What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit C.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Georgia. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Georgia than in your own state.
2. **Mandatory Minimum Payment:** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
3. **Spousal Liability:** Your spouse must sign a document that makes your spouse, if they are in any way involved in the operation of the franchise, liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.
4. **Sales Performance Requirement.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**NOTICE
REQUIRED BY

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

THIS MICHIGAN NOTICE APPLIES ONLY TO FRANCHISEES WHO ARE RESIDENTS OF MICHIGAN OR LOCATE THEIR FRANCHISES IN MICHIGAN.

- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal

to purchase the franchise. Good cause shall include, but is not limited to:

- (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
- (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
- (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
- (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

ITEM 3: LITIGATION

Disclosure Related to Predecessor

Angela Cruz, Maria Madrigal Lourdes Baiz and Christie Goodman v. MM879, Inc., Barrett Bus. Servs., Inc., ServiceMaster, Inc., Merry Maids LP, Merry Maids LLC, and Does 1-98, Cal. Super. Ct., No. 11CECG01156 and Angela Cruz, Maria Madrigal, Lourdes Baiz, and Christie Goodman v. MM879, Inc., Barrett Bus. Servs., Inc., The ServiceMaster Company, LLC, Merry Maids LP, and MM Maids LLC, E.D. Cal., No. 1:150CV-01563-TLN-EPG

This matter was originally filed in 2011 in California Superior Court against franchisee Merry Maids of Fresno, incorporated as MM879, Inc., and Predecessor alleging various violations of California wage and hour law including failure to pay overtime, minimum wage, meal and rest periods, reimbursement for business related expenses and inaccurate wage statements. Predecessor contended that it was not a proper party defendant, as it was a franchisor and had no day-to-day control over the franchisee. After numerous amended complaints, motions, and interlocutory orders, in January 2015, Predecessor filed a motion for summary judgment, which was denied on August 10, 2015.

In October 2015, the case was removed to the United States District Court for the Eastern District of California. Plaintiffs filed a fifth amended complaint on March 18, 2016. Predecessor filed a motion for summary judgment on March 18, 2016. On August 26, 2016, Plaintiffs filed a motion for class certification. In January 2019, the district court granted Predecessor's motion for summary judgment on joint employment liability, but the district court denied the motion as to an agency theory and conditionally certified a collective action. On January 31, 2020, the district court granted Predecessor's motion for summary judgment on the agency theory and dismissed Predecessor from the case. Plaintiffs appealed the dismissal to the Ninth Circuit Court of Appeals in March 2020. Following briefing and oral argument, the lower court's order was affirmed on June 2, 2022.

Disclosures Regarding Affiliated Programs

The following affiliates who offer franchises resolved actions brought against them with settlements that involved their becoming subject to currently effective injunctive or restrictive orders or decrees. None of these actions allege any unlawful conduct by us.

The People of the State of California v. Arby's Restaurant Group, Inc. (California Superior Court, Los Angeles County, Case No. 19STCV09397, filed March 19, 2019). On March 11, 2019, our affiliate, Arby's Restaurant Group, Inc. ("ARG"), entered into a settlement agreement with the states of California, Illinois, Iowa, Maryland, Massachusetts, Minnesota, New Jersey, New York, North Carolina, Oregon and Pennsylvania. The Attorneys General in these states sought information from ARG on its use of franchise agreement provisions prohibiting the franchisor and franchisees from soliciting or employing each other's employees. The states alleged that the use of these provisions violated the states' antitrust, unfair competition, unfair or deceptive acts or practices, consumer protection and other state laws. ARG expressly denies these conclusions but decided to enter into the settlement agreement to avoid litigation with the states. Under the settlement agreement, ARG paid no money but agreed (a) to remove the disputed provision from its franchise agreements (which it had already done); (b) not to enforce the disputed provision in existing agreements or to intervene in any action by the Attorneys General if a franchisee seeks to enforce the provision; (c) to seek amendments of the existing franchise agreements in the applicable states to remove the disputed provision from the agreements; and (d) to post a notice and ask franchisees to post a notice to employees about the disputed provision. The applicable states instituted actions in their courts to enforce the settlement agreement through Final Judgments and Orders, Assurances of Discontinuance, Assurances of Voluntary Compliance, and similar methods.

The People of the State of California v. Dunkin' Brands, Inc., (California Superior Court, Los Angeles County, Case No. ~~E25636618~~19STCV09597, filed on March 19, 2019).) On March 14, 2019, our affiliate, Dunkin Brands, Inc. (“DBI”), entered into a settlement agreement with the Attorneys General of 13 states and jurisdictions concerning the inclusion of “no-poaching” provisions in Dunkin’ restaurant franchise agreements. The settling states and jurisdictions included California, Illinois, Iowa, Maryland, Massachusetts, New Jersey, New York, North Carolina, Pennsylvania, Rhode Island, Vermont, and the District of Columbia. A small number of franchise agreements in the Dunkin’ system prohibit Dunkin’ franchisees from hiring the employees of other Dunkin’ franchisees and/or DBI’s employees. A larger number of franchise agreements in the Dunkin’ system contain a no-poaching provision that prevents Dunkin’ franchisees and DBI from hiring each other’s employees. Under the terms of the settlement, DBI agreed not to enforce either version of the no-poaching provision or assist Dunkin’s franchisees in enforcing that provision. In addition, DBI agreed to seek the amendment of 128 franchise agreements that contain a no-poaching provision that bars a franchisee from hiring the employees of another Dunkin’ franchisee. The effect of the amendment would be to remove the no-poaching provision. DBI expressly denied in the settlement agreement that it had engaged in any conduct that had violated state or federal law, and, furthermore, ~~that~~ the settlement agreement stated that such agreement should not be construed as an admission of law, fact, liability, misconduct, or wrongdoing on the part of DBI. The Attorney General of the State of California filed the above-reference lawsuit in order to place the settlement agreement in the public record, and the action was closed after the court approved the parties’ stipulation of judgment.

New York v. Dunkin’ Brands, Inc. (N.Y. Supreme Court for New York County, Case No. 451787/2019, filed September 26, 2019). In this matter, the N.Y. Attorney General (“NYAG”) filed a lawsuit against our affiliate, DBI, related to credential-stuffing cyberattacks during 2015 and 2018. The NYAG alleged that the cyber attackers used individuals’ credentials obtained from elsewhere on the Internet to gain access to certain information for DD Perks customers and others who had registered a Dunkin’ gift card. The NYAG further alleged that DBI failed to adequately notify customers and to adequately investigate and disclose the security breaches, which the NYAG alleged violated the New York laws concerning data privacy as well as unfair trade practices. On September 21, 2020, without admitting or denying the NYAG’s allegations, DBI and the NYAG entered into a consent agreement to resolve the State’s complaint. Under the consent order, DBI agreed to pay \$650,000 in penalties and costs, issue certain notices and other types of communications to New York customers, and maintain a comprehensive information security program through September 2026, including precautions and response measures for credential-stuffing attacks.

Other than these actions, no litigation is required to be disclosed in this Item.

ITEM 4: BANKRUPTCY

No bankruptcy information is required to be disclosed in this Item.

Notes:

1. Fees in Item 6 are uniformly imposed by, and payable to, us and are non-refundable. ~~You~~We may change the due dates and method of paying fees from time to time. Currently, you must participate in an electronic funds transfer program under which ~~monthly fees, such as Royalties, Ad Fund Contributions, and other weekly fees (“Weekly Fees”)~~your Royalty, Ad Fund Contribution, Customer Acquisition Fee, and Technology Fees (the “Operating Fees”) and any other payments due to us or our affiliates will be deducted by auto draft or paid electronically from your bank account (the “**Account**”) based on the Gross Sales reported to us on the days that we specify. You must provide us and your bank with all authorizations necessary to effect payment by the specified methods and must maintain sufficient funds in your Account.

~~4-~~If you have not reported Gross Sales to us for any reporting period, we may debit the Account in an amount equal to the greater of the non-reported payment (if we can reasonably estimate or determine the owed amount) or 120% of the last reported ~~Weekly~~Operating Fees. If at any time we determine that you have under-reported Gross Sales or underpaid ~~Weekly~~Operating Fees, we may initiate immediately a debit to the Account in the appropriate amount in accordance with the foregoing procedure, including interest as provided for in this Agreement. An overpayment will be credited to the Account through a credit effective as of the first reporting date after we and you determine that such credit is due. We may apply payments we receive to any of your past due indebtedness, in our sole discretion, regardless of how you designate a particular payment to be applied. In addition, we may offset any amount otherwise due to you against any amount owed to us. Finally, we may retain any amounts received for you or your affiliates’ account (such as rebates from suppliers, national account or program work payments, or other payments) as payment against any amounts owed to us. We can exercise any of the foregoing rights in connection with amounts owed to or from us or our affiliates.

2. “**Gross Sales**” means all of your billings, whether collected or not, including cash sales and sales on account, monies billed for maid cleaning services whether performed by you or subcontracted, monies billed in connection with trade or barter agreements, or monies billed for any other cleaning and/or maintenance of any structure, interior or exterior, excluding sales tax or use tax.

3. Royalties are generally understood to be the fees the franchisee pays to use something that someone else created (i.e. the Franchised Business idea and trademarks and branding). Franchisees use our ideas, trademarks and branding to create sales, and a percentage of the Gross Sales is paid to us as a royalty fee in exchange for permission to use our proprietary trademarks and processes.

4. If you are entering into a renewal Franchise Agreement to continue to operate an existing Franchised Business, you may be eligible for the following Royalty incentive (the “**Royalty Incentive**”): The Royalty will be 7% of Gross Sales of the Franchised Business until such time as Gross Sales of the Franchised Business exceed ~~\$500,000~~400,000 in a given calendar year. If Gross Sales of the Franchised Business in a given calendar year exceed \$400,000, the Royalty Incentive will apply and will reduce the Royalty owed to 6% of Gross Sales of the Franchised Business exceeding \$400,000 but less than or equal to \$500,000 for the remainder of the calendar year. If Gross Sales of the Franchised Business in a given calendar year exceed \$500,000, the an additional Royalty Incentive will apply and will reduce the Royalty owed to 5% of Gross Sales of the Franchised Business exceeding \$500,000 for the duration remainder of the calendar year. At the beginning of the next calendar year, the Royalty Incentive will be removed reset and the Royalty will revert back to 7% of Gross Sales of the Franchised Business until such time as Gross Sales once again exceed \$500,000400,000, at which point the Royalty Incentive thresholds described above will apply. We may change or discontinue this Royalty Incentive at any time and in our sole discretion during the Term of this term of the Franchise Agreement; if so, including by changing the Gross Sales thresholds and the amount of the applicable Royalty. If the Royalty Incentive is discontinued, the Royalty will then revert to 7% of Gross Sales of the Franchised Business for the duration remainder of the term of the Franchise Agreement. For the avoidance of doubt, for purpose of calculating whether the Franchised Business is eligible for the Royalty Incentive, Gross Sales will (a) be based on the billings of only the single Franchised Business, which will not be combined with any billings achieved by other Franchised Businesses in which you, your owners, or your affiliates have an interest.—, and (b) will exclude any revenue generated from National Accounts. For the avoidance of doubt, Franchisee shall pay the applicable Royalty (as may be modified by the Royalty Incentive that is in effect) on Gross Sales generated from National Accounts.

5. A qualified lead is defined as someone who has passed our screening process, our national background check, a credit check, and at a minimum a phone interview of the prospect. We are not responsible for locating leads and do not represent that we will do so. The Lead Fee also covers our advertising and marketing costs and administrative costs of such information sharing and gathering. The Lead Fee is not a Transfer Fee. You are responsible for notifying us that you desire to transfer (sell) your Franchised Business and to be added to our list of existing businesses for sale.

ITEM 8: RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must purchase or lease certain items to operate your Franchised Business and to render housecleaning services effectively and economically. Your purchases and leases will include cleaning products, equipment, computer software and various supplies, all pursuant to specifications set forth in our confidential Merry Maids Operations Manual (the "**Operations Manual**"). These specifications include standards for customer satisfaction and performance and are subject to change from time to time. Our specifications require primarily that you render services which meet or exceed any given customer's reasonable expectations for maid cleaning services. While our specifications are general in nature and are designed to assure that you meet our goal of total customer satisfaction, we do specifically require that you clean rooms in accordance with the checklists contained in our confidential Operations Manual and that you abide by all laws and regulations applicable to the cleaning supplies and equipment you choose to use.

We reserve the right to require you to purchase equipment, supplies, uniforms, and products required for the operation of the Franchised Business from us, our affiliates, or vendors that we approve that meet our specifications and standards. To the extent that we designate any required or approved suppliers or any specifications for any goods or services, the list of approved cleaning products, equipment, supplies, and services and approved vendors will be set forth in the Operations Manual and may be revised from time to time.

Currently, we have designated a preferred vendor that we recommend you use for purchasing products, equipment, and supplies that you use in your Franchised Business, but you may purchase these items from any vendor. You are required to purchase local digital marketing and other local marketing/advertising through approved vendors that we have listed in the Operations Manual.

Currently, we are not an approved supplier of any products or services that you will use in your Franchised Business.

Insurance. You must purchase and maintain insurance policies that meet our minimum requirements. Currently, you must purchase (i) commercial general liability insurance, including product liability coverage, with minimum limits of \$500,000 per person and \$1,000,000 for bodily injury; (ii) business automobile liability coverage for owned, hired and non-owned auto or any auto, with minimum limits of \$1,000,000 per person/\$1,000,000 per occurrence for bodily injury and \$100,000 for property damage liability; (iii) third party fidelity bond coverage for \$25,000; (iv) worker's compensation with a \$500,000 minimum employee liability; (v) employment practices liability insurance coverage with minimum limit of \$250,000 (or, if obtained as a sublimit to the general liability insurance, then a minimum limit of \$100,000); and (vi) any other insurance required by the laws of the state in which the Franchised Business is operated. We strongly recommend care, custody and control coverage including coverage for damage to property in your employees' control or property they are directly working on, with minimum limits of \$150,000 per

occurrence to adequately protect the operation of the business. We and our affiliates must be named as a certificate holder and as an additional insured on such policy or policies (except that we and our affiliates need not be named as an additional insured for worker's compensation and third-party crime bonds). All required policies must be written by an insurer with an A.M. Best rating of at least A-/VII.

You must provide proof of insurance before opening for business. All insurance must be procured prior to attending Initial Training or before the commencement of business in transfer situations. We reserve the right to change the coverage requirements where, in our business judgment such coverage is reasonably appropriate, and you will be required to comply with any new requirements.

Officer Interests. Our officers do not have any ownership interests in any approved suppliers.

Approval Process. If you wish to use any cleaning products, equipment and supplies, or software we have not previously approved, you may request approval in writing and provide a sample of the item you would like us to consider. We do not publish our criteria for approving such items or suppliers, and we may withhold our approval in our sole discretion. You will be charged a review fee for cleaning products, equipment and supplies you submit for approval. The fee depends on the estimated time it will take our staff to evaluate the item submitted for approval and provide a determination. Our review typically takes 120 days or more.

Revenue Earned from Purchases. We and our affiliates may receive discounts, volume rebates, administration fees, commissions, advertising allowances, or other advances from suppliers. Additionally, we and/or our affiliates have the right to be an approved supplier, exclusive or otherwise, and to earn a profit on any products or services sold to you. We do not currently markup products or services we sell you, but we reserve the right to do so.

Currently, certain approved vendors provide our affiliates with revenue based on sales made to you. This revenue ranges from 1% to 8% of the total revenue they receive from sales to you. We do not provide any special benefit or incentive to you for your purchases from these vendors.

In the year ending on December 31, ~~2022~~2023, SM Systems derived \$~~2,073,243~~100,409 in revenue from its direct sale and its vendors' sales of supplies to Franchised Businesses, including cleaning solutions and compounds, equipment and specialty items. This revenue figure has been sourced from SM Systems' unaudited financial statements.

In the year ending on December 31, ~~2022~~2023, we did not receive any revenue from the required purchases of goods or services by our franchisees.

These revenue figures have been sourced from unaudited financial statements for each entity.

Percentage Subject to Source Restrictions or Specifications. Assuming that the estimated minimum initial costs to begin operations and other financial obligations are within the ranges described in Item 7, we estimate that your required purchases and leases from us, our affiliates or from a designated vendor, including ~~the Opening Inventory Package and computer hardware and software,~~ or in accordance with our specifications will be approximately ~~1680%~~ of all purchases and leases in establishing the Franchised Business and approximately ~~1680%~~ of all purchases and leases in operating the Franchised Business.

Purchasing or Distribution Cooperatives. As of the Issuance Date of this Disclosure Document, we do not have any purchasing or distribution cooperatives.

Purchase Arrangements. We have negotiated special franchise pricing with some vendors. For some

purchases, we and you may receive volume discounts in the form of manufacturer and wholesaler rebates, based on the total purchases by the Merry Maids® system.

Material Benefits or Incentives. We do not provide any material benefits or incentives to you for your purchases of certain products or services or your use of certain suppliers.

Before you open your Franchised Business, we will:

(Franchise Agreement - Section 7) The Operations Manual is confidential and remains our property. We may modify the Operations Manual or any medium that replaces it at any time. The modifications will not alter your status and rights under the Franchise Agreement, but you must conduct your Franchised Business in accordance with the modifications. (Franchise Agreement - Section 7.C) The Table of Contents of the Operations Manual (which has a total of 118 pages) is listed in Exhibit HG.

During the operation of your Franchised Business, we will:

You must operate the Franchised Business from a retail office, industrial park, or other commercial location that is located within a 60-minute drive to all addresses in the Territory, as measured by the drive times during normal business hours that are estimated by Google Maps (or such other third-party source specified by us from time to time). We may change this office location policy from time to time in the Operations Manual. You will be responsible for selecting a site that is compliant with our office location policy. We do not have the right to approve your site and do not generally participate in site selection, but we may, if

asked, provide input regarding possible sites.

Business Opening

Franchised Businesses typically open for business within 90 days after execution of the Franchise Agreement. Factors that affect this time usually include obtaining a satisfactory office location, financing arrangements, successful completion of the Initial Training Program, and hiring and training employees. You (or your designee) are required to attend and complete the Initial Training Program within 90 days of signing the Franchise Agreement and to open the location within 30 days of completing Initial Training. (Franchise Agreement – Section 5.A)

Advertising and Promotion

Our Advertising. We have no obligation to conduct any advertising for the franchise system, spend any amount on advertising in your market, or provide advertising materials and/or services to you. Currently, our in-house marketing department produces advertising and communication materials which you may use in your marketing program. A proprietary web site containing approved artwork and logos is available to you and is updated regularly. We will provide to you, marketing materials suggestions for advertising and promoting maid cleaning services in our Operations Manual or online. Certain marketing materials such as door hangers and sales brochures are available for purchase from proprietary websites or the Merry Maids Resource Center. We occasionally will employ an outside public relations agency to develop periodic press releases for distribution to newspapers in your Territory on your behalf.

Ad Fund. We have established the Ad Fund. You must pay into the Ad Fund on a weekly basis. The contribution is 1.3% of weekly gross sales. Currently, the company-owned Merry Maids® branch contributes to the Ad Fund on the same basis as franchisees; however, this may change at our sole discretion.

The Ad Fund will be maintained and administered by an advertising committee nominated and elected by franchisees and made up exclusively of franchisees who are in compliance with the Franchise Agreement (the “**Committee**”). The Committee shall develop all advertising programs and serve in an advisory role, but we retain the right to approve or disapprove the decisions of the Committee. We have the right to discontinue in the Ad Fund or to dissolve or modify the Committee or form a new advisory council.

The Ad Fund may, upon approval by the Committee, be used to meet any and all costs of maintaining, administering and preparing advertising and promoting Franchised Businesses and the products and services offered by franchisees including, without limitation, the cost of preparing and conducting television, radio, magazine and newspaper advertising campaigns and other sales, marketing, promotional, public and other relations activities and materials; to monitor and/or manage social media relating to the Franchise; employing advertising agencies; the costs relating to toll free numbers maintained by Franchisor and used in advertising and marketing campaigns; and such other costs and expenses as Franchisor and the Committee reasonably deems appropriate and in the best interests of all or any franchisees.

The Ad Fund will not be used to defray any of our general operating expenses, except for such reasonable administrative costs and overhead, if any, as Franchisor may incur, with the express approval of the Committee, in activities reasonably related to the administration of the Ad Fund and advertising programs including, without limitation, conducting research, preparing marketing, promotional and advertising materials, and collecting and accounting for assessments for the Ad Fund. While there is no contractual restriction on using the Ad Fund to promote the sale of franchises, the Ad Fund is currently not used to fund efforts to solicit new franchises. Any reasonable travel, meeting and other costs and expenses incurred by the Committee in connection with carrying out their duties related to the Ad Fund may also be reimbursed by the Ad Fund should the Committee deem them appropriate.

The Committee is not obligated to making any expenditures from the Ad Fund in your designated Territory or to ensure that any particular Franchised Business benefits directly or pro rata from the placement of advertising. Certain benefits of the Ad Fund (e.g., paid search by zip code, paid social media efforts by zip code, Listen 360 access, and NAF contributions to local website development and maintenance) may be withheld from a franchisee who is not in good standing (i.e., a franchisee who has received a notice of default and has failed to cure such default within the applicable cure period and as further defined in the Franchise Agreement).

In ~~2022~~2023, the Ad Fund was allocated towards digital advertising (~~90.490.6%~~); non-digital advertising (0.2%); ~~public relations (0.8%);~~ social media (~~2.12.6%~~); creative development (5.4%); ~~call center (0.42.6%);~~ and administrative costs (~~0.74.0%~~).

All sums paid by franchisees to the Ad Fund shall be maintained in a separate account from our other funds. A financial review of the operation of the Ad Fund will be performed annually by an independent certified public accountant selected by the Committee. We will provide a financial report to you upon written request. We are not obligated to audit the Ad Fund.

Online Marketing Fund. In your first year of operation, if you are a new franchisee, we will collect from you monies that we will pay to a vendor to generate leads in your Territory through online marketing. The online marketing fund will be funded by your Online Marketing Fund Deposit of \$3,000 and an additional \$2,000 that we will provide from your Initial Franchise Fee 6,000. We will assist you in using these funds during the first year of operation of your Franchised Business, at times mutually agreed upon. Any portion of this fund not utilized during your first year of operation may be, in our sole discretion, forfeited to us or applied to offset your accounts with us or our affiliates.

Your Local Advertising. You are required to spend at least 0.7% of weekly gross sales on local digital marketing, or, with our approval, other local marketing/advertising. We may request that you to submit an accurate accounting of local marketing expenditures. Should you spend more than the required amount, you may not use any spend in excess of the required 0.7% on this type of marketing as an offset against required contributions to the Ad Fund or any future digital marketing required spend.

If you develop your own materials, you must submit samples of your advertising to us in advance for our approval. You must use our approved vendors to place the local digital marketing or other local marketing/advertising. A list of our approved vendors is contained in the Operations Manual.

You are not obligated to participate in any advertising cooperatives.

Computer System Requirements

~~A laptop computer with software is included in the Initial Franchise Fee. Should you need an additional computer in your business, you must purchase and install computer equipment to run our proprietary software and other required software programs. A computer with the required software would cost approximately \$1,400. Computer hardware and software recommended minimum requirements are as follows:~~

MM360 is a licensed-based application, role-based, per seat that you must license from our designated third party vendor. The cost of the standard license for MM360 is \$35-\$45 per seat per month and approximately \$12 per seat per month for the mobile license, and each is subject to change based on the then-current price charged by the third party vendor. License seats are role-based specific to, in the operation of your Franchised Business and are not generic; therefore, licenses must not be shared. Currently, we require you to use MM360 as the authorized accounting software. You must install and maintain a software connection to enable accurate and complete transmittal of accounting data from you to us at the times and in the manner specified by us. You must update master file records to comply with changes to the accounting practices as prescribed by us. You must electronically transmit to us all data stored on your accounting application on a daily basis. The technical support for the software will be provided by the accounting application hosting vendor.

We also recommend you use a timekeeping software system for employees and a remote data back-up system (with at least 100GB of storage) in your Franchised Business. Any future updates to required software must be purchased and setup by you. We may substitute some software, at our discretion, which may have additional costs.

~~license agreement for the Service Mobility Software is attached as Exhibit J to this Disclosure Document. The software systems run on the recommended hardware listed above~~required tablet, but may have more functionality with a laptop. We have no obligation to upgrade your hardware. You have no contractual obligation to upgrade hardware components, but you should upgrade your individual systems if you wish to take full advantage of the speed and improvements of the software package. We have no obligation to provide or to assist you in obtaining the hardware or any software other than ~~the MM360~~any CRM or mobility software that we require you to use (currently, MM360 and the Service Mobility Software).

Our Initial Training Program is led by our Business Process Manager, Melissa Witulski, who has over 16 years of experience with us and our Predecessor (8 years as a Branch Manager) and is considered the subject matter expert in our operating system; and other Home Office staff who are viewed as subject-matter experts.

Additional Training. During your first 12 weeks of business operations, we will provide business coaching consisting of regular telephone calls.

We usually hold a ~~3-day National Seminar~~one to three-day annual conference at a hotel/convention center at a designated location within the United States. Typically, these ~~National Seminars~~conferences are held annually, but they may be held more or less frequently. The program for the ~~National Seminar~~annual conference typically includes ~~at least 15 hours of training sessions~~ for franchise owners and managers.

You must attend, at your own expense, the first National Seminar (or other equivalent meeting that we designate) scheduled after you have signed the Franchise Agreement. If you are an existing franchisee purchasing an additional Franchised Business, a new franchisee attending your second or subsequent National Seminars (or would like additional people to attend your first National Seminar), or a transferee, you must pay the then-current Seminar Attendance Fee registration fee (which will not exceed \$1,0001,200 per person) for each person attending the seminar. If you are a new franchisee, your first Seminar Attendance Fee is included as part of the Initial Franchise Fee. All Seminar conference. All registration fees are non-refundable.

We also may hold ~~Regional Meetings~~one or more times per year, at hotelsregional meetings in various cities. These ~~meetings, which may include at least six hours of training for franchise owners and managers~~sessions. Either a member of our staff or one of our Regional Coordinators will conduct the ~~Regional Meetings~~regional meetings.

You or a designated officer or manager of the ~~Franchised~~Franchise Business are required to regularly attend the meetings offered each year, which ~~includes the National Seminar and Regional Meetings which may be held virtually and~~may include the annual convention, regional meetings, and road shows provided by

~~Franchisor~~. We do not currently charge a registration fee for Regional Meetings, but we may do so in the future.

We may make additional virtual trainings are available throughout the year on topics which we believe will be of interest to Franchise Businesses.

You are responsible for the travel and living expenses, wages, and other expenses incurred by your trainees during any training programs.

ITEM 12: TERRITORY

You will receive a Territory with limited protected rights ~~with~~. A Territory will typically include 40,000 or more Qualified Households for a Full-Sized Territory, a minimum of 20,000 to 39,999 Qualified Households for a Mid-Sized Territory, and up to 20,000 Qualified Households for a Small-Sized Territory. In addition to Qualified Households, we also consider households with an average annual income of \$75,000 or higher (a “Qualified Household”). We will take into consideration total population and relative affluence in designating each Territory, utilizing census data from SRC, LLC located in Orange, California. We will describe your Territory in writing in Exhibit A of the Franchise Agreement and also, when available, depict the Territory by a map.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. However, your Territory will have limited protected rights. Specifically, while your Franchise Agreement is in effect, we will not establish, or license a third party to establish, a Merry Maids® business or Franchised Business that offers residential maid cleaning services utilizing the System or the Marks within the Territory.

Beginning in the first full Period of ~~your second year of operation~~ of the Franchised Business, the continuation of these limited protected rights in your Territory is contingent upon your maintaining in each four-week period specified by us (a “Period”) the average minimum weekly Gross Sales levels set forth below, which is determined based on the size of the Territory purchased by you and the number of years that the Franchised Business has been operated (starting from its opening date) (the “Minimum Average Weekly Gross Sales Requirement”):

<u>Years of Operation (from Opening Date)</u>	Minimum Average Weekly Gross Sales Requirement of Franchised Business		
<u>Years of Operation (from Opening Date)</u>	Full-Sized Markets	Mid-Sized Markets	Small-Sized Markets
Periods Beginning in Year 1	No Minimum	No Minimum	No Minimum <u>\$4,000</u>
Periods Beginning in Year 2	\$1,000	\$1,000	\$500 <u>6,000</u>
Periods Beginning in Year 3	\$2,000	\$1,500	\$1,000 <u>8,000</u>
Periods Beginning in Year 4	\$3,000	\$2,000	\$1,000 <u>10,000</u>
Periods Beginning in Year 5 and thereafter	\$3,000	\$2,000	\$1,000 <u>12,000</u>

To determine the average weekly Gross Sales in a Period, the total Gross Sales of the Franchised Business in such Period shall be divided by the number of weeks in such Period. From time to time and in any subsequent renewal agreements, we may change the Minimum Average Weekly Gross Sales Requirement and the manner in which Periods are determined, in our sole discretion. In addition, beginning in the sixth year of operation of the Franchised Business (whether during the Franchise Agreement or any renewal thereof), unless otherwise specified in a renewal franchise agreement, you must achieve a sales growth

compounded annual growth rate (“CAGR”) of at least 2% over the term of the Franchise Agreement and an additional 2% over the term of each subsequent renewal agreement. This CAGR is measured on a calendar basis beginning in the year your renewal agreement is signed.

We may reduce the size of the Territory or terminate or not renew this Agreement if you fail to meet the Minimum Average Weekly Gross Sales Requirement in three or more Periods during any nine consecutive Periods (except in the event that local economic conditions and/or extenuating circumstances materially affect sales potential which, in our sole discretion, affects your ability to meet such sales levels).

There are no restrictions on our right to solicit or accept orders from customers located in your Territory. If you do not participate in the National Accounts Program, we have the right to refer the leads in your Territory to other cleaning or maid services businesses. In addition, we and our affiliates may use other channels of distribution (such as the Internet, telemarketing, or direct marketing) to make sales within your Territory while using the Marks or other marks. We are not obligated to compensate you for soliciting and/or conducting business within your Territory.

Except when advertising cooperatively with ~~appropriate franchisees~~other third-party Franchised Businesses, you cannot advertise or solicit sales or accept orders outside your Territory. You do not have the right to use any channels of distribution, such as the Internet, telemarketing, or other direct marketing, to make sales outside your Territory.

You do not receive a right of first refusal to acquire additional Franchised Businesses within your Territory or contiguous territories; however, additional territories may be purchased with our approval.

You must operate the Franchised Business from an office that is located within a 60-minute drive to all addresses in the Territory, as measured by the drive times during normal business hours that are estimated by Google Maps (or such other third-party source specified by us from time to time). We may modify this office location policy from time to time in the Operations Manual. You may relocate your office to ~~a~~another location that is compliant with this policy, but you must notify us before relocating.

Except as described above and in Item 1, we do not operate or franchise, or currently plan to operate or franchise, any business under a different trademark that sells or will sell goods or services similar to those that our franchisees sell. However, our affiliates, including the Affiliated Programs described in Item 1 and other portfolio companies that currently are or in the future may be owned by private equity funds managed by Roark Capital Management, LLC, may operate and/or offer Franchised Businesses that sell similar goods or services to those that our franchisees sell.

Item 1 describes our current Affiliated Programs that offer franchises, their principal business addresses, the goods and services they sell, whether their businesses are franchised and/or company-owned, and their trademarks. All of these other brands (with limited exceptions) maintain offices and training facilities that are physically separate from the offices and training facilities of our franchise network. Other than some ServiceMaster® franchisees that offer competing cleaning services, the Affiliated Programs are not direct competitors of our franchise network given the products or services they sell. All of the businesses that our affiliates and their franchisees operate may solicit and accept orders from customers near your business. Because they are separate companies, we do not expect any conflicts between our franchisees and our affiliates’ franchisees regarding territory, customers and support, and we have no obligation to resolve any perceived conflicts that might arise.

ITEM 13: TRADEMARKS

In the Securitization Transaction, ServiceMaster acquired the Marks from SM IP, which had acquired them from Predecessor, Former Parent, or other former affiliates of Predecessor in the Acquisition. Predecessor, Former Parent, or our Predecessor's other former affiliates have registered the Marks listed below, among others, on the Principal Register of the United States Patent and Trademark Office (the "USPTO") and filed all necessary affidavits and renewals for such Marks. ServiceMaster is in the process of recording its ownership of the Marks with the USPTO.

ServiceMaster has licensed the Marks and other intellectual property related to the operation of Franchised Businesses (collectively, the "Licensed IP") to us and authorized us to use the Licensed IP in connection with the offer, sale, and support of franchises. The license agreement does not contain any significant limitation on our right to use or license the Licensed IP to you. The license agreement has a 99-year term and may be terminated unilaterally by either party only upon a material breach of such agreement. Upon termination of the license agreement, we and our franchisees must immediately discontinue the use of the Licensed IP.

There are no effective determinations of the USPTO, the Trademark Trial and Appeals Board, the trademark administrator of this state, or any court involving our principal Marks. There are no pending interference, opposition or cancellation proceedings and no pending material litigation involving the principal Marks. You must follow our rules when you use these Marks. You cannot use any name or mark as part of a corporate name or with any prefix, suffix, or other modifying words, terms, symbols or designs except for those which we license to you. You may not use the Merry Maids® registered name in connection with the sale of an unauthorized product or service or in a manner not authorized in writing by us.

There are no agreements currently in effect which significantly limit our right to use or license franchises to use the Marks.

You must not directly or indirectly contest our right to our Marks, trade secrets or business techniques that are part of our business. You must notify us immediately if you learn about an infringement of, challenge to, or unfair competition by others involving our Marks. We will take whatever action, if any, we deem appropriate. We have no contractual obligation to defend you or to prosecute any legal action against others with respect to any infringement, unfair competition or other claim in any way related to our Marks.

There are no infringing uses actually known to us which could materially affect your use of our principal Marks in this state or any other state in which your Franchised Business may be located.

If we require you to modify or discontinue use of a Mark as a result of a proceeding or settlement, we will reimburse you for your tangible costs of compliance (i.e., changing signs).

ITEM 14: PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

We do not have any patents or patent applications that are material to the franchise system.

We or our affiliates claim copyright protection of our MM360 software, the Operations Manual, and all of the manuals, advertising and promotional materials, forms, and related materials that we produce, although these materials may not have been registered with the Copyright Office of the Library of Congress. The materials are proprietary and confidential and are considered our or our affiliates' property. You may use them only as long as you are a franchisee and are authorized by us to do so and only as provided in the Operations Manual or the Franchise Agreement.

There are currently no effective determinations of the Copyright Office of the Library of Congress or any court regarding any of our copyrighted materials. There are no agreements in effect that significantly limit our right to use or license the copyrighted materials. We are not aware of any infringing uses of these materials that could materially affect your use of these materials. We are not required by any agreement to protect or defend our or our affiliates' copyrights.

We will be disclosing to you certain information we believe to be confidential or proprietary information and trade secrets. This will include information contained in our manuals, and in materials separately provided to you. You may use these materials, in the manner we approve, in the operation of your business during the term of the Franchise Agreement. However, you may not use these materials in any other way for your own benefit, or communicate or disclose them to, or use them for the benefit of any other person or entity. These materials include any trade secrets, knowledge or know-how, confidential information, advertising, marketing, designs, plans, or methods of operation. This includes information about our sources of supply, and our recommendations on pricing. You may disclose this information to your employees, but only to the extent necessary to operate your business, and then only while the Franchise Agreement is in effect. You are responsible for restricting your employees from improperly using or disclosing our confidential information.

ITEM 15: OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

We recommend, but do not require, that you personally supervise the Franchised Business. If you do not personally supervise the business, or if you are a corporation, partnership, or limited liability company, you must employ a manager who will be responsible for direct, on-premises supervision of the business. The manager must have successfully completed our training program, but need not have an ownership interest if you are a corporation, partnership, or limited liability company. You are responsible for restricting your managers from improperly using or disclosing our confidential information.

If you are a corporation, partnership, or limited liability company, we will require any owners that own directly or indirectly 15% or more of the ownership interests in your entity to sign the Guaranty of Franchisee's Obligations attached to the Franchise Agreement. All of your other owners, and all of your owners' spouses who are actively involved in the operation of the Franchised Business, will be required to sign confidentiality agreements and/or noncompete agreements that we prescribe. Your owners will also be required to sign the Item 23 Receipt attached to this Disclosure Document prior to signing a Franchise Agreement.

ITEM 16: RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must offer and provide all the services we require. We restrict the type of goods or services that you may offer. You are required to follow our cleaning processes and use only cleaning products that we have approved. You are prohibited from providing services not described in the Franchise Agreement. We have

the right to change the authorized services without limitation.

You must not actively solicit sales or accept orders from customers outside of your defined Territory. If a customer outside of your Territory is seeking cleaning services, you must refer the request to the Merry Maids® office which covers the customer’s area. If there is no Merry Maids® office covering that customer’s area and you wish to provide services to the customer, you may do so with our approval. If you are serving customers in an open Territory that is eventually sold, you must transfer these customers to the new owner of that Territory.

ITEM 18: PUBLIC FIGURES

We do not use any public figure to promote our franchises.

ITEM 19: FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned ~~Units~~businesses, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing ~~Unit~~Franchised Business you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

This Item 19 presents information about the financial performance during the period January 1, ~~2022~~2023 to December 31, ~~2022~~2023 (the “**Covered Period**”) for certain Franchised Businesses that were Active Franchises throughout the Covered Period. An “**Active Franchise**” is a Franchised Business that (i) opened prior to the Covered Period, (ii) reported Gross Sales in all 12 months of the Covered Period, and (iii) was owned by the same owner throughout the Covered Period.

~~We~~Currently, we grant Territories with 40,000 or more Qualified Households. In addition, we recommend that all franchisees operate an office within the Territory for each Franchised Business and require new franchisees to have an office that is located within a 60-minute drive of all customer addresses within their Territory. Some of our existing franchisees have been permitted to operate one or more Franchised Businesses from an office that is located outside of their Territory and outside of a 60-minute drive radius and/or have been granted territories with fewer than 40,000 Qualified Households. In this Item 19, we refer to Active Franchises that (i) have been granted a Territory with 40,000 or more Qualified Households and (ii) operate an office within the assigned Territory for such Franchised Business as a “Qualified Franchise.” ~~and~~We refer to Active Franchises that (a) have been granted a Territory with fewer than 40,000 Qualified Households and/or (b) do not operate an office within the assigned Territory for such Franchised Business as a “Remote Office Legacy Franchise.”

In addition, in this Item 19, we have presented some data by Franchise Ownership Groups. A “**Franchise Ownership Group**” or “**FOG**” consists of one or more Franchised Businesses that are owned by one or more entities that are affiliated with each other by common ownership. We believe Franchise Ownership Groups are the best measurement of our franchisee’s/franchisees’ actual business operations, as many of our franchisees operate multiple Franchised Businesses within one overall business.

This Item 19 does not include data related to (i) company-owned units and (ii) Franchised Businesses that were not an Active Franchise operating throughout all of the Covered Period, because such Franchised Businesses opened, closed, were reacquired by us, or were transferred to a new owner during the Covered Period or did not report Gross Sales for all 12 months of the Covered Period.

In the tables below, we have presented (i) Gross Sales data for all Qualified Franchises that operated throughout the Covered Period, (ii) Gross Sales data for all Franchise Ownership Groups with Active Franchises that operated throughout the Covered Period, and (iii) Gross Sales data for both Active Franchises and Franchise Ownership Groups, organized by number of Active Franchises within each Franchise Ownership Group.

2. As of December 31, ~~2022~~2023 (the end of the Covered Period), there were ~~958933~~ Franchised Businesses. Of those ~~958933~~ Franchised Businesses, ~~849794~~ (88.685%) were Active Franchise throughout the Covered Period and are represented in these tables. These tables do not include (i) ~~9174~~ Franchised Businesses that did not operate through all 12 months of the Covered Period (~~including 4 that opened during the Covered Period~~) and (ii) ~~1866~~ Franchised Businesses that were transferred to a new owner in the Covered Period. These tables also do not include ~~4237~~ Franchised Businesses that ceased operating in the Covered Period (none of which had opened within the 12 months prior to the date such Franchised Business closed).

3. This table reflects the financial performance of both Qualified Franchises and ~~Remote Office~~Legacy Franchises.

NOTES TO ITEM 19:

1. **Some franchises have sold or earned this amount. Your individual results may differ. There is no assurance that you'll sell or earn as much.**
2. "Gross Sales" means all billings of the Franchised Business, whether or not collected, including but not limited to cash sales and sales on account, monies billed for maid cleaning services whether performed by you or subcontracted, monies billed in connection with trade or barter agreements, or monies billed for any other cleaning and/or maintenance of any structure, interior or exterior, excluding sales tax or use tax.
3. We calculated the figures in the tables in these financial performance representations using financial reports submitted by franchisees. In order to properly allocate revenue to each Franchised Business, we identified each sale by zip code and assigned the revenue to the appropriate Franchised Business. Some Franchised Businesses earned revenue through sales made outside of their Territories in Territories that have not yet been licensed or in Territories licensed to other franchisees. We have not included in the data any Gross Sales earned from zip codes outside of the Territories licensed to each Franchised Business, because most Franchised Businesses are not authorized to accept orders from customers outside of their defined Territories.
4. These sales figures do not reflect the costs of sales, operating expenses or other costs or expenses that must be deducted from the Gross Sales figures to obtain your net income or profit.
5. We have not audited or independently verified the financial reports submitted by our franchisees nor have we asked questions of the submitting franchisees to determine whether they are in fact accurate and complete, although we have no information or other reason to believe that they are unreliable. ~~No certified public accountant has audited these figures or expressed his or her opinion concerning their content or form.~~
6. Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request.
7. We encourage you to consult with your own accounting, business, and legal advisors to assist you to prepare your budgets and projections, and to assess the likely or potential financial performance of your franchise. We also encourage you to contact existing franchisees to discuss their experiences with the system and their franchise business. Notwithstanding the information set forth in this financial performance representation, our existing franchisees are your best source of information about franchise operations.

Other than in this Item 19, we do not make any representations about a franchisee's future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting the Legal Department, Merry Maids SPE LLC, One Glenlake Parkway, 14th Floor, Atlanta, Georgia 30328, Telephone 800-756-5656, the Federal Trade Commission, and the appropriate state regulatory agencies.

MERRY MAIDS FRANCHISE AGREEMENT

THIS MERRY MAIDS AGREEMENT (this “**Agreement**”) is made and entered into as of _____, 20__ (“**Effective Date**”) by and between MERRY MAIDS SPE LLC, a Delaware Limited Liability Company, with a mailing address of One Glenlake Parkway, 14th Floor, Atlanta, Georgia 30328 (“**Franchisor**”), and _____, a _____ (corporation, limited liability company, partnership, sole proprietorship), with a mailing address of _____ (“**Franchisee**”).

Background

(A) Franchisor, as the result of significant time, skill, effort and money, has acquired and developed a unique management and business system for providing residential maid cleaning services performed under the name “Merry Maids” (the “**System**”). The System includes the trademark Merry Maids®, other trademarks, trade names, service marks, commercial announcements (slogans) and related insignia (logos) Franchisor owns (the “**Marks**”) for which Franchisor has the right to license in connection with the System.

(B) Franchisor operates and licenses others to operate a Merry Maids® maid cleaning service business using the System, including the Marks (an “**MM Business**”);

(C) Franchisee desires to establish and operate an MM Business;

(D) Franchisee has completed the pre-purchase requirements of Franchisor, including the home office visit, written character and personality assessment, background check and credit evaluation testing and has been interviewed by Franchisor;

(E) Franchisee understands and acknowledges the importance of Franchisor’s high and uniform standards of quality and service and the necessity of operating MM Businesses in conformity with Franchisor’s standards and specifications. Franchisee acknowledges that the terms, conditions and covenants contained in this Agreement as being reasonably necessary to maintain Franchisor’s high standards of quality and service and the uniformity of those standards and thereby to protect and preserve the goodwill of the Marks; and

(F) Franchisor is willing to grant Franchisee the right to operate an MM Business in accordance with the terms and conditions of this Agreement.

NOW THEREFORE, the parties hereto, intending to be legally bound, in consideration of the mutual agreements, covenants and promises contained herein, do hereby agree as follows:

AGREEMENT

1. GRANT

A. The parties to this Merry Maids Franchise Agreement hereby agree that the paragraphs included under “Background” above are incorporated and made a part of this Agreement.

B. Franchisor hereby grants to Franchisee, upon the terms and conditions contained in this Agreement, a right and license to operate an MM Business using the System and the Marks (the “**Franchised Business**”) in the geographical area specified in Exhibit “A” attached hereto and made a part hereof (the “**Territory**”). The maid cleaning services to be performed pursuant to the System are generally cleaning and housekeeping services for homes, apartments and other residences, as more fully defined in

the confidential Merry Maids Operations Manual (the “**Operations Manual**”) as that term is defined in Section 7 herein. Franchisee acknowledges that the boundaries of the Territory are delineated by a combination of boundary streets, highways, city limits, county lines, riverbanks and other prominent geographic features. Franchisee also acknowledges, if this is a first time purchase, that Franchisor selects Territories for franchises based upon population, household income and geographic size, based on data provided by SRC, LLC, located in Orange, California (“**SRC**”). Each Full Sized Territory consists of 40,000 or more Qualified Households. Each Mid Sized Territory consists of 20,000 to 39,999 Qualified Households. Each Small Sized Territory consists of up to 20,000 Qualified Households. “**Qualified Households**” are defined as the foregoing stated number of households with an average annual income of \$75,000 or higher at the time of this Agreement. Each Territory is further defined based upon population and relative affluence utilizing the then current census based demographics data as provided by SRC.

C. Franchisor will not, so long as this Agreement is in full force and effect and Franchisee is not in default under any of the terms hereof, establish, or license another to perform, residential maid cleaning services utilizing the System or the Marks within Franchisee’s Territory.

D. Franchisee must operate the Franchised Business in a retail office, industrial park or other commercial location within the Territory. Franchisee understands and agrees to abide by all of the local codes, laws, restrictions and statutes for the location of the Franchised Business. Franchisee is limited to providing maid cleaning services and other cleaning services, such as window cleaning, as may be approved by Franchisor. Franchisor may require that Franchisee’s office be ~~that is~~ located within a 60-minute drive to all addresses in the Territory, as measured by the drive times during normal business hours that are estimated by Google Maps (or such other third-party source specified by Franchisor from time to time). Franchisor may change this office location policy from time to time in the Operations Manual.

E. The Franchised Business must at all times be under the direct, on-premises supervision of a manager (who may be Franchisee) who is known to Franchisor, has completed the Initial Training Program as defined in Section 5 herein and who devotes full-time and attention during business hours to the management of the Franchised Business. Such manager may not have any interest as an owner, employee, director, officer, salesperson, representative, agent, or in any other capacity in any business competitive with MM Businesses. After commencement of business, Franchisee shall operate the Franchised Business in the Territory continuously during the term hereof in accordance with the days and hours of operation customarily employed by an MM Business

F. Franchisee is limited to providing maid cleaning services and other cleaning services, such as window cleaning, as may be approved by Franchisor. Franchisee must be willing to service customers throughout the entire geographical area comprising the Territory and must offer services to all customers within the Territory. Franchisee must not solicit or serve customers outside of its designated Territory. If a customer outside of Franchisee’s Territory requests services, Franchisee shall refer this request to the MM Business which covers the customer’s area. If Franchisee chooses to serve a customer in a territory that has not been sold to a franchisee and the territory is eventually sold, Franchisee must transfer the customer(s) to the new owner.

G. Franchisee expressly acknowledges and agrees that this license relates solely to the System and solely to the Territory specified in Exhibit A and does not grant the Franchisee any rights under any other program of the Franchisor. Except as specifically described in this Agreement, all other programs performed under the Marks by the Franchisor and the Franchisor’s affiliates, including but not limited to such other programs as may be developed or acquired by the Franchisor in the future are specifically excluded from this license and specifically reserved for use by the Franchisor. The Franchisee understands and agrees that one or more of the other programs may utilize the confidential information from the System, and from the Operations Manual, and that other franchisees have been and will be licensed to operate MM Businesses under the System that utilize the System and the Marks outside the Territory.

H. Beginning in the first full Period ~~in the second year~~ of operation of the Franchised Business, Franchisee’s right to continue operating in the Territory is dependent on Franchisee earning in each four-week period specified by Franchisor (a “**Period**”) the average weekly Gross Sales that are set forth in the following table, which is determined based on the size of the Territory purchased by Franchisee (as stated on the cover page of this Agreement) and the number of years that the Franchised Business has been operated (starting from the Opening Date) (the “**Minimum Average Weekly Gross Sales Requirement**”):

Years of Operation (from Opening Date)	Minimum Average Weekly Gross Sales of Franchised Business		
	For Full-Sized Markets	For Medium-Sized Markets	For Small-Sized Markets <u>Minimum Average Weekly Gross Sales Requirement of Franchised Business</u>
Periods Beginning in Year 1	No Minimum	No Minimum	No Minimum \$4,000
Periods Beginning in Year 2	\$1,000	\$1,000	\$500 <u>6,000</u>
Periods Beginning in Year 3	\$2,000	\$1,500	\$1,000 <u>8,000</u>
Periods Beginning in Year 4	\$3,000	\$2,000	\$1,000 <u>10,000</u>
Periods Beginning in Year 5 and thereafter	\$3,000	\$2,000	\$1,000 <u>12,000</u>

Franchisee must achieve the Minimum Average Weekly Gross Sales Requirement in each Period during the term of this Agreement and all subsequent renewals thereof, provided that the Minimum Average Weekly Gross Sales Requirement may be increased from time to time and in subsequent renewal agreements. To determine the average weekly Gross Sales in a Period, the total Gross Sales of the Franchised Business in such Period shall be divided by the number of weeks in such Period. Franchisor may also modify the manner in which a Period is determined in its sole discretion (such as changing it to align with calendar months or another measurement of time) by specifying the revised Periods in the Operations Manual. In addition, beginning in the sixth year of operation of the Franchised Business (whether during this Agreement or any renewal thereof), unless otherwise specified in a renewal franchise agreement, the Franchised Business must achieve a sales growth Compounded Annual Growth Rate (“**CAGR**”) of at least ~~two percent (2%)~~ over the term of this Agreement and an additional ~~two percent (2%)~~ CAGR for each subsequent renewal term. The sales growth CAGR requirement will be based on the calendar year beginning January 1 and ending December 31 during the Term and beginning on the Effective Date noted herein. If Franchisee fails to meet the Minimum Average Weekly Gross Sales Requirement in three ~~(3)~~ or more Periods during any nine ~~(9)~~ consecutive Periods (except in the event that local economic conditions and/or extenuating circumstances materially affect sales potential which, in Franchisor’s sole discretion, affects Franchisee’s ability to meet such sales levels), then Franchisor shall have the right to (i) terminate or not renew this Agreement or (ii) reduce the size of the Market and license or establish another MM Business in the area eliminated from Franchisee’s Market. The amount of the Minimum Average Weekly Gross Sales Requirement shall not be construed or otherwise interpreted to be an earnings claim or a statement or projection of the potential revenue for any MM Business.

I. If Franchisee is a corporation, limited liability company, partnership, or other entity (collectively, an “**Entity**”), we refer to any person or Entity holding a direct or indirect ownership interest (whether of record, beneficially, or otherwise) or voting rights in Franchisee’s Entity, including any person or Entity who has a direct or indirect interest in Franchisee, this Agreement, the franchise, or the Franchised Business and any person or Entity who has any other legal or equitable interest, or the power to vest in himself or herself any legal or equitable interest, in their revenue, profits, rights, or assets or any capital appreciation relating thereto as an “**Owner**.”

2. INITIAL FRANCHISE FEES AND OPENING DEADLINE

A. Franchise Fee. In consideration for the grant of the license to operate the Franchised Business in the Territory, Franchisee will initially pay to Franchisor a franchise fee of _____ \$_____ (the “**Initial Franchise Fee**”), which is payable upon the execution of this Agreement.

~~B. Seminar Attendance Fee. If this is the purchase of a new MM Business, the Seminar Attendance Fee shall be included in the Initial Franchise Fee and shall be applied to the registration cost of one person attending the first National Seminar (or such other equivalent meeting designated by Franchisor) occurring after execution of the Franchise Agreement.~~

~~B.~~ C. Online Marketing Fund Deposit. If this is the purchase of a new MM Business, Franchisee shall pay Franchisor, upon execution of this Agreement, an online marketing fund deposit of \$3,0006,000 (the “**Online Marketing Fund Deposit**”). Franchisor shall place this fee, ~~along with \$2,000 of Franchisee’s Initial Franchise Fee~~ into an online marketing fund for the Franchised Business (the “**Online Marketing Fund**”), which shall be utilized during the first year of Franchisee’s operation of the Franchised Business to target households in the Territory through online advertising or, with Franchisor’s prior approval, through the services of a third-party direct marketing vendor. Franchisor will assist Franchisee in using the funds in the Online Marketing Fund for mutually agreed upon expenses. Any portion of the Online Marketing Fund not submitted for reimbursement for local marketing in the Franchised Business’ first year of operation may be, in Franchisor’s sole discretion, forfeited to Franchisor or applied to offset Franchisee’s accounts with Franchisor or its affiliates.

~~C.~~ D. Non-refundable Payments. The Initial Franchise Fee, Online Marketing Fund Deposit, and all other payments to Franchisor pursuant to this Agreement are non-refundable under any conditions except at the sole discretion of Franchisor.

~~D.~~ E. Opening Deadline. Franchisee agrees to commence the operation of the Franchised Business within ~~thirty (30)~~ days after completion of the Initial Training Program as defined in Section 5 of this Agreement. The date that the Franchised Business begins operating shall be referred to as the “**Opening Date**.”

3. TERM AND RENEWAL

A. Term. The initial term of this Agreement is for ~~five (5)~~ 10 years from the Effective Date. While this Agreement may be amended or modified by the mutual consent of Franchisor and Franchisee in writing, no other agreement shall affect the term hereof.

B. Renewal. Franchisee may elect to renew Franchisee’s right to operate the Franchised Business for one ~~addition five year~~ additional 10-year term, if Franchisee, in Franchisor’s sole discretion, satisfies the renewal conditions set forth in Section 3.B.1.

1. Renewal Conditions: Franchisee must satisfy the following conditions in order to be eligible for, and as a condition for entering into, a renewal term, each of which are agreed to be reasonable:

a. Franchisee must provide written notice to Franchisor between ~~six (6)~~ and ~~nine (9)~~ months prior to the end of either the initial term or any renewal term that Franchisee intends to enter into a renewal term;

b. Franchisee must be in Good Standing (as defined in Section 3.B.4.), must have substantially complied during the Term with the terms and conditions of this Agreement and Related Agreements (as defined in Section 3.B.4);

c. Franchisee must be then meeting or exceeding the Minimum Average Weekly Gross Sales Requirement and must not have failed to meet the Minimum Average Weekly Gross Sales Requirement three (3)-or more Periods during any nine (9)-consecutive Periods at any point during the term;

d. Franchisee must not be in default of any provision of this Agreement or any other agreement between Franchisee and Franchisor and must not have received four (4)-or more written notices of default from Franchisor, concerning a material breach of this Agreement during the prior term, irrespective of whether the breaches were corrected within the prescribed cure period after receipt of any such notice of default;

e. Franchisee must meet Franchisor's then-current requirements for franchisees qualifying to become franchisees in the Merry Maids franchise system;

f. Franchisee must pay Franchisor the then-current renewal franchise fee that is in effect at the time that it signs the Renewal Franchise Agreement (which is ~~\$2,000~~5,000 as of the Effective Date, but is subject to change);

g. H. Additional Remedies. In addition, Franchisor may offset any amount otherwise due to Franchisee, against any amount owed to Franchisor. Finally, Franchisor may retain any amounts received for Franchisee's account (and/or that of any affiliate of Franchisee), whether rebates from suppliers, national account or program work payments, or otherwise, as payment against any amounts owed to Franchisor, including then-current Royalties and Ad Fund Contributions which accrue to Franchisor from such national account or program work payments. Employment Practices Liability Insurance (EPLI) coverage with minimum limit of \$250,000 or if obtained as a sublimit to the general liability insurance, then a minimum limit of \$100,000 will be permitted. Franchisor must be named as an additional insured as to sublimit if part of the general liability policy.

Further, Franchisor strongly recommends that Franchisee obtain care, custody and control insurance, including coverage for damage to property in its employees' control or property they are directly working on, with minimum limits of \$150,000 per occurrence, to adequately protect the operation of the Franchised Business.

C. Franchisor reserves the right to require additional insurance coverage where, in Franchisor's sole discretion, such coverage is reasonably appropriate. Further, Franchisor reserves the right to require specific coverage endorsements which Franchisee will be required to obtain to be in compliance with the requirements of this Section. New requirements will be discussed with the franchisee advisory council (if any) prior to implementation. Franchisor will provide a transition period of six ~~(6)~~ months for Franchisees to obtain the newly required insurance.

D. Upon obtaining the insurance required by this Agreement, and on each policy renewal date thereafter, Franchisee shall promptly submit evidence of satisfactory insurance and proof of payment therefore to Franchisor, together with, upon request, copies of all policies and policy amendments. The evidence of insurance shall include a statement by the insurer that the policy or policies will not be canceled or materially altered without at least ~~thirty (30)~~ days prior written notice to Franchisor.

E. If Franchisee at any time fails or refuses to maintain any insurance coverage required by the Franchisor, or fails to furnish satisfactory evidence thereof, the Franchisor, at its option and in addition to its other rights and remedies hereunder, may obtain such insurance coverage on behalf of the Franchisee, and any costs of premiums incurred by the Franchisor in connection therewith shall be paid by the Franchisee on demand.

14. TERMINATION OF THE FRANCHISE; POST-TERMINATION OBLIGATIONS; TRANSFERS

A. Termination with No Opportunity to Cure. Franchisor shall have the right, unless precluded by Applicable Laws, to terminate this Agreement effective immediately and without other cause or further notice upon delivery of notice of termination to Franchisee, if Franchisee:

1. makes an assignment for the benefit of creditors or an admission of an inability to pay Franchisee's obligations, as they relate to the Franchise, as they become due;
2. fails to pay any amount owed to Franchisor or its affiliates(s) after notification that the amount is legally due; or
3. fails to submit reports or financial data which Franchisor requires under this Agreement;
4. files a voluntary petition in bankruptcy or any pleading seeking any arrangement, composition or adjustment with creditors or similar relief under any law, or admitting or failing to contest the material allegations of such pleading filed against Franchisee; or is adjudicated as bankrupt or insolvent. (The provisions concerning bankruptcy may or may not be enforceable under the Bankruptcy Reform Act of 1978);

5. willfully violates any Applicable Laws related to the Franchised Business;
6. fails, for a period of 10 days after notification of noncompliance, to comply with any Applicable Laws;
7. makes an unauthorized assignment or transfer of or encumbers this Agreement;
8. willfully violates any provision of this Agreement or any Related Agreement;
9. is convicted of a felony or is declared incompetent under a judicial verdict or by civil or criminal court system;
10. engages in substantiated conduct of an egregious nature (e.g., violent or criminal acts or acts of moral turpitude), such that the reputation of Franchisor, the Marks, the System, or other MM Businesses are at risk of reputational damage;
11. has misrepresented the accounting of Gross Sales receipts, which Franchisee is required to make to Franchisor, as described in Section 12 of this Agreement;
12. has failed to meet the Minimum Average Weekly Gross Sales Requirement ~~three (3)~~ or more Periods during any ~~nine (9)~~ consecutive Periods at any point during the term (for the avoidance of doubt, each failure to meet the Minimum Average Weekly Gross Sales Requirement in a single Period shall be considered a separate default);
13. has otherwise failed to adhere to any material specification, standard or operating procedure prescribed by Franchisor;
14. has committed (or any of its Owners has committed) a material breach of Section 8 (Confidential Information and Improvements by the Franchisee) or Section 15 (In-Term Covenants Not to Compete);
15. has materially breached (or any of its Owners have materially breached) any other provision of this Agreement which by its nature cannot be cured;
16. engages in conduct or uses the Marks in any way which reflects materially and unfavorably on the operation, reputation and goodwill associated with the Marks, the System, Franchisor's business, or the network of MM Businesses, and Franchisee fails to correct the breach within ~~twenty-four (24)~~ hours of receipt of written notice from Franchisor of the specific breach;
17. abandons the Franchised Business by (a) closing the Franchised Business for a period of ~~ten (10)~~ consecutive business days without Franchisor's prior written consent or (b) having a repeated pattern of closures of the Franchised Business for periods of more than ~~three (3)~~ consecutive business days that we, in our sole discretion, determine adversely impacts the Franchised Business. The Franchised Business shall not be deemed abandoned if the closure is due to acts of God or other matters beyond Franchisee's control (other than Franchisee's inability to procure revenue or projects), provided that (i) Franchisee gives notice of any such closure to Franchisor within ~~ten (10)~~ days after the initial occurrence of the event resulting in the closure, (ii) Franchisor acknowledges in writing that the closure is due to one of the foregoing causes, and (iii) Franchisee resumes operating the Franchised Business in an approved location within ~~sixty (60)~~ days or such longer period as Franchisor may permit after the initial occurrence of the event which resulted in the closure; or

18. receives four ~~(4)~~ or more written notices of default from Franchisor, concerning a material breach of this Agreement during the term, irrespective of whether the breaches were corrected within the prescribed cure period after receipt of any such notice of default.

B. Termination after Opportunity to Cure. In addition to its right to terminate this Agreement as provided in Section 14.A, Franchisor shall have the right to terminate this Agreement upon written notice to Franchisee in the event Franchisee or any of its Owners fails to comply with any provision of this Agreement or any Related Agreement, any mandatory standard, including any procedures or requirements set forth in the Operations Manual or any standard relating to image or customer service or treatment, and does not correct such failure within (i) ~~ten (10)~~ days if such failure relates to the use of any Mark or the payment of any money to Franchisor, its affiliates or to any other party under this Agreement or any other Related Agreement or (ii) within ~~thirty (30)~~ days after written notice of such failure to comply (which shall describe the action that Franchisee must take) is delivered to Franchisee.

C. Post-termination Obligations. The obligations of Franchisee after either the expiration, termination, or non-renewal of this Agreement include all of the following:

1. Payment of Obligations. Franchisee is obligated to pay within seven ~~(7)~~ days all Royalties or other fees and charges owed to Franchisor plus damages for the right to receive Royalties for each year or portion thereof remaining in the original term of this Agreement, together with any other damages suffered by Franchisor.

2. Ceasing Using the Marks and System. Franchisee shall not hold itself out as a Franchisee and shall cease doing business as MM Business and cease the use of all trademarks, processes, materials, methods, or promotional materials provided by Franchisor, including, without limitation, any use of the System, the Marks, or the name “Merry Maids” online.

3. Disassociation. Franchisee shall take all necessary steps to disassociate from Franchisor, including promptly assigning all telephone number(s) and listing(s) used by Franchisee to Franchisor or its assignee, the destruction of all letterhead and promotional material, the removal of all identification of the “Merry Maids” name and Marks and the discontinuance of all advertising.

4. Return of Materials. Franchisee shall return to Franchisor all software programs, video tapes, CDs, DVDs, materials, equipment and training and promotional aids. Franchisee shall remain responsible for and agrees to compensate Franchisor for any outstanding gift certificates presented for redemption or other outstanding obligations of the Franchised Business.

5. Liquidated Damages. If Franchisor terminates this Agreement based upon Franchisee’s default (or if Franchisee purports to terminate this Agreement), then, within seven ~~(7)~~ days thereafter, Franchisee shall pay to Franchisor a lump sum (as liquidated damages for the loss of the benefit of the bargain that Franchisor is entitled to receive and not as a penalty) calculated as follows: (x) the average monthly Royalties and Ad Fund Contributions that Franchisee owed to Franchisor under this Agreement for the 12-month period preceding the date on which Franchisee ceased operating the Franchised Business (disregarding any fee waivers or reductions granted to Franchisee); multiplied by (y) the lesser of (i) ~~twenty-four (24)~~ or (ii) the number of months remaining in the then-current term of this Agreement. If Franchisee has not operated the Franchised Business for at least 12 months, then (x) will equal the average monthly Royalties and Ad Fund Contributions that Franchisee owed to Franchisor during the period that Franchisee operated the Franchised Business. The “Average Royalties and Ad Fund Contributions that Franchisee owed to Franchisor” shall not be discounted or adjusted due to any deferred or reduced Royalties and Ad Fund Contributions set forth in a policy, other writing, or an addendum to this Agreement, unless this Section 14.C.5. is specifically amended in a signed addendum. Franchisee agrees, and Franchisee directs any party construing this Agreement to conclusively presume, that the damages stated in this Section: (i)

are true liquidated damages; (ii) are intended to compensate Franchisor for the harm Franchisor will suffer; (iii) are not a penalty; (iv) are a reasonable estimate of Franchisor's probable loss resulting from Franchisee's defaults, viewed as of the termination date; and (v) will be in addition to all other rights Franchisor has to obtain legal or equitable relief or remedies. If any valid law or regulation governing this Agreement limits Franchisee's obligation to pay, and/or Franchisor's right to receive, the liquidated damages for which Franchisee is obligated under this Section, then Franchisee shall be liable to Franchisor for any and all damages Franchisor incurs, now or in the future, as a result of Franchisee's breach of this Agreement.

6. Post-Term Covenant Not to Compete. Franchisee agrees that for a period of one ~~(1)~~-year following the termination or expiration of this Agreement for any cause whatsoever, within the Territory and twenty-five (25) miles from the outermost boundaries thereof where Franchisee conducts business he or she will not, on his or her own account, or as a partner, employee, agent, advisor, consultant, or in any other capacity of or for or on account of any person or Entity, or as an officer or director or owner (except a passive stockholder holding less than ~~one percent (1%)~~ of the stock of a publicly held corporation), or otherwise directly or indirectly engage in any business, enterprise or activity competitive with Franchisor or engage in the marketing or selling of residential or light commercial cleaning services, or directly or indirectly engage in any of the following activities: solicitation of customers; business patronage or teaching, assistance, participation in, or association with any program or matter revealed to Franchisee; or promotion, sale or dealing financially or otherwise in any services, materials or products or substantially similar services, materials or products to those handled, sold, distributed, offered or processed by Franchisor presently or at any time during the term of this Agreement (further subject to Franchisee's ongoing obligations not to use or disclose any confidential or proprietary information of Franchisor).

a. The foregoing restrictive covenants of Franchisee shall be deemed separable and the invalidity of any covenant shall not affect the validity or enforceability of any other covenant. If any period of time or limitation of geographical area stated herein is longer or greater than the maximum period or geographical area permitted by ~~applicable law~~ Applicable Laws, then the period of time or geographical area stated herein shall be deemed to be such maximum permissible period of time or geographical area, as the case may be. The existence of any claim or cause of action of Franchisee against Franchisor, whether predicated on this Agreement or otherwise, shall not constitute a defense to the enforcement by Franchisor of the covenants described above. Exemption to, or modification of, any or all of the aforementioned restrictive covenants between Franchisee and Franchisor must be mutually agreed to in writing at least ~~thirty~~ ~~(30)~~ days prior to the termination of this Agreement. No waivers of any defaults of any such covenants or any other waivers, either verbal or unsigned, shall be enforceable for purposes of this Section 14. Each of Franchisee's Owners, and any of their spouses that are in any way involved in the operation of the Franchised Business, shall bind themselves to the noncompete provisions in this Section 14.C.6 by signing the Franchisor's then-current Guaranty (if such Owner directly or indirectly holds a 15% or greater ownership interest in Franchisee's Entity) or a noncompete agreement prescribed by Franchisor.

b. For purposes of clarification, if Franchisee owns multiple licenses for the operation of MM Businesses, the post-termination/post-expiration covenant not to compete of one terminated/expired Franchise Agreement does not apply to the operation of any other MM Business pursuant to a valid franchise agreement that is in Good Standing with Franchisor.

7. Transfer of Listings and Accounts. It is agreed between the parties that following termination or expiration of this Agreement, all interest in and rights to use all telephone and facsimile numbers, domain names, listings, email addresses and all social media accounts whether or not bearing the Marks (collectively "listings and accounts") used by the Franchisee in any manner related to the operation of, or applicable to, the Franchised Business shall be transferred to or vested in the Franchisor, and the Franchisor shall thereupon have the full and exclusive right to use such listings and accounts or to authorize the use thereof by another franchisee of the Franchisor. The Franchisee hereby appoints the Franchisor as

its attorney in fact to direct the telephone company and all listing agencies to transfer such listings and accounts to the Franchisor or as it may in writing direct. Any amounts owing by the Franchisee on account of such listings and accounts shall be paid immediately by the Franchisee. Franchisee must immediately notify all telephone company and listing agencies of the termination or expiration of Franchisee's right to use all telephone numbers and all classified and other directory listings associated with Franchisor and MM Businesses and assign all such telephone numbers to Franchisor.

8. De-identification. If Franchisee retains possession of the Franchised Business premises, Franchisee will make such necessary modifications in the exterior and interior decor to eliminate its identification as an MM Business.

9. Fulfill Financing. Franchisee is obligated to fulfill all financing obligations it, its Owners, or its affiliates incur related to the Franchised Business.

10. Return of Customer Lists. Franchisee shall have no right during the term of the Agreement or thereafter to give, sell, convey, or transfer the customer list to any third party without Franchisor's prior express written consent. In the event of an approved transfer of the Franchised Business, Franchisor will be deemed to have approved the transfer of the customer list to the approved transferee. During the term of this Agreement, Franchisor agrees that it will not provide the customer list to a competitor, other franchisees or any other third party. Franchisee shall relinquish all interest of every kind and description in the System and the Marks upon termination or expiration of this Agreement, including any goodwill established prior to or during the operation of the Franchised Business. Franchisee expressly acknowledges and agrees that the Marks, the name "Merry Maids" and all Goodwill associated with the Franchised Business is the property of the Franchisor. Franchisee agrees and acknowledges that the customer list of the Franchised Business is an intangible asset which exists only in connection with the System and, as such, reverts to Franchisor upon termination or expiration of this Agreement or any renewal agreement. Consequently, Franchisee shall turn over the customer list and the basic operating system database to Franchisor within ~~twenty-four (24)~~ hours of termination or expiration of the Agreement.

D. Transfers by Franchisee. Neither this Agreement, the Franchised Business, or any part of the ownership of Franchisee (which shall mean and include voting stock, securities, convertible thereto, proprietorship and general partnership interests) may be voluntarily, involuntarily, directly or indirectly assigned or otherwise transferred or encumbered by Franchisee or its Owners (including without limitation by will, declaration of or transfer in trust or the laws of intestate succession) except as provided therein, without the prior written approval of Franchisor, and any such assignment, transfer or encumbrance without such approval constitutes a breach of this Agreement. Franchisor will not, however, unreasonably withhold consent to an assignment if the conditions specified below are met. In the event Franchisor consents to any assignment, transfer or encumbrance, Franchisor shall at all times maintain a superior position vis-à-vis any other lienholder and Franchisor shall have the right to file a UCC-1 financing statement to assert its priority position.

1. Transfer to Entity. If Franchisee is comprised of one or more individuals and wishes to form an Entity, Franchisee shall obtain prior written approval of Franchisor, which may be granted at Franchisor's discretion, for transfer of Agreement and the Franchised Business to the new Entity at no additional monetary consideration, provided that (a) Franchisee owns all of the issued and outstanding ownership interests in the new Entity; (b) Franchisee or a manager approved by Franchisor actively manages the Entity and continues to devote best efforts and full and exclusive time to the day-to-day operation and development of the Franchised Business; (c) the Entity is newly organized in its activities or confined exclusively to acting as a Franchisee under this Agreement; (d) the Entity executes a document in such form as shall be approved by Franchisor in which it agrees to become a party to and be bound by all of the provisions of this Agreement and to assume all of the obligations of Franchisee; and (e) the Entity and its Owners comply with the requirements specified in Section 10.L. of this Agreement.

2. Restrictions on Transfers.

a. If the Franchisee is an Entity, except in accordance with a transfer permitted under the terms of this Agreement or as otherwise permitted by Franchisor, then the individuals named in Section 26.3 of this Agreement shall remain the owners of not less than 66% of the total ownership interests of such Entity during the entire term of this Agreement, with the effective unencumbered right to vote the ownership interests. The loss or surrender of the ownership or effective unencumbered right to vote the ownership interests, by any means whatever, shall constitute a breach of the terms of this Agreement.

b. Franchisee will not sell, assign or transfer this Agreement, any interest in Franchisee or Franchised Business, or any assets or accounts, including, but not limited to, the customer list of Franchisee or Franchised Business to any person or Entity that owns, operates, franchises, develops, consults with, manages, is involved in, or controls any business that is in any way competitive with Franchisor or the Franchised Business. If Franchisor refuses to permit an assignment or transfer based upon this provision, Franchisee's only remedy will be to have an arbitrator determine, in accordance with Section 24, whether the proposed assignee is a competitor of Franchisor.

c. Ownership of the Entity by a private equity group, an ESOP, trust, or any similarly structured entity is not permitted without the prior express written permission of Franchisor.

3. Consent Required. Franchisee shall not sell, assign, transfer, convey, give away, pledge, mortgage or otherwise encumber any interest in this Agreement without the prior written consent of the Franchisor. Any purported assignment or transfer, by operation of law or otherwise without the prior written consent of the Franchisor shall be null and void and shall constitute a material breach of this Agreement. Franchisee's transfer of ~~five percent (5%)~~ interest or more in the Agreement will require an amendment to add such transferee as an Owner. If a transferee holds directly or indirectly 15% or more of the ownership interests in Franchisee's Entity, such transferee shall execute Franchisor's then-current Guaranty. If as a result of any transfer to a person in a single transaction or series of transactions, the original Franchisee's ownership interest in this Agreement falls below 66%, then the Franchisee must sign the then-current form of franchise agreement and all of the then-current terms of that agreement will apply thereafter. Franchisor reserves the right to conduct an audit as a pre-condition to consent to any transfer.

4. Non-Control Transfer. Consent by Franchisor to an assignment of less than ~~one-half~~ ~~(1/2)~~ 50% of the beneficial interest in the Franchised Business shall not be unreasonably withheld, provided such assignment is not part of a series of assignments intended to evade this provision, and further provided: (1) The assignee shall enter into a written agreement with Franchisor, in a form satisfactory to Franchisor, assuming and/or guaranteeing all of Franchisee's obligations hereunder; (2) Any defaults under this Agreement on the part of the Franchisee have been remedied; (3) Such other reasonable conditions as may be required by Franchisor in connection with the assignment have been satisfied; and (4) assignee has demonstrated to Franchisor's satisfaction that it meets Franchisor's then-current standards for MM Businesses.

5. Control Transfer. If an assignment, alone or together with other previous, simultaneous, or proposed assignments, would have the effect of assigning ~~one-half~~ ~~(1/2)~~ 50% or more of the beneficial interest in the Franchised Business, Franchisor shall not unreasonably withhold its consent to the assignment if all of the following conditions and requirements have been satisfied: (1) all obligations of Franchisee in connection with Franchisor have been assumed by assignee; (2) all ascertained or liquidated debts of Franchisee in connection with Franchisor have been paid; (3) Franchisee is not in default under any provision of this Agreement; (4) the assignee has completed the Initial Training Program required for new franchisees; (5) the assignee has executed the then-current franchise agreement for a full term as provided therein; (6) Franchisee or assignee has paid Franchisor's then-current transfer fee (the "**Transfer Fee**"); (7) Franchisee and all owners to which this Agreement has been assigned must execute a General

Release; and (8) assignee has demonstrated to Franchisor's satisfaction that it meets Franchisor's then-current standards for MM Businesses. The same conditions shall apply to all potential transferees, including spouses, adult children, and existing managers of the Franchised Business, except Franchisor may discount the Transfer Fees in accordance with Franchisor's then-current policies for transfers to a spouse or an adult child of Franchisee's controlling owner or to a qualified manager of the Franchised Business. ~~A qualified manager shall have been~~ (an approved manager of the Franchised Business for at least five ~~(5)~~ years ~~and shall be~~ that is current on all Franchisor-required training and certifications).

6. Right of First Refusal. Franchisor also has a right of first refusal whenever Franchisee seeks to assign all or any interest in the Franchised Business to a third party. Franchisee may not sell, transfer or assign any interest in the Franchised Business, without first offering the same to Franchisor, in writing, at a stated price and terms. When offering the Franchised Business or the assets thereof to Franchisor, Franchisee shall provide Franchisor with a bona fide written offer from a third party containing the terms of the offer, and also the Franchised Business's financial information, including, (1) any audited financials for the last two years; (2) income statements for the two most recently completed calendar years, and for the current year to date; (3) income tax returns for the two most recently completed calendar years; (4) Weekly Business Summaries for the final week of the two most recently completed calendar years and for the most recently completed week of the current year. Franchisee shall also provide other reasonably requested information within three ~~(3)~~ business days of Franchisor making the request. Franchisor may accept in writing at any time within ~~thirty (30)~~ days from receipt of the written offer and required accompanying information by Franchisee. If Franchisor declines or does not accept the offer within ~~thirty (30)~~ days, Franchisee may thereafter sell or dispose of the Franchised Business under the terms of the third-party offer provided to Franchisor, but not at a lower price nor on more favorable terms than have been offered to Franchisor, in writing and subject to Franchisor's right to approve the buyer. If Franchisee wants to sell the Franchised Business on different terms than previously presented to Franchisor, the Franchisee shall again present the new terms under the process herein outlined.

7. Transfers Upon Death or Incapacity. Upon the death or incapacity of Franchisee, or if Franchisee is an Entity, upon the death of any principal shareholder, Franchisee may, with the express written consent of Franchisor, transfer the respective ownership interest to an heir or legacy. The heirs or legacies who are entitled under controlling local law to the deceased's franchised interest in the Franchised Business may take the interest, provided that Franchisor is satisfied that the heirs or legacies meet the standards for Merry Maid franchisees, in Franchisor's reasonable discretion, and provided that they attend training and personally manage the Franchise. If the heir or legacy is a current Merry Maids franchisee, then Franchisor will consent to the transfer so long as the heir or legacy is a franchisee in Good Standing with Franchisor. In no event shall Franchisor unreasonably withhold consent to the transfer of the Franchised Business to the heir or legacy, provided the above conditions are met. Notwithstanding any provision to the contrary, whenever Franchisee becomes incapacitated or upon death (as defined above) and no consent is given by Franchisor to transfer ownership to an heir or legacy for any reason including if the heir or legacy does not meet Franchisor's standards outlined in this Agreement, then Franchisor shall have the right to purchase the Franchise. In the event Franchisor asserts its right to purchase the Franchise, the valuation of the Franchised Business shall be determined by a third-party valuation expert or company selected by Franchisor utilizing standard professional valuation methodology utilized in the franchise industry.

E. 8-Transfers by Franchisor. Franchisor has the right to sell or assign this Agreement, in whole or in part, at its discretion, without prior notice or consent, which shall inure to the benefit of any assignee or other legal successor to the interest of Franchisor.

15. IN-TERM COVENANTS NOT TO COMPETE

A. The covenants of Franchisee not to compete during the term of this Agreement are as follows:

Franchisee agrees that during the term of this Agreement Franchisee will not, for Franchisee's own account, or as a partner, employee, agent, advisor, consultant, or in any other capacity of or for or on account of any person or Entity or as an officer, director or owner of any of the foregoing (except a passive stockholder holding less than ~~one percent~~ (1%) of the stock of a publicly held corporation), or otherwise, directly or indirectly:

1. Engage in any business, enterprise or activity competitive with Franchisor, or engage in the marketing or selling of maid cleaning services, material or products, or materials or products substantially similar to those handled, sold, distributed, offered or processed by Franchisor during the term of this Agreement or renewal thereof.

2. Divert or attempt to divert any business or customer of the Franchised Business to any competitor, by direct or indirect inducement, or otherwise.

B. The foregoing restrictive covenants of Franchisee shall be deemed separable and the invalidity of any covenant shall not affect the validity of enforceability of any other covenant. If any period of time or limitation of geographical area stated herein is longer or greater than the maximum period or geographical area permitted by ~~applicable law~~ Applicable Laws, then the period of time or geographical area stated herein shall be deemed to be such maximum permissible period of time or geographical area, as the case may be. The existence of any claim or cause of action of Franchisee against Franchisor, whether predicated on this Agreement or otherwise, shall not constitute a defense to the enforcement by Franchisor of these covenants mentioned above. Each of Franchisee's Owners, and any of their spouses that are in any way involved in the operation of the Franchised Business, shall bind themselves to the noncompete provisions in this Section 15 by signing the Franchisor's then-current Guaranty (if such Owner directly or indirectly holds a 15% or greater ownership interest in Franchisee's Entity) or a noncompete agreement prescribed by Franchisor.

16. INDEPENDENT CONTRACTOR AND INDEMNIFICATION

A. This Agreement does not render Franchisee an agent, legal representative, joint venturer, partner, employee, or servant of Franchisor for any purpose whatsoever; and it is understood between the parties hereto that Franchisee shall be an independent contractor. This Agreement does not create a fiduciary relationship between the parties. Franchisee is not authorized to make any contract, agreement, warranty or representation on behalf of Franchisor or to create any obligation, express or implied, on behalf of Franchisor. Nothing in this Agreement is intended to create a joint employer relationship between the parties, it being expressly understood that any personnel policies or procedures, forms, guidance or other employment related materials or information offered by Franchisor is provided solely for Franchisee's convenience. Franchisee's use of such information is completely optional and should not be construed as any intent or right to control Franchisee's operations, personnel decisions or relationship with its employees. Franchisee is expressly advised to consult its own independent counsel for labor and employment advice.

B. Under no circumstances shall Franchisor be liable for any act, omission, debt, or any other obligation of Franchisee. Franchisee shall indemnify and save Franchisor harmless against any such claim and all other fines, suits, proceedings, claims or demands which arise, directly or indirectly, as a result of or in connection with the operation of the Franchised Business, including costs and attorneys' fees.

C. Franchisee employees, personnel or Representatives shall be informed that they are not entitled to the provision of any employee benefits provided by Franchisor to Franchisor's employees and that such Representative is an employee solely of Franchisee and not of Franchisor. Franchisee shall ensure that all Franchisee's Representatives (as defined below) who perform work under this Agreement shall execute an Acknowledgment Agreement. For purposes of this Agreement, the term "**Representatives**"

shall mean consultants, directors, employees, personnel, agents, advisers, subcontractors, franchisees, and other types of authorized third parties, representatives and advisers of Franchisee as applicable.

17. FRANCHISEE MAY NOT WITHHOLD PAYMENTS

The obligations of Franchisee to pay to Franchisor any fees or amounts described in this Agreement are not dependent on Franchisor's performance and are independent covenants by Franchisee. Franchisee shall make all such payments without offset or deduction. No endorsement or statement on any check or payment of any sum less than the full sum due to Franchisor shall be construed as an acknowledgment of payment in full or an accord and satisfaction, and Franchisor may accept and cash such check or payment without prejudice to its right to recover the balance due or pursue any other remedy provided herein or by law. As specified in Section 12.G., Franchisor may apply any payments made by Franchisee for any reason whatsoever against any past due indebtedness of Franchisee as Franchisor may see fit. Franchisor may set off against any sums payable to Franchisee hereunder any unpaid debts from Franchisee to Franchisor.

18. NOTICES

All notices to be given under and in accordance with the terms of this Agreement shall be in writing and shall be (i) delivered personally; or (ii) mailed, postage prepaid, by a reputable courier, delivery confirmation requested, to the other party at the address given on the first page of this Agreement or such other address given in accordance with the terms hereof.

19. WAIVERS AND CUMULATIVE RIGHTS AND REMEDIES

A. No waiver of any breach of any of the covenants, agreements or provisions herein contained shall be construed as a waiver of any subsequent breach of the same or any other covenant or provision.

B. All rights and remedies herein conferred upon or reserved to the parties shall be cumulative and concurrent and shall be in addition to every other right or remedy given to the parties herein or at law or in equity or by statute and are not intended to be exclusive of any other right or remedy. The termination or expiration of this Agreement shall not deprive either of the parties of any of its rights or remedies against the other to enforce at law or in equity any of the rights or remedies of the parties hereunder.

20. LIABILITY FOR BREACH

In the event of any default on the part of either party hereto, the party in default shall pay to the aggrieved party all amounts due and all damages, costs and expenses, including reasonable attorneys' fees, incurred by the aggrieved party as a result of any such default.

21. ENTIRE AGREEMENT AND MODIFICATIONS

A. Entire Agreement. This Agreement, the attached Exhibits hereto, and the documents referred to herein, shall be construed together and constitute the entire, full and complete agreement between Franchisor and Franchisee concerning the subject matter hereof, and supersedes all prior agreements, not disclaiming the representations made to Franchisee in the Franchise Disclosure Document (the "FDD") that Franchisor furnished to Franchisee. No other representations have induced Franchisee to execute this Agreement, and there are no representations, inducements, promises, or agreements, oral or otherwise, between the parties not embodied herein, which are of any force or effect with reference to this Agreement or otherwise. No amendment, change or variance from this Agreement shall be binding on either party unless executed in writing.

B. Modifications. This Agreement may be modified only if Franchisor and Franchisee agree in writing to the modification, subject, however, to the Franchisee and each Owner and/or affiliate of Franchisee executing a General Release and subject to the right of Franchisor to modify its Operations Manual and procedures unilaterally under any conditions and to any extent which Franchisor, in its sole discretion, deems necessary. Franchisee and Franchisor have agreed on the release provisions of this Agreement considering that: (i) the releases to be provided in the future will be effective as of future dates only, (ii) the release requirement is triggered by a discretionary choice made by Franchisee to receive various future benefits (e.g. a transfer, assignment franchise, etc.), and (iii) Franchisee providing a release to Franchisor is a practical business approach if Franchisee and/or Franchisor propose to change, extend, expand or otherwise modify Franchisee/Franchisor relationship at a future date and encourages thoughtful communication of potential issues between Franchisee and Franchisor. Franchisee and Franchisor agree that setting mutual expectations for the receipt of such future releases and assenting to grant them now is more productive than being surprised by such requirements at a later point in Franchisee's/Franchisor's relationship.

22. SEVERABILITY AND CONSTRUCTION AND INTERPRETATION

A. Severability. Each section, part, term and/or provision of this Agreement shall be considered severable, and if, for any reason, any section, part, term and/or provision herein is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation, such shall not impair the operation of or affect the remaining portions, sections, parts, terms and/or provisions of this Agreement, and the latter will continue to be given full force and effect and bind the parties hereto; and said invalid sections, parts, terms and/or provisions shall be deemed not to be a part of this Agreement; provided, however, that if Franchisor determines that said finding of illegality adversely affects the basic consideration of this Agreement, Franchisor may at its option, terminate this Agreement. The foregoing notwithstanding, it is agreed that the provisions set forth in Section 25 below shall control where applicable.

B. No Third-Party Beneficiaries. Anything to the contrary herein notwithstanding, nothing in this Agreement is intended, nor shall be deemed, to confer upon any person or Entity other than Franchisor or Franchisee and such of their respective successors and assigns as may be contemplated by this Agreement, any rights or remedies under or by reason of this Agreement.

C. Unenforceable Provisions. Franchisee expressly agrees to be bound by any promise or covenant imposing the maximum duty permitted by law which is subsumed within the terms of any provision hereof, as though it were separately articulated in and made a part of this Agreement, that may result from striking from any of the provisions hereof any portion or portions which a court may hold to be unreasonable and unenforceable in a final decision to which Franchisor is a party, or from reducing the scope of any promise or covenant to the extent required to comply with such a court order.

D. Captions. All captions herein are intended solely for the convenience of the parties, and none shall be deemed to affect the meaning or construction of any provision hereof.

E. Franchisor's Sole Discretion. Franchisee understands and agrees that the exercise of judgment is critical to Franchisor's role in the System and to Franchisor's goals for its continuing improvement. Franchisee, Franchisor, and all other franchisees have a collective interest in working within a franchise system with the flexibility to adjust to business conditions, including the competitive environment, new regulatory developments and emerging business opportunities. Therefore, Franchisee and Franchisor agree that the ultimate decision-making responsibility for the System must be vested in Franchisor. When Franchisor uses the phrases "in Franchisor's sole discretion" or other similar phrases, whether in this Agreement or another context, Franchisee and Franchisor agree that Franchisor has the wholly unrestricted right to make decisions and/or take (or refrain from taking) actions. Franchisor shall exercise its judgment however Franchisor considers appropriate in its sole and absolute discretion, without any limitation.

Franchisor will not be required to consider any particular interest group, including, Franchisee's individual interests or the interests of any other franchisee(s). So long as Franchisor acts in compliance with the requirements of this Agreement, Franchisor will have no liability for the exercise of Franchisor's discretion in accordance with the provisions of this Agreement.

23. SUCCESSORS

This Agreement shall inure to the benefit of and be binding upon the heirs, successors, personal representatives and assigns of the parties. Notwithstanding the foregoing, Franchisee shall have no right to transfer or assign this Agreement except in accordance with the terms of Section 14 above.

24. DISPUTE RESOLUTION.

A. Alternative Dispute Resolution Procedure. Except as otherwise provided in Section 24.B. (Excepted Disputes), any claim, dispute, suit, action, controversy, or proceeding of any type whatsoever between (i) Franchisee, its affiliates, or its Owners, and/or Franchisee's its affiliates', or its Owners' officers, directors, and employees (the "**Franchisee Related Parties**") and (ii) Franchisor, its affiliates, and/or its or its affiliates' officers, directors, owners, and employees (the "**Franchisor Related Parties**") relating to (a) this Agreement, (b) the relationship of any of the Franchisor Related Parties with any of the Franchisee Related Parties, or (c) the Franchised Business, including disputes related to compliance with franchise, labor, or employment laws (collectively, (a) through (c), the "**Covered Disputes**") must be resolved in accordance with the alternative dispute resolution procedures described in this Section 24.A. The Franchisee Related Parties and any Franchisor Related Parties shall all be considered third-party beneficiaries of this Agreement and shall be included in the term "parties" or "party" in this Section 24.

1. Informal Negotiation. To initiate the dispute resolution process, the party alleging a Covered Dispute must provide the other party with written notice setting forth the alleged Covered Dispute in detail and requesting a meeting (the "**Dispute Notice**"). Each Covered Dispute must be discussed in a face-to-face meeting or, upon agreement of the parties, in a video or telephone conference call held within ~~thirty (30)~~ days after such Dispute Notice is provided to the other party. Unless otherwise agreed by the parties, the party initiating the process must wait at least ~~thirty (30)~~ days after the Dispute Notice has been delivered to the other party before submitting the dispute to mediation.

2. Mediation. If the Covered Dispute is not resolved informally as provided in Section 24.A.1 (Informal Negotiation), the party alleging the Covered Dispute must submit the Covered Dispute for non-binding mediation. All parties must attend and participate in the mediation. The mediation shall be governed by the rules of the American Arbitration Association (the "**AAA**") before one mediator selected by the parties, and if the parties cannot agree upon the mediator, then a mediator selected by the AAA. It is the intent of the parties that mediation shall be held not later than ~~thirty (30)~~ days after a written request for mediation shall have been served on the other parties. The mediation shall be held in the metropolitan area of Franchisor's then-current principal place of business (currently, Atlanta, Georgia) and shall not last more than one day, unless the parties agree otherwise. The parties will split equally the cost of any mediation. Any party may be represented by counsel and may, with permission of the mediator, bring persons appropriate to the proceeding.

3. Arbitration. If the parties do not resolve the Covered Dispute after the conclusion of the mediation, such Covered Dispute must be subject to and resolved exclusively by binding arbitration. **This means that all Covered Disputes that either party would otherwise have the legal right to sue for in court shall be subject to final and binding arbitration under the arbitration provisions set forth in this Section 24.A.3 and not decided by a court or a jury.** If there are any ambiguities in the terms or conditions of this Section 24, it is the parties' intent that all ambiguities be resolved in favor of arbitration.

For the purposes of this Section 24.A.3, Covered Disputes will not include disputes that an applicable federal statute provides cannot be arbitrated or cannot be subject to a pre-dispute agreement to arbitrate.

a. Arbitration Procedure. Either party may commence arbitration by sending written demand for arbitration to the other party. The arbitration proceeding shall be conducted by one arbitrator and, except as otherwise provided in this Section 24, shall be conducted in accordance with the then-current Commercial Arbitration Rules of the AAA. All arbitration proceedings will be held at the offices of the AAA or other suitable offices that Franchisor selects in the metropolitan area in which its principal place of business is then located (currently, Atlanta, Georgia). The arbitrator shall have no authority to select a different hearing locale. All matters relating to arbitration will be governed by the Federal Arbitration Act (9 U.S.C. §§ 1 et seq.).

b. Scope. The arbitrator (and not a court) shall decide all issues in any Covered Dispute, including issues regarding the non-availability of class arbitration, timeliness, arbitration procedures, statute of limitations, and all other issues regarding the application, interpretation, enforceability, coverage, and implementation of this Section 24.A.3, including whether the parties have entered into this Agreement. In accordance with Section 24.E (Mutual Waiver of Class or Collective Actions), the arbitrator shall have no authority to consider or resolve any claim or issue in a Covered Dispute on any basis other than on an individual basis and may not consolidate or join one or more Covered Disputes pertaining to Franchisee or another Franchisee Related Party with any other dispute(s).

c. Relief. The arbitrator shall have the power and authority to award any remedy or relief available under Applicable Laws, including money damages (with interest on unpaid amounts from the date due), specific performance, injunctive relief, and attorneys' fees and costs (in accordance with Section 20 (Liability for Breach)), except the arbitrator may not (a) declare any Mark generic or otherwise invalid or (b) award any special, consequential, exemplary, or punitive damages against either party, except as expressly provided in Section 24.D (Mutual Waiver of Punitive Damages).

d. Binding Decision. The decision and award of the arbitrator will be final, conclusive, and binding on all parties regarding any claims, counterclaims, issues, or accountings presented or pled to the arbitrator, and judgment on the award, including any partial, temporary or interim award, may be entered in any court of competent jurisdiction (and such proceeding shall not itself be deemed a Covered Dispute).

e. Confidentiality. All evidence, testimony, records, documents and information disclosed in any arbitration hearing between the parties will be secret and confidential in all respects. Neither party will disclose any evidence, testimony, records, documents or information from any arbitration hearing to any other person or Entity except as required or expressly permitted by Applicable Laws.

B. Exceptions to Alternative Dispute Resolution.

1. Excepted Disputes. Unless Franchisor consents in writing otherwise, the following Covered Disputes will not be subject to or resolved through the informal negotiation, non-binding mediation, and binding arbitration procedures specified in Section 24.A (Alternative Dispute Resolution Procedure) and will instead be resolved through litigation: (a) disputes relating to Franchisee's use of the Marks (including Lanham Act or common law claims); (b) disputes that otherwise relate to the ownership or validity of any of Franchisor's intellectual property or the enforcement of Franchisor's intellectual property rights; (c) disputes that involve protection of Franchisor's confidential information; (d) disputes related to the enforcement of Section 15 (Covenants); (e) disputes related to the payment of sums that any of the Franchisee Related Parties owes to any of the Franchisor Related Parties; and (e) disputes related to the payment of sums that any of the Franchisee Related Parties owes to any of the Franchisor Related Parties (collectively, "**Excepted Disputes**").

2. Injunctive Relief. Notwithstanding the parties' agreement to resolve Covered Disputes through the informal negotiation, non-binding mediation, and binding arbitration procedures specified in Section 24.A (Alternative Dispute Resolution Procedure), either party will have the right to seek temporary restraining orders and temporary or preliminary injunctive relief from a court of competent jurisdiction to obtain interim relief when deemed necessary by such court to preserve the status quo or prevent irreparable injury pending resolution of the actual Covered Dispute that would otherwise be subject to arbitration; provided, however, that such party must contemporaneously submit the Covered Dispute for arbitration on the merits as provided in Section 24.A.3 (Arbitration). In addition to any other relief available at law or equity, Franchisor will have the right to obtain restraining orders or temporary or permanent injunctions to, among other things: (a) enforce the provisions of this Agreement related to the use or protection of the Marks, Franchisor's confidential information, other components of the System, or other intellectual property of any of the Franchisor Related Parties; (b) enforce the non-compete covenants in Section 15 (In-Term Covenants Not to Compete) and Section 14.C.6. (Post-Term Covenant Not to Compete); (c) enforce the obligations of any Franchisee Related Party on termination or expiration of this Agreement; and (d) prohibit any act or omission by any Franchisee Related Party that is a violation of Applicable Laws or that threatens to harm the Marks, the System, or the business of other franchisees or the Franchisor Related Parties. Franchisee agrees that the Franchisor Related Parties will not be required to prove actual damages or post a bond in excess of \$1,000 or other security in seeking or obtaining injunctive relief (both preliminary and permanent) and/or specific performance with respect to this Agreement.

3. Forum for Litigation. Any litigation related to an Excepted Dispute will be filed exclusively in the state court or United States District Court for the district in which Franchisor has its principal place of business at the time of filing. The parties waive all questions of personal jurisdiction and venue for the purpose of carrying out this provision. Notwithstanding the foregoing, Franchisor may enforce this Agreement in the courts of the state or states in which Franchisee is domiciled or the Franchised Business is operated.

C. **MUTUAL WAIVER OF JURY TRIAL. THE PARTIES EACH KNOWINGLY, VOLUNTARILY, AND IRREVOCABLY WAIVE ANY RIGHT TO A TRIAL BY A JURY IN ANY COVERED DISPUTE AND ANY RIGHT TO HAVE A COVERED DISPUTE BE DECIDED BY A COURT OR A JURY.**

D. **MUTUAL WAIVER OF PUNITIVE DAMAGES. EXCEPT FOR (A) CLAIMS RELATED TO THE FRANCHISEE RELATED PARTIES' OBLIGATION TO INDEMNIFY FRANCHISOR AND THE FRANCHISOR INDEMNITIES FOR THIRD-PARTY CLAIMS UNDER PARAGRAPH 17.3 (INDEMNIFICATION), (B) CLAIMS RELATED TO ANY OF THE FRANCHISEE RELATED PARTIES' INFRINGEMENT OF ANY OF THE FRANCHISOR RELATED PARTIES' INTELLECTUAL PROPERTY, AND (C) CLAIMS RELATED TO ANY FRANCHISEE RELATED PARTIES' BREACH OF ITS OBLIGATIONS UNDER PARAGRAPH 8 (CONFIDENTIAL INFORMATION AND INNOVATIONS), NEITHER PARTY WILL BE ENTITLED TO RECOVER SPECIAL, CONSEQUENTIAL, EXEMPLARY, OR PUNITIVE DAMAGES UNDER THIS AGREEMENT.**

E. **MUTUAL WAIVER OF CLASS OR COLLECTIVE ACTIONS. FRANCHISOR AND FRANCHISEE EACH WAIVE ANY RIGHT TO BRING ANY CLAIMS ON A CLASS-WIDE OR GROUP, REPRESENTATIVE, CONSOLIDATED, JOINT, OR COLLECTIVE BASIS. EACH PARTY MUST BRING ANY CLAIMS AGAINST THE OTHER PARTY ON AN INDIVIDUAL BASIS AND MAY NOT JOIN ANY CLAIM IT MAY HAVE WITH CLAIMS OF ANY OTHER PERSON OR ENTITY OR OTHERWISE PARTICIPATE IN A CLASS OR COLLECTIVE ACTION AGAINST THE OTHER PARTY.**

F. **TWO-YEAR LIMITATION ON CLAIMS.** ANY AND ALL CLAIMS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR COVERED DISPUTES WILL BE BARRED UNLESS AN ARBITRATION OR JUDICIAL PROCEEDING IS COMMENCED IN THE PROPER FORUM WITHIN TWO YEARS FROM THE DATE ON WHICH THE VIOLATION, ACT, OMISSION, OR CONDUCT GIVING RISE TO THE CLAIM OCCURS, REGARDLESS OF WHEN THE PARTY ASSERTING THE CLAIM KNEW OR SHOULD HAVE KNOWN OF THE FACTS GIVING RISE TO THE CLAIM, except for claims (which may be brought by any Franchisor Related Party against any Franchisee Related Party at any time): (a) relating to third-party claims or suits brought against any Franchisor Related Party as a result of the operation of the Franchised Business; (b) relating to the enforcement of any intellectual property rights of any Franchisor Related Party; (c) relating to Franchisee's non-payment or underpayment of amounts owed to a Franchisor Related Party; (d) concerning the obligations of any Franchisee Related Party under Section 8 (Confidential Information and Improvements by the Franchisee), Section 15 (In-Term Covenants Not to Compete), or Section 14.C.6. (Post-Term Covenant Not to Compete) of this Agreement; (e) related to the non-compliance of any Franchisee Related Parties with any post-termination obligations under this Agreement; and (f) regarding an assignment of this Agreement or any ownership interest therein.

G. **No Collateral Estoppel.** No arbitration finding, conclusion or award may be used to collaterally estop either party from raising any like or similar issue or defense in any subsequent arbitration, litigation, court hearing or other proceeding involving third parties, including other franchisees.

H. **Remedies Not Exclusive.** No right or remedy that the parties have under this Agreement is exclusive of any other right or remedy under this Agreement or under Applicable Laws. Each and every such remedy will be in addition to, and not in limitation of or substitution for, every other remedy available at law or in equity or by statute or otherwise.

I. **No Recourse.** Franchisee acknowledges and agrees that except as provided under an express statutory liability for such conduct, none of Franchisor's past, present or future directors, officers, employees, incorporators, members, partners, stockholders, subsidiaries, affiliates, controlling parties, entities under common control, ownership or management, vendors, service providers, agents, attorneys or representatives will have any liability for (i) any of Franchisor's obligations or liabilities relating to or arising from this Agreement, (ii) any claim against Franchisor based on, in respect of, or by reason of, the relationship between Franchisee and Franchisor, or (iii) any claim against Franchisor based on any of Franchisor's alleged unlawful act or omission. For the avoidance of doubt, this provision constitutes an express waiver of any claims based on a theory of vicarious liability, unless such vicarious claims are authorized by a guarantee of performance or statutory obligation. It is not meant to bar any direct contractual, statutory, or common law claim that would otherwise exist.

J. **Attorneys' Fees and Costs.** Franchisee agrees to reimburse Franchisor for all expenses Franchisor reasonably incurs (including attorneys' fees): (i) to enforce the terms of this Agreement or any obligation owed to Franchisor by Franchisee and/or its Owners (whether or not Franchisor initiates a legal proceeding, unless Franchisor initiates and fails to substantially prevail in such court or formal legal proceeding); and (ii) in the defense of any claim Franchisee and/or its Owners assert against Franchisor on which Franchisor substantially prevails in court or other formal legal proceedings. Franchisor agrees to reimburse Franchisee for all expenses Franchisee reasonably incurs (including attorneys' fees): (a) to enforce the terms of this Agreement or any obligation owed to Franchisee by Franchisor (whether or not Franchisee initiates a legal proceeding, unless Franchisee initiates and fails to substantially prevail in such court or formal legal proceeding); and (b) in the defense of any claim Franchisor asserts against Franchisee on which Franchisee substantially prevails in court or other formal legal proceedings.

K. **Survival.** This Section 24 will survive termination, expiration, and/or rescission of this Agreement.

25. APPLICABLE LAW

A. 24.1-Governing Law. Except to the extent governed by the United States Trademark Act (the Lanham Act) or the Federal Arbitration Act, this Agreement and all disputes directly or indirectly related to or arising from this Agreement shall be governed, interpreted, and construed under the laws of the State of Georgia, which laws shall prevail in the event of any conflict of law, without regard to the application of any Georgia conflict-of-law rules.

B. 24.2-Survival. This Section 25 will survive termination, expiration, and/or rescission of this Agreement.

Report of Independent Auditors

To the Board of Managers of RW Parent, LLC and Management of ServiceMaster Systems, LLC:

Opinion

We have audited the accompanying consolidated financial statements of ServiceMaster Systems, LLC and its subsidiaries (the “Company”), which comprise the consolidated statements of financial position as of December 31, 2023 and 2022, and the related consolidated statements of operations and comprehensive income, of member’s equity and of cash flows for the years then ended, including the related notes (collectively referred to as the “consolidated financial statements”).

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter

The consolidated balance sheet (not presented herein) of the Company as of December 31, 2021, and the related consolidated statements of operations and comprehensive income, member’s equity and cash flows for the year then ended were audited by other auditors whose report, dated March 31, 2022, expressed an unmodified opinion on those statements.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company’s ability

to continue as a going concern for one year after the date the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

ServiceMaster Systems, LLC and Subsidiaries

(An indirect, wholly owned subsidiary of RW Purchaser, LLC)

Notes to Consolidated Financial Statements

December 31, 2023, 2022 and 2021

1. Description of Business

ServiceMaster Systems LLC

The Company is a single-member limited liability company subsidiary of ServiceMaster Funding LLC (the “Issuer”, “Member”, or together with ServiceMaster of Canada Limited, the “Co-Issuers”), and an indirect wholly owned subsidiary of RW Purchaser, LLC. Through its subsidiaries, the Company franchises and provides restoration, cleaning, moving, junk removal and storage solution services to both residential and commercial customers through the following brands: ServiceMaster Restore, ServiceMaster Recovery Management (“SRM”), ServiceMaster Clean, Merry Maids, Two Men and a Truck (“TMTI”) and Two Men and a Junk Truck (“TMJT”) (collectively, the “ServiceMaster Brands”).

References to “we,” “us,” “our” and “Company” in the accompanying consolidated financial statements (the “financial statements”) are to the Company’s business unless the context otherwise requires.

2. Significant Accounting Policies

The significant accounting policies described below, together with the other notes that follow, are an integral part of the financial statements.

Principles of Consolidation

The Financial Statements include the accounts of Servicemaster Systems LLC and all of our consolidated subsidiaries.

Basis of Preparation

The historical results of our operations, financial position and cash flows have been prepared in accordance with accounting principles generally accepted in the United States of America (“US GAAP”). All significant intercompany transactions and balances have been eliminated in consolidation.

Use of Estimates

The preparation of the financial statements requires management to make certain estimates and assumptions required under US GAAP that may differ from actual results. The more significant areas requiring the use of management estimates relate to the valuation of tangible and intangible assets.

Accounts Receivable and Notes Receivable

Accounts receivable consist primarily of national account revenue, royalties and franchise fees due from franchisees. Notes receivable consist primarily of licenses and equipment sold to franchisees. Accounts receivable are carried at their net realizable value. The Company accounts for credit losses using the Current Expected Credit Loss (CECL) model detailed in the Financial Accounting Standards Board (“FASB”) Accounting Standards Update (“ASU”) No. 2016-13, *Financial Instruments – Credit Losses (Topic 326)*.

The Company’s expected loss allowance methodology for accounts receivable is developed using historical collection experience, current and future economic and market conditions and a review of the current status of customers’ trade accounts receivable. Due to the short-term nature of such receivables, the estimate of accounts receivable that may not be collected is based on aging of the accounts receivable balances and consideration of customers’ financial and macroeconomic

conditions. Balances are written off when determined to be uncollectible. The exposure to concentrations of credit risk is limited due to the diverse product offerings and geographic areas covered by our operations.

Estimates are used to determine the allowance. It is based on an assessment of anticipated payment and all other historical, current and future information that is reasonably available.

Receivables	\$ 55.3	\$ 0.1	\$ 55.4

<i>(in millions)</i>	December 31, 2022		
	Accounts Receivable	Notes Receivable	Total
Receivables	\$ 68.3	\$ 0.1	\$ 68.4

Receivables, net of allowance	<u>\$ 62.0</u>	<u>\$ 0.1</u>	<u>\$ 62.1</u>

Inventories

Inventories are recorded at the lower of cost (primarily on a weighted-average cost basis) or net realizable value. Our inventories primarily consist of finished goods to be used on the customers' premises or sold to franchisees.

Property and Equipment and Intangible Assets

Property and equipment consist of the following:

<i>(in millions)</i>	December 31,		Estimated Useful Lives (years)
	2023	2022	
Building	\$ -	\$ 6.4	39
Land	-	0.9	-

Depreciation expense of property and equipment was \$2.3 million, \$2.6 million and \$1.8 million for the years ended December 31, 2023, 2022 and 2021, respectively.

ServiceMaster Systems, LLC and Subsidiaries

(An indirect, wholly owned subsidiary of RW Purchaser, LLC)

Notes to Consolidated Financial Statements

December 31, 2023, 2022 and 2021

Property and equipment, leasehold improvements and intangible assets with finite lives are depreciated and amortized on a straight-line basis over their estimated useful lives. Property and equipment lives are based on our previous experience for similar assets, potential market obsolescence and other industry and business data. Amortization of leasehold improvements is provided for on a straight-line method over the estimated benefit period of the related assets or the lease term, if shorter. As required by accounting standards for the impairment or disposal of long-lived assets, property and equipment and finite-lived intangible assets are tested for recoverability whenever events or changes in circumstances indicate their carrying amounts may not be recoverable. If the carrying value is no longer recoverable based upon the undiscounted future cash flows of the asset, an impairment loss could be recognized equal to the difference between the carrying amount and the fair value of the asset. Changes in the estimated useful lives or in the asset values could cause us to adjust the book value or future expense accordingly. There were no triggering events identified for the years ended December 31, 2023, 2022 and 2021.

Indefinite-lived intangible assets, primarily trade names, are assessed annually for impairment during the fourth quarter or earlier upon the occurrence of certain events or substantive changes in circumstances. The Company performed an annual impairment analysis as of October 1, 2023 which did not result in any intangible assets impairments to continuing operations. The Company performed an annual impairment analysis as of October 1, 2022, which resulted in a \$12.4 million impairment of the Furniture Medic tradename and a \$8.1 million impairment to the AmeriSpec tradename. See Note 4, Intangible Assets, for our intangible assets balances.

Member's Equity

Our equity on the consolidated statements of financial position represents the Issuer's net investment in us and is presented as Member's Equity. Member's Equity includes the value of the net assets transferred to the Company, subsequent transfers of SRM and TMTI and the Issuer's share of our net income.

Fair Value Measurement

Fair value is defined as the exchange price that would be received for an asset or an exit price paid to transfer a liability in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. Valuation techniques used to measure fair value must maximize the use of observable inputs and minimize the use of unobservable inputs. The fair value hierarchy defines a three-level valuation hierarchy for disclosure of fair value measurements as follows:

- Level 1 Valuations based on quoted prices in active markets for identical assets or liabilities that an entity has the ability to access;
- Level 2 Valuations based on quoted prices for similar assets or liabilities, quoted prices for identical assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable data for substantially the full term of the assets or liabilities; and
- Level 3 Valuations based on inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The categorization of a financial instrument within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. The carrying value of cash equivalents, accounts receivable, and accounts payable approximate fair value due to their short-term nature. The carrying value of the Company's debt approximates fair value due to the variable rate terms of the debt.

(An indirect, wholly owned subsidiary of RW Purchaser, LLC)

Notes to Consolidated Financial Statements

December 31, 2023, 2022 and 2021

Leases

We determine if an arrangement is a lease at inception. We recognize a right-of-use (“ROU”) asset and lease liability for all leases with terms of 12 months or more. ROU assets represent our right to use an underlying asset for the lease term, and lease liabilities represent our obligation to make lease payments arising from the lease.

ROU assets and lease liabilities are recognized at commencement date based on the present value of lease payments over the lease term. Our lease terms may include options to extend or terminate the lease when it is reasonably certain that we will exercise that option. As most of our leases do not provide an implicit rate, we use our incremental borrowing rate based on the information available at commencement date in determining the present value of lease payments. We use the implicit rate when readily determinable. Lease expense for operating lease payments is recognized on a straight-line basis over the lease term. See Note 7, *Leases* to the accompanying consolidated financial statements for information related to our leases.

Revenue

Royalty Fees

The Company has franchise agreements in the ServiceMaster Restore, ServiceMaster Clean, Merry Maids, TMTI and TMJT businesses. Royalty fee revenue consists principally of sales-based royalties received as part of the consideration for the franchise right and is calculated as a percentage of system wide sales. Royalty fees are recognized at the agreed-upon contractual rates over time as the customer-level revenue is generated by the franchisees. Revenue is recognized for an estimate of the unreported royalty fees, which are reported and remitted to us in arrears.

Commercial Cleaning and Other National Accounts

National account revenues are recognized at the agreed-upon contractual amounts over time as services are completed based on contractual arrangements to provide services at the customers’ locations. The Company engages either a franchisee or third-party business to perform the services. Under these agreements, the Company is directly responsible for providing the services and receive payment directly from the customer. A receivable is recorded related to this revenue as the Company has an unconditional right to invoice and receive payment. Payments are typically received shortly after services have been rendered.

Sales of Products

Revenues are generated from selling products to franchisees. Revenues from product sales are generally recognized once control of the products transfers to the customer. A receivable is recorded related to these sales as the Company has an unconditional right to invoice and receive payment. Payments are typically received shortly after a customer is invoiced.

Franchise Fees

Initial franchise fees result from the sale of a franchise license, which includes the use of the name, trademarks and proprietary methods. The franchise license is considered symbolic intellectual property and revenue related to the sale of this right is recognized at the agreed-upon contractual amount over the term of the initial franchise agreement.

Referral Fees

We have contractual arrangements with several national insurance companies to maintain a call center which receives and provides nonrecurring recovery and restoration referrals from the insurers to qualifying franchisees. We receive and recognize referral fees from franchisees at the agreed-upon contractual amount as revenue in the month the referral is issued.

National Advertising Fund

Franchisees contribute a percentage of customer-level revenue into a national advertising fund managed by us. In cases where we have ultimate control of the marketing and advertising, we recognize both revenue and expense for the amount earned.

Advertising

Advertising costs are expensed when the advertising occurs and are included in selling and administrative expenses. Advertising costs were \$19.8 million, \$19.0 million and \$15.7 million for the years ended December 31, 2023, 2022 and 2021, respectively. Advertising costs include national advertising fund expenses of \$19.0 million, \$18.1 million and \$14.5 million for the years ended December 31, 2023, 2022 and 2021, respectively, for which there is an equal amount recorded in revenue for the years ended December 31, 2023, 2022 and 2021.

Income Taxes

The Company is a single-member limited liability corporation which has elected not to be taxed as a corporation, and consequently is not subject to U.S. federal or state income taxes. As such, for income tax purposes, the Company's earnings flow through directly to the Member.

Comprehensive Income

Comprehensive income represents net income for the period plus the results of certain other changes in Members' equity. The Company's comprehensive income is equal to its net income.

Newly Issued Accounting Standards

We have reviewed all recently issued, but not yet effective, accounting pronouncements and do not expect the future adoption of any such pronouncements will have a material impact on our financial condition or the results of our operations.

3. Revenue

The following table presents our revenues, disaggregated by revenue source. We disaggregate revenue from contracts with customers into major customer acquisition channels. We determined that disaggregating revenue into these categories achieves the disclosure objective to depict how the nature, amount, timing, and uncertainty of revenue and cash flows are affected by economic factors.

<i>(in millions)</i>	Years Ended December 31,		
	2023	2022	2021

Other	29.6	44.9	10.5
	<u>\$ 344.7</u>	<u>\$ 350.6</u>	<u>\$ 301.6</u>

Costs to Obtain a Contract With a Customer

The Company capitalizes the incremental costs of obtaining a contract with a customer, primarily commissions, and recognizes the expense on a straight-line basis, as adjusted to match the timing of revenue recognition, over the expected customer relationship period. As of December 31, 2023, 2022 and 2021, there was an immaterial amount of activity related to capitalizable cost to obtain a contract.

Contract Balances

We record a receivable related to revenue recognized on services once we have an unconditional right to invoice and receive payment in the future related to the services provided. All accounts receivables are recorded within accounts receivable, less allowances, on the consolidated statements of financial position.

Deferred revenue from initial franchise fees represents a contract liability and is recognized when cash payments are received in advance of the performance of services, including when the amounts are refundable. Amounts are recognized as revenue in proportion to the costs expected to be incurred in performing services under our contracts.

Revenue is recognized net of any taxes collected from customers, which are subsequently remitted to taxing authorities.

Unless earlier prepaid to the extent permitted, the 2020 Indenture provides for an anticipated repayment date of January 2028 for the Class A-2-I Notes and an anticipated repayment date of January 2031 for the Series 2020 Class A-2-II Notes (as applicable, the “Anticipated Repayment Date”). The lending commitment under the Series 2020-1 Class A-1 Notes will expire in January 2026, subject to two automatic annual renewals at the election of the Co-Issuers if certain conditions are met.

The 2020 Notes have been guaranteed by indirect or direct wholly owned subsidiaries of the Company, ServiceMaster SPE Holdco LLC (“Holdco”) and RW Canada Intermediate Ltd., as well as all of the subsidiaries of the Issuer (collectively, the “Guarantors”). The legal final maturity date of the Notes is in July 2051. The 2021 Indenture provides for an anticipated repayment date of July 2028 for the Series 2021 Class A-2-I Notes and an anticipated repayment date of July 2031 for the Series 2021 Class A-2-II Notes (as applicable, the “Anticipated Repayment Date”). The lending commitment under the Series 2021-1 Class A-1 Notes will expire in July 2026, subject to two automatic annual renewals at the election of the Issuer if certain conditions are met.

The 2021 Notes are secured by substantially all of the assets of the Issuer and the Guarantors. The 2021 Notes are subject to a series of covenants and restrictions customary for transactions of this type, including (i) debt service coverage ratios and senior leverage ratios, (ii) maintenance of specified reserve accounts to be used to make required payments in respect of the 2021 Notes, and (iii) provisions relating to optional and mandatory prepayments, including certain make-whole payments. 6. Commitments and Contingencies

We lease certain property, equipment and warehouses under various operating lease arrangements. Most of the property leases provide that we pay taxes, insurance, and maintenance applicable to the leased premises. As leases for existing locations expire, we expect to renew the leases or substitute another location and lease.

In the ordinary course of conducting business activities, we are and may in the future become involved in various litigation and claims incidental to our business. The outcome of these matters cannot be predicted with certainty and some of these matters may be resolved unfavorably to the Company. Based on currently available information, the Company is subject to certain claims for damages that are performed during the course of business. The Company does not believe that the outcome of these legal matters will have a material adverse effect on its consolidated financial position, results of operations or cash flow.

7. Related-Party Transactions

Management Fee

The Company entered into a management agreement with Opco (the "Management Agreement") where Opco is to provide, among other things, the managing of respective rights, powers, duties and obligations in connection with the Pre-Contribution Agreements, the franchise assets, the securitization IP, and all other securitization assets. In exchange for the services described above, the Company will pay an annual management fee equal to a base amount of \$7.8 million plus a variable fee of \$11,500 for every integer multiple of \$100,000 of aggregate U.S. retained collections, receivable on a weekly basis. The base management fee will be subject to successive 2% annual increases following each anniversary of the closing date. Such fees are included in selling and administrative expenses in the consolidated statements of operations and comprehensive income. For the years ended December 31, 2023, 2022 and 2021 the Management fee was \$31.8 million, \$29.2 million and \$27.8 million, respectively.

License Fee

The Company entered into a license fee agreement with ServiceMaster of Canada Limited ("Canada Limited") and ServiceMaster Limited (UK) ("UK Limited"). Report of Independent Auditors

To the Board of Managers of RW Parent, LLC and Management of ServiceMaster OpCo Holdings, LLC:

Opinion

We have audited the accompanying consolidated financial statements of ServiceMaster OpCo Holdings, LLC and its subsidiaries (the "Company"), which comprise the consolidated statements of financial position as of December 31, 2023, and 2022, and the related consolidated statements of operations and comprehensive income, of members' equity and of cash flows for the years then ended, including the related notes (collectively referred to as the "consolidated financial statements").

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023, and 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter

The consolidated statement of financial position (not presented herein) of the Company as of December 31, 2021, and the related consolidated statements of operations and comprehensive income, member's equity and cash flows for the year then ended were audited by other auditors whose report, dated March 31, 2022, expressed an unmodified opinion on those statements.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability

to continue as a going concern for one year after the date the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Notes to Consolidated Financial Statements

December 31, 2023, 2022 and 2021

1. Description of Business

ServiceMaster OpCo Holdings, LLC (the “Company”) is a limited liability company and a direct, wholly owned subsidiary of RW Purchaser LLC (“RW Purchaser” or “Member”). ServiceMaster Funding LLC (the “Issuer”), an indirect wholly owned subsidiary of the Company, will guarantee the Notes (as defined in Note 6, Long-term Debt, net), together with the other Guarantors (as defined below), pursuant to the Guarantee and Collateral Agreement. Through its direct wholly owned subsidiary ServiceMaster Holdco, LLC (“Holdco”), the Company acts as the manager of the securitization of restoration, cleaning, moving, junk removal and storage solution services to both residential and commercial customers through the following brands: ServiceMaster Restore, ServiceMaster Recovery Management (“SRM”), ServiceMaster Clean, Merry Maids, Two Men and a Truck (“TMTI”) and Two Men and a Junk Truck (“TMJT”) (collectively, the “ServiceMaster Brands.”)

References to “we,” “us,” “our” and “Company” in the accompanying consolidated financial statements (the “financial statements”) are to the Company’s business unless the context otherwise requires.

2. Significant Accounting Policies

The significant accounting policies described below, together with the other notes that follow, are an integral part of the financial statements.

Principles of Consolidation

The Financial Statements include the accounts of ServiceMaster OpCo Holdings, LLC and all of our consolidated subsidiaries.

Basis of Preparation

The historical results of our operations, financial position and cash flows have been prepared in accordance with accounting principles generally accepted in the United States of America (“US GAAP”). All significant intercompany transactions and balances have been eliminated in consolidation.

Use of Estimates

The preparation of the financial statements requires management to make certain estimates and assumptions required under US GAAP that may differ from actual results. The more significant areas requiring the use of management estimates relate to the valuation of tangible and intangible assets.

Cash, Cash Equivalents and Restricted Cash

Cash and cash equivalents include highly liquid investments with maturity dates of three months or less from the date of purchase and are recorded at cost.

Restricted cash relates to the 2020 and 2021 securitized notes (as described in Note 6, *Long-term Debt, net*). As part of the transactions, the Company established certain cash and money market mutual fund accounts in the name of the Trustee for the benefit of the Trustee and the noteholders and are restricted in their use. The Company also established management accounts subject to control agreements among the Trustee, financial institutions and the Company. Restricted cash is comprised of cash collections and reserves held by the Trustee and within management accounts to be used for payments of principal, interest, commitment fees and other permissible operating expenses required for the notes of the Company.

Accounts Receivable and Notes Receivable

Accounts receivable consist primarily of national account revenue, royalties and franchise fees due from franchisees. Notes receivable consist primarily of licenses and equipment sold to franchisees. Accounts receivable are carried at their net realizable value. The Company accounts for credit losses using the Current Expected Credit Loss (CECL) model detailed in the Financial Accounting Standards Board (“FASB”) Accounting Standards Update (“ASU”) No. 2016-13, *Financial Instruments – Credit Losses (Topic 326)*.

The Company’s expected loss allowance methodology for accounts receivable is developed using historical collection experience, current and future economic and market conditions and a review of the current status of customers’ trade accounts receivable. Due to the short-term nature of such receivables, the estimate of accounts receivable that may not be collected is based on aging of the accounts receivable balances and consideration of customers’ financial and macroeconomic conditions. Balances are written off when determined to be uncollectible. The exposure to concentrations of credit risk is limited due to the diverse product offerings and geographic areas covered by our operations.

Estimates are used to determine the allowance. It is based on an assessment of anticipated payment and all other historical, current and future information that is reasonably available.

<i>(in millions)</i>	December 31, 2023		
	Accounts Receivable	Notes Receivable	Total
Receivables	\$ 55.4	\$ 3.5	\$ 58.9

Inventories

Inventories are recorded at the lower of cost (primarily on a weighted-average cost basis) or net realizable value. Our inventories primarily consist of finished goods to be used on the customers’ premises or sold to franchisees.

Notes to Consolidated Financial Statements

Property and Equipment and Intangible Assets

Property and equipment consist of the following:

(in millions)	December 31,		Estimated Useful Lives (years)
	2023	2022	
Building	\$ -	\$ 6.4	39
Land	-	0.9	-
Leasehold improvements	2.9	3.1	1–39
Technology and communications	14.5	12.3	2–10
Machinery and equipment	4.1	2.8	5–10
Office equipment, furniture and fixtures	7.8	4.4	3–17
Accumulated depreciation	(12.7)	(9.2)	
Property and equipment, net	<u>\$ 16.6</u>	<u>\$ 20.7</u>	

Depreciation expense of property and equipment was \$4.0 million, \$4.7 million and \$3.6 million for the years ended December 31, 2023, 2022 and 2021, respectively.

Property and equipment, leasehold improvements and intangible assets with finite lives are depreciated and amortized on a straight-line basis over their estimated useful lives. Property and equipment lives are based on our previous experience for similar assets, potential market obsolescence and other industry and business data. Amortization of leasehold improvements is provided for on a straight-line method over the estimated benefit period of the related assets or the lease term, if shorter. As required by accounting standards for the impairment or disposal of long-lived assets, property and equipment and finite-lived intangible assets are tested for recoverability whenever events or changes in circumstances indicate their carrying amounts may not be recoverable. If the carrying value is no longer recoverable based upon the undiscounted future cash flows of the asset, an impairment loss could be recognized equal to the difference between the carrying amount and the fair value of the asset. Changes in the estimated useful lives or in the asset values could cause us to adjust the book value or future expense accordingly. There were no triggering events identified for the years ended December 31, 2023, 2022 and 2021.

Indefinite-lived intangible assets, primarily trade names, are assessed annually for impairment during the fourth quarter or earlier upon the occurrence of certain events or substantive changes in circumstances. The Company performed an annual impairment analyses as of October 1, 2023 which did not result in any intangible assets impairments to continuing operations. The Company performed an annual impairment analysis as of October 1, 2022, which resulted in a \$12.4 million impairment of the Furniture Medic tradename and a \$8.1 million impairment to the AmeriSpec tradename. See Note 4, *Intangible Assets*, for our intangible assets balances.

Member's Equity

Our equity on the consolidated statements of financial position represents RW Purchaser's net investment in us and is presented as Member's equity. Member's equity includes net cash transfers and other net asset transfers to and from RW Purchaser and us.

Fair Value Measurement

Fair value is defined as the exchange price that would be received for an asset or an exit price paid to transfer a liability in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. Valuation techniques used to measure fair value must maximize the use of observable inputs and minimize the use of unobservable inputs. The fair value hierarchy defines a three-level valuation hierarchy for disclosure of fair value measurements as follows:

- Level 1 Valuations based on quoted prices in active markets for identical assets or liabilities that an entity has the ability to access;
- Level 2 Valuations based on quoted prices for similar assets or liabilities, quoted prices for identical assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable data for substantially the full term of the assets or liabilities; and
- Level 3 Valuations based on inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The categorization of a financial instrument within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. The carrying value of cash equivalents, accounts receivable, and accounts payable approximate fair value due to their short-term nature. The carrying value of the Company's debt approximates fair value due to the variable rate terms of the debt.

Leases

We determine if an arrangement is a lease at inception. We recognize a right-of-use ("ROU") asset and lease liability for all leases with terms of 12 months or more. ROU assets represent our right to use an underlying asset for the lease term, and lease liabilities represent our obligation to make lease payments arising from the lease.

ROU assets and lease liabilities are recognized at commencement date based on the present value of lease payments over the lease term. Our lease terms may include options to extend or terminate the lease when it is reasonably certain that we will exercise that option. As most of our leases do not provide an implicit rate, we use our incremental borrowing rate based on the information available at commencement date in determining the present value of lease payments. We use the implicit rate when readily determinable. Lease expense for operating lease payments is recognized on a straight-line basis over the lease term. See Note 7, *Leases* to the accompanying consolidated financial statements for information related to our leases.

Revenue

Royalty Fees

The Company has franchise agreements in the ServiceMaster Restore, ServiceMaster Clean, Merry Maids, TMTI and TMJT businesses. Royalty fee revenue consists principally of sales-based royalties received as part of the consideration for the franchise right and is calculated as a percentage of system wide sales. Royalty fees are recognized at the agreed-upon contractual rates over time as the customer-level revenue is generated by the franchisees. Revenue is recognized for an estimate of the unreported royalty fees, which are reported and remitted to us in arrears.

Notes to Consolidated Financial Statements

December 31, 2023, 2022 and 2021

Commercial Cleaning and Other National Accounts

National account revenues are recognized at the agreed-upon contractual amounts over time as services are completed based on contractual arrangements to provide services at the customers' locations. The Company engages either a franchisee or third-party business to perform the services. Under these agreements, the Company is directly responsible for providing the services and receive payment directly from the customer. A receivable is recorded related to this revenue as the Company has an unconditional right to invoice and receive payment. Payments are typically received shortly after services have been rendered.

Sales of Products

Revenues are generated from selling products to franchisees. Revenues from product sales are generally recognized once control of the products transfers to the customer. A receivable is recorded related to these sales as the Company has an unconditional right to invoice and receive payment. Payments are typically received shortly after a customer is invoiced.

Franchise Fees

Initial franchise fees result from the sale of a franchise license, which includes the use of the name, trademarks and proprietary methods. The franchise license is considered symbolic intellectual property and revenue related to the sale of this right is recognized at the agreed-upon contractual amount over the term of the initial franchise agreement.

Referral Fees

We have contractual arrangements with several national insurance companies to maintain a call center which receives and provides nonrecurring recovery and restoration referrals from the insurers to qualifying franchisees. We receive and recognize referral fees from franchisees at the agreed-upon contractual amount as revenue in the month the referral is issued.

National Advertising Fund

Franchisees contribute a percentage of customer-level revenue into a national advertising fund managed by us. In cases where we have ultimate control of the marketing and advertising, we recognize both revenue and expense for the amount earned.

Advertising

Advertising costs are expensed when the advertising occurs and are included in selling and administrative expenses. Advertising costs were \$32.9 million, \$19.2 million and \$15.6 million for the years ended December 31, 2023, 2022 and 2021, respectively. Advertising costs include national advertising fund expenses of \$19.0 million, \$18.1 million and \$14.5 million for the years ended December 31, 2023, 2022 and 2021, respectively, for which there is an equal amount recorded in revenue for the years ended December 31, 2023, 2022 and 2021.

Stock Compensation

The Company accounts for equity-based compensation in accordance with ASC 718, Compensation – Stock Compensation. Accordingly, in exchange for employee and director services, compensation is given in the form of equity awards. The equity awards are recorded based on the grant date fair value and expensed over the requisite service period for the respective award.

ServiceMaster OpCo Holdings, LLC and Subsidiaries

(An indirect wholly owned subsidiary of RW Purchaser, LLC)

Notes to Consolidated Financial Statements

December 31, 2023, 2022 and 2021

The Company's equity-based awards include profit interest time units and profits interest performance units issued by the Company, which vest based on either time or the achievement of certain performance conditions. The Company records forfeitures as they occur. Compensation expense resulting from time-based vesting awards is recognized in the Company's consolidated statements of operations and comprehensive loss, primarily within selling, general and administrative expenses, at the grant date fair value over the requisite service period. Compensation expense resulting from performance-based awards is recognized over the requisite service period when it is probable that the performance condition will be met. The calculated compensation expense for performance-based awards is adjusted based on an estimate of awards ultimately expected to vest. No performance-based compensation expense has been recorded by the Company as it is not deemed probable that the performance condition will be met.

The Company estimates grant date fair value using a Black-Scholes option pricing model that uses assumptions including expected volatility, expected term, and the expected risk-free rate of return. The Company has determined that the Black-Scholes option pricing model, as well as the underlying assumptions used in its application, is appropriate in estimating the fair value of its award grants.

For the year ended December 31, 2022, the Company has included \$5.1 million of share based compensation expense related to time-based vesting awards in the Statement of Member's Equity within contribution from RW Parent LLC ("RW Parent").

Income Taxes

The Company is a single-member, limited liability corporation which has elected not to be taxed as a corporation, and consequently is not subject to U.S. federal or state income taxes. As such, for income tax purposes, the Company's earnings flow through directly to the Member.

Comprehensive Income

Comprehensive income represents net income for the period plus the results of certain other changes in Members' equity. The Company's other comprehensive income is equal to its net income.

Reclassifications

Certain amounts for prior years have been reclassified to conform with the current year financial statement presentation.

Newly Issued Accounting Standards

The Company has reviewed all other recently issued, but not yet effective, accounting pronouncements and do not expect the future adoption of any such pronouncements will have a material impact on our financial condition or the results of our operations.

3. Revenue

The following table presents our revenues, disaggregated by revenue source. We disaggregate revenue from contracts with customers into major customer acquisition channels. We determined that disaggregating revenue into these categories achieves the disclosure objective to depict how the nature, amount, timing, and uncertainty of revenue and cash flows are affected by economic factors.

<i>(in millions)</i>	Years Ended December 31,		
	2023	2022	2021
Major service line			
Royalty fees	\$ 186.8	\$ 175.7	\$ 141.4

Other	46.1	45.7	11.4
	<u>\$ 361.2</u>	<u>\$ 351.4</u>	<u>\$ 302.6</u>

Costs to Obtain a Contract With a Customer

The Company capitalizes the incremental costs of obtaining a contract with a customer, primarily commissions, and recognizes the expense on a straight-line basis, as adjusted to match the timing of revenue recognition, over the expected customer relationship period. As of December 31, 2023, 2022 and 2021, there was an immaterial amount of activity related to capitalizable cost to obtain a contract.

Contract Balances

We record a receivable related to revenue recognized on services once we have an unconditional right to invoice and receive payment in the future related to the services provided. All accounts receivables are recorded within accounts receivable, less allowances, on the consolidated statements of financial position.

Deferred revenue from initial franchise fees represents a contract liability and is recognized when cash payments are received in advance of the performance of services, including when the amounts are refundable. Amounts are recognized as revenue in proportion to the costs expected to be incurred in performing services under our contracts.

Revenue is recognized net of any taxes collected from customers, which are subsequently remitted to taxing authorities.

The payments are remitted to the Trustee weekly based on retained collections during the previous weekly collection period. The Company classifies such advance debt payments during the period they are held by the Trustee in Prepaid Expenses and Other Assets. The balances of the advance debt payments held by the Trustee amounted to \$9.8 million, \$10.6 million and \$8.5 million as of December 31, 2023, 2022 and 2021, respectively.

Letters of Credit

In connection with the Securitization, a commercial bank issued an interest reserve letter of credit in an amount up to \$8.9 million in favor of Citibank N.A. (the "Trustee") for the benefit of the senior noteholders and/or the servicer of the Securitization (each, a "Beneficiary"). The \$8.9 million funds will be made available to either Beneficiary in order for the Company to comply with the required interest reserve amounts pursuant to the Indenture (as defined in Note 5, *Long-term Debt, net*). The terms of the letter of credit automatically renew without an amendment on each anniversary of the date of issuance for a one-year period with a final expiry date of January 15, 2027. The Company intends to renew the letter of credit for as long as the Company holds the Notes (as defined in Note 5, *Long-term Debt, net*). As of December 31, 2023, no amounts were outstanding under the letter of credit.

The Company also has a letter of credit in the amount of \$6.5 million as of December 31, 2023, associated with a captive insurance program within TMTI. As of December 31, 2023, no amounts were outstanding under the letter of credit.

6. Leases

The Company accounts for leases under FASB ASC 842, Leases. We determine if an arrangement is a lease at inception. Operating leases are included in operating lease right-of-use assets ("ROU"), net; current portion of lease liability; and long-term lease liability on the consolidated statements of financial position. Finance leases are included in property and equipment, net; current portion of finance lease liability and long-term finance lease liability and long-term debt on the consolidated statements of financial position.

Operating lease ROU assets and operating lease liabilities are recognized based on the present value of the future minimum lease payments, including fixed nonlease components, over the lease term at commencement date. Lease terms may include options to extend or terminate the lease when it is reasonably certain that we will exercise that option.

Notes to Consolidated Financial Statements

December 31, 2023, 2022 and 2021

Leases, including subleases, with a lease term of 12 months or less are not recorded on the consolidated statements of financial position. Lease expense for minimum lease payments and fixed nonlease components is recognized on a straight-line basis over the lease term.

As of December 31, 2023 and 2022, no assets were recorded under finance leases. As of December 31, 2021, assets recorded under finance leases were \$0.1 million and accumulated depreciation associated with finance leases were \$0.1 million. The operating lease cost component of lease expense was \$3.6 million, \$2.3 million and \$2.4 million for the years ended December 31, 2023, 2022 and 2021, respectively. The finance lease cost, depreciation of finance lease ROU assets, short-term lease cost and variable lease cost components of lease expense were immaterial.

As the rates implicit in our leases are not readily determinable, we use a collateralized incremental borrowing rate based on the information available at the lease commencement date in determining the present value of future payments.

We use the portfolio approach and group leases into categories by lease term length, applying the corresponding incremental borrowing rates to these categories of leases.

Supplemental cash flow information and other information for leases was as follows:

<i>(in millions, unless otherwise noted)</i>	Years Ended December 31,	
	2023	2022
ROU assets obtained in exchange for lease obligations		
Operating leases	\$ 2.3	\$ -
Weighted average remaining lease term (in years)		
Operating leases	7.4 years	8.5 years
Weighted average discount rate		
Operating leases	3.17 %	3.17 %

As of December 31, 2023, the finance leases included within current portion of finance lease liability and long-term portion of finance lease liability are immaterial on the consolidated statements of financial position. There was \$2.4 million and \$12.5 million of operating leases included within current portion of lease liability and long-term portion of lease liability, respectively, on the consolidated statements of financial position.

7. Commitments and Contingencies

We lease certain property, equipment and warehouses under various operating lease arrangements. Most of the property leases provide that we pay taxes, insurance, and maintenance applicable to the leased premises. As leases for existing locations expire, we expect to renew the leases or substitute another location and lease. Please refer to Note 6, *Leases*, for further details.

In the ordinary course of conducting business activities, we are and may in the future become involved in various litigation and claims incidental to our business. The outcome of these matters cannot be predicted with certainty and some of these matters may be resolved unfavorably to the Company. Based on currently available information, the Company is subject to certain claims for damages that are performed during the course of business. The Company does not believe that the outcome of these legal matters will have a material adverse effect on its consolidated financial position, results of operations or cash flow.

8. Management Services Agreement

Notes to Consolidated Financial Statements

December 31, 2023, 2022 and 2021

The fair value of all incentive units granted was estimated using a Black-Scholes option pricing model using the following assumptions:

	Years Ended December 31,		
	2023	2022	2021
Risk-free interest rate range	0.03%–4.92%	(1.6)%–1.9%	(1.9)%–(1.4)%
Expected volatility	26.9 %	28.2 %	26.4 %
Weighted-average expected option life (in years)	5.2 years	5.0 years	5.0 years
Weighted-average grant-date fair value	\$ 482.00	\$ 317.00	\$ 217.00
Dividend yield	0.00 %	0.00 %	0.00 %

The remaining unrecognized compensation expense for these awards were \$13.1 million, \$19.7 million and \$33.6 million as of December 31, 2023, 2022 and 2021, respectively.

The expected term of the incentive units is based on evaluations of historical and expected future employee exercise behavior. The risk-free interest rate is based on the U.S. Treasury rates at the date of grant with maturity dates approximately equal to the expected life at the grant date. Volatility is based on the historical volatility of several entities that are similar to the Company as the Company does not have sufficient historical transactions of its own shares on which to base expected volatility.

10. Disposals

During 2023, the Company sold the Furniture Medic and AmeriSpec businesses. The total cash consideration received for the sale was \$21.8 million, a loss of \$4.2 million was recognized, which is included in "Other expense" in the accompanying Consolidated Statements of Comprehensive Income.

11. Subsequent Events

The Company evaluated subsequent events from December 31, 2023 through April 29, 2024 the date the financial statements were available to be issued. There were no matters identified affecting the Company's financial position or requiring further disclosure.

ADDENDUM TO THE FRANCHISE AGREEMENT FOR THE STATE OF CALIFORNIA

This California Addendum is entered into concurrently with that certain Franchise Agreement of even date herewith by and between Merry Maids SPE LLC (“Merry Maids”) and _____ (“Franchisee”). Unless otherwise defined herein, capitalized terms shall have the same meaning as described in the Franchise Agreement. **The terms of this Addendum shall survive the termination or expiration of the Agreement.**

In consideration of the execution of the Franchise Agreement (the “Agreement”), Merry Maids and Franchisee agree to amend the Agreement as follows:

1. To the extent that Section 14 (“Termination of the Franchise; Post Termination Obligations; Transfer”) or any other terms of the Agreement are inconsistent with the California Franchise Relations Act (CA. Bus. & Prof. Code § 20020, et. seq.), the terms of the statute will control and the applicable Section shall be modified only to the extent required to comply with such law. The parties agree that in no event shall a reasonable opportunity to cure to the extent required under such statute be greater than seventy five (75) days.

2. Notwithstanding anything to the contrary contained in the Franchise Agreement, all written notices related to any proposed transfer or assignment by you as contained in Section 14, must be delivered by business courier or receipted U.S. mail.

3. Notwithstanding anything to the contrary stated in the Franchise Agreement, Merry Maids will provide sixty (60) days’ written notice (or such other cure period prescribed by California law from time to time), and opportunity to cure any default described in Section 14.A.3, A.5, A.8, A.9 (to the extent that the felony conviction is unrelated to the franchised business), A.10 and A.11.

4. The parties agree that if Franchisee or any its owners commit any of the breaches of this Agreement identified in Section 14.A, each such breach shall be deemed to be a failure by Franchisee to substantially comply with the Franchise Agreement requirements. The parties further agree that a breach by Franchisee or any of its owners under Section 14.A, of a material provision of this Agreement, or of any other agreement with Franchisor or any Franchisor Affiliate, or any mandatory requirement prescribed in any Manual shall be deemed to be a failure by Franchisee to substantially comply with the Franchise Agreement requirements.

5. The following language is added to the end of Section 14.C.6 of the Agreement:

The provisions of this Section 14.C.6 shall apply to the extent that the franchisee’s actions inherently call upon franchisee to use or disclose Franchisor’s confidential information, including, without limitation, Franchisor’s current and future, manuals; trade secrets, methods, know-how, or training as well as advertising and marketing plans and strategies; student/client lists and data; Franchised Businesses’ operating data and statistics; customer accounts and related information; and other methods, formulas, specifications and procedures for developing and operating Merry Maids businesses.

6. The following language is added at the end of Section 14.C.:

Franchisor shall have the right upon termination or non-renewal of the Franchise to purchase from Franchisee at the value of price paid by Franchisee, minus depreciation, Franchisee’s inventory, supplies,

equipment, fixtures and furnishings (the “Items”) purchased or paid for under the terms of this Agreement or an agreement ancillary hereto by Franchisee to Franchisor or to its approved suppliers that are possessed or used by Franchisee in the franchised business at the time of termination or non-renewal. For the purposes of this provision and compliance under and construction of the California Franchise Relations Act (CFRA), the parties agree that such depreciation shall be calculated based on whichever of the two (2) methods prescribed results in a lower valuation of the Items: i) the Modified Accelerated Cost Recovery System (MACRS) method applied in accordance with the applicable standard U.S. Internal Revenue Service (IRS) schedules effective for the calendar year immediately preceding the calendar year in which the Franchise Agreement terminated or expired and was not renewed; or ii) depreciation schedules included by Franchisee in the IRS income tax return for the franchised business filed for the calendar year immediately preceding the calendar year in which the Franchise Agreement terminated or expired and was not renewed. Franchisee shall provide Franchisor a true and complete copy of such income tax return and related schedules within five (5) business days of Franchisor’s request. Franchisee shall further provide Franchisor clear title to and possession of any such Items. Franchisor can offset against the amounts owed to Franchisee any amounts owed by Franchisee to Franchisor.

In the event a court or arbitrator finds that Franchisor has terminated or failed to renew this Agreement in violation of the CFRA, the parties agree that the fair market value of the franchised business and franchise assets (the “FMV”) for purposes of compliance with the CFRA shall be established in accordance with the following procedure: Franchisor and Franchisee shall mutually select an independent Certified Business Appraiser within thirty (30) days of such court/arbitrator finding. If unable to identify a mutually agreeable Certified Business Appraiser, Franchisor and Franchisee each shall select a person within forty-five (45) days of such court/arbitrator finding who is an independent Certified Business Appraiser (the “Designees”) and such Designees promptly shall mutually agree to a third independent Certified Business Appraiser whose determination of the FMV shall be final and binding on the parties. This provision shall survive the termination or expiration of the Franchise Agreement.

7. The following language is added as new Section 3.~~E~~C:

Territory Withdrawal. If Franchisor publishes an announcement that it has determined that continued franchising in the state or in the standard metropolitan statistical area (as established by the United States Office of Management and Budget) within the state in which Franchisee’s Territory is located is not appropriate for reasons that relate to Franchisor’s economic or other interests and that it is completely withdrawing from all franchise activity in such state/area (provided that Franchisor can continue to service existing Franchisees under outstanding agreements), then Franchisor will be considered to have made a general market area withdrawal, will have no liability to Franchisee therefore and will not be required to offer Franchisee any renewal Franchise or similar rights (a “Territory Withdrawal”). In that event and if Franchisee is not in default of this Agreement, Franchisee will not be required to comply with its non-competition obligations under Section 14.C.6. Franchisor shall not prevent Franchisee from retaining control of the principal place of the Franchised Business in the event of a market withdrawal. Franchisee agrees that if any statute or court decision requires “good cause” (or any similar standard) for non-renewal, Franchisor’s compliance with the provisions of this clause will be deemed to be good cause.

8. To the extent a proper judicial body determines that this Addendum is in conflict with any term or condition of the Franchise Agreement, the terms of this Addendum shall control.

IN WITNESS WHEREOF, each of the undersigned hereby acknowledges having read this Addendum, and understands and consents to be bound by all of its terms.

ADDENDUM TO DISCLOSURE DOCUMENT FOR THE STATE OF VIRGINIA

The following information applies to franchises and Franchisees subject to Virginia statutes and regulations.

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any grounds for default or termination stated in the Franchise Agreement does not constitute “reasonable cause,” as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

ADDENDUM TO THE DISCLOSURE DOCUMENT FOR THE STATE OF WASHINGTON

To the extent the Washington Franchise Investment Protection Act, Wash. Rev. Code §§19.100.010 – 19.100.940 applies, the terms of this Addendum apply.

Item 3, Additional Disclosures:

Re: Franchise No Poaching Provisions (Merry Maids, LP), State of Washington, King County Superior Court, Civil Case No. 18-2-56308-9. In January 2018, the State of Washington Office of Attorney General initiated an investigation into “no-poach” provisions in franchise agreements executed by Merry Maids, LP (“Merry Maids”). Merry Maids expressly denied (1) the inclusion of its restrictive covenant language in franchise agreements violated the Washington’s Consumer Protection Act, RC 19.86.030, or any other law; and (2) having engaged in conduct that constitutes a contract, combination or conspiracy in restraint of trade because it had not/has not enforced the no-poaching provision in or outside of State of Washington. On December 5, 2018, Merry Maids voluntarily entered into and filed an Assurance of Discontinuance (“AOD”) with the State of Washington. As part of the AOD, Merry Maids agreed to (1) not include no-poaching provisions in any of its future franchise agreements nationwide after the date of the AOD; (2) not enforce no-poaching provisions in any of its existing franchise agreements nationwide; (3) make all of its franchisees in the United States aware of the entry of the AOD and provide them with a copy upon request; and (4) offer to amend all existing franchise agreements within the State of Washington to remove any no-poaching provisions.

Item 5, Initial Fees:

Due to our financial condition, the Washington Department of Financial Institutions Securities Division requires us to defer our collection of the Initial Franchise Fee and the Online Marketing Fund deposit until we have fulfilled our initial pre-opening obligations under the Franchise Agreement and your Merry Maids franchise is open for business.

Item 17, Additional Disclosure:

The state of Washington has a statute, RCW 19.100.180 which may supersede the Franchise Agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the Franchise Agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site shall be either in the State of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as deemed by the arbitrator. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchise, or a violation of the Washington Franchise Investment Protection Act, in Washington.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

A release or waiver of rights executed by a franchisee shall not include rights under the Washington Franchise Investment Protection Act except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel.

Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, rights or remedies under the Act such as a right to a jury trial may not be enforceable.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

The franchisor uses the services of franchise brokers to assist it in selling franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. Carefully evaluate any information provided by a franchise broker about a franchise. Do your own investigation by contacting the franchisor's current and former franchisees to ask them about their experience with the franchisor.

TERMS

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties to this Agreement agree as follows:

1. OBLIGATIONS

A. Transferor's Obligations. Upon the terms and subject to the conditions set forth in this Agreement, Transferor agrees to transfer and deliver to Transferee, and Transferee agrees to assume and accept from Transferor, all of Transferor's rights, title, and interests related to (i) the Customer List, (ii) the Acquired Customers, and (iii) the Customer Contracts. Transferor warrants that (a) the Customer List attached as Exhibit A is a complete and accurate list of all customers that it has serviced within the Transferee’s Territory at any time, and (b) Transferor will deliver to Transferee upon execution of this Agreement all of its active Customer Contracts,

each of which has been assigned to Transferee through this Agreement as of the Effective Date.

B. Rights to Revenue. Transferor shall be entitled to collect and receive any monies owed by Acquired Customers related to services provided by the Acquired Customer prior to the Effective Date but shall have no right to any monies paid or owed by Acquired Customers for services provided on or after the Effective Date. If Transferor has collected any prepaid revenue (such as any revenue under Customer Contracts) that relates to services that have not been fully rendered as of the Effective Date and must be provided to Acquired Customers after the Effective Date, Transferor shall pay Transferee a pro rata share of such revenue based on the proportion of services already rendered by Transferor and the proportion of services to be rendered in the future by Transferee.

C. Assumed Liabilities. Subject to the terms and conditions set forth in this Agreement, Transferee agrees that, as of the Effective Date, Transferee will assume and perform the services to the Acquired Customers on the Customer List and thereafter perform and discharge when due all obligations and liabilities with respect to the Customer Contracts that relate to events that occur after the Effective Date.

D. Liabilities Not Assumed. Transferee does not assume by virtue of this Agreement any obligations or liabilities of Transferor of any kind, character or description whatsoever, whether arising before, at, or after the Effective Date with respect to the Acquired Customers, the Customer List, or the Customer Contracts, including, without limitation, any liabilities or obligations related to acts or omissions of the Transferor prior to the Effective Date. Transferor shall remain solely responsible for any customer claims (including, without limitation, any warranty, damage, theft, and/or refund claims) related to the acts or omissions of Transferor prior to the Effective Date.

E. Purchase Price. Subject to the other terms and conditions of this Agreement, Transferee will remit to Transferor by check on the Effective Date the sum of _____ Dollars (\$_____) [\$525 for each Acquired Customer that has received services from the Transferor in the 90-day period immediately preceding the Effective Date].

F. Transferor Warranty. Transferor warrants that it has not, as of the Effective Date, sold, leased, given, or provided the Customer List or the Customer Contracts to any third party and that Transferor will destroy all copies of the Customer List and the Customer Contracts upon transfer to Transferee, except insofar as such documents are incorporated into other necessary business records and are subject to record retention obligations imposed by state law. Transferor agrees that it shall no longer provide any services to any of the Acquired Customers after the Effective Date (unless Transferor or Transferee agree otherwise in writing), and it shall not directly or indirectly interfere with Transferee's relationship with such Acquired Customers.

G. Due Diligence. Transferor and Transferee represent and warrant to Franchisor that Transferor provided Transferee with the opportunity to carry out full and complete due diligence in relation to the acquisition of the Customer Contracts and Customer List, and that Transferee completed such due diligence to its satisfaction.

2. CONSENT TO TRANSACTION

A. Consent to Transaction. Transferor and Transferee acknowledge and agree that the Customer List and related Acquired Customer relationships are intangible assets of the Franchisor. Franchisor hereby consents to the proposed transaction that will transfer from Transferor to Transferee certain rights to use the Customer List and to service the Acquired Customers. After the Effective Date, Transferee must service the Acquired Customers in accordance with the terms of Transferee's Franchise Agreement during the term of such agreement.

B. Non-Responsibility of Franchisor. Transferor and Transferee acknowledge, agree, and understand that Franchisor, its legal counsel, and any other person or entity acting on Franchisor's behalf have not (i) made any claims, representations, promises, or otherwise with regard to the Acquired Customers, the Customer List, and the Customer Contracts or (ii) accepted or assumed any responsibility with respect to the transactions contemplated

It is solely Transferee's duty to evaluate and investigate any representations made by Transferor, and Transferor is solely responsible for the accuracy and completeness of such representations. Franchisor's only involvement in this transaction is to give its consent to the transfer of the right to use its intangible assets from one franchisee to another.

3. INDEMNITY

A. Claims of Transferee. Transferor shall indemnify and hold harmless Transferee and Franchisor against, and in respect of:

- i. Any and all damages, losses, liabilities, costs, and expenses incurred or suffered by Transferee that result from, relate to, or arise out of any (a) breach of warranty or any representation made by Transferor contained in this Agreement or (b) any acts or omissions of the Transferor related to any Acquired Customer that occurred prior to the Effective Date; or
- ii. Any and all actions, suits, claims, proceedings, investigations, demands, assessments, audits, fines, judgments, costs, and other expenses (including, without limitation, reasonable legal fees and expenses) incident to any of the foregoing.
