What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit F.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Maine. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Maine than in your own state.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

THE FRANCHISOR, AND ANY PARENT, PREDECESSORS, AND AFFILIATES

The Company

COFFEE NEWS USA, Inc. ("we" or "us") was incorporated in Maine on January 27, 1994, and maintains its principal business at 120 Linden St., Bangor, Maine 04401. We conduct business under our corporate name and the mark "Coffee News USA" only. Our agents for service of process are listed in Exhibit G.

The Franchise Offered

We sell to you the right to publish **Coffee News** (the "Periodical") in hard copy and/or online version ("Coffee News Online"), and to distribute the Periodical to restaurants and other local establishments and to distribute Coffee News Online within a specified geographic area which is your exclusive territory. "You" or "Publisher" represents the franchisee, or in the event of a corporation, limited partnership, or other entity, "you" represents the owners of the franchisee or the Publisher. You will generate revenue through sales of advertising space on weekly editions of the Periodical. Food-related businesses such as restaurants distribute **Coffee News** as a service to their clientele and do not pay or receive any fee for this service. There are no limits as to where you may sell advertising.

On July 3, 1995, we acquired and operated 4 franchises in the Greater Bangor, Maine area until October 1, 2003 when they were sold. On August 1, 2012, we reacquired the 4 franchises in the Greater Bangor Area in Maine and have added a 5th franchise for Waldo County, Maine. On June 1, 2017, we assumed control of five (5) franchises in Maine due to the sudden death of the franchisee. On October 1, 2019 the four (4) franchises in the Greater Bangor area in Maine, along with the one (1) Waldo County, Maine edition were sold bringing our company owned franchises to three (3). Since February 5, 1996, we have offered franchises for sale as a sub franchisor in the USA, Central America, and the Caribbean.

On January 4, 2021, we offered Coffee News Online, as a service from Chil Consulting in Ontario, Canada. On January 1, 2022, we offered a second Online service from Shadow Fox Consulting in Valdosta, GA. This enables you to offer an online version of Coffee News to readers within the service area of your print franchises. This service is mobile ready.

We do not operate any other line of businesses in this corporation.

The Periodical will compete for readership, display space, and advertising revenue with other print **and online** media. The publication is designed and intended for readership in restaurants, coffee shops, and other public places where patrons sit, wait, and eat. We know of no other periodical that has this specific focus.

You will compete for advertising revenue with all other media forms in the territory and there is no reason to believe you will be insulated in any way from the competition. The following strategies employed by us have been used extensively in Canada since 1988:

- 1) The Periodical is designed specifically for use anywhere people are sitting, waiting or eating and in high foot traffic locations or online.
- 2) Only one advertisement is suggested from each industry per edition.

- 3) Restaurants are not allowed to advertise except in seasonal editions during the high season, or in the online versions.
- 4) All advertisements are the same size and are arranged to ensure maximum readership. Some variations may apply in the online versions.
- 5) A new issue is published and distributed each week and placed in holders uniquely designed to display the Periodical or posted online.

In or around January of 2021, We entered into a service agreement with Chil Consulting, a Canadian corporation, to provide Coffee News Online related services enabling Coffee News franchisees to publish a digital version of the Coffee News Publication. On January 1, 2022, we entered into a similar type agreement with Shadow Fox Consulting. Coffee News® online will retain many of the same features as the hard copy format used worldwide, but with enhanced features, making Coffee News® more accessible to readers, offering greater marketing opportunities, and generating additional advertising revenue from existing advertisers as well as restaurants at a modest cost. To enroll in the Coffee News Online feature, there are currently two (2) options: Basic and Premium, as outlined in Section 4 of the Coffee News Franchise Agreement.

We have no parents. Neither we nor 2703203 Manitoba, Inc. have ever offered franchise in any other line of business. The \$500.00 shall be deducted from \$9,900.00 upon signing the initial franchise agreement. For this, you will receive weekly copy within 14 days of signing the agreement with additional copy mailed in 8-week increments (no later than 5 business days prior to the end of the following 8 week period) which effectively represents reimbursement for weekly copy during the initial 3 month period of the agreement. A fee of \$7,000.00 for each additional franchise is due at the time of signing the agreement for additional franchise(s). Upon our sole discretion, we may offer short term sales promotions to existing Publishers who wish to purchase additional franchise unit(s) from time to time. In the event that you notify us that you wish to revise the start date of business and postpone it by one month or more subsequent to your receipt of the initially executed franchise agreement, you need to pay for additional \$1,000.00 to us to obtain such extension and hold your proposed licensed area for such one or more months before you pay the full amount due under the agreement. All fees are non-refundable.

In addition to the above initial fees applicable to the hard copy Periodical, if you choose to add the Coffee News Online feature, a one-time enrollment fee to participate in the amount of \$100.00 shall be paid upon enrollment.

There are no other initial fees or payments required for services or goods before the date of the agreement. The date of the agreement is considered your date of opening your franchise business. Three months after your opening you will pay a required weekly for the continued receipt of copy or content for your periodical. The weekly fee is more fully explained in Item 6.

The weekly copy shall be used for the Periodical, hardcopy and/or online version, which contains the format and information to be included in all sections except the "What's Happening" section, which you shall provide. Weekly fees are not a part of the initial acquisition of your franchises as explained in Item 7. Weekly fees paid by you cover the cost of the copy or content we supply to you on an ongoing basis. ITEM 11

FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING **Except as disclosed below, we are not required to provide you with any assistance.**

Before you publish your first edition of **Coffee News**,

1) We will provide you upon your initial franchise fee payments an operations manual describing how to arrange the distribution of the Periodical within your geographic area, how to sell advertising, how advertising in the Periodical operates, how to design such advertisements,

⁸ A sample Promissory Note is attached to Coffee News License Agreement as Schedule B.

how to determine the suggested pricing of advertising, and how to determine coverage areas as well as including sample filler advertisements, office supply samples of insertion orders, business cards, envelopes, and monthly sales envelopes for your use in producing your own supplies of such materials (Franchise Agreement Section 7.1). Responsibility for the sale of advertisements rests solely with you.

2) Prior to purchasing any territories and to signing an agreement with us and to paying the Initial franchise fees, you and we will agree on the boundaries of your exclusive distribution territory that will optimally have a population of 25,000 to 50,000 total and 25 to 40 active restaurants (Franchise Agreement Section 1.1). Since no territory may overlap another, we will research the territory that you wish to service to determine if all or part of it is currently serviced by us or any of our franchises. We usually approve an area where you wish to publish if it does not overlap another where an existing publisher operates. We will also research population and commerce figures to determine the number of people and the number of restaurants that are contained within the proposed territory. This population/restaurant guideline is based on discussions with existing franchises in the U.S. and Canada and considers information from our 5 company-owned franchises. Upon signing the franchise agreement, you will have exclusive rights to distribute your editions of **Coffee News** within the agreed territory. It is important to note that you may solicit and accept advertisements from any source inside or outside your territory since the agreement limits only your distribution rights.

We will not sign an agreement with you or require the payment of the Initial fees until we have agreed on the specific territories you wish to purchase.

When you request the areas where you wish to publish, we will determine the number of franchises that the area would represent based on the guidelines in Item 11.2 and Item 12. There is no time limit for an acceptance since all site locations are resolved before you sign an agreement with us.

3) We shall disclose to you the unique marketing and sales techniques employed in the design and format of the Periodical, described in detail in the operations manual (Franchise Agreement Section 7.2).

4) The design of the periodical stand is disclosed in the operations manual. The current suggested stand for Coffee News can be purchased for \$4.50 each plus shipping from Coffee News USA or its preferred vendor (Franchise Agreement Section 7.3). If you opt to purchase stands elsewhere, we will provide labels for each stand at a nominal charge.

After you publish your first edition of **Coffee News**,

- 1) We shall provide you support services as deemed reasonable and advisable by us (Franchise Agreement Section 7.4).

You are not required to purchase a computer or any associated systems from us or any other vendor. We do not have any advertising council composed of publishers. You are not required to participate in a local or regional advertising cooperative.

Marketing materials

In addition to the marketing materials we provide, you may create any additional marketing materials you deem important or necessary to launching or maintaining market awareness to

grow your business. The franchisees normally adopt the marketing formats that We provide as examples and there is no requirement for approval of franchisee generated marketing materials.

Startup Time Period

Once the agreement is signed, you will spend approximately 4-6 weeks preparing to publish your first edition of **Coffee News**. Your timing is affected by the rate of sales of advertisements, the state of preparations with printers, and your selection of restaurants as distribution locations. We shall provide you with 8 weekly editions of copy within 14 calendar days of signing the agreement. Future editions may be accessed from a passcode protected Coffee News Resource Center. (Franchise Agreement Section 4.2).

TRAINING PROGRAM

We have no obligations to provide any training classes before or after you begin publishing or to set up an advertising program or fund. You are not required to participate in any other advertising fund.

Our training program is available through virtual means and in person. In person training is optional and not mandatory. All signatories, usually the business owners and/or the principal officers of the entity, to the agreement are required to complete the training program to our satisfactory. All costs including without limitation mentoring and startup services are covered by the one – time training fee of \$2,900.00, which is included in and will be deducted from the \$9,900.00 initial franchise fees. Said onetime fee only applies to new publishers coming into our system. We provide all new publishers with the access to the entire virtual training materials including Zoom training program and PPT presentation upon signing the franchise agreement.

We also offer a an optional three-day Coffee News College every 8-13 weeks for all North American publishers/franchisees. Travel expenses are not included.

The 3-day classroom style program utilizes both veteran publishers and corporate staff to provide a combination of lectures and hands on involvement. There is time allowed for networking between you and veteran publishers during this period.

The training is at no additional cost to you except for your own travel expenses to and from the training program. We pay for your meals and lodging while at the initial training program. The training is normally offered in Bangor, Maine every 8-13 weeks and at other random locations around North America one (1) additional occasion depending on the volume of new publishers. The topics covered in the 3-day training program include but are not limited to sales, ad design, billing, collections, distribution, marketing, and startup.

In the previous 12-month period, approximately 100% of all new publishers attended the training program. During the pandemic in 2020 through 2022, the same material offered in our in-residence trading program was offered to all on ZOOM communications sessions. There are no other additional training programs we offer. All existing publishers may attend future initial training programs voluntarily at their own expense.

ITEM 12

TERRITORY

The exclusive territory of each franchise is based on the 2010 census data (www.census.gov) for resident population within the selected area. Generally, each franchise territory should have a population of 25,000 - 50,000 and we are flexible on how many franchise territories may be available in any geographic area. You do not have the right of first refusal or similar rights to acquire additional outlets. The operations manual provides a chart for your use in determining the number of franchises that may be available within any geographic area under consideration by you. We will review and approve your proposed territory in a timely manner.

At the signing of the franchise agreement, we will grant you exclusive rights to distribute your publication of **Coffee News** within the agreed boundaries. Your exclusive territory is a specific geographic area where you may distribute the Periodical. Although you are allowed to distribute **Coffee News** only within this territory, you may solicit and accept advertisements from sources both inside and outside your territory. You may solicit advertising clients both from within your territory and outside your territory by any means that you deem appropriate. We place no restriction on outside territory solicitation. We do suggest, however, as a matter of courtesy and to maintain harmonious relations with mutual clients and fellow publishers, that you communicate with your neighboring publisher before you enter such a publisher's territory to solicit and/or sell advertising. You may acquire additional franchise territories by proposing territories to us and we will research and tailor the boundaries of the proposed territory.

Coffee News Online may be accessed by readers outside the Territory. However, the Franchisee's publication of Coffee News Online shall be restricted to his/her/its licensed Territory and no publication shall be made to serve communities beyond the Territory. Franchisor shall provide a drop down of the area served by Franchisee's online version through Franchisor's website.

We will not establish or allow another publisher to establish distribution locations within your territory but all franchises are allowed to solicit and accept advertisements from within and outside their respective territory. We do not conduct business using another mark in your territory. We do not do any business solicitation in your exclusive territories in competition with you either directly or indirectly through the internet or by any other means. We do not reserve the right to use alternative distribution, including the internet, within your territory, under our principal trademarks or different trademarks.

There is no minimum advertising sales quota. You maintain the exclusive rights to your area even if the population should increase.

There exists no obligation on the part of the franchisor to provide promotional support for your franchise(s) since advertisements in **Coffee News** are sold by direct solicitation.

In the event that you decide to relocate to any other part of the country, we encourage you to sell your franchises as an ongoing business to a third party to maximize your return on your investment.

16. INTERPRETATION.

16.1 Amendments. This Agreement constitutes the entire agreement between the parties and may not be changed except with a written document signed by both parties with the exception of the amendments. Nevertheless, nothing in this Agreement or in any related agreement is intended to disclaim the representations that Franchisor has made in the franchise disclosure document.

16.2 Choice of Law and Consent To Jurisdiction. This Agreement shall be governed by the laws of the State of Maine. Franchisor and Franchisee agree that any legal or equitable action for claims, debts or obligations arising out of, or to enforce the terms of, this Agreement may be brought by either party in the United States District Court for the District of Maine, or in any courts of the State of Maine, and that such court shall have personal jurisdiction over the parties and the venue of the action shall be appropriate in such court.

16.3 Construction of Language. The language of this Agreement shall be construed according to its fair meaning and not strictly for or against either party. All words in this Agreement refer to whatever number or gender the context requires; if more than one party or person is referred to as Franchisee, their obligations and liabilities shall be joint and several. Headings are for reference purposes only and do not control interpretation. All the terms and words used in this Agreement, regardless of the number or gender in which they are used, shall be deemed and construed to include any other number (singular or plural) or any other gender as the context or sense of this Agreement, or any section or clause hereof, may require.

16.4 Successors. References to Franchisor or Franchisee include such successors, assigns, or transferees as are permitted in accordance herewith.

If any provision of this Agreement is deemed invalid or inoperative for any reason, that part shall be deemed modified to the extent necessary to make it valid and operative, or if it cannot be so modified, then severed, and the remainder of the Agreement shall continue in full force or effect as if the Agreement had been signed with the invalid portion so modified or eliminated.

16.6 Exhibits and Schedules. All exhibits and schedules attached hereto are incorporated by reference in the appropriate paragraph and form a part of the Agreement.

16.7 Enforceability. The parties to this Agreement understand and agree that, if any portion of the restrictive covenants set forth in this Agreement is held to be unreasonable, arbitrary, or against public policy, then that portion of those covenants shall be considered divisible as to time and region. The parties to this Agreement agree that if any court or competent jurisdiction determines that the specified time period or the specified region of application of any covenant is unreasonable, arbitrary, or against public policy, then a lesser time period, geographical area or both, that is determined to be reasonable, non-arbitrary, and not against public policy, may be enforced against the parties hereto. The parties to this Agreement agree and acknowledge that they are familiar with the present and proposed operations of "Coffee News" Franchises and believe that the restrictive covenants in this Agreement are reasonable with respect to their subject matter, duration, and geographical application. Notwithstanding that the parties agree that any court of competent jurisdiction may modify the time period or specify geographical area of applicability in this agreement, the parties do not intend that a court be able to modify the payment terms set forth herein.

16.8 Arbitration. Except for obtaining injunctive relief by either party against actual or threatened conduct that would cause irreparable harm to that party, all controversies, disputes or claims arising under this Agreement between Franchisor and Franchisee shall be submitted for arbitration to the Office of the American Arbitration Association nearest to Franchisor on demand of either Franchisor or Franchisee. Such arbitration proceedings shall be conducted in Bangor, Maine. Except as otherwise provided in this Agreement, such claims shall be heard by one arbitrator in accordance with the then Current Commercial Arbitration Rules of the American Arbitration Association. The administrative cost of the arbitration, including the cost of the arbitrator, shall be borne equally by the parties. Each party shall be responsible for the payment of its own attorneys' fees and expenses. At Franchisor's request, the arbitrator shall require Franchisee to produce all books and records of the Franchisee's business for Franchisor's examination and use as evidence in the arbitration. The arbitrator shall have the authority to award all relief at law or equity but shall not have the authority to award exemplary or punitive damages. The award and decision of the arbitrator shall be conclusive and binding upon the parties and judgment upon the award may be entered in any court of competent jurisdiction identified in paragraph 16.2 above, including an order pursuant to an opinion of the arbitrator for specific performance of any of the requirements of this Agreement. Franchisor and Franchisee agree that any contest of such award shall be in the courts specified in Paragraph 16.2 above. The arbitrator shall not add, delete, modify or amend any of the terms of this Agreement. This Agreement to arbitrate shall continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement. During the period of any dispute or arbitration, the terms of this Agreement will remain in full force and effect on all parties, including the payment of all fees due in accordance with Schedule A and including the use of the trademark by the Franchisee.

16.9 Force Majeure: Neither party shall be held liable or responsible to the other party nor be deemed to have defaulted under or breached this Agreement for failure or delay in fulfilling or performing any term of this Agreement to the extent, and for so long

as, such failure or delay is caused by or results from causes beyond the reasonable control of the affected party including but not limited to wild fire, hurricanes, novel pandemic, quarantine, war, acts of God, provided however, in the event of a novel pandemic during the term of the Agreement, the franchisees shall exercise commercially reasonable efforts to continue the franchised business operation; and when partial payment is agreed by the parties during the novel pandemic, the resumption of full fee payment shall be at the discretion of the franchisor in a reasonable manner. The undersigned further agrees that the undersigned's liability under this Guaranty shall be primary, and that in any right of action which shall accrue to Holder under said Schedule B / C, Holder may, at Holder's option, proceed against the undersigned and Debtor, jointly and severally, and may proceed against any or all of the undersigned without having commenced any action against or having obtained any judgment against Debtor. In addition to any other remedies Holder may have against the undersigned and the obligations of the undersigned to Holder, the undersigned shall reimburse Holder for all costs and liabilities incurred by Holder in connection with the enforcement of this Guaranty of the Schedule B / C or a default under either including, without limitation, all costs of collection and reasonable attorney's fees. No party liable under this Guaranty shall be entitled to rights of subrogation against any party or interest in the Schedule B / C before the full performance and observance of all covenants, conditions and agreements of the Schedule B / C.

It is agreed that the failure of Holder to insist in any one or more instances upon a strict performance or observance of any of the terms, provisions or covenants of the Schedule B / C or to exercise any right therein contained shall not be construed or deemed to be a waiver or relinquishment for any subsequent performance or observance of such term, provision, covenant or right, but the same shall continue and remain in full force and effect. Receipt by Holder of payment with knowledge of the breach of any provision of the Schedule B / C and the Promissory Note contained therein shall not be deemed a

waiver of such breach.

No assignment or other transfer of the Schedule B / C or any interest therein shall operate to extinguish or diminish the liability of the undersigned guarantor(s) under this Guaranty. Wherever reference is made to the liability of Debtor named in the Schedule B, such reference shall be deemed likewise to refer to the undersigned guarantor(s).

It is further agreed that all of the terms and provisions hereof shall inure to the benefit of the respective successors and assigns of Holder, and shall be binding upon the respective heirs, executors, administrators and assigns of the undersigned.

If any provision of the Schedule B / C and/or Exhibit A to Schedule B / C is held to be invalid by a court of competent jurisdiction, then the remaining provisions shall nevertheless remain in full force and effect.

Everybody's Talking

Lip balm: Two young sisters from Hong Kong have a unique collection. When they were toddlers, Scarlett Ashley Cheng and Kaylyn Cheng began accumulating lip balms of all shapes, sizes, and flavours. They now own 3,388 different balms from all over the world and from numerous makers. Their interest in lip balms began when the girls were suffering with dry lips and their parents and grandmother would apply balms. At first, they used unflavoured ones, but soon the sisters discovered the large variety of lip moisteners available on the market. Friends and relatives started giving them lip balms as gifts, and soon they needed several shelves to hold them all.

Iguana tale: When taking a dog out for a walk in England, the last thing anyone expects to find is an iguana sitting on a fence. That happened near the town of Morpeth, Northumberland, when a dog walker noticed the lizard, which is definitely not native to the country. An animal rescue organization took the creature into its care. The iguana's owner may not have known how to take care of this "pet," and so they left it with a box of vegetables, hoping someone would find it and take it to safety. The animal rescue group wants to locate the owner in case other exotic pets are still in that person's care.

Cycle power: Kenneth Judd may be nearly 100, but he loves to cycle. He loves it so much, in fact, that he trained for and won second place in the Road Worlds for Seniors competition by cycling 3,779 kilometres (2,348 mi.) over 26 days. He did it all on an innovative exercise bike at his senior care home in Southam, Warwickshire, England. The annual event encourages elderly people around the world to ride specialized stationary bikes made by a Norwegian firm. A monitor linked to the bike shows customized road scenes. Judd could view Yorkshire, where he grew up. The novel idea allows older folks to get exercise, both physical and mental.

Traveling pooch: Boji the dog may occasionally sleep at the Istanbul Metropolitan Municipality animal shelter, but this Turkish canine likes to go his own way most of the time. He does so by riding around on public transit, whether that is bus, subway, or ferry. Officials know where Boji goes because they track him with a microchip, and they have discovered that this traveling animal gets on and off at various stops along his commute. Human riders have become quite accustomed to seeing Boji patiently waiting to board or curled up on a seat. Boji is a calm and friendly Sivas Kangal-Shepherd crossbreed, and he receives care and grooming at the shelter.

INDEPENDENT AUDITOR'S REPORT

The Boards of Directors
Coffee News USA, Inc.

Opinion

We have audited the accompanying financial statements of Coffee News USA, Inc. (a Maine corporation), which comprise the balance sheets as of December 31, 2023, 2022 and 2021, and the related statements of income and retained earnings, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Coffee News USA, Inc. as of December 31, 2023, 2022 and 2021, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Coffee News USA, Inc., and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Coffee News USA, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Coffee News USA, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Coffee News USA, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Notes to Financial Statements

December 31, 2023, 2022 and 2021

1. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements include the activities of Coffee News USA, Inc.

Nature of businesses

Coffee News USA, Inc. (the Company) owns the franchise rights for Coffee News, a weekly restaurant publication, for the United States, Mexico, Central America and the Caribbean. Revenues are generated from the sale of franchises, promotional material, the collection of weekly royalty fees and transfer fees, and the operation of a training school for all new publishers in North America, including Canada. Receivables arise from the sale of franchises and collection of franchise fees.

Cash

For purposes of the statement of cash flows, the Company considers all short-term debt securities purchased with a maturity of three months or less to be cash equivalents.

Accounts receivable

Accounts receivable consist of amounts due for the sale of franchises and monthly royalties. The sale of franchises and the collection of royalties are due and payable in advance. The franchisee agreement provides for a 60 day grace period for franchise fees before the rights are lost. Franchises are either returned to the franchisor, sold or transferred by the franchisee, and any outstanding accounts receivable subsequently paid.

Accounts receivable over 90 days old totaled \$131,366 in 2023, \$112,351 in 2022 and \$124,338 in 2021.

Management believes the system of work outs and collection minimizes losses due to bad debts. Bad debts are accounted for using the reserve method. Management believes the reserve is adequate to cover any uncollectible accounts at year end.

Management Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Repurchased Licenses

The Company occasionally repurchases franchise rights from sub-franchisors who have not made significant progress in developing the areas or who choose to focus on other countries. Repurchased franchise rights are recorded at cost when repurchased and are expensed as licenses when sold.

Furniture and Equipment

Furniture and equipment are depreciated by straight-line and accelerated methods over the asset's estimated useful lives. The Company capitalizes equipment with an estimated useful life greater than one year.

Revenue Recognition

Revenue from the collection of royalty payments, training fees, and product promotional sales are recognized monthly since they are earned at a point in time. Revenues from the sale of franchises are recognized over the term of the initial franchise agreement, generally four years. The Company provides franchisees with the weekly content and other support in accordance with the franchise agreement.

Advertising Costs

Advertising costs of \$29,523, \$38,230, and \$46,470 for years ended 2023, 2022 and 2021 are charged to expense as they are incurred.

Notes to Financial Statements

December 31, 2023, 2022 and 2021

1. Summary of Significant Accounting Policies

Investments

Investments are stated at fair value based on the last reported sales price on the last business day of the fiscal year.

Income Taxes

Coffee News USA, Inc. is an S corporation under provisions of the United States Internal Revenue Code. As such, its income for federal income tax purposes is taxed at the shareholder level, and no income taxes are provided for the Company. Federal and state returns for 2023, 2022, and 2021 are subject to examination by the IRS, generally for three years after they were filed.

2. Revenue and Deferred Franchise Revenues

Disaggregation of revenue from contracts with customers

The following table disaggregates the Company's revenue based on the timing of satisfaction of performance obligations for the years ended December 31:

	<u>2023</u>	<u>2022</u>	<u>2021</u>
Performance obligations satisfied at a point in time	\$ 395,979	\$ 379,788	\$ 295,061
Performance obligations satisfied over time	<u>53,300</u>	<u>88,187</u>	<u>117,859</u>
Total revenues	<u>\$ 449,279</u>	<u>\$ 467,975</u>	<u>\$ 412,920</u>

Revenue from performance obligations satisfied at a point in time consist of monthly royalty fees, local advertising sales, promotional product sales, and seminar fees.

Revenue from performance obligations satisfied over time consist of initial franchise sale contracts, all of which have four year terms.

Performance obligations

For performance obligations related to monthly royalty fees, local advertising sales, promotional product sales, and seminar fees, control transfers to the franchisee at a point in time. Accordingly, these revenues are recognized monthly.

For performance obligations satisfied over time, control transfers to the franchisee over the term of the franchise agreement, generally four years. As a result, franchise sales revenue is recognized on the straight line basis over the term of the contracts. The Company's franchise sales agreements do not contain variable consideration and contract modifications are generally minimal.

Sales of franchise income are as follows:

<u>Contract year</u>	<u>2023</u>	<u>2022</u>	<u>2021</u>

Lease expense on such leases is recognized on a straight-line basis over the lease term. The Company has elected the practical expedient to not separate lease and non-lease components and classifies the contract as a lease if consideration in the contract allocated to the lease component is greater than the consideration allocated to any non-lease agreement. The Company has no operating leases with initial terms greater than 12 months. The Company leases certain equipment on a month-to-month basis. 5. Risk and Uncertainties

The Company sells franchises for the publication of the Coffee News publication worldwide. Future revenue growth will result from maintaining and expanding franchise sales and will be determined by the success of the franchise development staff and continued positive economic conditions worldwide.

Coffee News USA maintains substantially all its operating cash balances in two financial institutions that, at times, may exceed federally insured limits. It has not experienced any losses in such accounts. Management believes it is not exposed to any significant risk with respect to these accounts. MINNESOTA ADDENDUM

Notwithstanding any provisions of the Coffee News Disclosure Document or Coffee News Franchise Agreement, or any other agreements between the parties, the below Rules and Laws of Minnesota would prevail if they conflict with the Coffee News Disclosure Document or Coffee News Franchise Agreement:

1. Minn. Stat. S80C.21 and Minn. Rule 2860.4400J prohibit us from requiring litigation to be conducted outside Minnesota. In addition, nothing in the offering circular or agreement can abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80 C, or your rights to any procedure, forum, or remedies provided for by the laws or the jurisdiction.
2. With respect to franchises governed by Minnesota law, the franchisor will comply with Minn. Stat. Sec. 80C.14, Subds. 3, 4 and 5 which require, except in certain specified cases, that a franchisee be given 90 days notice of termination (with 60 days to cure) and 180 days notice for non-renewal of the franchise agreement.
3. Coffee News will protect the franchisee's right to use the trademarks, service marks, trade names, logotypes or other commercial symbols and/or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name.
4. Minn. Rule Part 2860.4400J prohibits a franchisee from waiving his rights to a jury trial or waiving his rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction, or consenting to liquidated damages, termination penalties or judgment notes.
5. Minn. Rule 2860.4400D prohibits requiring a franchisee to assent to a general release for any claims under the Minnesota Franchise Law.
6. Any Limitation of Claims contained in the Franchise Agreement is subject to and must comply with Minn. Stat. S80C.17, Subd.5.
7. Please note that this Minnesota Addendum amends both Coffee News Disclosure Document and Coffee News Franchise Agreement.
