What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in MN. Registration does not mean that the MN recommends the franchise or has verified the information in this document. To find out if your MN has a registration requirement, or to contact your MN, use the agency information in Exhibit C.

Your MN also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the MN Specific Addenda. See the Table of Contents for the location of the MN Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain Estates require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution**. The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in MN. Out-of-MN mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in MN than in your own MN.
2. **Mandatory minimum royalty payments**. You must make minimum royalty payments, regardless of your sales levels. Your inability to make payments may result in termination of your franchise and loss of your investment.

B. Actions Involving SBS Franchising and its Affiliates

In re: Stratus Franchising, LLC, Peter Frese, and Dennis Jarrett, California Department of Business Oversight, Org. ID: 84407 (September 15, 2015). In September of 2019, SBS Franchising first learned that a 2015 injunctive order had been issued against its predecessor, Stratus Franchising, LLC (the predecessor to SBS Franchising, LLC in the ownership and operation of the Stratus Building Solutions franchise system) and certain of its executives. The order issued by the California Department of Business Oversight (the “Department”) MNs that between 2007 and 2011, in various filings with the Department that were signed by President and COO Peter Frese on behalf of Stratus Franchising, LLC, the prior experience of CEO Dennis Jarrett between 2001 and 2004 was incorrectly MNd as “President” of Jan-Pro International instead of “Vice President.” Based on these misMNments, the Department ordered Stratus Franchising, LLC, Peter Frese, and Dennis Jarrett to desist and refrain from willfully making untrue MNments of material fact in franchise applications filed with the Department. The order was entered approximately eight months after SBS Franchising acquired the assets of the Stratus Franchising, LLC.

Commonwealth of Virginia, ex rel., MN Corporation Commission v. Pete Frese, Jr. and Stratus Franchising, LLC, Commonwealth of Virginia, MN Corporation Commission, Case No. SEC-2011-00008 (2011). The Commission alleged that Stratus Franchising, LLC (the predecessor to SBS Franchising, LLC in the ownership and operation of the Stratus Building Solutions franchise system) and Pete Frese, Jr., principal and officer of Stratus Franchising, LLC violated § 13.1-563 (2) of the Virginia Retail Franchising Act, § 13.1-557 et seq. of the Code of Virginia, by making untrue MNments of a material fact or omitting to MN a material fact necessary in order to avoid misleading the offeree in connection with the sale or offer to sell a franchise. On June 16, 2011 the defendants agreed to a Settlement Order under which they neither admitted nor denied the allegations but agreed to pay to the Treasurer of the Commonwealth of Virginia, \$15,000 in monetary penalties and \$5,000 in costs, and agreed not to violate the Virginia Retail Franchise Act in the future.

Other than that listed above, no litigation is required to be disclosed in this Item.

Please note that this amount does not include the interest paid or any applicable sales tax owed by you. The form of promissory note is located at Exhibit B of the Franchise Agreement.

No portion of the initial franchise fee is refundable, and the fee is fully earned by Stratus OF ST PAUL when paid. However, if Stratus OF ST PAUL, within the time allowed by the Franchise Agreement following the date you complete the Brand Certification Program (as hereinafter defined), fails to offer you Customer Accounts with gross annual billing equivalent to that MND in the franchise plan for which you have contracted, then Stratus OF ST PAUL will refund a portion of your initial franchise fee equal to the difference between the initial franchise fee of the franchise plan for which you originally contracted and the initial franchise fee of the plan that corresponds with the number of accounts that have actually been offered to you by Stratus OF ST PAUL.

For example, if you originally contracted with Stratus OF ST PAUL for an SBS-24 franchise plan and paid the full cash payment, then you paid an initial franchise fee of \$10,800 and Stratus was obligated to provide you with Customer Accounts with gross annual billing equaling \$24,000 per year.

If Stratus OF ST PAUL within 120 days only offered you \$18,000 in Customer Accounts, then Stratus OF ST PAUL would owe you a credit calculated as follows:

\$10,800 (the initial franchise fee for an SBS-24) – \$8,550 (the initial franchise fee for an SBS-18) = \$2,250

Stratus OF ST PAUL first will apply this credit to any outstanding financing and or monies owed by you to Stratus OF ST PAUL. If none exist, then a cash refund will be given or applied to your future accounts. If a credit is provided, then Stratus OF ST PAUL will have fulfilled its obligation to you and the refund will be your sole remedy.

For veterans of the U.S. military forces, Stratus OF ST PAUL offers the opportunity to enjoy a 10% discount off the initial franchise fee for any franchise plan of SBS-24 level or greater. This program is available for all veterans who have received an honorable discharge from the U.S. military. The veteran participant must maintain at least a 51% ownership interest in the company and be a “hands on” partner. A copy of the form

DD-214 evidencing the status of a participating veteran must be submitted at the time the Franchise Agreement is signed.

***All of these fees are payable to Stratus OF ST PAUL and are not refundable.**

- 1. Royalty** – You will pay a monthly royalty fee equal to 5% of the monthly Gross Revenues for the preceding month. “Gross Revenues” means the total amount of all bills and invoices sent by Stratus OF ST PAUL to each account serviced by you during a calendar month, whether the bills and invoices represent janitorial services, goods, supplies or any other services or products related to the Franchised Business. Any sales taxes paid to appropriate tax authorities, any monies billed but uncollected, and any revenue from Additional Business Services are excluded from Gross Revenues.
- 2. Administration** – Stratus OF ST PAUL provides you with billing and collection services for all the services and supplies you have provided your Customers [and lines of credit with suppliers]. Stratus OF ST PAUL will also provide you with a monthly report detailing Gross Revenues along with any deductions. In exchange for such services, you will pay Stratus OF ST PAUL an administration fee equaling 10% of your monthly Gross Revenues.
- 3. Advertising Fee** – See **Item 11** of this Disclosure Document for more information about the advertising fee (if any).
- 4. Business Insurance Fee** – Stratus OF ST PAUL requires you to carry \$2,000,000 in liability insurance, \$50,000 in fidelity bonding theft insurance, and workers’ compensation insurance, if required by your MN. You must also purchase comprehensive general liability insurance, including property, bodily injury, automotive and product coverage.

Stratus OF ST PAUL may make available to you, as a convenience, an insurance program in which you may participate if you choose. The program offered by Stratus OF ST PAUL includes \$2,000,000 in liability insurance and \$50,000 in fidelity bonding theft insurance. You must acquire your own workers’ compensation insurance, if by law you meet the requirements outlined by your MN for this type of insurance.

Stratus OF ST PAUL reserves the right to either discontinue offering its business insurance or to make it mandatory for you to participate in the Stratus OF ST PAUL business insurance program. Even if you participate in the program, you will be obligated to obtain, at your own expense, your own insurance coverage for any work you perform for your own Customer Accounts, as described in Sections 2.3, 2.4, or 2.5 of the Franchise Agreement. You must also show proof of coverage in written form, and you must name Stratus OF ST PAUL and SBS Franchising as additional on insureds all insurance policies.

Workers’ compensation will also be covered in the Stratus OF ST PAUL program, up to 5% of monthly Gross Revenue. In the event that the size of your franchise or the number of employees you hire forces the workers’ compensation costs for your specific company over the 5% limits, any additional fees will be passed directly on to you. If the law of your MN requires you to obtain your own workers’

compensation insurance from a MN program or otherwise, we may make the Stratus OF ST PAUL program available to you at a reduced cost, with the workers' compensation component removed.

All franchisees who participate in the program must pay Stratus OF ST PAUL a business insurance fee, which is currently [5%] of monthly Gross Revenues. [Note – Confirm or revise the amount of the business insurance fee currently charged by Stratus OF ST PAUL (here and in the table above). In most cases, this will be 5% as noted. In some MNs the fee may be higher. In MNs where franchisees are required to obtain their own workers' compensation insurance, and Stratus OF ST PAUL cannot offer that component of the program, the fee will be lower. Consult with your legal counsel to determine whether franchisees in your MN must obtain their own workers' compensation coverage.]

5. Account Acquisition Fee – If you choose to accept accounts that are over and above the gross revenue as described in the franchise plan you have selected, then you will be obligated to pay Stratus OF ST PAUL an account acquisition fee. This fee is calculated as depicted below:

$$\begin{array}{ccccccc} \$ \underline{\hspace{2cm}} & - & \$ \underline{\hspace{2cm}} & = & \$ \underline{\hspace{2cm}} & \times & \underline{\hspace{1cm}} \text{ 3/4/5} \\ \text{Additional Billing} & & \text{Business Owed} & & \text{Billing Volume Difference} & \text{Multiplier} & \text{Account Acquisition Fee} \end{array}$$

In other words, the account acquisition fee is the difference between the billing provided by the additional account and any business owed to you by Stratus OF ST PAUL (if any), multiplied by 3, 4 or 5. The use of the 3, 4 or 5 multiplier in the calculation depends upon the size of the franchise plan you have chosen.

- If you invest below the SBS-12 level, or the gross revenue from the month prior to accepting the new account was less than \$12,000 per year, then the 5 multiplier will be used.
- If you invest at the SBS 12 plan or higher, but the gross revenue from the month prior to accepting the new account was less than \$24,000 per year, then the 4 multiplier will be used.
- If you invested at the SBS 24 level or higher, or the gross revenue from the month prior to accepting the new account is \$24,000 or greater per year, then the 3 multiplier will be used.

If you pay the account in full at the time you accept such account, you will receive a 10% discount in the fee. The value of this additional Customer Account will also be replaced if the account is lost for any reason other than poor performance, theft, security or no shows.

Financing may be available provided that you have not had a complaint or unacceptable inspection from any of their current Customers within the previous 60 days. Customer Accounts that are financed receive no discounts and are not replaced for any reason. If the account cancels for issues that are not performance related, you will not receive any credits or refunds. If the account cancels for performance reasons, you will owe the remainder of the amount financed. If an account that was paid in full cancels for performance reasons, you will not be due any refund or credits.

You may obtain additional Customer Accounts from Stratus OF ST PAUL and not be obligated to pay the account acquisition fee if you refer someone to Stratus OF ST PAUL. When the person you referred to Stratus OF ST PAUL purchases a franchise, you will receive additional Customer Accounts equivalent to 10% of whatever franchise plan they purchased. For example, if the person you referred purchases an SBS-60, you will receive \$6,000 in annual business, free, in the form of new Customer Accounts.

As an independent business owner, you are also strongly encouraged to solicit new business yourself. For any Customer Account that you solicit and obtain without our assistance, you will not pay an account acquisition fee. However, if while in the process of soliciting your own business, you ask Stratus OF ST PAUL to assist in the bidding and negotiation process, an account acquisition fee of 50% may be due to Stratus OF ST PAUL depending on its level of involvement. Regardless, the revenues from these new Customer Accounts will be included for the purpose of calculating the royalty fees, management fees, and (if applicable) insurance fees that you must pay to Stratus OF ST PAUL. In other words, all of your business will be included for the purpose of calculating royalties, management, insurance, and other fees.

- 6. Sale of Franchise Transfer Fee** – There will be a transfer fee upon the sale of your franchise unless you transfer your franchise to an immediate family member or to a company which you own wholly. This fee is 5% of your annual Gross Revenues of the Customer Accounts being sold, or \$750, whichever is greater. You may not sell an individual account or Customer Accounts. The fee is due upon signing of the new franchise agreement. In the case of a transfer of 10% or more of the ownership interest in the Franchisee, a transfer fee equal to 10% of the sales price of such ownership interest is payable to us.
- 7. Name Changes, Additions and Deletions** – You are permitted to add or delete a person from the franchise agreement only if you first obtain written approval from Stratus OF ST PAUL and pay an administration fee of \$250. This fee is due at the time of the change. New promissory notes may be required as well. Stratus OF ST PAUL reserves the right to deny the release of anyone from a previously signed promissory note. If all of the original parties are being removed from the franchise agreement, the procedure will be treated as a sale of your franchise and the transfer fee described in note 6 above will be invoked.
- 8. Account Transfer Fees** – You may request to transfer out of a Customer Account at any time. In addition, we may transfer ownership of a Customer Account to ourselves or to another franchisee and require you to discontinue your service for such transferred Customer Account(s) upon certain circumstances outlined in the franchise agreement. Because the transfer of any Customer Account destabilizes such Account, the following transfer fees will be charged:
 - a \$50 administration fee will be charged to handle the administrative costs related to transferring the account.
 - a transfer fee equal to 10% of the monthly billing or a minimum of \$100 will apply; and
 - if, at any time, the account has performance issues (including Failure to Service, Repeated complaints, Customer Requested, Procedures Violations, and other customer-reported troubles) and has to be transferred, an additional \$75 complaint fee will be charged for all trouble transfers, and all remaining account acquisition fees will continue to be assessed.
- 9. Customer Requested Trouble Transfer Fee** – Customer may request a change of franchisee of the Customer's Account as a result of failure to service, repeated complaints, procedures violations and other customer reported troubles. Because the transfer of any Customer Account destabilizes such Account, the following transfer fees will be charged:
 - a \$50 administration fee and a \$75 complaint fee will be charged to handle the administrative costs related to transferring the account, and
 - a transfer fee equal to 10% of the monthly billing or a minimum of \$100 will apply.

10. Account Abandonment Fees – If for any reason you abandon any or all of your Customer Accounts, the following will apply:

- an administrative transfer fee of \$50 will be assessed on all troubled transfers, to cover administrative expenses involved with the transfer.
- a \$75 Complaint Fee and any appropriate Service Fee and Expenses to restore the building to proper appearance will automatically be charged to the Franchisee.
- a troubled transfer fee of \$100 or 10% of the gross billing, whichever is greater, will be applied in addition to any other charges.
- any outstanding note payments will become immediately due and payable with no discounts given; and
- all future revenues from abandoned Customer Accounts will be forfeited.

11. Complaint Fees – From time to time, Customers will call into Stratus OF ST PAUL regarding a complaint about the service of their account. In order to promote full compliance with all Stratus Building Solutions' performance standards, a Complaint Fee will be charged to any Franchisee who does not comply with the time frames allotted for initial response or corrective action to a customer complaint. You are responsible for notifying Stratus OF ST PAUL of any changes in, or additions to, telephone numbers where you can be reached within one hour. To avoid the Complaint Fee and the Service Fee, it is very important that you provide a means by which to be contacted. Regular communication or information exchanged between clients and Stratus OF ST PAUL are exempt from these fees. The Complaint Fee and the Service Fee will be assessed under the following conditions:

- two or more complaints for similar issues are made to Stratus OF ST PAUL within a 120-day time frame;
- Stratus OF ST PAUL cannot locate the Franchisee or Franchisee does not respond to the Regional Office within a two-hour period;
- the complaint was made known to the Franchisee, and two hours after the opening of the business the next morning, the deficiency in performance was not corrected to the satisfaction of the customer nor to us, thus requiring the Operations Department to respond to the complaint; or
- if the initial complaint call to Stratus OF ST PAUL requires immediate action to meet a customer's demand for a visit or performance of services at the client's premises.

12. Failure to Service Fee – A Failure to Service Fee of \$75 or 10% of the monthly billing (whichever is greater) will be assessed for each and every missed clean, regardless of the reason for the missed clean (e.g., snow, flat tire, forgotten keys). The Fee will not be assessed if the Franchisee calls BOTH the customer and the Regional Office alerting each to the circumstances of the missed clean. If the customer complains about the missed clean or the Franchisee calls only the customer or only the Regional Office, the fee will be applied.

13. Service Fee – A Service Fee will be assessed when we are required to complete your obligations, as follows:

- We service an account on behalf of Franchisee: a fee in the amount of \$50 per hour, plus expenses (e.g., labor, materials, supplies, equipment, etc.), for our personnel's time spent on building services required to rectify the complaint or satisfy the unhappy client.
- Monthly MNment: a fee of \$50 will be applied if the Franchisee fails to turn in its monthly MNment by the 10th of the month following the month in which the work was completed.
- Monthly Evaluations: a fee of \$25 will be applied if customer evaluations for the prior month are not turned in by the 10th of the following month.

14. Account Cancellation for Cause Fee – A performance cancellation (regardless of MNd reason) where there have been service problems, theft, failure to service on scheduled service dates, account requested change in Franchisee, verbally or in writing, is a very serious setback. It not only affects the Franchisee's finances, but also damages Stratus Building Solutions' image and reputation as well. Due to the seriousness of this type of cancellation, the policy is as follows:

- A \$50 administration fee will be charged to handle the administrative costs related to canceling the account.
- A \$75 Complaint Fee, and any pertinent Service Fee and expenses, will be charged automatically.
- Any Account Acquisition Fees still owed on the account remain on the books and are payable to us. Fees will be deducted from other Customer Accounts Franchisee is servicing, if any.
- Franchisee will be charged the equivalent of 50% of the month's gross billing on the first account lost, 75% of the month's gross billing for the second account lost, and one full month's gross billing for every account lost thereafter in a 12-month period of time, plus the \$75 complaint fee and any pertinent Service Fee and expenses.

15. Isolated (Special) Services Fee – Special or isolated services are typically one time services and may include hard floor care, carpet cleaning, window washing, construction cleans, apartment turnarounds, etc. You are not obligated to accept an isolated service account. These services will not be included in your monthly Gross Revenues but will be reported and invoiced separately. Each time you perform an isolated or special service, you will pay Stratus OF ST PAUL a fee of 10% of the monthly billing for that isolated service in addition to your royalty and other fees due to Stratus OF ST PAUL. If you acquire an isolated service account on your own and the customer does not already have an account with Stratus OF ST PAUL or is not an account already serviced by you, then you do not owe the isolated service fee; however, you will still pay Stratus OF ST PAUL the royalty, administration and insurance (if applicable) fees.

16. Re-Certification Fee – You may request re-certification for specific of St Pauls or in general. Requested training under the Brand Certification Program is free if you have not had any complaints from your current Customers and if you participate in a scheduled class. Please see **Item 11** of this Disclosure Document for more information pertaining to Stratus OF ST PAUL Brand Certification Program. Mandatory re-certification may be required in part or in whole, if you have had multiple customer complaints, lost a Customer Account, or had a Customer Account transferred due to performance issues. The re-certification fee is presently \$75 per class and is payable in full prior to the class being scheduled. No future Customer Accounts will be offered to you until you satisfactorily complete the Brand Certification Program, and you will not qualify for financing for the next two

“additional accounts” you choose to accept. Please see **Item 10** of this Disclosure Document for more information pertaining to financing of additional account fees.

Unless otherwise stated, these expenditures are not refundable unless expenditures to third parties are refundable by their terms. Except as expressly MND, these estimates cover your initial cash investment up to the opening of your Franchised Business. The ranges and categories of expenses listed in the table above are based solely on the experience of SBS Franchising, and your expenses may be significantly different depending on the market in the Territory and local costs. Do not rely on this estimate of expenses to project your future performance because your expenses may differ from the ranges above, and you will have additional expenses which we have not listed.

1. Initial Franchise Fee – The amount of the initial franchise fee is dependent upon the franchise plan selected and whether or not you choose to pay the entire amount in cash upon signing the Franchise Agreement or if you choose to have the fee financed with Stratus OF ST PAUL. The investment range in the chart above is the range of initial investment for the packages depicted in the tables in Item 5 of this Disclosure Document. The investment range may continue beyond the listed upper limit if Franchisee desires a larger package than depicted in the tables in **Item 5** of this Disclosure Document. All payments must be in cash or certified funds. The initial franchise fee is considered earned by Stratus OF ST PAUL upon signing the Franchise Agreement. A portion may be refunded if all Customer Accounts are not offered in the appropriate amount of time.

- 2. Brand Certification Program Expenses** – We provide a comprehensive brand certification program, which includes video, classroom, and on-site training similar to the actual work that will be performed by your Franchised Business (the “Brand Certification Program”). The Brand Certification Program is mandatory and must be completed in its entirety and you must pass all testing before being offered any Customer Accounts. The Brand Certification Program sessions are typically completed locally, within the Territory, and should not require overnight or out of town travel. If travel were to be necessary, however, you would be responsible for all expenses.
- 3. Professional Costs** – At your option, you may choose to consult with an accountant or an attorney to help you set up your business. We recommend that you consider this. Franchisees are required to be entities, for example a limited liability company, corporation, or partnership. Forming such an entity will require various filings with your MN, and there will be filing fees that can range from \$150 to \$1,000 depending on where you file.
- 4. Real Estate** – Stratus OF ST PAUL does not require you to have an office or storage facility outside your home. Most Franchisees operate their business from their home, while utilizing the storage space that many Customers provide. You may choose to keep your equipment in a storage facility.
- 5. Vehicle** – You may drive your personal vehicle to and from the Customer Accounts you service. There is no requirement to purchase a special vehicle for your business. Any vehicle driven must be insured. Please see note 6 below for more information pertaining to insurance.
- 6. Insurance** – You must carry vehicle insurance that has a liability minimum of \$250,000, or meets your MN’s requirements, whichever is greater. You must also carry the insurance described in **Item 6** of this Disclosure Document. Insurance carriers may require you to pay for the coverage in full or make a deposit toward the estimated premium.
- 7. Equipment & Supply Starter Package** – You must purchase a basic starter package from an approved vendor that distributes professional quality equipment and supplies before you are qualified to service any Customer Accounts. The contents of the basic starter package are listed in Exhibit B to this Disclosure Document. This is a basic package and may be enhanced to more accurately fit the needs of your Customer Accounts.
- 8. Business Licenses** – You must secure all necessary local and MN business licenses and permits, as they may be required. The fee for these licenses may vary within each municipality and each MN.
- 9. Additional Funds** – There are usually additional items that will be needed to start your business, such as uniforms, cell phones and administrative supplies. The cost of equipment, chemicals, supplies, insurance, and uniforms purchased in accordance with specifications, through us or another approved supplier, represents most of your non-payroll expenditures in establishing and operating your commercial cleaning franchise. These expenditures do not include labor costs.

ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

The success of a commercial cleaning franchise system such as the Stratus System depends upon high standards of workmanship. Therefore, quality control is very important. In order to achieve these high standards, only professional cleaning chemicals, supplies, and equipment can be used. Stratus has developed its own private branded chemicals that all Unit Franchisees must use.

Due to quality control considerations, you must purchase or lease your equipment according to the specifications of Stratus OF ST PAUL. You must also purchase certain chemicals and supplies according to our specifications, as outlined in the Franchise Agreement, the Stratus OF ST PAUL Brand Standards Manual, or in other manuals or directives Stratus OF ST PAUL may issue. These specifications include standards for quality, safety, OSHA compliance, cleaning efficiency, compatibility with approved chemicals and economy. The contents of the basic starter package are listed in Exhibit B to this Disclosure Document.

During the Brand Certification Program, Stratus OF ST PAUL will identify approved equipment, chemicals, and supplies and approved suppliers for such items. Qualification criteria include requirements such as the identification of product composition and compliance with OSHA requirements. A list of all of the criteria of what constitutes an approved supplier or item is available upon written request to the President of Stratus OF ST PAUL. Neither Stratus OF ST PAUL nor SBS Franchising nor the principals in either of those entities owns an interest in any of the approved suppliers.

If you would like to purchase non-approved equipment, chemicals, and supplies, or you want to purchase from a non-approved supplier, you must submit a "Request for Approval". Upon receipt of such request, Stratus OF ST PAUL will test for performance indications, including: cleaning efficiency, safety, ease of application, durability, and economy, and notify you of our approval or disapproval within 30 days. If you do not receive a response from us within 30 days, such request shall be deemed disapproved. Stratus branded chemicals have met all these requirements and must be utilized as part of the quality control program. For items of necessity beyond the Stratus brand offering, we will approve an item or supplier if it meets the performance standards of an approved item or supplier. Stratus OF ST PAUL reserves the right to revoke its approval of a supplier or product if it is determined that it no longer meets quality or operational standards including customer service and pricing. Upon written notification of revocation, you must cease using the disapproved supplier or product.

If a Customer specifies the use of certain products or equipment for cleaning a particular surface or item, you are obligated to purchase or lease such products or equipment in accordance with those specifications as long as such products or equipment comply with OSHA requirements.

If you purchase any goods, services, supplies, materials or other products from a supplier who has established a business relationship with SBS Franchising, or purchase products directly from SBS Franchising, SBS Franchising may derive revenue from the purchase made by you, including rebates or other discounts from certain suppliers for purchases made by you and other franchisees.

During its most recent fiscal year, ending December 31, 2021, SBS Franchising did not receive any revenue from required purchases made by franchisees of goods, services, supplies, materials, or other products, but did receive rebates of approximately \$5,000 from purchases from its supplier of green cleaning chemicals, Nyco, by master franchisees and franchisees. In the last fiscal year, SBS Franchising's rebates were less than 1% of its total revenues.

You are not required to purchase or obtain from Stratus OF ST PAUL any goods, services, supplies, cleaning chemicals, fixtures, equipment, inventory, insurance coverage, or real estate for your business, although Stratus OF ST PAUL is an approved supplier of certain goods (including cleaning chemicals) and services, and it may charge a mark-up on any sales of this type. Stratus OF ST PAUL uses its purchasing power to negotiate arrangements with some suppliers for your benefit, which typically represent a savings to you of 5% - 30% off the manufacturer's retail list price.

During its most recent fiscal year, Stratus OF ST PAUL had revenues of approximately \$2,580 from the sale of, chemicals, supplies to Unit Franchisees, which represents approximately 0.003% of Stratus OF ST

PAUL's total revenues of \$1,673,387. For a Unit Franchisee, these purchases represent approximately 0.1% of the total purchases by a Unit Franchisee in establishing and operating the Franchised Business.]

Stratus OF ST PAUL does not have a purchasing or distribution cooperative at this time, but may establish one in the future, in its sole discretion. Stratus OF ST PAUL does not provide any material benefit to a Franchisee based on the Franchisee's purchase of particular products or services or the use of particular suppliers.

Post-Opening Assistance

During the operation of the franchise business, Stratus OF ST PAUL will:

1. Offer you Customer Account(s) worth a minimum amount of yearly billings, based on the franchise plan you selected. If within one year from the start date of a customer's account, the customer should terminate your service for any reason except faulty workmanship, lack of trustworthiness, or other claimed defaults by you, or if you cease servicing the customer because of the customer's non-payment, Stratus OF ST PAUL will replace the account with another Customer Account(s) on a proportionate basis. For example, if you were to provide services for an account billing \$12,000 per year and you only serviced it for six months, earning \$6000, you would be due an account(s) that would make up the \$6000 difference. In this case, the monthly billing of the replacement account(s) would be a total of \$500 per month. See Section 1 of the Franchise Agreement.
2. Provide an advisory service that includes consultation on promotional efforts, business or operational problems with analysis of your sales, marketing and financial data. Such services may be provided by use of mail, telephone or other means at Stratus OF ST PAUL's discretion. See Section 3.1 of the Franchise Agreement.
3. Provide you with on-going invoicing and collection services. Each month Stratus OF ST PAUL will invoice your Customers for the cost of services rendered by you. Stratus OF ST PAUL will collect these monies and pay them to you on a monthly basis (on the 30th of the month following the month in which service was provided), after deduction of the 10% administration fee, the 5% royalty fee, the [5%] insurance program fee (if applicable), subsequent account acquisition fees, any supplies, any advertising fee (if such a fee is implemented), any transfer fee, that month's payment on the promissory note, any other amounts owed, and any out-of-pocket costs (including, but not limited to, attorneys' fees and court costs) incurred by Stratus OF ST PAUL in enforcing payment of accounts by Customers, you or your guarantors. Stratus OF ST PAUL may engage attorneys, commence litigation, or do any acts in order to enforce

payment of an account by your Customers. However, Stratus OF ST PAUL will take no such action without first notifying you. See Section 3 of the Franchise Agreement.

4. Stratus OF ST PAUL will make available to you any improvements and changes in its services or business methods including the Brand Standards Manual, and other manuals to the same extent and in the same manner as they are made available to other franchisees.

5. Stratus OF ST PAUL will pay you each month on the last day of the month following the month you provide services to a customer from the amount paid by the customer. See Section 3.3 of the Franchise Agreement.

6. Assist in customer relations through visits to Customers to ensure their satisfaction with your services. Stratus OF ST PAUL, at its option, will also conduct inspections of your Customer Account sites. See Section 3.2 of the Franchise Agreement.

7. Provide you with additional training under the Brand Certification Program in Stratus OF ST PAUL's sole discretion. Group seminars will be available from time-to-time and may be mandatory. There are no costs to you for the group seminars. See Sections 1.5 and 3.1 of the Franchise Agreement.

The typical franchisee will start servicing a Customer Account approximately 30 to 60 days after the completion of the Brand Certification Program. FRANCHISE AGREEMENT

UNIT FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT (this "Agreement") is being entered into this _____ day of _____, 20__, by and between L&S Service Solution LLC, a Minnesota state [corporation][limited liability company], d/b/a Stratus Building Solutions of St. Paul with its principal office located at: 442 Hayward Avenue North, Oakdale MN, 55128 (hereinafter referred to as “we,” “us,” “our,” or Master Franchisee) and the following independent business:

Entity Name: _____

Principal Address: _____

(hereinafter referred to collectively as “you,” “your,” or “Franchisee”).

Franchisor is in the business of offering franchises and sublicensing the use of the name and service mark of SBS Franchising, LLC (“SBS or SBS Franchising”), so that Franchisee may operate a comprehensive building maintenance care business, providing commercial cleaning and maintenance services to interior and exterior environments of business and residential locations. The operation of such a building maintenance and care business by the Franchisee within the Territory described below is hereafter referred to as the “Franchised Business”.

Franchisor has been granted by SBS the right to offer unit franchises in the Territory (defined below). Franchisee desires to use the Stratus[®] trade name and service mark licensed to Franchisor in operating the Franchised Business and to avail itself of various other services provided by Franchisor.

Franchisee acknowledges that it has read this agreement and the Franchise Disclosure Document for prospective franchisees and has been given at least fourteen (14) days to obtain clarification of any provision that they may not understand.

NOW, THEREFORE, in consideration of the mutual promises, covenants, benefits and detriments contained herein and provided for hereunder, the parties agree as follows:

I. FRANCHISEE ENTITY

Franchisee must be a business entity (not an individual) that has its own employees. Franchisee must hire all employees used in the operation of the Franchised Business (including without limitation any owners of Franchisee working in the Franchised Business) and must comply with all federal, state and local laws and regulations related to the operation of an entity and employment of individuals, including but not limited to deduction from such employees' salaries, and payment to the appropriate tax authorities, of all employee taxes and workers compensation insurance and unemployment insurance.

II. INITIAL CUSTOMER ACCOUNTS AND GUARANTEE

A. Franchise Plan

Franchisor will furnish to Franchisee a franchise plan that will consist of one (1) or more customer account(s) located in CITY, STATE MSA (the "Territory") amounting to \$_____ projected gross revenue per year (as it may be modified hereunder from time to time, the "Franchise Plan"). The Franchisor grants to the Franchisee the right to service one or more customer accounts as part of the Franchise Plan within the Territory. Franchisor will use its reasonable commercial efforts, to the extent practicable, to permit Franchisee to provide its input regarding service specifics (estimate, cost assessments, ordering supplies, and Clean Schedule (described below) in connection with customer accounts. In such cases where Franchisor permits Franchisee to provide its input, Franchisee may provide its input regarding specific details related to the Franchise Plan, including without limitation, regarding the estimate, time and personnel necessary to complete such plan, cost assessments, ordering supplies, etc. and Franchisor shall take such input into account in developing the Franchise Plan. The Territory is not exclusive to the Franchisee and the Franchisor may grant other franchises in the Territory. Franchisee may not service any customers or accounts for the Franchised Business outside of the Territory. Franchisee shall have discretion to determine its own hours and the manner in which it completes all work for customers, provided however, that the work completed for the customer complies with the customer's requirement as identified in the "Clean Schedule" provided to Franchisee prior to conducting work for the customer. The "Clean Schedule" describes the work required by the customer and is a guide to the performance of Franchisee's services to the customer.

The contracts and the customer accounts are owned by and remain the property of the Franchisor. In the event that Franchisee rejects any customer accounts provided as part of this Franchise Plan or subsequently discontinues servicing such accounts, then Franchisor will be deemed to have fulfilled its obligations hereunder. However if within one year from the starting date of Franchisee's services, a customer should terminate the services of Franchisee for any reason except faulty workmanship, lack of trustworthiness, or other claimed defaults on the part of Franchisee or if Franchisee should cease servicing a customer because of the customer's failure to pay for services

rendered, Franchisor will replace within a reasonable time these terminated account(s) with other janitorial customer account(s), prorated based upon the original gross revenue per year. If the new account(s) total more than the prorated original account(s), an Account Acquisition Fee will be assessed on the overage.

In addition to Franchisee's performance of the Franchise Plan, Franchisor encourages and expects Franchisee to develop its own business, independent of the Franchise Plan, of offering and providing services to customers of the Franchised Business and other customers that are separate and additional business services that would be an independent source of revenue for Franchisee from that received through the Franchised Business, as further described in Section III.D hereof.

B. Timing of Acquisition of Initial Customer Accounts

The time period the Franchisor has to offer initial customer accounts to Franchisee from the date of completion of Franchisee's training is calculated as follows:

- (i) One hundred and twenty (120) business days for any initial Franchise Plan up to \$36,000 of projected gross revenue per year; or
- (ii) One hundred and twenty (120) business days plus an additional thirty (30) business days for each additional \$12,000 of gross revenue per year over the initial \$36,000 gross revenue per year.

The time period described above may be extended upon the parties' mutual agreement or for the following amount of time in the following circumstances:

- (i) Retraining of Franchisee. If any customer account offered to Franchisee in fulfillment of the initial Franchise Plan cancels Franchisee's services for faulty workmanship, or other default under such customer account's cleaning contract, or Franchisor discontinues Franchisee's service to such a customer account, Franchisor may require retraining of Franchisee's representative and the time within which to offer the initial Franchise Plan volume of projected gross revenue will be suspended until Franchisee's representative completes retraining to Franchisor's satisfaction.
- (ii) Franchisee's Material Breach of the Agreement. If Franchisee is in breach of any material provision of this Agreement, any customer contract or any other Agreement with Franchisor, the time in which to offer the initial Franchise Plan volume of projected gross revenue will be suspended until all material breaches are cured.

C. Account Refusal

Franchisor makes no representations with respect to the profitability or the amount of labor required to fulfill the initial customer account(s) other than it will comply, at the time the Franchise Agreement is granted, with the Franchise Plan as defined in Section II.A, or of any additional customer accounts that are offered to Franchisee. Franchisee acknowledges that (1) it may be involved in the bidding of customer account(s), to the extent described in Section II.A hereof, and (2) the means by which Franchisee's obligations to the customer are fulfilled during the term of this Agreement are solely within Franchisee's control. After the assignment of a customer account to Franchisee, Franchisee shall either, within seven (7) calendar days notify Franchisor in writing of its refusal of the customer account or Franchisee will be deemed to have accepted said account. Franchisee's refusal of any account will in no manner be construed as a breach of Franchisor's obligations under Section II hereof.

III. ADDITIONAL ACCOUNTS

A. Account Acquisition Program

During the Term of this Agreement, Franchisor may offer to Franchisee, and Franchisee may accept, additional customer accounts if Franchisor deems that Franchisee can satisfactorily service such additional accounts. To obtain additional accounts, Franchisee will be required to pay an Account Acquisition fee based on the Franchise Plan level selected (see Section VIII.B of this Agreement) and/or their current gross annual billing. These additional accounts will be subject to the terms of this Agreement.

B. Stratus Referral Program

Franchisee may obtain additional customer accounts by referring a potential franchisee to Franchisor through a written notice to Franchisor. When the potential franchisee enters into a franchise agreement with Franchisor, Franchisee will receive additional accounts equal to ten percent (10%) of the amount of the projected gross revenue per year of the Franchise Plan purchased by such potential franchisee. These additional accounts will be subject to the terms of this Agreement as if purchased hereunder.

C. Franchisee Obtained Accounts

Because the Franchisee is operating its own business, Franchisee shall identify potential new customer accounts within the Territory to expand its business. After Franchisee identifies a potential new customer account located within the Territory to Franchisor, Franchisee may solicit the potential customer to become its customer. Further, if Franchisee sees benefit and at its request, Franchisor will utilize its best efforts to assist Franchisee to solicit the potential customer to become its customer.

D. Franchisee's Additional Business Services

Franchisor encourages Franchisee to offer and provide additional business services separate from those offered by the Franchised Business to generate separate revenue streams (the "Additional Business Services"). Such Additional Business Services may include, but is not limited to, residential cleaning services, waste removal, snow removal, and recycling services. Franchisee shall have the right to offer the Additional Business Services to existing customers that were originally introduced to Franchisee by Franchisor and new customers. Franchisee shall have no right to use the Stratus Marks and System Standards in providing the Additional Business Services; provided, however, that any isolated cleaning services described in Section VIII.F hereof shall be subject to the terms and conditions of such provision. Franchisee's Additional Business Services shall not include any activities prohibited by Franchisee's non-compete covenants in Section XVIII hereof.

IV. ADMINISTRATION SERVICES

A. Billing, Collections and Records

Franchisor has the sole right to (i) invoice and collect payments from all customer accounts serviced by Franchisee on a monthly basis, and (ii) accept payments from customers for Franchisee services. Franchisee must maintain revenue records. Franchisor reserves the right to maintain revenue records on all of Franchisee's customer account(s), in addition to Franchisee.

B. Training, Customer Relations and Accounting

Franchisor provides a comprehensive training program for Franchisees, which includes video, classroom and on-site training substantially similar to the actual work that will be performed by Franchisee's franchised business. Personal consultations can also be scheduled at the request of Franchisee. Franchisee is required to have its representative complete the training program to the satisfaction of Franchisor. Group seminars will be available from time to time at the sole discretion of Franchisor, which seminars may be mandatory. There are no costs to Franchisee for personal consultations and group seminars. Franchisee's employees will fulfill the obligations of the customer agreements in accordance with the Stratus System Standards (defined in Section VI.B) and within the terms of the contract. Franchisee's employees must be properly trained and capable of performing their duties in accordance with Stratus System Standards. Franchisee must conduct a thorough training class for its employees as described in the Unit Franchise Technical manual and as otherwise required by the Franchisor.

C. Customer Relations Assistance

Franchisee and its employees are responsible for providing courteous service to its customers and respond to any concerns, comments or complaints promptly. Franchisor may assist Franchisee with its customer service efforts and will use its best effort to assist in customer relations. Franchisor may send a representative to visit customers during normal business hours in an effort to insure customer satisfaction. Results of these site inspections will be made known to Franchisee by mail, phone, or other manner. Regularity of these visits is determined solely by Franchisor and should in no way replace customer service efforts that Franchisee is required to employ.

D. Accounting

- (i) As part of its provision of services to Franchisee, Franchisor will invoice account(s) on a monthly basis (unless the service contract requires a different procedure with the consent of Franchisee). Franchisor will then deduct royalties, administrative fees, insurance fees, any supplies, any advertising fees, any training fees, any transfer fees, that month's payment on any promissory note, or any other monies then owed by Franchisee, and uncollected accounts receivable in accordance with this Section IV.D. If Franchisee approves Franchisor's attempts to enforce any payments of accounts by customers, in accordance with Section IV, or if Franchisee is in default of any monies owed to Franchisor or is otherwise in breach of this Agreement, Franchisor will deduct any out-of-pocket costs (including, but not limited to, reasonable attorney's fees and

court costs) which may be incurred by Franchisor in enforcing payments of accounts by customers.

- (ii) Franchisor will pay Franchisee each month (on the last business day of the month following the month in which service was provided) from the amount paid by the customer(s) Franchisee serviced during the previous month net of the amounts described in the previous paragraph. Payments for services provided will be made no earlier than the thirtieth (30th) day following the month the services were rendered and will not exceed the sum total due Franchisee (after all deductions set forth above) from all accounts the Franchisee is currently servicing.
- (iii) Franchisor will make its best efforts to collect monies due from each customer account. If Franchisor determines that customer is a bad risk, Franchisee may, in its sole discretion, cease providing services to that account. Franchisor may engage attorneys, commence litigation or do any acts in order to enforce payment of the accounts by the customers, upon Franchisee's consent. Franchisor shall notify Franchisee before taking such action and Franchisee agrees to cooperate with Franchisor in any such action and to pay the reasonable attorney's fees, court costs and other expenses incurred in connection with such action. If after collection action has begun, account customer pays the previously uncollected account receivable, the Franchisor shall add such fees, costs and expenses to the calculation of the monthly amount owed the Franchisee at the end of the month in which the customer paid such previously uncollected amount.

V. USE OF TRADE NAME, SERVICE MARKS, ETC.

A. Franchisor to License Franchisee

Franchisor hereby grants to Franchisee a non-exclusive license, upon the terms and conditions contained herein, to use the name "Stratus", "Stratus Building Solutions", or any other name, design, or mark Franchisor may authorize in the future (the "Marks"). The current Marks are attached hereto as **Exhibit A**. Franchisee will use the trademarks, service marks, trade names and logos and the labels and designs pertaining thereto, but only in connection with the rendering of Franchisee's services in the janitorial and building maintenance service business, and only on those items and in the form approved by Franchisor. B. Expiration or Termination of License

Upon the expiration or termination of this Agreement, as provided under the terms of this Agreement, Franchisee will lose all rights to use the name and mark "Stratus", "Stratus Building Solutions" and/or any other licensed names or marks, business systems, confidential information and trade secrets, and must cease to be an authorized Stratus Franchisee. Franchisee has no further rights to any accounts, proceeds of any account, nor will it have any further interest in this Agreement or any benefits provided herein. Franchisee agrees to discontinue the use of the Marks, deliver and surrender every Mark, label, promotional item, and any physical object bearing or containing any of said Marks, all manuals, and any other items that may be set forth herein; and Franchisee will not, directly or indirectly, thereafter operate or do business under any name or in any manner, whether as an individual, partner, agent, shareholder, officer, director, or spouse, that might tend to give the public the impression that Franchisee is operating a business operated, owned, licensed by or affiliated with the Franchisor or SBS.

C. Marks

You agree that the Marks are the sole and exclusive property of ~~and~~ Trademark Owner, that the Marks have been licensed to by Trademark Owner to SBS, and that SBS has granted us the right to use and sublicense the Marks in the Territory pursuant to our agreement with SBS,; and you assert no claim and will hereafter assert no claim to any goodwill, reputation or ownership thereof by virtue of your licensed use hereof. You will use the Marks only for the uses and in the manner permitted in this Agreement. You agree that we may, at our sole discretion, revoke the license to use the name Stratus and/or design and direct the use of a different, substitute name and/or design, and that, in such event, you will cease use of the name and/or design so revoked and commence immediately to use the substitute name and/or design at your expense. You further agree that you will immediately cease use of the Marks should our license with SBS to use the Marks expire, terminate or fail to renew, except as otherwise specified in Section 14 hereof.

D. Use of Marks

Franchisee may not establish a presence on, or market using, the Internet, any website, Social Media (such as Facebook, LinkedIn, Twitter, Instagram, Snapchat, YouTube, blogs and other online social networks, wikis, forums, content sharing communities, etc.), mobile app, or any other technology platform that may be developed in the future, in connection with the Franchised Business without Franchisor's prior written consent. Franchisor has the right to require Franchisee to contribute to or prepare pages or content in accordance with Franchisor's guidelines and subject to Franchisor's approval for any Internet, social media, or other advertising platforms operated by Franchisor or SBS. Franchisor retains the sole right to approve any linking to, or other use of, Stratus or Stratus Building Solutions website.

E. Notification of Infringements and Claims

Franchisee will only take such actions as Franchisor considers important in Franchisor's judgment to protect the Marks. Franchisee will not take any action that jeopardizes Trademark Owner's Franchisor's or SBS' interests in, or the validity or enforceability of, the Marks. Franchisee agrees to immediately notify Franchisor of any apparent or actual infringement of, or of any challenge to

Franchisee's use of, the Marks. Franchisee will not communicate with any third party with respect to such a claim unless Franchisor consents to such communication. Franchisor will take such action as Franchisor deems appropriate in its sole judgment. [Trademark Owner or](#) SBS has the exclusive right to control any settlement, litigation or proceeding arising out of or related to any such matters.

VI. BUSINESS OPERATIONS

A. Franchisee's Representative to Attend Training Course

Franchisee agrees that its representative will attend the initial mandatory training program provided to all new franchisees, as well as any other specialized training that Franchisor may deem necessary with regard to the needs of a particular customer serviced by Franchisee. Franchisor may elect to provide training in the account Franchisee is servicing or in other accounts. Franchisee further agrees to operate the Franchised Business and provide service to its customers in a manner consistent with the procedures, methods and standards established in such training programs, manuals and directives, as they may be adjusted from time to time. Franchisee also agrees to permit Franchisor to observe and record the performance and methods of services provided by Franchisee and its employees.

B. Quality Control Standards

Franchisee is responsible for ensuring that its business meets the customer's performance requirements and the System Standards (as defined below). Accordingly, Franchisee agrees to devote sufficient time and effort to its business in order to (i) comply with the provisions of this Agreement and (ii) ensure that all work and services performed by Franchisee and by its authorized agents/employees in the Franchised Business will be performed to meet, and in accordance with, the customer's performance requirements. Franchisee will determine its staffing, the number of hours an account requires, including whether its employees will work full time or part time, the time for doing the work, and the manner in which the work is completed, provided however, that all terms of the customer contract as described in the "Clean Schedule" are met. Franchisee will advise Franchisor what its hours of operation will be in order to allow Franchisor the right to inspect in accordance with this Section VI.B. Franchisor reserves the right to establish, subject to the terms of Section II.A hereof, company standards, methods and procedures' pertaining to the operation of the Franchisee's Franchised Business or this Franchise Agreement (the "System Standards"). Franchisee agrees that it will be bound by the System Standards. Franchisor shall keep a current updated manual of the System Standards at Franchisor's company office. In the event that the System Standards kept by Franchisor differ from those kept by Franchisee, the System Standards in Franchisor's company office manual will be controlling. Franchisee will follow current established Stratus System Standards, as they may be amended from time to time, and agrees not to deviate there from without prior written consent of Franchisor.

Realizing that quality control and uniformity are important in the Stratus System, Franchisee agrees to use only such equipment, supplies, products, control forms and other business forms that are prescribed or permitted by the Franchisor, this includes using Stratus brand chemicals. Franchisor has the right to change the authorized goods and services that the Franchisee may offer, but such goods and services will be related to the business of building and property maintenance, decoration, refurbishment and renovation. Franchisor will not provide Franchisee with equipment, tools, supplies, products, or

forms. Franchisee will purchase and use its own equipment, tools, and will purchase its own supplies, products and forms for the operation of the Franchisee's Franchised Business.

In hiring its employees, Franchisee shall use its best efforts to hire qualified and competent employees and shall operate its business by following and maintaining the System Standards established by the Franchisor through its trainings, manuals, periodic directives and updates. Franchisor is not responsible for supervising either Franchisee's performance of its obligations to the customer accounts nor is Franchisor responsible for supervising Franchisee's employees. Franchisee is solely responsible for the supervision of its employees. Franchisee acknowledges that Franchisor provides certain assistance to enable Franchisee to conduct its independent business and that its employees are not employees of Franchisor or SBS, and shall, upon request by Franchisor, require each of its employees to sign a statement (in a form provided by Franchisor) acknowledging such fact.

Franchisee understands and agrees that Franchisor may inspect any premises serviced by Franchisee at any time during regular business hours or hours when the Franchisee is providing services to its customers and upon reasonable advance notice to ensure that the quality of service being performed is in accordance with System Standards. Such inspection may not interfere with the regular business activities of Franchisee or its customers.

C. Business Records; Taxes

Franchisee further agrees to keep true and accurate business records and books of accounts, which will be open to inspection by the Franchisor or its duly authorized representative during regular business hours. Franchisor has the right to examine same, including any other business records as they may request. Franchisee agrees to pay all personal property, sales, excise, use and other taxes, regardless of type or nature which may be imposed, levied or assessed by any federal, state, municipality, county or other government agency, which may have jurisdiction over such products, services and equipment.

D. Confidential Information

Franchisee acknowledges that the information and materials which Franchisor provides to Franchisee contain valuable confidential, proprietary and trade secret business information of Franchisor, and Franchisee agrees not to make any reproductions thereof without the prior written permission of Franchisor. Franchisee further agrees not to disclose any information it receives from Franchisor to any third party without the prior written approval of Franchisor and not to disclose such information to employees of Franchisee except those who have a need to know and who have agreed not to make any use of the information disclosed by signing a confidentiality agreement, attached hereto as **Exhibit D**. Said information and materials at all times remain the exclusive property of Franchisor and will be delivered to Franchisor, including all copies thereof in the possession of Franchisee, at Franchisor's request. Franchisee agrees to use the contents in strict confidence pursuant to this Franchise Agreement, and only during the effective term of this Agreement.

Franchisee acknowledges that a violation of the terms of this Section VI.D would result in irreparable injury to SBS and Trademark Owner for which no adequate remedy at law may be available and Franchisee accordingly consents to the issuance of an injunction prohibiting any such conduct of

Franchisee or other equitable remedies. This Section VI.D shall survive the termination of this Agreement.

E. Managing Owner

The individual signing this Agreement for Franchisee and designated on the signature page of this agreement as the Managing Owner (which individual must have at least a fifty percent (50%) ownership interest in the Franchisee), is the “Managing Owner” for the purposes of this Agreement. Franchisee acknowledges its understanding of Franchisor’s requirement that the “Managing Owner” be named and have or be granted the authority by Franchisee to bind Franchisee in any dealings with Franchisor and to direct any action necessary to ensure compliance with this Agreement and any other agreements relating to the Franchised Business. The Managing Owner will be in charge of directing the operations of the Franchisee’s Franchised Business. No change in the Managing Owner may be made without the written consent of Franchisor.

VII. SERVICE TO CUSTOMERS

A. Equipment and Supplies

Franchisee will be responsible for acquiring and providing its own equipment and supplies for the Franchised Business. Franchisee will replace such equipment and supplies as needed and will provide all labor, other equipment, materials, tools and other supplies necessary to service Franchisee's customer account(s), including all janitorial services called for in each customer contract. All such services will be performed in a good and professional manner, satisfactorily to the customer for whom such services are performed. Franchisee agrees to maintain a safe place of business in accordance with OSHA and other governmental and industry standards and to conduct its business in a manner that would bring goodwill to itself, Franchisor and SBS.

Franchisee agrees that if it or any of its employees licensed under this Agreement develop any new concept, process or improvement in the operation or promotion of the Franchised Business, except those developed during Franchisee’s conduct of its Additional Business Services, it will promptly notify Franchisor and provide Franchisor with all necessary information concerning same, without compensation. Franchisee acknowledges that any such concept, process or improvement shall become the property of Franchisor, and Franchisee shall take all actions necessary, at Franchisor’s expense, to assign such property to Franchisor or, at Franchisor’s request, SBS. Franchisee agrees that Franchisor may utilize or disclose such information to other franchisees or SBS as it determines to be appropriate.

B. Discontinuing Franchisee’s Services to Customer

Franchisor may discontinue Franchisee's service to any customer and either serve the customer through Franchisor's own staff or assign the customer to another franchisee in the event that:

- i. Franchisee has failed to perform its obligations to the customer's satisfaction, or the customer has lodged a complaint with Franchisor, and Franchisor has given Franchisee written notice of its failure to perform or of such complaint, and:

1. The customer is not satisfied within three (3) business days from the

date of delivery of such notice, or

2. The customer is dissatisfied on two (2) occasions within a period of one hundred and twenty (120) consecutive days; or
 - ii. Franchisor receives a request either written or verbal from a customer that the customer's contract(s) be terminated or be served by a different franchisee; or
 - iii. Franchisee fails to service any customer in a prompt manner in accordance with System Standards; or
 - iv. Franchisee desires to cease servicing a customer and has received the Franchisor's written consent to such cessation.

Franchisor will have no obligation to provide additional replacement customers if Franchisee rejects the customer offered. Nothing contained in this Section VII will limit any other rights held by the Franchisor under this Agreement, including termination of this Agreement.

Franchisee hereby waives any and all claims, demands, or rights to payments for any services performed after the date that Franchisee's services to a customer are discontinued, and Franchisee further agrees that Franchisee will not be entitled to any refund, rebate or reduction of any fees previously paid or promised to Franchisor in connection with Franchisee's relationship with, or services to, any customer that has been discontinued pursuant to the provisions of this Section. Furthermore, Franchisor does not have any obligation to replace such customer with a new customer account, except as provided above.

Multiple franchisees of the Stratus system will operate in the Territory where Franchisee does business, and Franchisee acknowledges that the consistent satisfaction of all customers of the Stratus brand in the Territory is critical to its own success and the success of all franchisees in the Territory. Employees of Franchisee and other franchisees operating in the Territory work daily in close contact with customers and their employees in their personal work spaces and in the immediate proximity of customers' important business equipment and confidential business records. Franchisee acknowledges that this intimate contact between Franchisee's employees and its customers makes the prompt and definitive action to address customer dissatisfaction permitted by this Section VII.B essential to creating and maintaining long term customer relationships and has an impact on the goodwill associated with the Stratus Marks.

C. Protection of Customer Information – Franchisee shall use its best efforts to protect customers against a cyber-event, identity theft, or theft of personal information. You must at all times be in compliance with (a) the Payment Card Industry Data Security Standards ("PCI DSS") (as they may be modified from time to time or as successor standards are adopted), (b) the Fair and Accurate Credit Transactions Act ("FACTA"); (c) regional, national, and local laws and regulations relating to data and personal privacy, data security, security breaches, and electronic payments, (d) the operating rules and regulations of all credit card, debit card and/or ACH processors and networks that are utilized in the Franchised Business, and (e) security policies and guidelines of Franchisor, all as may be amended from time to time.

VIII. FRANCHISE AND OTHER FEES

Franchisee agrees to pay Franchisor as follows:

A. Franchise Fee

A franchise fee of \$ _____, payable in cash, certified check or wire transfer, upon the execution of this Agreement and the balance of \$ _____ to be paid in thirty-six equal monthly installments of \$ _____ each, including interest on the unpaid principal amount at the rate of fifteen percent (15%) per annum. The first installment of principal and interest will be paid out of the first collection made by the Franchisor from Franchisee's account(s). Installments will thereafter be paid on the thirtieth (30th) day of each consecutive month out of the monthly collection made by Franchisor from Franchisee's accounts until full payment is received. The obligation to pay the balance is evidenced by a Promissory Note, in the form attached hereto as **Exhibit B**.

B. Additional Account Fee (Account Acquisition Fee)

An additional account fee for additional janitorial customer accounts purchased pursuant to Section II of this Agreement is payable at the time such additional account is assigned to Franchisee in accordance with the option selected by Franchisee and consented to in writing by Franchisor on the Account Acquisition Agreement in the form attached hereto as **Exhibit C** (the "Account Acquisition Agreement"). The consent of Franchisor will be evidenced by its signature on the Account Acquisition Agreement. The options set forth in such Account Acquisition Agreement are as follows:

- i. A cash payment in full (less a ten percent (10%) discount), or
- ii. A sweat equity option providing for monthly payments over a time period of less than six months, as determined by Franchisor, or
- iii. A down payment of said fee at the time said account is assigned to Franchisee. The balance, with interest on the unpaid principal at the rate of fifteen percent (15%) per annum, paid in up to twelve (12) equal successive monthly installments commencing on the thirtieth (30th) day of the first month following the month the Franchisee begins servicing the new account.

The obligation to pay the balance will be evidenced by an Account Acquisition Agreement and/or a Promissory Note.

The Account Acquisition Fee will be the greater of the following:

- i. If Franchisee purchased below the SBS-12 level, or the existing business of Franchisee is billing less than \$12,000 per year in gross revenue, the additional account fee shall be five (5) times one month's gross billings for additional business;

- ii. If Franchisee purchased at least the SBS-12 level, but lower than the SBS-24 level, or the existing business of Franchisee is billing less than \$30,000 per year in gross revenue, the additional account fee shall be four (4) times one month's gross billings for additional business;
- iii. If Franchisee purchased at the SBS-24 level or higher, or if the existing business of Franchisee is billing \$30,000 or more in gross revenue, the additional account fee shall be three (3) times one month's gross billings for additional business;
- iv. Because Franchisee is operating its own business, the Franchisee is required to identify potential new customer accounts within the Territory to expand its business. If, after Franchisee identifies a potential new customer account located within the Territory to Franchisor, Franchisee may solicit the potential customer to become a Franchisee customer. If Franchisee successfully signs up the potential customer as a customer, there will be no Account Acquisition Fee due to Franchisor.
- v. If Franchisee identifies a potential new customer account located within the Territory to Franchisor, and Franchisee requests Franchisor assist in signing up the potential client, Franchisor will utilize its best efforts to solicit the potential customer to become a customer for Franchisee's benefit. Franchisee shall pay Franchisor an Account Acquisition Fee up to 50% of the amount due as determined above.

C. Royalty

Franchisee agrees to pay Franchisor a monthly royalty equal to five percent (5%) of the monthly gross revenues for the preceding month, provided that the minimum monthly royalty payment will be Fifty Dollars (\$50). "Gross Revenues" is defined as the total amount of all bills and invoices sent by Franchisor to each account serviced by Franchisee during a calendar month, whether the bills and invoices represent janitorial services, goods, supplies or any other services or products related to the Franchised Business. Any sales taxes paid to appropriate tax authorities, any monies billed but uncollected, and any revenue from Additional Business Services shall be excluded from Gross Revenues.

D. Administration Fee

Franchisee agrees to pay Franchisor a monthly administration fee of ten percent (10%) of its "gross" revenue for the preceding month. There is no refund or rebate of any portion of the administration fee.

E. Business Insurance Fee

If Franchisee elects to participate in Franchisor's optional Business Insurance Program, a fee will be deducted from Franchisee's monthly gross revenues for the preceding month. Although this fee may fluctuate based upon the costs of insurance to the Franchisor and other factors, it is currently five percent (5%) of gross monthly revenues.

F. Isolated Cleaning Services

Special or isolated cleaning services are one-time non-recurring contracts such as carpet cleaning and extraction, floor stripping and refinishing or initial cleaning, etc. These services will not be included in Franchisee's monthly gross revenues; instead they will be reported and invoiced separately. Each time the Franchisee performs an isolated or special service, Franchisor is entitled to deduct a ten percent (10%) fee from the gross revenue paid in respect of such services in addition to the normal royalty, administration, advertising and insurance fees; provided, however, that Franchisee shall not be required to pay such ten percent (10%) fee for such services, if Franchisee's provision of such services is the direct result of its solicitation of the customer for providing such isolated or special services. In each case, Franchisee will be responsible for providing all equipment, supplies and labor for special and isolated services. If Franchisee acquires such work on its own and work is done in an account that is not already a Franchisor account, or is an account already serviced by Franchisee, this fee is waived; however, royalties, administration, advertising and insurance fees still apply. Isolated cleaning services shall not be Additional Business Services hereunder.

G. Bid and Negotiation Fee

Franchisee may request the services of Franchisor to help bid and negotiate a contract for cleaning services with a prospective customer. If a contract is secured after Franchisor has helped bid and/or negotiate the contract, an Account Acquisition Fee (or a partial fee) will be due to Franchisor.

H. Account Transfer Fee

Franchisee may request to transfer out of an account at any time. Because the transfer of an account destabilizes the account, Franchisee will be charged a Fifty Dollar (\$50) administration fee to Franchisor to handle the administrative costs related to transferring the account, in addition to an account transfer fee equal to ten percent (10%) of the monthly billing or a minimum of One Hundred Dollars (\$100).

IX. ADVERTISING AND PROMOTION

A. Advertising Fee

No advertising fee is assessed currently, although Franchisor reserves the right to charge such a fee. If the Franchisor, in its sole discretion, decides to charge an advertising fee, Franchisor may do so upon thirty (30) days written notice to Franchisee. In no event will an advertising fee exceed 1% of gross revenues. Any proceeds of such a fee will be used for marketing, advertising and promotional activities in the Territory, as well as to pay the administrative costs relating to the collecting and accounting of the fee and such activities. Franchisee is encouraged however to independently advertise and promote the Franchised Business and the Additional Business Services.

B. Promotional Items

Franchisee shall prepare and distribute to customers business cards and badges, displaying the Marks, in promotion of its Franchised Business. All business cards and badges must prominently display, in bold, that the Franchisee is an "Independent franchisee of Stratus Building Solutions" or that

Franchisee's employee is "Employed by an independent franchisee of Stratus Building Solutions." If Franchisee provides Additional Business Services, Franchisee shall also prepare and distribute to customers its own business cards and badges (without use of the Marks, and indicating that Franchisee is an independent business) to promote the Additional Business Services.

X. REFUNDS

Franchisor has no obligation to refund any portion of any payment made under this Agreement, unless and to the extent that, within the period of time allowed by Section II hereof, the Franchisor fails to offer initial customer accounts worth \$_____ in annual gross billings, in which event Franchisor will refund a portion of the initial franchise fee equal to the difference between the Franchise Fee for the Franchise Plan originally contracted for in Section II of this Agreement and the actual franchise plan that is provided.

If at the time of the refund, Franchisee is indebted to the Franchisor pursuant to a promissory note given in payment of all or a portion of the initial franchise fee, the refund will be applied to payment of the note, up to the whole thereof, before the balance (if any) of the refund is paid to the Franchisee.

XI. KEYS AND SECURITY

Franchisee is responsible for all keys to customer's premises and shall observe all security systems and precautions necessary or required at the customer's premises. If services to a customer are discontinued for any reason, or if this Agreement is terminated for any reason, Franchisee agrees to return all keys and security codes and cards immediately. Failure to return any such item for any reason or failure to comply with any of the provisions of a customer's contract for janitorial or maintenance services will constitute a breach of this Agreement by Franchisee.

XII. INDEPENDENCE OF FRANCHISEE'S BUSINESS

Franchisee acknowledges and agrees the Franchisor and Franchisee are independent businesses. Franchisee is an independent contractor in business for itself, and has no right or interest in, or authority over Franchisor or any of Franchisor's property or business. Franchisee is free to conduct its business as it may deem best in providing the services to the customer, independently of the supervision, management and control of Franchisor, provided that Franchisee agrees to abide by all the terms of this Agreement, the System Standards and all federal, state and local laws and regulations of all government agencies having jurisdiction over the customer's premises or the activities conducted by Franchisee. Franchisee shall be solely responsible for all employment decisions and employment functions related to the Franchised Business and any Additional Business Services, including, without limitation, those related to hiring, firing, establishing remuneration, personnel policies, benefits, disciplining, supervising, and recordkeeping, regardless of whether Franchisee received advice from Franchisor on these subjects. Franchisee is not, and will not hold itself out as, an agent, representative, employee, officer, director, partner, owner, or affiliate of Franchisor or SBS. Except as expressly provided herein, it is further agreed that Franchisee has no authority to create or assume in Franchisor's or SBS' name, or on behalf of Franchisor or SBS, any obligation, express or implied, or to act or purport to act as agent or representative on behalf of Franchisor or SBS for any purpose whatsoever. In no event will either party be deemed to be fiduciaries of the other.

Franchisee shall be responsible for all income and other taxes to all federal, state, municipal and other authorities required to be paid for all persons employed in the Franchisee's operation (including the owners thereof) including the employer's portion of any social security, unemployment taxes, other payroll taxes, FICA and any other taxes required to be paid, by deducting such expenses from the pay of all Franchisee's employees including its owners. Franchisee shall also withhold, from employees' pay, and pay when due, taxes and premiums for unemployment and workman's compensation insurance for itself and all its employees, as required by state, federal or other law.

FRANCHISEE ACKNOWLEDGES THAT FRANCHISEE IS AN INDEPENDENT BUSINESS AND NEITHER IT NOR ANY OF ITS OWNERS, MEMBERS, OR SHAREHOLDERS, OFFICERS, EMPLOYEES, OR OTHER AFFILIATED INDIVIDUALS ARE EMPLOYEES OF FRANCHISOR OR SBS, AND HAVE NO RIGHT TO THE BENEFITS OF EMPLOYMENT FROM FRANCHISOR OR SBS.

XIII. INSURANCE

Franchisee is responsible for all losses, damages to property, or injuries to persons arising out of or connected with the performance or non-performance of Franchisee's services to customers, including any claimed damages for breach of security. Franchisee must obtain Fidelity bonding theft insurance in an amount not less than \$50,000. Franchisee further agrees that it will acquire and properly maintain workers' compensation insurance as required by law for itself and/or all of its employees and comply with all state and federal laws to maintain a proper unemployment insurance account. Franchisee further agrees to maintain comprehensive liability and property damage insurance covering property damage, loss and personal injury in amounts not less than \$1,000,000 per occurrence, \$2,000,000 in the aggregate. All such policies must name Franchisor and SBS Franchising as additional insured and contain a Grantor of Franchise endorsement. Franchisee also agrees that its comprehensive liability insurance will not contain exclusion for property in Franchisor's care, custody, and control.

Franchisee must maintain comprehensive automobile insurance including, personal injury protection and uninsured motorist on all vehicles operated for its business.

Franchisee further agrees that all such insurance policies maintained by Franchisee be written by an insurance company (companies) in good standing and in compliance with all state and federal insurance laws and insurance regulatory agencies with an A.M. Best rating of A or higher. Franchisee shall provide Franchisor with thirty (30) days' written notice prior to the cancellation or termination of any insurance policy as defined herein.

Franchisee shall provide Franchisor with proof of coverage prior to the Franchisee commencing work on any customer account. If Franchisee fails to obtain any or all insurance as specified herein and approved by Franchisor, Franchisor may (but is not required to) purchase such insurance for the benefit of Franchisee and Franchisee agrees to forthwith reimburse Franchisor for the cost thereof. Types and amounts of insurance required to be procured by Franchisee may be modified from time to time by Franchisor, in its sole discretion, by written notice to Franchisee through modification of System Standards, policies and procedures or other reasonable manner.

Franchisee may participate in the optional Business Insurance Program which provides general liability insurance and bonding to Franchisor and its participating franchisees. The cost of such liability

insurance and janitorial bonding plan provided will include, in addition to the premium, a management fee, service charge, and profit as determined by Franchisor.

Franchisee is responsible for obtaining all insurance required by this Agreement whether or not it chooses to participate in the optional Business Insurance Program. All policies of insurance, whether obtained through the Business Insurance Program or not, must name SBS and Franchisor as additional insureds or additional loss payee as appropriate and must contain a Grantor of Franchise endorsement.

XIV. BUSINESS RISK

Franchisee, as an independent business entity, recognizes that there are economic and other hazards in connection with the operation of any business, including the type contemplated pursuant to this Agreement. Success, whether financial or otherwise, is not guaranteed by Franchisor, even though Franchisee may follow or rely on Franchisor's advice, recommendations, programs or policies.

Initials

Franchisee acknowledges that it has made an independent investigation of this business. Franchisee acknowledges that Franchisor has not made any representation, warranty, or other claim regarding the operation of any Franchised Business opportunity, other than those made in this Agreement and the Franchisor's Franchise Disclosure Document, and that Franchisee has independently evaluated this opportunity, including by using Franchisee's business professionals and advisors, and have relied solely on those evaluations in deciding to enter into this Agreement.

Initials

Franchisee acknowledges that it has read this Agreement and the Franchisor's Franchise Disclosure Document and understands and accepts that this Agreement's terms and covenants are reasonably necessary for the Franchisor to maintain its high standards of quality and service, as well as the uniformity of those standards for each Franchised Business, and to protect and preserve the good will of the Marks.

Initials

Franchisee acknowledges that it has not received from Franchisor or SBS, and is not relying upon, any representations or guarantees, express or implied, as to the potential volume, sales, income or profits of a Franchised Business.

Initials

XV. INDEMNITY

Franchisee is responsible for all losses, damages, judgments, liabilities, claims, injuries, costs and expenses arising directly or indirectly, out of or connected with the performance or non-performance of Franchisee's services to its customers, including any claimed damages for breach of security.

Franchisee agrees to defend, hold harmless and unconditionally indemnify Trademark Owner, SBS, and its shareholders, directors, officers, employees, affiliates, agents and assignees, SBS and other Stratus franchisees (each, an "Indemnified Party") from all loss or damage arising from any liability, demands, claims, costs, obligations, suits, damages, and expenses, including reasonable attorneys' fees, which such Indemnified Party may at any time suffer or sustain, or become liable for any reason, or any loss, damage or injury to persons or property of any Indemnified Party or both arising out of any act or failure to act, or as a result of failure to perform services, or negligence or misconduct in the performance of services, or violation of the provisions of this Agreement, by Franchisee or any of Franchisee's agents, employees, contractors, representatives, partners, officers, directors, and shareholders, except to the extent that such loss or damage directly result from the gross negligence or willful misconduct of the Franchisor.

XVI. TERMINATION

A. Franchisor

This Agreement may be terminated by Franchisor upon the default of the Franchisee. In no event will such termination relieve Franchisee from any of its obligations already incurred by this Agreement. A default is any of the following:

- i. Failure of Franchisee to perform its obligations pursuant to this Agreement or any breach by Franchisee of this Agreement or any other agreement between Franchisor and Franchisee, including without limitation payments under any promissory note issued hereunder.
- ii. One or more discontinuances of a customer pursuant to Section VII.B. of this Agreement.
- iii. Franchisee's insolvency, the adjudication of the Franchisee as bankrupt, the Franchisee's Franchised Business coming into possession or control, even temporarily, of any trustee in bankruptcy or appointed receiver, the making of a general assignment for the benefit of creditors or the inability of the Franchisee to pay its debts as they become due.
- iv. Franchisee's attempt to assign this Agreement, or any right or obligation hereunder, or make any transfer or assignment in violation of Section XIX.B hereunder without first securing Franchisor's written consent upon thirty (30) days written notice to Franchisor.
- v. Franchisee's abandonment of its Franchised Business.
- vi. Franchisee's use of abusive, violent, threatening, or harassing language or behavior

toward clients or regional office staff and any behavior that is considered detrimental toward the Stratus brand.

vii. Franchisee's conviction of a felony or of any other crime that impairs the goodwill associated with the Marks of Franchisor.

viii. Franchisee theft from any account serviced.

If default results from an event described in subparagraphs i, ii, or iv of this Section XVI, termination shall occur ten (10) days following written notice of said default from Franchisor to Franchisee if Franchisee has failed to cure said default by then. If the default results from an event described in subparagraphs iii, v, vi, vii, or viii termination shall occur immediately without notice or opportunity to cure.

Upon expiration or termination of this Agreement for any reason (including without limitation Section XVI.B hereof), Franchisee shall immediately pay to Franchisor in full all amounts due thereunder through the date of termination, cease use of, the Marks and other property as provided in Section V.B of this Agreement, comply with Section VI.D hereof, and cease doing business as required by this Agreement. The termination of this Agreement will be without prejudice to any remedy or cause of action which Franchisor may have against Franchisee for the recovery of any monies due Franchisor or equipment or property of Franchisor, or any other right of Franchisor to recover damages for any breach hereof.

If Franchisee fails to comply with the provisions of this Section XVI or of Section V, Franchisor, may execute, in the Franchisee's name and on the Franchisee's behalf, any and all documents necessary to cause the discontinuance of Franchisee's use of the names and Marks granted Franchisee under this Agreement. Franchisee hereby irrevocably appoints Franchisor as Franchisee's attorney-in-fact to do so.

All of Franchisor's rights and entitlements under this Agreement survive its termination or expiration, and Franchisor does not waive or release any rights it has to enforce this Agreement by acknowledging or accepting such termination or expiration. The termination or expiration of this Agreement does not relieve the Franchisee from any of its obligations under this Agreement, whether incurred, discovered or vested before or after such termination or expiration. Similarly, Franchisee's obligations under this Agreement survive any termination or expiration of this Agreement.

B. Franchisee Termination

Franchisee may terminate this Agreement, upon written notice to Franchisor, if Franchisee is in compliance with the Franchise Agreement and Franchisor fails to substantially perform its material obligations pursuant to this Agreement after Franchisee has provided written notice to Franchisor of the nature of any alleged breach of such material obligations hereunder and provided Franchisor at least sixty (60) days to cure any such breach (or such longer period of time as necessary if such breach cannot reasonably be cured in such sixty-day period). Termination shall occur sixty (60) days following written notice of said default from Franchisee to Franchisor upon Franchisee's written notice of such termination to Franchisor, if Franchisor has failed to cure said default by then. Franchisee acknowledges and agrees that, in the event of any such termination, it shall not be entitled to any refund of any monies paid to Franchisor and shall not have any claim for money damages against Franchisor.

Franchisee agrees to comply with all post-termination obligations, including but not limited to those post-termination obligations described in Section V.B, VI.D, XVI.A, and XVIII hereof. Franchisee's termination of this Agreement for any other reason or without such notice will be deemed null and void.

C. Termination or Expiration of Master Franchise Agreement

Franchisee acknowledges and agrees that, on any termination for cause or expiration of the Master Franchise Agreement between Franchisor and SBS, SBS has the right, but not the obligation, to assume the rights and obligations of any or all unit franchise agreements. If the Master Franchise Agreement between Franchisor and SBS is terminated, for any reason, and SBS does not assume the rights or obligations under this Agreement or designate a new franchisor to be responsible for the Territory (with such franchisor assuming Franchisor's rights and obligations hereunder), this Agreement is subject to immediate termination, and neither Franchisor nor SBS will have any obligation or liability to Franchisee with respect to such termination, provided that Franchisor may elect to continue to service existing franchisees under outstanding agreements at its sole option.

XVII. TERM

This Agreement remains in full force and effect for a period of twelve (12) years from the date of execution unless sooner terminated as hereunder provided (the "Initial Term"). Upon the expiration of the Initial Term of this Agreement, Franchisee will have no further rights in the franchise or the Agreement unless Franchisor and Franchisee execute a written renewal agreement for a period of twelve (12) years (the "Extended Term"), which agreement will be on the same terms and conditions as Franchisor is then granting renewal of new franchises in the Territory, except that there will be no payment of any additional franchise fee or renewal fee for such Extended Term. The franchise will be renewed if Franchisee:

- i. Gives Franchisor written notice of intent to renew at least one hundred and eighty (180) but not less than 60 days prior to the date of expiration of the Initial Term or any Extended Term,
- ii. Executes the renewal Agreement at least thirty (30) days prior to date of expiration,
- iii. Executes the General Release, attached hereto as **Exhibit F**, upon execution of the renewal agreement.
- iv. Is not in default of this Agreement on the date of giving notice, the date of execution of the renewal agreement, or the date of expiration of the Initial Term or any Extended Term, and
- v. Updates all equipment and supplies to then-current system standards for new franchisees.

Whenever the word "term" is used in this Agreement, the word means the Initial Term, the Extended Term, or both, as the context requires. Upon termination, for any reason, of the Initial Term or the Extended Term, Franchisor will have no obligation to repurchase the franchise from Franchisee.

XVIII. NON-COMPETITION

During the term of this Agreement and for a period of two (2) years from the date of expiration or termination of this Agreement for any reason and within (a) Franchisee's Territory or (b) a twenty (20) mile radius of the Franchisee's Territory, Franchisee agrees that neither it, its affiliates nor any of its owners will:

- i. divert, solicit, or attempt to divert or solicit, any business or customer of Franchisor, Franchisee's Franchised Business, or any other franchisee of Franchisor, or
- ii. provide providing commercial cleaning and maintenance services to any business or customer, other than those approved by us, using the Marks or any Stratus trade dress, Stratus brand materials, supplies or other equipment used in the Stratus franchised business, or
- iii. perform any act injurious or prejudicial to the goodwill associated with the Marks.

Notwithstanding any other provision hereof, Franchisor and Franchisee agree, for purposes of promoting Franchisee's Additional Business Services, Franchisee shall have the right, during the term of this Agreement to solicit customers of the Franchised Business. Franchisee acknowledges that a violation of the terms of this Section would result in irreparable injury to Franchisor for which no adequate remedy at law may be available and Franchisee accordingly consents to the issuance of an injunction prohibiting any such conduct of Franchisee or other equitable remedies. If any provision of this Agreement (including any sentences, clauses, or any part thereof) shall be held contrary to law or incomplete or unenforceable in any respect, the remaining provisions shall not be affected but shall remain in full force and effect; any invalidated provisions shall be severed, and this Agreement modified to the extent necessary to render it valid and enforceable.

XIX. ASSIGNMENT

A. Franchisor

Franchisor may, without the consent of the Franchisee, assign Franchisor's rights and duties under this Agreement to another party, provided that the party to whom the rights and obligations are assigned, at the sole discretion of Franchisor, is capable of performing, and agrees in writing to perform the obligations and duties of the Franchisor.

B. Franchisee

(i) This Agreement will inure to the benefit of the successors and assigns of Franchisee. The interests of Franchisee in this agreement are personal and may not be sold, assigned, transferred, shared or divided in any manner by Franchisee, and any ownership interest in the Franchisee may not be transferred, and no assets of the Franchisee relating to the franchised business may be sold or transferred, without the written consent of Franchisor, which consent will not be unreasonably withheld and be given or refused within thirty (30) days of receipt by the Franchisor of written notice of such proposed transfer.

(ii) Franchisee shall provide to Franchisor prior to the sale or transfer, a copy of any additional information which Franchisor may require in order to determine if it will grant its consent to the proposed sale or transfer, which consent may be withheld in Franchisor's sole discretion if the proposed transferee does not meet the qualifications then established by the Franchisor for new franchisees. In addition to the requirements of Section XIX.B.ii below, it is agreed that consent for sale, transfer or assignment will be granted only when all obligations of the Franchisee, including all debts of Franchisee, are paid at the time of the sale or transfer, the Franchisee pays a transfer fee to Franchisor equal to five percent (5%) of the yearly gross revenues of the account(s) being transferred/sold (with a minimum transfer fee of \$750), the buyer agrees to undergo the training required of a new Franchisee and the transferee agrees to execute a Unit Franchise Agreement of the type then being used by Franchisor, however, the new agreement with the transferee will have the same expiration date as the original franchise agreement and not require the transferee to make greater payments to the Franchisor than those required of the present Franchisee by this Agreement. If such conditions are fulfilled and the thirty (30) day notice period has passed, the consent of the Franchisor will be deemed to have been granted for the proposed transfer. There is no transfer fee if Franchisee transfers its franchise to an immediate family member or to a corporation or company which it wholly owns. Franchisor may withhold written consent in the event that Franchisee is in default under the terms of this Agreement or any other agreement with Franchisor until said default is cured.

(iii) If Franchisee's owners transfer or sell ten percent (10%) or more of the stock, if it is a corporation, or a ten percent (10%) or greater interest in the ownership of the Franchisee (except to immediate family members), then Franchisee agrees to pay Franchisor a transfer fee based on the sales price of such ownership interest. The sale price will be defined as monies received, monies to be received, stock, real estate or any other form of redeemable or hard assets received in consideration for the transfer or sale of the ownership interest in the Franchisee. This transfer fee shall be equal to ten percent (10%) of all amounts received from the sale. The transfer fee is due and payable upon the sale or transfer. Franchisee also agrees to provide, as a condition of Franchisor approving the sale or transfer, as a personal covenant to the purchaser, in addition to the covenant contained in this agreement, an agreement not to compete in the franchised cleaning and/or maintenance services industry, which would include any type of franchised cleaning and/or maintenance related services, including, but not limited to, commercial, industrial and institutional cleaning and/or maintenance services, as well as the sale, leasing or distribution of supplies and equipment related thereto, for a period of two (2) years after transfer or sale, nor to seek to divert business from Franchisor or its other franchisees for a period of one (1) year after the transfer or sale. Any transaction or series of transactions which the effect of would have transferring ten percent (10%) or more of the ownership of the Franchisee must be approved by Franchisor on the same basis as any other sale or transfer as set forth herein.

(iv) Prior to the transfer, the transferor Franchisee must also execute a general release, attached hereto as **Exhibit F**, of any and all claims against Franchisor and SBS Franchising, and their parent corporation and affiliated corporations, and the officers, directors, shareholders and employees of Franchisor and SBS Franchising, and each parent and affiliate corporation in their corporate and individual capacities, including, without limitation, claims arising under this Unit Franchise Agreement and federal, state and local laws, rules and ordinances.

C. Effect of the Death or Disability of an Owner

(i) Upon the death of any person with an ownership interest in Franchisee (the “Deceased”), the executor, administrator or other personal representative of the Deceased transfers such interest to a third party approved in writing by Franchisor within six (6) months after the death of the deceased. If no personal representative is designated or appointed by will or trust, or no probate proceedings are instituted with respect to the estate of the Deceased, then the distributee of such interest must be approved by Franchisor. If the distributee is not approved by Franchisor, then the distributee shall transfer such interest to a third party approved by Franchisor within six (6) months after the death of the Deceased. The exception would be the transfer to a spouse or immediate descendant of the Deceased, which would be deemed to be approved by Franchisor. However, any Managing Owner must be approved by the Franchisor whether or not such Managing Owner is a spouse or immediate descendant of the Deceased.

(ii) Upon the permanent disability of any person with an ownership interest in the Franchisee, Franchisor may, in its sole discretion, require such interest to be transferred to a third party approved by Franchisor within six (6) months after notice to Franchisee. “Permanent disability” means any physical, emotional or mental injury, illness or incapacity which would prevent a person from performing the obligations set forth in this Franchise Agreement for at least ninety (90) consecutive days and from which condition recovery within ninety (90) days from the date of determination of disability is unlikely. Permanent disability will be determined by a licensed practicing physician selected by Franchisor upon examination of the person; or, if the person refuses to submit to an examination, then such person will be automatically deemed permanently disabled as of the date of such refusal for the purpose of this Subsection.

(iii) In the event of the death or permanent disability of any person with an ownership interest in the Franchisee, Franchisor at its option may elect to operate the Franchised Business during the interim six (6) months following such death or the interim six (6) months following such permanent disability, as applicable, until the interest of the Franchisee is transferred in accordance with this Subsection or until the applicable interim period expires, whichever comes first. Franchisor shall account for all proceeds from the Franchisee less all costs of operation. As compensation for managing the Franchisee’s Franchised Business, Franchisor will charge a reasonable monthly management fee which will be in addition to the royalty fees, advertising fees and any other fees or payments due and owing to Franchisor. Franchisor shall utilize its best efforts in managing the Franchisee’s Franchised Business but will not be liable for any losses incurred.

(iv) Upon the death or claim of permanent disability of any person with an ownership interest in Franchisee, Franchisee or a representative of Franchisee must promptly notify Franchisor in writing of such death or claim of permanent disability. Any transfer upon death or permanent disability will be subject to the same terms and condition as described in this Section, provided however, that in the event of the death or permanent disability of any individual with an ownership interest in the Franchisee, no fee will be imposed for a transfer to the spouse or direct descendent of that individual. Transfer fees will be imposed if the transfer is to a non-related third party. If an interest is not transferred upon death or permanent disability as required in this Subsection and in accordance with the terms and condition of this Section, Franchisor may terminate this Franchise Agreement.

XX. GUARANTEE

Franchisee acknowledges that all partners, owners and shareholders of Franchisee are listed on the signature pages hereto and are obligated to execute this Agreement to guarantee the payment of all sums which may from time to time become due to the Franchisor under this Agreement and to agree to be bound by all of the terms, covenants and conditions of this Agreement hereof. Such partners, owners or shareholders also agree to execute any Promissory Notes and Personal Guarantees as requested by the Franchisor.

XXI. AMENDMENT

This Agreement may not be modified, altered or amended except in writing, and executed by all the parties hereto. No failure to act by Franchisor will be considered a waiver or amendment to any provision of this Franchise Agreement.

XXII. CAPTIONS

The captions used in this Agreement are inserted as a matter of convenience. The text of any Section of this Agreement controls its interpretation.

XXIII. SEVERABILITY

If any provision hereof is found by a trier of fact, for any reason, to be illegal or unenforceable, then the validity of the remaining portions, terms, or provisions will not be affected; the illegal portion, term or provision will be deemed not to be part of this Agreement, and this Agreement will be construed as if such provision had never been part of the Agreement.

XXIV. SUCCESSORS

This Agreement will bind, and inure to the benefit of the executor, personal representative, administrator, heirs, successors and assigns of each of the parties.

XXV. ENTIRE AGREEMENT

This Agreement and all exhibits to this Agreement constitute the entire agreement between the parties and supersede any and all prior negotiations, understandings, representations, and agreements. Nothing in this or in any related agreement, however, is intended to disclaim the representations Franchisor has made in the franchise disclosure document that Franchisor furnished to Franchisee.

Franchisee acknowledges that it is entering into this Agreement as a result of its own independent investigation of the franchised business and not as a result of any representations about the Franchisor made by our shareholders, officers, directors, employees, agents, representatives, independent contractors, or franchisees that are contrary to the terms set forth in this Agreement, or in any disclosure document, prospectus, or other similar document required or permitted to be given to Franchisee pursuant to applicable law.

XXVII. DISPUTE RESOLUTION

A. Dispute Resolution by Mediation

The parties have reached this Agreement in good faith and in the belief that it is mutually advantageous to them. In the same spirit of cooperation, Franchisor agrees to try to resolve any and all disputes, controversies or claims that may arise between them concerning or relating to this agreement, its performance, and the relationship between Franchisor and Franchisee first through mediation. Except as provided in Section VI.D and Section XVIII hereof or relating to controversies arising from the Marks, either party shall submit such controversy or claim to non-binding mediation before the American Arbitration Association, or other mutually agreeable mediator within twenty (20) days after such dispute, controversy or claim has arisen. Both parties shall execute a confidentiality agreement not to disclose the fact of mediation, its procedures, information discovered or results to anyone other than its professional advisors who shall also agree to maintain such confidentiality reasonably satisfactory to us. Upon submission, the obligation to attend mediation will be binding on both parties, and a condition of mediation is that it shall be held and concluded within thirty (30) days after it has been requested. Each party will bear its own attorney fees and costs with respect to the mediation,

except the fees for the mediation will be split equally. Good faith participation in these procedures to the greatest extent reasonably possible, despite lack of cooperation by one or more of the other parties, is a precondition to maintaining any legal action to interpret or enforce this Agreement. No party shall initiate or participate in any class action litigation claim against any other party bound hereby.

B. Arbitration

i. The parties hereto agree that, except for controversies, disputes, or claims related to or based on improper use of the Marks or in connection with Sections VI.D or XVIII, and except for otherwise mediation required in Section XXVII.A hereof, all controversies, disputes, or claims between Franchisee and Franchisor's affiliates, and Franchisor's and their respective members, officers, managers, agents, and/or employees, and Franchisee (and/or Franchisee's owners, managers, guarantors, affiliates, and/or employees) arising out of or related to:

1. this Agreement or any other agreement between Franchisee and Franchisor;
2. Franchisor's relationship with Franchisee;
3. the validity of this Agreement or any other agreement between Franchisee and Franchisor; or
4. any Stratus System Standard;

must be submitted for binding arbitration, on demand of either party, to the American Arbitration Association. The arbitration proceedings will be conducted by one arbitrator and, except as this Subsection otherwise provides, according to the then current commercial arbitration rules of the American Arbitration Association. Any questions regarding the arbitrability of any claim is to be determined by the arbitrator and is binding upon the parties. All proceedings will be conducted at a suitable location chosen by the arbitrator in or nearest the city where Franchisor's principal business address is then located. All matters relating to arbitration will be governed by the Federal Arbitration Act (9 U.S.C. §§ 1 et seq.). Judgment upon the arbitrator's award may be entered in any court of competent jurisdiction.

ii. The arbitrator has the right to award or include in his or her award any relief which he or she deems proper, including, without limitation, money damages (with interest on unpaid amounts from the date due), specific performance, injunctive relief, and attorneys' fees and costs, provided that the arbitrator may not declare any Mark generic or otherwise invalid or, except as expressly provided in Subsection XVIII.G below, award any damages against either party.

iii. Franchisee and Franchisor agree that any such dispute, controversy or claim between Franchisor and Franchisee must be submitted to arbitration no later than one (1) year after it has arisen, and that if it is not so submitted, the parties shall both regard it as time-barred under law. Franchisor and Franchisee further agree that, in any arbitration proceeding, each must submit or file any claim which would

iv. constitute a compulsory counterclaim (as defined by Rule 13 of the Federal Rules of Civil Procedure) within the same proceeding as the claim to which it relates. Any claim which is not submitted or filed as required is forever barred. The arbitrator may not consider any settlement discussions or offers that might have been made by either Franchisee or Franchisor.

v. Franchisor and Franchisee agree that arbitration will be conducted on an individual, not a class-wide, basis and that an arbitration proceeding between Franchisor and Franchisor's affiliates, and Franchisor's and their respective members, officers, managers, agents, and/or employees, and Franchisee (and/or Franchisee's owners, managers, guarantors, affiliates, and/or employees) may not be consolidated with any other arbitration proceeding between Franchisor and any other person.

vi. Despite Franchisor and Franchisee's agreement to arbitrate, Franchisor and Franchisee each have the right in a proper case to seek temporary restraining orders and temporary or preliminary injunctive relief from a court of competent jurisdiction.

vii. The provisions of this Section XXVII are intended to benefit and bind certain third party non-signatories and will continue in full force and effect subsequent to and notwithstanding this Agreement's expiration or termination.

viii. **Limitation of Parties.** Franchisor, Franchisee and its principals may only seek damages or any remedy under law or equity for any claim against each other or their successors, assigns or guarantors arising out of or relating to the Agreement or the relationships of the parties. Franchisor and Franchisee agree that affiliates, shareholders, members, directors, officers, employees, agents and representatives will not be personally liable or named as a party in any litigation proceeding arising out of or relating to this Agreement or the relationship among the parties.

C. Governing Law and Venue

This agreement and the franchise are governed by Minnesota law, except to the extent this agreement or any dispute is governed by the Lanham Act or other federal law. In the event of a dispute that cannot be resolved between any of the parties hereto or otherwise arising in connection with this Agreement or the franchise relationship created pursuant to this Agreement, exclusive venue for any action or legal proceeding shall be in the federal or state courts situated in the Minnesota county located closest to Franchisor's headquarters, and Franchisee (and its principals) hereby consents irrevocably to the exclusive jurisdiction of such courts.

D. Attorney's Fee and Costs

If Franchisor incurs legal fees or other expenses as a result of any breach by Franchisee of its obligations under this Agreement, then Franchisor will be entitled to recover from Franchisee the amount of all such legal fees and other expenses. Except as otherwise provided in this section, if either party is required to enforce this Agreement in a judicial or other legal proceeding, the party prevailing in such proceeding will be entitled to reimbursement of its costs and expenses, including reasonable accounting fees, expert witness fees and legal fees.

E. **WAIVER OF CERTAIN DAMAGES**

THE PARTIES HEREBY WAIVE, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT TO OR CLAIM FOR ANY PUNITIVE, EXEMPLARY, INCIDENTAL, INDIRECT, SPECIAL, CONSEQUENTIAL OR OTHER DAMAGES (INCLUDING, WITHOUT LIMITATION, LOSS OF PROFITS) AGAINST SBS ITS AFFILIATES, AND OUR RESPECTIVE OFFICERS, DIRECTORS, SHAREHOLDERS, PARTNERS, AGENTS, REPRESENTATIVES, LICENSORS INDEPENDENT CONTRACTORS, SERVANTS AND EMPLOYEES, IN THEIR CORPORATE AND INDIVIDUAL CAPACITIES, ARISING OUT OF ANY CAUSE WHATSOEVER. EACH OF FRANCHISEE AND PRINCIPALS, IF ANY, AGREE THAT IN THE EVENT OF A DISPUTE, FRANCHISEE AND EACH PRINCIPAL IS LIMITED TO THE RECOVERY OF ANY ACTUAL DAMAGES SUSTAINED.

F. **LIMITATIONS OF CLAIMS**

ANY AND ALL CLAIMS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE RELATIONSHIP AMONG THE PARTIES WILL BE BARRED UNLESS A PROCEEDING FOR RELIEF IS COMMENCED WITHIN ONE (1) YEAR FROM THE DATE ON WHICH THE PARTY ASSERTING SUCH CLAIM KNEW OR SHOULD HAVE KNOWN OF THE FACTS GIVING RISE TO SUCH CLAIMS.

G. **WAIVER OF JURY TRIAL**

IN THE EVENT ANY PARTY INITIATES LITIGATION FOR ANY CLAIMS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE RELATIONSHIP AMONG THE PARTIES, INCLUDING THOSE THAT INCLUDE OTHER PARTIES OR CLAIMS, ALL PARTIES WAIVE THEIR RIGHT TO A TRIAL BY JURY. THIS WAIVER APPLIES TO ALL CAUSES OF ACTION THAT ARE OR MIGHT BE INCLUDED IN SUCH LITIGATION, INCLUDING BUT NOT LIMITED TO CLAIMS RELATED TO THE ENFORCEMENT OR INTERPRETATION OF THIS AGREEMENT, ALLEGATIONS OF STATE OR FEDERAL STATUTORY VIOLATIONS, FRAUD, MISREPRESENTATION, OR SIMILAR CAUSES OF ACTION, AND IN CONNECTION WITH ANY LEGAL ACTION INITIATED FOR THE RECOVERY OF DAMAGES BETWEEN YOU AND YOUR PRINIPAL ON THE HAND AND US AND OUR PRINCIPALS AND SBS AND ITS PRINCIPALS ON THE HAND.

H. **Third Party Beneficiary.**

Franchisor and Franchisee agree that SBS Franchising is a third party beneficiary of all Dispute Resolution provisions of this Section XXVII and any claims arising from the Franchise Agreement and relationship between the Franchisor and Franchisee against SBS Franchising will be conducted in accordance with the terms of this Section XXVII.

I. All provisions of this Section XXVII survive termination or expiration of this Agreement.

XXVIII. INJUNCTION

Franchisee explicitly affirms and recognizes the unique value and secondary meaning attached to the Stratus Building Solution franchise system and the Marks. Accordingly, the Franchisee agrees that any non-compliance by the Franchisee with the terms of this Agreement, or any unauthorized or improper use of the Stratus Building Solution franchise system or the Marks by the Franchisee, will cause irreparable damage to the Franchisor, Stratus and other Stratus Building Solutions franchisees. The Franchisee therefore agrees that if it engages in this non-compliance, or unauthorized and/or improper use of the Stratus Building Solution franchise system or the Marks, during or after the period of this Agreement, the Franchisor will be entitled to both temporary and permanent injunctive relief against the Franchisee from any court of competent jurisdiction, in addition to all other remedies which the Franchisor may have at law. The Franchisee consents to the entry of these temporary and permanent injunctions. No bond is required for the issuance of a temporary restraining order of preliminary injunction and Franchisee expressly waives the imposition of any bond for that purpose.

INDEPENDENT AUDITOR'S REPORT

L & S Service Solutions, LLC
DBA Stratus Building Solutions of St. Paul
Oakdale, Minnesota

Opinion

We have audited the accompanying financial statements of L & S Service Solutions, LLC DBA Stratus Building Solutions of St. Paul (a Minnesota corporation), which comprise the balance sheets as of December 31, 2023, 2022 and 2021 and the related statements of income, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of L & S Service Solutions, LLC DBA Stratus Building Solutions of St. Paul as of December 31, 2023, 2022, and 2021 and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of L & S Service Solutions, LLC DBA Stratus Building Solutions of St. Paul and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about L & S Service Solutions, LLC DBA Stratus Building Solutions of St. Paul's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Eric Clements, CPA, CFE • Andy Matlock, CPA

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of L & S Service Solutions, LLC DBA Stratus Building Solutions of St. Paul's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about L & S Service Solutions, LLC DBA Stratus Building Solutions of St. Paul's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Matlock Clements, P.C.

A summary of the Company’s significant accounting policies consistently applied in the preparation of the accompanying financial statements are as follows:

Basis of Accounting

The Company utilized the accrual basis of accounting, whereby income is recognized as earned and expenses are recognized as obligations are incurred.

Cash and Cash Equivalents

Cash and cash equivalents consist of short-term investments with an original maturity of three months or less, cash on deposit, money market funds and certificates of deposit.

Intangible Assets

The company’s intangible assets subject to amortization under ASC §350-30-25-4 consist primarily of acquired franchise fees and organizational costs. Amortization expense is calculated using the straight-line method over the expected period of benefit, not exceeding 15 years.

Fixed Assets

Fixed Assets are recorded at cost. Improvements are capitalized, while expenditures for maintenance and repairs are expensed as incurred. Upon disposal of depreciable property, the appropriate accounts are reduced by the related costs and accumulated depreciation, the resulting gains and losses are reflected in the statements of operations. The fixed assets are depreciated over estimated service lives as follows:

<u>Description</u>	<u>Life</u>	<u>Method</u>
Buildings	27.5 years	Straight-Line
Office Equipment	5-7 years	Double-Declining
Cleaning Equipment	5-7 years	Double-Declining
Furniture & Fixtures	5-7 years	Double-Declining

Income Taxes

No provision or benefit for federal income taxes has been included in these financial statements since taxable income passes through to, and is reportable by, the members individually.

B. Significant Accounting Policies – (Continued)

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Notes Receivable

Upon the execution of a franchise agreement, a franchise fee is due to the Company to be paid in thirty-six equal monthly installments including interest on the unpaid principal amount at the rate of fifteen percent per annum. Installments are paid out of the monthly collection made by the Franchisor from the Franchisee's accounts until full payment is received. All franchise fee obligations are evidenced by the completion of a promissory note. The franchise fee amounts currently due to the Company are considered notes receivable for financial statement presentation.

Revenue Recognition

The Company obtains customers under commercial cleaning contracts through its sales and marketing efforts. The right to service these customer's accounts is then delegated to the franchisees. The Company provides its franchisees with monthly billing and collection services for these commercial cleaning customers and remits the collections to the franchisee after deducting the royalty and management fees, insurance, any financing payments due and other amounts paid for by the Company on the franchisee's behalf. The Company accounts for billings to commercial cleaning customers as contract revenue net of remittances to franchisees, before financing payments. Revenues from commercial cleaning services are recognized as the services are provided.

During the year ended December 31, 2020, the Company adopted Accounting Standards Update (ASU) No. 2014-09, Revenue from Contracts with Customers (Topic 606), which outlines a single comprehensive model for recognizing revenue and supersedes most existing revenue recognition guidance, including guidance specific to the not-for-profit industry. ASU 2014-09 requires an entity to recognize revenue to depict the transfer of promised goods or services to customers in amounts that reflect considerations to which the entity expects to be entitled in exchange for those goods or services. Analysis of various provisions of this standard resulted in no significant changes in the way the Company recognizes revenue, and therefore no changes to the previously issued audited financial statements were required on a retrospective basis.

The Company's primary sources of revenues from contracts with customers are from franchise account sales. A contract asset arises when an entity transfers a good or performs a service in advance of receiving consideration from the customer. The company did not have any applicable contract sales during the year ending December 31, 2023, therefore the Company does not have any receivables or contract assets as of December 31, 2023.

C. Fixed Assets

The Company's fixed assets consist of:

	<u>December 31, 2023</u>	<u>December 31, 2022</u>	<u>December 31, 2021</u>
Office Furniture	<u>\$ 2,805</u>	<u>\$ 2,805</u>	<u>\$ 2,805</u>

D. Intangible Assets

The Company's intangible assets consist of:

	December 31, 2023	December 31, 2022	December 31, 2021
Master Franchise Fee	\$ 230,000	\$ 230,000	\$ 230,000

	<u>\$ 144,000</u>	<u>\$ 159,333</u>	<u>\$ 174,667</u>

E. Accounts Receivable

The Company sells its products and services to customers on an open credit basis. The Company's accounts receivable is due from such customers and are generally uncollateralized. Management closely monitors outstanding accounts receivable and charges off to expense all balances that are deemed uncollectible. At December 31, the accounts receivable is aged as follows:

	2023	2022	2021
0-30 days	\$ 41,504	\$ 42,627	\$ 41,767

91 days or beyond	2,941	3,583	1,729
	<u>\$ 49,764</u>	<u>\$ 51,243</u>	<u>\$ 49,797</u>

F. Paycheck Protection Program Loan

On May 8, 2020, the company received loan proceeds in the amount of \$32,565 under the Paycheck Protection Program ("PPP"). The PPP, established as part of the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"), provides for loans to qualifying businesses for amounts up to 2.5 times of the average monthly payroll expenses of the qualifying business. The loans and accrued interest are forgivable after either eight or twenty-four weeks as long as the borrower uses the loan proceeds for eligible purposes, including payroll, benefits, rent and utilities, and maintains its payroll levels.

As of December 31, 2023, all PPP loans have been forgiven.

G. Subsequent Events

Subsequent events were evaluated through May 14, 2024, when these financial statements were available to be issued.

H. Risk and Uncertainties

During March 2020, local, U.S., and world governments have encouraged self-isolation to curtail the spread of the global pandemic, coronavirus disease (COVID-19), by mandating temporary work stoppage in many sectors and imposing limitations on travel and size and duration of group meetings. Most industries are experiencing disruption to business operations and the impact of reduced consumer spending. There is unprecedented uncertainty surrounding the duration of the pandemic, its potential economic ramifications, and any government actions to mitigate them. Accordingly, while management cannot quantify the financial and other impact to the Company as of the date of the independent auditor's report, management believes that a material impact on the Company's financial position and results of future operations is reasonably possible.

Board of Directors

SBS Franchising LLC

Opinion

We have audited the consolidated financial statements of SBS Franchising LLC (the "Company"), which comprise the consolidated balance sheets as of December 31, 2023 and 2022, and the consolidated statements of income and comprehensive income, changes in members' equity and cash flows for the year then ended, and notes to the financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of matter – Restated comparative information

As discussed in note 12, the 2022 consolidated financial statements, have been restated to correct a misstatement. Our opinion is not modified in respect of this matter.

Basis for opinion

We conducted our audits of the consolidated financial statements in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with U.S. GAAP, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the

Company's ability to continue as a going concern for one year after the date the financial statements are issued.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based of the consolidated financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are events or conditions, considered in the aggregate that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain control related matters that we identified during the audit.

SBS Franchising LLC

Notes to the Financial Statements

December 31, 2023

1. Operations and economic dependence

SBS Franchising, Inc. (the "Company") was formed under the General Corporation Law of the state of Delaware on January 13, 2015. For income tax purposes, the Company converted from a corporation to a limited liability company at the beginning of 2018 and changed its name to SBS Franchising, LLC. The Company is in the business of franchising commercial cleaning businesses and, in that regard, granting to independent investors the right to operate master franchises of the Company's commercial cleaning and maintenance service business, and granting licenses to such master franchisees to use the methods, marks, procedures and products developed by the Company.

Going concern

The Company had a net loss of \$4,442,886 and negative operating cash flow of \$4,088,420 during the period. This is primarily due to a deferred tax charge of \$4,919,000 related to the gain on the sale of IP from the previous reporting period. In order to meet this tax liability, the Company is dependent upon its shareholders for financial support. The Company believes it has sufficient resources for future periods to continue as a going concern.

2. Summary of significant accounting policies

Basis of presentation

The Company has prepared these consolidated financial statements in accordance with US Generally Accepted Accounts Principles (U.S. GAAP).

Use of estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and the accompanying notes. Actual results could differ from those estimates.

Making estimates requires management to exercise significant judgement. Management base its estimates on historical experience and various other assumptions that are believed to be reasonable under the circumstances. These estimates are based on information available as of the date of the financial statements; therefore, actual results may differ materially from those estimates. Significant areas requiring the use of estimates relate to the determination of recoverability of trade receivables.

Related party transactions

Related party transactions are measured at the exchange amount, which is the amount of consideration established and agreed to by the related parties.

Concentrations of credit risk

Financial instruments that could potentially subject the Company to concentration of credit risk include cash deposited in accounts in excess of federally insured limits, and accounts receivable.

SBS Franchising LLC

Notes to the Financial Statements

December 31, 2023

2. Summary of significant accounting policies (continued)

Foreign Operations

The consolidated financial statements are presented in U.S. dollars, which is the reporting currency. The Company translates the results of operations of its subsidiaries with functional currencies other than the U.S. dollar using average exchange rates during each period and translates balance sheet accounts using exchange rates at the end of each period.

The Company records currency translation adjustments as a component of equity within Accumulated other comprehensive income and transaction gains and losses in other expense, net in our consolidated statements of operations and comprehensive (loss) income. Foreign currency translation balances.

reported within Accumulated other comprehensive income are recognized in the consolidated statements of operations and comprehensive (loss) income when the operation is disposed of or substantially liquidated.

Revenue recognition

Franchise revenue, in the form of royalty fees, franchise license fees, and other revenue is recognized in accordance with ASC 606 - Revenue from Contracts with Customers ("ASC 606"). Under ASC 606, revenue is recognized upon transfer of control of promised services or goods to customers in an amount that reflects the consideration the Company expects to receive for those services or goods.

The standard includes the following five-step revenue recognition process:

1. Identify the contract with a customer
2. Identify performance obligations in the contract
3. Determine the transaction price
4. Allocate the transaction price to the performance obligations
5. Recognize revenue when each performance obligation is satisfied

The Company has implemented this five-step process in recognizing revenues related to the sale of franchise contracts. The Company has executed franchise agreements with its customers (the "Franchisees") in which the rights and obligations of each party are specified. The contract terms are typically 15 years. The franchise arrangement between the Company as the franchisor and the franchisee as the customer requires the Company to perform various activities to support the brand that do not directly transfer goods and services to the franchisee, but instead represent a single performance obligation, which is the transfer of the franchise license. The Company's franchise sale performance obligations include providing initial and continuous training, brand training and reference materials, use of marks and logos, and continuous franchisee support. The nature of the Company's promise in granting the franchise license is to provide the franchisee with access to the brand's intellectual property over the term of the license. While revenue is presented in the consolidated statements of income on a disaggregated basis, the services provided by the Company are highly interrelated with the franchise license and as such are considered to represent a single performance obligation. Therefore, the franchise sale revenue collected from Franchisees are directly allocated to such single performance obligation. While the recognition of franchise sale revenues is spread over the term of the franchise contracts on a straight-line basis, the royalty revenues are recognized on a monthly basis as a percentage of revenues earned by the Franchisees.

SBS Franchising LLC

Notes to the Financial Statements

December 31, 2023

2. Summary of significant accounting policies (continued)

Revenue recognition (continued)

The un-recognized portions of the contract costs and revenues have been recorded as master franchise fee receivable and franchise contract liabilities, respectively, in the Company's financial statements. Incremental costs of obtaining customer contracts are capitalized as a franchise asset and expensed on a straight-line basis over the life of the contract. A franchise contract liability is recognized to defer initial franchise fee revenue over the period of the contract it relates to.

The Company receives cash and master franchise fee receivable as consideration upon the issuance of non-cancelable business licensing contracts with its cleaning service master licensees. The Company recognizes franchise fee revenue in accordance with ASC 606 as the licenses are issued, and cash is received, or master franchise fee receivable are signed and become effective.

The Company does not incur a significant amount of contract acquisition costs in conducting its franchising activities. The Company believes its franchising arrangements do not contain a significant financing component. The Company usually receives cash within 30 days of invoice.

Accounts receivable and master franchise fee receivable

The Company uses the accrual method of accounting and evaluates the collectability of its accounts and master franchise fee receivable based on historical data and anticipated effects of economic and other business trends that may have a bearing on collectability.

Intangible assets

Intangible assets are stated at cost at the date of purchase, less accumulated amortization. Amortization is calculated using the straight-line method over of the estimated useful life of the asset. Intangible assets have a useful life of 7 years.

Intangible assets area assessed for impairment on an annual basis. If there is an indicator of impairment, the Company determines if there is a significant adverse change in the expected amount or timing of future cash flows from the intangible asset and adjusts the carrying value accordingly.

Fair value of financial instruments

Fair value is an exit price, representing the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. As such, fair value is a market-based measurement that should be determined based on assumptions that market participants would use in pricing an asset or a liability. There is a three-tier fair value hierarchy, which prioritizes the inputs used in the valuation methodologies in measuring fair value:

Level 1 -

Observable inputs that reflect quoted prices (unadjusted) for identical assets or liabilities in active markets.

Level 2 -

Includes other inputs that are directly or indirectly observable in the marketplace, such as quoted market prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets and liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data.

Per the master franchise license, SBS Services Group, LLC is obligated to pay royalties to the Company. The total royalties for 2023 and 2022 were \$2,086,248 and \$1,232,418, respectively.

10. Sale of intellectual property

On November 15, 2022 the Company sold its worldwide trademark portfolio and certain other intellectual property rights utilized by Stratus Franchising, LLC ("Stratus Rights") in its business to Strat-B Royalties Limited Partnership, a division of Diversified Royalty Corp ("DIV"). The total purchase price included cash of \$59.4 million and variable consideration in the form of an incremental earn out discussed below.

Concurrently with the sale, the Company entered into a licensing arrangement whereby DIV licensed the Stratus Rights in the United States, Canada, Australia, New Zealand and the United Kingdom back to the Company for 50 years, in exchange for an initial royalty payment of \$6 million per annum. The initial royalty will be automatically increased by 5% on each anniversary of the closing date in calendar years 2023, 2024, 2025 and 2026 and by 4% on each anniversary of the closing date thereafter without any further consideration payable by DIV or Strat-B LP. On April 1st of each year following the closing date, DIV can compel the Company to pay an additional royalty fee ("Additional Royalty") based on the Company meeting certain EBITDA targets. The amount of the Additional Royalty fee cannot be less than \$1,000,000 per annum and must, in respect of amounts over that threshold, be in increments of \$100,000 per annum. The EBITDA targets were not met in 2023.

10. Sale of intellectual property (continued)

If DIV compels the Company to pay the Additional Royalty, the incremental earn out is triggered and the Company will be entitled to incremental earn out payments under the sale agreement. As discussed above, the incremental earn out is a form of variable consideration, and as at December 31, 2023, the Company is unable to assert that it is highly probable there will not be a significant reversal. As a result, the Company has not recognized the variable consideration on the sale. The Company will reassess the likelihood at each reporting period.

The sale of the Stratus Rights resulted in a gain of \$49,371,163 recognized in the year ended December 31, 2022.

11. Commitments and contingencies

The Company may, from time to time, be subject to claims and legal proceedings brought against it in the normal course of business. Such matters are subject to many uncertainties. The Company provides for these uncertainties when the occurrence of events is likely, and a reasonable estimate of the loss can be made.

As of the date of the audit report there are no contingent or other liabilities that have not been recorded or disclosed in these financial statements or accompanying notes and that there is no pending or threatened litigation against the Company, its management or its owners.

12. Restatement

Management evaluated the presentation of the Gain on sale of IP and amortization & depreciation within other income (expenses) in the prior reporting period and concluded it was not presented in accordance with US Generally Accepted Accounts Principles (U.S. GAAP). These items have therefore been presented in operating income in these financial statements. The Company determined that the change is a result of a misapplication of US GAAP and should be treated as a correction of an error, even though its previously reported net income would not change.

13. Subsequent events

Management evaluated subsequent events through March 5, 2024, the date these financial statements were issued. There were no material subsequent events that required recognition or additional disclosure in the financial statements.
