Report of Independent Auditors

To the Management of Doctor's Associates LLC

Opinion

We have audited the accompanying financial statements of Doctor's Associates LLC (the "Company"), which comprise the balance sheets as of December 31, 2023 and 2022, and the related statements of income, of changes in member's equity and of cash flows for the three years ended December 31, 2023, including the related notes (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and 2022, and the results of its operations and its cash flows for the three years ended December 31, 2023 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

1. Summary of Significant Accounting Policies

Description of Business

Doctor's Associates, LLC (the "Company") is the franchisor of quick serve restaurants throughout the United States of America operating under the trade name "Subway," pursuant to a license agreement dated January 1, 2016, between the Company and Subway IP LLC ("SIP"), an affiliated entity by common control of Subway Worldwide, Inc ("SWI" or "Ultimate Parent"), a Delaware corporation. Franchisees are engaged in making and selling footlong, flatbread, and specialty sandwiches, salads, and other food items from a retail shop utilizing SIP's recipes, formulas, business policies, trademarks, service marks and trade names. Pursuant to the Company's typical franchise agreement, the Company provides its continuing know-how and experience in the production and retail sales of its prepared food products through training and consulting programs for the franchisees.

Sale of the Ultimate Parent

On August 23, 2023, the SWI stockholders entered into a definitive agreement to sell their interests to affiliates of Roark Capital Group, a private-equity firm, subject to various approvals and closing conditions.

Basis of Presentation

The financial statements include the accounts of Doctor's Associates LLC. Accounting Standards Codification ("ASC") 220 requires a separate statement of comprehensive income. However, as net income is the only material component of comprehensive income, the Company elected not to include a separate statement of comprehensive income because it would not be meaningful to the users of the financial statements.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the dates of the financial statements, and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates. Significant items subject to such estimates and assumptions include allowance for credit losses, amortization, and trade-related and other accrued expenses.

Revenue Recognition

The Company accounts for revenue in accordance with ASC Topic 606, Revenue from Contracts with Customers. The Company derives its revenues from franchise revenues and vendor rebates.

Franchise Fees and Royalties

Royalty revenue from contract consideration from franchisees primarily consists of sales-based royalties. Sales-based royalties are collected either weekly or monthly. Royalties are earned based on a percentage of franchisees' gross sales, relate entirely to the use of the Company's intellectual property and are recognized as franchisee sales occur and the royalty is deemed collectible.

The Company's primary performance obligations under the franchise agreement include granting certain rights to access the Company's intellectual property and a variety of activities relating to opening a franchise unit, including site selection, training and other such activities commonly referred to collectively as "pre-opening activities."

Doctor's Associates LLC

Notes to Financial Statements

December 31, 2023, 2022 and 2021

(dollars in thousands)

Initial franchise fees allocated to the right to access the Company's intellectual property are recognized as revenue on a straight-line basis over the term of the respective franchise agreement and are included within "Deferred revenues" on the accompanying balance sheets.

Transfer fees received from an existing franchisee for the transfer of their franchise unit to another franchisee are earned upon completion of the transfer.

The Company capitalizes direct and incremental costs, principally consisting of commissions, associated with a new franchisee and amortizes these costs over the term of the respective franchise agreement.

Vendor Funds Revenue and Vendor Funds Receivable

The Company has entered into certain preferred vendor arrangements for which it earns a commission or rebate payable by the vendor based on a percentage or volume of purchases made by its franchisees. These funds are intended to be used by the Company for the benefit of the franchisees and offset various initiatives administered and rolled-out by the Company. Commissions and vendor rebates are recognized in the period purchases are made or per contract specifications.

The Company is also party to strategic capital initiative fund agreements. In such situations, the Company receives payment upfront or based on a payment schedule in order to fulfill certain strategic initiatives as described by the vendor during the life of the contract. The upfront payments are recognized ratably in income over the life of the contract and are included within "Deferred revenues" on the accompanying balance sheets.

Master Franchise Agreement

The Company enters into contracts granting rights to the Subway brand to master franchisees in a particular country or defined geographic territory. These contracts are referred to as Master Franchise Agreements ("MFAs"). MFAs require the master franchisees to open a designated number of franchise units within a specified time period, defines an exclusivity period, during which no other franchisee can operate in a designated area and requires the master franchisee to pay a nonrefundable upfront fee upon entering into the MFA. For each individual location opened under the MFA, a separate franchisee agreement between the MFA and franchisee is then executed, resulting in additional fees, such as initial franchise fees, royalties, and other fees, to become due and payable. MFAs require the master franchisee to pay the Company a royalty based on a percentage of sales. Royalty percentages vary among markets and may also vary based on certain incentives and concessions. MFA royalty revenue is included within "Franchise royalties" in the accompanying statements of income. Revenues from MFAs represents 1% of "Total revenue" in 2023 and 2022.

Cash and Cash Equivalents

Financial instruments that potentially expose the Company to concentrations of credit risk consist primarily of cash, cash equivalents and receivables. The Company considers all cash investments available with an original maturity of three months or less to be cash equivalents. The Company's cash and cash equivalents are placed with several large financial institutions. Management believes that this investment policy limits the Company's exposure to credit risk. Cash balances, at times, exceed federally insured limits.

Doctor's Associates LLC

Notes to Financial Statements

(dollars in thousands)

Accounts Receivable

Accounts receivable are stated at the amount the Company expects to collect. The Company maintains allowances for credit losses associated with its accounts receivable for estimated losses resulting from the inability of some of its franchisees to make required payments. Concentration of credit risk with respect to receivables is limited due to the large number of franchisees in the Company's customer base and their geographic dispersion. Management considers the following factors when estimating expected credit losses: franchisee creditworthiness, past transaction history with the franchisee, and current economic industry trends. If the financial conditions of the Company's franchisees were to deteriorate, adversely affecting their ability to make payments, additional allowances would be required. Generally, the Company does not require collateral to support accounts receivable.

Intangible Assets Subject to Amortization

Intangible assets subject to amortization consist of reacquired contract rights and noncompete agreements. The assets are stated at gross carrying amount, less accumulated amortization. Amortization is computed on the straight-line method and is recorded within "Operating expenses, net" on the accompanying statements of income.

Impairment of Long-lived Assets

The Company's policy is to assess the values of its long-lived assets (property and equipment and amortizable intangible assets) and to evaluate such assets for impairment whenever events or changes in circumstances ("triggering events") indicate that the carrying amount of such assets (or group of assets) may not be recoverable. The amount of any impairment recognized would be calculated as the difference between the estimated fair market value and the carrying value of the asset. The Company performs an impairment test should there be a triggering event. No indications of impairment were identified for the years ended December 31, 2023 and 2022.

Fair Value Measurements

The Fair Value Measurements and Disclosure Topic of the FASB Accounting Codification establishes a framework for measuring fair value that is based on the inputs market participants use to determine fair value of an asset or liability and establishes a fair value hierarchy to prioritize those inputs.

The accounting guidance describes a hierarchy of three levels of input that may be used to measure fair value:

- Level 1 Inputs based on quoted prices in active markets for identical assets and liabilities.
- Level 2 Inputs other than Level 1 quoted prices, such as quoted prices for similar assets and liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the asset or liability.
- Level 3 Unobservable inputs based on little market or no market activity and which are significant to the fair value of the assets and liabilities.

Doctor's Associates LLC

Notes to Financial Statements

December 31, 2023, 2022 and 2021

(dollars in thousands)

The Company's material financial instruments consist primarily of cash and cash equivalents, accounts receivable, and accounts payable and accrued expenses. The fair values of cash and cash equivalents, accounts receivable, accounts payable and accrued expenses are equal to their carrying values based on their liquidity. The fair value measurement of these assets and liabilities is categorized as Level 1.

Income Taxes

The Company is a single-member limited liability company and therefore is a disregarded entity for income tax purposes. The Company's assets, liabilities, and items of income, deductions and credits are combined with and included in the income tax returns of Subway US Holdings, LLC ("SUSH" or the "Parent"). For certain state and local purposes, an entity level tax is assessed on the Company, and the amounts are not significant to the financial statements.

During 2022, as part of the updated transfer pricing policy mentioned in Note 4, the Company became the regional headquarter for the Americas and therefore, receives payment from foreign affiliates, such as Canada, and is subject to applicable withholding tax.

The Company provides for state income taxes in states that do not recognize single member limited liability, federal S corporation status or qualified S subsidiaries. Deferred taxes are not significant for all periods presented.

The Company recognizes and measures its unrecognized tax benefits in accordance with FASB ASC 740, Income Taxes. Under that guidance, management assesses the likelihood that tax positions will be sustained upon examination based on the facts, circumstances and information, including the technical merits of those positions, available at the end of each period. The measurement of unrecognized tax benefits is adjusted when new information is available, or when an event occurs that requires a change. Included in "Other current liabilities" in the accompanying balance sheets, the Company has a liability for uncertain tax positions of \$1,041 at December 31, 2023 and 2022. Included within the liability for uncertain tax positions is accrued interest and penalties of \$519 recorded at December 31, 2023 and 2022. The Company has made a policy election to present interest and penalties within "Provision for income taxes" on the statements of income.

Credit Losses

In June 2016, the FASB issued ASU 2016-13, Financial Instruments-Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments ("ASC 326"). ASC 326 requires companies to measure credit losses utilizing a methodology that reflects expected credit losses and requires a consideration of a broader range of reasonable and supportable information to inform credit loss estimates. The Company adopted ASC 326 as of January 1, 2023. The adoption did not have an effect on the Company's financial statements.

Reclassifications

Certain prior year amounts included in the financial statements have been reclassified to conform to the current year presentation.

4. Other Transactions with Affiliates

License Agreement

The Company retains the nonexclusive use of the recipes, formulas, food preparation procedures, business methods, business forms, and business policies (the "System") within the United States through an Intellectual Property and System Transfer Agreement (the "License Agreement") with SIP. During 2022, Subway's global transfer pricing policy was updated, and the Company became the regional headquarters for the Americas. As a regional headquarters, the Company has the right to sublicense the System in its respective region. License fee expense, included in "Operating expenses, net" within the accompanying statements of income for the years ended December 31, 2023, 2022 and 2021, amounted to \$445,022, \$365,878 and \$340,257, respectively. Regional headquarters are invoiced for the administrative service costs relating to the services provided by an affiliated entity under common control for its respective regions. This expense is recorded in "Operating expenses, net" on the accompanying statements of income and is offset by the compensation that the Company receives in the form of license fee income which amounted to \$54,886, \$32,988 and \$0 for the years ended December 31, 2023, 2022 and 2021, respectively.

The License Agreement is subject to a guaranteed profit arrangement. Effective 2021, Subway underwent a transfer pricing review including a revised benchmarking study. As a result of the transfer pricing study, the expense allocated to the Company from SIP was adjusted so that the Company's operating profit margin, as defined in the transfer pricing study, is equal to 4% of a defined profit base, which includes specified portions of "Total revenue".

SWI has incentive payment award programs for certain executives and certain key employees. The terms of the incentive payment award programs allow the participants to earn and be compensated for certain measures over a multi-year period through December 2026. The expense is maintained centrally by Franchise World Headquarters LLC, an affiliated entity by common control, which allocates to certain affiliates, including the Company, based on the Company's percentage of franchise royalties. These expenses are recorded in "Operating expenses, net" on the accompanying statements of income. In 2022, the associated liability was recorded in "Other current liabilities" and "Other liabilities –net of current portion" on the accompanying balance sheets, as the intention was that the Company would pay the participants directly. These payments are now paid through intercompany transactions and the associated liability is recorded in "Due to affiliates" on the accompanying balance sheets.

Service Agreement

The Company has a service agreement with entities affiliated with the Company by common control. Pursuant to the service agreement, the Company has agreed to reimburse the affiliate for the affiliate's actual costs incurred in providing administrative support services on behalf of the Company in addition to a service fee. The affiliate allocates the actual costs incurred in providing administrative support services to each of the entities within the service agreement. Expenses are allocated based on a percent of revenue. For the years ended December 31, 2023, 2022, and 2021, the Company's total expense pursuant to the service agreement, amounted to \$293,884, \$159,176 and \$158,999, respectively, and is recorded within "Operating expenses, net" on the accompanying statements of income.

Other Transactions with Affiliates

During the years ended December 31, 2023, 2022 and 2021, an entity related to the Company by common control charged the Company approximately \$15,454, \$8,715 and \$9,054 respectively, for point-of-sale usage and maintenance expenses. The amounts are recorded within "Operating expenses, net" on the accompanying statements of income.

Amounts due to/from affiliates related by common control are noninterest bearing and have no specific date for repayment. Such amounts are expected to be satisfied within 12 months of the balance sheet date in the normal course of operations and, accordingly, have been classified as current liabilities/assets.

5. Commitments and Contingencies

The Company records reserves for legal and other contingencies when information available to the Company indicates that it is probable that a liability has been incurred and the amount of the loss can be reasonably estimated. Predicting the outcomes of claims and litigation and estimating the related costs and exposures involve substantial uncertainties that could cause actual costs to vary materially from estimates. Legal costs incurred in connection with legal and other contingencies are expensed as they are incurred.

The Company is a defendant in a number of lawsuits and arbitration matters (including claims), some of which are for substantial amounts, arising in the ordinary course of business. Neither the amount of liability, if any, nor a range of such amounts can presently be estimated from these proceedings. However, management believes that the resolution of these matters, both individually and in the aggregate, will not have a material adverse impact on the Company's financial position, results of operations and cash flows.

On February 4, 2022, Subway Worldwide Inc. executed a credit agreement for a three-year revolving facility in the amount of \$400,000. The Company is a guarantor in this agreement.

6. Subsequent Events

The Company has evaluated subsequent events through April 16, 2024, the date on which these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

SUBLEASE

THIS SUBLEASE (the “**Sublease**”), is made on the date shown on the cover page hereof (the “**Sublease Date**”), by and between **SUBWAY REAL ESTATE, LLC**, a Delaware limited liability company, (“**Sublandlord**”), and the party identified as Subtenant in the Key Contract Data at the beginning of this Sublease.

In consideration of the covenants contained in this Sublease, the parties agree as follows:

1 PROPERTY LEASED

- 1.1 **Demise.** Sublandlord leases to Subtenant and Subtenant leases from Sublandlord the premises described in the Master Lease (defined below) attached hereto (the “**Premises**”), subject to any and all reservations, restrictions, easements, rights of way, limitations and conditions of record, if any. The purpose of this Sublease is so that Subtenant can operate a Subway® restaurant under the terms of a Franchise Agreement with Doctor's Associates LLC (“**DAL**”) dated as shown in the Key Contract Data at the beginning of this Sublease, and under the franchise number shown on the cover page hereof (“**Franchise Agreement**”).
- 1.2 **Master Lease.** Subtenant acknowledges that the Premises are subject to a lease between Sublandlord as tenant and the landlord identified therein (the “**Master Landlord**”), a copy of which is attached hereto as Exhibit A (the “**Master Lease**”). Subtenant acknowledges that Exhibit A contains a true and correct copy of the Master Lease. Any conflict between this Section 1.2 and the other provisions of this Sublease shall be resolved in favor of this Section 1.2.
 - 1.2.1 This Sublease is subject and subordinate to the Master Lease. If the Master Lease is terminated for any cause whatsoever, Subtenant shall promptly vacate and surrender the Premises to Sublandlord and this Sublease shall terminate as of the date of termination of the Master Lease and Sublandlord shall have no liability and/or obligation to Subtenant for the termination of the Sublease.
 - 1.2.2 Except as otherwise provided herein, all costs, common area maintenance fees, expenses, charges, assessments, and rent escalations accruing under the Master Lease, any restrictions imposed upon Sublandlord thereunder, together with all repairs, replacements, restorations, and any other obligations required to be performed by Sublandlord, as tenant under the Master Lease, shall be binding upon Subtenant herein. In the event the obligations and restrictions imposed on Subtenant under the Sublease conflict with the obligations and restrictions imposed upon Sublandlord as tenant under the Master Lease, then the more burdensome and restrictive of such obligations and restrictions shall prevail and be binding upon Subtenant herein.
 - 1.2.3 With respect to any consent or approval required to be obtained of Master Landlord under the Master Lease (by way of illustration and without limitation, consent to alterations), Sublandlord’s sole obligation with respect thereto, upon being requested in writing by Subtenant, shall be to seek the approval or consent of Master Landlord. Subtenant acknowledges and agrees that Sublandlord shall not be liable to Subtenant with respect to any delay, default or failure of Master Landlord to grant such consent or approval or in the performance by the Master Landlord of its obligations and covenants under the Master Lease unless such be due to acts or misconduct of Sublandlord and neither shall the Rent, Additional Rent or other Additional Charges under the Sublease abate nor shall any of the obligations of Subtenant under the Sublease be affected by

reason thereof. Subtenant further acknowledges and agrees that, with respect to any rights afforded Sublandlord under the Master Lease, including, but not limited to, any options to extend or renew the term of the Master Lease, options to purchase the Premises, rights of first refusal to purchase the Premises and restrictions against competition, such rights are not passed on to or conferred upon Subtenant under this Sublease. Subtenant acknowledges that only Sublandlord has the benefit of and the right to exercise or enforce such rights and the failure of Sublandlord to exercise or enforce such rights shall not be a default under the Sublease nor entitle Subtenant to make any claim against Sublandlord.

- 1.2.4 In the event the Master Lease contains extension or renewal options, Subtenant agrees to provide written notice to Sublandlord of its desire to exercise its option at least one hundred eighty days (180) prior to the date on which Sublandlord must notify the Landlord of its intention to exercise its option to extend or renew the Master Lease. Subtenant agrees that Sublandlord may elect not to extend or renew the Master Lease if Subtenant fails to give Sublandlord notice as provided in this Subsection. Furthermore, Sublandlord may elect not to extend or renew the Master Lease if Subtenant shall be in default in the performance of any of the terms of the Master Lease, this Sublease or the Franchise Agreement during the period one hundred eighty (180) days prior to the date Sublandlord must give notice to Master Landlord.
- 1.2.5 If Master Landlord fails to perform its duties under the Master Lease, Subtenant must give written notice thereof to Sublandlord describing Master Landlord's default in detail. Upon receipt of the notice, Sublandlord shall then promptly notify Master Landlord and demand performance as required in the Master Lease. In the event Subtenant wishes to engage the services of an attorney to settle any disputes arising out of the Master Lease, all fees and costs shall be borne by Subtenant, it being understood that Sublandlord is under no obligation to bring or defend any action brought by or against Subtenant, Sublandlord or Master Landlord.
- 1.2.6 Subtenant shall not make any agreement with Master Landlord which could modify, cancel or terminate the Master Lease.
- 1.3 **Covenant of Quiet Enjoyment.** Sublandlord promises, subject to Subtenant's performance of all of the terms and conditions of the Sublease, that Subtenant shall be entitled to the quiet and peaceful enjoyment and undisturbed possession of the Premises for the term of this Sublease.

2 **TERM**

- 2.1 **Term.** The term of this Sublease (the "**Term**") shall commence on the date shown in the Key Contract Data at the beginning of this Sublease (the "**Commencement Date**"). The Term of this Sublease shall expire at midnight one full day before the expiration of the Master Lease (the "**Expiration Date**") unless sooner terminated as provided in this Sublease.
- 2.2 **Possession.** Possession of the Premises shall be delivered to Subtenant on the Commencement Date or as provided in the Master Lease, whichever is later.
- 2.3 **Holdover.** Subtenant may only hold over at the expiration of the Term with the written consent of Sublandlord. During such holdover tenancy, Subtenant shall pay to Sublandlord two hundred percent (200%) of the Rent amount that existed immediately prior to the Expiration Date. Subtenant agrees to comply with all holdover provisions contained in the Master Lease.
- 2.4 **End of Term.**
 - 2.4.1 Fixtures and Personal property. At the expiration or earlier termination of this Sublease, any fixtures located on the Premises and not already owned by Sublandlord

shall become the property of Sublandlord. If, at that time, Subtenant has fully complied with Sublease terms and conditions and is not in default under the Franchise Agreement, Sublandlord hereby waives any right to claim any personal property owned or leased by Subtenant and located on the Premises. Subject to the terms of the Franchise Agreement, the personal property may then be removed by Subtenant or Sublandlord provided that the Premises are restored to their original condition, reasonable wear and tear excepted. Any such personal property not removed within thirty (30) days after the Sublease expiration or termination shall be deemed abandoned and become the property of Sublandlord.

- 2.4.2 **Joint Inspection.** During a period no earlier than three (3) weeks and no later than one (1) week prior to the end of the Term, Sublandlord and Subtenant shall conduct a joint inspection of the Premises, and Sublandlord shall make a list of any items of repair and maintenance that may be needed to put the Premises in good condition and repair, reasonable wear and tear excepted. If the items on such list cannot be completed by Subtenant by the end of the Term, then Subtenant shall pay to Sublandlord by the end of the Term the reasonable cost of such repairs as evidenced by third-party bids. Subtenant's obligation to make such payment shall survive the termination of this Sublease.

3 CONSIDERATION

- 3.1 **Rent.** Subtenant agrees to pay to Sublandlord or its designee the base rent amount indicated on Exhibit B (the "**Base Rent**"), to be due and payable in monthly installments in advance on the first day of each month during the Term of this Sublease. If no Base Rent is included on Exhibit B, or if Sublandlord directs Subtenant to do so, then Subtenant shall make all rental payments directly to Master Landlord in the manner set forth in the Master Lease until and unless Sublandlord directs Subtenant to do otherwise. The first monthly installment of the Base Rent shall be due on the Commencement Date, or at the time provided in the Master Lease if Subtenant is to make rental payments directly to Sublandlord as provided above. If this Sublease shall commence on any day other than the first day of a calendar month, the monthly installment for the first and last month of the Term shall be prorated.
- 3.2 **Additional Charges.** Subtenant and Sublandlord agree that the rent accruing under this Sublease shall be net to Sublandlord and that all taxes, costs, common area maintenance fees, expenses and charges of every kind and nature (the "**Additional Charges**") relating to the Premises or payable under the Master Lease that may arise or become due during the Term or any extension of this Sublease, shall be paid by Subtenant to Sublandlord or its designee (which may be Master Landlord), and that Subtenant shall indemnify and save harmless Sublandlord from and against them. All Additional Charges that Subtenant assumes or agrees to pay under any provisions of this Sublease, together with all interest and penalties that may accrue on these Additional Charges in the event Subtenant fails to pay them, as well as all other damages, costs and expenses, including, without limitation, reasonable attorneys' fees and other legal and court costs that Sublandlord may incur in enforcing this Sublease, and any and all other sums that may become due by reason of Subtenant's default or failure to comply with its obligations under this Sublease, shall be deemed to be "**Additional Rent**". The Base Rent and Additional Rent shall collectively be referred to herein as the "**Rent**". In the event of non-payment of Rent in any form, Sublandlord shall have all rights and remedies provided herein and under law.

- 3.3 **Method of Payment.** Subtenant must make all payments to Sublandlord or its designee (which may be Master Landlord) by the method or methods that Sublandlord requires from time to time. Subtenant shall make any payment required under this Sublease directly to Sublandlord, its designee (which may be Master Landlord), its affiliate(s), or to a bank or such other financial institution account that Sublandlord specifies, at the times and with the frequency that Sublandlord designates (or as provided in the Master Lease if Sublandlord makes no such designation), by electronic funds transfer, on-line banking, pre-authorized auto-draft arrangement, or such other means as Sublandlord may specify from time to time. For each account in which Subtenant conducts business at any time during the Term, Subtenant agrees to execute an ACH Automatic Withdrawal Authorization and to keep it effective throughout the Term; and Subtenant authorizes Sublandlord to withdraw monies from each such account in the amounts and at the times provided in this Sublease and any other agreement between Subtenant and Sublandlord or its affiliate(s). Subtenant hereby indemnifies Sublandlord and holds Sublandlord harmless under each ACH Automatic Withdrawal Authorization. Subtenant consents to Sublandlord's directly transacting business with each bank and financial institution with which Subtenant has an account to effectuate fully the terms of each ACH Automatic Withdrawal Authorization. Subtenant shall furnish Sublandlord, its bank, or other financial institution, and any other recipient of payment with such information and authorizations as may be necessary to permit such persons to make withdrawals by electronic funds transfer, on-line banking, or auto-draft arrangement. Subtenant shall bear all expenses, if any, and pay Sublandlord its third-party costs associated with such authorizations and payments.
- 3.4 **Security Deposit.** Sublandlord acknowledges receipt from Subtenant of the Security Deposit amount shown in the Key Contract Data at the beginning of this Sublease, which has or shall be paid to Master Landlord as the security deposit referred to in the Master Lease. In accordance with the terms of the Master Lease, Subtenant shall be entitled to the rights of Sublandlord to the security deposit, except that any portion thereof that is returned to Sublandlord by Master Landlord may first be applied to any amounts that Subtenant owes to Sublandlord or its affiliate under this Sublease or any other agreement.
- 3.5 **Other Pre-Opening Costs.** Sublandlord acknowledges receipt from Subtenant of the Other Pre-Opening Costs Deposit amount shown in the Key Contract Data at the beginning of this Sublease, which shall be held in a non-interest bearing escrow account and shall be returned to Subtenant, without interest, upon the opening of this location for business.
- 3.6 **Late Charges.** All Rent and any other charges shall be paid to Sublandlord without notice or demand and without abatement, deduction or set-off, except as otherwise expressly provided in this Sublease. All payments not paid when due shall bear interest at the lesser of eighteen percent (18%) or the maximum rate allowed by law in the state where the Premises are located.

4 INSURANCE

- 4.1 **Coverage.** During the Term, Subtenant, at its own cost and expense, shall:
- 4.1.1 Keep the Premises and the fixtures and personal property on it insured with an all-risk property insurance policy in an amount sufficient to cover the cost of replacement (without deduction for depreciation). Replacement cost shall be determined by one of the insurers or, at the option of Sublandlord, by an appraiser, architect or contractor who is mutually and reasonably acceptable to Sublandlord and Subtenant, and whom shall be retained and paid by Subtenant.
- 4.1.2 Provide and keep in force comprehensive or commercial general liability insurance against claims for bodily injury, death or property damage occurring on, in or about the

Premises, in limits of not less than \$1,000,000 per occurrence for bodily injury, not less than \$500,000 per occurrence for property damage, or in such other amounts as Sublandlord may reasonably request. The policy shall name Sublandlord as an additional insured.

- 4.1.3 Keep in force business interruption insurance that covers the then current Rent and the annual premiums for insurance required by this Article.
- 4.1.4 If requested by Sublandlord, provide and keep in force insurance for such other insurable hazards in such amounts as similarly situated Premises are then commonly insured.
- 4.2 **Policies.** All insurance required by Sublandlord and provided by Subtenant shall be carried in favor of Sublandlord and Subtenant, as their respective interests may appear, the Master Landlord, and any underlying fee owner, affiliate corporation, trustee, mortgagee or other person designated by Sublandlord or as required under the Master Lease. All insurance shall be obtained from companies licensed to do business in the state in which the Premises are located and which have a rating by Bests Rating Guide of at least "A". Subtenant shall procure policies for all insurance for periods of not less than one (1) year and shall deliver to Sublandlord all policies or certificates of insurance with evidence of payment of all premiums. Subtenant shall procure renewals of these policies from time to time before their respective expiration dates. All insurance policies shall be non-assessable and shall require thirty (30) days' written notice to Sublandlord of any cancellation or change affecting Sublandlord's coverage under the policies. All property damage and business interruption policies of Subtenant shall contain a waiver of any subrogation rights which Subtenant's insurers may have against Sublandlord, even if the loss suffered is caused by the act, omission or negligence of Sublandlord.
- 4.3 **Adjusting; Proceeds.** Claims for loss due to damage to the Premises under any policies provided for in this Sublease shall be adjusted with the insurance companies:
 - 4.3.1 by Subtenant in the case of any particular casualty resulting in damage or destruction not exceeding \$10,000, or
 - 4.3.2 by Sublandlord and Subtenant, in the case of any particular casualty resulting in damage or destruction exceeding \$10,000 in the aggregate. Subject to the rights of Master Landlord and any mortgagee, the proceeds of any insurance shall be payable as follows:
 - 4.3.2.1 With respect to any loss not exceeding \$10,000 in the aggregate, proceeds shall be paid to Subtenant, who shall hold them in trust for the purpose of paying the costs of repair and restoration; and
 - 4.3.2.2 With respect to losses exceeding \$10,000 in the aggregate, the proceeds may, at Sublandlord's option, be paid to Sublandlord or its designee and shall be applied to pay the costs of repair and restoration as directed by Sublandlord.
- 4.4 **Joint Efforts.** Subtenant and Sublandlord shall cooperate in attempts to collect any insurance proceeds that may be due in the event of loss, and Subtenant shall execute and deliver to Sublandlord such proofs of loss and other instruments which may be required for the purpose of recovering these proceeds.
- 4.5 **Waiver of Subrogation.** Subtenant agrees to look solely to the proceeds of its own insurer for indemnity against exposure for loss of property or business interruption. Subtenant warrants that its property and business interruption insurers shall have no rights against Sublandlord by virtue of assignment, subrogation, loan agreement or otherwise.
- 4.6 **Cancellation of Insurance.** If any insurance policy covering the Premises or any part of it is canceled or is threatened by the insurer to be canceled, or if the coverage thereunder is reduced in any way by the insurer for any reason, and if Subtenant fails to remedy the condition giving

rise to cancellation, threatened cancellation, or reduction of coverage within five (5) business days after notice thereof by Sublandlord, Sublandlord may, at its option, either (i) reenter the Premises forthwith by leaving upon the Premises a notice in writing of its intention to do so or (ii) enter the Premises and remedy the condition giving rise to such cancellation, threatened cancellation or reduction, and Subtenant shall forthwith pay the cost thereof to Sublandlord (which cost may be collected by Sublandlord as Additional Rent) and Sublandlord shall not be liable for any damage or injury caused to any property of Subtenant or of others located on the Premises as a result of any such entry, unless resulting from its own sole gross negligence, or intentional or willful act or omission.

- 4.7 **Loss and Damage.** Sublandlord shall not be liable for any death or injury occurring on the Premises, nor for the loss of or damage to any of the personal property or other property of Subtenant or of others by theft or otherwise, unless resulting from its own sole gross negligence, or intentional or willful act or omission. Without limiting the generality of the foregoing, Sublandlord shall not be liable for any injury or damage to persons or property resulting from fire, explosion, falling plaster, steam, dampness, gas, electricity, water, rain, snow, or leaks from any part of the Premises or from the pipes, appliances or plumbing works or from the roof, street or subsurface or from any other place by any other cause whatsoever, unless resulting from its own sole gross negligence, or intentional or willful act or omission. Sublandlord shall not be liable for any such damage caused by other persons or occupants of adjacent property, or the public, or caused by operations in construction of any private, public or quasi-public work. All of the personal property or any other property of Subtenant kept or stored on the Premises shall be kept or stored at the risk of Subtenant.

5 THE PREMISES

- 5.1 **Use and Services.** During the Term of this Sublease, Subtenant shall continuously operate a Subway® restaurant business in accordance with the Franchise Agreement. The Premises shall not be used for any other purpose, except the parties agree that if Subtenant has received the necessary approvals from Sublandlord, Subtenant may also operate on the Premises (in addition to a Subway® restaurant) a restaurant for an approved concept franchised by a third-party franchisor. If Subtenant is operating its Subway® restaurant in conjunction with an approved third-party franchisor concept on the Premises, then Subtenant agrees to comply with the terms and conditions contained in its franchise agreement and all other agreements with the third-party franchisor in addition to its obligations to comply with the Franchise Agreement with DAL, and any failure by Subtenant to comply with its franchise agreement with the third-party franchisor shall also be a default hereunder. Sublandlord may terminate this Sublease on ten (10) days' written notice and Sublandlord may offer this location to another franchisee if Subtenant fails to complete the build-out of the portion of the Premises where the other approved concept will operate within forty-five (45) days after taking occupancy of the Premises. Subtenant understands that the success, if any, of a Subway® restaurant operating in conjunction with another approved concept franchised by a third-party franchisor is the responsibility of Subtenant, and Subtenant also acknowledges that representations of sales or earnings have not been made to them by the employees or agents of the third-party franchisor, as to this or any other location. If at any time during the term of this Sublease, Subtenant's franchise agreement with the third-party franchisor is terminated, Sublandlord may authorize Subtenant in writing to operate on the Premises an approved concept franchised by another third-party franchisor.

- 5.2 **Repairs and Maintenance.** Subtenant shall, at all times during the Term, at its own cost and expense, put, keep and maintain the Premises and all fixtures and personal property located on it in good order and condition, subject to reasonable wear and tear, and subject to all applicable terms of this Article 5, shall make all necessary and desirable repairs, restorations and replacements thereof, structural and nonstructural, foreseen or unforeseen (hereinafter collectively called “**Repairs**”), and shall use all reasonable precautions to prevent waste, damage and injury.

In the event that Subtenant fails or neglects to make all necessary Repairs or fulfill its other obligations as set forth above, Sublandlord or its agents may enter the Premises for the purpose of making such Repairs or fulfilling those obligations. All reasonable costs and expenses incurred as a consequence of Sublandlord’s action shall be repaid by Subtenant to Sublandlord within fifteen (15) days after Subtenant receives copies of receipts showing payment by Sublandlord for such Repairs or other obligations. These receipts shall be prima facie evidence of the payment of the charges paid by Sublandlord.

- 5.3 **Build-Out and Alterations.** Sublandlord may terminate this Sublease on ten (10) days’ written notice and Sublandlord may offer this location to another franchisee if: a) Subtenant does not commence construction of the Premises within seven (7) days after obtaining occupancy from Master Landlord by expeditiously ordering its equipment, submitting all necessary funds, and making application for required permits and licenses; or b) Subtenant does not complete the build-out of the restaurant and then open the restaurant within forty-five (45) days after occupancy from Master Landlord. In such an event, Subtenant understands that the security deposit referred to in Section 3.4 will not be refunded.

Subtenant agrees that it will at its own cost and expense make such reasonable alterations to the interior or exterior of the Premises as may reasonably be requested by Sublandlord from time to time in order to modify the appearance of the Premises to reflect the then current image of the Subway® brand. Subtenant shall not at any time make any alteration, change, addition or improvement (hereinafter collectively called “**Alterations**”) in or to the interior or exterior of the Premises without the prior written consent of Sublandlord. In the event consent is given:

- 5.3.1 the Alterations shall be performed in a good and workmanlike manner at Subtenant’s sole expense, and shall not weaken or impair the structural strength or lessen the value of the Premises, or change the purpose for which the Premises may be used;
- 5.3.2 the Alterations shall be made according to plans and specifications therefor, which shall be first submitted to and approved in writing by Sublandlord, such consent not to be unreasonably withheld, delayed, or conditioned;
- 5.3.3 before the commencement of work on any Alterations, such plans and specifications shall, if necessary, be approved by all governmental authorities having jurisdiction;
- 5.3.4 before the commencement of any Alterations, Subtenant shall pay the amount of any increase in premiums on insurance policies for endorsements covering the risk during work on the Alterations and workmen’s compensation insurance covering all persons employed in connection with that work;
- 5.3.5 if the estimated cost of the Alteration exceeds \$20,000, Subtenant shall, at Sublandlord’s option, furnish to Sublandlord a surety bond of a company acceptable to Sublandlord, in an amount equal to the estimated cost of such work, or other security satisfactory to Sublandlord, guaranteeing the completion of such work, free and clear of all liens and encumbrances; and

- 5.3.6 the Alterations shall comply with all federal, state and local building requirements and codes including any disabilities related statutes or codes (collectively, the “**Codes**”) in the applicable jurisdiction where the Premises are located.

All buildings, additions, improvements, fixtures and appurtenances in or on the Premises at the Commencement Date and those which may be erected, affixed or installed in or on the Premises during the Term are deemed to be and shall immediately become part of the Premises and the sole property of Sublandlord. All personal property owned and installed by Subtenant (except signs, trademarks and other insignia of Sublandlord) shall remain the property of Subtenant.

- 5.4 **Liens.** Should Subtenant cause any Alterations or Repairs to be made to the Premises, or cause any labor to be performed or material to be furnished, neither Sublandlord nor the Premises shall under any circumstances be liable for the payment of any expense incurred, and all such Alterations and Repairs shall be made and performed at Subtenant’s expense. If, because of any act or omission of Subtenant, any mechanic’s or other lien, charge, claim or order for the payment of money shall be filed against the Premises or against Sublandlord, Subtenant shall, at its own cost and expense, cause it to be canceled and discharged of record or bonded within thirty (30) days after notice of filing thereof. In the event that Subtenant fails to cause any such mechanics’ or other lien, charge or order to be canceled and discharged or bonded, then, in addition, to any other right or remedy of Sublandlord, Sublandlord may, at its option, cancel or discharge it by paying the amount claimed to be due into court or directly to any claimant and the amount so paid by Sublandlord and all costs and expenses including attorneys’ fees incurred for the cancellation or discharge of such lien shall be due from Subtenant to Sublandlord as an additional charge payable on demand.
- 5.5 **Signs.** Subtenant shall not place any signs or symbols on any portion of the Premises without the prior written approval of Sublandlord, such consent not to be unreasonably withheld, delayed, or conditioned.
- 5.6 **Inspection.** Fee owner, Sublandlord or their representatives shall have the right to enter the Premises at reasonable hours of any business day to ascertain if the Premises are in proper repair and condition, provided, that such persons will make every reasonable effort not to interfere with customers or Subtenant’s operation of the business.
- 5.7 **License and Laws.** Subtenant shall, at its own cost and expense, obtain all necessary licenses and/or permits that may be required for the conduct of its business; and Subtenant shall, at its own cost and expense, promptly observe and comply with all present and future laws, ordinances, requirements, orders, directions, rules and regulations (referred to generally as “**Regulations**”) of governmental authorities having or claiming jurisdiction over the Premises or the conduct of Subtenant’s business. By way of example, and not limitation, compliance with governmental Regulations shall include, but not be limited to, alterations and/or additions to the Premises if required under the Americans with Disabilities Act of 1990.
- 5.8 **Damage or Destruction.** If, during the Term, the Premises or the personal property or fixtures on it are destroyed or damaged in whole or in part by fire or other cause, Subtenant shall give Sublandlord immediate notice, and Subtenant, at its own cost and expense, shall cause the prompt repair, replacement and rebuilding of same (“**Restoration**”), subject to Section 5.2 and Section 5.3 of this Sublease. The restored building, personal property or fixtures shall reflect the then current image of the Subway® brand. Sublandlord shall in no event be called upon to repair, replace or rebuild any such buildings, fixtures or personal property, nor to pay any of the costs or expenses thereof beyond or in excess of any insurance proceeds, as provided in this Sublease.

- 5.9 **Disclaimer.** The taking of possession of the Premises by Subtenant shall be conclusive evidence that Subtenant has accepted the Premises "AS IS," including any latent or patent defects. Subtenant acknowledges that Subtenant is relying on its own independent inspection.
- 5.10 **Contracts.** Subtenant shall not without Sublandlord's written consent enter into any service contract or agreement relating to the furnishing of any services to the Premises or the occupants of it unless such contract or agreement shall by its terms be terminable on no more than thirty (30) days' notice or shall expressly provide that it shall not become binding on Sublandlord in the event that this Sublease is terminated or expires. Subtenant shall furnish Sublandlord with copies of all service contracts or agreements affecting the Premises that are now in existence or that are subsequently entered into.

6 TAXES AND OTHER CHARGES

6.1 Payment.

- 6.1.1 In the event Sublandlord elects, at its sole option, to pay the taxes, assessments, charges for public utilities, excises, levies, licenses, permit fees or other governmental impositions and charges of any kind and nature whatsoever ("**Charges**") that are payable in connection with the ownership, occupancy or possession of the Premises, Subtenant shall reimburse Sublandlord within thirty (30) days after Subtenant receives an invoice for the payment of such Charges.
- 6.1.2 In the event Sublandlord elects not to pay the Charges as set forth in the preceding paragraph, Subtenant shall pay on or before the last day on which payment may be made without penalty or interest, all Charges that may be assessed, imposed, or become due and payable in connection with the ownership, occupancy or possession of the Premises or the fixtures or personal property on it, or any Charges that may be imposed in lieu of, or as a substitution for, any such Charges. At any time after the time for payment of each Charge, upon Sublandlord's request, Subtenant shall exhibit to Sublandlord satisfactory evidence of payment. All Charges assessed or imposed for the fiscal periods in which the Term of this Sublease commences and terminates shall be apportioned.

7 INDEMNIFICATION

- 7.1 Subtenant shall indemnify, defend with counsel reasonably acceptable to Sublandlord and save Sublandlord and its affiliates, and the shareholders, officers, directors, employees, and agents of Sublandlord and its affiliates, harmless from and against all costs, expenses, liabilities, losses, damages, injunctions, suits, actions, fines, penalties, claims and demands of every kind or nature, including reasonable attorneys' fees, (collectively, "**Claims**") by or on behalf of any person, party or governmental authority whatsoever arising out of (a) any failure or alleged failure by Subtenant to perform any of its obligations under this Sublease, (b) any accident, injury or damage that occurs in or about the Premises, (c) any matter arising out of the condition, occupation, maintenance, alteration, repair, use or operation of the Premises or any part of it, (d) the contest or challenge by Subtenant of any imposed tax, assessment, or other Charges, or (e) any other matter arising from or relating to Subtenant's occupation of the Premises; provided that Subtenant shall not indemnify Sublandlord if or to the extent such Claims are caused by Sublandlord's gross negligence, or intentional or willful misconduct.

8 **ENFORCEMENT**

- 8.1 **Default.** Each of the following events is a default and a breach of this Sublease by Subtenant:
- 8.1.1 If Subtenant files any proceeding under the United States Bankruptcy Code, any other federal or state bankruptcy, reorganization, receivership, insolvency or other similar law affecting the rights of creditors generally, or for dissolution under the laws of the United States or of any state, or voluntarily takes advantage of any such law or act or is dissolved or makes an assignment for the benefit of creditors;
 - 8.1.2 If involuntary Proceedings under the United States Bankruptcy Code, any other federal or state bankruptcy, reorganization, receivership, insolvency or other similar law or for the dissolution of a corporation are instituted against Subtenant or if a receiver or trustee is appointed of all or substantially all of the property of Subtenant and such Proceedings are not dismissed or such receivership or trusteeship vacated within ninety (90) days after such institution or appointment;
 - 8.1.3 If Subtenant vacates, abandons or ceases doing business on the Premises or indicates its intention to do so;
 - 8.1.4 If this Sublease or the estate of Subtenant hereunder is transferred to any other person or party, except in a manner permitted by the terms of this Sublease;
 - 8.1.5 If Subtenant fails to pay Sublandlord any installment of the Rent or Additional Charges when it becomes due and payable and fails to make such payment within ten (10) days after written notice thereof by Sublandlord to Subtenant;
 - 8.1.6 If Subtenant fails to perform any of its nonmonetary obligations under this Sublease and such non-performance continues for a period within which performance is required to be made by specific provision of this Sublease or, if no such period is provided, for a period of thirty (30) days after written notice thereof by Sublandlord to Subtenant; or, if such performance cannot be reasonably had within such thirty day period, Subtenant has not in good faith commenced such performance within such thirty day period or has not diligently proceeded therewith to completion;
 - 8.1.7 If Subtenant or any manager or officer of Subtenant knowingly or intentionally falsifies any report required to be furnished to Sublandlord pursuant to the terms of this Sublease and fails to notify Sublandlord of such falsification within sixty (60) days of submission of such report;
 - 8.1.8 If Subtenant fails to comply with any provision of the Franchise Agreement relating to the Premises, or any franchise agreement with a third-party franchisor relating to the Premises.

In the event of a default under this Section 8.1, Sublandlord shall have such remedies as are provided under this Sublease and under applicable law.

- 8.2 **Cure by Sublandlord.** After expiration of the applicable period of notice, or without notice in the event of any emergency, Sublandlord at its option may, but shall not be obligated to, make any payment required of Subtenant or perform any obligation of Subtenant, and the amount Sublandlord pays, or the cost of its performance, together with interest thereon, shall be deemed to be an additional charge payable by Subtenant on demand. Sublandlord shall have the right to enter the Premises for the purpose of correcting or remedying any default, but neither any expenditure nor any such performance by Sublandlord shall be deemed to waive or release Subtenant's default or the right of Sublandlord to take such action as may be otherwise permissible in the case of default. Sublandlord shall have no liability to Subtenant for any loss

or damages resulting from any such action by Sublandlord, and entry by Sublandlord shall not constitute breach of the covenant for quiet enjoyment or an eviction.

8.3 **Sublandlord's Remedies.** If Subtenant is in default under this Sublease, Sublandlord may, at its option, in addition to such other remedies as may be available under applicable law:

8.3.1 terminate this Sublease and Subtenant's right of possession, and retake possession for Sublandlord's account. In such event, Sublandlord may repair and alter the Premises in any manner as Sublandlord deems reasonably necessary or advisable. All reasonable and necessary expenses of every nature that Sublandlord may incur such as (by way of illustration and not limitation) those for attorneys' fees, brokerage, advertising, and refurbishing the Premises, shall become immediately due and payable by Subtenant to Sublandlord; or

8.3.2 terminate Subtenant's right of possession, but not this Sublease, retake possession of the Premises for Subtenant's account, repair, and alter the Premises in any manner as Sublandlord deems reasonably necessary or advisable, and relet the Premises or any part of it, as the agent of Subtenant, for the whole or any part of the remainder of the Term or for a longer period, and Sublandlord may grant concessions or free rent or charge a higher rental than that reserved in this Sublease. Out of any rent collected or received from subtenants or as a result of such letting or reletting, Sublandlord shall first pay to itself all expenses of every nature that Sublandlord may reasonably incur such as (by way of illustration and not limitation) those for attorneys' fees, brokerage, advertising, and refurbishing the Premises in good order or preparing them for reletting; and second, Sublandlord shall pay to itself any balance remaining on account of the liability of Subtenant for the sum equal to all Rent, Additional Rent and other Additional Charges due from Subtenant through the Expiration Date. Should Sublandlord, pursuant to this Section 8.3, not collect Rent that, after deductions is sufficient to fully pay to Sublandlord a sum equal to all Rent, Additional Rent and other Additional Charges payable through the Expiration Date, the balance or deficiency shall, at the election of Sublandlord, be paid by Subtenant on the first of each month; or

8.3.3 stand by and do nothing, and hold Subtenant liable for all Rent, Additional Rent and other Additional Charges payable under this Sublease through the Expiration Date.

If Sublandlord does not notify Subtenant which remedy it is pursuing, or if Sublandlord's notice to Subtenant does not expressly state that Sublandlord is exercising its remedies under Section 8.3.1 or Section 8.3.3, then it shall be deemed that Sublandlord is pursuing the remedy set forth in Section 8.3.2. If Sublandlord exercises the option in Section 8.3.1 or 8.3.2, Subtenant agrees to immediately and peacefully surrender the Premises to Sublandlord, and if Subtenant refuses to do so, Sublandlord may without further notice reenter the Premises either by force or otherwise and dispossess Subtenant by summary proceedings or otherwise, as well as the legal representative(s) of Subtenant and/or other occupant(s) of the Premises, and remove their effects.

8.4 **Acceleration.** If Sublandlord exercises the remedies in Section 8.3.3 of this Sublease, Subtenant shall immediately pay to Sublandlord as damages for loss of the bargain caused by Subtenant's default, and not as a penalty, in addition to any other damages, an aggregate sum that represents the present value of the full amount of the Rent, Additional Rent and all other Additional Charges payable by Subtenant hereunder that would have accrued for the balance of the Term.

- 8.5 **Suits.** Suit or suits for the recovery of the deficiency or damage or for any installment or installments of Rent, Additional Rent or any other charge due under this Sublease may be brought by Sublandlord at any time or, at Sublandlord's election, from time to time, and nothing in this Sublease shall be deemed to require Sublandlord to wait until the Expiration Date to bring suit.
- 8.6 **Waiver.** Subtenant hereby expressly waives service of any notice of intention to reenter. Subtenant hereby waives any and all rights to recover or to regain possession of the Premises or to reinstate or to redeem this Sublease as permitted or provided by any statute, law or decision now or hereafter in force and effect. No receipt of monies by Sublandlord from Subtenant after the cancellation or termination of the Sublease shall reinstate, continue or extend the Sublease, or affect any prior notice given to Subtenant or operate as a waiver of the right of Sublandlord to enforce the payment of Rent and Additional Rent then due or subsequently falling due, or operate as a waiver of the right of Sublandlord to recover possession of the Premises by suit, action, proceeding or other remedy, and any and all moneys so collected shall be deemed to be payments on account of the use and occupancy of the Premises, or at the election of Sublandlord, on account of Subtenant's liability under this Sublease.
- 8.7 **Proof of Claim.** Nothing in this Article shall limit or prejudice the right of Sublandlord to prove and obtain as liquidated damages in any bankruptcy, insolvency, receivership, reorganization or dissolution proceeding an amount equal to the maximum allowed by any statute or rule of law governing such proceeding, whether or not such amount is greater, equal to or less than the amount of the damages referred to in any of the preceding sections.
- 8.8 **Injunction.** In the event of a breach or a threatened breach by Subtenant of any of its Sublease obligations, Sublandlord shall have the right to enjoin and restrain the breach and to invoke any remedy allowed by law or in equity, in addition to other remedies provided in this Sublease.
- 8.9 **Independent Rights.** The rights and remedies of Sublandlord are distinct, separate and cumulative, and no one of them, whether or not exercised by Sublandlord, shall be deemed to be to the exclusion of any of the others.
- 8.10 **Non-Waiver.** The failure of Sublandlord to insist upon strict performance of any of Subtenant's obligations under this Sublease shall not be deemed a waiver of any rights or remedies that Sublandlord may have and shall not be deemed a waiver of any subsequent breach or default by Subtenant. The exercise of any of Sublandlord's options under the Sublease shall not be deemed to be the exclusive remedy of Sublandlord.
- 8.11 **Waiver of Exemption from Distress.** Subtenant agrees that notwithstanding anything contained in any statute, enactment or other law of the state in which the Premises are located or of any other jurisdiction, none of the personal property located on the Premises shall be exempt from levy for distress for Rent in arrears, and that if Subtenant makes any claim for such an exemption, this Sublease may be pleaded as an estoppel against Subtenant in any appropriate action.
- 8.12 **Franchise Agreement.** Notwithstanding anything in this Sublease to the contrary, this Sublease is conditioned upon the faithful performance by Subtenant of the Franchise Agreement, and a default in the terms of the Franchise Agreement shall be a default of this Sublease.

9 NO RENT ABATEMENT

Unless specifically provided in this Sublease, no abatement, diminution, or reduction of Rent, Additional Rent, Additional Charges or other compensation shall be claimed by or allowed to Subtenant, or any

persons claiming under Subtenant, under any circumstances, whether for inconvenience, discomfort, interruption of business, or otherwise.

10 CONDEMNATION

In the event that the Premises or any part of it is taken in condemnation proceedings or by exercise of any right of eminent domain, Subtenant shall have no right to participate in any condemnation proceedings and shall not have the right to any award, and Sublandlord may terminate this Sublease upon written notice to Subtenant.

11 SUBORDINATION

This Sublease shall be fully subordinate to any mortgage and/or collateral assignment of lease against the Premises that Master Landlord, the fee owner, Sublandlord and/or their assigns has or subsequently obtains upon the Premises; provided, however, that any such mortgage and/or collateral assignment of Sublease against the Premises granted by Sublandlord shall provide that Subtenant's possession of the Premises pursuant to this Sublease shall not be disturbed in the event of a default by Sublandlord so long as Subtenant shall be in compliance under the terms hereof. This Sublease shall be fully subordinate and subject to the Master Lease and any senior lease now, or hereafter affecting the Premises.

Subtenant hereby grants a power of attorney to Sublandlord with full power to act as its attorney in fact and to execute on behalf of Subtenant any and all documents that may be required by a mortgagee and/or assignee evidencing Subtenant's full subordination of Subtenant's interest to any mortgage and/or collateral assignment of Sublease that may be entered into by Sublandlord, Master Landlord, the fee owner or their assigns. Subtenant hereby agrees to execute, without charging Sublandlord, any and all documents that it is requested to execute to evidence this subordination. However, Subtenant shall not be required to execute any promissory notes or other evidences of indebtedness that would create any personal liability on behalf of Subtenant.

12 ASSIGNMENT

- 12.1 By **Sublandlord**. This Sublease shall be fully assignable by Sublandlord or its assigns.
- 12.2 By **Subtenant**. Neither Subtenant, nor Subtenant's successors or assigns, shall (unless expressly permitted in this Sublease) assign, mortgage, give as security, pledge or encumber this Sublease, in whole or in part, by operation of law or otherwise, or sub-sublet the Premises, in whole or in part, or permit the Premises or any portion of it to be used or occupied by others, or enter into a management contract or other arrangement whereby the Premises shall be managed and operated by anyone other than the owner of Subtenant's leasehold estate, without the prior consent in writing of Sublandlord in each instance. If this Sublease is assigned or transferred, or if all or any part of the Premises is sub-sublet or occupied by anybody other than Subtenant, Sublandlord may collect Rent from the assignee, transferee, sub-subtenant or occupant, and apply the net amount collected to the Rent reserved in this Sublease, but no such assignment, sub-subletting, occupancy or collection shall be deemed a waiver of any covenant or condition of this Sublease, or the acceptance of the assignee, transferee, sub-subtenant or occupant as Subtenant, or a release of Subtenant from the performance or further performance by Subtenant of its obligations under this Sublease, and Subtenant shall continue to be liable for all its obligations under this Sublease. The consent by Sublandlord to an assignment, mortgage, pledge, encumbrance, transfer, management contract or sub-subletting shall not in

any way be construed to relieve Subtenant from obtaining the express consent in writing of Sublandlord in each instance to any subsequent similar action that Subtenant may intend to take.

13 ESTOPPEL CERTIFICATE

Subtenant shall from time to time, within five (5) days after being requested to do so by Sublandlord, execute, acknowledge and deliver to Sublandlord (or, at Sublandlord's request, to Master Landlord, any existing or prospective purchaser, transferee, assignee or mortgagee of any or all of the Premises, any interest therein or any of Sublandlord's rights under this Sublease) an instrument in recordable form: (i) certifying (a) that the Sublease is unmodified and in full force and effect (or, if there has been any modification thereof, that it is in full force and effect as so modified, stating therein the nature of such modification); (b) as to the dates to which the Rent and Additional Charges arising hereunder have been paid; (c) as to the amount of any prepaid rent or any credit due to Subtenant hereunder, (d) that Subtenant has accepted possession of the Premises, and the date on which the Term commenced; (e) as to whether, to the best knowledge, information and belief of the signer of such certificate, Sublandlord or Subtenant is then in default in performing any of its obligations under the Sublease (and, if so, specifying the nature of each such default); and (f) as to any other fact or condition reasonably requested by Sublandlord or such other addressee; and (ii) acknowledging and agreeing that any statement contained in such certificate may be relied upon by Sublandlord and any such other addressee.

14 HAZARDOUS SUBSTANCES

- 14.1 **Compliance with Laws.** Subtenant shall at all times, at its own cost and expense, comply with all federal, state and local laws, ordinances, regulations and standards ("**Hazardous Substance Laws**") relating to the use, analysis, production, storage, sale, disposal or transportation of any hazardous materials, including oil or petroleum products or their derivatives, solvents, PCB's, explosive substances, asbestos, radioactive materials or waste, and any other toxic, ignitable, reactive, corrosive, contaminating or pollution materials ("**Hazardous Substances**") that are now or in the future subject to any governmental regulation. Such compliance shall include any cleanup, removal, remedial action, testing or monitoring (including medical monitoring) which may be required under Hazardous Substance Laws, court order or by any governmental or regulatory agency.
- 14.2 **Indemnification by Subtenant.** Subtenant shall indemnify, defend with counsel reasonably acceptable to Sublandlord, and hold Sublandlord free and harmless from any and all liabilities, damages, claims, penalties, fines, settlements, causes of action, costs or expense, including reasonable attorneys' fees, environmental consultant and laboratory fees and the costs and expense of investigating and defending any claims or proceedings, resulting from or attributable to (i) the presence, disposal, migration, release or threatened release of any Hazardous Substance that is on, from or affecting the Premises including the soil, water, vegetation, buildings, personal property, persons, or otherwise; (ii) any bodily injury (including wrongful death) or property damage (real or personal) arising out of or relating to such Hazardous Substance(s); (iii) any lawsuits or administrative order relating to such Hazardous Substance(s); or any violation of any laws applicable to any Hazardous Substance for which Subtenant is responsible under this Sublease. Subtenant's indemnification obligations under this Section shall survive the expiration or earlier termination of this Sublease.

To the extent permitted by the laws of the state where the Premises are located, this Sublease shall be governed by and construed in accordance with the laws of the State of Delaware, and otherwise shall be governed by and construed in accordance with the laws of the State where the Premises are located.

AGREEMENT

As an inducement to and in consideration of Sublandlord entering into the Sublease with Subtenant, and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Guarantor agrees to the following:

1. Each Guarantor unconditionally guarantees to Sublandlord the (i) prompt payment of any money now due, or that at any time, may become due or owing to Sublandlord by Subtenant under the Sublease; and the (ii) full performance and discharge by Subtenant of all of Subtenant’s obligations under the Sublease now due, or that at any time, may become due or owing (collectively, the **“Obligations”**). This is a guarantee of payment and not of collection.
2. Each Guarantor promises to promptly and fully render any payment or performance required under the Sublease upon demand if Subtenant fails or refuses to timely render such payment or performance.
3. Each Guarantor waives: (i) notice of demand for payment of all or any part of the Obligations, (ii) protest, notice of protest and notice of default, (iii) any right to require that any action be brought against Subtenant or any other person or entity as a condition of liability, and (iv) any and all other notices, and legal or equitable defenses to which such Guarantor may be entitled. which Sublandlord may grant Subtenant, including, without limitation, the acceptance of any partial payment or performance, or the compromise or release of any claims.

5. No term, condition or provision of this Guaranty shall be deemed to be waived by Sublandlord, without the express written consent of Sublandlord. Any such waiver will extend only to the particular circumstances specified in writing by the Sublandlord. Neither forbearance, nor indulgence by Sublandlord will constitute a waiver of any provision of this Guaranty.
6. Each Guarantor acknowledges that the Sublease may be extended, amended or renewed by mutual agreement between Subtenant and Sublandlord, and each Guarantor expressly consents to any such modification of the Sublease.
7. This is a continuing guarantee. Nothing but payment and satisfaction in full of the Obligations will release Guarantors from their respective obligations pursuant to this Guaranty. Notice of acceptance of this Guaranty is waived.
8. This Guaranty shall not be impaired by any modification, supplement, renewal, extension or amendment of the Sublease or any of the Obligations, nor by any modification, release or other alteration of any of the Obligations hereby guaranteed.
9. The liability of each Guarantor hereunder is primary, direct and unconditional and may be enforced without requiring Sublandlord first to resort to any other right, remedy or security.
10. No Guarantor hereunder shall have any right of subrogation, reimbursement or indemnity whatsoever, unless and until the Obligations are paid or performed in full.
11. If any Guarantor hereunder should at any time die, become incapacitated, become insolvent or make a composition, trust mortgage or general assignment for the benefit of creditors, or if a proceeding under the United States Bankruptcy Code or any similar law affecting the rights of creditors generally shall be filed or commenced by, against or in respect of any guarantor hereunder, any and all obligation of that guarantor shall, at Sublandlord's option, immediately become due and payable without notice.
12. If any payment or transfer to Sublandlord which has been credited against any Obligation, is voided or rescinded or required to be returned by Sublandlord, whether or not in connection with any event or proceeding described in Section 11, the Guaranty shall continue in effect or be reinstated as though such payment, transfer or recovery had not been made.
13. Except as otherwise provided herein, the Guaranty shall be construed as an absolute, unconditional, continuing and unlimited obligation of each Guarantor hereunder without regard to the regularity, validity or enforceability of any of the Obligations, and without regard to whether any Obligation is limited, modified, voided, released or discharged in any proceeding under the United States Bankruptcy Code or any similar law affecting the rights of creditors generally.

EXHIBIT D-1

FRANCHISOR LEASE RIDER

This Franchisor Lease Rider ("**Rider**") is entered into on _____, 20____, by and among **DOCTOR'S ASSOCIATES LLC**, a Florida limited liability company ("**Franchisor**") _____, a _____ ("**Landlord**"), and _____, a _____ ("**Tenant**").

WHEREAS, Landlord and Tenant have entered into or propose to enter into the lease to which this Rider is attached (the "**Lease**"), pursuant to which Tenant will occupy that certain premises located at _____ (the "**Premises**") for the purpose of operating a Subway® restaurant ("**Restaurant**"); and

WHEREAS, Tenant has executed or intends to execute a franchise agreement ("**Franchise Agreement**") with Franchisor governing the operation of the Restaurant. As a requirement of the Franchise Agreement, the Lease must include this Rider.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Franchisor, Landlord and Tenant agree as follows:

1. Franchisor's Notice & Cure Rights. Landlord shall send to Franchisor a copy of any default notice given to Tenant under the Lease (concurrently with the default notice given to Tenant) as a prerequisite to exercising any remedy against Tenant to terminate the Lease or Tenant's right to possession of the Premises. Franchisor shall have the right (but not the obligation) to cure any default specified in such notice, and Landlord shall not terminate the Lease or Tenant's right to possession of the Premises if Franchisor cures the default within thirty (30) days after receipt of notice from Landlord of Tenant's default (the "**Cure Period**"); provided, however, that if the default cannot with diligence be cured by Franchisor within the Cure Period, the commencement of action by Franchisor to remedy the default within the Cure Period shall extend the Cure Period for an amount of time reasonable under the circumstances to effectuate the cure. Landlord acknowledges and agrees that by curing Tenant's default, Franchisor does not assume, and Landlord shall not hold it responsible for, any liabilities of Tenant unless Franchisor assumes the Lease as provided in Section 3(A) below.

Landlord further agrees to (i) send to Franchisor copies of all other letters or notices sent to Tenant with respect to the Lease at the same time the letters or notices are sent to Tenant and (ii) promptly notify Franchisor if Tenant does not exercise an extension or renewal option granted under the Lease. Franchisor shall have the right, but not the obligation, for thirty (30) days after receipt of such notice to assume the Lease and exercise the applicable extension or renewal option.

2. Franchisor's Right of Entry. Franchisor will have the right, without being guilty of trespass or any other crime or tort, to enter the Premises at any time or from time to time (i) to make any modification or alteration it considers necessary to protect the Subway® system and marks, (ii) to cure any default under the Franchise Agreement or under the Lease, (iii) to remove personal property from the Premises that Franchisor or its affiliates owns or has a security interest in, or (iv) to remove the distinctive elements of the Subway® trade dress upon the

Franchise Agreement's expiration or termination. Neither Franchisor nor Landlord will be responsible to Tenant for any damages Tenant might sustain as a result of action Franchisor takes in accordance with this provision. Franchisor will repair or reimburse Landlord for the cost of any damage to the Premises' walls, floor or ceiling that result from Franchisor's removal of trade dress items and other property from the Premises.

3. Assignment.

A. Upon (i) expiration or termination of the Franchise Agreement or cessation of the operation of a Subway® restaurant at the Premises, (ii) commencement of eviction or termination proceedings by Landlord against Tenant, or (iii) Tenant's failure to exercise an extension or renewal option granted under the Lease, Franchisor (or its affiliate or assignee) shall have the right to assume Tenant's rights and obligations under the Lease by providing Landlord and Tenant with notice of such assumption. After receiving possession of the Premises, the assuming party will not be required to pay any delinquent rent or other sums owed under the Lease but must begin to cure any other defaults susceptible to cure by the assuming party under the Lease. Landlord hereby irrevocably and unconditionally consents to such assumption for operation of a Subway® restaurant at the Premises.

B. If the Lease is assumed by Franchisor as set forth in Section 3(A) above, the assuming party shall have the right to assign the Lease or sublet the Premises for operation of a Subway® restaurant to a licensee or franchisee duly approved by Franchisor and meeting the franchise requirements of Franchisor as of the date thereof, without first obtaining Landlord's consent and without the imposition of an assignment fee or similar charge. The assuming party shall remain liable under the Lease notwithstanding such assignment or sublease unless Landlord's prior written consent to the assignment or sublease is received. Notwithstanding anything in the Lease to the contrary, the assuming party shall have the right to retain all rent or other consideration payable under a sublease even if such rent or other consideration is in excess of the rent payable under the Lease.

C. If the Lease is assumed as set forth in Section 3(A) above, any provision in the Lease requiring Tenant to continuously operate a business at the Premises shall be suspended for one hundred twenty (120) days so that Franchisor can identify a franchisee to operate a Subway® restaurant at the Premises as contemplated in Section 3(B).

D. Tenant may not assign the Lease or sublet the Premises without Franchisor's prior written consent, and Landlord will not consent to an assignment or subletting by Tenant without first verifying that Franchisor has given its written consent to Tenant's proposed assignment or subletting.

4. Confidentiality. Landlord acknowledges that all information obtained by Landlord or Landlord's agents, officers, employees or directors (collectively, "**Landlord Parties**") relating to the unique and distinctive features of Tenant's or Franchisor's plans and specifications, business and operating methods, and any financial data relating to Tenant or Franchisor

(collectively, “**Confidential Information**”) are of a confidential nature. Landlord shall ensure that no Confidential Information is used or disclosed by any of the Landlord Parties except as may be required by a court of law. Landlord shall not issue any press release or other public disclosure using the name, logo, or otherwise referring to Franchisor or any of its affiliates, and shall not permit any of the Landlord Parties or Landlord’s broker, press agent or other party to do so, without the prior written consent of Franchisor.

5. Use of the Premises. During the term of the Franchise Agreement, Tenant will be permitted to use the Premises for the operation of a Subway® restaurant (together with any third-party add-on concept permitted under the Franchise Agreement) and for no other purpose.

6. Signage and Marks. Subject to applicable zoning laws and title restrictions, Landlord consents to the installation and use of such trademarks, service marks, signs, decor items, color schemes, and related components of the Subway® system (and any third-party add-on concept permitted under the Franchise Agreement) as Franchisor may from time to time prescribe.

7. Conflict Between Lease and Rider. In the event of a conflict or inconsistency between the provisions of this Rider and any other provision of the Lease or any of the exhibits or other attachments to the Lease, the provisions of this Rider shall prevail and be interpreted in such a manner as to override any provision of the Lease, exhibits or attachments that would prevent the spirit and letter of this Rider from being given full force and effect. Any amendments to the Lease by Landlord and Tenant that purport to diminish Franchisor’s rights under this Rider or restrict Tenant from locating Subway® restaurants within a certain distance from the Premises (i.e., a radius restriction) without Franchisor’s prior written consent shall be void ab initio.

8. Notices. Every notice, approval, consent or other communication authorized or required by this Rider shall be effective if given in one of the following ways: (i) by email to Franchisor at SubwayRealEstate@Subway.com, to Landlord at _____ and to Tenant at _____; (ii) in writing and hand delivered to either party; or (iii) in writing and sent for next business day delivery by FedEx, UPS, or other nationally-recognized courier. Notices sent via hand delivery or via nationally-recognized courier shall be addressed to the parties at the addresses below, or at such other address as either party shall from time to time designate in writing. Email notices must contain the capitalized words “LEGAL NOTICE” in the subject line. The sender of an email notice must request a read receipt and the recipient must allow a read receipt to be sent on or before the next business day. Email notices shall be effective upon receipt by the sender of the read receipt from the recipient of the notice. Hand delivered notices shall be deemed to be effective upon delivery, if delivered. Notices sent for next business day delivery by nationally recognized courier shall be deemed to be effective on the next business day.

EXHIBIT D-2
[] AMENDMENT TO LEASE

THIS _____ AMENDMENT TO LEASE (this “**Amendment**”) is made effective as of _____, 20__ (the “**Effective Date**”), by and between _____, a(n) _____ (“**Landlord**”), and SUBWAY REAL ESTATE, LLC, a Delaware limited liability company (“**Tenant**”).

RECITALS

WHEREAS, Landlord and Tenant are parties to that certain Lease dated _____, 20__, [as amended from time to time] (the “**Lease**”) for that certain space located at _____ and as more particularly described in the Lease (the “**Premises**”).

WHEREAS, Landlord and Tenant desire to modify the [minimum rent, extend the Lease term, relocate the Premises, and make certain other modifications to the terms and provisions of the Lease].

AGREEMENT

NOW, THEREFORE, in consideration of the above recitals, which by this reference are incorporated herein, and mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Landlord and Tenant hereby amend the Lease as follows.

1. **Definitions.** For the purposes of the Lease the term “**Building**” shall mean the building located at _____, of which the Premises form a part. The parties hereby stipulate and agree that the Premises shall be deemed to contain _____ rentable square feet of space on the ground floor of the Building as indicated on _____.
2. **Integration of Amendment and Lease.** This Amendment and the Lease shall be deemed to be, for all purposes, one instrument. In the event of any conflict between the terms and provisions of this Amendment and the terms and provisions of the Lease, the terms and provisions of this Amendment shall, in all instances, control and prevail.
3. **Extension.** Landlord and Tenant hereby agree to extend the Lease term for a period of _____ () months beginning on _____, 20__, and terminating on _____, 20__.
4. **[Relocation to New Space].** Landlord and Tenant hereby acknowledge and agree that the Tenant shall relocate from the current Premises to the Relocation Premises (as hereinafter defined) in accordance with the following terms:
 - a. “**Relocation Premises**” shall mean the premises commonly known as _____ containing approximately _____ rentable square feet as shown on the plan attached hereto as **Attachment 3**; and
 - b. “**Relocation Commencement Date**” shall mean the date Tenant vacates the current Premises and delivers possession thereof to Landlord in accordance with the terms and conditions of this Amendment.

On or before _____, 20____, Landlord shall provide written notice to Tenant that Landlord has completed Landlord's Work in accordance with **Attachment 4** attached hereto. Within _____ (____) days following receipt of such notice, Tenant shall fully vacate and yield to Landlord the current Premises in accordance with the surrender requirements of this Amendment.

On the Relocation Commencement Date, the Lease and all amendments thereto shall automatically be amended to provide that, from and after the date, the term "Premises" as used in the Lease and all amendments thereto shall refer to the Relocation Premises and not to the premises originally leased to Tenant under the Lease and, except as modified by this Amendment, all terms, covenants, and conditions of the Lease shall apply with full force and effect to the Relocation Premises throughout the remainder to the Lease term as if the Relocation Premises had originally been leased to Tenant under the Lease.

Tenant shall have the right, within thirty (30) days after the Relocation Commencement Date to have a licensed and insured architect re-measure the Relocation Premises. In the event the results of such re-measurement reveal a different rentable square footage than the figure set forth in this Amendment, the parties shall execute an amendment adjusting the square footage, minimum rent, Tenant's share of CAM (defined below) and any other figure set forth herein or in the Lease to reflect the re-measurement, and confirming the location of the Relocation Premises and such other matters related to the Relocation Premises or the Lease as may reasonably be requested by Tenant.

5. **Rent.** Commencing as of [the Effective Date of this Amendment] [the Relocation Commencement Date], the minimum rent is hereby modified to the amounts and for the periods set forth in the following schedule:

Period	Monthly Rent	Annual Rent
_____ to _____	\$ _____	\$ _____
_____ to _____	\$ _____	\$ _____
_____ to _____	\$ _____	\$ _____
_____ to _____	\$ _____	\$ _____

6. **Tenant's Termination Option.** Landlord hereby grants to Tenant the right to terminate the Term at any time ("**Tenant's Termination Right**") by providing Landlord with written notice (the "**Termination Notice**") of termination of the Lease at least thirty (30) days prior to the termination date (the "**Termination Date**") selected by Tenant and set forth in the Termination Notice. In the event Tenant elects to exercise Tenant's Termination Right, Tenant shall pay to Landlord an amount equal to the lesser of (a) an amount equal to the rent payable for the one (1) month immediately prior to the date of the Termination Notice and (b) the rent payable for the remainder of the Term after the Termination Date (the "**Termination Fee**"). The Termination Fee shall be payable to Landlord on the Termination Date. Notwithstanding the foregoing, if rent payable for any three (3) of the eight (8) weeks immediately prior to the Termination Notice exceeds five percent (5%) of the gross weekly sales for the Premises (as determined by Tenant's books and records), then Tenant shall not be obligated to pay the Termination Fee in connection with its exercise of Tenant's Termination Right.
7. **Option to Renew.** The parties agree that, Tenant shall not lose any option to renew contained in the Lease unless and until the Tenant shall fail to give notice to Landlord within ten (10) days after receipt of written notice from Landlord citing Tenant's failure to exercise its option to renew.

Tenant's notice to Landlord of Tenant's intent to exercise any renewal option under the Lease shall be revocable for a period of five (5) business days after receipt by Landlord of the notice of renewal ("**Rescission Period**"). Unless revoked by Tenant during the Rescission Period, upon expiration of the Rescission Period, Tenant's exercise of the renewal option shall be binding and irrevocable.

8. **Use.** Tenant's permitted use shall be defined as a restaurant for on and off premises consumption or for any other lawful purpose (the "**Permitted Use**"). Landlord acknowledges that Tenant's menu consists primarily of sandwiches, wraps, salads and related items and that from time to time Tenant may add test items to its menu. Landlord further agrees that Tenant may add, delete and/or change its menu without the prior consent of Landlord provided that Tenant complies with all local codes and ordinances, and Landlord represents and warrants that Landlord has no preexisting agreements prohibiting such menu additions. In no event shall Tenant's menu be construed as limited to sandwiches and salads. Without limiting the foregoing, Tenant may sell pizza, fruit smoothies and/or yogurt. Tenant may, but shall not be required to, remain open seven (7) days per week twenty-four (24) hours per day. Landlord acknowledges that the normal operation of Tenant's business will create certain aromas including but not limited to the aroma of baking bread. Landlord represents that Tenant's Permitted Use is permitted by all applicable federal, state, and local laws, ordinances, rules and regulations, all court orders, governmental directives, and governmental orders and all interpretations of the foregoing, and all restrictive covenants or zoning laws.
9. **Co-Tenancy.** If at any time during the Term of the Lease, less than seventy-five percent (75%) of the square feet in the Building is fully occupied and open for business, Tenant shall have the option upon five (5) days written notice to Landlord to either (i) cancel the Lease; or (ii) conduct business and pay an amount equal to fifty percent (50%) of the current minimum rent and additional rent monthly. Tenant shall not be responsible for paying minimum rent and additional rent until at least seventy-five percent (75%) of the square feet in the Building is occupied and open for business.
10. **Competition.** Landlord agrees and understands that the following exclusive language is a material inducement for Tenant to enter into this Amendment. Landlord agrees not to sell, lease, let, use or permit to be used, any property owned or controlled by Landlord within one (1) mile of the Premises now or at any time during the initial Term of the Lease or any renewal thereof to any entity including, but not limited to, food trucks, kiosks and mobile food carts, which sells or serves made to order food or pre-packaged sandwiches, including but not limited to convenience stores. Further, Landlord agrees that current tenants shall be prohibited from adding items to their menus which conflict with this exclusive right. Landlord warrants that Tenant shall not be in violation of any other exclusive rights as of the Effective Date. Further, Landlord shall indemnify, defend and hold Tenant harmless from any third party claim or suit regarding any other exclusive right granted by Landlord. Landlord agrees to provide Tenant with all current and future exclusivity agreements with other tenants.
11. **ADA Compliance.** Landlord warrants that the Premises are fully in compliance with the Americans with Disabilities Act of 1990 ("**ADA**") and any revisions made there under, including but not limited to, any Standards and Regulations as they may change from time to time. Landlord agrees to indemnify Tenant for any damages ensuing from a lawsuit brought either by an individual or the attorney general for violation of the ADA, as well as any applicable local accessibility ordinances. Any alterations required to bring the Building into compliance with the ADA or other local accessibility ordinances shall be the Landlord's sole expense and responsibility, and any charges incurred by the Landlord shall not be charged back to the Tenant either as part of the common area maintenance charges, or otherwise.

12. **Décor and Signage.** Landlord hereby gives its consent to Tenant to construct the interior and exterior of Premises in accordance with standard Subway® decor and to erect standard Subway® signs/awnings on the building. Tenant's signs shall measure at least 36" high and extend the length of the fascia. The phrase "standard Subway® signs" shall be deemed to include existing pole signs, monument signs and awnings. Additionally, Tenant may use standard Subway® window advertising including but not limited to LED "open" signs and static cling(s). Landlord further acknowledges and agrees that this consent is absolute and Tenant shall not be required to submit any of the aforementioned items for Landlord's review. However, Tenant agrees that any signage installed by Tenant shall conform to local codes and ordinances. In the event Tenant shall be prohibited from utilizing the Franchisor's standard décor and signage, Landlord and Tenant shall use best efforts to obtain a variance or applicable approvals. Tenant may, at Tenant's option, terminate the Lease at anytime upon thirty (30) days written notice to the Landlord should Tenant, its assignee or sublessee fail to receive any approval, permit, licenses, rezoning or variance that is required to meet or exceed its requirements as stated herein. At any time during the Term of the Lease, if Tenant remodels, refreshes or otherwise upgrades the Premises in accordance with Franchisor's latest required interior décor, Landlord agrees to grant Tenant two (2) months free rent beginning on the first day of the month following completion of said improvement.
13. **Common Area Maintenance Charges.** In the event that Tenant is responsible for common area maintenance charges ("CAM") under the Lease, (i) Landlord agrees upon thirty days' notice to substantiate all related expenses to Tenant's satisfaction, (ii) in no event shall Tenant's annual share of CAM increase by more than five percent (5%) from one calendar year to the next calendar year, (iii) if Tenant is required to pay a management fee, said amount shall be based solely on Tenant's share of CAM and shall not include any calculation using minimum, base or gross rent and in no event shall said amount exceed ten percent (10%) of Tenant's total share of CAM and (iv) any and all CAM charges will be limited to the Building and under no circumstances shall the Tenant be responsible for the replacement cost of capital items including, but not limited to; the roof, all structural portions of the Building, the parking lot and HVAC unit. Landlord shall keep at the Building or at Landlord's principal place of business, full, accurate and separate books of account covering CAM and the statements of Landlord to Tenant shall accurately reflect overall CAM and Tenant's share thereof shown on such books of account. Said books of account shall be retained for Landlord for at least three (3) years after the close of each accounting period. Tenant shall have the right to examine Landlord's books and records upon not less than fifteen (15) days prior notice to Landlord. If Landlord shall receive any objections by Tenant, then such objections shall be deemed to be binding upon Landlord unless Landlord shall, within fifteen (15) days after receipt of such objections, deliver written notice to Tenant that Landlord disputes any or all such objections. If Landlord shall dispute any or all such objections, then Landlord and Tenant shall endeavor in good faith to reconcile such dispute within twenty (20) days after delivery by Landlord of Landlord's notice to Tenant disputing any or all such objections, and if Landlord and Tenant are unable to resolve such dispute, Landlord and Tenant shall jointly select an independent accountant, which accountant shall resolve such dispute within twenty (20) days after its selection, and such decision shall be binding upon Landlord and Tenant. The fees of such accountant shall be paid equally by Landlord and Tenant. To the extent that it is determined herein that any sums are due and owing to Tenant, such amounts shall be credited against Tenant's next due monthly installment of rent or, at Tenant's option, paid by Landlord to Tenant, and if it is determined herein that Landlord has overcharged Tenant by more than five percent (5%), then Landlord shall be responsible for all fees payable to the accountant (rather than such fees being paid equally by Landlord and Tenant), and Landlord shall repay to Tenant the reasonable out of pocket costs incurred by Tenant in reviewing Landlord's books and records.

14. **Exclusions from Taxes.** Tenant's share of real estate taxes and assessments, shall not include any interest or penalties which arise from Landlord's failure to pay the taxes or assessment in a timely manner. In no event shall Tenant be liable for additional rent attributable to any tax related to income, transfer, sale, excise taxes or inheritance tax imposed upon the Landlord arising out of Landlord's ownership and/or sale of the property. Should the Landlord choose to contest the imposition of any tax or assessment, the cost of maintaining any such action shall be borne solely by the Landlord, and shall not be reflected in any later charge to the Tenant. Should the Tenant be named as a party in any lawsuit involving tax or assessments, the Landlord shall indemnify the Tenant for any and all costs, including, but not limited to legal fees, which may be incurred in the defense of, or arising out of any such action.
15. **Condemnation.** If all or part of the Property is taken for any public or private use under any governmental law, ordinance or regulation, or by power of eminent domain, or by purchase in lieu thereof, and such taking adversely affects Tenant's use or enjoyment of the Premises in the reasonable opinion of Tenant, then Tenant shall have the option to terminate the Lease by giving written notice to Landlord within thirty (30) days after the date the condemning authority is given the right to possession (such date being the "date of taking" for purposes of this Section) and, in such event, all rights and obligations under the Lease shall cease, effective as of the date of the taking. If Tenant does not terminate the Lease in accordance with the foregoing, then Landlord shall proceed with diligence to make any repairs and alterations necessary to restore the Property to an architectural whole and make the Property suitable for Tenant's use. The rent payable under the Lease from the date of the taking through the expiration of the Lease Term shall be equitably reduced based on the degree to which Tenant's use and enjoyment of the Property are impaired. If Landlord fails to complete such repairs or alterations within ninety (90) days after the date of the taking, then Tenant may at its option terminate the Lease, effective upon delivering written notice of termination to Landlord at any time prior to Landlord's completion of such repairs and alterations, whereupon all rights and obligations under the Lease shall cease. In the event of the condemnation of all or any portion of the Property, Tenant is entitled to participate in any and all awards for such taking to the extent that any such award includes the loss, if any, sustained by Tenant as a result of the termination of the Lease for loss of business, fixtures, goodwill, moving expenses and attorneys' fees and costs, to the fullest extent permitted by law. In no event shall Tenant's claim reduce and/or diminish Landlord's award.
16. **Landlord Default.** If the Landlord shall fail, refuse or neglect to comply with Landlord obligations in accordance with the terms of the Lease, or if Tenant makes any repairs by reason of any act, omission or negligence of the Landlord or its employees or agents, Tenant shall have the right, at its option, to make such repairs on the behalf of and for the account of the Landlord and deduct all costs and expenses thereof from the next installment(s) of rent due under the Lease. Alternatively, if a default by Landlord continues for a period of thirty (30) days after Landlord's receipt of a written notice specifying the default, Tenant, at Tenant's option, may terminate the Lease by notifying the Landlord in writing and specifying the termination date. The Lease shall automatically be deemed void and both parties shall be relieved of all obligations. Tenant shall vacate the Premises within an additional period of thirty (30) days paying rent only to the date of said vacating. Landlord shall return any and all security deposits and/or advanced rent paid by Tenant within three (3) business days.
17. **Limitation of Tenant Liability.** Notwithstanding any provision in the Lease to the contrary, Landlord and Tenant agree that Tenant's aggregate liability in the event of default shall not exceed the lesser of one (1) month's rent or the rent that would become due for the remainder of the Term of the Lease. Furthermore, Landlord acknowledges an affirmative duty to mitigate damages and shall in no event accelerate rent. Landlord and Tenant agree that this limitation of liability shall

apply to, but not be limited to, all back and future rent, triple net charges (if applicable), late fees, attorney fees and court costs. Upon the termination of the Lease, whether in accordance with this Section or otherwise, Tenant shall be permitted access to the Premises to remove any and all logo or trademark items. Such items shall include, but shall not be limited to, signage and murals.

18. **LIMITATION ON DAMAGES.** LANDLORD RECOGNIZES AND ACKNOWLEDGES THAT TENANT IS A DELAWARE LIMITED LIABILITY COMPANY AND THAT TENANT'S ASSETS CONSIST ALMOST EXCLUSIVELY OF LEASES, SUBLEASES, AND OPTIONS TO PURCHASE LEASED PREMISES. LANDLORD ALSO RECOGNIZES AND ACKNOWLEDGES THAT TENANT WAS ORGANIZED PRINCIPALLY FOR THE PURPOSE OF NEGOTIATING AND DRAFTING LEASES WITH A VIEW TOWARDS SUBLETTING THE LEASED PREMISES TO FRANCHISEES/LICENSEES OF DOCTOR'S ASSOCIATES LLC. ("DAL" AND "FRANCHISOR"). LANDLORD RECOGNIZES AND ACKNOWLEDGES THAT IT HAS BEEN ADVISED THAT DOCTOR'S ASSOCIATES LLC IS A FLORIDA LIMITED LIABILITY COMPANY THAT OWNS ALL RIGHTS TO AWARD FRANCHISES FOR SUBWAY® SANDWICH SHOPS AND THAT LANDLORD HAS ALSO BEEN ADVISED THAT TENANT HAS NO RIGHTS WHATSOEVER TO AWARD FRANCHISES FOR SUBWAY® SANDWICH SHOPS OR COLLECT ANY FRANCHISE-RELATED ROYALTIES FROM ANY PROSPECTIVE SUBLESSEE OF THE PREMISES. LANDLORD RECOGNIZES AND ACKNOWLEDGES THAT IT HAS BEEN GIVEN AN OPPORTUNITY, WHETHER BY ITSELF OR WITH THE ASSISTANCE OF ITS PROFESSIONAL ADVISORS, TO MAKE INQUIRY OF TENANT'S FINANCIAL STATUS AND TO EVALUATE SAID STATUS TO ITS SATISFACTION. LANDLORD HAS EITHER MADE SUCH INQUIRY AND IS SATISFIED WITH THE RESPONSE TO SUCH INQUIRY OR HAS AFFIRMATIVELY AND VOLUNTARILY DETERMINED NOT TO DO SO. LANDLORD FURTHER RECOGNIZES AND ACKNOWLEDGES THAT NO PERSON OR ENTITY OTHER THAN TENANT HAS MADE ANY REPRESENTATIONS OF ANY KIND WITH REGARD TO THE ABILITY OF TENANT TO PERFORM TENANT'S OBLIGATIONS HEREUNDER. LANDLORD ALSO RECOGNIZES AND ACKNOWLEDGES THAT TENANT INTENDS TO SUBLEASE THE PREMISES TO A PERSON(S) WHO HAS OR WILL BE AWARDED A FRANCHISE/LICENSE FOR A SUBWAY® SANDWICH SHOP FROM DAL, UNDER WHICH SUBLEASE THE SUBLESSEE WILL PAY RENT DIRECTLY TO LANDLORD SO THAT THE RENTAL PAYMENT FROM SUCH SUBLESSEE WILL NORMALLY NOT BE RECEIVED OR HELD BY TENANT. ALTHOUGH THE SUBLESSEE MAY OPEN A BUSINESS OPERATION DOING BUSINESS AS A SUBWAY® SANDWICH SHOP AND MAY HAVE FRANCHISE AND OTHER BUSINESS RELATIONSHIPS WITH CORPORATIONS RELATED TO OR ASSOCIATED BY THE GENERAL PUBLIC WITH "SUBWAY," AS IT IS COMMONLY KNOWN, LANDLORD RECOGNIZES AND ACKNOWLEDGES THAT THE SOLE AND EXCLUSIVE PERSON OR ENTITY AGAINST WHICH IT MAY SEEK DAMAGES OR ANY REMEDIES UNDER THIS OR ANY OTHER DOCUMENT IN WHICH THE LANDLORD AND TENANT OR LANDLORD AND SUBLESSEE ARE PARTIES, WHETHER FOR UNPAID RENT AND ASSOCIATED DAMAGES, CLAIMS OF UNJUST ENRICHMENT, CLAIMS OF UNFAIR TRADE PRACTICES, OR ANY OTHER THEORY OF RECOVERY OF ANY KIND OR NATURE, IS TENANT OR SUBLESSEE. FURTHER, IT IS EXPRESSLY UNDERSTOOD AND AGREED THAT THERE WILL NOT BE ANY LIABILITY WHATSOEVER AGAINST (A) DOCTOR'S ASSOCIATES LLC, ITS SHAREHOLDERS, DIRECTORS, OFFICERS, EMPLOYEES AND/OR AGENTS, AND/OR (B) ANY PERSONS AND ENTITIES WHO ARE THE SHAREHOLDERS, DIRECTORS, OFFICERS, EMPLOYEES, AND/OR AGENTS OF THE TENANT. SUCH EXCULPATION OF LIABILITY SHALL BE ABSOLUTE AND WITHOUT ANY EXCEPTION WHATSOEVER.

19. **Assignment.** Tenant may assign the Lease or sublet the Premises to any bona-fide licensee/franchisee of Doctor's Associates LLC, doing business as a Subway® sandwich shop ("Tenant's Sublessee") without the prior consent of or written notice to the Landlord. Such assignment and subletting shall not alter the Tenant's responsibility to the Landlord under the Lease. Landlord agrees to accept rent from Tenant, its assignee, or sublessee. Landlord and Tenant agree that the purpose of the Lease is to sublet the Premises to an authorized Subway® licensee/franchisee of Doctor's Associates LLC. Should Tenant not succeed in obtaining an executed sublease within sixty (60) days of the execution of the Lease, Tenant may, at Tenant's option, void the Lease upon written notice.
20. **Landlord Maintenance.** Landlord, at Landlord's sole cost and expense shall maintain all exterior and structural portions of the Building, including the roof, walls, foundations, walks, driveways and parking areas, in good condition and repair, including replacement as required. Such maintenance shall include, but not be limited to the removal of snow and/or ice. In addition, Landlord warrants that the Premises, including the heating and air conditioning systems, plumbing, sprinklers, hot water heater, and electrical systems (collectively, the "Systems") will be in compliance with all Laws, in good working order, and that the roof will be free of leaks for the Term of the Lease. Landlord hereby agrees that Landlord shall, at Landlord's expense be responsible for the replacement of Systems if and when necessary and Landlord shall be responsible for any and all tap fees, hook-up fees, connection fees, impact fees (if any) necessary for Tenant's utilities. Landlord will perform all such maintenance, repairs and replacements in a good and workmanlike manner, using first-class materials, in compliance with all Laws. Landlord hereby represents and warrants to Tenant that, as of the Effective Date, the structural components and Systems of the Building, any fixtures, equipment and capital items provided by Landlord, and any common areas are in good operating condition and repair. Landlord further represents and warrants to Tenant as of the Effective Date that the Premises is free from water leaks, offensive odors, mold, asbestos and underground storage tanks. Under no circumstances shall the Tenant be responsible for the replacement cost of capital items including, but not limited to; the roof, all structural portions of the building, parking lot and systems. If Landlord shall fail, refuse or neglect to comply with Landlord's obligations in accordance with the terms of the Lease, or if Tenant is required to make any repairs by reason of any act, omission or negligence of Landlord or its employees or agents, Tenant shall have the right, but not the obligation, at its option, to make such repairs on the behalf of and for the account of Landlord and deduct the cost and expense thereof from the next installment(s) of minimum rent and additional rent due. Alternatively, if a default by Landlord continues for a period of thirty (30) days after Landlord's receipt of a written notice specifying the default, Tenant, at Tenant's option, may declare the Lease terminated and void; Tenant shall vacate the Premises paying rent only to the date of said vacating.
21. **Parking.** Landlord agrees to provide Tenant with at least one (1) parking space per 100 square feet of Premises. Tenant shall be permitted to install signs designating the spaces for Tenant's patrons only. The Landlord represents and warrants that there is adequate non-exclusive parking at the Building for parking by the Tenant's employees and customers. Furthermore, the Landlord will assure the parking areas are free of potholes, snow and ice, adequately striped and in good condition. The parking areas will be lighted, at Landlord's expense, until at least one hour after Tenant's closing.
22. **Hazardous Materials.** If any government or local agency requires an inspection for toxic or hazardous materials prior to a new tenancy, Landlord shall bear the cost of inspection. If a governmental authority requires the removal of hazardous or asbestos-related material including but not limited to molds and biological pollutants from the Premises, lands or the Building(s) of

which it forms a part, it will be the Landlord's responsibility to remove the offensive material. If the Landlord does not comply with the ordinance within thirty (30) days after written notice from the Tenant, the Tenant may have the material removed at the cost of the Landlord and deduct the cost from the next monthly rental payment(s). If said material is removed from an area that lies below the parking lot, Landlord shall immediately repair any and all damage thereto. Landlord agrees to hold Tenant harmless from any and all past, present and future environmental problems not approximately caused by the operation of Tenant's business.

23. **Notices.** Landlord and Tenant acknowledge that it is extremely important that rent be paid in a timely manner as required by the Lease. Since Tenant may sublet the Premises to a licensee/franchisee of Doctor's Associates LLC and the licensee/franchisee may pay rent directly to Landlord, Tenant does not receive rental income and will not know if minimum rent, additional rent or any other rent has not been paid. Since the parties recognize that time is of the essence in this matter, Landlord agrees to give written notice to Tenant within ten (10) days of any failure to perform any of the terms or conditions of the Lease by Tenant, its sublessee, or assignee. Failure of Landlord to give such notice will constitute a waiver of monetary and non-monetary claims against Tenant.

Every notice, approval, consent or other communication authorized or required by the Lease shall be effective if given in one of the following ways: (i) by email to Tenant at SubwayRealEstate@Subway.com, and to Landlord at _____; (ii) in writing and hand delivered to either party; or (iii) in writing and sent for next business day delivery by FedEx, UPS, or other nationally-recognized courier. Notices sent via hand delivery or via nationally-recognized courier shall be addressed to the parties at the addresses below, or at such other address as either party shall from time to time designate in writing. Email notices must contain the capitalized words "LEGAL NOTICE" in the subject line. The sender of an email notice must request a read receipt and the recipient must allow a read receipt to be sent on or before the next business day. Email notices shall be effective upon receipt by the sender of the read receipt from the recipient of the notice. Hand delivered notices shall be deemed to be effective upon delivery, if delivered. Notices sent for next business day delivery by nationally recognized courier shall be deemed to be effective on the next business day.

Landlord:

Landlord's Tax I.D. Number (If Corporation) or Social Security Number (If Individual) is:
_____.

Landlord agrees to accept rent at the above-referenced address.

Any change in the Landlord entity (including, but not limited to, property ownership, address for notices, etc.) must be authorized in writing by the named Landlord, its mortgagor, or by court order and sent to all the required notification parties as listed above. Absent such acceptable authorization, Tenant shall not be in default of the Lease if it continues to pay rent, nor shall it lose any of its rights, privileges (including, but not limited to, renewal options) as specified herein.

24. **Landlord Consent.** If at any time under the provisions of the Lease the consent of the Landlord is required, it shall not be unreasonably withheld, conditioned or delayed.
25. **Attorneys' Fees; Waiver of Jury Trial.** In the event of litigation between the Landlord and the Tenant relative to rights, obligations and duties of either party under the Lease, each party shall pay its own attorneys' fees and costs. Additionally, Landlord and Tenant agree that, to the extent permitted under Federal, State or local rules of civil procedure, Landlord and Tenant shall have the option to participate in any arbitration, deposition or mediation via telephone or video conferencing. Neither Landlord nor Tenant will compel the other to produce a representative to appear in person at the aforementioned proceedings in the jurisdiction where the litigation is taking place. Further, Landlord hereby waives any claim(s) against Tenant and any related parties for consequential, exemplary, and/or punitive damages. **In addition, both parties hereby waive their rights to a trial by jury.**
26. **Memorandum of Lease.** Landlord and Tenant agree that the Lease shall not be recorded. However, Landlord agrees to execute and deliver to Tenant a memorandum of the Lease in recordable form as set forth on **Attachment 1** attached hereto and incorporated herein at the time this Amendment is executed. Tenant shall have the right to record said memorandum in the local public registry at Tenant's expense. In the event Landlord fails or refuses to execute the Memorandum of Lease within the specified time period, Tenant, at Tenant's option, may consider this a default by the Landlord and terminate the Lease. Landlord hereby appoints the Tenant its attorney-in-fact for purposes of completing the Memorandum of Lease on behalf of the Landlord and to record the Memorandum of Lease with the local recording authority. The Landlord agrees that the Tenant and any third party requiring access to the Memorandum of Lease, may rely upon the information contained therein as being accurate.
27. **Quiet Enjoyment.** Landlord covenants that Tenant, upon complying with the terms of the Lease, shall peaceably and quietly have, hold and enjoy the Premises and all rights, easements, appurtenances and privileges belonging or appertaining thereto. Landlord agrees not to impose any restrictions or grant any easements or other rights that conflict with Tenant's rights under the Lease. Upon request, Landlord shall provide proof of ownership satisfactory to Tenant. Should Landlord fail to uphold the aforementioned covenant, Landlord and Tenant agree that Tenant's damages will be significant and difficult to ascertain. Therefore, Landlord agrees that Tenant's liquidated damages recoverable from Landlord for such breach shall be \$50,000.00. Landlord acknowledges that this liquidated damages provision is a fair estimate of Tenant's damages and does not constitute a penalty. For the purpose of this Section, any limitation of the personal liability of the Landlord shall be null and void, and the person executing the Lease on behalf of the Landlord shall be liable for the aforementioned damages both in his/her capacity and personally. This clause shall survive the termination of the Lease. No changes or additions by the Landlord will inhibit access to or visibility of the Premises or decrease parking ratio. Tenant is allowed, at its cost, to prune, cut back or remove any trees that interfere with visibility of the Premises. If Tenant's operation or use is at any time impaired or affected by the closing, relocation, alteration or improvement of any street adjoining the Premises, Tenant may, at its option, either terminate the Lease, or reduce the rent payable by fifty percent (50%) during the period of such impairment. Either of these options may be implemented upon thirty (30) days written notice to the Landlord.

28. **Brokers.** Landlord and Tenant agree that no brokerage commission or similar compensation is due in connection with this transaction except for the commission owed to _____, which shall be paid by Landlord. Except as provided in the preceding sentence, each party agrees to indemnify the other against all claims for brokerage commission or other compensation for services rendered at its instance in connection with this transaction.
29. **Rent Reduction.** Notwithstanding anything to the contrary contained herein, if during the first two (2) years following the Effective Date of this Amendment, the Landlord executes a lease for space in the Building to another tenant at a per square foot rate which is less than the per square foot rate under the Lease, Landlord shall reduce the rent to be equal to such lower per square foot rate. Landlord shall notify Tenant of such reduction in rent within five (5) business days of executing the new lease and shall execute an addendum confirming the rent reduction.
30. **Execution of Amendment.** In the event Landlord does not execute this Amendment and return a fully executed original within thirty (30) days of execution by Tenant, the Tenant may declare this Amendment null and void. Within three (3) business days, Landlord shall return any and all monies paid and all counterparts of this Amendment executed by Tenant.
31. **Right of First Refusal.**
- a. **“ROFR Space”** shall mean any area in the Building that can be configured to include a drive-through for food sales to customers in their automobiles (such as an end-cap space, for example), including without limitation: [Suite No.(s) or other identifier(s) of space].
 - b. If at any time during the Lease term the ROFR Space is vacant and unencumbered by any rights of any third party, and if Landlord intends to enter into a lease (the **“Proposed Lease”**) for the ROFR Space with anyone (a **“Proposed Tenant”**) other than the tenant then occupying such space, then Landlord shall first offer to Tenant the right to lease such ROFR Space upon all the terms and conditions of the Proposed Lease for the ROFR Space. Notwithstanding anything to the contrary in the Lease, the right of first refusal granted to Tenant under this Amendment shall be subject and subordinate to (i) the rights of all tenants at the Building under existing leases, and (ii) the herein reserved right of Landlord to renew or extend the term of any lease with the tenant then occupying such space, whether pursuant to a renewal or extension option in such lease or otherwise.
 - c. Such offer shall be made by Landlord to Tenant in a written notice (the **“ROFR Notice”**) which offer shall designate the space being offered and shall specify the terms for such ROFR Space which shall be the same as those set forth in the Proposed Lease. Tenant may accept the offer set forth in the ROFR Notice by delivering to Landlord a notice of acceptance (**“Tenant’s Notice”**) of such offer within ten (10) business days after delivery by Landlord of the ROFR Notice to Tenant. In order to send the ROFR Notice, Landlord does not need to have negotiated a complete lease with the Proposed Tenant but may merely have agreed upon the material economic terms for the Proposed Lease, and Tenant must make its decision with respect to the ROFR Space as long as it has received a description of such material economic terms.
 - d. If Tenant at any time declines any ROFR Space offered by Landlord, Landlord shall be free to lease the ROFR Space to the Proposed Tenant.

32. **Force Majeure.** If either party fails to perform any of its obligations under the Lease as a result of Force Majeure, such party shall not be liable for loss or damage for the failure and the other party shall not be released from any of its obligations under the Lease. If either party is delayed or prevented from performing any of its obligations as a result of Force Majeure, the period of delay or prevention shall be added to the time herein provided for the performance of any such obligation.
- a. "Force Majeure" shall mean any period of delay which arises from or through acts of God; pandemics; strikes, lockouts, or labor difficulty; explosion, sabotage, accident, riot, or civil commotion; act of war; fire or other casualty; pandemics, legal requirements; delays caused by the other party; and causes beyond the reasonable control of a party. Landlord further agrees that in the event Tenant is required by any governmental authority to close its store at the Premises due to a Force Majeure event, Tenant's obligation to continue paying the monthly rent shall be abated ("**Rent Abatement**") if Tenant sends the Rent Abatement Notice.
 - b. "**Rent Abatement Notice**" shall mean written notice submitted by Tenant pursuant to the terms of this Amendment notifying Landlord of a requirement by any governmental authority to refrain from operating its business at the Premises. The Rent Abatement Notice shall include a copy of the requirement issued by the governmental authority. The period of the Rent Abatement shall be one-day for each day following the date that Landlord receives the Rent Abatement Notice and the date that Tenant is no longer obligated to refrain from opening due to the aforesaid governmental authority requirement or to remain closed due to the aforesaid governmental authority requirement, as applicable (this period of time being referred to herein as the "**Rent Abatement Period**"). The parties agree, notwithstanding anything to the contrary herein, that the Lease term shall be extended automatically by a period of time equal to the Rent Abatement Period; and, upon the request of either party, the non-requesting party shall enter into an amendment of this Lease to memorialize this extended Lease term.
33. **Cancellation.** Landlord agrees that the Lease may be canceled by Tenant within thirty (30) days of full execution by so notifying Landlord in writing. Further, Landlord agrees that it shall commence and/or continue constructing the Premises in accordance with Landlord's work during this period. However, Tenant acknowledges that Landlord shall not be required to make any alterations that are unique to Tenant's use until the above referenced time period has expired.
34. **Entire Agreement.** The Lease and this Amendment contains the entire agreement between the parties and supersedes all prior understandings.
35. **Mechanics' Liens.** Tenant shall pay and settle all expenses and liabilities arising out of or in any way connected with any and all construction, repairs, alterations, or maintenance of the Premises, and all liens of mechanic's and materialmen, and all liens of a similar character, arising out of or growing out of the construction, repair, alteration, or maintenance of the Premises, provided said work was performed by Tenant and provided the person performing the work has filed the lien properly in accordance with the laws of the State where the Premises are located.
36. **Timeliness of Charges.** Landlord agrees to notify Tenant in writing in accordance with the Lease of any back charges due under the Lease or of any changes in the rent as and when they become due. All parties agree and acknowledge that time is of the essence with respect to these matters. In the event that Landlord does not appropriately notify Tenant within ninety (90) days of the date upon which said charges had become due, Landlord agrees that it has waived its rights to said back

charges and further, that Tenant shall not be obligated to pay, nor shall it have any liability for these back charges. It is agreed that it is the intent of the parties that all charges be assessed in a timely manner as they accrue and in no event shall they be assessed to Tenant after this ninety (90) day period.

37. **Surrender of Premises.** Tenant shall be permitted, within ten (10) days after the expiration or sooner termination of the Lease, to remove any additions or improvements made by it, provided, however, that it repairs any damage to the Premises caused by such removal or pays for any damages caused by such removal. Any such addition or improvement not removed within ten (10) days shall be deemed abandoned and shall, thereupon, become the property of Landlord without compensation to Tenant. If Tenant has made improvements to the Premises which, if removed, would cause significant damage to the Premises, then Tenant may, at its option, choose to leave these improvements in place without incurring any liability for their removal by Landlord or a third party. Tenant's trade fixtures and all of Tenant's equipment shall not be considered fixtures, and shall remain the property of Tenant. As such, they may be removed by Tenant at any time, subject to the foregoing paragraph. On or before the expiration or earlier termination of the Lease, Tenant shall surrender to Landlord the Premises and all of Tenant's alterations and fixtures broom clean, in good order and condition, excepting reasonable wear and tear, casualty and condemnation. Tenant may, but shall not be required to remove those alterations or improvements to the Premises which are installed by Tenant and which are trade fixtures which may be removed without material damage to the Premises and which are in the nature of furniture, movable refrigeration, movable cooking equipment, storage and display cases, counter shelves and racks. All other alterations and fixtures including, without limitation, those in the nature of ventilating, air conditioning, unmovable refrigeration, unmovable cooking equipment, plumbing, sprinkling systems, outlets, partitions, doors, vaults, paneling, molding or flooring shall be surrendered with the Premises and Tenant need not remove them.
38. **Estoppel Certificates.** Landlord, within twenty (20) days after Tenant's request, shall deliver to Tenant an executed, written estoppel certificate in the form attached hereto as **Attachment 2** (the "**Estoppel Certificate**") identifying Tenant and the Lease and certifying and confirming the intent set forth on **Attachment 2**, in addition to any information or confirmation Tenant may reasonably require. In the event Landlord shall fail to return such statement within twenty (20) days of Tenant's request, Tenant shall presume that there are no defaults, monetary or non-monetary, under the Lease and Landlord shall be estopped from rebutting such presumption. Tenant may rely on such Estoppel Certificate as true and correct. The information contained within the Estoppel Certificate shall be binding upon the Landlord, its assignees and successors in interest.

SUBLICENSE

THIS SUBLICENSE (the “**Sublicense**”), is made on the date shown on the cover page hereof (the “**Sublicense Date**”), by and between **SUBWAY REAL ESTATE, LLC**, a Delaware limited liability company, (“**Sublicensor**”), and the party identified as Sublicensee in the Key Contract Data at the beginning of this Sublicense.

In consideration of the covenants contained in this Sublicense, the parties agree as follows:

1 PROPERTY LICENSED

- 1.1 **Demise.** Sublicensor licenses to Sublicensee and Sublicensee licenses from Sublicensor the premises described in the Master License (defined below) attached hereto (the “**Premises**”), subject to any and all reservations, restrictions, easements, rights of way, limitations and conditions of record, if any. The purpose of this Sublicense is so that Sublicensee can operate a Subway® restaurant under the terms of a Franchise Agreement with Doctor's Associates LLC (“**DAL**”) dated as shown in the Key Contract Data at the beginning of this Sublicense, and under the franchise number shown on the cover page hereof (“**Franchise Agreement**”).
- 1.2 **Master License.** Sublicensee acknowledges that the Premises are subject to a license between Sublicensor as licensee and the licensor identified therein (the “**Master Licensor**”), a copy of which is attached hereto as Exhibit A (the “**Master License**”). Sublicensee acknowledges that Exhibit A contains a true and correct copy of the Master License. Any conflict between this Section 1.2 and the other provisions of this Sublicense shall be resolved in favor of this Section 1.2.
 - 1.2.1 This Sublicense is subject and subordinate to the Master License. If the Master License is terminated for any cause whatsoever, Sublicensee shall promptly vacate and surrender the Premises to Sublicensor and this Sublicense shall terminate as of the date of termination of the Master License and Sublicensor shall have no liability and/or obligation to Sublicensee for the termination of the Sublicense.
 - 1.2.2 Except as otherwise provided herein, all costs, common area maintenance fees, expenses, charges, assessments, and license fee escalations accruing under the Master License, any restrictions imposed upon Sublicensor thereunder, together with all repairs, replacements, restorations, and any other obligations required to be performed by Sublicensor, as licensee under the Master License, shall be binding upon Sublicensee herein. In the event the obligations and restrictions imposed on Sublicensee under the Sublicense conflict with the obligations and restrictions imposed upon Sublicensor as licensee under the Master License, then the more burdensome and restrictive of such obligations and restrictions shall prevail and be binding upon Sublicensee herein.
 - 1.2.3 With respect to any consent or approval required to be obtained of Master Licensor under the Master License (by way of illustration and without limitation, consent to alterations), Sublicensor’s sole obligation with respect thereto, upon being requested in writing by Sublicensee, shall be to seek the approval or consent of Master Licensor. Sublicensee acknowledges and agrees that Sublicensor shall not be liable to Sublicensee with respect to any delay, default or failure of Master Licensor to grant such consent or approval or in the performance by the Master Licensor of its obligations and covenants under the Master License unless such be due to acts or misconduct of Sublicensor and neither shall the License Fees, Additional License Fees or other Additional Charges under the Sublicense abate nor shall any of the obligations of Sublicensee under the Sublicense be affected by reason thereof. Sublicensee further acknowledges and agrees that, with respect to any rights afforded Sublicensor under the

Master License, including, but not limited to, any options to extend or renew the term of the Master License, options to purchase the Premises, rights of first refusal to purchase the Premises and restrictions against competition, such rights are not passed on to or conferred upon Sublicensee under this Sublicense. Sublicensee acknowledges that only Sublicensor has the benefit of and the right to exercise or enforce such rights and the failure of Sublicensor to exercise or enforce such rights shall not be a default under the Sublicense nor entitle Sublicensee to make any claim against Sublicensor.

- 1.2.4 In the event the Master License contains extension or renewal options, Sublicensee agrees to provide written notice to Sublicensor of its desire to exercise its option at least one hundred eighty days (180) prior to the date on which Sublicensor must notify the Master Licensor of its intention to exercise its option to extend or renew the Master License. Sublicensee agrees that Sublicensor may elect not to extend or renew the Master License if Sublicensee fails to give Sublicensor notice as provided in this Subsection. Furthermore, Sublicensor may elect not to extend or renew the Master License if Sublicensee shall be in default in the performance of any of the terms of the Master License, this Sublicense or the Franchise Agreement during the period one hundred eighty (180) days prior to the date Sublicensor must give notice to Master Licensor.
- 1.2.5 If Master Licensor fails to perform its duties under the Master License, Sublicensee must give written notice thereof to Sublicensor describing Master Licensor's default in detail. Upon receipt of the notice, Sublicensor shall then promptly notify Master Licensor and demand performance as required in the Master License. In the event Sublicensee wishes to engage the services of an attorney to settle any disputes arising out of the Master License, all fees and costs shall be borne by Sublicensee, it being understood that Sublicensor is under no obligation to bring or defend any action brought by or against Sublicensee, Sublicensor or Master Licensor.
- 1.2.6 Sublicensee shall not make any agreement with Master Licensor which could modify, cancel or terminate the Master License.

2 TERM

- 2.1 **Term.** The term of this Sublicense (the “**Term**”) shall commence on the date shown in the Key Contract Data at the beginning of this Sublicense (the “**Commencement Date**”). The Term of this Sublicense shall expire at midnight one full day before the expiration of the Master License (the “**Expiration Date**”) unless sooner terminated as provided in this Sublicense.
- 2.2 **Possession.** Possession of the Premises shall be delivered to Sublicensee on the Commencement Date or as provided in the Master License, whichever is later.
- 2.3 **Holdover.** Sublicensee may only hold over at the expiration of the Term with the written consent of Sublicensor. During such holdover period, Sublicensee shall pay to Sublicensor two hundred percent (200%) of the License Fees amount that existed immediately prior to the Expiration Date. Sublicensee agrees to comply with all holdover provisions contained in the Master License.
- 2.4 **End of Term.**
 - 2.4.1 Fixtures and Personal property. At the expiration or earlier termination of this Sublicense, any fixtures located on the Premises and not already owned by Sublicensor shall become the property of Sublicensor. If, at that time, Sublicensee has fully complied with Sublicense terms and conditions and is not in default under the Franchise Agreement, Sublicensor hereby waives any right to claim any personal property owned or leased by Sublicensee and located on the Premises. Subject to the terms of the Franchise Agreement, the personal property may then be removed by Sublicensee or Sublicensor provided that the Premises are restored to their original

condition, reasonable wear and tear excepted. Any such personal property not removed within thirty (30) days after the Sublicense expiration or termination shall be deemed abandoned and become the property of Sublicensor.

- 2.4.2 **Joint Inspection.** During a period no earlier than three (3) weeks and no later than one (1) week prior to the end of the Term, Sublicensor and Sublicensee shall conduct a joint inspection of the Premises, and Sublicensor shall make a list of any items of repair and maintenance that may be needed to put the Premises in good condition and repair, reasonable wear and tear excepted. If the items on such list cannot be completed by Sublicensee by the end of the Term, then Sublicensee shall pay to Sublicensor by the end of the Term the reasonable cost of such repairs as evidenced by third-party bids. Sublicensee's obligation to make such payment shall survive the termination of this Sublicense.

3 CONSIDERATION

- 3.1 **License Fees.** Sublicensee agrees to pay to Sublicensor or its designee the base license fees indicated on Exhibit B (the "**Base License Fees**"), to be due and payable in monthly installments in advance on the first day of each month during the Term of this Sublicense. If no Base License Fees are included on Exhibit B, or if Sublicensor directs Sublicensee to do so, then Sublicensee shall make all license fee payments directly to Master Licensor in the manner set forth in the Master License until and unless Sublicensor directs Sublicensee to do otherwise. The first monthly installment of the Base License Fees shall be due on the Commencement Date, or at the time provided in the Master License if Sublicensee is to make license fee payments directly to Sublicensor as provided above. If this Sublicense shall commence on any day other than the first day of a calendar month, the monthly installment for the first and last month of the Term shall be prorated.
- 3.2 **Additional Charges.** Sublicensee and Sublicensor agree that the license fees accruing under this Sublicense shall be net to Sublicensor and that all taxes, costs, common area maintenance fees, expenses and charges of every kind and nature (the "**Additional Charges**") relating to the Premises or payable under the Master License that may arise or become due during the Term or any extension of this Sublicense, shall be paid by Sublicensee to Sublicensor or its designee (which may be Master Licensor), and that Sublicensee shall indemnify and save harmless Sublicensor from and against them. All Additional Charges that Sublicensee assumes or agrees to pay under any provisions of this Sublicense, together with all interest and penalties that may accrue on these Additional Charges in the event Sublicensee fails to pay them, as well as all other damages, costs and expenses, including, without limitation, reasonable attorneys' fees and other legal and court costs that Sublicensor may incur in enforcing this Sublicense, and any and all other sums that may become due by reason of Sublicensee's default or failure to comply with its obligations under this Sublicense, shall be deemed to be "**Additional License Fees**". The Base License Fees and Additional License Fees shall collectively be referred to herein as the "**License Fees**". In the event of non-payment of License Fees in any form, Sublicensor shall have all rights and remedies provided herein and under law.
- 3.3 **Method of Payment.** Sublicensee must make all payments to Sublicensor or its designee (which may be Master Licensor) by the method or methods that Sublicensor requires from time to time. Sublicensee shall make any payment required under this Sublicense directly to Sublicensor, its designee (which may be Master Licensor), its affiliate(s), or to a bank or such other financial institution account that Sublicensor specifies, at the times and with the frequency that Sublicensor designates (or as provided in the Master License if Sublicensor makes no such designation), by electronic funds transfer, on-line banking, pre-authorized auto-draft arrangement, or such other means as Sublicensor may specify from time to time. For each account in which Sublicensee conducts business at any time during the Term, Sublicensee

agrees to execute an ACH Automatic Withdrawal Authorization and to keep it effective throughout the Term; and Sublicensee authorizes Sublicensor to withdraw monies from each such account in the amounts and at the times provided in this Sublicense and any other agreement between Sublicensee and Sublicensor or its affiliate(s). Sublicensee hereby indemnifies Sublicensor and holds Sublicensor harmless under each ACH Automatic Withdrawal Authorization. Sublicensee consents to Sublicensor's directly transacting business with each bank and financial institution with which Sublicensee has an account to effectuate fully the terms of each ACH Automatic Withdrawal Authorization. Sublicensee shall furnish Sublicensor, its bank, or other financial institution, and any other recipient of payment with such information and authorizations as may be necessary to permit such persons to make withdrawals by electronic funds transfer, on-line banking, or auto-draft arrangement. Sublicensee shall bear all expenses, if any, and pay Sublicensor its third-party costs associated with such authorizations and payments.

- 3.4 **Security Deposit.** Sublicensor acknowledges receipt from Sublicensee of the Security Deposit amount shown in the Key Contract Data at the beginning of this Sublicense, which has or shall be paid to Master Licensor as the security deposit referred to in the Master License. In accordance with the terms of the Master License, Sublicensee shall be entitled to the rights of Sublicensor to the security deposit, except that any portion thereof that is returned to Sublicensor by Master Licensor may first be applied to any amounts that Sublicensee owes to Sublicensor or its affiliate under this Sublicense or any other agreement.
- 3.5 **Other Pre-Opening Costs.** Sublicensor acknowledges receipt from Sublicensee of the Other Pre-Opening Costs Deposit amount shown in the Key Contract Data at the beginning of this Sublicense, which shall be held in a non-interest bearing escrow account and shall be returned to Sublicensee, without interest, upon the opening of this location for business.
- 3.6 **Late Charges.** All License Fees and any other charges shall be paid to Sublicensor without notice or demand and without abatement, deduction or set-off, except as otherwise expressly provided in this Sublicense. All payments not paid when due shall bear interest at the lesser of eighteen percent (18%) or the maximum rate allowed by law in the state where the Premises are located.

4 INSURANCE

- 4.1 **Coverage.** During the Term, Sublicensee, at its own cost and expense, shall:
 - 4.1.1 Keep the Premises and the fixtures and personal property on it insured with an all-risk property insurance policy in an amount sufficient to cover the cost of replacement (without deduction for depreciation). Replacement cost shall be determined by one of the insurers or, at the option of Sublicensor, by an appraiser, architect or contractor who is mutually and reasonably acceptable to Sublicensor and Sublicensee, and whom shall be retained and paid by Sublicensee.
 - 4.1.2 Provide and keep in force comprehensive or commercial general liability insurance against claims for bodily injury, death or property damage occurring on, in or about the Premises, in limits of not less than \$1,000,000 per occurrence for bodily injury, not less than \$500,000 per occurrence for property damage, or in such other amounts as Sublicensor may reasonably request. The policy shall name Sublicensor as an additional insured.
 - 4.1.3 Keep in force business interruption insurance that covers the then current License Fees and the annual premiums for insurance required by this Article.
 - 4.1.4 If requested by Sublicensor, provide and keep in force insurance for such other insurable hazards in such amounts as similarly situated Premises are then commonly insured.

- 4.2 **Policies.** All insurance required by Sublicensor and provided by Sublicensee shall be carried in favor of Sublicensor and Sublicensee, as their respective interests may appear, the Master Licensor, and any underlying fee owner, affiliate corporation, trustee, mortgagee or other person designated by Sublicensor or as required under the Master License. All insurance shall be obtained from companies licensed to do business in the state in which the Premises are located and which have a rating by Bests Rating Guide of at least "A". Sublicensee shall procure policies for all insurance for periods of not less than one (1) year and shall deliver to Sublicensor all policies or certificates of insurance with evidence of payment of all premiums. Sublicensee shall procure renewals of these policies from time to time before their respective expiration dates. All insurance policies shall be non-assessable and shall require thirty (30) days' written notice to Sublicensor of any cancellation or change affecting Sublicensor's coverage under the policies. All property damage and business interruption policies of Sublicensee shall contain a waiver of any subrogation rights which Sublicensee's insurers may have against Sublicensor, even if the loss suffered is caused by the act, omission or negligence of Sublicensor.
- 4.3 **Adjusting; Proceeds.** Claims for loss due to damage to the Premises under any policies provided for in this Sublicense shall be adjusted with the insurance companies:
- 4.3.1 by Sublicensee in the case of any particular casualty resulting in damage or destruction not exceeding \$10,000, or
- 4.3.2 by Sublicensor and Sublicensee, in the case of any particular casualty resulting in damage or destruction exceeding \$10,000 in the aggregate. Subject to the rights of Master Licensor and any mortgagee, the proceeds of any insurance shall be payable as follows:
- 4.3.2.1 With respect to any loss not exceeding \$10,000 in the aggregate, proceeds shall be paid to Sublicensee, who shall hold them in trust for the purpose of paying the costs of repair and restoration; and
- 4.3.2.2 With respect to losses exceeding \$10,000 in the aggregate, the proceeds may, at Sublicensor's option, be paid to Sublicensor or its designee and shall be applied to pay the costs of repair and restoration as directed by Sublicensor.
- 4.4 **Joint Efforts.** Sublicensee and Sublicensor shall cooperate in attempts to collect any insurance proceeds that may be due in the event of loss, and Sublicensee shall execute and deliver to Sublicensor such proofs of loss and other instruments which may be required for the purpose of recovering these proceeds.
- 4.5 **Waiver of Subrogation.** Sublicensee agrees to look solely to the proceeds of its own insurer for indemnity against exposure for loss of property or business interruption. Sublicensee warrants that its property and business interruption insurers shall have no rights against Sublicensor by virtue of assignment, subrogation, loan agreement or otherwise.
- 4.6 **Cancellation of Insurance.** If any insurance policy covering the Premises or any part of it is canceled or is threatened by the insurer to be canceled, or if the coverage thereunder is reduced in any way by the insurer for any reason, and if Sublicensee fails to remedy the condition giving rise to cancellation, threatened cancellation, or reduction of coverage within five (5) business days after notice thereof by Sublicensor, Sublicensor may, at its option, either (i) reenter the Premises forthwith by leaving upon the Premises a notice in writing of its intention to do so or (ii) enter the Premises and remedy the condition giving rise to such cancellation, threatened cancellation or reduction, and Sublicensee shall forthwith pay the cost thereof to Sublicensor (which cost may be collected by Sublicensor as Additional License Fees) and Sublicensor shall not be liable for any damage or injury caused to any property of Sublicensee or of others located on the Premises as a result of any such entry, unless resulting from its own sole gross negligence, or intentional or willful act or omission.
- 4.7 **Loss and Damage.** Sublicensor shall not be liable for any death or injury occurring on the Premises, nor for the loss of or damage to any of the personal property or other property of

Sublicensee or of others by theft or otherwise, unless resulting from its own sole gross negligence, or intentional or willful act or omission. Without limiting the generality of the foregoing, Sublicensor shall not be liable for any injury or damage to persons or property resulting from fire, explosion, falling plaster, steam, dampness, gas, electricity, water, rain, snow, or leaks from any part of the Premises or from the pipes, appliances or plumbing works or from the roof, street or subsurface or from any other place by any other cause whatsoever, unless resulting from its own sole gross negligence, or intentional or willful act or omission. Sublicensor shall not be liable for any such damage caused by other persons or occupants of adjacent property, or the public, or caused by operations in construction of any private, public or quasi-public work. All of the personal property or any other property of Sublicensee kept or stored on the Premises shall be kept or stored at the risk of Sublicensee.

5 THE PREMISES

- 5.1 **Use and Services.** During the Term of this Sublicense, Sublicensee shall continuously operate a Subway® restaurant business in accordance with the Franchise Agreement. The Premises shall not be used for any other purpose.
- 5.2 **Repairs and Maintenance.** Sublicensee shall, at all times during the Term, at its own cost and expense, put, keep and maintain the Premises and all fixtures and personal property located on it in good order and condition, subject to reasonable wear and tear, and subject to all applicable terms of this Article 5, shall make all necessary and desirable repairs, restorations and replacements thereof, structural and nonstructural, foreseen or unforeseen (hereinafter collectively called “**Repairs**”), and shall use all reasonable precautions to prevent waste, damage and injury.

In the event that Sublicensee fails or neglects to make all necessary Repairs or fulfill its other obligations as set forth above, Sublicensor or its agents may enter the Premises for the purpose of making such Repairs or fulfilling those obligations. All reasonable costs and expenses incurred as a consequence of Sublicensor’s action shall be repaid by Sublicensee to Sublicensor within fifteen (15) days after Sublicensee receives copies of receipts showing payment by Sublicensor for such Repairs or other obligations. These receipts shall be prima facie evidence of the payment of the charges paid by Sublicensor.

- 5.3 **Build-Out and Alterations.** Sublicensor may terminate this Sublicense on ten (10) days’ written notice and Sublicensor may offer this location to another franchisee if: a) Sublicensee does not commence construction of the Premises within seven (7) days after obtaining occupancy from Master Licensor by expeditiously ordering its equipment, submitting all necessary funds, and making application for required permits and licenses; or b) Sublicensee does not complete the build-out of the restaurant and then open the restaurant within forty-five (45) days after occupancy from Master Licensor. In such an event, Sublicensee understands that the security deposit referred to in Section 3.4 will not be refunded.

Sublicensee agrees that it will at its own cost and expense make such reasonable alterations to the interior or exterior of the Premises as may reasonably be requested by Sublicensor from time to time in order to modify the appearance of the Premises to reflect the then current image of the Subway® brand. Sublicensee shall not at any time make any alteration, change, addition or improvement (hereinafter collectively called “**Alterations**”) in or to the interior or exterior of the Premises without the prior written consent of Sublicensor. In the event consent is given:

- 5.3.1 the Alterations shall be performed in a good and workmanlike manner at Sublicensee’s sole expense, and shall not weaken or impair the structural strength or lessen the value of the Premises, or change the purpose for which the Premises may be used;

- 5.3.2 the Alterations shall be made according to plans and specifications therefor, which shall be first submitted to and approved in writing by Sublicensor, such consent not to be unreasonably withheld, delayed, or conditioned;
- 5.3.3 before the commencement of work on any Alterations, such plans and specifications shall, if necessary, be approved by all governmental authorities having jurisdiction;
- 5.3.4 before the commencement of any Alterations, Sublicensee shall pay the amount of any increase in premiums on insurance policies for endorsements covering the risk during work on the Alterations and workmen's compensation insurance covering all persons employed in connection with that work;
- 5.3.5 if the estimated cost of the Alteration exceeds \$20,000, Sublicensee shall, at Sublicensor's option, furnish to Sublicensor a surety bond of a company acceptable to Sublicensor, in an amount equal to the estimated cost of such work, or other security satisfactory to Sublicensor, guaranteeing the completion of such work, free and clear of all liens and encumbrances; and
- 5.3.6 the Alterations shall comply with all federal, state and local building requirements and codes including any disabilities related statutes or codes (collectively, the "**Codes**") in the applicable jurisdiction where the Premises are located.

All buildings, additions, improvements, fixtures and appurtenances in or on the Premises at the Commencement Date and those which may be erected, affixed or installed in or on the Premises during the Term are deemed to be and shall immediately become part of the Premises and the sole property of Sublicensor. All personal property owned and installed by Sublicensee (except signs, trademarks and other insignia of Sublicensor) shall remain the property of Sublicensee.

- 5.4 **Liens.** Should Sublicensee cause any Alterations or Repairs to be made to the Premises, or cause any labor to be performed or material to be furnished, neither Sublicensor nor the Premises shall under any circumstances be liable for the payment of any expense incurred, and all such Alterations and Repairs shall be made and performed at Sublicensee's expense. If, because of any act or omission of Sublicensee, any mechanic's or other lien, charge, claim or order for the payment of money shall be filed against the Premises or against Sublicensor, Sublicensee shall, at its own cost and expense, cause it to be canceled and discharged of record or bonded within thirty (30) days after notice of filing thereof. In the event that Sublicensee fails to cause any such mechanics' or other lien, charge or order to be canceled and discharged or bonded, then, in addition, to any other right or remedy of Sublicensor, Sublicensor may, at its option, cancel or discharge it by paying the amount claimed to be due into court or directly to any claimant and the amount so paid by Sublicensor and all costs and expenses including attorneys' fees incurred for the cancellation or discharge of such lien shall be due from Sublicensee to Sublicensor as an additional charge payable on demand.
- 5.5 **Signs.** Sublicensee shall not place any signs or symbols on any portion of the Premises without the prior written approval of Sublicensor, such consent not to be unreasonably withheld, delayed, or conditioned.
- 5.6 **Inspection.** Fee owner, Sublicensor or their representatives shall have the right to enter the Premises at reasonable hours of any business day to ascertain if the Premises are in proper repair and condition, provided, that such persons will make every reasonable effort not to interfere with customers or Sublicensee's operation of the business.
- 5.7 **License and Laws.** Sublicensee shall, at its own cost and expense, obtain all necessary licenses and/or permits that may be required for the conduct of its business; and Sublicensee shall, at its own cost and expense, promptly observe and comply with all present and future laws, ordinances, requirements, orders, directions, rules and regulations (referred to generally as "**Regulations**") of governmental authorities having or claiming jurisdiction over the Premises or the conduct of Sublicensee's business. By way of example, and not limitation,

- compliance with governmental Regulations shall include, but not be limited to, alterations and/or additions to the Premises if required under the Americans with Disabilities Act of 1990.
- 5.8 **Damage or Destruction.** If, during the Term, the Premises or the personal property or fixtures on it are destroyed or damaged in whole or in part by fire or other cause, Sublicensee shall give Sublicensor immediate notice, and Sublicensee, at its own cost and expense, shall cause the prompt repair, replacement and rebuilding of same (“**Restoration**”), subject to Section 5.2 and Section 5.3 of this Sublicense. The restored building, personal property or fixtures shall reflect the then current image of the Subway® brand. Sublicensor shall in no event be called upon to repair, replace or rebuild any such buildings, fixtures or personal property, nor to pay any of the costs or expenses thereof beyond or in excess of any insurance proceeds, as provided in this Sublicense.
- 5.9 **Disclaimer.** The taking of possession of the Premises by Sublicensee shall be conclusive evidence that Sublicensee has accepted the Premises “AS IS,” including any latent or patent defects. Sublicensee acknowledges that Sublicensee is relying on its own independent inspection.
- 5.10 **Contracts.** Sublicensee shall not without Sublicensor’s written consent enter into any service contract or agreement relating to the furnishing of any services to the Premises or the occupants of it unless such contract or agreement shall by its terms be terminable on no more than thirty (30) days’ notice or shall expressly provide that it shall not become binding on Sublicensor in the event that this Sublicense is terminated or expires. Sublicensee shall furnish Sublicensor with copies of all service contracts or agreements affecting the Premises that are now in existence or that are subsequently entered into.

6 TAXES AND OTHER CHARGES

6.1 Payment.

- 6.1.1 In the event Sublicensor elects, at its sole option, to pay the taxes, assessments, charges for public utilities, excises, levies, licenses, permit fees or other governmental impositions and charges of any kind and nature whatsoever (“**Charges**”) that are payable in connection with the ownership, occupancy or possession of the Premises, Sublicensee shall reimburse Sublicensor within thirty (30) days after Sublicensee receives an invoice for the payment of such Charges.
- 6.1.2 In the event Sublicensor elects not to pay the Charges as set forth in the preceding paragraph, Sublicensee shall pay on or before the last day on which payment may be made without penalty or interest, all Charges that may be assessed, imposed, or become due and payable in connection with the ownership, occupancy or possession of the Premises or the fixtures or personal property on it, or any Charges that may be imposed in lieu of, or as a substitution for, any such Charges. At any time after the time for payment of each Charge, upon Sublicensor’s request, Sublicensee shall exhibit to Sublicensor satisfactory evidence of payment. All Charges assessed or imposed for the fiscal periods in which the Term of this Sublicense commences and terminates shall be apportioned.

7 INDEMNIFICATION

- 7.1 Sublicensee shall indemnify, defend with counsel reasonably acceptable to Sublicensor and save Sublicensor and its affiliates, and the shareholders, officers, directors, employees, and agents of Sublicensor and its affiliates, harmless from and against all costs, expenses, liabilities, losses, damages, injunctions, suits, actions, fines, penalties, claims and demands of every kind or nature, including reasonable attorneys’ fees, (collectively, “**Claims**”) by or on behalf of any person, party or governmental authority whatsoever arising out of (a) any failure or alleged

failure by Sublicensee to perform any of its obligations under this Sublicense, (b) any accident, injury or damage that occurs in or about the Premises, (c) any matter arising out of the condition, occupation, maintenance, alteration, repair, use or operation of the Premises or any part of it, (d) the contest or challenge by Sublicensee of any imposed tax, assessment, or other Charges, or (e) any other matter arising from or relating to Sublicensee's occupation of the Premises; provided that Sublicensee shall not indemnify Sublicensor if or to the extent such Claims are caused by Sublicensor's gross negligence, or intentional or willful misconduct.

8 ENFORCEMENT

8.1 **Default.** Each of the following events is a default and a breach of this Sublicense by Sublicensee:

- 8.1.1 If Sublicensee files any proceeding under the United States Bankruptcy Code, any other federal or state bankruptcy, reorganization, receivership, insolvency or other similar law affecting the rights of creditors generally, or for dissolution under the laws of the United States or of any state, or voluntarily takes advantage of any such law or act or is dissolved or makes an assignment for the benefit of creditors;
- 8.1.2 If involuntary Proceedings under the United States Bankruptcy Code, any other federal or state bankruptcy, reorganization, receivership, insolvency or other similar law or for the dissolution of a corporation are instituted against Sublicensee or if a receiver or trustee is appointed of all or substantially all of the property of Sublicensee and such Proceedings are not dismissed or such receivership or trusteeship vacated within ninety (90) days after such institution or appointment;
- 8.1.3 If Sublicensee vacates, abandons or ceases doing business on the Premises or indicates its intention to do so;
- 8.1.4 If this Sublicense or the estate of Sublicensee hereunder is transferred to any other person or party, except in a manner permitted by the terms of this Sublicense;
- 8.1.5 If Sublicensee fails to pay Sublicensor any installment of the License Fees or Additional Charges when it becomes due and payable and fails to make such payment within ten (10) days after written notice thereof by Sublicensor to Sublicensee;
- 8.1.6 If Sublicensee fails to perform any of its nonmonetary obligations under this Sublicense and such non-performance continues for a period within which performance is required to be made by specific provision of this Sublicense or, if no such period is provided, for a period of thirty (30) days after written notice thereof by Sublicensor to Sublicensee; or, if such performance cannot be reasonably had within such thirty day period, Sublicensee has not in good faith commenced such performance within such thirty day period or has not diligently proceeded therewith to completion;
- 8.1.7 If Sublicensee or any manager or officer of Sublicensee knowingly or intentionally falsifies any report required to be furnished to Sublicensor pursuant to the terms of this Sublicense and fails to notify Sublicensor of such falsification within sixty (60) days of submission of such report;
- 8.1.8 If Sublicensee fails to comply with any provision of the Franchise Agreement relating to the Premises, or any franchise agreement with a third-party franchisor relating to the Premises.

In the event of a default under this Section 8.1, Sublicensor shall have such remedies as are provided under this Sublicense and under applicable law.

8.2 **Cure by Sublicensor.** After expiration of the applicable period of notice, or without notice in the event of any emergency, Sublicensor at its option may, but shall not be obligated to, make any payment required of Sublicensee or perform any obligation of Sublicensee, and the amount Sublicensor pays, or the cost of its performance, together with interest thereon, shall be deemed

to be an additional charge payable by Sublicensee on demand. Sublicensor shall have the right to enter the Premises for the purpose of correcting or remedying any default, but neither any expenditure nor any such performance by Sublicensor shall be deemed to waive or release Sublicensee's default or the right of Sublicensor to take such action as may be otherwise permissible in the case of default. Sublicensor shall have no liability to Sublicensee for any loss or damages resulting from any such action by Sublicensor, and entry by Sublicensor shall not constitute breach of the covenant for quiet enjoyment or an eviction.

- 8.3 **Sublicensor's Remedies.** If Sublicensee is in default under this Sublicense, Sublicensor may, at its option, in addition to such other remedies as may be available under applicable law:
- 8.3.1 terminate this Sublicense and Sublicensee's right of possession, and retake possession for Sublicensor's account. In such event, Sublicensor may repair and alter the Premises in any manner as Sublicensor deems reasonably necessary or advisable. All reasonable and necessary expenses of every nature that Sublicensor may incur such as (by way of illustration and not limitation) those for attorneys' fees, brokerage, advertising, and refurbishing the Premises, shall become immediately due and payable by Sublicensee to Sublicensor; or
 - 8.3.2 terminate Sublicensee's right of possession, but not this Sublicense, retake possession of the Premises for Sublicensee's account, repair, and alter the Premises in any manner as Sublicensor deems reasonably necessary or advisable, and relet the Premises or any part of it, as the agent of Sublicensee, for the whole or any part of the remainder of the Term or for a longer period, and Sublicensor may grant concessions or free license fees or charge a higher license fee than that reserved in this Sublicense. Out of any license fees collected or received from Sublicensees or as a result of such letting or reletting, Sublicensor shall first pay to itself all expenses of every nature that Sublicensor may reasonably incur such as (by way of illustration and not limitation) those for attorneys' fees, brokerage, advertising, and refurbishing the Premises in good order or preparing them for reletting; and second, Sublicensor shall pay to itself any balance remaining on account of the liability of Sublicensee for the sum equal to all License Fees, Additional License Fees and other Additional Charges due from Sublicensee through the Expiration Date. Should Sublicensor, pursuant to this Section 8.3, not collect License Fees that, after deductions is sufficient to fully pay to Sublicensor a sum equal to all License Fees, Additional License Fees and other Additional Charges payable through the Expiration Date, the balance or deficiency shall, at the election of Sublicensor, be paid by Sublicensee on the first of each month; or
 - 8.3.3 stand by and do nothing, and hold Sublicensee liable for all License Fees, Additional License Fees and other Additional Charges payable under this Sublicense through the Expiration Date.

If Sublicensor does not notify Sublicensee which remedy it is pursuing, or if Sublicensor's notice to Sublicensee does not expressly state that Sublicensor is exercising its remedies under Section 8.3.1 or Section 8.3.3, then it shall be deemed that Sublicensor is pursuing the remedy set forth in Section 8.3.2. If Sublicensor exercises the option in Section 8.3.1 or 8.3.2, Sublicensee agrees to immediately and peacefully surrender the Premises to Sublicensor, and if Sublicensee refuses to do so, Sublicensor may without further notice reenter the Premises either by force or otherwise and dispossess Sublicensee by summary proceedings or otherwise, as well as the legal representative(s) of Sublicensee and/or other occupant(s) of the Premises, and remove their effects.

- 8.4 **Acceleration.** If Sublicensor exercises the remedies in Section 8.3.3 of this Sublicense, Sublicensee shall immediately pay to Sublicensor as damages for loss of the bargain caused by Sublicensee's default, and not as a penalty, in addition to any other damages, an aggregate sum that represents the present value of the full amount of the License Fees, Additional License

Fees and all other Additional Charges payable by Sublicensee hereunder that would have accrued for the balance of the Term.

- 8.5 **Suits.** Suit or suits for the recovery of the deficiency or damage or for any installment or installments of License Fees, Additional License Fees or any other charge due under this Sublicense may be brought by Sublicensor at any time or, at Sublicensor's election, from time to time, and nothing in this Sublicense shall be deemed to require Sublicensor to wait until the Expiration Date to bring suit.
- 8.6 **Waiver.** Sublicensee hereby expressly waives service of any notice of intention to reenter. Sublicensee hereby waives any and all rights to recover or to regain possession of the Premises or to reinstate or to redeem this Sublicense as permitted or provided by any statute, law or decision now or hereafter in force and effect. No receipt of monies by Sublicensor from Sublicensee after the cancellation or termination of the Sublicense shall reinstate, continue or extend the Sublicense, or affect any prior notice given to Sublicensee or operate as a waiver of the right of Sublicensor to enforce the payment of License Fees and Additional License Fees then due or subsequently falling due, or operate as a waiver of the right of Sublicensor to recover possession of the Premises by suit, action, proceeding or other remedy, and any and all moneys so collected shall be deemed to be payments on account of the use and occupancy of the Premises, or at the election of Sublicensor, on account of Sublicensee's liability under this Sublicense.
- 8.7 **Proof of Claim.** Nothing in this Article shall limit or prejudice the right of Sublicensor to prove and obtain as liquidated damages in any bankruptcy, insolvency, receivership, reorganization or dissolution proceeding an amount equal to the maximum allowed by any statute or rule of law governing such proceeding, whether or not such amount is greater, equal to or less than the amount of the damages referred to in any of the preceding sections.
- 8.8 **Injunction.** In the event of a breach or a threatened breach by Sublicensee of any of its Sublicense obligations, Sublicensor shall have the right to enjoin and restrain the breach and to invoke any remedy allowed by law or in equity, in addition to other remedies provided in this Sublicense.
- 8.9 **Independent Rights.** The rights and remedies of Sublicensor are distinct, separate and cumulative, and no one of them, whether or not exercised by Sublicensor, shall be deemed to be to the exclusion of any of the others.
- 8.10 **Non-Waiver.** The failure of Sublicensor to insist upon strict performance of any of Sublicensee's obligations under this Sublicense shall not be deemed a waiver of any rights or remedies that Sublicensor may have and shall not be deemed a waiver of any subsequent breach or default by Sublicensee. The exercise of any of Sublicensor's options under the Sublicense shall not be deemed to be the exclusive remedy of Sublicensor.
- 8.11 **Waiver of Exemption from Distress.** Sublicensee agrees that notwithstanding anything contained in any statute, enactment or other law of the state in which the Premises are located or of any other jurisdiction, none of the personal property located on the Premises shall be exempt from levy for distress for License Fees in arrears, and that if Sublicensee makes any claim for such an exemption, this Sublicense may be pleaded as an estoppel against Sublicensee in any appropriate action.
- 8.12 **Franchise Agreement.** Notwithstanding anything in this Sublicense to the contrary, this Sublicense is conditioned upon the faithful performance by Sublicensee of the Franchise Agreement, and a default in the terms of the Franchise Agreement shall be a default of this Sublicense.

9 NO LICENSE FEE ABATEMENT

Unless specifically provided in this Sublicense, no abatement, diminution, or reduction of License Fees, Additional License Fees, Additional Charges or other compensation shall be claimed by or allowed to

Sublicensee, or any persons claiming under Sublicensee, under any circumstances, whether for inconvenience, discomfort, interruption of business, or otherwise.

10 CONDEMNATION

In the event that the Premises or any part of it is taken in condemnation proceedings or by exercise of any right of eminent domain, Sublicensee shall have no right to participate in any condemnation proceedings and shall not have the right to any award, and Sublicensor may terminate this Sublicense upon written notice to Sublicensee.

11 SUBORDINATION

This Sublicense shall be fully subordinate to any mortgage and/or collateral assignment of lease against the Premises that Master Licensor, the fee owner, Sublicensor and/or their assigns has or subsequently obtains upon the Premises. This Sublicense shall be fully subordinate and subject to the Master License and any senior lease now, or hereafter affecting the Premises.

Sublicensee hereby grants a power of attorney to Sublicensor with full power to act as its attorney in fact and to execute on behalf of Sublicensee any and all documents that may be required by a mortgagee and/or assignee evidencing Sublicensee's full subordination of Sublicensee's interest to any mortgage and/or collateral assignment of Sublicense that may be entered into by Sublicensor, Master Licensor, the fee owner or their assigns. Sublicensee hereby agrees to execute, without charging Sublicensor, any and all documents that it is requested to execute to evidence this subordination. However, Sublicensee shall not be required to execute any promissory notes or other evidences of indebtedness that would create any personal liability on behalf of Sublicensee.

12 ASSIGNMENT

- 12.1 **By Sublicensor.** This Sublicense shall be fully assignable by Sublicensor or its assigns.
- 12.2 **By Sublicensee.** Neither Sublicensee, nor Sublicensee's successors or assigns, shall (unless expressly permitted in this Sublicense) assign, mortgage, give as security, pledge or encumber this Sublicense, in whole or in part, by operation of law or otherwise, or sub-sublicense the Premises, in whole or in part, or permit the Premises or any portion of it to be used or occupied by others, or enter into a management contract or other arrangement whereby the Premises shall be managed and operated by anyone other than the owner of Sublicensee's leasehold estate, without the prior consent in writing of Sublicensor in each instance. If this Sublicense is assigned or transferred, or if all or any part of the Premises is sub-sublicensed or occupied by anybody other than Sublicensee, Sublicensor may collect License Fees from the assignee, transferee, sub-Sublicensee or occupant, and apply the net amount collected to the License Fees reserved in this Sublicense, but no such assignment, sub-sublicensing, occupancy or collection shall be deemed a waiver of any covenant or condition of this Sublicense, or the acceptance of the assignee, transferee, sub-Sublicensee or occupant as Sublicensee, or a release of Sublicensee from the performance or further performance by Sublicensee of its obligations under this Sublicense, and Sublicensee shall continue to be liable for all its obligations under this Sublicense. The consent by Sublicensor to an assignment, mortgage, pledge, encumbrance, transfer, management contract or sub-sublicensing shall not in any way be construed to relieve Sublicensee from obtaining the express consent in writing of Sublicensor in each instance to any subsequent similar action that Sublicensee may intend to take.

13 ESTOPPEL CERTIFICATE

Sublicensee shall from time to time, within five (5) days after being requested to do so by Sublicensor, execute, acknowledge and deliver to Sublicensor (or, at Sublicensor's request, to Master Licensor, any existing or prospective purchaser, transferee, assignee or mortgagee of any or all of the Premises, any interest therein or any of Sublicensor's rights under this Sublicense) an instrument in recordable form: (i) certifying (a) that the Sublicense is unmodified and in full force and effect (or, if there has been any modification thereof, that it is in full force and effect as so modified, stating therein the nature of such modification); (b) as to the dates to which the License Fees and Additional Charges arising hereunder have been paid; (c) as to the amount of any prepaid license fees or any credit due to Sublicensee hereunder, (d) that Sublicensee has accepted possession of the Premises, and the date on which the Term commenced; (e) as to whether, to the best knowledge, information and belief of the signer of such certificate, Sublicensor or Sublicensee is then in default in performing any of its obligations under the Sublicense (and, if so, specifying the nature of each such default); and (f) as to any other fact or condition reasonably requested by Sublicensor or such other addressee; and (ii) acknowledging and agreeing that any statement contained in such certificate may be relied upon by Sublicensor and any such other addressee.

14 HAZARDOUS SUBSTANCES

- 14.1 **Compliance with Laws.** Sublicensee shall at all times, at its own cost and expense, comply with all federal, state and local laws, ordinances, regulations and standards ("**Hazardous Substance Laws**") relating to the use, analysis, production, storage, sale, disposal or transportation of any hazardous materials, including oil or petroleum products or their derivatives, solvents, PCB's, explosive substances, asbestos, radioactive materials or waste, and any other toxic, ignitable, reactive, corrosive, contaminating or pollution materials ("**Hazardous Substances**") that are now or in the future subject to any governmental regulation. Such compliance shall include any cleanup, removal, remedial action, testing or monitoring (including medical monitoring) which may be required under Hazardous Substance Laws, court order or by any governmental or regulatory agency.
- 14.2 **Indemnification by Sublicensee.** Sublicensee shall indemnify, defend with counsel reasonably acceptable to Sublicensor, and hold Sublicensor free and harmless from any and all liabilities, damages, claims, penalties, fines, settlements, causes of action, costs or expense, including reasonable attorneys' fees, environmental consultant and laboratory fees and the costs and expense of investigating and defending any claims or proceedings, resulting from or attributable to (i) the presence, disposal, migration, release or threatened release of any Hazardous Substance that is on, from or affecting the Premises including the soil, water, vegetation, buildings, personal property, persons, or otherwise; (ii) any bodily injury (including wrongful death) or property damage (real or personal) arising out of or relating to such Hazardous Substance(s); (iii) any lawsuits or administrative order relating to such Hazardous Substance(s); or any violation of any laws applicable to any Hazardous Substance for which Sublicensee is responsible under this Sublicense. Sublicensee's indemnification obligations under this Section shall survive the expiration or earlier termination of this Sublicense.

- 15.2 **Construction.** In the event that any of the provisions of this Sublicense shall by court order be held invalid or in contravention of any of the laws of the United States or of any state having jurisdiction over the subject matter or of any dispute arising under it, such invalidation shall not serve to affect the remaining portion of this Sublicense. To the extent permitted by the laws of the state where the Premises are located, this Sublicense shall be governed by and construed in accordance with the laws of the State of Delaware, and otherwise shall be governed by and construed in accordance with the laws of the State where the Premises are located.
- 15.3 **Successors.** This Sublicense shall bind Sublicensor and Sublicensee and their successors, heirs, assigns, administrators, and legal representatives, as the case may be.

The parties hereby waive any defenses to the enforcement of this terms of this Sublicense based on the form of the signature or delivery thereof and hereby agree that such electronically mailed or signed signatures shall be conclusive proof, admissible in arbitration and judicial proceedings, of the parties' execution of this Sublicense.
- 15.5 **No Agency.** The parties hereto agree that the business relationship created by this Sublicense is solely that of Sublicensor and Sublicensee. Nothing contained in this Sublicense shall make Sublicensee an agent, legal representative, partner, subsidiary, joint venturer or employee of Sublicensor. Sublicensee shall have no right or power to, and shall not, bind or obligate Sublicensor in any way, manner or thing whatsoever, nor represent that it has any right to do so.
- 15.6 **Time of the Essence.** Time shall be of the essence in every part of this Sublicense.
- 15.7 **Binding Effect.** This Sublicense shall become immediately binding on the parties to this Sublicense on the date the last party signs it, notwithstanding that the Term of this Sublicense may commence upon a future date.
- 15.8 **Headings.** The table of contents preceding this Sublicense and the headings of the paragraphs and subparagraphs are inserted solely for the convenience of reference and shall not constitute a part of this Sublicense, nor limit, define or describe the scope or intent of this Sublicense.
- 15.9 **Joint and Several Liability.** If Sublicensee consists of more than one person, each individual's liability under this Sublicense shall be joint and several.
- 15.10 **Entire Agreement.** This Sublicense constitutes the entire agreement between the parties hereto with respect to the subject matter of this Sublicense, and this Sublicense shall not be modified, amended, altered or changed except by prior written agreement signed by both parties. RECITALS

R.1. Each Guarantor is an owner of _____, (the **“Sublicensee”**).

R.2. Sublicensee and Sublicensor entered into a Sublicense dated _____, as amended, extended or renewed (the **“Sublicense”**) for the purpose of operating a Subway® restaurant (the **“Restaurant”**) at the Premises.

R.3. Capitalized terms not otherwise defined herein shall have the same meaning as in the Sublicense.

AGREEMENT

As an inducement to and in consideration of Sublicensor entering into the Sublicense with Sublicensee, and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Guarantor agrees to the following:

1. Each Guarantor unconditionally guarantees to Sublicensor the (i) prompt payment of any money now due, or that at any time, may become due or owing to Sublicensor by Sublicensee under the Sublicense; and the (ii) full performance and discharge by Sublicensee of all of Sublicensee’s obligations under the Sublicense now due, or that at any time, may become due or owing (collectively, the **“Obligations”**). This is a guarantee of payment and not of collection.
2. Each Guarantor promises to promptly and fully render any payment or performance required under the Sublicense upon demand if Sublicensee fails or refuses to timely render such payment or performance.
3. Each Guarantor waives: (i) notice of demand for payment of all or any part of the Obligations, (ii) protest, notice of protest and notice of default, (iii) any right to require that any action be brought against Sublicensee or any other person or entity as a condition of liability, and (iv) any and all other notices, and legal or equitable defenses to which such Guarantor may be entitled. Sublicensor may extend, modify, or release any Obligation or settle, adjust, or compromise any claims against Sublicensee, without notice to Guarantors and without any effect on any Guarantor’s obligations hereunder.
4. Each Guarantor’s liability will not be contingent or conditioned upon Sublicensor’s pursuit of any remedies against Sublicensee or any other person or entity. Further, such liability will not be diminished, relieved or otherwise affected by an extension of time, credit or other indulgence

which Sublicensor may grant Sublicensee, including, without limitation, the acceptance of any partial payment or performance, or the compromise or release of any claims.

5. No term, condition or provision of this Guaranty shall be deemed to be waived by Sublicensor, without the express written consent of Sublicensor. Any such waiver will extend only to the particular circumstances specified in writing by the Sublicensor. Neither forbearance, nor indulgence by Sublicensor will constitute a waiver of any provision of this Guaranty.
6. Each Guarantor acknowledges that the Sublicense may be extended, amended or renewed by mutual agreement between Sublicensee and Sublicensor, and each Guarantor expressly consents to any such modification of the Sublicense.
7. This is a continuing guarantee. Nothing but payment and satisfaction in full of the Obligations will release Guarantors from their respective obligations pursuant to this Guaranty. Notice of acceptance of this Guaranty is waived.
8. This Guaranty shall not be impaired by any modification, supplement, renewal, extension or amendment of the Sublicense or any of the Obligations, nor by any modification, release or other alteration of any of the Obligations hereby guaranteed.
9. The liability of each Guarantor hereunder is primary, direct and unconditional and may be enforced without requiring Sublicensor first to resort to any other right, remedy or security.
10. No Guarantor hereunder shall have any right of subrogation, reimbursement or indemnity whatsoever, unless and until the Obligations are paid or performed in full.
11. If any Guarantor hereunder should at any time die, become incapacitated, become insolvent or make a composition, trust mortgage or general assignment for the benefit of creditors, or if a proceeding under the United States Bankruptcy Code or any similar law affecting the rights of creditors generally shall be filed or commenced by, against or in respect of any guarantor hereunder, any and all obligation of that guarantor shall, at Sublicensor's option, immediately become due and payable without notice.
12. If any payment or transfer to Sublicensor which has been credited against any Obligation, is voided or rescinded or required to be returned by Sublicensor, whether or not in connection with any event or proceeding described in Section 11, the Guaranty shall continue in effect or be reinstated as though such payment, transfer or recovery had not been made.
13. Except as otherwise provided herein, the Guaranty shall be construed as an absolute, unconditional, continuing and unlimited obligation of the each Guarantor hereunder without regard to the regularity, validity or enforceability of any of the Obligations, and without regard to whether any Obligation is limited, modified, voided, released or discharged in any proceeding under the United States Bankruptcy Code or any similar law affecting the rights of creditors generally.
14. Any termination of the Guaranty shall be applicable only to Obligations accruing after termination or having their inception after the effective date of such termination and shall not affect Obligations having their inception prior to such date.
15. The death or incapacity of any Guarantor hereunder shall not result in the termination of the Guaranty.

16. Any and all present and future debts and obligations of Sublicensee to any Guarantor hereunder are hereby waived and postponed in favor of and subordinated to the full payment and performance of the Obligations.
17. Each Guarantor hereunder waives to the greatest extent permitted by law: notice of acceptance hereof; presentment and protest of any instrument, and notice thereof; notice of default or intent to accelerate; notice of foreclosure; notice of any modification, release or other alteration of any of the Obligations or of any security therefor and all other notices to which any guarantor hereunder might otherwise be entitled.
18. Each Guarantor hereunder waives to the greatest extent permitted by law: any defense arising by virtue of the lack of authority, death or disability of such Guarantor; or any defense based upon an election of remedies by Sublicensor which destroys or otherwise impairs the subrogation rights of such Guarantor or the right of such Guarantor to proceed against the Sublicensee for reimbursement, or both.
19. Upon the bankruptcy, winding-up or distribution of any of the assets of Sublicensee or any Guarantor, Sublicensor's rights will not be affected or impaired by its omission to prove its claim or prove its full claim. Sublicensor may prove such claims as it sees fit and may refrain from proving any claim.
20. This Guaranty will be jointly and severally binding upon each Guarantor, and their respective heirs, executors, administrators, successors and assigns, and will inure to the benefit of Sublicensor, its successors and assigns. No Guarantor may assign this Guaranty without the express written consent of Sublicensor.

In consideration of the covenants contained in this Subconcession Agreement, the parties agree as follows:

1 PROPERTY

- 1.1 **Demise.** Subconcessionor hereby grants to Subconcessionaire and Subconcessionaire accepts from Subconcessionor certain rights and obligations with respect to the premises described in the Master Concession Agreement (defined below) attached hereto (the “**Premises**”), subject to any and all reservations, restrictions, easements, rights of way, limitations and conditions of record, if any. The purpose of this Subconcession Agreement is so that Subconcessionaire can operate a Subway® restaurant under the terms of a Franchise Agreement with Doctor's Associates LLC (“**DAL**”) dated as shown in the Key Contract Data at the beginning of this Subconcession Agreement, and under the franchise number shown on the cover page hereof (“**Franchise Agreement**”).
- 1.2 **Master Concession Agreement.** Subconcessionaire acknowledges that the Premises are subject to a concession agreement between Subconcessionor as concessionaire and the concessionor identified therein (the “**Master Concessionor**”), a copy of which is attached hereto as Exhibit A (the “**Master Concession Agreement**”). Subconcessionaire acknowledges that Exhibit A contains a true and correct copy of the Master Concession Agreement. Any conflict between this Section 1.2 and the other provisions of this Subconcession Agreement shall be resolved in favor of this Section 1.2.
 - 1.2.1 This Subconcession Agreement is subject and subordinate to the Master Concession Agreement. If the Master Concession Agreement is terminated for any cause whatsoever, Subconcessionaire shall promptly vacate and surrender the Premises to Subconcessionor and this Subconcession Agreement shall terminate as of the date of termination of the Master Concession Agreement and Subconcessionor shall have no liability and/or obligation to Subconcessionaire for the termination of the Subconcession Agreement.
 - 1.2.2 Except as otherwise provided herein, all costs, common area maintenance fees, expenses, charges, assessments, and concession fee escalations accruing under the Master Concession Agreement, any restrictions imposed upon Subconcessionor thereunder, together with all repairs, replacements, restorations, and any other obligations required to be performed by Subconcessionor, as concessionaire under the Master Concession Agreement, shall be binding upon Subconcessionaire herein. In the event the obligations and restrictions imposed on Subconcessionaire under the Subconcession Agreement conflict with the obligations and restrictions imposed upon Subconcessionor as concessionaire under the Master Concession Agreement, then the more burdensome and restrictive of such obligations and restrictions shall prevail and be binding upon Subconcessionaire herein.
 - 1.2.3 With respect to any consent or approval required to be obtained of Master Concessionor under the Master Concession Agreement (by way of illustration and without limitation, consent to alterations), Subconcessionor’s sole obligation with respect thereto, upon being requested in writing by Subconcessionaire, shall be to seek

the approval or consent of Master Concessionor. Subconcessionaire acknowledges and agrees that Subconcessionor shall not be liable to Subconcessionaire with respect to any delay, default or failure of Master Concessionor to grant such consent or approval or in the performance by the Master Concessionor of its obligations and covenants under the Master Concession Agreement unless such be due to acts or misconduct of Subconcessionor and neither shall the Concession Fees, Additional Concession Fees or other Additional Charges under the Subconcession Agreement abate nor shall any of the obligations of Subconcessionaire under the Subconcession Agreement be affected by reason thereof. Subconcessionaire further acknowledges and agrees that, with respect to any rights afforded Subconcessionor under the Master Concession Agreement, including, but not limited to, any options to extend or renew the term of the Master Concession Agreement, options to purchase the Premises, rights of first refusal to purchase the Premises and restrictions against competition, such rights are not passed on to or conferred upon Subconcessionaire under this Subconcession Agreement. Subconcessionaire acknowledges that only Subconcessionor has the benefit of and the right to exercise or enforce such rights and the failure of Subconcessionor to exercise or enforce such rights shall not be a default under the Subconcession Agreement nor entitle Subconcessionaire to make any claim against Subconcessionor.

- 1.2.4 In the event the Master Concession Agreement contains extension or renewal options, Subconcessionaire agrees to provide written notice to Subconcessionor of its desire to exercise its option at least one hundred eighty days (180) prior to the date on which Subconcessionor must notify the Master Concessionor of its intention to exercise its option to extend or renew the Master Concession Agreement. Subconcessionaire agrees that Subconcessionor may elect not to extend or renew the Master Concession Agreement if Subconcessionaire fails to give Subconcessionor notice as provided in this Subsection. Furthermore, Subconcessionor may elect not to extend or renew the Master Concession Agreement if Subconcessionaire shall be in default in the performance of any of the terms of the Master Concession Agreement, this Subconcession Agreement or the Franchise Agreement during the period one hundred eighty (180) days prior to the date Subconcessionor must give notice to Master Concessionor.
- 1.2.5 If Master Concessionor fails to perform its duties under the Master Concession Agreement, Subconcessionaire must give written notice thereof to Subconcessionor describing Master Concessionor's default in detail. Upon receipt of the notice, Subconcessionor shall then promptly notify Master Concessionor and demand performance as required in the Master Concession Agreement. In the event Subconcessionaire wishes to engage the services of an attorney to settle any disputes arising out of the Master Concession Agreement, all fees and costs shall be borne by Subconcessionaire, it being understood that Subconcessionor is under no obligation to bring or defend any action brought by or against Subconcessionaire, Subconcessionor or Master Concessionor.
- 1.2.6 Subconcessionaire shall not make any agreement with Master Concessionor which could modify, cancel or terminate the Master Concession Agreement.

2 TERM

- 2.1 **Term.** The term of this Subconcession Agreement (the “**Term**”) shall commence on the date shown in the Key Contract Data at the beginning of this Subconcession Agreement (the “**Commencement Date**”). The Term of this Subconcession Agreement shall expire at midnight one full day before the expiration of the Master Concession Agreement (the “**Expiration Date**”) unless sooner terminated as provided in this Subconcession Agreement.

- 2.2 **Possession.** Possession of the Premises shall be delivered to Subconcessionaire on the Commencement Date or as provided in the Master Concession Agreement, whichever is later.
- 2.3 **Holdover.** Subconcessionaire may only hold over at the expiration of the Term with the written consent of Subconcessionor. During such holdover period, Subconcessionaire shall pay to Subconcessionor two hundred percent (200%) of the Concession Fees amount that existed immediately prior to the Expiration Date. Subconcessionaire agrees to comply with all holdover provisions contained in the Master Concession Agreement.
- 2.4 **End of Term.**
- 2.4.1 Fixtures and Personal property. At the expiration or earlier termination of this Subconcession Agreement, any fixtures located on the Premises and not already owned by Subconcessionor shall become the property of Subconcessionor. If, at that time, Subconcessionaire has fully complied with Subconcession Agreement terms and conditions and is not in default under the Franchise Agreement, Subconcessionor hereby waives any right to claim any personal property owned or leased by Subconcessionaire and located on the Premises. Subject to the terms of the Franchise Agreement, the personal property may then be removed by Subconcessionaire or Subconcessionor provided that the Premises are restored to their original condition, reasonable wear and tear excepted. Any such personal property not removed within thirty (30) days after the Subconcession Agreement expiration or termination shall be deemed abandoned and become the property of Subconcessionor.
- 2.4.2 Joint Inspection. During a period no earlier than three (3) weeks and no later than one (1) week prior to the end of the Term, Subconcessionor and Subconcessionaire shall conduct a joint inspection of the Premises, and Subconcessionor shall make a list of any items of repair and maintenance that may be needed to put the Premises in good condition and repair, reasonable wear and tear excepted. If the items on such list cannot be completed by Subconcessionaire by the end of the Term, then Subconcessionaire shall pay to Subconcessionor by the end of the Term the reasonable cost of such repairs as evidenced by third-party bids. Subconcessionaire's obligation to make such payment shall survive the termination of this Subconcession Agreement.

3 **CONSIDERATION**

- 3.1 **Concession Fees.** Subconcessionaire agrees to pay to Subconcessionor or its designee the base concession fees indicated on Exhibit B (the "**Base Concession Fees**"), to be due and payable in monthly installments in advance on the first day of each month during the Term of this Subconcession Agreement. If no Base Concession Fees are included on Exhibit B, or if Subconcessionor directs Subconcessionaire to do so, then Subconcessionaire shall make all concession fee payments directly to Master Concessionor in the manner set forth in the Master Concession Agreement until and unless Subconcessionor directs Subconcessionaire to do otherwise. The first monthly installment of the Base Concession Fees shall be due on the Commencement Date, or at the time provided in the Master Concession Agreement if Subconcessionaire is to make concession fee payments directly to Subconcessionor as provided above. If this Subconcession Agreement shall commence on any day other than the first day of a calendar month, the monthly installment for the first and last month of the Term shall be prorated.
- 3.2 **Additional Charges.** Subconcessionaire and Subconcessionor agree that the concession fees accruing under this Subconcession Agreement shall be net to Subconcessionor and that all taxes, costs, common area maintenance fees, expenses and charges of every kind and nature (the "**Additional Charges**") relating to the Premises or payable under the Master Concession Agreement that may arise or become due during the Term or any extension of this Subconcession Agreement, shall be paid by Subconcessionaire to Subconcessionor or its

designee (which may be Master Concessionor), and that Subconcessionaire shall indemnify and save harmless Subconcessionor from and against them. All Additional Charges that Subconcessionaire assumes or agrees to pay under any provisions of this Subconcession Agreement, together with all interest and penalties that may accrue on these Additional Charges in the event Subconcessionaire fails to pay them, as well as all other damages, costs and expenses, including, without limitation, reasonable attorneys' fees and other legal and court costs that Subconcessionor may incur in enforcing this Subconcession Agreement, and any and all other sums that may become due by reason of Subconcessionaire's default or failure to comply with its obligations under this Subconcession Agreement, shall be deemed to be "**Additional Concession Fees**". The Base Concession Fees and Additional Concession Fees shall collectively be referred to herein as the "**Concession Fees**". In the event of non-payment of Concession Fees in any form, Subconcessionor shall have all rights and remedies provided herein and under law.

- 3.3 **Method of Payment.** Subconcessionaire must make all payments to Subconcessionor or its designee (which may be Master Concessionor) by the method or methods that Subconcessionor requires from time to time. Subconcessionaire shall make any payment required under this Subconcession Agreement directly to Subconcessionor, its designee (which may be Master Concessionor), its affiliate(s), or to a bank or such other financial institution account that Subconcessionor specifies, at the times and with the frequency that Subconcessionor designates (or as provided in the Master Concession Agreement if Subconcessionor makes no such designation), by electronic funds transfer, on-line banking, pre-authorized auto-draft arrangement, or such other means as Subconcessionor may specify from time to time. For each account in which Subconcessionaire conducts business at any time during the Term, Subconcessionaire agrees to execute an ACH Automatic Withdrawal Authorization and to keep it effective throughout the Term; and Subconcessionaire authorizes Subconcessionor to withdraw monies from each such account in the amounts and at the times provided in this Subconcession Agreement and any other agreement between Subconcessionaire and Subconcessionor or its affiliate(s). Subconcessionaire hereby indemnifies Subconcessionor and holds Subconcessionor harmless under each ACH Automatic Withdrawal Authorization. Subconcessionaire consents to Subconcessionor's directly transacting business with each bank and financial institution with which Subconcessionaire has an account to effectuate fully the terms of each ACH Automatic Withdrawal Authorization. Subconcessionaire shall furnish Subconcessionor, its bank, or other financial institution, and any other recipient of payment with such information and authorizations as may be necessary to permit such persons to make withdrawals by electronic funds transfer, on-line banking, or auto-draft arrangement. Subconcessionaire shall bear all expenses, if any, and pay Subconcessionor its third-party costs associated with such authorizations and payments.
- 3.4 **Security Deposit.** Subconcessionor acknowledges receipt from Subconcessionaire of the Security Deposit amount shown in the Key Contract Data at the beginning of this Subconcession Agreement, which has or shall be paid to Master Concessionor as the security deposit referred to in the Master Concession Agreement. In accordance with the terms of the Master Concession Agreement, Subconcessionaire shall be entitled to the rights of Subconcessionor to the security deposit, except that any portion thereof that is returned to Subconcessionor by Master Concessionor may first be applied to any amounts that Subconcessionaire owes to Subconcessionor or its affiliate under this Subconcession Agreement or any other agreement.
- 3.5 **Other Pre-Opening Costs.** Subconcessionor acknowledges receipt from Subconcessionaire of the Other Pre-Opening Costs Deposit amount shown in the Key Contract Data at the beginning of this Subconcession Agreement, which shall be held in a non-interest bearing escrow account and shall be returned to Subconcessionaire, without interest, upon the opening of this location for business.

- 3.6 **Late Charges.** All Concession Fees and any other charges shall be paid to Subconcessionor without notice or demand and without abatement, deduction or set-off, except as otherwise expressly provided in this Subconcession Agreement. All payments not paid when due shall bear interest at the lesser of eighteen percent (18%) or the maximum rate allowed by law in the state where the Premises are located.

4 INSURANCE

- 4.1 **Coverage.** During the Term, Subconcessionaire, at its own cost and expense, shall:
- 4.1.1 Keep the Premises and the fixtures and personal property on it insured with an all-risk property insurance policy in an amount sufficient to cover the cost of replacement (without deduction for depreciation). Replacement cost shall be determined by one of the insurers or, at the option of Subconcessionor, by an appraiser, architect or contractor who is mutually and reasonably acceptable to Subconcessionor and Subconcessionaire, and whom shall be retained and paid by Subconcessionaire.
 - 4.1.2 Provide and keep in force comprehensive or commercial general liability insurance against claims for bodily injury, death or property damage occurring on, in or about the Premises, in limits of not less than \$1,000,000 per occurrence for bodily injury, not less than \$500,000 per occurrence for property damage, or in such other amounts as Subconcessionor may reasonably request. The policy shall name Subconcessionor as an additional insured.
 - 4.1.3 Keep in force business interruption insurance that covers the then current Concession Fees and the annual premiums for insurance required by this Article.
 - 4.1.4 If requested by Subconcessionor, provide and keep in force insurance for such other insurable hazards in such amounts as similarly situated Premises are then commonly insured.
- 4.2 **Policies.** All insurance required by Subconcessionor and provided by Subconcessionaire shall be carried in favor of Subconcessionor and Subconcessionaire, as their respective interests may appear, the Master Concessionor, and any underlying fee owner, affiliate corporation, trustee, mortgagee or other person designated by Subconcessionor or as required under the Master Concession Agreement. All insurance shall be obtained from companies licensed to do business in the state in which the Premises are located and which have a rating by Bests Rating Guide of at least "A". Subconcessionaire shall procure policies for all insurance for periods of not less than one (1) year and shall deliver to Subconcessionor all policies or certificates of insurance with evidence of payment of all premiums. Subconcessionaire shall procure renewals of these policies from time to time before their respective expiration dates. All insurance policies shall be non-assessable and shall require thirty (30) days' written notice to Subconcessionor of any cancellation or change affecting Subconcessionor's coverage under the policies. All property damage and business interruption policies of Subconcessionaire shall contain a waiver of any subrogation rights which Subconcessionaire's insurers may have against Subconcessionor, even if the loss suffered is caused by the act, omission or negligence of Subconcessionor.
- 4.3 **Adjusting; Proceeds.** Claims for loss due to damage to the Premises under any policies provided for in this Subconcession Agreement shall be adjusted with the insurance companies:
- 4.3.1 by Subconcessionaire in the case of any particular casualty resulting in damage or destruction not exceeding \$10,000, or
 - 4.3.2 by Subconcessionor and Subconcessionaire, in the case of any particular casualty resulting in damage or destruction exceeding \$10,000 in the aggregate. Subject to the rights of Master Concessionor and any mortgagee, the proceeds of any insurance shall be payable as follows:

- 4.3.2.1 With respect to any loss not exceeding \$10,000 in the aggregate, proceeds shall be paid to Subconcessionaire, who shall hold them in trust for the purpose of paying the costs of repair and restoration; and
 - 4.3.2.2 With respect to losses exceeding \$10,000 in the aggregate, the proceeds may, at Subconcessionor's option, be paid to Subconcessionor or its designee and shall be applied to pay the costs of repair and restoration as directed by Subconcessionor.
- 4.4 **Joint Efforts.** Subconcessionaire and Subconcessionor shall cooperate in attempts to collect any insurance proceeds that may be due in the event of loss, and Subconcessionaire shall execute and deliver to Subconcessionor such proofs of loss and other instruments which may be required for the purpose of recovering these proceeds.
- 4.5 **Waiver of Subrogation.** Subconcessionaire agrees to look solely to the proceeds of its own insurer for indemnity against exposure for loss of property or business interruption. Subconcessionaire warrants that its property and business interruption insurers shall have no rights against Subconcessionor by virtue of assignment, subrogation, loan agreement or otherwise.
- 4.6 **Cancellation of Insurance.** If any insurance policy covering the Premises or any part of it is canceled or is threatened by the insurer to be canceled, or if the coverage thereunder is reduced in any way by the insurer for any reason, and if Subconcessionaire fails to remedy the condition giving rise to cancellation, threatened cancellation, or reduction of coverage within five (5) business days after notice thereof by Subconcessionor, Subconcessionor may, at its option, either (i) reenter the Premises forthwith by leaving upon the Premises a notice in writing of its intention to do so or (ii) enter the Premises and remedy the condition giving rise to such cancellation, threatened cancellation or reduction, and Subconcessionaire shall forthwith pay the cost thereof to Subconcessionor (which cost may be collected by Subconcessionor as Additional Concession Fees) and Subconcessionor shall not be liable for any damage or injury caused to any property of Subconcessionaire or of others located on the Premises as a result of any such entry, unless resulting from its own sole gross negligence, or intentional or willful act or omission.
- 4.7 **Loss and Damage.** Subconcessionor shall not be liable for any death or injury occurring on the Premises, nor for the loss of or damage to any of the personal property or other property of Subconcessionaire or of others by theft or otherwise, unless resulting from its own sole gross negligence, or intentional or willful act or omission. Without limiting the generality of the foregoing, Subconcessionor shall not be liable for any injury or damage to persons or property resulting from fire, explosion, falling plaster, steam, dampness, gas, electricity, water, rain, snow, or leaks from any part of the Premises or from the pipes, appliances or plumbing works or from the roof, street or subsurface or from any other place by any other cause whatsoever, unless resulting from its own sole gross negligence, or intentional or willful act or omission. Subconcessionor shall not be liable for any such damage caused by other persons or occupants of adjacent property, or the public, or caused by operations in construction of any private, public or quasi-public work. All of the personal property or any other property of Subconcessionaire kept or stored on the Premises shall be kept or stored at the risk of Subconcessionaire.

5 THE PREMISES

- 5.1 **Use and Services.** During the Term of this Subconcession Agreement, Subconcessionaire shall continuously operate a Subway® restaurant business in accordance with the Franchise Agreement. The Premises shall not be used for any other purpose.
- 5.2 **Repairs and Maintenance.** Subconcessionaire shall, at all times during the Term, at its own cost and expense, put, keep and maintain the Premises and all fixtures and personal property

located on it in good order and condition, subject to reasonable wear and tear, and subject to all applicable terms of this Article 5, shall make all necessary and desirable repairs, restorations and replacements thereof, structural and nonstructural, foreseen or unforeseen (hereinafter collectively called “**Repairs**”), and shall use all reasonable precautions to prevent waste, damage and injury.

In the event that Subconcessionaire fails or neglects to make all necessary Repairs or fulfill its other obligations as set forth above, Subconcessionor or its agents may enter the Premises for the purpose of making such Repairs or fulfilling those obligations. All reasonable costs and expenses incurred as a consequence of Subconcessionor’s action shall be repaid by Subconcessionaire to Subconcessionor within fifteen (15) days after Subconcessionaire receives copies of receipts showing payment by Subconcessionor for such Repairs or other obligations. These receipts shall be prima facie evidence of the payment of the charges paid by Subconcessionor.

- 5.3 **Build-Out and Alterations.** Subconcessionor may terminate this Subconcession Agreement on ten (10) days’ written notice and Subconcessionor may offer this location to another franchisee if: a) Subconcessionaire does not commence construction of the Premises within seven (7) days after obtaining occupancy from Master Concessionor by expeditiously ordering its equipment, submitting all necessary funds, and making application for required permits and licenses; or b) Subconcessionaire does not complete the build-out of the restaurant and then open the restaurant within forty-five (45) days after occupancy from Master Concessionor. In such an event, Subconcessionaire understands that the security deposit referred to in Section 3.4 will not be refunded.

Subconcessionaire agrees that it will at its own cost and expense make such reasonable alterations to the interior or exterior of the Premises as may reasonably be requested by Subconcessionor from time to time in order to modify the appearance of the Premises to reflect the then current image of the Subway® brand. Subconcessionaire shall not at any time make any alteration, change, addition or improvement (hereinafter collectively called “**Alterations**”) in or to the interior or exterior of the Premises without the prior written consent of Subconcessionor. In the event consent is given:

- 5.3.1 the Alterations shall be performed in a good and workmanlike manner at Subconcessionaire’s sole expense, and shall not weaken or impair the structural strength or lessen the value of the Premises, or change the purpose for which the Premises may be used;
- 5.3.2 the Alterations shall be made according to plans and specifications therefor, which shall be first submitted to and approved in writing by Subconcessionor, such consent not to be unreasonably withheld, delayed, or conditioned;
- 5.3.3 before the commencement of work on any Alterations, such plans and specifications shall, if necessary, be approved by all governmental authorities having jurisdiction;
- 5.3.4 before the commencement of any Alterations, Subconcessionaire shall pay the amount of any increase in premiums on insurance policies for endorsements covering the risk during work on the Alterations and workmen’s compensation insurance covering all persons employed in connection with that work;
- 5.3.5 if the estimated cost of the Alteration exceeds \$20,000, Subconcessionaire shall, at Subconcessionor’s option, furnish to Subconcessionor a surety bond of a company acceptable to Subconcessionor, in an amount equal to the estimated cost of such work, or other security satisfactory to Subconcessionor, guaranteeing the completion of such work, free and clear of all liens and encumbrances; and

- 5.3.6 the Alterations shall comply with all federal, state and local building requirements and codes including any disabilities related statutes or codes (collectively, the “**Codes**”) in the applicable jurisdiction where the Premises are located.

All buildings, additions, improvements, fixtures and appurtenances in or on the Premises at the Commencement Date and those which may be erected, affixed or installed in or on the Premises during the Term are deemed to be and shall immediately become part of the Premises and the sole property of Subconcessionor. All personal property owned and installed by Subconcessionaire (except signs, trademarks and other insignia of Subconcessionor) shall remain the property of Subconcessionaire.

- 5.4 **Liens.** Should Subconcessionaire cause any Alterations or Repairs to be made to the Premises, or cause any labor to be performed or material to be furnished, neither Subconcessionor nor the Premises shall under any circumstances be liable for the payment of any expense incurred, and all such Alterations and Repairs shall be made and performed at Subconcessionaire’s expense. If, because of any act or omission of Subconcessionaire, any mechanic’s or other lien, charge, claim or order for the payment of money shall be filed against the Premises or against Subconcessionor, Subconcessionaire shall, at its own cost and expense, cause it to be canceled and discharged of record or bonded within thirty (30) days after notice of filing thereof. In the event that Subconcessionaire fails to cause any such mechanics’ or other lien, charge or order to be canceled and discharged or bonded, then, in addition, to any other right or remedy of Subconcessionor, Subconcessionor may, at its option, cancel or discharge it by paying the amount claimed to be due into court or directly to any claimant and the amount so paid by Subconcessionor and all costs and expenses including attorneys’ fees incurred for the cancellation or discharge of such lien shall be due from Subconcessionaire to Subconcessionor as an additional charge payable on demand.
- 5.5 **Signs.** Subconcessionaire shall not place any signs or symbols on any portion of the Premises without the prior written approval of Subconcessionor, such consent not to be unreasonably withheld, delayed, or conditioned.
- 5.6 **Inspection.** Fee owner, Subconcessionor or their representatives shall have the right to enter the Premises at reasonable hours of any business day to ascertain if the Premises are in proper repair and condition, provided, that such persons will make every reasonable effort not to interfere with customers or Subconcessionaire’s operation of the business.
- 5.7 **License and Laws.** Subconcessionaire shall, at its own cost and expense, obtain all necessary licenses and/or permits that may be required for the conduct of its business; and Subconcessionaire shall, at its own cost and expense, promptly observe and comply with all present and future laws, ordinances, requirements, orders, directions, rules and regulations (referred to generally as “**Regulations**”) of governmental authorities having or claiming jurisdiction over the Premises or the conduct of Subconcessionaire’s business. By way of example, and not limitation, compliance with governmental Regulations shall include, but not be limited to, alterations and/or additions to the Premises if required under the Americans with Disabilities Act of 1990.
- 5.8 **Damage or Destruction.** If, during the Term, the Premises or the personal property or fixtures on it are destroyed or damaged in whole or in part by fire or other cause, Subconcessionaire shall give Subconcessionor immediate notice, and Subconcessionaire, at its own cost and expense, shall cause the prompt repair, replacement and rebuilding of same (“**Restoration**”), subject to Section 5.2 and Section 5.3 of this Subconcession Agreement. The restored building, personal property or fixtures shall reflect the then current image of the Subway® brand. Subconcessionor shall in no event be called upon to repair, replace or rebuild any such buildings, fixtures or personal property, nor to pay any of the costs or expenses thereof beyond or in excess of any insurance proceeds, as provided in this Subconcession Agreement.

- 5.9 **Disclaimer.** The taking of possession of the Premises by Subconcessionaire shall be conclusive evidence that Subconcessionaire has accepted the Premises “AS IS,” including any latent or patent defects. Subconcessionaire acknowledges that Subconcessionaire is relying on its own independent inspection.
- 5.10 **Contracts.** Subconcessionaire shall not without Subconcessionor’s written consent enter into any service contract or agreement relating to the furnishing of any services to the Premises or the occupants of it unless such contract or agreement shall by its terms be terminable on no more than thirty (30) days’ notice or shall expressly provide that it shall not become binding on Subconcessionor in the event that this Subconcession Agreement is terminated or expires. Subconcessionaire shall furnish Subconcessionor with copies of all service contracts or agreements affecting the Premises that are now in existence or that are subsequently entered into.

6 TAXES AND OTHER CHARGES

6.1 Payment.

- 6.1.1 In the event Subconcessionor elects, at its sole option, to pay the taxes, assessments, charges for public utilities, excises, levies, licenses, permit fees or other governmental impositions and charges of any kind and nature whatsoever (“**Charges**”) that are payable in connection with the ownership, occupancy or possession of the Premises, Subconcessionaire shall reimburse Subconcessionor within thirty (30) days after Subconcessionaire receives an invoice for the payment of such Charges.
- 6.1.2 In the event Subconcessionor elects not to pay the Charges as set forth in the preceding paragraph, Subconcessionaire shall pay on or before the last day on which payment may be made without penalty or interest, all Charges that may be assessed, imposed, or become due and payable in connection with the ownership, occupancy or possession of the Premises or the fixtures or personal property on it, or any Charges that may be imposed in lieu of, or as a substitution for, any such Charges. At any time after the time for payment of each Charge, upon Subconcessionor’s request, Subconcessionaire shall exhibit to Subconcessionor satisfactory evidence of payment. All Charges assessed or imposed for the fiscal periods in which the Term of this Subconcession Agreement commences and terminates shall be apportioned.

7 INDEMNIFICATION

- 7.1 Subconcessionaire shall indemnify, defend with counsel reasonably acceptable to Subconcessionor and save Subconcessionor and its affiliates, and the shareholders, officers, directors, employees, and agents of Subconcessionor and its affiliates, harmless from and against all costs, expenses, liabilities, losses, damages, injunctions, suits, actions, fines, penalties, claims and demands of every kind or nature, including reasonable attorneys’ fees, (collectively, “**Claims**”) by or on behalf of any person, party or governmental authority whatsoever arising out of (a) any failure or alleged failure by Subconcessionaire to perform any of its obligations under this Subconcession Agreement, (b) any accident, injury or damage that occurs in or about the Premises, (c) any matter arising out of the condition, occupation, maintenance, alteration, repair, use or operation of the Premises or any part of it, (d) the contest or challenge by Subconcessionaire of any imposed tax, assessment, or other Charges, or (e) any other matter arising from or relating to Subconcessionaire’s occupation of the Premises; provided that Subconcessionaire shall not indemnify Subconcessionor if or to the extent such Claims are caused by Subconcessionor’s gross negligence, or intentional or willful misconduct.

8 ENFORCEMENT

- 8.1 **Default.** Each of the following events is a default and a breach of this Subconcession Agreement by Subconcessionaire:
- 8.1.1 If Subconcessionaire files any proceeding under the United States Bankruptcy Code, any other federal or state bankruptcy, reorganization, receivership, insolvency or other similar law affecting the rights of creditors generally, or for dissolution under the laws of the United States or of any state, or voluntarily takes advantage of any such law or act or is dissolved or makes an assignment for the benefit of creditors;
 - 8.1.2 If involuntary Proceedings under the United States Bankruptcy Code, any other federal or state bankruptcy, reorganization, receivership, insolvency or other similar law or for the dissolution of a corporation are instituted against Subconcessionaire or if a receiver or trustee is appointed of all or substantially all of the property of Subconcessionaire and such Proceedings are not dismissed or such receivership or trusteeship vacated within ninety (90) days after such institution or appointment;
 - 8.1.3 If Subconcessionaire vacates, abandons or ceases doing business on the Premises or indicates its intention to do so;
 - 8.1.4 If this Subconcession Agreement or the estate of Subconcessionaire hereunder is transferred to any other person or party, except in a manner permitted by the terms of this Subconcession Agreement;
 - 8.1.5 If Subconcessionaire fails to pay Subconcessionor any installment of the Concession Fees or Additional Charges when it becomes due and payable and fails to make such payment within ten (10) days after written notice thereof by Subconcessionor to Subconcessionaire;
 - 8.1.6 If Subconcessionaire fails to perform any of its nonmonetary obligations under this Subconcession Agreement and such non-performance continues for a period within which performance is required to be made by specific provision of this Subconcession Agreement or, if no such period is provided, for a period of thirty (30) days after written notice thereof by Subconcessionor to Subconcessionaire; or, if such performance cannot be reasonably had within such thirty day period, Subconcessionaire has not in good faith commenced such performance within such thirty day period or has not diligently proceeded therewith to completion;
 - 8.1.7 If Subconcessionaire or any manager or officer of Subconcessionaire knowingly or intentionally falsifies any report required to be furnished to Subconcessionor pursuant to the terms of this Subconcession Agreement and fails to notify Subconcessionor of such falsification within sixty (60) days of submission of such report;
 - 8.1.8 If Subconcessionaire fails to comply with any provision of the Franchise Agreement relating to the Premises, or any franchise agreement with a third-party franchisor relating to the Premises.

In the event of a default under this Section 8.1, Subconcessionor shall have such remedies as are provided under this Subconcession Agreement and under applicable law.

- 8.2 **Cure by Subconcessionor.** After expiration of the applicable period of notice, or without notice in the event of any emergency, Subconcessionor at its option may, but shall not be obligated to, make any payment required of Subconcessionaire or perform any obligation of Subconcessionaire, and the amount Subconcessionor pays, or the cost of its performance, together with interest thereon, shall be deemed to be an additional charge payable by Subconcessionaire on demand. Subconcessionor shall have the right to enter the Premises for the purpose of correcting or remedying any default, but neither any expenditure nor any such performance by Subconcessionor shall be deemed to waive or release Subconcessionaire's

default or the right of Subconcessionor to take such action as may be otherwise permissible in the case of default. Subconcessionor shall have no liability to Subconcessionaire for any loss or damages resulting from any such action by Subconcessionor, and entry by Subconcessionor shall not constitute breach of the covenant for quiet enjoyment or an eviction.

8.3 Subconcessionor's Remedies. If Subconcessionaire is in default under this Subconcession Agreement, Subconcessionor may, at its option, in addition to such other remedies as may be available under applicable law:

- 8.3.1 terminate this Subconcession Agreement and Subconcessionaire's right of possession, and retake possession for Subconcessionor's account. In such event, Subconcessionor may repair and alter the Premises in any manner as Subconcessionor deems reasonably necessary or advisable. All reasonable and necessary expenses of every nature that Subconcessionor may incur such as (by way of illustration and not limitation) those for attorneys' fees, brokerage, advertising, and refurbishing the Premises, shall become immediately due and payable by Subconcessionaire to Subconcessionor; or
- 8.3.2 terminate Subconcessionaire's right of possession, but not this Subconcession Agreement, retake possession of the Premises for Subconcessionaire's account, repair, and alter the Premises in any manner as Subconcessionor deems reasonably necessary or advisable, and relet the Premises or any part of it, as the agent of Subconcessionaire, for the whole or any part of the remainder of the Term or for a longer period, and Subconcessionor may grant concessions or free concession fees or charge a higher concession fee than that reserved in this Subconcession Agreement. Out of any concession fees collected or received from Subconcessionaires or as a result of such letting or reletting, Subconcessionor shall first pay to itself all expenses of every nature that Subconcessionor may reasonably incur such as (by way of illustration and not limitation) those for attorneys' fees, brokerage, advertising, and refurbishing the Premises in good order or preparing them for reletting; and second, Subconcessionor shall pay to itself any balance remaining on account of the liability of Subconcessionaire for the sum equal to all Concession Fees, Additional Concession Fees and other Additional Charges due from Subconcessionaire through the Expiration Date. Should Subconcessionor, pursuant to this Section 8.3, not collect Concession Fees that, after deductions is sufficient to fully pay to Subconcessionor a sum equal to all Concession Fees, Additional Concession Fees and other Additional Charges payable through the Expiration Date, the balance or deficiency shall, at the election of Subconcessionor, be paid by Subconcessionaire on the first of each month; or
- 8.3.3 stand by and do nothing, and hold Subconcessionaire liable for all Concession Fees, Additional Concession Fees and other Additional Charges payable under this Subconcession Agreement through the Expiration Date.

If Subconcessionor does not notify Subconcessionaire which remedy it is pursuing, or if Subconcessionor's notice to Subconcessionaire does not expressly state that Subconcessionor is exercising its remedies under Section 8.3.1 or Section 8.3.3, then it shall be deemed that Subconcessionor is pursuing the remedy set forth in Section 8.3.2. If Subconcessionor exercises the option in Section 8.3.1 or 8.3.2, Subconcessionaire agrees to immediately and peacefully surrender the Premises to Subconcessionor, and if Subconcessionaire refuses to do so, Subconcessionor may without further notice reenter the Premises either by force or otherwise and dispossess Subconcessionaire by summary proceedings or otherwise, as well as the legal representative(s) of Subconcessionaire and/or other occupant(s) of the Premises, and remove their effects.

8.4 Acceleration. If Subconcessionor exercises the remedies in Section 8.3.3 of this Subconcession Agreement, Subconcessionaire shall immediately pay to Subconcessionor as damages for loss of the bargain caused by Subconcessionaire's default, and not as a penalty, in

addition to any other damages, an aggregate sum that represents the present value of the full amount of the Concession Fees, Additional Concession Fees and all other Additional Charges payable by Subconcessionaire hereunder that would have accrued for the balance of the Term.

- 8.5 **Suits.** Suit or suits for the recovery of the deficiency or damage or for any installment or installments of Concession Fees, Additional Concession Fees or any other charge due under this Subconcession Agreement may be brought by Subconcessionor at any time or, at Subconcessionor's election, from time to time, and nothing in this Subconcession Agreement shall be deemed to require Subconcessionor to wait until the Expiration Date to bring suit.
- 8.6 **Waiver.** Subconcessionaire hereby expressly waives service of any notice of intention to reenter. Subconcessionaire hereby waives any and all rights to recover or to regain possession of the Premises or to reinstate or to redeem this Subconcession Agreement as permitted or provided by any statute, law or decision now or hereafter in force and effect. No receipt of monies by Subconcessionor from Subconcessionaire after the cancellation or termination of the Subconcession Agreement shall reinstate, continue or extend the Subconcession Agreement, or affect any prior notice given to Subconcessionaire or operate as a waiver of the right of Subconcessionor to enforce the payment of Concession Fees and Additional Concession Fees then due or subsequently falling due, or operate as a waiver of the right of Subconcessionor to recover possession of the Premises by suit, action, proceeding or other remedy, and any and all moneys so collected shall be deemed to be payments on account of the use and occupancy of the Premises, or at the election of Subconcessionor, on account of Subconcessionaire's liability under this Subconcession Agreement.
- 8.7 **Proof of Claim.** Nothing in this Article shall limit or prejudice the right of Subconcessionor to prove and obtain as liquidated damages in any bankruptcy, insolvency, receivership, reorganization or dissolution proceeding an amount equal to the maximum allowed by any statute or rule of law governing such proceeding, whether or not such amount is greater, equal to or less than the amount of the damages referred to in any of the preceding sections.
- 8.8 **Injunction.** In the event of a breach or a threatened breach by Subconcessionaire of any of its Subconcession Agreement obligations, Subconcessionor shall have the right to enjoin and restrain the breach and to invoke any remedy allowed by law or in equity, in addition to other remedies provided in this Subconcession Agreement.
- 8.9 **Independent Rights.** The rights and remedies of Subconcessionor are distinct, separate and cumulative, and no one of them, whether or not exercised by Subconcessionor, shall be deemed to be to the exclusion of any of the others.
- 8.10 **Non-Waiver.** The failure of Subconcessionor to insist upon strict performance of any of Subconcessionaire's obligations under this Subconcession Agreement shall not be deemed a waiver of any rights or remedies that Subconcessionor may have and shall not be deemed a waiver of any subsequent breach or default by Subconcessionaire. The exercise of any of Subconcessionor's options under the Subconcession Agreement shall not be deemed to be the exclusive remedy of Subconcessionor.
- 8.11 **Waiver of Exemption from Distress.** Subconcessionaire agrees that notwithstanding anything contained in any statute, enactment or other law of the state in which the Premises are located or of any other jurisdiction, none of the personal property located on the Premises shall be exempt from levy for distress for Concession Fees in arrears, and that if Subconcessionaire makes any claim for such an exemption, this Subconcession Agreement may be pleaded as an estoppel against Subconcessionaire in any appropriate action.
- 8.12 **Franchise Agreement.** Notwithstanding anything in this Subconcession Agreement to the contrary, this Subconcession Agreement is conditioned upon the faithful performance by Subconcessionaire of the Franchise Agreement, and a default in the terms of the Franchise Agreement shall be a default of this Subconcession Agreement.

9 NO CONCESSION FEE ABATEMENT

Unless specifically provided in this Subconcession Agreement, no abatement, diminution, or reduction of Concession Fees, Additional Concession Fees, Additional Charges or other compensation shall be claimed by or allowed to Subconcessionaire, or any persons claiming under Subconcessionaire, under any circumstances, whether for inconvenience, discomfort, interruption of business, or otherwise.

10 CONDEMNATION

In the event that the Premises or any part of it is taken in condemnation proceedings or by exercise of any right of eminent domain, Subconcessionaire shall have no right to participate in any condemnation proceedings and shall not have the right to any award, and Subconcessionor may terminate this Subconcession Agreement upon written notice to Subconcessionaire.

11 SUBORDINATION

This Subconcession Agreement shall be fully subordinate to any mortgage and/or collateral assignment of lease against the Premises that Master Concessionor, the fee owner, Subconcessionor and/or their assigns has or subsequently obtains upon the Premises. This Subconcession Agreement shall be fully subordinate and subject to the Master Concession Agreement and any senior lease now, or hereafter affecting the Premises.

Subconcessionaire hereby grants a power of attorney to Subconcessionor with full power to act as its attorney in fact and to execute on behalf of Subconcessionaire any and all documents that may be required by a mortgagee and/or assignee evidencing Subconcessionaire's full subordination of Subconcessionaire's interest to any mortgage and/or collateral assignment of Subconcession Agreement that may be entered into by Subconcessionor, Master Concessionor, the fee owner or their assigns. Subconcessionaire hereby agrees to execute, without charging Subconcessionor, any and all documents that it is requested to execute to evidence this subordination. However, Subconcessionaire shall not be required to execute any promissory notes or other evidences of indebtedness that would create any personal liability on behalf of Subconcessionaire.

12 ASSIGNMENT

- 12.1 By **Subconcessionor**. This Subconcession Agreement shall be fully assignable by Subconcessionor or its assigns.
- 12.2 By **Subconcessionaire**. Neither Subconcessionaire, nor Subconcessionaire's successors or assigns, shall (unless expressly permitted in this Subconcession Agreement) assign, mortgage, give as security, pledge or encumber this Subconcession Agreement, in whole or in part, by operation of law or otherwise, or sub-Subconcession Agreement the Premises, in whole or in part, or permit the Premises or any portion of it to be used or occupied by others, or enter into a management contract or other arrangement whereby the Premises shall be managed and operated by anyone other than the owner of Subconcessionaire's leasehold estate, without the prior consent in writing of Subconcessionor in each instance. If this Subconcession Agreement is assigned or transferred, or if all or any part of the Premises is sub-subconcessioned or occupied by anybody other than Subconcessionaire, Subconcessionor may collect Concession Fees from the assignee, transferee, sub-Subconcessionaire or occupant, and apply the net amount collected to the Concession Fees reserved in this Subconcession Agreement, but no such assignment, sub-sublicensing, occupancy or collection shall be deemed a waiver of any covenant or condition of this Subconcession Agreement, or the acceptance of the assignee,

transferee, sub-Subconcessionaire or occupant as Subconcessionaire, or a release of Subconcessionaire from the performance or further performance by Subconcessionaire of its obligations under this Subconcession Agreement, and Subconcessionaire shall continue to be liable for all its obligations under this Subconcession Agreement. The consent by Subconcessionor to an assignment, mortgage, pledge, encumbrance, transfer, management contract or sub-sublicensing shall not in any way be construed to relieve Subconcessionaire from obtaining the express consent in writing of Subconcessionor in each instance to any subsequent similar action that Subconcessionaire may intend to take.

13 ESTOPPEL CERTIFICATE

Subconcessionaire shall from time to time, within five (5) days after being requested to do so by Subconcessionor, execute, acknowledge and deliver to Subconcessionor (or, at Subconcessionor's request, to Master Concessionor, any existing or prospective purchaser, transferee, assignee or mortgagee of any or all of the Premises, any interest therein or any of Subconcessionor's rights under this Subconcession Agreement) an instrument in recordable form: (i) certifying (a) that the Subconcession Agreement is unmodified and in full force and effect (or, if there has been any modification thereof, that it is in full force and effect as so modified, stating therein the nature of such modification); (b) as to the dates to which the Concession Fees and Additional Charges arising hereunder have been paid; (c) as to the amount of any prepaid concession fees or any credit due to Subconcessionaire hereunder, (d) that Subconcessionaire has accepted possession of the Premises, and the date on which the Term commenced; (e) as to whether, to the best knowledge, information and belief of the signer of such certificate, Subconcessionor or Subconcessionaire is then in default in performing any of its obligations under the Subconcession Agreement (and, if so, specifying the nature of each such default); and (f) as to any other fact or condition reasonably requested by Subconcessionor or such other addressee; and (ii) acknowledging and agreeing that any statement contained in such certificate may be relied upon by Subconcessionor and any such other addressee.

14 HAZARDOUS SUBSTANCES

- 14.1 **Compliance with Laws.** Subconcessionaire shall at all times, at its own cost and expense, comply with all federal, state and local laws, ordinances, regulations and standards ("**Hazardous Substance Laws**") relating to the use, analysis, production, storage, sale, disposal or transportation of any hazardous materials, including oil or petroleum products or their derivatives, solvents, PCB's, explosive substances, asbestos, radioactive materials or waste, and any other toxic, ignitable, reactive, corrosive, contaminating or pollution materials ("**Hazardous Substances**") that are now or in the future subject to any governmental regulation. 12. If any payment or transfer to Subconcessionor which has been credited against any Obligation, is voided or rescinded or required to be returned by Subconcessionor, whether or not in connection with any event or proceeding described in Section 11, the Guaranty shall continue in effect or be reinstated as though such payment, transfer or recovery had not been made.
13. Except as otherwise provided herein, the Guaranty shall be construed as an absolute, unconditional, continuing and unlimited obligation of the each Guarantor hereunder without regard to the regularity, validity or enforceability of any of the Obligations, and without regard to whether any Obligation is limited, modified, voided, released or discharged in any proceeding under the United States Bankruptcy Code or any similar law affecting the rights of creditors generally.

Exhibit D-6

Franchisee Acceptance of Renegotiation (DocuSign)

The successful renegotiation of your master lease is a collaborative effort between the Franchise Owner, Business Development Agent, and Leasing Representative with each playing an important role. If the Franchise Owner has a direct relationship with the Landlord that may be the best position to begin a dialogue regarding renegotiation. In other cases, that relationship may not be as close and may not be the best strategy. Some Franchise Owners are not comfortable with negotiation and would prefer the assistance of the Business Development Agent and/or Leasing Representative to facilitate the negotiation. Roles vary, where sometimes the Business Development Agent negotiates business terms and sends to the Leasing Representative for review, at other times the Leasing Representative negotiates the entire deal. There is no single way to go about this process and all of those mentioned above, or a combination thereof, are acceptable methods that have worked over time. No matter how much or how little you participate in the process it's important to be aware of the following factors:

- Information is crucial. The more we know about your Landlord, restaurant, breakeven, profitability, type of center, vacancies, etc., the better deal we can achieve.
- The pace and length of the negotiation is almost always controlled by the Landlord. It's to their advantage to delay as close to the notification date as possible. As a result, some negotiations can be very lengthy.
- There are no guarantees. Landlords can be difficult and have no contractual obligation to renegotiate. Despite all efforts, we may not be able to strike the perfect deal. Be prepared to compromise.
- Regardless of all the challenges, our success rate is still excellent and we often complete very good deals that make your lease better and may increase your profitability. Even if it's a minimal concession, it's still a win for all parties.

I have reviewed the proposed change to the Lease Agreement and consent and request the Tenant to execute and formalize it with the Landlord. I understand that once executed between the Landlord and the Tenant, the attached document will also amend my Sub Lease Agreement with the Sub Lessor.

THIS LEASE AND SUBLEASE TERMINATION AGREEMENT (this “Agreement”) is made this
day of , 20 , by and among SUBWAY REAL ESTATE, LLC, a Delaware limited liability
company (“SRE”, “Tenant” or “Sublandlord”), Doctors Associates LLC, a Florida limited liability company
(“Franchisor”), , a(n) (“Landlord”), , a(n)
, and (collectively,
“Subtenant”) and , and (collectively,
“Franchisee”). SRE, Franchisor, Landlord, Subtenant and Franchisee may each be referred to herein as a
“Party”, and collectively as the “Parties”.

RECITALS:

WHEREAS, Franchisor and Franchisee are parties to a franchise agreement dated ,
20 (the “Franchise Agreement”), which expires on , 20 (the “Franchise Expiration
Date”), and pursuant to which Franchisee operates a Subway® restaurant (the “Restaurant”) located at
(the “Premises”);

WHEREAS, SRE and Franchisor are affiliated and, pursuant to prior company policy, SRE has
historically leased properties owned by franchisees (or affiliates of franchisees) of Franchisor and subleased
them back to the franchisees who operated Subway® restaurants on such properties;

WHEREAS, Landlord and Franchisee are affiliated, and Landlord owns the real property where the
Premises is located;

WHEREAS, Landlord (or its predecessor-in-interest) and SRE (or its predecessor-in-interest) entered
into that certain lease dated , 20 for the Premises (the “Lease”), and Sublandlord (or its
predecessor-in-interest) and Subtenant (or its predecessor-in-interest) entered into that certain Sublease dated
, 20 for the Premises (the “Sublease”);

WHEREAS, SRE, Landlord and Subtenant wish to terminate the Lease and the Sublease;

WHEREAS, Franchisee wishes to reaffirm its obligation to operate the Restaurant at the Premises
through the Franchise Expiration Date; and

WHEREAS, SRE, Landlord and Subtenant have agreed to the termination of the Lease and the
Sublease on the terms and conditions contained in this Agreement.

NOW, THEREFORE, in consideration of the above preambles which, by this reference are
incorporated herein, the mutual covenants and conditions contained herein and other valuable consideration, the
receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Effective upon full execution of this Agreement, the Lease and Sublease are hereby terminated.
2. Landlord and Tenant hereby release and discharge each other from any obligations to be
observed and performed under the Lease. Sublandlord and Subtenant hereby release and discharge each other
from any obligations to be observed and performed under the Sublease.

3. LANDLORD, SUBTENANT AND FRANCHISEE (THE “**RELEASING PARTIES**”) REMISE, RELEASE, ACQUIT, SATISFY AND FOREVER DISCHARGE SRE AND FRANCHISOR, THEIR SUCCESSORS, PREDECESSORS, COUNSEL, INSURERS, ASSIGNS, OFFICERS, DIRECTORS, EMPLOYEES, PARENT COMPANIES, AFFILIATES, SUBSIDIARIES AND AGENTS, PAST AND PRESENT (THE “**RELEASED PARTIES**”) FROM AND AGAINST ALL CLAIMS, ACTIONS, CAUSES OF ACTION, DEMANDS, DAMAGES, COSTS, SUITS, DEBTS, COVENANTS, CONTROVERSIES, AND ANY OTHER LIABILITIES WHATSOEVER, WHETHER KNOWN OR UNKNOWN, LIQUIDATED, FIXED, CONTINGENT, MATURED, UNMATURED, DISPUTED, UNDISPUTED, LEGAL OR EQUITABLE THAT THE RELEASING PARTIES EVER HAD, NOW HAVE, CAN, SHALL OR MAY HAVE, AGAINST ANY OR ALL OF THE RELEASED PARTIES FOR, UPON OR BY REASON OF ANY MATTER, CAUSE OR THING WHATSOEVER, FROM THE BEGINNING OF THE WORLD TO THE DATE OF THIS AGREEMENT.

4. Franchisee shall indemnify, defend with counsel reasonably acceptable to Franchisor and save Franchisor and its affiliates, and the shareholders, officers, directors, employees, and agents of Franchisor and its affiliates, harmless from and against all costs, expenses, liabilities, losses, damages, injunctions, suits, actions, fines, penalties, claims and demands of every kind or nature, including reasonable attorneys’ fees, by or on behalf of any person, party or governmental authority whatsoever arising out of (a) any accident, injury or damage that occurs in or about the Premises, (b) any matter arising out of the condition, occupation, maintenance, alteration, repair, use or operation of the Premises or any part of it, or (c) any other matter arising from or relating to Franchisee’s ownership or occupation of the Premises.

5. Landlord, Subtenant and Franchisee represent and warrant that as of the date hereof: (a) Landlord is the rightful owner in fee simple of the Premises; (b) Franchisee has the right to occupy the Premises and operate the Restaurant without restriction through the Franchise Expiration Date; and (c) Landlord, Subtenant and Franchisee have no knowledge of any fact or circumstance which would give rise to any claim, demand, action or cause of action arising out of or in connection with Franchisee’s occupancy of the Premises.

6. Franchisee is hereby permitted and required to operate the Restaurant at the Premises through the Franchise Expiration Date, and Franchisee may not relocate the Restaurant without Franchisor’s prior written consent.

7. Franchisee hereby agrees that, in the event that Landlord wishes to sell the property where the Premises is located prior to the Franchise Expiration Date, Franchisee shall, prior to the sale, agree to enter into a lease with the buyer that does not expire until on or after the Franchise Expiration Date, and the terms of such lease must be provided to Franchisor and approved in writing by Franchisor prior to Franchisee entering into the lease (an “**Approved Lease**”). Franchisor’s approval of the terms of a lease indicates only that Franchisor believes the lease complies with acceptable minimum criteria established by Franchisor, and Franchisee acknowledges and agrees that Franchisee’s acceptance of a lease is based on Franchisee’s own independent investigation, including consultation with Franchisee’s attorney and other advisors. The Approved Lease must contain a franchisor lease rider in the form that Franchisor requires. Franchisee agrees that it is Franchisee’s sole responsibility to obtain a fully executed franchisor lease rider in connection with executing the Approved Lease. The franchisor lease rider is intended to provide Franchisor with certain protections under the Approved Lease and may not benefit Franchisee or its landlord. If Franchisee or the landlord request that Franchisor consider any modifications to the franchisor lease rider, and Franchisor elects to do so, Franchisor may also require Franchisee to reimburse Franchisor for all expenses Franchisor incurs (including reasonable attorneys’ fees) in connection with such review. Franchisor may also reject any request for modifications to the franchisor lease rider for any reason.

8. Landlord and Franchisee agree that they will not lease, license or otherwise grant access to the Premises to a Competitive Business while the Restaurant is still operating (including during temporary closures) and for a period of one (1) year following the permanent closure of the Restaurant. “Competitive Business” means any business that operates, manages, franchises or licenses restaurants or stores that derive more than twenty percent (20%) of its total gross revenue from the sale of any type of sandwiches on any type of bread, including but not limited to sub rolls and other bread rolls, sliced bread, pita bread, flat bread, and wraps, whether for on or off-premises consumption, or via delivery or catering. The word “sandwiches” as used in the previous sentence does not include hamburgers, hot dogs, burritos, or fried chicken sandwiches, and full-service restaurants where customers are served by waitstaff and pay after eating, and Subway® Restaurants operated under franchise agreements with Franchisor, are not Competitive Businesses. Examples (without limitation) of Competitive Businesses as of the Agreement Date are the following chain restaurants: D’Angelo Grilled Sandwiches, Jersey Mike’s Subs, Jimmy John’s, Firehouse Subs, Potbelly, Togo’s, Which Wich Superior Sandwiches, Charley’s Philly Steaks, Penn Station East Coast Subs, McAlister’s Deli, Pita Pit, Schlotzky’s, Cousin’s Subs, Capriotti’s, Quiznos, Jon Smith Subs, Erbert & Gerbert’s, Lenny’s Grill & Subs, PrimoHoagies, Tubby’s Sub Shop, Blimpie’s, Super Sandwich, Nardelli’s, DiBella’s, Deli Delicious, Groucho’s Deli, CHēBA Hut, Steak Escape, Miami Grill, Goodcents Deli Fresh Subs, and Great Wraps.

9. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors, assigns and affiliates.

10. This Agreement may be executed in counterparts, and all counterparts together shall be construed as one and the same document. Executed counterparts of this Agreement with signatures sent by electronic mail (i.e., in PDF format) or signed electronically via DocuSign may be used in the place of original signatures of this Agreement. The Parties intend to be bound by the signatures of the electronically mailed or signed signatures and the delivery of the same shall be effective as delivery of an original executed counterpart of this Agreement. The Parties hereby waive any defenses to the enforcement of this terms of this Agreement based on the form of the signature or delivery thereof and hereby agree that such electronically mailed or signed signatures shall be conclusive proof, admissible in arbitration and judicial proceedings, of the Parties’ execution of this Agreement.

IN WITNESS WHEREOF, the parties have executed this Agreement on the day and year first above written.

EXHIBIT E
INTENT TO SUBLEASE

DATE: _____

I hereby offer to sublease from Subway Real Estate, LLC ("Sublandlord") the following described premises:

Street Address: _____

City, State: _____

for a period beginning approximately , _____, and ending approximately _____, plus renewal options, if exercised. I understand that the asking rental on the premises for the first year is:

\$ _____ per month.

Sublandlord enters into master leases for the purpose of subleasing the premises to franchisees of Doctor's Associates LLC to be used as a Subway[®] restaurant. The selection of these premises for utilization as a Subway[®] restaurant has been based upon the joint approval of Doctor's Associates LLC and myself. I have made an independent evaluation of the location and have concluded that the location has a reasonable opportunity of success as a Subway[®] restaurant. However, I understand and acknowledge that no representations of potential sales or earnings have been made to me by Doctor's Associates LLC, Sublandlord, nor any affiliate, nor their respective employees or agents, as to this or any other location.

It is agreed and understood that Sublandlord is entering into a master lease for the aforesaid premise (the "Master Lease") for the purpose of leasing the same to me to be used as a restaurant pursuant to a Franchise Agreement with Doctor's Associates LLC. I agree and understand that each person signing said Franchise Agreement as franchisee must also sign the sublease for the aforesaid premises (the "Sublease") as Subtenant. If I am obtaining a Small Business Administration (SBA) loan to construct my restaurant or purchase an existing restaurant and I am assigning my right to operate the restaurant to an operating entity, my operating entity must be a party to the Sublease. I acknowledge that I can assign or lease only to a Subway[®] franchisee and that Sublandlord's written consent to the assignment or leasing is mandatory. I understand that if I do assign or lease the premises with Sublandlord's consent, this consent shall not operate to release me from my obligations under the Sublease.

Upon receipt of a copy of the executed Master Lease between master landlord and tenant. I agree to execute two original copies of the Sublease for this location within seven (7) days. My refusal to execute the Sublease within this time frame will authorize the Sublandlord to offer this location to another Subway[®] franchisee. Further I agree that the security deposit paid in accordance with this document will not be refunded in the event that I fail to properly execute the Sublease within seven (7) days after receipt of a copy of the executed Master Lease.

I have received and reviewed the proposed lease for the demised premises. I understand the financial terms have been agreed upon, but that the Master Lease itself is not necessarily in its final form and is subject to further negotiation by Sublandlord. In the event Sublandlord's standard Master Lease is used, the landlord may propose modifications thereto. If the lease has been provided by the landlord, Sublandlord will propose revisions and add the tenant's rider. Neither Sublandlord nor any of its affiliates, nor agents or employees thereof, shall be held in any way liable for the outcome of these negotiations, or the inability, for any reason, to obtain an executed Master Lease for the aforesaid premises.

I hereby enclose a check, payable to Subway Real Estate, LLC, in the amount of _____ which is equivalent to two months rent or equivalent to the security deposit required by the Master Lease, whichever is greater. These funds shall be held in a non-interest bearing escrow account. If the Master Lease requires a security deposit or initial rent due when the lease is signed, I understand that Sublandlord will make payment to

the master landlord with the above-referenced funds.

Provided I am not in default of the Master Lease terms, and if the Master Lease does not require a rental security or initial rent or requires a deposit which is less than the above-referenced sum, the remainder will be returned to me when the Subway® restaurant is opened for business.

I also agree to furnish Sublandlord with proof of insurance prior to entering into possession of the aforesaid premises.

If occupancy of the premises arises out of a License Agreement, all references to Lease, Sublease, Sublandlord and Subtenant in this document shall be replaced with License, Sub-License, Sub-Licensor and Sub-Licensee where appropriate.

If occupancy of the premises arises out of a Concession Agreement, all references to Lease, Sublease, Sublandlord and Subtenant in this document shall be replaced with Concession Agreement, Sub-Concession, Subconcessionor and Sub-Concessionaire where appropriate.

If occupancy of the premises arises out of a Contract Agreement, all references to Lease, Sublease, Sublandlord and Subtenant in this document shall be replaced with Contract Agreement, Subcontract, Subcontractor and Subcontractee where appropriate.

GENERAL RELEASE

This General Release (the "**Release**"), dated _____ is effective as of _____ regardless of the date of signature (the "**Effective Date**"), and is given by _____, a/an _____ on behalf of his, her or itself and each of his, her or its affiliates, parent and child companies, subsidiaries, related companies, and all companies under common ownership or control with them and their employees, officers, directors, shareholders, managers, partners, principals, agents, contractors, heirs, successors and assigns (collectively the "**Franchisee Releasing Parties**") in favor of **DOCTOR'S ASSOCIATES LLC**, a Florida limited liability company ("**DAL**"), and DAL's franchisees and each of their affiliates, parent and child companies, subsidiaries, related companies, and all companies under common ownership or control with them and each of their employees, officers, directors, shareholders, managers, partners, principals, agents, contractors, franchisees, licensees, area representatives, business associates, business developers, heirs, successors and assigns (collectively, "**DAL Released Parties**").

BACKGROUND INFORMATION:

The Parties acknowledge that DAL and _____ entered into a Prior Agreement dated _____ (the "**Franchise Agreement**") for Subway® franchise # _____, located at _____.

OPERATIVE TERMS:

Accordingly, the parties agree as follows:

1. **Release by Franchisee Releasing Parties.** The Franchisee Releasing Parties do hereby irrevocably and unconditionally forever release, waive, discharge and covenant not to sue, DAL Released Parties of and from any and all actions, causes of actions at law and in equity, charges, complaints, contracts, liabilities, obligations, claims, demands, premises, reimbursements, costs, losses, debts, expenses, attorney's fees, damages, indemnities and claims of any kind or nature whatsoever which any of Franchisee Releasing Parties now have, ever had, or hereafter can, will or may have against any of the DAL Released Parties for and upon, or by reason of any damage, harm, loss or injury, now existing or hereafter arising out of or relating in any way to any acts, failure to act, omissions or intentional, negligent, reckless, or willful conduct or misconduct of any of the DAL Released Parties or their business or commercial activities, trademarks or service marks, occurring or arising at any time on or before the Effective Date, except for DAL's obligations under the Franchise Agreement and this Release. This release, waiver, discharge and covenant not to sue extends and applies to, and also covers and includes, all unknown, unforeseen, unanticipated and unsuspected injuries, damages, losses and liabilities, and the consequences thereof, as well as those now disclosed and known to exist occurring or arising on or before the Effective Date. The provisions of any state, federal, local or territorial law or statute providing in substance that releases will not extend to claims, demands, injuries or damages which are unknown or unsuspected to exist at the time to the person executing such releases are expressly waived by Franchisee Releasing Parties. However, this release will not apply to the duties and obligations expressly contained in this Release and the Franchise Agreement.

For use in California:

Each Franchisee Releasing Party has read or been advised of Section 1542 of the Civil Code of the State of California, which provides as follows: A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR. Each Franchisee Releasing Party understands that Section 1542 gives him, her or it the right not to release existing claims of which he, she or it is not now aware, unless he, she or it voluntarily chooses to waive this right. Having been so apprised, each Franchisee Releasing Party nevertheless voluntarily elects to and does

waive the rights described in Section 1542 of the Civil Code of the State of California, and elects to assume all risks for claims that now exist in his, her or its favor, known or unknown.

2. **Confidentiality.** The parties expressly agree that they will maintain this Release, all drafts and discussions and actions relating to it and this Release's terms and conditions, in strict confidence and will not disclose the same to any third party without the prior written consent of the other parties. The foregoing obligations will not apply to any terms that a party is ordered by a court or tribunal of competent jurisdiction to disclose or in connection with a third party request as part of discovery in any court or administrative proceeding. However, the foregoing obligations of confidentiality will not apply to DAL to the extent that DAL deems it reasonably necessary to disclose this Release or any of its terms: (a) in connection with DAL's business and franchise operations or in compliance with any state or federal laws, rules or regulations; and/or (b) to a limited number of DAL's employees, shareholders, officers, directors, actual and prospective franchisees, licensees, area representatives, investors, purchasers of DAL's business, lenders, attorneys, accountants and other advisors provided such persons have a need to know such information and agree to an obligation of confidentiality. The parties agree that they will not, directly or indirectly, make any statements or comments that are in any way disparaging, negative, not positive or not favorable toward the other parties or any of the other parties' products, services, trademarks or service marks, business, goodwill, reputation, conduct, DAL's franchisees, current or former owners, employees, officers, directors, owners, agents, representatives, clients, suppliers, franchisees, licensees, or business activities, whether verbally, in writing, electronically or on-line. The foregoing restrictions set forth in the preceding sentence apply to any statements made to any third parties including, without limitation, current or former employees, news media, clients, customers, franchisees (existing or former), licensees or business associates of the other parties, officers, representatives, contractors, vendors, suppliers or other members of the public and third party businesses operating under a name containing the word "SUBWAY" or any word(s) similar thereto. This Section does not limit the ability of any Franchisee Releasing Party to discuss his, her or its experience as a franchisee with prospective franchisees.

3. **Miscellaneous.**

(a) **Severability:** If any of the provisions of this Release are held invalid for any reason, the remainder of this Release will not be affected and will remain in full force and effect.

(b) **Complete Agreement:** All of the terms and understandings between the parties are contained in this Release. There are no other oral or written understandings or agreements between them. The signing and delivery of this Release will not be construed as acknowledging any liability or responsibility on either party's part for any claim or matter whatsoever.

(c) **Attorneys' Fees, Etc.:** In any action or dispute at law or in equity that may arise under or otherwise relate to this Release, the prevailing party will be entitled to reimbursement of all of its costs and expenses, including reasonable accounting and legal fees (including paralegal fees and expenses, witness fees, court costs, arbitrator charges, and travel and lodging expenses).

(d) **Headings and Captions:** The captions preceding each section of this Release are inserted solely for convenient reference; they do not constitute a part of this Release and do not affect its meaning, interpretation or effect.

(e) **Counterparts:** The parties may sign this Release in multiple counterparts. Each signed counterpart will be an original.

(f) **Joint and Several:** In this Release, any words in the singular will also include the plural, as the case may be and as the context may require. If Franchisee Releasing Parties consist of more than one person, then all of Franchisee Releasing Parties' obligations to DAL under this Release are joint and several.

(g) **Further Assurances:** The parties will take any and all actions necessary or appropriate to effectuate the purposes of this Release; and sign any and all documents required or necessary under law or otherwise to effectuate the provisions of this Release.

(h) **Background Information and Exhibits:** The background information is true and correct. This Release will be interpreted by reference to the background information and exhibits.

(i) **Law and Jurisdiction:** All arbitration, dispute resolution, governing law, limitations on damages and jury trial provisions set forth in the Franchise Agreement, will apply to this Release.

To signify the intent to be bound by this Release, the parties have signed below:

When pursuing its rights and remedies hereunder against any Maker, the Holder may, but shall be under no obligation, to pursue such rights and remedies hereunder against any Maker or any other person or against any collateral security for the amounts due and owing hereunder or any right of offset with respect thereto, and any failure by the Holder to pursue such other rights or remedies or to collect any payments from such Maker or any such other person to realize upon any such collateral security or to exercise any such right of offset, or any release of such Maker or any such other person or any such collateral security, or right of offset, shall not relieve such Maker of any liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of the Holder against such Maker.
20. In exchange for the Holder making this loan, each Maker hereby releases and discharges the Holder, its affiliates, subsidiaries, agents, Business Developers [(other than the Makers and their operating entity, herein referred to as OpCo)] [other than those Business Developers who are identified as guarantors to this loan], directors, officers, members, managers, shareholders, employees and representatives, from any and all claims the Maker has against any of them, including, but not limited to, those arising out of, or related to the Franchise Agreements [or the Business Developer Agreements].
21. a. Any dispute, controversy or claim arising out of or relating to this Note and Agreement, or the breach thereof, will be settled by arbitration to be administered by either the American Arbitration Association or its successor ("AAA") or the American Dispute Resolution Center or its successor ("ADRC") at the discretion of the party first filing a demand for arbitration. AAA will administer the arbitration in accordance with its administrative rules (including, as applicable, the Commercial Rules of the AAA and the Expedited Procedures of such rules). ADRC will administer the arbitration in accordance with its administrative rules (including, as applicable, the Rules of Commercial Arbitration or under the Rules for Expedited Commercial Arbitration). If both AAA and ADRC are no longer in business, then the parties will mutually agree upon an alternative administrative arbitration agency. If the parties cannot mutually agree, then the parties agree to take the matter to a court of competent jurisdiction to select the agency. Judgment rendered by the arbitrator may be entered in any court having jurisdiction thereof. The costs of the arbitration will be shared equally by the parties, except as otherwise provided in this Note and Agreement. The parties also agree that neither party will pursue class claims. The parties further agree not to consolidate the arbitration with any other proceedings, except for arbitrations in which you and we are the sole parties. The parties will honor validly served subpoenas, warrants and court orders. The parties further agree that only depositions for the sole purpose of preserving testimony may be conducted and that any documents exchanged between the parties as part of the discovery process must be returned or destroyed (with proof of destruction) within thirty (30) days of final judgment or dismissal of the arbitration.

b. The parties agree that Bridgeport, Connecticut, will be the site for arbitration, and the arbitration will be held before a single arbitrator, not a panel.

c. You may only seek damages or any remedy under law or equity for any arbitrable claim against us or our successors or assigns. You agree our intended beneficiaries of the arbitration clause, including our affiliates, shareholders, directors, officers, employees, agents and representatives, and their affiliates, will be neither liable nor named as a party in any arbitration or litigation proceeding commenced by you where the claim arises out of or relates to this Note and Agreement. If you name a party in any arbitration or litigation proceeding in violation of this Section [22.c.][to be modified if Guarantor terms included in Section 20], you will reimburse us for reasonable costs incurred, including but not limited to arbitration fees, court costs, lawyers' fees, management preparation time, witness fees, and travel expenses incurred by us or the party.

d. Any disputes concerning the enforceability or scope of the arbitration clause will be resolved pursuant to the Federal Arbitration Act, 9 U.S.C. §1, et seq. ("FAA"), and the parties agree that the FAA preempts any state law restrictions (including the site of the arbitration) on the enforcement of the arbitration clause in this Note and Agreement. The parties agree to waive any right to disclaim or contest this pre-dispute arbitration agreement.

e. A party will be in default of this Note and Agreement if it i) commences action in any court in violation of this Section 22 [to be modified if Guarantor terms included in Section 20] prior to an arbitrator's final decision (except as otherwise allowed by this Note and Agreement, including to compel arbitration), or ii) commences litigation in any forum except where permitted by this Section 22 [to be modified if Guarantor terms included in Section 20]. The defaulting party must commence arbitration or litigation (as applicable and only if permitted) in compliance with this Section 22 [to be modified if Guarantor terms included in Section 20] prior to any award or final judgment. The defaulting party will also be responsible for the expenses the other party incurs to enforce Section 22.a. [to be modified if Guarantor terms included in Section 20], including but not limited to filing fees, court costs, attorneys' fees and travel expenses. However, if a court of competent jurisdiction deems the arbitration clause unenforceable after all appeals have been exhausted, the defaulting party will not be responsible for such costs.

f. The parties agree that all statutes of limitations provided for in the governing law that is applied to the arbitration shall have full force and effect.

22. EACH PARTY WAIVES, WITHOUT LIMITATION, ANY RIGHT IT MIGHT OTHERWISE HAVE TO TRIAL BY JURY ON ANY AND ALL CLAIMS ASSERTED AGAINST THE OTHER. THIS WAIVER IS EFFECTIVE EVEN IF A COURT OF COMPETENT JURISDICTION DECIDES THAT THE ARBITRATION PROVISION IN SECTION 22 [to be modified if Guarantor terms included in Section 20] IS UNENFORCEABLE. EACH PARTY ACKNOWLEDGES THAT IT HAS HAD A FULL OPPORTUNITY TO CONSULT WITH COUNSEL CONCERNING THIS WAIVER, AND THAT THIS WAIVER IS INFORMED, VOLUNTARY, INTENTIONAL, AND NOT THE RESULT OF UNEQUAL BARGAINING POWER. EACH PARTY AGREES THAT ANY SUCH TRIAL SHALL TAKE PLACE IN A COURT OF COMPETENT JURISDICTION IN CONNECTICUT.
23. Each party may transmit its signature on this Note and Agreement by electronic mail or other electronic signature, such as DocuSign, and any signature so transmitted will be binding and effective as an original. This Note and Agreement may be executed in any number of counterparts, each of which shall be deemed an original but all of which shall constitute one and the same instrument. Ink-signed original signatures to this Note and Agreement are required to be delivered to the Holder promptly after delivery of any electronic signatures.

Customer is a Subway® franchisee operating Subway® restaurants pursuant to a franchise agreement with Doctor's Associates LLC ("DAL").

Schedule A describes the equipment and other goods HTF agrees to lease to Customer ("**Equipment**"), and the services, or other non-hardware items, if any ("**Soft Cost Items**"; the Equipment and Soft Cost Items, collectively, the "**Items**"), if any, whose costs HTF agrees to lease to for Customer, and the Items' location ("**Location**") and supplier ("**Supplier**").

The date that each of the Items have been delivered (or, for Soft Cost Items, made available and fully accessible) to Customer is the "Delivery Date." Customer will evaluate any Items on the Delivery Date. On and as of the Delivery Date the Items will be conclusively presumed to have been provided by Supplier and absolutely and finally accepted by Customer for all purposes, without any further right of evaluation or rejection, unless within 10 days of the Delivery Date (and before Customer otherwise confirms its acceptance in writing), HTF receives Customer's written notice duly rejecting the Items (the date, in the absence of a timely rejection, "Acceptance Date"). HTF may rely on Supplier's statements or other evidence provided by Supplier or third parties in establishing the Acceptance Date. In the absence of HTF's bad faith, its determination of the Acceptance Date will be conclusive, both as to its fact and its timing.

Customer authorizes HTF to initiate debit entries to the Bank Account for any amounts due under this Agreement. Customer shall immediately authorize the foregoing with Bank, it will provide a copy of the authorization to HTF on request, and confirms the Bank Account information is correct. Customer shall not revoke such authorization without at least 60 days before revocation providing HTF with a similar authorization satisfactory to HTF for a different bank account (which shall then be the *Bank Account* hereunder). HTF shall make all debit entries to the Bank Account only after invoicing Customer, and not before the payment due date. HTF will not impose late charges under this Agreement directly resulting from its timing of direct debit entries. If HTF's ability to complete direct debit entries is terminated for any reason (regardless of whether or not any such termination is permitted), then with respect to all amounts for which HTF has been unable to initiate debit entries to the Bank Account or in the event a debit entry to the Bank Account is rejected, Customer will make timely payment by financial instrument or otherwise in good funds. Additionally, with respect to any debit entry initiated by HTF that is not successful, HTF may periodically initiate additional debit entries until the underlying obligation is satisfied. Without limiting the foregoing, HTF presently intends to initiate debit entries to the Bank Account under this Agreement for Periodic Payments (including applicable sales/use taxes and estimated personal property taxes) and Pass-Through Payments.

Terms & Conditions

1. Effectiveness. HTF will accept and be fully bound by this Lease Agreement ("**Agreement**") only by signing it or paying Supplier for the Equipment and Soft Cost Items (if any) and only after Customer has supplied all required financial information and HTF has determined that Customer meets HTF's underwriting requirements and satisfies HTF's applicable policies for the "on-boarding" of customers, including as to all matters relating to the USA Patriot Act, OFAC, "know-your-customer," and restrictions on establishing relationships with customers engaged in certain types of businesses. HTF will make a copy of this Agreement available to Customer electronically promptly after its acceptance by HTF and, on request email Customer a copy of this Agreement. **Customer cannot terminate or cancel this Agreement except as expressly provided herein.**

2. Term. The term of this Agreement ("**Term**") begins on the Acceptance Date and then continues to the first day of (and Periodic Payments begin with) the Payment Period whose first day occurs on or next follows such date, and then for the Base Term, and then for any renewals or extensions of this Agreement at any time in effect or to come into effect, as provided in this Agreement or by other written agreement of the parties.

3. Payments. The Periodic Payment for each Payment Period of the Term is due on the first day of each Payment Period. **This Agreement is Customer's absolute and unconditional**

obligation. Customer will make all payments in full and without offset, counterclaim, notice, or defense, arising under this Agreement or otherwise, or against HTF, HTF's assigns, Supplier, or any person who is an affiliate of or closely connected with any of the foregoing persons (by ownership, contract, or otherwise), or anyone else. Without limiting the foregoing, Customer will pay HTF's assigns without regard to claims or defenses it may have against HTF. Customer may nonetheless enforce any claims against HTF in separate actions at law for damages. HTF may impose late charges up to 7.5% per annum (but not more than the lawful rate) of payments not paid when due. HTF may charge up to \$10 for any returned or unsuccessful financial instrument given by Customer or debit entry initiated by HTF (plus actual costs incurred by HTF).

4. Supplier Agreement; Maintenance Agreement. Customer is solely responsible to Supplier and all other persons for the Items under any agreement, invoice, or other document made with or received from Supplier in respect of the Items ("**Supplier Agreement**") except HTF will pay Supplier for the Items following the Acceptance Date. HTF shall have no obligation to Customer in respect of any Supplier Agreement, even if issued, received, accepted, or performed by HTF (and in such instances HTF will be acting as Customer's agent therefor with full recourse to

Customer), including in respect of terms included or not included therein, and Customer waives notice of any such terms. . The parties acknowledge that while the performance of some of Customer's duties hereunder may be performed by Supplier, Customer shall nonetheless be exclusively liable to HTF for its obligations hereunder. Under Uniform Commercial Code ("**UCC**") Article 2A Customer is entitled to the promises and warranties of Supplier given to HTF. Customer may contact Supplier for an accurate and complete statement of those promises and warranties and any disclaimers or limitations thereon.

5. Warranties and Disclaimers. Supplier and HTF do not represent or speak for one another, nor are they each other's agents. HTF assigns to Customer, during the Term, so long as no Default is continuing, any assignable representations, warranties, and promises made by Supplier or Manufacturer or any other third party in connection with the Equipment, but any claims arising therefrom may only be pursued by Customer in its own name. HTF will reasonably cooperate with Customer, at Customer's request and expense, in pursuing any such claims and obtaining for Customer the benefit of all such rights. Customer may communicate with Supplier or any third party and receive an accurate and complete statement of those promises and warranties, including any disclaimers and limitations thereon or on any remedies. **HTF's leasing (and transfer, if any) of the Equipment to Customer and financing the Soft Cost Items for Customer is As-Is, Where-Is, and without warranties of merchantability or fitness for a particular purpose or as to infringement, title, or other matters,** except that so long as no Default occurs HTF warrants it will not interfere with Customer's quiet enjoyment of the Items during the Term and HTF warrants any transfer of the Equipment to Customer to be free of liens arising by, through, or under HTF (other than this Agreement). If a failure by HTF to materially observe the foregoing warranty of quiet enjoyment continues for 10 days after notice, Customer may in its absolute discretion exercise any one or more of the following remedies (which shall be its exclusive remedies for such failure): (a) by notice terminate this Agreement (including its obligation to pay Periodic Payments) as it relates to such Items; or (b) proceed in a separate action at law to recover all direct damages suffered by Customer resulting from such failure. HTF is not responsible for any consequential, special, or indirect damages of any kind relating to this Agreement or any Items; provided, however, the foregoing limitation shall not be applicable to any Customer loss arising out of HTF's gross negligence, fraud or willful or intentional misconduct.

6. Covenants. (a) Customer will not remove the Equipment from the Location except Customer may relocate the Equipment to another of its Subway franchise locations within the continental United States of America if (and only if): Customer provides a minimum of 30 day written notice to HTF, HTF has received all reasonably necessary information regarding the new location, and DAL has consented to such relocation in writing and Customer has provided a copy of such consent to HTF. (b) Customer shall use the Items only for the business purposes for which it was designed, and in compliance with all applicable manufacturer operating standards. (c) Customer shall comply with all laws applicable to it, or to the Items, including laws relating to hazardous materials or the environment. (d) Within a reasonable amount of time, Customer must make any alterations or additions to the Equipment which are provided by HTF or the Supplier at no additional cost or that may be required for compliance with the preceding subsection which are available from the Supplier or Maintenance Provider at no additional cost. Any alterations, additions, or replacements will be HTF's sole property. Customer will make no alterations, additions, or replacements to the Equipment except as provided in this subsection or subsection (c) above. (e) Customer will keep the Equipment useable, in good working order, clean, cosmetically good, and in substantially the same condition as when shipped to Customer, reasonable wear and tear excepted. (f) Customer will perform or obtain reasonable maintenance or other similar services that may be needed for it to use or benefit from the Items.

7. Taxes. Customer will pay and reimburse HTF for (and on demand file for and pay directly), and hold HTF harmless and defend HTF from, all taxes, fees, and assessments of any kind, including penalties, fines, interest, license and registration fees, electronic waste, recycling, and other environmental fees, and sales, use, and personal property taxes (without proration), whether imposed on HTF or Customer or any of their affiliates, or on or relating to the Items, this Agreement, or any related instrument, whether any of the foregoing amounts are assessed or arise during the Term, or thereafter and fairly attributable to the Term (collectively, "**Taxes**"). Unless HTF otherwise demands, HTF is exclusively entitled to file for and pay all personal property Taxes on the Equipment. Notwithstanding anything to the contrary in this section, Customer will not be responsible for HTF's income taxes, or penalties, fines, or interest due to HTF's negligence. At HTF's option, Customer will remit, along with the Periodic Payments under this Agreement, a ratable portion HTF's reasonable estimate of personal property Taxes it expects to be assessed. Customer will remain responsible for any deficiency such Taxes are insufficient to cover, and any surplus will be credited to Customer. If "up-front" sales or use Taxes or other Taxes imposed at the inception of this Agreement are due in the state of Customer's location, Customer will finance such amounts hereunder at an interest rate equal to the implied rate of the Lease. If an individual Tax-related liability or payment is less than \$1,000, HTF may, and on Customer's request it will, certify to Customer the amount and existence of the liability, and such certification shall be conclusive evidence thereof, sufficient for all purposes.

8. Indemnity. Customer will indemnify HTF for and hold harmless and defend HTF against: (i) all third-party liabilities, damages, losses, penalties, expenses (including attorneys' fees and costs), claims, and actions (including those based on strict liability, statute, regulation, common law, or other legal theory) directly relating to Customer's use, benefit, operation, purchase, ownership, leasing, possession, maintenance, delivery, return or sale of the Items or Customer's obligations relating to this Agreement and arising or fairly relating to events occurring or conditions existing at any time during the Term and Possession Period (collectively, "**Third Party Claims**"); and (ii) damages, losses, and expenses (including attorney's fees and costs) incurred by HTF in enforcing its rights under this Agreement. However, Customer will not be liable under this section for the net price of the Items to be paid to Supplier after this Agreement requires HTF to pay it, and Customer will not be liable to a person or entity to the extent of that person or entity's negligence or willful misconduct.

9. End-of-Term. With at least 90 days' notice to HTF before the end of the Term Customer may elect to: (a) return all (and not less than all) of the Equipment, in which case Customer will continue paying Periodic Payments through the end of the Term and it will properly deinstall, pack,

transport, and deliver the Equipment to a US location designated by HTF so as to be received by HTF at that location by the end of the Term in the condition required under this Agreement and free of password protection, data, consumables, and fuel, and also free of chemicals, wastes, or toxic, hazardous, or dangerous materials not originally included by the manufacturer as part of the Equipment, and at the manufacturer's current engineering change level, and certified by the manufacturer as eligible for its maintenance contract, if generally available, at then prevailing rates, without the need for HTF to incur any repair, rehabilitation, or certification expense; or (b) purchase all (and not less than all) of the Equipment on the last day of the Term for the specified Purchase Option price; or (c) with HTF's written approval, renew the Term for a minimum of 6 months at a Periodic Payment based upon the then-fair market value of the Equipment and as mutually agreed in writing; or (d) elect any other end-of-Term option that may be stated herein. If Customer does not give such election notice or does not pay or perform Customer's elected option by the end of the Term, the Term will automatically renew at the Periodic Payment previously in effect and on the same terms for successive one-month periods until Customer give at least a 90-day written notice electing one of the foregoing options and performs the elected option by the end of the last such renewal of the Term. This Agreement is agreed to be a finance lease as defined in UCC Article 2A. Customer waives any rights and remedies Customer may have under UCC Sections 2A-508 through 2A-522.

10. Risk of Loss; Liquidated Damages. At all times until the Equipment is returned to HTF ("**Possession Period**"), Customer will, at its expense, repair any Equipment that is damaged, and within 30 days of the applicable event replace (with equipment of the same manufacturer, year, make, model, and accessories and in the condition required hereunder), or pay HTF the Liquidated Damages, if any Equipment is lost, stolen, destroyed, damaged and not repaired, and is not replaced by Customer within such period, or governmentally requisitioned or taken. Customer shall immediately notify HTF of the occurrence of any such event. No such event shall condition, limit, or affect Customer's obligations under this Agreement, including its payment obligations. "**Liquidated Damages**" means, as of the date for which such amount is being determined, liquidated damages consisting of: the Periodic Payments and other amounts then due and outstanding hereunder; plus the present value of all Periodic Payments scheduled to become due for the rest of the Term, discounted from their Due Dates at 3% per annum; plus the present value of the amount that Customer is obliged to pay or that it may optionally pay to acquire all of the Equipment at the end of the Term, if this Agreement expressly gives Customer the obligation or option to do so, or of the fair market value of the Equipment otherwise, discounted from the last day of the Term at 3% per annum. When HTF receives the Liquidated Damages in full when due under this section or Sections 13(b) or 15 below, plus all Taxes and other amounts due in connection therewith or that are otherwise outstanding hereunder, this Agreement (including the obligation to pay future Periodic Payments) will terminate and HTF will transfer to Customer any Equipment still in Customer's possession.

11. Insurance. Until the end of the Possession Period Customer will, at its expense, maintain property insurance against the loss, theft or damage to the Equipment for its full replacement value. Customer will provide HTF with evidence of such insurance as from time to time HTF may request. Any insurance proceeds of such insurance received by HTF or Assignee in respect of events with respect to which Customer has concurrent Agreement obligations will be applied by HTF to those obligations. Customer has no right to the benefit of any insurance maintained by HTF for its own account.

12. Default. A default by Customer ("**Default**") shall occur if: Customer fails to make any Periodic Payment or other payment due hereunder or under any Other Agreement within 10 days of receipt of written notice of the payment's being overdue; Customer fails to comply with the material terms of this Agreement or any related document or Other Agreement and, if curable, the failure continues uncured for 30 days after written notice; Customer or any guarantor of this Agreement is or becomes insolvent, dissolves, or assigns its assets for the benefit of its creditors, or becomes the subject of any bankruptcy (excluding a reorganization) proceeding; or any guarantor of this Agreement dies and is not replaced within 60 days thereafter by a new guarantor agreeable to HTF or fails to comply with its guaranty; or any material financial information made available by Customer or any application made or other information given by Customer is or is discovered to be materially inaccurate and intentionally misleading. "**Other Agreement**" means any lease, finance agreement, installment payment agreement, loan, note, or other agreement made by Customer with HTF or an affiliate of HTF or that HTF or an affiliate of HTF is or becomes the beneficiary of, and any agreement of any kind made by Customer at any time with any person that HTF considers to be a material agreement.

13. Remedies. Upon a Default HTF may with notice to Customer: (a) terminate this Agreement; (b) declare the Liquidated Damages immediately due; (c) peacefully repossess any Equipment without court order (with HTF's liability limited to direct damages caused by HTF's gross negligence, willful misconduct or breach of the peace) or require Customer to return any Equipment to HTF; and/or (d) require Customer to cease using or benefitting from any Items. HTF may notify DAL and any guarantor or any other persons of its intended exercise and exercise of any of the foregoing remedies. HTF's sole obligation to mitigate its damages is that if it repossesses any Equipment under this section, it will dispose of the Equipment in a commercially reasonable manner with or without notice (but, if notice is required by law, 10 days' notice is reasonable), at public or private sale, and apply the net proceeds (after deducting all taxes and reasonable costs related to the sale or other disposition) to the amounts Customer owes HTF, and Customer will remain liable for any deficiency. The foregoing remedies are cumulative and in addition to all other rights or remedies now or hereafter existing under this Agreement or at law or in equity and may be enforced concurrently and from time to time. If Customer fails to make any payment to a third party or perform any other act required hereunder, HTF may, but need not, make such payment or perform such act at the expense of Customer, reimbursable to HTF on demand, and HTF's action shall not be deemed a cure or waiver of Customer's failure.

14. Title. All Soft Cost Items are provided directly to Customer by Supplier, and not by HTF, even if any Supplier Agreement or Supplier invoice is issued, received, accepted, or performed by HTF (and in such instances HTF will be acting as Customer's agent therefor, with full recourse to Customer, and without affecting Customer's assignment to HTF provided in Section 4 above). Customer has no right or interest in the Equipment except that set forth in this Agreement. The

Equipment is the separate personal property of HTF even if physically attached to other real or personal property. Customer will keep the Equipment free of all liens and encumbrances other than this Agreement and those created by HTF or its assigns. Customer agrees promptly, at Customer's expense, to deliver such documents and make such reasonable assurances, and take such reasonable further action as HTF may reasonably request, in order to effectively carry out the intent and purpose of this Agreement.

15. Assignment. HTF may, with or without notifying Customer, and without relieving HTF of any of HTF's obligations hereunder, in whole or in part transfer or assign this Agreement or any Equipment, including as collateral for any obligation of HTF owing to such assignee. However, provided no Default has occurred, Customer will not be required to pay HTF's assignee any amounts under this Agreement unless Customer is provided with written notice that payments should be made to such assignee (and if so instructed, Customer agrees to make payments due hereunder directly to HTF's assignee, as indicated in such notice). **Customer agrees any assignments or transfers by HTF will not materially change Customer's obligations hereunder. Customer may not in whole or in part transfer or assign this Agreement or the Equipment or sublease the Equipment to any other person without HTF's prior written consent, not to be unreasonably withheld.** However, with at least 30 days' prior notice to HTF and provided no Default exists under this Agreement, Customer may assign this Agreement and the Equipment to another DAL franchisee in the United States ("Replacement Franchisee") if (a) DAL approves in writing the Replacement Franchisee as a franchisee in good standing ; (b) HTF and its assignee agree in writing that the Replacement Franchisee can meet HTF's and its assignee's then current underwriting requirements and satisfies HTF's and its assignee's then applicable policies for the "on-boarding" of customers, including as to all matters relating to the USA Patriot Act, OFAC, "know-your-customer," and restrictions on establishing relationships with customers engaged in certain types of businesses (HTF shall determine whether the conditions of this subsection (b) are met promptly after it receives all documents, assurances, certifications, and financial or other information it may request), and (c) Customer's assignee assumes this Agreement in a writing reasonably satisfactory to HTF, executed by persons for whom HTF has received satisfactory evidence of the names, titles, signatures, and authority. No assignment other than one satisfying the conditions of subsections (a), (b) and (c) above will condition, limit, or affect Customer's obligations under this Agreement. Upon the effective date of an assignment satisfying the conditions of subsections (a), (b) and (c) above, Customer will be relieved of (and

Customer's assignee shall become liable for) all of Customer obligations under this Agreement arising (or fairly attributable to events or occurring or conditions existing) after the assignment. If a requested approval is not given to an assignment under this section or HTF does not determine that the conditions under subsection (b) above is met, Customer may terminate this Agreement by paying the Liquidated Damages under Section 10 above. Subject to the foregoing, this Agreement binds and benefits the parties' successors and assigns.

16. Interpretation. Michigan law governs this Agreement without giving effect to any principles of conflicts of law. The parties irrevocably consent to the jurisdiction of the federal and state courts in Michigan. **If permitted by law, both parties both waive jury trial.** The terms of this Agreement may differ from other similar agreements between the parties. Time is of the essence. A provision of this Agreement that is or becomes invalid does not affect the remainder of that provision or this Agreement. Terms of inclusion are without limitation. The provisions of this Agreement that would ordinarily be considered to survive termination will survive its termination, and the expiration of the Term or Possession Period, and any return or sale of the Equipment, including the provisions hereof relating to indemnity, defense, holding harmless, and reimbursement for Taxes and Claims. **"FMV"** and **"fair market value"** both mean HTF's reasonable determination of the Equipment's retail in-place sale value assuming that it is in the location and condition required under this Agreement, with all software, services, and consumables necessary for its use being readily available in the market.

17. Miscellaneous. This Agreement is executable in counterparts. Any facsimile, photocopy, or other electronic transmission or electronic signing of this Agreement by Customer when attached to HTF's original manual signature counterpart and/or in its possession shall constitute the single, true original chattel paper as defined in the UCC for all purposes and will be admissible as legal evidence thereof. Amendments to this Agreement are effective only if in writing and signed by both parties. A party's waiver or failure to require strict observance of this Agreement will not constitute a waiver of any other breach of the same or any other provision of this Agreement or any Other Agreement. Notices must be given in writing and directed to a party at its address shown herein (or to another address specified by that party by notice). Demands for payment may be given in any reasonable manner, including by invoice or other writing directed to Customer's billing or notice address. HTF may obtain credit reports from or make inquiries and reports to credit bureaus or other sources as it determines appropriate.

EXHIBIT L LITIGATION

We and our affiliates are sometimes named as parties to lawsuits brought by people who claim injury from eating, working or being in a Subway® restaurant, even though the restaurant is owned and operated by a franchisee. The franchisee and others are usually also named as parties in these cases. These lawsuits include claims arising from cases of hepatitis or other illness which the customers claim they contracted at the restaurant, or from a death, assault or personal injury which results from an accident (e.g., slip and fall), employment or a robbery or other criminal act by a third party. We and our affiliates maintain insurance coverage against liability for these actions and vigorously contest them. You are also required under your Franchise Agreement to maintain insurance against these risks. See Item 14. We believe these types of lawsuits are ordinary routine litigation, covered by insurance, and not material. We choose to disclose these matters to you generally to point out the types of lawsuits which might arise from the operation of your restaurant and to stress to you the importance of maintaining adequate insurance coverage. There have also been highly publicized cases recently where juries have found other franchisors liable for injuries resulting from a franchisee's operations, and we believe you would like to be aware that we, our affiliates and franchisees are sometimes sued because of events which occur at independently owned and operated restaurants. A. Pending Actions:

- 1) Direction Régionale des Entreprises, de la Concurrence, de la Consommation, du Travail et de l'Emploi ("DIRECCTE") Plaintiff, v. Subway International, B.V. ("SIBV") and Subway Realty of France ("SROF"), Defendants (commercial court of Paris, France, 2016). Plaintiff, a branch of the French government, claims that SIBV's Franchise Agreement contains invalid clauses under French ~~economic~~ law creating a significant imbalance between the rights and obligations of SIBV and its franchisees. ~~The commercial court of Paris allowed thirty four intervenor and asked, in 2016, the Paris Commercial Court, among other things, to: (i) declare several clauses of the franchise agreement significantly imbalanced and annul them, (ii) order SIBV to cease these practices, (iii) sentence Defendants to pay a fine of Euros 2 million and (iv) order the publication of the decision in three French newspapers. About thirty franchisees and ex-franchisees decided to join the proceedings and claim damages.~~ After issuing two preliminary rulings on May 28, 2019 and January 21, 2020, The court found on October 13, 2020 that certain portions of the franchise agreement were significantly imbalanced and therefore null and void and needed to be revised, and a fine of €500,000 was imposed, lower than the €2,000,000 that the DIRECCTE requested. On January 15, 2021, SIBV and SROF filed an appeal against the preliminary rulings of 2019 and 2020 and the ruling on the merits of October 13, 2020 with the Paris Court of Appeal. The appeal is pending.

On February 9 and 15, 2021, certain intervenor franchisees and ex-franchisees requested and obtained from the Paris Commercial Court that it reopens the proceedings to rule on their claims for damages. SIBV and SROF filed submissions to request that the stay of proceedings be maintained pending the final decision of the Paris Court of Appeal on the appeal against the three aforementioned judgments. On July 6, 2021, the Paris

Commercial Court granted this request for a stay of proceedings. A hearing has been scheduled on April 24, 2024 before the Paris Commercial Court to decide, once again, on the stay of proceedings, pending the decision of the Paris Court of Appeal.

In a Court order dated May 26, 2021, the pre-trial judge of the Court of appeal decided that the appeal against the intervening parties for the ruling of the Paris Commercial Court of October 13, 2020 was admissible but not the appeal against the two interim rulings. On June 15, 2022, the collegiate body of the Paris Court of Appeal followed SIBV's and SROF's argumentation and ruled that all appeals of SIBV and SROF were admissible against all the parties (including the intervening parties) and all rulings of the Paris Commercial Court (the two preliminary rulings and the ruling on the merits).

In July 2022, SIBV and SROF entered into settlement discussions with the intervening parties in order to put an amicable and definitive end to their dispute. As of April 2024, a settlement agreement has been reached between SIBV, SROF and most of the intervening parties, which therefore withdrew their appeal before the Paris Court of Appeal and their claims on the merits before the Paris Commercial Court. Only four ex franchisees have maintained their claims against SIBV and SROF.

For the franchisees that settled, the material terms of the various settlement agreements include the respective franchisee agreeing to withdraw from the proceedings and waive in full all past, present and future claims against SIBV and SROF, and in certain cases, SIBV agreed to make a payment to, or waive of past debts of, the respective franchisees.

At the same time, SIBV and SROF also entered into negotiations with the DIRECCTE in July 2022 and in March 2024, SIBV, SROF and DIRECCTE signed a settlement agreement putting an amicable and definitive end to their dispute. In the settlement agreement, the parties agreed to withdraw from the proceedings before the Paris Court of Appeal. In addition, the Parties agreed that SIBV (1) will pay DIRECCTE €450,000 as final settlement indemnity; (2) acquiesced to the ruling rendered by the Paris Commercial Court on October 13, 2020 (except for the fine of €500,000) (3) will continue to use a standard franchise agreement that is compliant with an agreed template and applicable French law; and (4) will further amend the Operations Manual in relation to restaurant opening hours and procedure for opening new restaurants.

The dispute between SIBV and SROF, on the one hand and (i) the intervening parties who have settled and (ii) the DIRECCTE, on the other hand, is now settled. Therefore the dispute will continue only with the four ex franchisees who are still in the proceedings and the debate before the Paris Court of Appeal will focus exclusively on the admissibility of their claims. If the Paris Court of Appeal follows SIBV and SROF's argumentation on the inadmissibility of their claims and if they do not appeal before the French Court of cassation, the Paris Commercial Court should follow and dismiss their claims for damages. If, on the contrary, the Paris Court of Appeal confirms the admissibility of their claims, the debate before the Paris Commercial Court will focus on the merits of their claims.

- 2) Alfredo Núñez, Rodrigo Montealegre, and SERALI RD, S.R.L., Plaintiffs v. Subway International B.V., Cynthia Eadie, and Jorge Barillas, Defendants (District Attorney's Office of the National District, Dominican Republic). Plaintiffs allege that they lost sales and were harmed by publications made on social media by Defendants indicating that Plaintiffs are not authorized Subway® operators, which they claim is false. Plaintiffs requested criminal sanctions of preventive detention of Cynthia Eadie and Jorge Barillas, one-year imprisonment and a fine of five hundred times the minimum wage. Plaintiffs also request damages of \$30,000,000 DOP for losses and \$10,000,000 DOP for compensation of material and moral damages in favor of the Plaintiffs. Defendants deny the Plaintiff's claims. On February 4, 2021 the District Attorney notified parties of its decision to dismiss the Plaintiffs' Complaint. On September 16, 2021, Plaintiffs filed an objection before a Pre-Trial Court. This objection was rejected by the Pre-Trial Court on May 26, 2022. On August 10, 2022, Plaintiffs appealed before the Criminal Court of Appeal. This appeal was rejected on November 18, 2022. On December 20, 2022, Plaintiffs filed a constitution revision remedy against the Constitutional Court. This action is pending for a decision. Through Judicial Bulletin No. 88/23 dated December 27, 2023, an executive summary of the Constitutional Court's decision was published, which states that the Constitutional Court has ruled in favor of

SIBV, rejecting Plaintiff's motion of unconstitutionality. Waiting for this final decision to be published to close the matter.

The court specifically found that Walker was properly served but failed to respond to the Petition, and, on February 1, 2023, the court entered judgment. The Tennessee complaint alleges generally that DAL breached the Franchise Agreement, that the Franchise Agreement imposed "onerous and impractical requirements" on Walker, and that DAL took adverse actions against Walker. Walker further alleges that DAL's Business Developers, Greg Ring and Jacob Ring, conspired with DAL to give Walker incorrect advice and deprive him of benefits. The core of Walker's allegations arise from his termination as a franchisee wherein Walker executed a Stipulated Award which Walker subsequently breached. DAL filed an appearance and a Motion to Stay the Tennessee litigation pending the outcome of the U.S. District Court-ordered arbitration. The Tennessee state court granted DAL's Motion. Thereafter, Walker filed for bankruptcy.

Based on the negotiations held between SPCCV and several Plaintiffs that led to the execution of respective settlement agreements, on March 2020, 17 plaintiffs waived their claims in the class action. On March 11, 2020 the Court overturned the ruling that admitted the suit to process on the basis that the remaining Plaintiffs did not meet the definition of the class as defined by the Court. 57) 49) In the Matter of: The Commissioner of Financial Protection and Innovation v. Doctor's Associates LLC d/b/a Subway (California Department of Financial Protection and Innovation) Consent Order Oct. 28, 2020 (no case number). As part of an informal investigation with which we cooperated fully, the Commissioner of Financial Protection and Innovation ("Commissioner") notified us of certain alleged violations of the California Franchise Investment Law ("FIL") (Corp. Code § 31000 et seq.). To comply with the FIL, we qualify for, and rely on, an exemption for well-capitalized, experienced franchisors from registration. In addition to the capitalization and experience qualifications that we meet, to secure the availability of the exemption, we are required to file an annual exemption notice and pay a filing fee prior to offering or selling franchises in California. The exemptions apply for the calendar year filed or otherwise specified in the notice. In certain years in the last decade, we filed the exemption notice later than the beginning of the year. Accordingly, because of the late filing, the Commissioner alleged that we sold unregistered franchises in California and materially modified franchise agreements in parts of the years 2013-2015 and 2018 without complying with the registration requirements under the FIL. Under the FIL, it is unlawful for any person to offer or sell a franchise in California or to solicit a franchisee's agreement to a material modification to its existing franchise agreement unless the offer or material modification has been registered or is otherwise exempt. The Commissioner did not file an administrative enforcement action against us; instead, on November 4, 2020, we and the Commissioner entered into a Consent Order whereby we agreed to stop such violations, and pay penalties totaling \$410,000 for the alleged violations. We also agreed that certain management personnel would attend four hours of California franchise law training courses. We completed the training on December 17, 2020.

The suit alleges that Subway infringed three of the plaintiff's patents related to mobile ordering systems technology: U.S. Patent Nos.: 8,682,729, 10,157,414 and 11,195,224 (collectively, the "Tiare Patents"). The complaint further alleges that the ordering application and location-tracking functionality through the mobile application provided by Subway infringes the Tiare Patents. The plaintiff seeks compensatory damages of an amount no less than the amount of a "reasonable royalty" under 35 U.S.C. § 284, treble damages under 35 U.S.C. § 284 for Subway's alleged willful infringement of the Tiare Patents, a declaratory judgment that Subway has infringed each of the Tiare Patents, a judgment and order enjoining Subway from infringing upon the Tiare Patents and a judgment and order finding the case "exceptional", thus, requiring Subway to pay the plaintiff its reasonable attorneys' fees and costs incurred in the litigation pursuant to 35 U.S.C. § 285. The states alleged that the use of these provisions violated the states’ antitrust, unfair competition, unfair or deceptive acts or practices, consumer protection and other state laws. ARG expressly denies these conclusions but decided to enter into the settlement agreement to avoid litigation with the states. Under the settlement agreement, ARG paid no money but agreed (a) to remove the disputed provision from its franchise agreements (which it had already done); (b) not to enforce the disputed provision in existing agreements or to intervene in any action by the Attorneys General if a franchisee seeks to enforce the provision; (c) to seek amendments of the existing franchise agreements in the applicable states to remove the disputed provision from the agreements; and (d) to post a notice and ask franchisees to post a notice to employees about the disputed provision. The applicable states instituted actions in their courts to enforce the settlement agreement through Final Judgments and Orders, Assurances of Discontinuance, Assurances of Voluntary Compliance, and similar methods.

59) The People of the State of California v. Dunkin’ Brands, Inc., (California Superior Court, Los Angeles County, Case No. 19STCV09597, filed on March 19, 2019). On March 14, 2019, our affiliate, Dunkin Brands, Inc. (“DBI”), entered into a settlement agreement with the Attorneys General of 13 states and jurisdictions concerning the inclusion of “no-poaching” provisions in Dunkin’ restaurant franchise agreements. The settling states and jurisdictions included California, Illinois, Iowa, Maryland, Massachusetts, New Jersey, New York, North Carolina, Pennsylvania, Rhode Island, Vermont, and the District of Columbia. A small number of franchise agreements in the Dunkin’ system prohibit Dunkin’ franchisees from hiring the employees of other Dunkin’ franchisees and/or DBI’s employees. A larger number of franchise agreements in the Dunkin’ system contain a no-poaching provision that prevents Dunkin’ franchisees and DBI from hiring each other’s employees. Under the terms of the settlement, DBI agreed not to enforce either version of the no-poaching provision or assist Dunkin’s franchisees in enforcing that provision. In addition, DBI agreed to seek the amendment of 128 franchise agreements that contain a no-poaching provision that bars a franchisee from hiring the employees of another Dunkin’ franchisee. The effect of the amendment would be to remove the no-poaching provision. DBI expressly denied in the settlement agreement that it had engaged in any conduct that had violated state or federal law, and, furthermore, the settlement agreement stated that such agreement should not be construed as an admission of law, fact, liability, misconduct, or wrongdoing on the part of DBI. The Attorney General of the State of California filed the above-reference lawsuit in order to place the settlement agreement in the public record, and the action was closed after the court approved the parties’ stipulation of judgment.

60) New York v. Dunkin’ Brands, Inc. (N.Y. Supreme Court for New York County, Case No. 451787/2019, filed September 26, 2019). In this matter, the N.Y. Attorney General (“NYAG”) filed a lawsuit against our affiliate, DBI, related to credential-stuffing cyberattacks during 2015 and 2018. The NYAG alleged that the cyber attackers used individuals’ credentials obtained from elsewhere on the Internet to gain access to certain information for DD Perks customers and others who had registered a Dunkin’ gift card. The NYAG further alleged that DBI failed to adequately notify customers and to adequately investigate and disclose the security breaches, which the NYAG alleged violated the New York laws concerning data privacy as well as unfair trade practices. On September 21, 2020, without admitting or denying the NYAG’s allegations, DBI and the NYAG entered into a consent agreement to resolve the State’s complaint. Under the consent order, DBI agreed to pay \$650,000 in penalties and costs, issue certain notices and other types of communications to New York customers, and maintain a comprehensive information security program through September 2026, including precautions and response measures for credential-stuffing attacks.

Social media is a fun way to promote Subway's newest ~~sub~~[products](#), craveable ingredients and convenient guest experiences, and you are encouraged to use your individual social media pages to appropriately share your brand love.

When mentioning the Subway brand, products, or promotions on social media, please follow the guidelines below. **Your franchisor reserves the right to remove any Subway related post for any reason.**

- **Identify yourself** with your name and, when relevant, your role at Subway.
 - If mentioning Subway outside of reposting a national post, use a disclaimer, such as:
 - Twitter/Instagram/TikTok disclaimer: "These tweets are my own, not Subway's".
 - Blog disclaimer: "The opinions expressed in this blog are my own and not those of Subway®".
 - Be aware that others will associate you with the Subway brand when you or your employees identify yourself as a BD or Franchisee. Ensure that your LinkedIn, Twitter, or other social network profile and related content is consistent with how you wish to present yourself to colleagues and guests.
- **Share your relationship to Subway® and restaurant location(s)** when endorsing the Subway brand or offering promotions.

- It is a legal requirement that you disclose your relationship with Subway when promoting or endorsing the Subway brand.
 - When sharing a national post, please include something like "I am a proud owner of a Subway® restaurant".
- To avoid confusion amongst guests, distinguish between local and national promotions in your posts if relevant.
- **Only cite agencies, partners or suppliers with their approval.** If possible, link to the source when you do make a reference.
- **Respect your audience.** Show proper consideration for others' privacy and for topics that may be considered objectionable or inflammatory, such as religion or politics, and refrain from posting anything that could be viewed as obscene, threatening, harassing, discriminatory or abusive.
- **Respect intellectual property and rights of publicity.** Obtain necessary licenses and/or permissions before posting or referring to others' work. This includes trademarks, work subject to copyright and rights of publicity.
- **When in doubt, ask before you share.** If you are considering content that makes you even the slightest bit uncomfortable, don't share it. If you are still unsure and it's related to Subway®, contact the BD or SMO Team.

If you experience or are aware of BD, Franchisee, manager or Sandwich Artist™ misconduct on any social media platform that violates this policy or any other Subway brand policies, please contact the BD or SMO Team.

MEANINGFULLY SHARE AND ENGAGE WITH CONTENT

If you mention the Subway brand, products or promotions on your individual social media page, **consider:**

- **Showcase your personality.** Be yourself and have fun on social media. Your creativity, energy, and unique perspective are invaluable to our brand. Don't shy away from sharing that with your audience.
- **Use captivating language.** We are all exceptionally passionate and proud of the products we serve. Use descriptors and engaging language when sharing content on social media to ensure that your audience recognizes your excitement for the Subway brand.
- **Invite your audience to join the conversation.** Social media is a great place to spark positive conversations and invite feedback from your audience. Try sharing prompts that encourage people to talk about what they love most about our product and meal experience.
- **Increase your visibility with brand hashtags and mentions.** Tag our official brand pages and include the below hashtags when writing your caption to increase the probability that users will see your content in their social media feeds.
- Our official US brand hashtags include:
 - #EatFreshRefresh
 - When using #EatFreshRefresh it must be accompanied by #Freshlyprepared

o #SubwayDelivers

- **Keep the information on your social media pages current.** Outdated information can lead to confusion amongst guests.
- **Use high quality images, graphics, and/or videos of the product.** When capturing images and videos of our product, be sure to use good lighting and proper positioning. Images and videos should have high clarity for users to see and engage with. Also, remember to get creative! Consider how to make the product look more enticing and compelling for your audiences.
- **Inspect your environment.** Before capturing content, be sure to scan your environment for any distracting background items, untidy workspaces, or depictions of confidential information.
- **Request permission to feature guests in your content.** If you are featuring a guest or co-creating content with a guest, be sure to ask for consent before sharing the content onto your social media pages. This ensures that the guest is aware of how they will be depicted in your content, and where and how the guest may become discoverable across social media.
- **Monitor your activity closely.** Posts and responses move fast. Monitor posts, respond when necessary, and forward complaints as appropriate. Remember, any misinformation or negativity can escalate if left unchecked.

SOCIAL MEDIA ACTIVITIES TO AVOID

If you mention the Subway® brand, products, or promotions on social media, **you must not:**

- **Share confidential information.** Although it's great to share positive brand news, the Franchise agreement and/or Business Development agreement that you have signed with us contains restrictions that require you to keep certain information confidential. This includes any information about our business strategies or upcoming initiatives before their official launch. If you share information with your staff make sure they have a confidentiality agreement that protects the information and obligates your employee to treat it as confidential.
 - o Pay close attention to disclaimers and phrases such as "for internal use only." These materials should not be forwarded to anyone who is not subject to a confidentiality agreement.

Remember, your online and in-person interactions, as well as those of your team members, reflect the Subway brand. You are expected to conduct yourself in accordance with company standards, policies, and behavior outlined in this document and your agreement with us. Failure to do so may be a default of your agreement with us.

BACKGROUND INFORMATION:

The Parties acknowledge that DAL and _____ entered into a Franchise Agreement dated _____ (the “**Franchise Agreement**”) for Subway® franchise # _____, located at _____, _____, _____.

OPERATIVE TERMS:

Accordingly, the parties agree as follows:

1. **Release by Franchisee Releasing Parties.** The Franchisee Releasing Parties do hereby irrevocably and unconditionally forever release, waive, discharge and covenant not to sue, DAL Released Parties of and from any and all actions, causes of actions at law and in equity, charges, complaints, contracts, liabilities, obligations, claims, demands, premises, reimbursements, costs, losses, debts, expenses, attorney’s fees, damages, indemnities and claims of any kind or nature whatsoever which any of Franchisee Releasing Parties now have, ever had, or hereafter can, will or may have against any of the DAL Released Parties for and upon, or by reason of any damage, harm, loss or injury, now existing or hereafter arising out of or relating in any way to any acts, failure to act, omissions or intentional, negligent, reckless, or willful conduct or misconduct of any of the DAL Released Parties or their business or commercial activities, trademarks or service marks, occurring or arising at any time on or before the Effective Date, except for DAL’s obligations under the Franchise Agreement and this Release. This release, waiver, discharge and covenant not to sue extends and applies to, and also covers and includes, all unknown, unforeseen, unanticipated and unsuspected injuries, damages, losses and liabilities, and the consequences thereof, as well as those now disclosed and known to exist occurring or arising on or before the Effective Date. The provisions of any state, federal, local or territorial law or statute providing in substance that releases will not extend to claims, demands, injuries or damages which are unknown or unsuspected to exist at the time to the person executing such releases are expressly waived by Franchisee Releasing Parties. However, this release will not apply to the duties and obligations expressly contained in this Release and the Franchise Agreement.

Each Franchisee Releasing Party has read or been advised of Section 1542 of the Civil Code of the State of California, which provides as follows: A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR. Each Franchisee Releasing Party

understands that Section 1542 gives him, her or it the right not to release existing claims of which he, she or it is not now aware, unless he, she or it voluntarily chooses to waive this right. Having been so apprised, each Franchisee Releasing Party nevertheless voluntarily elects to and does waive the rights described in Section 1542 of the Civil Code of the State of California, and elects to assume all risks for claims that now exist in his, her or its favor, known or unknown.

2. **Confidentiality.** The parties expressly agree that they will maintain this Release, all drafts and discussions and actions relating to it and this Release's terms and conditions, in strict confidence and will not disclose the same to any third party without the prior written consent of the other parties. The foregoing obligations will not apply to any terms that a party is ordered by a court or tribunal of competent jurisdiction to disclose or in connection with a third party request as part of discovery in any court or administrative proceeding. RENEWAL, TERMINATION, TRANSFER AND DISPUTE RESOLUTION

Add the following after the heading THE FRANCHISE RELATIONSHIP:

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.

The franchise agreement provides for termination upon bankruptcy. This provision may not be unenforceable under federal bankruptcy law (11 U.S.C.A. Sec. 10 et seq.).

The franchise agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

The franchise agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

You must sign a general release if you transfer your franchise. California Corporations Code § 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code §§ 31000 through 31516). Business and Professions Code § 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code §§ 20000 through 20043).

The franchise agreement requires binding arbitration. The arbitration will occur at Connecticut with the costs being borne equally by the parties, except as otherwise provided in the Franchise Agreement. See Paragraph 24 of the Franchise Agreement.

Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

The franchise agreement requires application of the laws of Florida. This provision may not be enforceable under California law.

EXHIBIT AFRANCHISE AGREEMENT

Add the attached Franchise Agreement Addendum.

FRANCHISE AGREEMENT ADDENDUM FOR STATE OF CALIFORNIA

This Addendum (“**Addendum**”) dated _____, _____ (the “**Effective Date**”) amends and supplements the Franchise Agreement of the same date between Doctor’s Associates LLC, a Florida limited liability company, with a principal office in ~~Milford~~ Shelton, Connecticut (“**we**”, “**us**” or “**DAL**”), and _____ (“**you**”). The Franchise Agreement, as amended by this Addendum, will be called this “**Agreement**”. Capitalized terms used in this Rider that are defined in the Franchise Agreement will have the meanings given to them in the Franchise Agreement.

RECITALS:

A. The parties agree it is their intent and desire to amend this Agreement to comply with the requirements set forth in the California Franchise Investment Act (“**Franchise Act**”). The parties are signing this Addendum, in part, to comply with the Franchise Act. The parties agree that if it is later believed by a party or otherwise determined that the Franchise Agreement fails to comply with the Franchise Act, the parties will further modify the Franchise Agreement so that it will be in compliance.

AGREEMENT:

Acknowledging and agreeing to Recital above, which is added to the Recitals of the Franchise Agreement and is herein incorporated by reference in the Franchise Agreement, and notwithstanding any provisions of the Franchise Agreement to the contrary, the parties agree to amend and supplement the Franchise Agreement as follows:

I. If we give you ten (10) days’ written notice, we may, at our option and without prejudice to any of our other rights or remedies provided under this Agreement, terminate this Agreement if: (i) you abandon the Restaurant for five (5) or more consecutive days; (ii) you fail to pay any money you owe us, our Affiliates, the landlord of the premises under this Agreement or any other Franchise Agreement you have with us, or you fail to pay any amounts we may become liable to pay because of your action or omission; (iii) you are evicted from the Restaurant location for non-payment of rent or related charges; or (iv) you use the Restaurant or the Restaurant location for any unauthorized use that we believe is injurious or prejudicial to the System, the Marks or goodwill. The notice will specify the default and provide you ten (10) days to remedy the default from the date of delivery of the notice.

II. If we give you ninety (90) days’ written notice, we may, at our option and without prejudice to any of our other rights or remedies provided under this Agreement, terminate this Agreement if: (i) you do not substantially perform all of the terms and conditions of this Agreement; (ii) you lose possession of the premises where the Restaurant is located; (iii) you become(s) insolvent, make(s) an assignment for the benefit of creditors or seek(s) bankruptcy relief either through reorganization or liquidation, in any court, legal or equitable; (iv) you lose any permit or license you need to operate the Restaurant; (v) you fail to comply with your duties under this Agreement or the Operations Manual; (vi) you fail to obtain from us or the BD approval to open the Restaurant or to re-open the Restaurant after a relocation; (vii) you fail to properly report gross sales as provided in this Agreement; (viii) you fail to complete any transfer or assignment of the Restaurant in accordance with this Agreement, as applicable; or (ix) you violate the covenant not to compete. The notice will specify the default and provide you sixty (60) days to remedy the default from the date of delivery of the notice. If you cure the default within sixty (60) days, the notice will be void.

III. We may, at our option and without prejudice to any of our other rights or remedies provided under this Agreement, terminate this Agreement without an opportunity to remedy the default unless prohibited by law if: (i) you fail to comply with all civil and criminal laws, ordinances, rules, regulations and orders of public authorities; (ii) you intentionally under-report gross sales, falsify financial data, make a material misrepresentation to us (such as altering an impact survey) or otherwise commit an act of fraud; (iii) you are convicted of or plead guilty or “nolo contendere” to a felony, a crime of violence, moral turpitude, an indictable offense, unfair or deceptive trade practices, or any other crime or offense that is injurious or prejudicial to the System, the Marks or goodwill; (iv) you use the Restaurant or the

Restaurant location for any illegal use which would present an imminent danger to the health or safety of the general public; (v) we are prohibited from doing business with you under any anti-terrorism law enacted by the US Government, including but not limited to the USA PATRIOT Act or Executive Order 13224; (vi) you are dismissed from the training program for engaging in any conduct which is illegal or is injurious or prejudicial to the System, the Marks or goodwill; (vii) you engage in any behavior which would present an imminent danger to the health and safety of an employee or representative of DAL, its Affiliate or a BD; or (viii) you engage in intentional or negligent conduct which would constitute an offense under applicable Anti-Corruption Law in relation to your operation of the Restaurant; or (xi) you operate the franchised business in violation of laws, rules, or regulations intended to protect public health or safety.

After the second notice of a default, any subsequent default in the following twelve (12) month period will be good cause for a final termination without providing you an opportunity to remedy the default, even if you remedy the default.

IV. Upon termination or expiration of this Agreement, we will purchase from you, at the value of the price paid, minus depreciation, all inventory, supplies, equipment, fixtures, and furnishings purchased from us and our approved suppliers under the terms of this Agreement or any other ancillary agreement which are reasonably required to operate the franchised business (collectively referred to as “**Items**”). You must be in possession of all Items and able to deliver clear title to them. Depreciation shall be based on a five (5) year life using the straight-line method. We are not required to purchase any personalized Items. This provision shall not apply if: 1) you decline our bonafide offer to renew; 2) we allow you to retain control of the Restaurant premises; 3) we completely withdraw from all franchised activity within the geographic market of in which the Restaurant is located; or 4) all parties to this agreement mutually agree in writing to terminate or not renew this Agreement. We will not be required to purchase any Items sold by you between the date of the notice of termination and cessation of operation of your Restaurant. We will offset any amount owed to you under this Subparagraph by any amount you owe to us under the terms of this Agreement. You will be responsible for our costs to remove and transport the Items.

V. You may only transfer the Restaurant with this Agreement with our prior written approval provided: (i) you first offer, in writing, to sell the Restaurant to us on the same terms and conditions offered by a bona fide third party purchaser, we fail to accept the offer within thirty (30) days, and your purchase agreement meets our requirements; (ii) each purchaser meets our written qualifications to purchase a franchise, which have been provided to you, and has been otherwise approved by us to own a franchise; (iii) each purchaser passed our standardized test (if not already a Subway® franchisee); (iv) each purchaser successfully completed our training program before the completion of the transfer, unless we permit otherwise; (v) each purchaser receives the required disclosure document, signs the then current form of Franchise Agreement which will amend and replace this Agreement and may contain terms, including financial terms, that differ from this Agreement, and signs the then current form of the Sublease for the Restaurant; (vi) you pay in full all money you owe us and our Affiliates for all your Subway® restaurants and you are not otherwise in default under this Agreement; (vii) you pay us \$7,500 (or \$3,750 if you transfer to, or transfer by adding, your spouse or child) plus any applicable Sales Tax for legal, accounting, training, and other expenses we incur in connection with the transfer; (viii) you deliver a general release in favor of us, the BD and our Affiliates, and agents, representatives, shareholders, partners, directors, officers, and employees of ours, of the BD and of our Affiliates, signed by you and each purchaser; (ix) you transfer the Operations Manual for the Restaurant to the purchaser (on the date of transfer); and (x) at or prior to the time of the transfer you bring the Restaurant into full compliance with our then-current standards set forth in the Operations Manual. You must deliver to us by courier or receipted mail written notice of your desire to transfer the Restaurant with this Agreement. The notice must include the name and address of each proposed purchaser, copies of all agreements related to the transfer, and each purchaser’s application, financial disclosures, and any other additional information necessary to evaluate their application. All transfer documents will be in English in a form satisfactory to us. Transfers shall be approved or denied within (60) sixty days. We will not unreasonably withhold our consent to a transfer. If the transfer is disapproved, you will receive written notice setting forth the reasons for disapproval.

A transfer is the sale or other conveyance of any portion of your rights under this Agreement to another party, including the addition or removal of an individual from this Agreement. You may not sell more than one restaurant in the same sale contract, unless we grant you written permission. You agree that the terms of sale will not include any

real estate. You acknowledge that we shall have no liability for any gain (or loss) from the sale or attempted sale of real estate related to the Restaurant.

VI. Sections 25.A through 25.G of the Franchise Agreement are hereby deleted in their entirety.

VII. The Franchise Agreement, as amended and supplemented by this Addendum, contains the entire understanding of the parties. The parties can amend the Franchise Agreement further only in a signed writing. The provisions of the Franchise Agreement, as amended and supplemented by this Addendum, are ratified and affirmed.

VIII. You acknowledge you read and understand this Addendum and the Franchise Agreement and consent to be bound by all the terms and conditions of the Franchise Agreement, as amended and supplemented by this Addendum.

FILING DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE DIRECTOR OF COMMERCE AND CONSUMER AFFAIRS OR A FINDING BY THE DIRECTOR OF COMMERCE AND CONSUMER AFFAIRS THAT THE INFORMATION PROVIDED HEREIN IS TRUE, COMPLETE AND NOT MISLEADING.

THE FRANCHISE INVESTMENT LAW MAKES IT UNLAWFUL TO OFFER OR SELL ANY FRANCHISE IN THIS STATE WITHOUT FIRST PROVIDING TO THE PROSPECTIVE FRANCHISEE, OR SUBFRANCHISOR AT LEAST FOURTEEN CALENDAR DAYS PRIOR TO THE EXECUTION BY THE PROSPECTIVE FRANCHISEE OF ANY BINDING FRANCHISE OR OTHER AGREEMENT, OR AT LEAST FOURTEEN CALENDAR DAYS PRIOR TO THE PAYMENT OF ANY CONSIDERATION BY THE FRANCHISEE OR SUBFRANCHISOR, WHICHEVER OCCURS FIRST, A COPY OF THE DISCLOSURE DOCUMENT, TOGETHER WITH A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE.

The Registered Agent in the State of Hawaii authorized to receive service of process: Commissioner of Securities, Department of Commerce and Consumer Affairs, Business Registration Division, 335 Merchant St., Room 203, Honolulu, HI 96813.

- A. This registration is effective in the following states: None
- B. The States in which a proposed registration or filing is or will be shortly on file:

CA, HI, IL, IN, MI, MN, MD, ND, NY, OR, RI, SD, VA, WA & WI
- C. No state has refused, by order or otherwise, to register these franchises: None
- D. The states that have revoked or suspended the right to offer franchises: None
- E. Source of Funds for Establishing Franchises

The franchisor has a self-liquidating franchise fee that enables it to fulfill its obligations to its franchisees. This fee is \$15,000.00 per unit and compensates the franchisor for its selling, administrative and training expenses. The franchisor believes that the franchise fee of \$15,000.00 approximates its costs to fulfill its obligations to the franchisee prior to the opening of the franchisee's unit. To the extent that said sum is insufficient, the franchise has sufficient working capital, if needed, to draw upon to fulfill its commitments.

The franchisor estimates that its approximate pre-opening expenditures to fulfill its commitments on each sale are: selling - \$3,750, training - \$3,750; site assistance - \$3,750; administrative - \$3,750. It is emphasized that the foregoing estimate of expenditures is approximate.

Replace Risk Factor 1. on the State Cover Page, Special Risks to Consider About *This* Franchise, with the following:

1. **Out of State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by arbitration in Connecticut and/or litigation in Illinois. Item 17**RENEWAL, TERMINATION, TRANSFER AND DISPUTE RESOLUTION**

At page 101, replace entry v. with the following:

v. Choice of forum	FA Paragraphs 10.a, 10.b., 13	Arbitration must be held in Connecticut, subject to state law, and any litigation will be held in Illinois. This Addendum amends and supplements the “Franchise Disclosure Document for Prospective Franchisees as Required by the Federal Trade Commission” dated April 25, 2023, ~~amended August 30, 2023~~ 2024 (the “Franchise Disclosure Document”) issued by Doctor’s Associates LLC (“DAL”).

Item 17**RENEWAL, TERMINATION, TRANSFER AND DISPUTE RESOLUTION**

Replace entry v. with the following:

v. Choice of forum	FA Paragraphs 10.a, 10.b, 13	Arbitration must be held in Washington, or at a location mutually agreeable to the parties or as determined by the arbitrator, if not otherwise resolved subject to state law. Litigation must take place in a court of competent jurisdiction in Connecticut. We may bring an action for injunctive relief in any court having jurisdiction if you breach the provisions of the Franchise Agreement concerning use of the trademarks, or confidentiality, or the covenants not to compete. You may not bring litigation in court under the Franchise Agreement.

Add the following after “w. Choice of law”:

The state of Washington has a statute, RCW 19.100.180 which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor’s reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee’s earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor’s earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an

amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.
