## What You Need To Know About Franchising Generally

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

**Business model can change**. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

**Supplier restrictions**. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

**Operating restrictions**. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location your access to customers, what you sell, how you market and your hours of operation.

**Competition from franchisor**. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

**Renewal**. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

## **Some States Require Registration**

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit B.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

## Special Risk(s) to Consider About *This* Franchise

## Certain states require that the following risk(s) be highlighted:

1. <u>Out-of-State Dispute Resolution</u>. The Franchise Agreement requires you to resolve disputes with the franchisor by mediation, arbitration, and/or litigation only in Maryland. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Maryland than in your own state.

Certain states may require other risks to be highlighted. Check the "State-Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

## NOTICE REQUIRED BY STATE OF MICHIGAN

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- a) A prohibition of the right of a franchisee to join an association of franchisees.
- b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provisions of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market values at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct

arbitration at a location outside this state.

- g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of refusal to purchase the franchise. Good cause shall include, but is not limited to:
  - (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
  - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
  - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
  - (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.
- h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).
- i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

#### The Franchisor and Our Business.

We are a Delaware corporation formed on January 8, 1963, under the name Quality Courts Motels, Inc. We changed our corporate name to Choice Hotels International, Inc. on July 25, 1990. From November 1, 1996 to October 15, 1997, our corporate name was Choice Hotels Franchising, Inc. Our corporate name has been Choice Hotels International, Inc. since October 15, 1997. Our principal business address (as well as the principal place of business of the Radisson companies listed in this Item 1) is 915 Meeting Street, Suite 600, North Bethesda, Maryland 20852. Our agents for service of process are disclosed in Exhibit B of this Disclosure Document.

Our business began in 1939 when seven independent motel owners in Florida met to discuss how they could better satisfy the needs of their customers. Over the next few years, the group continued to meet and share best practices. In 1941, the group formalized its relationship by creating a membership association called Quality Courts United, thereby creating the nation's first hotel chain. The vision of the members of Quality Courts United was to develop quality and other standards for their customers, as well as to refer guests to each other's motels.

In January 1963, the organization officially became a for-profit corporation operating under the name Quality Courts Motels, Inc. Shortly thereafter, a training school, a central reservations system and hotel directory were added to the organization. Since that time, the company has changed its name to Choice Hotels International, Inc. and has expanded and further developed the Choice franchise system of hotels through the development of additional hotel brands and expansion into new markets.

Our indirect subsidiaries have conducted international franchise operations through a

combination of direct franchising and master franchising or master development relationships since approximately 1958. More currently, Our indirect subsidiary, Choice Hotels Licensing B.V. ("Choice BV"), a private limited liability company formed in the Netherlands on June 8, 2000, has been a franchisor or a master franchisor of our various Choice hotel brands internationally. Since July 2024, we have been the franchisor of our brands in the Caribbean and Latin America region. Our international operations are primarily conducted in the following countries and territories, as organized by region: (1) Asia-Pacific - Australia, China, India, Japan, and New Zealand, and these have been mainly our ASCEND HOTEL COLLECTION, CLARION, COMFORT, ECONO LODGE, and QUALITY INN brands; (2) Europe & Middle East. - Austria, Czech Republic, Denmark, Faroe Islands, Finland, France, Germany, Ireland, Italy, Kingdom of Saudi Arabia, Lithuania, Norway, Portugal, Slovakia, Spain, Sweden, Turkey, and the United Kingdom, and these have been mainly our ASCEND HOTEL COLLECTION, CLARION, COMFORT, ECONO LODGE, and QUALITY, and CLARION brands; and (3) Latin America & Canada - Aruba, Bahamas, Barbados, Belize, Bolivia, Brazil, Canada, Chile, Colombia, Costa Rica, Dominica, Dominican Republic, Ecuador, El Salvador, Grenada, Guatemala, Honduras, Mexico, Panama, Peru, Puerto Rico, Sint Maarten, Trinidad and Tobago, and Uruguay, and these have been our ASCEND HOTEL COLLECTION, CLARION, COMFORT, COUNTRY INN & SUITES BY RADISSON, ECONO LODGE, MAINSTAY SUITES, PARK INN, RADISSON, RADISSON BLU, RADISSON INDIVIDUALS, RADISSON RED, RODEWAY, QUALITY INN, and SLEEP INN brands. Choice BV's wholly owned subsidiary, Choice Hotels France, S.A.S. (a French company incorporated in France on November 23, 2006), conducts franchise operations in France. Choice BV's wholly owned subsidiary, Choice Hotels Asia-Pac Pty. Ltd. (an Australia company incorporated on March 30, 1998), conducts franchise operations in Australia and New Zealand. In Canada, since June 2023, Radisson Hotels Canada, Inc., which is a British Columbia corporation incorporated on May 9, 2011 ("Radisson Canada") and which Choice acquired as a part of the Radisson purchase (as further described below), has conducted franchise operations for our CAMBRIA, EVERHOME, MAINSTAY, SUBURBAN STUDIOS and WOODSPRING brands. Previously, Choice BV conducted franchise operations in Canada for these brands. We have a master franchise agreement with Choice Hotels Canada, Inc. ("CHC"), a corporation incorporated on May 21, 2008 under the laws of the Province of Ontario. CHC has the exclusive right to franchise hotels in Canada under the ASCEND HOTEL COLLECTION, COMFORT, CLARION, ECONO LODGE, QUALITY, RODEWAY INN, and SLEEP INN brands. CHC is equally owned by Choice Hotels International Licensing ULC, a company formed in May 2008 under the laws of the Province of Alberta, Canada, and a wholly owned subsidiary of Choice BV, and by InnVest Management Holdings Limited. Further, Radisson Canada currently offers franchises in Canada for hotels under the RADISSON BLU, RADISSON®, RADISSON INDIVIDUALS, COUNTRY INN & SUITES® BY RADISSON, and PARK INN BY RADISSON brands, and previously offered franchises under the RADISSON RED, RADISSON INDIVIDUALS and RADISSON INN & SUITES brands. Radisson Canada began offering franchises in Canada in 2011. Its principal business address is 2711 Centerville Road, Suite 400, Wilmington, Delaware 19808 We assumed the ownership and operation rights of the program on December 31, 2024.

On August 11, 2022, Choice completed its purchase of Radisson Hospitality, LLC pursuant to a Share Sale and Purchase Agreement dated June 12, 2022 ("Purchase Agreement"). Under the Purchase Agreement, Choice purchased 100% of Radisson Holdings, Inc.'s equity interest in Radisson Hospitality, LLC (a Minnesota limited liability company originally incorporated as Radisson Hospitality, Inc. on March 3, 1998, and converted to a limited liability company on December 26, 2023) and its subsidiaries (collectively, "Radisson"). Radisson owned the rights to these brands in the United States, Canada, Latin America, and the Caribbean (the "Americas"). Pursuant to the Purchase Agreement, Choice did not purchase any interest in Radisson Hotel Group, which owns the rights to Radisson Hotels in Europe, the Middle East, Africa, and Asia Pacific. As a part of the purchase, we also acquired Radisson Hotels Management Company, LLC (originally incorporated as Radisson Hotels Management Corporation in 1979 under the laws of New Jersey), which manages several Radisson Brand hotels owned by us or other unrelated parties. (See Item 1 below.)

From 1983 to 2023, Radisson Hotels International, Inc. ## **ASCEND HOTEL COLLECTION Hotels.**

We have franchised full-service, upscale hotels under the trademark ASCEND HOTEL COLLECTION") since 2008, and under the trademark ASCEND RESORT COLLECTION since 2013 ("ASCEND hotels"). From April 1, 2005 through April 30, 2008, we offered memberships for a similar concept under the CLARION COLLECTION trademark. As of December 31, 2023 2024, there were three CLARION COLLECTION members.

ASCEND® member hotels are a special group of boutique, unique or resort, historic, and boutique hotels that have a strong local identity and share a common commitment to outstanding guest service. Every ASCEND hotel is an experience unto itself, satisfying travelers' growing desire for variety and creativity in the hotel sector. ASCEND member hotels range from historic to themed to contemporary and offer amenities, including the on-site operation of an upscale dining restaurant or are located within one city block of an upscale dining restaurant. ASCEND member hotels typically will be conversions of existing hotels; however, we will consider new construction if the proposed exterior and interior design meet the standards for an ASCEND member hotel. ASCEND member hotels retain their existing name followed by the words, "an ASCEND hotel" for local marketing and signage purposes. Neither we, nor any current affiliate or predecessor, has owned or operated an ASCEND hotel.

The information in this Disclosure Document applies to both new construction and conversion of existing hotels, except where otherwise disclosed in this Disclosure Document. The Franchise Agreement authorizes you to use the ASCEND trade name and service marks to operate and to identify the class of hotel facility, and permits you to use the distinctive identity, trade dress, methods and system for

conducting the hotel business at the franchised hotel.

Your receipt of this Disclosure Document does not mean that you will be approved as a member or that you may develop or open any of our member hotels. Before you may develop and open any of our franchised or membership hotels, we must approve you as a member; we must approve the location of your proposed hotel; you must attend and successfully complete our training programs; we and you must sign the Membership Agreement (Exhibit D); and you must pay the affiliation fee. You should not acquire any interest in a site for a hotel franchise until, at the earliest, you are approved by us as a member.

## **General Market and Competition.**

The market for hotel services is generally well developed but will largely depend on your hotel's location, size and type of operation (for example, resort location, hotel for frequent business travelers, etc.). Members typically seek customers and business referrals from the local community and solicit business from tour and travel groups on a regional and national level. Depending on the location of the hotel, sales may increase or decrease significantly on a seasonal basis.

Your competitors will include other chain-affiliated hotels (including our hotel brands and memberships) and independent hotels and motels in the area where your hotel is located. You may also face competition from vacation rental properties, such as VRBO and Airbnb.

## ITEM 3

## **LITIGATION**

## I. PENDING LITIGATION AND ARBITRATION DEMANDS

(1) Norma Knuth v. Radisson Hotels International, Inc., et al.
Court of Queen's Bench for Saskatchewan, Court File No. QBG No. 2560 of 2014

On December 5, 2014, Norma Knuth filed a complaint under the Class Actions Act against over 25 named defendants, including Country, alleging that the defendants wrongfully collected undisclosed destination marketing fees ("DMF") charged to the plaintiff and other class members by hotels located in Canada that were owned, operated or managed by the defendants. On December 29, 2015, the plaintiff amended and expanded its complaint alleging, among other things, that the class included those who paid the fee to a hotel in Canada branded by one of the defendants and that the defendants that did not directly charge or collect the fee approved of it and encouraged the imposition of the DMF. The plaintiff has alleged that the collection of the DMF violated The Consumer Protection Act, was negligent, unjustly enriched the defendants and constituted a Waiver of Tort. The plaintiff has demanded, on behalf of the class, disgorgement of any fees and revenue received by the defendants generated by imposition of the fee, and an order that the defendants are jointly and severally liable for restitution of \$403,000,000, general and punitive damages, costs of notice, interest and any other relief the court deems appropriate. The class has yet to be certified. We filed a motion for summary judgment on October 3, 2016. On June 2, 2017, Radisson and Country filed a Statement of Claim against 2 current and 3 former franchisees/licensees, that had not entered into tolling agreements, seeking contribution and indemnification. On August 29, 2019, the court denied Radisson's motion for summary judgment, holding that it was premature. Radisson intends to reassert its summary judgment motion arguments at the appropriate time.

(2) <u>Jai Sai Baba, LLC, et al. v. Choice Hotels International, Inc., et al.</u>
United States District Court for the Eastern District of Pennsylvania, Case No. 2:20-cv-

On June 12, 2020 (amended on July 15, 2020), approximately ninety current and former franchise owners that own and operate one or more Choice branded hotels ("Plaintiffs") filed suit against Choice and Choice Hotels Owner Council ("CHOC") (Choice and CHOC collectively referred to as "Defendants"). In the complaint, the Plaintiffs allege that the Defendants engaged in discriminatory and anti-competitive practices and violated the Racketeer Influenced and Corrupt Organizations Act, the Sherman Act, the Civil Rights Act, and various state franchise laws. Additionally, the Defendants have claimed that Choice is in breach of contract, has breached the implied duty of good faith and fair dealing and committed common law fraud. The Plaintiffs are seeking unspecified actual damages, punitive damages, consequential and/or compensatory damages, attorneys' fees, costs and interest, a declaratory judgment that certain allegedly unconscionable provisions are unenforceable, an accounting of all fees paid by Plaintiffs, an order for restitution and the rescission of Maryland franchise agreements, a declaratory judgment that some or all franchise agreements are terminated, and certain permanent injunctive relief. On July 29, 2020, Choice filed a motion to stay the litigation and compel individual arbitration proceedings. On March 19, 2021, the Court granted motion. This case remains stayed, and the parties provide the Court with monthly status updates.

The following arbitration is currently pending in conjunction with this case:

On April 9, 2021, Choice initiated this arbitration to pursue contractually due franchise fees, a promissory note balance, and lost profit damages from the franchisees in the amount of \$498,495.93. On May 19, 2021, Franchisees filed a counterclaim against Choice in the amount of \$3,000,000. The arbitration hearing concluded in 2023, and the parties are waiting for an arbitration award to be issued in the matter.

United States District Court for the Middle District of Florida, Case No. 6:23-cv-01187

On June 26, 2023, Plaintiff T&T Management, Inc. ("Licensee") commenced a federal district court action in Florida against, among others, Radisson Hotels International, Inc. ("RHI") and Choice alleging that RHI and Choice (1) breached the applicable License Agreement and the implied covenant of good faith and fair dealing by (a) permitting another Choice branded hotel to be constructed near Licensee's Country Inn & Suites® hotel and (b) disclosing or using guest data associated with Licensee's hotel; and (2) misappropriated the guest data associated with Licensee's hotel in violation of the Defend Trade Secrets Act of 2016. The complaint was subsequently amended to remove RHI and add Country Inn & Suites by Radisson, Inc. ("Country") as a defendant. In response to the amended complaint, on November 6, 2023, Country and Choice filed a Motion to Dismiss the Licensee's claims and, alternatively, a Motion to Transfer Venue of the case to the United States District Court for the District of Minnesota in accordance with the License Agreement's forum selection clause. The Court has not yet ruled on the Florida Court granted the Motion to Transfer and subsequently transferred the case to the Federal Court in Minnesota in April 2024. After Plaintiff amended its complaint, Country and Choice filed another Motion to Dismiss the Licensee's claims. The Minnesota Court heard the Motion on November 1, 2024, and the parties are waiting for the Court's decision.

(4) <u>CS Anaheim Hotel Investments, LLC v. Choice Hotels International, Inc.</u>

On October 1, 2024, Plaintiff CS Anaheim Hotel Investments, LLC filed a complaint against Choice alleging a fraudulent rebate scheme with vendors, misuse of system fees, misrepresentation of our system (inadequate for a resort), unenforceable arbitration clause, breach of contract and implied covenant of good faith and fair dealing, violations of the California franchise investment law (CFIL) and California's unfair competition law and a declaratory judgment that Choice is in default of the franchise agreement therefore not entitled to liquidated damages. ### **ITEM 4 BANKRUPTCY**

No bankruptcy information is required to be disclosed in this Item.

**ITEM 5 INITIAL FEES** 

### APPLICATION AND AFFILIATION FEE

You must pay us, for the rights granted to you in the ASCEND hotel membership agreement, an affiliation fee of \$525 per room, with a \$45,000 minimum. The entire affiliation fee is due no later than the time you sign the membership agreement and is non-refundable following our signing of the membership agreement. The affiliation fee helps to cover the many costs of maintaining and developing the ASCEND brand, which includes general brand support. If for any reason we do not grant you a membership or a membership agreement is not countersigned by us, the affiliation fee will be refunded to you. Financing information is in Item 10. In the past, we have agreed to reduce the affiliation fee in certain circumstances for multiple unit franchisees or members, members with larger properties, members with whom we have previously dealt, members that are departing other hotel chains or franchised systems and joining our system, and members in other special circumstances. However, we do not always negotiate the affiliation fee even for members possessing these characteristics, and we may freely choose not to negotiate with you, even if you possess some or all of these characteristics. During the 12 months ending December 31, 20232024, the affiliation fees ranged from \$15,00010,000 to \$45,00060,000 for new ASCEND membership agreements.

## **EXTENSION FEE**

If you do not begin construction within 12 months after both you and we sign the membership agreement or if you do not complete a conversion within the time required under your membership agreement, you may apply for an additional 3 months in which to begin construction or complete a conversion. If we agree to grant an extension, you must pay us an additional \$5,000 per extension. In special circumstances we may waive the extension fee, but we are not obligated to, and any decision to waive an extension fee will be determined solely by us.

If you request a waiver from using any pre-approved interior design schemes, then you must pay us our Interior Design Waiver Fee, which is \$20,000. If you request a waiver from using a non-prototypical building design, then you must pay us our Architectural Design Review & Construction Services Fee, which is \$20,000. The Architectural Design Review & Construction Services Fee includes an architectural design review fee and construction inspection fee incurred by us in reviewing your request. The Interior Design Waiver Fee and Architectural Design Review & Construction Service Fee are payable at the time of the request. These fees must be paid regardless of whether the waiver is granted.

## CENTRAL RESERVATION SYSTEM AND PROPERTY MANAGEMENT SYSTEM

You are required to use our central reservation system ("CRS"). Our CRS consists of our toll-free telephone reservation system, our proprietary internet sites, mobile phone and tablet reservation applications, interfaces with global distribution systems, and other internet reservations sites (such as online travel agencies). Our CRS provides a data link to our franchised properties as well as to travel reservation systems such as Amadeus, Galileo, SABRE and Worldspan that facilitate the reservation process for travel agents and corporate travelers. We also offer rooms for rent on our website (http://www.choicehotels.com) and mobile applications as well as those of online travel agents (OTAs) and other third-party internet referral or booking services. Our toll-free telephone reservation system primarily utilizes third-party call center service providers. Reservation agents trained on the reservation system have the goal of matching each caller with a Choice-branded hotel meeting the caller's needs. We

also operate a call forwarding program through which our franchisees can leverage our CRS capabilities by forwarding reservation calls received directly by the property to one of our reservation centers. Some components of the CRS have separate fees, as further described in Item 6 below. We also continue to upgrade our technology to ensure that our CRS can effectively handle the current and future volume on digital channels and support the industry's shift toward accelerated digital communications and guest experience personalization. In support of these initiatives, we developed choiceEDGE, which is a cloud-based software to manage all distribution for the company by optimizing rate, inventory, availability, shopping, booking, and reservations for its website, mobile apps, and third-party distribution partners.

As a part of the CRS, you are required to install, maintain, and use full functionality of the choiceADVANTAGE® property management and reservation system as specified by us. choiceADVANTAGE® synchronizes each hotel's inventory with our CRS, which gives our reservation sales agents and other proprietary channels the last room sell capabilities at every hotel. You must purchase from us, an initial software license to use choiceADVANTAGE®. The software license includes up to three basic interfaces connected to choiceADVANTAGE®. Optional interfaces are available for an additional fee. You will receive dedicated support during your onboarding of choiceADVANTAGE®. The fees for the software license, the choiceADVANTAGE® systems onboarding, project management, and credit card interface are between \$8,750 and \$10,750 depending on the number of hotel rooms. The price is subject to increase depending on the number of additional interfaces you select. The initial software license and onboarding fees do not include the monthly choiceADVANTAGE® support fee to cover ongoing remote software support (see Item 6). If you need to reschedule onboarding or if onboarding is not completed due to circumstances that are within your control, there will be a rescheduling fee between \$500 and \$2,100. If you are required to use choiceADVANTAGE®, you may propose an alternative property management solution for our prior approval. However, such other solution may have higher costs.

## PRE-OPENING - BRAND IN A BOX

Through our Brand in the Box program, we will assist you with the upfront costs of opening your hotel. Your participation in this program is mandatory. In exchange, you will reimburse us by paying us in one lump sum or these costs will be billed to you on the monthly franchisee invoice over 12 months with no interest included.

For all reservations originating in a foreign country in which there is a Choice approved General Sales Agent or which is serviced by a Choice sales team, a hotel will be required to pay a 5% commission in addition to the standard Travel Agent Commission. The additional commission will apply to reservations via travel agents, GDS, and Choice's CRS, but will not apply to reservations through online travel agents (for example, Expedia) that are designated by an International Air Transport Association number.

Note 5: Choice has secured preferred status with leading "mega" travel agencies (for example, multi-national travel management companies) and consortia of travel agencies so that our franchisees receive a high level of exposure within the Global Distribution System, corporate online booking tools, and preferencing through the various booking channels. For consumed reservations booked through a "mega" travel agency that are commissionable, the Travel Agent and Other Reservation Based Commissions Fee and Travel Agent Centralized Commission Processing Fee will apply. These payments are made through ONYX. Hotels that are not current with their travel agent fees risk suspension from the agencies booking tool.

Note 6: ChoiceMAX is a revenue management technology solution that provides forecasting and pricing recommendations, and includes: a Revenue Management Technology Solution; reporting and analytical tools; and revenue management support. ChoiceROCS will provide these elements as a package or individually to supplement franchisees' revenue management program. ChoiceROCS includes a Revenue Management Consultation and works in tandem with ChoiceMAX (or similar program). The cost of both programs is determined by the number of rooms in the hotel and offering/service tier. See the ChoiceMAX and ChoiceROCS fees described in this Item 6. Monthly fees for ChoiceMAX will be billed separately from the ChoiceROCS monthly fee.

Note 7: Choice has secured preferred status with leading "mega" travel agencies (for example, multi-national travel management companies) and consortia of travel agencies so that our franchisees receive a high level of exposure within the Global Distribution System, corporate online booking tools, and preferencing through the various booking channels. For consumed reservations booked through a "mega" travel agency that are commissionable, the Travel Agent and Other Reservation Based Commissions Fee and Travel Agent Centralized Commission Processing Fee will apply. These payments are made through ONYX. Hotels that are not current with their travel agent fees risk suspension from the agencies booking tool-

Note 8Note 6: This fee is payable only if you fail to cause Construction Start to occur or you do not complete any renovations which are required to be completed prior to the opening of the hotel in the Choice franchise system within the deadlines specified in your membership agreement. This fee is payable only if the membership agreement is terminated due to your breach. This fee does not apply where state law prohibits it.

- Note 1: This table is an estimate of the initial investment required to convert an existing hotel and the estimate provided is based on our experience and our brand standards. Estimates are based on a 78-guestroom hotel. The cost of renovating or constructing each hotel has the potential to vary greatly and will depend on factors unique to your situation and your hotel. Unusually high locally imposed development fees as well as the condition of an existing hotel's upgrades necessary to meet our standards might impact initial expenses. The table does not include the cost of purchasing or leasing real estate, which cannot be estimated with any certainty due to variables such as location, acreage, terms and whether leased or purchased.
- Note 2: Costs paid to Choice are not refundable, unless otherwise stated. Whether any costs paid to third parties are refundable will vary based on the particular third party and on where your hotel is located.
- Note 3: The full affiliation fee is due no later than the time you sign the membership agreement and is non-refundable following our signing of the membership agreement.
- Note 4: Renovation costs vary considerably and the estimate provided is based on a typical property improvement plan provided by us that the hotel must complete to upgrade to our standards. The costs provided includes an estimate for furniture, fixtures, and equipment ("FF&E") that must be refurbished, replaced, or removed; however costs do not include deferred maintenance items including but not limited to parking lot, HVAC, exterior, etc. and required labor cost for improvement. Upon application, we will provide you a customized property improvement plan unique to your hotel. Your costs to upgrade the hotel to our standards may depend on local contractor and material costs in your area as well as the condition of your hotel at the time you apply for a franchise and may fall outside the estimated range provided.
- Note 5: These policies cover construction, General Liability, Cyber Liability, and Workers Compensation, including Statutory Workers Compensation and Employers Liability insurance, and must provide minimum limits per location of coverage as stated in the membership agreement.
- Note 6: choiceADVANTAGE software license and systems training costs include the costs of the initial software license, systems training and project management and the credit card interface. Your costs may fall on the higher end of this range if you choose to purchase software interface licenses or where the hotel was a previously Choice branded hotel and you pay to have the information in choiceADVANTAGE renewed or expunged. The fees do not include the monthly choiceADVANTAGE support fee to cover ongoing remote software support.
- Note 7: Professional Design Services includes costs that are paid to your architect, engineer, and other related professionals for the development of your Hotel, which must follow the

prototype architectural drawings and specifications supplied by us. You must submit all drawings and specifications to us, and we must approve of these drawings prior to your submission to local jurisdictions. You must commission an architect and engineer directly and make payments directly to them.

<u>Note 8</u>: Opening inventory of supplies includes linen, paper supplies and housekeeping supplies that meet our system requirements.

Note 89: Orientation Immersion, Sales, and Leadership training includes the cost to attend the Upscale Onboarding Immersion training, Hospitality Leadership HOST Certification, and a Director of Sales Training. Our Upscale Onboarding Immersion training fee will not exceed \$2,250 is \$2,450 per attendee and covers 3 days of onboard training at our headquarters in North Bethesda, Maryland. Our Upscale Hospitality Leadership HOST Certification Program fee is offered at \$1,395 per attendee and is a self-paced virtual program. Our Pre- Opening Training Certification fee is \$8,500 and covers 4 days of training at your hotel or at our headquarters in North Bethesda, Maryland. The costs do not include the cost of travel, lodging, or meals to attend the required training programs. Some or all of the training may not be required if you, your General Manager, or your Director of Sales have successfully completed the requisite training in the past 24 months for a new or existing hotel.

Note 910: Styling and accessorizing costs include the cost of decorative items and labor on site to install decorative items. These costs do not include consultant expenses, shipping, warehousing, or photo-styling activities.

Note 11: We estimate that you will need this amount in working capital before the Hotel opens. The actual amount of working capital you will need depends on a variety of factors, such as the number of paid employees you hire and their rate of pay, your own management and operational skills, economic conditions, and competition.

Note 1012: We based these estimates on our experience with hotel franchises and memberships, discussions with hotel businesspeople, and recent trends in pricing from other relevant companies.

Note 4413: The total investment above assumes the hotel is currently open and operating at the time you apply for a franchise and has real estate, furniture, fixtures, and equipment, hotel staff, a high speed internet access solution for in-room, in-lobby, public areas, and meeting rooms, current marketing and advertising programs, and other standards to operate a hotel. If the hotel does not have a solution for high speed internet access, the cost could be \$0-\$20,000 to convert an existing hotel to our brand standards, including wiring, routers, software, server, splitters, access points, gateway, etc. In addition, your total investment may be higher if you are required to participate in our Re-Licensing Systems Training. This program is not required for all owners. The Re-Licensing Systems Training fee is \$995 and is payable only when a member hotel has changed ownership and the new owner signs a membership agreement with us. The Re-Licensing Systems Training fee covers the cost of 2 days of remote training concerning our proprietary choiceADVANTAGE property management and reservation system.

- Note 1: This table is an estimate of the initial investment required to construct and open a new construction hotel and the estimate provided is based on our experience and our brand standards. Estimates are based on an 80-guestroom hotel. The cost of renovating or constructing each hotel has the potential to vary greatly and will depend on factors unique to your situation and your hotel. Unusually high locally imposed development fees might impact initial expenses. In addition, any new construction projects for an ASCEND hotel will be unique and tailored to the individual hotel, rather than developed according to a Choice specified prototype. The table does not include the cost of purchasing or leasing real estate, which cannot be estimated with any certainty due to variables such as location, acreage, terms and whether leased or purchased.
- Note 2: Costs paid to Choice are not refundable, unless otherwise stated. Whether any costs paid to third parties are refundable will vary based on the particular third party and on where your hotel is located.
- Note 3: The full affiliation fee is due at the time you sign the membership agreement and is non-refundable following our signing of the membership agreement. If for any reason we do not grant you a membership or a membership agreement is not countersigned by us, the affiliation fee, less a \$2,500 application fee, will be refunded.
- Note 4: YouProfessional Design Services includes costs that paid to your architect, engineer, and other related professionals for the development of your Hotel, which must submitfollow the prototype architectural plans to an architect approved by us. These plans must be site adapted for a specific site and structural, mechanical, electrical and plumbing drawings must be addeddrawings and specifications supplied by us. You must submit all drawings and specifications to us, and we must approve of these drawings prior to your submission to local jurisdictions. You must commission an architect and engineer directly and make payments directly to your architect them.
- Note 5: The cost of construction may vary substantially from location to location. The type of construction used, site conditions, cost of materials, labor costs, local code requirements, competitive conditions, and other factors will affect the cost. This estimate does not include site work, project management fees, general contractor profits, or other "soft" costs, which may vary substantially. The estimate also does not include the cost of permits and licenses. Because of the wide variation in cost based on location and other factors, we do not represent that your initial investment will be as low as the low end of the range or that it will not be higher than the high end of the range.
- Note 6: These policies cover construction, General Liability, Cyber Liability, and Workers Compensation, including Statutory Workers Compensation and Employers Liability insurance, and must provide minimum limits per location of coverage as stated in the membership agreement.
  - Note 7: This amount does not include taxes, shipping, or installation costs.
- Note 8: choiceADVANTAGE® software license and onboarding fees include the costs of the initial software license, onboarding, eLearning modules, project management and the credit card interface. Your costs may fall on the higher end of this range depending on the number of rooms, additional interfaces and integrations you select. The fees do not include the monthly choiceADVANTAGE® support fee to cover ongoing remote software support.
- Note 9: Opening inventory of supplies includes linen, paper supplies and housekeeping supplies that meet our system requirements. It also includes supplies required to operate the hotel's kitchen, fitness room, guest laundry, hotel laundry, and phone system.

Note 10: Orientation Immersion, Sales, and Leadership training includes the cost to attend the Upscale Onboarding Immersion training, Hospitality Leadership HOST Certification, and a Director of Sales Training. Our Upscale Onboarding Immersion training fee will not exceed \$2,250 is \$2,450 per attendee and covers 3 days of onboard training at our headquarters in North Bethesda, Maryland. Our Upscale Hospitality Leadership HOST Certification Program fee is offered at \$1,395 per attendee and is a self-paced virtual program. Our Pre—Opening Training Certification fee is \$8,500 and covers 4 days of training at your hotel or at our headquarters in North Bethesda, Maryland. The costs do not include the cost of travel, lodging, or meals to attend the required training programs. Some or all of the training may not be required if you, your General Manager, or your Director of Sales have successfully completed the requisite training in the past 24 months for a new or existing hotel.

The estimate of \$10,000-\$20,000 is based on a wired solution for a hotel that is to be newly constructed for the hotel size indicated. This estimate includes wiring, routers, software, server, splitters, etc. A wireless solution could range from \$4,500-\$9,500 depending upon the number of access points, wiring to the access points, gateway, etc. You must also arrange and pay for the incoming broadband service, which is typically delivered by a commercial grade T-1 or Digital Subscriber Line ("DSL"). You may purchase this from any available broadband supplier; however, we reserve the right to require a single supplier as necessary to ensure that all hotels in the Choice franchise system meet required standards as well as to promote more efficient communications between Choice and your hotel. We currently estimate that the cost will range from \$1,800-\$12,800 per year. This estimate is based on the hotel size indicated and currently includes high speed internet access (delivered by a commercial grade T-1, DSL or a Fractional T-1) and 24/7 support provided by a third party with Tier I and Tier II levels. Your costs will vary depending upon bandwidth usage and your hotel's size and location. Although we currently permit you to purchase these services from any available source, in the future we may require you to use a designated source, as necessary to maintain overall brand standards. We currently require you to use a designated Qualified Vendor to provide your High- Speed Internet Access solution.

Note 12: Styling and accessorizing costs include the cost of decorative items and labor on site to install decorative items. These costs do not include consultant expenses, shipping, warehousing, or photo-styling activities.

Note 13: We estimate that you will need this amount in working capital before the Hotel opens. This includes salaries that you will need to pay to your General Manager, salespeople, and other essential personnel. The actual amount of working capital you will need depends on a variety of factors, such as the number of paid employees you hire and their rate of pay, your own management and operational skills, economic conditions, and competition. The estimate in the table does not include loan original points. The origination points you may be charged will depend on your specific lender and will vary by the loan type you select. Our experiences estimate that origination points have ranged between 1 and 2 percent of the amount borrowed. We also have not included real estate taxes, which will vary based on location and local real estate costs.

Note 1314: We based these estimates on our experience with hotel franchises and memberships, discussions with hotel businesspeople, and recent trends in pricing from other relevant companies.

Note 1415: This table does not include land costs or real estate taxes. In addition, your total investment may be higher if you are required to participate in our Re-Licensing Systems Training. This program is not required for all owners. The Re-Licensing Systems Training fee is \$995 and is payable only when a member hotel has changed ownership and the new owner signs a membership agreement with us. The Re-Licensing Systems Training fee covers the cost of 2 days of remote training concerning

our proprietary choiceADVANTAGE property management and reservation system.

## ITEM 8

#### RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must equip the hotel with furniture, fixtures and equipment, bath and bed linens, draperies, bed coverings, floor coverings, wall coverings, lighting, ice machines, telephone systems and other amenities that meet our minimum standards. We may modify our standards in writing as we determine appropriate from time to time and may add new specifications or member guidelines, in writing, including any manuals or policies regarding, among other things, our standards and requirements for construction, equipment, furnishings, supplies, maintenance and marketing that are applicable to ASCEND hotels ("Rules and Regulations").

Our Procurement Services Department maintains a list of "Qualified Vendors" of products and services for our franchisees. Certain Qualified Vendors are designated in the Rules and Regulations as exclusive suppliers an exclusive supplier or as an approved non-exclusive preferred vendor. Unless required by the Rules and Regulations, you do not have to purchase products that otherwise meet brand standards from Qualified Vendors. You do have to purchase certain Choice Mark-bearing items, such as signs, only from Qualified Vendors. You must also purchase computer hardware and other brand standard items per brand specifications through a Qualified Vendor. Neither Choice nor any persons affiliated with Choice are currently Qualified Vendors.

Vendors that are not on the Qualified Vendor list may apply to become "Qualified," and you may recommend new vendors to us. Among the criteria that we consider is the financial stability of the company, whether the product or service meets brand standards and if the product or service is of use to our franchisees. Our criteria are available to you for review upon your request. Where applicable, the vendor may be asked to submit product samples and specifications to us. We usually make our decision and notify the vendor within 90 days after all information and samples have been submitted, although a longer period may be required for products or services that, due to their cost or importance to the brand, may have significant financial impact on our franchisees. We may limit the number of Qualified Vendors for a variety of reasons, including: obtaining volume discounts; promoting consistent quality; and/or securing adequate supplies for a particular brand. We may revoke a vendor's "Qualified" status if the vendor no longer meets our criteria, if they breach their agreement with us or if the product or service offered is no longer competitive in price or quality, among other reasons.

None of our officers own a material interest in any privately-held suppliers, or a material interest in any publicly-held suppliers of our franchise system. From time to time, our officers may own non-material interests in publicly-held companies that are suppliers to our franchise system.

We receive certain commissions or rebates from Qualified Vendors that typically range from 1% to 2% (but may be up to 20%) of net sales volume to franchisees, as well as a flat fee that we typically receive annually from each Qualified Vendor. In exchange for these fees, we may provide each vendor with certain services, which may include one or more of the following: marketing services from our Procurement Managers and/or marketing personnel; space on our ChoiceBuys.com website; a booth at our annual convention; advertisements in our print and electronic publications (e.g., Marketplace and Single Vendor Emails); and sponsorship opportunities, among other benefits. We do not provide franchisees with any material benefits, such as opportunities to acquire additional franchises, based on their purchases of particular products or services from Qualified Vendors or use of particular Qualified Vendors.

You must display at your hotel entrance the number and type of identity signs required by the

Rules and Regulations. Such signs must display the approved brand name and logo of your hotel. Signs are available from manufacturers who must be approved by us and who must comply with brand specifications. Each sign manufacturer must meet certain business, financial and insurance requirements. We derive income from appointment fees, limited trademark licenses, drawing charges and commissions on signs sold that are purchased through signage Qualified Vendors. All highway billboards and printed advertising, among other electronic or printed media, must use the Choice Marks in accordance with our specifications.

You must display at your hotel an ASCEND plaque near the front entrance to the hotel. If the ASCEND plaque does not conform to the hotel's décor, we may approve a custom sign.

ASCEND members must also display ASCEND airline code (GDS code) on all promotional literature that is intended for use in the travel trade.

Except as described in this Item 8, ASCEND hotels are not currently required to use the ASCEND trademark. In the future, we may require you to clearly display the ASCEND trademark on all hotel-related brochures, letterheads, business cards, in-room stationery, promotional literature, advertising, press releases, websites and other significant promotional items that may be viewed by existing and potential clients.

As indicated in Item 6, you must participate in the Choice Gift Card Program by allowing guests the option of redeeming Choice Gift Cards at your hotel. You must also enter into an enrollment agreement with SVM, LP, the administrator of the program (see Exhibit G).

We also periodically negotiate preferred marketing agreements with corporations and other organizations for joint marketing efforts, which may result in commissionable stays at your hotel. If you make inventory available to these organizations, we may retain up to 50% of any commissions payable by you in consideration of our marketing services and program administration costs.

As described in Item 7, you must obtain and maintain insurance which will include, at a minimum, insurance policies of the kinds, and in the amounts, required by us (Membership Agreement Section 12). These written insurance policies include, at a minimum, the following coverage during construction or complete renovation of the hotel: commercial general liability insurance (including automobile liability, bodily injury and property damage) for all types of liabilities, together with the costs of defense and/or adjustments arising out of the operations to construct the hotel, providing limits of coverage of not less than \$1,000,000 per occurrence, and including coverage for contractual liability, explosion, collapse and underground property damage hazard liability, personal injury liability, products and completed operations liability, owner's and contractor's protective liability, and independent contractor's liability; all-risk builder's insurance to insure the hotel buildings under construction to 100% of their replacement cost value; and a workers' compensation policy as required by statute. During the operation of the hotel, required insurance policies include, at a minimum: all-risk physical damage coverage insuring the hotel and its contents for full replacement costs; commercial automobile (including hired and non-owned automobile) and commercial general liability insurance policies written on an occurrence form, which must include contractual, products and completed operations, independent contractors, personal injury, property damage, bodily injury and host liquor liability coverage, together with the costs and expenses of the defense and/or adjustment of injury or damage, providing limits of coverage, per location, of not less than \$5,000,000 (\$10,000,000 to \$15,000,000 if the hotel has 6 or more stories) per occurrence; cyber liability insurance coverage that provides minimum coverage of \$1,000,000 per location if the hotel has 6 or more stories) per occurrence; cyber liability insurance coverage that provides minimum coverage of \$1,000,000 per location; workers' compensation and employers' liability insurance with minimum employers liability limits of \$1,000,000 bodily injury by accident (each accident); \$1,000,000 bodily injury by disease (policy limit); and \$1,000,000 bodily injury

by disease (each employee), whether or not required by the state where the hotel is located; dram shop/liquor liability insurance with limits of not less than \$5,000,000 per occurrence if alcoholic beverages are sold at the hotel (whether or not you own the establishment that sells alcohol); pollution/environmental legal liability insurance \$500,000 per pollution incident/\$1,000,000 aggregate, covering bodily injury, property damage, cleanup costs and defense costs arising from, or associated with, a pollution condition at a covered location. There will be no exclusion for carbon monoxide, and affirmative coverage for Legionella and microbial matter/mold; employment practices liability insurance \$1,000,000 limit, including \$1,000,000 third party coverage; and business interruption insurance that provides coverage for a minimum of three months in the event the hotel is not operational.

You must also obtain and attach endorsements to your insurance policies adding us and our affiliates and subsidiaries, our and their respective officers, directors, agents, partners and employees, as additional insureds and provide waiver of subrogation on commercial automobile, commercial general, workers' compensation/employers' liability (if allowed), pollution liability, umbrella insurance policies and dram shop/liquor liability (if applicable), and adding us as co-defendant under the employment practices liability policies. If you fail to procure or maintain the minimum insurance described above (or as designated by us from time to time in the brand standards or Rules and Regulations), we may procure the insurance on your behalf and charge you the cost of the insurance and, at our option, a reasonable penalty. You will be required to reimburse us for the cost of such insurance and for any reasonable out-of-pocket costs that we incur should we elect to obtain the insurance on your behalf.

You must purchase from us a software license to onboard and use choiceADVANTAGE®. You also must purchase the mandatory hardware package we specify that meets or exceeds specifications needed to operate choiceADVANTAGE. You are required to use a designated Qualified Vendor to purchase and install a dedicated, wired, business grade High Speed Internet Access solution located at the front desk for access to choiceADVANTAGE (see Items 5, 7 & 11 for more details).

Unless mandated by the brand standards contained in the then-current version of the Rules and Regulations, you do not have to participate in any purchasing or distribution cooperative we maintain (Group Purchasing Organization). However, the Choice Partner Services Department attempts to negotiate price terms believed to beneficial from its Qualified Vendors for franchisees, and we may from time to time offer cooperative buying programs to provide additional savings. An average of \$500.00 per month in total applicable purchases is required. Properties that fail to meet the minimum purchasing requirements may be subject to a non-compliance fee. You will automatically become a member of a cooperative buying program at no additional cost to you. If you meet other eligibility requirements, you may receive a waiver from being a member of such program by completing and sending us the electronic waiver request form located within the FAQs on Choicebuys.com. Most product and services offerings are accessible via ChoiceBuys.com, a proprietary web-based electronic catalogue.

In the year ended December 31, 2023 2024, our total revenues were about \$1,311.8 million 1,584.8. Of this figure, revenues attributable to required purchases by franchisees of products and services were \$62.767.7 million, or about 4.784.27% of our total revenues in 2023 2024, which includes revenues from Qualified Vendors and excludes choice ADVANTAGE® installation and support fees.

We estimate the cost for items that must be purchased from Qualified Vendors or subject to our standards or specifications to be less than 10% of your initial investment in a conversion or new construction facility. Your annual expenditures on these items may range between 10-15% of your annual purchases.

## **ITEM 10 FINANCING**

## AFFILIATION FEE PROMISSORY NOTE

In our sole discretion and on approval of your credit, we may offer to finance the affiliation fee without interest. In that event, you must sign a promissory note (see Exhibit H). Note payment is due in one full lump sum generally within three months after the note is signed. The note may be accelerated upon default and provides for a waiver of presentment, demand for payment, notice of dishonor, protest, and includes a confession of judgment clause. If the principal amount of the note, or any portion of the amount, is not paid on or before the maturity date, the note will bear interest from the date on which the funds are due until paid at a default annual rate equal to eighteen percent (18%). In the event of default,

you must pay all of our costs of suit and reasonable attorney's fees. The note contains no pre-payment penalty. The owners of the franchise entity may be required to sign the promissory note personally.

## SELECTED CAPITAL SUPPORT

Except as otherwise described in this Item 10, in certain instances, we may provide select capital support to help offset the costs associated with developing and opening a hotel within the Choice franchise system. In our sole and absolute discretion, we may provide capital support for franchisees that develop a property with strategic importance to Choice. We do not offer capital support in every instance, and we may freely choose not to offer capital support to you. The terms of such capital support will vary and will always be determined in our sole and absolute discretion after your application has been submitted to us and we have approved your eligibility to own a hotel franchise. In the event you have been offered and agreed to accept capital support, you will be bound, in all ways, to the contracts, documents, and agreements related to and controlling the administration of that capital support.

Specifically, the principal amount of the financing will depend upon the franchisee's creditworthiness and various other factors. The franchisee will sign a promissory note evidencing the loan. The form of promissory note is attached at Exhibit 4H.A. (the "Capital Support Note"). Generally, forgiveness of the Capital Support Note will be amortized over a period of 10 to 15 or 20 years (beginning on the Opening Date of your hotel) using a straight-line method, so that the Capital Support Note will be completely forgiven if you do not commit certain defaults under the Capital Support Note beginning upon signing of the franchise agreement and ending 10 or 1520 years after the Opening Date. Your individual owners will be required to sign the Capital Support Note, in addition to the franchisee. We will fund the loan shortly after the Hotel opens and we receive the signed Capital Support Note from the franchisee. In limited circumstances, you may be eligible for additional loan amounts based on your Hotel's performance. We will not charge you interest unless you default under the Capital Support Note (Section 5). If you default, all amounts—outstanding amounts will bear interest at prime plus two percent. The maximum interest rate in California is 10% annually. The loan amount will be payable in equal yearly installments over the term of the Franchise Agreement. However, each yearly payment will be deemed paid so long as no default has occurred under the Capital Support Note (Section 4). Defaults under the Capital Support Note include the termination of the Franchise Agreement, an uncured default by franchisee under the Franchise Agreement, a transfer as defined in the Franchise Agreement and a breach of any provision of the Note or any document executed in connection with the Capital Support Note (Section 5). Following a default under the Note, we may declare the entire outstanding amount under the Capital Support Note plus all accrued interest immediately due and payable (Section 5.2). Franchisee must also pay all of our costs and attorneys' fees incurred in collecting the Capital Support Note (Section 5.4). Default under the Capital Support Note will constitute a default under the Franchise Agreement (Section 5.1). Based upon your creditworthiness, we may not require that you provide us security for repayment of the loan.

The terms of the guaranty signed in connection with the Franchise Agreement will also extend to the repayment obligations under the Capital Support Note. The loan can be prepaid at any time and there are no prepayment penalties. The franchisee waives various rights under the Capital Support Note including presentment, demand, and all other notices and demands (Capital Support Note – Section 5.6).

In addition, if you sign our Capital Support Note, you and we must agree to waive our right to terminate the membership agreement, without cause, for the applicable 10<sup>th</sup> and 15<sup>th</sup> anniversaries of the Opening Date as provided in Section 3 of the Membership Agreement.

If you default in the obligations of your franchise agreement, your franchise agreement is terminated or expires, you die or you file for bankruptcy, then the entire remaining unforgiven principal balance is immediately due along with interest (accruing on the remaining unforgiven balance only) from the original date of the Diversity Note at an interest rate of prime plus 2%. If you request a 5 year Diversity Note, the incentive will be 50% of the amount of the 10 year Diversity Note, and will be limited to a maximum of \$100,000. Each incentive will be evidenced by a 5 year Diversity Note in the same form attached as Exhibit IH.B. The Diversity Note is structured to provide for one payment at the end of 5 years; however, you do not have to make payments on the Diversity Note if you remain in good standing under your franchise agreement. If you default in the obligations of your franchise agreement, your franchise agreement is terminated or expires, you die or you file for bankruptcy, then the entire remaining unforgiven principal balance is immediately due along with interest (accruing on the remaining unforgiven balance only) from the original date of the Diversity Note at an interest rate of prime plus 2%. If the Default Payment Amount (as defined in Exhibit 4H.B.) has not been paid in full fifteen (15) days after the date such amount became due and payable, interest will begin to accrue at a default annual rate equal to Prime plus seven percent (prime plus 7%). The maximum interest rate in California is 10% annually. Under the Diversity Note, you must waive demand, presentment for payment, protest, notice of dishonor and your right to a jury trial. On your default, you also must pay all reasonable expenses, costs and attorneys' fees that we incur in collecting the Diversity Note. The Diversity Note contains no pre-payment penalty.

## **Termination Rights**

In addition, unless you have signed a 5-year promissory note <u>and, if applicable</u>, you and we must agree to waive our right to terminate the membership agreement, without cause, on the 5th anniversary of the Opening Date.

## FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

**PRE-OPENING ASSISTANCE.** Before you open your hotel in the Choice franchise system, we will provide certain assistance, including:

## SITE SELECTION

We must approve the site you select. (Membership Agreement, Terms and Conditions Section 6.)

We take into account the location, market and revenue potential as factors for approval. Our approval of your site does not assure that your business will be successful. Choice's Franchise Committee will review your application within 30 days of submission. If a site cannot be agreed upon and we reject your application, your affiliation fee will be refunded and any pre-application property improvement plan fees that you may have paid, and no membership agreement will be signed. The length of time between the signing of a membership agreement and the opening of a newly constructed hotel may vary depending on a number of variables and circumstances. Typically, the timetable for opening a newly constructed Ascend hotel may take between 18 and 24 months. For an existing hotel to be converted to an ASCEND hotel, the timetable varies depending upon your ability to obtain any necessary financing, the amount of renovation required to meet our specifications and the process and time periods required to obtain all the necessary permits, licenses and approvals from various government agencies (Membership Agreement, Terms and Conditions, Section 6(c)).

## **CONSTRUCTION**

If the hotel is to be newly constructed or your hotel is to be completely renovated, you must submit to us your architectural plans and drawings. We will review and comment on whether your preliminary drawings, final working drawings and architectural designs for the hotel satisfy our design specifications. Our approval of your designs does not ensure that they are adequate (Membership Agreement, Terms and Conditions, Section 6(c)).

At our discretion, we may provide additional consultation and services to assist you to construct, renovate, maintain, operate, and/or market the hotel on the same basis as provided to other hotels that are authorized to use our System under the Brand Mark; we reserve the right to charge you reasonable fees that we may establish in advance or on a project-by-project basis for such consultation and services. (Membership Agreement, Terms and Conditions Section 4(d).)

You must submit your preliminary drawings for our approval at least 6 months before Construction Start, and final working drawings and final architectural designs for the hotel for our approval at least 3 months prior to Construction Start. If Construction Start does not commence within 6 months of our written approval of your final architectural designs for the hotel, then you must resubmit final architectural designs for approval at least 60 days prior to your revised Construction Start. Our review of your architectural designs is for compliance with our membership standards only and does not assure that your business will be successful, that your designs are suitable for architectural or engineering purposes, or that your designs are in compliance with local, state, or federal laws. It will be your responsibility to comply with all local, state, and national code requirements applicable to the construction of your hotel (Membership Agreement, Terms and Conditions, Section 6(c)).

You must begin construction of your hotel as required by the Membership Agreement. Within 5 days after Construction Start, notify us that the Construction Start has occurred (Membership Agreement, Terms and Conditions, Section 6(c)(ii)), continue construction of the hotel, in accordance with the designs without interruption, until the hotel is ready for our inspection and complete construction of the hotel, including furnishing, equipping and preparing for opening (Membership Agreement, Terms and Conditions, Section 6(f)). Before you order any FF&E for your hotel, you must submit your design plans for our prior approval. Our design team will review these design plans, and we reserve the right to request and require any changes to ensure compliance with the Franchise Agreement, our brand standards, or the Rules and Regulations. Your prior submission of the design plans must comply with our then-requirements, including the submission of digital renderings, materials, swatches, and samples. Your failure to abide by this requirement may result in having to order new FF&E, a revised property improvement plan, or other action, including a default of the Membership Agreement.

You must undertake any remodeling, renovations, and modifications to existing improvements,

necessary to modernize and conform your hotel to the Rules and Regulations or other requirements of our System as described in your franchise agreement. (Membership Agreement, Section 6(o)). As described in the preceding paragraph above, you must submit your design plans for our prior approval.

#### **RULES & REGULATIONS**

Upon request, you may view the current Rules and Regulations at our proprietary intranet site, <a href="ChoiceConnect">ChoiceConnect</a>. Once you become an ASCEND franchisee you will have access to these Rules and Regulations without having to request them from us. We may periodically revise, add to or update membership standards and other requirements by issuing revisions to the Rules and Regulations and other manuals that we may publish (Membership Agreement, Terms and Conditions, Section 5(a)). As of the date of this Disclosure Document, the Rules and Regulations were a minimum of 9577 pages in length. The Table of Contents for our Rules and Regulations manual is attached as Exhibit KJ to this Disclosure Document.

#### **OPENING SERVICES SUPPORT**

Our Opening Services department will assist you to open your hotel in the Choice franchise system. We will assign an Onboarding Project Director and Opening Services Manager to monitor your project's progress and to assist you to meet contractual milestones (for example architectural and/or property improvement plan reviews). Your Onboarding Project Director will introduce you to Choice's organizational support departments, enroll your hotel in appropriate marketing programs, and help coordinate training course attendance/resource utilization. Finally, your Onboarding Project Director will help you to make sure that your hotel meets brand standards and that you have the knowledge and tools to assist you to successfully pass the hotel's first Quality Assurance Review (QAR). Once your hotel opens in the Choice franchise system, your Onboarding Project Director will arrange for a meeting with your assigned Area Director, who will be your ongoing liaison with Choice for most day-to-day questions related to our programs and policies. You must ensure your hotel opens in accordance with your membership agreement. (Membership Agreement, Terms and Conditions, Section 6(s).)

#### **TRAINING**

#### TRAINING PROGRAM

We will provide training, as described below (Membership Agreement, Terms and Conditions, Section 5(e)). Note 1: eLearning training is mandatory for all General Managers, Assistant General Managers, front office managers and all front desk staff and must be completed to our satisfaction. Training is completed in ChoiceU.com and is vital for all hotel staff to complete as it is the only training they will receive on the system. choiceADVANTAGE® eLearning training is a series of training modules prepared by members of our SkyTouch Technology team.

Note 2: Optional on-site choiceADVANTAGE training is available and will be held at your hotel, preferably in a meeting room and required to have High Speed Internet Access. The on-site training will be conducted by members of our SkyTouch Technology team. On-site choiceADVANTAGE training requires you to provide one free hotel room per Onboarding Lead per night for the on-site training. In the event you are unable to accommodate the Onboarding Lead to stay at your property for reasons of safety, occupancy permits, or other reasons, you are responsible for reimbursing the costs and expense of the Onboarding Lead's stay at a comparable neighboring hotel. The fee for optional on-site choiceADVANTAGE training is \$8,000. You may reschedule the training without paying an additional fee by providing written notice of your need to postpone the training program to your Onboarding Lead at least 14 days prior to the travel date. There will be a rescheduling fee of \$2,100 if you need to reschedule within 14 days of the travel date or system conversion was not completed while Onboarding Lead was on-site.

You must also participate in the Educational Resources Program, which provides training on various topics through our online learning management system. The cost of the Educational Resources Program is \$1,500 annually plus any applicable state tax.

Additional training may be required based on individual hotel needs. We reserve the right to charge you a tuition fee for these additional training programs as established by us from time to time. You also will be required to pay all travel, living and other expenses incurred by you and your employees while attending any required additional training programs.

We also offer many optional training programs throughout the year, including the regional workshops. In these educational workshops, you and your staff can gain valuable knowledge on a wide variety of topics designed to help your hotel become more effective and efficient.

Any training provided by us to any of your employees will be limited to training or guiding the employees regarding the delivery of approved services to guests in a manner that reflects the brand standards of the System. You are, and will remain, the sole employer of your employees during all training programs, and you are solely responsible for all employment decisions and actions related to your employees. It is your obligation to ensure that your employees receive adequate training.

\*\* \* \*

**POST-OPENING ASSISTANCE.** During your operation of the hotel in the Choice franchise system, we will provide the following services:

## **QUALITY ASSURANCE**

We may administer a mystery shopper program or quality assurance review that may include periodic visits to your hotel (by us or authorized third parties) and/or guest satisfaction surveys to evaluate your compliance with your membership agreement and the Rules and Regulations. If necessary, we will advise you of changes that you must make to the hotel or its operations to comply with the membership agreement and/or the Rules and Regulations (Membership Agreement, Terms and Conditions, Section 4(b)). Members who fail to improve on identified quality issues may be subject to consequences ranging from written warnings, non-compliance penalties, attendance at mandatory training programs, reservation suspension, and ultimately to the termination of the membership agreement. We may also require a member to hire a third party Qualified Vendor to do a deep cleaning of the Hotel if a member has repeatedly failed quality assurance reviews and the hotel's likelihood to recommend (LTR) score falls below the brand specific standard.

#### MARKETING AND RESERVATIONS

We will provide an advanced reservation system for your hotel and other Choice branded or member hotels using the Marketing and Reservation Fee that you will pay each month during the term of your membership agreement.

ASCEND members must participate in and honor the terms of any loyalty, discount or promotional program and pay any fees associated with such program (Membership Agreement, Terms and Conditions, Section 5(i)). Members will be required to offer one (1) complimentary room night for every ten (10) rooms at the hotel (with a maximum of fifty (50) room nights per year) for visits by Choice staff and for sales, marketing and other promotional activities.

Marketing and advertising are primarily disseminated via media such as direct sales efforts,

digital media, multi-brand television campaigns, trade publications, radio, directories and other collateral materials. National advertising and promotion agencies are primarily used to create and place advertisements with the participation and supervision of our in-house marketing department. Funding for the advertising program comes from the Marketing and Reservation Fee that each Choice Hotels franchisee pays each month during the term of their franchise agreement and which we control. We do not use any of the Marketing and Reservation Fee principally to solicit new franchise sales. The Marketing and Reservation Fee covers the ongoing development, maintenance and upgrading of the reservations system, as well as pay for expenditures associated with media, advertising, publicity, public relations, marketing, reservations and similar services, e-commerce initiatives and certain franchise services. All franchisees contribute to the Marketing and Reservation Fee at a rate dependent on their individual franchise agreement. Company-owned outlets (if any) contribute to the Marketing and Reservation Fee at the standard rate as other franchised outlets. As of December 31, 20232024, there were no ASCEND company- owned outlets. See Item 6 for a description of the Marketing and Reservation Fee.

You must display at your hotel an ASCEND plaque near the front entrance to the hotel. If the ASCEND plaque does not conform to the hotel's décor, we may approve a custom sign.

ASCEND hotels that elect to use an ASCEND trademark on hotel-related brochures, letterheads, business cards, in-room stationery, promotional literature, advertising, press releases, websites and other significant promotional items that may be viewed by existing and potential clients must use the ASCEND trademarks in conformity with membership standards, including proper trademark usage.

ASCEND members must also display ASCEND airline code (GDS code) on all promotional literature that is intended for use in the travel trade.

Currently, the Choice Hotels Owners Council, the Econo Lodge Franchise Association and the Rodeway Owners' Association administer 13 voluntary regional marketing cooperatives ("Marketing Cooperatives"), which we support. Each Marketing Cooperative establishes an annual fee for participating hotels, and we also provide funding. The participating hotels in a Marketing Cooperative, along with the assistance of a Choice representative, create an annual budget and an annual marketing plan. As of the date of this Disclosure Document, participation in the Marketing Cooperatives is voluntary, and you may opt out on an annual basis. However, we may require participation in the Marketing Cooperatives in the future and we have the right to audit the Marketing Cooperatives program at any time.

You may conduct your own local marketing program provided that all materials comply with brand standards, including proper trademark usage, and are either approved in writing by us (our Marketing and Communications department) or through ChoiceNow, typically within 10 business days after you submit your materials to us for review. The SmartMarketing program provides marketing and promotional materials that help you promote your hotel professionally and within brand standards. The fee for customizing some materials (for example, business cards and sales flyers) ranges from \$0 to \$45. We are not required to use any portion of the Marketing and Reservation Fee for advertising in your area.

Any website created for your hotel must follow the Choice Property Website Guidelines, Internet Distribution Policy and Domain Name Policy. We retain the right to pre-approve your hotel's website design and use of linking between your internet webpages (or other networks) and all other websites. All websites that are accessed from a domain name that uses one or more of the Choice Marks must conform to the Choice Hotels Property Website Guidelines and Internet Distribution Policy and cannot contain, or link to other web pages that contain, logos or information on non-Choice brand hotels. We have the right to determine the content and use of online or electronic media associated with any of the Choice Marks. You may not participate in any website or other electronic media (including social media) that markets

goods and services under the Choice Marks unless it is first approved in writing by us. Your general conduct on the internet or other electronic media, including your use of the Choice Marks or any advertising is subject to the terms and conditions of the membership agreement and any other rules, requirements or policies that we may identify from time to time.

We administer the allocation of the Marketing and Reservation Fee, which may be commingled with, but are accounted for separately, from our other funds. We do not prepare audited financial statements for our Marketing and Reservation Fee. However, upon receiving a reasonable request, we will provide an unaudited statement of the Marketing and Reservation Fee for the previous calendar year. We have no obligation to separate incomes or expenditures between the various Choice brands. Any unspent Marketing and Reservation Fees remaining at the end of the fiscal year generally are carried over for use in the following year unless there is a deficit from a preceding year. In that case, the monies will be applied to pay down the deficit and anything remaining will be carried over. We pay administrative costs to provide the goods and services described above using a portion of the Marketing and Reservation Fee. Our internal costs associated with marketing the goods and services of our franchise system are reflected in the percentages below, including our media (broadcast and digital), creative, supplies and graphics. In calendar year 2023, approximately 15.4% of all Marketing and Reservation Fees collected from the Choice Franchise System was spent on media and other advertising, 7.8% on the Choice Privileges Loyalty Program, which includes national advertising (broadcast and digital), 69.3% on marketing and distribution (for example, reservations services, global sales, eCommerce, publicity, research & analytics) and 7.5% on general and administrative expenses, including the salaries of applicable personnel.

## FRANCHISE ADVISORY COUNCIL

As of the date of this Disclosure Document, we may periodically assemble franchise advisory councils who meet with corporate representatives to advise on issues relating to the System (including advertising issues). We select the franchisees that participate on this council. The council acts in an advisory capacity only and we maintain all decision-making power of the System. We may create, change, or dissolve this council at any time.

#### **CHANGE IN SLEEPING ROOM COUNT**

We will review and, where appropriate, approve requests to add or remove guestrooms to your hotel after receipt of your room count change fee (if applicable) and construction plans (Membership Agreement, Terms and Conditions, Section 8).

#### **ITEM 12 TERRITORY**

We grant memberships for specific sites only. You will not receive an exclusive territory. You may face competition from other franchisees from outlets that we own, or from other channels of distribution or competitive brands that we control. However, we may, depending on local market conditions or other factors such as your prior history with us (if any) and number of hotels franchised by us, grant exclusive territories in which no other hotel of the same brand will be franchised or operated, for a period of time that we determine. Preferred regions and exclusive territories, if any, are determined by us. Our grant of a preferred region or exclusive territory can be terminated by us if you default under your membership agreement, including failing to maintain quality standards or failing to pay fees due on a timely basis.

We expressly reserve the right to grant franchises and memberships or open company owned hotels at any location under any brand name or membership other than the location specified in your membership agreement. We may open company-owned hotels under any brand and offer hotel franchises or memberships for upscale, mid-priced and budget hotels under any of the Choice Marks.

If you wish to relocate or establish additional facilities, you must follow our usual application procedures and sign additional membership agreements. Customarily, we do not grant to members options, rights of first refusal or similar rights to acquire additional sites.

We may take reservations for rooms through any method of distribution, including sales through such channels of distribution as the internet, catalog sales, telemarketing, or other direct marketing sales ("Alternative Distribution Channels"). You will receive no compensation for our sales through Alternative Distribution Channels, unless we make a reservation on your behalf.

You may solicit or accept reservations from customers at any location (including outside your territory, if applicable). You may use Alternative Distribution Channels to make sales if you comply with all of our standards, including any approval process that we may require (see Item 11). We, our affiliates, franchisees and members can use Alternative Distribution Channels to make sales anywhere (including within your territory, if applicable) of products or services under trademarks different from the trademarks that you are permitted to use under your membership agreement. See Item 1 for additional information on other Choice brands.

We have implemented a Fair Franchising Policy (attached as Exhibit LK) that sets general

guidelines on how Choice will maintain the overall Choice franchise system of brands and memberships, including principles for informal resolution of disputes between Choice and our franchisees and members. The Fair Franchising Policy is an internal policy, not a contractual obligation and can be changed or revoked by Choice in our sole discretion and at any time on reasonable notice. The Incremental Impact Policy, which is referenced in the Fair Franchising Policy, does not apply to ASCEND hotels.

#### FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

The tables below provide certain historic performance information for ASCEND Hotels operating in the United States. As of December 31, 20232024, there were 180182 open and operating ASCEND hotels in the United States. Of these 180182 hotels, all were franchised ASCEND hotels and 133 were ASCEND hotels that met the definition of the 12 Month Performance Sample. The "12 Month Performance Sample" means all ASCEND hotels that were open and operating as of December 31, 20232024 and that were franchised by Choice and operating on or before January 1, 20232024, including ASCEND hotels that operate on a seasonal basis, and excluding hotels that: (1) repositioned from another Choice brand to ASCEND during the period beginning January 1, 20232024 and ending December 31, 20232024; (2) had incomplete performance numbers (e.g., missing supply, demand and revenue information) for at least 30 days during the period beginning January 1, 20232024 and ending December

31, 20232024; and (3) experienced an interruption in operations (for example, due to renovation or natural disaster) of more than 30 consecutive days during the period beginning January 1, 20232024 and ending December 31, 20232024. In addition, from April 1, 2005 through April 30, 2008, we offered franchises under the name CLARION COLLECTION. We began the similar offering called ASCEND in 2008 and we no longer offer CLARION COLLECTION franchises. As of December 31, 20232024, there were three CLARION COLLECTION memberships that had not converted to ASCEND, and the financial performance data for these three CLARION COLLECTION memberships have not been included in the following tables or in the Performance Sample. We also excluded hotels where we have entered into distribution agreements, since these properties are not traditional franchise hotels.

Additionally, of these 180 182 open and operating ASCEND hotels, there were 125 116 hotels that met the definition of the 24 Month Performance Sample. The "24 Month Performance Sample" means all ASCEND hotels that were open and operating as of December 31, 2023 2024 and that were franchised by Choice and operating on or before January 1, 2022 2023, including ASCEND hotels that operate on a seasonal basis, and excluding hotels that: (1) repositioned from another Choice brand to ASCEND during the period beginning January 1, 2023 and ending December 31, 2023 2024; (2) had incomplete performance numbers (e.g., missing supply, demand and revenue information) for at least 30 days during the period beginning January 1, 2023 and ending December 31, 2023 2024; and (3) experienced an interruption in operations (for example, due to renovation or natural disaster) of more than 30 consecutive days during the period beginning January 1, 2023 and ending December 31, 2023 2024.

There were no ASCEND hotels that closed during Year 20232024 after being open less than 1 year.

Note 1: Projected openings are based on management's current beliefs, assumptions and expectations, which in turn are based on information currently available to management as of December 31, 2023 2024.

The number of franchises as of year-end may differ from that in the audited financial statements (Exhibit C to this Disclosure Document) as the financial statements also include franchises in Puerto Rico, Dominican Republic, Turks & Caicos, the Cayman Islands and the Bahamas.

Exhibit NM lists the names of all of our U.S. operating franchisees and the addresses and telephone numbers of their Hotels as of December 31, 2023 2024, including franchisees who have signed Franchise Agreements for Hotels that were not yet operational as of December 31, 2023 2024.

Exhibit ON lists the name, city and state, and business telephone number (or, if unknown, the last known home telephone number) of all franchisees who transferred their hotels or who had a Hotel terminated, cancelled, not renewed, or otherwise voluntarily or involuntarily ceased to operate and/or conduct business under a Franchise Agreement during the most recently completed fiscal year, or who has not communicated with us within 10 weeks of the issuance date of this Disclosure Document. If you buy this franchise, your contact information may be disclosed to other buyers when you leave the franchise system.

During the past three years, franchisees have signed confidentiality clauses with us. In some instances, current and former franchisees have signed provisions restricting their ability to speak openly about their experience with us. You may wish to speak with current and former franchisees, but be aware that not all of these franchisees will be able to communicate with you.

Exhibit M lists, to the extent known, the names, addresses, telephone numbers, e-mail addresses and Web addresses of each trademark-specific franchisee organization associated with the franchise system being offered which we have created, sponsored or endorsed.

As of the date of this Disclosure Document, there is not a brand-specific franchise advisory council. However, we have the right to create such advisory council at any time. We will sponsor the council and select the franchisees that participate on the council. Contact information for the council will be the same as our contact information.

#### Report of Independent Registered Public Accounting Firm

To the Shareholders and the Board of Directors of Choice Hotels International, Inc.

#### **Opinion on the Financial Statements**

We have audited the accompanying consolidated balance sheets of Choice Hotels International, Inc. and subsidiaries (the Company) as of December 31, 2024 and 2023, the related consolidated statements of income, comprehensive income, shareholders' equity (deficit) and cash flows for each of the three years in the period ended December 31, 2024, and the related notes (collectively referred to as the "consolidated financial statements"). In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Company at December 31, 2024 and 2023, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 2024, in conformity with U.S. generally accepted accounting principles.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the Company's internal control over financial reporting as of December 31, 2024, based on criteria established in Internal Control-Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (2013 framework) and our report dated February 20, 2025 expressed an unqualified opinion thereon.

#### **Basis for Opinion**

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audits. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

#### Critical Audit Matter

The critical audit matter communicated below is a matter arising from the current period audit of the financial statements that was communicated or required to be communicated to the audit committee and that: (1) relates to accounts or disclosures that are material to the financial statements and (2) involved our especially challenging, subjective or complex judgments. The communication of the critical audit matter does not alter in any way our opinion on the consolidated financial statements, taken as a whole, and we are not, by communicating the critical audit matter below, providing a separate opinion on the critical audit matter or on the accounts or disclosures to which it relates.

#### Description of the Matter

#### Accounting for Choice Privileges Loyalty Program

The Company recognized \$123.2 million in revenues from loyalty points redeemed, net of the cost of redemptions, and had a point liability and deferred revenue of \$129.6 million and \$110.4 million, respectively, as of December 31, 2024, associated with the Choice Privileges Loyalty Program.

As discussed in Note 1 to the consolidated financial statements, loyalty points earned represent a performance obligation attributable to usage of the points, and thus revenues are recognized at the point in time when the loyalty points are redeemed by members for benefits. The liability for the Choice Privileges Loyalty Program is developed based on an estimate of the eventual redemption rates on future redemption behavior using various actuarial methods and point values. The amount of the Choice Privileges Loyalty Program fees in excess of the point liability represents deferred revenue, which is recognized to revenue as points are redeemed including an estimate of future forfeitures.

Auditing the Choice Privileges Loyalty Program results is complex due to: (1) the complexity of the models used and the high volume of data to monitor and account for Choice Privileges Loyalty Program results; and (2) the complexity of estimating the future redemption rate. Performing audit procedures to evaluate the reasonableness of these estimates requires a high degree of auditor judgment and an increased extent of effort, which includes the use of actuarial specialists.

How We Addressed the Matter in Our Audit We obtained an understanding, evaluated the design and tested the operating effectiveness of controls over the Company's process of accounting for the Choice Privileges Loyalty Program during the year. For example, we tested controls over management's review of the assumptions and data inputs used in the accounting model and the actuarial methods used to estimate the ultimate redemption rate of Choice Privileges Loyalty Program points.

To test the recognition of revenues and liabilities associated with the Choice Privileges Loyalty Program, we performed audit procedures that included, among others, testing the completeness and accuracy of the data and significant assumptions used in the models and assessing the accounting models developed by the Company to recognize the related revenue and the liabilities. For example, we tested significant inputs into the accounting models, including the amounts received and paid by the Choice Privileges Loyalty Program as well as the recognition of points earned and redeemed during the period. With the assistance of our actuarial specialists, we evaluated management's methodologies as well as the actuarial assumptions used in estimating the Choice Privileges Loyalty Program expected redemption rates.

/s/ Ernst & Young LLP

We have served as the Company's auditor since 2014.

# CHOICE HOTELS INTERNATIONAL, INC. NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

#### 1. Basis of Presentation and Significant Accounting Policies

#### Basis of Presentation

The accompanying consolidated financial statements of Choice Hotels International, Inc. and subsidiaries (collectively, "Choice" or the "Company") have been prepared by the Company in accordance with accounting principles generally accepted in the United States of America ("GAAP") pursuant to the rules and regulations of the Securities and Exchange Commission ("SEC"). All significant intercompany accounts and transactions between the Company and its subsidiaries have been eliminated in consolidation.

The preparation of the consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosures of contingent assets and liabilities as of the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. In the opinion of management, the accompanying consolidated financial statements include all adjustments that are necessary to fairly present the Company's financial position and results of operations. Except as otherwise disclosed, all adjustments are of a normal recurring nature.

Certain prior year amounts in our consolidated financial statements have been reclassified in order to maintain comparability with the current year presentation. Business combination, diligence and transition costs, which were previously presented in selling, general and administrative expenses, are now presented within a standalone financial statement line item in the consolidated statements of income. The reclassification had no effect on the Company's previously reported operating income or net income. Investments in owned hotel properties and investments in other property and equipment, which were previously presented in investments in property and equipment, are now presented within standalone financial statement line items in the consolidated statements of cash flows. The reclassification had no effect on the Company's previously reported net cash used in investing activities or the net change in cash and cash equivalents. Purchases of investments for employee benefit plans, investments in intangible assets, asset acquisitions, net of cash paid, and proceeds from sales of investments for employee benefit plans, which were previously presented in standalone financial statement line items, are now presented within other items, net in the consolidated statements of cash flows. The reclassification had no effect on the Company's previously reported net cash used in investing activities or the net change in cash and cash equivalents.

#### Acquisition of Radisson Hotels Americas

On August 11, 2022, the Company completed the acquisition (the "Transaction") of (1) all of the issued and outstanding shares of Radisson Hospitality, Inc., and (2) certain trademarks held by Radisson Hospitality Belgium BV/SRL (collectively referred to as "Radisson Hotels Americas").

The Company determined that it was the accounting acquirer of Radisson Hotels Americas and accounted for the Transaction as a business combination using the acquisition method of accounting. Accordingly, the assets acquired and the liabilities assumed were recorded at their fair values as of the August 11, 2022 acquisition date, with the exception of certain assets and liabilities which were accounted for in accordance with the provisions of ASU 2021-08, *Business Combinations (Topic 805): Accounting for Contract Assets and Contract Liabilities from Contracts with Customers* ("ASU 2021-08"). The Company finalized the purchase price allocation for the Transaction during the third quarter of 2023.

#### Revenue Recognition

# Franchise Agreements

The Company's revenues are primarily derived from franchise agreements with third-party hotel owners. The majority of the Company's performance obligations are a series of distinct services, which are described in more detail below, for which the Company receives variable consideration through franchise fees. The Company enters into franchise agreements to provide franchisees with a limited non-exclusive license to utilize the Company's registered brand trademarks, marketing and reservation services, and other miscellaneous franchise services. These agreements typically have an initial term of 10 to 30 years with provisions permitting the franchisees or the Company to terminate the franchise agreement upon designated anniversaries of the hotel opening before the end of the initial term. An up-front initial franchise fee is assessed to the third-party hotel owners to affiliate with our brands, which is typically paid prior to the execution of the franchise agreement and is non-refundable. After hotel opening, franchise fees are typically generated based on a percentage of gross room revenues or as designated transactions and events occur (such as when a reservation is delivered to the hotel through a specified channel) and are invoiced by the Company in the following month.

The franchise agreements are comprised of multiple performance obligations, which may require significant judgment in identifying. The primary performance obligations are as follows:

- License of brand intellectual property and related services ("brand intellectual property") Grants the right to access the Company's intellectual property associated with the brand tradenames, trademarks, reservation systems, property management systems, and related services.
- Material rights for free or discounted goods or services to hotel guests Primarily consists of the points issued under the Company's guest loyalty program, Choice Privileges.

License of Brand Intellectual Property and Related Services

The fees generated from brand intellectual property are recognized to revenue over time as the hotel owners pay for access to these services for the duration of the franchise agreement. The franchise fees are typically based on the sales or usage of the underlying hotel (i.e., after the completion of a hotel stay), with the exception of fixed up-front fees that usually represent an insignificant portion of the transaction price. The variable transaction price is determined for the period when the underlying gross room revenues and the transactions or events which generate fees are known.

Franchise fees include the following:

- Royalty fees Royalty fees are earned in exchange for a license to brand intellectual property typically based on a percentage of gross room revenues. The royalty fees are billed and collected monthly and the revenues are recognized in the same period that the underlying gross room revenues are earned by the Company's franchisees. The royalty fees are recognized within royalty, licensing and management fees revenue in the consolidated statements of income.
- Initial franchise fees Initial franchise fees are charged when (i) new hotels enter the franchise system, (ii) there is a change of ownership, or (iii) the existing franchise agreements are extended. The initial franchise fees are recognized as revenue ratably as the services are provided over the enforceable period of the franchise agreement, unless the franchise agreement is terminated and the hotel exits the franchise system whereby the remaining deferred amounts are recognized to revenue in the period of termination. The enforceable period is the period from the hotel's opening to the first point the franchisee or the Company can terminate the franchise agreement without incurring a significant penalty.
- Other revenue Other revenue is a combination of miscellaneous non-marketing and reservation system fees, which includes quality assurance, non-compliance, and franchisee training fees. Other revenue is recognized in the period that the designated transaction or event has occurred.

The Company's franchise agreements require the payment of marketing and reservation system fees. The Company is obligated to use these marketing and reservation system fees to provide marketing and reservation services, such as marketing, media, advertising, access to centralized reservation systems, and certain franchise services to support the operation of the overall franchise system. The marketing and reservation system fees are recognized within other revenues from franchised and managed properties in the consolidated statements of income. These services are comprised of multiple fees including the following:

- Fees based on a percentage of gross room revenues are recognized in the period the gross room revenue was earned, based on the underlying hotel's sales or usage.
- Fees based on the occurrence of a designated transaction or event are recognized in the period the transaction or event occurred.
- System implementation fees charged to the franchisees are deferred and recognized as revenue over the enforceable period of the franchise agreement.
- Marketing and reservation system activities also include revenues generated from the Company's guest loyalty programs. The revenue recognition of
  these programs is discussed in the Material rights for free or discounted goods or services to hotel guests section below.

Marketing and reservation system expenses are the expenses that are incurred to facilitate the delivery of the marketing and reservation system services, including direct expenses and an allocation of costs for certain administrative activities that are required to carry out marketing and reservation system services. Marketing and reservation system expenses are recognized when the services are incurred or the goods are received within other expenses from franchised and managed properties in the consolidated statements of income. As a result, the marketing and reservation system expenses may not equal the marketing and reservation system revenues in a specific period but are expected to equal the revenues earned from the franchisees over time. The Company's franchise agreements provide the Company the right to advance monies to the franchise system when the needs

of the franchisor system surpass the balances currently available. The Company has the right to recover such advances in future periods through additional fee assessments or reduced spending.

Material Rights for Free or Discounted Goods or Services to Hotel Guests

Choice Privileges is the Company's guest loyalty program, which enable members to earn points based on their spending levels with the Company's franchisees or certain vendors (refer to the Partnership Agreements section below). The points, which the Company accumulates and tracks on the members' behalf, may be redeemed for free accommodations or other benefits (e.g. gift cards to participating retailers). The Company collects from the franchisees a percentage of the loyalty program members' gross room revenue from completed stays to operate the programs. At such time the points are redeemed for free accommodations or other benefits, the Company reimburses the franchisees or third parties based on a rate derived in accordance with the franchise or vendor agreement.

The loyalty points represent a performance obligation attributable to the usage of the points, and thus the revenues are recognized at the point in time when the loyalty points are redeemed by the members for benefits (with both franchisees and third-party partners), net of the cost of redemptions. For the years ended December 31, 2024, 2023, and 2022, the loyalty net revenues, inclusive of adjustments to the estimated redemption rates, were \$123.2 million, \$93.1 million, and \$109.3 million, respectively. The transaction price is variable and determined in the period when the loyalty points are earned and the underlying gross room revenues are known. No loyalty program revenues are recognized at the time the loyalty points are issued.

The Company is an agent in coordinating the delivery of the services between the loyalty program member and the franchisee or third party, and as a result, the revenues are recognized net of the cost of redemptions. The estimated value of the future redemptions is reflected in the current and non-current liability for guest loyalty program in the consolidated balance sheets. The liability for the guest loyalty program is developed based on an estimate of the eventual redemption rates and point values using various actuarial methods. These significant judgments determine the required point liability attributable to the outstanding points, which is relieved as the redemption costs are processed. The amount of the loyalty program fees in excess of the guest loyalty program point liability represents current and non-current deferred revenue, which is recognized to revenue as the points are redeemed including an estimate of the future forfeitures ("breakage"). The anticipated redemption pattern of the points is the basis for the current and non-current designation of each liability. As of December 31, 2024, the current and non-current deferred revenue balances were \$75.8 million and \$34.6 million, respectively. The loyalty points are typically redeemed within three years of issuance. The loyalty program point redemption revenues are recognized within other revenues from franchised and managed properties in the consolidated statements of income.

The Company also recognizes revenues from various contracts that are incidental to the support of the operations for the franchised hotels, including the purchasing operations.

#### Partnership Agreements

The Company is a party to various agreements with third-party partners, including the co-branding of the Choice Privileges credit card. The agreements typically provide for use of the Company's marks, limited access to the Company's distribution channels, and the sale of Choice Privileges loyalty points, in exchange for fees primarily comprising variable consideration that is paid each month. Loyalty members can earn points through participation in the partner's program.

The partnership agreements include multiple performance obligations. The primary performance obligations are for the brand intellectual property and material rights for free or discounted goods or services to hotel guests. The allocation of the fixed and variable consideration to the performance obligations is based on the standalone selling price, which is estimated based on the market and income methods, which contain significant judgments. The amounts allocated to the brand intellectual property are recognized on a gross basis over time using the output measure of the time elapsed, primarily within royalty, licensing and management fees and platform and procurement services fees in the consolidated statements of income. The amounts allocated to the material rights for free or discounted goods or services to hotel guests are recognized to revenue as the points are redeemed including an estimate of the breakage, primarily within other revenues from franchised and managed properties in the consolidated statements of income.

### Qualified Vendors

The Company generates procurement services revenue from qualified vendors. The qualified vendor revenue is generally based on the marketing services provided by the Company on behalf of, and the access provided to, the qualified vendors to the hotel owners and guests. The Company provides these services in exchange for either fixed consideration or a percentage of the revenues earned by the qualified vendor pertaining to purchases by the Company's franchisees or guests. The fixed consideration is paid in installments based on a contractual schedule, with an initial payment typically due at contract execution. The variable consideration is typically paid quarterly after the sales to the franchisees or guests have occurred.

The qualified vendor agreements comprise a single performance obligation, which is satisfied over time based on the access afforded, and the services provided, to the qualified vendor for the stated duration of the agreement. The fixed consideration is allocated and recognized ratably to each period over the term of the agreement. The variable consideration is determined and recognized in the period when the vendors' sales to the franchisees or guests are known or the cash payment has been remitted. The qualified vendor revenues are recognized within platform and procurement services fees revenue in the consolidated statements of income.

#### Other

The Company is a party to other non-franchising agreements that generate revenue, which are primarily software as a service ("SaaS") arrangements for non-franchised hoteliers, and is presented as other revenue in the consolidated statements of income. SaaS agreements typically include fixed consideration for installment and other initiation fees that are paid at the beginning of the contract, and variable consideration for recurring subscription revenue that is typically paid on a monthly basis. SaaS agreements comprise a single performance obligation, which is satisfied over time based on the access to the software for the stated duration of the agreement. The fixed consideration is allocated and recognized ratably to each period over the term of the agreement. The variable consideration is determined at the conclusion of each period, and allocated to and recognized in the current period.

#### Managed Hotels

The Company manages 13 hotels (inclusive of four owned hotels). The management agreements provide for the use of the Company's marks and hotel management services, which include providing day-to-day management services in the operation of the hotels for the hotel owners. The fees generated from the management agreements are recognized to revenue over time as the hotel owners pay for access to these services for the duration of the management agreement, and include base and incentive management fees. Base management fees are generally based on a percentage of the hotel's monthly gross revenue and are invoiced and collected monthly. Incentive management fees are generally based on a percentage of the hotel's operating profits and are invoiced on an annual basis. Base and incentive management fee revenues are recognized within royalty, licensing and management fees in the consolidated statements of income. Refer to Note 23 for more information on the management agreement guarantees.

The Company's management agreements include amounts that are contractually reimbursed to the Company by the hotel owners, either directly or indirectly, relating to certain costs and expenses that are paid by the Company in support of the operations of these hotel properties. The reimbursements include payroll costs and certain other operating costs of the managed properties' operations, which are reimbursed to the Company by the hotel owners as the expenses are incurred. The revenue related to these direct reimbursements is recognized based on the amount of the expenses incurred by the Company, which are recognized as other expenses from franchised and managed properties in the consolidated statements of income. The hotel owner typically reimburses the Company on a monthly basis, which results in no net effect to operating income or net income. The revenues related to marketing and reservations are recognized over time and are intended to reimburse the Company, indirectly, for the expenses incurred in performing the marketing and reservation services. These managed revenues are presented within other revenues from franchised and managed properties in the consolidated statements of income.

### Owned Hotels

The Company owned 12 hotels and 10 hotels as of December 31, 2024 and 2023, respectively, from which the Company generates revenues. As a hotel owner, the Company has performance obligations to provide accommodations to hotel guests and in return, the Company earns a nightly fee for an agreed upon period that is generally payable at the time the hotel guest checks out of the hotel. The Company typically satisfies the performance obligations over the length of the stay and recognizes the revenue on a daily basis, as the hotel rooms are occupied and the services are rendered.

Other ancillary goods and services at the owned hotels are purchased independently of the hotel stay at the standalone selling prices and are considered separate performance obligations, which are satisfied at the point in time when the related good or service is provided to the guest. These primarily consist of food and beverage, incidentals, and parking fees. The hotel room night and other ancillary good and services revenues are recognized within owned hotels revenue in the consolidated statements of income.

### Sales Taxes

The Company presents the taxes collected from customers and then remitted to governmental authorities on a net basis and, therefore, the taxes are excluded from revenues in the consolidated financial statements.

Business Combination, Diligence and Transition Costs

The Company incurs costs during the review of potential business combinations, including legal fees, financial advisory, and other professional service fees. If the Company is successful in completing a business combination, then the Company may incur transition and integration costs, including professional service fees, technology costs, and employee-related costs such as bonuses, retention, and severance. The business combination, diligence and transition costs are expensed as incurred in the consolidated statements of income.

Notes & Accounts Receivable and Allowances for Credit Losses

The Company provides financing in the form of notes receivable loans to franchisees to support the development or conversion of properties in strategic markets.

The Company accrues interest for notes receivable loans in accordance with loan provisions. The Company considers notes receivable loans past due and in default when payments are not made when due in accordance with the then-current loan provisions or the terms extended to the borrowers, including loans with concessions or interest deferral. The Company suspends the accrual of interest when payments on loans are more than 30 days past due or upon a loan being classified as collateral-dependent. The Company applies the payments received for loans on a non-accrual status first to interest and then to principal. The Company does not resume an interest accrual until all delinquent payments are received based on the then-current loan provisions.

The Company has developed a systematic methodology to determine its allowance for credit losses across our portfolio of notes receivable loans. The Company monitors the risk and performance of our portfolio by the level of security in the collateral (i.e., senior, subordinated, or unsecured), which is the Company's credit quality indicator. As each of the Company's notes receivable loans has unique risk characteristics, the Company deploys its methodology to calculate allowances for credit losses at the individual notes receivable loan level.

The Company primarily utilizes a discounted cash flow ("DCF") technique to measure the credit allowance, influenced by the key economic variables of each note receivable loan. The Company identified the key economic variables for these loans to be the loan-to-cost ("LTC") or loan-to-value ("LTV") ratios and a debt service coverage ratio ("DSCR"). The LTC or LTV ratio represents the loan principal relative to the project cost or value and is an indication of the loan principal's ability to be re-paid at loan maturity. The DSCR represents property-specific net operating income as a percentage of the interest and principal payments incurred (i.e., debt service) on all debt of the borrower for the property and is an indication of the borrower's ability to make timely payments during the term of the loan. The LTC or LTV ratios and DSCR are considered during the loan underwriting process as indications of risk and, accordingly, we believe these factors are the most representative risk indicators for calculating the allowance for credit loss. Loans with higher LTC or LTV ratios and lower DSCR ratios generally are representative of loans with greater risk and, accordingly, have higher credit allowances as a percentage of loan principal. Conversely, loans with lower LTC or LTV ratios and higher DSCR ratios generally are representative of loans with lesser risk and, accordingly, have lower credit allowances as a percentage of loan principal. In preparing or updating a DCF model to measure the credit allowance, the Company develops various recovery scenarios and, based on the key economic variables, the present status of the loan, and the underlying collateral, applies a probability-weighting to the outputs of the scenarios.

Collateral-dependent financial assets are financial assets for which repayment is expected to be derived substantially through the operation or sale of the collateral and when the borrower is experiencing financial difficulty. For collateral-dependent loans, the expected credit losses are based on the fair value of the collateral, less the selling costs if repayment will be from the sale of the collateral. The Company calculates the fair value of the collateral using a DCF technique to project the cash flows or a market approach via quoted market prices. In developing the cash flow projections, the Company will review the borrower's financial statements for the property, economic trends, industry projections for the market where the property is located, and comparable sales capitalization rates.

Management assesses the credit quality of the notes receivable portfolio and the adequacy of the credit loss allowances on a quarterly basis and recognizes the provisions for credit losses in selling, general and administrative expenses in the consolidated statements of income. Significant judgment is required in this analysis.

Accounts receivable consists primarily of the franchise and related fees due from the hotel franchisees and are recorded at the invoiced amount. The allowance for credit losses is the Company's best estimate of the amount of expected credit losses inherent in the accounts receivable balance. The Company determines the allowance considering its historical write-off experience, a review of the aged receivable balances and customer payment trends, the economic environment, and other available evidence. The Company recognizes the provisions for credit losses on accounts receivable in selling, general and administrative expenses and other expenses from franchised and managed properties in the consolidated statements of income.

When the Company determines that a trade or note receivable is not collectible, then the account is written-off to the associated allowance for credit losses.

Refer to Note 4 for more information on the receivables and the allowances for credit losses.

#### Advertising Costs

The Company expenses advertising costs as incurred. Advertising expense was \$194.6 million, \$195.2 million, and \$170.4 million for the years ended December 31, 2024, 2023, and 2022, respectively. The Company presents advertising costs primarily in other expenses from franchised and managed properties in the consolidated statements of income.

#### Cash and Cash Equivalents

The Company considers all highly liquid investments with a maturity of three months or less at the date of purchase to be cash equivalents. The Company maintains cash balances at domestic banks, which at times may exceed the limits of the amounts insured by the Federal Deposit Insurance Corporation. In addition, the Company also maintains cash balances at international banks which do not provide deposit insurance.

#### Capitalization Policies

Property and equipment are generally recorded at cost and depreciated for financial reporting purposes using the straight-line method over the estimated useful lives of the assets. Leasehold improvements are amortized over the shorter of the lease term or the estimated useful lives of the assets. Major renovations and replacements incurred during construction are capitalized. The costs for computer software developed for internal use are capitalized during the application development stage and amortized using the straight-line method over the estimated useful lives of the software. The capitalized software licenses pertaining to cloud computing arrangements are amortized using the straight-line method over the shorter of the cloud computing arrangement term or the estimated useful lives of the software. The Company capitalizes the interest incurred during the construction and development of property and equipment, including software. The total interest capitalized as a cost of property and equipment was \$9.4 million and \$5.8 million during the years ended December 31, 2024 and 2023, respectively.

As construction in progress and software development are completed and then placed in service, the assets are transferred to the appropriate property and equipment categories and depreciation and amortization begins. Upon the sale or the retirement of the property, the cost and the related accumulated depreciation are eliminated from the accounts and any related gain or loss is recognized in the consolidated statements of income. Repairs and maintenance, and minor replacements, are charged to expense as incurred.

The Company has made certain acquisitions of hotel assets, which are recognized at the fair value of the consideration exchanged. The Company acquires land parcels with the intention to develop hotels, which are recognized at cost within property and equipment, net in the consolidated balance sheets. If the Company determines that it will not progress to active construction and development of a land parcel, then the land parcel is reclassified to other assets in the consolidated balance sheets.

The table below summarizes the estimated useful lives for the respective assets for depreciation and amortization purposes:

Computer equipment and software	2 - 7 years
Buildings and leasehold improvements	10 - 40 years
Furniture, fixtures, vehicles and equipment	3 - 10 years

### Assets Held for Sale

The Company considers assets to be held for sale when all of the following criteria are met:

- Management commits to a plan to sell an asset;
- It is unlikely that the disposal plan will be significantly modified or discontinued;
- The asset is available for immediate sale in its present condition;
- Actions required to complete the sale of the asset have been initiated;
- The sale of the asset is probable and the Company expects the completed sale will occur within one year; and
- The asset is actively being marketed for sale at a price that is reasonable given its current market value.

Upon designation as an asset held for sale, the Company recognizes the carrying value of each asset as a component of other current assets at the lower of its carrying value or its estimated fair value, less the estimated costs to sell, and immediately ceases the recognition of depreciation or amortization expense on the asset.

If, at any time, these criteria are no longer met, subject to certain exceptions, then the assets previously classified as held for sale are reclassified as held and used and measured individually at the lower of (a) the carrying amount before the asset was

classified as held for sale, adjusted for any depreciation or amortization expense that would have been recognized had the asset been continuously classified as held and used, or (b) the fair value at the date of the subsequent decision not to sell.

Long-Lived Assets, Intangible Assets, and Goodwill

The Company groups its long-lived assets, including property and equipment and definite-lived intangible assets (e.g., franchise rights and franchise agreement acquisition costs), at the lowest level for which identifiable cash flows are largely independent of the cash flows of other assets and liabilities. The Company evaluates the potential impairment of its long-lived asset groups annually as of December 31 or earlier when other circumstances indicate that the Company may not be able to recover the carrying value of the asset group. When indicators of impairment are present, then the recoverability is assessed based on undiscounted expected cash flows. If the undiscounted expected cash flows are less than the carrying amount of the asset group, then an impairment charge is measured and recognized, as applicable, for the excess of the carrying value over the fair value of the asset group. The fair value of the long-lived asset groups are estimated primarily using discounted cash flow analyses representing the highest and best use by an independent market participant. Significant management judgment is involved in evaluating any indicators of impairment and developing any required projections to test for the recoverability or the estimated fair value.

The Company did not identify any indicators of impairment of long-lived assets from the Hotel Franchising reporting unit during the years ended December 31, 2024, 2023, and 2022, other than impairments on franchise sales commission assets and franchise agreement acquisition cost intangible assets, which are recognized within selling, general and administrative expenses and other expenses from franchised and managed properties in the consolidated statements of income. Refer to Note 2 for additional information.

During the year ended December 31, 2023, the Company recognized an impairment loss on the long-lived assets associated with the legacy Radisson corporate office lease. Refer to Note 6 for additional information.

The Company evaluates the impairment of goodwill and intangible assets with indefinite lives annually as of December 31 or earlier upon the occurrence of substantive unfavorable changes in economic conditions, industry trends, costs, cash flows, or ongoing declines in market capitalization that indicate that the Company may not be able to recover the carrying amount of the asset. In evaluating these assets for impairment, the Company may elect to first assess qualitative factors to determine whether it is more likely than not that the fair value of the reporting unit or the indefinite lived intangible asset is less than its carrying amount. If the conclusion is that it is not more likely than not that the fair value of the asset is less than its carrying value, then no further testing is required. If the conclusion is that it is more likely than not that the fair value of the asset is less than its carrying value, then a quantitative impairment test is performed whereby the carrying value is compared to the fair value of the asset and an impairment charge is recognized, as applicable, for the excess of the carrying value over the fair value. The Company may elect to forgo the qualitative assessment and move directly to the quantitative impairment tests for goodwill and indefinite-lived intangible assets. The Company determines the fair value of its reporting units and indefinite-lived intangible assets using the income and market methods.

Goodwill is allocated to the Company's reporting units. The Company's reporting units are determined primarily by the availability of discrete financial information relied upon by the chief operating decision maker ("CODM") to assess performance and make operating segment resource allocation decisions. As of December 31, 2024, the Company's goodwill is allocated solely to the Hotel Franchising reporting unit. The Company performed the qualitative impairment analysis for the Hotel Franchising reporting unit, concluding that it is more likely than not that the fair value of the reporting unit is greater than its carrying amount. As such, a quantitative test was not required and no impairment was recorded.

## Variable Interest Entities

In accordance with the guidance for the consolidation of variable interest entities ("VIE"), the Company identifies its variable interests and analyzes to determine if the entity in which the Company has a variable interest is a VIE. The Company's variable interests include equity investments, loans, and guaranties. The determination of whether a variable interest is a VIE includes both quantitative and qualitative considerations. For those entities determined to be VIEs, a further quantitative and qualitative analysis is performed to determine if the Company is deemed to be the primary beneficiary. The primary beneficiary is the party who has the power to direct the activities of a VIE that most significantly impacts the entity's economic performance and who has an obligation to absorb the losses of the entity or a right to receive the benefits from the entity that could potentially be significant. The Company consolidates those entities in which it is determined to be the primary beneficiary. As of December 31, 2024, the Company is not the primary beneficiary of any VIE. The Company's qualitative analysis is based on its review of the design of the entity, the organizational structure including its decision-making ability, and the relevant development, operating management, and financial agreements.

The investments in unconsolidated affiliates where the Company is not deemed to be the primary beneficiary but where the Company exercises significant influence over the operating and financial policies of the investee are accounted for using the equity method of accounting.

#### Investments in Affiliates

The Company evaluates an investment in an affiliate for impairment when circumstances indicate that the carrying value may not be recoverable, such as a loan default, significant under-performance relative to historical or projected operating performance, and/or significant negative industry, market, or economic trends. When there is an indication that a loss in value has occurred, the Company evaluates the carrying value compared to the estimated fair value of the investment. The fair value is based upon internally-developed discounted cash flow models, third-party appraisals, or current estimated net sales proceeds from pending offers. There are judgments and assumptions in each of these fair value determinations, including our selection of comparable market transactions, the amount and timing of expected future cash flows, long-term growth rates, and sales capitalization rates. These nonrecurring fair value measurements are classified as level three in the fair value measurement hierarchy, as the Company utilizes unobservable inputs which are significant to the overall fair value. If the estimated fair value is less than the carrying value, then management uses its judgment to determine if the decline in value is other-than-temporary. In determining this, the Company considers factors including, but not limited to, the length of time and extent of the decline, loss of value as a percentage of the cost, financial condition, near-term financial projections, the Company's intent and ability to recover the lost value, and current economic conditions. For declines in value that are deemed to be other-than-temporary, then the impairment charge is recognized to earnings. The Company did not recognize any impairment charges on its investments in affiliates during the years ended December 31, 2024 and 2023. During the year ended December 31, 2022, the Company recognized impairment charges were recognized within equity in net gain of affiliates in the consolidated statements of income. Refer to Note 8 for additional i

#### Investments in Equity Securities

The Company's investments in equity securities are recognized at fair value in the consolidated balance sheets, and the unrealized gains and losses on the investments in equity securities are recognized as other loss (gain) in the consolidated statements of income. Refer to Note 14 for additional information on the fair value measurements of the equity securities. The realized gains and losses on the investments in equity securities are recognized upon the disposition of the equity securities using the specific identification method as other loss (gain) in the consolidated statements of income.

## Foreign Operations

The United States dollar is the functional currency of the consolidated entities operating in the United States. The functional currency for the consolidated entities operating outside of the United States is generally the currency of the primary economic environment in which the entity primarily generates and expends cash. The Company translates the financial statements of the consolidated entities whose functional currency is not the United States dollar into United States dollars. The Company translates the assets and liabilities at the exchange rate in effect as of the financial statement date, and translates income statement accounts using the approximate weighted average exchange rate for the period. The Company includes translation adjustments from foreign exchange and the effect of exchange rate changes on intercompany transactions of a long-term investment nature as a separate component of shareholders' (deficit) equity. The Company presents foreign currency transaction gains and losses, and the effect of inter-company transactions of a short-term or trading nature, within other loss (gain) in the consolidated statements of income. For the years ended December 31, 2024 and 2023, the foreign currency transaction gains were \$2.1 million, respectively. For the year ended December 31, 2022, the foreign currency transaction losses were \$1.0 million.

# Share-Based Compensation

The Company has stock compensation plans pursuant to which it is authorized to grant share-based awards, including restricted stock, stock options, stock appreciation rights, and performance-based share awards, to officers, key employees, and non-employee directors with contractual terms that are set by the Compensation and Management Development Committee of the Board of Directors.

Stock Options - The Company recognizes compensation expense related to the fair value of these awards on a straight-line basis over the requisite service period for the share-based awards that ultimately vest. The fair value of the stock options is estimated on the grant date using the Black-Scholes options-pricing model.

Restricted Stock Units ("RSUs") - The Company recognizes compensation expense related to the fair value of the restricted stock awards on a straight-line basis over the requisite service period for the restricted stock awards that ultimately vest. The fair value of the grants is measured by the market price of the Company's common stock on the date of grant. The restricted stock awards generally vest ratably over the service period beginning on the first anniversary of the grant date. The restricted stock awards granted to retirement eligible non-employee directors are recognized over the shorter of the requisite service period or the length of time until retirement since the terms of the grant provide that awards will vest upon retirement.

Performance Vested Restricted Stock Units ("PVRSUs") - The Company has granted PVRSUs to certain employees. The Company grants three types of PVRSU awards: i) PVRSUs with performance conditions based on internal performance metrics, ii) PVRSUs with market conditions based on the Company's total shareholder return ("TSR") relative to a predetermined peer group, and iii) PVRSUs with both performance and market conditions. The vesting of the PVRSU awards is contingent upon the Company achieving the internal performance and/or TSR targets over a specified period and the employees' continued employment over the service period. The performance and market conditions affect the number of shares that will ultimately vest.

The fair value of the PVRSUs with performance conditions based on internal performance metrics is measured by the market price of the Company's common stock on the date of the award grant. The Company recognizes compensation expense ratably over the requisite service period based on the Company's estimate of achieving the performance conditions.

The fair value of the PVRSUs with market conditions is estimated using a Monte Carlo simulation method as of the date of the award grant. The Company recognizes compensation expense ratably over the requisite service period regardless of whether the market conditions are achieved and the awards ultimately vest

The fair value of the PVRSUs with both performance and market conditions is estimated using a Monte Carlo simulation as of the date of the award grant. The Company recognizes compensation expense ratably over the requisite service period based on the Company's estimate of achieving the performance conditions, with subsequent adjustments being made for the performance-based leveraging of any unvested PVRSUs, as necessary.

Over the life of the share-based award grant, the Company's estimate of the share-based compensation expense for the share-based awards with performance and/or service requirements will be adjusted so that compensation expense is recognized only for the share-based awards that will ultimately vest. The expected forfeiture rate is calculated based on the number of shares that have historically been forfeited due to termination within one year of the grant date.

#### Leases

The Company determines if an arrangement is a lease, and the classification as either an operating lease or a financing lease, at lease inception. Operating leases are included in operating lease right-of-use assets, accrued expenses and other current liabilities, and operating lease liabilities in our consolidated balance sheets. As of December 31, 2024 and 2023, the Company did not have any leases classified as a financing lease.

On the commencement date, operating lease right-of-use assets and operating lease liabilities are recognized based on the present value of the future minimum lease payments over the lease term. The operating lease right-of-use assets are further offset by prepaid rent, lease incentives, and initial direct costs incurred. When a lease agreement does not provide an implicit rate, the Company utilizes its incremental borrowing rate based on the information available at the commencement date in determining the present value of the future minimum lease payments.

Lease expense for the minimum lease payments is recognized on a straight-line basis over the lease term. Variable lease payments include certain index-based changes in rent, certain non-lease components (such as maintenance and other services provided by the lessor), and other charges included in the lease. Variable lease payments are excluded from the future minimum lease payments and expensed as incurred.

The Company has made an election to not separate the lease and the non-lease components for all classes of underlying assets in which it is the lessee. In addition, the Company has made an election to not recognize short-term leases with an initial term of 12 months or less in the consolidated balance sheets. These short-term leases are expensed on a straight-line basis over the lease term.

#### Recently Adopted & Issued Accounting Standards

In November 2023, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2023-07, *Improvements to Reportable Segment Disclosures* ("ASU 2023-07"). ASU 2023-07 requires public entities to disclose significant segment expenses by reportable segment if they are regularly provided to the chief operating decision maker and included in each reported measure of segment profit or loss on both an annual and an interim basis. ASU 2023-07 is effective for the annual reporting period beginning after December 15, 2023 and the interim periods within the annual reporting period beginning after December 15, 2024. The Company adopted ASU 2023-07 on a retrospective basis effective December 31, 2024. The adoption of this standard did not have an impact on the Company's consolidated financial statements, but it did require enhanced segment disclosures in the notes to the consolidated financial statements. Refer to Note 20 for more information.

In December 2023, the FASB issued ASU 2023-09, *Improvements to Income Tax Disclosures* ("ASU 2023-09"). ASU 2023-09 is designed to provide additional information to financial statement users in regards to how an entity's operations, risks, and planning affect its tax rate, opportunities, and future cash flows. ASU 2023-09 is effective for the annual reporting period beginning after December 15, 2024. Based on the Company's assessment, the adoption of this standard is not expected to have an impact on the Company's consolidated financial statements, but it will require enhanced income tax disclosures in the notes to the consolidated financial statements.

In November 2024, the FASB issued ASU 2024-03, *Disaggregation of Income Statement Expenses* ("ASU 2024-03"). ASU 2024-03 requires public entities to provide detailed disclosure of the income statement expenses in the footnotes to the consolidated financial statements. ASU 2024-03 does not require any changes to the expense captions on the face of the consolidated income statement. ASU 2024-03 is effective for the annual reporting period beginning after December 15, 2026 and for the interim periods within the annual reporting period beginning after December 15, 2027. Early adoption is permitted. The Company is currently evaluating the potential impact that ASU 2024-03 will have on the Company's consolidated financial statements.

## 2. Revenue

#### Contract Liabilities

Contract liabilities relate to (i) advance consideration received related to services considered to be a part of the brand intellectual property performance obligation, such as initial franchise fees that are paid when a franchise agreement is executed and system implementation fees that are paid at the time of installation, and (ii) amounts received when loyalty points are issued but the associated revenue has not yet been recognized because the related loyalty points have not been redeemed.

Deferred revenues from initial franchise fees and system implementation fees are typically recognized over a ten-year period, unless the franchise agreement is terminated and the hotel exits the franchise system whereby the remaining deferred revenue amounts are recognized to revenue in the period of termination. Loyalty points are typically redeemed within three years of issuance.

The following table summarizes the significant changes in the contract liabilities balances during the year ended December 31, 2024:

# (in thousands)

(iii tiiousaiius)	
Balance as of December 31, 2023	\$ 209,895
Increases to the contract liability balance due to cash received	126,055
Revenue recognized in the period	 (119,253)
Balance as of December 31, 2024	\$ 216,697

### Remaining Performance Obligations

The aggregate amount of the transaction price that is allocated to unsatisfied, or partially unsatisfied, performance obligations was \$216.7 million as of December 31, 2024. This amount represents the fixed transaction price that will be recognized as revenue in future periods, which is presented as current and non-current deferred revenue in the consolidated balance sheets.

Based on the practical expedient elections permitted by ASU 2014-09, *Revenue From Contracts with Customers (Topic 606)* and subsequent amendments ("Topic 606"), the Company does not disclose the value of unsatisfied performance obligations for (i) variable consideration subject to the sales or usage-based royalty constraint or comprising a component of a series (including franchise, partnership, qualified vendor, and SaaS agreements), (ii) variable consideration for which the Company recognizes revenue at the amount to which it has the right to invoice for the services performed, or (iii) contracts with an expected original duration of one year or less.

### Capitalized Franchise Agreement Costs

Sales commissions earned by Company personnel upon execution of a franchise agreement ("franchise sales commissions") meet the requirement to be capitalized as an incremental cost of obtaining a contract with a customer. The capitalized franchise sales commissions are amortized on a straight-line basis over the estimated benefit period of the arrangement, unless the franchise agreement is terminated and the hotel exits the system whereby the remaining capitalized amounts will be expensed in the period of termination. The estimated benefit period is the Company's estimate of the duration a hotel will remain in the Choice system. As of December 31, 2024 and 2023, the capitalized franchise sales commissions were \$59.5 million and \$58.6 million, respectively, which are recognized within other assets in the consolidated balance sheets. For the years ended December 31, 2024, 2023, and 2022, amortization expense and impairment charges were \$10.2 million, \$13.1 million, and \$13.0 million, respectively, which are recognized in selling, general and administrative expenses in the consolidated statements of income.

The Company makes certain payments to customers as an incentive to enter into new franchise agreements ("franchise agreement acquisition costs"). These payments are recognized as an adjustment to the transaction price and capitalized as an intangible asset in the consolidated balance sheets. The franchise agreement acquisition cost intangible assets are amortized on a straight-line basis over the estimated benefit period of the arrangement as a reduction to royalty, licensing and management fees and other revenues from franchised and managed properties in the consolidated statements of income. For the year ended December 31, 2024, the net recoveries from adverse franchise agreement activity, including terminations and significant delinquencies in construction or invoice payments, was \$0.4 million which is recognized in selling, general and administrative expenses and other expenses from franchised and managed properties in the consolidated statements of income. For the years ended December 31, 2023 and 2022, the net impairments from adverse franchise agreement activity, including terminations and significant delinquencies in construction or invoice payments, were \$7.3 million and \$2.5 million, respectively, which are recognized in selling, general and administrative expenses and other expenses from franchised and managed properties in the consolidated statements of income.

#### Other Revenues

During the year ended December 31, 2022, other revenues included contract termination fee revenue of \$22.7 million from the exit of 110 WoodSpring units in September 2022. The contract termination fee revenue consisted of \$67.4 million in consideration received, less the \$44.7 million in intangible assets that were initially recognized on the date of the WoodSpring acquisition.

#### 4. Receivables and Allowance for Credit Losses

### Notes Receivable

The Company has provided financing in the form of notes receivable loans to franchisees in order to support the development of hotel properties in strategic markets. The Company's credit quality indicator is the level of security in the note receivable.

The following table summarizes the composition of the notes receivable balances by credit quality indicator and the allowance for credit losses:

(Reversal) provision for credit losses	(609)		763		
Recoveries	 (676)		(2,319)		
Ending balance	\$ 7,331	\$	8,616		

During the years ended December 31, 2024 and 2023, the recoveries were primarily associated with cash collections pursuant to a settlement agreement with a borrower.

As of December 31, 2024 and December 31, 2023, one note receivable loan with a senior credit quality indicator met the definition of collateral-dependent and is collateralized by the membership interests in the borrowing entities and the associated land parcel. The Company used a market approach that uses quoted market prices to value the underlying collateral. The Company reviewed the borrower's financial statements, economic trends, industry projections for the market, and comparable sales capitalization rates, which represent significant inputs to the cash flow projections. These nonrecurring fair value measurements are classified as Level 3 in the fair value measurement hierarchy because they are unobservable inputs which are significant to the overall fair value. Based on the Company's analysis, the fair value of the collateral secures substantially all of the carrying value of the respective note receivable loan. The allowance for credit losses attributable to the collateral-dependent note receivable loan was \$2.2 million as of December 31, 2024 and 2023.

The following table summarizes the past due balances by credit quality indicator of the notes receivable:

The amortized cost basis of the notes receivable in a non-accrual status was \$17.5 million and \$15.9 million as of December 31, 2024 and 2023, respectively.

## Variable Interest through Notes Receivable

The Company has issued notes receivable loans to certain entities that have created variable interests in the associated borrowers totaling \$103.1 million and \$95.1 million as of December 31, 2024 and 2023, respectively. The Company has determined that it is not the primary beneficiary of these variable interest entities ("VIEs"). For the collateral-dependent loans, the Company has no exposure to the borrowing VIE beyond the respective note receivable and the limited commitments which are addressed in Note 23.

#### Accounts Receivable

Accounts receivable consists primarily of franchise and related fees due from the hotel franchisees and are recorded at the invoiced amount.

During the year ended December 31, 2024, the Company recognized provisions for credit losses on accounts receivable of \$11.0 million in selling, general and administrative expenses, and \$9.7 million in other expenses from franchised and managed properties, in the consolidated statements of income. During the year ended December 31, 2023, the Company recognized provisions for credit losses on accounts receivable of \$7.5 million in selling, general and administrative expenses, and \$9.0 million in other expenses from franchised and managed properties, in the consolidated statements of income. For the years ended December 31, 2024 and 2023, the Company recorded write-offs, net of recoveries, through the accounts receivable allowance for credit losses of \$14.4 million and \$0.6 million, respectively.

#### 5. Property and Equipment

The components of property and equipment were the following:

	Decer	nber 31,
(in thousands)	2024	2023
Land and land improvements	\$ 51,045	\$ 44,978
Construction in progress and software under development	151,756	98,310

For the years ended December 31, 2024, 2023, and 2022, the Company recognized depreciation and amortization expense of \$23.0 million, \$20.9 million, and \$14.5 million, respectively, in depreciation and amortization in the consolidated statements of income. Additionally, for the years ended December 31, 2024, 2023, and 2022, the Company recognized depreciation and

amortization expense of \$25.6 million, \$32.2 million, and \$29.4 million, respectively, in other expenses from franchised and managed properties in the consolidated statements of income.

For the years ended December 31, 2024, 2023, and 2022, the Company recognized amortization of capitalized software development costs of \$22.8 million, \$30.3 million, and \$26.6 million, respectively, which are included in the total depreciation and amortization expense amounts that are disclosed in the paragraph above. As of December 31, 2024 and 2023, unamortized capitalized software development costs were \$65.3 million and \$50.3 million, respectively.

#### 6. Goodwill, Impairment of Assets, and Sale of Business and Assets

#### Goodwill

The following table summarizes the carrying amount of the Company's goodwill:

	December 31,				
(in thousands)	 2024		2023		
Goodwill	\$ 227,765	\$	226,231		
Goodwill arising from the Radisson Hotels Americas acquisition	 _		1,534		
Total goodwill, gross carrying amount	 227,765		227,765		
Accumulated impairment losses	 (7,578)		(7,578)		
Goodwill, net carrying amount	\$ 220,187	\$	220,187		

As of December 31, 2024 and 2023, goodwill is entirely attributable to the Hotel Franchising reporting unit. The Company assessed the qualitative factors attributable to the Hotel Franchising reporting unit and determined that it is not more likely than not that the fair value of the reporting unit is less than its carrying amount. The Hotel Franchising reporting unit is included in the Hotel Franchising & Management reportable segment in Note 20.

#### Long-lived Asset Group Impairments

Legacy Radisson Corporate Office Lease

On October 12, 2023, the Company executed an agreement to sublease the legacy Radisson corporate office space in Minneapolis, Minnesota. As a result of the intended change of use, the Company determined the assets associated with the legacy Radisson corporate office space represent their own long-lived asset group, inclusive of the head lease right-of-use asset and leasehold improvements, with a carrying value of \$9.5 million. The legacy Radisson corporate office space long-lived asset group was determined to be impaired due to the carrying value exceeding its fair value, which resulted in the recognition of a \$3.4 million impairment loss, which is presented in impairments of long-lived assets in the consolidated statements of income and the Corporate & Other segment in Note 20. This nonrecurring fair value measurement, which is based on a discounted cash flows analysis, is classified as Level 3 in the fair value measurement hierarchy because there are unobservable inputs which are significant to the overall fair value.

## Real Estate Asset Sales

During the year ended December 31, 2022, four separately owned Cambria hotel assets or land parcels met the held for sale classification and the Company completed the sale transactions to third-party franchisees, which resulted in the derecognition of the assets from the consolidated balance sheets. During the year ended December 31, 2022, the Company recognized a gain on sale of business and assets, net for the four sale transactions of \$16.2 million in the Corporate & Other segment.

### 7. Intangible Assets

The components of the Company's intangible assets were the following:

(in thousands)	Gr	oss Carrying Amount		Accumulated Amortization	N	Net Carrying Value	Gi	oss Carrying Amount	ccumulated mortization	N	let Carrying Value

- (1) Represents the purchase price assigned to long-term franchise contracts. The unamortized balance relates primarily to the franchise rights established from the Radisson Hotels Americas Transaction, as well as the active WoodSpring franchise rights since the acquisition. The franchise rights are being amortized over useful lives ranging from 12 to 15 years on a straight-line basis.
- (2) Represents certain payments to customers as an incentive to enter into new franchise agreements, which are amortized as a reduction to royalty, licensing and management fees and other revenues from franchised and managed properties in the consolidated statements of income over useful lives generally ranging from 10 to 30 years on a straight-line basis commencing at hotel opening. The gross and accumulated amortization amounts are written off upon full amortization recognition, including the termination of an associated franchise agreement.
- (3) Represents definite-lived trademarks and other amortizing assets, including management agreements, which are generally amortized on a straight-line basis over a period of 10 years to 30 years.
- (4) Represents software licenses that have been capitalized under a SaaS agreement, which are generally amortized on a straight-line basis over an average period of 3 years.
- (5) Represents the purchase price assigned to the Radisson, WoodSpring, and Suburban trademarks that were recognized at the time of their respective acquisitions. The trademarks are non-amortizing assets because they are expected to generate future cash flows for an indefinite period of time.

For the years ended December 31, 2024, 2023, and 2022, amortization on the amortizing intangible assets was \$50.9 million, \$42.5 million, and \$35.1 million, respectively.

The estimated annual amortization on the amortizing intangible assets for each of the next five years is as follows:

(in thousands)	
2025	\$ 48,894
2026	\$ 47,947
2027	\$ 47,012
2028	\$ 45,328
2029	\$ 44,127

## 8. Investments in Affiliates

The Company has equity method investments in affiliates primarily related to the Company's program to offer equity support to qualified franchisees to develop and operate Cambria Hotels and Everhome Suites in strategic markets.

As of December 31, 2024 and 2023, the Company had total investments in affiliates in the consolidated balance sheets of \$117.0 million and \$70.6 million, respectively, which included investments in affiliates that represent VIEs of \$104.2 million and \$59.4 million, respectively. The Company has determined that it is not the primary beneficiary of any of these VIEs, however the Company does exercise significant influence through its equity ownership and as a result, the investments in these affiliates are accounted for under the equity method of accounting. During the years ended December 31, 2024, 2023, and 2022, the Company recognized gains of \$6.9 million, and losses of \$3.4 million and \$3.7 million, respectively, from these investments that represent VIEs. The Company's maximum exposure to losses related to its investments in the VIEs is limited to the total of its respective equity investment as well as certain limited payment guaranties, which are described in Note 23 to these consolidated financial statements.

During the years ended December 31, 2024 and 2023, the Company recognized no impairment charges related to its equity method investments. During the year ended December 31, 2022, the Company recognized impairment charges of \$0.2 million related to certain equity method investments. The Company estimated the fair value of each investment on an individual basis and derived the fair value from a combination of observable prices from offers received for either the underlying collateral or the ownership interest of the unconsolidated affiliate, comparable market transactions, and DCF techniques to project the cash

flows for the investment based upon the underlying property. There are judgments and assumptions in each of these fair value determinations, including our selection of comparable market transactions, the amount and timing of the expected future cash flows, long-term growth rates, and sales capitalization rates. These nonrecurring fair value measurements are classified as level three in the fair value measurement hierarchy, as the Company utilized unobservable inputs which are significant to the overall fair value. Based on these analyses, in each case, the Company determined that the fair value declined below the carrying value and the decline is other-than-temporary. As a result, the Company recognized an impairment charge equal to the difference between the carrying value and the estimated fair value for each investment.

During the year ended December 31, 2024, the Company received distributions from the sale of affiliates of \$15.9 million and recognized net gains of \$7.2 million, which was recognized in equity in net gain of affiliates in the consolidated statements of income. During the year ended December 31, 2023, the Company received distributions of \$0.9 million which resulted in no net gains (losses). During the year ended December 31, 2022, the Company received no distributions and therefore recognized no net gains (losses).

The Company's ownership interests in its affiliates were as follows:

### Senior Unsecured Revolving Credit Facility

On June 28, 2024, the Company entered into a Second Amended and Restated Senior Unsecured Credit Agreement (the "Restated Credit Agreement"), which amended and restated the Company's existing amended and restated senior unsecured credit agreement dated August 20, 2018 (the "Former Credit Agreement"). The Former Credit Agreement provided for an \$850 million unsecured revolving credit facility (the "Revolver") with a final maturity date of August 20, 2026. The Restated Credit Agreement increased the commitments under the Revolver to \$1 billion and extended the final maturity date of the Revolver to June 28, 2029, subject to optional one-year extensions that can be requested by the Company prior to each of the third, fourth, and fifth anniversaries of the closing date of the Restated Credit Agreement. The effectiveness of such extension is subject to the consent of the lenders under the Restated Credit Agreement and certain customary conditions. The Restated Credit Agreement also provides that up to \$50 million of borrowings under the Revolver may be used for alternative currency loans, up to \$10 million of capacity under the Revolver may be used for the issuance of letters of credit, and up to \$25 million of borrowings under the Revolver may be used for swingline loans. The Company may from time to time designate one or more wholly-owned subsidiaries of the Company as additional borrowers under the Restated Credit Agreement, subject to the consent of the lenders and certain customary conditions. At any time prior to the final maturity date, the Company may increase the amount of the Revolver or add one or more term loan facilities under the Restated Credit Agreement by up to an additional \$500 million in the aggregate to the extent that any one or more lenders commit to being a lender for the additional amount of such increase or the term loan facility and certain other customary conditions are met.

#### 2024 Senior Unsecured Notes Due 2034

On July 2, 2024, the Company issued unsecured senior notes with a principal amount of \$600 million (the "2024 Senior Notes") at a discount of \$6.4 million, bearing a coupon of 5.85%, with an effective rate of 6.11%, and mature on August 1, 2034. Interest on the 2024 Senior Notes is payable semi-annually on February 1<sup>st</sup> and August 1<sup>st</sup> of each year, commencing on February 1, 2025. The interest rate payable on the 2024 Senior Notes will be subject to adjustment based on certain rating events.

### 2023 Term Loan Due 2024

On December 18, 2023, the Company entered into a \$500 million unsecured term loan with a maturity date of December 16, 2024 (the "2023 Term Loan"). The 2023 Term Loan and all accrued but unpaid interest must be repaid in full on the maturity date. On July 2, 2024, the Company used a portion of the net proceeds from the sale of the 2024 Senior Notes, after deducting underwriting discounts and commissions and other offering expenses, to repay in full the 2023 Term Loan.

#### 13. Non-Qualified Retirement, Savings, and Investment Plans

The Company sponsors two non-qualified retirement savings and investment plans for certain employees and senior executives. Employee and Company contributions are maintained in separate irrevocable trusts. Legally, the assets of the trusts remain those of the Company; however, access to the trusts' assets is severely restricted. The trusts cannot be revoked by the Company or an acquirer, but the assets are subject to the claims of the Company's general creditors. The participants do not have the right to assign or transfer contractual rights in the trusts.

In 2002, the Company adopted the Choice Hotels International, Inc. Executive Deferred Compensation Plan ("EDCP") which became effective on January 1, 2003. Under the EDCP, certain executive officers may defer a portion of their salary into an irrevocable trust and invest these amounts in a selection of available diversified investment options. In 1997, the Company adopted the Choice Hotels International, Inc. Non-Qualified Retirement Savings and Investment Plan ("Non-Qualified Plan"). The Non-Qualified Plan allows certain employees who do not participate in the EDCP to defer a portion of their salary and invest these amounts in a selection of available diversified investment options. Under the EDCP and the Non-Qualified Plan (together, the "Deferred Compensation Plan"), the Company recognized current and long-term deferred compensation and retirement plan liabilities of \$55.0 million and \$47.5 million as of December 31, 2024 and 2023, respectively, related to the deferrals and the credited investment returns under these two deferred compensation plans. Compensation expense or benefit is recognized in selling, general and administrative expenses in the consolidated statements of income based on the change in the deferred compensation and retirement plan obligations related to the earnings credited to the participants as well as the changes in the fair value of the diversified investments. For the years ended December 31, 2024 and 2023, the Company recognized compensation expense of \$8.2 million and \$7.0 million, respectively, in selling, general and administrative expenses in the consolidated statements of income. For the year ended December 31, 2022, the Company recognized compensation benefit of \$5.3 million in selling, general and administrative expenses in the consolidated statements of income.

#### 14. Fair Value Measurements

The Company estimates the fair value of its financial instruments utilizing a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. The following summarizes the three levels of inputs, as well as the assets that the Company values using those levels of inputs on a recurring basis.

- Level 1 Quoted prices in active markets for identical assets and liabilities. The Company's Level 1 assets consist of equity securities and mutual funds held in the Company's Deferred Compensation Plan.
- Level 2 Observable inputs, other than quoted prices in active markets for identical assets and liabilities, such as quoted prices for similar assets and liabilities, quoted prices in markets that are not active, or other inputs that are observable. The Company's Level 2 assets consist of money market funds held in the Company's Deferred Compensation Plan.
- Level 3 Unobservable inputs, supported by little or no market data available, where the reporting entity is required to develop its own assumptions to determine the fair value of the instrument. The Company does not currently have any assets recorded at fair value on a recurring basis whose fair value was determined using Level 3 inputs and there were no transfers of Level 3 assets during the years ended December 31, 2024 and 2023.

The Company recognized the following assets at fair value on a recurring basis in the consolidated balance sheets:

	Fair Value Measurements at Reporting

The long-term assets at fair value noted above are presented in investments for employee benefit plans, at fair value in the consolidated balance sheets.

# Investments in Equity Securities

For the year ended December 31, 2024, the Company sold approximately 1.4 million shares of equity securities of another issuer for \$108.1 million and recognized a net loss of \$8.3 million on the sales of equity securities. The following table is a summary of the unrealized gains and losses of the investments in equity securities:

## Other Financial Instruments Disclosure

The Company believes that the fair values of its current assets and current liabilities approximate their reported carrying amounts due to the short-term nature of these items. In addition, the interest rate on the senior unsecured revolving credit facility adjusts frequently based on current market interest rates; therefore, the Company believes the carrying amount approximates the fair value.

The fair values of the Company's senior unsecured notes are classified as Level 2 because the significant inputs are observable in an active market. Refer to Note 12 for additional information on debt. As of December 31, 2024 and 2023, the carrying amounts and the fair values were as follows:

	 December	r 31, 2	2024	 Decembe	2023		
(in thousands)	Carrying Amount		Fair Value	Carrying Amount	Fair Value		
2019 Senior Notes Due 2029	\$ 397,042	\$	371,600	\$ 396,440	\$	355,068	
2020 Senior Notes Due 2031	\$ 446,300	\$	405,351	\$ 445,690	\$	389,241	
2024 Senior Notes Due 2034	\$ 588,764	\$	601,836	\$ _	\$	_	

The fair value estimates are determined at a specific point in time, are subjective in nature, and involve uncertainties and matters of significant judgment. The settlement of such fair value amounts may not be possible or a prudent management decision.

The Company assesses all positive and negative evidence to estimate whether sufficient future taxable income will be generated to use its deferred tax assets. Based on this evaluation, the Company recorded a net change to its valuation allowance of \$5.4 million due to state tax credits.

The Company has \$24.7 million of state income tax credit carryforwards. It is unlikely that the Company will realize these benefits. Accordingly, the Company has provided a full valuation allowance against these carryforwards.

As of December 31, 2024, the Company had gross foreign net operating losses ("NOLs") of \$29.3 million, all of which have indefinite carryforward lives. The Company has recorded a tax-effected valuation allowance of \$1.8 million for these NOLs, primarily related to France and India. In addition, the Company has a Dutch deferred tax asset of \$11.3 million, for which it has recorded a valuation allowance of \$3.0 million. The Dutch valuation allowance did not change during the year ended December 31, 2024.

The following table presents a reconciliation of the statutory United States federal income tax rate to the effective income tax rate for continuing operations:

	Year	Year Ended December 31,					
	2024	2023	2022				
Statutory U.S. federal income tax rate	21.0 %	21.0 %	21.0 %				
State income taxes, net of federal tax benefit	3.5 %	3.2 %	3.0 %				
Expenses related to foreign operations	0.7 %	0.3 %	0.1 %				
Expenses related to compensation, net	1.3 %	1.0 %	1.0 %				
Unrecognized tax positions	(0.8)%	0.5 %	0.2 %				
Tax credits	(2.4)%	(2.4)%	(1.5)%				
Valuation allowance	0.6 %	0.6 %	0.5 %				
Other	0.4 %	(0.9)%	(0.3)%				
Effective income tax rate	24.3 %	23.3 %	24.0 %				

The Company's effective income tax rates from continuing operations were 24.3%, 23.3%, and 24.0% for the years ended December 31, 2024, 2023, and 2022, respectively.

The effective income tax rates for the years ended December 31, 2024, 2023, and 2022 were higher than the U.S. federal income tax rate of 21.0% primarily due to the impact of state income taxes and tax expense related to compensation, partially offset by federal income tax credits.

For the years ended December 31, 2024, 2023, and 2022, the Company's gross unrecognized tax benefits totaled \$6.9 million, \$13.4 million, and \$11.9 million, respectively. After considering the deferred income tax accounting impact, it is expected that approximately \$4.6 million of the total as of December 31, 2024 would reduce the effective income tax rate if resolved in the Company's favor.

The following table presents a reconciliation of the beginning and ending amounts of the unrecognized tax benefits:

(in thousands)	2024	2023		2022
Balance, January 1	\$ 13,434	\$ 11,876	\$	11,147
Changes for tax positions of prior years	(776)	2,338		(31)
Increases for tax positions related to the current year	1,516	1,670		1,650
Settlements and lapsing of statutes of limitations	 (7,260)	(2,450)	)	(890)
Balance, December 31	\$ 6,914	\$ 13,434	\$	11,876

It is reasonably possible that the Company's unrecognized tax benefits could decrease within the next 12 months by as much as \$2.6 million due to settlements and the expiration of applicable statutes of limitations. The Company's federal income tax returns for the 2021, 2022, 2023, and 2024 tax years are subject to examination by the Internal Revenue Service.

The Company's policy is to recognize interest and penalties related to income tax matters in the provision for income taxes. The Company did not incur any material interest or penalties during the years ended December 31, 2024, 2023, and 2022. The Company had \$0.3 million and \$0.1 million of accrued interest and penalties as of December 31, 2024 and 2023, respectively.

Total intrinsic value of stock options exercised (in thousands)	\$ 12,185	\$	9,170	\$	5,390			
Total fair value of stock options vested (in thousands)	\$ 5,032	\$	4,857	\$	3,591			

The stock options granted by the Company had an exercise price equal to the market price of the Company's common stock on the date of grant. As of December 31, 2024, the aggregate intrinsic value of the stock options outstanding and exercisable was \$24.5 million and \$18.3 million, respectively.

The fair value of the options granted was estimated on the grant date using the Black-Scholes option-pricing model with the following weighted average assumptions:

	2024	2023	2022
Risk-free interest rate	4.27 %	4.10 %	2.01 %
Expected volatility	31.34 %	30.90 %	29.46 %
Expected life of stock option	6.0 years	6.0 years	5.9 years
Dividend yield	1.03 %	0.90 %	0.66 %
Requisite service period	4 years	4 years	4 years
Contractual life	10 years	10 years	10 years
Weighted average fair value of the stock options granted (per stock option)	\$ 38.85	\$ 42.59	\$ 42.66

The expected life of the stock options and the expected volatility are based on historical data which is believed to be indicative of future exercise patterns and volatility. The historical volatility is calculated based on a period that corresponds to the expected life of the stock option. The dividend yield and the risk-free interest rate are calculated on the grant date based on the then-current dividend rate and the risk-free interest rate for the period corresponding to the expected life of the stock option.

#### 18. Earnings Per Share

The Company's shares of restricted stock contain rights to receive nonforfeitable dividends and thus are participating securities requiring the computation of basic earnings per share using the two-class method. The shares of restricted stock are both potential shares of common stock and participating securities so the Company calculates diluted earnings per share by using the more dilutive of the treasury stock method or the two-class method. The calculation of earnings per share for the net income available to common shareholders excludes the distribution of dividends and the undistributed earnings attributable to the participating securities from the numerator. The diluted earnings per share includes stock options, PVRSUs, and RSUs in the calculation of the weighted average shares of common stock outstanding.

The computation of basic and diluted earnings per share was as follows:

	Year Ended December 31,							
(in thousands, except per share amounts)		2024	2023			2022		
Numerator:	'							
Net income	\$	299,665	\$	258,507	\$	332,152

### Office Lease

On September 26, 2023, the Company's principal executive office lease agreement commenced with an unrelated third-party for a lease term of approximately twelve years. The Company accounted for this lease as an operating lease and established a lease liability and a right-of-use asset of approximately \$41.9 million and \$28.6 million, respectively.

Sublease

In October 2023, the Company entered into a lease agreement with an unrelated third-party to sublease the legacy Radisson corporate office space in Minneapolis, Minnesota. The sublease term is approximately eight years and commenced during the first quarter of 2024. The Company re-evaluated the head lease upon the effectiveness of this sublease, which resulted in the Company recognizing a \$3.4 million impairment loss on certain long-lived assets associated with the leased office space in 2023. Refer to Note 6 for additional information.

## Related Party Lease

The Company and the family members of the Company's largest shareholder entered into an agreement that allows those family members to lease the Company's aircraft from time to time for their personal use. The agreement provides for lease payments that contribute towards the fixed costs associated with the aircraft as well as a reimbursement of the Company's variable costs associated with operating the aircraft, in compliance with and to the extent authorized by applicable regulatory requirements. The terms of this lease agreement are consistent with the terms of other lease agreements that the Company has entered into with unrelated third parties for use of the aircraft. During both of the years ended December 31, 2024 and 2023, the Company received less than \$0.1 million pursuant to this related party lease arrangement.

## 20. Reportable Segment Information

The Hotel Franchising & Management reportable segment includes the Company's hotel franchising operations which consists of its 22 brands and brand extensions and the hotel management operations of 13 hotels (inclusive of four owned hotels). The 22 brands and brand extensions and hotel management operations are aggregated together within this reportable segment because they have similar economic characteristics, types of customers, distribution channels, and regulatory business environments. The revenues from the hotel franchising and management business include royalty fees, initial franchise fees and relicensing fees, cost reimbursement revenues, platform and procurement services fees revenue, base and incentive management fees, and other hotel franchising and management-related revenue. The Company provides certain services under its franchise and management agreements which result in direct and indirect reimbursements. The cost reimbursement revenues received from the franchises are included in Hotel Franchising & Management revenues and are offset by the related expenses in order to calculate Hotel Franchising & Management operating income. The equity in the earnings or losses from the hotel franchising-related investment in affiliates is allocated to the Hotel Franchising & Management reportable segment.

The Company evaluates its Hotel Franchising & Management reportable segment based primarily on the operating income of the segment without allocating corporate expenses or indirect general and administrative expenses. The Corporate & Other column includes the operations of the Company's owned hotels.

Intersegment Eliminations to revenues is the elimination of Hotel Franchising & Management revenue which includes royalty fees, management and cost reimbursement fees charged to our owned hotels against the franchise and management fee expense that is recognized by our owned hotels in Corporate & Other operating income (loss).

Our President and Chief Executive Officer, who is our chief operating decision maker (CODM), utilizes budgeted and forecasted financial information as well as industry metrics, such as RevPar, Occupancy, and ADR, to assess the performance and to make resource allocation decisions. The CODM does not use assets by operating segment when assessing the performance or when making operating segment resource allocation decisions and therefore, assets by segment are not disclosed below.

### 21. Related Party Transactions

Transactions with the Company's Largest Shareholder

Effective October 15, 1997, Choice Hotels International, Inc., which included both a franchising business and an owned hotel business, separated the businesses via a spin-off into two companies: Sunburst Hospitality Corporation (referred to hereafter as "Sunburst") and the Company. Subsequent to the spin-off, the Company's largest shareholder retained significant ownership percentages in both Sunburst and the Company. As part of the spin-off, Sunburst and the Company entered into a strategic alliance agreement (as amended, the "Strategic Alliance Agreement"). Among other things, the Strategic Alliance Agreement provided for revised royalty and system fees and the determination of liquidated damages related to the termination of Choice-branded Sunburst properties. The liquidated damage provisions extend through the life of the existing Sunburst franchise agreements.

On June 5, 2019, the Strategic Alliance Agreement was terminated and replaced with addenda to each of the five hotels under a franchise at that time. The addenda preserve certain terms from the Strategic Alliance Agreement with respect to the five hotels, including the revised royalty and system fees and liquidated damage provisions, which would also apply to new franchise agreements signed for the five hotels (as either a renewal or a change to another Choice brand not contemplated at the time of the original agreement execution). No terms were substantially modified with respect to the five hotels under franchise. In June 2019, the Company and Sunburst entered into master development agreements, which provide Sunburst the geographic exclusivity in two specified regions for the development of five WoodSpring branded hotels. For the years ended December 31, 2024 and 2023, there were nine and three new franchise agreements signed between the Company and Sunburst and its affiliates, respectively. As of December 31, 2024, Sunburst and its affiliates operated seven hotels under franchise with the Company.

For the years ended December 31, 2024, 2023, and 2022, the total franchise fees revenues, including royalty fees and marketing and reservation system fees, paid by Sunburst and its affiliates to the Company included in the consolidated financial statements was \$1.8 million, \$0.9 million, and \$0.8 million, respectively. As of December 31, 2024, there was no outstanding accounts receivable due from Sunburst and its affiliates. As of December 31, 2023, accounts receivable due from Sunburst and its affiliates was approximately \$0.1 million.

In November 2023, the Company executed a 13-month office work space agreement, beginning December 1, 2023, for family members of the Company's largest shareholder. Pursuant to this arrangement, the Company made payments of \$96 thousand and \$18 thousand during the years ended December 31, 2024 and 2023, respectively, for full repayment under the arrangement. During 2024, the Company executed a 12-month extension of the agreement, beginning January 1, 2025. Pursuant to this arrangement, the Company made payments of \$10 thousand during the year ended December 31, 2024. As of December 31, 2024, the Company had \$102 thousand of remaining payments under this arrangement.

## 22. Transactions with Unconsolidated Affiliates

The Company has extended loans to various unconsolidated affiliates or members of our unconsolidated affiliates. The Company had a total principal balance on these loans of \$66.2 million and \$64.5 million as of December 31, 2024 and December 31, 2023, respectively. These loans mature at various dates and bear interest at fixed or variable rates.

The Company has management fee arrangements with certain of its unconsolidated affiliates. The fees earned and the payroll costs reimbursed under these arrangements totaled \$8.5 million, \$7.9 million, and \$2.4 million for the years ended December 31, 2024, 2023, and 2022, respectively.

The Company has entered into franchise agreements with certain of its unconsolidated affiliates. Pursuant to these franchise agreements, the Company recognized royalty fees and marketing and reservation system fees of approximately \$34.5 million, \$30.9 million, and \$27.2 million for the years ended December 31, 2024, 2023, and 2022, respectively.

The Company recognized \$9.5 million and \$4.9 million of gross accounts receivables in the consolidated balance sheets from these unconsolidated affiliates as of December 31, 2024 and 2023, respectively.

## 23. Commitments and Contingencies

The Company is not a party to any litigation other than litigation in the ordinary course of business. The Company's management and legal counsel do not expect that the ultimate outcome of any of its current legal proceedings, individually or in the aggregate, will have a material adverse effect on the Company's financial position, results of operations, or cash flows.

#### Contingencies

The Company entered into various limited payment guaranties with regards to the Company's VIEs in order to support their efforts to develop and own hotels that are franchised under the Company's brands. Under these limited payment guaranties, the Company has agreed to guarantee a portion of the outstanding debt until certain conditions are met, such as (a) the loan matures, (b) certain debt covenants are achieved, (c) the maximum amount guaranteed by the Company is paid in full, or (d) the Company, through its affiliates, ceases to be a member of the VIE. As of December 31, 2024, the maximum unrecorded exposure of the principal associated with these limited payment guaranties was \$30.1 million, plus unpaid expenses and accrued but unpaid interest. The Company believes the likelihood of having to perform under these guaranties is remote. In the event of performance, the Company has recourse for certain of the guaranties in the form of partial guaranties from third parties.

## Commitments

The Company had the following outstanding commitments as of December 31, 2024:

- As part of the acquisition of Radisson Hotels Americas in August 2022, the Company entered into a long-term management arrangement, with an expiration date of July 31, 2031, to manage hotels owned by a third-party. As of December 31, 2024, the Company managed seven hotels pursuant to the long-term management arrangement. In conjunction with the management arrangement, the Company entered into a guarantee with the third-party to fund any shortfalls in the payment of the third-party owner's priority that is stipulated in the management agreement. The maximum guarantee under the agreement is \$22 million. The Company believes the future performance of the hotels is expected to be sufficient on both an annual basis and over the duration of the agreement. Accordingly, no liability was recognized as of December 31, 2024 in the consolidated balance sheets.
- The Company strategically deploys capital in the form of franchise agreement acquisition cost payments across our brands to incentivize franchise development. These payments are typically made at the commencement of construction or the hotel's opening, in accordance with agreed upon provisions in the individual franchise agreements. The timing and the amount of the franchise agreement acquisition cost payments are dependent on various factors, including the implementation of various development and brand incentive programs, the level of franchise sales, and the ability of our franchisees to complete construction or convert their hotels to one of the Company's brands.
- The Company has committed to provide financing in the form of loans or credit facilities to franchisees for brand development efforts. As of December 31, 2024, the Company had remaining commitments of up to \$6.2 million, if certain conditions are met.
- The Company's franchise agreements require the payment of franchise fees, which include marketing and reservation system fees. In accordance with the terms of our franchise agreements, the Company is obligated to use the marketing and reservation system revenues it collects from the current franchisees to provide marketing and reservation services that are appropriate to support the operation of the overall system. To the extent the revenues collected exceed the expenditures incurred, the Company has a commitment to the franchisee system to make expenditures in future years. Conversely, to the extent the expenditures incurred exceed the revenues collected, the Company has the contractual enforceable right to assess and collect such amounts from the franchisees.

In the ordinary course of business, the Company enters into numerous agreements that contain standard indemnities whereby the Company indemnifies another party for breaches of representations and warranties. Such indemnifications are granted under various agreements, including those governing (i) purchases or sales of assets or businesses, (ii) leases of real estate, (iii) licensing of trademarks, (iv) access to credit facilities, (v) issuances of debt or equity securities, and (vi) certain operating agreements. The indemnifications issued are for the benefit of the (i) buyers in sale agreements and sellers in purchase agreements, (iii) landlords in lease contracts, (iii) franchisees in licensing agreements, (iv) financial institutions in credit facility arrangements, (v) underwriters in debt or equity security issuances, and (vi) parties under certain operating agreements. In addition, these parties are also generally indemnified against any third-party claim resulting from the transaction that is contemplated in the underlying agreement. While some of these indemnities extend only for the duration of the underlying agreement, many survive the expiration of the term of the agreement or extend into perpetuity (unless subject to a legal statute of limitations). There are no specific limitations on the maximum potential amount of the future payments that the Company could be required to make under these indemnifications as the triggering events are not subject to

predictability. With respect to certain of the aforementioned indemnities, such as the indemnifications of the landlords against third-party claims for the use of real estate property leased by the Company, the Company maintains insurance coverage that mitigates any potential liability.

#### Item 9. Changes in and Disagreements with Accountants on Accounting and Financial Disclosure

None.

#### Item 9A. Controls and Procedures

#### Management's Evaluation of Disclosure Controls and Procedures

The Company has a disclosure review committee whose membership includes the Chief Executive Officer ("CEO") and Chief Financial Officer ("CFO"), among others. The disclosure review committee's procedures are considered by the CEO and CFO in performing their evaluations of the Company's disclosure controls and procedures and in assessing the accuracy and completeness of the Company's disclosures.

Our management, with the participation of our CEO and CFO, have evaluated the effectiveness of our disclosure controls and procedures, as such term is defined in Rule 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended, (the "Exchange Act"), as of the end of the period covered by this annual report as required by Rules 13a-15(b) or 15d-15(b) under the Exchange Act. Our management, including our CEO and CFO, does not expect that our disclosure controls and procedures or our internal control over financial reporting will prevent all errors and all fraud. A control system, no matter how well designed and operated, can provide only reasonable, not absolute, assurance that the control system's objectives will be met.

An evaluation was performed under the supervision and with the participation of the Company's CEO and CFO, of the effectiveness of the design and operation of the Company's disclosure controls and procedures. Based on that evaluation, the Company's management, including the CEO and CFO, concluded that the Company's disclosure controls and procedures were effective as of December 31, 2024.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or the degree of compliance with the policies or procedures may deteriorate.

Management assessed the effectiveness of the Company's internal control over financial reporting as of December 31, 2024. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects.

Our audit included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, testing and evaluating the design and operating effectiveness of internal control based on the assessed risk, and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.

#### **Definition and Limitations of Internal Control Over Financial Reporting**

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

# ADDENDUM TO THE FRANCHISE AGREEMENT PURSUANT TO THE CALIFORNIA FRANCHISE INVESTMENT LAW

This Addendum to the Franchise Agreement (the "Agreement") pertains to franchises sold in the State of California. If and to the extent that the California Franchise Investment Law ("California Franchise Investment Law" or "Law") applies to the Agreement, the following provisions supersede anything to the contrary in the Agreement:

1. <u>Notwithstanding anything to the contrary contained in the Franchise Agreement, to the extent that the Franchise Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:</u>

The Franchise Agreement requires franchisee to execute a general release of claims upon renewal or transfer of the franchise agreement. California Corporations Code Section 31512 provides that any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of that law or any rule or order there under is void. Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 – 20043)).

The Franchise Agreement requires application of the laws of Maryland. This provision may not be enforceable under California law.

The Franchise Agreement contains a liquidated damages clause. Under California Civil Code §1671, certain liquidated damages clauses are unenforceable.

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination or non-renewal of a franchise. The Federal Bankruptcy Code also provides rights to franchisee concerning termination of the Franchise Agreement upon certain bankruptcy-related events. If the Franchise Agreement is inconsistent with the law, the law will control.

The Franchise Agreement requires binding arbitration. The arbitration will occur in Maryland with the cost being borne by the parties as determined by the arbitrator. Prospective franchisees are encouraged to consult with private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

<u>The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.</u>

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

RANCHINHINHMHMHMHIAN

This Addendum to the Franchise Agreement (the "Agreement") pertains to franchises sold in the State of Minnesota. If and to the extent that the Minnesota Franchise Disclosure laws apply to the Agreement, the following provisions supersede anything to the contrary in the Agreement:

- 1. With respect to franchises governed by Minnesota Franchise Law, franchisor shall comply with Minn. Stat. Sec. 80C.14, subd. 4 which requires that except for certain specified cases, that franchise be given 180 days' notice for non-renewal of this Franchise Agreement.
- 2. The Minnesota Department of Commerce requires that franchisor indemnify franchisees whose franchise is located in Minnesota against liability to third parties resulting from claims by third parties that the franchisee's use of franchisor's trademarks ("Marks") infringe upon the trademark rights of the third party. Franchisor does not indemnify against the consequences of a franchisee's use of franchisor's trademark but franchisor shall indemnify franchisee for claims against franchisee solely as it relates to franchisee's use of the Marks in accordance with the requirements of the Franchise Agreement and franchisor's standards. As a further condition to indemnification, the franchisee must provide notice to franchisor of any such claim immediately and tender the defense of the claim to franchisor. If franchisor accepts tender of defense, franchisor has the right to manage the defense of the claim, including the right to compromise, settle or otherwise resolve the claim, or to determine whether to appeal a final determination of the claim.
- 3. Franchisee will not be required to assent to a release, assignment, novation, or waiver that would relieve any person from liability imposed by Minnesota Statute §§ 80C.01 80C.22.
- 4. With respect to franchises governed by Minnesota Franchise Law, franchisor shall comply with Minn. Stat. Sec. 80C.14, subd. 3 which requires that except for certain specified cases, a franchisee be given 90 days' notice of termination (with 60 days to cure). Termination of the franchise by the franchisor shall be effective immediately upon receipt by franchisee of the notice of termination where its grounds for termination or cancellation are: (1) voluntary abandonment of the franchise relationship by the franchisee; (2) the conviction of the franchisee of an offense directly related to the business conducted according to the Franchise Agreement; or (3) failure of the franchisee to cure a default under the Franchise Agreement which materially impairs

the goodwill associated with the franchisor's trade name, trademark, service mark, logo type or other commercial symbol after the franchisee has received written notice to cure of at least twenty-four (24) hours in advance thereof.

- 5. According to Minn. Stat. Sec. 80C.21 in Minnesota Rules or 2860.4400J, the terms of the Franchise Agreement shall not in any way abrogate or reduce your rights as provided for in Minn. Stat. 1984, Chapter 80C, including the right to submit certain matters to the jurisdiction of the courts of Minnesota. In addition, nothing in this Franchise Agreement shall abrogate or reduce any of franchisee's rights as provided for in Minn. Stat. Sec. 80C, or your rights to any procedure, forum or remedy provided for by the laws of the State of Minnesota.
- 6. Any claims franchisee may have against the franchisor that have arisen under the Minnesota Franchise Laws shall be governed by the Minnesota Franchise Law.
- 7. The Franchise Agreement contains a waiver of jury trial provision. This provision may not be enforceable under Minnesota law.
- 8. Franchisee consents to the franchisor seeking injunctive relief without the necessity of showing actual or threatened harm. A court shall determine if a bond or other security is required.
- 9. The Franchise Agreement contains a liquidated damages provision. This provision may not be enforceable under Minnesota law.
- 10. Any action pursuant to Minnesota Statutes, Section 80C.17, Subd. 5 must be commenced no more than 3 years after the cause of action accrues.
- 11. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

1. The Program.

Service Option:

Subject to these Terms of Use, Choice will make available to Your Hotel each of the Service Options described below. You will select the Service Option that fits Your needs for Your Hotel (Premium or DiGITAL) by checking the appropriate box at the end of each Service Option description.

#### Service Option #1 — Premium

Premium is available on either a seasonal basis (from April 1 to September 30) or on an annual basis. With Premium, callers to Your Hotel will continue to use Your existing Main Number as they did before You enrolled in the Program. With this Service Option, You will assign to us and we will assume that Main Number (also referred to as the "**Ported Number**") by executing a Letter of Agency we provide to you.

When calls are made to the Ported Number, they will be routed to an automated "interactive voice response" system (IVR) with a message specific to Your Hotel. The caller will be prompted to choose either "reservations" or "all other inquiries", or a third option of your choice if required. If the caller chooses the "reservations" option, then the call will be forwarded to our Reservation Center and You will be charged the standard fee detailed in Section 3. If the caller chooses the "all other inquiries" option, then the caller be routed to Your Hotel's front desk agent and no fee will apply. If you would also like to implement a third option on the IVR, calls will be transferred to a designated telephone number of your choice and no fee will apply.

To select Service Option #1 — Premium, Your Hotel must have, in addition to the Main Number, at least one other working phone number/phone line available at Your front desk ("Secondary Number"). Callers who chose the "all other inquiries" option will be routed to Your Hotel front desk via the Secondary Number.

You acknowledge that prior to activation of Service Option #1—Premium, You are responsible for contacting Your phone company to ensure Your Secondary Number phone line is set up to roll all incoming calls to another available phone line if the Secondary Number phone line is in use. If this rollover feature (known as a "Hunt Group") isn't set up properly, calls to the Secondary Number while in use may go unanswered or fail. You are responsible for any fees charged by the phone company in connection with the implementation of Service Option #1, including fees for setting up the Ported Number or Hunt Group.

You agree to continue to list the Main Number as Your Hotel's published phone number throughout Your participation in the Program. You also acknowledge that Choice will use commercially reasonable efforts to reassign the Ported Number back to Your Hotel upon termination of Your participation in the Program or Service Option #1, in accordance with the terms stated below in Section 4, however, Choice does not guarantee this reassignment back to Your Hotel.

#### Service Option #2 — DiGITAL

DiGITAL is available on either a seasonal basis (from April 1 to September 30) or on an annual basis.

Service Option:

This means that Incoming Calls can be made using the designated <a href="Call-ForwardingChoice ResConnect">Call-ForwardingChoice ResConnect</a> Number. # **Redemption of Gift Cards.**

Choice has made the redemption of Choice Gift Cards <u>mandatory</u> and You agree that You will activate Your point of sale systems in order to be able to redeem Choice Gift Cards under the Program. You understand that whenever a guest pays for a room night(s) or any other charges which appear on the hotel bill using a Choice Gift Card, the Program Administrator will reimburse You for the value of the sale, less a 2.5% interchange fee. You will receive the 97.5% of the sale that is to be paid to You by (1) an electronic ACH transfer directly into Your bank account; or (2) receiving a monthly check from the Program Administrator for all Gift Card redemptions processed at Your property during the preceding month. If You choose Option (2) and there are payments owed to You there will be a check processing fee of \$3.00 per monthly check in addition to the interchange fee which will be deducted from Your reimbursement amount. If You choose Option (1), You must complete the attached ACH Authorization Form and supply a copy of a voided check to the Program Administrator with this signed Agreement in order to be reimbursed.

**Payment Options.** 

(SELECT ONLY "ONE" OF THE TWO OPTIONS).

□OPTION 1 : ONLY REDEEM GIFT CARDS (ELECTRONIC). I wish only to "redeem" Gift Cards under the Program and I want to participate in the electronic payments option. Therefore, I am supplying my bank account information in order to electronically receive funds via ACH at no additional cost. I have completed the ACH form, I am supplying a copy of a voided check, and I am attaching both items to this Agreement.

□OPTION 2: ONLY REDEEM GIFT CARDS (NON-ELECTRONIC). I wish only to "redeem" Gift Cards under the Program and I do NOT wish to participate in the electronic payments option. I elect to receive a check once each month for redemptions at my property. I understand this is available for a fee of \$3.00 per monthly check, which is in addition to the interchange fee of 2.5% set forth above. I am returning this signed Agreement without the ACH form and without a copy of a voided check.

You agree to email, f ax or email a signed copy of this Agreement (and ACH Form and voided check, if applicable) to the Program Administrator. The Program Administrator's email address, fax number and mailing address are listed below.

Should any interest or other charges paid or payable by Maker under this Note result in the computation or earning of interest in excess of the maximum allowed by law, then all excess interest charges are waived by Holder, and any such excess interest received by Holder will be automatically credited against the Principal Amount, and any such remaining excess received by Holder that exceeds the Principal Amount will be credited by Holder against Royalty Fees payable to Holder pursuant to the Franchise Agreement.
- 5. Confession of Judgment. Upon the occurrence of a Default, Maker hereby irrevocably authorizes and empowers any attorney or clerk of any court of record in the United States or elsewhere to appear for and, with or without declaration filed, confess judgment against Maker in favor of Holder or an assignee or successor of Holder, of the Note, at any time, for the full or total Principal Amount under this Note, together with all indebtedness provided for therein, with interest, costs of suit, and reasonable attorneys' fees; and the undersigned expressly releases all errors, waives all stay of execution, rights of inquisition and extension upon any levy upon real estate and all exemption of property from levy and sale upon any execution hereon; and Maker expressly agrees to condemnation and expressly relinquishes all rights to benefits or exemptions under any and all exemption laws now in force or which may hereafter be enacted. Maker acknowledges and agrees that Maker is voluntarily, knowingly, and intelligently giving up its right to notice and hearing prior to the entry of judgment, is granting Holder, or Holder's assignee or successor, the right to confess judgment against Maker and is freely waiving its due process rights. Maker further consents to immediate execution on the judgment and waives all right of appeal, ratifying and confirming all that the attorney or clerk may do by virtue of this Note.

#### 6. General.

No failure or delay by Holder to insist on the strict performance of any term of this Note or to exercise any right, power or remedy upon the occurrence of a Default or any other breach of this Note, is a waiver of any term or agreement or of any breach, or will preclude Holder from exercising any right, power or remedy at any later time unless in writing. If Holder accepts any payment after its due date, this act will not be a waiver of Holder's right to receive timely payment of all other amounts or to declare a default for the failure to make any other payment when due.

If Holder or any future holder of this Note assigns its rights under this Note, the term "Holder" as used in this Note will refer to such then-current assignee. This Note is not assignable by Maker.

If any provision (or any part of any provision) in this Note is for any reason held to be invalid, illegal or unenforceable in any respect, the invalidity, illegality or unenforceability will not affect any other provision (or remaining part of the affected provision) of this Note, and this Note will be construed as if the invalid, illegal or unenforceable provision (or part of this Note) had never been contained in this Note but only to the extent it is invalid, illegal or unenforceable.

This Note shall be governed by and construed in accordance with the laws of the State of

Maryland. Negotiable and payable at the office of: CHOICE HOTELS INTERNATIONAL, INC.,

This Note will bear interest from the date on which funds are advanced to Maker (the

"<u>Distribution Date</u>") until paid in full at the annual rate of Prime plus two percent (prime plus 2%) (the "<u>Rate of Interest</u>"). "<u>Prime</u>" initially refers to the prime rate quoted by the Wall Street Journal Prime Rate as of the Distribution Date, and during the period in which all or any portion of the Principal Amount remains

outstanding, shall adjust from time to time as the rate quoted by the Wall Street Journal adjusts. Rate of Interest will be computed on the basis of a 360-day year and charged for the actual number of days elapsed in each interest calculation period. The maximum interest rate in California is 10% annually.

- 2.2 Nothing in this Note will be construed or operate to require Maker to pay interest at a greater rate than the maximum allowed by law. Should any interest or other charges paid or payable by Maker under this Note result in the computation or earning of interest in excess of the maximum allowed by law, then all excess interest charges are waived by Holder, and any such excess interest received by Holder will be automatically credited against the Principal Amount, and any such remaining excess received by Holder that exceeds the Principal Amount will be credited by Holder against Royalty Fees payable to Holder pursuant to the Franchise Agreement.
- 3. <u>Use of Proceeds</u>. Maker agrees that the entire proceeds of this Note will be used solely for purposes related to the construction and operation of a **Brand** hotel pursuant to the Franchise Agreement.

#### 4. Payment.

- 4.1 Unless otherwise accelerated pursuant to Section 5.2, this Note matures () years from the Opening Date (the "Maturity Date"), at which time the entire Principal Amount, all accrued and unpaid interest on this Note and all other sums due under this Note will be due and payable in full.
- 4.2 Notwithstanding the foregoing, no payments (of either the Principal Amount or any associated interest) will be due or payable under this Note unless and until a Default (as defined in Section 3.1 hereof) occurs. If no Default (i) has occurred before the Maturity Date, or (ii) is occurring on the Maturity Date, then the entire Principal Amount and all accrued interest will be waived and forgiven by Holder as of the Maturity Date.
- 4.3 As of each anniversary of the Opening Date, unless a Default has occurred, the loan balance shall automatically be reduced by: (a) 1/th of the Principal Amount (the "Forgiven Amount"), and (b) all accrued interest on the Forgiven Amount.
- 4.4 Payments on this Note shall be made in lawful currency of the United States of America to Holder, at the address set forth in Section 6.3 of this Note or such other address as Holder may designate by written notice to Maker.

#### 5. Default.

- The occurrence of any one or more of the following events shall constitute a "Default": (1) Maker's failure to observe or perform any covenant, condition or agreement under the terms of this Note or under the terms of any documents signed in connection with this Note, if any, (including, but not limited to, any commitment, loan agreement, stock pledge agreement or guaranty) or any other note or other obligation payable by Maker to Holder; (2) if any representation or warranty made in connection with this Note or in any report, opinion, schedule or certification with this Note or later submitted to Holder is in Holder's opinion, false, misleading or incorrect in any material respect; (3) if for any reason, the Franchise Agreement terminates or is otherwise rendered ineffective prior to the Maturity Date; (4) the occurrence of any event(s) or existence of any situation that, after providing for any applicable notice/cure rights set forth in the Franchise Agreement, would provide Holder with a right to terminate the Franchise Agreement; (5) if all or any portion of the premises to which the Franchise Agreement applies (the "Premises"), any interest in the Premises (including an ownership interest in any entity that owns the Premises), or any interest in this Note is transferred, leased, or conveyed, other than as security for a debt or other obligation, whether done by a direct or indirect method, or should Franchisee enter into any contractual arrangement to transfer or convey the Premises, any interest in the Premises (including an ownership interest in any entity that owns the Premises), any part of this Note, or any interest in this Note other than as security for a debt, unless, within 30 days of such transfer, Holder enters into a new **Brand** franchise agreement with the transferee for the Premises, and the transferee assumes all of Maker's obligations under this Note and executes Holder's then-current form of Assumption of Promissory Note; and (6) the filing of any insolvency or bankruptcy proceeding by or against any Maker or the appointment of a receiver for any Maker or any Maker's assets.
- 5.2 If a Default occurs, at Holder's option, the Default Payment Amount (as defined below) will immediately become due and payable by Maker to Holder without notice to Maker or any other person or entity. The "Default Payment Amount" means the sum of: (a) the original Principal Amount less an amount equal to the product resulting from multiplying the original Principal Amount by a fraction, the

numerator of which is the number of full calendar years that have elapsed since the Opening Date, and the denominator of which is ten (10) (the amount resulting from this calculation is referred to as the "Amount Due"); plus (b) interest on the Amount Due calculated from the Distribution Date at the Rate of Interest.

- 5.3 Interest will accrue on the Default Payment Amount at the Rate of Interest until the Default Payment Amount has been paid in full; provided, that if such Default Payment Amount has not been paid in full by the date that is fifteen (15) days after the date such amount became due and payable, interest will begin to accrue at a default annual rate equal to Prime plus seven percent (prime plus 7%). The maximum interest rate in California is 10% annually.
- 5.4 The following provisions are applicable upon the occurrence of a Default: (A) Maker will pay Holder all expenses, costs and attorneys' fees that Holder incurs in connection with Holder's collection of any monies due under this Note or for the enforcement of any right under this Note or under any other agreement related to the loan evidenced by this Note, and (B) Holder may exercise any or all other rights, powers and remedies provided for in any instrument, document or agreement now or later evidencing security or otherwise relating to the loan evidenced by this Note or now or later existing at law or in equity or by statute or otherwise.
- CONFESSION OF JUDGMENT. Upon the occurrence of a Default, Maker hereby 5.5 irrevocably authorizes and empowers any attorney or clerk of any court of record in the United States or elsewhere to appear for and, with or without declaration filed, confess judgment against Maker in favor of Holder or an assignee or successor of Holder, of the Note, at any time, for the full or total Default Payment Amount under this Note, together with all indebtedness provided for therein, with interest, costs of suit, and reasonable attorneys' fees; and the undersigned expressly releases all errors, waives all stay of execution, rights of inquisition and extension upon any levy upon real estate and all exemption of property from levy and sale upon any execution hereon; and Maker expressly agrees to condemnation and expressly relinquishes all rights to benefits or exemptions under any and all exemption laws now in force or which may hereafter be enacted. Maker acknowledges and agrees that Maker is voluntarily, knowingly, and intelligently giving up its right to notice and hearing prior to the entry of judgment, is granting Holder, or Holder's assignee or successor, the right to confess judgment against Maker and is freely waiving its due process rights. Maker further consents to immediate execution on the judgment and waives all right of appeal, ratifying and confirming all that the attorney or clerk may do by virtue of this Note.
- 5.6 Maker waives demand, presentment for payment, protest and notice of dishonor and agrees that at any time and from time to time and with or without consideration, Holder may, without notice to or further consent of Maker and without in any manner releasing, lessening, or affecting the obligations of any of them: (1) release, surrender, waive, add, substitute, settle, exchange, compromise, modify, extend, or grant indulgences with respect to (a) this Note, (b) all or any part of any collateral or security for this Note, and (c) Maker or any of them; and (2) grant any extension or other postponements of the time of payment of this Note.

#### 6. General.

- 6.1 <u>Cumulative Rights</u>. Each right, power and remedy of Holder as provided for in this Note or now or hereafter existing at law or in equity or by statute or otherwise is cumulative and concurrent and is in addition to every other right, power or remedy, and Holder's exercise or beginning of exercise of any one or more of these rights, powers or remedies will not preclude Holder's simultaneous or later exercise of any or all these other rights, powers or remedies.
- 6.2 <u>No Waiver; Application of Payment.</u> No failure or delay by Holder to insist on the strict performance of any term of this Note or to exercise any right, power or remedy upon the occurrence of a Default or any other breach of this Note, is a waiver of any term or agreement or of any breach, or preclude Holder from exercising any right, power or remedy at any later time unless in writing. If Holder accepts any payment after its due date, this act will not be a waiver of Holder's right to receive timely payment of all other amounts or to declare a default for the failure to make any other payment when due. Any partial payments under this Note may be applied to pay interest, the Principal Amount, the Amount Due or costs as Holder, in its sole discretion determines.
- 6.3 <u>Notices</u>. All notices required under this Note must be in writing, must be personally delivered or mailed by registered or certified mail, return receipt requested, or by a nationally recognized

courier service, to Holder at Choice Hotels International, Inc., 915 Meeting Street, Suite 600, North Bethesda, Maryland 20852, Attention: General Counsel, and to Maker at the Designated Representative's address identified in the Franchise Agreement. Either Holder or Maker may change the applicable address to which such notices are to be sent by written notice to the other party; provided, that Maker may only change the Designated Representative by written notice to Holder delivered in compliance with the Franchise Agreement. Maker authorizes the Designated Representative to receive Holder's written notices to Maker as its agent. Any notice by registered or certified mail or by reputable national courier service is deemed given and received at the date and time of sending.

- 6.4 <u>Severability</u>. If any provision (or any part of any provision) in this Note is for any reason held to be invalid, illegal or unenforceable in any respect, the invalidity, illegality or unenforceability will not affect any other provision (or remaining part of the affected provision) of this Note, and this Note will be construed as if the invalid, illegal or unenforceable provision (or part of this Note) had never been contained in this Note but only to the extent it is invalid, illegal or unenforceable.
- 6.5 <u>Assignment</u>. If Holder or any future holder of this Note assigns its rights under this Note, the term "<u>Holder</u>" as used in this Note will refer to such then-current assignee.
- 6.6 <u>Choice of Law.</u> This Note is a contract made under, and for all purposes will be construed in accordance with, the internal laws and judicial decisions of the State of Maryland. Maker and Holder agree that any dispute arising out of this Note is subject to the jurisdiction of both the state and federal courts in the State of Maryland. For that purpose, Maker submits to the jurisdiction of the state and federal courts of the State of Maryland. Maker further agrees to accept service of process out of any of the before- mentioned courts in any dispute by registered, certified mail or international courier service addressed to Maker.
- 6.7. <u>Confidentiality.</u> You agree to keep the provisions of this Note in strict confidence and will not disclose them to any persons other than your directors, officers, partners, employees, agents and advisors that have a need to know. Any unauthorized disclosure is a Default under this Note as defined in Section 5.1 hereto.
- 6.8 <u>Integration</u>. This document embodies the entire agreement of the parties with respect to this Note. There are no restrictions, promises, representations, warranties, or undertakings other than those expressly set forth or referred to in this document. This document supersedes all prior agreements and understandings between the parties with the respect to this Note.
- 6.9 <u>Waiver of Trial by Jury</u>. THE MAKER AND THE HOLDER HEREBY WAIVE TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO WHICH THE MAKER AND THE HOLDER MAY BE PARTIES, ARISING OUT OF OR IN ANY WAY PERTAINING TO THIS NOTE. IT IS AGREED AND UNDERSTOOD THAT THIS WAIVER CONSTITUTES A WAIVER OF TRIAL BY JURY OF ALL CLAIMS AGAINST ALL PARTIES TO SUCH ACTIONS OR PROCEEDINGS, INCLUDING CLAIMS AGAINST PARTIES WHO ARE NOT PARTIES TO THIS NOTE.

#### 5. Default.

The occurrence of any one or more of the following events shall constitute a "Default": (1) Maker's failure to observe or perform any covenant, condition or agreement under the terms of this Note or under the terms of any documents signed in connection with this Note, if any, (including, but not limited to, any commitment, loan agreement, stock pledge agreement or quaranty) or any other note or other obligation payable by Maker to Holder; (2) if any representation or warranty made in connection with this Note or in any report, opinion, schedule or certification with this Note or later submitted to Holder is in Holder's opinion, false, misleading or incorrect in any material respect; (3) if for any reason, the Franchise Agreement terminates or is otherwise rendered ineffective; (4) the occurrence of any event(s) or existence of any situation that, after providing for any applicable notice/cure rights set forth in the Franchise Agreement, would provide Holder with a right to terminate the Franchise Agreement; (5) if all of any portion of the premises to which the Franchise Agreement applies (the "Premises"), any interest in the Premises (including an ownership interest in any entity that owns the Premises), or any interest in this Note is transferred, leased, or conveyed, other than as security for a debt or other obligation, whether done by a direct or indirect method, or should Maker enter into any contractual arrangement to transfer or convey the Premises, any interest in the Premises (including an ownership interest in any entity that owns the Premises), any part of this Note, or any interest in this Note other than as security for a debt, unless, within 30 days of such transfer, Holder enters into a new «Brand\_Name» franchise agreement with the transferee for the Premises, and the transferee assumes all of Maker's obligations under this Note and executes Holder's then-current form of Assumption of Promissory Note; (6) the filing of any insolvency or bankruptcy proceeding by or against any Maker or the appointment of a receiver for any Maker or any Maker's assets; and (7) the death of any Maker unless (i) within 30 days upon death of a Maker, Holder is notified of such death, and (ii) within 60 days of said notification, this Note is transferred to and assumed by a new individual within Maker's family, that Holder approves in its sole discretion, by executing Holder's then-current form of Assumption of Promissory Note.

Each right, power and remedy of Holder as provided for in this Note or now or hereafter existing at law or in equity or by statute or otherwise is cumulative and concurrent and is in addition to every other right, power or remedy, and Holder's exercise or beginning of exercise of any one or more of these rights, powers or remedies will not preclude Holder's simultaneous or later exercise of any or all these other rights, powers or remedies.
- 6.2 <u>No Waiver; Application of Payment.</u> No failure or delay by Holder to insist on the strict performance of any term of this Note or to exercise any right, power or remedy upon the occurrence of a Default or any other breach of this Note, is a waiver of any term or agreement or of any breach, or preclude Holder from exercising any right, power or remedy at any later time unless in writing. If Holder accepts any payment after its due date, this act will not be a waiver of Holder's right to receive timely payment of all other amounts or to declare a default for the failure to make any other payment when due. # COMMENCEMENT AGREEMENT

Agreement	No.	
Agreement	No.	

Date: March

You, the Customer, and Ascentium Capital LLC ("we", "us", "our") have entered into the above referenced equipment lease, equipment finance agreement, secured loan or similar agreement (which may be one or more schedules to a master agreement) ("Agreement") pursuant to which we will be financing the Equipment or Collateral as defined in and described in the Agreement (in either case "Equipment") as set forth in this Commencement Agreement ("CA"). The Equipment is being delivered at various times and the vendor or vendors of the Equipment have to be paid for each item of Equipment at or before its delivery to you. You agree to commence the initial non-cancelable term of the Agreement immediately even though items of Equipment remain to be delivered to and accepted by you from one or more vendors.

#### NOW THEREFOR, you and we hereby agree as follows:

- 1. The term of the Agreement will commence on the date of this CA, with the interim term commencing on the date set forth above and the initial term commencing as provided in the Agreement. You acknowledge and agree that notwithstanding the fact that not all items of Equipment have been delivered to and accepted by you as of the date set forth above, the terms and conditions of the Agreement, including your obligation to pay all amounts of rent or debt service set forth in the Agreement, shall commence immediately and, except as otherwise specifically set forth in this CA, irrevocably.
- 2. You agree to inspect and accept for purposes of the Agreement all undelivered items of Equipment immediately upon their delivery to you. If, when delivered, an item of Equipment is damaged or non-conforming, you agree to cause the vendor in question to repair and/or replace any such item of Equipment and you agree to immediately accept any conforming replacement and/or repaired Equipment for all purposes under the Agreement while continuing to meet all of your payment and other obligations under the Agreement.
- 3. All amounts anticipated to be disbursed by us on your behalf that have not been disbursed as of the date of this CA will be deemed disbursed by us into a separate holding account for your benefit ("Account"), the contents of which shall be debited by the amount of each subsequent disbursement to vendor(s) as contemplated by this CA. To secure your obligations to us under the Agreement and this CA, you hereby grant to us a security interest in the contents of the Account and any proceeds.
- 4. The Agreement contemplates a pro-rata adjustment to the payments owed by you under the Agreement in the event the purchase price of the Equipment and other amounts, if any, paid by us on your behalf are higher or lower than those on which the payments set forth in the Agreement are based. Following the delivery and acceptance of all items of Equipment set forth in the Agreement, we shall make any necessary adjustments to the payments as contemplated by the Agreement. You agree that we will have no liability to you in the event we determine to terminate the funding of any vendor because we have determined, in our sole discretion, that there has been a material adverse change in your creditworthiness from that on which we based our approval of the Agreement. In any circumstance contemplated by the preceding sentence, we will continue the Agreement with the Equipment accepted by you and funded by us as of the date we determine to terminate funding the Agreement and we will reduce the amount of each payment of rent or debt service you owe under the Agreement proportionally, taking into account the higher payments made by you up to the date of that determination and any balance in the Account shall revert to us.
- 5. This CA sets forth the entire agreement of the parties with respect to its subject matter and it may only be amended by a written instrument executed by you and us. In the event of a conflict between this CA and the terms of the Agreement, the terms of this CA shall govern and control, provided however, except as explicitly set forth in Section 4 above, nothing set forth in this CA shall be deemed to affect your obligation to pay and perform all of your obligations as set forth in the Agreement without setoff, abatement or counterclaim. This CA shall terminate and be of no further force and effect following your acceptance and our funding of the last item of Equipment being financed under the Agreement. This CA will be governed by and construed in accordance with the laws of the jurisdiction governing the Agreement.

You agree that a facsimile or other copy of this CA, as executed, shall be deemed the equivalent of the originally executed copy for all purposes.

## FAIR FRANCHISING POLICY

(Updated January 20232025)

Choice Hotels International, Inc. ("Choice," "we," or "us") and our franchisee(s) ("Franchisee", "Franchisees", or "you") share substantial interests in the success of our brands, as well as the worldwide lodging system they comprise ("System"). Choice and its Franchisees all benefit when Choice considers System interests first when making policies. For these reasons, Choice has adopted the following guiding principles, which may be modified from time to time inat our sole discretion. Any substantive changes to this policy will be conducted in consultation with our Franchisee Associations.

#### **Mission Statement**

Both Choice and our Franchisees have a responsibility to build and maintain the System. At the individual property level, it is your responsibility to represent your hotel's brand in a manner that continually builds brand equity; and we are responsible for confirming that general System and individual brand standards are met throughout the entire Choice franchise System.

Even under the best of circumstances, however, we realize that situations can arise that may create conflict between Choice and our Franchisees. Accordingly, Choice maintains this fair franchising policy ("Fair Franchising Policy") to help us mutually address these situations. The Fair Franchising Policy contains standards relating to the System and is available for review at any time. We also have an Ombudsperson and Vice President of Owner & Portfolio Strategy dedicated to addressing any conflicts between Choice and Franchisees in a manner that is fair and non-retaliatory to all parties concerned. We encourage you to contact any member of our Fair Franchising Department to discuss the Fair Franchising Policy or any concerns that you have regarding your relationship with Choice.

### **Impact**

Choice and Franchisees agree that every Choice brand, each property, and the entire System benefit from strategic growth and strong brand awareness.

**Impact Policy.**¹ In some cases, a Franchisee may believe that a third party's application for a new Choice franchise is too close in proximity to the Franchisee's existing property. To address this concern, Choice has instituted an incremental impact policy ("Impact Policy"), which has been benchmarked with our competitors and tailored to carefully balance the rights of existing Franchisees with the need for growth that benefits our entire System. The Impact Policy permits a Franchisee (in good standing) to object to the grant of a same-brand franchise, if the applying franchise is within a specified radius of the existing Franchisee's property.

Under the Impact Policy, we will notify both your designated representative and the general manager of your property: (i) by electronic mail, if we have received an application for a hotel of a different brand than your hotel, the proposed hotel is within 5 miles of your existing property, and your existing brand is covered by the Impact Policy; (ii) in writing (via express mail to the designated representative and via first-class mail to the general manager), if we have accepted an application for a same-brand hotel and the applying franchise is within a specified radius of your property; or (iii) by telephone, if you are an applicant and we have received an additional application for a same-brand hotel to be located within the Area of *Enhanced Protection (as defined more fully* in the Impact Policy) of your proposed hotel.

First opportunity to develop in franchisee's Area of Enhanced Protection (AOEP). In addition to the

<sup>&</sup>lt;sup>1</sup>As of the date of this Fair Franchising Policy, the Impact Policy applies only to the following brands: Clarion, Comfort, Econo Lodge, MainStay Suites, Quality, Rodeway Inn, and Sleep Inn.

objection rights described above, each existing franchisee in good standing with Choice will have the option of submitting an application for a new same-brand hotel within its AOEP before Choice will approve a same-brand application within that AOEP from another prospective franchisee. Specifically, Choice will permit existing franchisees to submit an application for a same-brand property within 15-calendar days of being notified of a proposed application by another prospective franchisee, and the existing franchisee will receive preference in the application for a same-brand property. In making a final decision, however, we will also consider other factors, such as site location, financing, relative strength of each application and Choice's past experience with the existing franchisee. Finally, our Franchise Development team will inform the existing franchisee of our decision before we grant final approval of an application for a same-brand hotel within that franchisee's AOEP.

**Consultation.** As has been our practice, we will continue to consult with our Franchisees on amendments and modifications to the Impact Policy. For more information, please refer to our **Impact Policy**, at <a href="https://www.choicecentral.com">www.choicecentral.com</a> or call the Fair Franchising Department for a detailed explanation of our Impact Policy.

### **Exercise of Contractual Outs**

**Company Philosophy.** Choice is committed to meeting the evolving needs of its guests across all of its brands and driving continued brand equity. It is imperative that each hotel delivers a top-notch, consistent experience to every guest, every time. Our brands are as strong as their weakest performer, so if a guest has a bad experience at one hotel, it adversely impacts us all and the System. Not only should each hotel be clean, in good condition and in working order, they should be modern, up-to-date, and competitive within their markets. Choice's contractual out evaluation process was created to ensure that we all meet these objectives.

**Contractual Out Evaluation Process.** For some brands the franchise agreement may include a mutual right to terminate the franchise agreement on the 5th, 10th, or 15th anniversary of the Opening Date by providing advance written notice. Choice reviews every active property prior to these anniversaries and evaluates the following aspects of the hotel:

- How well does the hotel meet guest expectations as measured by Guest Insight System ("GIS") scores and customer complaints?
- How do the hotel's GIS scores and guest complaints compare to other hotels within its brand?
- How strongly does the hotel compete in its local market as determined by Smith Travel Research (STR) reports compared to both local competitive set and tract chain scale?
- What is the hotel's historic pass/fail rate for Quality Assurance ("QA") inspections?
- Has the hotel been defaulted in the past for any reason, including but not limited to QA, After Entering System ("AES"), credit or legal reasons?
- How does the physical plant of the hotel compare to its competitive set within its market?
- How does the physical plant of the hotel compare to other hotels within its brand?

<sup>2</sup> As of the date of this Fair Franchising Policy, there is no mutual right of termination in <a href="eur\_comfort-brands">out\_the</a> standard <a href="https://www.woodspring.com/woods

• If there are gaps between the property and its competitive set or peers, can the property be updated cost-effectively?

**Risk Factors.** In keeping with Choice's philosophy, we review in detail the aggregate results of these questions referenced above for each hotel. In particular, we take into account any unique aspects of the

hotel's market or its guest base. There is no standardized formula that is applied to every hotel and each situation is evaluated independently. Furthermore, typically Choice reserves the right under the franchise agreement to exercise its contractual out for any reason or no reason at all, subject to state law. There are certain factors, however, that place a property at greater risk that Choice typically will exercise its contractual out, including but not limited to (subject to state law):

- The property's Likelihood to Recommend ("LTR") score places it in the bottom third of its brand for the most recent 12 month period.
- The property has guest complaints per thousand ("CPT") higher than the brand average for the most recent 12 month period.
- The property has a history of shifting between passing and failing scores on QA inspections.
- The property passes its QA inspections but only minimally.
- The property performs below the tract chain scale as determined by STR.
- The physical plant of the property is outdated, worn, and/or in poor condition.

Note on Comfort Inn: To achieve the brand's goal of becoming one of the top 3 brands in the Midscale without Food & Beverage segment, all Comfort Inn properties must be held to a higher standard in terms of both guest satisfaction and physical representation. For example, the outside appearance of the hotel must meet or be able to achieve a consistent, above-average guest experience when compared to other hotels within the brand and to its national competitive set, which includes Holiday Inn Express and Fairfield Inn.

If the physical plant of a Comfort Inn property resembles economy-level competitors in the market due to its room size, lobby size, public space, corridor type (interior v. exterior), single loaded v. double loaded, or other aspects, then Choice may elect to exercise its contractual out or, if desirable, discuss the potential for the property to reposition to another Choice brand.

**Management Committee.** Due to the importance of these decisions and their impact on both Choice and the Franchisee, no single person at Choice has the ability to exercise a contractual out. All decisions to exercise this right are made by a Committee and must be unanimously supported by each member of that Committee. The Management Committee is comprised of representatives from:

- Fair Franchising
- Owner & Portfolio Strategy
- Legal
- Development
- Services
- Credit

**Contractual Out Notification Process.** Approximately eighteen (18) months prior to a contractual out, a representative from Choice will contact the Franchisee's Designated Representative if:

- 1. Choice is considering whether to exercise its contractual out and feels that a Product Improvement Plan ("PIP") is necessary to continue the relationship.
  - The Franchisee's Designated Representative will receive a letter explaining Choice's position and the PIP process. A copy of the letter will be sent to the hotel's General Manager.
  - Once the PIP is prepared, the Franchisee's Designated Representative will receive a phone call from a member of Choice's Owner & Portfolio Strategy department to discuss the scope of work to update the property. (See below)

- 2. Choice has decided to exercise its contractual out.
  - The Franchisee's Designated Representative will receive a phone call from Choice to discuss the decision.
  - If Choice is unable to reach the Franchisee's Designated Representative by phone, Choice will send a letter notifying the hotel of its attempts to contact the Designated Representative by phone and requesting the hotel contact Choice immediately. If Choice is unsuccessful in contacting the Franchisee, then Choice will release a formal Notice of Termination letter generally twelve (12) months prior to the contractual out date. Individual franchise agreements may contain different notice periods. If that is the case, those notice periods will apply, however Choice will attempt to provide as much notice as is reasonably possible.

Please note that each Franchisee is obligated to maintain accurate contact information with Choice. If the Franchisee's Designated Representative name, address, or telephone number on file is no longer valid, then Choice cannot be held responsible for any resulting delays in reaching the Franchisee.

**Product Improvement Plans.** In many cases, Choice will agree to continue its relationship based on an agreed scope of work to update and refresh the property and/or additional training. These requirements will be detailed in the PIP. If Choice and the Franchisee's Designated Representative cannot finalize and execute the PIP twelve (12) months prior to the contractual out date, then Choice may issue a Notice of Termination to the Franchisee's Designated Representative.

This Notice of Termination can be rescinded if subsequent discussions result in a mutually agreeable PIP Addendum that is executed by both parties within 30 days of the Notice of Termination letter.

**Options Available to Properties.** There are 4 options available to properties where Choice has exercised its contractual out:

1. Reposition to Another Choice Brand

In many cases, there will be another Choice brand available in the market for the hotel to consider. There may be many financial benefits to remaining with the Choice System rather than exiting the System completely. When Choice calls the Franchisee's Designated Representative to inform them that Choice is exercising its contractual out, he or she will discuss the availability of this option.

2. Replace the Existing Hotel

Many owners prefer to replace their hotel with a newer product in their market. Please let a Choice representative know your interest in this option and the appropriate person will contact you.

3. Appeal the Decision

If a Franchisee's Designated Representative would like to appeal a contractual out decision, then a letter detailing the request and the reasons for appeal should be emailed to the contact person on the termination notice. Upon receipt of the appeal request, a confirmation email will be sent within approximately 48 hours. The Management Committee will generally review the appeal within 7-10 business days following the receipt confirmation. The Franchisee's Designated Representative will receive the results of the Committee review via email.

4. Early Termination following Choice's exercise of a window.

When Choice exercises its option to terminate a franchise agreement at a contractual out, and a franchisee in good standing wishes to leave the Choice system before the agreed-upon termination date, Choice will take special consideration, on a case-by-case basis, in reviewing a franchisee's request to discount or waive any liquidated damages that may be owed due to the early termination.

**Non-retaliation.** In deciding whether to exercise our contractual out, Choice will not discriminate or retaliate against a property that has requested or is in the process of requesting an impact study or has challenged some other action taken by Choice.

## **Marketing and Reservation Services Funds:**

**Consultation.** Choice is committed to the practice of consulting with its applicable franchisee association(s) on certain marketing campaigns the company undertakes and generally on the use of monthly fees designated for marketing, and reservation services. The franchise associations also are consulted on changing the amounts of those fees.

**Disclosure.** Upon request, Choice will make available to Franchisees its unaudited financial statements for those portions of the Marketing and Reservation Feefees that are designated for marketing and reservation services purposes. Choice has no obligation to separate incomes or expenditures between Choice brands. Moreover, as a public company, Choice will continue to report its Marketing and Reservation Feefees (including marketing and reservations fees) in accordance with GAAP (generally accepted accounting principles) on its income statements, which are reviewed and published quarterly.

## **Corporate Ethics:**

**Ethical Conduct.** Choice expects all Choice associates, franchisees, and vendors to practice "good faith and fair dealing" in all business matters. All Choice associates are subject to a corporate ethics policy that mandates certain standards of conduct. In addition, your franchise agreement contains provisions that require you to operate your franchise in a manner that does not negatively impact Choice and the brand or violate any laws.

#### **Termination for Cause:**

**Liquidated Damages.** For most brands, if the standard franchise agreement is terminated before the end of its term, we have generally capped both pre-opening and post-opening liquated damages at 36 months of historical royalty fees (membership fees for Ascend properties) and the formula applicable to each brand. In addition, under certain circumstances and for certain brands, a 20% discount on The collection of liquidated damages will be applied as an incentive for quickly settling accounts unless the franchise agreement was terminated due to your abandonment of the hotel or your cessation of operating the hotel as our brand.

Moreover, is to account for Choice's approach to liquidated damages seeks only to recoup future lost royalty—Fees, not lost Marketing and Reservation fees. Individual franchise agreements may contain different terms, and your agreement will control the amount of liquidated damages you will have to pay.

**Extraordinary Circumstances.** If you encounter extraordinary, unforeseen circumstances (such as the death of franchisee, environmental issues, permanent disabilities, etc.) that affect your ability to operate your franchise in good standing, it is your responsibility to contact us in a timely manner to work towards possible resolutions. In these instances, we will attempt in good faith to find a mutually acceptable resolution to the particular situation.

#### Transfers:

Family Transfer.<sup>4</sup> If you wish to transfer your franchise to a close adult family member (e.g., current

<sup>&</sup>lt;sup>3</sup> Typically, 60 months of historical royalty fees for Cambria. In addition, typically 60 months historical royalty fees for Post-Opening liquidated damages for Suburban and MainStay Hotels.

<sup>&</sup>lt;sup>4</sup>Ascend Membership Agreements allow a transfer to a close family member for estate planning purposes and does not include a transfer to a Close Family Member based on death and mental incapacity.

spouse, parent, child, sibling, grandchild or grandparent) ("Close Family Member"), that Close Family Member must demonstrate to us that he or she has both the financial ability and experience necessary to operate your franchise in accordance with Choice standards before we will approve a transfer, among other requirements. If the transfer to a Close Family Member occurs outside of circumstances involving death and/or mental incapacity, you must pay an application fee (not to exceed \$7,500), which will be fully refunded if we do not approve the transfer. The terms of your franchise agreement may differ and, in that case, the terms of your agreement may override the family transfer provision described above.

## **Supplier Options:**

**Vendor Exclusivity.** Our Procurement Services Department maintains a list of "Qualified Vendors" of products and services for our franchisees. Certain Qualified Vendors are designated in the Rules and Regulations as exclusive suppliers. Unless required by the Rules and Regulations, you do not have to purchase products that otherwise meet brand standards from Qualified Vendors. We frequently solicit feedback from the elected members of our franchisee associations before implementing new brand standards or vendor requirements. Additionally, for most products and services, we attempt to identify 3 or more vendors who are capable of meeting our brand standards.

## **Building Brand Equity:**

**Quality Assurance Reviews.** Our entire System benefits from positive brand equity. Building brand equity begins at the local level with how you operate your hotel and also includes Brand Standards or Rules and Regulations that we communicate to you in order to ensure that each of our hotels is meeting or exceeding customer expectations.

Brand Standards or Rules and Regulations, as applicable, change from time to time to reflect changing customer trends and in response to our competition. Where applicable, we will consult with the various brand associations regarding significant changes contemplated for the Brand Standards/Rules and Regulations before implementation, and we will provide our franchisees with a reasonable period to absorb such changes financially.

In addition, each of us has an obligation to your guests to require that your hotel meets or exceeds our brand-specific performance and quality standards. In that regard, we will continue to apply our Quality Assurance process in a fair and impartial manner. If at any time you wish to dispute your Quality Assurance scores, you may make an appeal to the Brand Standards & Compliance.

### **Database Information:**

**Prohibited Uses.** We have agreed not to share individual, hotel-specific property reservation data for the sole purpose of selling new franchises.

### **Dispute Resolution:**

There are two mechanisms for handling disputes. The first is an informal process, and the second is through arbitration.

**Informal Process.** We have found that certain disputes with our franchisees can be handled locally or through our established organizational structure. Our Ombudsperson and Vice President of Owner & Portfolio Strategy both provide a retribution-free outlet for our franchisees to share their concerns regarding fairness.

Arbitration. The terms of the franchise agreement (which control) generally require all franchise disputes

to be resolved by submitting the claim to binding arbitration before the American Arbitration Association or alternative arbitration groups.

Re: «Contract\_Brand» «Contract\_Product» «Contract\_Legal\_Sec\_Name» («Contract\_Property» - «Contract\_Contract\_ID») 
«Contract\_Property\_Address\_for\_ChoiceMap» (the "Hotel")

#### Dear Lender:

Choice Hotels International, Inc. ("Franchisor") and **«Customer\_Customer\_Name»** ("Franchisee") are parties to a Franchise Agreement dated **«Contract\_EffectiveExecution\_Date»** (as amended, the "Franchise Agreement"). The Franchise Agreement permits Franchisee to operate the Hotel as a **«Contract\_Brand» «Contract\_Product»**® hotel.

As of the date of this letter agreement, the Franchise Agreement is in full force and effect, Franchisee is in good standing with Franchisor, and Franchisor has not issued a notice of default under the Franchise Agreement which has not been cured; and to the best of Franchisor's knowledge and belief, Franchisee is not currently in default of the Franchise Agreement. "Franchisor's knowledge" means the actual knowledge of obvious Hotel development, construction, and operational matters regularly reviewed by company employees who have given their attention to such matters in the ordinary course of business and does not include any investigation by those employees or others of other matters or beyond their usual and customary reviews of the Hotel, nor does it include constructive notice of matters or information located in public or Hotel records. "Default" means matters which have been the subject of an actual notice of default under the Franchise Agreement and does not include matters which are or may be in process, under discussion, or otherwise addressed.

\_\_\_\_\_ ("Lender") and Franchisee have informed Franchisor that Lender has issued a commitment to loan funds (the "Loan") to Franchisee to be used for the direct benefit of the Hotel and secured by the Hotel.

Lender and Franchisee have requested that Franchisor enter into this letter agreement (the "Comfort Letter") and have submitted the nonrefundable current processing fee. The undersigned parties agree as follows:

## 1. Opportunity to Cure Defaults.

- (a) <u>Notice and Cure Period</u>. Franchisor will copy Lender on any notice of default or termination issued to Franchisee under the Franchise Agreement. To the extent any default is curable, Lender shall have the right, but not the obligation, to cure the default within a cure period of fifteen (15) calendar days for monetary defaults or forty-five (45) days for non-monetary defaults beyond the expiration of the cure period, if any, given to Franchisee ("Lender's Cure Period"). For non-monetary default, Lender must provide notice to Franchisor of Lender's intended method to cure the non-monetary default.
- (b) <u>Non-Monetary Default Requiring Possession to Cure</u>. In the event of a non-monetary default, Lender must obtain Franchisor's prior written consent to apply for the right to acquire the Hotel (the "Acquisition"). Lender must provide notice to Franchisor in accordance with Section 1(a) of this Comfort Letter, and has, upon request, one hundred eighty (180) calendar days ("Additional Period") commencing at the expiration of Lender's Cure Period to complete the Acquisition, through foreclosure or other appropriate proceedings. To request the Additional Period, Lender must: (i) notify Franchisor no later

than the date it commences proceedings (or promptly after action is stayed or enjoined) that Lender wants the Additional Period; (ii) commence proceedings within Lender's Cure Period and diligently prosecutes such proceedings to completion; and (iii) comply with the obligations of Franchisee under the Franchisee Agreement not being performed by Franchisee during the Additional Period, including payment of all monetary obligations but excluding those obligations that can only be performed by Franchisee or which Lender cannot perform without ownership of the Hotel. If requested by Lender, Franchisor may extend the Additional Period, at Franchisor's determination taking into consideration the period of time that may be necessary to complete the foreclosure or other proceeding in the applicable jurisdiction and any period of time during which such action has been stayed or enjoined. If Lender fails to timely request the Additional Period, Lender acknowledges that the Franchise Agreement terminates pursuant to Franchisor's notice of default and termination.

- (c) <u>Foreclosure</u>. If Lender commences a foreclosure or other proceeding intended to result in the Acquisition but Franchisor has not issued a default notice to Franchisee or Lender has cured Franchisee's default during Lender's Cure Period, Lender may exercise the rights under this Comfort Letter if Lender (i) notifies Franchisor of its proceeding as required by this Comfort Letter and confirms its intention to proceed under the terms of this Comfort Letter and (ii) subsequently completes its Acquisition within one hundred eighty (180) calendar days of the date Lender commenced its proceeding (as such one hundred eighty (180) day period may be extended by Franchisor in its determination if requested by Lender, which determination shall take into consideration the period of time required to complete a foreclosure in the applicable jurisdiction, and any period of time in which Lender's action has been stayed or enjoined). Lender must also comply with the obligations in Paragraph 1(b)(iii) while the Acquisition is pending. Franchisor acknowledges and agrees that an Acquisition shall not be deemed a sale or lease of the Hotel under the Franchise Agreement, nor a violation of any control or transfer provisions of the Franchise Agreement, and shall not be subject to any right of first refusal or right of first offer contained in the Franchise Agreement.
- (d) <u>Franchisor's Rights to Terminate Franchise Agreement</u>. Notwithstanding any other provision of this Comfort Letter, and without limiting Franchisor's right to terminate the Franchise Agreement, Franchisor may terminate the Franchise Agreement if any of the following occur:
- (i) Franchisee's default or any subsequent default, in the sole opinion of Franchisor, damages the image or reputation of Franchisor or any brand name owned and/or licensed by Franchisor; (ii) Franchisor is required to terminate the Franchise Agreement by court order or action of any trustee in bankruptcy or debtor in possession of the Hotel; (iii) the Additional Period expires without other arrangements, satisfactory to Franchisor in its sole discretion, having been entered into between Franchisor and Lender; or (iv), as applicable, Franchisor has the right to terminate the Franchise Agreement without cause under Section 3 of the Franchise Agreement.
- (e) <u>Expiration of Franchise Agreement</u>. Nothing in this Comfort Letter will extend the Franchise Agreement beyond its stated Term.

## 2. <u>Elections Upon Lender Acquisition.</u>

(a) <u>Election Not to Operate</u>. If Lender completes its Acquisition before the expiration of the applicable time periods set forth in Paragraph 1, Lender may elect not to continue operating the Hotel under the terms of the Franchise Agreement. In such event, Lender must give written notice to Franchisor within thirty (30) calendar days after the Acquisition of its election not to operate. Upon receipt by Franchisor of such notice, Franchisor shall terminate the Franchise Agreement in accordance with the terms thereof. Upon such termination of the Franchise Agreement pursuant to this Paragraph, Lender shall not be liable for any termination fees or liquidated damages for early termination. Lender shall be solely liable for all fees and obligations of Franchisee that accrued during the time period from the date of the Acquisition through the date of Lender's notice not to operate, and Lender shall be responsible for complying with the de-identification obligations contained in the Franchise Agreement.

(b) <u>Election to Operate</u>. If Lender completes its Acquisition before the expiration of the applicable time periods set forth in Paragraph 1 and Lender elects to continue operating the Hotel as a **«Contract\_Brand» «Contract\_Product»** hotel, Lender may, by notice and payment to Franchisor of an affiliation fee in the amount of \$15,000 by no later than thirty (30) days after the Acquisition and, enter into a new franchise agreement on Franchisor's then-current form. Lender and Franchisor will execute the new franchise agreement within thirty (30) days of Lender's Acquisition. Such franchise agreement shall be dated as of the later of (i) the date that Lender acquired the Hotel or (ii) the date that we sign the new franchise agreement.

The conditions contained in the Section 9 transfer provisions of the Franchise Agreement relevant to a new franchisee as determined appropriate by Franchisor shall apply with respect to the transfer to Lender, including but not limited to submission by Lender of its ownership structure, evidence of ADA compliance and evidence of insurance. Any renovation requirements imposed by Franchisor will not exceed those which Franchisor could have imposed had Franchisee remained as the Franchisee under the Franchise Agreement. Lender must diligently cure all defaults which it could not cure before the Acquisition under the terms of Paragraph 1(b), except for personal and non-curable defaults as defined below, within the time period determined by Franchisor based on the nature of the default and/or the condition of the Hotel at the time of Lender's Acquisition. The term "personal and non-curable defaults" as used in this Paragraph shall mean such defaults that (i) occurred before the date of Lender's Acquisition; (ii) are non-curable; (iii) are purely personal to Franchisee (e.g., failure to provide adequate notice or past failure to maintain Franchisee's company status); and (iv) are unrelated to the operation of the Hotel. However, Lender shall not be liable for any termination fees or liquidated damages.

- **Receivership.** If a receiver is appointed by court order to operate the Hotel, and Lender desires the Hotel to continue to be operated as a **«Contract\_Brand» «Contract\_Product»** hotel, Lender may, by notice and payment to Franchisor of a non-refundable \$7,500 administrative fee within thirty (30) days of receiver's appointment and subject to Paragraph 2(b) above, elect to have receiver enter into an assumption of the franchise agreement on Franchisor's then-current form. The receiver must execute an assumption of the Franchise Agreement within thirty (30) days of receiver's appointment. Before Franchisor approves such assumption of the Franchise Agreement pursuant to this Paragraph 3, (i) Franchisor, Lender and receiver must reach agreement concerning the cure of any quality, service or other deficiencies in Franchisee's prior performance of its obligations under the Franchise Agreement, including any deficiencies under any other agreements with Franchisor and/or its affiliates relating to the Hotel but excluding liquidated damages; (ii) receiver must enter into an assumption of the Franchise Agreement containing all terms required by Franchisor, which will be dated as of receiver's possession date; and (iii) receiver must specifically be authorized by court order to operate the Hotel and enter into and comply with the agreements referenced in subsection (ii) above.
- 4. Notifications to Franchisor. Lender agrees to notify Franchisor: (i) contemporaneously with commencement of foreclosure proceedings regarding the Hotel; (ii) contemporaneously with the filing of any petition for appointment of a receiver, to obtain the entry of an order for relief, or take any action under federal or state bankruptcy laws or similar laws with regard to the Hotel; (iii) contemporaneously with the acceptance of a deed for the Hotel in lieu of foreclosure; and (iv) promptly, after taking ownership, possession or control of the Hotel, directly or indirectly, in any manner. Lender's notice to Franchisor must identify the court in which any such action referred to in subsection (i) or subsection (ii) is or will be filed. Lender shall promptly notify Franchisor in writing of the commencement by another party of foreclosure proceedings or the filing of an action for the appointment of a receiver or petition for relief under state or federal bankruptcy laws after Lender receives notice of commencement of such proceedings.
- **5. No Consent to Assignment of Franchise Agreement.** Lender and Franchisee acknowledge and agree that any current and any future collateral assignment, pledge, grant of a security interest or other transfer to Lender or its Affiliates of any interest in the Franchise Agreement: (i) has not been and will not be consented to by Franchisor; (ii) does not and will not affect Franchisor's rights under the Franchise Agreement; (iii) does not and will not grant Lender or any person gaining ownership or possession of the

Hotel any rights under the Franchise Agreement or with respect to the license granted thereunder, including the right to operate the Hotel as a **«Contract\_Brand» «Contract\_Product»** hotel; and (iv) is and will be limited by the terms and conditions of this Comfort Letter. If the Hotel is acquired by anyone other than Lender neither Lender nor Franchisee will have the right or authority to sell, convey, assign or in any manner transfer any rights under this Comfort Letter or under the Franchise Agreement without the prior written consent of Franchisor. Lender's only rights with respect to the Franchise Agreement and the license granted thereunder, including the right to operate the Hotel as a **«Contract\_Brand» «Contract\_Product»** hotel, are stated in this Comfort Letter.

- **Subsequent Sale.** Any subsequent sale, assignment or transfer of the Hotel by Lender to a third party who desires to continue to operate the Hotel as a **«Contract\_Brand» «Contract\_Product»** Hotel must be in accordance with the transfer and assignment provisions of the Franchise Agreement, which require, among other things, submission of a relicensing application, payment of an affiliation fee, and payment of all amounts due to Franchisor. Franchisor will require the transfer applicant to sign the thencurrent form of franchise agreement, which will include a new property improvement plan.
- 7. <u>No Claims</u>. Franchisor may discuss with Lender or its designee the status of the Hotel, the Franchise Agreement, the terms of any agreement contemplated by this Comfort Letter and any of the matters to which Lender is entitled to notice. Franchisor and its respective owners, affiliates, agents, employees, officers, directors, successors, assigns and representatives ("Released Persons") shall not be liable to any person for taking any action or providing any information required or contemplated by this Comfort Letter ("Comfort Letter Acts") and Franchisee, on behalf of itself and its owners, affiliates, agents, officers, directors, employees, representatives, successors and assigns, hereby releases the Released Persons of and from any and all actions, causes of action, suits, claims, demands, contingencies, debts, accounts and judgments whatsoever, at law or in equity, for any Comfort Letter Acts.
- **8.** <u>Notices</u>. All notices required under this Comfort Letter shall be in writing, sent by certified mail, return receipt requested, or by Federal Express or other national express delivery service and addressed, if to Lender, to:

**9. Franchisee Estoppel and Release.** As consideration for this Comfort Letter relating to the Loan, Franchisee hereby:

- (a) certifies to Franchisor that the Franchise Agreement is in full force and effect, and no default, claim, breach, offset, defense to full and strict enforcement, waiver, or estoppel (collectively, a "Claim"), or condition that could with passage of time, giving notice or otherwise become a Claim, currently exists or has existed against Franchisor under the Franchise Agreement;
- (b) agrees that this Comfort Letter will remain in full force and effect in favor of Lender with respect to the Loan, as the Loan may periodically be modified, amended, extended, supplemented, or restated:
  - (c) agrees that this Comfort Letter was provided to Lender at Franchisee's request; and
- (d) fully and forever releases, discharges, and agrees to indemnify, defend, and hold harmless Franchisor, its predecessors, successors and assigns and each of their respective former and present officers, employees, directors, shareholders, partners, members, parents, subsidiaries, affiliates, alter egos, representatives, agents, and attorneys (collectively, the "Released Parties"), from any and all Claims, demands, liens, actions, agreements, suits, causes of action, obligations, controversies, debts, costs, attorney's fees, expenses, damages, judgments, orders, and liabilities of whatever kind or nature in law, equity, or otherwise, whether now known or suspected which have, may or do exist ("Released Claims"), based on any facts, events, or omissions occurring before the execution of this Comfort Letter which arise out of, concern, pertain, or relate in any way to the subject matter of this Comfort Letter. Franchisee acknowledges that it may hereafter discover Claims presently unknown or unsuspected, or facts in addition to or different from those which it now knows or believes to be true, with respect to the matters released by this Comfort Letter. Nevertheless, Franchisee fully and finally settles and releases all such matters, and all Claims relative thereto, which do now exist, may exist or have existed between the Released Parties and Franchisee.
- **10.** Lender Estoppel and Release. As consideration for this Comfort Letter relating to the Loan, Lender hereby:
- (a) certifies to Franchisor that Lender is not a Sanctioned Person. "Sanctioned Person" means any person or entity (including financial institutions) who is: (i) or is controlled by or acting on behalf of the Government of any country subject to comprehensive U.S. sanctions in force and which currently include the Government of Cuba, Iran, North Korea, Sudan, and Syria ("Sanctioned Countries"); (ii) located in, organized under the laws of or ordinarily resident in Sanctioned Countries; and/or (iii) identified by any government or legal authority under applicable Trade Restrictions as a person with whom dealings and transactions by Lender and/or its affiliates are prohibited or restricted, including but not limited to persons designated under United Nations Security Council Resolutions, the U.S. Department of the Treasury's Office of Foreign Assets Control ("OFAC") List of Specially Designated Nationals and Other Blocked Persons; the U.S. Department of State's lists of persons subject to non-proliferation sanctions; the European Union Financial Sanctions List; persons and entities subject to Special Measures regulations under Section 311 of the USA PATRIOT Act and the Bank Secrecy Act;
- (b) agrees that this Comfort Letter shall remain in full force and effect in favor of Lender with respect to the Loan, as the Loan may periodically be modified, amended, extended, supplemented or restated: and
- (c) fully and forever releases and discharges the Released Parties from any and all Released Claims by or through Lender based on any facts, events, or omissions occurring before the execution of this Comfort Letter which arise out of, concern, pertain, or relate in any way to this Comfort Letter.
- 11. <u>No Representations or Warranties</u>. In no event shall this Comfort Letter or any other circumstances surrounding the provision of financing by Lender be construed to involve: (i) any representation by Franchisor that Franchisor endorses, approves, recommends or otherwise concurs in the financing; (ii) any guarantee or assurance by Franchisor that Franchisee or any other party to the Loan

will be able to repay the Loan in accordance with its terms; (iii) any endorsement, approval, recommendation or concurrence in any financial projections submitted to Lender in connection with the Loan; or (iv) any endorsement, approval or recommendation of Franchisee's character or reputation. Franchisor's representation in the second paragraph of this Comfort Letter regarding the status of the Franchise Agreement pertains to the status of the Franchise Agreement as of the date of this Comfort Letter only. As a result, Lender acknowledges that Franchisor makes no representation that it has or has not issued any default notice after the date hereof, and Lender is not relying on any such representation (or absence of a representation) in making any decision or representation or warranty in connection with any material modification, securitization, or sale of the Loan.

- 12. Replacement Comfort Letter. Franchisor will issue a replacement comfort letter, substantially similar in form to Franchisor's then current comfort letter and then current fee if Lender (a)(i) appoints a third-party loan servicing agent to service the Loan, (ii) transfers the Loan to a successor mortgagee that is a financial institution in the business of routinely financing real estate transactions, or (iii) designates a trustee of a trust established in connection with the securitization of the Loan, provided that such transferee, designee, or appointee is not a Competitor, an affiliate of a Competitor, or a Person as defined in Section 19(k) of the Franchise Agreement (the "Anti-Terrorism/Anti-Bribery Laws"), and is not an affiliate of Franchisee, and (b) Franchisor receives a written request to issue a replacement comfort letter within sixty
- (60) days of the date of such appointment or transfer, setting forth the name, address of the entity for which the replacement comfort letter is requested, the name, address, telephone number and email address for the contact person for such entity, and the date of such appointment or transfer.

"Competitor" means an individual person who directly, or indirectly through an affiliate, owns or controls a hotel brand (or brands) and brands hotels through branded management, licensing and/or franchising (or similar means) for at least ten (10) hotels; provided, however, that a financial investor (such as an investment bank, private equity fund, pension fund, hedge fund or similar institution or any investor therein) shall not be deemed a competitor solely because of its financial investment in any competitor so long as either such financing investor is a passive investor or such financial investor is not actively involved in the day-to-day business operations of the brand and an appropriate and sufficient barrier is established to prevent such financial investor from receiving any confidential information of Franchisee, as applicable. In addition, a bank or other institutional lender that provides commercial financing to a competitor shall not be deemed a competitor solely because in the ordinary course of business it has financed a competitor, whether or not such financing results in, or has the potential to result in, such lender having control of a competitor as a result of the enforcement of remedies in the applicable financing documents, provided that such lender does not assume active management of the day to day operations of such competitor. Franchisor reserves the right to require representations and warranties or certifications that the conditions in this Paragraph are satisfied prior to issuing any replacement comfort letter. Any such replacement comfort letter shall supersede and replace this Comfort Letter.

- 13. Possession of the Hotel. If Lender owns, controls or possesses the Hotel after termination of the Franchise Agreement for any reason and Lender has not entered into a franchise agreement with Franchisor pursuant to Paragraph 2(b) herein, Lender will (i) upon Franchisor's request immediately perform the requirements of the Franchise Agreement with respect to de-identifying the Hotel as a «Contract\_Brand» «Contract\_Product» hotel and (ii) indemnify, defend and hold harmless Franchisor and its affiliates from and against any loss, claim or other liability of any kind arising from or in connection with the operation of the Hotel as a «Contract\_Brand» «Contract\_Product» hotel during such ownership, control or possession. Lender's obligations under this Paragraph shall survive termination of this Comfort Letter, and nothing herein shall limit Franchisor's rights to seek legal redress for any unauthorized use of Franchisor's trademarks, service marks, or systems.
- **14. Termination**. This Comfort Letter shall terminate and Lender shall have no rights hereunder if:
  - (i) Lender has been taken over in any manner by any state or federal agency or is in a

receivership, conservatorship, reorganization, or liquidation, or Lender or any of its officers or directors has entered into or is subject to a cease and desist order or any other formal or informal written agreement with a federal or state regulatory agency;

- (ii) Lender no longer holds a valid first mortgage or security deed for the Hotel unless (a) Lender has acquired the Hotel by foreclosure, deed in lieu of foreclosure, or any other exercise of its rights as a secured lender, in which case Lender will have the rights stated in Paragraph 2 for the period stated in such Paragraph, or (b) there has been a securitization or transfer of the Loan, in which case Lender will have the rights stated in Paragraph 12 for the period stated in such Paragraph;
- (iii) the Franchise Agreement has expired or the Franchisee has exercised its right to terminate:
- (iv) the Franchise Agreement has been terminated, unless such a termination is the result of the timely exercise of Lender's rights under Paragraph 2 or Paragraph 3, in which case this comfort letter will terminate on the exercise or expiration of such rights, but in no event later than forty-five (45) days after such termination of the Franchise Agreement; or
- (v) Lender breaches this Comfort Letter.
- 15. <u>Confidentiality</u>. You agree to keep the grant of modifications contained in the Comfort Letter in strict confidence and to not disclose them to any persons other than your directors, officers, partners, employees, agents and advisors who have a need to know for the sole purpose of the servicing, sale, administration, or securitization of the Loan. Any unauthorized disclosure is a default under the terms of the Comfort Letter, and we may, at our option, immediately terminate the Comfort Letter upon notice to you. The modifications outlined in this Comfort Letter are for the Hotel only and do not indicate that other hotels owned by you or by others will receive similar modifications. You acknowledge and agree that nothing in the Comfort Letter prohibits us from disclosing the terms of the Comfort Letter to any vendors, lenders, or other third parties as we determine in our reasonable discretion.
- **16.** <u>Final Agreement.</u> Except as otherwise expressly set forth, this Comfort Letter is the final integration of the agreements between the parties with respect to the matters covered by it and supersedes any prior understanding or agreement, oral or written, with respect to the matters covered by the Comfort Letter.
- 17. <u>Effectiveness</u>. Franchisor shall have no obligations hereunder unless Lender and Franchisee have executed and delivered to the other parties this Comfort Letter, which may be executed in a number of identical counterparts, each of which shall be deemed an original for all purposes and all of which shall constitute, collectively, one and the same letter agreement. Delivery of an executed signature page to this Comfort Letter by electronic transmission is as effective as delivery of an original signed counterpart. This Comfort Letter is effective as of the date the Franchisor signs the letter agreement. Franchisor's offer to enter into this Comfort Letter will be automatically withdrawn if (i) Franchisor does not receive signed copies from lender and Franchisee within 30 days of the date on page 1 herein, or (ii) Franchisor does not receive proof of the date of Loan closing within 60 days of the date on page 1 herein.

Very truly yours,
