What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit B.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Tennessee. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Tennessee than in your own state.
2. **Supplier Control.** You must purchase all or nearly all of the inventory or supplies that are necessary to operate your business from the franchisor, its affiliates, or suppliers that the franchisor designates, at a price the franchisor or they set. The prices may be higher than prices you could obtain elsewhere for the same or similar goods. This may reduce the anticipated profit of your franchise business.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

ITEM 1
THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

To simplify the language in this disclosure document, “we,” “us” and “CJR” refer to Carl’s Jr. Restaurants LLC, the franchisor. “You” refers to the person or legal entity who buys the franchise. If you are a corporation, partnership, limited liability company or other business entity, certain provisions of this disclosure document also apply to your owners and will be noted.

CJR is offering, in connection with this disclosure document, the opportunity to become a franchisee and operate a Carl’s Jr. Restaurant at either a Travel Center Location or a Gas and Convenience Location (as defined below). The franchise described in this disclosure document is for all franchisees who desire to operate a Carl’s Jr. Restaurant at a Travel Center Location or a Gas and Convenience Location.

In addition to offering franchises for the operation of Carl’s Jr. Restaurants from Travel Center Locations and Gas and Convenience Locations, CJR offers franchises to operate Carl’s Jr. Restaurants at traditional locations and nontraditional locations under one or more separate disclosure documents. That offer will be on terms and conditions different from those described in this disclosure document. Nontraditional locations include, but are not limited to, airports, train stations, bus stations, stadiums, arenas, convention centers, military facilities, schools, colleges, universities, hospitals, recreational theme parks, business or industrial foodservice venues, venues in which foodservice is or may be provided by a master concessionaire or contract foodservice provider, Indian reservations, casinos or any similar captive market location.

Carl’s Jr. Restaurants are quick service restaurants offering a limited menu of breakfast, lunch and dinner products and featuring charbroiled 100% Black Angus Thickburger sandwiches, Hand-Breaded Chicken Tenders, Made from Scratch Biscuits, and other related quick serve menu items.

The Franchise. If you are approved as a franchisee, you can buy a franchise to develop and operate one Carl’s Jr. Restaurant at a Travel Center Location or Gas and Convenience Location (each, a “Franchised Restaurant”) under a Franchise Agreement (the current form is attached as Exhibit D), or if you and the area in which you are interested meet certain qualifications, you can buy the rights to develop multiple (at a minimum, three) Carl’s Jr. Restaurants at Travel Center Locations or Gas and Convenience Locations under a Development Agreement (the current form is attached as Exhibit C).

A Travel Center is a facility located off an interstate or limited highway exit that focuses on services to the trucking industry, including fuel, showers, restrooms, convenience items, food and truck parking & services. A Gas and Convenience Center Location is a facility primarily focused on non-commercial fuel service and convenience items including freshly made foods. The Franchised Restaurant may be a newly developed restaurant or the conversion of an existing quick service restaurant brand (at times referred to as a “Conversion Restaurant”).

If you are not currently a franchisee, prior to your entering into any other agreement with us, we may require you to execute a Preliminary Agreement (the current form of which is attached as Exhibit E) under which you must agree to keep confidential the information provided by CJR to you during Discovery Day (described below). During Discovery Day, you must attend a 2-day meeting at CJR’s offices and at a CKR Restaurant during which you will meet with, and be evaluated by, various CJR personnel. In addition, those individuals who will have a 10% or greater interest in the franchisee entity may be required to complete, as we deem necessary and to our satisfaction, an operations overview, which lasts approximately 10 business days (“10-Day Operations Overview”).

Your receipt of this disclosure document does not mean that you will be approved as a franchisee or that you may develop or open a Franchised Restaurant. Before you may develop and open a Franchised Restaurant, CJR must approve you as a franchisee (or, if you already are a franchisee, approve you for expansion), CJR must accept the location of your proposed Franchised Restaurant, you must attend and successfully complete CJR's franchise management training program ("FMTP") and CJR and you must sign the Franchise Agreement. Among other things, you should not acquire any interest in a site for a Franchised Restaurant until, at the earliest, you are approved by CJR as a franchisee (or, if you already are a franchisee, approved for expansion) and CJR accepts the site for your Franchised Restaurant.

Development Incentive Program. Franchisees who sign a Development Agreement or Franchise Agreement for one or more Carl's Jr. Restaurant(s) to be located at a Travel Center Location or Gas and Convenience Location may qualify for our Carl's Jr. Restaurant Travel Center Development Incentive Program (the "CJR 2024 Travel Center Development Incentive Program") or our Standard Development Incentive Program (the "2024 Development Incentive Program").

To be eligible for the CJR 2024 Travel Center Development Incentive Program, the following requirements must be satisfied: (i) the Travel Center Location or Gas and Convenience Location must be located within ½ mile of an interstate or limited access highway and must include a combination of high rise pylon sign, billboard or other highway sign (the "Travel Center Program"), (ii) the Travel Center Location or Gas and Convenience Location must be opened pursuant to a Development Agreement dated no later than May 24, 2025, that includes the development of at least three (3) newly-constructed Carl's Jr. Restaurant(s), (iii) franchisee must open the Franchise Restaurants from a Travel Center Location or Gas and Convenience Location by the date(s) outlined in the corresponding Development Agreement, (iv) franchisee may not be in default of its obligations under its existing franchise agreements or related agreements with CJR or its affiliates, (v) franchisee must be approved for growth by CJR and its affiliates, (vi) franchisee must satisfy CJR's then-current financial and operational requirements for new restaurant development, and (vii) franchisee and the Carl's Jr. Restaurant(s) otherwise meet the requirements of the CJR 2024 Travel Center Development Incentive Program.

For Franchisees who develop 3 or more Carl's Jr. restaurants or the conversion of an existing restaurant to a Carl's Jr. restaurant as part of the CJR 2024 Travel Center Development Incentive Program, we will reduce or waive the initial franchisee as set forth in Item 5 and reduce the royalty fee and APO fee as set forth in Item 6.

If you qualify for the CJR 2024 Development Incentive Program, simultaneously with your execution of the qualifying Franchise Agreement, you will sign a CJR 2024 Travel Center Development Incentive Program Addendum to the Franchise Agreement (Exhibit L), which memorializes your right to receive the development incentives described above for the applicable Franchised Restaurant(s). If you sign the CJR 2024 Development Incentive Program Addendum to Franchise Agreement, you will not be entitled, with respect to the applicable Franchised Restaurant(s) covered by the CJR 2024 Travel Center Development Incentive Program, to any other incentives that have been or may be offered by us.

If the requirements for the CJR 2024 Travel Center Development Incentive Program are not satisfied, then the Travel Center Location or Gas and Convenience Location may be eligible for the 2024 Development Incentive Program, provided the following requirements are satisfied: (i) franchisee signs a Franchise Agreement for the development of a newly-constructed Carl's Jr. Restaurant(s) by no later than May 24, 2025 or franchisee signs a Franchise Agreement for the development of a newly constructed Carl's Jr. Restaurant pursuant to the terms of a Development Agreement dated no later than May 24, 2025, (ii) franchisee must open the newly-constructed Carl's Jr. Restaurant(s) by the date(s) outlined in the corresponding Development Agreement or Franchise Agreement, (iii) franchisee may not be in default of its obligations under its existing franchise agreements or related agreements with CJR or its affiliates, (iv)

franchisee must be approved for growth by CJR and its affiliates, (v) franchisee must satisfy CJR's then-current financial and operational requirements for new restaurant development, and (vi) franchisee and the Carl's Jr. Restaurant(s) otherwise meet the requirements of the 2024 Development Incentive Program.

For Franchisees who are eligible for the 2024 Development Incentive Program, we will reduce the initial franchise fee as set forth in Item 5 and reduce the royalty and APO fee as set forth in Item 6 for the first three years of the franchise term.

If you qualify for the 2024 Development Incentive Program, simultaneously with your execution of the qualifying Franchise Agreement, you will sign a 2024 DIP Addendum to the Franchise Agreement (Exhibit L), which memorializes your right to receive the development incentives described above for the applicable Franchised Restaurant(s). If you sign the 2024 DIP Addendum to Franchise Agreement, you will not be entitled, with respect to the applicable Franchised Restaurant(s) covered by the 2024 Development Incentive Program, to any other incentives that have been or may be offered by us.

Licenses; Permits; Applicable Laws; and Competition. It is your sole and absolute obligation to research all applicable federal, state and local laws and regulations governing the operation of your business and to ensure that such operation does not violate any federal, state or local law or regulation. For example, there are various federal laws that could affect your business and that you must comply with such as the American with Disabilities Act (ADA), the CAN-SPAM Act, the Telephone Consumer Protection Act (TCPA), the Telemarketing Sales Rule (TSR), and other federal and state anti-solicitation laws regulating marketing phone calls; and federal and state laws that regulate data security and privacy (including but not limited to the use, storage, transmission, and disposal of data regardless of media type). Further, you must comply with all local, state and federal laws and regulations applicable to the operation of your Restaurant, including health, sanitation, food handling, food preparation, waste disposal, smoking restrictions and advertising and point-of-sale disclosures, including statements concerning the nutritional and dietary characteristics of the food served at your Restaurant. You should consult with your attorney concerning all laws and regulations that may affect your Restaurant operations.

In addition, all newly-developed Carl's Jr. Restaurants must contain a charbroiler. The charbroiler has been the subject of regulation in certain areas of the country, including California where, in some regions, chain-driven charbroilers must have catalytic converters. The possibility exists that other states may require that air pollution control equipment be installed in connection with the use of a charbroiler. You would be expected to comply with these regulations, if applicable to your Restaurant, and pay all costs of installation and maintenance of the control equipment.

The restaurant business, including the quick service segment, is highly competitive. You will be competing with other quick service restaurants, including national and regional restaurant chains, fast-casual restaurants, full-service casual-dining restaurants, budget restaurants, health and nutrition-oriented restaurants, delicatessens and prepared food restaurants, take-out food service companies, supermarkets, coffee shops and convenience stores. The ability of each Carl's Jr. Restaurant to compete depends on its location, ingress and egress, signage, parking, service, employee attitudes, overhead, changing local market and economic conditions and many other factors both within and outside your control.

On March 26, 2013, it was converted from a corporation to a limited liability company, Carl Karcher Enterprises LLC, a Delaware limited liability company formed on February 25, 2013. Effective October 7, 2013, Carl Karcher Enterprises LLC was converted to a California limited liability company. Carl Karcher Enterprises LLC has the same principal place of business as ours. Under an April 1, 2013 management agreement ("Management Agreement") among our indirect corporate parent, CKE Restaurants Holdings, Inc., us and several other parties, CKE Restaurants Holdings, Inc. may – at all times acting on our behalf – fulfill all of our duties and obligations under all existing and future Franchise Agreements and Development Agreements, including: managing the Carl's Jr. System; marketing and offering new and renewal Franchise Agreements and Development Agreements as our franchise broker; training franchisees and their employees; and providing the required support to franchisees. CKE Restaurants Holdings, Inc. will act in conjunction with CKE in fulfilling our duties and obligations under the Franchise Agreements and Development Agreements.

If CKE Restaurants Holdings, Inc. fails to perform its obligations under the Management Agreement, it may be replaced as the franchise service provider. However, as the franchisor, we will always be ultimately responsible for fulfilling all of our duties and obligations under your Franchise Agreements and Development Agreements.

business as ours. Neither CJF nor SPV offer franchises in any line of business or provide products or services to Carl's Jr. franchisees.

SPV's direct corporate parent is CKE, and CKE's direct corporate parent is CKE Restaurants Holdings, Inc., which is a wholly-owned subsidiary of CKE Inc. Prior to March 26, 2013, we were an indirect wholly-owned subsidiary of CKE Restaurants, Inc., a Delaware corporation formed in March 1994 whose principal place of business was 6307 Carpinteria Avenue, Carpinteria, California 93013. On March 26, 2013, CKE Restaurants, Inc. was merged into CKE Restaurants Holdings, Inc., with CKE Restaurants Holdings, Inc. as the surviving entity. CKE Restaurants Holdings, Inc. is a Delaware corporation organized on February 22, 2013, whose principal place of business is the same as ours and CKE Inc. is a Delaware corporation incorporated on April 15, 2010, whose principal place of business is the same as ours. ITEM 3 LITIGATION

Franchisor Litigation – Concluded Matters

(1) *6Points Food Services Ltd. v. Carl's Jr. Restaurants LLC, et al.*, No. 15-543370 (*Sup. Ct. of Justice, Ontario*)

This proceeding was a consolidation of two actions commenced by 6Points Food Services Ltd. ("6Points"), a Canadian developer and franchisee, in the Sup. Ct. of Justice, Ontario (No. 15-453370 and No. 16-546487).

On December 23, 2015, 6Points filed an action in the Ontario Superior Court of Justice against CJR (court file no. 15-543370). The action seeks a declaration that 6Points' November 10, 2015 notice of rescission validly rescinded the development, franchise, and "related" agreements with CJR. 6Points' notice and its Statement of Claim invoke Ontario's Arthur Wishart Act to allege that CJR's franchise disclosures were deficient. 6Points further alleges that CJR failed to comply with certain representations and contractual obligations, and its obligation of fair dealing. In addition to the declaration, 6Points seeks CD \$8,000,000 in damages, along with other incidental relief.

On February 11, 2016, 6Points filed an action in the Ontario Superior Court of Justice against CKR, Ned Lyrly, Jr., Michael Woida and Jeff Branton (court file no. 16-546487). The action reasserts the same claims as in the action described above. On August 8, 2016, the Court ordered that the two actions described above are consolidated into a single action under court file no. 15-543370.

On August 18, 2016, 6Points served an Amended Statement of Claim in the consolidated action, against the defendants in the actions above. The Amended Statement of Claim reasserts the same claims advanced by 6Points in the two actions described above. On August 30, 2016, the defendants served the Statement of Defence of all defendants and CJR's Counterclaim. The Statement of Defence denies all liability and requests that the action be dismissed.

On August 30, 2016, the defendants served the Statement of Defence of all defendants and CJR's Counterclaim. The Statement of Defence denies all liability and requests that the action be dismissed. CJR's Counterclaim names 6Points, Michael Meekins and Michael Levine as defendants ("Franchisee Parties"). The Counterclaim asserts claims against 6Points for breach of its development, franchise, and letter of credit agreements, and for anticipatorily repudiating the development and franchise agreements, as well as for breach of its obligation of fair dealing. The Counterclaim asserts claims against Michael Meekins and Michael Levine for breach of a contract to provide a letter of credit, and asserts that they are liable for payment of all amounts owing by 6Points pursuant to a personal guarantee. The Counterclaim claims damages in an amount to be proven at trial.

On November 16, 2016, 6Points, Michael Meekins and Michael Levine served a Reply and Defence to Counterclaim. The Defence to Counterclaim denies all liability of 6Points, Michael Meekins and Michael Levine and requests that the Counterclaim be dismissed. On December 5, 2016, CJR served a Reply to Defence to Counterclaim. On December 19, 2018, the Court ordered, 6Points to deliver documents to CJR in preparation for further discoveries. On or about October 12, 2022, the parties reached an agreement to settle the litigation with the following terms: (a) defendants agreed to pay Franchisee Parties \$5,500,000

US dollars, (b) the parties agreed to mutual releases of any and all claims, including claims arising from this litigation, all without any admission of liability on any party. The Court granted the parties' stipulated motion to dismiss the case on October 14, 2022.

(2) *Ashlie Harris v. CJ Star, LLC, Carl's Jr. Restaurants LLC, and DOES 1-10, (United States District Court, Eastern District of Washington, Spokane Division, Case No 2:18-cv-00247, filed August 3, 2018)*. On August 3, 2018, Ashlie Harris, a former employee of a Carl's Jr. franchisee, filed a lawsuit in the federal district court for the Eastern District of Washington. The plaintiff alleged that certain provisions in the applicable franchise agreement between us and our franchisees violate federal and state anti-trust statutes as they allegedly restrict the ability of our franchisees or company-owned stores from soliciting or hiring the employees of other of our franchisees or company-owned stores. The complaint sought to certify a class of franchisee employees in the state of Washington and recover treble damages stemming from alleged underpayment of wages for current and former employees located in the state of Washington from July 12, 2014 to present. We denied that the provisions violate any law and filed a Motion to Dismiss the case. On or about April 1, 2019, the parties reached an agreement to settle the litigation with the following terms: (a) Defendants will pay Harris \$5,000 and attorneys' fees in the aggregate amount of \$20,000, (b) CJR has obtained amendments of the existing franchise agreements with Washington franchisees to remove non-solicitation/no-hire provisions, to the extent such provisions existed in the first place, and (c) CJR agreed not to enforce the disputed provision in existing agreements with Washington franchisees. The Court granted the parties' stipulated motion to dismiss the case on April 23, 2019.

(3) *Larry Rice v. By The Rio, LLC, Carl's Jr. Restaurants LLC, and DOES 1-10, (United States District Court, District of Colorado, Case No 1:19-cv-00129-STV, filed January 15, 2019)*. On January 15, 2019, Larry Rice, a former employee of a Carl's Jr. franchisee, filed a lawsuit in the federal district court for the District of Colorado. The plaintiff alleged that certain provisions in the applicable franchise agreement between us and our franchisees violate federal and state anti-trust statutes as they allegedly restrict the ability of our franchisees or company-owned stores from soliciting or hiring the employees of other of our franchisees or company-owned stores. The complaint sought to certify a class of franchisee employees in the state of Colorado and recover treble damages stemming from alleged underpayment of wages for current and former employees located in the state of Colorado from July 12, 2014 to present. On or about April 1, 2019, the parties reached an agreement to settle the litigation with the following terms: (a) Defendants will pay Rice \$2,500 and attorneys' fees in the aggregate amount of \$7,500, (b) CJR will amend its franchise agreements with the Colorado franchisee named in the lawsuit to remove non-solicitation/no-hire provisions, and (c) CJR agreed not to enforce the disputed provision in existing agreements with Colorado franchisees. The Court granted the parties' stipulated motion to dismiss the case on April 23, 2019.

Disclosures Regarding Affiliated Programs

The following affiliates who offer franchises resolved actions brought against them with settlements that involved their becoming subject to currently effective injunctive or restrictive orders or decrees. None of these actions have any impact on us or our brand nor allege any unlawful conduct by us.

(4) *The People of the State of California v. Arby's Restaurant Group, Inc. (California Superior Court, Los Angeles County, Case No. 19STCV09397, filed March 19, 2019)*. On March 11, 2019, our affiliate, Arby's Restaurant Group, Inc. ("ARG"), entered into a settlement agreement with the states of California, Illinois, Iowa, Maryland, Massachusetts, Minnesota, New Jersey, New York, North Carolina, Oregon and Pennsylvania. The Attorneys General in these states sought information from ARG on its use of franchise agreement provisions prohibiting the franchisor and franchisees from soliciting or employing each other's employees. The states alleged that the use of these provisions violated the states' antitrust,

unfair competition, unfair or deceptive acts or practices, consumer protection and other state laws. ARG expressly denies these conclusions but decided to enter into the settlement agreement to avoid litigation with the states. Under the settlement agreement ARG paid no money but agreed (a) to remove the disputed provision from its franchise agreements (which it had already done); (b) not to enforce the disputed provision in existing agreements or to intervene in any action by the Attorneys General if a franchisee seeks to enforce the provision; (c) to seek amendments of the existing franchise agreements in the applicable states to remove the disputed provision from the agreements; and (d) to post a notice and ask franchisees to post a notice to employees about the disputed provision. The applicable states instituted actions in their courts to enforce the settlement agreement through Final Judgments and Orders, Assurances of Discontinuance, Assurances of Voluntary Compliance, and similar methods.

(5) *The People of the State of California v. Dunkin' Brands, Inc.*, (California Superior Court, Los Angeles County, Case No. 19STCV09597, filed on March 19, 2019.) On March 14, 2019, our affiliate, Dunkin Brands, Inc. (“DBI”), entered into a settlement agreement with the Attorneys General of 13 states and jurisdictions concerning the inclusion of “no-poaching” provisions in Dunkin’ restaurant franchise agreements. The settling states and jurisdictions included California, Illinois, Iowa, Maryland, Massachusetts, New Jersey, New York, North Carolina, Pennsylvania, Rhode Island, Vermont, and the District of Columbia. A small number of franchise agreements in the Dunkin’ system prohibit Dunkin’ franchisees from hiring the employees of other Dunkin’ franchisees and/or DBI’s employees. A larger number of franchise agreements in the Dunkin’ system contain a no-poaching provision that prevents Dunkin’ franchisees and DBI from hiring each other’s employees. Under the terms of the settlement, DBI agreed not to enforce either version of the no-poaching provision or assist Dunkin’s franchisees in enforcing that provision. In addition, DBI agreed to seek the amendment of 128 franchise agreements that contain a no-poaching provision that bars a franchisee from hiring the employees of another Dunkin’ franchisee. The effect of the amendment would be to remove the no-poaching provision. DBI expressly denied in the settlement agreement that it had engaged in any conduct that had violated state or federal law and, furthermore, the settlement agreement stated that such agreement should not be construed as an admission of law, fact, liability, misconduct, or wrongdoing on the part of DBI. The Attorney General of the State of California filed the above-reference lawsuit in order to place the settlement agreement in the public record, and the action was closed after the court approved the parties’ stipulation of judgment.

(6) *New York v. Dunkin' Brands, Inc.* (N.Y. Supreme Court for New York County, Case No. 451787/2019, filed September 26, 2019). In this matter, the N.Y. Attorney General (“NYAG”) filed a lawsuit against our affiliate, DBI, related to credential-stuffing cyberattacks during 2015 and 2018. The NYAG alleged that the cyber attackers used individuals’ credentials obtained from elsewhere on the Internet to gain access to certain information for DD Perks customers and others who had registered a Dunkin’ gift card. The NYAG further alleged that DBI failed to adequately notify customers and to adequately investigate and disclose the security breaches, which the NYAG alleged violated the New York laws concerning data privacy as well as unfair trade practices. On September 21, 2020, without admitting or denying the NYAG’s allegations, DBI and the NYAG entered into a consent agreement to resolve the State’s complaint. Under the consent order, DBI agreed to pay \$650,000 in penalties and costs, issue certain notices and other types of communications to New York customers, and maintain a comprehensive information security program through September 2026, including precautions and response measures for credential-stuffing attacks.

Other than these six actions, no litigation is required to be disclosed in this Item.

ITEM 4 BANKRUPTCY

No bankruptcy is required to be disclosed in this Item.

ITEM 5 INITIAL FEES

Development Fee

If you enter into a Development Agreement for the development of three (3) or more Franchised Restaurants to be located at Travel Center Locations or Gas and Convenience Locations, you must pay CJR a Development Fee of \$10,000 for each Franchised Restaurant you agree to develop at the time you sign the Agreement (this includes the CJR 2024 Travel Center Development Incentive Program). The Development Fee is not refundable. If you execute a Franchise Agreement for a new Franchised Restaurant pursuant to the Development Agreement, the \$10,000 Development Fee associated with this new Franchised Restaurant will be credited against the Initial Franchise Fee for such Franchised Restaurant. If you enter into a Development Agreement, you will execute the form of Franchise Agreement in use at the time you begin to develop the Franchised Restaurant and the respective CJR 2024 Travel Center Development Incentive Program Addendum or 2024 DIP Addendum, if applicable.

Initial Franchise Fee

The Initial Franchise Fee is \$25,000, although the balance of the Initial Franchise Fee due to CJR is reduced to \$15,000 for a Franchised Restaurant developed pursuant to the terms of a Development Agreement, including any Conversion Restaurant. You must pay CJR the Initial Franchise Fee, less any Development Fee already paid, when you execute the Franchise Agreement. The Initial Franchise Fee is fully earned by CJR when paid, and it is not refundable. Under the Development Agreement, we will waive the \$15,000 Initial Franchise Fee for any Franchised Restaurant that opens 6 months prior to the contractual opening date for the Franchised Restaurant as set forth in the Development Agreement.

Training Fees

Additional FMTP Training

CJR currently provides the FMTP training to you, your Operating Principal (if not previously trained), your General Manager and 6 other employees who you have hired as Shift Leaders at no additional cost to you, provided the training takes place within 2 years of your signing the Franchise Agreement. We reserve, however, the right to modify or waive the training required based on an individual's or your experience. If CJR has provided FMTP training to those individuals and you desire that additional employees attend the FMTP, they may do so, subject to space availability and your payment of a nonrefundable Training Fee. The Training Fee for each additional employee is \$500 per person per week. You will be required to pay all travel, living and other expenses incurred by your employees while attending training. You will be billed for the applicable number of weeks attended if the person being trained fails to complete the required training.

All-Star Team Opening Training Support

You will receive opening assistance support from our All-Star Team (the "Opening Training Support Team") in connection with the opening of your Franchised Restaurant (or your first two Franchised Restaurants if you are multi-restaurant developer). You will be responsible to reimburse us for the salaries, administrative fees, meals, travel and lodging expenses of the Opening Training Support Team members while they are trainers at your Franchised Restaurant, which amounts you will be required to pay to us within the month following completion of the opening of the Franchised Restaurant (collectively such

amounts, the “Opening Training Support Fee”). We estimate that the Opening Training Support Fees will range between \$30,000 to \$70,000. We will determine, in our sole discretion, the level of opening training support required for your Franchised Restaurant. We reserve the right, in our sole discretion, to modify the level of assistance provided by the Opening Training Support Team.

10-Day Operations Overview

We may require those individuals who will have a 10% or greater interest in the franchisee entity to attend and successfully complete the 10-Day Operations Overview. You may be required to pay a nonrefundable fee of up to \$500 per person for this training program. You must pay all travel, living and other expenses incurred by your personnel while attending the 10-Day Operations Overview.

* * *

The preceding fees are uniform. CJR, in its sole discretion, may offer incentives to a specific franchisee under certain circumstances, which may include circumstances where a franchisee agrees to develop a significant number of Franchised Restaurants, a franchisee agrees to significantly accelerate his historical development patterns, a franchisee agrees to develop Franchised Restaurants in a new territory, or a franchisee proposes to develop unique sites. In those circumstances, among others as determined by us, CJR may, among other things, waive some or all of the initial fees, decrease the royalty fee for a period of time (as noted in Item 6), and/or extend the time for a franchisee to comply with its remodel obligations for some or all of its existing Franchised Restaurants.

NOTES

- (1) Unless otherwise noted, all fees are imposed by and payable to us, are non-refundable and are uniformly imposed on our franchisees who receive this disclosure document.
- (2) If the Franchise Agreement is terminated following your default, since it would be difficult, if not impossible, to determine the amount of damages that we will suffer as a result of your breach, unless waived by us in our sole discretion, you must immediately pay us, as damages and not as a

penalty, the royalty fee that you would have paid during the period (“Damages Period”) from the effective date of termination to the earlier of: **(a)** the 3-year anniversary of the effective date of termination; or **(b)** the date on which the initial term of the Franchise Agreement was scheduled to expire. The amount of such royalty fee during the Damages Period will be calculated by multiplying the average weekly royalty fee that you owed for the 52-week period prior to the effective date of termination by the number of weeks in the Damages Period.

If your Franchised Restaurant does not qualify for the CJR 2024 Travel Center Development Incentive Program because: (1) the Franchised Restaurant opens on an address only basis pursuant to a Franchise Agreement that is not part of a Development Agreement, or (2) the Franchised Restaurant location does not meet the requirements of the Travel Center Program – meaning, the location is not within ½ mile of an interstate or limited access highway and/or does not have the signage required to be eligible for the Travel Center Program (combination of high rise pylon sign, billboard or other highway sign) then we and you will sign the 2024 DIP Addendum attached to this Disclosure Document as Exhibit L. Under the terms of the 2024 DIP Addendum, we will reduce the royalty fee and APO by (i) 3% of Gross Sales accruing during the Restaurant’s first year of operation; (ii) 2% of Gross Sales accruing during the second year of operation; and (iii) 1% of Gross Sales accruing during the third year of operation. After the third year of operation the royalty fee reverts back to 4% of Gross Sales and the APO fee reverts back to 5.5% of Gross Sales. If you or any of your affiliates receive, during the initial term of operation of the Franchised Restaurant under the Franchise Agreement, a written notice of default under any agreement between you or any of your affiliates and CJR or any affiliate of CJR and fails to cure the default within the applicable cure period, the 2024 DIP Addendum will be terminated and the royalty fee and APO for the Franchised Restaurant will immediately revert to the applicable amounts set forth in the Franchise Agreement.

If your Franchised Restaurant qualifies for the CJR 2024 Travel Center Development Incentive and you sign a Development Agreement for more than three and up to nine Franchised Restaurants, then we and you will sign the 2024 Travel Center DIP Addendum attached to this Disclosure Document as Exhibit L. Under the terms of the 2024 Travel Center DIP Addendum and with respect to Gross Sales accruing during the applicable Franchised Restaurant’s initial term of operation under the Franchise Agreement, we will reduce the royalty fee by (i) 3% of Gross Sales accruing during the Restaurant’s first year of operation; (ii) 2% of Gross Sales accruing during the second year of operation; and (iii) 1% of Gross Sales accruing during the third year of operation. After the third year of operation the royalty fee reverts to 5% of Gross Sales. Additionally, the APO fee will be reduced to 3% of Gross Sales for the full 20 year term of the Franchise Agreement. If you or any of your affiliates receive, during the initial term of operation of the Franchised Restaurant under the Franchise Agreement, a written notice of default under any agreement between you or any of your affiliates and CJR or any affiliate of HR and fails to cure the default within the applicable cure period, the CJR 2024 Travel Center DIP Addendum will be terminated and the royalty fee and APO for the Franchised Restaurant will immediately revert to the applicable amounts set forth in the Franchise Agreement.

If your Franchised Restaurant qualifies for the CJR 2024 Travel Center Development Incentive Program and you sign a Development Agreement for ten or more Franchised Restaurants, then we and you will sign the 2024 Travel Center DIP Addendum attached to this Disclosure Document as Exhibit L. Under the terms of the 2024 Travel Center DIP Addendum and respect to Gross Sales accruing during the applicable Franchised Restaurant’s initial term of operation under the Franchise Agreement, we will reduce the royalty fee by (i) 3% of Gross Sales accruing during the Restaurant’s first year of operation; (ii) 2% of Gross Sales accruing during the second year of operation; and (iii) 1% of Gross Sales accruing during the third year of operation. After the third year of operation

the royalty fee reverts to 5% of Gross Sales. Additionally, the APO fee will be reduced to 2% of Gross Sales for the full 20 year term of the Franchise Agreement. If you or any of your affiliates receive, during the initial term of operation of the Franchised Restaurant under the Franchise Agreement, a written notice of default under any agreement between you or any of your affiliates and CJR or any affiliate of CJR and fails to cure the default within the applicable cure period, the CJR 2024 Travel Center DIP Addendum will be terminated and the royalty fee and APO for the Franchised Restaurant will immediately revert to the applicable amounts set forth in the Franchise Agreement.

The same incentives will apply for a Conversation Restaurant, as applicable, developed under a Development Agreement; in addition we will pay you a \$50,000 cash incentive if you open a Conversion Restaurant in accordance with all applicable CJR requirements within 12 months of signing the Franchise Agreement for that Conversion Restaurant.

- (3) We have the right, following written notice to you, to reallocate your advertising contributions and to increase your advertising contributions, but not by more than ½% of Gross Sales in any 12-month period, up to 7.0% of Gross Sales. In addition, we may, in our sole discretion, temporarily or permanently adjust the advertising contribution for certain locations or markets due to unique or unusual circumstances.

NOTES

- (1) This table reflects a low-high range of costs for each of the major cost categories of the initial investment for a Franchised Restaurant developed at a Travel Center Location and Gas and Convenience Location, including a Conversion Restaurant. Typically, the building, site work and improvements for the Franchised Restaurant at a Travel Center Location or Gas and Convenience Location are paid by the Travel Center Host or owner of the Gas and Convenience Location. The estimates included in the table above assume that the building, site work and improvements for the Franchised Restaurant at a Travel Center Location or Gas and Convenience Location are paid by the Travel Center Host or owner of the Gas and Convenience Location or the Travel Center Location or Gas and Convenience Location is already built and includes an HVAC Unit, electrical switchgear, water heater, grease trap, drive thru window and sign foundations and poles.

The costs and expenditures listed are for a new Franchised Restaurant located inside a Travel Center Location or Gas and Convenience Location that has a Restaurant that is approximately 800 to 2,200 square feet, with 0 to 35 seats, and a limited menu kitchen. The ranges listed are our best information to date but may vary depending on changes in market conditions, including availability of building materials, and the geographic area in which the Franchised Restaurant will be located.
- (2) Costs paid to CJR are not refundable. Whether any costs paid to third parties are refundable will vary based on the practice in the area where your Franchised Restaurant is located.
- (3) For your first 2 Franchised Restaurants, you are required to have an All-Star Team, a certified training team, participate in the pre-opening and post-opening of the Franchised Restaurants. You will be responsible to pay us the Opening Training Support Fee, which will reimburse us for the All-Star Team's trainers' salaries, administrative fees, travel, lodging and meal expenses for the time they teach and train at your Franchised Restaurants, which is usually four days before opening and a minimum of seven days after opening, for a total of up to two weeks. We will waive the \$15,000 Initial Franchise Fee for any Franchised Restaurant that opens 6 months prior to the contractual opening date for the Franchised Restaurant as set forth in the Development Agreement
- (4) You must purchase certain items of furniture, fixtures and equipment, the point of sale system, and smallwares. You may be able to lease from or finance through a third party a portion of these purchases, but you should expect to make a down-payment of up to 25%. The low end of these figures assumes that certain items such as furniture and seating, trash cans, décor, lighting, condiment and beverage stations, flooring, ceiling and wall finishes and restroom fixtures are common use items already existing in the Travel Center Location or Gas and Convenience

Location. The high end of these figures also includes the cost of a catalytic converter for the charbroiler. If required, the cost of the catalytic converter is approximately \$1,558.

- (5) You should check with the relevant regulatory agencies to identify costs for required building permits, impact fees, taxes, bonds, licenses and other fees, which can vary dramatically depending on the location. There may also be off-site costs, such as intersection improvements or street widening that, when required, can have a major impact on cost.
- (6) The type of signage installed is governed by local ordinances regarding height and size restrictions. The estimates included in the table above reflect the cost of faces signs only and assumes that all sign foundations and poles are already installed.

The low estimates assumes that the Franchised Location is located at a Travel Center Location or Gas and Convenience Location that does not meet the requirements of our Travel Center Program and includes exterior building signs and a 25-foot pole. A typical unit with a drive-thru has 2-4 illuminated directional signs.

The high estimate assumes your Franchised Restaurant is located at a Travel Center Location or Gas and Convenience Location that meets the requirements for our Travel Center Program – meaning, the location is within a ½ mile of an interstate or limited access highway and includes a combination of high rise pylon sign, steel level onsite pylon sign, monument sign, billboard or other highway sign.

- (7) You must pay the costs of travel, living and other expenses for you and your employees during training. The cost of these expenses will depend on the distance you must travel, type of accommodations, the number of your employees attending training and their wages.
- (8) These costs include uniforms, office supplies and other prepaid expenses. This range also includes, for a Carl's Jr. Restaurant, \$18,000 to \$21,000 for the initial inventory of food and paper products. These costs do not include utility deposits, installation of telephones, business licenses or cleaning supplies, which are not substantial.
- (9) These figures are an estimate of your operating expenses for the initial 3 months of business. They include payroll, taxes, insurance, food, paper, supplies, utilities, licenses and permits, bank charges and repair and maintenance expenses. They do not include advertising contributions or royalty fees paid to CJR. These figures are estimates, and CJR cannot guarantee that you will not incur additional expenses in connection with starting the business. Your costs will depend on factors including: the size of your Franchised Restaurant; how closely you follow CJR's methods and procedures; your management skill, experience and business acumen; financing costs; local economic conditions; the local market for restaurants; the prevailing wage rate; competition; and the sales level reached during the initial period.
- (10) You should review these figures carefully with a business advisor before making any decision to purchase the franchise. We do not offer any direct financing for any part of the initial investment.

ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Where we have issued standards and specifications, you must use only ingredients, food products, spices, seasonings, mixes, beverages, materials, supplies used in the preparation of food products, furniture, fixtures, equipment, smallwares, forms, paper and plastic products and packaging, cleaning supplies, and

other materials that meet our standards and specifications as contained in the Operation Procedures Manual (“OPM”). A list of approved suppliers is available upon written request addressed to our Quality Assurance Department. Most food items and other goods that you are required to purchase will be purchased from a master distributor. The master distributor will carry items such as meats, cheese, grocery, bread products, paper and cleaning supplies. As of the date of this disclosure document, our master distributor is Distribution Market Advantage (“DMA”). We reserve the right to change the master distributors. Other master distributors may be approved from time to time.

Certain of CJR’s products, including our “special sauce,” are confidential secret recipes and are considered trade secrets. For those CJR products, in order to control and maintain the quality and consistency of these products, you must use only our secret recipe products and purchase them from us, our affiliate or a source designated by us. For the fiscal year ended January 30, 2023, neither our affiliates nor us received any revenue from the sale of these products to our franchisees.

We may approve one or more suppliers or distributors for any products, equipment (including computer/cash register system as noted below), goods or materials, and we may approve a supplier or distributor only as to certain goods or materials. We may concentrate purchases with one or more suppliers to obtain lower prices and/or the best advertising support and/or services for any group of Carl’s Jr. Restaurants or any other group of restaurants operated or franchised by CJR or our affiliates. Although you are not required to lease a location from us or an affiliate, we must consent to your selection of the site for your Carl’s Jr. Restaurant. If you lease the Restaurant premises from a third party landlord, you must sign the Franchise Lease Addendum attached as Appendix G to the Franchise Agreement.

Approval of a supplier or a distributor may be conditioned on requirements relating to the frequency of delivery, reporting capabilities, standards of service, including prompt attention to complaints, sanitation standards, facility standards, insurance and other quality assurance requirements or other criteria, and concentration of purchases, as set forth above, and such approval may be temporary pending a further evaluation of the supplier by us. A fee not to exceed our actual costs of reviewing the supplier or distributor and auditing the facility, if needed, may be charged by us and must be paid by you. We may establish commissaries and distribution facilities owned and operated by us or an affiliate that we will designate as an approved supplier.

One or more of our officers may own nominal interests in certain of our approved suppliers which are publicly traded companies or through investment funds.

We may receive fees, commissions, field-of-use license royalties, or other consideration from approved suppliers based on sales to franchisees, and we may charge non-approved suppliers reasonable testing and/or inspection fees.

If you propose to purchase any goods or materials (that you are not required to purchase from CJR, an affiliate of CJR or a designated supplier) from a supplier that we have not previously approved, you must submit to us a written request for such approval, or you must request that the supplier do so. We have the right to require, as a condition of approval, that our representatives be permitted to inspect the supplier’s facilities and that such information, specifications and samples as we reasonably designate be delivered to us and/or to an independent, certified laboratory designated by us for testing prior to granting approval. You must pay a fee not to exceed the reasonable cost of the inspection and the actual cost of the test. In addition to product testing, a facility audit may be required. We will notify you within 60 days as to whether you are authorized to purchase such products from that supplier. In the event we tentatively approve a request for an alternative supplier, you must submit a check for \$1,500 to us as a deposit against the cost we incur in inspecting the supplier’s facility. You will be responsible for additional costs and expenses associated with the inspection of the facility, which must occur before final approval. Approval of a

supplier also may be subject to the frequency of delivery, reporting capabilities, standards of service (including prompt attention to complaints) or other criteria (including the number of suppliers already approved) and may be temporary pending further evaluation of such supplier. We may periodically require that the testing and/or facility audit be performed again at your expense to ensure continued compliance with our specifications and facility standards. We will advise you in writing if we revoke any approvals.

You must obtain and install data processing equipment, computer hardware, required dedicated telephone and power lines, high speed Internet connections, modems, printers and other computer related accessory or peripheral equipment as we may specify in the OPM or otherwise in writing (“Computer/POS System”), as further explained in Item 11. Current approved vendors for technology components of the Computer/POS System are PAR Tech, Inc., CrunchTime, QSR Automations, Xenial Xpient (4.0 or higher) and Meraki. Currently, you must use either the PAR Brink (and CrunchTime) POS software or the Xenial Xpient (4.0 or higher) POS software in operating your Franchised Restaurant. You must utilize any proprietary software program, system documentation manuals and other proprietary materials provided by us in connection with the operation of the Franchised Restaurant. When we provide proprietary software, we may require that you execute one or more standard form software license or similar agreements and input and maintain in your computer the software programs, data and information as we prescribe. You must purchase from us, at prices and upon terms that we determine, the proprietary software programs, manuals and/or computer-related materials whenever we decide to use new or upgraded programs, manuals and/or materials throughout the Carl’s Jr. System. Except as described in Items 6 and 11, there are currently no payments to be made to us in connection with these items. You must comply with the Payment Card Industry Data Security Standard (“PCI-DSS”) at all times and engage any vendor that we may designate to ensure the security of your data and compliance with PCI-DSS. You must maintain continuous PCI compliance and must attest this to us annually by providing us with a completed and signed PCI Attestation of Compliance.

You must also participate in any online ordering/delivery and loyalty programs that we may establish from time to time with approved vendors and you must comply with the rules and participation criteria applicable to these programs. We have currently designated OLO as the sole software platform provider for our online ordering program, Punchh as the sole software platform for our loyalty program, and have partnered with designated service providers for our delivery program. Under our online ordering/delivery programs, we require you to accept and process specific customer delivery orders and we require you to use approved third-party delivery service providers, currently Uber Eats, Door Dash, and GrubHub. We must pre-approve all delivery service providers not already designated as approved under our delivery program. In addition, we must pre-approve all sales recording processes that originate from the delivery service providers. We have the right to modify the participation criteria or discontinue these initiatives at any time upon written notice to you. See also Item 11.

We negotiate system-wide contracts with a number of suppliers under which Carl’s Jr. Restaurants may purchase products at a negotiated price and terms. Franchisees are entitled to purchase products at the price and terms negotiated by us; however, we reserve the right to limit the number of suppliers who deliver the products at those prices and terms. With respect to equipment, smallwares and supplies, to obtain the negotiated price and to be eligible for certain revenue sharing incentives, you must purchase the equipment, smallwares and supplies from our third-party vendor Wasserstrom Holdings, Inc. and its subsidiaries. There currently are no purchasing or distribution cooperatives. We do not provide material benefits to a franchisee based on the franchisee’s purchase of particular products or services or the use of particular suppliers.

Approximately 90% of your purchases or leases of fixtures, furnishings, equipment, décor, signs, food items, ingredients, supplies and other products in connection with the establishment of the Franchised Restaurant must be purchased in accordance with our specifications or from approved suppliers. We estimate that these items represent approximately 65% of your controllable purchases, excluding labor and

general administrative costs in connection with the ongoing operation of the Franchised Restaurant. We do not provide material benefits (e.g., renewal or additional franchises) to you based on use of designated or approved suppliers.

Occasionally, during major promotions, suppliers will sell items to us at a discount. At our discretion, we will either pass the savings directly to you or contribute any amounts collected in excess of the discount to an advertising fund (*see* Item 11). Currently, certain of our soft drink suppliers offer rebates to both you and us based on volume purchases.

During our fiscal year ended January 29, 2024, we received rebates from several suppliers Door Dash (\$94,300); KDM (\$26,409); Dr. Pepper (\$147,508); and Coca-Cola (\$2,177,365). The funds contributed were used primarily to offset the cost of point of purchase associated with promoting Carl's Jr. products and other production advertising costs.

You must, at your sole expense, maintain in full force and effect throughout the term of each agreement that insurance that you determine is necessary or appropriate for liabilities caused by or occurring in connection with the development or operation of the Franchised Restaurant, which shall include, at a minimum, insurance policies of the kinds, and in the amounts, required by us. (Franchise Agreement, § 17; Development Agreement, § 7.) We may regulate the types, amounts, terms and conditions of insurance coverage required for the Franchised Restaurant, and standards for underwriters of policies providing required insurance coverage. You will receive written notice of these modifications, and you must take prompt action to comply. We, and any entity with an insurable interest designated by us, shall be an additional insured in such liability policies, except for workers' compensation/employer's liability, and loss payee for property to the extent each has an insurable interest. All insurance policies must be written by an insurance company (or companies) satisfactory to us in compliance with the standards, specifications, coverages and limits set forth in the OPM or otherwise provided to you in writing.

These required insurance policies include, at a minimum, the following: (1) Commercial General Liability insurance with policy limits not less than \$5,000,000 per occurrence and in the aggregate. Coverage shall apply per location, including coverage for contractual liability, broad form property damage, personal and advertising injury, product liability and completed operations, not to exclude food-borne illness, as well as Damage to Rented Premises coverage with limits not less than \$100,000; (2) Automobile Liability coverage, including owned, leased, non-owned and hired vehicles, with a combined single limit not less than \$1,000,000 per accident and additional liability coverage as needed for delivery services. This may be included as part of a package policy; (3) Workers' Compensation, statutory as required by law, and Employer's Liability insurance with limits not less than \$500,000, and such other insurance as may be required by the state or locality in which the Franchised Restaurant is operated. This coverage shall also be in effect for all of Franchisee's employees who participate in any of the training programs described in the Franchise Agreement; The required limits in (1) – (3) above may be satisfied through a combination of Primary and Umbrella/Excess Liability coverage. If satisfied through an Umbrella/Excess Liability coverage, the Umbrella/Excess Liability must be "following form" of the underlying Commercial General Liability, Automobile Liability and Employer's Liability coverages; (4) Commercial Property insurance that extends coverage on a replacement cost basis for the Franchised Restaurant, business personal property (including electronic equipment, tenant improvements & betterments), and business income and extra expense for a minimum of 12 months or actual loss sustained to cover loss of profits, continuing expenses and loss of rents. Covered causes of loss should be "Special Form" or "All Risk" with coinsurance conditions not less than 80%. Flood insurance is also required for locations that reside in FEMA Flood Zones beginning with the letters "A" or "V". Earthquake insurance is also required for locations that reside in FEMA Seismic Design Categories "E" or "D"; (5) Cyber Liability (network security/data privacy) with policy limits not less than \$1,000,000 per occurrence; and (6) In connection with any construction, leasehold improvements, renovation, refurbishment, or remodeling of the Franchised Restaurant, your

general contractor shall maintain Commercial General Liability insurance (with products liability and independent contractors coverage), Automobile Liability coverage for owned, leased, hired and non-owned vehicles, and Builder’s Risk with limits no less than \$1,000,000, with CJR named as an additional insured, as well as Workers’ Compensation and Employer’s Liability as required by state law.

ITEM 10 FINANCING

Neither we nor any of our agents or affiliates offer direct or indirect financing to you or guarantee any of your notes, leases or obligations.

ITEM 11 FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

CJR's Pre-Opening Obligations

Before you open your Franchised Restaurant, we will:

1. Provide you with the following site selection assistance: **(A)** CJR's site selection guidelines and, as you may request, a reasonable amount of consultation with respect thereto; and **(B)** such on-site evaluation as we may deem advisable as part of our evaluation of your request for site acceptance. (Development Agreement, § 5.B and Franchise Agreement § 4.B.)
2. We will advise you in writing within 45 days after receipt of all documents that we require whether we have accepted a particular site; however, we have no obligation to review any development proposal if you or your affiliates are not in full compliance with all agreements with us or our affiliates. If we do not respond within that time period, we will be deemed not to have accepted the site. (Development Agreement, § 5.D and Franchise Agreement § 4.D.)
3. Provide you with any training we require. (Development Agreement, § 5.F.; Franchise Agreement, §6.A. & 6.I.)

4. Loan you one copy of CJR's Development Guide and OPM, which contain mandatory specifications and standards relating to construction of Carl's Jr. Restaurants and information relating to your other obligations under the Development Agreement and Franchise Agreement. (Development Agreement, § 6; Franchise Agreement, §9)
5. Furnish you with prototypical plans and specifications for a Carl's Jr. Restaurant, including requirements for dimensions, design image, interior layout, décor, fixtures, equipment, signs, furnishings, storefront and color scheme. (Development Agreement, § 6). It will be your responsibility to have prepared all required construction plans and specifications to suit the shape and dimensions of the location of your Franchised Restaurant ("Franchised Location"), and you must ensure that these plans and specifications comply with applicable ordinances, building codes and permit requirements and with lease requirements and restrictions. You must use only registered architects, registered engineers, and professional and licensed contractors.

We will review the construction plans for the proposed Franchised Restaurant and notify you within 30 days after we receive the plans, or such longer period as we require, whether the plans are approved. (Franchise Agreement, §4.B.).

6. Provide you with a final inspection of the Franchised Restaurant, if we choose to conduct one, and provide you with express written authorization to open the Franchised Restaurant if you have complied with all conditions. (Franchise Agreement, §4.K.)
7. Provide you electronic access to our confidential and proprietary OPM, which contains information and knowledge that is unique, necessary and material to the Carl's Jr. System. The OPM remains our property. We may revise the contents of the OPM and you agree to comply with each new or changed section. (Franchise Agreement, §9). We will permit you to inspect a copy of the OPM before you purchase a franchise, if you first sign a Confidentiality Agreement, which is attached as Exhibit F.
8. Provide you with consultation and advice at no additional cost with regard to construction or renovation and operation of the Franchised Restaurant, building layout, furnishings, fixtures and equipment plans and specifications, training, purchasing and inventory control and those other matters as we deem appropriate. (Franchise Agreement, §12.A.)
9. Provide you with assistance, upon your request, in opening the Franchised Restaurant and in training your employees as we deem appropriate in light of your needs and the availability of our personnel. We have the right to charge you a fee for the opening training support team, depending on the level of support needed to open the Franchised Restaurant (as determined by us). (Franchise Agreement, §11.B.)
10. Provide the FMTP to up to 8 individuals. The details of the FMTP are described later in this Item. (Franchise Agreement, §11.A.).

CJR's Obligations During Operation of the Franchise

During the operation of your Franchised Restaurant, we will:

1. Collect, administer and spend for advertising and promotion purposes monies paid by franchisees and company-operated restaurants into the Production Fund and Media Fund. (Franchise Agreement, §§8.B., C., and E.)

2. Provide you with guidelines for local advertising and promotion from time to time. You must submit to us for our prior approval any local advertising and promotional materials purchased from a source other than CJR or its affiliates. (Franchise Agreement, §8.D.)
3. We may change or modify the Carl's Jr. System, including modifications to the OPM, the menu and menu formats, the required equipment, the signage, the building and premises of the Franchised Restaurant (including the trade dress, décor and color schemes), the presentation of the Proprietary Marks, the adoption of new administrative forms and means of reporting and of payment of any monies owed to CJR (including electronic means of reporting and payment) and the adoption and use of new or modified Proprietary Marks or copyrighted materials. (Franchise Agreement, §10.A.)
4. Provide additional training to you, if we decide to offer any additional training. We reserve the right to require you to pay a tuition fee for these additional training programs, and you will be required to pay all travel, living and other expenses incurred by your employees while attending the training. (Franchise Agreement, §11.B.)
5. Provide periodic advice and consultation to you in connection with the operation of the Franchised Restaurant as we deem appropriate or necessary. We will provide to you, as we deem appropriate or necessary, our knowledge and expertise regarding the Carl's Jr. System and pertinent new developments, techniques and improvements in the areas of restaurant design, management, food and beverage preparation, sales promotion, service concepts and other areas. We may provide these services through visits by our representatives to the Franchised Restaurant or your offices, the distribution of printed or filmed material or electronic information, meetings or seminars, telephone communications, email communications or other communications. (Franchise Agreement, §12.C.)
6. Conduct inspections of the Franchised Restaurant and evaluations of the products sold and services rendered as we deem appropriate or necessary. (Franchise Agreement, §12.D.; Co-Brand Location Addendum, § 7)

Advertising

During the term of the Franchise Agreement, you will have an advertising and promotion obligation ("APO"), paid on a weekly basis, in the amount set forth in an appendix to the Franchise Agreement. You will pay that portion of the APO as we direct to the Production Fund described in the next paragraph. The remainder of the APO shall be paid, at the same time and in the same manner as the royalty fee, to a Media Fund. Currently, 1.0% of Gross Sales is paid to the Production Fund and 5% of Gross Sales is paid to the Media Fund. HR reserves the right to reallocate or change the APO split. There is no franchisee advertising council that advises CJR on advertising policy.

Our predecessor has established, and we will maintain and administer, a fund for the creation and development of advertising, marketing and public relations, research and related programs, gift card and loyalty programs, activities and materials that we, in our sole discretion, deem appropriate ("Production Fund"). Vendors and suppliers also may contribute to the Production Fund. We or our designee direct all advertising, marketing, and public relations programs and activities financed by the Production Fund with sole discretion over the creative concepts, materials and endorsements used in those programs and activities, and the geographic, market and media placement and allocation of advertising and marketing materials. We usually work with an advertising agency in developing advertising for print, radio, Internet and television and leverage internal and contract creative services.

Our predecessor also has established, and we will maintain and administer, a fund for all working media costs ("Media Fund"). We or our designee direct all advertising, marketing, and public relations

programs and activities financed by the Media Fund with sole discretion over the creative concepts, materials and endorsements used in those programs and activities, and the geographic, market and media placement and allocation of advertising and marketing materials.

CJR will administer the Production Fund and the Media Fund (at times referred to as the “Funds”). The Production Fund and Media Fund are not trust or escrow accounts, and CJR has no fiduciary obligation to franchisees with respect to them. CJR or its designee has the right to terminate (and subsequently restart) the Production Fund or the Media Fund or establish different advertising funds. CJR may incorporate any advertising fund and may have a separate entity manage any advertising fund.

In the fiscal year ended January 29, 2024, of the total monies spent by the Funds, 4% was spent for production; 83% was spent for media placement; 1% was spent on research/marketing consulting fees; and 12% was spent for miscellaneous expenses, including administrative expenses. No money was spent by the Funds to solicit new franchisees.

You may, during the period beginning 30 days before the scheduled opening of your Franchised Restaurant and continuing for 90 days after your Franchised Restaurant first opens for business (“Grand Opening Period”), conduct such grand opening advertising as CJR and you deem appropriate. CJR will reimburse you up to \$5,000, in accordance with our Grand Opening Policy as may be in effect from time to time, for grand opening advertising during the Grand Opening Period, if those expenditures were pre-approved by CJR and comply with the requirements of your Franchise Agreement for local advertising and you provide written proof to CJR of the advertising and the cost for that advertising no later than 90 days after your Franchised Restaurant first opens for business.

Local advertising and promotion materials may be purchased from any CJR-approved source. If purchased from a source other than CJR or its affiliates, these materials must comply with federal and local laws and regulations and with the guidelines for advertising and promotions promulgated from time to time by CJR or its designee and must be submitted to CJR or its designee at least 30 days prior to first use for approval, which CJR may grant or withhold in its sole discretion. In no event may your advertising contain any statement or material which, in the sole discretion of CJR, may be considered: **(1)** in bad taste or offensive to the public or to any group of persons; **(2)** defamatory of any person or an attack on any competitor; **(3)** to infringe upon the use, without permission, of any other persons’ trade name, trademark, service mark or identification; or **(4)** inconsistent with the public image of CJR or the System.

We have the right, following written notice to you, to reallocate the APO and to increase the APO; however, we will not increase the APO by more than ½% of Gross Sales in any 12-month period, and your maximum required APO will not exceed 7% of Gross Sales.

CJR maintains separate bookkeeping accounts for all advertising funds. CJR prepares an unaudited report of the operations of the funds annually, which is available to you upon written request. Restaurants operated by CJR contribute to the various advertising funds an amount equivalent to that contributed by comparable franchised Restaurants. In spending advertising monies, CJR is not obligated to make expenditures for any franchisee that are equivalent or proportionate to that franchisee’s contribution or to ensure that any particular franchisee benefits directly or on a pro rata basis from expenditure of the funds.

Generally, CJR believes that it will spend all advertising payments during the taxable year in which the contribution and earnings are received. If we do not spend the advertising payments in one year, we will spend them in the following year.

Electronic Cash Register/Point of Sale System

A Carl's Jr. Restaurant typically requires a Computer/POS System consisting of 4 POS terminals and 6 kitchen display monitors. You must purchase or lease PAR ES600 or PAR ES8500 terminals. These systems record customer transactions and collect and generate gross sales reports (including sales by categories) for the Franchised Restaurant. In addition, (i) you must purchase or lease Brink Kitchen Display Systems and a back-office workstation as recommended by the software provider, and (ii) you must have met our required connectivity standards (currently, (a) Cisco Meraki Firewall/Router with Advanced Security License; (b) Cisco Meraki Wireless Access Points, Cisco Meraki 48 port switch; (c) highly reliable internet with auto-failure to LTE Backup; and (d) Wi-Fi for guests (if Internet speeds are fast enough to support it) and back of house operations. The hardware for the connectivity currently includes security appliance – Meraki MX68 w/Advanced Security License, wireless access Points – Meraki MR33, and managed switch – Meraki MS120. You are required to upgrade or update these systems and add or replace components during the term of the Franchise Agreement, and there is no contractual limitation on the frequency or cost of the obligation.

You also must use an approved software program for the Computer/POS System. You must choose either PAR Brink or Xenial Xpient (5.0 or higher) for your Computer/POS System. The cost of PAR Brink includes an initial setup fee of \$2,200 per Franchised Restaurant and \$576 annual license fee per Franchised Restaurant which will cover 4 terminals and 6 KDS systems, both fees payable directly to the third-party vendor. You may add additional terminals or KDS systems for \$7 per month for each additional service. If you choose PAR Brink, you must also use CrunchTime as your back-office software solution. If you choose to use PAR Brink, you may sign a Software Support Agreement with CKR (the current form is attached as Exhibit G-1) and pay to CKR a software support fee of \$118 for each Franchised Restaurant for each fiscal period (as defined by CKR) which will give you access to CKR's Level 1 and Level 2 Help Desk Support and also pay to CrunchTime \$825 per Franchised Restaurant bi-annually (every 26 week accounting period) for swivel seat support which includes hardware and network issues, phone and internet issues and access to the CrunchTime back-office software solution. If you obtain support for PAR Brink/CrunchTime from a third party, we estimate the cost to be on average \$125 per month. In addition, for PAR Brink, you must enter into a written agreement with Par Tech, Inc. ("Par Tech"), Lucas POS Systems, or POS Technical to provide on-site support. Par Tech, Lucas POS Systems, or POS Technical will bill you directly for these services. If you choose Xenial Xpient IRIS 5.0 (or higher) as your POS software, you will need to obtain a license directly from Xenial and on-site support from a vendor approved by Xenial. The purchase price of the required hardware, software and support ranges from approximately \$35,000 to \$45,000, depending on the vendor selected.

You must maintain your point of sale system and keep it in good repair. We can access the information stored in the system, and there is no contractual limitation on our right to do so. We estimate the cost of maintaining, updating or upgrading your Computer/POS System or its components will range from \$1,800 to \$3,000 annually, although the cost will depend on your repair history, local costs of computer maintenance services in your area and technological advances, which we cannot predict at this time, and this annual estimate is separate and independent from any requirement to install a new cash register/point of sale system.

You must participate in any online ordering and delivery programs that we may establish with approved supplier(s) (currently Uber Eats, Door Dash, and GrubHub) and you must comply with any participation criteria and other rules applicable to such programs. You must also participate in our loyalty and gift card programs and any other marketing and promotional initiatives that we may from time to time establish with approved vendors and comply with any participation criteria and other rules applicable to such programs. We have the right to modify the participation criteria or discontinue such initiatives at any time upon written notice to you. We will provide you access to the online ordering/delivery and loyalty program software and technology (which currently includes OLO, Data Menu Management, Punchh Loyalty, Data Management (customer data processing) and Future (enterprise data management and content

management system) and you must pay us the Digital Tech Fee identified in Item 6 (currently \$160 per 4-week fiscal period). You must execute the OLO Authorized Operator Agreement (current form is attached as Exhibit G-2) and we may require you to execute additional or different software agreements regarding your use of such technology in the future. (Franchise Agreement, Section 15.E. and Appendix A).

Selecting the Location for Your Franchised Restaurant

We do not select the site for your Franchised Restaurant. You select the site for your Franchised Restaurant subject to our acceptance. As noted in Item 1, you should not acquire any interest in a site for your Franchised Restaurant until you have been approved as a franchisee (or, if you already are a franchisee, until you have been approved for expansion) and we have accepted the site in writing. We generally do not own the Franchised Restaurant premises and lease them to franchisees.

For each proposed site for a Franchised Restaurant, you will, if requested by us, submit a Franchise Site Application to us. In addition, you may have to submit a complete real estate package (containing that information as we may reasonably require) for a proposed site, which you reasonably believe conforms to our then-current site selection criteria, including demographic characteristics, traffic patterns, parking, character of the neighborhood, competition from other businesses in the area, the proximity to other businesses (including restaurants operated or franchised by CJR or our affiliates), the nature of other businesses in proximity to the site and other commercial characteristics (including the purchase price, rental obligations and other lease terms for the proposed site) and the size, appearance, other physical characteristics, and a site plan of the premises. Within 30 days after receipt of these documents, and any information which CJR may reasonably require, we will advise you in writing whether we have accepted a particular site; however, CJR has no obligation to review any development proposal if you or your affiliates are not in full compliance with all agreements with CJR or its affiliates. If we do not respond within that time period, we will be deemed not to have accepted the site. Our acceptance or refusal to accept a site for the Franchised Restaurant may be subject to reasonable conditions as determined in our sole discretion.

We may refuse to accept a site for a proposed Franchised Restaurant unless you demonstrate sufficient financial capabilities, in our sole judgment, applying standards consistent with criteria we use to establish Carl's Jr. Restaurants in other comparable market areas, to properly develop, operate and maintain the Franchised Restaurant. Therefore, you also must furnish us with such financial statements and other information regarding you and the development and operation of the proposed Franchised Restaurant, including, without limitation, investment and financing plans for the proposed Franchised Restaurant, as we reasonably may require.

Our acceptance of one or more sites is not a representation or a promise by CJR that a Franchised Restaurant at an accepted site will achieve a certain sales volume or a certain level of profitability. Similarly, our acceptance of one or more sites and our refusal to accept other sites is not a representation or a promise that an accepted site will have a higher sales volume or be more profitable than a site which we did not accept. Our acceptance only indicates our willingness to be represented by you at that site.

Following our acceptance of a site, you must secure the site by entering into a lease or sublease for the site or purchasing the real property. This must be finalized no later than 6 to 9 months after our site acceptance ("Property Control Date"). If you do not do so by the Property Control Date, the site acceptance will be deemed withdrawn without providing you notice. You must commence construction within 6 months after the Property Control Date. If you fail to do so, site acceptance will be deemed withdrawn without providing you notice. You may not commence construction until we have a fully-executed Franchise Agreement with you and you have paid us the Initial Franchise Fees. You must open the Franchised Restaurant within 18 months after the Property Control Date. If you fail to open the Franchised Restaurant

within 18 months after the Property Control Date, we will have the right to terminate the Franchise Agreement.

Time Between Agreement Signing and Opening

The typical length of time between the Property Control Date and the opening of the Franchised Restaurant is between 12 and 18 months. Factors affecting the length of time needed to open the Franchised Restaurant usually include your ability to obtain adequate financing, weather, local requirements and procedures for necessary permits and zoning, shortages or delayed installation of equipment, signs and fixtures and special circumstances affecting construction in a particular area, none of which are within our control.

Training

We may require those individuals who will have a 10% or greater interest in the franchisee entity to attend a 10-Day Operations Overview before we will commit to enter into any other agreement with you. The 10-Day Operations Overview will be conducted at those locations specified by us. As described in Item 5, we may charge a fee for this program, and you will be required to pay all travel, living and other expenses incurred in attending this program. The persons participating in the 10-Day Operations Overview will be required to execute the Preliminary Agreement.

We currently provide, at no charge for you, your Operating Principal (if not previously trained), your General Manager and 6 other employees who you have hired as Shift Leaders, the FMTP, provided the training takes place within 2 years of your signing the Franchise Agreement, in the operation of a Carl's Jr. Restaurant at those times and places designated by us. We reserve, however, the right to modify or waive the training required based on individual's or your experience. As described in Item 5, a fee is charged to provide the FMTP to additional individuals. The FMTP will include in-restaurant training at a Carl's Jr. Restaurant designated by us, classroom instruction and training at a designated training facility in Anaheim, CA or Franklin, TN, and online training.

In addition, we also provide you electronic access to our E-Learning management system called Star University. Star University is a web-based personal learning and training environment for the administration, tracking and reporting of learning programs. Currently, the fee associated with the use of this program is \$14 per fiscal period (as defined by us, currently a 4-week accounting period), but we reserve the right to increase the fee in the future. In addition, you will be required to sign the Star University License Agreement (the current form is attached as Appendix I to the Franchise Agreement). The fee is paid to us but we pass this entire fee to a third-party vendor to help facilitate the training environment. The use of Star University requires certain high-speed internet and hardware and such costs will be solely your responsibility. Star University is a required training tool for your Franchised Restaurant.

You will be required to pay all travel, living and other expenses incurred by you and your employees while attending the training. We reserve the right to dismiss from the FMTP any person whom we do not believe will perform acceptably in the position for which he has been hired by you, and you will provide a suitable replacement within one month of that dismissal.

The minimum length of the FMTP is 8 consecutive weeks; however, depending on the prior experience of the trainee, the FMTP could be shorter or longer. In addition, your General Manager and 2 Shift Leaders must attend an additional 2 weeks of Shift Control training. A new class begins as needed. The FMTP is scheduled so that it is completed sufficiently in advance of your Franchised Restaurant's initial opening to afford adequate time for the Franchised Restaurant set-up and the hiring and training of crew members before the opening of the Franchised Restaurant. The FMTP instructors are experienced

Carl's Jr. Restaurant managers who conduct the training under the supervision of CKR's Director of Learning & Organizational Development, Lisa Holloway. See Note (2) below regarding Lisa Holloway's experience.

In addition, if you do not currently operate a Franchised Restaurant or if you have not opened a new Franchised Restaurant in the last 2 years, your Operating Principal must attend another franchisee's (or a company) new restaurant opening no more than 12 months before your Franchised Restaurant opens.

Any training that we may provide to any of your employees will be limited to training or guiding the employees regarding the delivery of approved products to customers in a manner that reflects the customer service standards of the Carl's Jr. System. You are, and will remain, the sole employer of your employees at all times, including during all training programs, and you are solely responsible for all employment decisions and actions related to your employees. You are solely responsible for ensuring that your employees receive adequate training.

- (2) Lisa Holloway is our Director of Learning & Organizational Development. She has more than 15 years of experience leading training and performance initiatives in guest-facing organizations. FMTP instructors include General Managers, District Managers, Regional Trainers, and Certified Franchise Trainers.

Other Training

We have the right to require that you, your owners, your Operating Principal, your General Manager and any other employees hired by you to fill certain designated positions take and successfully complete other training courses in addition to the FMTP. We reserve the right to require you to pay a tuition fee for these additional training programs as established by us from time to time. We also reserve the right to modify or waive the elements of the FMTP, any additional FMTP training, and the 10 day Operations Overview, in our sole discretion. You will be required to pay all travel, living and other expenses incurred by your personnel while attending this training.

All-Star Team Opening Training Support

For your first two Franchised Restaurants, you will receive the assistance of our All-Star Team in the pre-opening and opening of those two Franchised Restaurants. The All-Star Team may consist of our corporate staff and/or it may include one or more of our franchisees, as we may determine. The All-Star Team's primary responsibility is to assist with restaurant set-up, restaurant crew station training and guest experience during your Franchise Restaurant pre-opening and opening. You will be responsible for the salaries, administrative fees, meals, travel and lodging expenses of the All-Star Team members while they are trainers at your Franchised Restaurant. For additional details, see Items 5 and 7.

Training by You

You must conduct those initial and continuing training programs for your employees as we periodically require. You must ensure that all of your employees have been trained in the proper operation of the Franchised Restaurant. In addition, if you operate three or more Franchised Restaurants, we may require, in our sole discretion, that (A) you obtain and maintain a certification from us for one or more of your Franchised Restaurants to be an authorized training restaurant (a "**Certified Franchisee Training Restaurant**") and (B) one or more of your General Managers obtain and maintain a certification from us as a trainer authorized to provide our FMTP to your new trainees (a "**Certified Franchisee Management Trainer**"). Your Certified Franchisee Management Trainers may provide our FMTP at a Certified Franchisee Training Restaurant in accordance with our System standards for such training. To become a Certified Franchisee Management Trainer, a General Manager must (i) complete our FMTP, (ii) maintain specific food safety programs, (iii) attend any required additional training program as specified by us from time to time, and (iv) meet other qualifications that we may specify from time to time. To be designated as a Certified Training Restaurant, your Franchised Restaurant must (a) meet compliance scores that we specify, (b) fully comply with our then-current System standards, (c) maintain established personnel requirements, in addition to a Certified Franchisee Management Trainer, (d) remain compliant with all health department or other regulatory requirements; and (e) meet any other requirements that we may specify from time to time. We may, in our sole discretion, revoke certification for a Certified Franchisee Training Restaurant or a Certified Franchisee Management Trainer. If we revoke certification, we may require your trainees to attend the FMTP at another location that we designate.

Conventions

We may, from time to time, conduct conferences, conventions, programs, webinars, teleconferences, or training sessions on any matters related to the System. Your Operating Principal or your General Manager and other personnel we designate must attend each such meeting, program, or session that we require. We may charge you a reasonable fee to attend any such meeting, program, or session. We may require you to purchase or license from us, our affiliates, or third-party suppliers any training platform and equipment necessary to use or access the training materials. (Franchise Agreement, Section 13.B)

ITEM 12 TERRITORY

Development Agreement

You will not receive an exclusive territory under the Development Agreement. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

There are no restrictions on the areas in which you may advertise or solicit customers for your Franchised Restaurants; however, see Item 13 for Internet restrictions. We reserve all rights to use and license the Carl's Jr. System other than those we expressly grant you under the Development Agreement, the Franchise Agreement. There are no restrictions on the areas in which we may advertise or solicit customers, nor must we pay any compensation to you for soliciting or accepting orders from inside the Development Territory. The rights we reserve include the right to use any other channel of distribution, including the Internet, to make sales in the Development Territory using the Proprietary Marks or different proprietary marks.

Franchise Agreement

You will not receive any exclusive territory under the Franchise Agreement. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. You do not receive the right, under the Franchise Agreement, to develop or operate more than one Franchised Restaurant. Our prior written consent is required before you relocate the Franchised Restaurant. If your right to possession of the Franchise Restaurant premises is lost through no act or failure to act on your part, you may relocate the Franchised Restaurant if: (1) we accept the new location; (2) you construct and equip a Franchised Restaurant at the new location in accordance with the then-current System standards and specifications; (3) a Franchised Restaurant at the new location is open to the public for business within 6 months after the loss of possession of the original franchised location; and (4) you reimburse us for all reasonable expenses actually incurred by us in connection with the acceptance of the new location.

You may only sell or distribute products identified by some or all of the Proprietary Marks from the Franchised Location; you may not use any other method or channel of distribution. We do not impose any geographic restrictions on your ability to solicit customers; however, see Item 13 for Internet restrictions. In addition, you must participate in all online ordering and delivery programs that we may designate from time to time and comply with the terms and conditions of such programs, including any geographic or other delivery restrictions. There are no restrictions on our ability to solicit customers, nor must we pay any compensation to you for soliciting or accepting orders. We reserve all rights to use and license the Carl's Jr. System other than those we expressly grant to you. We reserve the right to merchandise and distribute goods and services identified by the Proprietary Marks (or different proprietary marks) through any method or channel of distribution, including the Internet.

As noted in Item 1, pursuant to the Management Agreement, CKR, at all times acting on our behalf, may fulfill all of our duties and obligations under all existing and future Franchise Agreements and Development Agreements, including managing the Carl's Jr. System; marketing and offering new and renewal Franchise Agreements and Development Agreements as our franchise broker; training franchisees and their employees; and providing the required support to franchisees. Pursuant to the same Management Agreement, CKR, also fulfills all of HR's duties and obligations under all existing and future franchise agreements and development agreements for Hardee's Restaurants, which are quick service restaurants identified in whole or in part by the name "Hardee's." Except in limited circumstances, Carl's Jr.

Restaurants are not located in the same geographic area as Hardee’s Restaurants. In the limited circumstances where there is overlap, HR and its franchisees may solicit or accept orders within the same area served by Restaurants operated by Carl’s Jr. franchisees, and any potential conflict between the franchisees of each system will be resolved on a case by case basis. As noted in Item 1, the principal place of business of CKR and HR is the same as ours.

Except as described in Item 1, we do not operate or franchise, or currently plan to operate or franchise, any business under a different trademark that sells or will sell goods or services similar to those that our franchisees sell. However, our affiliates, including the Affiliated Programs described in Item 1 and other portfolio companies that currently are or in the future may be owned by private equity funds managed by Roark Capital Management, LLC, may operate and/or franchise businesses that sell similar goods or services to those that our franchisees sell. Item 1 describes our current Affiliated Programs that offer franchises, their principal business addresses, the goods and services they sell, whether their businesses are franchised and/or company-owned, and their trademarks. All of these other brands (with limited exceptions) maintain offices and training facilities that are physically separate from the offices and training facilities of our franchise network. Most of the Affiliated Programs are not direct competitors of our franchise network given the products or services they sell, although some are, as described in Item 1. All of the businesses that our affiliates and their franchisees operate may solicit and accept orders from customers near your business. Because they are separate companies, we do not expect any conflicts between our franchisees and our affiliates’ franchisees regarding territory, customers and support, and we have no obligation to resolve any perceived conflicts that might arise.

ITEM 13 TRADEMARKS

For Carl’s Jr. Restaurant franchisees, we grant you the right to operate a restaurant under the name “Carl’s Jr.” and to use our other current or future trademarks that we designate in the operation of your Franchised Restaurant. By trademarks, we mean trade names, trademarks, trade dress, service marks, logos, insignias, slogans, emblems, symbols, designs and any combination of these or any other indicia of source used to identify and distinguish the Carl’s Jr. brand (our “Proprietary Marks”). We own all right, title and interest in and to the Proprietary Marks and you will only have such rights to use the Proprietary Marks as granted to you in the Franchise Agreement.

Our Proprietary Marks include both registered and unregistered marks. You must, at all times, employ at the Franchised Restaurant at least one General Manager and a sufficient number of employees who have successfully completed the FMTP to ensure that the Franchised Restaurant operates in accordance with the System. If the Franchised Restaurant employs at any time fewer than the required number of trained personnel who have successfully completed the FMTP, you have 30 days to hire and enroll the required number of personnel in the FMTP. If this manager ceases to be employed at the Franchised Restaurant, you have 30 days to hire a replacement and enroll him or her in the FMTP. Your managers are not required to own an equity interest in you.

If you are any type of business entity other than a sole proprietorship, we and you will identify a “Continuity Group.” The members of the Continuity Group will include: **(1)** the Development Principal; **(2)** the Operating Principal; **(3)** all holders of a direct or indirect legal or beneficial interest of 10% or more (“10% Owners”) in Franchisee; **(4)** if Franchisee is a limited partnership, all 10% Owners in Franchisee’s general partner; and **(5)** if any 10% Owner of Franchisee is a corporation or limited liability company, all 10% Owners in the entity that is a 10% Owner of Franchisee. PUBLIC FIGURES**

We do not use any public figure to promote our franchise.

**ITEM 19
FINANCIAL PERFORMANCE REPRESENTATIONS**

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-operated outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in this Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

BACKGROUND

This financial performance representation consists of three sections. In Section I & II, we provide certain financial information for our Travel Center and Gas and Convenience Center franchised restaurants that were open and in operation during the 52-week time period extending from January 31, 2023 through January 29 2024 (“FY24” or the “FY24 Period”). In Section III of this financial performance representation, we present average historical FY24 revenue and associated costs and expenses for those freestanding franchised Carl’s Jr. restaurants (“Freestanding Restaurant”) that have shared financial information with us via the online iLumen portal. Franchise rights for a Freestanding Restaurant are offered under a separate franchise disclosure document.

The restaurants included in Section I and II of this financial performance representation are all franchisee operated Carl’s Jr. Travel Center and Gas and Convenience Center restaurants located in the United States. A Carl’s Jr. restaurant is considered a “Travel Center” if it is located off an interstate or a limited highway exit that focuses on services to the trucking industry and provides services that include fuel, showers, restrooms, convenience items, food and truck parking and services. A Carl’s Jr. restaurant is considered a “Gas and Convenience Center” if its primary focus is on non-commercial fuel service and convenience items including freshly made foods.

The restaurants included in Section III of this financial performance representation are all franchised Freestanding Restaurants located in the United States. A Carl’s Jr. restaurant is considered a “Freestanding Restaurant” if it is located in a single tenant building, not attached to any other structures. This financial performance representation does not include information for franchised Carl’s Jr. restaurants operated from colleges and universities, and airports. Further, franchised Carl’s Jr. restaurants located outside the United States are not included in this financial performance representation. This financial performance representation does not include information regarding any company owned or operated Carl’s Jr. restaurants.

Section I: Travel Center Revenue FY24

In this Section I, we present certain historical financial and operational performance information for 45 Travel Center franchised Carl’s Jr. restaurants that were operated by our franchisees for all of FY24.

At the end of FY24 we had 1,014 franchised Carl’s Jr. restaurants open and operating in the United States. For purposes of this Section I, we excluded 968 franchised restaurants for the following reasons: (i) 967 restaurants operate from a freestanding restaurant, gas and convenience center, college, university, toll plaza, or airport – meaning, they do not operate from a Travel Center location, and (ii) 1 Travel Center restaurant that did not provide us with complete revenue data for the entire FY24 Period.

For purposes of this Section I, we separated the 45 remaining Travel Center restaurants into two groups based on when they first opened for business (i) “2018 and Prior” are those Travel Center restaurants which first opened for business in calendar year 2018 and earlier, (ii) “2019 - 2022” are those Travel Center restaurants which first opened for business in calendars years 2019, 2020, 2021 and 2022. We have not independently audited or verified the accuracy of data provided to us by franchisees.

Revenue. Revenue includes all revenue from the sale of all services and products (except CJR-approved promotional items) and all other income of every kind and nature (excluding revenue from the sale of stored value gift cards or gift certificates but including revenue when gift certificates are redeemed or stored value gift cards are debited), whether for cash or credit and regardless of collection in the case of credit; provided, however, that Revenue does not include sales taxes or other taxes collected from customers by you for transmittal to the appropriate taxing authority. The above definition of “revenue” is designated as “Gross Sales” in the Carl’s Jr. franchise agreement. “Revenue” information for this Table 1 was obtained from Carl’s Jr. point of sale system (if utilized by the franchised restaurant) or self-reported to CJR by the franchisee.

Below are the median, low, and high ranges, and number and percentage of Travel Center restaurants that attained or exceeded the average revenue numbers presented in Table 1 above.

Section II: Gas and Convenience Center Revenue FY24

In this Section II, we present certain historical financial and operational performance information for 8 Gas and Convenience Center franchised Carl’s Jr. restaurants that were operated by our franchisees for all of FY24.

At the end of FY24 we had 1,014 franchised Carl’s Jr. restaurants open and operating in the United States. For purposes of this Section II, we excluded 1,006 franchised restaurants that operate from a freestanding restaurant, Travel Center store, college, university, toll plaza, or airport – meaning, they do not operate from a Gas and Convenience Center location. No Gas and Convenience Center locations were excluded from this analysis.

For purposes of this Section II, we separated the 8 restaurants into 1/2’s based on Average FY24 Revenue, with the “Top 1/2” reflecting the 4 restaurants with the highest Revenues for FY24, the “Bottom 1/2” reflecting the 4 restaurants with the lowest Revenues for FY24. Average FY24 Revenue included in this Section II is calculated based on information reported to us by our franchisees. We have not independently audited or verified the accuracy of data provided to us by franchisees.

Section III: Freestanding Restaurants FY24 Revenue and Costs Analysis

In this Section III, we present the historical FY24 average revenue data for 138 Freestanding Restaurants that provided us with full year FY24 profit and loss (P&L) data through the online financial reporting portal, iLumen. iLumen is a financial reporting portal which permits parties to upload historical financial data – including revenue, cost, and expense information. The revenue, cost and expense information included in this Section III is based on the actual revenue and cost and expense information reported to us by these franchisees via the iLumen portal. We have not independently audited or verified

the accuracy of the data provided to us by our franchisees, including verifying the information entered into iLumen by the 138 franchisees.

Because only 138 franchisees provided us with the proper historical financial data – including revenue, cost, and expense information, we eliminated the balance of the 876 franchised Carl’s restaurants open and operating at year end FY24 (1,014) from having their financial data included in Table 3.

For the purposes of this Section III, we divided 138 restaurants into 3 groups based on their Average FY24 Revenue reported in iLumen. The "Top 1/3" consists of the 46 restaurants with the highest revenues for FY24. The "Bottom 1/3" includes the 46 restaurants with the lowest revenues for FY24. The "Mid 1/3" contains the 46 restaurants whose FY24 revenues fall between the Top 1/3 and Bottom 1/3 groups. The Average Revenue data in this Section III is based on reports from our franchisees operating Freestanding restaurants and has not been independently audited or verified by us.

Table Notes

1. See the notes to Table 1 above for the definition of “Revenue.”
2. Food & Paper. Total Food & Paper includes all food, paper and distribution costs, less supplier rebates.
3. Direct Labor. Direct Labor includes hourly wages, hourly overtime, hourly PTO, labor penalties, and payroll taxes. A franchisee’s Direct Labor costs will vary depending on the amount of vacation time granted, the amount and type of insurance coverage provided to employees, the size of the franchisee’s total employment base and specific local requirements. Direct Labor does not include costs such as general manager salaries, manager bonuses, PTO, stipends, Interim General Manager wages, recruiting expenses, and restaurant benefits (including those for full-time, hourly staff). These costs can vary based on vacation time, insurance coverage, the size of the employment base, and local requirements.

Some restaurants have earned these amounts. Your individual results may differ. There is no assurance that you will earn as much.

Written substantiation of the financial performance representation will be made available to you upon reasonable request. However, we will disclose the identity, revenue or other items of income or expense of any particular Company-Operated Restaurant only in connection with the sale of that Company-Operated Restaurant.

You are responsible for developing your own business plan for your franchised restaurant, including capital budgets, financial statements, projections and other elements appropriate to your particular circumstances. We encourage you to consult with your own accounting, business and legal advisors and to make necessary allowances for changes in financial results to income, expenses or both. You should conduct an independent investigation of the costs and expenses you will incur in operating your franchised restaurant. Franchisees or former franchisees listed in the disclosure document may be one source of this information.

Other than the preceding financial performance representation, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor’s management by contacting Kerry Olson, Chief Legal Officer, General Counsel, and Secretary, 6700 Tower Circle, Suite 1000, Franklin, TN 37067, (615) 538-9260, the Federal Trade Commission, and the appropriate state regulatory agencies.

CARL'S JR. RESTAURANT DEVELOPMENT AGREEMENT

THIS AGREEMENT is made as of _____ by and between Carl's Jr. Restaurants LLC ("CJR"), a Delaware limited liability company, and _____ ("Developer").

RECITALS:

A. As a result of the expenditure of time, skill, effort and money, CJR and its predecessor have developed, and CJR owns, a unique and distinctive system ("Carl's Jr. System") relating to the development, establishment and operation of quick service restaurants ("Carl's Jr. Restaurants").

B. The Carl's Jr. System is identified by means of certain trade names, trademarks, service marks, trade dress, logos, insignias, slogans, emblems, symbols, designs, and any combination thereof or any other indicia of source (collectively "Proprietary Marks") which CJR owns and which CJR has designated or may in the future designate for use with the Carl's Jr. System. The Proprietary Marks used to identify the Carl's Jr. System, including the principal Proprietary Marks, may be modified by CJR from time to time.

C. CJR continues to develop, use and control the use of these Proprietary Marks in order to identify for the public the source of services and products marketed under the Proprietary Marks, the Carl's Jr. System, and to represent the Carl's Jr. System's high standards of quality, appearance and service.

D. Developer desires to be granted the opportunity, subject to the terms and conditions of this Agreement, to develop franchised Carl's Jr. Restaurants ("Franchised Restaurant(s)") in the limited geographic area described in attached Appendix A ("Development Territory").

E. Developer understands and acknowledges the importance of CJR's high and uniform standards of quality, operations and service and the necessity of developing Franchised Restaurants in strict conformity with this Agreement and the Development Guide.

F. CJR is willing to grant Developer the opportunity to develop Franchised Restaurants in the Development Territory, subject to the terms and conditions of this Agreement.

AGREEMENT

NOW THEREFORE, in consideration of CJR's grant to Developer of the right to develop Franchised Restaurants in the Development Territory during the term of this Agreement ("Development Term"), as well as the mutual covenants, agreements and obligations set forth below, the parties agree as follows:

1. GRANT OF DEVELOPMENT RIGHTS

A. Grant

CJR hereby grants to Developer, subject to the terms, conditions, provisions and limitations of this Agreement, the right to develop Franchised Restaurants in the Development Territory during the Development Term. The Development Term begins on the date this Agreement is signed by CJR and terminates on the first to occur of: **(1)** the date that the last Franchised Restaurant required by the Development Schedule in attached Appendix B opens for business; or **(2)** the date that the last Franchised Restaurant was required to be opened pursuant to the Development Schedule. There is no renewal term for this Agreement. Each Franchised Restaurant shall be located in the Development Territory at a specific location accepted by CJR.

B. Development Rights Only

This Agreement is not a license or a franchise agreement. It does not give Developer the right to operate Franchised Restaurants or use the Carl's Jr. System. In addition, this Agreement does not give Developer any right to license others to operate Franchised Restaurants or use the Carl's Jr. System. This Agreement only gives Developer the opportunity to enter into Franchise Agreements for the operation of Franchised Restaurants at locations in the Development Territory accepted by CJR. Each Franchised Restaurant developed pursuant to this Agreement shall be established and operated only in strict accordance with a separate Franchise Agreement.

C. Forms of Agreement

Developer acknowledges that, over time, CJR has entered, and will continue to enter, into agreements with other developers and franchisees that may contain provisions, conditions and obligations that differ from those contained in this Agreement. The existence of different forms of agreement and the fact that CJR and other developers and franchisees may have different rights and obligations does not affect the duties of the parties to this Agreement to comply with the terms of this Agreement.

2. LIMITED EXCLUSIVE RIGHTS

The Carl's Jr. System (including the products sold under the Proprietary Marks) have been developed, and are designed, to function effectively in a wide variety of retail environments, many of which are not practically available to Developer. Accordingly, CJR reserves to itself the rights to: **(A)** operate and license others to operate Carl's Jr. Restaurants in the Development Territory that are located in travel plazas, gas stations or convenience stores; **(B)** operate and license others to operate Carl's Jr. Restaurants in the Development Territory that are located in airports, train stations, bus stations, toll plazas, stadiums, arenas, convention centers, military facilities, schools, colleges, universities, hospitals, recreational theme parks, business or industrial foodservice venues, venues in which foodservice is or may be provided by a master concessionaire or contract foodservice provider, Indian reservations, casinos, "ghost" or "dark" kitchens or any similar captive or non-traditional "brick and mortar" locations (collectively, Captive Market Locations"); **(C)** award national or regional licenses to third parties to sell products under the Proprietary Marks in foodservice facilities primarily identified by the third party's trademark; **(D)** develop and operate, and license others to develop and operate, restaurants other than Carl's Jr. Restaurants in the Development Territory; **(E)** merchandise and distribute products identified by some or all of the Proprietary Marks in the Development Territory through any other method or channel of distribution; and **(F)** sell and distribute products identified by some or all of the Proprietary Marks in the Development Territory to restaurants other than Carl's Jr. Restaurants, provided those restaurants are not licensed to use the Proprietary Marks in connection with their retail sales.

Except as reserved in the preceding paragraph, CJR will not, during the Development Term, operate or license others to operate Carl's Jr. Restaurants in the Development Territory, provided Developer is in compliance with the terms of this Agreement and any other agreements with CJR or its affiliates and is current on all obligations due CJR and its affiliates. This Section 2 does not prohibit CJR or its affiliates from: **(1)** operating and licensing others to operate, during the Development Term, Carl's Jr. Restaurants at any location outside of the Development Territory; **(2)** operating and licensing others to operate, after this Agreement terminates or expires, Carl's Jr. Restaurants at any location, including in the Development Territory; and **(3)** operating and licensing others to operate at any location, during or after the Development Term, any type of restaurant other than a Carl's Jr. Restaurant.

The restrictions contained in this Section 2 apply only to CJR and do not apply to Carl's Jr. Restaurants under development or in operation in the Development Territory as of the date of this Agreement. Nothing shall prohibit CJR or its affiliates from operating or licensing a restaurant at any location in or outside the Development Territory, other than a restaurant in the Development Territory that primarily is identified by the name and mark "Carl's Jr."

3. DEVELOPMENT SCHEDULE

A. During the Development Term, Developer shall develop, open and continuously operate in the Development Territory the number of Franchised Restaurants specified in the Development Schedule in attached Appendix B. For each Franchised Restaurant to be developed during the Development Term, Developer shall first obtain CJR's written acceptance of the site. No later than 9 months after CJR's written acceptance of the site, Developer shall deliver to CJR a fully-signed lease or sublease for the Authorized Site (defined below) or proof of Developer's purchase of such site. The effective date of the lease or sublease, or the closing day of the purchase of the real property, shall be the "Property Control Date". Developer shall open the Franchised Restaurant no later than the Opening Date set forth in Appendix B. Strict compliance with the Development Schedule is essential to this Agreement. Any failure by Developer in fulfilling its obligations to develop and open any Franchised Restaurant when required by the Development Schedule or to obtain site acceptance by the date specified in the Development Schedule shall constitute a material, non-curable breach of this Agreement permitting CJR immediately to terminate this Agreement by giving written notice of termination to Developer. **Time is of the essence.**

B. Developer, as requested by CJR, shall prepare a development plan for the Development Territory. Among other things, the development plan may identify specific markets or trade areas in the Development Territory in which Developer will develop Franchised Restaurants, the number and type of Franchised Restaurants to be developed and the time periods in which Developer will develop Franchised Restaurants in each market or trade area. If prepared, any failure by Developer to timely comply with the development plan or any material aspect of the development plan shall constitute a material, non-curable breach of this Agreement, permitting CJR to terminate this Agreement immediately by giving written notice of termination to Developer.

C. The Initial Franchise Fee for each Franchised Restaurant required to be developed under this Agreement is \$25,000.

D. If, during the Development Term, Developer sells a Franchised Restaurant that was developed pursuant to this Agreement, that Franchised Restaurant will continue to be counted as a Franchised Restaurant for the purpose of meeting Developer's obligations under the Development Schedule, provided that the sale has been consented to by CJR and only so long as that restaurant continues to be operated pursuant to a franchise agreement with CJR or its affiliates.

E. At Developer's request, CJR will permit the Franchise Agreement for any Franchised Restaurant in the Development Territory to be executed by a business entity formed by Developer to develop and operate the Franchised Restaurant ("Affiliated Entity"), provided all of the following conditions are met: **(1)** Developer, the Development Principal (defined in Section 8.F.) or Developer's Continuity Group (defined in Section 8.D.) owns at least 51% of all ownership interests in the Affiliated Entity; **(2)** the Affiliated Entity conducts no business other than the operation of the Franchised Restaurant; **(3)** Developer, the Development Principal, the members of Developer's Continuity Group and all holders of a legal or beneficial interest of 10% or more in Developer or, if Developer is a limited partnership, in Developer's general partner ("10% Owner(s)") agree to assume full and unconditional liability for and agree to perform all obligations, covenants and agreements contained in the Franchise Agreement; and **(4)** all owners of the Affiliated Entity possess a good moral character and meet CJR's standards, as determined by CJR in its sole discretion, and Developer provides CJR all reasonably requested information to permit CJR to make such a determination.

4. DEVELOPMENT FEE

Developer shall pay CJR, at the time this Agreement is signed, a development fee equal to \$10,000 for each Franchised Restaurant Developer has agreed to develop in the Development Territory during the Development Term ("Development Fee"). The total amount of the Development Fee paid by Developer is set forth in Appendix B. Developer acknowledges and agrees that the Development Fee is fully earned by CJR when paid and it is not refundable. Upon the execution of each Franchise Agreement for each Franchised Restaurant Developer has agreed to develop pursuant to this Agreement, the applicable Development Fee of \$10,000 will be credited against the full Initial Franchise Fee due CJR upon the execution of such Franchise Agreement.

5. DEVELOPMENT PROCEDURES

A. Developer's Responsibility and Business Plan

Developer assumes all cost, liability and expense for locating, obtaining and developing sites for Franchised Restaurants and constructing and equipping Franchised Restaurants in accordance with CJR's standards at accepted sites. Developer shall not make any binding commitments to purchase or lease a site until the site has been accepted in writing by CJR.

If requested by CJR, Developer shall develop and submit to CJR a business plan for the length of the Development Term. The business plan shall outline the actions that Developer will take to ensure the development and management of the Franchised Restaurants in accordance with CJR's standards. If prepared during the Development Term, Developer agrees to revise the business plan as requested by CJR and further agrees to implement that business plan as approved by CJR.

B. Site Selection Assistance

CJR will provide Developer with the following site selection assistance: **(1)** CJR's site selection guidelines, and, as Developer may request, a reasonable amount of consultation with respect thereto; and **(2)** such site evaluation as CJR may deem advisable as part of its evaluation of Developer's request for site acceptance. Developer agrees that CJR will incur no liability to Developer for site selection assistance provided by CJR. Developer is solely responsible for conducting all such due diligence, investigation and validation with its own third party advisors with respect to a proposed site. CJR's consent to a proposed site is simply for purposes of confirming that the site meets CJR's then-current site selection criteria.

C. Franchise Site Application

For each proposed site for a Franchised Restaurant, Developer shall, if requested by CJR, submit to CJR a Franchise Site Application. In addition, Developer shall submit a development proposal (containing that information as CJR may reasonably require) for a proposed site which Developer reasonably believes to conform to site selection criteria CJR establishes from time to time for demographic characteristics, traffic patterns, parking, character of the neighborhood, competition from other businesses in the area, the proximity to other businesses (including restaurants operated or franchised by CJR or its affiliates), the nature of other businesses in proximity to the site and other commercial characteristics (including the purchase price, rental obligations and other lease terms for the proposed site) and the size, appearance, other physical characteristics, and a site plan of the premises.

Developer acknowledges that, in order to preserve and enhance the reputation and goodwill of all restaurants franchised by CJR and the goodwill of the Proprietary Marks, all Franchised Restaurants must be properly developed, operated and maintained. Accordingly, Developer agrees that CJR may refuse to accept a site for a proposed Franchised Restaurant unless Developer demonstrates sufficient financial capabilities, in CJR's sole judgment, applying standards consistent with criteria CJR uses to establish restaurants in other comparable market areas, to properly develop, operate and maintain the proposed Franchised Restaurant. To this end, Developer shall furnish CJR with such financial statements and other information regarding Developer (or its Affiliated Entity, as defined in Section 3.E.) and the development and operation of the proposed Franchised Restaurant, including, without limitation, investment and financing plans for the proposed Franchised Restaurant, as CJR reasonably may require.

D. Site Acceptance

Within 45 days after receipt of all documents referenced in this Section and any additional information that CJR may require, CJR shall advise Developer in writing whether it has accepted a particular site; however, CJR has no obligation to review any development proposal if Developer or its affiliates are not in full compliance with all agreements with CJR or its affiliates and not approved for growth by CJR. If CJR does not respond within that time period, CJR shall be deemed not to have accepted the site. CJR's acceptance or refusal to accept a site may be subject to reasonable conditions as determined in its sole discretion. (A site which CJR has accepted shall be referred to as an "Authorized Site.")

CJR's acceptance of one or more sites is not a representation or a promise by CJR that a Franchised Restaurant at an Authorized Site will achieve a certain sales volume or a certain level of profitability. Similarly, CJR's acceptance of one or more sites and its refusal to accept other sites is not a representation or a promise that an Authorized Site will have a higher sales volume or be more profitable than a site which CJR did not accept. Acceptance by CJR merely means that the minimum criteria which CJR has established for identifying suitable sites for proposed Carl's Jr. Restaurants have been met. Because real estate development is an art and not a precise science, Developer agrees that acceptance, or refusal to accept a proposed site by CJR, whether or not a site report is completed and/or submitted to CJR shall not impose any liability or obligation on CJR. The decision to accept or reject a particular site is Developer's, subject to acceptance by CJR. Preliminary acceptance of a proposed site by any representative of CJR is not conclusive or binding, because his or her recommendation may be rejected by CJR.

CJR assumes no liability or responsibility for: (1) evaluation of an Authorized Site's soil for hazardous substances; (2) inspection of any structure on the Authorized Site for asbestos or other toxic or hazardous materials; (3) compliance with the Americans with Disabilities Act ("ADA"); or (4) compliance with any other applicable law. It is Developer's sole responsibility to obtain satisfactory evidence and/or

assurances that the Authorized Site (and any structures thereon) is free from environmental contamination and in compliance with the requirements of the ADA.

E. Execution of Agreements

Following CJR's acceptance of each proposed site and Developer's submission to CJR of a signed lease or sublease for the proposed site, or evidence that Developer has completed its purchase of the proposed site by the Property Control Date, CJR will prepare and forward to Developer a Franchise Agreement for the Authorized Site. The form of Franchise Agreement for each Franchised Restaurant to be developed by Developer pursuant to this Agreement shall be the applicable then-current standard form in general use at the time of CJR's acceptance of the applicable Authorized Site. Developer shall execute and return the Franchise Agreement to CJR, along with the Initial Franchise Fee, within 10 days after receipt by Developer, and, following receipt by CJR, CJR shall execute the Franchise Agreement and return a fully-executed original of the Franchise Agreement to Developer. Developer may not commence construction at the Authorized Site prior to its receipt of a fully-executed Franchise Agreement and its payment to CJR of the Initial Franchise Fee.

F. Development Training

Developer shall complete, to CJR's satisfaction, any development training required by CJR. Developer shall pay CJR, for each person attending development training, a tuition fee as established by CJR from time to time. Developer also may attend optional development training as offered by CJR from time to time, subject to payment of a tuition fee as established by CJR from time to time. Developer will be required to pay all travel, living and other expenses incurred by Developer and its employees while attending development training and optional development training.

G. Delegation

CJR has the right, from time to time, to delegate the performance of any portion or all of its obligations and duties under this Agreement to designees, including, but not limited to CJR's corporate parents, affiliates or agents or independent contractors with which CJR has contracted to perform CJR's obligations or duties.

6. DEVELOPMENT GUIDE

CJR will loan to Developer for the Development Term one copy of, or provide electronic access to, the Development Guide. The Development Guide contains mandatory specifications and standards relating to construction of Franchised Restaurants and information relating to Developer's other obligations under this Agreement. Developer agrees to comply fully with these obligations and mandatory specifications. The Development Guide may be supplemented or amended from time to time by letter, email, bulletin, construction standards manuals, videotapes, audio tapes, CDs, DVDs, software or other communications concerning the Carl's Jr. System to reflect changes in the image, specifications and standards relating to the development and construction of a Carl's Jr. Restaurant. Supplements or amendments to the Development Guide also may contain, among other matters, minimum standards and requirements for constructing, equipping and furnishing a Carl's Jr. Restaurant. CJR reserves the right to furnish all or part of the Development Guide to Developer in electronic form or online (including by Intranet) and establish terms of use for access to any restricted portion of CJR's web site. Developer shall keep its copy of the Development Guide current and up-to-date with all additions and deletions provided by CJR and shall purchase whatever equipment and related services (including, without limitation, a DVD player, computer system, Internet service, dedicated phone line, facsimile machine, etc.) as may be

necessary to receive these communications. If a dispute relating to the contents of the Development Guide develops, the master copy maintained by CJR at its principal offices shall control.

7. INSURANCE

Developer shall be responsible for all loss or damage arising from or related to Developer's development and operation of the Franchised Restaurant, and for all demands or claims with respect to any loss, liability, personal injury, death, property damage, or expense whatsoever occurring upon the premises of, or in connection with the development or operation of, the Franchised Restaurant. Developer shall, at its sole expense, maintain in full force and effect throughout the term of this Agreement that insurance which Developer determines is necessary or appropriate for liabilities caused by or occurring in connection with the development or operation of the Franchised Restaurant which shall include, at a minimum, insurance policies of the kinds, and in the amounts, required by this Section 7.B. CJR, and any entity with an insurable interest designated by CJR, shall be an additional insured in such liability policies, except for workers' compensation/employer's liability, and loss payee for property to the extent each has an insurable interest.

All insurance policies shall be written by an insurance company or companies satisfactory to CJR, in compliance with the standards, specifications, coverages and limits set forth in the OPM or otherwise provided to Developer in writing. These policies shall include, at a minimum, the following:

(1) Commercial General Liability insurance with policy limits not less than \$5,000,000 per occurrence and in the aggregate. Coverage shall apply per location, including coverage for contractual liability, broad form property damage, personal and advertising injury, product liability and completed operations, not to exclude food-borne illness, as well as Damage to Rented Premises coverage with limits not less than \$100,000.

(2) Automobile Liability coverage, including owned, leased, non-owned and hired vehicles, with a combined single limit not less than \$1,000,000 per accident and additional liability coverage as needed for delivery services. This may be included as part of a package policy.

(3) Workers' Compensation, statutory as required by law, and Employer's Liability insurance with limits not less than \$500,000, and such other insurance as may be required by the state or locality in which the Franchised Restaurant is operated. This coverage shall also be in effect for all of Developer's employees who participate in any of the training programs described in Section 8.

The required limits set forth in Section 7(1)-(3) above may be satisfied through a combination of Primary and Umbrella/Excess Liability coverage. If satisfied through an Umbrella/Excess Liability coverage, the Umbrella/Excess Liability must be "following form" of the underlying Commercial General Liability, Automobile Liability and Employer's Liability coverages.

(4) Commercial Property insurance that extends coverage on a replacement cost basis for the Franchised Restaurant, business personal property (including electronic equipment, tenant improvements & betterments), and business income and extra expense for a minimum of 12 months or actual loss sustained to cover loss of profits, continuing expenses and loss of rents. Covered causes of loss should be "Special Form" or "All Risk" with coinsurance conditions not less than 80%. Flood insurance is also required for locations that reside in FEMA Flood Zones beginning with the letters "A" or "V." Earthquake insurance is also required for locations that reside in FEMA Seismic Design Categories "E" or "D."

(5) Cyber Liability (network security/data privacy) with policy limits not less than \$1,000,000 per occurrence.

(6) In connection with any construction, leasehold improvements, renovation, refurbishment, or remodeling of the Franchised Restaurant, Developer's general contractor shall maintain Commercial General Liability insurance (with products liability and independent contractors coverage), Automobile Liability coverage for owned, leased, hired and non-owned vehicles, and Builder's Risk with limits no less than \$1,000,000, with CJR named as an additional insured, as well as Workers' Compensation and Employer's Liability as required by state law.

CJR may regulate the types, amounts, terms and conditions of insurance coverage required for the Franchised Restaurant, and standards for underwriters of policies providing required insurance coverage, including: (a) CJR's protection and rights under these policies as an additional insured or loss payee; (b) required or permissible insurance contract provisions; (c) assignment of policy rights to CJR; (d) periodic verification of insurance coverage that must be furnished to CJR and; (e) similar matters related to insured and uninsured claims. Developer shall receive written notice of such modifications and shall take prompt action to comply.

The following general requirements shall apply to each insurance policy that Developer is required to maintain under this Agreement:

Each insurance policy shall be specifically endorsed to provide that the coverages shall be primary and that any insurance carried by any additional insured or loss payee shall be excess and non-contributory.

No insurance policy shall contain a provision that in any way limits or reduces coverage for Developer in the event of a claim by CJR or its affiliates.

Each insurance policy shall extend to, and provide indemnity for, all obligations and liabilities of Developer to third parties and all other items for which Developer is required to indemnify CJR under this Agreement.

Each insurance policy shall be written by an insurance company that has received and maintains an "A- VIII" or better rating by A.M. Best Company (or another rating service designated by CJR) and that is otherwise satisfactory to CJR.

No insurance policy shall provide for a deductible amount that exceeds \$100,000, unless otherwise approved in writing by CJR.

Each insurance policy shall include a waiver of subrogation endorsement in favor of CJR and its affiliates.

With respect to the Commercial General Liability, Automobile Liability and Umbrella/Excess Liability policies, CJR and its affiliates shall be named as Additional Insured on a primary and non-contributory basis. With respect to the Commercial Property coverage, CJR and its affiliates shall be named as Loss Payee.

All required insurance policies shall be in full force and effect and Developer shall submit to CJR evidence of satisfactory insurance and proof of payment therefore no later than the date the first of the following occurs: (1) 30 days prior to the scheduled opening date of the Franchised Restaurant; (2) the date Developer takes possession of the Franchised Location, or (3) the date construction commences at the

Franchised Location, if Developer is contractually obligated for the construction. On each policy renewal date thereafter, Developer shall again submit evidence of satisfactory insurance and proof of payment therefor to CJR. The evidence of insurance shall include a statement by the insurer that the policy or policies will not be canceled or materially altered without at least 30 days' prior written notice to CJR. Upon request, Developer also shall provide to CJR copies of all or any policies, and policy amendments and endorsements.

Developer acknowledges that no requirement for insurance contained in this Agreement constitutes advice or a representation by CJR that only such policies, in such amounts, are necessary to protect Developer from losses in connection with its business under this Agreement. Maintenance of this insurance, and the performance by Developer of its obligations under this Section, shall not relieve Developer of liability under the indemnification provisions of this Agreement.

Should Developer, for any reason, fail to procure or maintain at least the insurance required by this Section 7, as revised from time to time pursuant to the OPM or otherwise in writing, CJR shall have the immediate right and authority, but not the obligation, to procure such insurance and charge its cost to Developer. All out-of-pocket costs incurred by CJR in obtaining such insurance on behalf of Developer shall be reimbursed to CJR by Developer immediately upon Developer's receipt of an invoice therefor.

8. ORGANIZATION OF DEVELOPER

A. Representations

If Developer is a corporation, a limited liability company, a partnership or any other type of organization (collectively, "business entity"), Developer makes the following representations and warranties: **(1)** it is duly organized and validly existing under the laws of the state of its formation; **(2)** it is qualified to do business in the state or states in which the Development Territory is located; **(3)** execution of this Agreement and the development and operation of Franchised Restaurants is permitted by its governing documents; and **(4)** unless waived in writing by CJR, Developer's governing documents shall at all times provide that the activities of Developer are limited exclusively to the development and operation of the Franchised Restaurants and other restaurants that are franchised by CJR or its affiliates and that no Transfer (as defined in Section 10) of an ownership interest may be made except in accordance with Section 10.

If Developer is an individual, or a partnership comprised solely of individuals, Developer makes the following additional representations and warranties: **(A)** each individual has executed this Agreement; **(B)** each individual shall be jointly and severally bound by, and personally liable for the timely and complete performance and a breach of, each and every provision of this Agreement; and **(C)** notwithstanding any transfer for convenience of ownership, pursuant to Section 10.D., each individual shall continue to be jointly and severally bound by, and personally liable for the timely and complete performance and a breach of, each and every provision of this Agreement.

B. Governing Documents

If Developer is a business entity, Developer shall furnish CJR with copies of Developer's governing documents and any other corporate documents, books or records that CJR may request. When any of these governing documents are modified or changed, Developer promptly shall provide copies to CJR. Developer's governing documents must provide that no Transfer (as defined in Section 10.A.) may be made except in accordance with Section 10.

C. Ownership Interests

If Developer is a business entity, Developer must furnish CJR with a list of all holders of a direct or indirect ownership interest in Developer and their respective percentage interests. As of the date of this Agreement, all interests in Developer are owned as set forth in attached Appendix C. Developer shall comply with Section 10 prior to any change in ownership interests and shall update Appendix C as changes occur in order to ensure the information contained in Appendix C is true, accurate and complete at all times.

The requirements of this Section 8.C. shall apply only to Developer's Continuity Group (defined in Section 8.D.) if, as of the date of the first franchise-related agreement between Developer and CJR or one of its affiliates, Developer was a publicly-held entity (*i.e.*, an entity that has a class of securities traded on a recognized securities exchange or quoted on the inter-dealer quotation sheets known as the "pink sheets"). If Developer becomes a publicly-held entity after that date, it shall thereafter be required to update Appendix C only with respect to changes in ownership interests of members of the Continuity Group.

D. Continuity Group

If Developer is a business entity, Appendix C lists those persons who comprise Developer's "Continuity Group." CJR and Developer acknowledge and agree that it is their intent that the members of the Continuity Group include the Development Principal (as defined in Section 8.F.) and **(1)** all holders of a direct or indirect, legal or beneficial interest of 10% or more ("10% Owners") in Developer; **(2)** if Developer is a limited partnership, all 10% Owners of Developer's general partner; and **(3)** all 10% Owners of a business entity that owns a controlling interest in Developer. In the event of any change in the Continuity Group or in the ownership interests of any member of the Continuity Group, Developer shall update Appendix C to reflect the change. The Continuity Group shall at all times own at least 51% of the ownership interests in Developer.

E. Guarantees

All members of the Continuity Group and their spouses, if applicable, shall jointly and severally guarantee Developer's payment and performance under this Agreement and shall bind themselves to the terms of this Agreement pursuant to the attached Guarantee and Assumption of Developer's Obligations ("Guarantee"). Notwithstanding the foregoing, CJR reserves the right, in its sole discretion, to waive the requirement that some or all of the previously described individuals execute the attached Guarantee and/or to limit the scope of the Guarantee. CJR reserves the right to require any guarantor to provide personal financial statements to CJR from time to time.

With respect to 10% Owners, Developer acknowledges that, unless otherwise agreed to in writing by CJR, it is CJR's intent to have individuals (and not corporations, limited liability companies or other entities) execute the Guarantee. Accordingly, if any 10% Owner is not an individual, CJR shall have the right to have the Guarantee executed by individuals who have only an indirect ownership interest in Developer and their spouses, if applicable. (By way of example, if a 10% Owner of Developer is a corporation, CJR has the right to require that the Guarantee be executed by individuals who have an ownership interest in that corporation and their spouses, if applicable.)

If Developer, any guarantor or any parent, subsidiary or affiliate of Developer holds any interest in other restaurants that are franchised by CJR or its affiliates, the party who owns that interest shall execute, concurrently with this Agreement, a form of cross-guarantee to CJR and its affiliates for the payment of all obligations for such restaurants, unless waived in writing by CJR in its sole discretion. For purposes of this Agreement, an affiliate of Developer is any company controlled, directly or indirectly, by Developer or Developer's parent or subsidiary.

F. Development Principal

Developer shall designate and retain an individual to serve as the Development Principal. (If Developer is owned by one individual, that individual may serve as the Development Principal if the individual meets CJR's requirements for a Development Principal.) The Development Principal as of the date of this Agreement is identified in Appendix C. The Development Principal shall meet all of the following qualifications:

(1) The Development Principal shall have at least a 10% equity ownership interest in Developer or, if Developer is a limited partnership, in Developer's general partner, unless this requirement is modified by CJR in its sole discretion. This Section 8.F.(1) shall not apply if Developer was a publicly-held entity or a wholly-owned subsidiary of a publicly-held entity as of the date of the first franchise-related agreement between Developer and CJR.

(2) The Development Principal, at all times, shall be a member of the Continuity Group and, at a minimum, have full control over the day-to-day development of Developer's Franchised Restaurants.

(3) Unless Developer has named and CJR has approved a Multi-Unit Development Manager:

(a) The Development Principal shall devote full-time and best efforts to supervising the development of Developer's Franchised Restaurants and shall not engage in any other business or activity, directly or indirectly, that requires substantial management responsibility.

(b) Unless waived in writing by CJR, the Development Principal shall maintain his primary residence within a reasonable driving distance of the Development Territory.

(4) If requested by CJR, the Development Principal shall successfully complete CJR's development training. In addition, if requested by CJR, the Development Principal shall successfully complete the Franchise Management Training Program ("FMTP").

(5) CJR shall have approved the Development Principal, and not have later withdrawn that approval.

If the Development Principal no longer meets these qualifications, Developer must provide CJR written notice designating a qualified person to act as Development Principal within 30 days after the date the prior Development Principal ceases to be qualified. CJR shall advise Developer whether it has approved the new Development Principal within a reasonable time after receipt of Developer's notice. If CJR does not approve the proposed Development Principal, Developer will have 15 days from its receipt of notice of the decision to advise CJR in writing of another person to act as Development Principal who satisfies the preceding qualifications.

If Developer is developing restaurants in multiple markets that are franchised by CJR or its affiliates, an individual meeting the qualifications of this Section will serve as Development Principal in at least one market.

G. Multi-Unit Development Manager

If Developer is developing Franchised Restaurants in multiple geographic markets, for all markets in which the Development Principal fails to satisfy the requirements of Section 8.F., Developer shall

CJR TR Development Agreement – 5/24
Franchisee (Alpha Code)
DMA/Area of Development – Number of Restaurants
Month, Year

designate and retain an individual to serve as Multi-Unit Development Manager. The Multi-Unit Development Manager shall be under the supervision of the Development Principal. The Multi-Unit Development Manager shall meet all of the following qualifications:

(1) The Multi-Unit Development Manager shall devote full time and best efforts to supervising the development of the Franchised Restaurants and other restaurants to be operated by Developer that are franchised by CJR or its affiliates in a geographic market and shall not engage in any other business or activity, directly or indirectly, that requires substantial management responsibility.

(2) Unless waived in writing by CJR, the Multi-Unit Development Manager shall maintain his primary residence within a reasonable driving distance of the Development Territory.

(3) If requested by CJR, the Multi-Unit Development Manager shall successfully complete CJR's development training. In addition, the Multi-Unit Development Manager shall successfully complete the FMTP and any additional training required by CJR.

(4) CJR shall have approved the Multi-Unit Development Manager, and not have later withdrawn that approval.

If a Multi-Unit Development Manager no longer qualifies as such, Developer shall designate another qualified person to act as Multi-Unit Development Manager within 30 days after the date the prior Multi-Unit Manager ceases to be qualified. Developer's designee to become Multi-Unit Development Manager must successfully complete the FMTP and any additional development training required by CJR.

9. TRANSFERS BY CJR

CJR shall have the absolute, unrestricted right, exercisable at any time, to transfer and assign all or any part of its rights and obligations under this Agreement to any person or legal entity without the consent of Developer. Developer agrees that CJR will have no liability after the effective date of transfer or assignment for the performance of, or any failure to perform, any obligations transferred.

10. TRANSFERS BY DEVELOPER

A. Developer understands and acknowledges that the rights and duties set forth in this Agreement are personal to Developer, that CJR has entered into this Agreement in reliance on Developer's (and Developer's direct and indirect owners') business skill, financial capacity, personal character, experience and demonstrated or purported ability in developing and operating high quality foodservice operations and that CJR has entered into this Agreement with the understanding that, except as otherwise reserved by CJR in Section 2, Developer will be the only franchisee of CJR in the Development Territory during the Development Term. Accordingly, neither Developer nor any immediate or remote successor to any part of Developer's interest in this Agreement, nor any individual, partnership, corporation or other legal entity which directly or indirectly has an interest in Developer shall sell, assign, transfer, convey, give away, pledge, mortgage, or otherwise encumber any direct or indirect interest in Developer, this Agreement or any other assets pertaining to Developer's operations under this Agreement (collectively "Transfer") without the prior written consent of CJR. CJR shall be free to withhold consent to any Transfer, without consideration of the factors listed in Section 10.B., if Developer does not propose to Transfer the same interest with respect to all agreements with CJR in the Development Territory.

Except as otherwise provided in this Agreement, any purported Transfer, by operation of law or otherwise, not having the prior written consent of CJR shall be null and void and shall constitute a material

breach of this Agreement, for which CJR may terminate this Agreement without providing Developer an opportunity to cure the breach.

B. Developer shall advise CJR in writing of any proposed Transfer, submit (or cause the proposed transferee to submit) a franchise application for the proposed transferee, submit a copy of all contracts and all other agreements or proposals and submit all other information requested by CJR relating to the proposed Transfer. If CJR does not exercise its right of first refusal pursuant to Section 10.J., the decision as to whether or not to consent to a proposed Transfer shall be made by CJR in its sole discretion and shall include numerous factors deemed relevant by CJR. These factors may include, but will not be limited to, the following:

(1) The proposed transferee (and if the proposed transferee is not a natural person, all persons that have any direct or indirect interest in the transferee as CJR may require) must demonstrate to CJR's satisfaction that it has extensive experience in high quality restaurant operations of a character and complexity similar to the restaurants franchised by CJR or its affiliates; must meet the managerial, operational, experience, quality, character and business standards for a developer promulgated by CJR from time to time; must possess a good character, business reputation and credit rating; must have an organization whose management culture is compatible with CJR's management culture; and must have adequate financial resources and working capital, as determined by CJR in its sole discretion, to meet Developer's development obligations under this Agreement.

(2) The sales price shall not be so high, in CJR's reasonable judgment, as to jeopardize the ability of the transferee to develop, maintain, operate and promote the Franchised Restaurants and meet financial obligations to CJR, third party suppliers and creditors. CJR's decision with respect to a proposed Transfer shall not create any liability on the part of CJR: **(a)** to the transferee, if CJR consents to the Transfer and the transferee experiences financial difficulties; or **(b)** to Developer or the proposed transferee, if CJR withholds consent to the Transfer. CJR, without any liability to Developer or the proposed transferee, has the right, in its sole discretion, to communicate and counsel with Developer and the proposed transferee regarding any aspect of the proposed Transfer.

(3) All of Developer's accrued monetary obligations to CJR and its affiliates (whether arising under this Agreement or otherwise) and all other outstanding obligations related to the Franchised Restaurants (including, but not limited to, bills from suppliers, taxes, judgments and any required governmental reports, returns, affidavits or bonds) have been satisfied or, in the reasonable judgment of CJR, adequately provided for. CJR reserves the right to require that a reasonable sum of money be placed in escrow to ensure that all of these obligations are satisfied.

(4) Developer is not then in material default of any provision of this Agreement or any other agreement between Developer and CJR or its affiliates, is in good standing as a franchisee with CJR and its affiliates, is not in default beyond the applicable cure period under any real estate lease, equipment lease or financing instrument relating to Developer's Franchised Restaurants and is not in default beyond the applicable cure period with any vendor or supplier to Developer's Franchised Restaurants.

(5) Developer, all individuals who executed this Agreement and all guarantors of Developer's obligations must execute a general release and a covenant not to sue, in a form satisfactory to CJR, of any and all claims against CJR and its affiliates and their respective past and present officers, directors, managers, shareholders, members, agents and employees, in their corporate and individual capacities, including, without limitation, claims arising under federal, state and local laws, rules and ordinances, and claims arising out of, or relating to, this Agreement and any other agreements between

Developer and CJR or its affiliates and all other restaurants operated by Developer that are franchised by CJR or its affiliates.

(6) Unless waived by CJR in its sole discretion, the transferee and those employees hired by transferee to fill certain designated positions shall complete the development training programs provided in Section 5.F.

(7) The transferee and each of the transferee's affiliates that have entered into a development or franchise agreement with CJR or its affiliates must, as of the date of the request for CJR's consent to the Transfer, be in compliance with all obligations to CJR or its affiliates under those agreements

C. If CJR consents to a proposed Transfer, prior to the Transfer becoming effective:

(1) The transferor shall pay CJR a nonrefundable Transfer fee under this Agreement of \$2,500 in connection with CJR's review of the Transfer application.

(2) Developer and the proposed transferee shall execute, at CJR's election, an assignment agreement and any amendments to this Agreement deemed necessary or desirable by CJR to reflect the Transfer and/or CJR's then-current standard form of development agreement for a term ending on the expiration date of this Agreement. In either event, a guarantee of the type required by Section 8.E. shall be executed by those individuals identified in Section 8.E. In addition, Developer, the proposed transferor and the proposed transferee shall sign all other documents and take such actions as CJR may require to protect CJR's rights under this Agreement.

(3) The transferor shall remain liable for all obligations to CJR incurred before the date of the Transfer and shall execute any and all instruments reasonably requested by CJR to evidence that liability.

D. If Developer is an individual or a partnership and desires to Transfer this Agreement to a corporation (or limited liability company) formed for the convenience of ownership, the requirements of Section 10.B. shall apply to such a Transfer, however, Developer will not be required to pay a Transfer fee. CJR's consent also will be conditioned on the following: (1) the corporation (or limited liability company) must be newly organized; (2) prior to the Transfer, CJR must receive a copy of the documents specified in Section 8.B. and the transferee shall comply with the remaining provisions of Section 8; and (3) Developer must own all voting securities of the corporation (or membership interests of the limited liability company) or, if Developer is owned by more than one individual, each person shall have the same proportionate ownership interest in the corporation (or the limited liability company) as prior to the Transfer.

E. Notwithstanding the provisions of Sections 10.A. and B., the issuance of options or the exercise of options pursuant to a qualified stock option plan or a qualified employee stock ownership plan shall not be considered a Transfer and shall not require the prior written consent of CJR; provided no more than a total of 49% of Developer's outstanding voting securities are subject to the qualified stock option plan or qualified employee stock ownership plan.

F. If Developer was a publicly-held entity as of the date of the first franchise-related agreement between Developer and CJR or its affiliates, Section 10.B. shall be applicable to transfers of ownership interests in Developer only if the proposed Transfer would result in: (1) 50% or more of Developer's voting securities being held by different shareholders than as of the date of the first franchise-related agreement between Developer and CJR or its affiliates; or (2) any change in ownership of Developer's voting securities whereby any existing shareholder of Developer acquires an additional 10%

or more of Developer's voting securities; or **(3)** any change in the membership of the Continuity Group (unless such change is a permitted Transfer pursuant to Section 10.G.).

G. Notwithstanding the provisions of Sections 10.A. and B., CJR agrees that certain Transfers shall be permitted without CJR's prior written consent, provided all of the following conditions are satisfied:

(1) The Transfer is a transfer of:

(a) An ownership interest in Developer of 20% or less, provided that after the Transfer the Continuity Group owns at least 66% of all ownership interests in Developer; or

(b) Ownership interests in Developer following the death or permanent incapacity of a person with an ownership interest in Developer, provided that the Transfer is to the parent, sibling, spouse or children of that person or to a member of the Continuity Group.

(2) Developer provides CJR written notice of its intent to undertake the Transfer at least 30 days prior to the effective date of the Transfer, together with documents demonstrating that the Transfer meets the requirements of this Section.

(3) At the time of Developer's notice to CJR, Developer is not in default of this Agreement or any other agreements between Developer and CJR or its affiliates.

(4) In connection with the Transfer, Developer and all persons who will have an ownership interest in Developer after the Transfer fully comply with the requirements of Section 8.

H. Developer shall not grant any security interest in its business or in any Franchised Restaurant or the assets used in the operation or development of any Franchised Restaurant without CJR's prior written consent, which will not be unreasonably withheld. CJR's consent may be conditioned, in its sole discretion, on the written agreement by the secured party that, in the event of a default by Developer under any agreement related to the security interest, CJR shall have the right and option (but not the obligation) to purchase the rights of the secured party upon payment of all sums then due to the secured party. If Developer (or any person with a direct or indirect interest in Developer) finances any part of the price paid in connection with the Transfer, the person or entity providing the financing must agree that all obligations of the proposed transferee and any security interests retained in the assets being transferred, will be subordinate to the proposed transferee's obligations to: **(1)** pay all amounts due to CJR and its affiliates; and **(2)** otherwise comply with this Agreement and all other agreements with CJR or its affiliates.

I. Securities or partnership interests in Developer may be sold, by private or public offering, only with CJR's prior written consent (whether or not CJR's consent is required under any other provision of this Section), which consent shall not be unreasonably withheld. In addition to the requirements of Section 10.B., prior to the time that any public offering or private placement of securities or partnership interests in Developer is made available to potential investors, Developer, at its expense, shall deliver to CJR a copy of the offering documents. Developer, at its expense, also shall deliver to CJR an opinion of Developer's legal counsel and an opinion of one other legal counsel selected by CJR (both of which shall be addressed to CJR and in a form acceptable to CJR) that the offering documents properly use the Proprietary Marks and accurately describe Developer's relationship with CJR and/or its affiliates. The indemnification provisions of Section 16 shall also include any losses or expenses incurred by CJR and its affiliates in connection with any statements made by or on behalf of Developer in any public offering or private placement of Developer's securities.

J. If any party holding any direct or indirect interest in Developer or in this Agreement receives a bona fide offer (as determined by CJR in its reasonable discretion) from a third party or otherwise desires to undertake any Transfer that would require CJR's consent (other than a Transfer for convenience of ownership pursuant to Section 10.D. or a Transfer of ownership interests to a parent, sibling, spouse or child), it shall notify CJR in writing of the terms of the proposed Transfer, and shall provide such information and documentation relating to the proposed Transfer as CJR may reasonably require, including, but not limited to, a copy of the offer. CJR or its designee may elect to purchase the interest that the seller proposes to Transfer any time within 30 days after receipt of written notification, and all documents and other information required by Section 10.B., by sending written notice to the seller that CJR or its designee intends to purchase the seller's interest on the same financial terms and conditions offered by the third party (except that CJR or its designee shall not be obligated to pay any finder's or broker's fees). In purchasing the interest, CJR or its designee shall be entitled to set off any monies owed to CJR or its affiliates by Developer and CJR or its designee shall be entitled to all customary representations and warranties that the assets are free and clear (or, if not, accurate and complete disclosure) as to: **(1)** ownership, condition and title; **(2)** liens and encumbrances; **(3)** environmental and hazardous substances; and **(4)** validity of contracts inuring to the purchaser or affecting the assets, whether contingent or otherwise.

If the offer to Developer involves assets in addition to this Agreement, Developer's Franchised Restaurants and other restaurants operated by Developer that are franchised by CJR or its affiliates, Developer's notice to CJR shall state the cash value of that portion of the offer received by Developer relating to this Agreement and those restaurants. If the proposed Transfer provides for payment of consideration other than cash or it involves intangible benefits, CJR or its designee may elect to purchase the interest proposed to be sold for the reasonable equivalent in cash. If the parties are unable to agree within 30 days on the reasonable equivalent in cash of the non-cash part of the offer received by Developer, or the cash value of that portion of the offer received by Developer relating to this Agreement, Developer's Franchised Restaurants and those other restaurants, the amount shall be determined by two professionally certified appraisers, Developer selecting one and CJR or its designee selecting one. If the higher appraisal is more than 10% greater than the other appraisal, the two appraisers shall select a third professionally certified appraiser who also shall determine the amount. The average value set by the appraisers (whether two or three appraisers as the case may be) shall be conclusive and CJR or its designee may exercise its right of first refusal within 30 days after being advised in writing of the decision of the appraisers. The cost of the appraisers shall be shared equally by the parties.

CJR's failure to exercise its right of first refusal shall not constitute consent to the proposed Transfer nor a waiver of any other provision of this Section 10 with respect to a proposed Transfer. If CJR does not exercise its right of first refusal, Developer may not thereafter Transfer the interest at a lower price or on more favorable terms than those that have been offered to CJR. CJR shall again be given a right of first refusal if a transaction does not close within 6 months after CJR elected not to exercise its right of first refusal. In no event shall Developer offer the interest for sale or transfer at public auction, nor at any time shall an offer be made to the public to sell, transfer or assign, through any advertisement, either in the newspapers or otherwise, without first having obtained the written consent of CJR to the auction or advertisement.

K. CJR's consent to any Transfer shall not constitute a waiver of any claims CJR may have against the transferring party, nor shall it be deemed a waiver of CJR's right to demand exact compliance with any of the terms of this Agreement by the transferee, nor will it be deemed a waiver of CJR's right to give or withhold consent to future Transfers.

11. GENERAL RELEASE

Except as set forth at the end of this Section 11, Developer (on behalf of itself and its parent, subsidiaries and affiliates and their respective past and present officers, directors, shareholders, agents and employees, in their corporate and individual capacities) and all individuals who execute this Agreement (each a “Releasor” and collectively, “Releasors”), freely and without any influence forever release and covenant not to sue CJR, its parents, subsidiaries, affiliates, predecessors and successors and their respective past and present officers, directors, managers, shareholders, members, agents and employees, in their corporate and individual capacities (collectively, “CJR Releasees”), from any and all claims, demands, liabilities and causes of action of whatever kind or nature, whether known or unknown, vested or contingent, suspected or unsuspected (collectively “claims”), which any Releasor now owns or holds or may in the future own or hold based on, arising out of or relating to, in whole or in part, any fact, event, conduct or omission occurring on or before the date of this Agreement, including, without limitation, claims arising under federal, state and local laws, rules and ordinances, claims for contribution, indemnity and/or subrogation, and claims arising out of, or relating to this Agreement and all other agreements between any Releasor and any CJR Releasee, the sale of a franchise to any Releasor, the development of any Franchised Restaurant and the development and operation of all other restaurants operated by any Releasor that are or were franchised by CJR or its parents, subsidiaries, affiliates or predecessors. Developer (on behalf of Releasors) expressly agrees that fair consideration has been given by CJR for this release and it fully understands that this is a negotiated, complete and final release of all claims. This release does not include a release of claims arising from representations in the Carl Jr.’s Franchise Disclosure Document provided to Developer in connection with this Agreement or any claims arising under any applicable state or federal franchise laws regulating the offer or sale of the franchise for this Agreement as of the date of this Agreement (including without limitation the FTC Rule on Franchising (16 C.F.R. Part 436).

12. COVENANTS

A. Best Efforts

During the Development Term, Developer and the Development Principal shall devote their best efforts to the development, management and operation of the Franchised Restaurants in the Development Territory.

B. Confidentiality

Developer acknowledges and agrees that: **(1)** CJR owns all right, title and interest in and to the Carl’s Jr. System; **(2)** the Carl’s Jr. System include trade secrets and confidential and proprietary information and know-how that give CJR and its affiliates a competitive advantage; **(3)** the trade secrets and confidential and proprietary information and know-how derive independent economic value to CJR from not being generally known to and not readily ascertainable by others; **(4)** CJR and its affiliates have taken all measures appropriate to protect the trade secrets and the confidentiality of the proprietary information and know-how of the Carl’s Jr. System; **(5)** all material or other information now or hereafter provided or disclosed to Developer regarding the Carl’s Jr. System is disclosed in confidence; **(6)** Developer has no right to disclose any part of the Carl’s Jr. System to anyone who is not an employee of Developer; **(7)** Developer will disclose to its employees only those parts of the Carl’s Jr. System that an employee needs to know; **(8)** Developer will have a system in place to ensure that its employees keep confidential CJR’s trade secrets and confidential and proprietary information, and, if requested by CJR, Developer shall obtain from those of its employees designated by CJR an executed Confidential Disclosure Agreement in the form prescribed by CJR; **(9)** by entering this Agreement, Developer does not acquire any ownership interest in the Carl’s Jr. System; and **(10)** Developer’s use or duplication of the Carl’s Jr. System or any

part of the Carl's Jr. System in any other business, or disclosure of any part of the Carl's Jr. System to others for use or duplication in any other business, would constitute an unfair method of competition, for which CJR would be entitled to all legal and equitable remedies, including injunctive relief, without posting a bond.

Developer shall not, during the Development Term or at any time thereafter, communicate or disclose any trade secrets or confidential or proprietary information or know-how of the Carl's Jr. System to any unauthorized person, or do or perform, directly or indirectly, any other acts injurious or prejudicial to any of the Proprietary Marks or the Carl's Jr. System. Any and all information, knowledge, know-how and techniques, including all drawings, materials, equipment, specifications, recipes, techniques and other data that CJR or its affiliates designate as confidential shall be deemed confidential for purposes of this Agreement.

If Developer develops any new concepts, processes or improvements relating to the Carl's Jr. System, Developer promptly shall notify CJR and provide CJR with all information regarding the new concept, process or improvement, all of which shall become the property of CJR and its affiliates and which may be incorporated into the Carl's Jr. System without any payment to Developer. Developer promptly shall take all actions deemed necessary or desirable by CJR to vest in CJR ownership of such concepts, processes or improvements.

C. Restrictions

(1) Developer acknowledges and agrees that: **(a)** pursuant to this Agreement, Developer will have access to valuable trade secrets, specialized training and other confidential information from CJR and/or its affiliates regarding the development, operation, product preparation and sales, market and operations research, advertising and marketing plans and strategies, purchasing, sales and marketing methods and techniques of CJR and/or its affiliates and the Carl's Jr. System; **(b)** the know-how regarding the Carl's Jr. System and the opportunities, associations and experience acquired by Developer pursuant to this Agreement are of substantial value; **(c)** in developing the Carl's Jr. System, CJR and/or its affiliates have made substantial investments of time, effort and money; **(d)** CJR would be unable adequately to protect the Carl's Jr. System and their trade secrets and confidential and proprietary information against unauthorized use or disclosure and would be unable adequately to encourage a free exchange of ideas and information among operators of Carl's Jr. Restaurants if franchisees or developers were permitted to engage in the activities described in Section 12.C.(2)(a) or to hold interests in the businesses described in Section 12.C.(2)(b); **(e)** all restaurants operating in a quick-service format are substantial and direct competitors of the Carl's Jr. System; and **(f)** the restrictions on Developer's right to hold interests in, or perform services for, businesses described in Section 12.C.(2)(b) will not unduly limit its activities.

(2) Accordingly, Developer covenants and agrees that, except with CJR's prior written consent, during the Development Term, and for a continuous period of 2 years following its expiration, transfer or termination, Developer shall not, either directly or indirectly, for itself, or through, on behalf of, or in conjunction with, any person, firm, partnership, corporation, or other entity:

(a) Divert or attempt to divert any business or customer, or potential business or customer, of any restaurant franchised or operated by CJR or its affiliates to any competitor, by direct or indirect inducement or otherwise.

(b) Own, maintain, operate, engage in, grant a franchise to, advise, help, make loans to, lease property to, sell the real property underlying any Franchised Location and related assets to, or have any interest in, either directly or indirectly, any restaurant business: **(i)** whose sales of Designated

Entrée Items (as defined below) during any daypart are reasonably likely to account collectively for 20% or more of the restaurant's sales of all entrée items during that daypart; **(ii)** that features or promotes any Designated Entrée Item in its advertising; or **(iii)** that operates in a quick-service format (with or without table service). For purposes of the previous sentence, the term "Designated Entrée Items" means any hamburger sandwich, chicken sandwich, breakfast sandwich and any other entrée item of a type designated by CJR as part of the Carl's Jr. System at any time during the term of this Agreement. During the Development Term, there is no geographical limitation on this restriction. Following the expiration, transfer or termination of this Agreement, this restriction shall apply within the Development Territory, within 2 miles of the border of the Development Territory and within a 2-mile radius of any then-existing Carl's Jr. Restaurant. This restriction shall not apply to Developer's existing restaurant or foodservice operations, if any, which are identified in Appendix B, nor shall it apply to other restaurants operated by Developer that are franchised by CJR or its affiliates.

If any part of these restrictions is found to be unreasonable in time or distance, each month of time or mile of distance may be deemed a separate unit so that the time or distance may be reduced by appropriate order of the court to that deemed reasonable. If, at any time during the 2 year period following expiration, Transfer or termination of this Agreement, Developer fails to comply with its obligations under this Section, that period of noncompliance will not be credited toward Developer's satisfaction of the 2 year obligation.

D. Modification

CJR shall have the right, in its sole discretion, to reduce the scope of any covenant in this Section 12 effective immediately upon Developer's receipt of written notice, and Developer agrees that it shall comply forthwith with any covenant as so modified, which shall be fully enforceable notwithstanding the provisions of Section 20.

E. Applicability

The restrictions contained in this Section 12 shall apply to Developer and all guarantors of Developer's obligations. With respect to each guarantor, these restrictions shall apply until 2 years after the earlier of: **(i)** the expiration, transfer or termination of this Agreement; or **(ii)** the date the guarantor ceases to be the Development Principal, an officer, stockholder, director, member of the Continuity Group or a 10% Owner (or, if a guarantor is the spouse of a person holding one or more of these positions, the date the person ceases to hold the applicable positions). The restrictions contained in this Section 12 shall not apply to ownership of less than a 5% legal or beneficial ownership in the outstanding equity securities of any publicly held corporation. The existence of any claim Developer or any guarantor of Developer's obligations may have against CJR or its affiliates, whether or not arising from this Agreement, shall not constitute a defense to the enforcement by CJR of the covenants in this Section 12.

At CJR's request, unless otherwise prohibited by law, Developer will obtain covenants similar in substance to those set forth in this Section 12 from any of its stockholders, managers, directors, members, officers, or restaurant managers and from family members of guarantors.

F. Injunctive Relief

Developer acknowledges and agrees that violation of the covenants contained in this Section 12 will result in immediate and irreparable injury to CJR for which money damages are not an adequate remedy. Therefore, in addition to being responsible for any damages caused to CJR arising from Developer's violation of this Section 12, CJR shall be entitled to seek the entry of an injunction prohibiting any conduct by Developer in violation of this Section 12.

13. TERMINATION

A. Grounds for Termination

In addition to the grounds for termination that may be stated elsewhere in this Agreement, CJR may terminate this Agreement, and the rights granted by this Agreement, upon written notice to Developer without an opportunity to cure upon the occurrence of any of the following events:

(1) Developer fails to provide CJR with a fully-executed lease or sublease, or proof of purchase of the real property, for a proposed site by the applicable Property Control Date listed in Appendix B.

(2) Developer fails to open an authorized site by the Opening Date listed in Appendix B.

(3) At any time during the Development Term, Developer fails to have open and operating the minimum number of Franchised Restaurants required by the Development Schedule.

(4) Developer begins construction of a Franchised Restaurant at a site before Developer has received a fully-executed Franchise Agreement and paid CJR the Initial Franchise Fee.

(5) Developer is insolvent or is unable to pay its creditors (including CJR); files a petition in bankruptcy, an arrangement for the benefit of creditors or a petition for reorganization; there is filed against Developer a petition in bankruptcy, an arrangement for the benefit of creditors or petition for reorganization, which is not dismissed within 60 days of the filing; Developer makes an assignment for the benefit of creditors; or a receiver or trustee is appointed for Developer and not dismissed within 60 days of the appointment.

(6) Execution is levied against Developer's business or property; suit to foreclose any lien or mortgage against the premises or equipment of any Franchised Restaurant developed hereunder is instituted against Developer and is not dismissed within 60 days; or the real or personal property of any Franchised Restaurant developed hereunder shall be sold after levy thereupon by any sheriff, marshal or constable.

(7) There is a material breach by Developer of any obligation under Section 12.

(8) Any Transfer that requires CJR's prior written consent occurs without Developer having obtained that prior written consent.

(9) CJR discovers that Developer made a material misrepresentation or omitted a material fact in the information that was furnished to CJR in connection with its decision to enter into this Agreement.

(10) Developer knowingly falsifies any report required to be furnished CJR or makes any material misrepresentation in its dealings with CJR or fails to disclose any material facts to CJR.

(11) Developer, the Development Principal, any stockholder, member, partner, director or officer of Developer, any member of the Continuity Group or any 10% Owner is convicted of, or pleads no contest to, a felony charge, a crime involving moral turpitude, or any other crime or offense that is reasonably likely, in the sole opinion of CJR, to adversely affect CJR, its affiliates, the Carl's Jr. System.

(12) Developer, the Development Principal, any member of the Continuity Group, any 10% Owner or any Affiliated Entity remains in default beyond the applicable cure period: **(a)** under any other agreement with CJR or its affiliates; **(b)** under any real estate lease, equipment lease, or financing instrument relating to a Franchised Restaurant; or **(c)** with any vendor or supplier to a Franchised Restaurant; provided that if the default is not by Developer, Developer is given written notice of the default and 30 days to cure said default.

(13) Developer fails or refuses to comply with any other provision of this Agreement or any requirement of the Carl's Jr. System and does not correct the failure or refusal within 30 days (10 days for monetary defaults) after receiving written notice of default. Except for monetary defaults, if the default cannot be corrected within 30 days, Developer shall have such additional time to correct the default as reasonably required (not to exceed 90 days) provided that Developer begins taking the actions necessary to correct the default during the 30-day cure period and diligently and in good faith pursues those actions to completion. Developer will be in default under this Section 13.A.(13) for any failure to materially comply with any of the requirements imposed by this Agreement, the Development Guide or otherwise in writing, or to carry out the terms of this Agreement in good faith.

If Developer has received 2 or more notices of default pursuant to this Section 13.A.(13) within the previous 12 months, CJR shall be entitled to send Developer a notice of termination upon Developer's next default under this Section 13.A.(13) in that 12-month period without providing Developer an opportunity to remedy that default.

B. Statutory Limitations

If any valid, applicable law or regulation of a competent governmental authority with jurisdiction over this Agreement requires a notice or cure period prior to termination longer than set forth in this Section, this Agreement will be deemed amended to conform to the minimum notice or cure period required by the applicable law or regulation.

14. OBLIGATIONS ON TERMINATION OR EXPIRATION

Upon termination or expiration of this Agreement:

A. Developer shall have no further right to develop or open Franchised Restaurants in the Development Territory, except that Developer shall be entitled to complete and open a Franchised Restaurant for which a Franchise Agreement has been fully executed. Termination or expiration of this Agreement shall not affect Developer's right to continue to operate Franchised Restaurants that were open and operating as of the date this Agreement terminated or expired.

B. The limited exclusive rights granted Developer in the Development Territory shall terminate and CJR shall have the right to operate or license others to operate Carl's Jr. Restaurants anywhere in the Development Territory.

C. Developer promptly shall return to CJR all materials and information furnished by CJR or its affiliates, except materials and information furnished with respect to a Franchised Restaurant under development for which there is an effective Franchise Agreement or a Franchised Restaurant which is open and operating pursuant to an effective Franchise Agreement.

D. Developer and all persons and entities subject to the covenants contained in Section 12 shall continue to abide by those covenants and shall not, directly or indirectly, take any action that violates those covenants.

E. Developer immediately shall pay CJR and its affiliates all sums due and owing CJR or its affiliates pursuant to this Agreement.

F. CJR shall retain the Development Fee, including any remaining (unused) balance on account with CJR.

G. Developer shall furnish CJR, within 30 days after the effective date of termination or expiration, evidence (certified to be true, complete, accurate and correct by an authorized officer of Developer) satisfactory to CJR of Developer's compliance with Sections 14.A. through 14.E.

H. Developer shall not, except with respect to a restaurant franchised by CJR or its affiliates which is then open and operating pursuant to an effective franchise agreement or a restaurant under construction that is franchised by CJR or its affiliates for which there is an effective franchise agreement: **(1)** operate or do business under any name or in any manner that might tend to give the public the impression that Developer is connected in any way with CJR or its affiliates or has any right to use the Carl's Jr. System or any of the Proprietary Marks; **(2)** make, use or avail itself of any of the materials or information furnished or disclosed by CJR or its affiliates under this Agreement or disclose or reveal any such materials or information or any portion thereof to anyone else; or **(3)** assist anyone not licensed by CJR or its affiliates to construct or equip a foodservice outlet substantially similar to a Carl's Jr. Restaurant.

15. RELATIONSHIP OF THE PARTIES

This Agreement does not create a fiduciary or other special relationship between the parties. No agency, employment, or partnership is created or implied by the terms of this Agreement, and Developer is not and shall not hold itself out as agent, legal representative, partner, subsidiary, joint venturer or employee of CJR or its affiliates or a joint employer with CJR or its affiliates. Developer shall have no right or power to, and shall not, bind or obligate CJR or its affiliates in any way or manner, nor represent that Developer has any right to do so. Developer shall not issue any press releases without the prior written approval of CJR.

Developer is an independent contractor and is solely responsible for all aspects of the development and operation of the Franchised Restaurants, subject only to the conditions and covenants established by this Agreement and the Franchise Agreements. Without limiting the generality of the foregoing, Developer acknowledges that CJR has no responsibility to ensure that the Franchised Restaurants are developed and operated in compliance with all applicable laws, ordinances and regulations and that CJR shall have no liability in the event the development or operation of the Franchised Restaurants violates any law ordinance or regulation.

The sole relationship between Developer and CJR is a commercial, arms' length business relationship and, except as provided in Section 16, there are no third party beneficiaries to this Agreement. Developer's business is, and shall be kept, totally separate and apart from any that may be operated by CJR. In all public records, in relationships with other persons, and on letterheads and business forms, Developer shall indicate its independent ownership of the Franchised Restaurants and that Developer is solely a franchisee of CJR.

16. INDEMNIFICATION

A. Developer and all guarantors of Developer's obligations under this Agreement shall, at all times, indemnify, defend (with counsel reasonably acceptable to CJR), and hold harmless (to the fullest extent permitted by law) CJR and its parents and affiliates, and their respective predecessors, successors, assigns, past and present stockholders, directors, managers, officers, members, employees, agents and

representatives (collectively “Indemnitees”) from and against all “losses and expenses” (as defined below) incurred in connection with any action, suit, proceeding, claim, demand, investigation, inquiry (formal or informal), judgment or appeal thereof by or against Indemnitees or any settlement thereof (whether or not a formal proceeding or action had been instituted), arising out of or resulting from or connected with Developer’s activities under this Agreement, excluding the gross negligence or willful misconduct of CJR. Developer promptly shall give CJR written notice of any such action, suit, proceeding, claim, demand, inquiry or investigation filed or instituted against Developer and, upon request, shall furnish CJR with copies of any documents from such matters as CJR may request.

At Developer’s expense and risk, CJR may elect to assume (but under no circumstances will CJR be obligated to undertake), the defense and/or settlement of any action, suit, proceeding, claim, demand, investigation, inquiry, judgment or appeal thereof subject to this indemnification. Such an undertaking shall, in no manner or form, diminish Developer’s obligation to indemnify and hold harmless CJR and Indemnitees. CJR shall not be obligated to seek recoveries from third parties or otherwise mitigate losses.

B. As used in this Section, the phrase “losses and expenses” shall include, but not be limited to, all losses; compensatory, exemplary and punitive damages; fines; charges; costs; expenses; lost profits; reasonable attorneys’ fees; expert witness fees; court costs; settlement amounts; judgments; compensation for damages to CJR’s reputation and goodwill; costs of or resulting from delays; financing; costs of advertising material and media time/space and the costs of changing, substituting or replacing the same; and any and all expenses of recall, refunds, compensation, public notices and other such amounts incurred in connection with the matters described.

17. CONSENTS, APPROVALS AND WAIVERS

A. Whenever this Agreement requires the prior approval or consent of CJR, Developer shall make a timely written request to CJR therefor; and any approval or consent received, in order to be effective and binding upon CJR, must be obtained in writing and be signed by an authorized officer of CJR.

B. CJR makes no warranties or guarantees upon which Developer may rely by providing any waiver, approval, consent or suggestion to Developer in connection with this Agreement, and assumes no liability or obligation to Developer therefor, or by reason of any neglect, delay, or denial of any request therefor. CJR shall not, by virtue of any approvals, advice or services provided to Developer, assume responsibility or liability to Developer or to any third parties to which CJR would not otherwise be subject.

C. No failure of CJR to exercise any power reserved to it by this Agreement or to insist upon strict compliance by Developer with any obligation or condition hereunder, and no custom or practice of the parties at variance with the terms of this Agreement, shall constitute a waiver of CJR’s right to demand exact compliance with any of the terms of this Agreement. A waiver by CJR of any particular default by Developer shall not affect or impair CJR’s rights with respect to any subsequent default of the same, similar or different nature, nor shall any delay, forbearance or omission of CJR to exercise any power or right arising out of any breach or default by Developer of any of the terms, provisions or covenants of this Agreement affect or impair CJR’s right to exercise the same, nor shall such constitute a waiver by CJR of any right hereunder, or the right to declare any subsequent breach or default and to terminate this Agreement prior to the expiration of the Development Term. Subsequent acceptance by CJR of any payments due to it hereunder shall not be deemed to be a waiver by CJR of any preceding breach by Developer of any terms, covenants or conditions of this Agreement. CJR has entered, and will continue to enter, into agreements with other developers and franchisees. The manner in which CJR enforces its rights, and the developers’ or franchisees’ obligations, under any of those other agreements shall not affect the ability of CJR to enforce its rights or Developer’s obligations under this Agreement.

18. NOTICES

No notice, demand, request or other communication to the parties shall be binding upon the parties unless the notice is in writing, refers specifically to this Agreement and is addressed to: **(A)** if to Developer, addressed to Developer at the notice address set forth in Appendix B; and **(B)** if to CJR, addressed to CJR at its principal offices, current address: 6700 Tower Circle, Suite 1000, Franklin, Tennessee 37067 (marked Attn: Kerry Olson, General Counsel) (Email: kolson@ckr.com), with a copy to Franchise Legal Team (Email: legal@ckr.com). Any party may designate a new address for notices by giving written notice of the new address pursuant to this Section. Notices shall be effective upon receipt (or first rejection) and may be: **(1)** delivered personally; **(2)** transmitted by email to the address set forth above (or in Appendix B) with electronic confirmation of receipt; **(3)** mailed in the United States mail, postage prepaid, certified mail, return receipt requested; or **(4)** mailed via overnight courier.

19. FORCE MAJEURE

As used in this Agreement, the term “Force Majeure” means any act of God, strike, lock-out or other industrial disturbance, war (declared or undeclared), riot, epidemic, pandemic, fire or other catastrophe, act of any government or other third party and any other cause not within the control of the party affected thereby. Developer’s inability to obtain financing (regardless of the reason) shall not constitute Force Majeure.

If the performance of any obligation by any party under this Agreement is prevented, hindered or delayed by reason of Force Majeure, which cannot be overcome by reasonable commercial measures, the parties shall be relieved of their respective obligations (to the extent that the parties, having exercised best efforts, are prevented, hindered or delayed in such performance) during the period of such Force Majeure. The party whose performance is affected by an event of Force Majeure shall give prompt written notice of such Force Majeure event to the other party by setting forth the nature thereof and an estimate as to its duration. Notwithstanding the foregoing, nothing in this Section shall permit or excuse any delay or failure to remit any payment due the other party on the due date.

20. ENTIRE AGREEMENT

CJR and Developer acknowledge that each element of this Agreement is essential and material and that, except as otherwise provided in this Agreement, the parties shall deal with each other in good faith. This Agreement, the Development Guide, the documents referred to herein, and the attachments hereto, constitute the entire, full and complete agreement between the parties concerning Developer’s rights in the Development Territory and CJR’s acceptance of sites for Franchised Restaurants, and supersede any and all prior or contemporaneous negotiations, discussions, understandings or agreements. There are no other representations, inducements, promises, agreements, arrangements, or undertakings, oral or written, between the parties relating to the matters covered by this Agreement other than those set forth in this Agreement and in the attachments. No obligations or duties that contradict or are inconsistent with the express terms of this Agreement may be implied into this Agreement. Except as expressly set forth herein, no amendment, change or variance from this Agreement shall be binding on either party unless mutually agreed to by the parties and executed in writing. Notwithstanding the foregoing, nothing in this Agreement is intended to disclaim any representation made in the Carl’s Jr. Franchise Disclosure Document provided to Developer.

21. SEVERABILITY AND CONSTRUCTION

A. Each article, paragraph, subparagraph, term and condition of this Agreement, and any portions thereof, will be considered severable. If, for any reason, any portion of this Agreement is determined to be invalid, contrary to, or in conflict with, any applicable present or future law, rule or regulation in a final, unappealable ruling issued by any court, agency or tribunal with valid jurisdiction in a proceeding to which CJR is a party, that ruling will not impair the operation of, or have any other effect upon, any other portions of this Agreement; all of which will remain binding on the parties and continue to be given full force and effect.

B. Except as otherwise provided in Section 16, nothing in this Agreement is intended, nor shall be deemed, to confer upon any person or legal entity other than Developer and CJR and its affiliates and such of their heirs, successors and assigns, any rights or remedies under or by reason of this Agreement.

C. Developer expressly agrees to be bound by any promise or covenant imposing the maximum duty permitted by law that is subsumed within the terms of any provision of this Agreement, as though it were separately articulated in and made a part of this Agreement, that may result from striking from any of the provisions of this Agreement any portion or portions which a court may hold to be unreasonable and unenforceable in a final decision to which CJR is a party, or from reducing the scope of any promise or covenant to the extent required to comply with such a court order.

D. No provision of this Agreement shall be interpreted in favor of, or against, any party because of the party that drafted this Agreement.

E. Whenever CJR has expressly reserved in this Agreement a right and/or discretion to take or withhold an action, or to grant or decline to grant Developer a right to take or withhold an action, except as otherwise expressly and specifically provided in this Agreement, CJR may make such decision or exercise its right and/or discretion on the basis of its judgment of what is in its best interests. This also applies if CJR is deemed to have a right and/or discretion. CJR's judgment of what is in the best interests of the Carl's Jr. System, at the time its decision is made or its right or discretion is exercised, can be made without regard to whether: **(1)** other reasonable alternative decisions or actions, or even arguably preferable alternative decisions or actions, could have been made by CJR; **(2)** CJR's decision or the action taken promotes its financial or other individual interest; **(3)** CJR's decision or the action taken applies differently to Developer and one or more other developers or franchisees or CJR company-operated or affiliate-operated operations; or **(4)** CJR's decision or the action taken is adverse to Developer's interests. CJR will have no liability to Developer for any such decision or action. CJR and Developer intend that the exercise of CJR's right or discretion will not be subject to limitation or review. If applicable law implies a covenant of good faith and fair dealing in this Agreement, CJR and Developer agree that such covenant will not imply any rights or obligations that are inconsistent with a fair construction of the terms of this Agreement and that this Agreement grants CJR the right to make decisions, take actions and/or refrain from taking actions not inconsistent with Developer's rights and obligations under this Agreement.

F. Developer agrees that no past, present or future director, officer, employee, incorporator, member, partner, stockholder, subsidiary, affiliate, controlling party, entity under common control, ownership or management, vendor, service provider, agent, attorney or representative of CJR will have any liability for: **(1)** any obligations or liabilities of CJR relating to or arising from this Agreement; **(2)** any claim against CJR based on, in respect of, or by reason of the relationship between Developer and CJR; or **(3)** any claim against CJR based on any alleged unlawful act or omission of CJR. This provision does not include a release of claims arising from representations in the Carl's Jr. Franchise Disclosure Document provided to Franchisee in connection with this Agreement or any claims arising under any applicable state

or federal franchise laws regulating the offer or sale of the franchise for this Agreement (including without limitation the FTC Rule on Franchising (16 C.F.R. Part 436)).

22. GOVERNING LAW, FORUM AND LIMITATIONS

A. This Agreement and any claim or controversy arising out of, or relating to, rights and obligations of the parties under this Agreement and any other claim or controversy between the parties shall be governed by and construed in accordance with the laws of the State of Tennessee without regard to conflicts of laws principles. Nothing in this Section is intended, or shall be deemed, to make any Tennessee law regulating the offer or sale of franchises or the franchise relationship applicable to this Agreement if such law would not otherwise be applicable.

B. The parties agree that, to the extent any disputes cannot be resolved directly between them, Developer shall file any suit against CJR only in the federal or state court having jurisdiction where CJR's principal offices are located at the time suit is filed. CJR may file suit in the federal or state court located in the jurisdiction where its principal offices are located at the time suit is filed or in the jurisdiction where Developer resides or does business or where the Development Territory or any Franchised Restaurant is or was located or where the claim arose. Developer consents to the personal jurisdiction of those courts over Developer and to venue in those courts.

C. Except for payments owed by one party to the other, and unless prohibited by applicable law, any legal action or proceeding (including the offer and sale of a franchise to Developer) brought or instituted with respect to any dispute arising from or related to this Agreement or with respect to any breach of the terms of this Agreement must be brought or instituted within a period of 2 years after the initial occurrence of any act or omission that is the basis of the legal action or proceeding, whenever discovered.

D. Developer and CJR waive, to the fullest extent permitted by law, any right or claim of any consequential, punitive or exemplary damages against each other and agree that, in the event of a dispute between them, each shall be limited to the recovery of actual damages sustained by it. Developer and CJR waive, to the fullest extent permitted by law, the right to bring, or be a class member in, any class action suits and the right to trial by jury.

E. If either party brings an action to enforce this Agreement in a judicial proceeding, the party prevailing in that proceeding shall be entitled to reimbursement of costs and expenses, including, but not limited to, reasonable accountants', attorneys', attorneys' assistants' and expert witness fees, the cost of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses, whether incurred prior to, in preparation for, or in contemplation of the filing of, the proceeding. If CJR utilizes legal counsel (including in-house counsel employed by CJR) in connection with any failure by Developer to comply with this Agreement, Developer shall reimburse CJR for any of the above-listed costs and expenses incurred by CJR. In any judicial proceeding, the amount of these costs and expenses will be determined by the court and not by a jury.

F. No right or remedy conferred upon or reserved to CJR or Developer by this Agreement is intended to be, nor shall be deemed, exclusive of any other right or remedy herein or by law or equity provided or permitted, but each shall be cumulative of every other right or remedy. The provisions of this Section 22 shall survive the expiration or earlier termination of this Agreement.

23. MISCELLANEOUS

A. Gender and Number

All references to gender and number shall be construed to include such other gender and number as the context may require.

B. Captions

All captions in this Agreement are intended solely for the convenience of the parties and none shall be deemed to affect the meaning or construction of any provision of this Agreement.

C. Counterparts

This Agreement may be executed in counterparts, and each copy so executed and delivered shall be deemed an original. This Agreement may be signed using electronic signatures, and such signatures will have full legal force and effect.

D. Time

Time is of the essence of this Agreement for each provision in which time is a factor. Whenever this Agreement refers to a period of days or months, the first day or month to be counted shall be the day or month of the designated action, event or notice. Days shall be measured by calendar days, except that if the last day of a period is a Saturday, Sunday or national holiday, the period automatically shall be extended to the next day that is not a Saturday, Sunday or national holiday.

E. Injunctive Relief

Developer recognizes that its failure to comply with the terms of this Agreement, including, but not limited to, the failure to fully comply with all post-termination obligations, is likely to cause irreparable harm to CJR, its affiliates, and the Carl's Jr. System. Therefore, Developer agrees that, in the event of a breach or threatened breach of any of the terms of this Agreement by Developer, CJR shall be entitled to injunctive relief (both preliminary and permanent) restraining that breach and/or to specific performance without showing or proving actual damages and without posting any bond or security. Any equitable remedies sought by CJR shall be in addition to, and not in lieu of, all remedies and rights that CJR otherwise may have arising under applicable law or by virtue of any breach of this Agreement.

F. Authority

All information Developer provided to CJR in connection with Developer's franchise application and CJR's grant of the development rights is truthful, complete and accurate. The persons signing this Agreement on behalf of Developer have full authority to enter into this Agreement and the other agreements contemplated by the parties. Execution of this Agreement or such other agreements by Developer does not and will not conflict with or interfere with, directly or indirectly, intentionally or otherwise, with the terms of any other agreement with any other third party to which Developer or any person with an ownership interest in Developer is a party.

G. Variations

CJR has the right, in its sole discretion, to waive, defer, or permit variations from the standards of the Carl's Jr. System, or any applicable agreement to any developer, franchisee, prospective developer, or

prospective franchisee based on the peculiarities of a particular site, existing building configuration or circumstance, density of population, business potential, trade area population or any other condition or circumstance. CJR has the right, in its sole discretion, to deny any such request CJR believes would not be in the best interests of the Carl's Jr. System.

H. Compliance with U.S. Laws

Developer acknowledges that under applicable U.S. law, including, without limitation, Executive Order 13224, signed on September 23, 2001 ("Order"), CJR is prohibited from engaging in any transaction with any person engaged in, or with a person aiding any person engaged in, acts of terrorism, as defined in the Order. Accordingly, Developer represents and warrants to CJR that, as of the date of this Agreement, neither Developer nor any person holding any ownership interest in Developer, controlled by Developer, or under common control with Developer is designated under the Order as a person with whom business may not be transacted by CJR, and that Developer: **(1)** does not, and hereafter shall not, engage in any terrorist activity; **(2)** is not affiliated with and does not support any individual or entity engaged in, contemplating or supporting terrorist activity; and **(3)** is not acquiring the rights granted under this Agreement with the intent to generate funds to channel to any individual or entity engaged in, contemplating or supporting terrorist activity, or to otherwise support or further any terrorist activity.

I. FOR THE FOLLOWING STATES ONLY: CALIFORNIA, HAWAII, ILLINOIS, INDIANA, MARYLAND, MICHIGAN, MINNESOTA, NEW YORK, NORTH DAKOTA, RHODE ISLAND, SOUTH DAKOTA, VIRGINIA, WASHINGTON, WISCONSIN

If Developer is a resident of one of the states listed in the heading of this Section 23.I (the "Applicable Franchise Registration State") or a non-resident who is acquiring franchise rights permitting the location of a Franchised Restaurant in the Applicable Franchise Registration State, then the following applies:

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

IN WITNESS WHEREOF, the parties have executed this Agreement by their duly authorized representatives.

GUARANTEE AND ASSUMPTION OF DEVELOPER'S OBLIGATIONS

In consideration of, and as an inducement to, the execution of the Carl's Jr. Restaurant Development Agreement dated as of _____ ("Agreement") by Carl's Jr. Restaurants LLC ("CJR"), entered into with _____ ("Developer"), the undersigned ("Guarantors"), each of whom is a member of Developer's Continuity Group or a 10% Owner, or the spouse thereof, hereby personally and unconditionally agree as follows:

1. Guarantee To Be Bound By Certain Obligations. Guarantors hereby personally and unconditionally guarantee to CJR and its successors and assigns, for the term of the Agreement and thereafter as provided in the Agreement or at law or in equity, that each will be personally bound by the restrictions contained in Section 12 of the Agreement.

2. Guarantee and Assumption of Developer's Obligations. Guarantors hereby: (A) guarantee to CJR and its successors and assigns, for the term of the Agreement and thereafter as provided in the Agreement or at law or in equity, that Developer and any assignee of Developer's interest under the Agreement shall (1) punctually pay and perform each and every undertaking, agreement and covenant set forth in the Agreement and (2) punctually pay all other monies owed to CJR and/or its affiliates; (B) agree to be personally bound by each and every provision in the Agreement, including, without limitation, the provisions of Sections 12 and 16; and (C) agree to be personally liable for the breach of each and every provision in the Agreement.

3. General Release. Except as set forth at the end of this Section 3, each Guarantor (if an individual, on behalf of him/herself and his/her heirs, representatives, successors and assigns, and if a business entity, on behalf of itself and its parent, subsidiaries and affiliates) (each a "Releasor" and collectively, "Releasors"), freely and without any influence forever releases and covenants not to sue CJR, its parents, subsidiaries, affiliates, predecessors and successors and their respective past and present officers, directors, managers, shareholders, members, agents and employees, in their corporate and individual capacities (collectively, "CJR Releasees"), from any and all claims, demands, liabilities and causes of action of whatever kind or nature, whether known or unknown, vested or contingent, suspected or unsuspected (collectively "claims"), which any Releasor now owns or holds or may in the future own or hold based on, arising out of or relating to, in whole or in part, any fact, event, conduct or omission occurring on or before the date of this Guarantee, including, without limitation, claims arising under federal, state and local laws, rules and ordinances, claims for contribution, indemnity and/or subrogation, and claims arising out of, or relating to the Agreement and all other agreements between any Releasor and any CJR Releasee, the sale of a franchise to any Releasor, the development of any Franchised Restaurant and the development and operation of all other restaurants operated by any Releasor that are or were franchised by CJR or its parents, subsidiaries, affiliates or predecessors. Each Guarantor (on behalf of the applicable Releasors) expressly agrees that fair consideration has been given by CJR for this release and it fully understands that this is a negotiated, complete and final release of all claims. This release does not include a release of claims arising from representations in the Carl's Jr. Franchise Disclosure Document provided to any Releasor in connection with the Agreement or any claims arising under any applicable state or federal franchise laws regulating the offer or sale of the franchise for the Agreement as of the date of the Agreement (including without limitation the FTC Rule on Franchising (16 C.F.R. Part 436).

4. General Terms and Conditions. The following general terms and conditions shall apply to this Guarantee:

A. Each of the undersigned waives: **(1)** acceptance and notice of acceptance by CJR of the foregoing undertakings; **(2)** notice of demand for payment of any indebtedness or nonperformance of any obligations hereby guaranteed; **(3)** protest and notice of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed; **(4)** any right he may have to require that an action be brought against Developer or any other person as a condition of liability; **(5)** all rights to payments and claims for reimbursement or subrogation which any of the undersigned may have against Developer arising as a result of the execution of and performance under this Guarantee by the undersigned; **(6)** any law or statute which requires that CJR make demand upon, assert claims against or collect from Developer or any others, foreclose any security interest, sell collateral, exhaust any remedies or take any other action against Developer or any others prior to making any demand upon, collecting from or taking any action against the undersigned with respect to this Guarantee; **(7)** any and all other notices and legal or equitable defenses to which he may be entitled; and **(8)** any and all right to have any legal action under this Guarantee decided by a jury.

B. Each of the undersigned consents and agrees that: **(1)** his direct and immediate liability under this Guarantee shall be joint and several; **(2)** he shall render any payment or performance required under the Agreement if Developer fails or refuses punctually to do so; **(3)** such liability shall not be contingent or conditioned upon pursuit by CJR of any remedies against Developer or any other person; **(4)** such liability shall not be diminished, relieved or otherwise affected by any amendment of the Agreement, any extension of time, credit or other indulgence which CJR may from time to time grant to Developer or to any other person including, without limitation, the acceptance of any partial payment or performance or the compromise or release of any claims, none of which shall in any way modify or amend this Guarantee, which shall be continuing and irrevocable during the term of the Agreement and for so long thereafter as there are monies or obligations owing from Developer to CJR or its affiliates under the Agreement; and **(5)** monies received from any source by CJR for application toward payment of the obligations under the Agreement and under this Guarantee may be applied in any manner or order deemed appropriate by CJR. In addition, if any of the undersigned ceases to be a member of the Continuity Group, a 10% Owner, or own any direct or indirect interest in Developer or any of the Franchised Restaurants, that person (and his spouse, if the spouse is also a guarantor) agrees that the obligations under this Guarantee shall continue to remain in force and effect unless CJR in its sole discretion, in writing, releases those person(s) from this Guarantee. Notwithstanding the provisions of the previous sentence, unless prohibited by applicable law, the obligations contained in Section 12.C. of the Agreement shall remain in force and effect for a period of 2 years after any such release by CJR. A release by CJR of any of the undersigned shall not affect the obligations of any other Guarantor.

C. If CJR brings an action to enforce this Guarantee in a judicial proceeding or arbitration, the prevailing party in such proceeding shall be entitled to reimbursement of its costs and expenses, including, but not limited to, reasonable accountants', attorneys', attorneys' assistants' and expert witness fees, cost of investigation and proof of facts, court costs, other litigation expenses and travel and living expenses, whether incurred prior to, in preparation for or in contemplation of the filing of any such proceeding. In any judicial proceeding, these costs and expenses shall be determined by the court and not by a jury.

D. If CJR utilizes legal counsel (including in-house counsel employed by CJR or its affiliates) in connection with any failure by the undersigned to comply with this Guarantee, the undersigned shall reimburse CJR for any of the above-listed costs and expenses incurred by it.

E. If any of the following events occur, a default ("Default") under this Guarantee shall exist: **(1)** failure of timely payment or performance of the obligations under this Guarantee; **(2)** breach of any agreement or representation contained or referred to in this Guarantee; **(3)** the dissolution of,

termination of existence of, loss of good standing status by, appointment of a receiver for, assignment for the benefit of creditors of, or the commencement of any insolvency or bankruptcy proceeding by or against, any of the undersigned; and/or (4) the entry of any monetary judgment or the assessment against, the filing of any tax lien against, or the issuance of any writ of garnishment or attachment against any property of or debts due any of the undersigned. If a Default occurs, the obligations of the undersigned shall be due immediately and payable without notice. Upon the death of one of the undersigned, the estate shall be bound by this Guarantee for all obligations existing at the time of death. The obligations of the surviving Guarantors shall continue in full force and effect.

F. This Guarantee shall inure to the benefit of and be binding upon the parties and their respective heirs, legal representatives, successors and assigns. CJR's interests in and rights under this Guarantee are freely assignable, in whole or in part, by CJR. Any assignment shall not release the undersigned from this Guarantee.

G. Sections 22.A. through 22.D. of the Agreement are incorporated by reference into this Guarantee and all capitalized terms that are not defined in this Guarantee shall have the meaning given them in the Agreement.

IN WITNESS WHEREOF, each of the undersigned has hereunto affixed his signature, under seal.

CARL'S JR. LEASE ADDENDUM

THIS ADDENDUM to the Lease Agreement dated as of _____ (“Lease”) between _____ (“Landlord”) and _____ (“Tenant”) is entered into as of the effective date of the Lease.

RECITALS:

Pursuant to the Lease, Landlord will lease or has leased to Tenant certain real property as defined in the Lease (“Premises”) for the operation of a franchised Carl’s Jr. Restaurant (“Restaurant”);

Tenant will develop and operate the Restaurant pursuant to a franchise agreement (the “Franchise Agreement”) with Carl’s Jr. Restaurants LLC or its affiliates (collectively “CJR”), and the Lease is contingent upon Tenant’s execution of the Franchise Agreement with CJR; and

The Franchise Agreement requires, among other things, that the Lease contain certain provisions. Landlord and Tenant desire to modify the Lease to add those required provisions as set forth below, and agree that the terms and provisions of this Lease Addendum are hereby deemed incorporated into and made a part of the Lease.

NOW, THEREFORE, notwithstanding anything to the contrary elsewhere in the Lease, for good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, Landlord and Tenant agree as follows:

1. The effectiveness of the Lease is contingent upon Tenant’s execution of the Franchise Agreement with CJR within 30 days after the date of this Addendum.
2. Landlord consents to Tenant’s use of the proprietary signs, distinctive exterior and interior designs, colors and layouts, and the trademarks prescribed by CJR (collectively, “Proprietary Marks”), and upon expiration or the earlier termination of the Lease, consents to permit Tenant, at Tenant’s expense, to remove all such items and other trade fixtures, so long as Tenant makes repairs to the Premises caused by such removal.
3. Landlord and Tenant each agrees to provide CJR (at the same time as sent to the other party) a copy of all amendments, assignments, any notices of default, option and refusal rights notices and any other material documents or correspondence or notices pertaining to the Lease and the Premises, including without limitation, tenant estoppel certificates and subordination agreements. CJR’s mailing address, until further notice, for this purpose is Attention: Franchise Legal Team, 6700 Tower Circle, Suite 1000, Franklin, TN 37067.
4. Following reasonable notice to Landlord, CJR shall have the right to enter the Premises to make any modifications or alterations necessary to protect the “Carl’s Jr. Restaurant System” and the Proprietary Marks and to cure any Tenant default under the Lease within the time periods

provided by the Lease, and charge Tenant for all costs incurred in making such modifications or alterations and for curing any such default, all without being guilty of trespass or other tort.

5. Landlord agrees that Tenant, and not CJR, shall be solely responsible for all obligations, debts and payments under the Lease and that CJR shall have no liability in that regard.

6. Landlord agrees that, following the expiration or earlier termination of the Lease or the Franchise Agreement, Tenant shall have the right to make those alterations and modifications (including removal and demolition of improvements installed by Tenant or CJR if necessary) to the Premises or any part thereof as may be necessary to clearly distinguish to the public the Premises from a Carl's Jr. Restaurant and also to make those specific additional changes as CJR reasonably may require for that purpose. This includes, but is not limited to, removal of all Proprietary Marks. Landlord further agrees that, if Tenant fails to promptly make the necessary alterations and modifications, CJR shall have the right to do so without being guilty of trespass or other tort so long as CJR makes repairs to the building caused by such removal.

7. Notwithstanding anything to the contrary contained in the Lease, Landlord agrees not to amend or otherwise modify the Lease in any manner that would affect any of the requirements set forth herein without CJR's prior written consent.

8. Tenant may assign the Lease, or any right or rights therein (including without limitation purchase options or rights of first refusal), to CJR or its parent, affiliates or subsidiaries (without Landlord's consent) or its designee (with Landlord's consent which consent shall not be unreasonably withheld) and without payment of any assignment fee or similar charge or increase in any rentals or other charges payable to Landlord.

9. Landlord consents to Tenant's collateral assignment of the Lease to CJR or its designee, granting CJR the option, but not the obligation, to assume the Lease and/or any or all rights therein.

10. If Tenant fails to exercise, for any reason, any term renewal or term extension right under the Lease, then CJR may exercise such right, and upon the exercise of such right by CJR, Tenant agrees that the Lease shall be deemed transferred and assigned to CJR, effective upon the commencement of the renewal or extension term, without any further action of the parties, and Landlord consents to such transfer and assignment, and Tenant shall remain obligated under the Lease. If Tenant fails to exercise, for any reason, any purchase option or right of first refusal or similar right under the Lease, then CJR may exercise such right, and upon the exercise of such right by CJR, Tenant agrees that such right shall be deemed transferred and assigned to CJR without any further action of the parties, and Landlord consents to such transfer and assignment, and Tenant shall remain obligated under the Lease. Landlord and Tenant acknowledge that CJR's exercise of the foregoing rights is subject to Tenant's right to exercise such rights, and that if Tenant legally exercises such right within the time permitted under the Lease, CJR's exercise of such rights, whether before or after Tenant's exercise, shall be void.

11. CJR is hereby deemed a third party beneficiary of this Addendum solely for the purpose of enforcing any rights granted to or otherwise available to CJR under this Addendum.

12. The foregoing provisions shall apply during the entire term of the Lease, including any renewal term. To the extent there is any conflict between the terms set forth in the body of the Lease and the terms set forth in this Lease Addendum, the terms of this Lease Addendum will control.

13. This Addendum may be executed in counterparts, and each copy so executed and delivered shall be deemed to be an original.

14. Each of the persons executing this Addendum on behalf of each party represents and warrants that said party has the full right, power and authority to execute and deliver this Addendum and that each person signing on said party's behalf is authorized to do so.

[Remainder of Page Intentionally Blank]

IN WITNESS WHEREOF, the parties have duly executed, sealed and delivered this Addendum as of the day and year first above written.

CARL'S JR. RESTAURANT FRANCHISE AGREEMENT

THIS AGREEMENT is made as of _____ by and between Carl's Jr. Restaurants LLC ("CJR"), a Delaware limited liability company, and _____ ("Franchisee").

RECITALS:

A. As a result of the expenditure of time, skill, effort and money, CJR and its predecessor have developed, and CJR owns, a unique and distinctive system ("System") relating to the development, establishment and operation of quick service restaurants ("Carl's Jr. Restaurants").

B. The distinguishing characteristics of the System include, without limitation, uniform and distinctive exterior and interior design, layout and trade dress, including specially designed decor and furnishings; an efficient kitchen and equipment layout featuring an automatic charbroiling cooking process; special recipes and menu items; procedures and techniques for food and beverage storage, preparation, service and sanitation; technical assistance and training through course instruction and manuals; and advertising and promotional programs. The System and its components may be changed, improved, and further developed by CJR from time to time.

C. CJR identifies the System by means of certain trade names, trademarks, service marks, trade dress, logos, insignias, slogans, emblems, symbols, designs and any combination thereof or any other indicia of source (collectively "Proprietary Marks") which CJR has designated or may in the future designate for use with the System. The Proprietary Marks used to identify the System, including the principal Proprietary Marks, may be modified by CJR and/or its affiliates from time to time.

D. CJR continues to develop, use and control the use of these Proprietary Marks in order to identify for the public the source of services and products marketed under the Proprietary Marks and the System, and to represent the System's high standards of quality, appearance and service.

E. Franchisee desires to obtain a license to use the System and to develop and continuously operate one Carl's Jr. Restaurant ("Franchised Restaurant") at the location specified in attached Appendix A ("Franchised Location"), subject to the terms and conditions of this Agreement and in strict compliance with the standards and specifications established by CJR.

F. Franchisee understands and acknowledges the importance of CJR's high and uniform standards of quality, operations and service and the necessity of developing and operating the Franchised Restaurant (the "System Standards") in strict conformity with this Agreement, the Development Guide, and the Operation Procedures Manual ("OPM").

G. CJR is willing to grant Franchisee a license to develop and operate the Franchised Restaurant at the Franchised Location, subject to the terms and conditions of this Agreement.

AGREEMENT

NOW THEREFORE, in consideration of CJR's grant to Franchisee of the right to develop and operate a Franchised Restaurant at the Franchised Location during the term of this Agreement, as well as the mutual covenants, agreements and obligations set forth below, the parties agree as follows:

1. GRANT OF FRANCHISE

A. Grant

Subject to the provisions of this Agreement, CJR hereby grants to Franchisee the nonexclusive right (“Franchise”) to develop and continuously operate the Franchised Restaurant at the Franchised Location and to use the Proprietary Marks in the operation of the Franchised Restaurant. Franchisee may not operate the Franchised Restaurant at any site other than the Franchised Location or offer and sell products through any other method or channel of distribution. Further, Franchisee may not relocate the Franchised Restaurant without CJR’s prior written consent, which may be withheld by CJR in its sole discretion. If CJR approves a relocation of the Franchised Restaurant, it shall have the right to charge Franchisee for all reasonable expenses actually incurred in connection with consideration of the relocation request.

Franchisee agrees that it will at all times faithfully, honestly and diligently perform its obligations under this Agreement, that it will continuously exert its best efforts to promote and enhance the business of the Franchised Restaurant and that it will not engage in any other business or activity that may conflict with its obligations under this Agreement, except the operation of other Carl’s Jr. Restaurants or other restaurants operated by Franchisee that are franchised by CJR or its affiliates or other restaurants as disclosed to CJR by Franchisee in Appendix A.

B. No Exclusivity

This Agreement does not give Franchisee any exclusive rights to use the System or the Proprietary Marks in any geographic area. Nothing in this Agreement prohibits CJR from, among other things: **(1)** operating or licensing others to operate at any location, during or after the term of this Agreement, any type of restaurant other than Carl’s Jr. Restaurants; **(2)** operating or licensing others to operate, during the term of this Agreement, Carl’s Jr. Restaurants at any location other than the Franchised Location; **(3)** operating or licensing others to operate, after this Agreement terminates or expires, Carl’s Jr. Restaurants at any location, including the Franchised Location; and **(4)** merchandising and distributing goods and services identified by the Proprietary Marks at any location through any other method or channel of distribution. CJR reserves to itself all rights to use and license the System and the Proprietary Marks other than those expressly granted under this Agreement.

C. Forms of Agreement

Franchisee acknowledges that, over time, CJR has entered, and will continue to enter, into agreements with other franchisees that may contain provisions, conditions and obligations that differ from those contained in this Agreement. The existence of different forms of agreement and the fact that CJR and other franchisees may have different rights and obligations does not affect the duties of the parties to this Agreement to comply with the terms of this Agreement.

2. TERM

A. Initial Term

The Initial Term of this Agreement and the Franchise granted by this Agreement shall begin on the date of this Agreement and terminate at midnight on the day preceding the 20th anniversary of the date the Franchised Restaurant first opened for business, unless this Agreement is terminated at an earlier date pursuant to Section 21. CJR shall complete and forward to Franchisee a Commencement Date Addendum to memorialize the date the Franchised Restaurant first opened for business in the form substantially similar to Appendix F. Franchisee agrees to continuously operate the Franchised Restaurant during the Initial Term,

and in the event of casualty to the Franchised Restaurant that requires its closure, Franchisee must reopen the Franchised Restaurant for business within six months following the event of casualty unless a different time period is agreed to in writing by CJR.

Notwithstanding the foregoing, if, during the term of this Agreement, Franchisee, through no act or failure to act on its part (except the failure to extend the lease for the Franchised Location through the Initial Term of this Agreement), loses the right to possession of the Franchised Location, the Initial Term shall expire as of the date of the loss of the right to possession. However, if the right to possession is lost through no act or failure to act on Franchisee's part, Franchisee may relocate the Franchised Restaurant (without paying any additional initial franchise fee or transfer fee) at its expense and the Initial Term shall not expire if: **(1)** CJR accepts the new location; **(2)** Franchisee constructs and equips a Franchised Restaurant at the new location in accordance with the then-current System Standards and specifications; **(3)** a Franchised Restaurant at the new location is open to the public for business within 6 months after the loss of possession of the Franchised Location; and **(4)** Franchisee reimburses CJR for all reasonable expenses actually incurred by CJR in connection with the acceptance of the new location.

B. Renewal Term

(1) At the expiration of the Initial Term, Franchisee shall have an option to remain a franchisee at the Franchised Location for a Renewal Term of 10 years or, at Franchisee's option, 5 years. Franchisee must give CJR written notice of whether or not it intends to exercise its renewal option and the length of the proposed Renewal Term not less than 12 months, nor more than 24 months, before the expiration of the Initial Term. Notwithstanding the foregoing, if Franchisee subleases the Franchised Location from CJR, Franchisee must give CJR the notice described in the preceding sentence not less than 6 months, nor more than 12 months, before notice of renewal is required to be provided to the landlord under the master lease. Failure by Franchisee to timely provide CJR the required notice constitutes a waiver by Franchisee of its option to remain a franchisee beyond the expiration of the Initial Term.

(2) If Franchisee desires to continue as a franchisee for the Renewal Term, Franchisee must comply with all of the following conditions prior to and at the end of the Initial Term:

(a) Franchisee shall not be in default under this Agreement or any other agreements between Franchisee and CJR or its affiliates; Franchisee shall not be in default beyond the applicable cure period under any real estate lease, equipment lease or financing instrument relating to the Franchised Restaurant; Franchisee shall not be in default beyond the applicable cure period with any vendor or supplier to the Franchised Restaurant; and, for the 12 months before the date of Franchisee's notice and the 12 months before the expiration of the Initial Term, Franchisee shall not have been in default beyond the applicable cure period under this Agreement or any other agreements between Franchisee and CJR or its affiliates.

(b) Franchisee shall make the capital expenditures required to renovate and modernize the Franchised Restaurant to conform to the interior and exterior designs, decor, color schemes, furnishings and equipment and presentation of the Proprietary Marks consistent with the image of the System for new Carl's Jr. Restaurants at the time Franchisee provides CJR the renewal notice, including such structural changes, remodeling, redecoration and modifications to existing improvements as may be necessary to do so.

(c) Franchisee and its employees at the Franchised Restaurant shall be in compliance with CJR's then-current training requirements.

(d) Franchisee shall have the right to remain in possession of the Franchised Location, or other premises acceptable to CJR, for the Renewal Term and all monetary obligations owed to Franchisee's landlord, if any, must be current.

(e) Franchisee, all individuals who executed this Agreement and all guarantors of Franchisee's obligations shall have executed a general release and a covenant not to sue, in a form satisfactory to CJR, of any and all claims against CJR and its affiliates and their respective past and present officers, directors, managers, shareholders, members, agents and employees, in their corporate and individual capacities, including, without limitation, claims arising under federal, state and local laws, rules and ordinances, and claims arising out of, or relating to, this Agreement, any other agreements between Franchisee and CJR or its affiliates and Franchisee's operation of the Franchised Restaurant, other Carl's Jr. Restaurants operated by Franchisee and all other restaurants operated by Franchisee that are franchised by CJR or its affiliates.

(f) As determined by CJR in its sole discretion, Franchisee has operated the Franchised Restaurant and all of its other franchised Carl's Jr. Restaurants in accordance with the applicable franchise agreements and with the System Standards (as set forth in the OPM or otherwise and as revised from time to time by CJR) and has operated each of its other restaurants that are franchised by CJR or its affiliates in accordance with the applicable franchise agreement and system standards.

(3) Within 4 months after CJR's receipt of Franchisee's written notice of its desire to renew, CJR shall advise Franchisee whether or not Franchisee is entitled to remain a franchisee for the Renewal Term. If CJR intends to permit Franchisee to remain a franchisee for the Renewal Term, CJR's notice will contain preliminary information regarding actions Franchisee must take to satisfy Sections 2.B.(2)(b) and (c). If CJR does not intend to permit Franchisee to remain a franchisee for the Renewal Term, CJR's notice shall specify the reasons for non-renewal. If CJR chooses not to permit Franchisee to remain a franchisee for the Renewal Term, it shall have the right to unilaterally extend the Initial Term of this Agreement as necessary to comply with any applicable laws.

(4) If Franchisee will remain a franchisee for the Renewal Term, CJR shall forward to Franchisee a new franchise agreement for the Renewal Term for Franchisee's signature at least 4 months prior to the expiration of the Initial Term. The form of renewal franchise agreement shall be the form then in general use by CJR for Carl's Jr. Restaurants (or, if CJR is not then granting franchises for Carl's Jr. Restaurants, that form of agreement as specified by CJR) and likely will differ from this Agreement, including, but not limited to, provisions relating to the royalty fee and advertising obligations.

(5) Franchisee shall pay CJR a renewal fee in the amount of \$5,000 for a Renewal Term of 5 years or less or \$10,000 for a Renewal Term greater than 5 years, but no more than 10 years.

(6) Franchisee shall execute the renewal franchise agreement for the Renewal Term and return the signed agreement to CJR, along with the renewal fee, at least one month prior to the expiration of the Initial Term. Failure by Franchisee to sign the renewal franchise agreement and return it to CJR (along with the renewal fee) within this time shall, at CJR's option, be deemed an election by Franchisee not to renew the Franchise and shall result in termination of this Agreement and the Franchise granted by this Agreement at the expiration of the Initial Term. Provided Franchisee has timely complied with all of the conditions set forth in this Section 2.B., CJR shall execute the renewal franchise agreement and promptly return a fully-executed copy to Franchisee.

C. Holdover

If Franchisee continues to accept the benefits of this Agreement after the expiration of the initial term but does not satisfy the renewal conditions outlined in Section 2.C above then, at CJR's sole option, this Agreement may be treated as: (a) expired as of the date of the expiration and Franchisee will be operating without a franchise or license to do so and in violation of CJR's rights to the Marks, brand and System; or (b) continued on a month-to-month basis (an "Interim Period") and all of Franchisee's obligations will remain in full force and effect during the Interim Period as if the Agreement had not expired. Each Interim Period expires at the end of each calendar month unless this Agreement is renewed as provided for this Agreement. The Interim Period does not create any new franchise rights and upon expiration of the final Interim Period; provided Franchisee does not renew the rights licensed in this Agreement as specified in this Agreement, Franchisee will be bound by all post-term obligations as provided in this Agreement.

3. LEASE TERMS

If Franchisee has not previously provided CJR with a fully-signed copy of its lease or sublease for the Franchised Location, or proof that Franchisee has purchased the real estate for the Franchised Location, Franchisee shall immediately upon execution of this Agreement provide CJR with a copy of the fully-signed lease or sublease, together with the executed Carl's Jr. Lease Addendum in the form attached as Appendix G. For purposes of this Agreement, the effective date of the lease or sublease, or the closing date of the purchase of the real property, shall be the "Property Control Date".

4. CONSTRUCTION OF THE FRANCHISED RESTAURANT

A. Development Training

Franchisee shall complete, to CJR's satisfaction, any development training required by CJR. Franchisee shall pay CJR, for each person attending development training, a tuition fee as established by CJR from time to time. Franchisee also may attend optional development training as offered by CJR from time to time, subject to payment of a tuition fee as established by CJR from time to time. Franchisee will be required to pay all travel, living and other expenses incurred by Franchisee and its employees while attending development training and optional development training.

B. Restaurant Development

Franchisee assumes all cost, liability and expense for developing, constructing and equipping the Franchised Restaurant. CJR will furnish to Franchisee prototypical plans and specifications for a Carl's Jr. Restaurant, including requirements for dimensions, design, image, interior layout, decor, fixtures, equipment, signs, furnishings, storefront and color scheme. It shall be Franchisee's responsibility to have prepared all required construction plans and specifications to suit the shape and dimensions of the Franchised Location and Franchisee must ensure that these plans and specifications comply with applicable ordinances, building codes and permit requirements and with lease requirements and restrictions. Franchisee shall use only registered architects, registered engineers, and professional and licensed contractors.

Franchisee shall submit proposed construction plans, specifications and drawings for the Franchised Restaurant ("Plans") to CJR and shall, upon CJR's request, submit all revised or "as built" Plans during the course of such construction. CJR will review the Plans and notify Franchisee within 30 days after CJR receives the Plans, or such longer period as CJR requires, whether the Plans are approved. CJR's approval shall not be unreasonably withheld. Once CJR has approved the Plans and Franchisee has signed

each page of the Plans acknowledging the approval and Franchisee's obligations for compliance, no substantial change shall be made to the Plans without the prior approval of CJR, which shall not be unreasonably withheld. If, in the course of construction, any such change in the Plans is contemplated, CJR's approval must first be obtained before proceeding. CJR shall approve or disapprove Plan changes within 10 business days after receipt.

Franchisee is prohibited from beginning site preparation or construction prior to receiving written notification from CJR that it has approved the Plans. All construction must be in accordance with Plans approved by CJR and must comply in all respects with applicable laws, ordinances and local rules and regulations. The Franchised Restaurant may not open if construction has not been performed in substantial compliance with Plans approved by CJR, and this Agreement may be terminated if such non-compliance is not cured within a commercially reasonable amount of time. CJR may furnish guidance to Franchisee in developing the Franchised Restaurant and may periodically inspect the premises during its development.

C. Commencement and Completion of Construction

Construction of the Franchised Restaurant shall commence within 6 months after the Property Control Date ("Construction Commencement Date"). Site acceptance will be deemed to have been withdrawn, without notice to Franchisee, if Franchisee fails to commence construction within that time period.

Prior to the Construction Commencement Date, Franchisee shall have: **(1)** eliminated or otherwise satisfied all of the conditions set forth in this Agreement; **(2)** paid CJR the balance, if any, of the Initial Franchise Fees required by this Agreement; **(3)** if not previously signed, executed this Agreement; and **(4)** if not previously provided, provided CJR a copy of the fully-executed lease for the Franchised Location (containing those provisions specified by CJR in accordance with Section 3) or, if Franchisee owns the Franchised Location, proof of Franchisee's ownership interest. As used in this Agreement, construction shall have commenced only after Franchisee has obtained all required permits and: **(a)** with respect to a free-standing Franchised Restaurant, Franchisee has begun the installation of building footings with the intent to maintain continuous construction thereafter; or **(b)** with respect to a non free-standing Restaurant or a Restaurant being converted from a prior use, Franchisee has begun the installation of sub-floor plumbing with the intent to maintain continuous construction thereafter.

Once construction has commenced, it shall continue uninterrupted (except for interruption by reason of events constituting Force Majeure as defined in Section 28) until completed. If events constituting Force Majeure cause a delay in the commencement of construction of the Franchised Restaurant, CJR shall proportionately extend the Opening Date for the Franchised Restaurant. Notwithstanding the occurrence of any events, except events constituting Force Majeure, construction shall be completed and the Franchised Restaurant shall be furnished, equipped and shall otherwise be ready to open for business in accordance with this Agreement not later than 18 months after the Property Control Date ("Opening Date").

Franchisee agrees, at its sole expense, to do or cause to be done the following, by the Opening Date:

(1) Obtain and maintain all required building, utility, sign, health, sanitation, business and other permits and licenses applicable to the Franchised Restaurant.

(2) Construct all required improvements to the Franchised Location and decorate the exterior and interior of the Franchised Restaurant in compliance with the Plans approved by CJR.

(3) Purchase or lease and install all specified and required fixtures, equipment, furnishings and interior and exterior signs required for the Franchised Restaurant.

(4) Purchase an opening inventory for the Franchised Restaurant of only authorized and approved products and other materials and supplies.

D. Acquisition of Necessary Furnishings, Fixtures and Equipment

Franchisee agrees to use in the development and operation of the Franchised Restaurant only those fixtures, furnishings, equipment and signs that CJR has approved for Carl's Jr. Restaurants as meeting its specifications and standards for quality, design, appearance, function and performance. Franchisee further agrees to place or display at the Franchised Restaurant (interior and exterior) only those signs, emblems, lettering, logos and display materials that CJR approves in writing from time to time.

Franchisee shall purchase or lease approved brands, types or models of fixtures, furnishings, equipment and signs only from suppliers designated or approved by CJR, which may include CJR. If Franchisee proposes to purchase, lease or otherwise use any fixtures, furnishings, equipment or signs which have not been approved by CJR, Franchisee shall first notify CJR in writing and shall, at its sole expense, submit to CJR upon its request, sufficient specifications, photographs, drawings and/or other information or samples for a determination as to whether those fixtures, furnishings, equipment and/or signs comply with CJR's specifications and standards. CJR will, in its sole discretion, approve or disapprove the items and notify Franchisee within 30 days after CJR receives the request, or such longer period as CJR requires.

If Franchisee builds any portion of the Franchised Restaurant outside of CJR's specifications without receiving CJR's prior written consent, CJR shall have the right to delay the opening of the Franchised Restaurant until Franchisee, at its sole expense, brings the Franchised Restaurant's development within full compliance of CJR's specifications.

E. Hardware and Software

Prior to the opening of the Franchised Restaurant, Franchisee agrees to procure and install such data processing equipment, computer hardware and software, required dedicated telephone and power lines, modems, printers and other computer-related accessory or peripheral equipment as CJR specifies in Section 13.E. of this Agreement, the Development Guide, the OPM, or otherwise. Franchisee shall provide all assistance required by CJR to bring Franchisee's computer system on-line with the computer system designated by CJR and maintained by CJR or its affiliates at the earliest possible time. Franchisee agrees that CJR shall have the free and unfettered right to retrieve any data and information from Franchisee's computers as CJR, in its sole discretion, deems appropriate, including electronically polling the daily sales, menu mix and other data of the Franchised Restaurant. All of the hardware and software specified to be installed or purchased, or activities Franchisee is to accomplish, and the delivery cost of all hardware and software, shall be at Franchisee's expense.

F. Inspection, Cooperation

During the course of construction and/or renovation, Franchisee shall (and shall cause Franchisee's architect, engineer, contractors, and subcontractors to) cooperate fully with CJR and its designees for the purpose of permitting CJR and its designees to inspect the Franchised Location and the course of construction of the Franchised Restaurant in order to determine whether construction is proceeding according to the Plans. Without limiting the generality of the foregoing, Franchisee, and Franchisee's architect, engineer, contractors and subcontractors shall: **(1)** supply CJR or its designees with samples of construction materials, test borings, corings, due diligence environmental studies, supplies, equipment and other material and reports, if any such tests, studies or reports indicate there may be material problems or as CJR or its designees may request; and **(2)** afford CJR's representatives and its designees access to the

Franchised Location and to the construction work in order to permit CJR and its designees to carry out their inspections.

G. Reports

From the Construction Commencement Date to the Opening Date, Franchisee shall submit to CJR, on or before the first day of each month (or more frequently if CJR requests), a report showing progress made toward completing construction and being prepared to open the Franchised Restaurant by the Opening Date.

H. Limitation of CJR's Liability

Notwithstanding the right of CJR to approve the Plans and to inspect the construction work at the Franchised Restaurant, CJR and its designees shall have no liability or obligation with respect to the Franchised Location, the design or construction of the Franchised Restaurant or the furnishings, fixtures and equipment to be acquired; CJR's rights being exercised solely for the purpose of ensuring compliance with the terms and conditions of this Agreement.

I. Financing

Without the prior written approval of CJR, which shall not be unreasonably withheld, the construction, renovation and/or operation of the Franchised Restaurant shall not be financed by a public or private offering of any right, title or interest in the Franchised Restaurant, the property upon which it is built or the receipts from its operation.

J. Franchise Management Training Program

Prior to the opening of the Franchised Restaurant, those employees hired by Franchisee to fill certain designated positions shall attend and successfully complete, to the satisfaction of CJR, the Franchise Management Training Program in accordance with Section 11.A. of this Agreement.

K. Final Inspection and Opening Date

Franchisee shall notify CJR in writing at least 30 days prior to the date Franchisee expects construction and/or renovation to be completed and a certificate of occupancy to be issued. If requested by CJR, Franchisee shall submit a copy of the certificate of occupancy to CJR. CJR reserves the right, after receiving Franchisee's notice, to conduct a final inspection of the Franchised Restaurant and its premises to determine if Franchisee has complied with this Agreement. CJR shall not be liable for delays or loss occasioned by its inability to complete its investigation and to make a determination within this period. Franchisee shall not open the Franchised Restaurant for business without CJR's express written authorization, which will not be granted unless Franchisee has satisfied the conditions contained in Section 5.

5. RIGHT TO OPEN THE FRANCHISED RESTAURANT

CJR will not authorize the opening of the Franchised Restaurant unless all of CJR's pre-opening requirements have been fully satisfied, including, but not limited to, the following:

A. Neither Franchisee nor any of its affiliates is in default under this Agreement or any other agreements with CJR or its affiliates, Franchisee is not in default beyond the applicable cure period under any real estate lease, equipment lease or financing instrument relating to the Franchised Restaurant,

Franchisee is not in default beyond the applicable cure period with any vendor or supplier to the Franchised Restaurant and, for the previous 6 months, neither Franchisee nor any of its affiliates has been in default beyond the applicable cure period under any agreement with CJR or its affiliates.

B. Franchisee and its affiliates are current on all obligations due CJR and its affiliates.

C. CJR is satisfied that the Franchised Restaurant was constructed and/or renovated and equipped substantially in accordance with the Plans approved by CJR and state and local codes and with the requirements of the System.

D. If the Franchised Location is leased, CJR has received a copy of the fully-executed lease which contains those provisions specified by CJR in accordance with Section 3 of this Agreement.

E. Franchisee has obtained a certificate of occupancy and any other required health, safety or fire department certificates.

F. Franchisee has certified to CJR in writing that the installation of all items of furnishings, fixtures, equipment, signs, computer terminals and related equipment, supplies and other items has been accomplished.

G. CJR has determined that: **(1)** CJR's Franchise Management Training Program has been successfully completed by the minimum number of Franchisee's employees required by CJR; and **(2)** Franchisee has hired and trained a sufficient number of staff in accordance with CJR's standards and the requirements of the System and this Agreement.

H. CJR has been furnished with copies of all insurance policies required by Section 15 or such other evidence of insurance coverage and payment of premiums as CJR reasonably may request.

I. If not previously paid, Franchisee has paid CJR the balance of the Initial Franchise Fee required by this Agreement and the opening training support team fee as required by CJR.

J. Provided all of the preceding conditions have been met, CJR will notify Franchisee of its approval to open the Franchised Restaurant. Notwithstanding the foregoing, CJR has the right to waive any of the foregoing conditions.

6. FEES

A. Initial Franchise Fee

Franchisee agrees to pay CJR an Initial Franchise Fee in the amount specified in Appendix A upon its execution of this Agreement. Any Development Fee previously paid by Franchisee to CJR with respect to the Franchised Restaurant shall be credited against the Initial Franchise Fee. Franchisee acknowledges and agrees that the Initial Franchise Fee is paid in consideration of CJR initially granting this Franchise, it was fully earned at the time paid, and it is not refundable for any reason whatsoever.

B. Royalty Fee

In addition to all other amounts to be paid by Franchisee to CJR, Franchisee shall pay CJR a nonrefundable and continuing royalty fee in an amount set forth in attached Appendix B for the right to use the System and the Proprietary Marks at the Franchised Location. If any taxes, fees or assessments are imposed on CJR by reason of its acting as franchisor or licensing the Proprietary Marks under this

Agreement, Franchisee shall reimburse CJR the amount of those taxes, fees or assessments within 10 days after receipt of an invoice from CJR.

Gross Sales shall include all revenue from the sale of all services and products (except CJR approved promotional items) and all other income of every kind and nature (excluding revenue from the sale of stored value gift cards or gift certificates but including revenue when gift certificates are redeemed or stored value gift cards are debited) related to the Franchised Restaurant, whether for cash or credit and regardless of collection in the case of credit; provided, however, that Gross Sales shall not include any sales taxes or other taxes collected from customers by Franchisee for transmittal to the appropriate taxing authority.

C. Advertising Fees

Franchisee also shall spend and/or contribute for advertising up to 7% of the Gross Sales of the Franchised Restaurant. The exact amount of the advertising fees to be spent and/or contributed by Franchisee, and the allocation of the advertising fees, as of the date of this Agreement, is set forth in Section 8 and attached Appendix C.

D. Remittance Reports

Within 5 business days after the end of each fiscal week (as defined by CJR from time to time), Franchisee shall submit to CJR in writing (or by email, polling by computer or such other form or method as CJR may designate) the amount of Gross Sales from the Franchised Restaurant during the preceding fiscal week and such other data or information as CJR may require.

E. Payment of Fees

Within 10 calendar days after the end of each fiscal week (“Due Date”), Franchisee shall pay CJR the royalty fee, and the advertising fees required by Sections 8.B and 8.C., applicable to the Gross Sales for the fiscal week and any interest charges by electronic funds transfer. In connection with payment of these fees by electronic funds transfer, CJR may designate a day for payment different than the Due Date. On each Due Date, CJR will transfer from the Franchised Restaurant’s bank operating account (“Account”) the amount reported to CJR in Franchisee’s remittance report or determined by CJR by the records contained in the cash registers/computer terminals of the Franchised Restaurant. If Franchisee has not reported Gross Sales to CJR for any fiscal period, CJR will transfer from the Account an amount calculated in accordance with its estimate of the Gross Sales during the fiscal period. If, at any time, CJR determines that Franchisee has underreported the Gross Sales of the Franchised Restaurant, or underpaid the royalty fee or other amounts due to CJR under this Agreement, or any other agreement, CJR shall initiate an immediate transfer from the Account in the appropriate amount in accordance with the foregoing procedure, including interest as provided in this Agreement. Any overpayment will be credited to the Account effective as of the first reporting date after CJR and Franchisee determine that such credit is due.

In connection with payment of the royalty fee, advertising fees, or other amounts payable under this Agreement by electronic funds transfer, Franchisee shall: **(1)** comply with procedures specified by CJR in the OPM or otherwise in writing; **(2)** concurrent with the execution of this Agreement, sign and deliver the ACH form attached as Appendix H; **(3)** perform those acts and sign and deliver any other documents as may be necessary to accomplish payment by electronic funds transfer as described in this Section 8.E.; and **(4)** make sufficient funds available in the Account for withdrawal by electronic funds transfer no later than the Due Date for payment thereof.

Failure by Franchisee to have sufficient funds in the Account shall constitute a default of this Agreement. Franchisee shall not be entitled to set off, deduct or otherwise withhold any royalty fees, advertising contributions, interest charges or any other monies payable by Franchisee under this Agreement on grounds of any alleged non-performance by CJR of any of its obligations or for any other reason.

F. Interest

If any payments by Franchisee due to CJR are not received by CJR by the date due, Franchisee, in addition to paying the amount owed, shall pay CJR interest on the amount owed from the date due until paid at the maximum rate permitted for indebtedness of this nature in the state in which the Franchised Restaurant is located, not to exceed 1.5% per fiscal period (as defined by CJR from time to time) or a portion of a fiscal period. Payment of interest by Franchisee on past due obligations is in addition to all other remedies and rights available to CJR pursuant to this Agreement or under applicable law.

G. Partial Payments

No payment by Franchisee or acceptance by CJR of any monies under this Agreement for a lesser amount than due shall be treated as anything other than a partial payment on account. Franchisee's payment of a lesser amount than due with an endorsement, statement or accompanying letter to the effect that payment of the lesser amount constitutes full payment shall be given no effect and CJR may accept the partial payment without prejudice to any rights or remedies it may have against Franchisee. Acceptance of payments by CJR other than as set forth in this Agreement shall not constitute a waiver of CJR's right to demand payment in accordance with the requirements of this Agreement or a waiver by CJR of any other remedies or rights available to it pursuant to this Agreement or under applicable law. Notwithstanding any designation by Franchisee, CJR shall have sole discretion to apply any payments by Franchisee to any of its past due indebtedness for royalty fees, advertising contributions, purchases from CJR or its affiliates, interest or any other indebtedness. CJR has the right to accept payment from any other entity as payment by Franchisee. Acceptance of that payment by CJR will not result in that other entity being substituted for Franchisee.

H. Collection Costs and Expenses

Franchisee agrees to pay to CJR on demand any and all costs and expenses incurred by CJR in enforcing the terms of this Agreement, including, without limitation, collecting any monies owed by Franchisee to CJR. These costs and expenses include, but are not limited to, costs and commissions due a collection agency, reasonable attorneys' fees (including attorneys' fees for in-house counsel employed by CJR or its affiliates and any attorneys' fees incurred by CJR in bankruptcy proceedings), costs incurred in creating or replicating reports demonstrating Gross Sales of the Franchised Restaurant, court costs, expert witness fees, discovery costs and reasonable attorneys' fees and costs on appeal, together with interest charges on all of the foregoing.

7. RECORDKEEPING AND REPORTS

A. Recordkeeping

Franchisee agrees to use computerized cash and data capture and retrieval systems that meet CJR's specifications and to record sales of the Franchised Restaurant electronically or on tape for all sales at or from the Franchised Location. Franchisee shall keep and maintain, in accordance with any procedures set forth in the OPM, complete and accurate books and records pertaining to the Franchised Restaurant sufficient to fully report to CJR. Franchisee's books and records shall be kept and maintained using generally accepted accounting principles ("GAAP"), if Franchisee uses GAAP in any of its other

operations, or using other recognized accounting principles applied on a consistent basis which accurately and completely reflect the financial condition of Franchisee. Franchisee will preserve all of its books, records and state and federal tax returns for at least 5 years after the later of preparation or filing (or such longer period as may be required by any governmental entity) and make them available and provide duplicate copies to CJR within 5 days after CJR's written request.

B. Periodic Reports

Franchisee shall, at Franchisee's expense, submit to CJR, in the form and manner (which may be through an online portal or website) prescribed by CJR: (i) a monthly profit and loss statement and balance sheet for the Franchised Business (both of which may be unaudited) within 30 days after the end of each month, and (ii) a quarterly profit and loss statement and balance sheet for Franchisee (both of which may be unaudited) within 30 days after the end of each fiscal quarter (as defined by CJR from time to time) during each fiscal year (as defined by CJR from time to time). CJR shall have the right, to be exercised in its sole discretion, to require that Franchisee provide CJR profit and loss statements and balance sheets at other times as requested by CJR. Each statement and balance sheet shall be signed by Franchisee or by Franchisee's treasurer or chief financial officer attesting that it is true, correct and complete and uses accounting principles applied on a consistent basis which accurately and completely reflect the financial condition of Franchisee.

C. Annual Reports

At CJR's request, Franchisee shall, at its expense, provide to CJR either a reviewed or audited profit and loss statement and balance sheet for the Franchised Restaurant within 60 days after the end of each fiscal year to be signed by Franchisee or by Franchisee's treasurer or chief financial officer attesting that the financial statements present fairly the financial position of Franchisee and the results of operations of the Franchised Restaurant during the period covered. CJR shall have the right, in its reasonable discretion, to require that Franchisee, at Franchisee's expense, submit audited financial statements prepared by a certified public accounting firm acceptable to CJR for any fiscal year or any period or periods of a fiscal year.

D. Other Reports

Franchisee shall submit to CJR, for review or auditing, such other forms, reports, records, information and data as CJR may reasonably designate, in the form and at the times and places reasonably required by CJR, upon request and as specified from time to time in the OPM or otherwise in writing.

E. Public Filings

If Franchisee is or becomes a publicly-held entity in accordance with other provisions of this Agreement, Franchisee shall send to CJR copies of all reports (including responses to comment letters) or schedules Franchisee may file with the U.S. Securities and Exchange Commission (certified by Franchisee's chief executive officer to be true, correct, complete and accurate) and copies of any press releases it may issue, within 3 days of the filing of those reports or schedules or the issuance of those releases.

F. Audit Rights

CJR or its designee shall have the right at all reasonable times, both during and after the term of this Agreement, to inspect, copy and audit Franchisee's books, records, and federal, state and local tax returns, and such other forms, reports, information and data as CJR reasonably may designate, applicable

to the operation of the Franchised Restaurant. If an inspection or audit discloses an understatement of Gross Sales, Franchisee shall pay CJR, within 10 days after receipt of the inspection or audit report, the deficiency in the royalty fees and advertising contributions plus interest (at the rate and on the terms provided in Section 7.F.) from the date originally due until the date of payment. If an inspection or audit is made necessary by Franchisee's failure to furnish reports or supporting records as required under this Agreement, or to furnish such reports, records or information on a timely basis, or if an understatement of Gross Sales for the period of any audit is determined by any audit or inspection to be greater than 2%, Franchisee also shall reimburse CJR for the reasonable cost of the audit or inspection including, without limitation, the charges of attorneys and independent accountants, and the travel expenses, room, board and compensation of CJR's employees or designees involved in the audit or inspection. The foregoing remedies shall be in addition to all other remedies and rights available to CJR under this Agreement or applicable law.

If Franchisee fails to provide CJR on a timely basis with the records, reports and other information required by this Agreement or, upon request of CJR, with copies of same, CJR or its designee shall have access at all reasonable times (and as often as necessary) to Franchisee's books and records for the purpose, among other things, of preparing the required records, reports and other information. Franchisee promptly shall reimburse CJR or its designee for all costs and expenses associated with CJR obtaining such records, reports or other information. Franchisee also acknowledges that CJR has the right at any time to communicate directly with Franchisee's lenders, any other creditors, any suppliers and all regulatory authorities regarding Franchisee, Franchisee's business or any aspect of the Franchised Restaurant.

8. ADVERTISING AND PROMOTION

A. Contributions/Expenditures by Franchisee

During the term of this Agreement, Franchisee shall have a weekly advertising and promotion obligation ("APO") in the amount set forth in Section 6.C. and Appendix C. Following written notice to Franchisee, CJR may modify the amount and allocation of the APO subject to the provisions of Section 8.F. Franchisee shall pay, at the same time and in the same manner as the royalty fee, that portion of the APO as CJR may direct to the Production Fund in accordance with Section 8.B. The remainder of the APO shall be paid, at the same time and in the same manner as the royalty fee, to the Media Fund in accordance with Section 8.C.

B. Production Fund

CJR has established, and will maintain and administer a fund for the creation and development of advertising, marketing, social media and public relations, research and related programs, gift card and loyalty programs, activities and materials that CJR, in its sole discretion, deems appropriate ("Production Fund"). Franchisee shall contribute to the Production Fund the amount set forth in Appendix C, as subsequently modified pursuant to Section 8.F. Carl's Jr. Restaurants operated by CJR and its affiliates shall contribute to the Production Fund on the same basis as comparable franchisees.

CJR or its designee shall direct all advertising, marketing, social media and public relations programs and activities financed by the Production Fund, with sole discretion over the creative concepts, materials and endorsements used in those programs and activities, and the geographic, market and media placement and allocation of advertising and marketing materials. Franchisee agrees that the Production Fund may be used among other things to pay the costs of preparing and producing such associated materials and programs as CJR or its designee may determine, including but not limited to video, audio and written advertising materials; employing advertising or activation agencies; administering regional and multi-regional advertising programs, including, without limitation, purchasing direct mail, in-App support for third party delivery platforms like Doordash and other media advertising and employing advertising

agencies to assist with these efforts; and supporting public relations, market research and other advertising, promotional and marketing activities. Franchisee agrees to participate in all advertising, marketing, promotions, research and public relations programs instituted by the Production Fund. From time to time, CJR or its designee may furnish Franchisee with marketing, advertising and promotional materials at the cost of producing them, plus any related shipping, handling and storage charges.

C. Media Fund

CJR has established and will maintain and administer a fund for working media costs (“Media Fund”). Franchisee shall contribute to the Media Fund the amount set forth in Appendix C, as subsequently modified pursuant to Section 8.F. Carl’s Jr. Restaurants operated by CJR and its affiliates shall contribute to the Media Fund on the same basis as comparable franchisees.

CJR or its designee shall direct all advertising, marketing, social media and public relations programs and activities financed by the Media Fund, with sole discretion over the creative concepts, materials and endorsements used in those programs and activities, and the geographic, market and media placement and allocation of advertising and marketing materials. Franchisee agrees that the Media Fund may be used to pay the costs of preparing and producing such associated materials and programs as CJR or its designee may determine, including video, audio and written advertising materials; sponsorship of sporting, music, charitable or similar events; administering regional and multi-regional advertising programs, including, without limitation, purchasing direct mail and other media advertising and employing advertising agencies to assist with these efforts; and supporting other advertising, promotional and marketing activities. Franchisee agrees to participate in all advertising, marketing, promotions, research and public relations programs instituted by the Media Fund. From time to time, CJR or its designee may furnish Franchisee with marketing, advertising and promotional materials at the cost of producing them, plus any related shipping, handling and storage charges.

D. Local Store Marketing

Franchisee may conduct approved local store marketing (“LSM”) at its own expense. CJR or its designee periodically shall advise Franchisee of the advertising and sales promotions approved by CJR.

Franchisee may, during the period beginning 30 days before the scheduled opening of the Franchised Restaurant and continuing for 90 days after the Franchised Restaurant first opens for business (“Grand Opening Period”), conduct such grand opening advertising as CJR and Franchisee deem appropriate. CJR will reimburse Franchisee up to \$5,000 for expenditures made for grand opening advertising during the Grand Opening Period if those expenditures were pre-approved by CJR and comply with this Section and if Franchisee submits written proof to CJR of the grand opening advertising and the expense for that advertising no later than 60 days after the end of the Grand Opening Period.

Local advertising and promotion materials may be purchased from any CJR approved source. If purchased from a source other than CJR or its affiliates, these materials shall comply with federal and local laws and regulations and with the guidelines for advertising and promotions promulgated from time to time by CJR or its designee and shall be submitted to CJR or its designee at least 30 days prior to first use for its approval, which CJR may grant or withhold in its sole discretion. In no event shall Franchisee’s advertising contain any statement or material which, in the sole discretion of CJR, may be considered: **(1)** in bad taste or offensive to the public or to any group of persons; **(2)** defamatory of any person or an attack on any competitor; **(3)** to infringe upon the use, without permission, of any other persons’ trade name, trademark, service mark or identification; or **(4)** inconsistent with the public image of CJR or the System. Franchisee may not market or advertise in violation of federal laws regulating advertising, such as the CAN-SPAM Act and TCPA, and applicable state advertising laws.

E. Treatment of Payments to CJR

CJR shall separately account for the Production Fund and the Media Fund, but neither of the funds shall be required to be segregated from CJR's other monies. None of the funds shall be used to defray any of CJR's general operating expenses. Each fund may hire employees, either full-time or part-time, for its administration. CJR and its affiliates may be reimbursed by each fund for expenses directly related to the fund's marketing programs including, without limitation, conducting market research, preparing advertising, promotions and marketing materials, and collecting and accounting for contributions to each fund. CJR may spend in any fiscal year an amount greater or less than the aggregate contribution of all Carl's Jr. Restaurants to each fund during that year or cause each fund to invest any surplus for future use by the fund. A statement of monies collected and costs incurred by each fund shall be prepared annually and shall be furnished to Franchisee within a reasonable period of time following a written request. CJR or its designee will have the right to cause each fund to be incorporated or operated through an entity separate from CJR at such time as CJR or its designee deems appropriate, and such successor entity shall have all rights and duties of CJR pursuant to this Section 8.

Franchisee understands and acknowledges that each fund is intended to enhance recognition of the Proprietary Marks and patronage of Carl's Jr. Restaurants. CJR will endeavor to utilize each fund to develop advertising and marketing materials and programs, and to place advertising that will benefit the System and all Carl's Jr. Restaurants contributing to the fund. However, Franchisee agrees that CJR is not liable to Franchisee and Franchisee forever covenants not to sue and holds CJR harmless of any liability or obligation to ensure that expenditures by each fund in or affecting any geographic area (including the Franchised Location) are proportionate or equivalent to the contributions to the fund by Carl's Jr. Restaurants operating in that geographic area, or that any Carl's Jr. Restaurant will benefit directly or in proportion to its contribution to each fund from the development of advertising and marketing materials or the placement of advertising. Except as expressly provided in this Section 8, neither CJR nor its designee assumes any direct or indirect liability to Franchisee with respect to the maintenance, direction or administration of each fund.

CJR reserves the right, in its sole discretion, to: **(1)** suspend contributions to and operations of each fund for one or more periods that it determines to be appropriate; **(2)** terminate any fund upon 30 days' written notice to Franchisee and establish, if CJR so elects, one or more new advertising funds; and **(3)** upon the written request of any franchised or company restaurants, defer or waive, in whole or in part, any advertising fees required by this Section if, in CJR's sole judgment, there has been demonstrated unique, objective circumstances justifying any such waiver or deferral. On termination of a fund, all monies in the fund shall be spent for advertising and/or promotional purposes. CJR has the right to reinstate any fund upon the same terms and conditions set forth in this Agreement upon 30 days' prior written notice to Franchisee. CJR, in its sole discretion as it deems appropriate in order to maximize media effectiveness, may transfer monies from the Production Fund to the Media Fund or from the Media Fund to the Production Fund.

F. Changes in the APO

CJR has the right, following written notice to Franchisee, to reallocate the APO and to increase the APO; however, CJR will not increase the APO by more than ½% of Gross Sales in any 12 month period.

G. Loyalty Program

During the term of this Agreement, Franchisee must participate in all customer loyalty program(s) implemented by CJR. Franchisee shall ensure that the Franchised Restaurant has all required technology to properly operate the loyalty program in the Franchised Restaurant. Franchisee agrees to sign any loyalty

program agreement as requested by CJR, either directly with CJR and/or with a third party provider, at any time during the term of this Agreement.

9. OPERATION PROCEDURES MANUAL

CJR shall loan to Franchisee during the term of this Agreement one copy of, or provide Franchisee electronic access to, CJR's confidential and proprietary OPM which contains information and knowledge that is unique, necessary and material to the System. (As used in this Agreement, the term "OPM" also includes all written correspondence from CJR regarding the System, other publications, materials, drawings, memoranda, videotapes, CDs, DVDs, audio tapes, and electronic media that CJR from time to time may provide to Franchisee.) The OPM may be supplemented or amended from time to time by letter, email, bulletin, videotapes, audio tapes, CDs, DVDs, software or other communications concerning the System to reflect changes in the image, specifications and standards relating to developing, equipping, furnishing and operating a Carl's Jr. Restaurant. CJR reserves the right to furnish all or part of the OPM to Franchisee in electronic form or online (including by Intranet) and establish terms of use for access to any restricted portion of CJR's web site. Franchisee shall keep its copy of the OPM current and up-to-date with all additions and deletions provided by or on behalf of CJR and shall purchase whatever equipment and related services (including, without limitation, a DVD player, computer system, Internet service, dedicated phone line, facsimile machine, etc.) as may be necessary to receive these communications. If a dispute relating to the contents of the OPM develops, the master copy maintained by CJR at its principal offices shall control.

The OPM contains detailed standards, specifications, instructions, requirements, methods and procedures for management and operation of the Franchised Restaurant. The OPM also may relate to the selection, purchase, storage, preparation, packaging, ingredients, recipes, service and sale of all products and beverages sold at the Franchised Restaurant; management and employee training; marketing, advertising and sales promotions; maintenance and repair of the Franchised Restaurant building, grounds, equipment, graphics, signs, interior and exterior decor items, fixtures and furnishings; employee dress attire and appearance standards; menu concept and graphics; and accounting, bookkeeping, records retention and other business systems, procedures and operations. Franchisee agrees at all times to operate the Franchised Restaurant in strict conformity with the OPM; to maintain the OPM at the Franchised Restaurant; to not reproduce the OPM or any part of it; and to treat the OPM as confidential and proprietary, and; to disclose the contents of the OPM only to those employees of Franchisee who have a need to know.

Even though this Agreement contains provisions requiring Franchisee to operate the Franchised Restaurant in compliance with the System: (1) CJR and its affiliates do not have actual or apparent authority to control the day-to-day conduct and operation of Franchisee's business or employment decisions; and (2) Franchisee and CJR do not intend for CJR or its affiliates to incur any liability in connection with or arising from any aspect of the System or Franchisee's use of the System, whether or not in accordance with the requirements of the OPM.

10. MODIFICATIONS OF THE SYSTEM

A. CJR, in its sole discretion, shall be entitled from time to time to change or modify the System, including modifications to the OPM, the menu and menu formats, the required equipment, the signage, the building and premises of the Franchised Restaurant (including the trade dress, decor and color schemes), the presentation of the Proprietary Marks, the adoption of new administrative forms and methods of reporting and of payment of any monies owed to CJR (including electronic means of reporting and payment) and the adoption and use of new or modified Proprietary Marks or copyrighted materials. Franchisee shall accept and use or display in the Franchised Restaurant any such changes or modifications

in the System as if they were a part of the System at the time this Agreement was executed, and Franchisee will make such expenditures as the changes or modifications in the System may reasonably require.

B. Within 30 days after receipt of written notice from CJR, Franchisee shall begin selling any newly authorized menu items and cease selling any menu items that are no longer authorized. All food, beverage and merchandise items authorized for sale at the Franchised Restaurant shall be offered for sale under the specific name designated by CJR. CJR, in its sole discretion, may restrict sales of menu items to certain time periods during the day. Franchisee shall establish menu prices in its sole and absolute discretion. If Franchisee has a suggestion for a new menu item or for a change to an authorized menu item or Franchisee desires to participate in a test market program, Franchisee shall provide CJR written notice prior to implementation. Franchisee shall not add or modify any menu item or participate in a test market program without first having obtained CJR's prior written approval. Franchisee shall purchase any additional equipment and smallwares as CJR deems reasonably necessary in connection with new menu items. If CJR requires Franchisee to begin offering a new menu item which requires the purchase of additional equipment, a reasonable period of time, as determined in the sole discretion of CJR, shall be provided for the financing, purchase and installation of any such equipment before such new menu items must be offered for sale at the Franchised Restaurant.

C. Extensive structural changes, major remodeling and renovations, and substantial modifications to existing equipment and improvements to modernize and conform the Franchised Restaurant to the image of the System for new franchised and company restaurants shall be required: (i) as a condition of renewal, (ii) as a condition of CJR issuing its consent to a proposed transfer as defined further in Section 18 below, or (iii) at CJR's request (but not more often than every 5 years). Capital expenses necessary for the repair and maintenance of the Franchised Location and modifications required by applicable law or required to abate a hazardous situation are not subject to the time limitations described in the preceding sentence. Within 60 days after receipt of CJR's written notice regarding the required modernization, Franchisee shall prepare and complete drawings and plans for the required modernization. These drawings and plans must be submitted to, and their use approved by, CJR prior to the commencement of work. Franchisee shall complete the required modernization within the time reasonably specified by CJR in its written notice.

D. CJR has the right, in its sole discretion, to waive, defer or permit variations from the standards of the System or the applicable agreement to any franchisee or prospective franchisee based on the peculiarities of a particular site, existing building configuration or circumstance, density of population, business potential, trade area population or any other condition or circumstance. CJR shall have the right, in its sole discretion, to deny any such request CJR believes would not be in the best interests of the System.

E. If Franchisee develops any new concepts, processes or improvements relating to the System, whether or not pursuant to a CJR authorized test, Franchisee promptly shall notify CJR and provide CJR with all information regarding the new concept, process or improvement, all of which shall become the property of CJR and its affiliates and which may be incorporated into the System without any payment to Franchisee. Franchisee, at its expense, promptly shall take all actions deemed necessary or desirable by CJR to vest in CJR ownership of such concepts, processes or improvements.

11. TRAINING

A. Franchise Management Training Program

CJR shall provide Franchisee and those employees hired by Franchisee to fill certain designated positions the Franchise Management Training Program ("FMTP") in the operation of a Carl's Jr. Restaurant at those times and those places designated by CJR. The FMTP will include classroom instruction and

Franchisee, the General Manager, a minimum of 6 Shift Leaders and any other employees hired by Franchisee to fill certain designated positions shall attend and satisfactorily complete each element of the FMTP, specified by CJR. Franchisee's Operating Principal (as defined in Section 16.G.) also shall attend and satisfactorily complete each element of the FMTP if not previously completed. CJR reserves the right to modify or waive the training required based on an individual's or Franchisee's experience.

Franchisee shall pay CJR, for each person attending the FMTP, a tuition fee as established by CJR from time to time. Franchisee will be required to pay all travel, living and other expenses incurred by Franchisee's employees while attending the training. CJR reserves the right to dismiss from the training program any person whom CJR does not believe will perform acceptably in the position for which he has been hired by Franchisee and Franchisee shall provide a suitable replacement within one month of such dismissal.

B. Other Training

Promptly after the Opening Date, Franchisee shall enter into the Star University License Agreement with CJR, in the form attached as Appendix I. If CJR elects to change the training provider during the Term or Renewal Term of this Agreement, Franchisee agrees to promptly enter into a replacement license agreement with the new training provider. CJR shall have the right (which may be exercised at any time and in CJR's sole discretion) to require that Franchisee, Franchisee's owners, the Operating Principal, the General Manager and any other employees hired by Franchisee to fill certain designated positions take and successfully complete other training courses in addition to the FMTP. CJR reserves the right to require Franchisee to pay a tuition fee for these additional training programs as established by CJR from time to time. Franchisee will be required to pay all travel, living and other expenses incurred by Franchisee's employees while attending the training.

These other training courses include, but are not limited to, food safety certification programs offered through the American National Standards Institute or its successor. Franchisee shall maintain at the Franchised Restaurant all certificates of completion for these food safety certification programs and, if required by applicable law, display the certificates at the Franchised Restaurant.

C. Training by Franchisee

Franchisee shall conduct such initial and continuing training programs for its employees as CJR may require from time to time and Franchisee shall ensure that all of its employees have been trained in the proper operation of the Franchised Restaurant.

12. ADDITIONAL SERVICES BY CJR

In addition to the services described elsewhere in this Agreement, during the term of this Agreement, CJR shall make the following services available to Franchisee:

A. Pre-Opening Assistance

CJR shall provide consultation and advice to Franchisee as CJR deems appropriate at no additional cost with regard to construction or renovation and operation of the Franchised Restaurant, building layout, furnishings, fixtures and equipment plans and specifications, employee selection and training, purchasing and inventory control and those other matters as CJR deems appropriate.

B. Opening of the Franchised Restaurant

Upon Franchisee's reasonable request, or at CJR's discretion, CJR shall provide assistance in opening the Franchised Restaurant and in training Franchisee's employees as CJR deems appropriate in light of Franchisee's needs and the availability of CJR personnel. CJR has the right to charge Franchisee a fee for the opening training support team depending on the level of support needed to open the Franchised Restaurant (as determined by CJR).

C. Post-Opening Assistance

CJR periodically, as it deems appropriate, shall advise and consult with Franchisee in connection with the operation of the Franchised Restaurant. CJR, as it deems appropriate, shall provide to Franchisee its knowledge and expertise regarding the System and pertinent new developments, techniques and improvements in the areas of restaurant design, management, food and beverage preparation, sales promotion, service concepts and other areas. CJR may provide these services through visits by CJR's representatives to the Franchised Restaurant or Franchisee's offices, the distribution of printed or filmed material or electronic information, meetings or seminars, telephone communications, email communications or other communications.

D. CJR's Right to Inspect the Franchised Restaurant

To determine whether Franchisee and the Franchised Restaurant are in compliance with this Agreement and with all specifications, quality standards and operating procedures prescribed by CJR for the operation of Carl's Jr. Restaurants, CJR or its designees shall have the right at any reasonable time and without prior notice to Franchisee to: **(1)** inspect the Franchised Location; **(2)** observe, photograph and videotape the operations of the Franchised Restaurant for such consecutive or intermittent periods as CJR deems necessary; **(3)** remove samples of any food and beverage product, material or other products for testing and analysis (without paying for the samples); **(4)** interview personnel of the Franchised Restaurant; **(5)** interview customers of the Franchised Restaurant; and **(6)** inspect and copy any books, records and documents, including any electronic records, relating to the operation of the Franchised Restaurant or, upon the request of CJR or its designee, require Franchisee to send copies thereof to CJR or its designee. Franchisee agrees to cooperate fully with CJR or its designee in connection with any such inspections, observations, videotaping, product removal and interviews. Franchisee shall take all necessary steps to immediately correct any deficiencies detected during these inspections, including, without limitation, ceasing further sale of unauthorized menu items and ceasing further use of any equipment, advertising materials or supplies that do not conform with the standards and requirements promulgated by CJR from time to time. If CJR deems such deficiencies to create an imminent health hazard to Franchisee's customers, CJR may direct Franchisee to temporarily close the Franchised Restaurant until all hazards are corrected to CJR's satisfaction pursuant to CJR's Closure Policy, as amended from time to time. Franchisee shall present to its customers such evaluation forms as are periodically prescribed by CJR and shall participate and/or request its customers to participate in any surveys performed by or on behalf of CJR as CJR may direct. Franchisee will reimburse CJR for all costs related to the Franchised Restaurant associated with any and all of these inspections and related activities set forth above.

E. Delegation

CJR has the right, from time to time, to delegate the performance of any portion or all of its obligations and duties under this Agreement to designees, including, but not limited to CJR's corporate parents, affiliates or agents or independent contractors with which CJR has contracted to perform CJR's obligations or duties.

13. PERFORMANCE STANDARDS AND UNIFORMITY OF OPERATION

Products sold and services performed under the Proprietary Marks have a reputation for quality. This reputation has been developed and maintained by CJR, and it is of the utmost importance to CJR, Franchisee and all other franchisees of CJR that this reputation be maintained. In recognition of the mutual benefits that come from maintaining the reputation for quality enjoyed by the System, Franchisee covenants and agrees, with respect to the operation of the Franchised Restaurant, that Franchisee and its employees shall comply with all of the requirements of the System as set forth in the OPM or otherwise, and Franchisee additionally shall comply with the following:

A. Standards, Specifications and Procedures

Franchisee acknowledges that each and every detail of the appearance, layout, decor, services and operation of the Franchised Restaurant is important to CJR and other Carl's Jr. Restaurants. Franchisee agrees to cooperate with CJR by maintaining these high standards in the operation of the Franchised Restaurant. Franchisee further agrees to comply with all System specifications, recipes, standards and operating procedures (whether contained in the OPM or any other written communication to Franchisee) relating to the appearance, function, cleanliness and operation of a Carl's Jr. Restaurant, including, but not limited to: **(1)** type, quality, taste, weight, dimensions, ingredients, uniformity, manner of preparation, and sale of all food products and beverages sold at the Franchised Restaurant and all other products used in the packaging and sale of those products and beverages; **(2)** sales and marketing procedures and customer service; **(3)** advertising and promotional programs; **(4)** layout, decor and color scheme of the Franchised Restaurant; **(5)** appearance and dress of employees; **(6)** safety, maintenance, appearance, cleanliness, sanitation, standards of service, and operation of the Franchised Restaurant; **(7)** submission of requests for approval of brands of products, supplies and suppliers; **(8)** use and illumination of signs, posters, displays, standard formats and similar items; **(9)** identification of Franchisee as the owner of the Franchised Restaurant; **(10)** types of fixtures, furnishings, equipment, smallwares and packaging; and **(11)** the make, type, location and decibel level of any game, entertainment or vending machine. Mandatory specifications, standards and operating procedures, including upgraded or additional equipment, that CJR prescribes from time to time in the OPM or otherwise communicates to Franchisee in writing, shall constitute provisions of this Agreement as if fully set forth in this Agreement.

B. Approved Products, Distributors and Suppliers

Franchisee acknowledges that the reputation and goodwill of Carl's Jr. Restaurants are based upon, and can only be maintained by, the sale of distinctive, high quality food products and beverages, and the presentation, packaging and service of such products and beverages in an efficient and appealing manner. CJR may develop certain proprietary food products that will be prepared by or for CJR according to CJR's proprietary special recipes and formulas. CJR also has developed standards and specifications for other food products, ingredients, seasonings, mixes, beverages, materials and supplies incorporated or used in the preparation, cooking, serving, packaging and delivery of prepared food products authorized for sale at Carl's Jr. Restaurants. Franchisee agrees that the Franchised Restaurant will: **(1)** purchase those food products developed by CJR pursuant to a special recipe or formula only from CJR, an affiliate of CJR or a third party designated and licensed by CJR to prepare and sell such products; and **(2)** purchase from manufacturers, distributors, vendors and suppliers (collectively "suppliers") approved by CJR all other goods, food products, ingredients, spices, seasonings, mixes, beverages, materials, supplies and cleaning products used in the preparation of products and cleanliness of the Franchised Restaurant (collectively "goods"), as well as advertising materials, furniture, fixtures, equipment, smallwares, menus, forms, paper and plastic products, packaging or other materials (collectively "materials") that meet the standards and specifications promulgated by CJR from time to time. CJR has the right to require that Franchisee use only certain brands and to prohibit Franchisee from using other brands. CJR may from time to time modify the

list of approved brands and/or suppliers, and Franchisee shall not, after receipt of such modification in writing, reorder any brand from any supplier that is no longer approved.

CJR may approve one or more suppliers for any goods or materials and may approve a supplier only as to certain goods or materials. CJR may concentrate purchases with one or more suppliers to obtain lower prices and/or the best advertising support and/or services for any group of Carl's Jr. Restaurants or any other group of restaurants franchised or operated by CJR or its affiliates. Approval of a supplier may be conditioned on requirements relating to the frequency of delivery, reporting capabilities, standards of service, including prompt attention to complaints, or other criteria, and concentration of purchases, as set forth above, and may be temporary pending a further evaluation of such supplier by CJR. CJR may establish commissaries and distribution facilities owned and operated by CJR or an affiliate that CJR shall designate as an approved supplier.

If Franchisee proposes to purchase any goods or materials (that Franchisee is not required to purchase from CJR, an affiliate of CJR or a designated supplier) from a supplier that CJR has not previously approved, Franchisee shall submit to CJR a written request for such approval, or shall request the supplier to do so itself. CJR has the right to require, as a condition of its approval, that its representatives be permitted to inspect the supplier's facilities, and that such information, specifications and samples as CJR reasonably designates be delivered to CJR and/or to an independent, certified laboratory designated by CJR for testing prior to granting approval. A charge not to exceed the reasonable cost of the inspection and the actual cost of the test shall be paid by Franchisee. CJR reserves the right, at its option, to re-inspect the facilities and products of any such approved supplier and to revoke its approval upon the suppliers' failure to continue to meet any of the foregoing criteria.

Franchisee shall at all times maintain an inventory of approved goods and materials sufficient in quality and variety to realize the full potential of the Franchised Restaurant. CJR may, from time to time, conduct market research and testing to determine consumer trends and the salability of new food products and services. Franchisee agrees to cooperate in these efforts by participating in CJR's customer surveys and market research programs if requested by CJR. All customer surveys and market research programs will be at CJR's sole cost and expense, unless such survey or program has been approved by Franchisee and Franchisee has approved its proportionate cost. Franchisee shall not be allowed to test anything without first being requested to by CJR and signing a test letter agreement in a form satisfactory to CJR.

CJR and its affiliates disclaim all express or implied warranties concerning any approved goods, materials or services, including, without limitation, any warranties as to merchantability, fitness for a particular purpose, availability, quality, pricing or profitability. Franchisee acknowledges that CJR and its affiliates may, under appropriate circumstances, receive fees, commissions, field-of-use license royalties, or other consideration from approved suppliers based on sales to franchisees, and that CJR may charge non-approved suppliers reasonable testing or inspection fees.

C. Health Standards

Franchisee must meet and maintain the highest health standards and ratings applicable to the operation of the Franchised Restaurant. Franchisee must participate in all food safety and brand standards audit programs specified by CJR from time to time. The Franchised Restaurant must undergo the then current number of audits per year as required by CJR, which may be at Franchisee's expense, at CJR's sole discretion. Franchisee must furnish to CJR, within five days after its receipt, a copy of all inspection reports, warnings, citations, certificates and/or ratings resulting from inspections conducted by any federal, state or municipal agency with jurisdiction over the Franchised Restaurant. CJR's System Standards for health and safety are set forth in the OPM and other written materials. To the extent that any federal, state, or municipal

agency's health and safety standards exceed those set forth in CJR's System Standards, the Franchised Restaurant must meet the federal, state, or municipal agency's standards to be in compliance with CJR's standards. Without limiting the foregoing, Franchisee and all required employees of Franchisee must obtain and maintain all necessary and required licenses and certificates for food service and food handling as may be required by applicable local rules and regulations or the OPM.

D. Menu Boards and Formats

CJR shall have the right to prescribe, and subsequently vary, one or more menu boards and formats to be utilized in the Franchised Restaurant. The menu boards and formats may include requirements concerning organization, graphics, product descriptions, illustrations and other matters (except prices) related to the menu. Prescribed menu boards and formats may vary depending on region, market size or other factors deemed relevant by CJR. If any menu board and format utilized by Franchisee ceases to be an authorized menu board and format, Franchisee shall have a reasonable period of time (not to exceed 6 months) to discontinue use of the old menu board and format and begin using an authorized menu board and format.

E. Hardware, Software and Security

Franchisee agrees to procure and install such data processing equipment computer hardware and software, required dedicated telephone and power lines, high speed Internet connections, modems, printers and other computer-related accessory or peripheral equipment as CJR specifies in the OPM or otherwise. All of the foregoing must be able to provide CJR that information, in that format/medium, as CJR reasonably may specify from time to time. Franchisee shall provide all assistance required by CJR to bring Franchisee's computer system on-line with the computer system designated by CJR and maintained by CJR or its affiliates at the earliest possible time. Franchisee agrees that CJR shall have the free and unfettered right to retrieve any data and information from Franchisee's computers as CJR, in its sole discretion, deems appropriate, including electronically polling the daily sales, menu mix and other data of the Franchised Restaurant. All of the hardware and software specified to be installed or purchased, or activities Franchisee is to accomplish, and the delivery cost of all hardware and software, shall be at Franchisee's expense.

Franchisee shall: **(1)** use the proprietary software program, system documentation manuals and other proprietary materials now and hereafter required by CJR in connection with the operation of the Franchised Restaurant; **(2)** if requested by CJR, execute CJR's standard software license or similar agreement; **(3)** input and maintain in Franchisee's computer such data and information as CJR prescribes in the OPM, software programs, documentation or otherwise; **(4)** purchase new or upgraded software programs, system documentation manuals and other proprietary materials at then-current prices whenever adopted system-wide by CJR; **(5)** comply with Point to Point Credit Encryption Standards ("P2PE") and Payment Card Industry Data Security Standard ("PCI DSS") at all times, and if necessary to maintain such compliance, upgrade its technology, at Franchisee's expense; and **(6)** engage any vendor that CJR designates to ensure the security of Franchisee's data and compliance with P2PE and PCI DSS. Franchisee must maintain continuous PCI compliance and attest annually by providing a completed and signed PCI Attestation of Compliance (AOC) to CJR.

Franchisee acknowledges that computer systems are designed to accommodate a finite amount of data and terminals, and that, as these limits are reached, or as technology or software is developed in the future, CJR may, in its sole discretion, mandate that Franchisee: **(A)** add memory, ports and other accessories or peripheral equipment or additional, new or substitute software to the original computer system purchased by Franchisee; and **(B)** replace or upgrade the entire computer system with a larger system capable of assuming and discharging the computer-related tasks and functions specified by CJR. Franchisee also acknowledges that computer designs and functions change periodically and that CJR may

desire to make substantial modifications to its computer specifications or to require installation of entirely different systems during the term of this Agreement or upon renewal of this Agreement.

To ensure full operational efficiency and communication capability between CJR's computers and those of all Carl's Jr. Restaurants, Franchisee agrees, at its expense, to keep its computer system in good maintenance and repair and to make additions, changes, modifications, substitutions and replacements to its computer hardware, software, telephone and power lines and other computer-related facilities as directed by CJR, and on the dates and within the times specified by CJR in its sole discretion. Upon termination or expiration of this Agreement, all computer software, disks, tapes and other magnetic storage media shall be returned to CJR in good operating condition, excepting normal wear and tear.

Franchisee agrees to utilize administrative, physical, and technical safeguards designed to protect systems and data from unauthorized access, disclosure, acquisition, destruction, use, or modification that are consistent with industry standards and best practices. Franchisee further agrees to adhere to any applicable law relating to data security. In the event of a suspected or actual data breach, Franchisee will notify CJR within 24 hours of becoming aware of the actual or suspected data breach and provide timely updates and information when requested by CJR. Franchisee will comply with industry standards and best practices regarding breach reporting and notification obligations and take all necessary and appropriate corrective action to remedy the data breach, prevent a recurrence of such a breach, and avoid and/or prevent any further loss or damage arising from the data breach.

F. Upkeep of the Franchised Restaurant

Franchisee shall constantly maintain and continuously operate the Franchised Restaurant and all furniture, fixtures, equipment, furnishings, floor coverings, interior and exterior signage, the building interior and exterior, interior and exterior lighting, landscaping and parking lot surfaces in first-class condition and repair in accordance with the requirements of the System, including all ongoing necessary remodeling, redecorating, refurbishing and repairs. In addition, Franchisee shall promptly and diligently perform all necessary maintenance, repairs and replacements to the Franchised Restaurant as CJR may prescribe from time to time including periodic interior and exterior painting; resurfacing of the parking lot; roof repairs; and replacement of obsolete or worn out signage, floor coverings, furnishings, equipment and decor.

Franchisee shall not make any material alterations to the Franchised Restaurant that affect operations or the image of the System without CJR's prior written approval. Franchisee acknowledges and agrees that the requirements of this Section are both reasonable and necessary to ensure continued public acceptance and patronage of Carl's Jr. Restaurants, to assist the Franchised Restaurant to compete effectively in the marketplace and to avoid deterioration or obsolescence of the operation of the Franchised Restaurant.

Franchisee shall immediately resolve any customer complaints regarding the quality of food or beverages, service and/or cleanliness of the Franchised Restaurant or any similar complaints. When any customer complaints cannot be immediately resolved, Franchisee shall use best efforts to resolve the customer complaints as soon as practical and shall, whenever feasible, give the customer the benefit of the doubt. If CJR, in its sole discretion, determines that its intervention is necessary or desirable to protect the System or the goodwill associated with the System, or if CJR, in its sole discretion, believes that Franchisee has failed adequately to address or resolve any customer complaints, CJR may, without Franchisee's consent, resolve any complaints and charge Franchisee an amount sufficient to cover CJR's reasonable costs and expenses in resolving the customer complaints, which amount Franchisee shall pay CJR immediately on demand.

The Franchised Restaurant shall at all times be under the on-site supervision of one of the following designated individuals, who must meet, to the satisfaction of CJR, CJR's applicable training qualifications for their designated position: the Operating Principal, a Multi-Unit Manager, or a restaurant General Manager. Franchisee must, at all times, employ at the Franchised Restaurant at least one General Manager and a sufficient number of employees who have successfully completed the FMTP to ensure that the Franchised Restaurant operates in accordance with the System. It is Franchisee's sole and absolute obligation to research all applicable federal, state and local laws and regulations governing the operation of the Franchised Restaurant and to ensure that such operation does not violate any federal, state or local law or regulation. For example, there are various federal laws that could affect the Franchised Restaurant and Franchisee must comply with such as the American with Disabilities Act (ADA), the CAN-SPAM Act, the Telephone Consumer Protection Act (TCPA), the Telemarketing Sales Rule (TSR), and other federal and state anti-solicitation laws regulating marketing phone calls; and federal and state laws that regulate data security and privacy (including but not limited to the use, storage, transmission, and disposal of data regardless of media type). Franchisee must investigate these laws to understand your potential legal obligations. Further, Franchisee shall operate the Franchised Restaurant in full compliance with all applicable laws, ordinances and regulations governing or relating to the handling of food products, immigration and discrimination, occupational hazards and health insurance, employment laws, including, without limitation, worker's compensation insurance, unemployment insurance, and the withholding and payment of federal and state income taxes, social security taxes and sales taxes. All advertising and promotion by Franchisee shall be completely factual and shall conform to the highest standards of ethical advertising. Franchisee shall, in all dealings with Franchisee's customers, suppliers and the public, adhere to the highest standards of honesty, integrity, fair dealing and ethical conduct. Franchisee agrees to refrain from any business or advertising practice that may be injurious to the goodwill associated with the Proprietary Marks or the business of CJR, CJR Affiliates, the System or other restaurants operated or franchised by CJR or CJR Affiliates.

Franchisee shall notify CJR in writing within 5 days after the commencement of: **(1)** any action, suit or proceeding, or the issuance of any order, writ, injunction, award or decree of any court, agency or other governmental instrumentality, which may adversely affect the operation or financial condition of Franchisee or the Franchised Restaurant; or **(2)** of any notice of violation of any law, ordinance or regulation relating to health or sanitation at the Franchised Restaurant.

L. Non-Cash Payment Systems

Franchisee shall accept debit cards, credit cards, stored value gift cards or other non-cash payment systems specified by CJR to enable customers to purchase authorized products and shall obtain all necessary hardware and/or software used in connection with these non-cash payment systems. At all times, Franchisee must maintain relationships with all issuers or service providers that CJR designates as mandatory, and Franchisee must refrain from using any services or providers that CJR has not approved in writing or that CJR has revoked its approval. CJR may modify its requirements and designate additional approved or required methods of payment and vendors for processing such payment. Franchisee shall reimburse CJR for all costs associated with such non-cash payment systems as they pertain to the

Franchised Restaurant. In addition to the requirements set forth in Section 13.E. above, Franchisee must also comply with the Fair and Accurate Credit Transactions Act (“FACTA”). Franchisee must comply with all laws and regulations relating to privacy and data protection and must comply with any privacy policies or data protection and breach response policies, or any other policies related to data privacy or data use, that CJR periodically may establish. Franchisee must notify CJR immediately if it is notified of a credit card or data breach related to the Franchised Restaurant and must fully cooperate with CJR and applicable authorities in resolving such breach. Further, Franchisee must cooperate with CJR fully regarding media statements and other items related to managing any such event for the purpose of protecting the Proprietary Marks and System as set forth below.

M. Gift Card Program

Franchisee must participate in the Carl’s Jr. Gift Card Program or other gift card program that CJR specifies. If necessary, Franchisee must purchase the software, hardware, blank cards, and other items needed to sell and process gift cards or stored value cards, which CJR may specify in writing in the OPM or otherwise. Franchisee agrees that it will enter into a Participation Agreement with CJR’s gift card service provider, Stored Value Systems, Inc., immediately after the opening of the Franchised Restaurant.

N. Delivery Services

CJR requires Franchisee to offer delivery services only through CJR’s designated providers to customers in Franchisee’s market. On or before the Opening Date of the Franchised Restaurant opens, Franchisee agrees to enter into the OLO Authorized Operator Agreement with Olo, Inc. Franchisee further agrees to enter into any participation agreement required with CJR’s designated delivery providers at the same time (currently, the approved delivery providers are Uber Eats, Door Dash, and GrubHub). Unless CJR provides its prior written consent, Franchisee agrees that it will not provide its own delivery service or use its employees to deliver orders to Franchisee’s customers.

O. Customer Satisfaction Programs

In order to (among other things) maintain and enhance the goodwill associated with the Proprietary Marks, the System and each Carl’s Jr. Restaurant, Franchisee agrees to participate in programs initiated to verify customer satisfaction and/or Franchisee’s compliance with all operational and other aspects of the System, including (but not limited to) secret shoppers, customer survey, or other Quality Assurance (“QA”) or similar programs as CJR may require. CJR will share the results of these programs, as they pertain to the Franchised Restaurant, with Franchisee. Franchisee will reimburse CJR for all costs related to the Franchised Restaurant associated with any and all of these programs.

P. Consumer Information

Franchisee may only use Consumer Information (as defined below) to the extent necessary to perform Franchisee’s obligations under this Agreement during the term hereof and subject to such instructions and restrictions as CJR may from time to time impose and in compliance with all data privacy, security and other applicable laws. “Consumer Information” means any identifiers (including name, address, phone numbers, usernames, birthdates and e-mail addresses), sales, transaction, loyalty and payment history, and all other information about or related to any customer or prospective customer, including any information deemed “personal information” or “personal data” under applicable law. As used in this Agreement, the term “customer” refers to any person or entity (i) whose information is collected by

any CJR system or application or included in any consumer or customer database, file or system owned or controlled by CJR, its parent, subsidiary or affiliate companies; (ii) who is included on any marketing or customer lists Franchisee develops or uses or any customer information generally collected and saved for any reason; (iii) who has purchased, purchases or intends to purchase products or services online, through an CJR application, or at the Franchised Restaurant; or (iv) who has been solicited to purchase any products or services at the Franchised Restaurant. CJR may use the Consumer Information as CJR deems appropriate, including sharing it with CJR's affiliates.

CJR owns all Consumer Information and may use the Consumer Information as it deems appropriate (subject to applicable law), including disclosing it to vendors or sharing it with its affiliates for cross-marketing or other purposes. Franchisee may only use Consumer Information for the purpose of operating the Franchised Restaurant to the extent permitted under this Agreement, including the OPM, during the term hereof and subject to such restrictions as CJR may from time to time impose and in compliance with all data privacy, security and other applicable laws. Without limiting the foregoing, Franchisee agrees to comply with applicable law in connection with Franchisee's collection, processing, storage and use of such Consumer Information, including, if required under applicable law, obtaining consents from individuals for CJR's and its affiliates' use of the Consumer Information. Franchisee must comply with all laws and regulations relating to data protection, privacy and security, including data breach response requirements ("Privacy Law(s)"), as well as data privacy and security policies, procedures and other requirements CJR may periodically establish. Franchisee must maintain reasonable, appropriate, and effective security controls to preserve the security, integrity, availability, confidentiality, and resilience of Consumer Information. Franchisee must notify CJR immediately of any suspected data breach at or in connection with the Franchised Restaurant or the business operated at the Franchised Restaurant. Franchisee must fully cooperate with CJR and its counsel in determining the most effective way to meet CJR's standards and policies pertaining to Privacy Laws, including those governing notification of a data breach. Franchisee is responsible for any financial losses it incurs or remedial actions that it must take as a result of breach of security or unauthorized access to Consumer Information in Franchisee's control or possession.

Without limiting the foregoing, Franchisee represents, warrants, and covenants that:

- (1) Franchisee will not "sell" or "share" (as defined under any Privacy Law) any Consumer Information or make Consumer Information available to any third party for valuable consideration;
- (2) Franchisee will retain, use, or disclose Consumer Information only for the specific business purposes specified in this Agreement, and not for any other commercial or noncommercial purpose;
- (3) Franchisee will not retain, use, or disclose Consumer Information outside of the direct business relationship between Franchisee and CJR;
- (4) Franchisee will not combine Consumer Information received from or on behalf of CJR with personal information received from another source or collected from Franchisee's interactions with a consumer outside the operation of the Franchised Restaurant, except as specifically allowed under applicable Privacy Law;
- (5) Franchisee shall not allow any person or entity (other than Franchisee's direct employees) to process Consumer Information without the express prior approval of CJR, and any such subcontracting shall be performed strictly in accordance with a written agreement that imposes obligations on such subcontractor that are at least as restrictive as those imposed on Franchisee under this Agreement. Franchisee shall be liable for the acts and omissions of all such

subcontractors to the same extent Franchisee would be liable if performing the services of each subcontractor directly under the Agreement;

- (6) When required by applicable Privacy Law, CJR will inform Franchisee of any consumer request (e.g., deletion, correction, access, and opt-out) that requires Franchisee's compliance and will provide Franchisee with the information within CJR's possession that is necessary for Franchisee to comply with the request. Franchisee will cooperate with CJR, and promptly (and in any event within ten days following notice by CJR) provide any information and documents requested by Franchisee to respond to requests by customers under Applicable Laws. Franchisee will delete, modify, or correct any Consumer Information upon CJR's request unless Franchisee can prove that such request is subject to an exception under applicable law;
- (7) Franchisee shall make available to CJR all information necessary for Franchisee to demonstrate compliance with its obligations under this Section 13(P). Franchisee will cooperate with CJR, its internal auditors and external auditors for the purpose of inspecting, examining, and assessing Franchisee's compliance with its obligations under this Section 13(P). This Auditing may be conducted through measures including, but not limited to, manual reviews and automated scans, as well as technical and operational testing. Auditing may take place at least once every twelve (12) months; and
- (8) If Franchisee receives a Consumer Information request directly from a consumer under their state Privacy Law (e.g. a request to access, delete or correct Consumer Information) that may pertain to Consumer Information , Franchisee shall inform CJR of that request within one business day and cooperate with CJR to ensure that the consumer receives an appropriate and timely acknowledgement and response. Typically, an acknowledgement is required within 10 business days and a final response is required within 45 calendar days.

Franchisee certifies that it understands the restrictions in Paragraphs (1) – (5) of this section and will comply with them. Franchisee shall immediately (and in any event within five business days) notify CJR if it determines that it can no longer meet its obligations under this Section 13(P). Franchisee also acknowledges and agrees that CJR may modify the restrictions by written notice to Franchisee, including adding other similar privacy restrictions that may be required under other federal, state or local privacy laws.

To the extent Franchisee's business is independently subject to any Privacy Laws, Franchisee must comply with all standards, laws, rules, regulations or any equivalent thereof relating to personal information, data privacy, and data protection that may apply to personal information not encompassed by the definition of "Consumer Information," above (for example, as relates to Franchisee's employees or job applicants). The requirements of this Section 13(P) are not intended to constitute legal advice or to imply that compliance with this Agreement fulfills all of Franchisee's potential obligations under the Privacy Laws. Franchisee should consider applicable federal, state and local laws, and consult its own legal counsel or advisors, as it deems necessary.

14. PROPRIETARY MARKS

The term "Proprietary Marks" as used in this Agreement refers to all trade names, trademarks, service marks, trade dress, logos, insignias, slogans, emblems, symbols, designs, and any combination thereof or any other indicia of source designated by CJR as identifying the System and the products sold and services provided in connection with the System. You acknowledge that CJR owns all rights, title, and interest in and to the Proprietary Marks and you have only such rights to use the Proprietary Marks as this Agreement grants. CJR shall, from time to time, advise Franchisee as to any additions or deletions to the

Proprietary Marks and Franchisee's right to use the Proprietary Marks shall be deemed modified by those additions or deletions.

Franchisee's right to use the Proprietary Marks is limited to its use of the Proprietary Marks in the operation of the Franchised Restaurant at the Franchised Location and as expressly provided in this Agreement and the OPM. Franchisee's limited license extends only to use of the Proprietary Marks in accordance with (i) all applicable standards, operating procedures, policies and guidelines that we prescribe—and from time to time amend—during the duration of this Agreement, including, without limitation, those set forth in the most current edition of the OPM and other publications, if any, dedicated to proper use of the Proprietary Marks; and (ii) all applicable laws and regulations pertaining to advertising and marketing, including, without limitation, federal and state laws pertaining to telemarketing (including the Telephone Consumer Protection Act), false advertising, unfair competition and unfair practices.

Franchisee shall not use the Proprietary Marks on any vehicles without the prior written approval of CJR. Franchisee shall not use the Proprietary Marks or any variations of the Proprietary Marks or marks or names confusingly similar to the Proprietary Marks in any manner not authorized by CJR or in any corporate, limited liability company or partnership name and shall not use any other trade names, service marks or trademarks in conjunction with the Franchised Restaurant. If local laws or ordinances require that Franchisee file an affidavit of doing business under an assumed name or otherwise make a filing indicating that the Proprietary Marks are being used as a fictitious or assumed name, Franchisee shall include in such filing or application an indication that the filing is made as a franchisee of CJR. Franchisee shall use the symbol ® with all registered trademarks and the symbol ™ with all pending registrations or other marks.

Franchisee shall not use the Proprietary Marks in any Internet domain name or e-mail address, in the operation of any Internet web site or on a social mediate platform including any social networking site, Facebook Twitter, Instagram, Pinterest, YouTube, Snapchat, Vince, blogs, podcasts and wikis or other future social media platforms and/or technological avenues (collectively, "Social Media"); not an exclusive list and term applies to any social networking website, mobile application, blog or microblog, public and private message boards, comment sections, etc.) without CJR's prior written consent. CJR may grant or withhold its consent in its sole discretion and may condition its consent on such requirements as CJR deems appropriate, including, among other things, that Franchisee obtain CJR's written approval of: **(A)** any and all Internet domain names and home page addresses related to the Franchised Restaurant; **(B)** the proposed form and content of any web site related to the Franchised Restaurant; **(C)** Franchisee's use of any hyperlinks or other links; **(D)** Franchisee's use of any materials (including text, video clips, photographs, images and sound bites) in which any third party has an ownership interest; and **(E)** any proposed modification of Franchisee's web site. CJR may designate the form and content of Franchisee's web site and/or require that any such web site be hosted by CJR or a third party who CJR designates, using one or more web sites that CJR owns and/or controls. CJR may charge Franchisee a fee for developing, reviewing, securing, protecting or approving Franchisee's web site and/or for hosting the web site. CJR has established a Social Media policy for franchisees and Franchisee must comply with the Social Media policy, as modified from time to time, and any additional policies CJR issues. Any copyright in Franchisee's sites or pages on any Social Media are owned by CJR, and Franchisee must sign any documents that CJR reasonably deems necessary to affirm CJR's ownership of the copyright.

If CJR, in the exercise of its reasonable business judgment, should elect to use a principal name in addition to or other than "Carl's Jr." to identify System Restaurants generally or in the DMA in which the Franchised Restaurant is located, CJR may select another name and notify Franchisee to change all or some items bearing the Proprietary Marks to the new name within a reasonable period of time as determined by CJR without any liability to Franchisee, and Franchisee promptly shall adopt that name provided that CJR has committed to adopt that name and make the necessary changes in at least 60% of the System Restaurants operated by CJR or CJR Affiliates (if the change affects all System Restaurants) or, in all other

circumstances, in at least 60% of the System Restaurants operated by CJR or CJR Affiliates in the DMA in which the Franchised Restaurant is located. Franchisee agrees that nothing in this Agreement gives it any right, title or interest in the Proprietary Marks (except the right to use the Proprietary Marks in accordance with the terms of this Agreement), that the Proprietary Marks are the sole property of CJR and CJR Affiliates, that Franchisee shall not directly or indirectly contest the validity or ownership of the Proprietary Marks or CJR's right to license the Proprietary Marks, and that any and all uses by Franchisee of the Proprietary Marks and the goodwill arising therefrom shall inure exclusively to the benefit of CJR and CJR Affiliates. Franchisee will not seek to register, reregister, assert claim to ownership of, license or allow others to use, or otherwise appropriate to itself any of the Proprietary Marks or any mark or name confusingly similar thereto, or the goodwill symbolized by any of the foregoing except to the extent this action inures to the benefit of, and has the prior written approval of, CJR. Any unauthorized use of the Proprietary Marks by Franchisee or attempt by Franchisee, directly or indirectly, to register the Proprietary Marks in any jurisdiction shall constitute a breach of this Agreement and an infringement of the rights of CJR and CJR Affiliates in and to the Proprietary Marks.

Franchisee promptly shall inform CJR in writing as to any infringement of the Proprietary Marks of which it has knowledge. Franchisee shall not make any demand or serve any notice, orally or in writing, or institute any legal action or negotiate, compromise or settle any controversy with respect to any such infringement without first obtaining CJR's written approval. CJR shall have the right, but not the obligation, to bring such action or take such steps as it may deem advisable to prevent any such infringement and to join Franchisee as a party to any action in which CJR or CJR Affiliates are or may be a party and as to which Franchisee is or would be a necessary or proper party. Franchisee also shall promptly notify CJR of any litigation (including administrative or arbitration proceedings) of which Franchisee is aware instituted against CJR, CJR Affiliates or Franchisee relating to the Proprietary Marks. Franchisee shall execute any and all instruments and documents, render such other assistance and do any acts and things as may, in the opinion of counsel for CJR or CJR Affiliates, be necessary or advisable to protect and maintain the interests of CJR and CJR Affiliates in the Proprietary Marks, including without limitation their interests in litigation or proceedings before the U.S. Patent and Trademark Office or other tribunal relating to the Proprietary Marks.

15. INSURANCE

A. Franchisee shall be responsible for all loss or damage arising from or related to Franchisee's development and operation of the Franchised Restaurant, and for all demands or claims with respect to any loss, liability, personal injury, death, property damage, or expense whatsoever occurring upon the premises of, or in connection with the development or operation of, the Franchised Restaurant. Franchisee shall, at its sole expense, maintain in full force and effect throughout the term of this Agreement that insurance which Franchisee determines is necessary or appropriate for liabilities caused by or occurring in connection with the development or operation of the Franchised Restaurant which shall include, at a minimum, insurance policies of the kinds, and in the amounts, required by Section 15.B. CJR, and any entity with an insurable interest designated by CJR, shall be an additional insured in such liability policies, except for workers' compensation/employer's liability, and loss payee for property to the extent each has an insurable interest.

B. All insurance policies shall be written by an insurance company or companies satisfactory to CJR, in compliance with the standards, specifications, coverages and limits set forth in the OPM or otherwise provided to Franchisee in writing. These policies shall include, at a minimum, the following:

(1) Commercial General Liability insurance with policy limits not less than \$5,000,000 per occurrence and in the aggregate. Coverage shall apply per location, including coverage for contractual liability, broad form property damage, personal and advertising injury, product liability and

completed operations, not to exclude food-borne illness, as well as Damage to Rented Premises coverage with limits not less than \$100,000.

(2) Automobile Liability coverage, including owned, leased, non-owned and hired vehicles, with a combined single limit not less than \$1,000,000 per accident and additional liability coverage as needed for delivery services. This may be included as part of a package policy.

(3) Workers' Compensation, statutory as required by law, and Employer's Liability insurance with limits not less than \$500,000, and such other insurance as may be required by the state or locality in which the Franchised Restaurant is operated. This coverage shall also be in effect for all of Franchisee's employees who participate in any of the training programs described in Section 13.

The required limits set forth in 15.B.(1)-(3) may be satisfied through a combination of Primary and Umbrella/Excess Liability coverage. If satisfied through an Umbrella/Excess Liability coverage, the Umbrella/Excess Liability must be "following form" of the underlying Commercial General Liability, Automobile Liability, and Employer's Liability coverages.

(4) Commercial Property insurance that extends coverage on a replacement cost basis for the Franchised Restaurant, business personal property (including electronic equipment, tenant improvements & betterments), and business income and extra expense for a minimum of 12 months or actual loss sustained to cover loss of profits, continuing expenses and loss of rents. Covered causes of loss should be "Special Form" or "All Risk" with coinsurance conditions not less than 80%. Flood insurance is also required for locations that reside in FEMA Flood Zones beginning with the letters "A" or "V." Earthquake insurance is also required for locations that reside in FEMA Seismic Design Categories "E" or "D."

(5) Cyber Liability (network security/data privacy) with policy limits not less than \$1,000,000 per occurrence.

(6) In connection with any construction, leasehold improvements, renovation, refurbishment, or remodeling of the Franchised Restaurant, Franchisee's general contractor shall maintain Commercial General Liability insurance (with products liability and independent contractors coverage), Automobile Liability coverage for owned, leased, hired and non-owned vehicles, and Builder's Risk with limits no less than \$1,000,000, with CJR named as an additional insured, as well as Workers' Compensation and Employer's Liability as required by state law.

CJR may regulate the types, amounts, terms and conditions of insurance coverage required for the Franchised Restaurant, and standards for underwriters of policies providing required insurance coverage, including: (a) CJR's protection and rights under these policies as an additional insured or loss payee; (b) required or permissible insurance contract provisions; (c) assignment of policy rights to CJR; (d) periodic verification of insurance coverage that must be furnished to CJR and; (e) similar matters related to insured and uninsured claims. Franchisee shall receive written notice of such modifications and shall take prompt action to comply.

C. The following general requirements shall apply to each insurance policy that Franchisee is required to maintain under this Agreement:

(1) Each insurance policy shall be specifically endorsed to provide that the coverages shall be primary and that any insurance carried by any additional insured or loss payee shall be excess and non-contributory.

(2) No insurance policy shall contain a provision that in any way limits or reduces coverage for Franchisee in the event of a claim by CJR or its affiliates.

(3) Each insurance policy shall extend to, and provide indemnity for, all obligations and liabilities of Franchisee to third parties and all other items for which Franchisee is required to indemnify CJR under this Agreement.

(4) Each insurance policy shall be written by an insurance company that has received and maintains an "A- VIII" or better rating by A.M. Best Company (or another rating service designated by CJR) and that is otherwise satisfactory to CJR.

(5) No insurance policy shall provide for a deductible amount that exceeds \$100,000, unless otherwise approved in writing by CJR.

(6) Each insurance policy shall include a waiver of subrogation endorsement in favor of CJR and its affiliates.

(7) With respect to the Commercial General Liability, Automobile Liability and Umbrella/Excess Liability policies, CJR and its affiliates shall be named as Additional Insured on a primary and non-contributory basis. With respect to the Commercial Property coverage, CJR and its affiliates shall be named as Loss Payee.

D. All required insurance policies shall be in full force and effect and Franchisee shall submit to CJR evidence of satisfactory insurance and proof of payment therefore no later than the date the first of the following occurs: (1) 30 days prior to the scheduled opening date of the Franchised Restaurant; (2) the date Franchisee takes possession of the Franchised Location, or (3) the date construction commences at the Franchised Location, if Franchisee is contractually obligated for the construction. On each policy renewal date thereafter, Franchisee shall again submit evidence of satisfactory insurance and proof of payment therefor to CJR. The evidence of insurance shall include a statement by the insurer that the policy or policies will not be canceled or materially altered without at least 30 days' prior written notice to CJR. Upon request, Franchisee also shall provide to CJR copies of all or any policies, and policy amendments and endorsements.

E. Franchisee acknowledges that no requirement for insurance contained in this Agreement constitutes advice or a representation by CJR that only such policies, in such amounts, are necessary to protect Franchisee from losses in connection with its business under this Agreement. Maintenance of this insurance, and the performance by Franchisee of its obligations under this Section, shall not relieve Franchisee of liability under the indemnification provisions of this Agreement.

F. Should Franchisee, for any reason, fail to procure or maintain at least the insurance required by this Section 15, as revised from time to time pursuant to the OPM or otherwise in writing, CJR shall have the immediate right and authority, but not the obligation, to procure such insurance and charge its cost to Franchisee. All out-of-pocket costs incurred by CJR in obtaining such insurance on behalf of Franchisee shall be reimbursed to CJR by Franchisee immediately upon Franchisee's receipt of an invoice therefor.

16. ORGANIZATION OF FRANCHISEE

A. Representations

If Franchisee is a corporation, a limited liability company, a partnership or any other type of organization (collectively, “business entity”), Franchisee makes the following representations and warranties: (1) it is duly organized and validly existing under the laws of the state of its formation; (2) it is qualified to do business in the state or states in which the Franchised Restaurant is located; (3) execution of this Agreement and the development and operation of the Franchised Restaurant is permitted by its governing documents; and (4) unless waived in writing by CJR, Franchisee’s governing documents shall at all times provide that the activities of Franchisee are limited exclusively to the development and operation of Carl’s Jr. Restaurants and other restaurants that are franchised by CJR or its affiliates and that no Transfer (as defined in Section 18) of an ownership interest may be made except in accordance with Section 18.

If Franchisee is an individual, or a partnership comprised solely of individuals, Franchisee makes the following additional representations and warranties: (A) each individual has executed this Agreement; (B) each individual shall be jointly and severally bound by, and personally liable for the timely and complete performance and a breach of, each and every provision of this Agreement; and (C) notwithstanding any transfer for convenience of ownership, pursuant to Section 18.D., each individual shall continue to be jointly and severally bound by, and personally liable for the timely and complete performance and a breach of, each and every provision of this Agreement.

B. Governing Documents

If Franchisee is a business entity, Franchisee shall furnish CJR with copies of Franchisee’s governing documents and any other corporate documents, books or records that CJR may request. When any of these governing documents are modified or changed, Franchisee promptly shall provide copies to CJR.

C. Ownership Interests

If Franchisee is a business entity, Franchisee must furnish CJR with a list of all holders of a direct or indirect ownership interest in Franchisee and their respective percentage interests. As of the date of this Agreement, all interests in Franchisee are owned as set forth in attached Appendix D. Franchisee shall comply with Section 18 prior to any change in ownership interests and shall update Appendix D as changes occur in order to ensure the information contained in Appendix D is true, accurate and complete at all times.

The requirements of this Section 16.C. shall apply only to Franchisee’s Continuity Group (defined in Section 16.E.) if, as of the date of the first franchise-related agreement between Franchisee and CJR or one of its affiliates, Franchisee was a publicly-held entity (*i.e.*, an entity that has a class of securities traded on a recognized securities exchange or quoted on the inter-dealer quotation sheets known as the “pink sheets”). If Franchisee becomes a publicly-held entity after that date, it shall thereafter be required to update Appendix D only with respect to changes in ownership interests of members of the Continuity Group.

D. Restrictive Legend

If Franchisee is a corporation, Franchisee shall maintain stop-transfer instructions against the transfer on its records of any voting securities, and each stock certificate of the corporation shall have conspicuously endorsed upon its face the following statement: “Any assignment or transfer of this stock is subject to the restrictions imposed on assignment by the Carl’s Jr. Restaurant Franchise Agreement(s) to which the corporation is a party.” If Franchisee is a publicly-held corporation these requirements shall apply

only to the stock owned by Franchisee's Continuity Group. If Franchisee is a limited liability company, each membership or management certificate or other evidence of interest in Franchisee shall have conspicuously endorsed upon its face the following statement: "Any assignment or transfer of an interest in this limited liability company is subject to the restrictions imposed on assignment by the Carl's Jr. Restaurant Franchise Agreement(s) to which the limited liability company is a party." If Franchisee is a partnership, its written partnership agreement shall provide that ownership of an interest in the partnership is held subject to, and that further assignment or transfer is subject to, all restrictions imposed on assignment by this Agreement. If Franchisee is any other type of business entity, its organizational and governing documents shall provide that an ownership interest in the business entity is held subject to, and further assignment or transfer is subject to, all restrictions imposed on assignment by this Agreement.

E. Continuity Group

If Franchisee is a business entity, Appendix D lists those persons who comprise Franchisee's "Continuity Group." CJR and Franchisee acknowledge and agree that it is their intent that the members of the Continuity Group include the Operating Principal (defined in Section 16.G.) and (1) all holders of a direct or indirect legal or beneficial interest of 10% or more ("10% Owners") in Franchisee; (2) if Franchisee is a limited partnership, all 10% Owners of Franchisee's general partner; and (3) all 10% Owners of a business entity that owns a controlling interest in Franchisee. In the event of any change in the Continuity Group or in the ownership interests of any member of the Continuity Group, Franchisee shall update Appendix D to reflect the change. The Continuity Group shall at all times own at least 51% of the ownership interests in Franchisee.

F. Guarantees

All members of the Continuity Group and their spouses, if applicable, shall jointly and severally guarantee Franchisee's payment and performance under this Agreement and shall bind themselves to the terms of this Agreement pursuant to the attached Guarantee and Assumption of Franchisee's Obligations ("Guarantee"). Notwithstanding the foregoing, CJR reserves the right, in its sole discretion, to waive the requirement that some or all of the previously described individuals execute the attached Guarantee and/or to limit the scope of the Guarantee. CJR reserves the right to require any guarantor to provide personal financial statements to CJR from time to time.

With respect to 10% Owners, Franchisee acknowledges that, unless otherwise agreed to in writing by CJR, it is CJR's intent to have individuals (and not corporations, limited liability companies or other entities) execute the Guarantee. Accordingly, if any 10% Owner is not an individual, CJR shall have the right to have the Guarantee executed by individuals who have only an indirect ownership interest in Franchisee and their spouses, if applicable. (By way of example, if a 10% Owner of Franchisee is a corporation, CJR has the right to require that the Guarantee be executed by individuals who have an ownership interest in that corporation and their spouses, if applicable.)

If Franchisee, any guarantor or any parent, subsidiary or affiliate of Franchisee holds any interest in other restaurants that are franchised by CJR or its affiliates, the party who owns that interest shall execute, concurrently with this Agreement, a form of cross-guarantee to CJR and its affiliates for the payment of all obligations for such restaurants, unless waived in writing by CJR in its sole discretion. For purposes of this Agreement, an affiliate of Franchisee is any company controlled, directly or indirectly, by Franchisee or Franchisee's parent or subsidiary.

G. Operating Principal

Franchisee shall designate and retain an individual to serve as the Operating Principal. (If Franchisee is owned by one individual, that individual may serve as the Operating Principal if the individual meets CJR's requirements for an Operating Principal.) The Operating Principal as of the date of this Agreement is identified in Appendix D. The Operating Principal shall meet all of the following qualifications:

(1) The Operating Principal shall have at least a 10% equity ownership interest in Franchisee or, if Franchisee is a limited partnership, in Franchisee's general partner, unless this requirement is modified by CJR in its sole discretion. This Section 16.G.(1) shall not apply if Franchisee was a publicly-held entity or a wholly-owned subsidiary of a publicly-held entity as of the date of the first franchise-related agreement between Franchisee and CJR.

(2) The Operating Principal, at all times, shall be a member of the Continuity Group and, at a minimum, have full control over the day-to-day activities of the Franchised Restaurant and those other restaurants (that are franchised by CJR or its affiliates) operated by Franchisee in the same geographic market as the Franchised Restaurant, including control over the standards of operation and financial performance.

(3) Unless Franchisee has named and CJR has approved a Multi-Unit Manager:

(a) The Operating Principal shall devote full-time and best efforts to supervising the operation of the Franchised Restaurant and those other restaurants (that are franchised by CJR or its affiliates) operated by Franchisee in the same geographic market as the Franchised Restaurant and shall not engage in any other business or activity, directly or indirectly, that requires substantial management responsibility.

(b) Unless waived in writing by CJR, the Operating Principal shall maintain his primary residence within a reasonable driving distance of the Franchised Restaurant.

(4) The Operating Principal shall successfully complete the FMTP and any additional training required by CJR.

(5) CJR shall have approved the Operating Principal, and not have later withdrawn that approval.

If the Operating Principal no longer meets these qualifications, Franchisee must provide CJR written notice designating a qualified person to act as Operating Principal within 30 days after the date the prior Operating Principal ceases to be qualified. CJR shall advise Franchisee whether it has approved the new Operating Principal within a reasonable time after receipt of Franchisee's notice. If CJR does not approve the proposed Operating Principal, Franchisee will have 15 days from its receipt of notice of the decision to advise CJR in writing of another person to act as Operating Principal who satisfies the preceding qualifications.

If Franchisee operates restaurants in multiple markets that are franchised by CJR or its affiliates, an individual meeting the qualifications of this Section will serve as the Operating Principal in at least one market.

H. Multi-Unit Manager

If Franchisee operates restaurants that are franchised by CJR or its affiliates in multiple geographic markets, for all markets in which the Operating Principal fails to satisfy the requirements of Section 16.G.,

Franchisee shall designate and retain an individual to serve as Multi-Unit Manager. The Multi-Unit Manager shall be under the supervision of the Operating Principal. The Multi-Unit Manager shall meet all of the following qualifications:

(1) The Multi-Unit Manager shall devote full time and best efforts to supervising the operation of the Franchised Restaurant and those other restaurants (that are franchised by CJR or its affiliates) operated by Franchisee in the same geographic market and shall not engage in any other business or activity, directly or indirectly, that requires substantial management responsibility.

(2) Unless waived in writing by CJR, the Multi-Unit Manager shall maintain his primary residence within a reasonable driving distance of the Franchised Restaurant.

(3) The Multi-Unit Manager shall successfully complete the FMTP and any additional training required by CJR.

(4) CJR shall have approved the Multi-Unit Manager, and not have later withdrawn that approval.

If the Multi-Unit Manager no longer qualifies as such, Franchisee shall designate another qualified person to act as Multi-Unit Manager within 30 days after the date the prior Multi-Unit Manager ceases to be qualified. Franchisee's designee to become the Multi-Unit Manager must successfully complete the FMTP and any additional training required by CJR.

17. TRANSFERS BY CJR

CJR shall have the absolute, unrestricted right, exercisable at any time, to transfer and assign all or any part of its rights and obligations under this Agreement to any person or legal entity without the consent of Franchisee. Franchisee agrees that CJR will have no liability after the effective date of transfer or assignment for the performance of, or any failure to perform, any obligations transferred.

18. TRANSFERS BY FRANCHISEE

A. Franchisee understands and acknowledges that the rights and duties set forth in this Agreement are personal to Franchisee and that CJR has entered into this Agreement in reliance on Franchisee's (and Franchisee's direct and indirect owners') business skill, financial capacity, personal character, experience and demonstrated or purported ability in developing and operating high quality foodservice operations. Accordingly, neither Franchisee nor any immediate or remote successor to any part of Franchisee's interest in this Agreement, nor any individual, partnership, corporation or other legal entity which directly or indirectly has an interest in Franchisee shall sell, assign, transfer, convey, give away, pledge, mortgage, or otherwise encumber any direct or indirect interest in Franchisee, this Agreement, the Franchise, the Franchised Restaurant, the assets of the Franchised Restaurant, the Franchised Location or any other assets pertaining to Franchisee's operations under this Agreement (collectively "Transfer") without the prior written consent of CJR, unless otherwise permitted by this Section.

Except as otherwise provided in this Agreement, any purported Transfer, by operation of law or otherwise, not having the prior written consent of CJR shall be null and void and shall constitute a material breach of this Agreement, for which CJR may terminate this Agreement without providing Franchisee an opportunity to cure the breach.

B. Franchisee shall advise CJR in writing of any proposed Transfer, submit (or cause the proposed transferee to submit) a franchise application for the proposed transferee, submit a copy of all

contracts and all other agreements or proposals and submit all other information requested by CJR relating to the proposed Transfer. If CJR does not exercise its right of first refusal pursuant to Section 18.J., the decision as to whether or not to consent to a proposed Transfer shall be made by CJR in its sole discretion and shall include numerous factors deemed relevant by CJR. These factors may include, but will not be limited to, the following:

(1) The proposed transferee (and if the proposed transferee is not a natural person, all persons that have any direct or indirect interest in the transferee as CJR may require) must demonstrate to CJR's satisfaction extensive experience in high quality restaurant operations of a character and complexity similar to Carl's Jr. Restaurants; must meet the managerial, operational, experience, quality, character and business standards for a franchisee promulgated by CJR from time to time; must possess a good character, business reputation and credit rating; must have an organization whose management culture is compatible with CJR's management culture; and must have adequate financial resources and working capital, as determined by CJR in its sole discretion, to meet Franchisee's obligations under this Agreement.

(2) If the Transfer is a sale, the sales price shall not be so high, in CJR's reasonable judgment, as to jeopardize the ability of the transferee to develop, maintain, operate and promote the Franchised Restaurant and meet financial obligations to CJR, third party suppliers and creditors. CJR's decision with respect to a proposed Transfer shall not create any liability on the part of CJR: **(a)** to the transferee, if CJR consents to the Transfer and the transferee experiences financial difficulties; or **(b)** to Franchisee or the proposed transferee, if CJR withholds consent to the Transfer. CJR, without any liability to Franchisee or the proposed transferee, has the right, in its sole discretion, to communicate and counsel with Franchisee and the proposed transferee regarding any aspect of the proposed Transfer.

(3) All of Franchisee's accrued monetary obligations to CJR and its affiliates (whether arising under this Agreement or otherwise) and all other outstanding obligations related to the Franchised Restaurant (including, but not limited to, bills from suppliers, taxes, judgments and any required governmental reports, returns, affidavits or bonds) have been satisfied or, in the reasonable judgment of CJR, adequately provided for. CJR reserves the right to require that a reasonable sum of money be placed in escrow to ensure that all of these obligations are satisfied.

(4) Franchisee is not then in material default of any provision of this Agreement or any other agreement between Franchisee and CJR or its affiliates, is in good standing as a franchisee with CJR and its affiliates, is not in default beyond the applicable cure period under any real estate lease, equipment lease or financing instrument relating to the Franchised Restaurant and is not in default beyond the applicable cure period with any vendor or supplier to the Franchised Restaurant.

(5) Franchisee or the proposed transferee, as determined by CJR, must complete all remodel, renovations, re-image, maintenance and facility upgrades to modernize and conform the Franchised Restaurant to the image of the System for new franchised restaurants.

(6) Franchisee, all individuals who executed this Agreement and all guarantors of Franchisee's obligations must execute a general release and a covenant not to sue, in a form satisfactory to CJR, of any and all claims against CJR and its affiliates and their respective past and present officers, directors, managers, shareholders, members, agents and employees, in their corporate and individual capacities, including, without limitation, claims arising under federal, state and local laws, rules and ordinances, and claims arising out of, or relating to, this Agreement, any other agreements between Franchisee and CJR or its affiliates and Franchisee's operation of the Franchised Restaurant and all other restaurants operated by Franchisee that are franchised by CJR or its affiliates.

(7) Unless waived by CJR in its sole discretion, the transferee and those employees hired by the transferee to fill certain designated positions shall complete the training provided in Sections 11.A.-B.

(8) The transferee and each of the transferee's affiliates that have entered into a development or franchise agreement with CJR or its affiliates must, as of the date of the request for CJR's consent to the Transfer, be in compliance with all obligations to CJR or its affiliates under those agreements.

C. If CJR consents to a proposed Transfer, prior to the Transfer becoming effective:

(1) The transferor shall pay CJR a nonrefundable Transfer fee in an amount not to exceed \$2,500 per Franchised Restaurant in connection with CJR's review of the Transfer application.

(2) Franchisee and the proposed transferee shall execute, at CJR's election, an assignment agreement and any amendments to this Agreement deemed necessary or desirable by CJR to reflect the Transfer and/or CJR's then-current standard form of franchise agreement for an initial term ending on the expiration date of the Initial Term of this Agreement. In either event, a guarantee of the type required by Section 16.F. shall be executed by those individuals identified in Section 16.F. In addition, Franchisee, the proposed transferor and the proposed transferee shall sign all other documents and take such actions as CJR may require to protect CJR's rights under this Agreement.

(3) The transferor shall remain liable for all obligations to CJR incurred before the date of the Transfer and shall execute any and all instruments reasonably requested by CJR to evidence that liability.

D. If Franchisee is an individual or a partnership and desires to Transfer this Agreement to a corporation (or limited liability company) formed for the convenience of ownership, the requirements of Section 18..B. shall apply to such a Transfer; however, Franchisee will not be required to pay a Transfer fee. CJR's consent also will be conditioned on the following: (1) the corporation (or limited liability company) must be newly organized; (2) prior to the Transfer, CJR must receive a copy of the documents specified in Section 16.B. and the transferee shall comply with the remaining provisions of Section 16; and (3) Franchisee must own all voting securities of the corporation (or membership interests of the limited liability company) or, if Franchisee is owned by more than one individual, each person shall have the same proportionate ownership interest in the corporation (or the limited liability company) as prior to the Transfer.

E. Notwithstanding the provisions of Sections 18.A. and B., the issuance of options or the exercise of options pursuant to a qualified stock option plan or a qualified employee stock ownership plan shall not be considered a Transfer and shall not require the prior written consent of CJR; provided no more than a total of 49% of Franchisee's outstanding voting securities are subject to the qualified stock option plan or qualified employee stock ownership plan.

F. If Franchisee was a publicly-held entity as of the date of the first franchise-related agreement between Franchisee and CJR or its affiliates, Section 18.B. shall be applicable to transfers of ownership interests in Franchisee only if the proposed Transfer would result in: (1) 50% or more of Franchisee's voting securities being held by different shareholders than as of the date of the first franchise-related agreement between Franchisee and CJR or its affiliates; or (2) any change in ownership of Franchisee's voting securities whereby any existing shareholder of Franchisee acquires an additional 10% or more of Franchisee's voting securities; or (3) any change in the membership of the Continuity Group (unless such change is a permitted Transfer pursuant to Section 18.G.).

G. Notwithstanding the provisions of Sections 18.A. and B., CJR agrees that certain Transfers shall be permitted without CJR's prior written consent, provided all of the following conditions are satisfied:

(1) The Transfer is a transfer of:

(a) An ownership interest in Franchisee of 20% or less, provided that after the Transfer the Continuity Group owns at least 66% of all ownership interests in Franchisee; or

(b) Ownership interests in Franchisee following the death or permanent incapacity of a person with an ownership interest in Franchisee, provided that the Transfer is to the parent, sibling, spouse or children of that person or to a member of the Continuity Group.

(2) Franchisee provides CJR written notice of its intent to undertake the Transfer at least 30 days prior to the effective date of the Transfer, together with documents demonstrating that the Transfer meets the requirements of this Section.

(3) At the time of Franchisee's notice to CJR, Franchisee is not in default of this Agreement or any other agreements between Franchisee and CJR or its affiliates.

(4) In connection with the Transfer, Franchisee and all persons who will have an ownership interest in Franchisee after the Transfer fully comply with the requirements of Section 16.

H. Franchisee shall not grant any security interest in its business, the Franchised Restaurant, the Franchised Location or the assets used in the operation of the Franchised Restaurant without CJR's prior written consent, which will not be unreasonably withheld. CJR's consent may be conditioned, in its sole discretion, on the written agreement by the secured party that, in the event of a default by Franchisee under any agreement related to the security interest, CJR shall have the right and option (but not the obligation) to purchase the rights of the secured party upon payment of all sums then due to the secured party. If Franchisee (or any person with a direct or indirect interest in Franchisee) finances any part of the price paid in connection with the Transfer, the person or entity providing the financing must agree that all obligations of the proposed transferee and any security interests retained in the assets being transferred, will be subordinate to the proposed transferee's obligations to: (1) pay all amounts due to CJR and its affiliates; and (2) otherwise comply with this Agreement and all other agreements with CJR or its affiliates.

I. Securities or partnership interests in Franchisee may be sold, by private or public offering, only with CJR's prior written consent (whether or not CJR's consent is required under any other provision of this Section). In addition to the requirements of Section 18.B., prior to the time that any public offering or private placement of securities or partnership interests in Franchisee is made available to potential investors, Franchisee, at its expense, shall deliver to CJR a copy of the offering documents. Franchisee, at its expense, also shall deliver to CJR an opinion of Franchisee's legal counsel and an opinion of one other legal counsel selected by CJR (both of which shall be addressed to CJR and in a form acceptable to CJR) that the offering documents properly use the Proprietary Marks and accurately describe Franchisee's relationship with CJR and/or its affiliates. The indemnification provisions of Section 25 shall also include any losses or expenses incurred by CJR and/or its affiliates in connection with any statements made by or on behalf of Franchisee in any public offering or private placement of Franchisee's securities.

J. If any party holding any direct or indirect interest in Franchisee or in this Agreement receives a bona fide offer (as determined by CJR in its reasonable discretion) from a third party or otherwise desires to undertake any Transfer that would require CJR's consent (other than a Transfer for convenience of ownership pursuant to Section 18.D. or a Transfer of ownership interests to a parent, sibling, spouse or

child), it shall notify CJR in writing of the terms of the proposed Transfer, and shall provide such information and documentation relating to the proposed Transfer as CJR may reasonably require, including, but not limited to, a copy of the offer. CJR or its designee may elect to purchase the interest that the seller proposes to Transfer any time within 30 days after receipt of written notification, and all documents and other information required by Section 18.B., by sending written notice to the seller that CJR or its designee intends to purchase the seller's interest on the same financial terms and conditions offered by the third party (except that CJR or its designee shall not be obligated to pay any finder's or broker's fees). In purchasing the interest, CJR or its designee shall be entitled to set off any monies owed to CJR or its affiliates by Franchisee and CJR or its designee shall be entitled to all customary representations and warranties that the assets are free and clear (or, if not, accurate and complete disclosure) as to: **(1)** ownership, condition and title; **(2)** liens and encumbrances; **(3)** environmental and hazardous substances; and **(4)** validity of contracts inuring to the purchaser or affecting the assets, whether contingent or otherwise.

If the offer to Franchisee involves assets in addition to this Agreement, the Franchised Location, the Franchised Restaurant and other restaurants operated by Franchisee that are franchised by CJR or its affiliates, Franchisee's notice to CJR shall state the cash value of that portion of the offer received by Franchisee relating to this Agreement, the Franchised Location, the Franchised Restaurant and those other restaurants. If the proposed Transfer provides for payment of consideration other than cash or it involves intangible benefits, CJR or its designee may elect to purchase the interest proposed to be sold for the reasonable equivalent in cash. If the parties are unable to agree within 30 days on the reasonable equivalent in cash of the non-cash part of the offer received by Franchisee or the cash value of that portion of the offer received by Franchisee relating to this Agreement, the Franchised Location, the Franchised Restaurant and those other restaurants, the amount shall be determined by two professionally certified appraisers, Franchisee selecting one and CJR or its designee selecting one. If the higher appraisal is more than 10% greater than the other appraisal, the two appraisers shall select a third professionally certified appraiser who also shall determine the amount. The average value set by the appraisers (whether two or three appraisers as the case may be) shall be conclusive and CJR or its designee may exercise its right of first refusal within 30 days after being advised in writing of the decision of the appraisers. The cost of the appraisers shall be shared equally by the parties.

CJR's failure to exercise its right of first refusal shall not constitute consent to the proposed Transfer nor a waiver of any other provision of this Section 18 with respect to a proposed Transfer. If CJR does not exercise its right of first refusal, Franchisee may not thereafter Transfer the interest at a lower price or on more favorable terms than those that have been offered to CJR. CJR shall again be given a right of first refusal if a transaction does not close within 6 months after CJR elected not to exercise its right of first refusal. In no event shall Franchisee offer the interest for sale or transfer at public auction, nor at any time shall an offer be made to the public to sell, transfer or assign, through any advertisement, either in the newspapers or otherwise, without first having obtained the written consent of CJR to the auction or advertisement.

K. CJR's consent to any Transfer shall not constitute a waiver of any claims CJR may have against the transferring party, nor shall it be deemed a waiver of CJR's right to demand exact compliance with any of the terms of this Agreement by the transferee, nor will it be deemed a waiver of CJR's right to give or withhold consent to future Transfers.

19. GENERAL RELEASE

Except as set forth at the end of this Section 19, Franchisee (on behalf of itself and its parent, subsidiaries and affiliates and their respective past and present officers, directors, shareholders, agents and employees, in their corporate and individual capacities) and all individuals who execute this Agreement (each a "Releasor" and collectively, "Releasors"), freely and without any influence forever release and

covenant not to sue CJR, its parents, subsidiaries, affiliates, predecessors and successors and their respective past and present officers, directors, managers, shareholders, members, agents and employees, in their corporate and individual capacities (collectively, “CJR Releasees”), from any and all claims, demands, liabilities and causes of action of whatever kind or nature, whether known or unknown, vested or contingent, suspected or unsuspected (collectively “claims”), which any Releasor now owns or holds or may in the future own or hold based on, arising out of or relating to, in whole or in part, any fact, event, conduct or omission occurring on or before the date of this Agreement, including, without limitation, claims arising under federal, state and local laws, rules and ordinances, claims for contribution, indemnity and/or subrogation and claims arising out of, or relating to this Agreement and all other agreements between any Releasor and any CJR Releasee, the sale of a franchise to any Releasor, the development of the Franchised Restaurant prior to the date of this Agreement and the development and operation of all other restaurants operated by any Releasor that are or were franchised by CJR or its parents, subsidiaries, affiliates or predecessors. Franchisee (on behalf of Releasors) expressly agrees that fair consideration has been given by CJR for this release and it fully understands that this is a negotiated, complete and final release of all claims. This release does not include a release of claims arising from representations in the Carl’s Jr. Franchise Disclosure Document provided to Franchisee in connection with this Agreement or any claims arising under any applicable state or federal franchise laws regulating the offer or sale of the franchise for this Agreement (including without limitation the FTC Rule on Franchising (16 C.F.R. Part 436)).

20. COVENANTS

A. Best Efforts

During the term of this Agreement, Franchisee and the Operating Principal shall devote their full-time and best efforts to the development, management and operation of the Franchised Restaurant.

B. Confidentiality

Franchisee acknowledges and agrees that: (1) CJR owns all right, title and interest in and to the System; (2) the System includes trade secrets and confidential and proprietary information and know-how that gives CJR a competitive advantage; (3) the trade secrets and confidential and proprietary information and know-how derive independent economic value to CJR from not being generally known to and not readily ascertainable by others; (4) CJR has taken all measures appropriate to protect the trade secrets and the confidentiality of the proprietary information and know-how of the System; (5) all material or other information now or hereafter provided or disclosed to Franchisee regarding the System is disclosed in confidence; (6) Franchisee has no right to disclose any part of the System to anyone who is not an employee of Franchisee; (7) Franchisee will disclose to its employees only those parts of the System that an employee needs to know; (8) Franchisee will have a system in place to ensure that its employees keep confidential CJR’s trade secrets and confidential and proprietary information, and, if requested by CJR, Franchisee shall obtain from those of its employees designated by CJR an executed Confidential Disclosure Agreement in the form prescribed by CJR; (9) by entering into this Agreement, Franchisee does not acquire any ownership interest in the System; and (10) Franchisee’s use or duplication of the System or any part of the System in any other business, or disclosure of any part of the System to others for use or duplication in any other business, would constitute an unfair method of competition, for which CJR would be entitled to all legal and equitable remedies, including injunctive relief, without posting a bond.

Franchisee shall not, during the term of this Agreement or at any time thereafter, communicate or disclose any trade secrets or confidential or proprietary information or know-how of the System to any unauthorized person, or do or perform, directly or indirectly, any other acts injurious or prejudicial to any of the Proprietary Marks or the System. Any and all information, knowledge, know-how and techniques,

including all drawings, materials, equipment, specifications, recipes, techniques and other data that CJR or its affiliates designate as confidential shall be deemed confidential for purposes of this Agreement.

C. Restrictions

(1) Franchisee acknowledges and agrees that: (a) pursuant to this Agreement, Franchisee will have access to valuable trade secrets, specialized training and other confidential information from CJR and/or its affiliates regarding the development, operation, product preparation and sales, market and operations research, advertising and marketing plans and strategies, purchasing, sales and marketing methods and techniques of CJR and its affiliates and the System; (b) the know-how regarding the System and the opportunities, associations and experience acquired by Franchisee pursuant to this Agreement are of substantial value; (c) in developing the System, CJR and its affiliates have made substantial investments of time, effort, and money; (d) CJR would be unable adequately to protect the System and its trade secrets and confidential and proprietary information against unauthorized use or disclosure and would be unable adequately to encourage a free exchange of ideas and information among operators of Carl's Jr. Restaurants if franchisees or developers were permitted to engage in the activities described in Section 20.C.(2)(a) or to hold interests in the businesses described in Sections 20.C.(2)(b) and (3); (e) all restaurants operating in a quick-service format are substantial and direct competitors of the System; and (f) the restrictions on Franchisee's right to hold interests in, or perform services for, the businesses described in Sections 20.C.(2)(b) and (3) will not unduly limit its activities.

(2) Accordingly, Franchisee covenants and agrees that, except with CJR's prior written consent, during the term of this Agreement, and for a continuous period of 2 years following its expiration, transfer, or termination, Franchisee shall not, either directly or indirectly, for itself, or through, on behalf of, or in conjunction with, any person, firm, partnership, corporation, or other entity:

(a) Divert or attempt to divert any business or customer, or potential business or customer, of any Carl's Jr. Restaurant to any competitor, by direct or indirect inducement or otherwise.

(b) Own, maintain, operate, engage in, grant a franchise to, advise, help, make loans to, lease property to, sell the property underlying the Franchised Location and related assets to, or have any interest in, either directly or indirectly, any restaurant business: (i) whose sales of Designated Entrée Items (as defined below) during any daypart are reasonably likely to account collectively for 20% or more of the restaurant's sales of all entrée items during that daypart; (ii) that features or promotes any Designated Entrée Item in its advertising; or (iii) that operates in a quick-service format (with or without table service). For purposes of the previous sentence, the term "Designated Entrée Items" means any hamburger sandwich, chicken sandwich, breakfast sandwich and any other entrée item of a type designated by CJR as part of the System at any time during the term of this Agreement. During the term of this Agreement, there is no geographical limitation on this restriction. Following the expiration, transfer or termination of this Agreement, this restriction shall apply to any restaurant business located within a 2 mile radius of the Franchised Location and any restaurant business within a 2 mile radius of any then-existing Carl's Jr. Restaurant. This restriction shall not apply to Franchisee's existing restaurant or foodservice operations, if any, which are identified in Appendix A, nor shall it apply to other restaurants operated by Franchisee that are franchised by CJR or its affiliates.

If any part of these restrictions is found to be unreasonable in time or distance, each month of time or mile of distance may be deemed a separate unit so that the time or distance may be reduced by appropriate order of the court to that deemed reasonable. If, at any time during the 2 year period following the expiration, Transfer or termination of this Agreement, Franchisee fails to comply with its obligations under this Section, that period of noncompliance will not be credited toward Franchisee's satisfaction of the 2 year obligation.

(3) Franchisee acknowledges that the Franchised Location will acquire goodwill associated with the System and that it would be difficult for CJR to ascertain that Franchisee has no interest in the operation by a third party of a restaurant concept at that location that would, if operated by Franchisee, violate the restrictions of this Section 20. Accordingly, Franchisee further covenants and agrees that, during the term of this Agreement and for a period of 2 years following the expiration or earlier termination of this Agreement, Franchisee shall not, either directly or indirectly, for itself, or through, on behalf of, or in conjunction with any person, firm, partnership, corporation, or other entity, sell, assign, lease or transfer the Franchised Location to any person, firm, partnership, corporation, or other entity which Franchisee knows, or has reason to know, intends to operate a restaurant business at the Franchised Location that would violate Section 20.C.(2)(b) if operated by Franchisee. Franchisee, by the terms of any conveyance selling, assigning, leasing or transferring its interest in the Franchised Location, shall include such restrictive covenants as are necessary to ensure that a restaurant business that would violate Section 20.C.(2)(b) if operated by Franchisee is not operated at the Franchised Location for this 2 year period, and Franchisee shall take all steps necessary to ensure that these restrictive covenants become a matter of public record.

D. Modification

CJR shall have the right, in its sole discretion, to reduce the scope of any covenant in this Section 20 effective immediately upon Franchisee's receipt of written notice, and Franchisee agrees that it shall comply forthwith with any covenant as so modified, which shall be fully enforceable notwithstanding the provisions of Section 29.

E. Applicability

The restrictions contained in this Section 20 shall apply to Franchisee and all guarantors of Franchisee's obligations. With respect to each guarantor, these restrictions shall apply until 2 years after the earlier of: (i) the expiration, transfer, or termination of this Agreement; or (ii) the date the guarantor ceases to be the Operating Principal, a stockholder, member of the Continuity Group or a 10% Owner (or, if a guarantor is the spouse of a person holding one or more of these positions, the date the person ceases to hold the applicable positions). The restrictions contained in this Section 20 shall not apply to ownership of less than a 5% legal or beneficial ownership in the outstanding equity securities of any publicly held corporation. The existence of any claim Franchisee or any guarantor of Franchisee's obligations may have against CJR or its affiliates, whether or not arising from this Agreement, shall not constitute a defense to the enforcement by CJR of the covenants in this Section 20.

At CJR's request, unless otherwise prohibited by law, Franchisee will obtain covenants similar in substance to those set forth in this Section 20 from any of its stockholders, managers, directors, members, officers, or restaurant managers and from family members of guarantors.

F. Injunctive Relief

Franchisee acknowledges and agrees that violation of the covenants contained in this Section 20 will result in immediate and irreparable injury to CJR for which money damages are not an adequate remedy. Therefore, in addition to being responsible for any damages caused to CJR arising from Franchisee's violation of this Section 20, CJR shall be entitled to seek the entry of an injunction prohibiting any conduct by Franchisee in violation of this Section 20.

21. TERMINATION

A. Termination Without Cure Period

In addition to the grounds for termination that may be stated elsewhere in this Agreement, CJR may terminate this Agreement, and the rights granted by this Agreement, upon written notice to Franchisee without an opportunity to cure upon the occurrence of any of the following events:

(1) Franchisee ceases to continuously operate the Franchised Restaurant for a period in excess of 5 consecutive days, unless the closing is due to a Force Majeure or is approved in writing in advance by CJR. If the closing is due to fire or other natural disaster, Franchisee must rebuild and reopen the Franchised Restaurant within six months following the fire or other natural disaster event or such longer period of time as agreed to with CJR.

(2) Franchisee is insolvent or is unable to pay its creditors (including CJR); files a petition in bankruptcy, an arrangement for the benefit of creditors or a petition for reorganization; there is filed against Franchisee a petition in bankruptcy, an arrangement for the benefit of creditors or petition for reorganization, which is not dismissed within 60 days of the filing; Franchisee makes an assignment for the benefit of creditors; or a receiver or trustee is appointed for Franchisee and not dismissed within 60 days of the appointment.

(3) Execution is levied against Franchisee's business or property; suit to foreclose any lien or mortgage against the premises or equipment of the Franchised Restaurant is instituted against Franchisee and is not dismissed within 60 days; or the real or personal property of the Franchised Restaurant shall be sold after levy thereupon by any sheriff, marshal or constable.

(4) There is a material breach by Franchisee of any obligation under Section 20.

(5) Any Transfer that requires CJR's prior written consent occurs without Franchisee having obtained that prior written consent.

(6) CJR discovers that Franchisee made a material misrepresentation or omitted a material fact in the information that was furnished to CJR in connection with its decision to enter into this Agreement.

(7) Franchisee knowingly falsifies any report required to be furnished CJR or makes any material misrepresentation in its dealings with CJR or fails to disclose any material facts to CJR.

(8) Franchisee fails to open the Franchised Restaurant for business within 18 months after the Property Control Date or within 60 days after CJR first authorizes the opening of the Franchised Restaurant.

(9) CJR makes a reasonable determination that continued operation of the Franchised Restaurant by Franchisee will result in an imminent danger to public health or safety.

(10) Franchisee loses possession of the Franchised Location through its own fault or its failure to extend the lease for the Franchised Location through the Initial Term of this Agreement.

(11) Franchisee, the Operating Principal, any stockholder, member, partner, director or officer of Franchisee, any member of the Continuity Group or any 10% Owner is convicted of, or pleads no contest to, a felony charge; a crime involving moral turpitude; or any other crime or offense that is reasonably likely, in the sole opinion of CJR, to adversely affect CJR, its affiliates or the System.

(12) Franchisee, the Operating Principal, any member of the Continuity Group, any 10% Owner or any affiliate of Franchisee remains in default beyond the applicable cure period under any

other agreement with CJR or its affiliates (provided that, if the default is not by Franchisee, Franchisee is given written notice of the default and a 30 day period to cure the default), or Franchisee remains in default beyond the applicable cure period under any real estate lease, equipment lease, or financing instrument relating to the Franchised Restaurant, or Franchisee remains in default beyond the applicable cure period with any vendor or supplier to the Franchised Restaurant, or Franchisee fails to pay when due any taxes or assessments relating to the Franchised Restaurant or its employees, unless Franchisee is actively prosecuting or defending the claim or suit in a court of competent jurisdiction or by appropriate government administrative procedure or by arbitration or mediation conducted by a recognized alternative dispute resolution organization.

B. Termination Following Expiration of Cure Period

(1) Except for those items listed in preceding Section 21.A., Franchisee shall have 30 days after written notice of default from CJR within which to remedy the default and provide evidence of that remedy to CJR. If any such default is not cured within that time, this Agreement shall terminate without further notice to Franchisee effective immediately upon expiration of that time, unless CJR notifies Franchisee otherwise in writing. Notwithstanding the foregoing, if the default cannot be corrected within 30 days, Franchisee shall have such additional time to correct the default as reasonably required (not to exceed 90 days) provided that Franchisee begins taking the actions necessary to correct the default during the 30 day cure period and diligently and in good faith pursues those actions to completion. Franchisee will be in default under this Section 21.B.(1) for any failure to materially comply with any of the requirements imposed by this Agreement, the OPM or otherwise in writing, or to carry out the terms of this Agreement in good faith.

(2) Notwithstanding the provisions of preceding Section 21.B.(1), if Franchisee defaults in the payment of any monies owed to CJR or its affiliates when such monies become due and payable and Franchisee fails to pay such monies within 10 days after receiving written notice of default, this Agreement will terminate effective immediately upon expiration of that time, unless CJR notifies Franchisee otherwise in writing.

(3) If Franchisee has received 2 or more notices of default within the previous 12 months, CJR shall be entitled to send Franchisee a notice of termination upon Franchisee's next default within that 12 month period under this Section 21.B. without providing Franchisee an opportunity to remedy the default.

(4) In addition to the other provisions of this Section 21.B, if CJR reasonably determines that Franchisee becomes or will become unable to meet its obligations to CJR or its affiliates under this Agreement, CJR may provide Franchisee written notice to that effect and demand that Franchisee provide those assurances reasonably designated by CJR, which may include security or letters of credit for the payment of Franchisee's obligations to CJR and its affiliates. If Franchisee fails to provide the assurances demanded by CJR within 30 days after its receipt of written notice from CJR, this Agreement shall terminate without further notice to Franchisee effective immediately upon expiration of that time, unless CJR notifies Franchisee otherwise in writing.

C. Termination Following Inspection

CJR shall have the right to periodically conduct inspections of the Franchised Restaurant to evaluate Franchisee's compliance with the System and this Agreement. Following each inspection, CJR will provide Franchisee an inspection report listing Franchisee's score on the inspection and those conditions at the Franchised Restaurant that must be rectified. If Franchisee fails to achieve a passing score on an inspection, the inspection report shall constitute a notice of default. If Franchisee fails to achieve a

passing score on the next inspection (which shall be conducted at least 30 days after Franchisee's receipt of the inspection report for the prior inspection), CJR may terminate this Agreement, without opportunity to cure, by providing Franchisee written notice of termination along with the inspection report.

D. Statutory Limitations

If any valid, applicable law or regulation of a competent governmental authority with jurisdiction over this Agreement requires a notice or cure period prior to termination longer than set forth in this Section, this Agreement will be deemed amended to conform to the minimum notice or cure period required by the applicable law or regulation.

22. OBLIGATIONS ON TERMINATION OR EXPIRATION

Upon termination or expiration of this Agreement:

A. Franchisee immediately shall cease operating the Franchised Restaurant.

B. Franchisee immediately shall pay CJR and its affiliates all sums due and owing CJR or its affiliates related to the Franchised Restaurant. In addition, if this Agreement is terminated following Franchisee's default, since it would be difficult, if not impossible, to determine the amount of damages that CJR will suffer as a result of Franchisee's breach, unless waived by CJR in its sole discretion, Franchisee immediately shall pay CJR, as damages and not as a penalty, the royalty fee that Franchisee would have paid during the period ("Damages Period") from the effective date of termination to the earlier of: **(1)** the 3-year anniversary of the effective date of termination; or **(2)** the date on which the Initial Term was scheduled to expire. The amount of such royalty fee during the Damages Period will be calculated by multiplying the average weekly royalty fee owed by Franchisee for the 52-week period prior to the effective date of termination by the number of weeks in the Damages Period. The obligation to pay this royalty fee survives termination of this Agreement and is in addition to, and not in lieu of, Franchisee's obligation to fully comply with its obligations under Section 20.C. following termination of this Agreement.

C. Franchisee promptly shall return to CJR the OPM, any copies of the OPM and all other materials and information furnished by CJR and delete all electronic copies of the OPM and all other materials and information furnished by CJR that are in Franchisee's possession. Franchisee promptly shall return to CJR, in good condition and repair excepting normal wear and tear, all computer software, disks, tapes and other electronic and magnetic storage media.

D. Franchisee and all persons and entities subject to the covenants contained in Section 20 shall continue to abide by those covenants and shall not, directly or indirectly, take any action that violates those covenants.

E. Franchisee immediately shall discontinue all use of the Proprietary Marks in connection with the Franchised Restaurant and of any and all items bearing the Proprietary Marks; remove the Proprietary Marks from the Franchised Restaurant and from clothing, signs, materials, motor vehicles and other items owned or used by Franchisee in the operation of the Franchised Restaurant (unless CJR directs Franchisee to temporarily refrain from doing so while CJR determines if it will exercise its option under Section 23); cancel all advertising for the Franchised Restaurant that contains the Proprietary Marks (including telephone directory listings); and take such action as may be necessary to cancel any filings or registrations for the Franchised Restaurant that contain any Proprietary Marks.

F. Unless CJR directs Franchisee to temporarily maintain the existing appearance of the Franchised Location while CJR determines if it will exercise its option under Section 23, Franchisee

promptly shall make such alterations and modifications to the Franchised Location as may be necessary to clearly distinguish to the public the Franchised Location from its former appearance and also make those specific additional changes as CJR may request for that purpose. If Franchisee fails to promptly make these alterations and modifications, CJR shall have the right (at Franchisee's expense, to be paid upon Franchisee's receipt of an invoice from CJR) to do so without being guilty of trespass or other tort.

G. Franchisee shall furnish CJR, within 30 days after the effective date of termination or expiration, evidence (certified to be true, complete, accurate and correct by an authorized officer of Franchisee) satisfactory to CJR of Franchisee's compliance with Sections 22.A. through 22.F.

H. Franchisee shall not, except with respect to a restaurant franchised by CJR or its affiliates which is then open and operating pursuant to an effective franchise agreement or a restaurant franchised by CJR or its affiliates which is under construction pursuant to a fully-signed franchise agreement: **(1)** operate or do business under any name or in any manner that might tend to give the public the impression that Franchisee is connected in any way with CJR or its affiliates or has any right to use the System or the Proprietary Marks; **(2)** make, use or avail itself of any of the materials or information furnished or disclosed by CJR or its affiliates under this Agreement or disclose or reveal any such materials or information or any portion thereof to anyone else; or **(3)** assist anyone not licensed by CJR or its affiliates to construct or equip a foodservice outlet substantially similar to a Carl's Jr. Restaurant.

23. OPTION TO PURCHASE

A. Upon the expiration or termination of this Agreement for any reason, CJR will have the option to purchase from Franchisee some or all of the assets used in the Franchised Restaurant ("Assets"). CJR may exercise its option by giving written notice to Franchisee at any time following expiration or termination up until 30 days after the later of: **(1)** the effective date of termination or expiration; or **(2)** the date Franchisee ceases to operate the Franchised Restaurant. As used in this Section 23, "Assets" shall mean and include, without limitation, leasehold improvements, equipment, vehicles, furnishings, fixtures, signs and inventory (non-perishable products, materials and supplies) used in the Franchised Restaurant, and the real estate fee simple or the lease or sublease for the Franchised Location. CJR shall be entitled to the entry of interlocutory and permanent orders of specific performance by a court of competent jurisdiction if Franchisee fails or refuses to timely meet its obligations under this Section 23.

B. CJR shall have the unrestricted right to assign this option to purchase the Assets. CJR or its assignee shall be entitled to all customary representations and warranties that the Assets are free and clear (or, if not, accurate and complete disclosure) as to: **(1)** ownership, condition and title; **(2)** liens and encumbrances; **(3)** environmental and hazardous substances; and **(4)** validity of contracts and liabilities inuring to CJR or affecting the Assets, whether contingent or otherwise.

C. The purchase price for the Assets ("Purchase Price") shall be their fair market value, (or, for leased assets, the fair market value of Franchisee's lease) determined as of the effective date of purchase in a manner that accounts for reasonable depreciation and condition of the Assets; provided, however, that the Purchase Price shall take into account the termination of this Agreement. Further, the Purchase Price for the Assets shall not contain any factor or increment for any trademark, service mark or other commercial symbol used in connection with the operation of the Franchised Restaurant nor any goodwill or "going concern" value for the Franchised Restaurant. CJR may exclude from the Assets purchased in accordance with this Section any equipment, vehicles, furnishings, fixtures, signs, and inventory that are not approved as meeting then-current standards for a Carl's Jr. Restaurant or for which Franchisee cannot deliver a Bill of Sale in a form satisfactory to CJR.

D. If CJR and Franchisee are unable to agree on the fair market value of the Assets within 30 days after Franchisee's receipt of CJR's notice of its intent to exercise its option to purchase the Assets, the fair market value shall be determined by two professionally certified appraisers, Franchisee selecting one and CJR selecting one. If the higher appraisal is more than 10% greater than the other appraisal, the two appraisers shall select a third professionally certified appraiser who also shall appraise the fair market value of the Assets. The average value set by the appraisers (whether two or three appraisers as the case may be) shall be conclusive and shall be the Purchase Price.

E. The appraisers shall be given full access to the Franchised Restaurant, the Franchised Location and Franchisee's books and records during customary business hours to conduct the appraisal and shall value the leasehold improvements, equipment, furnishings, fixtures, signs and inventory in accordance with the standards of this Section 23. The appraisers' fees and costs shall be borne equally by CJR and Franchisee.

F. Within 10 days after the Purchase Price has been determined, CJR may exercise its option to purchase the Assets by so notifying Franchisee in writing ("CJR's Purchase Notice"). The Purchase Price shall be paid in cash or cash equivalents at the closing of the purchase ("Closing"), which shall take place no later than 60 days after the date of CJR's Purchase Notice. From the date of CJR's Purchase Notice until Closing:

(1) Franchisee shall operate the Franchised Restaurant and maintain the Assets in the usual and ordinary course of business and maintain in full force all insurance policies required under this Agreement; and

(2) CJR shall have the right to appoint a manager, at CJR's expense, to control the day-to-day operations of the Franchised Restaurant and Franchisee shall cooperate, and instruct its employees to cooperate, with the manager appointed by CJR. Alternatively, CJR may require Franchisee to close the Franchised Restaurant during such time period without removing any Assets from the Franchised Restaurant.

G. For a period of 30 days after the date of CJR's Purchase Notice ("Due Diligence Period"), CJR shall have the right to conduct such investigations as it deems necessary and appropriate to determine: (1) the ownership, condition and title of the Assets; (2) liens and encumbrances on the Assets; (3) environmental and hazardous substances at or upon the Franchised Location; and (4) the validity of contracts and liabilities inuring to CJR or affecting the Assets, whether contingent or otherwise. Franchisee will afford CJR and its representatives access to the Franchised Restaurant and the Franchised Location at all reasonable times for the purpose of conducting inspections of the Assets; provided that such access does not unreasonably interfere with Franchisee's operation of the Franchised Restaurant.

H. During the Due Diligence Period, at its sole option and expense, CJR may (1) cause the title to the Assets that consist of real estate interests ("Real Estate Assets") to be examined by a nationally recognized title company and conduct lien searches as to the other Assets; (2) procure "AS BUILT" surveys of the Real Estate Assets; (3) procure environmental assessments and testing with respect to the Real Estate Assets; and/or (4) inspect the Assets that consist of leasehold improvements, equipment, vehicles, furnishings, fixtures, signs and inventory ("Fixed Assets") to determine if the Fixed Assets are in satisfactory working condition. Prior to the end of the Due Diligence Period, CJR shall notify Franchisee in writing of any objections that CJR has to any finding disclosed in any title or lien search, survey, environmental assessment or inspection. If Franchisee cannot or elects not to correct any such title defect, environmental objection or defect in the working condition of the Fixed Assets, CJR will have the option to either accept the condition of the Assets as they exist or rescind its option to purchase on or before the Closing.

I. Prior to the Closing, Franchisee and CJR shall comply with all applicable legal requirements, including the bulk sales provisions of the Uniform Commercial Code of the state in which the Franchised Restaurant is located and the bulk sales provisions of any applicable tax laws and regulations. Franchisee shall, prior to or simultaneously with the Closing, pay all tax liabilities incurred in connection with the operation of the Franchised Restaurant prior to Closing. CJR shall have the right to set off against and reduce the Purchase Price by any and all amounts owed by Franchisee to CJR, and the amount of any encumbrances or liens against the Assets or any obligations assumed by CJR.

J. If the Franchised Location is leased, CJR agrees to use reasonable efforts to effect a termination of the existing lease for the Franchised Location. If the lease for the Franchised Location is assigned to CJR or CJR subleases the Franchised Location from Franchisee, CJR will indemnify and hold Franchisee harmless from any ongoing liability under the lease from the date CJR assumes possession of the Franchised Location, and Franchisee will indemnify and hold CJR harmless from any liability under the lease prior to and including that date.

K. If Franchisee owns the Franchised Location, CJR, at its option, will either purchase the fee simple interest or, upon purchase of the other Assets, enter into a standard lease with Franchisee on terms comparable to those for which similar commercial properties in the area are then being leased. The initial term of this lease with Franchisee shall be at least 10 years with 4 options to renew of 5 years each and the rent shall be the fair market rental value of the Franchised Location. If Franchisee and CJR cannot agree on the fair market rental value of the Franchised Location, the appraisers (selected in the manner described in Section 2325.D.) shall determine the rental value.

L. At the Closing, Franchisee shall deliver instruments transferring to CJR or its assignee: **(1)** good and merchantable title to the Assets purchased, free and clear of all liens and encumbrances (other than liens and security interests acceptable to CJR or its assignee), with all sales and other transfer taxes paid by the Franchisee; **(2)** all licenses and permits for the Franchised Restaurant that may be assigned or transferred, with appropriate consents, if required; and **(3)** the lease or sublease for the Franchised Location, with appropriate consents, if required. If Franchisee cannot deliver clear title to all of the purchased Assets as indicated in this Section, or if there are other unresolved issues, the Closing shall be accomplished through an escrow.

24. RELATIONSHIP OF THE PARTIES

This Agreement does not create a fiduciary or other special relationship between the parties. No agency, employment, or partnership is created or implied by the terms of this Agreement, and Franchisee is not and shall not hold itself out as agent, legal representative, partner, subsidiary, joint venturer or employee of CJR or its affiliates or a joint employer with CJR or its affiliates. Franchisee shall have no right or power to, and shall not, bind or obligate CJR or its affiliates in any way or manner, nor represent that Franchisee has any right to do so. Franchisee shall not issue any press releases without the prior written approval of CJR.

Franchisee is an independent contractor and is solely responsible for all aspects of the development and operation of the Franchised Restaurant, subject only to the conditions and covenants established by this Agreement. Without limiting the generality of the foregoing, Franchisee acknowledges that CJR has no responsibility to ensure that the Franchised Restaurant is developed and operated in compliance with all applicable laws, ordinances and regulations and that CJR shall have no liability in the event the development or operation of the Franchised Restaurant violates any law, ordinance or regulation.

The sole relationship between Franchisee and CJR is a commercial, arms' length business relationship and, except as provided in Section 25, there are no third party beneficiaries to this Agreement.

Franchisee's business is, and shall be kept, totally separate and apart from any that may be operated by CJR. In all public records, in relationships with other persons, and on letterheads and business forms, Franchisee shall indicate its independent ownership of the Franchised Restaurant and that Franchisee is solely a franchisee of CJR. Franchisee shall post a sign in a conspicuous location in the Franchised Restaurant which will contain Franchisee's name and state that the Franchised Restaurant is independently owned and operated by Franchisee under a franchise agreement with CJR.

25. INDEMNIFICATION

A. Franchisee and all guarantors of Franchisee's obligations under this Agreement shall, at all times, indemnify, defend (with counsel reasonably acceptable to CJR), and hold harmless (to the fullest extent permitted by law) CJR and its parents and affiliates, and their respective predecessors, successors, assigns, past and present stockholders, directors, managers, officers, employees, members, agents and representatives (collectively "Indemnitees") from and against all "losses and expenses" (as defined below) incurred in connection with any action, suit, proceeding, claim, demand, investigation, inquiry (formal or informal), judgment or appeal thereof by or against CJR and/or Indemnitees or any settlement thereof (whether or not a formal proceeding or action had been instituted), arising out of or resulting from or connected with Franchisee's activities under this Agreement, excluding the gross negligence or willful misconduct of CJR. Franchisee promptly shall give CJR written notice of any such action, suit, proceeding, claim, demand, inquiry or investigation filed or instituted against Franchisee and, upon request, shall furnish CJR with copies of any documents from such matters as CJR may request.

At Franchisee's expense and risk, CJR may elect to assume (but under no circumstances will CJR be obligated to undertake) the defense and/or settlement of any action, suit, proceeding, claim, demand, investigation, inquiry, judgment or appeal thereof subject to this indemnification. Such an undertaking shall in no manner or form diminish Franchisee's obligation to indemnify and hold harmless CJR and Indemnitees. CJR shall not be obligated to seek recoveries from third parties or otherwise mitigate losses.

B. As used in this Section, the phrase "losses and expenses" shall include, but not be limited to, all losses; compensatory, exemplary and punitive damages; fines; charges; costs; expenses; lost profits; reasonable attorneys' fees; expert witness fees; court costs; settlement amounts; judgments; compensation for damages to CJR's reputation and goodwill; costs of or resulting from delays; financing; costs of advertising material and media time/space and the costs of changing, substituting or replacing the same; and any and all expenses of recall, refunds, compensation, public notices and other such amounts incurred in connection with the matters described.

26. CONSENTS, APPROVALS AND WAIVERS

A. Whenever this Agreement requires the prior approval or consent of CJR, Franchisee shall make a timely written request to CJR therefor; and any approval or consent received, in order to be effective and binding upon CJR, must be obtained in writing and be signed by an authorized officer of CJR.

B. CJR makes no warranties or guarantees upon which Franchisee may rely by providing any waiver, approval, consent or suggestion to Franchisee in connection with this Agreement, and assumes no liability or obligation to Franchisee therefor, or by reason of any neglect, delay, or denial of any request therefor. CJR shall not, by virtue of any approvals, advice or services provided to Franchisee, assume responsibility or liability to Franchisee or to any third parties to which CJR would not otherwise be subject.

C. No failure of CJR to exercise any power reserved to it by this Agreement or to insist upon strict compliance by Franchisee with any obligation or condition hereunder, and no custom or practice of the parties at variance with the terms of this Agreement, shall constitute a waiver of CJR's right to demand

exact compliance with any of the terms of this Agreement. A waiver by CJR of any particular default by Franchisee shall not affect or impair CJR's rights with respect to any subsequent default of the same, similar or different nature, nor shall any delay, forbearance or omission of CJR to exercise any power or right arising out of any breach or default by Franchisee of any of the terms, provisions or covenants of this Agreement affect or impair CJR's right to exercise the same, nor shall such constitute a waiver by CJR of any right hereunder, or the right to declare any subsequent breach or default and to terminate this Agreement prior to the expiration of its term. Subsequent acceptance by CJR of any payments due to it hereunder shall not be deemed to be a waiver by CJR of any preceding breach by Franchisee of any terms, covenants or conditions of this Agreement.

27. NOTICES

No notice, demand, request or other communication to the parties shall be binding upon the parties unless the notice is in writing, refers specifically to this Agreement and is addressed to: **(A)** if to Franchisee, addressed to Franchisee at the notice address set forth in Appendix A; and **(B)** if to CJR, addressed to CJR at its principal offices, current address: 6700 Tower Circle, Suite 1000, Franklin, Tennessee 37067 (marked Attn: Kerry Olson, General Counsel (Email: kolson@ckr.com) with a copy to Franchise Legal Team,) (Email: legal@ckr.com). Any party may designate a new address for notices by giving written notice of the new address pursuant to this Section. Notices shall be effective upon receipt or first rejection and may be: **(1)** delivered personally; **(2)** transmitted by email to the email address set forth above (or in Appendix A) with electronic confirmation of receipt; **(3)** mailed in the United States mail, postage prepaid, certified mail, return receipt requested; or **(4)** mailed via overnight courier.

28. FORCE MAJEURE

As used in this Agreement, the term "Force Majeure" means any act of God, strike, lock-out or other industrial disturbance, war (declared or undeclared), riot, epidemic, fire or other catastrophe, act of any government or other third party and any other cause not within the control of the party affected thereby. Franchisee's inability to obtain financing (regardless of the reason) shall not constitute Force Majeure. If the performance of any obligation by any party under this Agreement is prevented, hindered or delayed by reason of Force Majeure, which cannot be overcome by reasonable commercial measures, the parties shall be relieved of their respective obligations (to the extent that the parties, having exercised best efforts, are prevented, hindered or delayed in such performance) during the period of such Force Majeure. The party whose performance is affected by an event of Force Majeure shall give prompt written notice of such Force Majeure to the other party by setting forth the nature thereof and an estimate as to its duration. Notwithstanding the foregoing, nothing in this Section shall permit or excuse any delay or failure to remit any payment due the other party on the due date.

29. ENTIRE AGREEMENT

CJR and Franchisee acknowledge that each element of this Agreement is essential and material and that, except as otherwise provided in this Agreement, the parties shall deal with each other in good faith. This Agreement, the OPM, the documents referred to herein, and the attachments hereto, constitute the entire, full and complete agreement between the parties concerning Franchisee's rights, and supersede any and all prior or contemporaneous negotiations, discussions, understandings or agreements. There are no other representations, inducements, promises, agreements, arrangements, or undertakings, oral or written, between the parties relating to the matters covered by this Agreement other than those set forth in this Agreement and in the attachments. No obligations or duties that contradict or are inconsistent with the express terms of this Agreement may be implied into this Agreement. Except as expressly set forth herein, no amendment, change or variance from this Agreement shall be binding on either party unless mutually agreed to by the parties and executed in writing. Notwithstanding the foregoing, nothing in this Agreement

is intended to disclaim any representation made in the Carl's Jr. Franchise Disclosure Document provided to Franchisee.

30. SEVERABILITY AND CONSTRUCTION

A. Each article, paragraph, subparagraph, term and condition of this Agreement, and any portions thereof, will be considered severable. If, for any reason, any portion of this Agreement is determined to be invalid, contrary to, or in conflict with, any applicable present or future law, rule or regulation in a final, unappealable ruling issued by any court, agency or tribunal with valid jurisdiction in a proceeding to which CJR is a party, that ruling will not impair the operation of, or have any other effect upon, any other portions of this Agreement; all of which will remain binding on the parties and continue to be given full force and effect.

B. CJR has entered, and will continue to enter, into agreements with other franchisees. The manner in which CJR enforces its rights and the franchisees' obligations under any of those other agreements shall not affect the ability of CJR to enforce its rights or Franchisee's obligations under this Agreement. Except as otherwise provided in Section 25, nothing in this Agreement is intended, nor shall be deemed, to confer upon any person or legal entity other than Franchisee and CJR and its affiliates and such of their heirs, successors and assigns, any rights or remedies under or by reason of this Agreement.

C. Franchisee expressly agrees to be bound by any promise or covenant imposing the maximum duty permitted by law that is subsumed within the terms of any provision of this Agreement, as though it were separately articulated in and made a part of this Agreement, that may result from striking from any of the provisions of this Agreement any portion or portions which a court may hold to be unreasonable and unenforceable in a final decision to which CJR is a party, or from reducing the scope of any promise or covenant to the extent required to comply with such a court order.

D. No provision of this Agreement shall be interpreted in favor of, or against, any party because of the party that drafted this Agreement.

E. Whenever CJR has expressly reserved in this Agreement a right and/or discretion to take or withhold an action, or to grant or decline to grant Franchisee a right to take or withhold an action, except as otherwise expressly and specifically provided in this Agreement, CJR may make such decision or exercise its right and/or discretion on the basis of its judgment of what is in its best interests. This also applies if CJR is deemed to have a right and/or discretion. CJR's judgment of what is in the best interests of the System, at the time its decision is made or its right or discretion is exercised, can be made without regard to whether: **(1)** other reasonable alternative decisions or actions, or even arguably preferable alternative decisions or actions, could have been made by CJR; **(2)** CJR's decision or the action taken promotes its financial or other individual interest; **(3)** CJR's decision or the action taken applies differently to Franchisee and one or more other franchisees or CJR company-operated or affiliate-operated operations; or **(4)** CJR's decision or the action taken is adverse to Franchisee's interests. CJR will have no liability to Franchisee for any such decision or action. CJR and Franchisee intend that the exercise of CJR's right or discretion will not be subject to limitation or review. If applicable law implies a covenant of good faith and fair dealing in this Agreement, CJR and Franchisee agree that such covenant will not imply any rights or obligations that are inconsistent with a fair construction of the terms of this Agreement and that this Agreement grants CJR the right to make decisions, take actions and/or refrain from taking actions not inconsistent with Franchisee's rights and obligations under this Agreement.

F. Franchisee agrees that no past, present or future director, officer, employee, incorporator, member, partner, stockholder, subsidiary, affiliate, controlling party, entity under common control, ownership or management, vendor, service provider, agent, attorney or representative of CJR will have any

liability for: (1) any obligations or liabilities of CJR relating to or arising from this Agreement; (2) any claim against CJR based on, in respect of, or by reason of the relationship between Franchisee and CJR; or (3) any claim against CJR based on any alleged unlawful act or omission of CJR. This provision does not include a release of claims arising from representations in the Carl's Jr. Franchise Disclosure Document provided to Franchisee in connection with this Agreement or any claims arising under any applicable state or federal franchise laws regulating the offer or sale of the franchise for this Agreement (including without limitation the FTC Rule on Franchising (16 C.F.R. Part 436)).

31. GOVERNING LAW, FORUM AND LIMITATIONS

A. This Agreement and any claim or controversy arising out of, or relating to, rights and obligations of the parties under this Agreement and any other claim or controversy between the parties shall be governed by and construed in accordance with the laws of the State of Tennessee without regard to conflicts of laws principles. Nothing in this Section is intended, or shall be deemed, to make any Tennessee law regulating the offer or sale of franchises or the franchise relationship applicable to this Agreement if such law would not otherwise be applicable.

B. The parties agree that, to the extent any disputes cannot be resolved directly between them, Franchisee shall file any suit against CJR only in the federal or state court having jurisdiction where CJR's principal offices are located at the time suit is filed. CJR may file suit in the federal or state court located in the jurisdiction where its principal offices are located at the time suit is filed or in the jurisdiction where Franchisee resides or does business or where the Franchised Restaurant is or was located or where the claim arose. Franchisee consents to the personal jurisdiction of those courts over Franchisee and to venue in those courts.

C. Except for payments owed by one party to the other, and unless prohibited by applicable law, any legal action or proceeding (including the offer and sale of a franchise to Franchisee) brought or instituted with respect to any dispute arising from or related to this Agreement or with respect to any breach of the terms of this Agreement must be brought or instituted within a period of 2 years after the initial occurrence of any act or omission that is the basis of the legal action or proceeding, whenever discovered.

D. Franchisee and CJR waive, to the fullest extent permitted by law, any right or claim of any consequential, punitive or exemplary damages against each other and agree that, in the event of a dispute between them, each shall be limited to the recovery of actual damages sustained by it. **Franchisee and CJR waive, to the fullest extent permitted by law, the right to bring, or be a class member in, any class action suits and the right to trial by jury.**

E. If either party brings an action to enforce this Agreement in a judicial proceeding, the party prevailing in that proceeding shall be entitled to reimbursement of costs and expenses, including, but not limited to, reasonable accountants', attorneys', attorneys' assistants' and expert witness fees, the cost of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses, whether incurred prior to, in preparation for, or in contemplation of the filing of, the proceeding. If CJR utilizes legal counsel (including in-house counsel employed by CJR) in connection with any failure by Franchisee to comply with this Agreement, Franchisee shall reimburse CJR for any of the above-listed costs and expenses incurred by CJR. In any judicial proceeding, the amount of these costs and expenses will be determined by the court and not by a jury.

F. No right or remedy conferred upon or reserved to CJR or Franchisee by this Agreement is intended to be, nor shall be deemed, exclusive of any other right or remedy herein or by law or equity provided or permitted, but each shall be cumulative of every other right or remedy. The provisions of this Section 31 shall survive the expiration or earlier termination of this Agreement.

32. MISCELLANEOUS

A. Gender and Number

All references to gender and number shall be construed to include such other gender and number as the context may require.

B. Captions

All captions in this Agreement are intended solely for the convenience of the parties and none shall be deemed to affect the meaning or construction of any provision of this Agreement.

C. Counterparts

This Agreement may be executed in counterparts, and each copy so executed and delivered shall be deemed an original. This Agreement may be signed using electronic signatures, and such signatures will have full legal force and effect.

D. Time

Time is of the essence of this Agreement for each provision in which time is a factor. Whenever this Agreement refers to a period of days or months, the first day or month to be counted shall be the day or month of the designated action, event or notice. Except where otherwise noted, days shall be measured by calendar days, provided that if the last day of a period is a Saturday, Sunday or national holiday, the period automatically shall be extended to the next day that is not a Saturday, Sunday or national holiday.

E. Injunctive Relief

Franchisee recognizes that its failure to comply with the terms of this Agreement, including, but not limited to, the failure to fully comply with all post-termination obligations, is likely to cause irreparable harm to CJR, its affiliates and the System. Therefore, Franchisee agrees that, in the event of a breach or threatened breach of any of the terms of this Agreement by Franchisee, CJR shall be entitled to injunctive relief (both preliminary and permanent) restraining that breach and/or to specific performance without showing or proving actual damages and without posting any bond or security. Any equitable remedies sought by CJR shall be in addition to, and not in lieu of, all remedies and rights that CJR otherwise may have arising under applicable law or by virtue of any breach of this Agreement.

F. Authority

All information Franchisee provided to CJR in connection with Franchisee's franchise application and CJR's grant of this Franchise is truthful, complete and accurate. The persons signing this Agreement on behalf of Franchisee have full authority to enter into this Agreement and the other agreements contemplated by the parties. Execution of this Agreement or such other agreements by Franchisee does not and will not conflict with or interfere with, directly or indirectly, intentionally or otherwise, with the terms of any other agreement with any other third party to which Franchisee or any person with an ownership interest in Franchisee is a party.

G. Control During Crisis Situation

If an event occurs at the Franchised Restaurant that may damage the Proprietary Marks, the System or the reputation of CJR (collectively "Crisis Situation"), Franchisee shall: **(1)** immediately contact

appropriate emergency care providers to assist it in curing the harm or injury; and **(2)** immediately inform CJR by telephone of the Crisis Situation. Franchisee shall refrain from making any internal or external announcements (*i.e.*, no communication with the news media) regarding the Crisis Situation (unless otherwise directed by CJR or public health officials).

To the extent CJR deems appropriate, in its sole and absolute discretion, CJR or its designee may control the manner in which the Crisis Situation is handled by the parties, including, without limitation, conducting all communication with the news media and/or temporarily closing the Franchised Restaurant. The parties acknowledge that, in directing the management of any Crisis Situation, CJR or its designee may engage the services of attorneys, experts, doctors, testing laboratories, public relations firms and those other professionals as it deems appropriate. Franchisee and its employees shall cooperate fully with CJR or its designee in its efforts and activities in this regard and shall be bound by all further Crisis Situation procedures developed by CJR from to time hereafter. The indemnification under Section 25 shall include all losses and expenses that may result from the exercise by CJR or its designee of the management rights granted in this Section 32.G.

H. Compliance with U.S. Laws

Franchisee acknowledges that under applicable U.S. law, including, without limitation, Executive Order 13224, signed on September 23, 2001 (“Order”), CJR is prohibited from engaging in any transaction with any person engaged in, or with a person aiding any person engaged in, acts of terrorism, as defined in the Order. Accordingly, Franchisee represents and warrants to CJR that as of the date of this Agreement, neither Franchisee nor any person holding any ownership interest in Franchisee, controlled by Franchisee, or under common control with Franchisee is designated under the Order as a person with whom business may not be transacted by CJR, and that Franchisee: **(1)** does not, and hereafter shall not, engage in any terrorist activity; **(2)** is not affiliated with and does not support any individual or entity engaged in, contemplating, or supporting terrorist activity; and **(3)** is not acquiring the rights granted under this Franchise Agreement with the intent to generate funds to channel to any individual or entity engaged in, contemplating, or supporting terrorist activity, or to otherwise support or further any terrorist activity.

I. FOR THE FOLLOWING STATES ONLY: CALIFORNIA, HAWAII, ILLINOIS, INDIANA, MARYLAND, MICHIGAN, MINNESOTA, NEW YORK, NORTH DAKOTA, RHODE ISLAND, SOUTH DAKOTA, VIRGINIA, WASHINGTON, WISCONSIN

If Franchisee is a resident of one of the states listed in the heading of this Section 32.I (the “Applicable Franchise Registration State”) or a non-resident who is acquiring franchise rights permitting the location of the Franchised Restaurant in the Applicable Franchise Registration State, then the following applies:

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

IN WITNESS WHEREOF, the parties have executed this Agreement by their duly authorized representatives.

In consideration of, and as an inducement to, the execution of the Carl's Jr. Restaurant Franchise Agreement dated as of _____ ("Agreement") by Carl's Jr. Restaurants LLC ("CJR"), entered into with _____ ("Franchisee"), the undersigned ("Guarantors"), each of whom is a member of Franchisee's Continuity Group or a 10% Owner, or the spouse thereof, hereby personally and unconditionally agree as follows:

1. Guarantee To Be Bound By Certain Obligations. Guarantors hereby personally and unconditionally guarantee to CJR and its successors and assigns, for the term of the Agreement and thereafter as provided in the Agreement or at law or in equity, that each will be personally bound by the restrictions contained in Section 20 of the Agreement.

2. Guarantee and Assumption of Franchisee's Obligations. Guarantors hereby: (A) guarantee to CJR and its successors and assigns, for the term of the Agreement and thereafter as provided in the Agreement or at law or in equity, that Franchisee and any assignee of Franchisee's interest under the Agreement shall: (1) punctually pay and perform each and every undertaking, agreement and covenant set forth in the Agreement and (2) punctually pay all other monies owed to CJR and/or its affiliates; (B) agree to be personally bound by each and every provision in the Agreement, including, without limitation, the provisions of Sections 20 and 25; and (C) agree to be personally liable for the breach of each and every provision in the Agreement.

3. General Release. Except as set forth in this Section 3, each Guarantor (if an individual, on behalf of him/herself and his/her heirs, representatives, successors and assigns, and if a business entity, on behalf of itself and its parent, subsidiaries and affiliates) (each a "Releasor" and collectively, "Releasors"), freely and without any influence forever release and covenant not to sue CJR, its parents, subsidiaries, affiliates, predecessors and successors and their respective past and present officers, directors, managers, shareholders, members, agents and employees, in their corporate and individual capacities (collectively, "CJR Releasees"), from any and all claims, demands, liabilities and causes of action of whatever kind or nature, whether known or unknown, vested or contingent, suspected or unsuspected (collectively "claims"), which any Releasor now owns or holds or may in the future own or hold based on, arising out of or relating to, in whole or in part, any fact, event, conduct or omission occurring on or before the date of this Guarantee, including, without limitation, claims arising under federal, state and local laws, rules and ordinances, claims for contribution, indemnity and/or subrogation, and claims arising out of, or relating to the Agreement and all other agreements between any Releasor and any CJR Releasee, the sale of a franchise to any Releasor, the development of any Franchised Restaurant and the development and operation of all other restaurants operated by any Releasor that are or were franchised by CJR or its parents, subsidiaries, affiliates or predecessors. Each Guarantor (on behalf of the applicable Releasors) expressly agrees that fair consideration has been given by CJR for this release and it fully understands that this is a negotiated, complete and final release of all claims. This release does not include a release of claims arising from representations in the Carl's Jr. Franchise Disclosure Document provided to any Releasor in connection with the Agreement or any claims arising under any applicable state or federal franchise laws regulating the offer or sale of the franchise for the Agreement as of the date of the Agreement (including without limitation the FTC Rule on Franchising (16 C.F.R. Part 436)).

4. General Terms and Conditions. The following general terms and conditions shall apply to this Guarantee:

A. Each of the undersigned waives: (1) acceptance and notice of acceptance by CJR of the foregoing undertakings; (2) notice of demand for payment of any indebtedness or nonperformance of any obligations hereby guaranteed; (3) protest and notice of default to any party with respect to the

indebtedness or nonperformance of any obligations hereby guaranteed; **(4)** any right he may have to require that an action be brought against Franchisee or any other person as a condition of liability; **(5)** all rights to payments and claims for reimbursement or subrogation which any of the undersigned may have against Franchisee arising as a result of the execution of and performance under this Guarantee by the undersigned; **(6)** any law or statute which requires that CJR make demand upon, assert claims against or collect from Franchisee or any others, foreclose any security interest, sell collateral, exhaust any remedies or take any other action against Franchisee or any others prior to making any demand upon, collecting from or taking any action against the undersigned with respect to this Guarantee; **(7)** any and all other notices and legal or equitable defenses to which he may be entitled; and **(8)** any and all right to have any legal action under this Guarantee decided by a jury.

B. Each of the undersigned consents and agrees that: **(1)** his direct and immediate liability under this Guarantee shall be joint and several; **(2)** he shall render any payment or performance required under the Agreement if Franchisee fails or refuses punctually to do so; **(3)** such liability shall not be contingent or conditioned upon pursuit by CJR of any remedies against Franchisee or any other person; **(4)** such liability shall not be diminished, relieved or otherwise affected by any amendment of the Agreement, any extension of time, credit or other indulgence which CJR may from time to time grant to Franchisee or to any other person including, without limitation, the acceptance of any partial payment or performance or the compromise or release of any claims, none of which shall in any way modify or amend this Guarantee, which shall be continuing and irrevocable during the term of the Agreement and for so long thereafter as there are monies or obligations owing from Franchisee to CJR or its affiliates under the Agreement; and **(5)** monies received from any source by CJR for application toward payment of the obligations under the Agreement and under this Guarantee may be applied in any manner or order deemed appropriate by CJR. In addition, if any of the undersigned ceases to be a member of the Continuity Group, a 10% Owner, an officer or director of Franchisee or own any direct or indirect interest in Franchisee or the Franchised Restaurant, that person (and his spouse, if the spouse is also a guarantor) agrees that the obligations under this Guarantee shall continue to remain in force and

effect unless CJR in its sole discretion, in writing, releases those person(s) from this Guarantee. Notwithstanding the provisions of the previous sentence, unless prohibited by applicable law, the obligations contained in Section 17.C. of the Agreement shall remain in force and effect for a period of 2 years after any such release by CJR. A release by CJR of any of the undersigned shall not affect the obligations of any other Guarantor.

C. If CJR brings an action to enforce this Guarantee in a judicial proceeding or arbitration, the prevailing party in such proceeding shall be entitled to reimbursement of its costs and expenses, including, but not limited to, reasonable accountants', attorneys', attorneys' assistants' and expert witness fees, cost of investigation and proof of facts, court costs, other litigation expenses and travel and living expenses, whether incurred prior to, in preparation for or in contemplation of the filing of any such proceeding. In any judicial proceeding, these costs and expenses shall be determined by the court and not by a jury.

D. If CJR utilizes legal counsel (including in-house counsel employed by CJR or its affiliates) in connection with any failure by the undersigned to comply with this Guarantee, the undersigned shall reimburse CJR for any of the above-listed costs and expenses incurred by it.

E. If any of the following events occur, a default ("Default") under this Guarantee shall exist: **(1)** failure of timely payment or performance of the obligations under this Guarantee; **(2)** breach of any agreement or representation contained or referred to in this Guarantee; **(3)** the dissolution of, termination of existence of, loss of good standing status by, appointment of a receiver for, assignment for the benefit of creditors of, or the commencement of any insolvency or bankruptcy proceeding by or against,

any of the undersigned; and/or (4) the entry of any monetary judgment or the assessment against, the filing of any tax lien against, or the issuance of any writ of garnishment or attachment against any property of or debts due any of the undersigned. If a Default occurs, the obligations of the undersigned shall be due immediately and payable without notice. Upon the death of one of the undersigned, the estate shall be bound by this Guarantee for all obligations existing at the time of death. The obligations of the surviving Guarantors shall continue in full force and effect.

F. This Guarantee shall inure to the benefit of and be binding upon the parties and their respective heirs, legal representatives, successors and assigns. CJR's interests in and rights under this Guarantee are freely assignable, in whole or in part, by CJR. Any assignment shall not release the undersigned from this Guarantee.

G. Sections 31.A. through 31.F. of the Agreement are incorporated by reference into this Guarantee and all capitalized terms that are not defined in this Guarantee shall have the meaning given them in the Agreement.

ACKNOWLEDGMENT ADDENDUM TO CARL'S JR RESTAURANT FRANCHISE AGREEMENT

THIS ACKNOWLEDGMENT ADDENDUM DOES NOT APPLY TO CANDIDATES LOCATED IN, OR FRANCHISED RESTAURANT BUSINESSES TO BE LOCATED IN, ANY OF THE FOLLOWING FRANCHISE REGISTRATION STATES: CA, HI, IL, IN, MD, MI, MN, NY, ND, RI, SD, VA, WA, WI.

As you know, you and we are entering into a Franchise Agreement for the operation of a Carl's Jr. Restaurant franchise. Please review each of the following statements carefully and confirm their accuracy or advise us of their inaccuracy.

Acknowledgments and Representations. I, the undersigned Franchisee, hereby acknowledge and represent to Carl's Jr. Restaurants LLC ("CJR"), as follows:

A. I have received a copy of Carl's Jr. Restaurants Franchise Disclosure Document (and all exhibits and attachments) (the "Disclosure Document") at least fourteen calendar days prior to signing the Carl's Jr. Restaurants Franchise Agreement (the "Franchise Agreement"). If I am a resident of Iowa, I acknowledge that I received the Disclosure Document at the earlier of the first personal meeting or at least 10 business days before the execution of any franchise or other agreement or payment of any consideration that relates to the franchise relationship. *If not accurate, please comment:* _____

B. The Franchise Agreement involves significant legal and business rights and risks. CJR does not guarantee my success. I have read the Franchise Agreement in its entirety, conducted an independent investigation of the business contemplated by the Franchise Agreement, have been thoroughly advised with regard to the terms and conditions of the Franchise Agreement by legal counsel or other advisors of my choosing, recognize that the nature of the business conducted by Carl's Jr. Restaurants may change over time, have had ample opportunity to investigate all representations made by or on behalf of CJR, and have had ample opportunity to consult with current and former franchisees of CJR. The prospect for success of the business undertaken by me is speculative and depends to a material extent upon my personal commitment, capability and direct involvement in the day-to-day management of the business. *If not accurate, please comment:* _____

C. CJR makes no express or implied warranties or representations that I will achieve any degree of success in the development or operation of the Franchised Restaurant and that success in the development and operation of the Franchised Restaurant depends ultimately on my efforts and abilities and on other factors, including, but not limited to, market and other economic conditions, my financial condition and competition. *If not accurate, please comment:* _____

D. CJR has entered, and will continue to enter, into agreements with other franchisees. The manner in which CJR enforces its rights and the franchisees' obligations under any of those other agreements shall not affect the ability of CJR to enforce its rights or my obligations under my Franchise Agreement. *If not accurate, please comment:* _____

E. Other than as expressly stated in Item 19 of the Disclosure Document, I have not received from CJR or its affiliates or anyone acting on their behalf, any oral, written or visual claim, statement,

promise or representation to me that stated, suggested, predicted or projected sales, revenues, earnings, income or profit levels at any Carl's Jr. Restaurant location. *If not accurate, please comment:* _____

F. I have not received from CJR or its affiliates or anyone acting on their behalf, any representations other than those contained in the Carl's Jr. Franchise Disclosure Document provided to Franchisee as inducements to enter this Agreement. *If not accurate, please comment:* _____

G. I understand that I am responsible for developing my own business plan for my Carl's Jr. Restaurant business, including capital budgets, financial statements, projections and other elements appropriate to your particular circumstances, and as part of my planning, I need to take into account the expenses I will incur. Expenses that I may incur include, but are not limited to, royalty and marketing fees, interest on debt service, insurance, legal and accounting charges, and depreciation/ amortization. I have been advised to consult with my professional advisors to assist me to identify the expenses I likely will incur, to prepare my budgets, and to assess the likely or potential financial performance of my Store. In developing the business plan, I understand that I should make necessary allowance for changes in financial results to income, expenses, or both, that may result from operation of my store during periods of, or in geographic areas suffering from, economic downturns, inflation, unemployment, or other negative economic influences. *If not accurate, please comment:* _____

H. I understand that any training, support, guidance or tools CJR provides to me as part of the franchise are for the purpose of protecting the Carl's Jr. Restaurants brand and trademarks and to assist me in the operation of my business and not for the purpose of controlling or in any way intended to exercise or exert control over my decisions or day-to-day operations of my business, including my sole responsibility for the hiring, wages and other compensation (including benefits), training, supervision and termination of my employees and all other employment and employee related matters. *If not accurate, please comment:* _____

I. On the receipt pages of my Disclosure Document I identified _____
_____ as the franchise sellers involved in this franchise sales process (these are the company representatives who offered me my franchise). The franchise sellers identified above are the only franchise sellers involved with this transaction. *If not accurate, please identify any additional franchise sellers involved with this transaction:* _____

IF MORE SPACE IS NEEDED TO RESPOND TO ANY REPRESENTATION, CONTINUE ON A SEPARATE SHEET AND ATTACH.

I UNDERSTAND THAT MY ANSWERS ARE IMPORTANT AND THAT CARL'S JR. RESTAURANTS, LLC WILL RELY ON THEM. BY SIGNING THIS ADDENDUM, I REPRESENT THAT I HAVE CONSIDERED EACH REPRESENTATION CAREFULLY AND RESPONDED FULLY AND TRUTHFULLY.

NOTE: IF THE RECIPIENT IS A CORPORATION, PARTNERSHIP, LIMITED LIABILITY COMPANY OR OTHER ENTITY, EACH OF ITS PRINCIPAL OWNERS MUST EXECUTE THIS ACKNOWLEDGMENT.

APPENDIX G
LEASE ADDENDUM

CARL'S JR. LEASE ADDENDUM

THIS ADDENDUM to the Lease Agreement dated as of _____ (“Lease”) between _____ (“Landlord”) and _____ (“Tenant”) is entered into as of the effective date of the Lease.

RECITALS:

Pursuant to the Lease, Landlord will lease or has leased to Tenant certain real property as defined in the Lease (“Premises”) for the operation of a franchised Carl’s Jr. Restaurant (“Restaurant”);

Tenant will develop and operate the Restaurant pursuant to a franchise agreement (the “Franchise Agreement”) with Carl’s Jr. Restaurants LLC or its affiliates (collectively “CJR”), and the Lease is contingent upon Tenant’s execution of the Franchise Agreement with CJR; and

The Franchise Agreement requires, among other things, that the Lease contain certain provisions. Landlord and Tenant desire to modify the Lease to add those required provisions as set forth below, and agree that the terms and provisions of this Lease Addendum are hereby deemed incorporated into and made a part of the Lease.

NOW, THEREFORE, notwithstanding anything to the contrary elsewhere in the Lease, for good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, Landlord and Tenant agree as follows:

1. The effectiveness of the Lease is contingent upon Tenant’s execution of the Franchise Agreement with CJR within 30 days after the date of this Addendum.
2. Landlord consents to Tenant’s use of the proprietary signs, distinctive exterior and interior designs, colors and layouts, and the trademarks prescribed by CJR (collectively, “Proprietary Marks”), and upon expiration or the earlier termination of the Lease, consents to permit Tenant, at Tenant’s expense, to remove all such items and other trade fixtures, so long as Tenant makes repairs to the Premises caused by such removal.
3. Landlord and Tenant each agrees to provide CJR (at the same time as sent to the other party) a copy of all amendments, assignments, any notices of default, option and refusal rights notices and any other material documents or correspondence or notices pertaining to the Lease and the Premises, including without limitation, tenant estoppel certificates and subordination agreements. CJR’s mailing address, until further notice, for this purpose is Attention: Franchise Legal Team, 6700 Tower Circle, Suite 1000, Franklin, TN 37067.
4. Following reasonable notice to Landlord, CJR shall have the right to enter the Premises to make any modifications or alterations necessary to protect the “Carl’s Jr. Restaurant System” and the Proprietary Marks and to cure any Tenant default under the Lease within the time periods provided by the Lease, and charge Tenant for all costs incurred in making such modifications or alterations and for curing any such default, all without being guilty of trespass or other tort.
5. Landlord agrees that Tenant, and not CJR, shall be solely responsible for all obligations, debts and payments under the Lease and that CJR shall have no liability in that regard.

6. Landlord agrees that, following the expiration or earlier termination of the Lease or the Franchise Agreement, Tenant shall have the right to make those alterations and modifications (including removal and demolition of improvements installed by Tenant or CJR if necessary) to the Premises or any part thereof as may be necessary to clearly distinguish to the public the Premises from a Carl's Jr. Restaurant and also to make those specific additional changes as CJR reasonably may require for that purpose. This includes, but is not limited to, removal of all Proprietary Marks. Landlord further agrees that, if Tenant fails to promptly make the necessary alterations and modifications, CJR shall have the right to do so without being guilty of trespass or other tort so long as CJR makes repairs to the building caused by such removal.

7. Notwithstanding anything to the contrary contained in the Lease, Landlord agrees not to amend or otherwise modify the Lease in any manner that would affect any of the requirements set forth herein without CJR's prior written consent.

8. Tenant may assign the Lease, or any right or rights therein (including without limitation purchase options or rights of first refusal), to CJR or its parent, affiliates or subsidiaries (without Landlord's consent) or its designee (with Landlord's consent which consent shall not be unreasonably withheld) and without payment of any assignment fee or similar charge or increase in any rentals or other charges payable to Landlord.

9. Landlord consents to Tenant's collateral assignment of the Lease to CJR or its designee, granting CJR the option, but not the obligation, to assume the Lease and/or any or all rights therein.

10. If Tenant fails to exercise, for any reason, any term renewal or term extension right under the Lease, then CJR may exercise such right, and upon the exercise of such right by CJR, Tenant agrees that the Lease shall be deemed transferred and assigned to CJR, effective upon the commencement of the renewal or extension term, without any further action of the parties, and Landlord consents to such transfer and assignment, and Tenant shall remain obligated under the Lease. If Tenant fails to exercise, for any reason, any purchase option or right of first refusal or similar right under the Lease, then CJR may exercise such right, and upon the exercise of such right by CJR, Tenant agrees that such right shall be deemed transferred and assigned to CJR without any further action of the parties, and Landlord consents to such transfer and assignment, and Tenant shall remain obligated under the Lease. Landlord and Tenant acknowledge that CJR's exercise of the foregoing rights is subject to Tenant's right to exercise such rights, and that if Tenant legally exercises such right within the time permitted under the Lease, CJR's exercise of such rights, whether before or after Tenant's exercise, shall be void.

11. CJR is hereby deemed a third party beneficiary of this Addendum solely for the purpose of enforcing any rights granted to or otherwise available to CJR under this Addendum.

12. The foregoing provisions shall apply during the entire term of the Lease, including any renewal term. To the extent there is any conflict between the terms set forth in the body of the Lease and the terms set forth in this Lease Addendum, the terms of this Lease Addendum will control.

13. This Addendum may be executed in counterparts, and each copy so executed and delivered shall be deemed to be an original.

14. Each of the persons executing this Addendum on behalf of each party represents and warrants that said party has the full right, power and authority to execute and deliver this Addendum and that each person signing on said party's behalf is authorized to do so.

[Remainder of Page Intentionally Blank]

IN WITNESS WHEREOF, the parties have duly executed, sealed and delivered this Addendum as of the day and year first above written.

Licensee shall notify Licensor immediately upon discovery of any prohibited use or disclosure of the Confidential Information, or any other breach of these confidentiality obligations by Licensee, and shall fully cooperate with Licensor to help Licensor regain possession of the Confidential Information and prevent the further prohibited use or disclosure of the Confidential Information.

ARTICLE 5 NO WARRANTIES

LICENSOR DOES NOT WARRANT THAT THE LICENSED PROGRAM OR CONTENT WILL MEET LICENSEE'S REQUIREMENTS OR THAT THE OPERATION OF THE LICENSED PROGRAM OR CONTENT WILL BE UNINTERRUPTED OR ERROR-FREE, OR THAT ERRORS IN THE LICENSED PROGRAM OR CONTENT WILL BE CORRECTED. THE ENTIRE RISK OF THE QUALITY AND PERFORMANCE OF THE LICENSED PROGRAM AND CONTENT IS WITH LICENSEE. LICENSOR MAKES NO REPRESENTATIONS REGARDING THE VENDOR.

ARTICLE 6
INDEMNIFICATION

In addition to and not in substitution for any indemnity provided in the Franchise Agreements, Licensee hereby expressly agrees to indemnify and hold harmless Licensor, its affiliates and their respective employees, officers, directors, principals, successors, assigns, or agents, past or present from and against any claims, losses, costs, expenses (including, without limitation, reasonable legal fees), liabilities and damages arising out of or related to this Agreement and/or Licensee's use of the Licensed Program and Content including but not limited to: (i) any breach of any representation or warranty made by Licensee in this Agreement; (ii) any non-fulfillment or breach by Licensee of any of its agreements, covenants or obligations in this Agreement; or (iii) any reckless, malicious, or other tortious conduct by Licensee in connection with the obligations under this Agreement.

ARTICLE 8
TERM AND TERMINATION

8.1 Term. Unless this Agreement is terminated by its terms, the term of this Agreement commences on the Effective Date and remains in force until the earlier of: (a) for each Franchised Restaurant, the termination or expiration of the respective Franchise Agreement; or (b) Licensor's determination, in its sole discretion, to require Licensee to license from Licensor or a third-party provider the same or different licensed program and/or content under then-applicable terms. If Licensor loses the right to provide Licensee access to the Licensed Program, then this Agreement shall be amended or terminated as necessary. In addition, Licensee shall have the right to terminate this Agreement for any reason and at any time by providing Licensor with 60 days written notice of its intent to cease using the Licensed Program and Content.

8.2 Cessation of Use. Upon termination of this Agreement, Licensor will disconnect Licensee from the Licensed Program and Content and deactivate passwords, as applicable. Licensee shall cease

using the Licensed Program and Content and promptly return to Licensor all copies of all such materials and all other Confidential Information in its possession or control. Licensee shall delete all copies of such materials residing in on-line or off-line computer memory, and destroy all copies of such materials that also incorporate Confidential Information. Licensor shall be entitled to enter the Franchised Restaurants to repossess and remove the Licensed Program and Content, and any other Confidential Information. Licensee shall, within 5 days from the effective date of the termination, certify to Licensor, in writing by an officer or director, that all copies of the Licensed Program and Content have been returned, deleted or destroyed. In the event of termination of the License granted by this Agreement for fewer than all Franchised Restaurants, Licensee shall comply with the foregoing with respect to the applicable Franchised Restaurants. Notwithstanding forgoing, upon request Licensee shall have the right to receive from Licensor such readily accessible reports or information containing data of Licensee's completed training modules (or other available data) with the understanding that Licensor shall not have the right to incur any additional expenses to provide such data to Licensee.

8.3 Injunctive Relief. Licensee acknowledges and agrees that its failure to comply with the terms of this Agreement, including the failure to fully comply with the post-termination obligations set forth in Section 8.2, is likely to cause irreparable harm to Licensor and/or Vendor not fully compensable by money damages and therefore Licensor shall not have an adequate remedy at law. Therefore, Licensee agrees that, in the event of a breach or threatened breach of any of the terms of this Agreement by Licensee, Licensor and Vendor shall be entitled to a preliminary and final injunction restraining the breach and/or to specific performance, without the necessity of posting any bond or undertaking in connection therewith. Any equitable remedies sought by Licensor shall be in addition to, and not in lieu of, all remedies and rights that Licensor otherwise may have arising under applicable law or by virtue of any breach of this Agreement.

EXHIBIT E
PRELIMINARY AGREEMENT

PRELIMINARY AGREEMENT

THIS AGREEMENT is made as of _____, by and between Carl's Jr. Restaurants LLC ("CJR"), a Delaware limited liability company, and _____ ("Applicant").

RECITALS:

A. Applicant wishes to be considered by CJR for a franchise opportunity to develop and operate one or more Carl's Jr. ("Franchised Restaurants").

B. Before CJR will consider offering Applicant a franchise opportunity, Applicant must attend a meeting at CJR's offices and at a Carl's Jr. during which Applicant will have the opportunity to meet with, and be evaluated by, various CJR personnel ("Discovery Day"). In addition, CJR may require that Applicant, and/or an employee or employees or other individual or individuals designated by Applicant, and as agreed to and deemed appropriate by CJR ("Other Individuals"), each satisfactorily complete other training programs (collectively "Training Programs"), depending on CJR's determination of the need of those attending the Training Programs.

C. CJR will provide Applicant and Other Individuals a variety of information both while Applicant and Other Individuals attend Discovery Day and the Training Programs and thereafter, if CJR and Applicant continue to pursue a franchise opportunity.

D. The information that will be provided by CJR is confidential and CJR is not willing to disclose the information to Applicant or Other Individuals unless they agree to keep the information confidential. Accordingly, the parties are entering into this Agreement to ensure that Applicant and Other Individuals keep all such information confidential.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants, agreements and obligations set forth below, the parties agree as follows:

1. Confidential Information. As used in this Agreement, the term "Confidential Information" means any and all information, manuals and materials containing trade secrets; non-public business methods; improvements; data processes; formulae; designs; know-how; maps and trade area analyses; and all confidential technical and non-technical information that is disclosed by or on behalf of CJR or its affiliates to Applicant and/or Other Individuals. "Confidential Information" also includes all other information that Applicant and/or Other Individuals know or have reason to know is the confidential, trade secret, or proprietary information of CJR and/or its affiliates.

2. Non-Use and Non-Disclosure of Confidential Information.

A. Applicant and Other Individuals may use the Confidential Information solely for the purposes of evaluating whether or not to pursue a franchise opportunity with CJR and for participating in the Training Programs. Except as expressly authorized by CJR in writing, Applicant and Other Individuals agree to maintain all Confidential Information in strict confidence and not to use, or permit others to use, Confidential Information for any other purpose. Applicant will not disclose any Confidential Information to anyone other than Applicant's employees and/or third parties authorized by CJR to receive Confidential

Information, each of whom: **(1)** has a reasonable need to know the Confidential Information in connection with the evaluation of the franchise opportunity; **(2)** has been advised of the confidential nature of the Confidential Information; and **(3)** if requested by CJR, has signed an agreement, in a form satisfactory to CJR, obligating the employee or third party to comply with all the provisions of this Agreement. The obligations of non-use and non-disclosure with respect to particular items of Confidential Information will remain in effect indefinitely.

B. Applicant and Other Individuals may not make any copies of any Confidential Information, except as may be necessary for uses permitted under this Agreement. Applicant and Other Individuals agree that any copies made will bear a clear stamp or legend indicating their confidential nature. Applicant and Other Individuals agree not to remove, overprint, or deface any notice of copyrights, trademark, logo, or other notices of ownership from any originals or copies of the Confidential Information.

C. Although Applicant and Other Individuals understand that CJR has endeavored to include in the Confidential Information that information which CJR believes is relevant for Applicant's and Other Individuals' purposes, Applicant and Other Individuals further understand and agree that CJR does not make any representation or warranty as to the accuracy or completeness of the Confidential Information. Applicant and Other Individuals agree that neither CJR nor its representatives will have any liability to Applicant, its representatives or the Other Individuals resulting from the use of and reliance on the Confidential Information.

D. The Confidential Information, and all copies thereof, remain the property of CJR. Neither Applicant nor Other Individuals will acquire any rights in or to the Confidential Information pursuant to this Agreement.

E. Applicant and Other Individuals will immediately notify CJR of any information that comes to their attention which indicates that there has been or may be a loss of confidentiality of any of the Confidential Information or a breach of this Agreement.

3. Termination.

A. CJR may at any time and without cause: **(1)** terminate Applicant's and/or Other Individuals' participation in the Training Programs; and **(2)** elect not to offer a franchise opportunity to Applicant.

B. Applicant may at any time and without cause: **(1)** terminate Applicant's and/or Other Individuals' participation in the Training Programs; and **(2)** elect not to pursue a franchise opportunity with CJR.

4. Obligations Upon Termination. Upon termination of this Agreement, Applicant and Other Individuals will: **(A)** immediately cease to use the Confidential Information; **(B)** return to CJR the Confidential Information and all copies thereof (whether or not the copies were authorized) within 10 days after termination and cause any third party to whom disclosure was made do the same; and **(C)** at the request of CJR, certify in writing that Applicant and Other Individuals have complied with this Section.

5. No Agency. Applicant and Other Individuals are not employees or agents of CJR or its affiliates and are not entitled to, and will not receive, any compensation, including without limitation, salary, wages or employee benefits for participation in Discovery Day and/or the Training Programs. Applicant and Other Individuals will not receive any reimbursement for costs and expenses incurred by Applicant or Other Individuals as a result of Applicant's or Other Individuals' participation in Discovery Day and/or the Training Programs. Applicant and Other Individuals waive any and all rights to damages, the

reimbursement of expenses or costs, as well as the payment of any compensation related directly or indirectly to Applicant's or Other Individuals' participation in the Discovery Day and/or the Training Programs.

6. No Transfer. This Agreement is personal to Applicant and Other Individuals and it may not be transferred by assignment, will or operation of law.

7. Miscellaneous.

A. Applicant and Other Individuals agree that they will not discuss salaries with CJR personnel.

B. Applicant acknowledges receipt of CJR's Franchise Disclosure Document at least 14 calendar days prior to execution of this Agreement. Applicant further acknowledges that CJR advised Applicant to carefully read the Franchise Disclosure Document and this Agreement.

C. Applicant and Other Individuals understand and agree that no failure or delay by CJR in exercising any right, power, or privilege under this Agreement will operate as a waiver, nor will any single or partial exercise thereof preclude any other or future exercise thereof or the exercise of any other right, power or privilege under this Agreement.

D. If, for any reason, any portion of this Agreement is determined to be invalid, contrary to, or in conflict with any applicable present or future law, rule or regulation in a final, unappealable ruling issued by any court, agency or tribunal with valid jurisdiction in a proceeding to which CJR is a party, that ruling will not impair the operation of, or have any other effect upon, any other portions of this Agreement; all of which will remain binding on the parties and continue to be given full force and effect. If any material provision of this Agreement should be ruled invalid, CJR reserves the right to terminate this Agreement.

8. Injunctive Relief. Applicant and Other Individuals acknowledge and agree that: **(A)** disclosure of the Confidential Information by Applicant, its employees, third parties to whom Applicant has disclosed the Confidential Information or Other Individuals would result in irreparable harm to CJR, the extent of which would be difficult to ascertain; **(B)** monetary damages would be an inadequate remedy for such a breach; and **(C)** CJR will be entitled to specific performance and injunctive or other equitable relief as a court may deem appropriate in the event of such a breach without posting a bond or other security.

9. Indemnification and Attorneys' Fees. Applicant and Other Individuals agree to indemnify, defend and hold harmless CJR and its parents, subsidiaries, affiliates, predecessors, successors and assigns and their past and present directors, officers, employees, agents and representatives from any and all claims, demands and damages (including attorneys' fees) incurred in connection with or resulting from any breach of any obligation under this Agreement by Applicant, Other Individuals or representatives of Applicant. Applicant and Other Individuals agree that, if CJR institutes any proceedings to enforce the obligations of Applicant or Other Individuals under this Agreement, CJR will be entitled to recover its reasonable costs and expenses (including reasonable attorneys' fees and expenses) incurred in connection with any such proceeding.

10. Entire Agreement. This Agreement constitutes the entire, full and complete agreement between the parties concerning the subject matter covered herein and supersedes any and all prior or contemporaneous negotiations, discussions, understandings or agreements. There are no other representations, inducements, promises, agreements, arrangements or undertakings, oral or written, between the parties relating to the matters covered by this Agreement other than those set forth in this Agreement. No obligations or duties that contradict or are inconsistent with the express terms of this

Agreement may be implied into this Agreement. No amendment, change or variance from this Agreement will be binding on any party unless mutually agreed to by the parties and executed in writing. Notwithstanding the foregoing, nothing in this Agreement is intended to disclaim any representation made in CJR's Franchise Disclosure Document.

11. Governing Law and Jurisdiction.

A. This Agreement and any claim or controversy arising out of, or relating to, the rights and obligations of the parties under this Agreement and any other claim or controversy between the parties will be governed by and construed in accordance with the laws of the State of Tennessee without regard to conflicts of laws principles. Nothing in this Section is intended, or will be deemed, to make any Tennessee law regulating the offer or sale of franchises or the franchise relationship applicable to this Agreement if such law would not otherwise be applicable.

B. The parties agree that, to the extent any disputes cannot be resolved directly between them, Applicant and Other Individuals may file any suit against CJR only in the federal or state court having jurisdiction where CJR's principal offices are located at the time suit is filed. CJR may file suit in the federal or state court located in the jurisdiction where its principal offices are located at the time suit is filed or in the jurisdiction where Applicant or Other Individuals reside or do business. Applicant and Other Individuals consent to the personal jurisdiction of those courts over Applicant and Other Individuals and to venue in those courts.

C. Unless prohibited by applicable law, any legal action or proceeding brought or instituted with respect to any dispute arising from or related to this Agreement or with respect to any breach of the terms of this Agreement must be brought or instituted within a period of 2 years after the initial occurrence of any act or omission that is the basis of the legal action or proceeding, whenever discovered. **Applicant, Other Individuals and CJR waive, to the fullest extent permitted by law, the right to trial by jury.**

12. Franchise Offer. CJR is not obligated to offer Applicant a franchise and Applicant is not obligated to accept any franchise offer. No franchise offer by CJR will come into existence except by a written document executed by an officer of CJR which is specifically identified as a Letter of Intent, a License Agreement, a Purchase Agreement, a Development Agreement, or a Franchise Agreement. This Agreement is not an offer of a franchise or a commitment or promise by CJR to offer Applicant a franchise, and CJR's decision to make any franchise offer rests in CJR's sole discretion.

OLO AUTHORIZED OPERATOR AGREEMENT

OLO AUTHORIZED OPERATOR AGREEMENT

This Olo Authorized Operator Agreement (the “Agreement”), effective as of _____ (the “Effective Date”), is made by and between Olo Inc., a Delaware corporation with a business address at 285 Fulton St. 82nd Floor, New York, NY 10007 (“Olo”) and _____, a _____ with a business address at _____ (“Operator”).

RECITALS

WHEREAS, Olo offers e-commerce, delivery enablement, payment solutions, and other associated solutions and services; and

WHEREAS, Operator is an authorized franchisee or licensee of CKE Restaurants Holdings, Inc. (“Customer”);

WHEREAS, Customer has entered into an agreement (“Master Services Agreement”) with Olo, whereby Olo shall provide certain services to Customer which may include e-commerce, delivery enablement, payment solutions, and other associated solutions and services; and

WHEREAS, Operator desires to use the services made available to Customer pursuant to the Master Services Agreement, and Olo desires to make available such services for use by Operator, all pursuant to the terms and conditions of this Agreement.

NOW, THEREFORE, the parties agree as follows:

1. Definitions

“Aggregator” means an entity that offers End Users the ability to order Products (as defined below) from a range of different brands via a unified consumer-facing mobile application, website, storefront, or other means. For the avoidance of doubt, an Aggregator shall also be considered as a “Customer Third Party Provider.”

“Customer Third Party Providers” means third parties used and/or directed by Customer that interface with the Licensed Applications.

“End User(s)” means the consumers who access the Customer or Operator’s Licensed Applications (as defined herein) directly or indirectly, typically in conjunction with placing a digital order for the Product(s).

“Licensed Applications” means the products and services that are developed and operated by Olo to provide e-commerce, Aggregator integration, delivery enablement, and payment solutions and other associated services to its customers generally (through web, mobile web, mobile applications, voice ordering and call center solutions as applicable), and other related products and services which may be added from time-to-time, including any associated application program interfaces (“API(s)”) and any enhancements or modifications thereto.

“Operator Launch Date” means the specific date on which the initial Licensed Applications are available to End Users from Operator locations.

“Personally Identifiable Information” or “PII” means any and all individually identifiable information or data relating to a natural person that (a) directly or indirectly identifies or can be used to directly or indirectly identify an individual or household, (b) that relates to an individual or household, whose identity can be either directly or indirectly inferred, including any information that is linked or linkable to that individual or household, or (c) that may be considered personally identifiable information under any applicable Data Protection Laws (which includes any and all statutes, laws, ordinances, rules, regulations, codes, orders, official guidance, or other requirements of any federal, state, local, or foreign government or political subdivision thereof, or any arbitrator, court, or tribunal of any competent jurisdiction, relating to the protection, use, or security of personally identifiable information, including, but not limited to, the California Consumer Protection Act).

“Product” means the food, beverage and/or any other good provided by the Operator for order by an End User.

“Services” means any services that Olo provides with each Licensed Application to Operator.

2. Services

2.1. Use of this Agreement. To the extent applicable, terms and conditions specific to each selected Licensed Application and the Services shall be set forth in Addendums attached hereto.

The Services shall also include any required, usual, appropriate or acceptable methods to perform activities related to the Services, including without limitation (a) conducting analytics and other product improvement activities, (b) carrying out the Services or the business of which the Services are a part, (c) carrying out any benefits, rights and obligations related to the Services, (d) maintaining records relating to the Services, and (e) complying with any legal or self-regulatory obligations related to the Services.

3. License; Proprietary Rights

3.1. License. Subject to the terms and conditions of the Agreement and the applicable Addendums, Olo hereby grants to Operator, during the Term, a non-exclusive, non-sublicensable (except as permitted hereunder), non-transferable (except pursuant to Section 10.4) license to access and use for itself and its End Users, the specific Licensed Applications selected in the applicable Customer Order Form. Operator shall not (a) assign this Agreement to any third party (it being understood that any such assignment shall be void ab initio); or (b) transfer, sell, or assign the right to use the Licensed Applications, including for the avoidance of doubt to any Customer Third Party Provider (except pursuant to Section 10.4). Olo reserves the right, in its sole discretion, to promulgate commercially reasonable standards that must be adhered to by Customer Third Party Providers (including, but not limited to, Olo's certification

of all integrations to the Olo APIs). Any Customer Third Party Provider's breach or suspected breach of data security or confidentiality, abuse, or malicious or suspected malicious activities, may (at Olo's sole discretion) necessitate the immediate suspension, and possible termination, of Customer Third Party Provider's access to the Licensed Applications. A breach of the obligations set forth in this Section 3.1 by Operator may constitute a material breach of this Agreement.

3.2. Proprietary Rights. As between Operator and Olo, Operator hereby acknowledges and agrees that Olo owns all right, title and interest, including all copyrights and other intellectual property and proprietary rights, in and to the Licensed Applications, and all custom developed documents, designs, computer programs, computer systems, computer documentation and other work product authored or prepared by Olo upon the request of Customer or otherwise arising out of the Services (collectively, "Olo IP").

3.3. Trademark License. Operator acknowledges that the ownership, right, title and interest in and to Olo's trademarks rests with Olo and agrees that it will do nothing inconsistent with such ownership. Operator may use the slogan "Skip the Line®" in marketing materials and store displays in reference to the order ahead program utilizing the Licensed Applications; provided however that any display of such slogan clearly denotes the slogan as a registered trademark of Olo.

4. Confidentiality; Security

4.1. A Party receiving Confidential Information may only use Confidential Information to exercise its rights and fulfill its obligations under this Agreement and will take reasonable measures to avoid unauthorized disclosure or misuse of the Confidential Information, including, but not necessarily limited to, taking such security precautions as it takes to protect its own Confidential Information. During and after the Term, the receiving Party agrees not to disclose Confidential Information, except (a) to its employees, agents, independent contractors, or professional advisors who have a need to know the same and who are legally bound to keep it confidential; (b) to a potential acquirer of the receiving Party's relevant assets, stock, or business under a strict duty of confidentiality, but only to the extent such potential acquirer has executed a term sheet, letter of intent or other similar agreement to negotiate such acquisition, and (c) as required to be disclosed by applicable Law, or judicial or other governmental or regulatory order (provided that the disclosing Party must use reasonable efforts to notify the other Party, unless legally prohibited, prior to disclosure in order to afford such other Party the opportunity to at its own expense seek a protective order or otherwise prevent or limit the disclosure). For the avoidance of doubt, the terms of this Agreement are Confidential Information belonging to both parties.

4.2. Security. The terms of Olo's Security Policy, available at www.olo.com/security-policy, are hereby incorporated by reference. Customer may provide in writing additional minimum security requirements, which Olo will use commercially reasonable efforts to promptly implement.

5. Representations and Warranties

5.1. Each party represents and warrants that (a) it has the legal power and authority to enter into this Agreement; (b) it will not violate, or use or provide the Services (as applicable) in violation of, any applicable Laws, including any applicable privacy and Data Protection Laws, or any third party right; (c) it will use or provide the Services (as applicable) in compliance with its agreements with third parties; and (d) it will comply with the terms of the Olo Security Policy, which are incorporated into this Agreement by reference. Olo further represents and warrants

that (i) it will provide the Services in a manner consistent with general industry standards reasonably applicable to the provision thereof, and (ii) its Security Policy will be no less stringent throughout the Term, and for two (2) years following the termination of this Agreement, than is as described at www.olo.com/security-policy; (iii) the Licensed Applications will be free from viruses or other disabling features and perform in all material respects to the applicable documentation for each Licensed Application.

5.2. OLO MAKES NO REPRESENTATION OR WARRANTY OTHER THAN THOSE SET FORTH IN THIS AGREEMENT. THE WARRANTIES STATED IN THIS AGREEMENT ARE IN LIEU OF ALL OTHER WARRANTIES AND CONDITIONS EXPRESSED OR IMPLIED INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

6. Term and Termination

6.1. Term – Generally. The Term of this Agreement shall begin on the Operator Launch Date and shall remain in force for a period that shall expire once all corresponding Order Forms have terminated. This Agreement and corresponding Order Forms may terminate earlier as provided in Section 7.2 or Section 7.3, or as the parties may otherwise agree in writing.

6.2. Termination of the Master Services Agreement. This Agreement shall automatically terminate if and when the Master Services Agreement is terminated between Olo and Customer.

6.3. Termination for Cause; Reasonable Opportunity to Cure Breach. If a party breaches any material provision of this Agreement, the non-breaching party may terminate this Agreement and corresponding Order Forms by giving thirty (30) days' notice to the other party, except that such a termination shall not take effect if the breaching party cures the breach before the end of such thirty (30) day period. For purposes of this Agreement, breach of a material provisions means a breach that has caused or, with the passage of time, will cause substantial harm to the interests of the aggrieved party, specifically including but not limited to breaches

of 3.1 (License), 3.2 (Proprietary Rights), 3.3 (Trademark License) and 5 (Confidentiality; Security), or if the aggregate effect of non-material breaches by the same party satisfies this standard for materiality.

6.4. Termination of Franchise Agreement/Elimination of Location. This Agreement shall automatically terminate as to a franchised location if and when (i) the franchise agreement between Customer and Operator is terminated, in which case this Agreement shall terminate as to all Customer franchised locations of Operator, or (ii) Operator no longer owns and operates the franchised location, in which case, this Agreement shall only terminate as to such franchised location.

7. Indemnification

7.1. Each of Olo and Customer (in such capacity, the “Indemnifying Party”) shall defend, indemnify and hold harmless the other Party and its officers, directors and employees (each an “Indemnified Party”) from all third-party claims and liabilities (including reasonable outside attorney’s fees) arising out of or relating to the Indemnifying Party’s (i) negligent acts or omissions including the negligent acts or omissions of its employees, subcontractors or representatives and with respect to Customer, its Third Party Providers or Authorized Operators; (ii) breach of Section 5 or 6; or (iii) infringement or misappropriation of a third party’s trade secret, or United States patent, trademark or copyright, or other intellectual property right in connection with (a) with respect to Olo, the Licensed Applications, software or other technology Olo uses to provide the Services to Customer hereunder and (b) with respect to Customer, the technology, data, or other materials Customer provides or uses with the Services (“Customer Materials”) (the indemnification obligation of each Party described in this clause (iii), the “IP Infringement Obligation”). The previous sentence states the sole liability of the Indemnifying Party, and the sole remedy of the Indemnified Party, with respect to any third-party claim arising out of the Indemnifying Party’s negligent acts or omissions (other than claims arising from fraud, criminal activity or willful misconduct).

7.2. Additionally, Customer shall defend, indemnify and hold harmless Olo and its officers, directors and employees (each, an

“Indemnified Party”) from all third-party claims and liabilities (including reasonable outside attorney’s fees) arising out of or relating to (i) any action against Olo arising out of any Customer Third Party Provider’s disclosure or misuse of Customer Data or related to Olo’s release of such Customer Data, including PII, if the release of such information was requested in writing by Customer; (ii) Customer’s failure to properly collect and remit taxes or other government payments or fees associated with its usage of the Services, which shall be the sole responsibility of the Customer and, if applicable, the Authorized Operators; and (iii) the transfer of Customer Data by any means not recommended or deemed reasonably secure by Olo.

7.3. The Indemnified Party must (a) promptly notify the Indemnifying Party in writing of any third-party claim (provided that a failure to promptly notify will not relieve the Indemnifying Party of its indemnification obligations, except to the extent it has been prejudiced by such failure); (b) reasonably cooperate with the Indemnifying Party in the defense of the matter; and (c) give the Indemnifying Party primary control of the defense of the matter and negotiations for its settlement. The Indemnified Party may, at its own expense, join in the defense with counsel of its choice. The Indemnifying Party may not enter into a settlement unless it (i) involves only the payment of monetary damages by the Indemnifying Party, and (ii) includes a complete release of liability in favor of the Indemnified Party; any other settlement will be subject to the written consent of the Indemnified Party (not to be unreasonably withheld).

7.4. Olo’s IP Infringement Obligation will not apply to claims to the extent arising from (i) Customer’s use of the Licensed Applications or Services in violation of this Agreement, (ii) the Customer Materials’ infringement or misappropriation of a third party’s trade secret, or U.S. patent, trademark, or copyright, or (iii) the combination, operation, or use of the Service(s) with any product, service or material not provided by Olo or on Olo’s behalf. Customer’s IP Infringement Obligation will not apply to claims to the extent arising from (a) Olo’s provision of the Service in violation of this Agreement, or (b) Olo’s infringement or misappropriation of a third party’s trade secret, or U.S. patent, trademark, or copyright. If a Service is, or in Olo’s reasonable opinion is likely to be, ruled by a court of

competent jurisdiction as infringing upon a third party's intellectual property, Olo will promptly notify Customer and, at Olo's sole option and expense, either: (a) procure the right to continue providing the Service as contemplated by this Agreement, (b) modify the Service to render it non-infringing, or (c) replace the Service with a substantially equivalent, non-infringing service. If none of the foregoing options is commercially practicable, then each Party will have the right to terminate this Agreement with respect to the infringing Service.

8. Limitation of Liability

EXCLUDING EITHER PARTY'S IP INFRINGEMENT INDEMNIFICATION OBLIGATIONS, A PARTY'S GROSS NEGLIGENCE, WILLFUL MISCONDUCT OR BREACH OF CONFIDENTIALITY, DATA PRIVACY OR DATA SECURITY, IN NO EVENT WILL EITHER PARTY BE LIABLE TO THE OTHER PARTY FOR (A) ANY CONSEQUENTIAL, INDIRECT, PUNITIVE, EXEMPLARY, SPECIAL, OR INCIDENTAL DAMAGES ARISING FROM OR RELATING TO THIS AGREEMENT, WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE, EVEN IF ONE OR BOTH PARTIES KNEW OR SHOULD HAVE KNOWN OF THE POSSIBILITY OF SUCH DAMAGES, AND (B) BUT FOR THE EXCLUSIONS ABOVE WITH RESPECT TO WHICH EACH PARTY'S TOTAL CUMULATIVE LIABILITY ARISING FROM OR RELATING TO THIS AGREEMENT WILL NOT EXCEED FIVE MILLION DOLLARS (\$5,000,000), EACH PARTY'S TOTAL CUMULATIVE LIABILITY ARISING FROM OR RELATING TO THIS AGREEMENT WILL NOT EXCEED THE AMOUNT OF FEES PAID OR PAYABLE TO OLO IN CONNECTION WITH OLO'S PROVISION OF THE SERVICES DURING THE TWELVE (12) MONTHS BEFORE THE DATE WHEN THE LIABILITY AROSE. THE PARTIES ACKNOWLEDGE THAT THE TERMS OF THIS SECTION 9 REFLECT THE ALLOCATION OF RISK SET FORTH IN THIS AGREEMENT AND THAT THE PARTIES WOULD NOT HAVE ENTERED INTO THIS AGREEMENT WITHOUT THESE LIMITATIONS OF LIABILITY.

9.6. Relationship of Parties. The Parties are independent contractors, and this Agreement does not create an agency, partnership, or joint venture.

9.7. Amendment/Modification. This Agreement may be modified or amended only by a separate writing signed by Olo and Customer expressly so modifying or amending this Agreement or the Master Services Agreement.

9.8. Certain Remedies. The parties acknowledge that the breach of Sections 3 and 5 will give rise to irreparable injury to the non-breaching party inadequately compensable in damages. Accordingly, the parties agree that injunctive relief will be an appropriate remedy to prevent violation of the parties' respective rights and/or obligations under those two sections. However, nothing in this Section 10.8 shall limit a party's right to any other remedies in equity or at law, including the recovery of damages.

9.9. Force Majeure. Neither party will be deemed to be in default of or to have breached any provision of this Agreement as a result of any delay, failure in performance or interruption of service, resulting directly or indirectly from acts of God, acts of civil or military authorities, civil disturbances, wars, fires, state-sponsored cyber

terrorism, cyber-attacks or brute force attacks, espionage, sabotage, other catastrophes, and other causes beyond its reasonable control; provided, however, that Operator shall have no obligation to pay Olo during a Force Majeure event.

9.10. Counterparts. This Agreement may be executed in two counterparts, which together shall constitute but one and the same instrument.

Executed counterparts transmitted electronically (via email or e-signature software) shall constitute originals for all intents and purposes.

9.11. Waiver. A waiver by either party of any term or condition of this Agreement in one or more instances will not constitute a permanent waiver of the term or condition or any other term or condition of this Agreement or a general waiver.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their respective duly authorized officers.

Digital Ordering Terms & Conditions Addendum

This Addendum forms a part of the Agreement and is applicable upon execution of the Agreement in conjunction with a Customer Order Form in which Customer and Olo have agreed that Olo will provide Operator with its Customer-branded Licensed Applications which will power Customer’s digital ordering solution (“Digital Ordering”). In the event that this Addendum conflicts with the Agreement or there is an inconsistency, this Addendum shall control. Unless otherwise defined herein, capitalized terms have the meanings ascribed to such terms in the Agreement.

1. **Exclusivity.** During the Digital Ordering Term, Olo shall be the exclusive provider of Digital Ordering to Operator. Operator agrees to require the Olo program for all existing and future locations owned by Operator. Notwithstanding the foregoing, Operator shall have the right to use Aggregators at their sole discretion.
2. **Service Level.** During the Digital Ordering Term, Digital Ordering will be operational and available to Operator at least 99% of the time in any calendar month (the “SLA”). Solely to the extent that Customer chooses the Pro or Enterprise Service Editions, the SLA thresholds and applicable service credits are as follows:
 - a. If Olo does not meet the SLA, and if Customer and Operator meet its obligations under the Agreement and this Addendum, Operator will be eligible to receive the Service Credits described below. Subject to this SLA and 7.3 of the Agreement, this SLA states Operator's sole and exclusive remedy for any failure by Olo to meet the SLA.
 - b. **Definitions.** The following definitions shall apply to the SLA:
 - i. “Downtime” means the period of time during which Digital Ordering fails to be operational and available across any platform to End Users to place a digital order (for reasons other than those set forth below) until Digital Ordering, on all platforms, again becomes operational and available to End Users.
 - ii. “Permitted Downtime” means the period of time during which Digital Ordering fails to be operational and available due to software upgrades and scheduled maintenance, conducted on a regular basis between 3:00 a.m. and 6:00 a.m. Eastern Time, of which Olo will give Customer and Authorized Operator a minimum of twenty-four (24) hours advanced notice. Notwithstanding the foregoing, Olo shall be permitted to take up to five (5) minutes of downtime on any day during the calendar year between 4:00 a.m. and 6:00 a.m. Eastern Time without prior notice to Customer.
 - iii. “Monthly Uptime Percentage” means the total number of minutes in a calendar month minus the number of minutes of Downtime suffered in a calendar month, divided by the total number of minutes in a calendar month.
 - iv. “Service Credit” means the following:

Monthly Uptime Percentage	Service Credit
99.9% - 99.5%	5% reduction in next month’s Digital Ordering fees
99.49% - 98.0%	10% reduction in next month’s Digital Ordering fees
97.99% - 96.0%	20% reduction in next month’s Digital Ordering fees
< 95.9%	30% reduction in next month’s Digital Ordering fees

*Service Credit shall be calculated using the Service Edition Monthly Fee for the month in which Olo does not meet the SLA, and shall be applied to the following month's invoice.

- c. Olo shall notify Customer and Operator within five (5) business days from the end of the month if Customer is eligible to receive a Service Credit for the preceding month. To the extent that any Downtime having been determined by Olo, in its good faith reasonable discretion, was caused by a reason outlined in Paragraph 4(e) below, Olo shall have an additional ten (10) business days to notify Customer and Operator of their Service Credit for the preceding month if any.
- d. The aggregate maximum Service Credit to be issued by Olo to Operator for all Downtime (not including Permitted Downtime) that occurs in a single calendar month shall not exceed a thirty percent (30%) credit in the next month's fees.
- e. The SLA does not apply to any Downtime to the extent it was caused by: (i) Customer or Authorized Operator environment issues affecting connectivity or interfering with Digital Ordering, including without limitation, Customer or Authorized Operator's connection to the Internet (i.e., problems with the Customer or Authorized Operator's Internet Service Provider, modem, cable, DSL or dial-up connection, mobile phone connection or other Customer or Authorized Operator Internet connectivity issues) or any other Customer or Authorized Operator equipment or software (including third party attacks, including without limitation, hacks, intrusions, distributed denial-of-service attacks or any other third party actions intended to cause harm to or disrupt Customer's Third Party Providers, including without limitation, e-commerce software, payment gateways, Aggregators, and loyalty or rewards providers, that are integrated into the Olo APIs), Customer or Authorized Operator's firewall software, hardware or security settings, Customer or Authorized Operator's configuration of anti-virus software or anti-spyware or malicious software, Customer's use of or placement of Javascript code and/or other tracking or measurement software or code (including Google Analytics), or operator error of Customer or Authorized Operator; (ii) directly or indirectly integrating any Aggregator orders into the POS if such failure to integrate is no fault of Olo; (iii) Customer or Authorized Operator's Point of Sale (POS) failure(s) or the failure to properly maintain the POS environment, including updating the POS firmware or version of the software running on the POS as recommended by either Olo, a third party POS reseller or servicer, or the POS provider themselves; (iv) verified bugs of any third party software used in conjunction with Digital Ordering and failure of third party professional services; (v) force majeure events as described in Section 10.10 of the Master Services Agreement; (vi) issues related to third party domain name system (DNS) errors or failures; (vii) emergency maintenance of the Licensed Applications, including without limitation suspension of Licensed Applications in response to a Breach of Security, for which Customer or Authorized Operator may not receive advanced notice; or (viii) Permitted Downtime.
- f. Olo will post notifications publicly to <https://status.olo.com> of any outages in production systems under its control and that may impact multiple customers for more than one (1) minute in any twenty-four (24) hour period other than as permitted under Section 3(b)(ii) above. Olo may occasionally post notifications of significant outages at third party providers, which may include Customer Third Party Providers, outside of Olo's control, such as payment, POS, loyalty, Delivery Service Providers, or Aggregators. Olo cannot be relied upon for comprehensive reporting of outages at third party providers and makes no representation that Olo's information is accurate or up to date. Olo's incident response procedures prioritize triaging and problem resolution over public communication, which may result in delays in posting status updates. Timestamps on status updates may not reflect the actual times of an incident.

Dispatch Services Terms & Conditions Addendum

This Addendum forms a part of the Master Services Agreement and is applicable upon execution of an Order Form in which the parties have agreed that Olo will provide the Customer with its delivery platform allowing for the scheduling and billing of delivery services (“Dispatch”). In the event that this Addendum conflicts with the Agreement, or there is an inconsistency, this Addendum shall control. Unless otherwise defined herein, capitalized terms have the meanings ascribed to such terms in the Agreement.

“**Delivery Requirements**” shall mean the requirements established by Customer or Operator in the Platform relating to the selection of the Delivery Service Providers who may be Available Delivery Service Providers for Operator.

“**Platform**” means the system operated by Olo that allows customers to provide Delivery Requirements and place requests with Olo to deliver Products to End Users and facilitates through those Delivery Service Providers who meet the Delivery Requirements, including any associated application program interfaces and technology and any enhancements or modifications thereto.

“**Profile**” means the information provided by a Delivery Service Provider for review by Olo and as updated by Olo quarterly or upon material changes, in order to allow the Delivery Service Provider to participate on the Platform.

“**Selected Delivery Service Provider**” means an Available Delivery Service Provider that is selected by Olo on behalf of Operator (based on the Delivery Requirements established by Customer or Operator) to deliver a given order for Products to End Users on behalf of the Operator in the Delivery Area.

2. Selection of Delivery Service Providers

2.1 Available Delivery Service Providers. As part of the Platform, Olo allows Delivery Service Providers to sign up for use of the Platform and complete a Profile. Operator may access a list of Available Delivery Service Providers based on the Delivery Requirements.

2.2 Selection of Available Delivery Service Providers. Olo will select the Selected Delivery Service Providers based on the Delivery Requirements and the Profiles of Available Delivery Service Providers in each Delivery Area. Notwithstanding the foregoing, to the extent that Customer or Operator does not provide any parameters for Olo to choose an Available Delivery Service Provider, one shall be selected automatically by Olo. Customer or Operator may change its Delivery Requirements at any time in its sole discretion.

3. Delivery

3.1 Quotes. Olo provides Operators with access to the Platform in order to request and receive delivery quotes (delivery time and pricing) and Olo will provide such quotes if there is an Available Delivery Service Provider available for a given order.

3.2 Availability. The Operator may seek a bid for the delivery to a given End User of the Product(s) ordered by that End User through the Platform. Each Selected Delivery Service Provider who is available to make a delivery in a given Delivery Area may respond to the request for a delivery and the delivery order will be assigned based upon the Delivery Requirements provided by Customer or Operator. If a delivery response does not meet that Customer's Delivery Requirements, or any additional filters or criteria which may be applied by Olo from time to time, then delivery may not be available for that End User order.

4. Additional Obligations

4.1 Olo Obligations. In addition to the other obligations set forth in this Agreement, Olo shall also use commercially reasonable efforts to: (a) require that the Delivery Service Providers maintain an accurate Profile; (b) require that the Delivery Service Providers maintain and enforce strict guidelines for their drivers, including any independent delivery drivers; (c) require that the Delivery Service Providers; use of the End User data is subject to Olo's privacy policy in effect at the time; (d) require that no End User PII is used by Delivery Service Providers to market any additional products or services to those End Users; and (e) require that all End User PII will be secured from unauthorized access, use, disclosure, loss and theft using industry standard security practices and technologies.

4.2 Operator Obligations. In addition to the other obligations set forth in this Agreement, Operator shall also use commercially reasonable efforts to: (a) ensure they comply with the Delivery Guidelines; (b) ensure that they promptly respond to all End Users' inquiries; (c) use the Platform to promptly respond to all End User issues, including cancellations and refunds; and (d) use best efforts to create tickets in Dashboard or the Olo API, as applicable, for Selected Delivery Service Providers for issues related to the order or delivery in question. To the extent Operator integrates directly with the Olo API, Operator hereby agrees to any additional terms of service that may be applicable to its Selected Delivery Service Providers. Operator shall not create any obligation of the Delivery Service Provider or Olo to provide any refund other than as specifically set forth in the Delivery Parameters and Refund Matrix located at www.olo.com/delivery-parameters-and-refund-matrix.

5. Third Party Beneficiaries

Olo operates a Platform for Customers and Delivery Service Providers to transact with each other. Olo does not provide the delivery services, and therefore does not assume, and expressly disclaims, any liability arising from Operator's use of the delivery services and the Selected Delivery Service Providers' provision of the delivery services. To facilitate direct dispute resolution between Operator and each Selected Delivery Service Provider in connection with Operator's use of delivery services, Operator's Selected Delivery Service Providers are third-party beneficiaries of Operator's obligations as set forth herein, and Operator is a third-party beneficiary of Operator's Selected Delivery Service Providers' obligations as set forth in their agreements with Olo. Olo will indicate to Operator through the Platform which Delivery Service Providers are subject to such third-party beneficiary obligations. Olo's Delivery Service Providers which have contractually committed to such third-party

beneficiary obligations have agreed not to assert a defense based on lack of privity against any Operator seeking to enforce their third-party beneficiary rights hereunder.

6. Disclaimer.

OLO MAKES NO REPRESENTATIONS OR WARRANTIES AS TO THE ACCURACY OF ANY PROFILE INFORMATION AND OLO MAKES NO INDEPENDENT VERIFICATION OF THE INFORMATION PROVIDED BY A DELIVERY SERVICE PROVIDER (OTHER THAN THE REPRESENTATIONS AND WARRANTIES MADE BY THAT DELIVERY SERVICE PROVIDER AS TO THE ACCURACY OF THE PROFILE INFORMATION). OLO MERELY MAKES A PLATFORM AVAILABLE TO FACILITATE THE INTERACTIONS BETWEEN DELIVERY SERVICE PROVIDERS AND CUSTOMERS; OLO IS NOT RESPONSIBLE FOR THE PERFORMANCE OF DELIVERY SERVICE PROVIDERS.

Rails Terms & Conditions Addendum

This Addendum forms a part of the Agreement and is applicable upon execution of the Agreement and in conjunction with a Customer Order Form in which Olo and Customer have agreed that Olo will provide Operator with its Aggregator integration and management platform (“Rails”). In the event that this Addendum conflicts with the Agreement, or there is an inconsistency, this Addendum shall control. Unless otherwise defined herein, capitalized terms have the meanings ascribed to such terms in the Agreement.

“ Rails ” means the service, provided by Olo, and utilized by Operator at its sole discretion, in which Aggregators connect to the Olo platform in order to (a) receive store information including, but not limited to, store location data, menu item availability, product make times, available production capacity, and item pricing; (b) transmit orders made on Aggregator website or mobile application to the Customer’s or Operator’s Point of Sale systems (POS) through the Olo APIs; (c) monitor and report Aggregator activity; and, at Operator’s sole discretion, (d) control order flow into the store.

In order for Operator to utilize Rails, Operator consents to allow Olo to transfer, or otherwise provide access to, certain data, including but not limited to, menu information and general restaurant information to Aggregator. Olo will not share any PII with Aggregator. Data may only be used for the limited purpose outlined above, namely use of Rails. Operator agrees that Olo shall have no liability to Operator for the granting of access to, or the misuse of such data, by Aggregator, or any other claims arising out of or related to the granting of access to the data unless such claims are based on Olo’s negligence in such actions.

Olo shall be the exclusive provider of integration services for Aggregator ordering platforms to Operator. Also during the Term, Operator shall not use, test or support any Aggregator-initiated ordering service in lieu of Licensed Applications. Operator agrees to require the Olo program for all existing and future locations owned by Operator.

Google Rails Premium Addendum

This Addendum (this “GRP Addendum”) forms a part of the Agreement and is applicable upon execution of the Agreement and in conjunction with a Customer Order Form in which Olo and Customer have agreed that Olo will provide Operator with Google Rails Premium (“GRP”). In the event that this Addendum conflicts with the Agreement, or there is an inconsistency, this Addendum shall control. Unless otherwise defined herein, capitalized terms have the meanings ascribed to such terms in the Agreement.

Independent Auditors' Report

Managing Member

Carl's Jr. SPV Guarantor LLC and Hardee's SPV Guarantor LLC:

Opinion

We have audited the combined consolidated financial statements of Carl's Jr. SPV Guarantor LLC and its subsidiaries, and Hardee's SPV Guarantor LLC and its subsidiaries (the Company), which comprise the combined consolidated balance sheets as of January 29, 2024 and January 30, 2023, and the related combined consolidated statements of income, members' deficit, and cash flows for each of the fiscal years then ended, and the related notes to the combined consolidated financial statements.

In our opinion, the accompanying combined consolidated financial statements present fairly, in all material respects, the financial position of the Company as of January 29, 2024 and January 30, 2023, and the results of its operations and its cash flows for each of the fiscal years then ended in accordance with U.S. generally accepted accounting principles.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Combined Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Combined Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the combined consolidated financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the combined consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the combined consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Combined Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the combined consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the combined consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the combined consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the combined consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the combined consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Information

Management is responsible for the other information included in the supplemental schedules. The other information comprises the combining consolidating balance sheets and combining consolidating statements of operations included in the supplemental schedules, but does not include the combined consolidated financial statements and our auditors' report thereon. Our opinion on the combined consolidated financial statements does not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the combined consolidated financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the combined consolidated financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

(1) As of July 7, 2022, we ceased providing any and all services to our master franchisee for the country of Russia. Our master franchisee has one franchised and sixteen subfranchised restaurants in Russia. Additionally, we have ceased collecting any royalties or fees of any type from the operation of these locations and do not approve or authorize additional locations.

Basis of Presentation and Fiscal Year

These Combined Consolidated Financial Statements include the combined accounts of Carl’s Jr. SPV Guarantor LLC and its consolidated subsidiaries, consisting of Carl’s Jr. Funding LLC and Carl’s Jr. Restaurants LLC, and Hardee’s SPV Guarantor LLC and its consolidated subsidiaries, consisting of Hardee’s Funding LLC and Hardee’s Restaurants LLC (collectively, the “CKE Securitization Entities”). The indirect corporate parent of Carl’s Jr. SPV Guarantor LLC and Hardee’s SPV Guarantor LLC is CKE Restaurants Holdings, Inc. (“CKE Restaurants”), and the indirect corporate parent of CKE Restaurants is CKE Holding Corporation (“CKE”). All of the CKE Securitization Entities are limited liability companies established on January 30, 2013 and were organized in the state of Delaware. The CKE Securitization Entities are special purpose, bankruptcy remote entities that hold substantially all of the restaurant businesses, franchising assets, real estate and other productive assets of CKE Restaurants and its subsidiaries. CKE Restaurants, together with certain other non-securitization entities, acts as the manager (“Manager”) by managing and servicing the assets, performing certain franchising, marketing, real estate, intellectual property and operating and reporting services on behalf of the CKE Securitization Entities. References to “we”, “us”, “our” and the “Company” may relate to any or all of the CKE Securitization Entities, as may be applicable, but do not relate to CKE or CKE Restaurants.

The CKE Securitization Entities were formed in connection with a contemplated financing (the “Securitization Transaction”), which was completed on April 1, 2013. In conjunction with the Securitization Transaction, Carl’s Jr. Funding LLC and Hardee’s Funding LLC (collectively, the “Co-Issuers”) issued \$1,050,000 Series 2013-1 4.474% Class A-2 Senior Secured Notes with an anticipated repayment date of March 2020 and a legal final maturity date of March 2043 (the “Class A-2 Notes”) and \$100,000 Series 2013-1 Variable Funding Class A-1 Senior Secured Notes due September 2018 (the “Variable Funding Notes” and together with the Class A-2 Notes, the “Senior Notes”). In June 2018, the Senior Notes were refinanced. In December 2020, the Series 2018-1 Class A-2-I Notes were refinanced. In June 2021, the Co-Issuers issued \$180,000 Series 2021-1 Class A-2 Notes. See Note 8 for further discussion.

These Combined Consolidated Financial Statements have been prepared in accordance with accounting principles generally accepted in the United States (“GAAP”). All significant intercompany balances and transactions are eliminated in combination and consolidation.

We operate on a retail accounting calendar, ending on the last Monday in January. For clarity of presentation, we generally label all years presented as if the fiscal year ended January 31. The fiscal year ended January 29, 2024 is referred to

THE CKE SECURITIZATION ENTITIES
NOTES TO COMBINED CONSOLIDATED FINANCIAL STATEMENTS (Continued)

herein as fiscal 2024 or the fiscal year ended January 31, 2024. The fiscal year ended January 30, 2023 is referred to herein as fiscal 2023 or the fiscal year ended January 31, 2023. The first quarter of our fiscal year has four periods, or 16 weeks. All other quarters generally have three periods, or 12 weeks.

Our restaurant sales, and therefore our profitability, are subject to seasonal fluctuations and are traditionally higher during the spring and summer months because of factors such as increased travel during school vacations and improved weather conditions, which affect the public's dining habits.

Inflation and Middle East Conflict

Inflationary pressures on labor and commodity price increases directly impacted our results of operations during the year ended January 31, 2024 and January 31, 2023. We attempt to manage any inflationary costs and commodity price increases through selective menu price increases and changes in product mix. Competitive pressures, consumer spending levels and other factors may limit our ability to recover such costs increases in the future.

Beginning October 2023, certain of our Hardee's international markets began being impacted by a military conflict in the Middle East. As a result, international franchised restaurants same-store sales were impacted to varying degrees within the Middle East. Further continuation of this conflict could have an adverse impact on our business and results of operations.

Variable Interest Entities

We do not maintain ownership interests in our franchisees, and none of our assets serve as collateral for the creditors of our franchisees. Under the terms of their franchise agreements, franchise entities hold the power to direct the activities that most significantly impact their economic performance. As a result, we do not consider ourselves the primary beneficiary of any franchise entity that might be a variable interest entity.

Estimations

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Our most significant areas of estimation are:

- estimation of future cash flows used to assess the recoverability of long-lived assets, including intangible assets, finance lease assets and operating lease assets;
- determination of appropriate estimated liabilities for loss contingencies;
- determination of appropriate assumptions to use in evaluating leases for finance versus operating lease treatment, establishing depreciable lives for leasehold improvements and establishing straight-line rent expense periods; and
- estimation of the appropriate allowances associated with franchise and other receivables.

Cash and Cash Equivalents

For purposes of reporting cash and cash equivalents, highly liquid investments purchased with original maturities of three months or less are considered cash equivalents.

Restricted Cash and Cash Equivalents

Restricted cash and cash equivalents of \$15,942 and \$16,053 as of January 31, 2024 and 2023, respectively, consisted of cash and cash equivalents that are held by the trustee of our Senior Notes (as defined in Note 8) to be used for debt service payments on our Series 2018-1, Series 2020-1 and Series 2021-1 Senior Notes.

THE CKE SECURITIZATION ENTITIES
NOTES TO COMBINED CONSOLIDATED FINANCIAL STATEMENTS (Continued)

Inventories

Inventories are stated at the lower of cost (on a first-in, first-out basis) or net realizable value and consist primarily of restaurant food, packaging and supplies.

Property and Equipment

Property and equipment are recorded at cost, less accumulated depreciation and amortization. Depreciation is computed using the straight-line method based on the assets' estimated useful lives, which generally range from three to 40 years.

Leasehold improvements are amortized on a straight-line basis over the shorter of the estimated useful lives of the assets or the related lease terms. The amortization period for leasehold improvements includes renewal option periods only in instances in which the exercise of the renewal option is reasonably certain at the acquisition date because failure to exercise such option would result in an economic penalty.

We capitalize direct costs and interest costs associated with construction projects that have a future benefit. If we subsequently make a determination that a site for which development costs have been capitalized will not be acquired or developed, any previously capitalized development costs are expensed and included in general and administrative expenses.

Leases

Lessor Accounting

We recognize lease payments for operating leases as property revenue on a straight-line basis over the lease term. We recognize variable lease payment income for operating leases in the period when changes in facts and circumstances on which the variable lease payments are based occur. We recognize variable lease payment income for operating and financing leases in the period when changes in facts and circumstances on which the variable lease payments are based occur.

Lessee Accounting

We recognize an operating lease asset and lease liability at lease commencement, which are measured by discounting lease payments using the estimated risk free rate as the discount rate. We made an accounting policy election to use the risk-free rate as our discount rate to determine the initial and subsequent measurement of operating lease liabilities. Subsequent amortization of the operating lease asset and accretion of the lease liability for an operating lease is recognized as a single lease cost, on a straight-line basis, over the lease term. Reductions to the operating lease asset and the change in the lease liability are included in changes in operating lease assets and liabilities, net in the Combined Consolidated Statement of Cash Flows.

A finance lease asset is depreciated on a straight-line basis over the lesser of the useful life of the leased asset or lease term. Interest on each finance lease liability is determined as the amount that results in a constant periodic discount rate on the remaining balance of the liability. Operating lease and finance lease assets are assessed for impairment in accordance with our long-lived asset impairment policy.

We reassess lease classification and remeasure assets and lease liabilities when a lease is modified and that modification is not accounted for as a separate contract or upon certain other events that require reassessment. We recognize variable lease cost for operating and finance leases in the period when changes in facts and circumstances on which the variable lease payments are based occur.

Intangible Assets

Our indefinite-lived intangible assets consist of trademarks / tradenames. We test trademarks / tradenames for impairment on an annual basis or more frequently if events or changes in circumstances indicate that the carrying amount of the intangible asset may not be recoverable. We first assess qualitative factors to determine whether it is more likely than not that the fair value of the indefinite-lived intangible asset is less than its carrying amount. If we conclude that it is more likely than not that the indefinite-lived intangible asset is impaired, we then perform a quantitative test to determine whether the carrying amount is less than the fair value of the indefinite-lived intangible asset and measure the amount of impairment, if any.

THE CKE SECURITIZATION ENTITIES
NOTES TO COMBINED CONSOLIDATED FINANCIAL STATEMENTS (Continued)

Our definite-lived intangible assets consist of franchise agreements and favorable lease agreements and are amortized on a straight-line basis over their estimated useful lives. Our definite-lived intangible assets are tested for impairment when events or circumstances indicate the carrying value may be impaired. Refer to discussion of facility action charges for a discussion of impairment of restaurant-level long-lived assets.

Deferred Financing Costs

Deferred financing costs are capitalized and amortized, utilizing the effective interest method, as a component of interest expense over the terms of the respective financing arrangements. See Note 8 for further discussion.

Book Overdraft

Book overdraft liabilities are included within accounts payable in our accompanying Combined Consolidated Balance Sheets. As of January 31, 2024 and 2023, our book overdraft liability was \$367 and \$1,627, respectively. We classify changes in book overdraft balances as a financing activity in our accompanying Combined Consolidated Statements of Cash Flows.

Loss Contingencies

We routinely assess loss contingencies to develop estimates of likelihood of loss and range of possible settlement. We accrue those loss contingencies that are deemed to be probable, and for which the amount of expected loss is reasonably estimable. We do not record liabilities for losses we believe are only reasonably possible to result in an adverse outcome. See Note 14 for further discussion.

Revenue Recognition

Company-operated restaurants revenue is recognized upon the sale of food or beverage to a customer in the restaurant, which is when our obligation to perform is satisfied.

Franchised restaurants and other revenue includes royalties, franchise fees and rent revenue. Royalties from franchised restaurants are based on a percentage of net sales of the franchised restaurant and are recognized as earned. Royalties are typically billed and paid monthly and are usually 4% to 5% per restaurant. Franchise development and commitment fees are deferred when received, allocated to each agreed upon restaurant, and recognized as revenue over the contractual term of each respective franchise agreement, once the restaurant has opened. Initial franchise fees, training fees, renewal fees and transfer fees are recognized as revenue over the contractual term of the franchise agreements, once the restaurant has opened. Upfront franchise fees are typically billed and paid when a new franchise agreement becomes effective or when an existing agreement is transferred to another franchisee. These franchise fees are considered highly dependent upon and interrelated with the franchise right granted in the franchise agreement. Further, franchise fees are forfeited and recognized as revenue upon the termination of the related commitments to open new franchised restaurants, the franchised restaurants closing prior to the end of the contractual agreement or the franchised restaurants being acquired by the Company. Property revenues consist of rental income from properties we lease or sublease to franchisees. Property revenues are accounted for in accordance with applicable accounting guidance for leases (see Leases above). We present all revenue net of sales tax.

Franchise Operations and Credit Risk

Franchised restaurants and other expense includes rent and occupancy costs related to our franchised restaurants, amortization of franchise agreements, credit losses and other miscellaneous expenses directly related to our franchise operations. These costs are expensed as incurred.

Accounts receivable consists primarily of amounts due from franchisees for royalties, franchise fees and rent. In addition, we have notes and other receivables from certain of our franchisees. The financial condition of our franchisees is, in part, dependent upon the underlying business trends of our brand. This concentration of credit risk is mitigated, in part, by the large number of franchisees and the short-term nature of the receivables.

We record provisions for estimated losses on receivables when we believe our franchisees are unable to make their required payments. We cease accruing royalties and rent revenue from franchisees during the fiscal quarter in which we determine that collectibility of such amounts is not reasonably assured. There are a number of different actions we and/or our

THE CKE SECURITIZATION ENTITIES
NOTES TO COMBINED CONSOLIDATED FINANCIAL STATEMENTS (Continued)

franchisees may take to resolve or mitigate franchise collection issues. These actions may include a reduction or deferral of future royalties, a reduction or deferral of future rent for which we are the landlord or the primary obligor to the landlord, or if necessary, acquiring the restaurants or terminating the franchise agreement.

Advertising

Domestic Carl's Jr. restaurants contribute to a national advertising fund (the "Carl's Jr. Fund") that is administered by Manager. Domestic Hardee's restaurants contribute to Hardee's National Advertising Fund ("HNAF") that is administered by Manager and co-operative advertising funds that are administered by a third party (collectively, the "Hardee's Funds"), but consolidated by Manager since Manager is the primary beneficiary of the Hardee's Funds. Further, both international Carl's Jr. restaurants and Hardee's restaurants contribute to certain international advertising funds that are administered by Manager.

We expense advertising costs for company-operated restaurants' contributions to the Carl's Jr. Fund and the Hardee's Funds as company-operated restaurants revenue is earned since we are obligated to share ratably in the cost of the related advertising programs. The cost of local and incremental advertising that is not funded by the Carl's Jr. Fund or the Hardee's Funds is expensed as incurred.

Facility Action Charges

From time to time, we identify restaurants that have carrying values in excess of their fair values and, as a result, we may record impairment charges. We may also close or rebrand these or other restaurants and lease or sublease the restaurant property to a franchisee or to a business other than one of our restaurant concepts. The financial statement impact resulting from these and similar actions are recorded in our accompanying Combined Consolidated Statements of Income as facility action charges, net and include:

- (i) impairment of restaurant-level long-lived assets for restaurants to be disposed of or held and used;
- (ii) store closure costs, including rent, taxes, depreciation and other costs incurred for closing a store; and
- (iii) gain or loss on the sale of restaurants, including rebranding transactions.

Considerable management judgment is necessary to estimate future cash flows, including cash flows from continuing use, terminal value, closure costs, expected sublease income and rebranding proceeds. Accordingly, actual results could vary significantly from our estimates.

(i) Impairment of Restaurant-Level Long-Lived Assets

Whenever events or circumstances indicate that the carrying value of assets may be impaired, we evaluate our restaurant-level long-lived assets for impairment. For purposes of impairment testing, assets are grouped at the lowest level for which identifiable cash flows are largely independent of the cash flows of other assets and liabilities, which is generally the individual restaurant level for fixed assets, finance lease assets and operating lease assets. For each asset group, we evaluate whether there are indicators of impairment such as sequential annual cash flow losses or adverse changes in the physical condition or expected use of the asset group. When indicators of impairment exist, we evaluate whether the assets are recoverable by comparing the undiscounted future cash flows that we expect to generate from their use and disposal to their carrying value. Restaurant-level assets that are not deemed to be recoverable are written down to their estimated fair value, which is determined by assessing the highest and best use of the assets and the amounts that would be received for such assets in an orderly transaction between market participants.

Our impairment analyses rely upon a number of estimates, assumptions and measurements with significant Level 2 and Level 3 unobservable inputs (see Note 13), including estimates of future cash flows, assumptions of future same-store sales and projected operating expenses for each of our restaurants over their estimated remaining useful lives in order to evaluate recoverability and estimate fair value. Future cash flows are estimated based upon experience gained, current intentions about rebranding or closing restaurants, recent and expected sales trends, internal plans, the period of time since the restaurant was opened or remodeled, the maturity of the related market and other relevant information. We generally estimate the useful life of restaurants on owned property to be 20 to 40 years and estimate the useful life of restaurants subject to leases to range from the end of the lease term then in effect to the end of such lease term including option periods. If our future cash flows or same-store sales do not meet or exceed our forecasted levels, or if restaurant operating cost increases exceed our forecast and we are unable

THE CKE SECURITIZATION ENTITIES
NOTES TO COMBINED CONSOLIDATED FINANCIAL STATEMENTS (Continued)

to recover such costs through price increases, the carrying value of certain of our restaurants may prove to be unrecoverable, and we may incur additional impairment charges in the future.

(ii) Store Closure Costs

We typically make decisions to close restaurants based on prospects for estimated future profitability. However, sometimes we are forced to close restaurants due to circumstances beyond our control (e.g., a landlord's refusal to negotiate a new lease). When restaurants continue to perform poorly, we consider a number of factors, including the demographics of the location and the likelihood of being able to improve an unprofitable restaurant. Based on the operators' judgment and a financial review, we estimate the future cash flows. If we determine that the restaurant will not, within a reasonable period of time, operate at break-even cash flow or be profitable, and we are not contractually obligated to continue operating the restaurant, we may decide to close the restaurant.

(iii) Gain or Loss on the Sale of Restaurants, Including Refranchising Transactions

We record gains and losses on the sale of restaurants as the difference between the net proceeds received and net carrying values of the net assets of the restaurants sold. If we sublease a restaurant to a franchisee on terms that result in a probable loss, then we will establish a lease subsidy allowance and record a loss at the time we enter into the lease arrangement. As further described above, the amount of the estimated liability for the lease subsidy is the present value of our estimated future payments, net of the present value of the expected sublease income.

Contract Liabilities - Deferred Franchise Fees

The following table provides information about contract liabilities, specifically deferred franchise fees, received from contracts with customers:

THE CKE SECURITIZATION ENTITIES

Distributor Concentration Risk

We currently rely on a limited number of distributors to deliver food, packaging and supplies to our restaurants. Although we could use alternative distributors, an unforeseen change in distributor could cause a delay in receipt of food, packaging or supplies and possibly result in unfavorable costs and loss of sales.

Comprehensive Income

We did not have any items of other comprehensive income during fiscal 2024 and 2023.

Reclassification

Certain prior year amounts in the accompanying Combined Consolidated Statements of Income have been reclassified in order to be comparable with the current year classification. These consist of the reclassification for the year ended January 31, 2023 of certain workers compensation expense of \$2,846 from Payroll and other employee benefits to Occupancy and other expense. This reclassification did not arise as a result of any changes to accounting policies and relate entirely to presentation with no effect on previously reported net income.

Subsequent Events

We have evaluated subsequent events through April 10, 2024, the date our Combined Consolidated Financial Statements were available to be issued and except as discussed in Note 8, have determined that no material subsequent events occurred after the balance sheet date.

NOTE 2 — ADOPTION OF NEW ACCOUNTING PRONOUNCEMENTS AND ACCOUNTING PRONOUNCEMENTS NOT YET ADOPTED

New Accounting Standards Adopted

Credit Impairment

In June 2016, the Financial Accounting Standards Board (“FASB”) issued a standard that requires measurement and recognition of expected versus incurred credit losses for financial assets held, including trade receivables. The standard is effective for interim and annual reporting periods beginning after December 15, 2019 for public entities. For other entities, the standard is effective for interim and annual reporting periods beginning after December 15, 2022. The Company adopted this amendment during the first quarter of 2024. The adoption of this guidance did not have a material impact on our Combined Consolidated Financial Statements.

New Accounting Standards Not Yet Adopted

Income Tax Disclosures

In December 2023, the FASB issued guidance that enhances income tax disclosures including expanded qualitative effective tax rate reconciliation. The standard also requires annual disclosure of income taxes paid disaggregated by federal, state and foreign taxes. The standard is effective for annual reporting periods beginning after December 15, 2024 for public entities. For other entities, the standard is effective for annual reporting periods beginning after December 15, 2025. Early adoption of the guidance is permitted. We are currently evaluating the impact the adoption of this standard will have on our Combined Consolidated Financial Statements.

In connection with the sale of this restaurant, we received aggregate consideration of \$2,082, and recognized a net gain of \$817, which is included in facility action charges, net, in our accompanying Combined Consolidated Statements of Income. In connection with the refranchising transaction, the franchisee acquired real property and equipment related to the restaurant location.

Series 2018-1 Senior Notes, Series 2020-1 Senior Notes and Series 2021-1 Senior Notes

On June 20, 2018, we completed a company-wide refinancing transaction (the “Series 2018-1 Refinancing”). In connection with the Series 2018-1 Refinancing, the Co- Issuers, our indirect wholly-owned subsidiaries, issued an aggregate principal amount of \$1,000,000 Series 2018-1 Fixed Rate Senior Secured Notes, Class A-2, (“Series 2018-1 Class A-2 Notes”) and \$70,000 Series 2018-1 Class A-1 Variable Funding Senior Secured Notes (“Series 2018-1 Variable Funding Notes”, and together with the Series 2018-1 Class A-2 Notes, the “Series 2018-1 Senior Notes”). The indenture governing the Series 2018-1 Senior Notes (the “Indenture”) allows the Co-Issuers to issue additional series of notes in the future subject to certain conditions.

The Series 2018-1 Class A-2 Notes were issued in three tranches: (i) \$400,000 of Series 2018-1 4.250% Fixed Rate Senior Secured Notes, Class A-2-I, with an anticipated repayment date of June 2022; (ii) \$350,000 of Series 2018-1 4.959% Fixed Rate Senior Secured Notes, Class A-2-II, with an anticipated repayment date of June 2025; and (iii) \$250,000 of Series 2018-1 5.710% Fixed Rate Senior Secured Notes, Class A-2-III, with an anticipated repayment date of June 2028. The Series 2018-1 Class A-2 Notes have a legal final maturity date of June 2048. The Series 2018-1 Class A-2 Notes require scheduled quarterly principal payments of \$2,500 with the first principal payment due December 20, 2018. The interest payments for the Series 2018-1 Class A-2 Notes are due quarterly in arrears on the 20th day of each March, June, September and December.

The Series 2018-1 Variable Funding Notes provide for senior secured revolving facility loans, and subfacilities for swingline loans and letters of credit, in an aggregate amount of \$70,000. On October 26, 2022, the Series 2018-1 Variable Funding Notes were amended to extend the maturity date to September 2027, including options for renewal for two additional twelve-month terms (subject to certain conditions, including a minimum debt service coverage ratio). The Series 2018-1 Variable Funding Notes bear interest at a variable interest rate equal to (a) a commercial paper rate plus 3.00%, (b) the term SOFR rate plus 3.00% or (c) 2.00% plus the greater of (i) the Prime Rate, (ii) the Federal Funds rate plus 0.50%,

or (iii) term SOFR plus 1.00%. The actual interest rate incurred is determined by how the borrowings were funded by participating investors, but in any event, will fall under one of the three scenarios described above. The Series 2018-1 Variable Funding Notes require us to pay a commitment fee of 0.50% per annum for unused commitments and letter of credit fees of 3.00% per annum on our outstanding non-cash collateralized letters of credit. Interest and other fees on the Series 2018-1 Variable Funding Notes are due quarterly in arrears on the 20th day of each March, June, September and December. As of January 31, 2024, we had no outstanding loan borrowings, \$22,647 of outstanding letters of credit and remaining availability of \$47,353 under our Series 2018-1 Variable Funding Notes.

On December 21, 2020, we paid down the entire outstanding principal balance of our Series 2018-1 Class A-2-I Notes with the issuance of an aggregate principal amount of \$400,000 of Series 2020-1 3.981% Fixed Rate Senior Secured Notes, Class A-2 (the "Series 2020-1 Class A-2 Notes"). Our Series 2018-1 4.959% Fixed Rate Senior Secured Notes, Class A-2-II and Series 2018-1 5.710% Fixed Rate Senior Secured Notes, Class A-2-III remain outstanding. The Series 2020-1 Class A-2 Notes were issued pursuant to an amendment to the Indenture and have an anticipated repayment date of December 2027. The Series 2020-1 Class A-2 Notes have a legal final maturity date of December 2050. The Series 2020-1 Class A-2 Notes require scheduled quarterly principal payments of \$1,000 with the first principal payment due March 22, 2021. The interest payments for the Series 2020-1 Class A-2 Notes are due quarterly in arrears on the 20th day of each March, June, September and December.

On June 24, 2021, we issued an aggregate principal amount of \$180,000 of Series 2021-1 2.865% Fixed Rate Senior Secured Notes, Class A-2 (the "Series 2021-1 Class A-2 Notes", and together with the "Series 2020-1 Class A-2 Notes" and the remaining Series 2018-1 Class A-2 Notes, all of which remain outstanding, the "Class A-2 Notes" and, collectively with the Series 2018-1 Variable Funding Notes, the "Senior Notes"). The Series 2021-1 Class A-2 Notes were issued pursuant to an amendment to the Indenture and have an anticipated repayment date of June 2028. The Series 2021-1 Class A-2 Notes have a legal final maturity date of June 2051. The Series 2021-1 Class A-2 Notes require scheduled quarterly principal payments of \$450 with the first principal payment due September 20, 2021. The interest payments for the Series 2021-1 Class A-2 Notes are due quarterly in arrears on the 20th day of each March, June, September and December. The remaining outstanding tranches of the Series 2021-1 Class A-2 Notes, the Series 2020-1 Class A-2 Notes and the Series 2018-1 Class A-2 Notes collectively require quarterly principal payments of \$2,500.

The Senior Notes are secured by substantially all assets of the CKE Securitization Entities, but are not guaranteed by or secured with the assets of CKE or its other subsidiaries, including CKE Restaurants. The Indenture requires the CKE Securitization Entities to report and remit weekly cash flows of the CKE Securitization Entities to the trustee of the Senior Notes. The weekly cash flows are subject to a priority of payments that provides for the payment of funds to specific trust accounts for debt service and other specified purposes set forth in the Indenture. The amount of weekly cash flow, if any, that exceeds the amounts required by the priorities of payment is remitted to CKE Restaurants in the form of an equity distribution.

We expect to repay or refinance each tranche of the Class A-2 Notes at or before its respective anticipated repayment date. However, in the event that we do not repay any tranche of Class A-2 Notes in full by its anticipated repayment date, such tranche of the Class A-2 Notes would be subject to additional interest at an interest rate of at least 5% per annum, and principal payments on all outstanding Senior Notes would accelerate until the debt is paid in full. If certain conditions are met, including a maximum leverage ratio for the CKE Securitization Entities of 5.0x of total net indebtedness to net cash flow, each as defined in the Indenture, we may elect not to make the scheduled principal payments on the Class A-2 Notes. We may optionally prepay up to 35% of the original principal amount of each tranche of the Series 2018-1 Class A-2 Notes (but not the Series 2020-1 Class A-2 Notes or the Series 2021-1 Class A-2 Notes) at any time at par, other than with proceeds from indebtedness. Generally, any optional (and certain mandatory) prepayments in excess of such amount would be subject to a make-whole premium as defined in the Indenture. Beginning eighteen months prior to the anticipated repayment date for the Series 2018-1 Class A-2-II Notes, thirty months prior to the anticipated repayment date for the Series 2018-1 Class A-2-III Notes, thirty-six months prior to the anticipated repayment date for the Series 2020-1 Class A-2 Notes and forty-two months prior to the anticipated repayment date for the Series 2021-1 Class A-2 Notes, we may repay all or a portion of the remaining principal amount of such applicable tranche of Class A-2 Notes at par.

The Senior Notes are subject to a series of covenants and restrictions customary for transactions of this type, including (i) required actions to perfect the security interest in certain collateral upon the occurrence of certain performance-related events, (ii) application of certain disposition proceeds as note prepayments, subject to certain exceptions, (iii) maintenance of specified reserve accounts, (iv) maintenance of certain debt service coverage ratios, (v) mandatory prepayments with indemnification payments for defective or ineffective collateral, and (vi) covenants relating to record

keeping, access to information and similar matters. If certain covenants or restrictions are not satisfied or complied with, the Senior Notes are subject to accelerated repayment events and events of default. Although management does not anticipate an event of default, if any such event occurred and was not cured within any applicable cure period, the unpaid amounts outstanding could become immediately due and payable.

In connection with the amendment of the 2018-1 Variable Funding Notes in fiscal year 2023, we incurred debt issuance costs of \$861 which were capitalized. These deferred financing costs will be amortized using the effective interest method over the expected term of the 2018-1 Variable Funding Notes.

In the first quarter of fiscal 2025, the Co-Issuers issued an aggregate principal amount of \$350,000 of Series 2024-1 7.253% Fixed Rate Senior Secured Notes, Class A-2 (the “Series 2024-1 Class A-2 Term Notes”). The Series 2024-1 Class A-2 Term Notes have an anticipated repayment date of March 2031 and a legal final maturity date of March 2054. The Series 2024-1 Class A-2 Term Notes require scheduled quarterly principal payments of \$875 with the first principal payment due June 20, 2024. The interest payments for the Series 2024-1 Class A-2 Term Notes are due quarterly in arrears on the 20th day of each March, June, September and December. A portion of the proceeds of the issuance of the Series 2024-1 Class A-2 Term Notes were used to repay the Series 2018-1 Class A-2-II Term Notes in full, including accrued interest.

NOTE 9 — LEASES

We occupy land and buildings under lease agreements expiring on various dates through fiscal 2046. Many leases provide for future rent escalations and renewal options. In addition, variable lease payments such as a percentage of sales in excess of specified levels, is often required. Most leases obligate us to pay costs of maintenance, insurance and property taxes.

Company as Lessor

We lease and sublease land and buildings to others, primarily as a result of the refranchising of certain restaurants. Many of these leases provide for fixed payments, while others provide for variable rent when sales exceed certain levels or for rent based on a percentage of sales. Lessees and sublessees generally bear the cost of maintenance, insurance and property taxes. The carrying values of assets leased to others as of January 31, 2024 and 2023 are as follows:

NOTE 10 — SALE-LEASEBACK TRANSACTIONS

For all of our 126 restaurant property financing method sale-leaseback transactions, whether assumed by or completed by the CKE Securitization Entities, the initial minimum lease terms are 20 years and include renewal options. The leases also include provisions that provide us with the ability to repurchase the properties, which for accounting purposes, prevents sale recognition as the leased properties are real estate, and we have concluded that no two real estate assets are substantially the same.

Under the financing method, the sales proceeds received are recorded in other current liabilities and other long-term liabilities until our continuing involvement with the properties is terminated, and the associated properties are reported as owned assets and depreciated over their remaining useful lives. Rent payments for these leases are recorded as principal and interest. The net book value of the associated assets, which is included in property and equipment, net of accumulated depreciation and amortization, in our accompanying Combined Consolidated Balance Sheets was \$115,805 and \$117,126 as of January 31, 2024 and 2023, respectively.

During fiscal 2023, the lease agreements for two of our restaurant properties were terminated. As we no longer have involvement in the properties, we recognized a net gain of \$1,160 associated with the write-off of the assets and liabilities. The net gain is included in facility action charges, net in our accompanying Combined Consolidated Statement of Income for fiscal 2023.

Closing costs and other fees related to sale-leaseback transactions are treated as deferred financing costs, which are recorded as a reduction to the liability balance and amortized to interest expense over the initial minimum lease term.

As of January 31, 2024, our future minimum lease commitments for our financing method sale-leaseback obligations are as follows:

Fiscal:	
2025.....	\$ 16,202
2026.....	16,212
2027.....	16,410
2028.....	17,250

Less current portion.....	<u>(11,287)</u>
Financing method sale-leaseback liability, less current portion.....	<u><u>\$ 208,337</u></u>

(1) Although we have legally transferred title of the sale-leaseback properties, we have included an obligation to convey, for accounting purposes, the sale-leaseback assets at the end of the primary lease term. This obligation was established in acquisition accounting and based on the estimated residual value of the sale-leaseback assets at the end of the primary lease term.

During fiscal 2024 and 2023, the CKE Securitization Entities paid total cash distributions of \$133,746 and \$139,428, respectively, to members.

NOTE 13 — FAIR VALUE OF FINANCIAL INSTRUMENTS

The following table presents information on our financial instruments as of January 31, 2024 and 2023:

	<u>2024</u>		<u>2023</u>	
	<u>Carrying Amount</u>	<u>Estimated Fair Value</u>	<u>Carrying Amount</u>	<u>Estimated Fair Value</u>
Financial liabilities:				
Series 2018-1 Class A-2-II Notes	\$ 329,928	\$ 315,044	\$ 332,363	\$ 319,515
Series 2018-1 Class A-2-III Notes	234,366	222,070	236,353	227,945
Series 2020-1 Class A-2 Notes	382,905	344,350	385,688	346,802
Series 2021-1 Class A-2 Notes	172,625	146,543	173,801	146,485

The fair value of cash and cash equivalents and restricted cash and cash equivalents each approximate their respective carrying amounts due to the short maturity of the balances. The carrying amounts of notes receivable, net (both current and non-current) of related allowance for credit losses approximate fair value. The estimated fair value of our borrowings under the Series 2018-1 Variable Funding Notes approximates the carrying value due to the expected short maturity of the borrowings. The estimated fair values of our borrowings under the Series 2018-1, Series 2020-1 and Series 2021-1 Class A-2 Notes were determined by obtaining estimated market prices from an investment banking firm as of the balance sheet dates.

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. Entities are required to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value based on the following fair value hierarchy:

Level 1 - Quoted prices in active markets for identical assets or liabilities;

THE CKE SECURITIZATION ENTITIES
NOTES TO COMBINED CONSOLIDATED FINANCIAL STATEMENTS (Continued)

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; and

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Our non-financial long-lived assets, including intangible assets and property and equipment, are reported at carrying value and are not required to be measured at fair value on a recurring basis. However, on a periodic basis, or whenever events or changes in circumstances indicate that their carrying value may not be recoverable, we assess our long-lived assets for impairment. When impairment has occurred, such long-lived assets are written down to fair value. See Note 16 for further information regarding impairment charges.

The following table presents long-lived assets measured at fair value on a non-recurring basis during fiscal 2024:

	Fair Value Measurements	Impairment Charges

NOTE 14 — COMMITMENTS AND CONTINGENT LIABILITIES

Lease Commitments

Many of the restaurants we have sold to franchisees are on leased sites, and we have entered into sublease agreements with these franchisees but remained principally liable for the lease obligations. We account for the sublease payments received as rent revenue in franchised restaurants and other revenue, and the payments on the leases as rent expense in franchised restaurants and other expense, in our accompanying Combined Consolidated Statements of Income. As of January 31, 2024, the nominal value of the lease obligations under the remaining master leases' primary terms is \$422,539.

Letters of Credit

Pursuant to our Series 2018-1 Variable Funding Notes, we may borrow up to \$70,000 for senior secured revolving facility loans, swingline loans and letters of credit (see Note 8). As of January 31, 2024, we had several standby letters of credit outstanding under our Series 2018-1 Variable Funding Notes totaling \$22,647, expiring at various dates through October 2024. The outstanding letters of credit consist of a \$13,100 letter of credit for benefit of the holders of the Senior Notes as an interest

reserve as required by the Series 2021-1 Indenture and letters of credit of \$9,547, which primarily secure our potential workers' compensation, general liability and auto liability obligations.

Unconditional Purchase Obligations

As of January 31, 2024, we had unconditional purchase obligations in the amount of \$54,516, which consisted primarily of contracts for goods and services related to restaurant operations. Our unconditional purchase obligations for fiscal 2025, 2026, 2027, 2028 and 2029 are estimated to be \$51,179, \$937, \$937, \$937 and \$526, respectively.

Litigation

We are currently involved in legal disputes related to employment, franchising, real estate and other business matters. We intend to vigorously defend against all claims in these lawsuits, and are unable to predict the ultimate outcome of these actions. Although the outcome of these matters cannot be predicted with certainty and some of these matters may be resolved unfavorably to the Company, based on currently available information, including legal defenses available to the Company and its legal reserves and insurance coverages, the Company does not believe that the outcome of these legal matters will have a material adverse effect on its consolidated financial position, results of operations or cash flow.

We accrue those loss contingencies that are deemed to be probable, and for which the amount of expected loss is reasonably estimable. Because litigation is inherently unpredictable, assessing contingencies is highly subjective and requires judgments about future events. When evaluating litigation contingencies, we may be unable to provide a meaningful estimate due to a number of factors, including the procedural status of the matter in question, the availability of appellate remedies, insurance coverage related to the claim or claims in question, the presence of complex or novel legal theories, and/or the ongoing discovery and development of information important to the matter. In addition, damage amounts claimed in litigation against us may be unsupported, exaggerated or unrelated to possible outcomes, and as such may not be meaningful indicators of our potential liability or financial exposure. We regularly review contingencies to determine the adequacy of our accruals and related disclosures. The ultimate amount of loss may differ from these estimates.

Further, no tax sharing agreement exists, or is expected to exist, between the CKE Securitization Entities and their indirect parent companies that would require the CKE Securitization Entities to directly or indirectly reimburse their indirect parent companies for taxes related to the operations of the CKE Securitization Entities.

Managing Member
Carl's Jr. SPV Guarantor LLC and Hardee's SPV Guarantor LLC:

Opinion

We have audited the combined consolidated financial statements of Carl's Jr. SPV Guarantor LLC and its subsidiaries, and Hardee's SPV Guarantor LLC and its subsidiaries (the Company), which comprise the combined consolidated balance sheets as of January 30, 2023 and January 31, 2022, and the related combined consolidated statements of income, members' deficit, and cash flows for each of the fiscal years then ended, and the related notes to the combined consolidated financial statements.

In our opinion, the accompanying combined consolidated financial statements present fairly, in all material respects, the financial position of the Company as of January 30, 2023 and January 31, 2022, and the results of its operations and its cash flows for each of the fiscal years then ended in accordance with U.S. generally accepted accounting principles.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Combined Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Note 9 to the combined consolidated financial statements, in fiscal 2023, the Company adopted new accounting guidance to account for leases in accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 842, *Leases*. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Combined Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the combined consolidated financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the combined consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the combined consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Combined Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the combined consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute

assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the combined consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the combined consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the combined consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the combined consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Information

Management is responsible for the other information included in the supplemental schedules. The other information comprises the combining consolidating balance sheets and combining consolidating statements of operations included in the supplemental schedules, but does not include the combined consolidated financial statements and our auditors' report thereon. Our opinion on the combined consolidated financial statements does not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the combined consolidated financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the combined consolidated financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Basis of Presentation and Fiscal Year

These Combined Consolidated Financial Statements include the combined accounts of Carl’s Jr. SPV Guarantor LLC and its consolidated subsidiaries, consisting of Carl’s Jr. Funding LLC and Carl’s Jr. Restaurants LLC, and Hardee’s SPV Guarantor LLC and its consolidated subsidiaries, consisting of Hardee’s Funding LLC and Hardee’s Restaurants LLC (collectively, the “CKE Securitization Entities”). The indirect corporate parent of Carl’s Jr. SPV Guarantor LLC and Hardee’s SPV Guarantor LLC is CKE Restaurants, and the indirect corporate parent of CKE Restaurants is CKE Holding Corporation (“CKE”). All of the CKE Securitization Entities are limited liability companies established on January 30, 2013 and were organized in the state of Delaware. The CKE Securitization Entities are special purpose, bankruptcy remote entities that hold substantially all of the restaurant businesses, franchising assets, real estate and other productive assets of CKE Restaurants and its subsidiaries. CKE Restaurants, together with certain other non-securitization entities, acts as the manager (“Manager”) by managing and servicing the assets, performing certain franchising, marketing, real estate, intellectual property and operating and reporting services on behalf of the CKE Securitization Entities. References to “we”, “us”, “our” and the “Company” may relate to any or all of the CKE Securitization Entities, as may be applicable, but do not relate to CKE or CKE Restaurants.

The CKE Securitization Entities were formed in connection with a contemplated financing (the “Securitization Transaction”), which was completed on April 1, 2013. In conjunction with the Securitization Transaction, Carl’s Jr. Funding LLC and Hardee’s Funding LLC (collectively, the “Co-Issuers”) issued \$1,050,000 Series 2013-1 4.474% Class A-2 Senior Secured Notes with an anticipated repayment date of March 2020 and a legal final maturity date of March 2043 (the “Class A-2 Notes”) and \$100,000 Series 2013-1 Variable Funding Class A-1 Senior Secured Notes due September 2018 (the “Variable Funding Notes” and together with the Class A-2 Notes, the “Senior Notes”). In June 2018, the Senior Notes were refinanced. In December 2020, the Series 2018-1 Class A-2-I Notes were refinanced. In June 2021, the Co-Issuers issued \$180,000 Series 2021-1 Class A-2 Notes. See Note 8 for further discussion.

These Combined Consolidated Financial Statements have been prepared in accordance with accounting principles generally accepted in the United States (“GAAP”). All significant intercompany balances and transactions are eliminated in combination and consolidation.

We operate on a retail accounting calendar, ending on the last Monday in January. For clarity of presentation, we generally label all years presented as if the fiscal year ended January 31. The fiscal year ended January 30, 2023 is referred to herein as fiscal 2023 or the fiscal year ended January 31, 2023. The fiscal year ended January 31, 2022 is referred to herein as

THE CKE SECURITIZATION ENTITIES
NOTES TO COMBINED CONSOLIDATED FINANCIAL STATEMENTS (Continued)

fiscal 2022 or the fiscal year ended January 31, 2022. The first quarter of our fiscal year has four periods, or 16 weeks. All other quarters generally have three periods, or 12 weeks. Fiscal 2022 contains 53 weeks, whereby the one additional week is included in the fourth quarter.

Our restaurant sales, and therefore our profitability, are subject to seasonal fluctuations and are traditionally higher during the spring and summer months because of factors such as increased travel during school vacations and improved weather conditions, which affect the public's dining habits.

COVID-19 and Inflation

The global crisis resulting from the spread of the novel coronavirus ("COVID-19") impacted restaurant operations throughout the CKE system for the years ended January 31, 2023 and 2022, though the impact in the current year was less significant than the prior year.

During the years ended January 31, 2023 and 2022, substantially all domestic restaurants remained open, some with limited operations, such as drive-thru, takeout and delivery (where applicable) and reduced hours of operation. During the year ended January 31, 2023, our international franchised restaurants have experienced less significant impacts from prolonged closures as a result of the COVID-19 and governmental authorities measures put in place. We expect local conditions to continue to dictate limitations on restaurant operations, capacity and hours of operation. COVID-19 has also contributed to labor challenges, which in some regions resulted in reduced operating hours at select restaurants.

Inflationary pressures on labor and commodity price increases directly impacted our results of operation during the year ended January 31, 2023. We attempt to manage any inflationary costs and commodity price increases through selective menu price increases and changes in product mix. Competitive pressures, consumer spending levels and other factors may limit our ability to recover such costs increases in the future.

Variable Interest Entities

We do not maintain ownership interests in our franchisees, and none of our assets serve as collateral for the creditors of our franchisees. Under the terms of their franchise agreements, franchise entities hold the power to direct the activities that most significantly impact their economic performance. As a result, we do not consider ourselves the primary beneficiary of any franchise entity that might be a variable interest entity.

Estimations

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Our most significant areas of estimation are:

- estimation of future cash flows used to assess the recoverability of long-lived assets, including intangible assets, finance lease assets and operating lease assets;
- determination of appropriate estimated liabilities for loss contingencies;
- determination of appropriate assumptions to use in evaluating leases for finance versus operating lease treatment, establishing depreciable lives for leasehold improvements and establishing straight-line rent expense periods; and
- estimation of the appropriate allowances associated with franchise and other receivables.

Cash and Cash Equivalents

For purposes of reporting cash and cash equivalents, highly liquid investments purchased with original maturities of three months or less are considered cash equivalents.

THE CKE SECURITIZATION ENTITIES
NOTES TO COMBINED CONSOLIDATED FINANCIAL STATEMENTS (Continued)

Restricted Cash and Cash Equivalents

Restricted cash and cash equivalents of \$16,053 and \$16,059 as of January 31, 2023 and 2022, respectively, consisted of cash and cash equivalents that are held by the trustee of our Senior Notes (as defined in Note 8) to be used for debt service payments on our Series 2018-1, Series 2020-1 and Series 2021-1 Senior Notes.

Inventories

Inventories are stated at the lower of cost (on a first-in, first-out basis) or net realizable value and consist primarily of restaurant food, packaging and supplies.

Property and Equipment

Property and equipment are recorded at cost, less accumulated depreciation and amortization. Depreciation is computed using the straight-line method based on the assets' estimated useful lives, which generally range from three to 40 years.

Leasehold improvements are amortized on a straight-line basis over the shorter of the estimated useful lives of the assets or the related lease terms. The amortization period for leasehold improvements includes renewal option periods only in instances in which the exercise of the renewal option is reasonably certain at the acquisition date because failure to exercise such option would result in an economic penalty.

We capitalize direct costs and interest costs associated with construction projects that have a future benefit. If we subsequently make a determination that a site for which development costs have been capitalized will not be acquired or developed, any previously capitalized development costs are expensed and included in general and administrative expenses.

Leases

We transitioned to Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 842, "Leases" ("ASC 842"), from ASC Topic 840, "Leases" (the "Previous Standard") on February 1, 2022. Our Consolidated Financial Statements reflect the application of ASC 842 guidance beginning in 2023, while our Consolidated Financial Statements for the prior period were prepared under the guidance of the Previous Standard. See Note 9, *Leases*, for further information about our transition to this new lease guidance on a modified retrospective basis using the effective date transition method.

Lessor Accounting

We recognize lease payments for operating leases as property revenue on a straight-line basis over the lease term. We recognize variable lease payment income for operating leases in the period when changes in facts and circumstances on which the variable lease payments are based occur. We recognize variable lease payment income for operating and financing leases in the period when changes in facts and circumstances on which the variable lease payments are based occur.

Lessee Accounting

In accordance with ASC 842, in leases where we are the lessee, we recognize an operating lease asset and lease liability at lease commencement, which are measured by discounting lease payments using the estimated risk free rate as the discount rate. We made an accounting policy election to use the risk-free rate as our discount rate to determine the initial and subsequent measurement of operating lease liabilities under Accounting Standards Update 2021-09, "Leases (Topic): Discount Rate for Lessees that Are Not Public Business Entities." Subsequent amortization of the operating lease asset and accretion of the lease liability for an operating lease is recognized as a single lease cost, on a straight-line basis, over the lease term. Reductions to the operating lease asset and the change in the lease liability are included in changes in operating lease assets and liabilities, net in the Combined Consolidated Statement of Cash Flows.

Under the Previous Standard, we did not recognize assets and liabilities for the rights and obligations created by operating leases and recorded rental expense for operating leases on a straight-line basis over the lease term.

THE CKE SECURITIZATION ENTITIES
NOTES TO COMBINED CONSOLIDATED FINANCIAL STATEMENTS (Continued)

A finance lease asset is depreciated on a straight-line basis over the lesser of the useful life of the leased asset or lease term. Interest on each finance lease liability is determined as the amount that results in a constant periodic discount rate on the remaining balance of the liability. Operating lease and finance lease assets are assessed for impairment in accordance with our long-lived asset impairment policy.

We reassess lease classification and remeasure assets and lease liabilities when a lease is modified and that modification is not accounted for as a separate contract or upon certain other events that require reassessment in accordance with ASC 842. We recognize variable lease cost for operating and finance leases in the period when changes in facts and circumstances on which the variable lease payments are based occur.

Intangible Assets

Our indefinite-lived intangible assets consist of trademarks / tradenames. We test trademarks / tradenames for impairment on an annual basis or more frequently if events or changes in circumstances indicate that the carrying amount of the intangible asset may not be recoverable. We first assess qualitative factors to determine whether it is more likely than not that the fair value of the indefinite-lived intangible asset is less than its carrying amount. If we conclude that it is more likely than not that the indefinite-lived intangible asset is impaired, we then perform a quantitative test to determine whether the carrying amount is less than the fair value of the indefinite-lived intangible asset and measure the amount of impairment, if any.

Our definite-lived intangible assets consist of franchise agreements and favorable lease agreements and are amortized on a straight-line basis over their estimated useful lives. Our definite-lived intangible assets are tested for impairment when events or circumstances indicate the carrying value may be impaired. Refer to discussion of facility action charges for a discussion of impairment of restaurant-level long-lived assets.

Deferred Financing Costs

Deferred financing costs are capitalized and amortized, utilizing the effective interest method, as a component of interest expense over the terms of the respective financing arrangements. See Note 8 for further discussion.

Book Overdraft

Book overdraft liabilities are included within accounts payable in our accompanying Combined Consolidated Balance Sheets. As of January 31, 2023 and 2022, our book overdraft liability was \$1,627 and \$3,579, respectively. We classify changes in book overdraft balances as a financing activity in our accompanying Combined Consolidated Statements of Cash Flows.

Loss Contingencies

We routinely assess loss contingencies to develop estimates of likelihood of loss and range of possible settlement. We accrue those loss contingencies that are deemed to be probable, and for which the amount of expected loss is reasonably estimable. We do not record liabilities for losses we believe are only reasonably possible to result in an adverse outcome. See Note 14 for further discussion.

Revenue Recognition

Company-operated restaurants revenue is recognized upon the sale of food or beverage to a customer in the restaurant, which is when our obligation to perform is satisfied.

Franchised restaurants and other revenue includes royalties, franchise fees and rent revenue. Royalties from franchised restaurants are based on a percentage of net sales of the franchised restaurant and are recognized as earned. Royalties are typically billed and paid monthly and are usually 4% to 5% per restaurant. Franchise development and commitment fees are deferred when received, allocated to each agreed upon restaurant, and recognized as revenue over the contractual term of each respective franchise agreement, once the restaurant has opened. Initial franchise fees, training fees, renewal fees and transfer fees are recognized as revenue over the contractual term of the franchise agreements, once the restaurant has opened. Upfront franchise fees are typically billed and paid when a new franchise agreement becomes effective or when an existing agreement is transferred to another franchisee. These franchise fees are considered highly dependent upon and interrelated with the franchise right granted in the franchise agreement. Further, franchise fees are forfeited and recognized as revenue upon the termination of

THE CKE SECURITIZATION ENTITIES
NOTES TO COMBINED CONSOLIDATED FINANCIAL STATEMENTS (Continued)

the related commitments to open new franchised restaurants, the franchised restaurants closing prior to the end of the contractual agreement or the franchised restaurants being acquired by the Company. Property revenues consist of rental income from properties we lease or sublease to franchisees. Property revenues are accounted for in accordance with applicable accounting guidance for leases (see Leases above). We present all revenue net of sales tax.

Franchise Operations and Credit Risk

Franchised restaurants and other expense includes rent and occupancy costs related to our franchised restaurants, amortization of franchise agreements, provision for bad debts and other miscellaneous expenses directly related to our franchise operations. These costs are expensed as incurred.

Accounts receivable consists primarily of amounts due from franchisees for royalties, franchise fees and rent. In addition, we have notes and other receivables from certain of our franchisees. The financial condition of our franchisees is, in part, dependent upon the underlying business trends of our brand. This concentration of credit risk is mitigated, in part, by the large number of franchisees and the short-term nature of the receivables.

We record provisions for estimated losses on receivables when we believe our franchisees are unable to make their required payments. We cease accruing royalties and rent revenue from franchisees during the fiscal quarter in which we determine that collectibility of such amounts is not reasonably assured. There are a number of different actions we and/or our franchisees may take to resolve or mitigate franchise collection issues. These actions may include a reduction or deferral of future royalties, a reduction or deferral of future rent for which we are the landlord or the primary obligor to the landlord, or if necessary, acquiring the restaurants or terminating the franchise agreement.

Advertising

Domestic Carl's Jr. restaurants contribute to a co-operative advertising fund (the "Carl's Jr. Fund") that is administered by Manager. Domestic Hardee's restaurants contribute to Hardee's National Advertising Fund ("HNAF") that is administered by Manager and co-operative advertising funds that are administered by a third party (collectively, the "Hardee's Funds"), but consolidated by Manager since Manager is the primary beneficiary of the Hardee's Funds. Further, both international Carl's Jr. restaurants and Hardee's restaurants contribute to certain international advertising funds that are administered by Manager.

We expense advertising costs for company-operated restaurants' contributions to the Carl's Jr. Fund and the Hardee's Funds as company-operated restaurants revenue is earned since we are obligated to share ratably in the cost of the related advertising programs. The cost of local and incremental advertising that is not funded by the Carl's Jr. Fund or the Hardee's Funds is expensed as incurred.

Facility Action Charges

From time to time, we identify restaurants that have carrying values in excess of their fair values and, as a result, we may record impairment charges. We may also close or rebrand these or other restaurants and lease or sublease the restaurant property to a franchisee or to a business other than one of our restaurant concepts. The financial statement impact resulting from these and similar actions are recorded in our accompanying Combined Consolidated Statements of Income as facility action charges, net and include:

- (i) impairment of restaurant-level long-lived assets for restaurants to be disposed of or held and used;
- (ii) store closure costs, including subleasing of closed facilities at amounts below our primary lease obligations; and
- (iii) gain or loss on the sale of restaurants, including rebranding transactions.

Considerable management judgment is necessary to estimate future cash flows, including cash flows from continuing use, terminal value, closure costs, expected sublease income and rebranding proceeds. Accordingly, actual results could vary significantly from our estimates.

THE CKE SECURITIZATION ENTITIES
NOTES TO COMBINED CONSOLIDATED FINANCIAL STATEMENTS (Continued)

(i) Impairment of Restaurant-Level Long-Lived Assets

Whenever events or circumstances indicate that the carrying value of assets may be impaired, we evaluate our restaurant-level long-lived assets for impairment. For purposes of impairment testing, assets are grouped at the lowest level for which identifiable cash flows are largely independent of the cash flows of other assets and liabilities, which is generally the individual restaurant level for fixed assets, finance lease assets and operating lease assets. For each asset group, we evaluate whether there are indicators of impairment such as sequential annual cash flow losses or adverse changes in the physical condition or expected use of the asset group. When indicators of impairment exist, we evaluate whether the assets are recoverable by comparing the undiscounted future cash flows that we expect to generate from their use and disposal to their carrying value. Restaurant-level assets that are not deemed to be recoverable are written down to their estimated fair value, which is determined by assessing the highest and best use of the assets and the amounts that would be received for such assets in an orderly transaction between market participants.

Our impairment analyses rely upon a number of estimates, assumptions and measurements with significant Level 2 and Level 3 unobservable inputs (see Note 13), including estimates of future cash flows, assumptions of future same-store sales and projected operating expenses for each of our restaurants over their estimated remaining useful lives in order to evaluate recoverability and estimate fair value. Future cash flows are estimated based upon experience gained, current intentions about refranchising or closing restaurants, recent and expected sales trends, internal plans, the period of time since the restaurant was opened or remodeled, the maturity of the related market and other relevant information. We generally estimate the useful life of restaurants on owned property to be 20 to 40 years and estimate the useful life of restaurants subject to leases to range from the end of the lease term then in effect to the end of such lease term including option periods. If our future cash flows or same-store sales do not meet or exceed our forecasted levels, or if restaurant operating cost increases exceed our forecast and we are unable to recover such costs through price increases, the carrying value of certain of our restaurants may prove to be unrecoverable, and we may incur additional impairment charges in the future.

(ii) Store Closure Costs

We typically make decisions to close restaurants based on prospects for estimated future profitability. However, sometimes we are forced to close restaurants due to circumstances beyond our control (e.g., a landlord's refusal to negotiate a new lease). When restaurants continue to perform poorly, we consider a number of factors, including the demographics of the location and the likelihood of being able to improve an unprofitable restaurant. Based on the operators' judgment and a financial review, we estimate the future cash flows. If we determine that the restaurant will not, within a reasonable period of time, operate at break-even cash flow or be profitable, and we are not contractually obligated to continue operating the restaurant, we may decide to close the restaurant.

The estimated liability for closed restaurants is based on the future lease payments and other contractual obligations for such properties until the lease has been abated. The amount of the estimated liability established is the present value of these estimated future payments, net of the present value of estimated sublease income. The interest rate used to calculate the present value of these liabilities is based on an estimated credit-adjusted risk-free rate at the time the liability is established. With the adoption of ASC 842 during fiscal year 2023, this estimated liability is no longer recorded as the entire operating lease liability is recorded in the Consolidated Balance Sheet.

(iii) Gain or Loss on the Sale of Restaurants, Including Refranchising Transactions

We record gains and losses on the sale of restaurants as the difference between the net proceeds received and net carrying values of the net assets of the restaurants sold. If we sublease a restaurant to a franchisee on terms that result in a probable loss, then we will establish a lease subsidy allowance and record a loss at the time we enter into the lease arrangement. As further described above, the amount of the estimated liability for the lease subsidy is the present value of our estimated future payments, net of the present value of the expected sublease income.

Distributor Concentration Risk

We currently rely on a limited number of distributors to deliver food, packaging and supplies to our restaurants. Although we could use alternative distributors, an unforeseen change in distributor could cause a delay in receipt of food, packaging or supplies and possibly result in unfavorable costs and loss of sales.

Comprehensive Income

We did not have any items of other comprehensive income during fiscal 2023 and 2022.

Subsequent Events

We have evaluated subsequent events through April 4, 2023, the date our Combined Consolidated Financial Statements were available to be issued. We concluded that no additional subsequent events required disclosure in these financial statements.

NOTE 2 — ADOPTION OF NEW ACCOUNTING PRONOUNCEMENTS AND ACCOUNTING PRONOUNCEMENTS NOT YET ADOPTED

New Accounting Standards Adopted

Leases

In February 2016, the FASB issued new authoritative guidance for leases. We adopted this new guidance on February 1, 2022. See Note 9, *Leases*, for further information about our transition to this new lease accounting standard.

Income Tax Simplification

In December 2019, the FASB issued Accounting Standards Update 2019-12, "Income Taxes (Topic 740)(ASU 2019-12)", which provides final guidance that simplifies the accounting for income taxes by eliminating certain exceptions to the guidance in ASC 740 related to the approach for intra-period tax allocation, the methodology for calculating income taxes in an interim period and the recognition of deferred tax liabilities for outside basis differences among other changes. For non-public business entities, the amendments in this update are effective for fiscal years beginning after December 15, 2021. Early adoption of this guidance is permitted. The Company adopted this guidance on February 1, 2022 on a prospective basis, and adoption of this guidance had no material impact to the Combined Consolidated Financial Statements.

New Accounting Standards Not Yet Adopted

Credit Impairment

In June 2016, the FASB issued a standard that requires measurement and recognition of expected versus incurred credit losses for financial assets held. The standard is effective for interim and annual reporting periods beginning after December 15, 2019 for public entities. For other entities, the standard is effective for interim and annual reporting periods beginning after December 15, 2022. Early adoption of this guidance is permitted. We are currently evaluating the impact the adoption of this standard will have on our Combined Consolidated Financial Statements.

Series 2018-1 Senior Notes, Series 2020-1 Senior Notes and Series 2021-1 Senior Notes

On June 20, 2018, we completed a company-wide refinancing transaction (the “Series 2018-1 Refinancing”). In connection with the Series 2018-1 Refinancing, the Co-Issuers, our indirect wholly-owned subsidiaries, issued an aggregate principal amount of \$1,000,000 Series 2018-1 Fixed Rate Senior Secured Notes, Class A-2, (“Series 2018-1 Class A-2 Notes”) and \$70,000 Series 2018-1 Class A-1 Variable Funding Senior Secured Notes (“Series 2018-1 Variable Funding Notes”, and together with the Series 2018-1 Class A-2 Notes, the “Series 2018-1 Senior Notes”). The indenture governing the Series 2018-1 Senior Notes (the “Indenture”) allows the Co-Issuers to issue additional series of notes in the future subject to certain conditions.

The Series 2018-1 Class A-2 Notes were issued in three tranches: (i) \$400,000 of Series 2018-1 4.250% Fixed Rate Senior Secured Notes, Class A-2-I, with an anticipated repayment date of June 2022; (ii) \$350,000 of Series 2018-1 4.959% Fixed Rate Senior Secured Notes, Class A-2-II, with an anticipated repayment date of June 2025; and (iii) \$250,000 of Series 2018-1 5.710% Fixed Rate Senior Secured Notes, Class A-2-III, with an anticipated repayment date of June 2028. The Series 2018-1 Class A-2 Notes have a legal final maturity date of June 2048. The Series 2018-1 Class A-2 Notes require scheduled quarterly principal payments of \$2,500 with the first principal payment due December 20, 2018. The interest payments for the Series 2018-1 Class A-2 Notes are due quarterly in arrears on the 20th day of each March, June, September and December.

The Series 2018-1 Variable Funding Notes provide for senior secured revolving facility loans, and subfacilities for swingline loans and letters of credit, in an aggregate amount of \$70,000. On October 26, 2022, the Series 2018-1 Variable Funding Notes were amended to extend the maturity date to September 2027, including options for renewal for two additional twelve-month terms (subject to certain conditions, including a minimum debt service coverage ratio). The Series 2018-1

THE CKE SECURITIZATION ENTITIES
NOTES TO COMBINED CONSOLIDATED FINANCIAL STATEMENTS (Continued)

Variable Funding Notes bear interest at a variable interest rate equal to (a) a commercial paper rate plus 3.00%, (b) the term SOFR rate plus 3.00% or (c) 2.00% plus the greater of (i) the Prime Rate, (ii) the Federal Funds rate plus 0.50%, or (iii) term SOFR plus 1.00%. The actual interest rate incurred is determined by how the borrowings were funded by participating investors, but in any event, will fall under one of the three scenarios described above. The Series 2018-1 Variable Funding Notes require us to pay a commitment fee of 0.50% per annum for unused commitments and letter of credit fees of 3.00% per annum on our outstanding non-cash collateralized letters of credit. Interest and other fees on the Series 2018-1 Variable Funding Notes are due quarterly in arrears on the 20th day of each March, June, September and December. As of January 31, 2023, we had no outstanding loan borrowings, \$24,223 of outstanding letters of credit and remaining availability of \$45,777 under our Series 2018-1 Variable Funding Notes.

On December 21, 2020, we paid down the entire outstanding principal balance of our Series 2018-1 Class A-2-I Notes with the issuance of an aggregate principal amount of \$400,000 of Series 2020-1 3.981% Fixed Rate Senior Secured Notes, Class A-2 (the "Series 2020-1 Class A-2 Notes"). Our Series 2018-1 4.959% Fixed Rate Senior Secured Notes, Class A-2-II and Series 2018-1 5.710% Fixed Rate Senior Secured Notes, Class A-2-III remain outstanding. The Series 2020-1 Class A-2 Notes were issued pursuant to an amendment to the Indenture and have an anticipated repayment date of December 2027. The Series 2020-1 Class A-2 Notes have a legal final maturity date of December 2050. The Series 2020-1 Class A-2 Notes require scheduled quarterly principal payments of \$1,000 with the first principal payment due March 22, 2021. The interest payments for the Series 2020-1 Class A-2 Notes are due quarterly in arrears on the 20th day of each March, June, September and December.

On June 24, 2021, we issued an aggregate principal amount of \$180,000 of Series 2021-1 2.865% Fixed Rate Senior Secured Notes, Class A-2 (the "Series 2021-1 Class A-2 Notes", and together with the "Series 2020-1 Class A-2 Notes" and the remaining Series 2018-1 Class A-2 Notes, all of which remain outstanding, the "Class A-2 Notes" and, collectively with the Series 2018-1 Variable Funding Notes, the "Senior Notes"). The Series 2021-1 Class A-2 Notes were issued pursuant to an amendment to the Indenture and have an anticipated repayment date of June 2028. The Series 2021-1 Class A-2 Notes have a legal final maturity date of June 2051. The Series 2021-1 Class A-2 Notes require scheduled quarterly principal payments of \$450 with the first principal payment due September 20, 2021. The interest payments for the Series 2021-1 Class A-2 Notes are due quarterly in arrears on the 20th day of each March, June, September and December. The remaining outstanding tranches of the Series 2021-1 Class A-2 Notes, the Series 2020-1 Class A-2 Notes and the Series 2018-1 Class A-2 Notes collectively require quarterly principal payments of \$2,500.

The Senior Notes are secured by substantially all assets of the CKE Securitization Entities, but are not guaranteed by or secured with the assets of CKE or its other subsidiaries, including CKE Restaurants. The Indenture requires the CKE Securitization Entities to report and remit weekly cash flows of the CKE Securitization Entities to the trustee of the Senior Notes. The weekly cash flows are subject to a priority of payments that provides for the payment of funds to specific trust accounts for debt service and other specified purposes set forth in the Indenture. The amount of weekly cash flow, if any, that exceeds the amounts required by the priorities of payment is remitted to CKE Restaurants in the form of an equity distribution.

We expect to repay or refinance each tranche of the Class A-2 Notes at or before its respective anticipated repayment date. However, in the event that we do not repay any tranche of Class A-2 Notes in full by its anticipated repayment date, such tranche of the Class A-2 Notes would be subject to additional interest at an interest rate of at least 5% per annum, and principal payments on all outstanding Senior Notes would accelerate until the debt is paid in full. If certain conditions are met, including a maximum leverage ratio for the CKE Securitization Entities of 5.0x of total net indebtedness to net cash flow, each as defined in the Indenture, we may elect not to make the scheduled principal payments on the Class A-2 Notes. We may optionally prepay up to 35% of the original principal amount of each tranche of the Series 2018-1 Class A-2 Notes (but not the Series 2020-1 Class A-2 Notes or the Series 2021-1 Class A-2 Notes) at any time at par, other than with proceeds from indebtedness. Generally, any optional (and certain mandatory) prepayments in excess of such amount would be subject to a make-whole premium as defined in the Indenture. Beginning eighteen months prior to the anticipated repayment date for the Series 2018-1 Class A-2-II Notes, thirty months prior to the anticipated repayment date for the Series 2018-1 Class A-2-III Notes, thirty-six months prior to the anticipated repayment date for the Series 2020-1 Class A-2 Notes and forty-two months prior to the anticipated repayment date for the Series 2021-1 Class A-2 Notes, we may repay all or a portion of the remaining principal amount of such applicable tranche of Class A-2 Notes at par.

The Senior Notes are subject to a series of covenants and restrictions customary for transactions of this type, including (i) required actions to perfect the security interest in certain collateral upon the occurrence of certain performance-related events, (ii) application of certain disposition proceeds as note prepayments, subject to certain exceptions,

THE CKE SECURITIZATION ENTITIES
NOTES TO COMBINED CONSOLIDATED FINANCIAL STATEMENTS (Continued)

(iii) maintenance of specified reserve accounts, (iv) maintenance of certain debt service coverage ratios, (v) mandatory prepayments with indemnification payments for defective or ineffective collateral, and (vi) covenants relating to record keeping, access to information and similar matters. If certain covenants or restrictions are not satisfied or complied with, the Senior Notes are subject to accelerated repayment events and events of default. Although management does not anticipate an event of default, if any such event occurred and was not cured within any applicable cure period, the unpaid amounts outstanding could become immediately due and payable.

In connection with the issuance of the Series 2021-1 Class A-2-I Notes in fiscal year 2022, we incurred debt issuance costs of \$4,275, which were capitalized. These deferred financing costs will be amortized using the effective interest method over the expected term of the Series 2021-1 Class A-2-I Notes.

In connection with the amendment of the 2018-1 Variable Funding Notes in fiscal year 2023, we incurred debt issuance costs of \$861 which were capitalized. These deferred financing costs will be amortized using the effective interest method over the expected term of the 2018-1 Variable Funding Notes.

NOTE 9 — LEASES

We occupy land and buildings under lease agreements expiring on various dates through fiscal 2046. Many leases provide for future rent escalations and renewal options. In addition, variable lease payments such as a percentage of sales in excess of specified levels, is often required. Most leases obligate us to pay costs of maintenance, insurance and property taxes.

We transitioned to ASC 842 on February 1, 2022 on a modified retrospective basis using the effective date transition method. The new guidance requires lessees to recognize on the balance sheet the assets and liabilities for the rights and obligations created by finance and operating leases and amends various other aspects of accounting for leases by lessees and lessors. In connection with our transition to ASC 842, we elected the package of practical expedients under which we did not reassess the classification of our existing leases, reevaluate whether any expired or existing contracts are or contain leases or reassess initial direct costs under the new guidance. We also elected lessee and lessor practical expedients to not separate non-lease components comprised of maintenance from lease components for real estate leases that commenced prior to our transition to ASC 842. We did not elect the practical expedient that permitted a reassessment of lease terms for existing leases.

Company as Lessor

We lease and sublease land and buildings to others, primarily as a result of the refranchising of certain restaurants. NOTE 10 — SALE-LEASEBACK TRANSACTIONS

For all of our 126 restaurant property financing method sale-leaseback transactions, whether assumed by or completed by the CKE Securitization Entities, the initial minimum lease terms are 20 years and include renewal options. The leases also include provisions that provide us with the ability to repurchase the properties, which for accounting purposes, prevents sale recognition as the leased properties are real estate, and we have concluded that no two real estate assets are substantially the same.

Under the financing method, the sales proceeds received are recorded in other current liabilities and other long-term liabilities until our continuing involvement with the properties is terminated, and the associated properties are reported as owned assets and depreciated over their remaining useful lives. Rent payments for these leases are recorded as principal and interest. The net book value of the associated assets, which is included in property and equipment, net of accumulated depreciation and amortization, in our accompanying Combined Consolidated Balance Sheets was \$117,126 and \$120,652 as of January 31, 2023 and 2022, respectively.

During fiscal 2023, the lease agreements for two of our restaurant properties were terminated. As we no longer have involvement in the properties, we recognized a net gain of \$1,160 associated with the write-off of the assets and liabilities. The net gain is included in facility action charges, net in our accompanying Combined Consolidated Statement of Income for fiscal 2023.

During fiscal 2022, we entered into agreements with independent third parties under which we sold and leased back a total of 5 additional restaurant properties. These agreements followed the same fact pattern as our existing sale-leaseback transactions and therefore, for accounting purposes, constitute continuing involvement with the associated restaurant properties. As such, the \$14,537 received in proceeds from the sale of these 5 properties is included in other current liabilities and other long-term liabilities, with no gain or loss recorded on the sale.

During fiscal 2022, the lease agreement for one of our restaurant properties was terminated. As we no longer have continuing involvement in this property, we recognized a net gain of \$262 associated with the write-off of its assets and liabilities. The net gain is included in facility action charges, net in our accompanying Consolidated Statements of Operations for fiscal 2022.

Closing costs and other fees related to sale-leaseback transactions are treated as deferred financing costs, which are recorded as a reduction to the liability balance and amortized to interest expense over the initial minimum lease term.

This obligation was established in acquisition accounting and based on the estimated residual value of the sale-leaseback assets at the end of the primary lease term.

NOTE 11 — OTHER LONG-TERM LIABILITIES

See Note 9, *Leases*.
- (2) The decrease in estimated liability for deferred rent, long-term portion reflects the reclassification of deferred rent where we are the lessee in the underlying operating lease to the operating lease asset recorded for the underlying lease in connection with our transition to ASC 842. NOTE 12 — MEMBERS' DEFICIT

During fiscal 2023 and 2022, the CKE Securitization Entities received capital contributions of \$45,394 and \$23,793, respectively, consisting principally of property and equipment and assets associated with the CKE Restaurants Acquisitions (see Note 5). During fiscal 2023 and 2022, the CKE Securitization Entities paid total cash distributions of \$139,428 and \$323,594, respectively, to members.

During fiscal 2022, we made a distribution to members of \$176,304 from the net proceeds received in connection with the Series 2021-1 Class A-2 Notes.

NOTE 13 — FAIR VALUE OF FINANCIAL INSTRUMENTS

The following table presents information on our financial instruments as of January 31, 2023 and 2022:

	2023		2022	
	Carrying Amount	Estimated Fair Value	Carrying Amount	Estimated Fair Value
Financial assets:				
Cash and cash equivalents	\$ 7,320	\$ 7,320	\$ 32,543	\$ 32,543

Series 2021-1 Class A-2 Notes	173,801	146,485	175,115	173,944

The fair value of cash and cash equivalents and restricted cash and cash equivalents each approximate their respective carrying amounts due to the short maturity of the balances. The carrying amounts of notes receivable, net (both current and non-current) of related allowance for doubtful accounts approximate fair value. The estimated fair value of our borrowings under the Series 2018-1 Variable Funding Notes approximates the carrying value due to the expected short maturity of the borrowings. The estimated fair values of our borrowings under the Series 2018-1, Series 2020-1 and Series 2021-1 Class A-2 Notes were determined by obtaining estimated market prices from an investment banking firm as of the balance sheet dates.

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. Entities are required to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value based on the following fair value hierarchy:

Level 1 - Quoted prices in active markets for identical assets or liabilities;

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; and

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Our non-financial long-lived assets, including intangible assets and property and equipment, are reported at carrying value and are not required to be measured at fair value on a recurring basis. However, on a periodic basis, or whenever events or changes in circumstances indicate that their carrying value may not be recoverable, we assess our long-lived assets for

THE CKE SECURITIZATION ENTITIES

impairment. When impairment has occurred, such long-lived assets are written down to fair value. See Note 16 for further information regarding impairment charges.

The following table presents long-lived assets measured at fair value on a non-recurring basis during fiscal 2023:

	<u>Fair Value Measurements</u>	<u>Impairment Charges</u>
Assets to be disposed of (Level 2) ⁽¹⁾	\$ —	\$ 2,483

(2) Represents impairment recorded for two underperforming domestic company-operated restaurants.

The following table presents long-lived assets measured at fair value on a non-recurring basis during fiscal 2022:

	<u>Fair Value Measurements</u>	<u>Impairment Charges</u>
Assets to be disposed of (Level 2) ⁽¹⁾	\$ —	\$ 1,360

(2) Represents impairment recorded for one underperforming domestic company-operated restaurant.

NOTE 14 — COMMITMENTS AND CONTINGENT LIABILITIES

Lease Commitments

Many of the restaurants we have sold to franchisees are on leased sites, and we have entered into sublease agreements with these franchisees but remained principally liable for the lease obligations. We account for the sublease payments received as rent revenue in franchised restaurants and other revenue, and the payments on the leases as rent expense in franchised restaurants and other expense, in our accompanying Combined Consolidated Statements of Income. As of January 31, 2023, the nominal value of the lease obligations under the remaining master leases' primary terms is \$438,172.

Letters of Credit

Pursuant to our Series 2018-1 Variable Funding Notes, we may borrow up to \$70,000 for senior secured revolving facility loans, swingline loans and letters of credit (see Note 8). As of January 31, 2023, we had several standby letters of credit outstanding under our Series 2018-1 Variable Funding Notes totaling \$24,223, expiring at various dates through October 2023. The outstanding letters of credit consist of a \$13,100 letter of credit for benefit of the holders of the Senior Notes as an interest reserve as required by the Series 2021-1 Indenture and letters of credit of \$11,123, which primarily secure our potential workers' compensation, general liability and auto liability obligations.

Unconditional Purchase Obligations

As of January 31, 2023, we had unconditional purchase obligations in the amount of \$62,627, which consisted primarily of contracts for goods and services related to restaurant operations. Our unconditional purchase obligations for fiscal 2024, 2025, 2026, and 2027 are estimated to be \$60,212, \$902, \$864 and \$649, respectively.

Litigation

We are currently involved in legal disputes related to employment, franchising, real estate and other business matters. We intend to vigorously defend against all claims in these lawsuits, and are unable to predict the ultimate outcome of these actions. Although the outcome of these matters cannot be predicted with certainty and some of these matters may be resolved unfavorably to the Company, based on currently available information, including legal defenses available to the Company and its legal reserves and insurance coverages, the Company does not believe that the outcome of these legal matters will have a material adverse effect on its consolidated financial position, results of operations or cash flow.

We accrue those loss contingencies that are deemed to be probable, and for which the amount of expected loss is reasonably estimable. Because litigation is inherently unpredictable, assessing contingencies is highly subjective and requires judgments about future events. When evaluating litigation contingencies, we may be unable to provide a meaningful estimate due to a number of factors, including the procedural status of the matter in question, the availability of appellate remedies, insurance coverage related to the claim or claims in question, the presence of complex or novel legal theories, and/or the ongoing discovery and development of information important to the matter. In addition, damage amounts claimed in litigation against us may be unsupported, exaggerated or unrelated to possible outcomes, and as such may not be meaningful indicators of our potential liability or financial exposure. We regularly review contingencies to determine the adequacy of our accruals and related disclosures. The ultimate amount of loss may differ from these estimates.

Independent Auditors' Report

The Board of Directors
CKE Restaurants Holdings, Inc.:

Opinion

We have audited the consolidated financial statements of CKE Restaurants Holdings, Inc. and its subsidiaries (the Company), which comprise the consolidated balance sheets as of January 29, 2024 and January 30, 2023, and the related consolidated statements of operations, comprehensive income, equity, and cash flows for each of the fiscal years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of January 29, 2024 and January 30, 2023, and the results of its operations and its cash flows for the fiscal years then ended in accordance with U.S. generally accepted accounting principles.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 1 — ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Description of Business

CKE Restaurants Holdings, Inc. (“CKE Restaurants”) is not a franchisor and conducts substantially all of its restaurant activities and operations through its subsidiaries. Carl’s Jr. Restaurants LLC and Hardee’s Restaurants LLC own, operate and franchise the Carl’s Jr.®, Hardee’s®, Green Burrito® and Red Burrito® concepts. References to “we”, “us”, “our” and the “Company” may relate to CKE Restaurants and/or its subsidiaries, as may be applicable.

Domestic Carl’s Jr. restaurants are predominantly located in the Western United States, primarily in California. International Carl’s Jr. restaurants are located primarily in Mexico, with a growing presence in the rest of Latin America, Asia and Europe. Domestic Hardee’s restaurants are predominantly located throughout the Southeastern and Midwestern United States. International Hardee’s restaurants have an established and growing presence in the Middle East and Central Asia. The Green Burrito concept is located in dual-branded Carl’s Jr. restaurants. The Red Burrito concept is located in dual-branded Hardee’s restaurants. As of January 31, 2024, our system-wide restaurant portfolio consisted of:

Company-operated	253
Domestic franchised	2,408
International franchised ⁽¹⁾	1,114
Total restaurants	<u>3,775</u>

(1) As of July 7, 2022, we ceased providing any and all services to our master franchisee for the country of Russia. Our master franchisee has one franchised and sixteen subfranchised restaurants in Russia. Additionally, we have ceased collecting any royalties or fees of any type from the operation of these locations and do not approve or authorize additional locations.

Basis of Presentation and Fiscal Year

Our accompanying Consolidated Financial Statements include the accounts of CKE Restaurants, its consolidated subsidiaries and its consolidated variable interest entities (“VIEs”). CKE Restaurants does not have any non-controlling interests in other entities. These Consolidated Financial Statements have been prepared in accordance with accounting principles generally accepted in the United States (“GAAP”). All significant intercompany balances and transactions are eliminated in consolidation.

We operate on a retail accounting calendar, ending on the last Monday in January. For clarity of presentation, we generally label all years presented as if the fiscal year ended January 31. The fiscal year ended January 29, 2024 is referred to herein as fiscal 2024 or the fiscal year ended January 31, 2024. The fiscal year ended January 30, 2023 is referred to herein as fiscal 2023 or the fiscal year ended January 31, 2023. The first quarter of our fiscal year has four periods, or 16 weeks. All other quarters generally have three periods, or 12 weeks.

Our restaurant sales, and therefore our profitability, are subject to seasonal fluctuations and are traditionally higher during the spring and summer months because of factors such as increased travel during school vacations and improved weather conditions, which affect the public’s dining habits.

Inflation and Middle East Conflict

Inflationary pressures on labor and commodity price increases directly impacted our results of operations during the year ended January 31, 2024 and January 31, 2023. We attempt to manage any inflationary costs and commodity price increases through selective menu price increases and changes in product mix. Competitive pressures, consumer spending levels and other factors may limit our ability to recover such costs increases in the future.

Beginning October 2023, certain of our Hardee’s international markets began being impacted by a military conflict in the Middle East. As a result, international franchised restaurants same-store sales were impacted to varying degrees within the Middle East. Further continuation of this conflict could have an adverse impact on our business and results of operations.

Variable Interest Entities

We consolidate the Hardee's National Advertising Fund ("HNAF") and approximately 80 local co-operative advertising funds (collectively, the "Hardee's Funds") since we have determined that the Hardee's Funds are VIEs and that we are the primary beneficiary. We considered a variety of factors in identifying the primary beneficiary of the Hardee's Funds including, but not limited to, who holds the power to direct the activities that most significantly impact the economic performance of the Hardee's Funds, as well as what party has the obligation to absorb any losses of the Hardee's Funds. Based upon these considerations, we concluded that we are the primary beneficiary. We have included \$28,066 and \$24,713 of total assets and total liabilities and equity in our accompanying Consolidated Balance Sheets as of January 31, 2024 and 2023, respectively. We have no rights to the assets, other than those disclosed below, nor do we have any obligation with respect to the liabilities, of the Hardee's Funds, and none of our assets serve as collateral for the creditors of these VIEs.

We do not maintain ownership interests in our franchisees, and none of our assets serve as collateral for the creditors of our franchisees. Under the terms of their franchise agreements, franchise entities hold the power to direct the activities that most significantly impact their economic performance. As a result, we do not consider ourselves the primary beneficiary of any franchise entity that might be a VIE.

Shanghai Business

The Shanghai, China business ("Shanghai business") was established for the purpose of locating, developing and operating Carl's Jr. restaurants within the municipality of Shanghai, China and certain nearby provinces. During the fiscal year ended January 31, 2023, the Company closed all restaurants operated by our Shanghai business.

Estimations

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Our most significant areas of estimation are:

- estimation of future cash flows used to assess the recoverability of long-lived assets, including intangible assets, goodwill, finance lease assets and operating lease assets;
- estimation, using actuarially determined methods, of our self-insured claim losses under our workers' compensation, general liability and auto liability insurance programs;
- determination of appropriate estimated liabilities for loss contingencies;
- determination of appropriate assumptions to use in evaluating leases for finance versus operating lease treatment, establishing depreciable lives for leasehold improvements and establishing straight-line rent expense periods;
- estimation of the appropriate allowances associated with franchise and other receivables;
- determination of the appropriate assumptions to estimate gift card breakage;
- determination of the appropriate assumptions to estimate the fair value of share-based compensation; and
- estimation of our deferred income tax asset valuation allowance, liabilities related to uncertain tax positions and effective tax rate.

Cash and Cash Equivalents

For purposes of reporting cash and cash equivalents, highly liquid investments purchased with original maturities of three months or less are considered cash equivalents.

CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

Restricted Cash and Cash Equivalents

Restricted cash and cash equivalents of \$15,942 and \$16,053 as of January 31, 2024 and 2023, respectively, consisted of cash and cash equivalents that are held by the trustee of our Series 2018-1 Senior Notes, Series 2020-1 Senior Notes and Series 2021-1 Senior Notes (as defined in Note 8) to be used for debt service payments on our Senior Notes.

Inventories

Inventories are stated at the lower of cost (on a first-in, first-out basis) or net realizable value and consist primarily of restaurant food, packaging and supplies.

Property and Equipment

Property and equipment are recorded at cost, less accumulated depreciation and amortization. Depreciation is computed using the straight-line method based on the assets' estimated useful lives, which generally range from three to 40 years.

Leasehold improvements are amortized on a straight-line basis over the shorter of the estimated useful lives of the assets or the related lease terms. The amortization period for leasehold improvements includes renewal option periods only in instances in which the exercise of the renewal option is reasonably certain at the acquisition date because failure to exercise such option would result in an economic penalty.

We capitalize direct costs and interest costs associated with construction projects that have a future benefit. If we subsequently make a determination that a site for which development costs have been capitalized will not be acquired or developed, any previously capitalized development costs are expensed and included in general and administrative expenses.

Leases

Lessor Accounting

We recognize lease payments for operating leases as property revenue on a straight-line basis over the lease term. We recognize variable lease payment income for operating leases in the period when changes in facts and circumstances on which the variable lease payments are based occur. We recognize variable lease payment income for operating and financing leases in the period when changes in facts and circumstances on which the variable lease payments are based occur.

Lessee Accounting

We recognize an operating lease asset and lease liability at lease commencement, which are measured by discounting lease payments using the estimated risk free rate as the discount rate. We made an accounting policy election to use the risk-free rate as our discount rate to determine the initial and subsequent measurement of operating lease liabilities. Subsequent amortization of the operating lease asset and accretion of the lease liability for an operating lease is recognized as a single lease cost, on a straight-line basis, over the lease term. Reductions to the operating lease asset and the change in the lease liability are included in changes in operating lease assets and liabilities, net in the Consolidated Statement of Cash Flows.

A finance lease asset is depreciated on a straight-line basis over the lesser of the useful life of the leased asset or lease term. Interest on each finance lease liability is determined as the amount that results in a constant periodic discount rate on the remaining balance of the liability. Operating lease and finance lease assets are assessed for impairment in accordance with our long-lived asset impairment policy.

We reassess lease classification and remeasure assets and lease liabilities when a lease is modified and that modification is not accounted for as a separate contract or upon certain other events that require reassessment. We recognize variable lease cost for operating and finance leases in the period when changes in facts and circumstances on which the variable lease payments are based occur.

CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

Goodwill and Intangible Assets

Goodwill represents the excess, if any, of the purchase price over the fair value of identifiable net assets acquired in an acquisition. As of January 31, 2024, our goodwill balance primarily consisted of goodwill recorded in connection with the acquisition of CKE Inc., the Company's sole stockholder, that occurred on December 24, 2013. Goodwill may also be recorded in connection with the acquisition of restaurants from franchisees.

We test goodwill for impairment on an annual basis, or more frequently if events and/or circumstances indicate that goodwill might be impaired. The impairment test is performed at the reporting unit level, and an impairment loss is recognized to the extent that the carrying amount of the reporting unit exceeds its fair value. We consider our reporting units to be company-operated restaurants, domestic franchised restaurants and international franchised restaurants as the components (e.g., restaurants) within each reporting unit have similar economic characteristics, including products and services, production processes, types or classes of customers and distribution methods.

We perform our annual goodwill impairment test on the last day of the first accounting period in our fiscal fourth quarter, which was December 4, 2023 for fiscal 2024. In accordance with authoritative guidance, we first assess qualitative factors to determine whether it is more likely than not that the fair values of our reporting units are less than their carrying amounts. If we conclude that it is more likely than not that the fair value of a reporting unit is less than its carrying amount, we then conduct a single-step quantitative goodwill impairment test, consisting of a comparison of the fair values of the reporting units to the carrying values of the reporting units. If the carrying value of a reporting unit exceeds its fair value, then an impairment charge will be recognized for the amount by which the carrying value exceeds the reporting unit's fair value, not to exceed the total amount of goodwill allocated to that reporting unit.

When we sell restaurants to franchisees, we remove the related goodwill, which is based on the relative fair value of the restaurants sold and the reporting unit as a whole, from our company-operated restaurants reporting unit. A portion of the goodwill, representing the cash flows disposed, is included in the carrying amount of the restaurants in determining the gain or loss on refranchising. The portion of the goodwill disposed is generally based on the price paid to the Company to acquire the restaurants in relation to the fair value of the reporting unit as a whole. The fair value of the reporting unit is based upon the price a willing buyer would pay for the reporting unit. The remaining goodwill related to the divested restaurants, which is attributable to retained cash flows, is transferred from our company-operated restaurants reporting unit to our domestic franchised restaurants reporting unit.

Our indefinite-lived intangible assets consist of trademarks / tradenames. We test trademarks / tradenames for impairment on an annual basis or more frequently if events or changes in circumstances indicate that the carrying amount of the intangible asset may not be recoverable. We first assess qualitative factors to determine whether it is more likely than not that the fair value of the indefinite-lived intangible asset is less than its carrying amount. If we conclude that it is more likely than not that the indefinite-lived intangible asset is impaired, we then perform a quantitative test to determine whether the carrying amount is less than the fair value of the indefinite-lived intangible asset and measure the amount of impairment, if any.

Our definite-lived intangible assets consist of franchise agreements and favorable lease agreements and are amortized on a straight-line basis over their estimated useful lives. Our definite-lived intangible assets are tested for impairment when events or circumstances indicate the carrying value may be impaired. Refer to discussion of facility action charges for a discussion of impairment of restaurant-level long-lived assets.

Deferred Financing Costs

Deferred financing costs are capitalized and amortized, utilizing the effective interest method, as a component of interest expense over the terms of the respective financing arrangements. See Note 8 for further discussion.

Book Overdraft

Book overdraft liabilities are included within accounts payable in our accompanying Consolidated Balance Sheets. As of January 31, 2024 and 2023, our book overdraft liability was \$416 and \$1,888, respectively. We classify changes in book overdraft balances as a financing activity in our accompanying Consolidated Statements of Cash Flows.

CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

Self-Insurance

We are self-insured for a portion of losses related to workers' compensation, general liability and auto liability claims. We establish liabilities for self-insurance, with the assistance of actuaries, using assumptions based on the average historical losses on claims we have incurred, actuarial observations of historical claim loss development and actuarial estimates of unpaid losses for each loss category. Our workers' compensation, general liability and auto liability claims are discounted using an estimated risk-free interest rate of 2.5% as of January 31, 2024. As of January 31, 2024 and 2023, our estimated liability for self-insurance was \$13,113 and \$17,996, respectively.

Loss Contingencies

We routinely assess loss contingencies to develop estimates of likelihood of loss and range of possible settlement. We accrue those loss contingencies that are deemed to be probable, and for which the amount of expected loss is reasonably estimable. We do not record liabilities for losses we believe are only reasonably possible to result in an adverse outcome. See Note 14 for further discussion.

Revenue Recognition

Company-operated restaurants revenue is recognized upon the sale of food or beverage to a customer in the restaurant, which is when our obligation to perform is satisfied.

Franchised restaurants and other revenue includes royalties, franchise fees, and rent revenue. Royalties from franchised restaurants are based on a percentage of net sales of the franchised restaurant and are recognized as earned. Royalties are typically billed and paid monthly and are usually 4% to 5% per restaurant. Franchise development and commitment fees are deferred when received, allocated to each agreed upon restaurant, and recognized as revenue over the contractual term of each respective franchise agreement, once the restaurant has opened. Initial franchise fees, training fees, renewal fees and transfer fees are recognized as revenue over the contractual term of the franchise agreements, once the restaurant has opened. Upfront franchise fees are typically billed and paid when a new franchise agreement becomes effective or when an existing agreement is transferred to another franchisee. These franchise fees are considered highly dependent upon and interrelated with the franchise right granted in the franchise agreement. Further, franchise fees are forfeited and recognized as revenue upon the termination of the related commitments to open new franchised restaurants, the franchised restaurants closing prior to the end of the contractual agreement or the franchised restaurants being acquired by the Company. Property revenues consist of rental income from properties we lease or sublease to franchisees. Property revenues are accounted for in accordance with applicable accounting guidance for leases (see Leases above). We present all revenue net of sales tax.

Advertising funds revenue includes contributions to HNAF, Hardee's Co-ops, the Carl's Jr. national advertising fund (the "Carl's Jr. Fund") and certain international advertising funds (collectively, the "Advertising Funds") by franchisees. Revenue related to these contributions is based on a percentage of sales of the franchised restaurants and is recognized as earned.

Our company-operated restaurants and franchised restaurants sell gift cards within the restaurants and through independent retailers that are redeemable for products in our Carl's Jr. and Hardee's restaurants. The Company manages the gift card program and collects all funds from the activation of gift cards. We recognize revenue when cards are redeemed in our company-operated restaurants and reimburse franchisees for the redemption of gift cards in their restaurants. A liability for unredeemed gift cards is included in other current liabilities in our accompanying Consolidated Balance Sheets (see Note 7).

There are no expiration dates on our gift cards, and we do not charge any service fees. While our company-operated restaurants and franchisees continue to honor all gift cards presented for payment, we may determine the likelihood of redemption to be remote for certain cards due to long periods of inactivity. In these circumstances, we may recognize income from unredeemed gift cards ("breakage revenue") if they are not subject to unclaimed property laws. Breakage revenue on all Carl's Jr. and Hardee's gift cards is estimated and recognized over time in proportion to actual gift card redemptions, based on historical redemption rates. We account for breakage revenue in franchised restaurants and other revenue in our accompanying Consolidated Statement of Operations (see Note 15).

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

Franchise Operations and Credit Risk

Franchised restaurants and other expense includes rent and occupancy costs related to our franchised restaurants, amortization of franchise agreements, credit losses, and other miscellaneous expenses directly related to our franchise operations. These costs are expensed as incurred.

Accounts receivable consists primarily of amounts due from franchisees for royalties, advertising, franchise fees, and rent. In addition, we have notes and other receivables from certain of our franchisees. The financial condition of our franchisees is, in part, dependent upon the underlying business trends of our brand. This concentration of credit risk is mitigated, in part, by the large number of franchisees and the short-term nature of the receivables.

We record provisions for estimated losses on receivables when we believe our franchisees are unable to make their required payments. We cease accruing royalties and rent revenue from franchisees during the fiscal quarter in which we determine that collectibility of such amounts is not reasonably assured. There are a number of different actions we and/or our franchisees may take to resolve or mitigate franchise collection issues. These actions may include a reduction or deferral of future royalties, a reduction or deferral of future rent for which we are the landlord or the primary obligor to the landlord, invoking personal guarantees, or if necessary, acquiring the restaurants or terminating the franchise agreement.

Advertising

Company-operated and franchised restaurants jointly share in the cost of various advertising and marketing programs. Advertising and marketing contributions for both company-operated and franchised restaurants are generally determined based on a percentage of revenue and contributed to the applicable funds ratably throughout the year. We administer internally the Carl's Jr. Fund advertising and marketing programs, certain international advertising funds and HNAF. A third party administers the Hardee's local co-operative advertising funds.

Advertising costs for company-operated restaurants' contributions to the Advertising Funds is eliminated in consolidation. Advertising contributions by company-operated restaurants totaled \$18,735 and \$17,934 for fiscal 2024 and fiscal 2023, respectively. The cost of local and incremental advertising that is not funded by the Advertising Funds is expensed as incurred.

Share-Based Compensation

We issue equity-based awards to our executive management team, certain key employees, and directors under our equity-based compensation plans. Under the fair value recognition provisions of the authoritative guidance for equity-based compensation awards, we measure the fair value of equity-based awards at the grant date and the fair value is recognized as expense over the requisite service period.

Our equity-based compensation structure includes both time vesting and performance vesting profit sharing interests. We recognize compensation expense relating to time vesting profit sharing interests ratably over the requisite service period for the entire award. Performance vesting profit sharing interests vest through meeting performance and service conditions. We record compensation expense for performance vesting profit sharing interests when we deem the achievement of the performance goals to be probable. We recognize compensation expense for each separately vesting portion of performance vesting profit sharing interests ratably over the requisite service period that is determined to be the most likely outcome. We record reversals of share-based compensation expense for forfeitures as they occur. Our share-based compensation structure is described more fully in Note 17.

Facility Action Charges

From time to time, we identify restaurants that have carrying values in excess of their fair values and, as a result, we may record impairment charges. We may also close or rebrand these or other restaurants and lease or sublease the restaurant property to a franchisee or to a business other than one of our restaurant concepts. The financial statement impact resulting from these and similar actions are recorded in our accompanying Consolidated Statements of Operations as facility action charges, net and include:

- (i) impairment of restaurant-level long-lived assets for restaurants to be disposed of or held and used;

CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

- (ii) store closure costs, including rent, taxes, depreciation and other costs incurred for closing a store; and
- (iii) gain or loss on the sale of restaurants, including refranchising transactions.

Considerable management judgment is necessary to estimate future cash flows, including cash flows from continuing use, terminal value, closure costs, expected sublease income and refranchising proceeds. Accordingly, actual results could vary significantly from our estimates.

(i) Impairment of Restaurant-Level Long-Lived Assets

Whenever events or circumstances indicate that the carrying value of assets may be impaired, we evaluate our restaurant-level long-lived assets for impairment. For purposes of impairment testing, assets are grouped at the lowest level for which identifiable cash flows are largely independent of the cash flows of other assets and liabilities, which is generally the individual restaurant level for fixed assets, finance lease assets and operating lease assets. For each asset group, we evaluate whether there are indicators of impairment such as sequential annual cash flow losses or adverse changes in the physical condition or expected use of the asset group. When indicators of impairment exist, we evaluate whether the assets are recoverable by comparing the undiscounted future cash flows that we expect to generate from their use and disposal to their carrying value. Restaurant-level assets that are not deemed to be recoverable are written down to their estimated fair value, which is determined by assessing the highest and best use of the assets and the amounts that would be received for such assets in an orderly transaction between market participants.

Our impairment analyses rely upon a number of estimates, assumptions and measurements with significant Level 2 and Level 3 unobservable inputs (see Note 13), including estimates of future cash flows, assumptions of future same-store sales and projected operating expenses for each of our restaurants over their estimated remaining useful lives in order to evaluate recoverability and estimate fair value. Future cash flows are estimated based upon experience gained, current intentions about refranchising or closing restaurants, recent and expected sales trends, internal plans, the period of time since the restaurant was opened or remodeled, the maturity of the related market and other relevant information. We generally estimate the useful life of restaurants on owned property to be 20 to 40 years and estimate the useful life of restaurants subject to leases to range from the end of the lease term then in effect to the end of such lease term including option periods. If our future cash flows or same-store sales do not meet or exceed our forecasted levels, or if restaurant operating cost increases exceed our forecast and we are unable to recover such costs through price increases, the carrying value of certain of our restaurants may prove to be unrecoverable, and we may incur additional impairment charges in the future.

(ii) Store Closure Costs

We typically make decisions to close restaurants based on prospects for estimated future profitability. However, sometimes we are forced to close restaurants due to circumstances beyond our control (e.g., a landlord's refusal to negotiate a new lease). When restaurants continue to perform poorly, we consider a number of factors, including the demographics of the location and the likelihood of being able to improve an unprofitable restaurant. Based on the operators' judgment and a financial review, we estimate the future cash flows. If we determine that the restaurant will not, within a reasonable period of time, operate at break-even cash flow or be profitable, and we are not contractually obligated to continue operating the restaurant, we may decide to close the restaurant.

(iii) Gain or Loss on the Sale of Restaurants, Including Refranchising Transactions

We record gains and losses on the sale of restaurants as the difference between the net proceeds received and net carrying values of the net assets of the restaurants sold. As discussed within the section "Goodwill and Intangible Assets" in this Note 1, we include goodwill in the carrying amount of the restaurants in determining the gain or loss on disposal. If we sublease a restaurant to a franchisee on terms that result in a probable loss, then we will establish a lease subsidy allowance and record a loss at the time we enter into the lease arrangement. As further described above, the amount of the estimated liability for the lease subsidy is the present value of our estimated future payments, net of the present value of the expected sublease income.

Contract Liabilities - Deferred Franchise Fees

The following table provides information about contract liabilities, specifically deferred franchise fees, received from contracts with customers:

Deferred franchise fees, beginning of year	\$ 35,942	\$ 37,420
Revenue recognized during the period	(4,917)	(6,142)

Deferred franchise fees, end of year	<u>\$ 35,941</u>	<u>\$ 35,942</u>

The following table reflects the estimated franchise fees to be recognized in the future related to performance obligations that are unsatisfied at the end of the period:

Fiscal:		
2025	\$	3,454
2026		3,018
2027		2,801
2028		2,665
2029		2,546
Thereafter		21,457
Total estimated future amortization income	<u>\$</u>	<u>35,941</u>

Deferred franchise fees are recorded in other current liabilities and other long-term liabilities in our accompanying Consolidated Balance Sheets as of January 31, 2024 and January 31, 2023, respectively.

Income Taxes

We are included in the consolidated federal income tax returns and combined state income tax returns of CKE Holding Corporation (“CKE”). For the purpose of determining the income taxes attributable to CKE Restaurants and its subsidiaries, we prepare our income tax provision as if we were a separate taxpayer. As a result of this treatment, we make income tax payments to our corporate parent based upon our separate return taxable income. We additionally make income tax payments directly to federal, state, local and foreign taxing jurisdictions.

Our current provision for income taxes is based on our estimated taxable income in each of the jurisdictions in which we operate, after considering the impact on our taxable income of temporary differences resulting from disparate treatment of items, such as depreciation, interest expense, advertising funds, sale-leaseback transactions, various reserves, tax credits and net operating losses (“NOL”), for tax and financial reporting purposes. We record deferred income taxes for the estimated future income tax effect of temporary differences between the financial and tax bases of assets and liabilities using the asset and liability method. Deferred income tax assets are also recorded for NOL and income tax credit carryforwards. A valuation allowance to reduce the carrying amount of deferred income tax assets is established when it is more likely than not that we will not realize some portion or all of the tax benefit of our deferred income tax assets. We evaluate, on a quarterly basis, whether it is more likely than not that our deferred income tax assets are realizable. In performing this analysis, we consider all available evidence, both positive and negative, including historical operating results, the estimated timing of future reversals of existing taxable temporary differences, estimated future taxable income exclusive of reversing temporary differences and carryforwards and potential tax planning strategies that may be employed to prevent NOL or tax credit carryforwards from expiring unused. Deferred income tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred income tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date.

CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

From time to time, we may take positions in filing our income tax returns that differ from the treatment of the same items for financial reporting purposes. The ultimate outcome of these items will not be known until the Internal Revenue Service, or similar state taxing authority, has completed its examination or until the statute of limitations has expired.

We maintain a liability for underpayment of income taxes and related interest and penalties, if any, related to uncertain income tax positions. The tax benefit from an uncertain tax position is recognized either upon the expiration of the statutory audit period or when it is more likely than not that the position will be sustained upon examination, including resolutions of any related appeals or litigation processes, based on the technical merits. Our policy on the classification of interest and penalties related to the underpayment of income taxes and uncertain tax positions is to record interest in interest expense, and to record penalties, if any, in general and administrative expense, in our accompanying Consolidated Statements of Operations. Accrued interest and penalties are included in our liability for uncertain tax positions.

Distributor Concentration Risk

We currently rely on a limited number of distributors to deliver food, packaging and supplies to our restaurants. Although we could use alternative distributors, an unforeseen change in distributor could cause a delay in receipt of food, packaging or supplies and possibly result in unfavorable costs and loss of sales.

Foreign Currency

The functional currency of our foreign entities is the currency of the primary economic environment in which the entity operates. Functional currency determinations are made based upon a number of economic factors, including but not limited to cash flows and financing transactions. The operations, assets and liabilities of our entities outside the United States are initially measured using the functional currency of that entity. The income and expense accounts are then translated into U.S. dollars at the average exchange rates prevailing during the period. The assets and liabilities are translated into U.S. dollars at exchange rates in effect at the balance sheet date.

Comprehensive Income

We present comprehensive income in our accompanying Consolidated Statements of Comprehensive Income. Comprehensive income includes, in addition to net income, changes in equity that are excluded from our Consolidated Statements of Operations and are recorded directly into a separate section of equity on our Consolidated Balance Sheets. Accumulated other comprehensive income is comprised entirely of foreign currency translation adjustments attributable to CKE Restaurants Holdings, Inc.

Reclassification

Certain prior year amounts in the Consolidated Statements of Operations have been reclassified in order to be comparable with the current year classification. These consist of the reclassification for the year ended January 31, 2023 certain workers compensation expense of \$2,846 from Payroll and other employee benefits to Occupancy and other expense. These reclassifications did not arise as a result of any changes to accounting policies and relate entirely to presentation with no effect on previously reported net income.

Subsequent Events

We have evaluated subsequent events through April 10, 2024, the date our Consolidated Financial Statements were available to be issued and except as discussed in Note 8, have determined that no material subsequent events occurred after the balance sheet date.

NOTE 2 — ADOPTION OF NEW ACCOUNTING PRONOUNCEMENTS AND ACCOUNTING PRONOUNCEMENTS NOT YET ADOPTED

New Accounting Standards Adopted

Credit Impairment

In June 2016, the Financial Accounting Standards Board (“FASB”) issued a standard that requires measurement and recognition of expected versus incurred credit losses for financial assets held, including trade receivables. The standard is effective for interim and annual reporting periods beginning after December 15, 2019 for public entities. For other entities, the standard is effective for interim and annual reporting periods beginning after December 15, 2022. The Company adopted this amendment during the first quarter of 2024. The adoption of this guidance did not have a material impact on our Consolidated Financial Statements.

New Accounting Standards Not Yet Adopted

Income Tax Disclosures

In December 2023, the FASB issued guidance that enhances income tax disclosures including expanded qualitative effective tax rate reconciliation. The standard also requires annual disclosure of income taxes paid disaggregated by federal, state and foreign taxes. The standard is effective for annual reporting periods beginning after December 15, 2024 for public entities. For other entities, the standard is effective for annual reporting periods beginning after December 15, 2025. Early adoption of the guidance is permitted. We are currently evaluating the impact the adoption of this standard will have on our Consolidated Financial Statements.

During fiscal 2024 and 2023, we capitalized interest costs in the amounts of \$180 and \$325, respectively.

NOTE 5 — ACQUISITIONS AND REFRANCHISING ACTIVITY

Acquisition of Restaurants

During the fiscal year ended January 31, 2024, we purchased nineteen Hardee's restaurants and one Carl's Jr. restaurant from franchisees for purchase price consideration of \$3,342, which in combination with certain assets subject to pre-existing relations with these franchisees, results in aggregate consideration transferred for \$3,438. As a result of these transactions, we recorded the following:

	Fiscal 2024

NOTE 6 — GOODWILL AND INTANGIBLE ASSETS, NET

During the fourth quarter of fiscal 2024 and 2023, we performed our annual impairment tests for goodwill and indefinite-lived intangible assets using a qualitative approach and determined that it is more likely than not that the fair value is greater than the carrying value. Accordingly, no impairment losses were recorded in fiscal 2024 or 2023.

Series 2018-1 Senior Notes, Series 2020-1 Senior Notes and Series 2021-1 Senior Notes

On June 20, 2018, we completed a company-wide refinancing transaction (the “Series 2018-1 Refinancing”). In connection with the Series 2018-1 Refinancing, Carl’s Jr. Funding LLC and Hardee’s Funding LLC (collectively, the “Co-Issuers”), our indirect wholly-owned subsidiaries, issued an aggregate principal amount of \$1,000,000 Series 2018-1 Fixed Rate Senior Secured Notes, Class A-2, (“Series 2018-1 Class A-2 Notes”) and \$70,000 Series 2018-1 Class A-1 Variable Funding Senior Secured Notes (“Series 2018-1 Variable Funding Notes”, and together with the Series 2018-1 Class A-2 Notes, the “Series 2018-1 Senior Notes”). The indenture governing the Series 2018-1 Senior Notes (the “Indenture”) allows the Co-Issuers to issue additional series of notes in the future subject to certain conditions.

The Series 2018-1 Class A-2 Notes were issued in three tranches: (i) \$400,000 of Series 2018-1 4.250% Fixed Rate Senior Secured Notes, Class A-2-I, with an anticipated repayment date of June 2022; (ii) \$350,000 of Series 2018-1 4.959% Fixed Rate Senior Secured Notes, Class A-2-II, with an anticipated repayment date of June 2025; and (iii) \$250,000 of Series 2018-1 5.710% Fixed Rate Senior Secured Notes, Class A-2-III, with an anticipated repayment date of June 2028. The Series 2018-1 Class A-2 Notes have a legal final maturity date of June 2048. The Series 2018-1 Class A-2 Notes require scheduled quarterly principal payments of \$2,500 with the first principal payment due December 20, 2018. The interest payments for the Series 2018-1 Class A-2 Notes are due quarterly in arrears on the 20th day of each March, June, September and December.

The Series 2018-1 Variable Funding Notes provide for senior secured revolving facility loans, and subfacilities for swingline loans and letters of credit, in an aggregate amount of \$70,000. On October 26, 2022, the Series 2018-1 Variable Funding Notes were amended to extend the maturity date to September 2027, including options for renewal for two additional twelve-month terms (subject to certain conditions, including a minimum debt service coverage ratio). The Series 2018-1 Variable Funding Notes bear interest at a variable interest rate equal to (a) a commercial paper rate plus 3.00%, (b) the term SOFR rate plus 3.00% or (c) 2.00% plus the greater of (i) the Prime Rate, (ii) the Federal Funds rate plus 0.50%, or (iii) term SOFR plus 1.00%. The actual interest rate incurred is determined by how the borrowings were funded by participating investors, but in any event, will fall under one of the three scenarios described above. The Series 2018-1 Variable Funding Notes require us to pay a commitment fee of 0.50% per annum for unused commitments and letter of credit fees of 3.00% per annum on our outstanding non-cash collateralized letters of credit. Interest and other fees on the Series 2018-1 Variable Funding Notes are due quarterly in arrears on the 20th day of each March, June, September and December. As of January 31, 2024, we had no outstanding loan borrowings, \$22,647 of outstanding letters of credit and remaining availability of \$47,353 under our Series 2018-1 Variable Funding Notes.

On December 21, 2020, the Co-Issuers paid down the entire outstanding principal balance of our Series 2018-1 Class A-2-I Notes with the issuance of an aggregate principal amount of \$400,000 of Series 2020-1 3.981% Fixed Rate Senior Secured Notes, Class A-2 (the “Series 2020-1 Class A-2 Notes”). Our Series 2018-1 4.959% Fixed Rate Senior Secured Notes, Class A-2-II and Series 2018-1 5.710% Fixed Rate Senior Secured Notes, Class A-2-III remain outstanding. The Series 2020-1 Class A-2 Notes were issued pursuant to an amendment to the Indenture and have an anticipated repayment date of December 2027. The Series 2020-1 Class A-2 Notes have a legal final maturity date of December 2050. The Series 2020-1 Class A-2 Notes require scheduled quarterly principal payments of \$1,000 beginning March 22, 2021. The interest payments for the Series 2020-1 Class A-2 Notes are due quarterly in arrears on the 20th day of each March, June, September and December.

CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

On June 24, 2021, the Co-Issuers issued an aggregate principal amount of \$180,000 of Series 2021-1 2.865% Fixed Rate Senior Secured Notes, Class A-2 (the “Series 2021-1 Class A-2 Notes”, and together with the “Series 2020-1 Class A-2 Notes” and the remaining Series 2018-1 Class A-2 Notes, all of which remain outstanding, the “Class A-2 Notes” and, collectively with the Series 2018-1 Variable Funding Notes, the “Senior Notes”). The Series 2021-1 Class A-2 Notes were issued pursuant to an amendment to the Indenture and have an anticipated repayment date of June 2028. The Series 2021-1 Class A-2 Notes have a legal final maturity date of June 2051. The Series 2021-1 Class A-2 Notes require scheduled quarterly principal payments of \$450 with the first principal payment due September 20, 2021. The interest payments for the Series 2021-1 Class A-2 Notes are due quarterly in arrears on the 20th day of each March, June, September and December. The remaining outstanding tranches of the Series 2021-1 Class A-2 Notes, the Series 2020-1 Class A-2 Notes and the Series 2018-1 Class A-2 Notes collectively require quarterly principal payments of \$2,500.

The Senior Notes are secured by substantially all assets of the Co-Issuers and their subsidiaries and immediate holding companies (collectively, the “CKE Securitization Entities”), but are not guaranteed by or secured with the assets of CKE or its other subsidiaries, including CKE Restaurants. The Indenture requires the CKE Securitization Entities to report and remit weekly cash flows of the CKE Securitization Entities to the trustee of the Senior Notes. The weekly cash flows are subject to a priority of payments that provides for the payment of funds to specific trust accounts for debt service and other specified purposes set forth in the Indenture. The amount of weekly cash flow, if any, that exceeds the amounts required by the priorities of payment is remitted to CKE Restaurants in the form of an equity distribution.

We expect that the Co-Issuers will repay or refinance each tranche of the Class A-2 Notes at or before its respective anticipated repayment date. However, in the event that the Co-Issuers do not repay any tranche of Class A-2 Notes in full by its anticipated repayment date, such tranche of the Class A-2 Notes would be subject to additional interest at an interest rate of at least 5% per annum, and principal payments on all outstanding Senior Notes would accelerate until the debt is paid in full. If certain conditions are met, including a maximum leverage ratio for the CKE Securitization Entities of 5.0x of total net indebtedness to net cash flow, each as defined in the Indenture, the Co-Issuers may elect not to make the scheduled principal payments on the Class A-2 Notes. The Co-Issuers may optionally prepay up to 35% of the original principal amount of each tranche of the Series 2018-1 Class A-2 Notes (but not the Series 2020-1 Class A-2 Notes or the Series 2021-1 Class A-2 Notes) at any time at par, other than with proceeds from indebtedness. Generally, any optional (and certain mandatory) prepayments in excess of such amount would be subject to a make-whole premium as defined in the Indenture. Beginning eighteen months prior to the anticipated repayment date for the Series 2018-1 Class A-2-II Notes, thirty months prior to the anticipated repayment date for the Series 2018-1 Class A-2-III Notes, thirty-six months prior to the anticipated repayment date for the Series 2020-1 Class A-2 Notes and forty-two months prior to the anticipated repayment date for the Series 2021-1 Class A-2 Notes, the Co-Issuers may repay all or a portion of the remaining principal amount of such applicable tranche of Class A-2 Notes at par.

The Senior Notes are subject to a series of covenants and restrictions customary for transactions of this type, including (i) required actions to perfect the security interest in certain collateral upon the occurrence of certain performance-related events, (ii) application of certain disposition proceeds as note prepayments, subject to certain exceptions, (iii) maintenance of specified reserve accounts, (iv) maintenance of certain debt service coverage ratios, (v) mandatory prepayments with indemnification payments for defective or ineffective collateral, and (vi) covenants relating to record keeping, access to information and similar matters. If certain covenants or restrictions are not satisfied or complied with, the Senior Notes are subject to accelerated repayment events and events of default. Although management does not anticipate an event of default, if any such event occurred and was not cured within any applicable cure period, the unpaid amounts outstanding could become immediately due and payable.

In connection with the amendment of the 2018-1 Variable Funding Notes in fiscal year 2023, we incurred debt issuance costs of \$861 which were capitalized. These deferred financing costs will be amortized using the effective interest method over the expected term of the 2018-1 Variable Funding Notes.

In the first quarter of fiscal 2025, the Co-Issuers issued an aggregate principal amount of \$350,000 of Series 2024-1 7.253% Fixed Rate Senior Secured Notes, Class A-2 (the “Series 2024-1 Class A-2 Term Notes”). The Series 2024-1 Class A-2 Term Notes have an anticipated repayment date of March 2031 and a legal final maturity date of March 2054. The Series 2024-1 Class A-2 Term Notes require scheduled quarterly principal payments of \$875 with the first principal payment due June 20, 2024. The interest payments for the Series 2024-1 Class A-2 Term Notes are due quarterly in arrears on the 20th day of

each March, June, September and December. A portion of the proceeds of the issuance of the Series 2024-1 Class A-2 Term Notes were used to repay the Series 2018-1 Class A-2-II Term Notes in full, including accrued interest.

NOTE 9 — LEASES

We occupy land and buildings under lease agreements expiring on various dates through fiscal 2046. Many leases provide for future rent escalations and renewal options. Most leases obligate us to pay costs of maintenance, insurance and property taxes.

Company as Lessor

We lease and sublease land and buildings to others, primarily as a result of the refranchising of certain restaurants. Many of these leases provide for fixed payments, while others provide for variable rent when sales exceed certain levels or for rent based on a percentage of sales. NOTE 10 — SALE-LEASEBACK TRANSACTIONS

We currently have entered into agreements with independent third parties under which we sold and leased back a total of 126 restaurant properties. The initial minimum lease terms are 20 years and include renewal options. The leases also include provisions that provide us with the ability to repurchase the properties, which for accounting purposes, prevents sale recognition as the leased properties are real estate, and we have concluded that no two real estate assets are substantially the same.

Under the financing method, the sales proceeds received are recorded in other current liabilities and other long-term liabilities until our continuing involvement with the properties is terminated, and the associated properties are reported as owned assets and depreciated over their remaining useful lives. Rent payments for these leases are recorded as principal and interest. The net book value of the associated assets, which is included in property and equipment, net of accumulated depreciation and amortization, in our accompanying Consolidated Balance Sheets was \$115,805 and \$117,126 as of January 31, 2024 and 2023, respectively.

During fiscal 2023, the lease agreements for two of our restaurant properties were terminated. As we no longer have continuing involvement in the properties, we recognized a net gain of \$1,160 associated with the write-off of the assets and liabilities. The net gain is included in facility action charges, net in our accompanying Consolidated Statement of Operations for fiscal 2023.

Closing costs and other fees related to sale-leaseback transactions are treated as deferred financing costs, which are recorded as a reduction to the liability balance and amortized to interest expense over the initial minimum lease term.

As of January 31, 2024, our future minimum lease commitments for our financing method sale-leaseback obligations are as follows:

Fiscal:	
2025	\$ 16,202
2026	16,212
2027	16,410
2028	17,250

Financing method sale-leaseback liability	219,624
Less current portion	<u>(11,287)</u>
Financing method sale-leaseback liability, less current portion	<u>\$ 208,337</u>

- (1) Although we have legally transferred title of the sale-leaseback properties, we have included an obligation to convey, for accounting purposes, the sale-leaseback assets at the end of the primary lease term. This obligation was established in acquisition accounting and based on the estimated residual value of the sale-leaseback assets at the end of the primary lease term.

NOTE 12 — EQUITY

As of January 31, 2024 and 2023, a total of 100 shares of \$0.01 par value common stock of CKE Restaurants are issued and outstanding. Each share of common stock entitles the shareholder to one vote per share and is eligible to receive dividend payments when declared. As discussed more fully in Note 8, the Indenture governing the Senior Notes includes certain covenants and restrictions that may limit CKE Restaurants' ability to declare and pay dividends. No dividends were declared and paid in fiscal 2024 and 2023.

During fiscal 2023, CKE Inc. merged with CKE Restaurants which survives the merger. As a result of the merger, all assets, liabilities and debts of CKE, Inc. transferred to CKE Restaurants. The intercompany note agreements between the entities were cancelled, and the CKE Restaurants note receivable from CKE Inc. in the amount of \$441,866 was reclassified to accumulated deficit. NOTE 13 — FAIR VALUE OF FINANCIAL INSTRUMENTS

The following table presents information on our financial instruments as of January 31, 2024 and 2023:

	<u>2024</u>		<u>2023</u>	
	<u>Carrying Amount</u>	<u>Estimated Fair Value</u>	<u>Carrying Amount</u>	<u>Estimated Fair Value</u>
Financial liabilities:				
Series 2018-1 Class A-2-II Notes	\$ 329,928	\$ 315,044	\$ 332,363	\$ 319,515
Series 2018-1 Class A-2-III Notes	234,366	222,070	236,353	227,945
Series 2020-1 Class A-2 Notes	382,905	344,350	385,688	346,802
Series 2021-1 Class A-2 Notes	172,623	146,543	173,801	146,485
Other Notes	—	—	1,900	1,900

The fair value of cash and cash equivalents and restricted cash and cash equivalents each approximate their respective carrying amounts due to the short maturity of the balances. The carrying amounts of notes receivable, net (both current and non-current) of related allowance for credit losses approximate fair value. The estimated fair values of our borrowings under the Series 2018-1, Series 2020-1 and Series 2021-1 Class A-2 Notes were determined by obtaining estimated market prices from an investment banking firm as of the balance sheet dates. The carrying amount of the other notes approximates fair value.

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market

participants on the measurement date. Entities are required to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value based on the following fair value hierarchy:

Level 1 - Quoted prices in active markets for identical assets or liabilities;

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; and

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Our non-financial long-lived assets, including goodwill, intangible assets and property and equipment, are reported at carrying value and are not required to be measured at fair value on a recurring basis. However, on a periodic basis, or whenever events or changes in circumstances indicate that their carrying value may not be recoverable, we assess our long-lived assets for impairment. When impairment has occurred, such long-lived assets are written down to fair value. See Note 16 for further information regarding impairment charges.

The following table presents long-lived assets measured at fair value on a non-recurring basis during fiscal 2024:

	<u>Fair Value Measurements</u>	<u>Impairment Charges</u>
Assets to be disposed of (Level 2) ⁽¹⁾	\$ —	\$ 3,311
Assets to be held and used (Level 3) ⁽²⁾	—	1,044

(1) Represents the impairment of long-lived assets including property & equipment, net and operating lease assets for multiple domestic company-operated closed restaurants.

(2) Represents impairment recorded for two underperforming domestic company-operated restaurants.

The following table presents long-lived assets measured at fair value on a non-recurring basis during fiscal 2023:

	<u>Fair Value Measurements</u>	<u>Impairment Charges</u>
Assets to be disposed of (Level 2) ⁽¹⁾	\$ —	\$ 3,657
Assets to be held and used (Level 3) ⁽²⁾	—	444

(1) Represents the impairment of long-lived assets including property & equipment, net and operating lease assets for multiple domestic company-operated closed restaurants as well as multiple restaurants operated by the Shanghai business.

(2) Represents impairment recorded for two underperforming domestic company-operated restaurants.

NOTE 14 — COMMITMENTS AND CONTINGENT LIABILITIES

Lease Commitments

Many of the restaurants we have sold to franchisees are on leased sites, and we have entered into sublease agreements with these franchisees but remained principally liable for the lease obligations. We account for the sublease payments received as rent revenue in franchised restaurants and other revenue, and the payments on the leases as rent expense in franchised restaurants and other expense, in our accompanying Consolidated Statements of Operations. As of January 31, 2024, the nominal value of the lease obligations under the remaining master leases' primary terms is \$434,638.

CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

Letters of Credit

Pursuant to our Series 2018-1 Variable Funding Notes, we may borrow up to \$70,000 for senior secured revolving facility loans, swingline loans and letters of credit (see Note 8). As of January 31, 2024, we had several standby letters of credit outstanding under our Series 2018-1 Variable Funding Notes totaling \$22,647, expiring at various dates through October 2024. The outstanding letters of credit consist of a \$13,100 letter of credit for benefit of the holders of the Senior Notes as an interest reserve as required by the Series 2021-1 Indenture and letters of credit of \$9,547, which primarily secure our potential workers' compensation, general liability and auto liability obligations.

Unconditional Purchase Obligations

As of January 31, 2024, we had unconditional purchase obligations in the amount of \$59,462, which consisted primarily of contracts for goods and services related to restaurant operations and contractual commitments for marketing and sponsorship arrangements. Our unconditional purchase obligations for fiscal 2025, 2026, 2027, 2028 and 2029 are estimated to be \$55,863, \$1,199, \$937, \$937 and \$526, respectively.

Litigation

We are currently involved in legal disputes related to employment, franchising, real estate and other business matters. We intend to vigorously defend against all claims in these lawsuits, and are unable to predict the ultimate outcome of these actions. Although the outcome of these matters cannot be predicted with certainty and some of these matters may be resolved unfavorably to the Company, based on currently available information, including legal defenses available to the Company and its legal reserves and insurance coverages, the Company does not believe that the outcome of these legal matters will have a material adverse effect on its consolidated financial position, results of operations or cash flow.

We accrue those loss contingencies that are deemed to be probable, and for which the amount of expected loss is reasonably estimable. Because litigation is inherently unpredictable, assessing contingencies is highly subjective and requires judgments about future events. When evaluating litigation contingencies, we may be unable to provide a meaningful estimate due to a number of factors, including the procedural status of the matter in question, the availability of appellate remedies, insurance coverage related to the claim or claims in question, the presence of complex or novel legal theories, and/or the ongoing discovery and development of information important to the matter. In addition, damage amounts claimed in litigation against us may be unsupported, exaggerated or unrelated to possible outcomes, and as such may not be meaningful indicators of our potential liability or financial exposure. We regularly review contingencies to determine the adequacy of our accruals and related disclosures. The ultimate amount of loss may differ from these estimates.

Share-Based Compensation Arrangements

CKE Holdings LP, a limited partnership (the “Partnership”) that was formed by Roark Capital Management, LLC (“Roark”) and certain members of our senior management team and Board of Directors in December 2013, is CKE’s sole stockholder as of January 31, 2024 and 2023. The Limited Partnership Agreement, as amended (“Limited Partnership Agreement”), allows for the issuance of profit sharing interests (“Units”) in the Partnership in the form of “Class B” and “Class C” Units. The Units provide the holders a profit sharing interest in the Partnership as defined in the partnership agreement and the individual grant agreements. There are no income tax benefits associated with any of the Class B Units or Class C Units.

Time vesting Class B Units vest in four equal annual installments from the date of grant. Performance vesting Class B Units provide for vesting or conversion to a time vesting schedule upon achievement of certain financial or investment targets. Time vesting Class C Units vest in various installments as specified in the individual grant agreements, but in all instances have vesting periods no longer than five years from the date of grant. There are no unvested time vesting and performance vesting Class B Units as of January 31, 2024 and 2023.

As a result of a previous amendment to the Limited Partnership Agreement, all performance vesting Class B Units that had not vested or converted to a time vesting schedule prior to December 24, 2017, became fully vested and non-forfeitable Class B Units, subject to certain restrictions (the “Restricted Class B Performance Units”). The Restricted Class B Performance Units are only entitled to realize a profit sharing interest in the Partnership to the extent that certain future performance and/or market conditions are met. These conditions require the value generated or calculated as a result of a substantial initial public offering, change in control or cumulative cash distributions, each as defined in the Limited Partnership Agreement, to result in the achievement of a specified return to the Partnership.

During fiscal 2024, the Partnership granted 502,100 time vesting and 502,100 performance vesting Class C Units. The time vesting class C Units vest in either three or five equal annual installments from the dates of grant. The performance vesting Class C Units consists of either three or five equal tranches that vest upon achievement of certain annual financial targets for fiscal years 2024 through 2030 as set forth in the grant agreements.

During fiscal 2023, the Partnership granted 358,335 time vesting and 358,331 performance vesting Class C Units. The time vesting Class C Units vest in either three or five equal annual installments from the dates of grant. The performance vesting Class C Units consist of either three or five equal tranches that vest upon achievement of certain annual financial targets for fiscal years 2023 through 2027 as set forth in the grant agreements.

NOTE 18 — EMPLOYEE RETIREMENT PLAN

We sponsor a contributory plan (“401(k) Plan”) to provide retirement benefits under the provisions of Section 401(k) of the Internal Revenue Code (“IRC”). Participants may elect to contribute a portion of their annual salaries on a pre-tax basis to the 401(k) Plan, subject to the maximum contribution allowed by the IRC. During fiscal 2024 and 2023, our matching contributions to the 401(k) Plan were \$630 and \$622, respectively.

NOTE 19 — RELATED PARTY TRANSACTIONS

Transactions with Roark Capital Management, LLC

We have a management advisory and consulting services agreement with Roark. In exchange for advice concerning management, finance, marketing, strategic planning and other advisory and consulting services provided to us by Roark and its affiliates, Roark receives consulting fees and reimbursement of reasonable expenses. The current annual consulting fee of \$3,360 is payable in equal quarterly installments and subject to an increase of three percent per year during the ten year term of the agreement. We recorded \$3,249 and \$3,197 of consulting fees, which are included in general and administrative expense in our accompanying Consolidated Statements of Operations for fiscal 2024 and 2023, respectively.

The management advisory and consulting services agreement also provides that Roark may earn future fees in connection with certain business acquisition transactions, an initial public offering or a change of control transaction. The management advisory and consulting services agreement includes customary exculpation and indemnification provisions in favor of Roark and its affiliates.

We are included in the consolidated federal income tax returns and combined state income tax returns of CKE Holding Corporation. For the purpose of determining the income taxes attributable to CKE Restaurants and its subsidiaries, we prepare our income tax provision as if we were a separate taxpayer. As a result of this treatment, we make income tax payments to our corporate parent based upon our separate return taxable income. We additionally make income tax payments directly to federal, state, local and foreign taxing jurisdictions. As of January 31, 2024 and 2023, our income tax payable to our corporate parent was \$13,269 and \$13,318, respectively. During fiscal 2024 and 2023, we did not make any income tax payments to CKE Holding Corporation and made \$15,426 and \$11,325 in income tax payments net of refunds directly to taxing authorities.

As of January 31, 2024 and 2023, we maintained a valuation allowance of \$8,747 and \$9,405, respectively, for a portion of our state income tax credits and certain state and foreign net operating loss NOL carryforwards because we had concluded that realization of the tax benefit of such deferred income tax assets was not more likely than not. In evaluating the need for a valuation allowance, we consider all available evidence, positive and negative, including cumulative historical earnings in recent years, future reversals of existing temporary differences, estimated future taxable income exclusive of reversing temporary differences on a jurisdictional basis and statutory expiration dates of NOL and income tax credit carryforwards. During fiscal 2024, we decreased our valuation allowance by \$658.

As of January 31, 2024, we have foreign tax credit carryforwards of \$406, that will expire, if unused, in fiscal 2034. As of January 31, 2024, we have state tax credit carryforwards of \$4,130 that are projected to expire if unused after fiscal 2024. As of January 31, 2024, we have state NOL carryforwards in the amount of approximately \$32,402, which expire in varying amounts from fiscal 2025 through 2034. As of January 31, 2024, we have \$125 of net deferred income tax assets related to our state NOL carryforwards, which represent our expected future tax savings from such carryforwards, after considering the impact of past ownership changes on our ability to utilize such carryforwards. The utilization of our NOL carryforwards to offset future taxable income may be subject to an annual limitation as a result of past or future ownership changes. As of January 31, 2024, we have recognized a nominal amount of deferred income tax assets associated with foreign operations.

CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

The following is a tabular reconciliation of the total amounts of unrecognized tax benefits:

	Fiscal 2024	Fiscal 2023
Unrecognized tax benefits, beginning of year	\$ 3,628	\$ 4,424
Gross increases related to tax positions taken in prior years	529	37
Gross decreases related to tax positions taken in prior years	(1,002)	(768)
Gross increases related to tax positions taken in the current year	478	417
Reductions to tax positions due to settlements with taxing authorities and lapses of statutes of limitations	(286)	(482)
Unrecognized tax benefits, end of year	<u>\$ 3,347</u>	<u>\$ 3,628</u>

Included in the balance of unrecognized tax benefits as of January 31, 2024, are \$2,004 of tax benefits that, if recognized, would affect the effective tax rate. Also included in the balance of unrecognized tax benefits as of January 31, 2024, are \$1,343 of tax benefits that, if recognized, would result in adjustments to other tax accounts, primarily deferred income taxes, income taxes payable and valuation allowance. Amounts recorded for interest and penalties in connection with the unrecognized tax benefits noted above were not significant as of January 31, 2024 and 2023.

We believe that it is reasonably possible that decreases in unrecognized tax benefits of up to \$380 may be necessary within the coming fiscal year as a result of statutes closing on such items. In addition, we believe that it is reasonably possible that our unrecognized tax benefits may increase as a result of tax positions that may be taken in fiscal 2024.

We file income tax returns in the U.S. federal jurisdiction and various states and foreign jurisdictions. We have carried forward various state NOL and income tax credits to income tax years that remain open by statute. As a result, such NOL and income tax credit carryforwards remain subject to adjustment by the respective tax authorities. Our federal income tax returns from fiscal 2021 and subsequent years are open for examination. In addition, our state income tax returns generally have statutes of limitations ranging from three to four years from the filing date.

Independent Auditors' Report

The Board of Directors
CKE Restaurants Holdings, Inc.:

Opinion

We have audited the consolidated financial statements of CKE Restaurants Holdings, Inc. and its subsidiaries (the Company), which comprise the consolidated balance sheets as of January 30, 2023 and January 31, 2022, and the related consolidated statements of operations, comprehensive income, equity, and cash flows for each of the fiscal years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of January 30, 2023 and January 31, 2022, and the results of its operations and its cash flows for the years then ended in accordance with U.S. generally accepted accounting principles.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Note 9 to the consolidated financial statements, in fiscal 2023, the Company adopted new accounting guidance to account for leases in accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 842, *Leases*. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material

misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 1 — ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Description of Business

CKE Restaurants Holdings, Inc. (“CKE Restaurants”) is not a franchisor and conducts substantially all of its restaurant activities and operations through its subsidiaries. Carl’s Jr. Restaurants LLC and Hardee’s Restaurants LLC own, operate and franchise the Carl’s Jr.®, Hardee’s®, Green Burrito® and Red Burrito® concepts. References to “we”, “us”, “our” and the “Company” may relate to CKE Restaurants and/or its subsidiaries, as may be applicable.

Domestic Carl’s Jr. restaurants are predominantly located in the Western United States, primarily in California. International Carl’s Jr. restaurants are located primarily in Mexico, with a growing presence in the rest of Latin America, Asia and Europe. Domestic Hardee’s restaurants are predominantly located throughout the Southeastern and Midwestern United States. International Hardee’s restaurants have an established and growing presence in the Middle East and Central Asia. The Green Burrito concept is located in dual-branded Carl’s Jr. restaurants. The Red Burrito concept is located in dual-branded Hardee’s restaurants. As of January 31, 2023, our system-wide restaurant portfolio consisted of:

Company-operated	243
Domestic franchised	2,532
International franchised ⁽¹⁾	1,049
Total restaurants	<u>3,824</u>

(1) As of July 7, 2022, we ceased providing any and all services to our master franchisee for the country of Russia. Our master franchisee has one franchised and sixteen subfranchised restaurants in Russia. Additionally, we have ceased collecting any royalties or fees of any type from the operation of these locations and do not approve or authorize additional locations.

Basis of Presentation and Fiscal Year

Our accompanying Consolidated Financial Statements include the accounts of CKE Restaurants, its consolidated subsidiaries and its consolidated variable interest entities (“VIEs”). CKE Restaurants does not have any non-controlling interests in other entities. These Consolidated Financial Statements have been prepared in accordance with accounting principles generally accepted in the United States (“GAAP”). All significant intercompany balances and transactions are eliminated in consolidation.

We operate on a retail accounting calendar, ending on the last Monday in January. For clarity of presentation, we generally label all years presented as if the fiscal year ended January 31. The fiscal year ended January 30, 2023 is referred to herein as fiscal 2023 or the fiscal year ended January 31, 2023. The fiscal year ended January 31, 2022 is referred to herein as fiscal 2022 or the fiscal year ended January 31, 2022. The first quarter of our fiscal year has four periods, or 16 weeks. All other quarters generally have three periods, or 12 weeks. Fiscal 2022 contains 53 weeks, whereby the one additional week is included in the fourth quarter.

Our restaurant sales, and therefore our profitability, are subject to seasonal fluctuations and are traditionally higher during the spring and summer months because of factors such as increased travel during school vacations and improved weather conditions, which affect the public’s dining habits.

COVID-19 and Inflation

The global crisis resulting from the spread of the novel coronavirus (“COVID-19”) impacted restaurant operations throughout the CKE system for the years ended January 31, 2023 and 2022, though the impact in the current year was less significant than the prior year.

During the years ended January 31, 2023 and 2022, substantially all domestic restaurants remained open, some with limited operations, such as drive-thru, takeout and delivery (where applicable) and reduced hours of operation. During the year ended January 31, 2023, our international franchised restaurants have experienced less significant impacts from prolonged

CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

closures as a result of the COVID-19 and governmental authorities measures put in place. We expect local conditions to continue to dictate limitations on restaurant operations, capacity and hours of operation. COVID-19 has also contributed to labor challenges, which in some regions resulted in reduced operating hours at select restaurants.

Inflationary pressures on labor and commodity price increases directly impacted our results of operation during the year ended January 31, 2023. We attempt to manage any inflationary costs and commodity price increases through selective menu price increases and changes in product mix. Competitive pressures, consumer spending levels and other factors may limit our ability to recover such costs increases in the future.

Variable Interest Entities

We consolidate the Hardee's National Advertising Fund ("HNAF") and approximately 80 local co-operative advertising funds (collectively, the "Hardee's Funds") since we have determined that the Hardee's Funds are VIEs and that we are the primary beneficiary. We considered a variety of factors in identifying the primary beneficiary of the Hardee's Funds including, but not limited to, who holds the power to direct the activities that most significantly impact the economic performance of the Hardee's Funds, as well as what party has the obligation to absorb any losses of the Hardee's Funds. Based upon these considerations, we concluded that we are the primary beneficiary. We have included \$25,505 and \$30,909 of total assets and total liabilities and equity in our accompanying Consolidated Balance Sheets as of January 31, 2023 and 2022, respectively. We have no rights to the assets, other than those disclosed below, nor do we have any obligation with respect to the liabilities, of the Hardee's Funds, and none of our assets serve as collateral for the creditors of these VIEs.

We do not maintain ownership interests in our franchisees, and none of our assets serve as collateral for the creditors of our franchisees. Under the terms of their franchise agreements, franchise entities hold the power to direct the activities that most significantly impact their economic performance. As a result, we do not consider ourselves the primary beneficiary of any franchise entity that might be a VIE.

Shanghai Business

The Shanghai, China business ("Shanghai business") was established for the purpose of locating, developing and operating Carl's Jr. restaurants within the municipality of Shanghai, China and certain nearby provinces. In late fiscal 2019, we completed the purchase of all remaining equity shares from the holder of the non-controlling interests. We consolidated the results of the Shanghai business. The Shanghai business operated on a monthly calendar. In order to timely consolidate and to ensure that each of our fiscal quarters included three months of operations, we consolidated the results of the Shanghai business for: (1) January, February and March in our first fiscal quarter; (2) April, May and June in our second fiscal quarter; (3) July, August and September in our third fiscal quarter; and (4) October, November and December in our fourth fiscal quarter.

During the fiscal year ended January 31, 2023, the Company closed all restaurants operated by our Shanghai business.

Estimations

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Our most significant areas of estimation are:

- estimation of future cash flows used to assess the recoverability of long-lived assets, including intangible assets, goodwill, finance lease assets and operating lease assets;
- estimation, using actuarially determined methods, of our self-insured claim losses under our workers' compensation, general liability and auto liability insurance programs;
- determination of appropriate estimated liabilities for loss contingencies;

CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

- determination of appropriate assumptions to use in evaluating leases for finance versus operating lease treatment, establishing depreciable lives for leasehold improvements and establishing straight-line rent expense periods;
- estimation of the appropriate allowances associated with franchise and other receivables;
- determination of the appropriate assumptions to estimate gift card breakage;
- determination of the appropriate assumptions to estimate the fair value of share-based compensation; and
- estimation of our deferred income tax asset valuation allowance, liabilities related to uncertain tax positions and effective tax rate.

Cash and Cash Equivalents

For purposes of reporting cash and cash equivalents, highly liquid investments purchased with original maturities of three months or less are considered cash equivalents.

Restricted Cash and Cash Equivalents

Restricted cash and cash equivalents of \$16,053 and \$16,059 as of January 31, 2023 and 2022, respectively, consisted of cash and cash equivalents that are held by the trustee of our Series 2018-1 Senior Notes, Series 2020-1 Senior Notes and Series 2021-1 Senior Notes (as defined in Note 8) to be used for debt service payments on our Senior Notes.

Inventories

Inventories are stated at the lower of cost (on a first-in, first-out basis) or net realizable value and consist primarily of restaurant food, packaging, equipment and supplies.

Property and Equipment

Property and equipment are recorded at cost, less accumulated depreciation and amortization. Depreciation is computed using the straight-line method based on the assets' estimated useful lives, which generally range from three to 40 years.

Leasehold improvements are amortized on a straight-line basis over the shorter of the estimated useful lives of the assets or the related lease terms. The amortization period for leasehold improvements includes renewal option periods only in instances in which the exercise of the renewal option is reasonably certain at the acquisition date because failure to exercise such option would result in an economic penalty.

We capitalize direct costs and interest costs associated with construction projects that have a future benefit. If we subsequently make a determination that a site for which development costs have been capitalized will not be acquired or developed, any previously capitalized development costs are expensed and included in general and administrative expenses.

Leases

We transitioned to Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 842, "Leases" ("ASC 842"), from ASC Topic 840, "Leases" (the "Previous Standard") on February 1, 2022. Our Consolidated Financial Statements reflect the application of ASC 842 guidance beginning in 2023, while our Consolidated Financial Statements for the prior period were prepared under the guidance of the Previous Standard. See Note 9, *Leases*, for further information about our transition to this new lease guidance on a modified retrospective basis using the effective date transition method.

Lessor Accounting

We recognize lease payments for operating leases as property revenue on a straight-line basis over the lease term. We recognize variable lease payment income for operating leases in the period when changes in facts and circumstances on which

CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

the variable lease payments are based occur. We recognize variable lease payment income for operating and financing leases in the period when changes in facts and circumstances on which the variable lease payments are based occur.

Lessee Accounting

In accordance with ASC 842, in leases where we are the lessee, we recognize an operating lease asset and lease liability at lease commencement, which are measured by discounting lease payments using the estimated risk free rate as the discount rate. We made an accounting policy election to use the risk-free rate as our discount rate to determine the initial and subsequent measurement of operating lease liabilities under Accounting Standards Update 2021-09, "Leases (Topic): Discount Rate for Lessees that Are Not Public Business Entities." Subsequent amortization of the operating lease asset and accretion of the lease liability for an operating lease is recognized as a single lease cost, on a straight-line basis, over the lease term. Reductions to the operating lease asset and the change in the lease liability are included in changes in operating lease assets and liabilities, net in the Consolidated Statement of Cash Flows.

Under the Previous Standard, we did not recognize assets and liabilities for the rights and obligations created by operating leases and recorded rental expense for operating leases on a straight-line basis over the lease term.

A finance lease asset is depreciated on a straight-line basis over the lesser of the useful life of the leased asset or lease term. Interest on each finance lease liability is determined as the amount that results in a constant periodic discount rate on the remaining balance of the liability. Operating lease and finance lease assets are assessed for impairment in accordance with our long-lived asset impairment policy.

We reassess lease classification and remeasure assets and lease liabilities when a lease is modified and that modification is not accounted for as a separate contract or upon certain other events that require reassessment in accordance with ASC 842. We recognize variable lease cost for operating and finance leases in the period when changes in facts and circumstances on which the variable lease payments are based occur.

Goodwill and Intangible Assets

Goodwill represents the excess, if any, of the purchase price over the fair value of identifiable net assets acquired in an acquisition. As of January 31, 2023, our goodwill balance primarily consisted of goodwill recorded in connection with the acquisition of CKE Inc., the Company's sole stockholder, that occurred on December 24, 2013. Goodwill may also be recorded in connection with the acquisition of restaurants from franchisees.

We test goodwill for impairment on an annual basis, or more frequently if events and/or circumstances indicate that goodwill might be impaired. The impairment test is performed at the reporting unit level, and an impairment loss is recognized to the extent that the carrying amount of goodwill exceeds its implied fair value. We consider our reporting units to be company-operated restaurants, domestic franchised restaurants and international franchised restaurants as the components (e.g., restaurants) within each reporting unit have similar economic characteristics, including products and services, production processes, types or classes of customers and distribution methods.

We perform our annual goodwill impairment test on the last day of the first accounting period in our fiscal fourth quarter, which was December 5, 2022 for fiscal 2023. In accordance with authoritative guidance, we first assess qualitative factors to determine whether it is more likely than not that the fair values of our reporting units are less than their carrying amounts. If we conclude that it is more likely than not that the fair value of a reporting unit is less than its carrying amount, we then conduct a single-step quantitative goodwill impairment test, consisting of a comparison of the fair values of the reporting units to the carrying values of the reporting units. If the carrying value of a reporting unit exceeds its fair value, then an impairment charge will be recognized for the amount by which the carrying value exceeds the reporting unit's fair value, not to exceed the total amount of goodwill allocated to that reporting unit.

When we sell restaurants to franchisees, we remove the related goodwill, which is based on the relative fair value of the restaurants sold and the reporting unit as a whole, from our company-operated restaurants reporting unit. A portion of the goodwill, representing the cash flows disposed, is included in the carrying amount of the restaurants in determining the gain or loss on refranchising. The portion of the goodwill disposed is generally based on the price paid to the Company to acquire the restaurants in relation to the fair value of the reporting unit as a whole. The fair value of the reporting unit is based upon the price a willing buyer would pay for the reporting unit. The remaining goodwill related to the divested restaurants, which is

CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

attributable to retained cash flows, is transferred from our company-operated restaurants reporting unit to our domestic franchised restaurants reporting unit.

Our indefinite-lived intangible assets consist of trademarks / tradenames. We test trademarks / tradenames for impairment on an annual basis or more frequently if events or changes in circumstances indicate that the carrying amount of the intangible asset may not be recoverable. We first assess qualitative factors to determine whether it is more likely than not that the fair value of the indefinite-lived intangible asset is less than its carrying amount. If we conclude that it is more likely than not that the indefinite-lived intangible asset is impaired, we then perform a quantitative test to determine whether the carrying amount is less than the fair value of the indefinite-lived intangible asset and measure the amount of impairment, if any.

Our definite-lived intangible assets consist of franchise agreements and favorable lease agreements and are amortized on a straight-line basis over their estimated useful lives. Our definite-lived intangible assets are tested for impairment when events or circumstances indicate the carrying value may be impaired. Refer to discussion of facility action charges for a discussion of impairment of restaurant-level long-lived assets.

Deferred Financing Costs

Deferred financing costs are capitalized and amortized, utilizing the effective interest method, as a component of interest expense over the terms of the respective financing arrangements. See Note 8 for further discussion.

Book Overdraft

Book overdraft liabilities are included within accounts payable in our accompanying Consolidated Balance Sheets. As of January 31, 2023 and 2022, our book overdraft liability was \$1,888 and \$3,800, respectively. We classify changes in book overdraft balances as a financing activity in our accompanying Consolidated Statements of Cash Flows.

Self-Insurance

We are self-insured for a portion of losses related to workers' compensation, general liability and auto liability claims. We establish liabilities for self-insurance, with the assistance of actuaries, using assumptions based on the average historical losses on claims we have incurred, actuarial observations of historical claim loss development and actuarial estimates of unpaid losses for each loss category. Our workers' compensation, general liability and auto liability claims are discounted using an estimated risk-free interest rate of 2.5% as of January 31, 2023. As of January 31, 2023 and 2022, our estimated liability for self-insurance was \$17,996 and \$19,732, respectively.

Loss Contingencies

We routinely assess loss contingencies to develop estimates of likelihood of loss and range of possible settlement. We accrue those loss contingencies that are deemed to be probable, and for which the amount of expected loss is reasonably estimable. We do not record liabilities for losses we believe are only reasonably possible to result in an adverse outcome. See Note 14 for further discussion.

Revenue Recognition

Company-operated restaurants revenue is recognized upon the sale of food or beverage to a customer in the restaurant, which is when our obligation to perform is satisfied.

Franchised restaurants and other revenue includes royalties, franchise fees, and rent revenue. Royalties from franchised restaurants are based on a percentage of net sales of the franchised restaurant and are recognized as earned. Royalties are typically billed and paid monthly and are usually 4% to 5% per restaurant. Franchise development and commitment fees are deferred when received, allocated to each agreed upon restaurant, and recognized as revenue over the contractual term of each respective franchise agreement, once the restaurant has opened. Initial franchise fees, training fees, renewal fees and transfer fees are recognized as revenue over the contractual term of the franchise agreements, once the restaurant has opened. Upfront franchise fees are typically billed and paid when a new franchise agreement becomes effective or when an existing agreement is transferred to another franchisee. These franchise fees are considered highly dependent upon and interrelated with the franchise right granted in the franchise agreement. Further, franchise fees are forfeited and recognized as revenue upon the termination of

CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

the related commitments to open new franchised restaurants, the franchised restaurants closing prior to the end of the contractual agreement or the franchised restaurants being acquired by the Company. Property revenues consist of rental income from properties we lease or sublease to franchisees. Property revenues are accounted for in accordance with applicable accounting guidance for leases (see Leases above). We present all revenue net of sales tax.

Advertising funds revenue includes contributions to HNAF, Hardee's Co-ops, domestic Carl's Jr. restaurants contribute to a national advertising fund (the "Carl's Jr. Fund") and certain international advertising funds (collectively, the "Advertising Funds") by franchisees. Revenue related to these contributions is based on a percentage of sales of the franchised restaurants and is recognized as earned.

Our company-operated restaurants and franchised restaurants sell gift cards within the restaurants and through independent retailers that are redeemable for products in our Carl's Jr. and Hardee's restaurants. The Company manages the gift card program and collects all funds from the activation of gift cards. We recognize revenue when cards are redeemed in our company-operated restaurants and reimburse franchisees for the redemption of gift cards in their restaurants. A liability for unredeemed gift cards is included in other current liabilities in our accompanying Consolidated Balance Sheets (see Note 7).

There are no expiration dates on our gift cards, and we do not charge any service fees. While our company-operated restaurants and franchisees continue to honor all gift cards presented for payment, we may determine the likelihood of redemption to be remote for certain cards due to long periods of inactivity. In these circumstances, we may recognize income from unredeemed gift cards ("breakage revenue") if they are not subject to unclaimed property laws. Breakage revenue on all Carl's Jr. and Hardee's gift cards is estimated and recognized over time in proportion to actual gift card redemptions, based on historical redemption rates. We account for breakage revenue in franchised restaurants and other revenue in our accompanying Consolidated Statement of Operations (see Note 15).

Franchise Operations and Credit Risk

Franchised restaurants and other expense includes rent and occupancy costs related to our franchised restaurants, amortization of franchise agreements, provision for bad debts, the direct and indirect costs incurred in connection with the sale of equipment and other miscellaneous expenses directly related to our franchise operations. These costs are expensed as incurred.

Accounts receivable consists primarily of amounts due from franchisees for royalties, advertising, franchise fees, rent, and equipment. In addition, we have notes and other receivables from certain of our franchisees. The financial condition of our franchisees is, in part, dependent upon the underlying business trends of our brand. This concentration of credit risk is mitigated, in part, by the large number of franchisees and the short-term nature of the receivables.

We record provisions for estimated losses on receivables when we believe our franchisees are unable to make their required payments. We cease accruing royalties and rent revenue from franchisees during the fiscal quarter in which we determine that collectibility of such amounts is not reasonably assured. There are a number of different actions we and/or our franchisees may take to resolve or mitigate franchise collection issues. These actions may include a reduction or deferral of future royalties, a reduction or deferral of future rent for which we are the landlord or the primary obligor to the landlord, invoking personal guarantees, or if necessary, acquiring the restaurants or terminating the franchise agreement.

Advertising

Company-operated and franchised restaurants jointly share in the cost of various advertising and marketing programs. Advertising and marketing contributions for both company-operated and franchised restaurants are generally determined based on a percentage of revenue and contributed to the applicable funds ratably throughout the year. We administer internally the Carl's Jr. Fund advertising and marketing programs, certain international advertising funds and HNAF. A third party administers the Hardee's local co-operative advertising funds.

Advertising costs for company-operated restaurants' contributions to the Advertising Funds is eliminated in consolidation. Advertising contributions by company-operated restaurants totaled \$17,934 and \$17,982 for fiscal 2023 and fiscal 2022, respectively. To the extent that contributions to the Advertising Funds exceed advertising and marketing expenditures, the unspent contributions are included in accumulated deficit in our accompanying Consolidated Balance Sheets. The cost of local and incremental advertising that is not funded by the Advertising Funds is expensed as incurred.

CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

Share-Based Compensation

We issue equity-based awards to our executive management team, certain key employees, and directors under our equity-based compensation plans. Under the fair value recognition provisions of the authoritative guidance for equity-based compensation awards, we measure the fair value of equity-based awards at the grant date and the fair value is recognized as expense over the requisite service period.

Our equity-based compensation structure includes both time vesting and performance vesting profit sharing interests. We recognize compensation expense relating to time vesting profit sharing interests ratably over the requisite service period for the entire award. Performance vesting profit sharing interests vest through meeting performance and service conditions. We record compensation expense for performance vesting profit sharing interests when we deem the achievement of the performance goals to be probable. We recognize compensation expense for each separately vesting portion of performance vesting profit sharing interests ratably over the requisite service period that is determined to be the most likely outcome. We record reversals of share-based compensation expense for forfeitures as they occur. Our share-based compensation structure is described more fully in Note 17.

Facility Action Charges

From time to time, we identify restaurants that have carrying values in excess of their fair values and, as a result, we may record impairment charges. We may also close or rebrand these or other restaurants and lease or sublease the restaurant property to a franchisee or to a business other than one of our restaurant concepts. The financial statement impact resulting from these and similar actions are recorded in our accompanying Consolidated Statements of Operations as facility action charges, net and include:

- (i) impairment of restaurant-level long-lived assets for restaurants to be disposed of or held and used;
- (ii) store closure costs, including subleasing of closed facilities at amounts below our primary lease obligations; and
- (iii) gain or loss on the sale of restaurants, including rebranding transactions.

Considerable management judgment is necessary to estimate future cash flows, including cash flows from continuing use, terminal value, closure costs, expected sublease income and rebranding proceeds. Accordingly, actual results could vary significantly from our estimates.

(i) Impairment of Restaurant-Level Long-Lived Assets

Whenever events or circumstances indicate that the carrying value of assets may be impaired, we evaluate our restaurant-level long-lived assets for impairment. For purposes of impairment testing, assets are grouped at the lowest level for which identifiable cash flows are largely independent of the cash flows of other assets and liabilities, which is generally the individual restaurant level for fixed assets, finance lease assets and operating lease assets. For each asset group, we evaluate whether there are indicators of impairment such as sequential annual cash flow losses or adverse changes in the physical condition or expected use of the asset group. When indicators of impairment exist, we evaluate whether the assets are recoverable by comparing the undiscounted future cash flows that we expect to generate from their use and disposal to their carrying value. Restaurant-level assets that are not deemed to be recoverable are written down to their estimated fair value, which is determined by assessing the highest and best use of the assets and the amounts that would be received for such assets in an orderly transaction between market participants.

Our impairment analyses rely upon a number of estimates, assumptions and measurements with significant Level 2 and Level 3 unobservable inputs (see Note 13), including estimates of future cash flows, assumptions of future same-store sales and projected operating expenses for each of our restaurants over their estimated remaining useful lives in order to evaluate recoverability and estimate fair value. Future cash flows are estimated based upon experience gained, current intentions about rebranding or closing restaurants, recent and expected sales trends, internal plans, the period of time since the restaurant was opened or remodeled, the maturity of the related market and other relevant information. We generally estimate the useful life of restaurants on owned property to be 20 to 40 years and estimate the useful life of restaurants subject to leases to range from the end of the lease term then in effect to the end of such lease term including option periods. If our future cash flows or same-store sales do not meet or exceed our forecasted levels, or if restaurant operating cost increases exceed our forecast and we are unable

CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

to recover such costs through price increases, the carrying value of certain of our restaurants may prove to be unrecoverable, and we may incur additional impairment charges in the future.

(ii) Store Closure Costs

We typically make decisions to close restaurants based on prospects for estimated future profitability. However, sometimes we are forced to close restaurants due to circumstances beyond our control (e.g., a landlord's refusal to negotiate a new lease). When restaurants continue to perform poorly, we consider a number of factors, including the demographics of the location and the likelihood of being able to improve an unprofitable restaurant. Based on the operators' judgment and a financial review, we estimate the future cash flows. If we determine that the restaurant will not, within a reasonable period of time, operate at break-even cash flow or be profitable, and we are not contractually obligated to continue operating the restaurant, we may decide to close the restaurant.

The estimated liability for closed restaurants is based on the future lease payments and other contractual obligations for such properties until the lease has been abated. The amount of the estimated liability established is the present value of these estimated future payments, net of the present value of estimated sublease income. The interest rate used to calculate the present value of these liabilities is based on an estimated credit-adjusted risk-free rate at the time the liability is established. With the adoption of ASC 842 during fiscal year 2023, this estimated liability is no longer recorded as the entire operating lease liability is recorded in the Consolidated Balance Sheet.

(iii) Gain or Loss on the Sale of Restaurants, Including Refranchising Transactions

We record gains and losses on the sale of restaurants as the difference between the net proceeds received and net carrying values of the net assets of the restaurants sold. As discussed within the section "Goodwill and Intangible Assets" in this Note 1, we include goodwill in the carrying amount of the restaurants in determining the gain or loss on disposal. If we sublease a restaurant to a franchisee on terms that result in a probable loss, then we will establish a lease subsidy allowance and record a loss at the time we enter into the lease arrangement. As further described above, the amount of the estimated liability for the lease subsidy is the present value of our estimated future payments, net of the present value of the expected sublease income.

Income Taxes

We are included in the consolidated federal income tax returns and combined state income tax returns of CKE Holding Corporation (“CKE”). For the purpose of determining the income taxes attributable to CKE Restaurants and its subsidiaries, we prepare our income tax provision as if we were a separate taxpayer. As a result of this treatment, we make income tax payments to our corporate parent based upon our separate return taxable income. We additionally make income tax payments directly to federal, state, local and foreign taxing jurisdictions.

Our current provision for income taxes is based on our estimated taxable income in each of the jurisdictions in which we operate, after considering the impact on our taxable income of temporary differences resulting from disparate treatment of items, such as depreciation, interest expense, advertising funds, sale-leaseback transactions, various reserves, tax credits and net operating losses (“NOL”), for tax and financial reporting purposes. We record deferred income taxes for the estimated future income tax effect of temporary differences between the financial and tax bases of assets and liabilities using the asset and liability method. Deferred income tax assets are also recorded for NOL and income tax credit carryforwards. A valuation allowance to reduce the carrying amount of deferred income tax assets is established when it is more likely than not that we will not realize some portion or all of the tax benefit of our deferred income tax assets. We evaluate, on a quarterly basis, whether it is more likely than not that our deferred income tax assets are realizable. In performing this analysis, we consider all available evidence, both positive and negative, including historical operating results, the estimated timing of future reversals of existing taxable temporary differences, estimated future taxable income exclusive of reversing temporary differences and carryforwards and potential tax planning strategies that may be employed to prevent NOL or tax credit carryforwards from expiring unused. Deferred income tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred income tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date.

From time to time, we may take positions in filing our income tax returns that differ from the treatment of the same items for financial reporting purposes. The ultimate outcome of these items will not be known until the Internal Revenue Service (“IRS”), or similar state taxing authority, has completed its examination or until the statute of limitations has expired.

We maintain a liability for underpayment of income taxes and related interest and penalties, if any, related to uncertain income tax positions. The tax benefit from an uncertain tax position is recognized either upon the expiration of the statutory audit period or when it is more likely than not that the position will be sustained upon examination, including resolutions of any related appeals or litigation processes, based on the technical merits. Our policy on the classification of interest and penalties related to the underpayment of income taxes and uncertain tax positions is to record interest in interest expense, and to record penalties, if any, in general and administrative expense, in our accompanying Consolidated Statements of Operations. Accrued interest and penalties are included in our liability for uncertain tax positions.

Distributor Concentration Risk

We currently rely on a limited number of distributors to deliver food, packaging and supplies to our restaurants. Although we could use alternative distributors, an unforeseen change in distributor could cause a delay in receipt of food, packaging or supplies and possibly result in unfavorable costs and loss of sales.

Foreign Currency

The functional currency of our foreign entities is the currency of the primary economic environment in which the entity operates. Functional currency determinations are made based upon a number of economic factors, including but not limited to cash flows and financing transactions. The operations, assets and liabilities of our entities outside the United States are initially measured using the functional currency of that entity. The income and expense accounts are then translated into U.S. dollars at the average exchange rates prevailing during the period. The assets and liabilities are translated into U.S. dollars at exchange rates in effect at the balance sheet date.

Comprehensive Income

We present comprehensive income in our accompanying Consolidated Statements of Comprehensive Income. Comprehensive income includes, in addition to net income, changes in equity that are excluded from our Consolidated Statements of Operations and are recorded directly into a separate section of equity on our Consolidated Balance Sheets. Accumulated other comprehensive income is comprised entirely of foreign currency translation adjustments attributable to CKE Restaurants Holdings, Inc.

Subsequent Events

We have evaluated subsequent events through April 4, 2023, the date our Consolidated Financial Statements were available to be issued. We concluded that no additional subsequent events required disclosure in these financial statements.

NOTE 2 — ADOPTION OF NEW ACCOUNTING PRONOUNCEMENTS AND ACCOUNTING PRONOUNCEMENTS NOT YET ADOPTED

New Accounting Standards Adopted

Leases

In February 2016, the FASB issued new authoritative guidance for leases. We adopted this new guidance on February 1, 2022. See Note 9, *Leases*, for further information about our transition to this new lease accounting standard.

Income Tax Simplification

In December 2019, the FASB issued Accounting Standards Update 2019-12, "Income Taxes (Topic 740)(ASU 2019-12)", which provides final guidance that simplifies the accounting for income taxes by eliminating certain exceptions to the guidance in ASC 740 related to the approach for intra-period tax allocation, the methodology for calculating income taxes in an interim period and the recognition of deferred tax liabilities for outside basis differences among other changes. For non-public business entities, the amendments in this update are effective for fiscal years beginning after December 15, 2021. Early adoption of this guidance is permitted. The Company adopted this guidance on February 1, 2022 on a prospective basis, and adoption of this guidance had no material impact to the Consolidated Financial Statements.

New Accounting Standards Not Yet Adopted

Credit Impairment

In June 2016, the FASB issued a standard that requires measurement and recognition of expected versus incurred credit losses for financial assets held. The standard is effective for interim and annual reporting periods beginning after December 15, 2019 for public entities. For other entities, the standard is effective for interim and annual reporting periods

beginning after December 15, 2022. Early adoption of this guidance is permitted. We are currently evaluating the impact the adoption of this standard will have on our Consolidated Financial Statements.

NOTE 5 — ACQUISITIONS

Acquisition of Restaurants

On April 26, 2021, we purchased three Hardee's restaurants from a franchisee for purchase price consideration of \$2,136. As a result of this transaction, we recorded net working capital of \$31, property and equipment of \$96, and identifiable intangible assets of \$2,009, resulting in no goodwill arising from the acquisition.

NOTE 6 — GOODWILL AND INTANGIBLE ASSETS, NET

During the fourth quarter of fiscal 2023 and 2022, we performed our annual impairment tests for goodwill and indefinite-lived intangible assets using a qualitative approach and determined that it is more likely than not that the fair value is greater than the carrying value. Accordingly, no impairment losses were recorded in fiscal 2023 or 2022.

The table below presents our intangible assets as of January 31, 2023 and 2022:

	Weighted-Average Life (Years)	2023			2022		
		Gross Carrying Amount	Accumulated Amortization	Net Carrying Amount	Gross Carrying Amount	Accumulated Amortization	Net Carrying Amount

(1) The decrease in favorable leases agreements primarily reflects the reclassification of favorable leases agreements where we are the lessee to operating lease assets in connection with our transition to ASC 842. See Note 9, *Leases*.

Amortization expense related to these intangible assets for fiscal 2023 and 2022 was \$17,132 and \$22,763, respectively. Our estimated future amortization expense related to these intangible assets is set forth as follows:

Series 2018-1 Senior Notes, Series 2020-1 Senior Notes and Series 2021-1 Senior Notes

On June 20, 2018, we completed a company-wide refinancing transaction (the “Series 2018-1 Refinancing”). In connection with the Series 2018-1 Refinancing, Carl’s Jr. Funding LLC and Hardee’s Funding LLC (collectively, the “Co-Issuers”), our indirect wholly-owned subsidiaries, issued an aggregate principal amount of \$1,000,000 Series 2018-1 Fixed Rate Senior Secured Notes, Class A-2, (“Series 2018-1 Class A-2 Notes”) and \$70,000 Series 2018-1 Class A-1 Variable Funding Senior Secured Notes (“Series 2018-1 Variable Funding Notes”, and together with the Series 2018-1 Class A-2 Notes, the “Series 2018-1 Senior Notes”). The indenture governing the Series 2018-1 Senior Notes (the “Indenture”) allows the Co-Issuers to issue additional series of notes in the future subject to certain conditions.

The Series 2018-1 Class A-2 Notes were issued in three tranches: (i) \$400,000 of Series 2018-1 4.250% Fixed Rate Senior Secured Notes, Class A-2-I, with an anticipated repayment date of June 2022; (ii) \$350,000 of Series 2018-1 4.959% Fixed Rate Senior Secured Notes, Class A-2-II, with an anticipated repayment date of June 2025; and (iii) \$250,000 of Series 2018-1 5.710% Fixed Rate Senior Secured Notes, Class A-2-III, with an anticipated repayment date of June 2028. The Series 2018-1 Class A-2 Notes have a legal final maturity date of June 2048. The Series 2018-1 Class A-2 Notes require scheduled quarterly principal payments of \$2,500 with the first principal payment due December 20, 2018. The interest payments for the Series 2018-1 Class A-2 Notes are due quarterly in arrears on the 20th day of each March, June, September and December.

The Series 2018-1 Variable Funding Notes provide for senior secured revolving facility loans, and subfacilities for swingline loans and letters of credit, in an aggregate amount of \$70,000. On October 26, 2022, the Series 2018-1 Variable Funding Notes were amended to extend the maturity date to September 2027, including options for renewal for two additional twelve-month terms (subject to certain conditions, including a minimum debt service coverage ratio). The Series 2018-1 Variable Funding Notes bear interest at a variable interest rate equal to (a) a commercial paper rate plus 3.00%, (b) the term SOFR rate plus 3.00% or (c) 2.00% plus the greater of (i) the Prime Rate, (ii) the Federal Funds rate plus 0.50%, or (iii) term SOFR plus 1.00%. The actual interest rate incurred is determined by how the borrowings were funded by participating investors, but in any event, will fall under one of the three scenarios described above. The Series 2018-1 Variable Funding Notes require us to pay a commitment fee of 0.50% per annum for unused commitments and letter of credit fees of 3.00% per annum on our outstanding non-cash collateralized letters of credit. Interest and other fees on the Series 2018-1 Variable Funding Notes are due quarterly in arrears on the 20th day of each March, June, September and December. As of January 31, 2023, we had no outstanding loan borrowings, \$24,223 of outstanding letters of credit and remaining availability of \$45,777 under our Series 2018-1 Variable Funding Notes.

On December 21, 2020, the Co-Issuers paid down the entire outstanding principal balance of our Series 2018-1 Class A-2-I Notes with the issuance of an aggregate principal amount of \$400,000 of Series 2020-1 3.981% Fixed Rate Senior Secured Notes, Class A-2 (the “Series 2020-1 Class A-2 Notes”). Our Series 2018-1 4.959% Fixed Rate Senior Secured Notes, Class A-2-II and Series 2018-1 5.710% Fixed Rate Senior Secured Notes, Class A-2-III remain outstanding. The Series 2020-1 Class A-2 Notes were issued pursuant to an amendment to the Indenture and have an anticipated repayment date of December 2027. The Series 2020-1 Class A-2 Notes have a legal final maturity date of December 2050. The Series 2020-1 Class A-2 Notes require scheduled quarterly principal payments of \$1,000 beginning March 22, 2021. The interest payments for the Series 2020-1 Class A-2 Notes are due quarterly in arrears on the 20th day of each March, June, September and December.

CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

On June 24, 2021, the Co-Issuers issued an aggregate principal amount of \$180,000 of Series 2021-1 2.865% Fixed Rate Senior Secured Notes, Class A-2 (the “Series 2021-1 Class A-2 Notes”, and together with the “Series 2020-1 Class A-2 Notes” and the remaining Series 2018-1 Class A-2 Notes, all of which remain outstanding, the “Class A-2 Notes” and, collectively with the Series 2018-1 Variable Funding Notes, the “Senior Notes”). The Series 2021-1 Class A-2 Notes were issued pursuant to an amendment to the Indenture and have an anticipated repayment date of June 2028. The Series 2021-1 Class A-2 Notes have a legal final maturity date of June 2051. The Series 2021-1 Class A-2 Notes require scheduled quarterly principal payments of \$450 with the first principal payment due September 20, 2021. The interest payments for the Series 2021-1 Class A-2 Notes are due quarterly in arrears on the 20th day of each March, June, September and December. The remaining outstanding tranches of the Series 2021-1 Class A-2 Notes, the Series 2020-1 Class A-2 Notes and the Series 2018-1 Class A-2 Notes collectively require quarterly principal payments of \$2,500.

The Senior Notes are secured by substantially all assets of the Co-Issuers and their subsidiaries and immediate holding companies (collectively, the “CKE Securitization Entities”), but are not guaranteed by or secured with the assets of CKE or its other subsidiaries, including CKE Restaurants. The Indenture requires the CKE Securitization Entities to report and remit weekly cash flows of the CKE Securitization Entities to the trustee of the Senior Notes. The weekly cash flows are subject to a priority of payments that provides for the payment of funds to specific trust accounts for debt service and other specified purposes set forth in the Indenture. The amount of weekly cash flow, if any, that exceeds the amounts required by the priorities of payment is remitted to CKE Restaurants in the form of an equity distribution.

We expect that the Co-Issuers will repay or refinance each tranche of the Class A-2 Notes at or before its respective anticipated repayment date. However, in the event that the Co-Issuers do not repay any tranche of Class A-2 Notes in full by its anticipated repayment date, such tranche of the Class A-2 Notes would be subject to additional interest at an interest rate of at least 5% per annum, and principal payments on all outstanding Senior Notes would accelerate until the debt is paid in full. If certain conditions are met, including a maximum leverage ratio for the CKE Securitization Entities of 5.0x of total net indebtedness to net cash flow, each as defined in the Indenture, the Co-Issuers may elect not to make the scheduled principal payments on the Class A-2 Notes. The Co-Issuers may optionally prepay up to 35% of the original principal amount of each tranche of the Series 2018-1 Class A-2 Notes (but not the Series 2020-1 Class A-2 Notes or the Series 2021-1 Class A-2 Notes) at any time at par, other than with proceeds from indebtedness. Generally, any optional (and certain mandatory) prepayments in excess of such amount would be subject to a make-whole premium as defined in the Indenture. Beginning eighteen months prior to the anticipated repayment date for the Series 2018-1 Class A-2-II Notes, thirty months prior to the anticipated repayment date for the Series 2018-1 Class A-2-III Notes, thirty-six months prior to the anticipated repayment date for the Series 2020-1 Class A-2 Notes and forty-two months prior to the anticipated repayment date for the Series 2021-1 Class A-2 Notes, the Co-Issuers may repay all or a portion of the remaining principal amount of such applicable tranche of Class A-2 Notes at par.

The Senior Notes are subject to a series of covenants and restrictions customary for transactions of this type, including (i) required actions to perfect the security interest in certain collateral upon the occurrence of certain performance-related events, (ii) application of certain disposition proceeds as note prepayments, subject to certain exceptions, (iii) maintenance of specified reserve accounts, (iv) maintenance of certain debt service coverage ratios, (v) mandatory prepayments with indemnification payments for defective or ineffective collateral, and (vi) covenants relating to record keeping, access to information and similar matters. If certain covenants or restrictions are not satisfied or complied with, the Senior Notes are subject to accelerated repayment events and events of default. Although management does not anticipate an event of default, if any such event occurred and was not cured within any applicable cure period, the unpaid amounts outstanding could become immediately due and payable.

In connection with the issuance of the Series 2021-1 Class A-2-I Notes in fiscal year 2022, we incurred debt issuance costs of \$4,275, which were capitalized. These deferred financing costs will be amortized using the effective interest method over the expected term of the Series 2021-1 Class A-2-I Notes.

In connection with the amendment of the 2018-1 Variable Funding Notes in fiscal year 2023, we incurred debt issuance costs of \$861 which were capitalized. These deferred financing costs will be amortized using the effective interest method over the expected term of the 2018-1 Variable Funding Notes.

The note's maturity date is July 2023 at which time the entire unpaid principal balance becomes due. The note bears interest at a variable interest rate equal to prime plus 0.25%. Accrued interest is payable quarterly commencing October 2020 and continuing thereafter on the 27th day of each quarter (January, April, July, and October) until maturity.

NOTE 9 — LEASES

We occupy land and buildings under lease agreements expiring on various dates through fiscal 2046. Many leases provide for future rent escalations and renewal options. In addition, variable lease payments such as a percentage of sales in excess of specified levels, is often required. Most leases obligate us to pay costs of maintenance, insurance and property taxes.

We transitioned to ASC 842 on February 1, 2022 on a modified retrospective basis using the effective date transition method. The new guidance requires lessees to recognize on the balance sheet the assets and liabilities for the rights and obligations created by finance and operating leases and amends various other aspects of accounting for leases by lessees and lessors. In connection with our transition to ASC 842, we elected the package of practical expedients under which we did not reassess the classification of our existing leases, reevaluate whether any expired or existing contracts are or contain leases or reassess initial direct costs under the new guidance. We also elected lessee and lessor practical expedients to not separate non-lease components comprised of maintenance from lease components for real estate leases that commenced prior to our transition to ASC 842. We did not elect the practical expedient that permitted a reassessment of lease terms for existing leases.

Financial Statement Impact of Transition to ASC 842

Transition Impact on February 1, 2022 Consolidated Balance Sheet

Our transition to ASC 842 represents a change in accounting principle. The \$571 cumulative effect of our transition to ASC 842 is reflected as an adjustment to February 1, 2022 accumulated deficit. Our transition to ASC 842 resulted in the following adjustments to our Consolidated Balance Sheet as of February 1, 2022 (in thousands):

NOTE 10 — SALE-LEASEBACK TRANSACTIONS

We currently have entered into agreements with independent third parties under which we sold and leased back a total of 126 restaurant properties. The initial minimum lease terms are 20 years and include renewal options. The leases also include provisions that provide us with the ability to repurchase the properties, which for accounting purposes, prevents sale recognition as the leased properties are real estate, and we have concluded that no two real estate assets are substantially the same.

Under the financing method, the sales proceeds received are recorded in other current liabilities and other long-term liabilities until our continuing involvement with the properties is terminated, and the associated properties are reported as owned assets and depreciated over their remaining useful lives. Rent payments for these leases are recorded as principal and interest. The net book value of the associated assets, which is included in property and equipment, net of accumulated depreciation and amortization, in our accompanying Consolidated Balance Sheets was \$117,126 and \$120,652 as of January 31, 2023 and 2022, respectively.

During fiscal 2023, the lease agreements for two of our restaurant properties were terminated. As we no longer have continuing involvement in the properties, we recognized a net gain of \$1,160 associated with the write-off of the assets and liabilities. The net gain is included in facility action charges, net in our accompanying Consolidated Statement of Operations for fiscal 2023.

During fiscal 2022, we entered into agreements with independent third parties under which we sold and leased back a total of 5 additional restaurant properties. These agreements followed the same fact pattern as our existing sale-leaseback transactions and therefore, for accounting purposes, constitute continuing involvement with the associated restaurant properties. As such, the \$14,537 received in proceeds from the sale of these 5 properties is included in other current liabilities and other long-term liabilities, with no gain or loss recorded on the sale.

During fiscal 2022, the lease agreement for one of our restaurant properties was terminated. As we no longer have continuing involvement in this property, we recognized a net gain of \$262 associated with the write-off of its assets and liabilities. The net gain is included in facility action charges, net in our accompanying Consolidated Statements of Operations for fiscal 2022.

Closing costs and other fees related to sale-leaseback transactions are treated as deferred financing costs, which are recorded as a reduction to the liability balance and amortized to interest expense over the initial minimum lease term.

As of January 31, 2023, our future minimum lease commitments for our financing method sale-leaseback obligations are as follows:

Fiscal:	
2024	\$ 16,197
2025	16,202
2026	16,212
2027	16,410
2028	17,250
Thereafter	<u>83,972</u>

Financing method sale-leaseback liability	229,877
Less current portion	<u>(10,170)</u>
Financing method sale-leaseback liability, less current portion	<u>\$ 219,707</u>

(1) Although we have legally transferred title of the sale-leaseback properties, we have included an obligation to convey, for accounting purposes, the sale-leaseback assets at the end of the primary lease term. This obligation was established

in acquisition accounting and based on the estimated residual value of the sale-leaseback assets at the end of the primary lease term.

Total other long-term liabilities	<u>\$ 277,497</u>	<u>\$ 349,110</u>

- (1) The decrease in unfavorable leases agreements reflects the reclassification of unfavorable leases liabilities where we are the lessee in the underlying operating lease to the operating lease assets recorded for the underlying lease in connection with our transition to ASC 842. See Note 9, *Leases*.
- (2) The decrease in estimated liability for deferred rent, long-term portion reflects the reclassification of deferred rent where we are the lessee in the underlying operating lease to the operating lease asset recorded for the underlying lease in connection with our transition to ASC 842. NOTE 12 — EQUITY

As of January 31, 2023 and 2022, a total of 100 shares of \$0.01 par value common stock of CKE Restaurants are issued and outstanding. Each share of common stock entitles the shareholder to one vote per share and is eligible to receive dividend payments when declared. As discussed more fully in Note 8, the Indenture governing the Senior Notes includes certain covenants and restrictions that may limit CKE Restaurants' ability to declare and pay dividends. No dividends were declared and paid in fiscal 2023. During fiscal 2022, we paid a cash dividend of \$105,000 to CKE Inc. During fiscal 2022, CKE Inc. made a capital contribution to CKE Restaurant Holdings, Inc. of \$41,500.

During fiscal 2023, CKE Inc. merged with CKE Restaurants which survives the merger. As a result of the merger, all assets, liabilities and debts of CKE, Inc. transferred to CKE Restaurants. The intercompany note agreements between the entities were cancelled, and the CKE Restaurants note receivable from CKE Inc. in the amount of \$441,866 was reclassified to accumulated deficit. In addition, \$316 of cash held by CKE Inc. was consolidated into CKE Restaurants.

Other Notes	1,900	1,900	1,900	1,900

The fair value of cash and cash equivalents and restricted cash and cash equivalents each approximate their respective carrying amounts due to the short maturity of the balances. The carrying amounts of notes receivable, net (both current and non-current) of related allowance for doubtful accounts approximate fair value. The estimated fair values of our borrowings under the Series 2018-1, Series 2020-1 and Series 2021-1 Class A-2 Notes were determined by obtaining estimated market prices from an investment banking firm as of the balance sheet dates. The carrying amount of the other notes approximates fair value.

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. Entities are required to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value based on the following fair value hierarchy:

Level 1 - Quoted prices in active markets for identical assets or liabilities;

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; and

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Our non-financial long-lived assets, including goodwill, intangible assets and property and equipment, are reported at carrying value and are not required to be measured at fair value on a recurring basis. However, on a periodic basis, or whenever events or changes in circumstances indicate that their carrying value may not be recoverable, we assess our long-lived assets for impairment. When impairment has occurred, such long-lived assets are written down to fair value. See Note 16 for further information regarding impairment charges.

NOTE 14 — COMMITMENTS AND CONTINGENT LIABILITIES

Lease Commitments

Many of the restaurants we have sold to franchisees are on leased sites, and we have entered into sublease agreements with these franchisees but remained principally liable for the lease obligations. We account for the sublease payments received as rent revenue in franchised restaurants and other revenue, and the payments on the leases as rent expense in franchised restaurants and other expense, in our accompanying Consolidated Statements of Operations. As of January 31, 2023, the nominal value of the lease obligations under the remaining master leases' primary terms is \$455,785.

Letters of Credit

Pursuant to our Series 2018-1 Variable Funding Notes, we may borrow up to \$70,000 for senior secured revolving facility loans, swingline loans and letters of credit (see Note 8). As of January 31, 2023, we had several standby letters of credit outstanding under our Series 2018-1 Variable Funding Notes totaling \$24,223, expiring at various dates through October 2023. The outstanding letters of credit consist of a \$13,100 letter of credit for benefit of the holders of the Senior Notes as an interest reserve as required by the Series 2021-1 Indenture and letters of credit of \$11,123, which primarily secure our potential workers' compensation, general liability and auto liability obligations.

Unconditional Purchase Obligations

As of January 31, 2023, we had unconditional purchase obligations in the amount of \$69,887, which consisted primarily of contracts for goods and services related to restaurant operations and contractual commitments for marketing and sponsorship arrangements. Our unconditional purchase obligations for fiscal 2024, 2025, 2026 and 2027 are estimated to be \$64,196, \$3,916, \$1,126 and \$649, respectively.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

Litigation

We are currently involved in legal disputes related to employment, franchising, real estate and other business matters. We intend to vigorously defend against all claims in these lawsuits, and are unable to predict the ultimate outcome of these actions. Although the outcome of these matters cannot be predicted with certainty and some of these matters may be resolved unfavorably to the Company, based on currently available information, including legal defenses available to the Company and its legal reserves and insurance coverages, the Company does not believe that the outcome of these legal matters will have a material adverse effect on its consolidated financial position, results of operations or cash flow.

We accrue those loss contingencies that are deemed to be probable, and for which the amount of expected loss is reasonably estimable. Because litigation is inherently unpredictable, assessing contingencies is highly subjective and requires judgments about future events. When evaluating litigation contingencies, we may be unable to provide a meaningful estimate due to a number of factors, including the procedural status of the matter in question, the availability of appellate remedies, insurance coverage related to the claim or claims in question, the presence of complex or novel legal theories, and/or the ongoing discovery and development of information important to the matter. In addition, damage amounts claimed in litigation against us may be unsupported, exaggerated or unrelated to possible outcomes, and as such may not be meaningful indicators of our potential liability or financial exposure. We regularly review contingencies to determine the adequacy of our accruals and related disclosures. The ultimate amount of loss may differ from these estimates.

Share-Based Compensation Arrangements

CKE Holdings LP, a limited partnership (the “Partnership”) that was formed by Roark Capital Management, LLC (“Roark”) and certain members of our senior management team and Board of Directors in December 2013, is CKE’s sole stockholder as of January 31, 2023 and 2022. The Limited Partnership Agreement, as amended (“Limited Partnership Agreement”), allows for the issuance of profit sharing interests (“Units”) in the Partnership in the form of “Class B” and “Class C” Units. The Units provide the holders a profit sharing interest in the Partnership as defined in the partnership agreement and the individual grant agreements. There are no income tax benefits associated with any of the Class B Units or Class C Units.

CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

Time vesting Class B Units vest in four equal annual installments from the date of grant. Performance vesting Class B Units provide for vesting or conversion to a time vesting schedule upon achievement of certain financial or investment targets. Time vesting Class C Units vest in various installments as specified in the individual grant agreements, but in all instances have vesting periods no longer than five years from the date of grant. There are no unvested time vesting and performance vesting Class B Units as of January 31, 2023 and 2022.

As a result of a previous amendment to the Limited Partnership Agreement, all performance vesting Class B Units that had not vested or converted to a time vesting schedule prior to December 24, 2017, became fully vested and non-forfeitable Class B Units, subject to certain restrictions (the “Restricted Class B Performance Units”). The Restricted Class B Performance Units are only entitled to realize a profit sharing interest in the Partnership to the extent that certain future performance and/or market conditions are met. These conditions require the value generated or calculated as a result of a substantial initial public offering, change in control or cumulative cash distributions, each as defined in the Limited Partnership Agreement, to result in the achievement of a specified return to the Partnership.

During fiscal 2023, the Partnership granted 358,335 time vesting and 358,331 performance vesting Class C Units. The time vesting class C Units vest in either three or five equal annual installments from the dates of grant. The performance vesting Class C Units consists of either three or five equal tranches that vest upon achievement of certain annual financial targets for fiscal years 2023 through 2027 as set forth in the grant agreements.

During fiscal 2022, the Partnership granted 88,000 time vesting and 88,000 performance vesting Class C Units. The time vesting Class C Units vest in either three or five equal annual installments from the dates of grant. The performance vesting Class C Units consist of either three or five equal tranches that vest upon achievement of certain annual financial targets for fiscal years 2022 through 2026 as set forth in the grant agreements.

The following presents the time vesting and performance vesting Unit activity for fiscal 2023:

	Time Vesting Units	Performance Vesting Units	Total Units	Weighted- Average Grant Date Fair Value

We are included in the consolidated federal income tax returns and combined state income tax returns of CKE Holding Corporation. For the purpose of determining the income taxes attributable to CKE Restaurants and its subsidiaries, we prepare our income tax provision as if we were a separate taxpayer. As a result of this treatment, we make income tax payments to our corporate parent based upon our separate return taxable income. We additionally make income tax payments directly to federal, state, local and foreign taxing jurisdictions. As of January 31, 2023 and 2022, our income tax payable to our corporate parent was \$13,318 and \$12,997, respectively. During fiscal 2023 and 2022, we did not make any income tax payments to CKE Holding Corporation and made \$11,325 and \$5,238 in income tax payments net of refunds directly to taxing authorities.

As of January 31, 2023 and 2022, we maintained a valuation allowance of \$9,405 and \$8,994, respectively, for a portion of our state income tax credits and certain state and foreign net operating loss NOL carryforwards because we had concluded that realization of the tax benefit of such deferred income tax assets was not more likely than not. In evaluating the need for a valuation allowance, we consider all available evidence, positive and negative, including cumulative historical earnings in recent years, future reversals of existing temporary differences, estimated future taxable income exclusive of reversing temporary differences on a jurisdictional basis and statutory expiration dates of NOL and income tax credit carryforwards. During fiscal 2023, we increased our valuation allowance by \$411.

As of January 31, 2023, we have state tax credit carryforwards of \$5,853, which are subject to substantive limitations with regard to utilization and will expire, if unused, in fiscal 2024. As of January 31, 2023, we have state NOL carryforwards in the amount of approximately \$54,955, which expire in varying amounts from fiscal 2024 through 2034. As of January 31, 2023, we have recognized \$833 of net deferred income tax assets related to our state income tax credit carryforwards and \$303 of net deferred income tax assets related to our state NOL carryforwards, which represent our expected future tax savings from such carryforwards, after considering the impact of past ownership changes on our ability to utilize such carryforwards. The utilization of our NOL carryforwards to offset future taxable income may be subject to an annual limitation as a result of past or future ownership changes. As of January 31, 2023, we have recognized a nominal amount of deferred income tax assets associated with foreign operations.

CKE RESTAURANTS HOLDINGS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

The following is a tabular reconciliation of the total amounts of unrecognized tax benefits:

	Fiscal 2023	Fiscal 2022
Unrecognized tax benefits, beginning of year	\$ 4,424	\$ 5,029
Gross increases related to tax positions taken in prior years	37	243
Gross decreases related to tax positions taken in prior years	(768)	(663)
Gross increases related to tax positions taken in the current year	417	384
Reductions to tax positions due to settlements with taxing authorities and lapses of statutes of limitations	(482)	(569)
Unrecognized tax benefits, end of year	<u>\$ 3,628</u>	<u>\$ 4,424</u>

Included in the balance of unrecognized tax benefits as of January 31, 2023, are \$1,427 of tax benefits that, if recognized, would affect the effective tax rate. Also included in the balance of unrecognized tax benefits as of January 31, 2023, are \$2,201 of tax benefits that, if recognized, would result in adjustments to other tax accounts, primarily deferred income taxes, income taxes payable and valuation allowance. Amounts recorded for interest and penalties in connection with the unrecognized tax benefits noted above were not significant as of January 31, 2023 and 2022.

We believe that it is reasonably possible that decreases in unrecognized tax benefits of up to \$286 may be necessary within the coming fiscal year as a result of statutes closing on such items. In addition, we believe that it is reasonably possible that our unrecognized tax benefits may increase as a result of tax positions that may be taken in fiscal 2023.

We file income tax returns in the U.S. federal jurisdiction and various states and foreign jurisdictions. We have carried forward various state NOL and income tax credits to income tax years that remain open by statute. As a result, such NOL and income tax credit carryforwards remain subject to adjustment by the respective tax authorities. Our federal income tax returns from fiscal 2020 and subsequent years are open for examination. In addition, our state income tax returns generally have statutes of limitations ranging from three to four years from the filing date.

**ADDENDUM TO THE CARL'S JR. RESTAURANT
FRANCHISE DISCLOSURE DOCUMENT
REQUIRED FOR WASHINGTON FRANCHISEES**

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

**ASSURANCE OF DISCONTINUANCE
STATE OF WASHINGTON**

To resolve an investigation by the Washington Attorney General and without admitting any liability, we have entered into an Assurance of Discontinuance (“AOD”) with the State of Washington, where we have agreed to remove from our form franchise agreement a provision which restricts a franchisee from soliciting and/or hiring the employees of our other franchisees, which the Attorney General alleges violates Washington state and federal antitrust and unfair practices laws. We have agreed, as part of the AOD, to not enforce any such provisions in any existing franchise agreement, to request that our Washington franchisees amend their existing franchise agreements to remove such provisions, and to notify our franchisees about the entry of the AOD. In addition, the State of Washington did not assess any fines or other monetary penalties against us.

If the Franchised Restaurant is leased or subleased from a third party ("Landlord"), Franchisee shall provide CJR a copy of the fully-executed lease or sublease, together with any amendments to the lease or sublease (collectively, "Lease") simultaneously with the execution of this Addendum. The term of the Lease shall continue for at least the Renewal Term of the Franchise Agreement. If the Lease does not contain the language required by CJR to be included in the Lease, or if Franchisee has not previously provided CJR with a fully-signed Lease Addendum as required by the Prior Agreement and the Franchise Agreement, Franchisee shall use its best efforts to obtain the Landlord's signature on CJR's Lease Addendum, in the form attached to the Franchise Agreement, and provide CJR with a fully signed Lease Addendum within 60 days after the commencement date of the Renewal Term.

4. Franchisee represents and warrants that it has the right to remain in possession of the Franchised Restaurant for the Renewal Term.

5. The first two sentences of Section 2.A. are deleted and replaced by the following:

A. Renewal Term

The term of this Agreement (“Renewal Term”) and the Franchise granted by this Agreement shall be for a period of __ years. The Renewal Term shall commence on _____ and expire at midnight on _____, unless this Agreement is terminated at an earlier date pursuant to Section 23. All references to the “Term” or the “Initial Term” shall mean and refer to the Renewal Term.

6. Section 2.B. is deleted and is replaced by the following:

B. No Further Renewal

Franchisee shall have no right to renew this Agreement or the Franchise granted pursuant to this Agreement.

7. Section 8.A. is deleted and is replaced by the following:

A. Renewal Fee

The Renewal Fee is set forth in Appendix 1 attached to the Renewal Addendum and is in the amount provided for in the Prior Agreement. Franchisee shall pay the Renewal Fee to CJR simultaneously with the execution of this Agreement. The Renewal Fee is paid in consideration of CJR renewing the Franchise for the Franchised Restaurant for the Renewal Term. The Renewal Fee was fully earned at the time paid and is not refundable for any reason whatsoever. All references to the “Initial Franchise Fee” shall mean and refer to the Renewal Fee.

8. Section 21 is amended by adding the following sentence:

Without limiting the generality of the foregoing release, Franchisee, all individuals who execute this Agreement and all guarantors of Franchisee’s obligations under this Agreement acknowledge and agree that the foregoing release includes, without limitation, a release of all claims arising out of or related to the Prior Agreement.

9. Franchisee’s indemnification obligations under the Prior Agreement survive termination of the Prior Agreement and Franchisee’s indemnification obligations under the Franchise Agreement will survive termination of the Franchise Agreement.

10. Item 2 in Appendix A to the Franchise Agreement is deleted.

11. All capitalized terms that are not defined in this Addendum shall have the meaning given them in the Franchise Agreement.

12. Except as modified by this Addendum, the Franchise Agreement remains unmodified and in full force and effect.

IN WITNESS WHEREOF, the parties have executed this Addendum by their duly authorized representatives.
