12. **Professional Fees.** You may incur costs in seeking legal and accounting advice to assist you with the formation of your entity, your lease negotiation, your review of this Disclosure Document and related agreements, the development of your business plan, and your employee or independent contractor hiring practices.
13. **Additional Funds – First 3 Months.** This estimates the additional funds you may need to cover additional expenses you will incur before your Restore Franchise opens and in its first three months of operation. These expenses may include, without limitation, employee salaries, wages, benefits, employee uniforms, payroll taxes, various licenses, telephone/Internet and utility bills, ongoing vehicle payments, taxes and licensing of vehicles, bank charges, taxes, additional advertising expenses, miscellaneous supplies and equipment, and other miscellaneous items. Your Restore Franchise will likely require heavy marketing in your first three months of operation to insurance agents and adjusters, in addition to home and business owners. The estimate reflects the additional advertising you may be required to conduct after opening. We have based these figures on our and our Predecessor's experience franchising ServiceMaster Franchises and includes the categories of expenses incurred by a typical Restore Franchise.
14. **Total Initial Investment.** These figures are estimates based on our and our Predecessor's many years of experience franchising ServiceMaster Franchises. ~~Your actual investment and expenditures and initial cash outlay may vary from the amounts shown depending on the choices you make, your local market, and the size of your Territory and its geographical and topographical make-up.~~ If you choose to purchase additional equipment, products, supplies, and vehicles, your expenses may be higher.

#### ITEM 8: RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

We have the right to require that products, supplies, furniture, fixtures, equipment, and services (collectively, "**Goods**") that you purchase for resale or purchase or lease for use in your Franchised Business: (i) meet specifications that we establish from time to time; (ii) be a specific brand, kind, or model; (iii) be purchased or leased only from suppliers approved by us; (iv) be purchased or leased only from a single source that we designate (which may include us or our affiliates or a buying cooperative organized by us or our affiliates); and/or (v) be purchased as part of a purchasing program, arrangement, or contract that we negotiate or specify. To the extent that we establish specifications, require approval of suppliers, or designate approved suppliers for particular Goods, we will publish such requirements in the Operations Manual or otherwise in writing.

Currently, we require you to purchase certain cleaning solutions, specialty items, equipment, vehicle graphics, insurance, printed materials, and uniforms from suppliers that we have designated or approved. We have made arrangements with a single approved supplier to make available to you most of the Goods that you will need to establish and operate your Franchised Business, but you are only required to purchase certain Goods described in the previous sentence from such supplier. Currently, we and our affiliates are not approved suppliers of any Goods, but we reserve the right to become an approved or designated supplier in the future.

If there are non-compliant Goods in a Conversion Franchise or a transferred Restore Franchise, the products should be discontinued immediately and the equipment depleted and replaced through attrition with approved equipment.

**Vehicles.** You are required to lease or purchase a van for the operation of your Restore Franchise to transport equipment, cleaning solutions, products, and employees. We recommend that you buy a heavy-duty cargo van that is no less than 3/4 ton. We do not mandate a specific vehicle or type of vehicle. We do require that the vehicle you choose must accommodate the equipment of your business type, that the vehicle passes or meets your state's safety requirements, and that the vehicle is clean, neat in appearance without any dents or rust, and displays the ServiceMaster® colors and decals. SRM

which you may add. All Optional Program participants are required to subscribe to and use this software.

The Estimating and Pricing Software is a customized fully integrated software system that allows you to do a comprehensive disaster restoration estimate. Updates will be automatically provided to you if the Estimating and Pricing Software provider provides updates to us. The lease terms for the Estimating and Pricing Software are more fully described in Item 6. You will be required to sign an End User License Agreement, a copy of which is attached in Exhibit G-1 to this Disclosure Document. If your Franchise Agreement expires or is terminated, your license to use the Estimating and Pricing Software also terminates.

There may be a customer who requires use of a different estimating software (other than this Estimating and Pricing Software). Should you choose to perform work for that customer, you will have different software fees and will make payments to that software vendor.

We have no obligation to upgrade your hardware. You have no contractual obligation to upgrade hardware components (other than if our standards change), but you should upgrade your individual systems if you wish to take full advantage of the speed and improvements of the software packages. Additionally, if you choose to run hardware that does not meet our minimum standards for running software that causes conflicts, we will not be able to provide you with support.

You will also need an iPad or similar tablet with the fire and the water restoration apps.

### **Opening**

You typically open your Restore Franchise 60 to 120 days after you sign the Franchise Agreement or 15 days after you successfully complete the AOS Training. Factors that affect the length of this time period usually include obtaining a satisfactory office location, financing arrangements, completion of the AOS Training program, and hiring and training employees.

If you have acquired your Restore Franchise through a transfer of an existing franchise, your business is already open and operating by trained employees and, depending upon the agreement you have with the former owner, perhaps some assistance from the former owner.

If you are a Conversion Franchise, your business is already operating. However, you will need to complete AOS Training in one of the next three scheduled sessions of the AOS Training that take place after the purchase of your Restore Franchise.

### **AOS Training**

AOS Training is a school of intensified training and is three weeks long, including two weeks of our training and up to eight days of training for certifications (which may not be consecutive and may include evenings and weekends). AOS Training is offered approximately quarterly and is held in Atlanta, Georgia, Memphis, Tennessee, or any other site designated by us. At any time, we may provide all or part of the AOS Training, or any other training programs, virtually via videoconference or another online platform. Currently, AOS Training is held in-person for two full weeks, which cannot be split between sessions. Attendees are required to complete some initial coursework online prior to attending AOS Training in our learning management system, which we refer to as ServiceMaster Brands University (“SMBU”).

The tuition and some meals for your Designated Trainees to attend the AOS Training are included in the Initial Franchise Fee ~~or Transfer Fee, as applicable~~. Your “**Designated Trainees**” include up to two trainees, which may include you (if you are not an entity), your owners, or, if approved by us, your managers. We may charge a training fee for AOS Training for (i) each person in excess of two trainees,

Ownership Group.

5. These sales figures do not reflect the costs of sales, operating expenses or other costs or expenses that must be deducted from the Gross Service Sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your Restore Franchise. Franchisees or former franchisees, listed in this disclosure document, may be one source of information.
6. We calculated the figures in the tables in these financial performance representations using financial reports submitted by franchisees.
7. Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request.

Other than in this Item 19, we do not make any representations about a franchisee’s future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor’s management by contacting the Legal Department, ServiceMaster Clean/Restore SPE LLC, One Glenlake Parkway, 14<sup>th</sup> Floor, Atlanta, Georgia 30328, Telephone 800-756-5656, the Federal Trade Commission, and the appropriate state regulatory agencies.

**Notes to Table No. 3:**

1. Some of the non-renewals and ceased operations in 2023 were attributable to an effort to consolidate Small Market Franchises, Residential Franchises, Floor Care Franchises, Window and Carpet Franchises, and On-Location Franchises owned by existing franchisees into such franchisees' existing Disaster Restoration Franchises. Thus, while the number of SM Licenses owned by such consolidated franchisees changed (as reflected in this table), such franchisees continued to operate their businesses, offering the same services within the same territories, through their Disaster Restoration Franchises.

11.2 Coverage Requirements. The required policies of insurance to be maintained by Franchisee shall be as set forth in the Operations Manual or otherwise in writing, and shall include, at a minimum, the following: (i) Workers' compensation and occupational disease insurance as may be required by applicable state or federal law, (ii) Comprehensive General Liability insurance, including products and completed operations coverage, (iii) Business automobile liability coverage for owned, hired, and non-owned vehicles or any auto, and (iv) all other insurance required by applicable state or federal law. Some SM Licenses may require different or additional insurance policies, as specified in the Operations Manual from time to time.

11.3 Failure to Maintain. Franchisee shall submit to Franchisor, or Franchisor's designated agent, annually a copy of the certificate of or other evidence of the renewal or extension of each such insurance policy. Should Franchisee, for any reason, fail to procure or maintain the insurance required by this Agreement, as revised from time to time for all franchisees in the Operations Manual or otherwise in writing, Franchisor shall have the right, at its option and in addition to any other rights and remedies, to procure such insurance coverage on Franchisee's behalf, and to charge the cost to Franchisee, which charges, together with a reasonable fee for Franchisor's expenses in so acting, shall be payable by Franchisee immediately upon Franchisee's receipt of written notice. Franchisee shall promptly execute any applications or other forms or instruments required to obtain any such insurance and pay to Franchisor, on demand, such costs and fees.

11.4 Obligation to Obtain. Franchisee's obligation to obtain and maintain insurance policy or policies as specified by Franchisor shall neither be limited in any way by reason of any insurance which may be maintained by Franchisor, nor shall Franchisee's performance of this obligation relieve it of liability under the indemnity provisions set forth in Section 17.3 of this Agreement.

## 12. ASSIGNMENT

12.1 Transfer by Franchisor. Franchisor shall have the right to transfer or assign this Agreement or all or any part of its rights or obligations under this Agreement to any person or legal entity including to distributors of Franchisor, without the approval or consent of Franchisee. Franchisee agrees to execute any forms as Franchisor may reasonably request to acknowledge or effectuate any such assignment by Franchisor. Franchisee and each Owner of Franchisee and/or Affiliates, and the transferee (and each owner and/or Affiliate of the transferee) must sign a General Release.

### 12.2 Transfer by Franchisee.

12.2.1 Franchisee's Owners. Franchisee represents and warrants that ~~Section 29.3~~Exhibit A of this Agreement completely and accurately identifies all Owners and describes their ownership interests (whether direct or indirect) in Franchisee as of the Effective Date.

12.2.2 Transfer by Franchisee-Defined. Franchisee acknowledges that the rights and duties this Agreement creates are personal to Franchisee and its Controlling Owners and that Franchisor has granted Franchisee the rights under this Agreement in reliance upon Franchisor's perceptions of Franchisee's and its Controlling Owners' collective character, skill, aptitude, attitude, business ability, and financial capacity. Accordingly, unless otherwise specified in this Section 12.2, neither this Agreement (or any interest in this Agreement), the Franchised Business or substantially all of its assets, nor any ownership interest in Franchisee or any Owner (if such Owner is a legal entity) may be transferred (as defined in this Agreement) without complying with the terms and conditions applicable to such transfer in this Section 12.2. A transfer of the Franchised Business' ownership, possession, or control, or substantially all of its assets, may be made only with a transfer of this Agreement. Any transfer without complying with the terms and conditions applicable to such transfer in this Section 12.2 including Franchisor's approval is a material breach of this Agreement. Franchisor reserves the right to conduct an audit of the Franchised Business as a pre-condition to consent to Transfer.
