What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit E.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement and the area development agreement require you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Florida. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Florida than in your own state.
2. **Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise and loss of your investment.
3. **Supplier Control.** You must purchase all or nearly all of the inventory or supplies that are necessary to operate the business from the franchisor, its affiliates, or suppliers that the franchisor designates, at prices the franchisor or they set. These prices may be higher than prices you could obtain elsewhere for the same or similar goods. This may reduce the anticipated profit of your franchise business.
4. **Financial Condition.** The Franchisor's financial condition as reflected in its financial statements (see Item 21) calls into question the Franchisor's financial ability to provide services and support to you.
5. **Mandatory Minimum Payments.** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**NOTICE REQUIRED
BY
STATE OF MICHIGAN**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

THE MICHIGAN NOTICE APPLIES ONLY TO FRANCHISEES WHO ARE RESIDENTS OF MICHIGAN OR LOCATE THEIR FRANCHISES IN MICHIGAN.

(f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

You will sign a Franchise Agreement in the form attached as Exhibit B (the “Franchise Agreement”).

In addition to our standard franchise opportunities, we offer 2 types of conversion franchise opportunities to existing active landscape businesses. A conversion franchise is offered to those with businesses with gross billings of more than \$250,000 per year; a small conversion franchise is offered to those that produce at least \$125,000 but less than \$250,000 of gross billings per year. For each Conversion Franchise, the franchisee will sign the Franchise Agreement and the Conversion Addendum attached as Schedule B to the Franchise Agreement. In Items 5 and 6 we describe modifications to the initial franchise fee, royalty fee and marketing contributions for conversion franchisees. In Item 6 we also describe an adjusted royalty fee schedule as part of renewals or transfers for franchisees that entered into a Franchise Agreement prior to April 18, 2018. Such franchisees can renew or transfer their existing agreement under the terms of the Franchise Agreement attached as Exhibit B and the appropriate Addendum included as part of Exhibit B. Except for the adjusted royalty fee set forth in the appropriate Addendum, conversion franchisees or franchisees renewing, transferring or entering into a new agreement for a new territory will sign the Franchise Agreement attached as Exhibit B.

In addition, we offer to select, qualified existing franchisees that meet our then-current standards and qualifications, the opportunity to acquire the right to develop U.S. LAWNS Landscape Businesses in multiple Territories under an Area Development Agreement attached as Exhibit C (“Area Development Agreement”). If you are considering entering into your first Franchise Agreement with us, you are not eligible to enter into an Area Development Agreement at this time, although you may qualify under limited circumstances for a one-year option right for one additional franchise in an adjacent territory (Additional Territory Option Agreement attached as Schedule J to the Franchise Agreement).

If you are an existing franchisee and you sign an Area Development Agreement, you will receive the right to open a certain number of U.S. LAWNS Landscape Businesses in defined Territories over a defined period of time, as we determine, on the basis of the market potential and the size of the Territories. You must sign our then-current form of Franchise Agreement for each U.S. LAWNS Landscape Business you develop under the Area Development Agreement, which may contain terms different from the terms including in the current form Franchise Agreement attached as Exhibit B.

If you qualify, we may offer you an option to develop an additional U.S. LAWNS Landscape Business by entering into an Additional Territory Option Agreement, which is attached to the Franchise Agreement as Schedule J. This Additional Territory Option Agreement gives you a one-year option period to sign a Franchise Agreement for an adjacent territory.

[The Market for the Services](#)

The general market for providing landscape maintenance services is very competitive and widespread and includes national and regional competitors as well as local owner-operated firms and in-house operations.

[Industry-Specific Regulations](#)

U.S. LAWNS franchises are regulated by federal, state and local laws regarding pesticide usage and storage (including the Federal Insecticide, Fungicide and Rodenticide Act), the Occupational Safety and

Health Act, and various state and local licensing requirements for contractors. You must operate your franchise in compliance with all of these laws as well other local, state and federal laws applicable that apply to businesses generally, and we urge you to make further inquiries about these laws. It is your sole responsibility to obtain and keep in force all necessary licenses and permits required by public authorities.

If you are an honorably discharged veteran your initial franchise fee is ~~\$2944,000~~, and we may finance 80% of this fee. You must pay an initial franchise fee of ~~\$2439,000~~ for a Conversion Franchise. We may finance up to 80% of this fee. The initial franchise fee is fully earned upon receipt and is not refundable. If you are an existing franchisee and you are approved as a purchaser of an additional franchise, you pay a lump sum initial franchise fee equal to 50% of the then-current initial franchise fee (meaning 50% of ~~\$3449,000~~, or ~~\$17,000~~24,500) when you sign the Franchise Agreement.

~~Additionally, you must pay us an Initial Prospecting Fee prior to opening your U.S. LAWNS Landscape Business. This fee ranges between \$10,000 and \$15,000, depending on the promotional activities we utilize and is spent by us to promote your business to commercial property owners, managers and decision makers in your Territory.~~

If you are an existing franchisee, we may offer you the opportunity to develop between one and three U.S. LAWNS Landscape Businesses within designated Territories under an Area Development Agreement if you meet our then-current qualifications. If you sign an Area Development Agreement, the "Development Fee" is an amount equal to fifty percent (50%) of the current Initial Franchise Fee for existing franchisees for each Territory/U.S. LAWNS Business to be developed under the Area Development Agreement (meaning 50% of ~~\$17,000~~24,500 or ~~\$8,500~~12,250 per Territory to be developed), up to a

maximum of three Territories to be developed. The part of the Initial Franchise Fee that is included in the Development Fee is credited against the then-current Initial Franchise Fee for existing owners as outlined in the then-current Franchise Agreement, payable upon the signing of each individual Franchise Agreement. Under the terms of the Area Development Agreement, you must develop and operate a certain number of U.S. LAWNS Landscape Businesses and will sign a separate Franchise Agreement with us for each Territory/U.S. LAWNS Landscape Business. ¹ For a Standard Franchise, up to 70% of this fee may be financed by us. For Conversion Franchises, or for a Franchisee who is an honorably discharged veteran, 80% of the fee may be financed by us. See Item 10. The initial franchise fee is not payable if you are renewing an existing Franchise Agreement. If you are purchasing a Conversion Franchise the initial franchise fee is reduced to \$2439,000. If you are purchasing a Small Conversion Franchise the initial franchise fee is reduced to \$2944,000. All initial franchise fees are non-refundable.

² If you qualify and execute an Additional Territory Option Agreement you will pay a lump sum \$5,000 option fee for the right to develop an additional U.S. Lawns Landscape Business in a territory adjacent to your current territory for a 12-month period (see Item 12). Promotion may include, but is not limited to, a mix of telephone prospecting, email nurturing, digital media campaigns and/or public relation activities, behalf in its sole discretion.](#) You may spend additional amounts on other ~~promotional activities~~ [pre-opening advertising](#) that are arranged or approved by us.

- 4 The expenses to attend training are for travel, lodging, meals, and incidental expenses incurred by you and your designees who attend training (estimated total is for 2 or 3 people for 5 days). There is no fee for the initial training.
- 5 You will need an office and shop/storage area for your U.S. LAWNS business. Some existing businesses (conversion franchises) choose to operate out of their current facilities therefore incur no additional cost for real estate. If this is not an option, you should budget \$500 to \$1,000 per month to rent a facility. The amount listed in the above chart assumes a security deposit and 3 months' rent. These are only estimates. You will need about 100 to 150 square feet of office and 200 square feet of shop/storage area. The amount of rent will vary depending upon the size, location and condition of the space as well as regional variations in rental values. Included in the estimate are the first and last month's rent and a deposit in an equal amount that you may be required to pay prior to occupying the space. This amount also includes business and occupational licenses. These expenses are variable depending on the size of the contract sold and the type and size of equipment required. If you obtain a contract for a large property, you may need additional equipment, supplies, and labor.
- 6 You are required to have a service vehicle(s) to operate your Business. This includes a pick-up truck, trailer, and any vehicles used by you to make sales calls on, and provide services to, customers and prospective customers of the Business, which service vehicle(s) must conform to our standards and specifications. An existing vehicle may be converted to use in the business if it conforms to our standards. The estimated cost for the vehicle is based on the lease of a ¾ ton pickup truck, an eighteen foot enclosed trailer and any additional customization, such as graphics or snow plowing equipment necessary to begin operating the business. The estimated expenses include the first and last month's lease payments and lease payments for the initial three month operating period. This amount includes the cost of a 10% security deposit and 3 monthly payments on a fully capitalized 4-year lease of a used service vehicle and trailer valued at \$39,000. (At 8% interest, the monthly payments on \$35,100 would be \$856.89 per month.) These numbers will vary based on your creditworthiness, whether the vehicle is new or used, term of the lease, down payment; options installed, and market conditions.
- 7 You will need landscape industry equipment such as mowers, string trimmers, edgers, and blowers to operate your Business. This equipment can be purchased outright, financed, or leased from third parties. In the event you have an existing business (conversion franchises) and your equipment meets our standards, you will not incur any additional cost for equipment. The estimated initial investment is based on the lease cost for this equipment over a three month period for the low range and the outright purchase of the equipment for the high range. The amount includes one month security deposit and 3 monthly payments on a fully capitalized 4-year lease at 8% interest for a commercial quality mower, string trimmer, edger, and blower, at a total value of \$12,000.
- 8 You must have a computer system, office supplies and equipment such as a desk, chair, file cabinet, maps, shelves, and miscellaneous tools and equipment, including uniforms. This expense item includes the cost of the current version of QuickBooks which costs between \$215 and \$400 annually, the annual \$250-\$450 CRM fee paid to us, and any initial subscription expenses to the U.S. LAWNS intranet web site, all of which are required.
- 9 These are operating expenses, excluding your salary, required to be paid to third parties during the three month initial operating period. This includes insurance, telephone and communication expenses, utilities, fuel, and marketing/ advertising expenses. This table estimates your initial start-up expenses. If you are buying a Conversion Franchise, you must make purchases of any equipment and tools that you do not already have, within 90 days of signing the Agreement. If you are purchasing a new franchise, signage for one pick-up truck is provided by us at no cost to you. These figures are estimates based on our 37 years of experience in the landscape maintenance and franchise business.

YOUR ESTIMATED INITIAL INVESTMENT – Area Development Agreement

FEES	AMOUNT	METHOD OF PAYMENT	WHEN DUE	TO WHOM PAYMENT IS TO BE MADE
Development Fee	\$8,500 <u>12,250</u> to \$25,500 <u>36,750</u> (Note 1)	Lump sum (Note 1)	At signing of Area Development Agreement	Us
Initial Franchise Fees	\$0 to \$40,500 (Note 2)	Lump sum (Note 2)	At signing of each Franchise Agreement	Us
Training Expenses (Travel, Lodging, Meals, Incidentals)	\$2,000 to \$4,000 (Note 3)	As arranged	As incurred	Hotels, Airlines, Restaurants
Additional Funds (Three Months)	\$1,000 to \$2,000 (Note 4)	As incurred	As incurred	Us and Third Parties, as applicable
Total Estimated Initial Investment	\$11,500 <u>15,250</u> to \$72,000 <u>83,250</u>			

¹ The amount of the Development Fee will depend on the number of Territories you agree to develop under the Development Schedule set forth in the Area Development Agreement. We expect that most franchisees who sign an Area Development Agreement will develop 1 to 3 U.S. LAWNS Landscape Businesses and pay us a Development Fee of ~~\$8,500~~\$12,500 to ~~\$25,500~~\$36,750. We do not offer separate financing for the Development Fee.

² The part of the Initial Franchise Fee that is included in the Development Fee is credited against the then-current Initial Franchise Fee for existing owners as outlined in the then-current Franchise Agreement, payable upon the signing of each individual Franchise Agreement. We may not require you to sign Franchise Agreement for the first Territory/U.S. Lawns Landscape Business to be developed at the same time you sign an Area Development Agreement, but if you do sign a Franchise Agreement (or multiple Franchise Agreements) at the same time as the Area Development Agreement, you will pay the Development Fee, the Initial Prospecting Fee and the remaining balance of the Initial Franchise Fee owed for each Franchise Agreement at the same time.

³ Only existing franchisees are eligible to enter into an Area Development Agreement. Generally, an existing franchisee will not require additional training when entering into an Area Development Agreement; however, if you have hired a new manager who will be involved in the operation of a new U.S. LAWNS Landscape Business, you will incur costs to send this person to training with us. The expenses listed above to attend training are for travel, lodging, meals, and incidental expenses incurred by you and your designees who attend training, for 5 days. There is no fee for the initial training.

⁴ This amount is included for budgeting purposes only to account for unanticipated expenses. This amount includes estimates for fees as you prepare to open a U.S. LAWNS Landscape Business in accordance with the Development Schedule. The estimate includes fees for insurance, business entity organization expenses, other prepaid expenses, accounting and professional fees, and other operation expenses during the three month initial operating period. These figures do not include any taxes that you may pay. You should check with your local and state governmental agencies for any taxes that may be assessed. These figures are estimates only. These figures are estimates based on our 37 years of experience in the landscape maintenance and franchise business. In addition to the estimated cost to enter into a Development Agreement, you will incur all of the expenses identified in the first Item 7 Table for each business/Territory you establish under the Development Agreement.

ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

To help assure a uniform image and uniform quality of products and services in all U.S. LAWNS businesses, you must maintain and comply with our quality standards. Although you are not required to purchase or lease real estate from us, the location of your office is subject to our approval. You must purchase for use in your business (the “Business”) the following categories of goods, services, supplies, equipment and inventory according to specifications (including brand specifications) issued by us from time to time. These purchases include a vehicle, computer systems, lawn mowers, string trimmers, blowers, and hand tools. Items such as herbicides, insecticides, fertilizers, and other landscape related products may be used only if you provide extra services to your customers. From time to time, we may designate a single supplier for a product or service, and that single supplier may be us, an affiliate, or a third party. We may require you to use, offer and/or promote, and maintain in stock in such quantities as are needed to meet reasonably anticipated consumer demand, certain proprietary products, materials or equipment (“Proprietary Products”). You may buy Proprietary Products only from us (if we sell them) or our designated manufacturer or supplier. As of the date of this Disclosure Document, there are no Proprietary Products that you must use other than we do have a designated vendor (PipeDrive) as our CRM software vendor. You are not required to purchase products which are not Proprietary Products from us or any other supplier, but the items you purchase must satisfy our specifications.

For our most recently concluded fiscal year ending September 30, 2023, based upon items sold to franchisees, we received approximately \$2,138,403 or approximately 19% of our total revenue of \$11,080,654, as noted in our 2023 audited financial statements included as Exhibit A. Additionally, for our most recently concluded fiscal year ending September 30, 2023, we received \$708,540 in rebates or approximately 6.4% of our total revenue as a result of purchases by our franchisees from third party suppliers.

All products utilized by the Business in providing Landscape Maintenance Services must meet our specifications. You may purchase approved brands of inventory from us or from any other supplier.

The other items used in the operation of the Business also may be subject to our specifications. These items may be purchased from us or from any other supplier. Specifications are included in the Franchise Agreement and the Operations Manual and may be provided to you in other written communications from us.

You must purchase and maintain from a company we approve, insurance that insures both you and us, our affiliates our parent companies, our sister companies, and our customers and the owners of any property you service. The insurance policies must include, at a minimum: (i) commercial general liability insurance covering claims for personal injuries and property damage with minimum limits of \$1,000,000 per occurrence, \$2,000,000 general aggregate, \$2,000,000 products/completed operations aggregate; (ii) employers liability insurance with minimum limits of \$1,000,000 for bodily injury caused by accident or disease, or the minimum required by state law (whichever is greater); (iii) vehicle liability for owner, leased, hired and non-owned vehicles with minimum limits of \$1,000,000 combined single limit for bodily injury and property damage per occurrence; (iv) umbrella liability insurance with minimum limits of \$1,000,000; (v) Worker’s Compensation Insurance; (vi) any other such insurance coverages or amounts as required by law or agreement related to the U.S. LAWNS Business; and (vii) any other insurance we may require from time to time. Additional insurance requirements are set forth in the Manual. All liability insurance policies must name us (and our affiliates, officers, directors and employees), as well as any subcontractors on the particular property, and/or our customers and/or the owners of any property you service) as additional insureds.

You must deliver to us at commencement and annually or at our request a proper certificate evidencing the existence of such insurance coverage. We may modify, upon written notice to you, the required minimum limits from time to time and by written notice to you, as conditions require, to reflect changes in relevant circumstances, industry standards, experiences in the U.S. LAWNS System, standards of liability and higher damage awards.

You can expect items purchased or leased in accordance with our specifications will represent approximately 80% of total purchases you will make to begin operations of the business and 10% to 20% of the ongoing costs to operate the business.

Upon request, we will periodically provide you with a list of approved suppliers for equipment and other items. We may modify the standards and specifications for these items from time to time. You are encouraged to use our approved suppliers as these have been identified as suppliers who meet our approval specifications. You may, however, wish to use products or equipment of a brand that is not currently approved by us, except for instances where we have designated a single source only. Before using a currently unapproved brand, you must first notify us of your intent to do so, submit to us information about the unapproved brand and obtain our written approval. We will let you know within 30 days if we do not approve. We will determine whether the brand is substantially the same as the brands then approved by us. We do not make our supplier approval criteria available to franchisees. In the future, we may require different procedures to be followed for requests for approval of brands. We may charge you fees (no more than \$300 per hour) for evaluating proposed brands and may impose reasonable limits on the number of approved brands of any product or piece of equipment, although we currently do not charge any supplier evaluation fee.

We have established purchasing arrangements through our parent company and its affiliates to provide better service and cost savings to our franchisees.

Franchisees may purchase on a voluntary basis items such as stationery, marketing materials, uniforms, and other products through us. Some of these accounts are run through the MarketPlace. A mark-up ranging from 0 to 20% is applied to products and equipment purchased by franchisees through us. The amount of the mark-up is based upon amounts necessary to cover overhead, billing and stocking costs. In order to anticipate the needs of our franchisees, if you purchase from us, we may request that you give notice of intent and a commitment to purchase through us. This notice and commitment must be given by you if requested by us.

Except as described in this Item 8, neither we nor our affiliates receive any payments from any suppliers because of their transactions with our franchisees. We may negotiate other purchase arrangements with suppliers for your benefit for uniforms, forms and marketing services. We do not provide any material benefits to you based on your use of designated or approved sources. In addition to offering a preferred service and/or price to the franchisee suppliers may offer a rebate or other consideration to us ranging from 0% to 10%. As of the date of this Disclosure Document, there is no purchasing or distribution cooperative.

One or more of our officers own shares in a publicly-held supplier approved for use in this franchise system.

We presently do not guarantee any notes, leases or other obligations of our franchisees.

Currently, we have no practice or intent of selling, assigning or discounting to a third party any note, contract or other instrument that you execute. We and our affiliates do not receive any direct or indirect payments from any person for the placement of financing.

ITEM 11 FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we are not required to provide you any assistance.

5. Conduct pre-opening marketing on your behalf (Section 7.C of the Franchise Agreement).

We will grant you rights to establish a specific number of U.S. Lawns Landscape Businesses with designated Territories if you sign an Area Development Agreement (Section 2.A of the Area Development Agreement).

Post-Opening Assistance

During the operation of your Business, we will:

1. Maintain the Marketing Fund (Section 7.A of the Franchise Agreement).

Computer System

You must purchase, use and maintain a personal computer system (the “Computer System”) as specified in the Operations Manual or otherwise by us in writing for use in connection with your Business. We will designate, and you must use certain computer software including, without limitation, the currently recommended version of QuickBooks. We estimate the cost for a computer to be \$1,000 to \$2,000. You must purchase any upgrades, enhancements or replacements to the Computer System and/or hardware and software that we may require, for which we estimate the annualized cost to be \$100 to \$200. We will have access to the Computer System and the information and data stored on and produced by the Computer System. At your cost and expense, you must subscribe to the U.S. LAWNS intranet web site, or successor system established. You must also maintain membership in a third-party internet service provider and/or network, which may be designated by us for the purpose of implementing, transmitting, collecting and maintaining any information or data exchange system. We reserve the right to have unlimited independent access to the information on the computer system. There are no contract limitations on our right to access the information. We have no contractual obligations to maintain, upgrade and update the Computer System, and there are no contractual limits on your obligation to maintain, upgrade and update the Computer System.

As of the date of this Disclosure Document, we charge an ongoing Technology Fee of \$199. We reserve the right to increase the monthly fee in the future as we add to, enhance or upgrade the technology. This monthly Technology Fee will cover the use of, maintenance and support for the software and other technology you are required to use. We also require you to use our designated CRM (customer relationship management) software in your business, with an annual subscription fee of \$250-\$450). You will also use the currently recommended version of QuickBooks with an annual cost between \$215 and \$400.

You must have Internet access with a form of high speed connection as we require and you must maintain a dedicated email account for the U.S. LAWNS Business, separate from any personal or other email account. You must purchase any upgrades, enhancements or replacements to the Computer System and/or hardware and software that we may from time to time require.

Advertising

As of the date of this Disclosure Document, you pay a monthly Marketing Contribution in an amount equal to the lesser of 2% of Gross Billings or a “Marketing Cap” of \$550 per month to a marketing fund (the “Fund”) established by us. We reserve the right to increase the amount of the percentage you are required to pay and/or the Marketing Cap, upon 60 days’ notice, but in no event will the Marketing Contribution exceed 3% of Gross Billings (which means that we can increase the Marketing Cap of \$550 up to an amount equal to 3% of Gross Billings, which means you may pay more than \$550 depending on your Gross Billings). Other franchisees may contribute a different amount or at a different rate, depending on the franchise agreement they signed when they entered the system or other similar factors.

We administer the Fund. The Fund is not a trust or escrow account, and we do not have any fiduciary obligations with respect to the Fund. If all of the marketing fees are not spent in the fiscal year in which they accrue, the remaining amounts are retained in the Fund for use in the following years. We may use the Fund for various purposes, including, but not limited to: (1) salaries, benefits and any other payments made to employees/team members or any other individual or entity providing services to the Fund; (2) broadcast or print advertising; (3) the creation, development and production of advertising and promotional materials; (4) any marketing or related research and development; and (5) advertising and marketing expenses, including services provided by advertising agencies, public relations firms or other marketing, research or consulting firms or agencies, menu designs, customer incentive programs, sponsorships, marketing meetings and sales incentives, development of our website and intranet system,

Internet access provider costs, subscriptions to industry newsletters or magazines, and administrative costs and salaries for marketing support personnel.

We determine the use of the monies in the Fund. We are not required to spend any particular amount on marketing, advertising or promotion in the area in which your Business is located. We oversee the advertising program and use the Fund to create marketing materials and conduct national, regional or local advertising as we determine appropriate. Although an advertising council does not exist, we do have the right to form, change or dissolve any advertising council. We do, however, utilize our Franchise Advisory Council (“FAC”) to serve in an advisory capacity only. FAC members are elected by franchisees in good standing. We have the right to form, change or dissolve the FAC. We will contribute to the Fund amounts equal to your required percentage for each similarly situated company-owned businesses in the same local marketing area. From time to time we may contribute to the Fund some amounts paid to us by outside suppliers. We will prepare an annual unaudited accounting of the Fund and will make it available for your review upon your written request. We may use an outside national, regional, or local advertising agency and we anticipate using local and regional media and the internet. We may be reimbursed for administrative costs and overhead incurred in administering the Fund. No portion of the Marketing Fund will be used primarily for the solicitation of franchise sales.

During our last fiscal year ending September 30, 2023, Fund income was spent in the following approximate amounts: 27% on website management and digital marketing, 8% on production, 36% on sales support, 6% on employee recruiting support, and 23% on administration and miscellaneous expenses.

In addition to the Fund contributions, you also must use your best efforts to promote and advertise your Business. You may only use your own marketing material if we have approved it before its use. We will notify you of our approval within 30 days after the marketing material is submitted. If we do not notify you of our approval within 30 days of the marketing material being submitted, then the marketing material will be deemed unapproved.

You must obtain our written approval of all promotional and marketing materials prior to their use.

Although we do not currently do so, we reserve the right to require advertising or marketing cooperatives to be formed, changed, dissolved or merged in our sole determination.

Site Selection

You will select the site for your Business, subject to our approval. The factors we consider in approving your site are whether the site is located within your Territory and whether it meets zoning requirements. We will attempt to approve or disapprove your selected site within 10 business days after you submit the location to us for approval. We do not assist you in conforming the site to ordinances and codes. There are no consequences if you and we can't agree upon the location, except that the Business cannot be operational.

If you enter into an Area Development Agreement, we will approve sites for additional franchised business using our then-current site criteria.

Time of Opening

The typical length of time between the signing of the Franchise Agreement and the opening of the Business is between 30-60 days. You must complete the initial training before opening your Business. Other factors that affect how quickly you can open your Business include the training schedule, your ability to obtain necessary financing, any local requirements for permits or licenses.

If you enter into an Area Development Agreement, we and you will have agreed to a number of Territories and a development schedule which identifies the number of U.S. LAWNS Landscape Businesses you will develop, and the time frame and the Territories in which the U.S. LAWNS Landscape Businesses will be developed. You must sign a Franchise Agreement before you begin operating the U.S. LAWNS Landscape Business under an Area Development Agreement.

Training

We provide a training program for our franchisees. Before the opening of the Business, you must have successfully completed our training program. If you plan to use a manager as a primary operator of the business rather than you as the owner-operator, then your manager must also successfully complete our training program. The initial training is approximately 5-6 days. The training program is scheduled approximately one month before opening of your Business at a time designated by us. The program will be held at our offices in Orlando, although parts of the training program may also be conducted virtually or in the field. The following chart outlines our initial training program.

Our Obligations Under the Area Development Agreement

Except as described above, we do not have additional obligations under the Area Development Agreement.

ITEM 12 TERRITORY

Franchise Agreement

A geographic territory (the “Territory”) will be identified in Schedule A to the Franchise Agreement when you sign it. The location of your Territory will be decided on by discussions between you and us. The size of your Territory will be based upon the opportunities within the Territory to provide landscape maintenance services. The minimum territory will be a ten mile radius from the center point. You will have protected rights within your Territory to provide Landscape Maintenance Services (as defined in Item 1 and the Franchise Agreement) under the U.S. Lawns marks. During the term of the Franchise Agreement and provided you are in compliance with the Franchise Agreement, we will not, without your consent (i) modify the Territory without your written permission, or (ii) establish either a company-owned or franchised Lawns Landscape Business within the Territory under the U.S. Lawns Marks or provide Landscape Maintenance Services using the U.S. Lawns Marks within your Territory, and we will not license others to do so (except as described with respect to Regional Accounts below in this Item 12), although we or another franchisee may from time to time service particular customers in the Territory in the event you are unable or unwilling for whatever reason to meet the service needs of those customers, all as set forth in the Operations Manual. We do retain the right to use other channels of distribution (e.g. the Internet, catalog, telemarketing, direct marketing) inside your Territory using our Marks or other trademarks. We do not have to pay you for exercising our rights, which includes soliciting or accepting orders in your Territory for Regional Accounts or instances where you are unable or unwilling to meet the service needs of customers. You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, from other channels of distribution or competitive brands that we control.

We retain all rights that are not expressly granted to you under the Franchise Agreement. We and our affiliates may, among other things, on any terms and conditions we deem advisable, without compensation to any franchisee, and without granting you any rights therein: (i) establish and/or license others to establish franchised or company-owned U.S. Lawns businesses at any location outside the Territory regardless of the proximity of such business to your Territory; (ii) advertise, market, promote and provide any goods and services under trademarks, service marks, trade names and other commercial symbols other than the Marks, at any location, within or outside the Territory, and to solicit prospective customers, including Property Management Companies, for such goods and services wherever they may be located; (iii) merge with, acquire or become acquired by any businesses, including competitive businesses, which businesses operate under trademarks other than the U.S. Lawns Marks and may offer or sell products and services that are the same as or similar to the products and services offered at or from your U.S. Lawns Business, and which may be located anywhere inside or outside the Territory; and (iv) except for the limited rights granted to you in Section 2.B, sell and distribute for ourselves and/or license others to sell and distribute within and outside the Territory, products or services the same as or different from the products and services offered from your U.S. Lawns Business, and which are offered and distributed under marks different than the Marks.

 You may not solicit or accept orders from outside your Territory without our prior consent, or use other channels of distribution such as the Internet, catalog sales, telemarketing, or direct marketing to make sales outside your Territory with our consent or without adherence to our policies and procedures. As you develop additional business under the Area Development Agreement, we will approve sites for these additional businesses using our then-current site criteria.

If you do not meet minimum annual Gross Billings, we have the right to terminate the Franchise Agreement. The minimum annual Gross Billings are: (1) \$50,000 for the first year of operation; (2) \$100,000 for the second year of operation; and (3) \$200,000 for the third year of operation and each

subsequent year. You do not receive the option to acquire additional franchises unless you sign another franchise agreement or an Additional Territory Option Agreement with us.

Option Agreement

If you request, we may grant you an option to develop an additional U.S. Lawns Landscape Business in a specific geographic area (the “Option Territory”). You must sign an Additional Territory Option Agreement in the form attached as Schedule J to the Franchise Agreement which contains the terms of the option, including a description of the Option Territory, the time within which you must exercise the option (the “Option Period”), and your rights during the Option Period. You must pay a non-refundable \$5,000 option fee when you sign the Additional Territory Option Agreement. The Option Period will be for 12 months. If you elect to exercise your option by signing a new Franchise Agreement, you must pay us the then-current initial franchise fee when you sign the new Franchise Agreement and after you have received any required Franchise Disclosure Document in connection with the new Franchise Agreement.

Area Development Agreement

If you sign an Area Development Agreement with us, you will receive certain protected rights to develop more than one U.S. Lawns Landscape Business within designated Territories described in Appendix C attached to the Area Development Agreement. As further described in the following paragraph, you will not receive an exclusive territory. You may face competition from other franchisees, from other outlets we own, or from other channels of distribution or competitive brands that we control. We will not develop or operate or grant a franchise to operate a U.S. Lawns Landscape Business in the Designated Area so long as you are in compliance with the Development Schedule set forth in the Area Development Agreement.

We and our affiliates expressly reserve the exclusive, unrestricted right, directly and indirectly, and through licenses and franchisees to: (i) establish and/or license others to establish franchised or company-owned U.S. Lawns businesses at any location outside the Territory regardless of the proximity of such business to your Territory; (ii) advertise, market, promote and provide any goods and services under trademarks, service marks, trade names and other commercial symbols other than the Marks, at any location, within or outside the Territory, and to solicit prospective customers, including property management companies, for such goods and services wherever they may be located; (iii) merge with, acquire or become acquired by any businesses, including competitive businesses, which businesses operate under trademarks other than the U.S. Lawns Marks and may offer or sell products and services that are the same as or similar to the products and services offered at or from your U.S. Lawns Business, and which may be located anywhere inside or outside the Territory; and (iv) sell and distribute for ourselves and/or license others to sell and distribute within and outside the Territory, products or services the same as or different from the products and services offered from your U.S. Lawns Business, and which are offered and distributed under marks different than the Marks.

We do retain the right to use other channels of distribution (e.g. the Internet, catalog, telemarketing, direct marketing) inside your Territory using our Marks or other trademarks. We do not have to pay you for exercising our rights, which includes soliciting or accepting orders in your Territory for Regional Accounts or instances where you are unable or unwilling to meet the service needs of customers. You may not solicit or accept orders from outside your Territory without our prior consent, or use other channels of distribution such as the Internet, catalog sales, telemarketing, or direct marketing to make sales outside your Territory with our consent or without adherence to our policies and procedures.

Regional Accounts

We have the right to solicit Regional Accounts wherever located. In order to enable us to negotiate special arrangements involving Regional Accounts, including responding to requests for proposals (“RFP”) involving locations which may or may not be in your Territory, at our request, you must promptly evaluate the applicable Regional Account location(s) located within your Territory and prepare a bid package for each such location in accordance with such formats, procedures and specifications as we may establish, including any supplemental or modified bid package which we may require in order to satisfy the requirements of the Regional Account (each a “Bid Package”). If we accept the Bid Package, you must honor your proposal and sign all agreements and other documents and instruments as we and the Regional Account may require to fulfill the agreed on contract terms (“Regional Account Agreement”). We will give you the first opportunity to submit a Bid Package on each proposed Regional Account location which is within your Territory and to perform Landscape Maintenance Services to Regional Account locations located in your Territory; provided, however, that we may, as applicable, submit Bid Packages and perform such Landscape Maintenance Services or cause other owners or contractors to do so, if: (a) you fail to timely submit a Bid Package in accordance with our request, or if we determine that the Bid Package submitted by you is likely to be rejected by the Regional Account; (b) we reject your Bid Package or if the Regional Account notifies you or us that it does not wish to be served by you; (c) you for any reason fail or refuse to perform in accordance with the Bid Package and Regional Account Agreement; (d) you, at the time of the issuance of the RFP or submission of the Bid Package, are in default of your obligations or under any other agreement with us, or under any other Regional Account Agreement to which you are party; or (e) you are, in our judgment exercised in good faith, not qualified, equipped or otherwise capable to satisfy the RFP or Regional Account Agreement requirements or to perform the services as required. We may, but are not obligated to, compensate you for Landscape Maintenance Services performed by us, our affiliates or other owners or contractors for Regional Account locations located in your Territory in such amounts (if any) as we determine.

We or an affiliate may charge a management fee to offset the sales and administrative expenses of processing and managing Regional Accounts. We reserve the right to modify the Regional Accounts Program from time to time.

We may, but are not obligated to, compensate you for Landscape Maintenance Services performed by us, our affiliate or another franchisee or contractor for Regional Account locations which are located within your Territory in such amounts (if any) as we determine.

In addition to the Regional Accounts program, as it may be modified from time to time, an affiliate of ours may offer you subcontract work in accordance with its then-current procedures for servicing Centrally Managed Accounts. For purposes of this Agreement, the term “Centrally Managed Accounts” refers to customer accounts for multi-site, geographically dispersed real estate portfolios utilizing a network of subcontractors to perform the services. Our affiliates are not obligated to provide you with any subcontract work and may offer such work to your competitors.

Certain of the Affiliated Programs described in Item 1, and other portfolio companies that currently are or in the future may be owned by investment funds managed by our affiliates, may operate and/or franchise businesses that sell similar goods or services to those that our franchisees sell. Item 1 describes our current Affiliated Programs that offer franchises, their principal business addresses, the goods and services they sell, and their trademarks. As noted in Item 1, all of these affiliated franchise brands have different management from us, a different principal business address from us, and different training facilities from our offices. As of the date of this Disclosure Document, none of these Affiliated Programs are direct competitors of our franchise network given the products or services they sell in the United States. All of the businesses that our affiliates and their franchisees operate may solicit and accept orders from

customers in your territory. Because they are separate companies, we do not expect any conflicts between our franchisees and our affiliates' franchisees regarding territory, customers and support, and we have no obligation to resolve any perceived conflicts that might arise.

ITEM 13 TRADEMARKS

We claim common law trademark rights for all of the Marks. We have filed or intend to file all required affidavits and renewals for the Marks noted above.

Your use of the Marks and any goodwill is to our exclusive benefit, and you retain no rights in the Marks. You also retain no rights in the Marks upon expiration or termination of your Franchise Agreement. You are not permitted to make any changes or substitutions of any kind in or to the use of the Marks unless

we direct in writing. We may change the System presently identified by the Marks, including the adoption of new Marks, new products, new services, or new techniques, and you must adopt the changes in the System as if they were part of the Franchise Agreement at the time of its execution. If we notify you to discontinue or modify your use of any Mark, you have no rights under the Franchise Agreement to object to that change and you must comply within a reasonable time, at your expense.

There are currently no material determinations of the U.S. Patent and Trademark Office (“USPTO”), the Trademark Trial and Appeal Board, or any state trademark administrator or court; or any pending infringement, opposition, or cancellation proceedings involving the principal Marks. There is no pending material federal or state court litigation regarding our use or ownership rights in any trademark.

There are no currently effective agreements that significantly limit our rights to use or license the use of these trademarks.

We will protect your right to use the Marks against claims of infringement or unfair competition arising out of your proper use of the Marks. You must promptly notify us of the use of, or claim of rights to, a trademark identical or confusingly similar to our Marks, or of any use or infringement of which you are aware or any challenge or claim arising out of your use of any Mark. We have the right to determine whether or not we will take affirmative action when notified of these uses or claims and the right to exclusively control any litigation or proceedings. You are required to assist us, without compensation, in the prosecution of such litigation or proceedings. We will be responsible for our fees and expenses with any such action, unless the challenge or claim results from your misuse of the Marks in violation of the Franchise Agreement, in which case you must pay us for our costs and expenses.

We know of no superior prior rights or infringing uses that could materially affect your use of the trademarks in the state where your franchise business will be located.

You do not receive any right under the Area Development Agreement to use the Marks. Those rights are granted only under the Franchise Agreement.

ITEM 14 PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

As of the date of this Disclosure Document, we do not own any rights in or to any patents, patent applications or copyrights that are material to the franchise. We claim copyright protection for our Operations Manual and other publications and promotional materials, although we have not registered any of the materials with the U.S. Copyright Office. These materials are considered proprietary and confidential and are considered our property and may be used by you only as provided in the Franchise Agreement, Operations Manual, and other communications that we provide to you. We reserve the right to register any of our copyrighted materials at any time we deem appropriate.

There currently are no effective determinations of the Copyright Office (Library of Congress), USPTO, Board of Patent Appeals & Interferences, or any court, or any pending infringement, opposition or cancellation proceedings or any pending material litigation involving any patents or copyrights.

There are no agreements in effect that significantly limit our right to use or license the copyrighted materials. We are not required by any agreement to protect or defend any patent, trademark, or copyright.

We know of no superior prior rights or infringing uses that could materially affect your use of the copyrights in the state where your franchise business will be located.

All ideas, concepts, techniques, or materials concerning the operation of a U.S. LAWNS business, whether or not protectable intellectual property and whether created by or for you or your owners or employees, must be promptly disclosed to us and will be deemed to be our sole and exclusive property, part of the system, and works made-for-hire for us. To the extent any item does not qualify as a “work made-for-hire” for us, you assign ownership of that item, and all related rights to that item, to us and must take whatever action (including signing assignment or other documents) we request to show our ownership or to help us obtain intellectual property rights in the item.

You may not use our confidential information in an unauthorized manner. You must take reasonable steps to prevent improper disclosure to others and use non-disclosure and non-competition agreements with those having access. We may regulate the form of agreement that you use and will be a third-party beneficiary of that agreement with independent enforcement rights.

ITEM 15
OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You do not have to participate personally in the direct operation of the Business, even though we recommend that you do. You or one or more of your employees must successfully complete the initial training program. You must keep the Business under the direct full-time supervision of you or of a trained and competent manager who has completed our training program or equivalent training to our satisfaction, although the manager is not required to have any ownership or equity interest in your entity or the Business. You must keep us informed at all times of the identity of any supervisory employee acting as regular manager of the Business. Any individual who attends our initial training program and will serve in a general manager role will be required to sign a confidentiality/non-competition agreement (Schedule E to the Franchise Agreement).

You and your owners must sign a personal guarantee, the form of which is attached to the Franchise Agreement. If you have entered into an Area Development Agreement, you and your owners must sign a personal guarantee, the form of which is attached to the Area Development Agreement. Your spouse does not need to sign a personal guarantee of a confidentiality/non-competition agreement unless the spouse is an owner or actively involved in the operation of the Business.

ITEM 16
RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You may provide Landscape Maintenance Services to any customer in your Territory. You must meet our requirements when operating your Business. You may not sell any product or service which we have not approved in advance. You may not use the Business office or warehouse for any purpose other than the operation of the U.S. LAWNS business. During each season of the year, you must offer all products and services which we have authorized. We may change the types of authorized products and services, and there is no limit on our ability to make these changes. You do not have to offer services which we have classified as “optional services.” You must purchase only materials and supplies which meet our requirements.

PUBLIC FIGURES**

We do not use any public figure to promote our franchise.

ITEM 19
FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing about possible performance at a particular location or under particular circumstances.

Part I of this Item 19 presents historical unaudited information about 186 franchised territories ("Franchised Territories") that were open and continuously operating from October 1, 2022, through September 30, 2023 (the "2022-2023 Accounting Period"). As the end of the 2022-2023 Accounting Period, there were 208 Franchised Territories open and operating in the United States. Of the 22 Franchised Territories excluded from the tables in Part I of this Item 19, 9 Franchised Territories are excluded because the U.S. Lawns Landscape Businesses for such territories were not continuously operating for the full 2022-2023 Accounting Period and are pending formal termination, 8 Franchised Territories are excluded because the franchisee reports were not submitted in a complete and timely fashion for inclusion in Part 1 of this Item 19, and 5 Franchised Territories are excluded from Part I of this Item 19 because the U.S. Lawns Landscape Business for such territory commenced operations during the 2022-2023 Accounting Period and was open less than the full 12 month 2022-2023 Accounting Period. In addition, 6 Franchised Territories closed during the 2022-2023 Accounting Period and are not included in this Item 19. Of the 6 that closed during the 2021-2022 Accounting Period, none were closed after being open for less than 12 months.

Part II of this Item 19 presents historical unaudited information about 196 franchised territories ("Franchised Territories") that were open and continuously operating from October 1, 2021, through September 30, 2022 (the "2021-2022 Accounting Period"). As the end of the 2021-2022 Accounting Period, there were 209 Franchised Territories open and operating in the United States. Of the 13 Franchised Territories excluded from the tables in Part II of this Item 19, 4 Franchised Territories are excluded because they U.S. Lawns Landscape Businesses for such territories were not continuously operating for the full 2021-2022 Accounting Period and are pending formal termination, 8 Franchised Territories are excluded because the franchisee reports were not submitted in a complete and timely fashion for inclusion in Part 1 of this Item 19, and 1 Franchised Territory is excluded from Part II of this Item 19 because the U.S. Lawns Landscape Business for such territory commenced operations during the 2021-2022 Accounting Period and was open less than the full 12 month 2021-2022 Accounting Period. In addition, 14 Franchised Territories closed during the 2021-2022 Accounting Period and are not included in this Item 19. Of the 14 that closed during the 2021-2022 Accounting Period, none were closed after being open for less than 12 months.

All amounts are shown in U.S. dollars.

PART I – 2022-2023 ACCOUNTING PERIOD DATA

STATEMENT OF AVERAGE AND MEDIAN GROSS SALES

The following Tables 1A and 1B present unaudited information about the average and median Gross Sales of the 186 Franchised Territories that were open and continuously operating for the 2022-2023 Accounting Period.

As used in this Item 19, the term “Gross Sales” means all revenue and income from any source derived or received by the Franchised Territories from, through, by or on account of the operation of the

Franchised Territory, whether received in cash, in services, in kind, from barter and/or exchange, on credit (whether or not payment is actually received) or otherwise, less the amount of any documented refunds given in good faith to customers and less any sales taxes. We obtained this Gross Sales information from unaudited franchisee reports submitted to us consistent with our reporting requirements. Neither we nor our independent certified public accountants have audited or verified any of the Gross Sales information reported to us. Franchisees are not required to use generally accepted accounting principles when reporting these figures.

The following table presents unaudited information about the average cost percentages of the 196 Franchised Territories that were open and continuously operating during the 2021-2022 Accounting Period (meaning October 1, 2021 through September 30, 2022). Cost information is shown as a percentage of Gross Sales. As used in Item 19, the term “Gross Sales” means all revenue and income from any source derived or received by the Franchised Territories from, through, by or on account of the operation of the Franchised Territory, whether received in cash, in services, in kind, from barter and/or exchange, on credit (whether or not payment is actually received) or otherwise, less the amount of any documented refunds given in good faith to customers and less any sales tax. We obtained this cost information from unaudited franchisee reports submitted to us consistent with our reporting requirements. Neither we nor our independent certified public accountants have audited or verified any of the cost information reported to us. Franchisees are not required to use generally accepted accounting principles when reporting these figures.

Notes to Parts I and II of Item 19:

1. The Gross Sales and Gross Profit information included in Part I of this Item 19 relates only to the Franchised Territories that were continuously open and operating during the entire 2022-2023 and 2021-2022 Accounting Periods (i.e., October 1 through September 30). It does not include Gross Sales information for Franchised Territories open less than the entire 2022-2023 and 2021-2022 Accounting Periods. You should conduct an independent investigation of the costs and expenses you will incur in operating your Territory. Current and former franchisees listed in this Disclosure Document may be one source of this information.
2. **Some Franchised Territories have earned these amounts. Your individual results may differ. There is no assurance you will earn as much.**
3. Written substantiation of all data presented in this Item 19 will be made available to you on reasonable request.

Other than the preceding financial performance representation, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing franchise territory, however, we may provide you with the actual records of that territory. If you receive any other financial performance information or projections of your future income, you should report it to our management by contacting David Wells, our Senior Director, Brand Development at U.S. Lawns, Inc. (6700 Forum Drive, Suite 150, Orlando, Florida 32821, 407-246-1630), the Federal Trade Commission, and the appropriate state regulatory agencies.

INDEPENDENT AUDITORS' REPORT

December 27, 2023

Board of Directors and Shareholder
U.S. Lawns, Inc.
Orlando, Florida

Opinion

We have audited the accompanying financial statements of **U.S. Lawns, Inc.** (the "Company"), a wholly-owned subsidiary of BrightView Companies, LLC, which comprise the balance sheets as of September 30, 2023 and 2022, and the related statements of income, shareholder's equity, and cash flows for the years then ended, and the related notes to the financial statements (the "financial statements").

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of **U.S. Lawns, Inc.** as of September 30, 2023 and 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Notes to Financial Statements

1. NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Business

U.S. Lawns, Inc. (the "Company") is a Florida corporation and a wholly-owned subsidiary of BrightView Companies, LLC (the "Parent"). The Company is engaged in selling franchise rights for landscape maintenance services and provides landscape maintenance services directly to customers throughout the United States of America.

The Company opened 5 new franchises in 2023 and 1 in 2022. During the years ended September 30, 2023 and 2022, the Company terminated 6 and 14 franchises, respectively, to bring the total number of franchises to 208 and 209, respectively.

The Company's obligation under the franchise agreement is to train and assist franchise owners with the setup of the franchise business. The Company provides the franchise owner with sales materials and sample maintenance contracts. The Company protects its rights and, in a limited fashion, the rights of the franchise owner as it relates to claims of infringement regarding the use of its trademarks.

Risks and Economic Uncertainties

The Company has seen a return to normal levels after the outbreak of the novel coronavirus ("COVID-19"), which the World Health Organization declared to be a pandemic in March 2020. The United States inflation rates have been decreasing from the levels seen for the year ended September 30, 2022. An economic downturn can affect customer spending as they can seek to reduce expenditures for landscape services. The extent of the ultimate impact of the pandemic and the economy on the Company's operational and financial performance will depend on various developments, including the duration and its impact on customers, vendors, and employees, all of which cannot be reasonably predicted at this time.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of income and expenses during the reporting year. Actual results could differ from those estimates. Significant estimates include but are not limited to the estimated life of a franchise for the amortization of initiation fees and franchise costs.

Notes to Financial Statements

Revenue

The Company recognizes revenues in the period in which the services are performed, typically ratably over the term of the contract, which the Company believes to be the best measure of progress. The Company recognizes revenues as it transfers control of products and services to its customers in an amount reflecting the total consideration it expects to receive from the customer. Revenue is recognized according to the following five step model: (1) identify the contract with a customer, (2) identify the performance obligations in the contract, (3) determine the transaction price, (4) allocate the transaction price to the performance obligations in the contract, and (5) recognize revenues when a performance obligation is satisfied.

The Company determined that for contracts containing multiple performance obligations, stand-alone selling price is readily determinable and billed separately for each performance obligation, therefore allocation of the transaction price to multiple performance obligations is not necessary. The transaction price will include estimates of variable consideration, such as provisions for doubtful accounts to the extent it is probable that a significant reversal of revenue recognized will not occur.

In all cases, when a sale is recorded by the Company, no significant uncertainty exists surrounding the purchaser's obligation to pay.

Landscape Maintenance: Revenues are generated primarily through landscape maintenance services such as lawn care, mowing, gardening, mulching, leaf removal, irrigation and tree care, under recurring annual contracts, which typically range from one to three years. These contracted services are billed on an equal monthly basis and revenue is recognized in equal monthly amounts over time as monthly services are performed.

Royalty Fees: The Company has a performance obligation to franchisees to provide certain resources to market and build the business and license to operate under the Company's brand name. As compensation for such services, the Company is entitled to ongoing royalty fees, which represent variable consideration as the transaction price is based on a percentage of certain franchise revenues, as defined in each contract. Royalty fees are recognized on a monthly basis over the term of the agreement as those amounts become payable.

Franchise Fees: Franchise fees and costs associated with the franchise set-up are capitalized and recognized on a straight-line basis over nine years. Franchise transfer fees are recognized as incurred.

Franchisee Sales: Franchisee sales revenues are recognized at a point in time and consist of revenues received from franchisees for purchases of supplies and equipment through third party vendors. Revenue is recognized when the equipment or product is delivered to the franchisee. The Company is liable for the payment to the vendor and collection from the franchisee.

U.S. LAWN, INC.

Notes to Financial Statements

Partner Program: Partner program revenues consist of revenues received from various third party partners for sponsorship and exhibition of partner brands and commissions for goods sold to franchisees. These revenues are recognized at a point in time as the aforementioned performance obligations are performed.

The following table presents the Company's revenue disaggregated by over time and point in time recognition for the years ended September 30:

	2023	2022
Over time recognition	\$ 8,233,710	\$ 8,201,932
Point in time recognition	2,846,943	2,486,101
Total revenue	\$ 11,080,653	\$ 10,688,033

Contract Assets and Liabilities

Contract assets consist of capitalized franchise set-up costs incurred by the Company that are recognized over time. Contract liabilities consist of franchise fee payments received from customers that are contractually due, however, the revenue associated with such payment is recognized over time. Contract liabilities are presented as deferred revenue on the balance sheets.

Changes in contract assets and liabilities are as follows at September 30:

	2023		2022	
	Assets	Liability	Assets	Liability
Balance, beginning of year	\$ 381,784	\$ 1,045,848	\$ 488,092	\$ 1,293,922
Current year recognition	(118,738)	(290,216)	(132,972)	(333,074)
Current year deferral	66,708	162,000	26,664	85,000
Balance, end of year	\$ 329,754	\$ 917,632	\$ 381,784	\$ 1,045,848

Sales taxes collected from customers and remitted to governmental authorities are accounted for on a net basis and therefore are excluded from revenues in the statements of income.

Notes to Financial Statements

Accounts Receivable (Including due from Affiliate)

Accounts receivables are recorded at the invoiced amount and do not bear interest. The allowance for doubtful accounts is the Company's best estimate of the amounts of probable credit losses in the Company's existing trade receivables. The Company determines the allowance based on historical experience of expected collections. The Company reviews its allowance for doubtful accounts on a quarterly basis. Account balances are charged off against the allowance after all means of collection have been exhausted and the potential for recovery is considered remote. Based on management's assessment of the credit history with customers having outstanding balances and current relationships with them, it has estimated that realization of losses on balances outstanding at year-end will not be significant.

In April 2017, BrightView, Inc. ("the Ultimate Parent") and certain of its wholly-owned subsidiaries, entered into a receivables securitization program (the "Securitization Program") with third-party lenders. Under this Securitization Program, the Ultimate Parent's subsidiaries sell all of their customer trade receivables, and retainage receivables (the "Receivables"), as well as all unbilled revenues on a revolving basis, to BrightView Funding LLC ("Funding", a wholly-owned subsidiary of the Parent). Funding then pledges its interests in the Receivables to the securitization program lenders, which make loans to Funding. On June 22, 2022, the Company entered into the Third Amendment to the Receivables Financing Agreement (the "Third Amendment") which extended the term through June 22, 2025.

Under the Securitization Program, the Company continues to service the Receivables sold and in exchange receives a servicing fee of 1%. Servicing fees for 2023 and 2022 were not material. Transfers of the Receivables under the Agreement are accounted for as sales and, accordingly, receivables sold are excluded from accounts receivable on the balance sheet and are reflected as cash provided by operating activities on the statements of cash flow.

Due from affiliate consisted of the following components, which were sold to Funding under the Securitization Program, as of September 30, 2023 and 2022:

	2023	2022
Customer trade receivables	\$ 740,524	\$ 741,320
Less allowance	(134,527)	(135,876)
Less discount	(67,484)	(64,051)
Unbilled revenues	81,243	72,061
Interest income	29,652	13,203
Cumulative prior years discount and interest, net	(229,805)	(178,957)
Total due from affiliate	\$ 419,603	\$ 447,700

Notes to Financial Statements

As a result of the sales of the all receivables and unbilled revenues to Funding on a revolving basis, the Company has no accounts receivables or unbilled revenues on its balance sheet as of September 30, 2023 and 2022. The amounts due from Funding related to the sale of such receivables and unbilled revenues, is reflected as due from affiliate on the balance sheets. During 2023 and 2022, the Company recorded a discount on accounts receivable of \$67,484 and \$64,051, respectively, which is included on the statements of income.

Property and Equipment

Property and equipment are stated at cost. Major improvements and renewals are capitalized while ordinary maintenance and repairs are expensed. Management reviews these assets for impairment whenever events or changes in circumstances indicate the related carrying amount may not be recoverable.

Depreciation, which includes amortization of assets recorded as capital leases, is computed using the straight-line method over the estimated useful lives of the assets, generally three to seven years. The cost of leasehold improvements is amortized over the lesser of the life of the improvements or the term of the lease. Depreciation and amortization expense for the years ended September 30, 2023 and 2022 was \$115,196 and \$89,390, respectively.

Leases

The Company's lease arrangements primarily relate to real estate corporate office and to a lesser extent, certain office equipment. The Company's leases generally have initial terms ranging from three to five years and may include renewal or early-termination options, rent escalation clauses, and/or lease incentives in the form of rent abatements. The Company is typically required to make fixed minimum rent payments relating to its right to use an underlying leased asset. The Company is also often required to pay for certain other costs that do not relate specifically to its right to use an underlying leased asset, but that are associated with the asset, including common area maintenance fees and/or certain other costs (referred to collectively herein as "non-lease components"). Management elected to separate lease and non-lease components for all of the leases. Thus, non-lease components are expensed as incurred and not included in the calculation of the ROU asset and lease obligation. Management also elected to use the short-term lease recognition exception for all leases that qualify.

The Company determines whether an arrangement contains a lease at the arrangement's inception. If a lease is determined to exist, its related term is assessed at lease commencement, once the underlying asset is made available by the lessor for the Company's use. The Company's assessment of the lease term reflects the non-cancellable period of the lease, inclusive of any rent-free periods and/or periods covered by early-termination options for which the Company is not considered reasonably certain of exercising, as well as periods covered by renewal options for which it is considered reasonably certain of exercising. The Company also determines lease classification as either operating or finance (formerly referred to as "capital") at lease commencement, which governs the pattern of expense recognition and the presentation thereof reflected in the statements of income over the lease term.

Notes to Financial Statements

For leases with a lease term exceeding 12 months, a lease liability is recorded on the Company's balance sheet at lease commencement reflecting the present value of its fixed payment obligations over such term. A corresponding right-of-use ("ROU") asset equal to the initial lease liability is also recorded, increased by any prepaid rent and/or initial direct costs incurred in connection with execution of the lease, and reduced by any lease incentives received. For purposes of measuring the present value of its fixed payment obligations for a given lease, the Company uses its incremental borrowing rate, determined based on information available at lease commencement, as rates implicit in its leasing arrangements are not readily determinable. The Company's incremental borrowing rate reflects the rate it would pay to borrow on a secured basis an amount equal to the lease payments and incorporates the term and economic environment of the lease.

For operating leases, fixed lease payments are recognized as operating lease cost on a straight-line basis over the lease term. For leases with a lease term of 12 months or less (referred to as a "short-term lease"), any fixed lease payments are recognized on a straight-line basis over such term and are not recognized on the balance sheet. Variable lease cost, if any, is recognized as incurred for all leases. Management annually reviews these ROU assets for impairment whenever events or circumstances indicate that their carrying values may not be fully recoverable.

Income Taxes

The Company is included in a consolidated federal income tax return and multiple combined state tax returns through its Parent. The Company uses a blended state rate to account for its share of state tax liability. The Company has no tax sharing agreement with its Parent and therefore, any payable or receivable is categorized into equity as Additional Paid-in Capital or Deemed Dividend.

Deferred income tax assets and liabilities are computed annually for differences between the financial statement and federal income tax bases of assets and liabilities that will result in taxable or deductible amounts in the future, based on enacted tax laws and rates applicable to the periods in which the differences are expected to affect taxable income.

Valuation allowances are established, when necessary, to reduce deferred tax assets to the amount expected to be realized. Allocation of income taxes is the tax payable or refundable for the year plus or minus the change during the year in deferred tax assets and liabilities.

Management has analyzed its income tax filing positions in the federal and state jurisdictions where it is required to file income tax returns, for all open tax years in these jurisdictions, to identify potential uncertain tax positions. The Company reports interest and penalties attributable to income taxes, to the extent they arise, as a component of its income tax expense.

As of September 30, 2023, there are no uncertain income tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. While the Company is subject to routine audits by taxing jurisdictions, there are currently no audits for any tax periods in progress. Generally, the Company is no longer subject to income tax examinations for years prior to 2019. For the years ended September 30, 2023 and 2022, there were no interest or penalties.

Notes to Financial Statements

Advertising Expenses

Advertising costs are expensed as incurred. For the years ended September 30, 2023 and 2022, advertising costs amounted to \$103,881 and \$121,877, respectively.

Self-Insurance Reserves

The Ultimate Parent has entered into certain insurance policies, which it has contracted to its subsidiaries. This includes general liability, vehicle liability, workers' compensation, professional liability, cyber security and employee health care insurance policies. In addition, the Parent carries umbrella liability insurance policies to cover claims over the liability limits contained in the primary policies. The insurance programs for general liability, vehicle liability, workers' compensation and employee health care for certain employees contain self-insured retention amounts. Claims that are not self-insured as well as claims in excess of the self-insured retention amounts are insured.

Reclassifications

Certain amounts in the 2022 financial statements have been reclassified to conform with the 2023 financial statements presentation. The 2022 corporate allocation totaling \$247,749 was reclassified from allocation of income taxes to selling, general and administrative expenses. In addition, a customer deposit totaling \$20,800 was reclassified from deposits to accrued liabilities.

Subsequent Events

In preparing these financial statements, the Company has evaluated, for potential recognition or disclosure, significant events or transactions that occurred during the period subsequent to September 30, 2023, the most recent balance sheet presented herein, through December 27, 2023, the date these financial statements were available to be issued. No significant such events or transactions were identified.

3. NOTES RECEIVABLE

Notes receivable represent amounts due from third party franchisees for the purchase of franchise rights. Most notes bear interest at 5% plus the prime rate (adjusted on a quarterly basis) and have various maturities through 2028. In general, notes receivable are collateralized by the underlying business assets of the franchisee. The notes receivable reserve is the Company's best estimate of the amount of probable credit losses in the Company's existing notes receivables. The Company determines the reserve based on historical experience of expected collections. At September 30, 2023 and 2022, the allowance for notes receivable doubtful accounts amounted to \$6,225 for both years.

Aggregate maturities of notes receivable, net of allowance for doubtful accounts, are as follows:

Year	Amount
2024	\$ 125,202
2025	86,352
2026	78,068
2027	73,593

5. LEASES

The Company leases office space and office equipment under operating leases with nonrelated parties, which expire through September 2028. The lease for office space provides for increases in future minimum annual rent payments based on defined increases in the lease agreement.

As of September 30, 2023, the weighted average remaining lease term is 60 months and the weighted average of the discount rate (using the Company's incremental borrowing rate) was 2.78%. For the years ended September 30, 2023 and 2022, the variable lease costs and short-term lease costs were insignificant.

U.S. LAWN, INC.

After a specified period of service, employees become eligible to participate in the Plan and may contribute from 1% up to 50% of their compensation to the Plan, which is tax deferred. For all eligible participants, the Company contributes 100% of the amount invested by the participant up to the first 3% of the participant's compensation and 50% of the next 2% of the participant's compensation. During the years ended September 30, 2023 and 2022, the Company contributed \$53,490 and \$59,581, respectively, to the Plan.

8. RELATED PARTY TRANSACTIONS

The Parent, at its discretion, may allocate certain expenses for operating and administrative services as part of its income tax allocation process. During the years ended September 30, 2023 and 2022, the corporate expenses allocated to the Company were \$280,595 and \$247,749, respectively, and are included within selling, general and administrative expenses.

The excess of cash received over payments made by the Parent on behalf of the Company is determined to be a deemed dividend. The balance of such deemed dividend as of September 30, 2023 and 2022 is included as a reduction to shareholder's equity.

INDEPENDENT AUDITORS' REPORT

January 10, 2023

Board of Directors and Shareholder
U.S. Lawns, Inc.
Orlando, Florida

Opinion

We have audited the accompanying financial statements of ***U.S. Lawns, Inc.*** (the “Company”), which comprise the balance sheet as of September 30, 2022, and the related statements of income, changes in shareholder's equity (deficit), and cash flows for the year then ended, and the related notes to the financial statements (the “financial statements”).

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of ***U.S. Lawns, Inc.*** as of September 30, 2022, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Notes to Financial Statements

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Business

U.S. Lawns, Inc. (the "Company") is a Florida corporation and a wholly-owned subsidiary of BrightView Companies, LLC (the "Parent"). The Company is engaged in selling franchise rights for landscape maintenance services and provides landscape maintenance services directly to customers throughout the United States of America.

The Company sold three franchises each year during the years ended September 30, 2022 and 2021. During the years ended September 30, 2022 and 2021, the Company terminated 14 and 13 franchises, respectively, to bring the total number of franchises to 211 and 222, respectively.

The Company's obligation under the franchise agreement is to train and assist franchise owners with the setup of the franchise business. The Company provides the franchise owner with sales materials and sample maintenance contracts. The Company protects its rights and, in a limited fashion, the rights of the franchise owner as it relates to claims of infringement regarding the use of its trademarks.

Basis of Presentation

The accompanying financial statements have been prepared from the separate records maintained by the Company in accordance with U.S. generally accepted accounting principles ("U.S. GAAP").

Risks and Economic Uncertainties

The outbreak of a novel coronavirus ("COVID-19"), which the World Health Organization declared in March 2020 to be a pandemic, continues to spread throughout the United States of America and the globe. The Company initially saw a slowdown of revenue, but in the months following the initial impact of the pandemic have returned to normal levels. The extent of the ultimate impact of the pandemic on the Company's operational and financial performance will depend on various developments, including the duration and spread of the outbreak and its impact on customers, vendors, and employees, all of which cannot be reasonably predicted at this time.

Use of Estimates

The preparation of the financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Notes to Financial Statements

Accounts Receivable (including due from affiliate)

Accounts receivables are recorded at the invoiced amount and do not bear interest. The allowance for doubtful accounts is the Company's best estimate of the amounts of probable credit losses in the Company's existing trade receivables. The Company determines the allowance based on historical experience of expected collections. The Company reviews its allowance for doubtful accounts on a quarterly basis. Account balances are charged off against the allowance after all means of collection have been exhausted and the potential for recovery is considered remote. At September 30, 2022 and 2021, management determined that no allowance was deemed necessary.

In April 2017, the Parent and certain of its wholly-owned subsidiaries, entered into a receivables securitization program (the "Securitization Program") with third party lenders. Under this Securitization Program, the Company sold all of the accounts receivables and unbilled revenues ("Receivables"), on a revolving basis, to BrightView Funding, LLC ("Funding"), a wholly-owned and consolidated special purpose subsidiary of the Parent. Funding then pledges its interest in the Receivables to the Securitization Program lenders, which make loans to Funding. The Securitization Program is scheduled to expire in February 2024.

Under the Securitization Program, the Company continues to service the Receivables sold and in exchange receives a servicing fee of 1%. Servicing fees for 2022 and 2021 were not material. Transfers of the Receivables under the Agreement are accounted for as sales and, accordingly, Receivables sold are excluded from accounts receivable on the balance sheet and are reflected as cash provided by operating activities on the statements of cash flow. During 2022 and 2021, the Company recorded a discount on accounts receivable of \$64,051 and \$59,235, respectively.

As a result of the sales of the Receivables to Funding on a revolving basis, the Company has no accounts receivables as of September 30, 2022 and 2021. The amounts due from Funding related to the sale of such Receivables, is reflected as due from affiliate on the accompanying balance sheets.

Property and Equipment

Property and equipment are stated at cost. Depreciation of property and equipment is calculated using the straight-line method over the estimated useful lives of the assets, generally three to seven years. The cost of leasehold improvements is amortized over the lesser of the life of the improvements or the term of the lease. Expenditures for repairs and maintenance are charged to operations as incurred. Depreciation and amortization expense for the years ended September 30, 2022 and 2021 was \$89,390 and \$54,862, respectively.

Long-Lived Assets

The Company analyzes its long-lived assets for events and circumstances that might indicate that the assets may be impaired and undiscounted net cash flows estimated to be generated by those assets are less than their carrying amounts. Management evaluated its long-lived assets and determined that there were no indications of impairment present at September 30, 2022 and 2021.

Notes to Financial Statements

Income Taxes

The Company files a consolidated federal income tax return and multiple combined state tax returns through its Parent. The Company uses a blended state rate to account for its share of state tax liability. The Company has no tax sharing agreement with its Parent and therefore, any payable or receivable is categorized into equity as Additional Paid-in Capital or Deemed Dividend.

Accounting Standards Codification ("ASC") 740-10 requires companies to determine whether it is more likely than not, that a tax position will be sustained upon examination by the appropriate taxing authorities before any part of the benefit can be recorded in the financial statements. The Company recognizes interest and penalties accrued related to unrecognized tax benefits in income tax expense.

The Company assessed its uncertain tax positions and has determined that no liability is required to be recorded for uncertain tax positions as of September 30, 2022 and 2021. For the years ended September 30, 2022 and 2021, there were no interest or penalties.

Deferred income tax assets and liabilities are computed annually for differences between the financial statement and federal income tax bases of assets and liabilities that will result in taxable or deductible amounts in the future, based on enacted tax laws and rates applicable to the periods in which the differences are expected to affect taxable income.

Valuation allowances are established, when necessary, to reduce deferred tax assets to the amount expected to be realized. Allocation of income taxes is the tax payable or refundable for the year plus or minus the change during the year in deferred tax assets and liabilities.

Advertising Expenses

Advertising costs are expensed as incurred. For the years ended September 30, 2022 and 2021, advertising costs amounted to \$121,877 and \$113,425, respectively.

Recently Adopted Accounting Standards

In February 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2016-02, *Leases (Topic 842)*. This update requires organizations to recognize lease assets and lease liabilities on the balance sheet and also disclose key information about leasing arrangements. This ASU is effective for annual reporting periods beginning after December 15, 2021 with early adoption and implementation allowed. The Company adopted ASU 2016-02 for the year ended September 30, 2021 using the effective date method. The Company accounted for its existing operating lease as operating lease under the new guidance, with reassessing (a) whether the contract contains a lease under Topic 842, (b) whether the classification of the operating leases would be different under Topic 842, or (c) whether any unamortized initial direct costs before transaction adjustments would have met the definition of initial direct costs under Topic 842 at lease commencement.

Notes to Financial Statements

As a result of the adoption of the new lease accounting guidance, as of October 1, 2020, the Company recognized (a) an operating lease liability of approximately \$330,000, which represents the present value of the remaining lease payments of approximately \$343,000, discounted using the Company's incremental borrowing rate of 2.78%, and (b) an operating lease asset of approximately \$330,000. During 2022, the Company extended the terms of the office lease and entered into a new equipment lease which resulted in an increase to the operating lease asset and operating lease liability by approximately \$770,000.

Subsequent Events

In preparing these financial statements, the Company has evaluated, for potential recognition or disclosure, significant events or transactions that occurred during the period subsequent to September 30, 2022, the most recent balance sheet presented herein, through January 10, 2023, the date these financial statements were available to be issued. No significant such events or transactions were identified.

2. REVENUE RECOGNITION

The Company recognizes revenues in the period in which the services are performed, typically ratably over the term of the contract, which the Company believes to be the best measure of progress. The Company recognizes revenues as it transfers control of products and services to its customers in an amount reflecting the total consideration it expects to receive from the customer. Revenue is recognized according to the following five step model: (1) identify the contract with a customer, (2) identify the performance obligations in the contract, (3) determine the transaction price, (4) allocate the transaction price to the performance obligations in the contract, and (5) recognize revenues when a performance obligation is satisfied.

The Company determined that for contracts containing multiple performance obligations, stand-alone selling price is readily determinable and billed separately for each performance obligation, therefore allocation of the transaction price to multiple performance obligations is not necessary. The transaction price will include estimates of variable consideration, such as provisions for doubtful accounts to the extent it is probable that a significant reversal of revenue recognized will not occur.

In all cases, when a sale is recorded by the Company, no significant uncertainty exists surrounding the purchaser's obligation to pay.

Landscape Maintenance: Revenues are generated primarily through landscape maintenance services such as lawn care, mowing, gardening, mulching, leaf removal, irrigation and tree care, under recurring annual contracts, which typically range from one to three years. These contracted services are billed on an equal monthly basis and revenue is recognized in equal monthly amounts over time as monthly services are performed.

U.S. LAWNS, INC.

Notes to Financial Statements

Royalty Fees: The Company has a performance obligation to franchisees to provide certain resources to market and build the business and license to operate under the Company's brand name. As compensation for such services, the Company is entitled to ongoing royalty fees, which represent variable consideration as the transaction price is based on a percentage of certain franchise revenues, as defined in each contract. Royalty fees are recognized on a monthly basis over the term of the agreement as those amounts become payable.

Franchise Fees: Franchise fees and costs associated with the franchise set-up are capitalized and recognized on a straight-line basis over nine years. Franchise transfer fees are recognized as incurred.

Franchisee Sales: Franchisee sales revenues are recognized at a point in time and consist of revenues received from franchisees for purchases of supplies and equipment through third party vendors. Revenue is recognized when the equipment or product is purchased by the franchisee. The Company is liable for the payment to the vendor and collection from the franchisee. For the years ended September 30, 2022 and 2021, franchisee sales amounted to \$1,791,919 and \$1,337,353, respectively. These revenues are included in other revenues on the accompanying statements of income.

Partner Program: Partner program revenues consist of revenues received from various third party partners for sponsorship and exhibition of partner brands and commissions for goods sold to franchisees. These revenues are recognized at a point in time as the aforementioned performance obligations are performed. For the years ended September 30, 2022 and 2021, partner program revenues amounted to \$694,182 and \$445,754, respectively. These revenues are included in other revenues on the accompanying statements of income.

The following table presents the Company's revenue disaggregated by over time and point in time recognition for the years ended September 30:

	2022	2021
Over time recognition	\$ 8,201,932	\$ 7,717,907
Point in time recognition	2,486,101	1,783,107
Total revenue	\$ 10,688,033	\$ 9,501,014

Contract Assets and Liabilities

Contract assets consist of capitalized franchise set-up costs incurred by the Company that are recognized over time. Contract liabilities consist of franchise fee payments received from customers that are contractually due, however, the revenue associated with such payment is recognized over time. Contract liabilities are presented as deferred revenue on the accompanying balance sheets.

U.S. LAWNS, INC.

Notes to Financial Statements

At September 30, changes in contract assets and liabilities, are as follows:

	2022		2021	
	Assets	Liability	Assets	Liability

Balance, end of year	\$ 381,784	\$ 1,045,848	\$ 488,092	\$ 1,293,922

Sales taxes collected from customers and remitted to governmental authorities are accounted for on a net basis and therefore are excluded from revenues in the statement of income.

3. PROPERTY AND EQUIPMENT

Net property and equipment consists of the following amounts at September 30:

	2022	2021
Property and equipment		
Leasehold improvement	\$ 67,654	\$ 67,654
Transportation vehicles	106,663	106,663

Total	686,941	567,703
Less accumulated depreciation	460,774	468,196
Net property and equipment	\$ 226,167	\$ 99,507

4. NOTES RECEIVABLE

Notes receivable represent amounts due from third party franchisees for the purchase of franchise rights. Most notes bear interest at 5% plus the prime rate (adjusted on a quarterly basis) and have various maturities through 2027. In general, notes receivable are collateralized by the underlying business assets of the franchisee. The notes receivable reserve is the Company's best estimate of the amount of probable credit losses in the Company's existing notes receivables. The Company determines the reserve based on historical experience of expected collections. At September 30, 2022 and 2021, the allowance for notes receivable doubtful accounts amounted to \$6,225 for both years.

U.S. LAWNS, INC.

Notes to Financial Statements

Aggregate maturities of notes receivable, net of allowance for doubtful accounts, are as follows:

Year	Amount
2023	\$ 125,753

5. ACCRUED LIABILITIES

At September 30, accrued liabilities consist of the following:

	2022	2021
Payroll	\$ 383,128	\$ 410,458
Other	<u>358,124</u>	<u>571,761</u>
Total	<u>\$ 741,252</u>	<u>\$ 982,219</u>

6. INCOME TAXES

Components of income tax expense for the years ended September 30, are as follows:

	2022	2021
Current		
Federal	\$ 891,429	\$ 583,933
State	<u>147,971</u>	<u>160,228</u>

	<u>142,381</u>	<u>(1,896)</u>
Total	<u>\$ 1,181,781</u>	<u>\$ 742,265</u>

U.S. LAWNS, INC.

Notes to Financial Statements

Total income tax expense differs from the amount computed by applying the U.S. federal income tax rate of 21% for 2022 earnings before income taxes primarily due to state income taxes, non-deductible expenses, and additional allocation of income taxes by the Parent.

The tax effects of temporary differences that give rise to significant portions of the deferred tax assets and deferred tax liabilities at September 30, are as follows:

	2022	2021
Deferred tax assets		
Deferred revenue	\$ 194,966	\$ 195,666
Other	13,107	58,808
	<u>208,073</u>	<u>254,474</u>
Deferred tax liabilities		
Property and equipment	(53,349)	(25,515)

	<u>(126,090)</u>	<u>(25,515)</u>
Deferred, net	<u><u>\$ 81,983</u></u>	<u><u>\$ 228,959</u></u>

In assessing the valuation of deferred tax assets, management considers whether it is more likely than not that some portion or all of the deferred tax assets will not be realized. The ultimate realization of deferred tax assets is dependent upon the turnaround of deferred tax liabilities and the projection of future income. Management has concluded that, more likely than not, all deferred tax assets as of September 30, 2022 and 2021, will be realized. Furthermore, management considers both positive and negative evidence in evaluating the need for a valuation allowance.

7. EMPLOYEE BENEFIT PLANS

Employees of the Company participate in a 401(k) defined contribution plan (the "Plan") adopted by the Company for all employees. After 90 days of service, employees become eligible to participate in the Plan and may contribute from 2% to 50% of their compensation to the Plan, which is tax deferred. The Company, at its sole discretion, may contribute a matching contribution determined each year by the Company. During the years ended September 30, 2022 and 2021, the Company contributed \$59,581 and \$7,334, respectively, to the Plan.

U.S. LAWNS, INC.

Notes to Financial Statements

8. RELATED PARTY TRANSACTIONS

The Parent, at its discretion, may charge the Company an operating and administrative services fee. During the years ended September 30, 2022 and 2021, the Parent did not charge the Company an operating and administrative service fee.

In the normal course of business, cash receipts and disbursements are managed by the Parent who in turn reconciles such cash activity with the Company on a periodic basis through an intercompany account. The excess of cash received over payments made by the Parent on behalf of the Company is determined to be a deemed dividend. The balance of such deemed dividend as of September 30, 2022 and 2021 is included as a reduction to shareholder's equity.

See Note 1 for receivables Securitization Program with an affiliate.

9. COMMITMENTS AND CONTINGENCIES

The Company leases office space and office equipment under operating leases with nonrelated parties, which expire through September 2028. The lease for office space provides for increases in future minimum annual rent payments based on defined increases in the lease agreement.

At September 30, 2022, the maturities of operating lease liability are as follows:

Year	Amount
2023	\$ 132,186
2024	139,448
2025	143,536
2026	147,746
2027	152,079
Thereafter	<u>167,532</u>
	882,527
Less amount representing interest	<u>84,407</u>
Total	<u><u>\$ 798,120</u></u>

A. Rights Granted. We hereby grant to you, subject to the terms and conditions of this Agreement, the right and license to engage in and conduct a U.S. LAWNS Business identified by the Marks that we authorize for your use hereunder (or such other marks as we may direct) for the territory consisting of the area set forth in Section 3 of Schedule A (the “Territory”).

You hereby accept said license and undertake the obligation to operate your Business faithfully, honestly and diligently, using the System in compliance with our standards and requirements for the System. You agree to maintain and operate your Business under your active and continuous supervision and management. You must begin operating your Business within three months of the date we sign this Agreement, although you may not commence operations of your Business until you successfully complete our training program and we have approved the commencement date of operations. The license granted herein is limited to the right to operate your Business only within the Territory and may not be used elsewhere or at any other location by you, except as we may authorize from time to time and under the terms and conditions set forth in the Operations Manual or otherwise in writing. If we do permit you to service clients outside the Territory, we reserve the right to require you to cease servicing those clients, and you agree to assist in transferring the service needs of those clients immediately to the entity that will continue to service those clients, all without compensation to you. You do not have the right to subfranchise, sublicense, assign or transfer your rights under this Agreement, except as specifically provided in this Agreement.

B. Territory Rights. During the term of this Agreement and provided that you are in compliance with the terms and conditions of this Agreement, we will not (i) modify the Territory without your written permission, or (ii) establish either a company-owned or franchised Landscape Maintenance Business within the Territory under the U.S. LAWNS Marks, although we or another franchisee may from time to time service particular customers in the Territory in the event you are unable or unwilling for whatever reason to meet the service needs of those customers, all as set forth in the Operations Manual.

C. Our Reservation of Rights. We retain all rights that are not expressly granted to you under this Agreement. We and our affiliates may, among other things, on any terms and conditions we deem advisable, without compensation to any franchisee, and without granting you any rights therein:

- (i) establish and/or license others to establish franchised or company-owned U.S. LAWNS businesses at any location outside the Territory regardless of the proximity of such business to your Territory;

(ii) advertise, market, promote and provide any goods and services under trademarks, service marks, trade names and other commercial symbols other than the Marks, at any location, within or outside the Territory, and to solicit prospective customers, including Property Management Companies, for such goods and services wherever they may be located;

(iii) merge with, acquire or become acquired by (“Merger/Acquisition Activity”) any businesses, including competitive businesses, which businesses operate under trademarks other than the U.S. LAWNS Marks and may offer or sell products and services that are the same as or similar to the products and services offered at or from your U.S. LAWNS Business, and which may be located anywhere inside or outside the Territory; and

(iv) except for the limited rights granted to you in Section 2.B, sell and distribute for ourselves and/or license others to sell and distribute within and outside the Territory, products or services the same as or different from the products and services offered from your U.S. LAWNS Business, and which are offered and distributed under marks different than the Marks.

D. Regional Accounts. Without limiting the generality of Section 2.C, we expressly reserve the right to solicit Regional Accounts wherever located. In order to enable us to negotiate special arrangements involving Regional Accounts, including responding to requests for proposals (“RFP”) involving locations which may or may not be located in the Territory, upon our request, you must promptly evaluate the applicable Regional Account location(s) located within the Territory and prepare a bid package for each such location in accordance with such formats, procedures and specifications as we may establish, including any supplemental or modified bid package which we may require in order to satisfy the requirements of the Regional Account (each a “Bid Package”). If we accept the Bid Package, you must honor the proposal and execute such agreements and other documents and instruments as we and the Regional Account may require to fulfill the agreed upon contract terms (“Regional Account Agreement”). We will afford you the first opportunity to submit a Bid Package on each proposed Regional Account location which is within your Territory and to perform Landscape Maintenance Services to Regional Account locations located in the Territory; provided, however, that we may, as applicable, submit Bid Packages and perform such Landscape Maintenance Services ourself or cause other franchisees or contractors to do so, if: (a) you fail to timely submit a Bid Package in accordance with our request; (b) we reject your Bid Package or if the Regional Account notifies you or us that it does not wish to be served by you; (c) you for any reason fail or refuse to perform in accordance with the Bid Package and Regional Account Agreement; (d) you are, at the time of the issuance of the RFP or submission of the Bid Package, in default of your obligations or under any other agreement with us, or under any other Regional Account Agreement to which you are a party; or (e) you are, in our judgment, exercised in good faith, not qualified, equipped or otherwise capable to satisfy the RFP or Regional Account Agreement requirements or to perform the services

as required. You acknowledge and agree that we or our affiliate may charge a management fee to offset the sales and administrative expenses of processing and managing Regional Accounts. The amount of the management fee varies from customer to customer based upon a number of factors including: i) the direct cost of administrative and management oversight provided; ii) the associated overhead cost such as payment terms (financing) and risk management (insurance); and iii) the profit margin.

We may, but are not obligated to, compensate you for Landscape Maintenance Services performed by us, our affiliate or another franchisee or contractor for Regional Account locations which are located within your Territory in such amounts (if any) as we determine.

In addition to the Regional Accounts program, as it may be modified from time to time, an affiliate of ours may offer you subcontract work in accordance with its then-current procedures for servicing Centrally Managed Accounts. For purposes of this Agreement, the term “Centrally Managed Accounts” refers to customer accounts for multi-site, geographically dispersed real estate portfolios utilizing a network of subcontractors to perform the services. Our affiliates are not obligated to provide you with any subcontract work and may offer such work to your competitors.

SECTION 3 TRADEMARK STANDARDS AND REQUIREMENTS

3. You acknowledge and agree that the Marks are our property and we have licensed the use of the Marks to you and others. You further acknowledge that your right to use the Marks is specifically conditioned upon the following:

A. Mark Ownership. The Marks are our valuable property, and we are the owner of all right, title and interest in and to the Marks and all past, present or future goodwill of the U.S. LAWNS Business and of the business conducted that is associated with or attributable to the Marks. Your use of the Marks will inure to our benefit. You may not, during or after the term of this Agreement, engage in any conduct directly or indirectly that would infringe upon, harm or contest our rights in any of the Marks or the goodwill associated with the Marks, including any use of the Marks in a derogatory, negative, or other inappropriate manner in any media, including but not limited to print or electronic media.

B. Use of Marks. You may not use, or permit the use of, any trademarks, trade names or service marks in connection with the U.S. LAWNS Business except those we authorize or direct in writing. You may use the Marks only in connection with such products and services as we specify and only in the form and manner we prescribe in writing. You must comply with all trademark, trade name and service mark notice marking requirements. You may use the Marks only in association with products and services approved by us and that meet our standards or requirements with respect to quality, production, installation and sale.

C. Business Identification. You must use the name U.S. LAWNS as the trade name of the Business and you may not use any other mark or words to identify

the Business without our prior written consent. You may not use the words “U.S. LAWNS” or any of the other Marks as part of the name of your corporation, partnership, limited liability company or other business entity. You may use the Marks on various materials, such as business cards, stationery and checks, provided you (i) accurately depict the Marks on the materials as we describe, (ii) include a statement on the materials indicating that the business is independently owned and operated by you, (iii) do not use the Marks in connection with any other trademarks, trade names or service marks unless we specifically approve in writing prior to such use, and (iv) make available to us, upon our request, a copy of any materials depicting the Marks. You must post a prominent sign in your office identifying you as a U.S. LAWNS franchisee in a format we deem reasonably acceptable, including an acknowledgment that you independently own and operate the U.S. LAWNS Business and that the U.S. LAWNS Mark is owned by us and your use is under a license we have issued to you.

D. Litigation. In the event any person or entity improperly uses or infringes the Marks or challenges your use or our use or ownership of the Marks, we will control all litigation and we have the right to determine whether suit will be instituted, prosecuted or settled, the terms of settlement and whether any other action will be taken. You must promptly notify us of any such use or infringement of which you are aware or any challenge or claim arising out of your use of any Mark. You must take reasonable steps, without compensation, to assist us with any action we undertake. We will be responsible for our fees and expenses with any such action, unless the challenge or claim results from your misuse of the Marks in violation of this Agreement, in which case you must pay us for our costs and expenses.

E. Changes. You may not make any changes or substitutions to the Marks unless we direct in writing. We reserve the right to change the Marks at any time and you must comply with any such changes within the time frames we specify.

F. Creative Works. All ideas, concepts, techniques, or materials concerning the U.S. LAWNS business, whether or not protectable intellectual property and whether created by or for you or one of your owners or employees, must be promptly disclosed to us and will be deemed to be our sole and exclusive property, part of the System, and works made-for-hire for us. To the extent any item does not qualify as a “work made-for-hire” for us, you must assign ownership of that item, and all related rights to that item, to us and must take whatever action (including signing an assignment agreement or other documents) we request to show our ownership or to help us obtain intellectual property rights in the item.

SECTION 4 TERM AND RENEWAL

4. The following provisions control with respect to the term and renewal of this Agreement:

A. Term. The initial term of this Agreement is 10 years. The initial term commences upon the Effective Date (as defined in Section 14.P) of this Agreement.

You may renew your license for two additional terms of 10 years each, provided that with respect to each renewal: (i) you have given us written notice of your decision to renew at least 120 days but not more than 180 days prior to the end of the expiring term; (ii) you sign our then-current form of franchise agreement (modified to reflect that the agreement relates to the grant of a renewal), the terms of which may differ from this Agreement, including higher fees; (iii) pay a \$5.00 renewal fee; (iv) you are not in default of this Agreement or any other agreement pertaining to the franchise granted, have satisfied all monetary and material obligations on a timely basis during the term and are in good standing; (~~iv~~) you comply with our then-current training requirements; and (~~v~~) you and your guarantors execute a general release of claims in a form we prescribe.

C. Interim Period. If you do not exercise your right to renew this Franchise Agreement prior to the expiration of this Agreement and you continue to accept the benefits of this Agreement after the expiration of this Agreement, then at our option, this Agreement may be treated either as (i) expired as of the date of expiration with you then operating a franchise without the right to do so and in violation of our rights; or (ii) continued on a month-to-month basis (“Interim Period”) until one party provides the other with written notice of such party’s intent to terminate the Interim Period, in which case the Interim Period will terminate 30 days after receipt of the notice to terminate the Interim Period. In the latter case, all of your obligations shall remain in full force and effect during the Interim Period as if this Agreement had not expired, and all obligations and restrictions imposed on you upon expiration of this Agreement shall be deemed to take effect upon termination of the Interim Period.

SECTION 5 PRODUCTS AND OPERATIONS STANDARDS AND REQUIREMENTS

5. You must implement and abide by our requirements and recommendations directed to enhancing substantial System uniformity. The following provisions control with respect to products and operations:

A. Facilities. Before commencing operation of the U.S. LAWNS Business, you must have: i) a centrally located storage or warehouse facility in the Territory, ii) an office, the location of which is subject to our reasonable approval, iii) all designated equipment, supplies and uniforms for the operation of the U.S.

LAWNS Business, and iv) at least one Service Vehicle identified and equipped in accordance with our standards and specifications.

B. Authorized Products and Supplies. You must use in the operation of the U.S. LAWNS Business and in the offer and sale of the products and services we approve only the techniques, equipment, procedures and supplies we specify in writing. You acknowledge and agree that we may change any of our requirements periodically and that you are obligated to conform to the requirements. All customer service materials and promotional items of all descriptions and types must meet our standards of uniformity and quality. You acknowledge that the U.S. LAWNS Business must at all times maintain an inventory of products, material and supplies that will permit operation of the U.S. LAWNS Business at sufficient capacity.

C. Approved Supplies and Suppliers. We may furnish to you from time to time lists of approved supplies or approved suppliers. We reserve the right to require that you only use approved products, inventory, equipment, signs, advertising materials, and other items (collectively “Proprietary Products”) in the U.S. LAWNS Business as set forth in the Proprietary Products and approved suppliers lists, as we may amend from time to time. We may develop and research new products as we determine necessary. Although we do not do so for every item, we have the right to approve the supplier of Proprietary Products. You acknowledge and agree that certain Proprietary Products may only be available from one approved supplier source, and we or our affiliates may be that source. You will pay the then-current price in effect for any approved products and supplies you purchase from us or our affiliates. All inventory, products, materials and other items and supplies used in the operation of the U.S. LAWNS Business must conform to the specifications and standards we establish from time to time. **ALTHOUGH APPROVED BY US, WE AND OUR AFFILIATES MAKE NO WARRANTY AND EXPRESSLY DISCLAIM ALL WARRANTIES, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR ANY PARTICULAR PURPOSE, WITH RESPECT TO PRODUCTS, EQUIPMENT (INCLUDING WITHOUT LIMITATION AND ANY REQUIRED COMPUTER SYSTEMS), SUPPLIES, FIXTURES, FURNISHINGS OR OTHER APPROVED ITEMS.**

D. Computer System; Customer Information. You must purchase a computer system, including all future updates, supplements and modifications (the “Computer System”) that meets our standards and requirements. The Computer System will be used to develop a database of Customer Information, schedule your appointments, generate bids and proposals, maintain communications over the Internet, and produce your accounting records. We own all Customer Information and may use the Customer Information as we deem appropriate (subject to applicable law). You may only use the Customer Information to the extent necessary to perform your obligations under this Agreement and during the term hereof and subject to all privacy, security and other applicable laws. Without limiting the foregoing, you agree to comply with applicable law in connection with

your collection, storage and your use and our use of the Customer Information, including, if required under applicable law, obtaining consents from customers to our sharing of the Customer Information as contemplated hereunder. You must comply with all laws and regulations relating to data protection, privacy and security, and must comply with any data protection, privacy and security policies including data breach response policies we may periodically establish.

You may be required to license software from us, an affiliate, or a third party and you also may be required to pay an additional software licensing or user fee in connection with your use of the software and sign any applicable software license agreement. All right, title and interest in the software will remain with the licensor of the software. You shall not use or download any software on your computer unless it has been authorized by us in writing. In the event that you use or download any unauthorized software, you shall be liable for all damages and problems caused by the unauthorized software in addition to the other remedies provided under this Agreement. You acknowledge and agree that we will have full and complete access to the information and data entered and produced by the Computer System. You must have Internet access with a form of high speed connection as we require and you must maintain a dedicated email account for the U.S. LAWNS Business, separate from any personal or other email account. You must purchase any upgrades, enhancements or replacements to the Computer System and/or hardware and software that we may from time to time require. At your cost and expense, you must subscribe to the U.S. LAWNS Franchise Support internet web site, or successor system established by us (with access fees paid by you). It is your responsibility to make sure that you are in compliance with all laws that are applicable to the Computer System or other technology used in the operation of your Business, including all data protection or security laws as well as PCI compliance.

E. Promotional Items. All sales promotion materials, customer goodwill items and signage used in the sales promotion, sale and distribution of products or services covered by this Agreement are subject to our approval and must, where practicable, contain one or more of the Marks. We may require you to purchase these items from an approved supplier.

F. Evaluations. We or our authorized representative have the right to visit and inspect your U.S. LAWNS Business at all reasonable times during the business day for the purpose of making periodic evaluations and to ascertain if the provisions of this Agreement are being observed by you, to inspect and evaluate your building, land and equipment, and to test, sample, inspect and evaluate your supplies, products and services. Any failure of an inspection is a default under Section 12.A of this Agreement. Further, if we determine that any condition in the U.S. LAWNS Business presents a threat to customers or public health or safety, we may take whatever measures we deem necessary, including requiring you to immediately close the U.S. LAWNS Business until the situation is remedied to our satisfaction. Any evaluation or inspection we conduct is not intended to exercise,

and does not constitute, control over your day-to-day operation of the Business or to assume any responsibility for your obligations under this Agreement.

G. Operating Procedures. We will loan you a copy of our Operations Manual. You must adopt and use as your continuing operational routine the required standards, service style, procedures, techniques and management systems described in our Operations Manual or other written materials relating to services, uniforms, financial management, equipment and facility requirements. We will revise the Operations Manual and these standards, procedures, techniques and management systems periodically to meet changing conditions in the best interest of the commercial U.S. LAWNS businesses. The Operations Manual will contain both mandatory standards and recommended standards. Any required standards exist to protect our interests in the System and the Marks and not for the purpose of establishing any control or duty to take control over those matters that are reserved to you. The Operations Manual also will include guidelines or recommendations in addition to required standards. In some instances, the required standards will include recommendations or guidelines to meet the required standards. You may follow the recommendations or guidelines or some other suitable alternative, provided you meet and comply with the required standards. In other instances, no suitable alternative may exist. In order to protect our interests in the System and Marks, we reserve the right to determine if you are meeting a required standard and whether an alternative is suitable to any recommendations or guidelines.

You acknowledge having received one copy of the Operations Manual on loan from us for the term of this Agreement. The Operations Manual is at all times our sole property. You must at all times treat the Operations Manual, and the information they contain, as secret and confidential, and must use all reasonable efforts to maintain such information as secret and confidential. We may from time to time revise the contents of the Operations Manual and you expressly agree to comply with each new or changed requirement. You must at all times ensure that your copy of the Operations Manual is kept current and up to date, and in the event of any dispute as to the contents of said Operations Manual, the terms of the master copy of the Operations Manual that we maintain are controlling. We will notify you of any updates or modifications to the Operations Manual and you acknowledge and agree that in the future the Operations Manual and other system communications may only be available on the Internet or other online or computer communications.

H. Confidential Information. You may not, during the term of this Agreement or thereafter, communicate, divulge or use for the benefit of any other person or entity any Confidential Information, except to such employees as must have access to it in order to operate the U.S. LAWNS Business. Any and all Confidential Information, including, without limitation, methods, procedures, suggested pricing, specifications, processes, materials, techniques and other data, may not be used for any purpose other than operating the U.S. LAWNS Business. We may require that you obtain nondisclosure and confidentiality agreements in a

form satisfactory to us from any persons owning a minority interest in the franchisee, your manager and other key employees. You must provide executed copies of these agreements to us upon our request.

I. Compliance with Law; Licenses and Permits. You must at all times maintain and conduct your U.S. LAWNS Business operations in compliance with all applicable laws, regulations, codes and ordinances. You must secure and maintain in force all required licenses, permits and certificates relating to your U.S. LAWNS Business.

You acknowledge that you are an independent business and responsible for control and management of your U.S. LAWNS Business, including, but not limited to, the hiring and discharging of your employees and setting and paying wages and benefits of your employees. You acknowledge that we have no power, responsibility or liability in respect to the hiring, discharging, setting and paying of wages or related matters.

You must immediately notify us in writing of any claim, litigation or proceeding that arises from or affects the operation or financial condition of your U.S. LAWNS Business.

J. Participation in Internet Websites or Other Online Communications. We may require you, at your expense, to participate in our U.S. LAWNS website on the Internet, our intranet or extranet system or other online communications as we may require. We have the right to determine the content and use of our website and intranet or extranet system and will establish the rules under which franchisees may or must participate. We will post your U.S. LAWNS Business's contact information on our website. You may not separately register any domain name containing any of the Marks or operate a website for your U.S. LAWNS Business. We reserve the right to establish rules, procedures and policies relating to any website you create for the operation of your U.S. LAWNS Business. We may immediately terminate this Agreement if you register any domain name containing any of the Marks. We retain all rights relating to our website and intranet system and may alter or terminate our website, extranet system or intranet system. Your general conduct on our website and intranet or extranet system or other online communications and specifically your use of the Marks or any advertising is subject to the provisions of this Agreement. You acknowledge that certain information related to your participation in our website, extranet system or intranet system may be considered Confidential Information, including access codes and identification codes. Your right to participate in our website and intranet or extranet system, or otherwise use the Marks or System on the Internet or other online communications, will terminate when this Agreement expires or terminates. You acknowledge and agree that you do not have any right to use the Marks on any website except as expressly approved by us in writing.

K. System Modifications. You acknowledge and agree that we have the right to modify, add to or rescind any requirement, standard or specification that

we prescribe under this Agreement to adapt the System to changing conditions, competitive circumstances, business strategies, business practices and technological innovations and other changes as we deem appropriate. You must comply with these modifications, additions or rescissions at your expense, subject to any express limitations set forth in this Agreement.

L. Suggested Pricing Policies. We may, from time to time, make suggestions to you with regard to your pricing policies. In addition, we have the right to negotiate national or regional account arrangements, including pricing which will bind all U.S. LAWNS Businesses providing services to such accounts. Although you generally have the right to establish prices for the products and services you sell, we reserve the right to establish and enforce prices, both minimum and maximum, to the extent permitted by applicable law.

M. Minimum Performance Standards. During each year of operation, you must meet the following minimum annual Gross Billings: i) at least \$50,000 for the first year of operation; ii) at least \$100,000 for the second year of operation; and iii) at least \$200,000 for the third year of operation and each subsequent year.

N. Crisis Situations. In the interest of protecting the Marks and the System, we have the sole and absolute right to determine a response, including what steps will be taken and what communications will be made, in instances of a Crisis, and you agree to comply with and implement our directions in response to a Crisis. “Crisis” means an event or development that negatively impacts the System or Marks in such a way that we determine may cause substantial harm or injury to the Marks, System, reputation or image.

SECTION 6 PERSONNEL AND SUPERVISION STANDARDS

6. The following provisions and conditions control with respect to personnel, training and supervision:

A. Supervision of the Business. You must devote full-time attention to your U.S. LAWNS Business, and it at all times must be under your direct supervision (or a designated owner in the event you are a corporation, partnership, or other business entity). Your owners must be those persons who are actively involved in the Business and they must be personal guarantors.

B. Training. You must comply with all of the training requirements we prescribe for the U.S. LAWNS Business to be developed under this Agreement. You (or if Franchisee is a legal entity, one of your owners) must attend our initial training program and complete the training program to our satisfaction. We will not charge you a fee for up to three persons to attend our initial training program. You, however, are responsible for paying all costs and expenses, including hotel and transportation costs, for the people to attend our initial training program. If you would like us to train more than the three people, or if it becomes necessary to re-train a certain individual, we reserve the right to charge you a training fee. You

also will be responsible for paying all costs and other daily expenses for any additional person who attends our initial training program. The training requirements may vary depending on your experience and other factors specific to the U.S. LAWNS Business. In the event you are given notice of default and the default relates, in whole or in part, to your failure to meet any operational standards, we have the right to require, as a condition of curing the default that you and your manager, at your expense, comply with the additional training requirements we prescribe. Any new manager you hire must comply with our training requirements within a reasonable time as we specify. Under no circumstances may you permit management of the U.S. LAWNS Business's operations on a regular basis by a person who has not successfully completed to our reasonable satisfaction all applicable training we require.

C. Ongoing Training. We may require you and other key employees of the U.S. LAWNS Business to attend ongoing training at our training facility or other location we designate (which may be remote). If you request training in addition to the initial training program identified above, we reserve the right to charge you a training fee, plus expenses. Any training provided by us to any of your workers will be limited to training or guidance regarding the delivery of approved services to clients in a manner that reflects the customer and client service standards of the System. You are, and will remain, the sole employer of your employees at all times, including during all training programs, and you are solely responsible for all employment decisions and actions related to your workers. You are solely responsible for ensuring that your workers receive adequate training.

D. Staffing. You will employ a sufficient number of competent and trained employees to ensure efficient service to your customers. No employee of yours will be deemed to be an employee of ours for any purpose whatsoever and nothing in any aspect of the System or the Marks in any way shifts any employee or employment related responsibility from you to us. You alone are responsible for hiring, firing, training, setting hours and compensation for and supervising all employees.

E. Attendance at Meetings. You must attend, at your expense, all annual franchise conventions we may hold or sponsor and all meetings relating to new services or products, new operational procedures or programs, training, business management, sales or sales promotion, or similar topics, including any system-wide teleconferences or web-conferences. We reserve the right to charge you a fee to attend any franchise conventions, meetings, programs or other trainings we require. If you are not able to attend a meeting or convention, you must so notify us prior to the meeting and must have a substitute person, acceptable to us attend the meeting.

SECTION 7 MARKETING

7. You agree to actively promote your U.S. LAWNS Business, to abide by all of our advertising requirements and to comply with the following provisions:

A. Marketing Fund. You must pay to us a Marketing Contribution as set forth in Section 8.C. All Marketing Contributions will be placed in a Marketing Fund that we own and manage. On behalf of our company and affiliate owned U.S. LAWNS businesses, we will pay the same Marketing Contribution as similarly situated franchised commercial U.S. LAWNS businesses. The Marketing Fund is not a trust or escrow account, and we have no fiduciary obligation to franchisees with respect to the Marketing Fund; provided, however, we will make a good faith effort to expend such fees in a manner that we determine is in the general best interests of the System. We have the right to determine the expenditures of the amounts collected and the methods of marketing, advertising, media employed and contents, terms and conditions of marketing campaigns and promotional programs. Because of the methods used, we are not required to spend a prorated amount on each commercial U.S. LAWNS business or in each advertising market. We have the right to make disbursements from the Marketing Fund for expenses incurred in connection with the cost of formulating, developing and implementing marketing, advertising and promotional campaigns. The disbursements may include payments to us for the expense of administering the Marketing Fund, including accounting expenses and salaries and benefits paid to our employees engaged in the advertising functions. If requested, we will provide you an annual unaudited statement of the financial condition of the Marketing Fund.

B. Local Advertising; Approved Materials. You must use your best efforts to promote and advertise your U.S. LAWNS Business and participate in any local marketing and promotional programs we establish from time to time. You must use only such marketing materials as we furnish, approve or make available, and the materials must be used only in a manner that we prescribe. We may, from time-to-time, provide sample advertising and marketing materials for your use and we reserve the right to charge you a fee for any additional copies of these advertising and marketing materials that you request. Furthermore, any promotional activities you conduct in connection with the U.S. LAWNS Business are subject to our approval. We will not unreasonably withhold approval of any sales promotion materials and activities; provided that they are current, in good condition, in good taste and accurately depict the Marks.

C. ~~Initial Prospecting Fee. We will use the initial prospecting fee paid pursuant to Section 8.A~~Grand Opening Advertising. You must expend as we direct, or pay us to expend on your behalf, \$1,000 monthly in each of the first 12-months of the Business, which may begin at least 60 days prior to the opening of the Business. We will use any Grand Opening Advertising fee paid to us to conduct pre-opening marketing on your behalf to commercial property owners, managers and decision makers in your Territory. Promotion may include, but is not limited to, a mix of telephone prospecting, email nurturing campaigns and/or public relation

activities. You may spend additional amounts on other pre-opening promotional activities that are arranged or approved by us. We have the right to determine how to spend the initial prospecting fee and the methods of marketing, advertising, media employed and contents, terms and conditions of the pre-opening marketing campaigns and promotional programs.

SECTION 8 FEES, REPORTING AND AUDIT RIGHTS

8. You must pay the fees described below and comply with the following provisions:

A. Initial Fees. You must pay to us an Initial Franchise Fee ~~and an initial prospecting fee~~ in the amount set forth in the Data Sheet. The Initial Franchise Fee and the initial prospecting fee must be paid at the time this Agreement is signed. The Initial Franchise Fee and the initial prospecting fee are earned upon receipt and are nonrefundable.

No Initial Franchise Fee or initial prospecting fee is payable if you are executing this Agreement in connection with the purchase of an existing U.S. LAWNS Landscape Maintenance Business from an existing franchisee.

B. Royalty. You must pay to us in the manner specified in 8.E monthly Royalties (the “Royalties”) calculated as follows:

- If your Gross Billings in the calendar month are \$62,500 or less, you pay 6% of Gross Billings.
- If your Gross Billings in the calendar month are over \$62,500 but equal to or less than \$125,000, you pay 6% of Gross Billings up to and including \$62,500, plus 5% of the Gross Billings between \$62,500.01 and \$125,000.
- If your Gross Billings in the calendar month are over \$125,000, you pay 6% of all Gross Billings up to and including \$62,500, plus 5% of the Gross Billings between \$62,500.01 and \$125,000, plus 4% of the Gross Billings in excess of \$125,000.
- If you provide Landscape Maintenance Services to customer locations which are located outside your Territory, you pay 6% of Gross Billings for such services regardless of your Gross Billings in the calendar month.

The Royalties are due within 15 days following the end of each calendar month for the previous month.

C. Marketing Contribution. You must pay to us a monthly Marketing Contribution in an amount equal to the lesser of 2% of Gross Billings or a “Marketing Cap” of \$550 per month. The Marketing Contribution is payable within 15 days of the end of each calendar month for the previous month. We reserve the

right to increase the amount of the percentage you are required to pay and/or the Marketing Cap, upon 60 days' notice, but in no event will the Marketing Contribution exceed 3% of Gross Billings and in no event will the increased Marketing Cap exceed an amount equal to 3% of Gross Billings.

D. Technology Fee. You must pay to us a monthly Technology Fee of \$199 for the use of, maintenance and support for the software and other technology we require you to use as further set forth in the Data Sheet. We may increase monthly support and maintenance fees, and/or modify the services that are provided for these fees with 60 days' notice, although such fees will not increase by more than 50% during any 12-month period.

E. Manner of Payment. All Royalties, Marketing Contributions and Technology Fees must be paid to us within 15 days after the end of each and every calendar month based on Gross Billings during the preceding calendar month. You acknowledge and agree that this Section 8.E does not constitute our agreement to accept payments after they are due or a commitment by us to extend credit to you or to otherwise finance your operation of the Business. Further, you acknowledge and agree that your failure to pay all amounts when due will constitute grounds for termination of this Agreement, notwithstanding the provisions of this Section 8.E. You will not, on grounds of the alleged nonperformance by us of any of our obligations under this Agreement, withhold payment of any Royalties, Marketing Contributions or any other amounts due us and you will not, on such grounds, discontinue providing services to customers of the Business in accordance with this Agreement.

F. Electronic Transfer of Funds. You must sign an electronic transfer of funds ("EFT") authorization, attached as Schedule D, to authorize and direct your bank or financial institution to allow us to initiate a transfer of funds electronically, on the 15th day of each month, directly to our account and to charge to your account all amounts due to us. You must maintain a balance in your account sufficient to allow us and our affiliates to collect the amounts owed when due. You are responsible for any penalties, fines or other similar expenses associated with the transfer of funds described in this section. If you fail to timely pay any Royalties, Marketing Contributions or other fees or payments due to us, we have the right to activate the EFT and from that point on collect all Royalties, Marketing Contributions and other amounts owing to us by means of EFT. We will give you 15 days' notice of our intent to begin collecting by means of EFT.

G. Penalty; Late Charges; Interest. If you are delinquent in either submitting required reports or financial information, or are delinquent in paying any payments to us, we may assess a penalty equal to \$5.00 for each day that the failure to submit a required report or financial information continues with a minimum late payment fee of \$25.00. In addition to the late payment fee, you must also pay interest on all amounts outstanding at the rate of 1.5% per month (but not to exceed the maximum legal rate of interest) imposed from the date payment was due or the charge was imposed until the entire sum and late charge is paid in full.

H. Application of Fees. Notwithstanding any designation by you, we have the right apply any payments received from you to any past due indebtedness due us or our affiliates in such amounts and in such order as we determine.

I. Financial Planning and Management. You must keep books and records and submit reports as we periodically require, including but not limited to a monthly balance sheet and monthly statement of profit and loss. You must also retain check registers, purchase records, invoices, sales summaries and inventories, sales tax records and returns, payroll records, cash disbursement journals and general ledgers, all of which accurately reflect the operations and condition of your U.S. LAWNS Business operations. You must compile, keep and submit to us the books, records and reports to us on the forms and using the methods of bookkeeping and accounting as we periodically may prescribe. The records that you are required to keep for your U.S. LAWNS Business must include detailed daily sales, cost of sales, and other relevant records or information maintained in an electronic media format and methodology we approve. You must provide this information to us according to reporting formats, methodologies and time schedules that we establish from time to time. You also must preserve and retain the books, records and reports for not less than 36 months. You must allow us electronic and manual access to any and all records relating to your U.S. LAWNS Business.

J. Reports and Audit. Within 15 days after the end of each month, you must submit to us a report of your Gross Billings with respect to the preceding month in the form and content as we periodically prescribe. The report must include, but not be limited to, the following information for the preceding month: (i) amount of Gross Billings and gross receipts of the U.S. LAWNS Business, and the computation of the Royalties and Marketing Contribution; (ii) copies of your most recent invoice listing and balance sheet and statement of profit and loss, including a summary of your costs for labor, rent and other material cost items; and (iii) if requested by us to verify your Gross Billings, all such books and records as we may require under our audit policies published from time to time. You also must, at your expense, submit to us within 90 days after the end of each fiscal year a detailed balance sheet, profit and loss statement and statement of cash flows for such fiscal year. We may require that the annual financial statements be reviewed by a certified public accountant. You must certify all reports to be true and correct. You acknowledge and agree that we have the right to impose these requirements on you regardless of whether we impose the same requirement on our other franchisees.

We or our authorized representative have the right at all times during the business day to enter the premises where your books and records relative to the U.S. LAWNS Business are kept and to evaluate, copy and audit such books and records. We also have the right to request information from your suppliers, vendors, and customers. In the event that any such evaluation or audit reveals an understatement of 3% or more of your Gross Billings, you must pay for the audit, and in addition to any other rights we may have, we have the right to conduct further periodic audits and evaluations of your books and records as we reasonably deem

necessary for up to two years thereafter and any further audits and evaluations will be at your sole expense, including, without limitation, professional fees, travel, and room and board expenses directly related thereto. Furthermore, if you intentionally understate or underreport Gross Billings at any time, or if a subsequent audit or evaluation conducted within the two-year period reveals any understatement of your Gross Billings of 3% or more, in addition to any other remedies provided for in this Agreement, at law or in equity, we have the right to terminate this Agreement immediately. In order to verify the information that you supply, we have the right to reconstruct your sales through any reasonable method of analyzing and reconstructing sales. You agree to accept any such reconstruction of sales unless you provide evidence in a form satisfactory to us of your sales within a period of 14 days from the date of notice of understatement or variance.

We will keep your financial books, records and reports confidential, unless the information is requested by tax authorities or used as part of a legal proceeding or in a manner as set forth in Section 10.D.8 or where your information is grouped with similar information from other commercial U.S. LAWNS businesses to produce shared results like high-low ranges or average gross sales or expenses on a system-wide or regional basis.

SECTION 9 YOUR OTHER OBLIGATIONS; NONCOMPETE COVENANTS

9. You agree to comply with the following terms and conditions:

A. Payment of Debts. You agree to pay promptly when due: (i) all payments, obligations, assessments and taxes due and payable to us and our affiliates, vendors, suppliers, lessors, federal, state or local governments, or creditors in connection with your business; (ii) all liens and encumbrances of every kind and character created or placed upon or against any of the property used in connection with the U.S. LAWNS Business or business; and (iii) all accounts and other indebtedness of every kind incurred by you in the conduct of the U.S. LAWNS Business. In the event you default in making any such payment, we are authorized, but not required, to pay the same on your behalf and you agree promptly to reimburse us on demand for any such payment.

You also will pay all state and local taxes, including, without limitation, taxes denominated as income or franchise taxes, that may be imposed on us as the result of our receipt or accrual of the Initial Franchise Fee, the Royalties, the Marketing Contribution, or other fees that are referenced in this Agreement, whether assessed against you through withholding or other means or whether paid by us directly. In either case, you shall pay us (and to the appropriate governmental authority) such additional amounts as are necessary to provide us, after taking such taxes into account (including any additional taxes imposed on such additional amounts), with the same amounts that we would have received or accrued had such withholding or other payment, whether by you or by us, not been required.

B. Indemnification. You waive any and all claims against us for damages to property or injuries to persons arising in any way out of this Agreement, your servicing of properties under this Agreement or any subcontracts, or the operation of your U.S. LAWNS Business. You agree to defend at your sole expense, fully protect, indemnify and hold harmless, us, our affiliates, our parent companies, our sister companies and our owners, directors, officers, successors and assigns, as well as our customers and the owners of each and every property you service, from any and all Claims as defined in this Section. “Claims” in this Section means any and all claims, demands, damages, assessments, violations, causes of action, lawsuits, liens, and liabilities of any nature whatsoever arising in any manner, directly or indirectly, out of or in connection with or incidental to the operation of your U.S. LAWNS Business (regardless of cause or any concurrent, superseding or contributing fault, liability or negligence of us, our affiliates, our parent companies, our sister companies, and our customers and the owners of any property you service) or any breach by you or your failure to comply with any of the terms and conditions of this Agreement. We also reserve the right to select our own legal counsel to represent our interests, and you agree to reimburse us for our costs and attorneys’ fees immediately upon our request as they are incurred. As between us and you, you are solely responsible for the safety and well-being of your employees and your customers.

It is the intention of the parties to this Agreement that we shall not be deemed a joint employer with you for any reason; however, if we incur any cost, liability, loss or damage as a result of any actions or omissions of you or your employees, including any that relate to any party making a finding of any joint employer status, you will fully indemnify us for any such cost, liability, loss and damage.

C. Insurance. You must, and hereby agree to, purchase and maintain in full force and effect, at your sole expense and from a company we approve, insurance that insures both you and us, our affiliates our parent companies, our sister companies, and our customers and the owners of any property you service and any other persons or entities we designate by name. The insurance policies must include, at a minimum: (i) commercial general liability insurance covering claims for personal injuries and property damage with minimum limits of \$1,000,000 per occurrence, \$2,000,000 general aggregate, \$2,000,000 products/completed operations aggregate; (ii) employers liability insurance with minimum limits of \$1,000,000 for bodily injury caused by accident or disease, or the minimum required by state law (whichever is greater); (iii) vehicle liability for owner, leased, hired and non-owned vehicles with minimum limits of \$1,000,000 combined single limit for bodily injury and property damage per occurrence; (iv) umbrella liability insurance with minimum limits of \$1,000,000; (v) Worker’s Compensation Insurance; (vi) any other such insurance coverages or amounts as required by law or agreement related to the U.S. LAWNS Business; and (vii) any other insurance we may require from time to time. Additional insurance requirements are set forth in the Manual. All liability insurance policies must name us (and our affiliates, officers, directors and employees), as well as any

subcontractors on the particular property, and/or our customers and/or the owners of any property you service) as additional insureds, must provide that such insurance is primary insurance with respect to the interests of all additionally named insureds, and must provide that any other insurance maintained by us or by you and/or any subcontractor is excess and not contributing insurance with the insurance required under this Agreement. The policy must contain a waiver by the insurance carrier of all subrogation rights against us. You acknowledge and agree that Regional Accounts may require additional types, limits and terms of insurance coverage.

You must deliver to us at commencement and annually or at our request a proper certificate evidencing the existence of such insurance coverage and your compliance with the provisions of this Section. The insurance certificate must show our status as an additional insured (as noted above) and provide that we will be given 30 days' prior written notice of material change in or termination or cancellation of the policy. We also may request copies of all policies. We may modify, upon written notice to you, the required minimum limits from time to time and by written notice to you, as conditions require, to reflect changes in relevant circumstances, industry standards, experiences in the U.S. LAWNS System, standards of liability and higher damage awards. In the event of such notification, you must immediately cause the modification of the policy, and evidence thereof, in accordance with our request. If at any time you do not procure or maintain the insurance coverage required by this Agreement, we have the right, but not the obligation, to procure insurance coverage and to charge the same to you, together with a reasonable fee for the expenses we incur in doing so, payable by you immediately upon notice. We also have the right to terminate this Agreement for cause should you fail to comply with this provision.

D. Noncompete Covenants. You agree that you will receive valuable training and Confidential Information that you otherwise would not receive or have access to but for the rights licensed to you under this Agreement. You therefore agree to the following noncompetition covenants:

1. Unless otherwise specified, the term "you" as used in this Section includes, collectively and individually, all guarantors, officers, directors, members, managers, partners, as the case may be, and holders of any ownership interest in you. We may require you to obtain from your manager and other individuals identified in the preceding sentence a signed non-compete agreement in a form satisfactory to us that contains the non-compete provisions of this Section.

2. You covenant that during the term of this Agreement, or during any Interim Period, you will not, either directly or indirectly, for yourself, or through, on behalf of, or in conjunction with any person or entity, own, manage, operate, maintain, engage in, consult with or have any interest in any Competitive Business (as defined below) other than one authorized by this Agreement or any other agreement between us and you.

3. You covenant that you will not, for a period of two years after the expiration or termination of this Agreement, or after the expiration of any Interim Period, regardless of the cause of termination, or within two years of the sale of the U.S. LAWNS Business or any interest in you, either directly or indirectly, for yourself, or through, on behalf of, or in conjunction with any person or entity, own, manage, operate, maintain, engage in, consult with or have any interest in a Competitive Business (as defined below):

- a. In the Territory;
- b. Within a 50-mile radius of the outer boundary of the Territory; or
- c. Inside the protected territory of another U.S. LAWNS business, whether franchised or owned by us or our affiliates.

For purposes of this Section 9.D, a “Competitive Business” is any business which provides Landscape Maintenance Services.

4. You agree that the length of time in subpart (3) will be tolled for any period during which you are in breach of the covenants or any other period during which we seek to enforce this Agreement. The parties agree that each of the foregoing covenants will be construed as independent of any other covenant or provision of this Agreement.

SECTION 10 TRANSFER OF FRANCHISE

10. You agree that the following provisions govern any transfer or proposed transfer:

A. Transfers. We have entered into this Agreement with specific reliance upon your financial qualifications, experience, skills and managerial qualifications as being essential to the satisfactory operation of the U.S. LAWNS Business. Consequently, neither your interest in this Agreement nor in the U.S. LAWNS Business may be transferred or assigned to or assumed by any other person or entity (the “assignee”), in whole or in part, unless you have first tendered to us the right of first refusal to acquire this Agreement in accordance with Section 10.F, and if we do not exercise such right, unless our prior written consent is obtained, the transfer fee provided for in Section 10.C is paid, and the transfer conditions described in Section 10.D are satisfied. Any sale (including installment sale), lease, pledge, management agreement, contract for deed, option agreement, assignment, bequest, gift or otherwise, or any arrangement pursuant to which you turn over all or part of the daily operation of the business to a person or entity who shares in the losses or profits of the business in a manner other than as an employee will be considered a transfer for purposes of this Agreement. Specifically, but without limiting the generality of the foregoing, the following events constitute a transfer

and you must comply with the right of first refusal, consent, transfer fee, and other transfer conditions in this Section 10:

1. Any 20% or more change in the ownership percentage of the franchisee entity; or
2. Any change in the general partner of a franchisee that is a general, limited or other partnership entity.

In the event of your insolvency or the filing of any petition by or against you under any provisions of any bankruptcy or insolvency law, if your legal representative, successor, receiver or trustee desires to succeed to your interest in this Agreement or the business conducted hereunder, such person first must notify us, tender the right of first refusal provided for in Section 10.F, and if we do not exercise such right, must apply for and obtain our consent to the transfer, pay the transfer fee provided for in Section 10.C, and satisfy the transfer conditions described in Section 10.D. In addition, you or the assignee must pay the attorneys' fees and costs that we incur in any bankruptcy or insolvency proceeding pertaining to you.

You may not place in any communication media or any form of advertising, any information relating to the sale of the U.S. LAWNS Business or the rights under this Agreement, without our prior written consent.

B. Consent to Transfer. We will not unreasonably withhold our consent to transfer, provided we determine that all of the conditions described in this Section 10 have been satisfied. Application for our consent to a transfer and tender of the right of first refusal provided for in Section 10.F must be made by submission on our form of application for consent to transfer, which must be accompanied by the documents (including a copy of the proposed purchase or other transfer agreement) or other required information. The application must indicate whether you or an owner proposes to retain an interest in the property to be transferred. No interest may be retained or created, however, without our prior written consent and except upon conditions acceptable to us. Any agreement used in connection with a transfer shall be subject to our prior written approval, which approval will not be withheld unreasonably. You immediately must notify us of any proposed transfer and must submit promptly to us the application for consent to transfer. Any attempted transfer by you without our prior written consent or otherwise not in compliance with the terms of this Agreement will be void and will provide us with the right to elect either to default and terminate this Agreement or to collect from you and the guarantors a transfer fee equal to two times the transfer fee provided for in Section 10.C.

C. Transfer Fee. You must pay to us a transfer fee in the amount of 50% of our then-current initial franchise fee. The transfer fee is nonrefundable even if, for any reason, the proposed transfer does not occur.

D. Conditions of Transfer. We condition our consent to any proposed transfer, whether to an individual, a corporation, a partnership or any other entity upon the following:

1. Assignee Requirements. The assignee must meet all of our then-current requirements for our U.S. LAWNS franchise program we are offering at the time of the proposed transfer and sign our then-current form of franchise agreement, modified to reflect the term remaining under this Agreement.

2. Payment of Amounts Owed. All amounts owed by you to us, or any of our affiliates or your suppliers, or upon which we or our affiliates have any contingent liability, must be paid in full.

3. Reports. You must have provided all required reports to us.

4. Non-Competition Agreement. You and your owner must execute a non-competition covenant in favor of us and the assignee, agreeing that for a period of not less than two years, commencing on the effective date of the assignment, you and your owner will not, directly or indirectly, within the Territory, solicit any person or Business Entity who is a customer of the Business at the time of the assignment, or offer, sell, or perform any Landscape Maintenance Services which are the same as or similar to those offered, sold or rendered by the U.S. LAWNS Business pursuant to this Agreement (except pursuant to other franchise agreements entered into with us) to any person or business entity which was at any time within 24 months immediately preceding the effective date of the assignment a customer of yours or of the U.S. LAWNS Landscape Maintenance Business.

5. Guarantee. In the case of an installment sale for which we have consented to you or any owner retaining an interest or other financial interest in this Agreement or the business operated thereunder, you or such owner, and the guarantors, are obligated to guarantee the performance under this Agreement until the final close of the installment sale or the termination of such interest, as the case may be.

6. General Release. You and each guarantor must sign a general release of all claims arising out of or relating to this Agreement, your U.S. LAWNS Business or the parties' business relationship, in the form we designate, releasing us and our affiliates.

7. Training. The assignee must, at your or assignee's expense, comply with our training requirements.

8. Financial Reports and Data. We have the right to require you to prepare and furnish to assignee and/or us such financial reports and other data relating to the U.S. LAWNS Business and its operations as we

deem reasonably necessary or appropriate for assignee and/or us to evaluate the U.S. LAWNS Business and the proposed transfer. You agree that we have the right to confer with proposed assignees and furnish them with information concerning the U.S. LAWNS Business and proposed transfer without being held liable to you, except for intentional misstatements made to an assignee. Any information furnished by us to proposed assignees is for the sole purpose of permitting the assignees to evaluate the U.S. LAWNS Business and proposed transfer and must not be construed in any manner or form whatsoever as earnings claims or claims of success or failure.

9. Other Conditions. You must have complied with any other conditions that we reasonably require from time to time as part of our transfer policies.

E. Death, Disability or Incapacity. If the event of a death, disability or incapacity of Franchisee (or, if Franchisee is a legal entity of Franchisee's principal owner) and the decedent's or disabled or incapacitated person's heir or successor-in-interest wishes to continue as the Franchisee or the principal owner of the Franchisee entity, such person or entity must apply for our consent under Section 10.B, pay the applicable transfer fee under Section 10.C, and satisfy the transfer conditions under Section 10.D, as in any other case of a proposed transfer, all within 120 days of the death or event of disability or incapacity. During any transition period to an heir or successor-in-interest, the U.S. LAWNS Business still must be operated in accordance with the terms and conditions of this Agreement. If the assignee of the decedent or disabled or incapacitated person is the spouse or child of such person, no transfer fee will be payable to us and we will not have a right of first refusal as set forth in Section 10.F. In the event of Franchisee's (or, if Franchisee is a legal entity of Franchisee's principal owner) death, disability or incapacity, we may elect to service Franchisee's customers ourselves or through the use of another franchisee if those customers cannot otherwise be adequately serviced as a result of such incapacity, disability or death. We or such other franchisee shall be entitled to be paid for such services in accordance with our or such other franchisee's then-current fees for such services.

F. Right of First Refusal. If you propose to transfer or assign this Agreement or your interest herein or in the business, in whole or in part, to any third party, including, without limitation, any transfer contemplated by Section 10.A or any transfer described in Section 10.A, you first must offer to sell to us your interest. In the event of a bona fide offer from such third party, you must obtain from the third-party offeror and deliver to us a statement in writing, signed by the offeror and by you, of the terms of the offer. We then have 10 days from our receipt of the statement setting forth the third-party offer and other requested information to accept the offer by delivering written notice of acceptance to you. We will have an additional 45 days to complete the purchase if we elect to exercise our right of first refusal. Our acceptance of any right of first refusal will be on the same price and terms set forth in the statement delivered to us; provided, however, we have the right to substitute equivalent cash for any noncash consideration

included in the offer. If we fail to accept the offer within the 10-day period, you will be free for 60 days after such period to effect the disposition described in the statement delivered to us provided such transfer is in accordance with this Section 10. You may effect no other sale or assignment of you, this Agreement or the business without first offering the same to us in accordance with this Section 10.F.

G. Transfer by Us. We have the right to sell or assign, in whole or in part, our interest in this Agreement.

SECTION 11 DISPUTE RESOLUTION

11. The following provisions apply with respect to dispute resolution:

A. Mediation. Before any party may bring an action in court or against the other (except any action for declaratory and/or equitable relief and as noted in Section 11.C below), or commence an arbitration proceeding (except as noted in Section 11.C below), the parties must first meet to mediate the dispute. If you refuse to participate in mediation or do not respond to our request for mediation within 10 days after we give you written notice of our request to mediate, we may proceed to file an arbitration claim in accordance with Section 11.B or an action for declaratory and/or equitable relief as noted in Section 11.C below. The mediation will be held in person in the city in which our headquarters are located at the time of the mediation. Any such mediation shall be non-binding and shall be conducted informally between the parties for a minimum of two (2) consecutive eight (8) hour days in order to attempt to amicably resolve the dispute. If such informal dispute resolution efforts prove to be unsuccessful, the notifying party may initiate arbitration proceedings pursuant to Section 11.B below. Each party will bear its own costs and expenses for the mediation and split the costs of the mediator.

B. Arbitration. Except as qualified below, any dispute between you and us or any of our or your affiliates arising under, out of, in connection with or in relation to this Agreement, the parties' relationship, or your U.S. LAWNS Business must be submitted to binding arbitration under the authority of the Federal Arbitration Act and must be determined by arbitration administered by the American Arbitration Association pursuant to its then-current commercial arbitration rules and procedures. Any arbitration must be on an individual basis and the parties and the arbitrator will have no authority or power to proceed with any claim as a class action or otherwise to join or consolidate any claim with any other claim or any other proceeding involving third parties. In the event a court determines that this limitation on joinder of or class action certification of claims is unenforceable, then the parties shall submit such class action or joined or consolidated claims, as applicable, to binding arbitration in accordance with this remaining provisions of this Section 11. The arbitration must take place in the city where our headquarters is located at the time of the dispute. The arbitrator must follow the law and not disregard the terms of this Agreement. The arbitrator must have at least five years of significant experience in franchise law. Any issue regarding arbitrability of a claim or the enforcement of this arbitration provision will be governed by the Federal Arbitration Act and the federal common law of arbitration. A judgment may be entered upon the arbitration award by any

state or federal court in the state where we maintain our headquarters or the state where your U.S. LAWNS Business is located. The decision of the arbitrator will be final and binding on all parties to the dispute; however, the arbitrator may not under any circumstances: (1) stay the effectiveness of any pending termination of this Agreement; (2) assess punitive or exemplary damages; or (3) make any award which extends, modifies or suspends any lawful term of this Agreement or any reasonable standard of business performance that we set. Each party will bear its own costs and expenses for the arbitration and will be responsible to pay 50% of the arbitrator's fees and costs (including arbitrator's and AAA's fees and costs); provided that the prevailing party will be entitled to reimbursement of its fees and costs under Section 11.D.

This agreement to arbitrate applies to you as well as to (1) all guarantors of your obligations under this Agreement, (2) if Franchisee is a legal entity, all owners, officers or principal owners of Franchisee, (3) all others who claim any rights or benefits based upon or relating to the franchise relationship or who make any claim or assert any defense based upon or relating to this Agreement, the relationship between the parties to this Agreement or otherwise relating or arising out of this Agreement.

C. Exceptions to Arbitration. Notwithstanding Section 11.B, the parties agree that the following claims will not be subject to mediation or arbitration:

1. any action by us for temporary, preliminary or permanent injunctive relief, specific performance, writ of attachment, or other equitable relief necessary to enjoin any harm or threat of harm to our tangible or intangible property, including trademarks, service marks and other intellectual property, brought at any time, including, without limitation, prior to or during the pendency of any mediation or arbitration proceedings initiated hereunder. You specifically acknowledge that your breach or threatened breach of any of your obligations under this Agreement, including but not limited to Sections 2.A, 3.B, 5.H, 9D or Section 13, would cause us irreparable harm. You understand that irreparable harm is an injury for which monetary damages are not an adequate remedy. Therefore, upon any such breach or threatened breach by you, in addition to any other rights or remedies that may be available to us at law, equity or otherwise, you acknowledge that we will be entitled to equitable relief, including an injunction, restraining order or specific performance, without any requirement to prove irreparable harm. In addition, you hereby waive any right to request that a bond be issued as security (except for a nominal bond not to exceed \$100);
2. any action in ejectment or for possession of any interest in real or personal property; or
3. any action related solely to the collection of moneys owed to us or our affiliates.

D. Attorneys' Fees. The prevailing party in any action or proceeding arising under, out of, in connection with, or in relation to this Agreement, or the business will be entitled to recover its reasonable attorneys' fees and costs (including arbitrator's and AAA fees and costs).

SECTION 12 DEFAULT AND TERMINATION

12. The following provisions apply with respect to default and termination:

A. Defaults. You are in default if we determine that you or any guarantor has breached any of the terms of this Agreement or any other agreement between you and us or our affiliates, which without limiting the generality of the foregoing includes making any false report to us, intentionally understating or underreporting or failure to pay when due any amounts required to be paid to us or any of our affiliates, conviction of you or a guarantor of (or pleading no contest to) any misdemeanor that brings or tends to bring any of the Marks into disrepute or impairs or tends to impair your reputation or the goodwill of any of the Marks or the U.S. LAWNS Business or any felony, filing of tax or other liens that may affect this Agreement, voluntary or involuntary bankruptcy by or against you or any guarantor, insolvency, making an assignment for the benefit of creditors or any similar voluntary or involuntary arrangement for the disposition of assets for the benefit of creditors.

B. Termination by Us. We have the right to terminate this Agreement in accordance with the following provisions:

1. Termination After Opportunity to Cure. Except as otherwise provided in this Section 12.B: (i) you will have 30 days from the date of our issuance of a written notice of default to cure any default under this Agreement, other than a failure to pay amounts due or submit required reports, in which case you will have 10 days to cure those defaults; (ii) your failure to cure a default within the 30-day or 10-day period will provide us with good cause to terminate this Agreement; (iii) the termination will be accomplished by mailing or delivering to you written notice of termination that will identify the grounds for the termination; and (iv) the termination will be effective immediately upon our issuance of the written notice of termination.

2. Immediate Termination With No Opportunity to Cure. In the event any of the following defaults occur, you will have no right or opportunity to cure the default and this Agreement will terminate effective immediately on our issuance of written notice of termination: any material misrepresentation or omission in your franchise application or other reports or information provided to us, your voluntary abandonment of this Agreement, the closing of the U.S. LAWNS Business by any state or local authorities for health or public safety reasons, you register any domain name containing our Marks, any unauthorized use of the Confidential

Information, insolvency of you or guarantor, you or a guarantor making an assignment or entering into any similar arrangement for the benefit of creditors, conviction of you or any guarantor of (or pleading no contest to) any misdemeanor that brings or tends to bring any of the Marks into disrepute or impairs or tends to impair your reputation or the goodwill of the Trademarks or the U.S. LAWNS Business or any felony, intentionally understating or underreporting Gross Billings, Royalties or Marketing Contributions or any understatement or 3% variance on a subsequent audit within a 2-year period, any unauthorized transfer or assignment in violation of Section 10 or any default by you that is the second default of any type within any 12-month consecutive period.

3. Immediate Termination After No More than 24 Hours to Cure. In the event that a default under this Agreement occurs that materially impairs the goodwill associated with any of the Marks, violates any health safety or sanitation law or regulation, violates any system standard as to cleanliness, health and sanitation, or if the operation of the U.S. LAWNS Business presents a health or safety hazard to the public: (i) you will have no more than 24 hours after we provide written notice of the default to cure the default; and (ii) this Agreement will terminate effective immediately on our issuance of written notice of termination.

4. Effect of Other Laws. The provisions of any valid, applicable law or regulation prescribing permissible grounds, cure rights or minimum periods of notice for termination of this franchise supersede any provision of this Agreement that is less favorable to you.

C. Termination by You. You may terminate this Agreement as a result of a breach by us of a material provision of this Agreement provided that: (i) you provide us with written notice of the breach that identifies the grounds for the breach; and (ii) we fail to cure the breach within 30 days after our receipt of the written notice. If we fail to cure the breach, the termination will be effective 60 days after our receipt of your written notice of breach. Your termination of this Agreement under this Section will not release or modify your post-term obligations under Section 13 of this Agreement.

SECTION 13 POST-TERM OBLIGATIONS

13. Upon the expiration or termination of this Agreement, or the expiration of any Interim Period:

A. Reversion of Rights; Discontinuation of Trademark Use. All of your rights to the use of the Trademarks and all other rights and licenses granted herein and the right and license to conduct business under the Marks will revert to us without further act or deed of any party. All of your right, title and interest in, to and under this Agreement will become our property. Upon our demand, you must assign to us or our assignee your remaining interest in any lease then in effect

for the U.S. LAWNS Business (although we will not assume any past due obligations). You must immediately comply with the post-term noncompete obligations under Section 9.D, cease all use and display of the Marks and of any proprietary material (including the Operations Manual) and of all or any portion of point-of-sale materials furnished or approved by us, assign all right, title and interest in the telephone numbers for the U.S. LAWNS Business and cancel or assign, at our option, any assumed name rights or equivalent registrations filed with authorities. You must pay all sums due to us, our affiliates or designees and all sums you owe to third parties that have been guaranteed by us or any of our affiliates. You must immediately return to us, at your expense, all copies of the Operations Manual, customer lists and ongoing contracts then in your possession or control or previously disseminated to your employees and continue to comply with the confidentiality provisions of Section 5.H. You must promptly at your expense, remove or obliterate all U.S. LAWNS Business signage, displays or other materials in your possession that bear any of the Marks or names or material confusingly similar to the Trademarks and so alter the appearance of the U.S. LAWNS Business as to differentiate the U.S. LAWNS Business unmistakably from duly licensed commercial U.S. LAWNS businesses identified by the Trademarks. Notwithstanding the foregoing, in the event of expiration or termination of this Agreement (or the expiration of any Interim Period), you will remain liable for your obligations pursuant to this Agreement or any other agreement between you and us or our affiliates that expressly or by their nature survive the expiration or termination of this Agreement.

B. Purchase Option. We have the right to purchase or designate a third party that will purchase all or any portion of the assets of your U.S. LAWNS Business that are owned by you or any of your affiliates including, without limitation, the equipment, fixtures, inventory, supplies, and customer agreements (“Accounts”) of your U.S. LAWNS Business. We have the right to select the assets of the Business we desire to purchase, including, without limitation, any individual Account. The purchase price for any Account to be purchased by us shall be an amount equal to the Average Monthly Revenue (as defined below) derived by you from such Account for ordinary Landscape Maintenance Services, which were reported to us during the 12 months immediately prior to the purchase. "Average Monthly Revenue" means the monthly average of all normal revenue (excluding extras and extraordinary services) derived from the Account for ordinary Landscape Maintenance Services during such 12 month period. The purchase price for inventory and supplies to be purchased shall be the lesser of cost or market value, and the purchase price for equipment to be purchased shall be mutually agreed upon by the parties. If the parties are unable to agree on the market value of any inventory or supplies or the purchase price of any equipment, we shall have the right to appoint an independent appraiser whose decision shall be final and whose fee shall be shared equally by the parties. Notwithstanding anything to the contrary in this Agreement, we have the right to set off against and reduce the purchase price by any and all amounts owed by you to us or our affiliates

C. Claims. You and your principal owners and guarantors may not assert any claim or cause of action against us or our affiliates relating to this Agreement or your U.S. LAWNS Business after the shorter period of the applicable statute of limitations or one year following the effective date of termination of this Agreement; provided that where the one-year limitation of time is prohibited or invalid by or under any applicable law, then and in that event no suit or action may be commenced or maintained unless commenced within the applicable statute of limitations.

SECTION 14 GENERAL PROVISIONS

14. The parties agree to the following provisions:

A. Severability. Should one or more clauses of this Agreement be held void or unenforceable for any reason by any court of competent jurisdiction, such clause or clauses will be deemed to be separable in such jurisdiction and the remainder of this Agreement is valid and in full force and effect and the terms of this Agreement must be equitably adjusted so as to compensate the appropriate party for any consideration lost because of the elimination of such clause or clauses. It is the intent and expectation of each of the parties that each provision of this Agreement will be honored, carried out and enforced as written. Consequently, each of the parties agrees that any provision of this Agreement sought to be enforced in any proceeding must, at the election of the party seeking enforcement and notwithstanding the availability of an adequate remedy at law, be enforced by specific performance or any other equitable remedy.

B. Waiver/Integration. No waiver by us of any breach by you, nor any delay or failure by us to enforce any provision of this Agreement, may be deemed to be a waiver of any other or subsequent breach or be deemed an estoppel to enforce our rights with respect to that or any other or subsequent breach. Subject to our rights to modify the Operations Manual and/or standards and as otherwise provided herein, this Agreement may not be waived, altered or rescinded, in whole or in part, except by a writing signed by you and us. This Agreement together with the addenda and appendices hereto and any application form or similar document executed by you requesting us to enter into this Agreement constitute the entire agreement between the parties and supersede any and all prior negotiations, understandings, representations, and agreements. Nothing in this Agreement or in any related agreement, however, is intended to disclaim the representations we made in the Disclosure Document we furnished to you.

C. Notices. Except as otherwise provided in this Agreement, any notice, demand or communication provided for herein must be in writing and signed by the party serving the same and either delivered personally or by a reputable overnight service or deposited in the United States mail, service or postage prepaid, and if such notice is a notice of default or of termination, by registered or certified mail, and addressed as follows:

1. If intended for us, addressed to U.S. Lawns, Inc., 6700 Forum Drive, Suite 150, Orlando, FL 32821, Facsimile;

2. If intended for you, addressed to you at the address set forth on the Data Sheet; or,

in either case, to such other address as may have been designated by notice to the other party. Notices for purposes of this Agreement will be deemed to have been received if mailed or delivered as provided in this Section.

D. Authority. Any modification, consent, approval, authorization or waiver granted hereunder required to be effective by signature will be valid only if in writing executed by you or, if on behalf of us, in writing executed by our President or one of our authorized Vice Presidents.

E. References. If the franchisee is two or more individuals, the individuals are jointly and severally liable, and references to you in this Agreement includes all of the individuals. Headings and captions contained herein are for convenience of reference and may not be taken into account in construing or interpreting this Agreement.

F. Guarantee. All persons having a 5% or more ownership interest in a franchisee that is a corporation, partnership, limited liability company or partnership or other legal entity must execute the form of undertaking and guarantee at the end of this Agreement. Any person or entity that at any time after the date of this Agreement becomes an owner must execute the form of undertaking and guarantee at the end of this Agreement.

G. Successors/Assigns. Subject to the terms of Section 10 hereof, this Agreement is binding upon and inures to the benefit of the administrators, executors, heirs, successors and assigns of the parties.

H. Interpretation of Rights and Obligations. The following provisions apply to and govern the interpretation of this Agreement, the parties' rights under this Agreement, and the relationship between the parties:

1. Applicable Law and Waiver. Subject to our rights under federal trademark laws and the parties' rights under the Federal Arbitration Act in accordance with Section 11 of this Agreement, the parties' rights under this Agreement, and the relationship between the parties is governed by, and will be interpreted in accordance with, the laws (statutory and otherwise) of the state of Florida.

2. Our Rights. Whenever this Agreement provides that we have a certain right, that right is absolute and the parties intend that our exercise of that right will not be subject to any limitation or review. We have the right to operate, administrate, develop, and change the System in any manner that is not specifically precluded by the provisions of this

Agreement, although this right does not modify the requirements of Section 5.E and other express limitations set forth in this Agreement.

3. Our Reasonable Business Judgment. Whenever we reserve discretion in a particular area or where we agree to exercise our rights reasonably or in good faith, we will satisfy our obligations whenever we exercise Reasonable Business Judgment in making our decision or exercising our rights. Our decisions or actions will be deemed to be the result of Reasonable Business Judgment, even if other reasonable or even arguably preferable alternatives are available, if our decision or action is intended, in whole or significant part, to promote or benefit the System generally even if the decision or action also promotes our financial or other individual interest. Examples of items that will promote or benefit the System include, without limitation, enhancing the value of the Trademarks, improving customer service and satisfaction, improving product quality, improving uniformity, enhancing or encouraging modernization and improving the competitive position of the System.

I. Venue. Any cause of action, claim, suit or demand allegedly arising from or related to the terms of this Agreement or the relationship of the parties that is not subject to arbitration under Section 12 must be brought in the state or federal district court located in the county or district encompassing our headquarters. Both parties hereto irrevocably submit themselves to, and consent to, the jurisdiction of said courts. The provisions of this Section will survive the termination of this Agreement. You are aware of the business purposes and needs underlying the language of this Section, and with a complete understanding thereof, agree to be bound in the manner set forth.

J. Jury Waiver. ALL PARTIES HEREBY WAIVE ANY AND ALL RIGHTS TO A TRIAL BY JURY IN CONNECTION WITH THE ENFORCEMENT OR INTERPRETATION BY JUDICIAL PROCESS OF ANY PROVISION OF THIS AGREEMENT, AND IN CONNECTION WITH ALLEGATIONS OF STATE OR FEDERAL STATUTORY VIOLATIONS, FRAUD, MISREPRESENTATION OR SIMILAR CAUSES OF ACTION OR ANY LEGAL ACTION INITIATED FOR THE RECOVERY OF DAMAGES FOR BREACH OF THIS AGREEMENT.

K. Waiver of Punitive Damages. YOU AND US AND OUR AFFILIATES AGREE TO WAIVE, TO THE FULLEST EXTENT PERMITTED BY LAW, THE RIGHT TO OR CLAIM FOR ANY PUNITIVE OR EXEMPLARY DAMAGES AGAINST THE OTHER AND AGREE THAT IN THE EVENT OF ANY DISPUTE BETWEEN THEM, EACH WILL BE LIMITED TO THE RECOVERY OF ACTUAL DAMAGES SUSTAINED.

L. Relationship of the Parties. You and we are independent contractors. Neither party is the agent, legal representative, partner, subsidiary, joint venturer or employee of the other. Neither party may obligate the other or

represent any right to do so. This Agreement does not reflect or create a fiduciary relationship or a relationship of special trust or confidence.

M. Force Majeure. In the event of any failure of performance of this Agreement according to its terms by any party the same will not be deemed a breach of this Agreement if it arose from a cause beyond the control of and without the negligence of said party. Such causes include, but are not limited to, strikes, wars, riots and acts of government except as may be specifically provided for elsewhere in this Agreement.

N. Adaptations and Variances. Complete and detailed uniformity under many varying conditions may not always be possible, practical, or in the best interest of the System. Accordingly, we have the right to vary the standards, specifications, and requirements for any franchised business or franchisee based upon the customs or circumstances of a particular franchise or operating agreement, site or location, population density, business potential, trade area population, existing business practice, competitive circumstance or any other condition that we deem to be of importance to the operation of such business, franchisee's business or the System. We are not required to grant to you a like or other variation as a result of any variation from standard inventory items, specifications or requirements granted to any other franchisee. You acknowledge that you are aware that our other franchisees operate under a number of different forms of agreement that were entered into at different times and that, consequently, the obligations and rights of the parties to other agreements may differ materially in certain instances from your rights and obligations under this Agreement.

O. Notice of Potential Profit. We and/or our affiliates may from time to time make available to you goods, products and/or services for use in your U.S. LAWNS Business on the sale of which we and/or our affiliates may make a profit. Further, we and/or our affiliates may from time to time receive consideration from suppliers and/or manufacturers in respect to sales of goods, products or services to you or in consideration of services rendered or rights licensed to such persons. You agree that we and/or our affiliates are entitled to said profits and/or consideration.

P. Effective Date. We will designate the "Effective Date" of this Agreement in the space provided on the Data Sheet. If no Effective Date is designated on the Data Sheet, the Effective Date is the date when we sign this Agreement. Business Note and Security Agreement

Date: _____

Principal Amount: \$ _____

FOR VALUE RECEIVED, the Undersigned ("Borrower"), jointly and severally, promise to pay to the order of U.S. Lawns, Inc., a Florida corporation ("U.S. LAWNS"), the principal sum of _____ dollars (\$ _____), together with interest on the unpaid principal balance equal to the Prime Rate (as defined below) plus ___% ("Interest Rate"). "Prime Rate" means the U.S. prime interest rate as published in The Wall Street Journal on the date immediately preceding the date of this Business Note, or if not published on such date, the most recent such rate previously published in The Wall Street Journal. The Interest Rate will be adjusted at the end of the first business day after January 1, April 1, July 1, and October 1 of each year for which amounts are outstanding and owed under this Business Note to reflect the U.S. prime interest rate plus ___% on such date. Principal and interest shall be payable hereunder in consecutive equal monthly installments of _____ dollars (\$ _____) on the 1st day of each month beginning _____, 20___. The entire principal balance together with accrued but unpaid interest thereon shall be due and payable hereunder on _____.

If Borrower fails to make any required monthly payment by the tenth day of the month in which such payment is due, in addition to the principal and interest outstanding and owed under this Business Note, Borrower shall pay to U.S. LAWNS a late payment fee equal to twenty five dollars (\$25.00) per month for each month until the required monthly payment is paid in full. In addition, if Borrower fails twice in any consecutive 12-month period to make required monthly payments by the tenth day of the month in which such payment is due, any and all amounts outstanding hereunder shall automatically bear interest from the date due until the principal and all accrued but unpaid interest and late fees are paid in full at the rate equal to the Prime Interest Rate plus ___%, with such rate not to exceed 18% ("Default Interest Rate"), without notice to Borrower. All amounts received by U.S. LAWNS shall be applied first to late payment charges and expenses, then to accrued interest, and then to principal or in any other order as determined by U.S. LAWNS, in U.S. LAWNS' sole discretion, as permitted by law.

Payment of both principal and interest shall be made at 6700 Forum Drive, Suite 150, Orlando, FL 32821, or at such other place as U.S. LAWNS or the holder of this Business Note shall designate. Borrower shall make payments of all amounts due under this Business Note by check, but such payments shall be accepted subject to collection and, at U.S. LAWNS' option, shall be deemed received only when collected.

This Business Note may be prepaid in whole or in part, without premium, from time to time on the date that any installment comes due, with minimum partial payments of \$100.00 or any multiple thereof. No prepayments of this Business Note shall affect the obligation of Borrower to make the payments of installments of the principal and interest required by the first paragraph hereof until this Business Note shall have been paid in full. After the maturity of this Business Note (whether by acceleration or otherwise), interest shall accrue on the principal balance at the rate of 18% per annum or the maximum rate permitted by applicable law.

To secure payment of this Business Note, Borrower grants and pledges to U.S. LAWNS a security interest in the following property with standard attachments and all additions and accessions thereto and any proceeds there from (hereinafter called the "collateral"): any and all assets of the business known as _____ dba U.S. LAWNS _____ presently existing or

hereafter acquired, including, but not limited to, equipment, inventory, fixtures, accounts receivable, contracts, checking and savings accounts, leasehold interests, products and all proceeds of any thereof until this Business Note is satisfied in full.

On default hereunder and at any time thereafter, U.S. LAWNS may declare all of the obligations under this Business Note immediately due and payable and shall have the remedies of a secured party under the provisions of the Uniform Commercial Code. U.S. LAWNS shall give to Borrower reasonable notice of the time and place of any public sale thereof or of the time at which any private sale or any other intended disposition is to be made. The requirement of reasonable notice shall be met if such notice is mailed, postage prepaid, to the address of Borrower shown on this Business Note at least 30 days before the time of the sale or disposition. Expenses of retaking, holding, preparing for sale, selling, or the like shall include reasonable attorneys' fees and legal expenses incurred by U.S. LAWNS or holder.

The occurrence of any one or more of the following shall be deemed to be an event of default hereunder:

- (a) Failure of Borrower to pay any installment of principal or interest when due; or
- (b) The filing of any petition by Borrower or against Borrower under the Federal Bankruptcy Act as now or hereafter in force for any relief based upon an allegation of Borrower's insolvency, or the adjudication of Borrower as a bankrupt under such Act; or
- (c) The filing of a petition against Borrower for reorganization of Borrower under the Federal Bankruptcy Act as now or hereafter in force, and the approval of such petition by any United States District Court or United States Bankruptcy Court; or
- (d) The execution and delivery by Borrower of a general assignment for the benefit of creditors; or
- (e) The appointment of a receiver for Borrower by a court of competent jurisdiction, which appointment shall not have been vacated within a period of 30 days after the date of the appointment of such receiver; or
- (f) Insolvency of Borrower. Insolvency shall be defined as, when the current liabilities, less payables due U.S. LAWNS, exceed the current assets of Borrower, as determined by generally accepted accounting principles; or
- (g) Failure of Borrower to maintain on a current basis Borrower's account with U.S. LAWNS. A current basis is maintained when (1) payments are made within 30 days after charges are billed, where applicable, and (2) a monthly report is submitted and fees paid thereon in the calendar month following the month for which the report is filed; or
- (h) Failure to cure, within applicable grace periods, any breach of Borrower's Franchise Agreement(s) with U.S. LAWNS.

Borrower shall submit to U.S. LAWNS, until this Business Note be paid in full, an annual Balance Sheet(s) and Profit & Loss Statement(s).

No waiver by U.S. LAWNS of any default on the part of Borrower, and no practice of the parties at variance with the terms hereof shall constitute a waiver of any subsequent default of the same or different terms, covenants or conditions hereof.

It is the intention of Borrower and U.S. LAWNS to conform strictly to all applicable usury laws now or hereafter in force, and any interest payable under this Business Note shall be subject to reduction to the amount not in excess of the maximum legal amount allowed under the applicable usury laws as now or hereafter construed by the courts having jurisdiction over such matters. Interest, as defined by applicable law, may never include more than the maximum amount permitted by applicable law, statute, rule or regulation, computed from the date hereof until payment, and any interest in excess of the maximum amount permitted by applicable law, statute, rule or regulation shall be canceled automatically and, if theretofore

paid, shall at the option of U.S. LAWNS hereof either to be rebated to Borrower or credited on the principal amount of this Business Note, or if this Business Note has been paid, then the excess shall be rebated to Borrower.

U.S. LAWNS shall be entitled to recover all costs and expenses, including reasonable attorneys' fees, incurred or paid by U.S. LAWNS in enforcing or defending any action relating to this Business Note, whether or not suit is filed.

Wherever "U.S. LAWNS" is referred to herein, it shall be deemed to refer to U.S. LAWNS or any other assignee or subsequent holder of this Business Note.

The laws of the State of Florida shall govern the construction of this Business Note. Notwithstanding anything to the contrary contained herein, it is agreed that, if a court of competent jurisdiction determines that the payment of interest or other charges pursuant to this Business Note shall require the payment of an amount in excess interest shall at the election of U.S. LAWNS, be either applied as a credit against the principal balance or refunded to the Borrower; it being the intention of the Parties that this Business Note comply with applicable usury laws. This Business Note is dated as of the date first set forth above.

Upon the expiration or other termination for any reason of my employment, association, service or ownership participation, I will return to U.S. LAWNS or Owner (as applicable) all materials, books, records and manuals deemed to be confidential herein which are in my possession.

I agree that I have received or will receive valuable training and Confidential Information that I otherwise would not receive or have access to but for my association with the U.S. LAWNS system. I therefore agree to the following noncompetition covenants:

1. I covenant that during the term of my association/ ownership/participation, I will not, either directly or indirectly, for myself, or through, on behalf of, or in conjunction with any person or entity, own, manage, operate, maintain, engage in, consult with or have any interest in any Competitive Business (as defined below) other than the U.S. LAWNS Business operated pursuant to a franchise agreement with U.S. Lawns, Inc.

2. I covenant that I will not, for a period of two years after the expiration or termination of my employment/service/association/ownership/participation, regardless of the cause of termination, either directly or indirectly, for myself, or through, on behalf of, or in conjunction with any person or entity, own, manage, operate, maintain, engage in, consult with or have any interest in a Competitive Business (as defined below):

3. I agree that the length of time in subpart (2) above will be tolled for any period during which I am in breach of the covenants.

It is the intention of this Agreement to prohibit not only direct competition but also forms of indirect competition, such as consultation for competitive businesses, service as an independent contractor for such competitive businesses, or any assistance or transmission of information of any kind or nature whatsoever which would be of any material assistance to a competitor. Nothing herein shall prevent me from owning for investment purposes up to an aggregate of five (5%) per cent of the capital stock for any competitive business, provided that said business is a publicly held corporation whose stock is listed and traded on a national or regional stock exchange, or through the National Association of Securities Dealers Automated Quotation System (NASDAQ), and provided that Owner does not control any such company.

It is the intention of this provision that any person or entity having any legal or beneficial interest in or traceable to, down or through me to be bound by the provisions of this covenant, including (without limitation) my spouse, parents, siblings and in-laws; any direct or indirect beneficiary; any partner (general or limited) or proprietor of mine; and, any other such related person or entity, regardless of how many levels or tiers there may be between any such described person or entity and me. I further agree that upon the expiration or termination of my term of employment/service/association, I shall immediately refrain from any and all contacts with customers, for any purpose whatsoever.

I acknowledge that violation of the covenants not to compete contained herein would result in immediate and irreparable injury to U.S. LAWNS and Owner for which no adequate remedy at law will be available. Accordingly, I hereby consent to the entry of an injunction procured by U.S. LAWNS or Owner (or both) prohibiting any conduct by me in violation of the terms of those covenants not to compete and/or restrictions on the use of confidential information set forth herein. I expressly agree that it may conclusively be presumed in any legal action that any violation of the terms of said covenants not to compete was accomplished by and through my unlawful utilization of U.S. LAWNS' confidential information, know-how, methods and procedures. Further, I expressly agree that the existence of any claims I may have against U.S. LAWNS will not constitute a defense to the enforcement by U.S. LAWNS of

the covenants not to compete set forth herein. I further agree to pay all costs and expenses (including reasonable attorneys' and experts' fees) incurred by U.S. LAWNS in connection with the enforcement of those covenants not to compete set forth herein.

If all or any portion of this covenant not to use confidential information and not to compete is held unreasonable, void, vague or illegal by any court or agency having valid jurisdiction in an unappealed final decision to which Owner and/or U.S. LAWNS is a party, the court or agency shall be empowered to revise and/or construe said covenant so as to fall within permissible legal limits and shall not by necessity invalidate the entire covenant. I expressly agree to be bound by any lesser covenant subsumed within the terms of this Agreement as if the resulting covenant were separately stated in and made a part hereof.

1. Option. Franchisor hereby grants to Franchisee an Option, exercisable only during the Option Period (as defined in Section 3 below), to develop a Franchised Business in the Option Territory.

2. Option Fee. Franchisee shall pay to Franchisor an option fee of \$5,000 upon signing this Option Agreement. Franchisee acknowledges that option fee is to be deemed fully earned by Franchisor at time of execution as consideration of Franchisor removing the Option Territory from availability to other interested parties during the Option Period.

3. Option Period.

(a) The term of the Option shall commence on the date hereof and shall continue until 5:00 p.m. (Florida time) on the first to occur of (i) 12 months following the Effective Date, or (ii) the day on which Franchisee shall fail to continue to meet the conditions set forth in Section 6 below, upon which the Option shall automatically, and without further notice, expire and be of no further force or effect (the “Option Period”).

(b) The “New Territory Agreement” for the Option Territory shall be Franchisor’s then-current form of franchise agreement generally being offered by Franchisor, at the time that Franchisee exercises the Option, to prospective franchisees in the state in which the Franchisee resides or the Option Territory is located.

5. Failure to Exercise Option. If Franchisee does not exercise the Option in strict accordance with the terms hereof and within the Option Period, or if Franchisee shall fail at any time to continue to satisfy the conditions set forth in Section 6, the Option shall thereupon automatically terminate and expire without notice or opportunity to cure, and Franchisor shall retain the Option Fee(s) paid by Franchisee.

6. Conditions. Franchisee’s right to exercise the Option shall be expressly conditional upon Franchisee remaining in good standing and in compliance with the terms of the Franchise Agreement, including timely payment to Franchisor all Royalties, Marketing Contributions and any other payments required under the Franchise Agreement, including those based on sales in the Option Territory at the rates specified in the Franchise Agreement.

7. Miscellaneous.

(a) Construction. The parties hereto have participated jointly in the negotiation and drafting of this Option Agreement. In the event an ambiguity or question of intent or interpretation arises, this Option Agreement shall be construed as if drafted jointly by the parties and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Option Agreement.

SECTION 2 GRANT OF DEVELOPMENT RIGHTS

2. The following provisions control with respect to the license granted hereunder:

A. Rights Granted. We hereby grant to you, subject to the terms and conditions of this Agreement, the right to develop and operate a U.S. LAWNS Business identified by the Marks that we authorize for your use hereunder (or such other marks as we may direct) for the territories consisting of the area set forth in Appendix B (the “Development Territory”).

B. You are bound by the development schedule (“Development Schedule”) set forth in Appendix C. Time is of the essence for the development of each Territory / U.S. LAWNS Business in accordance with the Development Schedule. Each Territory / U.S. LAWNS Business must be developed and operated pursuant to a separate Franchise Agreement that you enter into with us pursuant to Section 4.B below.

C. If you are in compliance with the Development Schedule set forth on Appendix C, we will not develop or operate or grant anyone else a franchise to develop and operate a U.S. LAWNS Business in the Development Territory prior to the earlier of (i) the expiration or termination of this Agreement; (ii) the date on which you must execute the Franchise Agreement for your last U.S. LAWNS Business pursuant to the terms of the Development Schedule, although we are free to develop Regional Accounts as further described in Section 2.D(v) below. Notwithstanding anything in this Agreement, upon the

earliest occurrence of any of the foregoing events (i) the Development Territory will expire and (ii) we will be entitled to develop and operate, or to franchise others to develop and operate, U.S. LAWNS Businesses in the Development Territory, except as may be otherwise provided under any Franchise Agreement that has been executed between us and you and that has not been terminated.

D. The rights granted under this Agreement are limited to the right to develop and operate U.S. Lawns Businesses located in the Development Territory, and does not give you the right to develop or operate elsewhere or at any other location by you, except as we may authorize from time to time and under the terms and conditions set forth in the Operations Manual or otherwise in writing. If we do permit you to service clients outside the Territory, we reserve the right to require you to cease servicing those clients, and you agree to assist in transferring the service needs of those clients immediately to the entity that will continue to service those clients, all without compensation to you. You do not have the right to subfranchise, sublicense, assign or transfer your rights under this Agreement, except as specifically provided in the Franchise Agreement.

We and our affiliates may, among other things, on any terms and conditions we deem advisable, without compensation to any franchisee, and without granting you any rights therein:

(i) Establish and/or license others to establish franchised or company-owned U.S. LAWNS businesses at any location outside the Territory regardless of the proximity of such business to your Territory;

(ii) Advertise, market, promote and provide any goods and services under trademarks, service marks, trade names and other commercial symbols other than the Marks, at any location, within or outside the Territory, and to solicit prospective customers, including Property Management Companies, for such goods and services wherever they may be located;

(iii) Merge with, acquire or become acquired by (“Merger/Acquisition Activity”) any businesses, including competitive businesses, which businesses operate under trademarks other than the U.S. LAWNS Marks and may offer or sell products and services that are the same as or similar to the products and services offered at or from your U.S. LAWNS Business, and which may be located anywhere inside or outside the Territory; and

(iv) Except for the limited rights granted to you in Section 2.D, sell and distribute for ourselves and/or license others to sell and distribute within and outside the Territory, products or services the same as or different from the products and services offered from your U.S. LAWNS Business, and which are offered and distributed under marks different than the Marks.

(v) We expressly reserve the right to solicit Regional Accounts wherever located. In order to enable us to negotiate special arrangements involving Regional Accounts, including responding to requests for proposals (“RFP”) involving locations which may or may not be located in the Territory, upon our request, you must promptly evaluate the applicable Regional Account location(s) located within the Territory and prepare a bid package for each such location in accordance with such formats, procedures and specifications as we may establish, including any supplemental or modified bid package which we may require in order to satisfy the requirements of the Regional Account (each a “Bid Package”). If we accept the Bid Package, you must honor the proposal and execute such agreements and other documents and instruments as we and the Regional Account may require to fulfill the agreed upon contract terms (“Regional Account Agreement”). We will afford you the first opportunity to submit a Bid Package on each proposed Regional Account location which is within your Territory and to perform Landscape Maintenance Services to Regional Account locations located in the Territory; provided, however, that we may, as applicable, submit Bid Packages and perform such Landscape Maintenance Services ourselves or cause other franchisees or contractors to do so, if: (a) you fail to timely submit a Bid Package in accordance with our request; (b) we reject your Bid Package or if the Regional Account notifies you or us that it does not wish to be served by you; (c) you for any reason fail or refuse to perform in accordance with the Bid Package and Regional Account Agreement; (d) you are, at the time of the issuance of the RFP or submission of the Bid Package, in default of your obligations or under any other agreement with us, or under any other Regional Account Agreement to which you are a party; or (e) you are, in our judgment, exercised in good faith, not qualified, equipped or otherwise capable to satisfy the RFP or Regional Account Agreement requirements or to perform the services as required. You acknowledge and agree that we or our affiliate may charge a management fee to offset the sales and administrative expenses of processing and managing Regional Accounts. The amount of the management fee varies from customer to customer based upon a number of factors including: i) the direct cost of administrative and management oversight provided; ii) the associated overhead cost such as payment terms (financing) and risk management (insurance); and iii) the profit margin.

We may, but are not obligated to, compensate you for Landscape Maintenance Services performed by us, our affiliate or another franchisee or contractor for Regional Account locations which are located within your Territory in such amounts (if any) as we determine.

In addition to the Regional Accounts program, as it may be modified from time to time, an affiliate of ours may offer you subcontract work in accordance with its then-current procedures for servicing Centrally Managed Accounts. For purposes of this Agreement, the term “Centrally Managed Accounts” refers to customer accounts for multi-site,

geographically dispersed real estate portfolios utilizing a network of subcontractors to perform the services. Our affiliates are not obligated to provide you with any subcontract work and may offer such work to your competitors.

SECTION 3 DEVELOPMENT FEE

3. You must pay a Development Fee as described below:

A. As consideration for the rights granted in this Agreement, you must pay us a “Development Fee” in the amount designated on the Data Sheet, representing fifty percent (50%) of the current Initial Franchise Fee for existing franchisees of ~~\$17,000~~24,500 for each Territory/U.S. Lawns Business to be developed under this Agreement (i.e. ~~\$8,500~~12,250 per Territory).

The Development Fee is consideration for this Agreement and not consideration for any Franchise Agreement, is fully earned by us upon receipt and, except as may be noted in the franchise agreement associated with that portion of the Development Fee, is nonrefundable. The part of the Initial Franchise Fee that is included in the Development Fee is credited against the then current Initial Franchise Fee for existing owners as outlined in the then current Franchise Agreement, payable upon the signing of each individual Franchise Agreement. The balance of the Initial Franchise Fee for each subsequent Territory is due as specified in Section 3.B.

B. You must submit a separate application for each Territory/U.S. Lawns Business to be established by you within the Development Territory as further described in Section 4. Upon our consent, a separate Franchise Agreement must be executed for each Territory/U.S. Lawns Business, at which time the balance of the Initial Franchise Fee for that Territory/U.S. Lawns Business is due and owing. Such payment represents the balance of the appropriate Initial Franchise Fee, as described above in Section 3.A. Upon the execution of each Franchise Agreement, the terms and conditions of the Franchise Agreement control the establishment and operation of such Territory/U.S. Lawns Business.

SECTION 4 DEVELOPMENT SCHEDULE

4. The following provisions control with respect to your development rights and obligations:

A. You are bound by and strictly must follow the Development Schedule. By the dates set forth under the Development Schedule, you must enter into Franchise Agreements with us pursuant to this Agreement for the number of Territories/U.S. Lawns Businesses described under the Development Schedule. You also must comply with the Development Schedule requirements regarding (i) the opening date for each Territory/U.S. Lawns Business and (ii) the cumulative number of Territories/U.S. Lawns Businesses to be open and continuously operating for business in the Development Territory. If you fail to either execute a Franchise Agreement or to open a Territory/U.S. Lawns Business according to the dates set forth in this Agreement, we have the right to immediately terminate this Agreement pursuant to Section 7.B.

B. You may not develop a Territory/U.S. Lawns Business unless (i) at least 45 days, but no more than 60 days, prior to the date set forth in the Development Schedule for the execution of each Franchise Agreement, you send us a notice (a) requiring that we send you our then current franchise disclosure document, (b) confirming your intention to develop the particular Territory/U.S. Lawns Business and (c) sending us all information necessary to complete the Franchise Agreement for the particular Territory/U.S. Lawns Business, and (ii) all of the following conditions have been met (these conditions apply to each Territory/U.S. Lawns Business to be developed in the Development Territory):

1. Minimum Performance Standards in Existing Territories/U.S. Lawns Businesses. Each existing Territory/U.S. Lawns Business you are operating must meet a minimum annual Gross Billings of \$200,000 in the prior 12 month period.

2. Your Submission of Information. You must furnish to us, at least 30 days prior to the earliest of (i) the date set forth in the Development Schedule by which you must execute a Franchise Agreement or (ii) the actual date in which the Franchise Agreement would be executed, a franchise application for the proposed Territory/U.S. Lawns Business, financial statements and other information regarding you, the operation of any of your other Territories/U.S. Lawns Businesses and the development and operation of the proposed Territory/U.S. Lawns Business (including, without limitation, investment and financing plans for the proposed Territory/U.S. Lawns Business) as we may reasonably require.

3. Facilities. Before commencing operation of the U.S. Lawns Business you must have: i) a centrally located storage or warehouse facility in the Territory, ii) an office, the location of which is subject to our reasonable approval, iii) all designated equipment, supplies and uniforms for the operation of the U.S. Lawns Business, and iv) at least one Service Vehicle identified and equipped in accordance with our standards and specifications.

4. Your Compliance with Our Then-Current Standards for Franchisees. You must receive written confirmation from us that you meet our then-current standards for franchisees, including financial capability criteria for the development of a new Territory/U.S. Lawns Business. You acknowledge and agree that this requirement is necessary to ensure the proper development and operation of your Territories/U.S. Lawns Businesses, and preserve and enhance the reputation and goodwill of all U.S. Lawns Businesses and the goodwill of the Trademarks. Our confirmation that you meet our then-current standards for the development of a new Territory/U.S. Lawns Business, however, does not in any way constitute a guaranty by us as to your success.

5. Good Standing. You must not be in default of this Agreement, any Franchise Agreement entered into pursuant to this Agreement or any other agreement between you or any of your affiliates and us or any of our affiliates. You also must have satisfied on a timely basis all monetary and material obligations under the Franchise Agreements for all existing Territories/U.S. Lawns Businesses.

6. Execution of Franchise Agreement. You and we must enter into our then-current form of Franchise Agreement for the proposed Territory/U.S. Lawns Business. You understand that we may modify the then-current form of Franchise Agreement from time to time and that it may be different than the current form of Franchise Agreement, including different fees and obligations. You understand and agree that any and all Franchise Agreements will be construed and exist independently of this Agreement. The continued existence of each Franchise Agreement will be determined by the terms and conditions of such Franchise Agreement. Except as specifically set forth in this Agreement, the establishment and operation of each Territory/U.S. Lawns Business must be in accordance with the terms of the applicable Franchise Agreement.

You recognize and acknowledge that this Agreement requires you to open Territories/U.S. Lawns Businesses in the future pursuant to the Development Schedule. You further acknowledge that the estimated expenses and investment requirements set forth in Items 6 and 7 of our Franchise Disclosure Document are subject to increase over time, and that future Territory/U.S. Lawns Business likely will involve greater initial investment and operating capital requirements than those stated in the Franchise Disclosure Document provided to you prior to the execution of this Agreement. You are obligated to execute all the Franchise Agreements and open all Territories/U.S. Lawns Businesses on the dates set forth on the Development Schedule, regardless of (i) the requirement of a greater investment, (ii) the financial condition or performance of your prior Territories/U.S. Lawns Businesses, or (iii) any other circumstances, financial or otherwise. The foregoing will not be interpreted as imposing any obligation upon us to execute the Franchise Agreements under this Agreement if you have not complied with each and every condition necessary to develop the Territories/U.S. Lawns Businesses.

SECTION 5 TERM

5. Unless sooner terminated in accordance with Section 7 of this Agreement and subject to the terms detailed in Section 2.C, the term of this Agreement and all rights granted to you will expire on the date that your last Territory/U.S. Lawns Business is scheduled to be opened under the Development Schedule.

SECTION 6 YOUR DUTIES

6. You must perform the following obligations:

A. You must comply with all of the terms and conditions of each Franchise Agreement, including but not limited to the product and operations standards, personnel and supervision standards, marketing standards, fees and reporting requirements, and insurance requirements specified in each Franchise Agreement.

B. You and your owners, officers, directors, shareholders, partners, members and managers (if any) acknowledge that your entire knowledge of the operation of an U.S. Lawns Business and the System, including the knowledge or know-how regarding the specifications, standards and operating procedures of the services and activities, is derived

from information we disclose and is considered Confidential Information. You may not, during the term of this Agreement or thereafter, communicate, divulge or use for the benefit of any other person or entity any Confidential Information, except to such employees as must have access to it in order to operate the U.S. LAWNS Business. Any and all Confidential Information, including, without limitation, methods, procedures, suggested pricing, specifications, processes, materials, techniques and other data, may not be used for any purpose other than operating the U.S. LAWNS Business. We may require that you obtain nondisclosure and confidentiality agreements in a form satisfactory to us from any persons owning a minority interest in the franchisee, your manager and other key employees. You must provide executed copies of these agreements to us upon our request.

C. You must at all times maintain and conduct your U.S. LAWNS Business operations in compliance with all applicable laws, regulations, codes and ordinances. You must secure and maintain in force all required licenses, permits and certificates relating to your U.S. LAWNS Business.

You acknowledge that you are an independent business and responsible for control and management of your U.S. LAWNS Business, including, but not limited to, the hiring and discharging of your employees and setting and paying wages and benefits of your employees. You acknowledge that we have no power, responsibility or liability in respect to the hiring, discharging, setting and paying of wages or related matters.

D. You agree that you will receive valuable training and Confidential Information that you otherwise would not receive or have access to but for the rights licensed to you under this Agreement. You therefore agree to the following noncompetition covenants:

1. Unless otherwise specified, the term “you” as used in this subparagraph includes, collectively and individually, all guarantors, officers, directors, members, managers, partners, as the case may be, and holders of any ownership interest in you. We may require you to obtain from your manager and other individuals identified in the preceding sentence a signed non-compete agreement in a form satisfactory to us that contains the non-compete provisions of this subparagraph.

2. You covenant that during the term of this Agreement, you will not, either directly or indirectly, for yourself, or through, on behalf of, or in conjunction with any person or entity, own, manage, operate, maintain, engage in, consult with or have any interest in any Competitive Business (as defined below) in any Territory listed on Appendix C other than one authorized by this Agreement or any other agreement between us and you. For purposes of this Section 6.D, a “Competitive Business” is any business which provides Landscape Maintenance Services.

3. You covenant that you will not, for a period of two (2) years after the expiration or termination of this Agreement, regardless of the cause of termination, either directly or indirectly, for yourself, or through, on behalf of, or in conjunction

with any person or entity, own, manage, operate, maintain, engage in, consult with or have any interest in a Competitive Business (as defined below): (x) in any Territory listed on Appendix C, (y) within a 50-mile radius of the outer boundary of any Territory listed on Appendix C; or (z) inside the protected territory of another U.S. Lawns business, whether franchised or owned by us or our affiliates.

4. You agree that the length of time in subparts (2) and (3) will be tolled for any period during which you are in breach of the covenants or any other period during which we seek to enforce this Agreement. The parties agree that each of the foregoing covenants will be construed as independent of any other covenant or provision of this Agreement.

SECTION 7 DEFAULT AND TERMINATION

7. The following provisions apply with respect to default and termination:

A. The rights and territorial protection granted to you in this Agreement have been granted in reliance on your representations and warranties, and strictly on the conditions set forth in Sections 2, 4 and 6 of this Agreement, including the condition that you comply strictly with the Development Schedule.

B. You will be deemed in default under this Agreement if you breach any of the terms of this Agreement, including the failure to meet the Development Schedule, or the terms of any Franchise Agreement or any other agreements between you or your affiliates and us or our affiliates. All rights granted in this Agreement immediately terminate upon written notice without opportunity to cure if: (i) you become insolvent, commit any affirmative action of insolvency or file any action or petition of insolvency, (ii) a receiver (permanent or temporary) of your property is appointed by a court of competent authority, (iii) you make a general assignment or other similar arrangement for the benefit of your creditors, (iv) a final judgment remains unsatisfied of record for 30 days or longer (unless supersedeas bond is filed), (v) execution is levied against your business or property, (vi) suit to foreclose any lien or mortgage against the premises or equipment is instituted against you and not dismissed within 30 days, or is not in the process of being dismissed, (vii) you fail to meet the development obligations set forth in the Development Schedule attached as Appendix C, (viii) you violate the provisions of Section 6.B; (ix) you fail to comply with any other provision of this Agreement and do not correct the failure within 30 days after written notice of that failure is delivered to you, or (x) we have delivered to you a notice of termination of a Franchise Agreement in accordance with its terms and conditions.

SECTION 8 RIGHTS AND DUTIES OF PARTIES UPON TERMINATION OR EXPIRATION

8. Upon termination or expiration of this Agreement, all rights granted to you will automatically terminate, and:

A. All remaining rights granted to you to develop U.S. Lawns Businesses under this Agreement will automatically be revoked and will be null and void. You will not be entitled to any refund of any fees. You will have no right to develop or operate any

business for which a Franchise Agreement has not been executed by us. We will be entitled to develop and operate, or to franchise others to develop and operate, U.S. Lawns Businesses in the Development Territory, except as may be otherwise provided under any Franchise Agreement that has been executed between us and you and that has not been terminated.

B. You must immediately cease to operate your business under this Agreement and must not thereafter, directly or indirectly, represent to the public or hold yourself out as a present or former developer of ours except in connection with the business operations of any existing U.S. Lawns Businesses that have been developed prior to the termination of this Agreement and that are still operating under a valid Franchise Agreement.

C. All of your rights to the use of the Trademarks and all other rights and licenses granted herein and the right and license to conduct business under the Marks will revert to us without further act or deed of any party. All of your right, title and interest in, to and under this Agreement will become our property. You must cease all use and display of the Marks and of any proprietary material (including the Operations Manual) and of all or any portion of point-of-sale materials furnished or approved by us, assign all right, title and interest in the telephone numbers for the U.S. Lawns Business and cancel or assign, at our option, any assumed name rights or equivalent registrations filed with authorities, except in connection with the business operations of any existing U.S. Lawns Businesses that have been developed prior to the termination of this Agreement and that are still operating under a valid Franchise Agreement.

D. You must assign to us or our designee all your right, title, and interest in and to your telephone numbers and must notify the telephone company and all listing agencies of the termination or expiration of your right to use any telephone number in any regular, classified or other telephone directory listing associated with the Trademarks and to authorize transfer of same at our direction.

E. You must within 30 days of the termination or expiration pay all sums owing to us and our affiliates.

All unpaid amounts will bear interest at the rate of 18% per annum or the maximum contract rate of interest permitted by governing law, whichever is less, from and after the date of accrual. In the event of termination for any default by you, the sums due will include all damages, costs, and expenses, including reasonable attorneys' fees and expenses, incurred by us as a result of the default. You also must pay to us all damages, costs and expenses, including reasonable attorneys' fees and expenses that we incur subsequent to the termination or expiration of this Agreement in obtaining injunctive or other relief for the enforcement of any provisions of this Agreement.

F. If this Agreement is terminated you may continue to operate any U.S. Lawns Businesses open and operating at the time of the termination, unless the termination of this Agreement constitutes a termination under the terms of the separate Franchise Agreement for each Territory/U.S. Lawns Business. Under such circumstances, we have the right to purchase or designate a third party that will purchase all or any portion of the

assets of your U.S. Lawns Business that are owned by you or any of your affiliates including, without limitation, the equipment, fixtures, inventory, supplies, and customer agreements (“Accounts”) of your U.S. Lawns Business. We have the right to select the assets of the Business we desire to purchase, including, without limitation, any individual Account. The purchase price for any Account to be purchased by us shall be an amount equal to the Average Monthly Revenue (as defined below) derived by you from such Account for ordinary Landscape Maintenance Services, which were reported to us during the 12 months immediately prior to the purchase. "Average Monthly Revenue" means the monthly average of all normal revenue (excluding extras and extraordinary services) derived from the Account for ordinary Landscape Maintenance Services during such 12 month period. The purchase price for inventory and supplies to be purchased shall be the lesser of cost or market value, and the purchase price for equipment to be purchased shall be mutually agreed upon by the parties. If the parties are unable to agree on the market value of any inventory or supplies or the purchase price of any equipment, we shall have the right to appoint an independent appraiser whose decision shall be final and whose fee shall be shared equally by the parties. Notwithstanding anything to the contrary in this Agreement, we have the right to set off against and reduce the purchase price by any and all amounts owed by you to us or our affiliates

G. You and your Principal Owners and guarantors may not assert any claim or cause of action against us or our affiliates relating to this Agreement or your U.S. Lawns Business after the shorter period of the applicable statute of limitations or one year following the effective date of termination of this Agreement; provided that where the one-year limitation of time is prohibited or invalid by or under any applicable law, then and in that event no suit or action may be commenced or maintained unless commenced within the applicable statute of limitations.

H. All of our and your obligations that expressly or by their nature survive the expiration or termination of this Agreement will continue in full force and effect subsequent to and notwithstanding its expiration or termination and until they are satisfied or by their nature expire.

SECTION 9 TRANSFER

9. The following provisions govern any transfer:

A. We have the right to transfer all or any part of our rights or obligations under this Agreement to any person or legal entity.

B. This Agreement is entered into by us with specific reliance upon your personal experience, skills and managerial and financial qualifications. Consequently, this Agreement, and your rights and obligations under it, are and will remain personal to you. You may only Transfer your rights and interests under this Agreement if you obtain our prior written consent and you transfer your rights and interests under the relevant Franchise Agreements for Franchised Businesses in the Development Territory as dictated by the circumstances. In this event, the transferee will be required, as a condition of approval of the transfer, to assume transferor’s development obligations, including the payment of any

remaining initial franchise fees. Accordingly, the assignment terms and conditions of the Franchise Agreements will apply to any Transfer of your rights and interests under this Agreement. As used in this Agreement, the term “Transfer” means any sale, assignment, gift, pledge, mortgage or any other encumbrance, transfer by bankruptcy, transfer by judicial order, merger, consolidation, share exchange, transfer by operation of law or otherwise, whether direct or indirect, voluntary or involuntary, of this Agreement or any interest in it, or any rights or obligations arising under it, or of any material portion of your assets, or of any interest in you.

SECTION 10 DISPUTE RESOLUTION

10. The following provisions apply with respect to dispute resolution:

A. Mediation. Before any party may bring an action in court or against the other (except any action for declaratory and/or equitable relief and as noted in Section 10.C below), or commence an arbitration proceeding (except as noted in Section 10.C below), the parties must first meet to mediate the dispute. If you refuse to participate in mediation or do not respond to our request for mediation within 10 days after we give you written notice of our request to mediate, we may proceed to file an arbitration claim in accordance with Section 10.B or an action for declaratory and/or equitable relief as noted in Section 10.C below. The mediation will be held in person in the city in which our headquarters are located at the time of the mediation. Any such mediation shall be non-binding and shall be conducted informally between the parties for a minimum of two (2) consecutive eight (8) hour days in order to attempt to amicably resolve the dispute. If such informal dispute resolution efforts prove to be unsuccessful, the notifying party may initiate arbitration proceedings pursuant to Section 10.B below. Each party will bear its own costs and expenses for the mediation and split equally the costs of the mediator.

B. Arbitration. Except as qualified below, any dispute between you and us or any of our or your affiliates arising under, out of, in connection with or in relation to this Agreement, the parties’ relationship, or your U.S. LAWNS Business must be submitted to binding arbitration under the authority of the Federal Arbitration Act and must be determined by arbitration administered by the American Arbitration Association pursuant to its then-current commercial arbitration rules and procedures. Any arbitration must be on an individual basis and the parties and the arbitrator will have no authority or power to proceed with any claim as a class action or otherwise to join or consolidate any claim with any other claim or any other proceeding involving third parties. In the event a court determines that this limitation on joinder of or class action certification of claims is unenforceable, then the parties shall submit such class action or joined or consolidated claims, as applicable, to binding arbitration in accordance with this remaining provisions of this Section 10. The arbitration must take place in the city where our headquarters is located at the time of the dispute. The arbitrator must follow the law and not disregard the terms of this Agreement. The arbitrator must have at least five years of significant experience in franchise law. Any issue regarding arbitrability of a claim or the enforcement of this arbitration provision

will be governed by the Federal Arbitration Act and the federal common law of arbitration. A judgment may be entered upon the arbitration award by any state or federal court in the state where we maintain our headquarters or the state where your U.S. LAWNS Business is located. The decision of the arbitrator will be final and binding on all parties to the dispute; however, the arbitrator may not under any circumstances: (1) stay the effectiveness of any pending termination of this Agreement; (2) assess punitive or exemplary damages; or (3) make any award which extends, modifies or suspends any lawful term of this Agreement or any reasonable standard of business performance that we set. Each party will bear its own costs and expenses for the arbitration and will be responsible to pay 50% of the arbitrator's fees and costs (including arbitrator's and AAA's fees and costs); provided that the prevailing party will be entitled to reimbursement of its fees and costs under Section 11.D.

This agreement to arbitrate applies to you as well as to (1) all guarantors of your obligations under this Agreement, (2) if Franchisee is a legal entity, all owners, officers or principal owners of Franchisee, (3) all others who claim any rights or benefits based upon or relating to the franchise relationship or who make any claim or assert any defense based upon or relating to this Agreement, the relationship between the parties to this Agreement or otherwise relating or arising out of this Agreement.

C. Exceptions to Arbitration. Notwithstanding Section 10.B, the parties agree that the following claims will not be subject to mediation or arbitration:

1. any action by us for temporary, preliminary or permanent injunctive relief, specific performance, writ of attachment, or other equitable relief necessary to enjoin any harm or threat of harm to our tangible or intangible property, including trademarks, service marks and other intellectual property, brought at any time, including, without limitation, prior to or during the pendency of any mediation or arbitration proceedings initiated hereunder. You specifically acknowledge that your breach or threatened breach of any of your obligations under this Agreement would cause us irreparable harm. You understand that irreparable harm is an injury for which monetary damages are not an adequate remedy. Therefore, upon any such breach or threatened breach by you, in addition to any other rights or remedies that may be available to us at law, equity or otherwise, you acknowledge that we will be entitled to equitable relief, including an injunction, restraining order or specific performance, without any requirement to prove irreparable harm. In addition, you hereby waive any right to request that a bond be issued as security (except for a nominal bond not to exceed \$100);
2. any action in ejectment or for possession of any interest in real or personal property; or

3. any action related solely to the collection of moneys owed to us or our affiliates.

D. Attorneys' Fees. The prevailing party in any action or proceeding arising under, out of, in connection with, or in relation to this Agreement, or the business will be entitled to recover its reasonable attorneys' fees and costs (including arbitrator's and AAA fees and costs).

SECTION 11 MISCELLANEOUS

11. The parties agree to the following provisions:

A. Indemnification. Should one or more clauses of this Agreement be held void or unenforceable for any reason by any court of competent jurisdiction, such clause or clauses will be deemed to be separable in such jurisdiction and the remainder of this Agreement is valid and in full force and effect and the terms of this Agreement must be equitably adjusted so as to compensate the appropriate party for any consideration lost because of the elimination of such clause or clauses. It is the intent and expectation of each of the parties that each provision of this Agreement will be honored, carried out and enforced as written. Consequently, each of the parties agrees that any provision of this Agreement sought to be enforced in any proceeding must, at the election of the party seeking enforcement and notwithstanding the availability of an adequate remedy at law, be enforced by specific performance or any other equitable remedy.

B. Severability. Should one or more clauses of this Agreement be held void or unenforceable for any reason by any court of competent jurisdiction, such clause or clauses will be deemed to be separable in such jurisdiction and the remainder of this Agreement is valid and in full force and effect and the terms of this Agreement must be equitably adjusted so as to compensate the appropriate party for any consideration lost because of the elimination of such clause or clauses. It is the intent and expectation of each of the parties that each provision of this Agreement will be honored, carried out and enforced as written. Consequently, each of the parties agrees that any provision of this Agreement sought to be enforced in any proceeding must, at the election of the party seeking enforcement and notwithstanding the availability of an adequate remedy at law, be enforced by specific performance or any other equitable remedy.

C. Waiver/Integration. No waiver by us of any breach by you, nor any delay or failure by us to enforce any provision of this Agreement, may be deemed to be a waiver of any other or subsequent breach or be deemed an estoppel to enforce our rights with respect to that or any other or subsequent breach. Subject to our rights to modify the Operations Manual and/or standards and as otherwise provided herein, this Agreement may not be waived, altered or rescinded, in whole or in part, except by a writing signed by you and us. This Agreement together with the addenda and appendices hereto and any application form or similar document executed by you requesting us to enter into this Agreement constitute the entire agreement between the parties and supersede any and all prior negotiations, understandings, representations, and agreements. Nothing in this or in any related agreement, however, is intended to disclaim the representations we made in the

Disclosure Document we furnished to you.

D. Notices. Except as otherwise provided in this Agreement, any notice, demand or communication provided for herein must be in writing and signed by the party serving the same and either delivered personally or by a reputable overnight service or deposited in the United States mail, service or postage prepaid, and if such notice is a notice of default or of termination, by registered or certified mail, and addressed as follows:

1. If intended for us, addressed to U.S. Lawns, Inc., 6700 Forum Drive, Suite 150, Orlando, FL 32821, Facsimile (407) 246-1623;

2. If intended for you, addressed to you at the address set forth on the Data Sheet; or, in either case, to such other address as may have been designated by notice to the other party. Notices for purposes of this Agreement will be deemed to have been received if mailed or delivered as provided in this subparagraph.

E. Authority. Any modification, consent, approval, authorization or waiver granted hereunder required to be effective by signature will be valid only if in writing executed by you or, if on behalf of us, in writing executed by our President or one of our authorized Vice Presidents.

F. References. If the franchisee is two or more individuals, the individuals are jointly and severally liable, and references to you in this Agreement includes all of the individuals. Headings and captions contained herein are for convenience of reference and may not be taken into account in construing or interpreting this Agreement.

G. Guarantee. All persons having a 5% or more ownership interest in a franchisee that is a corporation, partnership, limited liability company or partnership or other legal entity must execute the form of undertaking and guarantee at the end of this Agreement. Any person or entity that at any time after the date of this Agreement becomes an owner must execute the form of undertaking and guarantee at the end of this Agreement.

H. Successors/Assigns. Subject to the terms of Paragraph 10 hereof, this Agreement is binding upon and inures to the benefit of the administrators, executors, heirs, successors and assigns of the parties.

I. Interpretation of Rights and Obligations. The following provisions apply to and govern the interpretation of this Agreement, the parties' rights under this Agreement, and the relationship between the parties:

1. Applicable Law and Waiver. Subject to our rights under federal trademark laws, the parties' rights under this Agreement, and the relationship between the parties is governed by, and will be interpreted in accordance with, the laws (statutory and otherwise) of the state of Florida.

2. Our Rights. Whenever this Agreement provides that we have a certain right, that right is absolute and the parties intend that our exercise of that right will not be subject to any limitation or review. We have the right to operate,

administrate, develop, and change the System in any manner that is not specifically precluded by the provisions of this Agreement, although this right does not modify the express limitations set forth in this Agreement.

3. Our Reasonable Business Judgment. Whenever we reserve discretion in a particular area or where we agree to exercise our rights reasonably or in good faith, we will satisfy our obligations whenever we exercise Reasonable Business Judgment in making our decision or exercising our rights. Our decisions or actions will be deemed to be the result of Reasonable Business Judgment, even if other reasonable or even arguably preferable alternatives are available, if our decision or action is intended, in whole or significant part, to promote or benefit the System generally even if the decision or action also promotes our financial or other individual interest. Examples of items that will promote or benefit the System include, without limitation, enhancing the value of the Trademarks, improving customer service and satisfaction, improving product quality, improving uniformity, enhancing or encouraging modernization and improving the competitive position of the System.

J. Venue. Any cause of action, claim, suit or demand allegedly arising from or related to the terms of this Agreement or the relationship of the parties that is not subject to arbitration under Section 12, must be brought in the state or federal district court located in the county or district encompassing our headquarters. Both parties hereto irrevocably submit themselves to, and consent to, the jurisdiction of said courts. The provisions of this subparagraph will survive the termination of this Agreement. You are aware of the business purposes and needs underlying the language of this subparagraph, and with a complete understanding thereof, agree to be bound in the manner set forth.

K. Jury Waiver. All parties hereby waive any and all rights to a trial by jury in connection with the enforcement or interpretation by judicial process of any provision of this Agreement, and in connection with allegations of state or federal statutory violations, fraud, misrepresentation or similar causes of action or any legal action initiated for the recovery of damages for breach of this Agreement.

L. Waiver of Punitive Damages. You and us and our affiliates agree to waive, to the fullest extent permitted by law, the right to or claim for any punitive or exemplary damages against the other and agree that in the event of any dispute between them, each will be limited to the recovery of actual damages sustained.

M. Relationship of the Parties. You and we are independent contractors. Neither party is the agent, legal representative, partner, subsidiary, joint venturer or employee of the other. Neither party may obligate the other or represent any right to do so. This Agreement does not reflect or create a fiduciary relationship or a relationship of special trust or confidence.

N. Force Majeure. In the event of any failure of performance of this Agreement according to its terms by any party the same will not be deemed a breach of this Agreement if it arose from a cause beyond the control of and without the negligence

of said party. Such causes include, but are not limited to, strikes, wars, riots and acts of government except as may be specifically provided for elsewhere in this Agreement.

O. Adaptations and Variances. Complete and detailed uniformity under many varying conditions may not always be possible, practical, or in the best interest of the System. Accordingly, we have the right to vary the standards, specifications, and requirements for any franchised business or franchisee based upon the customs or circumstances of a particular franchise or operating agreement, site or location, population density, business potential, trade area population, existing business practice, competitive circumstance or any other condition that we deem to be of importance to the operation of such business, franchisee's business or the System. We are not required to grant to you a like or other variation as a result of any variation from standard inventory items, specifications or requirements granted to any other franchisee. You acknowledge that you are aware that our other franchisees operate under a number of different forms of agreement that were entered into at different times and that, consequently, the obligations and rights of the parties to other agreements may differ materially in certain instances from your rights and obligations under this Agreement.

P. Notice of Potential Profit. We and/or our affiliates may from time to time make available to you goods, products and/or services for use in your U.S. Lawns Business on the sale of which we and/or our affiliates may make a profit. Further, we and/or our affiliates may from time to time receive consideration from suppliers and/or manufacturers in respect to sales of goods, products or services to you or in consideration of services rendered or rights licensed to such persons. You agree that we and/or our affiliates are entitled to said profits and/or consideration.

Q. Effective Date. We will designate the "Effective Date" of this Agreement in the space provided on the Data Sheet. If no Effective Date is designated on the Data Sheet, the Effective Date is the date when we sign this Agreement. However, you do not have the right to, and may not, commence operation of a U.S. Lawns Business until we notify you that you have satisfied all of the pre-opening conditions set forth in this Agreement.

IN WITNESS WHEREOF, the parties have executed this Area Development Agreement as of the date first written above.

ADDITIONAL DISCLOSURES TO THE DISCLOSURE DOCUMENT, FRANCHISE AGREEMENT, AND AREA DEVELOPMENT AGREEMENT REQUIRED BY THE STATE OF CALIFORNIA

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer or non-renewal of a franchise. If the franchise agreement or area development agreement contains a provision that is inconsistent with the law, the law will control.

In California the highest interest rate permitted by law is 10%.

SPOUSAL RISK FACTOR – Spousal liability: Your spouse will be liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse’s marital and personal assets, perhaps including your house, at risk if your franchise fails.

The Franchise Agreement, Area Development Agreement and Items 5 and 7 of the Disclosure Document are amended as follows: “The Department of Financial Protection and Innovation requires a financial assurance. Therefore, we have posted a surety bond which is on file with the California Department of Financial Protection and Innovation. A copy of the surety bond is attached as an exhibit to the California Additional Disclosures page.”

The franchise agreement and area development agreement provide for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec101 et seq.).

The franchise agreement contains a covenant not to compete which extends beyond termination of the franchise. This provision may not be enforceable under California law.

The franchise agreement requires binding arbitration. The arbitration will occur at Orlando, Florida with the costs being borne by you. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5 Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the state of California.

Neither the franchisor, nor any person or franchise broker in Item 2 of the FDD is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in such association or exchange.

California’s Franchise Investment Law (Corporations Code sections 31512 and 31512.1) states that any provision of a franchise agreement or related document requiring the franchisee to waive specific provisions of the law is contrary to public policy and is void and unenforceable. The law also prohibits a franchisor from disclaiming or denying (i) representations it, its employees, or its agents make to you, (ii) your ability to rely on any representations it makes to you, or (iii) any violations of the law.

No disclaimer, questionnaire, clause, or statement signed by a franchisee in connection with the commencement of the franchise relationship shall be construed or interpreted as waiving any claim of fraud in the inducement, whether common law or statutory, or as disclaiming reliance on or the right to rely upon any statement made or information provided by any franchisor, broker or other person acting on behalf of the franchisor that was a material inducement to a franchisee’s investment. This provision supersedes any other or inconsistent term of any document executed in connection with the franchise.

Registration of this franchise does not constitute approval, recommendation, or endorsement by the Commissioner of the Department of Financial Protection and Innovation.

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

SECTION 31125 OF THE FRANCHISE INVESTMENT LAW REQUIRES US TO GIVE TO YOU A DISCLOSURE DOCUMENT APPROVED BY THE COMMISSIONER OF THE DEPARTMENT OF FINANCIAL PROTECTION & INNOVATION BEFORE WE ASK YOU TO CONSIDER A MATERIAL MODIFICATION OF YOUR FRANCHISE AGREEMENT.

YOU MUST SIGN A GENERAL RELEASE OF CLAIMS IF YOU RENEW OR TRANSFER YOUR FRANCHISE. CALIFORNIA CORPORATIONS CODE §31512 VOIDS A WAIVER OF YOUR RIGHTS UNDER THE FRANCHISE INVESTMENT LAW (CALIFORNIA CORPORATIONS CODE §§31000 THROUGH 31516). BUSINESS AND PROFESSIONS CODE §20010 VOIDS A WAIVER OF YOUR RIGHTS UNDER THE FRANCHISE RELATIONS ACT (BUSINESS AND PROFESSIONS CODE §§20000 THROUGH 20043).

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. A surety bond in the amount of \$100,000 has been obtained by the Franchisor. The Washington Securities Division has made the issuance of the franchisor's permit contingent upon the Franchisor maintaining surety bond coverage acceptable to the Administrator until (a) all Washington Franchisees have (i) received all initial training that they are entitled to under the franchise agreement or offering circular, and (ii) are open for business; or (b) the Administrator issues written authorization to the contrary.
