What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement and area development agreement (if applicable) requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Iowa. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Iowa than in your own state.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**THE FOLLOWING PROVISIONS APPLY ONLY TO TRANSACTIONS GOVERNED
BY THE MICHIGAN FRANCHISE INVESTMENT LAW**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than five (5) years, and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least six (6) months' advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000.00, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

ITEM 1
THE FRANCHISOR AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

To simplify the language in this disclosure document, the term “we” means Panchero’s Franchise Corporation, the franchisor. The term “you” means the person buying the franchise, the franchisee. If the franchisee is a partnership, the term “you” includes each general partner. If the franchisee is a corporation, limited liability company, or other business entity, the term “you” does not include the entity’s owners, unless otherwise stated.

The Franchisor and Any Parents, Predecessors, and Affiliates

We are an Illinois corporation, formed on October 28, 1994, and do not have any parent or predecessors. Our principal business address is 2475 Coral Court, Suite B, Coralville, Iowa 52241. We do business under our corporate name and the trademark “PANCHEROS.” Our agents for service of process are listed in Exhibit B to this disclosure document.

We have offered franchises for PANCHEROS Restaurants since January 1995. We have never offered franchises in any other line of business. We have operated one or more restaurants similar to the Franchised Restaurant since 2010. Additionally, our affiliate, Little Donkeys, Inc. (“LDI”) has operated one or more restaurants similar to the Franchised Restaurant since 1992. LDI shares our principal business address. LDI has never offered franchises in any line of business.

On February 22, 2021, a new affiliate, LDIP Inc., an Illinois corporation (“LDIP”), was created that shares our principal address. On the same day, LDI, transferred certain assets to LDIP including the intellectual property rights to the PANCHEROS Marks (as defined below and as further described in Item 13). Notwithstanding the transfer of the IP assets to LDIP, LDI will continue to own and operate one or more Panchero’s restaurants. LDIP has never offered franchises in any line of business.

The Franchise Offered

We grant franchises for the establishment, development and operation of a restaurant providing carry-out and on-premises dining services featuring burritos, quesadillas, tacos, burrito bowls, salads, rice, salsa, and other food and beverage products, all prepared according to specified recipes and procedures (“Franchised Restaurant”). We also have developed a proprietary line of specially formulated spice packs, salsas, marinades and other food products, and certain presentation, packaging and marketing standards and techniques.

Each Franchised Restaurant operates according to our proprietary business format and system (“System”), which includes a distinctive exterior and interior layout, design and color scheme; distinctive signage, decorations, furnishings and materials; display cooking; special recipes, formulae, menus and food and beverage designations; the PANCHEROS confidential operations manual (“Confidential Operations Manual”); our proprietary food items; food and beverage storage, preparation and service procedures and techniques; operating procedures for sanitation and maintenance; and methods and techniques for inventory and cost controls, record keeping and reporting, purchasing, and sales promotion and advertising. We may change the System periodically.

The Franchised Restaurant will operate under the “PANCHEROS” service marks, and associated logos, commercial symbols, indicia of origin, and other trade names, service marks and trademarks that we have designated and may in the future designate as part of the System (“Marks”) which we license to you according to the terms of our franchise agreement (see Exhibit C, “Franchise Agreement”).

We also offer qualified candidates the right to develop at least three PANCHEROS Franchised Restaurants under an Area Development Agreement (Exhibit D). If we award you multi-unit development rights, you will sign our Area Development Agreement and receive a designated territory (“Designated Territory”) in

which to establish individual franchises under separate Franchise Agreements. If we grant you multi-unit development rights pursuant to an Area Development Agreement, prior to developing each restaurant, you will be required to sign our then-current form of Franchise Agreement, which may differ from the current form of franchise agreement attached to this Disclosure Document. The Area Development Agreement will include a development schedule (“Development Schedule”) that establishes the number of Franchised Restaurants you must develop and the development timetable.

Market and Competition

The Franchised Restaurant will offer its services to the general public and will compete with other local businesses as well as local, regional, and national restaurant chains. The Franchised Restaurant will also face competition from other foodservice businesses offering freshly prepared items like burritos, bowls, quesadillas, tacos, and other foods and beverages for on-premises consumption and carry-out. This market is well-developed in some areas and developing in other areas.

Industry-Specific Regulation

The restaurant industry is heavily regulated. Many of the federal, state, and local laws, rules, and regulations that apply to business generally, such as the federal and state anti-discrimination laws, federal wage and hour laws, National Labor Relations Act, ADA Amendments Act of 2008, and the Occupational Safety and Health Act, also apply to restaurants. However, other federal, state, and local laws, rules, and regulations have particular applicability to restaurants.

In addition, the Menu Labeling Provisions of the Patient Protection and Affordable Health Care Act require certain restaurants and retail food establishments to post caloric information on menus and menu boards and to make available additional written nutrition information to consumers upon request. State and local governments also may have their own regulations.

The Federal Clean Air Act and various implementing state laws require certain state and local areas to meet national air quality standards limiting emissions of ozone, carbon monoxide, and particulate matters, including caps on omissions from commercial food preparation. Some areas have also adopted or are considering proposals that would regulate indoor air quality.

The payment card industry (“PCI”) Data Security Standard is the current standard of security requirements for all merchants or service providers that store, process, or transmit cardholder data. You are responsible for PCI Data Security Standard compliance as well as any federal, state, and local laws, regulations, and ordinances related to privacy matters, including data and personally identifiable information.

A number of states and local jurisdictions have enacted laws, rules, regulations, and ordinances which may apply to the operation of your Franchised Restaurant, including those which (1) establish general standards, specifications and requirements for the construction, design and maintenance of the Franchised Restaurant premises; (2) regulate matters affecting (i) the health, safety, and welfare of your customers, such as general health and sanitation requirements for Restaurants, (ii) employee practices concerning the storage, handling, cooking, and preparation of food, (iii) restrictions on smoking, and (iv) availability of and requirements for public accommodations, including restrooms; (3) set standards pertaining to employee health and safety; (4) set standards and requirements for fire safety and general emergency preparedness; (5) govern the use of vending machines; and (6) regulate the proper use, storage, and disposal of waste, insecticides, and other hazardous materials.

You must comply with all laws and regulations applicable to the establishment and operation of the Franchised Restaurant. You should examine these laws before purchasing a franchise from us.

ITEM 3
LITIGATION

During the fiscal year 2024, Franchisor initiated one lawsuit against franchisees as follows:

Enforcement of Post-Termination Obligations

Panhero's Franchise Corporation v. Virji, LLC, et al., 1:24-cv-04087 (United States District Court for the Northern District of Illinois); Filing date: May 17, 2024.

Concluded Litigation

Navraj Restaurant Group, LLC, Rajendra I. Patel, and Navneet Patel v. Panhero's Franchise Corporation and Rodney L. Anderson, Case No. 18 114 Y 00947 13, American Arbitration Association, Cook County, Illinois. After we terminated the relationship with our development agent, Navraj Restaurant Group, LLC ("NRG"), on August 15, 2013, NRG and its principals, filed a demand for arbitration, alleging that we and our CEO, Rodney Anderson, violated various provisions of the NJFPA, the NJ Consumer Fraud Act, and the Iowa Business Opportunity Promotions Act, that we wrongfully terminated the development agent agreement, and that we tortiously interfered with NRG's prospective economic advantage. Plaintiffs sought \$5,000,000 in damages and recovery of attorneys' fees (which by the date of the hearing, exceeded \$700,000). On March 6, 2015, the arbitrator dismissed all claims against Rodney Anderson, individually, and awarded plaintiffs \$344,480.07. On May 27, 2015, we entered into a settlement agreement, under which the parties agreed to vacate the arbitration award and we agreed to pay a total of \$375,000, and the parties exchanged mutual releases.

~~*AMP Food Holdings, LLC, Erik Papadopolo, Bahram Asqarian, and Prabodh Menon (the "AMP Claimants") v. Panhero's Franchise Corporation and Rodney L. Anderson ("Respondents")*, Case No. 51-114 Y 40-14, American Arbitration Association, Cook County, Illinois. On August 15, 2013, our former franchisee, AMP Food Holdings, LLC, and its principals, filed a demand for arbitration in New Jersey. We objected to the location of the arbitration based on the language of the Franchise Agreement and, on December 19, 2013, the claimants filed an amended demand for arbitration in Cook County, Illinois. The amended demand alleged violation of the New Jersey Consumer Fraud Act and the~~

~~Iowa Business Opportunity Promotions Law, breach of the franchise agreement and implied duty of good faith and fair dealing, and fraud, and sought damages up to \$1 million. On September 4, 2014, the parties entered into a settlement agreement under which we agreed to pay the plaintiffs \$30,000, representing the amount of their initial franchise fee, and the parties exchanged mutual releases.~~

Other than ~~these two actions~~ as disclosed above, no litigation is required to be disclosed in this Item.

ITEM 4

BANKRUPTCY

No bankruptcy information is required to be disclosed in this Item.

ITEM 5 **INITIAL FEES**

Franchise Agreement

When you sign the Franchise Agreement, you must pay us an initial franchise fee.

Our standard initial franchise fee is \$30,000. If you are developing Franchised Restaurants under an Area Development Agreement (see below), the initial franchise fee is \$25,000 for each Franchised Restaurant developed under the Area Development Agreement. If you are an existing franchisee in good standing who purchases a second or additional franchise, our current policy is to offer a discount so that the initial franchise fee is \$25,000 for each additional Franchised Restaurant.

The initial franchise fee is nonrefundable and, except for the discounted fees described above, is uniform for all franchisees.

Area Development Agreement

If you enter into a multi-unit development agreement (“Area Development Agreement”), you must develop at least three Franchised Restaurants. When you sign the Area Development Agreement, you also will sign a Franchise Agreement for the first Franchised Restaurant to be developed under the Area Development Agreement and you will pay the \$25,000 reduced initial franchise fee for the first Franchised Restaurant, as well as an Area Development Fee which will be equal to \$10,000 for each Franchised Restaurant, excluding the first, that you commit to develop under the Area Development Agreement. For example, if you sign an Area Development Agreement that requires you to develop three Franchised Restaurants, your Development Fee will be \$20,000. The area development fee is nonrefundable.

When you sign the second and each subsequent Franchise Agreement under the Area Development Agreement, we will credit \$10,000 of your Area Development Fee toward the payment of the \$25,000 initial franchise fee due under the Franchise Agreement, and you will pay us the \$15,000 balance at that time.

Initial Merchandise Purchases

~~You may elect to purchase certain items from us before your Franchised Restaurant opens, including: menus, business cards, temporary signage, and gift cards. You are not required to purchase these items from us, and the timing and amount of these purchases is in your discretion. The payments are not refundable once made. We estimate that the cost of these initial purchases will range from \$2,000–\$4,000.~~

Notes:

Note 1: Except as otherwise noted in this Item 6, all fees are imposed and collected by, and payable to, us. Unless otherwise noted, fees are not refundable and currently are uniformly imposed.

Note 2: “Gross Revenues” means all revenue derived from the operation of the Franchised Restaurant, including sales revenue derived from off-premises sales, whether received in cash, in services in kind, from barter and/or exchange, on credit (whether or not payment is received) or otherwise, less any sales tax or other taxes collected from your customers if paid to the appropriate taxing authority. Gross Revenues also does not include the amount of any documented refunds and credits given in accordance with our policies and in good faith to customers (but only if the original amounts were included in Gross Revenues). Gross Revenue is not reduced by the amount of any discounts on products or services sold to employees, family members, or other businesses you own or control or by the amount paid to, collected by, or shared with third-party food ordering and delivery systems with which we allow the Franchised Restaurant to do business. All of those transactions must be entered into the POS System at the full, standard retail price for purposes of calculating Gross Revenue. All barter and/or exchange transactions for which you furnish services and/or products in exchange for goods or services to be provided to you by a vendor, supplier or customer will, for the purpose of determining Gross Revenues, be valued at the full retail value of the goods and/or services provided to you.

Note 3: We may periodically modify standards, specifications, and operating procedures for the operation of the Franchised Restaurant, which may require you to invest additional capital in the Franchised Restaurant and/or incur higher operating costs. The reasonable per diem amount we may charge you for our services is subject to increase based on changes in our costs in providing these services.

Note 4: If you have not cured a default under the Franchise Agreement within the applicable cure period, we may operate the Franchised Restaurant until we cure the default, using reasonable commercial efforts. We or our designee may retain, and need not pay or account to you for, any Gross Revenues generated while we (or our designee) operate the Restaurant.

Note 5: If you wish to sell or use any product which is not on our Approved Supplies List or purchase any product from a supplier that is not on our Approved Suppliers List, you must notify us and, if requested, submit samples and other information for inspection and testing. You or the proposed supplier must pay the reasonable cost of the inspection and evaluation and the actual cost of the test. Our costs will vary from supplier to supplier due to such factors as to who we assign to conduct the inspection, the time needed to conclude the evaluation, and our costs (including all travel related costs).

Note 6: When there is more than one PANCHEROS Franchised Restaurant in any given area, we may form a PANCHEROS Regional Advisory Council (“Advisory Council”). You must participate in all franchisor-approved Advisory Council programs for your particular area and pay all assessments levied by the Advisory Council.

Note 7: If you designate new or additional managers after the initial training program, we will provide training to these managers at the then-current published rates. All designated managers must successfully complete the training program provided at our headquarters or other location we designate. You are responsible for all costs incurred by your employees in attending this training program.

Note 8: Should you request additional opening or pre-opening assistance, or if we deem additional assistance necessary, you must reimburse us our expenses, including travel and lodging expenses for our representatives, plus our then-current service fee published in the Confidential Operations Manual.

Note 9: You are responsible for all costs you and your employees incur in attending these programs, including travel, lodging, meals and employees' salaries, in attending continuing education and training programs or seminars at a location we designate.

Note 10: You will periodically attend special meetings of all PANCHEROS franchisees to be conducted at a location we designate. You are responsible for all costs you and your employees incur in attending these meetings, including travel costs, room and board expenses, and employees' salaries. Attendance at the Pancharo's National Franchise Conference or conference designated by franchisor each calendar year will be mandatory but will not last more than four business days. If we call more than one meeting in a calendar year and you are unable to attend, we will conference you into the meeting via telephone or other available means. However, costs of this conferencing will be split among all franchisees that were unable to attend this meeting.

Note 11: The prevailing party in any legal proceedings is entitled to reimbursement of its costs, including reasonable accounting, attorneys, expert, and related fees. In addition, if we incur costs or expenses due to your failure to timely pay any amounts that you owe to us or to otherwise comply with the Franchise Agreement, you must reimburse us the amount of all costs and expenses we incur, regardless of whether formal legal proceedings are initiated.

Note 12: The Franchise Agreement contains a holdover provision which states if the Franchise Agreement expires and you continue to operate the Franchised Restaurant after expiration, we may, at our option, declare you to be holding over. At that time the terms of the Franchise Agreement will govern the relationship between you and us and (a) either party may terminate the relationship at any time, for any reason, or no reason by providing written notice, and (b) the Royalty Fee and Advertising Fund contribution during any hold over period will be 150% of the applicable amounts due under the Franchise Agreement.

Note 13: Royalty Fees, Advertising Fund contributions, amounts due for purchases by you from us and other amounts which you owe to us will be paid through an Electronic Depository Transfer Account ("Electronic Depository Transfer Account") described in the Confidential Operations Manual. Immediately following the signing of the Franchise Agreement, you must set up an Electronic Depository Transfer Account, and we will have access to this account to receive payments. Every Wednesday, you must make deposits to the account sufficient to cover amounts owed to us as of the preceding Sunday for Royalty Fees, Advertising Fund contributions, and other funds owed to us for the preceding week. Deposits for all other owed amounts must be according to the procedures included in the Confidential Operations Manual.

Note 14: We reserve the right to require you to participate in one or more third-party food ordering and delivery services with one or more suppliers who we have approved on behalf of the System (each, a "System Designated Third-Party Delivery Service"). In the event that we contract with any System Designated Third-Party Delivery Service directly, you shall be required to reimburse us for your pro-rata share of any costs or fees we pay to the System Designated Third-Party Delivery; alternatively, in our sole discretion, we reserve the right to require you to make payment to the System Designated Third-Party Delivery Service directly on your own behalf. Upon request, we may also allow you to utilize other non-system designated third-party food ordering or delivery services at your Franchised Restaurant. You may not utilize any such non-system designated third-party services without first obtaining our written approval.

Your engagement and utilization of any such non-system designated third-party must be in strict compliance with the standards set forth in the Confidential Operations Manual. In the event that you engage the services of any such non-system designated third-party services, any associated costs or fees charged in connection therewith shall be at your sole cost and expense.

Notes:

Unless specified otherwise, you will incur the expenses described in the chart above in establishing the Franchised Restaurant. The expenses estimated in this Item 7 do not contemplate any price impact that may result from new or proposed government tariffs. Except for the real estate lease and utility deposits,

which are imposed and collected by third parties, which may be refundable if permitted by the third party, no expenditure in the table above is refundable. The figures shown above are for existing building only, whereas the costs may vary substantially if you choose to construct a building for your Franchised Restaurant. However, you are not required to construct a building.

Note 1: See Item 5 for more information about the initial franchise fee and available discounts.

Note 2: Franchised Restaurants typically occupy 2,000 to 2,500 square feet in an end-cap strip center location with patio or drive thru/pick up window. You are responsible for renting or acquiring premises suitable for the Franchised Restaurant. The figures in the chart assume that you will occupy the premises according to a commercial lease, and that the rent commences on the date the Franchised Restaurant opens for business. The low figure assumes no security deposit, and the high figure assumes a security deposit equal to two months' rent, however, you may incur higher security deposit expenses depending on your financial circumstances. Rent, taxes, and insurance vary greatly by market and other circumstances.

Note 3: You may be required to pay deposits before the installation or start of service of telephone, gas, electric and other utilities, as required by any utility company.

Note 4: Your build-out costs will depend upon the size and condition of the premises, the nature and extent of leasehold improvements required, the local cost of contract work, the location of the Franchised Restaurant and if the site can accommodate a second digital service line and or drive thru/pick up window at your Franchised Restaurant. The estimates assume a standard build-out of the premises performed by the lessor, including landlord-provided HVAC, supplemented by any amounts provided by you for additional leasehold improvements made to the premises according to System specifications. Leasehold improvements include plumbing, electrical wiring, carpentry and installation of furniture, fixtures, flooring and equipment, but do not include building shell costs, exterior work to the building that may be required, or any costs associated with exterior grease-trap, impact or hook-up fees. The high-end of the estimate includes a second digital service line and/or drive thru pick up window at your Franchised Restaurant. The figures in the chart represent your estimated costs, net of tenant improvement allowance, which typically ranges from \$0 to \$30 per square foot.

Note 5: You must purchase various equipment and fixtures to operate the Franchised Restaurant, as specified in the Confidential Operations Manual. You may purchase or lease approved brands and models of fixtures from approved suppliers. The cost of furniture, fixtures and equipment will depend on financing terms available, the size of the facility, brands purchased and other factors. The high-end of the estimate assumes you have elected to offer the optional second digital service line at your Franchised Restaurant. If you are purchasing an operating restaurant from our affiliate, you may not incur any extra expense for these items. This estimate does not include vehicles for catering services because a new franchisee typically does not offer catering services. If you elect to offer self-delivered catering services, you must purchase or lease a vehicle.

Note 6: Your requirements for initial inventory are designated in the Confidential Operations Manual. You must maintain an inventory of ingredients, food and beverage products and other products, materials, and supplies that will permit you to operate the Franchised Restaurant at maximum capacity.

Note 7: You will obtain insurance coverage with the limits we require. The lower figure assumes 25% down on a yearly premium amount.

Note 8: You are responsible for transportation and expenses of any persons attending the training program. This amount depends on the distance you must travel and the type of accommodation you choose. The estimate contemplates attendance by one person traveling to our headquarters or other location for approximately two days for an initial orientation session and two persons traveling to a location that we designate for approximately three weeks for on-the-job training.

Note 9: You must spend at least \$30,000 to \$50,000 for an initial marketing campaign, which will be paid to our approved suppliers. ~~You must obtain a white pages listing for the Franchised Restaurant, and~~ You must register the business with online directories, such as Google, at our direction. (See Item 11.)

Note 10: Signage includes exterior signs that bear the Marks. Signage costs may vary depending on the type, size and location of the signs and local restrictions.

Note 11: You must lease or purchase various office equipment and supplies.

Note 12: This estimate includes food licenses but excludes any building permits you need to obtain. The high figure is the maximum suggested expenditure for the license.

Note 13: This estimate includes architect and attorneys' fees. Your fees will vary by market and your decisions regarding the advisory services you obtain.

Note 14: This estimates the funds needed to cover your initial expenses for the first three months of operation (other than the items identified separately in the table). It includes payroll costs for a manager but not any draw or salary for you. However, this is only an estimate, and it is possible that you will need additional working capital during your first three months of operation. In compiling these estimates, we relied on our franchisees' experience and our affiliate's experience in operating PANCHEROS restaurants.

Notes.

Note 1. If you are granted the opportunity to enter into an Area Development Agreement, as disclosed in Item 1, you and we will mutually agree on an area to be defined in the Area Development Agreement as the “Development Area.” The Development Agreement will specify the number of PANCHEROS® Restaurants you are required to open under the Development Agreement (the “Development Area Restaurants”), with a minimum of three PANCHEROS® Restaurants. You will be required to sign your first Franchise Agreement at the same time you sign the Area Development Agreement. Upon signing, you will be required to pay an Initial Franchise Fee (discounted to \$25,000 in accordance with Item 5) for your

first PANCHEROS[®] Restaurant and an Area Development Fee, which will be equal to Ten Thousand Dollars (\$10,000) for each PANCHEROS[®] Restaurant that you are obligated to develop (other than the first Restaurant) pursuant to the Area Development Agreement. For example, if your Area Development Agreement obligates you to open three PANCHEROS[®] Restaurants, upon signing your first Franchise Agreement and the Area Development Agreement, you will pay us an Initial Franchise Fee of Twenty-Five Thousand Dollars (\$25,000) and an Area Development Fee of Twenty-Thousand Dollars (\$20,000; calculated by multiplying \$10,000 by each restaurant you commit to developing beyond the first). Prior to developing each PANCHEROS[®] Restaurant you are obligated to develop pursuant to your Area Development Agreement, You (or your approved affiliate) will (a) sign our then-current Franchise Agreement and (b) pay us an initial franchise fee of Twenty-Five Thousand Dollars (\$25,000), which we will offset by \$10,000 (the portion of the Area Development Fee you paid for this outlet), so you will only be required to pay us Fifteen Thousand Dollars (\$15,000) upon signing the second and each subsequent Franchise Agreement. If you are unable to open the PANCHEROS[®] Restaurants you are obligated to open under the Development Agreement, or if the Development Agreement is terminated for any reason, you will not receive any refund of any portion of the Area Development Fee, the Initial Franchise Fee(s) or any other fees paid to us.

Note 2. The Initial Investment estimate for the first PANCHEROS[®] Restaurant to be developed under an Area Development Agreement was derived from the Total Estimated Initial Investment range set forth above in Table 1 less the Initial Franchise Fee from Table 1 as a reduced initial franchise fee is already incorporated into Table 2. Table 2 includes the estimated initial investment range for the first PANCHEROS[®] Restaurant you are obligated to open. You will incur initial investment expenses for each PANCHEROS[®] Restaurant you are required to open and operate under the Area Development Agreement. These expenses may increase over time.

Other than the initial fee described in Item 5 and the costs of your legal and business advisors, you will not have any costs beginning business as an area developer. You will incur the costs estimated above for each Restaurant you develop (at least three) during the term of the Area Development Agreement.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Approved Supplies and Suppliers

You must purchase certain proprietary ingredients and food products from designated or approved suppliers, which may include us, our affiliate, and/or third-party suppliers. These items may include custom bottled sauces, marinade sauces, spice mixes, salsas, pre-cut or pre-packaged meats, and other various proprietary items. ~~We also may designate one or more insurance carriers or brokers to the extent permitted by applicable law. We have the right to introduce additional, substitute, new, or discontinue any proprietary products in our sole discretion.~~

~~For all other products and services~~For all other products and services, we have the right to designate the specific brand and/or manufacturer of those supplies, products and services, and to designate an exclusive source, or sources, from whom you must purchase those supplies, which may be us, our affiliate, or a designated third-party supplier. We reserve the right, to the extent permitted by applicable law, to require you to use only an accountant, insurance broker, or real estate broker that we have approved.

~~We may, at any time in our sole discretion, designate additional Approved Suppliers (which may be us or our affiliates) or remove any Approved Supplier from our approved list and we also have the right to~~

designated new, modified or additional Approved Supplies or discontinued or disapprove any previously required Approved Supplies.

Before you open your Restaurant, we will give you a list of approved manufacturers, suppliers and distributors authorized for the Franchised Restaurant (“Approved Suppliers List”) and a list of approved inventory, products, fixtures, furniture, equipment, signs, stationery, supplies, uniforms, retail merchandise and other items or services necessary to establish and operate the Franchised Restaurant (“Approved Suppliers List”).

The Franchised Restaurant must at all times maintain an inventory of ingredients, food and beverage products and other products, materials and supplies that will permit operation of the Franchised Restaurant at maximum capacity.

Virtually all goods, services, supplies, fixtures, equipment, and inventory that you will use in connection with the initial and ongoing operation of your Franchised Restaurant must be purchased according to our specifications or from approved suppliers. Therefore, these purchases and leases are up to 100% of your overall purchases and leases in establishing and then operating your Franchised Restaurant.

Any item used in the Franchised Restaurant that is not specifically required to be purchased according to the Approved Suppliers List or the Approved Supplies List must conform to our established standards and specifications. We will communicate these to you in our Confidential Operations Manual or otherwise in writing.

We do not guarantee the availability of independent sources of supply for any particular item, product or service required to establish or operate your Franchised Restaurant. We do not provide material benefits to you (including renewal rights or the right to additional franchises) based on whether you purchase through the sources we designate or approve. As of this issuance date hereof, we have negotiated pricing arrangements for the benefit of our franchisees with one supplier for certain cleaning products; we reserve the right to discontinue or renegotiate this arrangement or introduce other negotiated agreements (including those that contain pricing terms) with other suppliers so in the future.

Approval of Alternate Suppliers

If you would like to sell or use any product, material or supply or purchase any products from a supplier not on either of these lists, you must notify us and may need to submit samples and other information to us so that we can make an informed decision as to whether this product or supplier meets our standards. You may be charged for the costs of our testing a product or supplier. (See Item 6.) We will notify you of our approval or disapproval within a reasonable time (no more than 60 days) after we receive all requested information and materials related to the product or supplier.

In approving a proposed supplier, we generally consider the supplier’s ability to purchase product in bulk, quality of service, including sanitation, production and delivery capability, proximity to Franchised Restaurants in order to make timely deliveries of product, and dependability. If you request a supplier, we will make our criteria available to you.

~~Virtually all goods, services, supplies, fixtures, equipment, and inventory must be purchased according to our specifications or from approved suppliers. We will provide this list during the initial phase of the training program.~~ We may limit the number of approved suppliers with whom you may deal, designate sources that you must use, and/or refuse any of your requests to approve an alternate supplier for any reason, including that we have already designated an exclusive source (which might be us or our affiliate) for the

particular item or service if we believe that doing so is in the best interests of the PANCHEROS network. None of our officers hold an interest in any of our suppliers.

Revenue from Franchisee Purchases

~~Any item used in the Franchised Restaurant that is not specifically required to be purchased according to the Approved Suppliers List or the Approved Supplies List must conform to our established standards and specifications. We will communicate these to you in our Confidential Operations Manual or otherwise in writing.~~

~~Therefore, these purchases and leases are up to 100% of your overall purchases and leases in establishing and then operating your Franchised Restaurant. The Franchised Restaurant must at all times maintain an inventory of ingredients, food and beverage products and other products, materials and supplies that will permit operation of the Franchised Restaurant at maximum capacity.~~

~~In approving a proposed supplier, we generally consider the supplier's ability to purchase product in bulk, quality of service, including sanitation, production and delivery capability, proximity to Franchised Restaurants in order to make timely deliveries of product, and dependability. If you request a supplier, we will make our criteria available to you.~~

~~We do not guarantee the availability of independent sources of supply for any particular item, product or service required to established or operate your Franchised Restaurant. We do not provide material benefits to you (including renewal rights or the right to additional franchises) based on whether you purchase through the sources we designate or approve. We do not currently negotiate price arrangements with suppliers for the benefit of franchisees, although we reserve the right to do so in the future.~~

Our soft drink vendor currently makes a payment directly to the Advertising Fund for every gallon of fountain syrup purchased by the franchise system. Under that arrangement, our soft drink vendor paid \$ ~~\$192,481.88 to~~ 188,983.13 to the Advertising Fund in ~~2024~~2023. Our soft drink vendor also currently makes payments directly to franchisees (for franchised restaurants) and our affiliates (for affiliate-owned restaurants) based on gallons pumped at \$2.25 per gallon pumped, discounts certain other beverages purchased by the system, and provides a lump sum payment for Restaurant grand opening marketing. ~~During our most recent fiscal year, each Franchised and Affiliate Owned Restaurant received a one-time benefit equal to Fifteen Hundred Dollars (\$1500) in free products from the designated supplier for cleaning and chemical products. Our affiliates may receive and retain supplier payments based on purchases by affiliate owned Restaurants.~~

~~You may elect to purchase certain items from us, including menus, business cards, temporary signage, gift cards, and other printed items for which we can be considered an~~In addition, another approved supplier. ~~Currently, we purchase these products from third-party suppliers and sell them to you at~~ provides a payment directly to us for 5% on the basis of system-wide annual net sale increases as well on the basis of quarterly net sales of certain product categories. This same vendor also provides a one-time account credit to each new restaurant (whether franchised or affiliated-owned) for the value of its opening order and provides \$5,000 sponsorship to us to offset the costs of ~~our cost; we derive no additional revenue from your purchases of these items. In annual system conference (if one is held).~~

~~In 2024, we derived \$36,431.15~~2023, we did not derive any revenue as a result of franchisee purchases from Approved Suppliers. ~~You must purchase pre-approved t-shirts, polo shirts, which accounted for .357% of our total revenue of \$10,194,108 as reflected in our most recent audited financial statements.~~

~~We and our affiliates reserve the right to derive additional revenue and hats from our approved uniform supplier. That supplier will bill you directly through its Internet-based ordering system. Although they do not do so at benefits (in addition to that which is described in this time, we and our affiliates may, in the future, derive revenue~~ Item 8) from the direct lease or sale of goods and services to you and other franchisees.

~~We have the right to require you to use only an accountant that we have approved. However, if you fail to comply with our accounting, record-keeping and reporting obligation, we may require you to use our designated accountant (which also may be our accountant) to ensure preparation of required reports and financial statements accurately and in our desired form. We also have the right to require you to use only a real estate broker that we have designated or approved to assist you in locating a suitable site for the Franchised Restaurant.~~

Insurance

You must obtain and maintain, at your own expense, the insurance coverage that we periodically require. You must obtain your insurance from our designated provider, unless the laws of your state restrict us from designating an insurance provider. All coverages apply per Franchised Restaurant that you operate. Currently, you must have at least the following:

- Property Insurance with special form coverage on all improvements, betterments, and all business property used in the Franchised Restaurant at 100% of replacement cost value, but no less than \$500,000. Flood and Earthquake coverage will be required in geographically prone areas.
- General Liability coverage for \$1,000,000 per occurrence and \$2,000,000 aggregate, ~~including the additional insured endorsement naming Panchero's Franchise Corporation.~~ This policy must include Products Liability coverage with an aggregate of \$2,000,000, Damage to Rented Premises of \$300,000, and Personal Injury and Advertising Liability of \$1,000,000.
- Business interruption coverage for actual loss sustained for 12 months or 50% of gross annual sales.

If the Franchised Restaurant operates in a monopolistic state (*i.e.*, Wyoming, North Dakota, West Virginia, Washington, and Ohio), you must also obtain Stop Gap coverage on the Workers' Compensation policy or General Liability policy. Minimum limits are as follows: no less than \$500,000 per accident for bodily injury by accident; \$500,000 policy limit by disease; and \$500,000 per employee for bodily injury by disease or higher coverage as required by law in your state.

You must also provide us with a certificate of insurance annually and 10 days prior to any renewal with the endorsements as noted below. If you do not comply with the insurance requirements, we reserve the right, but not the duty, to force place insurance on your behalf and charge you the premium due along with any administration fee that might apply and which will be due immediately to us.

ITEM 10
FINANCING

We do not offer direct or indirect financing. We do not guarantee your note, lease, or obligation.

ITEM 11
FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, Panchero's Franchise Corporation is not required to provide you with any assistance.

Before you open the Franchised Restaurant, we will:

1. Approve the lease for the Franchised Restaurant premises that meets our requirements. The lease must contain the provisions we periodically specify, and you must execute a lease rider, a sample of which is attached as Exhibit E to the Franchise Agreement. We anticipate your signing a lease with a third-party lessor unless you acquire ownership of the real property that will house restaurant operations. (Section 3.D. of Franchise Agreement.)
2. If this is your first Franchised Restaurant, provide an initial two-day orientation session to you or your managing owner to introduce you to the PANCHEROS brand. This session will occur no later than eight weeks after you sign the Franchise Agreement. (Section 5.A. of Franchise Agreement; Section 5(c) of Area Development Agreement.)
3. If this is your first Franchised Restaurant, train you or your designated manager and other personnel you designate, no later than six weeks before your Franchised Restaurant opens for business, at an on-the-job training program for approximately three business weeks, as described below. If you are acquiring an additional Franchised Restaurant, we may, at our option, reduce the time and extent of on-the-job training required. We do not charge for this training or service; however, all expenses incurred by you, your employees' costs in attending this program, including travel and room and board expenses, and employees' salaries will be your sole responsibility. All training occurs at our headquarters or at a location that we designate. (Section 5.B. of Franchise Agreement.)
4. Provide you with an Approved Supplies List and Approved Suppliers List, and the minimum standards and specifications you must satisfy in developing and operating the Franchised Restaurant. The Approved Supplies List and Approved Suppliers List shall identify all supplies, including, but not limited to, the equipment, fixtures, furniture, signage, and inventory that you must use when developing and operating your Franchised Business. Except as otherwise set forth in Item 8, we do not provide these supplies to you. We will provide you with this information during the initial phase of our training program. (Section 11.C. of Franchise Agreement.)
5. If we do not require you to offer, but you wish to offer, catering services, review your request to do so. If we require you to offer mandatory catering, or grant approval of your catering service request, we will provide applicable guidelines and provide you with specifications for acceptable brands and types of vehicles you will use for catering services. You must strictly comply with all such specifications. (Section 11.H. of Franchise Agreement.)

During your operation of the Franchised Restaurant, we will:

1. If this is your first Franchised Restaurant, for approximately 10 days around the time the Restaurant opens for business, furnish to you at your Premises and at our expense one of our representatives to facilitate the opening of your Franchised Restaurant. This is part of our initial training program which you must successfully complete. We may provide additional training if requested by you at our then-current fee. (Section 5.C. of Franchise Agreement.)
2. Loan you a copy of the Confidential Operations Manual, which may be, in our discretion, in a physical or electronic format. The physical format currently contains 126 pages. The Table of Contents of the Confidential Operations Manual is attached to this disclosure document as Exhibit

F. If an electronic format is provided, we may require you to access it via a secure password protected site and you must comply with all of our policies and procedures regarding accessing the Confidential Operations Manual electronically, as well as for downloading it and monitoring it regularly for updates (all of which you will be required to comply with). (Section 7.A. of Franchise Agreement.)

3. Review your advertising materials. You will submit to us for prior approval all promotional materials and advertising that you intend to use, which may include radio and television advertising, digital media, social media, specialty and novelty items, signs, containers, and boxes. We will use good faith efforts to approve or disapprove your materials within 30 days from receiving them. You may not use the materials until they are approved in writing, and we have the right to disapprove materials that we have previously approved. (Section 9.A. of Franchise Agreement)
4. Establish guidelines for Grand Opening Advertising and publish these guidelines in the Confidential Operations Manual. (Section 9.B. of Franchise Agreement.)
5. Administer the Advertising Fund. (Section 9.C. of Franchise Agreement.)
6. Update the Approved Supplies List and Approved Suppliers List, as we periodically deem necessary. (Section 11.C. of Franchise Agreement.)
7. Modify the System, including adopting and using new or modified trade names, trademarks, service marks or copyrighted materials, new menu items, new products, new equipment, new techniques, new recipes or new presentations. (Section 7.B. of Franchise Agreement.)
8. Periodically advise or offer guidance to you on prices for the food and other products offered for sale by the Franchised Restaurant that, in our judgment, constitute good business practice. Alternatively, we may, to the extent the law allows, regulate your minimum, maximum, or other prices for products and require you to participate in system-wide discount programs. (Sections 9.G. and 11.J. of Franchise Agreement.)
9. Provide such ongoing consultation and advice as we deem appropriate, which may include information about new service and product development, instruction concerning the operation and management, advertising and marketing advice, and financial and accounting advice. (Section 5.G. Franchise Agreement)
10. Provide specifications to you for the POS System you must use, which will include an integrated credit card and gift card program supported by our approved processor. We may also specify other computer hardware or software components in the future that you must purchase and use. We will have full access to all of your data, systems and related information by direct access, whether in person or by telephone/modem. (Sections 10.C.-F. Franchise Agreement)

Site Selection and Opening.

If we sign the Franchise Agreement even though you have not yet located the Franchised Restaurant's site (which often is the case), you must find and lease a suitable site within 180 days after signing the Franchise Agreement. In that situation, we will identify a Site Selection Area in which you must look for the site. You are entitled to a 90-day extension at no cost, which we will grant you upon request. However, we may terminate the Franchise Agreement if you fail to find a site within this 180-day or 270-day (if an extension is applicable) timeframe. If you are granted multi-unit development rights pursuant to an Area Development Agreement, prior to developing any restaurant in the Designated Territory, you must first submit the proposed site to us for approval, which we may grant or deny in our sole discretion and our then-current site selection criteria will apply.

Franchisees typically open their Franchised Restaurants within six to eight months after signing the Franchise Agreement (assuming they had already selected a site when the Franchise Agreement was signed, or found one shortly after signing the Franchise Agreement). We may, however, terminate the Franchise Agreement if you fail to open your Franchised Restaurant by the agreed on “Target Opening Date,” which will be no later than ~~150~~180 days, or 270 days if an extension is requested and granted, from the date you take possession of the site of the Franchised Restaurant. Our prior approval of the site, which will be granted at our sole discretion, is required. The factors we use to approve the location may include area competition; area demographics; types of other retail and commercial businesses in the area that generate a high volume of traffic; and daytime population.

Advertising

Our advertising program for the products and services offered by PANCHEROS restaurants currently consists of advertising in certain local and/or regional markets and dissemination of promotional materials at the restaurant level. Our advertising materials currently are created in-house and with the help of an outside advertising agency. You may develop your own advertising and marketing materials, at your own expense, subject to the requirements described below. We may elect to utilize various local, regional and/or national media campaigns in the future which may, include radio, television, magazine, social media, digital media and Internet advertising campaigns.

We must approve all of your promotional and marketing materials, as well as the proposed medium for such promotional or marketing materials, before you may use them. To obtain approval, you must submit to us samples of the proposed materials and notify us of the intended media. We will use good faith efforts to approve or disapprove your materials within 30 days from the date we receive them. You may not use the materials until they are approved in writing, and we have the right to disapprove materials that we have previously approved.

Initial Marketing Campaign

You must comply with our initial marketing campaign requirements, which may include engaging our designated advertising agency or other service providers, and making a required expenditure ranging from \$30,000 to \$50,000. The initial marketing campaign will be conducted according to our guidelines and must be completed within six months of opening.

Advertising Fund

In addition to your opening advertising campaign, you must contribute up to 3% of your Gross Revenues to an Advertising Fund (“Fund”). Although we currently collect 2% of Gross Revenues as your contribution to the Fund, we reserve the right to increase this amount to 3% of Gross Revenues in the future. Fund contributions are paid in the same manner as the Royalty Fee.

We may use Fund monies to pay for creative development services (including creation and modification of store design and trade dress, logos, menu design, graphics and vehicle wraps, and advertising and promotional items, including the cost of photography services and design software); preparing and procuring market studies, providing or obtaining marketing services (including, conducting customer surveys, focus groups, and marketing and compliance-related mystery shops and customer interviews); employing advertising and/or public relations agencies; developing, producing, distributing and placing advertising (including, preparing and conducting media advertising campaigns in various media, local store advertising and promotion in a particular area or market, or for the benefit of a particular restaurant or restaurants concerning restaurant opening promotion or otherwise, conducting and administering in-store promotions; preparing and executing direct mail advertising, and developing, producing and purchasing point-of-sale advertising, menus and menu boards, and other sales aids and promotional items and materials); new product development and development of product packaging; developing, updating and hosting our web site (including development of locator programs) and/or an intranet or extranet system;

obtaining sponsorships and endorsements; preparing and conducting sweepstakes and other promotions; developing, administering, and distributing coupons, gift certificates, stored value card and loyalty card programs, and customized promotions, and the cost of product associated with the redemption of free coupons, gift certificates, stored value cards, loyalty cards and/or other customized promotions; developing and administering other customer loyalty programs; providing and procuring public relations services; conducting public relations activities; charitable donations; membership fees in international, national, regional, and/or local trade or other associations or organizations. We also may use Fund monies to reimburse ourselves for our costs of personnel and other administrative and overhead costs associated with providing the services described in this paragraph.

We will administer the Fund. We will not use Fund monies for creating or placing any advertisement that is principally a solicitation for new franchisees, but may include in all advertising prepared using Fund monies (including Internet advertising) information concerning franchise opportunities, and a portion of Fund monies may be used to create and maintain one or more pages on our web site devoted to advertising franchise opportunities and identifying and screening inquiries and applications submitted by franchise candidates. We are not obligated to spend any amount on advertising in the area where your Franchised Restaurant is located or to ensure that your Franchised Restaurant will benefit directly from the Fund monies. Any amounts contributed to the Fund that are not spent in the year they are collected will remain in the Fund for use during the next year.

Although not contractually required to do so, we anticipate that each PANCHEROS Restaurant owned by us or an affiliate of ours will contribute to the Fund on the same basis as our franchisees. Upon your reasonable request, we will provide you an annual unaudited statement of Fund contributions and expenditures. During our ~~2024~~2023 fiscal year, the Advertising Fund spent ~~10.60~~12.30% on production, ~~54.92~~36.20% on media placement, ~~15.76~~18.30% on administrative expenses, and ~~18.72~~33.20% on other expenses including public relations and burrito relations (which consists of assisting franchisees with local marketing efforts).

Local Advertising Requirement

In each calendar year during the term of the Franchise Agreement, we require you to spend at least 3% of Gross Revenues to promote the Franchised Restaurant in your market area (“Local Advertising Requirement”). We may require you to spend the Local Advertising Requirement directly or may require you to pay some or all of it to us to spend on your behalf. If we only require you to pay some of your Local Advertising Requirement to us, you will be required to spend the balance of it directly. For any portion of the Local Advertising Requirement that you are required to spend on your own, you will be required to provide us with proof of your expenditures.

Advertising Council

No advertising council has been established for the franchise system.

Advertising Cooperative

From time to time, we may designate a local, regional or national Advertising Coverage Area (defined below) in which there are at least two PANCHEROS Restaurant. Advertising Coverage Areas will be established for the purpose of developing a cooperative local, regional or national advertising or promotional program. You must participate in and contribute your share to cooperative advertising and promotional programs in the Advertising Coverage Area, however, this amount will be credited toward your local advertising expenditure amount. The cost of the program will be allocated among locations in the Advertising Coverage Area and each location’s share will be in proportion to its sales during the preceding 12-month period. All restaurants in the Advertising Coverage Area will have one vote per

location in any established cooperative program. “Advertising Coverage Area” means the area covered by the particular advertising medium (television, radio or other medium) as recognized in the industry. As of the date of this disclosure document, there are no advertising cooperatives in existence.

Training

If this is your first Franchised Restaurant, we will provide a two-day orientation session for you (or your managing owner), which you must attend, to introduce you to the PANCHEROS brand no later than eight weeks after you sign the Franchise Agreement. We will provide this training to multiple-unit operators only before they open the first unit. We do not charge for this training or service, which will take place at our headquarters or at another location we designate; however, you are responsible for all expenses to attend. If you are an Area Developer, you also must attend this orientation session. This training is in addition to initial training that we require you to attend upon signing one or more Franchise Agreements for a Franchised Restaurant.

If this is your first Franchised Restaurant, we will provide on-the-job training to you or your manager and other personnel you designate which must be successfully completed no later than ~~four~~six weeks before your Franchised Restaurant begins operations at a location we designate. On-the-job training lasts for approximately three weeks. We will determine at our option whether to provide this training to multiple-unit operators. If you previously were the manager of a PANCHEROS Restaurant, we may, at our option, reduce the duration and extent of this on-the-job training. All training attendees must successfully complete training to our satisfaction.

You (or your manager or designated person or persons in charge of operations) will be trained according to the full training program described above. More or less time may be allocated to individual subjects provided in the above table based on our assessments of you and/or your manager. We use manuals, charts, menus, and other training aids during our prescribed training programs. We reserve the right to conduct any or all of the initial training set forth above virtually via webinars or via virtual meeting technologies (e.g. Google Meet, Zoom, GoToMeeting, Microsoft Teams).

The training staff includes Rodney Anderson, Lori Cominsky, Saul Muniz, LeAnn Meyer, and Johnathon Rodatz.

Mr. Anderson has been associated with the PANCHEROS system since 1992 and has significant experience in all aspects of operations. Mrs. Cominsky serves as Vice President of Company Operations & Training. Mr. Muniz serves as Vice President of Franchise Operations. Ms. Meyer serves as Franchise Business Consultant. Johnathon Rodatz serves as Training Manager.

Mrs. Cominsky has served as Vice President of Company Operations & Training since January 2024. Prior to joining Panchemo’s, she was Vice President of Operations and Training with Craveworthy Brands and Vice President of Operations at Protein Bar & Kitchen. Mr. Muniz has over 20 years of experience in the restaurant industry. Prior to joining Panchemo’s, he worked with Chipotle working his way from Shift Leader to Operations Director. He joined Panchemo’s in April of 2020 as Director of Operations of company operated restaurants. He has held various leadership and training roles at Panchemo’s, and is now Vice President of Franchise Operations

Ms. Meyer joined us in August, 2018 as Burrito Relations Manager in the Marketing Department. She joined the Operations Department as a Franchise Business Coach in June 2020 while helping oversee training of new General Managers and District Managers. She is now Franchise Business Consultant.

Johnathon Rodatz joined us in January 2024 as Training Manager. Prior to joining Panchemo’s he worked with Five Guys as Multi Unit Manager, Target as Store Director, and Starbucks as Training Store Manager.

If you designate new or additional managers after the initial training program, we will provide training to these managers at the then-current published rates. All designated managers must successfully complete to

our satisfaction the training program provided at our headquarters or other location we designate. You will bear all costs incurred by your employees attending this training program.

We may require that previously-trained and experienced franchisees and their managers and/or employees attend and successfully complete to our satisfaction any such continuing education and refresher training programs or seminars to be conducted at a location we designate. Attendance at these continuing education and refresher training programs or seminars will be at your sole expense (including any and all travel, lodging, meals and wages/salary costs). Your attendance at any such continuing education and refresher training programs or seminars will not be required at more than one program in any calendar year and will not collectively exceed four business days in duration during any calendar year.

In addition to the continuing education and refresher training programs or seminars referenced above that you may be required to participate in, you may also be required to periodically attend one or more special meetings of all PANCHEROS franchisees as designated by the Franchisor. If we designate any such special meeting as mandatory for you and/or certain other key employees (as we will determine in our sole discretion), you and such key employees must attend. Attendance at the Panchero's National Franchise Conference (or other such conference as may designated by franchisor) each calendar year will be mandatory but will not last more than four business days. If we call more than one special mandatory meeting in a calendar year and you are unable to attend in person, we will conference you into the meeting via telephone or other available means. All special meetings will be conducted at a time and location that we designate in our sole discretion. You are responsible for all costs you and your employees incur in attending these special meetings, including travel costs, room and board expenses, and employees' salaries. If you request to join any meeting other than the Panchero's National Franchise Conference virtually, the costs of this conferencing will be split among all franchisees who are unable to attend the meeting in person.

Computer System.

You must obtain and use the computer-based point-of-sale cash register system and designated back-office solution software that we designate ("POS System"), together with other specified computer hardware and software, in operating your Franchised Restaurant. You must use a third-party proprietary POS System available from a proprietary manufacturer (the "Supplier"). This POS System tracks sales and labor data, product mix, inventory, average ticket, and other information. The POS System and all hardware and software components you use must conform to all specifications and standards we prescribe, including any then current Payment Card Industry (PCI) or other security standards we specify for non-cash transactions. Any updates or upgrades to the POS System during the franchise term is your responsibility. There are no limits on the upgrades we may require. We have independent access to all information and data contained in the POS System and there are no limitations on our right to access or use any or all information we collect from your POS System. We estimate the POS System's approximate cost to be \$13,500 to \$18,000, which amount includes a built-in warranty and first year help desk support. You are also required to use our designated back office solution software for a current rate of \$2,750 ~~to~~ \$3,750 per year and to contract with Supplier for ongoing support and maintenance of the POS System, for which you will incur an annual cost between \$ 4,500 to \$6,000

ITEM 12 **TERRITORY**

Franchise Agreement

You will operate your Franchised Restaurant only at a site that you select and that we approved as meeting our minimum site selection criteria. You may not relocate without our prior written approval. Whether or not we will allow relocation depends on the circumstances at the time and what is in the Franchised Restaurant's and the System's best interests (any relocation will be at your sole cost, plus reasonable costs

and fees incurred by us in approving the new location). If we permit you to relocate the Franchised Restaurant, you must comply with our then-current standards and specifications for the Franchised Restaurant.

If we have not agreed on a site for the Franchised Restaurant before you sign the Franchise Agreement, you must locate an acceptable site within the Site Selection Area identified in Exhibit A of the Franchise Agreement. After we approve your site (whether the site identified before or after you sign your Franchise Agreement), we may grant you a protected territory surrounding the Franchised Restaurant, which we call your “Designated Area.” If we grant a Designated Area, it will be defined by zip code boundaries, county boundaries, highways, physical landforms, or other boundaries we deem appropriate. There are no minimum criteria for a Designated Area. The size and configuration of your Designated Area, if granted, will depend upon population density, the character of the surrounding area, and other factors.

Your Designated Area is protected only to the extent that we will not operate or grant our affiliate or a third party the right to operate a PANCHEROS Restaurant, the physical premises of which are located within your Designated Area, but another PANCHEROS Restaurant’s Designated Area may overlap with your Designated Area. We and our affiliates have the right, both within and outside of the Designated Area, to offer and sell at wholesale, retail or through any other distribution system (which includes the Internet, catalog sales, telemarketing or other direct marketing, supermarkets and other retail facilities) products and services which comprise, or may in the future comprise, a part of the System. You have no rights of any kind concerning these sales, and we need not compensate you for engaging in these activities. We and our affiliates also have the right, both within and outside the Designated Area, to sell at both wholesale and retail all products and services that do not comprise a part of the System and to establish food service units operating under a format and trademarks and service marks distinct from the PANCHEROS System.

Carved out from protection in the Designated Area will be any venues that we consider “Closed Markets.” A Closed Market is any facility that serves a captive market, including department stores, supermarkets, shopping malls, amusement parks, airports, train stations, travel plazas, casinos, nightclubs, restaurants, public facilities, college and school campuses, arenas, stadiums, ballparks, hospitals, office buildings, convention centers, airlines (in-flight service), military bases, and any other mass gathering events or locations, and facilities of any kind for which food and/or beverage service rights are contracted to a third party or parties (including, but not limited to, designated road ways and facilities adjacent thereto), whether inside or outside of the Designated Area. The term “shopping malls” includes any retail center (enclosed or open), including “outlet malls,” with an aggregate gross leasable area in excess of 500,000 square feet.

Except for the territorial protection granted within the Designated Area you will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we or our affiliates own or operate, and from other channels of distribution or competitive brands that we control.

You may engage only in the retail sale of menu items. You may not engage in the wholesale and/or distribution of any product offered for sale through the Franchised Restaurant, except as we authorize. Because you are selling freshly-prepared food products, it is not anticipated that you will sell these products other than at the Restaurant or, with our approval, through catering services. There would be no basis upon which you would use other channels of distribution like the Internet, catalog sales, telemarketing, or other direct marketing. We would have to approve any proposed activities like these. Nevertheless, you are not prohibited from advertising and marketing the Franchised Restaurant outside of the Designated Area.

Continuation of your limited territorial rights does not depend on your achieving a certain sales volume, market penetration or other contingency. We may not alter the definition of your Designated Area during the franchise term (although we may do so upon renewal). Except as described below under “Area Development Agreement,” you have no options, rights of first refusal, or similar rights to acquire additional franchises.

Area Development Agreement

The territory under an Area Development Agreement (“Designated Territory”) will be defined by zip code boundaries, county boundaries, highways, physical landforms, city or municipality boundaries and other factors we deem appropriate. The specific nature of the Designated Territory will be defined by a map attached to the Area Development Agreement before you sign it. We base the Designated Territory’s size primarily on the number of Restaurants that you agree to develop, demographics, and site availability. We will mutually agree on the number of Restaurants that you must develop to keep your development rights (at least three) and the dates by which you must develop them. We will then mutually agree on a Development Schedule before signing it. Prior to developing a Franchised Restaurant pursuant to an Area Development Agreement, you must submit the proposed site to us for approval, which we may grant or deny in our sole discretion and our then-current site selection criteria will apply. While the Area Development Agreement is in effect, neither we nor our affiliates will establish, or allow other franchisees to establish, PANCHEROS Restaurants the physical premises of which are located within the Designated Territory. Neither we nor our affiliates are restricted from engaging in other activities in the Designated Territory. You may not develop or operate PANCHEROS Restaurants outside the Designated Territory. We may terminate the Area Development Agreement if you do not satisfy your development obligations when required.

Except as described above, continuation of your territorial exclusivity in the Designated Territory does not depend on your achieving a certain sales volume, market penetration, or other contingency, and we may not alter your Designated Territory unless you are in default under the terms of your Area Development Agreement, or otherwise, by mutual, written agreement.

You may use these items only as we specify while operating your Restaurant (and must stop using them if we so direct you).

There currently are no effective adverse determinations of the United States Copyright Office, or any court regarding the copyrighted materials. No agreement limits our right to use or allow others to use the copyrighted materials. PANCHERO'S FRANCHISE CORPORATION
FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT (this "**Agreement**") is made this _____ day of _____, 20____ ("**Effective Date**") by and between **PANCHERO'S FRANCHISE CORPORATION**, an Illinois corporation having its principal place of business at 2475 Coral Court, Suite B, Coralville, Iowa 52241 ("**Franchisor**"), and _____, a(n) _____ ("**Franchisee**").

WHEREAS, Franchisor and its Affiliate ("**Affiliate**") have developed and own a distinctive System ("**System**"), identified by the Mark "**PANCHEROS**", relating to the establishment, development and operation of restaurants ("**Franchised Restaurants**") providing carry-out and on-premises dining services, featuring burritos, quesadillas, tacos, salads, rice, salsa, and other food and beverage products, all prepared in accordance with specified recipes and procedures ("**Menu Items**"). Franchisor and its Affiliate may continuously develop a proprietary line of specially formulated spice packs, salsas, marinades and other food products ("**Trade Secret Food Products**") and related presentation, packaging and marketing standards and techniques for all Menu Items and Trade Secret Food Products; and

WHEREAS, the distinguishing characteristics of the System include, without limitation, distinctive exterior and interior layout, design and color scheme; exclusively designed signage, decorations, furnishings and materials; display cooking; special recipes, formulae, menus and food and beverage designations; the PANCHEROS Confidential Operations Manual ("**Confidential Operations Manual**"); food and beverage storage, preparation and service procedures and techniques; operating procedures for sanitation and maintenance; and methods and techniques for inventory and cost controls, record keeping and reporting, purchasing, sales promotion and advertising; all of which may be changed, improved and further developed by Franchisor from time to time; and

WHEREAS, Franchisor's Affiliate, LDIP, has certain rights together with all the goodwill connected thereto in and to the "**PANCHEROS**" trade names, trademarks, service marks and associated logos, commercial symbols, and such other trade names, trademarks, and service marks now designated (and may hereinafter be designated by Franchisor in writing) as part of the System ("**Marks**") and has licensed the rights in the Marks to Franchisor with the right to sublicense to Franchisor's franchisees; and

WHEREAS, Franchisor grants to qualified persons franchises to own and operate PANCHEROS Franchised Restaurants and Franchisee desires to operate a PANCHEROS Franchised Restaurant using the System and Marks and has applied for a franchise, which application has been approved by Franchisor in reliance upon all of the representations made therein; and

WHEREAS, Franchisee understands and acknowledges the importance of Franchisor's high and uniform standards of quality, operations and customer service and the necessity of operating the PANCHEROS Franchised Restaurant in conformity with Franchisor's standards and specifications.

NOW, THEREFORE, the parties, in consideration of the undertakings and commitments of each party to the other set forth in this Agreement, hereby agree as follows:

1. GRANT

A. Grant. Subject to the provisions of this Agreement, Franchisor grants to Franchisee the right to continuously operate a PANCHEROS Franchised Restaurant at the premises identified (or to be identified) in Exhibit A ("**Premises**"), and to use the Marks in the operation and promotion of the Franchised Restaurant. Franchisee undertakes the obligation and agrees to continuously operate the PANCHEROS Franchised Restaurant at the Premises during the term hereof strictly in accordance with Franchisor's System and the terms and conditions of this Agreement.

This Agreement specifically grants Franchisee no right, among others, to **(1)** sublicense the System or Marks; **(2)** to co-brand with another concept; **(3)** to provide delivery services, or to deliver or

ship products offered for sale by or through the Franchised Restaurant, regardless of the destination, without Franchisor's prior written consent; (4) to prepare or sell any product or item related to the Marks or the Franchised Restaurant at any location other than the Premises (excluding approved catering services as expressly provided for in this Agreement); or (5) to distribute products offered for sale by or through the Franchised Restaurant through wholesale channels, that is, to third parties for resale, retail sale, or further distribution by such third party, including such wholesale channels as supermarkets, convenience stores, or other retailers.

B. Designated Area. This Agreement grants Franchisee a "**Designated Area**" identified in Exhibit A. Except for sales in "Closed Markets" (which are carved out from territorial protection as described in Exhibit A), during the term of this Agreement and as long as Franchisee is not in default under this Agreement, Franchisor will not own or operate, or grant anyone else the right to own or operate a PANCHEROS restaurant at a location in the Designated Area. Franchisor reserves to itself all other rights. In consideration of Franchisor's grant of a Designated Area to Franchisee, Franchisee agrees to, at all times, use its best efforts to promote and increase the sales and service of Menu Items and to effect the widest and best possible distribution throughout the Designated Area, soliciting and servicing all potential customers for PANCHEROS food products and services. Failure of Franchisee to devote its best efforts to adequately represent its PANCHEROS Franchised Restaurant in its Designated Area through its sales and service efforts shall be deemed just cause for termination.

C. Reservation of Rights. Except for the restrictions described in Section 1.B., there is no restriction Franchisor's right to use and to license the use of the Marks. Franchisor may own and operate and grant others the right to own and operate PANCHEROS restaurants, and may sell and license others the right to sell products offered at the Franchised Restaurant and other products identified by the Marks anywhere outside the Designated Area, regardless of proximity to or economic effect on the Franchised Restaurant. Franchisor may also own and operate, and grant others the right to own and operate, PANCHEROS restaurants, and may sell and license others the right to sell items and products identified by the Marks in "**Closed Markets**" (as defined in Exhibit A) within the Designated Area. Franchisor may also distribute products and services identified by the Marks, such as pre-packaged Menu Items or Trade Secret Food Products, through alternative channels of distribution including grocery stores, supermarkets, convenience stores, and via mail order, catalog sales and/or the Internet.

D. Right to Operate Businesses Under Different Marks. Nothing in this Agreement prohibits or restricts Franchisor from (1) owning, acquiring, establishing, operating, or granting franchise rights for one or more other businesses under a different trademark or service mark (i.e. a mark other than PANCHEROS), whether or not the business is the same as or competitive with PANCHEROS restaurants; or (2) owning, operating, or franchising one or more businesses offering products or services other than the Menu Items and Trade Secret Food Products under the PANCHEROS Marks or some derivative of the Marks.

E. Discretionary Exception to System Uniformity. Franchisee acknowledges that because complete and detailed uniformity under many varying conditions may not be possible or practical, Franchisor specifically reserves the right and privilege, at its sole discretion and as it may deem in the best interests of all concerned in any specific instance, to vary standards for any System franchisee based upon the peculiarities of the particular site or circumstance, density of population, business potential, population of trade area, existing business practices or any other condition which Franchisor deems to be of importance to the successful operation of such franchisee's business. Franchisee shall not be entitled to require Franchisor to grant to Franchisee a like or similar variation hereunder.

2. TERM AND RENEWAL

A. Initial Term. Unless sooner terminated as provided in this Agreement, the term of this Agreement begins on the Effective Date and expires ten (10) years from the date the Franchised Restaurant

actually opens to the public for business, which may not be the Target Opening Date (the “**Expiration Date**”).

B. Renewal Terms. Franchisee has the right to renew its franchise rights for two (2) additional successive terms of five (5) years each if, at the end of each term, each of the following conditions has been satisfied:

1. Franchisee has notified Franchisor, in writing, of its intent to renew at least nine (9) months, but not more than fifteen (15) months, prior to the expiration of the then-current term;
2. Franchisee is not in default under the terms of this Agreement or any other agreement with Franchisor;
3. Franchisee has complied and continues to comply with the materials terms and conditions of this Agreement or any successor franchise agreement (as applicable) throughout the term;
4. Franchisee has the right to remain in possession of the Franchised Restaurant Premises, or has secured a substitute premises that Franchisor has approved, in writing;
5. Franchisee has satisfied all obligations owed to Franchisor, its Affiliates and third party suppliers;
6. Franchisee has timely met all payment obligations to Franchisor and its Affiliates and third party suppliers throughout the term of this Agreement or, if applicable, the term of the first renewal agreement;
7. The Franchised Restaurant has been renovated and refurbished so that it meets Franchisor’s then-current image and trade dress standards, and all furniture, fixtures, equipment, signage, and software has been replaced, updated and/or upgraded so that they meet Franchisor’s then-current standards and specifications for those items;
8. Franchisee meets Franchisor’s then-current qualifications for new franchisees;
9. Franchisee has complied with Franchisor’s then-current training requirements;
10. Franchisee and each person who has guaranteed Franchisee’s obligations under this Agreement signs a general release in the form Franchisor prescribes; and
11. Franchisee has executed upon renewal Franchisor’s then-current form of franchise agreement.

C. Renewal Process. Within sixty (60) days after Franchisor receives Franchisee’s timely notice of Franchisee’s intent to renew, Franchisor will provide written notice to Franchisee advising whether or not the conditions for renewal have been satisfied. If corrective action can be taken to meet one or more of the conditions, Franchisor will identify and provide a schedule for completing such action(s). Franchisor also will provide to Franchisee the information necessary to complete renovations, replacements, updates, and upgrades required to meet Franchisor’s then-current image and trade dress standards and Franchisor’s then-current standards for furniture, fixtures, equipment, signage, and software, and a schedule for completion.

D. Execution of Renewal Franchise Agreement. No later than sixty (60) days prior to expiration of the current term, Franchisor will deliver to Franchisee its franchise disclosure document containing a copy of its then-current franchise agreement. This is the form of franchise agreement that will govern the successor term. It may be materially different than this Agreement, and may include, among other things, different or higher fees. This form of agreement will be modified to reflect a five-year term. Franchisor also will deliver to Franchisee a general release to be signed by Franchisee and each person who has personally guaranteed Franchisee’s obligations under this Agreement.

No later than thirty (30) days prior to the expiration of the current term, Franchisee must sign and return to Franchisor (1) the executed franchise agreement and all personal guaranties required under the franchise agreement, (2) the executed general release, (3) proof that Franchisee has the right to remain in possession of the Franchised Restaurant premises for the successor term, and (4) proof of payment of any amounts Franchisee owes to Franchisor, its Affiliates, and Franchisee's trade creditors. No later than thirty (30) days prior to the expiration of the current term, Franchisee also must comply with Franchisor's then-current training requirements, and shall have completed all renovations, replacements, updates, and upgrades required to meet Franchisor's then-current image and trade dress standards and Franchisor's then-current standards for furniture, fixtures, equipment, signage, and software.

The foregoing conditions and procedures apply to each five-year renewal term. Franchisor may extend any of the foregoing deadlines in its sole discretion.

E. Holdover. If Franchisee continues to accept the benefits of this Agreement after the expiration of the term but does not complete the requirements in Sections 2.B. through 2.D., then at Franchisor's sole option, this Agreement may be treated as (1) expired as of the Expiration Date and Franchisee will be operating without a franchise or license to do so and in violation of Franchisor's rights to the Marks and System; or (2) continued on a month-to-month basis (a "**Holdover Period**") and all Franchisee's obligations will remain in full force and effect during the Holdover Period as if the Agreement had not expired; provided, however, that during any Holdover Period Franchisee will pay a Royalty Fee and Advertising Fund contribution equal to 150% of the rates described in this Agreement. Each Holdover Period expires at the end of each calendar month unless this Agreement is continued as provided in this Section 2.E. The Holdover Period does not create any new franchise rights and upon expiration of the final Holdover Period, Franchisee will be bound by all post-term obligations as provided in this Agreement.

3. RESTAURANT LOCATION

A. General. Franchisee will operate the Franchised Restaurant at the Premises identified in Exhibit A, and will not relocate the Franchised Restaurant without the prior written approval of Franchisor which may be withheld by Franchisor in its sole discretion.

B. Site Selection. Franchisee must identify and acquire a site, by executing either a lease or purchase agreement, for the Franchised Restaurant within one hundred and eighty (180) days after executing this Agreement (the "**Control Date**"). The site must be located within the Site Selection Area (the "**Site Selection Area**") identified in Exhibit A, must meet Franchisor's then-current site selection criteria, and must otherwise be mutually acceptable to Franchisee and Franchisor, where Franchisor may withhold approval at its sole discretion. Franchisor may assist Franchisee in site selection, in its sole discretion, which assistance may include making available to Franchisee the services of the Franchisor's designated marketing research firm. Franchisor may require that Franchisee use only a real estate broker that Franchisor has designated or approved to assist Franchisee in locating a suitable site for the Franchised Restaurant. Site selection is solely Franchisee's responsibility. Once Franchisee has acquired the Premises for the Franchised Restaurant, Franchisor and Franchisee will mutually agree upon a Designated Area and Exhibit A will be supplemented accordingly. **The parties acknowledge and agree that Franchisor's undertaking to provide site selection assistance does not constitute a promise or guaranty that any site is available for occupancy or that a Franchised Restaurant operating at a suggested site will be profitable. Franchisee is solely responsible for selecting a site and securing the Premises for the Franchised Restaurant.**

Franchisee understands and agrees that Franchisor's approval of Franchisee's proposed site, granted in accordance with this Section 3.B., may be conditioned upon Franchisee's agreement to perform, or to cause to be performed, certain modifications to the proposed site ("**Modifications**"). Before the Franchised Restaurant may begin operations, Franchisor must have approved the completed Modifications in writing. The required Modifications, if any, are outlined in Exhibit A to this Agreement and are incorporated herein by reference.

C. Franchise Site Application. For each proposed site that Franchisee identifies, Franchisee must deliver to Franchisor a completed franchise site application in a form Franchisor prescribes, including such information about the site as Franchisor may reasonably request to perform its evaluation. This information may include, among other things, a description of the proposed site, demographic and psychographic characteristics, traffic patterns, parking, character of the neighborhood, competition from other businesses in the area, the proximity to other businesses, the nature of other businesses in proximity to the site, and other commercial characteristics (including the purchase price, rental obligations, and other lease terms for the proposed site) and the size, appearance, other physical characteristics, a site plan of the premises, and a letter of intent or such other document that, to Franchisor's satisfaction, evidences your favorable prospects in obtaining the proposed site location. Franchisor will approve or refuse to approve a proposed site at its sole discretion, in writing, after Franchisor's receipt of these documents and any additional information as Franchisor may reasonably require. **The parties acknowledge and agree that Franchisor's site approval is not an assurance that the Franchised Restaurant will achieve a certain sales volume or level of profitability; it means only that the proposed site meets Franchisor's minimum criteria for PANCHEROS Franchised Restaurants.**

D. Lease. If Franchisee will occupy the Premises under a lease, Franchisor will have the right to approve the lease terms, and the lease will not be signed until it has been reviewed and approved by Franchisor. Franchisor's approval of a lease will be conditioned on the inclusion of terms set forth in the sample Lease Rider attached as Exhibit E (which are incorporated herein by reference). **The parties acknowledge and agree that Franchisor's approval of a lease does not mean that the economic terms of the lease are favorable, it means only that the lease contains the lease terms that Franchisor requires.**

E. Extension of Time to Secure Premises; Failure to Secure Premises. If an acceptable site for the Franchised Restaurant is not identified and acquired by the original Control Date, at Franchisee's written request, the Control Date shall be extended for an additional ninety (90) days. However, if no acceptable site for the Franchised Restaurant is identified and secured by the extended Control Date, Franchisor may terminate this Agreement. The initial franchise fee is not refundable under such circumstances.

F. Franchised Restaurant Design and Build Out. Franchisee shall promptly after obtaining possession of the site for the Franchised Restaurant: **(1)** cause to be prepared and submit for approval by Franchisor a site survey and any modifications to Franchisor's basic architectural plans and specifications (not for construction) for the development of a PANCHEROS Franchised Restaurant (including requirements for dimensions, exterior design, materials, interior design and layout, equipment, fixtures, furniture, signs and decorating) at the site leased or purchased, provided that Franchisee may modify Franchisor's basic plans and specifications only to the extent required to comply with all applicable ordinances, building codes and permit requirements and with prior notification to and approval by Franchisor; **(2)** obtain all required zoning changes, building, utility, health, sanitation and sign permits and licenses and any other required permits and licenses; **(3)** purchase or lease equipment, fixtures, furniture and signs according to Franchisor's standards and specifications; **(4)** complete the construction and/or remodeling, equipment, fixtures, furniture and sign installation and decorating of the Franchised Restaurant in full and strict compliance with plans and specifications provided and approved by Franchisor and in compliance with all applicable ordinances, building codes and permit requirements; **(5)** obtain all customary contractors' sworn statements and partial and final waivers of lien for construction, remodeling, decorating and installation services; and **(6)** otherwise complete development of the Franchised Restaurant and have it ready to open and begin operations on or by the Target Opening Date identified in Exhibit A.

During construction, Franchisee must maintain general liability and property damage insurance of the type and with the limits Franchisor requires, protecting Franchisee, Franchisor, and its Affiliates, and their respective partners, shareholders, directors, agents, and employees. Such policy or policies shall be written by a responsible insurer or insurers acceptable to Franchisor and shall contain a waiver of subrogation in favor of Franchisor and its Affiliates, and their respective partners, shareholders, directors,

agents, and employees. Franchisee shall notify Franchisor in writing when construction begins, and thereafter shall provide a progress report as frequently as required by Franchisor and in the form designated by Franchisor. Franchisor and its designees have the right to inspect the site at all reasonable times.

G. Opening. When a site is identified, the parties will mutually agree on a target opening date (“**Target Opening Date**”), which will be no later than One Hundred and ~~Fifty (150)~~**Eighty (180)** days, or Two Hundred and Seventy (270) days if an extension is requested and granted, from the date Franchisee takes possession of the site, and will be reflected on Exhibit A.

1. Franchisee may open the Franchised Restaurant for business only with prior written permission of Franchisor.

2. Franchisor will grant permission to open only if (a) all amounts due Franchisor under this Agreement have been paid; (b) the Franchised Restaurant has been constructed and equipped according to Franchisor’s standards and specifications; (c) all of Franchisee’s pre-opening and training obligations have been satisfied; (d) Franchisor has received a fully executed copy of the lease for the Franchised Restaurant Premises containing the mandatory lease terms described in Section 3.D; (e) Franchisor has received from Franchisee certificates of insurance as required by Article 12; and (f) Franchisee is otherwise in good standing under this Agreement.

H. Operational Expenditures and Capital Expenses. Franchisor periodically may modify standards, specifications, and operating procedures, and these modifications may obligate Franchisee to invest additional capital in the Franchised Restaurant and/or incur higher operating costs. Franchisee agrees to implement any changes in standards, specifications, and operating procedures within the reasonable time period Franchisor requests, whether they involve refurbishing or remodeling the Franchised Restaurant, buying new operating assets, adding new products or services, or otherwise modifying the nature of the Franchised Restaurant’s operations, as if they were part of this Agreement as of the day it was signed, provided, however, that Franchisor will not obligate Franchisee to make upgrades or modifications in the Franchised Restaurant that would be considered capital expense items during the first two (2) years of the Franchised Restaurant’s operation.

Relocation of Franchised Restaurant. If the lease for the site of the Franchised Restaurant expires or terminates without fault of Franchisee, or if the site is destroyed, condemned or otherwise rendered unusable, or as otherwise may be agreed upon in writing by Franchisor and Franchisee, Franchisor shall grant permission for relocation of the Franchised Restaurant at a location and site acceptable to Franchisor, provided that the Franchised Restaurant must be open for business at the new location within Two Hundred and Seventy (270) days of closing the previous location. If Franchisee is allowed to relocate its Franchised Restaurant, Franchisee must comply with Franchisor’s then-current standards and specifications for Franchised Restaurants and site selection will be governed by the terms of this Article 3. Franchisor shall make no guarantee of Franchisee’s success at this new location. Franchisee is solely responsible for all relocation costs and expenses, and Franchisee agrees to ~~reimburse pay~~ **reimburse pay** Franchisor ~~for its reasonable attorneys’ fees~~ **a Relocation Fee of Twelve Thousand Five Hundred Dollars (\$12,500), which shall be due at the time Franchisee requests Franchisor approval and ~~other~~ which shall be payable to Franchisor regardless of whether Franchisor approves, denies or conditions the relocation-related costs of Franchisee’s Franchised Restaurant, which it may do in its sole and ~~expenses~~ absolute discretion. The Relocation Fee shall not be refundable under any circumstances.**

4. **FEES**

A. Initial Franchise Fee. Upon execution of this Agreement, Franchisee will pay to Franchisor an Initial Franchise Fee in the amount specified below, less any applicable development credit if Franchisee

is signing this Agreement under an Area Development Agreement. The Initial Franchise Fee is fully earned by Franchisor when paid and is not refundable.

(1) _____ The Initial Franchise Fee is \$30,000.00

(2) _____ The Initial Franchise Fee is \$25,000.00

B. Royalty Fee. During the term of this Agreement, Franchisee will pay to Franchisor a nonrefundable Royalty Fee (“**Royalty Fee**”) equal to five percent (5%) of Gross Revenues for the right to use the System and Marks. If any taxes, fees, or assessments are imposed on Franchisee’s payment of the Royalty Fee (except taxes imposed on Franchisor’s net taxable income) Franchisee must also pay or reimburse Franchisor the amount of the taxes, fees, or assessments within fifteen (15) days after Franchisee’s receipt of Franchisor’s written notice.

C. Gross Revenues. The term “**Gross Revenues**” means all revenue derived from the operation of the Franchised Restaurant, including sales revenue derived from off-premises sales, whether received in cash, in services in kind, from barter and/or exchange, on credit (whether or not payment is received) or otherwise, less sales tax or other taxes collected from Franchisee’s customers if paid to the appropriate taxing authority. Gross Revenues does not include the amount of any documented refunds and credits given in accordance with our policies and in good faith to customers by Franchisee (but only if the original amounts were included in Gross Revenues). Gross Revenue is not reduced by the amount of any discounts on products or services sold to employees, family members, or other businesses you own or control or by the amount paid to, collected by, or shared with third-party food ordering and delivery systems with which we allow the Franchised Restaurant to do business. All of those transactions must be entered into the POS System at the full, standard retail price for purposes of calculating Gross Revenue. All barter and/or exchange transactions pursuant to which Franchisee furnishes services and/or products in exchange for goods or services to be provided to Franchisee by a vendor, supplier or customer shall, for the purpose of determining Gross Revenues, be valued at the full retail value of the goods and/or services so provided to Franchisee.

D. Other Payments. In addition to all other payments provided in this Agreement, Franchisee will pay to Franchisor when due:

1. All amounts advanced by Franchisor or which Franchisor has paid, or for which it has become obligated to pay on your behalf for any reason whatsoever, and all amounts that Franchisee owes to trade creditors including, without limitation, amounts due for the purchase of Trade Secret Food Products.

2. The amount of all sales taxes, use taxes, personal property taxes and similar taxes, which shall be imposed upon Franchisee and required to be collected or paid by Franchisor (*a*) on account of Franchisee’s Gross Revenue, or (*b*) on account of fees or other amounts that Franchisee pays to Franchisor. Franchisor, in its discretion, may collect the taxes in the same manner as Royalty Fees are collected and promptly pay the tax collections to the appropriate governmental authority; provided, however, that unless Franchisor so elects, it shall be Franchisee’s responsibility to pay all sales, use or other taxes now or hereinafter imposed by any governmental authorities on initial franchise fees, royalty fees and advertising fund contributions.

E. No Set-Off Rights. Franchisee may not set off, deduct, or otherwise withhold any fees or other amounts due Franchisor under this Agreement on grounds of alleged nonperformance by Franchisor of any of its obligations or for any other reason. Withholding royalties or any other amounts due to Franchisor is a material breach of this Agreement.

F. Payment Terms. All payments required under this Agreement will be paid within the time Franchisor specifies in writing or in its Confidential Operations Manual (“**Due Date**”). If the Due Date is not on a Business Day, then payment will be due on the next Business Day. “Business Day” means each day other than a Saturday, Sunday, U.S. holiday or any other day on which the Federal Reserve is not open for business in the United States.

G. Payment Procedures. Unless otherwise instructed by Franchisor, all Royalty Fees, Advertising Fund contributions, Local Advertising Required Spend (if any), amounts due for purchases by Franchisee from Franchisor and other amounts which Franchisee owes to Franchisor shall be paid through an Electronic Depository Transfer Account (“**Electronic Depository Transfer Account**”) as further described in the Confidential Operations Manual. Immediately following execution of this Agreement, Franchisee shall set up an Electronic Depository Transfer Account and Franchisor shall have access to such account for the purpose of receiving payment for amounts due to it pursuant to the terms of this Agreement. Franchisee agrees to execute any required documentation in order to grant Franchisor such access. ~~Every Wednesday, Franchisee shall make deposits to ensure that there are sufficient funds in the Electronic Depository Transfer Account sufficient prior to Franchisor’s withdrawal each week to cover amounts owed to Franchisor on the preceding Saturday for Royalty Fees, Advertising Fund contributions and other funds owed to Franchisor any such other amounts owed to Franchisor the prior week. The timing of Franchisor’s withdrawal from Franchisee’s Electronic Depository Transfer Account is subject to change in Franchisor’s sole discretion and shall be in accordance with the procedures set forth in the Confidential Operations Manual; however, as of the issuance date hereof, withdrawals are currently done each Thursday to cover the preceding weeks sales (which is currently from Monday through Sunday)~~ Deposits for all other amounts owed to Franchisor shall be in accordance with the procedures set forth in the Confidential Operations Manual. Also, the specified days in this Section 4.G. (i.e. with respect to deposits and withdrawal payments) may be modified by Franchisor in the Confidential Operations Manual.

H. Late Fee; Nonsufficient Funds Charge; Interest. Franchisee agrees to pay Franchisor a One Hundred Dollar (\$100) late fee for each required payment not made on or before its original due date (whether for Royalty Fees, Advertising Fund contributions, amounts due for purchases by Franchisee from Franchisor or its Affiliates, and other amounts which Franchisee owes to Franchisor) and for each payment not honored by Franchisee’s financial institution. (Franchisee also must reimburse Franchisor’s bank charges for Franchisee’s dishonored payments.) This late fee is not interest or a penalty but compensates Franchisor for increased administrative and management costs due to Franchisee’s late payment. In addition, all amounts Franchisee owes Franchisor or its affiliates that are more than seven (7) days late will bear interest, accruing as of their original due date, at one and one-half percent (1.5%) per month or the highest commercial contract interest rate the law allows, whichever is less. Franchisor may debit Franchisee’s Electronic Depository Transfer Account automatically for late fees and interest.

I. Administrative Fee. If Franchisee fails to make any required submission to Franchisor by the date due, Franchisee agrees to pay an amount, per occurrence and as determined by us in our sole discretion, which represents our administrative costs in obtaining the required submission. Such required submission may include, but is in no way limited to, financial reports or statements, certificates or endorsements, corporate documents, and any other information, report, or documentation that Franchisor has the right to require be submitted to it pursuant to the terms of this Agreement. Payment will be due on demand by such method as Franchisor directs.

J. Partial Payments; Application of Payments. If Franchisee pays less than the amount due, Franchisee’s payment will be considered a partial payment on account. Franchisor may accept such payment as a partial payment, irrespective of any endorsement or other statement that the payment constitutes full payment. Franchisor’s acceptance of such partial payment will not be considered a waiver of any of its right to demand or receive full payment, and Franchisee hereby waives any estoppel defense

in this regard. Franchisor may apply Franchisee's payments to any indebtedness, in its sole and reasonable discretion, regardless of any designation that accompanies the payment.

K. Collection Costs and Expenses. If Franchisee fails to comply with any of the terms or conditions of this Agreement, Franchisee agrees to promptly reimburse Franchisor for any and all costs and expenses that it incurs in enforcing the terms of this Agreement including, without limitation, fees paid to a collection agency, and reasonable attorneys' fees and accountants' fees. This obligation is in addition to and not in lieu of any other remedies available to Franchisor under this Agreement and applicable law.

5. TRAINING AND ASSISTANCE

A. Initial Training: Orientation. If this Agreement is being signed in conjunction with Franchisee's first Franchised Restaurant, then Franchisee's managing owner must complete Franchisor's two (2)-day orientation program within eight (8) weeks of the Effective Date of this Agreement. All expenses incurred in attending this orientation program are the sole responsibility of Franchisee.

B. Initial Training: On-The-Job Program. If this Agreement is being signed in conjunction with Franchisee's first Franchised Restaurant, then before Franchisee may open the Franchised Restaurant for business, Franchisee's managing owner, designated manager, and any other individuals Franchisor may require, will attend and successfully complete Franchisor's on-the-job training program. All expenses incurred by Franchisee and its employees in attending such program, including, without limitation, travel costs, room and board expenses, and employees' salaries, shall be the sole responsibility of Franchisee. The On-The-Job Training Program lasts approximately three (3) weeks and must be successfully completed at least ~~four (4)~~six (6) weeks before the Franchised Restaurant opens for business. If Franchisee previously served as a PANCHEROS Restaurant manager then, at Franchisor's option, Franchisor may elect to reduce the On The Job Training Program to a one (1)-week period. If this Agreement is not being signed in conjunction with Franchisee's first Franchised Restaurant, Franchisor, at its option, shall determine whether to provide the On-The-Job Training Program to Franchisee's personnel and/or whether to require that any of Franchisee's personnel complete all or any portion of The On-The-Job Training Program.

C. Initial Training: On-Site Opening Assistance. If this Agreement is being signed in conjunction with Franchisee's first Franchised Restaurant, then, for approximately ten (10) days around the commencement of operations of the Franchised Restaurant, Franchisor will furnish to Franchisee, at Franchisee's Premises and at Franchisor's expense, one (1) of Franchisor's representatives for the purpose of facilitating the opening and initial operation of the Franchised Restaurant. If Franchisee is a multiple unit operator, then, in lieu of the assistance described in the two preceding sentences, Franchisor will furnish to Franchisee one (1) representative who will provide up to five (5) days of operations assistance to Franchisee around the commencement of operations of the Franchised Restaurant.

During this period, such representative shall also assist Franchisee in establishing and standardizing procedures and techniques essential to the operation of a PANCHEROS Franchised Restaurant. Should Franchisee request additional assistance from Franchisor in order to facilitate the opening of the Franchised Restaurant and should Franchisor, in its discretion, deem it necessary, feasible and appropriate to comply with the request, Franchisee shall reimburse Franchisor for the expense of Franchisor providing such additional assistance which may include Franchisor's then-current service fee, as set forth in the Confidential Operations Manual which may be amended from time to time. Franchisee is required to successfully complete this phase of the initial training program as well.

D. Failure to Successfully Complete Initial Training Program. If Franchisor determines, in its sole discretion, that Franchisee is unable to satisfactorily complete either phase of the training program as described in Sections 5.A. through 5.C. above, Franchisor shall have the right to: (1) require Franchisee to attend such additional training so as to demonstrate its ability to operate the Franchised Restaurant to Franchisor's satisfaction; or (2) terminate this Agreement in accordance with its terms.

E. Additional Training. Franchisor from time to time may provide and, if it does, may require that previously-trained and experienced franchisees, their managers, and/or their employees attend and successfully complete refresher training programs or seminars to be conducted at such location as may be designated by Franchisor. Attendance at such refresher training programs or seminars shall be at Franchisee's sole expense, provided, however, that attendance shall not be required at more than one (1) such program in any calendar year and shall not collectively exceed four (4) business days in duration during any calendar year.

F. Mandatory Manager Training. If Franchisee designates new or additional managers after the initial training program, Franchisor shall provide training to such managers at the then-current published rates. Any and all designated managers shall be required to successfully complete the training program provided at Franchisor's headquarters or such other location designated by Franchisor. Franchisee shall bear all costs incurred by Franchisee's employees attending such training program.

G. Ongoing Consultation. Franchisor shall provide such ongoing consultation and advice as it deems appropriate, which may include information about new service and product development, instruction concerning the operation and management of PANCHEROS restaurants, advertising and marketing advice, and financial and accounting advice. Such consultation and advice may be provided, in Franchisor's discretion, through Franchised Restaurant visits by Franchisor personnel, via meetings, seminars or conferences, and/or through dissemination of electronic or printed materials.

H. Special Meetings and Conferences. Franchisor may, in addition to the additional training and mandatory manager training referenced above, require you to attend one or more special meetings of all, or a group of, PANCHEROS franchisees as designated by the Franchisor. If Franchisor designates any such special meeting as mandatory, Franchisee and certain other key employees (as Franchisor shall designate in its sole discretion) shall attend. Franchisee shall be required to attend in-person at least one special meeting each year (typically the Panchero's National Franchise Conference); provided, however, that this special meeting will not last more than four business days. In the event that Franchisor requires Franchisee's attendance at more than one special mandatory meeting in a calendar year and Franchisee (or certain other of Franchisee's key employees) are unable to attend in person, Franchisor shall make arrangements to allow Franchisee to participate in such meeting (other than Panchero's National Franchise Conference) via telephone or other available means; however, Franchisee shall be responsible for reimbursing Franchisor for its proportionate share of the cost of providing such virtual conferencing. Franchisor reserves the right to conduct any and all special meetings at a time and location to be determined by Franchisor in its sole discretion. Franchisee shall be responsible for all costs it or its employees incur in attending these special meetings, including travel costs, room and board expenses, and employees' salaries.

I. Performance by Delegate. Franchisee acknowledges and agrees that any rights or duties of Franchisor may be exercised and/or performed by any of Franchisor's designees, agents, or employees. Franchisor reserves the right to retain the services of an area director in the geographic area in which the Franchised Restaurant will be located. In such event, the area director may provide certain consultation, advice, services, and assistance, as Franchisor may direct. Franchisee acknowledges and agrees that Franchisee is not an intended third party beneficiary under any agreement between Franchisor and any area director.

6. PROPRIETARY MARKS

A. Acknowledgements. Franchisee acknowledges that Franchisor, its Affiliate, LDIP, or its assignees owns all right, title, and interest in and to the Marks and the goodwill associated with the Marks, and that Franchisor has the right to use and sublicense the Marks. Franchisee further acknowledges and agrees that any and all goodwill associated with the Franchised Restaurant and identified by the Marks is Franchisor's, or its Affiliate's, property and shall inure directly and exclusively to the benefit of Franchisor or its Affiliate and that, upon the expiration or termination of this Agreement for any reason, no monetary

Franchisee also acknowledges that Franchisee has no ownership interest in the Marks and agrees that Franchisee will not, at any time, contest the validity or ownership of any of the Marks or assist any other person in contesting the validity or ownership of the Marks, or engage in any conduct that adversely affects the ownership or registration of the Marks. Franchisee will execute all documents that Franchisor requests in order to protect the Marks or to maintain their validity and enforceability. Franchisee understands and agrees that any unauthorized use of the Marks by Franchisee is a breach of this Agreement and an infringement of the rights of Franchisor in and to the Marks and that the right to use the Marks granted in this Agreement does not extend beyond the termination or expiration of this Agreement.

B. Use of the Marks and Copyrighted Works. Franchisee will use Marks and any of Franchisor's Copyrighted Works only in connection with the operation and promotion of the Franchised Restaurant, and only in the manner prescribed by Franchisor. Franchisee will use the Marks only as designed by Franchisor, will use them only in the manner that Franchisor authorizes and permits, and will use them with the symbols "®", "™", or "SM", as appropriate. Franchisee shall not use, publish, or in any way incorporate any of the Marks, or the authorized translation of the Marks, in any domain name, user name, or handle. Without limiting the generality of the foregoing, Franchisee may not use the Marks, or the authorized translation of the Marks, or any part or derivative of the Marks as part of any URL or domain name or unauthorized email address, and may not register the Marks (or any part or derivative thereof) as part of any user name on any gaming website or social networking website (such as META(FACEBOOK & INSTAGRAM), SNAPCHAT (SNAP), , LINKEDIN, X(TWITTER), TIKTOK or YOUTUBE), whether or not such social media platform is used for commercial gain. Franchisee shall refrain from displaying on any website or mobile platform (including commercial websites, gaming websites, and social networking websites and mobile platform supported by operating systems such as iOS and Android) any of Franchisor's Copyrighted Works, except as explicitly permitted by Franchisor and in strict compliance with Franchisor's then-current policies. Specifically, but without limiting the foregoing, Franchisee shall refrain from offering merchandise identified by the Marks on any Internet website or mobile platform, and from uploading or streaming any video on sites such as YOUTUBE. Franchisee also may not display on any website (including commercial websites, gaming websites, and social networking websites) or mobile platform Franchisor's Copyrighted Works, which include the design portion of its Marks, or any menu items or collateral merchandise identified by the Marks.

C. Notice; Infringement. Franchisee shall promptly notify Franchisor and/or LDIP of any claim, demand or cause of action based upon or arising from any attempt by any other person, firm or corporation to use the Marks or any colorable imitation thereof. Franchisee shall also notify Franchisor and/or LDIP of any action, claim or demand against Franchisee relating to the Marks within five (5) days after Franchisee receives notice of said action, claim or demand. Upon receipt of timely notice of an action, claim or demand against Franchisee relating to the Marks, Franchisor and/or LDIP shall have the sole right, but not the duty, to defend any such action. Franchisor shall have the exclusive right to contest or bring action against any third party regarding the third party's use of any of the Marks and shall exercise such right in its sole discretion. In any defense or prosecution of any litigation relating to the Marks or components of the System undertaken by Franchisor and/or LDIP, Franchisee shall cooperate with Franchisor and execute any and all documents and take all actions as may be desirable or necessary, in the opinion of their counsel, to carry out such defense or prosecution. Both parties shall make every effort consistent with the foregoing to protect, maintain and promote the Marks as identifying the System and only the System. **FRANCHISOR MAKES NO REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, AS TO THE USE, EXCLUSIVE OWNERSHIP, VALIDITY OR ENFORCEABILITY OF THE MARKS.**

D. Changes to the Marks. If it becomes advisable at any time, in Franchisor's opinion, for Franchisor and/or Franchisee to modify, discontinue using and/or replace any Mark, and/or to use one or more additional, substitute, or replacement trade names, trademarks, service marks or other commercial

symbols together with or instead of any previously designated Mark, Franchisee shall comply with Franchisor's directions within a reasonable time after receiving Franchisor's notice. Franchisor need not reimburse Franchisee's direct expenses for changing the Franchised Restaurant's signs, Franchisee's lost revenue due to any modified or discontinued Mark, or Franchisee's expenses in promoting a modified or substitute trademark or service mark. Franchisor may exercise these rights at any time and for any reason, business or otherwise, it thinks best. Franchisee acknowledges both Franchisor's right to take this action and Franchisee's obligation to comply with Franchisor's directions.

Franchisee understands and agrees that it shall be required to comply with the most current version of the Confidential Operations Manual at all times. In the event of any dispute as to the contents of the Confidential Operations Manual, the terms of the master copy of the Confidential Operations Manual maintained by Franchisor at Franchisor's home office shall be controlling.

Any and all information, knowledge and know-how, including, without limitation, drawings, materials, equipment, techniques, restaurant systems, product formulae, recipes and other data, which Franchisor designates as confidential shall be deemed confidential for purposes of this Agreement, except information which Franchisee can demonstrate lawfully came to its attention prior to disclosure thereof by Franchisor; or which, at the time of disclosure by Franchisor to Franchisee, had lawfully become a part of the public domain through publication or communication by others (without violating an obligation to Franchisor); or which, after disclosure to Franchisee by Franchisor, lawfully becomes a part of the public domain through publication or communication by others (without violating an obligation to Franchisor). Franchisor shall use good faith efforts to approve or disapprove Franchisee's request within thirty (30) days from the date such material is received by Franchisor. Franchisee shall not, under any circumstances, use any proposed promotional, marketing or advertising materials until such time that Franchisor has provided its approval in writing to Franchisee. Failure by Franchisee to conform with the provisions herein and subsequent non-action by Franchisor to require Franchisee to cure or remedy this failure and default shall not be deemed a waiver of future or additional failures and defaults of any other provision of this Agreement. Notwithstanding the foregoing, Franchisor reserves the right, at any time and in its sole discretion, to disapprove any promotional, marketing or advertising materials that Franchisor had previously approved.

In such case, Franchisor has the right to charge, and Franchisee agree to pay upon demand, a reasonable fee for Franchisor's services, and Franchisee must reimburse Franchisor for all out-of-pocket costs that it incurred in connection with taking such corrective measures.

Franchisee agrees to cooperate fully with Franchisor and its agents and representatives in connection with Franchisor's inspections. Franchisor may hire outside consultants and vendors to perform certain types of operational inspections and audits. If Franchisor exercises these rights, it will not interfere unreasonably with the Franchised Restaurant's operation. If Franchisor (or its agents or representatives) inspects the Franchised Restaurant and determines that it is not operating in compliance with this Agreement and Franchisor's standards and specifications, and Franchisor then must re-inspect the Franchised Restaurant to determine whether Franchisee has corrected the operating deficiencies, Franchisor may require Franchisee to pay Franchisor its then-current Re-Inspection Fee for each follow-up inspection of the Franchised Restaurant. 6. Workers' Compensation with statutory limits, including Employer's Liability of \$500,000/\$500,000/\$500,000, Alternate Employer's endorsement in our favor, and any other insurance that may be required in the state in which the Franchised Restaurant operates. If the Franchised Restaurant operates in a monopolistic state (*i.e.*, Wyoming, North Dakota, West Virginia, Washington, and Ohio), you must also obtain Stop Gap coverage on the Workers' Compensation policy or General Liability policy. Minimum limits are as follows: no less than

\$500,000 per accident for bodily injury by accident; \$500,000 policy limit by disease; and \$500,000 per employee for bodily injury by disease or higher coverage as required by law in your state.

7. Umbrella Liability for \$1,000,000 in excess of the General Liability, Auto Liability, Liquor Liability, and Employer's Liability.

8. Such insurance and types of coverage as may be required by the terms of any lease for the Franchised Restaurant, or as may be required from time to time by Franchisor.

The amounts and policy limits required in this Section 12.B. may be modified from time to time by Franchisor in its sole discretion, and Franchisee shall comply with all modifications.

C. The insurance afforded by the policy or policies respecting liability shall not be limited in any way by reason of any insurance which may be maintained by Franchisor. Within ninety (90) days after the signing of this Agreement, upon signing a lease agreement for the Franchised Restaurant, or on the date which Franchisee acquires an interest in the real property from which it shall operate the Franchised Restaurant, whichever event occurs first, a Certificate of Insurance showing compliance with the foregoing requirements shall be furnished by Franchisee to Franchisor for approval. Such certificate shall state that said policy or policies shall not be canceled or altered without at least thirty (30) days' prior written notice to Franchisor and/or such other person Franchisor designates and shall reflect proof of payment of premiums. Maintenance of such insurance and the performance by Franchisee of the obligations under this Article 12 shall not relieve Franchisee of liability under the indemnity provision set forth in this Agreement. Minimum limits as required above may be modified from time to time, as conditions require, by written notice to Franchisee. Franchisee shall furnish proof of annual renewal of such insurance to Franchisor at least ten (10) days prior to such renewal date.

D. Should Franchisee, for any reason, not procure and maintain such insurance coverage as required by this Agreement, Franchisor shall have the right and authority (without, however, any obligation to do so) to immediately procure such insurance coverage and to charge same to Franchisee, which charges, together with a reasonable fee for expenses incurred by Franchisor in connection with such procurement, shall be payable by Franchisee immediately upon notice.

E. Franchisee acknowledges that the foregoing minimum insurance requirements do not constitute advice or a representation that such coverages are necessary or adequate to protect Franchisee from losses in connection with the Franchised Restaurant. Nothing in this Agreement prevents or restricts Franchisee from acquiring and maintaining insurance with higher policy limits or lower deductibles than Franchisor requires.

13. COVENANTS

A. Franchisee Defined. Unless otherwise specified, the term "Franchisee" as used in this Article 13 shall include, collectively and individually, each of the persons included in the definition of "Franchisee" as defined in Article 28.

B. Full Time Best Efforts. Franchisee covenants that during the term of this Agreement, except as otherwise approved in writing by Franchisor, Franchisee (if Franchisee is an individual), Franchisee's Managing Owner (if Franchisee is a corporation), a general partner of Franchisee (if Franchisee is a partnership) or Franchisee's full-time manager (as approved by Franchisor) shall devote full-time, energy and best efforts to the management and operation of the Franchised Restaurant.

C. Non-Competition During Term of Agreement. Franchisee covenants that during the term of this Agreement, except as otherwise approved in writing by Franchisor, Franchisee shall not, either directly or indirectly, for himself, or through, on behalf of or in conjunction with any person, persons, partnership or corporation:

1. Divert or attempt to divert any business or customer of the Franchised Restaurant to any competitor, by direct or indirect inducement or otherwise, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Marks or the System.

2. Employ or seek to employ, without the consent of Franchisor or the franchisee, as applicable, any person who is at that time, or within the previous one (1) year was, employed by Franchisor or by any other franchisee of Franchisor, or otherwise directly or indirectly induce or seek to induce such person to leave his or her employment.

3. Own, maintain, advise, operate, engage in, be employed by, make loans to, invest in, provide any assistance to, or have any interest in (as owner or otherwise) or relationship or association with a Competitive Business, other than a PANCHEROS restaurant operated pursuant to a then-currently effective franchise agreement with Franchisor at any location within the United States, its territories or commonwealths, or any other country, province, state or geographic area in which Franchisor or its Affiliates have used, sought registration of or registered the Marks or similar marks or operate or license others to operate a business under the Marks or similar marks.

The term “**Competitive Business**” means (i) any restaurant or other foodservice business that serves primarily Mexican-style or Tex-Mexican-style food items, such as burritos, tacos, enchiladas, and quesadillas, or (ii) any business granting franchises or licenses to others to operate the type of business specified in clause (i).

D. Non-Competition After Expiration of Termination of Agreement. Franchisee specifically acknowledges that, pursuant to this Agreement, Franchisee shall receive valuable training and Confidential Information. Accordingly, commencing upon the later of: (1) a transfer permitted under Section 16.D. of this Agreement, expiration of this Agreement, or termination of this Agreement (regardless of the cause for termination) or (2) a final court order (after all appeals have been taken) with respect to any of the foregoing events or with respect to enforcement of this Section 13.D., and continuing for an uninterrupted period of two (2) years thereafter, Franchisee shall not either directly or indirectly, for Franchisee, or through, on behalf of, or in conjunction with any person, persons, or legal entity, own, maintain, advise, operate, engage in, be employed by, make loans to, or have any interest in or relationship or association with a Competitive Business other than a PANCHEROS restaurant operated pursuant to a then-currently effective franchise agreement with Franchisor, and (i) is, or is intended to be, located at the Premises of the former Franchised Restaurant; (ii) within the former Designated Area of the Franchised Restaurant (or, if there was no protected area, within a ten (10) mile radius of the Franchised Restaurant); or (iii) within a ten (10) mile radius of any other restaurant operating under the System and Marks in existence or under development at the time of such expiration, termination or transfer.

If this Section 13.D. is found unenforceable, either in whole or in part, by a court of law, or other official proceeding, Franchisor shall still be entitled to equitable relief. If any owner of Franchisee ceases to be an owner of the Franchisee for any reason during the franchise term, the foregoing covenant shall apply to the departing owner for a two (2) year period beginning on the date such person’s interest in Franchisee is transferred, assigned, or sold.

The two (2) year time period described in this Section 13.D. will be tolled during any period of noncompliance.

E. Additional Provisions. Each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Article 13 is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an unappealed final decision to which Franchisor is a party, such finding shall not impair the remainder of this Agreement and Franchisee shall be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Article 13.

Franchisee understands and acknowledges that Franchisor shall have the right, in its sole discretion, to reduce the scope of any covenant set forth in Sections 13.C. and 13.D., or any portion thereof, without Franchisee's consent, effective immediately upon receipt by Franchisee of written notice thereof, and Franchisee shall comply forthwith with any covenant as so modified, which shall be fully enforceable.

F. Covenants from Individuals. Franchisee and each individual who attends Franchisor's training program shall be required to sign a confidentiality and non-compete agreement substantially in a form satisfactory to Franchisor. Franchisee shall be responsible for ensuring compliance with such agreement.

G. Breach of Covenants Causes Irreparable Injury. Franchisee acknowledges that Franchisee's violation of any covenant of this Article 13 would result in irreparable injury to Franchisor for which no adequate remedy at law may be available, and Franchisee consents to the issuance of, and agrees to pay all court costs and reasonable attorneys' fees incurred by Franchisor in obtaining, without the posting of any bond, an ex parte or other order for injunctive or other legal or equitable relief with respect to such conduct or action.

H. Improvements. If Franchisee (again, as defined in Article 28) or Franchisee's employees develop any new concept, process or improvement in the operation or promotion of a PANCHEROS restaurant (an "**Improvement**"), Franchisee agrees to promptly notify Franchisor and provide Franchisor with all necessary related information, without compensation. Any such Improvement shall become Franchisor's sole property and Franchisor shall be the sole owner of all related patents, patent applications, and other intellectual property rights. Franchisee hereby assigns to Franchisor any rights Franchisee may have or acquire in the Improvements, including the right to modify the Improvement, and waive and/or release all rights of restraint and moral rights therein and thereto. Franchisee agrees to assist Franchisor in obtaining and enforcing the intellectual property rights to any such Improvement in any and all countries and further agree to execute and provide Franchisor with all necessary documentation for obtaining and enforcing such rights. Franchisee hereby irrevocably designates and appoints Franchisor as agent and attorney-in-fact for Franchisee and Franchisee agrees to execute and file any such documentation and to do all other lawful acts to further the prosecution and issuance of patents or other intellectual property right related to any such Improvement. In the event that the foregoing provisions of this Section 13.H. are found to be invalid or otherwise unenforceable, Franchisee hereby grants to Franchisor a worldwide, perpetual, non-exclusive, fully-paid license to use and sublicense the use of the Improvement to the extent such use or sublicense would, absent this Agreement, directly or indirectly infringe on Franchisee's rights therein.

14. DEFAULT AND TERMINATION

A. Franchisee's Right to Terminate. If Franchisee is in substantial compliance with this Agreement and Franchisor materially breaches this Agreement and fails to cure such breach within a reasonable time after written notice thereof is delivered to Franchisor, Franchisee may terminate this Agreement. Such termination shall be effective thirty (30) days after delivery to Franchisor of written notice that such breach has not been cured and Franchisee elects to terminate this Agreement. A termination of this Agreement by Franchisee for any reason other than breach of this Agreement by Franchisor and Franchisor's failure to cure such breach within a reasonable time after receipt of written notice thereof shall be deemed a termination by Franchisee without cause and a breach of this Agreement.

B. Termination with Notice and Without Opportunity to Cure. This Agreement shall terminate automatically upon delivery of written notice of termination to Franchisee, if Franchisee or its owner(s), officer(s) or manager(s):

1. Fails to find a suitable site for the Franchised Restaurant by the Control Date (or extended Control Date, as applicable) or fails to open the restaurant for business by the Target Opening Date.

6. Abandons, fails or refuses to actively operate the Franchised Restaurant for two (2) business days in any twelve (12) month period, unless the Franchised Restaurant has been closed for a purpose approved by Franchisor or due to a *force majeure*;
7. Fails to relocate the Franchised Restaurant to another location, pursuant to the site selection provisions of this Agreement, within an approved period of time following expiration or termination of the lease for the Premises;
8. Surrenders or transfers control of the operation of the Franchised Restaurant; transfer or attempts to transfer any right to this Agreement or the Franchised Restaurant in violation of Article 16 of this Agreement; or fails or refuses to assign the franchise or the interest in Franchisee of a deceased or disabled controlling owner thereof as herein required;
9. Submits to Franchisor on two (2) or more separate occasions at any time during the term of the franchise any reports or other data, information or supporting records which understate by more than three percent (3%) the Royalty Fees for any period of, or periods aggregating, three (3) or more weeks, and Franchisee is unable to demonstrate that such understatements resulted from inadvertent error;
10. If Franchisee is adjudicated bankrupt, becomes insolvent, commits any affirmative act of insolvency or files any action or petition of insolvency, or if a receiver (permanent or temporary) of its property or any part thereof is appointed by a court of competent authority, or if it makes a general assignment for the benefit of its creditors, or if a final judgment remains unsatisfied of record for thirty (30) days or longer (unless supersedeas bond is filed), or if execution is levied against Franchisee's business or property, or if suit to foreclose any lien or mortgage against its Premises or equipment is instituted against Franchisee and not dismissed within thirty (30) days, or is not in the process of being dismissed; provided, however, that Franchisor reserves the right to be named as trustee or receiver in any voluntary petition for bankruptcy or insolvency filed by Franchisee;
11. Materially misuses or makes an unauthorized use of any of the Marks or commits any other act which can reasonably be expected to materially impair the goodwill associated with any of the Marks or the System;

13. Continues to violate any health, safety or sanitation law, ordinance or regulation or operates the Franchised Restaurant in a manner that presents a health or safety hazard to its customers or the public;
14. Offers for sale unauthorized products or services from the Franchised Restaurant Premises or in conjunction with the Marks;

15. Failure to pass two (2) or more quality assurance inspections within any rolling twelve (12) month period; or

16. Franchisor delivers to Franchisee three (3) or more written notices of default pursuant to this Article 14 within any rolling twelve (12) month period, whether or not the defaults described in such notices ultimately are cured.

C. Termination with Designated Cure Period. This Agreement shall terminate upon delivery of written notice of termination from Franchisor to Franchisee, if Franchisee or Franchisee's owner:

1. Fails or refuses to make payments of any amounts due Franchisor for Royalty Fees, Advertising Fund contributions, purchases from Franchisor or any other amounts due to Franchisor, or fails to comply with its Grand Opening Advertising obligations, and does not correct such failure or refusal within ten (10) business days after written notice of such failure is delivered to Franchisee;

2. Fails or refuses to comply with any other provision of this Agreement or any mandatory specification, standard or operating procedure prescribed in the Confidential Operations Manual or otherwise in writing and does not correct such failure within thirty (30) days (or provide proof acceptable to Franchisor that it has made all reasonable efforts to correct such failure and shall continue to make all reasonable efforts to cure until a cure is effected, if such failure cannot reasonably be corrected within thirty (30) days) after written notice of such failure to comply is delivered to Franchisee.

D. Termination Related to Death or Permanent Incapacity. Franchisor has the right to terminate this Agreement if an approved transfer as required by Article 17 is not effected within the designated time frame following a death or permanent incapacity (mental or physical).

E. Franchisor's Alternative Remedies to Termination. In lieu of exercising its right to terminate this Agreement, Franchisor may, without waiving such right to terminate: (1) withhold services to Franchisee; (2) limit Franchisee's access to any or all portions of certain software or computer systems; (3) revoke Franchisee's right to participate in promotions or programs and to attend franchise conventions and meetings; (4) after Franchisee's failure to cure such default, inspect or re-inspect the Franchised Restaurant and, regardless of whether it is an inspection or re-inspection, charge Franchisee its then-current Re-Inspection Fee; and/or (5) exercise the Step-In Rights described in Article 18, below.

15. RIGHTS AND DUTIES OF PARTIES UPON EXPIRATION OR TERMINATION

A. Cease Use of Marks; Cancellation of Fictitious Name. Upon termination or expiration of this Agreement, Franchisee shall cease all use of the Marks and Confidential Information, shall cancel any assumed name registration containing the Marks; and shall assign to Franchisor or its designee, at Franchisor's request, all rights to all e-mail addresses, URLs, domain names, Internet listings, and Internet accounts related to the Franchised Restaurant. Franchisee hereby appoints Franchisor as Franchisee's attorney-in-fact with full power and authority for the sole purpose of assigning these rights to Franchisor. This appointment is deemed to be coupled with an interest and shall continue in full force and effect for twelve (12) months following termination or expiration of this Agreement.

B. Assignment of Telephone Numbers. Within fifteen (15) days from the date of termination or expiration of this Agreement, Franchisee shall authorize and initiate the transfer (and shall refrain from interfering with the transfer) to Franchisor, or its designee, of all telephone numbers and directory listings used in connection with the Franchised Restaurant; and/or to instruct the telephone company to forward all calls made to Franchisee's numbers to numbers Franchisor specifies. If Franchisee fails to do so, Franchisor may take whatever action and sign whatever documents it deems appropriate on Franchisee's behalf to effect these events. Franchisee hereby appoints Franchisor as Franchisee's attorney-in-fact with full power and authority for the sole purpose of assigning these rights to Franchisor. This appointment is deemed to

be coupled with an interest and shall continue in full force and effect for twelve (12) months following termination or expiration of this Agreement.

C. Return of Confidential Operations Manuals and Other Confidential Information. Upon termination or expiration of this Agreement, Franchisee shall immediately deliver to Franchisor the Confidential Operations Manual and all other manuals, records, correspondence, files, and any instructions containing Confidential Information relating to the operation of the Franchised Restaurant which are in your possession; and all copies thereof (all of which are acknowledged to be the property of Franchisor).

D. Return of Signage and Other Items to Franchisor. Within ten (10) days following termination or expiration of this Agreement, Franchisee shall, at its own cost and without any payment from Franchisor for such items, deliver to Franchisor, to make available to Franchisor for pick-up, or to destroy (at Franchisor's option) all signs, sign-faces, sign-cabinets, marketing materials, forms, and other materials Franchisor requests containing any Mark or otherwise identifying or relating to a PANCHEROS Restaurant. Such obligation may be modified, by Franchisor, in its sole discretion, as necessary to accommodate exercise of Franchisor's Step-In Rights, pursuant to Article 18, or purchase option, pursuant to Section 15.I. If Franchisee fails to take required action, Franchisor and its representatives may enter the Franchised Restaurant at their convenience and remove these items without any criminal or civil liability to Franchisee, the landlord, or any other third party for trespass or any other claim. Franchisee shall reimburse Franchisor's costs of taking such action.

E. De-Identification. Within ten (10) days following termination or expiration of this Agreement, Franchisee shall take all necessary steps de-identify the Franchised Restaurant premises so that it no longer resembles a PANCHEROS Franchised Restaurant. Such de-identification obligations shall be specified in the Confidential Operations Manual or other written communication and include, without limitation, removing the menu-board and related railings and the sneeze-guard railings and delivering to Franchisor the tortilla press. Such obligation may be modified, by Franchisor, in its sole discretion, as necessary to accommodate exercise of Franchisor's Step-In Rights, pursuant to Article 18, or purchase option, pursuant to Section 15.I. If Franchisee fails to take required action, Franchisor and its representatives may enter the Franchised Restaurant at their convenience and take this action without any criminal or civil liability to Franchisee, the landlord, or any other third party for trespass or any other claim. Franchisor need not compensate Franchisee or the landlord for any alterations. Franchisee must reimburse Franchisor's costs of de-identifying the Franchised Restaurant.

F. Payment of all Due Amounts; Liquidated Damages. Franchisee agrees to pay Franchisor within fifteen (15) days after this Agreement expires or its terminated the Royalty Fees, Advertising Fee contributions, amounts due for purchases by Franchisee from Franchisor or its affiliates, late fees, interest, and other amounts which then are unpaid. If Franchisor terminates this Agreement on any ground specified under Sections 14.B. or 14.C., or if Franchisee terminates this Agreement without cause, before this Agreement's scheduled expiration date, Franchisee shall pay to Franchisor, as liquidated damages and not as a penalty, damages in the amount equal to the average weekly Royalty Fee for the twenty-six (26) week period immediately preceding termination, multiplied by the number of weeks remaining in the current Term. If the Franchised Restaurant was closed during any part of the twenty-six (26) week period, then the Royalty Fee for any week or partial week in which the Franchised Restaurant was closed will be presumed to be the highest weekly Royalty Fee payable during the twenty-six (26) week period.

G. Covenants. Franchisee will comply with the covenants contained in Section 13.D. and as otherwise provided for under this Agreement, which survive the expiration or termination of this Agreement.

H. Costs and Attorneys' Fees. Franchisee shall pay to Franchisor all damages, costs and expenses, including reasonable attorneys' fees, incurred by Franchisor subsequent to the termination or

expiration of the franchise herein granted in obtaining injunctive or other relief for the enforcement of any provisions contained in Articles 13 and 15.

I. Franchisor's Option to Purchase.

1. Option to Purchase Assets. Franchisee hereby grants to Franchisor the right and option to purchase any or all of the assets of the Franchised Restaurant, upon the terms and conditions stated in this Section 15.I. This option may be exercised at any time before, or within sixty (60) days following, termination or expiration of this Agreement, by delivering to Franchisee written notice of its election (the "Exercise Notice"). The Exercise Notice shall identify the assets of the Franchised Restaurant that Franchisor desires to purchase. The purchase price for each asset will be an amount equal to the forced liquidation value (also known as auction value) of the asset. If the parties cannot agree on the forced liquidation value, such value will be determined after delivery of the Exercise Notice by a company selected by Franchisor whose principal business is to evaluate assets to be liquidated, and Franchisor's obligation to close on the purchase will be conditioned on Franchisor's acceptance of the valuation result. Closing on the purchase shall occur no later than sixty (60) days after delivery of the Exercise Notice or sixty (60) days after termination or expiration of this Agreement, whichever occurs later.

2. Option to Purchase Assets as Going Concern. If Franchisor exercises its right to purchase all assets used in connection with the operation of the Franchised Restaurant, (1) the purchase price will be an amount equal to the forced liquidation value of each item of equipment, fixtures, and furniture (if the parties cannot agree on the forced liquidation value, such value will be determined according to the appraisal process described above), plus Franchisee's cost of inventory and supplies, valued at Franchisee's cost, (2) the purchase price shall not include any amount for leasehold improvements, intellectual property, goodwill, going concern value, or items that Franchisee is required to return to Franchisor pursuant to Sections 15.C. or 15.D. of this Agreement, (3) Franchisor may exclude from purchase any operating assets or other items that are not reasonably necessary (in function or quality) to the operation of the Franchised Restaurant or that Franchisor has not approved as meeting system standards for PANCHEROS Restaurants, and the purchase price will reflect these exclusions, (4) Franchisor's obligation to close will be conditioned on Franchisee's conveyance of good and marketable title to the assets, free and clear of all encumbrances, and Franchisor's acceptance of any valuation result (5) Franchisor will have the right to assume Franchisee's interest in the lease (if applicable); provided that Franchisee shall be responsible for payment of all transfer fees and Franchisor shall assume only post-closing obligations thereunder, (6) Franchisee shall provide all customary warranties and representations as to title, ownership, condition of the assets, validity of contracts and agreements, and liabilities affecting the Franchised Restaurant, contingent or otherwise, and (7) Franchisee shall indemnify and hold harmless Franchisor from and against all claims, liabilities, and losses related to the ownership or operation of the Franchised Restaurant accruing prior to closing. Closing on the purchase shall occur no later than sixty (60) days after delivery of the Exercise Notice or sixty (60) days after termination or expiration of this Agreement, whichever occurs later. At closing, Franchisee shall deliver instruments transferring to the purchaser: (i) good and merchantable title to the assets, free and clear of all liens and encumbrances (other than liens and security interests acceptable to Franchisor), with all sales and other transfer taxes paid by Franchisee; (ii) all of the licenses and permits of the Franchised Restaurant that may be assigned or transferred; and (iii) the fee simple or leasehold interest in the premises and improvements or a lease assignment or lease or sublease, as applicable. If Franchisee cannot deliver clear title to all of the purchased

assets, or if there are other unresolved issues, Franchisor (or its assignee) and Franchisee will close the sale through an escrow. Franchisee and its owners further agree to execute general releases, in a form satisfactory to Franchisor, of any and all claims against Franchisor and its owners, affiliates, officers, directors, employees, agents, successors, and assigns. Franchisor has the right to assign this purchase option, in its sole discretion.

3. Option to Purchase Real Property. If Franchisee owns the real property on which the Franchised Restaurant is situated, Franchisor shall have the right and option to purchase such real property for fair market value. If Franchisor and Franchisee cannot agree on fair market value for the fee simple interest in the Premises, fair market value will be determined by one (1) independent accredited appraiser upon whom Franchisor and Franchisee agree who will conduct an appraisal and, in doing so, be bound by the criteria specified in subsection (3). Franchisee and Franchisor agree to select the appraiser within fifteen (15) days after Franchisor notifies Franchisee that it wishes to exercise its purchase option (if Franchisee and Franchisor have not agreed on fair market value before then). Franchisee and Franchisor will share equally the appraiser's fees and expenses. The appraiser must complete its appraisal within thirty (30) days after its appointment. The purchase price will be the appraised value. If the parties cannot agree on the appraiser, he or she will be chosen by the American Arbitration Association. Franchisor has the right to assign its purchase option, in its sole discretion.

4. Set-Off. Franchisor or its designee may set off against the purchase price, and reduce the purchase price by, any and all amounts Franchisee or its owners owe Franchisor or its affiliates. .

5. Lease. If Franchisee leases the Premises from an unaffiliated lessor, or if Franchisor chooses not to purchase Franchisee's (or its affiliate's) fee simple interest in the Premises, Franchisee agrees (as applicable) at Franchisor's election: (i) to assign its leasehold interest in the Premises to Franchisor or its Designee; (ii) to enter into a sublease for the remainder of the lease term on the same terms (including renewal options) as the lease; or (iii) to lease the Premises to Franchisor or its Designee for a term determined by Franchisor on commercially reasonable terms. "Designee" is an any entity controlling, controlled by, or under common control with Franchisor or any another entity operating a PANCHEROS restaurant under a valid franchise agreement with Company.

16. TRANSFERABILITY OF INTEREST

A. Transfer by Franchisor. Franchisor may transfer or assign all or any part of its rights or obligations under this Agreement to any person or legal entity. With respect to any assignment which results in the subsequent performance by the assignee of all of Franchisor's obligations under this Agreement, the assignee shall expressly assume and agree to perform such obligations, and shall become solely responsible for all of Franchisor's obligations under this Agreement from the date of assignment. Franchisee acknowledges and agrees that Franchisor and/or its Affiliates may sell their assets, the Trade Secret Food Products, the Marks, or the System; may sell securities in a public offering or in a private placement; may merge, acquire other corporations, or be acquired by another corporation; and may undertake a refinancing, recapitalization, leveraged buy-out, or other economic or financial restructuring. With regard to any of the above sales, assignments and dispositions, Franchisee expressly and specifically waives any claims, demands or damages arising from or related to the loss of Franchisor's name, the Trade Secret Food Products, the Marks (or any variation thereof), the System and/or the loss of association with or identification of Pancharo's Franchise Corporation as the franchisor under this Agreement. Franchisee specifically waives any and all other claims, demands or damages arising from or related to the foregoing

merger, acquisition and other business combination activities including, without limitation, any claim of divided loyalty, breach of fiduciary duty, fraud, breach of contract or breach of the implied covenant of good faith and fair dealing. Franchisee agrees that Franchisor has the right, now or in the future, to purchase, merge, acquire or affiliate with an existing competitive or non-competitive franchise network, chain or any other business regardless of the location of that chain's or business' facilities, and to operate, franchise or license those businesses and/or facilities as PANCHEROS restaurants operating under the Marks, or any other marks following Franchisor's purchase, merger, acquisition or affiliation, regardless of the location of these facilities (which Franchisee acknowledges may be proximate to the Franchised Restaurant).

B. Transfer by Individual Franchisee to Business Entity for Convenience. If Franchisee is an individual, Franchisee may transfer his or her interest in this Agreement to a Business Entity for convenience of operation within the first 12 months of this Agreement by signing Franchisor's standard form of assignment and assumption agreement if (1) the Business Entity is formed solely for purposes of operating the Franchised Restaurant; (2) Franchisee owns and controls 100% of the equity interest; (3) Franchisee provides to Franchisor a copy of the Business Entity's formation and governing documents and a certificate of good standing from the jurisdiction under which the Business Entity was formed; (4) all holders of a legal or beneficial interest in the Business Entity has signed a Guaranty and Assumption of Obligations in the substantially form of Exhibit B; and (5) Franchisee pays to Franchisor its administrative and legal costs and any other expenses associated with the transfer. The term "**Business Entity**" means any person with the power to enter into contracts, other than a natural person. The term includes a corporation, limited liability company, limited partnership, and trust.

C. Transfer Among Owners; Transfer of Non-Controlling Interest. If Franchisee is a Business Entity, Franchisee's Owners may transfer their ownership interests in the Business Entity among each other, and may transfer up to a non-controlling interest in the Business Entity to one or more third parties, if: (1) Franchisee has provided to Franchisor advance notice of the transfer; (2) each new Owner has signed a Guaranty and Assumption of Obligations in the form of Exhibit B; (3) each existing and new Owner has signed a general release in favor of Franchisor and in the form Franchisor requires; and (4) Franchisee pays to Franchisor a \$2,500 transfer fee and reimburses Franchisor for its transfer-related costs and expenses, including reasonable attorneys' fees.

D. Transfer of Agreement; Transfer of Controlling Interest. All other transfers (including any sale or transfer of Franchisee's interest in this Agreement, the sale or transfer of all or substantially of the assets of the Franchised Restaurant in connection with a transfer of this Agreement, and the sale of a controlling interest in Franchisee if Franchisee is a Business Entity) require Franchisor's prior written consent. Franchisor will not unreasonably withhold its consent to a transfer, but may condition its consent on satisfaction of any or all of the following:

1. Franchisee shall have requested consent in writing and delivered to Franchisor a copy of the proposed transfer agreements, including sale terms, at least 30 days prior to the proposed transfer, and Franchisor has determined, in its sole and reasonable discretion, that the terms of the sale will not materially and adversely affect the post transfer viability of the Franchised Restaurant.

2. Franchisee shall have delivered to Franchisor, with a copy of the proposed transfer agreements, one half (\$5,000) of the Transfer Fee of \$10,000, which Franchisee understands will not be refunded to Franchisee if the proposed transfer does not occur;

3. The transferee has demonstrated to Franchisor's satisfaction that the transferee meets Franchisor's then-current educational, managerial and business standards; possesses a good moral character, business reputation and credit rating; has the aptitude and ability to operate the Franchised Restaurant; and has sufficient equity capital to operate the Franchised Restaurant;

4. All of Franchisee's accrued monetary obligations and all other outstanding obligations to Franchisor, its Affiliates, and third party suppliers shall be up to date, fully paid and satisfied, and

Franchisee must be in full compliance with this Agreement and any other agreements between Franchisee and Franchisor, its Affiliates and Franchisee's suppliers;

5. Franchisee or the transferee shall have agreed to refurbish the Franchised Restaurant Premises so that it meets Franchisor's image requirements for new PANCHEROS restaurants;

6. Franchisee and each Owner and guarantor shall have executed a general release, in a form satisfactory to Franchisor, of any and all claims against Franchisor and its Affiliates and their respective officers, directors, shareholders, agents and employees in their corporate and individual capacities, including, without limitation, claims arising under federal, state and local laws, rules and ordinances; provided, however, that any release will not be inconsistent with any state law regulating franchising;

7. Franchisee or the transferee has paid the balance of the \$10,000 Transfer Fee in the amount of \$5,000, and has reimbursed Franchisor for all reasonable costs and expenses Franchisor incurred (including its attorneys' fees) in facilitating the transfer;

8. The transferee has executed Franchisor's then-current form of franchise agreement, the terms of which may be materially different than the terms of this Agreement and may include, among other things, a different percentage royalty fee and different advertising obligations. The term of such agreement shall be the remaining term of this Agreement at the time of transfer;

9. If the transferee is a Business Entity, then the transferee's Owners each shall sign Franchisor's standard form of Guaranty and Assumption of Obligations;

10. You have complied with the requirements set forth in Section 16.G;

11. The transferee shall have complied with Franchisor's then-current initial training requirements; and

12. If Franchisor introduced the buyer to Franchisee, Franchisee has paid all fees due Franchisor under its then-current franchise resale policy or program.

Franchisee acknowledges that Franchisor has legitimate business reasons to evaluate the qualifications of potential transferees and to analyze and critique the terms of their purchase contracts with Franchisee and that Franchisor's contact with potential transferees to protect Franchisor's business interests will not constitute improper or unlawful conduct. Franchisee expressly authorizes Franchisor to investigate any potential transferee's qualifications, to analyze and critique the proposed purchase terms, to communicate candidly and truthfully with the transferee regarding Franchisee's operation of the Franchised Restaurant, and to withhold consent to economically questionable transactions. Franchisee waives any claim that the action Franchisor takes in good faith to protect its business interests in connection with a proposed transfer constitutes tortious interference with contractual or business relationships. Similarly, Franchisor may review all information regarding the Franchised Restaurant that Franchisee gives the proposed transferee, correct any information Franchisor believes is inaccurate, and give the proposed transferee copies of any reports Franchisee has given Franchisor or Franchisor has made regarding the Franchised Restaurant.

E. Transfers Void. Any purported transfer, by operation of law or otherwise, made without Franchisor's prior written consent will be considered null and void and will be considered a material breach of this Agreement.

F. Security Interest. Franchisee may grant a security interest in this Agreement or the franchise represented by this Agreement only to the limited extent permitted by Section 9-408 of the Uniform Commercial Code. Any such security interest may only attach to an interest in the proceeds of the operation of the Franchised Restaurant and may not entitle or permit the secured party to take possession of or operate the Franchised Restaurant or to transfer your interest in the franchise without Franchisor's consent.

G. Right of First Refusal. If Franchisee receives a bona fide offer to purchase its interest in this Agreement or receives a bona fide offer to purchase all or substantially all of the assets of the Franchised Restaurant in connection with the buyer's acquisition of a franchise for a PANCHEROS restaurant, or if any Owner receives a bona fide offer to purchase his or her equity interests in Franchisee (if Franchisee is a Business Entity), and Franchisee or such Owner wishes to accept such offer, Franchisee or the Owner must deliver to Franchisor written notification of the offer and, except as otherwise provided herein, Franchisor shall have the right and option, exercisable within thirty (30) days after receipt of such written notification, to purchase the seller's interest on the same terms and conditions offered by the third party. The written notification must include a copy of the bona fide offer, signed by the seller, whose identity must be disclosed to Franchisor. If the bona fide offer provides for the exchange of assets other than cash or cash equivalents, the bona fide offer shall include the fair market value of the assets and Franchisee shall submit with the notice an appraisal prepared by a qualified independent third party evidencing the fair market value of such assets as of the date of the offer. Any material change in the terms of any offer prior to closing shall constitute a new offer subject to the same right of first refusal by Franchisor as in the case of an initial offer. If Franchisor elects to purchase the seller's interest, closing on such purchase must occur by the later of: (1) the closing date specified in the third party offer; or (2) within 60 days from the date of notice to the seller of Franchisor's election to purchase. Franchisor's failure to exercise the option described in this Section 16.G. shall not constitute a waiver of any of the transfer conditions set forth in this Article 16.

This Section 16.G. grants Franchisor a right to purchase the seller's interest in the above-described assets regardless of whether the bona fide offer includes an offer to purchase other assets of the seller. If the offer includes an offer to purchase other assets, the proposed purchaser must specify the amount of the offer price allocated to the above-described assets. In such events, Franchisor may exercise its right of first refusal with respect to the above-described assets only. If the offer includes an offer to purchase interests in multiple franchise agreements, multiple PANCHEROS Restaurants, and/or area development rights, the proposed purchaser must specify the amount of the offer price allocated to each agreement or Restaurant, as applicable. In such event, Franchisor may exercise its right of first refusal with respect to all or any part of the offer.

The right of first refusal process described in the preceding paragraph will not be triggered by a proposed transfer that would not be allowed under Section 16.C., above. As noted in this Agreement's transfer section, there may be no transfer of the Franchised Restaurant unless it will continue to be operated as a PANCHEROS Franchised Restaurant under a Franchise Agreement. Franchisee may not sell the assets of the Franchised Restaurant to anyone who will use those assets to operate anything other than a PANCHEROS Franchised Restaurant. Franchisor may require Franchisee (or its owners) to send Franchisor copies of any materials or information sent to the proposed buyer or transferee regarding the possible transaction. Franchisor has the unrestricted right to assign this right of first refusal to a third party, who then will have the rights described in this Section 16.G.

17. DEATH OR INCAPACITY OF FRANCHISEE

A. Transfer in the Event of Death or Incapacity. In the event of the death or incapacity of an individual Franchisee, or any partner of a Franchisee which is a partnership or any owner owning a controlling interest of a Franchisee which is a Business Entity, the heirs, beneficiaries, devisees or legal representatives of said individual, partner or owner shall within ninety (90) days of such event:

1. Apply to Franchisor for the right to continue to operate the franchise for the duration of the term of this Agreement and any renewals hereof, which right shall be granted upon the fulfillment of all of the conditions set forth in Section 16.D. of this Agreement (except that no transfer fee shall be required); or

2. Sell, assign, transfer or convey Franchisee's interest in compliance with the provisions of Section 16.D. of this Agreement; provided, however, in the event a proper and timely application for the

right to continue to operate has been made and rejected, the ninety (90) days to sell, assign, transfer or convey shall be computed from the date of said rejection. For purposes of this Article 17, Franchisor's silence on an application made pursuant to Section 16.D. through the ninety (90) days following the event of death or incapacity shall be deemed a rejection made on the last day of such period.

B. Failure to Comply with Transfer Provisions. In the event of the death or incapacity of an individual franchisee, or any partner or owner of a Franchisee which is a partnership or Business Entity, where the provisions of Article 17 have not been fulfilled within the time provided, all rights granted to Franchisee under this Agreement shall, at the option of Franchisor, terminate and Franchisor shall have the option to purchase the Franchised Restaurant in accordance with Section 15.I.

18. STEP IN RIGHTS

A. Step-In Rights. To prevent any interruption of the operation of the Franchised Restaurant which would cause harm to the Franchised Restaurant and thereby depreciate the value thereof, Franchisee authorizes Franchisor to enter upon the Franchised Restaurant premises and to manage the operation of the Franchised Restaurant ("**Step-In Rights**"), upon the happening of any of the following events: (1) in the event that Franchisee is absent or incapacitated by reason of illness or death and is not, therefore, in the sole judgment of Franchisor, able to operate the Franchised Restaurant, (2) upon Franchisee's default under the Franchise Agreement and failure to cure within the required cure period, (3) upon Franchisor's receipt of information that would reasonably lead Franchisor to believe that Franchisee intended to permanently close the Franchised Restaurant or abandon franchise operations, or (4) upon termination or expiration of this Agreement (during the purchase option period and, if Franchisor exercises its option, pending closing on the purchase).

B. Governing Terms. If Franchisor elects to exercise its Step-In Rights, the following terms and conditions shall apply:

1. Term. Franchisor shall have the right to manage the Franchised Restaurant (either itself or through its designee, hereinafter the "**Manager**") for such period as Franchisor deems appropriate, but not to exceed ninety (90) days, unless mutually agreed by the parties.

2. Management Services. During the term, the Manager shall manage the day-to-day operations of the Franchised Restaurant. Franchisee grants Manager the exclusive right to manage the Franchised Restaurant during the term including, without limitation, the right to supervise the operation of the Franchised Restaurant, the right to purchase inventory and supplies for the Franchised Restaurant, and the right to hire, fire, and discipline employees of the Franchised Restaurant (including Franchisee's employees).

3. Compensation. As consideration for the management services provided hereunder, the Manager shall be entitled to a management fee equal to four hundred dollars (\$400) per day, plus reimbursement of all management-related costs and expenses incurred by Franchisor including, without limitation, salary, travel, and lodging expenses for personnel providing management services.

4. Revenue and Expenses. During the management term, all revenue from the operation of the business ("**Operating Revenue**") shall be kept in a separate account, and all costs and expenses of the Franchised Restaurant (including, without limitation, Royalty Fees, Advertising Fund contributions, and other amounts due under this Agreement, credit card processing fees, inventory purchases, payroll expenses, occupancy costs and expenses, facility maintenance expenses, utility charges, license and service fees, etc.) ("**Operating Costs**") shall be paid from Operating Revenue. For avoidance of doubt, Operating Costs include current payments of principal and interest due on any debt financing; but not any arrearages. If Operating Revenue is insufficient to fully satisfy the Management Fee and Operating Costs, at the Manager's election (a) the Manager may advance necessary funds, in the form of a loan to Franchisee, subject to eighteen percent (18%) per month or the highest commercial contract interest rate the law allows, whichever is less, or (b) such expenses shall be paid to the extent of available Operating Revenue and in

the order of priority that the Manager deems appropriate, in its sole discretion. If Operating Revenue exceeds Operating Costs, then the excess will be credited against amounts owed to Franchisor under this Agreement, and the balance (if any) will be remitted to Franchisee within ninety (90) days after termination of the management term. For avoidance of doubt, the Manager shall have no obligation to advance funds for purposes of paying expenses, all expenses shall remain the sole obligation of Franchisee.

5. Limitation of Liability. Franchisor (or the third party) will have a duty to use only reasonable efforts and, if Franchisor is not grossly negligent and does not commit an act of willful misconduct, will not be liable to Franchisee or its owners for any debts, losses, or obligations the Franchised Restaurant incurs, or to any of Franchisee's creditors for any supplies, products, or other assets or services the Franchised Restaurant purchases, while Franchisor (or the third party) manages it. If Franchisor (or a third party) assumes the Franchised Restaurant's management, Franchisor (or the third party) may retain all Gross Revenues, and need not pay Franchisee or otherwise account to Franchisee for any Gross Revenues generated while Franchisor (or the third party) manages the Franchised Restaurant.

6. Franchisor's exercise of the management rights granted herein will not affect Franchisor's right to terminate this Agreement under this Article 14 or any other of the parties' rights or remedies under this Agreement or applicable law.

19. INDEPENDENT CONTRACTOR AND INDEMNIFICATION

A. Independent Contractor. This Agreement does not constitute Franchisee as an agent, legal representative, joint venturer, partner, employee or servant of Franchisor for any purpose whatsoever. Franchisee may not represent to third parties that it is an agent of Franchisor and it is understood between the parties hereto that Franchisee shall be an independent contractor and is in no way authorized to make any contract, agreement, warranty or representation on behalf of Franchisor, or to create any obligation, express or implied, on behalf of Franchisor. Franchisor does not participate in the hiring, disciplining, or discharging of Franchisee's employees or in setting and paying wages and benefits to Franchisee's employees, and Franchisee acknowledges that Franchisor has no power, responsibility, or liability with respect to the hiring, disciplining, or discharging of employees or in setting or paying their wages. Franchisee shall prominently display, by posting of a sign within public view, on or in the Premises, a statement that clearly indicates that the Franchised Restaurant is independently owned and operated by Franchisee as a PANCHEROS franchise of Franchisor and not as an agent thereof.

B. Indemnification. Franchisee agrees to indemnify, defend, and hold harmless Franchisor, its affiliates, and their respective owners, directors, officers, employees, agents, successors, and assignees (the "**Indemnified Parties**") against, and to reimburse any one or more of the Indemnified Parties for, all claims, obligations, and damages directly or indirectly arising out of or relating to the Franchised Restaurant's operation, the business Franchisee conducts under this Agreement, or Franchisee's breach of this Agreement, including, without limitation, those alleged to be caused by the Indemnified Party's negligence or willful misconduct, unless (and then only to the extent that) the claims, obligations, or damages are determined to have been caused wholly by the Indemnified Party's negligence or willful misconduct in a final, unappealable ruling issued by a court or arbitrator with competent jurisdiction. Franchisee further agrees to indemnify Franchisor from and against all employment practices liability claims asserted by Franchisee's employees against Franchisor, alleging liability under the "joint employer" theory of liability.

For purposes of this indemnification, "claims" include all obligations, damages (actual, consequential, or otherwise), and costs that any Indemnified Party reasonably incurs in defending any claim against it, including, without limitation, reasonable accountants', arbitrators', attorneys', and expert witness fees, costs of investigation and proof of facts, court costs, travel and living expenses, and other expenses of litigation or alternative dispute resolution, whether or not litigation or alternative dispute resolution is commenced. Each Indemnified Party may defend any claim against it at Franchisee's expense and agree to settlements or take any other reasonable remedial, corrective, or other actions.

This indemnity will continue in full force and effect subsequent to and notwithstanding this Agreement's expiration or termination. An Indemnified Party need not seek recovery from any insurer or other third party, or otherwise mitigate its losses and expenses, in order to maintain and recover fully a claim against Franchisee under this Article 20. Franchisee agrees that failure to pursue a recovery or mitigate a loss will not reduce or alter the amounts that an Indemnified Party may recover from Franchisee under this Article 20.

20. NON-WAIVER

No failure of Franchisor to exercise any power reserved to it hereunder, or to insist upon strict compliance by Franchisee with any obligation or condition hereunder, and no custom or practice of the parties in variance with the terms hereof, shall constitute a waiver of Franchisor's right to demand exact compliance with the terms hereof. Waiver by Franchisor of any particular default by Franchisee shall not be binding unless in writing and executed by the party sought to be charged and shall not affect or impair Franchisor's right with respect to any subsequent default of the same or of a different nature; nor shall any delay, waiver, forbearance, or omission of Franchisor to exercise any power or rights arising out of any breach or default by Franchisee of any of the terms, provisions, or covenants hereof affect or impair Franchisor's rights nor shall such constitute a waiver by Franchisor of any right hereunder or of the right to declare any subsequent breach or default. Subsequent acceptance by Franchisor of any payment(s) due to it hereunder shall not be deemed to be a waiver by Franchisor of any preceding breach by Franchisee of any terms, covenants or conditions of this Agreement.

21. NOTICES

All written notices, reports, and payments permitted or required to be delivered by this Agreement or the Confidential Operations Manual will be deemed delivered: **(i)** at the time delivered by hand; **(ii)** one (1) business day after transmission by facsimile or electronic mail if the sender has confirmation of successful transmission; **(iii)** one (1) business day after being placed in the hands of a nationally recognized commercial courier service for next business day delivery; or **(iv)** three (3) business days after placement in the United States Mail by Registered or Certified Mail, Return Receipt Requested, postage prepaid. Notices shall be delivered to the addresses set forth on the first page of this Agreement. Either party may change its designated address for notices by delivering to the other party written notice of the change. Any required report that Franchisor does not actually receive during regular business hours on the date due (or postmarked by postal authorities at least two (2) days before then for reports unrelated to payments due under this Agreement) will be deemed delinquent.

22. COST OF ENFORCEMENT OR DEFENSE

If Franchisor or Franchisee commences a legal proceeding against the other to enforce any term or provision of this Agreement, the prevailing party in the legal proceeding (as determined by the trier-of-fact) will be entitled to recover from the non-prevailing party the costs and expenses the prevailing party incurred in the proceeding, including, without limitation, court costs, reasonable accounting, attorneys', arbitrators', and related fees. In addition, if Franchisor incurs costs and expenses due to Franchisee's failure to pay when due amounts owed to Franchisor, to submit when due any reports, information, or supporting records, or otherwise to comply with this Agreement, Franchisee agrees, even if Franchisor does not initiate a formal legal proceeding, to reimburse Franchisor for all costs and expenses it incurs, including, without limitation, reasonable accounting, attorneys', and related fees.

23. APPROVALS, REPRESENTATIONS

Whenever this Agreement requires the prior approval or consent of Franchisor, Franchisee shall make a timely written request to Franchisor therefor, and, except as otherwise provided herein, any approval or consent granted shall be effective only if in writing.

24. ENTIRE AGREEMENT

A. Binding Agreement. This Agreement is binding upon Franchisor, and its successors and assigns, Franchisee and its heirs, successors, and assignst.

B. Modification. Subject to Franchisor's right to modify the Confidential Operations Manual and System standards, this Agreement may not be modified except by a written agreement signed by the duly-authorized officers of both parties.

C. Fully Integrated Agreement. This Agreement and its Exhibits (if any) constitute the entire, full and complete agreement between Franchisor and Franchisee concerning the subject matter hereof. There are no other oral or written understandings or agreements between Franchisor and Franchisee. Nothing in this Agreement, however, will require Franchisee to waive reliance on representations made in the franchise disclosure document that Franchisor delivered to Franchisee in connection with this offering. Franchisor may rely on the representations Franchisee made in its franchise application materials and any representations document or similar questionnaire Franchisee and/or its owners signed before signing this Agreement to confirm and acknowledge their understanding of the risks of entering into this Agreement and the absence of any improper or misleading statements made by Franchisor. Any policies Franchisor periodically adopts and implements to guide it in decision-making are subject to change, are not a part of this Agreement, and are not binding on Franchisor.

D. No Representations; No Reliance. Franchisee acknowledges that Franchisee has conducted an independent investigation of the PANCHEROS franchise opportunity, and recognizes that the business venture contemplated by this Agreement involves business risks and that its success will depend primarily on Franchisee's own efforts and market conditions outside of Franchisor's control. Except for the financial performance representations contained in Franchisor's franchise disclosure document, delivered to Franchisee in conjunction with this franchise offering, Franchisee acknowledges and represents to Franchisor that none of Franchisor's representatives or employees made any representations concerning the actual or projected gross revenue or profit of a PANCHEROS Restaurant. Franchisee further acknowledges and represents to Franchisor that, in making its decision to purchase a franchise, Franchisee has not relied on any financial performance information provided by Franchisor's representatives or employees, except for information contained in Franchisor's franchise disclosure document. Franchisor makes no warranties or guarantees concerning the success or profitability of the Franchised Restaurant upon which Franchisee may rely, and Franchisor assumes no liability or obligation to Franchisee or any third party to which it would not otherwise be subject by providing any waiver, approval, advice, consent or services to Franchisee in connection with this Agreement, or by reason of any neglect, delay or denial of any request therefor.

25. SEVERABILITY AND CONSTRUCTION

A. Each Section, part, term and/or provision of this Agreement shall be considered severable, and if, for any reason, any Section, part, term and/or provision herein is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation, such shall not impair the operation of or affect the remaining portions, sections, parts, terms and/or provisions of this Agreement, and the latter shall continue to be given full force and effect and bind the parties hereto; and said invalid sections, parts, terms and/or provisions shall be deemed not part of this Agreement. Franchisee shall be bound by any promise or covenant imposing the maximum duty permitted by law which is contained within the terms of any provision hereof, as though it were separately stated in and made a part of this Agreement, that may result from striking from any of the provisions hereof any portion or portions which a court may hold to be unreasonable and unenforceable in a final decision to which Franchisor is a party, or from reducing the scope of any promise or covenant to the extent required to comply with such a court order.

B. The parties acknowledge that each party and its counsel have reviewed this Agreement and that the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of this Agreement or any amendments or exhibits attached hereto.

C. Anything to the contrary herein notwithstanding, nothing in this Agreement is intended, nor shall be deemed, to confer upon any person or legal entity other than Franchisor or Franchisee and such of their respective successors and assigns as may be contemplated by this Agreement any rights or remedies under or by reason of this Agreement.

D. All captions herein are intended solely for the convenience of the parties, and none shall be deemed to affect the meaning or construction of any provision hereof. The singular usage includes the plural, where appropriate in the context, and the masculine and neuter usages include the other and the feminine. References to a “controlling ownership interest” in Franchisee mean the percent of the voting shares or other voting rights that results from dividing one hundred percent (100%) of the ownership interests by the number of owners. In the case of a proposed transfer of an ownership interest in Franchisee, whether a “controlling ownership interest” is involved must be made both immediately before and immediately after the proposed transfer to see if a “controlling ownership interest” will be transferred (because of the number of owners before the proposed transfer) or will be deemed to have been transferred (because of the number of owners after the proposed transfer). “Person” means any natural person, corporation, limited liability company, general or limited partnership, unincorporated association, cooperative, or other legal or functional entity. Unless otherwise specified, all references to a number of days means calendar days and not business days. The words “include” and “including” are meant to be illustrative and not exhaustive and are deemed to be read in all cases as “including, without limitation” and/or “including but not limited to.”

E. This Agreement may be executed in duplicate, and each copy so executed shall be deemed an original. This Franchise Agreement may also be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one agreement. A signed copy of this Franchise Agreement transmitted by facsimile, email or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original executed copy of this Franchise Agreement. You agree that the electronic signatures or digital signatures (each an “**e-Signature**”) of any party to this Franchise Agreement shall have the same force and effect as manual signatures of such party and such e-Signature shall not be denied legal effect or enforceability solely because it is in electronic form or an electronic record was used in its formation. You agree that an e-Signature of either party is intended to: (i) authenticate the signature, (ii) represent the party’s intent to sign, and (iii) constitute a record established and maintained in the ordinary course of business and an original written record when printed from electronic files. You agree not to contest the admissibility or enforceability of either party’s e-Signature.

F. The recitals set forth in this Agreement are specifically incorporated into the terms of this Agreement and hereby constitute a part thereof.

26. APPLICABLE LAW; FORUM SELECTION; JURY TRIAL WAIVER; WAIVER OF PUNITIVE DAMAGES

A. Choice of Law. This Agreement takes effect upon its acceptance and execution by Franchisor. This Agreement shall be interpreted and construed under the laws of the State of Iowa, which laws shall prevail in the event of any conflict of law, except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15, U.S.C. sections 1051 et seq).

B. Venue; Jurisdiction. Franchisee agrees that any action sought to be brought by either party shall be brought and maintained exclusively in a state or federal court serving the judicial district in which Franchisor maintains its principal place of business at the time the action is initiated, and the parties hereby waive all questions of personal jurisdiction or venue for purposes of carrying out this provision. Notwithstanding the foregoing, Franchisor may bring an action for injunctive relief in any court having

jurisdiction to enforce its trademark or proprietary rights, the covenants not to compete, the restriction of disclosure of Confidential Information, and/or to enforce compliance with Franchisee's post-termination obligations under Article 15. The parties, including the owners of Franchisee, hereby waive all questions of personal jurisdiction for the purpose of carrying out this provision and agree that service of process may be made upon any of them in any proceeding arising out of or relating to this Agreement, the breach of this Agreement, or the relationship created hereby by any means allowed by Iowa or federal law.

C. Nonexclusivity of Remedy. No right or remedy conferred upon or reserved to Franchisor or Franchisee by this Agreement is intended to be, nor shall be deemed, exclusive of any other right or remedy herein or by law or equity provided or permitted, but each shall be cumulative of every other right or remedy.

D. Waiver of Jury Trial. Franchisor and Franchisee hereby agree that they shall and hereby do waive trial by jury in any action, proceeding or counterclaim, whether at law or at equity, brought by either of them, or in any matter whatsoever which arises out of or is connected in any way with this Agreement or its performance.

E. Waiver of Punitive Damages. The parties hereby waive to the fullest extent permitted by law any right to or claim for punitive or exemplary damages against the other, and agree that, in the event of a dispute between them, they each shall be limited to the recovery of compensatory damages.

F. Contractual Limitations Period. No legal action or proceeding may be brought against Franchisor or its officers, directors, agents, or employees, for any claim or cause of action (whether sounding in contract, tort, or otherwise) unless such action or proceeding is instituted within two (2) years and one day from the date the claim or cause of action accrued. This provision is intended to shorten any applicable statute of limitations to the extent permitted by law.

27. FORCE MAJEURE

Whenever a period of time is provided in this Agreement for either party to do or perform any act or thing, except the payment of monies, neither party shall be liable or responsible for any delays due to strikes, lockouts, casualties, acts of God, war, governmental regulation or control or other causes beyond the reasonable control of the parties, and in any event said time period for the performance of an obligation hereunder shall be extended for the amount of time of the delay. This clause shall not apply or not result in an extension of the term of this Agreement.

28. "FRANCHISEE" DEFINED; GUARANTY

As used in this Agreement, the term "Franchisee" shall include all persons who succeed to the interest of the original Franchisee by permitted transfer or operation of law and shall be deemed to include not only the individual or entity defined as "Franchisee" in the introductory Section of this Agreement, but shall also include all partners (general and limited) of a partnership franchisee, and all owners and governing persons of a corporation or limited liability company franchisee, and both the trustee and beneficiaries of any franchisee that is a trust. By their signatures hereto, all such partners, owners, governing persons, trustees and beneficiaries (each an "Owner" for purposes of this Agreement) acknowledge and accept the duties and obligations imposed upon each "Owner" under this Agreement, and each Owner shall execute the Guaranty and Assumption of Obligations ("**Guaranty**") attached as Exhibit B and made a part hereof. If any Owner is, itself, a corporation, limited liability company, or other legal entity, each of the entity's owners and governing persons will be considered an "Owner" for purposes of this Agreement; it being the parties' intent that each individual who controls or holds a beneficial ownership in the Franchisee, directly or indirectly, will execute Exhibit B and be personally bound by the provisions applying to "Owners."

29. CAVEAT

A. No Warranty. The success of the business venture contemplated to be undertaken by Franchisee by virtue of this Agreement is speculative and depends, to a large extent, upon the ability of Franchisee as an independent businessperson and its active participation in the daily affairs of the business as well as other factors. Franchisor does not make any representation or warranty, express or implied, as to the potential success of the business venture contemplated hereby.

B. Business Judgment. Notwithstanding any contrary provisions contained in this Agreement, Franchisor and Franchisee acknowledge and agree that (1) this Agreement (and the relationship of the parties which arises from this Agreement) grants Franchisor the discretion to make decisions, take actions and/or refrain from taking actions not inconsistent with Franchisee's explicit rights and obligations hereunder that may affect favorably or adversely Franchisee's interests; (2) Franchisor will use its business judgment in exercising such discretion based on Franchisor's assessment of Franchisor's own interests and balancing those interests against the interests, promotion and benefit of the System and Franchised Restaurants generally (including Franchisor, and its Affiliates and other Franchisees), and specifically without considering Franchisee's individual interests or the individual interests of any other particular Franchisee (examples of items that will promote or benefit the System and Franchised Restaurants generally include, without limitation, enhancing the value of the Marks and/or the PANCHEROS brand, improving customer service and satisfaction, improving project quality, improving uniformity, enhancing or encouraging modernization, and improving the competitive position of the System); (3) Franchisor will have no liability to Franchisee for the exercise of its discretion in this manner and (4) even if Franchisor has numerous motives for a particular action or decision, so long as at least one motive is a reasonable business justification no trier of fact in any legal action shall substitute its judgment for Franchisor's judgment so exercised and such action or decision will not be subject to challenge for abuse of discretion. IF FRANCHISOR TAKES ANY ACTION OR CHOOSES NOT TO TAKE ANY ACTION IN ITS DISCRETION WITH REGARD TO ANY MATTER RELATED TO THIS AGREEMENT AND ITS ACTION OR INACTION IS CHALLENGED FOR ANY REASON, THE PARTIES EXPRESSLY DIRECT THE TRIER OF FACT THAT FRANCHISOR'S RELIANCE ON A BUSINESS REASON IN THE EXERCISE OF ITS DISCRETION IS TO BE VIEWED AS A REASONABLE AND PROPER EXERCISE OF ITS DISCRETION, WITHOUT REGARD TO WHETHER OTHER REASONS FOR OUR DECISION MAY EXIST AND WITHOUT REGARD TO WHETHER THE TRIER OF FACT WOULD INDEPENDENTLY ACCORD THE SAME WEIGHT TO THE BUSINESS REASON.

30. REPRESENTATIONS AND ACKNOWLEDGMENTS

A. Franchisee represents and acknowledges that it has received, read and understood this Agreement and Franchisor's franchise disclosure document; and that Franchisor has fully and adequately explained the provisions of each to Franchisee's satisfaction; and that Franchisor has accorded Franchisee ample time and opportunity to consult with advisors of its own choosing about the potential benefits and risks of entering into this Agreement.

B. Franchisee has been advised to consult with its own advisors with respect to legal, financial and other aspects of this Agreement, the business franchised hereby and the prospects for that business. Franchisee has either consulted with such advisors or has deliberately declined to do so.

C. The covenants not to compete set forth in this Agreement are fair, reasonable and shall not impose any undue hardship on Franchisee, since Franchisee has other considerable skills, experience and education which afford Franchisee the opportunity to derive income from other endeavors.

D. Franchisee affirms that all information set forth in any and all applications, financial statements and submissions to Franchisor is true, complete and accurate in all respects, with Franchisee expressly acknowledging that Franchisor is relying upon the truthfulness, completeness and accuracy of such information.

E. Franchisee has conducted an independent investigation of the business contemplated by this Agreement and recognizes that, like any other business, an investment in a PANCHEROS Franchised Restaurant involves business risks and that the success of the venture is primarily dependent upon the business abilities and efforts of Franchisee.

F. Except for representations contained in the franchise disclosure document delivered to Franchisee in connection with Franchisee's purchase of this franchise, Franchisee represents that, before the Effective Date of this Agreement, neither Franchisor nor any person purporting to speak on Franchisor's behalf has made any representations to Franchisee concerning the historical sales or profits of any PANCHEROS restaurant, nor has made any promises or assumptions concerning the projected sales or profits of Franchisee's Franchised Restaurant. Franchisee further represents to Franchisor that Franchisee has not relied on any representations of this type, made by Franchisor or anyone purporting to speak on Franchisor's behalf, in making its decision to purchase the franchise.

G. Franchisee acknowledges that it has read this Agreement and Franchisor's franchise disclosure document and that it has no knowledge of any representations by Franchisor, or its officers, directors, shareholders, employees or agents that are contrary to the statements made in Franchisor's franchise disclosure document or to the terms herein.

H. If Franchisee and/or the Franchised Restaurant is located in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, and Wisconsin, then: no statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

IN WITNESS WHEREOF, the parties hereto, intending to be legally bound hereby, have duly executed, sealed and delivered this Agreement in duplicate the day and year first above written.

LEASE RIDER

THIS LEASE RIDER (“Lease Rider”) is entered into this _____ day of _____, 20___, by and between Panchero’s Franchise Corporation (“**Company**”), _____ (“**Franchisee**”), and _____ (“**Landlord**”).

WHEREAS, Company and Franchisee are parties to a Franchise Agreement, which is dated _____, 20___ (the “Franchise Agreement”), for the operation of a PANCHEROS Restaurant (the “**Restaurant**”); and

WHEREAS, Franchisee and Landlord propose to enter into the lease to which this Rider is attached (the “**Lease**”), pursuant to which Franchisee will occupy premises located at _____ (the “**Premises**”) for the purpose of constructing and operating the Restaurant in accordance with the Franchise Agreement; and

WHEREAS, Company has the right under the Franchise Agreement to require Franchisee to agree to the terms contained in this Lease Rider, and Landlord is willing to agree to the terms contained in this Lease Rider so that Company allows Franchisee to enter into the Lease.

NOW, THEREFORE, in consideration of Company’s willingness to allow Franchisee to enter the Lease with Landlord, and in consideration of the mutual undertakings and commitments set forth in this Rider and in the Franchise Agreement, the receipt and sufficiency of all of which the parties acknowledge, the parties agree as follows:

1. During the term of the Franchise Agreement, Franchisee shall be permitted to use the Premises for the operation of the Restaurant and for no other purpose.
2. Landlord consents to Franchisee’s installation and use of such trademarks, service marks, signs, decor items, color schemes, and related components of the PANCHEROS system as Company may from time to time prescribe for the Restaurant.
3. Landlord agrees to furnish Company with copies of all letters and notices it sends to Franchisee pertaining to the Lease and the Premises at the same time it sends such letters and notices to Franchisee. All notices to Company shall be sent to 2475 Coral Court, Suite B, Coralville, Iowa 52241, Attention: President, or to such other address of which Company notifies Landlord in writing from time to time. 4. Company shall have the right, without being guilty of trespass or any other crime or tort, but has no obligation, to enter the Premises at any time and from time to time (i) to make any modification or alteration it considers necessary to protect the PANCHEROS system and marks, (ii) to cure any default under the Franchise Agreement or the Lease, or (iii) to remove the distinctive elements of the PANCHEROS trade dress upon the Franchise Agreement’s expiration or termination. Neither Company nor Landlord shall be responsible to Franchisee for any damages Franchisee might sustain as a result of any action Company takes in accordance with this provision. Company shall repair or reimburse Landlord for the cost of any damage to the Premises’ walls, floor, or ceiling that result from Company’s removal of trade dress items and other property from the Premises.
5. Landlord and Franchisee hereby agree that, upon Company’s request and at Company’s direction following the expiration or termination of the Franchise Agreement, Franchisee shall assign the Lease to Company or its Designee (the “**Permitted Transferee**”) and Landlord hereby consents to such an assignment and agrees not to impose any assignment fee or similar charge, or to increase or accelerate rent under the Lease, in connection with such an assignment. The original Franchisee shall continue to guarantee the Lease. Landlord and Franchisee also agree that, following the expiration or termination of the Franchise

Agreement but before Company requests an assignment of the Lease as referenced above, Company or its Designee may, upon Company's notice to Landlord and Franchisee, assume possession of the Premises for up to ninety (90) days, the specific amount of time to be determined by Company, during which Company or its Designee may operate the Restaurant to assess whether to request the Lease assignment referenced above. Company or its Designee shall comply with all Lease obligations that arise during its possession of the Premises but shall have no obligation to pay any delinquent rent or to cure any other default under the Lease that occurred or existed prior to the date of the assumption of possession. For purposes of this Lease Assignment, an "**Affiliate of Company**" is any entity controlling, controlled by, or under common control with Company. "**Control**" means the power to direct the management and policies of the entity in question, whether through the ownership of voting securities, by contract, or otherwise and includes any entity that operates a PANCHEROS Restaurant under a management agreement with the Company. "**Franchisee of Company**" is any entity operating a PANCHEROS restaurant under a valid franchise agreement with Company. "**Designee**" is an Affiliate of Company or another Franchisee of Company.

6. In the event Franchisee assigns the Lease to Company or its Designee in accordance with the preceding paragraph, the assignee must assume all obligations of Franchisee under the Lease from and after the date of assignment and Company or the Permitted Transferee shall comply with all Lease obligations (including without limitation the payment of all Rent incurred for the time of possession) that arise during the Review Period but shall have no obligation to pay any delinquent rent or to cure any other default under the Lease that occurred or existed prior to the date of the assumption of possession.

7. Franchisee may not assign the Lease or sublet the Premises (other than in accordance with paragraph 5) without Company's prior written consent, and Landlord will not consent to an assignment or subletting by Franchisee (other than in accordance with paragraph 5 and in accordance with the specific terms of the Lease) without first verifying that Company has given its written consent to Franchisee's proposed assignment or subletting.

8. Landlord and Franchisee will not amend or modify the Lease in any manner that could materially affect any of the provisions or requirements of this Lease Rider without Company's prior written consent.

9. Franchisee agrees that any default under the Lease will constitute a default under the Franchise Agreement. Franchisee and Landlord agree that any default under the Franchise Agreement will constitute a default under the Lease.

10. Franchisee agrees that Landlord shall give Company all sales and other information that Company requests regarding Franchisee's operation of the Restaurant (to the extent the Landlord is in actual possession of such items).

11. The provisions of this Lease Rider will supersede and control any conflicting provisions of the Lease.

Landlord acknowledges that Company (or its Designee) is not a party to the Lease and shall have no liability or responsibility under the Lease unless and until the Lease is assigned to, and assumed by, Company (or its Designee) as provided in paragraph 6 or Company (or its Designee) temporarily assumes possession of the Premises as provided in paragraph 5.

13. This Lease Rider may be executed in duplicate, and each copy so executed shall be deemed an original. intent to sign, and (iii) constitute a record established and maintained in the ordinary course of business and an original written record when printed from electronic files. You agree not to contest the admissibility or enforceability of either party's e-Signature.

THIS AREA DEVELOPMENT AGREEMENT (this "Agreement") made this ____day of _____, 20__ by and between PANCHERO'S FRANCHISE CORPORATION, an Illinois corporation, having its principal place of business at 2475 Coral Court, Suite B, Coralville, Iowa 52241 ("**Franchisor**"), and _____, a(n) _____ ("**Developer**").

WHEREAS, Franchisor and its Affiliate ("**Affiliate**"), over a period of time and as the result of the expenditure of time, expertise, effort and money, have developed and own a unique System ("**System**"), identified by the Mark "PANCHEROS", relating to the establishment, development and operation of businesses for (i) the operation of a restaurant facility providing carry-out and on-premises dining services, featuring burritos, quesadillas, tacos, salads, rice, salsa, and other food and beverage products, all prepared in accordance with specified recipes and procedures ("**Menu Items**"); (ii) may develop and continue to further develop a proprietary line of specially formulated spice packs, salsas, marinades and other food products ("**Trade Secret Food Products**"); (iii) have developed certain presentation, packaging and marketing standards and techniques for all Menu Items and Trade Secret Food Products; and (iv) have developed consumer acceptance for all Menu Items and Trade Secret Food Products ("**Franchised Restaurant**"); and

WHEREAS, the distinguishing characteristics of the System include, without limitation, distinctive exterior and interior layout, design and color scheme; exclusively designed signage, decorations, furnishings and materials; display cooking; special recipes, formulae, menus and food and beverage designations; the PANCHEROS Confidential Operations Manual ("**Confidential Operations Manual**"); food and beverage storage, preparation and service procedures and techniques; operating procedures for sanitation and maintenance; and methods and techniques for inventory and cost controls, record-keeping and reporting, purchasing, sales promotion and advertising; all of which may be changed, improved and further developed by Franchisor from time to time; and

WHEREAS, Franchisor's Affiliate, LDIP, has certain rights together with all the goodwill connected thereto in and to the trade names, service marks and trademarks "PANCHEROS", "PANCHEROS, plus the design", associated logos and commercial symbols, and such other trade names, service marks and trademarks as are now designated (and may hereinafter be designated by Franchisor in writing) as part of the System ("**Mark(s)**") and has licensed the rights in the Marks to Franchisor with the right to sublicense to Franchisor's franchisees. Franchisor will continue to develop, use and control such Marks for the benefit and use of itself and its franchisees in order to identify for the public the source of food products and services marketed thereunder and to represent the System's high standards of quality regarding Menu Items, operations, food products, ingredients, appearance and service; and

WHEREAS, Franchisor grants to qualified persons franchises to own and operate PANCHEROS Restaurants offering food products and services authorized and approved by Franchisor and utilizing the System and Marks; and

WHEREAS, Developer understands and acknowledges the importance of Franchisor's high and uniform standards of quality, operations and customer service and the necessity of operating the PANCHEROS Franchised Restaurant in conformity with Franchisor's standards and specifications; and

WHEREAS, Franchisor expressly disclaims the making of and Developer acknowledges that it has not received nor relied upon any warranty or guaranty, express or implied, as to the revenues, profits or success of the business venture contemplated by this Agreement. Developer acknowledges that it has read this Agreement and Franchisor's franchise disclosure document and that it has no knowledge of any

representations by Franchisor, or its officers, directors, shareholders, employees or agents that are contrary to the statements made in Franchisor's franchise disclosure document or to the terms herein.

NOW, THEREFORE, the parties, in consideration of the undertakings and commitments of each party to the other set forth in this Agreement, hereby agree as follows:

1. GRANT

(a) Franchisor hereby grants to Developer, pursuant to the terms and conditions of this Agreement, options to obtain licenses to establish and operate _____ () PANCHEROS Restaurants featuring the Menu Items and offering carry-out and on-premises dining within the territory described in Exhibit A attached hereto and incorporated herein by this reference (“**Designated Territory**”).

(b) Developer shall be bound by the Development Schedule (“**Development Schedule**”) set forth in Exhibit B. Time is of the essence to this Agreement. Each Franchised Restaurant shall be established and operated pursuant to a separate Franchise Agreement to be entered into by Developer and Franchisor. Each Franchise Agreement (“**Franchise Agreement**”) shall be in Franchisor's then-current form of the Franchise Agreement. For the avoidance of doubt, the establishment and operation of each respective restaurant for which Developer executes a Franchise Agreement shall be controlled by the terms of each respective Franchise Agreement..

(c) Except as otherwise provided in this Agreement and except for sales in “**Closed Markets**” (which are carved out from territorial protection as described in Exhibit A), Franchisor shall not establish, nor license anyone other than Developer the right to establish any business in the Designated Territory prior to the expiration of the development schedule set forth in Exhibit B. There are no other restrictions on Franchisor’s right to use and to license the use of the Marks. Franchisor may own and operate and grant others the right to own and operate PANCHEROS restaurants, and may sell and license others the right to sell products offered at the Franchised Restaurant and other products identified by the Marks anywhere outside the Designated Territory, regardless of proximity to or economic effect on the Designated Territory and any Restaurant therein. Franchisor may also own and operate, and grant others the right to own and operate, PANCHEROS restaurants, and may sell and license others the right to sell items and products identified by the Marks in “**Closed Markets**” within the Designated Territory. Franchisor may also distribute products and services identified by the Marks, such as pre-packaged menu items, through alternative channels of distribution including grocery stores, supermarkets, convenience stores, and via mail order, catalog sales and/or the Internet.

(d) This Agreement is not a Franchise Agreement, and Developer shall have no right to use in any manner the Marks by virtue hereof.

(e) Developer shall have no right under this Agreement to license others to operate a business or use the System or the Marks.

2. DEVELOPMENT AND INITIAL FRANCHISE FEES

(a) **Development Fee.** Upon execution of this Agreement, which shall be executed simultaneously with a franchise agreement for the first PANCHEROS® Restaurant Developer will develop under this Agreement (the “**First Franchise Agreement**”), Developer shall pay, in addition to any initial franchise fees paid to Franchisor pursuant to the First Franchise Agreement, a development fee which shall be equal to TEN THOUSAND Dollars (\$10,000.00) for each PANCHEROS® Restaurant (excluding the first) which Developer is granted the option to develop under this Agreement (“**Development Fee**”). The Development Fee due at the time of execution of this Agreement is _____ Dollars (\$_____). The Development Fee, which is to be paid at the time of execution of this Agreement, is consideration for this Agreement and not consideration for any Franchise Agreement. The Development Fee is fully earned by Franchisor upon execution of this Agreement and is non-refundable, notwithstanding any provision to the contrary contained in any Franchise Agreement.

Notwithstanding the foregoing, and as further set forth in Section 2(b)(2), Franchisor shall, upon execution of the second and each subsequent franchise agreement, apply a TEN THOUSAND Dollar credit (the “**Development Fee Credit**”) towards Franchisee’s payment of each respective initial franchise fee.

(b) **Initial Franchise Fees.** As consideration for the rights and options granted pursuant to each individual franchise agreement that Developer enters into in connection with this Development Agreement, Developer shall pay to Franchisor an initial franchise fee as further explained below.

(i) **For the First Restaurant Developed.** Developer shall pay, in accordance with the terms of the First Franchise Agreement, an Initial Franchise Fee of TWENTY-FIVE THOUSAND Dollars (\$25,000) simultaneously with the payment of the Development Fee set forth above in Section 2(A).

(ii) **For the Second and Each Subsequent Restaurant Developed.** Developer shall submit a separate application for each restaurant to be established within the Designated Territory by Developer. Upon approval of the site of the restaurant by Franchisor, which will be granted at Franchisor’s sole discretion, a separate Franchise Agreement shall be executed for each such restaurant. Upon signing the second and each subsequent Franchise Agreement, Developer shall pay to Franchisor, in accordance with the terms of the Franchise Agreement, an Initial Franchise Fee of TWENTY-FIVE THOUSAND Dollars (\$25,000.00) less the Development Fee Credit of TEN THOUSAND Dollars (\$10,000), which will result in a required payment of FIFTEEN THOUSAND Dollars (\$15,000) to Franchisor.

3. **DEVELOPMENT SCHEDULE AND MANNER OF EXERCISING OPTIONS**

(a) Developer shall be bound by and strictly follow the Development Schedule set forth in Exhibit B. Time is of the essence. By the dates set forth under the Development Schedule (“**Option Period(s)**”), Developer shall exercise options by entering into Franchise Agreements with Franchisor pursuant to this Agreement for the number of Franchised Restaurants described under the Development Schedule.

(b) Developer shall at all times after the expiration of each of the Option Periods continuously maintain in operation pursuant to each Franchise Agreement at least the number of Franchised Restaurants set forth on the Development Schedule, provided however that such obligation does not apply to businesses that are transferred in accordance with the provisions of the Franchise Agreement, or are closed due to force majeure.

(c) Developer, at its option, may obtain a 90-day extension to any Option Period, by delivering to Franchisor written notice of the desired extension with payment of a \$3,000 extension fee. Upon delivery of notice and full payment, the current Option Period will be extended for 90 days, and the Development Schedule shall be adjusted appropriately. No more than two extensions may be obtained during the term of this Agreement.

(d) Developer shall exercise each option granted herein only as follows:

(i) By giving Franchisor written notice of Developer's intention to exercise such option at least thirty (30) days before the execution of the Franchise Agreement for the applicable business; and

(ii) By executing the then-current form of the Franchise Agreement for the applicable business and complying with its terms including, without limitation, the payment of the unpaid balance of the applicable franchise fee.

(e) Franchisor shall execute the Franchise Agreement only if (i) Developer is in compliance with all requirements and obligations of this Agreement and all other agreements between Franchisor and Developer, and (ii) Developer is in compliance with all of its respective obligations under any Franchise Agreement. In order to meet the Development Schedule, the Franchise Agreement must be executed by

Developer and Franchisor within the applicable Option Period. Developer must comply with all of the terms and conditions of each Franchise Agreement.

(f) Developer acknowledges and agrees that it has conducted an independent investigation of the business contemplated under this Agreement, that Developer fully understands its obligations under this Agreement, and that Developer recognizes and assumes all associated risks. In addition, Developer acknowledges that Franchisor makes no representation: (i) that the Development Area contains a sufficient number of acceptable locations to meet the number of Restaurants to be developed under the Development Schedule; nor (ii) that the Development Area is sufficient to economically support the number of Restaurants to be developed under the Development Schedule. Developer further acknowledges that it has performed all related and necessary due diligence before its execution of this Agreement and that, accordingly, Developer assumes the risk of identifying a sufficient number of acceptable locations within the Territory and the economic risk of developing the number of Restaurants set forth in the Development Schedule.

4. **TERM**

Unless sooner terminated in accordance with the terms of this Agreement, the term of this Agreement and all rights granted hereunder to Developer shall expire on the earlier of: (1) the date of Franchisor's acceptance and execution of a Franchise Agreement for the last of the PANCHEROS Restaurants to be established pursuant to the Development Schedule; or (2) the date set forth in the Development Schedule by which you must execute the final Franchise Agreement.

5. **DUTIES OF THE DEVELOPER**

(a) Developer shall perform the following obligations:

(i) Developer shall comply with all terms and conditions set forth in this Agreement.

(ii) Developer shall comply with all of the terms and conditions of each Franchise Agreement including, without limitation, the operating requirements specified in each Franchise Agreement. However, Developer will not be required to attend an initial franchisee training course conducted at a Franchisor designated location in connection with the second or any subsequent Franchised Restaurant.

(iii) Developer shall at all times preserve in confidence any and all materials and information furnished or disclosed to Developer by Franchisor, and Developer shall disclose such information or materials only to such of its employees or agents who must have access to it in connection with their employment. All such employees or agents of Developer who must have access to such information or materials shall be required to execute nondisclosure agreements in the form acceptable to Franchisor. Developer shall not at any time, without Franchisor's prior written consent, copy, duplicate, record or otherwise reproduce such materials or information, in whole or in part, nor otherwise make the same available to any unauthorized person.

(iv) Developer shall comply with all requirements of federal, state and local laws, rules and regulations.

(v) Developer shall return to Franchisor all manuals and other confidential information more fully described in Article 6 of this Agreement that it receives from Franchisor in the course of operating the PANCHEROS Franchised Restaurant when Developer leaves the PANCHEROS System.

(b) Should Developer at some time in the future desire to make either a public or a private offering of its securities, prior to such offering and sale, and prior to the public release of any statements, data or other information of any kind relating to the proposed offering of Developer's securities, Developer shall secure the written approval of Franchisor, which approval shall not be unreasonably withheld. Developer shall secure Franchisor's prior written approval of any and all press releases, news releases and

any and all other publicity, the primary purpose of which is in the public interest in its offering. Only to the extent that written approval has been given by Franchisor may Developer proceed to file, publish, issue and release and make public any data, material or information regarding its securities offering or the Franchised Restaurants. It is specifically understood that any review by Franchisor is solely for its own information, and its approval shall not constitute any kind of authorization, acceptance, agreement, endorsement, approval or ratification of the same, either express or implied; and Developer shall make no oral or written notice of any kind whatsoever indicating or implying that Franchisor and/or related corporations or persons have any interest in or relationship whatsoever to the proposed offering other than acting as Franchisor. Developer agrees to indemnify and hold harmless Franchisor and its subsidiaries, and their owners, directors, officers, employees, affiliates, successors and assigns, from all claims, demands, costs, fees, charges, liabilities or expenses (including attorneys' fees) of any kind whatsoever arising from Developer's offering or information published or communicated and any actions taken with regard thereto.

(c) Developer shall attend, within eight (8) weeks after signing this Agreement, a two (2) day (excluding travel time) initial orientation session at Franchisor's corporate office or at another location Franchisor then designates. All expenses incurred by Developer in attending this session shall be the sole responsibility of Developer.

6. PROPRIETARY MARKS/CONFIDENTIALITY

(a) Notwithstanding any provision to the contrary under this Agreement, it is understood and agreed that this Agreement does not grant the Developer any right to use the Marks or to use any of Franchisor's trade secret and/or confidential information, as defined below. Further, it is understood and agreed that this Agreement does not grant the Developer and Developer does not have any right to any copyright or patent which the Franchisor now owns or may hereinafter own. Rights to the Marks, trade secrets (and/or confidential information), copyrights or patents are granted only under the Franchise Agreements to be executed by Franchisor and Developer.

(b) Developer and its owners, officers and directors, if any, acknowledge that their entire knowledge of the operation of the Franchised Restaurant, including the knowledge or know-how regarding the preparation of Menu Items, Trade Secret Food Products and other food products, and other specifications, product formulae, standards and operating procedures of a PANCHEROS Restaurant, is derived from information disclosed to Developer by Franchisor and that certain of such information is proprietary, confidential and constitutes trade secrets of Franchisor. In addition, any improvements developed by Developer pursuant to Developer's operation of any Franchised Restaurant shall constitute proprietary information of Franchisor. "**Trade Secrets**" refer to the whole or any portion of know-how, knowledge, methods, recipes, formulae, specifications, processes, procedures and/or improvements regarding the PANCHEROS Restaurant and the System that is valuable and secret in the sense that it is not generally known to competitors of Franchisor. Developer and its owners, officers and directors, if any, jointly and severally agree that during and after the term of this Agreement for so long as any Franchisor treats any such information as its trade secret, they will maintain the absolute confidentiality of all trade secret information and will not disclose, sell or use any such information in any other business or in any manner not specifically authorized or approved in advance in writing by Franchisor.

(c) Developer and its owners, officers and directors, if any, shall divulge such trade secret and confidential information only to the extent and only to such of its employees as must have access to it in order to perform obligations under this Agreement or a Franchise Agreement. Any and all information, knowledge and know-how of Franchisor including, without limitation, the Confidential Operations Manual, specifications and standards concerning the operation of PANCHEROS Franchised Restaurants and other materials and information provided to Developer by Franchisor, shall be deemed confidential for purposes of this Agreement, except information which Developer can demonstrate lawfully came to its attention prior to disclosure thereof by Franchisor (other than under an obligation of confidentiality); or which, at the time of disclosure by Franchisor to Developer, had lawfully become a part of the public domain, through

publication or communication by others; or which, after disclosure to Developer by Franchisor, lawfully becomes a part of the public domain, through publication or communication by others.

(d) Due to the special and unique nature of the trade secrets, confidential information, proprietary marks and Confidential Operations Manual of Franchisor, Developer and its owners, officers and directors, if any, hereby, jointly and severally, agree and acknowledge that Franchisor shall be entitled to immediate equitable remedies including, but not limited to, restraining orders and injunctive relief, in order to safeguard such proprietary, confidential, unique and special information of Franchisor and that money damages alone would be an insufficient remedy with which to compensate Franchisor for any breach of the terms of this Article 6 of this Agreement. Furthermore, Developer agrees that all owners, directors, shareholders, partners and employees of Developer having access to the trade secrets, confidential and proprietary information of Franchisor and any owners, officers, directors or other employees designated by Franchisor shall be required to execute confidentiality agreements acceptable to Franchisor.

(e) Developer is granted access to certain confidential information and trade secrets pertaining to the System only pursuant to an individual Franchise Agreement executed between Developer and Franchisor, and the foregoing Sections are not intended, and shall not be interpreted, to grant or entitle Developer to receive any such confidential information or trade secrets pursuant to this Agreement.

(f) Developer shall return to Franchisor all manuals and other confidential information more fully described in this Article 6 that it receives from Franchisor in the course of operating the PANCHEROS Franchised Restaurant when Developer leaves the PANCHEROS System.

7. **DEFAULT AND TERMINATION**

(a) The options and territorial exclusivity granted to Developer in this Agreement have been granted in reliance on Developer's representations and warranties, and strictly on the conditions set forth in this Agreement including, without limitation, the condition that Developer comply strictly with the Development Schedule.

(b) Developer shall be deemed in default under this Agreement, and all rights granted herein to Developer shall automatically terminate without notice: (i) If Developer shall be adjudicated bankrupt, becomes insolvent, commits any affirmative action of insolvency or files any action or petition of insolvency, or if a receiver (permanent or temporary) of its property or any part thereof is appointed by a court of competent authority or if it makes a general assignment for the benefit of its creditors; (ii) if a final judgment remains unsatisfied of record for thirty (30) days or longer (unless supersedeas bond is filed); (iii) if execution is levied against Developer's business or property; or (iv) if suit to foreclose any lien or mortgage against Developer's premises or equipment is instituted against Developer and not dismissed within thirty (30) days, or is not in the process of being dismissed; provided, however, that Franchisor reserves the right to be named as trustee or receiver in any voluntary petition for bankruptcy or insolvency filed by Developer.

(c) If Developer (i) fails to exercise options and enter into Franchise Agreements with Franchisor pursuant to this Agreement for the Franchised Restaurants within any Options Period as set forth on the Development Schedule; (ii) fails to comply with any other term or condition of this Agreement; or (iii) makes or attempts to make a transfer or assignment in violation of this Agreement or if Developer fails to comply with the terms and conditions of any individual Franchise Agreement with Franchisor or of any other agreement to which Developer and Franchisor are parties, any such event shall constitute a default under this Agreement. Upon any such default, Franchisor, in its discretion, may do any one or more of the following:

(ii) Terminate this Agreement and all rights granted hereunder to Developer without affording Developer any opportunity to cure the default effective immediately upon receipt by Developer of written notice from Franchisor;

(iii) Reduce the number of Franchised Restaurants, without any reduction of the Development Fee, which are subject to options granted to Developer pursuant to this Agreement;

(iv) Terminate or reduce in any manner, in Franchisor's discretion, the territorial exclusivity granted Developer in Article 1 hereof; or

(v) Exercise any other rights and remedies which Franchisor may have.

(d) Upon termination of this Agreement, all remaining options granted Developer to establish Franchised Restaurants under this Agreement shall automatically be null and void. Developer shall have no right to establish or operate any PANCHEROS Franchised Restaurant for which a Franchise Agreement has not been executed by Franchisor. Franchisor shall be entitled to establish and to license others to establish, Franchised Restaurants which will operate in the Designated Territory except as may be otherwise provided under any Franchise Agreement which has been executed between Franchisor and Developer or Developer's affiliates and which has not been terminated. No default under this Agreement shall constitute a default under any Franchise Agreement between the parties hereto, except to the extent that any default under this Agreement constitutes a default under any Franchise Agreement in accordance with the terms of the Franchise Agreement. Notwithstanding the above, the terms and conditions of each Franchise Agreement must be complied with by the franchisee thereunder and shall control in determining whether any default exists under such Franchise Agreement.

(e) No right or remedy herein conferred upon or reserved to Franchisor is exclusive of any other right or remedy provided or permitted by law or equity.

8. TRANSFERABILITY

(a) This Agreement and all rights hereunder can be assigned and transferred by Franchisor and, if so, shall be binding upon and inure to the benefit of Franchisor's successors and assigns. Specifically and without limitation to the foregoing, Developer expressly agrees that Franchisor may sell its assets, Marks or System outright to a third party; may make a public offering of securities; may engage in a private placement of some or all of its securities; may merge or acquire other corporations or entities or be acquired by another corporation or other entity; may undertake a refinancing, recapitalization, leveraged buyout or other economic or financial restructuring; and, with regard to any or all of the above sales, assignments and dispositions, Developer expressly and specifically waives any claims, demands or damages arising from or related to the loss of said Marks (or any variation thereof) and/or the loss of association with or identification of Panchero's Franchise Corporation as the franchisor hereunder. Nothing contained in this Agreement shall require Franchisor to remain in the business in the event that Franchisor exercises its rights hereunder to assign its rights in this Agreement.

(b) Developer understands and acknowledges that the rights and duties set forth in this Agreement are personal to Developer and are granted in reliance upon the personal qualifications of Developer. Developer has represented and hereby represents to Franchisor that Developer is entering into this Agreement with the intention of complying with its terms and conditions and not for the purpose of resale of the developmental or option rights hereunder.

(c) Neither Developer nor any partner or shareholder thereof shall, without Franchisor's prior written consent, directly or indirectly sell, assign, transfer, convey, give away, pledge, mortgage or otherwise encumber any interest in this Agreement or in Developer. Any such proposed assignment occurring by operation of law or otherwise, including any assignment by or to any trustee in bankruptcy, without Franchisor's prior written consent, shall be a material default of this Agreement.

(d) Neither Developer, nor any partner (if Developer is a partnership) or shareholder (if Developer is a corporation) of Developer, without Franchisor's prior written consent, by operation of law or otherwise, shall sell, assign, transfer, convey, give away or encumber to any person, firm or corporation, all or any part of its interest in this Agreement or its interest in the rights granted hereby or its interest in

any proprietorship, partnership, corporation or other entity which owns any interest in such rights, nor offer, permit or suffer the same to be sold, assigned, transferred, conveyed, given away or encumbered in any way to any person, firm or corporation. Developer may not, without the prior written consent of Franchisor, fractionalize any of the rights of Developer granted pursuant to this Agreement. Any purported transfer or assignment of any of Developer's or any of its partner's or shareholder's rights herein not having the aforesaid consent shall be null and void and shall constitute a material default hereunder. Subject to Section 8(e) of this Agreement, Franchisor shall not unreasonably withhold its approval of an assignment or transfer, to proposed assignees or transferees a long as:

(i) Developer and its Owners, directors and officers are in full compliance with this Agreement (including its development obligations) and any other agreements to which Developer and Franchisor are parties; without limiting the generality of the foregoing, Developer acknowledges and agrees that consent will not be granted if Developer is in default of any of its obligations hereunder, including its development obligations;

(ii) Developer and its Owners and affiliates pay all sums owed to Franchisor and Franchisor's affiliates before such transfer or assignment;

(iii) Transferee's or assignee's Owners are of good moral character and have sufficient business experience, aptitude and financial resources, otherwise meet Franchisor's then applicable standards for developers, and are willing to assume all obligations of Developer hereunder and to execute and be bound by all provisions of the Franchisor's then-current form of the Area Development Agreement for a term equal to the remaining term hereof;

(iv) Developer, assignee, or transferee to pay to Franchisor its then-current assignment fee, which is a minimum of \$10,000;

(v) Developer and its Owners and guarantors execute a general release of Franchisor and its owners, directors, officers, successors and assigns, in form and content satisfactory to Franchisor;

(vi) Developer has opened and is currently operating at least one Franchised Restaurant pursuant to the terms of this Agreement;

(vii) This Agreement is being assigned or transferred without any change to the Development Territory, the Development Schedule, or any other obligation of Developer under this Agreement; and

(viii) If required by Franchisor, transferee or assignee execute Franchisor's then-current form of Area Development Agreement, whose Development Territory and Development Schedule will be completed to reflect the same terms as those under this Agreement.

(e) This Agreement may be assigned to a partnership or business entity (such as a corporation or limited liability company) which conducts no business other than the business contemplated hereunder, which is actively managed by Developer and in which Developer owns and controls, and continues to own throughout the term of this Agreement, not less than fifty-one percent (51%) of the general partnership interest or fifty-one percent (51%) of the equity and/or voting power of the business entity, provided that all partners or owners shall execute an assignment agreement in a form approved by Franchisor undertaking to be bound jointly and severally by all provisions of this Agreement, all governing documents shall incorporate reference to this Agreement, and all certificates evidencing an ownership interest in the business entity shall bear a legend reflecting or referring to the restrictions of this Agreement as designated by Franchisor.

(f) If Developer or its owners shall at any time determine to sell the rights under this Agreement or any of their respective ownership interests in Developer or any of Developer's assets (except in the ordinary course of business), Developer or its owners shall obtain a bona fide, executed written offer from a responsible and fully disclosed purchaser and shall submit an exact copy of such offer to Franchisor, which shall, for a period of thirty (30) days from the date of delivery of such offer, have the right, exercisable

by written notice to Developer or its owners, to purchase such rights under this Agreement or such ownership interests for the price and on the terms and conditions contained in such offer, provided that Franchisor may substitute cash for any form of payment proposed in such offer and that Franchisor shall have not less than sixty (60) days to prepare for closing. If Franchisor does not exercise this right of first refusal, Developer or its owners, as applicable, may complete the sale of such interest in this Agreement or such ownership interest, subject to Franchisor's approval of the purchaser as provided in this Article 8, provided that if such sale is not completed within ninety (90) days after delivery of such offer to Franchisor, Franchisor shall again have the right of first refusal provided herein.

(g) Developer must give Franchisor ninety (90) days written notice prior to any sale or assignment of a full or partial interest in Developer by Developer or any of its owners. The purpose of this paragraph is to enable Franchisor to comply with any applicable state or federal franchise disclosure laws. Developer agrees to indemnify and hold harmless Franchisor for Developer's failure to comply with this Section.

(h) Developer must promptly ("promptly" herein defined as within thirty (30) days of receipt of an offer to buy) give Franchisor written notice whenever Developer or any of its owners have received an offer to buy Developer's or such owner's interest in this Agreement or an interest in Developer itself or any options pursuant to this Agreement. Developer must also give Franchisor written notice simultaneously with an offer to sell any interest in this Agreement or an interest in Developer itself or any options pursuant to this Agreement, made by, for or on behalf of Developer or any of its owners. The purpose of this Section 8(h) is to enable Franchisor to comply with any applicable state or federal franchise disclosure laws or rules. Developer agrees to indemnify and hold harmless Franchisor for Developer's failure to comply with this Section 8(h).

(i) No sale, assignment, transfer, conveyance, encumbrance or gift of any interest in this Agreement or in the options granted thereby, shall relieve Developer and the shareholders or partners participating in any transfer, of the obligations of the covenants not to compete with Franchisor contained in this Agreement except where Franchisor shall expressly authorize in writing.

9. COVENANTS

(a) Unless otherwise specified, the term "Developer" as used in this Article 9 shall include, collectively and individually, Developer as defined in Article 18.

(b) Developer covenants that during the term of this Agreement and any renewals thereof, except as otherwise approved in writing by Franchisor, Developer (if Developer is an individual), a shareholder of Developer (if Developer is a corporation) or a general partner of Developer (if Developer is a partnership) or Developer's full-time manager approved by Franchisor shall devote full-time energy and best efforts to the management and operation of the restaurants to be franchised in accordance with the rights and options granted pursuant to this Agreement.

(c) Developer, as defined in Section 9(a) covenants that during the term of this Agreement, except as otherwise approved in writing by Franchisor, shall not, either directly or indirectly, for itself, or through, on behalf of or in conjunction with any person, persons, partnership or corporation:

(i) Divert or attempt to divert any business or customers of any of the Franchised Restaurants to any competitor, by direct or indirect inducement or otherwise, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with any of Franchisor's Marks or the System.

(ii) Employ or seek to employ any person who is at that time employed by Franchisor or by any franchisee of Franchisor, or otherwise directly or indirectly induce or seek to induce such person to leave his or her employment.

(iii) Own, maintain, engage in or have any interest in any business (including any business operated by Developer prior to entry into this Agreement) specializing in whole or in part, in dispensing, promoting or selling prepared food products, or any other business which sells or offers to sell prepared food products or services, the same as or similar to those sold in the System.

(d) Developer specifically acknowledges that, pursuant to this Agreement, Developer will receive valuable training and confidential information including, without limitation, information regarding the promotional, operational, sales and marketing methods and techniques of Franchisor and the System. Accordingly, Developer covenants that, except as otherwise approved in writing by Franchisor, Developer shall not, for a period of two (2) years after the expiration or termination of this Agreement, regardless of the cause of termination, either directly or indirectly, for himself, or through, on behalf of or in conjunction with any person, persons, partnership or corporation, own, maintain, engage in, consult with or have any interest in any restaurant business or prepared food business engaged primarily in the preparation and sale of prepared food products or services, the same as or similar to the type sold in the System in any area in which there is a PANCHEROS Franchised Restaurant presently operating and in any area in which Franchisor has initiated efforts to establish a PANCHEROS Franchised Restaurant. Developer also covenants not to hire Franchisor's or Affiliate's employees during this two (2) year period.

(e) Each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Article 9 is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an unappealed final decision to which Franchisor is a party, Developer expressly agrees to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Article 9.

(f) Developer understands and acknowledges that Franchisor shall have the right, in its sole discretion, to reduce the scope of any covenant set forth in Sections 9(c) or 9(d) of this Agreement, or any portion thereof, without Developer's consent, effective immediately upon receipt by Developer of written notice thereof and Developer agrees that it shall comply forthwith with any covenant as so modified, which shall be fully enforceable notwithstanding the provisions of Article 15 hereof.

(g) Franchisor shall have the right to require all of Developer's personnel performing managerial or supervisory functions and all personnel receiving special training from Franchisor to execute similar covenants in a form satisfactory to Franchisor.

(h) In addition to the foregoing covenants, Developer shall be bound by and comply with the covenants contained in each Franchise Agreement executed by Franchisor and Developer.

11. INDEPENDENT CONTRACTOR AND INDEMNIFICATION

(a) It is understood and agreed by the parties hereto that this Agreement does not create a fiduciary relationship between them, that nothing in this Agreement is intended to constitute either party an agent, legal representative, subsidiary, joint venturer, partner, employee or servant of the other for any purpose whatsoever. Each party to this Agreement is an independent contractor, and neither shall be responsible for the debts or liabilities incurred by the other.

(b) Developer shall hold himself out to the public to be an independent contractor operating pursuant to this Agreement. Developer agrees to take such actions as shall be necessary to that end.

(c) Developer understands and agrees that nothing in this Agreement authorizes Developer to make any contract, agreement, warranty or representation on Franchisor's behalf or to incur any debt or other obligation in Franchisor's name and that Franchisor assumes no liability for, nor shall Franchisor be deemed liable by reason of, any act or omission of Developer in Developer's conduct of any Franchised Restaurant or any claim or judgment arising therefrom. Developer shall indemnify and hold Franchisor harmless against any and all such claims directly or indirectly from, as a result of or in connection with Developer's operations hereunder or under any Franchise Agreement, as well as the costs, including attorneys' fees, of defending against them.

(d) Developer acknowledges that because complete and detailed uniformity under many varying conditions may not be possible or practical, Franchisor specifically reserves the right and privilege, at its sole discretion and as it may deem in the best interests of all concerned in any specific instance, to vary standards for any developer based upon the peculiarities of the particular location or circumstance, business potential, population of trade area, existing business practices or any other condition which Franchisor deems to be of importance to the successful operation of such Developer's business under any Franchise Agreement. Developer shall not be entitled to require Franchisor to disclose or grant to Developer a like or similar variation hereunder to that which may be accorded to any other developer.

12. APPROVALS

(a) Whenever this Agreement requires the prior approval or consent of Franchisor, Developer shall make a timely written request to Franchisor therefor, and, except as otherwise provided herein, any approval or consent granted shall be effective only if in writing.

(b) Franchisor makes no warranties or guarantees upon which Developer may rely and assumes no liability or obligation to Developer or any third party to which it would not otherwise be subject, by providing any waiver, approval, advice, consent or services to Developer in connection with this Agreement or by reason of any neglect, delay or denial of any request therefor.

13. NON-WAIVER

No failure of Franchisor to exercise any power reserved to it in this Agreement or to insist upon compliance by Developer with any obligation or condition in this Agreement, and no custom or practice of the parties at variance with the terms hereof, shall constitute a waiver of Franchisor's rights to demand exact compliance with the terms of this Agreement. Waiver by Franchisor of any particular default shall not affect or impair Franchisor's right in respect to any subsequent default of the same or of a different nature, nor shall any delay, forbearance or omission of Franchisor to exercise any power or right arising out of any breach or default by Developer of any of the terms, provisions or covenants of this Agreement, affect or impair Franchisor's rights, nor shall the same constitute a waiver by Franchisor of any rights hereunder or rights to declare any subsequent breach or default.

14. SEVERABILITY AND CONSTRUCTION

- (a) Each provision of this Agreement shall be deemed severable from the others.
- (b) Nothing in this Agreement shall confer upon any person or legal entity other than Franchisor or Developer and such of their respective successors and assigns as may be contemplated by Section 8 hereof, any rights or remedies under or by reason of this Agreement.
- (c) All captions in this Agreement are intended solely for the convenience of the parties and none shall be deemed to affect the meaning or construction of any provision hereof.
- (d) All references herein to gender and number shall be construed to include such other gender and number as the context may require and all acknowledgments, promises, covenants, agreements and obligations herein made or undertaken by Developer shall be deemed jointly and severally undertaken by all the parties hereto which execute this Agreement on behalf of Developer.
- (e) This Agreement may be executed in duplicate, and each copy so executed shall be deemed an original. This Agreement may also be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one agreement. A signed copy of this Agreement transmitted by facsimile, email or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original executed copy of this Agreement. You agree that the electronic signatures or digital signatures (each an “**e-Signature**”) of any party to this Agreement shall have the same force and effect as manual signatures of such party and such e-Signature shall not be denied legal effect or enforceability solely because it is in electronic form or an electronic record was used in its formation. You agree that an e-Signature of either party is intended to: (i) authenticate the signature, (ii) represent the party’s intent to sign, and (iii) constitute a record established and maintained in the ordinary course of business and an original written record when printed from electronic files. You agree not to contest the admissibility or enforceability of either party’s e-Signature.
- (f) The parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement will be construed as if drafted jointly by the parties, and no presumption or burden of proof will arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

15. ENTIRE AGREEMENT

This Agreement constitutes the entire, full and complete agreement between Franchisor and Developer, and there are no other oral or written understandings (except for representations contained in our franchise disclosure document) or agreements between Franchisor and Developer relating to the subject matter of this Agreement. Nothing in this Agreement will require Developer to waive reliance on representations made in the franchise disclosure document that Franchisor delivered to Developer in connection with this offering. No amendment, change or variance from this Agreement shall be binding on either party unless mutually agreed to by the parties and executed by themselves or their authorized officers or agents in writing.

16. SUPERIORITY OF FRANCHISE AGREEMENT

For each PANCHEROS individual Franchised Restaurant developed in the Designated Territory, a separate Franchise Agreement shall be executed and any individual franchise fee as prescribed by Franchisor shall be paid to Franchisor. It is understood and agreed by Developer that any and all Franchise Agreements executed in connection with PANCHEROS individual Franchised Restaurants within the Designated Territory are independent of this Agreement. The continued existence of any such Franchise Agreement shall not depend on the continuing existence of this Agreement. If any conflict shall arise in connection with this Agreement and any Franchise Agreement executed within the Designated Territory, the latter shall have precedence and superiority over the former.

17. **APPLICABLE LAW**

(a) This Agreement takes effect upon its acceptance and execution by Franchisor. This Agreement shall be interpreted and construed under the laws of the State of Iowa, which laws shall prevail in the event of any conflict of law, except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15, U.S.C. sections 1051 et seq).

(b) Developer agrees that any action sought to be brought by either party shall be brought and maintained exclusively in a state or federal court in the county in which Franchisor maintains its principal place of business at the time the action is initiated, and the parties hereby waive all questions of personal jurisdiction or venue for purposes of carrying out this provision. Notwithstanding the foregoing, Franchisor may bring an action for injunctive relief in any court having jurisdiction to enforce its trademark or proprietary rights, the covenants not to compete, the restriction of disclosure of Confidential Information, and/or to enforce compliance with Developer's post-termination obligations under Article 7. The parties, including the owners of Developer, hereby waive all questions of personal jurisdiction for the purpose of carrying out this provision and agree that service of process may be made upon any of them in any proceeding arising out of or relating to this Agreement, the breach of this Agreement, or the relationship created hereby by any means allowed by Iowa or federal law.

(c) No right or remedy conferred upon or reserved to Franchisor or Developer by this Agreement is intended to be, nor shall be deemed, exclusive of any other right or remedy herein or by law or equity provided or permitted, but each shall be cumulative of every other right or remedy.

(d) WAIVER OF JURY TRIAL. FRANCHISOR AND DEVELOPER HEREBY AGREE THAT THEY SHALL AND HEREBY DO WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR AT EQUITY, BROUGHT BY EITHER OF THEM, OR IN ANY MATTER WHATSOEVER WHICH ARISES OUT OF OR IS CONNECTED IN ANY WAY WITH THIS AGREEMENT OR ITS PERFORMANCE.

(e) WAIVER OF PUNITIVE DAMAGES. THE PARTIES HEREBY WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT TO OR CLAIM OF ANY PUNITIVE OR EXEMPLARY DAMAGES AGAINST THE OTHER AND AGREE THAT IN THE EVENT OF A DISPUTE BETWEEN THEM EACH SHALL BE LIMITED TO THE RECOVERY OF ANY ACTUAL DAMAGES SUSTAINED BY IT.

(f) No legal action or proceeding may be brought against Franchisor or its officers, directors, agents, or employees, for any claim or cause of action (whether sounding in contract, tort, or otherwise) unless such action or proceeding is instituted within two (2) years and one day from the date the claim or cause of action accrued. This provision is intended to shorten any applicable statute of limitations to the extent permitted by law.

18. **“DEVELOPER” DEFINED AND GUARANTY**

As used in this Agreement, the term “Developer” shall include all persons who succeed to the interest of the original Developer by permitted transfer or operation of law and shall be deemed to include

not only the individual or entity defined as “Developer” in the introductory Section of this Agreement, but shall also include all partners of the entity that executes this Agreement, in the event said entity is a partnership and all shareholders, officers and directors of the entity that executes this Agreement, in the event said entity is a corporation. By their signatures hereto, all partners, shareholders, officers and directors of the entity that signs this Agreement as Developer acknowledges and accepts the duties and obligations imposed upon each of them, individually, by the terms of this Agreement. All Owners, officers, directors, and Managers of the entity that executes this Agreement, in the event said entity is a legal entity, will execute the Guaranty and Assumption of Obligations (“Guaranty”) attached hereto as Exhibit C and made a part hereof. If any Owner of Developer is not an individual, the Owner entity, as well as each of its Owners, officers, directors, and Managers will execute the Guaranty. As it is the intent of the parties that individual persons execute the Guaranty, Developer agrees to cause the Owners, officers, directors, and Managers of each and every entity in its chain of ownership to execute the Guaranty. The term “Owners” as used in this Section means each individual or entity holding a beneficial ownership interest in the applicable entity. It includes all voting and nonvoting shareholders of a corporation, all members of a limited liability company, all general and limited partners of a limited partnership, and the grantor and the trustee of a trust. The term “Managers” as used in this Section means any Manager appointed as such in connection with a limited liability company, regardless of whether or not the Manager is an Owner of the limited liability company.

19. CAVEAT

THE SUCCESS OF THE BUSINESS VENTURE CONTEMPLATED TO BE UNDERTAKEN BY DEVELOPER BY VIRTUE OF THIS AGREEMENT IS SPECULATIVE AND DEPENDS, TO A LARGE EXTENT, UPON THE ABILITY OF DEVELOPER AS AN INDEPENDENT BUSINESSPERSON, AND HIS/HER ACTIVE PARTICIPATION IN THE DAILY AFFAIRS OF THE BUSINESS AS WELL AS OTHER FACTORS. FRANCHISOR DOES NOT MAKE ANY REPRESENTATION OR WARRANTY EXPRESS OR IMPLIED AS TO THE POTENTIAL SUCCESS OF THE BUSINESS VENTURE CONTEMPLATED HEREBY.

20. ACKNOWLEDGMENTS

(a) Developer represents and acknowledges that it has received, read and understood this Agreement and Franchisor's franchise disclosure document; and that Franchisor has fully and adequately explained the provisions of each to Developer's satisfaction; and that Franchisor has accorded Developer ample time and opportunity to consult with advisors of its own choosing about the potential benefits and risks of entering into this Agreement.

(b) Developer has been advised to consult with its own advisors with respect to the legal, financial and other aspects of this Agreement, the business franchised hereby and the prospects for that business. Developer has either consulted with such advisors or has deliberately declined to do so.

(c) The covenants not to compete set forth in this Agreement are fair and reasonable and will not impose any undue hardship on Developer, since Developer has other considerable skills, experience and education which afford Developer the opportunity to derive income from other endeavors.

(d) Developer affirms that all information set forth in any and all applications, financial statements and submissions to Franchisor is true, complete and accurate in all respects, with Developer expressly acknowledging that Franchisor is relying upon the truthfulness, completeness and accuracy of such information.

(e) Developer has conducted an independent investigation of the business contemplated by this Agreement and recognizes that, like any other business, an investment in a PANCHEROS Franchised Restaurant involves business risks and that the success of the venture is primarily dependent upon the business abilities and efforts of Developer.

(f) Developer further acknowledges that Franchisor makes no representation: (i) that Developer's Development Area contains a sufficient number of acceptable locations to meet the number of Franchised Restaurants to be developed under the Development Schedule; or (ii) that Developer's Development Area is sufficient to economically support the number of Franchised Restaurants to be developed under the Development Schedule. Developer acknowledges that Developer has performed all related and necessary due diligence before your execution of this Agreement and that, accordingly, Developer assumes the risk of identifying a sufficient number of acceptable locations within the Development Area, and the economic risk of developing the agreed-upon number of Franchised Restaurants within the Development Area.

(g) Developer understands and acknowledges that all representations of fact contained herein are made solely by Franchisor. All documents, including Developer's Area Development Agreement and franchise disclosure document and all exhibits thereto, have been prepared solely in reliance upon representations made and information provided by Franchisor, its officers and its directors.

IN WITNESS WHEREOF, the parties hereto have duly executed, sealed and delivered this Agreement in duplicate on the day and year first above written.

In consideration of, and as an inducement to, the execution of that certain Area Development Agreement of even date herewith (“Agreement”) by PANCHERO'S FRANCHISE CORPORATION (“Franchisor”), each of the undersigned hereby personally and unconditionally (1) guarantees to Franchisor, and its successors and assigns, for the term of the Agreement (including extensions) and thereafter as provided in the Agreement, that _____ (“Developer”) shall punctually pay and perform each and every undertaking, agreement and covenant set forth in the Agreement (including any amendments or modifications of the Agreement); and (2) shall personally be bound by and personally liable for the breach of each and every provision in the Agreement (including any amendments or modifications of the Agreement), both monetary obligations and obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities including, without limitation, the non-competition, confidentiality, and transfer requirements.

Each of the undersigned waives: (1) acceptance and notice of acceptance by Franchisor of the foregoing undertakings; (2) notice of demand for payment of any indebtedness or non-performance of any obligations hereby guaranteed; (3) protest and notice of default to any party with respect to the indebtedness or non-performance of any obligations hereby guaranteed; (4) any right he may have to require that an action be brought against Developer or any other person as a condition of liability; (5) all rights to payments and claims for reimbursement or subrogation which any of the undersigned may have against Developer arising as a result of the undersigned's execution of and performance under this Guaranty; and (6) any and all other notices and legal or equitable defenses to which he may be entitled.

A signed copy of this Guaranty transmitted by facsimile, email or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original executed copy of this Guaranty. You agree that the electronic signatures or digital signatures (each an “**e-Signature**”) of any party to this Guaranty shall have the same force and effect as manual signatures of such party and such e-Signature shall not be denied legal effect or enforceability solely because it is in electronic form or an electronic record was used in its formation. Report On The Audit Of The Financial Statements

Opinion

We have audited the financial statements of Panchemo's Franchise Corporation (the Company), which comprise the balance sheets as of December 31, 2024 and 2023, the related statements of income, retained earnings and cash flows for the years then ended and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2024 and 2023, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Basis For Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities For The Audit Of The Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities Of Management For The Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities For The Audit Of The Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

PANCHERO'S FRANCHISE CORPORATION

NOTES TO FINANCIAL STATEMENTS

1. Nature Of Business And Significant Accounting Policies

Panchero's Franchise Corporation (Panchero's or the Company) was formed as a franchisor for the purpose of developing and selling national franchises of Panchero's Mexican Grill. The Company is primarily engaged in the marketing and selling of franchise license agreements and marketing and support services to existing franchises.

A summary of the Company's significant accounting policies follows:

Use Of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities and the reported amounts of revenue and expenses. Actual results could differ from those estimates.

The Company's most significant estimate relates to the determination of estimated breakage revenue on gift card balances. Due to inherent uncertainties in estimating gift card usage by customers, it is reasonably possible that the estimates will change in the near term.

Cash

The Company places its cash with high credit quality financial institutions. At times, such amounts may be in excess of the Federal Deposit Insurance Corporation insurance limits.

Accounts Receivable

Accounts receivable are primarily derived from weekly billings for royalties and advertising fees from franchisees, amounts to be deposited by third-party vendors for rebates earned and amounts to be deposited by third-party service providers for gift cards purchased by customers. At each balance sheet date, the Company recognizes an expected allowance for credit losses. In addition, also at each reporting date, this estimate is updated to reflect any changes in credit risk since the receivable was initially recorded. This estimate is calculated on a pooled basis where similar risk characteristics exist. Accounts receivable are evaluated individually when they do not share similar risks.

The allowance estimate is derived from a review of the Company's historical losses based on the aging of accounts receivable. This estimate is adjusted for management's assessment of current conditions, reasonable and supportable forecasts regarding future events and any other factors deemed relevant by the Company. The Company believes historical loss information is a reasonable starting point in which to calculate the expected allowance for credit losses as the Company's portfolio segment has remained constant since the Company's inception. As economic statistics change, the Company anticipates changes in the expected credit losses from those that have been incurred in the past. As a result, management modified those factors in its allowance for credit losses. The Company has determined that no allowance is required as of December 31, 2024 and 2023.

PANCHERO'S FRANCHISE CORPORATION

Notes To Financial Statements (*Continued*)

The Company writes off receivables when there is information that indicates the debtor is facing significant financial difficulty and there is no possibility of recovery. If any recoveries are made from any accounts previously written off, they will be recognized as an offset to credit loss expense in the year of recovery.

Accounts receivable totaled \$483,624, \$407,584 and \$443,256 at December 31, 2024, 2023 and 2022, respectively. Of these amounts \$196,798, \$173,894 and \$185,133 related to gift card deposits not yet received at December 31, 2024, 2023 and 2022, respectively.

Property And Equipment

Property and equipment are carried at cost, less accumulated depreciation and amortization. Major expenditures for improvements and those which substantially increase useful lives are capitalized. Maintenance, repairs and minor renewals are expensed as incurred. When assets are retired or otherwise disposed of, their costs and related accumulated depreciation or amortization are removed from the accounts and the resulting gains or losses are included in income.

Property and equipment are depreciated or amortized using the straight-line method over the assets' estimated useful lives or the life of the lease, if shorter. For any lease agreements between entities under common control, the Company depreciates leasehold improvements that it owns over the leasehold improvements' useful life to the common control group, regardless of lease term. The unamortized balance of leasehold improvements as of December 31, 2024 and 2023 was \$134,454 and \$148,385, respectively. The remaining useful life ranged from 9 to 36 years. The remaining term of the lease is 9 years.

Leases

The Company determines if an arrangement is a lease at inception by considering whether a contract explicitly or implicitly identifies assets deployed in the arrangement and whether the Company has obtained substantially all of the economic benefits from the use of the underlying assets and directs how and for what purpose the assets are used during the term of the contract.

The Company made the following policy elections related to ongoing lease accounting:

- The Company excluded leases with original terms of 12 months or less from lease assets and lease liabilities;
- The Company elected to account for lease and nonlease components separately. Only lease components are included in the lease payment determination and
- For any lease agreements that do not contain an implicit interest rate, the Company elected to use the risk-free rate in lieu of determining an incremental borrowing rate appropriate for the lease term to determine the present value of lease payments.

PANCHERO'S FRANCHISE CORPORATION

Notes To Financial Statements (*Continued*)

Operating lease assets represent the Company's right to use an underlying asset for the lease term and operating lease liabilities represent the Company's obligation to make lease payments arising from the lease. Operating lease assets and liabilities are recognized at the commencement date based on the present value of lease payments over the lease term. As the lease agreements typically do not provide an implicit rate, the Company uses the risk-free rate at the lease commencement date in determining the present value of lease payments. Certain of the Company's lease agreements include options to extend or terminate the lease. The lease term takes into account these options to extend or terminate the lease when it is reasonably certain that the Company will exercise that option.

Operating leases are included in operating lease asset, current maturities of operating lease liability and long-term operating lease liability on the balance sheets. Lease expense is included in general and administrative expenses on the statements of income and is recognized on the straight-line basis over the lease term. Information regarding the Company's operating leases can be found in Note 3.

Equipment under finance lease is capitalized and amortized over the lesser of the useful life of the asset or the term of the lease agreement. This equipment is reflected within property and equipment on the balance sheets. Future finance lease payments are recorded at their present value and reflected within current maturities of finance lease liability due in the next 12 months and presented as long-term finance lease liability for obligations due thereafter. Information regarding the Company's finance leases can be found in Note 6.

Investments

Investments in marketable equity securities are classified as available for sale and carried at fair value as determined by quotations on publicly traded markets. Investment income includes interest and dividend income and realized and unrealized gains and losses and is included in other income on the statements of income.

Gift Card Liability

When a franchisee sells a gift card to a customer, the cash received is remitted to the Company. When a franchisee's customer uses the gift card at any location, the Company reimburses the franchise store where the gift card was used. Gift cards do not carry an expiration date; however, gift cards are generally redeemed within 12 months. A certain number of gift cards will not be fully redeemed, referred to as breakage. Management estimates unredeemed balances and recognizes breakage from these amounts within sales on the statements of income. For the years ended December 31, 2024 and 2023, the Company recognized breakage revenue of \$152,084 and \$41,925, respectively. The gift card liability balance is a function of gift cards for which the gift card has been issued and cash received by the Company, but for which reimbursement has not been provided by the Company to the franchise store in which the gift card was redeemed, less estimated breakage.

PANCHERO'S FRANCHISE CORPORATION

Notes To Financial Statements (*Continued*)

Common Stock

The Company is authorized to issue 100,000 shares of no-par value common stock and 100,000 shares of Class A no-par value, non-voting preferred stock. As of December 31, 2024 and 2023, there were 18,302 shares of common stock issued and outstanding and no shares of Class A preferred stock issued and outstanding.

Revenue Recognition

The Company licenses intellectual property and trademarks to franchisees through franchise agreements. These franchise agreements also provide for training and consulting provided by the Company. As part of the franchise agreements, the Company receives an upfront payment from the franchisee, which the Company recognizes on a straight-line basis over the term of the franchise agreement, which is generally 10 years. The Company records a contract liability for the unearned portion of the upfront franchise payments.

The Company also receives royalties and advertising fees from franchisees on the franchisees' respective sales. These revenues are recognized as the underlying sales occur and are received weekly.

Management fees for company-managed stores are recognized over time as the supporting services are provided based on the agreed upon price. Payment for management fees are received weekly.

The Company earns marketing rebates on Coca-Cola products sold by the franchisees. The Company allocates these rebates to the advertising fund for the benefit of franchise stores. The revenue is recognized at a point in time when the franchises purchase gallons of syrup from the supplier.

Revenue is measured based on consideration specified in a contract with a customer. The Company groups similar contracts or similar performance obligations together into portfolios of contracts as doing so does not result in a significant difference from applying the revenue standard to individual contracts.

Income Taxes

The Company accounts for income taxes under the asset and liability method whereby deferred tax assets are recognized for deductible temporary differences, operating losses and other carryforwards and deferred tax liabilities are recognized for taxable temporary differences. Temporary differences are the differences between the reported amounts of assets and liabilities and their tax bases. A valuation allowance is provided against net deferred tax assets when, in the opinion of management, it is more likely than not that some or all of the deferred tax assets will not be realized. No valuation allowance was recorded by the Company as of December 31, 2024 and 2023. Deferred tax assets and liabilities are adjusted for the effects of changes in tax laws and rates on the date of enactment. The Company's policy is to include interest and penalties relating to income taxes in income tax expense.

3. Operating Lease Commitments And Related-Party Transactions

The Company leases office space from a related party under a non-cancellable lease agreement that expires in January 2029 with a five-year renewal option that requires escalating monthly rental payments starting at \$7,815, plus the payment of common area maintenance, taxes and other fees. The exercise of lease renewal options is at the Company's sole discretion, and the Company considers these renewal options in determining the lease term used to establish the operating lease asset and liability. Commitments under the lease agreement are guaranteed by other related parties. Lease expense in relation to this related-party lease was \$96,009 for the years ended December 31, 2024 and 2023. The Company's lease agreement does not contain any material residual value guarantees or material restrictive covenants.

Notes To Financial Statements (Continued)

The Company determines that a contract contains a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. In evaluating whether the Company has the right to control the use of an identified asset, the Company assesses whether or not it has the right to control the use of the identified asset and to obtain substantially all of the economic benefit from the use of the identified asset.

4. Fair Value Measurements And Disclosures

The Company reports certain assets at fair value in the financial statements. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal, or most advantageous, market at the measurement date under current market conditions regardless of whether that price is directly observable or estimated using another valuation technique. Inputs used to determine fair value refer broadly to the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk.

Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability based on the best information available.

A three-tier hierarchy categorizes the inputs as follows:

Level 1 – Quoted prices unadjusted in active markets for identical assets or liabilities that can be accessed at the measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability and market-corroborated inputs.

Level 3 – Unobservable inputs for the asset or liability. In these situations, inputs are developed using the best information available in the circumstances.

In some cases, the inputs used to measure the fair value of an asset or a liability might be categorized within different levels of the fair value hierarchy. In those cases, the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. Assessing the significance of a particular input to the entire measurement requires judgment, taking into account factors specific to the asset or liability. The categorization of an asset or liability within the hierarchy is based upon the pricing transparency of the asset or liability and does not necessarily correspond to management's assessment of the quality, risk or liquidity profile of the asset or liability.

The Company's investments are open-ended mutual funds with readily determinable fair values based on daily redemption values and are categorized as Level 1 investments.

Notes To Financial Statements (Continued)

The following table presents the Company's investments at cost basis and fair market value as of December 31:

	2024		2023	
	Cost	Fair Value	Cost	Fair Value
Mutual funds	\$ 574,957	\$ 1,250,934	\$ 559,507	\$ 1,000,991

The Company's investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such a change could materially affect the amounts reported on the balance sheet and unrealized gain or loss on investments in the statements of income.

5. Long-Term Debt

Long-term debt consists of:

7. Revenue Recognition

Disaggregation Of Revenue

Revenue is disaggregated by the timing of the satisfaction of performance obligations as follows:

	<u>2024</u>	<u>2023</u>
Performance obligations satisfied over time	\$ 9,744,210	\$ 7,525,476
Performance obligations satisfied at a point in time	449,898	283,395

Contract Liabilities

Contract liabilities consist of:

	<u>December 31, 2024</u>	<u>December 31, 2023</u>	<u>December 31, 2022</u>
Contract liabilities	\$ 455,256	\$ 503,111	\$ 457,068

8. Income Taxes

The federal and state income tax expense is summarized as follows for the years ended:

	<u>2024</u>	<u>2023</u>
Current	\$ 235,182	\$ 274,548
Deferred	80,500	28,400
	<u>\$ 315,682</u>	<u>\$ 302,948</u>

Deferred income taxes reflect the net tax effects of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for income tax purposes. The major temporary differences that give rise to the deferred tax assets and liabilities are depreciation and amortization of property and equipment, unrealized gains and losses on investments, contract liabilities and prepaid commissions.

PANCHERO'S FRANCHISE CORPORATION

Notes To Financial Statements (Continued)

The deferred tax assets and liabilities consist of:

	2024	2023
Deferred tax assets	\$ 137,200	\$ 151,100
Deferred tax liabilities	(270,800)	(203,200)
	<u>\$ (133,600)</u>	<u>\$ (52,100)</u>

The Company files income tax returns in the U.S. federal jurisdiction and various state jurisdictions. With few exceptions, the Company is no longer subject to U.S. federal, state and local income tax examinations by tax authorities for years before 2021. Management has determined that the Company does not have any uncertain tax positions and associated unrecognized benefits that materially impact the financial statements or related disclosures.

9. Contingencies

The Company is subject to various claims and legal proceedings covering a wide range of matters that arise in the ordinary course of its business activities. Management believes that any liability that may result from the resolution of these matters will not have a material adverse effect on the financial condition or results of operations of the Company.

Panchero's Franchise Corporation

Report On The Audit Of The Financial Statements

Opinion

We have audited the financial statements of Panchero's Franchise Corporation (the Company), which comprise the balance sheets as of December 31, 2023 and 2022, the related statements of income, retained earnings and cash flows for the years then ended and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Basis For Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities For The Audit Of The Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities Of Management For The Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities For The Audit Of The Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

PANCHERO'S FRANCHISE CORPORATION

NOTES TO FINANCIAL STATEMENTS

1. Nature Of Business And Significant Accounting Policies

Panchero's Franchise Corporation (Panchero's or the Company) was formed as a franchisor for the purpose of developing and selling national franchises of Panchero's Mexican Grill. The Company is primarily engaged in the marketing and selling of franchise license agreements and marketing and support services to existing franchises.

A summary of the Company's significant accounting policies follows:

Use Of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities and the reported amounts of revenue and expenses. Actual results could differ from those estimates.

Cash

The Company places its cash with high credit quality financial institutions. At times, such amounts may be in excess of the Federal Deposit Insurance Corporation insurance limits.

Accounts Receivable

Accounts receivable are primarily derived from weekly billings for royalties and advertising fees from franchisees and amounts to be deposited by third-party service providers for gift cards purchased by customers. At each balance sheet date, the Company recognizes an expected allowance for credit losses. In addition, also at each reporting date, this estimate is updated to reflect any changes in credit risk since the receivable was initially recorded. This estimate is calculated on a pooled basis where similar risk characteristics exist. Accounts receivable are evaluated individually when they do not share similar risks.

The allowance estimate is derived from a review of the Company's historical losses based on the aging of accounts receivable. This estimate is adjusted for management's assessment of current conditions, reasonable and supportable forecasts regarding future events and any other factors deemed relevant by the Company. The Company believes historical loss information is a reasonable starting point in which to calculate the expected allowance for credit losses as the Company's portfolio segment has remained constant since the Company's inception. However, due to economic statistic changes, the Company is anticipating changes in the expected credit losses than those that have been incurred in the past. As a result, management modified those factors in its allowance for credit losses. The Company has determined that no allowance is required as of December 31, 2023 and 2022.

PANCHERO'S FRANCHISE CORPORATION

Notes To Financial Statements (*Continued*)

The Company writes off receivables when there is information that indicates the debtor is facing significant financial difficulty and there is no possibility of recovery. If any recoveries are made from any accounts previously written off, they will be recognized in income or an offset to credit loss expense in the year of recovery, in accordance with the Company's accounting policy election.

Accounts receivable totaled \$407,584, \$443,256 and \$351,809 at December 31, 2023, 2022 and 2021, respectively. Of these amounts \$173,894, \$185,133 and \$170,180 related to gift card deposits not yet received at December 31, 2023, 2022 and 2021, respectively.

Property And Equipment

Property and equipment are carried at cost, less accumulated depreciation and amortization. Major expenditures for improvements and those which substantially increase useful lives are capitalized. Maintenance, repairs and minor renewals are expensed as incurred. When assets are retired or otherwise disposed of, their costs and related accumulated depreciation or amortization are removed from the accounts and the resulting gains or losses are included in income.

Property and equipment are depreciated or amortized using the straight-line method over the assets' estimated useful lives or the life of the lease, if shorter. For any lease agreements between entities under common control, the Company depreciates leasehold improvements that it owns over the leasehold improvements' useful life to the common control group, regardless of lease term. The unamortized balance of leasehold improvements as of December 31, 2023 and 2022 was \$162,315 and \$148,385, respectively. The remaining useful life ranged from 10 to 37 years. The remaining term of the lease is 10 years.

Leases

The Company determines if an arrangement is a lease at inception by considering whether a contract explicitly or implicitly identifies assets deployed in the arrangement and whether the Company has obtained substantially all of the economic benefits from the use of the underlying assets and directs how and for what purpose the assets are used during the term of the contract.

Operating lease assets represent the Company's right to use an underlying asset for the lease term and operating lease liabilities represent the Company's obligation to make lease payments arising from the lease. Operating lease assets and liabilities are recognized at the commencement date based on the present value of lease payments over the lease term. As the lease agreements typically do not provide an implicit rate, the Company uses the risk-free rate at the lease commencement date in determining the present value of lease payments. Certain of the Company's lease agreements include options to extend or terminate the lease. The lease term takes into account these options to extend or terminate the lease when it is reasonably certain that the Company will exercise that option.

PANCHERO'S FRANCHISE CORPORATION

Notes To Financial Statements (*Continued*)

The Company made the following policy elections related to ongoing lease accounting:

- The Company excluded leases with original terms of 12 months or less from lease assets and lease liabilities;
- The Company elected to account for lease and nonlease components separately. Only lease components are included in the lease payment determination and
- For any lease agreements that do not contain an implicit interest rate, the Company elected to use the risk-free rate in lieu of determining an incremental borrowing rate appropriate for the lease term to determine the present value of lease payments.

Operating leases are included in operating lease asset, current maturities of operating lease liability and long-term operating lease liability on the balance sheets. Lease expense is included in general and administrative expenses on the statements of income and is recognized on the straight-line basis over the lease term. Information regarding the Company's leases can be found in Note 3.

Investments

Investments in marketable equity securities are classified as available for sale and carried at fair value as determined by quotations on publicly traded markets. Investment income includes interest and dividend income and realized and unrealized gains and losses and is included in other income on the statements of income.

Gift Card Liability

When a franchisee sells a gift card to a customer, the cash received is remitted to the Company. When a franchisee's customer uses the gift card at any location, the Company reimburses the franchise store where the gift card was used. Gift cards do not carry an expiration date; however, gift cards are generally redeemed within 12 months. A certain number of gift cards will not be fully redeemed, referred to as breakage. Management estimates unredeemed balances and recognizes breakage from these amounts within sales on the statements of income. For the years ended December 31, 2023 and 2022, the Company recognized breakage revenue of \$41,925 and \$48,562, respectively. The gift card liability balance is a function of gift cards for which the gift card has been issued and cash received by the Company, but for which reimbursement has not been provided by the Company to the franchise store in which the gift card was redeemed, less estimated breakage.

Common Stock

The Company is authorized to issue 100,000 shares of no-par value common stock and 100,000 shares of Class A no-par value, non-voting preferred stock. As of December 31, 2023 and 2022, there were 18,302 shares of common stock issued and outstanding and no shares of Class A preferred stock issued and outstanding.

Revenue Recognition

The Company licenses intellectual property and trademarks to franchisees through franchise agreements. These franchise agreements also provide for training and consulting provided by the Company. As part of the franchise agreements, the Company receives an upfront payment from the franchisee, which the Company recognizes on a straight-line basis over the term of the franchise agreement, which is generally 10 years. The Company records a contract liability for the unearned portion of the upfront franchise payments.

The Company also receives royalties and advertising fees from franchisees on the franchisees' respective sales. These revenues are recognized as the underlying sales occur and are received weekly.

Management fees for company-managed stores are recognized over time as the supporting services are provided based on the agreed upon price. Payment for management fees are received weekly.

The Company earns marketing rebates on Coca-Cola products sold by the franchisees. The Company allocates these rebates to the advertising fund for the benefit of franchise stores. The revenue is recognized at a point in time when the franchises purchase gallons of syrup from the supplier.

Revenue is measured based on consideration specified in a contract with a customer. The Company groups similar contracts or similar performance obligations together into portfolios of contracts as doing so does not result in a significant difference from applying the revenue standard to individual contracts.

Income Taxes

The Company accounts for income taxes under the asset and liability method whereby deferred tax assets are recognized for deductible temporary differences, operating losses and other carryforwards and deferred tax liabilities are recognized for taxable temporary differences. Temporary differences are the differences between the reported amounts of assets and liabilities and their tax bases. A valuation allowance is provided against net deferred tax assets when, in the opinion of management, it is more likely than not that some or all of the deferred tax assets will not be realized. No valuation allowance was recorded by the Company as of December 31, 2023 and 2022. Deferred tax assets and liabilities are adjusted for the effects of changes in tax laws and rates on the date of enactment. The Company's policy is to include interest and penalties relating to income taxes in income tax expense.

Advertising

The Company expenses all advertising costs as incurred. Advertising expense for the years ended December 31, 2023 and 2022 was \$2,122,641 and \$1,869,636, respectively.

Subsequent Events

Management has evaluated subsequent events through March 12, 2024, the date the financial statements were available to be issued.

Recently Adopted Accounting Pronouncement

In June 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standard Codification (ASC) 326, which significantly changed how entities measure credit losses for most financial assets and certain other instruments that are not measured at fair value through net income. The most significant change in this standard is a shift from the incurred loss model to the expected loss model. Under the standard, disclosures are required to provide users of the financial statements with useful information in analyzing a company's exposure to credit risk and the measurement of credit losses. Financial assets held by the Company that are subject to the guidance in FASB ASC 326 were accounts receivable.

The Company adopted the standard effective January 1, 2023. The impact of the adoption was not considered material to the financial statements and primarily resulted in new and enhanced disclosures only.

3. Lease Commitments And Related-Party Transactions

The Company leases office space from a related party under a non-cancellable lease agreement that expires in January 2029 with a five-year renewal option that requires escalating monthly rental payments starting at \$7,815, plus the payment of common area maintenance, taxes and other fees. The exercise of lease renewal options is at the Company's sole discretion, and the Company considers these renewal options in determining the lease term used to establish the operating lease asset and liability. Commitments under the lease agreement are guaranteed by other related parties. Lease expense in relation to this related-party lease was \$96,009 for the years ended December 31, 2023 and 2022. The Company's lease agreement does not contain any material residual value guarantees or material restrictive covenants.

The Company determines that a contract contains a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. In evaluating whether the Company has the right to control the use of an identified asset, the Company assesses whether or not it has the right to control the use of the identified asset and to obtain substantially all of the economic benefit from the use of the identified asset.

4. Fair Value Measurements And Disclosures

The Company reports certain assets at fair value in the financial statements. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal, or most advantageous, market at the measurement date under current market conditions regardless of whether that price is directly observable or estimated using another valuation technique. Inputs used to determine fair value refer broadly to the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk.

Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability based on the best information available.

A three-tier hierarchy categorizes the inputs as follows:

Level 1 – Quoted prices unadjusted in active markets for identical assets or liabilities that can be accessed at the measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability and market-corroborated inputs.

Level 3 – Unobservable inputs for the asset or liability. In these situations, inputs are developed using the best information available in the circumstances.

PANCHERO'S FRANCHISE CORPORATION

Notes To Financial Statements (*Continued*)

In some cases, the inputs used to measure the fair value of an asset or a liability might be categorized within different levels of the fair value hierarchy. In those cases, the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. Assessing the significance of a particular input to the entire measurement requires judgment, taking into account factors specific to the asset or liability. The categorization of an asset or liability within the hierarchy is based upon the pricing transparency of the asset or liability and does not necessarily correspond to management's assessment of the quality, risk or liquidity profile of the asset or liability.

The Company's investments are open-ended mutual funds with readily determinable fair values based on daily redemption values and are categorized as Level 1 investments.

The following table presents the Company's investments at cost basis and fair market value as of December 31:

	2023		2022	
	Cost	Fair Value	Cost	Fair Value
Mutual funds	\$ 559,507	\$ 1,000,991	\$ 545,069	\$ 792,545

The Company's investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such a change could materially affect the amounts reported on the balance sheet and unrealized gain or loss on investments in the statements of income.

Disaggregation Of Revenue

Revenue is disaggregated by the timing of the satisfaction of performance obligations as follows:

	<u>2023</u>	<u>2022</u>
Performance obligations satisfied over time	\$ 7,525,476	\$ 6,815,431
Performance obligations satisfied at a point in time	<u>283,395</u>	<u>236,551</u>

Contract Liabilities

Contract liabilities consist of:

	<u>December 31, 2023</u>	December 31, 2022	December 31, 2021
Contract liabilities	\$ 503,111	\$ 457,068	\$ 380,735

7. Income Taxes

The federal and state income tax expense is summarized as follows for the years ended:

	<u>2023</u>	<u>2022</u>
Current	\$ 274,548	\$ 209,872
Deferred	<u>28,400</u>	<u>(66,500)</u>
	<u>\$ 302,948</u>	<u>\$ 143,372</u>

Deferred income taxes reflect the net tax effects of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for income tax purposes. The major temporary differences that give rise to the deferred tax assets and liabilities are depreciation and amortization of property and equipment, unrealized gains and losses on investments, contract liabilities and prepaid commissions.

PANCHERO'S FRANCHISE CORPORATION

Notes To Financial Statements (*Continued*)

The deferred tax assets and liabilities consist of:

	2023	2022
Deferred tax assets	\$ 151,100	\$ 137,400
Deferred tax liabilities	(203,200)	(161,100)
	\$ (52,100)	\$ (23,700)

The Company files income tax returns in the U.S. federal jurisdiction and various state jurisdictions. With few exceptions, the Company is no longer subject to U.S. federal, state and local income tax examinations by tax authorities for years before 2020. Management has determined that the Company does not have any uncertain tax positions and associated unrecognized benefits that materially impact the financial statements or related disclosures.

8. Contingencies

The Company is subject to various claims and legal proceedings covering a wide range of matters that arise in the ordinary course of its business activities. Management believes that any liability that may result from the resolution of these matters will not have a material adverse effect on the financial condition or results of operations of the Company.

This Rider is being signed because (a) Developer is a resident of Maryland and/or (b) the Franchised Restaurant(s) will be located or operated in the State of Maryland.

2. **WITNESSETH.** The following language is added at the end of Section 20.(g):

"Such representations are not intended to nor shall they act as a release, estoppel, or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law."

3. **Releases.** The following language is added to the end of Section 8.(d) of the Area Development Agreement, entitled **TRANSFERABILITY**:

" , provided, however, that the general release will not apply to claims arising under the Maryland Franchise Registration and Disclosure Law."

4. **Bankruptcy.** The following language is added to the end of Section 7.(b) of the Area Development Agreement, entitled **DEFAULT AND TERMINATION**:

"Termination upon Developer's insolvency might not be enforceable under federal bankruptcy law (11 U.S.C. Sections 101 et seq.)."

5. **Applicable Law.** Section 17.(a) and Section 17.(b) of the Area Development Agreement are supplemented with the following language:

(a) This Agreement takes effect upon its acceptance and execution by Franchisor. This Agreement shall be interpreted and construed under the laws of the State of Iowa, which laws shall prevail in the event of any conflict of law, except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. sections 1051 et seq.). Despite anything to the contrary stated above, Maryland law will apply to claims arising under the Maryland Franchise Registration and Disclosure Law.

(b) Developer agrees that any action sought to be brought by either party shall be brought and maintained exclusively in the state or federal court in the county in which Franchisor maintains its principal place of business at the time the action is initiated, and the parties do hereby waive all questions of personal jurisdiction or venue for the purposes of carrying out this provision and the parties, further, agree to waive trial by jury; however nothing in this section affects Developer's right under the Maryland Franchise Registration and Disclosure Law to sue in Maryland for claims arising under that law.

6. **Limitation of Claims.** Notwithstanding anything to the contrary set forth in the Area Development Agreement, any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within three (3) years after the grant of the franchise.

7. **Acknowledgments.** ~~Section 20 of the Area Development Agreement shall be deleted in its entirety and replaced as follows:~~

“No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise. Such representations are not intended to nor shall they act as a release, estoppel, or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.”²² Accordingly, the following language shall be deleted from the Area Development Agreement in its entirety:

a) The last recital on the first page that reads:

“WHEREAS, Franchisor expressly disclaims the making of and Developer acknowledges that it has not received nor relied upon any warranty or guaranty, express or implied, as to the revenues, profits or success of the business venture contemplated by this Agreement. Developer acknowledges that it has read this Agreement and Franchisor’s franchise disclosure document and that it has no knowledge of any representations by Franchisor, or its officers, directors, shareholders, employees or agents that are contrary to the statements made in Franchisor’s franchise disclosure document or to the terms herein.”

b) Section 3(f) that reads:

Developer acknowledges and agrees that it has conducted an independent investigation of the business contemplated under this Agreement, that Developer fully understands its obligations under this Agreement, and that Developer recognizes and assumes all associated risks. In addition, Developer acknowledges that Franchisor makes no representation: (i) that the Development Area contains a sufficient number of acceptable locations to meet the number of Restaurants to be developed under the Development Schedule; nor (ii) that the Development Area is sufficient to economically support the number of Restaurants to be developed under the Development Schedule. Developer further acknowledges that it has performed all related and necessary due diligence before its execution of this Agreement and that, accordingly, Developer assumes the risk of identifying a sufficient number of acceptable locations within the Territory and the economic risk of developing the number of Restaurants set forth in the Development Schedule.

c) Section 19 that reads:

CAVEAT

THE SUCCESS OF THE BUSINESS VENTURE CONTEMPLATED TO BE UNDERTAKEN BY DEVELOPER BY VIRTUE OF THIS AGREEMENT IS SPECULATIVE AND DEPENDS, TO A LARGE EXTENT, UPON THE ABILITY OF DEVELOPER AS AN INDEPENDENT BUSINESSPERSON, AND HIS/HER ACTIVE PARTICIPATION IN THE DAILY AFFAIRS OF THE BUSINESS AS WELL AS OTHER FACTORS. FRANCHISOR DOES NOT MAKE ANY REPRESENTATION OR WARRANTY EXPRESS OR IMPLIED AS TO THE POTENTIAL SUCCESS OF THE BUSINESS VENTURE CONTEMPLATED HEREBY.

d) Section 20 that reads:

21. ACKNOWLEDGMENTS

(a) Developer represents and acknowledges that it has received, read and understood this Agreement and Franchisor's franchise disclosure document; and that Franchisor has fully and adequately explained the provisions of each to Developer's satisfaction; and that Franchisor has accorded Developer ample time and opportunity to consult with advisors of its own choosing about the potential benefits and risks of entering into this Agreement.

(b) Developer has been advised to consult with its own advisors with respect to the legal, financial and other aspects of this Agreement, the business franchised hereby and the prospects for that business. Developer has either consulted with such advisors or has deliberately declined to do so.

(c) The covenants not to compete set forth in this Agreement are fair and reasonable and will not impose any undue hardship on Developer, since Developer has other considerable skills, experience and education which afford Developer the opportunity to derive income from other endeavors.

(d) Developer affirms that all information set forth in any and all applications, financial statements and submissions to Franchisor is true, complete and accurate in all respects, with Developer expressly acknowledging that Franchisor is relying upon the truthfulness, completeness and accuracy of such information.

(e) Developer has conducted an independent investigation of the business contemplated by this Agreement and recognizes that, like any other business, an investment in a PANCHEROS Franchised Restaurant involves business risks and that the success of the venture is primarily dependent upon the business abilities and efforts of Developer.

(f) Developer further acknowledges that Franchisor makes no representation: (i) that Developer's Development Area contains a sufficient number of acceptable locations to meet the number of Franchised Restaurants to be developed under the Development Schedule; or (ii) that Developer's Development Area is sufficient to economically support the number of Franchised Restaurants to be developed under the Development Schedule. Developer acknowledges that Developer has performed all related and necessary due diligence before your execution of this Agreement and that, accordingly, Developer assumes the risk of identifying a sufficient number of acceptable locations within the Development Area, and the economic risk of developing the agreed-upon number of Franchised Restaurants within the Development Area.

(g) Developer understands and acknowledges that all representations of fact contained herein are made solely by Franchisor. All documents, including Developer's Area Development Agreement and franchise disclosure document and all exhibits thereto, have been prepared solely in reliance upon representations made and information provided by Franchisor, its officers and its directors.
