

## Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement require you to resolve disputes with the franchisor by mediation, arbitration, and/or litigation only in Nevada. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Nevada than in your own state.
2. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all your financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both you and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.
3. **Financial Condition.** The franchisor's financial condition as reflected in its financial statements (see Item 21) calls into question the franchisor's financial ability to provide services and support to you.
4. **Unopened Franchises.** The franchisor has signed a significant number of franchise agreements with franchisees who have not yet opened their outlets. If other franchisees are experiencing delays in opening their outlets, you may also experience delays in opening your own outlet.
- 4.5. **Mandatory Minimum Payments.** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

F. No statement, questionnaire or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of: (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

G. The Minnesota Department of Commerce requires that the franchisor defer the collection of all initial fees from Minnesota franchisees until the franchisor has completed all its pre-opening obligations and franchisee is open for business.
