Quiz Holdings, LLC is offering franchises to operate a QUIZNOS Restaurant serving submarine and other sandwiches, salads, soups, soft drinks and related other products under the service mark “QUIZNOS” and “QUIZNOS SUB.”

Notes:

1. Type of Expenditure. Unless otherwise noted, all amounts that you pay to us or our Affiliates are nonrefundable. Third party vendors will decide if payments to them are refundable. We do not offer, either directly or indirectly, financing to you for any items.

2. Amount. Investment figures represent approximate costs based on your QUIZNOS Restaurant's geographic location, site preparation, proximity and access to utility lines, landlord's concessions and

other site and location specific requirements. The figures [cover all types of QUIZNOS Restaurant locations and](#) vary ~~greatly~~ depending upon whether you are developing a QUIZNOS Restaurant to be operated from a freestanding building, a non-traditional location or from a traditional QUIZNOS location in a strip center or mall with a dining room, in addition to a drive-thru at any of those types of locations.

3. Leasehold Improvements. Leasehold improvement costs, including floor covering, wall treatment, counters, ceilings, painting, window coverings, electrical, carpentry and similar work, and contractor's fees, depending upon the site's condition, location, and size; the demand for the site among prospective lessees; the site's previous use; the build-out required to conform the site for your QUIZNOS Restaurant; and any construction or other allowances the landlord grants. Real estate costs are not included in this range. Real Estate costs vary greatly and depend on whether you own the Franchised Location before signing the Franchise Agreement or instead purchase or lease your Franchised Location. A QUIZNOS Restaurant is typically located in an outdoor or enclosed mall or a strip shopping center and generally is from 950 to 1,200 square feet. If you lease your Franchised Location, the amount of rent depends on the market, QUIZNOS Restaurant size, and common area expenses passed through to tenants. Rent for enclosed mall locations generally will be higher.

4. Architectural. These amounts include the cost of layout of the space and stamped drawings required submission to the municipality to obtain permits.

5. Restaurant Equipment. We will provide you with a list of equipment and specifications for the equipment needed for a Quiznos Restaurant. You may purchase the equipment from any vendor using our specifications.

6. Computer Systems, Online Ordering, Telephones, Point-of-Sale and Delivery Equipment. You must purchase from a designated vendor our authorized point-of-sale system, computer system, including a tablet or laptop, and credit/debit and gift card processing system, kiosk and locker system. You may also, at your option, elect to finance our authorized point-of-sale system, electronic cash register and computer system through the designated vendor. The amount you pay will vary depending upon the number of terminals and tablets you purchase.

7. Security Deposits, Utility Deposits, Permits and Business Licenses. The above amounts will vary depending upon the jurisdiction in which your QUIZNOS Restaurant will be located and the requirements of your landlord, local governmental agencies and utility companies.

8. Rent. These estimates include first and last months' rent and are based on a QUIZNOS Restaurant with approximately 950 to 1,200 square feet, with an average cost of \$12.00 to \$32.00 per square foot, per year.

9. Training Expenses. You are responsible for arranging and paying for transportation and paying the expenses for meals, lodging and salaries for any persons attending the Initial Training Program. The amount expended will depend on the distance you travel, type of transportation and accommodations you choose, and potentially any local travel mandates and health authority protocol that may require isolation or quarantine before or after your travel. The estimate contemplates attendance by one person. Your expenses will be higher if more than one individual attends the training program.

~~9.~~10. Additional Funds. This range estimates the funds needed to cover your initial expenses for the first three months of operation. These expenses may include insurance, legal fees, accounting fees, utilities, food orders, paper supplies, and miscellaneous supplies. All of these expenses are paid to third

parties. We have relied on our predecessor's and our principals' many collective years of experience in the QUIZNOS Restaurant industry to compile these estimates.

~~1011.~~ Total Estimated Initial Investment. This range does not include real estate leasing or acquisition costs. ~~Because these figures are only estimates, it is possible both to reduce and to exceed costs in any of the areas listed above.~~ Actual costs will vary depending on physical size and current condition of the premises. ~~In addition, actual costs may substantially exceed these estimates in a major metropolitan market and the high range figures in this Item 7 do not reflect these costs.~~ Neither we nor our affiliates offer financing directly or indirectly for any part of the initial investment. The availability and terms of financing depend on the availability of financing generally, your creditworthiness and collateral, and lending policies of financial institutions. The estimate does not include any finance charge, interest, or debt service obligation.

Explanatory Notes

1. Initial Franchise Fees for Multi-Unit Development Agreement . If you sign a Multi-Unit Development Agreement (“MUDA”) to develop two or more QUIZNOS Restaurants in the Development Territory, you must pay to us at the time you sign the MUDA, the Initial Franchise Fee for the each QUIZNOS Restaurant to be developed by you under the MUDA. At the time you sign the MUDA, you will also pay to us the Initial Support Fee for the first QUIZNOS Restaurant to be developed by you under the MUDA. At the time you sign a Franchise Agreement for the second and for each subsequent QUIZNOS Restaurant to be developed under the MUDA, you will pay a reduced Initial Support Fee of

\$15,000 (“**Reduced Initial Support Fee**”) for each. The Initial Franchise Fee and the Reduced Initial Support Fees are fully earned at the time you make the payment to us and are not refundable regardless of whether you ultimately open any or all of your QUIZNOS Restaurants. The Initial Franchise Fee and the Reduced Initial Support Fee may not be uniform for all franchisees due to the variable nature of negotiation including the size of the Development Territory to be developed, the number of QUIZNOS Restaurants to be opened, demographic data and trends and other conditions, and we reserve the right to charge different Initial Franchise Fees and Reduced Initial Support Fees in our sole discretion. The number of QUIZNOS Restaurants that you may develop under a particular Multi-Unit Development Agreement is determined by mutual agreement. The chart provides your initial investment to open your QUIZNOS Restaurants assuming you sign a Development Agreement to develop two QUIZNOS Restaurants.

ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You are required to use only authorized and/or designated vendors (which may be us or our affiliates) for certain goods and services and are required to enroll in certain mandatory service programs, as described below and as set forth in our Operations Manual. You must purchase all goods and services required for the development and operation of the QUIZNOS Restaurant from authorized and/or designated vendors or distributors (which there may be only one vendor or distributor for any given good or service) under terms and in the manner designated by us or any of our affiliates.

Except as noted in this Item, we and our affiliates currently are not authorized vendors of any item, although our affiliates may become authorized vendors at any time in the future and may even be the designated or sole vendor of one or more items, in which case you would have to buy the items from our affiliates at their then current prices.

If you desire to purchase equipment, products, services, supplies, or materials from vendors other than those previously authorized, we may permit you to do so, but you first must submit a written variance request to change the vendor. We will notify you in writing or via electronic ~~communication~~ communication of authorization or rejection of the proposed alternative vendor within a reasonable time (typically no longer than 30 business days) after completing our investigation. We may withhold authorization of the proposed vendor for any reason. In order to make a decision, we may require that samples of a proposed new product first be delivered for testing. Permission for inspection

availability of the training programs depends on space considerations and prior commitments to other QUIZNOS franchisees. (Sections 11.2(d), Franchise Agreement)

5. Provide guidance and consultation to you and/or your bookkeeping service providers, as we deem appropriate, with respect to compliance with QUIZNOS standards and specifications for the provision of those services. (Section 11.1(d), Franchise Agreement) (See Items 6 and 8)

Our Obligations During the Multi-Unit Development Agreement

A developer signs the Franchise Agreement for the first QUIZNOS Restaurant to be developed in the Development Schedule at the time the Multi-Unit Development Agreement is signed. Our obligations under the Franchise Agreement apply to a developer. Each time a developer signs another Franchise Agreement, our obligations are activated for the new QUIZNOS Restaurant to be established. We do not have separate obligations under the Multi-Unit Development Agreement.

Marketing and Promotion

You must pay a Marketing Fee of 2% of your weekly Gross Sales (see Item 6), which is deposited in a bank, commercial account, or savings account (“**Marketing Fund**”). We reserve the right to increase the Marketing Fee up to a maximum of 5% of Gross Sales based on the prior week’s Gross Sales; however, we may not increase the Marketing Fee by more than 1/2% in any given year (by way of example, we may only increase the Marketing Fee to 2.5% of Gross Sales after the first year of the Initial Term of the Franchise Agreement). Affiliate-owned QUIZNOS Restaurants may not pay into the Marketing Fund on an equal percentage basis with all franchised QUIZNOS Restaurants. Certain QUIZNOS Restaurants may not contribute to the Marketing Fund or may contribute on a different percentage basis. Upon written request, annual unaudited financial statements are available to franchisees 120 days after the end of the Marketing Fund’s fiscal year. The Marketing Fund is not audited.

One or more of our affiliates may administer and control the Marketing Fund, which is used to create, produce, and place advertising, in-store signs, in-store promotions, and commercial or online/digital advertising; to pay agency costs and commissions; to create and produce video, audio, and written advertisements; to administer multi-regional advertising programs, including direct mail and other media advertising; to employ advertising agencies and in-house staff assistance; to support public relations, market research, and other advertising and marketing activities; to conduct product and menu testing and develop product recipes; to create, produce, and implement websites for us and/or our franchisees; to conduct crypto currency and other blockchain promotions; develop and maintain a presence on any virtual platform (including, without limitation, the metaverse) and to develop and maintain application software designed to run on computers and similar devices, including tablets, smartphones and other mobile devices, as well as any evolutions or “next generations” of any such devices, and to promote virtual brands offered to ~~franchisees~~[franchisees](#) to sell out of QUIZNOS Restaurants. The advertising may be disseminated in print, television, radio, or other interactive media. The coverage has been local, regional and national. The Marketing Fund will not be used for direct solicitation of franchisees.

Our affiliates may be reimbursed from the Marketing Fund for administrative costs, salaries, and overhead expenses related to administering the Marketing Fund and its marketing programs, including conducting market research, preparing material, and collecting and accounting for Marketing Fund contributions. In any fiscal year, the Marketing Fund may spend more or less than the aggregate contribution of all QUIZNOS Restaurants to the Marketing Fund in that year. QUIZNOS affiliates may,

periodically and in our discretion, make additional investments into the Marketing Fund to supplement the efforts of that fund.

The Marketing Fund may also borrow from QUIZNOS affiliates (at commercially reasonable rates) or third-party lenders to cover deficits or invest any surplus for future use. Any amounts that remain in the Marketing Fund at the end of each year accrue and are applied toward the next year's expenses. The Marketing Fund is not our or any affiliate's asset. The Marketing Fund is to maximize recognition of the Marks and patronage of QUIZNOS Restaurants. Although our affiliates will try to use the Marketing Fund to develop advertising and marketing materials and programs and to place advertising and marketing that will benefit all franchisees, they need not ensure that Marketing Fund expenditures in or affecting any geographic area are proportionate or equivalent to Marketing Fund contributions by QUIZNOS Restaurants operating in that geographic area or that any franchisee benefits directly or in proportion to its Marketing Fund contribution from the development of advertising and marketing materials or the placement of advertising. We and our affiliates have the right to deposit into the Marketing Fund any advertising, marketing, or similar allowances paid by vendors. (See Item 8). We and our affiliates assume no other direct or indirect liability or obligation to you for collecting amounts due to or maintaining, directing, or administering, any advertising account.

Our affiliates may use collection agents and institute legal proceedings to collect Marketing Fund contributions at the Marketing Fund's expense. Our affiliates also may forgive, waive, settle, and compromise all claims by or against the Marketing Fund. Our affiliates may at any time defer or reduce a franchisee's contributions and, upon 30 days' prior written notice to you, reduce or suspend Marketing Fund contributions and operations for one or more periods of any length and terminate (and, if terminated, reinstate) the Marketing Fund. If the Marketing Fund is terminated, our affiliates will distribute all unspent monies to the contributors in proportion to their respective Marketing Fund contributions during the preceding 12-month period.

You may create your own advertising and promotion materials; however, all your advertising and promotion must be in authorized media and formats, be conducted in a dignified manner, and conform to QUIZNOS standards and requirements. You may not use any advertising or promotional plans or materials until you receive our written authorization.

You must participate in any promotion campaigns, advertising, loyalty programs, and other programs periodically established or authorized for QUIZNOS Restaurants, whether on a national, regional or local basis. This includes accepting coupons and gift cards that we or our affiliates issue. In some instances, while participation is mandatory, we may allow you to participate at different price points (subject to our right to establish maximum and minimum pricing). We do not require franchisees to participate in any local or regional advertising cooperatives.

In-house personnel and outside ad agencies create advertising and promotions for the Marketing Fund. During the fiscal year ending December 31, 2023, the Marketing Fund spent 45% of its total expenses on digital advertising, loyalty programs and social media, 11% on print and production; 10% on brand promotion and 34% on ~~administrative~~[administrative](#) expenses.

Franchisee Advisory Council

We currently have an advisory council composed of franchisees that volunteer to serve a 2-year term. The advisory council provides feedback on brand direction, strategic programs, key initiatives and makes recommendations for operational improvements. Council participants provide insight to us in an advisory capacity only on how we can continue to improve business initiatives and drive growth; they do not have authorization or veto rights of any expenditures. Council members are selected by us. We may

We currently do not use any public figure to promote our franchise.

ITEM 19 FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

As of December 31, 2023 we had 156 franchised outlets.

The following table reflects the annual sales (defined below) for the ~~fiscal year ending on 156~~ franchised outlets that were open for at least 12 full months as of December 31, 2023.

2023 Annual Sales			
	Non-Traditional Franchised Restaurants	Non-Traditional Company Owned Restaurants	Traditional Franchised Restaurants
Count of Stores	4344	1	112
Average (\$)	\$502,654	\$5,468,736	\$417,139

“Average Sales” means the average weekly sales of a QUIZNOS location in any given week, times 52 weeks.

Some outlets have earned this amount. Your individual results may differ. There is no assurance that you will earn as much.

Other than the preceding financial performance ~~representation~~representation, we do not make any representations about a franchisee’s future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor’s management by contacting Quiz Holdings, LLC, 4700 S. Syracuse St., Suite 225, Denver, Colorado 80237, Attn: Legal Department, (720) 359-3300, the Federal Trade Commission, and the appropriate state regulatory agencies. If we become aware of a QUIZNOS franchisee in the State of Washington attempting to enforce the No-Poaching Provision, we will notify the Washington Attorney General.

Item 5 is amended to disclose the following: Persons who receive financial incentives to refer franchise prospects to us may be required to register as franchise brokers under the laws of some states.

The State of Washington has imposed a financial condition under which the initial fees due will be deferred until the franchisor has fulfilled its initial pre-opening obligations under the Franchise Agreement and the franchise is open for business. Because the Franchisor has material pre-opening obligations with respect to each franchised business the Franchisee opens under the Multi-Unit Agreement, the State of Washington will require that the franchise fees be released proportionally with respect to each franchised business.

Section 5.1 of the Franchise Agreement is amended to state that the collection of the initial fees will be deferred until the franchisor has fulfilled its initial pre-opening obligations and the franchisee is open for business.

Because the Franchisor has material pre-opening obligations with respect to each franchised business the Franchisee opens under the Multi-Unit Agreement, the State of Washington will require that the franchise fees be released proportionally with respect to each franchised business.

~~The Franchise Agreement and Multi Unit Agreement contain provisions requiring you to acknowledge certain statements which are prohibited by Washington law, including acknowledgements that: you have read or understand the franchise disclosure document or any exhibit; you understand the risks associated with the purchase of the franchise; no representations outside of or different from any representation in the disclosure document or any exhibit are binding; the success of the franchise is dependent solely or primarily on you; and you have had the opportunity to consult with professional advisors. These specific provisions within Section 27.6 and 27.9, of the Franchise Agreement and within 8.3 of the Multi Unit Agreement are omitted as prohibited statements under Washington law.~~

~~The Franchise Agreement and Multi Unit Agreement contain provisions that reiterate or duplicate representations or statements already made in the disclosure document and provisions that may have the effect of shifting the franchisor's disclosure obligations under federal or state law to you. These specific provisions within Section 27.6 and 27.9 of the Franchise Agreement and 8.3 of the Multi Unit Agreement are omitted as prohibited by Washington law~~

Section 27.9, of the Franchise Agreement and 8.3 of the Multi-Unit Agreement are prohibited statements under Washington law and are hereby deleted in their entirety.

Exhibit F - Franchisee Questionnaire and Acknowledgement is hereby deleted in its entirety.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement by any franchisor, franchise seller, or other person acting on behalf of franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be made effective as of the Effective Date.
