shortfall Year (the "**Cure Period**"). Notwithstanding anything herein to the contrary, the cure set forth in this Section 6.2 is a one-time cure that may only be utilized once by Developer during the Term. Further, in the event Developer fails to open the number of Franchised Restaurants necessary to achieve the Cumulative Opening Target by the end of the Cure Period FOA may, at FOA's election, by written notice to Developer terminate this Agreement with immediate effect.

6.3 In addition to any other legal rights and remedies available to FOA set out in this Agreement or at law, including, without limitation, the provisions of Section 5.7 above, upon termination of this Agreement by FOA or if at the time of expiration of this Agreement Developer has not achieved the Cumulative Opening Target for the final Term Year, any rights granted to Developer pursuant to this Agreement, including all Franchise Approvals and Site Acceptances for Franchised Restaurants not yet opened, shall terminate.

ARTICLE VII: CONFIDENTIALITY AND RESTRICTIVE COVENANT

7.1 The term “**Confidential Information**” as used in this Agreement means all confidential and proprietary information of FOA or any of its Affiliates, including without limitation, this Agreement, FOA’s or any of its Affiliates’ trade dress, restaurant packaging design specifications and strategies, brand standards, any information relating to business plans, branding and design, operations manuals, including the Manual (as defined in the Franchise Agreement), and other standards, specifications and operating procedures, training material, marketing and business information, marketing strategy and marketing programs, plans and methods, food specifications (including recipes, food formulas, preparation methods and serving techniques), details of suppliers and distributors, and sources of supply and distribution, sales, contractual and financial arrangements of FOA and its Affiliates and service providers, and all other information and knowledge relating to the methods of operating and the functional know-how applicable to Firehouse Subs Restaurants and the Firehouse Subs System and any other system or brand operated by Firehouse Subs or its Affiliates revealed by or at the direction of Firehouse Subs or any of its Affiliates to Developer, any of its Affiliates and/or any of the Principals.

7.2 Developer and each of the Principals acknowledges the uniqueness of the Firehouse Subs System and that FOA is making the Confidential Information available to Developer and the Principals only for the purpose of developing Franchised Restaurants. Developer and each of the Principals agrees that it would be an unfair method of competition for any of them to use or duplicate or to allow others to use or duplicate any of the Confidential Information. Developer and each Principal, therefore, must:

7.2.1 at all times, both during the Term and following its termination or expiration, maintain the Confidential Information in strict confidence;

7.2.2 use the Confidential Information only in the operation of the Developer Restaurants;

7.2.3 not disclose the Confidential Information to any Person except those directors, officers, employees, professional advisers and financing sources (debt or equity) of Developer or any Principal who have a specific need to have access to it for the operation of any of the Developer Restaurants, and who have been made aware of the terms on which it has been disclosed to Developer and/or any Principal, and who agree to maintain its confidentiality. Developer and the Principals are jointly and severally responsible for any unauthorized disclosure of the Confidential Information by Persons to whom Developer or any Principal has disclosed it;

7.2.4 not permit anyone to reproduce, copy or exhibit any portion of the Manual (as defined in the Franchise Agreement) or any other Confidential Information received from FOA or any of its Affiliates;

7.2.5 return, delete or destroy the Confidential Information received from FOA or any of its Affiliates immediately upon receipt of a request from FOA to do so; and

7.2.6 at FOA’s request, procure the Managing Owner (as defined in the Franchise Agreement) to execute an agreement similar in substance to this Article VII in a form acceptable to FOA and naming FOA as a third party beneficiary with the independent right to enforce such agreement.

7.3 In addition, Developer and the Principals agree that they shall not, at any time, whether before or after the Commencement Date, issue any press release or any other statement, broadcast, podcast, advertisement, circular, newsletter or other forms of information in relation to this Agreement, or the Firehouse Subs business to the public unless the contents of such information release have been approved in writing by FOA prior to dissemination.

7.4 Developer and each Principal specifically acknowledges that, pursuant to this Agreement, Developer will receive valuable specialized training and Confidential Information, including information regarding the operational, sales, promotional, and marketing methods, procedures and techniques of FOA and the Firehouse Subs System. Developer (who, unless otherwise specified, shall include for purposes of this Article VII, collectively and individually: (i) all officers, directors and holders of a legal or beneficial interest of ten percent (10%) or more of the securities with voting rights of Developer, and of any corporation directly or indirectly Controlling Developer, if Developer is a corporation, (ii) the general partner and any limited partners, including any corporation, and the officers, directors and holders of legal or beneficial interests of ten percent (10%) or more of the securities with voting rights, of a corporation which Controls, directly or indirectly, any general or limited partner of Developer, if Developer is a partnership, (iii) any members and managers and holders of legal or beneficial interest of ten percent (10%) or more of the securities with voting rights of Developer and/or any corporation directly or indirectly controlling Developer, if Developer is a limited liability company, and (iv) any spouses or children of previously listed individuals) and each Principal covenants that, during the Term, each of them shall not, either directly or indirectly, for Developer, any Principal, or through or on behalf of, or in conjunction with, any Person or Persons:

7.4.1 Divert or attempt to divert any actual or potential business or customer of any Firehouse Subs Restaurant, including the business franchised hereunder, to Disqualifying Restaurant (as hereinafter defined) by direct or indirect inducements or otherwise, or disparage the Firehouse Subs brand, the Firehouse Subs System, or any of FOA's or its parent's, subsidiaries' or affiliates' directors, officers, employees, owners or franchisees, or to do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with FOA's Proprietary Marks and the Firehouse Subs System; or

7.4.2 Own, maintain, operate, engage in, or have any interest (whether of record, beneficial or otherwise) in any Disqualifying Restaurant wherever located or operating; or

7.4.3 Perform services as a director, officer, manager, employee, consultant or agent for a Disqualifying Restaurant, wherever located or operating; or

7.4.4 Act as a franchisee for any Disqualifying Restaurant, wherever located or operating.

A **"Disqualifying Restaurant"** is any restaurant or food service facility that offers any type of sandwich, including submarine, hoagie, hero-type, deli-style, panini, steamed, wrapped or rolled, on any type of bread, including sub rolls and other bread rolls or buns, sliced bread, pita bread, flat bread, bagels, and wraps; provided, however, that the term "Disqualifying Restaurant" shall not apply to any business operated by Developer under a franchise agreement with FOA or a parent, subsidiary or affiliate of FOA. Notwithstanding the foregoing, the word "sandwich" in the preceding sentence does not include hot dogs, hamburgers or fried chicken sandwiches.

7.5 Developer and each Principal covenants that each of them shall not, regardless of the cause of termination, either directly or indirectly, for itself, or through, on behalf of, or in conjunction with any Person or Persons, for a period of two (2) years following any sale, assignment, transfer, expiration or termination of this Agreement, own, maintain, engage in, or have an interest in any Disqualifying Restaurant that is located within the Territory or within ten (10) miles of the Territory.

7.6 At FOA's request, Developer shall require and obtain execution of a confidentiality and non-competition agreement containing (i) confidentiality obligations similar to those set forth in this Article VII (including a prohibition against communicating, divulging or using for the benefit of any Person or Persons any Confidential Information, knowledge, or know-how concerning the methods of operation of a Firehouse Subs Restaurant), and (ii) covenants similar to those set forth in this Article VII (including covenants applicable upon the termination of a Person's relationship with Developer), in each case, from all officers, directors, and holders of a direct or indirect legal or beneficial ownership interest of ten percent (10%) or more in Developer. Every covenant required by this Section 7.6 shall be in a form satisfactory to FOA, including specific identification of FOA as a third-party beneficiary of such covenants with the independent right to enforce them. A duplicate original of each such covenant shall be provided by Developer to FOA immediately upon execution.

7.7 The Parties agree that each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Article VII, is held unreasonable or unenforceable by a court or agency having jurisdiction in a final decision, Developer and each Principal expressly agrees to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant was separately stated in and made a part of this Article VII.

7.8 Developer and each Principal understands and acknowledges that FOA shall have the right, in its sole discretion, to reduce the scope of any covenant set forth in Sections 7.4 and 7.5 of this Agreement, or any portion thereof, without Developer's or any Principal's consent, effective immediately upon receipt by Developer and Principals of written notice thereof, and Developer and each Principal agrees that it shall comply with any covenant as so modified, which shall be fully enforceable notwithstanding the provisions of this Article VII hereof.

7.9 The Parties acknowledge that it will be difficult to ascertain with any degree of certainty the amount of damages resulting from a breach by Developer or any Principal of any of the covenants contained in this Article VII. It is further agreed and acknowledged that any violation by Developer or any Principal of any of said covenants will cause irreparable harm to FOA. Accordingly, Developer and Principals agree that upon proof of the existence of a violation of any of said covenants, FOA will be entitled to injunctive relief against Developer and Principals in any court of competent jurisdiction having authority to grant such relief, together with all costs and reasonable attorneys' fees incurred by FOA in bringing such action.

ARTICLE VIII: ASSIGNMENT AND TRANSFER

8.1 This Agreement and the Development Rights may not be, directly or indirectly, sold, conveyed, assigned, transferred, leased, licensed or sub-licensed, charged, mortgaged, pledged, hypothecated, encumbered or otherwise disposed of ("**Transferred**", and each such action, a "**Transfer**") by Developer in whole or in part, whether directly or indirectly by operation of law nor shall Developer have any right to sub-license any of the rights granted under this Agreement, without the prior written consent of FOA, which consent may be withheld by FOA at its sole discretion.

8.2 This Agreement and all the rights and obligations hereunder of FOA may be Transferred by FOA, in whole or in part, and shall inure to the benefit of the successors and assigns of FOA. Developer and the Principals hereby irrevocably consent to any such Transfer at any time and waive any requirement of prior notice. FOA may designate another party to perform, or delegate to another party the performance of, its duties and obligations under this Agreement or authorize that party to act on its behalf.

ARTICLE IX: FIREHOUSE SUBS PUBLIC SAFETY FOUNDATION

9.1 Firehouse Subs Public Safety Foundation. The Developer Restaurants shall participate in the fundraising and charitable efforts of the Firehouse Subs Public Safety Foundation (the "**Foundation**"). Developer agrees to contribute to the Foundation at least _____ DOLLARS (\$_____) for each Developer Restaurant during each year of the term of the relevant Developer Franchise Agreement at the time specified by the Foundation.

ARTICLE X: INDEMNIFICATION; INSURANCE

10.1 Indemnification. Developer is responsible for all losses, damages and/or contractual liabilities to third parties arising out of or relating to any of the obligations, undertakings, promises and representations of Developer under this Agreement, and for all claims or demands for damages to property or for injury, illness or death of Persons directly or indirectly resulting therefrom. Developer agrees to defend, indemnify and save FOA and FOA's officers, directors, agents, employees, attorneys, accountants, and Affiliates harmless of, from and with respect to any such claims, demands, losses, obligations, costs, expenses, liabilities, debts or damages (including, without limitation, reasonable attorney's fees). FOA shall notify Developer of any such claims, and Developer shall be given the opportunity to assume the defense of the matter. If Developer fails to assume the defense, FOA may

defend the action in the manner it deems appropriate, and Developer shall pay to FOA all costs, including attorney fees, incurred by FOA in effecting such defense. FOA's right to indemnity under this Agreement shall arise and be valid notwithstanding that joint or concurrent liability may be imposed on FOA by statute, ordinance, regulation or other law.

10.2 Insurance. Developer shall procure the insurance coverage provided for in FOA's standard form of franchise agreement as disclosed in FOA's then-current Franchise Disclosure Document, prior to the commencement of construction of a Franchised Restaurant, and shall maintain such insurance coverage throughout the Term.

ARTICLE XI: GUARANTEE OF PRINCIPALS

11.1 Each of the Principals guarantees (a) the prompt payment of all sums due from Developer under this Agreement and from Developer under all Developer Franchise Agreements granted pursuant to this Agreement, (b) the compliance by Developer with all the obligations contained in this Agreement and all Developer Franchise Agreements granted pursuant to this Agreement, in each case, together with all costs incurred by FOA of collection, compromise or enforcement, including reasonable attorneys' fees ((a) and (b) together, collectively, the "**Obligations**"). Each of the Principals shall pay all sums due under this Section 11.1, and take or cause to be taken all steps necessary to remedy a non-monetary breach of this Agreement, within 14 days of receipt of a demand specifying the breach or non-performance on the part of Developer. The liability of the Principals is primary, direct and unconditional, and FOA shall be under no obligation to take any steps or commence any proceedings against Developer before enforcing any of its rights under this Article XI against one or more of the Principals. The Principals waive any right they might otherwise have to be given notice of any breach or non-performance except as part of a demand made under this Section 11.1.

11.2 The guarantee contained in Section 11.1:

11.2.1 Shall continue in full force and effect notwithstanding any intermediate satisfaction of any such matters and notwithstanding any suspension of proceedings, receivership, liquidation or any similar proceedings with regard to Developer;

11.2.2 Shall remain valid and enforceable notwithstanding any time or indulgence given to Developer, and/or any waiver of its rights by FOA and/or any settlement agreed between FOA and any such Person including in the framework of a court approved creditors' arrangement; and

11.2.3 Shall not be impaired by any modification, supplement, extension or amendment of this Agreement, the Developer Franchise Agreements or any of the Obligations, nor by any modification, release or other alteration of any of the Obligations under this Agreement, nor by any agreements or arrangements whatever with Developer, the Principals or anyone else.

11.3 As between FOA and the Principals and each of them, all sums due now and in the future to the Principals or any of them from Developer shall be subordinated to any sums owing from Developer to FOA.

11.4 The Principals hereby represent and warrant to FOA (and it is a condition of this Agreement) that the guarantees and other undertakings given by each of them in this Agreement are binding upon the Principals in accordance with their terms.

11.5 FOA shall be entitled in its sole discretion to request from any Principal partial or full performance, but all Principals shall remain bound until the whole Claim (as hereinafter defined) is satisfied.

11.6 Without limitation of any other provision of this Agreement, each of the Principals shall observe the covenants in this Agreement relating to Confidentiality and Restrictive Covenant (Article VII) and Assignment and Transfer (Article VIII) and the restrictive covenants in the Developer Franchise Agreement, as if they were Developer.

11.7 As a separate and principal obligation, each Principal shall indemnify FOA against any Claim, damage, liability, cost, charge, expense, or payment suffered, paid or incurred by FOA in connection with any default or delay by Developer in the due and punctual performance of its obligations under this Agreement or any Developer Franchise Agreement.

ARTICLE XII: SEVERABILITY

If any of the provisions of this Agreement may be construed in more than one way, one or more of which would render the provision illegal or otherwise void, voidable or unenforceable, and one of which would render the provision valid and enforceable, such provision shall have the meaning which renders it valid and enforceable. This Agreement shall be construed according to its fair meaning and not strictly against any Party. If any court or other government authority determines that any provision is not enforceable as written, the Parties agree that the provision shall be amended so that it is enforceable to the fullest extent permissible under the laws and public policies of the jurisdiction in which enforcement is sought and affords the Parties the same basic rights and obligations and has the same economic effect. If any provision is held invalid or otherwise unenforceable, such findings shall not invalidate the remainder of this Agreement.

ARTICLE XIII: ENTIRE AGREEMENT

This Agreement constitutes the entire agreement and understanding of the Parties with respect to the development of Franchised Restaurants and supersedes all prior negotiations, commitments, representations, warranties and undertakings of the Parties (if any) with respect to the development of Franchised Restaurants, whether written or oral. The Parties acknowledge that they are not relying upon any representations, warranties, conditions, agreements or understandings, written or oral, made by the Parties as their agents or representatives, except as herein specified. Nothing in this or in any related agreement, however, is intended to disclaim the representations FOA made in the Franchise Disclosure Document it furnished to Developer. Neither this Agreement nor any term or provision of it may be changed, waived, discharged, or modified other than in writing and signed by the Parties.

ARTICLE XIV: ACKNOWLEDGEMENT

14.1 Developer acknowledges that the success of the business venture contemplated by this Agreement involves substantial business risks and will be largely dependent upon the ability of Developer as an independent businessperson. Except as set forth in the Franchise Disclosure Document delivered to Developer, FOA expressly disclaims the making of, and Developer acknowledges not having received, any warranty or guaranty, expressed or implied, as to the potential volume, profits, or success of the business venture contemplated by this Agreement.

14.2 Developer acknowledges that Developer has received, read, and understands this Agreement, the exhibits hereto, and agreements relating hereto, if any; and FOA has accorded Developer ample time and opportunity to consult with advisors of Developer's own choosing about the potential benefits and risks of entering into this Agreement.

14.3 Developer acknowledges that Developer has received a Franchise Disclosure Document at least fourteen (14) calendar days prior to the date on which this Agreement was executed or the payment of any consideration to FOA or any Affiliate.

Acceptance by FOA of any money paid by Developer under this Agreement or under any Developer Franchise Agreement shall not constitute a waiver by FOA of any breach or default of this Agreement or any Developer Franchise Agreement. The rights, powers, privileges and remedies of FOA hereunder and in all other agreements with Developer shall be cumulative and not exclusive.

15.3 Relationship of Parties. The Parties to this Agreement are not partners, joint venturers, or agents of each other and there is no fiduciary relationship between the Parties. FOA does not have the right to bind or obligate Developer in any way and shall not represent that it has any such right, and Developer does not have the right to bind or obligate FOA in any way and shall not represent that it has any such right.

Additionally, the Parties hereto hereby covenant and agree that, for purposes of facilitating the execution of this Agreement, (a) the signature pages taken from separate individually executed counterparts of this Agreement may be combined to form multiple fully executed counterparts and (b) a facsimile or PDF or electronic form of signature shall be deemed to be an original signature. All executed counterparts of this Agreement shall be deemed to be originals, but all such counterparts taken together shall constitute one and the same agreement.

~~2023-2025~~2026 **DEVELOPMENT INCENTIVE PROGRAM**

This ~~2023-2025~~2026 **DIP ADDENDUM TO DEVELOPMENT AGREEMENT (NON-EXCLUSIVE)** ("Addendum") is made as of the ____ day of _____, 202__ ("**Addendum Effective Date**"), by and between **FIREHOUSE OF AMERICA, LLC**, a Florida limited liability company ("**FOA**"), and _____, a _____ ("**Developer**").

This Addendum is part of the [**Area**] Development Agreement (Non-Exclusive) dated _____, 20__ (the "**Agreement**") under which Developer was granted by FOA the right to develop Firehouse Subs restaurants within specific geographic areas as set forth in the Agreement. Developer has indicated a desire to participate in FOA's ~~2023-2025~~2026 Development Incentive Program designed to incentivize the development and opening of new Firehouse Subs Restaurants [**IF THERE ARE EXISTING DEVELOPMENT AGREEMENTS INCLUDE:** that are in addition to any new Firehouse Subs Restaurants that Developer (or its Affiliates) have agreed to open and develop pursuant to Existing Development Agreements (as defined below) entered into by Developer (or its Affiliates) and FOA prior to the Addendum Effective Date (each such Firehouse Subs Restaurants herein, a "**Base Restaurant**"). In the event of any conflicts between the terms of the Agreement and the terms of this Addendum, the terms of this Addendum shall control. This Addendum amends and supplements the Agreement, and all terms and conditions contained therein remain in full force and effect, except as amended hereby. Any capitalized terms used but not otherwise defined herein shall have the meanings given to them in the Agreement.

NOW, THEREFORE, in consideration of the mutual terms, conditions and covenants hereinafter set forth and for other good and valuable consideration which each of the parties hereto acknowledge is sufficient to create a binding agreement, the parties agree as follows:

1. DEVELOPMENT SCHEDULE. Schedule 1 (Development Schedule) attached to the Agreement is hereby deleted in its entirety and replaced with Schedule 1 (Development Schedule) attached to this Addendum and incorporated herein by reference.

2. PREPAID FRANCHISE FEES. Section 5.6 of the Agreement is hereby deleted in its entirety and replaced with the following:

Prepaid Franchise Fees. On the Commencement Date, Developer will pay to FOA initial franchise fees in advance in the amount of _____ ~~dollars~~DOLLARS (\$ [**INSERT AMOUNT**]), which is the current initial franchise fee for a Firehouse Subs Restaurant of Twenty Thousand Dollars (\$20,000.00) multiplied by the number of Franchised Restaurants to be developed under this Agreement (the "**Prepaid Franchise Fees**"). Upon the execution of each Franchise Agreement for a Franchised Restaurant, FOA will apply the respective amount of the Prepaid Franchise Fees as payment of the Initial Franchise Fee owed for that Franchised Restaurant until the full amount of the Prepaid Franchise Fees are exhausted. Thereafter, Developer shall pay the applicable Initial Franchise Fee to FOA in accordance with this Agreement.

3. DIP INCENTIVE. Subject to the terms and conditions of this Addendum, for each Franchised Restaurant developed and opened to the general public between January 1, 2026 and December 31, 2026 ("Calendar Year 2026"), FOA shall provide Developer with a cash contribution in the amount of SEVENTY FIVE THOUSAND DOLLARS (\$75,000.00) (the "**Base DIP Contribution**") for each Franchised Restaurant developed and opened in accordance with all terms of the Agreement and this Addendum, in accordance with the following:

- ~~(b) If Developer is required to open two (2) Franchised Restaurants pursuant to the Development Schedule, the amount of the DIP Contribution shall be Seventy Five Thousand Dollars (\$75,000.00) per Franchised Restaurant.~~
- ~~(c) If Developer is required to open three (3) or more Franchised Restaurants pursuant to the Development Schedule, the amount of the DIP Contribution shall be One Hundred Thousand Dollars (\$100,000.00) per Franchised Restaurant.~~

(a) ~~(d)~~ With respect to Franchised Restaurants on which Developer has “Commenced Construction” (as defined below) on or prior to September 30 ~~of the Development Year in which the Franchised Restaurant must be developed and opened pursuant to the Development Schedule, 2026~~ (the “Q3 Restaurants”), FOA shall pay the Base DIP Contribution to Developer within sixty (60) days of FOA’s determination, in its sole discretion, that Developer has Commenced Construction. For purposes of this Addendum, “Commenced Construction” shall mean that Developer has, with respect to the Franchised Restaurant to be developed: (i) provided FOA with written proof of Property Control pursuant to Section 4.3.1 of the Agreement; (ii) provided FOA with written proof of funds for the construction of the Franchised Restaurant; (iii) provided FOA with a copy of the signed contract between Developer and a General Contractor providing for completion of construction of the Franchised Restaurant by the end of such Development Year on or before December 31, 2026; ~~(iii)~~ (iv) provided FOA with copies of all permits and approvals required by applicable law and/or government authorities to develop and construct the Franchised Restaurant; and ~~(iv)~~ provided FOA with proof, including photographic evidence, in all cases reasonably acceptable to FOA, that vertical construction work has begun on the Franchised Restaurant.

(b) ~~(e)~~ With respect to Franchised Restaurants on which Developer has Commenced Construction on or after October 1 ~~of, 2026~~ (the ~~Development Year in which the Franchised Restaurant must be developed and opened pursuant to the Development Schedule~~ (the “Q4 Restaurants”), provided Developer timely opens the Franchised Restaurant in Calendar Year 2026 in accordance with the ~~Development Schedule Agreement~~, FOA shall pay the Base DIP Contribution to Developer within sixty (60) days after Developer has (i) signed and returned the Franchise Agreement for the Franchised Restaurant pursuant to Section 5.1 of the Agreement, and (ii) opened the Franchised Restaurant for business to the general public.

(c) If Developer opens two (2) or more Franchised Restaurants in accordance with the Agreement during Calendar Year 2026, FOA shall pay Developer an additional cash contribution in the amount of TWENTY FIVE THOUSAND DOLLARS (\$25,000.00) (the “Bonus DIP Contribution”) for each Franchised Restaurant opened during Calendar Year 2026. The Bonus DIP Contribution shall be paid as follows: (i) for the first Franchised Restaurant opened during Calendar Year 2026, FOA shall pay the Bonus DIP Contribution to Developer within sixty (60) days following the opening of the second Franchised Restaurant opened in Calendar Year 2026 and (ii) for the second and any subsequent Franchised Restaurant opened during Calendar Year 2026, FOA shall pay the Bonus DIP Contribution to the Developer within sixty (60) days following the opening of such Franchised Restaurant, provided Developer has signed and returned the Franchise Agreements for each of the Franchised Restaurants pursuant to Section 5.1 of the Agreement. FOA shall not pay the Bonus DIP Contribution with respect to any Franchised Restaurant that Developer; (i) committed to open for business to the general public prior to Calendar Year 2026 but opens in Calendar Year 2026 or (ii) opens for business to the general public after Calendar Year 2026.

(d) With respect to a Franchised Restaurant Developer committed to open after Calendar Year 2026 but opens such Franchised Restaurant to the general public in Calendar Year 2026 pursuant to the Agreement, Developer shall be eligible to receive the Base DIP Contribution and the Bonus DIP Contribution pursuant to the terms of this Addendum provided Developer: (i) signs and returns the Franchise Agreement for the Franchised Restaurant pursuant to Section 5.1 of the Agreement, and (ii) opened the Calendar Year 2026 Franchised Restaurants committed in Schedule 1 for business to the general public pursuant to the Agreement.

(e) ~~(f)~~ Notwithstanding anything in this Addendum to the contrary, Developer's receipt of, and FOA's obligation to pay, the Base DIP Contribution and the Bonus DIP Contribution for any Franchised Restaurant is conditioned upon the satisfaction of each of the following conditions at the time ~~the DIP Contribution~~ such payment is due: (A) no Event of Default shall have occurred and, if curable, be continuing beyond any applicable cure period set forth in the Agreement; (B) the Developer and its Affiliates must not be in default or breach of their obligations under any franchise agreement, development agreement, or any other agreement between Developer or any of its Affiliates and FOA or any of its Affiliates **[IF THERE ARE EXISTING DEVELOPMENT AGREEMENTS INCLUDE:**, including without limitation its development obligations under any other [Area] Development Agreement, Target Reservation Agreement, or any other agreement (including any Franchise Agreement) obligating Developer (or its Affiliate) to develop a Firehouse Subs Restaurant (the "**Existing Development Agreements**")]; (C) Developer and its Affiliates must have paid all monetary obligations owed to FOA under any franchise agreement, development agreement, or any other agreement, or otherwise owed to FOA, and must have timely paid or otherwise satisfied these obligations throughout the term of such agreements; (D) Developer and its Affiliates must have submitted all profit and loss statements and all quarterly (or other applicable period of time) and annual financial statements required pursuant to the terms of any franchise agreement, development agreement, or any other agreement between Developer or any of its Affiliates and FOA or any of its Affiliates **[IF THERE ARE EXISTING DEVELOPMENT AGREEMENTS INCLUDE:** and (E) Developer or its Affiliate has provided FOA with the documents and information described in items (i) – ~~(iv)~~ listed in paragraph 3~~(d)~~ above with respect to each Base Restaurant, the opening deadline for which falls at any time during the Development Year in which the Franchised Restaurant must be developed and opened pursuant to the Development Schedule (i.e., during Development Year 1)].

4. DEVELOPMENT DEFAULT CURE PERIOD. Section 6.2 of the Agreement is hereby deleted in its entirety and replaced with the following:

As used in this Agreement, "**Number of Shortfall Restaurants**" means a positive number of Franchised Restaurants determined by calculating the difference between (a) the Cumulative Opening Target for the Shortfall Year, and (b) the total number of Franchised Restaurants developed and opened under this Agreement as of the last day of the Shortfall Year. Each such Franchised Restaurant is referred to as a "**Shortfall Restaurant**". For example, if the Cumulative Opening Target for the Shortfall Year is 8, the total number of Franchised Restaurants developed and opened as of the last day of the Shortfall Year is 6 (net of closures in accordance the Development Schedule), the number of Shortfall Restaurants would be the difference between 8 and 6, and therefore, there would be 2 Shortfall Restaurants.

In the event of a Development Default, Developer may cure such Development Default by opening the Number of Shortfall Restaurants necessary to cure the Development Default within ninety (90) days from the end of the Shortfall Year (the "**Initial Cure Period**"). If Developer fails to open the Number of Shortfall Restaurants necessary to cure such Development Default and achieve the Cumulative Opening Target by the end of the Initial Cure Period, Developer may cure such Development Default by opening the Number of Shortfall Restaurants necessary to cure the Development Default within three

hundred sixty (360) days from the end of the Shortfall Year (the “**Extended Cure Period**”). If Developer fails to open the Number of Shortfall Restaurants necessary to cure such Development Default and achieve the Cumulative Opening Target by the end of the Extended Cure Period, FOA may, at FOA’s election, by written notice to Developer terminate this Agreement with immediate effect. For the avoidance of doubt, all Franchised Restaurants developed and opened during the Development Year following the Shortfall Development Year shall be considered a Shortfall Restaurant until the Number of Shortfall Restaurants has been reached.

5. DIP DEFAULT. Notwithstanding anything herein to the contrary, and in addition to any other legal rights and remedies available to FOA set out in the Agreement or this Addendum or at law, with respect to a Calendar Year 2026 Restaurant:

(a) If Developer commits a Development Default with respect to a Shortfall Restaurant that is a Q3 Restaurant, but thereafter opens such Q3 Restaurant during the applicable Initial Cure Period and Developer, as of the end of the Initial Cure Period is otherwise in compliance with the terms and conditions of the Agreement and this Addendum, including without limitation the conditions listed in paragraph 3(~~fe~~) above, then Developer shall refund and pay to FOA an amount equal to one-half of the Base DIP Contribution for such Q3 Restaurant within thirty (30) days following the end of such Initial Cure Period. If Developer commits a Development Default with respect to a Shortfall Restaurant that is a Q3 Restaurant, and (A) fails to open such ~~Q3~~ Restaurant during the applicable Initial Cure Period or (B) as of the end of the Initial Cure Period is not in compliance with the terms and conditions of the Agreement and this Addendum, including without limitation the conditions in paragraph 3(~~fe~~) above, then Developer shall refund and pay to FOA an amount equal to the entire the Base DIP Contribution for such ~~Q3~~ Restaurant within thirty (30) days following the end of such Initial Cure Period. Any failure by Developer to make a payment required by this paragraph 5(a) is subject to interest charges payable by Developer to FOA, equal to one and one-half percent (1.5%) of the overdue balance per month, or the highest rate permitted by law, whichever is less, from the date said payment is due, and shall constitute a material default under each of the Franchise Agreements for each of the Franchised Restaurants developed pursuant to the Agreement.

(b) If Developer commits a Development Default with respect to a Shortfall Restaurant that is a Q4 Restaurant, but thereafter opens such Q4 Restaurant during the applicable Initial Cure Period and Developer, as of the end of the Initial Cure Period, is otherwise in compliance with the terms and conditions of the Agreement and this Addendum, including without limitation the conditions in paragraph 3(~~fe~~) above, then the amount of the Base DIP Contribution payable by FOA pursuant to paragraph 3(~~eb~~) above shall be reduced by fifty percent (50%). If Developer commits a Development Default with respect to a Shortfall Restaurant that is a Q4 Restaurant, and (A) fails to open such ~~Q4~~ Restaurant during the applicable Initial Cure Period, or (B) as of the end of the Initial Cure Period is not in compliance with the terms and conditions of the Agreement and this Addendum, including without limitation the conditions in paragraph 3(~~fe~~) above, then Developer shall not be entitled to receive, and FOA shall have no obligation to pay, any Base DIP Contribution or Bonus DIP Contribution with respect to ~~such Q4~~ any Franchised Restaurant that opens for business to the general public pursuant to the Agreement.

6. GENERAL RELEASE. For and in consideration of FOA entering into this Addendum, and other good and valuable consideration received from or on behalf of FOA, the receipt of which is hereby acknowledged, Developer, for itself and on behalf of its Affiliates, owners, directors, officers, employees, shareholders, agents, advisors, successors, and assigns (collectively, the “**Indemnifying Parties**”), hereby remises, releases, acquits, satisfies, and forever discharges FOA and its Affiliates and their respective directors, officers, employees, shareholders, agents, advisors, successors, and assigns (collectively, the “**FOA Indemnified Parties**”), of and from all manner of Claims, suits, debts, dues, sums of money, accounts, reckonings, bonds, bills, specialties, covenants,

contracts, controversies, agreements, promises, variances, trespasses, damages, judgments and executions, whatsoever, in law or in equity, which Developer or any of the Indemnifying Parties ever had, now has, or which any successor or assign of Developer or any of the Indemnifying Parties hereafter can, shall, or may have, whether known or unknown, against the FOA Indemnified Parties, or any of them, for, upon, or by reason of any matter, cause, or thing whatsoever, from the beginning of the world to the Addendum Effective Date. As used in this Addendum, **"Claim"** means any cause of action, lawsuit, litigation, dispute, claim, arbitration, mediation, action, hearing, proceeding, investigation, charge, complaint, controversy, demand, injunction, judgment, order, decree, ruling or any other matter before a judicial, administrative or arbitration court or panel, whether known or unknown, liquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal or equitable. The term "Claim" also includes any losses, liabilities, amounts paid in settlement, penalties, fees, fines, damages (including special and consequential damages), lost profits, costs and expenses (including reasonable attorneys' fees and litigation expenses). **[DEVELOPER, EXPRESSLY AND INTENTIONALLY, AND WITH FULL KNOWLEDGE AND ADVICE OF COUNSEL, DOES HEREBY WAIVE THE PROVISIONS AND PROTECTIONS OF THE CALIFORNIA CIVIL CODE SECTION 1542, WHICH PROVIDES: "A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY."]**

~~[Remainder of Page Intentionally Left Blank]~~

By entering into this Addendum, Developer expressly consents to transact business with FOA electronically and that, consistent with the Uniform Electronic Transactions Act, and all other applicable state and federal laws, this Addendum may be executed by electronic signatures. The parties to this Addendum agree that the parties' electronic signatures are intended to authenticate this writing and to have the same force and effect as the use of manual signatures and an electronically signed version of this Addendum shall constitute an original for all purposes. Except as modified or amended in this Addendum, all other terms and conditions contained in the Agreement remain in full force and effect and are incorporated herein by reference.

This Addendum is hereby executed by the parties effective on the date indicated above.

The Development Year targets set forth above are collectively referred to as the “Cumulative Opening Targets” and individually, a “Cumulative Opening Target”. (b) **Net of Closures Requirement.** Developer acknowledges and agrees that all Cumulative Opening Targets must be achieved net of closures (as set forth in this Development Schedule and in Article III) so that such targets represent net restaurant growth (or NRG) in the Territory for each Development Year or portion thereof, as the case may be, and (ii) in the event of the closure of any Developer Restaurant in the Territory (including without limitation Developer Restaurants owned and operated by Developer and/or its Affiliates prior to the Commencement Date and Developer Restaurants not developed or opened pursuant to the Agreement), and without distinction as to the reason for such closure (i.e., expiration, early termination or otherwise), such Restaurant must be replaced by a new Franchised Restaurant by the end of the Development Year in which the closure occurred, as necessary, in order to achieve the Cumulative Opening Targets net of closures.

This ~~2024-2025~~ **DIP ADDENDUM TO DEVELOPMENT AGREEMENT (NON-EXCLUSIVE)** ("Addendum") is made as of the ____ day of _____, 202_ ("Addendum Effective Date"), by and between **FIREHOUSE OF AMERICA, LLC**, a Florida limited liability company ("FOA"), and _____, a _____ ("Developer").

This Addendum is part of the [Area] Development Agreement (Non-Exclusive) dated _____, 20__ (the "**Agreement**") under which Developer was granted by FOA the right to develop Firehouse Subs restaurants within specific geographic areas as set forth in the Agreement. Developer has indicated a desire to participate in FOA's ~~2024-2025~~ Veteran and First Responder Development Incentive Program designed to incentivize the development and opening of new Firehouse Subs Restaurants by franchisees that have served in the United States military in an active or reserve capacity (a "**Veteran**") or as a law enforcement officer, firefighter, paramedic, or emergency medical technician, on either a paid or voluntary basis (a "**First Responder**"). In the event of any conflicts between the terms of the Agreement and the terms of this Addendum, the terms of this Addendum shall control. This Addendum amends and supplements the Agreement, and all terms and conditions contained therein remain in full force and effect, except as amended hereby. Any capitalized terms used but not otherwise defined herein shall have the meanings given to them in the Agreement.

NOW, THEREFORE, in consideration of the mutual terms, conditions and covenants hereinafter set forth and for other good and valuable consideration which each of the parties hereto acknowledge is sufficient to create a binding agreement, the parties agree as follows:

1. VETERAN/FIRST RESPONDER STATUS. On or before the Addendum Effective Date, Developer, with respect to Developer's Managing Owner (as such term is defined in the Franchise Agreement) (the "**Qualifying Owner**"), has provided FOA with either (i) a DD Form 214 or other adequate documentation, as determined by Franchisor, demonstrating either Qualifying Owner's honorable discharge from the United States military or current service in a part-time reserve capacity, or (ii) adequate documentation, as determined by Franchisor, demonstrating that Qualifying Owner has served at least one (1) year as a First Responder. Developer represents, warrants and covenants that Qualifying Owner, from the Addendum Effective Date through at least the end of the first year of the term of each Franchise Agreement for a Franchised Restaurant developed and opened in accordance with the Agreement and this Addendum, shall continuously (i) serve as Managing Owner of Developer, and (ii) own greater than 50% of the legal and beneficial interest in Developer.

2. PREPAID FRANCHISE FEES. Section 5.6 of the Agreement is hereby deleted in its entirety and replaced with the following:

Prepaid Franchise Fees. On the Commencement Date, Developer will pay to FOA initial franchise fees in advance in the amount of _____ dollars (\$ **[INSERT AMOUNT]**), which is the current initial franchise fee for a Firehouse Subs Restaurant of Twenty Thousand Dollars (\$20,000.00) multiplied by the number of Franchised Restaurants to be developed under this Agreement (the "**Prepaid Franchise Fees**"). Upon the execution of each Franchise Agreement for a Franchised Restaurant, FOA will apply the respective amount of the Prepaid Franchise Fees as payment of the Initial Franchise Fee owed for that Franchised Restaurant until the full amount of the Prepaid Franchise Fees are exhausted. Thereafter, Developer shall pay the applicable Initial Franchise Fee to FOA in accordance with this Agreement.

3. **DIP INCENTIVE.** Subject to the terms and conditions of this Addendum, FOA shall provide Developer with a cash contribution (the “**DIP Contribution**”) for each Franchised Restaurant developed and opened on or before December 31, 2026 in accordance with all terms of the Agreement and this Addendum, in the amount of One Hundred Thousand Dollars (\$100,000.00) per Franchised Restaurant (for the first three (3) Franchised Restaurants developed and opened in accordance with the terms of the Agreement and this Addendum) or Fifty Thousand Dollars (\$50,000.00) per Franchised Restaurant (for the fourth and subsequent Franchised Restaurants developed and opened in accordance with the Agreement and this Addendum), subject to the following:

(a) FOA shall pay the DIP Contribution to Developer within sixty (60) days of FOA’s determination, in its sole discretion, that Developer has Commenced Construction. For purposes of this Addendum, “**Commenced Construction**” shall mean that Developer has, with respect to the Franchised Restaurant to be developed: (i) provided FOA with written proof of Property Control pursuant to Section 4.3.1 of the Agreement; (ii) provided FOA with a copy of the signed contract between Developer and a General Contractor providing for completion of construction of the Franchised Restaurant by the end of such Development Year; (iii) provided FOA with copies of all permits and approvals required by applicable law and/or government authorities to develop and construct the Franchised Restaurant; and (iv) provided FOA with proof, including photographic evidence, in all cases reasonably acceptable to FOA, that vertical construction work has begun on the Franchised Restaurant.

(b) Notwithstanding anything in this Addendum to the contrary, Developer’s receipt of, and FOA’s obligation to pay, the DIP Contribution for any Franchised Restaurant is conditioned upon the satisfaction of each of the following conditions at the time the DIP Contribution payment is due: (A) no Event of Default shall have occurred and, if curable, be continuing beyond any applicable cure period set forth in the Agreement; (B) the Developer and its Affiliates must not be in default or breach of their obligations under any franchise agreement, development agreement, or any other agreement between Developer or any of its Affiliates and FOA or any of its Affiliates; (C) Developer and its Affiliates must have paid all monetary obligations owed to FOA under any franchise agreement, development agreement, or any other agreement, or otherwise owed to FOA, and must have timely paid or otherwise satisfied these obligations throughout the term of such agreements; (D) Developer and its Affiliates must have submitted all profit and loss statements and all quarterly (or other applicable period of time) and annual financial statements required pursuant to the terms of any franchise agreement, development agreement, or any other agreement between Developer or any of its Affiliates and FOA or any of its Affiliates; (E) the Qualifying Owner must be in place as Developer’s Managing Owner; and (F) the Qualifying Owner must own more than 50% of the legal and beneficial interest in Developer.

4. **DEVELOPMENT DEFAULT CURE PERIOD.** Section 6.2 of the Agreement is hereby deleted in its entirety and replaced with the following:

As used in this Agreement, “**Number of Shortfall Restaurants**” means a positive number of Franchised Restaurants determined by calculating the difference between (a) the Cumulative Opening Target for the Shortfall Year, and (b) the total number of Franchised Restaurants developed and opened under this Agreement as of the last day of the Shortfall Year. Each such Franchised Restaurant is referred to as a “**Shortfall Restaurant**”. For example, if the Cumulative Opening Target for the Shortfall Year is 8, the total number of Franchised Restaurants developed and opened as of the last day of the Shortfall Year is 6 (net of closures in accordance the Development Schedule), the number of Shortfall Restaurants would be the difference between 8 and 6, and therefore, there would be 2 Shortfall Restaurants.

In the event of a Development Default, Developer may cure such Development Default by opening the Number of Shortfall Restaurants necessary to cure the Development Default within three hundred sixty (360) days from the end of the Shortfall Year (the “**Cure Period**”). If Developer fails to open

the Number of Shortfall Restaurants necessary to cure such Development Default and achieve the Cumulative Opening Target by the end of the Cure Period, FOA may, at FOA's election, by written notice to Developer terminate this Agreement with immediate effect. For the avoidance of doubt, all Franchised Restaurants developed and opened during the Development Year following the Shortfall Development Year shall be considered a Shortfall Restaurant until the Number of Shortfall Restaurants has been reached.

5. DIP DEFAULT. Notwithstanding anything herein to the contrary, and in addition to any other legal rights and remedies available to FOA set out in the Agreement or this Addendum or at law:

(a) If Developer commits a Development Default with respect to a Shortfall Restaurant and fails to open such Shortfall Restaurant within the one-year period following FOA's payment of the DIP Contribution with respect to such Shortfall Restaurant, then, in the sole discretion of FOA, FOA may elect to require Developer to, and Developer shall, refund and pay to FOA an amount equal to the entire DIP Contribution for such Shortfall Restaurant within thirty (30) days following written request therefore by FOA. Any failure by Developer to make a payment required by this section 5 shall constitute a material default under each of the Franchise Agreements for each of the Franchised Restaurants developed pursuant to the Agreement.

2024-2025 DIP ADDENDUM
TO
DEVELOPMENT AGREEMENT (NON-EXCLUSIVE)

2024-2025 NEW FRANCHISEE DEVELOPMENT INCENTIVE PROGRAM

This ~~2024-2025 DIP ADDENDUM TO DEVELOPMENT AGREEMENT (NON-EXCLUSIVE)~~ ("**Addendum**") is made as of the _____ day of _____, 202_ ("**Addendum Effective Date**"), by and between **FIREHOUSE OF AMERICA, LLC**, a Florida limited liability company ("**FOA**"), and _____, a _____ ("**Developer**").

This Addendum is part of the ~~[Area]~~ Development Agreement (Non-Exclusive) dated _____, 20__ (the "**Agreement**") under which Developer was granted by FOA the right to develop Firehouse Subs restaurants within specific geographic areas as set forth in the Agreement. Developer has indicated a desire to participate in FOA's 2024-2025 New Franchisee Development Incentive Program designed to incentivize the development and opening of new Firehouse Subs Restaurants by new franchisees ("**Program**"). FOA has determined that Developer is eligible to participate in the Program. In the event of any conflicts between the terms of the Agreement and the terms of this Addendum, the terms of this Addendum shall control. This Addendum amends and supplements the Agreement, and all terms and conditions contained therein remain in full force and effect, except as amended hereby. Any capitalized terms used but not otherwise defined herein shall have the meanings given to them in the Agreement.

NOW, THEREFORE, in consideration of the mutual terms, conditions and covenants hereinafter set forth and for other good and valuable consideration which each of the parties hereto acknowledge is sufficient to create a binding agreement, the parties agree as follows:

1. ~~PREPAID FRANCHISE FEES.~~ Section 5.6 of the Agreement is hereby deleted in its entirety and replaced with the following:

Prepaid Franchise Fees. On the Commencement Date, Developer will pay to FOA initial franchise fees in advance in the amount of _____ dollars (\$ ~~[INSERT AMOUNT]~~), which is the current initial franchise fee for a Firehouse Subs Restaurant of Twenty Thousand Dollars (\$20,000.00) multiplied by the number of Franchised Restaurants to be developed under this Agreement (the "**Prepaid Franchise Fees**"). Upon the execution of each Franchise Agreement for a Franchised Restaurant, FOA will apply the respective amount of the Prepaid Franchise Fees as payment of the Initial Franchise Fee owed for that Franchised Restaurant until the full amount of the Prepaid Franchise Fees are exhausted. Thereafter, Developer shall pay the applicable Initial Franchise Fee to FOA in accordance with this Agreement.

2. ~~DIP INCENTIVE.~~ Subject to the terms and conditions of this Addendum, FOA shall provide Developer with a cash contribution (the "**DIP Contribution**") for each Franchised Restaurant developed and opened in accordance with all terms of the Agreement and this Addendum, in accordance with the following:

(a) If Developer is required to open two (2) Franchised Restaurants pursuant to the Development Schedule in Development Year 1, on a cumulative basis, the amount of the DIP Contribution shall be Twenty Five Thousand Dollars (\$25,000.00) per Franchised Restaurant.

~~(b) If Developer is required to open three (3) or more Franchised Restaurants pursuant to the Development Schedule in Development Year 1, on a cumulative basis, the amount of the DIP Contribution shall be Fifty Thousand Dollars (\$50,000.00) per Franchised Restaurant.~~

~~(c) With respect to Franchised Restaurants on which Developer has "Commenced Construction" (as defined below) on or prior to September 30 of the Development Year in which the Franchised Restaurant must be developed and opened pursuant to the Development Schedule (the "**Q3 Restaurants**"), FOA shall pay the DIP Contribution to Developer within sixty (60) days of FOA's determination, in its sole discretion, that Developer has Commenced Construction. For purposes of this Addendum, "**Commenced Construction**" shall mean that Developer has, with respect to the Franchised Restaurant to be developed: (i) provided FOA with written proof of Property Control pursuant to Section 4.3.1 of the Agreement; (ii) provided FOA with a copy of the signed contract between Developer and a General Contractor providing for completion of construction of the Franchised Restaurant by the end of such Development Year; (iii) provided FOA with copies of all permits and approvals required by applicable law and/or government authorities to develop and construct the Franchised Restaurant; and (iv) provided FOA with proof, including photographic evidence, in all cases reasonably acceptable to FOA, that vertical construction work has begun on the Franchised Restaurant.~~

~~(d) With respect to Franchised Restaurants on which Developer has Commenced Construction on or after October 1 of the Development Year in which the Franchised Restaurant must be developed and opened pursuant to the Development Schedule (the "**Q4 Restaurants**"), provided Developer timely opens the Franchised Restaurant in accordance with the Development Schedule, FOA shall pay the DIP Contribution to Developer within sixty (60) days after Developer has (i) signed and returned the Franchise Agreement for the Franchised Restaurant pursuant to Section 5.1 of the Agreement, and (ii) opened the Franchised Restaurant for business to the general public.~~

~~(e) Notwithstanding anything in this Addendum to the contrary, Developer's receipt of, and FOA's obligation to pay, the DIP Contribution for any Franchised Restaurant is conditioned upon the satisfaction of each of the following conditions at the time the DIP Contribution payment is due: (A) no Event of Default shall have occurred and, if curable, be continuing beyond any applicable cure period set forth in the Agreement; (B) the Developer and its Affiliates must not be in default or breach of their obligations under any franchise agreement, development agreement, or any other agreement between Developer or any of its Affiliates and FOA or any of its Affiliates; (C) Developer and its Affiliates must have paid all monetary obligations owed to FOA under any franchise agreement, development agreement, or any other agreement, or otherwise owed to FOA, and must have timely paid or otherwise satisfied these obligations throughout the term of such agreements; and (D) Developer and its Affiliates must have submitted all profit and loss statements and all quarterly (or other applicable period of time) and annual financial statements required pursuant to the terms of any franchise agreement, development agreement, or any other agreement between Developer or any of its Affiliates and FOA or any of its Affiliates.~~

~~**3. DEVELOPMENT DEFAULT CURE PERIOD.** Section 6.2 of the Agreement is hereby deleted in its entirety and replaced with the following:~~

~~As used in this Agreement, "**Number of Shortfall Restaurants**" means a positive number of Franchised Restaurants determined by calculating the difference between (a) the Cumulative Opening Target for the Shortfall Year, and (b) the total number of Franchised Restaurants developed and opened under this Agreement as of the last day of the Shortfall Year. Each such Franchised Restaurant is referred to as a "**Shortfall Restaurant**". For example, if the Cumulative Opening Target for the Shortfall Year is 8 and the total number of Franchised Restaurants developed and opened as of the last day of the Shortfall Year is 6~~

~~(net of closures in accordance the Development Schedule), the number of Shortfall Restaurants would be the difference between 8 and 6, and therefore, there would be 2 Shortfall Restaurants.~~

~~In the event of a Development Default, Developer may cure such Development Default by opening the Number of Shortfall Restaurants necessary to cure the Development Default within ninety (90) days from the end of the Shortfall Year (the “Initial Cure Period”). If Developer fails to open the Number of Shortfall Restaurants necessary to cure such Development Default and achieve the Cumulative Opening Target by the end of the Initial Cure Period, Developer may cure such Development Default by opening the Number of Shortfall Restaurants necessary to cure the Development Default within three hundred sixty (360) days from the end of the Shortfall Year (the “Extended Cure Period”). If Developer fails to open the Number of Shortfall Restaurants necessary to cure such Development Default and achieve the Cumulative Opening Target by the end of the Extended Cure Period, FOA may, at FOA’s election, by written notice to Developer terminate this Agreement with immediate effect. For the avoidance of doubt, all Franchised Restaurants developed and opened during the Development Year following the Shortfall Development Year shall be considered a Shortfall Restaurant until the Number of Shortfall Restaurants has been reached.~~

~~**4. DIP DEFAULT.** Notwithstanding anything herein to the contrary, and in addition to any other legal rights and remedies available to FOA set out in the Agreement or this Addendum or at law:~~

~~(a) If Developer commits a Development Default with respect to a Shortfall Restaurant that is a Q3 Restaurant, but thereafter opens such Q3 Restaurant during the applicable Initial Cure Period and Developer, as of the end of the Initial Cure Period is otherwise in compliance with the terms and conditions of the Agreement and this Addendum, including without limitation the conditions listed in paragraph 2(e) above, then Developer shall refund and pay to FOA an amount equal to one half of the DIP Contribution for such Q3 Restaurant within thirty (30) days following the end of such Initial Cure Period. If Developer commits a Development Default with respect to a Shortfall Restaurant that is a Q3 Restaurant, and (A) fails to open such Q3 Restaurant during the applicable Initial Cure Period or (B) as of the end of the Initial Cure Period is not in compliance with the terms and conditions of the Agreement and this Addendum, including without limitation the conditions in paragraph 2(e) above, then Developer shall refund and pay to FOA an amount equal to the entire DIP Contribution for such Q3 Restaurant within thirty (30) days following the end of such Initial Cure Period. Any failure by Developer to make a payment required by this paragraph 4(a) shall constitute a material default under each of the Franchise Agreements for each of the Franchised Restaurants developed pursuant to the Agreement.~~

~~(b) If Developer commits a Development Default with respect to a Shortfall Restaurant that is a Q4 Restaurant, but thereafter opens such Q4 Restaurant during the applicable Initial Cure Period and Developer, as of the end of the Initial Cure Period, is otherwise in compliance with the terms and conditions of the Agreement and this Addendum, including without limitation the conditions in paragraph 2(e) above, then the amount of the DIP Contribution payable by FOA pursuant to paragraph 2(d) above shall be reduced by fifty percent (50%). If Developer commits a Development Default with respect to a Shortfall Restaurant that is a Q4 Restaurant, and (A) fails to open such Q4 Restaurant during the applicable Initial Cure Period, or (B) as of the end of the Initial Cure Period is not in compliance with the terms and conditions of the Agreement and this Addendum, including without limitation the conditions in paragraph 2(e) above, then Developer shall not be entitled to receive, and FOA shall have no obligation to pay, any DIP Contribution with respect to such Q4 Restaurant.~~

~~5. **GENERAL RELEASE.** For and in consideration of FOA entering into this Addendum, and other good and valuable consideration received from or on behalf of FOA, the receipt of which is hereby acknowledged, Developer, for itself and on behalf of its Affiliates, owners, directors, officers, employees, shareholders, agents, advisors, successors, and assigns (collectively, the "**Indemnifying Parties**"), hereby remises, releases, acquits, satisfies, and forever discharges FOA and its Affiliates and their respective directors, officers, employees, shareholders, agents, advisors, successors, and assigns (collectively, the "**FOA Indemnified Parties**"), of and from all manner of Claims, suits, debts, dues, sums of money, accounts, reckonings, bonds, bills, specialties, covenants, contracts, controversies, agreements, promises, variances, trespasses, damages, judgments and executions, whatsoever, in law or in equity, which Developer or any of the Indemnifying Parties ever had, now has, or which any successor or assign of Developer or any of the Indemnifying Parties hereafter can, shall, or may have, whether known or unknown, against the FOA Indemnified Parties, or any of them, for, upon, or by reason of any matter, cause, or thing whatsoever, from the beginning of the world to the Addendum Effective Date. As used in this Addendum, "**Claim**" means any cause of action, lawsuit, litigation, dispute, claim, arbitration, mediation, action, hearing, proceeding, investigation, charge, complaint, controversy, demand, injunction, judgment, order, decree, ruling or any other matter before a judicial, administrative or arbitration court or panel, whether known or unknown, liquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal or equitable. The term "Claim" also includes any losses, liabilities, amounts paid in settlement, penalties, fees, fines, damages (including special and consequential damages), lost profits, costs and expenses (including reasonable attorneys' fees and litigation expenses). **[DEVELOPER, EXPRESSLY AND INTENTIONALLY, AND WITH FULL KNOWLEDGE AND ADVICE OF COUNSEL, DOES HEREBY WAIVE THE PROVISIONS AND PROTECTIONS OF THE CALIFORNIA CIVIL CODE SECTION 1542, WHICH PROVIDES: "A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY."]**~~

~~By entering into this Addendum, Developer expressly consents to transact business with FOA electronically and that, consistent with the Uniform Electronic Transactions Act, and all other applicable state and federal laws, this Addendum may be executed by electronic signatures. The parties to this Addendum agree that the parties' electronic signatures are intended to authenticate this writing and to have the same force and effect as the use of manual signatures and an electronically signed version of this Addendum shall constitute an original for all purposes. Section 1.1 **Registered and Principal Office.** The registered office of **FIREHOUSE SUBS MARKET FUND, INC.** (the "**Corporation**") is currently located at 12735 Gran Bay Parkway, Ste. 150, Jacksonville, FL 32258. The initial principal office of the Corporation will be located at 12735 Gran Bay Parkway, Ste. 150, Jacksonville, FL 32258.

Section 1.2 **Other Offices.** The Corporation may have offices at such other place or places within or without the State of Florida as the Board of Directors may from time to time establish.

Section 1.3 **Registered Agent for Service of Process.** The Corporation's Board of Directors will have the right to designate a registered agent for service of process, who may be an individual or a corporation. The registered agent so designated will serve until a successor is elected by the Board of Directors.

**ARTICLE 2
Powers and Purposes**

Section 2.1 **Powers.** The Corporation will have all of the powers accorded not for profit corporations under the Florida Not For Profit Corporation Act (the "**Act**"). The Corporation will utilize such powers to engage in any lawful activity which is consistent with its purposes as set forth in the Articles of Incorporation.

Section 2.2 **Purposes.** The purposes for which the Corporation is formed are to: (a) provide advice to Firehouse of America, LLC or its successor ("**Franchisor**") regarding the advertising, marketing and promotional initiatives of Franchisor, including the utilization of contributions that are required under (i) any franchise agreement in effect with Franchisor as of the date hereof ("**Co-Op Contribution Franchise Agreement**"), or (ii) any area representative agreement in effect with Franchisor as of the date hereof ("**Co-Op Contribution AR Agreement**") and paid by Members to the Corporation (collectively, the contributions required under (i) and (ii) above, the "**Co-Op Contributions**"), including, with respect to the creation, development, production, broadcast and dissemination of marketing, promotional and advertising of FIREHOUSE SUBS® Restaurants and their products and services; (b) administer and manage the Corporation; and (c) accomplish all purposes associated with furthering the objectives of the Corporation.

Section 2.3 **Not for Profit Status.** The Corporation is not organized, nor will it be operated, for profit. No part of the net earnings of the Corporation will inure to the benefit of, or be distributable to, any member, Director or officer of the Corporation or any other private

individual (except that reasonable compensation may be paid for services rendered to or for the Corporation affecting one or more of its purposes), except that the existing member at the time of dissolution or final liquidation will be entitled to share in the distribution of any remaining corporate assets.

Section 2.4 Use of Trademarks. The Corporation recognizes that its activities will necessarily involve the trademarks, service marks, logos, designs (the “**Marks**”) of the Franchisor. Recognizing the Franchisor’s interest in its Marks and all advertising and promotional materials and the fact that all franchisee advertising and marketing materials must be approved by the Franchisor prior to use, the Corporation agrees that it will only create, produce or place any graphic material, verbal messages, advertising or promotional materials that: (a) have been preapproved by the Franchisor; and (b) that otherwise comply with the franchise agreements for the FIREHOUSE SUBS® system in effect from time to time. Furthermore, the Corporation will not produce, create, place or implement any advertising, marketing or promotional materials that would not be consistent with, disparaging of or detrimental to the goodwill associated with the FIREHOUSE SUBS® trade name, the Marks and the image of the chain. Finally, all activities, strategies and programs to be undertaken by the Corporation will not be taken unless and until approved by the Franchisor.

ARTICLE 3 **Members**

Section 3.1 Members. There are only 3 classes of members of the Corporation, Class A Members, Class B Members and Class C Members:

A. **Class A Members:** The Class A Members will consist of all of the owners of franchised FIREHOUSE SUBS® Restaurants (“**Restaurant(s)**”), who have entered into franchise agreements with the Franchisor and continue to be a party to them. An owner will hold one membership for every FIREHOUSE SUBS® Restaurant in good standing and will have the obligation for assessments and Co-Op Contributions for each Restaurant. Each owner will have one vote on all matters coming before the membership, except that the Bylaws will only be adopted, altered, amended or repealed and the Articles of Incorporation may only be amended by a majority vote of the Board of Directors and the Class C Member and the Corporation may only be dissolved by the Class C Member. If a Restaurant is owned by more than one natural person, or a corporation, partnership, or other artificial entity, the voting interest of Restaurant will be exercised only by the natural person named in a voting certificate signed by all the natural persons who are owners or by the chief executive officer of the artificial entity and filed with the Secretary of the Corporation in its official records. Each owner will have 1 vote on all matters coming before the membership for each Restaurant owned. Otherwise, the qualifications, rights and activities of voting members will be as provided in these Bylaws.

B. **Class B Members:** The Class B Members will consist of all of the area representatives (the “**Area Representatives**”), who have entered into area representative agreements with the Franchisor and continue to be a party to them. An Area Representative will hold one membership. The Class B Members shall have no voting rights. For the avoidance of doubt, any Class B Member who is also a Class A Member by virtue of

owning a Restaurant may still vote in his, her or its capacity as a Class A Member as provided in these Bylaws. .

C. Class C Member: The Franchisor will be the only Class C Member and will have the same voting rights as a Class A Member with one (1) vote on all matters coming before the membership (other than Class A Directors) and the sole right to appoint the Class C Director, and will also have the sole power to authorize dissolution of the Corporation; and the right to vote as a member or a director to resolve a tie as to any deadlock among members or directors. This section can only be changed with the written consent of the Franchisor.

Any franchisee or Area Representative who ceases to be bound under a franchise agreement or area representative agreement with the Franchisor either due to its expiration or termination, will automatically cease to be a member of the Corporation, but will remain liable to the Corporation for any unpaid Co-Op Contributions or other amounts due to the Corporation at the time membership ceases. Likewise, to the extent the Franchisor or its affiliate has operated FIREHOUSE SUBS® Restaurants and has been a Class A Member, if it ceases to operate any such Restaurant, then its Class A membership with respect to such Restaurant will automatically cease.

Section 3.2 Enrollment. Notwithstanding any of the foregoing, no Member will be enrolled as a Member of the Corporation and will not have any rights as a Member unless and until it has signed a membership agreement with the Corporation.

Section 3.3 Entity Membership. For all membership purposes, any business entity (corporation, partnership, limited liability company, etc.) and its owners are deemed a single Member.

Section 3.4 Members in Good Standing. A Member will be in good standing as long as it is not delinquent for a period in excess of 30 days in the payment of any monetary obligation due to the Franchisor (or Franchisor's designee) or any Co-Op Contribution or other monetary obligation to the Corporation. Loss of membership and good standing (delinquency in paying Co-Op Contributions) will not relieve the Member of the obligation to make Co-Op Contributions to the Corporation when due under any Co-Op Contribution Franchise Agreement or Co-Op Contribution AR Agreement.

Section 3.5 Delinquent Members

A. Any Member who is delinquent in paying any monetary obligations due to Franchisor or any Co-Op Contributions or other monetary obligations to the Corporation will be considered a Delinquent Member.

B. The voting rights and other membership privileges of a Delinquent Member will be suspended as long as the Member remains a Delinquent Member. In order to retain good standing status, a Delinquent Member must pay all amounts due the Franchisor (or Franchisor's designee) and the Corporation, as applicable.

Section 3.6 **Voting**. Each owner of a FIREHOUSE SUBS® Restaurant has one vote, for each FIREHOUSE SUBS® Restaurant owned. There is no cumulative voting for Directors or on any other matter.

Section 3.7 **Annual Meeting of the Members**. The annual meeting of the Members for the transaction of such other business as may properly come before the meeting will be held at such time and place as the Board of Directors may determine, provided that the Board of Directors may by resolution and for convenience designate any meeting of the Members, or any action taken by the Members without a meeting pursuant to and as permitted by the Act, as the annual meeting of the Members in lieu of the annual meeting as provided for by these Bylaws.

At each annual meeting, the Members, in addition to any other business to be considered, must elect the Directors who will serve until their successors are elected and qualified; provided, however, that the Members, during an annual meeting or during a special meeting called for such purpose, may add or remove, with or without cause, Directors.

The notice of the annual meeting of Members, except as otherwise required by law, the Articles of Incorporation or these Bylaws, need not state the matters to be considered at such meeting.

Section 3.8 **Special Meetings**. Special meetings of the Members, for any purpose or purposes, unless otherwise prescribed by the laws of the State of Florida, or by the Articles of Incorporation, may be called on the written request of (i) the Franchisor, or (ii) a majority of the Board of Directors; or (iii) Members constituting $\frac{1}{4}$ of the Class A Members in good standing. However, a special meeting of the Members called by $\frac{1}{4}$ of the Class A Members of record of the Corporation entitled to vote, must first submit the issue proposed to be considered at the proposed special meeting to the Board of Directors and fully describing the purpose or purposes for which it is to be held. Requests for a special meeting must state the purpose or purposes of the proposed meeting. The notice of any special meeting of the Members, except one specified as the annual meeting, must state the purpose or purposes for which the meeting is called. The special meeting will be devoted exclusively to the purposes described in the notice and no other business or issues will be conducted or addressed.

Section 3.9 **Place of Meeting**. All meetings of the Members will be at such places as will be determined from time to time by the Board of Directors of the Corporation.

Section 3.10 **Notice of Meetings**. Written or electronic notice of each meeting of the Members stating the place, day and hour thereof, must be delivered to each Member of record entitled to vote at such meeting and to the Franchisor, personally or by telephone, telegram, cablegram, first class mail, confirmed facsimile transmission, e-mail or any other means of personal delivery providing evidence of actual delivery; and if mailed, the notice shall be deemed to be given when deposited in the United States mail addressed to the Members at the Members' address, as they appear in the records of the Corporation, with postage thereon prepaid. Notice must be given by or under the direction of the Secretary, or the officer or persons calling the meeting not more than 60 nor less than 10 days before the date of the meeting; provided that oral

notice to the Member may be given in lieu of written notice so long as the party giving the notice to the Member files with the Corporation a written statement of the date, time, place and manner of the oral notice. No notice need be given of the time and place of reconvening of any adjourned meeting, if the time and place to which the meeting is adjourned are announced at the adjourned meeting.

Section 3.11 Waiver of Notice. A written waiver of notice signed by any Member, whether before or after any meeting, shall be equivalent to the giving of timely notice to said Member. Attendance of a Member at a meeting constitutes a waiver of notice of such meeting and waiver of any and all objections to the place of the meeting, the time of the meeting, or the manner in which it has been called or convened, except when a Member attends a meeting for the express purpose, as stated at the beginning of the meeting, of objecting to the transaction of business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any meeting of the Member need be specified in any written waiver of notice.

Section 3.12 Closure of Books and Fixing of Record Date. For the purpose of determining Members entitled to notice of, or to vote at, any meeting of the Members or any adjournment thereof, the Board of Directors may provide that the books will be closed for a period of not less than 3 and not more than 30 days immediately preceding such meeting. If the books are not closed and no record date is fixed by the Board of Directors, the date on which notice of the meeting is mailed will be the record date for the determination of Members entitled to notice and to vote.

Section 3.13 Quorum. Except as otherwise required by the Act, the Articles of Incorporation or these Bylaws, the presence, in person or by duly appointed proxy, of Members holding a majority of the votes will constitute a quorum at all meetings of the Members. In case a quorum is not present at any meeting, a majority of the Members present in person or by duly appointed proxy, will have power to adjourn the meeting from time to time, without notice other than announcement at the meeting of the time and place to which the meeting is adjourned, until a quorum is present. At any such adjourned meeting at which a quorum is present, any business may be transacted which might have been transacted at the meeting as originally noticed; but only those Members entitled to vote at the meeting as originally noticed will be entitled to vote at any adjournment or adjournments thereof.

Section 3.14 Voting. Every Member will be entitled at each Members' meeting and upon each matter presented at such meeting, in person or by duly appointed proxy, to one vote, for each Area Representative and one vote for each of the Restaurants owned by such Member. The list of Members must be produced at any Members' meeting upon the request of any Member. Upon the demand of the Class C Member only, the vote upon any question before the meeting must be by written ballot. Except as otherwise provided by these Bylaws, by the Act, or by the Articles of Incorporation, all matters will be decided by a majority of the votes cast on such matters. Delinquent Members will not be entitled to vote at membership meetings. Any dispute regarding the good standing of a Member and its right to vote at a membership meeting will be determined conclusively by the Chairman of the meeting, which will be final and binding. Notwithstanding any of the foregoing, all voting rights of the Class A Members will be exercised solely by the Franchisor for all purposes whatsoever, and such voting by the Franchisor will be undertaken in

accordance with these Bylaws, unless and until: (a) the Franchisor decides in writing otherwise; and/or (b) Florida law authorizes voting by members of nonprofit corporations pursuant to electronic means consistent with the voting and balloting mechanisms that the Franchisor chooses to employ. The Franchisor will vote on behalf of the Class A Members in a manner to as closely approximate the purposes of these Bylaws. The intent of this provision to allow the Franchisor to vote on behalf of the Class A Members and enable the Class A Members to exercise their vote by electronic means for their convenience and for the efficient administration and management of the Corporation and its governance. The Franchisor is authorized to establish and develop whatever electronic voting and balloting procedures and systems that it considers appropriate or desirable and to conduct elections and voting among the Members using those procedures. The Class A Members fully authorize the Franchisor to do so and release any claim they may have against the Franchisor for its good faith utilization of such electronic and voting means and release it from liability for doing so as long as it exercises its good faith business judgment in developing and establishing those procedures. The Franchisor will assess the results of such voting and elections and vote the interests of the Class A Members consistent with the results of such electronic balloting procedures. At any time, at the Franchisor's option, it has the right to: (a) stop, discontinue, cancel, suspend, postpone, reinstitute or substitute any electronic voting, balloting and election mechanism; and/or (b) stop exercising its right to vote on behalf of the Class A Members and revert to the other voting mechanisms described in these Bylaws. At such time as Florida law, in the opinion of Franchisor's counsel, authorizes electronic voting and elections through means acceptable and consistent with those established and developed by the Franchisor, then the Franchisor will stop voting on behalf of the Class A Members, and such Members will be entitled to vote otherwise in accordance with these Bylaws.

Section 3.15 Proxies. Every Member entitled to vote at any meeting of Members may, by an appointment form (or "proxy") executed in writing by himself or his attorney in fact, authorize another person or persons to act for him by proxy, and to vote at any such meeting or adjournment thereof. An executed telegram, e-mail or cablegram appearing to have been transmitted by such person, or a photographic, photostatic, or equivalent reproduction of an appointment form, is a sufficient appointment form (in the case of e-mail, the Secretary may specify rules for authentication). In the event that any instrument will designate two or more persons to act as proxy, a majority of such persons present at the meeting, or, if only one be present, that one will have all the powers conferred by the instrument upon all the persons so designated unless the instrument will otherwise provide; but if the proxy holders present at the meeting are equally divided as to the right and manner of voting in any particular case, the voting will be prorated. Said instrument appointing a proxy must be filed with the Secretary of the Corporation before or at the meeting at which the proxy is to exercise his authorization. No proxy will be valid after the expiration of 11 months from the date thereof unless otherwise provided in the proxy, provided that revocation of an instrument appointing a proxy may be accomplished at any time by any one of the following methods:

- A. personal attendance by the Member at a meeting for which said Member previously executed an instrument appointing a proxy;
- B. filing with the Secretary of the Corporation an instrument specifically revoking the prior appointment; or

C. filing with the Secretary of the Corporation a duly executed instrument appointing a proxy different from a proxy appointed in a previously executed and otherwise effective instrument.

Section 3.16 Action Without Meeting. Any action of the Members of the Corporation may be taken without a meeting, without prior notice and without a vote, if one or more consents in writing, setting forth the action so taken, are signed by the Members having not less than 2/3 of the votes that would be necessary to authorize or take such action at a meeting at which all Members entitled to vote thereon were present and voted. Electronic signatures are acceptable and will constitute consents in writing. Such consents must be delivered to the Corporation in the manner required by the Act. Neither the Articles of Incorporation nor these Bylaws will be construed, interpreted or deemed to have, in any way, limited or prevented the utilization of the ability to take written action in lieu of formal meetings as may be permitted by the Act.

Section 3.17 Organization. Meetings of the Members must be presided over by the President, or if he is not present, by the Vice President, if a Vice President has been elected, or if neither the President nor the Vice President is present, then by a chairman to be chosen by a majority of the Members entitled to vote who are present in person at the meeting. The Secretary of the Corporation, or in his absence, the Assistant Secretary, will act as secretary of every meeting, but if neither is present, the Members entitled to vote who are present in person may choose any person present to act as secretary of the meeting. Copies of minutes of all meetings and of all written actions in lieu of meetings must be provided to the Franchisor.

At all meetings of the Members the order of business will be as follows:

- (1) Calling meeting to order.
- (2) Proof of notice of meeting and determination of quorum.
- (3) Reading and disposing of minutes of previous meeting.
- (4) Announcement of purposes for the meeting.
- (5) Reports of officers.
- (6) Reports of committees.
- (7) Unfinished business.
- (8) New business, including election of Directors if an annual meeting.
- (9) Adjournment.

Section 3.18 Member Meetings by Telephone. Any Member may participate in a Members' meeting, or may conduct a Members' meeting through the use of, any means of communication enabling all persons participating in the meeting to hear each other at the same time during the meeting. Participation by such means will constitute presence in person at a meeting.

ARTICLE 4

Directors

Section 4.1 Number.

A. There will be at least 3 Directors on the Board, one (1) of which must be a Class C Director. From time to time, the exact number of Directors may be determined by the majority vote of the Directors, subject to approval by the Class C Member, but never less than 3 nor an amount less than as otherwise required by the Act. The current Board of Directors will consist of 13 Directors: 12 Class A Directors, and 1 Class C Director. There shall be no Class B Directors on the Board.

B. The Class C Member will initially divide the U.S.A. into 4 geographical regions (each, a “**Region**”). The geographic makeup of the Regions may be modified from time to time by a majority vote of the Directors, subject to approval by the Class C Member. Such modifications may include, without limitation, combining Regions, dividing Regions, otherwise modifying the number of Regions to be more or less than 4, or modifying the number of Class A Directors from each Region. Any such modification to the Regions or number of Class A Directors from each Region shall be done in such a way that achieves a reasonable approximation of proportionate representation of Class A Members from each Region. The current four (4) Regions are shown on the attached Exhibit “A.”

C. The Class A Directors will be nominated by a majority vote of the Class A Members from each respective Region, and elected by a majority vote of the Class A Members at large; provided that each Class A Director otherwise meets the qualification to serve as a Director as set forth in the Bylaws. Each Class A Directors will serve a 3-year term. The 12 Class A Directors will initially consist of 3 Directors from each Region. No Class C Members may serve as a Class A Director.

D. The Franchisor will appoint the Class C Director who will be an officer or executive of the Franchisor.

E. As of the date of this Amendment, the Class A Directors and their respective terms are as follows:

Board Member Name	Region	Officer	Term Expires
Allen, Julie	Central		2025
Anthony, Scott	South		2024
Atlas, Darrin	East		2023
Belle, Paul	East		2024
Chandler, Larry	South		2025
Ensley, Stephanie	West		2023
Goldsmith, Elliott	East	President	2025
Griffin, Windy	West	Vice President	2024
Harmon, Mike	Central		2024
Jones, Coby	West	Treasurer	2025
Kelly, Suzanne	South	Secretary	2023
Reece, Megan	Central		2023

Section 4.2 **Vacancies.** Whenever a vacancy occurs on the Board of Directors, including a vacancy resulting from an increase in the number of Directors or the removal of 1 or more Directors, it may be filled by: (a) for Class A Directors, by the affirmative vote of a majority of the remaining Class A Directors even if the remaining Class A Directors constitute less than a quorum, for the remainder of the term; and (b) for Class C Director, by the Class C Member.

Section 4.3 **Removal of Directors.**

A. Any Class A Director may be removed with or without cause by vote of a majority of the Class A Members and the Class C Member at a membership meeting or by written action in lieu of meeting signed by the Class C Member and the Class A Members having not less than 2/3 of the votes that would be necessary to authorize or take such action at a meeting at which all Class A Members entitled to vote thereon were present and voted.

B. The Class C Director may be removed by the Class C Member, who may remove any of them at any time, with or without cause.

Section 4.4 **Qualification**

A. **Class A Directors:** Each director must be either a Class A Member, or an owner, officer or director of a Class A Member that is a business organization. However, any director serving on the Board of Directors will be automatically suspended at any time during which it or the business organization Class A Member for which it is associated is not in good standing. In addition, Directors will be automatically removed as Directors if, at any time, the Member with which they are associated is expelled from membership or is no longer a franchisee of the Franchisor either because the franchise agreement has expired or it has been terminated or transferred.

B. **Class C Directors:** The Class C Member will determine the qualifications of the Class C Directors as it sees fit.

Section 4.5 **Terms.** Directors will hold office for 3 years (except as otherwise provided in these Bylaws) and until their respective successors are duly elected and qualified or until there is a decrease in the number of Directors.

Section 4.6 **Resignation.** Any director may resign at any time. Such resignation will be made in writing and will take effect upon its delivery to the President or the Board of Directors or its Chairman.

Section 4.7 **Powers.** The business of the Corporation will be managed by its Board of Directors, which may exercise all such powers of the Corporation and do all such lawful acts and things as are not prohibited by the Act, by the Articles of Incorporation or by these Bylaws.

Section 4.8 **Meetings.** The Board of Directors of the Corporation may hold meetings, whether annual or special, either within or without the State of Florida.

The annual meeting of the Board of Directors, for the purpose of electing officers and transacting such other business as may be brought before the meeting, will be held at such time and place as the Board of Directors may determine. The Board of Directors may by resolution provide for the time and place of other regular meetings, and no notice of such regular meetings need be given.

All other meetings of the Board may be called on the written request of (i) the Franchisor, or (ii) any Director or (iii) 25% or more of Members in good standing, at such time and place as may be stated in such request.

Section 4.9 Notice of Special Meetings. Written notice of the place, day and hour of any special meeting of the Board of Directors must be given by or under direction of the Secretary, to each director at least 2 days before the meeting; provided, however, that oral notice may be given to Directors in lieu of written notice so long as the party giving the notice to the Directors files with the Corporation a written statement of the date, time, place and manner of the oral notices. Neither the business to be transacted at, nor the purpose of, any meeting of the Board of Directors, need be stated in the notice or waiver of notice of such meeting.

Section 4.10 Action Without a Meeting. Any action required to be taken, or which may be taken, at a meeting of the Board of Directors or a Committee thereof, may be taken without a meeting, if a consent in writing, setting forth the action so to be taken, is signed by all of the Directors entitled to vote, or all of the members of the Committee who are entitled to vote, as the case may be. Such consent will have the same effect as a unanimous vote. Electronic signatures will constitute consent in writing.

Section 4.11 Quorum and Voting. At all meetings of the Board, a majority of the Directors then in office will constitute a quorum for the transaction of business. The act of a majority of Directors present at a meeting where a quorum is present will be the act of the Board of Directors, except as may be otherwise specifically provided by law, the Articles of Incorporation or these Bylaws. If at any meeting of the Board of Directors there is less than a quorum present, a majority of those present may adjourn the meeting, without further notice, from time to time and place to place until a quorum will have been obtained.

Section 4.12 Organization. The President of the Corporation will act as Chairman and the Secretary will act as Secretary at all meetings of the Board.

Section 4.13 Committees. The Class C Member has the right to appoint at least one member of any committee.

A. Executive Committee.

(1) Creation. The Board of Directors may, by resolution adopted by a majority of the full Board, designate two or more of their number to constitute an Executive Committee.

(2) Action and Powers. In addition to the disabilities under the Act, and the other provisions of these Bylaws and the Articles of Incorporation regarding extraordinary voting requirements of the Board of Directors, the Executive Committee will not have the power to:

- (a) amend the Articles of Incorporation;
- (b) adopt a plan of merger, consolidation, recapitalization or other form of reorganization;
- (c) sell, lease, exchange or otherwise dispose of all or substantially all of the property and assets of the Corporation; or
- (d) adopt a plan of voluntary dissolution of the Corporation.

(3) Report of Executive Committee. The Executive Committee will cause a report of its actions to be distributed to the remaining members of the Board of Directors within 7 days of taking such actions and will cause such report to be filed with the minutes of the proceedings of the Board of Directors.

B. Conduct Review Committee.

(1) Creation. A Conduct Review Committee is created to review allegations of violations of the Code of Conduct.

(2) Members. The Conduct Review Committee will be comprised of the Class C Director and each officer currently in office.

(3) Action and Powers. The Conduct Review Committee will have the power to investigate allegations of violations of the Code of Conduct, report on their findings and recommend actions to the Board, as provided in these Bylaws.

C. Other Committees. The Board may from time to time appoint such other committees and delegate such duties and powers thereto as it may deem advisable, provided that no delegation of power to such other committees may include any of the powers excluded under this Article. Each committee must have 2 or more members who serve at the pleasure of the Board of Directors.

D. Committees Generally. Each committee must elect its own chairman (unless a chairman has been designated by the Board of Directors) and may hold regular meetings without notice. Special committee meetings may be called by the chairman of the committee or by the Board and notice of any special meeting must be given in the manner provided hereinabove for notice of special meetings of the Board of Directors. Quorum and voting requirements and the term, removal, and resignation bylaws applicable to the

Board of Directors will apply to Committees. Each committee must keep regular minutes of its proceedings and report the same to the Board of Directors.

Section 4.14 Compensation. Directors must not receive any stated salary or compensation for their services as Directors or as members of committees. The Board may authorize reimbursement of expenses advanced by any director or committee member that have been pre-approved by the Franchisor. Nothing herein contained will be construed to preclude any director from serving the Corporation in any capacity as an officer, agent, or otherwise, but no compensation will be paid for such services.

Section 4.15 Attendance by Telephone. Any member or members of the Board of Directors or an Executive Committee or other committee will be deemed present and voting at a meeting of such Board or Committee if said member or members participate in the meeting by means of a conference telephone or other communications equipment enabling all persons participating in the meeting to hear each other at the same time. Participation by such means will constitute presence in person at a meeting.

Section 4.16 Code of Conduct.

A. The Board from time to time may adopt a Code of Conduct (the “**Code of Conduct**”), which will set forth standards for Director conduct, including moral and ethical conduct and Director violations of law. The Code of Conduct will be adopted, amended, modified, and/or cancelled in whole, or in part, solely by affirmative vote of the Class C Member and a majority of the Directors. The Code of Conduct will apply to Directors when acting in their sole capacity as Directors or otherwise. A determination by the Directors that a Director has not complied with or violated the Code of Conduct constitutes good cause for removing a Director in accordance with these Bylaws.

B. Notwithstanding anything in these Bylaws to the contrary, no Class A Director may be removed for an alleged violation of the Code of Conduct unless the Conduct Review Committee has first reviewed the allegation and referred the allegation to the Board for a vote as provided in this Section 4.16.

C. If any Director or officer becomes aware of an allegation that a Class A Director has violated the Code of Conduct, such Director or officer must bring the allegation before the Conduct Review Committee by notifying the Class C Member. The Conduct Review Committee will provide written notice to the accused Director, setting forth the allegation in reasonable detail. Within 15 days following the accused Director’s receipt of such written notice, the accused Director will have the option to provide a statement to the Conduct Review Committee, which statement may include any information in connection with the allegation that the accused Director wishes to provide, including explanations, defenses, admissions, or otherwise. In the reasonable discretion of the Conduct Review Committee, the Conduct Review Committee may conduct or cause to be conducted an investigation into the facts surrounding the allegation, taking whatever actions or inquiries it deems reasonable, necessary or appropriate to do so. Upon the reasonable satisfaction of the Conduct Review Committee that it has uncovered and review

enough material facts surrounding the allegation to make a decision and in no event before the earlier of either: (i) the expiration of the 15-day period described above, or (ii) the receipt by the Conduct Review Committee of a statement by the accused Director, the Conduct Review Committee will determine, by majority vote, to either end the inquiry into the allegation or submit the allegation to the Board for consideration of the accused Director's removal by Director vote otherwise in accordance with these Bylaws.

Upon referral from the Conduct Review Committee, the Board will review the allegations and, upon the reasonable satisfaction of the Board that the Board has reviewed enough material facts surrounding the allegation to make a decision, the Board may remove the accused Director at a meeting with the vote of the Class C Director, and a majority of the Class A Directors voting as a single group, or by written action in lieu of meeting signed by the Class C Director and the Class A Directors having not less than 2/3 of the votes that would be necessary to authorize or take such action at a meeting at which all Class A Directors entitled to vote thereon were present.

ARTICLE 5

Officers

Section 5.1 **Officers.** The officers of this Corporation will consist of a President, a Secretary and a Treasurer, and may consist of such other officers, including but not limited to 1 or more Vice Presidents, Assistant Secretaries and Assistant Treasurers with such titles, powers and duties as may be prescribed from time to time by the Board of Directors. They will be elected by the Board of Directors at its annual meeting,

Section 5.2 **Term of Office; Vacancies.** Each officer must hold office for one year and until such officer's successor is duly elected and qualified. A vacancy in any office arising from any cause may be filled for the unexpired portion of the term by the Board of Directors, except the President.

Section 5.3 **Removal of Officers.** Any officer may be removed at any time with or without cause by action of the Board of Directors by the affirmative vote of 2/3 of the Directors then in office. Election or appointment of an officer will not of itself create contract rights. This provision will not prevent the making of a contract of employment for a definite term with any officer and will have no effect upon any cause of action which any officer may have as a result of removal in breach of a contract of employment.

Section 5.4 **Resignations.** An officer may resign at any time by delivering notice to the Corporation. A resignation is effective when the notice is delivered unless the notice specifies a later effective date. If a resignation is made effective at a later date and the Corporation accepts the future effective date, the Board of Directors may fill the pending vacancy before the effective date if the Board of Directors provides that the successor does not take office until the effective date of the pending vacancy.

Section 5.5 **Compensation.** No compensation will be paid to any officer or director of the Corporation, except the Board of Directors may reimburse the officers and directors for

expenses that have been established in a budget approved by the Board and the Franchisor. Any variances in the budgeted amounts must be pre-approved by the Franchisor.

Section 5.6 Refund of Payment. In the event that the Internal Revenue Service disallows, in whole or in part, the deduction by the Corporation as an ordinary and necessary business expense of any payment made to an officer of the Corporation, whether as salary, commission, bonus or other form of compensation or as interest, rent or reimbursement of expenses incurred by such officer, such officer must reimburse the Corporation to the full extent of such disallowance. The Board of Directors of the Corporation will have the duty to require each such officer to make such reimbursement, and it will be the legal duty of each such officer thus to reimburse the Corporation.

Section 5.7 Powers and Duties.

A. **In General.** The officers of the Corporation will have such powers and duties as generally pertain to their respective offices, including the powers and duties provided by these Bylaws, as well as such powers and duties as from time to time may be conferred by the Board of Directors.

B. **President.** The President will:

- (1) preside at all meetings of the Board of Directors;
- (2) present at each annual meeting of the Directors a report of the condition of the business of the Corporation;
- (3) cause to be called regular and special meetings of the Directors in accordance with these Bylaws;
- (4) sign and make contracts and agreements in the name of the Corporation;
- (5) see that the books, reports, statements and certificates required by statute are properly kept and filed according to law;
- (6) sign notes, drafts or bills of exchange, warrants or other orders for the payment of money duly drawn on behalf of the Corporation;
- (7) have the power to hire and fire and approve compensation and other employment terms for such employees as he or she deems advisable, except that the President may delegate the duty to supervise all employees of the Corporation to the Class C Director (for convenience, such employees may be joint employees of the Corporation and the Franchisor or its affiliates, and the Corporation will reimburse the other joint employer for all payroll and related expenses associated with employees); and

(8) have general charge of and control over the affairs of the Corporation and perform all the duties incident to such position and office, including the purchase by the Corporation of tangible or intangible assets, the enforcement of these Bylaws and all other things which the President is required to do by law.

C. **Vice President.** The Vice President, if any, will:

(1) in the absence or disability of the President, perform the duties and exercise the powers of the President; and

(2) perform such other duties and have such other powers as the Board of Directors may from time to time prescribe.

D. **Secretary.** The Secretary will:

(1) prepare the minutes of the meetings of the Board of Directors and keep the minutes in appropriate permanent books of record;

(2) give and serve all notices of the Corporation;

(3) be the custodian of the records and of the seal, and affix the latter when required, and authenticate records of the Corporation when required;

(4) keep the transfer books in the manner prescribed by law; and

(5) attend to all correspondence and perform all the duties incident to the office of the Secretary.

E. **Treasurer.** The Treasurer will:

(1) keep accounts of and have the care and custody of and be responsible for all the funds and securities of the Corporation;

(2) deposit all such funds in the name of the Corporation in such bank or banks, trust company or trust companies, or safe deposit vaults as the Board of Directors may designate;

(3) exhibit, at times required by law or these Bylaws, the corporate financial books and accounts to any director upon application at the office of the Corporation during business hours;

(4) render a statement of the condition of the finances of the Corporation (at each regular meeting of the Board of Directors, and at such other times as it will be required of the Treasurer) and a full financial report at the annual meeting of the Directors;

(5) keep at the office of the Corporation current books of account of all of its business transactions and such other books of account that the Board of Directors may require; and

(6) do and perform all other duties pertaining to the office of the Treasurer.

Provided, however, that the Franchisor will be responsible for collecting the Co-op Contributions and Special Co-Op Contributions (as such term is defined in the franchise agreement) from the Class A Members, will maintain the financial records and budgets of the Corporation, and will be solely responsible for the disbursement of funds to pay approved expenses of the Corporation. The Franchisor has the right to be reimbursed for these services.

F. Assistant Secretary and Assistant Treasurer. The Assistant Secretary or Assistant Secretaries and the Assistant Treasurer or Assistant Treasurers will, in the absence or disability of the Secretary, or Treasurer, respectively, perform the duties of such officer and generally assist, in the case of an Assistant Secretary, the Secretary, or an Assistant Treasurer, the Treasurer.

Section 5.8 Delegation of Duties. In the case of the absence or disability of any officer of the Corporation or for any other reason deemed sufficient by a majority of the Board, the Board of Directors may delegate such officer's respective powers or duties to any other officer or to any director or agent of the Corporation for a specified period or until said delegation is revoked by the Board of Directors, provided that such delegation is otherwise permitted by law and by the Articles of Incorporation and these Bylaws.

ARTICLE 6

Co-Op Contributions

Section 6.1 Co-Op Contributions. If a Class A Member is a party to a Co-Op Contribution Franchise Agreement, such Class A Member will contribute to the Corporation a Co-Op Contribution in the amount of four percent (4%) of monthly gross sales until the expiration or termination of such Co-Op Contribution Franchise Agreement in the same time, manner and method specified for royalty payments under the applicable franchise agreement. If a Class B Member is a party to a Co-Op Contribution AR Agreement, such Class B Member will contribute to the Corporation a Co-Op Contribution in the amount of four percent (4%) of monthly gross sales until the expiration or termination of such Co-Op Contribution AR Agreement in the time, manner and method specified. For the sake of clarity, the Co-Op Contribution amount is irrevocably set at four percent (4%) of monthly gross sales until such time as there is no Co-Op Contribution Franchise Agreement or Co-op Contribution AR Agreement in effect with Franchisor. Gross sales shall have the same meaning as set forth in the relevant Co-Op Co-Op Contribution Franchise Agreement or Co-op Contribution AR Agreement, as applicable. The Board may, in its reasonable business judgment, and subject to the Franchisor's written approval, reduce the amount of the Co-Op Contribution due to the Corporation for any Members that the Board and the Franchisor determine are located in remote areas and, will not benefit from the Corporation's or Franchisor's (as applicable) marketing, promotional and advertising activities as other Members. The Board of Directors will only make such determination if it reasonably

believes that the level of benefits will be significantly less favorable to such remote Members as compared to the other Members. Notwithstanding anything to the contrary in these Bylaws, the Franchisor may, in its sole discretion, reduce the amount of the Co-Op Contribution due to the Corporation from any Member.

Section 6.2 **Payment of Co-Op Contributions.** The Board of Directors will set the dates and method of payment for Contributions due to it consistent with the Co-Op Contribution Franchise Agreements and/or Co-Op Contribution AR Agreements.

Section 6.3 **Default in Payments.** The Franchisor will set up policies and procedures for dealing with situations in which Members have not timely paid Co-Op Contributions. The Franchisor may set interest rates and fees to offset administrative expenses, collection costs, etc. for delinquent payments. The Franchisor may also set policies for expelling Delinquent Members after a period of time. Nevertheless, in any event, no Member may be expelled except upon a vote or consent of the Franchisor, otherwise in accordance with these Bylaws.

Section 6.4 **Remittances to Franchisor.** The Corporation hereby irrevocably designates Franchisor to receive Co-Op Contributions and any Special Co-Op Contributions on its behalf and the Class C Member hereby accepts such designation. The Corporation further authorizes Franchisor to deposit all Co-Op Contributions and Special Co-Op Contributions received from Members in the System Fund (as defined in the franchise agreements) managed by the Class C Member.

Section 6.5. **Accounting System.** The Corporation will use the accounting system prescribed by the Franchisor. The Corporation will give full and complete access to all of its books and records at all times to its Members, Directors, and officers, and to the Franchisor

Attendance of a person entitled to notice at a meeting will also constitute a waiver of notice of such meeting; provided, however, that such attendance will not constitute such a waiver if said person attends said meeting solely for the purpose of, and limits his participation at the meeting to, objecting to the transaction of any business because the meeting is not lawfully called or convened and states such objection at the beginning of the meeting.

ARTICLE 8

ARTICLE 10
Indemnification

Section 10.1 Indemnification in Proceedings Other Than Actions by, or in the Right of, the Corporation. The Corporation will indemnify any person who was or is a party to any proceedings (other than an action by, or in the right of, the Corporation), by reason of the fact that he is or was a director, officer, employee, or agent of the Corporation, or is or was serving at the

request of the Corporation as a director, committee member, officer, employee or agent of another corporation, partnership, joint venture, trust, or other enterprise against liability incurred in connection with such proceeding, including any appeal thereof, if the indemnitee acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the Corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful.

Section 10.2 Indemnification of Persons Parties to a Proceeding by or in the Right of the Corporation. The Corporation will indemnify any person who was or is a party to any proceeding by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee, or agent of the Corporation or is or was serving at the request of the Corporation as the director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses and amounts paid in settlement not exceeding, in the judgment of the Board of Directors, the estimated expense of litigating the proceeding to conclusion, actually and reasonably incurred in connection with the defense or settlement of such proceeding, including any appeal thereof. Such indemnification may be authorized if such person acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the Corporation. Provided, however, that no indemnification may be made hereunder in respect of any claim, issue, or matter as to which such person has been adjudged to be liable, unless, and only to the extent that, the court in which such proceeding was brought, or any other court of competent jurisdiction, determines upon application that, despite the adjudication of liability, but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court deems proper.

Section 10.3 Mandatory Indemnification. To the extent that a director, officer, employee, or agent of the Corporation has been successful on the merits or otherwise in defense of any proceeding referred to in Sections 10.01 and 10.02 above, or in defense of any claim, issue or matter therein, he must be indemnified against expenses actually and reasonably incurred by him in connection therewith.

Section 10.4 Authorization of Indemnification is Required. Any indemnification under Sections 10.01 and 10.02, unless pursuant to a determination by a court, may be made by the Corporation only as authorized in the specific case upon a determination that indemnification of the director, officer, employee, or agent is proper in the circumstances because he has met the applicable standard of conduct set forth in Section 10.01 or 10.02. Such determination must be made pursuant to any procedures outlined by the Act, if any.

Section 10.5 Additional Conditions to Indemnification. The Board, by a majority vote of a quorum consisting of Directors who were not parties to the action, suit or proceeding to which the indemnification relates, may impose such additional conditions, subject to the approval of the Franchisor, upon any form of indemnification as the Board may deem appropriate, including, but not limited to, the right to assume the defense in appropriate circumstances, the right to select the attorney representing the indemnified person and the right to settle.

Section 10.6 Payment of Expenses. Expenses (including attorneys' fees) incurred in defending a civil or criminal action, suit or proceeding must be paid by the Corporation in advance

of the final disposition of such action, suit or proceeding upon a preliminary determination following the procedures set forth in Section 10.04 that such indemnified person meets the applicable standard of conduct referred to therein and subject to any conditions imposed by the Board pursuant to this Article and the prior receipt by the Corporation of an undertaking satisfactory in form and substance to the Corporation that such person will promptly repay such amount unless it is ultimately determined that the person is entitled to be indemnified by the Corporation as authorized in this Article 10.

Section 10.7 Indemnification Disallowed in Certain Circumstances. The indemnification provided pursuant to this article may not be made to or on behalf of any director, officer, employee, or agent if a judgment or other final adjudication establishes that his actions, or omissions to act, were material to the cause of action so adjudicated and constitute:

A. a violation of the criminal law, unless the director, officer, employee or agent had reasonable cause to believe his conduct was lawful or had no reasonable cause to believe his conduct was unlawful;

B. a transaction from which the director, officer, employee or agent derived an improper personal benefit;

C. in the case of a director, a circumstance under which the Director would be liable to the Corporation under the Act; or

D. willful misconduct or a conscious disregard for the best interests of the Corporation in a proceeding by or in the right of the Corporation to procure a judgment in its favor.

Section 10.8 Nonexclusivity. The Corporation has the power to make any other or further indemnification of any of its Directors, officers, members of any committee, or any other person that the Corporation has the power by law to indemnify, including without limitation, employees or agents of the Corporation, under any bylaw, agreement, vote of disinterested Directors, or otherwise, both as to action in any official capacity and as to action in another capacity while holding such office, except an indemnification against gross negligence or willful misconduct. The indemnification as provided in this Article will continue as to any person who has ceased to be a Director, officer, employee, or agent and will inure to the benefit of such person's heirs and personal representatives.

**FORM OF
MEMBERSHIP AGREEMENT FOR
FIREHOUSE SUBS MARKET FUND, INC.**

THE FIREHOUSE SUBS MARKET FUND MEMBERSHIP AGREEMENT

THIS FIREHOUSE SUBS MARKET FUND MEMBERSHIP AGREEMENT is effective as of _____, 20____, by and between **THE FIREHOUSE SUBS MARKET FUND, INC.** (the “**Corporation**”) and _____, a franchisee (the “**Member**”) operating a FIREHOUSE SUBS® Restaurant located at [insert restaurant address] (the “**Member Restaurant**”). The Corporation and the Member are sometimes referred to collectively as the “**parties**” or singularly as a “**party**”).

BACKGROUND INFORMATION:

FIREHOUSE OF AMERICA, LLC (or its successor) (the “**Franchisor**”) franchises businesses which offer and serve large portion hot submarine style sandwiches in a unique fire-fighting atmosphere and decorum at an economical price (“**FIREHOUSE SUBS® Restaurants**”). The Corporation was organized by the Franchisor and its franchisees operating FIREHOUSE SUBS® Restaurants in the United States to, among other things, advise the Franchisor on advertising, marketing and promotion expenditures. The Member is the owner of the Member Restaurant and has entered into a franchise agreement with the Franchisor. The Member wishes to participate in the Corporation and obtain the benefits of membership, while committing to make the Special Co-Op Contributions (as such term is defined in the franchise agreement) required by the Corporation from time to time in accordance with its governing documents and the franchise agreement.

OPERATIVE TERMS:

Intending to be bound, the parties agree as follows:

1. **Bylaws.** The Board of Directors of the Corporation has adopted the Bylaws of the Corporation. The parties agree to abide by those Bylaws, which may be amended from time to time in the manner specified therein. Unless the text or context of this Agreement requires otherwise, terms used in this Agreement will have the meanings as defined in the Bylaws.

2. **Membership.** By signing this Agreement:

(a) The Corporation accepts and enrolls the Member as a member in good standing with full rights and benefits of membership; and

(b) The Member agrees to become a member of the Corporation and agrees to be bound by and adhere to the Bylaws as now in effect or as subsequently modified, amended or replaced, in accordance with the Corporation’s governing documents, and to observe any administrative rules, regulations and policy statements adopted by the Corporation in accordance with the Bylaws.

3. **Scope.** This Agreement relates solely to the Member Restaurant, and the Member understands that the Member may have multiple memberships if the Member has multiple FIREHOUSE SUBS® Restaurants. If this Agreement is signed prior to the opening of the Member Restaurant, it will not become effective unless and until the Member Restaurant opens for business in accordance with Member’s franchise agreement.

4. ***Special Co-Op Contributions.***

(a) **Obligation to Pay:** Members will contribute the Special Co-Op Contribution to the Corporation as required by their respective franchise agreements in the amount, time, manner and method specified by the Board in accordance with the respective franchise agreements. The Board will determine from time to time the amount of any additional Special Co-Op Contributions to be paid to the Corporation by its Members consistent with the franchise agreements. The amount of the Special Co-Op Contributions will generally be uniform among Members except as otherwise provided in the Bylaws. New Members will not have to pay their Special Co-Op Contributions until after the Member Restaurant has opened for business. The Member acknowledges that the Corporation has designated Franchisor to receive Special Co-Op Contributions on its behalf and has authorized Franchisor to deposit all Special Co-Op Contributions received from Members in the System Fund (as defined in the franchise agreements) managed by the Franchisor.

(b) **Reports:** The Member agrees that the Corporation may review reports and other information available to the Franchisor in an effort to verify that the proper amount of Special Co-Op Contributions have been paid by the Member. Each Special Co-Op Contribution payment must be accompanied by a report on a form promulgated by the Corporation showing the amount of Special Co-Op Contributions the Member paid with respect to the Member Restaurant. The Member authorizes and instructs the Franchisor to furnish to the Corporation, upon its request, copies of the Member's reports and records for the purpose of verifying amounts due.

5. ***Benefits.*** The Corporation agrees that it will operate on a non-profit basis in accordance with its governing documents and that all Special Co-Op Contributions will be spent solely for the purposes permitted in the Bylaws.

6. ***Effective Date and Term.*** This Agreement becomes effective on the date signed by the Member and will continue until the earlier of:

(a) The Corporation's operations are terminated by action of the Franchisor or the Corporation is dissolved without being reinstated within 2 years; or

(b) Until the Member ceases to be a member in good standing either because the Member is no longer a franchisee of the Franchisor or the Member has been expelled. If the Member ceases to be a FIREHOUSE SUBS® franchisee, the Member's voting and other membership rights in the Corporation automatically terminate on the day that the Member's franchise agreements terminates or expires. However, if the Member owes Special Co-Op Contributions at the time of such termination or expiration, then the Member will still be obligated and responsible for all Special Co-Op Contributions that accrued prior to the date of such termination or expiration.

7. ***Franchise Transfers.*** The parties recognize that the timing of payment of Special Co-Op Contributions may not always coincide with the closing of the transfers of FIREHOUSE SUBS® Restaurants. Accordingly, the parties agree as follows:

(a) **Timing:** The Member will remain responsible to the Corporation for all Special Co-Op Contributions due through the date of the closing of any transfer of the Member Restaurant to anyone else. Such transfer will be deemed to occur if it constitutes a transfer or assignment under the applicable franchise agreement.

(b) **Credit Balances:** If the Member sells or closes the Member Restaurant at a time when the Member has a credit balance with the Corporation relating to the Member Restaurant, the credit balance will not be refunded but will be either: (i) retained for the benefit of other members of the Corporation if the transaction involves a closing of the Member Restaurant or the termination or expiration of the franchise agreement for the Member Restaurant; or (ii) credited to the FIREHOUSE SUBS® Restaurant's purchaser if a sale, transfer or assignment is involved; or (iii) credited to the Member's other FIREHOUSE SUBS® Restaurants (and memberships if the transaction involves the closing of the Member Restaurant but the Member owns multiple FIREHOUSE SUBS® Restaurants and remains a Member with respect to one or more other FIREHOUSE SUBS® Restaurants).

8. **Delinquencies.** The Member agrees that the Corporation will adopt rules and regulations regarding the treatment of delinquencies. The Member agrees to abide by them, including the payment of interest and late payment fees for delinquent Special Co-Op Contributions. The Member understands that Member may lose voting rights and other privileges as a result of being delinquent in making Special Co-Op Contributions and that Member's membership may be cancelled by the Corporation for failing to do so as set forth by the Franchisor.

9. **Entity Participation.** If the Member is a corporation, partnership or other business organization, it will appoint one person to represent its interest at Corporation meetings in whatever capacity it participates. However, such representatives must either be a: (i) shareholder, partner, director or officer of the business organization that is the Member; or (ii) an employee of the Member who has a rank and position no less than Restaurant Manager. The Corporation will be entitled to rely on such representative's decisions, votes and consents at any such meeting without further inquiry. One representative can represent multiple members and multiple FIREHOUSE SUBS® Restaurants.

10. **Varying Participation.** The Special Co-Op Contribution shall always be a percentage of Gross Sales. Gross Sales will have the meaning stated in the franchise agreements. Nevertheless, the Board of Directors may recommend to the Franchisor to temporarily waive the obligation of any Member to make Special Co-Op Contributions to the Corporation to the extent and upon the conditions it adopts from time to time as long as those conditions are generally available to all Members and will not discriminate in favor of or against any Member or group of Members; the Franchisor may act on this recommendation at its sole discretion. However, notwithstanding the foregoing, the Board of Directors may recommend to the Franchisor to establish a separate Special Co-Op Contribution rate or level for Members whose FIREHOUSE SUBS® Restaurants are located in a remote area if, in their business judgment, such FIREHOUSE SUBS® Restaurants would not receive the same amount of benefit from the promotional, advertising or marketing activities funded by the Special Co-Op Contributions and approved by the Franchisor. Such variations may be on a case-by-case basis or annually, and only if the Franchisor has approved them. In addition, the Franchisor may, in its sole discretion, reduce the amount of the Special Co-Op Contribution due to the Corporation from any Member.

11. **Program Participation.** The Member will not be required, as a condition of membership in the Corporation, or otherwise, to participate in any advertising, promotional or marketing activity specified by the Corporation which would require the Member to advertise or to charge a specified retail price, or a minimum retail price for any product or service furnished by FIREHOUSE SUBS® Restaurants. However, if the Member does not participate in such activities, the Member's obligation to pay Special Co-Op Contributions pursuant to this Agreement will not be affected in any way. The Member also agrees that if the Member's voting rights are suspended because the Member is delinquent in paying Special Co-Op Contributions, the Member is not excused from being obligated to pay any other Special Co-Op Contributions that become due and payable. Nothing herein however, diminishes the right of the Franchisor

to establish maximum retail prices or minimum retail prices for any product or services, to the extent permitted by applicable law.

12 **National Programs.** The Members and the Corporation agree and understand that they will participate from time to time in advertising, promotional and marketing activities and spend the Special Co-Op Contributions collected from Members as directed by the Franchisor.

13. **Miscellaneous.**

(a) **Severability:** If any of the provisions of this Agreement are held invalid for any reason, the remainder will not be affected and will remain in full force and effect in accordance with its terms.

(b) **Litigation Expenses:** In any action or dispute, at law or in equity, that may arise under or otherwise relate to the terms of this Agreement, the prevailing party will be entitled to full reimbursement of its litigation expenses from the other party. Litigation expenses include attorneys' fees, defense costs, witness fees and other related expenses including paralegal fees, travel and lodging expenses and court costs. Reimbursement is due within 30 days of written notice after prevailing.

(c) **Waivers:** No waiver of any provision of this Agreement will be valid unless in writing and signed by the person against whom it is sought to be enforced. The failure by either party to insist upon strict performance of any provision will not be construed as a waiver or relinquishment of the right to insist upon strict performance of the same provision at any other time, or any other provision of this Agreement.

(d) **Governing Law/Jurisdiction:** This Agreement is governed by Florida law. The courts of Duval County, Florida have exclusive jurisdiction in any controversy relating to or arising out of this Agreement. All parties waive any objections to venue in Duval County, Florida.

(e) **Liabilities and Beneficiaries:** Neither party will be liable to any other person who is not a party to this Agreement by virtue of their relationship to each other. No other person has any rights because of this Agreement, except for the parties. However, notwithstanding the foregoing, although the Franchisor is not a party to this Agreement, and is not bound by it, Franchisor is a third-party beneficiary and has the right to enforce this Agreement. This Agreement replaces and supersedes any prior membership agreement that Member had with the Corporation and/or any other FIREHOUSE SUBS® cooperative.

ADDENDA AND AMENDMENTS

REQUIRED BY CERTAIN STATES

**ADDITIONAL DISCLOSURES REQUIRED BY
THE STATE OF CALIFORNIA**

CALIFORNIA DISCLOSURE

In recognition of the requirements of the California Franchise Investment Law, Cal. Corporations Code Sections 31000 *et seq.*, the Franchise Disclosure Document for Firehouse of America, LLC for use in the State of California shall be amended as follows:

1. THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE FRANCHISE DISCLOSURE DOCUMENT.

2. See the cover page of the Franchise Disclosure Document for our website address. OUR WEBSITE HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENTS OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION AT WWW.DFPI.CA.GOV.

3. **Item 3, Additional Disclosure.** The following statement is added to Item 3:

Neither Franchisor nor any person identified in Item 2 of the Franchise Disclosure Document is currently subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a *et seq.*, suspending or expelling such persons from membership in such association or exchange.

4. **Item 17, Additional Disclosures.** The following statements are added to Item 17:

California Business and Professions Code Sections 20000 through 20043 provide rights to you concerning termination, transfer and non-renewal of the franchise agreements. If the franchise agreements contain a provision that is inconsistent with the law, the law will control.

The franchise agreement provides for termination upon bankruptcy. These provisions may not be enforceable under federal bankruptcy law (11 U.S.C.A. § 101 *et seq.*).

The franchise agreement contains a covenant not to compete which extends beyond the termination of the franchise. These provisions may not be enforceable under California law.

The franchise agreement requires application of the laws of the State of Florida. These provisions may not be enforceable under California law.

You must sign a general release if you transfer or renew your franchise. These provisions may not be enforceable under California law. California Corporations Code Section 31512 voids a waiver of your rights under the California Franchise

Investment Law (California Corporations Code Sections 31000 through 31516). Business and Professional Code Section 21000 voids a waiver of your rights under the California Franchise Relations Act (Business and Professions Code Sections 20000 through 20043).

The franchise agreement requires that any action be commenced in a court in the judicial district in which Franchisor has its principal place of business and that you must irrevocably submit to the jurisdiction of such courts. This provision may not be enforceable under California law.

5. You are required to sign a personal guaranty, making you individually liable for financial obligations under both the Franchise Agreement and the Development Agreement. In the state of California, the guaranty will place your spouse's marital and personal assets at risk if your franchise fails.

6. Section 31125 of the California Corporation Code requires Franchisor to give you a disclosure document, in a form and containing such information as the Commissioner may by rule or order require, prior to a solicitation of a proposed material modification of an existing franchise.

7. **Item 21, Additional Disclosure.** Item 21 of the Franchise Disclosure Document is amended by the addition of the following language:

Also attached at Exhibit A is the unaudited consolidated balance sheet of Franchisor, and its subsidiaries, as of December 31, 2024. THE UNAUDITED BALANCE SHEET IS PREPARED WITHOUT AN AUDIT. PROSPECTIVE FRANCHISEES SHOULD BE ADVISED THAT NO CERTIFIED PUBLIC ACCOUNTANT HAS AUDITED THESE FIGURES OR EXPRESSED HIS/HER OPINION WITH REGARD TO THE CONTENTS AND FORM.

REQUIRED BY THE STATE OF WASHINGTON~~

~~Notwithstanding anything to the contrary set forth in the Development Agreement, the following provisions shall supersede and apply to all FIREHOUSE SUBS® franchises offered and sold in the State of Washington:~~

~~This Amendment is only applicable if Developer is a resident of Washington or if the Restaurant will be located in Washington.~~

~~1. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.~~

~~2. RCW 19.100.180 may supersede the Development Agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the Development Agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.~~

~~3. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the Development Agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.~~

~~4. A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel.
