As a Crumbl® franchisee, you will operate a cookie baking and delivery business.

The total investment necessary to begin operation of a Crumbl® franchise is \$460,166 to \$1,266,333. This includes the \$246,000 to \$265,000 that must be paid to the franchisor or its affiliates.

To reserve a territory for multi-unit development, the up-front fee is an amount equal to \$50,000 multiplied by the number of franchise units to be developed. The minimum number of franchise units required to be developed under the area development agreement is 3 and any additional units will be determined by us on a case-by-case basis. The total investment necessary to reserve territories for 3 Crumbl® franchises businesses under the area development agreement is \$150,000. This includes the \$150,000 that must be paid to the franchisor or its affiliates to reserve such 3 territories.

What You Need to Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit “F.”

Your state may also have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement and area development agreement require you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Utah. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Utah than in your own state.
2. **Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.
3. **Unopened Franchises.** The franchisor has signed a significant number of franchise agreements with franchisees who have not yet opened their outlets. If other franchisees are experiencing delays in opening their outlets, you also may experience delays in opening your own outlet.
4. **Financial Condition.** The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's financial ability to provide services and support to you.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**ADDENDUM TO THE CRUMBL® FDD
FOR THE STATE OF MICHIGAN**

**(THE FOLLOWING APPLIES TO TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW ONLY)**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protection provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

- (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
- (ii) The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.
- (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
- (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

General Description of Market and Competition

The general market for a retail cookie, baking, and delivery business is well-developed and competitive. This business may be operated year-round. You may also encounter competition from other Crumbl® franchises operated by us or other franchisees outside your territory under limited circumstances.

Laws and Regulations

You are required to follow all laws and regulations that apply to business generally. In addition, your business is subject to federal, state, and local health and consumer protection laws and other regulations and guidelines governing the food service industry. You will be required to make sure your employees are properly licensed. The Food and Drug Administration, the United States Department of Agriculture and food industry organizations, including the National Restaurants Association, have established rules affecting the bakery industry. To operate your franchise, you or one of your employees must have a current food handler permit/license, and some states required a manager to have a food safety manager certification.

You must investigate local zoning rules because they may limit where you can locate your franchise business and may affect the design features including the building façade and signs. In many jurisdictions, you will also be required to obtain a sign permit. You should also be aware of federal, state, and local environmental laws about the disposal of waste materials and packaging. You may be required to obtain additional insurance coverage for delivery services, which may increase your premium payments. You may be required by local law to participate in a recycling program, which may require that you register and make ongoing fee payments.

At your cost and expense, you must investigate and ensure that you comply with all payment card industry (“PCI”) and data security standard (“DSS”) standards, regulations, and requirements; however, we reserve the right to approve of the vendor you use for compliance. You must meet the requirements of, and comply with enhancements and changes to, the PCI and DSS and maintain PCI compliance with the current version of the PCI and DSS. We reserve the right to require an audit (and to designate the auditor) to verify compliance. You are responsible to use all required tools, systems, and vendors to complete ongoing PCI requirements including quarterly external security scans and annual self-assessment questionnaires. You are solely responsible for all costs relating to PCI compliance and data security issues, such as security threats, breaches, and malware. It is your responsibility to alert us, not later than 24-hours following a suspected or confirmed data security breach, so that appropriate action can be taken to protect customer data and notify relevant parties. You are not permitted to collect, store, transfer, etc. any unnecessary customer information. Additional information can be found at <https://pcisecuritystandards.org/>.

The details of state, county and local laws and regulations vary from place to place. It is your responsibility to research these matters. ITEM 5 INITIAL FEES

Initial Franchise Fee

On the signing of the franchise agreement, all franchisees pay an initial franchise fee of \$50,000. This fee is non-refundable, except as described below.

Required Purchases from the Franchisor or an Affiliate

You must pay us or our affiliate a fee for an opening tech equipment package estimated to be between \$9,000 to \$15,000. In addition, we may require you to buy from us or our affiliate an opening general equipment package, including ovens, mixers, and related equipment, estimated to be between \$170,000 to \$180,000. These fees are non-refundable.

You must also pay us or our affiliate a fee for an opening box and ingredient package, including Crumbl® branded boxes and certain ingredients, emulsions, and specialty packets, estimated to be between \$9,000 to \$12,000. These fees are non-refundable.

Initial Training

The initial training fee is \$8,000-per training session. If your primary owner has already opened a Crumbl franchise, then the initial training fee will be reduced to \$4,000-per training session. If you postpone or reschedule any training from the date originally set by you, you must reimburse us for all of our costs to reschedule such training. These fees are non-refundable.

Area Development Agreement

If you enter into an area development agreement, the initial franchise fee for each unit to be developed is \$50,000. You must pay an up-front area development fee of an amount equal to \$50,000 multiplied by the number of franchise units to be developed, which is credited towards the initial franchise fee of each franchise as developed. You must sign the then-current franchise agreement for each unit to be developed. The minimum number of franchise units required to be developed under the area development agreement is 3 and any additional units will be determined by us on a case-by-case basis. This fee is non-refundable, except as described below.

Uniformity and Refunds

In certain circumstances, we offer a partial refund of the area development fee. If we determine that you are not well suited to be an area developer and terminate the area development agreement early, you will receive a partial refund of the area development fee equal to the initial franchise fee that was current at the time of signing the area development agreement, multiplied by the number of franchise units for which franchise agreements have not been executed as of the date of termination. The factors used by us to determine if you are not well suited to be an area developer include poor temperament, poor community reputation, actions that we feel negatively affect our system, goodwill, or trademarks, poor performance of existing franchise location(s), lack of business acumen, ~~breach~~default of the franchise agreement, ~~breach~~default of the area development agreement, non-compliance with our system, personality or relationship conflict, and poor communication, as determined by us. We may make this determination at any time during the term of the area development agreement. If we terminate the area development agreement, so long as you are not in default under the terms and conditions of your respective franchise agreement(s), you may still continue to own and operate such individual Franchise Units in the individual territories (as defined in such respective franchise agreements) that are owned and operated by you prior to termination, so long as you are not in default and continue to faithfully perform the terms and conditions of such franchise agreement(s). However, you will cease to have any exclusivity rights with regard to the ongoing development of all other franchise units in the development territory, and you will forfeit any contractual right you may have to purchase additional franchise units within the development territory. Any refund is contingent upon signing a general release in the form and substance that is acceptable to us.

If you and we agree to terminate the franchise agreement before your store is open and operating, based on our ongoing risk assessment of the territory, we reserve the right to issue a refund of the initial franchise fee, in our sole discretion.

Unless otherwise described above, these costs and fees are uniform and are non-refundable for all franchisees.

The amounts payable to us or an affiliate for the initial franchise fee, initial training fee, initial purchases, area development fee, and all other initial fees are payable in a lump sum at the time of signing, and the training fees are payable in a lump sum prior to training.

We have the right to require you to establish a bank sweep, draft or other similar type of electronic funds transfer (“Operating Account”) account in which you must deposit the gross sales of your outlet (not including local sales & use taxes) which account we may automatically access for any payment due us. You cannot have more than one Operating Account. You cannot close or terminate the Operating Account without receiving our prior written consent. If you fail to timely report gross sales, we may sweep an estimated amount of fees due to us. You will be responsible to pay us any amount owing if we underestimate your payment to us, and we will credit you with any overage that we charge. ⁴ Liquidated Damages. If this Agreement is terminated, other than for non-renewal or mutual termination, and because of the difficulty of calculating damages caused by lost future royalties: (a) you agree to pay us the average royalty payment from the previous 12 months multiplied by 36 months or the remaining term of your franchise agreement, whichever is less. Such amount will be reduced to the present value of such payments as of the date of termination utilizing an interest rate of 5%. Such liquidated damages only cover our damages for lost royalties and does not cover any other damages or waive any of our other rights.

⁵ De-identification Fee. In the event you fail to comply promptly with any of your post termination de-identification obligations, you agree to pay us \$500 per day for each day that you are in default, as a reasonable estimate of the damages suffered by us.

These costs will include any attorneys' fees and costs associated with enforcing your post-termination obligations. NOTES

¹ Initial Franchise Fee. The initial franchise fee and all other fees payable to us are non-refundable and uniform for all franchisees. We do not finance any portion of such fees.

² Opening Tech Equipment Package. You will purchase from us or our affiliate an initial tech package comprised of iPads, televisions, and other technological equipment that we require to be used in your franchise business.

³ Opening General Equipment Package. We may also require you to purchase from us or our affiliate other required equipment, including ovens, mixers, and related items.

⁴ Opening Box and Ingredient Package. You must pay us or our affiliate a fee for an initial box and ingredient package, including Crumbl® branded boxes and certain ingredients, emulsions, and specialty packets.

⁵ Initial Training Fees, and Travel, Lodging, Food, and Other Expenses While Training. You are responsible to pay all travel, lodging, food, and other expenses for your attendees during training, directly to the supplier (hotels, airlines, restaurants, rental car companies, etc.). There is no restriction on the number of management level employees that can attend this training. These estimates assume that you will have 4 people attend training. These costs will vary widely as a function of the distance traveled and the choice of accommodations, meals, and transportation.

⁶ Real Estate and Improvements. You must purchase or lease a suitable location for your franchise business. We must approve of your location. Costs of commercial property or leases and improvements vary widely based on location, terms of the lease, the total area of your space as well as construction and material costs. Your landlord may provide you with a tenant improvement allowance as part of your lease, which has not been included as part of these estimates. We have not included an amount for the purchase of real property because such cost varies widely per location and we recommend that you lease your location instead of purchasing. You should review these costs with a local contractor, commercial real estate agent and other professionals.

⁷ Rent. Your space will vary depending on your needs, but we estimate you will need between 1,400 and 2,000 square feet, and we estimate your lease to be between \$50,000 to \$250,000 per annum, depending on your location. This amount includes an estimate for the cost to lease your commercial property for 3 months until your business is operational. Our estimates also assume you pay a security deposit equal to 1-month's rent, and that you begin paying rent when (or shortly before) you open for business. For this to occur, you would need to negotiate a "free rent" period for the time it takes to build out your business. You may be able to negotiate additional free rent or reduced rent periods after opening as well. We expect that you will rent your location. If you choose to purchase real estate instead of renting, your costs will be significantly

different. Due to the vastly different prices in real estate throughout the country, we have not included an estimate for the cost to purchase and/or build a location in the table above.

⁸ Professional Fees. You must employ and pay a licensed architect preapproved by us to accomplish and prepare and develop a preliminary set of plans, specifications, and related construction documents, and to prepare a full stamped set of floor plans, plans and specifications to include mechanical, plumbing, and electrical engineering as necessary to satisfy city, state, and local building codes for your Crumbl® franchise business. You must hire a local engineer or builder to construct or improve your premises according to such plans. This estimate may vary widely from the professional costs in your area. There is no allowance included in this estimate for site planning, landscape planning, use permitting, gaining of variances or resolution of related planning and zoning conflicts, accomplishment of energy consumption calculations, accomplishment of building elevations, civil or structural engineering. Additionally, this fee estimate does not include an allowance for bid or contract administration or client directed revisions which will need to be negotiated on a case-by-case basis prior to commencement of the requested work. You may also elect to hire other professionals, including attorneys and accountants, to assist you in the establishment of your Crumbl® franchise business.

⁹ Equipment, Furniture, Fixtures, Décor, and Supplies. Included in this estimate are the cost of kitchen equipment, utility sinks, counters and shelving, refrigeration, utility shelving, millwork, chairs, tables, interior design, ovens, warmers, lighting, interior signage, equipment consolidation fees, management fees, and optional equipment installation fees. This estimate also includes office supplies, gift cards, and small wares. All purchase agreements or leases must be negotiated with suppliers. For any items purchased from us, we require immediate payment.

¹⁰ POS System, Computer Hardware, and Software. You will be required to initially purchase and use our designated POS system, software, and the following computer hardware: an iMac or apple desktop computer, iPad, and Apple TV's. You must also use Quickbooks Online software and follow our accounting procedures and line items as provided in our policies and procedures manual. We may furnish you with a chart of accounts and line items that you and your accountant must follow. We will have independent access to any information or reports on this computer and/or software system. We require ongoing access to this information.

¹¹ Signs. At least 1 exterior sign displaying the trademark and 1 interior sign are required. These signs may be made locally. All signs must conform to our specifications. All purchase agreements or leases must be negotiated with your suppliers. You must also use the location's monument sign if available.

¹² Miscellaneous Opening Costs. These miscellaneous costs include legal and consulting fees, utility costs, business entity organization expenses, employee training, deposits, insurance and licenses. The cost of insurance may vary depending on the insurer, the location of your franchise business, and your claims history. We strongly recommend that you hire a lawyer, accountant, and other professionals to advise you on this franchise offering. Rates for professionals can vary significantly based on locale, area of expertise and experience.

¹³ Opening Inventory. Opening inventory items include product inventory, food, beverages, soft goods, boxes, cups, uniforms, baking goods and ingredients, flour, sugar, premier chocolate chips, linens, stickers, business cards, coupon cards, gift cards, paper products, uniforms, other food items, and other items required to operate a Crumbl® franchise business. The range in cost depends upon the size of your franchise business, as well as estimated initial business volume. Opening inventory items do not include napkins, utensils, or similar items intended to aid in the consumption of food at your location.

¹⁴ **Additional Funds.** This estimates your operating expenses during your first 3 months of operations, not including cash flows. You must maintain adequate working capital reserves sufficient to keep your business in operation for at least 3 months, not including cash flows. This amount cannot be less than \$10,000. It is a default of the franchise agreement if your operating account drops below this amount at any time even after royalties and other required fees to us have been paid. We have relied upon the experience of our principals and franchisees to compile these estimates. Additionally, if you elect to finance your investment, you need to account for the additional costs of repaying that financing.

¹⁵ **Total.** These figures are estimates for the development of 1 franchise unit and we cannot guarantee that you will not have additional expenses starting your franchise business. You should review these figures in this Item 7 carefully with a business advisor before making any decision to purchase the franchise. All purchase agreements or leases must be negotiated with suppliers. For any items purchased from us or an affiliate, we require immediate payment. We do not offer direct or indirect financing for any item. All fees and payments payable to us or an affiliate are non-refundable. Your lease security deposit and utility deposits will usually be refundable unless you owe money to the landlord or utility provider. You should verify with third-party payees whether such payments, deposits, or fees are refundable or not.

**AREA DEVELOPMENT AGREEMENT FEES
(ESTIMATED FOR 3 LOCATIONS)**

TYPE OF EXPENDITURE	AMOUNT	METHOD OF PAYMENT	WHEN DUE	TO WHOM PAYMENT IS TO BE MADE
Development fee ¹	\$150,000 (assuming the purchase of 3 locations)	Lump sum	At signing	Us

NOTES

¹ **Development Fee.** The development fee is non-refundable (except as stated below) and we do not finance any portion of such fees. To reserve a territory for multi-unit development, the up-front fee is an amount equal to \$50,000 multiplied by the number of franchise units to be developed. The minimum number of franchise units required to be developed under the area development agreement is 3 and any additional units will be determined by us on a case-by-case basis. The estimated initial investment for the development fee for 3 Crumbl® locations is listed above. Upon signing a franchise agreement for each location, a proportional amount of the development fee will be applied to the initial franchise fee for such franchise agreement.

If we determine that you are not well suited to be an area developer and terminate the area development agreement early as allowed in the agreement, you will receive partial refund of the development fee equal to the initial franchise fee that was current at the time of signing the area development agreement multiplied by the number of franchise units for which franchise agreements have not been executed as of the date of termination. Any refund is contingent upon signing a general release in the form and substance that is acceptable to us.

Unless otherwise described above, these costs and fees are uniform and are non-refundable for all franchisees.

Crime policy	\$25,000 for employee dishonesty policy (written on a loss discovered basis). In addition, the policy must include robbery both in and out with coverage in limits of \$5,000.
Umbrella insurance	\$1,000,000 per occurrence.
Government required insurances	You must maintain and keep in force all worker's compensation and employment insurance on your employees that is required under all federal and state laws.

Policy Requirements. Other than worker's compensation, these policies must insure you and us (Crumb Franchising, LLC) and Our nominees as additional insureds, without regard to any other insurance program that we may have in effect, against any liability that may accrue by reason of, or relating to, your ownership, maintenance or operation of the Franchise Business wherever it may be located. These policies will stipulate that we will receive a 30-day written notice prior to cancellation or termination, and we must receive a 30-day notice of any modification. Original or duplicate copies of all insurance policies, certificates of insurance, or other proof of insurance acceptable to us must be furnished to us together with proof of payment prior to you beginning operations and within 15 days of any request which we may make from time to time.

Our insurance coverage requirements are only minimums. You need to make an independent determination as to whether increased amounts or additional types of insurance are appropriate. Your lease may require higher amounts with which you are required to comply. In the event of damage to your premises covered by insurance, the proceeds of any such insurance must be used to restore the facility to its original condition as soon as possible (not more than 180 days) unless We consent otherwise in writing.

If You fail to obtain insurance and keep the same in full force and effect, we may obtain this insurance at our discretion and you will pay us upon demand the premium costs, plus an administrative fee in the amount equal to 10% of all such costs. We may periodically increase the amounts of coverage required and/or require different or additional coverage. You will also procure and pay for all other insurance required by city, state and federal law.

Approved Suppliers

We may enter into contracts with suppliers for items or services purchased by our franchisees. Pursuant to these contracts, you will be required to purchase items or services from approved suppliers.

All approved suppliers and specifications are made available to you before the beginning of operations. We consider our approved suppliers and specifications to be of critical importance to the success of the system. You must receive our prior written approval to deviate in any manner from our specifications. We reserve the right to designate additional or different approved suppliers and specifications.

Our officers have an interest in our affiliate Crumbl Foods, LLC. Other than as stated previously, none of our officers have an ownership interest in any of our suppliers.

Proportion of Required Purchases and Leases

We estimate that the proportion of purchases or leases from approved or required sources will represent 85% to 95% of your overall purchases in opening your franchise business and 85% to 95% of your overall purchases in operating your franchise business.

Revenue to Us and Our Affiliates from Required Purchases

We and our affiliates may derive income from required purchases or leases of goods or services made by our franchisees from us and our affiliates and through rebates from other approved sources. In the 2023 fiscal year, our revenues from the sale of these products and services to franchisees was \$1,112,741 or 1% of our total revenues of \$122,315,185. Our affiliate Crumbl Foods, LLC's revenue from the sale of these products and services to franchisees was \$31,036,950 which was calculated from Crumbl Foods, LLC's unaudited financial statements. We anticipate that about 1% of our revenue will be derived from franchisee purchases of such products and services in the next fiscal year.

We may derive income through mark-ups in prices we charge to you for goods and services sold or provided by us or we may receive a fee or other compensation from the suppliers of these goods and services, but the mark-up will generally not be more than 20% for any good or service and will generally range between 5% and 15%. We may receive a fee, payment or other compensation from other suppliers of these goods and services, and we reserve the right to do so in the future. Currently, we have an arrangement with our primary designated food supplier, in which we receive a 1% to 2% administrative fee for everything purchased by Crumbl locations, reduced by any overages or spoilage for product we request they maintain on their floor that is not purchased. From two of our primary designated chocolate suppliers, we receive around a 12 cents per pound rebate; this comes out to around \$3 per case for chocolate chips. We may also receive a standardized pricing rebate from our primary designated food supplier between 5% to 15% of total purchases of chocolate chips and similar goods. We currently receive around a \$4.29 per case rebate from our designated supplier of specialty ingredient packets. We currently receive a 50-cent per case rebate from one of our designated cereal suppliers. We also occasionally negotiate rebates from food vendors for certain specialty, long-term, or other food products, which generally is around 1%. Our designated merchant processor charges a variable merchant transaction fee, which currently averages to around 2.37% per transaction, which is

deducted from the POS Transaction Fee above and paid to the merchant processor. We retain/receive the difference between the POS Transaction Fee and the merchant's transaction fee to cover certain processing costs and as revenue. We may revise these amounts and seek additional rebates and compensation from current and future sources.

You must pay us or our affiliate a fee for an opening tech equipment package estimated to be between ~~\$10,650~~\$9,000 to \$15,000. In addition, we may require you to buy from us or our affiliate a general equipment package, including ovens, mixers, and related equipment, estimated to be between ~~\$64,850~~\$170,000 to ~~\$300~~\$180,000. In addition, you must purchase from our affiliate Crumbl Foods, LLC an initial box and ingredient package, including Crumbl® branded boxes and certain ingredients and emulsions, estimated to be between ~~\$209,000~~ to ~~\$301~~\$2,000. We reserve the right to designate additional or different equipment, products, and services to be purchased by you from us or our affiliates on an ongoing basis.

Non-Approved Suppliers

Except for certain trademark and private label items and designated source items described above, if you desire to use a particular supplier and if that supplier meets the specifications and requirements of our system, at our discretion, we may approve that supplier to become an approved supplier.

You may establish suppliers on the approved list by making appropriate application to us. The following general criteria is used in considering whether a supplier will be designated as an approved source: the ability of the supplier to make the product to our standards and specifications; a willingness by the supplier to cooperate and work with you and other franchisees; the supplier's production and delivery capabilities; the financial condition of the supplier; the ability and willingness of the supplier to train you and us on the effective and safe use of the product and the supplier's professional competence and performance abilities. We will use our best judgment in setting and modifying specifications to maintain quality and integrity of the franchise system.

You may be required to sign an open account credit agreement, to prepay using an electronic fund withdrawal system, or to provide a deposit for purchase of products, services and other supplies from us, our affiliates and other approved suppliers.

If you desire to purchase any of the items listed in this Item 8 from an unapproved supplier, you will submit to us a written request for this approval or request the supplier itself to do so. We may require you to submit sufficient information and data to permit us to ascertain whether a supplier meets our specifications. Before beginning our evaluation, you will be required to pay a supplier evaluation fee of \$2,000, plus our reasonable expenses. The evaluation fee and other costs are not refundable regardless of whether or not we approve of a supplier. We will notify you in writing, within 30 days as to whether the supplier has been approved. We may make changes or alterations in the standards and specifications for approving suppliers. At our discretion, we may revoke our approval from an approved supplier within 30 days' written notice to you.

Standards and Specifications

We issue specifications and standards to you for applicable aspects of the franchise in our manuals and/or in written directives. We may issue new specifications and standards for any aspect of our brand system, or modify existing specifications and standards, at any time by revising our manuals and/or issuing new written directives (which may be communicated to you by any method we choose).

Other than as stated above, there is no obligation for you, under the terms of the franchise agreement, to purchase or lease any goods or services regarding the establishment or operation of the franchise business from approved sources.

Agreements with Vendors and Suppliers

We can negotiate on your behalf and bind you regarding agreements and licenses with suppliers, vendors, or other third parties affecting, or beneficial to our system, including license agreement with third party-brands that we desire to utilize in our system or in conjunction with our products. You must promptly execute any documents and agreements in connection such suppliers, vendors, and other third parties as we request. We may require you to comply with the requirements of such suppliers, vendors, or other third parties, including their electronic funds transfer, ACH, or other automatic withdrawal program.

Negotiated Arrangements

We negotiate purchase arrangements with suppliers, including price terms, for the benefit of franchisees. We may require you to place orders for ingredients designated by us by specified deadlines. If you fail to do this, we may order such ingredients for you at your expense.

Except as may be specified above, at this time there are no purchasing or distribution cooperatives.

Benefits Provided to You for Purchases

We do not provide material benefits to franchisees based on the franchisee’s purchase of particular products or services or use of particular suppliers.

Advertising and Promotion

We may provide you with samples of marketing materials developed by us and provide new marketing techniques as developed [franchise agreement sections 10.2].

At your request, we may assist you in the digital development of your advertising and marketing materials at a cost to you of \$75 per hour or our then-current rate as set forth in the manuals. Marketing is primarily done by us. You may not develop advertising and marketing materials for your use without our prior written approval. The development of such materials will be done at your cost. Any advertising or marketing you create becomes our property and will be considered “works for hire” that can be used by us or other franchisees without compensation to you and may be made available on our website. All advertising must be submitted to us for approval prior to use. If you do not receive written approval or disapproval within 10 days of the date we received your submission, the materials submitted are deemed disapproved [franchise agreement sections 3.11 and 10.2-10.4 and paragraph 3.11].

Advertising Fund

Although, under the terms of the franchise agreement we are not obligated to conduct advertising for the franchise system or any particular location, we currently maintain and administer a national advertising, marketing and development fund (referred to as the “advertising fund/brand development fund/marketing fund” in the franchise agreement) for local, regional or national marketing or public relations program as we, in our sole discretion, may deem necessary or appropriate to advertise and promote the franchise system [franchise agreement section 10.1].

You must contribute 2% of your gross sales per month to the fund. We have no franchise businesses that do not contribute to the fund. We and our affiliates do not contribute to this fund [franchise agreement section 10.1].

We are responsible for administering the advertising fund. We will direct all uses of the advertising fund, with sole discretion over: 1) the creative concepts, materials, endorsements and media used regarding these programs (which may include all forms of digital and social media, Internet, radio, television, print, and other media and marketing formats as developed over time, as funds permit); 2) the source of the marketing or public relation efforts (which may be in-house or through an outside agency located locally, regionally or nationally); 3) the placement and allocation of these programs (which will be local or regional); and 4) the composition of all geographic territories and market areas for the development and implementation of these programs [franchise agreement paragraph 10.1].

We are not required to spend any amount on marketing directly in the area or territory where you are located. Advertising funds may be used to solicit additional franchisees, but this will not account for more than 50% of the fund [franchise agreement paragraph 10.1.2].

We may use the marketing fund to offset a portion of direct costs to manage and maintain the fund, including the payment of staff salaries and other expenses for those employees who may be involved in advertising fund activities.

Advertising Expenditures in the Last Fiscal Year

Any unused advertising funds in any calendar year will be applied to the following year's fund. The advertising fund is unaudited. You may request an unaudited annual report of marketing expenditures within 90 days of the end of each year. During the ~~2022~~2023 fiscal year, the marketing funds were used in the following ways: ~~72.05~~89.73% was spent on media placement and related wages, ~~14.06~~9.30% was spent on wages related to production, ~~1.80~~.97% was spent on administrative expenses and related wages, and ~~12.09~~0% been retained by us.

Advertising Fund Council

No franchisee advertising council is anticipated at this time, though we reserve the right to require an advertising council to be formed, changed, or dissolved at any time.

Advertising Cooperative

You are not required to participate in a local or regional advertising cooperative at this time, but we reserve the right to require cooperatives (including the areas and governing rules) to be formed, changed, dissolved, or merged at any time. You are required to participate in a local or regional advertising cooperative when established or approved by us. The area of any cooperative marketing association will be based on regions determined by us. Upon the formation of an advertising cooperative, you will be deemed to be a member of that association as covers the area where your franchise is located, and you will be bound by any decisions made by the association upon a majority vote by voting members (or other voting requirements as determined by us). Non-traditional units may not be required to participate in cooperative marketing. You and other franchisees in the cooperative will be responsible for the administration of the association. Governing documents will be provided by us or by the cooperative and approved by us. At this time, these governing documents are not available. Voting will be on the basis of one vote per company-owned location and one vote per franchise in good standing within the cooperative. Members of the cooperative must make contributions pro rata based on the number of units in the cooperative. The timing and amount of contributions you make may vary according to the vote and rules of the advertising cooperative, but will not exceed your required annual local marketing percentage in any single year, unless a majority of the members in your advertising cooperative vote to increase the contribution percentage. This is in addition to your contributions made to the marketing fund. We and our affiliates and our company owned stores are not required to contribute to advertising cooperatives. All of our franchisees are required to contribute to advertising cooperatives. However, contributions by our franchisees to advertising cooperatives may not be uniform. We may require the cooperative, at the cooperative's expense, to prepare unaudited annual financial statements and these will be available for review by all franchisees in the cooperative and us [franchise agreement section 5.3.3].

Other Marketing Funds

At this time, you are not required to participate in any other marketing funds or advertising cooperatives.

Internet and Social Media

You may not create a website or social networking site or engage in marketing on the Internet, including posting for re-sell, items on third party re-sell or auction style websites such as, eBay®, Craigslist or Amazon.com, for your franchise business without our prior written permission. If we do provide written approval to create your own website or social media for the franchise business, all content must be pre-approved by us in writing, and you are required to provide us administrative access, account information and other information related to any of your websites and social media. If we allow you to use social media in your business, all social media you develop or use must be attached only to the email address we provide to you or approve. Additionally, any website or social media you are allowed to create must be ADA compliant. You may be allowed to place pre-approved information concerning your franchise business on our website and social networking sites such as Facebook, Twitter, and Instagram as developed by us. You may not claim any web listing on sites such as Yelp or Yellowpages.com. You must strictly comply with our policies and procedures regarding websites, social media, and Internet marketing. We reserve the right to restrict your right to use these sites in the future [franchise agreement section 10.4].

You must at all times maintain and frequently check a valid email address known and available to us, to facilitate our communication with you.

Computer / Point of Sale System

You are required to purchase an apple computer system as designated by us. We require the use of our point of system to be purchased from us or a designated supplier. The POS system will provide:

- Reporting of sales
- Time keeping for employees
- A customer data base
- Gift card tracking
- Credit card payment
- Coupon tracking

We will have independent access to the information and data collected or generated by the computer and the POS. There are no contractual limits on our rights to do so. You must keep these systems available for our access 24 hours a day, 7 days a week. We may require updates and upgrades to your computer hardware, software and POS system at your expense during the term of the franchise agreement. There are no contractual limitations on our right to do so. We estimate the annual costs to maintain, upgrade and support your computer to be between \$0 and \$1,000. We are not required to maintain, repair, update and/or upgrade your computer or POS system. There are no contractual limitations to the frequency and cost of the obligation to upgrade and maintain the computer or POS system [franchise agreement paragraph 6.1.12]. For defective equipment, products, software or other items purchased by you, you must deal directly with that manufacturer. We are not responsible for claims or damages incurred by you as a result of you using our POS system [franchise agreement section 8.5].

The estimated cost for the purchase of the apple computer is approximately \$1,500. The estimated cost for the purchase of the point-of-sale system is \$1,000, and the software company currently charges

ongoing fees depending on the type of payment, ranging from 2.5% - 3.5% and 10¢ - 15¢ per transaction. More information on the type of fees can be found here: <https://squareup.com/pricing>.

Incentive Programs

You are required to participate in the loyalty, gift card, discount, and coupon programs as developed by us. You are required to accept Crumbl® gift cards at your location. We will determine how gift cards may be redeemed and what costs our locations will bear. You will pay us a gift card program fee (see Item 6). The incentive programs, including our gift card program, are further described in our Manuals, which we may update at any time [franchise agreement paragraph 6.2.2(ii)].

Accounting

We also require you to use the QuickBooks Online accounting system. Currently, QuickBooks Online is provided via a monthly subscription fee of approximately \$70 per month. We require that we have independent access to your account. We also reserve the right to require you to follow our accounting procedures and line items, including standardized profit and loss statement templates, balance sheet templates, and charts of account as we may designate [franchise agreement section 5.5 and paragraph 6.1.12 (i)].

You will be required to use only the standardized profit and loss statement templates and balance sheet templates that we will provide you [franchise agreement section 5.5(i)].

Merchant Provider

At your sole cost and expense, you are required to use our designated merchant services or payment processor, and to pay all monthly, annual, service, and upgrade fees as determined by such provider. The required or designated provider may change at any time and you are required to comply with any changes and are solely responsible for the fees associate with any changes [franchise agreement paragraph 6.1.12(ii)].

Communication

We will set up an initial email account at no cost to you. You must only use this account in all communications regarding your franchise business [franchise agreement section 5.10].

Area Development Agreement

Your rights under the area development agreement are territorial only and do not give or imply a right to use our trademarks or system. Our only obligation is to provide a territory where you have the option to develop the number of Crumbl® franchise businesses provided in the area development agreement. After you have identified a potential site for a location, we must approve the location. Our approval of the site and the territory boundaries of the franchise business will be determined solely by us and based on our then-current standards [area development agreement paragraph 2.1 and franchise agreement section 1.1].

Miscellaneous

We may approve exceptions to our changes in the uniform standards for you or any other franchise that we believe are necessary or desirable based on particular circumstances. You have no right to object to this variance yourself. We may deny any or all of the above services to you while you are ~~in breach~~ default of the franchise agreement or in default in the discharge of any of your obligations to us [franchise agreement sections 7.8 and 20.15].

Initial Training

Your primary owner and your manager(s) are required to successfully complete our initial training program prior to opening of your franchise business, the first part of which is an online self-guided training course which takes approximately 15 to 20 hours to complete. We may require, at our discretion, a second portion of training, which is an in-person training conducted by our ~~trainers~~designated trainer at our headquarters in Lindon, Utah, a nearby franchise location, or another location designated by us, which currently lasts around 7 to 14 days. The first and second (if we require) parts of the initial training must be completed at least 1 week before you open. The third and final part of the initial training is an in-person training conducted by our fielddesignated trainer at your store for around 7 to 10 days. If you have already opened a Crumbl® franchise location, then this third portion of initial training will last around 5 days. This typically will occur during and through your grand opening. We may send one or multiple fielddesignated trainers, ~~in Our discretion,~~ to Your location during thisconduct the second and third training sessions. The total length of training is generally 17 to 27 days, but could be longer if your primary owner or Your designated manager fails to successfully complete the training. If this is your first Crumbl® franchise, then the initial training fee is \$8,000. If you have already successfully passed our initial training session, then the initial training fee is \$4,000 [franchise agreement section 7.3 and paragraph 6.1.4].

You must provide us a valid certificate of occupancy for your premises before we send any representatives to provide in-person training at your premises. If you postpone or reschedule the opening of your business from the date originally set by you, you must reimburse us for all of our costs to reschedule our opening assistance for you. Successful completion of the initial training program is determined by our trainers and training must be completed to our satisfaction. Failure to have your primary owner and your manager to successfully complete initial training is a default of the franchise agreement. You must pay for the travel, lodging, food, salaries, and other expenses of your attendees. Each person must attend the same in-person training session. The estimated cost of initial training is listed in Item 5 and Item 7 and is estimated to be between \$20,000 to \$30,000. This estimate assumes that you will have 4 people attend and complete the training.

For reference, the “primary owner” is: a) if the franchisee is an individual, that individual; or b) if the franchisee is an entity, an individual that owns the greatest percentage of the ownership and voting interests in the franchisee entity (unless you obtain our written approval of a lower percentage), has authority over all business decisions related to the franchise business, and has the power to bind the franchise business in all dealing with us.

After the initial training, you must notify us within 30 days of hiring any new manager or selecting a new Primary Owner. Any new primary owner and manager must complete initial training. Depending on availability and advanced written notice, this training may include, at our option, (1) a 5-to-7-day session at your location, and/or (2) a 5-to-10-day session at our headquarters, or another location selected by us. This training includes an online self-guided training course as well as instruction by our field trainer(s). Our fee for this additional training is currently \$4,000 per person to be trained and the in-field portion is conducted at your franchise business. If you request to postpone or reschedule this training, you must reimburse us for any of our costs related thereto. Such training takes place from time to time as we determine. You must pay for the travel, lodging, food, salaries, and other expenses of your attendees. Attendees must sign a non-disclosure agreement before attending training [franchise agreement paragraph 6.1.4(ii)-(iii)].

Each attendee of a training program may be required to successfully pass the technical exam with a passing score of 85% as a prerequisite to completing the training and/or achieving operating manager’s status with Crumbl®. Attendees must sign our brand protection agreement before attending training.

This initial training is provided by instructors whose experience is described below and in Item 2 if the trainer is part of management. Below is a table listing the subjects taught and the amount of classroom and onsite training provided as part of the initial training.

The cost of travel, food, lodging, salaries, and other expenses of you and your attendees will be borne by you [franchise agreement paragraph 7.3.4].

Our current fee for such training is \$500 per trainer, per day. In addition, you must also pay all travel, lodging, food, and other expenses for our representative(s) and your attendees and other expenses that may be incurred by us to perform such services. Such training will take place at your location or another location that we designate.

At this time, other than listed above, no additional trainings or refresher courses are required.

ITEM 12 TERRITORY

Grant of Territory

Under the franchise agreement, we will grant you the right to use the system and proprietary marks solely within a specific geographic area, the boundaries of which will be negotiated prior to signing the franchise agreement and are described in the franchise agreement.

Size of Your Territory

The specific size of your territory is set by us based upon the population density, the business base in the territory, whether your location is in a metropolitan or rural area, and other comparable factors. There is no minimum size for a designated territory, but our territories are generally set between 1 to 2 miles from your premises in all directions. We may set the boundaries of your territory based on zip code, boundary streets, highways, county lines, designated market area, radius from a specific address, and/or other recognizable demarcations. We will generally not place another traditional Crumbl® franchise unit within the written boundaries of your territory. We may adjust the boundaries of your territory at the end of your initial franchise term and any successor franchise term, or if the population in your territory increases to a total of 100,000 residents or more.

Territory Restrictions

You are restricted to operations from the approved franchised premises and may not, without our prior written approval, open or operate another outlet whether inside or outside the territory, or to provide mobile or off-site services. You may not service customers within another franchisee's territory. You must actively sell your franchise business products and services in your territory. You do not have the right to sell products or services through other channels of distribution, including the Internet, via apps or social media, except as expressly permitted by us. You must obtain our prior written permission if you want to relocate your franchise. Our decision to approve or disapprove the relocation is based upon our estimation of how the

proposed new site will affect our marks, taking into account the following general criteria: access, appearance, traffic, general population, number of and types of businesses in the territory, parking, square feet, general vicinity, and other aspects that may affect our marks.

Relocation

You do not have the right to relocate your business, and we have no obligation to approve any request for relocation. You must give us at least 60 days' prior written notice of your desire to relocate. You must obtain our prior written permission if you want to relocate your franchise, and you must be able to demonstrate to us that you have the financial ability to relocate. Approval to relocate is based on the then-current criteria used in approving a new franchisee's proposed site. You must pay us a relocation fee to cover our costs to review relocation, whether or not we approve the relocation.

Online and Delivery Orders

We reserve the right to manage and assign online and delivery orders that we receive via our website, our Crumbl® App, and similar channels. Our procedures for managing online and delivery orders are set forth in our manuals, which we may amend from time to time. Currently, online and delivery orders that we receive are generally assigned to the store closest to the customer's address (based on straight-line distance), but we reserve the right to assign orders to alternative Crumbl® locations based on criteria that, in our discretion, are in the best interest of the customer and/or the system, including customer preference, traffic patterns, driving times and distances, a store's inventory counts, product selection, store ratings, and similar criteria.

Minimum Sales Requirement

Your franchise agreement is dependent upon achievement of a minimum sales volume, market penetration or other contingency. Specifically, starting in the first full calendar year in which you are in business and for each calendar year thereafter, you must achieve a minimum of \$100,000 in annual gross sales. Failure to meet this requirement may result in the creation of a sales performance plan with us in which you will be given a period of time in which to increase sales to achieve this requirement or face possible termination of the franchise agreement.

Advertising Within and Outside the Territory

Other franchisees may advertise within your territory and you may advertise within other territories, subject to our prior written approval.

Options to Acquire Additional Franchises

You do not receive the right or option to acquire additional franchises.

Exclusive Territory

You will not be assigned an exclusive territory for your franchise business. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. However, we will not establish another traditional franchise or company owned unit using the trademark within your territory.

Non-Traditional Outlets

We and our affiliates, either personally or through agents and representatives, exclusively reserve the right to sell Crumbl® products and outlets through non-traditional franchises at our discretion, both within and without your territory, without paying compensation to you. These franchises may include locations at convention centers, sporting arenas, airports, bookstores, malls, grocery and convenience stores, or other similar locations.

Our Rights to Use Channels of Distribution in Your Territory

We and our affiliates exclusively reserve the right to sell, market and distribute Crumbl® products and products under other brands we control both within and outside your territory using other marketing strategies and distribution channels, such as the Internet, via apps, social media, catalogs and other direct sales methods, to or through retail and wholesale outlets, and co-branding with other outlets, etc. Through these other marketing strategies and distribution channels we may sell similar products or services in your territory under the same or different trademark, without compensation to you.

Competition by Us Under Different Trademarks

Neither we, nor an affiliate operates, franchises or has plans to operate or franchise a business that sells or will sell goods or services similar to those sold in your franchise using a different trademark, but we reserve the right to do so in the future.

We expressly reserve the right to sell, market and distribute the Crumbl® products and related products to all national accounts, both within and without your territory. A “national account” is defined as a company with multiple units or outlets located in more than one geographical area or territory. We will designate if and how franchisees will sell or service national accounts.

Area Development Agreement

As an area developer, you will be assigned a limited non-exclusive territory over which you will have development authority. You may face competition from other franchisees, from units that we own, or from other channels of distribution or competitive brands that we control. The size of your development territory is to be negotiated. The written boundaries will be included in your area development agreement. The schedule of units to be developed in your territory are negotiated between you and us. To maintain your territorial rights, you must develop a set number of franchise businesses in accordance with the development schedule. The territory boundaries of the individual franchise businesses within the development territory will be determined solely by us and will be based on our then-current standards.

We, or our affiliate, either personally or through agents and representatives, reserve the right to sell and market Crumbl® outlets in non-traditional locations and large institution-type locations both within and without your development area. These franchises may include locations at convention centers, sporting arenas, airports, national accounts, bookstores, malls, grocery and convenience stores, military bases, universities, departments stores, hospitals, industrial sites, or other similar locations. These franchisees have the right to operate and open non-traditional franchises at these non-traditional and institutional locations.

We or our affiliate either personally or through agents and representatives also reserve the right to sell, market and distribute all Crumbl® products and services using our trademarks or other marks, or to sell, market and distribute other products and services using other principal trademarks or brands we control through alternate channels of distribution including by direct mail, telemarketing, infomercials, the Internet, general media marketing, retail units and national business accounts both within and without your development area.

ITEM 13 TRADEMARKS

Non-Exclusive Grant of the Trademark

We grant you the non-exclusive right to use certain of our trademarks in the operation of your franchise business. You may also use future trademarks in the operation of your franchise business, as we designate. You will not at any time acquire any rights in the trademarks. By trademarks we mean our trade names, trademarks, commercial symbols, service marks and logos.

Agreements Regarding the Trademark

Our affiliate, Crumbl IP, LLC, currently owns the Crumbl® trademarks and has granted to us a perpetual, non-exclusive license (with an initial term of 50 years) to franchise the trademarks. The license may be terminated for our default and by each party at the end of each term as provided in the license agreement. The terms and provisions of the license agreement cannot be modified without written authorization from both parties. There are no agreements currently in effect that significantly limit our rights to use or license the use of the trademarks in this franchise offering.

Registered Domain Names

We have registered, among many others, the Uniform Resource Locators (domain names) <https://crumblcookies.com>. You may not register or own a domain name using our trademark or any derivative of our trademark in a domain name, and you may not create or register any domain name in connection with your franchise business or the franchise system without our prior written permission.

Use of the Trademark

You must use all trademarks in strict compliance with our manuals and Crumbl® system. You must promptly modify or discontinue the use of a trademark at your cost, if we modify or discontinue it. You are prohibited from using any trademark as part of your corporate name, but you must use the name Crumbl® as part of an assumed business name or dba (“doing business as”) registered with the applicable governmental authority. This use is non-exclusive. You cannot make application for registration or other protection of Crumbl® names, derivatives or any other trademark used by us.

You may only use the trademarks with the letters “TM” or “SM” or “®” as appropriate. All improvements you create will be owned by us and considered a “work-for-hire” as defined in Section 101 of Title 17 of the United States Code (the “Copyright Act”). If all or part of any improvement or a derivative thereof, that you create is, for any reason, deemed not to be a work-for-hire, then you hereby irrevocably transfer and assign to us or our affiliate, all right, title, interest and ownership including license rights, in the improvement or derivative, and you agree to execute any document necessary to effectuate the transfer and assignment. To the extent you have any moral or similar rights in an improvement or derivative, you expressly waive those rights. Any improvement may be used by us and all other franchisees without any obligation to compensate you. We reserve the right to make application for and own intellectual property relating to any such improvement, and you will cooperate with us in securing these rights. We may also consider any improvement as our trade secrets. At our discretion, we may authorize you to utilize any improvement that may be developed by you, us or other franchisees.

ITEM 15 OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

Participation and “On Premise” Supervision

Your primary owner must personally participate in the direct operation and supervision of the franchise business on a full-time basis for at least the first 60 days of operation. Thereafter, we require on-premises supervision by your primary owner or your designated manager who must be certified by us to manage your franchise business. You primary owner must work sufficient hours to operate your franchise

business or supervise your manager so that your franchise business is operating at maximum capacity and efficiency.

You must also maintain sufficient supplies and materials and employ adequate personnel to operate the franchise business at maximum capacity and efficiency. You must have at least your primary owner or one store manager trained by us on-site at your franchise business during the majority of your store's operating hours. Your primary owner and store manager must be available for communication with us and your store during all operating hours. Your store manager may not manage more than one Crumbl® store at a time. Although we do not require your primary owner to be involved in the day-to-day on-premises management, except as required above, your primary owner is required to participate in your franchise business as follows: (i) be directly responsible for all accounting, reporting, bookkeeping, and decision-making regarding your franchise business; (ii) attend and complete all training and retraining courses required by us; (iii) attend any annual or special meetings of franchisees called by us; (iv) be directly involved with site selection, construction, remodeling and all financial components of the franchise business; (v) be involved directly in all personnel decisions affecting the franchise business; and (vi) conduct frequent inspections of the franchise business operations to ensure the highest standards of professionalism, cleanliness and a general pleasant appearance, and compliance with our approved methods.

Who Must Attend and Successfully Complete Training

Your primary owner and at least one manager, if separate from you, must complete the initial training program. We do not put a limitation on whom you can hire as your manager, but your manager and any subsequent manager must complete and pass our training program before they can manage a franchise business. To pass training, your manager must demonstrate competence in several areas of running a franchise business. These areas include: knowledge of basic policies and procedures, minor equipment assembly, customer service, equipment maintenance and sanitization, daily operations, record keeping, basic accounting techniques and ability to train employees.

No Competing Enterprises

Neither you, your owners, nor your management employees can have an interest in or business relationship with any cookie, bakery, or dessert business, including any business whose gross sales total more than 10% in any of the following products: cookies, donuts, ice cream, or other treats or desserts, or other business offering products or services competitive to those of Crumbl, during the term of the franchise agreement and afterward for a period of 3 years and must keep free from activities that would be detrimental to or interfere with the operation of your franchise business or detrimental to the franchise system. You, your partners, directors, members, shareholders, and primary owner will be required to sign our standard principal brand protection agreement to protect and keep confidential our trade secrets and confidential information and to conform with the covenants not to compete described in Item 17 (See franchise agreement exhibit A-4). Your employees will also be required to sign a brand protection agreement, ~~and that agreement also imposes certain non-competition restrictions on management employees. Some states may impose certain restrictions on non-competition agreements.~~ It is your responsibility to conform it to the laws and regulations of your state (see franchise agreement exhibit A-5).

Required Operations

You must operate the franchise business at 6 days per week throughout the year, and at the hours we designate in our manual, which may range from 8:00 a.m. until midnight, ~~throughout the year (unless waived in writing by us), each day,~~ except ~~for~~that you are not required to operate on the following holidays: New Year's Day, Thanksgiving Day, Christmas Eve, and Christmas Day. You may not operate the franchise business, including ~~permitting or requiring you or your employees to be working~~ inside ~~your~~Your franchise premises, on Sunday, except for bona fide emergencies or as otherwise permitted by ~~us~~Us in writing. We reserve the right to require you to operate more frequently or at different times.

Personal Guarantees

Any individual who owns any equity interest in the franchise business must personally guarantee the performance of all your obligations under the franchise agreement and agree to be personally bound by, and liable for, the ~~breach~~default of every provision of the franchise agreement.

Owners of the Franchise

You must disclose to us all of the individuals and entities, along with all of their sub-owners down to the level of their individual owners, who own any interest in your franchise business, and each of their states of residency. We reserve the right to decline entering into a franchise agreement and/or area development agreement with you or approving a transfer of your franchise agreement and/or area development agreement, your entity, or your franchise business if your entity, or the transferee's entity, comprises, or will comprise, an excessive number of individuals, as determined by us in our sole discretion.

ITEM 16 RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must provide and sell only those products and services specified and approved by us in writing. No product or service may be added to, altered, or discontinued by your franchise business unless it is first approved by us in writing. You must offer all products and services required by us. We reserve the right to add, modify, or delete products and/or services that you will be required to offer. There are no limits on our right to do so. You must strictly follow our policies, procedures, specifications, methods and techniques concerning all of products and services. You may sell such approved products and services to all customers within your territory, except that we exclusively reserve the right to sell Crumbl® products and outlets through non-traditional franchises at our discretion, both within and without your territory, without paying compensation to you, as further described above in Item 12.

ITEM 18 PUBLIC FIGURES

We do not use any public figure to promote our franchise.

ITEM 19 FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

FRANCHISE LOCATION AVERAGE PERFORMANCE

The representation made below is a historic financial performance representation of a subset of Crumbl® locations that operated continuously through all of 2023, subject to certain assumptions specified below. The total number of traditional franchised outlets that existed at the beginning of 2023 and operated continuously through 2023 was 689 of which 571 locations timely turned in their complete financial reports by the first issuance date of this disclosure document, which equates to approximately 58.99% of the total traditional franchised locations that were operating at the end of 2023, which was 968. The following data represents the average, high, median, and low 2023 calendar year financial data for such 571 Crumbl® locations. The chart shows the Total Revenue, Gross Profit, and Net Profit (defined below) for the 2023 Calendar year from such locations. These locations operated in several states across the United States. These locations serve the same type of goods that you will be serving. These locations are each within territories of approximately 40,000 to 150,000 people.

2023 Calendar Year	Average	High Store	Median Store	Low Store
Total Revenue	\$ 1,156,838	\$ 2,927,370	\$ 1,100,536	\$ 543,554
Gross Profit	\$ 437,900	\$ 1,451,516	\$ 424,594	\$ 117,296

Net Profit (Loss)	\$ 122,955	\$ 600,554	\$ 114,549	\$ (241,554)
--------------------------	------------	------------	------------	--------------

*Out of the pool of such 571 Crumbl® locations that operated continuously for the 2023 calendar year, timely submitted their complete financial reports, and are included in the data above, (A) 255 locations (approx. 44.7%) met or surpassed the average Total Revenue, (B) 328 locations (approx. 57.4%) met or surpassed the average Gross Profit, and (C) 289 locations (approx. 50.6%) met or surpassed the average Net Profit.

**The data for the Gross Profit and Net Profit for the High Store, Median Store, and Low Store above are based on the Total Revenue for each corresponding column. If there are an even number of stores in the data set, the Median Store data is calculated from the average of the two median values of Total Revenue, Gross Profit, and Net Profit from both stores.

***The Net Profit includes operating costs that may vary for each location. Such costs could include officer wages, guaranteed payments, corporate benefits and perks, and other indirect costs that owners of each location may choose to incur.

****Note that the total traditional franchised locations that were operating at the end of 2023 was 968, but 397 of these locations were not included in the data set above because these were either new locations that were not opened and operating for the entire year in 2023 or did not timely submit complete financial information. In 2023, we had one non-traditional franchise location that operated under a different business model and is not included in the data set above.

Definitions

“Average Month” or “Average Monthly” refers to the respective average-monthly Total Revenue, Gross Profit, Gross Margin, Net Profit, and Net Margin of all 689 Crumbl® locations that operated continuously for the 2023 calendar year.

“Gross Profit” means Gross Sales minus cost of goods sold, including food goods, labor, and payroll taxes.

“Net Profit” means Gross Profit minus all ordinary and recurring operating expenses, interest, income taxes, depreciation, and amortization.

“Total Revenue” means total revenue derived from the sale of goods or services less sales tax, discounts, allowances, and returns.

The financial performance representation figures do not reflect the costs or expenses that must be deducted from the gross revenue or gross sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your franchised business. Franchisees or former franchisees, listed in this disclosure document, may be one source of this information.

Some outlets have sold this amount. Your individual results may differ. There is no assurance that you will sell as much.

Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request.

Other than the preceding financial performance representation, Crumbl Franchising, LLC does not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Jason McGowan at franchising@crumbl.com and (385) 273-7119, the Federal Trade Commission, and the appropriate state regulatory agencies.

STATE REGULATIONS**

**SCHEDULE “A-1”
TO THE FDD**

**STATE REGULATIONS
FOR THE STATE OF CALIFORNIA**

It is unlawful to sell any franchise in California that is subject to registration under this law without first providing to the prospective franchisee, at least 14 days prior to the execution by the prospective franchisee of any binding franchise or other agreement, or at least 14 days prior to the receipt of any consideration, whichever occurs first, a copy of the franchise disclosure document, together with a copy of all proposed agreements relating to the sale of the franchise.

1. The California Franchise Investment law requires that a copy of all proposed agreements relating to the sale of the franchise be delivered together with the disclosure document.
2. The California Franchise Relations Act, Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer, or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with California law, California law controls.
3. The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.)
4. ~~4.~~ The disclosures regarding non-competition obligations that extend beyond the termination of the franchise are not applicable to residents of the State of California as of the effective date of the franchise agreement. The franchise agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be fully enforceable under California law.
5. The franchise agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.
6. The franchise agreement requires binding arbitration. The arbitration will occur at Salt Lake County, Utah with the costs being borne by you for travel to, and lodging in, Utah, and other costs associated with arbitration. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and Federal laws (this or these as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 128a, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.
7. The franchise agreement requires application of the laws of Utah, but the California franchise laws may prevail in some instances. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California laws.
8. You must sign a general release if you transfer, renew or terminate your franchise. California Corporations Code 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code 31000 through 31516). Business and Professions Code 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code 20000 through 20043).
9. Neither franchisor nor any person listed in Item 2 of the disclosure document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling this or these persons from membership in such association or exchange.

10. Section 31125 of the California Corporations Code requires the Franchisor to give the franchisee a disclosure document, in a form and containing such information as the Commissioner may by rule or order require, before a solicitation of a proposed modification of an existing franchise.

11. OUR WEBSITE at www.crumbl.com HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THE WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION AT www.dfpi.ca.gov.

12. The franchise agreement provides for waiver of a jury trial. This may not be enforceable in California.

13. Item 6 under Late Fees is amended to include the following:

“The highest interest rate allowed in California is 10% annually.”

14. Item 19 is amended to include the following:

“The earnings claims figures do not reflect the costs or expenses that must be deducted from the gross revenue or gross sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your franchised business. Franchisees or former franchisees, listed in this offering circular, may be one source of this information.”

15. Franchisees and all owners must sign a personal guarantee, making you and your spouse individually liable for your financial obligations under the agreement if you are married. The guarantee will place your and your spouse’s marital and personal assets at risk if your franchise fails.

16. You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

17. Registration of this franchise does not constitute approval, recommendation, or endorsement by the Commissioner of the Department of Financial Protection and Innovation.

18. California’s Franchise Investment Law (Corporations Code sections 31512 and 31512.1) states that any provision of a franchise agreement or related document requiring the franchisee to waive specific provisions of the law is contrary to public policy and is void and unenforceable. The law also prohibits a franchisor from disclaiming or denying (i) representation it, its employees, or its agents make to you, (ii) your ability to rely on any representations it makes to you, or (iii) any violations of the law.

19. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise. **STATE REGULATIONS
FOR THE STATE OF MICHIGAN**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents under a franchise:

1. A prohibition on the right of a franchisee to join an association of franchisees.
2. A requirement that a franchisee assent to a release, assignment notation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
3. A provision that permits a franchisor to terminate a franchise before the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure failure after being given written notice thereof and a reasonable opportunity, which in no event need to be more than 30 days, to cure failure.
4. A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee’s inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area after to the expiration of the franchise or the franchisee does not receive at least 6 months’ advance notice of franchisor’s intent not to renew the franchise.
5. A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
6. A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
7. A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - a. The failure of the proposed transferee to meet the franchisor’s then current reasonable qualifications or standards.

b. The fact that the proposed transferee is a competitor of the franchisor or sub franchisor.

c. The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

d. The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

8. A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchisor for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

9. A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

FOR THE COMMONWEALTH OF VIRGINIA**

In recognition of the restrictions contained in Section 13.1-564 of the Virginia Retail Franchising Act, the Franchise Disclosure Document for Crumbl Franchising, LLC for use in the Commonwealth of Virginia shall be amended as follows:

The Virginia State Corporation Commission’s Divisions of Securities and Retail Franchising requires us to defer payment of the initial franchise fee and other initial payments owed by franchisees to the franchisor until the franchisor has completed its pre-opening obligations under the franchise agreement.

The following statements are added to Item 17.h:

Under Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. Under Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to use undue influence to induce a franchisee to surrender any right given to him under the franchise. FOR THE STATE OF WASHINGTON**

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. 13.1.1 Acquisition of Assets. Acquire, in Our sole discretion, all or any part of Your assets, contracts, inventory, equipment, signs, accessories and other personal property relating to Your Franchise Business (collectively, “Operating Assets”) at the then-existing fair market value of such item or items as of the date of Termination of this Agreement, less any amounts owed to Us. You hereby grant Us permission to speak directly with Your landlord and other creditors, Including suppliers, banks, the IRS and state agencies (and You will cooperate with Us to facilitate such communication), regarding any loans and/or liens or obligations that would encumber Your Operating Assets. If the fair market value is not agreed to by the parties, the fair market value will be established by an independent appraisal. The appraisal will be done at Our expense by an appraiser selected by Us. No goodwill will be considered associated with Your Franchise Business or said items. We must

exercise this option within 60 days of such Termination or within 15 days of the establishment of the price of the Operating Assets, whichever is later (“Option Period”) by giving written notice to You of Our intent to exercise Our option to purchase. The purchase of any of Your Operating Assets may, at Our option, be done through an asset purchase agreement with payment and delivery of the assets to be accomplished within 30 days after execution, unless You and We otherwise agree. We have the right to use Your assets and Premises during the Option Period, and in such case, We will pay You the fair market value of such use. Unless otherwise agreed by You, the purchase price as determined hereunder will be paid in cash within 30 days of providing notice of Our intent to purchase. If We have not notified You of Our election to exercise this option within the Option Period, it will be conclusively presumed that We have elected not to exercise Our option, and You are then free to sell or transfer such assets to any person or entity on such terms as You may so choose, so long as the Operating Assets have been de-identified as set forth herein. If any of the Operating Assets are subject to liens or taxes, We may withhold a portion of purchase price to pay off such lien or taxes. We may also withhold 25% of the purchase price for 90 days to ensure that all other liabilities affecting the Operating Assets are paid.

13.1.2 Assumption of Lease. We have the right, during the Option Period, to assume Your Lease under the provisions of Paragraph 4.2.3 above.

13.1.3 Warranties. The purchase contract for the Operating Assets, as set forth in Paragraph 13.1.1 above, will include standard representations, warranties, covenants and indemnities from You as to the Operating Assets being purchased, Including warranties of good title, absence of liens, compliance with laws, absence of defaults under contracts, litigation and tax compliance.

13.1.4 Assignability. Our rights under this Section 13.1 are assignable by Us at Our discretion.

ARTICLE XIV SALES OR TRANSFERS OF THE FRANCHISE

14.1 Our Right of Assignment. This Agreement and all rights and obligations hereunder are fully assignable and transferable, whether in part or whole, by Us, and if so assigned or transferred, will be binding upon and inure to the benefit of Our successors and assigns. We may be sold or We may sell any part of or all of Our Intellectual Property or other assets to a competitive or other entity. In addition, We may go public, may engage in a private or other placement of some or all of Our securities, may merge, acquire other entities or assets which may be competitive with the System or not, be acquired by a competitive or other entity, and may undertake any refinancing, leveraged buy-out or other transaction, Including arrangements in which: 1) the territories, retail locations or other facilities are, or are not, converted to the System or other format or brand (Including using the System or Marks), or 2) the System is converted to another format or brand, maintained under the System or a different system. You waive all claims, demands and damages with respect to any transaction or otherwise allowed under this Section or otherwise. You must fully cooperate with any such proposal, merger, acquisition, conversion, sale or financing.

14.2 No Transfer by You without Approval. This Agreement is personal as to You, and is being entered into in reliance upon and in consideration of Your qualifications and representations, Including representations of all current owners. Therefore, neither this Agreement nor any of its rights or privileges, nor any shares or units in the ownership of Your entity or Your Franchise Business may be Transferred (as defined below) in any manner by You or anyone else unless Our prior written

approval is obtained. As a prerequisite to seeking Our consent, You must provide Us with all documentation relating to the Transfer of Your Franchise Business or this Agreement. Said approval will not be unreasonably withheld (except as stated below), but will be conditioned upon Our satisfaction with the qualifications set forth in Section 14.3 below of the proposed transferee and its owners and officers. You must provide Us written notice of Your intent to Transfer prior to listing or offering the Franchise Business or Your entity for sale.

14.2.1 Transfers to Competitors Prohibited. You cannot Transfer any part of this Agreement, Your Franchise Business, or any part of Your entity, if applicable, to a competitor of Ours or an affiliate of a competitor of Ours without Our written permission. Any such Transfer without Our written approval is considered void ab initio.

14.3 Qualifications of Transferee. In determining the acceptability of the proposed transferee, We will consider, among other things, Our then-current standards for new franchisees, including the net worth, credit worthiness, background, training, personality, reputation, brand-culture alignment, and business experience of the proposed transferee, the terms and conditions of the Transfer and any circumstances that would make the Transfer not in the best interests of Us or the System, including the proposed purchase price. We may meet and candidly discuss all matters relating to Your Franchise Business with the potential transferee. In no case will You or a proposed transferee rely on Us to review or evaluate any proposed Transfer. Neither We nor Our affiliates are liable to You or the transferee or any other person or entity relating to the Transfer and You must indemnify and hold Us and each Crumbl Party harmless from any liability whatsoever relating thereto.

14.4 Application for Transfer. Upon any proposed Transfer of any interest in this Agreement or Your Franchise Business, You must submit to Us an application in the form specified by Us on behalf of the proposed transferee.

14.5 Franchise Agreement Transfer Fee. As a condition of Our approving the Transfer of this Agreement or Your Franchise Business, You must pay Us the non-refundable “Franchise Agreement Transfer Fee” listed in Exhibit “A-3” at the time of the approved transfer.

14.6 Internal Transfers. If a proposed Transfer of any interest in Your Franchise Business or Your entity is only among existing shareholders or members of a corporation or limited liability company franchisee, or among existing partners of a partnership franchisee, or by an individual or partnership franchisee to a corporation or limited liability company controlled and owned 100% by You or any combination of Your current owners, and such proposed Transfer along with all of the Transfers of any interest in Your Franchise Business that have occurred during the Term, and any prior franchise term(s), are comprised of, in the aggregate, 50% or less of the total ownership and voting interest in Your Franchise Business (ownership and voting interests will each be assessed separately), You shall, instead of paying the Franchise Agreement Transfer Fee, pay Us the “Internal Transfer Fee” as set forth in Exhibit “A-3,” and We will not be entitled to exercise Our right of first refusal set forth in Section 14.9 below. However, You shall obtain Our prior written consent before executing such proposed Transfer. All guarantors will remain guarantors to this Agreement unless otherwise released by Us in writing, in Our sole discretion. Each ownership certificate of a corporation or limited liability company franchisee must have endorsed upon its face that the Transfer thereof is subject to the restrictions of this Agreement.

14.7 Involuntary Transfers Void. Involuntary Transfers of this Agreement or Your Franchise Business by You, such as by legal process, are not permitted, are not binding on Us and are

grounds for termination of this Agreement. Using this Agreement as security for a loan, or otherwise encumbering this Agreement is prohibited unless We specifically consent to any such action in writing prior to the proposed transaction. You cannot grant a sub-franchise under this Agreement nor to otherwise seek to license or permit others to use this Agreement or any of the rights derived by You under it. Any attempt to Transfer this Agreement or Your Franchise Business in whole or in part, or any material portion or property used by You in connection herewith, whether or not binding on Us, will be grounds for the immediate termination of this Agreement, unless such Transfer is authorized in writing by Us.

14.8 Conditions of Transfer. Prior to the effective date of Transfer of this Agreement or Your Franchise Business and as a condition for Our approval of any Transfer.

14.8.1 Compliance. You must be in full compliance with this Agreement and not be in default hereunder. All accounts payable and other monetary obligations to Us and Our affiliates must be paid in full. You must have submitted all required reports, financial statements and other documents.

14.8.2 Written Proposal. The terms and conditions of the proposed Transfer must be provided in writing to Us within the time frames specified by Us. The price and other proposed terms of the Transfer must not, in Our reasonable business judgment, have the effect of negatively impacting the future viability of the Franchise Business.

14.8.3 Assumption of Obligations. All Your obligations in connection with Your Franchise Business must be assumed by the transferee, including assuming Your lease obligations, if applicable.

14.8.4 Current Brand Standards. You must bring Your Franchise Business, including Your premises, up to Our current Brand standards and specifications as required of new Crumbl® franchise locations.

14.8.5 New Franchise Agreement. The transferee must sign the then-current form of the Franchise Agreement and fully upgrade the Franchise Business and Premises to the level required of new franchisees.

14.8.6 Payment for Training. The transferee must pay Us the Transferee Training Fee in Exhibit “A-3” and must complete the training program required of new franchisees as set forth in Section 6.1.4. You or the transferee must also pay the travel, lodging, food, and other expenses for your trainees while attending this training.

14.8.7 Franchise Agreement Transfer Fee. You must pay the Franchise Agreement Transfer Fee set forth in Exhibit “A-3.”

14.8.8 General Release. You and each of You must execute a general release releasing each Crumbl Party of any claims You may have against any Crumbl Party.

14.8.9 Gift Cards. You are required to provide Us and the proposed transferee with an accounting and list of all outstanding gift cards and gift certificates as of the date of Termination, and You must ensure that payment of all outstanding gift cards is a part of the transfer agreement.

14.8.10 Survival of Covenants. Your non-competition, ~~indemnity and confidentiality~~, Including nondisclosure and non-use of all Confidential Information, brand-protection, indemnification, and other restrictions and obligations of this Agreement and the provisions relating to dispute ~~resolutions~~resolution, will survive any Transfer.

14.9 First Right of Refusal.

14.9.1 Right of First Refusal. You hereby grant to Us the right of first refusal to purchase Your assets, this Agreement, the Franchise Business or ownership in Your entity (collectively “Assets”) on such terms and conditions specified in a bona fide written offer from a third party, who would satisfy the criteria for approval under Section 14.3. You must notify Us in writing of the terms and conditions of the Transfer, Including the Assets proposed to be Transferred, the purchase price or other consideration, any creditor financing terms being extended by You, the date of the proposed Transfer, and all other pertinent provisions of the proposed Transfer. In addition, a copy of any contract, agreement, memorandum of sale, deposit receipt, letter of intent and the like, must also be forwarded to Us as soon as it is signed by You. Following receipt of all pertinent data and documents concerning the proposed Transfer, Including any additional data concerning the transaction requested by Us from You, We will have 60 days in which to advise You in writing of Our election to have the Assets transferred and assigned to Us on the terms and conditions agreed to by the prospective transferee. Should We elect to purchase the Assets proposed to be Transferred pursuant to Our right of first refusal, You and We agree to cooperate to accomplish the Transfer as set forth in the provisions submitted to Us by You, provided that the date for the completion of the Transfer can be extended at Our option for up to 30 days beyond the date originally indicated for the completion of the Transfer in order to allow the completion of the transaction in a manner more convenient to Us. We have the right to off-set any amounts You owe to Us against the purchase price.

14.9.2 Non-Election of Rights. If We do not elect to purchase the Assets proposed to be Transferred, You may complete the proposed Transfer on the terms and conditions set forth in Your notice to Us subject to Our right to approve the proposed transferee and the terms and conditions set forth under this Article 14. However, if there are any material changes in the terms and conditions of the proposed Transfer after You notify Us of the proposed Transfer, Including any changes in the terms and conditions occurring after We notify You of Our election not to purchase the Assets pursuant to Our right of first refusal, and any of those changes are less favorable to You, You must notify Us of the changes in writing and We will have an additional 10 days within which to elect to purchase the Assets proposed to be Transferred on the revised terms and conditions. Additionally, if Your Franchise Business is not Transferred to such third-party within 90 days after We elect not to purchase the Assets, You must re-offer the Assets to Us before You may Transfer to an approved third-party. We have no obligation to purchase Your Assets.

14.10 Death or Incapacity and Interim Management. In the event of the death or incapacity of a franchisee that is an individual or an entity owned by one individual (the term “incapacity” means any physical or mental infirmity that prevents the person from performing the obligations under this Agreement: (i) for a period of 60 or more consecutive days, or (ii) for 100 total days during a calendar year), Your heirs or personal representative will have the right to continue Your Franchise Business; provided that We have the right to approve or reject of such heirs or personal representative, in Our sole discretion. If we give such approval, Your heirs or personal representative must, within a reasonable time (not more than 180 days) after such death or incapacity (or such longer period required by the laws of the state where Your Franchise Business is located), appoint a new Primary Owner in all matters pertaining to Your Franchise Business who must be approved by Us in writing and meet

the requirements as stated herein. Such Primary Owner must be trained by Us in accordance with Our standards and You shall pay the transferee training fee and the Internal Transfer Fee as set forth in Exhibit “A-3.” The heirs or personal representatives, instead of operating Your Franchise Business themselves under the foregoing procedures may choose to Transfer Your Franchise Business. If a decision to Transfer is made, the transfer procedures explained above in this Article XIV will apply, Including the payment of the Franchise Agreement Transfer Fee as set forth in Exhibit “A-3.” If We are required to run Your Franchise Business for a time due to Your death, incapacity, unexcused absence, poor performance, or as otherwise allowed under this Agreement, the provisions of Paragraph 6.2.3 above will apply. In the event of the death or incapacity of Your Primary Owner, You shall ensure that the interest of Your Primary Owner in Your franchise entity is transferred to another member and that You appoint a new Primary Owner, subject to Our prior written approval, and inform Us of such election, and You shall pay the Internal Transfer Fee for permitted internal transfers as set forth in Exhibit “A-3.”

14.11 Assumption of Obligations. The parties agree that in the event a court of competent jurisdiction orders You to Transfer to Your spouse or a third party all or any part of Your interest in this Agreement or Your franchisee entity and/or in any property related thereto, such an order will constitute a Transfer of this Agreement and will cause the transferee to be subject to all of the terms and conditions concerning Transfers set forth herein above.

14.12 Acquisitions. If We receive an offer to acquire a majority of the franchises or to purchase a majority of Our assets or stock, or to merge or go public or similar transactions, We have the option, but not the obligation, to purchase all of Your rights and interests in and under this Agreement and Your Franchise Business at fair market value payable on terms as reasonably negotiated. The purchase price will not include compensation for any successor term or goodwill. All goodwill belongs to Us. If the purchase option is exercised, You must execute a general release of each Crumbl Party. We will close Our purchase and make payment within 60 days after closing or as soon thereafter as reasonably practical.

14.13 Transfer for Convenience of Ownership. If You are an individual or individuals, You may Transfer this Agreement without paying a fee to Us, to a corporation or limited liability company formed for the convenience of ownership, provided You: 1) provide Us at least 15 days’ prior written notice of the proposed Transfer; 2) provide copies of the entity’s charter documents, bylaws (or operating agreement), ownership interests of the owners, and similar documents, as We may request for Our review; 3) own all voting securities of the corporation or limited liability company; and 4) remain as a personal guarantor to this Agreement.

ARTICLE XV RELATIONSHIP OF THE PARTIES

15.1 Independent Contractors. In all matters, You are an independent contractor. Nothing in this Agreement or in the franchise relationship constitutes You as Our partner, agent, employee, joint employer, or joint venturer with Us, and this Agreement does not create a fiduciary relationship between You and Us. Neither party is liable for the debts, liabilities, taxes, duties, obligations, defaults, compliance, intentional acts, wages, negligence, errors or omissions of the other. You are solely responsible for the management and control of Your Franchise Business, Including, its daily operations, managing and directing employees, contractors, and sales persons, and paying all costs and expenses of Your Franchise Business. You agree not to hold themselves out by action or inaction contrary to the foregoing and to indemnify Us and each Crumbl Party for any liability, cost or expense

Including attorney's fees, incurred by either of them for any act, omission, finding or result to the contrary. None of Your employees will be deemed to be Our employee and each employee will be so notified by You. Neither party has the authority to act as agent for the other, and neither You nor We will guaranty the obligations of the other or in any way become obligated for the debts or expenses of the other unless agreed to in writing. You must post promptly and maintain any signs or notices specified by Us or by applicable law indicating the status of the parties as described above.

15.2 Indemnification. You must defend, indemnify, and hold Us and each Crumbl Party harmless from any and against any and all losses, liabilities, damages, costs and expenses whatsoever, Including reasonable attorney's fees arising out of or related to, or in any way connected with You or Your acts, errors, negligence, or omissions in the operation of Your Franchise Business or Your Franchise Business generally, Including any allegation that You are Our employee, or that We are a joint employer or otherwise responsible for the acts or omissions relating to Your employees, and other laws regarding public accommodations for persons with disabilities. We and each Crumbl Party will have the right to defend any such claim against it by employing counsel of its choice, subject to full reimbursement of all legal fees by You. We will use Our reasonable efforts to cooperate with You in any litigation, judicial or administrative proceeding to avoid duplication of time, effort or expenditure to the greatest extent possible without compromising Our interest in such matter. This indemnity will continue in full force and effect subsequent to and notwithstanding the Termination of this Agreement.

ARTICLE XVI COVENANT NOT TO COMPETE

16.1 In-Term Covenants. You and We share in a common interest in avoiding situations where persons or companies who are or have been franchisees operate or otherwise become involved with a similar or Competing Business during the term of this Agreement. During the term of this Agreement and for any extensions or Successor Franchises hereof, You and Your Immediate Family shall not own, operate, lease, franchise, conduct, consult with, engage in, be connected with, have any interest in, or assist any person or entity engaged in or on its own account or as an employee, contractor, consultant, partner, officer, director or shareholder of any Competing Business in any capacity, territory or location, except with Our prior written consent. You understand and acknowledge that to violate this Section will create irreparable harm. Each of Your owners, members, directors, officers, managers, and shareholders shall execute the standard Brand Protection Agreement attached as Exhibit "A-4." Your employees must execute Our Brand Protection Agreement attached hereto as Exhibit "A-5" (Although We provide You this form, it is Your responsibility to conform it to the laws and regulations of Your state. You must immediately provide Us a copy of any changes You make to this form). A copy of all such agreements must be promptly delivered to Us at closing for Your owners and within 1 week of hiring of Your management employees. You shall immediately notify Us in the event Your Immediate Family has any interest or involvement in any Competing Business or is otherwise in violation of the provisions in this section.

16.2 Confidentiality. During the term of this Agreement and any extensions or Successor Franchises hereof, and at any time ~~after the Termination of this Agreement~~ hereafter, You ~~and shall not, and You shall ensure that~~ those over whom You have control shall not, (a) make any unauthorized disclosure, use, copy, transmittal, recreation, reproduction, or other use of any part of Our the Confidential Information, other than as authorized by this Agreement; or (b) engage in, be involved with, be employed by, or contract with any other person, firm, corporation, limited liability company, or entity in any capacity where such engagement, (i) would reasonably require, entail, or result in the disclosure, use, or access to any Confidential Information; and/or (ii) could reasonably be expected to

result in a conflict of interest or pose an actual risk of disclosure of any Confidential Information. You shall adopt and implement all reasonable procedures to prevent unauthorized use or disclosure of the Confidential Information, which procedures may be prescribed from time to time by Us. ~~Without limiting the foregoing, You shall not forward~~ any communication (email, paper, etc.) from Us to You ~~cannot be forwarded~~ to another email account You control or share, or ~~forwarded forward~~ to anyone, including employees, without first receiving Our express written consent.

16.2.1 Prior Disclosures. You acknowledge and agree that the information disclosed by Us prior to the actual execution of this Agreement, ~~You have received information and met and corresponded with Us, Our principals, agents, affiliates, and/or representatives and that any will constitute Confidential Information obtained or received as part of any prior meeting or correspondence is and will be~~ subject to all the protection terms and restrictions conditions of this Agreement ~~– (Including the duties of non-use and non-disclosure)~~ as if such information had been disclosed following the execution of this Agreement.

16.3 Post-Term Covenants. Upon Termination of this Agreement and for a continuous, uninterrupted period of three years thereafter, You and Your Immediate Family shall not, directly or indirectly, participate as an owner, operator, shareholder, director, partner, member, manager, consultant, agent, employee, contractor, advisor, officer, lessor, lessee, franchisor, franchisee or serve in any other capacity whatsoever or have any interest in or assist any person or entity in any Competing Business in any capacity, territory or location within Your Territory or within 25 miles of Your Territory or within 25 miles of the territory of any Crumbl® business in operation at the time of Termination or Transfer of this Agreement. The ownership of not more than 2% of the voting stock of a publicly held corporation will not be considered a violation of the foregoing provision. You understand and acknowledge that to violate this Section creates irreparable harm to Us and to the System.

16.3.1 Tolling of Covenant. In addition to other remedies available to Us, in the event You compete during the term of non-competition, this non-compete time period will be tolled and extended for the period of Your competition, plus an additional six months.

16.4 Non-Solicitation of Customers. For three years after the Termination of this Agreement, You shall not, directly or indirectly, contact any customer of Ours or of another Crumbl® franchisee or of Your former Franchise Business for the purpose of soliciting any such customer to a Competing Business from any such customer any business that is the same as or substantially similar to a Crumbl® business.

16.5 Survival of Covenants. The foregoing covenants will survive the Termination of this Agreement and will apply regardless of whether this Agreement was Terminated by lapse of time, by default of either party, or for any other reason.

16.6 Acknowledgement of Harm. You acknowledge that Your violation or ~~breach default~~ of the covenants and provisions of this Article XVI is likely to cause substantial and irreparable harm to Us and the System. You agree that the restrictions contained in this Agreement are reasonable and necessary for Our protection and the protection of other franchisees in the System, and that the existence of any claims You may have against Us, whether or not arising from this Agreement, will not constitute a defense to Our ability to enforce the covenants set forth in this Article.

16.7 Enforceability. It is the desire and intent of the parties to this Agreement that the provisions of this Article XVI be enforced to the fullest extent permissible under applicable laws. If any of the restrictions of this Article are determined to be unenforceable because of duration, scope or coverage or otherwise, then We have the right in Our sole discretion to reduce the scope of any covenant set forth above or any portion thereof, without Your consent, effective immediately upon receipt by You of written notice thereof; which modified covenant will be fully enforceable notwithstanding any other provision of this Agreement.

ARTICLE XVII DISPUTE RESOLUTION

17.1 Quick Resolution. You and We understand that there is always a possibility of differences of opinion or other disagreements in any business relationship and agree that it is important to resolve any Disputes amicably, quickly, inexpensively and professionally and to return to business as soon as possible.

17.2 Manner of Handling Disputes. You and We agree that except as otherwise expressly provided for herein, in the event any Dispute arises between Us and You in connection with, arising from, or with respect to, any provision hereof, the relationship created herein, or the validity of this Agreement or any provision hereof, or the offer and sale to You, such Dispute will be:

17.2.1 Face-to-Face Meeting. First discussed in a face-to-face meeting between You and Us in Salt Lake City, Utah, or at Our then-current headquarters within 30 days after either You or We give written notice to the other proposing such a meeting. We have the right, in Our sole discretion, to waive this requirement.

17.2.2 Mediation. If, in the opinion of either You or Us, the face-to-face meeting has not successfully resolved such Dispute and if desired by either You or Us, the Dispute will be submitted to non-binding mediation before Franchise Arbitration and Mediation Services (“FAM”) or as otherwise mutually agreed. The mediation will be conducted exclusively in Salt Lake City, Utah. On election by either party, arbitration as provided below may proceed forward at the same time as mediation. The mediator will be disqualified as a witness, consultant, expert or counsel for any party with respect to the Dispute and any related matters.

17.2.3 Arbitration. If in the opinion of either You or Us the mediation has not successfully resolved such matters, at the request of either You or Us, the Dispute will be submitted for arbitration to the offices of the American Arbitration Association in accordance with its commercial arbitration rules in effect. All arbitration hearings will be conducted exclusively in Salt Lake City, Utah. The arbitrator will have the power and jurisdiction to decide such Dispute solely in accordance with the express provisions of this Agreement. The arbitrator will render a written opinion setting forth the facts found, law applied and reasons for the decision.

(i) Arbitration Procedures. In any arbitration, the parties will be entitled to specific performance of the obligations under this Agreement. The arbitrator may award or otherwise provide for temporary restraining orders, preliminary injunctions, injunctions, attachments, claim and delivery proceedings, temporary protective orders, receiverships and other pre-judgment, equitable and/or interim relief as appropriate pending final resolution by binding arbitration of a Dispute, as well as in connection with any such final resolution, and may issue summary orders disposing of all or part of a Dispute at any point. Each party consents to the enforcement of such orders, injunctions, etc., by

any court having jurisdiction. Offers and/or other communications made in connection with, or related in any way to, mediation, possible settlement or other resolution of a Dispute will not be admitted into evidence or otherwise used in connection with any arbitration or other proceeding, and any arbitration award in violation of this provision will be vacated by the arbitration appeal panel (described below) and/or any court having jurisdiction. The arbitrator will have the power to order compliance with such discovery procedures, as well as assess sanctions for non-compliance with any order. Discovery will be controlled by the arbitrator and will be permitted to the extent set out in this Paragraph. Each party may submit in writing to the other party, and the other party will respond, to a maximum of any combination of 25 (none of which may have subplots) of the following: interrogatories, demands to produce documents, and requests for admission. You and We are also entitled to take the oral deposition of one individual of the other party. Additional discovery may be permitted upon mutual agreement of the parties. The arbitrator, and not a court, will decide any questions relating in any way to the parties' agreement or claimed agreement to arbitrate, including a claim for fraud in the inducement or otherwise. Each participant must submit or file any Dispute that would constitute a compulsory counterclaim (as defined by the applicable rule under the Federal Rules of Civil Procedure) within the same proceedings as the Dispute to which it relates. Any such Dispute that is not submitted or filed in such proceedings will be forever barred. The award and findings of the arbitrator will be conclusive and binding upon all parties hereto and the judgment upon the award may be entered in any court of competent jurisdiction.

(ii) Individual Disputes. Any Dispute must be conducted and resolved on an individual basis only and not on a class-wide, multiple plaintiff or similar basis between You and Us and will not be consolidated with any other arbitration or court proceeding involving Us and any other party.

(iii) Agreed Limitations. Except for payments owed by one party to the other, claims attributable to Your underreporting of sales, or claims related to an act of Yours allowing Us to immediately terminate this Agreement, any legal action or arbitration proceeding (including the offer and sale of a franchise to You) brought or instituted with respect to any Dispute hereunder must be brought or instituted within a period of 1 year from the date upon which a party discovered, or should have discovered, the facts giving rise to an alleged claim; provided that no claim may be brought more than 2 years after the first act or omission giving rise to an alleged claim. The initiation of mediation or arbitration hereunder will toll the applicable statute of limitations for the duration of any such proceedings.

(iv) Limited Damages. You and We waive any right or claim of any consequential, punitive or exemplary damages against each other and agree that in the event of a Dispute between You and Us, each will be limited to the recovery of actual damages sustained. We will not be liable for any act or omission which is consistent with this Agreement or which is done in subjective good faith. If You bring an action for alleged wrongful Termination of this Agreement and provided that the termination has not resulted in a closure of Your Franchise Business, Your sole remedy will be to be reinstated as a franchisee with no award of damages. If the Termination results in a closure of Your Franchise Business, Your sole remedies will be reinstatement as a franchisee and to receive compensation for economic losses directly incurred by You as a result of such closure, conditioned upon Your duty to mitigate.

(v) Exceptions to Arbitration. You and We agree that nothing in this Agreement obligates Us to arbitrate or mediate Disputes or issues relating to: (a) the validity of the Marks, or any trademarks, service marks or other Intellectual Property; (b) rights to obtain a writ of

attachment or other prejudgment remedies; (c) rights to receive and enforce a temporary restraining order, preliminary injunction, permanent injunction or other equitable relief; or (d) Disputes solely for fees and other monies owed by one party to the other under this Agreement.

(vi) Appeals. If any party to an arbitration wishes to appeal any final award by an arbitrator (there will be no appeal of interim awards or other interim relief), that party can appeal, within 30 days of such final award, to a 3-person arbitrator panel to be appointed by the same organization as conducted the arbitration to be held exclusively at the same location as specified above. The issues on appeal will be limited to the proper application of the law to the facts found at the arbitration and will not include any trial *de novo* or other fact-finding function. The party requesting such appeal must pay all costs and fees of the arbitrators and arbitration proceedings.

(vii) Sharing of Fees. Except for an appeal, the parties to the Dispute or action will share the fees and expenses of the mediation and the arbitration equally during the mediation and arbitration. If a party is unable or unwilling to pay its share of the upfront cost of the mediation or arbitration, the other party has the right to cover those costs; however, the prevailing party in arbitration, including on appeal, will be awarded costs and attorney's fees as set forth in Section 19.3 below.

(viii) Federal Arbitration Act. You and We mutually agree that all issues relating to arbitrability are governed exclusively by the Federal Arbitration Act and the federal common law of arbitration to the exclusion of any state statutes or common law and will be decided by the arbitrator. All provisions of this Agreement pertaining to venue, choice-of-laws, dispute avoidance and resolution will be strictly enforced, and You and We will rely on federal preemption under the Federal Arbitration Act.

17.3 Continued Performance. During the pendency of any Dispute or any such interim relief proceeding, the parties shall continue to perform all obligations under this Agreement.

All notices permitted or required under this Agreement must be in writing and delivered by one of the following methods with notice deemed given as indicated: (i) by personal delivery when delivered personally; (ii) by overnight courier upon written verification of receipt; (iii) by facsimile transmission when confirmed by facsimile transmission, during normal business hours, Monday through Friday, holidays excepted; (iv) by sending an email to the email address below or other verified email address when confirmed by receipt verification, which verification will not be withheld or otherwise denied; or (v) by certified or registered mail, return receipt requested, three days after deposit in the mail to the addresses indicated on Exhibit "A-2."

ARTICLE XIX CONSTRUCTION AND JURISDICTION

19.1 Governing Law. Except as provided in Section 19.5, this Agreement will be governed, construed and interpreted in accordance with the laws of the State of Utah without giving effect to its conflicts of law provisions. You and We agree that the provisions of this Agreement will control the state or provincial laws by which this Agreement will be governed and any provisions of state or provincial law to the contrary or any statements in Our franchise disclosure document or otherwise required as a condition of registration or otherwise. If the governing law requires terms other than or in addition to those in this Agreement, then such terms will be deemed incorporated herein but only to the extent necessary to prevent the invalidity of this Agreement or any of the provisions hereof or the imposition of civil or criminal penalties or liability. To the extent permitted by the laws of the state whose laws govern this Agreement, You hereby waive any provisions of law or regulations which render any portion of this Agreement invalid or unenforceable in any respect.

19.2 Jurisdiction. In order to facilitate our joint interests in having franchise issues determined in a consistent manner for application throughout the System, without in any way limiting or otherwise affecting Your and Our obligations regarding mediation and arbitration in accordance with the provisions of Article XVII, if there is any litigation between us, You and We hereby irrevocably consent to the exercise of general personal jurisdiction in the courts of record of the State of Utah even though it may be otherwise possible to obtain jurisdiction elsewhere, and You and We agree that Salt Lake County, Utah will be the exclusive venue for any litigation between Us and You. Each party waives any objection they may have to the personal jurisdiction of or venue in the state and federal courts of Utah.

In the event any action in law or equity or any arbitration or other proceeding is brought for the enforcement of this Agreement or in connection with any of the provisions of this Agreement, the successful or prevailing party or parties are entitled to reasonable attorney's fees and other costs reasonably incurred in such action or arbitration or litigation proceeding. The costs of mediation will also be awarded to the prevailing party in arbitration or litigation, if applicable. For purposes of this Agreement, "prevailing party" Includes the Party which obtains a judgment in their favor, or agrees to dismiss an action or proceeding upon the other's payment of sums allegedly due or performance of the covenants allegedly ~~breached~~defaulted, or which obtains substantially the relief sought. Reimbursement is due within 30 days of written notice after prevailing.

19.4 No Jury Trial. You and We waive, to the fullest extent permitted by law, all rights to trial by jury in any action or Dispute, whether at law or in equity, brought by either party.

19.5 Exception. Notwithstanding the foregoing, the Federal Arbitration Act (9 U.S.C. §§ 1 Et. Seq.) and the United States Trademark Act (Lanham Act, U.S.C § 1051 Et. Seq.) will apply to this Agreement and the relationship of the parties and preempt any state law to the contrary.

19.6 No Limitation of Our Rights. We may, in Our discretion, elect not to enforce or selectively enforce any provision of this Agreement whether with respect to You or any other franchisee and such acts or omissions will not limit or otherwise affect Our rights to strictly enforce this Agreement.

**ADDENDUM TO THE FRANCHISE AGREEMENT
FOR THE COMMONWEALTH OF VIRGINIA**

~~Intentionally Left Blank~~

The Virginia State Corporation Commission's Divisions of Securities and Retail Franchising requires us to defer payment of the initial franchise fee and other initial payments owed by franchisees to the franchisor until the franchisor has completed its pre-opening obligations under the franchise agreement.

**ADDENDUM TO THE FRANCHISE AGREEMENT
FOR THE STATE OF WASHINGTON**

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

Independent Auditors' Report

To the Member of Crumbl Franchising, LLC

Opinion

We have audited the financial statements of Crumbl Franchising, LLC (a Utah limited liability company), which comprise the balance sheets as of December 31, 2023 and 2022, and the related statements of income and member's equity (deficit), and cash flows for the years then ended, and the related notes to financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Crumbl Franchising, LLC (the Company) as of December 31, 2023 and 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America (US GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Prior Period Financial Statements

The financial statements for the year-ended December 31, 2021, were audited by another auditor who expressed an unmodified opinion on those statements on March 10, 2022.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with US GAAP; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to error or fraud.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Notes to Financial Statements

1. Description of Organization and Summary of Significant Accounting Policies

Organization

Crumbl Franchising, LLC (the Company) is a Utah limited liability company that facilitates franchising of the Crumbl Restaurants. The Company was organized on February 9, 2018. The Company is a wholly owned subsidiary of Crumbl Enterprises, LLC.

During the years ended December 31, 2023, 2022, and 2021, the Company sold 54, 357, and 506 new franchises, opened 287, 365, and 185 franchises, closed 7, 0, and 0 franchises, and transferred 47, 11, and 8 franchises, respectively. As of December 31, 2023, 2022 and 2021, the Company had 323, 310, and 621 franchises, respectively, that were not open and operating. The number of franchised outlets in operation were 970, 689, and 326 as of December 31, 2023, 2022, and 2021, respectively.

Use of Estimates in Preparing the Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (US GAAP) requires management to make estimates and assumptions that affect reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Recently Adopted Accounting Pronouncement

In June 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2016-13, *Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments* ("ASU 2016-13" or "ASC 326"). ASU 2016-13 revises the accounting requirements related to the measurement of credit losses and requires organizations to measure all expected credit losses for financial assets based on historical experience, current conditions, and reasonable and supportable forecasts about collectability. Assets must be presented in the financial statements at the net amount expected to be collected. During 2019, the FASB issued additional ASUs amending certain aspects of ASU 2016-13.

On January 1, 2023, the Company adopted the new accounting standard and all the related amendments using the modified retrospective method. The Company's adoption did not result in a significant impact to the opening balance of retained earnings and the comparative information has not been adjusted or restated. Results for reporting periods beginning after January 1, 2023, are presented under ASC 326.

Concentrations of Credit Risk

The Company maintains its cash and cash equivalents in bank deposit accounts which, at times, exceed federally insured limits. To date, the Company has not experienced a loss or lack of access to its invested cash and cash equivalents; however, no assurance can be provided that access to the Company's invested cash and cash equivalents will not be impacted by adverse conditions in the financial markets.

Major vendors are defined as those vendors having expenditures made by the Company which exceed 10% of the Company's total expenditures. The Company had one vendor that constituted 33% of total expenditures during the year ended December 31, 2023, and no vendor concentrations for the years ended December 31, 2022 and 2021.

Accounts Receivable

Accounts receivable includes billed and contract asset amounts. Billed receivables are recorded in accordance with agreed upon billing schedules in the individual contracts.

The Company records unbilled accounts receivable when the franchisee signs the franchise agreement but cannot be billed the franchise fees until the store opens, due to state and local laws. The Company has legal recourse on the franchise fees after the franchise agreement has been signed, at which point collectability is deemed probable.

The Company records its accounts receivable at sales value net of an allowance for doubtful accounts. Customers typically are provided with payment terms of 30 days. The Company has tracked historical loss information for its trade receivables and compiled historical credit loss percentages for different aging categories (current, 1–30 days past due, 31–60 days past due, 61–90 days past due, and more than 90 days past due).

Management believes that the historical loss information it has compiled is a reasonable base on which to determine expected credit losses for trade receivables held as of December 31, 2023 and 2022 because the composition of the receivables as of that date is consistent with that used in developing the historical credit-loss percentages (i.e., the similar risk characteristics of its customers and its lending practices have not changed significantly over time). As of December 31, 2023 and 2022, the Company did not have an allowance for doubtful accounts receivable.

Contract Acquisition Costs

The Company capitalizes commission expenses as costs of obtaining a contract, when they are incremental and expected to be recovered, and amortizes them over the expected period of benefit to which the asset relates. If the expected amortization period is one year or less, the commission expense is expensed when incurred. As of December 31, 2023 and 2022, the expected period of benefit for the contract acquisition costs was determined to be 5 years, which is the initial franchise license fee period.

Property and Equipment

Property and equipment are stated at cost less accumulated depreciation and amortization. Depreciation and amortization are calculated using the straight-line method over the estimated useful lives of the assets or over the related lease terms (if shorter) as follows:

Vehicles	5 years
Machinery and equipment	7 years
Leasehold improvements	2 to 4 years
Computers and office equipment	5 to 7 years

Expenditures that materially increase values or capacities or extend useful lives of property and equipment are capitalized. Routine maintenance, repairs, and renewal costs are expensed as incurred. Upon sale or other retirement of depreciable property, the cost and accumulated depreciation and amortization are removed from the related accounts and any gain or loss is reflected in the statements of income and member's equity (deficit).

Impairment of Long-Lived Assets

The Company reviews its property and equipment for impairment whenever events or changes in circumstances indicate that the carrying amount of the assets may be impaired. If it is determined that the estimated undiscounted future cash flows are not sufficient to recover the carrying value of the asset, an impairment loss is recognized in the statement of operations for the difference between the carrying value and the fair value of the asset. Management does not consider any of the Company's assets to be impaired as of December 31, 2023.

Lease Commitments

The Company leases certain office space. The Company assesses whether an arrangement qualifies as a lease (i.e., conveys the right to control the use of an identified asset for a period of time in exchange for consideration) at inception and only reassesses its determination if the terms and conditions of the arrangement are changed. For all arrangements where it is determined that a lease exists, the related right-of-use assets and lease liabilities are recorded within the balance sheet as either operating or finance leases. At inception or modification, the Company calculates the present value of lease payments using the implicit rate determined from the contract or the risk-free discount rate, which is determined by using a period comparable with that of the lease term. The present value is adjusted for prepaid lease payments, lease incentives, and initial direct costs (e.g. commissions). The Company's leases may require fixed rental payments, variable lease payments based on usage or sales and fixed non-lease costs relating to the leased asset. Variable lease payments are generally not included in the measurement of the right-of-use assets and lease liabilities. Leases with an initial term of 12 months or less are not recorded on the balance sheet. Lease expense is recognized for these leases on a straight-line basis over the lease term. Fixed non-lease costs, for example common-area maintenance costs, taxes, insurance, and maintenance, are included in the measurement of the right-of-use asset and lease liability as the Company does not separate lease and non-lease components.

Gift Card Liability

Gift cards sold by the Company are recorded as a liability. Upon redemption of the gift card at a franchisee location, the franchisee receives a credit for amounts owed the Company for the gift card usage, and the gift card liability is reduced. Gift card breakage is recognized based on historical gift card redemption rates. The Company evaluates the redemption rates of gift cards monthly and recognizes a portion of unredeemed digital gift cards as breakage revenue.

Revenue Recognition

The Company recognizes revenue from royalties, advertising and marketing fees, franchise fees, technology fees, and other revenues. Revenue is recognized in accordance with ASC 606 by recognizing revenue when it satisfies a performance obligation in an amount reflecting the consideration to which it expects to be entitled. The Company applies a five-step approach in determining the amount and timing of revenue to be recognized: (1) identifying the contract with a customer, (2) identifying the performance obligations in the contract, (3) determining the transaction price, (4) allocating the transaction price to the performance obligations in the contract, and (5) recognizing revenue when the performance obligation is satisfied. The Company has elected the practical expedient to account for certain pre-opening services as distinct from the franchise license.

Royalties

Franchisees are required to pay a percentage of sales as royalties. Royalties are recognized as revenue when billed based on weekly sales reports from franchisees.

Advertising and Marketing Fees

Advertising and marketing fees are considered distinct from royalties, as a significant portion of marketing costs are directed to specific segments and stores. Franchisees are required to pay a percentage of sales for advertising and marketing. Advertising and marketing fees received from franchisees are recorded as a deferred advertising and marketing fee revenue until the advertising and marketing activities have been performed, at which time, the associated revenue and expenses are recorded in the accompanying statements of income and member's equity (deficit).

Franchise Fees

The Company sells individual franchises as well as territory agreements in the form of area development agreements (ADA) that grant the right to develop stores in designated areas. The franchise and ADA agreements typically require the franchisee to pay an initial nonrefundable fee that is recognized over the life of the contract as the services are satisfied over time. Fees collected in advance are deferred until earned.

Technology Fees

The Company charges a monthly fee for the use of its software. Technology fees are recognized as revenue when billed.

Other Revenues

Other revenues consist of primarily of merchant fees, initial training fees, gift card revenue breakage, and additional service fees. Revenue on other revenues is recognized when the obligation is satisfied.

The Company offers a loyalty rewards program (Crumb! Cash). Customers earn points for each dollar spent and, as of December 31, 2023 and 2022, 100 points can be redeemed for a \$10 reward to be used for a future purchase. The Crumb! Cash points currently do not expire. The structure of the Crumb! Cash loyalty program is that the franchisee bears the cost of providing the \$10 discount at the point-of-sale and therefore the Company has not recorded deferred revenue or other liability for rewards earned due to customers.

Advertising and Marketing

Advertising and marketing costs are expensed as incurred. During the years ended December 31, 2023, 2022, and 2021, the Company incurred a total of \$29,781,208, \$23,065,633 and \$8,216,207 as advertising and marketing expense, respectively. As of December 31, 2023 and 2022, the Company deferred a total of \$0 and \$3,360,091, respectively, representing advertising and marketing fees billed to franchisees in excess of advertising and marketing expenses paid.

Income Taxes

The resulting operations of the limited liability company are included in taxable income of the individual members and, accordingly, no provision for federal or state income taxes has been made in the accompanying financial statements, with the exception of minimum state franchise taxes.

Income and losses for tax purposes may differ from the financial statement amounts and may be allocated to the members on a different basis for tax purposes than for financial statement purposes. Member's equity reflected in the accompanying financial statements does not necessarily represent member's tax basis of their respective interest.

As of December 31, 2023 and 2022, the Company had no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. The Company is subject to routine audits by tax jurisdictions; however, there are currently no audits in progress.

Reclassification

Certain amounts in the 2022 financial statements have been reclassified to conform with the current year presentation.

Your failure to obtain execution of a covenant required herein will constitute a default of this Agreement.

11.9 Survival of Covenants. The foregoing covenants in this Article 11 will survive the Termination of this Agreement and will apply regardless of whether this Agreement was Terminated by lapse of time, by default of either party, or for any other reason.

Article 12 – Transfers and Assignment

12.1 By Franchisor. This Agreement is fully assignable and Transferrable by Us and will inure to the benefit of any assignee, transferee or other legal successor to Our interests and obligations herein.

12.2 By Area Developer or Your Owners. You understand and acknowledge that the rights and duties created by this Agreement are personal to You and that We have granted this Agreement in reliance upon Your agreement to comply with all the terms and conditions of this Agreement, and Your individual character, skill, aptitude, attitude, business ability and financial capacity. Therefore:

12.2.1 Neither this Agreement nor any of its rights or privileges, nor any shares or units in the ownership of Your entity or Your Franchise Business(es) may be Transferred (as defined below) in any manner by You or anyone else, Including, by consolidation or merger, or by issuance of securities representing an ownership interest, unless Our prior written approval is obtained, which may be withheld in Our reasonable discretion. As a prerequisite to seeking Our consent, You must provide Us with all documentation relating to the Transfer of Your Franchise Business(es), Your entity, or this Agreement. Said approval will be conditioned upon Our satisfaction with the qualifications set forth in Section 12.4 below of the proposed transferee and its owners and officers. You must provide Us written notice of Your intent to Transfer prior to listing or offering the Franchise Business or Your Entity for sale.

12.2.2 Any such assignment or transfer without such approval will constitute a ~~breach~~default hereof and will not convey any rights to or interests in this Agreement to such assignee.

12.2.3 Consent to an assignment otherwise permissible under this Article 12 may be refused by Us, unless, prior to the effective date of the assignment: (a) all of Your obligations incurred in connection with this Agreement have been assumed by the assignee; (b) You have paid fees and other amounts owing Us; (c) the assignee or its owners meet Our criteria for new area developers and franchisees; (d) the assignee or its owners must have completed the training program required of new area developers and franchisees and are willing to execute and be bound by Our then-current area development agreement; (e) You or Your assignee have paid the “Area Development Agreement Transfer Fee” of \$20,000, plus the transfer fees set forth in each Franchise Agreement transferred; (f) You or Your assignee have paid a training fee for new franchisees at Our then-current rate to cover training expenses; and (g) You and Your Owners, representatives and/or agents have signed a general release in Our favor.

12.2.4 You remain liable for all direct and indirect obligations under this Agreement, Your Franchise Agreement(s) and Your Franchise Businesses prior to the effective date of the Transfer and will continue to remain responsible for Your obligations of nondisclosure, noncompetition and indemnification as provided in this Agreement and the Franchise Agreements, and must execute any and all instruments reasonably requested by Us to evidence such liability.

12.2.5 Any assignment, Transfer or other disposition by You of a Franchise Business within the Development Territory will be governed by the Franchise Agreement to which such Franchise Business is bound.

12.3 Transfers to Competitors Prohibited. In order to maintain the confidentiality of the proprietary information of the Intellectual Property and System, neither You or any of Your owners, partners, members, managers, officers or directors, may sell, Transfer, assign or pledge any part of this Agreement or any part of his or her ownership in Your entity, if applicable, to a competitor of Ours or an affiliate of a competitor of Ours without Our written permission. Any such sale, Transfer, assignment or pledge without Our written approval will be considered void ab initio.

12.4 Qualifications of Transferee. In determining the acceptability of the proposed transferee, We will consider, among other things, Our then-current standards for new franchisees and/or developers, including the net worth, credit worthiness, background, training, personality, reputation, brand-culture alignment, and business experience of the proposed transferee, the terms and conditions of the Transfer and any circumstances that would make the Transfer not in the best interests of Us or the System, including the proposed purchase price. We may meet and candidly discuss all matters relating to Your Franchise Business with the potential transferee. In no case will You or a proposed transferee rely on Us to review or evaluate any proposed Transfer. Neither We nor Our affiliates are liable to You or the transferee or any other person or entity relating to the Transfer and You must indemnify and hold Us and each Crumbl Party harmless from any liability whatsoever relating thereto.

12.5 Right of First Refusal of the Franchisor. If You or Your Owners, at any time determine to sell, assign or Transfer this Agreement, or an interest therein, or an ownership interest in Your entity (other than an internal Transfer as described in Section 12.8) and You or Your Owners obtain a bona fide, written offer from a responsible and fully disclosed purchaser, You shall submit an exact copy of

such offer to Us. We will have the right, exercisable by written notice delivered to You or Your Owners within 60 days from the date of delivery of an exact copy of such offer to Us, to purchase this Agreement and the development rights thereunder, or such interest in this Agreement, or such ownership interest in You for the price and on the terms and conditions contained in such offer, provided that We may substitute cash for any form of payment proposed in such offer and We will have not less than 60 days from the date We give notice to You of Our intent to purchase, to prepare for closing. If We do not exercise Our right of first refusal, but do authorize You in writing to complete the sale as provided above, then You or Your Owners may complete the sale to such purchaser pursuant to and on the terms of such offer, provided that if the sale to such purchaser is not completed within 150 days after delivery of such offer to Us, or if there is a material change in the terms of the sale that are less beneficial to You, We will again have the right of first refusal upon the terms and conditions herein provided. In no event may you complete the sale without Our prior written approval.

12.6 Death or Incapacity and Interim Management. In the event of the death or incapacity of an area developer that is an individual or an entity owned by one individual (the term “incapacity” means any physical or mental infirmity that prevents the person from performing his or her obligations under this Agreement: (i) for a period of 60 or more consecutive days, or (ii) for 100 days during a calendar year), Your heirs or personal representative will have the right to continue to fulfill Your obligations under this Agreement; provided that, We have the right to approve or reject of such heirs or personal representative, in Our sole discretion. If we give such approval, Your heirs or personal representative must, within a reasonable time (not more than 60 days) after such death or incapacity (or such longer period required by the laws of the state where Your Franchise Business is located), appoint a personal representative who must be approved by Us or this Agreement must be assigned or Transferred to a buyer approved by Us.

12.7 Owners of the Franchise. You shall disclose to Us all of the individuals and entities, along with all of their sub-owners down to the level of their individual owners, who own any interest in your franchise business or this Agreement. You represent and warrant that all such individuals and entities are the sole holders of a legal and beneficial interest in your franchise business or this Agreement. We reserve the right to decline entering into this Agreement with You or approving a Transfer of this Agreement, Your entity, or Your Franchise Businesses, if Your entity, or the transferee's entity, comprises, or will comprise, an excessive number of individuals, as determined by Us in Our sole discretion.

12.8 Internal Transfers. If a proposed Transfer of any interest in Your entity or this Agreement is only among existing shareholders or members of a corporation or limited liability company franchisee, or among existing partners of a partnership franchisee, or by an individual or partnership franchisee to a corporation or limited liability company controlled and owned 100% by You or any combination of Your current owners, and such proposed Transfer along with all of the Transfers of any interest in Your entity that have occurred during the Term, are comprised of, in the aggregate, 50% or less of the total ownership and voting interest in Your entity (ownership and voting interests will each be assessed separately), You are not required to pay the Area Development Agreement Transfer Fee for such Transfer and We will not be entitled to exercise Our right of first refusal set forth in Section 12.5. However, You shall obtain Our prior written consent before executing such proposed Transfer. All guarantors will remain guarantors to this Agreement unless otherwise released by Us in writing, in Our sole discretion. Each ownership certificate of a corporation or limited liability company franchisee must have endorsed upon its face that the Transfer thereof is subject to the restrictions of this Agreement.

Article 14 - Representations

14.1 Your Efforts. You understand that the success or failure of the development of Franchise Units in the Development Territory depends, in major part, upon Your efforts.

YOU REPRESENT, COVENANT AND AGREE THAT YOU HAVE THE BUSINESS ACUMEN, CORPORATE AUTHORITY AND FINANCIAL WHEREWITHAL TO ENTER INTO THIS AGREEMENT AND TO PERFORM ALL OF YOUR OBLIGATIONS HEREUNDER AND FURTHERMORE THAT THE EXECUTION OF THIS AGREEMENT IS NOT IN CONTRAVENTION OF ANY OTHER WRITTEN OR ORAL OBLIGATION OF YOURS.

14.2 FDD Acknowledgement. You represent that You have had a copy of Our franchise disclosure document (“FDD”) for at least 14 calendar days, prior to signing this Agreement or making any payment to Us, and during which time You had the opportunity to submit the FDD for review by legal counsel.

Article 15 - Disputes & Arbitration

15.1 Quick Resolution. You and We understand that there is always a possibility of differences of opinion or other disagreements in any business relationship and agree that it is important to resolve any disputes amicably, quickly, inexpensively and professionally and to return to business as soon as possible.

15.2 Manner of Handling Disputes. You and We agree that except as otherwise expressly provided for herein, in the event any controversy, dispute or claim whatsoever (“Dispute”) arises between Us or Our subsidiaries, parents and affiliates and each of Our respective shareholders, managers, officers, directors, members, agents, employees and attorneys (in their representative

capacity), if applicable, and You or Your entity owners, guarantors and employees, officers, directors, members, managers, agents, and attorneys (in their representative capacity), if applicable, in connection with, arising from, or with respect to, any provision hereof, the relationship created herein, or the validity of this Agreement or any provision hereof, or the offer and sale to You, such Dispute will be:

15.2.1 Face-to-Face Meeting. First discussed in a face-to-face meeting between You and Us at Our then-current headquarters and within 30 days after either You or We give written notice to the other proposing such a meeting. We have the right, in Our sole discretion, to waive this requirement.

15.2.2 Mediation. If, in the opinion of either You or Us, the face-to-face meeting requirement has not successfully resolved such matters and if desired by either You or Us, the matters will be submitted to non-binding mediation before Franchise Arbitration and Mediation Services (“FAM”) or as otherwise mutually agreed. The mediation will be conducted exclusively in Salt Lake County, Utah. On election by either party, arbitration as provided below may proceed forward at the same time as mediation. The mediator will be disqualified as a witness, consultant, expert or counsel for any party with respect to the Dispute and any related matters.

15.2.3 Arbitration. If in the opinion of either You or Us the mediation has not successfully resolved such matters, at the request of either You or Us, any Dispute will be submitted for arbitration to the offices of the American Arbitration Association in accordance with its commercial arbitration rules in effect. All arbitration hearings will be conducted exclusively in Salt Lake County, Utah. The arbitrator will have the power and jurisdiction to decide such Dispute solely in accordance with the express provisions of this Agreement. The arbitrator will render a written opinion setting forth the facts found, law applied and reasons for the decision.

(i) Arbitration Procedures. In any arbitration, the parties will be entitled to specific performance of the obligations under this Agreement. The arbitrator may award or otherwise provide for temporary restraining orders, preliminary injunctions, injunctions, attachments, claim and delivery proceedings, temporary protective orders, receiverships and other pre-judgment, equitable and/or interim relief as appropriate pending final resolution by binding arbitration of a Dispute, as well as in connection with any such final resolution, and may issue summary orders disposing of all or part of a Dispute at any point. Each party consents to the enforcement of such orders, injunctions, etc., by any court having jurisdiction. Offers and/or other communications made in connection with, or related in any way to, mediation, possible settlement or other resolution of a Dispute will not be admitted into evidence or otherwise used in connection with any arbitration or other proceeding, and any arbitration award in violation of this provision will be vacated by the arbitration appeal panel (described below) and/or any court having jurisdiction. The arbitrator will have the power to order compliance with such discovery procedures, as well as assess sanctions for non-compliance with any order. Discovery will be controlled by the arbitrator and will be permitted to the extent set out in this Paragraph. Each party may submit in writing to the other party, and the other party will respond, to a maximum of any combination of 25 (none of which may have subplots) of the following: interrogatories, demands to produce documents, and requests for admission. You and We are also entitled to take the oral deposition of one individual of the other party. Additional discovery may be permitted upon mutual agreement of the parties or by ruling of the arbitrator if petitioned by one of the parties. The arbitrator, and not a court, will decide any questions relating in any way to the parties’ agreement or claimed agreement to arbitrate, including a claim for fraud in the inducement or otherwise. Each participant

must submit or file any Dispute that would constitute a compulsory counterclaim (as defined by the applicable rule under the Federal Rules of Civil Procedure) within the same proceedings as the Dispute to which it relates. Any such Dispute that is not submitted or filed in such proceedings will be forever barred. The award and findings of the arbitrator will be conclusive and binding upon all parties hereto and the judgment upon the award may be entered in any court of competent jurisdiction.

(ii) Individual Disputes. Any Dispute and any arbitration will be conducted and resolved on an individual basis only and not on a class-wide, multiple plaintiff or similar basis between You and Us and will not be consolidated with any other arbitration proceeding involving Us and any other person, except that with respect to a Dispute involving You and Your affiliate, You and Your affiliate may both be parties to the arbitration.

(iii) Agreed Limitations. Except for payments owed by one party to the other, any legal action or arbitration proceeding (Including the offer and sale of a franchise to You) brought or instituted with respect to any Dispute hereunder must be brought or instituted within a period of one year from the date upon which a party discovered, or should have discovered, the facts giving rise to an alleged claim; provided that no claim may be brought more than two years after the first act or omission giving rise to an alleged claim.

(iv) No Special Damages. You and We waive any right or claim of any consequential, punitive or exemplary damages against each other and agree that in the event of a Dispute between You and Us, each will be limited to the recovery of actual damages sustained. You agree that We will not be liable for any act or omission which is consistent with this Agreement or which is done in subjective good faith.

(v) Exceptions to Arbitration. You and We agree that nothing in this Agreement obligates Us to arbitrate or mediate Disputes or issues relating to: (a) the validity of Our Marks, or other Intellectual Property; (b) rights to obtain a writ of attachment or other prejudgment remedies; (c) rights to receive and enforce a temporary restraining order, preliminary injunction, permanent injunction or other equitable relief; or (d) Disputes solely for fees and other monies owed by one party to the other under this Agreement not in connection with other Disputes.

(vi) Appeals. If any party to an arbitration wishes to appeal any final award by an arbitrator (there will be no appeal of interim awards, or other interim relief), that party can appeal, within 30 days of such final award, to a three-person arbitrator panel to be appointed by the same organization as conducted the arbitration to be held exclusively at the same location as specified above. The issues on appeal will be limited to the proper application of the law to the facts found at the arbitration and will not include any trial *de novo* or other fact-finding function. The party requesting such appeal must pay all costs and fees of the arbitrators and arbitration proceedings.

(vii) Sharing of Fees. Except for an appeal, the parties to the Dispute or action will share the fees and expenses of the arbitrator and arbitration organization equally during the arbitration. However, the prevailing party in any arbitration, appeal or other action will be entitled to recover the administrative costs of the arbitration proceeding, attorney's fees and the fee for the arbitrator(s).

(viii) Federal Arbitration Act. You and We mutually agree that all issues relating to arbitrability are governed exclusively by the Federal Arbitration Act and the federal

common law of arbitration to the exclusion of any state statutes or common law and will be decided by the arbitrator. All provisions of this Agreement pertaining to venue, choice-of-laws, dispute avoidance and resolution will be strictly enforced, and You and We will rely on federal preemption under the Federal Arbitration Act.

Article 16 – General Provisions

16.1 Severability. Except as expressly provided to the contrary herein, each section, paragraph, term and provision of this Agreement, and any portion thereof, will be considered severable.

16.2 Governing Law and Jurisdiction. This Agreement will be governed, construed and interpreted in accordance with the laws of the State of Utah without giving effect to its conflicts of law provisions. You and We agree that the provisions of this Agreement will control the state or provincial laws by which this Agreement will be governed and any provisions of state or provincial law to the contrary or any statements in Our franchise disclosure document or otherwise required as a condition of registration or otherwise. If the governing law requires terms other than or in addition to those in this Agreement, then such terms will be deemed incorporated herein, but only to the extent necessary to prevent the invalidity of this Agreement or any of the provisions hereof or the imposition of civil or criminal penalties or liability. To the extent permitted by the laws of the state whose laws govern this Agreement, You hereby waive any provisions of law or regulations which render any portion of this Agreement invalid or unenforceable in any respect. In order to facilitate our joint interests in having franchise issues determined in a consistent manner for application throughout the System, without in any way limiting or otherwise affecting Your and Our obligations regarding mediation and arbitration in accordance with the provisions of Article 15, if there is any litigation between us, You and We hereby irrevocably consent to, and waive any objection to, the exercise of general personal jurisdiction and venue in the courts of record of the State of Utah even though it may be otherwise possible to obtain jurisdiction elsewhere, and we both agree that Salt Lake County, State of Utah will be the exclusive venue for any litigation between us.

16.3 Waiver of Obligations. You and We will not be deemed to have waived or impaired any right, power or option reserved by this Agreement (Including, the right to demand exact compliance with every term, condition and covenant herein, or to declare any ~~breach~~default thereof to be a default and to terminate this Agreement prior to the expiration of its term), by virtue of any custom or practice of the parties at variance with the terms hereof or any failure, refusal or neglect of Us or You to exercise any right under this Agreement or to insist upon exact compliance by the other with its obligations hereunder.

16.4 No Off-Sets or Withholdings. You covenant and agree that You shall not offset or withhold the payment of any fees or other amounts due to Us or Our affiliates or suppliers on grounds of any dispute whatsoever, Including the alleged non-performance by Us of any of Our covenants or obligations hereunder.

16.5 Cumulative Remedies. Rights hereunder are cumulative and no exercise or enforcement of any right or remedy hereunder will preclude the exercise or enforcement of any other right or remedy hereunder which You or We are entitled by law or equity to enforce. Nothing herein contained will be interpreted as to bar or waive Our right to obtain any remedy available at law or in equity including injunctive relief.

16.6 Costs and Attorney's Fees. The prevailing party in any legal proceeding will be entitled to reimbursement of its costs and expenses, Including reasonable accounting and legal fees. For purposes of this Agreement, "prevailing party" Includes, the party which obtains a judgment in their favor, or agrees to dismiss an action or proceeding upon the other's payment of sums allegedly due or performance of the covenants allegedly ~~breached/defaulted~~, or which obtains substantially the relief sought.

16.7 Binding Effect. This Agreement will be binding upon the parties hereto and their respective assigns and successors in interest.

16.8 Entire Agreement. This Agreement, Including preambles and exhibit(s) to this Agreement, if any, are a part of this Agreement, which constitutes the entire agreement of the parties relating to the subject matter herein, and there are no other oral or written understandings or agreements between You and Us relating to the subject matter of this Agreement. No modifications of the terms of this Agreement will be valid unless made in writing and executed by both Us and You. Except as otherwise expressly provided herein, nothing in this Agreement is intended, or will be deemed, to confer any rights or remedies upon any person or legal entity not a party hereto. Nothing in this Agreement or in any related agreement is intended to disclaim the representations We made in Our franchise disclosure document. This Agreement may be amended in whole or in part only by an agreement in writing signed and dated by the parties.

16.9 Limited Obligations. We make no warranty or covenant to provide to You any level of Marketing, site selection assistance, or other development or operational assistance or services, other than as expressly set forth in this Agreement. This Agreement does grant You the right to be awarded additional franchises other than as expressly set forth in this Agreement.

16.10 No Misrepresentations. You further represent to Us, as an inducement to Our entry into this Agreement, that You have made no misrepresentations in obtaining the award of this franchise.

16.11 Representations of Non-Violation. You represent and warrant that You can- enter into this Agreement and that the execution and performance of this Agreement will not be in violation or ~~breach/default~~, or cause the violation or ~~breach/default~~, of any agreement or covenant between them or any of them and any third-party or the violation, ~~default~~, or breach of any order, decree or judgment of any court or administrative agency.

16.12 Interpretation of Agreement. Words in the masculine gender include the feminine and neuter. Use of the singular will Include the appropriate plural numbers. The headings and title of this Agreement are not part of this Agreement, having been inserted for convenience of reference only, and will have no effect upon the construction or interpretation of this Agreement.

16.13 Relationship of the Parties. In all matters, You are an independent contractor. Nothing in this Agreement constitutes You as Our partner, agent, or joint venture with Us and this Agreement does not create a fiduciary relationship between You and Us. Neither party may act or have the authority to act as agent for the other, and neither party is liable for the debts, liabilities, taxes, duties, obligations, defaults, compliance, intentional acts, wages, negligence, errors or omissions of the other. You acknowledge that You do not have authority to incur any obligations, responsibilities or liabilities

on behalf of Us, or to bind Us by any representations or warranties, and You agree not to hold Yourself out as having such authority.

SCHEDULE "D-4"

**ADDENDUM TO THE AREA DEVELOPMENT AGREEMENT
FOR THE STATE OF WASHINGTON**

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

In lieu of an impound of franchise fees, the Franchisor will not require or accept the payment of any initial franchise fees until the franchisee has (a) received all pre-opening and initial training obligations that it is entitled to under the franchise agreement or offering circular, and (b) is open for business. Because franchisor has material pre-opening obligations with respect to each franchised business

Franchisee opens under the Area Development Agreement, payment of the franchise fee will be released proportionally with respect to each franchise outlet opened and until franchisor has met all its pre-opening obligations under the Agreement and Franchisee is open for business with respect to each such location.

The undersigned does hereby acknowledge receipt of this addendum.

In particular, the parties waive the benefit of any applicable statutory provision such as by illustration, California Civil Code Section 1542, which states:

(g) if the Secured Party in good faith believes upon commercially reasonable grounds that the prospect of payment or performance on the part of the Debtor of any of its obligations is, or is about to be, impaired or that the Collateral, or any part thereof, is, or is about to be, in jeopardy including danger of being lost, damaged or confiscated or removed from the jurisdiction in which it is situate.

Article 8 – ENFORCEMENT AND REMEDIES

8.1 Upon default the security interests granted hereby shall become enforceable and the Secured Party shall have all the rights and remedies available to it under the applicable laws, including, but without restricting the generality of the foregoing, the following rights and remedies:

(a) the Secured Party may appoint by instrument in writing a Receiver of all or any part of the Collateral and remove or replace such Receiver from time to time or may institute proceedings in any Court of competent jurisdiction for the appointment of such a Receiver. Any such Receiver or Receivers so appointed shall have power to take possession of the Collateral hereby charged or to carry on the business of the Debtor and to concur in selling any of such Collateral or any part thereof, and for such purposes to occupy and use any real or personal property of the Debtor without charge therefor for so long as may be necessary;

(b) the Secured Party may demand that the Debtor assemble the Collateral or any part thereof, in any convenient place designated by the Secured Party and deliver possession of all of the Collateral or any part thereof to the Secured Party;

(c) the Secured Party may take such steps as it considers necessary or desirable to obtain possession of all or any part of the Collateral, and to that end the Debtor agrees that the Secured Party may by its servants, agents or Receiver at any time during the day or night enter upon lands and premises, and if necessary break into houses, buildings and other enclosures where the Collateral may be found for the purpose of taking possession of and removing the Collateral or any part thereof;

(d) the Secured Party may seize, collect, realize, borrow money on the security of, release to third parties or otherwise deal with the Collateral or any part thereof in such manner, upon such terms and conditions and at such time or times as may seem to it advisable and without notice to the Debtor (except as otherwise required by any applicable law);

(e) the Secured Party may charge the Debtor for any expense incurred by the Secured Party (including taxes, insurance, legal fees and disbursements on a solicitor and own client basis, site inspection costs, and appraisal, accounting and receiver fees) in protecting, seizing, collecting, realizing, borrowing on the security of, selling or obtaining payment of the Collateral or any part thereof and may add the amount of such sums to the indebtedness of the Debtor;

(f) the Secured Party may elect to retain all or any part of the Collateral in satisfaction of the obligations, indebtedness and liabilities of the Debtor to the Secured Party;

(g) the Secured Party may grant extensions of time and other indulgences, take and give up securities, accept compositions, grant releases and discharges, release any part of the Collateral to third parties and otherwise deal with the Debtor, debtors of the Debtor, sureties and others and with the Collateral and other securities as the Secured Party may see fit without prejudice to the liability of the Debtor or the Secured Party's right to hold and realize the Collateral;

(h) in the event of the Secured Party taking possession of the Collateral, or any part thereof in accordance with the provisions of this Agreement, the Secured Party shall have the right to maintain the same upon the premises on which the Collateral may then be situate and for the purpose of such maintaining shall be entitled to the free use and enjoyment of all necessary buildings, premises, housing, stabling, shelter and accommodation for the proper maintaining, housing and protection of the Collateral so taken possession of by the Secured Party as aforesaid, and for its servant or servants, assistant or assistants and the Debtor covenants and agrees to provide the same without cost or expense to the Secured Party until such time as the Secured Party shall determine in its discretion to remove, sell or otherwise dispose of the Collateral so taken possession of by it as aforesaid;

(i) to facilitate the realization of the Collateral, the Secured Party may carry on or concur in the carrying on of all or part of the business of the Debtor and may, to the exclusion of all others, including the Debtor, enter upon, occupy and use all or any of the premises, buildings, plant and undertaking of the Debtor or occupied or used by the Debtor, and use all or any of the tools, machinery and equipment of the Debtor for such time as the Secured Party sees fit, free of charge, to manufacture or complete the manufacture of any inventory and to pack and ship the finished product, and the Secured Party shall not be liable to the Debtor for any neglect in so doing or in respect of any rent, rent charges, depreciation or damages in connection with such actions;

(j) the Secured Party may, if it deems it necessary for the proper realization of all or any part of the Collateral, pay any encumbrance, lien, claim or charge that may exist or be threatened against the Collateral and in every such case the amounts so paid together with costs, charges and expenses incurred in connection therewith shall be added to the Obligations at the date of payment thereof by the Secured Party;

(k) the Secured Party may sell, lease or otherwise dispose of all or any part of the Collateral, whether by public or private sale or lease or otherwise, in such manner, at such price as can be reasonably obtained therefore and on such terms as to credit, including deferring payment for the Collateral so disposed of, and with such conditions of sale and stipulations as to title or conveyance or evidence of title or otherwise as to the Secured Party may seem reasonable, provided that if any sale is on credit the Debtor will not be entitled to be credited with the proceeds of any such sale, lease or other disposition until the monies therefor are actually received; and

(l) all monies collected or received by the Secured Party in respect of the Collateral may be applied on account of such parts of the indebtedness and liability of the Debtor as to the Secured Party seems best or may be held inappropriate in a Collateral account or in the discretion of the Secured Party may be released to the Debtor, all without prejudice to the Secured Party's claims upon the Debtor.

8.2 Notwithstanding anything contained in Article 8.1 herein, the Secured Party shall have the right to collect any payment arising from any Account Receivables or Intangibles both before and after default.

Article 9 – WAIVER

9.1 The Secured Party may permit the Debtor to remedy any default without waiving the default so remedied, and the Secured Party may waive any default without having waived any other subsequent or prior default by the Debtor. A waiver shall only be binding on the Secured Party if it has been given in writing.

9.2 The Debtor shall not be discharged by any extension of time, additional advances, renewals and extensions, the taking of further security, releasing of security, extinguishment of the security interest created herein as to all or any part of the Collateral, the failure to perfect the security interest or any other act except a release or discharge of the said security interest upon the full payment of the obligations, indebtedness and liabilities secured by this Agreement, including charges, expenses, fees, costs and interest.

Article 10 – NON-LIABILITY OF THE SECURED PARTY

10.1 The Secured Party shall not be liable or accountable for any failure to seize, collect, realize, sell or obtain payment of the Collateral or any part thereof and shall not be bound to institute proceedings for the purpose of seizing, collecting, realizing or obtaining possession or payments of the same or for the purpose of preserving any rights of the Secured Party, the Debtor, or any other person, firm or body corporate in respect of same.
