Cornwell Quality Tools Company  
667 Seville Road  
Wadsworth, Ohio 44281  
(330) 336-3506  
[www.cornwelltools.com](http://www.cornwelltools.com)

The franchise offered in the following disclosure is a mobile tool dealership for which Cornwell Quality Tools Company ("Cornwell") will grant a license to purchase, resell, and service the products that are manufactured, sold and/or distributed by Cornwell.

The franchised dealership ("the Dealership") will be assigned a specific, but *non-exclusive* geographic territory ("the Territory"), which is agreed upon with Cornwell by the Dealership and its owner or owners (together, if applicable, "the Owners"). The Dealership will purchase products from Cornwell and resell them to individual mechanics and businesses throughout the assigned geographic area. The individual Owner who is primarily responsible for the operation of the Dealership ("the Operator") must devote his or her best, full-time efforts to the sale of Cornwell products in the Territory.

A new Dealership must purchase an initial inventory of Cornwell products in the amount of at least ~~\$55,000~~\$60,000 at regular dealer net prices. Cornwell charges no initial franchise fee or royalty fee. After the purchase of the initial inventory of Cornwell products, the Dealership will be required to maintain a certain level of purchases from Cornwell thereafter. However, the Dealership may also purchase products from other suppliers than Cornwell and may sell other than in the assigned geographic territory.

1. The total investment necessary to begin operation of a Cornwell franchised dealership ranges from ~~\$69,525~~\$79,525 to ~~\$298,825~~\$323,825 for convertees and ~~\$164,525~~\$174,525 to ~~\$293,825~~\$318,825 for new dealers. This includes ~~\$55,000~~\$60,000 for initial inventory that must be paid to the franchisor (Cornwell) or an affiliate by a new dealership. Refer to Items 5 through 7 inclusive of this Disclosure Document for a further explanation regarding the total investment.

## What You Need To Know About Franchising *Generally*

**Continuing responsibility to pay fees.** You may have to pay royalties and other fees even if you are losing money.

**Business model can change.** The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

**Supplier restrictions.** You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

**Operating restrictions.** The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

**Competition from franchisor.** Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

**Renewal.** Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

**When your franchise ends.** The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

### Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit D.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda attached as Exhibit D.

## Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Ohio. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Ohio than in your own State.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

## ITEM 1. THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

Cornwell and Its Predecessor. To simplify the language in this Disclosure Document, "Cornwell" means Cornwell Quality Tools Company, an Ohio corporation that was incorporated in 1919. "You" means the franchised dealership and the person or persons who own the franchised dealership, which includes the franchise owners/partners/principals if the franchise is a corporation, partnership or other entity. The franchised dealership's owners are sometimes referred to as "the Owners" in this Disclosure. Cornwell's principal place of business is 667 Seville Road, Wadsworth, Ohio 44281.

Cornwell intends to do business related to this Disclosure under the names: Cornwell Quality Tools and Cornwell. Cornwell's agent for service of process in your state is listed on Exhibit D.

In 1919, the original predecessor to Cornwell was formed in Cuyahoga Falls (a suburb of Akron), Ohio. In 1927, the operations were moved to the facility located in Mogadore, Ohio (also a suburb of Akron). In 1957, a group of investors, headed by R.H.C. Moeller, purchased Cornwell. In 1965, the Moeller family purchased the outstanding stock. Currently, the Raymond M. Moeller family has an 80.49% ownership interest in Cornwell, 19.51% is owned by the Cornwell Employee Stock Ownership Plan.

As of December 31, 20~~23~~<sup>24</sup>, there were ~~795~~<sup>793</sup> Franchised Dealerships reselling Cornwell products throughout the United States. Cornwell also has a limited number of industrial distributors, mobile distribution through distributors in Great Britain and West Germany, along with various international accounts that sell to various foreign countries.

Cornwell's Business and Franchise Offered. Cornwell has been selling products to independent dealerships under its present ownership for approximately ~~59~~<sup>60</sup> years, and has modified its program to be a franchise for those who became dealers after December 31, 1996. Previously, its relationship with its dealers consisted simply of agreements with them, which provided essentially only that Cornwell would sell to them and would authorize the use of Cornwell's trademarks and trade dress, with certain buy-back provisions.

As of December 31, 2003, Cornwell has only franchised dealerships and eliminated the program for non-franchised dealers.

You will have to comply with various state and local laws as those related to driver's licensing, vehicle licensing and automobile insurance. In some states, a physical examination may be required to obtain a license to drive a commercial vehicle. Insurability and insurance rates will generally be dependent upon your past driving record.

The following is a description of Cornwell's business and of the franchise to be offered in your state.

Cornwell has manufactured and sold professional-quality mechanics' hand tools and related equipment since 1919. Its principal offices and plants were based in northeast Ohio until the establishment of warehouses in Texas and California in May of 1966 and April of 1967, respectively. In October of 2002, Cornwell opened a new distribution center in Clearfield, Utah and closed the warehouses in Texas and California to better serve its dealers.

On October 1, 2016, CQT Kennedy LLC, an Ohio limited liability company wholly-owned by Cornwell, acquired the assets of and is operating Kennedy Manufacturing in Van Wert, Ohio. In 2017, Kennedy began manufacturing tool boxes, cabinets and related accessories for sale to Cornwell Dealers. It is expected that Kennedy will eventually be the sole source for all such Cornwell products.

Cornwell distributes its products primarily by selling to independent dealerships, who in turn sell directly from a "rolling tool store" truck or van, primarily to mechanics, service managers and owners of auto and truck dealerships, motorcycle dealerships, fleet operations, construction and equipment contractors, independent repair shops, service stations, small manufacturing businesses and body shops in a non-exclusive territory for which they are primarily responsible. You will be assigned a specific, but *non-exclusive* geographic territory, which is agreed upon by you and Cornwell. You will purchase products from Cornwell and resell them to individual mechanics and businesses throughout the assigned geographic area.

Cornwell charges no initial franchise fee or royalty fee. As a new dealership, you must purchase an initial inventory of Cornwell products of at least ~~\$55,000~~60,000 at regular dealer net prices.

Unless waived by Cornwell, you must also establish a Reserve with Cornwell in the amount of \$20,000, to be applied against the further purchase of inventory during the first 13 weeks of the dealership. Unless waived, you must also verify at the outset of the dealership that there is ~~\$40~~15,000 on deposit in a business account that will only be used for business purposes on or after the first day of training on your route. The estimated initial investment ranges from ~~\$69,525~~79,525 to ~~\$298,825~~323,825 for convertees and from ~~\$164,525~~174,525 to ~~\$293,825~~318,825 for new dealers. Refer to Items 5 through 7 and 10 inclusive of this Disclosure Document for further explanation regarding the total investment.

Cornwell sells its dealerships' inventory, assists in financing the purchase of the inventory (subject to credit approval), authorizes the use of its trade name and trademark, provides assistance in commencing and maintaining your dealership, and repurchases on termination certain tools and other merchandise currently sold by Cornwell at the then prevailing dealer prices, less a 15% restocking charge. Certain tools and other merchandise

will not be repurchased by Cornwell. Refer to Item 17 for further explanation concerning the repurchase policy.

Cornwell does not engage in any business activities other than the manufacture and sale of tools and equipment, including the Tech-Credit financing program described in Item 10. Currently, Cornwell does not maintain any direct retail sales operation except as described below. Cornwell makes limited sales to certain industrial distributors. Cornwell has initiated direct retail sales to Vo-Tech schools and students. You will receive a credit on your Cornwell open account for 8% of the amount of direct retail Vo-Tech sales made in your territory.

You are assigned a defined operational sales area of responsibility ("Territory"). This Territory, which is designed to allow for sales growth, depending on your efforts, is mapped initially by the Cornwell District Manager, subject to your agreement. No other Cornwell dealers are assigned to the Territory. The Dealership and the Owner who is primarily responsible for the operation of the Dealership ("the Operator") must agree to devote direct, full-time best efforts to serve the Territory fully by the sale of Cornwell products.

Within the Territory, there may be any or all of the following types of businesses: auto and truck dealerships, motorcycle dealerships, fleet operations, construction and equipment contractors, independent repair shops, service stations, small manufacturing businesses and/or body shops. The mechanics, service managers and owners at these types of businesses are your primary potential customers.

While Cornwell operates nationally, not every territory has previously had a Cornwell dealer. Where such a dealer has been in operation recently, there may be a developed market for Cornwell tools. Without a previous dealer in the territory, there may be no such market and Cornwell cannot guarantee that an established customer base exists for any particular dealer or territory. It is also possible that a previous dealer may have adversely affected the market for Cornwell tools.

Whether or not a market has been previously developed by another Cornwell dealer, success depends almost entirely on your dedication, sales ability and business practices as the current dealer. The most important elements are the willingness to work hard (a minimum of 40 hours per week; usually over 60 hours per week in the first six (6) months to establish a new dealership), knowledge of the needs of professional mechanics, detailed knowledge of the tools, and an ability to relate well to customers and persuade them to make and pay for purchases. Many dealers, including many of the most successful dealers, continue to work in excess of 60 hours per week. There is usually a direct correlation between earnings and hours worked.

Your tool display van or truck is an important key to the business, because it is a "rolling tool store" to the mechanic's door that, along with personalized service and regularly scheduled stops, builds customer loyalty and repeat business. Because it is such an important tool, Cornwell will help you in selecting, and must approve, an appropriate vehicle, will help in selecting an inventory mix to offer good prospects for a successful start-up and sales profits, and will help in creating interior merchandising displays for maximum storage and the best possible merchandising. A Truck Leasing Program through a third-party leasing company [iesy](#) has been established for those Cornwell Dealers who qualify and choose to use it. The Truck Leasing Program is further described elsewhere in this Disclosure Document. If you are a converttee, you may be permitted to continue to use an appropriate van or truck you already own or lease, if Cornwell approves it. A Cornwell decal package must be installed to replace existing decals, at your cost.

You will be required to acquire a laptop computer, bar code scanner and credit card signature pad from Cornwell (together, "the Hardware") for use on your truck. Cornwell will sell the Hardware to you at Cornwell's cost, now approximately \$3,500. Cornwell will give you a \$1,500 credit on your open account to offset your Hardware purchase expense. You will also be required to purchase or lease a compatible printer and wireless card.

You will be required to license the "Ironman Business Network (IBN)" Software under a separate License Agreement with Cornwell.

To enable Cornwell to assist you in your business, you will be required to enter data into the computer system on a current basis and submit the data generated by the computer system, including but not limited to the weekly report summaries, as Cornwell directs. You will be required to use the "My Business" function in IBN as directed in order for you and Cornwell to monitor your business properly. Your franchise may be terminated if you do not supply this data or if you do not use IBN and hardware obtained from Cornwell, including, but not limited to, the "My Business" function.

Cornwell dealers have considerable competition in most territories. Three other national companies, Snap-On, Mac Tools, and Matco, and several smaller companies, offer the same kind of tools and equipment, distributed through independent dealers and/or franchised dealers. There are also independent dealers not affiliated with any national companies. In addition, similar tools and equipment are available through retail outlets, such as [home supply chain stores](#) [Sears](#), and through mail-order catalogs. Your individual sales effort is thus critical to your success or failure, since there are several other potential sources of competition in most territories. While Cornwell enjoys a reputation for the high quality of its products, it is better known in some parts of the country than in others, based upon past distribution. Cornwell focuses its advertising on programs such as promotional literature and catalogs which are available to you. Cornwell does little national advertising.

**ITEM 3. LITIGATION**

1. Regulatory actions against Cornwell include the following matters:

In the Matter of Cornwell Quality Tools Company (Maryland Case No. 2010-0375) On November 3, 2010, Cornwell entered into a Consent Decree with the Securities Commissioner of Maryland to resolve issues arising from entering into franchise agreements in Maryland even though the renewal of Cornwell's registration in 2008 had not been approved and thus had expired. Cornwell paid a civil penalty of \$10,000.00, offered the rescission of franchises entered into after the registration expiration and has implemented procedures to reduce the risk of future violations.

In the Matter of The Cornwell Quality Tools Company (Minnesota Department of Commerce Case No. FR1400020) On August 19, 2014, a Consent Order was issued against Cornwell by the Commissioner of Commerce of Minnesota. The Order resolved issues arising from Cornwell's offering and entering into franchise agreements in Minnesota even though the renewal of Cornwell's registration in 2012 had not been submitted for approval and thus had expired. Cornwell paid a civil penalty of \$2,000.00, offered the rescission of franchises entered into after the registration expiration and implemented procedures to reduce the risk of future violations.

2. Litigation against Cornwell includes the following matters:

David Bachrach, et al. v. The Cornwell Quality Tools Company, Case No. 2010 01 0543 in the Court of Common Pleas of Summit County, Ohio, was filed on January 27, 2010. The Complaint was brought by eight former Cornwell dealers as individuals and as claimed representatives of the putative class of all former Cornwell dealers terminated within four years of the filing of the Complaint. The Complaint alleges various theories under which the Cornwell franchise is said to be fraudulent and violates Ohio statutes and

common law. It seeks ordinary and punitive damages, not specified above the jurisdictional minimum of \$25,000, but which can reasonably be estimated to be extensive, if the plaintiffs are successful. The Court of Common Pleas ruled on June 6, 2010, that the case was not subject to arbitration. Cornwell appealed that ruling to the Court of Appeals for the Ninth District of Ohio, Case No. 25444, which reversed in Cornwell's favor on May 25, 2011. The Ohio Supreme Court declined jurisdiction of the matter on October 5, 2011. The Common Pleas Court accordingly entered a stay of the matter on October 24, 2011. The matter was voluntarily dismissed by the plaintiffs on May 6, 2015, without any payment or other consideration from Cornwell.

David Bachrach, et al. v. The Cornwell Quality Tools Company, Case No. 11 114 Y 01759 11 in the American Arbitration Association, was filed on October 21, 2011. The Demand was brought by nine former Cornwell dealers as individuals and as claimed representatives of the putative class of all former Cornwell dealers terminated within four years of the filing of the Complaint in the Common Pleas case reported above, or subsequently. The Demand was substantively the same as the Complaint in the parallel Ohio Common Pleas Court matter described above. On April 10, 2012, the arbitration panel issued a clause construction award, finding that these claims can proceed in class arbitration, if a class should be certified. Cornwell brought a counterclaim in the Common Pleas Court case reported above on May 15, 2012, seeking to overturn the award. The Court vacated the preliminary injunction against class arbitration that it had issued and dismissed Cornwell's counterclaim on October 11, 2013. Cornwell timely appealed to the Ohio Ninth District Court of Appeals on October 16, 2013, which on December 31, 2014, reversed the decision of the Common Pleas Court and remanded to that Court to decide whether the arbitration could proceed on a class basis or could only do so on an individual basis. The Common Pleas Court case was voluntarily dismissed, as described above. The arbitration was voluntarily dismissed by the claimants on May 18, 2015, without any payment or other consideration from Cornwell.

Eric Lange, et al. v. The Cornwell Quality Tools Company, Case No. 5:15-cv-00859-JRA in the United States District Court for the Northern District of Ohio, was filed on May 1, 2015. The lawsuit was brought by the same nine former Cornwell dealers as individuals and as claimed representatives of the putative class of all former Cornwell dealers terminated within four years of the filing of the Complaint in the Common Pleas case reported above, or subsequently, excluding residents of Ohio. The Complaint is substantively the same as the Complaint in the Ohio Common Pleas Court matter described above. Cornwell moved to dismiss the lawsuit on grounds of collateral estoppel on May 21, 2015. The motion was granted on December 31, 2015, and the lawsuit was dismissed.

Randy Salinas v. The Cornwell Quality Tools Company, Case No. RIC 1905144 in the Superior Court for the County of Riverside, California, was filed on October 10, 2019. Cornwell removed the case to the United States District Court for the Central District of California on November 27, 2019, where it was assigned Case No. 5:19-cv-

02275-JGB. The Complaint was brought by a former Cornwell dealer as an individual and as the claimed representative of the putative class of all present Cornwell dealers in California and of all former Cornwell dealers in California who terminated within four years of the filing of the Complaint. Notice was also given of a potential claim under the California Private Attorney General Act. The Complaint alleges various theories under which the plaintiff and the members of the putative class were or are to be considered employees under California law and are being or were denied various protections, compensation and benefits as such. It seeks injunctive relief, compensatory and punitive damages, penalties, interest, costs and attorney fees, not specified in amounts but which can reasonably be estimated to be extensive, if the plaintiffs are successful. A Class was certified on October 17, 2022, and a Notice to go to the members of the Class was approved by the Court on February 27, 2023, giving members 45 days from the date the Notice is sent to opt out of the class. The Notice was sent on March 31, 2023. Cornwell denies all of the allegations of the Complaint but nevertheless recognized that it had some potential exposure and so entered into a settlement agreement, involving payments to the Class members and their counsel of \$5.5 million, as a matter of prudent business judgment. ~~A joint motion for preliminary Court approval of the settlement agreement was filed on October 26, 2023, and remains pending. The settlement was approved by the Court on September 23, 2024, and is in the process of implementation. The settlement was approved by the Court on September 23, 2024, and the distribution to the Class was made on December 26, 2024. No objections were filed and the matter is accordingly concluded.~~

James Felger v. The Cornwell Quality Tools Company, Case No. 1:23-cv-01786 in the United States District Court for the Northern District of Ohio, was filed on September 13, 2023.

William Hudson v. The Cornwell Quality Tools Company, Case No. 1:23-cv-01887 in the United States District Court for the Northern District of Ohio, was filed on September 28, 2023.

The Complaints in both cases were brought by individuals for themselves and as the claimed representatives of putative defined classes of persons. The Complaints allege various theories under which the plaintiffs and the members of the putative classes were damaged by the exposure of their personally identifiable information as the result of a data breach that occurred at Cornwell on September 22, 2022. The Complaints seek injunctive relief, compensatory, statutory and punitive damages, interest, costs and attorney fees, not specified in amounts. Cornwell denies all of the allegations. The matters remain pending. However, a settlement in principle was reached as to both matters on January 28, 2025, to be paid entirely by Cornwell's insurance carriers. The completion of the settlement remains pending.

Cornwell Quality Tools Company v. Daniel Karris, Mary Karris, and DK Tool Sales, Inc., Case No. 23-08728-CZ in the Circuit Court for the County of Kent, Michigan, was filed on October 31, 2023, by the Defendants as a Counterclaim to a Complaint brought by Cornwell on September 6, 2023, to confirm an arbitration award made in Cornwell's favor

against the Defendants on August 11, 2023. The award was confirmed by the judgment of the Court on November 8, 2023. The Counterclaim alleges various theories under which the defendants claim to have been damaged by Cornwell in the course of their former Cornwell dealership. Cornwell denies the allegations of the Counterclaim. A motion to dismiss the Counterclaim, as being subject to binding arbitration, was filed by Cornwell on November 22, 2023, and was granted by the Court on January 3, 2024. The defendants filed an appeal from all of the Court's rulings on January 23, 2024, which remains pending.

Only a portion of your initial inventory purchase expenditure may be refundable. See explanation of tool return in Item 17, Note 4 of this Disclosure.

NOTE 5 – Vehicle. All Dealerships are also required to purchase or lease a truck or van. Cornwell must approve the truck or van to be obtained. Approved trucks and vans must be equipped so that District Managers or others riding along can sit safely and are protected against injury from objects thrown forward from the rear compartment. Cornwell will recommend sellers or lessors of suitable trucks and vans but does not require that any such truck or van be obtained from a particular source. The estimated range for the cost of a suitable truck or van is \$75,000 to ~~\$165~~185,000, depending on whether the truck or van is new or used, and on its condition and features. A Truck Leasing Program through ~~a~~ third-party leasing companyies has been established for those Cornwell Dealerships who choose to use it. The Truck Leasing Program is further described below.

Cornwell has entered into an agreement with Trans Lease, Inc., of Denver, Colorado, to establish a Truck Leasing Program, through which Cornwell Dealerships can lease approved trucks and vans on extended terms. Under the Program, new vehicles and vehicles previously used by other Cornwell Dealerships will be available. Vehicles manufactured by Summit Body Works and Herr Display Van are currently offered under the Program.

Cornwell is completely independent of Trans Lease and Cornwell will not receive any revenue from the Truck Lease Program. Trans Lease reserves the exclusive right to set lease terms and to approve or disapprove any Cornwell Dealership for participation in the Program. Cornwell has no right to require Trans Lease to approve a Dealership or to approve any particular lease terms.

Under the Program, a participating Dealership must authorize Trans Lease to make direct electronic Automatic Clearing House (ACH) deductions from the Dealership's checking account for the weekly truck lease payments. If there are insufficient funds in the Dealership's account to make a payment or if the Dealer withdraws ACH authority then the Dealership will then be considered in default under the truck lease.

Cornwell has agreed to use its best efforts to assist Trans Lease in re-leasing or selling a vehicle that Trans Lease has repossessed, if Trans Lease so requests. Cornwell will have no obligation to the defaulting Dealership to make such efforts.

Vehicle expenditures are normally non-refundable; Cornwell has no control over any such refunds.

If you are a converttee, you may be permitted to continue to use an appropriate van or truck you already own or lease, if Cornwell approves it. A Cornwell decal package must be installed to replace existing decals, at your cost.

NOTE 6 – Insurance. Cornwell further requires you to carry the following minimum insurance coverage: commercial business auto liability insurance with limits of \$1,000,000, general commercial liability insurance under a comprehensive general liability form that includes coverage for bodily harm, property damage, and product liability policies not less than \$1,000,000, and cargo insurance with all risk property coverage for full replacement of your inventory. Insurance policies maintained by you must (a) designate Cornwell Quality Tools Company as "additional insured"; (b) if Cornwell finances your inventory, cargo insurance must designate Cornwell Quality Tool Company as "loss payee" for full replacement of your inventory financed; and provide that Cornwell receive a copy of all notices of cancellation, nonrenewal, or coverage change at least 30 days prior to the effective date. Insurance costs are highly dependent on your past driving record, the geographical area of your franchise, dollar amount of your inventory and type of truck being insured.

Insurance expenditures are normally non-refundable; Cornwell has no control over any such refunds.

NOTE 7 - Additional Funds – Three Months. Additional amount needed to supplement shortfall to carry the personal, vehicle and miscellaneous business expenditures of the Dealership and its Owners during start-up for ninety days. Monthly personal and family expenditures of new Cornwell dealerships are typically not over \$35,000. *You may actually require over \$35,000 per month, dependent upon your personal financial situation or to fund business and personal expenditures for more than three months. The additional amount required will then be greater.* You must provide verification to Cornwell, at the time payment is made for the Initial Inventory and Reserve, that as of that date you have at least an additional \$4015,000 deposited in usable funds in a business checking account at a financial

institution of your choice and you must further agree that you will only use those funds for the business purposes of the Dealership, on and after the first day of training on your route, which may include a reasonable draw for Owners' personal living expenses, as agreed upon by Cornwell in advance, while the Franchise Agreement is in force.

Additional amounts you expend for these purposes are non-refundable.

NOTE 8 – Equipment/Clothing/Fixtures/Other Fixed Assets. Your requirements will depend upon whether there are equipment and fixtures already in your truck and their condition and also on the location of your territory. Items you require may include sales aids, such as displays and promotional items. Cornwell dealerships typically do not need to make expenditures for construction, remodeling, leasehold improvements or decorating costs. Cornwell dealership Operators are required to buy and wear approved Cornwell route wear.

Equipment, fixture and other fixed asset expenditures are normally non-refundable. Cornwell has no control over any such refunds.

NOTE 9 – Reserve. This is the estimated initial amount needed to carry customer time payment (TP) accounts (accounts receivable from customers). The Reserve amount may vary, based on the Dealership's financial needs, arrangements which may have been made with an outgoing dealer to purchase accounts and the number of customers to whom the Dealership sells tools or other products on customer time payment. Cornwell's estimate of the Reserve amount is based on Cornwell's experience offering dealerships in the mobile tool industry.

At a minimum, unless waived by Cornwell, in addition to any capital you choose to deposit in your own business account to carry customer TP debt before it is collected, you must establish a Reserve with Cornwell in the amount of \$20,000, to be applied against the further purchase of inventory during the first 13 weeks of the dealership. If you meet normal credit requirements, Cornwell will finance up to \$20,000 of the Reserve.

The Reserve will be applied by Cornwell to your open account, as a credit against your further purchases of inventory, in a weekly amount equal to 65% of the increase in your documented Time Payment (TP) Account balance over the previous high TP balance. The Reserve will be maintained by Cornwell until it is exhausted or the dealership Agreement is terminated, whichever occurs first. If the Reserve is funded with a combination of cash and notes, the cash deposited will be applied first against the further purchases of inventory. The funds remaining in the Reserve will be refunded if paid in cash or, if borrowed, credited at your option to your open account or as a voluntary pre-payment under paragraph 1(c) of your note, if the Reserve has not been used in full upon the termination of the dealership Agreement. When the Reserve is established, it will be credited by Cornwell with a lump-sum amount.

Reserve expenditures are only refundable as outlined above.

NOTE 10 - Computer System.

You are required to acquire a laptop computer, bar code scanner and credit card signature pad from Cornwell (together, "the Hardware") for use on your truck. Cornwell will sell the Hardware to you at Cornwell's cost, now approximately \$3,500. Cornwell will give you a \$1,500 credit on your open account to offset your Hardware purchase expense. You will also be required to purchase or lease a compatible printer and wireless card. Should you wish to obtain additional computers, you are required to contact the IBN Support Desk to obtain specifications and requirements for them.

Cornwell will extend a three-year limited warranty on the Hardware to you, as well as pass through the Hardware manufacturer's limited warranties. Cornwell's warranty will be for support and repair or replacement of the Hardware. Cornwell will attempt to provide support within 2 business hours of report of the issue and to provide loaned Hardware by overnight delivery while repair is attempted or until replacement Hardware is provided.

After the expiration of the Cornwell Hardware warranty period, or if you void the warranty by damage occurring to the Hardware that is not the fault of Cornwell, Cornwell will provide the same support, repair and replacement service, but at your cost. You will have the option of replacing any of the Hardware at your cost during or after the warranty period. The Hardware warranty then being extended by Cornwell will be made to you as to the new Hardware you purchase.

Cornwell will not make any profit on initial Hardware or on Hardware support, repair and replacement provided to you. You must always use Hardware provided by Cornwell on your truck.

You are required to obtain and maintain high speed Internet access via a standalone Network Access Device from a mobile wireless broadband carrier, to be able to communicate electronically with Cornwell.

Computer system expenditures are normally non-refundable. Cornwell has no control over any such refunds of expenditures you make to third-party vendors.

NOTE 11 - Computer Software. You will be required to license the "Ironman Business Network (IBN)" Software under a separate License Agreement with Cornwell. You will be required to use the "My Business" function in IBN as directed in order for you and Cornwell to monitor your business properly.

The License Agreement includes an open-end service plan, which includes the use of the IBN Software, price updates, program updates and software support. There is a one-time \$100.00 set up fee, plus a monthly service contract fee of \$50.00, which is payable to Cornwell and will be billed to your Cornwell open account every month. There will also be a one-time \$175.00 license fee payable to a credit card processing vendor for Credit Card

Processing Software that interfaces with the IBN Software. Cornwell has the right to increase the fees. The IBN software will provide you with a basic means of keeping track of certain financial information about your dealership. But the IBN Software is not a complete accounting system and does not replace the need for professional accounting services or advice.

You will agree to use only the IBN Software in the operation of the dealership. You will also agree to obtain and use upgrades and updates of the IBN Software from Cornwell as they become available. You will also agree that Cornwell will have independent access to the information that will be generated and stored on your computer system using the IBN Software. You will agree to use the IBN Software to generate and maintain accurate reports of your activities on a current basis, with complete information being entered at least once per week. Your IBN Software will automatically store and electronically transmit this information to Cornwell. You will agree to submit separately all information generated by the computer system, if requested by Cornwell, including but not limited to the weekly reports. Failure to submit this information on request will be a material breach of the Franchise Agreement.

Computer software expenditures are normally non-refundable. Cornwell has no control over any such refunds of expenditures you make to third-party vendors.

NOTE 12 – Security and Utility Deposits/Business Licenses/Other Prepaid Expenses.

No utility deposits are required since the vehicle is your place of business. There may be costs for business licenses ranging from \$500 to \$2,500 depending on location of Franchise.

Business Licenses/Other Prepaid Expenses expenditures are normally non-refundable. Cornwell has no control over any such refunds.

**ITEM 8. RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES**

Other than the initial inventory and computer hardware and software described in Item 7 and minimum inventory purchases, as set forth below, you are under no obligation to purchase or lease from Cornwell or anyone designated by Cornwell, any other goods, services, supplies, fixtures, equipment, inventory or real estate. Cornwell will recommend sellers or lessors of suitable trucks and vans, but does not require that any such truck or van be obtained from a particular source. Cornwell must approve the truck or van to be obtained, however.

Immediately following the first six months after the franchise agreement is signed, you must maintain average weekly purchases from Cornwell equal to at least 90% of the —national average of Cornwell franchise dealers' weekly purchases during the current calendar year. Every week, Cornwell calculates the national average franchise dealer weekly purchase

amount during the current year. (Total dealer year to date purchases, divided by the number of weeks to date, then divided by the number of dealers at the end of the week prior to the current week.) Each week, you must maintain average weekly purchases (year to date purchases divided by the number of weeks to date) equal to 90% of Cornwell's national weekly average. The continuation of the franchise depends upon continuing required purchase of Cornwell Products. A franchise may be terminated or the territory decreased if the purchase requirements are not met.

The inventory purchased from Cornwell and the lease or purchase of a truck or van will normally constitute at least 70% of the total purchases and leases, which you will make in the establishment and operation of your business. Because of the initial inventory purchase, this figure will be substantially higher in your first year. When the truck or van is paid off, typically in 2-6 years, this figure will decrease. The bulk of the additional costs will relate to interest, insurance, bad debts, fuel and maintenance for the van or truck, and inventory purchases from sources other than Cornwell. The total cost of purchases from Cornwell by a particular dealer will, of course, vary considerably.

The average annual inventory purchases from Cornwell by Cornwell dealerships as of December 31, 20~~23~~24, were \$~~350,428,367,640~~.

Cornwell derives a profit from the sale of tools, equipment and sales aids to dealers, but does not otherwise derive income from the franchise. In 20~~23~~24, Cornwell derived ~~89.8690.55%~~ or \$~~239,832,923.20~~252,127,512.00 of its total revenue of \$~~266,906,703.61~~278,450,440.66 from the required dealership minimum purchase.

There are no purchasing or distribution cooperatives for Cornwell Products. Cornwell has no suppliers in which an officer of the franchisor owns an interest.

NOTE 1 – Initial Inventory Purchases. Subject to normal credit approval, Cornwell will sell initial inventory on a time-deferred payment basis. You and the Owners will be required to execute the Dealer Purchase Order, Note and Security Agreement (the Note), using the form Note in Exhibit C or Exhibit C-1 for qualified military veterans, C-2 for Franchise Developers or C-3 for Special Representatives, as applicable, and financing statements in conjunction with any such sale. If you qualify for Cornwell financing, Cornwell may loan you up to ~~\$75,000~~80,000 of the cost of the initial purchase of inventory. The Owners will be required to guarantee personally the timely payment of the Note.

The Note (Note and Security Agreement, Section 1(b)) currently provides for weekly repayment of principal and interest at an annual interest of ~~15.24~~14.24%, which is subject to changes in accordance with the Prime Rate reported in the Consumer Money Rates Chart of the online Market Data Center of the Wall Street Journal. The interest rate is fixed over the term of the Note, but is set by adding 6.74% to the current Prime Rate reported in the Consumer Money Rates Chart of the online Market Data Center of the Wall Street Journal. As of ~~July 26, 2023~~December 18, 2024, the Prime Rate was ~~8.50~~7.50%. The interest rate on your Note may therefore be higher, lower or the same as it would be at the time of the publication of this Disclosure Document. In some states, the maximum interest rate may be less than the amount stated in the chart due to state lending statutes. All payments are intended to be applied first toward unpaid accrued interest charges and then as a reduction of the unpaid principal balance, but Cornwell reserves the right to apply these payments in any order it determines. (Note and Security Agreement, Section 1(c)). In addition, Cornwell may impose a weekly late charge of \$10.00 each week that you are three or more payments in arrears. (Note and Security Agreement, Section 1(e)). The note may be voluntarily pre-paid in part or in full at any time, without penalty. (Note and Security Agreement, Section 1(~~eee~~)). The term of the note will be determined by Cornwell, and will be no more than ~~72~~72 months. If you finance your Reserve, as described below, that amount will be included in the Note for your initial purchase of inventory, on the same terms. The Current Weekly payment on full financing of the initial inventory and Reserve is ~~\$367.14~~381.69.

The Note further provides that the installments to be paid to Cornwell by you shall be paid by an ACH Debit for automatic payment, which will be automatically processed every Monday until the obligation is paid in full. The Dealership and its Owners must sign an irrevocable ACH Agreement authorizing Cornwell to automatically deduct the weekly payment from the Dealership's bank account until the Note obligation is paid in full. In the event funds are not available to complete the automatic transfer on that date, it will be considered an event of default included in those described below.

You will be in default upon the happening of any of the following events or conditions, as well as the others described in Section 8 of the Note (Exhibit C):

(a) Your failure to make payment or performance on any of your indebtedness to Cornwell, as described in paragraph 3 of the Note and Security Agreement, including but not limited to those arising from the sale of inventory described in this Agreement.

(b) If you default under the Dealer Franchise Agreement or any other agreement or contract between you and Cornwell, or upon the termination of any such agreement.

(c) Your failure to have the Note and Security Agreement fully collateralized at all times.

Upon default, all of your obligations at once become due and payable without any notice or demand, notice and demand having been expressly waived. (Note and Security Agreement, Section 8). Under the Note and Security Agreement, Cornwell retains a security interest in the inventory and in your accounts receivable. (Note and Security Agreement, Section 3(a)).

You waive the right to notice of collection or repossession actions. (Note and Security Agreement, Sections 6(f) and 9). Cornwell can also recover its cost of collection, including court costs and reasonable attorney fees. (Note and Security Agreement, Section 12).

Although it is not the present practice of Cornwell, to sell, assign, or discount to a third-party, in whole or in part, any note, contract or other instrument executed by you, Cornwell retains the right to do so. (Note and Security Agreement, Section 1(f)).

If you are financed as described above by Cornwell, you are required to maintain at your place of business accurate and up-to-date records pertaining to the total inventory, the collateral and the accounts. Every week you are required to submit your Current Weekly Business Report to your District Manager and Cornwell's credit department. Cornwell will have a special property interest in all of your records pertaining to the total inventory, the collateral and the accounts, and Cornwell's agents, representatives and employees shall have the right to inspect them at any reasonable time or times. You are also required to make available to Cornwell upon demand financing statements or other appropriate documentation as may be requested by Cornwell to evidence and perfect the security interest.

A. Military Veteran Incentive Program. Cornwell also offers a Military Veteran Incentive Program. This consists of offering the standard ~~\$75,000~~\$80,000 Initial Inventory Purchase loan with no interest for qualified applicants. The saved total interest amount over the 6-year term of the loan, if all of the requirements of the Program continue to be met, would be approximately \$39,000.

- Must meet or exceed 90% of the national dealer purchase average over the length of the loan. This will be reviewed every 13 weeks and your compliance will be determined every 52 weeks.

It is in Cornwell's sole discretion whether to require a Reserve and if it is required, whether to offer you Reserve financing or not.

K. If at any time within 36 months of the Start Date you have introduced at least 3 new dealers to Cornwell, the inventory portion of the Note (not the Reserve portion) will be deemed satisfied in full without the requirement of further payments. Any partial-year payments to the date of Note satisfaction will be credited to your open account.

L. If you both fail to satisfy the average purchase requirement and have not introduced a new dealer during the preceding 52 weeks, your status as a Franchise Developer may be terminated by Cornwell. B. "Introduction" of new dealers for the purpose of Special Representative status means that such new dealers enter into Dealer Franchise Agreements, purchase Starter Inventories and remain Cornwell Dealers for a minimum of 6 months each.

C. You will qualify for all Cornwell programs, except recruitment incentives for you, yourself or for three new dealers.

D. You will qualify immediately for all Tech-Credit programs and for volume discounts for purchases as of the first week of business, not including the Starter Inventory.

G. You must pay your trade account with Cornwell in accordance with Cornwell's policies and procedures, must make the required weekly payments of principal on the Note and must otherwise comply with the terms of this Agreement, the Note, all other agreements between Cornwell and you and Cornwell's other policies and procedures. ~~Your total weekly payments will be \$20,000 in each of the three years.~~

Following each of the first, three 52-week periods after the commencement of payments, if you have complied with the requirements of this Agreement and the Note during that period, Cornwell will then issue an open account credit to you ~~in the amount of \$20,000, to be used only for the purchase of additional inventory. The credit at the end of the first and second years will be \$20,000. Following the third 52-week period after payments have commenced, if you have complied with the requirements of this Agreement and the Note during that period, Cornwell will issue an open account credit to you of \$25,000, to be used only for the purchase of additional inventory.~~

I. If during the first 104 weeks after the ~~Start Date~~ loan payments commence you have maintained a purchase average of at least \$8,000-400 per week (not including the Starter Inventory), Cornwell will then issue a further open account credit to you of \$10,000 to be used only for the purchase of additional inventory.

J. If during the first 156 weeks after the Start Date loan payments commence you have maintained a purchase average of at least \$8,000-400 per week (not including the Starter Inventory or additional inventory purchased with the credit described in subparagraph I above), Cornwell will then issue a further open account credit to you of \$15,000 to be used only for the purchase of additional inventory.

K. If at any time within 36 months of the Start Date you have introduced at least 3 new dealers to Cornwell, the inventory portion of the Note (not the Reserve portion) will be deemed satisfied in full without the requirement of further payments. Any partial-year payments to the date of Note satisfaction will be credited to your open account.

L. If you both fail to satisfy the average purchase requirement and have not introduced a new dealer during the preceding 52 weeks, your status as a Special Representative may be terminated by Cornwell. The Note may then be declared in default and accelerated, including accrued time-price charges and late charges.

NOTE 2 – Cornwell Tech-Credit Program. Cornwell provides you and your customers with a financing plan (the “Plan”) under the following conditions:

Under the Plan, you would enter into an agreement, whereby you will take purchase money security agreements and promissory notes; (“Notes”) from your automotive technician customers (“Customer or Customers”) for the purchase of high-value merchandise, which Notes will be assigned to Cornwell for an immediate credit to your Cornwell account of a discounted amount from the face value of the Notes. The Notes will be limited-recourse to you, if the Customer receives credit approval from Cornwell. Under the agreement, an independent financial institution may advance funds to Cornwell and if it does, it will be entitled to take a security interest in the Notes, by filing, physical possession, or both, as it chooses.

After a Note is assigned to Cornwell, you will agree, as part of the consideration for the credit to your account, to act as collecting agent for Cornwell from the Customer. Typically, you will collect from the Customer weekly for that purpose; at the same time as you collect for your own account on the Customer’s other purchases. You will be required to remit the collections on the Note to Cornwell within ten days. However, under the terms of the Note, Cornwell will have the option of collecting directly from your Customer by mail, phone or internet which it will do if the event there is no dealer to make the collection in person. The direct collection method will also be used if you go into bankruptcy and under certain other circumstances.

Under these assumptions, Cornwell believes that you would have no further interest in the Notes or their proceeds, including the future stream of payments from the Customer, because you would have assigned all of your rights in the Notes for value to Cornwell.

Your status as a collecting agent would give you no right to the funds actually collected for Cornwell's account, nor to any future payments by the Customer.

If your Customer qualifies for Cornwell financing, Cornwell may finance merchandise up to \$27,000. The Note provides for a repayment of principal and interest at an annual rate up to 24.99% depending on Customer's credit limit. Cornwell can adjust the interest rate periodically according to the respective state statutes. All payments are intended to be applied first toward unpaid accrued interest charges, then any/all fees and NSF fees and then as a reduction of the unpaid principal balance, but Cornwell reserves the right to apply these payments in any order it determines. In addition, Cornwell may impose a monthly late charge of \$30.00 each month that the Customer is two or more payments in arrears. The Note may be voluntarily pre-paid in part or in full at any time, without penalty. The term of the Note will be determined by Cornwell, and will be no more than 60 months. There is a weekly payment minimum of \$10 for your Customer.

Cornwell can recover its cost of collection, including court costs, repossession expenses, and reasonable attorney fees in the event of default. Cornwell reserves the right to decline Plan financing for any legally permitted reason, including, but not limited to sales to your Customers outside your assigned territory or if you do not use the "My Business" function of IBN as required.

Cornwell reserves the right to assign (sell) Tech-Credit accounts to third parties that will collect them for their own benefit, whether or not the accounts are then current.

NOTE 3 - Deferred Billing Program. Cornwell allows for deferred billing of a limited amount of purchases under the following conditions: Deferred purchases will be paid for over a 10-week term, without additional charge. The weekly-accumulated deferred payment will be one tenth (1/10) of initial balance of all partially paid deferred invoices. The weekly-accumulated deferred payment will be due under the net terms of the open account statement upon which it initially appears. No deferred billing will be granted unless the open account is current. Cornwell reserves the right to reduce or eliminate any deferred billing limit on goods it deems inappropriate for the program or for any other legally permitted reason, including, but not limited to your not using the "My Business" function of IBN as required. Any action of this nature will be effective immediately upon notification to you.

Deferred billing account limits are based on a dealer's weekly purchase average and creditworthiness. New dealers are offered a \$2,000 deferred limit on starting. New dealers will be reviewed after six (6) months in business and may be placed on a standard deferred billing program with up to a \$12,000 maximum limit or an enhanced deferred billing program with up to a \$30,000 maximum limit, at Cornwell's discretion, or on no deferred billing program. At no time can a dealer exceed the established maximum deferred billing limit of \$12,000 or \$30,000. As you pay your weekly accumulated deferred payment, you may then add new deferred invoices up to the maximum limit. A deferred billing balance may be paid

in full at any time if you so desire; this must be done by contacting Cornwell's credit department.

NOTE 4 – Cornwell Extended Box (CBX) Financing. Cornwell allows for extended billing of ~~up to \$15,000 in~~ tool box purchases under the following conditions: CBX purchases will be paid for over a 20-week term, without additional charge. The weekly accumulated deferred payment will be one-twentieth (1/20) of the initial balance of the tool box invoice. The weekly accumulated CBX payment will be due under the net terms of the open account statement upon which it initially appears. No CBX billing will be granted unless and until the open account is current. Cornwell reserves the right to reduce or eliminate any CBX billing limit for any legally permitted reason, including, but not limited to your not using the "My Business" function of IBN as required. Any action of this nature will be effective immediately upon notification to you.

CBX billing account limits begin at \$6,000 and can increase based on your weekly purchase average and creditworthiness. New dealers are offered a \$6,000 limit on starting. New dealers will be reviewed after six (6) months in business and may be placed on a standard CBX billing program with up to a \$15,000 maximum limit or an enhanced CBX billing program with up to a \$30,000 maximum limit, at Cornwell's discretion, or on no CBX billing program. At no time can you exceed the established maximum CBX billing limit of \$15,000 or \$30,000. As you pay your weekly accumulated CBX payment, you may then add new CBX invoices up to the maximum limit. Cornwell limits the availability of CBX billing to its branded tool boxes. A CBX billing balance may be paid in full at any time if you so desire; this must be done by contacting Cornwell's credit department.

NOTE 5 - Customer Account Receivable Financing. Independent lenders may determine whether they will provide accounts receivable financing to any particular dealer or to any particular customer of a dealer and upon what terms it will do so. Cornwell has no control over those decisions by independent lenders. Cornwell does not receive direct or indirect payments for placing financing. Cornwell does not guarantee your obligations to third parties.

NOTE 6 - Ongoing purchase of products/product discounts. Your purchases of tools and other products are charged to an open account. If payment is not received within 12 days of the statement date, the account is deemed delinquent by Cornwell. Such terms are subject to change at any time with no obligation by Cornwell.

A finance charge will be imposed on any portion of the open account balance that remains open after thirty (30) days. The amount of said finance charge will be one and one half (1-1/2) percent per month (the Periodic Rate) of the portion remaining open as described above. There will be a minimum charge of \$.50 for any balances under \$33.00. The Periodic Rate corresponds to an annual percentage rate of eighteen (18) percent. No other charges will be imposed.

Cornwell has a Franchised Dealer Volume Incentive Program. This program is offered only to Cornwell Franchised Dealers whose thirteen (13) week purchase average is \$6,500.00 or above and who pay their statements within 12 days of the statement date. (Payment must always be received within 12 days of the statement date.)

#### **ITEM 11. FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING**

Except as listed below, **Cornwell need not provide you any assistance.**

1. Pre-Opening Assistance and Training. Before you begin selling Cornwell product from your truck or van, Cornwell will:
  - (1) survey your non-exclusive territory (Dealer Franchise Agreement, paragraph 1);
  - (2) approve and sell to you the starting inventory (Dealer Franchise Agreement, paragraph 3);

- (3) approve your truck or display van (Dealer Franchise Agreement, paragraph 5a);
- (4) authorize the use of the Cornwell trademark and trade name (Dealer Franchise Agreement, paragraph 10);
- (5) provide financing assistance as described in Item 10 above, if normal credit requirements are met (Dealer Purchase Order, Note and Security Agreement; paragraph 1);
- (6) provide at least 40 hours of mandatory initial classroom training (New Dealer Training Program) near Cornwell's corporate offices in Wadsworth, Ohio, or at some other location. The primary Dealership Operator and anyone else who will participate actively in the operation of the Dealership on the truck must complete the New Dealer Training Program before operating your dealership. The New Dealer Training Program will include classroom instruction on basic business procedures, computer setup, IBN setup, customer relations, product warranty/repair, Email, Cornwell Website and My Business. (Dealer Franchise Agreement, paragraph 8b); and
- (7) provide hardware and software. (See Item 7 of this Disclosure for more details.)

Cornwell maintains a district management force, whose function is to assist you in the operation of your Dealership and to provide experience and direction in establishing and continuing your individual business. Since you are a totally independent businessperson, Cornwell and its managers cannot guarantee the success of your business.

2. Start-Up Time. The typical time between the signing of the franchise agreement and your beginning active operation of you dealership by selling tools is four to six weeks. That time period may be affected by delays in obtaining outside financing, obtaining your van or truck, weather conditions, and other demands on your schedule and demands of your District Manager who will provide training.

3. Ongoing Assistance and Training. During the operation of the franchise business, Cornwell will:

(1) provide two weeks free on-site training to the Primary Operator of the Dealership and anyone else who will participate actively in its operation, through a district manager who will work directly with you, giving advice, support and recommendations (this on-site initial two weeks training will take place in the first month in which you operate the franchise); you are required to participate in the initial training. This on-site training will take place during the first month you operate the franchise and will include training in the following areas (Dealer Franchise Agreement, paragraph 8a):

- a. Merchandising
- b. Product Knowledge
- c. Routing
- d. Warranty
- e. Selling Techniques
- f. Collections
- g. Computer System
- h. Record Keeping
- i. Operation of the Business

The amount of training time you will receive in each of these areas will vary depending on your aptitude and previous work and/or business experience.

(2) provide continuous supervision, assistance and services and a district manager will remain in communication with you providing advice, support, assistance, and coordinating meetings, including dealers and vendors (Dealer Franchise Agreement, paragraph 8a); and

(3) provide you with a copy of Cornwell's Dealer Operations Guide (Operations Guide) which includes information regarding your day-to-day operation of the franchise.

Cornwell will make available to you combined informal and formal training opportunities depending on your individual requirements and background. You will not be charged for these training opportunities, but you are responsible for paying for any travel or accommodation expenses that you may incur. You are required to participate in the initial two (2) week training offered by the Cornwell District Manager.

Also, optional conferences and seminars are held from time to time, where business and product information is made available. No charge is made by Cornwell to you for participation in such conferences and seminars, but you are expected to pay your own expenses for attending.

Cornwell has divided the various states into what it considers to be suitable territories for dealers. This is based on the estimated number of potential customers for you, together with the size of the territory.

If your customer is the original end-user purchaser of a product manufactured by Cornwell ("Cornwell Hard Line") or of a new Kennedy steel roller cabinet, locker, cart, steel tool chest, or steel canopy for use with a Kennedy cabinet or tool chest ("Kennedy Tool Storage"), then your customer is entitled to a limited lifetime warranty that the product will be free of defects in material or workmanship under normal use and will conform to the description given them by Cornwell or Kennedy.

This limited lifetime warranty extends only to the repair or replacement of items found by Cornwell or Kennedy upon examination to be defective in material or workmanship and is subject to availability of replacement parts. This limited lifetime warranty covers only parts and materials, not labor, and cannot be assigned by the original end-user purchaser of that product.

This limited lifetime warranty does not cover products that are damaged through any intentional or negligent actions, including but not limited to misuse, mishandling, or modification or to products that reach the ends of their useful lives as a result of normal wear and tear. Misuse and mishandling of Kennedy Tool Storage products include but are not limited to overloading, especially while moving or transporting the item, and to scratching of painted and unpainted tops.

Cornwell and Kennedy are not responsible for any special, punitive, incidental or consequential damages which may arise out of the purchase or use of any Cornwell or Kennedy product. Cornwell's and Kennedy's liability for any breach of warranty shall be limited to the cost of the repair or replacement of the defective items as described above.

**THIS WARRANTY IS YOUR CUSTOMER'S EXCLUSIVE CORNWELL HARD LINE/KENNEDY TOOL STORAGE WARRANTY AND REPLACES TO THE FULLEST EXTENT PERMITTED BY LAW ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OR CONDITIONS OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.**

Cornwell extends the full manufacturer's warranty to your customers, as the original end-user purchaser of products manufactured by others. No special, punitive, incidental or consequential damages of any kind are recoverable from Cornwell by any person from the use of these products. Further, there is no other warranty extended by Cornwell with respect to these products, including but not limited to warranties of merchantability and fitness for a particular purpose. In order to replace a defective item, it must be returned to Cornwell Quality Tools Company, 454 Corporate Parkway, Wadsworth, Ohio 44281.

**THIS WARRANTY IS YOUR CUSTOMER'S EXCLUSIVE WARRANTY FROM CORNWELL AS TO PRODUCTS MANUFACTURED BY OTHERS AND REPLACES TO THE FULLEST EXTENT PERMITTED BY LAW ALL OTHER WARRANTIES BY CORNWELL, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OR CONDITIONS OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.**

Dealer agrees to extend all of the warranties described in this Paragraph to the Dealer's customers.

4. Advertising Program. Cornwell confines its advertising to programs such as promotional literature and catalogs which are made available to you and information on its

website, [www.cornwelltools.com](http://www.cornwelltools.com). Cornwell does little or no national advertising. You need not spend any money for advertising, but you may do so if you wish. Cornwell will not reimburse your advertising expenditures. You may use your own printed advertising materials, as long as they are accurate if they use any Cornwell trademark. There is no advertising council of Cornwell dealerships. You need not participate in any local or regional advertising cooperative or advertising fund. You will receive no accounting of how Cornwell expends funds for advertising. Cornwell expends approximately ~~86.73~~90.27% of its advertising funds primarily to solicit new franchise sales.

5. Computer System. You are required to acquire a laptop computer, bar code scanner and credit card signature pad from Cornwell (together, "the Hardware") for use on your truck. Cornwell will sell the Hardware to you at Cornwell's cost, now approximately \$3,500. Cornwell will give you a \$1,500 credit on your open account to offset your Hardware purchase expense. You will also be required to purchase or lease a compatible printer and wireless card. Should you wish to obtain additional computers, you are required to contact the IBN Support Desk to obtain specifications and requirements for them.

Cornwell will extend a three-year limited warranty on the Hardware to you, as well as pass through the Hardware manufacturer's limited warranties. Cornwell's warranty will be for support and repair or replacement of the Hardware. Cornwell will attempt to provide support within 2 business hours of report of the issue and to provide loaned Hardware by overnight delivery while repair is attempted or until replacement Hardware is provided.

After the expiration of the Cornwell Hardware warranty period, or if you void the warranty by damage occurring to the Hardware that is not the fault of Cornwell, Cornwell will provide the same support, repair and replacement service, but at your cost. You will have the option of replacing any of the Hardware at your cost during or after the warranty period. The Hardware warranty then being extended by Cornwell will be made to you as to the new Hardware you purchase.

Cornwell will not make any profit on initial Hardware or on Hardware support, repair and replacement provided to you. You must always use Hardware provided by Cornwell on your truck.

You are required to obtain and maintain high speed Internet access via a standalone Network Access Device from a mobile wireless broadband carrier, to be able to communicate electronically with Cornwell.

Computer system expenditures are normally non-refundable. Cornwell has no control over any such refunds of expenditures you make to third-party vendors.

6. Computer Software. You will be required to license the "Ironman Business Network (IBN)" Software under a separate License Agreement with Cornwell. You will be required

to use the "My Business" function in IBN as directed in order for you and Cornwell to monitor your business properly.

The License Agreement includes an open-end service plan, which includes the use of the IBN Software, price updates, program updates and software support. There is a one-time \$100.00 set up fee, plus a monthly service contract fee of \$50.00, which is payable to Cornwell and will be billed to your Cornwell open account every month. There will also be a one-time \$175.00 license fee payable to a credit card processing vendor for Credit Card Processing Software that interfaces with the IBN Software. Cornwell has the right to increase the fees. The IBN software will provide you with a basic means of keeping track of certain financial information about your dealership. But the IBN Software is not a complete accounting system and does not replace the need for professional accounting services or advice.

You will agree to use only the IBN Software in the operation of the dealership. You will also agree to obtain and use upgrades and updates of the IBN Software from Cornwell as they become available. You will also agree that Cornwell will have independent access to the information that will be generated and stored on your computer system using the IBN Software. You will agree to use the IBN Software to generate and maintain accurate reports of your activities on a current basis, with complete information being entered at least once per week. Your IBN Software will automatically store and electronically transmit this information to Cornwell. You will agree to submit separately all information generated by the computer system, if requested by Cornwell, including but not limited to, the weekly reports. Failure to submit this information on request will be a material breach of the Franchise Agreement.

A. Training classes are held once or twice a month at Cornwell's corporate headquarters in Wadsworth, Ohio, or some other location.

B. Instructional materials consist of a New Dealer Training Guide. Cornwell's National Training Manager has over 3738 years of instructing experience in the automotive aftermarket industry and mobile tool business.

Training is provided by Keith McConnell, Franchise Learning & Development Manager. He has 3738 years of experience in the mobile tool industry and 45 years with Cornwell Tools. Training is supervised by the Director of National Sales, Andrew Scott. He has 2223 years of experience in the mobile tool industry.

C. There is no charge to you for the training. You must, however, pay your own travel and living expenses to receive training offered in Ohio or some other location.

D. The principal Operator of the Dealership and anyone else who will participate actively in the operation of the Dealership on the truck must attend the training and complete it to Cornwell's satisfaction, even if you are a converted dealer from another company. You must complete the training before commencing your dealership, at the earliest time it is offered after you are approved to be a Cornwell dealer.

E. No additional training or refresher courses are required, but you may elect to take them.

## **ITEM 12. TERRITORY**

You will be assigned a specific geographic territory by Cornwell that is designed to allow for sales growth. Cornwell has conditions established by policy for agreeing to a revision of your territory, if you request relocation. Any territory revision must be in your best interests and those of Cornwell, as Cornwell determines. You and the principal Operator of the Dealership must agree to use best, full-time efforts to serve your assigned territory fully by the sale of Cornwell products. Cornwell may require you to agree to a modification of the territory as a condition of waiving a default of your failure to use best efforts to serve the territory fully.

By mutual agreement, your assigned geographic territory may exclude certain stops within it, which may be served by another Cornwell dealer. Likewise, by mutual agreement, certain stops may be assigned to you outside your geographic territory that will not be assigned to another Cornwell dealer.

You may not acquire more than one Cornwell Franchise (a "Second Franchise") except under these conditions: 1) Your Cornwell purchase average must have been at least 150% of the national purchase average during all of at least the 12 months before you seek approval of a Second Franchise. 2) You must be and remain "full equity," which means that you have no outstanding loan from Cornwell or any other lender who takes a security interest in the assets of your Franchise. Approval will be denied or withdrawn if any other lender takes a security interest in the assets of the Franchise. 3) The Second Franchise must be "full equity," which means that investment for the Second Franchise cannot be made with funds you borrowed from Cornwell or any other lender who takes a security interest in the assets of your Franchise. Approval will be denied or withdrawn if any other lender takes a security interest in the assets of the Second Franchise. 4) Both the existing franchisee's territory and the proposed second franchise territory must be surveyed by Cornwell in accordance with Cornwell policies in effect at the time. If there is area in your existing territory that is not being served, Cornwell may require that area to be released and included in the Second Franchisee's territory or released to be included in a future dealership's territory. 5) You must be in good standing with, but not limited to, wholesale credit and tech credit and your original franchise and the Second Franchise must remain that way. 6) If any person who will operate the Second Franchise is not already an Operator (an existing Operator or other Owner who has completed New Dealer Training), that person must be approved by Cornwell and must complete New Dealer Training (as must another Owner who will operate the Second Franchise and did not previously complete New Dealer Training). 7) All of the requirements for a new franchise must be met, including, but not limited to, the purchase of an Initial Inventory amount, Time Payment Reserve, Working Capital and truck approval. 8) Both your existing Franchise and the Second Franchise must use IBN. 9) The territory of the Second Franchise must be fully served without interruption of more than 60 consecutive days, or the Second Franchise will be deemed abandoned and terminated. 10) Both your existing Franchise and the Second Franchise must always meet all Cornwell requirements. 11) The existing Franchise must maintain at least 100% of the

national purchase average. The Second Franchise must maintain at least 100% of the national purchase average commencing six months after the Second Franchise begins operation. 12) If your existing Franchise is terminated, the Second Franchise will be terminated as well.

You do not receive an exclusive territory. You may therefore face competition from other franchisees or from other channels of distribution or competitive brands that we control. However, Cornwell has a policy of entering into an agreement with only one dealer for any territory. Typically, there is little, if any, selling by dealers in the territory of others. Cornwell does not have a typical territory in terms of physical size. Your assigned territory will have a minimum of 350 potential customers. Currently, Cornwell does not distribute its products other than through dealers and a limited number of industrial and vocational-technical school distributors. No other form of Cornwell outlet will be established in your territory.

You are permitted to operate only one (1) truck anywhere and no other truck, directly or indirectly, unless Cornwell expressly agrees to let you operate one additional truck. It is Cornwell's present policy not to approve second trucks.

Currently, Cornwell will not solicit or accept orders from customers inside your Territory. Cornwell does however reserve the right to use other channels of distribution, such as catalog sales, telemarketing, or other direct marketing sales, to make sales within your Territory using Cornwell's principal trademarks or using other trademarks. Currently, there are accordingly no provisions for Cornwell to pay for soliciting or accepting orders inside your Territory, other than for vocational-technical school sales, as described elsewhere in this Disclosure.

There are no restrictions on your right to solicit or accept direct orders from customers at their places of business or employment outside your Territory, or on your right to use other channels of distribution, such as catalog sales, telemarketing, or other direct marketing sales, to make sales within your territory. You are not permitted to use any Cornwell trademarks for the purpose of internet sales other than to customers located within your Territory. Cornwell strongly discourages sales outside your Territory. Cornwell reserves the right to decline Tech Credit Plan financing for sales to your Customers outside your assigned Territory.

The continuation of your franchise depends on you continuing to purchase reasonable amounts of Cornwell products. Subject to requirements of state law, Cornwell may terminate a dealership whose purchases are limited, so that the territory may be offered to another dealership who may perform better. Cornwell requires you to maintain annual purchases at a volume of at least 90% of the national purchase average for dealerships, as described in Item 8 above, in order to avoid termination and the offer of the territory to another dealership. Cornwell may also propose to alter your territory, rather than to terminate you altogether, if portions of it are not being serviced adequately, so as to provide more adequate service through another dealership.

Cornwell has filed all required affidavits for continuing trademark use. There are no presently effective determinations of the Patent and Trademark Office, the trademark administrator of this state or any court, any pending interference, opposition or cancellation proceeding or any pending material litigation involving such trademarks or trade names, which are relevant to their use in this state or any other state.

Likewise, there are no agreements currently in effect which significantly limit the right of Cornwell to use or license the use of such trademarks or trade names in any manner material to the franchise.

You must display the Cornwell Trademarks ("Marks") in the location, style and manner specified by Cornwell. No other trademarks shall be used or employed by you on or in connection with the Cornwell products except as specified in writing by Cornwell. Cornwell's Marks are not to be included in your trade name or trade style at any time during or after your operation of a franchise.

Your use of any of the Marks shall not create any right, title, or interest in any of the Marks. Specifically, Cornwell prohibits the use of the Marks outside the scope of the Franchise Agreement. You are not permitted to use any Cornwell trademarks for the purpose of internet sales other than to customers located with your Territory.

You must notify Cornwell immediately when you learn about an infringement of or challenge to your use of Cornwell's trademark. Cornwell will take the action it thinks appropriate. While Cornwell is not required to defend you against a claim against your use of the trademark, Cornwell will reimburse you for liability and reasonable costs you incur in connection with defending Cornwell's trademark. To receive reimbursement, you must have notified Cornwell immediately upon learning about the infringement or challenge.

You must modify or discontinue the use of a trademark if Cornwell modifies or discontinues it. If this happens, Cornwell will reimburse you for tangible costs of compliance (for example, changing decals or signs). You must not directly or indirectly contest Cornwell's right to its trademarks, trade secrets or business techniques that are a part of Cornwell's business.

Upon termination of your dealership for any reason, all of your rights pertaining to the trademarks will automatically revert to Cornwell. Upon termination, you must immediately discontinue use of the trademarks and – at your own expense – you must immediately remove all of the trademarks appearing on decals, signs or otherwise, and any terms confusingly similar to them, from your truck, clothing, business cards, documents and other property. You must also discontinue any use of the trademarks or any reference to them in your advertising.

#### **ITEM 14. PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION**

Cornwell owns United States Patent No. 10,443,271, issued on October 15, 2019, for a drawer latch system. Cornwell owns no rights in or to any other patents that are material to the operation of the franchise. Cornwell publishes promotional literature, which is copyrighted, and which is made available to you at low or no cost. Although Cornwell has not filed an application for a copyright registration for the Operations Guide and IBN Software, it claims a copyright and the information is proprietary. The Operations Guide is described in Item 11. You must promptly tell us when you learn about unauthorized use of this proprietary information. Cornwell is not obligated to take any action, but will respond to this information, as it deems appropriate.

There is no pending interference, opposition, cancellation proceeding or litigation concerning such copyrighted material, nor do any agreements limit the rights of Cornwell to publish such material.

#### **ITEM 15. OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS**

The Dealer Franchise Agreement requires you and the principal Operator of the Dealership personally to engage full time in the business of selling Cornwell's products and to use best efforts to serve your assigned Territory fully. In Cornwell's experience, if you do not work full time it is unlikely that you will be able to meet the required purchase level of 90% of the national franchised dealer weekly average. The principal Operator must participate personally in the direct operation of the Dealership. You are not permitted to hire employees or independent contractors in lieu of the obligation of an Owner personally to provide full-time, best efforts as the Operator of the Dealership. This obligation continues even if you have a Second Franchise, as described in Item 12.

#### **ITEM 16. RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL**

So long as you meet your merchandise purchase requirements (See Items 8 and 12), Cornwell does not restrict the type of goods or services that you may offer. Cornwell has the right to change the types of authorized goods and services, without limitation.

**ITEM 17. RENEWAL, TERMINATION, TRANSFER AND DISPUTE RESOLUTION**

You have thirty (30) days to cure default caused by nonpayment for merchandise and failure to maintain inventory purchase levels, unless the laws of your state provide for a longer time. No action or failure to act on the part of Cornwell will operate as a waiver or otherwise of the subsequent right to terminate you, unless expressly so stated in writing.

**NOTE 2** - You may terminate the Dealer Franchise Agreement at any time after mailing written notice thirty (30) days before the effective date to Cornwell. After five (5) years, Cornwell may exercise a similar right of termination if Cornwell ceases generally from the business of selling the Products in the State in which the Territory is located. Cornwell shall give at least one (1) year's notice in writing of such termination, and shall not offer franchises again to sell the Products in the State for at least five (5) years thereafter.

**NOTE 3** - Following termination, you must cease from and may not use the Cornwell trademark or trade names in any fashion and – at your own expense – you must remove the trademarks and trade names and all reference to the trademarks and trade names by

way of truck decals, signs or otherwise from your truck, clothing and other property and discontinue reference to the trademarks and trade names from your advertising.

NOTE 4 - Upon termination, Cornwell will purchase certain merchandise from you or your estate at the then prevailing dealer prices, less a 15% restocking charge. These tools must be shipped freight prepaid to Cornwell's distribution center in Wadsworth, Ohio. Only new tools and other merchandise will be approved for return. New tools will be approved for return only if they are in new and saleable condition, are active items, and have not been discontinued by Cornwell. All returns must be of current design and finish. All tools returned must be in their original individual carton or container. Broken packs of Cornwell or Cornwell-Allied tools will not be accepted for return if the tools are normally sold by Cornwell in factory pack quantities. The following items are **not** subject to return under this program: Tool storage, socket trays, clips and rails, vinyl kit bags, air compressors, lifting equipment, large shop equipment, parts washers, sales administration or truck display aids, welders, battery chargers, and serial numbered test equipment.

NOTE 5 - Upon termination, Cornwell will refund any credit balance remaining after all outstanding loan and open account balances are satisfied. Cornwell does not retain any right of first refusal concerning the purchase of your dealership or any of its inventory or other property.

NOTE 6 - Your dealership is not transferable or assignable by you, either voluntarily or by operation of law, without Cornwell's written approval, which will not be unreasonably withheld. Cornwell may always transfer or assign its rights and obligations under the Franchise Agreement, however. You retain the right to assign or transfer your assets, subject to Cornwell's security interest. Cornwell may also in its sole discretion waive the prohibition against assignment of the dealership, to permit a succession of ownership within your family upon your death or disability, when the proposed successor has been active previously in the business.

NOTE 7 - The Franchise Agreement may only be modified in writing by both parties. However, Cornwell reserves the right to establish the prices and terms at which it will sell to dealers and repurchase inventory from them, in its sole discretion.

NOTE 8 - Any claim or controversy in connection with, arising out of, or relating to the Agreement between you and Cornwell shall be settled by binding arbitration in accordance with the rules pertaining to commercial dispute arbitration then existing with the American Arbitration Association. Judgment upon the award rendered by the arbitrator(s) may be entered in any court having jurisdiction. Such arbitration will take place in such locations as the parties mutually agree, and in the absence of such agreement, in Akron, Ohio, unless the laws of your state provide otherwise. The laws applicable to the arbitration procedure will be the laws of the State of Ohio, unless the laws of your state provide otherwise.

NOTE 9 - The award of the arbitrator(s) shall be the sole remedy between the parties regarding any claims, counterclaims, issues presented or pled to the arbitrator(s). Cornwell reserves the right to seek injunctive relief from the act or omission of any activity prohibited by the Agreement in any court having jurisdiction.

NOTE 10 - Any notice required to be given under the Franchise Agreement or the Dealer Purchase Order, Note and Security Agreement, or service of process for the purposes of arbitration or litigation of issues arising out of the dealership, shall be given to Cornwell at 667 Seville Road, Wadsworth, Ohio 44281, and to First Dealer and Second Dealer, if applicable, at the address or addresses last provided by them to Cornwell. Service on Cornwell, First Dealer, or Second Dealer shall conclusively be deemed to have been completed for all purposes if made by regular U.S. mail or any other usual and reliable form of delivery to the address last given. The parties will continue to have the obligation to notify one another of any change of address during and after the termination of the dealership, if they wish to be assured of the receipt of notices and service of process, and they expressly waive any objection to notice provided or service made to the last address they have given.

## ITEM 18. PUBLIC FIGURES

Public figures have from time to time promoted Cornwell products and franchise by use of the products and otherwise on Stacey David's GearZ® TV show and by John Force Racing, Inc., and at national auto racing events and otherwise. Under license, Cornwell offers products bearing Stacey David's GearZ® and John Force Racing, Inc., and related trademarks and copyrights. No public figure using Cornwell products is involved in the actual management or control of Cornwell. No public figure has invested any amount in Cornwell or in a franchise offered by Cornwell.

## ITEM 19. FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

Presented below in Sections 19-A and 19-B are certain operating and sales results from ~~692669~~ Cornwell Dealers during the period from January 1, 20~~23~~24 through December 31, 20~~23~~24. This Item 19 only includes operating data for Cornwell Dealers in the United States that operated pursuant to Dealer Franchise Agreements with Cornwell and were in business for all of 20~~23~~24. Cornwell is not providing, and this Item 19 does not reflect, information regarding Dealers who started during ~~2023~~2024 or those who terminated during ~~2023~~2024.

Section 19-A reflects the average gross revenue figures, referred to as "Average Total Completed Business," for the described Cornwell Dealers, which includes the revenue from the sales of goods purchased by the Dealers from Cornwell and any other items that were sold by the Dealers. Section 19-A also includes the Median, and the Highest and Lowest gross revenue figures. The information is segregated into thirds, based on Total Completed Business.

Section 19-B reflects the average weekly sales figures for the described Cornwell Dealers in ~~2023~~2024. Section 19-B also includes the Median, and the Highest and Lowest weekly sales figures.

The information in Section 19-A and Section 19-B is explained below. Please read carefully all of the information in this Item 19, and all of the notes following the data, in conjunction with your review of the historical data.

Notes for Section 19-A:

1. Chart 1 reflects the operating data for 692669 total Cornwell Dealers in the United States operating pursuant to Dealer Franchise Agreements with Cornwell that were in business for all of 20232024 and who reported sales for at least 48 weeks during 20232024. The three groupings of Dealers in Chart 1 (Top 1/3, Middle 1/3 and Bottom 1/3) included 230223 Dealers in the Top 1/3 group, 231223 Dealers in the Middle 1/3 group, and 231223 Dealers in the Bottom 1/3 group.

2. The term “Total Completed Business,” as used in Section 19-A, means the total cash or revenue a Dealer received during 20232024, including sales tax collected, from the sale of all “Products.” This includes revenue from the sale of goods purchased by the

Dealers from Cornwell and any other items that were sold by the Dealers. The revenue received by the Dealers is comprised of cash sales (received by currency, check or credit/debit card), Time Payment collections from previous sales and credits received by the Dealer from the sale of Tech-Credit Agreements (installment contracts; see Item 10, Note 2 above).

3. The “Average” is calculated by adding the total business for all Dealers in the group, and dividing that number by the number of Dealers in the group.

4. The term “Median” means the data point that is in the center of all data points used. For example, in the “Top 1/3” group in Chart 1 there were 230223 Cornwell Dealers. The “median” Total Completed Business of \$813,398.24821,927.78 means that 115111 of the 230223 Dealers in the group had Total Completed Business greater than \$813,398.24821,927.78, ~~and 115111~~ of the 230223 Dealers in the group had Total Completed Business of less than that figure, and 1 of the 223 Dealers in the group had exactly Total Completed Business of that figure.

5. The term “Highest” and “Lowest,” as used in Section 19-A, refers to the highest and lowest numbers in the range.

## CHART 2

### Section 19-B

#### Weekly National Dealer Sales Average - 20232024

<b>All Reporting Dealers</b>	
National Dealer Sales Average:	<u>\$12,039.4612,344.97</u>
Dealers Reporting:	<u>691668</u>
Dealers At or Above Average:	<u>279 258 (4039%)</u>
Median:	<u>\$11,017.8511,211.84</u>
Highest:	<u>\$46,141.4653,527.70</u>
Lowest:	<u>\$92.84448.47</u>

#### Notes for Section 19-B:

1. Chart 2 reflects the operating data for 691668 total Cornwell Dealers in the United States operating pursuant to Dealer Franchise Agreements with Cornwell that were in business for all of 20232024 and who reported sales for at least 48 weeks during 20232024.

2. The terminology “National Dealer Sales Average” as used in Section 19-B means the total reported sales of all “Products” (goods purchased by the Dealers from Cornwell and any other items that were sold by the reporting Dealers) in ~~2023~~2024, divided by the number of weekly “close-outs” of those same Dealers. Each week the Dealers are required to report their sales of Products which are the gross selling price of all Products, whether or not the sale is for cash, for credit, or partial cash and partial credit, or trade-in. When a Dealer closes out its sales for the week, it triggers a report. The total sales for a year may not be reported for each of 52 weeks, as Dealers may not close out sales each week. Therefore, the annual National Sales Average may not represent 52 weeks of sales.

4. The term “Median” means the data point that is in the center of all data points used. The “median” sales of \$~~11,017.85~~11,211.84 means that ~~345334~~ of the ~~694668~~ Dealers had total reported sales averages greater than \$~~11,017.85~~11,211.84 and ~~345334~~ of the ~~694668~~ Dealers in the group had total reported sales of less than that figure. ~~\_, and one Dealer had total reported sales of exactly that figure.~~

5. The terminology “Highest” and “Lowest,” as used in Section 19-B refers to the highest and lowest numbers in the range. The Highest amount of Product sales averages reported in a week during ~~2023~~2024 was \$~~46,141.46~~53,527.70 and the Lowest amount was \$~~92.84~~448.47.

6. The number of Dealers reporting sales in ~~2023~~2024 was ~~694668~~. The ~~694668~~ Dealers were Cornwell Dealers in the United States who (i) were in business at the beginning of ~~2023~~2024, (ii) were operating at the end of ~~2023~~2024, and (iii) reported sales close-outs at least 48 weeks during ~~2023~~2024.

7. One of the differences between the “Total Completed Business” and “Sales” is that “Sales” (Section 19-B) reflects all sales, even if some of the payments have not been received, and “Total Completed Business” (Section 19-A) reflects sales only based on cash collected and Tech-Credit credits received. Therefore, there is a difference due to timing and collections. Another difference between “Total Completed Business” and “Sales,” is that the figures reported by Dealers for Total Completed Business includes sales tax collected, and that the figures for Sales do not include sales tax.

8. The National Dealer Sales Average is different from “the national average of Cornwell franchise dealers’ weekly purchases” that will be utilized in connection with the performance criteria discussed in Item 8.

Notes for both Sections 19-A and 19-B, and this entire Item 19:

1. The data in the charts are obtained from the Dealers through the IBN system (see Item 7, Note 11). As Dealers purchase goods from Cornwell, they also report on sales made and revenue received. A weekly sales report is generated if the Dealer places an

order to purchase goods in a given week. Therefore, the information in the charts is based solely on data received from the Dealers through IBN. We have not attempted to verify the information received from the Dealers. These figures have not been reviewed or audited by Cornwell.

2. During the time period covered by this financial performance representation—the ~~2023~~2024 calendar year—~~113~~129 Dealers closed or ceased operations. Of these, ~~415~~ were open for less than 12 months.

3. Substantiation of the data used in preparing the materials in this Item 19 will be made available to you upon reasonable request.

4. Your sales, revenue and income will be affected by a variety of factors, including the sales and marketing skills of the Principal Operator of the Dealership; the Principal Operator's frequency of visits to actual and potential customers; efforts to collect on unpaid invoices or installment contracts; retail prices charged for products; discounts that may be offered; prevailing economic or market conditions; demographics; interest rates; the capitalization level of the Dealership; the amount and terms of any financing that you may secure; and the Principal Operator's business and management skills.

**5. Some Dealers have sold and collected the amounts shown. Your own results may differ. There is no assurance that you will sell or collect as much.**

6. The charts do not include any estimate of, or specific or historical data regarding, costs, expenses or debts that a Dealer has incurred, or may in the future incur. We cannot predict or project your costs and expenses to be paid from revenue you receive. We cannot therefore project your net income.

The following is a partial list of the types of expenses that a Cornwell Dealer may incur:

- Labor costs, including payroll, taxes and benefits (which may include health and/or life insurance, vacation, and pension plan contributions) for your Principal Operator or any other employee.
- Cost of goods sold, which includes wholesale cost of products that may be offered.
- Truck or van costs, including lease or purchase payments, maintenance, gas, and similar costs.
- Insurance.
- Marketing and promotional costs.

- Communication costs (phone, internet, etc.).
- Freight costs incurred with tool returns and warranty repairs, as well as those incurred for receiving shipments of certain items from Cornwell.
- Interest paid to Cornwell or other sources of financing and banking/credit/debit card fees.
- Bad debt owed by a Dealer's customers that must be written off.

The types of expenses, and the amount of costs and expenses, are likely to vary from Cornwell Dealer to Cornwell Dealer. These may not be all of the expenses that you will incur.

7. Prospective Dealers should be aware that in evaluating a financial performance representation or an earnings claim that includes revenue or sales figures only, or does not include all costs of goods sold, operating expenses, and other expenses, that costs and expenses must be deducted from the gross revenue or gross sales figures to obtain net income or profit. This Item 19 financial performance representation does not include net income or profit.

8. The Cornwell Dealers whose results are reflected in Sections 19-A and 19-B have been operating a Cornwell Dealership during ~~2023~~2024. Some of the Dealers have been operating their Cornwell Dealership for many years and may have developed a large and loyal customer base.

9. The information in this Item 19 reflects the historical aggregate results of ~~[number]~~669 Cornwell Dealers in ~~2023~~2024. You are strongly advised to conduct an independent investigation of this opportunity to evaluate the expected or potential costs and expenses you will incur as a Cornwell Dealer. You should consult your attorney, accountant, and other professional advisors. Also, current and former Dealers listed in this Disclosure Document may be one source of information.

10. Other than the preceding financial performance representations in this Item 19, Cornwell does not make any financial performance representations. We do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing Dealership, however, we may provide you with the actual records of that business. If you receive any other financial performance information or projections of your future income, you should report it to our management by contacting Andrew Scott, Cornwell's Director of National Sales, at 667 Seville Road, Wadsworth, Ohio 44281, (330) 336-3506, the Federal Trade Commission, and the appropriate state regulatory agencies.

**2. CHANGES IN NUMBER OF OUTLETS.** The following table gives the total number of transfers of ownership of franchises from one franchisee to another. Cornwell does not acquire franchises. The “transfer” of a franchise for this purpose means that Cornwell approved a new franchised dealer in some or all of the same territory as a former dealer. Ownership of a Cornwell franchise, as such, cannot be transferred except upon

the death or disability of a franchisee, to an active member of his or her family. Any transfer of assets from an outgoing dealer to a new dealer, such as a truck, inventory and accounts receivable, is arranged directly between them, without any involvement by Cornwell, other than to approve the truck for further use or to facilitate the process of asset transfer if the parties so request. Cornwell reserves the right to advise the new dealer concerning the terms of the transfer, if it believes that the terms would have a significant negative effect on the financial position of the new dealer.

**3. STATUS OF FRANCHISEE-OWNED OUTLETS.** The following table gives the status of Cornwell franchises in each state in the last three years. Cornwell franchises are not subject to non-renewal, nor are Cornwell franchises ever acquired or re-acquired by the company. "Termination" for this purpose means that Cornwell terminated the franchise without providing any compensation to the franchisee (whether by payment or forgiveness or assumption of debt.)

## Independent Auditor's Report

Board of Directors of  
Cornwell Quality Tools Company and Subsidiary

### ***Opinion***

We have audited the accompanying consolidated financial statements of Cornwell Quality Tools Company and Subsidiary (an Ohio corporation), which comprise the consolidated balance sheet as of December 31, 2022, and the related consolidated statements of operations, changes in shareholders' equity and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Cornwell Quality Tools Company and Subsidiary as of December 31, 2022, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of Cornwell Quality Tools Company and Subsidiary and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Adoption of New Accounting Standard***

As discussed in Note 2 to the consolidated financial statements, in 2022, the Company adopted Accounting Standards Codification 842, *Leases*. Our opinion is not modified with respect to this matter.

### ***Prior Period Consolidated Financial Statements***

The consolidated financial statements of Cornwell Quality Tools Company and Subsidiary as of December 31, 2021, were audited by other auditors whose report dated March 25, 2022, expressed an unmodified opinion on those statements.

### ***Responsibilities of Management for the Consolidated Financial Statements***

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cornwell Quality Tools Company and Subsidiary's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

***Auditor's Responsibilities for the Audit of the Consolidated Financial Statements***

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cornwell Quality Tools Company and Subsidiary's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cornwell Quality Tools Company and Subsidiary's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

## 1. NATURE OF OPERATIONS

Cornwell Quality Tools Company and Subsidiary (the Company) is a manufacturer and distributor of hand-held tools, toolboxes, diagnostic equipment and other related products for mechanics, primarily in the automotive business. The Company sells its products to independent dealers and other industrial users throughout the United States of America and parts of Europe. Purchased parts account for approximately 93% of sales in 2022 and 2021, respectively. The Company maintains manufacturing facilities in Ohio and Pennsylvania and distribution centers in Ohio and Utah.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Principles of Consolidation

The accompanying consolidated financial statements of Cornwell Quality Tools Company and Subsidiary include the accounts of Cornwell Quality Tools and its wholly owned subsidiary, CQT Kennedy, LLC, collectively referred to as the Company. All significant intercompany transactions have been eliminated in consolidation.

Basis of Accounting

The accompanying consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Variable Interest Entity

The Company is the primary beneficiary of an affiliated leasing entity that was formed for the purpose of holding real estate which is leased to the Company. The affiliated leasing entity generates substantially all of its revenue from the Company. The Company accounts for the variable interest entity (VIE) under the alternative accounting guidance issued by the Financial Accounting Standards Board (FASB). This alternative accounting treatment permits privately held companies meeting certain criteria from having to apply existing VIE consolidation guidance to common control leasing arrangements while maintaining compliance with GAAP. This alternative accounting guidance still requires certain disclosures pertaining to its relationship with the VIE entity, which have been disclosed in Note 9.

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, cash held in banks and all highly liquid investments purchased with original maturities of three months or less. The Company's cash balances at banks may, at times, exceed the limits of related federal deposit insurance. The Company has not experienced any losses, material or otherwise, due to this concentration.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Accounts Receivable

The Company extends unsecured credit to its customers during the ordinary course of business but mitigates the associated risk by performing ongoing credit evaluations and actively pursuing past due accounts. Trade accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible accounts through a charge to earnings and a credit to the allowance for doubtful accounts based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the allowance and a credit to trade accounts receivable. The opening balance of accounts receivable - net as of January 1, 2021, was \$7,293,342.

Notes Receivable

During the ordinary course of business, customers may refinance their trade accounts receivable and create an installment loan. These loan terms are typically from one to five years with payments due weekly ranging between \$218 and \$417 including interest ranging between 10% and 17%. Interest is charged and recognized on the loans as payments are received. Management provides for probable uncollectible accounts through a charge to earnings and a credit to the allowance for doubtful accounts based on its assessment of the current status of individual accounts. As of December 31, 2022 and 2021, the Company had an allowance for uncollectible accounts of \$250,000.

Receivables are considered to be past due based on the various contractual terms.

On December 31, 2022, contractual maturities of gross notes receivables were as follows:

2023	\$ 3,170,164
2024	4,239,693
2025	3,405,977
2026	2,380,212
2027	966,621
Thereafter	436,610
	<u>\$ 14,599,277</u>

Finance Receivables

Finance receivables, that management has the intent and ability to hold for the foreseeable future, or until maturity or payoff, are reported at their outstanding unpaid principal balances reduced by any charge off or specific valuation accounts and net of any deferred financing fees or costs on originated loans. Deferred financing fees are amortized on a straight-line basis over a 36-month period which approximates the life of the finance receivables.

Allowance for loan losses is increased by charges to income and decreased by charge-offs (net of recoveries). Management's periodic evaluation of the adequacy of the allowance is based on the Company's past loan loss experience, known and inherent risks in the portfolio, adverse situations that may affect the borrower's ability to repay, the estimated value of any underlying collateral and current economic conditions. Commercial loans are charged off when they are one hundred twenty days contractually past due.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Finance Receivables (continued)

From time to time, the Company sells finance receivables that have been previously charged off. Proceeds from sales of the loans were \$200,364 in 2022 and \$204,814 in 2021 and are included in the income from financing operations in the consolidated statements of operations.

Inventories

Inventories are valued at the lower of cost or market with cost determined by the last-in, first-out (LIFO) method. If the first-in, first-out (FIFO) method was used to value inventories, reported inventories would have increased by \$8,468,872 and \$5,931,566 at December 31, 2022 and 2021, respectively, and net income after taxes would have increased by \$1,852,306 in 2022 and by \$1,045,065 in 2021.

Special Dealer Program

Deferred financing incentive expense for the special dealer program is amortized on a straight-line basis over a 36-month period. The program ended as of December 31, 2021, therefore, there are no remaining fees to amortize in 2022, or in future years. Amortization expense totaled \$26,250 in 2021.

Investments - Designated

The Company designated investments to be used at a future date for the purpose of funding a portion of the deferred compensation liability. Designated investments have been deposited in a separate account during 2022 and 2021.

Goodwill

The Company recognized \$8,483,752 of goodwill related to Cornwell Quality Tools Company's acquisition of CQT Kennedy, LLC. The Company accounts for goodwill in accordance with alternative accounting guidance issued by the FASB. This alternative accounting treatment permits privately held companies to amortize goodwill on a straight-line basis over a period not to exceed 10 years while maintaining compliance with GAAP. Goodwill is reviewed for possible impairment at least annually or more frequently upon the occurrence of an event or when circumstances indicate that the carrying amount is greater than its fair value. Management has determined that there is no impairment of goodwill for the years ended December 31, 2022 and 2021. Amortization expense totaled \$848,376 in 2022 and \$848,375 in 2021, respectively, and accumulated amortization totaled \$5,302,345 at December 31, 2022 and \$4,453,969 at December 31, 2021. Goodwill will amortize at the annual amount of \$848,376 in 2023, 2024, and 2025, with the remaining amount of \$636,279 being amortized in 2026.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Property, Plant and Equipment

Property, plant and equipment are recorded at cost. Major additions and improvements are charged to the property accounts while replacements, maintenance and repairs which do not improve or extend the lives of the respective assets, are expensed currently. When property is retired or otherwise disposed of, the cost of the property is removed from the asset account, accumulated depreciation is charged with an amount equivalent to the depreciation provided, and any resulting gain or loss is charged or credited to operations.

Depreciation has been provided using the straight-line method over the estimated useful lives of the assets as follows:

Buildings and improvements	4 to 35 years
Machinery and equipment	5 to 20 years
Office furniture and fixtures	3 to 10 years
Transportation equipment	3 to 5 years

Depreciation expense totaled \$1,621,038 in 2022 and \$1,484,314 in 2021.

Estimates

The preparation of consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. While actual results could differ from those estimates, management does not expect those differences to be significant to the consolidated financial statements.

Advertising

Advertising primarily consists of the Company's catalog, bulletins, flyers, sponsorships and advertising in national publications for the Company's products, which are amortized over one year or less. Advertising expense was \$2,911,439 in 2022 and \$2,170,068 in 2021.

Income Taxes

The Company is taxed as a C-Corporation and, accordingly, a provision (benefit) for federal and state taxes has been recorded in the consolidated financial statements.

The Company recognizes deferred tax assets and liabilities for future tax consequences attributable to differences between the carrying amounts of existing assets and liabilities and their respective tax basis. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the year in which the temporary differences are expected to be recovered or settled. The effect of deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date. Deferred tax assets are reduced by a valuation allowance when management determines a portion or all of the deferred tax assets will more likely than not be recognized.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition

The Company generates revenue from various financing programs that include: (i) installment sales contracts arising from tool dealers wishing to provide financing to their customers on an extended-term payment plan and (ii) business loans to tool dealers for inventory. Interest income from finance receivables is recognized using the interest method. Accrual of interest income on finance receivables is suspended when a loan is contractually delinquent for 120 days or more. The accrual is resumed when the loan becomes contractually current, and past due interest income is recognized at that time.

The decision to finance through the Company or another financing source is solely at the election of the customer. When assessing customers for potential financing, the Company considers various factors regarding ability to pay, including the customers' financial condition, debt-servicing ability, past payment experience and credit bureau and proprietary credit model information, as well as the value of the underlying collateral. See Note 5 for information on credit quality indicators and monitoring.

The Company enters into contracts with customers related to the selling of products. At contract inception, an assessment of the products promised in the contracts with customers is performed and a performance obligation is identified for each distinct promise to transfer to the customer a product (or bundle of products). To identify the performance obligations, the Company considers all of the products promised in the contract regardless of whether they are explicitly stated or are implied by customary business practices. Contracts with customers are comprised of customer purchase orders, invoices and written contracts.

Revenue from the sale of products is recognized at a point in time when the Company's performance obligations are satisfied, which generally occurs at a point in time when title and control of the product is transferred to the customer at shipping point. Once a product has shipped, the customer is able to direct the use of, and obtain substantially all of the remaining benefits from the asset. Customer payments are typically due within 30 days of billing or over the terms set out in the financing program, depending on the contract.

In some cases, the nature of the Company's contracts give rise to variable consideration, including weekly dealer volume discounts, rebates, credits, allowances for returns or other similar items that generally decrease the transaction price. These variable amounts generally are credited to the customer, based on achieving certain levels of sales activity or product returns.

In the normal course of business, the Company allows dealers to return product per the provisions in the franchise agreement that allow for the return of product in a saleable condition. For other customers, product returns are generally not accepted unless the item is defective as manufactured. Estimated product returns are recorded as a reduction in reported revenues at the time of sale based upon historical product return experience and is adjusted for known trends to arrive at the amount of consideration to which the Company expects to receive.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition (continued)

Variable consideration is estimated at the most likely amount that is expected to be earned. Estimated amounts are included in the transaction price to the extent it is probable that a significant reversal of cumulative revenue recognized will not occur when the uncertainty associated with the variable consideration is resolved. Estimates of variable consideration and determination of whether to include estimated amounts in the transaction price are based largely on an assessment of the anticipated performance and all information (historical, current and forecasted) that is reasonably available.

*Disaggregation of Revenue*

All sales revenue results from product sales and is recognized at a point in time. Products are sold primarily to independent tool dealers and other industrial users throughout the United States of America and parts of Europe. Qualitative factors that affect revenue recognition and cash flows include, uninterrupted supply chain for components used to manufacture products, purchased products, availability of labor, and prompt payment by customers.

*Performance Obligation*

The Company's contracts for the sale of products contain a single performance obligation. The performance obligation is satisfied when the product is shipped to the customer.

*Significant Judgments and Estimates*

Other than variable consideration previously noted, there are no significant judgments involved in the recognition of revenue from the sale of products.

Shipping and Handling Costs

The Company has elected to treat shipping and handling costs as contract fulfillment activities. Shipping and handling revenue is included in sales and the related costs are included in cost of goods sold in the accompanying consolidated statements of operations.

Returned Goods

The Company sells both manufactured tools and products purchased from other manufacturers. For purchased products, it is the Company's policy to extend the full manufacturer's guarantee to the Company's customers. For manufactured items, the Company will, at its sole discretion, replace or repair an item if it is determined that the item has not given the user a fair value in terms of length of useful life. This policy is considered a promotional expense that generates goodwill with the customer and, as consistent with standard practices in this industry, these amounts are expensed as incurred. The Company's policy is also considered an assurance warranty and, therefore, does not constitute variable consideration.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value

The Company applies fair value measurements in accordance with GAAP, which establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

At December 31, 2022 and 2021, included in investments designated on the consolidated balance sheets, are money market funds with a fair value of \$161,109 and \$158,562, respectively. The designated investments are measured on a Level 1 basis at December 31, 2022 and 2021, as defined by GAAP.

Concentrations of Credit Risk

The Company performs ongoing credit evaluations of its customers and generally requires collateral only on financing and notes receivables with extended credit terms. The Company maintains reserves for potential credit losses and such losses have been within management's expectations.

Adoption of New Accounting Pronouncement - Leases

In February 2016, the FASB issued accounting standards update (ASU) 2016-02, *Leases* (known as FASB Accounting Standards Codification [ASC] 842) to increase transparency and comparability among organizations by requiring the recognition of right-of-use (ROU) assets and lease liabilities on the consolidated balance sheet. Most prominent among the changes in ASC 842 is the recognition of ROU assets and lease liabilities by lessees for those leases classified as operating leases. Under the standard, expanded disclosures are required about the nature and terms of lease agreements to enable users of the consolidated financial statements to assess the amount, timing and uncertainty of cash flows arising from leases. The comparative information presented in the accompanying consolidated financial statements continues to be reported under prior lease guidance in accordance with ASC 840.

The Company adopted the provisions of ASC 842 effective January 1, 2022, and recognized and measured leases existing at, or entered into after the beginning of the period of adoption, with certain practical expedients available. The adoption of ASC 842 had a material impact on the Company's consolidated balance sheet but did not have a material impact on the Company's consolidated statements of operations, shareholders' equity and cash flows. No cumulative adjustment to retained earnings was needed upon adoption. The most significant impact was the recognition of ROU assets and lease liabilities for operating leases. The Company does not have any finance leases.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Adoption of New Accounting Pronouncement - Leases (continued)

Concurrent with the adoption of ASC 842, the Company elected the following implementation package of practical expedients: to account for existing capital leases and operating leases as finance leases and operating leases, respectively, under the new guidance, without reassessing (a) whether the contracts contain leases under the new standard, (b) whether classification of capital leases or operating leases would be different in accordance with the new guidance, or (c) whether the unamortized initial direct costs before transition adjustments would have met the definition of initial direct costs in the new guidance at lease commencement.

As a result of the adoption of ASC 842, the Company recognized operating lease liabilities of \$6,117,845 on January 1, 2022, which represents the present value of the remaining operating lease payments of \$6,769,409 discounted using the risk-free rate, and related ROU assets of the same amounts.

Leases

The Company determines if an arrangement is, or contains, a lease at the inception date. In evaluating contracts to determine if they qualify as a lease, the Company considers factors such as if the Company has obtained substantially all of the rights to the underlying asset through exclusivity, if the Company can direct the use of the asset by making decisions about how and for what purpose the asset will be used and if the lessor has substantive substitution rights. This evaluation may require significant judgment.

ROU assets represent the right to use an underlying asset for the lease term and lease liabilities represent the obligation to make lease payments arising from the lease. Operating lease ROU assets and lease liabilities are recognized at the commencement date based primarily on the present value of lease payments over the lease term. In determining the discount rate used to measure the ROU assets and lease liabilities, the Company uses rates implicit in the lease, when available. If the rate implicit in the lease is not readily available, the Company has elected to use a risk-free rate for all classes of assets. The risk-free rate used is the U.S. Treasury Bill Rate in effect at the commencement of the lease for a similar term. The operating lease ROU assets also include any lease payments made at commencement and exclude lease incentives. Lease terms may include options to extend or terminate the lease when it is reasonably certain that the Company will exercise that option. Lease expense is recognized on a straight-line basis over the lease term.

The Company elected to apply the short-term lease exemption. Under this exemption, ROU assets and lease liabilities are not recognized for leases with an initial term of 12 months or less. The Company does not currently have any short-term lease arrangements.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Leases (continued)

The Company has lease agreements with both lease and non-lease components, which are generally accounted for separately. In allocating consideration in the contract to the separate lease components and the non-lease components, the Company uses the standalone prices of the lease and non-lease components. Observable standalone prices are used, if available. If the standalone price for a component has a high level of variability or uncertainty, this allocation may require significant judgment.

The Company has certain leases which are triple net leases, whereby the lessee pays all utilities, insurance, real estate taxes and maintenance associated with the property. These costs are considered to be lessee costs recognized in the consolidated statement of operations in the period in which the related obligation is incurred.

Leases Prior to the Adoption of ASC 842

Prior to the adoption of ASC 842, under ASC 840, lease expenses related to operating leases were recognized on a straight-line basis over the lease term with disclosures made regarding future minimum payments. Prior to the adoption of ASC 842, there was no recognition of operating leases on the consolidated balance sheet.

Subsequent Events

## 5. CREDIT QUALITY OF FINANCE AND NOTES RECEIVABLES

The Company actively monitors the credit quality of finance and notes receivables by performing a credit worthiness analysis at the borrowing date, and at predetermined intervals throughout the time finance and notes receivables are outstanding. Credit for purchases under notes receivable is granted based on a review of the customer's Beacon credit score. Credit for purchases under finance receivables is granted based on an internally developed scoring method termed a Scorecard. The Scorecard was initially developed in June 2004, and has been revalidated in September 2008, 2012, 2016, February 2018, and September 2021. The Scorecard takes into account various credit quality indicators such as job history, public record information, collections and prior delinquent accounts and then assigns a weighted score which is used in determining the customer's credit. In the February 2018 revalidation, the introduction of FICO scores as an additional qualifier was added. Before June 2004, the Company granted credit based on a customer's Beacon score or internally determined Blue Ribbon rating.

## NOTE TO THE SUPPLEMENTAL CONSOLIDATED FINANCIAL STATEMENTS - FIFO BASIS

## 1. BASIS OF PRESENTATION

The accompanying supplemental consolidated balance sheets, statements of operations and changes in shareholders' equity as of December 31, 2022 and 2021, and for the years then ended have been prepared in accordance with accounting principles generally accepted in the United States of America as applied by the Company in its historical consolidated financial statements, adjusted for the following:

Inventories

Inventories are valued at the lower of cost or net realizable value with costs determined by the first-in, first-out (FIFO) method.

Inventories stated on the basis referred to in the preceding paragraph are as follows:

	<u>2022</u>	<u>2021</u>
Raw materials	\$ 5,882,360	\$ 6,198,060
Work in process	3,503,205	3,427,525
Finished goods	<u>40,537,244</u>	<u>29,744,156</u>
	49,922,809	39,369,741
Less: Obsolescence reserve	<u>392,256</u>	<u>280,000</u>
	<u>\$ 49,530,553</u>	<u>\$ 39,089,741</u>

The income tax effect has been provided on the increase/decrease in inventory value at the statutory federal and state tax rates. The tax effect deferred tax assets by \$2,459,000 in 2022 and \$1,774,000 in 2021. The tax effect increased the provision for income taxes by \$685,000 in 2022 and \$387,000 in 2021.

The Company uses the LIFO (last-in, first-out) method for its historical consolidated financial statements because it better matches costs and revenues.

Board of Directors  
Cornwell Quality Tools, Inc. and Subsidiary

We have audited the consolidated financial statements of Cornwell Quality Tools, Inc. and Subsidiary for the year ended December 31, 2022, and have issued our report thereon dated March 29, 2023. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated December 8, 2022. Professional standards also require that we communicate to you the following information related to our audit.

## Significant Audit Matters

### *Qualitative Aspects of Accounting Practices*

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by The Company are described in Note 2 to the consolidated financial statements. As described in Note 2, the Company changed accounting policies related to Leases by adopting FASB Accounting Standards Update No. 2016-02, in 2022. No other accounting policies were changed during 2022. We noted no transactions entered into by the Company during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the consolidated financial statements in the proper period.

Accounting estimates are an integral part of the consolidated financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the consolidated financial statements were:

Management's estimate of the allowance for doubtful accounts, excess and obsolete inventory reserve, and the estimated useful lives of fixed assets and intangibles. We evaluated the key factors and assumptions used to develop the estimates in determining that it is reasonable in relation to the consolidated financial statements taken as a whole.

The consolidated financial statement disclosures are neutral, consistent, and clear.

### *Difficulties Encountered in Performing the Audit*

We encountered no significant difficulties in dealing with management in performing and completing our audit.

### *Corrected and Uncorrected Misstatements*

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. The attached schedule summarizes uncorrected misstatements of the consolidated financial statements. Management has determined that their effects are immaterial, both individually and in the aggregate, to the consolidated financial statements taken as a whole. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the consolidated financial statements taken as a whole. The uncorrected misstatements or the matters underlying them could potentially cause future period consolidated financial statements to be materially misstated, even though, in our judgment, such uncorrected misstatements are immaterial to the consolidated financial statements under audit.

### *Disagreements with Management*

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the consolidated financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

### *Management Representations*

We have requested certain representations from management that are included in the management representation letter dated March 29, 2023.

### *Management Consultations with Other Independent Accountants*

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Company's consolidated financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

### *Other Audit Findings or Issues*

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to engagement as the Company's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our engagement.

*Other Matters*

With respect to the supplementary information accompanying the consolidated financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with U.S. generally accepted accounting principles, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the consolidated financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the consolidated financial statements themselves.

Management, Shareholders, and Board of Directors  
Cornwell Quality Tools, Inc. and Subsidiary

In planning and performing our audit of the consolidated financial statements of Cornwell Quality Tools, Inc. and Subsidiary (the Company) as of and for the year ended December 31, 2022, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given those limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

\* \* \* \* \*

This communication is intended solely for the information and use of management, shareholders, Board of Directors, and others within the Company, and is not intended to be, and should not be, used by anyone other than these specified parties.

## Independent Auditor's Report

Board of Directors of  
Cornwell Quality Tools Company and Subsidiary

### ***Opinion***

We have audited the accompanying consolidated financial statements of Cornwell Quality Tools Company and Subsidiary (an Ohio corporation), which comprise the consolidated balance sheet as of December 31, 2023 and 2022, and the related consolidated statements of operations, shareholders' equity, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Cornwell Quality Tools Company and Subsidiary as of December 31, 2023 and 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of Cornwell Quality Tools Company and Subsidiary and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Responsibilities of Management for the Consolidated Financial Statements***

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cornwell Quality Tools Company and Subsidiary's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

### ***Auditor's Responsibilities for the Audit of the Consolidated Financial Statements***

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cornwell Quality Tools Company and Subsidiary's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cornwell Quality Tools Company and Subsidiary's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

## 1. NATURE OF OPERATIONS

Cornwell Quality Tools Company and Subsidiary (the Company) is a manufacturer and distributor of hand-held tools, toolboxes, diagnostic equipment, and other related products for mechanics, primarily in the automotive business. The Company sells its products to independent dealers and other industrial users throughout the United States of America and parts of Europe. During 2023 and 2022, purchased parts accounted for approximately 94% and 93%, respectively, of sales. The Company maintains manufacturing facilities in Ohio and Pennsylvania and distribution centers in Ohio and Utah.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Principles of Consolidation

The accompanying consolidated financial statements of Cornwell Quality Tools Company and Subsidiary include the accounts of Cornwell Quality Tools Company and its wholly owned subsidiary, CQT Kennedy, LLC, collectively referred to as the Company. All significant intercompany transactions have been eliminated in consolidation.

Estimates

Management uses estimates and assumptions in preparing the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP). Those estimates and assumptions affect the reported amounts of assets and liabilities and the reported revenue and expenses. Actual results could vary from the estimates that were used and such differences may be material.

Variable Interest Entity

The Company is the primary beneficiary of an affiliated leasing entity that was formed for the purpose of holding real estate which is leased to the Company. The affiliated leasing entity generates substantially all of its revenue from the Company. The Company accounts for the variable interest entity (VIE) under the alternative accounting guidance issued by the Financial Accounting Standards Board (FASB). This alternative accounting treatment permits privately held companies meeting certain criteria from having to apply existing VIE consolidation guidance to common control leasing arrangements while maintaining compliance with GAAP. This alternative accounting guidance still requires certain disclosures pertaining to its relationship with the VIE entity, which have been disclosed in Note 9.

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, cash held in banks, and all highly liquid investments purchased with original maturities of three months or less. The Company's cash balances at banks may, at times, exceed the limits of related federal deposit insurance. The Company has not experienced any losses, material or otherwise, due to this concentration.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Adoption of New Accounting Standard - Allowance for Credit Losses

In June 2016, the Financial Accounting Standards Board (FASB) issued guidance (FASB Accounting Standards Codification [ASC] 326) which significantly changed how entities will measure credit losses for most financial assets and certain other instruments that are not measured at fair value through net income. The most significant change in this standard is a shift from the incurred loss model to the expected loss model. Under the standard, disclosures are required to provide users of the financial statements with useful information in analyzing an entity's exposure to credit risk and the measurement of credit losses. Financial assets held by the Company that are subject to guidance in FASB ASC 326 were trade accounts receivable, notes receivable, and finance receivables.

The Company adopted the standard effective January 1, 2023. The impact of the adoption was not considered material to the financial statements and primarily resulted in new/enhanced disclosures only.

Accounts Receivable, Notes Receivable, Tech Credit Finance Receivables, and Allowance for Credit Losses

The Company operates in the tool manufacturing and distribution sector primarily for the automotive industry. Its accounts receivable - trade and notes receivable are primarily derived from dealers and are largely similar, therefore the Company evaluates its allowance for credit losses as one portfolio segment based upon the type of receivable.

Accounts receivable are unsecured customer obligations due under normal trade terms. The Company mitigates the risk associated with accounts receivable by performing ongoing credit evaluations and actively pursuing past due amounts. Accounts receivable are stated at the amount billed to the customer. Customer account balances with invoices dated over the payment terms are considered delinquent. The Company does not charge interest on delinquent customer balances. The opening balance of accounts receivable - net as of January 1, 2022, was \$9,121,706.

Notes receivables are derived during the ordinary course of business from the Company entering into dealer franchise agreements with new franchisees. These agreements require new dealers to place orders for initial inventories of \$55,000 and a \$20,000 reserve deposit. Dealers may pay for their initial inventory and reserve with cash, by entering into a note with the Company, or a combination of both. These loan terms are typically six years in duration requiring payments weekly ranging between \$218 and \$417, including interest at a range of 10% to 17%. Interest is charged and recognized on the loans on an accrual basis. At December 31, 2023 and 2022, the portion of the notes receivable on nonaccrual status and recorded as an allowance for notes receivable loss was \$250,000, which is presented as a reduction of the notes' amortized cost basis. The opening balance of notes receivable - net as of January 1, 2022, was \$12,327,782.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Accounts Receivable, Notes Receivable, Tech Credit Finance Receivables, and Allowance for Credit Losses (continued)

On December 31, 2023, contractual maturities of gross notes receivables were as follows:

2024	\$	2,986,323
2025		4,298,678
2026		3,371,650
2027		2,037,768
2028		1,178,162
Thereafter		616,908
	\$	<u>14,489,489</u>

At each balance sheet date, the Company evaluates if an expected allowance for credit losses is necessary. In addition, also at each reporting date, this evaluation is updated to reflect any changes in credit risk since the trade account receivable or note receivable was initially recorded. This evaluation is determined on a pooled basis where similar risk characteristics exist.

The allowance evaluation is derived from a review of the Company's historical losses based on the aging of accounts receivable and notes receivable. This evaluation is adjusted for management's assessment of current conditions, reasonable and supportable forecasts regarding future events, and any other factors deemed relevant by the Company. The Company believes historical loss information is a reasonable starting point in which to evaluate the expected allowance for credit losses as the Company's portfolio segment have remained consistent since the Company's inception.

The Company writes off accounts receivable and notes receivable against the respective allowances when there is information that indicates the customer is facing significant financial difficulty and there is no possibility of recovery. If recoveries are made from any amounts previously written off, they will be recognized in income or as an offset to credit loss expense in the year of recovery, in accordance with the Company's accounting policy election. See Note 3 for current year write-offs.

Tech Credit finance receivables are derived from the Company offering financing options to individual customers of dealers in order to facilitate purchases. The customers receiving this type of financing are largely similar, therefore the Company evaluates its allowance for credit losses as one portfolio segment. The amounts that management has the intent and ability to hold for the foreseeable future, or until maturity or payoff, are reported at their amortized costs, net of any deferred financing fees or costs on originated loans. Deferred financing fees are amortized on a straight-line basis over a 36-month period which approximates the life of the Tech Credit finance receivables. The opening balance of Tech Credit finance receivables – net as of January 1, 2022, was \$78,700,940.

Tech Credit finance receivables are placed on nonaccrual status when management believes, after considering economic conditions, business conditions, and collection efforts, that the notes are impaired, or collection of interest is doubtful. When the accrual of interest is discontinued, all unpaid accrued interest is reversed. Loans are returned to accrual status and interest income is subsequently recognized when all principal and interest amounts contractually due are brought current.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Accounts Receivable, Notes Receivable, Tech Credit Finance Receivables, and Allowance for Credit Losses (continued)

The allowance for Tech Credit finance receivable losses is derived from both internal and external sources, management's periodic evaluation of the portfolio using relevant available information from both internal and external sources, relating to past events, current conditions and reasonable supportable forecasts, known and inherent risks in the portfolio, adverse situations that may affect the borrower's ability to repay, the estimated value of any underlying collateral, and current economic conditions. Commercial loans are charged off when they are 120 days contractually past due. The allowance for credit losses represents management's estimate of lifetime credit losses inherent in the finance receivables as of the consolidated balance sheet date. Tech Credit finance receivables that do not share risk characteristics are evaluated on an individual basis.

The Company writes off Tech Credit finance receivables when there is information that indicates the customer is facing significant financial difficulty and there is no possibility of recovery. If any recoveries are made from any amounts previously written off, they will be recognized in income or as an offset to credit loss expense in the year of recovery, in accordance with the Company's accounting policy election. See Note 4 for current year write-offs.

Prior to the adoption of ASC 326, the carrying amounts of accounts receivable, notes receivable, and Tech Credit finance receivables were reduced by a valuation allowance that reflected management's best estimate of the amounts that would not be collected. Management individually reviewed all accounts receivable balances regularly and based on an assessment of current creditworthiness, estimated the portion, if any, of the balance that would not be collected. Additionally, management estimated an allowance for the aggregate remaining accounts receivable, notes receivable, and Tech Credit finance receivables based on historical collectability. Balances that were still outstanding after management had used reasonable efforts to collect were written off through a charge to the valuation allowance.

Inventories

Inventories are valued at the lower of cost or market with cost determined by the last-in, first-out (LIFO) method. If the first-in, first-out (FIFO) method was used to value inventories, reported inventories would have increased by \$10,470,934 and \$8,468,872 at December 31, 2023 and 2022, respectively, and net income after taxes would have increased by \$1,461,062 in 2023 and by \$1,852,306 in 2022.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Goodwill

The Company recognized \$8,483,752 of goodwill related to Cornwell Quality Tools Company's acquisition of CQT Kennedy, LLC. The Company accounts for goodwill in accordance with alternative accounting guidance issued by the FASB. This alternative accounting treatment permits privately held companies to amortize goodwill on a straight-line basis over a period not to exceed 10 years while maintaining compliance with GAAP. Goodwill is reviewed for possible impairment at least annually or more frequently upon the occurrence of an event or when circumstances indicate that the carrying amount is greater than its fair value. Management has determined that there is no impairment of goodwill for the years ended December 31, 2023 and 2022. Amortization expense totaled \$848,375 in 2023 and 2022, respectively, and accumulated amortization totaled \$6,150,720 at December 31, 2023 and \$5,302,345 at December 31, 2022. Goodwill will amortize at the annual amount of \$848,376 in 2024 and 2025, with the remaining amount of \$636,280 being amortized in 2026.

Property, Plant, and Equipment

Property, plant, and equipment are recorded at cost. Major additions and improvements are charged to the property accounts while replacements, maintenance, and repairs which do not improve or extend the lives of the respective assets, are expensed currently. When property is retired or otherwise disposed of, the cost of the property is removed from the asset account, accumulated depreciation is charged with an amount equivalent to the depreciation provided, and any resulting gain or loss is charged or credited to operations.

Depreciation has been provided using the straight-line method over the estimated useful lives of the assets as follows:

Buildings and improvements	4 to 35 years
Machinery and equipment	5 to 20 years
Office furniture and fixtures	3 to 10 years
Transportation equipment	3 to 5 years

Depreciation expense totaled \$1,867,617 in 2023, and \$1,621,038 in 2022.

Advertising

Advertising primarily consists of the Company's catalog, bulletins, flyers, sponsorships, and advertising in national publications for the Company's products, which are amortized over one year or less. Advertising expense was \$4,410,428 in 2023 and \$2,911,439 in 2022.

Income Taxes

The Company is taxed as a C-Corporation and, accordingly, a provision for federal and state taxes has been recorded in the consolidated financial statements.

The Company recognizes deferred tax assets and liabilities for future tax consequences attributable to differences between the carrying amounts of existing assets and liabilities and their respective tax basis. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the year in which the temporary differences are expected to be recovered or settled. The effect of deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date. Deferred tax assets are reduced by a valuation allowance when management determines a portion or all of the deferred tax assets will more likely than not be recognized.

Revenue Recognition

The Company generates revenue from various financing programs that include: (i) installment sales contracts arising from tool dealers wishing to provide financing to their customers on an extended-term payment plan and (ii) business loans to tool dealers for inventory. Interest income from finance receivables is recognized using the interest method. Accrual of interest income on finance receivables is suspended when a loan is contractually delinquent for 120 days or more. The accrual is resumed when the loan becomes contractually current, and past due interest income is recognized at that time.

The decision to finance through the Company or another financing source is solely at the election of the customer. When assessing customers for potential financing, the Company considers various factors regarding ability to pay, including the customers' financial condition, debt-servicing ability, past payment experience, and credit bureau and proprietary credit model information, as well as the value of the underlying collateral. See Note 5 for information on credit quality indicators and monitoring.

The Company enters into contracts with customers related to the selling of products. At contract inception, an assessment of the products promised in the contracts with customers is performed and a performance obligation is identified for each distinct promise to transfer to the customer a product (or bundle of products). To identify the performance obligations, the Company considers all of the products promised in the contract regardless of whether they are explicitly stated or are implied by customary business practices. Contracts with customers are comprised of customer purchase orders, invoices, and written contracts.

Revenue from the sale of products is recognized at a point in time when the Company's performance obligations are satisfied, which generally occurs at a point in time when title and control of the product is transferred to the customer at shipping point. Once a product has shipped, the customer is able to direct the use of, and obtain substantially all of the remaining benefits from the asset. Customer payments are typically due within 30 days of billing or over the terms set out in the financing program, depending on the contract.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition (continued)

In some cases, the nature of the Company's contracts give rise to variable consideration, including weekly dealer volume discounts, rebates, credits, allowances for returns, or other similar items that generally decrease the transaction price. These variable amounts generally are credited to the customer, based on achieving certain levels of sales activity or product returns.

In the normal course of business, the Company allows dealers to return products per the provisions in the franchise agreement that allow for the return of product in a saleable condition. For other customers, product returns are generally not accepted unless the item is defective as manufactured. Estimated product returns are recorded as a reduction in reported revenues at the time of sale based upon historical product return experience and is adjusted for known trends to arrive at the amount of consideration to which the Company expects to receive.

Variable consideration is estimated at the most likely amount that is expected to be earned. Estimated amounts are included in the transaction price to the extent it is probable that a significant reversal of cumulative revenue recognized will not occur when the uncertainty associated with the variable consideration is resolved. Estimates of variable consideration and determination of whether to include estimated amounts in the transaction price are based largely on an assessment of the anticipated performance and all information (historical, current, and forecasted) that is reasonably available.

*Disaggregation of Revenue*

All sales revenue results from product sales and is recognized at a point in time. Products are sold primarily to independent tool dealers and other industrial users throughout the United States of America and parts of Europe. Qualitative factors that affect revenue recognition and cash flows include, uninterrupted supply chain for components used to manufacture products, purchased products, availability of labor, and prompt payment by customers.

*Performance Obligation*

The Company's contracts for the sale of products contain a single performance obligation. The performance obligation is satisfied when the product is shipped to the customer.

*Significant Judgments and Estimates*

Other than variable consideration previously noted, there are no significant judgments involved in the recognition of revenue from the sale of products.

Shipping and Handling Costs

The Company has elected to treat shipping and handling costs as contract fulfillment activities. Shipping and handling revenue is included in sales and the related costs are included in cost of goods sold in the accompanying consolidated statements of operations.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Returned Goods

The Company sells both manufactured tools and products purchased from other manufacturers. For purchased products, it is the Company's policy to extend the full manufacturer's guarantee to the Company's customers. For manufactured items, the Company will, at its sole discretion, replace or repair an item if it is determined that the item has not given the user a fair value in terms of length of useful life. This policy is considered a promotional expense that generates goodwill with the customer and, as consistent with standard practices in this industry, these amounts are expensed as incurred. The Company's policy is also considered an assurance warranty and, therefore, does not constitute variable consideration.

Concentrations of Credit Risk

The Company performs ongoing credit evaluations of its customers and generally requires collateral only on financing and notes receivables with extended credit terms. The Company maintains reserves for potential credit losses and such losses have been within management's expectations.

Leases

The Company determines if an arrangement is, or contains, a lease at the inception date. In evaluating contracts to determine if they qualify as a lease, the Company considers factors such as if the Company has obtained substantially all of the rights to the underlying asset through exclusivity, if the Company can direct the use of the asset by making decisions about how and for what purpose the asset will be used, and if the lessor has substantive substitution rights. This evaluation may require significant judgment.

Right-of-use (ROU) assets represent the right to use an underlying asset for the lease term and lease liabilities represent the obligation to make lease payments arising from the lease. Operating lease ROU assets and lease liabilities are recognized at the commencement date based primarily on the present value of lease payments over the lease term. In determining the discount rate used to measure the ROU assets and lease liabilities, the Company uses rates implicit in the lease, when available. If the rate implicit in the lease is not readily available, the Company has elected to use a risk-free rate for all classes of assets. The risk-free rate used is the U.S. Treasury Bill Rate in effect at the commencement of the lease for a similar term. The operating lease ROU assets also include any lease payments made at commencement and exclude lease incentives. Lease terms may include options to extend or terminate the lease when it is reasonably certain that the Company will exercise that option. Lease expense is recognized on a straight-line basis over the lease term.

The Company elected to apply the short-term lease exemption. Under this exemption, ROU assets and lease liabilities are not recognized for leases with an initial term of 12 months or less. The Company does not currently have any short-term lease arrangements.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Leases (continued)

The Company has lease agreements with both lease and non-lease components, which are generally accounted for separately. In allocating consideration in the contract to the separate lease components and the non-lease components, the Company uses the standalone prices of the lease and non-lease components. Observable standalone prices are used, if available. If the standalone price for a component has a high level of variability or uncertainty, this allocation may require significant judgment.

The Company has certain leases which are triple net leases, whereby the lessee pays all utilities, insurance, real estate taxes and maintenance associated with the property. These costs are considered to be lessee costs recognized in the consolidated statement of operations in the period in which the related obligation is incurred.

Subsequent Events

Management of the Company has evaluated subsequent events through March 26, 2024, which was the date that these consolidated financial statements were available for issuance and determined there are no significant non-recognized subsequent events through that date.

It is the Company's experience that a substantial portion of the commercial loan portfolio generally is renewed or repaid before the contractual maturity dates. The above tabulation, therefore, is not regarded as a forecast of future cash collections. Cash collections of principal amounts of commercial loans totaled \$41,371,952 in 2023, and \$39,955,427 in 2022, and the ratios of these cash collections to average principal balances were approximately 42% in 2023 and 40% in 2022. ## 5. CREDIT QUALITY OF FINANCE AND NOTES RECEIVABLES

The Company actively monitors the credit quality of finance and notes receivables by performing a creditworthiness analysis at the borrowing date, and at predetermined intervals throughout the time finance and notes receivables are outstanding. Credit for purchases under notes receivable is granted based on a review of the customer's Beacon credit score. Credit for purchases under finance receivables is granted based on an internally developed scoring method termed a Scorecard. The Scorecard was initially developed in June 2004, and has been revalidated in September 2008, 2012, 2016, February 2018, and September 2021. The Scorecard takes into account various credit quality indicators such as job history, public record information, collections, and prior delinquent accounts and then assigns a weighted score which is used in determining the customer's credit. In the February 2018 revalidation, the introduction of FICO scores as an additional qualifier was added. Before June 2004, the Company granted credit based on a customer's Beacon score or internally determined Blue Ribbon rating.

The finance receivables and notes receivable balances are based on the following credit quality indicators at December 31:

	<u>2023</u>	<u>2022</u>

## NOTE TO THE SUPPLEMENTAL CONSOLIDATED FINANCIAL STATEMENTS - FIFO BASIS

## 1. BASIS OF PRESENTATION

The accompanying supplemental consolidated balance sheets and statements of operations and changes in shareholders' equity as of December 31, 2023 and 2022, and for the years then ended have been prepared in accordance with accounting principles generally accepted in the United States of America as applied by the Company in its historical consolidated financial statements, adjusted for the following:

Inventories

Inventories are valued at the lower of cost or net realizable value with costs determined by the first-in, first-out (FIFO) method.

Inventories stated on the basis referred to in the preceding paragraph are as follows:

	<u>2023</u>	<u>2022</u>
Raw materials	\$ 5,749,223	\$ 5,882,360
Work in process	3,037,244	3,503,205
Finished goods	<u>36,364,498</u>	<u>40,537,244</u>
	45,150,965	49,922,809
Less: Obsolescence reserve	<u>613,052</u>	<u>392,256</u>
	<u>\$ 44,537,913</u>	<u>\$ 49,530,553</u>

The income tax effect has been provided on the increase/decrease in inventory value at the statutory federal and state tax rates. The tax effect increased the provision for income taxes by \$540,500 in 2023 and \$685,000 in 2022.

The Company uses the LIFO (last-in, first-out) method for its historical consolidated financial statements because it better matches costs and revenues.

## Independent Auditor's Report

Board of Directors of  
Cornwell Quality Tools Company and Subsidiary

### ***Opinion***

We have audited the accompanying consolidated financial statements of Cornwell Quality Tools Company and Subsidiary (an Ohio corporation), which comprise the consolidated balance sheet as of December 31, 2024 and 2023, and the related consolidated statements of operations, shareholders' equity, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Cornwell Quality Tools Company and Subsidiary as of December 31, 2024 and 2023, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of Cornwell Quality Tools Company and Subsidiary and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Responsibilities of Management for the Consolidated Financial Statements***

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cornwell Quality Tools Company and Subsidiary's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

***Auditor's Responsibilities for the Audit of the Consolidated Financial Statements***

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cornwell Quality Tools Company and Subsidiary's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cornwell Quality Tools Company and Subsidiary's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

## 1. NATURE OF OPERATIONS

Cornwell Quality Tools Company and Subsidiary (the Company) is a manufacturer and distributor of hand-held tools, toolboxes, diagnostic equipment, and other related products for mechanics, primarily in the automotive business. The Company sells its products to independent dealers and other industrial users throughout the United States of America and parts of Europe. During 2024 and 2023, purchased parts accounted for approximately 94% of sales. The Company maintains manufacturing facilities in Ohio and Pennsylvania and distribution centers in Ohio and Utah.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Principles of Consolidation

The accompanying consolidated financial statements of Cornwell Quality Tools Company and Subsidiary include the accounts of Cornwell Quality Tools Company and its wholly owned subsidiary, CQT Kennedy, LLC, collectively referred to as the Company. All significant intercompany transactions have been eliminated in consolidation.

Estimates

Management uses estimates and assumptions in preparing the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP). Those estimates and assumptions affect the reported amounts of assets and liabilities and the reported revenue and expenses. Actual results could vary from the estimates that were used and such differences may be material.

Variable Interest Entity

The Company is the primary beneficiary of an affiliated leasing entity that was formed for the purpose of holding real estate which is leased to the Company. The affiliated leasing entity generates substantially all of its revenue from the Company. The Company accounts for the variable interest entity (VIE) under the alternative accounting guidance issued by the Financial Accounting Standards Board (FASB). This alternative accounting treatment permits privately held companies meeting certain criteria from having to apply existing VIE consolidation guidance to common control leasing arrangements while maintaining compliance with GAAP. This alternative accounting guidance still requires certain disclosures pertaining to its relationship with the VIE entity, which have been disclosed in Note 9.

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, cash held in banks, and all highly liquid investments purchased with original maturities of three months or less. The Company's cash balances at banks may, at times, exceed the limits of related federal deposit insurance. The Company has not experienced any losses, material or otherwise, due to this concentration.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Accounts Receivable, Notes Receivable, Tech Credit Finance Receivables, and Allowance for Credit Losses

The Company operates in the tool manufacturing and distribution sector primarily for the automotive industry. Its accounts receivable - trade and notes receivable are primarily derived from dealers and are largely similar, therefore the Company evaluates its allowance for credit losses as one portfolio segment based upon the type of receivable.

Accounts receivable are unsecured customer obligations due under normal trade terms. The Company mitigates the risk associated with accounts receivable by performing ongoing credit evaluations and actively pursuing past due amounts. Accounts receivable are stated at the amount billed to the customer. Customer account balances with invoices dated over the payment terms are considered delinquent. The Company does not charge interest on delinquent customer balances. The opening balance of accounts receivable - net as of January 1, 2023, was \$10,017,373

Notes receivables are derived during the ordinary course of business from the Company entering into dealer franchise agreements with new franchisees. These agreements require new dealers to place orders for initial inventories of \$55,000 and a \$20,000 reserve deposit. Dealers may pay for their initial inventory and reserve with cash, by entering into a note with the Company, or a combination of both. These loan terms are typically six years in duration requiring payments weekly ranging between \$218 and \$417, including interest at a range of 10% to 17%. Interest is charged and recognized on the loans on an accrual basis. At December 31, 2024 and 2023, the portion of the notes receivable on nonaccrual status and recorded as an allowance for notes receivable loss was \$250,000, which is presented as a reduction of the notes' amortized cost basis. The opening balance of notes receivable – net as of January 1, 2023, was \$14,349,277.

On December 31, 2024, contractual maturities of gross notes receivables were as follows:

2025	\$	2,515,308
2026		4,345,473
2027		3,436,525
2028		2,448,825
2029		1,617,993
Thereafter		<u>808,809</u>
	\$	<u>15,172,933</u>

At each balance sheet date, the Company evaluates if an expected allowance for credit losses is necessary. In addition, also at each reporting date, this evaluation is updated to reflect any changes in credit risk since the trade account receivable or note receivable was initially recorded. This evaluation is determined on a pooled basis where similar risk characteristics exist.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Accounts Receivable, Notes Receivable, Tech Credit Finance Receivables, and Allowance for Credit Losses (continued)

The allowance evaluation is derived from a review of the Company's historical losses based on the aging of accounts receivable and notes receivable. This evaluation is adjusted for management's assessment of current conditions, reasonable and supportable forecasts regarding future events, and any other factors deemed relevant by the Company. The Company believes historical loss information is a reasonable starting point in which to evaluate the expected allowance for credit losses as the Company's portfolio segment have remained consistent since the Company's inception.

The Company writes off accounts receivable and notes receivable against the respective allowances when there is information that indicates the customer is facing significant financial difficulty and there is no possibility of recovery. If recoveries are made from any amounts previously written off, they will be recognized in income or as an offset to credit loss expense in the year of recovery, in accordance with the Company's accounting policy election. See Note 3 for current year write-offs.

Tech Credit finance receivables are derived from the Company offering financing options to individual customers of dealers in order to facilitate purchases. The customers receiving this type of financing are largely similar, therefore the Company evaluates its allowance for credit losses as one portfolio segment. The amounts that management has the intent and ability to hold for the foreseeable future, or until maturity or payoff, are reported at their amortized costs, net of any deferred financing fees or costs on originated loans. Deferred financing fees are amortized on a straight-line basis over a 36-month period which approximates the life of the Tech Credit finance receivables. The opening balance of Tech Credit finance receivables - net as of January 1, 2023, was \$87,067,729.

Tech Credit finance receivables are placed on nonaccrual status when management believes, after considering economic conditions, business conditions, and collection efforts, that the notes are impaired, or collection of interest is doubtful. When the accrual of interest is discontinued, all unpaid accrued interest is reversed. Loans are returned to accrual status and interest income is subsequently recognized when all principal and interest amounts contractually due are brought current.

The allowance for Tech Credit finance receivable losses is derived from both internal and external sources, management's periodic evaluation of the portfolio using relevant available information from both internal and external sources, relating to past events, current conditions and reasonable supportable forecasts, known and inherent risks in the portfolio, adverse situations that may affect the borrower's ability to repay, the estimated value of any underlying collateral, and current economic conditions. Commercial loans are charged off when they are 120 days contractually past due. The allowance for credit losses represents management's estimate of lifetime credit losses inherent in the finance receivables as of the consolidated balance sheet date. Tech Credit finance receivables that do not share risk characteristics are evaluated on an individual basis.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Accounts Receivable, Notes Receivable, Tech Credit Finance Receivables, and Allowance for Credit Losses (continued)

The Company writes off Tech Credit finance receivables when there is information that indicates the customer is facing significant financial difficulty and there is no possibility of recovery. If any recoveries are made from any amounts previously written off, they will be recognized in income or as an offset to credit loss expense in the year of recovery, in accordance with the Company's accounting policy election. See Note 4 for current year write-offs.

Inventories

Inventories are valued at the lower of cost or market with cost determined by the last-in, first-out (LIFO) method. If the first-in, first-out (FIFO) method was used to value inventories, reported inventories would have increased by \$12,089,425 and \$10,470,934 at December 31, 2024 and 2023, respectively, and net income after taxes would have increased by \$1,852,306 in 2024 and by \$1,461,062 in 2023.

Concentration

A portion of CQT Kennedy, LLC's employees are covered under a collective bargaining agreement. The agreement is set to expire on April 30, 2027.

Goodwill

The Company recognized \$8,483,752 of goodwill related to Cornwell Quality Tools Company's acquisition of CQT Kennedy, LLC. The Company accounts for goodwill in accordance with alternative accounting guidance issued by the FASB. This alternative accounting treatment permits privately held companies to amortize goodwill on a straight-line basis over a period not to exceed 10 years while maintaining compliance with GAAP. Goodwill is reviewed for possible impairment at least annually or more frequently upon the occurrence of an event or when circumstances indicate that the carrying amount is greater than its fair value. Management has determined that there is no impairment of goodwill for the years ended December 31, 2024 and 2023. Amortization expense totaled \$848,375 in 2024 and 2023, respectively, and accumulated amortization totaled \$6,999,095 at December 31, 2024 and \$6,150,720 at December 31, 2023. Goodwill will amortize at the annual amount of \$848,375 in 2025, with the remaining amount of \$636,282 being amortized in 2026.

Property, Plant, and Equipment

Property, plant, and equipment are recorded at cost. Major additions and improvements are charged to the property accounts while replacements, maintenance, and repairs which do not improve or extend the lives of the respective assets, are expensed currently. When property is retired or otherwise disposed of, the cost of the property is removed from the asset account, accumulated depreciation is charged with an amount equivalent to the depreciation provided, and any resulting gain or loss is charged or credited to operations.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Property, Plant, and Equipment (continued)

Depreciation has been provided using the straight-line method over the estimated useful lives of the assets as follows:

Buildings and improvements	4 to 35 years
Machinery and equipment	5 to 20 years
Office furniture and fixtures	3 to 10 years
Transportation equipment	3 to 5 years

Depreciation expense totaled \$1,899,356 in 2024 and \$1,867,617 in 2023.

Advertising

Advertising primarily consists of the Company's catalog, bulletins, flyers, sponsorships, and advertising in national publications for the Company's products, which are amortized over one year or less. Advertising expense was \$5,353,992 in 2024, and \$4,410,428 in 2023.

Income Taxes

The Company is taxed as a C-Corporation and, accordingly, a provision for federal and state taxes has been recorded in the consolidated financial statements.

The Company recognizes deferred tax assets and liabilities for future tax consequences attributable to differences between the carrying amounts of existing assets and liabilities and their respective tax basis. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the year in which the temporary differences are expected to be recovered or settled. The effect of deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date. Deferred tax assets are reduced by a valuation allowance when management determines a portion or all of the deferred tax assets will more likely than not be recognized.

Revenue Recognition

The Company generates revenue from various financing programs that include: (i) installment sales contracts arising from tool dealers wishing to provide financing to their customers on an extended-term payment plan and (ii) business loans to tool dealers for inventory. Interest income from finance receivables is recognized using the interest method. Accrual of interest income on finance receivables is suspended when a loan is contractually delinquent for 120 days or more. The accrual is resumed when the loan becomes contractually current, and past due interest income is recognized at that time.

The decision to finance through the Company or another financing source is solely at the election of the customer. When assessing customers for potential financing, the Company considers various factors regarding ability to pay, including the customers' financial condition, debt-servicing ability, past payment experience, and credit bureau and proprietary credit model information, as well as the value of the underlying collateral. See Note 5 for information on credit quality indicators and monitoring.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition (continued)

The Company enters into contracts with customers related to the selling of products. At contract inception, an assessment of the products promised in the contracts with customers is performed and a performance obligation is identified for each distinct promise to transfer to the customer a product (or bundle of products). To identify the performance obligations, the Company considers all of the products promised in the contract regardless of whether they are explicitly stated or are implied by customary business practices. Contracts with customers are comprised of customer purchase orders, invoices, and written contracts.

Revenue from the sale of products is recognized at a point in time when the Company's performance obligations are satisfied, which generally occurs at a point in time when title and control of the product is transferred to the customer at shipping point. Once a product has shipped, the customer is able to direct the use of, and obtain substantially all of the remaining benefits from the asset. Customer payments are typically due within 30 days of billing or over the terms set out in the financing program, depending on the contract.

In some cases, the nature of the Company's contracts give rise to variable consideration, including weekly dealer volume discounts, rebates, credits, allowances for returns, or other similar items that generally decrease the transaction price. These variable amounts generally are credited to the customer, based on achieving certain levels of sales activity or product returns.

In the normal course of business, the Company allows dealers to return products per the provisions in the franchise agreement that allow for the return of product in a saleable condition. For other customers, product returns are generally not accepted unless the item is defective as manufactured. Estimated product returns are recorded as a reduction in reported revenues at the time of sale based upon historical product return experience and is adjusted for known trends to arrive at the amount of consideration to which the Company expects to receive.

Variable consideration is estimated at the most likely amount that is expected to be earned. Estimated amounts are included in the transaction price to the extent it is probable that a significant reversal of cumulative revenue recognized will not occur when the uncertainty associated with the variable consideration is resolved. Estimates of variable consideration and determination of whether to include estimated amounts in the transaction price are based largely on an assessment of the anticipated performance and all information (historical, current, and forecasted) that is reasonably available.

*Disaggregation of Revenue*

All sales revenue results from product sales and is recognized at a point in time. Products are sold primarily to independent tool dealers and other industrial users throughout the United States of America and parts of Europe. Qualitative factors that affect revenue recognition and cash flows include, uninterrupted supply chain for components used to manufacture products, purchased products, availability of labor, and prompt payment by customers.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition (continued)*Performance Obligation*

The Company's contracts for the sale of products contain a single performance obligation. The performance obligation is satisfied when the product is shipped to the customer.

*Significant Judgments and Estimates*

Other than variable consideration previously noted, there are no significant judgments involved in the recognition of revenue from the sale of products.

Shipping and Handling Costs

The Company has elected to treat shipping and handling costs as contract fulfillment activities. Shipping and handling revenue is included in sales and the related costs are included in cost of goods sold in the accompanying consolidated statements of operations.

Returned Goods

The Company sells both manufactured tools and products purchased from other manufacturers. For purchased products, it is the Company's policy to extend the full manufacturer's guarantee to the Company's customers. For manufactured items, the Company will, at its sole discretion, replace or repair an item if it is determined that the item has not given the user a fair value in terms of length of useful life. This policy is considered a promotional expense that generates goodwill with the customer and, as consistent with standard practices in this industry, these amounts are expensed as incurred. The Company's policy is also considered an assurance warranty and, therefore, does not constitute variable consideration.

Concentrations of Credit Risk

The Company performs ongoing credit evaluations of its customers and generally requires collateral only on financing and notes receivables with extended credit terms. The Company maintains reserves for potential credit losses and such losses have been within management's expectations.

Leases

The Company determines if an arrangement is, or contains, a lease at the inception date. In evaluating contracts to determine if they qualify as a lease, the Company considers factors such as if the Company has obtained substantially all of the rights to the underlying asset through exclusivity, if the Company can direct the use of the asset by making decisions about how and for what purpose the asset will be used, and if the lessor has substantive substitution rights. This evaluation may require significant judgment.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Leases (continued)

Right-of-use (ROU) assets represent the right to use an underlying asset for the lease term and lease liabilities represent the obligation to make lease payments arising from the lease. Operating lease ROU assets and lease liabilities are recognized at the commencement date based primarily on the present value of lease payments over the lease term. In determining the discount rate used to measure the ROU assets and lease liabilities, the Company uses rates implicit in the lease, when available. If the rate implicit in the lease is not readily available, the Company has elected to use a risk-free rate for all classes of assets. The risk-free rate used is the U.S. Treasury Bill Rate in effect at the commencement of the lease for a similar term. The operating lease ROU assets also include any lease payments made at commencement and exclude lease incentives. Lease terms may include options to extend or terminate the lease when it is reasonably certain that the Company will exercise that option. Lease expense is recognized on a straight-line basis over the lease term.

The Company elected to apply the short-term lease exemption. Under this exemption, ROU assets and lease liabilities are not recognized for leases with an initial term of 12 months or less. The Company does not currently have any short-term lease arrangements.

The Company has lease agreements with both lease and non-lease components, which are generally accounted for separately. In allocating consideration in the contract to the separate lease components and the non-lease components, the Company uses the standalone prices of the lease and non-lease components. Observable standalone prices are used, if available. If the standalone price for a component has a high level of variability or uncertainty, this allocation may require significant judgment.

The Company has certain leases which are triple net leases, whereby the lessee pays all utilities, insurance, real estate taxes and maintenance associated with the property. These costs are considered to be lessee costs recognized in the consolidated statement of operations in the period in which the related obligation is incurred.

Subsequent Events

Management of the Company has evaluated subsequent events through March 20, 2025, which was the date that these consolidated financial statements were available for issuance and determined there are no significant non-recognized subsequent events through that date.

## 5. CREDIT QUALITY OF FINANCE AND NOTES RECEIVABLES

The Company actively monitors the credit quality of finance and notes receivables by performing a creditworthiness analysis at the borrowing date, and at predetermined intervals throughout the time finance and notes receivables are outstanding. Credit for purchases under notes receivable is granted based on a review of the customer's Beacon credit score. Credit for purchases under finance receivables is granted based on an internally developed scoring method termed a Scorecard. The Scorecard was initially developed in June 2004, and has been revalidated in September 2008, 2012, 2016, February 2018, and September 2021. The Scorecard takes into account various credit quality indicators such as job history, public record information, collections, and prior delinquent accounts and then assigns a weighted score which is used in determining the customer's credit. In the February 2018 revalidation, the introduction of FICO scores as an additional qualifier was added. Before June 2004, the Company granted credit based on a customer's Beacon score or internally determined Blue Ribbon rating.

The finance receivables and notes receivable balances are based on the following credit quality indicators at December 31:

	<u>2024</u>	<u>2023</u>

## DEALER FRANCHISE AGREEMENT

THIS DEALER FRANCHISE AGREEMENT ("Agreement") made this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_, by and between THE CORNWELL QUALITY TOOLS COMPANY of Wadsworth, Ohio ("Cornwell") and [Entity Name, if applicable] \_\_\_\_\_ and [First Individual Name] \_\_\_\_\_ of [Residence street address] \_\_\_\_\_, [City] \_\_\_\_\_, [State] \_\_\_\_\_ [Zip] \_\_\_\_\_, and (if applicable) [Second Individual Name] \_\_\_\_\_, his or her spouse or person in a similar legal relationship, as individual owners of the franchised dealership if it is an entity and in all events as active partners in the operation of the franchised dealership (individually and/or collectively referred to as "Dealer").

### RECITALS

- A. Cornwell represents that it is a manufacturer and distributor of various tools and other items of use in the automotive repair business (the "Products").
- B. Cornwell desires to grant to the Dealer a franchise to purchase and resell the Products with primary responsibility on Dealer's part to serve the automotive aftermarket in the area defined below (the "Territory") and the Dealer desires to serve in such capacity.

In consideration of the mutual promises set forth, the Dealer and Cornwell agree as follows:

1. Cornwell grants to the Dealer the right, and the Dealer undertakes the obligation, upon the terms set forth in this Agreement, to operate a franchise selling the Products in the Territory described as follows:

See Attached Map

This Agreement shall continue until terminated, as set forth in Paragraphs 13, 14, and 16 below.

2. Cornwell agrees to sell Dealer products in such quantities as Dealer requires and at such prices as Cornwell may determine from time to time. Dealer agrees to use Dealer's best efforts to serve the Territory fully with the sale of Cornwell products. The First Individual named above agrees to use his or her best full-time efforts to operate the dealership.

3. Upon execution or within 30 days of this Agreement, the Dealer agrees to place an order for an initial inventory of Products from Cornwell with a total regular dealer net price of ~~\$55,000.00~~\$60,000.00 (the "Starter Inventory"). Cornwell must approve the Starter Inventory order. Cornwell will recommend a list of Products, which would be useful for the Dealer in beginning its operation.

4. a. The Dealer agrees to pay for the Starter Inventory in either of the following ways: (1) by paying Cornwell the full amount of the regular dealer net price of the products ordered in cash upon execution of the Agreement; or (2) upon prior written approval of Cornwell, with a note.

4. b. Unless waived by Cornwell, the Dealer further agrees to deposit \$20,000.00, as a reserve with Cornwell, at the time payment is made for the Starter Inventory ("the Reserve"). The Dealer agrees to pay for the Reserve in either of the following ways: (1) by paying Cornwell the full amount of the Reserve in cash upon execution of the Agreement; or (2) upon prior written approval of Cornwell, included with note for the balance.

4. c. The Reserve shall be applied by Cornwell to the Dealer's open account, as a credit against the Dealer's further purchases of inventory, in a weekly amount equal to 65% of the increase in the Dealer's documented Time Payment (TP) Account balance over the previous high TP balance. The Reserve shall be maintained by Cornwell until it is exhausted or this Agreement is terminated, whichever occurs first. If the Reserve is funded with a combination of cash and notes, the cash deposited will be applied first against the further purchases of inventory. The funds remaining in the Reserve shall be refunded if paid in cash or, if borrowed, credited at the Dealer's option to the Dealer's open account or as a voluntary pre-payment under paragraph 1(c) of the Dealer's note, if the Reserve has not been used in full upon the termination of this Agreement. When the Reserve is established, it shall be credited by Cornwell with a lump-sum amount reflecting interest on the cash portion of the Reserve at the then-applicable rate for Cornwell's overnight bank sweep accounts and the assumption that the Reserve will be drawn down evenly over 13 weeks. A lump-sum amount reflecting interest for 13 weeks will be applied to the borrowed portion of the Reserve at the same rate as the Dealer's note. Any unearned interest may be recovered by Cornwell if the Reserve ends with a remaining balance.

4. d. Unless waived by Cornwell, the Dealer further agrees that the Dealer will provide verification to Cornwell, at the time payment is made for the Starter Inventory and Reserve, that as of that date the Dealer has at least an additional ~~\$10,000~~15,000 deposited in usable funds in a business checking account at a financial institution of the Dealer's choice and the Dealer further agrees that the Dealer will only use those funds for the business purposes of the dealership on and after the first day of training on Dealer's route, which may include a reasonable draw for personal living expenses, as agreed upon by Cornwell in advance, while this Agreement is in force.

5. a. Dealer agrees to acquire and/or use in the operation of its franchise a display truck or van which has been approved by Cornwell. Approved trucks and vans must be equipped so that District Managers or others riding with Dealer can sit safely and are protected against injury from objects thrown forward from the rear compartment. Dealer agrees to buy and wear approved Cornwell route wear.

5. b. Dealer agrees to acquire a laptop computer, bar code scanner and credit card signature pad from Cornwell (together, "the Hardware") for use on Dealer's truck. Cornwell will sell the Hardware to Dealer at Cornwell's cost, now approximately \$3,500. Cornwell will give Dealer a \$1,500 credit on Dealer's open account to offset the Hardware purchase expense. Dealer will also be required to purchase or lease a compatible printer and wireless card.

5. c. Dealer agrees to obtain and maintain high speed Internet access via a standalone Network Access Device from a mobile wireless broadband carrier, to be able to communicate electronically with Cornwell.

5. d. Dealer agrees to acquire licensing from Cornwell for the "Ironman Business Network (IBN)" Software for Cornwell dealers, under a separate License Agreement with Cornwell. Dealer will be required to use the "My Business" function in IBN as directed in order for Dealer and Cornwell to monitor Dealer's business properly. Dealer's franchise may be terminated if Dealer does not supply this data or does not use IBN and hardware obtained from Cornwell, including, but not limited to the "My Business" function.

5. e. Dealer agrees that Cornwell will have independent access to the information that will be generated and stored on Dealer's "Ironman Business Network IBN" computer system. Dealer agrees to maintain written, weekly report summaries of Dealer's sales and then existing Total Inventory and all Accounts each week. Dealer's IBN will automatically store and electronically transmit this information to Cornwell. Dealer agrees to submit data generated by the computer system, including but not limited to the weekly report summaries. Failure to supply this data is a material breach of this Agreement.

6. Dealer agrees to carry the following minimum insurance coverages: commercial business auto liability insurance with limits of \$1,000,000; general commercial liability insurance under a comprehensive general liability form that includes coverage for bodily harm, property damage, and product liability policy limits not less than \$1,000,000; and cargo insurance with all risk property coverage for full replacement value of Dealer's inventory. Dealer agrees to include Cornwell as "additional insured" on the Dealer's general commercial liability insurance. Dealer agrees to include Cornwell as "loss payee" on the Dealer's cargo insurance policy, to the extent of Cornwell's security interest in Dealer's inventory.

7. Commencing at the end of the first six months after the franchise agreement is signed, the Dealer agrees to maintain average weekly purchases from Cornwell equal to at least 90% of the national average of Cornwell franchise dealers' weekly purchases during the current calendar year. Every week, Cornwell calculates the national average franchise dealer weekly purchase amount during the current year. (Total dealer year to date purchases, divided by the number of weeks to date, then divided by the number of dealers at the end of the week prior to the current week.) Each week, Dealer agrees to maintain average weekly purchases (year to date purchases divided by the number of weeks to date) equal to 90% of Cornwell's national weekly average for franchise dealers.

8. a. Cornwell will make available to the Dealer combined formal and informal training opportunities depending on the individual requirements and background of the Dealer. This training will include a mandatory two (2) weeks in the first month in which the Dealer is in operation, during which a Cornwell District Manager will accompany Dealer on Dealer's route and train Dealer.

8. b. Before Dealer begins selling Cornwell product from Dealer's truck or van, Cornwell will provide Dealer with at least 40 hours of mandatory initial classroom training (New Dealer Training Program) near Cornwell's corporate offices in Wadsworth, Ohio, or at some other location. The First Individual named above, who will primarily operate the dealership, must complete the New Dealer Training Program before operating the dealership. The Second Individual named above is also invited to attend the New Dealer Training Program. The New Dealer Training Program will include but not be limited to classroom instruction on basic business procedures, computer setup, IBN setup, customer relations, product warranty/repair, Email, Cornwell Website and My Business. Dealer must pay the cost of travel, food, lodging and any other incidental costs for the New Dealer Training Program. If the Second Individual named above at any time will primarily operate the dealership, the Second Individual must complete the training set forth above.

9. The First Individual named above agrees to engage full time in the direct operation of the franchised dealership. If the Second Individual named above at any time will primarily operate the dealership, the Second Individual must then adhere to the full-time direct operation obligation set forth above. Dealer agrees to operate only one truck, directly or indirectly, unless Cornwell expressly waives this requirement.

10. Dealer shall display Cornwell Trademarks ("Marks") in the location, style and manner specified by Cornwell. No other trademarks shall be used or employed by Dealer on or in connection with the Cornwell Products except as specified in writing by Cornwell. It is expressly understood and agreed that the Marks shall not be employed as, or included in, the trade name or trade style of Dealer either during the life of this Agreement or subsequently thereto.

Dealer recognizes the validity and Cornwell's exclusive ownership of the Marks. Dealer agrees that it will not do any act or thing, either directly or indirectly, that may in any way impair Cornwell's title and exclusivity. Dealer further agrees that during the continuance of this agreement, or at any time thereafter, it does not have and may not claim any right to use, any right, title, or interest in, and may not register with any Governmental authority any trademark, identical with or similar to the Marks without the prior written consent of Cornwell.

Dealer further acknowledges that nothing in this Agreement, and no use of any of the Marks under the terms of this agreement, shall create in Dealer any right, title or interest in any of the Marks. Dealer shall take such steps and execute such further documents as Cornwell may reasonably request in order to protect Cornwell's complete interest in and ownership of the Marks.

Dealer agrees to notify Cornwell immediately when Dealer learns about an infringement of or challenge to its use of any of Cornwell's Marks. Cornwell will take the action it considers appropriate, with which Dealer agrees to cooperate. While Cornwell is not required to defend Dealer against a claim against its use of the Marks, Cornwell will reimburse Dealer for Dealer's liability and reasonable costs in connection with defending Cornwell's Marks. To receive reimbursement, the Dealer must have notified Cornwell immediately upon learning about the infringement or challenge.

Dealer must modify or discontinue the use of a Mark if Cornwell modifies or discontinues it. In the event of such action by Cornwell, Cornwell will reimburse the Dealer for tangible costs of compliance (for example, changing decals or signs). The Dealer agrees not to directly or indirectly contest Cornwell's right to its Marks, trade secrets or business techniques that are a part of Cornwell's business.

11. The franchise granted by this Agreement is assignable or transferable by Dealer, either voluntarily or by operation of law, only with written consent from Cornwell. Cornwell will not unreasonably withhold its consent. Dealer shall have the right to assign or transfer Dealer's assets, subject to any security interest Cornwell may have in them. Upon the death or disability of a Dealer, Cornwell may authorize a succession of ownership within the Dealer's family when the proposed successor has been previously active in the Dealer's business. Cornwell reserves the right to assign or transfer its rights, duties or obligation under this agreement.

12. If Dealer's customer is the original end-user purchaser of a product manufactured by Cornwell ("Cornwell Hard Line") or of a new Kennedy steel roller cabinet, locker, cart, steel tool chest, or steel canopy for use with a Kennedy cabinet or tool chest ("Kennedy Tool Storage"), then Dealer's customer is entitled to a limited lifetime warranty that the product will be free of defects in material or workmanship under normal use and will conform to the description given them by Cornwell or Kennedy.

This limited lifetime warranty extends only to the repair or replacement of items found by Cornwell or Kennedy upon examination to be defective in material or workmanship and is subject to availability of replacement parts. This limited lifetime warranty covers only parts and materials, not labor, and cannot be assigned by the original end-user purchaser of that product.

This limited lifetime warranty does not cover products that are damaged through any intentional or negligent actions, including but not limited to misuse, mishandling, or modification or to products that reach the ends of their useful lives as a result of normal wear and tear. Misuse and mishandling of Kennedy Tool Storage products include but are not limited to overloading, especially while moving or transporting the item, and to scratching of painted and unpainted tops.

Cornwell and Kennedy are not responsible for any special, punitive, incidental or consequential damages which may arise out of the purchase or use of any Cornwell or Kennedy product. Cornwell's and Kennedy's liability for any breach of warranty shall be limited to the cost of the repair or replacement of the defective items as described above.

**THIS WARRANTY IS DEALER'S CUSTOMER'S EXCLUSIVE CORNWELL HARD LINE/KENNEDY TOOL STORAGE WARRANTY AND REPLACES TO THE FULLEST EXTENT PERMITTED BY LAW ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OR CONDITIONS OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.**

Cornwell extends the full manufacturer's warranty to Dealer's customers, as the original end-user purchaser of products manufactured by others. No special, punitive, incidental or consequential damages of any kind are recoverable from Cornwell by any person from the use of these products. Further, there is no other warranty extended by Cornwell with respect to these products, including but not limited to warranties of merchantability and fitness for a particular purpose. In order to replace a defective item, it must be returned to Cornwell Quality Tools Company, 454 Corporate Parkway, Wadsworth, Ohio 44281.

**THIS WARRANTY IS DEALER'S CUSTOMER'S EXCLUSIVE WARRANTY FROM CORNWELL AS TO PRODUCTS MANUFACTURED BY OTHERS AND REPLACES TO THE FULLEST EXTENT PERMITTED BY LAW ALL OTHER WARRANTIES BY CORNWELL, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OR CONDITIONS OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.**

Dealer agrees to extend all of the warranties described in this Paragraph 12 to the Dealer's customers.

13. In the event of default caused by the following (and except as required under applicable laws): (1) breach of promises contained in this Agreement and any other agreement between Dealer and Cornwell, including but not limited to (a) Dealer's failure to pay as agreed for merchandise delivered by Cornwell or (b) to maintain the inventory purchase levels required in Paragraph 7 or (c) to display Cornwell's Marks and to refrain from their misuse or (d) to supply weekly data required in Paragraph 5.e or (e) to maintain full collateralization of any promissory note and security agreement or (f) to use best full-time efforts to serve the Territory fully; (2) Dealer is convicted of a felony; (3) a voluntary or involuntary proceeding is instituted against Dealer in bankruptcy or other similar laws; (4) A Receiver is appointed for the assets of Dealer; or (5) Dealer makes an assignment for the benefit of Dealer's creditors, this Agreement may be declared terminated by Cornwell by notice in writing effective immediately upon receipt.

14. Dealer shall have 30 days to cure default caused by failure to pay as agreed for merchandise delivered and/or failure to maintain the inventory purchase levels required in Paragraph 7 and/or failure to maintain full collateralization of any promissory note and security agreement.

15. Cornwell may agree to waive any default, in its sole discretion, upon such terms as Cornwell determines. Without limiting the foregoing, Cornwell may require Dealer to agree to a modification of the Territory as a condition of waiving Dealer's failure to use best full-time efforts to serve the Territory fully. No action or failure to act on the part of Cornwell shall operate as a waiver or otherwise of the subsequent right to terminate Dealer, unless expressly so stated in writing.

16. Dealer may terminate this Agreement at any time after mailing written notice to Cornwell thirty (30) days before the effective date of such termination. In addition to its rights under Paragraph 13 above, Cornwell may terminate this Agreement at any time five years or more after the date of this Agreement, in the event that Cornwell ceases generally from the business of selling the Products in the State in which the Territory is located. Cornwell shall give at least one (1) year's notice in writing of such termination and shall not offer franchises again to sell the Products in the State for at least five (5) years thereafter.

17. Upon termination of this Agreement for any reason, or upon the death or disability of Dealer, Cornwell will purchase certain merchandise from Dealer or Dealer's estate, at the then prevailing dealer prices, less a 15% restocking charge. New tools will be approved for return only if they are in new and saleable condition, are active items, and have not been discontinued by Cornwell. All returns must be of current design and finish. All tools returned must be in their original individual carton or container. Broken packs of Cornwell or Cornwell-Allied tools will not be accepted for return if the tools are normally sold by Cornwell in factory pack quantities. The following items are **not** subject to return under this program: Tool storage, socket trays, clips and rails, vinyl kit bags, air compressors, lifting equipment, large shop equipment, parts washers, sales administration or truck display aids, welders, battery chargers, and serial numbered test equipment.

Upon termination of the dealership for any reason, all of Dealer's rights pertaining to the trademarks will automatically revert to Cornwell. Upon termination, Dealer must immediately discontinue use of the trademarks and – at Dealer's own sole expense – Dealer must immediately remove all of the trademarks appearing on decals, signs or otherwise, and any terms confusingly similar to them, from Dealer's truck, clothing, business cards, documents and other property. Dealer must also discontinue any use of the trademarks or any reference to them in Dealer's advertising.

Cornwell will apply any or all monies to be paid for assets purchased from a terminated Dealer as may be necessary to discharge terminated Dealer's total indebtedness to Cornwell. Should there be a deficiency in the purchased assets, any balance remaining due to Cornwell will be payable immediately. The term "indebtedness" shall include both matured and unmatured obligations, and upon termination Cornwell may declare all promissory notes held or later acquired by it against Dealer immediately due and payable at any time.

18. This Agreement supersedes all agreements, written or oral, and previous and contemporaneous, to date between Dealer and Cornwell. No modification or amendment of this Agreement shall be effective unless made in writing and signed by a representative of Cornwell and Dealer.

19. Any provision of this agreement at variance with the laws of any State or Territory in which it is or becomes operative, or of the United States shall be deemed modified to conform with such laws and the remaining provisions shall remain in effect.

20. Any claim or controversy in connection with, arising out of, or relating to the Agreement between Dealer and Cornwell shall be settled by binding arbitration in accordance with the rules pertaining to commercial dispute arbitration then existing with the American Arbitration Association. Judgment upon the award rendered by the arbitrator(s) may be entered in any court having jurisdiction. Such arbitration shall take place in such locations as the parties mutually agree, and in the absence of such agreement, in Akron, Ohio. The laws applicable to the arbitration procedure shall be the laws of the State of Ohio. The award of the arbitrator(s) shall be the sole remedy between the parties regarding any claims, counterclaims, issues presented or pled to the arbitrator(s).

Cornwell reserves the right to obtain injunctive or other mandatory relief from the act or omission of any activity prohibited or required by this Agreement in any court having jurisdiction, when such act or omission will cause irreparable harm to Cornwell.

21. Any notice required to be given under this Agreement or service of process for the purposes of arbitration or litigation of issues arising out of it, shall be given to Cornwell at 667 Seville Road, Wadsworth, Ohio 44281 and to First Dealer and Second Dealer, if applicable, at the address or addresses last provided by them to Cornwell. Service on Cornwell, First Dealer, or Second Dealer shall conclusively be deemed to have been completed for all purposes if made by regular U.S. mail or any other usual and reliable form of delivery to the address last given. The parties will continue to have the obligation to notify one another of any change of address during and after the termination of this Agreement, if they wish to be assured of the receipt of notices and service of process, and they expressly waive any objection to notice provided or service made to the last address they have given.

22. Dealer shall give Cornwell not less than thirty (30) days' notice of the intention to do business as an entity (for example, corporation, partnership, LLC or LLP), if such an entity is not already a party to this Agreement. Dealer shall not do business as an entity without Cornwell's express written consent, which shall not be unreasonably withheld. All individual parties to this Agreement agree to execute any personal guarantees and other documentation that Cornwell may require as a condition of its consent for Dealer to do business as an entity.

23. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**RECITALS**

- A. Cornwell and Dealer entered into a Dealer Franchise Agreement on \_\_\_\_\_ ("the Existing Agreement"), which established a Cornwell franchise ("the Existing Franchise").

The Second Franchise must be "full equity," which means that investment for the Second Franchise cannot be made with funds borrowed from Cornwell or any other lender who takes a security interest in the assets of the Franchise. j. Both the existing Franchise and the Second Franchise must always meet all Cornwell requirements.

k. The existing Franchise must maintain at least 100% of the national purchase average. The Second Franchise must maintain at least 100% of the national purchase average commencing six months after the Second Franchise begins operation.

## 202425 FRANCHISE DEVELOPER DEALER FRANCHISE AGREEMENT

THIS FRANCHISE DEVELOPER DEALER FRANCHISE AGREEMENT ("Agreement") made this \_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_, by and between THE CORNWELL QUALITY TOOLS COMPANY of Wadsworth, Ohio ("Cornwell") and [Entity Name, if applicable] \_\_\_\_\_ and [First Individual Name] \_\_\_\_\_ of [Residence street address] \_\_\_\_\_, [City] \_\_\_\_\_, [State] \_\_\_\_\_ [Zip] \_\_\_\_\_, and (if applicable) [Second Individual Name] \_\_\_\_\_, his or her spouse or person in a similar legal relationship, as individual owners of the franchised dealership if it is an entity and in all events as active partners in the operation of the franchised dealership (individually and/or collectively referred to as "Dealer").

### RECITALS

A. Cornwell represents that it is a manufacturer and distributor of various tools and other items of use in the automotive repair business (the "Products").

B. Cornwell desires to grant to the Dealer a franchise to purchase and resell the Products with primary responsibility on Dealer's part to serve the automotive aftermarket in the area defined below (the "Territory") and the Dealer desires to serve in such capacity.

C. Cornwell further desires to grant the Dealer status as a Franchise Developer, under which status the Dealer can receive free inventory in return for maintaining higher purchase levels for an extended time and/or recruiting additional dealers to Cornwell and the Dealer desires such status.

In consideration of the mutual promises set forth, the Dealer and Cornwell agree as follows:

1. Cornwell grants to the Dealer the right, and the Dealer undertakes the obligation, upon the terms set forth in this Agreement, to operate a franchise selling the Products in the Territory described as follows:

See Attached Map

This Agreement shall continue until terminated, as set forth in Paragraphs 13, 14 and 16 below.

2. Cornwell agrees to sell Dealer products in such quantities as Dealer requires and at such prices as Cornwell may determine from time to time. Dealer agrees to use Dealer's best efforts to serve the Territory fully with the sale of Cornwell products. The First Individual named above agrees to use his or her best full-time efforts to operate the dealership.

3. Upon execution or within 30 days of this Agreement, the Dealer agrees to place an order for an initial inventory of Products from Cornwell with a total regular dealer net price of ~~\$55,000~~\$60,000 (the "Starter Inventory"). Cornwell must approve the Starter Inventory order. Cornwell will recommend a list of Products, which would be useful for the Dealer in beginning its operation.

4. (i) The Dealer agrees to pay for the Starter Inventory by giving Cornwell a promissory note and security agreement ("the Note") in the amount of ~~\$55,000~~\$60,000, payable in full without interest in 36 months by weekly payments. If certain purchase or recruiting requirements are met as set forth in this Agreement and the Note, annual granting of credits of ~~\$15,000 the first year and~~ \$20,000 per year for 3 years ~~the second and third years~~ will be applied to the Dealer's open account.

(ii) Unless waived by Cornwell, the Dealer further agrees to deposit \$20,000, as a reserve with Cornwell, at the time payment is made for the Starter Inventory ("the Reserve"). The Dealer agrees to pay for the Reserve in either of the following ways: (1) by paying Cornwell the full amount of the Reserve in cash upon execution of the Agreement; or (2) upon prior written approval of Cornwell, included with the Note for the balance.

(iii) The Reserve shall be applied by Cornwell to the Dealer's open account, as a credit against the Dealer's further purchases of inventory, in a weekly amount equal to 65% of the increase in the Dealer's documented Time Payment (TP) Account balance over the previous high TP balance. The Reserve shall be maintained by Cornwell until it is exhausted or this Agreement is terminated, whichever occurs first. If the Reserve is funded with a combination of cash and notes, the cash deposited will be applied first against the further purchases of inventory. The funds remaining in the Reserve shall be refunded if paid in cash or, if borrowed, credited at the Dealer's option to the Dealer's open account, if the Reserve has not been used in full upon the termination of this Agreement. When the Reserve is

established, it shall be credited by Cornwell with a lump-sum amount reflecting interest on the cash portion of the Reserve at the then-applicable rate for Cornwell's overnight bank sweep accounts and the assumption that the Reserve will be drawn down evenly over 13 weeks. A lump-sum amount reflecting interest for 13 weeks will be applied to the borrowed portion of the Reserve at the same rate as the Dealer's note. Any unearned interest may be recovered by Cornwell if the Reserve ends with a remaining balance.

(iv) Unless waived by Cornwell, the Dealer further agrees that the Dealer will provide verification to Cornwell, at the time payment is made for the Starter Inventory and Reserve, that as of that date the Dealer has at least an additional ~~\$10,000~~15,000 deposited in usable funds in a business checking account at a financial institution of the Dealer's choice and the Dealer further agrees that the Dealer will only use those funds for the business purposes of the dealership on and after the first day of training on Dealer's route, which may include a reasonable draw for personal living expenses, as agreed upon by Cornwell in advance, while this Agreement is in force.

4a. Franchise Developer Requirements and Benefits.

To remain a Franchise Developer and to enjoy the benefits set forth below, in addition to the interest-free Note described above, the Dealer must meet the requirements below. To the extent the requirements of this paragraph 4a conflict with other provisions of this agreement, the requirements of this paragraph shall prevail.

A. Dealer must (1) Remain a Cornwell Dealer with average purchases of not less than \$~~7,400~~700 per week for at least 36 months from the date that Dealer first makes sales ("Start Date") or (2) Introduce at least 3 new dealers to Cornwell within 36 months of the Start Date. Dealer's status as a Franchise Developer will be reviewed every 52 weeks. If Dealer both fails to satisfy the average purchase requirement and has not introduced a new dealer during the preceding 52 weeks, Dealer's status as a Franchise Developer may be terminated by Cornwell.

B. "Introduction" of new dealers for the purpose of Franchise Developer status means that such new dealers enter into Dealer Franchise Agreements, purchase Starter Inventories and remain Cornwell Dealers for a minimum of 6 months each.

C. Dealer shall qualify for all Cornwell programs, except recruitment incentives for the Dealer himself or for three new dealers.

D. Dealer will qualify immediately for all Tech-Credit programs and for volume discounts for purchases as of the first week of business, not including the Starter Inventory.

E. Dealer must use the IBN program, including My Business and must submit standard weekly reports to the District Sales Manager and to Cornwell's Wadsworth office.

F. Dealer must maintain an inventory of at least **\$5560,000** net value and must use the perpetual inventory function on IBN. Dealer's inventory level will be inspected at least quarterly by the District Sales Manager and the Dealer will perform a physical inventory at least once a year, or more frequently as Cornwell may reasonably request.

G. Dealer must pay Dealer's trade account with Cornwell in accordance with Cornwell's policies and procedures, must make the required weekly payments on the Note and must otherwise comply with the terms of this Agreement, the Note, all other agreements between Cornwell and Dealer and Cornwell's other policies and procedures.

H. Following each of the first, three 52-week periods after payments have commenced on the Note, if Dealer has complied with the requirements of this Agreement and the Note during that period, Cornwell will then issue an open account credit to Dealer , to be used only for the purchase of additional inventory, of \$1520,000. ~~Following each of the next two 52-week periods after payments have commenced, if Dealer has complied with the requirements of this Agreement and the Note during that period, Cornwell will then issue an open account credit to Dealer of \$20,000.~~

I. If during the first 104 weeks after the Start Date loan payments commence Dealer has maintained a purchase average of at least \$8,000-400 per week (not including the Starter Inventory), Cornwell will then issue a further open account credit to Dealer of \$10,000 to be used only for the purchase of additional inventory.

J. If during the first 156 weeks after the Start Date loan payments commence Dealer has maintained a purchase average of at least \$8,000-400 per week (not including the Starter Inventory or additional inventory purchased with the credit described in subparagraph H above), Cornwell will then issue a further open account credit to Dealer of \$15,000 to be used only for the purchase of additional inventory.

5. a. Dealer agrees to acquire and/or use in the operation of its franchise a display truck or van which has been approved by Cornwell. Approved trucks and vans must be equipped so that District Managers or others riding with Dealer can sit safely and are protected against injury from objects thrown forward from the rear compartment. Dealer agrees to buy and wear approved Cornwell route wear.

5. b. Dealer agrees to acquire a laptop computer, bar code scanner and credit card signature pad from Cornwell (together, "the Hardware") for use on Dealer's truck. Cornwell will sell the Hardware to Dealer at Cornwell's cost, now approximately \$3,500. Cornwell will give Dealer a \$1,500 credit on Dealer's open

account to offset the Hardware purchase expense. Dealer will also be required to purchase or lease a compatible printer and wireless card.

5. c. Dealer agrees to obtain and maintain high speed Internet access via a standalone Network Access Device from a mobile wireless broadband carrier, to be able to communicate electronically with Cornwell.

5. d. Dealer agrees to acquire licensing from Cornwell for the "Ironman Business Network (IBN)" Software for Cornwell dealers, under a separate License Agreement with Cornwell. Dealer will be required to use the "My Business" function in IBN as directed in order for Dealer and Cornwell to monitor Dealer's business properly. Dealer's franchise may be terminated if Dealer does not supply required data or if Dealer does not use IBN and hardware obtained from Cornwell, including, but not limited to the "My Business" function, and does not do so.

5. e. Dealer agrees that Cornwell will have independent access to the information that will be generated and stored on Dealer's "Ironman Business Network IBN" computer system. Dealer agrees to maintain written, weekly report summaries of Dealer's sales and then existing Total Inventory and all Accounts each week. Dealer's IBN will automatically store and electronically transmit this information to Cornwell. Dealer agrees to submit data generated by the computer system, including but not limited to the weekly report summaries. Failure to supply this data is a material breach of this Agreement.

6. Dealer agrees to carry the following minimum insurance coverage: commercial business auto liability insurance with limits of \$1,000,000; general commercial liability insurance under a comprehensive general liability form that includes coverage for bodily harm, property damage, and product liability policy limits not less than \$1,000,000; and cargo insurance with all risk property coverage for full replacement value of Dealer's inventory. Dealer agrees to include Cornwell as "additional insured" on the Dealer's general commercial liability insurance. Dealer agrees to include Cornwell as "loss payee" on the Dealer's cargo insurance policy, to the extent of Cornwell's security interest in Dealer's inventory.

7. Commencing after the fulfillment of the requirements of paragraphs 4a, (A) and (B), the Dealer agrees to maintain average weekly purchases from Cornwell equal to at least 90% of the national average of Cornwell franchise dealers' weekly purchases during the current calendar year. Every week, Cornwell calculates the national average franchise dealer weekly purchase amount during the current year. (Total dealer year to date purchases, divided by the number of weeks to date, then divided by the number of dealers at the end of the week prior to the current week.) Each week, Dealer agrees to maintain average weekly purchases (year to date purchases divided by the number of weeks to date) equal to 90% of Cornwell's national weekly average for franchise dealers.

8. a. Cornwell will make available to the Dealer combined formal and informal training opportunities depending on the individual requirements and background of the Dealer. This training will include a mandatory two (2) weeks in the

first month in which the Dealer is in operation, during which a Cornwell District Manager will accompany Dealer on Dealer's route and train Dealer. The Dealer must participate in the initial training offered by the District Manager. Such training will not be waived, regardless of Dealer's previous level of experience, so that Dealer will be fully acquainted with Cornwell's practices and procedures in recruiting new dealers.

8. b. Before Dealer begins selling Cornwell product from Dealer's truck or van, Cornwell will provide Dealer with at least 40 hours of mandatory initial classroom training (New Dealer Training Program) near Cornwell's corporate offices in Wadsworth, Ohio, or at some other location. The First Individual named above, who will primarily operate the dealership, must complete the New Dealer Training Program before operating the dealership. The Second Individual named above is also invited to attend the New Dealer Training Program. The New Dealer Training Program will include classroom instruction on basic business procedures, computer setup, IBN setup, customer relations, products warranty/repair, Email, Cornwell Website and My Business. Dealer must pay the cost of travel, food, lodging and any other incidental costs for the New Dealer Training Program. If the Second Individual named above at any time will primarily operate the dealership, the Second Individual must complete the training set forth above.

9. The First Individual named above agrees to engage full time in the direct operation of the franchised dealership. If the Second Individual named above at any time will primarily operate the dealership, the Second Individual must then adhere to the full-time direct operation obligation set forth above. Dealer agrees to operate only one truck, directly or indirectly, unless Cornwell expressly waives this requirement.

10. Dealer shall display Cornwell Trademarks ("Marks") in the location, style and manner specified by Cornwell. No other trademarks shall be used or employed by Dealer on or in connection with the Cornwell Products except as specified in writing by Cornwell. It is expressly understood and agreed that the Marks shall not be employed as, or included in, the trade name or trade style of Dealer either during the life of this Agreement or subsequently thereto.

Dealer recognizes the validity and Cornwell's exclusive ownership of the Marks. Dealer agrees that it will not do any act or thing, either directly or indirectly, that may in any way impair Cornwell's title and exclusivity. Dealer further agrees that during the continuance of this agreement, or at any time thereafter, it does not have and may not claim any right to use, any right, title, or interest in, and may not register with any Governmental authority any trademark, identical with or similar to the Marks without the prior written consent of Cornwell.

Dealer further acknowledges that nothing in this Agreement, and no use of any of the Marks under the terms of this agreement, shall create in Dealer any right, title or interest in any of the Marks. Dealer shall take such steps and execute such further documents as Cornwell may reasonably request in order to protect Cornwell's complete interest in and ownership of the Marks.

Dealer agrees to notify Cornwell immediately when Dealer learns about an infringement of or challenge to its use of any of Cornwell's trademark. Cornwell will take the action it considers appropriate, with which Dealer agrees to cooperate. While Cornwell is not required to defend Dealer against a claim against its use of the Marks, Cornwell will reimburse Dealer for Dealer's liability and reasonable costs in connection with defending Cornwell's Marks. To receive reimbursement, the Dealer must have notified Cornwell immediately upon learning about the infringement or challenge.

Dealer must modify or discontinue the use of a Mark if Cornwell modifies or discontinues it. In the event of such action by Cornwell, Cornwell will reimburse the Dealer for tangible costs of compliance (for example, changing decals or signs). The Dealer agrees not to directly or indirectly contest Cornwell's right to its Marks, trade secrets or business techniques that are a part of Cornwell's business.

11. The franchise granted by this Agreement is assignable or transferable by Dealer, either voluntarily or by operation of law, only with written consent from Cornwell. Cornwell will not unreasonably withhold its consent. Dealer shall have the right to assign or transfer Dealer's assets, subject to any security interest Cornwell may have in them. Upon the death or disability of a Dealer, Cornwell may authorize a succession of ownership within the Dealer's family when the proposed successor has been previously active in the Dealer's business. Cornwell reserves the right to assign or transfer its rights, duties or obligations under this Agreement.

12. If Dealer's customer is the original end-user purchaser of a product manufactured by Cornwell ("Cornwell Hard Line") or of a new Kennedy steel roller cabinet, locker, cart, steel tool chest, or steel canopy for use with a Kennedy cabinet or tool chest ("Kennedy Tool Storage"), then Dealer's customer is entitled to a limited lifetime warranty that the product will be free of defects in material or workmanship under normal use and will conform to the description given them by Cornwell or Kennedy.

This limited lifetime warranty extends only to the repair or replacement of items found by Cornwell or Kennedy upon examination to be defective in material or workmanship and is subject to availability of replacement parts. This limited lifetime warranty covers only parts and materials, not labor, and cannot be assigned by the original end-user purchaser of that product.

This limited lifetime warranty does not cover products that are damaged through any intentional or negligent actions, including but not limited to misuse, mishandling, or modification or to products that reach the ends of their useful lives as a result of normal wear and tear. Misuse and mishandling of Kennedy Tool Storage products include but are not limited to overloading, especially while moving or transporting the item, and to scratching of painted and unpainted tops.

Cornwell and Kennedy are not responsible for any special, punitive, incidental or consequential damages which may arise out of the purchase or use

of any Cornwell or Kennedy product. Cornwell's and Kennedy's liability for any breach of warranty shall be limited to the cost of the repair or replacement of the defective items as described above.

**THIS WARRANTY IS DEALER'S CUSTOMER'S EXCLUSIVE CORNWELL HARD LINE/KENNEDY TOOL STORAGE WARRANTY AND REPLACES TO THE FULLEST EXTENT PERMITTED BY LAW ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OR CONDITIONS OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.**

Cornwell extends the full manufacturer's warranty to Dealer's customers, as the original end-user purchaser of products manufactured by others. No special, punitive, incidental or consequential damages of any kind are recoverable from Cornwell by any person from the use of these products. Further, there is no other warranty extended by Cornwell with respect to these products, including but not limited to warranties of merchantability and fitness for a particular purpose. In order to replace a defective item, it must be returned to Cornwell Quality Tools Company, 454 Corporate Parkway, Wadsworth, Ohio 44281.

**THIS WARRANTY IS DEALER'S CUSTOMER'S EXCLUSIVE WARRANTY FROM CORNWELL AS TO PRODUCTS MANUFACTURED BY OTHERS AND REPLACES TO THE FULLEST EXTENT PERMITTED BY LAW ALL OTHER WARRANTIES BY CORNWELL, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OR CONDITIONS OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.**

Dealer agrees to extend all of the warranties described in this Paragraph 12 to the Dealer's customers.

13. In the event of default caused by the following (and except as required under applicable laws): (1) breach of promises contained in this Agreement and any other agreement between Dealer and Cornwell, including but not limited to (a) Dealer's failure to pay as agreed for merchandise delivered by Cornwell or (b) to maintain the inventory purchase levels required in Paragraph 7 or (c) to display Cornwell's Marks and to refrain from their misuse or (d) to supply weekly data required in Paragraph 5.e or (e) to maintain full collateralization of any promissory note and security agreement or (f) to use best full-time efforts to serve the Territory fully; (2) Dealer is convicted of a felony; (3) a voluntary or involuntary proceeding is instituted against Dealer in bankruptcy or other similar laws; (4) A Receiver is appointed for the assets of Dealer; or (5) Dealer makes an assignment for the benefit of Dealer's creditors, this Agreement may be declared terminated by Cornwell by notice in writing effective immediately upon receipt.

14. Dealer shall have 30 days to cure default caused by failure to pay as agreed for merchandise delivered and/or failure to maintain the inventory purchase

levels required in Paragraph 7 and/or failure to maintain full collateralization of any promissory note and security agreement.

15. Cornwell may agree to waive any default, in its sole discretion, upon such terms as Cornwell determines. Without limiting the foregoing, Cornwell may require Dealer to agree to a modification of the Territory as a condition of waiving Dealer's failure to use best full-time efforts to serve the Territory fully. No action or failure to act on the part of Cornwell shall operate as a waiver or otherwise of the subsequent right to terminate Dealer, unless expressly so stated in writing.

16. Dealer may terminate this Agreement at any time after mailing written notice to Cornwell thirty (30) days before the effective date of such termination. In addition to its rights under Paragraph 13 above, Cornwell may terminate this Agreement at any time five years or more after the date of this Agreement, in the event that Cornwell ceases generally from the business of selling the Products in the State in which the Territory is located. Cornwell shall give at least one (1) year's notice in writing of such termination and shall not offer franchises again to sell the Products in the State for at least five (5) years thereafter.

17. Upon termination of this Agreement for any reason, or upon the death or disability of Dealer, Cornwell will purchase certain merchandise from Dealer or Dealer's estate, at the then prevailing dealer prices, less a 15% restocking charge. New tools will be approved for return only if they are in new and saleable condition, are active items, and have not been discontinued by Cornwell. All returns must be of current design and finish. All tools returned must be in their original individual carton or container. Broken packs of Cornwell or Cornwell-Allied tools will not be accepted for return if the tools are normally sold by Cornwell in factory pack quantities. The following items are **not** subject to return under this program: Tool storage, socket trays, clips and rails, vinyl kit bags, air compressors, lifting equipment, large shop equipment, parts washers, sales administration or truck display aids, welders, battery chargers, and serial numbered test equipment.

Upon termination of the dealership for any reason, all of Dealer's rights pertaining to the trademarks will automatically revert to Cornwell. Upon termination, Dealer must immediately discontinue use of the trademarks and – at Dealer's own sole expense – Dealer must immediately remove all of the trademarks appearing on decals, signs or otherwise, and any terms confusingly similar to them, from Dealer's truck, clothing, business cards, documents and other property. Dealer must also discontinue any use of the trademarks or any reference to them in Dealer's advertising.

Cornwell will apply any or all monies to be paid for assets purchased from a terminated Dealer as may be necessary to discharge terminated Dealer's total indebtedness to Cornwell. Should there be a deficiency in the purchased assets, any balance remaining due to Cornwell will be payable immediately. The term "indebtedness" shall include both matured and unmatured obligations, and upon termination, Cornwell may declare all promissory notes held or later acquired by it against Dealer immediately due and payable at any time.

18. This Agreement supersedes all agreements, written or oral, and previous and contemporaneous, to date between Dealer and Cornwell. No modification or amendment of this Agreement shall be effective unless made in writing and signed by a representative of Cornwell and Dealer.

19. Any provision of this agreement at variance with the laws of any State or Territory in which it is or becomes operative, or of the United States shall be deemed modified to conform with such laws and the remaining provisions shall remain in effect.

20. Any claim or controversy in connection with, arising out of, or relating to the Agreement between Dealer and Cornwell shall be settled by binding arbitration in accordance with the rules pertaining to commercial dispute arbitration then existing with the American Arbitration Association. Judgment upon the award rendered by the arbitrator(s) may be entered in any court having jurisdiction. Such arbitration shall take place in such locations as the parties mutually agree, and in the absence of such agreement, in Akron, Ohio. The laws applicable to the arbitration procedure shall be the laws of the State of Ohio. The award of the arbitrator(s) shall be the sole remedy between the parties regarding any claims, counterclaims, issues presented or pled to the arbitrator(s).

Cornwell reserves the right to obtain injunctive or other mandatory relief from the act or omission of any activity prohibited or required by this Agreement in any court having jurisdiction, when such act or omission will cause irreparable harm to Cornwell.

21. Any notice required to be given under this Agreement, or service of process for the purposes of arbitration or litigation of issues arising out of it, shall be given to Cornwell at 667 Seville Road, Wadsworth, Ohio 44281 and to First Dealer and Second Dealer, if applicable, at the address or addresses last provided by them to Cornwell. Service on Cornwell, First Dealer, or Second Dealer shall conclusively be deemed to have been completed for all purposes if made by regular U.S. mail or any other usual and reliable form of delivery to the address last given. The parties will continue to have the obligation to notify one another of any change of address during and after the termination of this Agreement, if they wish to be assured of the receipt of notices and service of process, and they expressly waive any objection to notice provided or service made to the last address they have given.

22. Dealer shall give Cornwell not less than thirty (30) days' notice of the intention to do business as an entity (for example, corporation, partnership, LLC or LLP), if such an entity is not already a party to this Agreement. Dealer shall not do business as an entity without Cornwell's express written consent, which shall not be unreasonably withheld. All individual parties to this Agreement agree to execute any personal guarantees and other documentation that Cornwell may require as a condition of its consent for Dealer to do business as an entity.

23. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

### RECITALS

A. Cornwell represents that it is a manufacturer and distributor of various tools and other items of use in the automotive repair business (the "Products").

B. Cornwell desires to grant to the Dealer a franchise to purchase and resell the Products with primary responsibility on Dealer's part to serve the automotive aftermarket in the area defined below (the "Territory") and the Dealer desires to serve in such capacity.

C. Cornwell further desires to grant the Dealer status as a Special Representative, under which status the Dealer can receive free inventory in return for maintaining higher purchase levels for an extended time and/or recruiting additional dealers to Cornwell and the Dealer desires such status.

In consideration of the mutual promises set forth, the Dealer and Cornwell agree as follows:

1. Cornwell grants to the Dealer the right, and the Dealer undertakes the obligation, upon the terms set forth in this Agreement, to operate a franchise selling the Products in the Territory described as follows:

See Attached Map

This Agreement shall continue until terminated, as set forth in Paragraphs 13, 14 and 16 below.

2. Cornwell agrees to sell Dealer products in such quantities as Dealer requires and at such prices as Cornwell may determine from time to time. Dealer agrees to use Dealer's best efforts to serve the Territory fully with the sale of Cornwell products. The First Individual named above agrees to use his or her best full-time efforts to operate the dealership.

3. Upon execution or within 30 days of this Agreement, the Dealer agrees to place an order for an initial inventory of Products from Cornwell with a total regular dealer net price of ~~\$60,000~~\$65,000 (the "Starter Inventory"). Cornwell must approve the Starter Inventory order. Cornwell will recommend a list of Products, which would be useful for the Dealer in beginning its operation.

4. (i) The Dealer agrees to pay for the Starter Inventory by giving Cornwell a promissory note and security agreement ("the Note") in the amount of ~~\$60,000~~\$65,000, payable in full without interest in 36 months by weekly payments. If certain purchase or recruiting requirements are met as set forth in this Agreement and the Note, annual granting of credits of \$20,000 the first and second years and \$25,000 the third year per year for 3 years will be applied annually to the Dealer's open account.

(ii) Unless waived by Cornwell, the Dealer further agrees to deposit \$20,000, as a reserve with Cornwell, at the time payment is made for the Starter Inventory ("the Reserve"). The Dealer agrees to pay for the Reserve in cash upon execution of the Agreement, unless Cornwell agrees to finance the Reserve.

(iii) The Reserve shall be applied by Cornwell to the Dealer's open account, as a credit against the Dealer's further purchases of inventory, in a weekly amount equal to 65% of the increase in the Dealer's documented Time Payment (TP) Account balance over the previous high TP balance. The Reserve shall be maintained by Cornwell until it is exhausted or this Agreement is terminated, whichever occurs first. If the Reserve is funded with a combination of cash and notes, the cash deposited will be applied first against the further purchases of inventory. The funds remaining in the Reserve shall be refunded if paid in cash or, if borrowed, credited at the Dealer's option to the Dealer's open account, if the Reserve has not been used in full upon the termination of this Agreement. When the Reserve is established, it shall be credited by Cornwell with a lump-sum amount reflecting interest on the cash portion of the Reserve at the then-applicable rate for Cornwell's

overnight bank sweep accounts and the assumption that the Reserve will be drawn down evenly over 13 weeks. A lump-sum amount reflecting interest for 13 weeks will be applied to the borrowed portion of the Reserve at the same rate as the Dealer's note. Any unearned interest may be recovered by Cornwell if the Reserve ends with a remaining balance.

(iv) Unless waived by Cornwell, the Dealer further agrees that the Dealer will provide verification to Cornwell, at the time payment is made for the Starter Inventory and Reserve, that as of that date the Dealer has at least an additional ~~\$10~~15,000 deposited in usable funds in a business checking account at a financial institution of the Dealer's choice and the Dealer further agrees that the Dealer will only use those funds for the business purposes of the dealership on and after the first day of training on Dealer's route, which may include a reasonable draw for personal living expenses, as agreed upon by Cornwell in advance, while this Agreement is in force.

4a. Special Representative Requirements and Benefits.

To remain a Special Representative and to enjoy the benefits set forth below, in addition to the interest-free Note described above, the Dealer must meet the requirements below. To the extent the requirements of this paragraph 4a conflict with other provisions of this agreement, the requirements of this paragraph shall prevail.

A. Dealer must (1) Remain a Cornwell Dealer with average purchases of not less than ~~\$7,400~~700 per week for at least 36 months from the date that Dealer first makes sales ("Start Date") or (2) Introduce at least 3 new dealers to Cornwell within 36 months of the Start Date. Dealer's status as a Special Representative will be reviewed every 52 weeks. If Dealer both fails to satisfy the average purchase requirement and has not introduced a new dealer during the preceding 52 weeks, Dealer's status as a Special Representative may be terminated by Cornwell.

B. "Introduction" of new dealers for the purpose of Special Representative status means that such new dealers enter into Dealer Franchise Agreements, purchase Starter Inventories and remain Cornwell Dealers for a minimum of 6 months each.

C. Dealer warrants and at Cornwell's request shall document that immediately prior to joining Cornwell, Dealer was an active Dealer with a major mobile tool company (Snap-On, Mac Tools, or Matco), with substantially similar responsibilities to those of a Cornwell Special Representative and that Dealer had maintained a minimum sales average of \$9,000 per week for at least the preceding 12 months.

D. Dealer will be paid Twenty-Five Hundred Dollars (\$2,500.00) upon execution of this agreement, which will be applied as a credit to the open account, to pay the cost of a conversion package. At Cornwell's request, Dealer shall

document the use of the conversion funds and shall promptly repay any unused funds.

E. Dealer shall qualify for all Cornwell programs, except recruitment incentives for the Dealer himself or for three new dealers.

F. Dealer will qualify immediately for all Tech-Credit programs and for volume discounts for purchases as of the first week of business, not including the Starter Inventory.

G. Dealer must use the IBN program, including My Business, and must submit standard weekly reports to the District Sales Manager and to Cornwell's Wadsworth office.

H. Dealer must maintain an inventory of at least ~~\$6065,000~~ net value and must use the perpetual inventory function on IBN. Dealer's inventory level will be inspected at least quarterly by the District Sales Manager and the Dealer will perform a physical inventory at least once a year, or more frequently as Cornwell may reasonably request.

I. Dealer must pay Dealer's trade account with Cornwell in accordance with Cornwell's policies and procedures, must make the required weekly payments on the Note and must otherwise comply with the terms of this Agreement, the Note, all other agreements between Cornwell and Dealer and Cornwell's other policies and procedures.

J. Following the each of first 52-week periods after the commencement of payments, if Dealer has complied with the requirements of this Agreement and the Note during that period, Cornwell will then issue an open account credit to Dealer ~~of \$20,000~~ to be used only for the purchase of additional inventory. The credit at the end of the first and second years will be \$20,000. Following the third 52-week period after payments have commenced, if you have complied with the requirements of this Agreement and the Note during that period, Cornwell will issue an open account credit to you of \$25,000, to be used only for the purchase of additional inventory. ~~Following each of the next two 52-week periods after the commencement of payments, if Dealer has complied with the requirements of this Agreement and the Note during that period, Cornwell will then issue an open account credit to Dealer of \$20,000 to be used only for the purchase of additional inventory.~~

K. If during the first 104 weeks after the Start Date ~~loan payments commence~~ Dealer has maintained a purchase average of at least ~~\$8,000-400~~ per week (not including the Starter Inventory), Cornwell will then issue a further open account credit to Dealer of \$10,000 to be used only for the purchase of additional inventory.

L. If during the first 156 weeks after the Start Date ~~loan payments commence~~ Dealer has maintained a purchase average of at least ~~\$8,000-400~~ per week (not including the Starter Inventory or additional inventory purchased with the

credit described in subparagraph J above), Cornwell will then issue a further open account credit to Dealer of \$15,000 to be used only for the purchase of additional inventory.

5. a. Dealer agrees to acquire and/or use in the operation of its franchise a display truck or van which has been approved by Cornwell. Approved trucks and vans must be equipped so that District Managers or others riding with Dealer can sit safely and are protected against injury from objects thrown forward from the rear compartment. Dealer agrees to buy and wear approved Cornwell route wear.

5. b. Dealer agrees to acquire a laptop computer, bar code scanner and credit card signature pad from Cornwell (together, "the Hardware") for use on Dealer's truck. Cornwell will sell the Hardware to Dealer at Cornwell's cost, now approximately \$3,500. Cornwell will give Dealer a \$1,500 credit on Dealer's open account to offset the Hardware purchase expense. Dealer will also be required to purchase or lease a compatible printer and wireless card.

5. c. Dealer agrees to obtain and maintain high speed Internet access via a standalone Network Access Device from a mobile wireless broadband carrier, to be able to communicate electronically with Cornwell.

5. d. Dealer agrees to acquire licensing from Cornwell for the "Ironman Business Network (IBN)" Software for Cornwell dealers, under a separate License Agreement with Cornwell. Dealer will be required to use the "My Business" function in IBN as directed in order for Dealer and Cornwell to monitor Dealer's business properly. Dealer's franchise may be terminated if Dealer does not supply required data or if Dealer does not use IBN and hardware obtained from Cornwell, including, but not limited to the "My Business" function.

5. e. Dealer agrees that Cornwell will have independent access to the information that will be generated and stored on Dealer's "Ironman Business Network IBN" computer system. Dealer agrees to maintain written, weekly report summaries of Dealer's sales and then existing Total Inventory and all Accounts each week. Dealer's IBN will automatically store and electronically transmit this information to Cornwell. Dealer agrees to submit data generated by the computer system, including but not limited to the weekly report summaries. Failure to supply this data is a material breach of this Agreement.

6. Dealer agrees to carry the following minimum insurance coverages: commercial business auto liability insurance with limits of \$1,000,000; general commercial liability insurance under a comprehensive general liability form that includes coverage for bodily harm, property damage, and product liability policy limits not less than \$1,000,000; and cargo insurance with all risk property coverage for full replacement value of Dealer's inventory. Dealer agrees to include Cornwell as "additional insured" on the Dealer's general commercial liability insurance. Dealer agrees to include Cornwell as "loss payee" on the Dealer's cargo insurance policy, to the extent of Cornwell's security interest in Dealer's inventory.

7. Commencing after the fulfillment of the requirements of paragraphs 4a, (A) and (B), the Dealer agrees to maintain average weekly purchases from Cornwell equal to at least 90% of the national average of Cornwell franchise dealers' weekly purchases during the current calendar year. Every week, Cornwell calculates the national average franchise dealer weekly purchase amount during the current year. (Total dealer year to date purchases, divided by the number of weeks to date, then divided by the number of dealers at the end of the week prior to the current week.) Each week, Dealer agrees to maintain average weekly purchases (year to date purchases divided by the number of weeks to date) equal to 90% of Cornwell's national weekly average for franchise dealers.

8. a. Cornwell will make available to the Dealer combined formal and informal training opportunities depending on the individual requirements and background of the Dealer. This training will include a mandatory two (2) weeks in the first month in which the Dealer is in operation, during which a Cornwell District Manager will accompany Dealer on Dealer's route and train Dealer. The Dealer must participate in the initial training offered by the District Manager. Such training will not be waived, regardless of Dealer's previous level of experience, so that Dealer will be fully acquainted with Cornwell's practices and procedures in recruiting new dealers.

8. b. Before Dealer begins selling Cornwell product from Dealer's truck or van, Cornwell will provide Dealer with at least 40 hours of mandatory initial classroom training (New Dealer Training Program) near Cornwell's corporate offices in Wadsworth, Ohio, or some other location. The First Individual named above, who will primarily operate the dealership, must complete the New Dealer Training Program before operating the dealership. The Second Individual named above is also invited to attend the New Dealer Training Program. The New Dealer Training Program will include but not be limited to classroom instruction on basic business procedures, computer setup, IBN setup, customer relations, products warranty/repair, Email, Cornwell Website and My Business. Dealer must pay the cost of travel, food, lodging and any other incidental costs for the New Dealer Training Program. If the Second Individual named above at any time will primarily operate the dealership, the Second Individual must complete the training set forth above.

9. The First Individual named above agrees to engage full time in the direct operation of the franchised dealership. If the Second Individual named above at any time will primarily operate the dealership, the Second Individual must then adhere to the full-time direct operation set forth above. Dealer agrees to operate only one truck, directly or indirectly, unless Cornwell expressly waives this requirement.

10. Dealer shall display Cornwell Trademarks ("Marks") in the location, style and manner specified by Cornwell. No other trademarks shall be used or employed by Dealer on or in connection with the Cornwell Products except as specified in writing by Cornwell. It is expressly understood and agreed that the Marks shall not be employed as, or included in, the trade name or trade style of Dealer either during the life of this Agreement or subsequently thereto.

Dealer recognizes the validity and Cornwell's exclusive ownership of the Marks. Dealer agrees that it will not do any act or thing, either directly or indirectly, that may in any way impair Cornwell's title and exclusivity. Dealer further agrees that during the continuance of this agreement, or at any time thereafter, it does not have and may not claim any right to use, any right, title, or interest in, and may not register with any Governmental authority any trademark, identical with or similar to the Marks without the prior written consent of Cornwell.

Dealer further acknowledges that nothing in this Agreement, and no use of any of the Marks under the terms of this agreement, shall create in Dealer any right, title or interest in any of the Marks. Dealer shall take such steps and execute such further documents as Cornwell may reasonably request in order to protect Cornwell's complete interest in and ownership of the Marks.

Dealer agrees to notify Cornwell immediately when Dealer learns about an infringement of or challenge to its use of any of Cornwell's trademark. Cornwell will take the action it considers appropriate, with which Dealer agrees to cooperate. While Cornwell is not required to defend Dealer against a claim against its use of the Marks, Cornwell will reimburse Dealer for Dealer's liability and reasonable costs in connection with defending Cornwell's Marks. To receive reimbursement, the Dealer must have notified Cornwell immediately upon learning about the infringement or challenge.

Dealer must modify or discontinue the use of a Mark if Cornwell modifies or discontinues it. In the event of such action by Cornwell, Cornwell will reimburse the Dealer for tangible costs of compliance (for example, changing decals or signs). The Dealer agrees not to directly or indirectly contest Cornwell's right to its Marks, trade secrets or business techniques that are a part of Cornwell's business.

11. The franchise granted by this Agreement is assignable or transferable by Dealer, either voluntarily or by operation of law, only with written consent from Cornwell. Cornwell will not unreasonably withhold its consent. Dealer shall have the right to assign or transfer Dealer's assets, subject to any security interest Cornwell may have in them. Upon the death or disability of a Dealer, Cornwell may authorize a succession of ownership within the Dealer's family when the proposed successor has been previously active in the Dealer's business. Cornwell reserves the right to assign or transfer its rights, duties or obligations under this Agreement.

12. If Dealer's customer is the original end-user purchaser of a product manufactured by Cornwell ("Cornwell Hard Line") or of a new Kennedy steel roller cabinet, locker, cart, steel tool chest, or steel canopy for use with a Kennedy cabinet or tool chest ("Kennedy Tool Storage"), then Dealer's customer is entitled to a limited lifetime warranty that the product will be free of defects in material or workmanship under normal use and will conform to the description given them by Cornwell or Kennedy.

This limited lifetime warranty extends only to the repair or replacement of items found by Cornwell or Kennedy upon examination to be defective in material

or workmanship and is subject to availability of replacement parts. This limited lifetime warranty covers only parts and materials, not labor, and cannot be assigned by the original end-user purchaser of that product.

This limited lifetime warranty does not cover products that are damaged through any intentional or negligent actions, including but not limited to misuse, mishandling, or modification or to products that reach the ends of their useful lives as a result of normal wear and tear. Misuse and mishandling of Kennedy Tool Storage products include but are not limited to overloading, especially while moving or transporting the item, and to scratching of painted and unpainted tops.

Cornwell and Kennedy are not responsible for any special, punitive, incidental or consequential damages which may arise out of the purchase or use of any Cornwell or Kennedy product. Cornwell's and Kennedy's liability for any breach of warranty shall be limited to the cost of the repair or replacement of the defective items as described above.

**THIS WARRANTY IS DEALER'S CUSTOMER'S EXCLUSIVE CORNWELL HARD LINE/KENNEDY TOOL STORAGE WARRANTY AND REPLACES TO THE FULLEST EXTENT PERMITTED BY LAW ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OR CONDITIONS OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.**

Cornwell extends the full manufacturer's warranty to Dealer's customers, as the original end-user purchaser of products manufactured by others. No special, punitive, incidental or consequential damages of any kind are recoverable from Cornwell by any person from the use of these products. Further, there is no other warranty extended by Cornwell with respect to these products, including but not limited to warranties of merchantability and fitness for a particular purpose. In order to replace a defective item, it must be returned to Cornwell Quality Tools Company, 454 Corporate Parkway, Wadsworth, Ohio 44281.

**THIS WARRANTY IS DEALER'S CUSTOMER'S EXCLUSIVE WARRANTY FROM CORNWELL AS TO PRODUCTS MANUFACTURED BY OTHERS AND REPLACES TO THE FULLEST EXTENT PERMITTED BY LAW ALL OTHER WARRANTIES BY CORNWELL, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OR CONDITIONS OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.**

Dealer agrees to extend all of the warranties described in this Paragraph 12 to the Dealer's customers.

13. In the event of default caused by the following (and except as required under applicable laws): (1) breach of promises contained in this Agreement and any other agreement between Dealer and Cornwell, including but not limited to (a) Dealer's failure to pay as agreed for merchandise delivered by Cornwell or (b) to

maintain the inventory purchase levels required in Paragraph 7 or (c) to display Cornwell's Marks and to refrain from their misuse or (d) to supply weekly data required in Paragraph 5.e or (e) to maintain full collateralization of any promissory note and security agreement or (f) to use best full-time efforts to serve the Territory fully; (2) Dealer is convicted of a felony; (3) a voluntary or involuntary proceeding is instituted against Dealer in bankruptcy or other similar laws; (4) A Receiver is appointed for the assets of Dealer; or (5) Dealer makes an assignment for the benefit of Dealer's creditors, this Agreement may be declared terminated by Cornwell by notice in writing effective immediately upon receipt.

14. Dealer shall have 30 days to cure default caused by failure to pay as agreed for merchandise delivered and/or failure to maintain the inventory purchase levels required in Paragraph 7 and/or failure to maintain full collateralization of any promissory note and security agreement.

15. Cornwell may agree to waive any default, in its sole discretion, upon such terms as Cornwell determines. Without limiting the foregoing, Cornwell may require Dealer to agree to a modification of the Territory as a condition of waiving Dealer's failure to use best full-time efforts to serve the Territory fully. No action or failure to act on the part of Cornwell shall operate as a waiver or otherwise of the subsequent right to terminate Dealer, unless expressly so stated in writing.

16. Dealer may terminate this Agreement at any time after mailing written notice to Cornwell thirty (30) days before the effective date of such termination. In addition to its rights under Paragraph 13 above, Cornwell may terminate this Agreement at any time five years or more after the date of this Agreement, in the event that Cornwell ceases generally from the business of selling the Products in the State in which the Territory is located. Cornwell shall give at least one (1) year's notice in writing of such termination and shall not offer franchises again to sell the Products in the State for at least five (5) years thereafter.

17. Upon termination of this Agreement for any reason, or upon the death or disability of Dealer, Cornwell will purchase certain merchandise from Dealer or Dealer's estate, at the then prevailing dealer prices, less a 15% restocking charge. New tools will be approved for return only if they are in new and saleable condition, are active items, and have not been discontinued by Cornwell. All returns must be of current design and finish. All tools returned must be in their original individual carton or container. Broken packs of Cornwell or Cornwell-Allied tools will not be accepted for return if the tools are normally sold by Cornwell in factory pack quantities. The following items are **not** subject to return under this program: Tool storage, socket trays, clips and rails, vinyl kit bags, air compressors, lifting equipment, large shop equipment, parts washers, sales administration or truck display aids, welders, battery chargers, and serial numbered test equipment.

Upon termination of the dealership for any reason, all of Dealer's rights pertaining to the trademarks will automatically revert to Cornwell. Upon termination, Dealer must immediately discontinue use of the trademarks and – at Dealer's own

sole expense –Dealer must immediately remove all of the trademarks appearing on decals, signs or otherwise, and any terms confusingly similar to them, from Dealer's truck, clothing, business cards, documents and other property. Dealer must also discontinue any use of the trademarks or any reference to them in Dealer's advertising.

Cornwell will apply any or all monies to be paid for assets purchased from a terminated Dealer as may be necessary to discharge terminated Dealer's total indebtedness to Cornwell. Should there be a deficiency in the purchased assets, any balance remaining due to Cornwell will be payable immediately. The term "indebtedness" shall include both matured and unmatured obligations, and upon termination, Cornwell may declare all promissory notes held or later acquired by it against Dealer immediately due and payable at any time.

18. This Agreement supersedes all agreements, written or oral, and previous and contemporaneous, to date between Dealer and Cornwell. No modification or amendment of this Agreement shall be effective unless made in writing and signed by a representative of Cornwell and Dealer.

19. Any provision of this agreement at variance with the laws of any State or Territory in which it is or becomes operative, or of the United States shall be deemed modified to conform with such laws and the remaining provisions shall remain in effect.

20. Any claim or controversy in connection with, arising out of, or relating to the Agreement between Dealer and Cornwell shall be settled by binding arbitration in accordance with the rules pertaining to commercial dispute arbitration then existing with the American Arbitration Association. Judgment upon the award rendered by the arbitrator(s) may be entered in any court having jurisdiction. Such arbitration shall take place in such locations as the parties mutually agree, and in the absence of such agreement, in Akron, Ohio. The laws applicable to the arbitration procedure shall be the laws of the State of Ohio. The award of the arbitrator(s) shall be the sole remedy between the parties regarding any claims, counterclaims, issues presented or pled to the arbitrator(s).

Cornwell reserves the right to obtain injunctive or other mandatory relief from the act or omission of any activity prohibited or required by this Agreement in any court having jurisdiction, when such act or omission will cause irreparable harm to Cornwell.

21. Any notice required to be given under this Agreement, or service of process for the purposes of arbitration or litigation of issues arising out of it, shall be given to Cornwell at 667 Seville Road, Wadsworth, Ohio 44281 and to First Dealer and Second Dealer, if applicable, at the address or addresses last provided by them to Cornwell. Service on Cornwell, First Dealer, or Second Dealer shall conclusively be deemed to have been completed for all purposes if made by regular U.S. mail or any other usual and reliable form of delivery to the address last given. The parties will continue to have the obligation to notify one another of

any change of address during and after the termination of this Agreement, if they wish to be assured of the receipt of notices and service of process, and they expressly waive any objection to notice provided or service made to the last address they have given.

22. Dealer shall give Cornwell not less than thirty (30) days' notice of the intention to do business as an entity (for example, corporation, partnership, LLC or LLP), if such an entity is not already a party to this Agreement. Dealer shall not do business as an entity without Cornwell's express written consent, which shall not be unreasonably withheld. All individual parties to this Agreement agree to execute any personal guarantees and other documentation that Cornwell may require as a condition of its consent for Dealer to do business as an entity.

23. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

## CORNWELL QUALITY TOOLS COMPANY DEALER PURCHASE ORDER, NOTE AND SECURITY AGREEMENT

The undersigned, individually and/or collectively, having a franchised dealership of Cornwell Quality Tools products and (if applicable) the individual owner or owners of such dealership if it is an entity, as active partners in the operation of the business (individually and/or collectively referred to as "Dealer"), hereby orders and agrees to purchase from CORNWELL QUALITY TOOLS COMPANY, an Ohio Corporation ("Cornwell"), the inventory and other property to be delivered to Dealer by Cornwell and described on documentation to be sent to Dealer at the times of shipment (the "Inventory"). This order will become binding and effective when accepted in writing by Cornwell in Ohio.

1. Promise to Pay Deferred Sales Price.

(a) The cash price for the Inventory is **\$7580,000**. Dealer has chosen to pay for the Inventory over time and Dealer therefore agrees to pay to the order of Cornwell a deferred sales price of \$ \_\_\_\_\_. The deferred sales price indicated shall be payable in **312** weekly installments of \$ \_\_\_\_\_ each due on the Monday of each week commencing on \_\_\_\_\_, 20 \_\_\_\_ at Cornwell Quality Tools Company, 667 Seville Road, Wadsworth, Ohio 44281, or such place as Cornwell shall designate.

(b) The time-price charge is the same amount as a \_\_\_\_\_ % interest charge would be on a loan of money. If this agreement is made by more than one person (such as an entity, first dealer and second dealer), their obligations shall be joint and several, which means that each one can be separately required by Cornwell to pay the entire indebtedness or both can be required to pay it.

(c) All payments are intended to be applied first toward unpaid accrued time-price charges and then as a reduction of the unpaid principal balance, but Cornwell reserves the right to apply such payments in such order as it may determine. This note may be voluntarily pre-paid in part or in full at any time, without penalty, and is subject to involuntary acceleration, as set forth in paragraph 9 below.

(d) If any payment is not made on or before its due date, additional time-price charges will be made at the rate of \_\_\_\_\_ % per annum and will continue to accrue on the unpaid

balance as part of the Indebtedness described in paragraph 3 below. This will result in a slower principal reduction, to be deferred at Cornwell's option to increase the final scheduled payment, if it is not paid sooner and a default is not earlier declared. Conversely, payments received in advance of their due date will result in a faster principal reduction than scheduled, thus decreasing the final scheduled payment.

(e) In addition, Cornwell may impose a weekly late charge of \$10.00 each week that Dealer is three or more payments in arrears. The late charge will become an increase in the principal balance, and likewise become part of the Indebtedness, which will increase the amount of the final scheduled payment, if it is not paid sooner and a default is not earlier declared.

(f) Although it is not the present practice, or any intention of Cornwell, to sell, assign, or discount to a third-party, in whole or in part, any note, contract or other instrument executed by the Dealer, Cornwell retains the right to do so.

(g) The installments to be paid to Cornwell by the Dealer, pursuant to subparagraph (a) above, shall be paid by an ACH Debit for automatic payment, which will be automatically processed every Monday according to the schedule set forth in subparagraph 1(a) above, until the obligation is paid in full. The Dealer shall sign an irrevocable ACH Agreement authorizing Cornwell to automatically deduct the weekly payment from the Dealer's bank account until this obligation is paid in full. In the event funds are not available to complete the automatic transfer on that date, it shall be considered an event of default.

(h) The Dealer Franchise Agreement between the parties ("the Agreement") is incorporated into this Note by reference. Without limitation, the provisions of the Agreement incorporated into this Note include its paragraph 4, pertaining to the portion of the Inventory described as the "Reserve" and the manner of payment for the Reserve.

2. Title and Shipping. The Inventory will be sent by Cornwell to the address designated by the Dealer. Title will pass to Dealer when the Inventory leaves the Cornwell Distribution Center, but costs of shipping and insurance during shipping are included in the prices quoted above and will be paid by Cornwell.

3. Security Interest.

(a) Security Interest and Warranty of Clear Title. This security interest is intended to extend broadly, to make all of Dealer's personal property available to cover any amounts the Dealer may owe Cornwell for the purchase of Inventory, now or in the future and the other amounts described below in the definition of Indebtedness. Without limitation, the security interest specifically includes Dealer's entire inventory ("Total Inventory"), whenever acquired, and all of Dealer's accounts receivable ("Accounts"), whenever created.

In order to secure the payment of any and all of Dealer's indebtedness, obligations and liabilities owing to Cornwell and the performance by the Dealer of any or all of Dealer's covenants and warranties contained in any agreement in favor of Cornwell, whether currently existing or arising in the future, contingent or absolute, whether contained in this agreement, the Dealer Agreement, or in any other agreement; all costs and expenses incurred in the collection of such obligations and/or indebtedness; and for all taxes levied, insurance and repairs to or maintenance of any collateral (collectively, the "Indebtedness"), Dealer hereby grants to Cornwell a security interest in the following described property, hereinafter referred to as the "Collateral":

Description of Collateral

All accounts, accounts receivable, contract rights, chattel paper, general intangibles, instruments, documents, policies and certificates of insurance, all goods, inventory and equipment (such terms having the meaning assigned to them in the Uniform Commercial Code as adopted in Ohio), together with all attachments, and accessories, and all proceeds from insurance, including but not limited to Total Inventory, whether now existing or hereafter arising, now owned or hereafter acquired, due or to become due, including proceeds and products and Dealer's records of such property.

Dealer warrants that Dealer owns good and marketable title to the Collateral, or will own such title upon sale of the Inventory, free and clear of any and all liens, interests and encumbrances, except as set forth below, that Dealer will not permit any lien, security interest or encumbrance (other than the security interest created hereby) to attach to the Collateral and, except for sales of inventory in the normal course of business, that Dealer will not sell, exchange, lease or otherwise dispose of or transfer any interest in the Collateral.

(b) Dealer's Records. Dealer shall maintain at Dealer's place of business accurate and up-to-date records pertaining to the Total Inventory, the Collateral and the Accounts. Cornwell shall have a special property interest in all of Dealer's records pertaining to the Total Inventory, the Collateral and the Accounts, and Cornwell's agents, representatives and employees shall have the right to inspect them at any reasonable time or times. At the request of Cornwell, if any part of the Indebtedness is in default, Dealer agrees to stamp, in form and manner satisfactory to Cornwell, its records pertaining to the Accounts with an appropriate reference to the security interest created herein, and/or to deliver and turn over any and all such records to the Cornwell.

(c) Financing Statements. Dealer shall execute and immediately deliver to Cornwell with this Order, Note and Security Agreement, or upon demand, such financing statements or other appropriate documentation as may be requested by Cornwell now or hereafter, to evidence and to perfect the security interest created herein.

(d) Good Condition. Until all the Indebtedness is paid in full, Dealer shall keep the Total Inventory in good condition and repair and shall properly maintain it and keep it stored in a safe place, at the Dealer's business address or any other location approved by Cornwell. If the truck or other vehicle where Dealer will keep any or all of the Total Inventory is currently encumbered by a security interest or lease, the name of the secured party or lessor is \_\_\_\_\_ whose address is \_\_\_\_\_. If Dealer's vehicle subsequently becomes encumbered or subject to a lease before all the Indebtedness is paid in full, Dealer agrees to immediately notify Cornwell of the name and address of such other secured party or lessor. Cornwell reserves the right to notify such secured party or lessor of the existence of the security interest created by this agreement and to require the removal of the Total Inventory from the vehicle, in the event the vehicle is repossessed.

4. Insurance.

(a) Dealer shall provide that the Collateral is continuously insured with the following minimum insurance coverages: commercial business auto liability insurance with limits of One Million Dollars (\$1,000,000); general commercial liability insurance under a comprehensive general liability form that includes coverage of bodily harm, property damage, and product liability with policy limits not less than One Million Dollars (\$1,000,000); and cargo insurance with all risk property coverage for full replacement value of Dealer's inventory. Such insurance shall be so written and endorsed as to make losses, if any, payable to Cornwell in addition to the Dealer, as their respective interest may appear. Each policy of insurance shall be written so as to be not subject to cancellation or substantial modification without at least thirty (30) days' written notice to Cornwell. Dealer shall deposit with Cornwell certificates or other evidence satisfactory to Cornwell that the required insurance has been obtained and is in full force and effect and, prior to the expiration of any such insurance, Dealer shall furnish Cornwell with evidence satisfactory to Cornwell that such insurance has been renewed or replaced. Contemporaneous with the execution of this agreement, and from time to time thereafter upon request by Cornwell, Dealer shall provide Cornwell with a Certificate of Insurance evidencing that Dealer has complied with the foregoing requirements of this Agreement.

(b) All amounts received by Cornwell in payment of insurance losses may, at Cornwell's option, be applied in satisfaction of Dealer's Indebtedness to Cornwell or all or any part thereof may be used for the purpose of repairing, replacing, or restoring the Collateral.

(c) Dealer will at all times have and maintain public liability insurance covering such risks and in such amounts and issued by such companies as are acceptable to Cornwell.

(d) Dealer assigns to Cornwell all rights to the proceeds of any insurance not exceeding unpaid balances and hereby directs the insurance carrier and its agents to pay all proceeds directly to Cornwell, authorizes Cornwell to endorse any draft for and on behalf of Dealer as its attorney-in-fact, coupled with an interest, and further authorizes Cornwell to make adjustments of all insurance losses, sign all applications, receipts, releases and other papers necessary and to make settlements.

(e) Note to Dealer: DEALER IS REQUIRED TO SUBMIT AN INSURANCE AUTHORIZATION FORM. PLEASE FILL IN THE APPROPRIATE BLANKS ON THE FORM WITH THE NAME AND ADDRESS OF THE INSURANCE COMPANY WHICH WILL INSURE THE TOTAL INVENTORY AND ENCLOSE THE FORM WHEN YOU RETURN THIS AGREEMENT TO CORNWELL QUALITY TOOLS COMPANY.

(f) Collection of Accounts: With respect to the Accounts and in addition to and not in limitation of any of the rights provided to Cornwell elsewhere in this agreement or by law, Cornwell may upon the occurrence of any of the events described in Paragraph 8 below or at any time thereafter (such event not having previously been cured or waived), at its option, without prior demand or notice to Dealer, and without resort to legal process or judicial hearing, order or authorization, notify the persons liable for the payment of the Accounts of Cornwell's security interest and direct such persons to make payments directly to Cornwell, and, at Cornwell's request, all bills and statements sent by Dealer to the persons liable for the payment of the Accounts shall state that the Accounts have been assigned to, and are solely payable to Cornwell, and at Cornwell's request, Dealer shall direct the persons liable for the payment of the Accounts to pay directly to Cornwell any sums due or to become due on account thereof.

The Dealer hereby irrevocably appoints Cornwell as its true and lawful attorney-in-fact, coupled with an interest, with full power to send the notices described above, to take possession of and endorse in the name of Dealer any instruments or documents received in payment of all or part of the Accounts, to collect, sue for and give a quittances for monies due on the Accounts, and to withdraw any claims, suits or proceedings pertinent thereto, or arising out of the assignment of the Accounts.

In pursuance of the rights granted hereunder, Cornwell may extend the time for payment of, compromise or settle for cash, credit or otherwise, and upon any terms and conditions, any of the Accounts and thereby discharge the person or persons liable for the payment thereof, without affecting the obligations of Dealer to Cornwell (except to the extent that the Indebtedness shall be reduced by the amount of any sums received by Cornwell).

5. Financial Condition. Upon request by Cornwell, Dealer agrees to furnish Cornwell within reasonable time accurate and up-to-date information concerning any aspect of Dealer's financial condition.

6. Verification of Sales and Inventory. Dealer will maintain written, weekly summaries of its sales and then existing Total Inventory and all Accounts in a form acceptable to Cornwell and Dealer shall each week furnish an IBN Weekly Report Summary to Cornwell's District Sales Manager, Cornwell's Credit Department and as Cornwell may otherwise direct. Dealer will also allow, upon request and reasonable notice, Cornwell's authorized representative to inspect Dealer's Total Inventory at any time.

7. Repurchase of Inventory. If Dealer ceases for any reason to be an authorized dealer of Cornwell's products, Cornwell will repurchase from Dealer that portion of the Total Inventory which Cornwell is required to repurchase, if any, in accordance with the terms set forth in the Dealer Franchise Agreement between Cornwell and the Dealer, the terms of which are expressly incorporated herein. If any of the Indebtedness is unpaid at the time of such repurchase, Cornwell will credit against the Indebtedness the net amounts from such repurchase, as determined in accordance with the terms set forth in the Dealer Franchise Agreement.

8. Default. The Dealer shall be in default upon the happening of any of the following events or conditions:

(a) The failure of Dealer to make payment or performance of any of the Dealer's indebtedness to Cornwell, as described in paragraph 3 above, including but not limited to those arising from the sale of inventory described in this Agreement.

(b) If the Dealer defaults under the Dealer Franchise Agreement or any other agreement or contract between the Dealer and Cornwell, including but not limited to paragraph 5 or the obligation to furnish IBN Report Summaries as contained in Paragraph 6 above, or upon the termination of any such agreement.

(c) The failure of the Dealer to have this note and security agreement fully collateralized at all times. Until the Indebtedness is paid in full, Dealer shall own and maintain in Dealer's truck or other vehicle inventory purchased from Cornwell in an amount not less than the lesser of ~~Fifty-five~~ Sixty Thousand Dollars (~~\$55,000~~60,000) or the outstanding balance of this note, including principal, interest and any costs and expenses.

Upon default, all obligations of the Dealer at once become due and payable without any notice or demand, notice and demand having been expressly waived. Payments made shall first be applied to the payment of the interest that accrued and then to the principal amount, which remains unpaid.

9. Acceleration. Upon the happening of any of the following events or conditions:

(a) Default by Dealer in the payment or the performance of any of Dealer's Indebtedness to Cornwell, as described in paragraphs 3, 5, or 6 above, including but not limited to those arising from the sale of inventory described in this agreement;

(b) Loss, theft, destruction, encumbrance, levy against, seizure or attachment of or to any of the Collateral, or any sale of all or any part of the Collateral other than in the regular course of Dealer's business;

(c) Any warranty, representation, financial statement or other information made or furnished to Cornwell by or on behalf of Dealer proves to have been or to have become false in any material respect;

(d) Death, impairment, termination of existence, insolvency, business failure, appointment of a trustee or receiver of any part of the property of, assignment for the benefit of creditors of or the commencement of any proceedings under bankruptcy or any other state or federal law for the relief of debtors by or against Dealer, or any surety for Dealer;

(e) Dealer's ceasing for any reason to be an authorized dealer of Cornwell's products;

(f) A judgment for the payment of any sum of money against Dealer, which shall remain undischarged for a period of 45 days during which time execution shall not be effectively stayed; or

(g) Cornwell deems itself insecure, in good faith believing that the prospect of payment of any of the Indebtedness or the performance of any other obligation of Dealer is impaired.

Cornwell may, at its option, without notice or demand, declare due and payable, and, in addition to other rights and remedies upon default under applicable law, collect the full amount of the Indebtedness or any portion thereof, as calculated below, and will have the further right, without notice or demand, to repossess the Collateral, to enter peacefully upon any premises where the Collateral is located in order to repossess it and to exercise all other rights allowed by law. Without limiting the above, Cornwell shall have all of the rights and remedies of a secured creditor under the Uniform Commercial Code as adopted in Ohio.

Dealer agrees upon the request of Cornwell to assemble the Collateral and to make it available at any place designated by Cornwell. Dealer hereby expressly waives the entitlement, if any, to a judicial hearing prior to the exercise of Cornwell's right of repossession, which right is exercisable by Cornwell on its own behalf or through resort to appropriate judicial process. After repossession, Cornwell will provide at least 10 days prior written notice to Dealer at Dealer's Business Address of the time and place of any public sale or the time after which any private sale or repurchase pursuant to the Dealer Agreement will be made of the Collateral, and Dealer agrees that such 10-day period is reasonable. Dealer further agrees that repurchase of the Total Inventory, or any part thereof, pursuant to the terms of the Dealer Agreement shall constitute a commercially reasonable disposition thereof. The proceeds of any disposition of the Collateral may be applied to the Indebtedness as Cornwell may elect.

Upon Voluntary prepayment in full or upon acceleration as set forth herein, the amount of the Indebtedness will be calculated as follows: total (1) the cash price of each time-deferred sale, less the amounts from previous payments which have been applied to principal; plus (2) time-price charges and late charges on unpaid balances; plus (3) all other outstanding Indebtedness, as defined in paragraph 3 above; plus (4) additional time-price charges of \_\_\_\_\_ % per annum (or the highest rate allowed by law, whichever is less) on the total of the first three components above, until paid in full. Cornwell expressly states its intention not to collect any amount in excess of that permitted by law and the Indebtedness shall be reduced accordingly, as may be required.

10. PARTIAL WAIVER OF DEALER'S REMEDIES. DEALER HEREBY EXPRESSLY AGREES THAT, WITH REGARD TO THE INVENTORY DELIVERED UNDER THIS AGREEMENT, DEALER'S REMEDIES UNDER THIS AGREEMENT (INCLUDING WITHOUT LIMITATION, REMEDIES BY WAY OF DEFENSE, COUNTERCLAIM, RECOUPMENT AND SET-OFF) ARE EXCLUSIVELY LIMITED TO ANY WARRANTIES EXPRESSLY GIVEN IN WRITING. WARRANTIES OF MERCHANTABILITY, AND OF FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DISCLAIMED.

11. LIMITATION OF DAMAGES. DEALER HEREBY ALSO EXPRESSLY AGREES THAT DEALER'S DAMAGES FOR CORNWELL'S BREACH OF THE FOREGOING EXCLUSIVE WARRANTIES ARE LIMITED TO THE ENFORCEMENT OF SECTION 7 OF THIS AGREEMENT AND REPLACEMENT OR RECOVERY OF AMOUNTS PAID BY DEALER TO CORNWELL FOR DEFECTIVE PRODUCTS, AS APPLICABLE, AND THAT CORNWELL SHALL NOT BE LIABLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES.

12. Collection Costs. Dealer shall reimburse Cornwell for all costs of collection of the Indebtedness or any portion thereof, including, without limiting the generality of the foregoing, expenses of, and charges for, the repossession and holding of the Collateral for sale and any preparations for such sale, court costs and reasonable attorneys' fees. Cornwell expressly states its intention not to collect any amount in excess of that permitted by law and the costs of collection shall be reduced accordingly, as may be required.

13. Taxes and Assessments. Dealer will pay promptly when due all taxes and assessments upon the Collateral or for its use or operation or upon this agreement or upon any papers evidencing the obligations between the parties and at its option, Cornwell may discharge taxes, liens or other encumbrances at any time levied or placed on the Collateral, pay for the maintenance and preservation of the Collateral and taxes, assessments and insurance on the Collateral should Dealer fail to do so, and Dealer agrees to reimburse Cornwell on demand for any payments so made until such reimbursement, the amount so paid by Cornwell shall be added to the Indebtedness.

14. Application of Amounts Received. All amounts received by Cornwell from Dealer may be applied by Cornwell to the Indebtedness in such order and to principal or to time-price charges, as Cornwell may determine. Dealer authorizes Cornwell at any time, without notice, to appropriate and to apply any Collateral in Cornwell's possession, custody or control towards the payment of the Indebtedness. Dealer waives presentment, demand, notice, acceptance, performance, default, enforcement, exoneration and reimbursement, assents to any acceleration, extension, modification, waiver or postponement or to any other indulgence, to any addition, substitution, exchange or release of the Collateral to the addition or release of any other party or person primarily or secondarily liable, to the settlement, compromise or adjustment of the Indebtedness and/or to the application of any Collateral against the Indebtedness and in any order.

15. Miscellaneous.

(a) This agreement shall continue until such time as there is no outstanding Indebtedness and there are no other agreements in effect between Dealer and Cornwell.

(b) This agreement shall be deemed to have been made in Ohio and shall be governed by Ohio law, and shall be binding upon and inure to the benefit of the parties, their executors, administrators, personal representatives, heirs, successors, and assigns as the case may be.

(c) Any claim or controversy in connection with, arising out of, or relating to this agreement between Dealer and Cornwell shall be settled by binding arbitration in accordance with the rules pertaining to commercial dispute arbitration then existing with the American Arbitration Association. Judgment upon the award rendered by the arbitrator(s) may be entered in any court having jurisdiction. Such arbitration shall take place in such locations as the parties mutually agree, and in the absence of such agreement, in Akron, Ohio. The laws applicable to the arbitration procedure shall be the laws of the State of Ohio. The award of the arbitrator(s) shall be the sole remedy between the parties regarding any claims, counterclaims, issues presented or pled to the arbitrator(s).

Cornwell reserves the right to obtain injunctive or other mandatory relief, including but not limited to replevin, from the act or omission of any activity prohibited or required by this agreement in any court having jurisdiction, when such act or omission will cause irreparable harm to Cornwell or is otherwise necessary to obtain possession of any or all of the Total Inventory upon Dealer's default.

(d) In the event that this agreement, or any part of it is found to be governed by the law of any other state and/or to be unenforceable, any part found to be unenforceable shall be severed and the agreement given effect according to the intent of the parties, to the fullest extent permitted by law.

(e) This agreement may only be modified by a writing, signed by all of the parties hereto and shall not be effective until accepted by Cornwell in Ohio.

16. Notice and Service of Process. Service on Cornwell, First Dealer, or Second Dealer shall conclusively be deemed to have been completed for all purposes if made by regular U.S. mail or any other usual and reliable form of delivery to the address last given. The parties will continue to have the obligation to notify one another of any change of address during and after the termination of this Order, Note and Security Agreement, if they wish to be assured of the receipt of notices and service of process, and they expressly waive any objection to notice provided or service made to the last address they have given.

**CORNWELL QUALITY TOOLS COMPANY  
DEALER PURCHASE ORDER, NOTE AND SECURITY AGREEMENT  
(Veterans Program – Time-Price Charge Conditionally Waived)**

The undersigned, individually and/or collectively, having a franchised dealership of Cornwell Quality Tools products and (if applicable) the individual owner or owners of such dealership if it is an entity, as active partners in the operation of the business (individually and/or collectively referred to as "Dealer"), hereby orders and agrees to purchase from CORNWELL QUALITY TOOLS COMPANY, an Ohio Corporation ("Cornwell"), the inventory and other property to be delivered to Dealer by Cornwell and described on documentation to be sent to Dealer at the times of shipment (the "Inventory"). This order will become binding and effective when accepted in writing by Cornwell in Ohio.

1. Veterans Program – Conditional Waiver of Time-Price Charge

A. Dealer has represented to Cornwell and warrants that it is true that one or more of the individual Dealers was or were honorably discharged from the U.S. Military.

B. Dealer has agreed, in consideration of receiving the more favorable loan terms set forth in this Section (1), by which no time-price charge equivalent to interest will be made by Cornwell for the Inventory purchased by Dealer, 1) to have available \$1015,000 of working capital as of the first day of on-truck training; 2) to lease or purchase a new tool truck; 3) to meet or exceed 90% of the Cornwell national dealer purchase average over the length of the loan; 4) to allow Cornwell to use their story and likeness for advertising purposes; 5) to meet all other requirements of Dealer's agreements with Cornwell.

C. In reliance on Dealer's representation and warranty and on Dealer's agreements set forth in paragraph B above, Cornwell and Dealer agree as set forth in paragraphs D, E and F below:

D. If the obligation set forth in Paragraph B are met, there will be no deferred sales price charged for the Inventory, meaning as well that there will be no time-price amount charged for the purchase of the Inventory, as set forth in subsection (2)(b) of this Note that would be the same as an interest charge on a loan of money.

E. All of the other terms of this Note shall be in full force and effect, including but not limited to its default provisions. Dealer understands and agrees that if Dealer fails to perform any of the terms of the Note, including but not limited to the requirements of this Section 1, the Dealer Franchise Agreement or any other obligation to Cornwell, this Section 1 of the Note will cease to be in effect. Dealer will then be obligated to pay the full remaining balance of the Note, plus the equivalent of interest, as set forth in subsections 2(a) and 2(b) of the Note, over the number of

weeks required to do so. Cornwell will in that event provide Dealer with a statement of what is owed and the schedule for its payment.

F. Dealer's compliance with the requirements of Paragraph B above will be reviewed every 13 weeks and determined every 52 weeks.

2. Promise to Pay Deferred Sales Price.

(a) The cash price for the Inventory is **\$7580,000**. Dealer has chosen to pay for the Inventory over time and Dealer therefore agrees to pay to the order of Cornwell a deferred sales price of \$ \_\_\_\_\_. The deferred sales price indicated shall be payable in **204-209** weekly installments of \$ \_\_\_\_\_ plus an additional payment of \$ \_\_\_\_\_, each due on the Monday of each week commencing on \_\_\_\_\_, 20 \_\_\_\_ at Cornwell Quality Tools Company, 667 Seville Road, Wadsworth, Ohio 44281, or such place as Cornwell shall designate.

(b) The time-price charge is the same amount as a \_\_\_\_\_ % interest charge would be on a loan of money. If this agreement is made by more than one person (such as an entity, first dealer and second dealer), their obligations shall be joint and several, which means that each one can be separately required by Cornwell to pay the entire indebtedness or both can be required to pay it.

(c) All payments are intended to be applied first toward unpaid accrued time-price charges and then as a reduction of the unpaid principal balance, but Cornwell reserves the right to apply such payments in such order as it may determine. This note may be voluntarily pre-paid in part or in full at any time, without penalty, and is subject to involuntary acceleration, as set forth in paragraph 9 below.

(d) If any payment is not made on or before its due date, additional time-price charges will be made at the rate of \_\_\_\_\_ % per annum and will continue to accrue on the unpaid balance as part of the Indebtedness described in paragraph 3 below. This will result in a slower principal reduction, to be deferred at Cornwell's option to increase the final scheduled payment, if it is not paid sooner and a default is not earlier declared. Conversely, payments received in advance of their due date will result in a faster principal reduction than scheduled, thus decreasing the final scheduled payment.

(e) In addition, Cornwell may impose a weekly late charge of \$10.00 each week that Dealer is three or more payments in arrears. The late charge will become an increase in the principal balance, and likewise become part of the Indebtedness, which will increase the amount of the final scheduled payment, if it is not paid sooner and a default is not earlier declared.

(f) Although it is not the present practice, or any intention of Cornwell, to sell, assign, or discount to a third-party, in whole or in part, any note, contract or other instrument executed by the Dealer, Cornwell retains the right to do so.

(g) The installments to be paid to Cornwell by the Dealer, pursuant to subparagraph (a) above, shall be paid by an ACH Debit for automatic payment, which will be automatically processed every Monday according to the schedule set forth in subparagraph 1(a) above, until

the obligation is paid in full. The Dealer shall sign an irrevocable ACH Agreement authorizing Cornwell to automatically deduct the weekly payment from the Dealer's bank account until this obligation is paid in full. In the event funds are not available to complete the automatic transfer on that date, it shall be considered an event of default.

(h) The Dealer Franchise Agreement between the parties ("the Agreement") is incorporated into this Note by reference. Without limitation, the provisions of the Agreement incorporated into this Note include its paragraph 4, pertaining to the portion of the Inventory described as the "Reserve" and the manner of payment for the Reserve.

3. Title and Shipping. The Inventory will be sent by Cornwell to the address designated by the Dealer. Title will pass to Dealer when the Inventory leaves the Cornwell Distribution Center, but costs of shipping and insurance during shipping are included in the prices quoted above and will be paid by Cornwell.

4. Security Interest.

(a) Security Interest and Warranty of Clear Title. This security interest is intended to extend broadly, to make all of Dealer's personal property available to cover any amounts the Dealer may owe Cornwell for the purchase of Inventory, now or in the future and the other amounts described below in the definition of Indebtedness. Without limitation, the security interest specifically includes Dealer's entire inventory ("Total Inventory"), whenever acquired, and all of Dealer's accounts receivable ("Accounts"), whenever created.

In order to secure the payment of any and all of Dealer's indebtedness, obligations and liabilities owing to Cornwell and the performance by the Dealer of any or all of Dealer's covenants and warranties contained in any agreement in favor of Cornwell, whether currently existing or arising in the future, contingent or absolute, whether contained in this agreement, the Dealer Agreement, or in any other agreement; all costs and expenses incurred in the collection of such obligations and/or indebtedness; and for all taxes levied, insurance and repairs to or maintenance of any collateral (collectively, the "Indebtedness"), Dealer hereby grants to Cornwell a security interest in the following described property, hereinafter referred to as the "Collateral":

Description of Collateral

All accounts, accounts receivable, contract rights, chattel paper, general intangibles, instruments, documents, policies and certificates of insurance, all goods, inventory and equipment (such terms having the meaning assigned to them in the Uniform Commercial Code as adopted in Ohio), together with all attachments, and accessories, and all proceeds from insurance, including but not limited to Total Inventory, whether now existing or hereafter arising, now owned or hereafter acquired, due or to become due, including proceeds and products and Dealer's records of such property.

Dealer warrants that Dealer owns good and marketable title to the Collateral, or will own such title upon sale of the Inventory, free and clear of any and all liens, interests and encumbrances, except as set forth below, that Dealer will not permit any lien, security interest or encumbrance (other than the security interest created hereby) to attach to the Collateral and, except for sales of inventory in the normal course of business, that Dealer will not sell, exchange, lease or otherwise dispose of or transfer any interest in the Collateral.

(b) Dealer's Records. Dealer shall maintain at Dealer's place of business accurate and up-to-date records pertaining to the Total Inventory, the Collateral and the Accounts. Cornwell shall have a special property interest in all of Dealer's records pertaining to the Total Inventory, the Collateral and the Accounts, and Cornwell's agents, representatives and employees shall have the right to inspect them at any reasonable time or times. At the request of Cornwell, if any part of the Indebtedness is in default, Dealer agrees to stamp, in form and manner satisfactory to Cornwell, its records pertaining to the Accounts with an appropriate reference to the security interest created herein, and/or to deliver and turn over any and all such records to the Cornwell.

(c) Financing Statements. Dealer shall execute and immediately deliver to Cornwell with this Order, Note and Security Agreement, or upon demand, such financing statements or other appropriate documentation as may be requested by Cornwell now or hereafter, to evidence and to perfect the security interest created herein.

(d) Good Condition. Until all the Indebtedness is paid in full, Dealer shall keep the Total Inventory in good condition and repair and shall properly maintain it and keep it stored in a safe place, at the Dealer's business address or any other location approved by Cornwell. If the truck or other vehicle where Dealer will keep any or all of the Total Inventory is currently encumbered by a security interest or lease, the name of the secured party or lessor is \_\_\_\_\_ whose address is \_\_\_\_\_.

If Dealer's vehicle subsequently becomes encumbered or subject to a lease before all the Indebtedness is paid in full, Dealer agrees to immediately notify Cornwell of the name and address of such other secured party or lessor. Cornwell reserves the right to notify such secured party or lessor of the existence of the security interest created by this agreement and to require the removal of the Total Inventory from the vehicle, in the event the vehicle is repossessed.

## 5. Insurance.

(a) Dealer shall provide that the Collateral is continuously insured with the following minimum insurance coverages: commercial business auto liability insurance with limits of One Million Dollars (\$1,000,000); general commercial liability insurance under a comprehensive general liability form that includes coverage of bodily harm, property damage, and product liability with policy limits not less than One Million Dollars (\$1,000,000); and cargo insurance with all risk property coverage for full replacement value of Dealer's inventory. Such insurance shall be so written and endorsed as to make losses, if any, payable to Cornwell in addition to the Dealer, as their respective interest may appear. Each policy of insurance shall be written so as to be not subject to cancellation or substantial modification without at least thirty (30) days' written notice to Cornwell. Dealer shall deposit with Cornwell certificates or other evidence satisfactory to Cornwell that the required insurance has been obtained and is in full force and effect and, prior to the expiration of any such insurance, Dealer shall furnish Cornwell with evidence satisfactory to Cornwell that such insurance has been renewed or replaced. Contemporaneous with the execution of this agreement, and from time to time thereafter upon request by Cornwell, Dealer shall provide Cornwell with a Certificate of Insurance evidencing that Dealer has complied with the foregoing requirements of this Agreement.

(b) All amounts received by Cornwell in payment of insurance losses may, at Cornwell's option, be applied in satisfaction of Dealer's Indebtedness to Cornwell or all or any part thereof may be used for the purpose of repairing, replacing, or restoring the Collateral.

(c) Dealer will at all times have and maintain public liability insurance covering such risks and in such amounts and issued by such companies as are acceptable to Cornwell.

(d) Dealer assigns to Cornwell all rights to the proceeds of any insurance not exceeding unpaid balances and hereby directs the insurance carrier and its agents to pay all proceeds directly to Cornwell, authorizes Cornwell to endorse any draft for and on behalf of Dealer as its attorney-in-fact, coupled with an interest, and further authorizes Cornwell to make adjustments of all insurance losses, sign all applications, receipts, releases and other papers necessary and to make settlements.

(e) Note to Dealer: DEALER IS REQUIRED TO SUBMIT AN INSURANCE AUTHORIZATION FORM. PLEASE FILL IN THE APPROPRIATE BLANKS ON THE FORM WITH THE NAME AND ADDRESS OF THE INSURANCE COMPANY WHICH WILL INSURE THE TOTAL INVENTORY AND ENCLOSE THE FORM WHEN YOU RETURN THIS AGREEMENT TO CORNWELL QUALITY TOOLS COMPANY.

(f) Collection of Accounts: With respect to the Accounts and in addition to and not in limitation of any of the rights provided to Cornwell elsewhere in this agreement or by law, Cornwell may upon the occurrence of any of the events described in Paragraph 8 below or at any time thereafter (such event not having previously been cured or waived), at its option, without prior demand or notice to Dealer, and without resort to legal process or judicial hearing, order or authorization, notify the persons liable for the payment of the Accounts of Cornwell's security interest and direct such persons to make payments directly to Cornwell, and, at Cornwell's request, all bills and statements sent by Dealer to the persons liable for the payment of the Accounts shall state that the Accounts have been assigned to, and are solely payable to Cornwell, and at Cornwell's request, Dealer shall direct the persons liable for the payment of the Accounts to pay directly to Cornwell any sums due or to become due on account thereof.

The Dealer hereby irrevocably appoints Cornwell as its true and lawful attorney-in-fact, coupled with an interest, with full power to send the notices described above, to take possession of and endorse in the name of Dealer any instruments or documents received in payment of all or part of the Accounts, to collect, sue for and give a quittances for monies due on the Accounts, and to withdraw any claims, suits or proceedings pertinent thereto, or arising out of the assignment of the Accounts.

In pursuance of the rights granted hereunder, Cornwell may extend the time for payment of, compromise or settle for cash, credit or otherwise, and upon any terms and conditions, any of the Accounts and thereby discharge the person or persons liable for the payment thereof, without affecting the obligations of Dealer to Cornwell (except to the extent that the Indebtedness shall be reduced by the amount of any sums received by Cornwell).

6. Financial Condition. Upon request by Cornwell, Dealer agrees to furnish Cornwell within reasonable time accurate and up-to-date information concerning any aspect of Dealer's financial condition.

7. Verification of Sales and Inventory. Dealer will maintain written, weekly summaries of its sales and then existing Total Inventory and all Accounts in a form acceptable to Cornwell and Dealer shall each week furnish an IBN Weekly Report Summary to Cornwell's District Sales Manager, Cornwell's Credit Department and as Cornwell may otherwise direct. Dealer will also allow, upon request and reasonable notice, Cornwell's authorized representative to inspect Dealer's Total Inventory at any time.

8. Repurchase of Inventory. If Dealer ceases for any reason to be an authorized dealer of Cornwell's products, Cornwell will repurchase from Dealer that portion of the Total Inventory which Cornwell is required to repurchase, if any, in accordance with the terms set forth in the Dealer Franchise Agreement between Cornwell and the Dealer, the terms of which are expressly incorporated herein. If any of the Indebtedness is unpaid at the time of such repurchase, Cornwell will credit against the Indebtedness the net amounts from such repurchase, as determined in accordance with the terms set forth in the Dealer Franchise Agreement.

9. Default. The Dealer shall be in default upon the happening of any of the following events or conditions:

(a) The failure of Dealer to make payment or performance of any of the Dealer's indebtedness to Cornwell, as described in paragraph 3 above, including but not limited to those arising from the sale of inventory described in this Agreement.

(b) If the Dealer defaults under the Dealer Franchise Agreement or any other agreement or contract between the Dealer and Cornwell, including but not limited to paragraph 5 or the obligation to furnish IBN Report Summaries as contained in Paragraph 6 above, or upon the termination of any such agreement.

(c) The failure of the Dealer to have this note and security agreement fully collateralized at all times. Until the Indebtedness is paid in full, Dealer shall own and maintain in Dealer's truck or other vehicle inventory purchased from Cornwell in an amount not less than the lesser of ~~Fifty-~~five~~Sixty~~ Thousand Dollars (~~\$55,60,000~~) or the outstanding balance of this note, including principal, interest and any costs and expenses.

Upon default, all obligations of the Dealer at once become due and payable without any notice or demand, notice and demand having been expressly waived. Payments made shall first be applied to the payment of the interest that accrued and then to the principal amount, which remains unpaid.

10. Acceleration. Upon the happening of any of the following events or conditions:

(a) Default by Dealer in the payment or the performance of any of Dealer's Indebtedness to Cornwell, as described in paragraphs 4, 6, or 7 above, including but not limited to those arising from the sale of inventory described in this agreement;

(b) Loss, theft, destruction, encumbrance, levy against, seizure or attachment of or to any of the Collateral, or any sale of all or any part of the Collateral other than in the regular course of Dealer's business;

(c) Any warranty, representation, financial statement or other information made or furnished to Cornwell by or on behalf of Dealer proves to have been or to have become false in any material respect;

(d) Death, impairment, termination of existence, insolvency, business failure, appointment of a trustee or receiver of any part of the property of, assignment for the benefit of creditors of or the commencement of any proceedings under bankruptcy or any other state or federal law for the relief of debtors by or against Dealer, or any surety for Dealer;

(e) Dealer's ceasing for any reason to be an authorized dealer of Cornwell's products;

(f) A judgment for the payment of any sum of money against Dealer, which shall remain undischarged for a period of 45 days during which time execution shall not be effectively stayed; or

(g) Cornwell deems itself insecure, in good faith believing that the prospect of payment of any of the Indebtedness or the performance of any other obligation of Dealer is impaired.

Cornwell may, at its option, without notice or demand, declare due and payable, and, in addition to other rights and remedies upon default under applicable law, collect the full amount of the Indebtedness or any portion thereof, as calculated below, and will have the further right, without notice or demand, to repossess the Collateral, to enter peacefully upon any premises where the Collateral is located in order to repossess it and to exercise all other rights allowed by law. Without limiting the above, Cornwell shall have all of the rights and remedies of a secured creditor under the Uniform Commercial Code as adopted in Ohio.

Dealer agrees upon the request of Cornwell to assemble the Collateral and to make it available at any place designated by Cornwell. Dealer hereby expressly waives the entitlement, if any, to a judicial hearing prior to the exercise of Cornwell's right of repossession, which right is exercisable by Cornwell on its own behalf or through resort to appropriate judicial process. After repossession, Cornwell will provide at least 10 days prior written notice to Dealer at Dealer's Business Address of the time and place of any public sale or the time after which any private sale or repurchase pursuant to the Dealer Agreement will be made of the Collateral, and Dealer agrees that such 10-day period is reasonable. Dealer further agrees that repurchase of the Total Inventory, or any part thereof, pursuant to the terms of the Dealer Agreement shall constitute a commercially reasonable disposition thereof. The proceeds of any disposition of the Collateral may be applied to the Indebtedness as Cornwell may elect.

Upon Voluntary prepayment in full or upon acceleration as set forth herein, the amount of the Indebtedness will be calculated as follows: total (1) the cash price of each time-deferred sale, less the amounts from previous payments which have been applied to principal; plus (2) time-price charges and late charges on unpaid balances; plus (3) all other outstanding Indebtedness, as defined in paragraph 3 above; plus (4) additional time-price charges of \_\_\_\_\_ % per annum (or the highest rate allowed by law, whichever is less) on the total of the first three components above, until paid in full. Cornwell expressly states its intention not to collect any amount in excess of that permitted by law and the Indebtedness shall be reduced accordingly, as may be required.

11. PARTIAL WAIVER OF DEALER'S REMEDIES. DEALER HEREBY EXPRESSLY AGREES THAT, WITH REGARD TO THE INVENTORY DELIVERED UNDER THIS AGREEMENT, DEALER'S REMEDIES UNDER THIS AGREEMENT (INCLUDING WITHOUT LIMITATION, REMEDIES BY WAY OF DEFENSE, COUNTERCLAIM, RECOUPMENT AND SET-OFF) ARE EXCLUSIVELY LIMITED TO ANY WARRANTIES EXPRESSLY GIVEN IN WRITING. WARRANTIES OF MERCHANTABILITY, AND OF FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DISCLAIMED.

12. LIMITATION OF DAMAGES. DEALER HEREBY ALSO EXPRESSLY AGREES THAT DEALER'S DAMAGES FOR CORNWELL'S BREACH OF THE FOREGOING EXCLUSIVE WARRANTIES ARE LIMITED TO THE ENFORCEMENT OF SECTION 7 OF THIS AGREEMENT AND REPLACEMENT OR RECOVERY OF AMOUNTS PAID BY DEALER TO CORNWELL FOR DEFECTIVE PRODUCTS, AS APPLICABLE, AND THAT CORNWELL SHALL NOT BE LIABLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES.

13. Collection Costs. Dealer shall reimburse Cornwell for all costs of collection of the Indebtedness or any portion thereof, including, without limiting the generality of the foregoing, expenses of, and charges for, the repossession and holding of the Collateral for sale and any preparations for such sale, court costs and reasonable attorneys' fees. Cornwell expressly states its intention not to collect any amount in excess of that permitted by law and the costs of collection shall be reduced accordingly, as may be required.

14. Taxes and Assessments. Dealer will pay promptly when due all taxes and assessments upon the Collateral or for its use or operation or upon this agreement or upon any papers evidencing the obligations between the parties and at its option, Cornwell may discharge taxes, liens or other encumbrances at any time levied or placed on the Collateral, pay for the maintenance and preservation of the Collateral and taxes, assessments and insurance on the Collateral should Dealer fail to do so, and Dealer agrees to reimburse Cornwell on demand for any payments so made until such reimbursement, the amount so paid by Cornwell shall be added to the Indebtedness.

15. Application of Amounts Received. All amounts received by Cornwell from Dealer may be applied by Cornwell to the Indebtedness in such order and to principal or to time-price charges, as Cornwell may determine. Dealer authorizes Cornwell at any time, without notice, to appropriate and to apply any Collateral in Cornwell's possession, custody or control towards the payment of the Indebtedness. Dealer waives presentment, demand, notice, acceptance, performance, default, enforcement, exoneration and reimbursement, assents to any acceleration, extension, modification, waiver or postponement or to any other indulgence, to any addition, substitution, exchange or release of the Collateral to the addition or release of any other party or person primarily or secondarily liable, to the settlement, compromise or adjustment of the Indebtedness and/or to the application of any Collateral against the Indebtedness and in any order.

16. Miscellaneous.

(a) This agreement shall continue until such time as there is no outstanding Indebtedness and there are no other agreements in effect between Dealer and Cornwell.

(b) This agreement shall be deemed to have been made in Ohio and shall be governed by Ohio law, and shall be binding upon and inure to the benefit of the parties, their executors, administrators, personal representatives, heirs, successors, and assigns as the case may be.

(c) Any claim or controversy in connection with, arising out of, or relating to this agreement between Dealer and Cornwell shall be settled by binding arbitration in accordance with the rules pertaining to commercial dispute arbitration then existing with the American Arbitration Association. Judgment upon the award rendered by the arbitrator(s) may be entered in any court having jurisdiction. Such arbitration shall take place in such locations as the parties mutually agree, and in the absence of such agreement, in Akron, Ohio. The laws applicable to the arbitration procedure shall be the laws of the State of Ohio. The award of the arbitrator(s) shall be the sole remedy between the parties regarding any claims, counterclaims, issues presented or pled to the arbitrator(s).

Cornwell reserves the right to obtain injunctive or other mandatory relief, including, but not limited to replevin from the act or omission of any activity prohibited or required by this agreement in any court having jurisdiction, when such act or omission will cause irreparable harm to Cornwell or is otherwise necessary to obtain possession of any or all of the Total Inventory upon Dealer's default.

(d) In the event that this agreement, or any part of it is found to be governed by the law of any other state and/or to be unenforceable, any part found to be unenforceable shall be severed and the agreement given effect according to the intent of the parties, to the fullest extent permitted by law.

(e) This agreement may only be modified by a writing, signed by all of the parties hereto and shall not be effective until accepted by Cornwell in Ohio.

17. Notice and Service of Process. Any notice required to be given under this Order, Note and Security Agreement, or service of process for the purposes of arbitration or litigation of issues arising out of it, shall be given to Cornwell at 667 Seville Road, Wadsworth, Ohio 44281, and to First Dealer and Second Dealer, if applicable, at the address or addresses last provided by them to Cornwell. Service on Cornwell, First Dealer, or Second Dealer shall conclusively be deemed to have been completed for all purposes if made by regular U.S. mail or any other usual and reliable form of delivery to the address last given. The parties will continue to have the obligation to notify one another of any change of address during and after the termination of this Order, Note and Security Agreement, if they wish to be assured of the receipt of notices and service of process, and they expressly waive any objection to notice provided or service made to the last address they have given.

**CORNWELL QUALITY TOOLS  
FRANCHISE DEVELOPER DSA  
DEALER PURCHASE ORDER, NOTE AND SECURITY AGREEMENT**

The undersigned, individually and/or collectively, having a franchised dealership of Cornwell Quality Tools products and (if applicable) the individual owner or owners of such dealership if it is an entity, as active partners in the operation of the business (individually and/or collectively referred to as "Dealer"), hereby orders and agrees to purchase from CORNWELL QUALITY TOOLS COMPANY, an Ohio Corporation ("Cornwell"), the inventory and other property to be delivered to Dealer by Cornwell and described on documentation to be sent to Dealer at the times of shipment (the "Inventory"). This order will become binding and effective when accepted in writing by Cornwell in Ohio.

1. Maintaining Franchise Developer status

(a) Dealer and Cornwell are parties to a Franchise Developer Franchise Dealer Agreement ("Dealer Agreement"), of the same date as this Purchase Order, Note and Security Agreement ("DSA Note"). The terms of the Dealer Agreement are expressly incorporated into this DSA Note.

(b) To satisfy this DSA Note other than by the timely completion of all of the payments set forth in paragraph 2(a), the Dealer must meet the requirements set forth below. To the extent the requirements of this paragraph 1 conflict with other provisions of this DSA Note, the requirements of this paragraph shall prevail.

(c) Dealer must (1) Remain a Cornwell Dealer with average purchases of not less than \$7,400-700 per week for at least 36 months from the date that Dealer first makes sales ("Start Date") or (2) Introduce at least 3 new dealers to Cornwell within 36 months of the Start Date. Dealer must further comply with all of the requirements of this DSA Note and the Dealer Agreement, including but not limited to making the weekly payments towards the principal amount of the Note set forth below.

(d) So long as Dealer maintains Franchise Developer Dealer status, the payment of the time-price charges equivalent to interest on the principal amount of this DSA Note is waived. Dealer must however make weekly payments as described in Section 2 below towards the principal amount of the DSA Note. Following each of the first, three 52-week periods after payments have commenced on this DSA Note, if Dealer has complied

with the requirements of the Dealer Agreement and this DSA Note during that period, Cornwell will then issue an open account credit to Dealer ~~of the amount paid during the preceding 52-week period~~ to be used only for the purchase of additional inventory in the amount of \$20,000.

(e) Dealer's status as a Franchise Developer will be reviewed every 52 weeks after the commencement of payments on this DSA Note. If at any time within 36 months of the Start Date the Dealer has introduced at least 3 new dealers to Cornwell up to ~~\$5560,000~~ of this DSA Note will be deemed satisfied in full.

(f) If Dealer both fails to satisfy the average purchase requirement and has not introduced a new dealer during the preceding 52 weeks, Dealer's status as a Franchise Developer may be terminated by Cornwell. This DSA Note may then be declared in default and accelerated, including accrued time-price charges and late charges, as provided in paragraphs 2(a), (b), (d) and (e) below and paragraphs 9 and 10 below.

(g) "Introduction" of new dealers for the purpose of Franchise Developer status means that new dealers enter into Dealer Franchise Agreements, purchase Starter Inventories and remain Cornwell Dealers for a minimum of 6 months each.

(h) The Dealer Franchise Agreement between the parties ("the Agreement") is incorporated into this Note by reference. Without limitation, the provisions of the Agreement incorporated into this Note include its paragraph 4, pertaining to the portion of the Inventory described as the "Reserve" and the manner of payment for the Reserve. If Cornwell has waived the Reserve requirement or has declined to finance the Reserve, the principal amount of this DSA Note will be ~~\$55,00060,000~~. If Cornwell requires the Reserve and has agreed to finance it, the principal amount of this DSA Note will be \$7580,000.

2. Promise to Pay Deferred Sales Price.

(a) The balance owed for the Inventory is [Insert ~~\$55,00060,000~~ or \$7580,000]. Dealer has chosen to pay for the Inventory over time and Dealer therefore [Insert calculated total at current DSA rate for ~~\$55,00060,000~~ or \$7580,000] Cornwell a deferred sales price of \$ \_\_\_\_\_ . The deferred sales price [Insert calculated total ÷ 156] indicated shall be payable in **156** weekly installments of \$ \_\_\_\_\_ each due on the Monday of each week commencing on \_\_\_\_\_, 20\_\_\_\_, at Cornwell Quality Tools Company, 667 Seville Road, Wadsworth, Ohio 44281, or such place as Cornwell shall designate.

(b) The time-price charge is the same amount as a \_\_\_\_\_ % interest charge would be on a loan of money. If this agreement is made by more than one person, first dealer and second dealer, their obligations shall be joint and several, which

means that each one can be separately required by Cornwell to pay the entire indebtedness or both can be required to pay it.

(c) All payments are intended to be applied first toward unpaid accrued time-price charges and then as a reduction of the unpaid principal balance, but Cornwell reserves the right to apply such payments in such order as it may determine. This note may be voluntarily pre-paid in part or in full at any time, without penalty, and is subject to involuntary acceleration, as set forth in paragraph 10 below.

(d) If any payment is not made on or before its due date, additional time-price charges will be made at the rate of \_\_\_\_\_ % per annum and will continue to accrue on the unpaid balance as part of the Indebtedness described in paragraph 4 below. This will result in a slower principal reduction, to be deferred at Cornwell's option to increase the final scheduled payment, if it is not paid sooner and a default is not earlier declared. Conversely, payments received in advance of their due date will result in a faster principal reduction than scheduled, thus decreasing the final scheduled payment.

(e) In addition, Cornwell may impose a weekly late charge of \$10.00 each week that Dealer is three or more payments in arrears. The late charge will become an increase in the principal balance, and likewise become part of the Indebtedness, which will increase the amount of the final scheduled payment, if it is not paid sooner and a default is not earlier declared.

(f) Although it is not the present practice, or any intention of Cornwell, to sell, assign, or discount to a third-party, in whole or in part, any note, contract or other instrument executed by the Dealer, Cornwell retains the right to do so.

(g) The installments to be paid to Cornwell by the Dealer, pursuant to subparagraph (a) above, shall be paid by an ACH Debit for automatic payment, which will be automatically processed every Monday according to the schedule set forth in subparagraph 2(a) above, until the obligation is paid in full. The Dealer shall sign an irrevocable ACH Agreement authorizing Cornwell to automatically deduct the weekly payment from the Dealer's bank account until this obligation is paid in full. In the event funds are not available to complete the automatic transfer on that date, it shall be considered an event of default.

3. Title and Shipping. The Inventory will be sent by Cornwell to Dealer at the address designated by the Dealer. Title will pass to Dealer when the Inventory leaves the Cornwell Distribution Center, but costs of shipping and insurance during shipping are included in the prices quoted above and will be paid by Cornwell.

4. Security Interest.

(a) Security Interest and Warranty of Clear Title. This security interest is intended to extend broadly, to make all of Dealer's personal property available to cover any amounts the Dealer may owe Cornwell for the purchase of Inventory, now or in the future

and the other amounts described below in the definition of Indebtedness. Without limitation, the security interest specifically includes all of Dealer's entire inventory ("Total Inventory"), whenever acquired and all of Dealer's accounts receivable ("Accounts"), whenever created.

In order to secure the payment of any and all of Dealer's indebtedness, obligations and liabilities owing to Cornwell and the performance by the Dealer of any or all of Dealer's covenants and warranties contained in any agreement in favor of Cornwell, whether currently existing or arising in the future, contingent or absolute, whether contained in this agreement, the Franchise Developer Dealer Franchise Agreement, or in any other agreement; all costs and expenses incurred in the collection of such obligations and/or indebtedness; and for all taxes levied, insurance and repairs to or maintenance of any collateral (collectively, the "Indebtedness"), Dealer hereby grants to Cornwell a security interest in the following described property, hereinafter referred to as the "Collateral":

Description of Collateral

All accounts, accounts receivable, contract rights, chattel paper, general intangibles, instruments, documents, policies and certificates of insurance, all goods, inventory and equipment (such terms having the meaning assigned to them in the Uniform Commercial Code as adopted in Ohio), together with all attachments, and accessories, and all proceeds from insurance, including but not limited to Total Inventory, whether now existing or hereafter arising, now owned or hereafter acquired, due or to become due, including proceeds and products and Dealer's records of such property.

Dealer warrants that Dealer owns good and marketable title to the Collateral, or will own such title upon sale of the Inventory, free and clear of any and all liens, interests and encumbrances, except as set forth below, that Dealer will not permit any lien, security interest or encumbrance (other than the security interest created hereby) to attach to the Collateral and, except for sales of inventory in the normal course of business, that Dealer will not sell, exchange, lease or otherwise dispose of or transfer any interest in the Collateral.

(b) Dealer's Records. Dealer shall maintain at Dealer's place of business accurate and up-to-date records pertaining to the Total Inventory, the Collateral and the Accounts. Cornwell shall have a special property interest in all of Dealer's records pertaining to the Total Inventory, the Collateral and the Accounts, and Cornwell's agents, representatives and employees shall have the right to inspect them at any reasonable time or times. At the request of Cornwell, if any part of the Indebtedness is in default, Dealer agrees to stamp, in form and manner satisfactory to Cornwell, its records pertaining to the Accounts with an appropriate reference to the security interest created herein, and/or to deliver and turn over any and all such records to the Cornwell.

(c) Financing Statements. Dealer shall execute and immediately deliver to Cornwell with this Order, Note and Security Agreement, or upon demand, such financing

statements or other appropriate documentation as may be requested by Cornwell now or hereafter, to evidence and to perfect the security interest created herein.

(d) Good Condition. Until all the Indebtedness is paid in full, Dealer shall keep the Total Inventory in good condition and repair and shall properly maintain it and keep it stored in a safe place, at the Dealer's business address or any other location approved by Cornwell. If the truck or other vehicle where Dealer will keep any or all of the Total Inventory is currently encumbered by a security interest or lease, the name of the secured party or lessor is \_\_\_\_\_ whose address is \_\_\_\_\_. If Dealer's vehicle subsequently becomes encumbered or subject to a lease before all the Indebtedness is paid in full, Dealer agrees to immediately notify Cornwell of the name and address of such other secured party or lessor. Cornwell reserves the right to notify such secured party or lessor of the existence of the security interest created by this agreement and to require the removal of the Total Inventory from the vehicle, in the event the vehicle is repossessed.

5. Insurance.

(a) Dealer shall provide that the Collateral is continuously insured with the following minimum insurance coverage: commercial business auto liability insurance with limits of One Million Dollars (\$1,000,000); general commercial liability insurance under a comprehensive general liability form that includes coverage of bodily harm, property damage, and product liability with policy limits not less than One Million Dollars (\$1,000,000); and cargo insurance with all risk property coverage for full replacement value of Dealer's inventory. Such insurance shall be so written and endorsed as to make losses, if any, payable to Cornwell in addition to the Dealer, as their respective interest may appear. Each policy of insurance shall be written so as to be not subject to cancellation or substantial modification without at least thirty (30) days' written notice to Cornwell. Dealer shall deposit with Cornwell certificates or other evidence satisfactory to Cornwell that the required insurance has been obtained and is in full force and effect and, prior to the expiration of any such insurance, Dealer shall furnish Cornwell with evidence satisfactory to Cornwell that such insurance has been renewed or replaced. Contemporaneous with the execution of this agreement, and from time to time thereafter upon request by Cornwell, Dealer shall provide Cornwell with a Certificate of Insurance evidencing that Dealer has complied with the foregoing requirements of this Agreement.

(b) All amounts received by Cornwell in payment of insurance losses may, at Cornwell's option, be applied in satisfaction of Dealer's Indebtedness to Cornwell or all or any part thereof may be used for the purpose of repairing, replacing, or restoring the Collateral.

(c) Dealer will at all times have and maintain public liability insurance covering such risks and in such amounts and issued by such companies as are acceptable to Cornwell.

(d) Dealer assigns to Cornwell all rights to the proceeds of any insurance not exceeding unpaid balances and hereby directs the insurance carrier and its agents to pay all proceeds directly to Cornwell, authorizes Cornwell to endorse any draft for and on behalf of Dealer as its attorney-in-fact, coupled with an interest, and further authorizes Cornwell to make adjustments of all insurance losses, sign all applications, receipts, releases and other papers necessary and to make settlements.

(e) Note to Dealer: DEALER IS REQUIRED TO SUBMIT AN INSURANCE AUTHORIZATION FORM. PLEASE FILL IN THE APPROPRIATE BLANKS ON THE FORM WITH THE NAME AND ADDRESS OF THE INSURANCE COMPANY WHICH WILL INSURE THE TOTAL INVENTORY AND ENCLOSE THE FORM WHEN YOU RETURN THIS AGREEMENT TO CORNWELL QUALITY TOOLS COMPANY.

(f) Collection of Accounts: With respect to the Accounts and in addition to and not in limitation of any of the rights provided to Cornwell elsewhere in this agreement or by law, Cornwell may upon the occurrence of any of the events described in Paragraph 9 below or at any time thereafter (such event not having previously been cured or waived), at its option, without prior demand or notice to Dealer, and without resort to legal process or judicial hearing, order or authorization, notify the persons liable for the payment of the Accounts of Cornwell's security interest and direct such persons to make payments directly to Cornwell, and, at Cornwell's request, all bills and statements sent by Dealer to the persons liable for the payment of the Accounts shall state that the Accounts have been assigned to, and are solely payable to Cornwell, and at Cornwell's request, Dealer shall direct the persons liable for the payment of the Accounts to pay directly to Cornwell any sums due or to become due on account thereof.

The Dealer hereby irrevocably appoints Cornwell as its true and lawful attorney-in-fact, coupled with an interest, with full power to send the notices described above, to take possession of and endorse in the name of Dealer any instruments or documents received in payment of all or part of the Accounts, to collect, sue for and give a quittances for monies due on the Accounts, and to withdraw any claims, suits or proceedings pertinent thereto, or arising out of the assignment of the Accounts.

In pursuance of the rights granted hereunder, Cornwell may extend the time for payment of, compromise or settle for cash, credit or otherwise, and upon any terms and conditions, any of the Accounts and thereby discharge the person or persons liable for the payment thereof, without affecting the obligations of Dealer to Cornwell (except to the extent that the Indebtedness shall be reduced by the amount of any sums received by Cornwell).

6. Financial Condition. Upon request by Cornwell, Dealer agrees to furnish Cornwell within a reasonable time accurate and up-to-date information concerning any aspect of Dealer's financial condition

7. Verification of Sales and Inventory. Dealer will maintain written, weekly summaries of its sales and then existing Total Inventory and all Accounts in a form

acceptable to Cornwell and Dealer shall each week furnish an IBN Weekly Report Summary to Cornwell's District Sales Manager, Cornwell's Credit Department and as Cornwell may otherwise direct. Dealer will also allow, upon request and reasonable notice, Cornwell's authorized representative to inspect Dealer's Total Inventory at any time.

8. Repurchase of Inventory. If Dealer ceases for any reason to be an authorized dealer of Cornwell's products, Cornwell will repurchase from Dealer that portion of the Total Inventory which Cornwell is required to repurchase, if any, in accordance with the terms set forth in the Franchise Developer Dealer Franchise Agreement between Cornwell and the Dealer, the terms of which are expressly incorporated herein. If any of the Indebtedness is unpaid at the time of such repurchase, Cornwell will credit against the Indebtedness the net amounts from such repurchase, as determined in accordance with the terms set forth in the Franchise Developer Dealer Franchise Agreement.

9. Default. The Dealer shall be in default upon the happening of any of the following events or conditions:

(a) The failure of Dealer to make payment or performance of any of the Dealer's indebtedness to Cornwell, as described in paragraph 4 above, including but not limited to those arising from the sale of inventory described in this Agreement.

(b) If the Dealer defaults under the Franchise Developer Dealer Franchise Agreement or any other agreement or contract between the Dealer and Cornwell, including but not limited to paragraph 6 or the obligation to furnish MM1 or IBN Report Summaries as contained in paragraph 7 above, or upon the termination of any such agreement.

(c) The failure of the Dealer to have this note and security agreement fully collateralized at all times. Until the Indebtedness is paid in full, Dealer shall own and maintain in Dealer's truck or other vehicle inventory purchased from Cornwell in an amount not less than the lesser of Sixty Thousand Dollars (\$60,000) or the outstanding balance of this note, including principal, interest and any costs and expenses.

Upon default, all obligations of the Dealer at once become due and payable without any notice or demand, notice and demand having been expressly waived. Payments made shall first be applied to the payment of the interest that accrued and then to the principal amount which remains unpaid.

10. Acceleration. Upon the happening of any of the following events or conditions:

(a) Default by Dealer in the payment or the performance of any of Dealer's Indebtedness to Cornwell, as described in paragraphs 4, 6, or 7 above, including but not limited to those arising from the sale of inventory described in this agreement;

(b) Loss, theft, destruction, encumbrance, levy against, seizure or attachment of or to any of the Collateral, or any sale of all or any part of the Collateral other than in the regular course of Dealer's business;

(c) Any warranty, representation, financial statement or other information made or furnished to Cornwell by or on behalf of Dealer proves to have been or to have become false in any material respect;

(d) Death, impairment, termination of existence, insolvency, business failure, appointment of a trustee or receiver of any part of the property of, assignment for the benefit of creditors of or the commencement of any proceedings under bankruptcy or any other state or federal law for the relief of debtors by or against Dealer, or any surety for Dealer;

(g) Cornwell deems itself insecure, in good faith believing that the prospect of payment of any of the Indebtedness or the performance of any other obligation of Dealer is impaired.

Cornwell may, at its option, without notice or demand, declare due and payable, and, in addition to other rights and remedies upon default under applicable law, collect the full amount of the Indebtedness or any portion thereof, as calculated below, and will have the further right, without notice or demand, to repossess the Collateral, to enter peacefully upon any premises where the Collateral is located in order to repossess it and to exercise all other rights allowed by law. Without limiting the above, Cornwell shall have all of the rights and remedies of a secured creditor under the Uniform Commercial Code as adopted in Ohio.

Dealer agrees upon the request of Cornwell to assemble the Collateral and to make it available at any place designated by Cornwell. Dealer hereby expressly waives the entitlement, if any, to a judicial hearing prior to the exercise of Cornwell's right of repossession, which right is exercisable by Cornwell on its own behalf or through resort to appropriate judicial process. After repossession, Cornwell will provide at least 10 days prior written notice to Dealer at Dealer's Business Address of the time and place of any public sale or the time after which any private sale or repurchase pursuant to the Franchise Developer Dealer Franchise Agreement will be made of the Collateral, and Dealer agrees that such 10-day period is reasonable. Dealer further agrees that repurchase of the Total Inventory, or any part thereof, pursuant to the terms of the Franchise Developer Dealer Franchise Agreement shall constitute a commercially reasonable disposition thereof. The

proceeds of any disposition of the Collateral may be applied to the Indebtedness as Cornwell may elect.

Upon Voluntary prepayment in full or upon acceleration as set forth herein, the amount of the Indebtedness will be calculated as follows: total (1) the cash price of each time-deferred sale, less the amounts from previous payments which have been applied to principal; plus (2) time-price charges and late charges on unpaid balances; plus (3) all other outstanding Indebtedness, as defined in paragraph 4 above; plus (4) additional time-price charges of \_\_\_\_\_ % per annum (or the highest rate allowed by law, whichever is less) on the total of the first three components above, until paid in full. Cornwell expressly states its intention not to collect any amount in excess of that permitted by law and the Indebtedness shall be reduced accordingly, as may be required.

11. PARTIAL WAIVER OF DEALER'S REMEDIES. DEALER HEREBY EXPRESSLY AGREES THAT, WITH REGARD TO THE INVENTORY DELIVERED UNDER THIS AGREEMENT, DEALER'S REMEDIES UNDER THIS AGREEMENT (INCLUDING WITHOUT LIMITATION, REMEDIES BY WAY OF DEFENSE, COUNTERCLAIM, RECOUPMENT AND SET-OFF) ARE EXCLUSIVELY LIMITED TO ANY WARRANTIES EXPRESSLY GIVEN IN WRITING. WARRANTIES OF MERCHANTABILITY, AND OF FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DISCLAIMED.

12. 13. Collection Costs. Cornwell expressly states its intention not to collect any amount in excess of that permitted by law and the costs of collection shall be reduced accordingly, as may be required.

14. Taxes and Assessments. 15. Application of Amounts Received. If Dealer fails to maintain Franchise Developer status, all amounts received by Cornwell from Dealer may be applied by Cornwell to the Indebtedness in such order and to principal or to time-price charges, as Cornwell may determine. Dealer authorizes Cornwell at any time, without notice, to appropriate and to apply any Collateral in Cornwell's possession, custody or control towards the payment of the Indebtedness. Dealer waives presentment, demand, notice, acceptance, performance, default, enforcement, exoneration and reimbursement, assents to any acceleration, extension, modification, waiver or postponement or to any other indulgence, to any addition, substitution, exchange or release of the Collateral to the addition or release of any other party or person primarily or secondarily liable, to the settlement, compromise or adjustment of the Indebtedness and/or to the application of any Collateral against the Indebtedness and in any order.

16. Miscellaneous.

(a) This agreement shall continue until such time as there is no outstanding Indebtedness and there are no other agreements in effect between Dealer and Cornwell.

(b) This agreement shall be deemed to have been made in Ohio and shall be governed by Ohio law, and shall be binding upon and inure to the benefit of the parties, their executors, administrators, personal representatives, heirs, successors, and assigns as the case may be.

(c) Any claim or controversy in connection with, arising out of, or relating to this agreement between Dealer and Cornwell shall be settled by binding arbitration in accordance with the rules pertaining to commercial dispute arbitration then existing with the American Arbitration Association. Judgment upon the award rendered by the arbitrator(s) may be entered in any court having jurisdiction. Such arbitration shall take place in such locations as the parties mutually agree, and in the absence of such agreement, in Akron, Ohio. The laws applicable to the arbitration procedure shall be the laws of the State of Ohio. The award of the arbitrator(s) shall be the sole remedy between the parties regarding any claims, counterclaims, issues presented or pled to the arbitrator(s). Cornwell reserves the right to obtain injunctive or other mandatory relief, including but not limited to replevin, from the act or omission of any activity prohibited or required by this agreement in any court having jurisdiction, when such act or omission will cause irreparable harm to Cornwell or is otherwise necessary to obtain possession of any or all of the Total Inventory upon Dealer's default.

(d) In the event that this agreement, or any part of it is found to be governed by the law of any other state and/or to be unenforceable, any part found to be unenforceable shall be severed and the agreement given effect according to the intent of the parties, to the fullest extent permitted by law.

(e) This agreement may only be modified by a writing signed by all of the parties hereto and shall not be effective until accepted by Cornwell in Ohio.

**CORNWELL QUALITY TOOLS  
SPECIAL REP DSA  
DEALER PURCHASE ORDER, NOTE AND SECURITY AGREEMENT**

The undersigned, individually and/or collectively, having a franchised dealership of Cornwell Quality Tools products and (if applicable) the individual owner or owners of such dealership if it is an entity, as active partners in the operation of the business (individually and/or collectively referred to as "Dealer"), hereby orders and agrees to purchase from CORNWELL QUALITY TOOLS COMPANY, an Ohio Corporation ("Cornwell"), the inventory and other property to be delivered to Dealer by Cornwell and described on documentation to be sent to Dealer at the times of shipment (the "Inventory"). This order will become binding and effective when accepted in writing by Cornwell in Ohio.

1. Maintaining Special Representative status

(a) Dealer and Cornwell are parties to a Special Representative Franchised Dealer Agreement ("Dealer Agreement"), of the same date as this Purchase Order, Note and Security Agreement ("DSA Note"). The terms of the Dealer Agreement are expressly incorporated into this DSA Note.

(b) To satisfy this DSA Note other than by the timely completion of all of the payments set forth in paragraph 2(a), the Dealer must meet the requirements set forth below. To the extent the requirements of this paragraph 1 conflict with other provisions of this DSA Note, the requirements of this paragraph shall prevail.

(c) Dealer must (1) Remain a Cornwell Dealer with average purchases of not less than ~~\$7,400~~ 700 per week for at least 36 months from the date that Dealer first makes sales ("Start Date") or (2) Introduce at least 3 new dealers to Cornwell within 36 months of the Start Date. Dealer must further comply with all of the requirements of this DSA Note and the Dealer Agreement, including but not limited to making the weekly payments towards the principal amount of the DSA Note set forth below.

(d) So long as Dealer maintains Special Representative status, the payment of the time-price charges equivalent to interest on the principal amount of this DSA Note is waived. Dealer must however make 156 weekly payments as described in Section 2 below towards the principal amount of the DSA Note. Following each of the first, three 52-week periods after payments have commenced on this Note, if Dealer has complied with the requirements of the Dealer Agreement and this DSA Note during that period, Cornwell will

then issue an open account credit to Dealer to be used for the purchase of additional inventory of \$20,000. The credit at the end of the first and second years will be \$20,000 and \$25,000 at the end of the third year.

(e) Dealer's status as a Special Representative will be reviewed every 52 weeks after the commencement of payments on this DSA Note. If at any time within 36 months of the Start Date the Dealer has introduced at least 3 new dealers to Cornwell, up to ~~\$60,000~~\$65,000 of this DSA Note will be deemed satisfied in full.

(f) If Dealer both fails to satisfy the average purchase requirement and has not introduced a new dealer during the preceding 52 weeks, Dealer's status as a Special Representative may be terminated by Cornwell. This DSA Note may then be declared in default and accelerated, including accrued time-price charges on the outstanding balance and late charges, as provided in paragraphs 2(a), (b), (d) and (e) below and paragraphs 9 and 10 below.

(g) "Introduction" of new dealers for the purpose of Special Representative status means that such new dealers enter into Dealer Franchise Agreements, purchase Starter Inventories and remain Cornwell Dealers for a minimum of 6 months each.

(h) The Dealer Franchise Agreement between the parties ("the Agreement") is incorporated into this Note by reference. Without limitation, the provisions of the Agreement incorporated into this Note include its paragraph 4, pertaining to the portion of the Inventory described as the "Reserve" and the manner of payment for the Reserve. If Cornwell has waived the Reserve requirement or has declined to finance the Reserve, the principal amount of this DSA Note will be ~~\$60,000~~\$65,000. If Cornwell requires the Reserve and has agreed to finance it, the principal amount of this DSA Note will be ~~\$80~~\$85,000.

2. Promise to Pay Deferred Sales Price.

(a) The balance owed for the Inventory is [Insert ~~\$60,000~~\$65,000 or ~~\$80~~\$85,000]. Dealer has chosen to pay for the Inventory over time and Dealer therefore [Insert calculated total based on ~~\$60,000~~\$65,000 or ~~\$80~~\$85,000]. Cornwell a deferred sales price of \$ \_\_\_\_\_ [Insert calculated total ÷ 156]. The deferred sales price indicated shall be payable in 156 weekly installments of \$ \_\_\_\_\_ each due on the Monday of each week commencing on \_\_\_\_\_, 20\_\_\_\_, at Cornwell Quality Tools Company, 667 Seville Road, Wadsworth, Ohio 44281, or such place as Cornwell shall designate.

(b) The time-price charge is the same amount as a \_\_\_\_\_ % interest charge would be on a loan of money. If this agreement is made by more than one person, first dealer and second dealer, their obligations shall be joint and several, which

means that each one can be separately required by Cornwell to pay the entire indebtedness or both can be required to pay it.

(c) All payments are intended to be applied first toward unpaid accrued time-price charges and then as a reduction of the unpaid principal balance, but Cornwell reserves the right to apply such payments in such order as it may determine. This note may be voluntarily pre-paid in part or in full at any time, without penalty, and is subject to involuntary acceleration, as set forth in paragraph 10 below.

(d) If any payment is not made on or before its due date, additional time-price charges will be made at the rate of \_\_\_\_\_ % per annum and will continue to accrue on the unpaid balance as part of the Indebtedness described in paragraph 4 below. This will result in a slower principal reduction, to be deferred at Cornwell's option to increase the final scheduled payment, if it is not paid sooner and a default is not earlier declared. Conversely, payments received in advance of their due date will result in a faster principal reduction than scheduled, thus decreasing the final scheduled payment.

(e) In addition, Cornwell may impose a weekly late charge of \$10.00 each week that Dealer is three or more payments in arrears. The late charge will become an increase in the principal balance, and likewise become part of the Indebtedness, which will increase the amount of the final scheduled payment, if it is not paid sooner and a default is not earlier declared.

(f) Although it is not the present practice, or any intention of Cornwell, to sell, assign, or discount to a third-party, in whole or in part, any note, contract or other instrument executed by the Dealer, Cornwell retains the right to do so.

(g) The installments to be paid to Cornwell by the Dealer, pursuant to subparagraph (a) above, shall be paid by an ACH Debit for automatic payment, which will be automatically processed every Monday according to the schedule set forth in subparagraph 2(a) above, until the obligation is paid in full. The Dealer shall sign an irrevocable ACH Agreement authorizing Cornwell to automatically deduct the weekly payment from the Dealer's bank account until this obligation is paid in full. In the event funds are not available to complete the automatic transfer on that date, it shall be considered an event of default.

3. Title and Shipping. The Inventory will be sent by Cornwell to Dealer at the address designated by the Dealer. Title will pass to Dealer when the Inventory leaves the Cornwell Distribution Center, but costs of shipping and insurance during shipping are included in the prices quoted above and will be paid by Cornwell.

4. Security Interest.

(a) Security Interest and Warranty of Clear Title. This security interest is intended to extend broadly, to make all of Dealer's personal property available to cover any amounts the Dealer may owe Cornwell for the purchase of Inventory, now or in the future.

and the other amounts described below in the definition of Indebtedness. Without limitation, the security interest specifically includes all of Dealer's entire inventory ("Total Inventory"), whenever acquired, and all of Dealer's accounts receivable ("Accounts"), whenever created.

In order to secure the payment of any and all of Dealer's indebtedness, obligations and liabilities owing to Cornwell and the performance by the Dealer of any or all of Dealer's covenants and warranties contained in any agreement in favor of Cornwell, whether currently existing or arising in the future, contingent or absolute, whether contained in this agreement, the Special Representative Dealer Franchise Agreement, or in any other agreement; all costs and expenses incurred in the collection of such obligations and/or indebtedness; and for all taxes levied, insurance and repairs to or maintenance of any collateral (collectively, the "Indebtedness"), Dealer hereby grants to Cornwell a security interest in the following described property, hereinafter referred to as the "Collateral":

Description of Collateral

All accounts, accounts receivable, contract rights, chattel paper, general intangibles, instruments, documents, policies and certificates of insurance, all goods, inventory and equipment (such terms having the meaning assigned to them in the Uniform Commercial Code as adopted in Ohio), together with all attachments, and accessories, and all proceeds from insurance, including but not limited to Total Inventory, whether now existing or hereafter arising, now owned or hereafter acquired, due or to become due, including proceeds and products and Dealer's records of such property.

Dealer warrants that Dealer owns good and marketable title to the Collateral, or will own such title upon sale of the Inventory, free and clear of any and all liens, interests and encumbrances, except as set forth below, that Dealer will not permit any lien, security interest or encumbrance (other than the security interest created hereby) to attach to the Collateral and, except for sales of inventory in the normal course of business, that Dealer will not sell, exchange, lease or otherwise dispose of or transfer any interest in the Collateral.

(b) Dealer's Records. Dealer shall maintain at Dealer's place of business accurate and up-to-date records pertaining to the Total Inventory, the Collateral and the Accounts. Cornwell shall have a special property interest in all of Dealer's records pertaining to the Total Inventory, the Collateral and the Accounts, and Cornwell's agents, representatives and employees shall have the right to inspect them at any reasonable time or times. At the request of Cornwell, if any part of the Indebtedness is in default, Dealer agrees to stamp, in form and manner satisfactory to Cornwell, its records pertaining to the Accounts with an appropriate reference to the security interest created herein, and/or to deliver and turn over any and all such records to the Cornwell.

(c) Financing Statements. Dealer shall execute and immediately deliver to Cornwell with this Order, Note and Security Agreement, or upon demand, such financing

statements or other appropriate documentation as may be requested by Cornwell now or hereafter, to evidence and to perfect the security interest created herein.

(d) Good Condition. Until all the Indebtedness is paid in full, Dealer shall keep the Total Inventory in good condition and repair and shall properly maintain it and keep it stored in a safe place, at the Dealer's business address or any other location approved by Cornwell. If the truck or other vehicle where Dealer will keep any or all of the Total Inventory is currently encumbered by a security interest or lease, the name of the secured party or lessor is \_\_\_\_\_ whose address is \_\_\_\_\_. If Dealer's vehicle subsequently becomes encumbered or subject to a lease before all the Indebtedness is paid in full, Dealer agrees to immediately notify Cornwell of the name and address of such other secured party or lessor. Cornwell reserves the right to notify such secured party or lessor of the existence of the security interest created by this agreement and to require the removal of the Total Inventory from the vehicle, in the event the vehicle is repossessed.

5. Insurance.

(a) Dealer shall provide that the Collateral is continuously insured with the following minimum insurance coverages: commercial business auto liability insurance with limits of One Million Dollars (\$1,000,000); general commercial liability insurance under a comprehensive general liability form that includes coverage of bodily harm, property damage, and product liability with policy limits not less than One Million Dollars (\$1,000,000); and cargo insurance with all risk property coverage for full replacement value of Dealer's inventory. Such insurance shall be so written and endorsed as to make losses, if any, payable to Cornwell in addition to the Dealer, as their respective interest may appear. Each policy of insurance shall be written so as to be not subject to cancellation or substantial modification without at least thirty (30) days' written notice to Cornwell. Dealer shall deposit with Cornwell certificates or other evidence satisfactory to Cornwell that the required insurance has been obtained and is in full force and effect and, prior to the expiration of any such insurance, Dealer shall furnish Cornwell with evidence satisfactory to Cornwell that such insurance has been renewed or replaced. Contemporaneous with the execution of this agreement, and from time to time thereafter upon request by Cornwell, Dealer shall provide Cornwell with a Certificate of Insurance evidencing that Dealer has complied with the foregoing requirements of this Agreement.

(b) All amounts received by Cornwell in payment of insurance losses may, at Cornwell's option, be applied in satisfaction of Dealer's Indebtedness to Cornwell or all or any part thereof may be used for the purpose of repairing, replacing, or restoring the Collateral.

(c) Dealer will at all times have and maintain public liability insurance covering such risks and in such amounts and issued by such companies as are acceptable to Cornwell.

(d) Dealer assigns to Cornwell all rights to the proceeds of any insurance not exceeding unpaid balances and hereby directs the insurance carrier and its agents to pay all proceeds directly to Cornwell, authorizes Cornwell to endorse any draft for and on behalf of Dealer as its attorney-in-fact, coupled with an interest, and further authorizes Cornwell to make adjustments of all insurance losses, sign all applications, receipts, releases and other papers necessary and to make settlements.

(e) Note to Dealer: DEALER IS REQUIRED TO SUBMIT AN INSURANCE AUTHORIZATION FORM. PLEASE FILL IN THE APPROPRIATE BLANKS ON THE FORM WITH THE NAME AND ADDRESS OF THE INSURANCE COMPANY WHICH WILL INSURE THE TOTAL INVENTORY AND ENCLOSE THE FORM WHEN YOU RETURN THIS AGREEMENT TO CORNWELL QUALITY TOOLS COMPANY.

(f) Collection of Accounts: With respect to the Accounts and in addition to and not in limitation of any of the rights provided to Cornwell elsewhere in this agreement or by law, Cornwell may upon the occurrence of any of the events described in Paragraph 9 below or at any time thereafter (such event not having previously been cured or waived), at its option, without prior demand or notice to Dealer, and without resort to legal process or judicial hearing, order or authorization, notify the persons liable for the payment of the Accounts of Cornwell's security interest and direct such persons to make payments directly to Cornwell, and, at Cornwell's request, all bills and statements sent by Dealer to the persons liable for the payment of the Accounts shall state that the Accounts have been assigned to, and are solely payable to Cornwell, and at Cornwell's request, Dealer shall direct the persons liable for the payment of the Accounts to pay directly to Cornwell any sums due or to become due on account thereof.

The Dealer hereby irrevocably appoints Cornwell as its true and lawful attorney-in-fact, coupled with an interest, with full power to send the notices described above, to take possession of and endorse in the name of Dealer any instruments or documents received in payment of all or part of the Accounts, to collect, sue for and give a quittances for monies due on the Accounts, and to withdraw any claims, suits or proceedings pertinent thereto, or arising out of the assignment of the Accounts.

In pursuance of the rights granted hereunder, Cornwell may extend the time for payment of, compromise or settle for cash, credit or otherwise, and upon any terms and conditions, any of the Accounts and thereby discharge the person or persons liable for the payment thereof, without affecting the obligations of Dealer to Cornwell (except to the extent that the Indebtedness shall be reduced by the amount of any sums received by Cornwell).

6. Financial Condition. Upon request by Cornwell, Dealer agrees to furnish Cornwell within a reasonable time accurate and up-to-date information concerning any aspect of Dealer's financial condition

7. Verification of Sales and Inventory. Dealer will maintain written, weekly summaries of its sales and then existing Total Inventory and all Accounts in a form

acceptable to Cornwell and Dealer shall each week furnish an IBN Weekly Report Summary to Cornwell's District Sales Manager, Cornwell's Credit Department and as Cornwell may otherwise direct. Dealer will also allow, upon request and reasonable notice, Cornwell's authorized representative to inspect Dealer's Total Inventory at any time.

8. Repurchase of Inventory. If Dealer ceases for any reason to be an authorized dealer of Cornwell's products, Cornwell will repurchase from Dealer that portion of the Total Inventory which Cornwell is required to repurchase, if any, in accordance with the terms set forth in the Special Representative Dealer Franchise Agreement between Cornwell and the Dealer, the terms of which are expressly incorporated herein. If any of the Indebtedness is unpaid at the time of such repurchase, Cornwell will credit against the Indebtedness the net amounts from such repurchase, as determined in accordance with the terms set forth in the Special Representative Dealer Franchise Agreement.

9. Default. The Dealer shall be in default upon the happening of any of the following events or conditions:

(a) The failure of Dealer to make payment or performance of any of the Dealer's indebtedness to Cornwell, as described in paragraph 4 above, including but not limited to those arising from the sale of inventory described in this Agreement.

(b) If the Dealer defaults under the Special Representative Dealer Franchise Agreement or any other agreement or contract between the Dealer and Cornwell, including but not limited to paragraph 6 or the obligation to furnish IBN Report Summaries as contained in Paragraph 7 above, or upon the termination of any such agreement.

(c) The failure of the Dealer to have this note and security agreement fully collateralized at all times. Until the Indebtedness is paid in full, Dealer shall own and maintain in Dealer's truck or other vehicle inventory purchased from Cornwell in an amount not less than the lesser of Sixty-five Thousand Dollars (~~\$60,000~~65,000) or the outstanding balance of this note, including principal, interest and any costs and expenses.

Upon default, all obligations of the Dealer at once become due and payable without any notice or demand, notice and demand having been expressly waived. Payments made shall first be applied to the payment of the interest that accrued and then to the principal amount which remains unpaid.

10. Acceleration. Upon the happening of any of the following events or conditions:

(a) Default by Dealer in the payment or the performance of any of Dealer's Indebtedness to Cornwell, as described in paragraphs 4, 6, or 7 above, including but not limited to those arising from the sale of inventory described in this agreement;

(b) Loss, theft, destruction, encumbrance, levy against, seizure or attachment of or to any of the Collateral, or any sale of all or any part of the Collateral other than in the regular course of Dealer's business;

(c) Any warranty, representation, financial statement or other information made or furnished to Cornwell by or on behalf of Dealer proves to have been or to have become false in any material respect;

(d) Death, impairment, termination of existence, insolvency, business failure, appointment of a trustee or receiver of any part of the property of, assignment for the benefit of creditors of or the commencement of any proceedings under bankruptcy or any other state or federal law for the relief of debtors by or against Dealer, or any surety for Dealer;

(e) Dealer's ceasing for any reason to be an authorized dealer of Cornwell's products;

(f) A judgment for the payment of any sum of money against Dealer, which shall remain undischarged for a period of 45 days during which time execution shall not be effectively stayed; or

(g) Cornwell deems itself insecure, in good faith believing that the prospect of payment of any of the Indebtedness or the performance of any other obligation of Dealer is impaired.

Cornwell may, at its option, without notice or demand, declare due and payable, and, in addition to other rights and remedies upon default under applicable law, collect the full amount of the Indebtedness or any portion thereof, as calculated below, and will have the further right, without notice or demand, to repossess the Collateral, to enter peacefully upon any premises where the Collateral is located in order to repossess it and to exercise all other rights allowed by law. Without limiting the above, Cornwell shall have all of the rights and remedies of a secured creditor under the Uniform Commercial Code as adopted in Ohio.

Dealer agrees upon the request of Cornwell to assemble the Collateral and to make it available at any place designated by Cornwell. Dealer hereby expressly waives the entitlement, if any, to a judicial hearing prior to the exercise of Cornwell's right of repossession, which right is exercisable by Cornwell on its own behalf or through resort to appropriate judicial process. After repossession, Cornwell will provide at least 10 days prior written notice to Dealer at Dealer's Business Address of the time and place of any public sale or the time after which any private sale or repurchase pursuant to the Special Representative Dealer Franchise Agreement will be made of the Collateral, and Dealer agrees that such 10-day period is reasonable. Dealer further agrees that repurchase of the Total Inventory, or any part thereof, pursuant to the terms of the Special Representative Dealer Franchise Agreement shall constitute a commercially reasonable disposition

thereof. The proceeds of any disposition of the Collateral may be applied to the Indebtedness as Cornwell may elect.

Upon Voluntary prepayment in full or upon acceleration as set forth herein, the amount of the Indebtedness will be calculated as follows: total (1) the cash price of each time-deferred sale, less the amounts from previous payments which have been applied to principal; plus (2) time-price charges and late charges on unpaid balances; plus (3) all other outstanding Indebtedness, as defined in paragraph 4 above; plus (4) additional time-price charges of \_\_\_\_\_ % per annum (or the highest rate allowed by law, whichever is less) on the total of the first three components above, until paid in full. Cornwell expressly states its intention not to collect any amount in excess of that permitted by law and the Indebtedness shall be reduced accordingly, as may be required.

11. PARTIAL WAIVER OF DEALER'S REMEDIES. DEALER HEREBY EXPRESSLY AGREES THAT, WITH REGARD TO THE INVENTORY DELIVERED UNDER THIS AGREEMENT, DEALER'S REMEDIES UNDER THIS AGREEMENT (INCLUDING WITHOUT LIMITATION, REMEDIES BY WAY OF DEFENSE, COUNTERCLAIM, RECOUPMENT AND SET-OFF) ARE EXCLUSIVELY LIMITED TO ANY WARRANTIES EXPRESSLY GIVEN IN WRITING. WARRANTIES OF MERCHANTABILITY, AND OF FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DISCLAIMED.

12. LIMITATION OF DAMAGES DEALER HEREBY ALSO EXPRESSLY AGREES THAT DEALER'S DAMAGES FOR CORNWELL'S BREACH OF THE FOREGOING EXCLUSIVE WARRANTIES ARE LIMITED TO THE ENFORCEMENT OF SECTION 8 OF THIS AGREEMENT AND REPLACEMENT OR RECOVERY OF AMOUNTS PAID BY DEALER TO CORNWELL FOR DEFECTIVE PRODUCTS, AS APPLICABLE, AND THAT CORNWELL SHALL NOT BE LIABLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES.

13. Collection Costs. Dealer shall reimburse Cornwell for all costs of collection of the Indebtedness or any portion thereof, including, without limiting the generality of the foregoing, expenses of, and charges for, the repossession and holding of the Collateral for sale and any preparations for such sale, court costs and reasonable attorneys' fees. Cornwell expressly states its intention not to collect any amount in excess of that permitted by law and the costs of collection shall be reduced accordingly, as may be required.

14. Taxes and Assessments. Dealer will pay promptly when due all taxes and assessments upon the Collateral or for its use or operation or upon this agreement or upon any papers evidencing the obligations between the parties and at its option, Cornwell may discharge taxes, liens or other encumbrances at any time levied or placed on the Collateral, pay for the maintenance and preservation of the Collateral and taxes, assessments and insurance on the Collateral should Dealer fail to do so, and Dealer agrees to reimburse Cornwell on demand for any payments so made until such reimbursement, the amount so paid by Cornwell shall be added to the Indebtedness.

15. Application of Amounts Received. If Dealer fails to maintain Special Representative status, all amounts received by Cornwell from Dealer may be applied by Cornwell to the Indebtedness in such order and to principal or to time-price charges, as Cornwell may determine. Dealer authorizes Cornwell at any time, without notice, to appropriate and to apply any Collateral in Cornwell's possession, custody or control towards the payment of the Indebtedness. Dealer waives presentment, demand, notice, acceptance, performance, default, enforcement, exoneration and reimbursement, assents to any acceleration, extension, modification, waiver or postponement or to any other indulgence, to any addition, substitution, exchange or release of the Collateral to the addition or release of any other party or person primarily or secondarily liable, to the settlement, compromise or adjustment of the Indebtedness and/or to the application of any Collateral against the Indebtedness and in any order.

16. Miscellaneous.

(a) This agreement shall continue until such time as there is no outstanding Indebtedness and there are no other agreements in effect between Dealer and Cornwell.

(b) This agreement shall be deemed to have been made in Ohio and shall be governed by Ohio law, and shall be binding upon and inure to the benefit of the parties, their executors, administrators, personal representatives, heirs, successors, and assigns as the case may be.

(c) Any claim or controversy in connection with, arising out of, or relating to this agreement between Dealer and Cornwell shall be settled by binding arbitration in accordance with the rules pertaining to commercial dispute arbitration then existing with the American Arbitration Association. Judgment upon the award rendered by the arbitrator(s) may be entered in any court having jurisdiction. Such arbitration shall take place in such locations as the parties mutually agree, and in the absence of such agreement, in Akron, Ohio. The laws applicable to the arbitration procedure shall be the laws of the State of Ohio. The award of the arbitrator(s) shall be the sole remedy between the parties regarding any claims, counterclaims, issues presented or pled to the arbitrator(s). Cornwell reserves the right to obtain injunctive or other mandatory relief, including but not limited to replevin, from the act or omission of any activity prohibited or required by this agreement in any court having jurisdiction, when such act or omission will cause irreparable harm to Cornwell or is otherwise necessary to obtain possession of any or all of the Total Inventory upon Dealer's default.

(d) In the event that this agreement, or any part of it is found to be governed by the law of any other state and/or to be unenforceable, any part found to be unenforceable shall be severed and the agreement given effect according to the intent of the parties, to the fullest extent permitted by law.

(e) This agreement may only be modified by a writing signed by all of the parties hereto and shall not be effective until accepted by Cornwell in Ohio.

17. Notice and Service of Process. Any notice required to be given under this Order, Note and Security Agreement, or service of process for the purposes of arbitration or litigation of issues arising out of it, shall be given to Cornwell at 667 Seville Road, Wadsworth, Ohio 44281 and to First Dealer and Second Dealer, if applicable, at the address or addresses last provided by them to Cornwell. Service on Cornwell, First Dealer, or Second Dealer shall conclusively be deemed to have been completed for all purposes if made by regular U.S. mail or any other usual and reliable form of delivery to the address last given. The parties will continue to have the obligation to notify one another of any change of address during and after the termination of this Order, Note and Security Agreement, if they wish to be assured of the receipt of notices and service of process, and they expressly waive any objection to notice provided or service made to the last address they have given.

## CALIFORNIA APPENDIX

This Appendix to Cornwell's Dealer Franchise Agreement ("the Agreement") is made and entered into on the same date as the Agreement and provides as follows:

The Agreement is governed by California law and is supplemented, amended and modified as set forth below:

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

Section 31125 of the Franchise Investment Law requires us to give to you a Disclosure Document approved by the Commissioner of Corporations before we ask you to consider a material modification of your franchise agreement.

We add the following paragraphs:

Item 3: Neither Cornwell, nor any person identified in Item 2 above, is subject to any currently effective injunctive or restrictive order or decree relating to the franchise, or any federal, state or Canadian franchise, securities, anti-trust, trade regulation, or trade practice law as the result of a concluded or pending action or proceeding brought by a public agency, or any currently effective order of any national securities association or national securities exchange (as defined in the Securities and Exchange Act of 1934, 15 U.S.C. § 78a, et seq.) suspending or expelling such person from membership in such association or exchange.

Item 10: Cornwell will comply with all laws governing any direct financing offered by Cornwell, including, if applicable, the California Finance Lenders Law.

Item 17: California Business & Professions Code § 20000 through 20043 provides rights to the franchisee concerning termination or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control. In particular, you should note the following most pertinent parts of the Code provisions:

"Good cause," for the purpose of authorizing termination of the Franchise Agreement prior to the end of its term means your failure to substantially comply with the lawful requirements imposed upon you by the Franchise Agreement after being given notice and a reasonable opportunity to cure the failure. Notice shall be given at least 60 days in advance and you will have a reasonable opportunity to cure any non-monetary failure in no less than 60 days from the date of the notice of noncompliance. However, your failure for a period of 5 days after notification of noncompliance to cure a monetary failure or for a period of 10 days to comply with any federal, state or local laws or regulations including, but not limited to, all health, safety, building and labor laws or regulations applicable to operation of the franchise shall constitute grounds for immediate termination of the franchise agreement by Cornwell.

Upon the lawful termination of the franchise, Cornwell will compensate you, at the value of price paid minus depreciation, for all inventory, supplies, equipment, fixtures, and furnishings purchased or paid for by you from Cornwell or its approved suppliers and

sources under the terms of the Franchise Agreement or any ancillary or collateral agreement, that are, at the time of the notice of termination your possession or used in the franchise business, with exceptions specified by law.

You may sell or transfer the franchise, or all or substantially all of the assets of the franchise business, or a controlling or non-controlling interest of the business, to another person, provided that certain conditions are met, including that: a) the person is qualified under Cornwell's then-existing standards for approval of new or renewing franchisees; b) the standards are made available to you and are consistently applied to similarly situated franchisees; and c) you and the buyer comply with the transfer conditions specified in the Franchise Agreement. However, you shall not have the right to sell, transfer, or assign the franchise without the written consent of Cornwell, except that consent shall not be withheld unless the buyer, transferee, or assignor does not meet the standards for new franchisees or does not comply with the transfer conditions specified in the Franchise Agreement.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C. § 101, et seq.)

The Franchise Agreement requires binding arbitration. The arbitration will occur at the location that you and Cornwell agree, or, in the absence of any agreement, in Akron, Ohio. Each party shall pay its own costs and expenses, including reasonable attorney's fees incurred by it; provided, however, any costs incident to enforcing the award, shall to the maximum extent permitted by the law, be charged against the party resisting the enforcement. This provision may not be enforceable under California law.

The Franchise Agreement requires application of the laws of the State of Ohio. This provision may not be enforceable under California law.

Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

We may not refuse to grant a franchise or provide financial assistance, based on certain characteristics of a franchisee or the composition of the neighborhood of the prospective franchise. These characteristics include sex, race, color, religion, ancestry, national origin, disability, medical condition, genetic information, marital status, sexual orientation, citizenship, primary language, or immigration status.

We must notify you of the approval or disapproval of an application within 60 days. We are prohibited from disclaiming or denying representations made to you, or reliance by you on any representations as provided. These include, without limitation, the following:

- (a) Representations made by us or our personnel or agents to you.
- (b) Reliance by you on any representations made by us or our personnel or agents.

(c) Reliance by you on the franchise disclosure document, including any exhibit thereto.

We are prohibited from requiring you to waive any of the protections of the California Franchise Relations Act. Upon the termination or nonrenewal of your franchise, we may only offset the amount owed to you with amounts owed by you if you agree to the amount owed or if we have a judgment for that amount. We are prohibited from modifying a franchise agreement or requiring a general release in exchange for the assistance related to a declared state or federal emergency.

Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document are subject to state law. ~~the areas of termination and renewal of your franchise.~~

**3. Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site shall be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

**4. General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided in RCW 19.100.220(2). ~~Provisions such as those which unreasonably restrict or limit the statute of~~

~~limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial may not be enforceable.~~

5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.

8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).

10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).

11. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgement may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.

12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorney's fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.

**14. Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.

**15. Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

**16. Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**17. Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

**18. Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a "franchise broker" is defined as a person that engages in the business of the offer or sale of franchisees. ## CORNWELL TECH-CREDIT FINANCE PLAN Dealer Credit Assignment Agreement

This Agreement is made this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_, between Cornwell Tech-Credit (“Assignee”), a division of Cornwell Quality Tools Company (“Cornwell”) and [Entity Name, if applicable] \_\_\_\_\_ and [First Individual Name] \_\_\_\_\_ of [Residence street address], \_\_\_\_\_, [City] \_\_\_\_\_, [State] \_\_\_\_\_, [Zip] \_\_\_\_\_, and (if applicable) [Second Individual Name] \_\_\_\_\_, his or her spouse or person in a similar legal relationship, as individual owners of the franchised dealership if it is an entity and in all events as active partners in the operation of the franchised dealership (individually and/or collectively referred to as “Dealer”).

WHEREAS, Dealer is a franchised independent Cornwell Dealer engaging in the sale of Cornwell’s automotive tools, equipment and other products (“Equipment”) to the professional mechanic and technician, pursuant to a Dealer Franchise Agreement (“Franchise Agreement”); and

WHEREAS, the Assignee is willing to provide financing for the sale of certain Equipment by Dealer to Dealer’s credit-worthy customers, provided Dealer complies with the Terms and Conditions contained within this Dealer Credit Assignment Agreement (“this Agreement”).

NOW, the parties agree to the following:

1. If Dealer wishes Assignee to finance a purchase of Equipment by one of Dealer’s customers (“Borrowers”), Dealer will submit to Assignee such documents as Assignee may request relating to the proposed sale (“Application Documents”). The Application Documents will include without limitation a Master Contract & Security Agreement and Cornwell Tech-Credit Purchase and Security Agreement and Sales Slip (“Sales Slip”) in substantially the form included in the Tech-Credit Operation Manual. Assignee shall have the sole discretion to determine whether

or not to finance any purchase and nothing herein shall be construed as obligating Assignee to finance any purchase.

2. Assignee shall communicate its decision to Dealer concerning the request to finance within a reasonable time. Dealer shall then obtain and execute such further documentation as Assignee shall require completing the transaction. Without limitation, such documentation shall provide for the assignment to Assignee of the right to collection of the net amount payable from Borrower to Dealer, representing the time purchase balance due for the purchase of the Equipment ("Obligation").
3. The amount to be credited to the Dealer's Cornwell account by Assignee with respect to the purchase being financed will be subject to a discount as determined by Assignee in its sole discretion, which shall be communicated to Dealer at the time of the approval of the transaction.
4. The amount to be credited will be calculated as a discount from the net cash price charged by Dealer to Borrower (principal amount of new sale net of any trade-in, down payment and sales tax charge). Criteria for determining the discount will be disclosed in the Cornwell Tech-Credit Operation Manual ("Manual") for Dealer's information, but such criteria shall be solely for Assignee's internal use and shall not affect Assignee's discretion to determine the discount offered with respect to any particular transaction. Within 24 hours of acceptance of the document evidencing Borrower's obligation to pay Dealer, with Dealer's executed assignment, the Assignee will credit Dealer's open account with Cornwell and Cornwell will send a confirming document to Dealer.
5. The Dealer shall at all times comply with the policies and procedures that are outlined in the Manual, which shall be considered a part of this Agreement. The policies and procedures may from time to time be modified by the Assignee in its sole discretion, except that the Dealer will be notified at least thirty (30) days in advance of any change in the Manual.
6. The Dealer will act as the primary collecting agent of Assignee. The Dealer will collect payments as requested by Assignee from any person indebted on its Obligation to Assignee who is employed or has a place of business within the Dealer's territory, regardless of whether the Dealer has sold Equipment to the Borrower or not. The Dealer will remit all monies to Assignee promptly upon collecting them and in any case not longer than ten (10) days from when they are collected. For administrative ease, Assignee will supply the Dealer a report that the Dealer can use to summarize the collections for each customer.
7. Dealer agrees to repossess Equipment located in Dealer's territory for Assignee's benefit, upon Assignee's request, at Dealer's sole cost and expense, unless Assignee gives its prior written consent to Dealer that it will pay some or all of the

cost and expense. Further, the Dealer agrees to purchase Equipment from the Assignee at fair market value (to be agreed upon by the district manager and the Dealer), less a discount of thirty percent (30%) or such other discount as may be established by Assignee from time to time and set forth in the Manual.

8. Dealer agrees to abide by all laws of the jurisdictions in which Dealer is operating the dealership and all provisions of Dealer's agreements with Cornwell. This includes, but is not limited to, never breaching the peace when attempting repossession, never violating the stay when a customer is under the protection of the bankruptcy laws, and never harassing, threatening, assaulting or intimidating a Borrower. The Dealer agrees to always act in a professional and business-like manner.
9. Dealer agrees that upon termination of this Agreement by Cornwell, Dealer will accept the reassignment by Assignee to Dealer of all Borrower Obligations previously purchased during the sixty (60) day period immediately prior to termination of this Agreement, except those Obligations which Assignee agrees in writing to retain. Notwithstanding the preceding provision, Dealer agrees that upon termination of this Agreement because Dealer terminates Dealer's Franchise Agreement or this Agreement, Dealer will accept the reassignment by Assignee to Dealer of all Borrower Obligations previously purchased during the ninety (90) day period immediately prior to Dealer's giving notice of termination of the Franchise Agreement or of this Agreement, whichever is earlier, except those Obligations which Assignee agrees in writing to retain. Dealer agrees to accept such assignment without recourse, setoff or deduction and authorizes Assignee to debit Dealer's open account with Cornwell in the amount equal to the amounts due on the reassigned Obligations.
10. Dealer agrees upon notice of the termination of the Franchise Agreement with Cornwell, whether such notice is given by Dealer or Cornwell, Dealer will provide all reasonable assistance to Assignee in arranging for the orderly collection thereafter by Assignee of Obligations not being reassigned to Dealer under the provisions of subparagraph 8 above. Such assistance shall include but not be limited to the verification of outstanding balances on Dealer's Borrower Obligations prior to the settlement of all Dealer's own accounts with Cornwell (i.e. DSA, open account).
11. Assignee's acceptance of Obligations shall be subject to the following terms and conditions:
  - a. If any documents submitted or assigned to Assignee pursuant to this Agreement are later reasonably claimed by Assignee to be, in whole or part, altered, modified, forged or not genuine, accurate or in compliance with the Terms and Conditions of this Agreement in any respect, the Obligations evidenced by such documents shall be immediately reassigned by

Assignee to Dealer. Dealer hereby agrees to accept such reassignment, without recourse, setoff or deduction of any kind and agrees to pay Cornwell

the full amount to the Borrower's balance that is outstanding at all times of the reassignment. Dealer agrees that Assignee may charge Dealer's open account with Cornwell in the amount of such balance and that Assignee may pursue any other available remedy at law or in equity to recover such balance, with interest at the rate provided in the Obligation documents to have been paid by Borrower and Assignee's reasonable costs of collection.

- b. Upon failure of the Dealer to collect payments or to remit payments or other funds within ten (10) days of collection, as required in paragraph 6 above, Dealer authorizes Assignee and Cornwell to charge Dealer's open account with Cornwell in the amount equal to the amount not collected or collected but not remitted and to pursue any other available remedy at law or in equity to recover such amount not collected or collected but not remitted, with interest at the highest rate allowed by law and Assignee's reasonable costs of collection.
- c. Assignee reserves the right to require that Dealer obtain and perfect a security interest in any Equipment sold to a Borrower, as a condition of acceptance of the assignment of Borrower's Obligation. In the event such a security interest is created, Dealer agrees to assign such interest in full to Assignee and Dealer shall not release any such security interest, without prior written consent of the Assignee. Further, Dealer shall not release or substitute any Equipment described in the documents without the prior written consent of the Assignee. Any of these actions by the Dealer may result in the reassignment of the Obligation to Dealer and the exercise of Assignee's rights described above in connection with such reassignment, as well as any other remedies provided for in this Agreement or available to Assignee or Cornwell at law or in equity.
- d. Assignee reserves the right to suspend the Dealer, either temporarily or permanently, from using the Cornwell Tech-Credit Financing Plan, if Dealer violates any of the terms and provisions of this Agreement, or Dealer's Franchise Agreement with Cornwell or the Manual. At Assignee's sole option, Assignee may notify Dealer of the violations which have occurred and give the Dealer the opportunity to cure the violations according to a schedule established by Assignee. Assignee may establish collection and charge off maximums for all Dealers, which shall be provided for the information of Dealers in the Manual. If Dealer exceeds the average charge offs / delinquency maximums, Assignee may suspend the Dealer from using the Plan, either temporarily or permanently. At Assignee's sole option, Assignee may notify Dealer that Assignee intends to suspend Dealer from participation in the Plan pursuant to the provisions of this paragraph and to

give Dealer the opportunity to improve collections and charge offs according to a schedule established by Assignee.

12. Dealer hereby agrees that the following warranties and representations shall apply to every purchase from Dealer financed by Assignee, without further documentation. Dealer shall indemnify Assignee against any loss arising from a breach of any of the warranties or inaccuracy of any of the representations.
- a. The Obligations not have been offered previously to any other financial institution or other entity for purchase or as collateral against advances.
  - b. All Application Documents and other Obligation documentation executed by Borrower and Dealer shall be genuine, valid and complete, and Dealer and Borrower shall have signed such documentation in good faith, with the legal capacity to do so and not in contravention of any law, judgment, ruling, undertaking or other prohibition which would cause Borrower or Dealer not to be obligated according to the stated terms of the documentation, or to be unable legally to perform the obligations created by the documentation.
  - c. Borrower shall be the same individual as the person represented on the Application Documents and other Obligation documentation and shall have signed the Master Contract & Security Agreement.
  - d. Each CTC Sale Slip and other item of Obligation documentation shall accurately and completely evidence a bona fide sale transaction according to its terms. Without limitation, this shall mean that all Equipment described shall have been delivered and the Sale Slip completed accurately prior to its being signed by Borrower. The individual signing the Sale Slip and other documentation shall have been the same person who has signed the Master Contract & Security Agreement.
  - e. There shall be no other agreement, oral or written, between the Dealer and Borrower, which would impair the obligations evidenced by the documents being submitted.
  - f. The Dealer will not change or modify the terms of any of the documents without the prior written consent of the Assignee.
  - g. The sale of the Equipment to be financed shall only be for commercial use by the Borrower, to be used by the Borrower primarily in the Borrower's trade or occupation. The Equipment shall not be intended for personal, family or household use.
  - h. All Equipment sold by the Dealer through financing by Assignee shall have been purchased from Cornwell. No other product from sources other than

Cornwell may be financed on the Cornwell Tech-Credit Finance Plan, without prior written consent from Assignee.

- i. The Dealer shall have timely paid any taxes (including but not limited to sales tax) that Dealer's jurisdiction may require pertaining to the transaction.
  - j. Dealer shall have complied in all respects with every requirement of law and with all agreements between Dealer and Cornwell and Dealer and Assignee with respect to the transaction.
13. Notwithstanding any other provisions of this Agreement and in addition to any other rights of suspension or termination, which are described, Dealer, Assignee or Cornwell may terminate this Agreement at any time upon thirty (30) days written notice, with or without cause. Unless otherwise provided in this Agreement, such termination shall not affect the respective rights and obligations of the parties as to the Obligations acquired by Assignee from Dealer, including but not limited to Assignee's right to reassign Obligations to Dealer prior to termination and Dealer's indemnification of Assignee, which rights and obligations shall survive following termination.
  14. This Agreement contains the entire understanding of the parties with respect to the provision of financing by Assignee and shall only be amended or modified in writing and signed by both parties. None of the provisions of this Agreement shall be deemed in any way to limit such rights as the parties may have by statute or at law or in equity against one another, and any such remedies provided for in this Agreement shall be in addition to and not exclusive of any other remedy available by statute or under principles of common law or equity and such remedies may be exercised by the party(s) consecutively or concurrently and such exercises shall not be deemed to waive any other rights or remedies which may be available to a party.
  15. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, successors and assigns, provided however, the Agreement shall not be assigned by the Dealer without prior written consent of the Assignee. Assignee reserves the right in its sole discretion and without Dealer's consent to re-assign (sell) Obligations to third parties that will collect them for their own benefit, whether or not the Obligations are then in default.
  16. This Agreement shall be governed by and construed in accordance with the laws of the State of Ohio.
  17. Any provision of this agreement at variance with the laws of any State or Territory in which it is or becomes operative, or of the United States shall be deemed modified to conform with such laws and the remaining provisions shall remain in effect.

18. Any claim or controversy in connection with, arising out of, or relating to the Agreement between Dealer and Assignee or Cornwell shall be settled by binding arbitration in accordance with the rules pertaining to commercial dispute arbitration then existing with the American Arbitration Association. Judgment upon the award rendered by the arbitrator(s) may be entered in any court having jurisdiction. Such arbitration shall take place in such locations as the parties mutually agree, and in the absence of such agreement, in Akron, Ohio. The laws applicable to the arbitration procedure shall be the laws of the State of Ohio. The award of the arbitrator(s) shall be the sole remedy between the parties regarding any claims, counterclaims, issues presented or pled to the arbitrator(s).

Cornwell and Assignee reserve the right to obtain injunctive relief from the act or omission of any activity prohibited or required by this Agreement in any court having jurisdiction, when such act or omission will cause irreparable harm to Cornwell or Assignee.

19. Any notice required to be given under this Agreement or service of process for the purposes of arbitration or litigation of issues arising out of it, shall be given to Assignee at 667 Seville Road, Wadsworth, Ohio 44281 and to First Dealer and Second Dealer, if applicable, at the address or addresses last provided by them to Cornwell. Service on Cornwell, Assignee, First Dealer, or Second Dealer shall conclusively be deemed to have been completed for all purposes if made by regular U.S. mail or any other usual and reliable form of delivery to the address last given. The parties will continue to have the obligation to notify one another of any change of address during and after the termination of this Agreement, if they wish to be assured of the receipt of notices and service of process, and they expressly waive any objection to notice provided or service made to the last address they have given.

IN WITNESS WHEREOF, the parties hereto caused this Agreement to be executed as of the date and year first written above.

In consideration of the mutual promises set forth, the Dealer and Cornwell agree as follows:

1. Cornwell will provide Dealer with an account within the Dealer Credit Account Program ("DCA") for Dealer to accumulate broken tool credits and/or incentive credits throughout the year.
2. Funds can be used at any time throughout the year. Any unused funds on April 1<sup>st</sup> of each year will automatically be credited to dealer's open account. The process then automatically restarts.

HARDWARE, FIRMWARE, SOFTWARE LICENSE AND SUBLICENSE,

(END USER LICENSE AGREEMENT)

The Cornwell Quality Tools Company ("Cornwell") agrees to provide to:

[Entity Name, if applicable] \_\_\_\_\_ and [First Individual Name] \_\_\_\_\_ of [Residence street address] \_\_\_\_\_, [City] \_\_\_\_\_, [State] \_\_\_\_\_, [Zip] \_\_\_\_\_, and (if applicable) [Second Individual Name] \_\_\_\_\_, his or her spouse or person in a similar legal relationship, as individual owners of the franchised dealership if it is an entity and in all events as active partners in the operation of the franchised dealership (individually and/or collectively referred to as, "Dealer") and the Dealer agrees to acquire from Cornwell the following:

- (1) License to one copy of the applications software system known as the Cornwell Ironman Business Network ("IBN Software") consisting of computer programs and associated documentation, subject to the terms and conditions set forth in this Agreement ("the License Agreement");
- (2) One laptop computer ("Computer"), one bar code/driver's license scanner ("Scanner") and one signature pad ("Pad") (together "the Hardware");
- (3) One sublicense ("Sublicense") of other software and firmware pre-loaded into the Hardware (together, "Other Software").

Cornwell and the Dealer are parties to a Dealer Franchise Agreement dated as of \_\_\_\_\_, 20\_\_\_\_ (the "Franchise Agreement"). The terms of this License Agreement and the Franchise Agreement are incorporated into one another. If the Franchise Agreement exists prior to this License Agreement, it is deemed amended to include this License Agreement. In the event of a conflict between the two, the terms of this License Agreement shall prevail.

**1. LICENSE OF IBN SOFTWARE; PERMITTED USE AND COPYING.**

Cornwell grants a limited, nonexclusive license to the Dealer to use the IBN Software only for the operation of the Dealer's Cornwell dealership. Cornwell will provide the IBN Software and its documentation to the Dealer upon order of the IBN Software by the Dealer. The IBN Software shall always remain exclusively the property of Cornwell.

All title, including but not limited to copyrights, in and to the IBN Software and any copies of it are and shall remain owned exclusively by Cornwell. The Dealer may not sublicense, assign, sell, transfer or dispose of any part of the IBN Software, or any copies of the IBN Software, to any person or entity. The Dealer may not reverse engineer, decompile, or disassemble the IBN Software. The Dealer agrees that the IBN Software will be used only in connection with the operation of the Dealer's Cornwell dealership, and will not be used for any other purposes. The Dealer may make a reasonable number of backup copies of the IBN Software only for the purpose of operating the dealership.

All rights not expressly granted in the IBN Software by this License Agreement are reserved by Cornwell.

## 2. SALE OF HARDWARE

Cornwell will sell the Hardware to the Dealer for the operation of the Dealer's Cornwell dealership. The Hardware is sold to the Dealer for business purposes only and personal use is prohibited. The Dealer shall not use any other Hardware on the Dealer's truck in connection with the dealership, except Replacement Hardware described below.

The Hardware will be sold to the Dealer at Cornwell's cost, estimated to be \$3,500.00. Cornwell will credit the Dealer's open account in the amount of \$1,500.00 as an offset against the purchase price of the Hardware. The Dealer understands that Cornwell will issue an IRS Form 1099 to the Dealer for the amount of the credit. The Dealer further understands and agrees that the Dealer must acquire a compatible DeskJet printer (LaserJet recommended) and internet connection card and service at the Dealer's own cost, as set forth in Section 6 below.

Cornwell will at any time the Dealer's Franchise Agreement is in effect replace any or all of the Hardware at the Dealer's request ("Replacement Hardware"). The Replacement Hardware will be sold to the Dealer at Cornwell's cost, but no offsetting credit will be provided unless separately agreed.

## 3. SUBLICENSE OF OTHER SOFTWARE; PERMITTED USE AND COPYING.

Cornwell grants a limited, nonexclusive sublicense to the Dealer to use the Other Software with the Hardware only for the operation of the Dealer's Cornwell dealership. Cornwell warrants that it has a license to the Other Software and has the right to grant this sublicense to the Other Software. The Other Software is provided to the Dealer for business purposes only and personal use is prohibited. The Dealer shall not use any other software with the Hardware. Cornwell will provide the Other Software and its documentation with the Hardware to the Dealer upon order of the IBN Software by the Dealer. The license to the Other Software shall always remain exclusively the property of Cornwell.

The Dealer may not further sublicense, assign, sell, transfer or dispose of any part of the Other Software, or any copies of the Other Software, to any person or entity. The Dealer may not reverse engineer, decompile, or disassemble the Other Software. The Dealer agrees that the Other Software will be used for the operation of the Dealer's Cornwell dealership, and will not be used for any other purposes. The Dealer may make a reasonable number of backup copies of the Other Software only for the purpose of operating the dealership and as the documentation to the Other Software permits.

As set forth below, no payment will be required to be made by the Dealer for the Other Software. All rights not expressly granted to the Dealer as to Cornwell's license in the Other Software by this License Agreement are reserved by Cornwell.

#### 4. CHARGES AND PAYMENT TERMS.

The initial startup fee for the IBN Software is \$100.00. The current monthly maintenance and support fee is \$50.00. Such fee is subject to change by Cornwell from time to time. There will also be a one-time \$175.00 license fee for Credit Card Processing Software that interfaces with the IBN Software.

#### 5. TERM.

This Agreement will remain in effect while the Franchise Agreement is in effect, unless terminated by either party in accordance with the terms of this Agreement. This Agreement will terminate upon the termination of the Franchise Agreement. Upon termination of this Agreement, the Dealer shall permit Cornwell to remove the IBN Software from the Hardware.

#### 6. OTHER SYSTEM HARDWARE and INTERNET CONNECTIVITY.

Dealer agrees to obtain and maintain high speed Internet access via a standalone Network Access Device from a mobile wireless broadband carrier, to be able to communicate electronically with Cornwell.

Additionally, the Dealer agrees to purchase or lease a DeskJet printer compatible with the Hardware and IBN Software (LaserJet recommended) and to ensure reliable wireless connectivity to the Internet via an internal wireless card or a vendor-supplied wireless card.

It is the Dealer's responsibility to handle all equipment hardware/warranty issues other than for the Hardware and Other Software directly with the equipment vendor or manufacturer. Cornwell is not responsible for other hardware reliability or service.

The Dealer is responsible for acquiring and maintaining an Internet email account and must promptly notify Cornwell's Customer Service Department of any changes. This account must be established prior to attending the New Dealer Training. The Dealer is further responsible for entering the shop, customer, tax rates and other data needed to run the IBN Software.

## 7. CORNWELL'S MAINTENANCE AND SUPPORT RESPONSIBILITIES.

The Dealer agrees to obtain maintenance and support for the IBN Software, Hardware and Other Software only from Cornwell.

Cornwell will make on-call support available to the Dealer twenty-four (24) hours per day, seven (7) days per week. All notices of errors or malfunctions must be clearly stated by telephone or in writing by the Dealer and must provide details sufficient to diagnose or reproduce such errors. Cornwell will make a reasonable effort to respond within an industry-customary time, targeted to be two (2) hours for calls received between 8:00AM and 7:00PM E.T. Monday thru Friday or four (4) hours or less for calls received during all other time periods.

If the Dealer notifies Cornwell of a suspected error in the IBN Software, Cornwell will use all reasonable efforts to confirm the existence of and correct such reproducible error by exercising standard test programs and taking necessary corrective actions. If, in analyzing a suspected error in the IBN Software at the Dealer's request, Cornwell determines that no error exists in the IBN Software program logic and/or documentation, and/or if the program malfunction is due to the Dealer's alteration of the IBN Software, and/or if the Dealer is using hardware other than the Hardware or if the Hardware is infected with viruses, worms and/or spyware of any nature, Cornwell will proceed with further efforts to diagnose and correct the malfunction only if the Dealer agrees to pay Cornwell for its time and efforts at Cornwell's then-current rates. The current rate is \$150.00/hour.

Cornwell will from time to time review the IBN Software for improved functionality and operating efficiency. Cornwell will, based on its own judgment, make such improvements and enhancements to the IBN Software from time to time as it deems appropriate. Cornwell will provide such updated software and documentation to the Dealer. Cornwell will also provide to the Dealer, as updates under the terms of this Agreement, any program logic and documentation changes made by Cornwell to correct any proven reproducible errors in the IBN Software which cause the IBN Software to deviate materially from the specifications for that system.

Any changes to IBN Software or its program logic or documentation made by Cornwell under the terms of this Agreement will be downloaded to the Dealer on the Internet.

To ensure performance and software compatibility, the use of the Hardware and Other Software must be restricted to the Dealer's Cornwell business-related functions. For example, the Hardware shall not be used to browse the Internet for personal use, it should not be used for gaming, and other third-party software shall not be loaded and executed on the Hardware.

If either the Hardware or the Other Software fail to perform properly, the Dealer shall promptly notify Cornwell and Cornwell will within a reasonable time take those steps that

it determines in its sole discretion are appropriate, which may or may not include replacing or repairing the Hardware or Other Software. No charge will be made to the Dealer for maintenance and support related to the Hardware or Other Software, except as set forth above and elsewhere in this Agreement.

## 9. LIMITED WARRANTY.

a. SOFTWARE. Cornwell hereby warrants the IBN Software for a period of ninety (90) days from the time of shipment to materially conform to the specifications described in the documentation in the shipment. Within the warranty period, if the Dealer finds that the IBN Software does not materially conform to the specifications, the Dealer will promptly provide Cornwell with sufficient documentation of such nonconformity such that Cornwell can reproduce and verify the same. Cornwell will, within a reasonable time, upon its confirmation of the nonconformity, provide the Dealer with either instructions for correcting the nonconformity or an updated copy of the IBN Software that is free of the nonconformity.

In the event that Cornwell is unable to accomplish any of the above, it will accept a return of the nonconforming IBN Software and fully refund to the Dealer the license fee paid. The foregoing will constitute Cornwell's sole obligation, and the Dealer's sole remedy, for breach of warranty. Cornwell's warranty is conditioned upon the installation by the Dealer of any and all updates to the IBN Software provided to the Dealer by Cornwell and the Dealer's compliance with the terms of this License Agreement.

Because Cornwell retains ownership of the license to the Other Software that is sublicensed by this Agreement, no warranties are extended to the Dealer by Cornwell as to the Other Software.

b. HARDWARE. Cornwell will extend the Hardware manufacturers' warranties to the Dealer. In addition, Cornwell will warrant for three (3) years of date of delivery of the Hardware that the Hardware will be fit for its intended purposes in the operation of the Dealer's Cornwell dealership. Cornwell may repair or replace unfit Hardware in its sole discretion, at no cost to the Dealer. Cornwell agrees to provide the Dealer temporary replacement Hardware (with IBN Software and Other Software) by overnight delivery while the Dealer's Hardware is in Cornwell's possession on a warranty claim.

This warranty shall not be effective if the Hardware is rendered unfit by damage occurring to it that is not the fault of Cornwell. The Dealer must obtain any desired insurance coverage for such damage to the Hardware. Service, repair and replacement of such damaged Hardware will be provided by Cornwell at the Dealer's cost.

EXCEPT FOR THE EXPRESS LIMITED WARRANTY SET FORTH ABOVE, CORNWELL HEREBY DISCLAIMS AND DEALER HEREBY EXPRESSLY WAIVES, ANY AND ALL OTHER EXPRESS WARRANTIES AND REPRESENTATIONS OF ANY KIND OR NATURE. UPON THE EXPIRATION OF THE EXPRESS LIMITED WARRANTY PERIOD SET FORTH ABOVE, CORNWELL DISCLAIMS, AND DEALER

HEREBY EXPRESSLY WAIVES, ANY AND ALL IMPLIED WARRANTIES, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY OTHER PARTICULAR PURPOSE THAN THE ONE SET FORTH AS TO THE HARDWARE IN THIS AGREEMENT.

CORNWELL DOES NOT WARRANT THAT USE OF THE IBN SOFTWARE WILL CAUSE THE DEALER'S BUSINESS TO IMPROVE, TO SUCCEED, OR TO PERFORM AT ANY PARTICULAR LEVEL.

IN NO EVENT WILL CORNWELL BE LIABLE TO DEALER FOR ANY SPECIAL, INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, INCLUDING LOST PROFITS OR LOST SAVINGS, IN ANY WAY ARISING OUT OF OR RELATING TO THIS LICENSE AGREEMENT, WHETHER IN CONTRACT OR IN TORT.

CORNWELL MAKES NO WARRANTIES WHATSOEVER AS TO THE OTHER SOFTWARE AND THE DEALER TAKES THE SUBLICENSE TO THE OTHER SOFTWARE AS-IS.

#### 10. CONFIDENTIALITY.

The Dealer will not disclose the IBN Software to any person other than other persons who have need to use the IBN Software in connection with the operation of the Dealer's Cornwell dealership. The Dealer will not alter or remove any ownership, trademark or copyright notices from the IBN Software or any associated documentation.

#### 11. DEFAULT; TERMINATION.

Either party will have the right to terminate this License Agreement upon the same terms that the Franchise Agreement may be terminated. This License Agreement will also terminate immediately and automatically upon the termination of the Franchise Agreement. In addition, this License Agreement and the licenses and sublicense granted by it may be terminated by Cornwell on not less than (30) days' written notice if Dealer defaults in the payment or performance of his obligations under this License Agreement. Such default will also be a material breach of the Franchise Agreement and may lead to termination of the dealership.

Dealer shall have 30 days to cure default caused by failure to pay as agreed. Cornwell may agree to waive any default, in its sole discretion. No action or failure to act on the part of Cornwell shall operate as a waiver or otherwise of the subsequent right to terminate this License Agreement, unless expressly so stated in writing.

In the event of termination of the License Agreement, the Dealer will immediately cease using the IBN Software and the Other Software and will immediately return to Cornwell all copies of the IBN Software and the Other Software and documentation related to them in the Dealer's possession or under the Dealer's control. No refund of any fees paid by

the Dealer pursuant to this License Agreement will be owed by Cornwell to the Dealer in the event of the termination of this License Agreement.

Cornwell reserves the right to all legal and equitable remedies if the IBN Software or Other Software are not returned, including but not limited to damages, injunctions and replevin. The Dealer shall pay all of Cornwell's costs and expenses, including but not limited to attorney fees and expert expenses, if Cornwell must pursue such remedies.

## 12. MISCELLANEOUS.

This License Agreement will be governed by, and construed and enforced in accordance with the laws of the State of Ohio. If any provision will be held invalid or unenforceable, such provision will be severable from the License Agreement and will not be construed to have any effect on the remaining provisions.

## 13. DISPUTE RESOLUTION.

Any claim or controversy in connection with, arising out of, or relating to this License Agreement between Dealer and Cornwell shall be settled by binding arbitration in accordance with the rules pertaining to commercial dispute arbitration then existing with the American Arbitration Association. Judgment upon the award rendered by the arbitrator(s) may be entered in any court having jurisdiction. Such arbitration shall take place in such locations as the parties mutually agree, and in the absence of such agreement, in Akron, Ohio. The laws applicable to the arbitration procedure shall be the laws of the State of Ohio. The award of the arbitrator(s) shall be the sole remedy between the parties regarding any claims, counterclaims, issues presented or pled to the arbitrator(s).

Cornwell reserves the right to obtain injunctive relief from the act or omission of any activity prohibited or required by this License Agreement in any court having jurisdiction, when such act or omission will cause irreparable harm to Cornwell, or replevin to obtain possession of any property.

## 14. NOTICE.

Any notice required to be given under this License Agreement or service of process for the purposes of arbitration or litigation of issues arising out of it, shall be given to Cornwell at 667 Seville Road, Wadsworth, Ohio 44281 and to First Dealer and Second Dealer, if applicable, at the address or addresses last provided by them to Cornwell. Service on Cornwell, First Dealer, or Second Dealer shall conclusively be deemed to have been completed for all purposes if made by regular U.S. mail or any other usual and reliable form of delivery to the address last given. The parties will continue to have the obligation to notify one another of any change of address during and after the termination of this License Agreement, if they wish to be assured of the receipt of notices and service of process, and they expressly waive any objection to notice provided or service made to the last address they have given.
