How to Use This Franchise Disclosure Document

Here are some questions you may be asking about buying a franchise and tips on how to find more information:

QUESTION	WHERE TO FIND INFORMATION
How much can I earn?	Item 19 may give you information about outlet sales, costs, profits or losses. You should also try to obtain this information from others, like current and former franchisees. You can find their names and contact information in Item 20 or Exhibits F and G.
How much will I need to invest?	Items 5 and 6 list fees you will be paying to the franchisor or at the franchisor’s direction. Item 7 lists the initial investment to open. Item 8 describes the suppliers you must use.
Does the franchisor have the financial ability to provide support to my business?	Item 21 or Exhibit H includes financial statements. Review these statements carefully.
Is the franchise system stable, growing, or shrinking?	Item 20 summarizes the recent history of the number of company-owned and franchised outlets.
Will my business be the only Pizza Hut business in my area?	Item 12 and the “territory” provisions in the franchise agreement describe whether the franchisor and other franchisees can compete with you.
Does the franchisor have a troubled legal history?	Items 3 and 4 tell you whether the franchisor or its management have been involved in material litigation or bankruptcy proceedings.
What’s it like to be a Pizza Hut franchisee?	Item 20 or Exhibits F and G lists current and former franchisees. You can contact them to ask about their experiences.

What else should I know?

These questions are only a few things you should look for. Review all 23 Items and all Exhibits in this disclosure document to better understand this franchise opportunity. See the table of contents.

What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution**. The location franchise agreement requires you to resolve disputes with the franchisor by mediation only in Plano, Texas or by litigation only in Collin County, Texas (or the city or county where our principal place of business is then located). Out-of-state litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate and/or litigate with the franchisor in Collin County, Texas (or where we then have our principal place of business) than in your own state.
2. **Territory**. You will not be granted any exclusive territory.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

MICHIGAN NOTICE

The State of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you:

- (a) A prohibition against you joining an association of franchisees.
- (b) A requirement that you assent to a release, assignment, novation, waiver, or estoppel which would deprive you of rights and protections provided under the Michigan Franchise Investment Law. This does not preclude you, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits us to terminate your franchise prior to the expiration of its term except for good cause. Good cause includes your failure to comply with any lawful provision of the Franchise Agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits us to refuse to renew your franchise without fairly compensating you by repurchase or other means, for the fair market value at the time of expiration, of your inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to us and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This provision applies only if:
 - (i) The term of the franchise is less than five years; and
 - (ii) You are prohibited by the Franchise Agreement or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise, or if you do not receive at least six months advance notice of our intent not to renew the franchise.
- (e) A provision that permits us to refuse to renew the franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This provision does not require a renewal provision in the Franchise Agreement or other agreement.
- (f) A provision requiring that arbitration or litigation be conducted outside of Michigan. This does not preclude you from entering into an agreement, at the time of the arbitration, to conduct arbitration at a location outside of Michigan.
- (g) A provision which permits us to refuse to permit a transfer of ownership of the franchise, except for good cause. This provision does not prevent us from exercising a right of first refusal to purchase the franchise. Good cause includes, but is not limited to:
 - (i) The failure of the proposed transferee to meet our then-current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of ours.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
 - (iv) The failure of the franchisee or proposed transferee to pay any sums owing to us or to cure any default in the Franchise Agreement existing at the time of the proposed transfer.
- (h) A provision that requires you to resell to us items that are not uniquely identified with the franchisor. This does not prohibit a provision that grants us a right of first refusal to purchase the

assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does it prohibit a provision that grants us the right to acquire the assets of a franchise for the market or appraised value of such assets if you have breached the lawful provisions of the Franchise Agreement and have failed to cure the breach in the manner provided in (c), above.

(i) A provision which permits us to directly or indirectly convey, assign, or otherwise transfer our obligations to fulfill contractual obligations to you unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the Attorney General does not constitute approval, recommendation, or endorsement by the Attorney General.

Any questions concerning this notice should be directed to the Michigan Department of Attorney General, Consumer Protection Division, Franchise Unit, 525 W. Ottawa Street, G. Mennen Williams Building, 1st Floor, Lansing, Michigan 48913; 517-373-7117.

THE LICENSOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

The Licensor and its Parents and Predecessors

The licensor is Pizza Hut, LLC, a Delaware limited liability company (“PHLLC”, “we”, “us”, or “our”). “You” means the corporation, limited liability company, partnership or other entity that buys the license, as well as the entity’s owners, as applicable.

PHLLC conducts business under the name “Pizza Hut.” Its principal address is 7100 Corporate Drive, Plano, Texas 75024. The identity and principal business addresses of its agents for service of process in the franchise registration states are listed in Exhibit B. PHLLC’s predecessor is Pizza Hut, Inc. (“PHI”). References to “we”, “us” or “our” may include our predecessor. PHI was originally incorporated as “Pizza Hut of San Diego, Inc.” in 1967 and changed its name on September 25, 1997. PHI offered and sold franchises in the United States until on or about May 20, 2016, when PHI merged into PHLLC. Following the merger, PHLLC became the franchisor of Pizza Hut restaurants in the United States and acquired all domestic Pizza Hut franchise, license and development agreements and substantially all of PHI’s assets, including its intellectual property.

PHLLC’s direct parent company is Pizza Hut Guarantor, LLC (“PH Guarantor”), a Delaware limited liability company formed on November 30, 2016. PHLLC’s indirect parent company is Pizza Hut Holdings, LLC (“PH Holdings”), a Delaware limited liability company formed on March 30, 2016. The principal address of PH Guarantor and PH Holdings is 7100 Corporate Drive, Plano, Texas 75024.

PHLLC’s ultimate parent is YUM! Brands, Inc. (“YUM”). YUM’s offices are located at 1441 Gardiner Lane, Louisville, Kentucky 40213.

We and certain current and former affiliates have operated Pizza Hut Restaurants in the United States since 1958 and have offered franchises for Pizza Hut Restaurants in the United States since 1959. Company-owned Pizza Hut Express restaurants have been operated since 1987. We do not directly operate any non-traditional sites, but in the past our subsidiaries have operated a limited number of non-traditional sites (primarily concession stands). Since 1989, we and our predecessors have offered licenses to third parties to sell Pizza Hut pizza and other products from kiosks, concession stands, and other concepts in non-traditional channels of distribution. During the past 10 years, we have not directly offered franchises in any other line of business.

A total of 49 52 traditional restaurants were operated by 78 franchisees and 409 non-traditional restaurants were operated by 87 licensees. ⁽¹⁾

(1) The number of restaurants that an affiliate operates or franchises includes multi-brand restaurants at which more than one brand is operated.

We also have a number of affiliates that offer franchises, including Pizza Hut franchises, in foreign countries, as well as affiliates that provide certain products and services to franchisees who are located and do business in these foreign countries. Unless otherwise stated, the information in this disclosure document does not include the international operations or franchising of Pizza Hut franchises.

PHLLC’s Business and the License Offered

We operate (directly and/or through our subsidiaries and affiliates) and offer franchises for single-purpose Pizza Hut restaurants, which offer various combinations of dine-in, carryout, and delivery services. We also offer licenses to sell Pizza Hut pizza and related products at non-traditional locations. In most cases, Pizza Hut licensees already operate businesses in non-traditional channels and are incorporating the licensed Pizza Hut concept into those existing businesses, instead of operating it as a stand-alone operation. The parties may agree to a development schedule for the development of multiple licensed locations by a deadline to be set forth in the Master License Agreement.

We distinguish between our “franchisees”, who operate traditional Pizza Hut restaurants under a franchising program that is described in a separate disclosure document, and our “licensees”, who are granted rights under the Pizza Hut Express licensing program described in this disclosure document. Although we use the term “licensee” and Master License Agreement throughout this disclosure document, we are offering franchises under this disclosure document, and franchise laws apply to the relationship between us and our “licensees.”

You will sign a Master License Agreement (Exhibit C) and one or more Schedules to that Agreement (Exhibits D-1 through D-3) which grant you a license to use our recipes and

trademarks to produce and sell Pizza Hut pizza and, in some cases, related products ("Licensed Products"). This is an ancillary business conducted within a non-restaurant facility ("Licensed Location"). The Master License Agreement describes the general licensing relationship, and the Schedules describe the specifics that apply to your Licensed Location.

If the Licensed Location is located in the territory of a Pizza Hut franchisee who holds a territorial franchise agreement, that franchisee may have to consent to the operation of the licensed concept at the Licensed Location. If it does, you must sign a Franchise Location Addendum to the appropriate Schedule (Exhibit D-4). The Franchise Location Addendum modifies only the Schedule for the Licensed Location in the affected franchisee's territory and describes certain limitations as a result of operating the franchisee's territory.

We currently offer a number of different non-traditional food distribution outlets ("Licensed Concepts"), depending (among other factors) on the nature of the proposed location, the identity of the proposed licensee, and the nature and quantity of other existing or proposed foodservice operations at the proposed location. The Licensed Concepts include: Pizza Hut Mini Kitchen; Pizza Hut Kiosk; Pizza Hut Retail Counter; and Pizza Hut Retail Counter with ~~Seating; and the Pizza Hut Express Full Kitchen with Seating~~Dining.

The Licensed Concepts are characterized by a proprietary system that consists of special recipes, seasonings, and menu items; distinctive design, decor, color scheme, and furnishings; standards, specifications, and procedures for operations; procedures for quality control; training and assistance programs; and advertising and promotional programs (the "System"). Trademarks, service marks, slogans, logos, and emblems that we authorize for use (the "Marks" or the "Pizza Hut Marks") identify the Licensed Concepts.

Each Licensed Concept involves the preparation of a limited menu of Licensed Products, typically including pizza, breadsticks, melts and beverages, and self-service or counter-service sales. Depending on the Licensed Concept, Licensed Products may also include pasta, sandwiches, wings, salads, breakfast items and various side items. In some circumstances, licensees also may offer the WingStreet Express menu which includes various chicken wings and related items. The Licensed Products that you are authorized to sell will be identified in the applicable Schedule and may be modified by changes to the Manual for the Licensed Concept. You must sell all Licensed Products identified in your Schedule. For product testing, as a limited time offer, or for other business reasons, we may also approve or designate additional food and beverage items to be offered from specific Licensed Locations or within specific distribution channels that may or may not encompass all Licensed Locations for a particular Licensed Concept ("Specially Licensed Products"). If we designate or approve the offer and sale of a Specially Licensed Product at one or more of your Licensed Locations, we may direct that part or all of your Marketing Fee be spent to promote the Specially Licensed Product.

A Licensed Concept may include ovens, a hot-hold merchandiser, and a cut table, where pizzas can be prepared, baked, cut, boxed, and displayed. Licensed Concepts are typically located in a larger foodservice facility (like a cafeteria or food court) or other type of facility (like a convenience or grocery retail businesses). The Pizza Hut Mini Kitchen is designed to allow an existing foodservice operation at a convenience store, hotel or resort to add branded Licensed Products to its existing product mix. Pizza Hut Mini Kitchens typically involve the sale of Licensed Product from designated hot-hold carts, shared food merchandizing counters, lounges, general-purpose restaurants, in-house catering and room service. Pizza Hut Kiosks are designed for high traffic areas from mass merchandisers to institutional feeders who operate facilities that serve a wide range of food offerings in airports, retail malls, educational institutions, and grocery stores. Pizza Hut Kiosks typically involve the preparation and self-service / counter-service of a limited menu of Licensed Products. Pizza Hut Retail Counters are typically in-line concepts also designed for high traffic areas from mass merchandisers to institutional feeders who operate facilities that serve a wide range of food offerings in airports,

retail malls, educational institutions, grocery stores, and stadium and arena concession stands. The section of the foodservice facility dedicated to and designated as the Pizza Hut Retail Counter is identified by Pizza Hut trade dress. Pizza Hut Retail Counters with [Seating Dining](#) are typically similar to the Pizza Hut Retail concept with the addition of ~~dedicated Pizza Hut seating. Pizza Hut Full Kitchen with Seating are often located within large scale dine-in facilities such as airports and military bases. Pizza Hut Full Kitchens with Seating generally involve the preparation and counter service / full service sale of a full menu of Licensed Products, sometimes including~~ dedicated Pizza Hut seating. Delivery is not generally allowed from any of the Licensed Concepts except selected military bases and hotels and resorts (but only if the hotel or resort customers are already being serviced by the facility's centralized food service operation, and the hotel or resort is not already being serviced by an existing full service Pizza Hut restaurant). However, we reserve the right to require you to (i) offer delivery services for the Licensed Products from the Licensed Locations within an area surrounding the Licensed Locations reasonably designated by us or (ii) use the delivery services of an aggregator to deliver the Licensed Products from the Licensed Locations within an area surrounding the Licensed Locations reasonably designated by us.

Previous offers may have included different licensed concepts and the current Licensed Concepts may have been on terms different from those described in this disclosure document, and we may in the future enter into arrangements on substantially different terms and conditions for Pizza Hut concepts at locations that are different in their character from those at which the Licensed Concepts are generally operated. These may include, without limitation, (a) locations in foreign countries, (b) certain airport, food service and hotel locations not realistically accessible to you and which, in certain cases, are operated under an agreement with a contract feeder, (c) certain sports arenas, and (d) private sector food service locations controlled by the operator or owner.

We also may periodically grant licenses to operate or distribute Licensed Products through special distribution outlets. These include licenses for distribution at airports, universities, and at motor fuel or other retail outlets. These special arrangements may require special agreements or modifications to our standard form Master License Agreement. Our agreement to these modifications may be based upon the licensee's business experience, control and accounting systems, financial resources, or rights to provide food service to the locations in question, among other things. We do not represent that modified terms will be granted to any prospective licensee.

We will require your principals or affiliates to sign an Agreement and Guaranty (Exhibit C to the Master License Agreement) to jointly and severally guarantee all of your obligations, covenants and agreements under the Master License Agreement.

Competition and Regulation

The market for pizza and other Licensed Products sold by the Licensed Concepts is generally developed. However, the Licensed Concepts operate in venues where ready-to-eat branded pizza has not traditionally been sold and, in that sense, the market for ready-to-eat branded pizza in these venues is developing. In addition, the customers may be in the facility for a primary purpose other than purchasing pizza (for example, employees in an office building or fans at a sporting event).

Competition includes other food offerings in the same facility (for example, Pizza Hut Retail Counters will compete with other operations at the same stadium or arena, which sell items like hot dogs and nachos) as well as other dining opportunities away from the facility (for example, freestanding restaurants).

A variety of regulations, laws, and ordinances govern the operation of a food service business. Examples include laws relating to the sale of alcoholic beverages, health and

sanitation codes, state and local codes and ordinances covering the discharge of waste and emissions; laws, rules and regulations concerning menu item names and product labeling; laws, rules and regulations requiring nutritional information on menus, menu boards and products; laws, rules and regulations concerning nutritional claims; and the Americans with Disabilities Act of 1990 ("ADA") governing public accommodations. There may be other laws applicable to your Licensed Location and we urge you to make further inquiries about these laws. You must comply with all local, state, and federal laws and regulations in the operation of your Licensed Location. In addition, the laws, rules and regulations which apply to businesses in general will affect you. Consult your lawyer about all these laws, rules and regulations.

LITIGATION

~~Pizza Hut, LLC, as successor-in-interest to Pizza Hut, Inc. v. Ronak Foods, LLC, et al. (United States District Court for the Eastern District of Texas, Cause No. 5:21-cv-89; United States Court of Appeals for the Fifth Circuit, Nos. 22-40555 and 23-40047). Plaintiff Pizza Hut, LLC ("PHLLC") filed this action against Defendants JNP Foods, LLC, Ronak Foods, LLC, Pandya Restaurants, LLC, and Jignesh N. Pandya, individually, (collectively "Defendants") on October 4, 2019. The case proceeded to a five-day bench trial beginning March 28, 2022. At trial, PHLLC's live claims included the following: breach of the parties' franchise agreements and related personal guaranties, breach of the parties' forbearance agreement, breach of the parties' transfer agreement, failure to perform restaurant de-identification, violations of the Lanham Act, and attorneys' fees. Defendants' live counterclaims included fraud, fraud in the inducement, tortious interference with prospective business relations, defamation, and breach of~~

~~the parties' transfer agreement. Intervenor Ronak Capital, LLC ("Intervenor") also alleged breach of the parties' transfer agreement. Defendants sought between \$46-53 million in damages, and Intervenor sought \$2 million in damages. Following trial, PHLLC prevailed on all of its claims while the claims asserted by Defendants and Intervenor were unsuccessful and denied. Under the final judgment, PHLLC was awarded approximately \$6.7 million in damages, plus attorneys' fees and injunctive relief ordering Defendants to perform restaurant de-identification. The district court later entered an order on the amount of attorneys' fees, awarding approximately \$4.4 million to PHLLC in fees and costs. Defendants and Intervenor appealed the final judgment (the "Merits Appeal"). Defendants and Intervenor also filed a separate notice of appeal challenging the attorneys' fees awarded to PHLLC (the "Attorneys' Fees Appeal"). The Fifth Circuit stayed the Attorneys' Fees Appeal pending the outcome of the Merits Appeal. On August 22, 2023, after full briefing and oral argument, the Fifth Circuit issued an opinion and judgment in the Merits Appeal affirming the final judgment in favor of PHLLC. The Fifth Circuit subsequently lifted the stay in the Attorneys' Fees Appeal; however, Defendants and Intervenor did not file an opening brief and consequently, the Fifth Circuit dismissed the Attorneys' Fees Appeal on December 21, 2023. PHLLC believes that Defendants and Intervenor have exhausted all available options to contest the judgment in favor of PHLLC.~~

ITEM 5

INITIAL FEES

Initial License Fee

The initial license fee is specified in the applicable Schedule and is \$5,000, unless you are authorized to offer medium-sized or larger pizzas, in which case the initial license fee is \$10,000 to \$20,000, depending on the license term and the Licensed Concept. We will determine whether you are allowed to sell medium-sized or larger pizzas based on criteria which include (among others) the location of your Licensed Concept in relation to company-owned or franchised Pizza Hut restaurants. The decision to allow you to sell medium-sized or larger pizzas, and under what terms, is entirely in our discretion. You must pay us the initial license fee with the signed Schedule to the Master License Agreement prior to opening. We reserve the right to increase the initial license fee annually consistent with the rate of inflation. The "rate of inflation" means the percent increase in the "CPI" from the time of the last fee increase ("CPI" means the Consumer Price Index For All Urban Consumers (CPI-U) - - All Items (1982-1984 equals 100) for the United States published by the Bureau of Labor Statistics of the U.S. Department of Labor).

In certain situations, we may adjust the initial license fee in exchange for a higher or lower ~~m~~Monthly license fee rate. ~~Our predecessor occasionally reduced the initial license fee to zero in exchange for a monthly license fee rate in excess of 10%, or increased the initial license fee to \$10,000 in exchange for a monthly license fee rate below 10%~~Service Fee rate. We reserve the right to adjust the initial license fee ~~in a similar manner~~or the Monthly Service Fee on a case by case basis. In addition, to provide development incentives for an increased number of locations within a specified time, we may periodically negotiate incentive programs for a particular Licensed Concept, typically involving a reduction to or rebate of some or all of the initial fee or ~~m~~Monthly licenseService fFee. We also may negotiate lower initial fees where we determine a variation to the standard fee is appropriate due to special or unusual circumstances. The initial fee is not refundable under any circumstances.

Annual Marketing Fee

~~Before opening, you must pay us your first Marketing Fee payment, with each subsequent payment billed annually. The annual marketing fee is \$1,500. In return for the Marketing Fee, we will provide you marketing materials designed for the Licensed Concept. The Marketing Fee is uniform within the same type of Licensed Concept and is not refundable.~~

If the Licensed Location is located in the territory of a Pizza Hut franchisee who holds a territorial franchise agreement, you must sign a Franchise Location Addendum to the appropriate Schedule and pay a monthly license fee in the amount of 10% of Gross Sales.~~

The percentage for (b) will equal the same percentage of total beverage sales from the Licensed Location as all Gross Sales (excluding beverages) bears to total food sales from the Licensed location. Gross Sales does not include customer refunds, over rings, coupon discounts or discounts to your employees directly engaged in the production or service of Pizza Hut products. If the sale of the Licensed Products are subsidized (for example, by an employer) or are priced together in a package with other items, you and we will negotiate a proper calculation of Gross Sales.

Notes:

* None of the amounts shown in the tables are refundable except as described in note 3.

¹ Licensed Concepts are not intended to operate as stand-alone operations; they are intended to function within a larger facility (such as an airport, stadium, convention center, retail center, educational institution, hotel or resort owned and/or operated by the licensee). In many instances, payment for space within these facilities will be based upon a negotiated percentage of sales, rather than on a set amount. In other instances there will be no real estate cost, as the licensee is being paid a fee to provide a service. You are responsible for obtaining your own real estate.

We estimate that Pizza Hut Mini Kitchens require approximately ~~50~~100 to 150 square feet; Pizza Hut Kiosks require approximately ~~150~~200 to ~~325~~400 square feet, not including seating; Pizza Hut Retail Counters and Pizza Hut Retail Counters with ~~Seating~~Dining require ~~approximately 225 to 575 square feet;~~ ~~Pizza Hut Full Kitchens with Seating~~ require approximately 350 to 900 square feet, not including seating. These space requirements do not include required cooler/freezer, dish wash space, dry storage or prep area. If the Licensed Concept carries the full WingStreet Express menu, an additional 50 to 75 square feet may be required.

² Subject to credit requirements, some vendors may allow payment 30 days after the invoice date.

³ Each Licensed Concept requires concept-approved conveyor ovens with hoods, and proofing equipment, refrigeration and freezer, make-table, worktables, dry storage shelving, ~~PHLLC Express Lic Loc FDD 2023~~

pizza pans and separators, ~~and~~ in some instances a hot-hold unit and one compartment sink, and interior signage. All equipment and smallwares must meet our requirements, and must be obtained from approved suppliers. Payments to vendors generally are not refundable, except for improperly ordered or unused items, for which the original purchase price (net of shipping, handling, and restocking costs) may be refunded upon return of the items. We do not control these policies.

⁴ ~~The Equipment and Smallwares costs include only the cost of interior signage.~~ You may wish to post additional directional signage in the building as well as exterior mounted signage. Posting signage in airports, stadiums, arenas, convention centers, and other locations may require renting advertising space or on entering into a sponsorship or advertising agreement with the owner or primary tenant of the facility. The cost of these arrangements is likely to vary considerably, depending upon facility size, annual traffic or attendance, and other factors. These additional costs (if any) are not included. You may not display signage that contains the Marks and which is visible from outside the Licensed Location without our advance written consent.

⁵ The work necessary to prepare a site for opening a Licensed Concept will vary, depending in large part upon the previous use of the site, its existing condition and, in the case of a Pizza Hut Mini Kitchen, upon the other equipment in, and configuration of, the existing kitchen. Estimates shown are limited to costs of installing equipment and construction/remodeling.

⁶ Inventory must be obtained from approved suppliers. Payment terms will vary.

⁷ This is an estimate of your initial start-up expenses, taking into account that a Licensed Location is essentially a cash business. These funds consist of working capital, pre-opening expenses (including lodging, meals, and travel for you or the unit manager to attend our training program), initial employee wages, insurance premiums, licenses, permit costs, recruitment, and other variable costs (such as initial utility bills, paper products, and cleaning and other supplies). ~~These figures are estimates, and we cannot guarantee that you will not have additional expenses starting the business.~~

⁸ Amounts paid to third party suppliers will be established by those suppliers and may be subject to change.

⁹ ~~You may not display signage that contains the Marks and which is visible from outside the Licensed Location without our advance written consent.~~

⁴⁰⁹ Licensees that offer the WingStreet Express menu may incur additional costs for equipment and smallwares.

We have relied on the more than 60 years' experience we and our predecessor's and affiliates' ~~years of experience with non-traditional concepts~~ have in the Pizza Hut business to compile these estimates. You should review these figures carefully with a business advisor before you decide to purchase the license. The Licensed Concepts vary considerably in form, size, and design. Consequently, it is difficult to estimate a prospective unit's development costs. The initial investment required will vary greatly, depending upon a number of factors, such as the type of Licensed Concept, the proposed location of the Licensed Concept, and the existing operations in the same facility (and whether the equipment being used in those existing operations is suitable for use in the Licensed Concept). For example, the initial investment for a Pizza Hut Mini Kitchen may be lower, due to: the ability to share equipment with the remainder of the ~~hotel's~~ kitchen; the generally lower cost of necessary remodeling; and the limited investment required for customer-accessible areas.

We do not currently offer financing directly or indirectly for any part of the initial investment. Your ability to obtain financing will depend on a number of factors, such as the general availability of financing, your credit worthiness, collateral you may have, and lending policies of

ITEM 8

RESTRICTIONS ON SOURCES

Purchases from Approved Suppliers

You must buy all food supplies, ingredients, packaging, and equipment, as well as any other item used in the construction and operation of a Licensed Location (including a point-of-sale system and computer systems upon our request), from suppliers we have approved. Many of the ingredients and food supplies used in the operation of a Licensed Location were developed specifically for us and are proprietary (like our spice blend) and available only from our approved suppliers. Although we generally try to have more than one approved supplier for every item that is not currently possible for some items. You may not use any item bearing the trademark "Pizza Hut" or any of our other marks without our advance written approval. All items and suppliers must conform to our standards as they then exist. Neither we nor any of our affiliates is currently an approved supplier or the only approved supplier of any product or service that you are required to purchase or lease.

Approval/Disapproval of Products and Suppliers

We have established quality standards and/or specifications for the food, paper goods, packaging, point-of-sale materials, signs, equipment, smallwares, fixtures and other goods and supplies used in the operation of the Licensed Locations. We publish lists of approved brands and approved suppliers (including manufacturers, producers and distributors), which are regularly updated and distributed to all licensees. You may only purchase approved products from or through approved suppliers. If you wish to purchase any unapproved product or if you wish to purchase any product from or through an unapproved supplier, you may request that we approve a new brand or supplier at your own cost by submitting to us a written request for approval. We will consider all requests and will try to advise you of our decision in writing within 45 days after receipt of the fully documented request. We may request that our representatives be permitted to inspect the supplier's facilities and that samples of the product be delivered, at our option, either to us or to an independent, certified laboratory designated by us for testing. We also may, at our option, re-inspect the facilities and products of any approved supplier at any time, and may revoke approval upon the supplier's failure to continue to meet any of our criteria. You must reimburse (or make arrangements for the supplier to reimburse) us for all costs associated with inspecting and re-inspecting any supplier you propose, and all costs of testing or retesting samples of their products. We are not required to approve any such product or supplier.

~~No~~Except for some of our officers who have ownership interests in YUM, no officer of PHLLC owns an interest in any approved supplier. We do not provide you with any material benefits (such as granting additional licenses or franchises) based on your use of designated or approved sources.

Insurance

You must, at your sole expense, procure and maintain the insurance coverages required by the Master License Agreement and Brand Standards at all times during the term of the Master License Agreement and at all times during which your indemnification obligations under the Master License Agreement are in force. The insurance required by the Brand Standards may include Commercial General Liability Insurance (including coverage for Contractual Liability, Indemnification, Products Liability and Completed Operations), Worker's Compensation

Insurance, Professional or Errors and Omissions Liability, Technology/Cyber Liability Insurance, and Business Automobile Liability Insurance.

All insurance policies that you procure and maintain must: (i) be primary and non-contributory to any insurance policies maintained by us, with any such insurance carried by us considered excess; (ii) contain a waiver of subrogation in favor of us; (iii) name the indemnitees as additional named insureds; (iv) be obtained from reputable insurance companies with an A.M. Best rating of A or better and authorized to do business in all jurisdictions in which the Licensed Location is located. You must further make any and all contributions to government-administered insurance and other plans and programs in respect of its employees and businesses, as and when required by applicable law and will provide us with evidence of same upon request.

McLane

McLane Foodservice, Inc. ("McLane") is the principal distributor for the Pizza Hut system. RSCS (defined below) manages our relationship with McLane, and serves as the largest distributor for Pizza Hut concepts in the U.S. As a Pizza Hut system licensee, you would purchase from McLane most of the proprietary and non-proprietary food and restaurant supplies needed to operate a Licensed Location. RSCS negotiates the price and other purchase terms of most of the proprietary and non-proprietary items distributed and sold by McLane to the Pizza Hut system.

Pepsico Sales, Inc.

We have an agreement with Pepsico Sales, Inc. (a subsidiary of Pepsico, Inc.) ("Pepsi"), to serve only soft drinks licensed by Pepsi and/or by the Pepsi/Lipton Tea Partnership through December 31, 2026 (the "Pepsi Agreement"). If you elect to participate in the sale of Pepsi products, you may be required to sign a joinder agreement.

Mastercard

Currently, Mastercard pays our affiliate, Yum Restaurant Service Group, LLC ("YRSG") an annual rebate based on the amount of payment processing fees paid on certain qualifying transactions at Pizza Hut restaurants accepting Mastercard cards. During the fiscal year ended December 30, 2024, YRSG received approximately \$74,000 from Mastercard as a result of Pizza Hut franchisees' and licensees' qualified transactions. That rebate amount was credited to franchisees and licensees pro rata on a per restaurant basis for all Pizza Hut traditional and non-traditional restaurants open as of October 24, 2024.

Benefits to PHLLC and Revenue

Neither we nor our affiliates derive revenue from selling or leasing any required products or services directly to licensees.

Other than limited benefits under the Pepsi Agreement which are based on aggregate Pizza Hut system-wide purchases under such contract, PHLLC does not directly derive revenue from approved suppliers as a result of their sales to you. PHLLC does not receive lower prices or discounts from suppliers because of purchases made by you through them. Restaurant Supply Chain Solutions, LLC ("RSCS") negotiates purchase arrangements with suppliers of some products periodically for the mutual benefit of PHLLC, its affiliates, subsidiaries, and all licensees and franchisees who buy through RSCS (see below for more detail).

Your required purchases from our approved suppliers or that are subject to our standards and specifications are estimated to be approximately 45% to 90% of the total expenses you will incur to establish and your Licensed Location and approximately 45% to 90% of the total expenses you will incur to operate your Licensed Location.

Restaurant Supply Chain Solutions, LLC and Pizza Hut Purchasing Co-op

Purchasing activities for food, packaging and equipment used in the Pizza Hut system are conducted primarily through ~~Restaurant Supply Chain Solutions, LLC (“RSCS”)~~, which is the exclusive purchasing agent for the Pizza Hut system in the United States. The members of RSCS are the Pizza Hut National Purchasing Coop, Inc. (as described below, the “Pizza Hut Purchasing Co-op” or “Co-op”) and similar purchasing co-ops of our affiliates and their franchisees: the KFC National Purchasing Co-op, Inc. and the Taco Bell National Purchasing Co-op, Inc. By contract, RSCS also provides purchasing programs and program management services for the A&W National Purchasing Co-op, Inc. Because RSCS is a shared resource organization, allocation costs and sourcing fees attributable to its members will increase if the contract with the A&W National Purchasing Co-op, Inc. is terminated. RSCS, the Pizza Hut Purchasing Co-op and other co-ops using RSCS’s services are organized under federal tax laws relating to entities operating on a cooperative basis. In accordance with those laws, each co-op has historically distributed substantially all of its net income not required for working capital or reserves to its members each year as a “patronage dividend.”

The Pizza Hut Purchasing Co-op was formed to allow us, our affiliates and franchisees and licensees to conduct a purchasing program through RSCS. RSCS and the Pizza Hut Purchasing Co-op are not affiliated with us and both are organized and operated independently.

The Pizza Hut Purchasing Co-op is governed by a Board of 8 voting members plus the President of RSCS, who is a non-voting ex officio member. Stockholder members who are franchisees/licensees elect 6 directors: 1 director is elected by franchisee/licensee members from each of 4 geographic regions and 2 at-large directors are elected by all franchisee/licensee members. We are a stockholder member of the Pizza Hut Purchasing Co-op and are entitled to elect 2 of the Co-op’s directors. Two directors of the Co-op representing the franchisee/licensee members are appointed annually as voting directors of the RSCS Board of Directors.

If you wish to join the Co-op, you must either (a) also be a Pizza Hut franchisee or (b) own and operate at least 25 Pizza Hut Licensed Locations. If you are a qualified Pizza Hut licensee (i.e., you own and operate at least 25 Licensed Locations) but are not also Pizza Hut franchisee, and you wish to join the Pizza Hut Purchasing Co-op, you must purchase 1 share of Membership Common Stock (currently, \$10) plus 1 share of Store Common Stock (currently, \$400 per share) for every two Pizza Hut Licensed Locations you own. You may not sell or transfer your Co-op shares to third parties, but if you later sell some or all of your Licensed Locations (or become ineligible for Co-op membership), the Co-op may redeem your shares of Store Common Stock at your original purchase price; and, if you become ineligible for membership, will redeem your share of Membership Common Stock for \$10.

Your membership in the Co-op makes you eligible to participate in RSCS’s purchasing programs. Under the Co-op’s Bylaws, you must purchase virtually all goods and equipment used in your Licensed Locations through the purchasing programs of the Pizza Hut Purchasing Co-op and RSCS. RSCS and the Pizza Hut Purchasing Co-op may collect sourcing fees directly or indirectly (from distributors or suppliers) from each stockholder member to fund the purchasing programs and services of RSCS and the Co-op.

We do not require you to join the Pizza Hut Purchasing Co-op. Subject to the limitations described below, you may purchase through RSCS and the Pizza Hut Purchasing Co-op as a non-member (in which case you will have no voting rights and will not be eligible to receive patronage dividends). The Co-op’s Bylaws require that the Co-op conduct 90% of the value of its business with its stockholder members, and the Co-op and RSCS may refuse to do business with Pizza Hut licensees who are not members of the Co-op.

For additional information about RSCS and the Pizza Hut Purchasing Co-op, contact Jill Quinn, RSCS’s ~~Sr. Director~~VP of Supply Chain of the Pizza Hut Purchasing Co-Op, 7100

FINANCING

Except as described below, we and our affiliates do not offer, directly or indirectly, any arrangements for financing your initial investment or the continuing operation of your Restaurants. We are unable to predict whether you will be able to obtain financing and, if you are able to obtain financing, we cannot predict the terms of the financing. Except as described in this Item 10, neither we nor YUM guarantees your note, lease or [other](#) obligation.

Yum Lending Assistance for Qualified Franchisee Applicants

YUM has entered into an arrangement with a third-party, LS BDC Adviser, LLC, an affiliate of Lafayette Square Holding Company, LLC (“Lender”), pursuant to which Lender (through one or more of its managed or advised funds) may provide financing to qualified franchisee applicants, including low-to moderate income individuals in underserved American communities. This arrangement is open to all eligible applicants regardless of race, color,

national origin, sex, disability, or age. Under such arrangement, we will refer franchisee candidates to Lender in its sole discretion and Lender will in good faith independently evaluate such candidates for one or more available credit products based on Lender's then prevailing underwriting guidelines. The credit products will be term loans (including delayed-draw term loans) and revolving loans. Lender will evaluate, underwrite, and approve candidates; however, as a further incentive to Lender to extend credit to franchisee candidates referred by YUM to Lender, YUM may, but is not obligated to, provide credit support in the form of limited guaranties. If YUM elects to provide credit support, then you, Lender, and YUM will sign a letter agreement in the form attached as Exhibit I in connection with which YUM will guaranty for the benefit of Lender up to 33% of the original principal or commitment amount of your franchised business loan (up to a maximum guaranty amount of \$5,000,000). It is not YUM's general practice or intent to sell or assign the letter agreement.

If you are offered and accept financing from Lender as described above, you are required to agree to the terms of such financing with Lender, including as relates to the amount of the loan, the interest rate, finance charges, the repayment term, and any prepayment terms. Under the franchisee financing arrangement with Lender, none of YUM, we, or any of our or their affiliates are entitled to receive, and do not receive, any fee or other consideration from Lender when it makes a loan to a franchisee. Further, Lender is not restricted under the arrangement from selling or assigning to an affiliate all or any part of any loan it makes to you.

Required Terms

- **The franchisee**[You](#) must notify YUM within three days if the loan is more than thirty days past due.
- In the event of a default under the loan, Lender may accelerate the obligation to pay the entire principal balance plus interest and costs (including attorneys' fees), and YUM (or its designee) will have the right, but not the obligation, to buy out any franchisee loan at any time for the then-outstanding principal balance of the loan plus the accrued interest and related fees.
- You are not required to make payments to YUM under the letter agreement unless YUM makes a payment to Lender under the guaranty, following which you must reimburse YUM for all payments made by YUM to Lender and all related costs and expenses incurred by YUM.
- You are not required to grant a security interest under [the](#) letter agreement but if YUM purchases the loan following an event of default any security interest granted to Lender will be transferred to YUM (or its designee).
- In the event of a default under the loan or letter agreement, we will have the right to terminate the Location Franchise Agreement, if executed.
- The guaranty signed by your owners in connection with the letter agreement provides for a waiver of diligence, presentment, demand, protest, and notice of non-payment, protest, and suit.

In addition to YUM's arrangement with Lender, YUM may, but is not obligated to, provide similar lending assistance to qualified franchisee applicants who receive financing from other lenders.

Before you open a Licensed Location we will:

(1) Provide Operational Training for two “Pizza Hut Champions” from each Licensed Location, before opening, at the Pizza Hut Express Training Center either virtually or in-person in Plano, Texas. A Pizza Hut Champion is a member of your management who will be working at your Licensed Location on its work schedule. Within 30 days before the opening of your Licensed Location, two Pizza Hut Champions must have attended and successfully completed the training program described below to our satisfaction. Prior to attending the Operational Training, each person must complete the eLearning curriculums applicable to the products offered at each Licensed Location. All applicable pre-requisites, including without limitation the applicable eLearning curriculums, must be completed by each person before such person may attend the Operational Training. If the location opening is delayed for more than 60 days past the training date, the two Pizza Hut Champions will need to attend training again prior to the location opening.

~~This~~The Operational Training for the Pizza Hut Champions is intended to provide practical training in the operation of the Licensed Concept and the preparation of Pizza Hut pizza and related products, as opposed to general training in restaurant management (Section 5.3). This training is designed to ~~"train the trainer" to~~ prepare the two Champions to train other management and crew. There is no cost for training two Pizza Hut Champions. There may be an additional cost to certify additional Pizza Hut Champions. For all training, you must pay your trainees’ expenses, including their salaries, travel, lodging, and all other expenses.

The Pizza Hut Champions certification is valid for 5 years from the date of certification. After 5 years, the individuals must again successfully complete the training program offered by us and must be re-certified by us as capable of functioning as a Pizza Hut Champion.

If we conduct on-site meetings, leadership development events, training or retraining of your employees at an existing Licensed Location, we may require you to pay our costs, including the cost of travel, meals and accommodations.

(2) Loan to you, at no additional cost, one set of the appropriate portions of the training elements applicable to your Licensed Concept(s) and digital access to our Manual (Express Library). We issue periodic updates and/or replacements for portions of the training elements. You must pay us for additional copies of the training elements applicable to your Licensed Concepts. The digital Manual is a collection of materials in which we set forth various standards and provide instructions for the operation of all Licensed Concepts. We will provide you the opportunity to view the training elements applicable to your Licensed Concepts before purchasing a license (Section [55.2](#)) and may require you to sign a Confidentiality Agreement (in the form of Exhibit E-2) before you view training elements.

(3) Provide names of suppliers and specifications relating to each of the Licensed Concepts. many factors, some of which are outside our or your control (such as competition, interest rates, unemployment rates, workforce availability, demographic trends, and the general economic climate), but many of which depend on your efforts and business acumen in operating and marketing the Licensed Location. We will also consider whether there is any PHLLC franchisee who holds a territorial franchise agreement that applies to the area in which the proposed site will be located and, if so, whether the franchisee will consent to operation of the Licensed Concept at the Licensed Location (see Item 12). We have the right to approve or disapprove your site selection; there is no contractual time limit for us to approve or disapprove a site. If you and we cannot agree on a site, you cannot build.

You must hire a registered architect and MEP engineer to complete construction documents, [including a site survey](#) that meet all federal, state, and local requirements, are in compliance with the System and Brand Standards, and are subject to our consent. Licensee may elect, at its sole option, to request prototype specifications and equipment cut sheets for the applicable Licensed Concept, provided by us at no cost to you (for subsequent locations). You must submit the final plans and specifications to us for review and approval in writing. You may also select a preapproved design partner, as set forth in the Brand Standards.

You must complete all build out and improvements specified in the final plans approved by us at least 10 days prior to the Commencement Date specified in the Schedule for each Licensed Location. Our authorization to open may be conditioned upon the following non-exclusive list of factors: your strict compliance with approved final plans and with the Brand Standards, the results of the pre-opening checklist, your and your employees' satisfactory completion of the required pre-opening training and eLearning curriculums, your completion of the build out of the Licensed Location to our satisfaction, and all equipment properly installed and functioning at the Licensed Location. You must open each Licensed Location for business (i) within ten 10 days after receipt of our written authorization to open and (ii) prior to or on the Commencement Date specified in the Schedule for each Licensed Location. [The typical length of time from signing the Master License Agreement and/or Schedule to opening your Licensed Location is approximately 3 to 6 months.](#)

If you do not enter into a Schedule for the first Licensed Location and open it for business within one year from the effective date of the Master License Agreement, then the Master License Agreement terminates without further notice. (Section 16.5)

Continuing Obligations

During your operation of the Licensed Concept, we:

- (1) Will continue to provide the services described above (except for purely pre-opening services).
- (2) May, periodically, obtain additional trademarks, service marks, patent rights, and copyrights. We may authorize you to use these rights in operating your Licensed Concept. (Section 3)
- (3) May develop new products and methods and provide you with information about developments. (Sections 7.12)
- (4) At your request and cost, will provide on-site retraining at an existing Licensed Location. (Section 5.3(d))
- (5) Provide periodic assistance and consultation in the proper operation of the Licensed Concept, as reasonably requested. We may establish fees for various services of this type that we make available. (Section ~~4.3~~[5.5](#))

Manual & Training Elements

We prepare a digital Manual (Express Library) in which we describe and set out standards for various aspects of the design and operation of Licensed Concepts. ~~We The Express Library may contain one or more separate manuals, as well as electronic files and software, information available on an internet site, and other media, communications, emails and/or other written materials we distribute. We may change the Express Library at any time. The Express Library will be made available to you during the term of your Master License Agreement. The Table of Contents of the Express Library is attached as Exhibit J. The Express Library has a total of 97 pages.~~

We will loan training elements applicable to your Licensed Concept(s) to you. We issue periodic updates and/or replacements for training elements. A reasonable fee, set by us in our sole discretion, will be charged to you for updates or modifications to the training elements. You must pay us for additional copies of training elements applicable to your Licensed Concept(s). You will be given the opportunity, at your request, to view the portions of the training elements applicable to your Licensed Concept(s) before you sign the Master License Agreement; we may require you to sign our form of Confidentiality Agreement, (Exhibit E-2) before we grant you access.

Advertising

We may periodically provide various channel-specific marketing ideas to you, designed specifically to enhance your Licensed Concept business. (Section 5.4) We may also require you to conduct online or digital advertising for the Licensed Locations or the Licensed Products. (Section 8.1) You may develop advertising materials for your own use, at your own cost. We must approve use of our Marks in all advertising, signage, and promotional materials. (Section ~~7.4~~8.1)

You must submit in writing, for each Licensed Location, all proposed advertising and marketing materials that contain any Marks or refer to any Licensed Product, to us for approval before each use. All advertising and marketing material content and placement must comply with standards we set. We must approve any proposed advertising or marketing materials in writing before use. We will try to respond within 5 business days. The submitted item is considered unapproved until we notify you of our approval. (Section 8.1)

Neither we nor you have any obligation to expend a specified amount of funds on advertising except that you must purchase certain point of purchase materials as described below and in Item 6 by paying us the Marketing Fee.

There is no contractual obligation for us to conduct any advertising. We occasionally provide for placement of national advertising on behalf of the entire Pizza Hut system, particularly franchisees.

We are bound by an agreement dated March 31, 1975 with the International Pizza Hut Franchise Holders Association ("IPHFHA"), concerning advertising for full service Pizza Hut restaurants (the "Advertising Committee Agreement"). Under the Advertising Committee Agreement, we and our franchisees contribute to a joint committee of PHLLC and the IPHFHA ("AdCom"). AdCom is the only advertising council in the Pizza Hut system and controls the marketing and advertising programs it conducts. However, you and other licensees will not be members of the IPHFHA. ~~We may use a portion of the monthly license fees you pay to develop and administer advertising, promotional, and marketing programs designed to promote and enhance the collective success of Pizza Hut products and services (including broadcast, print or other medium) or we may pay some or all of these funds to AdCom to create and place advertising.~~

You must pay us a Marketing Fee each year in an amount of \$1,500 per Licensed Location, in return for which we will provide you marketing materials designed for the Licensed Concept. The Marketing Fee will be uniform within the same type of Licensed Concept. The Marketing

Fee covers expenses we incur in providing materials designed for the Licensed Concept to you. If we designate or approve a Specially Licensed Product at one or more of your Licensed Locations, we may direct that part or all of your Marketing Fee be expended to promote the Specially Licensed Product.

Computer Systems

If we request, you must purchase from a supplier that we designate, install, and utilize the point-of-sale system and computer systems (including all ancillary and peripheral equipment and components and software) that we require, any or all of which may be upgraded, substituted, modified, changed or replaced from time to time. You must also enter into all license or other agreements necessary for you to obtain and maintain such systems. We can access the information stored in your computer systems, and there is no contractual limitation on our right to do so. Except as otherwise indicated, neither we nor our affiliates nor any third parties currently have any obligation to provide ongoing maintenance, repairs, upgrades or support for the computer systems unless you have made arrangements with them to do so, and we cannot estimate the cost of maintaining, updating or upgrading your computer system or its components as the cost will depend on your repair history, local costs of computer maintenance services in your area and technological advances. In the future, you may be required to purchase newly developed modes of computerization, as well as improvements to or modifications of, your computer systems.

You must maintain a secure technology infrastructure, including, without limitation, secure internet access and backoffice and store management functions which are in compliance with all laws, regulations and industry standards applicable to the protection of customer privacy and credit card information and which satisfy our requirements, which may change from time to time.

ITEM 12

TERRITORY

You will not receive an exclusive territory. You may face competition from other franchisees or licensees, from restaurants that we (or our affiliates) own, or from other channels of distribution or competitive brands that we or our affiliates control. Not only will you not receive an exclusive territory, you will not receive any right to exclude development of concepts owned, franchised or licensed by us or our affiliates. We and our franchisees, licensees, affiliates and subsidiaries may develop and operate, or we may franchise or license others to operate, any other business concepts at any locations and may use the Pizza Hut Marks or any other trademarks owned or developed by us in connection with those concepts, even if those other concepts sell products that are the same as, or similar to, Licensed Products. You will be granted a limited right to use our trademarks and recipes in the operation of a specified Licensed Concept at a specific Licensed Location. The specifics of the Licensed Location will be in a Schedule to the Master License Agreement and, if applicable, the Franchise Location Addendum to the Schedule. You may not relocate your Licensed Location under any conditions.

Our affiliates, KFCLLC, TBLLC, [and HBG](#) ~~and THR~~ currently are engaged in operating, franchising and licensing restaurants of various types under different trademarks. These competing restaurant concepts may already be established near or adjacent to your Licensed Location, or may be established there in the future. Although these restaurant concepts are competitive, to some extent, with Licensed Locations, some of them may compete more directly with your Licensed Location than others.

In the future, we and our affiliates may also acquire or develop additional restaurant businesses that use different trademarks and those restaurants may also be located near or adjacent to your Licensed Location. We have no system or method for resolving conflicts

between you and franchisees or licensees of these other existing (or potential) competing concepts.

Nothing in the Master License Agreement prohibits us, our affiliates and subsidiaries from selling the Licensed Products or other products and services within the market area of your Licensed Location(s) through any alternative channels of distribution, such as the internet/worldwide web and other forms of electronic commerce; "800" or similar toll-free telephone numbers; catalogs, telemarketing or other direct marketing sales; or, any other channel of distribution. You will be entitled to no compensation in connection with any of these sales.

You may sell Licensed Products only at the Licensed Location. You may not sell Licensed Products using alternative channels of distribution, such as the internet/worldwide web and other forms of electronic commerce; "800" or similar toll-free telephone numbers; catalogs, telemarketing or other direct marketing sales; or, any other channel of distribution other than sales from your Licensed Location.

If your Licensed Location is located in the territory of a PHLLC franchisee who holds a franchise agreement with territory rights and who has consented to operation of the Licensed Concept at the Licensed Location, you must sign a Franchise Location Addendum to the appropriate Schedule. The Franchise Location Addendum modifies only the Schedule for the Licensed Location in a PHLLC franchisee's territory and describes certain limits on advertising and you as a result of operating in a PHLLC franchisee's territory. In the event that any Licensed Location is within the exclusive territory of PHLLC franchisee, certain waivers may need to be obtained from such franchisee, in which case, you authorize us to discuss with and disclose the terms of the Master License Agreement to such PHLLC franchisee for purposes of obtaining such waivers.

You do not receive the right to acquire additional Licensed Locations. There is no minimum sales quota.

MASTER LICENSE AGREEMENT

WHEREAS, THIS MASTER LICENSE AGREEMENT is entered into between Pizza Hut, LLC, a Delaware limited liability company (“PHLLC”) and _____, a _____ (“Licensee”), as of _____ (“Effective Date”).

WHEREAS, PHLLC has developed a proprietary system (“System”) for opening and operating Express outlets specializing in the sale of Pizza Hut pizza, pasta, and other Italian food products as well as WingStreet-branded chicken products and side dishes, and other Licensed Products;

WHEREAS, PHLLC and its affiliates operate and grant their franchisees and licensees certain rights throughout the United States and in many foreign countries to operate these businesses under the name and mark “Pizza Hut”; and

WHEREAS, PHLLC and Licensee each desire that PHLLC authorize Licensee to use some of PHLLC’s trademarks to sell from specified locations a limited variety of food products that Licensee has prepared pursuant to PHLLC’s proprietary recipes, all as described in this Agreement and in the supplementary Schedules to this Agreement.

NOW, THEREFORE, in consideration of the mutual promises and agreements set forth in this Agreement, PHLLC and Licensee agree as follows:

1. DEFINITIONS.

For purposes of this Agreement, the following terms have the respective meanings given:

1.2 Anti-Terrorism Laws. “Anti-Terrorism Laws” is defined as any present or future federal, state and/or local law, rule, regulation and requirement of any government authority (including the United States Department of Treasury Office of Foreign Assets Control) addressing or in any way relating to terrorist acts and acts of war; Executive Order 13224 issued by the President of the United States; the U.S.A. 1.3 Average Monthly Fees. “Average Monthly Fees” means the sum of the Location Average Monthly Fees for each Licensed Location under this Agreement.

1.4 Brand Standards.

(a) “Brand Standards” means the standards promulgated by PHLLC for Express outlets (as may be amended, supplemented, or otherwise modified by PHLLC from time to time in its sole discretion) that are set forth in the Manual or otherwise communicated by PHLLC. Among other things, the Brand Standards set forth required ~~and suggested~~ standards, specifications, procedures and requirements for developing and operating each type of Licensed Concept; the Licensed Products and other food and beverage items, products, programs and services which the Licensed Locations are authorized and required to offer; preparing, offering, ordering and delivering Licensed Products and other food, beverage and related items; required technology; policies for the registration, use, content, or management of online presences, or other technology systems, solutions, or products; requirements pertaining to customer data; signs, trade dress and other Licensed Concept characteristics; sale, marketing, and promotional programs; staffing levels; days and hours of operation; methods of payment and currencies that your Licensed Locations may or must accept from customers; participation in market research and testing and product development programs; menus and pricing; bookkeeping, accounting,

[data processing and record keeping systems and forms; types, amounts, terms, and conditions of insurance coverage required for your Licensed Locations; participation in quality assurance and customer satisfaction programs;](#) and otherwise developing, establishing, equipping, managing and operating Licensed Locations. (b) PHLLC may from time to time add to, delete, or change the Brand Standards and Licensee must comply with any such Brand Standard additions, deletions or modifications. All now or hereafter established Brand Standards will remain PHLLC's exclusive property and subject to the confidentiality provisions of Article 12 of this Agreement. PHLLC has the sole authority to promulgate, interpret and enforce, as it deems necessary, all current or hereafter developed Brand Standards.

1.5 Brand Umbrella. The “Brand Umbrella” is the area of the Licensed Location that is associated with the Licensed Concept in such a way that it appears to the average consumer to be related to the Marks. As an example, and without limiting the generality of this definition, the full area under a canopy bearing one of the Marks is within the Brand Umbrella.

1.6 Commencement Date. With respect to each Licensed Location, the “Commencement Date” is the date the Licensed Location is open to the public for business.

1.7 Competitor. “Competitor” means: (i) any Person which derives more than 10% of its revenue individually or in the aggregate from the production or sale (at wholesale or retail) of any pizza, pasta or other food items similar to Licensed Products (including any chicken products or side dishes which now or in the future are sold under PHLLC's WingStreet name or mark), Mexican style food, ~~or~~ fried chicken, [or burgers](#); (ii) any Person which grants franchises or licenses to others to operate the types of businesses specified in clauses (i) or (iii); or, (iii) any Person which offers and sells any products or services which are confusingly similar to those offered and sold by the System.

1.9 Extraordinary Event. “Extraordinary Event” means a Force Majeure Event, a temporary closure of all or part of a Licensed Location, or other similar event that causes a temporary and extraordinary change in a Licensed Location's performance.

1.11 Gross Sales.

(a) Except as otherwise provided in this Section, “Gross Sales” means (i) the total of all cash or other payments received (including by check, credit, charge account, or otherwise) for the sale of any item that is (1) merchandised (i.e., displayed for sale) under the Brand Umbrella, or (2) identified by one or more of the Marks; and (ii) a proportionate amount of all cash or other payments received (including by check, credit, charge account, or otherwise) for beverages sold outside the Brand Umbrella but within the same facility as the Licensed Location. The proportion of beverage sales for which payment is due under clause (ii), above, will equal the same percentage of total beverage sales from the entire Licensed Location as all Gross Sales (excluding beverage sales) bears to total food sales from the entire Licensed Location. Gross Sales does not include customer refunds, over rings, coupon discounts or discounts to Licensee's employees.

(b) Gross Sales exclude only those taxes imposed directly on sales by governmental authorities when the amount of the tax is added to or absorbed in the selling price and is actually paid to the appropriate governmental authority.

(c) If prices of Licensed Products sold at the Licensed Location are subsidized (as, for example, from payments by a third party employer), or are not priced separately from a “package” price for Licensed Products and other items, the parties will negotiate a calculation of Gross Sales for the Licensed Products.

(b) In furtherance of product testing, as a limited time offer, or for other business reason, PHLLC may also approve or designate additional food items to be offered from specific Licensed Locations or within specific distribution channels that may or may not encompass all Licensed Locations within a particular Licensed Concept (“**Specially Licensed Products**”). If PHLLC does designate or approve a food item as a Specially Licensed Product at a Licensed Location operated hereunder, such Specially Licensed Product shall constitute a Licensed Product at such Licensed Location until such time as PHLLC withdraws such designation or approval. PHLLC’s designation or approval of a food item as a Specially Licensed Product shall be subject to the limitation on capital expenditures provided for in Section 6.5. If PHLLC designates or approves Licensee’s offering of a Specially Licensed Product at one or more of Licensee’s Licensed Locations, PHLLC may direct that part or all of Licensee’s Marketing Fee (as defined in Section 10.3) be expended to promote the Specially Licensed Product.

1.17 Location Average Monthly Fees. “**Location Average Monthly Fees**” means, with respect to each Licensed Location, the average Monthly [LicenseService](#) Fees and Marketing Fee payable for such Licensed Location during the immediately preceding 12 months (calculated using the Monthly [LicenseService](#) Fees specified in this Agreement and the Marketing Fee in effect at the time of termination, but without giving effect to any discounts or incentives); provided that, if PHLLC determines that such calculation does not fairly represent such Licensed Location’s stabilized performance due to an Extraordinary Event, “**Location Average Fees**” will mean the average Monthly [LicenseService](#) Fees and Marketing Fee payable for such Licensed Location during the immediately preceding 12 months during

~~2024-MLA~~

which an Extraordinary Event was not in effect, as determined by PHLLC (or, if fewer, the months since the Licensed Location has been operating as a Licensed Concept) (“Location Average Fees”); and (y) if such Licensed Location has not operated as a Licensed Concept for at least 12 months prior to termination, an amount equal to the greater of (a) the average monthly franchise fees and marketing fund contributions payable for the previous 12 months for all licensed Express outlets operating under the System, or (b) Location Average Fees during the period the Licensed Location was operating as a Licensed Concept.

1.18 Manual. The “**Manual**” is the confidential operations manual, which may consist of one or more sets of documents as may be supplemented or revised (from time to time), and disseminated by PHLLC, which contain Brand Standards and other mandatory and suggested standards, specifications, policies, procedures, and instructions for operating each of the Licensed Concepts. The Manual includes recipes for Licensed Products and various standards for their preparation, sale, presentation, and marketing; design standards for facilities; instructions on use of the Marks; and general standards of operations. The term also includes alternative or supplemental means of communicating information to Licensee, including website postings, emails, and letter.

1.19 Marks. “**Marks**” means all of the trademarks, trade names, dress, symbols, slogans, emblems, logos, insignia, designs, and any combination of them used from time to time by PHLLC and its licensees and franchisees in connection with the offer and sale of goods and services.

Consolidated Financial Sanctions; and (ii) any Person ordinarily resident, incorporated, or located in any country or territory subject to comprehensive U.S. or E.U. sanctions, or owned or controlled by, or acting on behalf of, the government of any such country or territory.

1.24 Schedule. “**Schedule**” means a document associated with this Agreement, pursuant to which PHLLC authorizes Licensee to operate a particular Licensed Concept at a particular Licensed Location, and in which any terms unique to the particular Licensed Concept or Licensed Location are contained. There may be more than one Schedule associated with this Agreement. Any inconsistency between this Agreement and the provisions in a Schedule will be controlled by the provisions of the Schedule with respect to the subject individual Licensed Location.

2. GRANT OF LICENSES.

2.1 Term and Renewal.

(a) **Initial Term.** With respect to each Licensed Location, “Initial Term” means the period beginning on the Commencement Date and ending on the 5th anniversary of the Commencement Date, unless this Agreement or the applicable Schedule is terminated sooner.

(b) **Renewal Conditions.** For each Licensed Location, Licensee shall have the right to obtain two consecutive successor renewal terms of 5 years each (each a “Renewal Term”), subject to satisfaction of the following conditions:

(i) Throughout the Initial Term or first Renewal Term, as applicable, and at the time of renewal Licensee must have timely performed all of its obligations and been, according to PHLLC’s business judgment, in compliance with the terms of this Agreement (including being in good standing under the same at the time of renewal), the Brand Standards and other agreements between Licensee and PHLLC or its affiliates;

(ii) At the time of renewal Licensee must be current on the payment of all monetary obligations to PHLLC, or its affiliates, the lessor(s) or sublessor(s) of such Licensed Location, and any material third party supplier of Licensee;

(iii) Licensee must present evidence satisfactory to PHLLC that it has the right to remain in possession of the Licensed Location during the Renewal Term or obtain PHLLC’s consent a substitute Licensed Location acceptable to and approved in writing by PHLLC, without any interruption of business;

(iv) Licensee must comply with PHLLC’s then-current qualification and training requirements;

(v) Licensee must execute a general release (on PHLLC’s then-current form) of any and all claims against PHLLC and the PHLLC Parties, past and present, in their corporate and individual capacities, including, claims arising under this Agreement or under federal, state or local laws, rules, regulations or orders;

(vii) Licensee pays a renewal fee in the amount of the then-current initial license fee for such Licensed Concept prior to the expiration of the Initial Term or first Renewal Term, as applicable; ~~(subject to a maximum increase by 50% of the initial license fee in this Agreement).~~

(viii) Licensee gives PHLLC written notice of its desire to renew at least 6 months prior to the expiration of the Initial Term or first Renewal Term, as applicable; and

(ix) ~~Licensee and PHLLC must have obtained written consent from any franchisees of PHLLC that have territorial rights covering any Licensed Locations~~ have not objected in writing to such renewal.

(c) **Renewal Terms.** The parties will enter into a new Schedule on PHLLC’s then-current form (each, a “Renewal Schedule”) to document each Renewal Term for a Licensed Location. The first Renewal Term begins on the day that the Initial Term expires and the

second Renewal Term begins on the date that the first Renewal Term expires. The first Renewal Schedule will supersede the original Schedule and, if applicable, the second Renewal Schedule will supersede the first Renewal Schedule. Licensee will pay for PHLLC's outside counsel fees and expenses incurred in connection with each Renewal Schedule.

(d) **Agreement Term.** The term of this Agreement (the “Term”) shall begin on the Effective Date and end on the date that the Initial Term or Renewal Term of the last-remaining Licensed Location attached to this Agreement is terminated or expires without being renewed, unless this Agreement or the applicable Schedule is terminated sooner and subject to Section 2.1(e).

(e) **Successor Agreements.** Every 5 years beginning on the 5th anniversary of the Commencement Date of the first Licensed Location to open to the public for business, PHLLC will have the right to require Licensee to enter into (1) PHLLC's then-current form of express master license agreement (each, a “Successor Agreement”), and (2) a termination agreement of this Agreement or the then-current Successor Agreement, as applicable, releasing PHLLC from any and all claims and liabilities under this Agreement or the then-current Successor Agreement, as applicable. The first Successor Agreement will supersede this Agreement and, if applicable, each Successor Agreement thereafter will supersede the prior Successor Agreement. All Licensed Locations under, and Schedules attached to, this Agreement will be carried over to and made part of the first Successor Agreement and, if applicable, all Licensed Locations under, and Schedules attached to, the each Successor Agreement thereafter will be carried over to and made part of the subsequent Successor Agreement. Licensee will pay for PHLLC's outside counsel fees and expenses incurred in connection with each Successor Agreement.

2.2 Grant. Subject to all of the terms and conditions of this Agreement, PHLLC grants to Licensee, during the License Term, (a) a nonexclusive license to operate the Licensed Concept specified in an applicable Schedule, in accordance with the Brand Standards, at the Licensed Location specified in the same Schedule, and (b) a nonexclusive license to use the Marks listed in the applicable Schedule to promote the operation of the Licensed Concept at the Licensed Location. Licensee is not granted any exclusive territory or protected radius.

2.3 Scope of Licenses.

(a) The scope of the license extends only to the Licensed Concept specified in an applicable Schedule at the Licensed Location specified in the same Schedule. This license does not extend to any other location, product, concept, or distribution channel.

(b) Specifically, but without limiting the prior provisions of this Section 2.3, this Agreement does not allow Licensee to operate the Licensed Concept specified in any Schedule at any other location, nor does this Agreement allow Licensee to operate any of PHLLC's other concepts at the Licensed Location. PHLLC may operate (itself and/or through its subsidiaries), and franchise or license others to operate, any business or concept utilizing any trademarks, including the Marks, and selling any products or services, including the Licensed Products, at any other location.

2.4 Delivery.

(a) Unless otherwise provided in the Schedule, Licensee may, without exceeding the scope of this license, deliver Licensed Products (on a nonexclusive basis) to customers in the same building (but not to any other building(s), even if interconnected) as that in which a particular Licensed Location is situated. Licensee may not deliver any Licensed Products to any other locations.

2.5 Preferential Arrangements.

(a) **Licensed Locations.** In accordance with the Brand Standards, Licensee may not allow or permit the production, distribution, or sale of any ready-to-eat pizza product other than the Licensed Products from any Licensed Location.

(b) Other Locations.

(i) In accordance with the Brand Standards, Licensee may not allow or permit the production, distribution, or sale of any other restaurant-branded pizza products (except frozen pizza product sold in its frozen state) from any other location owned, operated or controlled by Licensee (or by affiliates of Licensee that Licensee controls), unless Licensee (or its affiliate) is operating at the location pursuant to a right granted by a third party, the third party has the right to control the products sold by Licensee (or its affiliate), and the third party requires that Licensee (or its affiliate) sell another restaurant-branded pizza product.

(ii) For purposes of this Section 2.5(b), “restaurant-branded pizza” is any pizza product identified with a company engaged in the operation or franchising of pizza outlets. “Restaurant-branded pizza” does not include pizza products identified solely by trademarks or trade names owned exclusively by Licensee for use only in its own operations.

(c) In-Term Covenant Not to Compete.

(i) During the Term, Licensee and its affiliates may not (without PHLLC’s prior written consent) directly or indirectly, individually or as a partner, joint venturer, shareholder, officer, creditor, director, employee, trustee, or agent of an organization, own, operate, finance, or provide consulting services to any business (other than a Licensed Location operated pursuant to this Agreement or any other license or franchise agreement between Licensee or its affiliates and PHLLC) engaged in the production or sale (at wholesale or retail) of any pizza, pasta or other food items similar to Licensed Products (including any chicken products or side dishes which now or in the future are sold under PHLLC’s WingStreet name or mark) or which otherwise serves as a Competitor.

(ii) During the Term, Licensee and its affiliates may not (without PHLLC’s prior written consent) lease, sublease, or otherwise permit the use of, any portion of any premises containing a Licensed Location at any time that is owned, leased, or controlled by any of them for purposes of advertising or operating a business (other than a Licensed Location operated pursuant to this Agreement) engaged in whole or substantial part (more than 10% of its sales) in the production or sale (at wholesale or retail) of any pizza, pasta or other food items similar to Licensed Products (including any chicken products or side dishes which now or in the future are sold under PHLLC’s WingStreet name or mark) or which otherwise serves as a Competitor.

(iii) It is the intention of these provisions to preclude not only direct competition but also all forms of indirect competition, such as consultation, service as an independent contractor or any assistance or transmission of information of any kind which would be of any assistance to a Competitor.

(iv) For the avoidance of doubt, the covenants set forth in this Section 2.5(c) shall apply to any business located within the United States, its territories or commonwealths, or any other country, province, state or geographic area in which PHLLC or its affiliates have used, sought registration of or registered the Marks or similar marks or operate or license others to operate a business under the Marks or similar marks.

(d) Post-Term Covenant Not to Compete.

(i) For a period beginning on the [date of](#) termination, expiration or Transfer of this Agreement and ending on the date specified below, neither Licensee nor its affiliates may engage, nor assist others to engage, directly or indirectly, individually or as a partner, joint venturer, shareholder, member, officer, creditor, director, employee, or agent, in the production or sale (at wholesale or retail) of any pizza, pasta or other food items similar to Licensed Products (including any chicken products or side dishes which now or in the future are sold under PHLLC’s WingStreet name or mark) or which otherwise serves as a Competitor at any premises where a Licensed Location was at any

time operated under this Agreement. [Licensee acknowledges that if a Schedule is terminated without this Agreement being terminated in its entirety, then this provision will apply to the Licensed Location as listed on the applicable Schedule, and Licensee shall continue operating any other Licensed Locations in accordance with the terms of this Agreement.](#)

(ii) As to each of the foregoing covenants, the covenant will expire 18 months from the date on which the obligation commenced as against Licensee, provided that such obligation will be tolled for any period during which Licensee or any of its affiliates has not been in full compliance with the covenant. Each of the covenants set forth in the foregoing paragraphs are independent of the others, and the unenforceability of one will not affect the others.

(e) **Restrictions on Sale of Location.** Throughout the License Term and for two years following the termination or expiration of this Agreement or any Schedule for any reason, Licensee agrees on behalf of itself and its affiliates not to sell, assign, lease, sublease, or otherwise grant possession of any Licensed Locations (or the premises containing any Licensed Locations) to any individual or entity which intends to utilize same to conduct the business of a Competitor thereat without PHLLC's prior written consent (and it shall be Licensee's affirmative duty in connection with any such sale, assignment, or other disposition of any Licensed Locations (or the premises containing any Licensed Locations) to secure a written memorialization from the purchaser, assignee, lessee, sublessee, or permittee that it has no intent to conduct the business of a Competitor following the subject transaction).

(f) **Lesser Included Covenants Enforceable at Law.** If all or any portion of the covenants not to compete set forth in this Article 2 are held unreasonable, void, vague or illegal by any court or agency with competent jurisdiction over the parties and subject matter, the court or agency is hereby empowered to revise and/or construe the covenants to fall within permissible legal limits, and should not by necessity invalidate the entire covenants. Licensee expressly agrees to be bound by any lesser covenants subsumed within the terms of this Article 2 as if the resulting covenants were separately stated in and made a part of this Agreement.

(g) **Enforcement of Covenants Not to Compete.** Licensee acknowledges that any violation of the covenants not to compete contained in this Agreement would result in immediate and irreparable injury to PHLLC for which no adequate remedy at law will be available. Accordingly, Licensee consents to the entry of an injunction prohibiting any conduct by Licensee or its affiliates in violation of the terms of the covenants not to compete set forth in this Agreement without any necessity or requirement that PHLLC post a bond or other security. Licensee expressly agrees that any violation of the covenants not to compete will conclusively be deemed to have been accomplished by and through Licensee's unlawful use of Pizza Hut Information, knowhow, methods and procedures. Further, Licensee expressly agrees that any claims Licensee may have against PHLLC, whether or not arising from this Agreement, will not constitute a defense to PHLLC's enforcement of the covenants not to compete in this Agreement. Licensee agrees to pay all costs and expenses, including reasonable attorneys' and experts' fees, which PHLLC incurs in connection with the enforcement of the covenants not to compete, set forth in this Agreement.

3. **DESIGNATION AND USE OF MARKS.**

3.1 **Designation of Marks.** PHLLC will, from time to time, designate certain Marks as applicable to each Licensed Concept in the Manual or otherwise in writing. PHLLC may, from time to time, designate new Marks as applicable and may modify or delete existing Marks or may withdraw authority to use certain Marks. PHLLC will give Licensee written notice of the addition, modification, or deletion of Marks. Any additional or modified Marks designated as applicable will be subject to the terms of this Agreement and the Brand Standards. Licensee may use the Marks only where, when, and as approved by PHLLC. Licensee must cease use of any deleted Marks or any Marks no longer applicable within the time stated in the notice from PHLLC and promptly comply with any direction or instruction

from PHLLC to modify or discontinue the use of any Marks. PHLLC shall have no obligation to reimburse Licensee for any expenditures it makes to comply with such instructions or directions, nor will PHLLC be liable for any other expenses, losses, or damages sustained by Licensee as a result of any addition, modification, substitution, or discontinuation of the Marks.

3.2 Use of Marks.

(a) The license granted to Licensee to use the designated Marks is applicable only to the offer and sale of Licensed Products prepared in accordance with the Brand Standards from the Licensed Location. Licensee may only use the designated Marks strictly according to the terms and conditions of this Agreement and the Brand Standards. Licensee may not use, in any context associated in any way with the Licensed Concept, any trademarks, service marks, trade names, trade dress, symbols, slogans, emblems, logos, insignias, designs, or any combination thereof other than the designated Marks, without PHLLC's prior written consent in each case.

(b) Licensee may not offer or sell any Licensed Product(s) under or in connection with any trademark, service mark, trade name, trade dress (including product package design), symbol, slogan, emblem, logo, insignia, design, or any combination thereof other than the Marks, without PHLLC's prior written consent in each case.

(c) Licensee may not display any signage that contains the Marks which is visible from outside the Licensed Location without PHLLC's prior written consent.

3.3 Ownership of Marks; Maintenance.

(a) Licensee acknowledges that PHLLC is the sole and exclusive owner of the Marks. Nothing contained in this Agreement may be construed to vest in Licensee any right, title, or interest in any of the Marks, other than the limited license granted by this Agreement. All goodwill now or in the future associated with the Marks (including any goodwill arising out of Licensee's use of the Marks) belongs exclusively to PHLLC.

(b) The licenses granted by this Agreement are nonexclusive. Except as expressly limited by the terms and conditions of this Agreement, PHLLC retains the right (in its sole and absolute discretion) to grant to any other person(s) the license, in addition to any license(s) previously granted, to use for any purpose all or any part of the Marks, including within the trade areas (if any) of the Licensed Location.

3.4 Nonimpairment.

(a) Licensee covenants never (whether during or after the Term) to use the Marks in an unauthorized manner, or to take any other actions whatever that may impair PHLLC's ownership of and goodwill in the Marks. Licensee may not interfere in any manner with the use of the Marks by PHLLC, by its subsidiaries or by any other licensee or any franchisee of PHLLC except to the extent that the use thereof infringes upon the rights of Licensee related to any Licensee mark, trademark, trade name, dress, symbol, slogan, emblem, logo, insignia, design, or any combination thereof. Without limiting the foregoing and subject to the noted exception, Licensee may not directly or indirectly object to, attack, or contest PHLLC's ownership of any or all of the Marks in connection with any service or product whatever, nor may Licensee assist others to do so.

(b) Licensee must exercise caution in its use of the Marks to ensure that the Marks (and the goodwill associated with them) are not jeopardized in any manner. Without limiting the foregoing, Licensee may not use the Marks in any manner or in connection with any statement or material that may (in PHLLC's good faith judgment) be in bad taste or inconsistent with PHLLC's public image, or could involve PHLLC in a matter of political or public controversy, or could bring disparagement, ridicule, or scorn upon PHLLC, the Marks, or the goodwill associated with the Marks.

(c) Licensee may not conduct any business operations, nor market any products (other than Licensed Products sold by Licensee in accordance with this Agreement or another license agreement from PHLLC), under any name or mark that, in PHLLC's reasonable opinion, is confusingly similar to one or more of the Marks, or to any portion of one or more of the Marks.

(d) The provisions of this Section 3.4 will survive the termination or expiration of this Agreement.

3.5 Protection of Marks.

(a) Licensee must promptly provide PHLLC with copies of any written notification received by Licensee challenging Licensee's use of the Marks and provide PHLLC with any information known to Licensee concerning the challenging party. Licensee must promptly notify PHLLC, in writing, of any known or suspected infringement of the Marks by a third party, and supply PHLLC with any information known to Licensee concerning the suspected infringement and the suspected infringing party. Licensee may not take any action with respect to any such challenge, or any such known or suspected infringements, absent PHLLC's prior written approval (which PHLLC may grant or withhold in its sole discretion).

(b) PHLLC has sole discretion over issues involving the defense or protection of the Marks. PHLLC will use reasonable efforts to protect the Marks, including, in its discretion, instituting and prosecuting judicial or administrative proceedings. If an infringement claim is asserted against Licensee arising from Licensee's use of the Marks, and if Licensee's use of the Marks giving rise to the claim is in accordance with the use authorized by PHLLC, Licensee will immediately tender the defense of the claim to PHLLC and PHLLC will defend or settle the claim at PHLLC's sole cost and expense. Whenever so requested by PHLLC, Licensee will cooperate reasonably in PHLLC's efforts to protect the Marks.

4. LICENSED LOCATIONS.

4.1 Selection. Licensee assumes all cost, liability, expense and responsibility for selecting, obtaining and developing locations for each Licensed Location to be opened pursuant to this Agreement. Licensee will submit proposed site locations to PHLLC in writing along with such information regarding the site as required in the Brand Standards or otherwise reasonably requested by PHLLC in writing. PHLLC reserves the right, in its sole discretion, to consent to or reject any proposed site for a Licensed Location. Upon Licensee's receipt of written consent from PHLLC for a site for a new Licensed Location, the parties will enter into a Schedule for such Licensed Location in the form of Exhibit D. PHLLC reserves the right to set forth a development schedule to develop a certain number of licensed locations by a deadline in the Schedule in the form of Exhibit E.

4.2 Responsibility for Site Selection. Licensee accepts full responsibility and obligation for selection of sites for Licensed Location and acknowledges that it is making an independent informed business decision regarding a proposed site. Licensee acknowledges that PHLLC's consent to or acceptance of a site does not constitute recommendation or endorsement of the location of the site, nor that the size of the market in which the site is located is adequate to support a Licensed Location or will not subsequently become saturated.

4.3 Design. Licensee must hire a registered architect and MEP engineer to complete construction documents that meet all federal, state, and local requirements, are in compliance with the System and Brand Standards, and are subject to PHLLC's consent. Licensee may elect, at its sole option, to request prototype specifications and equipment cut sheets for the applicable Licensed Concept, provided by PHLLC at no cost to Licensee. Licensee will submit the final plans and specifications to PHLLC for review and approval in writing. Licensee may elect to hire a preapproved design partner, as set forth in the Brand Standards.

4.4 Build Out. ~~Unless otherwise agreed in writing by the parties,~~ Licensee will employ a qualified, licensed general contractor or other qualified professional who is reasonably acceptable to PHLLC to build out the Licensed Location and to complete all improvements. Licensee will provide to PHLLC such periodic progress reports as PHLLC may require, in the form specified by PHLLC, and signed by Licensee and its general contractor. Licensee agrees that PHLLC and its agents will have the right to inspect the Licensed Location premises at all reasonable times for the purpose of ascertaining that all work complies with the final plans approved by PHLLC. Licensee will complete all build out and improvements specified in the final plans approved by PHLLC at least 10 days prior to the Commencement Date specified in the Schedule for such Licensed Location.

4.5 Opening. Licensee will provide written notice to PHLLC in ~~a commercially reasonable manner~~ accordance with Section 21.5 below, in advance of the date of completion of the build out of each Licensed Location. Licensee will not open any Licensed Location for business without the express written authorization of PHLLC. PHLLC's authorization to open may be conditioned upon the following non-exclusive list of factors: Licensee's strict compliance with approved final plans and with the Brand Standards, the results of the pre-opening checklist, Licensee's and its employees' satisfactory completion of the required pre-opening training and eLearning curriculums, Licensee's completion of the build out of the Licensed Location to PHLLC's satisfaction, and all equipment properly installed and functioning at the Licensed Location. Licensee will open each Licensed Location for business (i) within ten 10 days after receipt of PHLLC's written authorization to open and (ii) prior to or on the Commencement Date specified in the Schedule for such Licensed Location.

5. DUTIES OF PHLLC.

5.1 No Implied Obligations. Except as expressly provided in this Agreement, PHLLC is not obligated under this Agreement to Licensee (that is, this Agreement may not be read as implying obligations on PHLLC that are not expressly stated).

5.2 Training Materials.

(a) For each new Licensed Location, PHLLC will provide to the Licensee, at no charge, a copy of or access to the training materials applicable to the Licensed Concept to be operated at that Licensed Location. Such training materials may be provided to Licensee in digital format or in hard copy, in PHLLC's reasonable discretion. Additional materials may be purchased by the Licensee from PHLLC approved vendors, which we may collect and pay to the vendors on your behalf. All training materials remain the exclusive property of PHLLC.

(b) Licensee must use its best efforts to keep all Persons, including its affiliates and their respective employees, from duplicating these materials for use outside of the Licensed Location. PHLLC may, from time to time, update or modify training materials. Updates may be sent out to each Licensed Location, or updates may be communicated with instructions on what to do. Licensee must follow any and all instructions from PHLLC concerning the changes. Updates or modifications to materials will be charged to Licensee. PHLLC has sole discretion in interpreting the standards set forth in the training materials.

5.3 Training Programs.

(a) PHLLC will offer a training program, virtually or in-person, for the person(s) who will manage the Licensed Concept for Licensee and for any employee(s) of Licensee that Licensee intends to designate as a "Pizza Hut Champion", or any such PHLLC successor program (as defined in Section 7.6 below). These training program classes will be conducted from time to time by PHLLC virtually or at the Pizza Hut Express Training Center located in Plano, Texas at times selected by

PHLLC. The training program, which may include more than one segment, will be structured to provide practical training in the operation of the Licensed Concept and the preparation of Licensed Products.

(b) PHLLC will not be required to provide general training in restaurant operations. The training program content will be in the sole control of PHLLC. Prior to attending the training program at the Pizza Hut Express Training Center in Plano, Texas or virtually, each person must complete the eLearning curriculums applicable to the products offered at each Licensed Location. All applicable pre-requisites, including without limitation the applicable eLearning curriculums, must be completed by each person before such person may attend the in-person training program.

(c) PHLLC will bear its own costs in providing the initial training program for Licensees' first two "Pizza Hut Champions" for each Licensed Location at the Pizza Hut Express Training Center in Plano relating except that Licensee will pay the travel costs and expenses of its employees. Any training costs for additional "Pizza Hut Champions" will be at the Licensee's expense.

(d) If PHLLC conducts on-site meetings, leadership development events, training or retraining of Licensee's employees at an existing Licensed Location, Licensee must pay the travel, meal, and accommodation costs of PHLLC's employees relating to the training or retraining. In addition, Licensee must pay all traveling, living, compensation, and other expenses incurred by its employees in connection with attendance at the training programs (whether conducted on-site or at a central training facility).

5.4 Marketing and Advertising Programs. PHLLC may, from time to time, provide various channel-specific marketing ideas to Licensee, designed specifically to enhance Licensee's business pursuant to this Agreement. Licensee shall comply with PHLLC's marketing and advertising requirements as provided in the Brand Standards.

5.5 Additional Assistance. PHLLC will make available to Licensee, from time to time, additional advice and assistance on performance of this Agreement as Licensee may reasonably request. PHLLC may, in its sole discretion, establish fees for various services made available pursuant to this Section 5.5; Licensee must pay to PHLLC all such fees within 30 days of date of invoice for such services provided at Licensee's request.

5.6 Delegation of Performance. Licensee agrees that PHLLC has the right to delegate the performance of any portion or all of PHLLC's obligations under this Agreement to third-party designees, whether these designees are PHLLC's agents or independent contractors with whom PHLLC has contracted to perform these obligations.

6. **MANUAL.**

6.1 Copy of Manual. For each Licensed Location, PHLLC will provide to Licensee, at no charge, one complete copy of the portions of the Manual applicable to the Licensed Concept to be operated at that Licensed Location. Within reason, Licensee may request from PHLLC further copies of the Manual, upon payment of the reasonable fee set by PHLLC (from time to time) in its sole discretion.

6.2 Ownership of Manual. The Manual and all copies of the Manual will remain the exclusive property of PHLLC. Licensee may not copy, and must use its best efforts to keep all Persons, including its affiliates and their respective employees, from copying, any portion of the Manual. Licensee must return to PHLLC, or destroy, at PHLLC's request, upon the expiration or earlier termination of this Agreement or any Schedule for the applicable Licensed Location, all Manuals loaned to Licensee.

6.3 Updates. PHLLC may, from time to time, update or modify the Manual by providing substitute pages or volumes to Licensee, or by informing Licensee of changes or corrections to make to existing pages. Licensee must follow any and all instructions from PHLLC concerning the

changes. A reasonable fee, set by PHLLC in its sole discretion, will be charged to Licensee for updates or modifications to the Manual.

6.4 Interpretation of Manual. PHLLC has sole discretion in interpreting the standards set forth in the Manual.

6.5 Promulgation of Brand Standards.

(a) PHLLC will promulgate Brand Standards relating to the Licensed Concept in the Manual and other writings or communications. The standards may include quality, cleanliness, appearance, service, food, brands, signage, supplies, fixtures, and equipment to be used in connection with the Licensed Concept. PHLLC will also promulgate standards of usage for the Marks. PHLLC may, from time to time, add, delete, or change standards. Licensee must comply at all times with every provision of this Agreement, the System and the Brand Standards, unless PHLLC agrees to a variance in writing. Licensee may not use the System, the Marks or the Brand Standards for the benefit of any business other than the Licensed Location. Licensee may not conduct (or permit anyone else to conduct) any other business within the Brand Umbrella at the Licensed Location without first obtaining PHLLC's prior written consent, which PHLLC may withhold for any reason or no reason, other than as provided in this Agreement. Licensee acknowledges, understands and agrees that its strict compliance with the System, this Agreement, the Manual, and the Brand Standards are of the essence to this Agreement and are critically important to PHLLC and Licensee, and all other Pizza Hut licensees, since Licensee's failure to adhere to the System, this Agreement, the Manual, and/or the Brand Standards may damage the reputation and goodwill enjoyed by the System and the Marks.

(b) At the time PHLLC promulgates a new standard, PHLLC will simultaneously set forth a last date to implement the new standard. The last date, which will be uniform as to all similar products and concepts (regardless of the operator), will be at least 30 days after PHLLC promulgates the new standard. Unless required to ensure food safety, PHLLC will not mandate a new standard that involves capital expenditures in excess of \$10,000 per Licensed Location more often than once during the Initial Term.

6.6 Product Quality. The Licensed Products sold by Licensee must comply with this Agreement and the Brand Standards.

7. DUTIES OF LICENSEE.

7.1 Inspections and Audits.

(a) Licensee grants to PHLLC's authorized representatives the right to enter upon the premises relating to operation of the Licensed Concept (including the right to pass over/through the remainder of the Licensed Location) at any time during normal business hours for the purpose of determining whether the portions of the business directly related to the Marks are being conducted in accordance with PHLLC's Brand Standards and the terms of this Agreement. If the premises are owned by a third party, Licensee shall cause such third party to grant access to PHLLC. PHLLC's representatives will comply, during these inspections or audits, with the non-discriminatory security rules (if any) applicable to the Licensed Location. Furthermore, PHLLC will use reasonable care, in the course of all inspections or audits, not to disrupt Licensee's operations (and, if applicable, the operations of Licensee's host/client/landlord). In the event that the Licensed Location is within the exclusive territory of a third party with a Pizza Hut franchise agreement, upon prior written notice in a commercially reasonable manner, Licensee further grants such Pizza Hut franchisee the right to enter upon the premises relating to the operation of the Licensed Location at any time during normal business hours for the sole purpose of determining whether the Licensed Location is being conducted in accordance with PHLLC's Brand Standards.

(b) If any inspection or audit indicates any deficiency, Licensee must, within 2 business days after Licensee's receipt of a written report, correct or repair the deficiency or unsatisfactory condition; but if the deficiency or unsatisfactory condition is one that cannot be corrected or repaired within 2 business days, Licensee will not be in default if Licensee begins (within the 2-business day period), and diligently pursues to completion, the necessary corrections or repairs. In addition, if the deficiency or unsatisfactory condition (in the reasonable opinion of PHLLC's authorized representative) constitutes an imminent danger to public health, or poses a risk of significant and immediate damage to the value of the Marks, Licensee will immediately cease sale of Licensed Products until PHLLC's authorized representative agrees that the deficiency or unsatisfactory condition has been corrected. Licensee's failure to comply with the foregoing obligations to correct and repair constitutes a material default under this Agreement.

7.2 Employees. Licensee must require all employees, while working in connection with the Licensed Concept, to present a neat and clean appearance in accordance with the Brand Standards. Uniforms worn by Licensee's employees while working in connection with the Licensed Concept must be consistent with PHLLC's image and the Brand Standards.

7.3 No Unprepared Products. Licensee may not sell or distribute any Licensed Product, any other products prepared substantially in accordance with the Brand Standards, or any ingredient thereof, except as a complete and fully prepared food product ready for immediate consumption.

7.4 Use of Licensed Location. Except with PHLLC's prior written consent, Licensee may not take any action that would lead consumers to believe that items other than Licensed Products are identified by or with the Marks or that items other than Licensed Products are endorsed by, or produced in accordance with recipes and instructions of, PHLLC.

7.5 Use of Products. Licensee may not use the products purchased from a supplier designated by PHLLC and/or ingredients used in the Licensed Products to prepare any other products that are not Licensed Products.

7.6 Training and Pizza Hut Champions.

(a) Before the Licensed Location may open for business, Licensee must designate at least two location general managers or any other location level manager as the "Pizza Hut Champions" (or such successor program as PH may designate) for each Licensed Location. The Pizza Hut Champions will be responsible for on-going training of unit-level employees, ensuring the quality of the operations execution at the Licensed Location, and generally ensuring that the Licensed Location is operated in accordance with this Agreement and Training Elements. As part of these responsibilities, the Pizza Hut Champion must be involved in the day to day operations of the location on a regular basis or readily available as necessary.

(b) Before designation, the Pizza Hut Champions must successfully complete the training program offered by PHLLC pursuant to Section 5.3, and must be certified by PHLLC as capable of functioning as a Pizza Hut Champion (as the training program offered by PHLLC pursuant to Section 5.3 does not include training on general restaurant operations, the Pizza Hut Champions must independently acquire these skills). The Pizza Hut Champions must attend the training program within the 30-day period prior to the actual Commencement Date of each Licensed Location.

(c) If, for any reason, there ceases to be two Pizza Hut Champions for each and every Licensed Location, Licensee must designate a new Pizza Hut Champion to complete training within ~~60~~30 days. The expense of training will be allocated as set forth in Section 5.3.

(d) The Pizza Hut Champions certification is valid for 5 years from the date of certification. After 5 years, the individuals must again successfully complete the training program

offered by PHLLC pursuant to Section 5.3, and must be re-certified by PHLLC as capable of functioning as a Pizza Hut Champion.

(e) Licensee shall be responsible for the compliance of the Licensed Location's operations with the standards, methods, techniques, and material taught during the training program, and shall cause the Licensee's employees to be trained in such standards, methods, techniques and material that are relevant to the performance of their respective duties.

7.7 Unit Supervision. At all times that the Licensed Location is preparing or selling Licensed Products, there must be at least one manager on duty who has a current Food Protection Manager Certification on file with PHLLC in accordance with the Brand Standards.

7.8 Information. Licensee will provide to PHLLC such information regarding the Licensed Locations and Licensee's business as specified in the Brand Standards or otherwise prescribed by PHLLC in writing. No later than 45 days following PHLLC's written request, Licensee will provide PHLLC, in a form and manner of communication designated by PHLLC, (A) a statement of the Licensed Location(s)' profit and loss for the period requested by PHLLC, on a location-by-location basis, (B) a statement of Licensee's profit and loss and a consolidated balance sheet for the period requested by PHLLC, on a consolidated basis, and (C) any other financial or non-financial data that PHLLC requests concerning the activity of Licensee's business related to the Licensed Location(s) in the form and manner that PHLLC requests. PHLLC may request that Licensee's annual profit and loss statement and balance sheet be reviewed by an independent certified public accountant in accordance with the Statements on Standards for Accounting and Review Services, and will contain a signed opinion by the accountant to that effect.

7.9 Online Ordering. On request by PHLLC, Licensee will offer online ordering for the Licensed Products at the Licensed Locations in accordance with the Brand Standards and in a format that is acceptable to PHLLC within its commercially reasonable discretion.

7.10 Point of Sale System.

(a) On request by PHLLC, Licensee will purchase from a supplier that PHLLC designates, install, and utilize the point-of-sale system and computer systems (including all ancillary and peripheral equipment and components and software) that PHLLC requires, any or all of which may be upgraded, substituted, modified, changed or replaced from time to time. Licensee will enter into all license or other agreements necessary for Licensee to obtain and maintain such systems.

(b) Licensee further agrees to maintain a secure technology infrastructure, including, without limitation, secure internet access and back-office and store management functions which are in compliance with all laws, regulations and industry standards applicable to the protection of customer privacy and credit card information and which satisfy PHLLC's requirements, which may change from time to time.

7.11 System Participation. Licensee will, at Licensee's cost, actively participate in all mandatory System programs (including national limited time offers) in the Brand Standards or otherwise required by PHLLC in writing.

7.12 Conducting Tests of Programs, Products and Services at Licensed Location(s). Licensee understands that it is vital to the System that it constantly evolve to maintain and advance its competitive position and respond to changes in consumer preferences, demographics, asset design, equipment and technology. Accordingly, Licensee agrees that it shall, upon PHLLC's request, utilize the facilities and personnel of its Licensed Location(s) to test the preparation and sale of new or modified food and beverage items and other products, services and programs and also to test new or improved asset design, equipment, technology and procedures (including delivery methods, platforms, physical appearance, or systems as PHLLC may prescribe) from time to time as PHLLC may require.

Such testing at the Licensed Location(s) will be designed to minimally interfere (or not interfere at all) with the operations and activities of the Licensed Location(s). Licensee agrees to furnish PHLLC all necessary or desirable cooperation in connection with PHLLC's tests, including making Licensee's personnel available to PHLLC for consultation and test reviews. PHLLC shall not recompense Licensee for any of Licensee's expenses associated with facilitating PHLLC's testing requests.

7.13 Asset Standards and Required Upgrades. Licensee shall perform such asset upgrades as PHLLC may require from time to time in order to maintain the Licensed Locations in accordance with the Brand Standards. PHLLC retains the right at any time and with any frequency in its sole discretion to adopt and impose new Brand Standards requiring improvements and asset upgrades to the Licensed Location which may require certain structural alterations and/or accommodations but are not exclusively structural in nature. Licensee shall perform all necessary improvements and asset upgrades needed to be in compliance with such new Brand Standards.

7.14 Ownership Certification. Upon execution of this Agreement, upon each Transfer of an interest, directly or indirectly, in Licensee, and at any other time upon PHLLC's request, Licensee will furnish PHLLC a list of all Persons having any beneficial ownership or other interest in Licensee, an indication of the voting rights and percentage interest of each of those Persons, and a list of all of Licensee's officers, directors, corporate managers and similar officials, in the form of Exhibit F. PHLLC may require the same information regarding all Persons having an interest in Licensee.

8. ADVERTISING.

8.1 Approval of Advertising.

(a) To protect PHLLC's Marks (and the associated goodwill) more fully, PHLLC shall have the right to approve the content of all advertising and marketing materials that contain any of the Marks, or that refer to any Licensed Products ("**Marketing Materials**"). Furthermore, as the Licensed Concept is primarily intended to serve the needs of a "captive" audience, PHLLC shall have the right to approve the placement of all advertising materials that refer to the Licensed Concept or the Licensed Products, or that contain any of the Marks, and reserves the right to prohibit all off-site advertising. PHLLC reserves the right to require Licensee to conduct online or digital advertising for the Licensed Locations or the Licensed Products.

(b) All materials directly or indirectly advertising Licensed Products, including advertisements of beverages or other ancillary items available for purchase in conjunction with Licensed Products, must be submitted to PHLLC in accordance with the Brand Standards and approved by PHLLC in writing. Until PHLLC notifies Licensee in writing that the content of a proposed advertisement is approved, the submitted item is considered unapproved and may not be used by Licensee. Upon written notice from PHLLC, Licensee must immediately discontinue use of any unapproved advertising materials.

(c) All materials directly or indirectly advertising Licensed Products shall be in strict accordance and conformity with all standards, requirements, formats and specimens as set forth by PHLLC, including those contained in the Manual. In no event shall the Licensee's advertising contain any statement or materials which may be considered to be (a) in bad taste or offensive to the public or any group of people, (b) defamatory of any person, or (c) an attack on a competitor.

8.2 Advertising. PHLLC may (but is not obligated to) use a portion of the Monthly LicenseService Fees paid to PHLLC pursuant to Section 10.2 below, to develop and administer advertising, promotional, and marketing programs designed to promote and enhance the collective success of Pizza Hut products and services. PHLLC need not expend the funds in the same year (or other period) as those payments are received, and PHLLC need not prove that Licensee received any benefit

from Licensee's payments. PHLLC's good faith decisions on expenditures of advertising funds are final and binding.

8.3 No Waiver. PHLLC's approval of the contents or placement of an advertisement in one context or at one location will not constitute a waiver of PHLLC's right to reject the same advertisement or the same placement in another context or at another location. In particular, PHLLC may withdraw its consent to the contents or placement of a particular advertisement after a period of time has passed, if PHLLC believes that the circumstances existing at the time of the original approval have changed.

8.4 Marketing Materials. Upon receipt of the Marketing Fee, PHLLC will provide to Licensee certain Marketing Materials designed for Licensee's Schedule. Additional copies of the Marketing Materials may be purchased, at Licensee's option, at an additional cost. PHLLC may require Licensee to update Marketing Materials (including signage) periodically. PHLLC may offer Licensee a credit against the Marketing Fee for specific expenditures, or may use Licensee's yearly Marketing Fee to pre-purchase updated Marketing Materials on Licensee's behalf, or may otherwise direct that Licensee's Marketing Fee be used to purchase specific Marketing Materials.

9. USE OF APPROVED SUPPLIES AND APPROVED DISTRIBUTORS.

9.1 Supplies and Distributors.

(a) PHLLC will, from time to time, publish one or more listings of approved equipment, fixtures, signage, supplies, and distributors. PHLLC may add to or delete from the listings at any time. Licensee may lease, purchase, and use only approved equipment and supplies in connection with Licensee's operations under this Agreement, and may obtain the approved equipment and supplies only from approved distributors. Licensee may not use any approved equipment or proprietary supplies to manufacture or prepare any products other than Licensed Products.

(b) If Licensee desires to purchase or use any equipment or supplies that are not then approved, or to purchase any approved items from or through an unapproved distributor, Licensee must submit to PHLLC a written request for approval. PHLLC has the right to inspect the facilities of the manufacturer, producer, or distributor, and to require Licensee to submit samples, specifications, and other information concerning any equipment or supplies for which approval is sought. PHLLC reserves the right, at its option, to reinspect the facilities and to retest the products of any approved manufacturer, producer, or distributor from time to time, and to revoke PHLLC's approval upon failure to continue to meet any of PHLLC's criteria as then in effect.

(c) All costs associated with inspection and reinspection of manufacturers, producers, or distributors proposed by Licensee, and all costs of testing and retesting samples of their products (including salaries of PHLLC employees, travel costs, and laboratory charges) are to be borne by Licensee (unless Licensee arranges for the proposed manufacturer, producer, or distributor to reimburse PHLLC directly). Nothing in this Section requires PHLLC to approve any particular manufacturer, producer, or distributor.

9.2 Trade Secret Items. Licensee acknowledges that PHLLC's spice blend is a highly confidential secret recipe and is a trade secret of PHLLC. Because of the importance of quality and uniformity of product, and the significance of the spice blend in the preparation of Licensed Products to achieve and maintain that quality and uniformity, it is to the mutual benefit of the parties that PHLLC closely controls the production and distribution of the spice blend. Similar considerations may also apply to other trade secret or patented items that PHLLC may develop in the future. Accordingly, Licensee may use only PHLLC's secret spice blend in the preparation of Licensed Products and may buy only from PHLLC, or a source designated by PHLLC, Licensee's full requirements of PHLLC's spice blends as well as any other trade secret or patented items that PHLLC may develop in the future.

9.3 Beverages and Other Products. Under the Brand Umbrella, Licensee may sell only Licensed Products and non-alcoholic beverages such as milk, coffee, tea, juice, bottled water, and carbonated soft beverages. At PHLLC's option, PHLLC may set standards for these beverages, and may publish listings of approved suppliers. If Licensee elects to sell carbonated soft beverages under the Brand Umbrella, Licensee may not display under the Brand Umbrella the brand of any carbonated soft beverage (even if that brand is contained on or referenced within the approved brands list) except with PHLLC's prior written consent. Licensee may sell other products under the Brand Umbrella only with PHLLC's prior written consent.

10. LICENSE FEES AND PAYMENT SCHEDULE.

10.1 Initial License Fee. Licensee will pay PHLLC an initial license fee as specified in the applicable Schedule for each Licensed Location. PHLLC reserves the right to increase the initial license fee periodically.

10.2 Monthly ~~License~~Service Fees.

(a) Licensee must report and pay PHLLC each month the license fees specified by the Schedule applicable to a particular Licensed Concept and Licensed Location solely for the right from PHLLC to use its Marks.

(b) If applicable law prohibits Licensee from paying PHLLC a percentage of Licensee's revenues from the sale of alcoholic beverages, then PHLLC will estimate the amount of such excluded revenues from the sale of alcoholic beverages and determine an effective royalty rate for Licensee designed to account for such excluded revenue (but only with respect to those Licensed Locations situated within a jurisdiction prohibiting the payment of Monthly ~~License~~Service Fees based in part on the sale of alcoholic beverages).

(c) Each monthly report and Monthly ~~License~~Service Fee payment are due on or before the 10th day of each month (or Licensee can use PHLLC's period calendar) for sales during the preceding month. All payments are fully earned when due, and are not refundable to Licensee, in whole or in part, under any circumstances.

(d) PHLLC may require Licensee to participate in a program whereby Licensee pays fees on-line or whereby Licensee's account is automatically debited for the payment of fees due under this Agreement.

(e) In the event that PHLLC or any of its affiliates owe Licensee or any of its affiliates any amounts under this Agreement or otherwise, PHLLC may offset against the Monthly ~~License~~Service Fees any such amounts owed.

10.3 Marketing Fee. Licensee must pay to PHLLC each year an amount as determined by PHLLC, and as set forth in the relevant Schedule, per Licensed Location (the "**Marketing Fee**"), to pay for Marketing Materials. The Marketing Fee is fully earned when paid, and is not refundable to Licensee, in whole or in part, under any circumstances. The Marketing Fee will be uniform within the same type or subtype of Licensed Concept. The first Marketing Fee will be ~~paid prior to billed to Licensee in the first December following~~ the opening of ~~each~~the Licensed Location ~~and thereafter, PHLLC will bill Licensee annually.~~

10.4 Transfer Fee. Licensee must pay to PHLLC a transfer fee ("**Transfer Fee**") as set forth in the Brand Standards for each Licensed Location for any approved Transfer pursuant to Sections 13.2 or 13.3 of this Agreement.

10.5 Late Payments. If any payment under this Agreement is more than 15 days overdue, then Licensee must pay a finance charge on all amounts due of 1.5% per month (or, if lower, the

maximum rate permitted by law), retroactively to the date due and continuing until paid in full. Payments will be applied first to the amounts longest overdue.

10.6 Taxes. In addition to the other payments required by this Agreement, Licensee will reimburse PHLLC for all sales taxes, personal property taxes, excise taxes, value added taxes, and similar taxes (excluding, however, any income taxes or similar taxes imposed on PHLLC's net income) imposed upon or required to be collected or paid by PHLLC on account of collection by PHLLC of the license fees or other payments to PHLLC called for by this Agreement. Licensee will pay these taxes upon demand and in the manner designated by PHLLC. Within 45 days following PHLLC's written request, Licensee will provide PHLLC a certificate from an independent certified public accountant that all Social Security payments, taxes and fees required to be paid by Licensee or the Licensed Location(s) to any governmental agency or entity have been paid, and that there is no reason to believe that Licensee's status has been impaired.

10.7 Accounting Periods. For purposes of this Article 10, any time that this Agreement calls for Licensee to take an action "monthly", Licensee may instead use regular accounting periods that are no longer than 35 days long. For example, Licensee may use 13 accounting periods of 4 weeks each (a "52/53 week fiscal year") or may use 12 accounting periods arranged so that there are two 4-week and one 5-week accounting period each fiscal quarter. If Licensee chooses to use one of these methods of accounting, Licensee will notify PHLLC of the method chosen and the fiscal year-end used, and may not switch accounting years without consent from PHLLC.

11. MAINTENANCE OF BOOKS AND RECORDS.

11.1 Books and Records. Licensee must preserve for at least 3 years after the date of preparation, accurate records, accounts, and data reflecting product costs for the Licensed Concept and Gross Sales from the Licensed Location. If Licensee's Monthly [LicenseService](#) Fees at any Licensed Location are determined as a percentage of Gross Sales, Licensee must submit to PHLLC with its payment of the Monthly [LicenseService](#) Fees for that Licensed Location, a monthly statement (in the form of [Exhibit B](#)) of Gross Sales. PHLLC reserves the right to require Licensee to preserve such further information relating to Licensee's business under this Agreement as specified in the Brand Standards or as PHLLC may from time to time reasonably prescribe in writing.

11.2 Inspection and Audit. At all reasonable times, PHLLC and its agents or representatives, may examine and audit all records relating to Licensee's operations under this Agreement. Licensee must cooperate with any such examination or audit by gathering records, accounts, and books for easy access, and by providing other assistance PHLLC reasonably requests.

11.3 Limited Access Locations. If the Licensed Location is one to which access is restricted by governmental authority or a need for strict confidentiality of Licensee's client at the Licensed Location, then Licensee must use commercially reasonable efforts to obtain access by representatives of PHLLC to the Licensed Location for purposes of operational inspections and financial audits. In the event access for PHLLC is not reasonably available, then Licensee will use other reasonable means and otherwise cooperate with PHLLC to assure PHLLC that Licensee is in full compliance with this Agreement at the Licensed Location.

11.4 Reporting Errors.

(a) If any inspection or audit discloses that any report (including statements of Gross Sales) delivered to PHLLC by Licensee is in error, Licensee must, within 10 business days after notice from PHLLC, pay to PHLLC any deficiency found to be owing, plus a finance charge at the rate of 1.5% per month, (or, if lower, the maximum rate permitted by law), accruing from the date payment was first due. If the deficiency is 5% or more of the amount due, then in addition, Licensee must reimburse PHLLC for the reasonable cost and expense of the inspection or audit upon billing by PHLLC.

(b) If any inspection or audit discloses Licensee payments in excess of the amounts actually owed by Licensee to PHLLC, at its election, and upon written request from Licensee, PHLLC will pay such excess amount to Licensee or offset such excess amount against other amounts owed by Licensee or which in the future may be owed by Licensee to PHLLC.

12. COVENANTS CONCERNING CONFIDENTIALITY.

12.1 Obligations and Restrictions. Except as expressly provided otherwise elsewhere in this Agreement:

(a) Each party may use the other party’s confidential information only for purposes of performing its obligations and enforcing its rights under this Agreement, and not for any other purpose, including for its own account.

(b) Neither party may disclose any portion of the other party’s confidential information to anyone (including its employees and the employees of its divisions, subsidiaries, and affiliates) that does not have a need to know the portion disclosed for purposes of this Agreement. Neither party may directly or indirectly aid any Person to imitate, duplicate or “reverse engineer” any of the other party’s confidential information.

(c) Each party must take all reasonable measures to enforce the obligations of confidentiality and use contained in this Agreement with respect to any of its employees or former employees who, while in its employ, had access to any part of the other party’s confidential information. [Licensee agrees to procure execution of a confidentiality agreement, in a form provided by or approved by PHLLC, from each such person.](#)

(d) Immediately after termination of this Agreement, each party shall cease using any confidential information and, at PHLLC’s option, each party must either destroy or return to the other party the originals and all copies of all documents containing any of the other party’s confidential information (including the Brand Standards, the Manual, and all training materials) that is not then in use in connection with another Pizza Hut license agreement then still in effect.

12.2 Exceptions and Exclusions. The limitations and restrictions contained in Section 12.1 do not apply to any party’s confidential information:

(a) that was previously known by the other party without limitations of confidentiality or restrictions on use; or

(b) that is in, or that comes into, the public domain without the fault of the other party.

12.3 Employee Agreements. To protect the Pizza Hut Information more fully, and in implementation of Section 12.1, Licensee must require all employees who are exposed to the Pizza Hut Information to agree (in writing) to maintain the confidentiality of the Pizza Hut Information.

12.4 Sales and Cost Data. Notwithstanding any other provisions of this Article 12, PHLLC may: (a) disclose Licensee’s sales and cost information as part of general disclosures to regulators, potential licensees, and other third parties, provided that the information is combined with other data from similar licensees or is otherwise done in a fashion that protects the integrity of Licensee’s confidential information (as, for example, by disclosure without identifying Licensee’s identity or the location of any Licensed Location); (b) disclose Licensee’s sales data as necessary to enforce PHLLC’s rights under this Agreement; and (c) retain, after termination of this Agreement, the originals of, as well as data derived from, Licensee’s sales reports.

12.5 Disclosure for Third Party Waiver. In the event that any Licensed Location is within the exclusive territory of a third party that has entered into a Pizza Hut franchise agreement with

PHLLC (a “**Pizza Hut Franchisee**”), certain waivers may need to be obtained from such Pizza Hut Franchisee. Licensee authorizes PHLLC to discuss with and disclose the terms of this Agreement (including any Schedules or Exhibits attached hereto) to such Pizza Hut Franchisee for purposes of obtaining such waivers. Licensee will cooperate reasonably with PHLLC’s efforts in obtaining any such waivers and agrees to permit reasonable inspections of the applicable Licensed Location by the Pizza Hut Franchisee.

13. ASSIGNMENTS AND TRANSFERS.

13.1 Transfer by PHLLC.

(a) PHLLC has the right to Transfer (whether by assignment, delegation or otherwise) all or any part of its rights, privileges, and/or duties under this Agreement to any Person, without Licensee’s consent and without notice to Licensee. If PHLLC Transfers this Agreement, Licensee expressly agrees that immediately upon and following such Transfer, this Agreement will inure to the benefit of PHLLC’s successors and assigns and PHLLC will no longer have any obligation - - directly, indirectly or contingently - - to perform or fulfill the duties or obligations imposed upon PHLLC hereunder. Moreover, to the extent that PHLLC has arranged for one or more of its affiliates to perform certain activities on PHLLC’s behalf and at PHLLC’s direction, as contemplated by this Agreement, PHLLC’s affiliates will similarly have no obligation, contingent or otherwise, to continue to perform such activities following any such Transfer of this Agreement by PHLLC. Instead, all such duties and obligations will be performed solely by PHLLC’s transferee, and Licensee will never assert, contend or complain otherwise.

(b) Licensee agrees and affirms that PHLLC may undertake a refinancing, recapitalization, securitization (whether by private or public offering), leveraged buyout or other economic or financial restructuring. Licensee expressly waives any and all claims, demands or damages arising from or related to such activities.

(c) Licensee also agrees that PHLLC may purchase, merge, acquire, be acquired by or affiliate with an existing competitive or non-competitive franchise or non-franchise network, chain or any other business regardless of the location of that other business’ facilities, and that following such activity PHLLC may operate, franchise or license those other businesses and/or facilities under any names or marks, including the Marks, regardless of the location of these businesses and/or facilities.

13.2 Transfer of Agreement by Licensee. Under no circumstances may Licensee Transfer a Schedule or any interest in a Schedule independent of the entirety of this Agreement without the prior written consent of PHLLC and payment of the applicable Transfer Fee. In addition, Licensee may not Transfer any interest in this Agreement, nor may it transfer possession, control or management of the Licensed Locations, without the prior written consent of PHLLC and payment of the applicable Transfer Fee. In each such case, PHLLC may withhold its consent in its sole discretion, or may condition its consent upon payment of additional fees (in an amount determined by PHLLC from time to time), including but not limited to, outside counsel fees, and the assignee’s agreement to assume all obligations imposed by this Agreement or the relevant Schedule. Licensee may not, under any circumstance, grant a security interest in or other encumbrance on this Agreement or any Schedule. Licensee may not, under any circumstances, sublicense the Licensed Concept to another Person or enter into a management agreement with another Person whereby Licensee delegates any of its obligations hereunder.

13.3 Transfers of Interest in Licensee.

(a) If Licensee is a corporation, or any other type of legal entity other than an individual, Licensee may not make any Transfers of interest resulting, individually or in the aggregate, in a change in control or totaling 10% or more of the ultimate beneficial ownership of Licensee without

PHLLC's prior written consent. PHLLC will not unreasonably withhold its consent to a proposed Transfer; provided, however, Licensee agrees that it will not be unreasonable for PHLLC to impose, among other requirements, the following conditions to granting consent (or denying consent in the absence of their satisfaction) to any Transfer proposed pursuant to this Section 13.3:

(i) That Licensee provides written notice to PHLLC of the proposed Transfer and such additional documentation as PHLLC reasonably requests.

(ii) That the proposed transferee (meaning all entities and individuals which, after the proposed sale, assignment or other Transfer, will be licensee or its principals under this Agreement or under any successor agreement) applies to PHLLC for acceptance as a licensee and demonstrates to PHLLC's satisfaction that the proposed transferee and each and every principal of the proposed transferee possesses the skills, qualifications, then-existing and projected financial condition, background and history, reputation (including, if the proposed transferee is already a Pizza Hut licensee, that it be in good standing under its License Agreements with PHLLC), then-existing and projected economic resources, education, managerial and business experience, moral character, credit rating, absence of conflicting interests, and ability to assume Licensee's duties and obligations under this Agreement and any successor and related agreement. Licensee must pay the reasonable costs of any such investigation conducted by PHLLC.

(iii) That neither the proposed transferee, nor any of its affiliates (including their directors and officers), owners or the funding sources for any of them, is a Restricted Person.

(iv) That, upon PHLLC's request, each and every principal of the proposed transferee present themselves for a personal interview at PHLLC's corporate office, or any other location PHLLC designates, at the date and time PHLLC reasonably requests, without expense to PHLLC. PHLLC may determine to meet with the proposed transferee at his, her or its principal place of business or residence and, if PHLLC does so, Licensee will reimburse PHLLC for all travel, lodging, meals and personal expenses related to such meeting.

(v) That the proposed transferee has the organizational, managerial and financial structure and resources required to conduct the Licensee's business under this Agreement properly, taking into account such factors (among others) as the number of Licensed Locations and market areas involved and their geographic proximity.

(vi) That the proposed transferee complies with PHLLC's ownership requirements relative to the control of the proposed transferee and the Licensed Locations.

(vii) That the proposed transferee and such other post-transaction employees of the transferee as PHLLC designates attend and successfully complete the initial training program before the Transfer, and any other training that PHLLC reasonably requires, at the transferee's expense (which will include PHLLC's then-current training fee and the cost of the trainees' transportation, lodging, food and other living expenses). PHLLC may waive these requirements if the proposed transferee is one of PHLLC's existing licensees in good standing.

(viii) That, if required, the lessor or sublessor of the Licensed Location(s) consents in writing to the Transfer to the proposed transferee.

(ix) That, as of the date of the Transfer, Licensee has cured any existing defaults under any provisions of this Agreement or any other agreement or arrangement with PHLLC or its affiliates; have fully satisfied, in all respects, all of Licensee's accrued and/or then-current monetary and other obligations to PHLLC and its affiliates, excluding an affiliate which administers a separate franchise network, (under this Agreement or otherwise), all sources of financing of Licensee's business and all material sources of supply of Licensee's business; and are in full compliance with

Licensee's obligations under this Agreement (including Licensee's obligations to satisfy all Licensed Location maintenance and asset upgrade requirements in connection with this Agreement and/or the Brand Standards).

(x) That the transferee execute a new license agreement with PHLLC in PHLLC's then-current form, and all other agreements with PHLLC, its affiliates or designees required of new licensees, in the form and on the terms and conditions PHLLC then offers to new licensees, which terms and conditions may vary significantly from this Agreement. The transferee will not be obligated to pay another initial license fee under the new license agreement for Licensed Locations that are already open but will be required to pay PHLLC's then-current fees for completing the initial training program. The term of each Licensed Location under the new license agreement will be the balance of the License Term of each Licensed Location under this Agreement.

(xi) That the transferee has acquired, or will be able to immediately acquire following the execution of the new license agreement, all permits, licenses and other authorizations required by any federal, state or local, rule or regulation to operate the Licensed Locations. If applicable law enables Licensee to Transfer or assign any of the aforementioned permits, licenses and/or authorizations that Licensee possesses to the transferee, then Licensee agrees to do so immediately following PHLLC's execution of the transferee's new license agreement.

(xii) That PHLLC has the absolute right to require any owners or other parties having an interest in the proposed transferee to execute the Guaranty substantially in PHLLC's then-current form.

(xiii) That Licensee and its affiliates, and the transferee (and each of its affiliates) execute a general release substantially in PHLLC's then-current form of any and all claims, demands and causes of action which Licensee, such owners or the transferee and its owners may or might have against PHLLC and/or any of its affiliates through the date of execution of the transferee's new license agreement.

(xiv) That Licensee furnishes PHLLC with a copy of any proposed contract of Transfer (and any related agreements or documents PHLLC may otherwise require) and, promptly following execution, furnish to PHLLC a copy of the executed contract of Transfer (and any related agreements).

(xv) That Licensee pays PHLLC the Transfer Fee for each Licensed Location operated under this Agreement.

(xvi) That neither the proposed transferee, any of its principals or affiliates directly or indirectly owns, operates or has any interest in, or has a material business relationship with, a Competitor.

(b) Notwithstanding anything to the contrary in this Agreement, Licensee understands and agrees that it will remain fully liable and responsible for all of its obligations to PHLLC and its affiliates under this Agreement which arose in connection with the operation of the Licensed Locations prior to the effective date of the transferee's new license agreement (specifically including Licensee's obligation to indemnify PHLLC and the other PHLLC Parties) and Licensee agrees to execute any and all documents PHLLC reasonably requests to further evidence such liability. The execution of the new license agreement will terminate this Agreement, except for any guarantees provided by Licensee's affiliates or principals; any of Licensee's obligations to PHLLC or its affiliates which remain outstanding and/or unsatisfied; and, the post-termination and post-expiration provisions of this Agreement which, by their nature, are intended to survive. Licensee further understands and agrees that PHLLC's consent to any transfer will not constitute PHLLC's waiver of any claims against Licensee by PHLLC or its affiliates, under this Agreement or otherwise.

(c) It is acknowledged and agreed that a material part of the consideration for PHLLC to enter into this Agreement is the personal confidence reposed in the Licensee, and no Person shall succeed to any of the rights of Licensee under this Agreement by virtue of a voluntary or involuntary proceeding in foreclosure, bankruptcy, receivership, attachment, execution, assignment for the benefit of creditors, or any other legal process or proceeding.

(d) Licensee expressly agrees that its obligation to indemnify and hold harmless PHLLC and the other PHLLC Parties under Section 14.2 of this Agreement extends to and embraces liabilities arising from or relating to, directly or indirectly, any statements, representations or warranties that Licensee may give to or receive from any proposed transferee and/or any claim that Licensee (and Licensee's owners, affiliates, management or employees) or Licensee's transferee engaged in fraud, deceit, violation of franchise laws or other illegality in connection with the negotiation or consummation of a Transfer. As with all other indemnification obligations set forth in this Agreement, this specific indemnification obligation will survive the termination or expiration of this Agreement.

13.4 Transfer of Assets. Prior to a transfer by Licensee of any of the fixtures, equipment, smallwares, or other personal property used in connection with Licensee's operations pursuant to this Agreement, Licensee must remove from any such assets any of the Marks that appear thereon. Licensee may not transfer any equipment or smallwares that incorporate PHLLC's proprietary designs or information, or any supplies, inventory, ingredients, or packaging, to anyone other than PHLLC without the prior, written consent of PHLLC.

14. INDEMNIFICATION AND INSURANCE.

14.1 Insurance Coverages.

(a) Licensee shall, at its sole expense, procure and maintain the insurance coverages required by the Brand Standards at all times during the Term of this Agreement and at all times during which Licensee's indemnification obligations hereunder shall be in force. The insurance required by the Brand Standards may include Commercial General Liability Insurance (including coverage for Contractual Liability, Indemnification, Products Liability and Completed Operations), Worker's Compensation Insurance, Professional or Errors and Omissions Liability, Technology/Cyber Liability Insurance, and Business Automobile Liability Insurance.

(b) All insurance policies procured and maintained by Licensee shall: (i) be primary and non-contributory to any insurance policies maintained by PHLLC, with any such insurance carried by PHLLC considered excess; (ii) contain a waiver of subrogation in favor of PHLLC; (iii) name the indemnitees as additional named insureds; (iv) be obtained from reputable insurance companies with an A.M. Best rating of A or better and authorized to do business in all jurisdictions in which the Licensed Location is located. Licensee will further make any and all contributions to government-administered insurance and other plans and programs in respect of its employees and businesses, as and when required by applicable law and will provide PHLLC with evidence of same upon request.

14.2 Indemnification.

(a) ~~Licensee's~~ Licensee must, in addition, indemnify, defend, and hold harmless PHLLC, its affiliates, and their respective current and former employees, officers, directors, agents ~~and~~, shareholders, predecessors, successors, and assigns (collectively, the "PHLLC Parties") against all losses and expenses (including reasonable attorney fees) incurred by any of them owing to claims that arise directly or indirectly from: Licensee's operations under this Agreement ~~or~~; Licensee's breach of this Agreement; Licensee's development, ownership, or operation of the Licensed Location(s); or claims brought by Licensee's employees or arising from Licensee's employment practices.

(b) In addition to defending trademark infringement claims as provided for in Section 3.5, PHLLC will indemnify Licensee, its affiliates, and their respective employees, officers, ~~2024 MLA~~

directors, agents and shareholders against all losses and expenses (including reasonable attorney fees) incurred by any of them owing to claims that arise directly or indirectly from PHLLC's gross negligence or breach of this Agreement.

(c) To the fullest extent permitted by applicable law, neither party shall be liable to the other party for any consequential, incidental, indirect, exemplary, special, punitive, or enhanced damages, or for any loss of actual or anticipated profits (regardless of how these are classified as damages), whether arising out of breach of contract, tort (including negligence), or otherwise (including the entry into performance, or breach of this Agreement), regardless of whether such damage was foreseeable and whether either party has been advised of the possibility of such damages. The foregoing limitations shall not apply to losses arising out of or relating to a party's failure to comply with its confidentiality obligations herein or to a party's indemnity obligations under this Agreement.

(d) This Section 14.2 will survive termination or expiration of this Agreement.

15. REQUESTS FOR WAIVERS OR CONSENTS.

Whenever Licensee desires PHLLC's waiver of any requirement of this Agreement, and whenever this Agreement requires Licensee to obtain PHLLC's prior written consent, Licensee should address its written request for that waiver or consent to PHLLC's Concepts Licensing Department or to any other person or department specified by this Agreement or designated by PHLLC in writing. PHLLC will consider each request and advise Licensee in writing of PHLLC's decision within 45 days after receipt of the request. PHLLC's failure to advise Licensee on a timely basis that a request is granted constitutes a denial of the request.

16. DEFAULT AND TERMINATION.

16.1 Default by Licensee.

(a) If Licensee does not comply promptly with any term or condition of this Agreement at or with respect to any Licensed Location, Licensee will be in default under this Agreement. In addition to all other remedies PHLLC may have at law or in equity, PHLLC may (at its option but subject to the notice and cure provisions described below and the terms of this Agreement): (a) terminate the applicable Schedule and the Licensee's right to operate the specified Licensed Concept at the specified Licensed Location, if the default under the Schedule is material, or (b) terminate this Agreement as a whole if Licensee's default is material and relates to 20% or more of the Schedules issued to Licensee pursuant to this Agreement.

(b) PHLLC may not terminate any Schedule or this Agreement as a whole unless PHLLC gives Licensee prior written notice of and (except as provided below) an opportunity to cure the default. Licensee will have 10 business days after the effective date of notice from PHLLC to cure any default in payment to PHLLC or its affiliates and 30 days to cure any other type of default (or such greater number of days that PHLLC allows in its sole discretion or as required by applicable law), except that Licensee will have no opportunity to cure the default if 2 or more times in the 12 months, or 3 or more times in the 24 months, immediately preceding the effective date of notice of the current default, PHLLC had given Licensee notice of other defaults (even though cured) under any Schedule(s) issued pursuant to this Agreement.

(c) In addition, before a default that has been noticed in writing is considered cured, Licensee must pay to PHLLC an administrative fee as set forth in the Brand Standards or other writing from PHLLC in order to compensate PHLLC for its costs and expenses in addressing such default (but not in lieu of the right to pursue any other remedy available). Notwithstanding these

notice provisions, if applicable law requires a longer cure period, Licensee will have the longer cure period required by law.

16.2 Termination. Notwithstanding Section 16.1, PHLLC may, at its option, terminate this Agreement as a whole effective immediately on written notice to Licensee (without right to cure), if any of the following events occur:

- (a) a Transfer of any interest in this Agreement or in any Schedule that is not in accordance with the provisions of Section 13.2;
- (b) any Transfer of interest in Licensee that is not in accordance with the provisions of Section 13.3;
- (c) Licensee discloses the contents of the Brand Standards, the Manuals or any other of PHLLC's trade secrets or proprietary or confidential information;
- (d) Licensee knowingly maintains false books or records, or knowingly submits false reports to PHLLC, or knowingly misrepresents any material fact in its application for this license;
- (e) Licensee conducts its business hereunder in such a way as to constitute an imminent danger to the public health or poses a risk of significant and immediate damage to the value of the Marks;
- (f) Licensee fails to operate the Licensed Location for 3 or more consecutive days without PHLLC's prior consent, which will not be unreasonably withheld if the Licensed Location is closed by reason of casualty or remodeling;
- (g) Licensee or any of Licensee's owners engage in any act, conduct, or practice which PHLLC, in its sole judgment, deems to be deceptive, misleading, unethical, or otherwise contrary to or in conflict with the reputation and image of the System;
- (h) Licensee or any Guarantor or any other Person that controls or has an ownership interest in Licensee is or becomes a Restricted Person;
- (i) Licensee or any of Licensee's owners is convicted of, or pleads *nolo contendere* (or the equivalent plea under local law) to a felony (or crime of similar import under local law) or any other crime or offense that is reasonably likely, in the opinion of PHLLC, to adversely affect the System, the Marks, the goodwill associated therewith, or PHLLC's interest therein;
- (j) Execution is levied against Licensee's business or property in any amount that PHLLC deems material (but in no event will an amount below \$25,000 be deemed material);
- (k) Licensee files a voluntary petition under any bankruptcy or debtor's relief law or admits in writing its inability pay debts when due, or if Licensee is adjudicated bankrupt or insolvent in proceedings filed against Licensee under any applicable law; or if a bill in equity or other proceeding for the appointment of a receiver of Licensee or other custodian for Licensee's business or assets is filed and consented to by Licensee or appointed by any court of competent jurisdiction;
- (l) Licensee receives a rating of "Underperforming" on 4 consecutive Food Safety Compliance Checks at any Licensed Location;
- (m) Licensee receives a rating of "Underperforming" in 4 out of the last 5 Food Safety Compliance Checks at the same Licensed Location; or
- (n) Any other License Agreement between PHLLC and Licensee or any affiliate thereof has been terminated.

The expiration or earlier termination of this Agreement shall not discharge or release either party from any liability or obligation then accrued or any liability or obligation continuing beyond or arising out of the expiration or earlier termination of this Agreement.

16.3 Voluntary Termination by Licensee.

(a) In addition to its other rights, Licensee may terminate any Schedule issued pursuant to this Agreement at any time under the following conditions:

(i) if Licensee is operating at the Licensed Location specified in the Schedule pursuant to a right granted by a third party, and (1) Licensee's contract or lease allowing Licensee to operate at the Licensed Location is terminated or cancelled, or expired without renewal, or (2) the third party has a right to control the products sold by Licensee and requires Licensee to remove the Licensed Concept from Licensee's foodservice operation at the Licensed Location; or

(ii) ~~if Licensee pays to PHLLC an early termination fee equal to (1) the Average Monthly Fees multiplied by (2) the lesser of (X) 24 months, or (Y) the number of months remaining in the Initial Term, first Renewal Term, or second Renewal Term, as applicable,~~ at the time Licensee notifies PHLLC in writing of its desire to terminate. If Licensee terminates within 24 months of opening the Licensed Location, the early termination fee is \$15,000. If Licensee terminates 24 months or later after opening the Licensed Location, the early termination fee is \$10,000.

16.4 Absence of Schedules. If all of the Schedules issued by PHLLC to Licensee in accordance with this Agreement have expired or been terminated, either party may terminate this Agreement on written notice to the other.

16.5 Opening of First Location. If Licensee has not executed a Schedule for the first Licensed Location and opened for business the first Licensed Location within 1 year from the Effective Date, then this Agreement will terminate without further notice.

17. POST-TERMINATION PROVISIONS.

17.1 Use of Marks, Pizza Hut Information and Equipment.

(a) Upon expiration or termination of any Schedule issued pursuant to this Agreement, Licensee must immediately discontinue use of the Marks and of all Pizza Hut Information at the Licensed Location specified in that Schedule. In addition, Licensee must immediately take all further steps that PHLLC directs to effectively distinguish the specified Licensed Location from PHLLC's proprietary design(s) and trade dress. Because of the likelihood of confusion as to source, Licensee covenants not to sell after termination any non-frozen pizza products from the Licensed Location until the decor and configuration of the Licensed Location has been sufficiently modified so as not (in PHLLC's reasonable opinion) to cause customer confusion.

(b) Furthermore, upon such expiration or earlier termination, Licensee must destroy or offer for sale to PHLLC each piece of equipment used in the operation of the Licensed Concept at the Licensed Location that PHLLC deems proprietary. PHLLC will, upon request from Licensee, notify Licensee of the pieces of equipment PHLLC deems proprietary. If PHLLC elects to purchase the equipment, the price to PHLLC for each piece of equipment will be the lower of fair market value or Licensee's depreciated net book value at the time of sale to PHLLC.

(c) If Licensee does not make all required changes and destroy or offer to sell the proprietary equipment to PHLLC within 7 days after receiving written notice from PHLLC, then PHLLC may (in addition to its other remedies) enter upon the premises of the Licensed Location and make or cause to be made all necessary changes, and take possession of the proprietary equipment, at the

expense of Licensee. In exercising its rights pursuant to this provision, PHLLC will comply with the non-discriminatory security rules (if any) applicable to the Licensed Location.

17.2 Return of Manual and Training Materials. Upon termination or expiration of any Schedule issued pursuant to this Agreement, Licensee must, at PHLLC's sole discretion, either immediately return to PHLLC or destroy all originals and copies of the Manual and training materials provided to or made by Licensee with respect to the Licensed Concept and Licensed Location specified in the Schedule.

17.3 Cessation of Rights and Duties. Licensee's obligation to pay accrued monetary obligations, and all other provisions of this Agreement providing for survival after termination of this Agreement will survive termination of each Schedule issued pursuant to this Agreement and of this Agreement as a whole. All other rights and duties of both parties will cease upon expiration or earlier termination of this Agreement as a whole.

17.4 Spice Blends. Upon expiration or earlier termination of this Agreement as a whole, Licensee must destroy or offer for sale to PHLLC all quantities of the secret spices and other trade secret items that Licensee may have in stock on the date of expiration or earlier termination of this Agreement as a whole.

18. DISPUTE RESOLUTION.

18.1 Jurisdiction and Governing Law. This Agreement takes effect upon its acceptance and execution by PHLLC, and is to be governed by and construed in accordance with the internal laws of the State of Texas. Licensee consents to the jurisdiction and venue of any state or federal court of general jurisdiction in Collin County, Texas, and agrees that it will not institute litigation with respect to any dispute arising out of this Agreement or the relationship between the parties except in those courts. Delivery by any lawful means of written process to a party's respective address as specified in, and pursuant to the requirements of Section 21.5, constitutes lawful and valid process for purposes of this Agreement.

18.2 Attorneys' Fees. If PHLLC and Licensee become involved in litigation, the losing party will reimburse the prevailing party's outside attorneys' fees and expenses to the extent those fees and expenses are reasonable.

18.3 WAIVER OF JURY TRIAL. EACH OF LICENSEE AND PHLLC ABSOLUTELY, IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY DISPUTE RELATED TO THE LICENSED LOCATION, THIS AGREEMENT, THE RELATIONSHIP OF THE PARTIES OR ANY ACTIONS OR OMISSIONS IN CONNECTION WITH ANY OF THE ABOVE.

18.4 INJUNCTION. Licensee explicitly affirms and recognizes the unique value and secondary meaning associated with the System, confidential information, Pizza Hut Information, and the Marks. Accordingly, Licensee agrees that any noncompliance by Licensee with the terms of this Agreement, or any unauthorized or improper use of the System or the Marks by Licensee, or any violation of the restrictions on Licensee's use of confidential information or Pizza Hut Information will cause irreparable damage to PHLLC, its affiliates, the System, and other Pizza Hut franchisees and licensees. Licensee therefore agrees that if Licensee engages in such noncompliance, or unauthorized and/or improper use of the System or the Marks, or violates the restrictions on the use of confidential information or the Pizza Hut Information during or after the Term of this Agreement, PHLLC and its affiliates will be entitled to both temporary and permanent injunctive relief against Licensee or its affiliates from any court of competent jurisdiction, in addition to all other remedies which PHLLC may have at law and under this Agreement. Licensee consents to the entry of these temporary and permanent injunctions without the requirement that PHLLC post a bond of any type or nature, or any other form of

security, and without the requirement to prove the adequacy of money damages as a remedy, and without our waiving any other rights or remedies at law or in equity. Licensee will be responsible for payment of all costs and expenses, including reasonable attorneys' and expert fees, which PHLLC and/or its affiliates may incur in connection with the efforts to secure such injunctive relief.

19. GUARANTY.

As an inducement and as a condition to PHLLC's execution and acceptance of this Agreement, Licensee's principals ~~or~~ and affiliates will, jointly and severally, guarantee the performance of Licensee's obligations, covenants and agreements under this Agreement pursuant to the terms and conditions of the Agreement and Guaranty in the form of Exhibit C to this Agreement, and will otherwise bind themselves to the terms of this Agreement as stated herein.

20. DATA PRIVACY AND PROTECTION; COMPLIANCE WITH LAWS.

20.1 Privacy Laws. Licensee will: (a) process, retain, use, collect and disclose Personal Information (defined below) only in strict compliance with all applicable international, national, federal, provincial, state, or local laws, codes or regulations that regulate the processing of information that can be used (alone or when used in combination with other information within Licensee's control) to identify, locate or contact an individual or pertains in any way to an identified or identifiable individual ("**Personal Information**") in any way, including, but not limited to, national and state data protection laws, laws regulating marketing communications and/or electronic communications, information security regulations and security breach notification rules ("**Privacy Laws**"); (b) employ administrative, physical, technical and organizational safeguards that: (i) are designed to prevent the unauthorized collection, access, use and disclosure of Personal Information ("**Safeguards**"); and (ii) meet or exceed industry standards regarding Safeguards, including payment card industry ("**PCI**") standards, norms, requirements and protocols to the extent applicable; (c) comply with all Safeguards that have been and are in the future developed and compiled by PHLLC that relate to Privacy Laws and the privacy and security of Personal Information; (d) refrain from any action or inaction that could cause PHLLC or its affiliates to breach any Privacy Laws; and (e) do and execute, or arrange to be done and executed, each act, document and thing PHLLC deems necessary in its business judgment to keep PHLLC and its affiliates in compliance with the Privacy Laws. Licensee will be fully responsible for any unauthorized collection, access, use and/or disclosure of Personal Information arising from Licensee's action or inaction. Licensee further agrees that the indemnification of PHLLC and its affiliates specifically embraces all claims and liabilities sought to be imposed against PHLLC arising from or related to (directly or indirectly) Licensee's failure to comply with the provisions of this Section 20.1.

Licensee will immediately notify PHLLC in writing (x) of any breaches or suspected breaches of security (either electronic or physical) that may result in the unauthorized collection, access, use or disclosure of Personal Information ~~or~~; (y) if Licensee receive any oral or written notice of inquiry, investigation or review from any individual or administrative agency (such as the Federal Trade Commission or State Attorney Generals' offices or other similar agency in countries outside of the U.S.) that arises out of, relates to or affects Personal Information within Licensee's control; or (z) if Licensee receives any communication or request from any customer or other data subject to access, correct, delete, opt-out of, or limit activities relating to any Personal Information. Licensee will comply with PHLLC's requests and make all reasonable efforts to assist PHLLC in relation to the investigation and remedy of any such breach of security and any claim, allegation, action, suit, proceeding or litigation with respect to the unauthorized access, use or disclosure of the Personal Information.

Notwithstanding anything to the contrary in this Agreement or otherwise, Licensee agrees that PHLLC does not control or own any of the following Personal Information (collectively, the "**Restricted Data**"): (a) any Personal Information of the employees, officers, contractors, owners or other personnel of Licensee, its affiliates, or the Licensed Location(s); (b) such other Personal Information as

2024-MLA

PHLLC from time to time expressly designates as Restricted Data; and/or (c) any other Personal Information to which PHLLC does not have access. Regardless of any guidance PHLLC may provide generally and/or any specifications that PHLLC may establish for other Personal Information, Licensee has sole and exclusive responsibility for all Restricted Data, including establishing protections and safeguards for such Restricted Data; provided, that in each case Licensee agrees to comply with all applicable laws, regulations, orders, and the guidance and codes issued by industry or regulatory agencies applicable to such Restricted Data.

20.2 Electronic Systems. Notwithstanding anything to the contrary in this Agreement, PHLLC is not liable for any loss or damage arising out of the use or failure of any electronic systems or support services, including corruption or loss of data, and Licensee waives any right to, or claim of, any direct, exemplary, incidental, indirect, special, consequential or other similar damages (including loss of profits) in connection with the use, inability to use, breach or failure of any electronic systems or support services, even if PHLLC has been advised of the possibility of such damage, breach or failure. To the extent permissible, PHLLC will use reasonable efforts to make available for Licensee any warranties or other similar protections provided by PHLLC's vendors with respect to the electronic systems.

20.3 Product Purchase Data. Licensee authorizes all of its suppliers (including McLane Foodservice, Inc.) to provide data to PHLLC concerning purchases by Licensee with respect to each of the ingredients used in the preparation of Licensed Products sold from the Licensed Location. PHLLC may require that any report referenced in this Section be prepared and submitted on a periodic basis in accordance with PHLLC's internal accounting periods or an accounting calendar PHLLC may designate.

20.4 Compliance with Applicable Law. Licensee agrees to adhere to the highest standards of honesty, integrity and fair dealing in all dealings with the public and to operate the Licensed Locations in strict compliance with all applicable laws, including Anti-Terrorism Laws and PCI compliance standards. Licensee agrees that Licensee will not hire, retain, employ or otherwise engage the services of any individual or entity in contravention of any Anti-Terrorism Law or any other law. Licensee further agrees to obtain and keep in good standing all licenses, permits and authorizations required by applicable law. In connection with such compliance efforts, Licensee agrees not to enter into any prohibited transactions and to properly perform any currency reporting and other activities relating to its Licensed Location(s) as may be required by PHLLC or by law. Licensee is solely responsible for ascertaining what actions must be taken by it to comply with all such applicable laws, and specifically acknowledges and agrees that its indemnification responsibilities as provided in Section 14.2 pertain to Licensee's obligations hereunder. Licensee represents that neither Licensee nor any of its affiliates (including their directors and officers), owners or the funding sources for any of them or the Licensed Locations, is a Restricted Person, and agrees not to hire any Restricted Person.

21. MISCELLANEOUS.

21.1 Relation of Parties. ~~Licensee represents and warrants to PHLLC that Licensee has in good faith determined that its sales contemplated by this Agreement of Licensed Products will not constitute more than 20% of its business (either at a specific Licensed Location or as a whole) in the foreseeable future.~~ PHLLC and Licensee are not and may not be considered as franchisor/franchisee, joint venturer, partners, or agents of each other. Neither Licensee nor PHLLC has the power to bind or obligate the other except as set forth in this Agreement. Licensee specifically acknowledges that the relationship created by this Agreement is not a fiduciary or any other similar or special relationship, but solely an arm's-length business relationship.

21.2 Counterparts. This Agreement and all Schedules may be executed in any number of counterparts, each of which, when executed and delivered, is an original, but all counterparts

together constitute one and the same instrument. Delivery of a signed and executed copy of this Agreement and any Schedule by ~~faesimile, e-mail or other~~ electronic method of transmission shall be equally effective as delivery of an original executed counterpart. Any party delivering a signed and executed copy by ~~faesimile, e-mail or other~~ electronic method of transmission also shall deliver an original executed counterpart, but the failure to deliver an original executed counterpart shall not affect the validity, enforceability and binding effect of this Agreement or any Schedule.

21.3 No Third-Party Beneficiaries. Nothing in this Agreement confers any rights or remedies on any person or legal entity not a party to this Agreement.

21.4 Severability.

(a) The portions of this Agreement relating to the payment of fees to PHLLC, and the portions relating to the protection and preservation of the Marks and the Pizza Hut Information are critical to this Agreement. If any portion of this Agreement relating to those matters is declared invalid or unenforceable for any reason by final determination by a court of competent jurisdiction or future legislative action, PHLLC may terminate this Agreement immediately, on written notice to Licensee. All other terms and conditions of this Agreement, and every portion of those other terms and conditions, are severable.

(b) If, for any reason, any portion of this Agreement (other than the nonseverable portions, as defined in Section 21.4(a)) is determined to be invalid or contrary to or in conflict with any applicable present or future law, rule, or regulation, in a final, unappealable ruling issued by any court, agency, or tribunal with valid jurisdiction in a proceeding to which PHLLC is a party, that ruling does not impair the operation of, or have any other effect upon, any other portion of this Agreement, each of which remains binding upon the parties and should continue to be given full effect. Any invalid portion is deemed removed from this Agreement as of the date upon which the ruling becomes final and is to be replaced by the closest enforceable provision.

21.5 Notices. Any notice, request or protest required or permitted to be given under this Agreement must be in writing; must be delivered to the other party either personally or by a recognized overnight delivery service capable, through “signature capture” or otherwise, of documenting delivery or attempted delivery of the notice, or, by electronic mail with third party proof of delivery (including date and time); and, will be effective on the date that delivery either is effected or is documented to have been first attempted. PHLLC reserves the right to designate in the Brand Standards a now or hereafter developed mode of electronic communication to facilitate giving notices to the other party, but only if the mode of communication PHLLC specifies is capable of affording evidence of delivery or attempted delivery.

21.6 Time of Essence. Time is of the essence of this Agreement and of each provision of this Agreement.

21.7 Merger.

(a) This Agreement (together with each Exhibit, Schedule, and the ~~Manual, as it exists from time to time~~ Brand Standards, as they may periodically be modified, each of which is incorporated by reference into this Agreement) contains the entire agreement of the parties with respect to the subject matter discussed in this Agreement. All prior discussions or negotiations (written or oral) are merged into this Agreement, and no representations, inducements, promises, or agreements not embodied in this Agreement survive the execution of this Agreement. This Agreement may not be modified or amended except (i) by issuance of a Schedule, signed by both parties, (ii) by a modification, supplement, or revision to the Manual issued by PHLLC in accordance with the terms of this Agreement, or (iii) by a written document, signed by the party to be bound, specifically referring to this Agreement.

(b) Notwithstanding the foregoing, however, nothing in the preceding paragraph will disclaim the representations made to Licensee in the Franchise Disclosure Document for Prospective Licensees (the “**Disclosure Document**”) that was presented to Licensee by PHLLC before execution of this Agreement.

21.8 Employment Relations. Licensee will be solely responsible for all of Licensee’s employment practices, including hirings, terminations, and other personnel actions. GUARANTY

This Guaranty (“Guaranty”) is executed as of _____ (“Effective Date”) by the undersigned party or parties (“Guarantor”), for the benefit of Pizza Hut, LLC (“PHLLC”).

In consideration of and as an inducement to PHLLC to execute the Master License Agreement dated as of the date hereof (as such agreement may be amended, the “Agreement”), between PHLLC and (“Licensee”), for the Licensed Location, Guarantor agrees as follows:

1. Unconditional Guaranty. Guarantor unconditionally guarantees that all of Licensee’s obligations under the Agreement will be punctually paid and performed. On default by Licensee and notice from PHLLC, Guarantor will immediately make each payment and perform each obligation required by Licensee under the Agreement. PHLLC may extend, modify or release any indebtedness or obligation of Licensee, or settle, adjust or compromise any claim against Licensee without notice to Guarantor, and any such action will not affect the obligations of Guarantor under this Guaranty.

2. Waiver of Notices. Guarantor waives (i) notice of any amendment of any of the Agreement and (ii) notice of demand for payment or performance by Licensee. Guarantor’s guarantee applies to any extension or renewal of any of the Agreement. Guarantor unconditionally and irrevocably waives notice of acceptance of this Guaranty, presentment, demand, diligence, protest and dishonor or of any other notice to which Guarantor otherwise might be entitled under applicable law.

3. Representations and Obligations of Guarantor.

A. Guarantor affirms and makes all of the covenants, representations, warranties and agreements of Licensee set forth in the Agreement;

B. The obligations of Guarantor under this Guaranty will not be reduced, limited, terminated, discharged, impaired or otherwise affected by (i) Licensee’s failure to pay a fee or provide consideration to Guarantor for the issuance of this Guaranty; (ii) the occurrence or continuance of a default under any of the Agreement or any Schedule; (iii) any assignment of ~~any of the~~ Agreement or any Schedule; (iv) any amendment, waiver, consent or other action taken related to ~~any the~~ Agreement or any Schedule, including any discounts or extensions of time for payment of any amounts due under ~~any of the~~ Agreement or any Schedule or extensions of time for the performance of any obligation of Licensee under ~~any the~~ Agreement or any Schedule; (v) the voluntary or involuntary liquidation, sale or other disposition of all or any portion of Licensee’s assets, or the receivership, insolvency, bankruptcy, reorganization or similar proceedings affecting Licensee or its assets or the release or discharge of Licensee from any of its obligations under ~~any the~~ Agreement or any Schedule; or (vi) any change of circumstances, whether or not foreseeable, and whether or not any such change could affect the risk of Guarantor.

C. Any modifications, amendments, waivers or consents to the Agreement may be agreed to or granted without the approval or consent of Guarantor.

D. PHLLC may pursue its rights against any of Guarantor without first exhausting its remedies against Licensee and without joining any other guarantor and no delay on the part of PHLLC in the exercise of any right or remedy will operate as a waiver of the right or remedy, and no single or partial exercise by PHLLC of any right or remedy will preclude the further exercise of that or any other right or remedy.

4. Payment and Performance. This Guaranty constitutes a guaranty of payment and performance and not of collection. Guarantor waives any right to require PHLLC to proceed, by way of set-off or otherwise,

against (i) Licensee; (ii) any assets of Licensee; (iii) any assets of Licensee held by any Person as security; or (iv) any other guarantor.

5. Preferences or Other Return Payments. This Guaranty will continue to be effective or be reinstated, as the case may be, if at any time payment under any of the Agreement is rescinded or must otherwise be restored or returned by PHLLC due to the insolvency, bankruptcy or reorganization of Licensee or Guarantor, all as though such payment had never been made.

6. Notices. All notices and other communications will be: (i) in writing; (ii) delivered by hand with receipt, or by courier service with tracking capability; and (iii) addressed as provided below or at any other address designated in writing by Guarantor. Any notice will be deemed received (i) when delivery is received or first refused, if delivered by hand or (ii) one day after posting of such notice, if sent via overnight courier.

7. Joint and Several Liability. If more than one Person has executed this Guaranty as a Guarantor, the liability of each Guarantor will be joint, several and primary.

8. Death of Guarantor. On the death of any individual Guarantor, the estate of such Guarantor will be bound by this Guaranty but only for defaults and obligations existing at the time of death. In such event, the obligations of any other Guarantors will continue in full force and effect.

9. Existence; Authorization; Prior Representations.

A. *Existence.* Each Guarantor that is not an individual represents and warrants that it: (i) is duly formed, validly existing and in good standing under the laws of the jurisdiction of its formation and (ii) has, and will continue to have, the ability to perform its obligations under this Guaranty.

B. *Authorization.* Each Guarantor represents and warrants that the execution and delivery of this Guaranty and the performance of its obligations under this Guaranty: (i) have been duly authorized; (ii) do not and will not violate, contravene or result in a default or breach of (a) any applicable law, (b) its governing documents or (c) any agreement, commitment or restriction binding on the relevant party; and (iii) do not require any consent that has not been properly obtained by the relevant party.

C. *Prior Representations.* Guarantor represents and warrants that all of the information in the application and provided in the Agreement was true as of the time made and is true as of the Effective Date, regardless of whether such representations and warranties were provided by Licensee or another Person.

D. *Restricted Persons.* Guarantor represents that neither Guarantor nor any of its affiliates (including their directors and officers), owners or the funding sources for any of them, is a Restricted Person.

10. Governing Law; ~~Arbitration;~~ Jurisdiction.

A. *Governing Law.* This Guaranty will be construed under and governed by Texas law, which law will prevail if there is any conflict of law.

B. *Jurisdiction.* Guarantor expressly and irrevocably submits to the non-exclusive jurisdiction of the courts of the State of Texas. So far as is permitted under Texas law, this consent to personal jurisdiction will be self-operative.

11. Costs of Enforcement. Guarantor agrees to pay all costs, including reasonable legal fees, incurred by PHLLC and its affiliates to enforce or protect any rights or to collect any amounts due under this Guaranty or any other Agreement.

12. WAIVER OF PUNITIVE DAMAGES. EACH OF GUARANTOR AND, BY ACCEPTANCE OF THIS GUARANTY, PHLLC ABSOLUTELY, IRREVOCABLY AND UNCONDITIONALLY WAIVES THE RIGHT TO CLAIM OR RECEIVE PUNITIVE DAMAGES IN ANY DISPUTE RELATED TO THIS

GUARANTY, THE RELATIONSHIP OF THE PARTIES OR ANY ACTIONS OR OMISSIONS IN CONNECTION WITH ANY OF THE ABOVE.

13. WAIVER OF JURY TRIAL. EACH OF GUARANTOR AND, BY ACCEPTANCE OF THIS GUARANTY, PHLLC ABSOLUTELY, IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY DISPUTE RELATED TO THIS GUARANTY, THE RELATIONSHIP OF THE PARTIES OR ANY ACTIONS OR OMISSIONS IN CONNECTION WITH THE ABOVE.

14. Remedies. PHLLC may pursue its rights against any of Guarantor without first exhausting its remedies against Licensee and without joining any other guarantor and no delay on the part of PHLLC in the exercise of any right or remedy will operate as a waiver of the right or remedy, and no single or partial exercise by PHLLC of any right or remedy will preclude the further exercise of that or any other right or remedy.

15. Counterparts. This Guaranty may be executed in any number of counterparts, each of which will be deemed an original and all of which constitute one and the same instrument. Delivery of an executed signature page by electronic transmission is as effective as delivery of an original signed counterpart.

16. Definitions. All capitalized terms not defined in this Guaranty have the meaning stated in the Agreement.

17. Waiver. PHLLC's failure to exercise any right or to insist on compliance by Guarantor with any provision of this Guaranty will not constitute a waiver of PHLLC's right to demand later full compliance with any provision of this Guaranty.

18. Amendments. This Guaranty may only be amended in a written document that has been duly executed by Guarantor and acknowledged and agreed to by PHLLC, and may not be amended by conduct manifesting assent, and each of PHLLC and Guarantor is put on notice that any individual purporting to amend this Guaranty by conduct manifesting assent is not authorized to do so.

19. Survival. The provisions of Sections 1, 7, 10, 11, 12 and 13 of this Guaranty will survive the expiration or termination of the Agreement and this Guaranty.

The Director of the Washington Department of Financial Institutions requires that certain provisions contained in franchise documents be amended to be consistent with Washington law, including the Washington Franchise Investment Protection Act, Wash. Rev. Code §§ 19.100.010 to 19.100.940 (“Act”). To the extent that the Agreements contain provisions that are inconsistent with the following, such provisions are hereby amended:

- a. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.
- b. RCW 19.100.180, may supersede the Agreements in your relationship with PHLLC, including the areas of termination and renewal of your license. There may also be court decisions which may supersede the Agreements in your relationship with PHLLC, including the areas of termination and renewal of your license.
- c. In any arbitration or mediation involving a license purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the Agreements, a Licensee may bring an action or proceeding arising out of or in connection with the sale of licenses, or a violation of the Washington Franchise Investment Protection Act, in Washington. -
- d. A release or waiver of rights executed by a Licensee shall not include rights under the Washington Franchise Investment Protection Act except when executed pursuant to a negotiated settlement after the Agreements are in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, rights or remedies under the Act such as a right to a jury trial may not be enforceable.
- e. Transfer fees are collectable to the extent that they reflect PHLLC’s reasonable estimated or actual costs in effecting a transfer.
- f. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a Licensee, unless the employee’s earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a Licensee under RCW 49.62.030 unless the independent contractor’s earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the Agreements or elsewhere that conflict with these limitations are void and unenforceable in Washington.
- g. RCW 49.62.060 prohibits PHLLC from restricting, restraining, or prohibiting a Licensee from (i) soliciting or hiring any employee of a Licensee of PHLLC or (ii) soliciting or hiring any employee of

the PHLLC. As a result, any such provisions contained in the Agreements or elsewhere are void and unenforceable in Washington.

h. To the extent required by the Act, you may terminate the Agreements on any grounds available under Washington law.

2. Each provision of this Amendment shall be effective only to the extent that the jurisdictional requirements of the Washington law applicable to the provision are met independent of this Amendment. This Amendment shall have no force or effect if such jurisdictional requirements are not met.

3. No statement, questionnaire, or acknowledgement signed or agreed to by a franchise in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

EXHIBIT C-1

STATE ADDENDA TO DISCLOSURE DOCUMENT

CALIFORNIA

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE LICENSE BE DELIVERED TOGETHER WITH THE FRANCHISE DISCLOSURE DOCUMENT.

The California Department of Financial Protection and Innovation requires that certain provisions contained in franchise documents be amended to be consistent with California law, including the California Franchise Investment Law, CAL. CORP. CODE Section 31000 *et seq.*, and the California Franchise Relations Act, CAL. BUS. & PROF. CODE Section 20000 *et seq.* To the extent that the franchise disclosure document and/or License Agreement contain provisions that are inconsistent with the following, such provisions are hereby amended:

The following is added to Item 3 of the disclosure document:

Neither PHLLC, nor any person identified in Item 2 of the disclosure document, is subject to any current effective order of any national securities association or national securities exchange as defined in the Securities Exchange Act of 1934, U.S.C.A., 78a *et seq.*, suspending or expelling such persons from membership in such association or exchange.

Item 17 of the disclosure document is supplemented by the following:

California Business and Professions Code, Sections 20000 through 20043, provide rights to the licensee concerning termination, transfer, or non-renewal of a license. If the License Agreement contains a provision that is inconsistent with the law, the law will control.

You must sign a release if you renew or transfer your license. California Corporations Code voids a waiver of your rights under the Franchise Investment Law (California Corporations Code 31000 through 31516). Business and Professions Code 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code 20000 through 20043).

The License Agreement contains a covenant not to compete that extends beyond the expiration or termination of the Agreement. This provision may not be enforceable under California law.

Certain liquidated damages clauses are unenforceable under California Civil Code Section 1671.

The License Agreement requires application of the laws of Texas. This provision may not be enforceable under California law.

The License Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. § 101 *et seq.*).

The License Agreement requires binding arbitration. The arbitration will occur at our then-current principal place of business with the costs being borne by equally by the parties, unless rules for special hearings require otherwise. Prospective licensees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal

Arbitration Act) to any provisions of a license agreement restricting venue to a forum outside the state of California.

Corporations Code 31512 provides that: "Any conditions, stipulation, or provision purporting to bind any person acquiring a license to waive compliance with any provision of this law or any rule or order hereunder is void." The License Agreement requires a shortened statute of limitations period. Pursuant to Corporations Code Section 31512, this provision is void, to the extent that it is inconsistent with the provisions of Corporations Code Sections 31303 and 31304.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including, fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor.

SECTION 31125 OF THE FRANCHISE INVESTMENT LAW REQUIRES US TO GIVE TO YOU A FRANCHISE DISCLOSURE DOCUMENT APPROVED BY THE COMMISSIONER OF FINANCIAL PROTECTION AND INNOVATION BEFORE WE ASK YOU TO CONSIDER A MATERIAL MODIFICATION OF YOUR LICENSE AGREEMENT.

REGISTRATION OF THIS DISCLOSURE DOCUMENT DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE COMMISSIONER.

No Poach Investigation

In re: Franchise No Poaching Provisions (Pizza Hut, LLC), No. 18-2-22882-4SEA

On September 13, 2018, PHLLC entered into an Assurance of Discontinuance (AOD) with the Attorney General for the State of Washington. In February 2018, the Washington State Attorney General had initiated an investigation by issuing Civil Investigative Demands to numerous franchisors regarding so-called “no poach” provisions in franchise contracts. The Attorney General alleged that the so-called “no-poach” provisions violated Washington state anti-trust laws. PHLLC provided information to the Attorney General about its prior-consent provision, which prior to late 2017 had been included in standard franchise agreements and which applied only to senior level employees who had worked for PHLLC or a franchisee in the previous six months at the pay grade of Restaurant General Manager (RGM) and above. By entering into the AOD, PHLLC admitted no wrongdoing, and confirmed that it had already removed the provision from new franchise and license agreements. It also agreed to amend its franchise and license agreements in the State of Washington, and not to enforce the provision in legacy agreements while it removed the language from agreements in the ordinary course of ongoing activities and/or transactions with franchisees and licensees. No damages, costs, fines, or penalties were levied as part of the AOD.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including, fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor.

WISCONSIN

The following is added to Item 17 of the disclosure document:

For Wisconsin franchisees, Ch. 135, Wisconsin Statutes, the Wisconsin Fair Dealership Law, supersedes any provisions of the Franchise Agreement or a related contract which is inconsistent with the Law.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including, fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor.

LICENSED LOCATION:

STARTING DATE: _____
(This is the date the Licensed Concept at the Licensed Location will commence operations.)

TERM EXPIRATION DATE: _____
(This is the date the Licensed Concept at the Licensed Location will expire term for operations.)

LICENSED CONCEPT: PHLLC authorizes Licensee to operate a Pizza Hut Mini Kitchen at the Licensed Location. The Pizza Hut Mini Kitchen is designed to allow an existing hotel kitchen to add branded Pizza Hut products to its existing product mix. The Licensed Products that the Licensee currently is authorized to sell in connection with this Licensed Concept are listed on Exhibit A hereto. These products may be sold from a Pizza Hut designated hot-hold cart, shared food merchandizing counters, lounges, general-purpose hotel restaurants, in-house catering, and room service.

1. Relation to Master License Agreement. PHLLC and Licensee are parties to a Master License Agreement (the "Agreement"), which bears the date set forth above (as the "Date of Master License Agreement"). This is one of the "Schedules" contemplated by the Agreement. Capitalized terms not defined herein have the meaning ascribed to them in the Agreement. This Schedule is a part of the Agreement must be read in conjunction with the Agreement, in order to understand the rights and obligations of PHLLC and of Licensee.

2. Extent of Licensed Location. This Licensed Location located specifically within a hotel only offers products sold from lounges, general-purpose restaurants, in-house catering (such as for business meetings), and room service. Licensee is not authorized to have a dedicated Pizza Hut restaurant within a hotel or resort. Licensed Location encompasses only the specific hotel or resort identified on the first page of this Schedule. The Licensed Location does not encompass any other building or portion of the complex (if any) in which that specific foodservice or retail facility is situated, even if there are other (whether related or independent) foodservice facilities in the same complex of buildings.

3. Delivery. Licensee located specifically within a hotel, only offering products sold from lounges, general-purpose restaurants, in-house catering (such as for business meetings), and room service where the Licensee is not authorized to have a dedicated Pizza Hut restaurant within a hotel or resort, may deliver Licensed Products to customers on the same property as the specific foodservice facility in which the Licensed Concept is situated at the Licensed Location. Licensee may not, without the prior, written consent of PHLLC, deliver any Licensed Product to any point outside the specific property on which the foodservice facility where the Licensed Concept is located. Furthermore, Licensee may not prohibit, or limit the rights of, PHLLC or any of its subsidiaries or franchisees from delivering PHLLC's proprietary brands of products to customers in the building in which the Licensed Location is situated (or any related point).

4. Marks. The principal word/logo Marks that PHLLC has designated as applicable to the Licensed Concept as of the date of this Schedule are listed on Exhibit B.

5. Fees. The fees contemplated by Sections 7.5 and 9.1 of the Agreement are, for purposes of this Schedule, as follows:

5.1 Initial License Fee. On or before the Starting Date (as set forth on the first page of this Schedule), Licensee must pay PHLLC an Initial License Fee of \$10,000 as partial consideration for PHLLC's authorization to operate the Licensed Concept at the Licensed Location. The Initial License Fee is fully earned when paid, and is not refundable to Licensee, in whole or in part, under any circumstances.

5.2 Monthly Service Fee. Licensee must pay PHLLC a Monthly Service Fee of 10% of Gross Sales each month. Notwithstanding the foregoing, for a Licensed Location with sales of less than \$80,000 per year, Licensee must pay PHLLC a Monthly Service Fee in an amount each month the greater of (i) 10% of Licensee's Gross Sales from the Licensed Location for the prior month or (ii) \$666.67. Payment of the Monthly Service Fee is due in accordance with the terms of the Agreement.

If aggregate Monthly Service Fees paid by Licensee with respect to the Licensed Location for any calendar year do not equal or exceed \$8,000 annually (pro-rated, if the Licensed Location is not open for business for the entire calendar year), then Licensee must pay PHLLC the difference between the \$8,000 and Licensee's actual monthly license fees, or an amount of not less than \$666.67 per month.

5.3 Marketing Fee. Licensee must pay PHLLC an annual Marketing Fee of \$ for each Licensed Location. Payment of the annual Marketing Fee is due in accordance with the terms of the Agreement.

6. Calculation of Gross Sales. If Licensed Products are sold as part of a package, such that the price of the Licensed Product is included as part of a package price that also covers other products or services (such as "American Plan" room rates or catered facilities rentals), the Gross Sales will be calculated by use of the "Imputed Price" of the Licensed Products. For this purpose, the "Imputed Price" is the menu price of the same Licensed Product (or the nearest available substitute) on Licensee's room service or restaurant menu (except that, if the same Licensed Product is offered on more than one menu, the average price will be used).

7. Scope of Brand Umbrella. If PHLLC consents to the merchandising (i.e., displaying for sale) of items other than Licensed Products under the Brand Umbrella, revenue from the sale of those items will be treated as part of Gross Sales for purposes of calculating monthly license fees. In determining the scope of the Brand Umbrella as it applies to room service or other menus, all items appearing in the "Pizza Hut" section of the menu are covered by the Brand Umbrella. Licensee is free to limit the size and scope of the "Pizza Hut" section of any menu by use of borders, varied colors, or other steps that distinguish the "Pizza Hut" section from the remainder of the menu.

8. Discount Room Rate. For purposes of conducting the inspections permitted by Section 6.1 of the Agreement, PHLLC's authorized representatives may, from time to time, stay as guests in the hotel/resort constituting the Licensed Location. Those representatives will be entitled to pay for a single night per inspection at the lowest discount rate available at the hotel/resort to employees of Licensee.

9. Counterparts. Delivery of a signed and executed copy of this Schedule by facsimile, e-mail or other electronic method of transmission shall be equally effective as delivery of an original executed counterpart. Any party delivering a signed and executed copy by facsimile, e-mail or other electronic method of transmission shall also deliver an original executed counterpart, but the failure to deliver an original executed counterpart shall not affect the validity, enforceability and binding effect of this Schedule.

Independent Auditors' Report

Management and Those Charged with Governance
Pizza Hut Guarantor, LLC:

Opinion

We have audited the consolidated financial statements of Pizza Hut Guarantor, LLC and its subsidiary (the Company), which comprise the consolidated balance sheets as of December 30, 2024 and December 25, 2023, and the related consolidated statements of income, member's equity, and cash flows for each of the years in the three-year period ended, December 30, 2024, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 30, 2024 and December 25, 2023, and the results of its operations and its cash flows for each of the years in the three-year period ended December 30, 2024, in accordance with U.S. generally accepted accounting principles.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the consolidated financial statements are issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

(1) Description of the Business

Pizza Hut Guarantor, LLC (the “Company”) was formed as a single-member, Delaware Limited Liability Company on November 30, 2016. The Company is a direct wholly-owned subsidiary of Pizza Hut Holdings, LLC, (the “Parent”), which is a wholly-owned subsidiary of Yum! Brands, Inc. (“YUM”). The Company was established to guarantee the performance of the duties and obligations of Pizza Hut, LLC, (“PH LLC”) under its franchise registration in each U.S. state where the franchise is registered, and under its Franchise Agreement identified in its 2024 Franchise Disclosure Document, as it may be amended, and as that Franchise Agreement may be entered into with franchisees and amended, modified or extended from time-to-time. The guarantee provided by the Company continues until all such obligations of PH LLC under its franchise registrations and the Franchise Agreement are satisfied, or until the liability of PH LLC to its franchisees under the Franchise Agreement has been completely discharged, whichever first occurs.

On January 23, 2017, the Parent contributed PH LLC to the Company. As a result of the contribution, the Company became the sole member and manager of PH LLC, which owns all domestic Pizza Hut franchise, license and development agreements and substantially all of Pizza Hut’s intellectual property in the United States. The Company recorded a capital contribution within Member’s equity equal to the carrying value of Pizza Hut LLC’s net assets of \$24.4 million as of January 23, 2017. All contributions of PH LLC net assets were accounted for at their respective book values as the contribution was a transaction under common control.

The activities of PH LLC include but are not limited to:

- acting as the franchisor under existing U.S. franchise agreements;
- entering into new franchise agreements and other related agreements with U.S. franchisees; and
- maintaining one or more capital accounts and any funds on deposit therein.

The Company is required to maintain a minimum net worth of \$15 million in order to qualify for the large franchisor exemption under certain state U.S. franchise registration laws. As of December 30, 2024, the Company had \$67.3 million of net worth reflected as Member’s equity within its Consolidated Balance Sheet.

The terms “franchise” or “franchisee” within these Consolidated Financial Statements are meant to describe third parties that operate units under either franchise or license agreements and PH LLC affiliated restaurants operating under franchise agreements.

(2) Summary of Significant Accounting Policies

(a) Principles of Consolidation and Basis of Presentation

The accompanying Consolidated Financial Statements have been prepared in accordance with Generally Accepted Accounting Principles in the United States of America (“GAAP”) and include the accounts of the Company and its subsidiary PH LLC. Intercompany accounts and transactions have been eliminated in consolidation. The Company’s Consolidated Financial Statements include the results of operations and cash flows of PH LLC for fifty-three weeks for 2024 and fifty-two weeks for 2023 and 2022.

The Company consolidates entities in which it has a controlling financial interest, the usual condition of which is ownership of a majority voting interest. The Company also considers for consolidation an entity, in which the Company has certain interests, where the controlling financial interest may be

Pizza Hut Guarantor, LLC and Subsidiary
Notes to Consolidated Financial Statements

(all tabular amounts in thousands)

achieved through arrangements that do not involve voting interests. Such an entity, known as a variable interest entity (“VIE”), is required to be consolidated by its primary beneficiary. The primary beneficiary is the entity that possesses the power to direct the activities of the VIE that most significantly impact its economic performance and has the obligation to absorb losses or the right to receive benefits from the VIE that are significant to it.

The Company’s most significant variable interests are in certain entities that operate restaurants under PH LLC’s franchise arrangements. The Company does not typically provide significant financial support such as loans or guarantees to Pizza Hut franchisees. As our franchise arrangements provide our franchisee entities the power to direct the activities that most significantly impact their economic performance, neither the Company nor PH LLC consider themselves the primary beneficiary of any such entity that might otherwise be considered a VIE. Additionally, neither the Company, nor PH LLC have an equity interest in any of our Pizza Hut franchisee businesses.

PH LLC and the International Pizza Hut Franchise Holder Association (“IPHFHA”), a third-party franchise association, manage an advertising cooperative (“AdCom”) that collects and administers funds contributed for use in advertising and promotional programs designed to increase sales and enhance the reputation of the Company, PH LLC, and its franchisees. AdCom’s assets and liabilities are included within the Company’s Consolidated Balance Sheet due to PH LLC having voting control over AdCom’s advertising and promotional program spending. Contributions to AdCom are required for all system restaurants and are based on a percentage of restaurant sales. Advertising cooperative assets, consisting primarily of cash received from the Company and franchisees and accounts receivable from franchisees, can only be used to settle AdCom’s advertising, promotional program-related and other obligations. Advertising cooperative liabilities represent the corresponding obligation arising from the receipt of the contributions to purchase advertising and promotional programs and outstanding balances, if any, under the line of credit. See Note 2(j) for classification of franchise contributions to AdCom.

Digico LLC is an affiliate of the Company and a wholly owned subsidiary of YUM, that provides digital and e-commerce services to Pizza Hut restaurants. Digico LLC is not consolidated by the Company as neither the Company nor PH LLC have a controlling financial interest in Digico LLC..

QuikOrder, LLC is an affiliate of the Company and a wholly owned subsidiary of YUM, that provides online ordering technology services to the system. QuikOrder, LLC, which was acquired by YUM on December 24, 2018, is not consolidated by the Company as neither the Company nor PH LLC have a controlling financial interest in QuikOrder, LLC.

In 2020, PH LLC executed an Assignment and Assumption Agreement (the “Agreement”) with Pizza Hut Connect, LLC (“PH Connect”), an affiliate of the Company and a wholly owned subsidiary of YUM that was established concurrent with YUM’s acquisition of QuikOrder, LLC.

Under the Agreement, effective as of the end of fiscal 2019, PH LLC assigned its rights, titles, interests and obligations related to certain restaurant-level technology services provided to our franchisees and related digital and technology third party contracts to PH Connect.

(b) Reclassifications

The Company has reclassified certain items in the Consolidated Financial Statements for prior periods to be comparable with the classification for the fiscal year ended December 30, 2024. These reclassifications had no effect on previously reported Net Income.

Pizza Hut Guarantor, LLC and Subsidiary
Notes to Consolidated Financial Statements
December 30, 2024 and December 25, 2023
(all tabular amounts in thousands)

(c) Use of Estimates

The preparation of the accompanying Consolidated Financial Statements in conformity with GAAP requires management to make estimates and assumptions that affect reported amounts of assets and liabilities, disclosures of contingent assets and liabilities at the date of the Consolidated Financial Statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

(d) Fiscal Year

The Company and PH LLC both operate using fifty-two week fiscal calendars that end on the Monday preceding YUM's fiscal year end. YUM's fiscal year begins on January 1 and ends December 31 of each year. As a result, there is a 53rd week added to the Company's and PH LLC's fiscal calendars every five to six years. Fiscal year 2024 included fifty-three weeks which added \$5.5 million to Total Revenue and \$4.0 million to Net Income in our 2024 Consolidated Statement of Income. The next fiscal year scheduled to include a 53rd week is 2030.

(e) Cash, Restricted Cash and Restricted Cash Equivalents

Cash was \$0.4 million as of both December 30, 2024 and December 25, 2023. Restricted cash and restricted cash equivalents consisted of advertising dues collected from franchisees required to be spent on advertising expenses and was \$16.0 million and \$23.4 million as of December 30, 2024 and December 25, 2023, respectively. Restricted cash equivalents represent funds we have temporarily invested (with original maturities not exceeding three months), including short-term, highly liquid debt securities. The cash balance exceeded the amount federally insured as of December 30, 2024. The Company has not experienced losses in such account, and credit loss risks are believed to be largely mitigated by utilizing a major financial institution.

(f) Accounts Receivable

The Company's receivables are primarily generated from ongoing business relationships with our franchisees as a result of franchise agreements, including sales-based franchise contributions due to AdCom. These receivables from franchisees are generally due within 30 days of the period in which the corresponding sales occur and are classified as Accounts and notes receivable, net on our Consolidated Balance Sheet and are presented net of allowance for doubtful accounts. Expected credit losses for uncollectible franchisee receivable balances consider both current conditions and reasonable and supportable forecasts of future conditions. Current conditions we consider include pre-defined aging criteria as well as specified events that indicate the Company may not collect the balance due. Reasonable and supportable forecasts used in determining the probability of future collection consider publicly available data regarding default probability. While we use the best information available in making our determination, the ultimate recovery of recorded receivables is dependent upon future economic events and other conditions that may be beyond our control. Receivables that are ultimately deemed to be uncollectible, and for which collection efforts have been exhausted, are written off against the allowance for doubtful accounts.

The Company recorded net bad debt expense of \$10.1 million in 2024, net bad debt recoveries of \$0.9 million in 2023 and net bad debt expense of \$1.3 million in 2022, within Franchise and license expenses related to franchise and license trade receivables. Receivables deemed uncollectible and written off against the allowance for doubtful accounts, net of any subsequent recoveries, were less than \$0.1 million in 2024 and 2023, respectively.

Pizza Hut Guarantor, LLC and Subsidiary
Notes to Consolidated Financial Statements
December 30, 2024 and December 25, 2023
(all tabular amounts in thousands)

Additionally, we recorded net bad debt expense of \$11.3 million, \$0.1 million and \$0.3 million in 2024, 2023 and 2022, respectively, within Franchise advertising and other services expense related to franchisee receivables due to AdCom. To the extent AdCom has a provision or recovery for bad debt expense, AdCom's spend obligation is adjusted such that there is no net impact within our Consolidated Financial Statements.

(g) Fair Value of Financial Instruments

As of December 30, 2024 and December 25, 2023, the carrying values of cash, restricted cash, restricted cash equivalents, accounts receivable and accounts payable approximated their fair values because of the short-term nature of these instruments.

(h) Software and Computer Equipment

PH LLC capitalizes application development stage internal use software costs, including internal payroll costs allocated to PH LLC (See Note 2(o)), that directly support restaurant-level technology services provided to franchisees. The useful lives of these assets range from three to seven years based on the length of time the asset is expected to contribute to the Company's Consolidated Cash Flows. Amortization is recorded in Franchise and license expenses. E-commerce and other digital technology services are provided by Digico LLC, an affiliate of the Company that is not consolidated by the Company as neither the Company nor PH LLC have a controlling financial interest in Digico LLC, and as such any related fees and expenses are excluded from these Consolidated Financial Statements.

(i) Revolving Line of Credit

In 2024, Adcom was a party to a Revolving Line of Credit (the "LOC") with a commercial bank permitting borrowings up to \$30 million. As of December 30, 2024, the outstanding borrowings under the LOC agreement were zero.

(j) Revenue Recognition

The Company, through its subsidiary PH LLC, executes franchise agreements for restaurants operated by franchisees that set out the terms of the arrangement. These include third-party franchise agreements as well as a franchise agreement between PH LLC and Pizza Hut of America ("PHA"), an affiliate of the Company and a direct wholly-owned subsidiary of Pizza Hut Holdings, LLC, governing Pizza Hut restaurants operated by PHA. These agreements govern the fees franchisees are required to pay, including franchise initial fees, continuing fees based upon a percentage of sales, transfer fees, and technology fees.

Below is a discussion of how our revenues are earned, our accounting policies pertaining to revenue recognition under Accounting Standards Codification Topic 606, Revenue from Contracts with Customers ("Topic 606") and other required disclosures.

Franchise and License Revenues

Our most significant source of revenues arises from the operation of our Pizza Hut stores by our franchisees. Franchise rights are granted through a store-level franchise agreement that set out the terms of our arrangement with the franchisee. Our franchise agreements require that the franchisee remit continuing fees to us as a percentage of the applicable restaurant's sales in exchange for the license of the intellectual property associated with our Pizza Hut brand (the "franchise right"). Our franchise agreements also typically require certain, less significant, upfront franchise fees such as initial fees paid upon opening of a store, fees paid to renew the term of the franchise right and fees paid in the event the franchise agreement is transferred to another franchisee.

Continuing fees represent the substantial majority of the consideration we receive under our franchise agreements. Continuing fees are typically billed and paid monthly and are usually 4% - 6% for store-level franchise agreements. Upfront franchise fees are typically billed and paid when a new franchise agreement becomes effective or when an existing agreement is transferred to another franchisee. The Company has determined that the services we provide in exchange for upfront franchise fees, which primarily relate to pre-opening support, are highly interrelated with the franchise right and are not individually distinct from the ongoing services we provide to our franchisees. As a result, upfront franchise fees are recognized as revenue over the term of each respective franchise agreement. Revenues for these upfront franchise fees are recognized on a straight-line basis, which is consistent with the franchisee's right to use and benefit from the intellectual property.

Franchise Contributions for Advertising and Other Services

Advertising Cooperatives

We have determined we act as a principal in the transactions entered into by AdCom based on our responsibility to define the nature of the goods or services provided and/or our commitment to pay for advertising services in advance of the related franchisee contributions. Additionally, we have determined the advertising services provided to franchisees are highly interrelated with the franchise right and therefore not distinct. Franchisees remit to AdCom a percentage of restaurant sales as consideration for providing the advertising services. As a result, revenues for advertising services are recognized when the related franchise restaurant sales occur based on the application of the sales-based royalty exception within Topic 606. Revenues for these services are typically billed and received on a monthly basis.

Other Goods or Services

On a much more limited basis, we provide goods or services to certain franchisees that are individually distinct from the franchise right because they do not require integration with other goods or services we provide. Such arrangements typically relate to technology, supply chain and quality assurance services. The extent to which we provide such goods or services varies by geographic region and, in some instances, franchisee. In instances where we rely on third parties to provide goods or services to franchisees at our direction, we have determined we act as a principal in these transactions and recognize related revenues as the goods or services are transferred to the franchisee.

(k) Franchise Support Costs

Certain direct costs of our franchise operations are charged to Franchise and license expenses. These costs include provisions for estimated uncollectible upfront and continuing fees, marketing funding on behalf of franchisees, amortization expense for franchise-related intangible assets and certain other direct incremental franchise support costs.

The costs we incur to provide support services to our franchisees for which we do not receive a reimbursement are charged to General and administrative expenses ("G&A") as incurred. Expenses related to the provisioning of goods or services for which we receive reimbursement for all or substantially all of the expense amount from a franchisee are recorded in Franchise advertising and other services expense (the associated revenue is recorded within Franchise contributions for advertising and other services as described above). The majority of these expenses relate to advertising and are incurred on behalf of franchisees by AdCom.

We incur advertising expense as a result of our obligation to spend franchisee contributions to AdCom (see above for our accounting for these contributions) and are recorded within Franchise advertising

and other services expense. At the end of each fiscal year additional advertising costs are accrued to the extent advertising revenues exceed the related advertising expense to date, as we are obligated to expend such amounts on advertising. For such expenses that do not relate to advertising the expenses are recognized as incurred.

(l) Franchise Incentives

From time-to-time we provide consideration to franchisees in the form of cash (e.g. cash payments to offset new build costs) or other incentives (e.g. free or subsidized equipment) with the intent to drive new unit development or same-store sales growth that will result in higher future revenues for the Company. Such payments are capitalized and presented as Franchise incentives in the accompanying Consolidated Financial Statements. These assets are being amortized as a reduction in Franchise and license revenues over the period of expected cash flows from the franchise agreements to which the payment relates. Total additions to franchise incentives were \$2.3 million, \$4.4 million and \$2.7 million in 2024, 2023 and 2022, respectively.

(m) Contract Liabilities

Our contract liabilities are comprised of unamortized upfront fees received from franchisees and are presented within Deferred franchise fees on our Consolidated Balance Sheet. The deferred franchise fees balance was \$8.0 million and \$9.9 million as of December 30, 2024 and December 25, 2023, respectively. These deferred franchise fees include \$1.6 million and \$1.9 million for the fiscal years ended December 30, 2024 and December 25, 2023, respectively, of upfront fee deposits paid to the Company associated with new franchise contracts for stores not yet opened.

(n) Income Taxes

Both the Company and its subsidiary PH LLC were formed as single-member LLCs that are disregarded for income tax purposes and are not subject to U.S. federal and state income taxes. The income of the Company is taxed and attributable to income tax filings of YUM. Therefore, no current or deferred U.S. income taxes have been recorded in the accompanying Consolidated Financial Statements.

(o) Related Party Transactions and Cost Allocations

Neither the Company nor its subsidiary, PH LLC, have employees. As such, all resources necessary to maintain support and grow PH LLC assets, including its intellectual property, are provided by PHA, an affiliate of the Company that owns certain Pizza Hut restaurants and real estate and employs the vast majority of employees that provide services to PHA, the Company, and PH LLC. While there is not a management services agreement executed between PHA and the Company or PH LLC, all expenses incurred and assets and liabilities created by PHA, except for those directly related to PHA for which neither the Company nor PH LLC has an interest such as restaurants and real estate, have been allocated to, and are included in, the Company's Consolidated Financial Statements. No other costs, including any costs incurred by YUM, have been allocated to these Consolidated Financial Statements. See Note 4 for details on the Company's consolidated Total costs and expenses, which include those allocated from PHA.

Royalties between PHA and PH LLC (See Note 2(j)) are reflected as Due from affiliate on the Company's Consolidated Balance Sheet. The Company and PH LLC settle cash on a daily basis with YUM except for restricted cash and restricted cash equivalents discussed in Note 2(e). The Due from Yum! Brands, Inc. within the Consolidated Statements of Member's Equity represents the cash swept

(all tabular amounts in thousands)

by YUM that is expected to be settled as a noncash distribution of the Company's consolidated excess earnings.

(3) Member's Equity

The Company is authorized to issue a single Class of limited liability interest. As the Company's sole member, Pizza Hut Holdings, LLC made contributions to the Company of \$15 million on November 30, 2016 and \$3 million on January 23, 2017. Because the Company has satisfied the \$15 million net worth requirement, \$18 million was returned to Pizza Hut Holdings, LLC in 2018.

The Due from Yum! Brands, Inc. discussed in Note 2(o) is presented in Member's equity as these amounts are expected to be settled as a noncash distribution of the Company's consolidated excess earnings.

(4) Total Costs and Expenses

Costs directly related to providing franchise services are classified as Franchise and license expenses, and all other costs are classified as G&A expenses.

A summary of these costs is noted below, which include amounts allocated from PHA. See Note 2(o):

(m) the Borrower hereby agrees to provide written notice to the Lender and the Guarantor, within three (3) calendar days of the occurrence of any of the following events; provided, however, that failure by the Borrower to notify the Lender and/or the

Guarantor will not affect the Lender's or the Guarantor's obligations under the Loan Agreement or the Guaranty, respectively:

- (i) upon any payment of principal, interest or fees relating to any Loans (as defined in the Guaranty) becoming more than thirty (30) days past due;
- (ii) upon any Payment Default (as defined in the Guaranty);
- (iii) upon notice of Lender taking any actions to enforce the Lender's rights under the Loan Agreement or any collateral or other documents related thereto, including, without limitation, acceleration of any Loan or foreclosure on any collateral securing any Loan;
- (iv) upon any action or proceeding instituted or threatened by or against the Borrower or any Franchisee Guarantor in any federal or state court or by any commission or other regulatory body, whether federal, state or local, or of any proceedings threatened against the Borrower or any Franchisee Guarantor in writing, which, if determined adversely, could reasonably be expected to have a material adverse effect on the business, operations, properties, assets or the condition, financial or otherwise of the Borrower; and
- (v) upon a default, event of default or any condition or conditions that, with the giving of notice, the passage of time, or both, would result in a default or event of default, under the Loan Agreement or any other related document, including but not limited to adverse health department inspections.

In each case such notice will include, in reasonable detail, a description of the event or events that prompted the notice and the action which the Borrower proposes to take with respect thereto.

3. The Lender hereby agrees to provide prompt notice to the Guarantor, in accordance with the notice provisions set forth in Section 9 of the Guaranty, in each of the following instances regardless of whether the Guarantor has previously paid to Lender the Maximum Guaranteed Amount; provided, however, that failure by the Lender to notify the Guarantor will not affect Guarantor's obligations under the Guaranty:

- (a) upon any payment of principal, interest or fees relating to any Loan becoming more than 30 days past due;

- (b) upon any Payment Default (as defined in the Guaranty); and
- (c) at least ten (10) Business Days prior to taking any actions to enforce the Lender's rights under the Loan Agreement or any collateral or other documents related thereto, including, without limitation, acceleration of any Loan or foreclosure on any collateral securing any Loan.

4. If any payment of principal, interest or fees under the Loan Agreement or any related document has become more than thirty (30) days past due, the Guarantor shall have the right, in its sole discretion and regardless of whether the Guarantor has previously paid to Lender the Maximum Guaranteed Amount, to purchase from the Lender the outstanding obligations owing to the Lender by the Borrower under the Loan Agreement and related documents in accordance with the terms hereof (the "Purchase Option"), for a cash purchase price equal to the sum of the outstanding principal balance of the Loans plus accrued and unpaid interest thereon and fees related thereto at the non-default rate of interest plus all other outstanding obligations other than interest at the default rate (the "Purchase Option Price"). Guarantor shall provide written notice to the Lender of any election to exercise the Purchase Option. Following such notice, the Lender and the Guarantor will negotiate in good faith, and then execute and deliver assignments of the Loans and all related guarantees and collateral documents, in forms appropriate to the laws which govern such documents. Any such assignments by the Lender shall be without recourse to, or warranty by, the Lender, except that the Lender shall warrant to the Guarantor (i) as to the outstanding amounts of principal, interest, fees and other amounts relating to the Loans which are being assigned under the Purchase Option, (ii) that the Lender is the owner of such Loans subject to the Purchase Option and other amounts free and clear of any liens, security interests, encumbrances or any other interests of any third parties, (iii) that the Lender has all necessary power and authority to sell such Loans in connection with the Purchase Option and to enter into the applicable assignments of the Loans and related guarantees and collateral documents and any related documents, and (iv) that the Lender has not modified, exchanged, waived, subordinated or released any security, collateral or other guaranty for the payment of the Guaranteed Obligations without the prior written consent of the Guarantor in accordance with Section 6 hereof. After such assignments of the Loans in connection with the Purchase Option, the assignment of all related guarantees and collateral documents, and the indefeasible payment in full of the Purchase Option Price, the Lender shall not maintain any lien or encumbrance on any collateral securing the Loans.

5. Without limiting the provisions of Section 4 above, the Guarantor shall have the right, in its sole discretion, to purchase from the Lender any payment or payments from time to time owing to the Lender by the Borrower under the Loan Agreement (the "Partial Purchase

Option”) at any time after such payment has been past due for at least thirty (30) days (the “Partial Purchase Option Trigger”), for a cash purchase price equal to the amount of such payment which is due and unpaid (the “Partial Purchase Option Price”). Unless such purchase of a payment is made following a Notice of Demand given by the Lender to the Guarantor in respect of such payment in accordance with Section 1 of the Guaranty, such purchase by the Guarantor shall not be deemed to be a payment by the Guarantor under the Guaranty and shall not reduce the Guarantor’s obligations under the Guaranty. If the Guarantor elects to exercise its Partial Purchase Option under this Section 5, it will give written notice to the Lender of such election and the Guarantor and the Lender will negotiate in good faith, and will execute a form of assignment in respect of such payment. Any such assignments by the Lender shall be without recourse to, or warranty by, the Lender, except that the Lender shall warrant to the Guarantor (i) as to the type (whether principal, interest, fees or other costs relating to the Loans) of the payments being assigned under the Partial Purchase Option, (ii) that the Lender has a right to receive such payments being assigned under the Partial Purchase Option, and such rights to receive such payments are free and clear of any liens, security interests, encumbrances or any other interests of any third parties, and (iii) that the Lender has all necessary power and authority to assign such payments under the Partial Purchase Option and to enter into the applicable assignments of the payments subject to the Partial Purchase Option. The Borrower and each Franchisee Guarantor shall cooperate in good faith with respect to any such assignments in connection with Partial Purchase Options. The Guarantor’s rights against the Borrower in respect of any such assigned payment under a Partial Purchase Option shall be waived and postponed to the rights of the Lender in respect of any amounts payable under the Loan Agreement which are not assigned to the Guarantor to the same extent as is set forth in the proviso to Section 13 of the Guaranty.

6. The Lender shall not modify, exchange, waive, subordinate or release any security, collateral or other guaranty for the payment of any Guaranteed Obligations without the prior written consent of the Guarantor (such consent not to be unreasonably withheld).

7. The Borrower and each Franchisee Guarantor hereby agree jointly and severally to reimburse the Guarantor for any and all payments paid by the Guarantor to the Lender under the Guaranty, including, without limitation, all costs and expenses paid pursuant to Section 10 of the Guaranty; provided that such rights of the Guarantor to such reimbursement shall be subordinate to the rights to payment of the Lender under the Loan Agreement, and postponed until the Lender has been paid in full for all amounts owing to it under the Loan Agreement; provided, however, that such subordination shall not apply to any rights of the Guarantor or any of its Affiliates under any Franchise Agreement, including any rights to payment, fees or other amounts under any such Franchise Agreement. Further, each Franchisee Guarantor

acknowledges and agrees that any rights of subrogation it may have with respect to any payments by it to the Lender under the Loan Agreement or any other related document, shall be subordinate to the rights to payment of the Lender and to the rights to reimbursement of the Guarantor (as set forth in this Section 7), and shall be postponed until the Lender and the Guarantor have each been paid in full for all amounts owing to each such party under the Loan Agreement, the Guaranty or any other related document.

8. The Borrower and each Franchisee Guarantor shall, jointly and severally, indemnify, defend and hold harmless the Guarantor and its respective officers, shareholders, directors, employees and Affiliates from and against any claim, liability, loss, damage, cost or expense (including court costs and reasonable attorneys' fees and expenses) arising from: (i) Borrower's ownership or operation of the Restaurants; (ii) any material misrepresentation, breach of warranty or non-fulfillment of any covenant or agreement on the part of the Borrower or any Franchisee Guarantor under this Letter Agreement or from any material misrepresentation in or omission from any instrument of the Borrower or any Franchisee Guarantor furnished to the Guarantor pursuant to this Letter Agreement; and/or (iii) the enforcement and protection of the rights of the Guarantor under this Letter Agreement, the Guaranty, the Franchise Agreements and any other related document, as applicable; provided that such rights of the Guarantor to any such indemnification and/or reimbursement of costs or expenses shall be subordinate to the rights to payment of the Lender under the Loan Agreement, and postponed until the Lender has been paid in full for all amounts owing to it under the Loan Agreement; provided, however, that such subordination shall not apply to any rights of the Guarantor or any of its Affiliates under any Franchise Agreement, including any rights to payment, fees or other amounts under any such Franchise Agreement.

9. The Lender, the Borrower and each Franchisee Guarantor each acknowledge and agree that, in accordance with the Guarantor's long-standing policy, the Guarantor will not permit the encumbrance of any direct or indirect beneficial or legal ownership interest in (i) the Borrower (except for the ownership interest of any Franchisee Guarantor), (ii) the Franchise Agreement, or (iii) any rights licensed to the Borrower by the Guarantor or any of its Affiliates (including, without limitation, intellectual property rights). Subject to the terms of this Letter Agreement, however, the Guarantor will permit the Lender to cure any monetary defaults by the Borrower under the Franchise Agreement; provided the Lender cures any such monetary defaults within the time provided under the Franchise Agreement and applicable law, if any. Notwithstanding the foregoing, nothing in this Letter Agreement shall be construed to limit, in any way, the Guarantor's rights under the Franchise Agreement, including relating to the transfer or disposition of the Franchise Agreement.

10. The Lender agrees that if, at any time after a default under the Loan Agreement, the Lender elects to transfer any owned properties or any lease or sublease related to any Restaurant to a third party for any use other than as a [Brand] restaurant, in addition to the requirements of Section 6 hereof, the Guarantor will have a prior right to acquire the affected properties on the same terms and conditions as those agreed to between the Lender and the third party. If the Lender reaches agreement with a third party regarding transfer, the Lender shall notify the Guarantor in a writing that describes the location of the property, the interest proposed to be transferred, and the terms of the transfer. Within thirty (30) days after receipt of the written notice from the Lender, the Guarantor may elect, in its sole discretion, to acquire the affected properties on the same terms agreed upon between the Lender and the third party.

11. Any breach by Borrower or failure by Borrower to comply with this Letter Agreement shall constitute a default under the Franchise Agreements for all the Restaurants.

12. Any notices and demands under this Letter Agreement shall be in writing and delivered to the intended party by hand-delivery or overnight courier service, mailed by certified or registered mail, or sent by e-mail, as follows:

- (a) if to the Guarantor, in accordance with Section 9 of the Guaranty;
- (b) if to the Lender, in accordance with Section 9 of the Guaranty;
- (c) [if to the Borrower, address, e-mail address; and
- (d) if to a Franchisee Guarantor, address, e-mail address;]

13. The validity, interpretation and enforcement of this Letter Agreement and any dispute arising hereunder, whether in contract, tort, equity or otherwise, shall be governed by the internal laws of the State of New York but excluding any principles of conflicts of law or other rule of law that would cause the application of the law of any jurisdiction other than the laws of the State of New York and further excluding any application of the New York Franchise Act if said statute would not by its terms otherwise apply.

14. The parties hereto hereby irrevocably consent and submit to the non-exclusive jurisdiction of the courts of the Supreme Court of the State of New York for the County of New York and the United States District Court for the Southern District of New York, and waive any objection based on venue or forum non conveniens with respect to any action instituted therein arising under this Letter Agreement or any of the other [Loan Documents] or in any way connected with or related or incidental to the dealings of the Guarantor and the Lender in respect

of this Letter Agreement or any of the other [Loan Documents] or the transactions related hereto or thereto, in each case whether now existing or hereafter arising and whether in contract, tort, equity or otherwise, and agrees that any dispute with respect to any such matters shall be heard only in the courts described above.

15. Each of the parties hereto hereby waives personal service of any and all process upon it and consents that all such service of process may be made by certified mail (return receipt requested) directed to its address set forth herein and service so made shall be deemed to be completed five (5) days after the same shall have been so deposited in the U.S. mails or by service upon such party in any other manner provided under the rules of any such courts.

16. TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW, EACH OF THE PARTIES HERETO HEREBY KNOWINGLY, VOLUNTARILY, AND INTENTIONALLY WAIVES ANY RIGHT TO TRIAL BY JURY THAT SUCH PARTY MAY HAVE IN ANY ACTION OR PROCEEDING, IN LAW OR IN EQUITY, IN CONNECTION WITH THIS LETTER AGREEMENT OR ANY GUARANTEED OBLIGATIONS.

17. This Letter Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Letter Agreement. Delivery of an executed counterpart of this Letter Agreement by an electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Letter Agreement. Any party delivering an executed counterpart of this Letter Agreement by an electronic method of transmission also shall deliver an original executed counterpart of this Letter Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Letter Agreement.

18. If one or more provisions of this Letter Agreement shall be held to be invalid, illegal or unenforceable under applicable law, the parties agree that the remainder of this Letter Agreement will remain valid and enforceable to the fullest extent permitted by law, and such term or condition shall be reformed to achieve as nearly as possible the same effect as the original term.

19. Guarantor may not assign this Letter Agreement (including without limitation any of its respective rights or obligations hereunder) without the prior written consent of Lender, such consent not to be unreasonably withheld. Lender may only assign this Letter Agreement subject to the terms of Section 14 of the Guaranty. Neither the Borrower nor any Franchisee Guarantor may assign this Letter Agreement (including without limitation any of their respective

rights or obligations hereunder) without the prior written consent of each of Lender and Guarantor. Any assignment that does not comply with the terms of this Section 19 shall be deemed null and void and of no force or effect. This Letter Agreement shall be binding upon and inure to the benefit of each party hereto and their respective successors and permitted assigns.

20. No waiver by any party of any breach or default under this Letter Agreement or any related agreements shall be deemed a waiver of any subsequent or other breach or default. Except as otherwise provided herein, a party to this Letter Agreement may waive a provision of this Letter Agreement or consent to any departure from the provisions of this Letter Agreement only by written notice to the other parties. Except as expressly provided otherwise herein, this Letter Agreement may not be amended except in writing, signed by all parties hereto, and any attempt at oral modifications of this Letter Agreement shall be void and of no effect.

Please confirm your agreement with the foregoing by executing this Letter Agreement and returning it to us.
