A Two Men and a Truck® franchise (a “**Franchised Business**”) provides moving services and related services including packing and the sale of boxes and packing materials. You may purchase a Metro Market Franchise or a Mod Market Franchise (as each are defined in Item 1).

The total investment necessary to begin operations of a Franchised Business ranges from \$165,700 to \$538,700 for a Metro Market Franchise and \$107,100 to \$270,000 for a Mod Market Franchise. This includes \$50,000 to \$165,500 for a Metro Market Franchise and \$30,000 to \$40,500 for a Mod Market Franchise that must be paid to the franchisor or its affiliates. This includes \$100,000 to ~~\$825,500~~\$825,000 that must be paid to the franchisor or its affiliates.

## Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement and area development agreement require you to resolve disputes with the franchisor by arbitration or litigation only in Georgia. Out-of-state arbitration or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to arbitrate or litigate with the franchisor in Georgia than in your own state.
2. **Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.
3. **Supplier Control.** You must purchase all or nearly all of the inventory or supplies that are necessary to operate your business from the franchisor, its affiliates, or suppliers that the franchisor designates, at prices the franchisor or they set. These prices may be higher than prices you could obtain elsewhere for the same or similar goods. This may reduce the anticipated profit of your franchise business.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

13. Additional Funds – 3 Months. This is an estimate of the expenses you will incur during the 3-month initial phase of operations. These expenses include royalty, Advertising Fund, and Technology and Support fee payments, insurance premiums, local advertising, additional supplies, rent, payroll costs, and vehicle lease or loan payments. ~~These are estimates, and we cannot guarantee that you will not have additional expenses starting your franchise.~~
14. Total Estimated Initial Investment. We have relied on our predecessor's experience in the business and the opening of a substantial number of franchises since 1989, as well as our experience since we began franchising in August 2021, to compile these estimates. ~~You should review these figures carefully with your accountant and/or business advisor before making a decision to enter into the Franchise Agreement.~~

We do not generally offer financing for your initial investment, although we may do so in our sole discretion. The availability and terms of any financing you obtain from us will depend on several factors such as the general availability of financing, your credit worthiness, collateral you may have, policies of lending institutions concerning this type of business, and similar considerations.

Except as may be noted, none of the payments to us are refundable. The refundability of payments to other parties are determined by your agreements with those parties.

The initial investment described in this Item relates to the development of a new franchise. If you are renewing your existing franchise, you will not incur most of the expenses referenced in this Item. However, you may be responsible for upgrading your franchise and any related expenses. You will not pay an initial franchise fee on renewal, but you will pay a renewal fee in the amount specified in your Franchise Agreement (currently 10% of the franchise fee charged to new franchisees at the time of renewal). If you are acquiring an existing franchise by transfer, in addition to the price you negotiate for the purchase of the franchise, you will be responsible for the transfer fee and you may be responsible for upgrading the franchise and any related expenses.

SM Manager may provide the training, support, marketing, and other services described in this Item 11 to you on our behalf and will have the authority to exercise many of our rights and perform many of our obligations under the Franchise Agreement, Area Development Agreement or other agreement with us. It is anticipated that SM Manager will delegate certain of these responsibilities to TMTI, the former franchisor of Franchised Businesses. Though we may delegate any of our rights and responsibilities to SM Manger, we remain ultimately responsible for all of the support and services required under our agreement or agreements with you.

### **Before Opening**

Before opening your franchise, we will:

1. If we enter into a Preliminary Approval Agreement with you, continue to analyze your qualifications for the granting or denying of final approval and promptly determine whether you qualify for final approval once you have submitted all documentation and information (Section 5 of Preliminary Approval Agreement).

2. Designate your Marketing Area in which you may operate your franchise (Section 1.1 of Franchise Agreement). If you enter into an Area Development Agreement with us, we will specify the Marketing Area for each franchise to be developed under the Area Development Agreement (Section 2.A. of Area Development Agreement). ~~Marketing Areas will be determined in accordance with our current standards, as described in Item 12.~~

3. Review for approval any location within your Marketing Area proposed by you (Section 1.1 of Franchise Agreement). We do not provide any assistance with conforming the premises to local

you incur liability in the proceeding. However, we intend to defend or prosecute actions as necessary to protect our Trademarks.

Your right to use our Trademarks is subject to any existing use of the same or similar mark in the area in which you operate your franchise. ~~As a result, you should check local listings to ensure that no conflicting use exists before you sign the Franchise Agreement.~~ We do not know of any superior prior rights or infringing uses that could materially affect your use of our Trademarks.

We can, in our sole and absolute discretion, change our Trademarks, but only in good faith and on a uniform basis for all similarly situated franchisees in a particular market. The Trademarks are of substantial importance in marketing the franchise system, and for that reason, we retain the sole and absolute right to retain or change our Trademarks. If we change our Trademarks, you must make those changes at your expense, and the Franchise Agreement provides you with no other rights or remedies related to the change.

An Area Developer does not acquire any rights to use any of our Trademarks or System by signing an Area Development Agreement. By signing an Area Development Agreement an Area Developer acquires only the right to develop a multiple number of Marketing Areas pursuant to a certain development schedule. Only after an Area Developer signs a Franchise Agreement for any given Marketing Area does the Area Developer acquire rights to use our Trademarks and System, and the rights to use them are defined by the terms of each Franchise Agreement an Area Developer (or its affiliate, if applicable) signs.

We do not own any patents that would be material to your Franchise Agreement. We do not have any pending patent applications that are material to your franchise.

We claim copyright protection of our Manuals and similar materials, although these materials are not registered with the United States Registrar of Copyrights.

We will provide you with access to information relating to the System that we considered to be our proprietary information, including, without limitation, (a) Manuals, training methods, operations methods, techniques, processes, policies, procedures, systems, and data; (b) specifications and information about products or services; (c) marketing techniques, knowledge and experience, and marketing and advertising programs used in developing and operating Franchised Businesses, including (without limitation) websites and social media; (d) all information regarding the identities and business transactions of customers and suppliers; (e) the Automation Systems, computer software, and similar technology that is developed by or for Franchisor or our agents, which is proprietary to Franchisor, including, without limitation, digital passwords and identifications and any source code of, and data, reports, and other printed materials generated by, the software or similar technology; (f) knowledge of the operating results and financial performance of other Units; (g) all knowledge, information, reports, data, source code, and documents you acquire or have access to pertaining to services provided by third-party vendors, if any, in connection with any agreements between third-party vendors and us; (h) oral or written communications from us to you relating to the development and operation of the Franchised Business; (i) names, contact information, financial information and other personal information of or relating to the Franchised Business's customers and prospective customers; and (j) other property that we describe as being confidential information or trade secrets of the franchise system.

Thus, the data included represents the financial performance of each Mod Market Franchise during the 12-month period preceding its anniversary date. For example, if a Mod Market Franchise reached its third anniversary of operation on February 1, 2023, the table includes such franchise's data from February 1, 2022 to January 31, 2023 in the "Year 2 of Operation" category. If another Mod Market Franchise reached its third anniversary of operation on December 31, 2023, the table includes such franchise's data from December 31, 2022 to December 30, 2023 in the "Year 2 of Operation" category.

Notes to Item 19:

1. **Some units have sold these amounts. Your individual results may differ. There is no assurance that you will sell as much.**
2. We calculated the figures in the tables in these financial performance representations using financial reports submitted by franchisees. We have not audited or independently verified these financial reports ~~nor have we asked questions of the submitting franchisees to determine whether they are in fact accurate and complete, although we have no information or other reason to believe that they are unreliable. No certified public accountant has audited these figures or expressed his or her opinion concerning their content or form.~~
3. Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request.
4. ~~We encourage you to consult with your own accounting, business, and legal advisors to assist you to prepare your budgets and projections, and to assess the likely or potential financial~~

performance of your franchise. We also encourage you to contact existing franchisees to discuss their experiences with the system and their franchise. Notwithstanding the information set forth in this financial performance representation, our existing franchisees are your best source of information about franchise operations.

Other than the preceding financial performance representation, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Pamela Batten, 3400 Belle Chase Way, Lansing, Michigan 48911-4251, 800-756-5656, the Federal Trade Commission, and the appropriate state regulatory agencies.

- (m) Except as termination is allowed by Section 5.5, Franchisee's and/or any of its affiliate's acts or omissions that discourage, prevent or otherwise retard or stop a prospective or existing franchisee of the System from obtaining a household goods moving authority or other license or authority generally possessed by persons in the household moving industry, including but not limited to, the filing of protests or petitions with any governmental authority objecting to a prospective or existing franchisee from obtaining such authority, cooperating or assisting another to undertake any acts or omissions to discourage, prevent or otherwise retard or stop a prospective or existing franchisee from obtaining a household moving authority;

- (o) Except as termination is allowed by Section 5.5, Franchisee's or its affiliate's intentional conduct to make any unauthorized use or disclosure of any part of the Operations Manual, or any other of Franchisor's confidential and/or proprietary information;
- (p) Except as termination is allowed by Section 5.5, Franchisee's or its affiliate's conduct of any kind that reflects materially and adversely on Franchisor's operation, Marks or System;
- (q) Except as termination is allowed by Section 5.5, the adjudication of bankruptcy of Franchisee, the insolvency of the Franchisee's business, appointment of a receiver or trustee to take charge of Franchisee's business by a Court of competent jurisdiction or the general assignment for the benefit of creditors of Franchisee;
- (r) Except as termination is allowed by Section 5.5, entry of a final judgment or the unappealed decision of a regulatory officer or agency which results in a temporary or permanent suspension of any permit or license, possession of which is a prerequisite to operation of Franchisee's business, or
- (s) Except as termination is allowed by Section 5.5, Franchisee's failure to satisfy any of its obligations under this Agreement that do not give Franchisor the right to terminate the Franchise Agreement under Section 5.6.

78. Release on Sale or Transfer of the Franchise. Section 7.2(f) of the Franchise Agreement is amended by adding the following:

Any release signed by Franchisee will exclude such claims as Franchisee may have under the Minnesota Franchises Law and the Rules and Regulations promulgated by the Commissioner of Commerce.

Specifically, Franchisor shall have the right to seek such relief to prevent Franchisee from engaging in the following acts, which would cause irreparable harm to Franchisor:

- (a) Misusing any of the rights licensed by this Agreement;
- (b) Engaging in competitive operations in violation of the in-term and/or post-term covenants set forth in Section 8.2;
- (c) Disclosing to another person or using in a competitive business, the trade secrets or confidential information of Franchisor;
