What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit H.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by arbitration and/or litigation only in Connecticut. Out-of-state arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to arbitrate or litigate with the franchisor in Connecticut than in your own state.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

NOTICE-STATE OF MICHIGAN

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than thirty (30) days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE ATTORNEY GENERAL.

Please be advised that the franchisor is not subject to the escrow provisions in the section of the Michigan Franchise Law. Therefore, there are no statements as to the rights of the franchisee in this regard.

Franchise Systems Affiliated with Buyer and Roark

Roark controls investment funds that own or control the companies described on Exhibit R, which now offer, or have offered, franchises in any line of business.

The Franchisor’s Business. We offer and sell franchises for Subway® restaurants for locations in the United States and its territories. Though our current policy is to establish all restaurants as franchises, sometimes we may own or operate restaurants previously owned by franchisees until we find a new franchisee. You must purchase through us or lease from us substantially all major items of equipment for your restaurant. We have been offering franchises for Subway® restaurants since 1974.

We are not engaged in any other business.

The Subway® Restaurant Franchise. Under the Franchise Agreement (the “Franchise Agreement”), which is Exhibit A, we offer qualified purchasers the right to establish and operate, from a single location, a retail establishment preparing and selling foot-long, six-inch, flat bread, and specialty sandwiches, salads, wraps, and other food items. All foot-long sandwiches are required to measure at least 12 inches in length. All six-inch sandwiches are required to measure at least 6 inches in length. The sandwich categories include cold cuts, seafood, steak, pulled pork, chicken and meatballs. Guests may choose between an array of signature sandwiches from our Subway® Series menu, or from a variety of breads, cheeses, vegetables, seasonings, and condiments to make their custom-made sandwich. The breakfast menu is required for all restaurants in the United States and its territories and features egg sandwiches, bacon, sausage, muffins, juice, coffee and other breakfast items. The Franchise Agreement gives you the right to

operate the restaurant under the name and mark Subway® and other marks we designate. You must operate your restaurant in accordance with the rules we establish, including those in the Operations Manual (the “Operations Manual”), which we license from our affiliate and which our affiliate may revise at any time during the term of your Franchise Agreement under any condition and to any extent which we consider necessary to meet competition, protect trademarks, service marks, or trade names, or improve the quality of the product or service provided by Subway® restaurants.

If you meet our qualifications, we may approve of you operating multiple restaurants in accordance with the Development Agreement attached as Exhibit A-12, and one or more Franchise Agreements or the Multi-Unit Franchise Agreement attached as Exhibit A-13. The Development Agreement governs your development obligations, while one or more Franchise Agreements or Multi-Unit Franchise Agreements will govern the development, opening and operation of specific restaurants.

Programs and Non-Traditional Locations. We also sell franchises for non-traditional locations, as set forth in the table and notes below. In addition, we offer programs to qualifying franchisees. If you meet our requirements and choose to purchase a franchise for a non-traditional location, or if you qualify and choose to participate in one of our programs, you may be required to sign a rider or addendum described in the table and notes below, which will amend the standard form Franchise Agreement. Alternatively, we may require you to sign a concession or subconcession agreement.

The non-traditional locations and programs that we offer are as follows:

<i>Program/Type of Location</i>	<i>Addendum/Rider</i>	<i>Description</i>
General Non-Traditional Location ¹	Franchise Agreement Rider (Exhibit A-1)	Examples of non-traditional locations include convenience stores, gasoline service stations, highway rest stops, department stores, hospitals, parks, universities, schools, sports arenas, convention centers, airports, theme parks, national parks, <u>captive travel plaza</u> , bus and railroad terminals, military bases, business complexes, assisted living/nursing homes and other similar locations. Typically, non-traditional locations are full service restaurants and we license them under our standard form of Franchise Agreement. In some cases, we may waive all or a portion of the initial franchise fee and a portion of the advertising fee and otherwise modify the Franchise Agreement to address different conditions for a non-traditional location.
Community Development Program Location ¹	Franchise Agreement Rider (Exhibit A-1)	We have a program to establish franchises within facilities operated by organizations or individuals that offer support services within the community in which they are located (“Community Development Program”). Examples of these facilities include places of worship, shelters, half way homes, rehabilitation centers, community centers, and disaster relief centers. Under the Community Development Program, you will operate a full-service restaurant serving freshly prepared product located at one of these facilities. The restaurant must be operated with the intent of providing job training to individuals with barriers to employment.

<i>Program/Type of Location</i>	<i>Addendum/Rider</i>	<i>Description</i>
School Lunch Program Location ^{1, 2}	Franchise Agreement Rider (Exhibit A-1)	We have a program to establish franchises in elementary, middle, or high schools. We will license school systems directly to a Food Service Provider, or experienced individual Subway® franchisees. State law restrictions may prevent a qualified Food Service Provider from directly operating a particular school lunch location. Under these circumstances, we may allow the Food Service Provider to manage the school lunch location operated by a qualified school lunch franchisee. Under the school lunch program, you will operate a restaurant located in the school, serving freshly prepared product. We will charge school lunch franchisees the same non-negotiable royalty fee and advertising fees that apply to other franchisees. If you are an individual, and not a school system or institutional food service provider, you will establish the restaurant in the school as a satellite and you will sign the Franchise Agreement Rider.
School Lunch Delivery Program ³	N/A Our approval required only	We may give you permission to enter into an arrangement with a school within a 20-minute drive from your restaurant's location, for the purpose of delivering freshly-prepared sandwiches for resale in the school's cafeteria. You and the school must enter into an annual contract which we provide to you.
Military Base Location ^{1, 4}	NEXCOM, AAFES or MCCS Rider (Exhibit A-6, A-7 or A-8), if applicable	Franchisees may be permitted to establish a restaurant at a site controlled by the Army and Air Force Exchange Service ("AAFES"), the Navy Exchange Service Command ("NEXCOM") or the Marine Corps Community Services ("MCCS") which are non-appropriated fund instrumentalities of the United States Government. We may ~~enter into an agreement with AAFES, NEXCOM or MCCS for a specific location and~~ agree to subcontract the right to establish a restaurant at <u>that an AAFES, NEXCOM, or MCCS location to you.</u> ~~Alternatively, one or more of our affiliates have entered into a system wide~~ <u>In certain circumstances you will enter into an agreement directly with AAFES or NEXCOM or MCCS which grants our affiliate the right to subcontract sites to us so that we may subcontract them to you.</u> .
Satellite Location ⁵	Franchise Agreement Rider (Exhibit A-1)	We also offer to franchise qualified locations as satellite restaurants. Some satellites may operate under the mark Subway EXPRESS™. A satellite location cannot be a full-service restaurant and is intended to operate only with the support of an existing full service Subway® restaurant (the "Base Restaurant") licensed to the same franchisee, unless we give specific written approval stating otherwise. Generally, the satellite will not be able to bake bread, prepare product, or have adequate storage capacity for product. It may often be in a non-traditional location. Satellite restaurants may be temporary, seasonal, operate with limited hours. The satellite location usually has little or no seating and is for carry-out service or delivery. To keep pace with market trends, we will consider applications for different types of satellite locations upon written request. We alone will determine whether your proposed location and restaurant operations qualify for treatment as a satellite location according to our policies.

<i>Program/Type of Location</i>	<i>Addendum/Rider</i>	<i>Description</i>
Short-Term Satellite Location ⁶	Franchise Agreement Rider (Exhibit A-1)	We have a program to establish satellite locations that will operate for a term of one year or less, with the option to renew for an additional 1-year term, if mutually agreed upon by both parties.
Dual Location Test Site ⁷	Dual Location Test Rider (Exhibit A-10)	We may deem a restaurant to be located close in proximity to another Subway® restaurant owned and operated by the same franchisee a “Dual Location Test Site” so that the franchisee can determine whether both restaurant locations should be operated simultaneously. If we grant you a franchise for a Dual Location Test Site, you may cease operation of the new or existing restaurant, by means other than transfer or assignment, within one year after the new restaurant opens. We will then cancel the Franchise Agreement for the restaurant you cease to operate and refund the franchise fee for the new restaurant. You will pay all expenses and liabilities to terminate the lease for the restaurant that you cease to operate.
Co-Branded Locations ⁸	Co-Brand Location Rider (Exhibit A-9) Walmart® Rider (Exhibit A-4), if applicable Auntie Anne’s® Rider (Exhibit A-5), if applicable	We have entered into a co-branding agreement with Auntie Anne’s, Inc. to permit qualified franchisees to establish AUNTIE ANNE’S® stores in connection with their Subway® restaurants located in certain Walmart and non-traditional locations, as approved by us. These co-brand opportunities are being offered to eligible franchisees on a limited basis.
Subway® Catering Program ⁹	N/A Our approval required only	All restaurants are required to participate in our basic catering program, <u>which may include online catering</u> . The catering menu features the following core items: sandwich platters, Subway to Go!™ lunch box meals, cookie platters, lemonade by the gallon, and toppings platters. You also have the option to participate in ezOrdering, the white label online ordering experience powered by ezCater and ezCater Marketplace.
Store Option Programs (“SOP”), Marketwide Option Programs (“MOP”), and Product Innovation ¹⁰	N/A Our approval required only	In addition to our core menu offerings, we have other product options that fall under the SOP or MOP such as packaging materials, cleaning products and food items including but not limited to pizza, cheese, mustard, soda, coffee, cookies, and pie. If we designate a product as a SOP item, we will approve restaurants to use or sell the product on a restaurant-by-restaurant basis. Individual franchisees make the decision on SOP items and these decisions impact only their restaurant. If we designate a product as a MOP item, we will approve restaurants to use or sell the product by advertising markets. We designed the MOP program to promote consistency of items throughout an advertising market. Under the MOP policies, the Business Developers make decisions together that impact all restaurants in the entire market.

<i>Program/Type of Location</i>	<i>Addendum/Rider</i>	<i>Description</i>
<u>Grab & Go Program</u>	<u>Grab & Go (On-Site) Rider (Exhibit A-14)</u>	<u>If you meet our then current eligibility requirements and receive our approval, you may prepare and sell certain premade products at your restaurant as part of our Grab & Go Program. Terms, conditions, specification and standards for the Grab & Go Program are set forth in the Grab & Go (On-Site) Rider and the Manual, and may be amended from time to time.</u>

Note 1:

We may enter into and negotiate Franchise Agreements with large institutional-type franchisees and Food Service Providers that operate non-traditional locations. Examples of large institutional-type franchisees include convenience store operators, food service management companies, large institutions (currently defined as entities which provide their own food services with the number of outlets or net worth we determine appropriate), cooperatives, hospitals, non-profit corporations, colleges, other schools, foundations, or governmental agencies or entities. A Food Service Provider is a company that is either privately owned or publicly traded; is not government owned, supported or operated; provides contract foodservice and/or concession foodservice; meets certain minimum accounts and annual revenue levels on a consolidated basis as we set from time to time. We will not negotiate with individual franchisees who do not represent large institutional accounts, chains, cooperatives, hospitals, non-profit corporations, colleges, other schools, foundations, or governmental agencies or entities.

In view of the different conditions encountered in operating these locations, we have to modify our Franchise Agreement to afford ourselves and our franchisees the opportunity to compete in this type of market. We may also agree on certain variations to the Franchise Agreement, to accommodate differences in corporate operations and expansion goals. Some areas that may change include, but may not be limited to:

1. Timing of reporting sales by the franchisee;
2. Timing and method of payments of royalties and advertising charges;
3. Location of arbitration hearings;
4. The applicability of noncompetition clauses;
5. Commitment to maintain the form of Franchise Agreement for future purchases;
6. Limitation on overall expenses for advertising;
7. Execution of Franchise Agreement with corporation or other entity;
8. Training for the Director of Food Services and the restaurant Manager (new Managers may be required to take the training course);
9. Elimination of the need for our affiliate to lease the premises due to your current control of the location;
10. Sale of additional franchises at the reduced franchise fee even if all existing restaurants are not in substantial compliance (as defined in the Operations Manual), if at least ~~90~~80% of the existing restaurants are in substantial compliance;
11. Locking in of the franchise fee for additional franchises for a number of years or restaurants;
12. Permission for the franchisee to use a different POS System designed for their multiple operations;
13. Waiver of certain future amendments to the Franchise Agreement;
14. A fixed term without automatic renewal.

The Franchise Agreement for these locations consists of our standard form of Franchise Agreement and the Franchise Agreement Rider, which amends the standard form of Franchise Agreement. In some circumstances, we may allow you to establish a satellite or non-traditional location in an airport terminal, theme park, ~~or national park~~, or captive travel plaza location and you will also sign the Franchise Agreement Rider. However, the satellite location will not be approved if the Base Restaurant is not located in the same airport terminal, theme park, ~~or national park~~, or captive travel plaza. Due to the limited value of traditional advertising for these locations, their advertising contribution is lower than the standard contribution for advertising.

An airport terminal is defined as a building at an airport where passengers transfer between ground transportation and the facilities that allow them to board and disembark from airplanes. In certain instances where the franchise is to be located in an airport concession operated by a qualified Airport Concession Disadvantaged Business Entity ("ACDBE"), we may allow the franchisee to assign the Franchise Agreement to the qualified ACDBE. In the event that the franchise is no longer located within the airport concession the ACDBE would be required to assign the franchise agreement back to the franchisee.

A theme park location is defined as an amusement or similar park which meets the following requirements: 1) offers a collection of rides and/or other entertainment attractions; 2) is more elaborate than a simple city park or playground, as it is meant to cater to entertaining large groups of people including, adults, teenagers, and small children and generally uses architecture, signage, and landscaping to help convey the feeling that people are in a different place or time; 3) is a permanent and not a temporary facility; 4) charges a fee for admission; and 5) has at least 400,000 visitors per year.

A national park location is defined as an area of land declared or owned by a government, set aside for human recreation and enjoyment, animal and environmental protection, and restricted from development.

A Captive Travel Plaza is defined as having an exit and entrance via the highway only and not accessible to the town or city. It provides the only convenient food option for those traveling on the highway and is therefore the primary driver of traffic to the Subway® restaurant.

Note 2:

We may also negotiate with governmental and institutional franchisees purchasing a franchise for a school lunch location, but not with individual franchisees. We may negotiate areas, such as the choice of governing law, insurance, and indemnification provisions, to address the needs of school boards, school districts, and municipalities.

Note 3:

To qualify for the School Lunch Delivery Program you must have owned and operated a Subway® restaurant for at least 6 months and your restaurant must be in substantial compliance (as defined in the Operations Manual). Additionally, you must have established a pre-authorized account and all of your accounts with us must be current. If you are a school lunch delivery franchisee, you may have to modify the food items you offer for sale and buy food products approved for the School Lunch Program in order to satisfy nutritional requirements. This program is not related to the School Lunch Program discussed earlier in this Item.

Note 4:

If you choose to locate your restaurant at an AAFES, NEXCOM or MCCS location, you may be required to receive an AAFES, NEXCOM or MCCS Addendum to this Disclosure Document (as applicable) and you may be required to execute an AAFES, NEXCOM or MCCS Rider to the Franchise Agreement (as applicable) which amends the standard form of Franchise Agreement. Contact the FWH Development Team for more information about these locations, including when an addendum or rider may be applicable.

If your restaurant will be located on a military base, and the franchisee will be a government entity, then solely for the purpose of accommodating state sovereignty, we may negotiate the following requirements of the franchise agreement: waiver of the franchise fee for additional sites on the same military base, arbitration, the venue of the site for settlement of disputes, waiver of trial by jury, and the limitation on liability. Generally, these requirements will not be negotiated with an individual or with a non-government entity establishing a restaurant at a military base.

Note 5:

You may establish a satellite restaurant only if you already operate a Base Restaurant near the proposed satellite location. Your proposed Base Restaurant and all other restaurants that you own must be in substantial compliance (as defined in the Operations Manual) and there must be no material defaults under any of your Franchise Agreements. You must also otherwise qualify under our rules. We grant the franchise for a satellite restaurant separately and under

a different agreement from the franchise for the Base Restaurant that will support the satellite location. If we approve the location, we will enter into a new and separate Franchise Agreement with you licensing the satellite location only. The Franchise Agreement for a satellite location consists of our standard form of Franchise Agreement and the Franchise Agreement Rider. The Franchise Agreement Rider amends and supplements the standard form of Franchise Agreement. In some circumstances, we may allow you to establish a satellite location in a non-traditional location, and you must also sign the Franchise Agreement Rider.

Note 6:

The Franchise Agreement for a short-term satellite location consists of our standard form of Franchise Agreement and the Franchise Agreement Rider, which amends the standard form of Franchise Agreement.

Note 7:

Non-traditional locations are not eligible to be “Dual Location Test Sites” at this time. The Franchise Agreement for a short-term satellite location consists of our standard form of Franchise Agreement and the Franchise Agreement Rider, which amends the standard form of Franchise Agreement.

Note 8:

We may negotiate agreements with other third parties and will give you the information on any additional co-branding opportunities. You must review your lease to determine if there are any restrictions that would prevent you from operating your Subway® restaurant in connection with a third party franchisor’s concept. You must make your own inquiries about the third party franchisor and franchise. You will receive a separate Disclosure Document from the third party franchisor and if your co-brand location is approved, you will enter into a franchise agreement with the third party franchisor, which may have different terms than your Franchise Agreement with us. You will operate the other concept as a direct franchisee of the third party franchisor. You will pay to the third party franchisor a franchise fee, royalty, advertising fee, and other charges due under the terms of your franchise agreement with the third party franchisor. You may pay these fees to us as collection agent if provided in the third party franchisor’s franchise agreement.

You will sign the Co-Brand Location Rider to address the different conditions inherent in operating a co-brand location. If you are interested in a co-brand location, please review Exhibit A-7 carefully so you will be familiar with how the Co-Brand Location Rider will affect your Franchise Agreement with us. You grant us a release under the Co-Brand Location Rider with respect to a co-brand location. Each franchisor will be separately responsible to you under its own franchise system. The third party franchisor may pay us all or a portion of certain fees for services we may provide. You may also pay us directly under the Co-Brand Location Rider a continuing fee between 0% to 8% of your sales from the other franchised concept. We will determine the continuing fee, if any, after we finalize the master agreement with the third party franchisor.

Note 9:

To participate in the ezOrdering, you must opt-in for catering on the Restaurant Management Portal. If you participate, you will be charged a fee equal to 5% ezOrdering commission for each catering order and approximately 2.75% for credit card processing. These fees may change and other fees may be charged in connection with the catering program in the future.

Note 10:

Voting procedures may be required depending on the expense impact of the MOP decision. If your market or franchisees throughout the country do not elect to offer the MOP item, then you may not offer it unless you were offering the item before the cutoff date or we grant you a waiver. You must review your lease to determine if there are any restrictions that would prevent you from preparing or selling any SOP or MOP items at your location. You will have additional investment costs. In the future, we may implement a Region Option Program and you will be

responsible for any associated costs, but as of the date of this Disclosure Document, details on any such program are still forthcoming.

You may be permitted to offer other products, not designated as SOP or MOP, with our prior written approval, provided you are in compliance with your Franchise Agreement and meet certain other qualifications. Some of these offerings may be test programs. Examples of other products may include, but are not limited to: smoothies, ice cream, bakery/coffee (such as donuts, muffins, cookies, cinnamon rolls and coffee), and snacks (such as pretzels, nachos, ice cream novelties and hot dogs). Any additional products must meet our standards and specifications. The length of time you may be approved to offer an additional product will vary. You will pay royalty and advertising charges on the sale of any additional items from your restaurant. You cannot sell a product that we approve for another franchisee without our written permission and you cannot expect us to grant you the right to offer any additional products, even if you meet our requirements. We reserve the right to offer our own branded products in the future under a separate license that may require you to pay an additional license fee, or to offer them as separate franchises that do not have to be operated in connection with a Subway® restaurant.

As these other products are new, and we may have limited or no experience with them, you assume the risk of the failure of any of these products. You are responsible for all costs associated with offering any of these other products, which may include, but not be limited to, costs for additional equipment and inventory, signage, and counter space. You will have to review your lease to make sure you can prepare and sell the additional products. You will also have to review local regulations to make sure they allow the expanded menu and do not require additional permits or impose other requirements.

* * * * *

If you are interested in a non-traditional, satellite, community development, school lunch, military base or co-branded locations, or a dual location test site, or if you are interested in the School Lunch Delivery Program, Subway® Catering Program, SOP, MOP or Product Innovation programs, you should read the rider for these locations and programs (as applicable) and this disclosure document carefully. These riders amend the standard form franchise agreement in several very important respects. We set out the disclosure differences regarding the licensing of these locations and programs in the relevant Items. Except where we point out these differences, references throughout this Disclosure Document to a restaurant and a Franchise Agreement also apply to a non-traditional location, a satellite location, a community development location, a school lunch location, and the Franchise Agreement for these locations.

In addition to business laws and regulations, your restaurant is subject to federal, state, and local regulations and guidelines governing the food service industry, including those established by the Food and Drug Administration, the United States Department of Agriculture, the National Restaurant Association, and other food industry organizations. You must be familiar with these regulations, as well as federal, state, and local laws regarding health and consumer protection, food preparation, baking, handling, storage, "Truth in Menu" concerning menu item names and product labeling, nutritional claims, compliance with the federal Americans With Disabilities Act, privacy laws, and compliance with the federal Fair Labor Standards Act and other local labor regulations. You will also be subject to the rules established by the Federal Trade Commission, along with regulations enacted by certain states. Local zoning rules may limit where you can locate a restaurant and may affect design features, including the building facade and signs. You should be aware that federal, state, and local environmental laws may affect the disposal of waste materials and packaging, and may require that you have a permit as a water provider. Local law may require your participation in a waste recycling or diversion program, for which you may have to register and make ongoing fee payments.

On a case-by-case basis we may grant a waiver to serve alcoholic beverages in your restaurant. If a waiver is granted to allow your restaurant to serve alcoholic beverages you will be responsible for obtaining all necessary licenses and permits, and you will have to know the laws and regulations governing the sale of these items including but not limited to: minimum age restrictions for purchasers and employees who sell, special training requirements, and regulations on the hours of sale for these products. You may be required to obtain additional insurance coverage, which may increase your premium payments, if you are permitted to serve alcohol in your restaurant.

We have a global privacy notice for franchisees statement, attached as Exhibit M, which outlines the purpose for collection and use of personal information that we collect from individuals in accordance with various laws in the United States concerning privacy. The privacy ~~notice~~statement may be amended from time to time and is available to you on our website www.Subway.com.

People primarily between the ages of 16 to 50 purchase the menu items sold in Subway® restaurants. You may not sell any items to another vendor for resale without our prior written consent. You will have to compete with other restaurants, and food outlets, including franchisees of other franchise chains and other Subway® restaurants.

FRANCHISE BROKERS/BUSINESS DEVELOPERS

Business Developers are franchise brokers. We have engaged Business Developers whose duties include franchise sales, site location assistance, training, and operational assistance to franchisees. Business Developers also make recommendations as to whether prospective franchisees in their territories should be granted franchises and we take their recommendations into consideration. We generally recruit Business Developers from existing franchisees. We pay Business Developers a portion of amounts we collect from franchisees as payment for their services, including approximately one-half of the initial franchise fee, and up to one-third of royalties, transfer fees and extension fees. We also pay them approximately one-third of any fees we receive from a third-party franchisor and any co-brand continuing fees, if they provide services for the other concept. We may also pay them bonuses and penalize them depending upon whether they are ahead or behind their development schedules for establishing restaurants in their areas. We prohibit Business Developers from making any representations of sales or profits to you. Additionally, we require Business Developers to abide by all federal and state laws in the performance of their duties. Business Developers are independent contractors and not employees of ours or our affiliates. We and our affiliates disclaim responsibility for any acts or statements made by Business Developers contrary or in addition to the disclosures made in this Disclosure Document, or in the Franchise Agreement, the Operations Manual, or related contracts. Therefore, unless otherwise disclosed in this Item 2, Business Developers are not our directors, trustees, general partners, or principal officers, nor will they have management responsibility relating to the sale or operation of franchises offered by this document.

Exhibit Q contains the name, contact information, contract number(s), and a description of the servicing territory for each Business Developer for DAL in the United States and its territories, as of the effective date of this Disclosure Document.

Item 3 LITIGATION

Other than the ~~5060~~ actions and the ~~2623~~ franchisor-initiated actions disclosed in Exhibit L, no other litigation is required to be disclosed in this Item. We estimate that the franchisees we or our affiliates filed actions against in connection with the franchise relationship constitute about 0.2% of the franchisees operating Subway® restaurants globally.

Item 4 BANKRUPTCY

No bankruptcy is required to be disclosed in this Item.

Item 5 INITIAL FEES

All franchise fees are payable in full when you sign the Franchise Agreement. All fees are fully earned when received and are not refundable, except as described below.

Initial Franchise Fees

The following table and notes describe the initial franchise fees:

<i>Type of Fee</i>	<i>Amount</i>	<i>Description</i>
Standard Franchise Fee ¹	\$15,000	This is the standard franchise fee for a Subway® restaurant franchise for all first-time franchisees except: (i) qualified United States Armed Forces Veterans (“US Veterans”) as stated below, or (ii) a qualified Subway® restaurant franchisee of our affiliates, or (iii) those purchasing under our School Lunch or Community Development Programs, or (iv) those purchasing for a qualified Non-Traditional location.
Reduced Fee for Additional Franchises ^{2, 3-4}	\$7,500	We offer the reduced franchise fee of \$7,500 for the purchase of additional restaurants to qualified existing franchise owners operating restaurants in substantial compliance (as defined in the Operations Manual) and with no material defaults under any of their Franchise Agreements with us.
Reduced Fee for Affiliate Company Subway® Franchise Owners And Business Developers ^{2, 43}	\$7,500	We offer the \$7,500 reduced franchise fee to qualified Subway® franchisees of our affiliates that offer Subway® franchises. To qualify, we must approve you and you must be in substantial compliance (as defined in the Operations Manual) with no material defaults under any of your Franchise Agreements with our affiliates that offer Subway® franchises.
Reduced Fee for U.S. Armed Forces ^{2, 43}	\$7,500	We offer the reduced franchise fee to qualified honorably discharged U.S. Veterans purchasing their first franchise.

<i>Type of Fee</i>	<i>Amount</i>	<i>Description</i>
Reduced Fee for Qualified Non-Traditional Locations ^{2, 3, 4, 5}	\$7,500	You will pay the reduced franchise fee if you are purchasing a franchise for a non-traditional location and: 1) you are an approved convenience store operator, a food service management company, or other company that provides its own food services and you meet certain qualifications regarding number of outlets or net worth as we may require from time to time; 2) you are a cooperative, foundation, a qualified non-profit charity, hospital, university, college, other school, or an Indian nation, or governmental agency or entity; or 3) you are purchasing your franchise for a non-traditional location we approved to be located in a portion of an existing facility you own, lease or otherwise control under a management agreement and you are a franchisee in good standing of a nationally branded gasoline or convenience store retailer.
Add-on Fee	\$3,750	If you qualify for the reduced fee and you want to add an individual owner who is not already a Subway® franchisee, you must also pay the add-on fee in addition to the reduced fee. We may change or eliminate this add-on fee in the future. We will waive the add-on fee if you are adding your parent, child, or spouse as an owner.
Satellite Franchise Fee ^{6, 7}	\$5,000	This is the initial franchise fee for a satellite restaurant; however, this fee will be waived if your satellite will be located in the same facility as your Base Restaurant.
Short-Term Satellite Franchise Fee ^{6, 7}	\$1,000	This is the initial franchise fee if the satellite will be in operation for a term of 1 year or less (“short-term”).
Additional Fee for Non-Compliance	\$7,500	If you or your affiliate are an existing Subway® franchisee, you represent that all your restaurants are in substantial compliance with the Operations Manual and there are no material defaults under the franchise agreement(s) governing the operation of such restaurant(s). If any of the aforesaid representations are not true when your restaurant opens (based upon the most recent restaurant evaluation), you agree to pay us an additional \$7,500.

Note 1:

We may offer financing for franchisees purchasing a franchise for a restaurant to be located in a low-density market. We may stop or modify any loan programs we offer at any time.

Certain multi-unit operators who sign a Multi-Unit Franchise Agreement or a Development Agreement may qualify for a rebate of some or all of their initial franchise fee if they meet or exceed their development schedule. We may modify or discontinue this policy at any time in our sole discretion.

Note 2:

If you do not qualify for the reduced fee, you must pay the full fee of \$15,000. If you qualify for the reduced franchise fee when you sign the Franchise Agreement, but any of your existing restaurants are out of substantial compliance (based upon your most recent restaurant evaluation) when your restaurant opens, you must pay us the \$7,500 balance of the full franchise fee.

You may not sell, transfer, or assign a franchise you purchase at a reduced fee unless you sell it in conjunction with an open and operating restaurant associated with that franchise. We may change the amount of the initial franchise fee, including eliminating or reducing the discount.

Note 3:

~~Certain large institutional type franchisees who may buy over 50 franchises negotiated the right to buy additional franchises at the former rate of \$2,500, but there are certain time limits and quantity limits for them to buy at this lower rate. They must also meet the reduced fee requirements.~~

Note 4:

If any of these representations are not true when your restaurant opens (based upon the most recent restaurant evaluation), you agree to pay the full initial franchise fee. If we do not approve your location within 90 days after you sign the Franchise Agreement, we may cancel your Franchise Agreement and refund your initial franchise fee.

Note ~~5~~4:

If you own an oil company that has at least 50 locations and you convert an existing sandwich shop business you created, own and operate at your facility into a Subway® restaurant, we will waive the initial franchise fee.

To qualify to purchase additional franchises for non-traditional locations at the reduced franchise fee, at least ~~90~~80% of the Subway® restaurants you operate must be in substantial compliance (as defined in the Operations Manual), and you must follow all operating policies and procedures for the other chain at the location where you will establish your restaurant. There must also be no material defaults under any of your Franchise Agreements with us.

Note ~~6~~5:

We may refund the satellite franchise fee if we terminate the Franchise Agreement after 90 days because we or our designated affiliate does not obtain a lease or license for the premises which contains basic economic terms (for example rent, square footage, and length of term), previously consented to by you, and offer you a Sublease or Sublicense. However, this refund will not be issued if: 1) you fail to sign a Sublease or Sublicense that was previously consented to which contains basic economic terms; 2) if it is your fault we disapprove the location or we cannot obtain the lease or license; or 3) you attend training and receive a copy of the Operations Manual in electronic form. The term of the Satellite Franchise Agreement will be from the date of the Franchise Agreement until the expiration or termination of the Base Restaurant Franchise Agreement, with the right for additional 20-year renewals in line with the Base Restaurant Franchise Agreement term. ~~There is no renewal fee.~~

Note ~~7~~6:

The term of the Franchise Agreement for a short-term satellite location is 1 year or less from the date of the Franchise Agreement Rider or until the termination or expiration of the Base Restaurant Franchise Agreement, whichever occurs sooner. If your Base Restaurant Franchise Agreement has not expired, you may renew the short-term satellite location for an additional 1 year term for a renewal fee of \$1,000.

Note ~~8~~7:

If, with our approval, you choose to convert your satellite to a full restaurant and terminate your Franchise Agreement for the satellite, we may credit the initial franchise fee you paid. We will not allow credit for expired or terminated Franchise Agreements for the satellite. To qualify for the credit, you must be in substantial compliance (as defined in the Operations Manual) and you must comply with any necessary upgrades or additional requirements to establish a full restaurant at the satellite location.

We may offer incentives of up to \$1,000 per referral to existing franchisees if they refer a first-time franchisee who purchases a franchise through a new sale or transfer. If the purchase is via a transfer, the referring franchisee may not be an owner of the restaurant to be transferred. In order to receive the referral bonus, the referring franchisee must be named by the new franchisee as his or her referral source when he or she purchases the franchise. We may also offer to credit franchisees for their qualifying airfare or mileage up to \$1,500 if they visit our offices in Milford, Connecticut, and then purchase a franchise during their visit, subject to compliance with disclosure requirements and

other policies. We may change the amount of these incentives, including eliminating or reducing the credit for the cost of the airfare or mileage. This incentive is not valid for travel related to attending training.

Any of the fee arrangements and incentive programs described in this Item 5 may be modified or discontinued from time to time in our sole discretion.

We do not charge an initial franchise fee for our School Lunch Program or the Community Development Program. We do not charge an initial franchise fee if you purchase an existing restaurant as a transfer, but you or the transferor must pay the transfer fee.

Under the School Lunch Program, we will franchise (1) a school system directly, (2) an institutional food service provider, or (3) an existing individual Subway® franchisee, to operate a Subway® restaurant located in a school.

You must open your school location within 6 months after you sign your school lunch Franchise Agreement. If you are not the school board, school district, or municipality controlling the school location, within 6 months after you sign your Franchise Agreement you must sign a contract, license, or lease, giving you the right to operate the restaurant, or your Franchise Agreement will automatically terminate. You must identify a location for the school lunch restaurant and your proposed operation plan before you sign the Franchise Agreement. The term of the Franchise Agreement for a school lunch location is a period of 5 years, with the right for additional 5-year renewals, with no renewal fee. If you are an individual franchisee, you must establish the restaurant in the school as a satellite location.

Under the Community Development Program, franchisees may establish franchises within facilities operated by organizations or individuals that offer support services within the community in which they are located. Examples of these facilities include places of worship, shelters, half way homes, rehabilitation centers, community centers, and disaster relief centers. Your restaurant must be operated with the intent of providing job training to individuals with barriers to employment. You must identify a location for your restaurant and your proposed operation plan before you sign the Franchise Agreement.

Refund Policy. We do not refund any of the initial franchise fees except as stated above or under the following circumstances: 1) you purchase a franchise for a location where we will allow you to enter into a lease or license directly with the landlord and we do not grant final approval of the location within 90 days after you sign the Franchise Agreement; or 2) you purchase a franchise for a dual location test site and you do not obtain a Sublease or Sublicense in accordance with our requirements. In either case, we may dismiss you from the training program, cancel your franchise agreement and refund one-half of your franchise fee.

Other Initial Fees

The following table and notes describe various other initial fees:

<i>Type of Fee</i>	<i>Amount</i>	<i>Description</i>
Extension Fee ¹	\$1,000	If you sign the standard Franchise Agreement, you will have 12 months to open your restaurant or Franchise Agreement will expire. You may request in writing and we may grant you in writing an extension to open your restaurant. You will pay to us the extension fee and will sign our then-current form of Franchise Agreement.

<i>Type of Fee</i>	<i>Amount</i>	<i>Description</i>
Location Fees, Deposits and Rent ²	\$2,000 - \$12,000	If you enter into a Sublease for the premises you will pay our affiliate \$50 as a nonrefundable fee for administrative costs to record the master lease. In addition, you will be responsible for all other costs we incur to record the master lease, including but not limited to, recording fees, recording taxes, conveyance fees and conveyance taxes. We estimate that these costs may range from \$50 to \$2,500, depending upon your state and local laws. These fees are nonrefundable. You must pay a deposit of 2 months' rent when you sign the Intent to Sublease, representing one month's rent and one month's security deposit. We estimate that the security deposit will cost approximately \$2,000 to \$12,000. If you are required to sign a Sublicense for the location, you may be required to pay an advancement fee when you sign the Intent to Sublicense. If the landlord does not require the security deposit, we or our designee will return the money to you.

The estimated cost for menu board translites is \$125. You must also buy decals and replacement menu board translites from us or SFAFT, and certain operational items from the supplier we designate. The estimated cost is less than \$600 and is nonrefundable. Once available, you may have the option to purchase digital menu boards typically consisting of four television screens, media players, HDMI cables, and menu content management services from us, an affiliate or a designated supplier. The estimated cost to purchase and install the digital menu boards are \$8,000 to \$14,000. Ongoing licensing fees and support fees may apply. Alternatively, you may opt to lease them through our approved supplier's Hardware-as-a-service program, currently \$155 per month. In the future, we may require you to purchase digital menu boards.
Training Cancellation Fee	\$100	If you register for and fail to attend the training program, or if you cancel a registration for the training program with less than 10 business days' notice, you must pay the nonrefundable cancellation fee.
Purchase Price of a Company or Affiliate-Owned Restaurant ⁴	Varies	If you are purchasing a company or affiliate-owned restaurant, you must sign a Franchise Agreement and pay the initial franchise fee that applies to you. You must pay the purchase price in cash or by certified check. Financing is available for some of the purchase price.
POS System Hardware Costs ⁵	\$57/mo.	You are required to use a computer-based point-of-sale system (the "POS System") which must be obtained from an approved POS hardware vendor. Currently, our approved hardware vendor is Hewlett Packard ("HP"). We may change hardware vendors, or approve one or more additional hardware vendors in the future. You are required to enroll in the hardware-as-a-service component of our Restaurant Technology as a Service ("RTaaS") program with HP to obtain a POS System. We estimate the cost of the base package in the RTaaS program to be \$57 per month, exclusive of tax and shipping charges, which must be paid to us, our affiliate, designee or directly to HP, as we require.

<i>Type of Fee</i>	<i>Amount</i>	<i>Description</i>
Software License Fees ⁶	\$636.80 for SubShop/2000	You are also required to use point of sale software and web applications that we designate in all of your new and existing restaurants. SubwayPOS[®] is the required software, except for co-branded locations. Certain non-traditional locations may also be exempt from this requirement. Currently, only co-branded locations will be offered licenses for the Sub Shop/2000[™] software (including any additional necessary software or modules) in lieu of the SubwayPOS[®] software. These Software License Fees must be paid to us, our affiliate or designee.
Payment Terminal Fees ⁷ Fees ⁶	\$237.70 for the P400 payment terminal; \$320 for the issued/configured terminal; \$323.30 for the P400 kit	You will pay this amount for the P400 payment terminal, or if you purchase a franchise location, the P400 payment terminal in the location should be part of the purchase. All new and existing restaurants are required to purchase the P400 payment terminal from our approved vendor. Certain non-traditional locations are required to use an SVS issued/configured terminal for processing gift card transactions only. There is a \$2.50 monthly maintenance fee payable to SVS. The kit includes the cables, power cord, and countertop cradle. These Payment Terminal Fees must be paid to us, our affiliate or designee.

Note 1:

The extension fee is due when you sign our then-current form of Franchise Agreement and is nonrefundable. If you are granted an extension, you will have an additional year to open your restaurant with no right to any further extensions. The term of your franchise will then be for the full number of years granted in the replacement Franchise Agreement and you will have no right to any additional extensions. This description of the extension fees also applies if you sign a Franchise Agreement Rider to open a satellite restaurant in a non-traditional location. We may change or eliminate the extension procedures in the future.

The extension fee does not apply to school lunch locations, satellite locations operating in locations other than non-traditional locations, or short-term satellite locations. These locations must be opened within the timeframes set forth in the Franchise Agreement Rider and will have no right to any extension.

Note 2:

For certain non-traditional locations, you may need to sign a concession or subconcession agreement. If your restaurant is a school lunch location, you may enter into the contract, license, or lease directly with the entity controlling the school.

Note 3:

You may experience delays and have higher costs if you seek approval to purchase directly from vendors or from vendors not currently approved. Supply chain challenges and escalating raw material and freight costs have caused material increases in the costs of Equipment, Furniture & Décor.

Note 4:

The purchase prices for these restaurants vary greatly in price. In ~~2022~~2023, we sold ~~100~~79 restaurants ranging in price from \$1 to \$55,000~~70,493.31~~ and our affiliates sold ~~17~~25 restaurants ranging in price from \$1 to \$27,125~~105,922.25~~. The purchase price does not represent your total initial investment for these restaurants and may only the costs of existing physical assets, such as leasehold improvements, equipment, signs, any security systems, inventory and supplies. You may have to purchase, finance, or lease required equipment that is not included in the purchase price. You may have to spend additional money to bring the restaurant into compliance with the Operations Manual. We may offer incentives to franchisees purchasing company- or affiliate-owned restaurants that we believe have below average sales. These incentives may include but are not limited to: 1) financing by us or an affiliate for all or a portion of the purchase price at variable terms; or 2) under certain conditions, an obligation in the purchase agreement for us or our affiliate to repurchase the restaurant from the franchisee if the franchisee chooses to terminate the transaction. Under these circumstances, we or our affiliate will not repurchase the restaurant unless it is in substantial compliance as defined in the Operations Manual and the franchisee has maintained or exceeded the Average Unit Volume (AUV) of sales reported for the 12 months prior to our or our affiliate's acquisition of the restaurant from the previous owner.

Note 5:

Additional hardware and services may be added to this base package as the program evolves and/or the technology needs of the brand expand, which may result in additional costs. Additional packages at varying monthly rates may also be offered in the future. These charges do not include the costs to obtain the payment terminal to process credit and debit card payments as well as gift card and loyalty transactions, discussed below in this Item 5. Under the RTaaS program, we may act as collection agents for HP and collect fees you owe through your pre-authorized account. You will also be responsible for any costs you incur in connection with the transition from the current POS System you use to the POS System you obtain under the RTaaS program. All POS software required as of the date you obtain your POS System under the RTaaS program will be pre-installed on your POS System.

Note 6:

~~The license fee for the SubShop/2000™ software is \$636.80, which includes the initial fees for the following additional software: TeamViewer or other remote management software, the Subway® Payment Manager software, and Progress DBMS software). In the future, co-branded locations will be required to discontinue their use of the SubShop/2000™ software in favor of the SubwayPOS® software. There may also be additional fees for software support calls made after the initial installation.~~

~~In the future, we may approve additional software vendors and may charge additional fees for any such future software that we require. You will be required to comply with such changes.~~

Note 7:

You must use the payment terminal and barcode reader we require for use with your POS System to participate in the required Subway® Gift Card Program, Remote Ordering Program and integrated credit/debit, contactless and mobile device payment options. Certain non-traditional locations are required to use an SVS issued/configured terminal for processing gift card transactions only.

Puerto Rico franchisees will instead participate in our Global Payment Program to obtain payment terminals. Fees for this program range from \$650 to \$850, and include terminals, 60 months of Overnight Replacement Servicing, and the Program Fee.

Development Program

If you participate in our multi-unit development program, with our approval, by executing a Development Agreement, and one or more Franchise Agreements or Multi-Unit Franchise Agreements, you must pay a development fee equal to the then-current standard initial franchise fee (or reduced initial franchise fee, if applicable), multiplied by the number of restaurants to be developed in accordance with the development schedule under your Development Agreement. You will not be required to pay a separate initial franchise fee under any Franchise Agreement or Multi-Unit Franchise Agreement, in each case executed in accordance with your Development Agreement. The development fee is uniformly imposed, fully earned by us when paid by you and non-refundable.

* * * * *

We may collect taxes from you that the law requires you to pay. You will pay or reimburse use for payment of any Sales Tax or other tax imposed by law on the franchise fee, royalty, advertising fees, and any other amounts payable under the Franchise Agreement, whether assessed on you or on us. We will pass on to you taxes we must pay directly to any taxing authority.

*The table above and the following notes are a general summary only. You can only obtain a full understanding of the Subway® franchise system and the costs involved by reading all franchise documentation completely, and obtaining independent legal, accounting, and business advice in relation to your proposed investment. Certain State and Federal legislation may affect the respective rights and liabilities under the various agreements to which you and we are both party. We may collect taxes from you that the law requires you or us to pay. These imposed fees are nonrefundable, except we may refund a portion of the transfer fee in limited circumstances. They are payable to us or to others as noted. These fees are the same for all persons currently acquiring a franchise except as noted below.

Note 1. *Royalty Fee*. “Gross sales” includes all sales of every kind made from your restaurant. Gross sales do not include any amounts you collect for state or local sales taxes. If your restaurant is in a non-traditional or school lunch location and you are selling other items from the premises, the Franchise Agreement Rider may help define gross sales subject to the royalty. The royalty is the same for all persons currently acquiring a franchise. If you are operating a non-traditional location at an Airport Terminal, Train Station, or Captive Travel Plaza, we may reduce your royalty rate. These reduced rates will range from 6.5% to 8%. Certain multi-unit franchisees entering into a Development Agreement with us may be eligible for reduced royalty rates ranging from 7.5% to 8%. The royalty is payable to us and is nonrefundable. We may pay up to one-third of collected royalties to third parties who assist with the development of our franchise system, including Business Developers. The royalty is payable weekly and is due on or before the Friday following the close of the business week which is usually Tuesday. You must submit signed forms to allow us to deposit drafts against your bank account for the full amount of the weekly accruals of royalties, advertising fees, and other amounts you will owe us. We may establish a marketing assistance fund that may be used to conduct marketing analyses and related activities regarding specific restaurants located in the vicinity of certain non-traditional locations. We may place a portion of the royalty fees received from Subway® restaurant locations developed by large companies operating 100 or more locations into this fund which will be administered jointly by us and the company developing the locations.

Note 2. *Advertising Fees.* You must pay us 4.5% of gross sales of your restaurant for advertising. The advertising fee is nonrefundable and we will deposit that money into SFAFT or such other marketing fund(s) as we shall designate from time to time. Under earlier forms of franchise agreement, many of which are still in effect, franchisees had the right to increase the advertising percentage temporarily or permanently by a 2/3 vote on the basis of one vote for each operating restaurant. At the time of issuance of this disclosure document, more than 2/3 of restaurant locations were governed by franchise agreements with this legacy provision. While unlikely, it is possible that the franchisees owning at least 2/3 of all restaurants could vote to increase the advertising percentage, but it would be among themselves only, and you would not be bound by any such increase because the current form of franchise agreement fixes the advertising fund contribution at 4.5%. Company- or affiliate-owned restaurants pay advertising fees and have a vote on advertising fund matters.

Certain satellite restaurants and other non-traditional restaurants, certain qualified Food Service Providers, and certain franchisees paying advertising fees under their leases, may each qualify to pay a reduced advertising fee ranging from ~~1.25~~0.5% to 2% of gross sales.

Certain multi-unit franchisees entering into a Development Agreement with us may be eligible for reduced advertising contributions ranging from 2% to 3.5%.

The advertising fee is the same for anyone currently buying a franchise, except as stated above. Advertising fees are due weekly at the same time as the royalty fees.

Note 3. *Audit Fees.* If we determine, after conducting an audit, that you under-reported gross sales by more than 2% of your reported sales, you will pay us the royalty, advertising contributions and other charges due on the Gross Sales that were not reported, all costs provided in Section 16.E of the Franchise Agreement, plus interest and the late fees (the "Overdue Amount"). This charge covers the damages we suffer for your under-reporting, which is injurious and prejudicial to the Subway® system, the trademarks, and the goodwill associated therewith. If you fail to submit all of your information to be audited, we may estimate your Gross Sales and charge you based upon the estimate. However, we will not impose this charge if you can show that you fully completed all of our control sheets in an accurate manner each week and that your under-reporting was due solely to employee theft that could not be detected with our control systems. We may also terminate your Franchise Agreement if you fail to properly report Gross Sales for any calendar year.

Note 4. *Late Payment Fees.* We may change or eliminate these fees.

Note 5. *Transfer Fee.* A transfer is the sale or other conveyance of any portion of your rights under the Franchise Agreement to another party, including the addition or removal of an individual from the Franchise Agreement. You will pay the standard transfer fee of \$7,500. If you own a satellite restaurant, you must transfer the Franchise Agreement for the satellite restaurant to the same buyer who purchases the Base Restaurant and the Base Restaurant's Franchise Agreement. In limited circumstances, we may allow a transfer of only the satellite restaurant and satellite Franchise Agreement if in our determination there is a good business reason to do so. You must pay a transfer fee of \$3,000 for the transfer of the satellite Franchise Agreement (or \$1,000 if the satellite will be established for one year or less) and a separate transfer fee for the transfer of the Base Restaurant. The transfer fee is payable when you submit a request for transfer.

If you or the buyer cancels the transfer before we have issued the Consent-to-Transfer, we will refund the entire transfer fee. However, if the Consent-to-Transfer has already been issued and you or the buyer cancel the transfer at any point thereafter, or we cancel the transfer because you and the buyer failed to complete the transfer within 60 days after the Consent-to-Transfer was issued, the full transfer fee will be retained by us. We may allocate a portion of any refund of the transfer fee toward any past due amounts owed to us by the party that tendered the transfer fee under the terms of their Franchise Agreement.

Notwithstanding the above, if the transfer is cancelled for any reason and the buyer attended any portion of our training course, the full transfer fee will be retained by us as full and final payment for the training given to the buyer. Any transfer fee being refunded in connection with the foregoing will be refunded to the party that tendered the transfer fee.

If you and the buyer mutually wish to reactivate a transfer that was cancelled, and we approve the reactivation, in addition to the transfer fee, a \$1,500 US per restaurant reactivation fee (\$750.00 US per Satellite, if any) is required. We will apply any portion of the initial transfer fee paid which was not refunded or applied to outstanding amounts owed to us toward the transfer fee of the reactivated transfer. The transfer will not be reactivated until all monies and documents required to complete the transfer are received by us.

In limited circumstances, a reduction in the transfer fee may apply, as outlined below.

- Standard Transfers to new or existing franchisees: \$3,200
- Transfers to next of kin or in the context of divorce: \$200
- All other transfers (additions, deletions, entity conversion, entity change of ownership, and family transfers): \$2,000, unless a lower fee is stated in your franchise agreement.
- ~~If you transfer your Franchise Agreement to your spouse or child, or add your spouse or child to your Franchise Agreement, we may reduce the transfer fee to \$3,750 plus \$1,500 for any satellite location (or \$500 for any satellite that will be established for one year or less).~~
- ~~If the buyer(s) is an existing Subway® franchisee, the standard transfer fee may be discounted by 25%. This discount may also apply if you add one or more individuals to the Franchise Agreement, and each individual added to the Franchise Agreement is an existing franchisee.~~
- ~~If the buyer is an existing Subway® franchisee that is purchasing 4 or more Subway® franchises from the same seller at the same time, then we may discount the standard transfer fee by 25% for the first 3 franchises and by 50% for any of the remaining franchises.~~
- ~~If the buyer will be a new Subway® franchisee, and is purchasing 4 or more Subway® franchises from the same seller at the same time, the standard franchise fee will apply for the first 3 franchises, but the transfer fee for any remaining franchises may receive a discount of 50%.~~
- ~~If (i) you are an individual and you transfer ownership of any of your restaurants from yourself to an entity you control in a single transaction, (ii) you are an entity and you add or remove one of your owners, or (iii) you are an entity and you transfer ownership among your existing owners, then the transfer fee will be reduced as follows:~~
 - ~~For Restaurants 1—5: \$2,500 per restaurant~~
 - ~~For Restaurants 6—10: \$2,000 per restaurant~~
 - ~~For Restaurants 11 and subsequent: \$1,500 per restaurant~~

We may change, modify or eliminate any reduction in the transfer fee at any time.

You must pay all related registration fees, taxes, and preparation costs for the filing, including lawyer's costs, to the extent we can require you to do so under local law. You must cancel, and then the buyer must obtain, or you must transfer to the buyer, any permits, licenses, registrations, certifications or other consents required for leasing, constructing, or operating the restaurant. We are authorized to cancel any permits, licenses, registrations, certifications or other consents that you do not cancel within a reasonable time. Any costs for cancellation will be borne by you.

Your final purchase agreement with the buyer for the location must meet our requirements. We will not become involved in the sale of any real estate included or contemplated in your sale terms. We will not be responsible for any loss or gain resulting from any sale, failure to sell or delay of the sale of the real estate. Any such loss or gain shall be incidental, consequential, contingent and not part of the transfer of your restaurant and the Franchise Agreement.

Note 6. *Location Rent.* You pay rent for your restaurant to our leasing affiliate or the landlord of the premises (at our discretion), under either, at our option, a Sublease you enter into with our designated affiliate or a direct lease you enter with the landlord. If you enter into the Sublease, it may contain a rental rate and terms different from the master lease between the landlord and our affiliate, and we or our leasing affiliate may keep the difference between the rent under the master lease and the sublease. Each of your owners will sign and deliver to our affiliate a guarantee of the payment obligations under the Sublease. Our leasing affiliate will require you to personally guarantee the Sublease. The landlord under a direct lease may also require you to personally guarantee the lease and may require a right of first refusal if you want to transfer your restaurant. Our affiliate may assess late payment fees and other costs arising from the administration of the Sublease. Our affiliate has the same rights as the landlord on default to charge you for certain fees, to carry out repairs and to recover costs. Any right of first refusal to purchase the restaurant property provided in the master lease shall remain with our affiliate or its assignee.

In order to lease directly from the landlord in lieu of a Sublease, you must request in writing and we must approve in writing the landlord's form of lease, including any modifications, amendments, renewals or extensions of the lease. In addition, you and the landlord must execute our Franchisor Lease Rider in a form substantially similar to Exhibit D-1. You will sign the lease directly with the landlord and you will pay all costs associated with the lease.

In limited instances, we may enter into master agreements granting us a master license with the right to sublicense to you the right to operate on the premises of a third-party licensor. Under this circumstance you would be required to enter into a Sublicense for the location instead of a Sublease. We may also require you to sign a license for your restaurant, in limited circumstances, where it would be inadvisable for you to sign a Sublease or where the premises for your restaurant can only be licensed. For example, we may require you to sign a license instead of a Sublease if petroleum products, controlled by another, are sold on the premises where your restaurant will be located. You will pay the licensor either a fixed monthly fee or a fee based on the percentage of your gross sales depending upon the terms of the license.

For non-traditional locations such as truck stops and gas stations where there were or currently are fuel tanks or fuel pumps located on the property, the policy of ours and our leasing affiliate is to enter into a Concession Agreement, rather than a lease, to secure the location. A Concession Agreement may limit the liability of you, us and our leasing affiliate in the event of an environmental disaster caused by petroleum products, such as a tank leak or fire. Under this circumstance you would be required to enter into a Subconcession Agreement with our leasing affiliate for the location instead of a Sublease. You will pay the Concessionor a monthly concession fee plus all costs associated with the Concession Agreement.

In limited circumstances, our leasing affiliate may enter into a contract for premises, when required by the licensor of a non-traditional location. Under this circumstance, we may also require you to sign a Subcontract with our leasing affiliate and you will be required to pay all charges associated with the contract.

There are risks involved if your arrangements with a third party are short term. For example, if an oil company controls the premises and you have only a 3-year agreement to operate a service station, your Franchise Agreement with us could become valueless and you could lose your investment in the restaurant if the oil company does not renew its agreement with you at the end of the three year period.

In some circumstances, we and/or our affiliate may earn a profit from your Sublease or Sublicense. You may have to make payments directly to our affiliate for rent that is in excess of the cost of the lease as well as an initial fee to process the lease. We or our affiliate may also keep all or a portion of any landlord or government payment for early termination of the lease. This compensation may be partially attributed to lost royalties, loss of market penetration, extended down time, and other factors associated with the termination of the lease.

In certain circumstances, we may permit you to own the real estate for your restaurant directly.

Note 7. Insurance. Your insurance costs may be higher depending upon the geographic location, construction of your restaurant, insurance market and claims history. Insurance payments must be made through Electronic Funds Transfer ("EFT") directly to the insurance carrier. If you are a school district, school board, or municipality buying a school lunch franchise and you are not allowed by law to provide the required insurance coverage or indemnification, you must notify us before you sign the Franchise Agreement. You must participate in any insurance program we specify. If you fail to meet our insurance requirements, you are in violation of your Franchise Agreement, and you will reimburse us for the costs we incur to enforce this obligation. These costs include, but are not limited to, insurance premiums, claims costs, mediation and arbitration fees, court costs, attorneys' fees, management preparation time, witness fees, and travel expenses incurred by us or our agents or representatives.

Note 8. Noncompete Violation. You cannot have any direct or indirect association with a competitive business, as defined in the franchise agreement, located within 3 miles of any location where a Subway® restaurant operates or operated in the prior year during the term of your Franchise Agreement and for 1 year after the termination, expiration or transfer of your Franchise Agreement. These fees are nonrefundable. We modify these covenants for a non-traditional or school lunch location.

Note 9. *Confidentiality Violation.* You agree not to disclose our trade secrets and confidential information, including the contents of the Operations Manual.

Note 10. *Trademark Violation.* You agree to stop using the trademark Subway® and other marks and materials associated with a Subway® restaurant, and to return whichever form of the Operations Manual you have in your possession when your Franchise Agreement terminates or expires.

Note 11. *Limited Time Offering Promotions and Auto Shipments.* You may be required to carry certain ingredients, products, packaging or smallwares for Limited Time Offering (“LTO”) promotions, and to use the ingredients, products or packaging for these promotions until they are depleted at both the restaurant and distributor. Ingredients, products, packaging and/or smallwares necessary for LTOs may be automatically shipped to you one or more times throughout the duration of the LTO and you will be responsible for the costs of the shipment(s). In limited circumstances, other required items may be automatically shipped with prior notice to you when necessary to provide the item(s) to restaurants quickly and efficiently, and you will be responsible for the cost of the item(s) as well as the shipment(s).

Note 12. *Dispute Resolution.* For fee information concerning arbitration, you can call your local office of the American Arbitration Association, American Dispute Resolution Center, or other arbitration agency (as applicable). You will also have to pay your own costs related to the proceeding, including the costs of your own lawyer or other advisors as well as travel expenses to Connecticut. You may also be liable to us for our collection costs, including lawyers’ fees. You will pay our leasing company affiliate its costs for enforcing the Sublease or Sublicense, including lawyers’ fees and legal costs, as additional rent/ licensing fees under the Sublease or Sublicense.

You will pay us a Probationary Case Management fee of \$500 if you breach the provisions of the Franchise Agreement and we settle with you and allow you to continue operation of your restaurant on the condition that you comply with the terms of our probationary agreement. You will pay us an extension fee of \$250 if we grant you an extension of the probationary agreement. You will pay us an Interim Order Case Management fee of \$250 if you breach the provisions of the Franchise Agreement and we settle with you after arbitration has been filed to allow you to continue operation of your restaurant on the condition that you comply with the terms of our interim order. You may also have to pay additional fees as part of a settlement. If we commence arbitration against you for failure to comply with the Operations Manual and we then approve the transfer of your restaurant, you may be required to pay us a Litigation Expense fee in an amount equal to 5% of the gross consideration you receive from sale of your restaurant, not to exceed \$5,000. These fees cover our costs to enforce your obligations to meet our system standards.

You should read Section 24 of the Franchise Agreement carefully. It contains other important provisions concerning dispute resolution including the requirement that arbitration be administered by the American Arbitration Association or its successor (“AAA”) or the American Dispute Resolution Center or its successor (“ADRC”) at the discretion of the party first filing a demand for arbitration. AAA will administer the arbitration in accordance with its administrative rules (including, as applicable, the Commercial Rules of the AAA and the Expedited procedures of such rules). The ADRC will administer the arbitration under its administrative rules (including, as applicable, the Rules of Commercial Arbitration or under the Rules for Expedited Commercial Arbitration). If both the AAA and ADRC are no longer in business, we and you will mutually agree upon an arbitration agency to administer the arbitration. If we and you cannot agree on the administrative arbitration agency, then a court of competent jurisdiction will select the agency. Section 24 of the Franchise Agreement also provides a limitation that you can only seek relief from us and not any of our affiliates or individuals associated with us or our affiliates. You must pay certain fees and costs for the arbitration. The provisions in the Franchise Agreement concerning arbitration and litigation do not apply to your Sublease, Sublicense or any other agreement with us or our affiliates. Our designated affiliate may terminate your Sublease or Sublicense without us also terminating your Franchise Agreement. This may render your Franchise Agreement valueless.

Section 24 also contains important provisions limiting your right to recover damages, including an exclusion for incidental, exemplary, contingent, punitive or consequential damages, except where prohibited by governing law.

Note 13. *Co-Brand Continuing Fee.* We may charge you a co-brand continuing fee on your gross sales from a third party franchisor. The fee will not be greater than 8% of gross sales from the third party franchisor, and will be the same for all franchisees entering into direct franchise agreements with the third party. The percentage may vary for each third party franchise concept. You will pay royalty and advertising fees due to a third party franchisor to us if the third party franchisor directs you to.

Note 14. *Software Maintenance Fees.* You will pay a monthly Restaurant Technology Fee of approximately \$75. In addition to the SubwayPOS®, the Restaurant Technology Fee will cover other types of restaurant technology. This monthly Restaurant Technology Fee may be subject to change each year. We may withdraw these fees from your pre-authorized account with us. In addition to the Restaurant Technology Fee, we reserve the right to impose a Digital Technology Fee in the future to cover our costs of development, infrastructure and support of programs including our Subway® App, Online Ordering, Third-Party Delivery platform support, Digital Menu Boards and Social Media Platforms.

When you use the SubwayPOS® software, you will be bound by the SubwayPOS® End User License Agreement in a form substantially similar to Exhibit A-3-1-3. We may make changes to this license agreement at any time in order to keep pace with advances in technology and other initiatives, and you may be required to agree to our then current form of SubwayPOS® End User License Agreement in order to access required software updates.

~~At this time, you must use the SubShop/2000™ software at your co-branded location. You will pay a third party supplier an annual licensing fee of \$47 for the Progress DBMS database management software that is used in conjunction with the SubShop/2000™ software. This fee may also increase, particularly as more restaurants worldwide transition to the SubwayPOS™ software. If you use the Sub Shop/2000™ software, you will be bound by the Sub Shop/2000™ Software License Agreement in a form substantially similar to Exhibit A 3. In the future, co-branded locations will be required to discontinue their use of the Sub Shop/2000™ software in favor of the SubwayPOS® software. If you do not discontinue your use of the of the Sub Shop/2000™ software within the time we permit, you will be required to pay us a monthly menu management fee of \$15 for each of your POS terminals and an annual maintenance fee of \$400 to cover our or our affiliate's costs for providing software services to you for the Sub Shop/2000™ software. These costs may increase. In no way is the assessment of these fees to be construed as permission from us to continue to use Sub Shop/2000™ software in any restaurant without a waiver, nor will your payment of them relieve you from any default under your Franchise Agreement for the restaurant in which you are not using the SubwayPOS™ software after it becomes required for the restaurant.~~

~~If you would like updates/enhancements for your SubShop/2000™ software by disk or other medium, instead of downloading the updates/enhancements from the intranet website, you must order the disk from us and pay the cost of producing the disk, as well as a shipping and handling charge.~~

Support for the required software programs is available from our affiliate, FWH, for an additional fee. You are required to use support software we designate unless you request and are granted a waiver. Currently, this software is BigFix Endpoint Management Software ("BigFix"). We will use this software to remotely access your POS system with your consent in order to maintain system security, perform routine system maintenance, provide technical support, increase operational efficiency, install updates to software programs and/or applications, and install or remove software programs and/or applications. If you receive a waiver, we or our affiliate may not be able to provide you with proper software support, and we or our affiliate may charge you additional fees to provide you with any updates to the ~~Sub Shop/2000™ software or~~ SubwayPOS® software through alternative means.

You are also required to use the Subway® Payment Manager ("SPM") software in connection with offering integrated credit/debit, contactless and mobile device guest payment options, Subway® Gift Card Program and Subway® MVP Rewards Program. The initial license fee and any maintenance fees for the SPM software are included in the fees reflected in the chart above.

Note 15. *Required Guest Payment Options, Subway® Gift Card Program, Subway® MVP Rewards Program, and Other Technology and Digital Initiatives.* These fees represent the costs associated with the offering of integrated credit/debit, contactless and mobile device guest payment options to your guests and your participation in the required Subway® Gift Card Program and Subway® MVP Rewards Program. You will be required to participate in these programs and payment options for all of your new and existing restaurants, unless we grant you a waiver.

You are required to use the integrated payment solution we designate, which includes use of a designated acquirer and processor for payment processing services, in all of your new and existing restaurants, unless we grant you a waiver. We may require you to use a different integrated payment solution provider than the one designated in this Item 6. If we do so, you may be required to pay fees to the alternative provider (or to us or our affiliates on the provider's behalf) that are different from the fees for "Required Payment Options" set forth in the table above.

You will be required to purchase the P400 payment terminal kit from a third party we designate for a one-time fee of \$323.30. If you have technical issues with your terminal, our approved supplier may replace the terminal. If you fail to return your terminal within a specified time (currently 25 days), then the supplier may charge us a fee (currently \$150), that we or our affiliate will pass on to you.

If you operate a non-traditional restaurant and are required to purchase an SVS issued/configured terminal, you must pay an initial fee of \$320. If you have technical issues with your terminal, SVS may replace the terminal. If you fail to return your terminal within a specified time (currently 30 days), then SVS may charge us a fee for shipping, installation, and file-building.

You must have a high-speed broadband connection that meets our standards and specifications to process card payments. You are required to accept the following credit card and debit card brands, unless we grant you a waiver: VISA, MasterCard, Discover and American Express. The Acquirer, Network, and Interchange fees will be charged for all credit and debit card purchases regardless of whether they are made remotely through the remote order website, Subway® mobile app or other payment app, or the catering call center ("Card Not Present Transactions") or in-restaurant ("Card Present Transactions"). The Network and Interchange fees vary depending upon the credit card or debit card brand and type of transaction. These fees may be re-negotiated over time and are subject to change.

The Subway® Gift Card Program is a required program that allows guests to load money on a stored value account and redeem it for menu items. We estimate your total initial fees for the Subway® Gift Card Program to be approximately \$60 to \$140 (initial Subway® Gift Card inventory and envelopes). There may be additional costs for additional inventories of Subway® Gift Cards and envelopes. There may be additional fees for software/hardware support. Certain non-traditional locations that have been granted a waiver of the POS System requirement and/or integrated payment solution requirement must purchase an SVS issued/configured terminal to process gift card transactions.

You are required to participate in the Subway® MVP Rewards program administered by our affiliate, Subway MyWay, LLC, for all of your new and existing restaurants, including AAFES, NEXCOM and MCCS locations. As of the date of this Disclosure Document, your fees will be 1.9%, of the gross sales for each loyalty/reward transaction made by a Subway® MVP Rewards program member at your restaurant, subject to any annual adjustments as stated in the chart in this Item and below. You will be charged this fee on all loyalty/reward transactions made by a program member for all of your new and existing restaurants. By way of example, if a Subway® MVP Rewards program member spends \$10 at your restaurant, you will pay to us a fee of up to \$0.19. All Subway® MVP Rewards program fees will be paid to and administered by Subway MyWay, LLC or another affiliate we designate. You may also incur incidental charges for supplies associated with your participation in the program. For each loyalty/reward purchase in which a \$2 reward or a "Surprise Reward" reward is redeemed by a Subway® MVP Rewards program member, you will be reimbursed for 30.9% of the cash value of a \$2 Rewards and/or "Surprise Reward" redeemed for that purchase. By way of example, if a Subway® MVP Rewards program member redeems \$10 worth of \$2 Rewards or a "Surprise Reward" at the time of purchase, you will be reimbursed \$3.09.

All redemption costs for the Subway® MVP Rewards program will be paid by Subway MyWay, LLC or another affiliate we designate. The fees and reimbursement rates associated with the loyalty/reward program are based on an average cost of goods sold for the US. We will review the average costs of goods sold in the US on an annual basis. As a result, your fees and reimbursement rates for the loyalty/reward program may change annually.

We are developing new technology and digital initiatives to enhance the guest experience, improve the efficiency of restaurant operations, and promote the Subway® brand. We may require you to implement some or all of these programs and initiatives at your expense, within reasonable timeframes we impose. All requirements must be met by the compliance date we establish. In addition to the programs described above in this Note 15, you must provide us

with a business email address and cellular phone number that you will use to receive electronic communications and calls from us or our affiliate. Below is a list of other the technology and digital initiatives you may be required to implement and/or invest in. This list is not exhaustive and will change as we and our affiliates expand and evolve our technology and digital programs.

- wireless internet router;
- hardware or software firewall;
- hand held devices;
- E-learning;
- Digital menu boards;
- Subway® Radio or other music; and
- Internet TV and LCD or plasma monitors.

You may be required to use a supplier we designate for any goods and services associated with these initiatives. We estimate fees for the wireless internet router to be \$15 to \$25 per month and fees to provide free internet to your guests to be \$75 per month. You may be able to purchase the wireless internet router outright for approximately \$600 to \$750. In the future, we may require you to invest in an internet and security package that will provide business class internet services, a hardware or software firewall security system, and guest-facing WIFI. We estimate that the digital menu boards will cost \$8,000 to \$14,000. We estimate that the purchase of a tablet, label printer and mobile device management software may cost \$700 to \$1,000. These fees may also vary by region and may be higher based on product availability and taxes. We cannot estimate the costs for other initiatives listed above as they are in the early stages of planning and costs cannot be estimated at this time.

These fees vary for Puerto Rico franchisees as part of our Global Payment Program, as follows: (1) Acquirer Fee per transaction ranging from \$0.00-\$0.10 subject to future changes; (2) Network and Interchange Fees vary depending on card brand and type of transaction, where typical Network and Interchange Fees for required credit card brands range from \$0.22 per transaction to 2.4% of the transaction total, subject to future changes; (3) fixed \$3 “Monthly Terminal Fee” as well as the variable “Worldpay Rebate” based on transaction volume (both will be collected by the processor—Worldpay or Fiserv—and remitted to us; and (4) fixed \$10 Monthly Switching Fee collected by FreedomPay (collected by the processor—Worldpay or Fiserv—and remitted directly to FreedomPay).

Note 16. Taxes and Other Fees. You will pay or reimburse us for payment of any Sales Tax or other tax imposed by law on the Franchise Fee, Royalty, advertising fees, and any other amounts payable under your Franchise Agreement, whether assessed on you or on us. Taxes may be payable to your state, county, or town. We, or another entity to which you pay fees, will pass on to you the cost of any taxes we or the other recipient must pay directly to the taxing authority.

Note 17. Training Fee. There is no fee for two persons to attend the Training Program. A training fee of \$7,500 will be charged for any additional persons attending training. You must also pay all costs for any of your restaurant employees or managers to complete in-restaurant certain required online training courses.

Note 18. Catering Program Fees. There is no fee for the basic catering program. However, if you participate in the online catering program powered by ezCater, a fee of approximately 7.75% (for ezOrdering) or 15.75% (for ezCater Marketplace) of each catering order will be charged to cover commissions and includes credit card processing fees. This fee may change to reflect costs. We may make additional modifications to the program and you will be responsible for any costs or fees associated with those modifications.

~~*Note 19. Subway Listens Program.* You are required to participate in the Subway Listens program. Under the program, guests will have the opportunity to fill out an online survey at a web address provided on their receipt or by email invitation (for online orders). Upon completion of the survey, the guest will be given a unique offer code.~~

~~Currently, the offer consists of two free cookies or a 20-ounce fountain drink with the purchase of any sub, melt, wrap, bowl, or salad. Guests may redeem with their offer code at any Subway® restaurant. There are no fees to participate in the program except that you will be responsible for the cost of the offer redeemed by the guest. Currently, the cost of the cookies or drink redeemed by the guest is estimated at approximately \$0.38 per offer redeemed. In the future, we may offer guests different incentives, which may increase or decrease your costs.~~

~~You may review guest survey results and key metrics for your restaurant online or in the guest experience app (<https://subway.medallia.com>). You may be required to respond to certain guest feedback with a specified period of time in accordance with the procedures outlined in the Operations Manual.~~

Note ~~20~~19. *POS System Hardware-as-a-Service Fees*. The amount in the chart represents the estimated cost of the base package in the RTaaS program, exclusive of tax and shipping charges for one POS System. Additional hardware and services may be added to this base package as the program evolves and/or the technology needs of the brand expand, which may result in additional costs. Additional packages at varying monthly rates may also be offered in the future.

Note ~~2+20~~. *Restaurant Excellence Visits*. Our third-party provider will perform Restaurant Excellence Visits periodically at your Restaurant to ensure compliance with our standards and specifications, to promote best practices and food safety execution, and to assist with keeping up with industry trends. Franchisees are not charged for periodic visits; however, if your Restaurant receives a “Fail” score from our provider, you will be charged the Revisit Fee. You will receive a revisit until a passing score is achieved, and you will be charged the Revisit Fee for each revisit.

All figures in this Item 7 are estimates only. Actual costs will vary for each franchisee and each location.

Certain non-traditional locations and locations operating within Walmart stores may participate in a co-brand arrangement with AUNTIE ANNE'S® stores. If you are participating in one of these locations, there may be additional costs and your initial investment costs may be higher.

If you are offering our additional menu items under the Store/Marketwide Option Program described in Item 1, you will have additional costs. We provide these costs below.

NOTES:

Note 1. *Initial Franchise Fee.* The initial franchise fee is \$15,000. The initial franchise fee may be lower for additional franchises or if you qualify for a reduced fee. We currently offer a discount of the franchise fee for qualified US Veterans purchasing a franchise. We are currently waiving the initial franchise fee for satellite locations located in the same facility as the Base Restaurant and for oil company retailers who have at least 50 units and convert an existing sandwich business that they created, own and operate at their facility into a Subway® restaurant. The initial franchise fee for a satellite location is \$5,000 or \$1,000 if the satellite location will be in operation for a shorter term of one year or less.

Note 2. *Real Property.* We estimate this amount to be the deposit of 2 months' rent payable when you sign the Intent to Sublease or a direct lease with the landlord. This represents a security deposit of one month's rent and payment of one month's rent. You may pay a significantly higher security deposit if our affiliate leasing corporation cannot obtain a lease with a reduced security deposit or if you rent directly from a landlord under a direct lease rather than under a Sublease. You make direct payments to the master landlord for anything due under the Sublease and master lease terms; or, if you lease directly from the landlord, you will make direct payments to the landlord. This could vary if you use a portion of the premises for other than a Subway® restaurant. Each of your owners will sign and deliver to our affiliate a guarantee of the payment obligations under the Sublease. The master landlord under a Sublease, or landlord under a direct lease, may require you to personally guarantee the lease. You will also pay \$50 to our affiliate when you sign the Sublease as a nonrefundable fee for administrative costs to record the lease. In addition, you will be responsible for any additional costs associated with recording the lease. The \$50 nonrefundable fee and additional costs are estimated in the entry for Miscellaneous Expenses in this chart.

Under certain circumstances, your landlord or the licensor may require us or one of our affiliates to make rental payments for your restaurant to them on your behalf. All rental payments and related charges we pay on your behalf will be deducted from your pre-authorized account with us, which you agree to adequately fund for such payments when due. Review the terms of your Sublease for circumstances where your rental payment may be refunded. In some cases, you may sign a license or sublicense for your restaurant when the premises can only be licensed. Depending upon the terms of the license, you may be required to pay the licensor an advance fee when you sign the license.

Real estate costs vary widely, but we estimate the typical monthly rent expense runs from \$1,000 per month to a high of \$6,000 per month. The typical restaurant measures approximately 1,375 square feet, but some restaurants are as small as 300 square feet and others as large as 2,000 square feet. Restaurants are in a wide range of locations, including strip centers, enclosed malls, food courts, free standing buildings, downtown locations, and seasonal and non-traditional sites. Factors such as these will affect your costs, which may be higher than our estimates.

In certain circumstances, we may permit you to purchase the real estate for your restaurant. If you choose to do so, and if we permit you to do so, your initial real estate costs could be substantially higher, depending upon your financing arrangement, including the amount of any down payment.

Note 3. *Leasehold Improvements.* We estimate these costs to be the costs to build out your restaurant in accordance with the standards and specifications in the Operations Manual. Your local law may require use of a grease trap in your restaurant. This may increase your leasehold improvement costs between \$8,000 and \$12,000 depending upon the location of the grease trap.

We have recently unveiled a new restaurant décor design, “Fresh Forward”. The “Fresh Forward” décor is the required décor and equipment package for all new restaurants and relocations. Existing locations are required to remodel to the “Fresh Forward” décor and equipment package or an approved variation thereof, such as the “Fresh Start” décor and equipment package, in accordance with the timeframe established in the Operations Manual. The cost of construction and all décor elements and the cost of its installation in the restaurant shall be at your sole expense. This estimate does not include costs to ship required décor elements.

We are currently in the process of assessing costs to build-out a non-traditional location and a freestanding location with a drive thru in accordance with the Fresh Forward décor, but as we are in the initial stages of this process, costs cannot be estimated at this time. We anticipate that costs to build-out a non-traditional location will be higher than those indicated in the chart above in this Item 7 but lower than the additional costs incurred in connection with the build-out of a traditional location in accordance with the Fresh Forward décor. The costs to build out a free standing location with a drive thru may be substantially higher than those indicated in the chart for a traditional location. We exclusively reserve the right to modify any element of the Subway® restaurant décor and equipment package.

Note 4. *Equipment.* You must use an approved POS System in all of your new and existing restaurants, including satellite restaurants. We may waive this requirement in limited circumstances on a case-by-case basis. We have negotiated with Hewlett Packard (“HP”) and you are required to participate in the hardware-as-a-service component of the RTaaS program to obtain the POS System from HP. Under the RTaaS program, we may act as collection agents for HP and collect fees you owe through your pre-authorized account. We estimate the cost to obtain the POS System under the base package of the RTaaS program to be approximately \$57 per month, exclusive of tax and shipping charges. Additional hardware and services may be added to this base package as the program evolves and/or the technology needs of the brand expand, which may result in additional costs. Additional packages at varying monthly rates may also be offered in the future. This amount does not include ~~Sub Shop/2000™ initial license fee of \$636.80 (applicable to co-brand locations only)~~ or the cost of the card reader or barcode reader. The required payment terminal costs are also not included, and will vary; the P400 payment terminal is \$237.70 (assuming you purchase it outright) and the SVS issued/configured terminal for certain non-traditional locations processing gift card transactions only is \$320. The barcode reader is an additional \$170 or \$180 if your restaurant has a drive-thru.

This estimate includes the cost of your initial supply of menu board translates. You must purchase your initial supply of menu board translites from us or SFAFT, unless we designate otherwise. The estimated cost for menu board translites is \$125. You must also buy decals and replacement menu board translites from us or SFAFT, and certain operational items from the supplier we designate. The estimated cost is less than \$600 and is nonrefundable.

You have the option to purchase digital menu boards typically consisting of four television screens, media players, HDMI cables, and menu content management services from us, an affiliate or a designated supplier. The estimated cost to purchase and install the digital menu boards are \$8,000 to \$14,000; however, this estimate is not included in the table above because we anticipate that most franchisees who choose to use digital menu boards will opt to lease them through our approved supplier’s Hardware-as-a-Service program, currently \$155 per month. Ongoing licensing fees and support fees may apply. In the future, we may require you to purchase digital menu boards.

Note 5. *Insurance.* You must purchase the insurance we specify for each of your restaurants, which presently includes statutory Workers’ Compensation and Employers Liability, as required by law, General Liability insurance, including products liability and completed operations coverage in the minimum amount of \$2,000,000 per occurrence/\$4,000,000 general aggregate, and Auto Liability insurance, including owned, non-owned and hired vehicle coverage, in the minimum amount of \$1,000,000. General liability coverage must be written on a per location basis. You must also purchase the insurance required by the Master Lease and state law. If you lease equipment from us, you must purchase property insurance and liability insurance covering the equipment and name us as loss payee. In addition to the foregoing requirements, if you are permitted to sell alcohol at your restaurant, you must carry liquor liability insurance in the minimum amount of \$1,000,000 per location. Your insurance coverage must be primary and non-contributory, and you must name us, our affiliates, SIP, the Business Developer, our agents, representatives, shareholders, directors, officers, employees, and those of our affiliates and the Business Developer, the tenant corporation named in your Sublease or Sublicense and your landlord as additional insureds unless otherwise directed. You must provide us with a copy of your Certificate of Insurance when you return your signed Sublease or Sublicense

or finalize your Lease or License. Your insurance carrier must agree to give us prior written notice of termination, expiration, material modification, or cancellation of your policy, or cancellation of us or any of the other entities or individuals in the preceding sentence as an additional insured. We may change or increase your insurance requirements due to changes in experience, and you must comply with the new requirements. The estimated cost is for one year for property, and general liability coverage, but does not include any Workers' Compensation, Employers Liability, Employment Practices Liability Insurance, health insurance, or other benefits, or Auto Liability. Your insurance costs may be higher depending upon the geographic location, construction of your restaurant, the insurance market, and claims history. You must defend and indemnify us, our affiliates, SIP, SFAFT, the Business Developer, our agents, representatives, shareholders, directors, officers, employees, and those of our affiliates and the Business Developer against any claims that arise in or in connection with the operation of your restaurant or, against any claim for which we and/or our affiliates have to indemnify the Master Landlord under the master lease for your restaurant, regardless of cause or any fault or negligence.

If you are a school board, school district, or municipality buying a franchise for a school lunch location, you must notify us before you sign the Franchise Agreement if the law prevents you from providing the required insurance coverage or indemnification. We may elect to amend your Franchise Agreement to delete the unlawful insurance coverage or indemnification requirements.

We have designated one or more approved insurance brokers and their associated carrier(s) from which you must buy your insurance under our Gold Standard Insurance Program for each of your restaurants. We have negotiated to provide an insurance package, including property, general liability, auto liability, statutory Workers' Compensation, business income, and additional forms of insurance coverage for Subway® franchisees. At the brokers' direction, the carriers will name all the additional insureds your Franchise Agreement and Sublease or Sublicense, if any, requires and will also provide insurance certificates to us and our real estate affiliate. You must make payments directly to your insurance carrier via EFT. If your insurable interest in the facility in which the restaurant is located is greater than the restaurant, subject to our written approval and your signing the Franchise Agreement Rider, Part I, you may maintain a program of self-insurance or buy your insurance through your local insurance broker or carrier. If you own another business operating on the premises where your restaurant is located, subject to prior written approval, we may allow you to buy your insurance from the broker or carrier, who places the insurance for the other business. In these cases, which we allow you to obtain your insurance from a source other than that approved under our Gold Standard Insurance Program, your broker or agency must meet our requirements relating to Errors & Omissions coverage, indemnification and reporting specifications and place your insurance with a carrier maintaining a rating of at least A-/IX in Best's Insurance Guide.

You must buy your insurance from the brokers and companies we designate and provide indemnification under our current language for all of your restaurants.

Neither we, nor our affiliates receive any income from placing insurance coverage or benefit plans with any insurance broker or carrier.

Note 6. *Training Expenses.* You do not pay us a training fee but you will be responsible for all personal expenses for the training, including transportation to the designated training restaurant, lodging, meals, wages, and benefits for any of your employees. We may substitute a shorter training program for school lunch franchisees but you may have travel costs depending on where you receive your training. We do not charge a separate training fee for school lunch franchises, but we may do so for franchises purchased in the future, if we are waiving the initial franchise fee at that time.

Note 7. *Miscellaneous Expenses.* You must pay the cost of all permits, licenses, registrations, certifications, utilities, or other consents required for leasing, constructing, or operating your restaurant. The \$50 nonrefundable fee and any additional costs associated with recording the lease that you pay to our affiliate are included in the total. You may have to pay data use charges in connection with any wireless internet service and a transmission fee to transmit data from your restaurant to our designated database. In addition to these expenses your municipality may assess impact fees on your Subway® restaurant location. Impact fees are charges assessed by your municipality against new development projects, such as your restaurant, in an attempt to recover the cost incurred by the municipality in

providing the public facilities required to serve the new development. Impact fees may vary among municipalities; however, we estimate these fees to be between \$5,000 and \$25,000. These fees are nonrefundable.

In accordance with Nevada state law, you will be required to use an architect licensed in the state of Nevada for the preparation of site specific drawings to be used in the new construction, alteration, and remodel of a Subway® restaurant located in or contemplated in Nevada. If we do not designate your architect, the architect you use must be approved by us and will be required to sign a non-disclosure agreement. You will be required to utilize the architect's services for the design and construction of your restaurant. The Store Design Department of FWH will have the right to approve or disapprove any plans used in the construction of your restaurant. You will be solely responsible for all fees charged by the architect. We estimate these fees to be between \$1,500 and \$3,000.

Note 8. *Additional Funds.* This is an estimate only of the range of initial start-up expenses for 3 months. These expenses assume you lease your equipment from us, and include payroll costs but do not include royalty, advertising fees, or food costs or any allowance for an owner's draw. The actual amount of additional funds you will need to operate for three months depends on a variety of factors, including the size and location of your restaurant, your own management skill, economic conditions, competition in the area of your restaurant, the sales level reached during this period, and other factors. We cannot estimate the operating results of your restaurant. We disclaim that by providing these estimates of your costs we are making any representation that you will have any level of sales. The estimates are of your costs only and do not reflect any offsetting sales revenue you may earn from operations to help pay these costs. We do not make earnings claims. The estimate of Additional Funds for three months shown in the above chart is not an estimate of working capital you will need, but relates only to certain expenses for the time period stated. The time period of three months is not a representation of when you should expect to break even, if ever.

Note 9. *Opening Advertising.* You must hold a grand opening sale within 4 to 8 weeks after the opening your restaurant or a change in the ownership of your restaurant. In addition to new restaurants, this grand opening sale requirement applies to all restaurants that relocate, remodel, or transfer to a new franchisee. If the transfer consists of an addition or deletion of a name, the restaurant is not required to hold the sale. We recommend that you spend at least \$2,000 on the grand opening sale.

Note 10. *Outside Signs.* These costs do not apply to school lunch locations.

Note 11. *Total.* These figures are estimates of the complete investment for setting up a Subway® restaurant and operating it for three months. It is possible to significantly exceed in any of the areas listed. Your costs could also be substantially lower if you are purchasing a non-traditional, satellite or school lunch location. Some costs will vary in relation to the physical size of your restaurant. A lower cost restaurant is one that will require fewer leasehold improvements, less seating, and fewer equipment purchases. Moderate and higher cost restaurants may require extensive interior renovations, extensive seating, and additional equipment. It may not be possible for you to construct your restaurant at the location you selected at the lower or moderate total investment cost listed above. To avoid excessive construction costs, we strongly recommend you choose contractors carefully by obtaining several competitive bids before construction begins. The above figures do not include extensive exterior renovations or "key money" to the master landlord. We have relied on our own experience of over 50 years in the restaurant business to compile these figures.

This Item 7 presents the estimate initial investment to develop a new Subway® restaurant. If you purchase an existing restaurant, the purchase price you pay for the restaurant may vary from the estimates presented in this Item 7. In certain cases when you agree to buy an existing restaurant, we may require you to pay a deposit. The amount of the deposit is usually a certain percentage of the purchase price and will vary depending on the amount of the purchase price.

If you participate in our multi-unit development program, with our approval, you must pay a development fee equal to the then-current standard initial franchise fee (or reduced initial franchise fee, if applicable), multiplied by the number of restaurants to be developed in accordance with the development schedule under your Development Agreement, as described in Item 5. You will not be required to pay a separate initial franchise fee under any Franchise Agreement or Multi-Unit Franchise Agreement, in each case executed in accordance with your Development Agreement. Therefore, the estimated initial investment under the development program, which includes the estimated initial investment to

develop your first new restaurant, plus the development fee to be paid under the Development Agreement, is as follows:

Type of Expenditure	Lower Amount	Mid Amount	Higher Amount	METHOD OF PAYMENT	WHEN DUE	TO WHOM PAYMENT IS TO BE MADE
Development fee for 2-10 Restaurants	\$22,500	\$52,500	\$82,500	Lump Sum	When you sign the Development Agreement	Us
TOTAL UNDER DEVELOPMENT PROGRAM <i>For a Non-Traditional Location</i>	\$241,0502 46,123 <u>\$201,5502</u> 06,635	\$423,9254 31,427 <u>\$312,0753</u> 19,577	\$594,30060 4,245 <u>\$461,30047</u> 1,245			

We anticipate that multi-unit developers will also often purchase existing Subway® restaurants. The estimated initial investment under the development program presented above does not take into account the purchase price or other initial investment associated with purchasing existing Subway® restaurants.

Apart from: (1) entering into the master lease and subleasing the restaurant premises to you; and (2) loans in connection with a Subway® restaurant, we and our affiliates do not offer assistance or financing to you directly or indirectly. The above costs are not refundable, the location security deposit (depending upon the terms of the master lease), and utility deposits (depending on the terms set by each local utility), as long as you are in compliance.

Additional Menu Items under the Marketwide Option Program. If you offer additional menu items under the Marketwide Option Program described in Item 1, you will have additional investment costs. We estimate your additional investment costs below for adding our own menu options. If you enter into a franchise agreement or a license with a third party, the third party should provide you with the investment cost information for adding its products and concepts.

This chart is our estimate of your additional investment costs to offer our in-house additional menu programs. If your advertising fund market has approved a menu program we designate as a Marketwide Option Program, or approves the menu program in the future, you will have to make the investment associated with that menu program.

Item 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Approved Products and Services

You will purchase all required food, equipment, beverages, and other products or services typically used in Subway® restaurants exclusively from an approved distribution center or another approved source, which could be us or our affiliate, as we may designate. If there is not a designated distribution center or other approved source, you must purchase or lease other food products, packaging materials, construction materials, equipment, items bearing the Subway® trademark, and other products and materials required for the operation of your restaurant in accordance with our specifications. We consider our criteria for approving suppliers to be a proprietary trade secret, and therefore we do not make them available to franchisees.

You may order your food and beverage products, smallwares, and other supplies through an approved web-based portal, where the list of approved suppliers and products available per Distribution Center is available. If there are cases where approved products or services you use in your restaurant are no longer available at the Distribution Center, Subway will coordinate for substitutions or provide waivers as needed, but franchisees are not allowed to independently source products. We may withhold approval for a substitute supplier for a legitimate business purpose, including identification of the system with one recognized brand, obtaining volume price benefits, or achieving uniform quality, procedures or systems.

We may change our specifications and supplier designations as a result of experience or changes in the marketplace or law. If you purchase a franchise for a school lunch location, you may have to modify the menu items with different specifications in order to satisfy nutritional requirements.

Limited Time Offerings

Your choice of products and supplies, however, may be limited by the market in which you are located under the Marketwide Option Program. You may be required to carry certain ingredients, products, packaging or smallwares for LTO promotions, and to use the ingredients, products or packaging for these promotions until they are depleted at both the restaurant and distributor. Ingredients, products, packaging and/or smallwares necessary for LTOs may be automatically shipped to you one or more times throughout the duration of the LTO and you will be responsible for the costs of the shipment(s). In limited circumstances, other required items may be automatically shipped with prior notice to you when necessary to provide the item(s) to restaurants quickly and efficiently, and you will be responsible for the cost of the item(s) as well as the shipment(s).

Approved Supplier and Product Criteria and Alternative Supplier Approval

We consider the manner in which we establish our standards and specifications, as well as our criteria for supplier approval, to be confidential, and have no established policy to provide this information to franchisees or other unapproved suppliers. The goal of establishing and approving a specification is to promote consistency across the Subway® system, regardless of the supplier. All food product suppliers must successfully complete an application process and may be required to submit product samples for examination and testing. Prospective equipment and supplies vendors must meet or exceed our specifications for the equipment or supplies. Equipment and supplies vendors may have to pay an application fee and submit samples. Standards and specifications for non-food products include minimum requirements for weight, delivery, performance, warranties, design, and quality control. Approved suppliers are required to pay any fees associated with any testing or auditing of their products, which may result in an upcharge on certain products. Suppliers may also pay all or part of the costs to test new products. These costs include market research, consumer interviews, the production of point-of-sale advertising materials and the production of television pieces.

Suppliers must successfully complete our application and approval process before start supplying any products across the Subway® System. To request approval of a supplier, franchisees must submit the request in writing to our Food

Safety and Quality Department. We will advise you within a reasonable time whether the supplier is approved. The amount of time it takes to receive approval from us may vary depending on the supplier, but generally ranges from two months to one year. We may re-inspect and re-evaluate the facilities and products of any previously approved supplier and may revoke its approval if we find the supplier fails to meet any of our standards and specifications at any time.

Approved Suppliers

In any instances where we or our affiliate are an approved supplier, we or our affiliate, as applicable, may derive revenue from your purchases. Otherwise, we and our affiliates do not derive revenue or profit from your purchases or leases but reserve the right to do so in the future.

Equipment

IPC manages equipment ordering platforms and relationships with equipment suppliers.

Currently, Huntington Technology Finance, Inc. is the sole approved supplier of leasing services for certain leased equipment. To lease the equipment that is part of this program, you will be required to execute the Huntington Technology Finance Equipment Lease attached as Exhibit K-2.

Real Estate

If you do not own an approved location or lease an approved location directly, then we either designate a real estate leasing company affiliate to enter into the lease or license for the approved location and you sublet or sublicense from our affiliate or we or the real estate leasing company affiliate own the premises and directly lease or license the premises to you. If we or our affiliate act as landlord or licensor, we or our affiliate, as applicable, will derive rental revenues and may retain a profit. If we or our affiliate act as sub-landlord or sub-licensor, we or our affiliate, as applicable, may derive rental revenues and may retain a profit.

The Sublease and Sublicense impose all costs and obligations of the master lease or license on you (except that we reserve the right to earn a profit under the sublease by charging amount in excess of amounts payable under the master lease). We or our real estate leasing company affiliate may derive revenue from the charge of base rent, additional rent, premiums, late payment fees, and other assessment costs and charges and can exercise the same rights as a landlord, including, termination remedies and government payments. As of the issuance date of this Disclosure Document, we have not charged rent.

In accordance with certain state law, including Nevada, you may be required to use an architect licensed in the state of Nevada for the preparation of site-specific drawings to be used in the new construction, alteration, and remodel of Subway® restaurants located in or contemplated in Nevada. You may be required to use the licensed architects that we designate.

POS System Hardware and Software

Currently, there is only one approved supplier for your POS system hardware. You are required to enroll in the hardware-as-a-service component of our RTaaS program with HP to obtain a POS System.

We and our affiliate, FWHT, developed the SubwayPOS® software. FWHT is the only approved supplier and licenses it to you with various third party components. Currently, there is no monthly software maintenance fee if your restaurant will be located in the United States, but we may charge one in the future; however, if your restaurant is located in a United States territory (not a state), we will charge you a monthly maintenance fee.

~~If you operate a co-branded location, we are the sole approved supplier for the Sub Shop/2000™ software (including Sub Shop/2000™, Sub Shop/2000 HOME OFFICE™ System and Sub Shop/2000 In Store HOME OFFICE Support™ software), which we will license to you. The license fee for the SubShop/2000™ software is \$636.80, which includes the license fees for the following additional software: TeamViewer or other remote management~~

Our affiliate, FWH, will provide ~~limited software support for Sub Shop/2000™ and full support for the SubwayPOS® software. Support for Sub Shop/2000™ software may also be offered by various third parties.~~ We will receive revenue from the support FWH provides to Subway® franchisees worldwide through the FWH Technology Support Center.

The approved Subway® Payment Manager (“SPM”) software you must install and use to participate in the required Subway® Gift Card Program, and to offer the required integrated credit/debit, contactless and mobile device payment options is only available from us. We will license the SPM software to you.

You are required to participate in the Subway® MVP Rewards program administered by our affiliate, Subway MyWay, LLC, for all of your new and existing restaurants, including AAFES, NEXCOM and MCCS locations. You will be responsible for all costs associated with the program. As of the date of this Disclosure Document, your fees will be 1.9% of the gross sales, in addition to incidental charges and subject to any annual adjustments, for each loyalty/reward transaction made by a Subway® MVP Rewards program member at your restaurant.

The approved service provider you must use to participate in the required Subway® Gift Card Program is currently Select Value Services (“SVS”), a division of Comdata Inc. You must execute the Franchisee Participation Agreement attached as Exhibit A-11. We may change the approved service provider from time to time.

You must obtain and use the payment terminal we designate to participate in the required Subway® MVP Rewards Program, Subway® Gift Card Program, Remote Ordering Program and to offer the required integrated credit/debit, contactless and mobile device payment options, which you may acquire from any approved supplier so long as it conforms to our specifications. Currently, there is one approved acquirer and processor for payment processing services, Adyen. The P400 payment terminal must be purchased from the third-party vendor we designate. We may change the approved terminal and processor from time to time. If your restaurant has a drive-thru, you must purchase a barcode reader from our approved supplier.

Currently, we have one approved supplier for catering call center services.

In-Store Broadcasting Network (“IBN”) is the only approved vendor for Subway® Vision, an in-store media system which includes promotional materials for the Subway® brand, third party advertisements and other entertaining information for guests.

Other Approved Suppliers

We and IPC, on the one hand, entered into an agreement with Coca-Cola North America, a division of the Coca-Cola Company (“Coke”), on the other hand, designating Coke as the sole approved supplier of certain beverage products and the equipment for those beverage products to franchisees. Under this agreement, you are obligated to enter into a Participation Agreement with Coke, and serve only certain beverages licensed by Coke, subject to limited exceptions. Franchisees of certain non-traditional locations and co-brand locations are exempt from this requirement.

Beginning January 1, 2025, PepsiCo, Inc. will be the sole approved beverage supplier for most U.S. Subway® restaurants.

In addition to Coke products, we currently designate only one approved supplier for certain other food and beverage products, and other products and materials such as cleaning products, paper products, plates and plasticware.

If you have a school lunch location, you may have only one approved supplier for some food items.

We designate one or more approved insurance brokers and their associated carrier(s) under a Gold Standard Insurance Program and you must purchase your general liability and Workers’ Compensation insurance from one of these brokers and their associated carrier(s) unless permitted otherwise.

We designate suppliers for additional menu items and equipment offered under the optional Store Option Program and Marketwide Option Program. Some of the equipment items for these programs may only be available for purchase through us from time to time. Currently, there is one approved supplier for each of the following menu items and equipment for these programs: omelet (including induction burners, pans, custom cutting board, small-wares).

SubSource, LLC, is an approved supplier of web-based software and services used in Subway® restaurants.

You must use only approved suppliers for third party delivery services. You must provide delivery services in compliance with the Confidential Operations Manual and as we otherwise specify in writing from time to time, and you must pay any commissions charged for their services.

We do not currently, but may in the future, require you to purchase or lease digital menu boards from a sole approved supplier.

Interests in ~~Approved~~Required Suppliers

One or more of our officers ~~owns~~ owns an interest in Schoox, our training platform, and publicly-traded stock in ~~two~~three of our ~~approved~~required suppliers, PepsiCo, Inc., ~~and~~ The Coca-Cola Company and Microsoft. In addition, some of our franchisees and our Business Developers may have interests in various ~~approved~~required suppliers. Other than that, no current officers of DAL have any ownership interest in any ~~approved~~required supplier that provides goods or services to Subway® franchisees.

Purchasing Cooperative, Rebates and Negotiated Prices

The IPC is a purchasing entity that works with us and our affiliates to approve suppliers and negotiate prices, discounts, and other purchase and distribution arrangements for the benefit of Subway® franchisees throughout the system or in a particular region. The IPC will not have any exclusive rights for the purchase of approved products. The IPC may earn revenue in connection with the services it provides.

Upon signing the Franchise Agreement, IPC's charter documents provide that you are eligible to become a member of IPC that has voting rights on a representative board (a "Member") or an associate Member that benefits from Member activities without voting rights (an "Associate Member") of the IPC. To become a Member or Associate Member, you must complete a membership form prescribed by the board of the IPC. You may opt out of being a Member or Associate Member of the IPC by sending the IPC written notification, and purchase from other third-party vendors instead of from IPC. The IPC may amend its charter documents—changing these membership requirements—from time to time.

We and the IPC may negotiate agreements with approved suppliers, which may require contributions by the suppliers for national or local advertising, research and development, equipment, technology and digital initiatives and other uses benefiting franchisees. The amount of the contributions is usually determined as a specific amount of money per quantity of product purchased by franchisees, or sometimes as a percentage of the supplier's dollar sales to franchisees of the product. In some cases, these contributions are earmarked by a supplier for specific purposes, and we use the funds accordingly. By way of example, suppliers that contribute to funds which benefit franchisees in the United States are making contributions at approximately the following rates based on franchisee purchases: \$0.03 - \$0.10 per pound; \$0.18 - \$1.00 per case; \$0.052 per bag; \$0.97 - \$1.53 per gallon; or 2% to 37% of sales dollars. We and IPC reserve the right to negotiate these arrangements and administer the contributions. There may be an upcharge on certain products as a result of these arrangements.

We or SFAFT may allocate the advertising contributions to a specific region or market at our discretion and we and SFAFT have no obligation to allocate all of the supplier contributions for advertising to any particular market. We cannot quantify or guarantee any benefits to you as a result of any vendor contributions paid on your purchases from a vendor or otherwise.

Vendors and suppliers may also contribute money to our Franchisee Education Fund. This fund is to be used for Subway® franchisee educational and other purposes approved by us. The IPC will manage the solicitation of funds from vendors and suppliers that have been collected from franchisee product purchases, which may reflect a markup. We currently contribute any income, after expenses, from the annual Subway® convention into the Franchisee Education Fund.

Contributions from suppliers, including manufacturers and distributors, may be negotiated on a local level with the funds being used to promote advertising or some other use benefiting franchisees in the local market. We are not able to provide specific information on any such local programs, but we believe that these suppliers make contributions at rates similar to those previously discussed.

Suppliers may also pay booth fees, sponsorship fees and other fees to participate in franchisee trade shows or conventions. These payments may subsidize our or our affiliate's costs to hold a franchisee convention or field meeting.

We have an arrangement with a payment processing provider whereby we receive the following incentives based on payment processing volume through our provider's network at Subway® restaurants:

- For debit and prepaid transactions, we receive \$0.014 per transaction.
- For debit interchange reimbursement fees, we receive a 0.10% incentive.
- For debit prepaid interchange reimbursement fees, we receive a 0.25% incentive.

We may negotiate other arrangements with suppliers, vendors, manufacturers or distributors. We or our designee may receive the contributions we negotiate, or we may direct that any contributions we negotiate be placed into one or more funds to be used for the benefit of franchisees. We cannot guarantee that you will benefit directly from any of these contributions.

Overall Required Purchases

The products or services we require you to purchase or lease from an approved supplier, or purchase or lease in accordance with our standards and specifications, are referred to collectively as your "Required Purchases." We estimate that your Required Purchases will account for approximately 66.5% to 100% of all purchases and leases necessary to open your restaurant, and approximately 29.5% to 37.5% of your annual costs to operate your restaurant. These percentages will vary based on whether you lease or purchase equipment from us and whether you participate in optional programs listed below.

Optional Program Required Purchases

If you choose to offer the following programs at the restaurant, the Required Purchases are as follows:

Soup: The Required Purchases of soup represent 15% of your total purchases in connection with establishing this menu offering and 100% in continuing it.

Omelet: The Required Purchase of the required equipment package (including induction burners, pans, custom cutting board, smallwares) may represent almost 30% of your total purchases in connection with establishing this menu offering and 100 % in continuing it.

Derived Revenue

We will derive revenue from purchases you must make in connection with the operation of the restaurant as follows:

1. From direct purchases or payments made to us (used equipment, leased equipment, rental revenue, premium charge, software licenses);
2. Rebates or purchase discounts from approved suppliers you must use.

We may designate ourselves as the sole approved supplier of any item in our discretion. During ~~2022~~2023, we derived ~~\$22,048,15,211~~ in revenue from franchisee required purchases, which is approximately ~~0.0030.002~~% of DAL's total revenues of ~~\$880,625,000~~971,919,000.

The basis for the rebates paid by approved suppliers varies but approved suppliers are generally making contributions at approximately the following rates based on required franchisee purchases: \$0.03 - \$0.10 per pound; \$0.18 - \$1.00 per case; \$0.052 per bag; \$0.97 - \$1.53 per gallon; or 2% to 37% of sales dollars.

We also derive revenue from voluntary and involuntary contributions to various strategic funds, market research and development, testing and equipment and purchase discounts from approved suppliers you are not required to use. We collect and administer the contributions in our sole discretion. During ~~2022~~2023, we derived ~~\$59,105,554~~
~~in~~100,530,813in revenue from these various contributions and discounts.

Our affiliates will derive revenue, and have derived revenue during ~~2022~~2023, from purchases you must make in connection with the operation of the restaurant as follows:

1. FWHT received ~~\$12,591,359~~23,334,891 in revenue from franchisee required purchases.
2. FWH collected ~~\$3,952,955~~7,415 in voluntary fees, sponsorships and contributions made by vendors and suppliers that supply items to you.

Except as described above, we and our affiliates do not derive revenue or profit from your required purchases or leases but reserve the right to do so in the future.

Note 1. All shareholders or other equity holders must guarantee your obligations under any financing arrangements. See Item 15 and 17.

Note 2. If you enter into a Sublease or Sublicense for the restaurant premises, our designated affiliate will enter into the master lease or license with the landlord. The landlord is usually an unrelated third party. The Sublease or Sublicense (as applicable) incorporates the landlord's form of lease or license, which will vary. You should read the master lease or license (as applicable) and the Sublease or Sublicense (as applicable) carefully. You may also want to review these documents with a lawyer. You must pay a security deposit, equal to two month's rent, when you sign the Intent to Sublease. The landlord may also require you to pay "key money".

Under the Sublease or Sublicense, the costs and obligations of the master lease or license between our affiliate and the landlord, are passed onto you, and we may earn a profit by charging you an amount in excess of these costs. When you enter into the Sublease or Sublicense, our affiliate is not relieved from its obligations under the master lease or license. Under a Sublease or Sublicense, you pay the rent or license fee for your restaurant to the landlord of the premises or to our designated affiliate, at our option. See Sublease, Section 3 or Sublicense, Paragraph 6 (as applicable) and the Franchise Agreement. You may have the right to prepay the lease without penalty; however, many lease agreements do not allow payments to be made more than 1 or 2 months in advance. Under certain circumstances, your landlord or the licensor may require us or one of our affiliates to make rental payments for your restaurant to them on your behalf. All rental payments and related charges we pay on your behalf will be deducted from your pre-authorized account with us, which you agree to adequately fund for such payments when due.

You may hold over at the end of the term of the Sublease only with the written consent of our affiliate. During such hold over tenancy your rent will increase to an amount equal to 200% of the rent amount that existed immediately prior to the expiration date of the Sublease. See Sublease Section 2.3.

Our leasing affiliate may earn a profit if you use a portion of the leased or licensed premises for any business other than a Subway® restaurant. We and our affiliated leasing companies have an interest in compensation which often may include, but is not limited to, lost royalties, loss of market penetration, extended down time and other factors associated with the termination of a lease. We or our affiliate may also keep all or a portion of any landlord or government payment for early termination of the lease. See Items 5 and 8 and Exhibits D and D-1. Our affiliate may assess late payment fees and other costs arising from the administration of the lease. Our affiliate has the same rights as the landlord on default to charge you for certain fees, to carry out repairs and to recover costs. You are responsible for all costs associated with making alterations to the premises to conform to our then current image of the Subway® brand. In connection with any such alterations exceeding \$20,000, our affiliate may require you to obtain a surety bond in the amount equal to the estimated cost of the alterations. You will be responsible for any costs associated with obtaining the surety bond.

Each of your owners will sign and deliver to our affiliate a guarantee of the payment obligations under the Sublease. The landlord may also require you to personally guarantee the lease or license.

The landlord may require a right of first refusal if you want to transfer your restaurant. The master lease may contain a right of first refusal to purchase the property in which your restaurant operates. Our affiliate will not include with your Sublease the ability to exercise this right to purchase the property. In the event your landlord elects to sell the property, any right of first refusal to purchase the property shall remain with our affiliate. Our affiliate may assign its right of first refusal to an assignee of its choosing, which may be an affiliate or your Business Developer. In the event our affiliate or its assignee exercises its right of first refusal and purchases the property where your restaurant is located, our affiliate or its assignee will become your landlord.

The individuals who sign the Franchise Agreement must also sign the Sublease and are personally liable for payments under the Sublease. If you default under the provisions of the master lease or license, our affiliate may terminate the Sublease on 10 days' written notice, and you must surrender and leave the premises. See Sublease, Sections 1 and 5 and Sublicense Paragraph 4. A default under the Sublease or Sublicense is a default under your Franchise Agreement (Franchise Agreement Section 22) and we may terminate your Franchise Agreement. Conversely, a default under your Franchise Agreement will be a default under your Sublease or Sublicense (as applicable). See Sublease, Section 8 and Sublicense Paragraph 4. In such case, our affiliate may evict you if you do not leave. Any action to enforce our affiliate's rights against you under the Sublease is not considered an arbitrable dispute under the Franchise Agreement, and is not subject to arbitration required under the Franchise Agreement. See Franchise Agreement, Section 24. Under the Sublicense, you and our affiliate waive trial by jury. See Sublicense, Paragraph 4. You will remain liable for payment of the balance of the rent or license fee due under the master lease or license, and you will be liable for attorneys' fees, other legal and court costs that our affiliate may incur in enforcing the Sublease or Sublicense. See Sublease, Section 8 and Sublicense, Paragraph 4. Our affiliate may charge you interest on all past due amounts at the rate provided in the Sublease, or in the master license if you sign the Sublicense. See Sublease, Section 3 and Sublicense Paragraph 4.

Note 3. The promissory note and security agreement permits us to declare the entire balance of the note due if you default. The promissory note and security agreement you execute will be substantially similar to Exhibit K-1. We may collect our reasonable costs of collection and lawyers' fees, calculated as 15% of the unpaid loan balance. A default under a note will also be a default under your Franchise Agreement and we may terminate your Franchise Agreement. See Promissory Note and Security Agreement, Paragraph 10 and Franchise Agreement, Section 22. You may prepay the note without penalty. You must pay the note in full if you wish to transfer your restaurant. See Franchise Agreement Section 18. The note includes a general release of claims and grants to us a security interest which will be at our discretion to determine and may be limited to the equipment or as much as all assets. You must execute pre-authorized draft forms for your note payments.

Note 4. We may lend money to franchisees in connection with a Subway® restaurant. The terms and purposes of these loans are negotiable and you will sign a promissory note and security agreement in the form of Exhibit K-1 and

described in Note 3 above. In addition, we may guarantee a commercial loan with a third-party lender for a franchisee in connection with a Subway® restaurant. There will be a one-time fee deducted from your pre-authorized account of 1% percent of the loan amount for any loan guarantee we make on your behalf.

Note 5. We have arranged for a leasing program with certain designated suppliers and lenders for bread ovens and speed ovens to be used in your restaurant. Huntington Technology Finance, Inc. is currently our designated lessor, and you will execute its form lease attached as Exhibit K-2.

Note 6. We have approved HP to offer POS hardware-as-a-service to franchisees under the RTaaS program described in Item 5. You will enter into an agreement directly with HP to obtain the approved hardware, and we will collect fees you owe to HP on HP's behalf. We may approve other hardware vendors to lease the POS System hardware to you, or offer a similar type of arrangement in the future, and we may collect any fees under the lease or similar arrangement on behalf of the vendor. You will make payments directly to HP, and we will guaranty your payments to HP; however, we reserve the right again collect RTaaS fees and related fees directly from you on behalf of the vendor.

We may change or eliminate these loan programs without any prior notice to franchisees. We and our affiliates did not discount or assign to anyone (other than an affiliate) any franchisee notes, or commercial paper, prior to January 1, 1998. When we and our affiliates do discount and assign the notes, and commercial paper to the third party, the third party may be immune under the law to claims or defenses you may have against us or our affiliate, or the equipment manufacturer.

Whether, and on what terms, you can obtain financing from third parties will depend on a variety of factors, including your own creditworthiness, the type of security you can offer, the policies of lending institutions, and the availability and cost of commercial credit generally. You may not be able to obtain a loan. Except for payments made to us or our affiliates under (i) Subleases or leases for constructed restaurants, and (ii) loans in connection with a Subway® restaurant, we and our affiliates do not receive payments for the placement of financing or providing financing. We may receive payments under the Sublease or Sublicense if you use a portion of the premises for any use other than a Subway® restaurant, or under the lease or license if the lease or license is terminated early by the landlord or the government. Except for the lease or license for your restaurant premises, we and our affiliates do not guarantee your obligations to third parties. Also, you may lose your defenses against us and others in a collection action on a loan that is assigned, as disclosed above. We do require you to sign a general release of claims as a condition of making a loan to you. The master lease or license for your restaurant may contain a waiver of notice, confession of judgment, or a waiver of defenses. Except as disclosed in this Item, we do not arrange financing from other sources.

Franchisees of the Subway® system are eligible for expedited and streamlined SBA loan processing through the SBA's Franchise Registry Program, www.franchiseregistry.com.

Except as listed below, we are not required to provide you with any assistance.

Pre-Opening Obligations.

1. Initial training, at times and locations we designate (Franchise Agreement and MUFA Section 6, Franchise Agreement Rider Section I.C, II.C, II.E, IV.F, IX).

2. Approval of the location of your restaurant. Under the Franchise Agreement, you must operate your restaurant only at a single site of which you and we both approve. You have sole responsibility for finding a location. You may not be able to locate in a territory we grant to a franchisee with limited exclusivity rights. We will not unreasonably withhold approval of a location you find. You must submit a location approval request describing the proposed location. We will accept or reject the location within a reasonable time, providing reasons if we reject the location. We have a site review procedure conducted at our sole option to address concerns regarding the positioning

of restaurants. Depending upon the results of the procedure, we may approve or disapprove a location or suspend development. Our approval is not a guarantee of your success at the location. We consider the potential guest base in the area when deciding whether to approve the location. Other factors we consider in site evaluation include traffic patterns, proximity to strong population back-ups, visibility, and parking. In evaluating a site for a satellite location, we also consider proximity of a proposed satellite restaurant to the Base Restaurant to allow proper servicing of the satellite restaurant. See Franchise Agreement and MUFA, Section 4; Franchise Agreement Rider Section I.C, II.D IV.F, V, VI).

3. If you do not ~~own~~ own an approved site or lease an approved site directly, then we provide assistance in the negotiation of a lease, sublease, license, or sublicense by our affiliate leasing company after you confirm the restaurant's location by signing an Intent to Sublease (Exhibit E). After you sign the Intent to Sublease or Intent to Sublicense, our leasing company affiliate assists us and you with negotiation of the lease or sublicense (as applicable) for your restaurant and will sign the lease or license with the landlord or licensor (as applicable). You will then sign a Sublease or Sublicense (as applicable) with our affiliate. The leasing and extension procedures vary or may not apply under our programs for purchase of a specific location under the Franchise Agreement Rider. Our leasing affiliate may terminate your Sublease if you breach the Sublease or materially breach the Franchise Agreement. See Franchise Agreement and MUFA Section 4; Franchise Agreement Rider Section ~~Section~~ I.C, II.D IV.F, V, VI). If our affiliate leasing entity enters into a license for the restaurant premises, you will be required to execute a Sublicense instead of a Sublease.

4. Standards and specifications for the layout, design, appearance, and equipment for your restaurant. See Franchise Agreement and MUFA Section 5. The Operations Manual contains the standards and specifications.

5. A representative or Business Developer whom you may consult for advice and guidance concerning the operation of your business, during their normal business hours. See Franchise Agreement and MUFA Section 6.

6. Use of the Operations Manual and other materials for the operation of your restaurant. See Franchise Agreement and MUFA Section 9. The Operations Manual and other materials are strictly confidential and their use is subject to Section 15 of the Franchise Agreement and MUFA.

The typical length of time between the time you sign the Franchise Agreement, we approve your location, and you open your business is 2 to 12 months. The factors that affect this time usually include difficulty of obtaining a satisfactory site; ability to obtain a lease, financing, or building permits; zoning and local ordinances; weather conditions; shortages; delivery and installation of equipment, fixtures, and signs; and your timetable.

Obligations After Opening. During the operation of the franchised business we will provide:

1. A representative or Business Developer whom you may consult for advice and guidance during their normal business hours. See Franchise Agreement and MUFA Section 6.

2. A program of assistance, including: (a) periodic consultations with our representative or Business Developer in a location we designate and (b) written materials with new developments and techniques. See Franchise Agreement and MUFA Section 6.

Advertising Programs. We develop advertising programs and materials to promote the Subway® brand. We create advertising programs designed to build restaurant sales and profits, promote the system's identity, and produce advertising materials for use by Subway® restaurant owners.

Advertising Fee. You will pay us the 4.5% advertising fee in accordance with the Franchise Agreement, except as noted below. We recommend you set aside, at your sole option, an additional minimum of 2.5% of gross sales to be used for advertising geared specifically to your restaurant. Any company or affiliate owned restaurants contribute to the Advertising Fund (defined below) on the same basis as franchisees.

The advertising fee is the same for anyone currently buying a franchise, except as stated in Item 6.

Advertising Fund Administration. We will deposit your 4.5% advertising contribution into an advertising fund, which contains all of the advertising contributions paid by franchisees in the United States, and which for accounting purposes, is not considered a restricted account (the “Advertising Fund”). We and our designee may negotiate programs and advertising contributions with suppliers, and specify that these advertising contributions be placed into the Advertising Fund to be used solely for advertising. In limited circumstances, we or our affiliates may request a vendor to forward its advertising contributions directly to advertising agencies or service providers for the purpose of providing advertising services to franchisees.

SFAFT currently administers the Advertising Fund through a Board of Trustees that we or our affiliates appoint. Those Trustees are all employees and/or officers of us or our affiliates, and the Board of Trustees does not consist of franchisees. The Board of Trustees will consist of 1 or more trustees; currently one. SFAFT BV administers the Advertising Fund in U.S. Virgin Islands. All disclosures in this Item 11 regarding SFAFT also apply to SFAFT BV.

SFAFT will disburse money from the Advertising Fund, including vendor contributions for advertising, to national and local markets solely for advertising related expenses for the benefit of franchisees in conformance with our published policies and procedures, except for the portion of vendor advertising contributions allocated to specific SFAFT promotions. SFAFT will prepare an unaudited annual accounting summary of the Advertising Fund, which will be available upon written request from a franchisee.

SFAFT was not formed to make a profit. If SFAFT has any income, SFAFT will use it solely for the collective advertising and promotional benefit of the Subway® franchisees, and no part will benefit solely us or any individual franchisee.

Allocation and Use of Advertising Fund Contributions. The allocation of Advertising Fund contributions is determined by SFAFT with input from us and the franchisee advisory board, in conformance with ~~our~~ SFAFT policies and procedures.

Generally, your contributions to the Advertising Fund are allocated to two main areas: overhead or administrative expenses, and national advertising. A portion of your advertising funds may also be used to fully or partially fund advertising and marketing related brand initiatives, such as the Subway® MVP Rewards Program. A small portion of the advertising funds are occasionally used for local and regional promotions. SFAFT does not use any portion of the advertising contributions to solicit new franchise sales. SFAFT plans to commit the advertising funds for advertising for the upcoming year by the end of the fiscal year. Excess funds may be used for media placements or promotions for the upcoming year.

During the last fiscal year of SFAFT ending on December 31, ~~2022~~2023, SFAFT spent approximately ~~74~~73% of its total revenue in the United States on U.S. network media placement and other media-related expenses, ~~24~~18% on production of advertisements, promotional materials, and marketing related activities such as loyalty programs and other technology initiatives, and ~~10~~9% on administrative expenses. Total expenses for ~~2022~~2023 were approximately ~~100~~105% of total revenues.

SFAFT may purchase advertising on radio and television, in newspapers, direct mail, free standing inserts, and other advertising and promotional vehicles, on the national and local level. Advertising expenditures at the local level are intended to benefit all franchisees within the local market and advertising expenditures at the national level are intended to benefit all franchisees in the US.

In the future, we or one of our affiliates may commission the production of advertising materials, including television commercials, which we or they will offer to franchisees on the national and local level. We and our affiliates do not need permission from SFAFT to produce advertising materials. Generally, the costs for production of these materials are included in the portion of Advertising Fund contributions allocated to overhead or administrative expenses. However, in certain circumstances, we and our affiliates may charge a usage fee to franchisees to offset the costs of production, which will be paid from the portion of Advertising Fund contributions allocated to national or local advertising. Alternatively, we or our affiliates may allocate money from the vendor advertising contributions to a national advertising fund to pay for all or a portion of the costs for these materials. ~~In the last fiscal year, all of the vendor contributions for advertising were allocated to SFAFT and we did not actively conduct any advertising campaign except through our support of SFAFT.~~

Neither we nor SFAFT are obligated to advertise in the immediate vicinity of your restaurant; however contributions to the Advertising Fund will be used for the benefit of all Subway® franchisees. We cannot quantify or guarantee any benefits to you as a result of your contributions to the Advertising Fund or any vendor advertising contributions paid on your purchases from a vendor. Disbursements from the Advertising Fund for various advertising and marketing related brand initiatives may not benefit you in proportion to the amounts you contributed or that vendors contributed as a result of your purchases from the vendor.

Franchisee Advisory Board. Franchisees that meet certain qualifications have the opportunity to be appointed to a franchisee advisory board. The SFAFT US Advisory Board functions in an advisory capacity and consults with and advises us and SFAFT about advertising, marketing and promoting the Subway® brand nationally in the US.

All requirements, qualifications, and responsibilities with respect to Advisory Board Members are contained in the *Governance Manual* and are subject to change and may be amended by us at any time.

Franchisee Created Advertising and Subway Fresh Fit for Kids™ Program Promotional Programs. You may develop advertising materials for your own use at your own cost. Individual restaurant advertising includes but is not limited to internet coupons, point of purchase advertising materials, receipt advertising, fliers, billboards, team sponsorships, radio partnerships, cross promotions with other retailers, etc. All advertising materials you develop must be approved by us prior to distribution as provided in the Operations Manual. Any use of Social Media must comply with the Social Media Guidelines as amended and as set forth in the Operations Manual. We have the power to approve or disapprove of any use of the trademarks in advertising or developed by you. You must participate in, and comply with the requirements of, any sales, marketing, advertising, and promotional programs we implement, which may be implemented on a national, regional, or local basis, and you must use only the materials and media for these programs that we designate or otherwise expressly approve.

~~If your restaurant is located in a market which offers the Subway Fresh Fit for Kids™ program you must purchase premiums directly from the distributors we designate in connection with each promotion offered under the program. The premiums may involve the promotion of a movie, or television program or may consist of other licensed property. Typically, four premiums are featured within each Subway Fresh Fit for Kids™ promotion. As part of the overall marketing strategy, SFAFT may offer other promotions with other premiums, in which you may be required to purchase from the participate at your cost, including by purchasing services from distributors we designate.~~

Computer and Cash Register Systems. You must use an approved computer-based point-of-sale system (“POS System”) in all of your new and existing restaurants, with required software. We may waive this requirement for some satellite restaurants, co-brand locations, and some non-traditional locations under certain circumstances. You must also provide us with a business email address and cellular phone number that you will use to receive electronic communications and calls from us or our affiliates. You must report and transmit sales and specified business information to us electronically at weekly or other intervals we direct for all new and existing franchises that you own. Data transmission requirements include but may not be limited to the following: all data generated at the point of sale, including detailed sales transactions; general time punch data without employee identifying information; inventory; and purchase orders for food distributors. You must also use our control systems to manage your business. We may have independent access to your POS information and related data described above, and you are required to connect your POS to our LiveIQ reporting system, which transmits transactional data to us in near real-time.

During the term of the Franchise Agreement, you will be entering into software license agreements and consenting to other technology programs/initiatives electronically in connection with the operation of your restaurant, if permitted by local law. If more than one individual signs the Franchise Agreement, any one individual may accept software license agreements and consent to technology programs/initiatives, like remote access to your POS System, on behalf of all individuals named as franchisee on the Franchise Agreement. By virtue of such acceptance or consent by one of you, all of you agree to be bound by it. You may delegate access to and configuration of your POS System to the manager of your restaurant to permit the manager to configure your POS system for updates on your behalf. However, some POS system updates may only be accessible by you.

You have a contractual obligation to upgrade or update your POS system to maintain full operational efficiency and to keep pace with changing technology and updates to our requirements. We may, from time to time, remotely access

your POS System with your consent in order to maintain system security, perform routine system maintenance, provide technical support, increase operational efficiency, install updates to software programs and/or applications, or install or remove software programs and/or applications. In the event you wish to withdraw consent, you must follow the procedures set out in the Operations Manual. If you withdraw consent, we will not be able to provide you with the proactive support necessary to maintain the optimal functionality of your POS System, including your POS system software.

Your POS software must be upgraded within 3 months of receiving notice of a required software update from us. If you are using the SubwayPOS® software, updates will be sent and installed to your POS system automatically. ~~If you are using the SubShop/2000™ software, you must log on to the Subway® intranet website to download any required update(s).~~

Approved POS System Hardware and Software. You are required to use a computer-based point-of-sale system (the “POS System”) which must be obtained from an approved POS hardware vendor. Currently, our approved hardware vendor is Hewlett Packard (“HP”). We may change hardware vendors, or approve one or more additional hardware vendors in the future. You are required to enroll in the hardware-as-a-service component of our Restaurant Technology as a Service (“RTaaS”) program with HP to obtain a POS System. We estimate the cost of the base package in the RTaaS program to be \$57 per month, exclusive of tax and shipping charges. Additional hardware and services may be added to this base package as the program evolves and/or the technology needs of the brand expand, which may result in additional costs. Additional packages at varying monthly rates may also be offered in the future. Under the RTaaS program, we may act as a collection agent for HP and collect fees you owe through your pre-authorized account. You will also be responsible for any costs you incur in connection with the transition from the current POS System you use to the POS System you obtain under the RTaaS program.

The POS System available from HP comes with Windows 10, Intel i5-6500 3.2GHz (quad-core) processor, 15” Projective Capacitive LCD Touch Screen, 32GB USB Flash Drive, 120GB Solid State Drive, 100/1000 Network Card, Integrated fingerprint reader, Integrated Customer Display, Epson TM-T88V Receipt Printer, Powered USB Cable, Media Cash Drawer with till insert and 2 keys, UPS Battery Backup, keyboard, mouse. We estimate that this system will cost approximately \$2,400 plus taxes and shipping. The report printer is a separate charge of \$135. Optional items are available at an additional cost and include USB modem, DVD/CD-ROM, and coin dispenser.

All HP POS systems include a 5 year on-site service warranty. The on-site service is available 7 days a week with a 4 hour response time once a problem is identified.

The specifications of the HP POS System will change as the manufacturer and software providers upgrade their products. Future hardware standards must be met on the compliance date we impose.

The approved POS software (discussed below) is an additional cost, as outlined below; it may come pre-installed on the approved POS hardware, or, you may be required to obtain it separately through us.

~~Currently, we have approved the following POS software: SubwayPOS® software and Sub Shop/2000™ software.~~

● Currently, SubwayPOS® software is the only approved POS software. SubwayPOS® is the required POS software for all restaurants, ~~except co-branded and exempt non-traditional restaurants.~~ The SubwayPOS® software is owned by our affiliate, FWH Technologies, LLC (“FWHT”), and is licensed to you by us. We may derive revenue from doing so. If you use SubwayPOS® software, you will be bound by the SubwayPOS® End User License Agreement in a form substantially similar to Exhibit A-3-1-3. The SubwayPOS® End User License Agreement grants you the right to use the software on one or more POS Systems in one or more of your Subway® restaurants, but you acknowledge you must acquire a separate license to use the software on each POS system you operate. A license to use the SubwayPOS® software may not be shared or used concurrently on separate POS systems. You may transfer all or part of your rights under the SubwayPOS® End User License Agreement to another Subway® franchisee in good standing with us with our prior written consent. We may make changes to the SubwayPOS® End User License Agreement at any time in order to keep pace with advances in technology and other initiatives, and you may be required to agree to our then current form of SubwayPOS® End User License Agreement in order to access required software updates.

- ~~• *Sub Shop/2000™ software:* Licenses for the SubShop/2000™ software will only be offered to co-branded locations. The Sub Shop/2000™ software was developed by Franchise Technologies, Inc. (“FTI”). We will license the Sub Shop/2000™ software to you, and may derive revenue from doing so. Before you may place an order for the Sub Shop/2000™ software, you must sign a disclaimer acknowledging certain limitations of the software when used outside of the United States and Canada. If you use the Sub Shop/2000™ software, you will be bound by the Sub Shop/2000™ Software License Agreement in a form substantially similar to Exhibit A-3. The Sub Shop/2000™ Software License Agreement grants you the right to use and install one copy of the software on a single POS System and may not be shared or used concurrently on separate POS Systems. You may only transfer the rights granted by the Sub Shop/2000™ Software License Agreement together with the sale or transfer of the POS System to another Subway® franchisee in good standing with us. In order to do so, you must send us a written request to pos_license@subway.com.~~

One individual listed on the Franchise Agreement or one representative on behalf of an approved entity franchisee may accept the SubwayPOS® End User License Agreement or Sub Shop/2000™ Software License Agreement on behalf of all individuals or the approved entity identified as franchisee on the Franchise Agreement. You must consult with all such individuals or any necessary representatives of an approved entity franchisee before accepting to be bound by the SubwayPOS® End User License Agreement or Sub Shop/2000™ Software License Agreement.

The SubwayPOS® and Sub Shop/2000™ software ~~are~~is used in conjunction with several software programs and applications, including, but not limited to, front counter, Menu Manager, near-real time reporting (“Subway Live IQ™”), workforce management (“Live IQ - Labor”), business intelligence (“SubwayIQ”), Dashboard, Subway® Payment Manager software, Progress DBMS software, TeamViewer or other remote management software, remote access and software deployment application (“BixFix Endpoint Management Software” or “BigFix”), and antivirus software (Akamai Enterprise Threat Protector and VMware Carbon Black). One or more of the software programs and/or applications described above may only be used in conjunction with Sub Shop/2000™ software or SubwayPOS® software. Also, one or more of these software programs and/or applications be owned by third parties and licensed to one or more of our affiliates with the right to sublicense it to you.

~~For use of the Sub Shop/2000™ software (including any additional necessary software or modules) you will pay us an initial license fee of \$636.80, which includes the initial fees for the following additional software: TeamViewer or other remote management software, the Subway® Payment Manager software, and Progress DBMS software. You will also pay a third-party supplier an annual licensing fee of \$47 for the Progress DBMS database management software that is used in conjunction with the SubShop/2000™ software. This fee may also increase, particularly as more restaurants worldwide transition to the SubwayPOS® software.~~

You will pay a monthly Restaurant Technology Fee of approximately \$75. In addition to the SubwayPOS®, the Restaurant Technology Fee will cover other types of restaurant technology. This monthly Restaurant Technology Fee may be subject to change each year. We may withdraw these fees from your pre-authorized account with us. In addition to the Restaurant Technology Fee, we reserve the right to impose a Digital Technology Fee in the future to cover our costs of development, infrastructure and support of programs including our Subway® App, Online Ordering, Third-Party Delivery platform support, Digital Menu Boards and Social Media Platforms.

~~In the future, co-branded locations will be required to discontinue their use of the Sub Shop/2000™ software in favor of the SubwayPOS® software. If you do not discontinue your use of the of the Sub Shop/2000™ software within the time we permit, you will be required to pay us a monthly menu management fee of \$15 for each of your POS terminals and an annual maintenance fee of \$400 to cover our or our affiliate’s costs for providing software services to you for the Sub Shop/2000™ software. These costs may increase. In no way is the assessment of these fees to be construed as permission from us to continue to use Sub Shop/2000™ software in any restaurant without a waiver, nor will your payment of them relieve you from any default under your Franchise Agreement for the restaurant in which you are not using the SubwayPOS™ software after it becomes required for the restaurant.~~

You must also install and use the approved Subway® Payment Manager (“SPM”) software which is only available from us. We will license the SPM software to you. If you use the SubwayPOS® software, your use of the SPM software is subject to the terms and conditions of the SubwayPOS® End User License Agreement. ~~However, if you operate your restaurant at a co-branded location and use the Subshop/2000™ software, you will be required to execute the Subway® Payment Manager Software End User License Agreement electronically or by hard copy in a form substantially similar to Exhibit A-3-2, in order to use the SPM software.~~ One individual listed on the Franchise Agreement or one representative on behalf of an approved entity franchisee may accept the agreement on behalf of all

individuals identified as franchisee on the Franchise Agreement or the approved entity franchisee. You must consult with all such individuals or any necessary representatives of an approved entity franchisee before accepting to be bound by the Subway® Payment Manager Software End User License Agreement. The Subway® Payment Manager Software End User License Agreement grants you the right to use and install one copy of the software on a single POS System and may not be shared or used concurrently on separate POS Systems. You may transfer all or part of your rights under the Subway® Payment Manager Software End User License Agreement to another Subway® franchisee in good standing with us with our prior written consent. We may make changes to the Subway® Payment Manager Software End User License Agreement at any time in order to keep pace with advances in technology and other initiatives, and you may be required to agree to our then current form of Subway® Payment Manager Software End User License Agreement in order to access required software updates. We or an affiliate may earn a profit from the licensing of the SPM software.

You are required to participate in the Subway® Gift Card and Remote Ordering programs. To support the Subway® Gift Card Program, you must obtain card services from Comdata Inc. through its Stored Value Solutions division (“SVS”). In connection with this program, you must execute the Franchisee Participation Agreement attached as Exhibit A-11. You will pay SVS an initial fee of \$60 to \$140, which includes initial Subway® Gift Card inventory, envelopes and a Subway® Gift Card display. Additional Subway® Gift Card supply costs about \$0.10 per card, \$.06 per envelope and \$20 per display, plus shipping. Certain non-traditional locations must purchase an SVS issued/configured terminal to process gift card transactions. The cost of the payment terminal is \$320 plus shipping. You will pay SVS a redemption fee equal to 2.5% of each transaction amount in which the Subway® Gift Card was redeemed by a guest.

You are required to accept credit/debit, contactless and mobile device payments. You are required to use the integrated payment solution we designate, which includes use of a designated acquirer and processor for payment processing services and integration of your payment terminal and bar code reader into your POS system, in all of your new and existing restaurants, unless we grant you a waiver. We are in the process of transitioning to new payment terminals and a new integrated credit/debit payment processor. The P400 payment terminals is required for use in all locations, except certain non-traditional locations which are required to use an SVS issued/configured terminal for processing gift card transactions only.

All new and existing restaurants are required to purchase the P400 payment terminal from our approved supplier. Payment plans will vary depending on when you purchased the P400 payment terminal. You may be required to purchase additional payment terminals from us if you have more than one POS terminal at your restaurant.

We estimate the life cycle of a payment terminal is 5 years. You are required to update your payment terminal or transition to a new payment terminal as we require to maintain operational efficiency and to keep pace with changing technology and updates to our requirements or payment industry standards.

You will purchase the barcode reader from us for \$170 or \$180 if your restaurant has a drive-thru.

You are required to accept the following credit card brands, unless we grant you a waiver: VISA, MasterCard, Discover and American Express. To process card payments, you must have a high-speed broadband connection that meets our standards and specifications. If the transaction is processed through Adyen, you will pay Adyen an Acquirer Fee of approximately \$.010. You will also pay Adyen Network and Interchange Fees, which vary depending upon the credit card brand and type of transaction. Typical Network and Interchange fees for the required credit card brands range from \$.22 per transaction to 2.4% of the total transaction amount plus an additional \$.10 per transaction. Adyen will then forward the Network Fee to the applicable credit card brand and the Interchange fee to the guest's bank. The Acquirer, Network, and Interchange fees will be charged for all credit and debit card purchases whether they are made remotely through the remote order website, Subway® mobile app or other payment app, or the catering call center (“Card Not Present Transactions”) or in-restaurant (“Card Present Transactions”). These fees may be re-negotiated over time and are subject to change.

In the future, we may approve additional hardware and software vendors. We may charge additional fees for any such future hardware and/or software that we require. You will be required to comply with such changes.

Approved PC-based POS System Hardware and Software Support: The FWH Technology Support Center (“Support Center”) will provide limited hardware support, and ~~Sub Shop/2000™~~ and SubwayPOS® software support. Hardware support available from the Support Center for franchisees using the HP POS Systems with a current warranty is limited to troubleshooting and/or an initial diagnosis of the hardware issue at which time you will be referred to HP Technical Support. Please do not contact HP directly for hardware support issues until you have been instructed to do so by the Support Center. The initial diagnosis of the hardware issue is provided free of charge for SubwayPOS® users. ~~For Sub Shop/2000™, support is available at the following rates:~~

	Sub Shop/2000™ Support^{1,2}
Monday – Friday¹, 7am – 9pm	First 2 minutes are free, \$2.60 /minute- (\$26 minimum /\$150 maximum)

¹Critical incidents, such as the inability to ring up sales or process payments, will be given top priority for support. Critical incidents should be addressed over the phone, by calling the FWH Technology Support Center. For non critical incidents, franchisees should submit an incident report ticket online.

²~~In the future, we may discontinue support for Sub Shop/2000™.~~

We reserve the right to change this fee structure at any time. Your fees for software support will be higher if you do not provide us with your consent to remotely access your POS System. ~~Once SubwayPOS® is required for all co-branded locations, support for SubShop/2000™ may be discontinued.~~

HP will provide hardware support to franchisees using an HP POS System during normal business hours from 9:00 AM local time to 5:00 PM local time. Extended hours may apply. You may contact HP technical support at the number listed on Subway® intranet site. Hardware support provided by HP is free of charge while the products are under warranty. If a product is no longer under warranty, franchisees will be responsible for the full cost to replace any defective parts.

We currently require all franchisees to use digital transaction fraud protection services provided by Kount. Service fees are currently \$0.0068 per digital transaction, subject to increase if vendor pricing increases.

Subway® MVP Rewards Program. You are required to participate in the Subway® MVP Rewards program administered by our affiliate, Subway MyWay, for all of your new and existing restaurants, including AAFES, NEXCOM and MCCS locations. In order to participate, you must have a high speed internet connection and the SubwayPOS® software. Guests who are members of the program will be able to earn and redeem ~~tokens~~points and rewards that may be used toward purchases made at Subway® restaurants. ~~Tokens~~Points are earned through member purchases and bonus programs and promotions.

As of the date of this Disclosure Document, fees will be 1.9% of the gross sales, subject to any annual adjustments as stated below, for each loyalty/reward transaction made by a Subway® MVP Rewards program member at your restaurant. You will be charged this fee on all loyalty/reward transactions made by a program member for all of your new and existing restaurants. All Subway® MVP Rewards program fees will be paid to and administered by Subway MyWay, LLC or another affiliate we designate. You may also incur incidental charges for supplies associated with your participation in the program. For each loyalty/reward purchase in which a \$2 reward or a “Surprise Reward” is redeemed by a Subway® MVP Rewards program member, you will be reimbursed for 30.9% of the cash value of a \$2 Rewards and/or “Surprise Reward” redeemed for that purchase. All redemption costs for the loyalty card/reward program will be paid by Subway MyWay, LLC. The fees and reimbursement rates associated with the loyalty/reward program are based on an average cost of goods sold for the US. We will review the average costs of goods sold in the US on an annual basis. As a result, your fees and reimbursement rates for the loyalty/reward program may change annually. Funds paid to Subway MyWay, LLC may be used for promotional costs, and to support Subway® MVP Rewards program innovation, technology & initiatives.

Subway® Remote Ordering Program. You are required to participate in the Subway® Remote Ordering Program to accept and process individual orders for Subway® menu items from guests. The online ordering website and the Subway® mobile application are managed by the FWH Technology Department and its subcontractors. Orders placed by guests online or with the Subway® mobile application will be routed to the guest’s chosen restaurant. To participate in the required Remote Ordering Program, you must review and download the Remote Ordering materials and ensure your POS System and remote order menus are current and by keeping local items up-to-date. You must also display the required signage and install external speakers for your POS hardware. Currently, there are no additional fees to

participate; however, you will incur credit card processing fees on these transactions. These processing fees will be charged to you and collected by the credit card acquirer and processor we have designated on a monthly basis.

Confidential Operations Manual. You will have access to a copy of the Operations Manual in electronic form on the Subway® intranet website. This electronic version will be updated periodically. We do not normally issue the Operations Manual to prospective franchisees but will permit you to inspect the Operations Manual at FWH's headquarters or at your Business Developer's office or elsewhere, upon your request, before you purchase the franchise.

We may modify the Operations Manual, unilaterally at any time during the term of your Franchise Agreement under any condition and to any extent which we consider necessary, to meet competition, protect trademarks, service marks, copyrights or trade names, or improve the quality of the product or service provided by the Subway® restaurant, if modifications are applicable to all franchisees. We may have policies and procedures which apply only to certain programs, such as satellite, non-traditional, school lunch, catering or the breakfast program, and these policies and procedures do not apply to franchisees not participating in the program.

Training Programs. Before you open for business, you or your Designated Manager, and any other employees we require pursuant to the Operations Manual, must successfully complete the Franchisee Training Program (the "Training Program") to our satisfaction. For most effectiveness, we recommend that you schedule your training as close to the restaurant opening as possible. If you are purchasing an existing restaurant through a transfer, we must approve your transfer before the Global Learning and Development Department of FWH will register you for training. You must attend training before the close of the transfer unless we permit otherwise.

You may request permission from us for your restaurant manager to complete the Training Program alongside you or your Designated Manager. ~~Managers that attend training will receive a certificate from us indicating that they have attended the Training Program as a non-owner.~~

If you do not have a Designated Manager successfully complete the Training Program, then you must successfully complete it. Under these circumstances, you will be exempt from attending the Training Program if: 1) you are a current franchisee purchasing an additional Subway® restaurant and previously passed training, 2) you are a former Subway® franchisee but you passed training within the past 2 years, or 3) you are purchasing your first Subway® restaurant but you successfully completed the Training Program less than 2 years ago and after serving as a Designated Manager.

Other than as outlined above, you may apply for a waiver of the Training program if you pass a Training Equivalency Exam as detailed below and: 1) you are currently a franchisee purchasing an additional Subway® restaurant but have not previously attended training, or 2) you are a former franchisee and you have not owned or operated a restaurant in 12 months; or 3) you are purchasing your first Subway® restaurant but you successfully completed the Training Program more than 2 years ago, after serving as a Designated Manager, as described below. The Training Equivalency Exam must be proctored in person by your Business Developer or Subway Market Operations team. If we grant you an exemption and you pass the Training Equivalency Exam, you will be required to complete the Sandwich Artistry Curricula and additional web-based training courses. These training courses are located in the University of Subway® section of our Subway® intranet website. If you fail the Training Equivalency Exam, you will be required to attend and successfully complete the Training Program.

If you sign the Franchise Agreement Rider, Part I.a, you or your Designated Manager and your Director of Food Services or an equivalent individual (if a different person), or, if you sign the Franchise Agreement Rider, Part II, you or your Designated Manager and your Manager of Cafeteria Services and the manager of the restaurant (if a different person) (in each case, the "Manager"), must successfully complete a training program before opening the restaurant. If the Manager is dismissed from the training program, you must appoint an individual to assume the position of the Manager to successfully complete the training program within 30 days after we give you notice. If you replace the Manager of the restaurant, the new manager must successfully complete the training program before assuming the position of manager, or at least within 30 days after the new manager replaces the prior Manager. We or a local Field Operations team member may conduct the training program locally. Training will be at a location or at locations selected by the person providing the training, which may include the city in which your restaurant will be located, or other Subway® restaurants, and may include web-based courses.

We do not charge a fee for the first two persons attending the Training Program prior to the transfer of ownership. However, we charge a cancellation fee if you fail to participate in your scheduled training or if you cancel your registration with less than 10 business days' notice. For additional persons attending the Training Program, the training fee is \$7,500 per person. You are responsible for all of your personal expenses, and the personal expenses of your Designated Manager, Director, Manager and/or designee (as applicable), including lodging, meals and costs and transportation to and from the in-person and "on-the-job" training sites where you will train.

Your restaurant employees will be required to complete in the restaurant, the Sandwich Artistry 1 course and/or certain other training courses we designate from time to time. You will be responsible for all costs incurred in connection with this requirement.

As part of the Training Program and after you purchase your franchise, we may require you to work at an existing restaurant in your area for a minimum of 60 hours. You will be responsible for all personal expenses. Upon completion of this work, you may be required to successfully complete a test or a course on the University of Subway®, or some other assessment, as we direct. Your Business Developer or Subway Market Operations team will schedule your training shifts in an approved training restaurant. You must also complete and pass our web based training courses in order to progress in the Training Program, including, but not limited to: the Sandwich Artistry and Sandwich Artistry 2 Curricula located in the University of Subway® section of our Subway® intranet website, which will account for 10 hours of training; brand training, which will account for 1 hour of training; and global anticorruption training, which will account for 0.5 hours of training.

You or your Designated Manager may be required to pass all our assessments, business plan reviews, and other assignments during the training program, unless you are otherwise exempt. If you or your Designated Manager fails to fulfill these requirements, you or he/she will have the option to be reassessed, and, with respect to your Designated Manager, you may be required to send a replacement within 30 days. If you or he/she fail the reassessment or opt not to complete it, we may dismiss you from the Training Program, cancel your Franchise Agreement and refund one-half of your franchise fee.

In order to successfully complete the Training Program, you or your Designated Manager must have: (i) 100% participation in all components; (ii) an 80% final grade on all pre-requisite web-based training courses and the in-restaurant component of the course; and (iii) an 80% average on all assessments. You or your Designated Manager will be required to retake and successfully complete the Training Program if you or your Designated Manager fail to complete the program to our satisfaction. We will not reimburse you for any incurred expenses, including travel expenses.

Those attending training will be provided with a copy of the Code of Business Conduct (the "CBC"), which trainees must sign. The CBC requires that all staff, students and guests act in a professional manner at all times during the Training Program. Training attendees must adhere to the CBC while on our property, in training restaurants, at area hotels and while attending any of our functions, dinners and social gatherings which might be considered a Subway® sponsored event. We may dismiss you from the Training Program and terminate your Franchise Agreement if you fail to act in accordance with the CBC. Your franchise fee will not be refunded under these circumstances. We may dismiss your Designated Manager, Director of Food Services or Manager of Cafeteria Services (as applicable) from the Training Program for failure to act in accordance with the CBC. In such an event, you will be required to appoint an individual to assume the position and satisfy our training requirements within 30 days after we give you notice. You or the Designated Manager that attends training must sign a confidentiality agreement.

We offer a portion of the Training Program ~~either by way of online webinar or in-person webinars~~ which ~~is~~ are led by our FWH Trainers ~~at our regional training centers.~~. The "on-the-job" training site is a Subway® restaurant. You will be responsible for your own transportation to and from ~~the classroom, if applicable, and~~ "on-the-job" training sites. Classroom work accounts for approximately 15 hours, and you will have approximately 60 hours of on-the-job training at nearby restaurants. You will also have from two to three hours of homework per evening. The full franchisee experience is a combination of virtual training, access through our University of Subway platform, in restaurant training and classroom coaching (currently classroom training is virtual).

We may modify the training courses from time to time. Any changes made to the training courses will be referenced in the Operations Manual. The Training Program uses the Operations Manual, a course workbook, and other written materials.

The Training Program is under the guidance of Nicole Misencik, Manager of Global Learning & Development department, accompanied by a full-time trainer who conducts training sessions and field engagement. Ms. Misencik has 10 years of total training experience, including 3 with us. The minimum educational and experience requirements for these individuals are a bachelor's degree with training credentials or corporate training experience. Other members of FWH may assist in the Training Program. Franchisees of the training restaurants and their managers conduct the on-the-job training. All restaurant trainers must successfully complete a training program themselves and receive instruction in training methods.

The Training Program includes instruction in the following subjects:

* Time spent on quizzes for web-based prerequisite training courses is accounted for in the appropriate subject listed above.

Note 1. Trainers rotate so you may have any one of them for a given subject.

Note 2. On-the-job training in local Subway® restaurants consists of 60 hours of instruction. On-the-job training allows you to gain first-hand experience in sandwich preparation, restaurant maintenance and restaurant operations. There is no specific time allocation by subject because this varies with the needs of each training group.

After you purchase your restaurant and successfully complete training, you and your staff may also be required to complete additional courses on the University of Subway®. You will be notified when additional courses become required.

We and our affiliates have offered in the past, and may offer in the future, additional training courses dealing with management, paperwork, advertising systems, and multi-unit ownership. Additional educational materials are available to you and your employees on the University of Subway® and other sources.

Manager Training Opportunities for Non-Traditional Franchisees. If you are an institutional-type or other franchisee signing the Franchise Agreement Rider, we may grant you permission to provide your own manager training program which your Managers may complete in lieu of the Training Program. If you sign the Franchise Agreement Rider, the option to train your Manager applies only to a second or subsequent franchise purchase; both the Director and Manager must complete the Training Program in connection with your first franchise purchase. Your Manager must successfully complete the Training Program ~~or the training taught by the Certified Manager Trainer, whichever option applies,~~ before the restaurant opens.

If we determine in our reasonable judgment you are not operating your restaurant up to our standards set out in the Operations Manual, we may required your current manager for your restaurant to ~~attend~~complete remedial training within thirty (30) days after we give you notice.

~~*Non-Traditional Certified Manager Training Program:* If you and/or your Manager are certified as a Certified Manager Trainer, this certification remains valid so long as you or the Manager train a minimum of one manager per year. You may then satisfy the training obligation in any of your subsequent Franchise Agreements by having your Certified Manager Trainer train your other managers.~~

~~Your Business Developer or Director of Franchisee Performance may offer the Manager Training Course for restaurant managers. At our option, this may satisfy the requirement to send your Manager to training. You will pay all personal expenses, transportation, lodging and other expenses your manager will incur to attend an optional training program. Please contact your Business Developer or Director of Franchisee Performance for more details concerning the availability, costs and classes offered for this optional program.~~

Item 12 TERRITORY

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands we control.

You will not receive any territorial rights and there are no radius restrictions or minimum or maximum population requirements which limit where we can license or open another Subway® Restaurant, unless otherwise provided under applicable state law.

We do not presently intend to establish other franchises or company- or affiliate-owned outlets selling similar products or services under a different trade name or trademark, but we reserve the right to do so. In the future, we may offer our own branded product lines under a separate license. We may charge an additional license fee. We may establish units as separate franchises not located within a Subway® restaurant. We and our affiliates have unlimited rights to compete with you and to license others to compete with you. We and our affiliates retain the exclusive unrestricted right to produce, distribute, and sell food products, beverages, and other products and services, under the Subway® mark or any other mark, directly and indirectly, through employees, representatives, licensees, assigns, agents, and others, at wholesale, retail, and otherwise, at any location, without restriction by any right you may have, and without regard to the location of any Subway® Restaurant, and these other stores or methods of distribution may compete with the Restaurant and may adversely affect your sales. We may use methods of distribution other than through a Subway® restaurant location, including, but not limited to, a centralized call center, the Internet, catalog sales, telemarketing and other direct marketing. You will not receive any compensation from us in connection with any such production, distribution or sales. You do not have any right to exclude, control, or impose conditions on the location or development of any Subway® restaurant, other restaurant, store or other method of distribution, under the Subway® mark or any other mark.

Except as described in Item 1, we do not operate or franchise, or currently plan to operate or franchise, any business under a different trademark that sells or will sell goods or services similar to those that our franchisees sell. However, affiliates of Buyer described on Exhibit R and other portfolio companies that currently are or in the future may be owned by private equity funds managed by Roark Capital Management, LLC, may operate and/or franchise businesses that sell similar goods or services to those that our franchisees sell. Exhibit R describes affiliates of Buyer that offer franchises, their principal business addresses, the goods and services they sell, whether their businesses are franchised and/or company-owned, and their trademarks. All of these other brands (with limited exceptions) maintain offices and training facilities that are physically separate from the offices and training facilities of our franchise network. Most of the affiliates of Buyer listed on Exhibit R are not direct competitors of our franchise network given the products or services they sell, although some are, as described in Exhibit R. All of the businesses that Buyer's affiliates and their franchisees operate may solicit and accept orders from customers near your business. Because they are separate companies, we do not expect any conflicts between our franchisees and Buyer's affiliates' franchisees regarding territory, customers and support, and we have no obligation to resolve any perceived conflicts that might arise.

Your franchise entitles you to operate only at and from one location you select and we approve. In limited circumstances, due to difficulties in negotiating a lease with the landlord, the location you select may not be available to us or you and, therefore, we will not provide approval for the location. In such an event, we may approve the landlord to operate at that location. We will not grant you any options, rights of first refusal or similar rights to acquire additional franchises within a particular market area or contiguous areas.

You may solicit and accept orders for approved products offered in your restaurant which may compete with other Subway® restaurants. You may use Internet couponing, billboards and point of purchase advertising materials as a method of direct marketing, but only with our prior written approval prior to distribution.

If the lease for your Restaurant terminates without your fault, or if the site is destroyed, condemned or otherwise rendered unusable without your fault, or if in our judgment there is a change in character of the location of the Restaurant sufficiently detrimental to its business potential to warrant its relocation, we will grant permission for

relocation of the Restaurant to a location and site acceptable to us. Any such relocation shall be at your sole expense and we shall have the right to charge you for any costs incurred by us, and a reasonable fee, in connection with any such relocation of the Restaurant. We consider the same factors in evaluating any relocation site as we do in evaluating your initial site.

You have only 6 months to relocate and reopen a satellite restaurant under Part IV of the Franchise Agreement Rider. If the satellite will be in operation for one year or less, you are not permitted to relocate the satellite restaurant under Part IV of the Franchise Agreement Rider. If you purchase a school lunch franchise, you can relocate your restaurant only within the same school or the same school district under Part II of the Franchise Agreement Rider. Under Section 24.H of the Franchise Agreement, if the landlord terminates the lease or license (as applicable) for the premises and an arbitrator or court determines you did not breach the Sublease or Sublicense (as applicable) but it was our fault or our affiliate's fault the landlord terminated the lease, then our obligation to you will be limited to the cost of your leasehold improvements less depreciation using a 5-year life under the straight-line method. We will pay you this amount after you relocate and reopen your restaurant. If the landlord terminates the lease and an arbitrator or court determines you breached the Sublease or Sublicense or it was not our fault or our affiliate's fault, then we will not have any obligation to you relating to termination of the lease.

Item 13 TRADEMARKS

Prior to January 1, 2016, we were the owner of the System and the marks. Pursuant to a transfer agreement dated January 1, 2016, we assigned all rights, title and interest in and to the System, including the marks, to our affiliate, SIP. On January 1, 2016, SIP entered into license agreement with us to use the System and the marks, and to license others to use the System and the marks to develop Subway® restaurants in the US. Under the Franchise Agreement, we grant you the right and license to use the name and mark Subway® which is owned by SIP, and other marks we designate. The term "marks" means trade names, trademarks, service marks, and logos used to identify your restaurant or the goods or services you offer. You may only use marks we designate for use with your restaurant, and you may use them only in the manner we authorize and permit. The following is a list of the primary marks we may authorize you to use. SIP owns all of the marks listed below. This list does not include all of the marks SIP owns. We may add or subtract from this list. SIP has registered these marks and other marks with the United States Patent and Trademark Office on the Principal Register, and has filed all required affidavits and renewals.

If you offer approved additional menu items you will have the right and license under the Franchise Agreement to use any trademarks and service marks we may designate for the menu items and product lines. The right and license to use any additional trademarks and service marks will terminate if we discontinue your right to participate in the program or if we or SIP discontinue or modify the marks. We and SIP may require a separate license for the marks in the future, which will terminate if we or SIP discontinue or modify the marks. We cannot guarantee you will have the right to use the mark "Subway" in the US, or that you will not have to share use of the mark with third parties in the

US. If we lose the right to use or license, or both, the mark “Subway” or have to share use with a third party, we will have the option and right to modify or discontinue use of the mark “Subway” and to adopt substitute marks. Our liability to you in this case will be limited to your cost to replace signs and store advertising materials. We expressly disclaim all implied warranties.

There are no effective material determinations of the United States Patent and Trademark Office, the Trademark Trial and Appeals Board, the Trademark Administrator of any state or any court in the United States or its territories concerning the material marks. There are no pending infringement, opposition, or cancellation actions concerning the material marks in the United States or its territories. There is no pending material litigation involving the material marks in the United States or its territories. There are no agreements currently in effect which significantly limit our right to use or license the use of any mark in a manner material to the franchise. We do not know of any infringing uses that could materially affect your use of the marks in any state.

We do not entitle you, at any time, either by implication or otherwise, to the Subway® marks or any other marks associated with the system. You will not establish title by use, registration, or other means to similar or related names and marks, including those you and all other franchisees generate while conducting business under the Subway® name. You will not assist any third party or organization to register any Subway® marks or any marks associated with the system. You have limited and temporary rights and you agree you will not, after expiration or termination of your Franchise Agreement, use the marks we licensed to you, directly or indirectly, for any purpose. If you violate this provision, you may be liable to us for \$250 per day. You will not contest the validity or ownership of any marks associated with the system, and you may not register them. **You must display the following notice in a prominent place in your restaurant: “The Subway® trademarks are owned by Subway IP LLC and the independent franchised operator of this restaurant is a licensed user of these trademarks.”**

You will not register an Internet domain name containing the word “Subway” unless it complies with our Domain Name Policy, as amended and as set forth in the Operations Manual. You will not establish a Social Media site unless it complies with our Social Media Guidelines as amended and set forth in the Operations Manual. We may require you to cancel or assign to us or SIP registration of your domain name or Social Media site if you fail to adhere to these guidelines or we or SIP later determine that your domain name or Social Media site creates consumer confusion regarding the marks or Subway® name. See Section 8 of the Franchise Agreement. “Social Media” as used in this Disclosure Document means Internet-based applications which allow for the creation and exchange of user-generated content including, but not limited to: blogs, microblogs, social networks, and photo and video sharing sites. At our request, you must have any information we deem inappropriate and not to be in the best interest of the System removed from any website or Social Media site.

You will use the marks in connection with your restaurant only as we permit and as provided in this Disclosure Document, the Franchise Agreement or in the Operations Manual. You will not use the marks in a manner that degrades, diminishes, or detracts from the goodwill associated with the marks nor will you use the marks in a manner which is scandalous, immoral, or satirical. You agree to promptly change the manner of such use upon our request. You may not use the word “Subway” as part of a corporate or other business name ~~unless it is used in conjunction with the franchise number or the restaurant address~~. If you no longer have a valid franchise agreement with us, you must remove the word “Subway” from any corporate or other business name. Any sign face bearing the name Subway® will remain SIP’s property even though you may have paid a third party to make the sign face. We will have the right to physically remove any signage from your restaurant if we believe its removal is necessary to protect the goodwill associated with the marks. You will not use, offer or sell to other franchisees any software applications or other technology products or services which use the marks unless we approve in writing.

You may not dilute the marks in any way by engaging in advertising or improper behavior that may lessen the Subway® system’s reputation. You will not make, publish, or endorse, directly or indirectly, any disparaging, libelous, or defamatory statement or representation about us, our shareholders, officers, directors, employees, agents, our Affiliates, business developers or the Subway® brand in any public or private forum. “Private forum” shall not include a private forum open only to Subway® franchisees, business developers, and/or our shareholders, officers, directors, employees, agents or Affiliates. At our request, you must remove or retract any disparaging, libelous or defamatory statement or representation. However, you are not prohibited from sharing information in good faith with any prospective franchisees.

You must notify us immediately when you learn about an infringement of or challenge to your use of any mark. While we do not have to defend you against a claim arising because of your use of the marks, we will reimburse you for your liability if you used the marks in compliance with the Franchise Agreement. To receive reimbursement, you must notify us of the proceeding promptly after you learn about it, cooperate with us and SIP to defend the proceeding, and allow us or SIP to control the defense of the proceeding. We, SIP and any third party owner of the mark will have the exclusive right to pursue any claims of trademark infringement against third parties. All the above referenced materials are owned by SIP and are licensed to us for use in the United States.

You must modify or discontinue the use of a mark within a reasonable time after our notice to you of the modification or discontinuance of the mark. If we modify or discontinue the use of a mark, whether in response to a third party's claim of infringement or otherwise, our only obligation will be to reimburse you for liability as described above. We are not responsible for any other costs or expenses incurred by you in connection with the modification or discontinuance of a mark, including your costs to replace signs and paper goods.

Item 14
PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

There are no patents or pending patents that are material to the franchise.

We and SIP claim rights under copyright laws for various works, including printed matter, art work, menu boards, advertising and promotional materials, instructional operating manuals, and the like, some of which we have filed or registered copyrights for and other we have not. We do not consider any of these filed or registered copyrights material to the franchise.

SIP owns proprietary rights to information related to the Subway® franchise system and the operation of a restaurant. We license the Operations Manual from SIP. We will provide you, on loan, one copy of the confidential Operations Manual in electronic form. SIP has not filed an application for registration of copyright in the Operations Manual but does claim a copyright in its own works and we, SIP, and our affiliates treat the information in the Operations Manual as proprietary and confidential trade secrets. The Operations Manual contains the components, requirements, duties, standards, procedures, policies, and specifications pertaining to the Subway® franchise system and the operation of a restaurant. You must treat the Operations Manual and the information in it, as well as other information we make available to you, as highly confidential, in accordance with the Franchise Agreement. We make this information available to you only because of the franchisor-franchisee relationship.

You must maintain all of ours, SIP's, and our affiliates' confidential or proprietary information as confidential, both during and after the term of the Franchise Agreement. You may not at any time disclose the information you receive from us to any person except individuals involved in the operation of your restaurant who have a need to know the information. If you do disclose confidential or proprietary information in violation of the Franchise Agreement, you will be liable to us for damages and we will seek injunctive relief. We do not represent or guarantee that all aspects of the Subway® franchise system are exclusive to us or unique.

All improvements, developments, derivative works, enhancements, or modifications to the System and any confidential information, ideas, slogans, marketing plans, advertising material, concepts, drawings, techniques, inventions (including any resulting patent rights), innovations, trademarks, trade secrets, copyrights, works of authorship, and any other protectable or proprietary interest in any similar intangible asset, relating to a Subway® Restaurant (collectively, "Innovations") made or created by you, your employees or your contractors, whether developed separately or in conjunction with us, will be owned solely by us. Your employees and contractors will be bound by written agreements assigning all rights in and to any Innovations developed or created by them to you. To the extent that you, your employees or your contractors are deemed to have any interest in the Innovations, you will agree to assign all right, title and interest in and to the Innovations to us. To that end, you will be required to execute, verify, and deliver any documents (including, without limitation, assignments) and perform any other acts (including appearances as a witness) as we may reasonably request for use in applying for, obtaining, perfecting, evidencing, sustaining, and enforcing our ownership rights in and to the Innovations, and the assignment of them. In the event we are unable for any reason, after reasonable effort, to secure your signature on any document needed in connection with the actions specified in this paragraph, you will irrevocably designate and appoint us and our duly authorized officers and agents as your agent and attorney in fact, which appointment will be coupled with an interest and will be irrevocable, to act for and on your behalf to execute, verify, and file any such documents and to do all other lawfully permitted acts to further the purposes of this paragraph with the same legal force and effect as if executed by you. The obligations described in this paragraph will survive any expiration or termination of the Franchise Agreement.

We may, but are not obligated to, protect any patents or copyrights, to defend you against claims arising from your authorized use of patented or copyrighted items. We may, but are not obligated to, take affirmative action if you notify us of any infringement. If we do take any affirmative action, we solely retain the right to control any litigation. We may, but are not obligated to, indemnify you for any expenses or damages resulting from a proceeding involving a patent, patent application, or copyright used in the System. Any action described in this paragraph that we take is not contingent upon your modifying or discontinuing the use of the subject matter covered by the patent or copyright. Unless we choose to indemnify you as described in this paragraph, you are solely responsible for any damages and

costs associated with any modification or discontinuance of the use of any subject matter covered by the patent or copyright.

Item 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

Your restaurant shall at all times be under your direct, on-premises supervision or that of a trained and competent employee acting as full-time manager. In the event you operate more than one franchise, or in the event you do not devote your full time to conducting the restaurant business, we may require you to designate one or more competent managers who have completed the training requirements to hold the position of full-time managers (each a “Designated Manager”) for your restaurant. You must, upon our request, keep us informed at all times of the identity of your Designated Managers. We will make training available, as is necessary in our judgment, for all managers who you designate. The Designated Manager is not required to own an equity interest in the franchise entity.

We may deal with the Designated Manager on the day-to-day operations of, and reporting requirements for the restaurant. You must hire all personnel for your restaurant and are solely responsible for the terms of their work, training, compensation, management, and oversight.

Your Designated Manager’s day-to-day tasks could include supervising employees, checking inventories, reviewing sales and food costs, bookkeeping, and making reasonable efforts to ensure smooth and efficient operations. You must keep your restaurant open within the hours specified in the Operations Manual, subject to local regulations, unless we approve different hours in writing. If you operate a satellite restaurant, you may have more limited hours of operation. We and you will agree to the hours and restaurant operation plan for a satellite location.

Even if you choose to employ a Designated Manager to supervise your restaurant, we strongly recommend you personally devote a substantial amount of time to the franchised business.

You agree not to, and you agreed to cause your Designated Manager not to, disclose our confidential or proprietary information during or after the term of the Franchise Agreement. You also agree, and your Designated Manager must agree, not to have any direct or indirect association with a Competitive Business, as defined in the Franchise Agreement, during the term of the Franchise Agreement and for 1 year after termination, expiration or transfer of the Franchise Agreement within a three mile radius of where a Subway® restaurant operates or operated within the prior year. The reference to a geographic area does not give you any territorial or other exclusive rights. Your principal owners must sign a personal guaranty, guarantying all obligations you owe to us. The Designated Manager is not required to sign this personal guaranty unless the Designated Manager is also your principal owner.

Item 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must operate the restaurant in strict compliance with all required methods, procedures, policies, standards and specifications of the Subway® system in the Operations Manual and in other writings we issue. You must use the restaurant premises only for the operation of a Subway® restaurant and you may not operate any other business at or from the location without our prior written consent. You must offer and sell only those goods and services we have approved. If your restaurant is in a non-traditional location like a convenience store or a school lunch location, the Franchise Agreement Rider will clarify your Franchise Agreement to reflect that you sell other items.

You must offer all goods and services we designate as required for all franchisees. The Operations Manual states you must at a minimum offer the basic Subway® menu. We must approve additional menu items. If you operate a school lunch location, your menu will probably be more limited, as we and you will agree, and you may have to modify the food items you offer and buy food products specially approved for the school lunch program to satisfy nutritional requirements. We may authorize tests of new products or methods at company- or affiliate-owned or franchised restaurants. Based upon the results of these tests, we may make changes in our menu. We reserve the right to designate additional required or optional goods and services in the future and to withdraw any of our previous approvals. There are no limits on our right to do so. You must comply with our new requirements. If you establish a third party franchisor’s concept, you will sign the Co-Brand Location Rider (Exhibit A-9). We may modify or stop any co-branding opportunities at any time. If both of us approve your co-brand location, you will operate the other concept as a direct franchisee of the other franchisor. You will receive a Disclosure Document from the other

franchisor and enter into a direct franchise agreement with the other franchisor. You will sign a license or sublicense with the third party allowing you to offer a third party's branded products. You may have to sign a test agreement to offer our additional menu items that are under test. We do not have to permit all franchisees to offer the additional menu items that are under test. We also designate some goods and services as optional programs for qualified franchisees. Current optional programs include catering call center and local menu items. To offer optional goods or services, you must be in compliance with your Franchise Agreement and the Operations Manual and meet any additional requirements we may have for the program, including state or local licenses, training, marketing, and insurance. The Operations Manual and other written or electronic materials we distribute contain written lists and requirements for optional programs.

We adopted the Marketwide Option Program (MOP), and Store Option Program (SOP) to promote consistency of items offered for sale, including methods of preparation and presentation, throughout an advertising fund market or region. You will make the decision for your restaurant on certain options categorized as SOP items. You will have to follow the decision made for the market on items categorized as MOP, unless we grant you a waiver. Your lease may contain restrictions or you may have space or other limitations that prevent you from participating in a program approved for your market. If the investment cost to implement the item is less than \$100 (not including the cost of product inventory), the decision on MOP items will be made for the market by the favorable votes of both the local advertising advisory board or SFAFT US Advisory Board and the Business Developer (or the Business Developers representing at least two-thirds of the restaurants in the market or region). If the investment cost is \$100 or more, the decision on the MOP items will be made by the franchisees in the market. Certain MOP items have default selections. If a MOP item is not approved by the market within 30 days of the introduction of the product, the default selection will become a required item until the market makes a decision. If a MOP item does not win approval for the market, you may not implement the item in your restaurant unless we grant you a waiver. If a program is under test however, the restaurants in the markets approving the program will each need approval to implement the program. We permit exceptions to allow restaurants to continue offering the program if it is not approved by their market. In the future, we may implement a Region Option Program and you will be responsible for all costs, but as of the date of this Disclosure Document, details on any such program are still forthcoming.

We do not impose any restrictions or conditions that limit your access to guests, but you may not sell any goods or services to another vendor for resale without our consent. You may not sell goods or services except from your approved location without our prior written consent. Under our school lunch program, you can sell only to students, faculty, staff, and normal visitors, and not to the general public.

Attached as Exhibit B-1 is a list of the outlets which changed ownership two or more times during the same fiscal years ~~2020~~2021 to ~~2022~~2023. In the list, a Business Developer Buy Back indicates that an outlet was purchased from a franchisee by the Business Developer with a waiver of the franchise fee and a mutual release. A Company Store Transfer indicates that an outlet was re-purchased by the company and then sold to a new or different franchisee. An Out Right Sale indicates that an outlet was sold directly from one Business Developer or franchisee to another franchisee. Additions/Deletions to Contract indicates that a franchisee has been added to or deleted from the Franchise Agreement for that outlet. Similarly, a Divorce Deletion indicates the deletion of one of the franchisees from the Franchise Agreement specifically due to a divorce. Ownership Change – Divorce means the ownership of an outlet has changed entirely, also as the specific result of a divorce. Next of Kin indicates that ownership of that outlet has passed from a franchisee to his/her next of kin upon the franchisee's death.

¹Any numbers provided in Column 4 reflect restaurants that were previously owned by a franchisee, were reacquired and closed temporarily by the franchisor, and then reopened in conjunction with the resale of that outlet to a new franchisee. We do not currently intend to open any company-operated restaurants, but reserve the right to do so in the future.

²Numbers provided in Column 6 include locations that may have been closed temporarily as of the fiscal year end. These locations may reopen in subsequent years in conjunction with the resale of the outlet to a new franchisee, at which point they will be reported in Column 4.

DOCTOR'S ASSOCIATES LLC
FRANCHISE AGREEMENT

This Franchise Agreement (this “**Agreement**”), made on the date shown on the cover page hereof (the “**Agreement Date**”), by and between Doctor’s Associates LLC, a Florida limited liability company with a principal office in ~~Millford~~Shelton, Connecticut (“**Franchisor**”, “**we**”, “**us**”, or “**our**”), and the party identified as Franchisee in the Key Contract Data at the beginning of this Agreement (“**Franchisee**”, “**you**” or “**your**”).

1. **Background Information.**

A. Our affiliate, Subway IP LLC (“**SIP**”) is the owner of a proprietary system for establishing and operating restaurants featuring sandwiches, pizza and salads under our trade name and service mark, Subway[®], which operate with a uniform business format, specially designed equipment, methods, procedures, and designs (the “**System**”). The System includes the trademark Subway[®], other trademarks, trade names, service marks, commercial announcements (slogans) and related insignia (logos) owned by SIP (the “**Marks**”). The System was developed spending considerable money, time, and effort. The System also includes confidential information and goodwill. SIP has granted us a non-exclusive license to use the System in the United States of America and its territories to establish and sublicense others to establish and operate Subway[®] restaurants (“**Subway[®] Restaurants**”). Subway[®] Restaurants are operated by persons meeting our qualifications to whom we have granted franchises.

B. You have applied for the right and obligation to operate a Subway[®] Restaurant utilizing the Marks solely at the Approved Location (as defined in Section 4.A) described in this Agreement. Such application has been approved by us in reliance upon all of the representations made within it being true, correct and complete including, without limitation, your ownership. You desire to operate a Subway[®] Restaurant under the System and wish to obtain a franchise from us for that purpose.

C. You have read this Agreement, and our franchise disclosure document, and have been given an opportunity to clarify any provisions that you did not understand. You understand and accept the terms, conditions, and covenants contained in this Agreement as being reasonably necessary to maintain our high standards of quality and service and the uniformity of those standards at all Subway[®] Restaurants, and thereby to protect and preserve the goodwill of the Marks.

D. The term “Franchisee”, “you” and “your” as used herein is applicable to one or more persons, a corporation, limited liability company or a partnership, as the case may be, and the singular usage includes the plural and the masculine and neuter usages include the other and the feminine. References to “Franchisee”, “you” and “your” applicable to an individual or individuals shall mean the principal owner or owners of the equity or operating control of you if you are a corporation, limited liability company or partnership, and shall include all such individuals collectively and individually.

E. The parties agree that the information in this Section 1 (“**Background Information**”) is true and correct, and we are relying on it.

2. **Appointment.**

A. We hereby grant to you, upon the terms and conditions of this Agreement, a franchise to operate a Subway[®] Restaurant (the “**Restaurant**”) and to use in connection therewith the System, as it may be changed, improved and further developed from time to time, and the Marks solely at the Approved Location and for the Term.

B. You acknowledge and agree this Agreement does not grant you any territorial rights and there are no radius restrictions or minimum or maximum population requirements which limit where we can license or open another Subway® Restaurant, unless otherwise provided under applicable state law. We and our affiliates have unlimited rights to compete with you and to license others to compete with you. You acknowledge and agree that we and our affiliates retain the exclusive unrestricted right to produce, distribute, and sell food products, beverages, and other products and services, under the Subway® mark or any other mark, directly and indirectly, through employees, representatives, franchisees, licensees, assigns, agents, and others, at wholesale, retail, and otherwise, at any location, without restriction by any right you may have, and without regard to the location of any Subway® Restaurant, and these other stores or methods of distribution may compete with the Restaurant and may adversely affect your sales. You do not have any right to exclude, control, or impose conditions on the location or development of any Subway® Restaurant, other restaurant, store or other method of distribution, under the Subway® mark or any other mark.

3. **Term and Renewal.**

A. This Agreement shall be effective and binding from the date that we execute it and shall expire twenty (20) years from the Agreement Date, unless sooner terminated pursuant to this Agreement (the “**Term**”).

B. You will have the right to renew this franchise at the expiration of the initial Term of the franchise for one (1) additional successive term of twenty (20) years, provided that all of the following conditions have been fulfilled:

1. You have, during the entire Term, complied with all material provisions of this Agreement and (if applicable) the Sublease (defined in Section 4.D);

2. You maintain possession of the premises of the Restaurant (the “**Premises**”) and by the expiration date of this Agreement you have brought the Restaurant into full compliance with the specifications and standards then applicable for new or renewing Subway® Restaurants, and you have presented evidence satisfactory to us that you have the right to remain in possession of the Premises for the duration of any renewal term or any lesser period that we approve in writing; or, in the event you are unable to maintain possession of the Premises, or in our judgment the Restaurant should be relocated, you secure substitute premises approved in writing by us and have furnished, stocked and equipped such premises to bring the Restaurant at its substitute premises into full compliance with our then-current specifications and standards by the expiration date of this Agreement;

3. You have given written notice of renewal to us no earlier than eighteen (18) months, and no later than twelve (12) months, prior to expiration of the initial Term;

4. You have satisfied all monetary obligations owed by you to us and our affiliates and you have timely met these obligations throughout the Term;

5. You agree to execute upon renewal our then-current form of Franchise Agreement (with appropriate modifications to reflect the fact that the Franchise Agreement relates to the grant of a renewal franchise, and with no further right of renewal), which agreement shall supersede in all respects this Agreement, and the terms of which may materially differ from the terms of this Agreement, including, without limitation, a different percentage Royalty Fee and Advertising Contribution; provided, however, you shall be required to pay a renewal fee equal to

twenty five percent (25%) of our then-current standard initial franchise fee (excluding any promotions or discounts);

6. You have complied with our then-current qualification and training requirements;

7. You have executed our current form of Renewal Addendum; and

8. You and your owners have executed a general release, in a form prescribed by us, of any and all claims against us and our subsidiaries and affiliates, and their respective officers, directors, agents, owners and employees.

4. **Restaurant and Approved Location.**

A. You may operate the Restaurant only at a location that we approve (the “**Approved Location**”). If we have already approved a location at the time of executing this Agreement, then the Approved Location is specified in the Key Contract Data at the beginning of this Agreement. If we have not yet approved a location at the time of executing this Agreement, then you will be responsible for leasing a suitable site for the Restaurant. Prior to the acquisition of any site for the premises of the Restaurant, you shall submit a description of the proposed site to us accompanied by photographs depicting the proposed site, as well as any other information about the site that we may reasonably require. We will provide you with written notice of our approval or disapproval of a proposed site within fifteen (15) business days after receiving your written submission thereof and completing a physical inspection of the proposed site. If we fail to respond within such 15-day period, the site will be deemed disapproved.

B. While we may provide you with our experience and expertise in a selection of a location, you hereby acknowledge and agree that our approval of a site does not constitute an assurance, representation or warranty of any kind, express or implied, as to the success or profitability of your Restaurant operated at the site. Our approval of the site indicates only that we believe the site complies with acceptable minimum criteria established by us solely for our purposes as of the time of the evaluation. Both you and we acknowledge that application of criteria that have been effective with respect to other sites and premises may not be predictive of potential for all sites and that, subsequent to our approval of a site, demographic and/or economic factors, such as competition from other similar businesses, included in or excluded from our criteria could change, thereby altering the potential of a site. Such factors are unpredictable and are beyond our control. We shall not be responsible for the failure of a site approved by us to meet your expectations as to revenue or operational criteria. You further acknowledge and agree that your acceptance of a franchise for the operation of a Restaurant at the site is based on your own independent investigation of the suitability of the site. It shall be your sole responsibility to undertake site selection activities and otherwise secure premises for the Restaurant.

C. In the event no acceptable site is found and approved by the parties within six (6) months from the Agreement Date, then and in that event, either party may terminate this Agreement upon written notice to the other party. Notwithstanding any such termination, you shall return all confidential materials concerning the operation of a Restaurant and shall continue to be bound by your obligations under Sections 9, 15 and 20 hereof.

D. After receiving our written approval of the location of the Restaurant, we or our affiliate shall, at our option, either: (1) lease the Premises from the owner or landlord of the Approved Location and you will execute a sublease with us for the Premises (the “**Sublease**”); (2) permit you to lease the Premises directly from the owner or landlord; or (3) permit you to own the Premises directly. In the case of (2) above, the terms of such lease must be provided to us and approved by us prior to you entering into

a lease agreement (an “**Approved Lease**”). Our approval of the terms of a lease indicates only that we believe the lease complies with acceptable minimum criteria we established. You acknowledge and agree that your acceptance of a lease is based on your own independent investigation, including consultation with your own attorney and other advisors. For purposes of this Agreement, the term “**Lease**” shall refer to a Sublease or an Approved Lease. An Approved Lease must contain a fully-executed lease rider in the form that we require (the “**Franchisor Lease Rider**”). If you execute an Approved Lease, and not a Sublease, it is your sole responsibility to obtain a fully executed Franchisor Lease Rider in connection with executing the Approved Lease. The Franchisor Lease Rider is intended to provide us with certain protections under the Approved Lease and may not benefit you or the landlord. If you or the landlord request that we consider any modifications to the Franchisor Lease Rider, and we elect to do so, we may also require you to reimburse us for all expenses we incur (including reasonable attorneys’ fees) in connection with such review. We may also reject any request for modifications to the Franchisor Lease Rider for any reason.

E. You agree that upon obtaining possession of the Approved Location for the Restaurant, you will: (i) cause to be prepared and submit for our approval a site survey and any modifications to our basic plans and specifications (not for construction) for a Restaurant (including requirements for dimensions, exterior design, materials, interior design and layout, equipment, fixtures, furniture, signs and decorating) at the Approved Location, provided that you may modify our basic plans and specifications only to the extent required to comply with all applicable ordinances, building codes and permit requirements and only with prior written approval by us; (ii) obtain all required zoning changes; all required building, utility, health, sanitation, and sign permits and licenses and any other required permits and licenses; (iii) purchase or lease equipment, fixtures, furniture and signs as provided herein; (iv) complete the construction and/or remodeling, equipment, fixture, furniture and sign installation and decorating of the Restaurant in full and strict compliance with plans and specifications therefor approved in writing by us and with all applicable ordinances, building codes and permit requirements; (v) obtain all customary contractors' sworn statements and partial and final waivers of lien for construction, remodeling, decorating and installation services; and (vi) otherwise complete development of and have the Restaurant ready to open and commence the conduct of its business in accordance with this Agreement.

F. You acknowledge and agree that we may from time to time designate the maximum amount of debt that a Restaurant may service, and you will ensure that you comply with such limits. You will ensure that you have sufficient cash at all times, through equity capital contributed to you by your owners, to comply with any such requirement.

G. If the Lease terminates without your fault, or if the site is destroyed, condemned or otherwise rendered unusable without your fault, or if in our judgment there is a change in character of the location of the Restaurant sufficiently detrimental to its business potential to warrant its relocation, we will grant permission for relocation of the Restaurant to a location and site acceptable to us. Any such relocation shall be at your sole expense and we shall have the right to charge you for any costs incurred by us, and a reasonable fee, in connection with any such relocation of the Restaurant.

H. If you own the Premises, you represent and warrant that as of the Agreement Date: (a) you or your affiliate (that you control, either directly or indirectly) are the rightful owner in fee simple of the Premises; (b) you have the right to occupy the Premises and operate the Restaurant without restriction through the expiration date of this Agreement; and (c) you have no knowledge of any fact or circumstance which would give rise to any claim, demand, action or cause of action arising out of, or in connection with, your occupancy of the Premises. You are required to operate the Restaurant at the Premises through the expiration date, and you may not relocate the Restaurant without our prior written consent. You agree that, in the event that you or your affiliate wishes to sell the Premises prior to the expiration date, you

shall, prior to the sale, agree to enter into a lease with the buyer, which must be an Approved Lease, that does not expire until on or after the expiration date, and the terms of such Approved Lease must be provided to us and approved in writing by us prior to you entering into the Approved Lease. Our approval of the terms of an Approved Lease indicates only that we believe the Approved Lease complies with acceptable minimum criteria we established. You acknowledge and agree that your acceptance of the Approved Lease is based on your own independent investigation, including consultation with your attorney and other advisors. The Approved Lease must contain a Franchisor Lease Rider in the form that we require, and it is your sole responsibility to obtain it and deliver a counterpart to us. The Franchisor Lease Rider is intended to provide us with certain protections under the Approved Lease and may not benefit you or your landlord. If you or the landlord requests that we consider any modifications to the Franchisor Lease Rider, and we elect to do so, we may also require you to reimburse us for all expenses we incur (including reasonable attorneys' fees) in connection with such review. We may also reject any request for modifications to the Franchisor Lease Rider for any reason.

I. You must pay to us a Restaurant Design charge, related to remodeling or relocation of your Restaurant, as follows: (1) for remodels: currently, \$1,000 for 1 original floor plan plus one revision floor plan and \$250 for each additional revision floor plan; (2) for new Restaurants and relocations: \$1,000 for 1 original floor plan plus 2 revision floor plans, and \$250 for additional revision floor plan. For remodels, the \$1,000 charge is waived if the remodel is completed within 6 months from the date the last floor plan was provided. Additional revision charges will not be waived under any circumstance. For new Restaurants and relocations, the \$1,000 charge is waived if the buildout is completed within 12 months from the date the last floor plan was provided. Additional revision charges will not be waived under any circumstance. Nothing in this paragraph is intended to modify your requirement to otherwise timely complete the construction and/or relocation of your Restaurant, as applicable, in accordance with this Agreement, and failure to perform in accordance with such requirements is a material breach of this Agreement. We may increase this charge from time to time.

5. Equipment, Fixtures, Furniture and Signs.

A. We shall provide you with specifications for brands and types of food and beverage preparation, dispensing, storage and display equipment, POS System, other equipment, fixtures, furniture, exterior and interior signs and decoration required for the Restaurant. Specifications may include minimum standards for performance, warranties, design and appearance and local zoning, sign and other restrictions. You may purchase or lease original and replacement equipment, fixtures, furniture, signs and decorating materials and services meeting such specifications from any source, except as we provide otherwise in this Agreement, the Confidential Operations Manual, published policies, procedures or guidelines or other written materials we may issue from time to time. If you propose to purchase or lease any item of equipment or furniture or any fixture, sign or decorating materials not theretofore approved by us as meeting our specifications, you shall submit your request in writing to us before purchasing or leasing any item and such item shall be purchased only following our written consent approving same. We will not be obligated to respond to your request, and any actions we take in response to such request will be at our sole discretion. Any such equipment, fixtures, furniture, signs and decorating materials bearing the name Subway® or other Marks will remain SIP's property even though you may have paid a third party to make the equipment, fixtures, furniture, signs or decorating materials. We have the right to physically remove any such equipment, fixtures, furniture, signs or decorating materials from the Premises if we believe it is necessary to protect the goodwill associated with the Marks.

B. You shall comply with all specifications for brands and types of food and beverage preparation, dispensing, storage and display equipment, POS System, other equipment, fixtures,

furniture, exterior and interior signs and decoration for use in the Restaurant that we require from time to time.

6. **Training and Operational Assistance.**

A. Before the Restaurant opens, we will train you (or your Designated Manager(s), as that term is defined in Section 10.J) on establishing and independently operating a Subway® Restaurant. The training program will be at a location we choose and may include web-based courses.

B. You, your Designated Manager(s) or your employee(s) who attend may be dismissed from the training program and this Agreement may be terminated, with no refund of your Franchise Fee (defined below), if you, your Designated Manager(s) or your employee(s) materially fail to act in accordance with our Code of Business Conduct during the training program (which will be made available to you at or before attending the training program).

C. We will train up to two (2) persons without a tuition charge, one of whom must be you or a Designated Manager, and the other person may be a second Designated Manager or other employee. You are responsible for all travel, lodging, meal and wage expenses for all who attend, and you are also responsible for initial training related tuition for any persons beyond the two (2) included persons. We may require you to replace any managers (including any of the Designated Managers) who we determine are not qualified or suitable to operate a Subway® Restaurant.

D. Each of your employees shall complete a training program as prescribed in the Confidential Operations Manual on Restaurant operations and standards only, and it will not address any terms or conditions of employment.

E. If the training program is not completed to our satisfaction, additional training may be required at your expense. If we determine that you or your Designated Managers are unable to satisfactorily complete the training program, we shall have the right to terminate this Agreement upon written notice to you.

F. We from time to time may provide and may require that previously trained and experienced franchisees or their managers or employees attend and successfully complete refresher training programs or seminars to be conducted at such locations as may be designated by us, and at your expense, including courses provided by third-parties we designate, or by a representative or Field Operation Team member; provided, however, that attendance will not be required at more than four (4) such programs in any calendar year.

7. **Computer System.**

A. You will use a computer-based point-of-sale system (the “**POS System**”) including software and hardware that we specify to record and report all sales and other designated business information to us. You have the sole and complete responsibility for: (a) acquiring, operating, maintaining and upgrading the POS System and any other computer hardware, software, cash register and other equipment required by us from time to time (the “**Computer Systems**”); (b) ensuring that the Computer Systems interface with our systems and those of third parties in the manner that we require from time to time; and (c) any and all consequences that may arise if the Computer Systems are not properly operated, maintained, and upgraded. You must also accept credit card and debit card payments as well as contactless and mobile device payments and participate in our gift card, loyalty, rewards and related programs at your expense. To maintain a competitive advantage in the quick service restaurant industry, you may be required to invest in and implement new technology and digital initiatives at your own

expense. You acknowledge that you will be required (if permitted by local law) to enter into software or hardware license agreements and other technology programs/initiatives during the Term, including without limitation hardware-as-a-service agreements, and you will accept and consent to any such agreements, programs or initiatives electronically or as we otherwise direct.

B. You acknowledge and agree that the software you are required to use, if permitted by local law, has remote access capabilities and that we or our designee may, from time to time, remotely access your POS System and other Computer Systems in order to maintain system security, perform routine system maintenance, provide technical support, increase operational efficiency, install updates to software programs and/or applications, or install or remove software programs and/or applications. We may also retrieve information, such as transaction data and technical data, from your POS System or other Computer Systems at any time. You will not use, offer or sell to other franchisees any software applications or other technology products or services that use the Marks or that we designate as proprietary, unless we approve in writing.

8. **Intellectual Property.**

A. You acknowledge that our affiliate, SIP, is the owner of the Marks, and your right to use the Marks is derived solely from this Agreement and is limited to the conduct of business by you pursuant to and in compliance with this Agreement and all applicable standards, specifications, and operating procedures prescribed by us from time to time during the Term. Any unauthorized use of the Marks by you shall be a breach of this Agreement and an infringement of the rights of us and SIP in and to the Marks. You acknowledge and agree that all usage of the Marks by you and any goodwill established by your use of the Marks shall inure to the exclusive benefit of SIP and us and that this Agreement does not confer any goodwill or other interests in the Marks upon you. You shall not, at any time during the Term or after its termination or expiration, contest the validity or ownership of any of the Marks or assist any other person in contesting the validity or ownership of any of the Marks. All provisions of this Agreement applicable to the Marks apply to any additional trademarks, service marks, and commercial symbols authorized for use by us after the date of this Agreement.

B. You shall not use any Mark (i) as part of any corporate or trade name, (ii) as part of any website, app, domain name, email address, social media account, user name, other online presence, other digital platform or identification of yourself in any electronic medium of any kind ("**Online Presence**"), except in accordance with our guidelines set forth in the Confidential Operations Manual or otherwise in writing by us from time to time, (iii) with any prefix, suffix, or other modifying words, terms, designs, or symbols, (iv) in any modified form, (v) in connection with the sale of any unauthorized product or service, or (vi) in any other manner not expressly authorized in writing by us, including without limitation in a manner that degrades, diminishes, or detracts from the goodwill associated with the Marks, or which, in our sole opinion, is scandalous, immoral, or satirical. You agree to give such notices of trademark and service mark registrations as we specify and to obtain such fictitious or assumed name registrations as may be required under applicable law. You may not use any Mark in advertising the transfer, sale, or other disposition of your Restaurant or an ownership interest in you without our prior written consent. You shall not use any of the Marks in any manner which has not been specified or approved by us in writing.

C. You shall immediately notify us in writing of any apparent infringement of or challenge to your use of any Mark, and of any claim by any person of any rights in any Mark or any similar trade name, trademark, or service mark of which you become aware. You shall not directly or indirectly communicate with any person other than us, SIP, and our or their counsel in connection with any such infringement, challenge, or claim. We and SIP shall have the right to take such action as we and/or SIP deem appropriate and the right to exclusively control any litigation, U.S. Patent and Trademark Office

proceeding or other administrative proceeding arising out of such infringement, challenge or claim or otherwise relating to any Mark. You agree to execute any and all instruments and documents, render such assistance, and do such acts and things as may, in the opinion of our or SIP's counsel, be necessary or advisable to protect and maintain the interests of us or SIP in any such litigation, U.S. Patent and Trademark Office proceeding, or other administrative proceeding or to otherwise protect and maintain the interests of us and SIP in the Marks.

D. We agree to indemnify you against, and to reimburse you for, all damages for which you are held liable in any proceeding in which your use of any Mark pursuant to and in compliance with this Agreement, the Confidential Operations Manual and our other written guidelines is held to constitute trademark infringement, unfair competition or dilution, and for all costs reasonably incurred by you in the defense of any such claim or in any such proceeding in which you are named as a party, provided that you have timely notified us of such claim or proceeding and have otherwise complied with this Agreement and that we shall have the right to defend any such claim.

E. If it becomes advisable at any time for us and/or you to modify or discontinue use of any Mark, and/or use one or more additional or substitute trade names, trademarks, service marks, or other commercial symbols, you agree to comply with our directions within a reasonable time after our notice to you, and we shall have no liability or obligation whatsoever with respect to your modification or discontinuance of any Mark or expenses incurred in connection therewith.

F. In order to preserve the validity and integrity of the Marks and copyrighted material licensed herein and to assure that you are properly employing the same in the operation of the Restaurant, we or our agents shall have the right of entry and inspection of the Premises at all reasonable times and, additionally, shall have the right to observe the manner in which you are rendering your services and conducting your operations, to confer with your employees and customers, to inspect your Computer Systems (including hardware, software, security, configurations, connectivity, and data access), and to select ingredients, food and non-food products, beverages, and other items, products, materials and supplies for test of content and evaluation purposes to make certain that the services, ingredients, products, materials, equipment and operations are satisfactory and meet the quality control provisions and performance standards established by us.

G. You agree not to, and to use your best efforts to cause your parents, subsidiaries and affiliates, and your and their respective owners, officers, directors, employees, managers, agents, representatives, spouses, heirs, predecessors, successors, and assigns not to, disparage or otherwise speak or write negatively, directly or indirectly, of us or our parents, subsidiaries, and affiliates, and our and their respective current and former owners, officers, directors, employees, managers, agents, representatives, predecessors, successors, and assigns or our or their current and former franchisees, Business Developers (“BDs”, f/k/a Business Development Agent or “BDA”), developers, area developers or the Subway® brand, the System, or any other service-marked or trademarked concept of us, or which would subject the Subway® brand to ridicule, scandal, reproach, scorn, or indignity or which would negatively impact the goodwill of us, our affiliates, the Subway® brand or the Marks.

9. Confidential Operations Manual.

A. We will make available to you during the Term, in the format that we choose (electronic, hardcopy, or both), an operations manual containing mandatory specifications, standards, operating procedures and rules prescribed from time to time by us for Subway® Restaurants and information relative to other of your obligations hereunder and the operation of the Restaurant (the “**Confidential Operations Manual**”). The mandatory specifications, standards, operating procedures and rules prescribed from time to time by us for Subway® Restaurants are referred to herein as the “**System**

Standards". The Confidential Operations Manual contains our proprietary information and shall be kept confidential by you both during the Term and subsequent to the expiration or termination of the Term. The Confidential Operations Manual includes all policies, procedures, specifications, rules and guidelines that we may promulgate or revise from time to time and publish via an intranet, the internet, in other electronic media, or in other written format. We shall have the right to add to and otherwise modify the Confidential Operations Manual from time to time to reflect changes in the System Standards.

B. The Confidential Operations Manual shall at all times remain the sole property of us and any hardcopy version thereof that we may have provided to you shall promptly be returned to us upon the expiration or termination of this Agreement.

C. You shall at all times ensure that the Confidential Operations Manual is available at the Premises in a current and up-to-date manner, and in the event of any dispute as to the contents of the Confidential Operations Manual, the terms of the master copy of the Confidential Operations Manual maintained by us at our home office shall be controlling.

10. **Standards of Quality and Performance.**

A. You shall commence operation of the Restaurant not later than twelve (12) months from the Agreement Date, or as otherwise approved in writing by us. Prior to such opening, you shall have procured all necessary licenses, permits, and approvals, including but not limited to construction permits, shall have hired and trained personnel, made all leasehold improvements, and purchased initial inventory. If you for any reason fail to commence operations as herein provided, unless you are precluded from doing so by war or civil disturbance, natural disaster or organized labor dispute that precludes such timely commencement of operation, such failure shall be considered a default and we may terminate this Agreement. Once you have commenced operation of the Restaurant, you must actively and continuously operate the Restaurant during normal business hours (as we may periodically prescribe in the Confidential Operations Manual or elsewhere in writing) for the entire duration of the Term.

B. You agree to maintain (or cause to be maintained) the condition and appearance of the interior and exterior of the Premises consistent with our quality controls and standards for the image of a Subway® Restaurant as an attractive, pleasant and comfortable facility conducive to patronage and impulse buying by its customers. You agree to carry out such maintenance of the Restaurant as is from time to time required to maintain or improve the appearance and efficient operation of the Restaurant, including replacement of worn out or obsolete fixtures and signs, repair of the exterior and interior of the Restaurant and redecorating. If at any time in our business judgment the general state of repair or the appearance of the Premises or its equipment, fixtures, signs or decor does not meet our quality control and standards therefor, we shall so notify you, specifying the action to be taken by you to correct such deficiency. If you fail or refuse to initiate within thirty (30) days after receipt of such notice, and thereafter continue, a bona fide program to complete any required maintenance, we shall have the right, in addition to all other remedies, to enter upon the Premises and effect such repairs, painting, decorating or replacements of equipment, fixtures or signs on your behalf and you shall pay the entire costs thereof on demand. Your obligation to initiate and continue any required maintenance shall be suspended during any period in which such maintenance is commercially impractical due to war, civil disturbance, natural disaster, organized labor dispute or other event beyond your reasonable control.

C. You shall make no material alterations to the improvements of the Restaurant nor shall you make material replacements of or alterations to the equipment, fixtures or signs of the Restaurant without our prior written approval.

D. The Approved Location shall be used solely for the purpose of conducting a Subway® Restaurant.

E. Except if you are prohibited from selling products under applicable law or under the terms of the Restaurant lease, you agree that you will offer for sale and sell at the Restaurant all types of sandwiches, food, drinks and other products that we from time to time authorize, and that you will not offer for sale or sell at the Premises any other food product, beverage, confection or non-food product whatsoever or use the Premises for any purpose other than the operation of the Restaurant in full compliance with this Agreement. You further agree that you will participate in any gift certificate, gift card and/or loyalty card programs that we require. To the extent allowed by applicable law, you must comply with our minimum, maximum, and other pricing requirements for sandwiches and other products and services offered by the Restaurant, as well as comply with our pricing methods and procedures for in-store, curbside, delivery, catering (including online catering), on-line/electronic and any other types of orders, including but not limited to advertising and marketing promotions.

F. From time to time, we shall provide to you in the Confidential Operations Manual or otherwise in writing a list of approved manufacturers, suppliers, and distributors and approved food and non-food products, fixtures, equipment, signs, stationery, supplies, and other items or services necessary to operate the Restaurant. Such list shall specify the manufacturer, supplier and distributor and the food and non-food products, fixtures, equipment, signs, stationery, supplies and services that we have approved to be carried or used in the System. We may revise the approved list of manufacturers, suppliers and distributors and the approved list of food and non-food products, fixtures, equipment, signs, stationery, supplies, and other materials from time to time. Such approved list shall be submitted to you in a form that we deem advisable. You must respond to the recall of any products in the manner and at the time that we specify.

G. All sandwiches, menu items, breads, meats, cheeses, ingredients, toppings, spices, mixes and other food and beverage products and materials, containers, packaging materials, other paper and plastic products, plates, cups, utensils, menus, uniforms, forms, cleaning and sanitation materials and other materials and supplies used in the operation of the Restaurant shall conform to the specifications and quality standards established by us from time to time in the Confidential Operations Manual or otherwise. Except as otherwise provided herein, you may only purchase such products that meet our specifications and quality standards from suppliers approved by us as meeting our criteria for Subway® Restaurant suppliers, such criteria and suppliers being subject to change by us from time to time. If you propose to offer for sale at the Restaurant any brand of product, or to use in the operation of the Restaurant any brand of food ingredient or other material or supply, that is not then approved by us as meeting our minimum specifications and quality standards, or to purchase any product from a supplier that is not then designated by us as an approved supplier, you shall submit your request in writing to us before purchasing or leasing any such ingredient, material or supply, and its purchase or lease may not be made by you absent our prior written consent. We will not be obligated to respond to your request, and any actions we take in response to such request will be at our sole discretion, including the assessment of a fee to compensate us for the time and resources we spend in evaluating the ingredient, material or supply. If we do not respond to your request within thirty (30) days, the request shall be deemed denied. We reserve the right from time to time to examine the facilities of any approved supplier or distributor and to conduct reasonable testing and inspection of the ingredients, materials or supplies to determine whether they meet our standards and specifications. We also reserve the right to charge fees for testing and evaluating proposed suppliers or distributors and to impose reasonable limitations on the number of approved suppliers or distributors of any product. Approval of a supplier or distributor may be conditioned on requirements relating to frequency of delivery and standards of service, including prompt

attention to complaints and the ability to service and supply Subway® Restaurants within areas designated by us.

H. In addition to the specific operating standards and specifications set forth above, you agree to fully comply with the System Standards in effect from time to time as set forth in the Confidential Operations Manual or otherwise communicated to you by us in writing (including by intranet or other electronic means).

I. You shall secure and maintain in force all required licenses, permits and certificates relating to the leasing, construction, opening, and operation of the Restaurant and shall operate the Restaurant in full compliance with all applicable laws, ordinances and regulations, including without limitation all government regulations relating to occupational hazards and health, consumer protection, trade regulation, worker's compensation, unemployment insurance and withholding and payment of Federal and State income taxes and social security taxes and sales, use and property taxes. You agree to refrain from any merchandising, advertising or promotional practice that is unethical or may be injurious to our business and/or other Subway® Restaurants or to the goodwill associated with the Marks. Upon request, you will forward to us copies of any documentation relating to these items.

J. The Restaurant shall at all times be under your direct, on-premises supervision or a trained and competent employee acting as full-time manager. In the event you operate more than one franchise, or in the event you do not devote your full time to conducting the Restaurant business, we may require you to designate one or more competent managers who have completed the training requirements to hold the position of full-time managers (each a "**Designated Manager**") for the Restaurant. You must, upon our request, keep us informed at all times of the identity of any other employee(s) acting as manager(s) of the Restaurant. We shall make training available, as is necessary in our judgment, for all managers who you designate. We shall provide such training at the then-current published rates. You agree that you will at all times faithfully, honestly and diligently perform your obligations hereunder and that you will not engage in any other business or activities that, in our judgment, will conflict with your obligations hereunder.

K. You will be solely responsible for all costs of building and operating the Restaurant, including, but not limited to, construction costs and permits, equipment, furniture, fixtures, signs, advertising, insurance, food products, labor, utilities, rent, fees, customs, stamp duty, other duties, governmental registrations, sales tax and other taxes. You must register to collect and pay sales taxes before you open the Restaurant, and you must maintain these registrations during the Term. You shall promptly pay when due all taxes levied or assessed on your Restaurant operation, including, without limitation, unemployment and sales taxes, and all accounts and other indebtedness of every kind that you incur in the operation of the Restaurant. You shall promptly pay to us the amount equal to all taxes levied or assessed, including, but not limited to, sales taxes, use taxes, withholding taxes, excise taxes, personal property taxes, intangible property taxes, gross receipt taxes, taxes on royalties (including without limitation the Franchise Fee, Royalty Fee and Advertising Contributions), any similar taxes or levies imposed upon, or required to be collected or paid by us by reason of the furnishing of products, intangible property (including trademarks and trade names), or service by us to you through the sale, license or lease of property or property rights provided by this Agreement. The foregoing does not include tax on your net income. You will, at your sole discretion, recruit, hire, terminate, discipline and supervise all Restaurant employees, set pay rates, and pay all wages and related amounts, including any employment benefits, unemployment insurance, withholding taxes or other sums. You will reimburse us for any such costs that we must pay in connection with your operation of the Restaurant.

L. You and your owners represent and warrant to us that all statements, documents, materials, and information submitted to us, including the application for the rights granted by this

Agreement are true, correct and complete in all material respects, and there have been no material omissions. You and your owners agree to comply with any and all laws, regulations, Executive Orders or otherwise of any kind, including those relating to anti-terrorist activities, such as, without limitation Executive Order 13224 and related U.S. Treasury and other regulations. You confirm that you and your owners, officers and directors are not listed on the Annex to Executive Order 13224 (or any subsequent or related order) and you agree not to hire any person so listed or have any dealing with a person so listed (the Annex is currently available at www.treasury.gov). You are solely responsible for ascertaining the actions that must be taken to comply with such laws, orders and/or regulations.

M. You must implement all administrative, physical and technical safeguards necessary to protect any information that can be used to identify an individual, including without limitation names, addresses, telephone numbers, e-mail addresses, employee identification numbers, signatures, passwords, financial information, credit card information, biometric or health data, government-issued identification numbers and credit report information (“**Personal Information**”) in accordance with applicable laws and industry best practices. Without limiting the foregoing, you must comply with the Payment Card Industry Data Security Standard (commonly known as “**PCI Compliance**” or “**PCI-DSS**”), and any successor thereto. It is entirely your responsibility (even if we provide you any assistance or guidance in that regard) to confirm that the safeguards you use to protect Personal Information comply with all applicable laws and industry best practices related to the collection, access, use, storage, disposal and disclosure of Personal Information. If you become aware of a suspected or actual breach of security or unauthorized access involving Personal Information, you will notify us immediately and specify the extent to which Personal Information was compromised or disclosed.

N. You acknowledge and agree that the foregoing standards of quality and performance are reasonable and necessary to preserve the identity, reputation, value and goodwill of the System. In the event that any cash rebates, mark ups, volume discounts, concessions, advertising allowances, or discount bonuses (collectively “**Rebates**”), whether by way of cash, kind or credit, are available to or received by us and/or our affiliates from any third party, whether or not on account of purchases made (i) by us for our own account or for your account, or franchisees generally; or (ii) by you directly for your own account, we and/or our affiliates shall be entitled to retain the whole of the amount or any part of such Rebates. You acknowledge and agree that we and/or our affiliates have the right to realize a profit on any goods or services that we and/or our affiliates supply to you.

11. **Delivery Services.**

A. You must provide delivery services in compliance with the Confidential Operations Manual and as we otherwise specify in writing from time to time. We may authorize you to provide delivery services directly to end user customers, through approved third-party delivery service providers (each a “**Third-Party Delivery Provider**”) or through such other delivery methods as we approve in advance in writing.

B. You will not receive any exclusive or protected delivery area around your Restaurant for engaging in delivery or sale for delivery of sandwiches and other food products (“**Delivery Activities**”). We may establish from time to time geographic areas within which you may perform Delivery Activities (your “**Delivery Area**”). We may restrict where you may engage in Delivery Activities, and we may designate one or more Third-Party Delivery Providers as the sole or designated Third-Party Delivery Provider(s) and require you to contract with and comply with your agreements with them. We may require you to direct customers for Delivery Services outside of your Delivery Area to other Subway® Restaurants or decline to sell sandwiches and other food products to them. We may permit Third-Party Delivery Providers to direct and allocate Delivery Activities among delivery service areas they or we may designate. Because of the evolving nature of the food to-go and delivery service sector, these standards

and policies for Delivery Activities may change and evolve at any time. We will not be liable for any reduction in your sales or profits as a result of these Delivery Activities or for engaging in Delivery Activities.

C. You must comply with all laws at all times in offering Delivery Activities, including, but not limited to, obtaining and maintaining all required permits, licenses, consents and waivers required by any laws. You also agree to comply fully with the standards for third-party ordering and delivery services as established by us from time to time, including, but not limited to: using such food containers, thermal bags or other storage devices we may designate to the Third-Party Delivery Provider or you; providing such amount of additional condiments, napkins and utensils as we deem appropriate; sealing the delivery bags with the appropriate tamper-evident sticker or other approved methods; and ensuring the food safety, quality and temperature maintenance of sandwiches and other food products. You are solely responsible for maintaining adequate insurance to cover any liability that may arise from the use of Third-Party Delivery Providers (or other delivery methods) for Delivery Activities from your Restaurant and comply with our requirements for such insurance.

D. Unless approved in advance in writing by us, you will not: (a) advertise, promote or make any media statements about any Third-Party Delivery Provider; or (b) purport to authorize or consent to any Third-Party Delivery Provider to advertise or promote its own products or services using any of the Marks.

E. We reserve the right to periodically designate Third-Party Delivery Providers in our sole judgment. If you want to use a Third-Party Delivery Provider that we have not yet approved, you must first submit the name of such proposed Third-Party Delivery Provider and other sufficient information for us to evaluate whether the Third-Party Delivery Provider meets our criteria. We may condition our approval of a Third-Party Delivery Provider on such provider agreeing to provide periodic delivery sales reports directly to us and such other requirements relating to reliability, consistency, standards of service (including prompt attention to complaints) and/or other criteria, and may not use the Third-Party Delivery Provider absent our written consent. We may receive fees from Third-Party Delivery Providers in return for designating them as approved or designated for Subway® Restaurants and may negotiate with them for our benefit or that of Subway® Restaurants. We reserve the right periodically to revoke our approval of any Third-Party Delivery Provider that does not continue to meet our criteria. Notwithstanding the foregoing, you agree that we may limit the number of Third-Party Delivery Providers with whom you may deal, designate Third-Party Delivery Providers that you must use, and/or refuse any of your requests for any reason, including if we have already designated an exclusive Third-Party Delivery Provider for the System or if we believe that doing so is in the best interests of the System.

F. You agree to grant us access to, or otherwise collect and report in the form and manner desired by us, all operational, financial and other information concerning the Delivery Activities provided from your Restaurant, including, but not limited to, all Gross Sales, transactions and guest count data, product mix, service time data and financial results. We will have permission to access Gross Sales, guest count, and other operational data, including, without limitation, staffing and customer satisfaction data from the relevant Third-Party Delivery Provider and your Restaurant.

G. You may not establish “ghost kitchens” (separate facilities for food preparation, typically for preparation of delivery orders) without our prior, written approval, and if we grant such approval then you must comply with any and all guidelines that we may establish and modify from time to time.

12. **Modification of the System.** You recognize and agree that from time to time we may change or modify the System, including the adoption and use of new or modified trade names, trademarks, service marks or copyrighted materials, new menu items, new products, new equipment or new techniques and

that you will accept, use and display for the purpose of this Agreement any such changes in the System, as if they were part of this Agreement at the time of execution hereof. Within the timeframes that we may reasonably require, you will make such expenditures as such changes or modifications in the System as we may reasonably require, including but not limited to repairs, upgrades and remodels. You shall not change, modify or alter in any way the System without our prior written consent. You will be provided with reasonable notice of any material updates or changes to the System or the Confidential Operations Manual.

13. **Fees and Contributions.**

A. **Franchise Fee.** When you sign this Agreement, you will pay us the fee(s) (the “**Franchise Fee**”) indicated in the Key Contract Data at the beginning of this Agreement, which shall be deemed fully earned by us and shall be nonrefundable upon execution of this Agreement (except as otherwise expressly provided in this Agreement) as consideration for expenses incurred by us in furnishing assistance and services to you and for our lost or deferred opportunity to sell a franchise to others. If you or your affiliate are an existing Subway® franchisee, you represent that your other Subway® Restaurant(s) is/are in substantial compliance with the Operations Manual and there are no material defaults under the franchise agreement(s) governing the operation of such Subway® Restaurant(s). If any of the aforesaid representations are not true when the Restaurant opens (based upon the most recent restaurant evaluation), you agree to pay us an additional \$7,500.

B. **Royalty Fee.** You shall pay to us without offset, credit or deduction of any nature unless otherwise permitted by us in writing, so long as this Agreement shall be in effect, a royalty fee equal to eight percent (8%) of Gross Sales of the Restaurant on a weekly basis or other periodic basis that we may determine from time to time (the “**Royalty Fee**”).

C. **Advertising Contributions.** You shall pay without offset, credit or deduction of any nature, to us, so long as this Agreement shall be in effect, advertising contributions equal to four and one-half percent (4.5%) of Gross Sales of the Restaurant on a weekly basis or other periodic basis that we may determine from time to time (“**Advertising Contributions**”).

D. **Restaurant Excellence Visits.** We or a third-party that we authorize will conduct periodic “**Restaurant Excellence Visits**” as set forth in the Confidential Operations Manual or otherwise in writing. We will not charge you for these Restaurant Excellence Visits. However, if you receive a “Fail” score (as determined by us or the third-party conducting the Restaurant Excellence Visit), you will be required to pay a fee of ~~\$132.61~~\$136.59 (the “**Revisit Fee**”) for a subsequent Restaurant Excellence Visit (a “**Revisit**”). You will receive a Revisit until you achieve a score of “Pass”, and you will pay the Revisit Fee for each Revisit. The Revisit Fee is subject to increase by 3% per year. Effective January 1, ~~2024~~2025, the Revisit Fee will increase to ~~\$136.59~~\$140.69 per revisit (subject to increase by 3% per year).

E. **Restaurant Technology Fee; Digital Technology Fee.** You will pay us a “**Restaurant Technology Fee**” for the Software of \$75 per month, payable per Restaurant. This cost covers development and maintenance of the Software for each POS system terminal in the Restaurant as well as other restaurant technology. We will charge this fee to your pre-authorized account with us. We reserve the right to increase this fee at any time without notice to you. In addition to the Restaurant Technology Fee, we reserve the right to charge in the future a “**Digital Technology Fee**” to cover our costs of development, infrastructure and support of programs including our Subway® App, Online Ordering, Third-Party Delivery platform support, Digital Menu Boards and Social Media Platforms.

F. **Legacy Support Fee.** To cover our costs related to any non-compliance, you must pay to us or our affiliate the “**Legacy Support Fee**” if you do not comply with our technology standards and

specifications, fail to return hardware, fail to upgrade systems, fail to allow access in a timely manner, install unauthorized software, or attempt to hack or circumvent our software, all as provided in this Agreement, any other agreement between you, on the one hand, and us or our affiliate on the other hand, or otherwise as set forth in the Confidential Operations Manual or otherwise in writing. The Legacy Support Fee is currently \$200 for each month that you are not in compliance with any of the foregoing. We reserve the right to increase the Legacy Support Fee at any time without notice to you.

G. **Digital Menu Boards Hardware-as-a-Service Fee.** You will pay us a monthly fee for our Digital Menu Board Hardware-as-a-Service (“**DMB HaaS**”) program, currently \$155 per month. DMB HaaS includes service, installation, maintenance and help-desk support for digital menu boards in your Restaurant. We reserve the right to increase the ~~BMB~~DMB HaaS fee at any time without notice to you.

H. **Payment Terms.** The following terms and conditions apply to all payments due to us from you:

1. On or before Thursday at 3:00 p.m. Eastern Time of each week (or such other day and time as prescribed by us from time to time), you will submit to us in the format that we require a correct statement of the Gross Sales of the Restaurant for the preceding week ending Tuesday (or such other day as prescribed by us from time to time). Such Gross Sales statement shall be submitted through our designated control system, using approved POS System hardware and software, to the location we designate. Each weekly statement (or other periodic statement that we designate) of Gross Sales shall be accompanied by the Royalty Fee and Advertising Contributions payment based on the Gross Sales reported in the statement so submitted. You will make available to us for reasonable inspection at reasonable times and through reasonable means determined by us (including electronic), all original books and records (electronic and hard copy) that we may deem necessary to ascertain the Gross Sales of the Restaurant.

2. The term “**Gross Sales**” as used herein, shall mean and include the aggregate amount of all sales of food products, beverages and other merchandise, products and services of every kind or nature sold from, at or in connection with the Restaurant or arising out of the operation or conduct of business by the Restaurant, less any customer refunds up to the amount of the sales price and excluding all sales, use or service taxes collected and paid to the appropriate taxing authority. “**Gross Sales**” shall include: (a) all amounts redeemed from gift certificates, gift cards or similar media, and sales made through alternative platforms, (b) all insurance proceeds received by you for loss of business due to a casualty or other event at the Restaurant, and (c) the fair market value of any services or products received by you in barter or exchange for your services or products.

3. All amounts you owe under this Agreement or any other Franchise Agreement, Sublease or other agreement that you have with us or any of our affiliates must be paid through electronic funds transfer in the manner we designate, unless we specify otherwise. These amounts include Royalty Fees, Advertising Contributions, interest, late fees, and any and all other charges that you owe. Before the Restaurant opens, you will sign and deliver to us appropriate electronic funds transfer preauthorized draft forms (or forms serving the same purpose) for the Restaurant's checking account (the “**Pre-authorized Account**”). Upon our request, you agree to sign any additional documents we require to authorize us and our affiliates to debit your Pre-authorized Account. You hereby authorize us and our affiliates to debit your Pre-authorized Account for the Royalty Fees, Advertising Contributions, amounts due for purchases by you from us or our affiliates, and all other amounts due us or our affiliates under this Agreement, under any other agreement with us or our affiliate, or otherwise. You agree to ensure that funds are available

in the Pre-authorized Account to cover our withdrawals. In certain circumstances, you will also authorize us to withdraw money for fees or payments that we paid, pay or will pay to a third party, including without limitation your landlord or licensor, on your behalf in connection with the Restaurant.

4. If you fail to submit the weekly (or other periodic) Gross Sales statements, we will estimate your Royalty Fee and Advertising Contribution by using a Gross Sales figure that is equal to ~~one hundred twenty percent (120%)~~ of the average weekly (or other periodic) Gross Sales of your Restaurant for the previous ~~six~~eight (68) weeks, increasing by 10% for each 3-week period that such statements remain unsubmitted. If the amounts that we debit from your Pre-authorized Account are less than the amounts you actually owe us (once we have determined the Restaurant's true and correct Gross Sales), we will debit your Pre-Authorized Account for the balance on the day we specify. If the amounts that we debit from your Pre-authorized Account are greater than the amounts you actually owe us, we will credit the excess against the amounts we otherwise would debit from your Pre-authorized Account on the next payment date.

5. If your payment of Royalty Fees, Advertising Contributions, or other charges that you owe us is more than one week late, you will pay us interest at a rate of twelve percent (12%) (or the maximum rate allowed by the law where the Restaurant is located) per annum on any Royalty Fees, Advertising Contributions, or other charges you will owe us under this Agreement. If permitted by local law, we may also charge you a late fee equal to ten percent (10%) (or the maximum rate allowed by law) per annum on all past due accounts to cover our banking, administrative, and accounting costs. In the event that any late charge, interest rate, or other payment provided herein exceeds the maximum applicable charge legally allowed, such late charge, interest rate, or other payment shall be reduced to the maximum legal charge, rate, or amount. You acknowledge that this sub-section shall not constitute agreement by us or our affiliates to accept such payments after same are due or a commitment by us to extend credit to, or otherwise finance your operation of, the Restaurant. Further, you acknowledge that your failure to pay all amounts when due shall constitute grounds for termination of this Agreement, as provided herein. You must pay us a sum of Fifty Dollars (\$50) if you default on payments because you change banks without notice. You must pay us a sum of Twenty Dollars (\$20) if your payments to us are unsuccessful due to insufficient funds in your pre-authorized account.

6. Notwithstanding any designation by you, we shall have the right to apply any payments by you to any past due indebtedness of you for Royalty Fees, Advertising Contributions, purchases from us and our affiliates, interest, late fees, and other charges that you owe, or any other indebtedness. You shall be responsible for and shall pay to us (or reimburse us for the payment of) upon demand any tax assessed (excluding tax on our net income) on or measured by the amount of Royalty Fees or any other amounts paid to us under this Agreement.

14. **Advertising.** Recognizing the value of advertising and the importance of the standardization of advertising and promotion to the furtherance of the goodwill and the public image of Subway® Restaurants, you agree as follows:

A. All advertising and marketing materials, including, but not limited to, newspapers, radio and television advertising, advertising through an Online Presence including internet, social media, electronic mail or other similar electronic or digital medium, and specialty and novelty items, signs, boxes, napkins, bags and wrapping papers, will be compliant with the requirements set forth by us in the Confidential Operations Manual or through other written means, or will otherwise be submitted to us or our designee, for our prior approval. In the event written approval of said advertising and promotional materials is not given by us to you within twenty (20) days from the date such materials are received by

us, said materials shall be deemed disapproved. You must participate in, and comply with the requirements of, any sales, marketing, advertising, and promotional programs we implement, and you must use only the materials and media for these programs that we designate or otherwise expressly approve. Information you collect about customers, including through an Online Presence or at the Restaurant, may be subject to requirements set forth in the Confidential Operations Manual or otherwise in writing by us. You will not place "For Sale" or similar signs at or in the general vicinity of the Restaurant or use any words in any advertising that identify the business offered for sale as a Subway® Restaurant, nor will you allow any vendor or agent of yours to do so. You will always indicate your status as an independent franchise operator to others and on any document or information released by you in connection with the Restaurant. You will display the following notice (subject to modification by us from time to time) in a prominent place at the Restaurant: "The Subway® trademarks are owned by Subway IP LLC and the independent franchise operator of this restaurant is a licensed user of such trademarks."

B. You specifically acknowledge and agree that any Online Presence shall be deemed "advertising" under this Agreement, and will be subject to, among other things, our written approval. In connection with any Online Presence, you agree to the following:

1. Before establishing the Online Presence, you shall submit to us a sample of the Online Presence content, format and other information in the form and manner we may reasonably require.
2. You shall not establish or use the Online Presence without our prior written approval.
3. In addition to any other applicable requirements, you shall comply with our standards and specifications for an Online Presence as prescribed by us in the Confidential Operations Manual or otherwise in writing. If required by us, you shall establish your Online Presence as part of our Online Presence and/or establish electronic links to our Online Presence.
4. If you propose any material revision to the Online Presence or any of the information contained in the Online Presence, you shall submit each such revision to us for our prior written approval.

C. You may utilize social media accounts (such as Facebook® or Twitter®) or other Online Presences only if approved by us in writing. If we approve the use of any Online Presence, you will develop and maintain such Online Presence only in accordance with our guidelines, including our guidelines for posting any messages or commentary. We may at any time revoke your rights to use any Online Presence or require that you obtain our approval of any message that you intend to post prior to posting. We will own the rights to each Online Presence. At our request, you agree to grant us access to each such Online Presence, and to take whatever action (including signing assignment or other documents) we request to evidence our ownership of such Online Presence, or to help us obtain exclusive rights in such Online Presence.

D. We will deposit the Advertising Contributions into the Subway Franchisee Advertising Fund Trust ("SFAFT") or such other marketing fund(s) as we shall designate from time to time. You acknowledge Advertising Contributions will not necessarily benefit franchisees in any area in proportion to the amounts they paid. We or our designee may negotiate programs and advertising contributions with suppliers and specify that these advertising contributions be placed into a fund to be spent on advertising and related expenses for the benefit of franchisees. Except as provided herein, such payments shall be

made in addition to and exclusive of any sums that you may be required to spend on local advertising and promotion. The Advertising Contributions shall be used by us or our designee, as follows:

1. We shall direct all advertising programs and have the right to determine the creative concepts, materials and media used in such programs and the placement and allocation thereof. You agree and acknowledge that the advertising programs are intended to maximize general public recognition and acceptance of the Marks, patronage of Subway® Restaurants and the Subway® brand and System generally, and that we and our designee undertake no obligation to make expenditures for you that are equivalent or proportionate to your Advertising Contributions, or to ensure that any particular franchisee benefits directly or pro rata from the placement of advertising. We or SFAFT may create, modify or abolish franchisee advisory boards or councils from time to time that serve solely in an advisory capacity with respect to the advertising programs that we direct.

2. We shall, for each of our company-owned and affiliate-owned Subway® Restaurants, make (or cause to be made) advertising contributions equivalent to the Advertising Contributions required of franchisees within the System.

3. You agree that the funds may be used to meet any and all costs of maintaining, administering, directing and preparing advertising (including, without limitation, the cost of preparing and conducting television, Online Presence, radio, magazine and newspaper advertising campaigns, loyalty programs, digital technological platforms and enhancements and other public relations activities; employing advertising agencies to assist therein; providing promotional brochures and other marketing materials to franchisees in the System); maintaining and updating Online Presences for Subway® Restaurants; and developing and maintaining application software designed to run on computers and similar devices, including tablets, smartphones and other mobile devices, as well as any evolutions or “next generations” of any such devices. All sums paid by you as Advertising Contributions shall be maintained in one or more separate accounts that contain only Advertising Contributions and other sums to be used for advertising, and such sums shall not be used to defray any of our general operating expenses, except for such administrative costs and overhead, if any, as we or our affiliates may incur in activities reasonably related to the administration or direction of advertising programs including, without limitation, conducting marketing research, preparing marketing and advertising materials, and collecting and accounting for assessments for advertising.

4. It is anticipated that all Advertising Contributions shall be expended for advertising and promotional purposes during our fiscal year within which contributions are made. If, however, excess amounts remain at the end of such fiscal year, all expenditures in the following fiscal year(s) shall be made first out of any current interest or other earnings, next out of any accumulated earnings, and finally from principal.

5. We may terminate advertising accounts at any time but will not do so until all monies in them have been expended for advertising and promotion purposes or have been transferred to one or more other accounts used for advertising.

6. An accounting of our use of Advertising Contributions shall be prepared annually and shall be made available to you upon request. We reserve the right, at our option, to require that such annual accounting include an audit prepared by an independent certified public accountant selected by us, with such preparation to be paid for out of Advertising Contributions.

15. **Confidential Information.**

A. We and our affiliates possess (and may continue to develop and acquire) certain confidential information, some of which constitutes trade secrets under applicable law (the “**Confidential Information**”), relating to developing and operating Subway® Restaurants, whether or not marked confidential, including (without limitation): (1) site selection criteria; (2) training and operations materials and manuals, including, without limitation, recipes, product formulas, drawings, blueprints, reproductions, data, franchise agreements, and the Confidential Operations Manual; (3) the System Standards and other methods, formats, specifications, standards, systems, procedures, devices, techniques, sales and marketing techniques, business plans, methods and strategies, knowledge, and experience used in developing, promoting and operating Subway® Restaurants, business information related to franchisees, pricing policies; (4) market research and plans, creative materials, media schedules, promotional, marketing and advertising programs for Subway® Restaurants, organizational structure, financial information; (5) knowledge of specifications for, and suppliers of, operating assets and other products and supplies; (6) supplier and vendor lists; (7) any computer software or similar technology that is proprietary to us, our affiliates, or the System, including, without limitation, digital passwords and identifications and any source code of, and data, reports, and other printed materials generated by, the software or similar technology; (8) content published over internal communication platforms; (9) knowledge of the operating results and financial performance of Subway® Restaurants, other than your Restaurant; (10) customer lists and related data; and (11) all information we or our affiliates designate as confidential. The following shall not constitute Confidential Information: (i) information that you can demonstrate came to your attention prior to disclosure thereof by us; (ii) information that, at the time of disclosure by us to you, had become a part of the public domain, through publication or communication by others; or (iii) information that, after disclosure to you by us, becomes a part of the public domain, through publication or communication by others through no fault of you. Confidential Information may be provided to you by us, our affiliates, BDs, service providers, or franchisees, or from agents of us or our affiliates. Confidential Information will remain our property or our affiliates’ property.

B. All Confidential Information furnished to you by us or on our behalf, whether orally or by means of written material (i) shall be deemed proprietary, (ii) shall be held by you in strict confidence, (iii) shall not be copied, disclosed or revealed to or shared with any other person except to your employees or contractors who have a need to know such Confidential Information for purposes of this Agreement and who are under a duty of confidentiality no less restrictive than your obligations hereunder, or to individuals or entities specifically authorized by us in advance, and (iv) shall not be used in connection with any other business or capacity. You will not acquire any interest in Confidential Information other than the right to use it as we specify in operating your Restaurant during the Term. You agree to protect the Confidential Information from unauthorized use, access or disclosure. We may require you to have your employees and contractors execute individual undertakings and shall have the right to regulate the form of and to be a party to or third-party beneficiary under any such agreements. You acknowledge that any form of non-disclosure and non-competition agreement that we require you to use, provide to you, or regulate the terms of, may or may not be enforceable in a particular jurisdiction. You agree that you are solely responsible for obtaining your own professional advice with respect to the adequacy of the terms and provisions of any confidentiality and non-compete agreement that your employees, agents and independent contractors sign.

C. You acknowledge and agree that, as between us and you, we are the sole owner of all right, title, and interest in and to the System and any Confidential Information. All improvements, developments, derivative works, enhancements, or modifications to the System and any Confidential Information, ideas, slogans, marketing plans, advertising material, concepts, drawings, techniques, inventions (including any resulting patent rights), innovations, trademarks, trade secrets, copyrights, works of authorship, and any other protectable or proprietary interest in any similar intangible asset,

relating to a Subway® Restaurant (collectively, “**Innovations**”) made or created by you, your employees or your contractors, whether developed separately or in conjunction with us, shall be owned solely by us. You represent, warrant, and covenant that your employees and contractors are bound by written agreements assigning all rights in and to any Innovations developed or created by them to you. To the extent that you, your employees or your contractors are deemed to have any interest in such Innovations, you hereby agree to assign, and do assign, all right, title and interest in and to such Innovations to us. To that end, you shall execute, verify, and deliver such documents (including, without limitation, assignments) and perform such other acts (including appearances as a witness) as we may reasonably request for use in applying for, obtaining, perfecting, evidencing, sustaining, and enforcing such ownership rights in and to the Innovations, and the assignment thereof. Your obligation to assist us with respect to such ownership rights shall continue beyond the expiration or termination of this Agreement. In the event we are unable for any reason, after reasonable effort, to secure your signature on any document needed in connection with the actions specified in this Section, you hereby irrevocably designate and appoint us and our duly authorized officers and agents as your agent and attorney in fact, which appointment is coupled with an interest and is irrevocable, to act for and on your behalf to execute, verify, and file any such documents and to do all other lawfully permitted acts to further the purposes of this Section with the same legal force and effect as if executed by you. The obligations of this Section shall survive any expiration or termination of this Agreement.

D. Due to the special and unique nature of our Confidential Information, the Marks, and Confidential Operations Manual, you hereby agree and acknowledge that we shall be entitled to immediate equitable remedies, including but not limited to, restraining orders and injunctive relief in order to safeguard such proprietary, confidential, unique, and special information and that money damages alone would be an insufficient remedy with which to compensate us for any breach of the related terms of this Agreement.

E. Upon our request, you will promptly return all tangible Confidential Information, including any reproductions and copies. In the event that you are requested or required to disclose any part of the Confidential Information in connection with a legal proceeding, investigation or other similar process, you shall provide us with prompt written notice of any such request or requirement so that we may seek a protective order or other appropriate remedy and/or waive compliance with the provisions of this Section. If, in the absence of a protective order or other remedy or waiver, you are legally compelled to disclose Confidential Information to any tribunal, you may disclose to such tribunal only that portion of Confidential Information which your legal counsel advises that you are legally required to disclose without any liability under this Section.

16. **Accounting and Records.**

A. You shall establish and maintain a bookkeeping, accounting and record keeping system conforming to the requirements prescribed by us, for the purpose of keeping, and making available to us upon our written request, complete business records exclusively for the Restaurant for the current year and for the immediate past three (3) years, including cash register/POS data, control sheets, weekly inventory and sales reports, deposit slips, business and personal bank statements, canceled checks, sales and purchase records, business and personal tax returns, Schedule K-1 forms, cash receipts journals, cash disbursements journals, payroll registers, general ledgers, financial statements, profit and loss statements, balance sheets, and any other similar records and information we may request. These records must be separate from the records kept for any other business in which you have an interest.

B. You shall submit to us such periodic financial and other reports, forms and records as specified, and in the manner and at the time as specified in the Confidential Operations Manual or otherwise in writing.

C. You shall record all sales on the POS System or other electronic cash registers approved by us or on such other types of equipment as may be designated by us in the Confidential Operations Manual or otherwise in writing. You agree that we shall have the right to require you to utilize the computer-based POS System cash registers that are fully compatible with any program(s) or system(s) that we, in our direction, may employ. All Gross Sales and all sales information shall be recorded on such equipment. We shall at all times have real-time and full access to all of your data, system and related information by such means as we may determine from time to time, including without limitation direct access in person, or access by electronic means.

D. You agree that we will have the right to examine your books, records and any electronic data necessary to perform an independent audit or other analysis. You also grant us permission to examine, without prior notice to you, all records of your purchases from a supplier, and you authorize such suppliers to release your purchase records to us at such times and places as we request. You will allow us and our representatives, including without limitation our BDs and their representatives, to conduct an audit, review your business operations and records, including POS System reports, perform audio and visual recordings to the extent permitted by law, and otherwise access all areas of the Restaurant without prior notice at any time you or your employees are on the Premises. Upon our written request, you will make photocopies or electronic copies of all documentation or electronic data that we request and forward them to us or our representatives as we designate. We will reimburse you for the reasonable cost of copying this information. If we notified you in writing of an audit at least five (5) days in advance and you fail to produce your books and records at the time of the audit, you will be responsible for all costs we incur, including, without limitation, the charges of any independent accountant, the compensation of our employees or representatives, and attorneys' fees.

E. We shall have the right, at any time, to audit, or have an independent audit made, of your books. If we or an independent auditor determine, after conducting an audit, that you under-reported Gross Sales by more than two percent (2%) of your reported Gross Sales, you will pay us the Royalty Fees, Advertising Contributions and other charges due on the Gross Sales that were not reported, plus all costs associated with conducting the audit and collecting the unpaid amounts, including without limitation mediation and arbitration fees, court costs, lawyers' fees, accountants' and other professionals' fees, management preparation time, witness fees, and travel expenses, plus interest and late fees (the "**Overdue Amount**"). If you fail to submit all of your information to be audited, we may estimate your sales and charge the Overdue Amount based upon the estimate. The foregoing remedies shall be in addition to any other remedies we may have.

F. At any time during the Term, you authorize us to conduct credit checks or investigative background searches on you which may reveal information about your business experience, educational background, criminal record, civil judgments, property ownership, liens, associations with other individuals, creditworthiness, and job performance.

17. **Corporation, Limited Liability Company or Partnership Franchisee.**

A. **Corporate Franchisee.** Except as otherwise approved by us in writing, if you are a corporation, you shall (i) confine your activities, and your governing documents shall at all times provide that your activities are confined, exclusively to operating one or more Subway® Restaurants; (ii) furnish us with your articles of incorporation and bylaws as well as such other documents that we may reasonably request, including the Owner's Guaranty and Assumption of Franchisee Obligations, attached as **Exhibit**

A, executed by all current beneficial owners of any class of voting stock; (iii) maintain stop transfer instructions on your records against the transfer of any equity securities and only issue securities upon the face of which a legend, in a form satisfactory to us, appears which references the transfer restrictions imposed by this Agreement; (iv) not issue any voting securities or securities convertible into voting securities without our prior written approval, which approval shall be conditioned on, among other things, the new shareholder(s)'s (and all new beneficial owners') execution of an Owner's Guaranty and Assumption of Franchisee Obligations, attached as **Exhibit A**; and (v) maintain a current list of all owners of record and all beneficial owners of any class of voting stock and furnish the list to us upon request. For the avoidance of doubt, the governing documents of all parent or holding entities are also at all times subject to our review and must at all times be consistent with the foregoing guidelines and restrictions.

B. Limited Liability Company Franchisee. If you are a limited liability company, you shall: (i) confine your activities, and your governing documents shall at all times provide that your activities are confined, exclusively to operating one or more Subway® Restaurants; (ii) furnish us with your articles of organization and operating agreement, as well as such other documents as we may reasonably request, and any amendments thereto; (iii) prepare and furnish to us, upon request, a current list of all members and managers; (iv) maintain stop transfer instructions on your records against the transfer of any equity securities and only issue securities which bear a legend, in a form satisfactory to us, which references the transfer restrictions imposed by this Agreement; and (v) deliver to us the Owner's Guaranty and Assumption of Franchisee Obligations, attached as **Exhibit A**, executed by each member and each owner of any beneficial interest in you. For the avoidance of doubt, the governing documents of all parent or holding entities are also at all times subject to our review and must at all times be consistent with the foregoing guidelines and restrictions.

For the avoidance of doubt, the governing documents of all parent or holding entities are also at all times subject to our review and must at all times be consistent with the foregoing guidelines and restrictions.

18. **Transferability of Interest.**

A. By Franchisor/Delegation of Duties. This Agreement is fully assignable by us and shall inure to the benefit of any assignee or other legal successor to the interests of us herein. To the extent that the purchaser or transferee shall assume our covenants and obligations under this Agreement, we shall thereupon and without further agreement, be freed and relieved of all liability with respect to such covenants and obligations. From time to time, we shall have the right to delegate the performance of any or all of our obligations and duties hereunder to third parties, whether the same are our agents or independent contractors that we have contracted with to provide such services. You agree in advance to any such delegation by us of any portion or all of our rights and obligations hereunder.

B. Consent of Franchisor Required.

1. The rights granted hereunder are personal to you. Accordingly, neither this Agreement, any rights under this Agreement, including specifically any right to use our intellectual property (including the Marks) as described in Section 8 above, the Restaurant owned by you nor any part of the ownership of you may be assigned or transferred by you or your

owner(s) without our prior written consent, and any such assignment or transfer, or attempted assignment or transfer, without such consent shall constitute a breach hereof and shall convey no rights to or interests in this Agreement, the Restaurant owned by you or the ownership of you. Notwithstanding anything herein to the contrary, if a Bankruptcy Event (as defined below) occurs, then our consent to any assignment or transfer hereunder in connection with or during such Bankruptcy Event, shall be made in our sole and absolute discretion, and shall apply for all purposes, including in connection with any proposed assumption or assignment of this Agreement under 11 U.S.C. §365 or any successor or related statutes and regulations.

2. As used in this Agreement, the term “transfer” shall mean and include the voluntary, involuntary, direct or indirect assignment, sale, gift, pledge or other transfer by you or your owners of any interest in any of: (1) this Agreement; (2) the ownership of you, (3) the Restaurant owned by you, or (4) substantially all of the assets of the Restaurant. An assignment, sale or other transfer shall include any of the following events: (1) the transfer of ownership of capital stock, voting stock (or security convertible to voting stock) or partnership interest; (2) merger or consolidation or issuance of additional securities representing an ownership interest in you; (3) transfer of an interest in you, this Agreement or the Restaurant owned by you in a divorce, insolvency, corporate or partnership dissolution proceeding or otherwise by operation of law; or (4) transfer of an interest in this Agreement, the Restaurant owned by you or an ownership interest of you in the event of the death of you or any of your owners, by will, declaration of or transfer in trust, or under the laws of intestate succession. For the avoidance of doubt, you may not pledge a security or other interest in this Agreement or in the proceeds of a sale of this Agreement or the assets of the Restaurant to any lender without our prior written consent.

3. You may not use or authorize the use of any Mark in advertising the transfer or other disposition of your Restaurant or of any ownership in you without our prior written consent. You shall not use or authorize the use of, and no third party shall on its behalf use, any written materials to advertise or promote the transfer of your Restaurant or of any ownership interest in you without our prior written approval of such materials.

C. Conditions for Consent.

1. You acknowledge and agree that there may be no transfers before the Restaurant has opened for business. If you and your owners are in full compliance with this Agreement, we shall not unreasonably withhold our consent to a transfer, provided that we are satisfied in our sole business judgment that the proposed assignee and its owners are of good moral character who have sufficient business experience, aptitude and financial resources to perform the services required hereunder and otherwise meet our then applicable business standards for the grant or acquisition of similar rights, provided however, that our consent for a transfer in connection with any Bankruptcy Event shall be in our sole and absolute discretion.

2. A transfer of ownership in the Restaurant owned by you may only be made in conjunction with a transfer of this Agreement or the controlling interest in you, and further provided that if the transfer is of this Agreement or the Restaurant owned by you, or of a controlling interest in you, or is one of a series of transfers which in the aggregate constitute the transfer of a controlling interest in this Agreement, the Restaurant owned by you, substantially all of the assets of the Restaurant or you, in addition to the conditions set forth above, all of the following conditions are met prior to, or concurrently with, the effective date of the assignment or transfer: (1) you must have complied with the right of first refusal set forth below; (2) all obligations of you and your owners incurred in connection with this Agreement have been assumed by the assignee and its owners; (3) you shall have paid all amounts owed to us; (4) the

assignee shall have completed the training program required of new franchisees; (5) the assignee and its owners shall execute and agree to be bound by the form of franchise agreement and any ancillary agreements as are then customarily used by us in the grant of the rights described hereunder, which franchise agreement shall provide for a term no less than the then remaining term of this Agreement; (6) you shall have paid a transfer fee equal to fifty percent (50%) of our then-current standard initial franchise fee (excluding any promotions or discounts), ~~plus \$3,000 for any satellite Restaurant you transfer (or, (or, as follows: (a) standard transfer to a new or existing Subway® franchisee, \$3,200; (b) if you are transferring an interest to your spouse or child, 25% of our then-current standard initial franchise fee (excluding any promotions or discounts) or in the context of a divorce, \$200; or (c) all other transfers, \$2,000), plus \$1,500~~3,000 for any satellite Restaurant you transfer) (excluding any promotions or discounts) (or, \$1,000 for any satellite Restaurant that has been established for one year or less); (7) the assignee shall present evidence satisfactory to us that it has the right to remain in possession of the Premises for the term of assignee's franchise agreement; (8) you and your owners shall have executed a general release, in form satisfactory to us, of any and all claims against us and our affiliates, BDs, officers, directors, owners, employees and agents; (9) you and your owners must abide by the terms of this Agreement which by their nature survive termination, including without limitation the post-termination covenant not to compete set forth in Section 23; and (10) the transferee execute our then-current form of Transfer Addendum.

3. In conjunction with our consideration of consenting to a proposed transfer, we shall prepare an itemized written assessment of the need for refurbishing and/or remodeling of the Restaurant (the "**Remodeling Requirements**") to conform with the then-existing standards and specifications for the décor of Subway® Restaurants within the System. The Remodeling Requirements shall be forwarded to you/assignor and the proposed assignee. You/assignor shall obtain a written cost estimate from reputable contractors to complete the Remodeling Requirements and such cost estimate shall be provided to us and the proposed assignee. Completion of the Remodeling Requirements shall be your responsibility and shall be a condition of our final consent to a transfer contemplated in this Section. Funding for the Remodeling Requirements shall be the subject of negotiation and agreement by and between you/assignor and the proposed assignee. The Remodeling Requirements shall be contemplated prior to the proposed transfer, unless otherwise agreed to between us and you.

4. We shall not be obligated to consider giving our consent to any such transfer unless you have requested such consent in writing and have provided to us at least thirty (30) days in advance of the proposed transfer: your current financial statements; such other information (on such forms or via such systems that we require) including, but not limited to, the proposed sales price and terms of payment (including any and all applicable letters of intent, term sheets, purchase and sale contracts, and other relevant documents and information pertaining to the transfer); an application for a franchise completed by the proposed transferee (buyer) including personal financial statements of such proposed transferee (buyer); the cost estimate of the Remodeling Requirements, and the opportunity to conduct an in-person interview with such proposed transferee (buyer).

5. The transfer fee may be refunded only if we have not yet issued the consent-to-transfer, and you and the buyer cancel the transfer. However, if the consent-to-transfer has already been issued, and (i) you and/or the buyer cancel the transfer, or (ii) we cancel the transfer because you and the buyer failed to complete the transfer within sixty (60) days after you received the consent-to-transfer, we will not refund any portion of the transfer fee. If you and the

buyer desire to reactivate a transfer cancelled under these circumstances, and we approve, the parties must repay the full transfer fee.

D. Franchisor Right of First Refusal. If you or your owners shall obtain a bona fide, executed written offer from a responsible and fully disclosed purchaser in respect of a proposed transfer, including the purchase of an interest in this Agreement, the Restaurant or an ownership interest in you, you shall submit an exact copy of such offer to us, along with any other information that we may reasonably request. We shall have the right, exercisable by written notice delivered to you or your owners within thirty (30) days from the date of delivery of an exact copy of such offer and all reasonably requested information to us, to purchase such interest for the price and on the terms and conditions contained in such offer, provided that we shall be entitled to customary warranties, closing documents and post-closing indemnifications, may substitute cash for any other form of payment proposed in such offer and shall have not less than sixty (60) days to prepare for closing. If we do not exercise our right of first refusal, you or your owners may complete the sale to such purchaser pursuant to and on the terms of such offer, subject to our written approval of the purchaser as provided in sub-sections B and C of this Section; provided that if the sale to such purchaser is not completed within one hundred twenty (120) days after delivery of such offer to us, or if there is a material change in the terms of the sale, we shall again have the right of first refusal herein provided.

E. Death or Disability of Franchisee. Upon your death or permanent disability or, if you are a corporation, limited liability company or partnership, the owner of fifty percent (50%) or more of the partnership interest, equity or voting control of you, the executor, administrator, conservator or other personal representative of such person shall assign this Agreement or such interest in you to a third party approved in writing by us. Such disposition of such interest in you shall be completed within a reasonable time, not to exceed twelve (12) months from the date of death or permanent disability, and shall be subject to all the terms and conditions applicable to assignments contained in sub-sections B and C of this Section and elsewhere in this Agreement; *except that*, where the assignee is an heir, devisee, legatee or next of kin or immediate family, the assignee shall assume this Agreement and any ancillary agreements, and shall not be required to execute our then-current form of franchise agreement and ancillary agreements, and shall ~~not be required to pay the a reduced~~ transfer fee of \$200. Failure to so dispose of this Agreement or such interest in you within said period of time shall constitute a breach of this Agreement. Pending disposition, we shall have the right to approve the management of the Restaurant owned by you. References to "immediate family" as used in this Agreement shall mean parents, spouses, children and siblings, and the parents, children and siblings of spouses.

F. Effect of Consent to Assignment. Our consent to a transfer, including an assignment of this Agreement or any interest subject to the restrictions of this Section shall not constitute a waiver of any claims we may have against the assignor, nor shall it be deemed a waiver of our right to demand exact compliance with any of the terms or conditions of this Agreement by the assignee or by the assignor.

19. Covenants.

A. We have entered into this Agreement with you on the condition that you will deal exclusively with us. You acknowledge and agree that we would be unable to encourage a free exchange of ideas and information among franchisees and us if franchisees were permitted to hold interests in any Competitive Businesses. You therefore agree that neither you nor your owners will have any direct or indirect Association with a Competitive Business during the Term, in accordance with the definitions and provisions below, unless we allow otherwise in writing.

B. You further covenant that during the Term, you shall not divert or attempt to divert any business of or any customers of the Restaurant to any Competitive Business, by direct or indirect

inducement or otherwise, or do or perform directly or indirectly, any other act injurious or prejudicial to the goodwill associated with our Marks and the System, or in any way negligently or intentionally interfere with our business or our prospective business.

C. Upon termination of this Agreement by us in accordance with its terms and conditions or by you without cause or upon expiration of this Agreement, you and your owners agree that, for a period of one (1) year commencing on the effective date of termination or expiration or the date on which you and your owners begin to comply with this Section, whichever is later, neither you nor your owners nor any member of such owner's or owners' immediate families shall have any direct or indirect Association with a Competitive Business within a three (3) mile radius of the Approved Location or any Subway® Restaurant in operation or under construction as of the termination or expiration date or the date on which you and your owners begin to comply with this Section, except in connection with the operation of Subway® Restaurants under franchise agreements with us. The restrictions of this sub-section shall not be applicable to the ownership of shares of a class of securities listed on a stock exchange or traded on the over-the-counter market that represent two percent (2%) or less of the number of shares of that class of securities issued and outstanding. You (and your owners) expressly acknowledge that you (and they) possess skills and abilities of a general nature and have other opportunities for exploiting such skills. You further acknowledge and agree that the terms of the covenant are reasonable in scope, geography and time. Consequently, enforcement of the covenants made in this Section will not deprive you (or them) of your (or their) personal goodwill or ability to earn a living. To the extent that this sub-section is deemed unenforceable by virtue of its scope in terms of area or length of time, but may be made enforceable by reduction of either or both thereof, you and we agree that the same shall be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction in which enforcement is sought.

D. For each unauthorized Association with a Competitive Business in violation of this Section, you agree to pay us Fifteen Thousand Dollars (\$15,000.00) plus eight percent (8%) of its gross sales (using the definition for calculating Royalty Fees in this Agreement), as being a reasonable pre-estimate of the damages we will suffer. For each Competitive Business location for which we are unable to verify gross sales in a timely manner, you will pay us a sum of One Hundred Thousand Dollars (\$100,000.00) and an additional One Hundred Thousand Dollars (\$100,000.00) for each subsequent year the Competitive Business operates during the Term. You acknowledge and agree that the payment of such sum(s) is a good faith pre-estimate of our damages from the loss of Royalty Fees and Advertising Contributions, and not a penalty. You further agree that the payment of these sums would be insufficient to fully compensate us, and that damages from such competition would be difficult to calculate. Accordingly, you stipulate that any breach of this Section 19 would irreparably harm us, and that, notwithstanding the payment requirements herein, we have a right to injunctive relief to enforce the provisions of Section 19.

E. As used in this Agreement:

1. **“Competitive Business”** means any business that operates, manages, franchises or licenses restaurants or stores that derive more than twenty percent (20%) of its total gross revenue from the sale of any type of sandwiches on any type of bread, including but not limited to sub rolls and other bread rolls, sliced bread, pita bread, flat bread, and wraps, whether for on or off-premises consumption, or via delivery or catering. The word “sandwiches” as used in the previous sentence does not include hamburgers, hot dogs, burritos, or fried chicken sandwiches, and full-service restaurants where customers are served by waitstaff and pay after eating, and Subway® Restaurants operated under franchise agreements with us, are not Competitive Businesses. Examples (without limitation) of Competitive Businesses as of the Agreement Date are the following chain restaurants: D’Angelo Grilled Sandwiches, Jersey Mike’s Subs, Jimmy John’s, Firehouse Subs, Potbelly, Togo’s, Which Wich Superior Sandwiches, Charley’s Philly

Steaks, Penn Station East Coast Subs, McAlister's Deli, Pita Pit, Schlotzky's, Cousin's Subs, Capriotti's, Quiznos, Jon Smith Subs, Erbert & Gerbert's, Lenny's Grill & Subs, PrimoHoagies, Tubby's Sub Shop, Blimpie's, Super Sandwich, Nardelli's, DiBella's, Deli Delicious, Groucho's Deli, CHēBA Hut, Steak Escape, Miami Grill, Goodcents Deli Fresh Subs, and Great Wraps.

2. **“Association with a Competitive Business”** means: 1) having any ownership interest in or serving as director, officer, employee or other representative of a Competitive Business; 2) advising or providing services, on a fee or no fee basis, to any individual or entity engaging in a Competitive Business in a manner which imparts your knowledge of the System; 3) loaning or otherwise providing money, inventory, equipment or supplies to any individual or entity operating a Competitive Business; or 4) leasing, licensing or otherwise granting access to, or the right to use, the property you control to anyone for the operation of a Competitive Business. Association with a Competitive Business does not include your ownership of outstanding securities of any corporation whose securities are publicly held and traded, provided that said securities are held by you for investment purposes only and that your total holdings do not constitute more than two percent (2%) of the outstanding securities of said corporation.

F. We shall have the right to require all of your personnel performing managerial or supervisory functions, all personnel receiving special training from us and all other personnel with access to confidential information to execute similar covenants in a form satisfactory to us.

G. You specifically acknowledge that, pursuant to this Agreement, you will receive valuable training and confidential information, including, without limitation, information regarding our promotional, operational, sales, and marketing methods and techniques and those of the System. You covenant that you will maintain the absolute confidentiality of all such proprietary information during and after the Term and that you will not use any such information in any other business or in any manner not specifically authorized or approved in writing by us.

H. Unless we approve such an arrangement in advance and in writing, you agree that you will not enter into any agreement with any other entity, or with any individual who is not an approved owner of you or named as a franchisee in this Agreement, for such other entity or individual to manage or operate the Restaurant or receive the right to profits and losses of the Restaurant.

I. Throughout the Term, you will promptly and in writing disclose to us information regarding all individuals who (i) contribute or loan money toward the purchase or operation of the Restaurant; (ii) have any direct or indirect ownership interest in any assets of the Restaurant; or (iii) are a co-borrower, co-signer or guarantor of a loan (the **“Investors”**). You will promptly provide us with documentation related to any such Investors, including but not limited to promissory notes, loan agreements, shareholders agreements, management agreements, financial statements, articles or certificates of incorporation or organization, or other entity establishment documents, tax forms, or any other instruments which document the investment.

20. **Relationship of the Parties/Indemnification.**

A. It is understood and agreed by the parties hereto that this Agreement does not create a fiduciary relationship between them, that the parties are independent contractors and that nothing in this Agreement is intended to make either party an agent, subsidiary, joint venturer, partner, employee or servant of the other for any purpose.

B. You shall conspicuously identify yourself at the Premises and in all dealings with franchisees, prospective franchisees, landlords, contractors, suppliers, public officials and others as the

owner of your own business under a franchise agreement with us, and you shall place such other notices of independent ownership on such signs, forms, stationery, advertising and other materials, and in such places and in such form, as we may require from time to time.

C. You shall not employ any Mark in signing any contract, lease, mortgage, check, purchase agreement, negotiable instrument or other legal obligation, or in any other manner, without our prior written consent, or employ any Mark in a manner that is likely to result in our liability for any indebtedness or obligation of you.

D. Neither we nor you shall make any express or implied agreements, guaranties or representations, or incur any debt, in the name of or on behalf of the other or represent that their relationship is other than franchisor and franchisee, and neither we nor you shall be obligated by or have any liability under any agreements or representations made by the other that are not expressly authorized hereunder, nor shall we be obligated for any damages to any person or property directly or indirectly arising out of the operation of the business, whether or not caused by your negligent or willful action or failure to act.

E. You acknowledge and agree that you are solely responsible for all decisions relating to employees, agents, and independent contractors that you may hire to assist in the operation of the Restaurant. You agree that any employee, agent or independent contractor that you hire will be your employee, agent or independent contractor, and not our employee, agent or independent contractor. You also agree that you are exclusively responsible for the terms and conditions of employment of your employees, including recruiting, hiring, firing, training, compensation, work hours and schedules, work assignments, safety and security, discipline, and supervision. You agree to manage the employment functions of your Restaurant in full compliance with federal, state, and local employment laws.

F. You agree, at your sole cost and at all times, to indemnify and hold us and our subsidiaries and affiliates, together with each of their respective owners, directors, officers, employees, agents and assignees, harmless against, and to reimburse them for, any loss, liability, taxes or damages (actual or consequential) and all reasonable costs and expenses (including, without limitation, reasonable accountants', attorneys' and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses and travel and living expenses incurred in connection with any judicial, administrative or other action or proceeding (including bankruptcy, insolvency, debtor/creditor or similar proceedings), suit, claim, demand, investigation, or formal or informal inquiry, regardless of whether any of the foregoing is reduced to judgment) that any of them may suffer, sustain or incur by reason of defending any claim brought against any of them or any action in which any of them is named as a party that arises from or is related to your operation of the Restaurant or your activities related thereto or your activities under this Agreement. We and each such other indemnified party may, in our discretion and at your expense, control the defense of any claim against us or an indemnified party (including choosing and retaining our own legal counsel), agree to settlements of claims against us or an indemnified party, and take any other remedial, corrective, or other actions in response to such claims. This indemnity shall continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement.

21. **Insurance.**

A. During the Term, you must maintain in force at your sole expense property coverage, comprehensive general liability coverage (including products and completed operations), worker's compensation, business auto liability, and other types of insurance we require in the Confidential Operations Manual or as otherwise set forth in writing, including without limitation insurance required by the Sublease (or other approved lease agreement) and state law. You must purchase your business

insurance from a source designated under our Gold Standard Insurance Program or any subsequent insurance program of ours, unless we allow otherwise in writing. All insurance policies must contain the minimum coverage we prescribe from time to time in the Confidential Operations Manual or otherwise in writing and must have deductibles not to exceed the amounts we specify. We may periodically increase the amounts of coverage required under these insurance policies and/or require different or additional insurance coverages (including reasonable excess liability insurance) at any time to reflect inflation, identification of new risks, changes in law or standards of liability, higher damage awards or other relevant changes in circumstances, and you agree to comply with any changes to our insurance requirements promptly and at your sole expense. These insurance policies must be purchased from an insurance company satisfactory to us and each liability coverage policy must name us, our affiliates (including without limitation SFAFT), and our and their respective officers, directors, shareholders, employees and agents, as well as (if applicable) your BD and landlord (collectively, the “**Additional Insureds**”) as additional insureds, with primary non-contributory coverage, using a form of endorsement that we have approved. If available from the insurer, all insurance policies must provide for thirty (30) days’ prior written notice to us of a policy’s material modification, cancellation or expiration. Each insurance policy must contain a waiver of all subrogation rights against us, our affiliates and their successors and assigns. You routinely (at all times we require in our business judgment) must furnish us copies of your Certificates of Insurance or other evidence of your maintaining all then-required insurance coverage and the payment of all premiums. If you fail or refuse to obtain and maintain the insurance we specify, in addition to our other remedies including without limitation termination, we may (but need not) obtain such insurance for you and the Restaurant on your behalf, in which event you shall cooperate with us and reimburse us for all premiums, costs and expenses we incur in obtaining and maintaining the insurance, plus a reasonable fee for our time incurred in obtaining such insurance.

B. Our requirements for minimum insurance coverage are not representations or warranties of any kind that such coverage is sufficient for the Restaurant. Such requirements represent only the minimum coverage that we deem acceptable to protect our interests. It is your sole responsibility to obtain insurance coverage for the Restaurant that you deem appropriate, based on your own independent inquiry. We are not responsible for losses sustained by you that exceed or fall outside of the insurance coverage under any circumstances. For the avoidance of doubt, the indemnification obligations contained in Section 20 will not be relieved by any insurance you carry.

22. **Default and Termination.**

A. If you believe that we are in default under this Agreement, you must give us written notice within ninety (90) days of the start of the default. The notice must clearly state each act or omission constituting the default. If we do not cure the default to your satisfaction within sixty (60) days after we receive your notice, you may give us notice that an arbitrable dispute exists.

B. This Agreement shall terminate automatically upon delivery of notice of termination to you, if you or any of your owners, officers, or key employees:

1. Fail(s) to develop, decorate, equip or open the Restaurant within the time period required by, or fail(s) to satisfactorily complete the training program as provided in, this Agreement;

2. Have/has made any material misrepresentation or omission in your, his or her application for the franchise or in any report, claim, request for reimbursement, impact survey or other similar document submitted to us;

3. Are/is convicted of or plead(s) no contest to: (i) a felony; or (ii) another crime or offense that is likely to adversely affect your reputation or the reputation of the System;

4. Make(s) any unauthorized use, disclosure or duplication of any portion of the Confidential Operations Manual or duplicate(s) or disclose(s) or make(s) any unauthorized use of any trade secret or Confidential Information provided to you by us;

5. Abandon(s) or fail(s) or refuse(s) to actively operate the Restaurant for two (2) business days in any twelve (12) consecutive month period, unless the Restaurant has been closed for a purpose approved by us or due to an act of God, or fail(s) to relocate to an approved premises within an approved period of time following expiration or termination of the Lease for the Premises;

6. Surrender(s) or transfer(s) control of the operation of the Restaurant, make(s) an unauthorized direct or indirect assignment of the franchise or an ownership interest in you or fail(s) or refuse(s) to assign the franchise or the interest in you of a deceased or disabled controlling owner thereof as herein required;

7. Submit(s) to us at any time during the Term any reports or other data, information or supporting records which understate by more than three percent (3%) the Royalty Fee for any period of, or periods aggregating, three (3) or more weeks, and you are unable to demonstrate that such understatements resulted from inadvertent error;

8. Become(s) insolvent, is adjudicated as bankrupt or insolvent; all or a substantial portion of your assets are assigned to or for the benefit of any creditor or creditors; a petition in bankruptcy is filed by or against you and is not immediately contested and thereafter dismissed or vacated within sixty (60) days from filing; you admit in writing your inability to pay your debts when due; you cause, permit or acquiesce in an order for relief under the U.S. Bankruptcy Code or any other applicable federal or state bankruptcy, insolvency, reorganization, receivership or other similar law now or hereafter in effect, or consent to the entry for an order for relief in an involuntary proceeding or to the conversion of an involuntary proceeding to a voluntary proceeding, under any such law; a bill in equity or other proceeding for the appointment of a receiver or other custodian of you or your assets is filed and consented to; a receiver or other custodian (permanent or temporary) of all or part of your assets or property is appointed by any court of competent jurisdiction; proceedings for a composition with creditors under any federal or state law are instituted by or against you; you are dissolved or liquidated; execution is levied against you and/or your property; your property is sold after levy thereon by any governmental body or agency, sheriff, marshal or other person authorized under federal, state and/or local law; a final court judgment against you remains unsatisfied or of record for thirty (30) days or longer (unless supersedeas bond is filed); a judicial or non-judicial action to foreclose any lien or mortgage against any of your assets is instituted against you and is not dismissed or settled by the earlier of (i) thirty (30) days from commencement or (ii) consummation of such sale; or your governing body adopts any resolution or otherwise authorizes action to approve any of the foregoing activities (each such event, a “**Bankruptcy Event**”);

9. Materially misuse(s) or make(s) an unauthorized use of any Marks or commit any act which can reasonably be expected to materially impair the goodwill associated with any Marks;

10. Fail(s) on three (3) or more separate occasions within any twelve (12) consecutive month period to comply with this Agreement, whether or not we notify you (or your

owners, officers, or key employees) of the failures and, if such notification is given, whether or not those failures are corrected after we deliver written notice to you (or your owners, officers, or key employees); or fail(s) on two (2) or more separate occasions within any six (6) consecutive month period to comply with the same obligation under this Agreement, whether or not we notify you (or your owners, officers, or key employees) of the failures and, if such notification is given, whether or not those failures are corrected after we deliver written notice to you (or your owners, officers, or key employees);

11. Violate(s) any health, safety or sanitation law, ordinance or regulation or operate(s) the Restaurant in a manner that presents a health or safety hazard to your customers or the public and do(es) not begin to cure the violation immediately and correct the violation within seventy two (72) hours after receiving notice of such violation from us or any other party, regardless of any longer period of time that any governmental authority or agency may have given you to cure such violation;

12. Create(s) or allow(s) to exist any condition in or at the Restaurant, or in connection with the operation of the Restaurant, that we determine to present an immediate health or safety concern for the Restaurant customers or employees;

13. Fail(s) to pay any third-party, including the landlord of the Premises, any amounts owed in connection with the Restaurant when due, and you do not cure such failure within any applicable cure period granted by such third-party; or

14. Engage(s) in any dishonest or unethical conduct which, in our judgment, is reasonably likely to have an adverse effect on the System, the Marks, the goodwill associated therewith, or our interest therein.

C. This Agreement shall terminate upon written notice to you if (for the avoidance of doubt, the cure periods contained below in this sub-section C do not apply to sub-section B above):

1. You or any of your owners fail(s) or refuse(s) to make payments of any amounts due to us or our affiliates for Royalty Fees, Advertising Contributions, rents or other obligations owed to us under any lease, purchases from us, our affiliates, suppliers, or vendors, or any other amounts due to us or our affiliates, and do(es) not correct such failure or refusal within ten (10) days after written notice of such failure is delivered to you;

2. You or any of your affiliates or owners fail(s) to comply with any other agreement with us or one of our affiliates and do(es) not correct such failure within the applicable time or cure period, if any (if no such time or cure period is specified, then 30 days); or

3. You or any of your owners fail(s) or refuse(s) to comply with any other provision of this Agreement, or any specification, standard or operating procedure prescribed in the Confidential Operations Manual or otherwise in writing by us, and do(es) not correct such failure within thirty (30) days (or provide(s) proof acceptable to us that you, he or she has made all reasonable efforts to correct such failure and will continue to make all reasonable efforts to cure until a cure is effected if such failure cannot reasonably be corrected within 30 days) after written notice of such failure to comply is delivered to you.

D. To the extent that the provisions of this Agreement provide for periods of notice less than those required by applicable law, or provide for termination, cancellation, non-renewal or the like other than in accordance with applicable law, such provisions shall, to the extent such are not in accordance

with applicable law, not be effective, and we shall comply with applicable law in connection with each of these matters.

E. In addition to our right to terminate this Agreement, and not in lieu of such right or any other rights against you, we, in the event that you shall not have cured a default under this Agreement within the applicable cure period, may, at our option, enter upon the Premises and exercise complete authority with respect to the operation of the Restaurant until such time as we determine that your default has been cured and that there is compliance with the requirements of this Agreement. You specifically agree that a designated representative of us may take over, control, and operate the Restaurant, and that you shall pay us a service fee of not less than Five Hundred Dollars (\$500.00) per day plus all travel expenses, room and board and other expenses reasonably incurred by such representative so long as it shall be required by the representative to enforce compliance herewith. You further agree that if, as herein provided, we temporarily operate the Restaurant for you, you agree to indemnify and hold us harmless and any of our representatives who may act hereunder, respecting any and all acts and omissions which we may perform, or fail to perform as regards your interests or those of third parties.

F. If this Agreement is terminated because of your default, or if it is terminated by you prior to its expiration without cause, the parties agree that it would be difficult if not impossible to determine the amount of damages that we would suffer due to the loss or interruption of the revenue stream we otherwise would have derived from your continued payment of Royalty Fees and that SFAFT, the System or other marketing fund(s) would have otherwise derived from your continued payment of Advertising Contributions, less any cost savings, through the remainder of the Term until the scheduled expiration date (“**Damages**”). Therefore, the parties agree that a reasonable estimate of the Damages is, and you agree to pay us as compensation for the Damages, an amount equal to the then net present value of the Royalty Fees and Advertising Contributions that would have become due from the date of termination to the third-year anniversary of the date of termination. For this purpose, Damages shall be calculated based on Gross Sales of the Restaurant for the most recent twelve (12) consecutive month period that the Restaurant operated. If you have not operated the Restaurant for at least twelve (12) consecutive months preceding the termination date, Damages will be calculated based on the average monthly Gross Sales of all Subway® Restaurants in the United States during our last fiscal year. You and we agree that the calculation described in this Section is a calculation only of the Damages and that nothing herein shall preclude or limit us from proving and recovering any other damages caused by your breach of the Agreement.

G. Notwithstanding anything herein to the contrary and for avoidance of doubt, for all purposes in connection with a Bankruptcy Event, the amount necessary to “cure” any default under this Agreement for purposes of 11 U.S.C. §365 (or similar provision) shall include but not be limited to any amounts due and owing by you to us or our affiliates for Royalty Fees, Advertising Contributions, rents or other obligations owed to us under any lease, purchases from us, our affiliates, suppliers, or vendors, or any other amounts due to us or our affiliates.

23. **Post-Term Rights and Duties.** Upon termination or expiration, this Agreement and all rights granted hereunder to you shall forthwith terminate, and:

A. You shall immediately cease to operate the Restaurant under this Agreement, and shall not thereafter, directly or indirectly, represent to the public or hold yourself out as a present or former franchisee of us.

B. You shall cancel any permits, licenses, registrations, certifications or other consents required for leasing, constructing, or operating the Restaurant. If you fail to do so within a reasonable time, we are authorized to cancel them for you.

C. Upon our demand, you shall assign to us your interest in any lease then in effect for the Premises and you shall furnish us with evidence satisfactory to us of compliance with this obligation within thirty (30) days after termination or expiration of this Agreement.

D. You shall immediately and permanently cease to use, by advertising or in any manner whatsoever: any confidential methods, procedures and techniques associated with the System; and the Marks and distinctive forms, slogans, signs, symbols, logos, and devices associated with the System. In particular, you shall cease to use, without limitation, all signs, advertising materials, stationery, forms, and any other articles that display the Marks.

E. You shall take such action as may be necessary to assign to us or our designee any assumed name rights or equivalent registration filed with state, city, or county authorities that contain(s) the name "Subway®", any derivation thereof, or any other service mark or trademark of the System, and you shall furnish us with evidence satisfactory to us of compliance with this obligation within thirty (30) days after termination or expiration of this Agreement.

F. You agree, in the event you continue to operate or subsequently begin to operate any other business, not to use any reproduction, counterfeit, copy or colorable imitation of the Marks either in connection with such other business or the promotion thereof, which is likely to cause confusion, mistake or deception, or which is likely to dilute our exclusive rights in and to the Marks and further agree not to utilize any designation of origin or description or representation that falsely suggests or represents an association or connection with us so as to constitute unfair competition.

G. Except as expressly provided herein, you must obtain our written approval prior to closing the Restaurant and removing any signage, fixtures, or other leasehold improvements from the Restaurant, or otherwise de-identifying the Restaurant as a Subway® Restaurant. We will have the right, at your cost, to reinstall any signage, fixtures or other leasehold improvements removed from the Restaurant without our written consent. If we approve the closure of the Restaurant in writing, or if you fail to obtain our approval to close the Restaurant and we subsequently determine the Restaurant should be closed, you must change the appearance of the Restaurant, to the extent we require, so it will no longer be identified as a Subway® Restaurant within fourteen (14) days of the date we issue our written approval or provide notice to you of our decision for the Restaurant to close.

H. If your leasehold interest in the Premises is not a Sublease with us, you are responsible for obtaining a termination and mutual release of such lease from the landlord for us or our affiliate(s). You are responsible for all costs associated with obtaining the termination and mutual release, including but not limited to any amounts owed to the landlord.

I. You shall promptly pay all sums owing to us. In the event of termination for any default of yours or termination without cause by you, such sums shall include all damages (which may include lost future Royalty Fees), costs, and expenses, including reasonable attorneys' fees, incurred by us as a result of the default.

J. You shall pay to us all damages, costs and expenses, including reasonable attorneys' fees, incurred by us subsequent to the termination or expiration of the franchise herein granted in obtaining injunctive or other relief for the enforcement of any provisions of this Section or Section 19.

K. You shall immediately turn over to us all manuals, including the Confidential Operations Manual, customer lists, records, files, instructions, brochures, agreements, disclosure statements, and any and all other materials provided by us to you or which contain our Confidential Information relating to the operation of the Restaurant (all of which you acknowledge to be our property).

L. We shall have the right, title and interest to the menu board and any sign or sign faces bearing the Marks. You hereby acknowledge our right to access the Premises should we elect to take possession of any said menu board, sign or sign faces bearing the Marks.

M. We shall have the right (but not the duty), to be exercised by notice of intent to do so within thirty (30) days after termination or expiration, to purchase for cash any or all equipment, supplies, and other inventory, advertising materials, all items bearing the Marks, and the assets of any commissary, bakery, ghost kitchen or related facility owned by you, at fair market value. If the parties cannot agree on fair market value within a reasonable time, an independent appraiser acceptable to you and us shall be designated by us, and her/his determination shall be binding. In determining fair market value, the parties shall not take into consideration the goodwill associated with the Marks. If we elect to exercise any option to purchase herein provided, we shall have the right to set off all amounts due from you under this Agreement or any other agreements between you or your affiliate and us or our affiliate, and the cost of the appraisal, if any, against any payment therefor.

N. You hereby acknowledge that all telephone numbers, internet addresses, and domain names used in the operation of the Restaurant constitute assets of the Restaurant and will be used solely to identify the Restaurant in accordance with this Agreement; and upon termination or expiration of this Agreement you shall promptly assign to us or our designee, all of your right, title, and interest in and to your telephone numbers, internet addresses, and domain names and shall promptly notify the telephone company or domain registrar, as applicable, and all listing agencies of the termination or expiration of your right to use any telephone numbers, internet addresses, and domain names and any regular, classified or other telephone or website directory listing associated with the Marks and to authorize a transfer of same to us at our direction.

O. You shall immediately (i) cease using or operating any Online Presence (including without limitation any social media account) related to the Restaurant or the Marks, and (ii) take any action as may be required to disable such Online Presence (including without limitation any social media account), or transfer exclusive control and access of such Online Presence (including without limitation any social media Account) to us, as we determine in our sole discretion.

P. You shall comply with the covenants contained in Section 19 of this Agreement.

Q. You shall comply with all other System Standards we periodically establish (and all applicable law) in connection with the closure and de-identification of the Restaurant, including as relates to disposing of Personal Information, in any form, in your possession or the possession of your employees.

R. If you continue using the System or the Marks after termination or expiration of this Agreement in violation of this Agreement, you will pay us Two Hundred Fifty Dollars (\$250.00) per day for each day you are in default, as a reasonable pre-estimate of the damages. Notwithstanding same, you stipulate that damages from your continued use of the System or the Marks post-termination would result in irreparable harm to us that could not adequately be compensated for by a money judgment. Therefore, you stipulate to our right to injunctive relief in the event of any such post-termination continued use of the System or Marks and as otherwise provided in Section 24.B.

24. **Miscellaneous.**

A. **Security Interest.** As security for the performance of your obligations under this Agreement, including payments owed to us for purchase by you, you grant us a security interest in all of the assets of the Restaurant, including but not limited to inventory, fixtures, furniture, equipment, accounts, customer lists, supplies, contracts, cash derived from the operation of the Restaurant and sale of other assets, and proceeds and products of all those assets. You agree to execute such other documents as we may reasonably request in order to further document, perfect and record our security interest. If you default in any of your obligations under this Agreement, we may exercise all rights of a secured creditor granted to us by law, in addition to our other rights under this Agreement and at law. If a third-party lender requires that we subordinate our security interest in the assets of the Restaurant as a condition to lending you working capital for the operation of the Restaurant, we will agree to subordinate only pursuant to a subordination agreement or inter-creditor agreement with such lender that we approve in our reasonable discretion.

B. **Injunctive Relief.** We may enforce by judicial process any provision of this Agreement, including our right to terminate this Agreement. You and your affiliates, officers, directors, employees, and owners agree to entry without bond of temporary, preliminary and permanent injunctions and orders of specific performance enforcing any of the provisions of this Agreement. If we secure any such injunctions or order of specific performance, you further agree to pay to us an amount equal to the aggregate of our costs of obtaining any such relief including, without limitation, reasonable attorneys' fees, costs of investigation and proof of facts, court costs, other litigation expenses and travel and living expenses, and any damages incurred by us as a result of any breach. You agree that we may seek such relief from any court of competent jurisdiction in addition to such further or other relief as may be available to us at law or in equity.

C. **Severability and Substitution of Valid Provisions.** All provisions of this Agreement are severable, and this Agreement shall be interpreted and enforced as if all completely invalid or unenforceable provisions were not contained herein and partially valid and enforceable provisions shall be enforced to the extent valid and enforceable. To the extent that any covenant restricting ownership of a Competitive Business herein is deemed unenforceable by virtue of its scope in terms of area or length of time, but may be made enforceable by reductions of either or both thereof, you and we agree that same shall be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction in which enforcement is sought. If any applicable and binding law or rule of any jurisdiction requires a greater prior notice of the termination of or refusal to renew this Agreement than is required hereunder or the taking of some other action not required hereunder, or if under any applicable and binding law or rule of any jurisdiction, any provision of this Agreement or any specification, standard or operating procedure prescribed by us is invalid or unenforceable, the prior notice and/or other action required by such law or rule shall be substituted for the notice requirements hereof, or such invalid or unenforceable provision, specification, standard or operating procedure shall be modified to the extent required to be valid and enforceable. Such modifications to this Agreement shall be effective only in such jurisdiction and shall be enforced as originally made and entered into in all other jurisdictions.

D. **Waiver of Obligations.** You and we may by written instrument only unilaterally waive any obligation of or restriction upon the other under this Agreement. No acceptance by us of any payment by you or any other person or entity and no failure, refusal or neglect of us or you to exercise any right under this Agreement or to insist upon full compliance by the other with its obligations hereunder, including without limitation, any mandatory specification, standard or operating procedure, shall constitute a waiver of any provision of this Agreement.

E. **Franchisee May Not Withhold Payments Due Franchisor.** You agree that you will not withhold payment of any amounts owed to us, on grounds of the alleged nonperformance by us of any of our obligations hereunder.

F. **Rights of Parties are Cumulative.** Your and our rights hereunder are cumulative and no exercise or enforcement by you or us of any right or remedy hereunder shall preclude the exercise or enforcement by you or us of any other right or remedy hereunder or which you or us is entitled by law to enforce.

G. **Waiver of Punitive, Exemplary and Consequential Damages and Jury Trial.** EXCEPT FOR YOUR OBLIGATION TO INDEMNIFY US FOR THIRD PARTY CLAIMS UNDER SECTION 20, YOU AND WE HEREBY WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT TO OR CLAIM FOR ANY PUNITIVE, EXEMPLARY OR CONSEQUENTIAL DAMAGES AGAINST THE OTHER AND AGREE THAT IN THE EVENT OF ANY DISPUTE BETWEEN US WE EACH SHALL BE LIMITED TO THE RECOVERY OF ANY ACTUAL DAMAGES SUSTAINED. YOU AND WE IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION OR PROCEEDING BROUGHT BY US OR YOU.

H. **Limitation of Claims and Certain Damages; Class Action Bar.**

1. Except for claims arising from your non-payment or underpayment of amounts you owe us, any and all claims arising out of or relating to this Agreement or the relationship between you and us will be barred unless an action or proceeding is commenced in accordance with this Agreement within one (1) year from the date the party asserting the claim knew or should have known of the facts giving rise to such claims.

2. If the landlord terminates the lease for the Restaurant and an arbitrator or court determines you did not breach the Sublease and it was our or our affiliate's fault the landlord terminated the lease, our obligation to you will be limited to the original cost of your leasehold improvements, less depreciation based on a five (5) year life under the straight-line method. We will pay you when you reopen the Restaurant in a new location. If the arbitrator or court determines you breached the Sublease or it was not our or our affiliate's fault the landlord terminated the lease, we and our affiliate will have no obligation to you for termination of the lease.

3. You and we agree that any proceeding will be conducted on an individual basis, and that any proceeding between us (or any of our affiliates) and you or your owners may not be: (i) conducted on a class-wide basis or as a collective action, (ii) consolidated with another proceeding between us and any other person or entity, nor may any claims of another party or parties be joined with any claims asserted in any action or proceeding between you and us, (iii) joined with any claim of an unaffiliated third-party, or (iv) brought on your behalf by any association or agency. No previous course of dealing shall be admissible to explain, modify, or contradict the terms of this Agreement. No implied covenant of good faith and fair dealing shall be used to alter the express terms of this Agreement.

I. **Costs and Attorneys' Fees.** If either party initiates a judicial or other proceeding, the party prevailing in such proceeding shall be entitled to reimbursement of its costs and expenses, including reasonable attorneys' fees. If we become a party to any action or proceeding commenced or instituted against us by a third party arising out of or relating to any claimed or actual act, error or omission of yours, by virtue of statutory, "vicarious", "principal/agent" or other liabilities asserted against or imposed on us as a result of our status as franchisor, or if we become a party to any litigation or any insolvency

proceeding involving you pursuant to any bankruptcy or insolvency code (including any adversary proceedings in conjunction with bankruptcy or insolvency proceedings), then you will be liable to, and must promptly reimburse us for, the reasonable attorneys' fees, experts' fees, court costs, travel and lodging costs and all other expenses we incur in such action or proceeding regardless of whether such action or proceeding proceeds to judgment. In addition, we will be entitled to add all costs of collection, interest, attorneys' fees and experts' fees to our proof of claim in any insolvency or bankruptcy proceeding you file.

J. Governing Law; Consent to Jurisdiction. This Agreement and the Franchise shall be governed by the internal laws of the state of Florida, without regard to conflict of laws rules, except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. §§ 1051 *et seq.*). The parties agree that any franchise law or business opportunity law of the State of Florida now in effect or adopted or amended after the date of this Agreement will not apply to franchises located outside of Florida. **SUBJECT TO THE ARBITRATION PROVISIONS BELOW, WE AND YOU (AND EACH OWNER) AGREE THAT ALL ACTIONS ARISING UNDER THIS AGREEMENT OR OTHERWISE AS A RESULT OF THE RELATIONSHIP BETWEEN THE PARTIES MUST BE COMMENCED IN THE STATE OR FEDERAL COURT IN OR NEAREST TO WHERE WE THEN HAVE OUR HEADQUARTERS. WE AND YOU (AND EACH OWNER) IRREVOCABLY CONSENT TO THE JURISDICTION OF THOSE COURTS AND WAIVE ANY OBJECTION TO EITHER THE JURISDICTION OF OR VENUE IN THOSE COURTS.**

K. Arbitration.

1. Any dispute, controversy or claim arising out of or relating to this Agreement, the breach thereof, or the business relationship between the parties will be settled by arbitration to be administered by either the American Arbitration Association or its successor ("AAA"). AAA will administer the arbitration in accordance with its administrative rules (including, as applicable, the Commercial Rules of the AAA and the Expedited Procedures of such rules). If AAA is no longer in business, then the parties will mutually agree upon an alternative administrative arbitration agency. If the parties cannot mutually agree, then the parties agree to take the matter to a court of competent jurisdiction to select the agency. Judgment rendered by the arbitrator may be entered in any court having jurisdiction thereof. The costs of the arbitration will be shared equally by the parties, except as otherwise provided in this Agreement. The parties also agree that neither party will pursue class claims or group or collective actions. The parties further agree not to consolidate the arbitration with any other proceedings, except for arbitrations in which you and we are the sole parties. The parties will honor validly served subpoenas, warrants and court orders.

2. The parties further agree that in cases where the amount in controversy is One Million Dollars (\$1,000,000.00) or less the only depositions will be for the sole purpose of preserving testimony. In other cases, the right to, and extent of, any depositions will be determined by agreement of the parties, or by the arbitrator. In all cases any documents exchanged between the parties as part of the discovery process must be returned or destroyed (with proof of destruction) within thirty (30) days of final judgment or dismissal of the arbitration.

3. The parties agree that the city where we then have our headquarters at the time of the commencement of the arbitration will be the site for arbitration. The arbitration shall be held before one (1) arbitrator, who shall be chosen pursuant to the AAA rules for appointment of one (1) arbitrator from the National Roster, except that in the event that either of the parties seeks damages in excess of Ten Million Dollars (\$10,000,000.00), the arbitration shall be held before a

panel of three arbitrators. To compose the panel of three arbitrators, each party shall name one arbitrator within fourteen (14) days of service of the Demand for Arbitration or Counterclaim seeking damages in excess of Ten Million Dollars (\$10,000,000.00). The two chosen arbitrators must perform his or her duties as a neutral, with impartiality and independence, and with diligence and in good faith. The two arbitrators chosen by the parties shall, within thirty (30) days of the appointment of the last arbitrator, appoint the chairperson of the panel from the National Roster provided by the AAA.

4. If you breach the terms of your Sublease, the Sublessor, whether us or our affiliate, may exercise its rights under the Sublease, including your eviction from the Premises. Any action brought by the Sublessor to enforce the Sublease, including actions brought pursuant to any cross-default clause in the Sublease (which provides that a breach of this Agreement is a breach of the Sublease) will not be an arbitrable dispute and will be adjudicated in the courts of the county and state where the Premises is located. Without limitation, any security deposit that is returned to us or our affiliate by the landlord may be applied to any amounts that you owe us under this Agreement. The parties agree that you may seek a stay of any eviction brought under a cross-default clause in the Sublease by filing a demand for arbitration in accordance with this sub-section within thirty (30) days of the Sublessor's commencement of the eviction. The stay shall be lifted upon conclusion of the arbitration, and you may not seek a stay of eviction after the arbitration has concluded. For the avoidance of doubt, you may not seek a stay of any eviction for any other type of default under the Sublease, including without limitation the failure to pay rent or any other amounts due and owing under the Sublease on a timely basis.

5. You may only seek damages or any remedy under law or equity for any arbitrable claim against us or our successors or assigns. You agree our intended beneficiaries of the arbitration clause including our affiliates, shareholders, directors, officers, employees, agents and representatives, and their affiliates, will be neither liable nor named as a party in any arbitration or litigation proceeding commenced by you where the claim arises out of or relates to this Agreement or the business relationship between the parties. If you name a party in any arbitration or litigation proceeding in violation of this sub-section, you will reimburse us for reasonable costs incurred, including but not limited to arbitration fees, court costs, attorneys' fees, management preparation time, witness fees, and travel expenses incurred by us or the party.

6. You acknowledge and agree that your default under this Agreement concerning infringement of intellectual property rights in the Marks or in copyrighted items or disclosure of Confidential Information (together "**Intellectual Property Claims**") may cause irreparable harm to us, our Affiliates and the System as a whole. Notwithstanding the arbitration clause in this sub-section, we or an Affiliate may bring an action in connection with such a default for damages, injunctive relief, or both in any court having jurisdiction.

7. Any disputes concerning the enforceability or scope of the arbitration clause are delegated to the arbitrator for determination, except for Intellectual Property Claims. Any arbitration will be conducted pursuant to the Federal Arbitration Act, 9 U.S.C. §1, et seq. ("**FAA**"), and the parties agree that the FAA preempts any state law restrictions (including the site of the arbitration) on the enforcement of the arbitration clause in this Agreement. If the FAA has been repealed or modified such that it no longer applies to this Agreement, then any disputes shall be resolved in accordance with applicable law governing this Agreement. The parties agree to waive any right to disclaim or contest this pre-dispute arbitration agreement.

8. A party will be in default of this Agreement if it i) commences action in any court in violation of this sub-section prior to an arbitrator's final decision (except as otherwise

allowed by this Agreement, including to compel arbitration), or ii) commences litigation in any forum except where permitted by this sub-section. The defaulting party will also be responsible for the expenses the other party incurs to enforce this sub-section, including but not limited to filing fees, court costs, reasonable attorneys' fees and travel expenses. However, if a court of competent jurisdiction deems the arbitration clause unenforceable after all appeals have been exhausted, the defaulting party will not be responsible for such costs.

9. Subject to federal or state law, if a party defaults under sub-section G, including, but not limited to, making a claim for special, incidental, consequential, punitive, or multiple damages, or damages in excess of the amount permitted, the defaulting party must correct its claim and will be responsible for all expenses incurred by the other party, including attorneys' fees, and will be liable for abuse of process.

10. The parties agree that all statutes of limitations and deadlines provided for in the governing law that is applied to the arbitration shall have full force and effect, unless a shorter limitations period is provided in sub-section H and is enforceable under applicable law.

L. **Binding Effect.** This Agreement is binding upon the parties hereto and their respective heirs, assigns and successors in interest.

M. **Survival.** All of your (and your owners') obligations which expressly or by their nature survive this Agreement's expiration or termination will continue in full force and effect subsequent to and notwithstanding its expiration or termination until they are satisfied in full or by their nature expire.

Notices sent for next business day delivery by nationally recognized courier shall be deemed to be effective on the next business day.

R. **Amendment; Modification.** This Agreement may be modified only by written agreement signed by both you and us. Notwithstanding the foregoing, you acknowledge and agree that we may modify the Confidential Operations Manual and System Standards from time to time, subject to the terms of this Agreement.

S. **Counterparts.** This Agreement may be executed in multiple counterparts, each of which shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. The parties agree that scanned or electronic signatures shall have the same effect and validity, and may be relied upon in the same manner, as original signatures. You acknowledge and agree that any owner of you or any signatory to this Agreement (including any signatory assuming this Agreement) may sign ancillary agreements and accept system initiatives during the Term such as software license agreements and consent to technology programs/initiatives in connection with the operation of the Restaurant, such as remote access to your POS System, with binding effect.

25. **Acknowledgements.** You represent, warrant, agree and acknowledge the following:

OWNER'S GUARANTY AND ASSUMPTION OF FRANCHISEE OBLIGATIONS

In consideration of, and as an inducement to, the execution of the above Franchise Agreement (as amended, modified, restated or supplemented from time to time, the "**Agreement**") by DOCTOR'S ASSOCIATES LLC ("**COMPANY**"), each of the undersigned (each a "**GUARANTOR**", and collectively "**GUARANTORS**") hereby personally and unconditionally (1) guarantees to COMPANY and its affiliates and their successors and assigns, for the term of the Agreement and thereafter as provided in the Agreement, that _____, a _____ ("**Franchisee**") shall punctually pay and perform each and every undertaking, agreement and covenant set forth in the Agreement and (2) agrees personally to be bound by, and personally liable for the breach of, each and every provision in the Agreement.

Each GUARANTOR waives:

1. acceptance and notice of acceptance by COMPANY and its affiliates of the foregoing undertakings;
2. notice of demand for payment of any indebtedness or nonperformance of any obligations hereby guaranteed;
3. protest and notice of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed;
4. any right GUARANTOR may have to require that an action be brought against Franchisee or any other person as a condition of liability;
5. all rights to payments and claims for reimbursement or subrogation which GUARANTOR may have against Franchisee arising as a result of GUARANTOR'S execution of and performance of this Guaranty; and
6. any and all other notices and legal or equitable defenses to which GUARANTOR may be entitled.

Each GUARANTOR consents and agrees that:

1. GUARANTOR'S liability under this guaranty ("**Guaranty**") shall be direct, immediate, and independent of the liability of, and shall be joint and several with, Franchisee and the other owners of Franchisee;
2. Each GUARANTOR that is a business entity, retirement or investment account, or trust acknowledges and agrees that if Franchisee (or any of its affiliates) is delinquent in payment of any amounts guaranteed hereunder, that no dividends or distributions may be made by such GUARANTOR (or on such GUARANTOR'S account) to its owners, accountholders or beneficiaries or otherwise, for so long as such delinquency exists, subject to applicable law;
3. GUARANTOR shall render any payment or performance required under the Agreement

upon demand if Franchisee fails or refuses punctually to do so;

4. COMPANY may proceed against GUARANTOR and Franchisee jointly and severally, or COMPANY may, at its option, proceed against GUARANTOR, without having commenced any action, having obtained any judgment against or having pursued any other remedy against, Franchisee or any other person. GUARANTOR hereby waives the defense of the statute of limitations in any action hereunder or for the collection of any indebtedness or the performance of any obligation hereby guaranteed;

5. Such liability shall not be diminished, relieved or otherwise affected by any extension of time, credit or other indulgence which COMPANY or its affiliates may from time to time grant to Franchisee or to any other person, including, without limitation, the acceptance of any partial payment or performance or the compromise or release of any claims, none of which shall in any way modify or amend this Guaranty, which shall be continuing and irrevocable during the term of the Agreement;

6. This Guaranty will continue unchanged by the occurrence of any Bankruptcy Event (as defined in the Agreement) with respect to Franchisee or any assignee or successor of Franchisee or by any abandonment of the Agreement by a trustee of Franchisee. Neither the GUARANTOR'S obligations to make payment or render performance in accordance with the terms of this Guaranty nor any remedy for enforcement shall be impaired, modified, changed, released or limited in any manner whatsoever by any impairment, modification, change, release or limitation of the liability of Franchisee by virtue of or as a result of any Bankruptcy Event, or from the decision of any court or agency;

7. GUARANTORS shall be bound by the restrictive covenants and confidentiality provisions contained in Sections 9, 15, and 19 of the Agreement and the indemnification provisions contained in Section 20 and elsewhere in the Agreement; and

8. Each GUARANTOR agrees to pay all reasonable attorneys' fees and all costs and other expenses incurred in any collection or attempt to collect amounts due pursuant to this Guaranty or any negotiations relative to the obligations hereby guaranteed or in enforcing this Guaranty against GUARANTOR.

9. Each GUARANTOR agrees that in the event any provision of this Guaranty is held to be overbroad as written, such provision shall be deemed amended to narrow its application to the extent necessary to make the provision enforceable according to applicable law and shall be enforced as amended.

The provisions contained in Section 24.I (Costs and Attorneys' Fees) and Section 24.J (Governing Law; Consent to Jurisdiction), and 24.K (Arbitration) of the Agreement shall govern this Guaranty and any dispute between GUARANTORS and COMPANY, and such provisions are incorporated into this Guaranty by reference.

EXHIBIT A-1
FRANCHISE AGREEMENT RIDER

This Rider (“**Rider**”) dated _____ (the “**Effective Date**”) amends and supplements the Franchise Agreement, including any provisions modified by any other riders or addenda to the Franchise Agreement (the “**Franchise Agreement**”) between Doctor’s Associates LLC, a Florida limited liability company (“**we**”, “**us**” or “**DAL**”), and (“**you**”), a _____

(*please specify type of entity*). The Franchise Agreement, as amended by this Rider, will be called this “**Agreement**”. Any terms used but not otherwise defined in this Rider shall have the meaning given to them in the Franchise Agreement.

Check all circumstances that apply:

____ (1) You are an approved convenience store operator, a food service management company or other company that a) owns, leases or controls the premises where the restaurant will be located, b) provides its own food services, and ~~you meet~~ c) meets our current qualifications regarding number of outlets or net worth; or you are a cooperative, foundation, a qualified non-profit charity, hospital, university, college, other school, or an Indian nation, or governmental agency or entity (“Approved Non-Traditional Entity Franchisee”)

____ (2) You are a Qualified FSP (defined in Part III of this Rider);

____ (3) You are purchasing your franchise for a non-traditional location for which you own, lease or control the premises but you are not an Approved Non-Traditional Entity Franchisee;

____ (4) You are an organization that operates a facility that offers support services within the community and are signing this Agreement to establish a restaurant for the purpose of providing job training to individuals with barriers to employment;

____ (5) You are a school board, school district, municipality, institutional food service provider, or an existing franchisee and are signing this Agreement to establish a restaurant in a school (grades K-12);

____ (6) Due to restrictions in state law, your operation of the Restaurant located in a K-12 School will be managed by _____, who is a Qualified FSP that also operates other Subway® Restaurants as a franchisee under the terms of the Subway® Franchise Agreement. Since without the state law restrictions the FSP would instead be allowed to be the direct operator of the Restaurant, we will allow you to take advantage of the reduction in advertising fee that we would otherwise grant to a Qualified FSP;

____ (7) You are purchasing a franchise for a Restaurant located in a Theme Park, National Park or Airport Terminal, (each defined in Part III of this Rider); and/or

____ (8) You want to operate the Restaurant as a limited Subway® restaurant (sometimes also referred to as the “**Satellite Restaurant**”), at a specific location close to an existing operating Subway® restaurant you own. Your existing operating Subway® restaurant is identified as store number _____, located _____ at _____ (the _____)

“Base Restaurant”). This Agreement for the Satellite Restaurant grants a separate license from the license granted in the Franchise Agreement for the Base Restaurant (the **“Base Restaurant Franchise Agreement”**).

The second sentence of Section 13.A of the Franchise Agreement (starting “If you or your affiliate are an existing . . .”) does not apply to non-traditional locations. Instead, and in addition to the above representations, if you are a current Subway® franchisee, you represent that at least ~~ninetyeighty~~ percent (9080%) of the Subway® Restaurants you operate are in substantial compliance as defined in the Operations Manual.

[Remainder of page intentionally left blank]

Part I – General Non-Traditional Locations

If you checked (1), (2), (3), or (4), above, the following provisions apply to your Franchise Agreement:

- A. References throughout this Agreement to the Restaurant solely apply to the Subway® Restaurant area and not to the rest of the facility you operate in which you establish the Restaurant (the “**Facility**”). This Agreement will only apply to your operation of the Subway® Restaurant and not to your other businesses except to the extent that your other businesses may be in competition with the Restaurant.
- B. You may sell canned drinks, food, and sundry items in other areas of the Facility (as defined below) and revenue from these sales will not be included in gross sales. Coffee sales will only be included in gross sales if coffee is offered in Subway® logoed cups or from behind the Restaurant counter area. Fountain drink sales will be included in accordance with your selection as follows:

Check either i or ii:

- ___ i. You will include all fountain drink sales within the Restaurant area located at the Facility or sold in Subway® logoed cups in gross sales. The Restaurant may either have a separate fountain or may share a common self-service fountain with the rest of the Facility you operate.
- ___ ii. You will include all canned or bottled beverage sales in gross sales, if fountain drinks cannot be sold anywhere at the Facility. Only sales from canned or bottle beverages offered for sale by and purchased at the Restaurant will be included in gross sales.

~~C. Six (6) months after you open your first Subway® Restaurant, we will review your operation of your Subway® Restaurant(s). Subject to our ongoing review and approval, we will provide training materials and permit a corporate trainer to train managers for your Subway® Restaurant locations. You will pay all transportation, lodging, and other expenses any of your employees incur to attend any training program.~~

C. ~~D.~~ In regard to the opening of the Restaurant:

- i. You will construct and equip the Restaurant to the specifications contained in the Operations Manual and open for business within twelve (12) months from the Agreement Date or this Agreement will automatically expire unless you 1) request and are granted an extension, 2) pay an extension fee of \$1,000, and 3) sign our then-current Franchise Agreement. If you do not open the Restaurant by the end of the time permitted, including any extension, this Agreement will automatically expire.
- ii. The Restaurant will be at a location we approve in a portion of the Facility. Because you are providing the premises for the Restaurant, we do not require a Sublease or an Approved Lease. All references to the Sublease and Approved Lease in this Agreement are deemed deleted. If we do not grant final approval for this location within ninety (90) days from the Agreement Date, we may refund the Franchise Fee and this Agreement will be null and void.
- iii. We and you agree, subject to our final approval, the Restaurant will be located at the Approved Location listed in the Key Contract Data page of the Franchise Agreement:

D. ~~E.~~ In the event that your insurable interest in the Facility is greater than the Restaurant, subject to our prior written approval, you may maintain a program of self-insurance or obtain insurance through your usual insurance broker or company provided that they meet the required limits and they have a rating of at least A- in Best's Insurance Guide.

E. ~~F.~~ In regard to operating Competitive Businesses:

- i. Section 19.A does not apply to a Restaurant we designate as a non-traditional location. During the term of this Agreement, the following applies to non-traditional locations operated by you or your parent, subsidiaries, or Affiliates: You agree other areas of the Facility you or your Affiliates control will not contain a Competitive Business. You will not operate a Competitive Business except as we permit in this paragraph. You will give us the first opportunity to approve for a Subway® Restaurant location any site in which you want to operate a Competitive Business. You may only operate a Competitive Business if we have, in writing, denied you approval to operate a Subway® Restaurant at the proposed site. You will send a written request for approval of all proposed Competitive Business unit sites to our Development Team Department. We will respond within sixty (60) days, either approving or disapproving a location. For each unauthorized Association with a Competitive Business (which, for the purposes of this paragraph, shall include a Competitive Business operating in the Facility), the provisions of Section 19.D shall apply.
- ii. Section 19.C does not apply to a Restaurant we designate as a non-traditional location. For 1 year after termination, expiration or transfer of this Agreement, or if you cease operation of the Restaurant, you will not Associate with a Competitive Business (which, for the purposes of this paragraph, shall include permitting a Competitive Business to operate at the Facility) at the Facility. For each unauthorized Association with a Competitive Business the provisions of Section 19.D shall apply. The provisions of this Subsection F.ii will not release you from any covenant not to compete contained in any other Franchise Agreement you have with us. However, if you are a Qualified FSP, you may only operate or permit to be operated a Competitive Business at the Facility if specifically requested by your client.
- iii. Nothing in this Subsection or any other provision of this Agreement grants you any territorial or other exclusive rights. We and our Affiliates have unlimited rights to compete with you.
- iv. For the avoidance of doubt, Section 15 is not amended by this Section F.

F. ~~G.~~ Notwithstanding anything to the contrary in Section 13, if you are a Qualified FSP, you will pay by check all monies (Royalty Fee, Advertising Contributions, and other charges you owe for all Subway® restaurants you operate) due for that period by the second Friday following the end of the period, (the "**Payment**"). The Payment will be sent to our Collections Department along with a report showing the breakdown by week and how the Payment is to be allocated. In the event that electronic check processing is available you authorize us to process your check electronically if we choose. Additionally, in the event that we decide to accept the Payment via electronic fund transfer, upon thirty (30) days written notice of the change, you agree to make the Payment to the account that we direct.

G. ~~H.~~ If you checked (4) or (5) above, your Franchise Fee is reduced to \$0.

H. ~~I.~~ We may, without cause and for any reason, within thirty (30) days after the Agreement Date, cancel this Agreement and refund the Franchise Fee to you. After refunding the Franchise Fee to you, we

will not have any further obligation to you, and all rights granted to you under this Agreement will immediately revert to us. ~~In addition, provided you comply with the post termination non compete provisions and other post termination covenant and provision that survive termination of this Agreement, you may, at any time, terminate this Agreement and cease operation of the Restaurant after giving us thirty (30) days' prior written notice.~~

Part I.a. – Approved Non-Traditional Entity Franchisee and Qualified FSP

If you checked (1) or (2) above, the following provisions apply to your Franchise Agreement:

- A. In regard to Training and Operational Assistance, Sections 6.A. and 6.B. of the Franchise Agreement are replaced with the following:
- i. Before the Restaurant opens, we will train you (or your Designated Manager(s), as that term is defined in Section 10.J), Director of Food Services or an equivalent individual (the “Director”) (if a different person) or the manager of the Restaurant or an equivalent individual (the “Manager”) (if a different person), on establishing and independently operating a Subway® Restaurant. The training program will be at a location we choose and may include web-based courses.
 - ii. You, your Designated Manager(s), Director, Manager or your employee(s) who attend may be dismissed from the training program and this Agreement may be terminated, with no refund of your Franchise Fee (defined below), if you, your Designated Manager(s) or your employee(s) materially fail to act in accordance with our Code of Business Conduct during the training program (which will be made available to you at or before attending the training program).
- B. In regard to Corporate Franchisee, Limited Liability Company Franchisee or Partnership Franchisee, Section 17 of the Franchise Agreement is replaced with the following:
- i. **Corporate Franchisee.** Except as otherwise approved by us in writing, if you are a corporation, you shall (i) furnish us with your articles of incorporation and bylaws as well as such other documents that we may reasonably request; (ii) maintain a current list of all owners of record and all beneficial owners of any class of voting stock and furnish the list to us upon request. For the avoidance of doubt, the governing documents of all parent or holding entities are also at all times subject to our review and must at all times be consistent with the foregoing guidelines and restrictions.
 - ii. **Limited Liability Company Franchisee.** If you are a limited liability company, you shall: (i) furnish us with your articles of organization and operating agreement, as well as such other documents as we may reasonably request, and any amendments thereto; (ii) prepare and furnish to us, upon request, a current list of all members and managers. For the avoidance of doubt, the governing documents of all parent or holding entities are also at all times subject to our review and must at all times be consistent with the foregoing guidelines and restrictions.
 - iii. **Partnership Franchisee.** If you are a partnership, you shall: (i) furnish us with your partnership agreement, as well as such other documents as we may reasonably request and any amendments thereto; (ii) furnish to us, upon request, a current list of all general and limited partners. For the avoidance of doubt, the governing documents of all parent or holding entities are also at all times subject to our review and must at all times be consistent with the foregoing guidelines and restrictions.
- C. As used in this Agreement, the term “transfer” shall mean and include the voluntary, involuntary, direct or indirect assignment, sale, gift, pledge or other transfer by you or your owners of any interest in any of: (1) this Agreement; (2) the Restaurant owned by you; or (3) substantially all of the assets of the Restaurant. An assignment, sale or other transfer shall include the transfer of this Agreement or

the Restaurant owned by you in an insolvency, corporate or partnership dissolution proceeding or otherwise by operation of law. For the avoidance of doubt, you may not pledge a security or other interest in this Agreement or in the proceeds of a sale of this Agreement or the assets of the Restaurant to any lender without our prior written consent.

For the avoidance of doubt, our right of first refusal will not apply to a proposed purchase of an ownership interest in you by a third party.

- D. We agree that our security interest in the assets of the Restaurant will be subordinate to any third-party lender that requires that we subordinate our security interest in the assets of the Restaurant as a condition of providing you with financing for development or working capital.
- E. In regard to the Owner's Guaranty and Assumption of Franchisee Obligations, Exhibit A of the Franchise Agreement is deleted in its entirety.

[Remainder of page intentionally left blank]

Part II – School Lunch Program

If you checked (5), above, the following provisions apply to your Franchise Agreement:

- A. The Restaurant will be located at the Approved Location listed in the Key Contract Data page of the Franchise Agreement (the “**School**”).
- B. Your Franchise Fee is reduced to \$0.
- C. Gross sales will only include sales or revenues from the Subway® Restaurant area of the School, including any permitted catering and delivery within the School, derived from the operation of the Restaurant. The parties agree food and beverages commonly found in a school cafeteria may be sold in other areas of the School. Any fountain drink sales will only be included in gross sales if they occur within the Subway® Restaurant area or in a Subway® logoed cup.
- D. We will provide a training program for establishing and operating a Restaurant in the School using the System. We, our Affiliate, or the BD, may conduct the training program locally. Training will be at a location or at locations the person providing the training selects, which may include the School, or other Subway® Restaurants and may include web-based courses. You acknowledge that you might not attend the training program described in our Disclosure Document. You agree the local, reduced training program will satisfy our training obligation to you under the Franchise Agreement, including under Section 6. You will pay any transportation, lodging, and other expenses to attend the training program.
- E. In regard to the opening of the Restaurant:
 - i. If you are providing the premises at the School for the Restaurant, we do not require a Sublease or an Approved Lease, and all references to the Sublease or Approved Lease in this Agreement are deemed deleted. You will be required to construct and equip the Restaurant to the specifications contained in the Operations Manual and open for business within two (2) years from the date of this Agreement, or this Agreement will automatically expire.
 - ii. If you do not control the location where the Restaurant will be located, you must also sign a license, contract, or lease (“**License**”). The License must give you the right to conduct the Restaurant business in the school location. You must construct and equip the Restaurant to the specifications contained in the Operations Manual and open for business within two (2) years from the date of this Agreement, or this Agreement will automatically expire. All references to the Sublease in this Agreement are deemed deleted and replaced with the term License.
 - iii. You do not have the right to extend the time to open the Restaurant.
 - iv. You acknowledge the franchise is granted for the specific school location identified above which you found and we approved.
- F. In regard to Training and Operational Assistance, Sections 6.A. and 6.B. of the Franchise Agreement are replaced with the following:
 - i. Before the Restaurant opens, we will train you (or your Designated Manager(s), as that term is defined in Section 10.J), or manager of cafeteria services and the manager of the Restaurant (if a

different person) (the “**Manager**”), on establishing and independently operating a Subway® Restaurant. The training program will be at a location we choose and may include web-based courses.

- ii. You, your Designated Manager(s), Manager(s) or your employee(s) who attend may be dismissed from the training program and this Agreement may be terminated, with no refund of your Franchise Fee (defined below), if you, your Designated Manager(s) or your employee(s) materially fail to act in accordance with our Code of Business Conduct during the training program (which will be made available to you at or before attending the training program).
- G. We and you must approve in writing the Restaurant’s menu and days and hours of operation, which may be more limited than a traditional restaurant. The menu may be subject to nutritional requirements governing school lunches. You acknowledge you may have to modify the food products offered for sale and you may have to purchase food products specifically approved for use in school lunch programs, and these requirements may increase the Restaurant’s food costs. The parties acknowledge the Restaurant may not be the only food service located in the school, but agree you may not offer any food or beverage items from the Restaurant area except those we approve for sale. You agree the Restaurant will only serve students, faculty, staff, and visitors to the school in the ordinary course, but will not be open to the general public.
- H. If you are prohibited by law from providing required insurance coverage and/or the indemnification required under the Agreement, you must notify us in writing before you sign this Agreement. If we elect to enter into this Agreement after we receive your notice, this Agreement will be deemed amended by your notice to delete the prohibited insurance and/or indemnification requirements. Your notice, when acknowledged and specifically consented to by us in writing, will be part of this Agreement.
- I. In regard to operating Competitive Businesses:
- i. We designate your location of the Restaurant in the School as a non-traditional location. During the term of this Agreement, the following will apply: You may provide (or may contract for others to provide) cafeteria services at the School. You may enter into franchise agreements with other food product companies, operate your own school cafeteria, or sell other products in competition with the Restaurant’s products, provided you (or your food service contractors) do not operate any Competitive Business at the School during the Term, except as we permit in this Section. During the Term, you will give us the first opportunity to approve for a Subway® Restaurant location any site at the School or any other school within the same school district, in which you, directly or indirectly, want to install a Competing Business. You may only install a Competing Business if we, in writing, deny you approval to operate a Subway® Restaurant at the proposed location, or we fail to grant approval within fifteen (15) business days after written notice from you. This Section does not affect any covenant not to compete in any other Franchise Agreement you have with us. For each unauthorized Association with a Competitive Business, the provisions of Section 19.D shall apply.
 - ii. Notwithstanding anything to the contrary in Section 19, you are permitted to operate a Competitive Business in a different school after the termination, expiration or transfer of this Agreement, provided that if you operate the Competitive Business in the other school as a full retail store open to the general public, or if you breached Section 19 during the Term, the original provisions of Section 19 will apply. You will not Associate with a Competitive Business at the School (which, for the purposes of this paragraph, shall include permitting a Competitive Business to operate at the School) for a period of 1 year after the termination, expiration, or

transfer of this Agreement. The prohibition against establishing a Competitive Business within a three (3) mile radius of a Subway® restaurant will not apply. For each unauthorized Association with a Competitive Business, the provisions of Section 19.D shall apply.

- iii. For the avoidance of doubt, Section 15 is not amended by this Section I.
 - iv. Nothing in this Subsection or any other provision of this Agreement grants you any territorial or other exclusive rights. We and our Affiliates have unlimited rights to compete with you.
- J. It will not be deemed a violation of Section 16 for you to maintain the required records of the operation of the Restaurant at the School, or, if you give us notice of the location where you will keep the records, at your administrative offices. The records will be subject to our inspection and audit wherever they are kept, pursuant to the Agreement.
- K. You may relocate and reopen the Restaurant provided you have our prior written approval, and only to another location within the School or to another school within the same school district. All of your accounts with us for each Subway® Restaurant you operate must be current and the License for the former location of the Restaurant must be terminated and settled prior to reopening the Restaurant. You will pay all expenses and liabilities to terminate the License for the former location and any relocation expenses as they become due. If a proposed site is not accessible, you must provide plans to make the site accessible, or we may request that you identify an alternative accessible location.
- L. The Term will be for a period of 5 years from the Agreement Date, subject to earlier termination. If you are in full compliance with the Operations Manual and not in default of this Agreement, you may renew the franchise for additional consecutive 5 year periods by giving us written notice not less than 1 year, but no more than 16 months, before the expiration of the current Term. You will sign our then current form of Franchise Agreement which will amend and replace this Agreement and may contain terms that differ from this Agreement, including financial terms. You will not pay a renewal fee upon the expiration of the original 5 year term provided under this Agreement. Provided you comply with the post-termination non-compete provisions of this Agreement, you may, at any time, terminate this Agreement and cease operation of the Restaurant at the School after giving us thirty (30) days' prior written notice.

Part III – Qualified FSP, School Lunch, Theme Park, National Park ~~or~~, Airport Terminal Advertising Contribution and Royalty Rate Reduction

If you checked (2), (6) or (7), above, the following provisions apply to your Franchise Agreement:

A. In regard to your Advertising Contributions:

~~i.~~ If you are a Qualified FSP, or operating under our School Lunch program, or operating a non-traditional location (other than at a Theme Park, National Park, ~~or~~ Airport Terminal) your, Hospital, Military Location, Train Station, or Captive Travel Plaza, your Advertising Contributions may be reduced. Any reduction is stated in the Key Contract Data page. Your Advertising Contributions will be reduced to 2% of the Gross Sales of the Restaurant, paid to us on a weekly basis.

~~ii.~~ If you are operating a non-traditional location at a Theme Park, National Park, or Airport Terminal your Advertising Contributions will be reduced to 1.25% of the Gross Sales of the Restaurant, paid to us on a weekly basis.

B. In regard to your Royalty Fee: If you are operating a non-traditional location at an Airport Terminal, Train Station, or Captive Travel Plaza, your royalty fee may be reduced. Any reduction is stated on the Key Contract Data page.

C. ~~B.~~ The Restaurant will not have a vote with respect to temporarily or permanently increasing the Advertising Contribution percentage for either the country or any market.

D. ~~C.~~ In the event that you operated the Restaurant at a School Lunch K-12 location, Theme Park, National Park or Airport Terminal and relocate the Restaurant to a location other than a School Lunch K-12 location, Theme Park, National Park or Airport Terminal, or if you used a Qualified FSP to manage the Restaurant but have ceased to do so, as applicable, then this Part III of the Rider shall be of no further force and effect and your advertising rate shall be as stated in the Franchise Agreement without amendment by this Part III of the Rider.

E. ~~D.~~ As used in this Rider:

i. A **Theme Park** is defined as an amusement or similar park meeting all of the following requirements: 1. It must offer a collection of rides and/or other entertainment attractions; 2. It is more elaborate than a simple city park or playground, as it is meant to cater to entertaining large groups of people including, adults, teenagers, and small children and generally uses architecture, signage, and landscaping to help convey the feeling that people are in a different place or time; 3. It must be a permanent and not a temporary facility; 4. It charges a fee for admission; and 5. It has at least 400,000 visitors a year.

ii. A **National Park** is defined as an area of land declared or owned by a government, set aside for human recreation and enjoyment, animal and environmental protection, and restricted from development.

iii. An **Airport Terminal** is defined as a building at an airport where passengers transfer between ground transportation and the facilities that allow them to board and disembark from airplanes.

iv. A **Qualified FSP** is defined as a company that is either privately owned or publicly traded; is not government owned, supported or operated and provides contract foodservice and/or concession

foodservice (as defined below); and has either annual revenues (or sales) in excess of two hundred million dollars (\$200,000,000.00) or operates a minimum of 250 accounts either directly or through their subsidiaries. “**Contract Foodservice**” is defined as the preparation, presentation and delivery of food and beverage services to clients and their customers where clients have chosen to outsource this activity on its premises. The client may or may not pay the Food Service Provider a fee for the provision of the foodservice and the food may be offered to consumers at subsidized prices. Contract Foodservice is carried out in various sectors, including business and industry (staff canteens or cafeterias in both public and private sectors); healthcare (hospitals, nursing homes); and education (schools, universities). “**Concession Foodservice**” is defined as the provision of foodservice requirements to the public in travel related locations such as airports, railway stations, ferries, roadsides, retail related locations such as sports stadiums and leisure venues. The principal purpose of the customer’s visit is not for the consumption of food or beverage but for an alternative purpose. The Food Service Provider pays the location owner (client) a commission for the right to trade at the premises; the Food Service Provider’s income is sourced entirely from sales made to the public. In order to obtain the rights to operate in a Contract Foodservice or Concession Foodservice location, the Food Service Provider generally must participate in a request for proposal or in a competitive bidding process. These locations also differ significantly from stand-alone or other traditional types of locations in numerous ways including that the hours and days of operation may be limited by the activity conducted at the location or may be dictated by the owner of the location or the Food Service Provider’s client. We and you agree that based on these differences that traditional advertising may be of limited benefit. Therefore, we and you agree to modify the advertising charges for the Restaurant that you will be operating pursuant to this Agreement to reflect the value of benefits that you are receiving.

- v. A Captive Travel Plaza is defined as having an exit and entrance via the highway only and not accessible to the town or city. It provides the only convenient food option for those traveling on the highway and is therefore the primary driver of traffic to the Subway® restaurant.

- F. In addition, provided you comply with the post-termination non-compete provisions and other post-termination covenant and provision that survive termination of this Agreement, you may, at any time, terminate this Agreement and cease operation of the Restaurant after giving us one hundred and eighty (180) days’ prior written notice.

Part IV – Satellite Restaurant

If you checked (8), above, the following provisions apply to your Franchise Agreement:

A. Your Satellite Restaurant will be (check one):

- i. ☐ Short Term Satellite Restaurant
- ii. ☐ Standard Satellite Restaurant

Where not specified, the term “Satellite Restaurant” refers to a Short Term Satellite Restaurant or a Standard Satellite Restaurant.

B. You understand the Satellite Restaurant will not be a full restaurant. The Satellite Restaurant will only operate with the support of and together with the existing Base Restaurant, as provided in the Operations Manual, except with our specific written approval. You understand this Agreement and any guidelines we set for how close a satellite restaurant should be to its base restaurant do not grant you any territorial rights, and there are no radius restrictions or minimum population requirements which limit where we can license or open another Subway® restaurant, including any satellite restaurant, unless provided under local law.

C. The Franchise Fee is:

- i. Short Term Satellite Restaurant: \$1,000
- ii. Standard Satellite Restaurant: \$5,000

D. The persons signing this Agreement as franchisee must be identical at all times to the persons who are the parties to the Base Restaurant Franchise Agreement, as reflected in our records.

E. You understand that the Base Restaurant and all other restaurants that you own must be in substantial compliance with the Operations Manual and the Franchise Agreement.

F. In regard to the Sublease for the Restaurant:

- i. You acknowledge you found the location and we granted approval to it. We or you may terminate this Agreement by written notice after 90 days from the Agreement Date, or earlier if we and you agree, if we or an Affiliate we designate cannot offer you a Sublease. We will refund the Franchise Fee to you if we or you terminate this Agreement for the above reason, unless it is your fault our designee cannot offer you a Sublease. We will not refund the Franchise Fee if we or our designee enter into a lease or a license containing basic economic terms (e.g. rent, square footage, length of term) you previously consented to and you then do not sign the offered Sublease. If we or our designee offer you a Sublease, you must sign the Sublease within 90 days after the date of this Agreement or this Agreement will automatically expire at the end of the 90-day period. We will not grant you an extension or refund the Franchise Fee if this Agreement automatically expires.

- ii. If you are operating a Short Term Satellite Restaurant, the term of your Lease will not exceed 1 year.
- iii. You understand and acknowledge we do not now have any training program specific to satellite restaurants, but may in the future, and you agree to attend any required satellite training program. We will not charge for this course but you must pay for travel to and from the training location and all living expenses while attending training.
- iv. In some cases, because of the short term or other reasons, we may authorize you to sign an Approved Lease. The term of the Approved Lease we or you sign will not extend beyond the Term, unless we and you agree in writing. You must submit for our approval, the form of Approved Lease, including any modifications, amendments, renewals or extensions. Submissions for approval and our approval, if granted, must be in writing. You must sign our approved franchisor lease rider in connection with the lease. You must give us original signed copies of 1) the Approved Lease, 2) franchisor lease rider, and 3) the landlord's written consent to the conditional assignment.
- v. After you sign the Sublease or Approved Lease, you will construct and equip the Restaurant to the specifications contained in the Operations Manual for satellite locations and then open for business.

The Restaurant will be located at _____.

The Restaurant will be a:

Cart: _____ Sandwich Unit: _____ Other: _____

- G. The design, construction, layout, equipment, and operation of the Restaurant, including the procedures for transporting products and supplies from the Base Restaurant, must be in compliance with our policies and the portions of the Operations Manual concerning satellite restaurants. We and you will approve the menu of items to be sold and the days and hours of operation. We and you must also approve the location(s), itinerary, operation, and design of any mobile unit. Generally, we intend the Satellite Restaurant will not be self-sufficient, without our specific approval, which means the Satellite Restaurant may not be able to do one or more of the following: (1) bake bread; (2) prepare the setups for the product; or (3) have adequate storage capacity for the product. The Satellite Restaurant may be temporary or seasonal, may operate with limited hours, may be mobile, or have any combination of these characteristics. We alone will determine whether the Satellite Restaurant premises and its operations qualify for treatment as a satellite location according to our policies.
- H. You understand and acknowledge the insurance requirements apply to the Satellite Restaurant as well as the Base Restaurant.
- I. In regard to relocation:
 - i. Short Term Satellite Restaurant: you may not relocate the Short Term Satellite Restaurant during the Term.
 - ii. Standard Satellite Restaurant: You must have our prior written approval to relocate the Standard Satellite Restaurant. Your right to relocate the Standard Satellite Restaurant is subject to our

policies regarding proximity of a satellite restaurant to its base restaurant to ensure product quality and proper servicing of the satellite restaurant.

J. In regard to the Term:

- i. Short Term Satellite Restaurant: The Term will be for 1 year from the Agreement Date or until the termination or expiration of the Base Restaurant Franchise Agreement (including any renewal periods), whichever occurs sooner, subject to earlier termination. This Agreement will automatically terminate, regardless of the length of term remaining on the Base Restaurant Franchise Agreement, if the Lease for the Short Term Satellite Restaurant or the Base Restaurant terminates or expires. Provided you send written notice at least 60 days prior to the expiration of the initial 1-year term, this Agreement may be renewed for an additional 1-year term, if mutually agreed upon by both parties. There will be a \$1,000 renewal fee.
- ii. Standard Satellite Restaurant: The Term will be from the Agreement Date until the termination or expiration of the Base Restaurant Franchise Agreement, subject to earlier termination. Upon expiration of the term of the Base Restaurant Franchise Agreement, and provided that the Base Restaurant Franchise Agreement is renewed in accordance with its terms, this Agreement will automatically renew for additional periods in line with the Base Restaurant Franchise Agreement. There will be a renewal fee equal to 25% of the then-current franchise fee for Standard Satellite Restaurants. This Agreement will automatically terminate, regardless of the length of term remaining on the Base Restaurant Franchise Agreement, if the Sublease or Approved Lease for the Standard Satellite Restaurant or the Base Restaurant terminates or expires and you do not relocate the Standard Satellite Restaurant or Base Restaurant (as applicable).

K. Any default under the Base Restaurant Franchise Agreement will also constitute a default under this Agreement, and will result in the termination of this Agreement if the default is not cured and the Base Restaurant Franchise Agreement is terminated.

L. In regard to transfers:

- i. Short Term Satellite Restaurant: You pay a reduced satellite transfer fee of \$1,000, or \$500 if you transfer to, or transfer by adding, your spouse or child, plus any applicable sales tax, legal, accounting, training, and other expenses we incur in connection with the transfer, plus the transfer fee required by the Base Restaurant Franchise Agreement if the Base Restaurant Franchise Agreement is transferred.
- ii. Standard Satellite Restaurant: You pay a reduced satellite transfer fee of \$3,000, or \$1,500 if you transfer to, or transfer by adding, your spouse or child, plus any applicable sales tax, legal, accounting, training, and other expenses we incur in connection with the transfer, plus the transfer fee required by the Base Restaurant Franchise Agreement if the Base Restaurant Franchise Agreement is transferred.

You acknowledge and understand that because of our requirement a satellite restaurant cannot be self-sufficient (unless we specifically approve), and the persons signing this Agreement as franchisee must be identical at all times to the persons who are the parties to the Base Restaurant Franchise Agreement, you may not transfer this Agreement and the Satellite Restaurant separately and apart from the Base Restaurant Franchise Agreement and the Base Restaurant. Also, you may not transfer the Base Restaurant Franchise Agreement and the Base Restaurant without also transferring this Agreement and the Satellite Restaurant to the same purchaser, except in isolated circumstances where there is a good

business reason to do so. This requirement that the Base Restaurant and the Satellite Restaurant must be transferred together will apply with equal force to our right of first refusal and any right we have to purchase the Satellite Restaurant under this Agreement.

- M. YOU ACKNOWLEDGE AND AGREE WE HAVE NOT MADE ANY PROMISES OR GUARANTEES WE CAN OBTAIN A LEASE OR LICENSE FOR THE LOCATION IDENTIFIED. YOU AGREE YOUR ONLY REMEDY IF WE DO NOT OBTAIN A LEASE OR A LICENSE FOR THE LOCATION, AND WE DO NOT OFFER YOU A SUBLEASE FOR THE PREMISES WITHIN 90 DAYS, WILL BE TO TERMINATE THIS AGREEMENT AND RECEIVE A REFUND OF THE INITIAL FRANCHISE FEE IF YOU QUALIFY UNDER THE CONDITIONS PROVIDED ABOVE.

Part V – General Provisions

The following general provisions apply in all cases:

The parties can amend the Franchise Agreement further only in a signed writing. In the event of a conflict between the Franchise Agreement and this Rider, the terms of this Rider shall control. Except as amended or modified by this Rider, the terms of the Franchise Agreement remain in full force and effect.

The Franchise Agreement, as amended by this Rider, will be called this "**Agreement**". Capitalized terms used in this Rider that are defined in the Franchise Agreement will have the meanings given to them in the Franchise Agreement.

RECITALS

R.1. You want to locate the Restaurant within a specific retail establishment owned by Walmart Stores, Inc., Walmart Stores East, LP, Walmart Louisiana, LLC and Walmart Texas, LLC ("**Walmart**"). We will refund the Franchise Fee if you do not obtain the location and you meet our requirements below.

R.2. You acknowledge that, pursuant to a Master Lease Agreement dated March 31, 2010, Walmart leased space within its premises commonly known as Walmart stores for the purpose of operating Subway® restaurants to Twin Towers Trading Site Management, LLC, a Nevada limited liability company ("**TTTSM**"). You further acknowledge that our affiliate, Subway Realty LLC ("**SRL**") is the Concessionaire under a certain Master Sublease (as may be amended) made between it and TTTSM and dated March 31, 2010 (the "**Master Sublease**") which outlines the rights to operate Subway® restaurants in Walmart stores. You further acknowledge and agree that, pursuant to the Master Sublease, TTTSM and SRL will execute a Sublease for each leased restaurant premises that is specifically incorporated into the Master Sublease ("**Sublease**").

R.3. The parties agree that in accordance with the terms of the Master Sublease, SRL further grants sub-subleases to Subway® to further sublease the premises to franchisees for the operation of Subway® restaurants to be located within a Walmart store ("**Sub-Sublease**").

R.4. You acknowledge and agree that you must enter into a Sub-Sublease Agreement with SRL to operate your restaurant within a particular Walmart store.

AGREEMENT:

Acknowledging and agreeing to each of the Recitals above, which are added to the Recitals of the Franchise Agreement and are herein incorporated by reference in the Franchise Agreement, and notwithstanding any provisions of the Franchise Agreement to the contrary, the parties agree to amend and supplement the Franchise Agreement as follows:

I. The definition of "**Gross Sales**" is revised as follows:

"**Gross sales**" means all sales or revenues, including catering, delivery and sales of any required or permitted snack menu items, from your business exclusive of sales or use tax, goods and services tax, gross receipts tax, excise tax or other similar tax ("**Sales Tax**").

II. In regard to the Sub-Sublease Agreement for the Restaurant:

- (i) You acknowledge and agree that we have offered the location to you and you have agreed to operate the Restaurant at the location. If we or our designated Affiliate cannot offer you a Sub-Sublease for the Restaurant premises or if we disapprove the location within one (1) year after the date of this Agreement, this Rider will automatically be terminated with no notice to you. We will terminate this Agreement and refund the Franchise Fee provided that you send us a written request no later than sixty (60) days after the termination of this Rider. We will not refund the Franchise Fee if we or our designee enters into a sublease containing basic economic terms (e.g. rent, square footage, length of term) to which you previously consented and you then do not sign the offered Sub-Sublease. If we or our designee offers you a Sub-Sublease you must sign the Sub-Sublease within thirty (30) days from the date the Sub-Sublease is offered to you, or this Agreement will automatically expire at the end of the thirty (30) day period. We will not grant you an extension or refund the Franchise Fee if this Agreement automatically expires.
- (ii) Before opening, you must successfully complete our Training Program. You may be dismissed from the Training Program and this Agreement may be terminated, with no refund of your Franchise Fee, if you materially fail to act in accordance with our Code of Business Conduct during the Training Program. You may be required to pass our standardized test given during the Training Program, with one retest permitted. If you fail the standardized test, we may dismiss you from the Training Program, cancel this Agreement and refund one-half (1/2) of your Franchise Fee. If more than one individual signs this Agreement, any one of the individuals who fails the standardized test may be dismissed from the Training Program and removed from this Agreement with no refund of the Franchise Fee.
- (iii) The Restaurant will be at a Walmart store location we offer to you. You and SRL will enter into the Sub-Sublease to further sublease the premises to you. SRL has negotiated with TTTSM to secure a fair rent for the premises but we cannot represent it will be the best available rent in your area. If you materially breach this Agreement or the Sublease, SRL may terminate the Sub-Sublease with you after giving the notice required in the Sub-Sublease Agreement.
- (iv) After you sign the Sub-Sublease, you will construct, equip, and open the Restaurant to the specifications contained in the Operations Manual.

III. You acknowledge and agree you will be required to offer additional snack menu items in accordance with the Operations Manual.

IV. You must provide us with a copy of your Certificate of Insurance when you return your signed Sub-Sublease.

V. We will submit your gross sales reports on a weekly basis to TTTSM on your behalf so that TTTSM may calculate your monthly rental payment and any additional fees due in accordance with your Sub-Sublease.

VI. Regarding relocation of the restaurant: You may relocate the Restaurant only with our prior written approval. You will pay any expenses and liabilities imposed by the Master Sublease and move if you relocate the Restaurant. If you materially breach this Agreement, we or our designee may cancel the Sub-Sublease after giving the notice required in the Sub-Sublease.

If you relocate the Restaurant to a location that is not in a Walmart store, the Walmart Location Rider which is part of this Agreement will be of no further force and effect, except to the extent the Master Sublease and Sublease impose obligations on you which continue after the termination or expiration of the Sub-Sublease. You will abide by and be bound by the terms of the Franchise Agreement without any modification by the Walmart Location Rider, and you will sign a Lease for the new premises promptly after the Sub-Sublease terminates or expires.

VII. The following is a condition of transfer: each purchaser received the required disclosure documents in accordance with our policies and federal and state laws, rules, and regulations, and signs the then current form of franchise agreement which will amend and replace this Agreement and may contain terms that differ from this Agreement, including financial terms, and signs the then current form of the Sub-Sublease for the Restaurant;

VIII. Upon assigning your rights under the Franchise Agreement, you will remain personally liable under the Sub-Sublease.

IX. In order for a next of kin or legatee to assume the Franchise Agreement, each must deliver a written assumption to us of this Agreement and the Sub-Sublease for the Restaurant, among the other requirements set forth in the Franchise Agreement.

X. If you breach the terms of your Sub-Sublease, our affiliate SRL may exercise its rights under the Sub-Sublease, including evicting you from the franchised location. Any action brought by SRL to enforce the Sub-Sublease, including actions brought pursuant to the cross-default clause in the Sub-Sublease (which provides that a breach of the Franchise Agreement is a breach of the Sub-Sublease), is not to be construed as an arbitrable dispute.

The parties agree that you may seek a stay of any eviction brought under the cross-default clause in the Sub-Sublease by filing a demand for arbitration in accordance with the Franchise Agreement within thirty (30) days of SRL's commencement of the eviction. The stay may be lifted upon conclusion of the arbitration. You may not seek a stay of eviction for any actions involving non-payment of rent or in a case where an arbitration award under the Franchise Agreement has been issued.

XI. If TTSM terminates the Master Sublease or Sublease for the Restaurant and an arbitrator or court determines we or SRL breached the Master Lease or Sublease and caused the termination, our obligation to you will be limited to the original cost of your construction improvements, less depreciation based on a five (5) year life under the straight-line method. We will pay you when you reopen the Restaurant in a new location. If the arbitrator or court determines you breached the Sub-Sublease or it was not our fault or SRL's fault TTSM terminated the Master Sublease or Sublease, we and SRL will have no obligation to you for termination of the Master Sublease or Sublease.

XII. You acknowledge and agree we have not made any promises or guarantees that we can obtain a sublease for the location identified in above, or that we will give the location our final approval. If we do not obtain a sublease for the location or if we do not grant final approval for the location, and in either case we do not offer you a Sub-Sublease for the premises within one year, you agree your only remedy will be to terminate this Agreement and receive a refund of the initial Franchise Fee if you qualify under the conditions provided in the Franchise Agreement.

XIII. If you perform certain qualifying remodels on your Restaurant, as set forth in the Operations Manual or otherwise in writing, to conform with certain brand standards, we will reduce your advertising fees by 2%, to 2.5% of total Gross Sales. We reserve the right to modify or discontinue this program at any time.

XIV. The Franchise Agreement, as amended and supplemented by this Rider, contains the entire understanding of the parties. The parties can amend the Franchise Agreement further only in a signed writing. The provisions of the Franchise Agreement, as amended and supplemented by this Rider, are ratified and affirmed. To the extent the terms of this Rider and the terms of the Franchise Agreement conflict, the terms of this Rider shall control.

XV. You acknowledge and agree you read and understand this Rider and the Franchise Agreement and consent to be bound by all the terms and conditions of the Franchise Agreement, as amended and supplemented by this Rider.

IN WITNESS WHEREOF, the parties have executed this Rider, as of the Effective Date.

This Rider ("**Rider**") dated _____ (the "**Effective Date**") amends and supplements the Franchise Agreement of the same date, including provisions modified by any Addenda to the Franchise Agreement and the Walmart Location Rider (the "**Franchise Agreement**") between Doctor's Associates LLC, a Florida limited liability company ("**we**", "**us**" or "**DAL**"), and

_____ ("**you**"). The Franchise Agreement, as amended by this Rider, will be called this "**Agreement**", and will constitute the separate franchise agreement for the Restaurant. Capitalized terms used in this Rider that are defined in the Franchise Agreement will have the meanings given to them in the Franchise Agreement.

RECITALS:

- R.1. You want to operate the Restaurant as a limited Subway® restaurant (sometimes also referred to as the "**Satellite Restaurant**"), at a specific location within a Walmart store close to an existing Subway® restaurant you own. Your existing operating Subway® restaurant is identified as store number _____, (the "**Base Restaurant**"). This Agreement for the Satellite Restaurant grants a separate lease from the lease granted in the Franchise Agreement for the Base Restaurant (the "**Base Restaurant Franchise Agreement**").
- R.2. You acknowledge and agree the Satellite Restaurant will not be a full restaurant. The Satellite Restaurant will only operate with the support of and together with the existing Base Restaurant, as provided in the Operations Manual, except with our specific written approval. You acknowledge and agree this Agreement and any guidelines given for how close a satellite restaurant should be to its base restaurant do not grant you any territorial rights. There are no radius restrictions or minimum population requirements which limit where we can lease or open another Subway® restaurant, including any satellite restaurant, unless provided under local law.
- R.3. You acknowledge and agree that if the Franchise Agreement or lease for the Base Restaurant terminates or expires, you must convert your Satellite Restaurant into a self-sufficient full service restaurant.
- R.4. The individuals signing this Agreement as franchisee must be identical at all times to the individuals who are the parties to the Base Restaurant Franchise Agreement, as reflected in our records.
- R.5. You acknowledge and agree that the Base Restaurant and all other restaurants that you own must be in substantial compliance with the Operations Manual and the Franchise Agreement.

AGREEMENT:

Acknowledging and agreeing to each of the Recitals above, which are added to the Recitals of the Franchise Agreement and are herein incorporated by reference in the Franchise Agreement, and notwithstanding any provisions of the Franchise Agreement to the contrary, the parties agree to amend and supplement the Franchise Agreement as follows:

- I. In regard to the Sub-Sublease Agreement for the Restaurant:
- (i) You acknowledge and agree that a location has been selected and we granted preliminary approval to it. We or you may terminate this Agreement by written notice after ninety (90) days from the date of this Agreement, or earlier if we and you agree, if we or our designated Affiliate cannot offer you a sub-sublease agreement for the Restaurant premises, or if we disapprove the location. We will refund the Franchise Fee to you if we or you terminate this Agreement for the above reasons, unless it is your

fault we disapprove the location or we or our designee cannot offer you a Sub-Sublease. We will not refund the Franchise Fee if we or our designee enter into a Sublease for the location containing basic economic terms (e.g. rent, square footage, length of term) to which you previously consented and you then do not sign the offered Sub-Sublease. If we or our designee offers you a Sub-Sublease, you must sign the Sub-Sublease within ninety (90) days after the date of this Agreement or this Agreement will automatically expire at the end of the ninety (90) day period. We will not grant you an extension or refund the Franchise Fee if this Agreement automatically expires.

- (ii) Before opening, you must successfully complete our Training Program. You may be dismissed from the training program and this Agreement may be terminated, with no refund of your Franchise Fee, if you materially fail to act in accordance with our Code of Business Conduct during the Training Program. You may be required to pass our standardized test given during the Training Program, with one retest permitted. If you fail the standardized test, we may dismiss you from the Training Program, cancel this Agreement and refund one-half (1/2) of your Franchise Fee. If more than one individual signs this Agreement, any one of the individuals who fails the standardized test may be dismissed from the Training Program and removed from this Agreement with no refund of the Franchise Fee. You acknowledge and agree we do not currently have any Training Program specific to satellite restaurants, but may in the future, and you agree to attend any required satellite training program. We will not charge for this course, but you must pay for travel to and from the training location and all living expenses while attending training.
- (iii) The Restaurant will be at a Walmart store location we offer to you. You and SRL will enter into the Sub-Sublease to further sublease the premises to you. SRL has negotiated with TTTSM to secure a fair rent for the premises but we cannot represent it will be the best available rent in your area. If you materially breach this Agreement or the Sublease, SRL may terminate the Sub-Sublease with you after giving the notice required in the Sub-Sublease.
- (iv) After you sign the Sub-Sublease, you will construct, equip, and open the Restaurant to the specifications contained in the Operations Manual.

The Restaurant will be located within a Walmart store at _____.

- II. The design, construction, layout, equipment, and operation of the Restaurant, including the procedures for transporting products and supplies from the Base Restaurant, must be in compliance with our policies and the portions of the Operations Manual concerning satellite restaurants. We and you will approve the menu of items to be sold and the days and hours of operation. Generally, we intend that the Satellite Restaurant will not be self-sufficient without our specific approval, which means the Satellite Restaurant may not be able to do one or more of the following: (i) bake bread; (ii) prepare the setups for the product; or (iii) have adequate storage capacity for the product. We alone will determine whether the Satellite Restaurant premises and its operations qualify for treatment as a satellite location according to our policies.
- III. You acknowledge and agree for purposes of the advertising fund, the Satellite Restaurant will not be counted as a separate operating restaurant. You will have the right to vote concerning increases to the advertising percentage, election of trustees, and otherwise, with respect to the Base Restaurant, but you will not have any vote with respect to the Satellite Restaurant.
- IV. If the Base Restaurant Franchise Agreement or the lease for the Base Restaurant expires or terminates, you will convert the Satellite Restaurant to a full restaurant that will be self-sufficient within thirty (30) days of such termination or expiration. Upon expiration of the thirty (30) day period, the provisions of this Rider will have no further force and effect, with exception of Paragraph VI of this Rider. You will abide by the terms of the Franchise Agreement, including the Walmart Location Rider and Paragraph VI of this Rider.

- V. Your right to relocate the Restaurant is subject to our prior written approval and our policies regarding proximity of a satellite restaurant to its base restaurant to ensure product quality and proper servicing of the satellite restaurant. If you relocate the Restaurant, with our approval, to a satellite location that is not in a Walmart store, this Agreement will automatically expire and you must sign our then current form of Satellite Franchise Agreement and Lease for the new location promptly after the Sub-Sublease terminates or expires.
- VI. The term of this Agreement is for five (5) years from the date of this Agreement and will automatically renew for an additional five (5) year period unless either party chooses not to renew and sends written notice to the other at least six (6) months before the expiration of the first five (5) year period.
- VII. Any similar default under the Base Restaurant Franchise Agreement will also constitute a default under this Agreement and may result in the termination of this Agreement if the default is not cured and the Base Restaurant Franchise Agreement is terminated.
- VIII. In order to transfer your franchise, you pay us a reduced transfer fee of \$3,000 (or \$1,500 if you transfer to, or transfer by adding, your spouse or child) plus any applicable Sales Tax with respect to the Satellite Restaurant, plus the transfer fee required by the Base Restaurant Franchise Agreement if the Base Restaurant Franchise Agreement is transferred (among the other transfer requirements set forth in the Franchise Agreement).

You acknowledge and agree that because of the requirement that a satellite restaurant cannot be self-sufficient (unless we specifically approve), and the individuals signing this Agreement as franchisee must be identical at all times to the individuals who are the parties to the Base Restaurant Franchise Agreement, you may not transfer this Agreement and the Satellite Restaurant separately and apart from the Base Restaurant Franchise Agreement and the Base Restaurant. Also, you may not transfer the Base Restaurant Franchise Agreement and the Base Restaurant without also transferring this Agreement and the Satellite Restaurant to the same purchaser. This requirement that the Base Restaurant and the Satellite Restaurant must be transferred together will apply with equal force to our right of first refusal, and any right we have to purchase the Satellite Restaurant under this Agreement. We may consider a written request from you for an exception to allow you to transfer this Agreement and the Satellite Restaurant separately to another franchisee of ours, or for you to retain this Agreement and the Satellite Restaurant and separately transfer the Base Restaurant Franchise Agreement and the Base Restaurant. The purchasing franchisee (or you) must own a leased Subway® restaurant which can serve as a substitute Base Restaurant in compliance with our policies and procedures. The purchasing franchisee (or you) must also be in full compliance with the Franchise Agreement for the substitute Base Restaurant and with the Operations Manual. The transfer must also satisfy the provisions of Franchise Agreement. Any transfer of this Agreement will not extend the term beyond the original term provided in the Franchise Agreement.

- IX. You acknowledge and agree we have not made any promises or guarantees that we can obtain a Sublease for the location identified in the Franchise Agreement, or that we will give the location our final approval. You agree that if we do not obtain a Sublease for the location or if we do not grant final approval for the location, and in either case we do not offer you a Sub-Sublease Agreement for the premises within ninety (90) days, your only remedy will be to terminate this Agreement and receive a refund of the initial Franchise Fee if you qualify under the conditions provided in the Franchise Agreement.
- X. The Franchise Agreement for the Satellite Restaurant, as amended and supplemented by this Rider, contains the entire understanding of the parties. The parties can amend the Franchise Agreement further only in a signed writing. The provisions of the Franchise Agreement for the Satellite Restaurant, as amended and supplemented by this Rider, are ratified and affirmed. To the extent the terms of this Rider and the terms of the Franchise Agreement conflict, the terms of this Rider shall control.
- XI. You acknowledge and agree you read and understand this Rider and the Franchise Agreement, and consent to be bound by all the terms and conditions of the Franchise Agreement, as amended and supplemented by this Rider.

IN WITNESS WHEREOF, the parties have executed this Rider, as of the Effective Date.

This Rider ("**Rider**") dated _____ (the "**Effective Date**") amends and supplements the Franchise Agreement of the same date, including provisions modified by any Addenda to the Franchise Agreement and the Walmart Location Rider (the "**Franchise Agreement**") between Doctor's Associates LLC, a Florida limited liability company ("**we**", "**us**" or "**DAL**"), and _____ ("**you**"). The Franchise Agreement, as amended by this Rider, will be called this "**Agreement**", and will constitute the separate franchise agreement for the Restaurant. Capitalized terms used in this Rider that are defined in the Franchise Agreement will have the meanings given to them in the Franchise Agreement.

RECITALS:

You further acknowledge and agree that we have designated the Restaurant to be a Special Opportunities Location.
- R.3. - R.4. You acknowledge that the Restaurant must be associated with the Nearby Restaurant at all times during the term of this Agreement, but will not be supported operationally by the Nearby Restaurant or any other existing operating Subway® restaurant you own. any provisions of the Franchise Agreement to the contrary, the parties agree to amend and supplement the Franchise Agreement as follows:

I. **Special Opportunities Location Fee.** \$5,000. You will operate the Restaurant within a Walmart store that is close in proximity to the Nearby Restaurant. We will refund the Franchise Fee to you if we or you terminate this Agreement for the above reasons, unless it is your fault we disapprove the location or we or SRL cannot offer you a Sub-Sublease. We will not refund the Franchise Fee if we or SRL enter into a Sublease for the location containing basic economic terms (e.g. rent, square footage, length of term) you previously consented to and you then do not sign the offered Sub-Sublease. If we or our designee offer you a Sub-Sublease, you must sign the Sub-Sublease within ninety (90) days after the date of this Agreement or this Agreement will automatically expire at the end of the ninety (90) day period.
- (ii) Before opening, you must successfully complete our Training Program. You may be dismissed from the Training Program and this Agreement may be terminated, with no refund of your Franchise Fee, if you materially fail to act in accordance with our Code of Business Conduct during the Training Program. We will not grant you an extension or refund the Franchise Fee if this Agreement automatically expires. You may be required to pass our standardized test given during the Training Program, with one retest permitted. If you fail the standardized test, we may dismiss you from the Training Program, cancel this Agreement and refund one-half (1/2) of your Franchise Fee. If more than one individual signs this Agreement, any one of the individuals who fails the standardized test may be dismissed from the Training Program and removed from this Agreement with no refund of the Franchise Fee.
- (iii) The Restaurant will be at a Walmart store location we offer to you. You and SRL will enter into the Sub-Sublease to further sublease the premises to you. SRL has negotiated with TTSM to secure a fair rent for the premises but we cannot represent it will be the best available rent in your area. If you materially breach this Agreement or the Sublease, SRL may terminate the Sub-Sublease with you after giving the notice required in the Sub-Sublease.

You will have the right to vote concerning increases to the advertising percentage, election of trustees, and otherwise, with respect to the Nearby Restaurant, but you will not have any vote with respect to the Restaurant.
- IV. If the Nearby Restaurant Franchise Agreement or the lease or license for the Nearby Restaurant expires or terminates, the provisions of this Rider will have no further force and effect immediately upon such expiration or termination, with exception of Paragraph VI of this Rider. You will abide by the terms of the Franchise Agreement, including the Walmart Location Rider and Paragraph VI of this Rider.

- V. If you relocate the Restaurant, with our approval, to a location that is not in a Walmart store, this Agreement will automatically expire and you must sign our then current form of Franchise Agreement and sublease or license for the new location within six (6) months after the sublease terminates or expires.
- VI. The term of this Agreement is for five (5) years from the date of this Agreement and will automatically renew for an additional five (5) year period unless either party chooses not to renew and sends written notice to the other at least six (6) months before the expiration of the first five (5) year period.
- VII. Any similar default under the Nearby Restaurant Franchise Agreement will also constitute a default under this Agreement and may result in the termination of this Agreement if the default is not cured and the Nearby Restaurant Franchise Agreement is terminated.
- VIII. You acknowledge and agree that because of the requirement that Special Opportunities Locations must be associated with a nearby restaurant and the individuals signing this Agreement as franchisee must be identical at all times to the individuals who are the parties to the Nearby Restaurant Franchise Agreement, you may not transfer this Agreement and the Special Opportunities Location separately and apart from the Nearby Restaurant Franchise Agreement and the Nearby Restaurant. Also, you may not transfer the Nearby Restaurant Franchise Agreement and the Nearby Restaurant without also transferring this Agreement and the Special Opportunities Location to the same purchaser. This requirement that the Nearby Restaurant and the Special Opportunities Location must be transferred together will apply with equal force to our right of first refusal, and any right we have to purchase the Special Opportunities Location under this Agreement. We may consider a written request from you for an exception to allow you to transfer this Agreement and the Special Opportunities Location separately to another franchisee of ours, or for you to retain this Agreement and the Special Opportunities Location and separately transfer the Nearby Restaurant Franchise Agreement and the Nearby Restaurant. The purchasing franchisee (or you) must own a licensed Subway® restaurant which can serve as a substitute Nearby Restaurant in compliance with our policies and procedures. The purchasing franchisee (or you) must also be in full compliance with the Franchise Agreement for the substitute Nearby Restaurant and with the Operations Manual. The transfer must also satisfy the provisions of the Franchise Agreement. Any transfer of this Agreement will not extend the term beyond the original term provided in the Franchise Agreement.
- IX. You acknowledge and agree we have not made any promises or guarantees we can obtain a Sublease for the location identified in the Franchise Agreement, or that we will give the location our final approval. You agree that if we do not obtain a Sublease for the location or if we do not grant final approval for the location, and in either case we do not offer you a Sub-Sublease for the premises within ninety (90) days, your only remedy will be to terminate this Agreement and receive a refund of the initial Franchise Fee if you qualify under the conditions provided in the Franchise Agreement.
- X. The Franchise Agreement, as amended and supplemented by this Rider, contains the entire understanding of the parties. The parties can amend the Franchise Agreement further only in a signed writing. The provisions of the Franchise Agreement, as amended and supplemented by this Rider, are ratified and affirmed. To the extent the terms of this Rider and the terms of the Franchise Agreement conflict, the terms of this Rider shall control.
- XI. You acknowledge and agree you read and understand this Rider and the Franchise Agreement, and consent to be bound by all the terms and conditions of the Franchise Agreement, as amended and supplemented by this Rider.

IN WITNESS WHEREOF, the parties have executed this Rider, as of the Effective Date.

Subway Realty, LLC (Sub-Sublandlord)

Subway Franchisee (Sub-Subtenant)

I hereby offer to sub-sublease from Subway Realty, LLC (Sub-Sublandlord) the following described premises located within Walmart: _____

for a period beginning approximately, _____, and ending approximately _____, plus renewal options, if exercised. I understand that the asking rental on the premises for the first year is based upon sales generated from the operation of the Subway® restaurant and snack bar if applicable.

It is agreed and understood that pursuant to a Master Lease Agreement dated the 31st day of March 2010, Walmart Stores, Inc., Walmart Stores East, LP, Walmart Louisiana, LLC and Walmart Texas, LLC (the "Master Landlord"), leased space within certain of its retail establishments ("Walmart stores") solely for the purpose of operating Subway® restaurants to Twin Towers Trading Site Management, LLC ("TTTSM"), a Nevada limited liability company. The Sub-Sublandlord entered into a Master Sublease Agreement with TTTSM dated March 31, 2010 (the "Master Sublease") for the purpose of further subletting the leased premises to franchisees of Doctor's Associates LLC to be used as a Subway® restaurant and snack bar located within a Walmart store. Pursuant to the Master Sublease, TTTSM and Sub-Sublandlord will execute a sublease for each restaurant premise within a Walmart store (the "Sublease") that is specifically incorporated into the Master Sublease. The selection of these premises for utilization as a Subway® restaurant has been based upon the joint approval of Doctor's Associates LLC, the Sub-Sublandlord and myself. I have made an independent evaluation of the location and have concluded that the location has a reasonable opportunity of success as a Subway® restaurant. However, I understand and acknowledge that no representations of potential sales or earnings have been made to me by Doctor's Associates LLC, the Sub-Sublandlord, nor any affiliate, nor their respective employees or agents, as to this or any other location. The Sub-Subtenant acknowledges and is aware that the success or lack thereof of any particular Subway® restaurant within a Walmart store is unknown.

It is agreed and understood that Sub-Sublandlord entered into the Master Sublease for the purpose of subletting the aforesaid premises to me to be used as a restaurant and snack bar pursuant to a Franchise Agreement with Doctor's Associates LLC. I agree and understand that each person signing said Franchise Agreement as franchisee must also sign the Sub-Sublease Agreement as Sub-Subtenant. I acknowledge that I can assign or further sublet only to a Subway® franchisee and that I must obtain the Sub-Sublandlord's prior written consent to the assignment or subletting. I understand that if I do assign or sublet the premises with Sub-Sublandlord's consent, this consent shall not operate to release me from my obligations under the Sub-Sublease Agreement.

Upon receipt of a copy of the executed Master Sublease, including the executed Sublease, I agree to execute two original copies of the Sub-Sublease Agreement for this location within seven (7) days. My refusal to execute the Sub-Sublease Agreement within this time frame will authorize the Sub-Sublandlord to offer this location to another Subway® franchisee. Further, I agree that the advance payment and placement fee paid in accordance with this document will not be refunded in the event that I fail to properly execute the Sub-Sublease Agreement within ten (10) days after receipt of a copy of the executed Master Sublease.

I have received and reviewed the proposed Master Sublease, including the Sublease, and Sub-Sublease Agreement for the demised premises. I understand the financial terms have been agreed upon and it is in its final form. I understand that the Sublease shall be executed upon acceptance by the TTTSM of our Intent to Sub-Sublease.

I hereby enclose a check, payable to Subway Realty, LLC, in the amount of \$1,500.00, which is the advance payment and placement fee due under the Sub-Sublease Agreement. I understand that Sub-Sublandlord will make payment to TTTSM with the above-referenced funds.

QB\66367770.666367770.7

I also agree to furnish Sub-Sublandlord with proof of insurance in the amount and form stipulated in the Master Sublease prior to entering into possession of the premises.

SUB-SUBLICENSE AGREEMENT FOR WALMART LOCATIONS

This Sub-Sublicense Agreement (this "Agreement") is made by and between Subway Realty, LLC ("Sub-Sublicensor") and _____ ("Sub-Sublicensee") dated _____.

WHEREAS,

(A) Pursuant to a Second Master Relationship Agreement dated the 19th day of May 2004, Walmart Stores, Inc., a Delaware Corporation having a principal address at 1300 S.E. 8th Street, Bentonville, AR 72716-0305 ("Licensor"), licensed space within its retail establishments solely for the purpose of operating food service businesses under the trade name "Subway" to Twin Towers Trading Site Management, LLC ("TTTSM"), a Nevada limited liability company having an address at 5 Shaws Cove, Suite 203, New London, CT 06320.

(B) The Sub-Sublicensor is the Concessionaire under a certain Sublicense Agreement made between it and TTTSM dated the 10th day of June 2004 (the "Sublicense Agreement") which outlines the rights to operate Subway[®] restaurants within premises commonly known as Walmart stores. A copy of the Sublicense Agreement is annexed hereto and incorporated herein. In accordance with the terms of the Sublicense Agreement, the Sub-Sublicensor further grants licenses to franchisees of Doctor's Associates LLC ("Subway[®] franchisees") for the operation of Subway[®] restaurants to be located within a Walmart store.

(C) The Sub-Sublicensor and Sub-Sublicensee agree that the purpose of this Agreement is to allow the Sub-Sublicensee to operate a Subway[®] restaurant at a Walmart store location with an address at _____ under the terms of the Sublicense Agreement attached hereto and the Franchise Agreement with Doctor's Associates LLC dated _____ (the "Franchise Agreement").

NOW IT IS HEREBY AGREED AS FOLLOWS:

(1) The Sub-Sublicensee has inspected the premises (as identified in Schedule A attached hereto) and accepts the same as is. The Sub-Sublicensee acknowledges and is aware that the success or lack thereof of any particular Subway[®] restaurant within a Walmart store is unknown. The Sub-Sublicensee has made its own independent determination of the viability within this particular location and is relying on no representations whatsoever as to the profitability, ease of operation, success or failure, costs to construct, of this or any other Subway[®] restaurant located within a Walmart store. The Sub-Sublicensee is also aware that since this is a new venture between the parties, changes may need to be incorporated into the documents and the parties agree to negotiate in good faith to modify this Agreement as necessary.

(2) The Sub-Sublicensor hereby sub-sublicenses the premises to the Sub-Sublicensee for the term of _____ year(s), commencing _____ at the license fee called for in the Sublicense Agreement annexed hereto, plus all charges such as common area charges, maintenance, insurance, tax, and license fee escalations. Sub-Sublicensee and the Licensor agree that either party may elect to end this Sub-Sublicense at any time upon providing one hundred eighty (180) days written notice. If the Licensor elects to terminate this Sub-Sublicense, the Licensor will pay to the Sub-Sublicensee twenty (20%) of the gross sales for the Subway[®] restaurant for the six (6) months prior to the termination of this Sub-Sublicense. If the Sub-Sublicensee elects to terminate the Sub-Sublicense, the Sub-Sublicensee will pay to the Licensor an early termination fee equal to six (6) months of licensing fees, utilities, and grease trap maintenance (if applicable). These amounts will be based on the Sub-Sublicensee's average payments for licensing fees, utilities, and grease trap maintenance for the previous twelve (12) month period. Any future renewal of the Sub-Sublicense for an additional period of time will be at the option of the Licensor.

(3) The Sub-Sublicensee agrees to perform and observe all of the obligations of the Sub-Sublicensor under the Sublicense Agreement and make all license fee payments directly to TTTSM in the manner set forth in the Sublicense Agreement. In addition to any indemnity and insurance provisions contained in the Sublicense Agreement, the Sub-Sublicensee agrees at all times during the term of this Agreement and for such prior or further term as a Sub-Sublicensee occupies or has possession of the premises, and thereafter relating to such period of occupancy, to

indemnify, defend, and hold harmless the Sub-Sublicensor and its affiliates, and the shareholders, officers, directors, employees, and agents of the Sub-Sublicensor and its affiliates, from and against all liability, injury, loss, cost (including attorneys' fees), damage and expense in respect of any injury or death of any persons and/or damage to any property while on the premises and to obtain and maintain insurance in accordance with the Sublicense Agreement and the Franchise Agreement naming all such indemnified persons as additional insureds.

(4) The Sub-Sublicensor acknowledges receipt from the Sub-Sublicensee of the sum of \$ 1,500.00 DOLLARS, which has or shall be paid to TTSM as the placement fee and administration fee referred to in the Sublicense Agreement.

(5) If at any time during the term of this Agreement, Sub-Sublicensee shall default in the performance of any of the terms of the Sublicense Agreement or the Franchise Agreement, Sub-Sublicensor may terminate this Agreement on ten (10) days written notice to Sub-Sublicensee, and upon such termination, Sub-Sublicensee shall quit and surrender the leased premises to Sub-Sublicensor but Sub-Sublicensee shall remain liable for the balance of the license fee due as provided in this Agreement. Sub-Sublicensee agrees that upon such default the TTSM may demand, receive and collect any monies due or thereafter falling due without in any manner effecting such default or any notice of suit, action, order or judgment related to the default. Upon termination of this Agreement, any payment made by the Sub-Sublicensee to the Sub-Sublicensor, TTSM, Licensor or any court shall not: a) reinstate, continue or extend the term of this Agreement; b) effect any notice previously given to the Sub-Sublicensee; or c) operate as a waiver of the right of the Sub-Sublicensor to recover possession of the demised premises by proper suit, action, proceeding or remedy. All monies collected shall be deemed to be payments made in accordance with the terms of this Agreement or applied toward any outstanding balances owed by the Sub-Sublicensee. The parties agree that trial by jury shall be waived in the event of litigation. The Sub-Sublicensee agrees to pay to the Sub-Sublicensor upon demand, as additional license fees, any fees, costs or charges, including attorneys' fees and legal costs, incurred by the Sub-Sublicensor in enforcing any of the terms or provisions of this Agreement, including without limitation for collecting any unpaid or late license fee amounts or eviction proceedings. The Sub-Sublicensor may charge interest on all past due amounts at the maximum legal rate in the jurisdiction in which the Subway® restaurant is located.

(6) The Sub-Sublicensee may assign the rights in the Sub-Sublicense Agreement only to a franchisee of Doctor's Associates LLC for use as a Subway® restaurant, provided that the prior written consent to the subletting is obtained from the Sub-Sublicensor, which consent shall not be unreasonably withheld. If Sub-Sublicensor consents to the subletting of the premises, this consent shall not operate to release the Sub-Sublicensee from his obligations under this Agreement.

(7) The Sub-Sublicensor is hereby conveying to the Sub-Sublicensee, subject to the terms and conditions of this Agreement, only those rights to the aforesaid premises acquired by virtue of the Sublicense Agreement. The Sublicense Agreement describes the Licensor's and/or TTSM's duties which the Sub-Sublicensor is not obligated to perform. If the Licensor or TTSM fails to perform his duties under the Sublicense Agreement, the Sub-Sublicensee must send Sub-Sublicensor a notice by certified mail or a mail service which uses a tracking system such as Federal Express or Airborne Express, describing the Licensor's or TTSM's default in detail. Upon receipt of the notice, the Sub-Sublicensor shall then promptly notify the Licensor or TTSM and demand performance of the agreement contained in the Sublicense Agreement. In the event Sub-Sublicensee wishes to engage the services of an attorney to settle any disputes arising out of the Sublicense Agreement, all fees and costs shall be borne by the Sub-Sublicensee, it being understood that Sub-Sublicensor is under no obligation to bring or defend any action brought by or against the Sub-Sublicensee, the Sub-Sublicensor, TTSM or the Licensor.

(8) The Sub-Sublicensee shall not make any agreement with the Licensor or TTSM which could modify, cancel or terminate the Sublicense Agreement.

(9) The Sub-Sublicensor may terminate this Agreement on ten (10) days written notice and Sub-Sublicensor may offer this location to another franchisee of Doctor's Associates LLC if: a) the Sub-Sublicensee does not commence construction of the premises within fifteen (15) days after obtaining occupancy from the Licensor or TTSM by expeditiously ordering his equipment, submitting all necessary funds, making application for required permits and licenses; and b) the Sub-Sublicensee does not complete the build-out of the store and then open the store within sixty (60) days after occupancy. In such an event, the Sub-Sublicensee understands that the placement fee and administrative fee referred to in Paragraph 4 will not be refunded.

(10) The Sub-Sublicensee acknowledges that he has read the Franchise Disclosure Document and Operations Manual of Doctor's Associates LLC, the Franchise Agreement and the Sublicense Agreement, and agrees to build and operate his franchise in compliance with these agreements. The Sub-Sublicensee understands that the success, if any, of any given Subway® restaurant is the responsibility of the franchisee and he also acknowledges that representations of sales or earnings have not been made to him by Doctor's Associates LLC.'s employees or agents as to this or any other location. The Sub-Sublicensee further understands that menu items may include snack bar and beverage bar related items and that the operation within a Walmart store may require the Sub-Sublicensee to operate a snack bar and beverage bar and offer items not typically found in all Subway® restaurants. The Sub-Sublicensee agrees to do so and to pay royalties and advertising charges on sales from these items as it would any other item offered for sale within a Subway® restaurant.

(11) The Sub-Sublicensee understands that the building or the premises contained within the building (the "Building") must comply with the requirements of the Americans with Disabilities Act of 1990 (ADA) and other applicable codes or ordinances. The Sub-Sublicensee acknowledges that under certain circumstances the Concessionaire under the Sublicense Agreement may have the responsibility and obligation to ensure that the Building complies with the ADA and other applicable codes or ordinances. Under these circumstances, the Sub-Sublicensee understands and acknowledges that it will be the Sub-Sublicensee's responsibility for said compliance and the Sub-Sublicensee shall bear all costs associated therewith. The Licensor or TTSM may also have certain responsibilities and obligations to ensure that the Building is in compliance with the ADA or other applicable codes. In consideration of the Sub-Sublicensor executing this Agreement, the Sub-Sublicensee further agrees to indemnify the Sub-Sublicensor for any legal fees, other expenses and damages ensuing from any lawsuit, government investigation or government enforcement action brought by an individual, group of individuals or any government agency for violation of the ADA or other applicable codes or ordinances.

(12) This Agreement must be signed by each individual who signed the Franchise Agreement as franchisee, each of whom shall be jointly and severally liable under this Agreement. This Agreement contains the entire agreement between the Sub-Sublicensor and the Sub-Sublicensee with respect to the premises. This Agreement may only be amended or provisions hereof waived or modified, in writing.

(13) Sub-Sublicensee agrees to sell any and all items agreed and authorized by Sub-Sublicensor.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first written above.

WALMART ADDENDUM

This Addendum amends and supplements the “Franchise Disclosure Document for Prospective Franchisees as Required by the Federal Trade Commission” dated April 25, 2023, ~~amended August 30, 2023~~ (the “Franchise Disclosure Document”) issued by Doctor’s Associates LLC.

Item 1

THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

Walmart Locations. We offer franchises for restaurants to be located within the premises of retail establishments owned by Walmart Stores, Inc., Walmart Stores East, LP, Walmart Louisiana, LLC and Walmart Texas, LLC (“Walmart”). Pursuant to a Master Lease Agreement dated March 31, 2010, Walmart leased space within certain Walmart stores to Twin Towers Trading Site Management, LLC (“TTTSM”) solely for the purpose of operating Subway® restaurants (“Master Lease Location”). On March 31, 2010, TTTSM entered into a Master Sublease Agreement with SRL. Under the terms of the Master Sublease, a sublease will be executed between TTTSM and SRL for each restaurant premises and will be incorporated into the Master Sublease. If your restaurant will be located within a Walmart store, you will enter into a Sub-Sublease Agreement with SRL for the premises (the “Sub-Sublease”), in a form substantially similar to Exhibit A-4-2.

Walmart location franchises are sold for specific locations and are operated as full service restaurants but may be, in limited circumstances, operated as a satellite location. If you purchase a franchise for to be located in a Walmart, you will be required to sell any items agreed and authorized by us which will include additional snack menu items not typically found in all Subway® restaurants. You are required to participate in a snack program and offer an expanded menu of snack items. The Franchise Agreement for a Walmart location consists of our standard form of the Franchise Agreement and Walmart Location Rider.

We may designate certain Subway® restaurants to be located within a Walmart store as a “Special Opportunities Location”. To qualify, all of your existing restaurants must be in substantial compliance (as defined in the Operations Manual) and there must be no defaults under any of your Franchise Agreements. You must have an existing Subway® restaurant which is close in proximity to the Walmart store where your restaurant will be located (the “Nearby Restaurant”). The Nearby Restaurant must be operating at all times during the term of your Franchise Agreement for the Special Opportunities Location. Your Special Opportunities Location will be a full service restaurant, operating independently of your Nearby Restaurant. When determining the eligibility of a proposed Walmart store location as a Special Opportunities Location, we consider the following factors: proximity to existing restaurants, the size of the restaurant, market density and population in the area surrounding the Walmart store and the annual sales and transaction amounts of the Walmart store in which the restaurant will be located. Designation of a site as a Special Opportunities Location is at our sole unrestricted discretion and is not guaranteed, even if it falls under one of the factors listed above.

We grant the franchise for a Special Opportunities location separately and under a different agreement from the franchise for the Nearby Restaurant. The Franchise Agreement for a Walmart Special Opportunities Location consists of our standard form of the Franchise Agreement, the Walmart Location Rider and the Walmart Special Opportunities Location Rider. If the Franchise Agreement or lease for the Nearby Restaurant terminates or expires, the Special Opportunities Location Rider will have no further force and effect immediately upon such termination or expiration, with the exception of the term of agreement provided in Paragraph VI of the Special Opportunities Location Rider.

We may allow you to open a satellite restaurant within a Walmart store. The qualifications necessary for approval to operate a Walmart satellite restaurant are the same as those for a standard satellite restaurant. If the Franchise Agreement for the Base Restaurant or the lease for the Base Restaurant terminates or expires, you must convert your satellite restaurant into a self-sufficient full service restaurant. The Franchise Agreement for a Walmart satellite location consists of our standard form of Franchise Agreement, the Walmart Location Rider and the Walmart Satellite Rider. Certain terms of the Walmart Satellite Rider vary from the terms of our standard Satellite Rider. Provisions in this Disclosure Document concerning satellite locations pertain to Walmart satellite locations, unless otherwise stated.

If you are interested in a satellite, non-traditional, school lunch, community development, Walmart satellite, Walmart special opportunity or Walmart location, you should read the riders for these locations and this Disclosure Document carefully. These riders amend the standard form franchise agreement in several very important respects. We offer non-traditional restaurants, satellite restaurants, community development restaurants, school lunch restaurants, Walmart location restaurants, Walmart satellite restaurants, and Walmart special opportunity restaurants by this Disclosure Document. We set out the disclosure differences regarding the licensing of these locations in the relevant Items. Except where we point out these differences, references throughout this Disclosure Document to a restaurant and a Franchise Agreement also apply to a non-traditional location, a satellite location, a community development location, a school lunch location, a Walmart location, a Walmart satellite location, a Walmart special opportunity location, and the Franchise Agreement for these locations.

If you are operating a co-branded Walmart location, you may be required under the terms of the Master Sublease to continue operating it as a co-branded location throughout the term of your Sub-Sublease, including any extension. In the event you elect to discontinue operating the third party franchisor's concept currently operating at your co-branded Walmart location, you may be required to operate a replacement third party franchisor's concept ("Replacement Concept"), which has been approved by us. You may be required under the terms of the Master Sublease to begin operation of the Replacement Concept at your Walmart location within 120 days after you have ceased operation of the previous third party franchisor's concept. You may have additional time to open the Replacement Concept, if you have diligently pursued its opening and can demonstrate to us that the delayed opening of the Replacement Concept is due to circumstances beyond your control. You may be required under the terms of the Master Sublease to operate each third party concept operating at your Walmart location for a minimum of 12 consecutive months.

Item 5 INITIAL FEES

If the satellite restaurant will be located in a Walmart store, we may terminate the Franchise Agreement after 90 days and refund the satellite franchise fee if SRL disapproves or does not obtain a Sublease for the location. We will not refund the satellite franchise fee if it is your fault we disapprove the location or SRL cannot offer you a Sub-Sublease.

The initial franchise fee for a Walmart Special Opportunities Location is \$5,000. We may refund the Walmart Special Opportunities franchise fee if we terminate the Franchise Agreement after 90 days because (1) SRL does not obtain a Sublease for the premises which contains basic economic terms (for example rent, square footage and length of term) previously consented to by you, and offer you a Sub-Sublease, or (2) we do not give final approval to the location.

If your restaurant will be located within a Walmart store, you must sign a Sub-Sublease rather than a Sublease within 1 year after signing the Franchise Agreement.

Also, the extension fee does not apply to a Walmart satellite or special opportunities location.

All sales from any snack items will be included in gross sales.

Add to Note 2:

Each month you will pay a rent/license fee for your restaurant to TTTSM in accordance with the terms of the Master Sublease and Sub-Sublease. The rent/license fee will be a set fee, which will be determined by the monthly gross sales of your Restaurant. TTTSM may require a right of first refusal if you want to transfer your restaurant. SRL may assess late payment fees and other costs arising from administration of the Master Sublease, and has the same rights as TTTSM on default to charge you for certain fees, to carry out repairs, and to recover costs.

If your restaurant is co-branded, you will pay rent separately for the other concept in accordance with the terms of the Master Lease. If you discontinue operating the third party franchisor's concept currently operating at your co-branded Walmart location, your Master Sublease may require you to operate a Replacement Concept, which has been approved by us. There will be additional costs associated with the construction and operation of the Replacement Concept.

If you are purchasing through a transfer a Walmart location that is currently operating under a Sub-Sublicense that was recently renewed, you will pay to Walmart a licensing fee each month.

Item 7
ESTIMATED INITIAL INVESTMENT

If your restaurant will be located within a Walmart store, your initial investment may vary from the chart above, depending on the equipment you have to buy or changes you must make in construction improvements. Also, you are required to offer additional snack menu items not typically offered in Subway® restaurants and participate in snack programs (such as the current, required "Just-A-Snack Program"), which offer an expanded menu of snack items. As a result, you will have additional investment costs. We estimate your costs to offer additional snack items to be approximately \$1,000 and your costs to participate in the Just-A-Snack Program to be an additional \$1,000 to \$5,000.

If you will be constructing a new restaurant or relocating your restaurant within another Walmart location, you must pay a Leasehold Improvement Charge ranging from \$48,000 to \$65,000 in addition to any necessary construction improvements. The Leasehold Improvement Charge will be waived only if you are expanding a restaurant constructed within a Walmart store. If you are constructing, relocating, or expanding your restaurant, you will also be required to pay a fee of \$4,500 for required architectural sealed plans for mechanical, electric and plumbing drafted by an architect designated by Walmart. In the future, Walmart may require you to use additional equipment or make other changes to your restaurant, such as install a fire alarm system, and you may incur additional costs. We estimate that the installation of a fire alarm system may range from \$1,000 to \$3,500, but actual costs may vary and may be higher or lower than these estimates.

If your restaurant will be located within a Walmart store, you must sign a Sub-Sublease for the premises with SRL. If you are obtaining an SBA loan to construct or purchase a restaurant located within a Walmart store and are assigning your right to operate it to an operating entity, your operating entity must be a party to the Sub-Sublease. You will not be required to pay a security deposit. However, you will be required to pay TTTSM an advance payment and placement fee of \$1,500.

If you are purchasing a franchise for a Walmart location through a transfer that is currently operating under a recently renewed Sub-Sublicense, you or Walmart will have the option to terminate the Sub-Sublicense at any time upon providing 180 days' written notice. If Walmart elects to terminate your Sub-Sublicense, you will receive from Walmart an early termination fee equal to 20% of your gross sales for the 6 months prior to the termination of your Sub-Sublicense. If you elect to terminate your Sub-Sublicense, you will pay to Walmart an early termination fee equal to 6 months of licensing fees, utilities, and grease trap maintenance (if applicable). These amounts will be based on your average payments for licensing fees, utilities, and grease trap maintenance for the previous 12 month period. Any future renewal of your Sub-Sublicense for an additional period of time will be at the option of Walmart.

If your restaurant will be located in a new Walmart store, participation in the Walmart store grand opening event is not required, but is strongly encouraged; however, your restaurant must be open for business on the Walmart store grand opening day. You will be required to hold a separate grand opening sale for your restaurant at a later date.

Apart from: (1) providing financing of \$10,000 of the full \$15,000 franchise fee for certain first time franchisees under our minority loan program; (2) the equipment leasing program; (3) entering into the master lease and subleasing the restaurant premises to you; (4) loans in connection with a Subway® restaurant; and (5) financing of the Technology Enhancement Fee for existing restaurants, we and our affiliates do not offer assistance or financing to you directly or indirectly. The above costs are not refundable except the Equipment Lease security deposit, the location security deposit (depending upon the terms of the master lease), and utility deposits (depending on the terms set by each local utility), as long as you are in compliance; and (6) SRL entering into a Master Sublease for restaurants to be located within Walmart stores and sub-subletting the premises within a particular Walmart store to you;

Item 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

If you will be constructing a new restaurant or expanding an existing restaurant located within a Walmart store, you are required to have architectural plans sealed for mechanical, electrical and plumbing drafted by an architect designated by Walmart.

SRL has entered into a Master Sublease Agreement with TTTSM to sublease space for the operation of Subway® restaurants within Walmart stores. Pursuant to the Master Sublease, a Sublease will be executed between TTTSM and SRL for each restaurant premises within a Walmart store that is specifically incorporated into the Master Sublease. If your restaurant will be located within a Walmart store, you will enter into a Sub-Sublease with SRL for the premises. The Sub-Sublease provides for a pass-through of the costs and obligations of the Master Sublease to you. We and SRL do not receive a profit under your Sub-Sublease. SRL may assess late payment fees and other costs arising from the administration of the Master Sublease, and has the same rights as TTTSM on default to charge you for certain fees, to carry out repairs, and to recover costs. We and SRL have an interest in compensation that may often include, but is not limited to, lost royalties, loss of market penetration, extended down time and other factors associated with the termination of the Master Sublease and/or the Sublease. We estimate the required sub-subleasing represents 4% to 11% of your total purchases for the establishment of your restaurant and 7% to 15% of your overall purchases in operating your restaurant. We and SRL had no sub-subleasing revenue in 2018.

Add the following item to the list of items you will buy infrequently and for which we have only one approved supplier:

Exterior 22” LED channel letter Sign for Walmart locations. The interior sign must be the largest allowable that will fit without extending beyond the opening of the restaurant. If electricity is available in the soffit, you must use a LED sign.

ICEE: At present, we have only one approved supplier for the products or equipment necessary to offer the required ICEE additional snack menu item, which is required for all restaurants located within a Walmart store. The ICEE equipment is available to you at no additional cost, provided you have the necessary electrical upgrades for your location.

In connection with the required Just-A-Snack Program, there may be only one approved supplier for some of the equipment or products you will need to purchase, including but not limited to, a cheese dispenser.

A new marketing and special occurrence fund has been established to provide advertising and marketing assistance and an emergency assistance for special occurrences within a Walmart store for all Subway® franchisees operating a restaurant within a Walmart store. Advertising and marketing assistance includes Walmart storewide advertising and marketing campaigns, individual store marketing, local marketing and purchase of promotional and advertising materials. The fund is managed by a committee comprised of representatives of FWH and TTTSM. Monthly contributions are made by TTTSM to the fund for each restaurant operating under a Sub-Sublease with SRL. Franchisees must apply for financial assistance or restitution needed in connection with a special occurrence within a Walmart store. TTTSM will not make a monthly contribution for twelve months for any restaurant receiving a credit toward the CAM/Utility Fee.

Item 10 FINANCING

If your restaurant will be located within a Walmart store, SRL entered into a Master Sublease Agreement, including a Sublease for each leased restaurant premises, with TTTSM, and it further sub-subleases the premises to you. The landlord is Walmart. You will pay your rent/license fee directly to TTTSM in accordance with the Master Lease and Sub-Sublease that you enter into with SRL. We and SRL have an interest in compensation that often may include, but is not limited to, lost royalties, loss of market penetration, extended down time and other factors associated with the termination of the Master Sublease, or the Sublease pertaining to an individual restaurant premises. You should read the Master Sublease, including the Sublease, and the Sub-Sublease carefully.

The individuals who sign the Franchise Agreement must also sign the Sub-Sublease and are personally liable for payments under the Sub-Sublease. If you default under the provisions of the Master Sublease, SRL may terminate the Sub-Sublease on 10 days' written notice, and you must surrender and leave the premises. See Sub-Sublease Sections 1 and 5. A default of the Sub-Sublease is a default of the Franchise Agreement and we may terminate your Franchise Agreement. Conversely, a default under your Franchise Agreement will be a default under your Sub-Sublease. See Sub-Sublease Section 8. In such case, SRL may evict you if you do not leave. Any action to enforce SRL's rights against you under the Sub-Sublease is not considered an arbitrable dispute under the Franchise Agreement, and is not subject to the arbitration required under the Franchise Agreement. You will remain liable for payment of the balance of the rent due under the Master Sublease and Sublease, and you will be liable for attorneys' fees and other legal and court costs SRL may incur in enforcing the Sub-Sublease. See Sub-Sublease Section 8. SRL may charge you interest on all past due amounts at the rate provided in the Master Sublease. See Sub-Sublease, Section 3.

Item 11

FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Pre-Opening Obligations:

1. Initial training, at times and locations we designate (Franchise Agreement, Subparagraph 4.a., Walmart Location Rider, Paragraph II; Walmart Satellite Rider Paragraph I; Walmart Special Opportunities Location Rider Paragraph II).

Item 12

TERRITORY

If you relocate a Walmart special opportunities restaurant, or if you relocate a Walmart satellite restaurant to a location not within a Walmart store, your Franchise Agreement or Satellite Franchise Agreement (as applicable) will automatically expire. Promptly after the Sub-Sublease expires or is terminated, you must sign our then-current form of Franchise Agreement or Satellite Franchise Agreement (as applicable), as well as our then-current form of Sublease, or an Approved Lease, for the new location. If you relocate the restaurant to a location that is not within a Walmart store, the Walmart Location Rider will have no further force or effect. You will abide by the terms of the Franchise Agreement without any modification by the Walmart Location Rider.

Under Paragraph XI of the Walmart Location Rider, if TTTSM terminates the Master Sublease or the Sublease for the premises and an arbitrator or court determines you did not breach the Sub-Sublease Agreement, but it was our fault or SRL's fault that TTTSM terminated the Master Sublease or Sublease, then our obligation to you will be limited to the cost of your leasehold improvements less depreciation using a 5 year life under the straight-line method. We will pay you when you reopen the restaurant in a new location. If the arbitrator or court determines you breached the Sub-Sublease Agreement or it was not our fault or SRL's fault that TTTSM terminated the Master Sublease or Sublease, we and SRL will have no obligation to you for such termination.

In accordance with the terms of the Master Sublease, Walmart will have the right to terminate your Sub-Sublease without cause at any time, with prior written notice to you. The termination date of your Sub-Sublease will be effective 9 months from the date of receipt of your written notice of termination. Walmart shall not have the right to terminate your Sub-Sublease if your restaurant has a capture rate of at least 3.5% (the "Capture Rate"). The Capture Rate is equal to the average sales transactions for your restaurant for the immediately previous 52 weeks divided by the average sales transactions for the Walmart store in which your restaurant is located in for the immediately previous 52 weeks. If your restaurant has a capture rate below 3.5%, Walmart will have the right to terminate your Sub-Sublease.

If Walmart elects to terminate your Sub-Sublease at any time during the initial 10 year term without cause or because the Capture Rate of your restaurant is at or below 3.5%, Walmart will pay you an early termination fee (the "Early Termination Fee"). The Early Termination Fee will be equal to 20% of your reported monthly gross sales for the 12 month period preceding the termination date of your Sub-Sublease, discounted at 10% for each year remaining on the term of your Sub-Sublease.

If you have exercised your option to extend your Sub-Sublease for an additional 5 year period upon expiration of the initial term of your Sub-Sublease and Walmart elects to terminate your Sub-Sublease at any time during this period

without cause or because the Capture Rate of your restaurant is at or below 3.5%, Walmart will reimburse you for the unamortized capital expended to remodel your restaurant, including any improvements and/or fixture/equipment upgrades (the “Extension Option Reimbursement”). You will not be reimbursed for any small ware upgrades and/or capital leases signed. In order to qualify for the Extension Option Reimbursement, the capital must have been expended within 9 months (either before or after) of the first day of the 5 year extension period. Amortization shall occur on a straight-line basis over the first 24 calendar months (calculated in no less than monthly increments) of the 5 year extension period, regardless of when capital is actually placed in service.

If you are purchasing an existing Walmart location with an existing Sub-Sublease signed prior to January 22, 2016, the above provisions shall not apply.

Walmart locations and Walmart special opportunities locations are issued for specific identified locations as well.

If your restaurant will be located with a Walmart store, the Walmart store may offer sandwiches and/or submarines in the deli or other area of the store that may compete with your restaurant.

Item 17

RENEWAL, TERMINATION, TRANSFER AND DISPUTE RESOLUTION

Add the following at the end of the first paragraph of Item 17:

Walmart Location Rider (“WLR”), Walmart Satellite Rider (“WSR”), Walmart Special Opportunities Location Rider (“WSOLR”) (each, Exhibit A-4).

Add the following new entry after the last paragraph in Item a:

WLR Paragraph II

If you sign the Walmart Location Rider, the term is 20 years, but if we or SRL cannot offer you a Sub-Sublease for the restaurant or we disapprove the location within 1 year after the franchise purchase, the Walmart Location Rider will automatically terminate and the franchise will be deemed a standard franchise. We will terminate the franchise and refund the franchise fee provided you send us prior written notice no later than 60 days after termination of the Walmart Location Rider.

WSR Paragraphs I, VII

Term for a Walmart satellite restaurant is 5 years and will automatically renew for an additional 5 years unless either party sends written notice not to renew at least 6 months prior to expiration of the first 5 year period. You must sign the Sub-Sublease Agreement within 90 days of the satellite franchise purchase or the Walmart satellite Franchise Agreement automatically expires, with no right to any extension. Either party may terminate the Walmart satellite Franchise Agreement by notice if we or our designee are not able to offer a Sub-Sublease Agreement or disapproves the location within 90 days of franchise purchase.

WSOLR Paragraphs II, VI

Term for a Walmart special opportunities location is 5 years and will automatically renew for an additional 5 years unless either party sends written notice not to renew at least 6 months prior to expiration of the first 5 year period. You must sign the Sub-Sublease Agreement within 90 days of the special opportunities location franchise purchase or the Walmart Special Opportunities Location Franchise Agreement automatically expires, with no right to any extension. Either party may terminate the Walmart Special Opportunities Location Franchise Agreement by notice if we or our designee are not able to offer a Sub-Sublease Agreement or disapproves the location within 90 days of franchise purchase.

Add the following new entry after the last paragraph in Item b:

WSR Paragraph VII;
WSOLR, Paragraph II

Your franchise will automatically renew for an additional 5 years unless either party chooses not to renew and sends written notice to the other at least 6 months prior to expiration of the Franchise Agreement. We have the right to refuse to renew if you are not in full compliance.

Add the phrase “WSR Paragraph VIII.B” to the second column of Item m. concerning satellite restaurants.

Add the following at the end of Item m.:

WSOLR Paragraph VIII

You cannot transfer a Walmart special opportunities location restaurant and its Franchise Agreement separately from the Nearby Restaurant and its Franchise Agreement. You must transfer the Walmart special opportunities location to the same buyer if you transfer the Nearby Restaurant. We may make an exception and allow you to transfer the special opportunities restaurant separately or another franchisee to keep it, if the other franchisee or you have a restaurant that meets the requirements for a Nearby Restaurant, and the franchisee or you are in compliance under our Franchise Agreement and the Operations Manual.

Add the phrase “WSR Paragraph VIII.B” to the second column of Item n. concerning satellite restaurants.

Add the following new entry after the last paragraph in Item n.:

WSOLR Paragraph VIII

The option to repurchase applies to the Nearby Restaurant and any Walmart Special Opportunities Location restaurant together. See m. above.

Add the phrase “WSR Paragraph VIII.B.” to the second column of Item o. concerning satellite restaurants.

SUB-SUBLEASE FOR WALMART LOCATIONS

THIS AGREEMENT (the "Sub-Sublease"), dated _____ (the "Sub-Sublease Date"), by and between **SUBWAY REALTY, LLC**, a Delaware limited liability company, ("Sub-Sublandlord"), and «**Fran_1_**» «**Fran_2**» «**Fran_3**» «**Fran_4**» «**Fran_Entity_**», a/an «**Entity_State**» «**Entity_Type**» _____ ("Sub-Subtenant"), whose address is _____, with reference to the following facts.

A. Pursuant to a Master Lease Agreement dated the 31st day of March 2010 (the "Master Lease"), Walmart Stores, Inc., Walmart Stores East, LP, Walmart Louisiana, LLC and Walmart Texas, LLC (the "Master Landlord"), leased space within certain of its retail establishments solely for the purpose of operating food service businesses under the trade name "Subway" to Twin Towers Trading Site Management, LLC ("TTTSM"), a Nevada limited liability company having an address at 1880 N. Congress Avenue, Suite 215, Boynton Beach, FL 33426.

B. The Sub-Sublandlord is the Subtenant under a certain Master Sublease Agreement made between it and TTTSM dated the 31st day of March 2010 (the "Master Sublease") which outlines the rights to operate Subway® restaurants within premises commonly known as Walmart stores. Pursuant to the Master Sublease, TTTSM and Sub-Sublandlord will execute a sublease for each restaurant premises within a Walmart store (the "Sublease") that will be specifically incorporated into the Master Sublease. The Master Sublease and Sublease are collectively referred to herein as the "Master Sublease". In accordance with the terms of the Master Sublease, the Sub-Sublandlord further grants sub-subleases to franchisees of Doctor's Associates LLC for the operation of Subway® restaurants to be located within a Walmart store.

In consideration of the covenants contained in this Sub-Sublease, the parties agree as follows:

1 PROPERTY LEASED

1.1 **Demise.** Sub-Sublandlord leases to Sub-Subtenant and Sub-Subtenant leases from Sub-Sublandlord the premises described on Exhibit A attached hereto and made a part hereof (the "Premises"), subject to any and all reservations, restrictions, easements, rights of way, limitations and conditions of record, if any. The purpose of this Sub-Sublease is so that Sub-Subtenant can operate a SUBWAY® restaurant at a Walmart store location under the terms of a Franchise Agreement with Doctor's Associates LLC ("DAL") dated _____ under the franchise number provided above ("Franchise Agreement").

1.2 **Master Lease and Master Sublease.** Sub-Subtenant acknowledges that the Premises are subject to the Master Lease between Master Landlord and TTTSM and the Master Sublease between Sub-Sublandlord and TTTSM, copies of which are attached hereto as Exhibit B. Sub-Subtenant acknowledges that Exhibit B contains true and correct copies of the Master Lease and Master Sublease. Any conflict between this Section 1.2 and the other provisions of this Sub-Sublease shall be resolved in favor of this Section 1.2.

1.2.1 This Sub-Sublease is subject and subordinate to the Master Lease and Master Sublease. If the Master Lease or Master Sublease is terminated for any cause whatsoever, Sub-Subtenant shall promptly vacate and surrender the Premises to Sub-Sublandlord and this Sub-Sublease shall terminate as of the date of termination of the Master Lease or Master Sublease, whichever applies, and Sub-Sublandlord shall have no liability and/or obligation to Sub-Subtenant for the termination of the Sub-Sublease.

- 1.2.2 Notwithstanding the above, in accordance with the terms of the Master Lease, the Master Landlord will have the right to terminate this Sub-Sublease without cause at any time, with prior written notice.
- 1.2.3 Except as otherwise provided herein, all costs, common area maintenance fees, expenses, charges, assessments, and rent escalations accruing under the Master Sublease, any restrictions imposed upon Sub-Sublandlord thereunder, together with all repairs, replacements, restorations, and any other obligations required to be performed by Sub-Sublandlord, as Subtenant under the Master Sublease, shall be binding upon Sub-Subtenant herein. In the event the obligations and restrictions imposed on Sub-Subtenant under the Sub-Sublease conflict with the obligations and restrictions imposed upon Sub-Sublandlord, as Subtenant under the Master Sublease, then the more burdensome and restrictive of such obligations and restrictions shall prevail and be binding upon Sub-Subtenant herein.
- 1.2.4 With respect to any consent or approval required to be obtained of Master Landlord under the Master Lease or TTTSM under the Master Sublease (by way of illustration and without limitation, consent to alterations), Sub-Sublandlord's sole obligation with respect thereto, upon being requested in writing by Sub-Subtenant, shall be to seek the approval or consent of Master Landlord or TTTSM, as applicable. Sub-Subtenant acknowledges and agrees that Sub-Sublandlord shall not be liable to Sub-Subtenant with respect to any delay, default or failure of Master Landlord or TTTSM to grant such consent or approval or in the performance by the Master Landlord or TTTSM of its obligations and covenants under the Master Lease or Master Sublease unless such be due to acts or misconduct of Sub-Sublandlord and neither shall the Rent, Additional Rent and other Additional Charges under the Sub-Sublease abate nor shall any of the obligations of Sub-Subtenant under the Sub-Sublease be affected by reason thereof. Sub-Subtenant further acknowledges and agrees that, with respect to any rights afforded Sub-Sublandlord under the Master Sublease, including, but not limited to, any options to extend or renew the term of the Master Sublease, and restrictions against competition, such rights are not passed on to or conferred upon Sub-Subtenant under the Sub-Sublease. Sub-Subtenant acknowledges that only Sub-Sublandlord has the benefit of and the right to exercise or enforce such rights and the failure of Sub-Sublandlord to exercise or enforce such rights shall not be a default under the Sub-Sublease nor entitle Sub-Subtenant to make any claim against Sub-Sublandlord.
- 1.2.5 In the event the Master Sublease contains extension or renewal options, Sub-Subtenant agrees to provide written notice to Sub-Sublandlord and TTTSM of its desire to exercise its option at least one hundred eighty days (180) prior to the date on which Sub-Sublandlord must notify TTTSM of its intention to exercise its option to extend or renew the Master Sublease. Sub-Subtenant agrees that Sub-Sublandlord may elect not to extend or renew the Master Sublease if Sub-Subtenant fails to give Sub-Sublandlord and/or TTTSM notice as provided in this Subsection. Furthermore, Sub-Sublandlord may elect not to extend or renew the Master Sublease if Sub-Subtenant shall be in default in the performance of any of the terms of this Sub-Sublease, the Master Sublease, The Master Lease or the Franchise Agreement during the period one hundred eighty (180) days prior to the date Sub-Sublandlord must give notice to Master Landlord or TTTSM.
- 1.2.6 If Master Landlord or TTTSM fails to perform its duties under the Master Lease or Master Sublease, Sub-Subtenant must give written notice thereof to Sub-Sublandlord describing Master Landlord or TTTSM's default in detail. Upon receipt of the notice, Sub-Sublandlord shall then promptly notify Master Landlord and/or TTTSM and demand performance as required in the Master Lease or Master Sublease. In the event

Sub-Subtenant wishes to engage the services of an attorney to settle any disputes arising out of the Master Lease or Master Sublease, all fees and costs shall be borne by Sub-Subtenant, it being understood that Sub-Sublandlord is under no obligation to bring or defend any action brought by or against Sub-Subtenant, Sub-Sublandlord, TTTSM or Master Landlord.

- 1.2.7 Sub-Subtenant shall not make any agreement with TTTSM or Master Landlord which could modify, cancel or terminate the Master Lease, Master Sublease or Sublease.
- 1.3 **Covenant of Quiet Enjoyment.** Sub-Sublandlord promises, subject to Sub-Subtenant's performance of all of the terms and conditions of the Sub-Sublease, that Subtenant shall be entitled to the quiet and peaceful enjoyment and undisturbed possession of the Premises for the term of this Sub-Sublease.

2 TERM

- 2.1 **Term.** The term of this Sub-Sublease (the "Term") shall commence on _____, (the "Commencement Date"). The Term of this Sub-Sublease shall expire at midnight one full day before the expiration of the Master Sublease (the "Expiration Date") unless sooner terminated as provided in this Sub-Sublease.
- 2.2 **Possession.** Possession of the Premises shall be delivered to Sub-Subtenant on the Commencement Date or as provided in the Master Sublease, whichever is later.
- 2.3 **Holdover.** Sub-Subtenant may only hold over at the expiration of the Term with the written consent of Sub-Sublandlord. During such holdover tenancy, Sub-Subtenant shall pay to Sub-Sublandlord one hundred fifty percent (150%) of the Rent amount that existed immediately prior to the Expiration Date to the extent permitted in the Master Lease or Master Sublease. Sub-Subtenant agrees to comply with all holdover provisions contained in the Master Sublease.
- 2.4 **End of Term.**
- 2.4.1 Fixtures and Personal property. At the expiration or earlier termination of this Sub-Sublease, any fixtures located on the Premises and not already owned by Sub-Sublandlord shall become the property of Sub-Sublandlord. If, at that time, Sub-Subtenant has fully complied with Sub-Sublease terms and conditions and is not in default under the Franchise Agreement, Sub-Sublandlord hereby waives any right to claim any personal property owned or leased by Sub-Subtenant and located on the Premises. The personal property may then be removed by Sub-Subtenant or Sub-Sublandlord provided that the Premises are restored to their original condition, reasonable wear and tear excepted. Any such personal property not removed within thirty (30) days after the Sub-Sublease expiration or termination shall be deemed abandoned and become the property of Sub-Sublandlord.
- 2.4.2 Joint Inspection. During a period no earlier than three (3) weeks and no later than one (1) week prior to the end of the Term, Sub-Sublandlord and Sub-Subtenant shall conduct a joint inspection of the Premises, and Sub-Sublandlord shall make a list of any items of repair and maintenance that may be needed to put the Premises in good condition and repair, reasonable wear and tear excepted. If the items on such list cannot be completed by Sub-Subtenant by the end of the Term, then Sub-Subtenant shall pay to Sub-Sublandlord by the end of the Term the reasonable cost of such repairs as evidenced by third-party bids. Sub-Subtenant's obligation to make such payment shall survive the termination of this Sub-Sublease.

3 CONSIDERATION

- 3.1 **Rent.** Sub-Subtenant agrees to pay to TTTSM the base rent amount indicated on Exhibit C (the "Base Rent"), to be due and payable in monthly installments in advance on the first day of each month during the Term of this Sub-Sublease. If no Base Rent is included on Exhibit C, then Sub-Subtenant shall make all rental payments directly to TTTSM in the manner set forth in the Master Sublease. The first monthly installment of the Base Rent shall be due on the Commencement Date, or at the time provided in the Master Sublease. If this Sub-Sublease shall commence on any day other than the first day of a calendar month, the monthly installment for the first and last month of the Term shall be prorated.
- 3.2 **Additional Charges.** Sub-Subtenant shall pay to TTTSM monthly one percent (1%) of gross sales of the restaurant from the grand opening date of the restaurant to two years from the grand opening date, and then one point twenty-five percent (1.25%) per month thereafter through the Term (the "Management Fee"). Sub-Subtenant and Sub-Sublandlord agree that the rent accruing under this Sub-Sublease shall be net to Sub-Sublandlord and that all taxes, costs, common area maintenance fees, Management Fees, expenses and charges of every kind and nature (the "Additional Charges") relating to the Premises or payable under the Master Lease or Master Sublease that may arise or become due during the Term or any extension of this Sub-Sublease, shall be paid by Sub-Subtenant to Sub-Sublandlord or its designee (which may be Master Landlord or TTTSM), and that Sub-Subtenant shall indemnify and save harmless Sub-Sublandlord from and against them. All Additional Charges that Sub-Subtenant assumes or agrees to pay under any provisions of this Sub-Sublease, together with all interest and penalties that may accrue on these Additional Charges in the event Sub-Subtenant fails to pay them, as well as all other damages, costs and expenses, including, without limitation, reasonable attorneys' fees and other legal and court costs that Sub-Sublandlord may incur in enforcing this Sub-Sublease, and any and all other sums that may become due by reason of Sub-Subtenant's default or failure to comply with its obligations under this Sub-Sublease, shall be deemed to be "Additional Rent". The Base Rent and Additional Rent shall collectively be referred to herein as the "Rent". In the event of non-payment of Rent in any form, Sub-Sublandlord shall have all rights and remedies provided herein.
- 3.3 **Method of Payment.** Sub-Subtenant must make all payments to Sub-Sublandlord or its designee (which may be Master Landlord or TTTSM) by the method or methods that Sub-Sublandlord requires from time to time. Sub-Subtenant shall make any payment required under this Sub-Sublease directly to Sub-Sublandlord, its designee (which may be Master Landlord or TTTSM), its affiliate(s), or to a bank or such other financial institution account that Sub-Sublandlord specifies, at the times and with the frequency that Sub-Sublandlord designates (or as provided in the Master Sublease if Sub-Sublandlord makes no such designation), by electronic funds transfer, on-line banking, pre-authorized auto-draft arrangement, or such other means as Sub-Sublandlord may specify from time to time. For each account in which Sub-Subtenant conducts business at any time during the Term, Sub-Subtenant agrees to execute an ACH Automatic Withdrawal Authorization and to keep it effective throughout the Term; and Sub-Subtenant authorizes Sub-Sublandlord to withdraw monies from each such account in the amounts and at the times provided in this Sub-Sublease and any other agreement between Sub-Subtenant and Sub-Sublandlord or its affiliate(s). Sub-Subtenant hereby indemnifies Sub-Sublandlord and holds Sub-Sublandlord harmless under each ACH Automatic Withdrawal Authorization. Sub-Subtenant consents to Sub-Sublandlord's directly transacting business with each bank and financial institution with which Sub-Subtenant has an account to effectuate fully the terms of each ACH Automatic Withdrawal Authorization. Sub-Subtenant shall furnish Sub-Sublandlord, its bank, or other financial institution, and any other recipient of payment with such information and authorizations as may be necessary to permit such persons to make withdrawals by electronic funds transfer, on-line banking, or auto-draft arrangement.

Sub-Subtenant shall bear all expenses, if any, and pay Sub-Sublandlord its third party costs associated with such authorizations and payments.

- 3.4 **Advance Payment and Placement Fee.** Sub-Sublandlord acknowledges receipt from Sub-Subtenant of the sum of ONE THOUSAND FIVE HUNDRED DOLLARS (\$1,500), which has or shall be paid to TTSM as the advance payment and placement fee referred to in the Master Sublease.
- 3.5 **Other Costs.** Sub-Sublandlord also acknowledges receipt from Sub-Subtenant of the sum of FIFTY DOLLARS (\$50.00) which Sub-Subtenant agrees is not refundable, and represents a reasonable fee Sub-Sublandlord's administrative costs of recording the Master Sublease. In addition to this fee, Sub-Subtenant shall be responsible for all other necessary costs Sub-Sublandlord incurs in recording the Master Sublease, including but not limited to recording fees, recording taxes, conveyancing fees and conveyancing taxes. If Sub-Subtenant does not open the restaurant by the Walmart grand opening date, Sub-Subtenant shall also pay a sum of FIVE THOUSAND DOLLARS (\$5,000) plus ONE HUNDRED DOLLARS (\$100) for each additional business day the restaurant is not open for business.
- 3.6 **Late Charges.** All Rent and any other charges shall be paid to Sub-Sublandlord without notice or demand and without abatement, deduction or set-off, except as otherwise expressly provided in this Sub-Sublease. All payments not paid when due shall bear interest at the lesser of eighteen percent (18%) or the maximum rate allowed by law in the state where the Premises are located.

4 INSURANCE

- 4.1 **Coverage.** During the Term, Sub-Subtenant, at its own cost and expense, shall:
- 4.1.1 Keep the Premises and the fixtures and personal property on it insured with an all risk property insurance policy in an amount sufficient to cover the cost of replacement (without deduction for depreciation). Replacement cost shall be determined by one of the insurers or, at the option of Sub-Sublandlord, by an appraiser, architect or contractor who is mutually and reasonably acceptable to Sub-Sublandlord and Sub-Subtenant, and whom shall be retained and paid by Sub-Subtenant.
- 4.1.2 Provide and keep in force comprehensive or commercial general liability insurance against claims for bodily injury, death or property damage occurring on, in or about the Premises, in limits of not less than \$1,000,000 per occurrence for bodily injury, not less than \$500,000 per occurrence for property damage, or as specified in the Franchise Agreement, the Master Lease and the Master Sublease. The policy shall name Sub-Sublandlord as an additional insured.
- 4.1.3 Keep in force business interruption insurance that covers the then current Rent and the annual premiums for insurance required by this Article.
- 4.1.4 If requested by Sub-Sublandlord, provide and keep in force insurance for such other insurable hazards in such amounts as similarly situated Premises are then commonly insured.
- 4.2 **Policies.** All insurance required by Sub-Sublandlord and provided by Sub-Subtenant shall be carried in favor of Sub-Sublandlord and Sub-Subtenant, as their respective interests may appear, the Master Landlord, TTSM, and any underlying fee owner, affiliate corporation, trustee, mortgagee or other person designated by Sub-Sublandlord or as required under the Franchise Agreement, the Master Lease or Master Sublease. All insurance shall be obtained from companies licensed to do business in the state in which the Premises are located and which have a rating by Bests Rating Guide of at least "A". Sub-Subtenant shall procure policies for all insurance for periods of not less than one year and shall deliver to Sub-Sublandlord all policies or certificates of insurance with evidence of payment of all

premiums. Sub-Subtenant shall procure renewals of these policies from time to time before their respective expiration dates. All insurance policies shall be non-assessable and shall require thirty (30) days' written notice to Sub-Sublandlord of any cancellation or change affecting Sub-Sublandlord's coverage under the policies. All property damage and business interruption policies of Sub-Subtenant shall contain a waiver of any subrogation rights which Sub-Subtenant's insurers may have against Sub-Sublandlord, even if the loss suffered is caused by the act, omission or negligence of Sub-Sublandlord.

- 4.3 **Adjusting; Proceeds.** Unless specified otherwise in the Master Lease or Master Sublease, claims for loss due to damage to the Premises under any policies provided for in this Sub-Sublease shall be adjusted with the insurance companies:
- 4.3.1 by Sub-Subtenant in the case of any particular casualty resulting in damage or destruction not exceeding \$10,000, or
 - 4.3.2 by Sub-Sublandlord and Sub-Subtenant, in the case of any particular casualty resulting in damage or destruction exceeding \$10,000 in the aggregate. Subject to the rights of Master Landlord, TTSM and any mortgagee, the proceeds of any insurance shall be payable as follows:
 - 4.3.2.1 With respect to any loss not exceeding \$10,000 in the aggregate, proceeds shall be paid to Sub-Subtenant, who shall hold them in trust for the purpose of paying the costs of repair and restoration; and
 - 4.3.2.2 With respect to losses exceeding \$10,000 in the aggregate, the proceeds may, at Sub-Sublandlord's option, be paid to Sub-Sublandlord or its designee and shall be applied to pay the costs of repair and restoration as directed by Sub-Sublandlord.
- 4.4 **Joint Efforts.** Sub-Subtenant and Sub-Sublandlord shall cooperate in attempts to collect any insurance proceeds that may be due in the event of loss, and Sub-Subtenant shall execute and deliver to Sub-Sublandlord such proofs of loss and other instruments which may be required for the purpose of recovering these proceeds.
- 4.5 **Waiver of Subrogation.** Sub-Subtenant agrees to look solely to the proceeds of its own insurer for indemnity against exposure for loss of property or business interruption. Sub-Subtenant warrants that its property and business interruption insurers shall have no rights against Sub-Sublandlord by virtue of assignment, subrogation, loan agreement or otherwise.
- 4.6 **Cancellation of Insurance.** If any insurance policy covering the Premises or any part of it is canceled or is threatened by the insurer to be canceled, or if the coverage thereunder is reduced in any way by the insurer for any reason, and if Sub-Subtenant fails to remedy the condition giving rise to cancellation, threatened cancellation, or reduction of coverage within five (5) business days after notice thereof by Sub-Sublandlord, Sub-Sublandlord may, at its option, either (i) reenter the Premises forthwith by leaving upon the Premises a notice in writing of its intention to do so or (ii) enter the Premises and remedy the condition giving rise to such cancellation, threatened cancellation or reduction, and Sub-Subtenant shall forthwith pay the cost thereof to Sub-Sublandlord (which cost may be collected by Sub-Sublandlord as Additional Rent) and Sub-Sublandlord shall not be liable for any damage or injury caused to any property of Sub-Subtenant or of others located on the Premises as a result of any such entry, unless resulting from its own sole gross negligence, or intentional or willful act or omission.
- 4.7 **Loss and Damage.** Sub-Sublandlord shall not be liable for any death or injury occurring on the Premises, nor for the loss of or damage to any of the personal property or other property of Sub-Subtenant or of others by theft or otherwise, unless resulting from its own sole gross negligence, or intentional or willful act or omission. Without limiting the generality of the foregoing, Sub-Sublandlord shall not be liable for any injury or damage to persons or property resulting from fire, explosion, falling plaster, steam, dampness, gas, electricity, water, rain,

snow, or leaks from any part of the Premises or from the pipes, appliances or plumbing works or from the roof, street or subsurface or from any other place by any other cause whatsoever, unless resulting from its own sole gross negligence, or intentional or willful act or omission. Sub-Sublandlord shall not be liable for any such damage caused by other persons or occupants of adjacent property, or the public, or caused by operations in construction of any private, public or quasi-public work. All of the personal property or any other property of Sub-Subtenant kept or stored on the Premises shall be kept or stored at the risk of Sub-Subtenant.

5 THE PREMISES

- 5.1 **Use and Services.** During the Term of this Sub-Sublease, Sub-Subtenant shall continuously operate a SUBWAY® restaurant business in accordance with the Franchise Agreement. The Premises shall not be used for any other purpose, except the parties agree that if Sub-Subtenant has received the necessary approvals from Sub-Sublandlord, Sub-Subtenant may also operate on the Premises (in addition to a SUBWAY® restaurant) a restaurant for an approved concept franchised by a third party franchisor. If Sub-Subtenant is operating its SUBWAY® restaurant in conjunction with an approved third party franchisor concept on the Premises, then Sub-Subtenant agrees to comply with the terms and conditions contained in its franchise agreement and all other agreements with the third party franchisor in addition to its obligations to comply with the Franchise Agreement with DAL, and any failure by Sub-Subtenant to comply with its franchise agreement with the third party franchisor shall also be a default hereunder. Sub-Sublandlord may terminate this Sub-Sublease on ten (10) days' written notice and Sub-Sublandlord may offer this location to another franchisee if Sub-Subtenant fails to complete the build-out of the portion of the Premises where the other approved concept will operate within forty-five (45) days after taking occupancy of the Premises. Sub-Subtenant understands that the success, if any, of a SUBWAY® restaurant operating in conjunction with another approved concept franchised by a third party franchisor is the responsibility of Sub-Subtenant, and Sub-Subtenant also acknowledges that representations of sales or earnings have not been made to them by the employees or agents of the third party franchisor, as to this or any other location. If at any time during the term of this Sub-Sublease, Sub-Subtenant's franchise agreement with the third party franchisor is terminated, Sub-Sublandlord may authorize Sub-Subtenant in writing to operate on the Premises an approved concept franchised by another third party franchisor.
- 5.2 **Repairs and Maintenance.** Sub-Subtenant shall, at all times during the Term, at its own cost and expense, put, keep and maintain the Premises and all fixtures and personal property located on it in good order and condition, subject to reasonable wear and tear, and subject to all applicable terms of this Article 5, shall make all necessary and desirable repairs, restorations and replacements thereof, structural and nonstructural, foreseen or unforeseen (hereinafter collectively called "Repairs"), and shall use all reasonable precautions to prevent waste, damage and injury.

In the event that Sub-Subtenant fails or neglects to make all necessary Repairs or fulfill its other obligations as set forth above, Sub-Sublandlord or its agents may enter the Premises for the purpose of making such Repairs or fulfilling those obligations. All reasonable costs and expenses incurred as a consequence of Sub-Sublandlord's action shall be repaid by Sub-Subtenant to Sub-Sublandlord within fifteen (15) days after Sub-Subtenant receives copies of receipts showing payment by Sub-Sublandlord for such Repairs or other obligations. These receipts shall be prima facie evidence of the payment of the charges paid by Sub-Sublandlord.

- 5.3 **Build-Out and Alterations.** Sub-Sublandlord may terminate this Agreement on ten (10) days' written notice and Sub-Sublandlord may offer this location to another franchisee if: a) Sub-Subtenant does not commence construction of the Premises within seven (7) days after obtaining occupancy from Master Landlord or TTTSM by expeditiously ordering its equipment, submitting all necessary funds, and making application for required permits and licenses; or b) Sub-Subtenant does not complete the build-out of the restaurant and then open the restaurant within forty-five (45) days after occupancy from Master Landlord or TTTSM. In such an event, Sub-Subtenant understands that the advance payment and placement fee referred to in Section 3.4 will not be refunded.

Sub-Subtenant agrees that it will at its own cost and expense make such reasonable alterations to the interior or exterior of the Premises as may reasonably be requested by Sub-Sublandlord from time to time in order to modify the appearance of the Premises to reflect the then current image of the SUBWAY® brand. Sub-Subtenant shall not at any time make any alteration, change, addition or improvement (hereinafter collectively called "Alterations") in or to the interior or exterior of the Premises without the prior written consent of Sub-Sublandlord. In the event consent is given:

- 5.3.1 the Alterations shall be performed in a good and workmanlike manner at Sub-Subtenant's sole expense, and shall not weaken or impair the structural strength or lessen the value of the Premises, or change the purpose for which the Premises may be used;
- 5.3.2 the Alterations shall be made according to plans and specifications therefor, which shall be first submitted to and approved in writing by Sub-Sublandlord, such consent not to be unreasonably withheld, delayed, or conditioned;
- 5.3.3 before the commencement of work on any Alterations, such plans and specifications shall, if necessary, be approved by all governmental authorities having jurisdiction;
- 5.3.4 before the commencement of any Alterations, Sub-Subtenant shall pay the amount of any increase in premiums on insurance policies for endorsements covering the risk during work on the Alterations and workmen's compensation insurance covering all persons employed in connection with that work;
- 5.3.5 if the estimated cost of the Alteration exceeds \$20,000, Sub-Subtenant shall, at Sub-Sublandlord's option, furnish to Sub-Sublandlord a surety bond of a company acceptable to Sub-Sublandlord, in an amount equal to the estimated cost of such work, or other security satisfactory to Sub-Sublandlord, guaranteeing the completion of such work, free and clear of all liens and encumbrances; and
- 5.3.6 the Alterations shall comply with all federal, state and local building requirements and codes including any disabilities related statutes or codes (collectively, the "Codes") in the applicable jurisdiction where the Premises are located.

All buildings, additions, improvements, fixtures and appurtenances in or on the Premises at the Commencement Date and those which may be erected, affixed or installed in or on the Premises during the Term are deemed to be and shall immediately become part of the Premises and the sole property of Sub-Sublandlord. All personal property owned and installed by Sub-Subtenant (except signs, trademarks and other insignia of Sub-Sublandlord) shall remain the property of Sub-Subtenant.

- 5.4 **Liens.** Should Sub-Subtenant cause any Alterations or Repairs to be made to the Premises, or cause any labor to be performed or material to be furnished, neither Sub-Sublandlord nor the Premises shall under any circumstances be liable for the payment of any expense incurred, and all such Alterations and Repairs shall be made and performed at Sub-Subtenant's expense. If, because of any act or omission of Sub-Subtenant, any mechanic's or other lien, charge, claim or order for the payment of money shall be filed against the Premises or against Sub-Sublandlord,

Sub-Subtenant shall, at its own cost and expense, cause it to be canceled and discharged of record or bonded within thirty (30) days after notice of filing thereof. In the event that Sub-Subtenant fails to cause any such mechanics' or other lien, charge or order to be canceled and discharged or bonded, then, in addition, to any other right or remedy of Sub-Sublandlord, Sub-Sublandlord may, at its option, cancel or discharge it by paying the amount claimed to be due into court or directly to any claimant and the amount so paid by Sub-Sublandlord and all costs and expenses including attorneys' fees incurred for the cancellation or discharge of such lien shall be due from Sub-Subtenant to Sub-Sublandlord as an additional charge payable on demand.

- 5.5 **Signs.** Sub-Subtenant shall not place any signs or symbols on any portion of the Premises without the prior written approval of Sub-Sublandlord, such consent not to be unreasonably withheld, delayed, or conditioned.
- 5.6 **Inspection.** Fee owner, Sub-Sublandlord or their representatives shall have the right to enter the Premises at reasonable hours of any business day to ascertain if the Premises are in proper repair and condition, provided, that such persons will make every reasonable effort not to interfere with customers or Sub-Subtenant's operation of the business.
- 5.7 **License and Laws.** Sub-Subtenant shall, at its own cost and expense, obtain all necessary licenses and/or permits that may be required for the conduct of its business; and Sub-Subtenant shall, at its own cost and expense, promptly observe and comply with all present and future laws, ordinances, requirements, orders, directions, rules and regulations (referred to generally as "Regulations") of governmental authorities having or claiming jurisdiction over the Premises or the conduct of Sub-Subtenant's business. By way of example, and not limitation, compliance with governmental Regulations shall include, but not be limited to alterations and/or additions to the Premises if required under the Americans with Disabilities Act of 1990.
- 5.8 **Damage or Destruction.** If, during the Term, the Premises or the personal property or fixtures on it are destroyed or damaged in whole or in part by fire or other cause, Sub-Subtenant shall give Sub-Sublandlord immediate notice, and Sub-Subtenant, at its own cost and expense, shall cause the prompt repair, replacement and rebuilding of same ("Restoration"), subject to Section 5.2 and Section 5.3 of this Sub-Sublease. The restored building, personal property or fixtures shall reflect the then current image of the SUBWAY® brand. Sub-Sublandlord shall in no event be called upon to repair, replace or rebuild any such buildings, fixtures or personal property, nor to pay any of the costs or expenses thereof beyond or in excess of any insurance proceeds, as provided in this Sub-Sublease.
- 5.9 **Disclaimer.** The taking of possession of the Premises by Sub-Subtenant shall be conclusive evidence that Sub-Subtenant has accepted the Premises "AS IS," including any latent or patent defects. Sub-Subtenant acknowledges that Sub-Subtenant is relying on its own independent inspection. The Sub-Subtenant acknowledges and is aware that the success or lack thereof of any particular SUBWAY® restaurant within a Walmart store is unknown. The Sub-Subtenant has made its own independent determination of the viability within this particular location and is relying on no representations whatsoever as to the profitability, ease of operation, success or failure, costs to construct, of this or any other SUBWAY® restaurant located within a Walmart store.
- 5.10 **Contracts.** Sub-Subtenant shall not without Sub-Sublandlord's written consent enter into any service contract or agreement relating to the furnishing of any services to the Premises or the occupants of it unless such contract or agreement shall by its terms be terminable on no more than thirty (30) days' notice or shall expressly provide that it shall not become binding on Sub-Sublandlord in the event that this Sub-Sublease is terminated or expires. Sub-Subtenant shall furnish Sub-Sublandlord with copies of all service contracts or agreements affecting the Premises that are now in existence or that are subsequently entered into.

6 TAXES AND OTHER CHARGES

6.1 Payment.

- 6.1.1 In the event Sub-Sublandlord elects, at its sole option, to pay the taxes, assessments, charges for public utilities, excises, levies, licenses, permit fees or other governmental impositions and charges of any kind and nature whatsoever ("Charges") that are payable in connection with the ownership, occupancy or possession of the Premises, Sub-Subtenant shall reimburse Sub-Sublandlord within thirty (30) days after Sub-Subtenant receives an invoice for the payment of such Charges.
- 6.1.2 In the event Sub-Sublandlord elects not to pay the Charges as set forth in the preceding paragraph, Sub-Subtenant shall pay on or before the last day on which payment may be made without penalty or interest, all Charges that may be assessed, imposed, or become due and payable in connection with the ownership, occupancy or possession of the Premises or the fixtures or personal property on it, or any Charges that may be imposed in lieu of, or as a substitution for, any such Charges. At any time after the time for payment of each Charge, upon Sub-Sublandlord's request, Sub-Subtenant shall exhibit to Sub-Sublandlord satisfactory evidence of payment. All Charges assessed or imposed for the fiscal periods in which the Term of this Sub-Sublease commences and terminates shall be apportioned.

7 INDEMNIFICATION

- 7.1 Sub-Subtenant shall indemnify, defend with counsel reasonably acceptable to Sub-Sublandlord and save Sub-Sublandlord and its affiliates, and the shareholders, officers, directors, employees, and agents of Sub-Sublandlord and its affiliates, harmless from and against all costs, expenses, liabilities, losses, damages, injunctions, suits, actions, fines, penalties, claims and demands of every kind or nature, including reasonable attorneys' fees, (collectively, "Claims") by or on behalf of any person, party or governmental authority whatsoever arising out of (a) any failure or alleged failure by Sub-Subtenant to perform any of its obligations under this Sub-Sublease, (b) any accident, injury or damage that occurs in or about the Premises, (c) any matter arising out of the condition, occupation, maintenance, alteration, repair, use or operation of the Premises or any part of it, (d) the contest or challenge by Sub-Subtenant of any imposed tax, assessment, or other Charges, or (e) any other matter arising from or relating to Sub-Subtenant's occupation of the Premises; provided that Sub-Subtenant shall not indemnify Sub-Sublandlord if or to the extent such Claims are caused by Sub-Sublandlord's gross negligence, or intentional or willful misconduct.

8 ENFORCEMENT

- 8.1 **Default.** Each of the following events is a default and a breach of this Sub-Sublease by Sub-Subtenant:
 - 8.1.1 If Sub-Subtenant files any proceeding under the United States Bankruptcy Code, any other federal or state bankruptcy, reorganization, receivership, insolvency or other similar law affecting the rights of creditors generally, or for dissolution under the laws of the United States or of any state, or voluntarily takes advantage of any such law or act or is dissolved or makes an assignment for the benefit of creditors;
 - 8.1.2 If involuntary Proceedings under the United States Bankruptcy Code, any other federal or state bankruptcy, reorganization, receivership, insolvency or other similar law or for the dissolution of a corporation are instituted against Sub-Subtenant or if a receiver or

trustee is appointed of all or substantially all of the property of Sub-Subtenant and such Proceedings are not dismissed or such receivership or trusteeship vacated within ninety (90) days after such institution or appointment;

- 8.1.3 If Sub-Subtenant vacates, abandons or ceases doing business on the Premises or indicates its intention to do so;
- 8.1.4 If this Sub-Sublease or the estate of Sub-Subtenant hereunder is transferred to any other person or party, except in a manner permitted by the terms of this Sub-Sublease;
- 8.1.5 If Sub-Subtenant fails to pay Sub-Sublandlord any installment of the Rent or Additional Charges when it becomes due and payable and fails to make such payment within ten (10) days after written notice thereof by Sub-Sublandlord to Sub-Subtenant;
- 8.1.6 If Sub-Subtenant fails to perform any of its nonmonetary obligations under this Sub-Sublease and such non-performance continues for a period within which performance is required to be made by specific provision of this Sub-Sublease or, if no such period is provided, for a period of thirty (30) days after written notice thereof by Sub-Sublandlord to Sub-Subtenant; or, if such performance cannot be reasonably had within such thirty day period, Sub-Subtenant has not in good faith commenced such performance within such thirty day period or has not diligently proceeded therewith to completion;
- 8.1.7 If Sub-Subtenant or any manager or officer of Sub-Subtenant knowingly or intentionally falsifies any report required to be furnished to Sub-Sublandlord pursuant to the terms of this Sub-Sublease and fails to notify Sub-Sublandlord of such falsification within sixty (60) days of submission of such report.
- 8.1.8 Failure by Sub-Subtenant to comply with any provision of the Franchise Agreement relating to the Premises, or any franchise agreement with a third party franchisor relating to the Premises.

In the event of a default under this Section 8.1, Sub-Sublandlord shall have such remedies as are provided under this Sub-Sublease and under applicable law.

- 8.2 **Cure by Sub-Sublandlord.** After expiration of the applicable period of notice, or without notice in the event of any emergency, Sub-Sublandlord at its option may, but shall not be obligated to, make any payment required of Sub-Subtenant or perform any obligation of Sub-Subtenant, and the amount Sub-Sublandlord pays, or the cost of its performance, together with interest thereon, shall be deemed to be an additional charge payable by Sub-Subtenant on demand. Sub-Sublandlord shall have the right to enter the Premises for the purpose of correcting or remedying any default, but neither any expenditure nor any such performance by Sub-Sublandlord shall be deemed to waive or release Sub-Subtenant's default or the right of Sub-Sublandlord to take such action as may be otherwise permissible in the case of default. Sub-Sublandlord shall have no liability to Sub-Subtenant for any loss or damages resulting from any such action by Sub-Sublandlord, and entry by Sub-Sublandlord shall not constitute breach of the covenant for quiet enjoyment or an eviction.
- 8.3 **Sub-Sublandlord's Remedies.** If Sub-Subtenant is in default under this Sub-Sublease, Sub-Sublandlord may, at its option, in addition to such other remedies as may be available under applicable law:
 - 8.3.1 terminate this Sub-Sublease and Sub-Subtenant's right of possession, and retake possession for Sub-Sublandlord's account. In such event, Sub-Sublandlord may repair and alter the Premises in any manner as Sub-Sublandlord deems reasonably necessary or advisable. All reasonable and necessary expenses of every nature that Sub-Sublandlord may incur such as (by way of illustration and not limitation) those for attorneys' fees, brokerage, advertising, and refurbishing the Premises, shall become immediately due and payable by Sub-Subtenant to Sub-Sublandlord; or

- 8.3.2 terminate Sub-Subtenant's right of possession, but not this Sub-Sublease, retake possession of the Premises for Sub-Subtenant's account, repair, and alter the Premises in any manner as Sub-Sublandlord deems reasonably necessary or advisable, and relet the Premises or any part of it, as the agent of Sub-Subtenant, for the whole or any part of the remainder of the Term or for a longer period, and Sub-Sublandlord may grant concessions or free rent or charge a higher rental than that reserved in this Sub-Sublease. Out of any rent collected or received from subtenants or as a result of such letting or reletting, Sub-Sublandlord shall first pay to itself all expenses of every nature that Sub-Sublandlord may reasonably incur such as (by way of illustration and not limitation) those for attorneys' fees, brokerage, advertising, and refurbishing the Premises in good order or preparing them for reletting; and second, Sub-Sublandlord shall pay to itself any balance remaining on account of the liability of Sub-Subtenant for the sum equal to all Rent, Additional Rent and other Additional Charges due from Sub-Subtenant through the Expiration Date. Should Sub-Sublandlord, pursuant to this Section 8.3, not collect Rent that, after deductions is sufficient to fully pay to Sub-Sublandlord a sum equal to all Rent, Additional Rent and other Additional Charges payable through the Expiration Date, the balance or deficiency shall, at the election of Sub-Sublandlord, be paid by Sub-Subtenant on the first of each month; or
- 8.3.3 stand by and do nothing, and hold Sub-Subtenant liable for all Rent, Additional Rent and other Additional Charges payable under this Sub-Sublease through the Expiration Date.

If Sub-Sublandlord does not notify Sub-Subtenant which remedy it is pursuing, or if Sub-Sublandlord's notice to Sub-Subtenant does not expressly state that Sub-Sublandlord is exercising its remedies under Section 8.3.1 or Section 8.3.3, then it shall be deemed that Sub-Sublandlord is pursuing the remedy set forth in Section 8.3.2. If Sub-Sublandlord exercises the option in Section 8.3.1 or 8.3.2, Sub-Subtenant agrees to immediately and peacefully surrender the Premises to Sub-Sublandlord, and if Sub-Subtenant refuses to do so, Sub-Sublandlord may without further notice reenter the Premises either by force or otherwise and dispossess Sub-Subtenant by summary proceedings or otherwise, as well as the legal representative(s) of Sub-Subtenant and/or other occupant(s) of the Premises, and remove their effects.

- 8.4 **Acceleration.** If Sub-Sublandlord exercises the remedies in Section 8.3.3 of this Sub-Sublease, Sub-Subtenant shall immediately pay to Sub-Sublandlord as damages for loss of the bargain caused by Sub-Subtenant's default, and not as a penalty, in addition to any other damages, an aggregate sum that represents the present value of the full amount of the Rent, Additional Rent and all other Additional Charges payable by Sub-Subtenant hereunder that would have accrued for the balance of the Term.
- 8.5 **Suits.** Suit or suits for the recovery of the deficiency or damage or for any installment or installments of Rent, Additional Rent or any other charge due under this Sub-Sublease may be brought by Sub-Sublandlord at any time or, at Sub-Sublandlord's election, from time to time, and nothing in this Sub-Sublease shall be deemed to require Sub-Sublandlord to wait until the Expiration Date to bring suit.
- 8.6 **Waiver.** Sub-Subtenant hereby expressly waives service of any notice of intention to reenter. Sub-Subtenant hereby waives any and all rights to recover or to regain possession of the Premises or to reinstate or to redeem this Sub-Sublease as permitted or provided by any statute, law or decision now or hereafter in force and effect. No receipt of monies by Sub-Sublandlord from Sub-Subtenant after the cancellation or termination of the Sub-Sublease shall reinstate, continue or extend the Sub-Sublease, or affect any prior notice given to Sub-Subtenant or operate as a waiver of the right of Sub-Sublandlord to enforce the payment of Rent and

Additional Rent then due or subsequently falling due, or operate as a waiver of the right of Sub-Sublandlord to recover possession of the Premises by suit, action, proceeding or other remedy, and any and all moneys so collected shall be deemed to be payments on account of the use and occupancy of the Premises, or at the election of Sub-Sublandlord, on account of Sub-Subtenant's liability under this Sub-Sublease.

- 8.7 **Proof of Claim.** Nothing in this Article shall limit or prejudice the right of Sub-Sublandlord to prove and obtain as liquidated damages in any bankruptcy, insolvency, receivership, reorganization or dissolution proceeding an amount equal to the maximum allowed by any statute or rule of law governing such proceeding, whether or not such amount is greater, equal to or less than the amount of the damages referred to in any of the preceding sections.
- 8.8 **Injunction.** In the event of a breach or a threatened breach by Sub-Subtenant of any of its Sub-Sublease obligations, Sub-Sublandlord shall have the right to enjoin and restrain the breach and to invoke any remedy allowed by law or in equity, in addition to other remedies provided in this Sub-Sublease.
- 8.9 **Independent Rights.** The rights and remedies of Sub-Sublandlord are distinct, separate and cumulative, and no one of them, whether or not exercised by Sub-Sublandlord, shall be deemed to be to the exclusion of any of the others.
- 8.10 **Non-Waiver.** The failure of Sub-Sublandlord to insist upon strict performance of any of Sub-Subtenant's obligations under this Sub-Sublease shall not be deemed a waiver of any rights or remedies that Sub-Sublandlord may have and shall not be deemed a waiver of any subsequent breach or default by Sub-Subtenant. The exercise of any of Sub-Sublandlord's options under the Sub-Sublease shall not be deemed to be the exclusive remedy of Sub-Sublandlord.
- 8.11 **Waiver of Exemption from Distress.** Sub-Subtenant agrees that notwithstanding anything contained in any statute, enactment or other law of the state in which the Premises are located or of any other jurisdiction, none of the personal property located on the Premises shall be exempt from levy for distress for Rent in arrears, and that if Sub-Subtenant makes any claim for such an exemption, this Sub-Sublease may be pleaded as an estoppel against Sub-Subtenant in any appropriate action.
- 8.12 **Franchise Agreement.** Notwithstanding anything in this Sub-Sublease to the contrary, this Sub-Sublease is conditioned upon the faithful performance by Sub-Subtenant of the Franchise Agreement, and a default in the terms of the Franchise Agreement shall be a default of this Sub-Sublease.

9 NO RENT ABATEMENT

Unless specifically provided in this Sub-Sublease, no abatement, diminution, or reduction of Rent, Additional Rent, Additional Charges or other compensation shall be claimed by or allowed to Sub-Subtenant, or any persons claiming under Sub-Subtenant, under any circumstances, whether for inconvenience, discomfort, interruption of business, or otherwise.

10 CONDEMNATION

In the event that the Premises or any part of it is taken in condemnation proceedings or by exercise of any right of eminent domain, Sub-Subtenant shall have no right to participate in any condemnation proceedings and shall not have the right to any award, and Sub-Sublandlord may terminate this Sub-Sublease upon written notice to Sub-Subtenant.

11 SUBORDINATION

This Sub-Sublease shall be fully subordinate to any mortgage and/or collateral assignment of lease against the Premises that Master Landlord, TTTSM, the fee owner, Sub-Sublandlord and/or their assigns has or subsequently obtains upon the Premises; provided, however, that any such mortgage and/or collateral assignment of Sub-Sublease against the Premises granted by Sub-Sublandlord shall provide that Sub-Subtenant's possession of the Premises pursuant to this Sub-Sublease shall not be disturbed in the event of a default by Sub-Sublandlord so long as Sub-Subtenant shall be in compliance under the terms hereof. This Sub-Sublease shall be fully subordinate and subject to the Master Lease, the Master Sublease and any senior lease now, or hereafter affecting the Premises.

Sub-Subtenant hereby grants a power of attorney to Sub-Sublandlord with full power to act as its attorney in fact and to execute on behalf of Sub-Subtenant any and all documents that may be required by a mortgagee and/or assignee evidencing Sub-Subtenant's full subordination of Sub-Subtenant's interest to any mortgage and/or collateral assignment of Sub-Sublease that may be entered into by Sub-Sublandlord, Master Landlord, TTTSM, the fee owner or their assigns. Sub-Subtenant hereby agrees to execute, without charging Sub-Sublandlord, any and all documents that it is requested to execute to evidence this subordination. However, Sub-Subtenant shall not be required to execute any promissory notes or other evidences of indebtedness that would create any personal liability on behalf of Sub-Subtenant.

12 ASSIGNMENT

- 12.1 **By Sub-Sublandlord.** This Sub-Sublease shall be fully assignable by Sub-Sublandlord or its assigns.
- 12.2 **By Sub-Subtenant.** Neither Sub-Subtenant, nor Sub-Subtenant's successors or assigns, shall (unless expressly permitted in this Sub-Sublease) assign, mortgage, give as security, pledge or encumber this Sub-Sublease, in whole or in part, by operation of law or otherwise, or sub-sub-sublet the Premises, in whole or in part, or permit the Premises or any portion of it to be used or occupied by others, or enter into a management contract or other arrangement whereby the Premises shall be managed and operated by anyone other than the owner of Subtenant's leasehold estate, without the prior consent in writing of Sub-Sublandlord in each instance. If this Sub-Sublease is assigned or transferred, or if all or any part of the Premises is sub-sub-sublet or occupied by anybody other than Sub-Subtenant, Sub-Sublandlord may collect Rent from the assignee, transferee, sub-subtenant or occupant, and apply the net amount collected to the Rent reserved in this Sub-Sublease, but no such assignment, sub-sub-subletting, occupancy or collection shall be deemed a waiver of any covenant or condition of this Sub-Sublease, or the acceptance of the assignee, transferee, sub-sub-subtenant or occupant as Sub-Subtenant, or a release of Sub-Subtenant from the performance or further performance by Sub-Subtenant of its obligations under this Sub-Sublease, and Sub-Subtenant shall continue to be liable for all its obligations under this Sub-Sublease. The consent by Sub-Sublandlord to an assignment, mortgage, pledge, encumbrance, transfer, management contract or sub-sub-subletting shall not in any way be construed to relieve Sub-Subtenant from obtaining the express consent in writing of Sub-Sublandlord in each instance to any subsequent similar action that Sub-Subtenant may intend to take.

13 ESTOPPEL CERTIFICATE

Sub-Subtenant shall from time to time, within five (5) days after being requested to do so by Sub-Sublandlord, execute, acknowledge and deliver to Sub-Sublandlord (or, at Sub-Sublandlord's request, to Master Landlord or TTTSM, any existing or prospective purchaser, transferee, assignee or mortgagee of any or all of the Premises, any interest therein or any of Sub-Sublandlord's rights under this Sub-Sublease) an instrument in recordable form: (i) certifying (a) that the Sub-Sublease is unmodified and

in full force and effect (or, if there has been any modification thereof, that it is in full force and effect as so modified, stating therein the nature of such modification); (b) as to the dates to which the Rent and Additional Charges arising hereunder have been paid; (c) as to the amount of any prepaid rent or any credit due to Sub-Subtenant hereunder, (d) that Sub-Subtenant has accepted possession of the Premises, and the date on which the Term commenced; (e) as to whether, to the best knowledge, information and belief of the signer of such certificate, Sub-Sublandlord or Sub-Subtenant is then in default in performing any of its obligations under the Sub-Sublease (and, if so, specifying the nature of each such default); and (f) as to any other fact or condition reasonably requested by Sub-Sublandlord or such other addressee; and (ii) acknowledging and agreeing that any statement contained in such certificate may be relied upon by Sub-Sublandlord and any such other addressee.

14 HAZARDOUS SUBSTANCES

- 14.1 **Compliance with Laws.** Sub-Subtenant shall at all times, at its own cost and expense, comply with all federal, state and local laws, ordinances, regulations and standards (“Hazardous Substance Laws”) relating to the use, analysis, production, storage, sale, disposal or transportation of any hazardous materials, including oil or petroleum products or their derivatives, solvents, PCB’s, explosive substances, asbestos, radioactive materials or waste, and any other toxic, ignitable, reactive, corrosive, contaminating or pollution materials (“Hazardous Substances”) that are now or in the future subject to any governmental regulation. Such compliance shall include any cleanup, removal, remedial action, testing or monitoring (including medical monitoring) which may be required under Hazardous Substance Laws, court order or by any governmental or regulatory agency.
- 14.2 **Indemnification by Sub-Subtenant.** Sub-Subtenant shall indemnify, defend with counsel reasonably acceptable to Sub-Sublandlord, and hold Sub-Sublandlord free and harmless from any and all liabilities, damages, claims, penalties, fines, settlements, causes of action, costs or expense, including reasonable attorneys’ fees, environmental consultant and laboratory fees and the costs and expense of investigating and defending any claims or proceedings, resulting from or attributable to (i) the presence, disposal, migration, release or threatened release of any Hazardous Substance that is on, from or affecting the Premises including the soil, water, vegetation, buildings, personal property, persons, or otherwise; (ii) any bodily injury (including wrongful death) or property damage (real or personal) arising out of or relating to such Hazardous Substance(s); (iii) any lawsuits or administrative order relating to such Hazardous Substance(s); or any violation of any laws applicable to any Hazardous Substance for which Sub-Subtenant is responsible under this Sub-Sublease. Sub-Subtenant’s indemnification obligations under this Section shall survive the expiration or earlier termination of this Sub-Sublease.

15 MISCELLANEOUS

- 15.1 **Notices.** Every notice, approval, consent or other communication authorized or required by this Sub-Sublease shall be effective if given in one of the following ways: (i) by email to Sub-Sublandlord at LeaseNotices@subway.com, and to Sub-Subtenant at «[Fran_1_Email](#)» «[Entity_Email_](#)»; (ii) in writing and hand delivered to either party; or (iii) in writing and sent for next business day delivery by FedEx, UPS, or other nationally-recognized courier. - 15.2 **Construction.** In the event that any of the provisions of this Sub-Sublease shall by court order be held invalid or in contravention of any of the laws of the United States or of any state having jurisdiction over the subject matter or of any dispute arising under it, such invalidation shall not serve to affect the remaining portion of this Sub-Sublease. To the extent permitted by the laws of the state where the Premises are located, this Sub-Sublease shall be governed by and construed in accordance with the laws of the State of Delaware, and otherwise shall be governed by and construed in accordance with the laws of the State where the Premises are located.

The parties hereby waive any defenses to the enforcement of this terms of this Sub-Sublease based on the form of the signature or delivery thereof and hereby agree that such electronically mailed or signed signatures shall be conclusive proof, admissible in arbitration and judicial proceedings, of the parties' execution of this Sub-Sublease.
- 15.5 **No Agency.** The parties hereto agree that the business relationship created by this Sub-Sublease is solely that of Sub-Sublandlord and Sub-Subtenant. Nothing contained in this Sub-Sublease shall make Sub-Subtenant an agent, legal representative, partner, subsidiary, joint venturer or employee of Sub-Sublandlord. Sub-Subtenant shall have no right or power to, and shall not, bind or obligate Sub-Sublandlord in any way, manner or thing whatsoever, nor represent that it has any right to do so.
- 15.6 **Time of the Essence.** Time shall be of the essence in every part of this Sub-Sublease.

- 15.8 **Headings.** The table of contents preceding this Sub-Sublease and the headings of the paragraphs and subparagraphs are inserted solely for the convenience of reference and shall not constitute a part of this Sub-Sublease, nor limit, define or describe the scope or intent of this Sub-Sublease.

GUARANTEE

This Guarantee dated _____, is made and entered into by the undersigned (each a “Guarantor”, and collectively “Guarantors”) for the benefit of Subway Realty, LLC, a Delaware limited liability company (“Sub-Sublandlord”).

RECITALS

R.1. Each Guarantor is an owner of «Fran_Entity_», (the “Sub-Subtenant”).

R.2. Sub-Subtenant and Sub-Sublandlord entered into a Sub-Sublease dated _____, as amended, extended or renewed (the “Sub-Sublease”) for the purpose of operating a SUBWAY® restaurant (the “Restaurant”) at the Premises.

R.3. Capitalized terms not otherwise defined herein shall have the same meaning as in the Sub-Sublease.

AGREEMENT

As an inducement to and in consideration of Sublandlord entering into the Sub-Sublease with Subtenant, and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Guarantor agrees to the following:

1. Each Guarantor unconditionally guarantees to Sub-Sublandlord the (i) prompt payment of any money now due, or that at any time, may become due or owing to Sub-Sublandlord by Sub-Subtenant under the Sub-Sublease; and the (ii) full performance and discharge by Sub-Subtenant of all of Sub-Subtenant’s obligations under the Sub-Sublease now due, or that at any time, may become due or owing (collectively, the “Obligations”). This is a guarantee of payment and not of collection.
2. Each Guarantor promises to promptly and fully render any payment or performance required under the Sub-Sublease upon demand if Sub-Subtenant fails or refuses to timely render such payment or performance.
3. Each Guarantor waives: (i) notice of demand for payment of all or any part of the Obligations, (ii) protest, notice of protest and notice of default, (iii) any right to require that any action be brought against Sub-Subtenant or any other person or entity as a condition of liability, and (iv) any and all other notices, and legal or equitable defenses to which such Guarantor may be entitled. Sub-Sublandlord may extend, modify, or release any Obligation or settle, adjust, or compromise any claims against Sub-Subtenant, without notice to Guarantors and without any effect on any Guarantor’s obligations hereunder.
4. Each Guarantor’s liability will not be contingent or conditioned upon Sub-Sublandlord’s pursuit of any remedies against Sub-Subtenant or any other person or entity. Further, such liability will not be diminished, relieved or otherwise affected by an extension of time, credit or other

indulgence which Sub-Sublandlord may grant Sub-Subtenant, including, without limitation, the acceptance of any partial payment or performance, or the compromise or release of any claims.

5. No term, condition or provision of this Guarantee shall be deemed to be waived by Sub-Sublandlord, without the express written consent of Sub-Sublandlord. Any such waiver will extend only to the particular circumstances specified in writing by the Sub-Sublandlord. Neither forbearance, nor indulgence by Sub-Sublandlord will constitute a waiver of any provision of this Guarantee.
6. Each Guarantor acknowledges that the Sub-Sublease may be extended, amended or renewed by mutual agreement between Sub-Subtenant and Sub-Sublandlord, and each Guarantor expressly consents to any such modification of the Sub-Sublease.
7. This is a continuing guarantee. Nothing but payment and satisfaction in full of the Obligations will release Guarantors from their respective obligations pursuant to this Guarantee. Notice of acceptance of this Guarantee is waived.
8. This Guarantee shall not be impaired by any modification, supplement, renewal, extension or amendment of the Sub-Sublease or any of the Obligations, nor by any modification, release or other alteration of any of the Obligations hereby guaranteed.
9. The liability of each Guarantor hereunder is primary, direct and unconditional and may be enforced without requiring Sub-Sublandlord first to resort to any other right, remedy or security.
10. No Guarantor hereunder shall have any right of subrogation, reimbursement or indemnity whatsoever, unless and until the Obligations are paid or performed in full.
11. If any Guarantor hereunder should at any time die, become incapacitated, become insolvent or make a composition, trust mortgage or general assignment for the benefit of creditors, or if a proceeding under the United States Bankruptcy Code or any similar law affecting the rights of creditors generally shall be filed or commenced by, against or in respect of any guarantor hereunder, any and all obligation of that guarantor shall, at Sub-Sublandlord's option, immediately become due and payable without notice.
12. If any payment or transfer to Sub-Sublandlord which has been credited against any Obligation, is voided or rescinded or required to be returned by Sub-Sublandlord, whether or not in connection with any event or proceeding described in Section 11, the Guarantee shall continue in effect or be reinstated as though such payment, transfer or recovery had not been made.
13. Except as otherwise provided herein, the Guarantee shall be construed as an absolute, unconditional, continuing and unlimited obligation of each Guarantor hereunder without regard to the regularity, validity or enforceability of any of the Obligations, and without regard to whether any Obligation is limited, modified, voided, released or discharged in any proceeding under the United States Bankruptcy Code or any similar law affecting the rights of creditors generally.
14. Any termination of the Guarantee shall be applicable only to Obligations accruing after termination or having their inception after the effective date of such termination and shall not affect Obligations having their inception prior to such date.
15. The death or incapacity of any Guarantor hereunder shall not result in the termination of the Guarantee.

16. Any and all present and future debts and obligations of Sub-Subtenant to any Guarantor hereunder are hereby waived and postponed in favor of and subordinated to the full payment and performance of the Obligations.
17. Each Guarantor hereunder waives to the greatest extent permitted by law: notice of acceptance hereof; presentment and protest of any instrument, and notice thereof; notice of default or intent to accelerate; notice of foreclosure; notice of any modification, release or other alteration of any of the Obligations or of any security therefor and all other notices to which any guarantor hereunder might otherwise be entitled.
18. Each Guarantor hereunder waives to the greatest extent permitted by law: any defense arising by virtue of the lack of authority, death or disability of such Guarantor; or any defense based upon an election of remedies by Sub-Sublandlord which destroys or otherwise impairs the subrogation rights of such Guarantor or the right of such Guarantor to proceed against the Sub-Subtenant for reimbursement, or both.
19. Upon the bankruptcy, winding-up or distribution of any of the assets of Sub-Subtenant or any Guarantor, Sub-Sublandlord's rights will not be affected or impaired by its omission to prove its claim or prove its full claim. Sub-Sublandlord may prove such claims as it sees fit and may refrain from proving any claim.
20. This Guarantee will be jointly and severally binding upon each Guarantor, and their respective heirs, executors, administrators, successors and assigns, and will inure to the benefit of Sub-Sublandlord, its successors and assigns. No Guarantor may assign this Guarantee without the express written consent of Sub-Sublandlord.

EXHIBIT A-5
AUNTIE ANNE'S® RIDER

This AUNTIE ANNE'S® Rider dated _____ amends and supplements the Franchise Agreement dated _____ (the "Franchise Agreement") between Doctor's Associates LLC, a Florida limited liability company ("we" or "us"), and _____ ("you"). The Franchise Agreement, as amended by this AUNTIE ANNE'S® Co-Brand Location Rider, will be called this "Agreement". Capitalized terms used in this AUNTIE ANNE'S® Co-Brand Location Rider that are defined in the Franchise Agreement will have the meanings given to them in the Franchise Agreement.

RECITALS:

- R.1. Auntie Anne's, Inc. is the owner of a proprietary system for establishing and operating stores featuring a variety of products featuring pretzels under the trade name and service mark AUNTIE ANNE'S®.
- R.2. Pursuant to a Co-Branding Agreement dated April 24, 2013, we and Auntie Anne's, Inc. agreed to establish co-branded units in which AUNTIE ANNE'S® franchised locations would be established in new and existing Subway® restaurants located in Walmart® stores and other select non-traditional Subway® locations (the "Co-Brand Agreement").
- R.3. You want to establish a AUNTIE ANNE'S® store in combination with your Subway® restaurant, and we have granted consent, provided you sign a franchise agreement directly with Auntie Anne's, Inc. (the "Co-Branded Location").
- R.4. You understand and agree you will have obligations to Auntie Anne's, Inc. separate from your obligations to us, and they will have separate obligations to you, which are not our obligations to you or guaranteed to you by us.
- R.5. You understand and agree there is risk. You understand we have little experience establishing the AUNTIE ANNE'S® concept in combination with Subway® restaurants, and we do not know how co-branding with an AUNTIE ANNE'S® will affect the Restaurant or your operations.
- R.6. The individuals signing this Agreement as franchisee must be identical at all times to the individuals who sign a franchise agreement with Auntie Anne's, Inc. (the "AA Franchise Agreement").
- R.7. The Franchise Agreement must be in our current form as the date of this Rider. If you have an older version of our Franchise Agreement, you will amend your Franchise Agreement by signing a new Franchise Agreement.
- R.8. In the event of a conflict between the terms of this Rider and any other rider you sign with us in conjunction with this Rider, the terms of this Rider shall prevail.**

AGREEMENT:

Acknowledging the above recitals, which are deemed to be a part of the Franchise Agreement and are added to the Recitals in the Franchise Agreement, the parties amend and supplement the Franchise Agreement as follows:

- I. You represent that you have reviewed your master lease or sublease for your Restaurant to determine if it is permissible for you to operate the Restaurant in conjunction with an AUNTIE ANNE'S® store.

II. You may establish an AUNTIE ANNE'S® store licensed to you directly by Auntie Anne's, Inc., subject to the following terms and conditions:

a. You will establish a store licensed by Auntie Anne's, Inc. You will only offer the following AUNTIE ANNE'S® products: fresh soft baked pretzels, pretzel stixs, pretzel nuggets, pretzel dogs, assorted dips, Old Fashioned Lemonade and Lemonade Mixers, and any other products agreed to between us and Auntie Anne's, Inc.

b. We and you will cooperate in good faith with each other and with the Auntie Anne's, Inc. to accommodate the different requirements of this Agreement, Operations Manual, policies, and procedures, with those of Auntie Anne's, Inc., to permit the efficient and harmonious operation of the multiple concepts within the same location. Requirements may be different in the areas of store design, hours of operation, signs, cash registers, and operational procedures, for example.

c. You will owe Auntie Anne's, Inc. the franchise fee it requires under your AA Franchise Agreement. You will pay the franchise fee directly to Auntie Anne's, Inc. or to another party it directs you to pay. We will act as the collection agent for all other fees owed to Auntie Anne's, Inc. under the AA Franchise Agreement. You agree we may collect these fees under the preauthorized draft or electronic funds transfer program we use to collect fees under this Agreement. You agree we may take action against you to collect amounts you owe Auntie Anne's, Inc. in our own name or in Auntie Anne's, Inc.'s name, including in an arbitration under Paragraph 10 of this Agreement.

d. You will sign a sublease or if applicable a sub-sublease, for your Co-Branded Location with our designated leasing affiliate, unless we designate otherwise. You will pay rent for the Co-Branded Location in accordance with the terms of your master lease or sublease for your Restaurant.

e. You will pay us weekly an amount equal to twelve and one-half percent (12 1/2 %) of the Gross Sales, as defined in this Agreement, for all AUNTIE ANNE'S® product sales at your Co-Branded Location. We will retain six percent (6%) of this amount as an additional Royalty payment to us. We will deposit three percent (3%) of this amount into the Subway Franchisee Advertising Fund Trust ("SFAFT"). The remaining three and one-half percent (3 1/2%) of this amount will be paid to Auntie Anne's, Inc. by us. In the future, we may alter the distribution of these funds. There will be no additional continuing fee charged with respect to your AUNTIE ANNE'S® product sales at your Co-Branded Location.

f. If you fail to report your AUNTIE ANNE'S® gross sales on time we may estimate them, charge you based on the estimate, and will adjust the estimated charges after we determine actual sales. All other terms of this Agreement relating to the timing and method of reporting the Restaurant's sales, paying us Royalty, the consequences for underreporting, and our audit and collection rights, will also apply to gross sales from the AUNTIE ANNE'S® store and any other fees, as applicable.

g. You understand and agree the individuals or entities signing this Agreement as franchisee must at all times be identical with the names of the individuals or entities on the AA Franchise Agreement. You will not transfer or assign any interest in this Agreement or in the Restaurant unless you simultaneously transfer to the same individuals or entities your same interest in the AA Franchise Agreement and the AUNTIE ANNE'S® store you operate under your AA Franchise Agreement. You acknowledge you will have to satisfy the separate transfer procedures we and the Auntie Anne's, Inc. have, including the right to approve the transfer and your transferees, and payment of a transfer fee. If Auntie Anne's, Inc. does not consent to your request to transfer, Auntie Anne's, Inc. shall grant you the right to terminate your AA Franchise Agreement in accordance with their termination procedures. You agree our right of first refusal under this Agreement to purchase the Restaurant includes the right to purchase the AUNTIE ANNE'S® store you operate in combination with the Restaurant.

h. You understand and agree this Agreement and our Operations Manual, policies, and procedures, will control and apply to the Restaurant and any common areas of the Co-Branded Location, but will not apply to the portions of the Co-Branded Location where you operate the AUNTIE ANNE'S® store. Each AA Franchise Agreement, Operations Manual, policies, and procedures, will control and apply to its respective licensed portion of the Co-Branded Location, and any common areas, but will not apply to the Subway® restaurant portion of the Co-Branded Location. The common areas will be subject to ours, and Auntie Anne's, Inc.'s Franchise Agreement, Operations Manual, policies, and procedures. You will comply with the highest and most stringent duties and responsibilities governing the common areas if we and the Auntie Anne's, Inc. have different requirements.

i. You must permit each Auntie Anne's, Inc. representative to inspect the Subway® portion of the Co-Branded Location at all reasonable times during normal business hours and your books and records related to the operation of the Restaurant, to the same extent you must permit us to inspect the location and your books and records under this Agreement. You will also grant us inspection rights relating to the portions of the Co-Branded Location you operate under the AA Franchise Agreement, and the related books and records, to the same extent you grant Auntie Anne's, Inc. inspection rights under its respective franchise agreement. You acknowledge and agree we and Auntie Anne's, Inc. may share information about you, the Co-Branded Location, and the businesses you operate, and may report compliance problems or your other possible defaults to each other. You will report to us weekly your sales, inventory costs, and other business information we request regarding the AUNTIE ANNE'S® store you operate in combination with the Restaurant.

j. You will name Auntie Anne's, Inc. and its designated affiliates individually, as additional insureds on the insurance coverage required under this Agreement, and provide certificates of insurance to each additional insured. You will also name us, our Affiliates, our Business Developer assigned to the Co-Branded Location, and our agents, representatives, shareholders, directors, officers and employees, and those of our Affiliates and the Business Developer (the "Additional Insureds"), individually, as additional insureds on the insurance coverage you maintain under your AA Franchise Agreement, and provide certificates of insurance to the Additional Insureds. You will obtain and maintain the highest limits of coverage we or Auntie Anne's, Inc. requires under its respective Franchise Agreement, Operations Manual, policies, and procedures, for the AUNTIE ANNE'S® store you operate in combination with the Restaurant under the AA Franchise Agreement. You may obtain your insurance for the AUNTIE ANNE'S® store from our Gold Standard Insurance Program.

k. You acknowledge and agree the right to operate the AUNTIE ANNE'S® store in combination with the Restaurant is subject to your continued operation of the Restaurant. If this Agreement terminates or expires, or for any other reason you cease to operate the Restaurant at the Co-Branded Location which is licensed under this Agreement, you will also cease to operate the AUNTIE ANNE'S® portion of the Co-Branded Location and Auntie Anne's, Inc. will allow you to terminate your AA Franchise Agreement in accordance with the terms of your AA Franchise Agreement. You may relocate the Co-Branded Location only with ours and Auntie Anne's, Inc.'s separate written approval. If Auntie Anne's, Inc. does not consent to your request to relocate, Auntie Anne's, Inc. shall grant you the right to terminate your franchise agreement in accordance with its termination procedures. We may then allow you to relocate the Restaurant. The term of your AA Franchise Agreement may be shorter than the term of this Agreement.

l. You acknowledge and agree you must review the master lease or sublease for the Restaurant to make sure it allows you to offer AUNTIE ANNE'S® products. You also agree to review local regulations to make sure they allow the sale of the AUNTIE ANNE'S® products at the location, and do not require you to obtain additional permits or satisfy other requirements, such as adding more parking spaces.

m. You understand and agree we and Auntie Anne's, Inc. are separately responsible to you. You understand your AUNTIE ANNE'S® franchise was made through a separate franchise offering made

to you by Auntie Anne's, Inc. and we cannot attest to the validity any of the information they have provided to you in their disclosure document or thru any other source. We will not be liable to you for any defaults or misrepresentations by Auntie Anne's, Inc.

n. If you close or stop operating the Auntie Anne's, Inc. store or if your AA Franchise Agreement is terminated, you agree to remove all trademarks and trade dress of the Auntie Anne's, Inc. as required by your AA Franchise Agreement and install Subway® décor to our specifications.

o. We shall have the right, but not the obligation, to cure any default by you, under your AA Franchise Agreement.

p. In the event the Co-Brand Agreement expires or terminates, you may continue to operate the Co-Branded Location in accordance with ours and Auntie Anne's, Inc.'s franchise agreements until the franchise agreements terminate or expire. If this Agreement terminates or expires prior to your AA Franchise Agreement and you do not renew, you will also cease to operate the AUNTIE ANNE'S® portion of the Co-Branded Location and you will terminate your AA Franchise Agreement in accordance with its termination procedures. The renewal terms of your AA Franchise Agreement may differ than the renewal terms of this Agreement.

q. You acknowledge you have read and understand your obligations under this Agreement and your AA Franchise Agreement concerning competition during the term of each agreement and upon their termination or expiration.

III. Notwithstanding anything in the Franchise Agreement to the contrary: EACH PARTY HEREBY WAIVES, WITHOUT LIMITATION, ANY RIGHT IT MIGHT OTHERWISE HAVE TO ASSERT A CLAIM FOR AND/OR TO RECOVER LOST PROFITS AND OTHER FORMS OF CONSEQUENTIAL, INCIDENTAL, CONTINGENT, PUNITIVE AND EXEMPLARY DAMAGES FROM THE OTHER EXCEPT AS PROVIDED HEREIN. EACH PARTY'S LIABILITY SHALL BE LIMITED TO ACTUAL COMPENSATORY DAMAGES. ACTUAL COMPENSATORY DAMAGES SHALL BE THE GREATER OF (1) \$100,000.00 OR (2) AT YOUR SOLE OPTION, ALL AMOUNTS PAID TO US FOR FRANCHISE FEES AND ROYALTIES FOR THIS AGREEMENT FOR UP TO THREE YEARS PRECEDING THE DATE OF ANY AWARD HEREIN. IF YOU CHOOSE OPTION (2), WE WILL ALSO REPURCHASE YOUR EQUIPMENT, PURCHASED FROM OR THROUGH US, AT DEPRECIATED VALUE USING THE FIVE YEAR, STRAIGHT LINE METHOD OF CALCULATION. EACH PARTY ACKNOWLEDGES THAT IT HAS HAD A FULL OPPORTUNITY TO CONSULT WITH COUNSEL CONCERNING THIS WAIVER, AND THAT THIS WAIVER IS INFORMED, VOLUNTARY, INTENTIONAL, AND NOT THE RESULT OF UNEQUAL BARGAINING POWER.

IV. You acknowledge no employee, agent, or representative of ours, or our Affiliates, or our business developers, has made any oral, written or visual representation or projection to you of actual or potential sales, earnings, or net or gross profits concerning the AUNTIE ANNE'S® concept. You represent that as of the date of this AUNTIE ANNE'S® Co-Brand Location Rider, you have no claims of any type against us, our Affiliates, or the Business Developers, or our agents, representatives, shareholders, directors, officers, and employees, or those of our Affiliates and the Business Developers, except those you have written in below:

You hereby release each of these individuals and entities from all claims other than those you listed above. You acknowledge and understand that any list of claims and the general release will include any alleged breaches of franchise or other laws, and any alleged breach of agreement, relating not only to

the Franchise Agreement, but also to any agreements or dealings you may have or had at any time with us or any of the above listed individuals or entities.

- V. The Franchise Agreement, as amended and supplemented by this AUNTIE ANNE'S® Co-Brand Location Rider, contains the entire understanding of the parties. The parties can amend the Franchise Agreement further only in a signed writing. The provisions of the Franchise Agreement, as amended and supplemented by this AUNTIE ANNE'S® Co-Brand Location Rider, are ratified and affirmed. To the extent the terms of this Rider and the terms of the Franchise Agreement conflict, the terms of this Rider shall control.
- VI. You acknowledge you read and understand this AUNTIE ANNE'S® Co-Brand Location Rider and the Franchise Agreement, and consent to be bound by all the terms and conditions of the Franchise Agreement, as amended and supplemented by this Co-Brand Location Rider.

IN WITNESS WHEREOF, the parties have executed this AUNTIE ANNE'S® Co-Brand Location Rider, as of the date first written above.

Item 1

THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

Also, SRE has amended its Master Sublease Agreement with a third party associated with Walmart Stores, Inc. ("Walmart") to sublease space for the operation of Subway® restaurants co-branded with AUNTIE ANNE'S® stores within the premises of Walmart stores.

Co-Branded AUNTIE ANNE'S® Locations. We have entered into a co-branding agreement with Auntie Anne's, Inc. to permit qualified franchisees to establish AUNTIE ANNE'S® stores in connection with their Subway® restaurants located in certain Walmart and non-traditional stores, as approved by us. Upon our approval we will permit qualified new and existing franchisees to co-brand their Subway® restaurant with an AUNTIE ANNE'S® store either within the premises of retail establishments owned by Walmart Stores, Inc. or within non-traditional locations (the "Co-Branded Locations"). These Co-Branded Location franchises are sold for specific locations. Co-Branded Locations within non-traditional locations will be offered on a limited basis. You must make your own inquiries about Auntie Anne's, Inc. and the AUNTIE ANNE'S® franchise. You will receive a separate Disclosure Document from Auntie Anne's, Inc. and you will enter into a franchise agreement with them, which has different terms than your Franchise Agreement with us (the "AA Franchise Agreement"). You should review these documents in their entirety to obtain a better understanding of the AUNTIE ANNE'S® franchise system. You will operate the AUNTIE ANNE'S® store as a direct franchisee of Auntie Anne's, Inc. You will pay a franchise fee directly to them or their designee. You will sign the AUNTIE ANNE'S® Rider (Exhibit A-5) to address the different conditions inherent in operating a Co-Branded Location (the "AUNTIE ANNE'S® Rider"). If you are interested in a Co-Branded Location, please review Exhibit A-5 carefully so you will be familiar with how the AUNTIE ANNE'S® Rider will affect your Franchise Agreement with us. You grant us a release under the AUNTIE ANNE'S® Rider. We and Auntie Anne's, Inc. will be separately responsible to you under our respective franchise systems. We may act as a collection agent for all other fees owed to Auntie Anne's, Inc.'s under the terms of the AA Franchise Agreement. You will pay to us directly under the AUNTIE ANNE'S® Rider a fee equal to 12½ % of gross sales for all AUNTIE ANNE'S® product sold. We will retain 6% of this amount as an additional royalty payment to us. We will deposit 3% of this amount into SFAFT. The remaining 3 ½% of this amount will be paid directly to Auntie Anne's, Inc. by us. In the future, we may alter the distribution of these funds.

If your Co-Branded Location will be located in a Walmart Store, the Franchise Agreement will consist of our standard form of the Franchise Agreement, AUNTIE ANNE'S® Rider, and Walmart Location Rider. If your Co-Branded Location will be located at a non-traditional site, the Franchise Agreement will consist of our standard form of the Franchise Agreement, AUNTIE ANNE'S® Rider, and the Franchise Agreement Rider, if applicable. In addition, you will be required to sign all agreements and riders required by Auntie Anne's, Inc.

Item 2

BUSINESS EXPERIENCE

We will pay Business Developers one third of the additional royalty payment we collect weekly for gross sales on AUNTIE ANNE'S® products sold.

Item 5

INITIAL FEES

Add the following new sentence after the heading, *Extension Fee*:

If your Co-Branded Location will be located within a Walmart store, you must sign a Sub-Sublease rather than a Sublease within 1 year after signing the Franchise Agreement and the AA Franchise Agreement.

**Item 6
OTHER FEES**

Fee to Co-Brand Location with AUNTIE ANNE'S®	12 ½% of total weekly gross sales for AUNTIE ANNE'S® products	Payable weekly	See Note 13

Add to Note 5. Transfer Fee:

If your restaurant is co-branded with an AUNTIE ANNE'S® store, you cannot transfer or assign any interest in your Franchise Agreement or in your restaurant unless you simultaneously transfer to the same individuals your same interest in the AA Franchise Agreement and AUNTIE ANNE'S® store. You will have to satisfy the separate transfer procedures we and Auntie Anne's, Inc. have, including the right to approve the transfer and your transferees, and payment of a transfer fee. If Auntie Anne's, Inc. does not consent to your request to transfer your store, Auntie Anne's, Inc. will grant you the right to terminate your AA Franchise Agreement in accordance with their termination procedures. Any right of first refusal under your Franchise Agreement with us to purchase your restaurant will include the right to purchase the AUNTIE ANNE'S® store you operate in combination with the restaurant.

Add to Note 6. Location Rent:

If your Co-Branded Location will be located in a non-traditional location, you will pay your rent to your landlord under the Sublease you enter into with our designated leasing affiliate, unless we allow otherwise.

Add to Note 6. Location Rent:

On April 24, 2013, Walmart Stores, Inc., Walmart Stores East, LP, Walmart Louisiana, LLC, Walmart Arkansas, LLC, and Walmart Texas, LLC and Twin Towers Trading Site Management ("TTTSM") amended their master lease agreement, to permit the co-branding of Subway® restaurants with AUNTIE ANNE'S® stores within retail establishments owned by Walmart Stores Inc. (the "Master lease"). On April 9, 2013, TTSM and SRL amended their master sublease agreement whereby TTSM subleased its rights under the amended Master Lease agreement to SRL (the "Master Sublease").

If your Co-Branded Location will be located within a Walmart store, a Sublease will be executed between TTTSM and SRL for each co-branded location within a Walmart store that will be incorporated into the Master Sublease. You must then enter into a Sub-Sublease Agreement with SRL for the premises (the "Sub-Sublease Agreement"). You will be required to sell any items authorized by us and Auntie Anne's, Inc. You will pay rent for the Subway® restaurants and AUNTIE ANNE'S® stores separately in accordance with the Master Sublease Agreement. Your rent will be a percentage of your monthly gross sales for your Subway® restaurant and your AUNTIE ANNE'S® store. TTTSM may require you to personally guarantee the Master Sublease with respect to the Co-Branded Location premises and may also require a right of first refusal if you want to transfer the Co-Branded location. SRL may assess late payment fees and other costs arising from administration of the Master Sublease, and has the same rights as TTTSM on default to charge you for certain fees, to carry out repairs and to recover costs.

Add to Note 13. Co-Brand Continuing Fee with the following:

Note 13. *Fee to Co-Brand Location with AUNTIE ANNE'S® Store.* If your restaurant is co-branded with an AUNTIE ANNE'S® store, you will pay to us weekly a fee equal to 12½% of gross sales for all AUNTIE ANNE'S® product sold. We will retain 6% of this amount as an additional royalty payment to us. We will deposit 3% of this amount into SFAFT. The remaining 3½% of this amount will be paid directly to Auntie Anne's, Inc. by us. In the future, we may alter the distribution of these funds.

**Item 7
ESTIMATED INITIAL INVESTMENT**

The initial investment for a Co-Branded Location may vary from the chart above, depending on whether it is located in a Walmart store or non-traditional location, the equipment you have to buy, and the changes you may have to make in construction improvements. The additional equipment and supplies you will need to offer AUNTIE ANNE'S® products may increase your costs. In addition, free sampling of menu offerings is a key component of AUNTIE ANNE'S® marketing program. Auntie Anne's, Inc. may require you to distribute free samples of AUNTIE ANNE'S® menu offerings sold at your Co-Branded Location during hours designated by Auntie Anne's, Inc. While sampling may increase costs, it may lead to an increase in sales and transactions. For more information concerning the costs and recommended guidelines associated with the sampling of menu offerings, please review the AUNTIE ANNE'S® franchise disclosure document and Operations Manual.

Add to Note 2. Real Property:

If your Co-Brand Location will be located in a non-traditional location, you must sign a Sublease for the premises with our designated leasing affiliate, unless we allow otherwise. You may be required to pay a security deposit. If your Co-Branded Location will be located within a Walmart store, you must sign a Sub-Sublease Agreement for the premises with SRL. You will not be required to pay a security deposit or an advance payment and placement fee.

Add to Note 5. Insurance:

You may obtain your insurance for the AUNTIE ANNE'S® store from our Gold Standard Insurance Program.

Apart from: (1) providing financing of \$10,000 of the full \$15,000 franchise fee for certain first time franchisees under our minority loan program; (2) the equipment leasing program; (3) entering into the master lease and subleasing the restaurant premises to you; (4) loans in connection with a Subway® restaurant; (5) financing of the Technology Enhancement Fee for existing restaurants, and (6) SRL entering into a Master Sublease for Co-Branded Location to be located within Walmart stores and sub-subletting the premises within a particular Walmart store to you; we and our affiliates do not offer assistance or financing to you directly or indirectly. The above costs are not refundable except the Equipment Lease security deposit, the location security deposit (depending upon the terms of the master lease), and utility deposits (depending on the terms set by each local utility), as long as you are in compliance;

Item 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

If your Co-Brand Location will be located in a non-traditional location, you must sign a Sublease for the premises with our designated leasing affiliate, unless we allow otherwise. If your Co-branded Location will be located in a Walmart store, a Sublease will be executed between TTTSM and SRL for each Co-branded location and will be specifically incorporated into the Master Sublease. You will enter into a Sub-Sublease Agreement with SRL for the premises. The Sub-Sublease Agreement provides for a pass-through of the costs and obligations of the Master Sublease to you. We and SRL do not receive revenue under your Sub-Sublease Agreement. SRL may assess late payment fees and other costs arising from the administration of the Master Sublease, and has the same rights as TTTSM on default to charge you for certain fees, to carry out repairs, and to recover costs. We estimate the required sub-subleasing represents 4% to 11% of your total purchases for the establishment of your restaurant and 7% to 15% of your overall purchases in operating your restaurant.

Item 10 FINANCING

If your Co-Branded Location will be located within a Walmart store, SRL will enter into a Master Sublease Agreement, including a Sublease for each leased premises with TTSM and it will further sub-sublease the premises to you. The landlord is Walmart Stores, Inc., Walmart Stores East, LP, Walmart Louisiana, LLC and Walmart Texas, LLC as discussed in Item 5. You will pay rent for the Subway® restaurants and AUNTIE ANNE'S® stores separately in accordance with the Master Sublease Agreement. Your rent will be a percentage of your monthly gross sales for your Subway® restaurant and your AUNTIE ANNE'S® store. DAL and SRL have an interest in compensation that often may include, but is not limited to, lost royalties, loss of market penetration, extended down time and other factors associated with the termination of the Master Sublease, or the Sublease pertaining to an individual restaurant premises. TTSM may require a right of first refusal if you want to transfer your Co-Branded Location. You should read the Master Sublease, including the Sublease, and the Sub-Sublease Agreement carefully. You and SRL waive trial by jury (Sub-Sublease Paragraph 5). The individuals who sign the Franchise Agreement must also sign the Sub-Sublease Agreement and are personally liable for payments under the Sub-Sublease Agreement. If you default under the provisions of the Master Sublease, SRL may terminate the Sub-Sublease Agreement on 10 days' written notice, and you must surrender and leave the premises. See Sub-Sublease Agreement Paragraph 5. A default of the Sub-Sublease Agreement is a default of the Franchise Agreement and we may terminate your Franchise Agreement. A default under your Franchise Agreement will be a default under your Sub-Sublease Agreement. See Sub-Sublease Agreement Paragraph 5. SRL may evict you if you do not leave. Any action to enforce SRL's rights against you under the Sub-Sublease Agreement is not considered an arbitrable dispute under the Franchise Agreement, and is not subject to the arbitration required under the Franchise Agreement. You will remain liable for payment of the balance of the rent due under the Master Sublease, and you will pay SRL's costs and legal fees if litigation occurs and you lose. See Sub-Sublease Agreement Paragraph 5. SRL may charge you interest on all past due amounts at the rate provided in the Master Sublease.

Item 11 FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Add to Pre-Opening Obligations:

The leasing and extension procedures may vary or may not apply under our programs for purchase of a specific location under the AUNTIE ANNE'S® Rider or Franchise Agreement Rider.

Add to Pre-Opening Obligations:

If your Co-Branded Location will be located within a Walmart store, you will confirm its location by signing an Intent to Sub-Sublease, if you have not previously signed one for the location. You must enter into a Sub-Sublease Agreement with SRL for the premises within 1 year after signing the Franchise Agreement or your Franchise Agreement will automatically terminate unless you request an extension in writing, pay an extension fee, and then sign a replacement Franchise Agreement. The term of the Sub-Sublease Agreement will equal the full term of the Master Sublease (including

renewal options, if any) minus one day. You will pay rent for your Co-Branded Location to TTTSM in accordance with the Master Sublease Agreement. SRL may terminate your Sub-Sublease Agreement if you breach the Master Sublease or materially breach the Franchise Agreement. See Item 5 and Item 10. If TTTSM terminates the Master Sublease or the Sublease for the premises and an arbitrator or court determines you did not breach the Sub-Sublease Agreement, but it was our fault or SRL's fault that TTTSM terminated the Master Sublease or Sublease, then our obligation to you will be limited to the cost of your leasehold improvements less depreciation using a 5 year life under the straight-line method. We will pay you when you reopen the restaurant in a new location. If the arbitrator or court determines you breached the Sub-Sublease Agreement or it was not our fault or SRL's fault that TTTSM terminated the Master Sublease or Sublease, we and SRL will have no obligation to you for such termination.

Add to Advertising Fee:

If your restaurant is co-branded with an AUNTIE ANNE'S® store, you will pay to us weekly a fee equal to 12½% of gross sales for all AUNTIE ANNE'S® product sold. We will deposit 3% of this amount into SFAFT. In the future, we may alter the distribution of these funds.

**Item 12
TERRITORY**

You will be permitted to relocate your Co-Branded Location to another Walmart or non-traditional location upon our and Auntie Anne's, Inc. written consent. If Auntie Anne's, Inc. does not consent to your request to relocate the Co-Branded Location, Auntie Anne's, Inc. shall grant you the right to terminate your AA franchise agreement in accordance with their termination procedures. We may then allow you to relocate the Restaurant and the Co-Brand Location Rider will have no further force effect. If you signed the Walmart Location Rider in conjunction with the Co-Brand Location Rider and you relocate the restaurant to a location that is not within a Walmart store, the Walmart Location Rider will also have no further force or effect. You will abide by the terms of the Franchise Agreement without any modification by the Walmart Location Rider.

This Rider ("**Rider**") dated _____ (the "**Effective Date**") amends and supplements the Franchise Agreement of the same date including any Riders and any Addenda to the Franchise Agreement (the "**Franchise Agreement**") between Doctor's Associates LLC, a Florida limited liability company ("**we**" or "**us**" or "**DAL**"), and _____

_____ ("**you**"). The Franchise Agreement as amended by this Rider will be called this "**Agreement**". Capitalized terms used in this Rider that are defined in the Franchise Agreement will have the meanings given to them in the Franchise Agreement.

RECITALS

R.1. We entered into a license agreement with the Naval Exchange Service Command ("**NEXCOM**") dated February 26, 2008 as may be amended (the "**License**"). The parties acknowledge and agree that the License may be further amended during the term of License to include certain modifications requested by NEXCOM through a modification of contract or delivery/task order (the "**Modifications of Contract**"). A copy of the License, including any Modifications of Contract, is attached to this Agreement as Exhibit 1. The License, including any existing Modifications of Contract and future Modifications of Contract, is specifically incorporated into this Agreement.

R.2. The License permits us to develop and operate Subway® restaurants and to sublicense others to develop and operate Subway® restaurants at certain locations owned, managed or otherwise under the control of NEXCOM ("**NEXCOM locations**" or "**Naval Exchange locations**").

R.3. Subject to the terms of the License and this Agreement, by signing this Rider, we will sublicense the development and operation of the Restaurant at an approved Naval Exchange location to you on the following terms and conditions.

R.4. From time to time the parties acknowledge and agree that they may execute amendments to this Agreement to acknowledge and agree to be bound by specific terms of certain Modifications of Contract, and you agree to cooperate with us in good faith to execute any such amendments.

AGREEMENT

Acknowledging and agreeing to each of the Recitals above, which are added to the Recitals of the Franchise Agreement and are herein incorporated by reference in the Franchise Agreement, and notwithstanding any provisions of the Franchise Agreement to the contrary, the parties agree to amend and supplement the Franchise Agreement as follows:

- I.** You will pay us monthly, on the seventh (7th) day of the month following the end of the sales period, the commission and any other charges due NEXCOM, as set forth in the License, for the Restaurant.

In the event that you fail to make any payment required under the Franchise Agreement or License, we may make such payment on your behalf and you will reimburse us.

You will pay to us weekly, on the day of the week that we specify in writing, a reduced Advertising Contribution of 2% of your total weekly Gross Sales.

II. During the term of this Agreement, we grant you: A sublicense under the License to develop and operate the Restaurant at a Naval Exchange location, for the term indicated in the License.

III. In regard to the License of the Restaurant:

(i.) You will open the Restaurant by the date provided in the License, as it may be amended, or this Agreement automatically expires. We will not grant you an extension or refund the Franchise Fee if this Agreement automatically expires.

(ii.) Before opening, you must successfully complete our training program. You may be dismissed from the training program and this Agreement may be terminated with no refund of your franchise fee if you materially fail to act in accordance with the Code of Business Conduct during the training program. You may be required to pass our standardized test given during the training program, with one retest permitted. If you fail the standardized test, we may dismiss you from the training program, cancel this Agreement and refund one-half (1/2) of your Franchise Fee. If more than one individual signs this Agreement, any one of the individuals who fails the standardized test may be dismissed from the training program and removed from this Agreement with no refund of the Franchise Fee.

(iii.) Because the Restaurant will be located at a Naval Exchange location established under the terms of the License and this Agreement, we do not require a Sublease. All references to the Sublease in this Agreement are deemed deleted. You will be bound by the terms of the License, as amended, between us and NEXCOM which is specifically incorporated into this Agreement. You agree to perform all of our obligations as Licensee and/or Contractor under the License, to develop and operate the Restaurant, at your sole expense. We or our designee will attempt to secure a fair monthly commission for the premises but we cannot represent it will be the best available fee for name brand fast food locations operating at Naval Exchange locations.

(iv.) You will construct, equip, and open the Restaurant in accordance with the specifications in the Operations Manual and the License.

IV. You acknowledge and agree that by virtue of operating the Restaurant at a Naval Exchange location, you will be subject to specific laws, rules and regulations enumerated in the License, including but not limited to the Service Contract Act and wage determinations issued by the United States Department of Labor. You are solely responsible for complying with these specific laws, rules and regulations.

V. You will operate the Restaurant in accordance with the Operations Manual, which contains mandatory and suggested specifications, standards and operating procedures and may be updated as a result of experience or changes in the law or marketplace (the “**Operations Manual**”) as well as the License. If any provision of the Operations Manual conflicts with the License, the License will control.

VI. Your insurance policy must meet our requirements and NEXCOM’s requirements, including coverage limits and specified additional insureds, as set forth in the Operations Manual and the License. To the extent of any conflict between the insurance requirements set forth in the Operations Manual and the insurance requirements set forth in the License, the requirements in the License will govern. You must also purchase the insurance required by state law. You will require any subcontractor or general contractor you hire in connection with the construction or remodel of the Restaurant to abide by the insurance requirements in the License.

VII. These amounts include Royalty, advertising contributions, interest, late fees, the commission and any other charges due NEXCOM under the License, and other charges you owe.

- VIII.** You will make prompt payment of all charges you owe to us, our Affiliates, your vendors, and NEXCOM under this Agreement and any other Franchise Agreement you have with us, in addition to Royalty, commission, and advertising contributions, and pay all Sales Tax, other taxes, and debts of the Restaurant and any other Subway® restaurants you operate as they become due.
- IX.** You must have our prior written approval to relocate. All of your accounts with us or our Affiliates for each Subway® restaurant you operate must be current. You will pay all expenses and liabilities associated with termination or expiration of the License and any relocation expenses as they become due. If you relocate the Restaurant to a location that is not a Naval Exchange location, the NEXCOM Rider will be of no further force and effect, except to the extent the License imposes obligations on you which continue after the termination or expiration of the License. You will abide by and be bound by the terms of this Agreement without any modification by the NEXCOM Rider. You must give consideration to the accessibility requirements of the Americans with Disabilities Act (“**ADA**”) when you relocate. If a proposed site is not accessible, you must provide plans to make the site accessible, or we may request that you identify an alternative accessible location.

This NEXCOM Addendum must be given to you together with the Disclosure Document, the form of Franchise Agreement and the NEXCOM Rider.

Item 1

THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

In some circumstances, we may allow you to establish a satellite location in a non-traditional location, including a military base location, and you must also sign the Franchise Agreement Rider or the NEXCOM Rider, as applicable. Please note that the Franchise Agreement Rider or NEXCOM Rider will amend and supplement the Franchise Agreement including any provisions modified by the Satellite Rider.

Military Base Locations:

On February 26, 2008, we entered into a license agreement assigned number #N00250-08-D-0013 (the "License Agreement") with the Navy Exchange Service Command ("NEXCOM") to establish and sublicense others to establish Subway® restaurants at certain locations owned, managed or under the control of NEXCOM ("Naval Exchange locations" or "NEXCOM locations"). Under the terms of the License Agreement, we will enter into a sublicense with you for the right to establish a Subway® restaurant at a Naval Exchange location. The sublicense will be in the form of the NEXCOM Rider to the Franchise Agreement, which amends the standard form of Franchise Agreement. The License Agreement as amended by any modifications of contract, delivery orders or task orders (collectively the "Modifications of Contract"), is attached to the NEXCOM Rider and is specifically incorporated into the Franchise Agreement. The NEXCOM Rider provides a pass-through of the costs and obligations of the License Agreement to you, including any Modifications of Contract. In the future, we may change the form of sublicense, and you will be required to enter into our current form of sublicense as of the date you sign the sublicense.

The License Agreement has been and will continue to be amended through additional Modifications of Contract and you are required to abide by any such modifications to the License Agreement applicable to your restaurant as they are issued throughout the term of the Franchise Agreement.

You should review the License Agreement, including any Modifications of Contract together with the Franchise Agreement and NEXCOM Rider carefully, and you may want to review these documents with a lawyer. NEXCOM reserves the right to terminate the License Agreement or any Modification of Contract granting the right to operate a restaurant at a specific Naval Exchange location at any time. If NEXCOM terminates the License Agreement, or the license for your location, you may lose your investment in the location. You must also comply with additional standards and obligations prescribed by the License Agreement.

If you establish your restaurant at a NEXCOM location under the License Agreement, you may be required under the License Agreement to offer certain snack menu items, such as pizza or hot dogs. Review any Modifications of Contract specific to your location to determine whether any such requirement applies to you. You are responsible for any costs associated with offering the additional menu item(s).

You must know and comply with all laws, regulations, rules and policies that apply to the operation of the restaurant at a NEXCOM location under the License Agreement, including, but not limited to: all applicable United States Executive Orders, particularly those concerning workers and wages; the Service Contract Act and wage orders issued by the United States Department of Labor; recycling and environmental laws; privacy rules and regulations; the United States Department of Defense rules and regulations; all laws, rules and regulations pertaining to Combating Trafficking in Persons and segregated facilities; smoking and gambling policies; identification verification policies; customer complaint resolution policies; customer purchase receipt rules and policies; business record requirements (including audited financial statements); as well as certain rules, requirements and policies with respect to your employees (pertaining to health evaluations, sanitation training, etc.). You may be required to provide a right of first refusal to qualified employees of the previous contractor of the location for any positions in your restaurant. It is your responsibility to research these matters and ensure compliance with them in the operation of your restaurant.

Item 5 INITIAL FEES

Extension Fee:

The above description of the extension fee also does not apply to a NEXCOM location established under the License Agreement. After you sign the Franchise Agreement, you must open your restaurant within the time prescribed under the License Agreement or we may terminate the Franchise Agreement, with no right to any extensions.

You will not sign a sublease for your restaurant located at a Naval Exchange location. Your right to occupy the restaurant premises is provided under the License Agreement and the sublicense we grant to you under the Franchise Agreement. You are responsible for paying the monthly commission fee specified in the License Agreement. The monthly commission fee is a percentage of the sales from the restaurant, and will vary from month to month. It may also increase upon renewal of the license for the restaurant location. You will pay us the commission fee as well as any other charges you owe to NEXCOM through your preauthorized account, and then we will send these amounts to NEXCOM. NEXCOM may assess late payment fees. In some cases, however, you will pay NEXCOM directly.

Add to Note 7. Insurance:

You may be required under the License Agreement to submit your insurance policy to NEXCOM for approval prior to opening the restaurant.

Disputes arising from or in connection with the License Agreement with NEXCOM must be resolved in accordance with the dispute resolution procedures outlined in the License Agreement, consistent with the requirements of the Contract Disputes Act.

Add a new Note 22:

Note 22. *Customer Programs: Promotions, Receipts and Claims.* You may be required under the License Agreement to participate in special promotions or programs offered by NEXCOM which may involve the issuance of coupons or other vouchers. If you do not, NEXCOM may require you to offer the customer a free item or meal at your expense. You must also comply with NEXCOM's customer complaint resolution policies, including issuing refunds to customers for customer dissatisfaction with an item or service, and for any overcharges to customers. If you fail to promptly make any refund of overcharges to a customer, NEXCOM may make the refund to the customer on your behalf and charge you the amount of the refund.

Item 7 INITIAL INVESTMENT

If you establish your restaurant at a NEXCOM location under the License Agreement, your capital requirements may vary from those stated in the chart above. You will have to abide by certain rules, regulations and policies applicable to operating from a military base location which may increase your initial investment costs, including but not limited to, obtaining security clearances and health screenings for you and your employees. You will be required to construct, equip and open the restaurant to the specifications contained in the License Agreement in addition to the Operations Manual, which may cause you to incur additional costs. The specifications included in the License Agreement, such as the requirement to purchase all construction materials in accordance with the Buy American Act may cause costs for materials, construction, and personnel to be higher. You may also be limited to using contractors, licensed plumbers, etc. specified by NEXCOM or a related government entity in connection with certain repairs, upgrades and renovations for your restaurant which may increase your costs. We may offer to provide financing of the franchise fee and certain leasehold improvements to franchisees who purchase a franchise for a NEXCOM location. We may also guarantee third party equipment leases and loans for these locations only.

Add to Note 2. Real Property:

You will not sign a sublease for your restaurant located at a Naval Exchange Location. Your right to occupy the restaurant premises is provided under the License Agreement and the sublicense we grant to you under the NEXCOM Rider. You are responsible for paying the monthly commission fee specified in the License Agreement. The monthly commission fee is a percentage of the gross sales from the restaurant, and will vary from month to month. It may also increase upon renewal of the license for the restaurant location. You will pay us the commission fee as well as any other charges you owe to NEXCOM through your preauthorized account, and then we will send these amounts to NEXCOM. NEXCOM may assess late payment fees.

Add to Note 3. Leasehold Improvements:

NEXCOM may require you to upgrade the décor of your restaurant and/or renovate the location as a condition of the grant of the license or license renewal or extension for the location. These costs could be substantial.

Add to Note 5. *Insurance* with the following:

You must also purchase the insurance coverage specified in the License Agreement and any additional insurance otherwise required by state law.

Add to in Note 5. *Insurance*:

In addition, your policy must name all additional insureds required under the License Agreement, including all NEXCOM, Navy Exchange Service Centers, Navy Exchanges, Navy Lodges Program or any other government entity or related instrumentality specified in the License Agreement.

Item 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Pursuant to the License Agreement, all food service equipment for NEXCOM locations must be approved by the National Sanitation Foundation (NSF) and Underwriter Laboratories (UL). You must only use domestic construction material as defined in the Buy America Act to construct or renovate and equip the premises in which the restaurant will be located. This requirement may limit some of your choices in approved decor and construction materials required to build-out the location as a Subway® restaurant. You may also be limited to using contractors, licensed plumbers, etc. specified by NEXCOM or a related government entity in connection with certain repairs, upgrades and renovations for your restaurant. You may be required to obtain NEXCOM's approval on various products or sources of various products you use or sell in the restaurant. You may not represent that products sold from your restaurant are approved or endorsed by any element of the United States government.

If your restaurant will be located at a NEXCOM location under the License Agreement, you will not sign a Sublease. Instead, and you will sign the Franchise Agreement and NEXCOM Rider with us which grants you a sublicense under the License Agreement to operate the restaurant from a location designated under the License Agreement. Under the Franchise Agreement, as amended by the NEXCOM Rider, the costs and obligations of the License Agreement are passed through to you. We will collect the commission fee through your pre-authorized account and send it to NEXCOM. You will bear the cost of sales and use tax, gross receipt taxes, registration fees, and similar amounts applicable to the License Agreement. NEXCOM may terminate the License Agreement, or terminate the right to operate from a location identified in the License Agreement at any time. AAFES ADDENDUM TO THE DAL DISCLOSURE DOCUMENT

This AAFES Addendum amends and supplements the “Franchise Disclosure Document for Prospective Franchisees as Required by the Federal Trade Commission” dated April 25, 2024 (the “Disclosure Document”) issued by Doctor’s Associates LLC (“DAL”, “we”, or “us”). This AAFES Addendum must be given to you together with the Disclosure Document, the form of Franchise Agreement and the AAFES Rider.

Item 1

THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

In some circumstances, we may allow you to establish a satellite location in a non-traditional location, including a military base location, and you must also sign the Franchise Agreement Rider or the AAFES Rider, as applicable. Please note that the Franchise Agreement Rider or AAFES Rider will amend and supplement the Franchise Agreement including any provisions modified by the Satellite Rider.

Military Base Locations:

We have entered into contracts (the “Contract(s)”) with the United States of America Army and Air Force Exchange Service (“AAFES”) to establish Subway® restaurants at certain AAFES military facilities. Each Contract grants us the right to subcontract to you the right to operate a Subway® restaurant from a specific location identified in the Contract. The subcontract we and you will sign is in the form of the AAFES Rider to the Franchise Agreement which amends the standard form of Franchise Agreement. The Contract for your specific location, as amended by any modifications of contract, delivery orders or task orders (collectively the “Modifications of Contract”), is attached to the AAFES Rider and is specifically incorporated into the Franchise Agreement. The AAFES Rider provides a pass-through of the costs and obligations of the Contract, including any Modifications of Contract, to you.

Each Contract may be amended through additional Modifications of Contract throughout the term of the Franchise Agreement, and you are required to abide by any such modifications to the Contract for your specific location as they are issued throughout the term of the Franchise Agreement.

You should read the Contract including any Modifications of Contract together with the Franchise Agreement and AAFES Rider carefully, and you may want to review these documents with a lawyer. AAFES reserves the right to terminate a Contract at any time. If AAFES terminates the Contract for your location, you may lose your investment in the location. You must also comply with additional standards and obligations prescribed by the Contract.

If you establish your restaurant at an AAFES location, you may be required under the Contract to offer certain snack menu items, such as pizza or hot dogs. Review the Contract, including any Modifications of Contract specific to your location to determine whether any such requirement applies to you. You are responsible for any costs associated with offering the additional menu item(s).

You must know and comply with all laws, regulations, rules and policies that apply to the operation of the restaurant at an AAFES location, including, but not limited to, all applicable United States Executive Orders, particularly those concerning workers and wages; the Service Contract Act and wage orders issued by the United States Department of Labor; recycling and environmental laws; privacy rules and regulations; the United States Department of Defense rules and regulations; all laws, rules and regulations pertaining to Combating Trafficking in Persons and segregated facilities; smoking and gambling policies; identification verification policies; guest complaint resolution policies; guest purchase receipt rules and policies; business record requirements (including audited financial statements); as

well as certain rules, requirements and policies with respect to your employees (pertaining to health evaluations, sanitation training, etc.). You may be required to provide a right of first refusal for any jobs in your restaurant to qualified employees of the previous contractor of the location. It is your responsibility to research these matters and ensure compliance with them in the operation of your restaurant.

Item 5 INITIAL FEES

The description of the extension fee also does not apply to an AAFES location established under the Contract. After you sign the Franchise Agreement, you must open your restaurant within the time prescribed under the Contract or we may terminate the Franchise Agreement, with no right to any extensions.

If you establish your restaurant at a location designated by AAFES under the Contract and sign the AAFES Rider, you will not sign a sublease. You will pay AAFES a deposit upon award of the Contract or the award of a follow-on Contract. The amount of the deposit will vary depending on, among other things, the size and location of the restaurant, but it is typically calculated by multiplying AAFES' estimated monthly sales for the location times the monthly fee percentage and then, if applicable, dividing that amount by 2. The deposit may be refunded to you upon the termination or expiration of the Contract, less any amounts owed to AAFES. When you commence construction of the restaurant or renovate the restaurant, you may be required to post a bond equal to 100% of the construction costs. You will also pay AAFES a monthly fee equal to a percentage of gross sales of the restaurant, as well as other charges. The monthly fee may increase upon renewal or extension of the Contract or upon the award of a follow-on Contract. AAFES may assess late payment fees.

Item 7

ESTIMATED INITIAL INVESTMENT

If you establish your restaurant at the location designated by AAFES under the Contract, your capital requirements may vary from those stated in the chart above. We may also guarantee third party equipment leases and loans for these locations only.

Note 2. Real Property:

If your restaurant will be established at the location designated by AAFES under the Contract, you will not sign a sublease. You will pay AAFES a deposit upon award of the Contract or the award of a follow-on Contract. The amount of the deposit will vary depending on, among other things, the size and location of the restaurant, but it is typically calculated by multiplying AAFES' estimated monthly sales for the location times the monthly fee percentage and then, if applicable, dividing that amount by 2. The deposit may be refunded to you upon the termination or expiration of the Contract, less any amounts owed to AAFES. When you commence construction of the restaurant or renovate the restaurant, you may be required to post a bond equal to 100% of the construction costs. You will also pay AAFES monthly fee equal to a percentage of gross sales of the restaurant, as well as other charges. The monthly fee may increase upon renewal or extension of the Contract or upon the award of a follow-on Contract. AAFES may assess late payment fees.

Note 3. Leasehold Improvements:

AAFES may require you to upgrade the décor of your restaurant and/or renovate the location as a condition of the grant of the renewal or extension of the Contract for the location. You may have to post a bond equal to 100% of the construction costs. These costs could be substantial.

Note 5. Insurance

You must also purchase the insurance coverage specified in the Contract and any additional insurance otherwise required by state law.

in Note 5. Insurance:

Under the Franchise Agreement, as amended by the AAFES Rider, the costs and obligations of the Contract are passed through to you. You will pay AAFES a deposit upon award of the Contract or the award of a follow-on Contract. The amount of the deposit will vary depending on, among other things, the size and location of the restaurant, but it is typically calculated by multiplying AAFES' estimated monthly sales for the location times the monthly fee percentage and then, if applicable, dividing that amount by 2. The deposit may be refunded to you upon the termination or expiration of the Contract, less any amounts owed to AAFES. When you commence construction of the restaurant or renovate the restaurant, you may be required to post a bond equal to 100% of the construction costs. Item 7
ESTIMATED INITIAL INVESTMENT

If you establish your restaurant at the location designated by AAFES under the Contract, your capital requirements may vary from those stated in the chart above. You will have to abide by certain rules, regulations and policies applicable to operating from a military base location which may increase your initial investment costs, including but not limited to, obtaining security clearances and health screenings for you and your employees. You will be required to construct, equip and open the restaurant to the specifications contained in the Contract in addition to the Operations Manual, which may cause you to incur additional costs. We may offer to provide financing of the franchise fee and certain leasehold improvements to franchisees who purchase a franchise for an AAFES location. We may also guarantee third party equipment leases and loans for these locations only.

Note 2. Real Property:

If your restaurant will be established at the location designated by AAFES under the Contract, you will not sign a sublease. You will pay AAFES a deposit upon award of the Contract or the award of a follow-on Contract. The amount of the deposit will vary depending on, among other things, the size and location of the restaurant, but it is typically calculated by multiplying AAFES' estimated monthly sales for the location times the monthly fee percentage and then, if applicable, dividing that amount by 2. The deposit may be refunded to you upon the termination or expiration of the Contract, less any amounts owed to AAFES. When you commence construction of the restaurant or renovate the restaurant, you may be required to post a bond equal to 100% of the construction costs. You will also pay AAFES monthly fee equal to a percentage of gross sales of the restaurant, as well as other charges. The monthly fee may increase upon renewal or extension of the Contract or upon the award of a follow-on Contract. AAFES may assess late payment fees.

Note 3. Leasehold Improvements:

AAFES may require you to upgrade the décor of your restaurant and/or renovate the location as a condition of the grant of the renewal or extension of the Contract for the location. You may have to post a bond equal to 100% of the construction costs. These costs could be substantial.

Note 5. Insurance

You must also purchase the insurance coverage specified in the Contract and any additional insurance otherwise required by state law.

in Note 5. Insurance:

In addition, your policy must name all additional insureds required under the Contract, including all Army and Air Force Exchange System components which in turn include, but are not limited to, AAFES, the United States and any other government entity or related instrumentality specified in the Contract.

Item 8
RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You may be required to purchase products and materials required for the operation of your restaurant in accordance with specifications provided by AAFES.

If you establish your restaurant at an AAFES location, there may be additional purchase restrictions on food, equipment, beverages and other products or services you will use in the restaurant. You may be required to obtain AAFES' approval on various products or sources of various products. You may not purchase or acquire any merchandise, equipment, supplies, or service originating in, processed in, or transported from or through, any

country prohibited from commerce with the United States. You may not represent that products sold from your restaurant are approved or endorsed by any element of the United States government.

Instead, and you will sign the Franchise Agreement and AAFES Rider with us which grants you a subcontract under a Contract between us and AAFES to operate the restaurant from a location designated in the Contract. Under the Franchise Agreement, as amended by the AAFES Rider, the costs and obligations of the Contract are passed through to you. You will pay AAFES a deposit upon award of the Contract or the award of a follow-on Contract. The amount of the deposit will vary depending on, among other things, the size and location of the restaurant, but it is typically calculated by multiplying AAFES' estimated monthly sales for the location times the monthly fee percentage and then, if applicable, dividing that amount by 2. The deposit may be refunded to you upon the termination or expiration of the Contract, less any amounts owed to AAFES. When you commence construction of the restaurant or renovate the restaurant, you may be required to post a bond equal to 100% of the construction costs. You will also pay AAFES monthly fee equal to a percentage of gross sales of the restaurant, as well as other charges. The monthly fee may increase upon renewal or extension of the Contract or upon the award of a follow-on Contract. AAFES may assess late payment fees. You will bear the cost of sales and use tax, gross receipt taxes, registration fees, and similar amounts applicable to the Contract. AAFES may terminate the Contract at any time. Note 4. If your restaurant will be located at an AAFES location, you will not sign a sublease. Instead, we will enter into a Contract with AAFES, and you will enter into a subcontract with us for the right to establish a Subway® restaurant from the location. The subcontract will be in the form of the AAFES Rider to the Franchise Agreement, which amends the standard form of Franchise Agreement. The Contract between us and AAFES, as amended by any modifications of contract, delivery orders or task orders (collectively the “Modifications of Contract”), is attached to the AAFES Rider and is specifically incorporated into the Franchise Agreement. The Contract may be amended through additional Modifications of Contract throughout the term of the Franchise Agreement, and you are required to abide by any such modifications to the Contract as they are issued throughout the term of the Franchise Agreement. You should carefully review the Contract, including any Modifications of Contract, and you may want to do so with a lawyer or other professional advisor.

You will pay AAFES a deposit upon award of the Contract or the award of a follow-on Contract. You will bear the cost of sales and use tax, gross receipt taxes, registration fees, and similar amounts applicable to the Contract. Our grant of a subcontract to you does not relieve us from our obligations under the Contract.

Either party may terminate the Contract for the location upon 90 days written notice.

If you default under the provisions of the Contract, including the failure to pay monies owed to AAFES under the Contract, we may terminate your Franchise Agreement. AAFES may terminate the Contract at any time. Your compensation for termination is limited to the remaining unamortized value of improvements for the balance of the term. Item 1

THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

In some circumstances, we may allow you to establish a satellite location in a non-traditional location, including a military base location, and you must also sign the Franchise Agreement Rider or the MCCS Rider, as applicable. Please note that the Franchise Agreement Rider or MCCS Rider will amend and supplement the Franchise Agreement including any provisions modified by the Satellite Rider.

Military Base Locations:

On November 9, 2020, we entered into a license agreement assigned number H0120-H-0004 (the "License Agreement") with the Marine Corps Community Services ("MCCS") to establish and sublicense others to establish Subway® restaurants at certain locations owned, managed or under the control of MCCS ("MCCS locations"). Under the terms of the License Agreement, we will enter into a sublicense with you for the right to establish a Subway® restaurant at a MCCS location. The sublicense will be in the form of the MCCS Rider to the Franchise Agreement, which amends the standard form of Franchise Agreement. The License Agreement as amended by any modifications of contract, delivery orders or task orders (collectively the "Modifications of Contract"), is attached to the MCCS Rider and is specifically incorporated into the Franchise Agreement. The MCCS Rider provides a pass-through of the costs and obligations of the License Agreement to you, including any Modifications of Contract. In the future, we may change the form of sublicense, and you will be required to enter into our current form of sublicense as of the date you sign the sublicense.

The License Agreement has been and will continue to be amended through additional Modifications of Contract and you are required to abide by any such modifications to the License Agreement applicable to your restaurant as they are issued throughout the term of the Franchise Agreement.

You should review the License Agreement, including any Modifications of Contract together with the Franchise Agreement and MCCS Rider carefully, and you may want to review these documents with a lawyer. MCCS reserves the right to terminate the License Agreement or any Modification of Contract granting the right to operate a restaurant at a specific MCCS location at any time. If MCCS terminates the License Agreement, or the license for your location, you may lose your investment in the location. You must also comply with additional standards and obligations prescribed by the License Agreement.

If you establish your restaurant at a MCCS location under the License Agreement, you may be required under the License Agreement to offer certain snack menu items, such as pizza or hot dogs. Review any Modifications of Contract specific to your location to determine whether any such requirement applies to you. You are responsible for any costs associated with offering the additional menu item(s).

You must know and comply with all laws, regulations, rules and policies that apply to the operation of the restaurant at a MCCS location under the License Agreement, including, but not limited to: all applicable United States Executive Orders, particularly those concerning workers and wages; the Service Contract Act and wage orders issued by the United States Department of Labor; recycling and environmental laws; privacy rules and

regulations; the United States Department of Defense rules and regulations; all laws, rules and regulations pertaining to Combating Trafficking in Persons and segregated facilities; smoking and gambling policies; identification verification policies; customer complaint resolution policies; customer purchase receipt rules and policies; business record requirements (including audited financial statements); as well as certain rules, requirements and policies with respect to your employees (pertaining to health evaluations, sanitation training, etc.). You may be required to provide a right of first refusal to qualified employees of the previous contractor of the location for any positions in your restaurant. It is your responsibility to research these matters and ensure compliance with them in the operation of your restaurant.

Item 5 INITIAL FEES

Extension Fee:

The above description of the extension fee also does not apply to a MCCS location established under the License Agreement. After you sign the Franchise Agreement, you must open your restaurant within the time prescribed under the License Agreement or we may terminate the Franchise Agreement, with no right to any extensions.

You will not sign a sublease for your restaurant located at a MCCS location. Your right to occupy the restaurant premises is provided under the License Agreement and the sublicense we grant to you under the Franchise Agreement.

Item 7
INITIAL INVESTMENT

If you establish your restaurant at a MCCS location under the License Agreement, your capital requirements may vary from those stated in the chart above. You will have to abide by certain rules, regulations and policies applicable to operating from a military base location which may increase your initial investment costs, including but not limited to, obtaining security clearances and health screenings for you and your employees. You will be required to construct, equip and open the restaurant to the specifications contained in the License Agreement in addition to the Operations Manual, which may cause you to incur additional costs. The specifications included in the License Agreement, such as the requirement to purchase all construction materials in accordance with the Buy American Act may cause costs for materials, construction, and personnel to be higher. You may also be limited to using contractors, licensed plumbers, etc. specified by MCCS or a related government entity in connection with certain repairs, upgrades and renovations for your restaurant which may increase your costs. We may offer to provide financing of the franchise fee and certain leasehold improvements to franchisees who purchase a franchise for a MCCS location. We may also guarantee third party equipment leases and loans for these locations only.

Add to Note 2. *Real Property*:

You will not sign a sublease for your restaurant located at a MCCS location. Your right to occupy the restaurant premises is provided under the License Agreement and the sublicense we grant to you under the MCCS Rider. You are responsible for paying the monthly commission fee specified in the License Agreement. The monthly commission fee is a percentage of the gross sales from the restaurant. It may increase upon renewal of the license for the restaurant location.

Add to Note 3. *Leasehold Improvements*:

MCCS may require you to upgrade the décor of your restaurant and/or renovate the location as a condition of the grant of the license or license renewal or extension for the location. These costs could be substantial.

Add to Note 5. *Insurance*:

You must also purchase the insurance coverage specified in the License Agreement and any additional insurance otherwise required by state law.

In addition, your policy must name all additional insureds required under the License Agreement, including all MCCS Programs or any other government entity or related instrumentality specified in the License Agreement.

Item 8
RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Pursuant to the License Agreement, all food service equipment for MCCS locations must be approved by the National Sanitation Foundation (NSF) and Underwriter Laboratories (UL). You must only use domestic construction material as defined in the Buy America Act to construct or renovate and equip the premises in which the restaurant will be located. This requirement may limit some of your choices in approved decor and construction materials required to build-out the location as a Subway® restaurant. You may also be limited to using contractors, licensed plumbers, etc. specified by MCCS or a related government entity in connection with certain repairs, upgrades and renovations for your restaurant. You may be required to obtain MCCS's approval on various products or sources of various products you use or sell in the restaurant. You may not represent that products sold from your restaurant are approved or endorsed by any element of the United States government.

If your restaurant will be located at a MCCS location under the License Agreement, you will not sign a Sublease. Instead, and you will sign the Franchise Agreement and MCCS Rider with us which grants you a sublicense under

the License Agreement to operate the restaurant from a location designated under the License Agreement. Under the Franchise Agreement, as amended by the MCCS Rider, the costs and obligations of the License Agreement are passed through to you. You will pay MCCS monthly fee equal to a percentage of gross sales of the restaurant, as well as other charges. The monthly fee may increase upon renewal or extension of the Contract or upon the award of a follow-on License Agreement. MCCS may assess late payment fees. You will bear the cost of sales and use tax, gross receipt taxes, registration fees, and similar amounts applicable to the Contract. You will bear the cost of sales and use tax, gross receipt taxes, registration fees, and similar amounts applicable to the License Agreement. MCCS may terminate the License Agreement, or terminate the right to operate from a location identified in the License Agreement at any time.

The License Agreement as amended by any modifications of contract, delivery orders or task orders (collectively the “Modifications of Contract”), is attached to the MCCS Rider and is specifically incorporated into the Franchise Agreement. The License Agreement has been and will continue to be amended through additional Modifications of Contract and you are required to abide by any such modifications to the License Agreement applicable to your restaurant as they are issued throughout the term of the Franchise Agreement. You should carefully review the License Agreement and you may want to do so with a lawyer or other professional advisor.

Item 11
FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

The leasing or extension procedures vary or may not apply under our programs for purchase of a specific location or a non-traditional location under the Satellite Rider, Franchise Agreement Rider, School Lunch Rider, Specific Location Rider, Short Term Satellite Rider, or the MCCA Rider. Under the MCCA Rider, you must open the restaurant within the time provided in the License Agreement. We will not grant you any extensions.

You may be required to obtain approval from MCCA for any advertising material you develop. In any advertising materials that refer to MCCA, you must include a statement that the advertising material was neither paid for nor sponsored, in whole or in part, by MCCA.

Computer and Cash Register Systems:

You may be required under the License Agreement to receive approval from MCCA for any POS system hardware and software you use in the restaurant.

Item 12
TERRITORY

If you have signed a MCCA Rider, provided you did not breach your Franchise Agreement or the License Agreement, you may relocate the restaurant to another site if the license for the location expires or terminates. You are responsible for paying all costs of the relocation and for the construction and opening of the new location. In addition, if you are relocating to a non-MCCA site, the MCCA Rider will be of no further force and effect except the obligations of the License Agreement which continue after the termination or expiration of the license for the location.

We issue franchises for cities or towns, except satellite, certain non-traditional, school lunch program, community development program, location selection program and MCCA location franchises are issued for specific identified locations.

You may also be required to obtain approval from MCCA for any such advertising materials.

Item 14

You must operate your restaurant in accordance with the Operations Manual and the License Agreement as they are revised.

Item 15
OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

Item 17
RENEWAL, TERMINATION, TRANSFER AND DISPUTE RESOLUTION

The MCCS Rider ("MR") (Exhibit A-8).

Item a, Length of the franchise term:

There are additional risks involved because the license for the location under the License Agreement is generally for a short term of 5 years, but it could be as short as 1 year or less. Your Franchise Agreement could be valueless and you could lose your investment if MCCS terminates the license for the location early, or does not extend the term of the license for the location at the end term. MCCS MAY TERMINATE THE LICENSE AGREEMENT IN WHOLE OR IN PART, AT ANY TIME, WHEN IT IS CONSIDERED TO BE IN THE BEST INTEREST OF THE GOVERNMENT.

Item c, Requirements for franchisee to renew or extend:

LIC Para G.1 Under the License Agreement, the license term for each location generally may be extended or renewed for up to three additional periods of 5 years each. Extension or renewal terms may vary depending on the type and size of the location. Extensions or renewals may be conditioned upon your agreement to perform facility upgrades or renovations. Renovation plans must be submitted to the Contracting Officer at least 90 days prior to the expiration date of the license and must include an estimate of your projected costs, and completion date.

Item g, "Cause" defined- curable defaults:

NR Para X You have 10 days to cure: failure to pay amounts owed to MCCS; A default under the License Agreement will be a default under the Franchise Agreement and you have 60 days to cure any such default.

RECITALS

You want to establish an approved third party franchisor's concept in combination with your Subway® restaurant, and we have granted consent, provided you sign a Franchise Agreement directly with the third party franchisor.

AGREEMENT

Acknowledging and agreeing to the Recitals above, which are added to the Recitals of the Franchise Agreement and are herein incorporated by reference in the Franchise Agreement, and notwithstanding any provisions of the Franchise Agreement to the contrary, the parties agree to amend and supplement the Franchise Agreement as follows:

- A. You understand and agree you will have obligations to the third party franchisor separate from your obligations to us, and the third party franchisor will have their own separate obligations to you which we will not guarantee.
- B. You understand and agree there is risk. You understand we have little or no experience with the third party franchisor or with establishing the third party franchisor's concept in combination with Subway® restaurants, and we do not know how adding the other franchisor's concept will affect your Subway® restaurant or your operations.
- C. The Franchise Agreement must be in our current form as the date of this Rider. If you have an older version of our Franchise Agreement, you will amend your Franchise Agreement by signing a new Franchise Agreement.
- D. We grant you permission to establish a retail outlet licensed to you directly by an approved third party franchisor in combination with the Subway® Restaurant licensed under this Franchise Agreement, subject to the following terms and conditions:
 - i. You will establish a retail outlet licensed by the third party franchisor (or franchisors) identified below (the "**Co-Brand Franchisor**" or the "**Co-Brand Franchisors**"). You will offer the products described briefly below associated with the respective Co-Brand Franchisor's concept.

<u>Name of Co-Brand Franchisor(s)</u>	<u>Products</u>

- ii. We, you, and the Co-brand Franchisor will cooperate in good faith to accommodate the different requirements of our Franchise Agreement, Operations Manual, policies, and procedures, with those of the Co-Brand Franchisors', to permit the efficient and harmonious operation of the multiple concepts within the same premises. Requirements may be different in the areas of store design, hours of operation, signs, cash registers, and operational procedures, for example.
- iii. You will owe the Co-Brand Franchisor the fees it requires under its franchise agreement with you. You will pay these fees directly to the Co-Brand Franchisor or its designee. The Co-Brand Franchisor may also designate us as its collection agent and we may withdraw these fees from your preauthorized account with us. You acknowledge we will collect royalties for TCBY Systems, Inc. and royalties and advertising fees for mamma ilardo's Corporation. You agree we may take action against you to collect amounts you owe the Co-Brand Franchisor in our own name or in the Co-Brand Franchisor's name.
- iv. You acknowledge the Co-Brand Franchisor may pay us all or a portion of the royalty, service, or franchise fees you pay under your direct franchise agreement with the Co-Brand Franchisor.

<u>Co-Brand Franchisor</u>	<u>Continuing Fee Payable to Us On Gross Sales from the Co-Brand Franchisor's Outlet</u>

Any continuing fee is in addition to the fees you owe the Co-Brand Franchisor under its franchise agreement, and the Royalty Fees and Advertising Contributions you owe us under the Franchise Agreement relating to the Subway® restaurant portion of the premises. You will also pay any sales tax (including gross receipts tax) due on the continuing fees. The terms of this Agreement relating to the timing and method of reporting the Restaurant's Gross Sales to us, paying us Royalty Fee, the consequences for underreporting, and our audit and collection rights, will also apply to gross sales from the Co-Brand Franchisor's outlet and any continuing fees, as applicable.

- vi. You understand and agree the persons signing this Agreement as franchisee must at all times be identical with the names of the individuals on the franchise agreement with the Co-Brand Franchisor. You will not transfer or assign any interest in this Agreement or in the

Restaurant unless you simultaneously transfer to the same persons your same interest in your franchise agreement with the Co-Brand Franchisor and the Co-Brand Franchisor's outlet. You acknowledge you will have to satisfy the separate transfer procedures we and the Co-Brand Franchisor have, including the right to approve the transfer and your transferees, and payment of a transfer fee. You agree our right of first refusal under this Agreement to purchase the Restaurant includes the right to purchase the Co-Brand Franchisor's outlet you operate in combination with the Restaurant.

- vii. You understand and agree this Agreement and our Operations Manual, policies, and procedures, will control and apply to the Subway® restaurant portion and any common areas of the Restaurant location, but will not apply to the portions of the location where you operate the Co-Brand Franchisor's outlet. Each Co-Brand Franchisor's Franchise Agreement, operations manual, policies, and procedures, will control and apply to its respective licensed portion of the Restaurant location, but will not apply to the Subway® restaurant portion of the location. The common areas will be subject to ours, and each Co-Brand Franchisor's Franchise Agreement, Operations Manual, policies, and procedures. You will comply with the highest and most stringent duties and responsibilities governing the common areas if we and the Co-Brand Franchisors have different requirements.
- viii. You must permit each Co-Brand Franchisor to inspect the Subway® restaurant portion of the premises and your books and records related to its operation, to the same extent you must permit us to inspect the location and your books and records under this Agreement. You will also grant us inspection rights relating to the Co-Brand Franchisor's outlet operating on the premises and your books and records related to its operation, to the same extent you grant each Co-Brand Franchisor inspection rights under its respective Franchise Agreement. You acknowledge and agree we and the Co-Brand Franchisors may share information about you, the location, and the businesses you operate, and may report compliance problems or your other possible defaults to each other. You will report to us weekly your sales, inventory costs, and other business information we request regarding the businesses you operate in combination with the Restaurant under the Co-Brand Franchisors' Franchise Agreements.
- ix. You will name each Co-Brand Franchisor and its designated affiliates individually, as additional insureds on the insurance coverage required under this Agreement, and provide certificates of insurance to each additional insured. You will also name us, our Affiliates, our BDs assigned to the Restaurant, and our agents, representatives, shareholders, directors, officers and employees, and those of our Affiliates and the BD (the "**Additional Insureds**"), individually, as additional insureds on the insurance coverage you maintain under the Co-Brand Franchisors' Franchise Agreements, and provide certificates of insurance to the Additional Insureds. You will obtain and maintain the highest limits of coverage we or any Co-Brand Franchisor requires under its respective Franchise Agreement, Operations Manual, policies, and procedures, for the Restaurant and all of the retail outlets you operate in combination with the Restaurant under the Co-Brand Franchisors' Franchise Agreements.
- x. You acknowledge and agree the right to operate the Co-Brand Franchisors' concepts in combination with the Restaurant is subject to your continued operation of the Restaurant. If this Agreement terminates or expires, or you relocate the Restaurant, or for any other reason you cease to operate the Restaurant at the location which is licensed under this Agreement, you will also cease to operate any Co-Brand Franchisors' concepts at the location. You acknowledge you will have to satisfy the separate relocation procedures we and the Co-Brand Franchisor have.

- xi. You must review your Lease for the Restaurant location to make sure it allows you to offer the Co-Brand Franchisors' products. You also agree to review local regulations to make sure they allow the sale of the Co-Brand Franchisors' products at the location, and do not require you to obtain additional permits or satisfy other requirements, such as adding more parking spaces.
 - xii. You understand and agree we and each Co-Branding Franchisor is separately responsible to you. We will not be liable to you for any defaults or misrepresentations by any Co-Brand Franchisor.
 - xiii. If you close or stop operating the Co-Brand Franchisor's retail outlet or if the Co-Brand Franchise Agreement is terminated, you agree to remove all trademarks and trade dress of the Co-Brand Franchisor as required by the Co-Brand Franchise Agreement and install Subway® décor to our specifications.
- E. EACH PARTY HEREBY WAIVES, WITHOUT LIMITATION, ANY RIGHT IT MIGHT OTHERWISE HAVE TO ASSERT A CLAIM FOR AND/OR TO RECOVER LOST PROFITS AND OTHER FORMS OF CONSEQUENTIAL, INCIDENTAL, CONTINGENT, PUNITIVE AND EXEMPLARY DAMAGES FROM THE OTHER EXCEPT AS PROVIDED HEREIN. EACH PARTY'S LIABILITY SHALL BE LIMITED TO ACTUAL COMPENSATORY DAMAGES. ACTUAL COMPENSATORY DAMAGES SHALL BE THE GREATER OF (1) \$100,000.00 OR (2) AT YOUR SOLE OPTION, ALL AMOUNTS PAID TO US FOR FRANCHISE FEES AND ROYALTIES FOR THIS AGREEMENT FOR UP TO THREE YEARS PRECEDING THE DATE OF ANY AWARD HEREIN. IF YOU CHOOSE OPTION (2), WE WILL ALSO REPURCHASE YOUR EQUIPMENT, PURCHASED FROM OR THROUGH US, AT DEPRECIATED VALUE USING THE FIVE YEAR, STRAIGHT LINE METHOD OF CALCULATION. EACH PARTY ACKNOWLEDGES THAT IT HAS HAD A FULL OPPORTUNITY TO CONSULT WITH COUNSEL CONCERNING THIS WAIVER, AND THAT THIS WAIVER IS INFORMED, VOLUNTARY, INTENTIONAL, AND NOT THE RESULT OF UNEQUAL BARGAINING POWER.
- F. You acknowledge no employee, agent, or representative of ours, or our Affiliates, or our Business Developers, has made any oral, written or visual representation or projection to you of actual or potential sales, earnings, or net or gross profits concerning the Co-Brand Franchisors' concepts. You represent that as of the date of this Co-Brand Location Rider, you have no claims of any type against us, our Affiliates, or the Business Developer, or our agents, representatives, shareholders, directors, officers, and employees, or those of our Affiliates and the Business Developer, except those you have written in below:

- G. The Franchise Agreement, as amended and supplemented by this Rider, contains the entire understanding of the parties. The parties can amend the Franchise Agreement further only in a signed writing. In the event of a conflict between the Franchise Agreement and this Rider, the terms of this Rider shall control. Except as amended or modified by this Rider, the terms of the Franchise Agreement remain in full force and effect.
- H. You acknowledge you read and understand this Rider and the Franchise Agreement, and consent to be bound by all the terms and conditions of the Franchise Agreement, as amended and supplemented by this Rider.

DUAL LOCATION TEST RIDER

This Rider ("**Rider**") dated _____ (the "**Effective Date**") amends and supplements the Franchise Agreement, including any provisions modified by any other riders or addenda to the Franchise Agreement (the "**Franchise Agreement**") between Doctor's Associates LLC, a Florida limited liability company ("**we**", "**us**" or "**DAL**"), and _____ ("**you**"), a _____ (please specify type of entity). The Franchise Agreement, as amended by this Rider, will be called this "**Agreement**". Any terms used but not otherwise defined in this Rider shall have the meaning given to them in the Franchise Agreement.

RECITALS

You want to operate the Restaurant at _____, which is located close in proximity to an existing operating Subway® restaurant you own identified as Store Number _____, located at _____ (the "Existing Restaurant"). You want the Restaurant and the Existing Restaurant to operate simultaneously with the option to receive a refund of the franchise fee paid for the Restaurant if you cease operation of either restaurant, by means other than transfer or assignment, within one (1) year after the Restaurant opens. We will cancel the Franchise Agreement for the restaurant you cease to operate. We have granted you this option and have deemed the Restaurant to be a "Dual Location Test Site".

AGREEMENT

Acknowledging and agreeing to the Recitals above, which are added to the Recitals of the Franchise Agreement and are herein incorporated by reference in the Franchise Agreement, and notwithstanding any provisions of the Franchise Agreement to the contrary, the parties agree to amend and supplement the Franchise Agreement as follows:

- A. You acknowledge that we may designate a certain Subway® restaurant to be located close in proximity to another Subway® restaurant owned and operated by the same franchisee as a "**Dual Location Test Site**" so that a franchisee can determine whether both sites should be operated simultaneously. You understand that we will consider the following factors in determining whether a proposed Subway® restaurant shall be considered a Dual Location Test Site: proximity to the franchisee's existing restaurant, the size of the restaurant, market density and population in the area.
- B. You understand and acknowledge this Agreement and any guidelines we set for how close a Dual Location Test Site should be to its Existing Restaurant do not grant you any territorial rights, and there are no radius restrictions or minimum population requirements which limit where we can license or open another Subway® restaurant, including any Dual Location Test Site, unless provided under local law.
- C. We will refund the Franchise Fee to you as set forth in the Franchise Agreement and as follows: If you cease operation of the Existing Restaurant or the Restaurant, by means other than transfer as set forth in Section 18, within 1 year after opening the Restaurant, we will refund the franchise fee you paid for the Restaurant and cancel the Franchise Agreement for the restaurant you cease to operate. You will pay all expenses and liabilities to terminate the lease for the restaurant that you cease to operate.

- D. You acknowledge you found the location and we granted preliminary approval to it. We or you may terminate this Agreement by written notice after 1 year from the date of this Agreement, or earlier if we and you agree, if we or an Affiliate we designate cannot offer you a Sublease for the Restaurant, or if we disapprove the location. We will refund the Franchise Fee to you if we or you terminate this Agreement for the above reasons, unless it is your fault we disapprove the location or we or our designee cannot offer you a Sublease. We will not refund the Franchise Fee if we or our designee enter into a lease or a license containing basic economic terms (e.g. rent, square footage, length of term) you previously consented to and you then do not sign the offered Sublease. If we or our designee offer you a Sublease, you must sign the Sublease within thirty (30) days from the date we or our designee offer the Sublease to you, or this Agreement will automatically expire at the end of the thirty (30) day period. We will not grant you an extension or refund the Franchise Fee if this Agreement automatically expires.
- E. If you do not cease operation of the Existing Restaurant or the Restaurant within 1 year after opening the Restaurant then this Rider will be of no further force and effect.
- F. The Franchise Agreement, as amended and supplemented by this Rider, contains the entire understanding of the parties. The parties can amend the Franchise Agreement further only in a signed writing. In the event of a conflict between the Franchise Agreement and this Rider, the terms of this Rider shall control. Except as amended or modified by this Rider, the terms of the Franchise Agreement remain in full force and effect.
- G. You acknowledge you read and understand this Rider and the Franchise Agreement, and consent to be bound by all the terms and conditions of the Franchise Agreement, as amended and supplemented by this Rider.

DOCTOR'S ASSOCIATES LLC
DEVELOPMENT AGREEMENT

THIS DEVELOPMENT AGREEMENT (this "**Agreement**") is made and entered into on the date shown on the cover page hereof (the "**Agreement Date**"), by and between Doctor's Associates LLC, a Florida limited liability company with a principal office in ~~Milford~~Shelton, Connecticut (hereinafter "**DAL**", "**Franchisor**", "**we**," "**us**" or "**our**"); and _____ a _____ with their principal business address at the address set forth in Exhibit A (the "**Developer**," "**you**" or "**your**").

RECITALS:

A. Our affiliate, Subway IP LLC ("**SIP**") is the owner of a proprietary system for establishing and operating restaurants featuring sandwiches, pizza and salads under our trade name and service mark, Subway®, which operate with a uniform business format, specially designed equipment, methods, procedures, and designs (the "**System**"). The System includes the trademark Subway®, other trademarks, trade names, service marks, commercial announcements (slogans) and related insignia (logos) owned by SIP (the "**Marks**"). The System was developed spending considerable money, time, and effort. The System also includes confidential information and goodwill. SIP has granted us a non-exclusive license to use the System in the United States of America and its territories to establish and sublicense others to establish and operate Subway® restaurants ("**Subway® Restaurants**" or "**Restaurants**"). Subway® Restaurants are operated by persons meeting our qualifications to whom we have granted franchises.

In consideration of the foregoing and the mutual promises and commitments set forth in this Agreement, the parties agree as follows:

1 SCOPE AND PURPOSE

- 1.1 This Agreement only governs your development of new Restaurants, relocation of existing Restaurants and closure of existing Restaurants with our approval. Any Restaurant so developed or purchased in accordance with this Agreement will be operated pursuant to the then-current form of franchise agreement we determine appropriate, consisting of either: (1) our then-current form of single-unit Franchise Agreement for each such Restaurant in the case of a purchase or development of one Restaurant (in each case, a "**Single-Unit FA**"); or (2) our then-current form of Multi-Unit Franchise Agreement in the case of a purchase or development of multiple Restaurants (in each case, a "**MUFA**"), which will govern all Restaurants subject to the MUFA, all as more specifically set forth herein. The term "**Franchise Agreement**" may be used in this Agreement to refer to either a Single-Unit FA, a MUFA, or both, as the context requires. Any Restaurant developed under a Franchise Agreement will be located and operated at a specified location that we designate and approve (a "**Site**").
- 1.2 Under any Franchise Agreement for one or more existing Restaurants, we may require you to remodel and upgrade these Restaurants, including without limitation by upgrading certain equipment, to bring these Restaurants into compliance with our then-current System Standards. You acknowledge that any such remodels, upgrades or updates will be set forth on a transfer addendum to the Franchise Agreement applicable to such Restaurant, and in all cases such remodels, upgrades or updates must be completed within 6 months of the effective date of your acquisition of the Restaurant (unless otherwise specified in the transfer addendum).
- 1.3 If we deem appropriate, we may determine that the development, opening and operation of one or more new Restaurants, or the operation of one or more existing Restaurants that you purchase, be governed by an existing MUFA by amending such existing MUFA to add the newly-purchased or newly-developed

Restaurant to the schedule of Restaurants governed by the existing MUFA. For the avoidance of doubt, we may require you to remodel or upgrade any such Restaurant as set forth in Section 1.2.

- 1.4 This Agreement amends, modifies, and supersedes the terms of, and is an integral part of each of the Franchise Agreements related to any Restaurant developed hereunder. Capitalized terms in this Agreement which are not otherwise defined in this Agreement have the same meanings as defined in our form of Franchise Agreement. Except as otherwise indicated in this Agreement, all other terms and conditions of any Franchise Agreement remain unmodified and in full force and effect. Terms of the Recitals are integral parts of this Agreement.

2 GRANT

- 2.1 *Rights, Obligations.* We grant to you the right, and you accept the obligation, pursuant to the terms and conditions of this Agreement, to acquire the cumulative number of Restaurants, either by developing the specific number of new Subway® Restaurants, relocating existing Restaurants or closing existing Restaurants with our approval in strict accordance with the time schedules (the “**Development Obligations**”), in each case as set forth in your Development Schedule in **Exhibit A** (the “**Development Schedule**”). *Our Reserved Rights.* We retain all other rights, and may, among other things, on any terms and conditions we deem advisable, and without granting you any rights therein:
- 2.1.1 Own, acquire, establish, and/or operate and license others to establish and operate, Subway® Restaurants under the System at any location, notwithstanding such location’s proximity to the Site of any Subway® Restaurant you operate, or its actual or threatened impact on sales at any Subway® Restaurant you operate;
- 2.1.2 Own, acquire, establish, and/or operate, and license others to establish and operate, Subway® Restaurants under the Marks at Reserved Facilities (as defined below) at any location. As used in this Agreement, “**Reserved Facilities**” must mean: airports; department stores; supermarkets; cultural institutions (examples include, but are not limited to, theaters, museums, art centers and educational facilities); casinos; military bases; sports and entertainment venues and stadiums; and business and industrial complexes and offices at which the food service is managed by service providers with national or international operations;
- 2.1.3 Sell and distribute, directly or indirectly, or license others to sell and distribute, directly or indirectly, any products and services bearing the Marks from any location to any business or customer, including without limitation through restaurants, cafes, retail kiosks, grocery or convenience stores or other retail outlets, and any other distribution channels (including, without limitation, through retail, wholesale, mail order, toll free numbers, the Internet, or delivery by Restaurants located anywhere); and
- 2.1.4 We and/or our affiliates have the unrestricted right to engage, directly or indirectly, through our or their employees, representatives, licensees, assigns, agents, and others, at wholesale, retail, and otherwise, in the production, distribution, and sale of products and services bearing the Marks licensed under any Franchise Agreement or other names or marks included as part of the System.
- 2.1.5 Upon your purchase of one or more existing Restaurants under common closing date, we reserve the right to amend the Development Schedule to increase your Development Obligations, as mutually agreed between the parties, taking into consideration the number of existing Restaurants purchased at that time.

- 2.2 *Not a Franchise Agreement.* This Agreement is not itself a Franchise Agreement, and only sets the framework for the parties to enter into each of the Franchise Agreements in accordance with the Development Schedule. This Agreement does not grant to Developer any right to use in any manner our Marks or System separate from the rights granted under each Franchise Agreement. Developer has no right under this Agreement to license others to use in any manner the Marks or System.

3 DEVELOPMENT FEE

The Development Fee is \$_____ (the “**Development Fee**”), which is equal to 100% of the combined initial franchise fees required to be paid under each Franchise Agreement related to the Restaurants contemplated by the Development Schedule. The Development Fee is fully earned by us when paid by you and non-refundable. For any Restaurant timely opened or purchased in strict accordance with the Development Schedule, a portion of the Development Fee will be credited to the full amount of initial franchise fee owed under the applicable Franchise Agreement for such Restaurant. However, for any Restaurant not timely opened or purchased in strict accordance with the Development Schedule, no portion of the Development Fee will be credited to the initial franchise fee applicable to such Restaurant, and you will instead be required to pay the full initial franchise fee in accordance with the applicable Franchise Agreement.

4 DEVELOPMENT OBLIGATIONS

- 4.1 *Compliance with Development Schedule.* Your failure to meet the Development Obligations Development Obligations in any given year on the Development Schedule (each, a “**Development Year**”) will be deemed an “**Annual Shortfall**,” and your failure to comply with the Development Obligations cumulatively as of any given Development Year will be deemed a “**Cumulative Shortfall**.” Annual Shortfalls and Cumulative Shortfalls together may be referred to as “**Shortfalls**.” Likewise, your exceeding the Development Obligations in any given Development Year will be deemed an “**Annual Excess**,” and your exceeding the required Development Obligations cumulatively as of any given Development Year will be deemed a “**Cumulative Excess**.” Annual Excesses and Cumulative Excesses together may be referred to as “**Excesses**.” The following will apply to any Shortfall or Excess, as applicable:
- 4.1.1 If you achieve an Annual Excess, we will provide an initial franchise fee credit per Restaurant in excess of the required number of Restaurants to be developed or opened in the applicable Development Year. This credit may be applied toward any new Restaurant that you open in the Development Year immediately following the Development Year of the Annual Excess. For the avoidance of doubt, this credit is not redeemable for a cash payment from us and is forfeited if not used in accordance with this section.
- 4.1.2 If there is no Shortfall of the Development Obligations when you purchase an existing Restaurant(s), the term of any Franchise Agreement for the existing Restaurant(s) that you purchase during this time will be 20 years (instead of the term remaining on the transferee’s franchise agreement).
- 4.1.3 Any Shortfall may be deemed a default in accordance with Section 7. For the avoidance of doubt, any Annual Shortfall may be deemed a default notwithstanding the contemporaneous occurrence of a Cumulative Excess.
- 4.2 *Affiliates.* We, in our sole discretion, may approve you to use Affiliates to enter into Franchise Agreements contemplated under this Agreement. The term “**Affiliate**” means any corporation, limited liability company or other business entity of which Developer or one or more of its majority owners who

are approved by us owns at least fifty-one percent (51%) of the total authorized ownership interests, and Developer or such owner(s) have the right to control the entity's management and policies.

8 TRANSFERS

- 8.1 *By Us.* We may transfer, assign, and delegate all or any part of our rights and obligations under this Agreement to any person or entity we deem appropriate. Such transfer, assignment, or delegation will effect a complete novation as to the right or obligation transferred, assigned, or delegated. After such transfer, assignment, or delegation, you must look solely to the transferee, assignee, or delegatee, and not to us, for the satisfaction of any obligation transferred, assigned, or delegated. We may also, without your consent, transfer, assign, or otherwise alter any or all of the ownership in us.

- 8.3 *Consent to Transfer.* Our consent to a transfer does not constitute a waiver of any claims we may have against the transferring party arising prior to the Transfer, nor will it be deemed a waiver of our right to demand exact compliance with any of the terms of this Agreement by the transferor with respect to any claims prior to the Transfer or transferee thereafter.

9 COVENANTS

- 9.2 *Confidentiality.* For each breach of the confidentiality provisions set forth in any Franchise Agreement between you and us (or your and our respective Affiliates), you will pay to us the greater of: (a) our actual damages; or (b) \$20,000. Each unauthorized disclosure of confidential information shall be considered a unique breach for the purposes of this Section. The parties agree that these damages are a reasonable estimate of the actual damages that we might incur as a result of a breach of your confidentiality

obligations, is not intended to be, nor is, a penalty. Nothing in this Section 9.5 is intended to limit our rights under Section 9.8.

- 11.2 *Notice of Status.* At all times during the term of this Agreement, you must hold yourself out to the public in connection with the Subway® Restaurants and the business described in this Agreement as an independent contractor operating the business pursuant to this Agreement with us. You agree to take such action as may be necessary to do so, including, without limitation, exhibiting a notice of that fact in a conspicuous place within your offices, the content of which we reserve the right to specify.
- 11.3 *No Contracts in Our Name.* Nothing in this Agreement authorizes you to make any contract, agreement, warranty, or representation on our behalf, or to incur any debt or other obligation in our name; and that we will in no event assume liability for, or be deemed liable hereunder as a result of, any such action; nor will we be liable by reason of any act or omission of you in your operations hereunder, or for any claim or judgment arising therefrom against you.

Your indemnity obligations survive the expiration or termination of this Agreement.
- 11.5 *Definitions.* As used in Section 11.4 above, the following terms must have the following meanings:
 - 11.5.1 **"Asserted Claim"** means any allegation, claim or complaint that is the result of, or in connection with, your exercise of your rights and/or carrying out of your obligations hereunder (including

12 APPROVALS AND WAIVERS

12.1 *Request for Approval.* Whenever this Agreement requires our prior approval or consent, you must make a timely written request to us therefor, and such approval or consent must be obtained in writing.

12.2 *No Warranties or Guarantees.* You acknowledge and agree that we make no warranties or guarantees upon which you may rely, and assume no liability or obligation to you, by providing any waiver, approval, consent, or suggestion to you in connection with this Agreement, or by reason of any neglect, delay, or denial of any request therefor.

12.3 *No Waivers.* No delay, waiver, omission, or forbearance on the part of us to exercise any right, option, duty, or power arising out of any breach or default by you under any of the terms, provisions, covenants, or conditions of this Agreement, and no custom or practice by the parties at variance with the terms of this Agreement, will constitute a waiver by us to enforce any such right, option, duty, or power as against you, or as to subsequent breach or default by you. Subsequent acceptance by us of any payments due to us hereunder or under any other agreement will not be deemed to be a waiver by us of any preceding or succeeding breach by you of any terms, provisions, covenants, or conditions of this Agreement.

13 ENTIRE AGREEMENT AND AMENDMENT

This Agreement and the exhibits referred to herein constitute the entire, full, and complete Agreement between us and you concerning the subject matter hereof, and supersede all prior agreements, no other representations having induced you to execute this Agreement. The parties acknowledge and agree that they relied only on the words printed in this Agreement in deciding whether to enter into this Agreement. Notwithstanding the foregoing, nothing in this Agreement will disclaim or require you to waive reliance on any representation that we made in the most recent franchise disclosure document (including its exhibits and amendments) that we delivered to you or your representative, subject to any agreed-upon changes to the contract terms and conditions described in that disclosure document and reflected in this Agreement (including any riders or addenda signed at the same time as this Agreement). No amendment, change, or variance from this Agreement will be binding on either party unless mutually agreed to by the parties and executed by their authorized officers or agents in writing.

14 SEVERABILITY AND CONSTRUCTION

14.1 *Severability.* Except as expressly provided to the contrary herein, each portion, section, part, term, and/or provision of this Agreement will be considered severable; and if, for any reason, any section, part, term, and/or provision herein is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation by a court or agency having valid jurisdiction, such must not impair the operation of, or have any other effect upon, such other portions, sections, parts, terms, and/or provisions of this Agreement as may remain otherwise intelligible; and the latter must continue to be given full force and

effect and bind the parties hereto; and said invalid portions, sections, parts, terms, and/or provisions must be deemed not to be a part of this Agreement.

- 14.2 *No Third-Party Rights.* Except as expressly provided to the contrary herein, nothing in this Agreement is intended, nor will be deemed, to confer upon any person or legal entity other than you, us, and such of your and our respective successors and assigns as may be contemplated (and, as to you, permitted) by Section 8 hereof, any rights or remedies under or by reason of this Agreement.
- 14.3 *Construction.* You expressly agree to be bound by any promise or covenant imposing the maximum duty permitted by law which is subsumed within the terms of any provision of this Agreement, as though it were separately articulated in and made a part of this Agreement, that may result from striking from any of the provisions hereof any portion or portions which a court may hold to be unenforceable in a final decision to which we are a party, or from reducing the scope of any promise or covenant to the extent required to comply with such a court order.
- 14.4 *Definition of Terms.* All capitalized terms not defined herein have the meaning ascribed to them in the applicable Franchise Agreement.
- 14.5 *Headings.* All captions in this Agreement are intended solely for the convenience of the parties, and no caption must be deemed to affect the meaning or construction of any provision hereof.
- 14.6 *Survival.* All provisions of this Agreement which, by their terms or intent, are designed to survive the expiration or termination of this Agreement, must so survive the expiration and/or termination of this Agreement.

15 APPLICABLE LAW AND DISPUTE RESOLUTION

- 15.1 *Governing Law.* This Agreement shall be governed by the internal laws of the state of Florida, without regard to conflict of laws rules, except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. §§ 1051 et seq.). The parties agree that any franchise law or business opportunity law of the State of Florida now in effect or adopted or amended after the date of this Agreement will not apply to franchises located outside of Florida. SUBJECT TO THE ARBITRATION PROVISIONS BELOW, WE AND YOU (AND EACH OWNER) AGREE THAT ALL ACTIONS ARISING UNDER THIS AGREEMENT OR OTHERWISE AS A RESULT OF THE RELATIONSHIP BETWEEN THE PARTIES MUST BE COMMENCED IN THE STATE OR FEDERAL COURT IN OR NEAREST TO WHERE WE THEN HAVE OUR HEADQUARTERS. WE AND YOU (AND EACH OWNER) IRREVOCABLY CONSENT TO THE JURISDICTION OF THOSE COURTS AND WAIVE ANY OBJECTION TO EITHER THE JURISDICTION OF OR VENUE IN THOSE COURTS.
- 15.2 *Arbitration.*
 - 15.2.1 Any dispute, controversy or claim arising out of or relating to this Agreement, the breach thereof, or the business relationship between the parties will be settled by arbitration to be administered by either the American Arbitration Association or its successor (“AAA”). AAA will administer the arbitration in accordance with its administrative rules (including, as applicable, the Commercial Rules of the AAA and the Expedited Procedures of such rules). If AAA is no longer in business, then the parties will mutually agree upon an alternative administrative arbitration agency. If the parties cannot mutually agree, then the parties agree to take the matter to a court of competent jurisdiction to select the agency. Judgment rendered by the arbitrator may be entered in any court having jurisdiction thereof. The costs of the arbitration will be shared equally by the parties, except as otherwise provided in this Agreement. The parties also agree that neither party

will pursue class claims or group or collective actions. The parties further agree not to consolidate the arbitration with any other proceedings, except for arbitrations in which you and we are the sole parties. The parties will honor validly served subpoenas, warrants and court orders.

- 15.2.2 The parties further agree that in cases where the amount in controversy is One Million Dollars (\$1,000,000.00) or less the only depositions will be for the sole purpose of preserving testimony. In other cases, the right to, and extent of, any depositions will be determined by agreement of the parties, or by the arbitrator. In all cases any documents exchanged between the parties as part of the discovery process must be returned or destroyed (with proof of destruction) within thirty (30) days of final judgment or dismissal of the arbitration.
- 15.2.3 The parties agree that the city where we then have our headquarters at the time of the commencement of the arbitration will be the site for arbitration. The arbitration shall be held before one (1) arbitrator, who shall be chosen pursuant to the AAA rules for appointment of one (1) arbitrator from the National Roster, except that in the event that either of the parties seeks damages in excess of Ten Million Dollars (\$10,000,000.00), the arbitration shall be held before a panel of three arbitrators. To compose the panel of three arbitrators, each party shall name one arbitrator within fourteen (14) days of service of the Demand for Arbitration or Counterclaim seeking damages in excess of Ten Million Dollars (\$10,000,000.00). The two chosen arbitrators must perform his or her duties as a neutral, with impartiality and independence, and with diligence and in good faith. The two arbitrators chosen by the parties shall, within thirty (30) days of the appointment of the last arbitrator, appoint the chairperson of the panel from the National Roster provided by the AAA.
- 15.2.4 You may only seek damages or any remedy under law or equity for any arbitrable claim against us or our successors or assigns. You agree our intended beneficiaries of the arbitration clause including our affiliates, shareholders, directors, officers, employees, agents and representatives, and their affiliates, will be neither liable nor named as a party in any arbitration or litigation proceeding commenced by you where the claim arises out of or relates to this Agreement or the business relationship between the parties. If you name a party in any arbitration or litigation proceeding in violation of this sub-section, you will reimburse us for reasonable costs incurred, including but not limited to arbitration fees, court costs, attorneys' fees, management preparation time, witness fees, and travel expenses incurred by us or the party.
- 15.2.5 You acknowledge and agree that your default under this Agreement concerning infringement of intellectual property rights in the Marks or in copyrighted items or disclosure of Confidential Information (together "**Intellectual Property Claims**") may cause irreparable harm to us, our Affiliates and the System as a whole. Notwithstanding the arbitration clause in this sub-section, we or an Affiliate may bring an action in connection with such a default for damages, injunctive relief, or both in any court having jurisdiction.
- 15.2.6 Any disputes concerning the enforceability or scope of the arbitration clause are delegated to the arbitrator for determination, except for Intellectual Property Claims. Any arbitration will be conducted pursuant to the Federal Arbitration Act, 9 U.S.C. §1, et seq. ("**FAA**"), and the parties agree that the FAA preempts any state law restrictions (including the site of the arbitration) on the enforcement of the arbitration clause in this Agreement. If the FAA has been repealed or modified such that it no longer applies to this Agreement, then any disputes shall be resolved in accordance with applicable law governing this Agreement. The parties agree to waive any right to disclaim or contest this pre-dispute arbitration agreement.

- 15.2.7 A party will be in default of this Agreement if it (a) commences action in any court in violation of this sub-section prior to an arbitrator's final decision (except as otherwise allowed by this Agreement, including to compel arbitration), or (b) commences litigation in any forum except where permitted by this sub-section. The defaulting party will also be responsible for the expenses the other party incurs to enforce this sub-section, including but not limited to filing fees, court costs, reasonable attorneys' fees and travel expenses. However, if a court of competent jurisdiction deems the arbitration clause unenforceable after all appeals have been exhausted, the defaulting party will not be responsible for such costs.
- 15.2.8 Subject to federal or state law, if a party defaults under Section 15.3, including, but not limited to, making a claim for special, incidental, consequential, punitive, or multiple damages, or damages in excess of the amount permitted, the defaulting party must correct its claim and will be responsible for all expenses incurred by the other party, including attorneys' fees, and will be liable for abuse of process.
- 15.2.9 The parties agree that all statutes of limitations and deadlines provided for in the governing law that is applied to the arbitration shall have full force and effect, unless a shorter limitations period is provided in 15.3 and is enforceable under applicable law.

15.3 *Waivers.*

- 15.3.1 *Limitation of Claims and Certain Damages; Class Action Bar.* Except for claims arising from your non-payment or underpayment of amounts you owe us, any and all claims arising out of or relating to this Agreement or the relationship between you and us will be barred unless an action or proceeding is commenced in accordance with this Agreement within one (1) year from the date the party asserting the claim knew or should have known of the facts giving rise to such claims. You and we agree that any proceeding will be conducted on an individual basis, and that any proceeding between us (or any of our affiliates) and you or your owners may not be: (i) conducted on a class-wide basis or as a collective action, (ii) consolidated with another proceeding between us and any other person or entity, nor may any claims of another party or parties be joined with any claims asserted in any action or proceeding between you and us, (iii) joined with any claim of an unaffiliated third-party, or (iv) brought on your behalf by any association or agency. No previous course of dealing shall be admissible to explain, modify, or contradict the terms of this Agreement. No implied covenant of good faith and fair dealing shall be used to alter the express terms of this Agreement.

- 15.3.2 **Waiver of Punitive, Exemplary and Consequential Damages and Jury Trial. EXCEPT FOR YOUR OBLIGATION TO INDEMNIFY US FOR THIRD PARTY CLAIMS, YOU AND WE HEREBY WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT TO OR CLAIM FOR ANY PUNITIVE, EXEMPLARY OR CONSEQUENTIAL DAMAGES AGAINST THE OTHER AND AGREE THAT IN THE EVENT OF ANY DISPUTE BETWEEN US WE EACH SHALL BE LIMITED TO THE RECOVERY OF ANY ACTUAL DAMAGES SUSTAINED. YOU AND WE IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION OR PROCEEDING BROUGHT BY US OR YOU.**

- 15.4 *No Limitation.* No right or remedy conferred on or reserved to us or you by this Agreement is intended to be, nor must be deemed, exclusive of any other right or remedy set forth in this Agreement or by law or equity provided or permitted, but each must be cumulative of every other right or remedy.

- 15.5 *Injunctive Relief.* Nothing set forth in this Agreement contained will bar our right to obtain injunctive relief against threatened conduct that must cause it loss or damages, under the usual equity rules, including the applicable rules for obtaining restraining orders and preliminary injunctions.
- 15.6 *Cost and Attorneys' Fees.* If either party Initiates a judicial or other proceeding, the party prevailing in such proceeding shall be entitled to reimbursement of its costs and expenses, including reasonable attorneys' fees. If we become a party to any action or proceeding commenced or instituted against us by a third party arising out of or relating to any claimed or actual act, error or omission of yours, by virtue of statutory, "vicarious", "principal/agent" or other liabilities asserted against or imposed on us as a result of our status as franchisor, or if we become a party to any litigation or any insolvency proceeding involving you pursuant to any bankruptcy or insolvency code (including any adversary proceedings in conjunction with bankruptcy or insolvency proceedings), then you will be liable to, and must promptly reimburse us for, the reasonable attorneys' fees, experts' fees, court costs, travel and lodging costs and all other expenses we incur in such action or proceeding regardless of whether such action or proceeding proceeds to judgment. In addition, we will be entitled to add all costs of collection, interest, attorneys' fees and experts' fees to our proof of claim in any insolvency or bankruptcy proceeding you file.
- 15.7 *Joint and Several Liability.* Each individual or entity signing this Agreement as the Developer will be jointly and severally liable.

16 ACKNOWLEDGMENTS

- 16.1 *No Conflicting Obligations.* Each party represents and warrants to the others that there are no other agreements, court orders, or any other legal obligations that would preclude or in any manner restrict such party from: (a) negotiating and entering into this Agreement; (b) exercising its rights under this Agreement; and/or (c) fulfilling its responsibilities under this Agreement.
- 16.2 *Your Responsibility for the Choice of Subway® Restaurant Sites.* You acknowledge that you have sole and complete responsibility for the choice of the sites at which Subway® Restaurants will be operated; that we have not (and will not be deemed to have, even by our acceptance of the sites that will become the locations at which Subway® Restaurants will be operated) given any representation, promise, or guarantee of your success at the locations; and that you are solely responsible for your own success within the Subway® Restaurants.
- 16.3 *Your Responsibility for Operation of Your Subway® Restaurants.* Although we retain the right to establish and periodically modify System standards, which you have agreed to maintain in the operation of the Subway® Restaurants contemplated hereunder, you retain the right and sole responsibility for the day-to-day management and operation of the Subway® Restaurants and the implementation and maintenance of System standards at the Subway® Restaurants contemplated hereunder.
- 16.4 *Different Offerings to Others.* You acknowledge and agree that we may modify the offer of our development rights to other parties in any manner and at any time, which offers and agreements may have terms, conditions, and obligations that may differ from the terms, conditions, and obligations in this Agreement.
- 16.5 *No Waiver.* No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the

franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

DOCTOR'S ASSOCIATES LLC
FRANCHISE AGREEMENT

This Multi-Unit Franchise Agreement (this “**Agreement**”), made on the date shown on the cover page hereof (the “**Agreement Date**”), by and between Doctor’s Associates LLC, a Florida limited liability company with a principal office in ~~Milford~~Shelton, Connecticut (“**Franchisor**”, “**we**”, “**us**”, or “**our**”), and the party identified as Franchisee on the Signature Page at the end of this Agreement (“**Franchisee**”, “**you**” or “**your**”).

1. **Background Information.**

A. Our affiliate, Subway IP LLC (“**SIP**”) is the owner of a proprietary system for establishing and operating restaurants featuring sandwiches, pizza and salads under our trade name and service mark, Subway®, which operate with a uniform business format, specially designed equipment, methods, procedures, and designs (the “**System**”). The System includes the trademark Subway®, other trademarks, trade names, service marks, commercial announcements (slogans) and related insignia (logos) owned by SIP (the “**Marks**”). The System was developed spending considerable money, time, and effort. The System also includes confidential information and goodwill. SIP has granted us a non-exclusive license to use the System in the United States of America and its territories to establish and sublicense others to establish and operate Subway® restaurants (“**Subway® Restaurants**”). Subway® Restaurants are operated by persons meeting our qualifications to whom we have granted franchises.

B. You have applied for the right and obligation to operate the Subway® Restaurants set forth on **Exhibit B** utilizing the Marks, each solely at the applicable Approved Location (as defined below) described in this Agreement. Such application has been approved by us in reliance upon all of the representations made within it being true, correct and complete including, without limitation, your ownership. You desire to operate the Subway® Restaurants under the System and wish to obtain a franchise from us for that purpose.

C. You have read this Agreement, and our franchise disclosure document, and have been given an opportunity to clarify any provisions that you did not understand. You understand and accept the terms, conditions, and covenants contained in this Agreement as being reasonably necessary to maintain our high standards of quality and service and the uniformity of those standards at all Subway® Restaurants, and thereby to protect and preserve the goodwill of the Marks.

D. The term “Franchisee”, “you” and “your” as used herein is applicable to one or more persons, a corporation, limited liability company or a partnership, as the case may be, and the singular usage includes the plural and the masculine and neuter usages include the other and the feminine. References to “Franchisee”, “you” and “your” applicable to an individual or individuals shall mean the principal owner or owners of the equity or operating control of you if you are a corporation, limited liability company or partnership, and shall include all such individuals collectively and individually.

E. The parties agree that the information in this Section (“**Background Information**”) is true and correct, and we are relying on it.

2. **Appointment.**

A. We hereby grant to you, upon the terms and conditions of this Agreement, a franchise to operate the Subway® Restaurants listed on **Exhibit B** (each, the “**Restaurant**” and collectively, the “**Restaurants**”) and to use in connection therewith the System, as it may be changed, improved and further developed from time to time, and the Marks solely at the Approved Location and for the Term. Wherever the singular form of “**Restaurant**” is used throughout this Agreement, it shall be deemed to

refer to each Restaurant set forth on **Exhibit B**, and you agree and acknowledge that the terms of this Agreement apply to each and every one of such Restaurants separately and as a group. Similarly, we may exercise any and all of our rights and remedies separately on an individual Restaurant or group of Restaurants, in addition to any rights or remedies we have as to any or all of them.

B. You acknowledge and agree this Agreement does not grant you any territorial rights and there are no radius restrictions or minimum or maximum population requirements which limit where we can license or open another Subway® Restaurant, unless otherwise provided under applicable state law. We and our affiliates have unlimited rights to compete with you and to license others to compete with you. You acknowledge and agree that we and our affiliates retain the exclusive unrestricted right to produce, distribute, and sell food products, beverages, and other products and services, under the Subway® mark or any other mark, directly and indirectly, through employees, representatives, franchisees, licensees, assigns, agents, and others, at wholesale, retail, and otherwise, at any location, without restriction by any right you may have, and without regard to the location of any Subway® Restaurant, and these other stores or methods of distribution may compete with the Restaurant and may adversely affect your sales. You do not have any right to exclude, control, or impose conditions on the location or development of any Subway® Restaurant, other restaurant, store or other method of distribution, under the Subway® mark or any other mark.

3. **Term and Renewal.**

A. This Agreement shall be effective and binding from the date that we execute it and shall expire, with respect to each Restaurant, on the expiration date set forth next to such Restaurant on **Exhibit B**, unless sooner terminated pursuant to this Agreement (the “**Term**”).

B. You will have the right to renew this franchise at the expiration of the initial Term of the franchise for each Restaurant as stated on **Exhibit B** for one (1) additional successive term of twenty (20) years, provided that all of the following conditions have been fulfilled with respect to the applicable Restaurant:

1. You have, during the entire Term, complied with all material provisions of this Agreement and (if applicable) the Sublease (defined below);

2. You maintain possession of the premises of the Restaurant (the “**Premises**”) and by the expiration date of this Agreement you have brought the Restaurant into full compliance with the specifications and standards then applicable for new or renewing Subway® Restaurants, and you have presented evidence satisfactory to us that you have the right to remain in possession of the Premises for the duration of any renewal term or any lesser period that we approve in writing; or, in the event you are unable to maintain possession of the Premises, or in our judgment the Restaurant should be relocated, you secure substitute premises approved in writing by us and have furnished, stocked and equipped such premises to bring the Restaurant at its substitute premises into full compliance with our then-current specifications and standards by the expiration date of this Agreement;

3. You have given written notice of renewal to us no earlier than eighteen (18) months, and no later than twelve (12) months, prior to expiration of the initial Term;

4. You have satisfied all monetary obligations owed by you to us and our affiliates and you have timely met these obligations throughout the Term;

5. You agree to execute upon renewal our then-current form of Franchise Agreement (with appropriate modifications to reflect the fact that the Franchise Agreement relates to the grant of a renewal franchise, and with no further right of renewal), which agreement

shall supersede in all respects this Agreement as it pertains to the applicable Restaurant, and the applicable Restaurant will no longer be governed by this Agreement; the terms of such renewal Franchise Agreement may materially differ from the terms of this Agreement, including, without limitation, a different percentage Royalty Fee and Advertising Contribution; provided, however, you shall be required to pay a renewal fee equal to twenty five percent (25%) of our then-current standard initial franchise fee (excluding any promotions or discounts);

6. You have complied with our then-current qualification and training requirements;

7. You have executed our current form of Renewal Addendum to the then-current form of Franchise Agreement to cover the applicable Restaurant; and

8. You and your owners have executed a general release, in a form prescribed by us, of any and all claims against us and our subsidiaries and affiliates, and their respective officers, directors, agents, owners and employees.

4. **Restaurant and Approved Location.**

A. You may operate each Restaurant only at a location that we approve (in each case, an “**Approved Location**”). If we have already approved a location at the time of executing this Agreement, then the Approved Location is specified on **Exhibit B**. If we have not yet approved a location at the time of executing this Agreement, then you will be responsible for leasing a suitable site for the Restaurant. Prior to the acquisition of any site for the premises of the Restaurant, you shall submit a description of the proposed site to us accompanied by photographs depicting the proposed site, as well as any other information about the site that we may reasonably require. We will provide you with written notice of our approval or disapproval of a proposed site within fifteen (15) business days after receiving your written submission thereof and completing a physical inspection of the proposed site. If we fail to respond within such 15-day period, the site will be deemed disapproved. We may require you to execute one or more riders related to any Restaurant, each of which will be specified on Exhibit B and included as **Exhibit C**.

B. While we may provide you with our experience and expertise in a selection of a location, you hereby acknowledge and agree that our approval of a site does not constitute an assurance, representation or warranty of any kind, express or implied, as to the success or profitability of your Restaurant operated at the site. Our approval of the site indicates only that we believe the site complies with acceptable minimum criteria established by us solely for our purposes as of the time of the evaluation. Both you and we acknowledge that application of criteria that have been effective with respect to other sites and premises may not be predictive of potential for all sites and that, subsequent to our approval of a site, demographic and/or economic factors, such as competition from other similar businesses, included in or excluded from our criteria could change, thereby altering the potential of a site. Such factors are unpredictable and are beyond our control. We shall not be responsible for the failure of a site approved by us to meet your expectations as to revenue or operational criteria. You further acknowledge and agree that your acceptance of a franchise for the operation of a Restaurant at the site is based on your own independent investigation of the suitability of the site. It shall be your sole responsibility to undertake site selection activities and otherwise secure premises for the Restaurant.

C. After receiving our written approval of the location of the Restaurant, we or our affiliate shall, at our option, either: (1) lease the Premises from the owner or landlord of the Approved Location and you will execute a sublease with us for the Premises (the “**Sublease**”); (2) permit you to lease the Premises directly from the owner or landlord; or (3) permit you to own the Premises directly. In the case of (2) above, the terms of such lease must be provided to us and approved by us prior to you entering into a lease agreement (an “**Approved Lease**”). Our approval of the terms of a lease indicates only that we believe the lease complies with acceptable minimum criteria we established. You acknowledge and agree that your acceptance of a lease is based on your own independent investigation, including consultation

with your own attorney and other advisors. For purposes of this Agreement, the term “**Lease**” shall refer to a Sublease or an Approved Lease. An Approved Lease must contain a fully-executed lease rider in the form that we require (the “**Franchisor Lease Rider**”). If you execute an Approved Lease, and not a Sublease, it is your sole responsibility to obtain a fully executed Franchisor Lease Rider in connection with executing the Approved Lease. The Franchisor Lease Rider is intended to provide us with certain protections under the Approved Lease and may not benefit you or the landlord. If you or the landlord request that we consider any modifications to the Franchisor Lease Rider, and we elect to do so, we may also require you to reimburse us for all expenses we incur (including reasonable attorneys’ fees) in connection with such review. We may also reject any request for modifications to the Franchisor Lease Rider for any reason.

D. You agree that upon obtaining possession of the Approved Location for the Restaurant, you will: (i) cause to be prepared and submit for our approval a site survey and any modifications to our basic plans and specifications (not for construction) for a Restaurant (including requirements for dimensions, exterior design, materials, interior design and layout, equipment, fixtures, furniture, signs and decorating) at the Approved Location, provided that you may modify our basic plans and specifications only to the extent required to comply with all applicable ordinances, building codes and permit requirements and only with prior written approval by us; (ii) obtain all required zoning changes; all required building, utility, health, sanitation, and sign permits and licenses and any other required permits and licenses; (iii) purchase or lease equipment, fixtures, furniture and signs as provided herein; (iv) complete the construction and/or remodeling, equipment, fixture, furniture and sign installation and decorating of the Restaurant in full and strict compliance with plans and specifications therefor approved in writing by us and with all applicable ordinances, building codes and permit requirements; (v) obtain all customary contractors' sworn statements and partial and final waivers of lien for construction, remodeling, decorating and installation services; and (vi) otherwise complete development of and have the Restaurant ready to open and commence the conduct of its business in accordance with this Agreement.

E. You acknowledge and agree that we may from time to time designate the maximum amount of debt that a Restaurant may service, and you will ensure that you comply with such limits. You will ensure that you have sufficient cash at all times, through equity capital contributed to you by your owners, to comply with any such requirement.

F. If the Lease terminates without your fault, or if the site is destroyed, condemned or otherwise rendered unusable without your fault, or if in our judgment there is a change in character of the location of the Restaurant sufficiently detrimental to its business potential to warrant its relocation, we will grant permission for relocation of the Restaurant to a location and site acceptable to us. Any such relocation shall be at your sole expense and we shall have the right to charge you for any costs incurred by us, and a reasonable fee, in connection with any such relocation of the Restaurant.

G. If you own the Premises, you represent and warrant that as of the Agreement Date: (a) you or your affiliate (that you control, either directly or indirectly) are the rightful owner in fee simple of the Premises; (b) you have the right to occupy the Premises and operate the Restaurant without restriction through the Expiration Date of this Agreement; and (c) you have no knowledge of any fact or circumstance which would give rise to any claim, demand, action or cause of action arising out of, or in connection with, your occupancy of the Premises. You are required to operate the Restaurant at the Premises through the Expiration Date, and you may not relocate the Restaurant without our prior written consent. You agree that, in the event that you or your affiliate wishes to sell the Premises prior to the Expiration Date, you shall, prior to the sale, agree to enter into a lease with the buyer, which must be an Approved Lease, that does not expire until on or after the Expiration Date, and the terms of such Approved Lease must be provided to us and approved in writing by us prior to you entering into the Approved Lease. Our approval of the terms of an Approved Lease indicates only that we believe the Approved Lease complies with acceptable minimum criteria we established. You acknowledge and agree

that your acceptance of the Approved Lease is based on your own independent investigation, including consultation with your attorney and other advisors. The Approved Lease must contain a Franchisor Lease Rider in the form that we require, and it is your sole responsibility to obtain it and deliver a counterpart to us. The Franchisor Lease Rider is intended to provide us with certain protections under the Approved Lease and may not benefit you or your landlord. If you or the landlord requests that we consider any modifications to the Franchisor Lease Rider, and we elect to do so, we may also require you to reimburse us for all expenses we incur (including reasonable attorneys' fees) in connection with such review. We may also reject any request for modifications to the Franchisor Lease Rider for any reason.

H. You must pay to us a Restaurant Design charge, related to remodeling or relocation of your Restaurant, as follows: (1) for remodels: currently, \$1,000 for 1 original floor plan plus one revision floor plan and \$250 for each additional revision floor plan; (2) for new Restaurants and relocations: \$1,000 for 1 original floor plan plus 2 revision floor plans, and \$250 for additional revision floor plan. For remodels, the \$1,000 charge is waived if the remodel is completed within 6 months from the date the last floor plan was provided. Additional revision charges will not be waived under any circumstance. For new Restaurants and relocations, the \$1,000 charge is waived if the buildout is completed within 12 months from the date the last floor plan was provided. Additional revision charges will not be waived under any circumstance. Nothing in this paragraph is intended to modify your requirement to otherwise timely complete the construction and/or relocation of your Restaurant, as applicable, in accordance with this Agreement, and failure to perform in accordance with such requirements is a material breach of this Agreement.

5. **Equipment, Fixtures, Furniture and Signs.**

A. We shall provide you with specifications for brands and types of food and beverage preparation, dispensing, storage and display equipment, POS System, other equipment, fixtures, furniture, exterior and interior signs and decoration required for the Restaurant. Specifications may include minimum standards for performance, warranties, design and appearance and local zoning, sign and other restrictions. You may purchase or lease original and replacement equipment, fixtures, furniture, signs and decorating materials and services meeting such specifications from any source, except as we provide otherwise in this Agreement, the Confidential Operations Manual, published policies, procedures or guidelines or other written materials we may issue from time to time. If you propose to purchase or lease any item of equipment or furniture or any fixture, sign or decorating materials not theretofore approved by us as meeting our specifications, you shall submit your request in writing to us before purchasing or leasing any item and such item shall be purchased only following our written consent approving same. We will not be obligated to respond to your request, and any actions we take in response to such request will be at our sole discretion. Any such equipment, fixtures, furniture, signs and decorating materials bearing the name Subway® or other Marks will remain SIP's property even though you may have paid a third party to make the equipment, fixtures, furniture, signs or decorating materials. We have the right to physically remove any such equipment, fixtures, furniture, signs or decorating materials from the Premises if we believe it is necessary to protect the goodwill associated with the Marks.

B. You shall comply with all specifications for brands and types of food and beverage preparation, dispensing, storage and display equipment, POS System, other equipment, fixtures, furniture, exterior and interior signs and decoration for use in the Restaurant that we require from time to time.

6. **Training and Operational Assistance.**

A. Within ____ days of the Agreement Date, we will train your Designated Manager(s), as that term is defined in this Agreement, on establishing and independently operating a Subway® Restaurant. The training program will be at a location we choose and may include web-based courses. We

may waive this obligation, in our discretion, for Designated Managers who have successfully completed the training program prior to the Agreement Date.

B. Your Designated Manager(s) or your employee(s) who attend may be dismissed from the training program and this Agreement may be terminated, with no refund of any fees paid by you to us, if you, your Designated Manager(s) or your employee(s) materially fail to act in accordance with our Code of Business Conduct during the training program (which will be made available to you at or before attending the training program).

C. We will train up to two (2) persons without a tuition charge, one of whom must be you or a Designated Manager, and the other person may be a second Designated Manager or other employee. You are responsible for all travel, lodging, meal and wage expenses for all who attend, and you are also responsible for initial training related tuition for any persons beyond the two (2) included persons. We may require you to replace any managers (including any of the Designated Managers) who we determine are not qualified or suitable to operate a Subway® Restaurant.

D. Each of your employees shall complete a training program as prescribed in the Confidential Operations Manual on Restaurant operations and standards only, and it will not address any terms or conditions of employment.

E. If the training program is not completed to our satisfaction, additional training may be required at your expense. If we determine that your Designated Managers are unable to satisfactorily complete the training program, we shall have the right to terminate this Agreement upon written notice to you.

F. We from time to time may provide and may require that previously trained and experienced franchisees or their managers or employees attend and successfully complete refresher training programs or seminars to be conducted at such locations as may be designated by us, and at your expense, including courses provided by third-parties we designate, or by a representative or Business Developer (“BD”, f/k/a Business Development Agent or “BDA”); provided, however, that attendance will not be required at more than four (4) such programs in any calendar year.

7. Computer System.

A. You will use a computer-based point-of-sale system (the “POS System”) including software and hardware that we specify to record and report all sales and other designated business information to us. You have the sole and complete responsibility for: (a) acquiring, operating, maintaining and upgrading the POS System and any other computer hardware, software, cash register and other equipment required by us from time to time (the “Computer Systems”); (b) ensuring that the Computer Systems interface with our systems and those of third parties in the manner that we require from time to time; and (c) any and all consequences that may arise if the Computer Systems are not properly operated, maintained, and upgraded. You must also accept credit card and debit card payments as well as contactless and mobile device payments and participate in our gift card, loyalty, rewards and related programs at your expense. To maintain a competitive advantage in the quick service restaurant industry, you may be required to invest in and implement new technology and digital initiatives at your own expense. You acknowledge that you will be required (if permitted by local law) to enter into software or hardware license agreements and other technology programs/initiatives during the Term, including without limitation hardware-as-a-service agreements, and you will accept and consent to any such agreements, programs or initiatives electronically or as we otherwise direct.

B. You acknowledge and agree that the software you are required to use, if permitted by local law, has remote access capabilities and that we or our designee may, from time to time, remotely access your POS System and other Computer Systems in order to maintain system security, perform

routine system maintenance, provide technical support, increase operational efficiency, install updates to software programs and/or applications, or install or remove software programs and/or applications. We may also retrieve information, such as transaction data and technical data, from your POS System or other Computer Systems at any time. You will not use, offer or sell to other franchisees any software applications or other technology products or services that use the Marks or that we designate as proprietary, unless we approve in writing.

8. **Intellectual Property.**

A. You acknowledge that our affiliate, SIP, is the owner of the Marks, and your right to use the Marks is derived solely from this Agreement and is limited to the conduct of business by you pursuant to and in compliance with this Agreement and all applicable standards, specifications, and operating procedures prescribed by us from time to time during the Term. Any unauthorized use of the Marks by you shall be a breach of this Agreement and an infringement of the rights of us and SIP in and to the Marks. You acknowledge and agree that all usage of the Marks by you and any goodwill established by your use of the Marks shall inure to the exclusive benefit of SIP and us and that this Agreement does not confer any goodwill or other interests in the Marks upon you. You shall not, at any time during the Term or after its termination or expiration, contest the validity or ownership of any of the Marks or assist any other person in contesting the validity or ownership of any of the Marks. All provisions of this Agreement applicable to the Marks apply to any additional trademarks, service marks, and commercial symbols authorized for use by us after the date of this Agreement.

B. You shall not use any Mark (i) as part of any corporate or trade name, (ii) as part of any website, app, domain name, email address, social media account, user name, other online presence, other digital platform or identification of yourself in any electronic medium of any kind (“**Online Presence**”), except in accordance with our guidelines set forth in the Confidential Operations Manual or otherwise in writing by us from time to time, (iii) with any prefix, suffix, or other modifying words, terms, designs, or symbols, (iv) in any modified form, (v) in connection with the sale of any unauthorized product or service, or (vi) in any other manner not expressly authorized in writing by us, including without limitation in a manner that degrades, diminishes, or detracts from the goodwill associated with the Marks, or which, in our sole opinion, is scandalous, immoral, or satirical. You agree to give such notices of trademark and service mark registrations as we specify and to obtain such fictitious or assumed name registrations as may be required under applicable law. You may not use any Mark in advertising the transfer, sale, or other disposition of your Restaurant or an ownership interest in you without our prior written consent. You shall not use any of the Marks in any manner which has not been specified or approved by us in writing.

C. You shall immediately notify us in writing of any apparent infringement of or challenge to your use of any Mark, and of any claim by any person of any rights in any Mark or any similar trade name, trademark, or service mark of which you become aware. You shall not directly or indirectly communicate with any person other than us, SIP, and our or their counsel in connection with any such infringement, challenge, or claim. We and SIP shall have the right to take such action as we and/or SIP deem appropriate and the right to exclusively control any litigation, U.S. Patent and Trademark Office proceeding or other administrative proceeding arising out of such infringement, challenge or claim or otherwise relating to any Mark. You agree to execute any and all instruments and documents, render such assistance, and do such acts and things as may, in the opinion of our or SIP’s counsel, be necessary or advisable to protect and maintain the interests of us or SIP in any such litigation, U.S. Patent and Trademark Office proceeding, or other administrative proceeding or to otherwise protect and maintain the interests of us and SIP in the Marks.

D. We agree to indemnify you against, and to reimburse you for, all damages for which you are held liable in any proceeding in which your use of any Mark pursuant to and in compliance with this Agreement, the Confidential Operations Manual and our other written guidelines is held to constitute

trademark infringement, unfair competition or dilution, and for all costs reasonably incurred by you in the defense of any such claim or in any such proceeding in which you are named as a party, provided that you have timely notified us of such claim or proceeding and have otherwise complied with this Agreement and that we shall have the right to defend any such claim.

E. If it becomes advisable at any time for us and/or you to modify or discontinue use of any Mark, and/or use one or more additional or substitute trade names, trademarks, service marks, or other commercial symbols, you agree to comply with our directions within a reasonable time after our notice to you, and we shall have no liability or obligation whatsoever with respect to your modification or discontinuance of any Mark or expenses incurred in connection therewith.

F. In order to preserve the validity and integrity of the Marks and copyrighted material licensed herein and to assure that you are properly employing the same in the operation of the Restaurant, we or our agents shall have the right of entry and inspection of the Premises at all reasonable times and, additionally, shall have the right to observe the manner in which you are rendering your services and conducting your operations, to confer with your employees and customers, to inspect your Computer Systems (including hardware, software, security, configurations, connectivity, and data access), and to select ingredients, food and non-food products, beverages, and other items, products, materials and supplies for test of content and evaluation purposes to make certain that the services, ingredients, products, materials, equipment and operations are satisfactory and meet the quality control provisions and performance standards established by us.

G. You agree not to, and to use your best efforts to cause your parents, subsidiaries and affiliates, and your and their respective owners, officers, directors, employees, managers, agents, representatives, spouses, heirs, predecessors, successors, and assigns not to, disparage or otherwise speak or write negatively, directly or indirectly, of us or our parents, subsidiaries, and affiliates, and our and their respective current and former owners, officers, directors, employees, managers, agents, representatives, predecessors, successors, and assigns or our or their current and former franchisees, BDs, developers, area developers or the Subway® brand, the System, or any other service-marked or trademarked concept of us, or which would subject the Subway® brand to ridicule, scandal, reproach, scorn, or indignity or which would negatively impact the goodwill of us, our affiliates, the Subway® brand or the Marks.

9. **Confidential Operations Manual.**

A. We will make available to you during the Term, in the format that we choose (electronic, hardcopy, or both), an operations manual containing mandatory specifications, standards, operating procedures and rules prescribed from time to time by us for Subway® Restaurants and information relative to other of your obligations hereunder and the operation of the Restaurant (the “**Confidential Operations Manual**”). The mandatory specifications, standards, operating procedures and rules prescribed from time to time by us for Subway® Restaurants are referred to herein as the “**System Standards**”. The Confidential Operations Manual contains our proprietary information and shall be kept confidential by you both during the Term and subsequent to the expiration or termination of the Term. The Confidential Operations Manual includes all policies, procedures, specifications, rules and guidelines that we may promulgate or revise from time to time and publish via an intranet, the internet, in other electronic media, or in other written format. We shall have the right to add to and otherwise modify the Confidential Operations Manual from time to time to reflect changes in the System Standards.

B. The Confidential Operations Manual shall at all times remain the sole property of us and any hardcopy version thereof that we may have provided to you shall promptly be returned to us upon the expiration or termination of this Agreement.

C. You shall at all times ensure that the Confidential Operations Manual is available at the Premises in a current and up-to-date manner, and in the event of any dispute as to the contents of the Confidential Operations Manual, the terms of the master copy of the Confidential Operations Manual maintained by us at our home office shall be controlling.

10. **Standards of Quality and Performance.**

A. You shall commence operation of the Restaurant not later than twelve (12) months from the Agreement Date, or as otherwise approved in writing by us. Prior to such opening, you shall have procured all necessary licenses, permits, and approvals, including but not limited to construction permits, shall have hired and trained personnel, made all leasehold improvements, and purchased initial inventory. If you for any reason fail to commence operations as herein provided, unless you are precluded from doing so by war or civil disturbance, natural disaster or organized labor dispute that precludes such timely commencement of operation, such failure shall be considered a default and we may terminate this Agreement. Once you have commenced operation of the Restaurant, you must actively and continuously operate the Restaurant during normal business hours (as we may periodically prescribe in the Confidential Operations Manual or elsewhere in writing) for the entire duration of the Term.

B. You agree to maintain (or cause to be maintained) the condition and appearance of the interior and exterior of the Premises consistent with our quality controls and standards for the image of a Subway® Restaurant as an attractive, pleasant and comfortable facility conducive to patronage and impulse buying by its customers. You agree to carry out such maintenance of the Restaurant as is from time to time required to maintain or improve the appearance and efficient operation of the Restaurant, including replacement of worn out or obsolete fixtures and signs, repair of the exterior and interior of the Restaurant and redecorating. If at any time in our business judgment the general state of repair or the appearance of the Premises or its equipment, fixtures, signs or decor does not meet our quality control and standards therefor, we shall so notify you, specifying the action to be taken by you to correct such deficiency. If you fail or refuse to initiate within thirty (30) days after receipt of such notice, and thereafter continue, a bona fide program to complete any required maintenance, we shall have the right, in addition to all other remedies, to enter upon the Premises and effect such repairs, painting, decorating or replacements of equipment, fixtures or signs on your behalf and you shall pay the entire costs thereof on demand. Your obligation to initiate and continue any required maintenance shall be suspended during any period in which such maintenance is commercially impractical due to war, civil disturbance, natural disaster, organized labor dispute or other event beyond your reasonable control.

C. You must bring all Restaurants into compliance with our System Standards on or before the Remodel Due Date set forth on Exhibit B (in each case, a “**Remodel Due Date**”). You may identify certain Restaurants for relocation, subject to our approval. If a Restaurant is identified for relocation and approved by us before its Remodel Due Date, that Restaurant will be considered remodeled as of the Remodel Due Date; *provided that*, you, to our satisfaction, relocate and re-open the identified Restaurant to our specifications within 18 months of our approval. No later than ninety (90) days after the Agreement date, you agree to upgrade or replace any equipment in accordance with the equipment requirements set forth in the Confidential Operations Manual. The parties agree that time is of the essence with respect to your equipment obligations.

D. In our sole discretion, we may permit you to close certain Restaurants operated by you under this Agreement. You must provide us with 60 days’ prior written notice of your desire to close a Restaurant, which shall include an explanation of the reasons for the closure for our consideration. If we permit you to close the Restaurant, you must comply with all post-termination obligations set forth in this Agreement as they apply to the closed Restaurant, and you must cooperate with us or our designee during the closure process, including with respect to matters such as disidentification. Our failure to respond to your notice of your desire to close a Restaurant shall be deemed our disapproval of such closure. Any

Restaurant closed in accordance with this paragraph shall be deemed remodeled and upgraded on or before the Remodel Due Date.

E. You shall make no material alterations to the improvements of the Restaurant nor shall you make material replacements of or alterations to the equipment, fixtures or signs of the Restaurant without our prior written approval.

F. The Approved Location shall be used solely for the purpose of conducting a Subway® Restaurant.

G. Except if you are prohibited from selling products under applicable law or under the terms of the Restaurant lease, you agree that you will offer for sale and sell at the Restaurant all types of sandwiches, food, drinks and other products that we from time to time authorize, and that you will not offer for sale or sell at the Premises any other food product, beverage, confection or non-food product whatsoever or use the Premises for any purpose other than the operation of the Restaurant in full compliance with this Agreement. You further agree that you will participate in any gift certificate, gift card and/or loyalty card programs that we require. To the extent allowed by applicable law, you must comply with our minimum, maximum, and other pricing requirements for sandwiches and other products and services offered by the Restaurant, as well as comply with our pricing methods and procedures for in-store, curbside, delivery, catering (including online catering), on-line/electronic and any other types of orders, including but not limited to advertising and marketing promotions.

H. From time to time, we shall provide to you in the Confidential Operations Manual or otherwise in writing a list of approved manufacturers, suppliers, and distributors and approved food and non-food products, fixtures, equipment, signs, stationery, supplies, and other items or services necessary to operate the Restaurant. Such list shall specify the manufacturer, supplier and distributor and the food and non-food products, fixtures, equipment, signs, stationery, supplies and services that we have approved to be carried or used in the System. We may revise the approved list of manufacturers, suppliers and distributors and the approved list of food and non-food products, fixtures, equipment, signs, stationery, supplies, and other materials from time to time. Such approved list shall be submitted to you in a form that we deem advisable. You must respond to the recall of any products in the manner and at the time that we specify.

I. All sandwiches, menu items, breads, meats, cheeses, ingredients, toppings, spices, mixes and other food and beverage products and materials, containers, packaging materials, other paper and plastic products, plates, cups, utensils, menus, uniforms, forms, cleaning and sanitation materials and other materials and supplies used in the operation of the Restaurant shall conform to the specifications and quality standards established by us from time to time in the Confidential Operations Manual or otherwise. Except as otherwise provided herein, you may only purchase such products that meet our specifications and quality standards from suppliers approved by us as meeting our criteria for Subway® Restaurant suppliers, such criteria and suppliers being subject to change by us from time to time. If you propose to offer for sale at the Restaurant any brand of product, or to use in the operation of the Restaurant any brand of food ingredient or other material or supply, that is not then approved by us as meeting our minimum specifications and quality standards, or to purchase any product from a supplier that is not then designated by us as an approved supplier, you shall submit your request in writing to us before purchasing or leasing any such ingredient, material or supply, and its purchase or lease may not be made by you absent our prior written consent. We will not be obligated to respond to your request, and any actions we take in response to such request will be at our sole discretion, including the assessment of a fee to compensate us for the time and resources we spend in evaluating the ingredient, material or supply. If we do not respond to your request within thirty (30) days, the request shall be deemed denied. We reserve the right from time to time to examine the facilities of any approved supplier or distributor and to conduct reasonable testing and inspection of the ingredients, materials or supplies to determine whether they meet our standards and specifications. We also reserve the right to charge fees for testing

and evaluating proposed suppliers or distributors and to impose reasonable limitations on the number of approved suppliers or distributors of any product. Approval of a supplier or distributor may be conditioned on requirements relating to frequency of delivery and standards of service, including prompt attention to complaints and the ability to service and supply Subway® Restaurants within areas designated by us.

J. In addition to the specific operating standards and specifications set forth above, you agree to fully comply with the System Standards in effect from time to time as set forth in the Confidential Operations Manual or otherwise communicated to you by us in writing (including by intranet or other electronic means).

K. You shall secure and maintain in force all required licenses, permits and certificates relating to the leasing, construction, opening, and operation of the Restaurant and shall operate the Restaurant in full compliance with all applicable laws, ordinances and regulations, including without limitation all government regulations relating to occupational hazards and health, consumer protection, trade regulation, worker's compensation, unemployment insurance and withholding and payment of Federal and State income taxes and social security taxes and sales, use and property taxes. You agree to refrain from any merchandising, advertising or promotional practice that is unethical or may be injurious to our business and/or other Subway® Restaurants or to the goodwill associated with the Marks. Upon request, you will forward to us copies of any documentation relating to these items.

L. The Restaurants shall at all times be under the on-premises supervision of a trained and competent employee acting as full-time manager. Since you will operate more than one franchise and will not be in a position to devote your full time to directly operating each Restaurant business, we require you to designate one or more competent managers who have completed the training requirements to hold the position of full-time managers (each a "**Designated Manager**") for the Restaurant. You must, upon our request, keep us informed at all times of the identity of any other employee(s) acting as manager(s) of the Restaurant. We shall make training available, as is necessary in our judgment, for all managers who you designate. We shall provide such training at the then-current published rates. You agree that you will at all times faithfully, honestly and diligently perform your obligations hereunder and that you will not engage in any other business or activities that, in our judgment, will conflict with your obligations hereunder.

M. You will be solely responsible for all costs of building and operating the Restaurant, including, but not limited to, construction costs and permits, equipment, furniture, fixtures, signs, advertising, insurance, food products, labor, utilities, rent, fees, customs, stamp duty, other duties, governmental registrations, sales tax and other taxes. You must register to collect and pay sales taxes before you open the Restaurant, and you must maintain these registrations during the Term. You shall promptly pay when due all taxes levied or assessed on your Restaurant operation, including, without limitation, unemployment and sales taxes, and all accounts and other indebtedness of every kind that you incur in the operation of the Restaurant. You shall promptly pay to us the amount equal to all taxes levied or assessed, including, but not limited to, sales taxes, use taxes, withholding taxes, excise taxes, personal property taxes, intangible property taxes, gross receipt taxes, taxes on royalties (including without limitation the Royalty Fee and Advertising Contributions), any similar taxes or levies imposed upon, or required to be collected or paid by us by reason of the furnishing of products, intangible property (including trademarks and trade names), or service by us to you through the sale, license or lease of property or property rights provided by this Agreement. The foregoing does not include tax on your net income. You will, at your sole discretion, recruit, hire, terminate, discipline and supervise all Restaurant employees, set pay rates, and pay all wages and related amounts, including any employment benefits, unemployment insurance, withholding taxes or other sums. You will reimburse us for any such costs that we must pay in connection with your operation of the Restaurant.

N. You and your owners represent and warrant to us that all statements, documents, materials, and information submitted to us, including the application for the rights granted by this Agreement are true, correct and complete in all material respects, and there have been no material omissions. You and your owners agree to comply with any and all laws, regulations, Executive Orders or otherwise of any kind, including those relating to anti-terrorist activities, such as, without limitation Executive Order 13224 and related U.S. Treasury and other regulations. You confirm that you and your owners, officers and directors are not listed on the Annex to Executive Order 13224 (or any subsequent or related order) and you agree not to hire any person so listed or have any dealing with a person so listed (the Annex is currently available at www.treasury.gov). You are solely responsible for ascertaining the actions that must be taken to comply with such laws, orders and/or regulations.

O. You must implement all administrative, physical and technical safeguards necessary to protect any information that can be used to identify an individual, including without limitation names, addresses, telephone numbers, e-mail addresses, employee identification numbers, signatures, passwords, financial information, credit card information, biometric or health data, government-issued identification numbers and credit report information (“**Personal Information**”) in accordance with applicable laws and industry best practices. Without limiting the foregoing, you must comply with the Payment Card Industry Data Security Standard (commonly known as “**PCI Compliance**” or “**PCI-DSS**”), and any successor thereto. It is entirely your responsibility (even if we provide you any assistance or guidance in that regard) to confirm that the safeguards you use to protect Personal Information comply with all applicable laws and industry best practices related to the collection, access, use, storage, disposal and disclosure of Personal Information. If you become aware of a suspected or actual breach of security or unauthorized access involving Personal Information, you will notify us immediately and specify the extent to which Personal Information was compromised or disclosed.

P. You acknowledge and agree that the foregoing standards of quality and performance are reasonable and necessary to preserve the identity, reputation, value and goodwill of the System. In the event that any cash rebates, mark ups, volume discounts, concessions, advertising allowances, or discount bonuses (collectively “**Rebates**”), whether by way of cash, kind or credit, are available to or received by us and/or our affiliates from any third party, whether or not on account of purchases made (i) by us for our own account or for your account, or franchisees generally; or (ii) by you directly for your own account, we and/or our affiliates shall be entitled to retain the whole of the amount or any part of such Rebates. You acknowledge and agree that we and/or our affiliates have the right to realize a profit on any goods or services that we and/or our affiliates supply to you.

11. **Delivery Services.**

A. You must provide delivery services in compliance with the Confidential Operations Manual and as we otherwise specify in writing from time to time. We may authorize you to provide delivery services directly to end user customers, through approved third-party delivery service providers (each a “**Third-Party Delivery Provider**”) or through such other delivery methods as we approve in advance in writing.

B. You will not receive any exclusive or protected delivery area around your Restaurant for engaging in delivery or sale for delivery of sandwiches and other food products (“**Delivery Activities**”). We may establish from time to time geographic areas within which you may perform Delivery Activities (your “**Delivery Area**”). We may restrict where you may engage in Delivery Activities, and we may designate one or more Third-Party Delivery Providers as the sole or designated Third-Party Delivery Provider(s) and require you to contract with and comply with your agreements with them. We may require you to direct customers for Delivery Services outside of your Delivery Area to other Subway® Restaurants or decline to sell sandwiches and other food products to them. We may permit Third-Party Delivery Providers to direct and allocate Delivery Activities among delivery service areas they or we may designate. Because of the evolving nature of the food to-go and delivery service sector, these standards

and policies for Delivery Activities may change and evolve at any time. We will not be liable for any reduction in your sales or profits as a result of these Delivery Activities or for engaging in Delivery Activities.

C. You must comply with all laws at all times in offering Delivery Activities, including, but not limited to, obtaining and maintaining all required permits, licenses, consents and waivers required by any laws. You also agree to comply fully with the standards for third-party ordering and delivery services as established by us from time to time, including, but not limited to: using such food containers, thermal bags or other storage devices we may designate to the Third-Party Delivery Provider or you; providing such amount of additional condiments, napkins and utensils as we deem appropriate; sealing the delivery bags with the appropriate tamper-evident sticker or other approved methods; and ensuring the food safety, quality and temperature maintenance of sandwiches and other food products. You are solely responsible for maintaining adequate insurance to cover any liability that may arise from the use of Third-Party Delivery Providers (or other delivery methods) for Delivery Activities from your Restaurant and comply with our requirements for such insurance.

D. Unless approved in advance in writing by us, you will not: (a) advertise, promote or make any media statements about any Third-Party Delivery Provider; or (b) purport to authorize or consent to any Third-Party Delivery Provider to advertise or promote its own products or services using any of the Marks.

E. We reserve the right to periodically designate Third-Party Delivery Providers in our sole judgment. If you want to use a Third-Party Delivery Provider that we have not yet approved, you must first submit the name of such proposed Third-Party Delivery Provider and other sufficient information for us to evaluate whether the Third-Party Delivery Provider meets our criteria. We may condition our approval of a Third-Party Delivery Provider on such provider agreeing to provide periodic delivery sales reports directly to us and such other requirements relating to reliability, consistency, standards of service (including prompt attention to complaints) and/or other criteria, and may not use the Third-Party Delivery Provider absent our written consent. We may receive fees from Third-Party Delivery Providers in return for designating them as approved or designated for Subway® Restaurants and may negotiate with them for our benefit or that of Subway® Restaurants. We reserve the right periodically to revoke our approval of any Third-Party Delivery Provider that does not continue to meet our criteria. Notwithstanding the foregoing, you agree that we may limit the number of Third-Party Delivery Providers with whom you may deal, designate Third-Party Delivery Providers that you must use, and/or refuse any of your requests for any reason, including if we have already designated an exclusive Third-Party Delivery Provider for the System or if we believe that doing so is in the best interests of the System.

F. You agree to grant us access to, or otherwise collect and report in the form and manner desired by us, all operational, financial and other information concerning the Delivery Activities provided from your Restaurant, including, but not limited to, all Gross Sales, transactions and guest count data, product mix, service time data and financial results. We will have permission to access Gross Sales, guest count, and other operational data, including, without limitation, staffing and customer satisfaction data from the relevant Third-Party Delivery Provider and your Restaurant.

G. You may not establish “ghost kitchens” (separate facilities for food preparation, typically for preparation of delivery orders) without our prior, written approval, and if we grant such approval then you must comply with any and all guidelines that we may establish and modify from time to time.

12. **Modification of the System.** You recognize and agree that from time to time we may change or modify the System, including the adoption and use of new or modified trade names, trademarks, service marks or copyrighted materials, new menu items, new products, new equipment or new techniques and that you will accept, use and display for the purpose of this Agreement any such changes in the System, as if they were part of this Agreement at the time of execution hereof. Within the timeframes that we may

reasonably require, you will make such expenditures as such changes or modifications in the System as we may reasonably require, including but not limited to repairs, upgrades and remodels. You shall not change, modify or alter in any way the System without our prior written consent. You will be provided with reasonable notice of any material updates or changes to the System or the Confidential Operations Manual.

13. **Fees and Contributions.**

A. **Franchise Fee.** You are not required to pay us our standard initial franchise fee. The parties acknowledge that the transfer fee of up to \$7,500 per Restaurant must have been paid by the transferor and received by us prior to the effectiveness of this Agreement.

B. **Royalty Fee.** You shall pay to us without offset, credit or deduction of any nature unless otherwise permitted by us in writing, so long as this Agreement shall be in effect, a royalty fee equal to eight percent (8%) of Gross Sales of the Restaurant on a weekly basis or other periodic basis that we may determine from time to time (the “**Royalty Fee**”).

C. **Advertising Contributions.** You shall pay without offset, credit or deduction of any nature, to us, so long as this Agreement shall be in effect, advertising contributions equal to four and one-half percent (4.5%) of Gross Sales of the Restaurant on a weekly basis or other periodic basis that we may determine from time to time (“**Advertising Contributions**”).

D. **Restaurant Excellence Visits.** We or a third-party that we authorize will conduct periodic “**Restaurant Excellence Visits**” as set forth in the Confidential Operations Manual or otherwise in writing. We will not charge you for these Restaurant Excellence Visits. However, if you receive a “Fail” score (as determined by us or the third-party conducting the Restaurant Excellence Visit), you will be required to pay a fee of ~~\$128.75~~\$136.59 (the “**Revisit Fee**”) for a subsequent Restaurant Excellence Visit (a “**Revisit**”). You will receive a Revisit until you achieve a score of “Pass”, and you will pay the Revisit Fee for each Revisit. The Revisit Fee is subject to increase by 3% per year. Effective January 1, ~~2023~~2025, the Revisit Fee will increase to ~~\$132.61~~\$140.69 per revisit (subject to increase by 3% per year).

E. **Restaurant Technology Fee; Digital Technology Fee.** You will pay us a “**Restaurant Technology Fee**” for the Software of ~~\$35 per month (and, beginning in April 2023, \$75 per month)~~, payable per Restaurant. This cost covers development and maintenance of the Software for each POS system terminal in the Restaurant as well as other restaurant technology. We will charge this fee to your pre-authorized account with us. We reserve the right to increase this fee at any time without notice to you. In addition to the Restaurant Technology Fee, we reserve the right to charge in the future a “**Digital Technology Fee**” to cover our costs of development, infrastructure and support of programs including our Subway® App, Online Ordering, Third-Party Delivery platform support, Digital Menu Boards and Social Media Platforms.

F. **Legacy Support Fee.** To cover our costs related to any non-compliance, you must pay to us or our affiliate the “**Legacy Support Fee**” if you do not comply with our technology standards and specifications, fail to return hardware, fail to upgrade systems, fail to allow access in a timely manner, install unauthorized software, or attempt to hack or circumvent our software, all as provided in this Agreement, any other agreement between you, on the one hand, and us or our affiliate on the other hand, or otherwise as set forth in the Confidential Operations Manual or otherwise in writing. The Legacy Support Fee is currently \$200 for each month that you are not in compliance with any of the foregoing, per Restaurant. We reserve the right to increase the Legacy Support Fee at any time without notice to you.

G. **Digital Menu Boards Hardware-as-a-Service Fee.** You will pay us a monthly fee for our Digital Menu Board Hardware-as-a-Service (“**DMB HaaS**”) program, currently \$155 per month per Restaurant. DMB HaaS includes service, installation, maintenance and help-desk support for digital menu

boards in your Restaurant. We reserve the right to increase the ~~BMB~~DMB HaaS fee at any time without notice to you.

H. **Payment Terms.** The following terms and conditions apply to all payments due to us from you:

1. On or before Thursday at 3:00 p.m. Eastern Time of each week (or such other day and time as prescribed by us from time to time), you will submit to us in the format that we require a correct statement of the Gross Sales of the Restaurant for the preceding week ending Tuesday (or such other day as prescribed by us from time to time). Such Gross Sales statement shall be submitted through our designated control system, using approved POS System hardware and software, to the location we designate. Each weekly statement (or other periodic statement that we designate) of Gross Sales shall be accompanied by the Royalty Fee and Advertising Contributions payment based on the Gross Sales reported in the statement so submitted. You will make available to us for reasonable inspection at reasonable times and through reasonable means determined by us (including electronic), all original books and records (electronic and hard copy) that we may deem necessary to ascertain the Gross Sales of the Restaurant.

2. The term “**Gross Sales**” as used herein, shall mean and include the aggregate amount of all sales of food products, beverages and other merchandise, products and services of every kind or nature sold from, at or in connection with the Restaurant or arising out of the operation or conduct of business by the Restaurant, less any customer refunds up to the amount of the sales price and excluding all sales, use or service taxes collected and paid to the appropriate taxing authority. “**Gross Sales**” shall include: (a) all amounts redeemed from gift certificates, gift cards or similar media, and sales made through alternative platforms, (b) all insurance proceeds received by you for loss of business due to a casualty or other event at the Restaurant, and (c) the fair market value of any services or products received by you in barter or exchange for your services or products.

3. All amounts you owe under this Agreement or any other Franchise Agreement, Sublease or other agreement that you have with us or any of our affiliates must be paid through electronic funds transfer in the manner we designate, unless we specify otherwise. These amounts include Royalty Fees, Advertising Contributions, interest, late fees, and any and all other charges that you owe. Before the Restaurant opens, you will sign and deliver to us appropriate electronic funds transfer preauthorized draft forms (or forms serving the same purpose) for the Restaurant's checking account (the “**Pre-authorized Account**”). Upon our request, you agree to sign any additional documents we require to authorize us and our affiliates to debit your Pre-authorized Account. You hereby authorize us and our affiliates to debit your Pre-authorized Account for the Royalty Fees, Advertising Contributions, amounts due for purchases by you from us or our affiliates, and all other amounts due us or our affiliates under this Agreement, under any other agreement with us or our affiliate, or otherwise. You agree to ensure that funds are available in the Pre-authorized Account to cover our withdrawals. In certain circumstances, you will also authorize us to withdraw money for fees or payments that we paid, pay or will pay to a third party, including without limitation your landlord or licensor, on your behalf in connection with the Restaurant.

4. If you fail to submit the weekly (or other periodic) Gross Sales statements, we will estimate your Royalty Fee and Advertising Contribution by using a Gross Sales figure that is equal to ~~one hundred twenty percent (120%) of the average weekly (or other periodic) Gross Sales of your Restaurant for the previous six~~eight (68) weeks, increasing by 10% for each 3-week period that such statements remain unsubmitted. If the amounts that we debit from your Pre-authorized Account are less than the amounts you actually owe us (once we have determined the Restaurant's true and correct Gross Sales), we will debit your Pre-Authorized Account for the

balance on the day we specify. If the amounts that we debit from your Pre-authorized Account are greater than the amounts you actually owe us, we will credit the excess against the amounts we otherwise would debit from your Pre-authorized Account on the next payment date.

5. If your payment of Royalty Fees, Advertising Contributions, or other charges that you owe us is more than one week late, you will pay us interest at a rate of twelve percent (12%) (or the maximum rate allowed by the law where the Restaurant is located) per annum on any Royalty Fees, Advertising Contributions, or other charges you will owe us under this Agreement. If permitted by local law, we may also charge you a late fee equal to ten percent (10%) (or the maximum rate allowed by law) per annum on all past due accounts to cover our banking, administrative, and accounting costs. In the event that any late charge, interest rate, or other payment provided herein exceeds the maximum applicable charge legally allowed, such late charge, interest rate, or other payment shall be reduced to the maximum legal charge, rate, or amount. You acknowledge that this sub-section shall not constitute agreement by us or our affiliates to accept such payments after same are due or a commitment by us to extend credit to, or otherwise finance your operation of, the Restaurant. Further, you acknowledge that your failure to pay all amounts when due shall constitute grounds for termination of this Agreement, as provided herein. You must pay us a sum of Fifty Dollars (\$50) if you default on payments because you change banks without notice. You must pay us a sum of Twenty Dollars (\$20) if your payments to us are unsuccessful due to insufficient funds in your pre-authorized account.

6. Notwithstanding any designation by you, we shall have the right to apply any payments by you to any past due indebtedness of you for Royalty Fees, Advertising Contributions, purchases from us and our affiliates, interest, late fees, and other charges that you owe, or any other indebtedness. You shall be responsible for and shall pay to us (or reimburse us for the payment of) upon demand any tax assessed (excluding tax on our net income) on or measured by the amount of Royalty Fees or any other amounts paid to us under this Agreement.

14. **Advertising.** Recognizing the value of advertising and the importance of the standardization of advertising and promotion to the furtherance of the goodwill and the public image of Subway® Restaurants, you agree as follows:

A. All advertising and marketing materials, including, but not limited to, newspapers, radio and television advertising, advertising through an Online Presence including internet, social media, electronic mail or other similar electronic or digital medium, and specialty and novelty items, signs, boxes, napkins, bags and wrapping papers, will be compliant with the requirements set forth by us in the Confidential Operations Manual or through other written means, or will otherwise be submitted to us or our designee, for our prior approval. In the event written approval of said advertising and promotional materials is not given by us to you within twenty (20) days from the date such materials are received by us, said materials shall be deemed disapproved. You must participate in, and comply with the requirements of, any sales, marketing, advertising, and promotional programs we implement, and you must use only the materials and media for these programs that we designate or otherwise expressly approve. Information you collect about customers, including through an Online Presence or at the Restaurant, may be subject to requirements set forth in the Confidential Operations Manual or otherwise in writing by us. You will not place "For Sale" or similar signs at or in the general vicinity of the Restaurant or use any words in any advertising that identify the business offered for sale as a Subway® Restaurant, nor will you allow any vendor or agent of yours to do so. You will always indicate your status as an independent franchise operator to others and on any document or information released by you in connection with the Restaurant. You will display the following notice (subject to modification by us from time to time) in a prominent place at the Restaurant: "The Subway® trademarks are owned by Subway IP LLC and the independent franchise operator of this restaurant is a licensed user of such trademarks."

B. You specifically acknowledge and agree that any Online Presence shall be deemed “advertising” under this Agreement, and will be subject to, among other things, our written approval. In connection with any Online Presence, you agree to the following:

1. Before establishing the Online Presence, you shall submit to us a sample of the Online Presence content, format and other information in the form and manner we may reasonably require.
2. You shall not establish or use the Online Presence without our prior written approval.
3. In addition to any other applicable requirements, you shall comply with our standards and specifications for an Online Presence as prescribed by us in the Confidential Operations Manual or otherwise in writing. If required by us, you shall establish your Online Presence as part of our Online Presence and/or establish electronic links to our Online Presence.
4. If you propose any material revision to the Online Presence or any of the information contained in the Online Presence, you shall submit each such revision to us for our prior written approval.

C. You may utilize social media accounts (such as Facebook® or Twitter®) or other Online Presences only if approved by us in writing. If we approve the use of any Online Presence, you will develop and maintain such Online Presence only in accordance with our guidelines, including our guidelines for posting any messages or commentary. We may at any time revoke your rights to use any Online Presence or require that you obtain our approval of any message that you intend to post prior to posting. We will own the rights to each Online Presence. At our request, you agree to grant us access to each such Online Presence, and to take whatever action (including signing assignment or other documents) we request to evidence our ownership of such Online Presence, or to help us obtain exclusive rights in such Online Presence.

D. We will deposit the Advertising Contributions into the Subway Franchisee Advertising Fund Trust (“SFAFT”) or such other marketing fund(s) as we shall designate from time to time. You acknowledge Advertising Contributions will not necessarily benefit franchisees in any area in proportion to the amounts they paid. We or our designee may negotiate programs and advertising contributions with suppliers and specify that these advertising contributions be placed into a fund to be spent on advertising and related expenses for the benefit of franchisees. Except as provided herein, such payments shall be made in addition to and exclusive of any sums that you may be required to spend on local advertising and promotion. The Advertising Contributions shall be used by us or our designee, as follows:

1. We shall direct all advertising programs and have the right to determine the creative concepts, materials and media used in such programs and the placement and allocation thereof. You agree and acknowledge that the advertising programs are intended to maximize general public recognition and acceptance of the Marks, patronage of Subway® Restaurants and the Subway® brand and System generally, and that we and our designee undertake no obligation to make expenditures for you that are equivalent or proportionate to your Advertising Contributions, or to ensure that any particular franchisee benefits directly or pro rata from the placement of advertising. We or SFAFT may create, modify or abolish franchisee advisory boards or councils from time to time that serve solely in an advisory capacity with respect to the advertising programs that we direct.

2. We shall, for each of our company-owned and affiliate-owned Subway® Restaurants, make (or cause to be made) advertising contributions equivalent to the Advertising Contributions required of franchisees within the System.

3. You agree that the funds may be used to meet any and all costs of maintaining, administering, directing and preparing advertising (including, without limitation, the cost of preparing and conducting television, Online Presence, radio, magazine and newspaper advertising campaigns, loyalty programs, digital technological platforms and enhancements and other public relations activities; employing advertising agencies to assist therein; providing promotional brochures and other marketing materials to franchisees in the System); maintaining and updating Online Presences for Subway® Restaurants; and developing and maintaining application software designed to run on computers and similar devices, including tablets, smartphones and other mobile devices, as well as any evolutions or “next generations” of any such devices. All sums paid by you as Advertising Contributions shall be maintained in one or more separate accounts that contain only Advertising Contributions and other sums to be used for advertising, and such sums shall not be used to defray any of our general operating expenses, except for such administrative costs and overhead, if any, as we or our affiliates may incur in activities reasonably related to the administration or direction of advertising programs including, without limitation, conducting marketing research, preparing marketing and advertising materials, and collecting and accounting for assessments for advertising.

4. It is anticipated that all Advertising Contributions shall be expended for advertising and promotional purposes during our fiscal year within which contributions are made. If, however, excess amounts remain at the end of such fiscal year, all expenditures in the following fiscal year(s) shall be made first out of any current interest or other earnings, next out of any accumulated earnings, and finally from principal.

5. We may terminate advertising accounts at any time but will not do so until all monies in them have been expended for advertising and promotion purposes or have been transferred to one or more other accounts used for advertising.

6. An accounting of our use of Advertising Contributions shall be prepared annually and shall be made available to you upon request. We reserve the right, at our option, to require that such annual accounting include an audit prepared by an independent certified public accountant selected by us, with such preparation to be paid for out of Advertising Contributions.

15. **Confidential Information.**

A. We and our affiliates possess (and may continue to develop and acquire) certain confidential information, some of which constitutes trade secrets under applicable law (the “**Confidential Information**”), relating to developing and operating Subway® Restaurants, whether or not marked confidential, including (without limitation): (1) site selection criteria; (2) training and operations materials and manuals, including, without limitation, recipes, product formulas, drawings, blueprints, reproductions, data, franchise agreements, and the Confidential Operations Manual; (3) the System Standards and other methods, formats, specifications, standards, systems, procedures, devices, techniques, sales and marketing techniques, business plans, methods and strategies, knowledge, and experience used in developing, promoting and operating Subway® Restaurants, business information related to franchisees, pricing policies; (4) market research and plans, creative materials, media schedules, promotional, marketing and advertising programs for Subway® Restaurants, organizational structure, financial information; (5) knowledge of specifications for, and suppliers of, operating assets and other products and supplies; (6) supplier and vendor lists; (7) any computer software or similar technology that is proprietary to us, our affiliates, or the System, including, without limitation, digital passwords and identifications and any source code of, and data, reports, and other printed materials generated by, the

software or similar technology; (8) content published over internal communication platforms; (9) knowledge of the operating results and financial performance of Subway® Restaurants, other than your Restaurant; (10) customer lists and related data; and (11) all information we or our affiliates designate as confidential. The following shall not constitute Confidential Information: (i) information that you can demonstrate came to your attention prior to disclosure thereof by us; (ii) information that, at the time of disclosure by us to you, had become a part of the public domain, through publication or communication by others; or (iii) information that, after disclosure to you by us, becomes a part of the public domain, through publication or communication by others through no fault of you. Confidential Information may be provided to you by us, our affiliates, BDs, service providers, or franchisees, or from agents of us or our affiliates. Confidential Information will remain our property or our affiliates' property.

B. All Confidential Information furnished to you by us or on our behalf, whether orally or by means of written material (i) shall be deemed proprietary, (ii) shall be held by you in strict confidence, (iii) shall not be copied, disclosed or revealed to or shared with any other person except to your employees or contractors who have a need to know such Confidential Information for purposes of this Agreement and who are under a duty of confidentiality no less restrictive than your obligations hereunder, or to individuals or entities specifically authorized by us in advance, and (iv) shall not be used in connection with any other business or capacity. You will not acquire any interest in Confidential Information other than the right to use it as we specify in operating your Restaurant during the Term. You agree to protect the Confidential Information from unauthorized use, access or disclosure. We may require you to have your employees and contractors execute individual undertakings and shall have the right to regulate the form of and to be a party to or third-party beneficiary under any such agreements. You acknowledge that any form of non-disclosure and non-competition agreement that we require you to use, provide to you, or regulate the terms of, may or may not be enforceable in a particular jurisdiction. You agree that you are solely responsible for obtaining your own professional advice with respect to the adequacy of the terms and provisions of any confidentiality and non-compete agreement that your employees, agents and independent contractors sign.

C. You acknowledge and agree that, as between us and you, we are the sole owner of all right, title, and interest in and to the System and any Confidential Information. All improvements, developments, derivative works, enhancements, or modifications to the System and any Confidential Information, ideas, slogans, marketing plans, advertising material, concepts, drawings, techniques, inventions (including any resulting patent rights), innovations, trademarks, trade secrets, copyrights, works of authorship, and any other protectable or proprietary interest in any similar intangible asset, relating to a Subway® Restaurant (collectively, "**Innovations**") made or created by you, your employees or your contractors, whether developed separately or in conjunction with us, shall be owned solely by us. You represent, warrant, and covenant that your employees and contractors are bound by written agreements assigning all rights in and to any Innovations developed or created by them to you. To the extent that you, your employees or your contractors are deemed to have any interest in such Innovations, you hereby agree to assign, and do assign, all right, title and interest in and to such Innovations to us. To that end, you shall execute, verify, and deliver such documents (including, without limitation, assignments) and perform such other acts (including appearances as a witness) as we may reasonably request for use in applying for, obtaining, perfecting, evidencing, sustaining, and enforcing such ownership rights in and to the Innovations, and the assignment thereof. Your obligation to assist us with respect to such ownership rights shall continue beyond the expiration or termination of this Agreement. In the event we are unable for any reason, after reasonable effort, to secure your signature on any document needed in connection with the actions specified in this Section, you hereby irrevocably designate and appoint us and our duly authorized officers and agents as your agent and attorney in fact, which appointment is coupled with an interest and is irrevocable, to act for and on your behalf to execute, verify, and file any such documents and to do all other lawfully permitted acts to further the purposes of this Section with the same legal force and effect as if executed by you. The obligations of this Section shall survive any expiration or termination of this Agreement.

D. Due to the special and unique nature of our Confidential Information, the Marks, and Confidential Operations Manual, you hereby agree and acknowledge that we shall be entitled to immediate equitable remedies, including but not limited to, restraining orders and injunctive relief in order to safeguard such proprietary, confidential, unique, and special information and that money damages alone would be an insufficient remedy with which to compensate us for any breach of the related terms of this Agreement.

E. Upon our request, you will promptly return all tangible Confidential Information, including any reproductions and copies. In the event that you are requested or required to disclose any part of the Confidential Information in connection with a legal proceeding, investigation or other similar process, you shall provide us with prompt written notice of any such request or requirement so that we may seek a protective order or other appropriate remedy and/or waive compliance with the provisions of this Section. If, in the absence of a protective order or other remedy or waiver, you are legally compelled to disclose Confidential Information to any tribunal, you may disclose to such tribunal only that portion of Confidential Information which your legal counsel advises that you are legally required to disclose without any liability under this Section.

16. **Accounting and Records.**

A. You shall establish and maintain a bookkeeping, accounting and record keeping system conforming to the requirements prescribed by us, for the purpose of keeping, and making available to us upon our written request, complete business records exclusively for the Restaurant for the current year and for the immediate past three (3) years, including cash register/POS data, control sheets, weekly inventory and sales reports, deposit slips, business and personal bank statements, canceled checks, sales and purchase records, business and personal tax returns, Schedule K-1 forms, cash receipts journals, cash disbursements journals, payroll registers, general ledgers, financial statements, profit and loss statements, balance sheets, and any other similar records and information we may request. These records must be separate from the records kept for any other business in which you have an interest.

B. You shall submit to us such periodic financial and other reports, forms and records as specified, and in the manner and at the time as specified in the Confidential Operations Manual or otherwise in writing.

C. You shall record all sales on the POS System or other electronic cash registers approved by us or on such other types of equipment as may be designated by us in the Confidential Operations Manual or otherwise in writing. You agree that we shall have the right to require you to utilize the computer-based POS System cash registers that are fully compatible with any program(s) or system(s) that we, in our direction, may employ. All Gross Sales and all sales information shall be recorded on such equipment. We shall at all times have real-time and full access to all of your data, system and related information by such means as we may determine from time to time, including without limitation direct access in person, or access by electronic means.

D. You agree that we will have the right to examine your books, records and any electronic data necessary to perform an independent audit or other analysis. You also grant us permission to examine, without prior notice to you, all records of your purchases from a supplier, and you authorize such suppliers to release your purchase records to us at such times and places as we request. You will allow us and our representatives, including without limitation our BDs and their representatives, to conduct an audit, review your business operations and records, including POS System reports, perform audio and visual recordings to the extent permitted by law, and otherwise access all areas of the Restaurant without prior notice at any time you or your employees are on the Premises. Upon our written request, you will make photocopies or electronic copies of all documentation or electronic data that we request and forward them to us or our representatives as we designate. We will reimburse you for the reasonable cost of copying this information. If we notified you in writing of an audit at least five (5) days

in advance and you fail to produce your books and records at the time of the audit, you will be responsible for all costs we incur, including, without limitation, the charges of any independent accountant, the compensation of our employees or representatives, and attorneys' fees.

E. We shall have the right, at any time, to audit, or have an independent audit made, of your books. If we or an independent auditor determine, after conducting an audit, that you under-reported Gross Sales by more than two percent (2%) of your reported Gross Sales, you will pay us the Royalty Fees, Advertising Contributions and other charges due on the Gross Sales that were not reported, plus all costs associated with conducting the audit and collecting the unpaid amounts, including without limitation mediation and arbitration fees, court costs, lawyers' fees, accountants' and other professionals' fees, management preparation time, witness fees, and travel expenses, plus interest and late fees (the "**Overdue Amount**"). If you fail to submit all of your information to be audited, we may estimate your sales and charge the Overdue Amount based upon the estimate. The foregoing remedies shall be in addition to any other remedies we may have.

F. At any time during the Term, you authorize us to conduct credit checks or investigative background searches on you which may reveal information about your business experience, educational background, criminal record, civil judgments, property ownership, liens, associations with other individuals, creditworthiness, and job performance.

17. **Corporation, Limited Liability Company or Partnership Franchisee.**

A. **Corporate Franchisee.** Except as otherwise approved by us in writing, if you are a corporation, you shall (i) confine your activities, and your governing documents shall at all times provide that your activities are confined, exclusively to operating one or more Subway® Restaurants; (ii) furnish us with your articles of incorporation and bylaws as well as such other documents that we may reasonably request, including the Owner's Guaranty and Assumption of Franchisee Obligations, attached as **Exhibit A**, executed by all current beneficial owners of any class of voting stock; (iii) maintain stop transfer instructions on your records against the transfer of any equity securities and only issue securities upon the face of which a legend, in a form satisfactory to us, appears which references the transfer restrictions imposed by this Agreement; (iv) not issue any voting securities or securities convertible into voting securities without our prior written approval, which approval shall be conditioned on, among other things, the new shareholder(s)'s (and all new beneficial owners') execution of an Owner's Guaranty and Assumption of Franchisee Obligations, attached as **Exhibit A**; and (v) maintain a current list of all owners of record and all beneficial owners of any class of voting stock and furnish the list to us upon request. For the avoidance of doubt, the governing documents of all parent or holding entities are also at all times subject to our review and must at all times be consistent with the foregoing guidelines and restrictions.

B. **Limited Liability Company Franchisee.** If you are a limited liability company, you shall: (i) confine your activities, and your governing documents shall at all times provide that your activities are confined, exclusively to operating one or more Subway® Restaurants; (ii) furnish us with your articles of organization and operating agreement, as well as such other documents as we may reasonably request, and any amendments thereto; (iii) prepare and furnish to us, upon request, a current list of all members and managers; (iv) maintain stop transfer instructions on your records against the transfer of any equity securities and only issue securities which bear a legend, in a form satisfactory to us, which references the transfer restrictions imposed by this Agreement; and (v) deliver to us the Owner's Guaranty and Assumption of Franchisee Obligations, attached as **Exhibit A**, executed by each member and each owner of any beneficial interest in you. For the avoidance of doubt, the governing documents of all parent or holding entities are also at all times subject to our review and must at all times be consistent with the foregoing guidelines and restrictions.

For the avoidance of doubt, the governing documents of all parent or holding entities are also at all times subject to our review and must at all times be consistent with the foregoing guidelines and restrictions.

18. **Transferability of Interest.**

A. **By Franchisor/Delegation of Duties.** This Agreement is fully assignable by us and shall inure to the benefit of any assignee or other legal successor to the interests of us herein. To the extent that the purchaser or transferee shall assume our covenants and obligations under this Agreement, we shall thereupon and without further agreement, be freed and relieved of all liability with respect to such covenants and obligations. From time to time, we shall have the right to delegate the performance of any or all of our obligations and duties hereunder to third parties, whether the same are our agents or independent contractors that we have contracted with to provide such services. You agree in advance to any such delegation by us of any portion or all of our rights and obligations hereunder.

B. **Consent of Franchisor Required.**

1. The rights granted hereunder are personal to you. Accordingly, neither this Agreement, any rights under this Agreement, including specifically any right to use our intellectual property (including the Marks) as described in Section 8 above, any Restaurant owned by you nor any part of the ownership of you may be assigned or transferred by you or your owner(s) without our prior written consent, and any such assignment or transfer, or attempted assignment or transfer, without such consent shall constitute a breach hereof and shall convey no rights to or interests in this Agreement, the Restaurant owned by you subject to the purported transfer, or the ownership of you. Notwithstanding anything herein to the contrary, if a Bankruptcy Event (as defined below) occurs, then our consent to any assignment or transfer hereunder in connection with or during such Bankruptcy Event, shall be made in our sole and absolute discretion, and shall apply for all purposes, including in connection with any proposed assumption or assignment of this Agreement under 11 U.S.C. §365 or any successor or related statutes and regulations.

2. As used in this Agreement, the term "transfer" shall mean and include the voluntary, involuntary, direct or indirect assignment, sale, gift, pledge or other transfer by you or your owners of any interest in any of: (1) this Agreement; (2) the ownership of you, (3) any Restaurant owned by you, or (4) substantially all of the assets of the Restaurant. An assignment, sale or other transfer shall include any of the following events: (1) the transfer of ownership of capital stock, voting stock (or security convertible to voting stock) or partnership interest; (2) merger or consolidation or issuance of additional securities representing an ownership interest in you; (3) transfer of an interest in you, this Agreement or the Restaurant owned by you in a divorce, insolvency, corporate or partnership dissolution proceeding or otherwise by operation of law; or (4) transfer of an interest in this Agreement, the Restaurant owned by you or an ownership interest of you in the event of the death of you or any of your owners, by will, declaration of or transfer in trust, or under the laws of intestate succession. For the avoidance of doubt, you may not pledge a security or other interest in this Agreement or in the proceeds of a sale of this Agreement or the assets of the Restaurant to any lender without our prior written consent.

3. You may not use or authorize the use of any Mark in advertising the transfer or other disposition of your Restaurant or of any ownership in you without our prior written consent.

You shall not use or authorize the use of, and no third party shall on its behalf use, any written materials to advertise or promote the transfer of your Restaurant or of any ownership interest in you without our prior written approval of such materials.

C. Conditions for Consent.

1. You acknowledge and agree that there may be no transfers before the Restaurant has opened for business. If you and your owners are in full compliance with this Agreement, we shall not unreasonably withhold our consent to a transfer, provided that we are satisfied in our sole business judgment that the proposed assignee and its owners are of good moral character who have sufficient business experience, aptitude and financial resources to perform the services required hereunder and otherwise meet our then applicable business standards for the grant or acquisition of similar rights, provided however, that our consent for a transfer in connection with any Bankruptcy Event shall be in our sole and absolute discretion.

2. A transfer of ownership in the Restaurant owned by you may only be made in conjunction with a transfer of this Agreement or the controlling interest in you, and further provided that if the transfer is of this Agreement or the Restaurant owned by you, or of a controlling interest in you, or is one of a series of transfers which in the aggregate constitute the transfer of a controlling interest in this Agreement, the Restaurant owned by you, substantially all of the assets of the Restaurant or you, in addition to the conditions set forth above, all of the following conditions are met prior to, or concurrently with, the effective date of the assignment or transfer: (1) you must have complied with the right of first refusal set forth below; (2) all obligations of you and your owners incurred in connection with this Agreement have been assumed by the assignee and its owners; (3) you shall have paid all amounts owed to us; (4) the assignee shall have completed the training program required of new franchisees; (5) with respect to the transferred Restaurant, the assignee and its owners shall execute and agree to be bound by the form of franchise agreement and any ancillary agreements as are then customarily used by us in the grant of the rights described hereunder, which franchise agreement shall provide for a term no less than the then remaining term for the transferred Restaurant as set forth on **Exhibit B**, and the transferred Restaurant shall no longer be governed by this Agreement; (6) you shall have paid a transfer fee equal to fifty percent (50%) of our then-current standard initial franchise fee (excluding any promotions or discounts), ~~plus \$3,000 for any satellite Restaurant you transfer (or, (or, as follows: (a) standard transfer to a new or existing Subway® franchisee, \$3,200; (b) if you are transferring an interest to your spouse or child, 25% of our then-current standard initial franchise fee (excluding any promotions or discounts) or in the context of a divorce, \$200; or (c) all other transfers, \$2,000), plus \$1,500~~3,000 for any satellite Restaurant you transfer (excluding any promotions or discounts) (or, \$1,000 for any satellite Restaurant that has been established for one year or less); (7) the assignee shall present evidence satisfactory to us that it has the right to remain in possession of the Premises for the term of assignee's franchise agreement; (8) you and your owners shall have executed a general release, in form satisfactory to us, of any and all claims against us and our affiliates, BDs, officers, directors, owners, employees and agents; (9) with respect to the transferred Restaurant, you and your owners must abide by the terms of this Agreement which by their nature survive termination, including without limitation the post-termination covenant not to compete set forth in this Agreement; and (10) the transferee executes our then-current form of Transfer Addendum.

3. In conjunction with our consideration of consenting to a proposed transfer, we shall prepare an itemized written assessment of the need for refurbishing and/or remodeling of the Restaurant (the "**Remodeling Requirements**") to conform with the then-existing standards and specifications for the décor of Subway® Restaurants within the System. The Remodeling Requirements shall be forwarded to you/assignor and the proposed assignee. You/assignor shall obtain a written cost estimate from reputable contractors to complete the Remodeling

Requirements and such cost estimate shall be provided to us and the proposed assignee. Completion of the Remodeling Requirements shall be your responsibility and shall be a condition of our final consent to a transfer contemplated in this Section. Funding for the Remodeling Requirements shall be the subject of negotiation and agreement by and between you/assignor and the proposed assignee. The Remodeling Requirements shall be contemplated prior to the proposed transfer, unless otherwise agreed to between us and you.

4. We shall not be obligated to consider giving our consent to any such transfer unless you have requested such consent in writing and have provided to us at least thirty (30) days in advance of the proposed transfer: your current financial statements; such other information (on such forms or via such systems that we require) including, but not limited to, the proposed sales price and terms of payment (including any and all applicable letters of intent, term sheets, purchase and sale contracts, and other relevant documents and information pertaining to the transfer); an application for a franchise completed by the proposed transferee (buyer) including personal financial statements of such proposed transferee (buyer); the cost estimate of the Remodeling Requirements, and the opportunity to conduct an in-person interview with such proposed transferee (buyer).

5. The transfer fee may be refunded only if we have not yet issued the consent-to-transfer, and you and the buyer cancel the transfer. However, if the consent-to-transfer has already been issued, and (i) you and/or the buyer cancel the transfer, or (ii) we cancel the transfer because you and the buyer failed to complete the transfer within sixty (60) days after you received the consent-to-transfer, we will not refund any portion of the transfer fee. If you and the buyer desire to reactivate a transfer cancelled under these circumstances, and we approve, the parties must repay the full transfer fee.

D. **Franchisor Right of First Refusal.** If you or your owners shall obtain a bona fide, executed written offer from a responsible and fully disclosed purchaser in respect of a proposed transfer, including the purchase of an interest in this Agreement, any Restaurant or a group of Restaurants, or an ownership interest in you, you shall submit an exact copy of such offer to us, along with any other information that we may reasonably request. We shall have the right, exercisable by written notice delivered to you or your owners within thirty (30) days from the date of delivery of an exact copy of such offer and all reasonably requested information to us, to purchase such interest for the price and on the terms and conditions contained in such offer, provided that we shall be entitled to customary warranties, closing documents and post-closing indemnifications, may substitute cash for any other form of payment proposed in such offer and shall have not less than sixty (60) days to prepare for closing. If we do not exercise our right of first refusal, or if we exercise our right of first refusal only with respect to less than all Restaurants subject to the offer, you or your owners may complete the sale (or partial sale, as applicable) to such purchaser pursuant to and on the terms of such offer, subject to our written approval of the purchaser as provided in sub-sections B and C of this Section; provided that if the sale to such purchaser is not completed within one hundred twenty (120) days after delivery of such offer to us, or if there is a material change in the terms of the sale, we shall again have the right of first refusal herein provided.

E. **Death or Disability of Franchisee.** Upon your death or permanent disability or, if you are a corporation, limited liability company or partnership, the owner of fifty percent (50%) or more of the partnership interest, equity or voting control of you, the executor, administrator, conservator or other personal representative of such person shall assign this Agreement or such interest in you to a third party approved in writing by us. Such disposition of such interest in you shall be completed within a reasonable time, not to exceed twelve (12) months from the date of death or permanent disability, and shall be subject to all the terms and conditions applicable to assignments contained in sub-sections B and C of this Section and elsewhere in this Agreement; *except that*, where the assignee is an heir, devisee, legatee or next of kin or immediate family, the assignee shall assume this Agreement and any ancillary agreements, and shall

not be required to execute our then-current form of franchise agreement and ancillary agreements, and shall ~~not be required to pay the~~ transfer fee of \$200. Failure to so dispose of this Agreement or such interest in you within said period of time shall constitute a breach of this Agreement. Pending disposition, we shall have the right to approve the management of the Restaurant owned by you. References to "immediate family" as used in this Agreement shall mean parents, spouses, children and siblings, and the parents, children and siblings of spouses.

F. **Effect of Consent to Assignment.** Our consent to a transfer, including an assignment of this Agreement or any interest subject to the restrictions of this Section shall not constitute a waiver of any claims we may have against the assignor, nor shall it be deemed a waiver of our right to demand exact compliance with any of the terms or conditions of this Agreement by the assignee or by the assignor.

19. **Covenants.**

A. We have entered into this Agreement with you on the condition that you will deal exclusively with us. You acknowledge and agree that we would be unable to encourage a free exchange of ideas and information among franchisees and us if franchisees were permitted to hold interests in any Competitive Businesses. You therefore agree that neither you nor your owners will have any direct or indirect Association with a Competitive Business during the Term, in accordance with the definitions and provisions below, unless we allow otherwise in writing.

B. You further covenant that during the Term, you shall not divert or attempt to divert any business of or any customers of the Restaurant to any Competitive Business, by direct or indirect inducement or otherwise, or do or perform directly or indirectly, any other act injurious or prejudicial to the goodwill associated with our Marks and the System, or in any way negligently or intentionally interfere with our business or our prospective business.

C. Upon termination of this Agreement, as it applies to any given Restaurant, by us in accordance with its terms and conditions or by you without cause or upon expiration of this Agreement, you and your owners agree that, for a period of one (1) year commencing on the effective date of termination or expiration or the date on which you and your owners begin to comply with this Section, whichever is later, neither you nor your owners nor any member of such owner's or owners' immediate families shall have any direct or indirect Association with a Competitive Business within a three (3) mile radius of the applicable Approved Location or any Subway® Restaurant in operation or under construction as of the termination or expiration date or the date on which you and your owners begin to comply with this Section, except in connection with the operation of Subway® Restaurants under franchise agreements with us. The restrictions of this sub-section shall not be applicable to the ownership of shares of a class of securities listed on a stock exchange or traded on the over-the-counter market that represent two percent (2%) or less of the number of shares of that class of securities issued and outstanding. You (and your owners) expressly acknowledge that you (and they) possess skills and abilities of a general nature and have other opportunities for exploiting such skills. You further acknowledge and agree that the terms of the covenant are reasonable in scope, geography and time. Consequently, enforcement of the covenants made in this Section will not deprive you (or them) of your (or their) personal goodwill or ability to earn a living. To the extent that this sub-section is deemed unenforceable by virtue of its scope in terms of area or length of time, but may be made enforceable by reduction of either or both thereof, you and we agree that the same shall be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction in which enforcement is sought.

D. For each unauthorized Association with a Competitive Business in violation of this Section, you agree to pay us Fifteen Thousand Dollars (\$15,000.00) plus eight percent (8%) of its gross sales (using the definition for calculating Royalty Fees in this Agreement), as being a reasonable pre-estimate of the damages we will suffer. For each Competitive Business location for which we are unable to verify gross sales in a timely manner, you will pay us a sum of One Hundred Thousand Dollars

(\$100,000.00) and an additional One Hundred Thousand Dollars (\$100,000.00) for each subsequent year the Competitive Business operates during the Term. You acknowledge and agree that the payment of such sum(s) is a good faith pre-estimate of our damages from the loss of Royalty Fees and Advertising Contributions, and not a penalty. You further agree that the payment of these sums would be insufficient to fully compensate us, and that damages from such competition would be difficult to calculate. Accordingly, you stipulate that any breach of this Section would irreparably harm us, and that, notwithstanding the payment requirements herein, we have a right to injunctive relief to enforce the provisions of this Section.

E. As used in this Agreement:

1. **“Competitive Business”** means any business that operates, manages, franchises or licenses restaurants or stores that derive more than twenty percent (20%) of its total gross revenue from the sale of any type of sandwiches on any type of bread, including but not limited to sub rolls and other bread rolls, sliced bread, pita bread, flat bread, and wraps, whether for on or off-premises consumption, or via delivery or catering. The word “sandwiches” as used in the previous sentence does not include hamburgers, hot dogs, burritos, or fried chicken sandwiches, and full-service restaurants where customers are served by waitstaff and pay after eating, and Subway® Restaurants operated under franchise agreements with us, are not Competitive Businesses. Examples (without limitation) of Competitive Businesses as of the Agreement Date are the following chain restaurants: D’Angelo Grilled Sandwiches, Jersey Mike’s Subs, Jimmy John’s, Firehouse Subs, Potbelly, Togo’s, Which Wich Superior Sandwiches, Charley’s Philly Steaks, Penn Station East Coast Subs, McAlister’s Deli, Pita Pit, Schlotzky’s, Cousin’s Subs, Capriotti’s, Quiznos, Jon Smith Subs, Erbert & Gerbert’s, Lenny’s Grill & Subs, PrimoHoagies, Tubby’s Sub Shop, Blimpie’s, Super Sandwich, Nardelli’s, DiBella’s, Deli Delicious, Groucho’s Deli, CHēBA Hut, Steak Escape, Miami Grill, Goodcents Deli Fresh Subs, and Great Wraps.

2. **“Association with a Competitive Business”** means: 1) having any ownership interest in or serving as director, officer, employee or other representative of a Competitive Business; 2) advising or providing services, on a fee or no fee basis, to any individual or entity engaging in a Competitive Business in a manner which imparts your knowledge of the System; 3) loaning or otherwise providing money, inventory, equipment or supplies to any individual or entity operating a Competitive Business; or 4) leasing, licensing or otherwise granting access to, or the right to use, the property you control to anyone for the operation of a Competitive Business. Association with a Competitive Business does not include your ownership of outstanding securities of any corporation whose securities are publicly held and traded, provided that said securities are held by you for investment purposes only and that your total holdings do not constitute more than two percent (2%) of the outstanding securities of said corporation.

F. We shall have the right to require all of your personnel performing managerial or supervisory functions, all personnel receiving special training from us and all other personnel with access to confidential information to execute similar covenants in a form satisfactory to us.

G. You specifically acknowledge that, pursuant to this Agreement, you will receive valuable training and confidential information, including, without limitation, information regarding our promotional, operational, sales, and marketing methods and techniques and those of the System. You covenant that you will maintain the absolute confidentiality of all such proprietary information during and after the Term and that you will not use any such information in any other business or in any manner not specifically authorized or approved in writing by us.

H. You acknowledge and agree that, upon signing this Agreement, you will automatically become a member that has voting rights on a representative board (a **“Member”**) of the independent purchasing cooperative formed by Subway® franchisees where the Restaurant will be located (the **“IPC”**).

If required under local law, you may opt out of being a Member of the IPC by sending the IPC written notification.

I. Unless we approve such an arrangement in advance and in writing, you agree that you will not enter into any agreement with any other entity, or with any individual who is not an approved owner of you or named as a franchisee in this Agreement, for such other entity or individual to manage or operate the Restaurant or receive the right to profits and losses of the Restaurant.

J. Throughout the Term, you will promptly and in writing disclose to us information regarding all individuals who (i) contribute or loan money toward the purchase or operation of the Restaurant; (ii) have any direct or indirect ownership interest in any assets of the Restaurant; or (iii) are a co-borrower, co-signer or guarantor of a loan (the “**Investors**”). You will promptly provide us with documentation related to any such Investors, including but not limited to promissory notes, loan agreements, shareholders agreements, management agreements, financial statements, articles or certificates of incorporation or organization, or other entity establishment documents, tax forms, or any other instruments which document the investment.

20. **Relationship of the Parties/Indemnification.**

A. It is understood and agreed by the parties hereto that this Agreement does not create a fiduciary relationship between them, that the parties are independent contractors and that nothing in this Agreement is intended to make either party an agent, subsidiary, joint venturer, partner, employee or servant of the other for any purpose.

B. You shall conspicuously identify yourself at the Premises and in all dealings with franchisees, prospective franchisees, landlords, contractors, suppliers, public officials and others as the owner of your own business under a franchise agreement with us, and you shall place such other notices of independent ownership on such signs, forms, stationery, advertising and other materials, and in such places and in such form, as we may require from time to time.

C. You shall not employ any Mark in signing any contract, lease, mortgage, check, purchase agreement, negotiable instrument or other legal obligation, or in any other manner, without our prior written consent, or employ any Mark in a manner that is likely to result in our liability for any indebtedness or obligation of you.

D. Neither we nor you shall make any express or implied agreements, guaranties or representations, or incur any debt, in the name of or on behalf of the other or represent that their relationship is other than franchisor and franchisee, and neither we nor you shall be obligated by or have any liability under any agreements or representations made by the other that are not expressly authorized hereunder, nor shall we be obligated for any damages to any person or property directly or indirectly arising out of the operation of the business, whether or not caused by your negligent or willful action or failure to act.

E. You acknowledge and agree that you are solely responsible for all decisions relating to employees, agents, and independent contractors that you may hire to assist in the operation of the Restaurant. You agree that any employee, agent or independent contractor that you hire will be your employee, agent or independent contractor, and not our employee, agent or independent contractor. You also agree that you are exclusively responsible for the terms and conditions of employment of your employees, including recruiting, hiring, firing, training, compensation, work hours and schedules, work assignments, safety and security, discipline, and supervision. You agree to manage the employment functions of your Restaurant in full compliance with federal, state, and local employment laws.

F. You agree, at your sole cost and at all times, to indemnify and hold us and our subsidiaries and affiliates, together with each of their respective owners, directors, officers, employees, agents and assignees, harmless against, and to reimburse them for, any loss, liability, taxes or damages (actual or consequential) and all reasonable costs and expenses (including, without limitation, reasonable accountants', attorneys' and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses and travel and living expenses incurred in connection with any judicial, administrative or other action or proceeding (including bankruptcy, insolvency, debtor/creditor or similar proceedings), suit, claim, demand, investigation, or formal or informal inquiry, regardless of whether any of the foregoing is reduced to judgment) that any of them may suffer, sustain or incur by reason of defending any claim brought against any of them or any action in which any of them is named as a party that arises from or is related to your operation of the Restaurant or your activities related thereto or your activities under this Agreement. We and each such other indemnified party may, in our discretion and at your expense, control the defense of any claim against us or an indemnified party (including choosing and retaining our own legal counsel), agree to settlements of claims against us or an indemnified party, and take any other remedial, corrective, or other actions in response to such claims. This indemnity shall continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement.

21. **Insurance.**

A. During the Term, you must maintain in force at your sole expense property coverage, comprehensive general liability coverage (including products and completed operations), worker's compensation, business auto liability, and other types of insurance we require in the Confidential Operations Manual or as otherwise set forth in writing, including without limitation insurance required by the Sublease (or other approved lease agreement) and state law. You must purchase your business insurance from a source designated under our Gold Standard Insurance Program or any subsequent insurance program of ours, unless we allow otherwise in writing. All insurance policies must contain the minimum coverage we prescribe from time to time in the Confidential Operations Manual or otherwise in writing and must have deductibles not to exceed the amounts we specify. We may periodically increase the amounts of coverage required under these insurance policies and/or require different or additional insurance coverages (including reasonable excess liability insurance) at any time to reflect inflation, identification of new risks, changes in law or standards of liability, higher damage awards or other relevant changes in circumstances, and you agree to comply with any changes to our insurance requirements promptly and at your sole expense. These insurance policies must be purchased from an insurance company satisfactory to us and each liability coverage policy must name us, our affiliates (including without limitation SFAFT), and our and their respective officers, directors, shareholders, employees and agents, as well as (if applicable) your BD and landlord (collectively, the "**Additional Insureds**") as additional insureds, with primary non-contributory coverage, using a form of endorsement that we have approved. If available from the insurer, all insurance policies must provide for thirty (30) days' prior written notice to us of a policy's material modification, cancellation or expiration. Each insurance policy must contain a waiver of all subrogation rights against us, our affiliates and their successors and assigns. You routinely (at all times we require in our business judgment) must furnish us copies of your Certificates of Insurance or other evidence of your maintaining all then-required insurance coverage and the payment of all premiums. If you fail or refuse to obtain and maintain the insurance we specify, in addition to our other remedies including without limitation termination, we may (but need not) obtain such insurance for you and the Restaurant on your behalf, in which event you shall cooperate with us and reimburse us for all premiums, costs and expenses we incur in obtaining and maintaining the insurance, plus a reasonable fee for our time incurred in obtaining such insurance.

B. Our requirements for minimum insurance coverage are not representations or warranties of any kind that such coverage is sufficient for the Restaurant. Such requirements represent only the minimum coverage that we deem acceptable to protect our interests. It is your sole responsibility to obtain insurance coverage for the Restaurant that you deem appropriate, based on your own independent inquiry.

We are not responsible for losses sustained by you that exceed or fall outside of the insurance coverage under any circumstances. For the avoidance of doubt, the indemnification obligations contained in this Agreement will not be relieved by any insurance you carry.

22. **Default and Termination.**

A. If you believe that we are in default under this Agreement, you must give us written notice within ninety (90) days of the start of the default. The notice must clearly state each act or omission constituting the default. If we do not cure the default to your satisfaction within sixty (60) days after we receive your notice, you may give us notice that an arbitrable dispute exists.

B. This Agreement shall terminate automatically, either with respect to an individual Restaurant or group of Restaurants or in its entirety as it applies to all Restaurants, as we determine, upon delivery of notice of termination to you, if you or any of your owners, officers, or key employees:

7. Submit(s) to us at any time during the Term any reports or other data, information or supporting records which understate by more than three percent (3%) the Royalty Fee for any period of, or periods aggregating, three (3) or more weeks, and you are unable to demonstrate that such understatements resulted from inadvertent error;

9. Materially misuse(s) or make(s) an unauthorized use of any Marks or commit any act which can reasonably be expected to materially impair the goodwill associated with any Marks;

C. This Agreement shall terminate, either with respect to an individual Restaurant or group of Restaurants or in its entirety as it applies to all Restaurants, as we determine, upon written notice to you if (for the avoidance of doubt, the cure periods contained below in this sub-section C do not apply to sub-section B above):

1. D. To the extent that the provisions of this Agreement provide for periods of notice less than those required by applicable law, or provide for termination, cancellation, non-renewal or the like other than in accordance with applicable law, such provisions shall, to the extent such are not in accordance with applicable law, not be effective, and we shall comply with applicable law in connection with each of these matters.

E. In addition to our right to terminate this Agreement, and not in lieu of such right or any other rights against you, we, in the event that you shall not have cured a default under this Agreement within the applicable cure period, may, at our option, enter upon the applicable Premises and exercise complete authority with respect to the operation of the Restaurant until such time as we determine that your default has been cured and that there is compliance with the requirements of this Agreement. You specifically agree that a designated representative of us may take over, control, and operate the Restaurant, and that you shall pay us a service fee of not less than Five Hundred Dollars (\$500.00) per day per Restaurant plus all travel expenses, room and board and other expenses reasonably incurred by such representative so long as it shall be required by the representative to enforce compliance herewith. You further agree that if, as herein provided, we temporarily operate the Restaurant for you, you agree to indemnify and hold us harmless and any of our representatives who may act hereunder, respecting any and all acts and omissions which we may perform, or fail to perform as regards your interests or those of third parties.

F. If this Agreement is terminated because of your default, or if it is terminated by you prior to its expiration without cause (including if it is terminated as it applies to any Restaurant but remains in effect for other Restaurants), the parties agree that it would be difficult if not impossible to determine the amount of damages that we would suffer due to the loss or interruption of the revenue stream we otherwise would have derived from your continued payment of Royalty Fees and that SFAFT, the System or other marketing fund(s) would have otherwise derived from your continued payment of Advertising Contributions, less any cost savings, through the remainder of the Term until the scheduled expiration date ("**Damages**"). Therefore, the parties agree that a reasonable estimate of the Damages is, and you agree to pay us as compensation for the Damages, an amount equal to the then net present value of the Royalty Fees and Advertising Contributions that would have become due from the date of termination to the third-year anniversary of the date of termination. For this purpose, Damages shall be calculated based on Gross Sales of the Restaurant for the most recent twelve (12) consecutive month period that the Restaurant operated. If you have not operated the Restaurant for at least twelve (12) consecutive months preceding the termination date, Damages will be calculated based on the average monthly Gross Sales of all Subway® Restaurants in the United States during our last fiscal year. You and we agree that the

calculation described in this Section is a calculation only of the Damages and that nothing herein shall preclude or limit us from proving and recovering any other damages caused by your breach of the Agreement.

G. Notwithstanding anything herein to the contrary and for avoidance of doubt, for all purposes in connection with a Bankruptcy Event, the amount necessary to “cure” any default under this Agreement for purposes of 11 U.S.C. §365 (or similar provision) shall include but not be limited to any amounts due and owing by you to us or our affiliates for Royalty Fees, Advertising Contributions, rents or other obligations owed to us under any lease, purchases from us, our affiliates, suppliers, or vendors, or any other amounts due to us or our affiliates.

23. **Post-Term Rights and Duties.** Upon termination or expiration (including upon termination or expiration as this Agreement applies to any one Restaurant), this Agreement and all rights granted hereunder to you shall forthwith terminate either in their entirety or as applied to a specific Restaurant, as the case may be, and:

A. You shall immediately cease to operate the Restaurant under this Agreement, and shall not thereafter, directly or indirectly, represent to the public or hold yourself out as a present or former franchisee of us.

B. You shall cancel any permits, licenses, registrations, certifications or other consents required for leasing, constructing, or operating the Restaurant. If you fail to do so within a reasonable time, we are authorized to cancel them for you.

C. Upon our demand, you shall assign to us your interest in any lease then in effect for the Premises and you shall furnish us with evidence satisfactory to us of compliance with this obligation within thirty (30) days after termination or expiration of this Agreement.

D. Except with respect to Restaurants that you have the right to continue to operate under this Agreement or another franchise agreement, you shall immediately and permanently cease to use, by advertising or in any manner whatsoever: any confidential methods, procedures and techniques associated with the System; and the Marks and distinctive forms, slogans, signs, symbols, logos, and devices associated with the System. In particular, you shall cease to use, without limitation, all signs, advertising materials, stationery, forms, and any other articles that display the Marks.

E. You shall take such action as may be necessary to assign to us or our designee any assumed name rights or equivalent registration filed with state, city, or county authorities that contain(s) the name “Subway®”, any derivation thereof, or any other service mark or trademark of the System, and you shall furnish us with evidence satisfactory to us of compliance with this obligation within thirty (30) days after termination or expiration of this Agreement.

F. You agree, in the event you continue to operate or subsequently begin to operate any other business, not to use any reproduction, counterfeit, copy or colorable imitation of the Marks either in connection with such other business or the promotion thereof, which is likely to cause confusion, mistake or deception, or which is likely to dilute our exclusive rights in and to the Marks and further agree not to utilize any designation of origin or description or representation that falsely suggests or represents an association or connection with us so as to constitute unfair competition.

G. Except as expressly provided herein, you must obtain our written approval prior to closing the Restaurant and removing any signage, fixtures, or other leasehold improvements from the Restaurant, or otherwise de-identifying the Restaurant as a Subway® Restaurant. We will have the right, at your cost, to reinstall any signage, fixtures or other leasehold improvements removed from the Restaurant without our written consent. If we approve the closure of the Restaurant in writing, or if you

fail to obtain our approval to close the Restaurant and we subsequently determine the Restaurant should be closed, you must change the appearance of the Restaurant, to the extent we require, so it will no longer be identified as a Subway® Restaurant within fourteen (14) days of the date we issue our written approval or provide notice to you of our decision for the Restaurant to close.

H. If your leasehold interest in the Premises is not a Sublease with us, you are responsible for obtaining a termination and mutual release of such lease from the landlord for us or our affiliate(s). You are responsible for all costs associated with obtaining the termination and mutual release, including but not limited to any amounts owed to the landlord.

I. You shall promptly pay all sums owing to us. In the event of termination for any default of yours or termination without cause by you, such sums shall include all damages (which may include lost future Royalty Fees), costs, and expenses, including reasonable attorneys' fees, incurred by us as a result of the default.

J. You shall pay to us all damages, costs and expenses, including reasonable attorneys' fees, incurred by us subsequent to the termination or expiration of the franchise herein granted in obtaining injunctive or other relief for the enforcement of any provisions of this Section or Section 19.

K. You shall immediately turn over to us all manuals, including the Confidential Operations Manual, customer lists, records, files, instructions, brochures, agreements, disclosure statements, and any and all other materials provided by us to you or which contain our Confidential Information relating to the operation of the Restaurant (all of which you acknowledge to be our property).

L. We shall have the right, title and interest to the menu board and any sign or sign faces bearing the Marks. You hereby acknowledge our right to access the Premises should we elect to take possession of any said menu board, sign or sign faces bearing the Marks.

M. We shall have the right (but not the duty), to be exercised by notice of intent to do so within thirty (30) days after termination or expiration, to purchase for cash any or all equipment, supplies, and other inventory, advertising materials, all items bearing the Marks, and the assets of any commissary, bakery, ghost kitchen or related facility owned by you, at fair market value. If the parties cannot agree on fair market value within a reasonable time, an independent appraiser acceptable to you and us shall be designated by us, and her/his determination shall be binding. In determining fair market value, the parties shall not take into consideration the goodwill associated with the Marks. If we elect to exercise any option to purchase herein provided, we shall have the right to set off all amounts due from you under this Agreement or any other agreements between you or your affiliate and us or our affiliate, and the cost of the appraisal, if any, against any payment therefor.

N. You hereby acknowledge that all telephone numbers, internet addresses, and domain names used in the operation of the Restaurant constitute assets of the Restaurant and will be used solely to identify the Restaurant in accordance with this Agreement; and upon termination or expiration of this Agreement you shall promptly assign to us or our designee, all of your right, title, and interest in and to your telephone numbers, internet addresses, and domain names and shall promptly notify the telephone company or domain registrar, as applicable, and all listing agencies of the termination or expiration of your right to use any telephone numbers, internet addresses, and domain names and any regular, classified or other telephone or website directory listing associated with the Marks and to authorize a transfer of same to us at our direction.

O. You shall immediately (i) cease using or operating any Online Presence (including without limitation any social media account) related to the Restaurant or the Marks, and (ii) take any action as may be required to disable such Online Presence (including without limitation any social media

account), or transfer exclusive control and access of such Online Presence (including without limitation any social media Account) to us, as we determine in our sole discretion.

P. You shall comply with the covenants contained in Section 19 of this Agreement.

Q. You shall comply with all other System Standards we periodically establish (and all applicable law) in connection with the closure and de-identification of the Restaurant, including as relates to disposing of Personal Information, in any form, in your possession or the possession of your employees.

R. If you continue using the System or the Marks after termination or expiration of this Agreement in violation of this Agreement, you will pay us Two Hundred Fifty Dollars (\$250.00) per day for each day you are in default, as a reasonable pre-estimate of the damages. Notwithstanding same, you stipulate that damages from your continued use of the System or the Marks post-termination would result in irreparable harm to us that could not adequately be compensated for by a money judgment. Therefore, you stipulate to our right to injunctive relief in the event of any such post-termination continued use of the System or Marks and as otherwise provided in Section 24.B.

24. **Miscellaneous.**

A. **Security Interest.** As security for the performance of your obligations under this Agreement, including payments owed to us for purchase by you, you grant us a security interest in all of the assets of the Restaurant, including but not limited to inventory, fixtures, furniture, equipment, accounts, customer lists, supplies, contracts, cash derived from the operation of the Restaurant and sale of other assets, and proceeds and products of all those assets. You agree to execute such other documents as we may reasonably request in order to further document, perfect and record our security interest. If you default in any of your obligations under this Agreement, we may exercise all rights of a secured creditor granted to us by law, in addition to our other rights under this Agreement and at law. If a third-party lender requires that we subordinate our security interest in the assets of the Restaurant as a condition to lending you working capital for the operation of the Restaurant, we will agree to subordinate only pursuant to a subordination agreement or inter-creditor agreement with such lender that we approve in our reasonable discretion.

B. **Injunctive Relief.** We may enforce by judicial process any provision of this Agreement, including our right to terminate this Agreement. You and your affiliates, officers, directors, employees, and owners agree to entry without bond of temporary, preliminary and permanent injunctions and orders of specific performance enforcing any of the provisions of this Agreement. If we secure any such injunctions or order of specific performance, you further agree to pay to us an amount equal to the aggregate of our costs of obtaining any such relief including, without limitation, reasonable attorneys' fees, costs of investigation and proof of facts, court costs, other litigation expenses and travel and living expenses, and any damages incurred by us as a result of any breach. You agree that we may seek such relief from any court of competent jurisdiction in addition to such further or other relief as may be available to us at law or in equity.

C. **Severability and Substitution of Valid Provisions.** All provisions of this Agreement are severable, and this Agreement shall be interpreted and enforced as if all completely invalid or unenforceable provisions were not contained herein and partially valid and enforceable provisions shall be enforced to the extent valid and enforceable. To the extent that any covenant restricting ownership of a Competitive Business herein is deemed unenforceable by virtue of its scope in terms of area or length of time, but may be made enforceable by reductions of either or both thereof, you and we agree that same shall be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction in which enforcement is sought. If any applicable and binding law or rule of any jurisdiction requires a greater prior notice of the termination of or refusal to renew this Agreement than is required

hereunder or the taking of some other action not required hereunder, or if under any applicable and binding law or rule of any jurisdiction, any provision of this Agreement or any specification, standard or operating procedure prescribed by us is invalid or unenforceable, the prior notice and/or other action required by such law or rule shall be substituted for the notice requirements hereof, or such invalid or unenforceable provision, specification, standard or operating procedure shall be modified to the extent required to be valid and enforceable. Such modifications to this Agreement shall be effective only in such jurisdiction and shall be enforced as originally made and entered into in all other jurisdictions.

D. **Waiver of Obligations.** You and we may by written instrument only unilaterally waive any obligation of or restriction upon the other under this Agreement. No acceptance by us of any payment by you or any other person or entity and no failure, refusal or neglect of us or you to exercise any right under this Agreement or to insist upon full compliance by the other with its obligations hereunder, including without limitation, any mandatory specification, standard or operating procedure, shall constitute a waiver of any provision of this Agreement.

E. **Franchisee May Not Withhold Payments Due Franchisor.** You agree that you will not withhold payment of any amounts owed to us, on grounds of the alleged nonperformance by us of any of our obligations hereunder.

F. **Rights of Parties are Cumulative.** Your and our rights hereunder are cumulative and no exercise or enforcement by you or us of any right or remedy hereunder shall preclude the exercise or enforcement by you or us of any other right or remedy hereunder or which you or us is entitled by law to enforce.

G. **Waiver of Punitive, Exemplary and Consequential Damages and Jury Trial.** EXCEPT FOR YOUR OBLIGATION TO INDEMNIFY US FOR THIRD PARTY CLAIMS UNDER SECTION 20, YOU AND WE HEREBY WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT TO OR CLAIM FOR ANY PUNITIVE, EXEMPLARY OR CONSEQUENTIAL DAMAGES AGAINST THE OTHER AND AGREE THAT IN THE EVENT OF ANY DISPUTE BETWEEN US WE EACH SHALL BE LIMITED TO THE RECOVERY OF ANY ACTUAL DAMAGES SUSTAINED. YOU AND WE IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION OR PROCEEDING BROUGHT BY US OR YOU.

H. **Limitation of Claims and Certain Damages; Class Action Bar.**

1. Except for claims arising from your non-payment or underpayment of amounts you owe us, any and all claims arising out of or relating to this Agreement or the relationship between you and us will be barred unless an action or proceeding is commenced in accordance with this Agreement within one (1) year from the date the party asserting the claim knew or should have known of the facts giving rise to such claims.

2. If the landlord terminates the lease for the Restaurant and an arbitrator or court determines you did not breach the Sublease and it was our or our affiliate's fault the landlord terminated the lease, our obligation to you will be limited to the original cost of your leasehold improvements, less depreciation based on a five (5) year life under the straight-line method. We will pay you when you reopen the Restaurant in a new location. If the arbitrator or court determines you breached the Sublease or it was not our or our affiliate's fault the landlord terminated the lease, we and our affiliate will have no obligation to you for termination of the lease.

3. You and we agree that any proceeding will be conducted on an individual basis, and that any proceeding between us (or any of our affiliates) and you or your owners may not be: (i) conducted on a class-wide basis or as a collective action, (ii) consolidated with another

proceeding between us and any other person or entity, nor may any claims of another party or parties be joined with any claims asserted in any action or proceeding between you and us, (iii) joined with any claim of an unaffiliated third-party, or (iv) brought on your behalf by any association or agency. No previous course of dealing shall be admissible to explain, modify, or contradict the terms of this Agreement. No implied covenant of good faith and fair dealing shall be used to alter the express terms of this Agreement.

I. **Costs and Attorneys' Fees.** If either party initiates a judicial or other proceeding, the party prevailing in such proceeding shall be entitled to reimbursement of its costs and expenses, including reasonable attorneys' fees. If we become a party to any action or proceeding commenced or instituted against us by a third party arising out of or relating to any claimed or actual act, error or omission of yours, by virtue of statutory, "vicarious", "principal/agent" or other liabilities asserted against or imposed on us as a result of our status as franchisor, or if we become a party to any litigation or any insolvency proceeding involving you pursuant to any bankruptcy or insolvency code (including any adversary proceedings in conjunction with bankruptcy or insolvency proceedings), then you will be liable to, and must promptly reimburse us for, the reasonable attorneys' fees, experts' fees, court costs, travel and lodging costs and all other expenses we incur in such action or proceeding regardless of whether such action or proceeding proceeds to judgment. In addition, we will be entitled to add all costs of collection, interest, attorneys' fees and experts' fees to our proof of claim in any insolvency or bankruptcy proceeding you file.

J. **Governing Law; Consent to Jurisdiction.** This Agreement and the Franchise shall be governed by the internal laws of the state of Florida, without regard to conflict of laws rules, except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. §§ 1051 et seq.). The parties agree that any franchise law or business opportunity law of the State of Florida now in effect or adopted or amended after the date of this Agreement will not apply to franchises located outside of Florida. SUBJECT TO THE ARBITRATION PROVISIONS BELOW, WE AND YOU (AND EACH OWNER) AGREE THAT ALL ACTIONS ARISING UNDER THIS AGREEMENT OR OTHERWISE AS A RESULT OF THE RELATIONSHIP BETWEEN THE PARTIES MUST BE COMMENCED IN THE STATE OR FEDERAL COURT IN OR NEAREST TO WHERE WE THEN HAVE OUR HEADQUARTERS. WE AND YOU (AND EACH OWNER) IRREVOCABLY CONSENT TO THE JURISDICTION OF THOSE COURTS AND WAIVE ANY OBJECTION TO EITHER THE JURISDICTION OF OR VENUE IN THOSE COURTS.

K. **Arbitration.**

1. Any dispute, controversy or claim arising out of or relating to this Agreement, the breach thereof, or the business relationship between the parties will be settled by arbitration to be administered by either the American Arbitration Association or its successor ("AAA"). AAA will administer the arbitration in accordance with its administrative rules (including, as applicable, the Commercial Rules of the AAA and the Expedited Procedures of such rules). If AAA is no longer in business, then the parties will mutually agree upon an alternative administrative arbitration agency. If the parties cannot mutually agree, then the parties agree to take the matter to a court of competent jurisdiction to select the agency. Judgment rendered by the arbitrator may be entered in any court having jurisdiction thereof. The costs of the arbitration will be shared equally by the parties, except as otherwise provided in this Agreement. The parties also agree that neither party will pursue class claims or group or collective actions. The parties further agree not to consolidate the arbitration with any other proceedings, except for arbitrations in which you and we are the sole parties. The parties will honor validly served subpoenas, warrants and court orders.

2. The parties further agree that in cases where the amount in controversy is One Million Dollars (\$1,000,000.00) or less the only depositions will be for the sole purpose of

preserving testimony. In other cases, the right to, and extent of, any depositions will be determined by agreement of the parties, or by the arbitrator. In all cases any documents exchanged between the parties as part of the discovery process must be returned or destroyed (with proof of destruction) within thirty (30) days of final judgment or dismissal of the arbitration.

3. The parties agree that the city where we then have our headquarters at the time of the commencement of the arbitration will be the site for arbitration. The arbitration shall be held before one (1) arbitrator, who shall be chosen pursuant to the AAA rules for appointment of one (1) arbitrator from the National Roster, except that in the event that either of the parties seeks damages in excess of Ten Million Dollars (\$10,000,000.00), the arbitration shall be held before a panel of three arbitrators. To compose the panel of three arbitrators, each party shall name one arbitrator within fourteen (14) days of service of the Demand for Arbitration or Counterclaim seeking damages in excess of Ten Million Dollars (\$10,000,000.00). The two chosen arbitrators must perform his or her duties as a neutral, with impartiality and independence, and with diligence and in good faith. The two arbitrators chosen by the parties shall, within thirty (30) days of the appointment of the last arbitrator, appoint the chairperson of the panel from the National Roster provided by the AAA.

4. If you breach the terms of your Sublease, the Sublessor, whether us or our affiliate, may exercise its rights under the Sublease, including your eviction from the Premises. Any action brought by the Sublessor to enforce the Sublease, including actions brought pursuant to any cross-default clause in the Sublease (which provides that a breach of this Agreement is a breach of the Sublease) will not be an arbitrable dispute and will be adjudicated in the courts of the county and state where the Premises is located. Without limitation, any security deposit that is returned to us or our affiliate by the landlord may be applied to any amounts that you owe us under this Agreement. The parties agree that you may seek a stay of any eviction brought under a cross-default clause in the Sublease by filing a demand for arbitration in accordance with this sub-section within thirty (30) days of the Sublessor's commencement of the eviction. The stay shall be lifted upon conclusion of the arbitration, and you may not seek a stay of eviction after the arbitration has concluded. For the avoidance of doubt, you may not seek a stay of any eviction for any other type of default under the Sublease, including without limitation the failure to pay rent or any other amounts due and owing under the Sublease on a timely basis.

5. You may only seek damages or any remedy under law or equity for any arbitrable claim against us or our successors or assigns. You agree our intended beneficiaries of the arbitration clause including our affiliates, shareholders, directors, officers, employees, agents and representatives, and their affiliates, will be neither liable nor named as a party in any arbitration or litigation proceeding commenced by you where the claim arises out of or relates to this Agreement or the business relationship between the parties. If you name a party in any arbitration or litigation proceeding in violation of this sub-section, you will reimburse us for reasonable costs incurred, including but not limited to arbitration fees, court costs, attorneys' fees, management preparation time, witness fees, and travel expenses incurred by us or the party.

6. You acknowledge and agree that your default under this Agreement concerning infringement of intellectual property rights in the Marks or in copyrighted items or disclosure of Confidential Information (together "**Intellectual Property Claims**") may cause irreparable harm to us, our Affiliates and the System as a whole. Notwithstanding the arbitration clause in this sub-section, we or an Affiliate may bring an action in connection with such a default for damages, injunctive relief, or both in any court having jurisdiction.

7. Any disputes concerning the enforceability or scope of the arbitration clause are delegated to the arbitrator for determination, except for Intellectual Property Claims. Any

arbitration will be conducted pursuant to the Federal Arbitration Act, 9 U.S.C. §1, et seq. (“FAA”), and the parties agree that the FAA preempts any state law restrictions (including the site of the arbitration) on the enforcement of the arbitration clause in this Agreement. If the FAA has been repealed or modified such that it no longer applies to this Agreement, then any disputes shall be resolved in accordance with applicable law governing this Agreement. The parties agree to waive any right to disclaim or contest this pre-dispute arbitration agreement.

8. A party will be in default of this Agreement if it i) commences action in any court in violation of this sub-section prior to an arbitrator’s final decision (except as otherwise allowed by this Agreement, including to compel arbitration), or ii) commences litigation in any forum except where permitted by this sub-section. The defaulting party will also be responsible for the expenses the other party incurs to enforce this sub-section, including but not limited to filing fees, court costs, reasonable attorneys’ fees and travel expenses. However, if a court of competent jurisdiction deems the arbitration clause unenforceable after all appeals have been exhausted, the defaulting party will not be responsible for such costs.

9. Subject to federal or state law, if a party defaults under sub-section G, including, but not limited to, making a claim for special, incidental, consequential, punitive, or multiple damages, or damages in excess of the amount permitted, the defaulting party must correct its claim and will be responsible for all expenses incurred by the other party, including attorneys’ fees, and will be liable for abuse of process.

10. The parties agree that all statutes of limitations and deadlines provided for in the governing law that is applied to the arbitration shall have full force and effect, unless a shorter limitations period is provided in sub-section H and is enforceable under applicable law.

L. **Binding Effect.** This Agreement is binding upon the parties hereto and their respective heirs, assigns and successors in interest.

M. **Survival.** All of your (and your owners’) obligations which expressly or by their nature survive this Agreement’s expiration or termination will continue in full force and effect subsequent to and notwithstanding its expiration or termination until they are satisfied in full or by their nature expire.

N. **Construction.** This Agreement (including the preambles and Background Information), the exhibits, schedules and attachments hereto, and the documents referred to herein, constitute the entire and complete agreement between the parties concerning the subject matter hereof and supersede any and all prior agreements between the parties, and there are no other oral or written understandings or agreements between us and you relating to the subject matter of this Agreement. Nothing in this or in any related agreement, however, is intended to disclaim the representations we made in the franchise disclosure document that we furnished to you.

The headings of the several Sections and sub-sections hereof are for convenience only and do not define, limit or construe the contents of such Sections or sub-sections and shall not be taken into account in this Agreement’s construction or interpretation. References to dollars (\$) in this Agreement refer to the lawful money of the United States of America. No previous course of dealing or usage in the trade not specifically set forth in this Agreement will be admissible to explain, modify, or contradict this Agreement.

O. **Joint and Several Liability.** Each individual signing this Agreement as the franchisee will be jointly and severally liable.

P. **Franchisor Discretion.** You agree that whenever this Agreement allows or requires us to take actions or make decisions, we may do so in our sole and unfettered discretion, even if you believe

our action or decision is unreasonable, unless the Agreement expressly and specifically requires that we act reasonably or refrain from acting unreasonably in connection with the particular action or decision.

Q. Notices. Every notice, approval, consent or other communication authorized or required by this Agreement shall be effective if given in one of the following ways: (i) by email to us at **FranchiseNotices@subway.com** and to you at the email address provided on the Signature Page at the beginning of this Agreement, or at such other email address as either party shall from time to time designate in writing; (ii) in writing and hand delivered to either party; or (iii) in writing and sent for next business day delivery by FedEx, UPS, or other nationally-recognized courier. Email notices must contain the capitalized words "LEGAL NOTICE" in the subject line. The sender of an email notice must request a read receipt and the recipient must allow a read receipt to be sent on or before the next business day. Email notices shall be effective upon receipt by the sender of the read receipt from the recipient of the notice. Hand delivered notices shall be deemed to be effective upon delivery, if delivered. Notices sent for next business day delivery by nationally recognized courier shall be deemed to be effective on the next business day.

R. Amendment; Modification. This Agreement may be modified only by written agreement signed by both you and us. Notwithstanding the foregoing, you acknowledge and agree that we may modify the Confidential Operations Manual and System Standards from time to time, subject to the terms of this Agreement.

S. Counterparts. This Agreement may be executed in multiple counterparts, each of which shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. The parties agree that scanned or electronic signatures shall have the same effect and validity, and may be relied upon in the same manner, as original signatures. You acknowledge and agree that any owner of you or any signatory to this Agreement (including any signatory assuming this Agreement) may sign ancillary agreements and accept system initiatives during the Term such as software license agreements and consent to technology programs/initiatives in connection with the operation of the Restaurant, such as remote access to your POS System, with binding effect.

25. Acknowledgements. You represent, warrant, agree and acknowledge the following:

B. EXHIBIT A

OWNER'S GUARANTY AND ASSUMPTION OF FRANCHISEE OBLIGATIONS

In consideration of, and as an inducement to, the execution of the above Multi-Unit Franchise Agreement (as amended, modified, restated or supplemented from time to time, the "**Agreement**") by DOCTOR'S ASSOCIATES LLC ("**COMPANY**"), each of the undersigned (each a "**GUARANTOR**", and collectively "**GUARANTORS**") hereby personally and unconditionally (1) guarantees to COMPANY and its affiliates and their successors and assigns, for the term of the Agreement and thereafter as provided in the Agreement, that _____, a _____ ("**Franchisee**") shall punctually pay and perform each and every undertaking, agreement and covenant set forth in the Agreement and (2) agrees personally to be bound by, and personally liable for the breach of, each and every provision in the Agreement.

Each GUARANTOR waives:

1. acceptance and notice of acceptance by COMPANY and its affiliates of the foregoing undertakings;
2. notice of demand for payment of any indebtedness or nonperformance of any obligations hereby guaranteed;
3. protest and notice of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed;
4. any right GUARANTOR may have to require that an action be brought against Franchisee or any other person as a condition of liability;
5. all rights to payments and claims for reimbursement or subrogation which GUARANTOR may have against Franchisee arising as a result of GUARANTOR'S execution of and performance of this Guaranty; and
6. any and all other notices and legal or equitable defenses to which GUARANTOR may be entitled.

Each GUARANTOR consents and agrees that:

1. GUARANTOR'S liability under this guaranty ("**Guaranty**") shall be direct, immediate, and independent of the liability of, and shall be joint and several with, Franchisee and the other owners of Franchisee;
2. Each GUARANTOR that is a business entity, retirement or investment account, or trust acknowledges and agrees that if Franchisee (or any of its affiliates) is delinquent in payment of any amounts guaranteed hereunder, that no dividends or distributions may be made by such GUARANTOR (or on such GUARANTOR'S account) to its owners, accountholders or beneficiaries or otherwise, for so long as such delinquency exists, subject to applicable law;

6. This Guaranty will continue unchanged by the occurrence of any Bankruptcy Event (as defined in the Agreement) with respect to Franchisee or any assignee or successor of Franchisee or by any abandonment of the Agreement by a trustee of Franchisee. Neither the GUARANTOR'S obligations to make payment or render performance in accordance with the terms of this Guaranty nor any remedy for enforcement shall be impaired, modified, changed, released or limited in any manner whatsoever by any impairment, modification, change, release or limitation of the liability of Franchisee by virtue of or as a result of any Bankruptcy Event, or from the decision of any court or agency;

7. GUARANTORS shall be bound by the restrictive covenants and confidentiality provisions contained in Sections 9, 15, and 19 of the Agreement and the indemnification provisions contained in Section 20 and elsewhere in the Agreement; and

8. Each GUARANTOR agrees to pay all reasonable attorneys' fees and all costs and other expenses incurred in any collection or attempt to collect amounts due pursuant to this Guaranty or any negotiations relative to the obligations hereby guaranteed or in enforcing this Guaranty against GUARANTOR.

The provisions contained in Section 24.I (Costs and Attorneys' Fees) and Section 24.J (Governing Law; Consent to Jurisdiction), and 24.K (Arbitration) of the Agreement shall govern this Guaranty and any dispute between GUARANTORS and COMPANY, and such provisions are incorporated into this Guaranty by reference.
