What You Need To Know About Franchising Generally

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement and store development agreement require you to resolve disputes with the franchisor by mediation, arbitration, and/or litigation in the state in which the restaurant is located. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in the state in which the restaurant is located than in your own state.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

THE FOLLOWING PROVISIONS APPLY ONLY TO
NOTICE REQUIRED
TRANSACTIONS GOVERNED BY
STATE OF MICHIGAN
THE MICHIGAN FRANCHISE INVESTMENT LAW

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the ~~franchisee's~~franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of ~~franchisor's~~franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(~~1~~) The failure of the proposed transferee to meet the ~~franchisor's~~franchisor's ~~then-current~~then current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

~~The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.~~

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000.00, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

Of those 9,580 restaurants, 8,295 were single-branded Dunkin’ restaurants, 2 were franchised Dunkin’ restaurants operating at Multi-Brand Locations, and 1,283 were franchised Dunkin’ and Baskin-Robbins combo restaurants. Additionally, as of December 31, 2023, there were 4,210 single-branded franchised Dunkin’ restaurants operating internationally.

We have not offered franchises in any other line of business, we have never operated a Dunkin’ Restaurant, and except as described in this FDD, we have no other business activities ~~except as those described here~~. If we have an agent for services ~~services~~ of process ~~in your state~~, we disclose that agent in Exhibit A.

The Dunkin’ ~~Restaurant~~® Franchise ~~Opportunity~~

We grant franchises for restaurants that feature ~~doughnuts~~ donuts, coffee, espresso, bagels, muffins, croissants, other bakery items, breakfast sandwiches, and ~~related bakery items, as well as~~ other food and beverage products. ~~using our standards and specifications and that operate~~ under the Proprietary Marks (defined below) and System (defined below) ~~and the Dunkin’™ trademark and other Trademarks (defined below). "System" means the Dunkin' Restaurant franchise system, which involves the conceptualization, design, specification, development, operation, marketing, franchising and licensing of restaurants and associated concepts for the sale of proprietary and non-proprietary food and beverage products, all of which we may periodically develop and modify.

We offer to qualified entities the right to develop and operate Dunkin' Restaurants from non-traditional locations, including hospitals, train stations, airports, entertainment and sports complexes, convention centers, casinos and resorts, limited-access highway food facilities, military facilities, schools and colleges, office or factory food service facilities, gas/convenience stores, travel centers, travel plazas, department stores and big box super stores, mobile units, off-site sales accounts, supermarkets and home improvement retailers (collectively, "Special Distribution Opportunities" or "SDO"). Some Dunkin' Restaurants that operate from an SDO location may be self-serve, meaning the guest obtains their own beverage and/or food rather than being served by a franchisee team member. If your Restaurant will be operated from an SDO location, we may modify certain provisions of your Franchise Agreement.

~~If we~~We also offer youto qualified prospects the right to develop and open multiple Dunkin' Restaurants, then within a designated territory ("Store Development Area" or "SDA") under the terms of the Store Development Agreement (Exhibit D-1). The Store Development Agreement will specify the number of Dunkin' Restaurants you will develop over a specified period (the "Development Schedule") and. However, if you fully comply with the Combo Store Development Agreement, each Combo Franchise Agreement ~~that developed under to~~ the Combo Store Development Agreement ~~covers~~ will reflect the initial franchise fee specified in Item 5. We refer to the Store Development Agreement and Combo Store Development Agreement collectively as the “Store Development Agreement” throughout this FDD.

Multi-Brand Locations

We have an arrangement with Arby’s Franchisor, LLC, Buffalo Wild Wings International, Inc., Jimmy John’s Franchisor SPV, LLC, and Sonic Franchising LLC (each an “Other Franchisor”) whereby we, together with the applicable Other Franchisor(s), may offer certain qualified prospects the right to develop and operate a Dunkin’ Restaurant at the same location as, and in combination with, an Arby’s® restaurant, Buffalo Wild Wings® Sports Bar, BWW-GO® restaurant, Jimmy John’s® restaurant, and/or Sonic® restaurant (collectively, the “Other Restaurants” and together with a Dunkin’ Restaurant, the “Multi-Brand Location”).

We expect Multi-Brand Locations to contain a Dunkin’ Restaurant and one or more Other Restaurants. The Multi-Brand Location will offer and sell a range of products authorized to be sold under the System and Proprietary Marks, and the franchise system and trademarks of the Other Franchisor(s). The Dunkin’ Restaurant and Other Restaurant(s) operating from the Multi-Brand Location may require separate point of sale systems, employees, uniforms, branding, and more for each restaurant.

To operate a Dunkin’ Restaurant at a Multi-Brand Location, you (and/or your affiliate) must (i) enter into a Franchise Agreement and the Multi-Brand Addendum attached to this FDD as Exhibit C-4 (the “Multi-Brand Addendum” or “MBA”) with us for the operation of a Dunkin’ Restaurant, and (ii) enter into a franchise or license agreement and multi-brand addendum for the applicable Other Restaurant(s) with each applicable Other Franchisor for the operation of the Other Restaurant (collectively, each an “Other Franchise Agreement”). We will not grant you the right to operate a Dunkin’ Restaurant at a Multi-Brand Location unless each applicable Other Franchisor grants you the right to operate the Other Restaurant and permits that Other Restaurant to be operated at a Multi-Brand Location. The terms each Other Franchisor’s franchise offering, franchise agreement or license agreement, and related agreements are disclosed in the Other Franchisor’s franchise disclosure document,

which you must obtain from that Other Franchisor. Unless otherwise noted, the disclosures in this FDD apply to Dunkin' Restaurants that are operated at Multi-Brand Locations.

Market and Competition

Your Restaurant and/or Combo Restaurant will offer products and services to the general public throughout the year and compete with other national and regional chains and local restaurants that sell similar products and services. The market for Dunkin' products and services is well developed and very competitive. Despite this competition, we believe Dunkin' Restaurants appeal to consumers because of the System and the quality of products and services offered from Dunkin' Restaurants and Combo Restaurants.

~~The typical Restaurant targets serving a large number of guests and is generally located in heavily populated areas. Most products are purchased primarily for off-premises consumption. Delivery and catering whether directly or through third-party aggregators is increasing in the restaurant industry, and we may require your participation in such channels. Developing and operating a network of Restaurants is generally more challenging than developing and operating a single Restaurant. You may not achieve potential economies of scale until you have a number of Restaurants operating in the Store Development Area, and the timing and phasing of overhead and related expenses is critical to your early financial performance. You should have sufficient working capital to cover potential operating losses and development costs.~~

~~You can expect to compete in your market with locally-owned businesses as well as national and regional chains that sell similar products. The market for doughnuts, coffee, espresso, bagels, muffins, croissants, breakfast sandwiches, related bakery items, and other related products, is well established and highly competitive. Restaurants compete on the basis of factors such as price, service, location, convenience and food quality. Additionally, you may find that there is competition for suitable locations. Principal factors that will vary but that will impact our brand's competitive position are name recognition (which is stronger in some regions than in others), product quality, variety, appearance, location, and advertising. A business such as a Restaurant may also be affected by other factors, such as changes in consumer taste, economic conditions, population, and travel patterns. Your competition may also include other types of retail outlets doughnuts, coffee, espresso, bagels, muffins, croissants, breakfast sandwiches, related bakery items, and other related products, such as grocery stores, convenience stores, and specialty coffee shops.~~

~~You may also compete with other existing Dunkin' Restaurants and with new Dunkin' Restaurants that we may operate, franchise, or license in the future. Competition may also include Dunkin' products sold through other channels of distribution (among which are supermarket sales, the Internet, and other venues).~~

~~We may also grant selected franchisees rights or franchises to operate or distribute authorized products through special distribution opportunities ("SDO") in your Store Development Area. SDO Restaurants include Restaurants, cart, or kiosk locations which are located within another host establishment, including, but not limited to, a stadium, retail facility, gas station, convenience store, airports, service plazas, universities, grocery stores, mobile units, and other outlets described in paragraph 6 of the SDA. Some of these SDOs may be "Self Serve Restaurants," which are Restaurants where the guest obtains their own beverage and/or food rather than being served by a franchisee team member and the Restaurant could be located in a certain "host" environment that is controlled by a franchisee.~~

~~These special arrangements may involve special agreements or modifications to our standard franchise and other agreements.~~

~~We may pursue opportunities to convert similar businesses operating under different tradenames. We may provide conversion incentives to those businesses. The terms of conversion incentives vary depending on factors such as the number of outlets to convert, perceived competitive advantage of the outlets, their location, physical condition and age, length of remaining occupancy and franchise rights, rent, the outlets' production, access, visibility, demographic profile, hours of operation, operating history, the prices and terms on which comparable outlets have been sold in the market, our then current conversion policy (if any exists), and the negotiations of the parties, among others.~~

Laws, Rules, and Regulations

You will have to comply with all federal, state and local laws, including minimum wage laws, health and sanitation laws, marketing and anti-solicitation practices (including the Telephone Consumer Protection Act, CAN-SPAM Act, the Telemarketing Sales Rule), and other laws such as menu labeling laws that apply to restaurants in general. You also will have to comply with all other federal, state and local laws and regulations that apply generally to all businesses. We encourage you to make additional inquiries into those laws and regulations and obtain the assistance of legal counsel.

~~Federal and state laws exist that govern the food service industry (including health, sanitation and safety regulations regarding food storage, preparation, and safety). You must comply with these laws and other laws that apply to businesses generally. In addition to laws and regulations that apply to businesses generally, your Restaurant must comply with various federal, state and local government regulations, including those relating to site location and building construction, such as the Americans with Disabilities Act; FDA menu labeling requirements; laws governing the storage, preparation and sale of food products, including meat products, and health, sanitation and safety regulations relating to food service; and other relevant laws (including Consumer Product Safety Improvement Act certifications for giveaways or other items in the Restaurant characterized as “children’s products”). Some state and local authorities have also adopted, or are considering adopting, laws or regulations that would affect the content or make up of food served in Dunkin’ Restaurants, such as the level of trans fats and sodium contained in a food item. Additionally, the Patient Protection and Affordable Health Care Act requires employers of a certain size to provide health insurance to its employees, and the Menu Labeling Provisions of the Act require certain Dunkin’ Restaurants and retail food establishments to post calorie information on menus and menu boards and to provide additional written nutrition information to consumers upon request. You should consider these and other laws and regulations when evaluating your purchase of a franchise. It is your sole responsibility to obtain and keep in force all necessary licenses and permits that public authorities require.~~

~~Government contractor laws may also apply if your Restaurant is located (or if, subject to your FA, you sell products) at a military base or another government facility. For example, you may be required to comply with requirements such as government contractors’ wage and hour restrictions, preparation and maintenance of written affirmative action plans, retention and access of records, special procedures for resolving contractual disputes, listing employment openings with state employment services, and termination of the contract for default or for the convenience of the government. You should carefully review these requirements with your own attorney before entering into any government contracts.~~

Fahrad Salari Lak, Lock Bakeries, Incorporated and F and J Holdings, Inc. v. Dunkin' Donuts Franchising LLC, et al., (Case No. GD 09 13755), Court of Common Pleas of Allegheny County, Pennsylvania, filed on September 28, 2011. This dispute involves contracts to supply bakery products to a Dunkin' network of restaurants in the Pittsburgh market. ~~Plaintiff claims~~ Fahrad Salari Lak, Lock Bakeries, Incorporated and F and J Holdings, Inc. (the "Fahrad Plaintiffs") claim that, on December 31, 2006, ~~Dunkin' defendants~~ entered into an Approved Bakery Manufacturers Agreement with Pittsburgh Baker's Dozen for a kitchen to the west of the city and with plaintiff, Fahrad Salari Lak, for a kitchen to be developed to the east of the city making up the Pittsburgh Supply Plan. Fahrad Plaintiffs claim that they invested hundreds of thousands of dollars to develop both kitchens. Fahrad Plaintiffs also claim that Pittsburgh Baker's Dozen ran into financial difficulties and that ~~Dunkin' defendants~~ encouraged them to take over the eastern bakery ownership. No written agreements were entered into in connection with

these activities. [Fahrad](#) Plaintiffs claim that they acted upon promises and assurances by ~~Dunkin' and the other~~ defendants that they would be supplying donuts for Dunkin' franchisees under the Pittsburgh Supply Plan. [Fahrad](#) Plaintiffs claim that, at some point, Dunkin' advised them that it had approved a "new option" for defendant Heartland that would allow it to purchase unfinished "frozen pre-fried" donuts instead of fresh baked donuts. [Fahrad](#) Plaintiffs further assert that Dunkin', knowing of [Fahrad](#) Plaintiffs' reliance on Dunkin's promises to them, inquired as to what damages they had incurred as a result of their reliance upon the continued assurances that they would be supplying fresh baked products and other goods to Heartland's stores. At that point, [Fahrad](#) Plaintiffs ceased development of the eastern bakery, did not continue with the purchase on the western bakery premises, and filed this lawsuit. Claims as to Dunkin' are promissory estoppel and fraud. However, the trial court granted Dunkin's motion for summary judgment, striking [Fahrad](#) Plaintiffs' damage claims for lost profits from the bakery and limiting any potential recovery to out of pocket expenses and lost business opportunities. Discovery in this case is ongoing and no trial date has been set. [Defendants deny the claims alleged by Fahrad Plaintiffs and intend to vigorously defend the case.](#)

~~Priti ShettyHabiba Benatti et al. v. Dunkin' Donuts Franchised Restaurants LLC, et al., (Case No. 3:15-cv-02664), U. S. District Court for the District of New Jersey, filed on February 17, 2015. Plaintiff, a former Dunkin' franchisee, and two business partners entered into a Store Development Agreement with the franchisor in 2003 for three potential locations in New Jersey. They opened their first store in 2004 and a second location in 2005. Plaintiff claims that Dunkin' unfairly turned down her efforts to open a third franchise. After one of her partners dropped out of the business, plaintiff and her remaining partner sold both of her open Dunkin' franchises in March 2010. When those locations were abandoned by the new owner in December 2010, plaintiff requested and was denied permission by Dunkin' to take over and resume operations at the two closed franchises. Based on these allegations, plaintiff raised a civil rights claim against Dunkin' under 28 U.S.C. § 1981, as well as claims under the New Jersey Law Against Discrimination, tortious interference with prospective economic advantage, defamation, libel, slander, and unjust enrichment. Plaintiff's civil rights claims are based on the allegation that franchisor discriminates against Asian Indian women. On December 11, 2015, the trial court granted Dunkin's motion to dismiss plaintiff's claims under the New Jersey Law Against Discrimination, for tortious interference with prospective economic advantage, defamation, libel, slander, and unjust enrichment. The case was settled on February 23, 2017, with the entire settlement amount paid by Dunkin's insurance carrier and with no admission of liability by Dunkin', et al. (Superior Court of New Jersey Law Division: Bergen County, Case No. BER-L-002194-22, filed April 19, 2023). [Bartosz Grabowski v. Dunkin’ Brands, Inc., \(Case No. 1:17-cv-05069\) U.S. District Court for the Northern District of Illinois, filed on July 9, 2017. The ~~Complaint~~\[complaint\]\(#\) in this putative class action lawsuit alleged that the ~~Company~~\[Dunkin’ Brands\]\(#\) engaged in deceptive practices with respect to its blueberry donut products by allegedly trying to convince consumers that ~~the certain~~ products ~~contain real blueberries. The products specifically mentioned by the Complaint were~~\(such as the “Glazed Blueberry” donut and munchkin, the “Blueberry Butternut Donut,” and the “Blueberry Crumb Cake Donut.”~~The Complaint~~\) ~~contain real blueberries. The complaint~~ claimed that Dunkin’ \[Brands\]\(#\) engaged in fraud by \(1\) using the word “blueberry” in the product names; \(2\) using imitation blueberries on both the inside and outside of the product that were “specifically made to resemble actual blueberries or pieces of actual blueberry due to their blue color and round shape”; and \(3\) charging consumers a “premium price” for blueberry donuts which, the ~~Complaint~~\[complaint\]\(#\) alleges, are “uniformly priced higher than other donuts on the Dunkin’ menu such as the Glazed Donut.” As a result, the ~~Complaint~~\[complaint\]\(#\) contended that consumers reasonably expect these products to contain actual blueberries and, therefore, the use of the word “blueberry” as a product description at franchises and in marketing is misleading. The legal claims brought against Dunkin’ \[Brands\]\(#\) in this case were: \(1\) violation of the Illinois Consumer Fraud and Deceptive Business Practices Act; \(2\) common law fraud; \(3\) intentional misrepresentation; \(4\) negligent](#)

Generally, C&B Respondent alleged that Dunkin' misrepresented the viability and success of its franchise system in Europe, made inaccurate representations as to the financial performance C&B Respondent could expect its shops to achieve, did not provide adequate support to C&B Respondent, and reneged on a promise to forgive or reduce C&B's ~~B Respondent's~~ debts. In addition, C&B Respondent claimed that, despite an unambiguous merger clause in the MFA, Dunkin' orally promised that C&B Respondent did not have to pay royalty fees until it became profitable. C&B Respondent sought damages in excess of \$8 million, rescission of the MFA, and an award of its costs and attorneys' fees. with smaller franchisees with respect to development matters. ~~The Company~~Defendants denied the allegations set forth in the ~~Complaint~~complaint. On ~~November 27~~July 23, 2018~~2020~~, the parties agreed to settle all of their claims without any admission of liability on ~~Dunkin's~~defendants part and the matter is now closed.

The People of the State of California v. Dunkin' Brands, Inc., (Case No. ~~E2563661819~~STCV09597), California Superior Court, Los Angeles County, filed on March 19, 2019. On March 14, 2019, ~~the Company~~Dunkin' Brands entered into a settlement agreement with the Attorneys General of thirteen states and jurisdictions concerning the inclusion of "no-poaching" provisions in Dunkin' franchise agreements. The settling states and jurisdictions included California, Illinois, Iowa, Maryland, Massachusetts, New Jersey, New York, North Carolina, Pennsylvania, Rhode Island, Vermont, and the District of Columbia. A small number of franchise agreements in the Dunkin' system prohibit Dunkin' franchisees from hiring the employees of other Dunkin' franchisees or Dunkin's own employees. A larger number of franchise agreements in the Dunkin' system contain a no-poaching provision that prevents Dunkin' franchisees and Dunkin' from hiring each other's employees. Under the terms of the settlement, Dunkin' Brands agreed not to enforce either version of the no-poaching provision or assist Dunkin's franchisees in enforcing such a provision. In addition, Dunkin' Brands agreed to seek the amendment of 128 franchise agreements that contain a no-poaching provision that bars a franchisee from hiring the employees of another Dunkin' franchisee. The effect of the amendment would be to remove the no-poaching provision. ²~~Dunkin'~~ Brands expressly denied in the settlement agreement that it had engaged in any conduct that had violated state or federal law, and, furthermore, ~~that~~ the settlement agreement stated that such agreement should not be construed as an admission of law, fact, liability, misconduct, or wrongdoing on the part of ~~the Company~~Dunkin' Brands. The Attorney General of the State of California filed the above-reference lawsuit in order to place the settlement agreement in the public record and the action was closed after the court approved the parties' stipulation of judgment.

The NY State Attorney General ("NYAG") filed a lawsuit against Dunkin' Brands related to credential stuffing attacks during 2015 and 2018 on a database that contained information for DD Perks members and individuals who had registered a Dunkin' gift card. The NYAG alleged that Dunkin' was notified by its firewall vendor that over 19,000 Dunkin' mobile customer accounts had been accessed by unauthorized parties over a sample five-day period and the vendor had identified nearly \$40,000 associated with those accounts. The NYAG claimed that attacks resulted in unlawful account acquisition by non-account owners and thus triggered an obligation by Dunkin' Brands under New York law to notify these customers. The NYAG also alleged that Dunkin' Brands failed to adequately investigate the 2015 attacks and that ~~Dunkin's~~Dunkin' Brands Customer Service Department misled customers about it. With respect to the 2018 attacks, the NYAG claimed that ~~Dunkin's~~Dunkin' Brands notification to customers did not adequately disclose that their accounts had been accessed without authorization. The NYAG also contended that Dunkin' Brands misrepresented its data security practices and procedures in its Privacy Policy to consumers. The statutory claims raised by the NYAG against ~~the Company~~Dunkin' Brands included: (1) GBL § 349, which prohibits deceptive acts and practices in the conduct of any business, trade, or commerce or in the furnishing of any service in New York; (2) GBL § 350, which prohibits false advertising in the conduct of any business, trade, or commerce or in the furnishing of any service in New York; and (3) GBL § 899-aa, which requires that businesses disclose a breach of security to all New York State residents whose private information was, or is reasonably believed to have been, acquired without valid authorization. On September 22, 2020, the parties entered into a settlement under which Dunkin' Brands agreed to communicate with certain DD Perks customers who lived in New York, to take certain data security measures and adopt certain investigative procedures regarding data security issues and pay the New York Attorney General's Office \$650,000 in penalties and costs. Affiliate Litigation

The following affiliates who offer franchises resolved actions brought against them with settlements that involved their becoming subject to currently effective injunctive or restrictive orders or decrees. None of these actions have any impact on us or our brand nor allege any unlawful conduct by us.

The People of the State of California v. Arby's Restaurant Group, Inc. (California Superior Court, Los Angeles County, Case No. 19STCV09397, filed March 19, 2019). On March 11, 2019, our affiliate ARG entered into a settlement agreement with the states of Massachusetts, California, Illinois, Iowa, Maryland, Minnesota, New Jersey, New York, North Carolina, Oregon and Pennsylvania. The Attorneys General in these states sought information from ARG on its use of franchise agreement provisions prohibiting the franchisor and franchisees from soliciting or employing each other's employees. The states alleged that the use of these provisions violated the states' antitrust, unfair competition, unfair or deceptive acts or practices, consumer protection and other state laws. ARG expressly denies these conclusions but decided to enter into the settlement agreement to avoid litigation with the states. Under the settlement agreement ARG paid no money but agreed (a) to remove the disputed provision from its franchise agreements (which it had already done); (b) not to enforce the disputed provision in existing agreements or to intervene in any action by the Attorneys General if a franchisee seeks to enforce the provision; (c) to seek amendments of the existing franchise agreements in the applicable states to remove the disputed provision from the agreements; and (d) to post a notice and ask franchisees to post a notice to employees about the disputed provision. The applicable states instituted actions in their courts to enforce the settlement agreement through Final Judgments and Orders, Assurances of Discontinuance, Assurances of Voluntary Compliance, and similar methods.

Notes to IFF:

- ~~We anticipate the DMAs listed in each Development Area Type will change in 2024.~~
- ~~In our fiscal year ending December 31, 2022, the IFF paid by our franchisees ranged from \$0 to \$90,000 based on factors such as Development Area Type and other factors listed below.~~
- ~~SDO Development: Except for SDOs developed under the SDO Development Incentive and except for the locations located at Gas & Convenience Restaurants and certain self Serve Restaurants, the IFF for all SDO Restaurants is 50% of the applicable standard IFF stated above and pro-rated by the length of the term. For example, the IFF due and payable to us at the time you sign your FA will be \$22,500 if the term of the FA is for 10 years and the Restaurant is in Development Area Type 1 (\$90,000 standard IFF). The term for SDO Restaurants is sold in one year increments to meet the distinctive requirements of each location and the term is not transferable.~~
- ~~Gas & Convenience Restaurants: The IFF for Gas & Convenience Restaurants (except for Self Serve Gas & Convenience Restaurants), is the standard IFF in each Development Area Type stated above, pro-rated by the length of the term. Self Serve Restaurants in Gas & Convenience Restaurants pay 50% of the standard IFF in each Development Area Type stated above and then pro-rated by the length of the term.~~
- ~~Combo Restaurants: If we approve your addition of a Baskin Robbins restaurant to your Restaurant, you will pay to our affiliate, BR, \$10,000 for a 20 year term Baskin Robbins~~

~~franchise and you will need to sign a Combo FA. We may have special incentive offers which reduce or waive the Baskin Robbins IFF. These special incentives may be offered to existing and/or new franchisees. You will be notified by us in advance, in writing if any reduced fees are available to you. These reduced fees only apply to franchisees who are in compliance with all of our agreements and requirements.~~

- ~~• **SDAs:** In some geographic regions, SDAs will only be offered to candidates who commit to a minimum number of Restaurants. If you are purchasing an SDA, we may offer a payment schedule instead of requiring full payment upon signing. If you are on a payment schedule for a multiple Restaurant SDA, IFFs are payable in full even if you do not open all your required Restaurants. If you do not remain current on your Development Schedule or otherwise default under the terms of the SDA, it may result in termination of the SDA and acceleration of all remaining fees due under the SDA. If you are offered a payment schedule, you will typically be required to make an initial payment upon execution of the SDA and subsequent payments may be based on certain SDA milestone dates (for example, the Required Control Date). For a franchise granted for a new Restaurant that is not part of an SDA, you must pay the entire IFF when you sign the FA.~~

Note 1. General Terms. Unless otherwise stated, all fees are imposed by, paid to, and collected by us and are non-refundable. Except as specified below, all fees are uniformly applied to franchisees, however, we may waive or reduce some or all these fees for a particular franchisee in instances where we, in our sole discretion, decide it is appropriate to do so.

~~1.A. For Restaurants you develop under an SDA, you will sign the then-current form of FA. Your fees will be as described in your SDA.~~

~~1.B.~~ “Gross Sales” means all revenue related to the sale of approved products and provision of services (including but not limited to direct delivery, catering and/or delivery services through third parties) through the operation of the Restaurant, but does not include money received for the sale of stored value cards and deposited into a central account maintained for the benefit of the System; taxes collected from guests on behalf of a governmental body; or the sale of approved products to another entity franchised or licensed by us for subsequent resale.

Additionally, we may offer incentives in certain markets, such as new or developing markets, which include reduced CFFs or CAFs. Reduced fees only apply to franchisees who are in compliance with all of our agreements and requirements, and failure to meet an SDA development schedule may void any fee reduction. We may cancel or modify any incentive program at any time. Franchisees who are offered the opportunity to participate in an incentive program may take advantage of the benefit of only one incentive program.~~

You agree to participate in our program or procedure that we periodically specify for Gross Sales reporting and payment of fees that are due, whether it is electronic fund transfer or some successor program, in accordance with our Standards. In no event will you be required to pay any sums before the date they are due, as described above. If any tax or other fee (other than federal or state income tax based on our income) is imposed on us by any governmental agency due to our receipt of fees or other amounts that you pay to us under this Agreement, then you agree to pay us the amount of such tax or other fee as an additional Continuing Franchise Fee.

Note 2. 2. Restaurants and Combo Restaurants: The Continuing Franchise Fee. Unless you qualify for an incentive, the CFF for new Restaurants is 5.9% of Gross Sales, ~~unless you qualify for one of the following incentives.~~

~~General Terms and conditions of the CFF incentives: For the reduced CFF rates to apply under the incentives: (1) of the Select Developing Markets and Go West Incentive Programs. Under the SDM and Go West Incentive programs, if you open the Restaurant must begin operations in compliance with the terms and conditions of the SDA and applicable Franchise Agreement on or before the Required Opening Date listed on Exhibit B to the SDA or within 18 months from the date of the Conditional Real Estate Site Approval Letter; (2) you must (and, if applicable, the Store Development Agreement), submit all development costs to us within 120 days of opening Restaurant, and build the Restaurant in the design, to the specifications, and at the location we approve; and (3) you must provide us with a report, in the format and containing the information that we reasonably specify, identifying the amounts that you spent in various categories relating to the development and opening of the Restaurant within 120 days after the Restaurant first opens for business. If you do not satisfy these and other conditions set forth in any offer or addendum, then our standard CFF rate of 5.9% of Gross Sales may apply. We may cancel or modify any incentive program at any time. Franchisees who are offered the opportunity to participate in an incentive program may take advantage of the benefit of only one incentive program, then you will pay the reduced CFF described above.~~

~~3. We will require you to pay us by electronic funds transfer ("EFT"). You must provide us all the bank and other forms we need to set up or change EFT authorization. We will also require you to report your Gross Sales electronically over the Internet or other electronic means, as we may determine. For each week that you do so, and authorize EFT payment of the corresponding weekly fees, we will deduct the fees from your bank account. You must have computer equipment capable of accessing and using the electronic form. We reserve the right, whether due to system failure or otherwise in our sole discretion, to withdraw the electronic form and designate another form and procedure that you will be required to follow.~~

~~4. If your state, or any governmental body in your state, charges a tax on the royalty we receive from you, then you are required to pay an additional earned service fee and royalty equal, in our discretion, to the amount of this tax. This does not apply to any federal or income taxes we must pay.~~

~~5.A Restaurants and Combo Restaurants: The CAF for new Restaurants is 5.0% of Gross Sales, unless you qualify for one of the following incentives.~~

~~New England Incentive. The "New England Incentive" program is designed to increase development in the New England Markets and incentivize development with the Other Franchisors. The "New England Markets" currently includes the following states: Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island, and Vermont.~~

~~You may qualify for the New England Incentive program if you agree to develop and operate one Restaurant in the New England Markets and you (or your affiliate) simultaneously sign a development agreement with one or more Other Franchisor(s) to develop and operate in the~~

New England Markets: (a) at least 2 Sonic® restaurants, (b) at least 2 Arby's® restaurants, (c) at least 5 Jimmy John's® restaurants, and/or (d) at least 5 BWW GO® restaurants. Under the New England Incentive program, if you open the Restaurant in accordance with the terms of the Franchise Agreement, submit all development costs to us within 120 days of opening Restaurant, and build the Restaurant in the design, to the specifications, and at the location we approve, then the Restaurant will receive the Select Developing Incentive.

General Terms for Select Developing Markets, Go West Incentive, and New England Incentives: If you fail to satisfy any of the applicable conditions, then, without limiting our other rights and remedies (including the right to terminate the Franchise Agreement and/or Store Development Agreement), the SDM, Go West Incentive, and New England Incentive programs will not apply to the Restaurant(s). The SDM, Go West Incentive, and New England Incentive programs do not apply to franchisees signing new Franchise Agreements to renew their expiring franchises or to develop and operate the Restaurant from an SDO location, as a relocation or replacement of an existing or closed Restaurant, or as part of a transfer or acquisition of an existing Restaurant. In the future, we may modify or eliminate any of our incentive programs.

Early Opening Incentive: The “Early Opening Incentive” is designed to incentivize franchisees to develop and commence operations of their Dunkin’ Restaurants before the required opening date identified in their Franchise Agreement (and, if applicable, the Store Development Agreement). Under the Early Opening Incentive, if you open the Restaurant before the required opening date identified in the Franchise Agreement (or, if applicable, the Store Development Agreement), submit all development costs to us within 120 days of opening the Restaurant, build the Restaurant in the design, to the specifications, and at the location we approve, and otherwise are in compliance with the terms of the Franchise Agreement (and, if applicable, the Store Development Agreement), then we will charge 0% royalty from the date you open and commence operations of the Restaurant until the required opening date identified in the Franchise Agreement (and, if applicable, the Store Development Agreement), up to 12 months, then the applicable incentive rate will apply (if any). You may combine the Early Opening Incentive with our other incentive programs described in Item 6.

VetFran Program: The “VetFran Program” is designed to provide career opportunities for honorably discharged military veterans or wounded warriors. It applies if you are a veteran or returning service member (who has not previously signed, or had an affiliate that signed, a Store Development Agreement or Franchise Agreement with us) who qualifies and signs a Franchise Agreement to develop one Dunkin’ Restaurant or a Store Development Agreement to develop multiple Dunkin’ Restaurants. Under the VetFran Program, if you open the Restaurant in compliance with the Franchise Agreement (and, if applicable, the Store Development Agreement), submit all development costs to us within 120 days of opening the Restaurant, and build the Restaurant in the design, to the specifications, and at the location we approve, then we will provide you a royalty credit equal to \$10,000 for each Restaurant you develop and open in accordance with the terms of the Franchise Agreement (and, if applicable, the Store Development Agreement), up to \$100,000. You may combine the VetFran Program with our other incentive programs described in Item 6.

General Terms for Early Opening Incentive and VetFran Program: If you fail to satisfy any of the applicable conditions, then, without limiting our other rights and remedies (including the right to terminate the Franchise Agreement and/or Store Development Agreement), the Early Opening Incentive and/or VetFran Program will not apply to the Restaurant(s). The Early Opening Incentive and VetFran Program do not apply to franchisees signing new Franchise

Agreements to renew their expiring franchises or to develop and operate the Restaurant at an SDO Location, as a relocation or replacement of an existing or closed Dunkin' Restaurant, or as part of a transfer or acquisition of an existing Dunkin' Restaurant.

Note 3. Continuing Advertising Fee. Unless you qualify for an incentive, the CAF for new Dunkin' Restaurants is 5.0% of Gross Sales and the CAF for Dunkin' Restaurants operating at SDO locations is 2.5% of Gross Sales.

Select Developing Markets Terms: If you ~~sign a Franchise Agreement or SDA on or before March 31, 2024 to develop one or more traditional Dunkin' Restaurants in certain Select Developing Markets that we identify, and you satisfy the terms and conditions described below~~qualify for the Select Development Markets incentive program, then the CAF will be as follows:

~~Month 13 to Month 24~~ <u>Year 2</u>	3.0%
~~Month 25 to Month 36~~ <u>Year 3</u>	4.0%
~~Month 37 and~~ <u>Year 4 through</u> remainder of the term	5.0%

Go West Incentive: If you ~~sign a Franchise Agreement or SDA on or before March 31, 2024 to develop one or more traditional Dunkin' Restaurants located west of the Mississippi River, and you satisfy the terms and conditions described below~~qualify for the Go West Incentive program, then the CAF will be as follows:

For Restaurants that open on or before December 31, 2026	
Duration of Effective CAF	Effective CAF
~~From Opening to Month 60~~ <u>through Year 5</u>	2.4%
~~Month 61~~ <u>Year 6 to Month 96</u> <u>Year 8</u>	3.4%
~~Month 98 and~~ <u>Year 9 through</u> remainder of the term	5.0%

For Restaurants that open after December 31, 2026	
Duration of Effective CAF	Effective CAF
From Opening to Month 12	2.0%
Month 13 to Month 24	3.0%
Month 25 to Month 36	4.0%
Month 37 and remainder of the term	5.0%

We describe the conditions to qualify for the Select Developing Markets and Go West Incentive programs in Note 2 above.

~~Terms and conditions of the CAF incentives: For the reduced CAF rates to apply under the incentives: (1) the Restaurant must begin operations in compliance with the terms and conditions of the SDA and applicable Franchise Agreement on or before the Required Opening Date listed on Exhibit B to the SDA or within 18 months from the date of the Conditional Real Estate Site Approval Letter; (2) you must build the Restaurant in the design, to the specifications, and at the location we approve; and (2) you must provide us with a report, in the format and containing the~~

~~information that we reasonably specify, identifying the amounts that you spent in various categories relating to the development and opening of the Restaurant within 120 days after the Restaurant first opens for business. If you do not satisfy these and other conditions set forth in any offer or addendum, then our standard CAF rate of 5.0% of Gross Sales may apply. We may cancel or modify any incentive program at any time. Franchisees who are offered the opportunity to participate in an incentive program may take advantage of the benefit of only one incentive program.~~

- 5.B ~~You must participate in marketing, advertising, and other programs and pay increased CAFs supported by the votes of two-thirds of the Restaurants in the market in which your Restaurant(s) is located with respect to local programs, and in the Continental United States, with respect to national programs.~~

~~Other areas may also have higher CAFs. Voting can be either one vote per franchisee or one vote per Restaurant, usually determined according to the practices of the Restaurant's local Ad Council (see Item 11), unless we decide otherwise. We have the right to designate or change the composition of Restaurants to be included in the local market base for purposes of compiling votes. We usually do not vote unless we operate one or more Restaurants in the DMA, and we usually follow the practices of the local Ad Council. Once approved, such programs typically continue for a specified duration. A new Restaurant is required to support existing programs, even if adding the new Restaurant might alter the vote as taken at the time of the programs' inception.~~

Note 4. ~~6.~~ ~~Beginning in August 2022 for Dunkin' Restaurants in California, and in October 2022 for all other Dunkin' Restaurants nationwide, Dunkin' Restaurants~~Loyalty Program Contribution Payment. Your Dunkin' Restaurant must participate in our and our affiliates' ~~newly launched~~ consumer loyalty program (the "Loyalty Program"). ~~All Dunkin' Restaurants in the United States must participate in the Loyalty Program, excluding Dunkin' Restaurants that we determine do not have compatible technology.~~

You must enter into the Loyalty Program Participation Agreement attached to this ~~disclosure document~~FDD as ~~Exhibit NJ~~ when you sign the Franchise Agreement. Under the Loyalty Program Participation Agreement, you must contribute the Loyalty Program Contribution Payment ("LCP") to the Loyalty Program fund (the "Loyalty Fund"). The LCP contribution percentage (the "LCP Rate") will vary based on when the Loyalty Program Sales accrue:

Year/Period Loyalty Program Sales Accrue (based on our fiscal years)	LCP Rate Maximum
August 2022 through 2024	1.6% of Loyalty Program Sales
2025 through 2026	1.4% of Loyalty Program Sales
2027 and beyond	1.2% of Loyalty Program Sales

"Loyalty Program Sales" means Gross Sales to Loyalty Program members for in-store sales of eligible products at the Restaurant. We and our affiliates will periodically determine product eligibility based on our and our affiliates arrangement with the Dunkin' Brand Advisory Council ("BAC").

When a Loyalty Program member redeems rewards at the Restaurant, you will receive a reimbursement from the Loyalty Fund equal to the National Average Product Cost (including packaging and paper) (the "NAPC") for the redeemed item. We will reimburse you by ACH

transfer on a weekly basis for reward redemptions at the Restaurant based on the NAPC for each item. You must pay any taxes due on the reimbursements made to you under the Loyalty Program. We, our affiliates and the BAC will periodically determine the NAPC for each product. We or our affiliate will develop new reports to allow you to track your Loyalty Program Sales, redemptions and reimbursement payments.

We and our affiliates will administer the Loyalty Fund and have the right to establish, implement and change any Loyalty Program terms and conditions upon reasonable notice to you, provided that certain changes are subject to BAC approval, such as lowering redemption point amounts, adding new redemption categories, or adding or removing membership tiers.

We will use the LCPs deposited into the Loyalty Fund to advance the Loyalty Program only and not for general or administrative expenses, such as our headcount. We or our affiliate will provide a loan to the Loyalty Fund, which we anticipate to be approximately \$3 million, to cover the expected initial shortfall of LCPs, which we plan to repay from available Loyalty Fund assets over time (without interest). The Loyalty Fund will be kept in a segregated interest-bearing bank account. Any excess amounts in the Loyalty Fund at the end of any calendar year will be rolled forward into the next calendar year. An independent, third-party accountant will audit the Loyalty Fund annually.

~~7. If you have not operated the Restaurant for at least three full years before an asset or stock transfer occurs, you will pay the transfer fee noted in the applicable chart below, plus \$12,500 for a Dunkin' restaurant or \$20,000 for Combo Restaurant. When a franchisee sells a Restaurant to another franchisee, we do not allow the seller and buyer to enter into their own non-competition covenant outside the terms of the FA.~~

~~If the transfer occurs after the third year of operation, you will pay the transfer fee noted below. We reserve the right to select another period, or to make appropriate adjustments to such Gross Sales, if extraordinary occurrences (e.g., road construction, fire, or other casualty, etc.) materially affected the Restaurant's sales during the trailing 12 month period. If we elect to purchase the Restaurant by exercising our right of first refusal, the seller must still pay us the required transfer fee.~~

~~Dunkin' only:~~

Note 5. Relocation Fee. If you are signing a Franchise Agreement to relocate the premises of your Restaurant, you must sign our then-current form of Franchise Agreement and pay us a relocation fee at the time you sign the Franchise Agreement. The relocation fee will be the IFF for the DMA where the relocation Premises are located, less an amount corresponding to the amount of term under the original franchise agreement. For example, if the franchise agreement for the original premises has 3 years left on the term, then you would sign a franchise agreement for the relocated Premises with a 20 year term and the IFF would be reduced such that you would only pay for 17 years.

Note 6. Franchise Transfer Fee. The term "transfer," whether or not capitalized, includes any voluntary, involuntary, direct or indirect assignment, sale, gift or other disposition and includes the following events, whether they impact you (or your Owners) directly or indirectly: (a) transfer of record or beneficial ownership of any direct or indirect ownership interest in you or the right to receive all or a portion of your profits or losses or any capital appreciation relating to you or the Restaurant (whether directly or indirectly); (b) a merger, consolidation or exchange of ownership interests, or issuance of additional ownership interests or securities representing or potentially representing ownership interests, or a redemption of ownership

interests; (c) any sale or exchange of voting interests or securities convertible to voting interests, or any management agreement or other arrangement granting the right to exercise or control the exercise of the voting rights of any Owner or to control your or the Restaurant's operations or affairs; (d) transfer in a divorce, insolvency or entity dissolution proceeding, or otherwise by operation of law, or by will, declaration of or transfer in trust, or under the laws of intestate succession; or (e) foreclosure upon or attachment or seizure of the Restaurant, any of its Operating Assets, or any direct or indirect ownership interest in you; or (f) transfer, surrender or loss of the possession, control or management of all or any material portion of the Restaurant (or its operation) or you.

A "Controlling Ownership Interest" in you (if you are an entity) means any transfer, or any series of transfers (regardless of the time period during which they take place), that results in any individual or entity (together with its affiliates), directly or indirectly acquiring or coming into possession or control of either (1) fifty percent (50%) or more of the direct or indirect ownership interests in you, or (2) any ownership interest or other direct or indirect right or interest in you that provides the right, power or authority to direct and control your management and policies, in either case, who did not own, possess or control such interest as of the Effective Date. A "Non-Controlling Ownership Interest" in you (if you are an entity) means the transfer or creation of any direct or indirect ownership interest in you that is not a Controlling Ownership Interest.

At transfer, you must pay us a transfer equal to \$12,500 (if you have not operated the Dunkin' Restaurant for at least 3 years), or \$12,500 plus the amount calculated in accordance with the chart below (if you haven operated the Dunkin' Restaurant 3 years or longer):

Gross Sales for Trailing 12 Month Period	Transfer Fee
Less than \$400,000	\$5,000
\$400,000 or more, but less than \$600,000	\$6,000
\$600,000 or more, but less than \$1,000,000	\$8,000
\$1,000,000 or more, but less than \$1,400,000	\$12,000
\$1,400,000 or more	\$20,000

Combo Restaurant:

At transfer, you must pay us a transfer equal to \$20,000 (if you have not operated the Dunkin' Restaurant for at least 3 years), or \$20,000 plus the amount calculated in accordance with the chart below (if you haven operated the Dunkin' Restaurant 3 years or longer):

Gross Sales for the Trailing 12 Month Period	Transfer Fee
Less than \$400,000	\$12,500
\$400,000 or more, but less than \$600,000	\$13,500
\$600,000 or more, but less than \$1,000,000	\$15,500
\$1,000,000 or more, but less than \$1,400,000	\$19,500
\$1,400,000 or more	\$27,500

If we elect to exercise our right of first refusal to purchase the Restaurant, you must still pay us the required transfer fee.

Note 7. Fixed Documentation Fee. In lieu of the Transfer Fee described in Note 6 above, we will only charge the then-current Fixed Documentation Fee for (a) a transfer of a Non-Controlling Ownership Interest; (b) any transaction in which the direct or indirect ownership interests in you are transferred to the spouse or children of any of the individuals who are Owners as of the

Effective Date; (c) if an Owner who dies or becomes mentally incapacitated transfers all of their direct or indirect ownership interests in you to beneficiaries or heirs.

~~8. Instead of the transfer fee above, we will only charge the applicable then-current Fixed Documentation Fee for (a) a transfer of interest that does not result in a Change of Control (as defined below), (b) if any of the interests transfer to the spouse(s) or children of the original signatories, or (c) if all the interests transfer to beneficiaries or heirs of an owner who dies or becomes mentally incapacitated. The Fixed Documentation Fee for transfers is currently \$2,000 per Restaurant. There will be an additional fee of \$2,000 for each transferee that is not previously approved or that needs to be re-approved. The FA issued to you and your new shareholders, your spouse and/or children, will be the form of FA that we are then offering at the time of transfer (including among other things the then-current transfer fee provision).~~

~~“Change of Control” means either (i) a transfer of majority interest from an original signatory to another, or (ii) any transaction or series of transactions that, either alone or together with other previous, simultaneous, or other proposed transfers, whether related or unrelated, will have the result of the original signatories holding an aggregate of less than 50% of all interests in the franchisee (reference to “interests” includes direct, indirect, or beneficial interests). For the avoidance of doubt, for any transfer under part (i) above that results in a Change of Control, then the transfer fees required under Sections 13.2.1 and 13.2.2 of the FA, as applicable, will apply.~~

~~9. The requirements for transfers of an SDA are the same as those for transfers of franchises. The \$10,000 SDA transfer fee is due and payable for a transfer of interest that results in a Change of Control (as defined in the paragraph above) and in addition to the transfer fees for operating Restaurants that may be part of the same transaction. Instead of the transfer fee, we will only charge our then-current Fixed Documentation Fee if the original signatories to the SDA retain more than 50% of the shares after the transfer, or if any of the interests transfer to the spouse(s) or children of the original signatories or if all the interests transfer to beneficiaries or heirs of an owner who dies or becomes mentally incapacitated. The Fixed Documentation Fees for transfers is currently \$2,000. There will be an additional fee of \$2,000 per transferee if not previously approved or needs to be re-approved.~~

Note 8. ~~10. Lease Costs.~~ If you lease the premises from ~~us or one of our wholly-owned affiliates,~~ then you will pay ~~us (or our wholly-owned affiliate)~~ affiliates a monthly the fixed rent set forth in your lease. You may also pay us percentage rent regardless of whether the prime lease requires percentage rent. The amount of percentage rent varies and will be set forth in your lease. Our ~~leases are customarily “affiliates typically use a net-net-net” leases~~ lease, which means you must pay all related costs of occupancy such as real estate taxes, insurance, ~~all~~ maintenance and repair costs, utilities, common area maintenance charges, and other costs.

Note 9. **Multi-Brand Locations.** If we and one or more Other Franchisors grant you the right to open and operate a Dunkin’ Restaurant and Other Restaurant(s) at a Multi-Brand Location, you must pay all ongoing fees due under each applicable Other Franchisor’s franchise agreement or license agreement in addition to the ongoing fees described in this Item.

~~If you lease the premises from a third party and we guaranty your lease obligations to your landlord, you will sign our standard form of Lease Guaranty Fee Agreement and you will pay us a lease guaranty fee which will vary based on a number of factors. We may require the lease guaranty fee payment to be a one-time up-front payment, annuity, or another structure.~~

~~11. You also will have to pay other fees to other parties (such as landlords, vendors, contractors for remodeling and refurbishing, governmental agencies, utilities, communications companies, etc.)~~

~~in connection with your business operations. If you are buying an existing Restaurant, you may be required to pay the costs of a third party (such as a title company) to assist with the processing of documents. You may be required to pay this third party directly or reimburse us if we incur the cost.~~

A Shopping Center or Storefront Restaurant is a Dunkin' Restaurant that shares one or more common walls with third parties. A Shopping Center/Storefront Restaurant could be an anchor or endcap location, inline location, or a location in a high density, multiple level construction (typically urban/downtown office building setting) and sharing common wall and ceiling/floor construction with any third party.

Notes to Tables 7a, 7b, 7c, and 7d

~~1. **Initial Investments Costs:** Your initial investment for a new Restaurant depends primarily upon: (1) the number of Restaurants you acquire and/or develop; (2) their size; (3) their configuration; (4) their location; (5) who develops the real estate for and/or constructs them; and (6) the amount and terms of financing. The initial funds required must be estimated since most costs are not within our control and may change at frequent intervals. These figures are estimates only and we cannot and do not guarantee that your costs will fall within the stated ranges. These estimated ranges are based on our experience and information provided by franchisees. Costs are constantly changing, and your costs may be higher. You should diligently investigate all potential costs before proceeding.~~

1. ~~2a.~~ **Building & Site Development Costs:** Building costs include the cost to construct a building, but does not include the cost to purchase the real estate. We estimate that ~~a freestanding building~~ it will cost approximately \$83 - \$566 per square foot (estimating 750 - 3100 square feet). ~~We estimate that a Shopping Center/Storefront to develop a Dunkin' Restaurant at a freestanding building will cost,~~ approximately \$59 - \$378 per square foot (estimating 600 - 2,800 square feet). ~~We estimate that a Gas/Convenience building will cost to develop a Dunkin' Restaurant at a Shopping Center/Storefront building, and approximately~~ \$56 - \$340 per square foot (estimating 600 - 2,300 square feet). ~~We estimate a SDO building will cost \$66 - \$523 per square foot (estimating 250 square feet of sales/service area and approximately 280 square feet of support area on average) to develop a Gas & Convenience Restaurant.~~ Building costs vary by geographic

location. Site development costs include the costs to develop the land and other site improvements, ~~including such as~~ exterior landscaping, electrical and water hookup, paving, sidewalks, lighting, ~~etc~~ and more. Some local governments may charge an additional amount for utility connections to offset their costs for maintaining water and sewer plants, ~~and~~ these amounts are not included in the above figure. Costs ~~can~~ may be higher if soil problems or other environmental issues are encountered. These ranges do not include unusual costs to bring utilities to the property for hookup or government imposed "impact fees" ~~(see Note 7)~~. Buildings that have a drive-thru window tend to cost more to build and take longer to build than Restaurants without a drive-thru window due to permitting, design and other factors.

The low end of the range above is the estimated cost for you to negotiate a build-to-suit lease in which the landlord incurs most development costs, and you make a lease deposit. These estimates are based on our experience and information provided by franchisees.

~~Your rent will likely~~ Rent may be based on development costs and reflect a rate of return on the landlord's initial investment, as well as other factors. Commercial leases are typically ~~"triple net"~~ net-net-net leases, requiring you to pay rent, all taxes, insurance, maintenance, repairs, common area maintenance costs, merchants' association fees and all other costs associated with the property. Rent ~~will likely~~ may exceed the landlord's cost of leasing or financing the purchase of the location. You may also have to pay percentage rent. When we lease or sublease to you, your rent will also likely exceed our cost of leasing or financing the location. You may also have to make an initial payment into an escrow fund to cover estimated real estate taxes. We cannot predict the cost if you choose to buy the land on which the Restaurant will be developed.

2. ~~2b.~~ Additional Development Costs: Additional development costs may include, among others, architectural, engineering, and legal fees. These estimates do not include additional extraordinary costs ~~due to~~ including, among others, extensive redesign, permitting, variances, environmental issues, and/or legal obstacles, ~~etc.~~
3. Equipment, Fixtures and Signs: This amount includes estimated costs of furnishings, installations, equipment, trade fixtures, small-wares and certain other items on the Restaurant's premises, the amount, and specific items of which will vary depending upon the location, size and condition of a particular Restaurant. Cost range includes tax and delivery estimated at 10%.
4. Restaurant Technology System: The price ranges reflect equipment configurations and solution costs, site preparation and installation for 2 to 4 POS Systems. The price ranges do not include any optional equipment. The number of POS Systems needed for your Restaurant will depend on the size and configuration of the Restaurant and whether you have a drive-thru window. The cost for drive-thru equipment is included in the above. If your Restaurant does not have a drive-thru, your costs will be less. The price ranges also reflect the configurations and solution costs, site preparation and installation for the Restaurant Technology System components that are required (not including the POS System). Please note that in addition to the cost of the POS System equipment, you will be required to pay monthly and yearly maintenance and user fees.
5. License, Permit Fees and Deposits: The range does not include government imposed impact fees. We estimate such fees, when imposed, can be \$87,000 or more in some markets. Some local governments may also require a performance bond, which is not included in the range.
6. ~~2c.~~ Real Estate Costs: Real estate costs vary considerably according to the type of Restaurant, real estate values in your area, your real estate interest (leasehold or ownership), location, size of the site, code requirements and other factors, including labor, as well as whether

you, your landlord, or we develop the Restaurant. Depending upon how your deal is structured, you may pay some or all the actual cost. Factors that typically affect your real estate costs include your cost to negotiate your lease (or buy the property), fair market lease values and lease terms in your area, how the costs to renovate or develop the land, building and other site improvements are allocated between landlord and tenant and interest costs, among others. Lease terms are individually negotiated and may vary materially from one location or transaction to another.

Your building costs ~~referenced in Note 2a~~ may be ~~significantly~~ lower if we or your landlord ~~develops~~develop the location, but your real estate costs, including your annual rent, ~~will probably be higher. In fact, the low end of the ranges provided in Note 2a is the estimated cost for you to negotiate a build-to-suit lease in which the landlord incurs most development costs, and you make a lease deposit~~may be higher. Your rent ~~will likely~~may be based on development costs and reflect a rate of return on the landlord's initial investment, as well as other factors. ~~(See Note 2a.)~~ If you elect to buy land, it can cost an additional \$100,000 to \$1,200,000 (or more).

~~3. Equipment, Fixtures and Signs: This amount includes estimated costs of furnishings, installations, equipment, trade fixtures, small wares and certain other items on the Restaurant's premises, the amount, and specific items of which will vary depending upon the location, size and condition of a particular Restaurant. Cost range includes tax and delivery estimated at 10%.~~

~~4. Restaurant Technology System: The price ranges reflect equipment configurations and solution costs, site preparation and installation for two to four POS systems for non-SDO Restaurants and one to three POS systems for a SDO restaurant. The price ranges do not include any optional equipment. The number of POS systems needed for your Restaurant will depend on the size and configuration of the Restaurant and whether you have a drive thru window. The cost for drive thru equipment is included in the above. If your Restaurant does not have a drive thru, your costs will be approximately \$7,000 to \$44,000 less. The price ranges also reflect the configurations and solution costs, site preparation and installation for the Restaurant Technology system components that are required (not including the POS system). Please note that in addition to the cost of the POS system equipment, you will be required to pay monthly and/or yearly maintenance and user fees. (See Item 11 for additional details.)~~

7. ~~5. Opening Inventory: Before opening a Restaurant, you must purchase an initial inventory consisting of products from suppliers approved by us. The assortment and number of these items will be based upon the size and configuration of your Restaurant. The estimated cost for the opening inventory of these products varies for different locations, seasons, and the storage capacity of the restaurant. Your initial inventory of merchandise and supplies needed for the operation of your Restaurant will include raw ingredients and products for resale, containers and other paper, plastic or similar goods, maintenance and cleaning materials, office supplies and miscellaneous materials and supplies.~~

8. ~~6. Miscellaneous Opening Costs: The range includes costs for pre-opening franchisee employee training payroll, utility deposits (e.g., gas, water, electricity, and telephone); petty cash (including cash register "Opening Banks"); distribution center refundable fees for Restaurants that receive distribution center deliveries, and miscellaneous expenses (e.g., interior landscaping plants, sound system, office supplies, licenses, permits, and banking pre-opening costs). Some of these costs may not be applicable to SDO and Gas & Convenience restaurants.~~

~~7. License, Permit Fees and Deposits: The range does not include government imposed "impact fees." We estimate such fees, when imposed, can be \$87,000 or more in some markets. Some local governments may also require a performance bond, which is not included in the range.~~

9. ~~8.~~ Insurance: You must provide insurance coverage in accordance with our published standards (as amended from time to time), including but not limited to commercial general liability coverage with minimum limits in the amount of \$2,000,000 per occurrence, employment practices liability coverage with minimum limits in the amount of \$1,000,000 per occurrence, all risk property coverage including, but not limited to, flood and earthquake protection, plate glass coverage, and employers liability and workers' compensation insurance, and maintain other insurance in accordance with our published standards (subject to change), and maintain other insurance in accordance with state law requirements. Some property owners may require higher levels of commercial general liability insurance or other insurance coverage under their leases. You also must name us and our owners and affiliates as additional insureds under the required insurance policies. Initial premiums for commercial general liability are subject to change due to market forces beyond either of our control. The cost of other coverages, including required workers' compensation coverage and your discretionary purchases, varies widely. Your premium may be higher based upon your risk profile. You should discuss with your insurance carrier/agent whether or not these costs need to be paid in full before opening or whether they can be budgeted. Some insurance carriers will offer an installment option, requiring a 20% - 25% down payment, before opening. Failure to maintain such insurance may result in loss of your franchise and additional financial obligations.

10. ~~9.~~ Training Related Expenses: ~~We pay the cost of presenting the initial training program for the required number of participants based on network size~~ The Initial Training Fee for the first 2 to 4 people to attend the Dunkin' Training Program are included in the IFF depending on the number of Restaurants you or your affiliates operate and as described in Item 11. However, you must pay for uniforms, accommodations, wages, and travel expenses, if any, for you and your employees. You will need to have an electronic device and ~~wifi~~ Wi-Fi as necessary to access training. If you attend the initial training program in a location other than one of our training facilities, then you may be charged certain additional costs such as travel and related expenses for the trainers, the costs for the meeting room and such other costs as may reasonably be incurred. ~~You must also pay for training programs conducted during the term of your Franchise Agreement if we believe such training is needed.~~ The above estimated ranges of costs are for ~~two~~ 2 individuals attend the Dunkin' initial training program for ~~four~~ 4 to ~~eight~~ 8 weeks (depending on production platform and the opportunity to support a new restaurant opening), including transportation, board, lodging, sanitation exam and uniforms. If a third or fourth person is required to attend the training (based on the size of your ~~SDA~~ Store Development Area or network of Dunkin' Restaurants), the costs will increase proportionately. There may also be additional training time needed to achieve required competency levels. The amount of time required is a function of the individual's ability to personally demonstrate the competencies. This may increase your cost for travel, hotels and meals for you and/or your designated representative. If the initial training program needs to be taken again due to class failure, removal, or withdrawal, you will be responsible for the class cost for the replacement learner(s). If you live close to the training facility, your costs ~~will probably~~ may be on the lower end of the range. Any wages or salaries that you may pay your employees while they attend training are not included in these estimates. You must also maintain worker's compensation insurance coverage for your employees while they are in training. ~~You will be charged a~~ Our current cancellation fee ~~of 50% of the class cost is \$1,000~~ per person per class if you cancel a 6-10 days before the scheduled class with less than a 5 business days' notice. ~~You will be charged a cancellation fee of 25% of the class cost, and \$2,000~~ per person per class

if you cancel ~~a 5 days or fewer before the~~ scheduled class ~~with less than 10 business days' notice.~~
~~All cancellation fees must be paid in full before a participant can register for any future classes.~~

~~10. Marketing Start-up Fee: Marketing Start-Up fees are used to promote the opening (or re-opening) of your Restaurant and are applicable for new, remodeled or relocated Restaurants (See Item 5).~~

11. ~~Working Capital~~ Additional Funds for First 3 Months of Operation: You may or may not need working capital to support ongoing expenses that are not covered by sales revenue. New businesses may generate negative cash flow. These figures are estimates and we cannot guarantee that you will not have additional expenses in the first ~~three~~ 3 months of operation. Your costs will depend on factors such as how well you follow our methods and procedures, the sales volume of your restaurant, your management skill, experience, and business acumen, local economic conditions, the local market for our product, the prevailing wage rate, competition, your rent structure, and your restaurant site type.

~~12. Financing: We do not typically offer financing of any of the above costs.~~

12. Other Costs and Variables: Your initial investment for a new Restaurant depends primarily upon: (1) the number of Restaurants you acquire and/or develop; (2) their size; (3) their configuration; (4) their location; (5) who develops the real estate for and/or constructs them; and (6) the amount and terms of financing. The initial funds required must be estimated since most costs are not within our control and may change at frequent intervals. These figures are estimates only and we cannot and do not guarantee that your costs will fall within the stated ranges. These estimated ranges are based on our experience and information provided by franchisees. Costs are constantly changing, and your costs may be higher. You should diligently investigate all potential costs before proceeding.

~~13. Other Costs and Variables: The typical freestanding Restaurant has eating areas seating from 10 to 40 customers. Larger Restaurants have walk-in refrigeration/freezer unit included in the gross square footage. Some projects may allow the walk-in refrigeration/freezer unit to be located outside of the building structure. Restaurants may only be serviced by authorized manufacturing facilities. Some projects for SDO and Gas & Convenience (less than 1,000 square feet) may require supplemental dry and/or cold storage.~~

To ensure that an adequate supply of acceptable product is available for sale at the Restaurant, products must be transported in a suitable vehicle and in suitable containers on a schedule and in a manner acceptable to us in compliance with federal, state, and local regulations, as well as our quality, freshness, and other standards. You will be required to purchase a delivery vehicle which meets certain standards. The estimated total does not include the cost of a delivery vehicle. Usually only one delivery vehicle is needed for each network of Restaurants. Additional vehicle(s) may be required, depending upon the size and design of the vehicle, the number, time, and number of deliveries, the distance between deliveries, and other factors.

Restaurants may vary from one another in many respects. For example, Restaurants in urban trade areas may be multi-level with kitchen, storage, sales, and seating areas on ~~two~~ 2 or more levels, or have limited or no seating. Kitchen, storage, and sales areas may be smaller than Restaurants in other areas. Specially designed equipment may be necessary. Urban Restaurants may have no dedicated parking, require elevators, specially designed doorways, have limited access and require greater security measures. This may require special arrangements for deliveries of raw materials, products, and supplies to and from the Restaurant. Trash may require special handling, such as daily pickup. On average, urban Restaurants sell more individual

products than, for example, dozens or half dozen ~~doughnuts~~ donuts, which may increase the unit cost of products sold. Labor costs may be higher in urban Restaurants due to a wide variety of factors, including Restaurant configuration, competition for available workers, minimum wage requirements and other factors. We encourage you to talk to franchisees who operate Restaurants in similar trade areas to gain a better understanding of how your trade area may vary.

~~14. Permitted Financing: You cannot borrow more than 90% of (i) the initial investment in the building, site and additional development, equipment, fixtures, and signs for new Restaurant or (ii) the purchase price for existing Restaurants.~~

13. ~~15.~~ Combo Restaurants: The costs to develop a freestanding Combo Restaurant are similar to the costs to build a freestanding Dunkin' Baskin-Robbins Restaurant; however, Combo Restaurants will have an additional equipment ~~component that is further detailed in Item 11 of this FDD~~ requirements. You will also find build costs for the Baskin-Robbins portion of the Combo Restaurant in the Baskin-Robbins ~~FDD~~ disclosure document. We encourage you to talk to franchisees who operate Combo Restaurants in similar trade areas to gain a better understanding of how your costs may vary.

14. Multi-Brand Locations: If we permit you to develop a Dunkin' Restaurant at a Multi-Brand Location, you may incur additional expenses to establish the Other Restaurant(s), including initial franchise fee, initial training program, computer system, signage, fixtures, furniture, equipment, initial inventory, and other expenses. You will find the build costs and other costs to establish each applicable Other Restaurant(s) in the Other Franchisor's franchise disclosure document. You may pay less than the cumulative total estimated initial investments for both a Dunkin' Restaurant and Other Restaurant if certain expenses overlap, such as rent and insurance.

ITEM 8: RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

In order to ensure a uniform image and uniform quality of products and services throughout the Dunkin' network, you must maintain and comply with our Standards, as we periodically modify them. Our Standards may regulate various aspects of the System and the development and operation of Dunkin' Restaurants, including the location, physical characteristics and quality of operating systems and other aspects of restaurants; the products sold and services provided; the qualifications of suppliers; the qualifications, organization and training of franchisees and their personnel; the timely marketing of products and our brand, including execution of marketing windows; and all other things that we periodically specify affecting the experience of consumers who patronize Dunkin' Restaurants. We make the Standards available to you in our Manuals and in other forms of communication, which we may update from time to time.

You must purchase or lease all equipment, fixtures, furnishings, fixtures, and signage for the Restaurant (the "Operating Assets"), the retail information system and related equipment and programs (including the electronic point-of-sale cash register system ("POS System") that we approve), inventory, supplies, materials, and other products and services for the Restaurant only according to the Standards and, if we require, only from suppliers and/or distributors that we designate or approve from time to time (which may include or be limited to us or our affiliates). Currently you must acquire products for your Restaurant through NDCP (described below). From time to time, we may enter into or require national or regional exclusive supply arrangements with one or more independent suppliers for certain approved products, subject to any then-existing arrangements with NDCP. In evaluating the need for an exclusive supplier, we may take into account, among other things, the uniqueness of the product; the projected price and required volume of the product; the investment required and the ability of the supplier to meet

the required quality and quantity of the product; the availability of qualified, alternative suppliers; the duration of the exclusivity; and the desirability of competitive bidding. You must use and participate in The Center, our online learning platform, for initial and on-going training obligations, and you must pay us the initial and on-going fees to access and participate in The Center, as described in Item 5 and Item 6 above. Additionally, you must sign contracts with approved suppliers and participate in our then-current gift card program operated by or through our approved suppliers (that may include us or our affiliates), currently attached here as Exhibit K.

~~You must conform to our high and uniform standards of quality, safety, cleanliness, appearance, and service. We anticipate that our standards will change over time, and you are expected to adhere to these changes.~~

~~All food and beverage products, supplies, equipment and materials of your Restaurant(s) and services to your Restaurant must meet our specifications, standards, and requirements. You must purchase these items from suppliers that we approve (including manufacturers, distributors and other providers of goods and services). Currently, there are no items for which we or any of our affiliates are approved suppliers or the only approved suppliers.~~

~~To our knowledge, there are no approved suppliers in which any of our officers or directors own an interest (not counting interests possibly owned through mutual funds).~~

Every supplier must demonstrate to our satisfaction that it can meet all of our specifications, standards, and requirements and has adequate capacity to supply our franchisees' quantity and delivery needs, which may mean, among other things, the ability to supply all franchisees in the System. ~~Suppliers must agree to the quality assurance requirements described in the Quality Expectations Acknowledgement before being approved. We do not anticipate making this document or any other aspects of our supplier approval process available to you. We do make our~~We provide our relevant standards and specifications ~~available to approved suppliers, but our specifications are~~ and is not available to you. ~~Before approving any supplier, we may take into consideration: (a) consistency of products and/or name brands in (and between) our System; (b) economies of scale achieved by larger volumes; and (c) certain other benefits that a particular supplier may offer, such as new product development capability. When approving a supplier, we take into consideration the System as a whole, which means that certain franchisees may pay higher prices than they could receive from another supplier that is not approved. We reserve the right to withhold approval of a supplier for any reason. A list of approved suppliers is available on request. You can expect that the items you will have to purchase from approved suppliers in accordance with our specifications represent over 95% of the total purchases for establishing and operating the franchised business. Suppliers are required to share shipping, distribution, and all other information with us, and you will be required to cooperate.~~in the Manuals.

If you wish to use a supplier we have not previously approved, you ~~and/or the supplier~~ may request approval by submitting the request to us in writing. Our criteria for approving alternative suppliers is not available to you or your proposed ~~suppliers~~supplier. We may require that samples from the supplier be delivered to us or to a designated independent testing laboratory for testing prior to approval and use. ~~We~~You must reimburse us for the costs we incur to test the samples from the suppliers, and we expect that the cost of testing will range from \$1,000 to \$10,000 depending on the complexity of the products or services. All requests will be reviewed in accordance with our then-current policies and procedures, and we will take into consideration our available resources, which may affect the timing of our response. The supplier must meet our then-current specifications, standards, and requirements, which may include signing a non-disclosure agreement and a guarantee of performance. We may change our specifications, standards, and requirements ~~at any from~~ time. There to time, and there is no limit on our right to ~~do so. If the supplier that you propose is initially approved or disapproved, we~~change our

specifications, standards and requirements. We will notify you and the supplier within ~~90 to~~ 180 days ~~depending on the nature of the products or services~~ of your initial request. If you do not receive a response from us within 180 days from your initial request, your request will be deemed disapproved. We may withdraw our approval of any supplier at any time if the supplier's performance does not meet our ~~criteria, we change our specifications, standards or, and requirements or other reasons. You or the supplier will be required to reimburse us for all costs that we incur in the testing and approval process whether the supplier is approved or not.~~

We may limit the number of ~~potential~~ suppliers that we may consider for approval and for ~~some categories of certain~~ products, and we ~~have and~~ may in the future designate ~~a third party or ourselves, any of our affiliates, or any third parties~~ as an exclusive supplier. ~~We for one or more products or services.~~

Currently, we have exclusive supplier arrangements for ~~some categories of products or purchasing and distribution~~ services, ~~including purchasing, distribution,~~ fountain and packaged beverage products, and certain restaurant technology.

Additionally, in certain ~~Dunkin' Approved Bakery Manufacturers~~

~~In selected markets,~~ we have approved third-party ~~manufacturers to manufacture using approved sources~~ suppliers to produce and deliver ~~approved~~ certain donut and bakery products to ~~certain franchisees~~ franchisees that operate Restaurants within select markets. Franchisees ~~must, on a form we approve, commit for a defined period to~~ that operate a Restaurant within those select markets must purchase from such ~~manufacturer their requirements for~~ third-party the donut and bakery products that we designate. ~~Manufacturers are required to produce and deliver the products according to our standards, specifications, and protocols. We may also require you to~~ for a specified period of time. You must also secure an approved back-up ~~source of supply for these products. In some instances, franchisees~~ supplier to produce those products in the event your main supplier cannot or will not produce or deliver the required products to you. You may be required to transport ~~their~~ your own donuts and bakery products using suitable vehicles and in suitable containers on a delivery vehicle you have purchased and that meets our standards and specifications, using containers that meet our standards and specifications, and in accordance with a schedule and in a manner ~~acceptable to us in compliance with federal, state, and local regulations, as well as our quality, freshness, and other standards. In such instances, you will be required to purchase a delivery vehicle, which meets certain standards that meet both applicable legal requirements and our standards and specifications.~~

You may only develop the Restaurant at a site that we have accepted. The Restaurant and the Premises must be designed, laid out, constructed, furnished, and equipped to meet our Standards and specifications, and you must satisfy any conditions we specify to obtain our approval of the development of the Restaurant and Premises. You may not deviate from our approved plans, specifications and requirements without our prior written approval. Any plans that we provide to you, and our approval of any plans you submit to us, relate solely to compliance with our Standards and should not be construed as a representation or warranty that the plans comply with applicable laws and regulations. That responsibility is solely yours. At our written request, you must promptly correct any unapproved deviations in the development of the Restaurant or Premises.

If you have not already done so before executing the Franchise Agreement, you must submit to us the proposed purchase agreement or lease for the Premises, along with the acquisition, development and construction costs, and such other information as we reasonably request, so that we can evaluate the proposal. Each purchase agreement or lease must meet our then-current minimum requirements designed to protect us, our affiliates, and our System. If you will lease the Premises from an unaffiliated landlord, the landlord must agree to our then-current form of Option to Assume the lease, attached here as Exhibit

F of the FDD. If you or your affiliate directly or indirectly acquire ownership or control of the Premises, you must promptly give us written notice of such ownership or control and execute (or cause your affiliate to execute) our then-standard agreement giving us the option to lease the Premises from you (or your affiliate) upon expiration or termination of the Franchise Agreement or any lease relating to the Restaurant or Premises. The lease will be for the then-remaining term of the Franchise Agreement, including any extension or renewal, at triple-net fair market value rent for comparable Dunkin' Restaurant locations with arms-length leases. If the parties cannot agree on the fair market value, they will consult a mutually-acceptable real estate professional. If you purchase or lease the premises from one of our affiliates, we or our affiliates will derive revenue from the purchase or lease.

Before opening or operating the Restaurant for business, and before beginning construction of the Restaurant if you are developing the Restaurant, you must acquire insurance coverage of the type and in the amounts required by law, by any lease or sublease, and by us, as prescribed in our Standards and described in Item 7 above. You must maintain such coverage in full force and effect throughout the term of the Franchise Agreement. We have the right to change these insurance requirements from time to time. All insurance must be placed and maintained with insurance companies with ratings that meet or exceed our Standards. At our request, you must provide us with proof of required insurance coverages.

We and any affiliate we designate must be named as additional insureds as our respective interests appear, and all policies must contain provisions denying to the insurer acquisition of rights of recovery against any named insured by subrogation. All policies shall include a provision prohibiting cancellations or material changes without 30 days' prior written notice to all named insureds. Policies may not be limited in any way by reason of any insurance that we (or any named party) may maintain. Upon our request, you must produce proof that you currently have the insurance coverage required under the Franchise Agreement. If such insurance coverage is not in effect, then in addition to our other remedies, we have the right to purchase the necessary coverage for the Restaurant at your expense and to bill you for any premiums and costs. This obligation to maintain insurance is separate and distinct from your obligation to indemnify us.

Restaurant Technology Systems

~~You are required to purchase, install, and use an electronic point-of-sale ("POS") cash register system ("POS System") that we approve. (See Item 11.)~~

Revenues Received by Us or an Affiliate in Consideration of Your Purchases

~~Restaurants owned and operated by our affiliate receive prices, patronage discounts, and/or allowances from suppliers on the same basis as other franchisees.~~

~~If you lease the premises from us or one of our subsidiaries or affiliates, we may derive revenue from you in the form of base and percentage rent payments, tax, common area and other payments. In some cases, your payments to us may exceed our costs.~~

~~If you buy an existing Restaurant from us, we may derive profit from your acquisition in excess of our cost to acquire and, in some cases, refurbish or remodel the Restaurant. We occasionally sell our real estate interest in a Restaurant to the franchisee that holds the FA for the Restaurant.~~

~~In the fiscal year ending December 31, 2022, Dunkin' entities (including us and our related Dunkin' affiliates), had total U.S. revenues of \$810,840,991. Of that amount, rental revenue from franchisees represented 15.9% (\$128,695,183) and revenue from required purchases represented 0.4% (\$2,949,861). Revenue from required purchases generally means revenue received by Dunkin' entities~~

~~resulting from fees earned from franchisee access to online training programs required by the FA and fees earned based on usage of automated teller machines located within Dunkin' Restaurants.~~

~~Other suppliers may contribute money to the applicable advertising fund or to other marketing and sales promotion programs. This money may be for their portion of a joint marketing program. Other than the above, no other revenue was derived by us or our affiliates from required purchases and leases by franchisees of products and services in the most recently completed fiscal year.~~

Distributor Commitment Program

~~We have entered into an agreement with the National DCP, LLC ("NDCP") under which we have appointed them as the exclusive purchasing and distribution entity for the Dunkin' System. The NDCP is a Delaware limited liability company owned by Dunkin' franchisees. We approve all suppliers of products as part of this program. The NDCP may purchase, on behalf of participating Restaurants, quantities in excess of current short term Restaurant needs. Advance purchases may occur for any business reason, including to minimize the impact of anticipated price increases, shortages, or outages. While participation in the NDCP is voluntary, the NDCP is the exclusive purchasing and distribution entity for the System and virtually all franchisees participate in the NDCP, so your ability to access alternative supply and distribution may be very limited. The NDCP is organized as a cooperative to pass on savings to its members through lower prices and patronage dividends. The corporate office for the NDCP is in Duluth, Georgia. Distribution Centers of the NDCP are in Bellingham, Massachusetts (Northeast), Groveland, Florida (Southeast), Westhampton, New Jersey (Mid Atlantic), Lockport, Illinois (Midwest), Twinsburg, Ohio (MW) Colonie, New York (Upstate NY), Greensboro, North Carolina (Carolinas), McDonough, Georgia (Central Southeast) and Phoenix, Arizona (SW). (Note that these regions are different from regions described elsewhere in this FDD). To obtain goods and services from the NDCP, you are required to become a member. To become a member, you must execute a membership agreement that requires you to exclusively purchase your food and supply requirements, as well as certain services, that the NDCP offers to its members for sale. The membership agreement requires, among other things: (i) payment of a one time membership fee, which is currently \$2,500 per participating Restaurant; (ii) providing a personal guarantee to the NDCP; and (iii) agreeing to the then current membership terms applicable to like members, including payment terms.~~

~~We have no control over such membership fees, which may change. You should check with the NDCP for a description of membership or other fees.~~

~~As an operator of Restaurants, we participate as a member of the NDCP. In addition to participation through our affiliate owned restaurants, we also elect one voting member to the NDCP Board of Directors. This position is currently held by our Chief Growth Officer.~~

~~We and/or the NDCP may negotiate purchase arrangements or terms (such as price) with suppliers for the benefit of franchisees and the System as a whole. We reserve the right to receive fees or other consideration in exchange for rights licensed or granted, or services rendered to third parties, including vendors. We do not guarantee the availability of independent sources of supply for any particular product or service required to establish or operate your Restaurant.~~

~~We do not provide any material benefits to franchisees in return for their purchase of particular products or services or using designated suppliers.~~

Loyalty Program:

You must ~~fully~~ participate in any loyalty program that we require, including the Loyalty Program. You must comply with all requirements of the Loyalty Program as we may periodically modify them. These requirements include supporting and participating in the Loyalty Program, maintaining sufficient funds in your account to enable the successful transfer of funds on a weekly basis, following required procedures for settlement of funds, and other matters we periodically determine. Other than the Loyalty Program, you must not, internally or through a third party, participate in any other mobile or online ordering, purchasing or payment program or other proprietary, closed network, online stored value card program at or through a Dunkin' or Baskin-Robbins Restaurant. You may participate in Hospitality Programs. "Hospitality Programs" are card programs that (1) the Restaurant is required to participate in based on the host of the ~~Authorized Location~~Premises (where the host is an entity within whose broader rules of operation the Restaurant must operate, such as a school, university, or military ~~Post or base~~exchange); and (2) do not use the ~~Trademarks on the cards~~Proprietary Marks.

Currently, there are no items for which we or any of our affiliates are approved or designated suppliers or the only approved or designated suppliers, and there are no approved or designated suppliers in which any of our officers or directors own an interest. We do not provide any material benefits to franchisees in return for their purchase of particular products or services or using designated suppliers. Collectively, the purchases and leases that you must make from us and our affiliates, from designated or approved suppliers, or under our standards and specification represent more than 95% of your purchases and lease to establish, and more than 95% of your purchases and leases to operate, the Restaurant.

During the 2023 fiscal year, we derived revenue from the franchisee's payment of the initial and on-going fees for the franchisee's access to and participate in The Center (\$2,901,045, or 0.22% of our total revenue of approximately \$1,297,986,000). Additionally, during the 2023 fiscal year, our affiliates received a total of \$130,595,865 from the sale or lease of products and services to the franchisees, including all payments from franchisees under their leases with our affiliates. Other than these amounts, neither we nor our affiliates derived any revenue during the 2023 fiscal year from selling or leasing products or services to franchisees.

National DCP, LLC ("NDCP") is the designated supplier for purchasing and distribution services for the System. NDCP may, at its option, participate in certain purchasing arrangements negotiated by us or our affiliates. NDCP is an entity that is owned by Dunkin' franchisees and generally passes on savings to its members through lower prices and patronage dividends. Since we operate Dunkin' Restaurants, we participate as a member of the NDCP and as a voting member on the NDCP Board of Directors. When you sign a Franchise Agreement, you must become a participating franchisee of NDCP. To become a participating franchisee, you must sign a membership agreement, which requires you to, among other things, purchase all of your food and non-food products through NDCP, receive distribution services from NDCP, pay a one-time membership fee (currently \$2,500), sign a personal guarantee, and agree to the then-current terms and conditions. Please contact NDCP for a description of the then-current terms and conditions of the membership agreement. Except as described here, there are currently no purchasing or distribution cooperatives.

Multi-Brand Locations

If we and you enter into the Multi-Brand Addendum and you operate your Dunkin' Restaurant at a Multi-Brand Location, we, at our option, may modify any of the terms of the Dunkin' system applicable to your Dunkin' Restaurant, including any system standards, the layout and design requirements, the products and services offered, any mandatory or optional advertising, marketing and promotional programs, required equipment or products, required hours of operation, personnel training and staffing

requirements, and other standards, specifications and requirements, in a manner that is different from the manner in which those terms apply to other Dunkin' Restaurants, to reflect the Restaurant's status as a Multi-Brand Location. If you operate your Dunkin' Restaurant at a Multi-Brand Location, you must comply with all of these modifications.

If we permit you to operate your Dunkin' Restaurant at a Multi-Brand Location, (i) you must use paper products and other items bearing the Trademarks only at the Restaurant and with products served by the Dunkin' Restaurant, and you (or your affiliate) may not use them at the Other Restaurant or with products served by the Other Restaurant, (ii) you must ensure that all employees providing services to customers of the Restaurant wear uniforms that are distinct from the uniforms and/or other apparel worn by the employees providing services to customers of the Other Restaurants, and (iii) you may be required to purchase or lease certain goods and services for each Other Restaurant from approved or designated suppliers (which may be the applicable Other Franchisor or its affiliate). You can find additional information in each Other Franchisor's franchise disclosure document.

Initial Services:

~~If you are acquiring a Store Development Area by executing an SDA, we will determine the Store Development Area, the number of Restaurants you must develop, and the development schedule. This information will be included in a schedule to your SDA.~~

~~The following are our obligations before or at the opening~~Ongoing Obligations. During the operation of your Restaurant, we will:

~~1. Most Restaurants are developed by franchisees who find their own locations. Many franchisees negotiate their own real estate interest in their Restaurant location. If you are developing a new Restaurant, we will approve the location if it meets our standards. Our approval of a location is not and should not be considered a guarantee of success at that location. We will provide you with a copy of our standard plans and specifications for the brand(s) and type of Restaurant you will develop. You must conform the premises to all codes and ordinances and obtain all required permits. You must construct the location to our standards and subject to our approval. Site Selection: and Lease

Store Development Agreement. If you sign the Store Development Agreement to develop multiple Restaurants, then you may look for sites within the Store Development Area. Although we may assist you in your search, it will be your sole responsibility to search for and propose to us the site on which you wish to develop the Restaurant. You must deliver to us a complete site report and other materials and information we request for suitable site(s) within the Store Development Area in time to meet your obligations under the Development Schedule. You may only develop a Restaurant at a site that we have accepted. You must also submit information to us concerning the proposed layout and other aspects of the proposed Restaurant's design and appearance. You must make the changes to the proposed design and appearance that we require, and you must develop the Restaurant only in accordance with our requirements. Each Restaurant must be constructed and equipped to our then-current standards and specifications.

~~For new Restaurants, we may select the site, or we may approve a site that you select and propose. Factors affecting our decision generally include~~When determining whether a site meets our requirements, we consider the location, occupancy costs, proximity to major retail activity, traffic volume and speed, density of nearby population (resident or daytime), competition and potential for encroachment on other Restaurants of the same brand, site configuration, parking, accessibility, visibility, signage permitted by the landlord and local governmental authorities, and other factors. We generally issue a notice to proceed between 60 and 90 days after receiving the required information related to the proposed site. If we disapprove of a site, you must submit alternative proposed site locations for the Restaurant, including a complete site report, in time to open the Restaurant on or before the Required Opening Date identified in the Store Development Agreement. After receiving our notice to proceed, but in any event before beginning construction for the Restaurant, and provided that you (and your Controlled Affiliate) satisfy our then current Criteria to Expand, then you (or your Controlled Affiliate) must sign our then-current version of franchise agreement and related documents.

You must submit to us the proposed purchase agreement or lease for the Restaurant's premises, along with the acquisition, development and construction costs, and such other information as we reasonably request, so that we can evaluate the proposal. You (or your Controlled Affiliate) must secure the real estate for each Restaurant, through an approved purchase agreement or binding lease, in time for you (or your Controlled Affiliate) to open and begin operating the Restaurant on or before the Required Opening Date for that Restaurant. We or our affiliates may own the Premises and lease or sublease the Premises to you. If you lease the Restaurant's premises from a third-party landlord, you and the landlord must sign our then-current form of Option to Assume the lease. Each purchase agreement or lease must meet our then-current minimum requirements designed to protect us, our affiliates, and our System. If you do not sign a Franchise Agreement and/or open the Restaurant on or before the Required Opening

Date identified in the Store Development Agreement, we may terminate your Store Development Agreement.

Franchise Agreement. If you develop your Restaurant under a Franchise Agreement without first signing a Store Development Agreement, it is solely your responsibility to search for and propose to us a site on which to develop the Restaurant, and you must deliver to us for our review a complete site report and other materials and information we request for a suitable site in time to open the Restaurant on or before the Required Opening Date identified in the Franchise Agreement. You may only develop a Restaurant at a site that we have accepted. When determining whether a site meets our requirements, we consider the location, occupancy costs, proximity to major retail activity, traffic volume and speed, density of nearby population (resident or daytime), competition and potential for encroachment on other Restaurants of the same brand, site configuration, parking, accessibility, visibility, signage permitted by the landlord and local governmental authorities, and other factors. We generally issue a notice to proceed between 60 and 90 days after receiving the required information related to the proposed site. If we disapprove of a site, you must submit alternative proposed site locations for the Restaurant, including a complete site report, in time to open the Restaurant on or before the Required Opening Date identified in the Franchise Agreement.

If you have not already done so before signing the Franchise Agreement, you must submit to us the proposed purchase agreement or lease for the Premises, along with the acquisition, development and construction costs, and such other information as we reasonably request, so that we can evaluate the proposal. Each purchase agreement or lease must meet our then-current minimum requirements designed to protect us, our affiliates, and our System. If you will lease the Premises from an unaffiliated landlord, the landlord must agree to our then-current form of Option to Assume (Exhibit F).

Construction and Opening the Restaurant

~~If you submit a site for our consideration, you must provide us with all required information about the site. You must not sign a lease for a site before we approve the site unless the lease is conditioned upon our site approval. For each Restaurant you lease, you must also obtain an executed copy of our Option to Assume Lease, attached as Exhibit G, from your Landlord. You may not begin any construction on a site until we have approved the site. We do not typically pay “finders’ fees” for sites. We also do not generally own or take a prime lease on real estate and then lease it to our franchisees. We are not required to assist you in negotiating the purchase or lease of the site, but we may do so in some cases.~~

~~To develop a new Restaurant(s), you may be required to sign an SDA. Under SDAs, you are responsible for locating and securing sites within specified boundaries. You cannot develop a site until we approve it. We will not reimburse you for any costs you incur with respect to any location that you submit to us for approval. While we try to promptly review nominated sites, there is no specified time period in which we must respond to your approval request. If you request renewal of your SDA, we will reassess the potential of the Store Development Area for further development (See Section 4 of the SDA).~~

~~We will provide you standard, generic plans and specifications for the improvements, furnishings, fixtures, and decor of the type of Restaurant approved for your site. You must then, at your expense, have specific plans and specifications for construction or conversion of the space for the Restaurant (and conforming to local ordinances and building codes, as well as obtaining the necessary permits) prepared by a licensed architect. Before you may begin construction, we must approve these plans and specifications and any changes made during construction in writing. All construction will be at your sole expense. Within 90 days following the opening of the Restaurant you are required to provide us~~

~~with information regarding the costs you incurred to build the Restaurant on a form we provide to you. Failure to provide this cost information may impact your right to pursue future development of Restaurants.~~

~~You must ensure, before the opening of the Restaurant, that the Restaurant is accessible to and usable by persons with disabilities and meets the Standards for Accessible Design for new construction in the ADA Accessibility Guidelines (“ADAAG”), or any more stringent accessibility standard under applicable federal, state, or local law.~~

Time Required to Open Business:

The typical length of time between the signing of the ~~SDA and the opening of the first~~Franchise Agreement and commencing operations of your Restaurant ~~for business under an SDA is~~is between 8 to 15 months. ~~If you do not open one or all the Restaurants in accordance with the Development Schedule set forth in the SDA, then we will have the right to terminate the SDA and any accompanying FA. (See Section 3 of the FA and Section 8.b. of the SDA.)~~You may not begin construction of your Restaurant until we have approved the site and you have signed a Franchise Agreement. The Restaurant and Premises must be designed, laid out, constructed, furnished, and equipped to meet our Standards and specifications, and you must satisfy any conditions we specify to obtain our approval of the development of the Restaurant and Premises. You must also confirm the Restaurant and Premises to comply with local ordinances and building codes, and you must obtain the required licenses and permits to develop and operate your business. You may not deviate from our approved plans, specifications and requirements without our prior written approval. At our written request, you must promptly correct any unapproved deviations in the development of the Restaurant or Premises. You will be solely responsible for conforming the premises to local ordinances and building codes and obtaining any required permits.

~~The above time estimates do not include relocations. In addition, there may be an additional three to six months between the time you initially identify a site and the date on which you sign a FA. Factors affecting the elapsed time include lease or purchase negotiations, zoning procedures, financing applications, local ordinances, local approvals, obtaining licenses and permits, construction delays, weather conditions, shortages, delays in installing equipment and signs, development or construction not in accordance with our requirements, labor disputes, acts of God and other reasons. If you do not present an acceptable site to us, or if we otherwise do not approve a site that you have presented, then you may not open your Restaurant.~~

You must open and begin operating the Restaurant, in accordance with our Standards and other provisions of the Franchise Agreement, on or before the Required Opening Date specified in the Franchise Agreement. You may not open and begin operating the Restaurant until you have finished developing the Restaurant and Premises according to our Standards, you satisfy our other pre-opening requirements, and you obtain our approval to open. If you do not open your Restaurant on or before the Required Opening Date identified in the Franchise Agreement, we may terminate your Franchise Agreement.

No later than the Refurbishment Dates and the Remodel Dates identified in the Franchise Agreement, you must refurbish and remodel the Restaurant in accordance with our then-current refurbishment and remodel Standards. You are responsible for the costs of refurbishments and remodels. Our refurbishment Standards generally include enhancements, improvements or upgrades to exterior lighting and signage, pre-order board or other drive-thru equipment and signage, landscape design, new style wall covering and countertops, current seating and guest experience packages and/or production equipment or technology. Our remodel Standards generally include enhancements, improvements or

upgrades to the site, building, equipment (including the Operating Assets), technology and operational systems as necessary to bring the Restaurant up to the then-current Brand image and Standards.

If we permit you to operate the Dunkin' Restaurant at a Multi-Brand Location, you may not open and begin operating the Restaurant unless the Other Restaurant is also open and in operation. (Section 4(d) of the MBA) If we permit you to operate the Restaurant at a Multi-Brand Location, you must design and construct, and/or make modifications to the Restaurants layout, design, equipment and fixtures that we periodically specify to reflect the Restaurant's operation at a Multi-Brand Location. You must notify customers, and the design and layout must reflect, in the manner we periodically specify that the operation of the Other Restaurant(s) is separate from and independent from the Restaurant. At our option, you may use certain areas of the premises and equipment (including point-of-sale systems and other computer equipment) only for the business associated with the Restaurant or only for the business associated with the Other Restaurants. (Section 4 of the MBA)

Advertising and Marketing

~~Continuing Services:~~Marketing Start-Up

In connection with a material branding or re-branding event at the Restaurant such as opening, re-opening, remodel, or any other event set forth in our Standards, you must undertake promotional activities in the manner and to the extent that we prescribe in accordance with our Standards. We will advise you in writing of the manner and timing of such activities. If we have established a minimum dollar expenditure for your Restaurant's initial opening promotional activities, that amount will be set forth on the Contract Data Schedule. Currently, the Standard Marketing Start-Up amount is \$10,000, and the SDO Marketing Start-Up Fee is \$5,000. If you fail to administer the promotional programs, we may require you to pay the Standard Marketing Start-Up Fee or SDO Marketing Start-Up Fee to us or our approved vendors to conduct these activities on your behalf.

Dunkin' Advertising and Sales Promotion Fund

~~The following are our obligations during the operation of your Franchise:~~

~~4. We will maintain a continuing advisory relationship with you, providing such assistance as we deem appropriate regarding the development and operation of Restaurants. (See Section 2 of the FA.)~~

~~5. We will provide you with Standards for the location, physical characteristics and operating systems of Restaurants and other concepts; the products that are sold; the qualifications of suppliers; the qualifications, organization and training of franchisees and their personnel; the marketing of products and our brand; and all other things affecting the experience of guests who patronize our System. We make those standards available to you in our Manuals and in other forms of communication, which we may periodically update. (See Section 2 of the FA.)~~

~~6. We will review advertising and promotional materials that you propose to use. (See Section 6 of the FA.)~~

~~7. We will have established and~~ administer the Dunkin' Advertising and Sales Promotion Fund (the "Fund"), and direct the development of all advertising, marketing, and promotional programs for the System. (See Section 6 of the FA.)

~~8. If you request renewal of your SDA, we will reassess the potential of the Store Development Area for further development. (See Section 4 of the SDA.)~~

~~(2) Advertising~~

Advertising Cooperatives:

~~We do not require or employ any advertising cooperatives. We do, however, administer and direct the development of advertising and promotional funds as described below.~~

Your Own Advertising:

~~Under certain circumstances, you may use your own local advertising. To do so, you must follow our Brand guidelines and obtain our prior written approval of all your local advertising and promotional plans and all materials you would like to use, and it will be at your expense.~~

Sale of Franchises:

~~Except as expressly disclosed below, none of the advertising fees collected from franchisees are used to pay to advertise or promote the sale of our franchises.~~

Franchisor Restaurants:

~~Restaurants owned by our affiliates (if any) contribute to the Fund on the same basis as other franchisees.~~

The Fund:

~~We have established and administer the Fund, and direct the development of all advertising, marketing, and promotional programs for the System.~~

~~We determine the content of all activities of the Fund, including the media selected and employed, as well as the area and Restaurants targeted for such activities. Advertising may be disseminated in various types of media (e.g., print, radio, television, the Internet, billboards, social media, mobile applications, and others). At our discretion, the scope of individual advertising programs may be local, regional, or national. We are not obligated to make expenditures for you that are equivalent or proportionate to your contributions to the Fund, or to ensure that you benefit directly or on a pro rata basis from the Fund's activities. As of the date this FDD was prepared, most advertising funds are spent for national programs.~~

~~We currently engage several outside agencies to provide advertising content for the Fund.~~

~~The Fund's fiscal year coincides with our fiscal year. The Fund's fiscal year coincides with our fiscal year. At the end of the most recently concluded fiscal year (December 31, 2022), the following unaudited percentages of funds received were spent on production (4%); media placement (48%); point of purchase ("P.O.P.") materials (4%); promotions (4%); administrative (11%); and other (28%). "Other" includes market research, sponsorships, readiness kits (to prepare you and your staff for marketing programs), public relations, sports marketing, agency and professional fees and other items.~~

We may use up to 20% of ~~CAF contributions to, at our discretion, provide~~[Continuing Advertising Fees](#) for the administrative expenses of the Fund and for programs designed to increase sales

and further develop the reputation and image of the Dunkin' ~~Brand. As part of administrative expenses, the Fund pays us amounts equivalent to~~ brand. Administrative expenses may include payments to us, our affiliates, or third parties for the payment of travel, rent, salaries, benefits, and ~~other compensation expenses, travel, rent, and/or~~ other expenses incurred ~~by us~~ in connection with our administration of the Fund. The balance of ~~the CAF contributions, including~~ Continuing Advertising Fees, plus any interest earned by the Fund, ~~is~~ will be used for advertising and related expenses, ~~which. Advertising and related expenses may~~ include various marketing and promotional activities and the costs to prepare, produce and distribute advertising, marketing, and related materials. Advertising may be disseminated in various types of media (e.g., print, radio, television, the Internet, billboards, social media, mobile applications, and others). The content of all activities of the Fund, including the media selected and employed, as well as the area and restaurants targeted for such activities, will be determined by us. We are not obligated to make expenditures for you that are equivalent or proportionate to your contributions to the Fund, or to ensure that you benefit directly or on a pro rata basis from the Fund's activities. At our discretion, the scope of individual advertising programs may be local, regional, or national.

All franchisees are required to contribute to the Fund, however, franchisees that operate their Restaurants from SDO locations, franchisees that operate in certain markets, and franchisees that qualify for certain incentives may contribute to the Fund at reduced rates. We and our affiliates contribute to Fund on at least the same basis as franchisees for any Dunkin' Restaurants that we or they own. Contributions to the Fund not spent in the fiscal year in which they accrue are first used to offset any deficit carried over from the prior year, and then any additional amounts are carried forward to the next year ~~and spent on Fund advertising and related expenses. Under the FA, we must. Upon your request, we will~~ provide you with ~~a copy of the~~ an audited statement of receipts and disbursements for the Fund ~~if you request it in writing. The Fund that~~ is audited annually ~~by an independent, certified public accountant, for each fiscal year of the Fund.~~

During our 2023 fiscal year, the Fund spent 5% on marketing materials production, 43% on media placement, 3% on point of purchase materials, 5% on promotions, 12% on administrative costs, and 32% on other costs and expenses, including market research, sponsorships, readiness kits to prepare you and your staff for marketing programs, public relations, sports marketing, agency and professional fees and other costs and expenses.

Currently there are no advertising cooperatives. Except as described above, none of the advertising fees collected from franchisees are used to pay to advertise or promote the sale of our franchises. Restaurants owned by our affiliates (if any) contribute to the Fund on the same basis as other franchisees.

~~If two-thirds of the Restaurants vote nationally, excluding Hawaii and Alaska, (regarding national programs), or regionally or locally (regarding regional or local programs) to pay advertising fees greater than 5.0% for a certain time or program, then you must also pay the same greater advertising fees, even if you did not vote to make such payments. Advertising fees greater than the standard 5% of Gross Sales will be used for their intended programs.~~

~~All franchisees are required to contribute to the Fund, however, franchisees with Restaurants in certain captive audience locations or SDOs (such as hospitals, train stations, airports, etc.) contribute at a reduced rate (See Item 6). We have the right to reduce the CAF (in some markets, we have already done so), which we may do (whether on a temporary or some other basis) in some markets but not others.~~

Dunkin' Brand Advisory Council:

All franchisees in the System are members of a local District Advisory Council ("DAC"). These franchisees elect a DAC co-chair and vice chair, who represent them on a Regional Advisory Council ("RAC"). Each RAC then elects RAC co-chairs and vice chairs, who in turn represent the RAC on the BAC. The BAC advises us on ways to build, protect, and lead the Brand with guest satisfaction, franchisee profitability, and the long-term viability of the Brands. We may appoint additional members to the BAC, and we reserve the right to change one or more of the councils, to form new councils, or to dissolve one or more councils. All the councils serve in an advisory capacity only and do not have operational or decision-making power. All elected members must adhere to certain standards of eligibility as outlined in the ~~Councils'~~BAC's bylaws. The Marketing Steering Committee ("MSC") is a sub-committee of the BAC and advises the brand on advertising, media, calendar windows, programs, and innovation, among other things. The MSC is comprised of BAC members as well as the chair and co-chairs of key local Ad Committees. These local Ad committees' chairs and co-chairs are elected at DAC meetings.

Local Marketing

If you prepare any advertising, marketing, promotional, customer relationship management, public relations and other brand-related programs for the Restaurant (collectively, "Local Marketing") materials or programs, then you must submit the materials and programs and their proposed use to us for our prior written approval in advance of any use. You may not use any Local Marketing materials or programs that we have not approved or have disapproved. Additionally, you also must comply with any Standards and guidelines that we periodically specify concerning Local Marketing.

Multi-Brand Locations

If we permit you to operate the Restaurant at a Multi-Brand Location, unless we otherwise specify or approve, none of the advertising, marketing or promotional materials associated with the Restaurant may reference any Other Restaurant or the brand(s) under which they operate. (Section 4(f) of the MBA)

~~(3)~~ Technology and Computer Systems

~~Restaurant Technology Systems—Approved Platform:~~

Overview

All Restaurants are required to ~~have, and you must purchase,~~ or lease and use in the operation of the Restaurant the "Restaurant Technology System" that we designate for the size and configuration of your Restaurant only from our approved and designated suppliers (which may include us or our affiliates). We may grant limited exceptions for certain components of the Restaurant Technology System in ~~highly~~ atypical ~~and rare~~ circumstances, ~~based on~~ such as unique contractual obligations of the ~~host environment~~ Premises. In such circumstances, you may be required to purchase additional equipment and incur additional costs. You will use the Restaurant Technology System to process credit and gift cards, accept mobile orders and payments, accept online orders and payments, configure and present menu items, pricing, and taxation, access your back-office systems, access and run your video surveillance systems, run your drive thru, use the Dunkin' learning and marketing programs and courses, and connect to the Internet. ~~You and your employees must complete initial and ongoing training for the Restaurant Technology System, as we periodically require.~~

We may periodically require changes or upgrades to the specific software, hardware and computer equipment. No contract limits the frequency or cost of your obligations. We will have unlimited, independent access to the information that your POS system and other internet-connected technology systems generates and stores, including detailed sales information. For clarity's sake, we will not access individual employee personal data (including contact information, social security numbers, rate of pay or similar information) without your consent or a legal requirement. You must ensure that your POS system and internet-connected technology systems are online and available for access. You alone are responsible for analyzing, addressing, fixing, and assuring your own POS and technology compliance, including any required Payment Card Industry ("PCI") compliance. You are required to complete the annual self-assessment questionnaire. You should assemble a team to understand the POS and related technology problems within your business.

Approved Vendors:

~~All components, including the installation and on-going maintenance programs of the Restaurant Technology System must be purchased, provided, and installed by vendors that we have approved. Among other things, vendors may make special modifications to their equipment and systems to comply with our Restaurant Technology System requirements. All Restaurants are required to comply with the construction and wiring standards relating to the Restaurant Technology System, including dedicated isolated grounded power, dedicated business-class Internet for use solely with the Restaurant Technology System and its approved components. As noted elsewhere, we reserve the right to approve only one vendor for various purposes, including technology vendors.~~

Access to Information:

~~We require that you provide us and our Restaurant Technology System vendors continuous independent access to data from your Restaurant Technology System, through an approved high-speed network solution by the Store Network. There is no contractual limitation on our right to access or use the information on your Restaurant Technology System (except that we will not review and will not have access to—or ownership of—guests' in-store payment card details).~~

Continuous Operational Condition:

We require that you maintain all components of the Restaurant Technology System in ~~"continuous operational condition"~~compliance with our Standards, and ~~that you must~~ have maintenance agreements in place with approved ~~vendors in place for all components. The~~and designated suppliers for all components of the Restaurant Technology System ~~and cost ranges are described in detail in this section. You must maintain the Restaurant Technology System in conformity with our standards and requirements, as well as local, state, or federal laws, rules and regulations, and payment card industry (PCI) and other industry standards. You may be periodically required to upgrade the Restaurant Technology System, and those upgrades will be at your sole cost and expense. Those upgrades will require maintenance to be performed on the equipment. Approved vendors may provide maintenance services on a contractual basis.~~ There are no contractual limitations on the frequency, or limitations on the cost, of your updating⁷ or upgrading obligations.

The Restaurant Technology System for Dunkin' Restaurants is currently comprised of many components, including the POS System and peripherals, back of house ("BOH") software, computer work station, internet access, digital signage, service desk services, drive-thru monitoring and audio system, credit card processing services and payment terminal devices, stored value cards, advance and remote ordering, monthly maintenance program for the POS and BOH systems, payment services, data availability package, in-restaurant music service, frictionless drive-thru, and security patching. The

Restaurant Technology System for Combo Restaurants includes the above, plus additional components, including, nutritional labeling printer, retail transaction receipt marketing solution, coin changer, video surveillance, franchisee business intelligence, in restaurant self-ordering kiosk, line busting tablet, and back-up protection services.

Below is a breakdown of the total cost estimates for the Restaurants Technology System if you will develop and operate a Dunkin' Restaurant:

~~If you are buying an existing Restaurant with an older system or one that does not otherwise comply with our required Restaurant Technology System, we will require you or the seller to purchase and install the then current Restaurant Technology System components in the Restaurant before transfer as a condition of our approval of the transfer. If you are remodeling an existing Restaurant that uses an older system, we will require you to purchase and install the then current Restaurant Technology System components, as well.~~

~~It may be more expensive to install equipment in an existing Restaurant than in a new Restaurant. Hardware and software costs will vary according to the minimum configuration we determine is necessary for your Restaurant, for example, the number of point-of-sale terminals, the size of counter and presence of drive thru, printers, digital displays screens, media players, prep stations and sandwich station devices, plus any additional supported optional equipment you may choose.~~

~~We may designate certain additional equipment and technology as either optional or required within your Restaurant. If we later designate any such items as required, you will be responsible for complying with such requirements.~~

~~The figures noted below in this Item 11 are estimates based on our experience. These figures may vary depending on the size and configuration of your Restaurant.~~

The ~~FA~~Franchise Agreement

~~Under the FA, you will be granted the right to operate one Restaurant at a specific location that is specified in the FA or its exhibits, and only at that location. You will not be granted any additional rights, any minimum territory, or other protected rights.~~

You will operate the Restaurant at a specific location that we first must accept. If you have not located the Restaurant's premises as of the Franchise Agreement's effective date, you must secure, by lease or purchase, a suitable site with enough time to develop and open the Restaurant by the Required Opening Date identified in the Franchise Agreement. We may terminate the Franchise Agreement if you do not secure a site, develop, and open the Restaurant by the Required Opening Date identified in the Franchise Agreement. You will not receive an exclusive territory. You also do not have any type of nonexclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. We retain the right to operate or license others to operate Dunkin' Restaurants and other concepts, and to grant other licenses relating to the Proprietary Marks, at such locations and on such terms as we choose. We may use or license others to use the Proprietary Marks in ways that compete with your location and that draw customers from the same area as your Restaurant.

You ~~will~~may not ~~have any right to~~ distribute products other than Menu Items at and through your Restaurant, including alternative channels of distribution. We use alternative channels of distribution for our products and trademarks, and we may expand our sale of products on a local, regional, national, or international basis. We have the right to distribute (or license others to distribute) products identified by our trademarks (or by any other name or trademark) anywhere and in any form (for example, in packages or otherwise), regardless of the proximity to your location, through any distribution methods or channels. These other sources of distribution could compete with you. Among ~~the rights that~~others, we reserve ~~are~~ the right to distribute goods and services through the Internet and other electronic communications, telephone, mail or ~~similar~~other methods, regardless of the destination of the products or services. ~~We retain the right to use our trademarks on the Internet and in all digital media, including websites, domain names, directory addresses, metatags, as graphic images on web pages, links, advertising, co-branding, social media, social networks, mobile apps, and other arrangements (as well as methods that have not yet been invented). You may not maintain a website relating to Dunkin'. If we do ever approve a website that you promote and develop relating to Dunkin' (which we are not required to do), then we will have the right to condition our approval on the terms that we determine are necessary (such as requiring that your domain name and home page belong to us and be licensed to you for your use during the term of your FA). The terms described in this paragraph apply regardless of whether or not you sign an SDA.~~

If you wish to relocate your Restaurant, you must seek our approval in writing and provide us all the information that we need to evaluate your proposal. Any such request will be subject to our prior written approval of the proposed new site and our determination that you have met our then-current criteria for relocation. Our approval process for a proposed relocation is substantially the same process as it is for considering a proposed new location. Among other requirements, ~~to be approved for a relocation, you must be current with all your obligations to us and our affiliates, and you may be required to sign our then-current form of~~ FAFranchise Agreement (which may be materially different than your original form of FAFranchise Agreement), and you may be required to pay all required fees, ~~including an IFF for the term of the FA to us and our affiliates.~~

The Store Development Agreement

~~If we grant you the right to open more than one Dunkin' Restaurant, you must sign an SDA before you sign an FA. The SDA grants you the right during its term to open multiple Restaurants within the geographic area(s) identified specifically for the development of new Restaurants, also known as the Store Development Area, and according to the Development Schedule set out in the SDA. While the Development Agreement is in effect, we will limit the number of franchisees who can compete with you within your Store Development. This does not mean that you have any exclusive right to any potential customer base for your Restaurant(s). Your rights under an SDA will be limited to the right to find sites to develop new Restaurants. You will not have other rights (for example, you will not have the right to distribute goods or services under our marks or otherwise). Further, if you sign an SDA, then during the term of that agreement and under certain conditions, you may have the first opportunity for SDOs inside your Store Development Area. This first opportunity is conditioned upon your compliance with all material provisions of all your agreements with us and our affiliates, your continued satisfaction of our expansion criteria, and the permission of the party that controls the SDO.~~ a Store Development Agreement together with the first Franchise Agreement. Under the Store Development Agreement, you will be granted the right to develop 2 or more Dunkin' Restaurants within the Store Development Area. So long as you are fully complying with the terms of the Store Development Agreement, and you and your affiliates are fully complying with all other agreements between us and our affiliates, then during the term of the Store Development Agreement we will not operate, or authorize any other party to operate, another Dunkin' Restaurant within the Store Development Area, except (i) we may grant franchises to you and your Controlled Affiliates within the Store Development Area; (ii) for any Dunkin' Restaurants already located or under development within the Store Development Area that we identify on an exhibit to the Store Development Agreement, and (iii) for certain SDO opportunities in the Store Development Area.

Our rights are intended to maximize potential distribution of Dunkin' products within the Store Development Area. Typically, Store Development Areas are relatively limited in size and scope. The Store Development Area's size and development requirements may reflect other factors, including the ~~SDA's~~ Store Development Agreement's term, the number of Restaurants to be developed, length of time to develop Restaurants in the area, retail shopping facilities, major employment centers, transportation centers (train stations, bus terminals, etc.), key traffic intersections, interstate highway ramps, and population.

As part of your review of a particular trade area or territory, we may (but are not required to) provide you with certain information such as: (a) maps indicating existing Restaurants and/or competitor locations and may highlight potential areas of interest to us; and (b) demographic reports (including population and median household income) generated by third parties. It is important you validate the information we provide to you. We do not draw any inferences regarding Restaurant performance from the map or demographic information we share with you, and you may not draw any inferences from them either. We also do not represent or guarantee that the existence of a certain level of demographics, maps or trade area characteristics will translate to a certain level of financial performance, and you may not draw any such inferences based upon any of the information we provide to you. The information is not provided for that purpose.

If you sign ~~an SDA~~ [Store Development Agreement](#), you will be responsible for developing at least the minimum number of Restaurants set forth in the ~~SDA~~ [Store Development Agreement](#). We determine the size of the Store Development Area, the number of Restaurants, the duration of the ~~SDA~~ [Store Development Agreement](#) and the development schedule across the ~~SDA~~ [Store Development Agreement](#). Each proposed location must be submitted to us for our review, must meet our design standards, and may be developed only if we provide our prior written approval. If you do not continue to meet our then-current guidelines for ~~multi-Restaurant~~ [multi-restaurant](#) development and ownership, then our approval of your development or opening of scheduled Restaurants may be withheld. You will be granted limited territorial protected rights during the term of the ~~SDA~~ [Store Development Agreement](#). You must open and continuously operate Dunkin' Restaurants in the Store Development Area according to the Development Schedule to maintain your rights under the ~~SDA~~ [Store Development Agreement](#). If you do not comply with the Development Schedule or the other provisions of the ~~SDA~~ [Store Development Agreement](#) or any Franchise Agreement, then, among other things, we may terminate the ~~SDA~~ [Store Development Agreement](#).

If you are offered and you sign ~~an SDA~~ [Store Development Agreement](#) with one or more conditional options to extend, you will need to execute an Addendum to the ~~SDA~~ [Store Development Agreement](#) and meet all conditions outlined in that Addendum to exercise those options. We do not anticipate making this option to extend available to anyone who is developing more than ~~three~~ [3](#) Restaurants and it will not necessarily be available for all ~~SDAs of three~~ [Store Development Agreement of 3](#) Restaurants or less. We may modify or cancel this program at any time.

If we approve your addition of a Baskin-Robbins Restaurant to your Restaurant, you will be required to pay to our affiliate, Baskin-Robbins, an additional IFF, and you will need to execute a Combo ~~FA~~ [Franchise Agreement](#). If we grant you the right to develop multiple Combo Restaurants, then you will execute a Combo ~~SDA~~ [Store Development Agreement](#). (See Item 5.)

In addition, if there are Restaurants operated by other Dunkin' franchisees in the Store Development Area, then we reserve the right to approve the relocation of each of those Restaurants within its already-existing trade area.

For each Restaurant you develop under the ~~SDA~~ [Store Development Agreement](#), you will sign ~~an FA~~ [Franchise Agreement](#). Under the ~~FA~~ [Franchise Agreement](#), you will be granted the right to operate one Restaurant at a specific location that is specified in the ~~FA~~ [Franchise Agreement](#) or its exhibits, and only at that location. You will not be granted any additional rights, any minimum territory, or other protected rights.

Unless your ~~SDA~~ [Store Development Agreement](#) provides for additional development, you do not have a right to develop and open additional Restaurants. You also will not have any options or similar rights to acquire additional Restaurants. You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution, from products we license, or competitive brands that we control.

Affiliated Franchised Brands

Except as described in Item 1, we do not operate or franchise, or currently plan to operate or franchise, any business under a different trademark that sells or will sell goods or services similar to those that our franchisees sell. However, our affiliates, including the Affiliated Programs described in Item 1 and other portfolio companies that currently are or in the future may be owned by private equity funds managed by Roark Capital Management, LLC, may operate and/or franchise businesses that sell similar goods or services to those that our franchisees sell. Item 1 describes our current Affiliated

Programs that offer franchises, their principal business addresses, the goods and services they sell, whether their businesses are franchised and/or company-owned, and their trademarks. All of these other brands (with limited exceptions) maintain offices and training facilities that are physically separate from the offices and training facilities of our franchise network. Most of the Affiliated Programs are not direct competitors of our franchise network given the products or services they sell, although some are, as described in Item 1. All of the businesses that our affiliates and their franchisees operate may solicit and accept orders from customers near your business. Because they are separate companies, we do not expect any conflicts between our franchisees and our affiliates' franchisees regarding territory, customers and support, and we have no obligation to resolve any perceived conflicts that might arise.

ITEM 13: TRADEMARKS

~~Under the FA, you will be granted the right to operate a Restaurant under the Dunkin' Trademark. The term "Trademark" includes trade names, trademarks, service marks, emblems, designs, merchandising devices, and logos used to identify your Restaurant. We may also authorize (or require) that you use other current or future Trademarks to operate your Restaurant.~~

~~You must follow our rules when you use our Trademarks. You cannot use any of our company names or Trademarks as part of an entity name (for example, for a corporation, limited liability company (LLC), or partnership) e-mail address, electronic identifier, or Internet domain name, nor on any human resource documents or materials. You cannot use any of our company names or Trademarks with modifying words, designs, or symbols, except for those we license to you. Among other things, your business entity's name may not include any of our company names or Trademarks or any variation of them (for example, "Dunkin' Donuts", "Dunkin'", "DD", "Dunk") and you may not use your name in connection with our Trademarks in advertising your Restaurant (for example, "John Smith's Dunkin'"). You may not sell (and may not use any of our company names or Trademarks in connection with) any unauthorized product or service or in a manner we do not authorize in writing.~~

~~You will have the right under the FA to use the Trademarks only to operate your Restaurant and not for any other purpose or in any manner that we have not authorized in writing. You may use our Trademarks on vehicles only with our prior written consent and subject to our requirements for that kind of usage.~~

~~Our Trademarks are owned by our~~ The Franchise Agreement licenses you to use the Proprietary Marks. "Proprietary Marks" means the trademarks, service marks, logos, emblems, trade dress, trade names and other indicia of origin we periodically designate. Our affiliate, DD IP Holder LLC (as described in Item 1). ~~There is no agreement that limits our right to use or license the use of the Dunkin' Trademarks related to the franchise. When we state that we "own" the Trademarks, we mean that we own them indirectly, through DD IP Holder LLC.~~

"IP Affiliate") has ~~The marks listed below are registered~~ the following principal trademarks on the Principal Register ~~in~~ of the ~~United States~~ U.S. Patent and Trademark Office (~~the~~ "USPTO"), and all affidavits required to preserve and renew these Trademarks have been (or will be) timely filed. This list does not include every trademark we own or may license to you under the FA.:

IP Affiliate has made all required renewal and affidavit filings. There is no agreement that limits our right to use or license the use of the Proprietary Marks related to the franchise.

There are no effective material determinations of the USPTO, Trademark Trial and Appeal Board, or any state trademark administrator or any court that would impede your right to use the ~~Trademarks~~Proprietary Marks under the terms of the ~~FA~~Franchise Agreement. There are no pending infringement, opposition, or cancellation proceedings involving the ~~Trademarks~~Proprietary Marks and no pending material litigation involving the principal ~~Trademarks~~Proprietary Marks other than as may be stated in this FDD.

~~We do not know of any superior prior rights or any infringing use that could materially affect your use of our Trademarks other than as may be stated in this FDD. We are not restricted in the way we use these marks, and we therefore essentially have all the rights of the owner to license or franchise others to use these marks.~~

Your right to use the Proprietary Marks is derived only from the Franchise Agreement and is limited to operating the Restaurant according to the Franchise Agreement and all Standards we implement during the term of the Franchise Agreement. You may not sublicense the Proprietary Marks. Your unauthorized use of the Proprietary Marks is a breach of the Franchise Agreement and infringes our and IP Affiliate's rights in the Proprietary Marks. Your use of the Proprietary Marks and any goodwill established by that use are for our and IP Affiliate's exclusive benefit, and the Franchise Agreement does not confer any goodwill or other interests in the Proprietary Marks upon you (other than the right to operate the Restaurant under the Franchise Agreement). All provisions of the Franchise Agreement relating to the Proprietary Marks apply to any additional and substitute trademarks and service marks that we periodically authorize you to use. Neither you nor your Owners may directly or indirectly at any time during or after the term of the Franchise Agreement contest or assist others in contesting the validity, or our licensor's ownership, of the Proprietary Marks or register, apply to register, or otherwise seek to use or in any way control any Proprietary Mark or any confusingly similar form or variation of any Proprietary Mark.

~~You must notify us immediately if you learn about an infringement of or challenge to your use of any of our Trademarks. We will take the action we think appropriate. We will indemnify you against claims arising from your approved use of the Trademarks. We have the right to control all administrative proceedings or litigation involving our Trademarks. If we undertake the defense or prosecution of any such proceeding or litigation, you will have to execute any and all documents and do such acts and things as may be necessary, in the opinion of our counsel, to carry out such defense or prosecution.~~

use only the Proprietary Marks we periodically designate and in the manner that we periodically approve. You may not use the Proprietary Marks to advertise or sell products or services through the mail

or by any electronic or other medium, including the Internet, without our prior written approval. Our right to approve any Internet usage of our Proprietary Marks includes approval of the domain names and Internet addresses, website materials and content, social media, and all links to other sites. We have the sole right to establish an Internet “home page” or other website using any of the Proprietary Marks, and to regulate the establishment and use of linked home pages by our franchisees. You agree not to use the Proprietary Marks or the names “Dunkin’ Donuts”, “Dunkin’”, “DD”, “Dunk” or anything confusingly similar as part of your corporate or other legal name, or as part of any e-mail address, domain name, social media accounts, or other identification of you or your business, in any medium. In all approved uses of the Proprietary Marks on your business forms such as your letterhead, invoices, order forms, receipts, and contracts, you must identify yourself as our franchisee and your business as independently owned and operated in the manner that we periodically specify. You must modify or discontinue ~~the use of a Trademark if we modify or discontinue that mark. If this happens,~~ using any Proprietary Mark and/or use one or more additional or substitute trademarks or service marks as we periodically specify, and we are not required to reimburse you for your ~~tangible costs of compliance (for example, changing signs).~~ You must not directly or indirectly contest our right to our Trademarks, trade secrets, or business techniques that are part of our business.costs.

You must notify us promptly if you become aware of any actual or apparent infringement or litigation relating to the Proprietary Marks. We or IP Affiliate may take the action that we or it deems appropriate (including no action) and control exclusively any litigation or other proceeding arising from any infringement, challenge or claim or otherwise concerning any Proprietary Mark. You agree to reasonably cooperate with us (at our expense) with respect to actions that, in the opinion of our or IP Affiliate’s attorneys, are necessary or advisable to protect and maintain our and our licensor’s interests in any litigation or other proceeding or otherwise to protect and maintain our and IP Affiliate’s interests in the Proprietary Marks. At our option, we or IP Affiliate may defend and control the defense of any claims disputing your use of, or challenging the validity of, or our or IP Affiliate’s rights in, any Proprietary Mark.

We agree to defend, indemnify and hold you and your successors and assigns harmless from, including by reimbursing any reasonable attorneys’ fees and other costs and expenses you incur in connection with, any claims disputing your use of, or challenging the validity of or our (or IP Affiliate’s) rights in, any Proprietary Mark we license you under the Franchise Agreement, as long as the claim does not arise from your use of any Proprietary Mark in breach of the Franchise Agreement, the Manual or the Standards.

If we permit you to operate the Dunkin’ Restaurant at a Multi-Brand Location, you may use the Other Franchisor’s trademarks licensed to you under the Other Franchise Agreement in connection with the operation of the Other Restaurant at the Multi-Brand Location.

ITEM 14: PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION

Copyrights

~~We own common law~~ No patents or patent applications are material to the franchise. We claim copyrights in the ~~Brand manual~~ Manuals, magazines, posters, toys, pamphlets, brochures, television advertisements, and all other printed and pictorial materials that we produce (whether or not those are registered with the U.S. Copyright Office), and we will make these available to you for your use under the terms of the ~~FA. These materials are our proprietary property and must be returned to us upon expiration or termination of the FA.~~ Franchise Agreement. We have not registered these copyrights with

the United States Copyright Office but need not do so at this time to protect them. You may use these items only as we specify while operating your Restaurant and must stop using them if we so direct you.

There currently are no ~~currently~~ effective ~~adverse~~ determinations of the ~~U.S. Patent and Trademark Office~~ USPTO, the U.S. United States Copyright Office, or any court ~~concerning any significant copyright that we hold. There are no currently effective agreements pursuant to which we derive our rights in such copyrights which could limit your use thereof. The FA does not obligate us to protect any of the rights that you have to use any copyright, nor does the FA impose any other obligation upon us concerning copyrights. We are not aware of any infringements~~ regarding the copyrighted materials. No agreement limits our right to use or allow others to use the copyrighted materials. We do not actually know of any infringing uses of our copyrights that could materially affect your use of ~~any copyright~~ copyrighted materials in any state. We need not protect or defend copyrights, although we may do so if in the system's best interests. We may control any action we choose to bring, even if you voluntarily bring the matter to our attention. We need not participate in your defense and/or indemnify you for damages or expenses in a proceeding involving a copyright.

We will disclose certain confidential information to you during the terms of the Franchise Agreement. "Confidential Information" includes information relating to us or the Dunkin' System that is proprietary, provides a competitive advantage to Dunkin' Restaurants, and is not generally available to the public, including development plans for Dunkin' Restaurants; certain proprietary information in the Manuals and Standards, including recipes, products and specifications; data relating to past advertising, marketing, promotional, customer relationship management and other brand-related programs and materials used by Dunkin' Restaurants and future plans for those programs; knowledge of specifications for and suppliers of certain proprietary Operating Assets and other products and services that Dunkin' Restaurants use or sell; and other trade secrets and proprietary know-how relating to the methods of developing, operating and marketing the Restaurant. We and our affiliates own all right, title and interest in and to the Confidential Information.

Under the Franchise Agreement you will agree that you and your Owners (1) will not use any Confidential Information in any other business or capacity, whether during or after the term of the Franchise Agreement, and will not sell, trade or otherwise profit in any way from the Confidential Information, except during the term of the Franchise Agreement using methods we approve; (2) will keep the Confidential Information absolutely confidential, both during the term of the Franchise Agreement and thereafter for as long as the information is not in the public domain, and will not make unauthorized copies of any Confidential Information disclosed in written or other tangible or intangible form; and (3) will adopt and implement all reasonable procedures that we periodically designate to prevent unauthorized use or disclosure of Confidential Information, including restricting its disclosure to Restaurant personnel and others needing to know such Confidential Information to operate the Restaurant, and using confidentiality agreements we specify with those having access to Confidential Information.

"Confidential Information" does not include information, knowledge or know-how that is or becomes generally known in the restaurant industry (without violating an obligation to us or our affiliates) or that you knew from previous business experience before we provided it to you (directly or indirectly). If we include any item in Confidential Information, anyone who claims that it is not Confidential Information must show by reasonable evidence that the exclusion in this paragraph is fulfilled.

All ideas, concepts, techniques or materials relating to a Dunkin' Restaurant, whether or not protectable intellectual property and whether created by or for you or your Owners (including the ideas, concepts, techniques or materials developed for you by your employees or contractors to which you own

the intellectual property rights) (collectively, “Innovations”) must be promptly disclosed to us and will be deemed to be our sole and exclusive property, part of the System, and works made-for-hire for us. To the extent any Innovation does not qualify as a work made-for-hire for us, by this paragraph you assign ownership of that Innovation, and all related rights to that Innovation, to us and agree to execute (and to cause your Owners to execute) whatever assignment or other documents we reasonably request to evidence our ownership or to help us obtain intellectual property rights in the Innovation. We and our affiliates have no obligation to make any payments to you or any other person with respect to any Innovations. You may not use any Innovation in operating the Restaurant or otherwise without our prior approval.

Confidential Manuals

~~To protect our reputation and goodwill and to maintain high standards of operation under our Trademarks, you must conduct your business in accordance with our operations manual. We will give you access to our operations manuals, which we have the right to provide in any format we choose (including paper, digitally, or online), for the term of the FA.~~

~~You must always accord confidential treatment to the operations manuals, any other manuals we create (or that we approve) for use with the franchised business, and the information contained in those manuals. You must use all reasonable efforts to maintain this information as secret and confidential. You may never copy, duplicate, record, or otherwise reproduce these operations manuals and the related materials, in whole or in part (except for the parts of the operations manuals that are meant for you to copy, which we will clearly mark as such), nor may you otherwise let any unauthorized person have access to these materials. These operations manuals will always be our sole property. You must always maintain the security of the operations manuals.~~

~~We may periodically revise the contents of the operations manual, and you must consult the most current version and comply with each new or changed standard. If there is ever a dispute as to the contents of the operations manuals, the version of the operations manuals that we maintain will be controlling.~~

Confidential Information

~~Except for the purpose of operating the Restaurant under the FA, you may never (during FA's term or later) communicate, disclose, or use for any person's benefit any of the confidential information, knowledge, or know-how concerning the operation of your Restaurant that may be communicated to you or that you may learn by virtue of your operation of a Restaurant. You may divulge confidential information only to those of your employees who must have access to it to operate the Restaurant. All information, knowledge, know-how, and techniques that we designate as confidential will be deemed confidential for purposes of the FA. However, this will not include information that you can show came to your attention before we disclosed it to you; or that at any time became a part of the public domain, through publication or communication by others having the right to do so.~~

~~Whenever we state that we “own” this intellectual property, we mean that we own it indirectly, through our affiliate, DD IP Holder LLC (see Item 1).~~

Patents

~~We do not own any patents that are material to the franchise being offered.~~

ITEM 15:
OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You must devote continuous best efforts to the development, management, and operation of your business, which includes the devotion of sufficient time and resources to ensure full and complete compliance with your obligations to us under the Franchise Agreement, and if applicable, the Store Development Agreement. You must develop and operate the Restaurant in compliance with our Standards.

If you sign a Store Development Agreement, you or your Controlled Affiliate must locate sites for and develop the required number of Dunkin' Restaurants agreed to under the Development Schedule and located within the Store Development Area. A "Controlled Affiliate" means any corporation, limited liability company or other entity of which you (or, if you are an entity, your direct or indirect owners (collectively, the "Owners")) own, directly or indirectly, at least 51% of the total ownership interests, provided that the Controlled Affiliate's remaining direct and indirect owners satisfy our then-current requirements for non-controlling owners of Dunkin' Restaurant developers and obtain our approval. Additionally, if you are an entity, then each Owner must sign our then-current form of guaranty to be personally bound by all provisions of the Store Development Agreement and any ancillary agreements between us and you.

Under the Franchise Agreement, you must develop and operate the Dunkin' Restaurant in compliance with the terms of the Franchise Agreement, including our Standards and Manuals. If you are a corporation, limited liability company, or other entity, then you agree that each Owner must sign our then-current form of guaranty to be personally bound by all provisions of the Franchise Agreement and any ancillary agreements between us and you.

Development of your Business

~~If you have an SDA, in addition to managing individual Restaurant(s) operations and sales, you must ensure that locations are selected, approved, and developed in accordance with your SDA development schedule. You will be then required to manage all facets of a multi-unit retail business, with some operating 24 hours a day, 7 days a week, including production, transportation, and distribution, with attendant cost controls and record keeping requirements.~~

~~You must devote continuous best efforts to the development, management, and operation of your business. This means devoting sufficient time and resources to ensure full and complete compliance with your obligations to us, to your guests and to others. The business is a challenging one. It requires and responds to personal attention. It is most important that you personally be involved in all facets of the business. You must be able to organize the business so that our standards of service, quality, and cleanliness are maintained, and you must set standards for your employees to follow. The business requires a firm, personal commitment and, at least initially, may require many long hours. In addition to production skills, you must also understand and be able to perform all the sales, operations, management, and maintenance functions required to ensure successful operation of the business. You must have effective, vigilant cash management procedures to avoid employee theft.~~

~~You can minimize these demands on you personally by attracting, motivating, and retaining capable development, supervisory, production, transportation, and sales personnel. We may provide you with certain suggested basic procedures and guidelines to use in recruiting, training, and motivating your personnel. However, recruiting, training and motivating employees are your responsibility.~~

Operation of your Restaurant

As a new franchisee ~~of an individual Restaurant~~, you may expect to perform a substantial amount of manual labor, especially during the first year of operation. ~~You may need~~ During the beginning of the term of the Franchise Agreement, you should expect to work a full shift in the Restaurant every day ~~to operate the Restaurant successfully. If sales and profits are high, you may not need to do that, but you must be willing and able to meet this requirement. Your personal “on-premises. However, your personal “on-premises” supervision is not required, however, if you use a separate on-premises manager, then that under the terms of the Franchise Agreement. Your~~ on-premises manager must be trained in accordance with our training requirements. ~~(See Item 11)~~ We recommend ~~that your on-premises manager have an ownership interest in your corporation, limited liability company (LLC), or partnership you, but it this is not a requirement required under the terms of the Franchise Agreement.~~ Your on-premises manager cannot have an interest or business relationship with any ~~of our competitors~~ a Competitive Business. You must keep confidential ~~our Restaurant development and operations methods and all other information we deem to be confidential. You~~ the Confidential Information, although you may share this information with your employees ~~only to the extent necessary for them to conduct their job requirements and if they are under an obligation to maintain the information in confidence.~~

Personal Guarantees, Ownership Requirements

~~If you choose to use a business entity (partnership, corporation, or LLC) to operate the business at any Restaurant, you, and your officers, directors, shareholders, members, managers, and partners (as applicable) must personally guarantee the entity's performance of all the franchisee's obligations under the franchise agreement and lease (if applicable). This personal guarantee applies to all money and other obligations, such as non-competition provisions of the FA.~~

~~If you have an SDA, you are permitted to form subsidiary corporations, LLCs, or partnerships for each Restaurant you open. You (together with your majority shareholder or partner) must retain at least a 51% interest in each subsidiary and all developers who sign the SDA must have an interest in each subsidiary. All changes to ownership structure are subject to approval by us and subject to re-qualification, as necessary. All new minority shareholders of the subsidiaries must be approved by us and must also sign a personal guarantee.~~

ITEM 16: RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

We require you to confine your business to the operation of a Restaurant. You may not conduct any other business or activity at the Restaurant without our prior written approval.

You may only offer or sell products that we have approved, and you must offer for sale the full menu that we require. We may periodically add, delete, or change the list of products that you are required to offer at your Restaurant. There are no limits on our right to do so. If you ~~have~~ operate a Dunkin' Restaurant from an SDO Restaurant location, the menu that we require may be different ~~than our typical menu from the full menu required at traditional Baskin-Robbins Restaurants.~~

In offering products for sale, you may only use ingredients, products, materials, supplies, paper goods, uniforms, fixtures, furnishings, signs, and equipment that we have approved, and you also must follow our required methods of product preparation and delivery.

Your franchise is limited to one location and all sales must be made only from that location. You are not permitted to sell or distribute goods or services through the Internet or other electronic

communications without our prior written authorization. We have the right to require which third party services are permitted relating to your Restaurant, under what conditions, and for how long, and to establish standards for your use of delivery or catering services and, we have the right to change those standards periodically as we see fit. You may incur costs associated with third party delivery services including hardware, software, delivery fees, service fees, and other expenses.

[If we permit you to operate the Dunkin' Restaurant at a Multi-Brand Location, you may offer the products and services authorized by the Other Franchisor under the Other Franchise Agreement in connection with the operation of the Other Restaurant at the Multi-Brand Location.](#)

ITEM 18: PUBLIC FIGURES

We do not use any public figure in promoting the sale of our franchise.

ITEM 19: FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

There were ~~7,261~~7,496 single-branded franchised Dunkin' Restaurants (excluding Combo and SDO Restaurants) operating in the Continental U.S. as of December 31, ~~2022~~2023. We excluded ~~223~~287 single-branded franchised Dunkin' Restaurants from the financial performance representations because they first opened for business after January 1, ~~2022~~2023 and did not operate for the full 12 months from January 1, ~~2022~~2023 through December 31, ~~2022~~2023. We also excluded ~~85~~166 single-branded franchised Dunkin' Restaurants that closed between January 1, ~~2022~~2023 and December 31, ~~2022~~2023, all of which had operated for more than 12 months before they closed. These financial performance representations also exclude the ~~34~~32 company-owned Dunkin' Restaurants.

We also exclude from the first 5 tables of this financial performance representation ~~any~~3 single-branded franchised Dunkin' Restaurants located in Alaska or Hawaii and Restaurants that qualify as SDOs (other than those that are Gas & Convenience Restaurants). We do not believe that the results of Restaurants in Alaska or Hawaii have a reasonable basis for prospective franchisees developing Restaurants in the Continental U.S., and Restaurants that qualify as SDOs have sales and cost structures that vary widely from one location to another. Similarly, we do not make any financial performance representation for a prospective franchisee developing a Restaurant in Alaska or Hawaii or a Restaurant that qualifies as an SDO.

The first 4 tables provide financial performance representations that are actual, historical results of the remaining ~~7,038~~7,209 single-branded franchised Dunkin' Restaurants in the Continental U.S. (excluding Combo and SDO Restaurants) that were open for business to the public for at least one year at the end of the one-year measuring period on December 31, ~~2022~~2023. The first 4 tables of financial performance representations reflect the average sales for different types of locations (as described in the

notes) and located in various Regions (as defined in the notes) from January 1, ~~2022~~2023 through December 31, ~~2022~~2023.

We also asked the ~~7,038~~7,209 single-branded franchised Dunkin' Restaurants to report to us their costs of goods sold, labor costs, and other costs for the period from January 1, ~~2022~~2023 until December 31, ~~2022~~2023. Not all of the franchisees have provided this information. Table 5 provides financial performance representations that are the actual historical results for the ~~6,991~~7,090 single-branded franchised Dunkin' Restaurants that provided us their cost of goods sold and labor cost information, located in various Regions, from January 1, ~~2022~~2023 through December 31, ~~2022~~2023.

Combo Restaurants

There were ~~1,194~~1,229 franchised Combo Restaurants (excluding SDO Restaurants) operating in the Continental U.S. as of December 31, 2022, all operated by franchisees. We excluded ~~303~~3 of them from these financial performance representations because they first opened for business after January 1, ~~2022~~2023 and did not operate for the full 12 months from January 1, ~~2022~~2023 through December 31, ~~2022~~2023.

We also excluded the ~~169~~ Combo Restaurants that closed between January 1, ~~2022~~2023 and December 31, ~~2022~~2023, all of which had operated for more than 12 months before they closed. There were no Combo Restaurants that we or our affiliates operated as of December 31, ~~2022~~2023.

We also excluded from these financial performance representations the Combo Restaurants located in Alaska or Hawaii. (Zero combos in Alaska or Hawaii) We do not believe that the results of Combo Restaurants in Alaska or Hawaii have a reasonable basis for prospective franchisees developing Combo Restaurants in the Continental U.S. Similarly, we do not make any financial performance representation for a prospective franchisee developing a Combo Restaurant in Alaska or Hawaii.

Tables 6 and 7 provide financial performance representations that are actual, historical results of the remaining ~~1,164~~1,196 Combo Restaurants in the Continental U.S. (excluding SDO Restaurants) that were open for business to the public for at least one year at the end of the one-year measuring period on December 31, ~~2022~~2023. Tables 6 and 7 of financial performance representations reflect the average sales for different types franchised Combo Restaurants in various Regions of the Continental U.S. from January 1, ~~2022~~2023 through December 31, ~~2022~~2023.

We also asked the ~~1,164~~1,196 Combo Restaurants to report to us their costs of goods sold, labor costs, and other costs for the period from January 1, ~~2022~~2023 until December 31, ~~2022~~2023. Not all of the franchisees have provided this information.

Table 8 provides financial performance representations that are the actual historical results for the ~~1,148~~1,170 franchised Combo Restaurants that provided us their cost of goods sold and labor cost information, located in various Regions, from January 1, ~~2022~~2023 through December 31, ~~2022~~2023.

Notes:

1. We compiled the sales and cost figures for these financial performance representations using historical information that franchisees report to us. All of these financial performance representations reflect the actual operating results of franchised restaurants. Prospective franchisees and sellers of franchises should be advised that no certified public accountant has audited these figures or expressed his or her opinion concerning their contents or form. Upon your reasonable request, we will provide written substantiation for these financial performance representations. The franchised Dunkin' Restaurants and Combo Restaurants whose results appear in this Item 19 offer essentially the same products and services, face the same kinds of competitive challenges (depending on the Region and location), and receive the same level of support from us that we expect new franchises will experience, although we regularly add new products and product line extensions and discontinue products, sometimes only for certain restaurants.
2. The term "Sales" in this Item 19 means Gross Sales, which means all revenue related to the sale of approved products and provision of services (including direct delivery, catering and/or delivery services through third parties) through the operation of the franchised Restaurant, but does not include money received for the sale of stored value cards and deposited into a central account maintained for the benefit of the System; taxes collected from guests on behalf of a governmental body; or the sale of approved products to another entity franchised or licensed by us for subsequent resale.

Sales in Regions with a higher concentration of Restaurants that have operated for a substantial period of time tend to have higher sales than regions with a lower concentration of Restaurants that have been in operation for a lesser time period. The average length of time that the standalone franchised Dunkin' Restaurants in the first set of tables has been in operation is ~~16.1~~17.0 years. The average length of time that the franchised Combo Restaurants in the second set of tables has been in operation is ~~14.3~~18.7 years. A restaurant's sales also vary based on, among other things, the owner's operational ability, capital and financing (including working capital), commitment to training staff, customer service orientation, restaurant location and site criteria (including traffic count and which side of the street (morning drive or afternoon drive side) the restaurant is located on), local household income, residential and/or daytime populations, ease of ingress and egress, seating, parking, the physical condition of the restaurant, and the visibility of exterior sign(s). Sales also may be affected by fluctuations due to seasonality (particularly in colder climates), weather and periodic marketing and advertising programs. Many of the franchised Restaurants have been open and operating for several years and have an existing customer base. For franchised Combo Restaurants, many Baskin-Robbins franchisees actively pursue cake sales opportunities. Seasonality and weather also may significantly affect sales of ice cream and related products. Some restaurants' sales may include wholesale accounts and other distribution outlets, which may not be available to all Restaurants.

3. "COGS" means the cost of goods sold including food, beverages and items served or associated with the food or beverage, such as cups, napkins, straws, bags, plastic utensils and wrapping paper. A restaurant's COGS will vary based on, among other things, the owner's operational ability (including experience with managing quick service restaurant operations), experience building and managing an organization, and commitment to training staff. Many of the franchised Restaurants have been open and operating for several years and may have lower cost percentages due to years of experience managing costs. Factors affecting COGS include the price of raw materials; the ability to manage and implement proper controls of waste, ruin, loss, theft and the

portion sizes served to the public; regional differences; temporary shortages; the mix of food and beverage items sold; whether the restaurant purchases finished products manufactured at another location; fluctuations in the price of coffee and certain other items and ingredients; seasonal and weather fluctuations; and fluctuations due to periodic marketing and advertising programs. Additionally, freight charges may be higher in some areas and are impacted by the cost of gasoline.

4. “Labor costs” means the salaries and wages paid to the franchised Restaurant’s store manager and crew members. It does not include any other amounts associated with employing the franchised Restaurant’s workers, like training wages and costs, payroll taxes, worker’s compensation insurance, bonuses and other employee benefits, or costs to maintain payroll services. Labor costs also do not include any salaries, wages or other expenses associated with multi-unit leaders or managers or other personnel who provide services to multiple restaurants within an organization. A franchised Restaurant’s Labor costs will vary based on, among other things, the owner’s operational ability (including experience with managing quick service restaurant operations), experience building and managing an organization, and commitment to training staff. Many of the franchised Restaurants have been open and operating for several years and may have lower cost percentages due to years of experience managing costs. Factors affecting Labor costs include the local labor market and any applicable federal~~-of~~, state, or local minimum wage law; healthcare legislation; employee turnover and the ability to train and retain employees; owners’ compensation rates that may be included in labor, which varies among franchisees; salary and benefits programs, and scheduling.
5. The site types listed in the following tables are defined as follows:
 - a. Freestanding: A Restaurant, either newly constructed or an existing structure (to be retrofit), that does not share any common walls with any third party.
 - b. Shopping Center/Storefront: A Restaurant that shares a common wall (or walls) with third parties. The Restaurant could be an anchor (endcap) or inline tenant space in a strip center, or it could be a location in a high density, multiple level construction (typically urban/downtown office building setting) sharing common wall and ceiling/floor construction with any third party.
 - c. Gas & Convenience Restaurants: A Restaurant that is a sub-or shared tenancy within a Gas & Convenience host environment.
 - d. Drive-Thru Only: A Restaurant that does not have any indoor seating, but allows customers to drive up to the structure to place orders. In some cases, there may be a walk-up window or front counter. Drive-Thru Only Restaurants may be Freestanding, Shopping Center/Storefront or Gas & Convenience but are typically smaller than their counterparts with indoor seating.
6. Where “N/A” appears in the tables in this Item 19, there are fewer than 10 restaurants in the applicable group. While we do not report the results of that few restaurants separately due to concerns of identifying specific Restaurant results, we do include them in Total Restaurants in the Continental U.S.
7. The Region descriptions are approximations. Some franchised Restaurants included in this data may not precisely follow the descriptions below. For example, some franchised Restaurants near

the boundary of another Region may be included in that other Region's data. As used throughout the FDD, "Regions" means:

Each confidentiality agreement was entered into as part of a settlement of a dispute between us and the current or former franchisee. In some instances, current and former franchisees sign provisions restricting their ability to speak openly about their experience with us. You may wish to speak with current and former franchisees but be aware that not all such franchisees will be able to

communicate with you. See [Exhibit IG](#) for a List of Current Dunkin' Franchisees and Area Developers and [Exhibit JH](#) for a List of Former Dunkin' franchisees.

Contact information for those franchisees that have signed Dunkin' Franchise Agreements, but the ~~Dunkin'~~ Restaurant was not open as of fiscal year end is as follows:

Independent Auditors' Report

The Board of Managers and Member
DB Master Finance Parent LLC:

Opinion

We have audited the consolidated financial statements of DB Master Finance Parent LLC and its subsidiaries (the Company), which comprise the consolidated balance sheets as of December 30, 2023 and December 31, 2022, and the related consolidated statements of income and comprehensive income, member's equity, and cash flows for each of the fiscal years in the three-year period ended December 30, 2023, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 30, 2023 and December 31, 2022, and the results of its operations and its cash flows for each of the fiscal years in the three-year period ended December 30, 2023 in accordance with U.S. generally accepted accounting principles.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a

substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

DB MASTER FINANCE PARENT LLC AND SUBSIDIARIES
Notes to Consolidated Financial Statements

(1) DESCRIPTION OF BUSINESS AND ORGANIZATION

Dunkin' Brands Group, Inc. ("DBGI" or "Parent"), together with its consolidated subsidiaries, is one of the world's leading franchisors of restaurants serving coffee and baked goods, as well as ice cream, within the quick service restaurant segment of the restaurant industry. On January 14, 2015, in preparation for the initial securitization financing transaction, DB Master Finance Parent LLC ("Master Issuer Parent") was formed as a special purpose Delaware limited liability company, and an indirect subsidiary of DBGI. On January 26, 2015, in conjunction with the closing of the securitization financing transaction, Master Issuer Parent received a contribution of net assets from its parent through the receipt of 100% of the equity interests of DB Master Finance LLC ("Master Issuer"), an existing subsidiary of DBGI. Prior to this contribution of net assets to Master Issuer Parent, Dunkin' Brands, Inc. ("DBI" or "Manager") underwent an internal reorganization of its corporate structure to group specific assets within Master Issuer and its subsidiaries for purposes of facilitating the securitization financing transaction. Most of the domestic, and certain of the foreign, revenue-generating assets of DBGI are held by Master Issuer and its subsidiaries for the purpose of making these assets, including any cash generated thereby, available to the securitization entities to service debt obligations and to pledge these assets as collateral pursuant to a base indenture. The contributed assets and liabilities were recorded at historical cost.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation and Consolidation

The accompanying consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). All significant transactions and balances between the Master Issuer Parent and its subsidiaries have been eliminated in consolidation.

Use of Estimates in the Preparation of the Financial Statements

The preparation of consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fiscal Year

The Company's fiscal reporting periods consist of 52 or 53 weeks ending on the last Saturday in December and are referred to herein as (1) "the fiscal year ended December 30, 2023" or "2023," (2) "the fiscal year ended December 31, 2022" or "2022," (3) "the fiscal year ended December 25, 2021" or "2021." 2023 and 2021 consisted of 52 weeks and 2022 consisted of 53 weeks.

Notes to Consolidated Financial Statements

Restricted Cash and Cash Equivalents

The Company continually monitors its positions with, and the credit quality of, the financial institutions in which it maintains its deposits and investments. As of December 30, 2023 and December 31, 2022, the Company maintained balances in various cash accounts in excess of federally insured limits. All highly liquid investments with a maturity of three months or less when acquired are considered cash equivalents.

The Company believes that its vulnerability to risk concentrations in its cash equivalents is mitigated by its policies restricting the eligibility, credit quality and concentration limits for its placements in cash equivalents.

The Company holds restricted cash which primarily represents interest, principal, and commitment fee reserves related to the Company's notes. In accordance with the Company's securitized financing facilities, certain cash balances are required to be held for the benefit of the noteholders and are restricted in their use.

Accounts Receivable, net and Notes and Other Receivables, net

The Company's receivables are primarily generated from ongoing business relationships with its franchisees as a result of franchise agreements, including contributions due to advertising funds it consolidates. These receivables from franchisees are generally due within 30 days of the period in which the corresponding sales occur and are classified as "Accounts receivable, net" on the consolidated balance sheets. Receivables from third party gift card distributors and channel revenue receivables are included as "Notes and other receivables, net" on the consolidated balance sheets. The Company monitors the financial condition of its franchisees and licensees and estimates the allowance for credit losses based upon the lifetime expected loss on receivables. These estimates are based on historical collection experience with our franchisees and licensees as well as other factors, including those related to current market conditions and events. While the Company uses the best information available in making its determination, the ultimate recovery of recorded receivables is also dependent upon future economic events and other conditions that may be beyond its control. Included in the allowance for credit losses is a provision for uncollectible royalty, franchise fee, advertising fee, ice cream, and licensing fee receivables.

Property and Improvements, net

Property and improvements are stated at cost less accumulated depreciation. Depreciation is computed on the straight-line method basis using estimated useful lives of the related major classes of property and improvements. Estimated useful lives are 6 to 35 years for buildings and 1 to 20 years for leasehold improvements. Leasehold improvements are depreciated over the shorter of the estimated useful life or the remaining lease term of the related asset.

Routine maintenance and repair costs are charged to expense as incurred. Major improvements, additions, or replacements that extend the life, increase capacity, or improve the safety or the efficiency of property are capitalized at cost and depreciated. Major improvements to leased property are capitalized as leasehold improvements and depreciated. Interest costs incurred during the acquisition period of capital assets are capitalized as part of the cost of the asset and depreciated. Long-lived assets to be disposed of are reported at the lower of their carrying amount or fair value less estimated costs to sell.

Leases

The Company evaluates the contracts it enters into to determine whether such contracts contain leases. A contract contains a lease if the contract conveys the right to control the use of identified property or equipment for a period of time in exchange for consideration. Our contracts do not contain any material residual value guarantees or material restrictive covenants. At commencement, contracts containing a lease are further evaluated for classification as an operating or finance lease where the Company is a lessee, or as an operating lease where the Company is a lessor or sublessor, based on their terms.

Management makes certain estimates and assumptions regarding each new lease and sublease agreement, renewal and amendment, including, but not limited to, property values, market rents, property lives, discount rates and probable term, all of which can impact the classification of and accounting for the Company's leases. The amount of depreciation, interest and rent expense and income reported would vary if different estimates and assumptions were used.

The Company has lease agreements with lease and non-lease components. The Company elected the practical expedient to not separate non-lease components from lease components for all classes of underlying assets.

DB MASTER FINANCE PARENT LLC AND SUBSIDIARIES
Notes to Consolidated Financial Statements

Operating Leases

Operating lease assets and liabilities are recognized upon lease commencement. The Company recognizes operating lease liabilities equal to the future unpaid lease payments for non-cancelable operating leases having an initial lease term in excess of one year, discounted by the Company's incremental borrowing rate. As most leases do not provide an implicit discount rate, the Company's incremental secured borrowing rate is used based on the information available at commencement date in determining the present value of lease payments. The IBR is determined using the current yield of the Company's secured debt, adjusted for the lease term.

Minimum lease payments or receipts, including minimum scheduled rent increases, are recognized as rent expense where the Company is a lessee, or income where the Company is a lessor, as applicable, on a straight-line basis over the applicable lease terms. There is a period under certain lease agreements referred to as a rent holiday that generally begins on the possession date and ends on the rent commencement date. During a rent holiday, no cash rent payments are typically due under the terms of the lease; however, expense is recorded for that period on a straight-line basis.

Lease cost for operating leases is recognized on a straight-line basis and includes the amortization of the right of use ("ROU") asset, net and interest expense related to the operating lease liability. Variable lease cost for operating leases includes contingent rent. Leases with an initial term of 12 months or less are not recorded in the consolidated balance sheets and are recognized on a straight-line basis over the lease term in the Company's consolidated statements of income. Lease costs are recorded in the consolidated statements of income based on the nature of the underlying lease as follows: (1) rental expense for leased property that are subsequently subleased to franchisees is recorded to "Occupancy expenses" and (2) rental expenses related to leases for corporate offices and equipment is recorded to "General and administrative expenses."

Finance Leases

Amounts of finance leases are recognized based on the present value of unpaid lease payments over the lease term. Lease cost for finance leases includes the amortization of the finance lease asset, which is amortized on a straight-line basis and recorded to "Depreciation," and interest expense on the finance lease liability, which is calculated using the effective interest method and recorded to "Interest expense." Finance lease assets are amortized over the shorter of their estimated useful lives or the terms of the respective leases, including periods covered by renewal options that the Company is reasonably assured of exercising.

Fair Value of Financial Instruments

The Company's financial instruments include restricted cash and cash equivalents, accounts receivable, notes and other receivables, accounts payable and other current liabilities. The fair value of these financial instruments approximates book value because of their short-term nature. The Company has not changed the valuation techniques used in measuring the fair value of any financial assets or liabilities during 2023.

For certain of the Company's assets and liabilities, valuation techniques under the accounting guidance related to fair value measurements are based on observable and unobservable inputs. Observable inputs reflect readily obtainable data from independent sources, while unobservable inputs reflect the Company's market assumptions. These inputs are classified into the following hierarchy:

Level 1 Inputs: Quoted prices for identical assets or liabilities in active markets.

Level 2 Inputs: Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; and model-derived valuations whose inputs are observable or whose significant value drivers are observable.

Level 3 Inputs: Pricing inputs are unobservable for the assets or liabilities and include situations where there is little, if any, market activity for the assets or liabilities. The inputs into the determination of fair value require significant management judgment or estimation.

Indefinite-Lived Intangibles and Other Long-lived Assets

Indefinite-Lived Intangibles

The Company reviews indefinite-lived intangible assets for impairment at least annually, as of the first day of our fiscal fourth quarter, and more frequently if events or changes in circumstances indicate that the carrying amount of the indefinite-lived intangible asset may not be recoverable. The Company first assesses qualitative factors to determine whether the existence of events or circumstances leads to a determination that it is more likely than not that the fair value of an indefinite-lived

DB MASTER FINANCE PARENT LLC AND SUBSIDIARIES

Notes to Consolidated Financial Statements

intangible asset is less than its carrying amount. If the qualitative factors indicate that it is more likely than not that the fair value of an indefinite-lived intangible asset is less than its carrying amount, the Company performs a quantitative impairment test. If such reviews indicate an intangible asset may not be recoverable, an impairment loss is recognized for the excess of the carrying amount over the fair value of the intangible asset.

The Company uses the relief from royalty method using unobservable inputs (Level 3) to determine the fair value of its trademarks/trade names. Significant assumptions and estimates used in determining fair value include future revenues, royalty rates, terminal values, and discount rates.

Long-lived Assets

Long-lived assets are amortized on a straight-line basis using estimated useful lives of the related classes of assets.

Other intangible assets consist of domestic and international franchise rights, retail license rights, and favorable operating lease interests acquired where the Company is the lessor. Other intangible assets recorded in the consolidated balance sheets were valued using an appropriate valuation method as of the date of acquisition. Amortization of franchise rights and license rights is recorded as amortization expense in the consolidated statements of income and amortized over the respective estimated useful lives using the straight-line method. Favorable operating leases acquired where the Company is the lessor are amortized into rental income over the term of the respective leases using the straight-line method.

The Company reviews long-lived assets, including operating lease assets, property, improvements, and allocated intangible assets subject to amortization for impairment, whenever events or changes in circumstances indicate that the carrying amount of an asset group may not be recoverable. The asset groups are not recoverable if their carrying value exceeds the undiscounted cash flows the Company expects to generate from such asset groups. If the asset groups are not deemed to be recoverable, impairment is measured based on the excess of their carrying value over their fair value.

The Company uses unobservable inputs (Level 3) to determine the fair value of its asset groups. Management judgment is necessary to estimate future cash flows, including cash flows from continuing use, terminal value, sublease income and refranchising proceeds. Accordingly, actual results could vary significantly from the Company's estimates.

Contingencies

The Company records reserves for legal and other contingencies when information available to the Company indicates that it is probable that a liability has been incurred and the amount of the loss can be reasonably estimated. Predicting the outcomes of claims and litigation and estimating the related costs and exposures involve substantial uncertainties that could cause actual costs to vary materially from estimates. Legal costs incurred in connection with legal and other contingencies are expensed as the costs are incurred.

Foreign Currency Translation

The Company's reporting currency is the U.S. dollar, while the functional currency of the Company's foreign operations is the local currency in each foreign country. Assets and liabilities are translated into U.S. dollars using the current exchange rates in effect at the balance sheet date, while revenues and expenses are translated at the average exchange rates for the period. The resulting translation adjustments are recorded as a separate component of other comprehensive income (loss) and member's equity. Foreign currency translation adjustments primarily result from the Company's subsidiary located in the UK. Transactions resulting in foreign exchange gains and losses are included in the consolidated statements of income and comprehensive income.

Revenue Recognition

Revenue is recognized in accordance with a five-step revenue model, as follows: identifying the contract with the customer; identifying the performance obligations in the contract; determining the transaction price; allocating the transaction price to the performance obligations; and recognizing revenue when (or as) the entity satisfies a performance obligation.

Franchise Fees and Royalty Revenues

Domestically, the Company sells individual franchises as well as territory agreements in the form of store development agreements ("SDAs") that grant the right to develop restaurants in designated areas. The franchise agreements and SDAs typically require the franchisee to pay initial nonrefundable franchise fees prior to opening the respective restaurants and continuing fees, or royalty revenues, on a weekly basis based upon a percentage of franchisee gross sales. The initial term of domestic franchise agreements is typically 20 years. Prior to the end of the franchise term or as otherwise provided by the

DB MASTER FINANCE PARENT LLC AND SUBSIDIARIES

Notes to Consolidated Financial Statements

Company, a franchisee may elect to renew the term of a franchise agreement and, if approved, will typically pay a renewal fee upon execution of the renewal term. If approved, a franchisee may transfer a franchise agreement or SDA to a new or existing franchisee, at which point a transfer fee is paid. Occasionally, the Company offers incentive programs to franchisees in conjunction with a franchise/license agreement, territory agreement, or renewal agreement.

Internationally, the Company sells master franchise agreements that grant the master franchisee the right to develop and operate, and in some instances sub-franchise, a certain number of restaurants within a particular geographic area. The master franchisee is typically required to pay an upfront market entry fee upon entering into the master franchise agreement and an upfront initial franchise fee for each developed restaurant prior to each respective opening. For the Dunkin' brand and in Baskin-Robbins international markets, the master franchisee will also pay continuing fees, or royalty revenues, generally on a monthly basis based upon a percentage of sales. Generally, the master franchise agreement serves as the franchise agreement for the underlying restaurants, and the initial franchise term provided for each restaurant typically ranges between 10 and 20 years.

Generally, the franchise license granted for each individual restaurant within an arrangement represents a single performance obligation. Therefore, initial franchise fees and market entry fees for each arrangement are allocated to each individual restaurant and recognized over the term of the respective franchise agreement from the date of the restaurant opening. Royalty revenues are also recognized over the term of the respective franchise agreement based on the royalties earned each period as the underlying sales occur. Renewal fees are generally recognized over the renewal term for the respective restaurant from the start of the renewal period. Transfer fees are recognized over the remaining term of the franchise agreement beginning at the time of transfer. Incentives provided to franchisees in conjunction with a franchise/license agreement, territory agreement, or renewal agreement are recognized over the remaining term of the respective agreement. Fees received or receivable that are expected to be recognized as revenue within one year are classified as current deferred revenue in the consolidated balance sheets.

Advertising Fees and Related Income

Domestically, franchise agreements typically require the franchisee to pay continuing advertising fees on a weekly basis based on a percentage of franchisee gross sales, which represents a portion of the consideration received for the single performance obligation of the franchise license. Continuing advertising fees are recognized over the term of the respective franchise agreement based on the fees earned each period as the underlying sales occur. Additionally, the Company accrues advertising expenses equivalent to advertising revenues, representing the Company's obligation to remit advertising fund contributions to affiliated entities of the Company to be used for advertising for each brand.

Rental Income

Rental income for base rentals is recorded on a straight-line basis over the lease term. The differences between the straight-line rent amounts and amounts receivable under the leases are recorded as deferred rent assets in current or long-term assets, as appropriate. Variable lease receipts are recognized as earned, and any amounts received from lessees in advance of achieving stipulated thresholds are deferred until such thresholds are actually achieved. Deferred variable lease receipts are recorded as deferred revenue in current liabilities in the consolidated balance sheets.

Licensing Fees

Licensing fees include fees generated by licensing the Company's brand names and other intellectual property to third parties and are recognized when earned, which is generally upon sale of the underlying products by the licensees. Additionally, licensing fees include fees generated pursuant to license agreements with wholly-owned subsidiaries of DBGI related to the use of Baskin-Robbins intellectual property in the sale of ice cream products to certain international markets and are recognized when earned.

Sales of Ice Cream Products

The Company distributes Baskin-Robbins ice cream products to franchisees and licensees in certain international locations. Revenue from the sale of ice cream products, including distribution fees, is recognized when title and risk of loss transfers to the buyer, which is generally upon delivery. Payment for ice cream and other products is generally due within three months after delivery.

DB MASTER FINANCE PARENT LLC AND SUBSIDIARIES
Notes to Consolidated Financial Statements

Other Revenues

Other revenues include gains, net of losses and transactions costs, from the sales of restaurants to new or existing franchisees, as well as revenues generated from online training programs for franchisees, both of which are recognized over the term of the related agreements.

Allowance for Credit Losses

The Company monitors the financial condition of its franchisees and licensees and estimates the allowance for credit losses based upon the lifetime expected loss on receivables. These estimates are based on historical collection experience with the Company's franchisees and licensees as well as other factors, including those related to current market conditions and events. While the Company uses the best information available in making its determination, the ultimate recovery of recorded receivables is also dependent upon future economic events and other conditions that may be beyond its control.

Income Taxes

Master Issuer Parent and each of its subsidiaries are limited liability companies, which are single member entities that are treated as disregarded entities for U.S. income tax purposes and included as part of DBI in the consolidated federal income tax return of Inspire. The Company has not entered into a tax-sharing agreement with Inspire nor does its limited liability company agreement provide for tax distributions. All cash is collected in or transferred to an account held in the name of Master Issuer regardless of the Company's or its affiliates' tax position. No specific dividends are required for tax payments. As a result, the accompanying consolidated statements of income and comprehensive income do not include a provision for income taxes for the disregarded entities that are included as a part of their single member, DBI, in the applicable consolidated federal income tax return. The Company incurs foreign tax expense attributable to foreign withholding taxes, which is recorded as provision for income taxes in the accompanying consolidated statements of income and comprehensive income.

Debt Issuance Costs

Debt issuance costs are presented in the consolidated balance sheets as a direct deduction from the carrying amount of the related "Long-term debt, net" and are amortized as interest expense over the term of the related debt using the effective interest method.

Concentration of Credit Risk

The Company is subject to credit risk through its accounts receivable consisting primarily of amounts due from franchisees and licensees for franchise fees, royalty revenues, advertising fees, and sales of ice cream products. In addition, the Company has note and lease receivables from certain of its franchisees and licensees. The financial condition of these franchisees and licensees is largely dependent upon the underlying business trends of the Company's brands and market conditions within the quick service restaurant industry. This concentration of credit risk is mitigated, in part, by the large number of franchisees and licensees of each brand and the short-term nature of the franchise and license fee and lease receivables. As of December 30, 2023 and December 31, 2022, no individual franchisee or master licensee accounted for more than 10% of total accounts and notes receivable. No individual franchisee or master licensee accounted for more than 10% of total revenues for any period presented.

Additionally, the Company engages various third parties to manufacture and/or distribute certain Dunkin' and Baskin-Robbins products under licensing arrangements. As of December 30, 2023 and December 31, 2022, one of these third parties accounted for approximately 11% and 12%, respectively, of total accounts and notes receivable. No individual third party accounted for more than 10% of total revenues for any period presented.

Contributions from and Distributions to Parent

Contributions from and distributions to Parent principally result from transactions with the Parent conducted in accordance with Inspire's centralized cash management policy. Such amounts are not expected to be repaid. The Company presents contributions from and distributions to Parent on a net basis on the consolidated statements of member's equity. The net distributions in a year are first recorded to "Retained earnings", if any, until the cumulative retained earnings balance is reduced to zero. Any remaining distributions in a year are then recorded to "Member's equity," if any, until the cumulative "Member's equity" balance is reduced to zero and are then subsequently recorded to "Accumulated deficit." The net contributions in a year are recorded to "Member's equity." The Company presents contributions from and distributions to Parent on a net basis as a financing activity on the consolidated statements of cash flows.

DB MASTER FINANCE PARENT LLC AND SUBSIDIARIES
Notes to Consolidated Financial Statements

Change in Accounting Principle

During 2023, the Company changed its policy for classification of certain cash balances within bank accounts that have restrictions over withdrawal and use. Such balances are now classified as "Restricted cash and cash equivalents" in the consolidated balance sheets in accordance with the Company's accounting policy. The change in principle has been applied retrospectively and resulted in the reclassification of \$15.9 million of "Cash and cash equivalents" as of December 31, 2022 to "Restricted cash and cash equivalents". This change is considered preferable as it aligns the Company's policy with Inspire's policy for restricted cash.

Reclassifications

Certain prior year amounts have been reclassified for consistency with the current year presentation. These reclassifications had no effect on the reported results of operations.

Recently Adopted Accounting Pronouncements

Reference Rate Reform (ASU 2020-04)

In March 2020, the FASB issued ASU 2020-04, "Reference Rate Reform (Topic 848): Facilitation of the Effects of Reference Rate Reform on Financial Reporting" ("ASU 2020-04"). In January 2021, the FASB clarified the scope of this guidance with the issuance of ASU 2021-01, Reference Rate Reform: Scope. ASU 2020-04 provides optional expedients and exceptions for applying GAAP for contracts, hedging relationships and other transactions that reference the London Interbank Offered Rate ("LIBOR") or another reference rate if certain criteria are met. ASU 2020-04 may be applied prospectively to contract modifications made and hedging relationships entered into or evaluated on or before December 31, 2024. The Company adopted ASU 2020-04 during the year ended December 31, 2023 utilizing the optional expedients provided. There was not a material impact as a result of the adoption.

New Accounting Pronouncements Not Yet Adopted

Income Taxes (ASU 2023-09)

In December 2023, the FASB issued ASU 2023-09, "Income Taxes (Topic 740): Improvements to Income Tax Disclosures" ("ASU 2023-09") which requires additional qualitative disclosures about specific categories of reconciling items listed in ASC 740-10-50-12A(a) and any individual jurisdictions that result in a significant difference between the statutory tax rate and the effective tax rate under ASC 740-10-50-13. ASU 2023-09 also requires entities to disclose annual income taxes paid (net of refunds received) disaggregated by federal, state and foreign taxes and in some cases to disaggregate the information by jurisdiction based on a quantitative threshold. The guidance is effective for the Company beginning in fiscal year 2026 and may be applied on either a prospective or retrospective basis. The Company is currently evaluating the potential effects of adoption of ASU 2023-09.

The Company reviewed all other newly issued accounting pronouncements and concluded that they either are not applicable to the Company's operations or that no material effect is expected on the Company's consolidated financial statements when adoption is required in the future.

Subsequent Events

The Company has evaluated subsequent events from the balance sheet date through March 22, 2024, the date these consolidated financial statements were available to be issued, and there are no items to disclose or that require adjustment.

The Securitization Notes are secured by substantially all of the assets of and guaranteed by the Master Issuer Parent and subsidiaries (collectively with the Master Issuer, “Securitization Entities”), and were issued in a securitization transaction pursuant to which certain assets such as franchise agreements, intellectual property and real property were contributed to such Securitization Entities.

Interest on the Securitization Notes is payable on a quarterly basis.

In February 2023, the Company issued \$850.0 million in Series 2023-1 Class A-1 Dunkin Variable Funding Notes ("2023 Variable Funding Notes"). At the date of issuance, the Company borrowed \$782.0 million under the 2023 Variable Funding Notes.

The 2019 Variable Funding Notes and the 2023 Variable Funding Notes allow for the issuance of up to \$150.0 million and \$850.0 million, respectively, of variable funding notes and certain other credit instruments, each including total letters of credit of \$75.0 million in support of various obligations. As of December 30, 2023, the Company had outstanding borrowings of \$150.0 million and \$381.3 million under the 2019 Variable Funding Notes and the 2023 Variable Funding Notes, exclusive of \$53.5 million letters of credit under the 2023 Variable Funding Notes. As of December 30, 2023, there was no remaining capacity for future borrowings under the 2019 Variable Funding Notes and approximately \$415.2 million remaining capacity for future borrowings under the 2023 Variable Funding Notes.

The Company recorded a gain on debt extinguishment in 2021 of \$14.2 million, consisting of a \$17.1 million write-off of the remaining debt premium related to the 2017 Class A-2-I Notes and 2019 Class A-2-I Notes, net of \$2.9 million of make-whole prepayment premium costs associated with the early repayment of the 2017 Class A-2-I Notes and 2019 Class A-2-I Notes.

The Securitization Notes are subject to a series of covenants and restrictions customary for transactions of this type. If certain covenants or restrictions are not met, the Dunkin' Securitization Notes are subject to customary accelerated repayment events and events of default. Although the Company does not anticipate an event of default or any other event of noncompliance with the provisions of the debt, if such event occurred, the unpaid amounts outstanding could become immediately due and payable. As of December 30, 2023, the Company was in compliance with all financial covenant requirements.

Although the outcome of these matters cannot be predicted with certainty and some of these matters may be resolved unfavorably to the Company, based on currently available information, including legal defenses available to the Company and its legal reserves and insurance coverages, the Company does not believe that the outcome of these other legal matters will have a material adverse effect on its consolidated financial position, results of operations or cash flows.

Independent Auditors' Report

The Stockholder and Board of Directors
Dunkin' Brands, Inc.:

Opinion

We have audited the consolidated financial statements of Dunkin' Brands, Inc. and its subsidiaries (the Company), which comprise the consolidated balance sheets as of December 30, 2023 and December 31, 2022, and the related consolidated statements of operations, comprehensive income (loss), stockholders' equity, and cash flows for each of the fiscal years in the three-year period ended December 30, 2023, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 30, 2023 and December 31, 2022, and the results of its operations and its cash flows for each of the fiscal years in the three-year period ended December 30, 2023 in accordance with U.S. generally accepted accounting principles.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a

substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation and Consolidation

The accompanying consolidated financial statements include the accounts of DBI and subsidiaries and have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). All significant transactions and balances between the Company and its subsidiaries have been eliminated in consolidation.

Use of Estimates in the Preparation of the Consolidated Financial Statements

The preparation of consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fiscal Year

The Company's fiscal reporting periods consist of 52 or 53 weeks ending on the last Saturday in December and are referred to herein as (1) "the fiscal year ended December 30, 2023" or "2023," (2) "the fiscal year ended December 31, 2022" or "2022," and (3) "the fiscal year ended December 25, 2021" or "2021." 2023 and 2021 consisted of 52 weeks and 2022 consisted of 53 weeks.

DUNKIN' BRANDS, INC. AND SUBSIDIARIES
Notes to Consolidated Financial Statements

Cash, Cash Equivalents, and Restricted Cash

The Company continually monitors its positions with, and the credit quality of, the financial institutions in which it maintains its deposits and investments. As of December 30, 2023 and December 31, 2022, the Company maintained balances in various cash accounts in excess of federally insured limits. All highly liquid instruments with an original maturity of three months or less when acquired are considered cash equivalents.

The Company believes that its vulnerability to risk concentrations in its cash equivalents is mitigated by its policies restricting the eligibility, credit quality and concentration limits for its placements in cash equivalents.

The Company holds restricted cash and cash equivalents which primarily represents interest, principal, and commitment fee reserves related to the Company's notes. In accordance with the Company's securitized financing facilities, certain cash balances are required to be held for the benefit of the noteholders and are restricted in their use.

Accounts Receivable, net and Notes and Other Receivables, net

The Company's receivables are primarily generated from ongoing business relationships with its franchisees as a result of franchise agreements, including contributions due to advertising funds it consolidates. These receivables from franchisees are due within 30 days of the period in which the corresponding sales occur and are classified as "Accounts receivable, net" on the consolidated balance sheets. Receivables from third party gift card distributors and channel revenue receivables are included as "Notes and other receivables, net" on the consolidated balance sheets. The Company monitors the financial condition of its franchisees and licensees and estimates the allowance for credit losses based upon the lifetime expected loss on receivables. These estimates are based on historical collection experience with our franchisees and licensees as well as other factors, including those related to current market conditions and events. While the Company uses the best information available in making its determination, the ultimate recovery of recorded receivables is also dependent upon future economic events and other conditions that may be beyond its control.

Property, Equipment, and Software, net

Property, equipment, and software are stated at cost less accumulated depreciation. Depreciation is computed on the straight-line basis using estimated useful lives of the related major classes of property, equipment, and software. Estimated useful lives are 1 to 10 years for store, production, and other equipment, 6 to 35 years for buildings, 1 to 20 years for leasehold improvements and 1 to 7 years for software. Leasehold improvements are depreciated over the shorter of the estimated useful life or the remaining lease term of the related asset.

Depreciation related to the advertising funds is included within advertising expenses in the consolidated statements of operations.

Routine maintenance and repair costs are charged to expense as incurred. Major improvements, additions, or replacements that extend the life, increase capacity, or improve the safety or the efficiency of property are capitalized at cost and depreciated. Major improvements to leased property are capitalized as leasehold improvements and depreciated. Interest costs incurred during the acquisition period of capital assets are capitalized as part of the cost of the asset and depreciated. Long-lived assets to be disposed of are reported at the lower of their carrying amount or fair value less estimated costs to sell.

Leases

The Company evaluates the contracts it enters into to determine whether such contracts contain leases. A contract contains a lease if the contract conveys the right to control the use of identified property or equipment for a period of time in exchange for consideration. Our contracts do not contain any material residual value guarantees or material restrictive covenants. At commencement, contracts containing a lease are further evaluated for classification as an operating or finance lease where the Company is a lessee, or as an operating lease where the Company is a lessor or sublessor, based on their terms.

Management makes certain estimates and assumptions regarding each new lease and sublease agreement, renewal and amendment, including, but not limited to, property values, market rents, property lives, discount rates and probable term, all of which can impact the classification of and accounting for the Company's leases. The amount of depreciation, interest and rent expense and income reported would vary if different estimates and assumptions were used.

The Company has lease agreements with lease and non-lease components. The Company elected the practical expedient to not separate non-lease components from lease components for all classes of underlying assets.

DUNKIN' BRANDS, INC. AND SUBSIDIARIES
Notes to Consolidated Financial Statements

Operating Leases

Operating lease assets and liabilities are recognized upon lease commencement. The Company recognizes operating lease liabilities equal to the future unpaid lease payments for non-cancelable operating leases having an initial lease term in excess of one year, discounted by the Company's incremental borrowing rate. As most leases do not provide an implicit discount rate, the Company's incremental secured borrowing rate is used based on the information available at commencement date in determining the present value of lease payments. The IBR is determined using the current yield of the Company's secured debt, adjusted for the lease term.

Minimum lease payments or receipts, including minimum scheduled rent increases, are recognized as rent expense where the Company is a lessee, or income where the Company is a lessor, as applicable, on a straight-line basis over the applicable lease terms. There is a period under certain lease agreements referred to as a rent holiday that begins on the possession date and ends on the rent commencement date. During a rent holiday, no cash rent payments are typically due under the terms of the lease; however, expense is recorded for that period on a straight-line basis.

Lease cost for operating leases is recognized on a straight-line basis and includes the amortization of the operating lease ("ROU") asset, net and interest expense related to the operating lease liability. Variable lease cost for operating leases includes contingent rent. Leases with an initial term of 12 months or less are not recorded in the consolidated balance sheets and are recognized on a straight-line basis over the lease term in the Company's consolidated statements of operations. Lease costs are recorded in the consolidated statements of operations based on the nature of the underlying lease as follows: (1) rental expense for leased property that are subsequently subleased to franchisees is recorded to "Occupancy expenses—franchised restaurants" and (2) rental expenses related to leases for corporate offices and equipment is recorded to "General and administrative expenses."

Finance Leases

Amounts of finance leases are recognized based on the present value of unpaid lease payments over the lease term. Lease cost for finance leases includes the amortization of the finance lease asset, which is amortized on a straight-line basis and recorded to "Depreciation," and interest expense on the finance lease liability, which is calculated using the effective interest method and recorded to "Interest expense." Finance lease assets are amortized over the shorter of their estimated useful lives or the terms of the respective leases, including periods covered by renewal options that the Company is reasonably assured of exercising.

Fair Value of Financial Instruments

The Company's financial instruments include cash, cash equivalents, restricted cash, accounts receivable, notes and other receivables, accounts payable and other current liabilities. The fair value of these financial instruments approximates book value because of their short-term nature. For long-term receivables, the Company reviews the creditworthiness of the counterparty on a quarterly basis, and adjusts the carrying value as necessary. The Company has not changed the valuation techniques used in measuring the fair value of any financial assets or liabilities during 2023.

For certain of the Company's assets and liabilities, valuation techniques under the accounting guidance related to fair value measurements are based on observable and unobservable inputs. Observable inputs reflect readily obtainable data from independent sources, while unobservable inputs reflect the Company's market assumptions. These inputs are classified into the following hierarchy:

Level 1 Inputs: Quoted prices for identical assets or liabilities in active markets.

Level 2 Inputs: Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; and model-derived valuations whose inputs are observable or whose significant value drivers are observable.

Level 3 Inputs: Pricing inputs are unobservable for the assets or liabilities and include situations where there is little, if any, market activity for the assets or liabilities. The inputs into the determination of fair value require significant management judgment or estimation.

DUNKIN' BRANDS, INC. AND SUBSIDIARIES
Notes to Consolidated Financial Statements

Goodwill

Goodwill represents the excess of the purchase price over the fair value of assets acquired and liabilities assumed. The Company tests goodwill by reporting unit for impairment annually as of the first day of our fiscal fourth quarter or more frequently if events or changes in circumstances indicate that it may be impaired.

The Company first assesses qualitative factors to determine whether the existence of events or circumstances leads to a determination that it is more likely than not that the fair value of a reporting unit is less than its carrying amount. If the qualitative factors indicate that it is more likely than not that the fair value of a reporting unit is less than its carrying amount, the Company performs a quantitative impairment test of goodwill. The Company estimates the fair value of the reporting unit using an income approach through a discounted cash flow analysis using unobservable inputs (Level 3) and relevant data from the guideline transaction approach and guideline public companies market approach (Level 3). Significant assumptions and estimates used in determining fair value include future revenues and cash flows, terminal values, discount rates that approximates the reporting units' weighted average cost of capital and a selection of multiples for comparable publicly traded companies as guidelines for determining fair value under the market approach.

Indefinite-Lived Intangibles and Other Long-lived Assets

Indefinite-lived Intangibles

The Company reviews indefinite-lived intangible assets for impairment at least annually, as of the first day of our fiscal fourth quarter, and more frequently if events or changes in circumstances indicate that the carrying amount of the indefinite-lived intangible asset may not be recoverable. The Company first assesses qualitative factors to determine whether the existence of events or circumstances leads to a determination that it is more likely than not that the fair value of an indefinite-lived intangible asset is less than its carrying amount. If the qualitative factors indicate that it is more likely than not that the fair value of an indefinite-lived intangible asset is less than its carrying amount, the Company performs a quantitative impairment test. If such reviews indicate an intangible asset may not be recoverable, an impairment loss is recognized for the excess of the carrying amount over the fair value of the intangible asset.

The Company uses the relief from royalty method using unobservable inputs (Level 3) to determine the fair value of its trademarks/trade names. Significant assumptions and estimates used in determining fair value include future revenues, royalty rates, terminal values, and discount rates.

Long-lived Assets

Long-lived assets are amortized on a straight-line basis using estimated useful lives of the related classes of assets.

Other intangible assets consist of domestic and international franchise rights, retail license rights, developed technology, non-compete agreements, and favorable operating lease interests acquired where the Company is the lessor. Other intangible assets recorded in the consolidated balance sheets were valued using an appropriate valuation method as of the date of acquisition. Amortization of franchise rights, license rights, developed technology and non-compete agreements is recorded as amortization expense in the consolidated statements of operations and amortized over the respective estimated useful lives using the straight-line method. Favorable operating leases acquired where the Company is the lessor are amortized into rental income over the term of the respective leases using the straight-line method.

The Company reviews long-lived assets, including operating lease assets, property, equipment, and software, and allocated intangible assets subject to amortization for impairment, whenever events or changes in circumstances indicate that the carrying amount of an asset group may not be recoverable. The asset groups are not recoverable if their carrying value exceeds the undiscounted cash flows the Company expects to generate from such asset groups. If the asset groups are not deemed to be recoverable, impairment is measured based on the excess of their carrying value over their fair value.

The Company uses unobservable inputs (Level 3) to determine the fair value of its asset groups. Management judgment is necessary to estimate future cash flows, including cash flows from continuing use, terminal value, sublease income and refranchising proceeds. Accordingly, actual results could vary significantly from the Company's estimates.

Equity Method Investments

The Company's equity method investments consist of interests in B-R 31 Ice Cream Co., Ltd. ("Japan JV"), BR-Korea Co., Ltd. ("South Korea JV"), and certain other investments, which are accounted for in accordance with the equity method. These amounts are recorded in "Equity method investments" in the consolidated balance sheets. In applying the equity method, the Company records the investments at cost and subsequently increases or decreases the carrying amount of the investments by its

DUNKIN' BRANDS, INC. AND SUBSIDIARIES
Notes to Consolidated Financial Statements

proportionate share of the net earnings or losses of the equity method investments. The share of earnings or losses are recognized in "Income from equity method investments" in the Company's consolidated statements of operations. The Company records dividends or other equity distributions as reductions in the carrying value of the investments.

The Company evaluates its equity method investments for impairment whenever an event or change in circumstances occurs that may have a significant adverse impact on the fair value of the investment. If a loss in value has occurred and is deemed to be other than temporary, an impairment loss is recorded. Several factors are reviewed to determine whether a loss has occurred that is other than temporary, including absence of an ability to recover the carrying amount of the investment, the length and extent of the fair value decline, and the financial condition and future prospects of the investee.

Contingencies

The Company records reserves for legal and other contingencies when information available to the Company indicates that it is probable that a liability has been incurred and the amount of the loss can be reasonably estimated. Predicting the outcomes of claims and litigation and estimating the related costs and exposures involve substantial uncertainties that could cause actual costs to vary materially from estimates. Legal costs incurred in connection with legal and other contingencies are expensed as the costs are incurred.

Foreign Currency Translation

The Company's reporting currency is the U.S. dollar, while the functional currency of the Company's foreign operations is the local currency in each foreign country. Assets and liabilities are translated into U.S. dollars using the current exchange rates in effect at the balance sheet date, while revenues and expenses are translated at the average exchange rates for the period. The resulting translation adjustments are recorded as a separate component of other comprehensive income (loss) and stockholders' equity, net of deferred taxes. Foreign currency translation adjustments primarily result from the Company's equity method investments, as well as subsidiaries located in Canada, the UK, Australia, and other foreign jurisdictions. Transactions resulting in foreign exchange gains and losses are included in the consolidated statements of operations.

Revenue Recognition

Revenue is recognized in accordance with a five-step revenue model, as follows: identifying the contract with the customer; identifying the performance obligations in the contract; determining the transaction price; allocating the transaction price to the performance obligations; and recognizing revenue when (or as) the entity satisfies the performance obligations.

Franchise Fees and Royalty Revenues

Domestically, the Company sells individual franchises as well as territory agreements in the form of store development agreements ("SDAs") that grant the right to develop restaurants in designated areas. The franchise agreements and SDAs typically require the franchisee to pay initial nonrefundable franchise fees prior to opening the respective restaurants and continuing fees, or royalty revenues, on a weekly basis based upon a percentage of franchisee gross sales. The initial term of domestic franchise agreements is typically 20 years. Prior to the end of the franchise term or as otherwise provided by the Company, a franchisee may elect to renew the term of a franchise agreement and, if approved, will typically pay a renewal fee upon execution of the renewal term. If approved, a franchisee may transfer a franchise agreement or SDA to a new or existing franchisee, at which point a transfer fee is paid. Occasionally, the Company offers incentive programs to franchisees in conjunction with a franchise/license agreement, territory agreement, or renewal agreement.

Internationally, the Company sells master franchise agreements that grant the master franchisee the right to develop and operate, and in some instances sub-franchise, a certain number of restaurants within a particular geographic area. The master franchisee is typically required to pay an upfront market entry fee upon entering into the master franchise agreement and an upfront initial franchise fee for each developed restaurant prior to each respective opening. For the Dunkin' brand and in certain Baskin-Robbins international markets, the master franchisee will also pay continuing fees, or royalty revenues, on a monthly basis based upon a percentage of sales. The master franchise agreement serves as the franchise agreement for the underlying restaurants, and the initial franchise term provided for each restaurant typically ranges between 10 and 20 years.

The franchise license granted for each individual restaurant within an arrangement represents a single performance obligation. Therefore, initial franchise fees and market entry fees for each arrangement are allocated to each individual restaurant and recognized over the term of the respective franchise agreement from the date of the restaurant opening. Royalty revenues are also recognized over the term of the respective franchise agreement based on the royalties earned each period as the underlying sales occur. Renewal fees are recognized over the renewal term for the respective restaurant from the start of the renewal period. Transfer fees are recognized over the remaining term of the franchise agreement beginning at the time of transfer.

DUNKIN' BRANDS, INC. AND SUBSIDIARIES
Notes to Consolidated Financial Statements

Incentives provided to franchisees in conjunction with a franchise/license agreement, territory agreement, or renewal agreement are recognized over the remaining term of the respective agreement. Additionally, for Baskin-Robbins international markets that do not pay a royalty, a portion of the consideration from the sales of ice cream and other products is allocated to royalty revenues as consideration for the use of the franchise license, which is recognized when the related sales occur and is estimated based on royalty rates in effect for markets where the franchise license is sold on a standalone basis. Fees received or receivable that are expected to be recognized as revenue within one year are classified as current deferred revenue in the consolidated balance sheets.

Advertising Fees and Related Income

Domestically and in limited international markets, franchise agreements typically require the franchisee to pay continuing advertising fees on a weekly basis based on a percentage of franchisee gross sales, which represents a portion of the consideration received for the single performance obligation of the franchise license. Continuing advertising fees are recognized over the term of the respective franchise agreement based on the fees earned each period as the underlying sales occur.

The Company and its franchisees sell gift cards that are redeemable for products in its Dunkin' and Baskin-Robbins restaurants. The Company manages the gift card program, and therefore collects all funds from the activation of gift cards and reimburses franchisees for the redemption of gift cards in their restaurants. A liability for unredeemed gift cards, as well as historical gift certificates sold, is included in other current liabilities in the consolidated balance sheets.

There are no expiration dates or service fees charged on the gift cards. While the franchisees continue to honor all gift cards presented for payment, the likelihood of redemption may be determined to be remote for certain cards due to long periods of inactivity. In these circumstances, the Company may recognize revenue from unredeemed gift cards ("breakage revenue") if they are not subject to unclaimed property laws. For Dunkin' gift cards enrolled in the DD Perks[®] Rewards loyalty program and other cards with expected similar redemption behavior, breakage is estimated and recognized at the point in time when the likelihood of redemption of any remaining card balance becomes remote, after a period of sufficient inactivity. Breakage revenue on all other Dunkin' gift cards and all Baskin-Robbins gift cards is estimated and recognized over time in proportion to actual gift card redemptions, based on historical redemption rates. Significant judgment is required in estimating breakage rates and in determining whether to recognize breakage revenue over time or when the likelihood of redemption becomes remote.

The Company also collects gift card program service fees from franchisees to offset the costs to administer the gift card program. The gift card program service fees are based on the volume of gift card transactions processed and are recognized as the underlying transactions occur.

Rental Income

Rental income for base rentals is recorded on a straight-line basis over the lease term. The differences between the straight-line rent amounts and amounts receivable under the leases are recorded as deferred rent assets in current or long-term assets, as appropriate. Variable lease receipts are recognized as earned, and any amounts received from lessees in advance of achieving stipulated thresholds are deferred until such thresholds are actually achieved. Deferred variable lease receipts are recorded as deferred revenue in current liabilities in the consolidated balance sheets.

Sales of Ice Cream and Other Products

The Company distributes Baskin-Robbins ice cream products and, in limited cases, Dunkin' products to franchisees and licensees in certain international locations. Revenue from the sale of ice cream and other products, including distribution fees, is recognized when title and risk of loss transfers to the buyer, which is upon delivery. Payment for ice cream and other products is due within three months after delivery.

Other Revenues

Other revenues include fees generated by licensing the Company's brand names and other intellectual property, as well as gains, net of losses and transactions costs, from the sales of restaurants to new or existing franchisees. Licensing fees are recognized over the term of the expected license agreement, with sales-based license fees being recognized based on the amount earned each period as the underlying sales occur. Gains on the refranchise or sale of a restaurant are recognized over the term of the related agreement.

General and Administrative Expenses

General and administrative expenses primarily consist of wages and benefits, professional service fees, and occupancy costs for corporate headquarters and regional offices.

DUNKIN' BRANDS, INC. AND SUBSIDIARIES
Notes to Consolidated Financial Statements

Income Taxes

The Company is included in the consolidated U.S. federal and certain state income tax returns of Inspire. The Company provides for federal and state taxes in accordance with a formal tax sharing agreement between Inspire and its subsidiaries ("Tax Sharing Agreement"). The Company remits tax payments directly to certain state governmental jurisdictions for itself and its subsidiaries and reimburses Inspire for all payments made on its behalf. Differences between the Company's income tax provision and cash flows attributable to income taxes pursuant to the provisions of the Company's Tax Sharing Agreement will be recognized as Distributions to Parent, net in the consolidated statements of stockholders' equity. Current amounts due to Inspire related to U.S. federal income tax are included in income taxes payable in the consolidated balance sheets.

Deferred tax assets and liabilities are recorded for the expected future tax consequences of items that have been included in the Company's consolidated financial statements or tax returns or operating loss or tax credit carryforwards. Deferred tax assets and liabilities are determined based on the differences between the financial statement carrying amounts of assets and liabilities and the respective tax bases of assets and liabilities using enacted tax rates that are expected to apply in years in which the temporary differences are expected to reverse. The effects of changes in tax rates and changes in apportionment of income between tax jurisdictions on deferred tax assets and liabilities are recognized in the consolidated statements of operations in the year in which the law is enacted or change in apportionment occurs. Deferred tax assets related to U.S. federal and state attributes are measured based on the Company's relative contribution to the Inspire consolidated deferred tax assets in accordance with the Tax Sharing Agreement. Valuation allowances are provided when the Company does not believe it is more likely than not that it will realize the benefit of identified tax assets on the Inspire consolidated Federal tax return. The Company made an accounting policy election to treat taxes due under the global intangible low-taxed income provision as a current period expense.

A tax position taken or expected to be taken in a tax return is recognized in the financial statements when it is more likely than not that the position would be sustained upon examination by tax authorities. A recognized tax position is then measured at the largest amount of benefit that is greater than fifty percent likely of being realized upon ultimate settlement. Estimates of interest and penalties on unrecognized tax benefits are recorded in the provision for income taxes.

Debt Issuance Costs

Debt issuance costs are presented in the consolidated balance sheets as a direct deduction from the carrying amount of the related "Long-term debt, net" and are amortized as interest expense over the term of the related debt using the effective interest method.

Concentration of Credit Risk

The Company is subject to credit risk through its accounts receivable consisting primarily of amounts due from franchisees and licensees for franchise fees, royalty revenues, advertising fees, and sales of ice cream and other products. In addition, the Company has note and lease receivables from certain of its franchisees and licensees. The financial condition of these franchisees and licensees is largely dependent upon the underlying business trends of the Company's brands and market conditions within the quick service restaurant industry. This concentration of credit risk is mitigated, in part, by the large number of franchisees and licensees of each brand and the short-term nature of the franchise and license fee and lease receivables. As of December 30, 2023, one master licensee, including its majority-owned subsidiaries, accounted for 11% of total accounts and notes receivable. As of December 31, 2022, no master licensee, including its majority-owned subsidiaries, accounted for more than 10% of total accounts and notes receivable. No individual franchisee or master licensee accounted for more than 10% of total revenues for any period presented.

Contributions from and Distributions to Parent

Contributions from and distributions to Parent principally result from transactions with the Parent conducted in accordance with Inspire's centralized cash management policy. Such amounts are not expected to be repaid. The Company presents contributions from and distributions to Parent on a net basis on the consolidated statements of stockholders' equity. The net distributions in a year are first recorded to "Retained earnings", if any, until the cumulative retained earnings balance is reduced to zero. Any remaining distributions in a year are then recorded to "Additional paid-in capital," if any, until the cumulative "Additional paid-in capital" balance is reduced to zero and are then subsequently recorded to "Accumulated deficit." The net contributions in a year are recorded to "Additional paid-in capital." The Company presents contributions from and distributions to Parent on a net basis as a financing activity on the consolidated statements of cash flows.

Advertising Expenses

Advertising expenses in the consolidated statements of operations includes advertising expenses incurred by the Company, primarily through advertising funds, including expenses for the administration of the gift card program and loyalty program. The Company expenses production costs of commercial advertising upon first airing and expenses the costs of communicating the advertising in the period in which the advertising occurs. Costs of print advertising and certain promotion-related items are deferred and expensed the first time the advertising is displayed. Prepaid expenses and other current assets in the consolidated balance sheets include \$18.0 million and \$17.7 million at December 30, 2023 and December 31, 2022, respectively, that was related to advertising. When revenues of the advertising fund exceed the related advertising expenses, advertising costs are accrued up to the amount of revenues.

Acquisition and Integration Related Charges

Acquisition and integration related charges include, but are not limited to, transaction costs such as banking, advisory, legal, accounting, valuation and other professional fees directly related to the acquisition, along with costs incurred towards integration of the Company's operations onto Inspire's shared service platform, employee transition costs, integration related professional fees and other post business combination expenses associated with integration activities. The acquisition and integration costs are expensed in the period in which costs are incurred and the services are received.

Change in Accounting Principle

During 2023, the Company changed its policy for classification of certain cash balances within bank accounts that have restrictions over withdrawal and use. Such balances are now classified as "Restricted cash and cash equivalents" in the consolidated balance sheets in accordance with the Company's accounting policy. The change in principle has been applied retrospectively and resulted in the reclassification of \$16.3 million of "Cash and cash equivalents" as of December 31, 2022 to "Restricted cash and cash equivalents." This change is considered preferable as it aligns the Company's policy with Inspire's policy for restricted cash.

The Company is currently evaluating the potential effects of adoption of ASU 2023-09.

The Securitization Notes are subject to a series of covenants and restrictions customary for transactions of this type. If certain covenants or restrictions are not met, the Securitization Notes are subject to customary accelerated repayment events and events of default. Although the Company does not anticipate an event of default or any other event of noncompliance with the provisions of the debt, if such event occurred, the unpaid amounts outstanding could become immediately due and payable. As of December 30, 2023, the Company was in compliance with all financial covenant requirements.

Deferred tax assets and liabilities are presented on a net basis by jurisdiction in the consolidated balance sheets. Deferred tax assets for certain foreign jurisdictions totaling \$3.4 million and \$3.7 million as of December 30, 2023 and December 31, 2022, respectively, are included in other assets in the consolidated balance sheets. At December 30, 2023, the Company had net operating loss and capital loss carryforwards in certain international jurisdictions of approximately \$15.8 million, and recorded deferred tax assets of \$3.5 million, net of valuation allowance, related to such loss carryforwards. All unused net operating losses and capital losses may be carried forward indefinitely, subject to certain restrictions on their use.

In assessing the realizability of deferred tax assets, management considers whether it is more likely than not that some portion or all of the deferred tax assets will not be realized. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable income during the periods in which those temporary differences become deductible. Management considers the scheduled reversal of deferred tax liabilities, projected future taxable income, and tax planning strategies in making this assessment. Based upon the level of historical taxable income, and projections for future taxable income over the periods for which the deferred tax assets are deductible, management believes, as of December 30, 2023, with the exception of net operating loss carryforwards attributable to certain of the Company's foreign subsidiaries for which valuation allowances have been recorded, it is more likely than not that the Company will realize the benefits of the deferred tax assets.

The Company has not recognized a foreign deferred tax liability of \$11.2 million for potential taxes on the undistributed foreign earnings, net of foreign tax credits, relating to the Company's foreign equity method investments that arose in 2023 and prior years because the Company currently does not expect those unremitted earnings to be distributed and become taxable to the

DUNKIN' BRANDS, INC. AND SUBSIDIARIES
Notes to Consolidated Financial Statements

Company in the future. A deferred tax liability will be recognized when the Company is no longer able to demonstrate that it plans to indefinitely reinvest undistributed earnings. As of December 30, 2023 and December 31, 2022, the undistributed earnings of these equity method investments were approximately \$174.9 million and \$182.1 million, respectively.

The Company has not recognized a U.S. deferred tax liability for the undistributed earnings of its foreign subsidiaries since the previously untaxed accumulated earnings and profits of those subsidiaries were subject to tax in the one-time mandatory transition tax provision in fiscal year 2017. Beginning in fiscal year 2018, the income from these subsidiaries is considered global intangible low-taxed income and a portion of those earnings are included in taxable income in the year earned. In addition, such earnings are considered indefinitely reinvested outside the U.S.. As of December 30, 2023 and December 31, 2022, the amount of cash associated with indefinitely reinvested foreign earnings was approximately \$27.8 million and \$29.9 million, respectively. If in the future the Company decides to repatriate such foreign earnings, it could incur incremental U.S. federal and state income tax. However, the Company's intention is to keep these funds indefinitely reinvested outside of the U.S. and its current plans do not demonstrate a need to repatriate them to fund the Company's U.S. operations.

On December 18, 2023, the Organization for Economic Co-operation and Development ("OECD") released a statement on the OECD/G20 Inclusive Framework on Base Erosion and Profit Shifting, which agreed to a two-pillar ("Pillar Two") solution to address tax challenges of the digital economy. Pillar Two defines a 15% global minimum tax rate for large multinational corporations. The OECD statement follows the release of the Model Rules in December 2021 and related Commentary in March 2022, the Safe Harbours and Penalty Relief document published in December 2022, and Administrative Guidance released in February 2023. The OECD continues to release additional guidance and countries are implementing legislation with widespread adoption of the Model GloBE Rules for Pillar Two expected during calendar year 2024. Currently, the global enactment of Pillar Two is not expected to materially impact the Company's effective tax rate or cash flows. The Company is continuing to evaluate the Model GloBE Rules for Pillar Two and related legislation, and their potential impact on future periods.

Unrecognized Tax Benefits

At each of December 30, 2023 and December 31, 2022, the total amount of unrecognized tax benefits related to uncertain tax positions and the amount recorded related to potential interest and penalties were not material.

The Company's major tax jurisdiction subject to income tax is the United States, where periods dating back to tax years ended December 2017 remain open and subject to examination.

(11) COMMITMENTS AND CONTINGENCIES

Lease Guarantees

The Company guarantees the performance of lease obligations, primarily related to affiliate restaurant locations. The guarantees, which extend through 2041, aggregated to a maximum of \$47.9 million as of December 30, 2023. At this time, the Company does not anticipate any material defaults under the foregoing leases; therefore, no liability has been recognized.

Supply Chain Guarantees

The Company has entered into various agreements with suppliers of franchisee products, the majority of which contain guarantees by the Company related to franchisees' purchases of certain volumes of products over specified periods. The Company's guarantees decrease as franchisees purchase products over the respective terms of the agreements. The guarantees have varying terms, many of which are one year or less, and the latest of which expires in 2025. As of December 30, 2023, the Company was contingently liable under such supply chain agreements for approximately \$127.4 million. The Company assesses the risk of performing under each of these guarantees on a quarterly basis, and, based on various factors including internal forecasts, prior history, and ability to extend contract terms, the Company accrued an inconsequential amount of reserves related to supply chain guarantees as of December 30, 2023.

Legal and Environmental Matters

The Company is involved in various other litigation and claims incidental to its business. Although the outcome of these matters cannot be predicted with certainty and some of these matters may be resolved unfavorably to the Company, based on currently available information, including legal defenses available to the Company and its legal reserves and insurance coverages, the Company does not believe that the outcome of these other legal matters will have a material adverse effect on its consolidated financial position, results of operations or cash flows.

(12) RELATED-PARTY TRANSACTIONS

Transactions with Affiliated Entities

On December 15, 2020, the Company entered into an intercompany services agreement with Inspire. Under the agreement, Inspire provides certain management advisory and tax consulting services to the Company. In exchange, the Company is obligated to pay a monthly fee. During fiscal year 2023, 2022 and 2021, the Company paid \$97.1 million, \$123.3 million and \$92.2 million, respectively, to Inspire as a result of this agreement. These amounts are included in the "Management fee to parent" in the consolidated statements of operations. In 2022 and 2021, Inspire's allocation methodology included both direct charges and indirect allocations based on revenues. Beginning in 2023, Inspire's allocation methodology changed to only allocating expenses based on charges directly incurred by the Company. As a result of these allocations, the Company's results of operations may not be indicative of those that would be achieved if they had operated on a stand-alone basis.

In December 2022, the Company invested in a note receivable from affiliate due on demand and in no case later than January 30, 2023. This amount is included within "Note receivable from affiliate" as a current asset in the accompanying consolidated balance sheets. This note was subsequently repaid on the stated due date.

In February 2023, the Company invested in a note receivable from affiliate due on demand and in no case later than February 28, 2028. These amounts are included within "Note receivable from affiliate" as a current asset in the accompanying consolidated balance sheets.

Additionally, the Company distributed \$450.9 million, \$405.4 million and \$1.5 billion to Parent during fiscal years 2023, 2022 and 2021, respectively.

GUARANTEE OF PERFORMANCE

For value received, **DB Master Finance Parent LLC**, a Delaware limited liability company (the “Guarantor”), located at Three Glenlake Parkway NE, Atlanta, Georgia 30328, absolutely and unconditionally guarantees to assume the duties and obligations of **Dunkin’ Donut Franchising LLC**, located at Three Glenlake Parkway NE, Atlanta, Georgia 30328 (the “Franchisor”), under its franchise registration in each state where the franchise is registered, and under its Franchise Agreement identified in its **2024** Franchise Disclosure Document, as it may be amended, and as that Franchise Agreement may be entered into with franchisees and amended, modified or extended from time to time. This guarantee continues until all such obligations of the Franchisor under its franchise registrations and the Franchise Agreement are satisfied or until the liability of Franchisor to its franchisees under the Franchise Agreement has been completely discharged, whichever first occurs. The Guarantor is not discharged from liability if a claim by a franchisee against the franchisor remains outstanding. Notice of acceptance is waived. The Guarantor does not waive receipt of notice of default on the part of the Franchisor. This guarantee is binding on the Guarantor and its successors and assigns.

The Guarantor signs this guarantee at Atlanta, Georgia, on this 25th day of March 2024.

SECTION 12. ~~SECTION 12. INSURANCE AND INDEMNIFICATION~~

12.A Insurance.

(1) ~~12.0~~ Prior to~~Before~~ opening or operating the Restaurant for business, and ~~prior to constructing~~before beginning construction of the Restaurant ~~in the event if~~ you are developing the Restaurant, you agree to acquire insurance coverage of the type and in the amounts required by law, by any lease or sublease, and by us, as prescribed in our Standards. You must maintain such coverage in full force and effect throughout the ~~duration of this Agreement~~Term. We have the right to change these insurance requirements from time to time. All insurance must be placed and maintained with

insurance companies with ratings that meet or exceed our Standards. At our request, you must provide us with proof of required insurance coverages.

~~12.1~~ We and any ~~affiliated party~~ affiliate we designate must be named as additional insureds as our respective interests appear, and all policies must contain provisions denying to the insurer acquisition of rights of recovery against any named insured by subrogation. All policies shall include a provision prohibiting cancellations or material changes without thirty (30) days' prior written notice to all named insureds. Policies may not be limited in any way by reason of any insurance that we (or any named party) may maintain. Upon our request, you must produce proof that you currently have the insurance coverage described in this Agreement, ~~with all of the aforementioned provisions. In the event that~~ if such insurance coverage is not in effect, then in addition to our other remedies, we have the right to purchase the necessary coverage for the Restaurant at your expense and to bill you for any premiums ~~and costs~~. This obligation to maintain insurance is separate and distinct from your obligation to indemnify us under the provisions below.

(2) ~~12.2~~ Both you and we waive any and all rights of recovery against each other and our respective officers, employees, agents, and representatives, for damage to the waiving party or for loss of its property or the property of others under its control, to the extent that the loss or damage is covered by insurance. To obtain the benefit of our waiver, you must have the required insurance coverage in effect. When you are obtaining the policies of insurance required by this subsection, you must give notice to your insurance carriers that the above mutual waiver of subrogation is contained in this Agreement. This obligation to maintain insurance is separate and distinct from your obligation to indemnify us under the provisions of Section ~~14.9~~ 12.B.

12.B Indemnification. You agree to defend, indemnify and hold us, our affiliates, and our and their respective owners, officers, directors, employees, agents, successors and assigns (collectively, the "Indemnified Parties"), harmless from all claims related in any way to your development, operation, possession or ownership of the Restaurant or the Premises, or any debt or obligation of yours. This indemnification covers all fees (including reasonable attorneys' fees), costs and other expenses incurred by us or on our behalf in the defense of any claims, except as provided below, and shall not be limited by the amount of insurance required under this Agreement. Our right to indemnify shall be valid notwithstanding that joint or concurrent liability may be imposed on us or any other Indemnified Party by law. No settlement of any claim against us shall be made without our prior written consent if we would be subjected to any liability not covered by you or your insurer. You will have the right to assume control of the defense of and otherwise respond to and address any claim or proceeding that is subject to this Section 12.B, provided however, that each Indemnified Party may at its election, by written notice to you, assume control of the defense of and otherwise respond to and address any such claim or proceeding, but only if (1) the claim or proceeding involves a class action or action that involves more than just the Restaurant and other Dunkin' Restaurants that you or your affiliates own, (2) a negative decision in the claim or proceeding would reasonably be expected to have a material adverse impact on the Dunkin' brand or goodwill associated with the Proprietary Marks, or (3) you (or your insurance carrier) does not actively defend the Indemnified Party's interests in the claim or proceeding. If the Indemnified Party assumes control of the defense of any claim or proceeding pursuant to the preceding sentence, then (a) the Indemnified Party shall be responsible for its own fees (including reasonable attorneys' fees), costs and other expenses, and you may at your option retain separate co-counsel and otherwise participate in the defense

at your sole cost and expense; and (b) your indemnification, defense and hold harmless obligations under this Section 12.B shall not apply with respect to that claim or proceeding. Your obligations under this Section 12.B will continue in full force and effect subsequent to and notwithstanding this Agreement's expiration or termination. To the extent that this Section 12.B directly conflicts with any specific defense, hold harmless or indemnification provisions in any other written contract between us or in any program or offering in which you participate, such as our Loyalty Program, such provisions will govern to the extent of such conflict.

SECTION 13. TRANSFERS

SECTION 13. TRANSFERS

13.A 13.0 Transfer by Us: We may change our ownership or form and/or assign this Agreement and any other agreement between us and you (or any of your Owners or affiliates) without restriction. This Agreement inures to the benefit of our successors and assigns, ~~and we may assign our rights to any person or entity that agrees in writing to assume all of our obligations.~~ Upon transfer, we will have no further obligation under this Agreement, except for any accrued liabilities.

13.B 13.1 Transfer by You: – Defined. We entered into this Agreement based on ~~the qualifications of your owners and you. Any~~ and in reliance on our perceptions of your (or your Owners') individual or collective character, skill, aptitude, attitude, business ability and financial capacity. Therefore, neither this Agreement nor any direct or indirect ~~transfer of~~ interest in or rights or obligations under this Agreement ~~requires~~, nor the Restaurant or all or substantially all of the Operating Assets, nor any direct or indirect ownership interest in you (if you are a business entity), may be transferred (as defined below), whether directly or indirectly, without our prior written ~~consent, which we will not unreasonably withhold. We may withhold consent if a proposed transferee does not meet our then-current criteria, if~~ approval. A transfer of the ownership, possession or control of the Restaurant or the Operating Assets may be made only with a transfer of this Agreement. Any transfer without our approval is a breach of this Agreement and has no effect.

In this Agreement, the term "transfer," whether or not capitalized, includes any voluntary, involuntary, direct or indirect assignment, sale, gift or other disposition and includes the following events, whether they impact you (or your Owners) directly or indirectly: (a) transfer of record or beneficial ownership of any direct or indirect ownership interest in you or the right to receive all or a portion of your profits or losses or any capital appreciation relating to you or the Restaurant (whether directly or indirectly); (b) a merger, consolidation or exchange of ownership interests, or issuance of additional ownership interests or securities representing or potentially representing ownership interests, or a redemption of ownership interests; (c) any sale or exchange of voting interests or securities convertible to voting interests, or any management agreement or other arrangement granting the right to exercise or control the exercise of the voting rights of any Owner or to control your or the Restaurant's operations or affairs; (d) transfer in a divorce, insolvency or entity dissolution proceeding, or otherwise by operation of law, or by will, declaration of or transfer in trust, or under the laws of intestate succession; or (e) foreclosure upon or attachment or seizure of the Restaurant, any of its Operating Assets, or any direct or indirect ownership interest in you; or (f) transfer, surrender or loss of the possession, control or management of all or any material portion of the Restaurant (or its operation) or you.

A "Controlling Ownership Interest" in you (if you are an entity) means any transfer, or any series of transfers (regardless of the time period during which they take place), that results in any individual or entity (together with its affiliates), directly or indirectly acquiring or coming into possession or control of either (1) fifty percent (50%) or more of the direct or indirect ownership interests in you, or (2) any ownership interest or other direct or indirect right or interest in you that provides the right, power or authority to direct and control your management and policies, in either case, who did not own, possess or control such interest as of the Effective Date. A "Non-Controlling Ownership Interest" in you (if you are an entity) means the transfer or creation of any direct or indirect ownership interest in you that is not a Controlling Ownership Interest.

13.C Conditions for Our Approval of Non-Control Transfer. We will not unreasonably withhold our consent to a transfer of a Non-Controlling Ownership Interest in you or your Owners if the proposed transferee and its direct and indirect owners (if the transferee is an entity) are of good character, otherwise meet our then applicable standards for non-controlling owners of Dunkin' Restaurants, and execute our then-current form of Guaranty.

13.D Conditions for Our Approval of Control Transfer. Subject to Sections 13.E and 13.G, we will not unreasonably withhold our consent to any transfer of this Agreement or any rights or obligations under this Agreement, any direct or indirect interest in the Restaurant or all or substantially all of the Operating Assets, or any Controlling Ownership Interest in you (if you are a business entity) (each a "Control Transfer"), that complies with the following:

(1) each proposed transferee (and its direct and indirect owners, if the transferee is an entity) meets our then-current criteria and each guarantor executes our then current form of Guaranty;

(2) you have ~~not~~ satisfied all of your outstanding obligations to us, ~~if~~ the Restaurant and Premises are ~~not~~ in compliance with our Standards, ~~or if~~ and you are otherwise in full compliance with this Agreement and all related agreements with us and our affiliates;

(3) we believe, in our reasonable judgment, that the sale price of the interest to be conveyed is ~~not~~ so high, ~~or~~ and the terms of sale ~~are not~~ so onerous, that it is likely the transferee would be unable to properly operate, maintain, upgrade and promote the Restaurant and meet all financial and other obligations to us and to third parties. ~~At~~;

(4) at the time of transfer, you and all of your ~~shareholders, partners and members must~~ Owners execute ~~a general release of us and our parent and affiliates, in our then-current standard form. If~~ of general release that releases all claims that you (or your Owners) may have against us, our affiliates, and our and their respective officers, directors, owners and employees (it being acknowledged that if after an approved transfer, ~~a shareholder, member or partner~~an Owner no longer has an interest in the franchised business, then such ~~party~~Owner is relieved of further obligations to us under the terms of this Agreement, except for money obligations through the date of transfer and ~~post-termination obligations under Section 10~~);

(5) the transferee (if the transfer is of this Agreement, the Restaurant or the Operating Assets) or you (if the transfer is of a direct or indirect ownership interest in you) agree to repair and/or replace any Operating Assets and otherwise correct any

deficiencies that we identify in the Restaurant or the Premises, and, if we require, refurbish or remodel the Restaurant and Premises according to our requirements; and

(6) the transferee (if the transfer is of this Agreement, the Restaurant or the Operating Assets) or you (if the transfer is of a direct or indirect ownership interest in you) agrees, at our option, to (a) be bound by all terms and conditions of this Agreement for the remainder of the Term, or (b) execute our then-current form of franchise agreement and related documents, which may contain terms and conditions (including the fees) that differ materially from any or all of those in this Agreement, except that the term of such franchise agreement shall be the remaining Term of this Agreement and the refurbishment and remodel dates shall be as set forth in this Agreement.

13.E 13.2 **Transfer Fee.** At transfer, you must pay us a Transfer Fee as follows, whether or not we exercise our rights in Section ~~13.4:~~13.G.

(1) 13.2.1 If you have not owned and operated the Restaurant for at least three (3) full years ~~before~~on the date the transfer occurs, you will pay the Transfer Fee set forth in the chart in ~~Section 13.2.2~~Subsection (2) below plus ~~twelve thousand five hundred dollars~~an additional Twelve Thousand Five Hundred Dollars (\$12,500).

(2) 13.2.2 ~~If you have owned and operated the Restaurant for at least three (3) full years on the date~~ the transfer occurs ~~after the third full year of ownership and operation~~, you will pay the Transfer Fee stated below. ~~We, based on the Restaurant's Gross Sales during the twelve (12)-month period ending as of the end of the reporting period immediately preceding the transfer's closing date, provided that we~~ reserve the right to select another period or to make appropriate adjustments to such Gross Sales in the event extraordinary occurrences (e.g., road construction, fire or other casualty, etc.) materially affected the Restaurant's sales during ~~the~~that trailing twelve (12)-month period.

Gross Sales for the Trailing 12 Month Period	Transfer Fee
Less than \$400,000.00	\$ 5,000.00
\$400,000.00 or more, but less than \$600,000.00	\$ 6,000.00

\$1,400,000.00 or more	\$20,000.00

(3) 13.2.3 In lieu of the Transfer Fee above, we will only charge the applicable, then-current Fixed Documentation Fee published by us from time to time for ~~i(a) a transfer of interest that does not result in a Change of Control (as defined below) or ii) if any of the interests transfer~~a Non-Controlling Ownership Interest; (b) any transaction in which the direct or indirect ownership interests in you are transferred to the spouse(s) or children of the original signatories or iii) if all of the interests transfer to beneficiaries or heirs of an ownerany of the individuals who are Owners as of the Effective Date; (c) if an Owner who dies or becomes mentally incapacitated transfers all of their direct or indirect ownership interests in you to beneficiaries or heirs.

Any such transfer must occur within ~~twelve~~eighteen (18) months ~~from~~after such individual's death, and is subject to our prior written consent, which we will not unreasonably withhold, in accordance with this Section. ~~This Agreement shall automatically terminate if the transfer has not occurred within twelve months, unless we grant an extension in writing 13.~~

Upon our exercise, we (or our assignee) will have the benefit of all of the rights and time periods that the original proposed transferee(s) had as of the date that they executed the purchase and sale document, as modified, and we will again have sixty days to documents, including any applicable diligence periods (although our diligence period need not be more than thirty (30) days after we deliver our exercise the our right of first refusal.) and periods before closing. If you do not complete the sale to the proposed buyer (with our approval) within ninety (90) days after we notify you that we do not intend to exercise our right of first refusal, or if there is a material change adverse to you in the terms of the offer (which you must tell us promptly), then we will have an additional right of first refusal during the sixty (60)-day period following either the expiration of the ninety (90)-day period or our receipt of notice of the material change in the offer's terms, on the modified terms.

14.D 14.5 Injunctive Relief. Because of the importance of your compliance with Standards to protect our System, ~~other franchisees, the Dunkin' Restaurant network~~ and the goodwill enjoyed by our Proprietary Marks, you agree that the remedies described elsewhere in this Agreement, as well as monetary damages or termination at a future date, may be an

insufficient remedy for your breach of ~~our Standards~~ any Standard or other provision of this Agreement. Accordingly, you agree not to contest the appropriateness of injunctive relief for such breaches, and consent to the grant of an injunction in such cases without the showing of actual damages, irreparable harm or the lack of an adequate remedy at law. Termination will be effective immediately upon receipt of a written notice of termination unless a notice period is required by law, in which case that notice period will apply. Upon termination or expiration of this Agreement, you no longer have any rights granted by this Agreement. If we suffer your continued operation of the Restaurant while we seek judicial enforcement of our election to terminate, conducting business as if the Agreement had not been terminated in order to preserve the reputation of our System and goodwill associated with the Proprietary Marks, our adherence to the judicial process is neither a waiver of our election to terminate nor an extension of the termination date.~~

(1) you no longer have any rights granted by this Agreement, and we may, at our option, notify any of your suppliers, distributors and other third parties that you are no longer an authorized franchisee and the Restaurant is no longer an authorized Dunkin' Restaurant or eligible to receive products and services as a Dunkin' Restaurant;

You acknowledge that if we conduct business as if the Agreement had not been terminated or otherwise suffer your continued operation of the Restaurant while we seek enforcement of our election to terminate or our other rights or remedies, we are doing so merely to preserve the reputation of the Dunkin' Restaurant network and/or the goodwill associated with the Proprietary Marks, and that doing so is neither a waiver of our election to terminate nor an extension of the termination date.

14.F Option to Purchase. We have the option, exercisable by delivery of written notice within thirty (30) days after the termination or expiration of this Agreement, to purchase from you those Operating Assets and other assets used in the operation of the Restaurant that we designate (excluding personal assets and assets that are not used primarily in the operation of the Restaurant and other Dunkin' restaurants then being acquired) (the "Purchased Assets"). The purchase price for the Purchased Assets (the "Purchase Price") will be their fair market value, but not as a Dunkin' Restaurant as a going concern, except that the Purchase Price will not include any value for any rights granted by this Agreement, goodwill attributable to the Proprietary Marks or System, or participation in the network of Dunkin' Restaurants. If we and you cannot agree on the Purchase Price for the Purchased Assets, it will be determined by an independent appraiser designated in accordance with the Standards, who will be bound by the provisions of this Section 14.F. We will pay the Purchase Price at the closing, which will take place on a date we designate, but we may set off against the Purchase Price, and reduce the Purchase Price by, any and all amounts you owe us or our affiliates relating to the Restaurant. We are entitled to all customary representations, warranties and indemnities in this asset purchase, and you (and your Owners) agree to execute our then current form of purchase agreement and related agreements and instruments (which shall be on reasonable and customary terms and conditions) in connection with the purchase. We also may at our option assign our rights under this Section 14.F, without recourse, to any assignee, who will then have

all of our rights under this Section 14.F to purchase the Purchased Assets directly from you, and we shall have no further liability or obligation in connection with this Section 14.F with respect to that purchase.

14.G Option to Assume Lease. We also have the option, exercisable by delivery of written notice within thirty (30) days after the termination or expiration of this Agreement, to require you assign to us any leasehold interest you have in the Restaurant and Premises or any other agreement related to the Premises. You (and your Owners) agree to execute our then current form of lease assignment agreement and related agreements and instruments (all of which shall be on reasonable and customary terms and conditions) in connection with the transfer, which will be effective on the date we specify, which may be the closing date of the purchase under Section 14.F. We may at our option assign our rights under this Section 14.G, without recourse, to any assignee, who will then have all of our rights under this Section 14.G to assume the leasehold interest or other agreement related to the Premises directly from you, and we shall have no further liability or obligation in connection with this Section 14.G with respect to that assignment.

SECTION 15. DISPUTE RESOLUTION

15.A Governing Law. This Agreement, the franchise, and all claims arising from the relationship between us and you shall be governed by the laws of the State of Georgia, without regard to its conflict of laws rules; provided, however that any Georgia law regulating the sale of franchises or governing the relationship of a franchisor and its franchisee will not apply unless its jurisdictional requirements are met independently without reference to this Section 15.A.

15.B Choice of Forum. The parties agree that to the extent any disputes arise that cannot be resolved directly between the parties, you shall file any suit against us or our affiliates, and we shall file any suit against you or your owners, only in the federal or state court of general jurisdiction in Atlanta, Georgia. Each party irrevocably submits to the jurisdiction of those courts and waives any objection such party may have to either the jurisdiction of or venue in those courts.

15.C Waiver of Punitive Damages and Jury Trial. EXCEPT FOR PUNITIVE, EXEMPLARY, TREBLE AND OTHER FORMS OF MULTIPLE DAMAGES AVAILABLE TO ANY PARTY UNDER FEDERAL LAW OR OWED TO THIRD PARTIES WHICH ARE SUBJECT TO INDEMNIFICATION UNDER SECTION 9.D OR SECTION 12.B, WE AND YOU (AND YOUR OWNERS) WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT TO OR CLAIM FOR ANY PUNITIVE, EXEMPLARY, TREBLE OR OTHER FORMS OF MULTIPLE DAMAGES AGAINST THE OTHER AND AGREE THAT, IN THE EVENT OF A DISPUTE BETWEEN US AND YOU (OR YOUR OWNERS), THE PARTY MAKING A CLAIM WILL BE LIMITED TO EQUITABLE RELIEF AND TO RECOVERY OF ANY ACTUAL DAMAGES IT SUSTAINS.

WE AND YOU (AND YOUR OWNERS) IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER US OR YOU (OR YOUR OWNERS).

15.D ~~14.8~~ Claims Not a Defense. You agree that the existence of any claims against us, whether or not arising from this Agreement, shall not constitute a defense to the enforcement by us of any provision of this Agreement.

~~14.9 Indemnification. You will indemnify and hold us, our parent, subsidiaries and affiliates, including our and their respective members, officers, directors, employees, agents, successors and assigns, harmless from all claims related in any way to your operation, possession or ownership of the Restaurant or the Premises, or any debt or obligation of yours. This indemnification covers all fees (including reasonable attorneys' fees), costs and other expenses incurred by us or on our behalf in the defense of any claims, and shall not be limited by the amount of insurance required under this Agreement. Our right to indemnity shall be valid notwithstanding that joint or concurrent liability may be imposed on us by statute, ordinance, regulation or other law. We will notify you of any claims covered by this paragraph, and you shall have the opportunity to assume the defense of the matter. We shall have the right to participate in any defense that is assumed by you, at our own cost and expense. No settlement of any claim against us shall be made without our prior written consent if we would be subjected to any liability not covered by you or your insurer.~~

SECTION 15. DISPUTE RESOLUTION

~~15.0 Waiver of Rights: Both we and you waive and agree not to include in any pleading or arbitration demand: class action claims; demand for trial by jury; claims for lost profits (expressly excluding any fees due to us now or in the future under this Agreement); or claims for punitive, multiple, or exemplary damages. If any pleading is filed that contains any of these claims or a jury demand, or if a court determines that all or any part of the waivers are ineffective, then the pleading shall be dismissed with prejudice, leaving the pleading party to its arbitration remedy. No claim by either of us can be consolidated with the claims of any other party. If such claims and demands cannot be waived by law, then the parties agree that any recovery will not exceed two (2) times actual damages.~~

~~15.1 Arbitration: Either of us, as plaintiff, may choose to submit a dispute to a court or to arbitration administered by the American Arbitration Association ("AAA") under its Commercial Arbitration Rules (or by another nationally established arbitration association acceptable to you and us) and under the Federal Rules of Evidence. The plaintiff's election to arbitrate or to submit the dispute to the court system, including any compulsory counterclaims, is binding on the parties except that we shall have the option to submit to a court any of the following actions: to collect fees due under this Agreement; for injunctive relief; to protect our intellectual property, including Proprietary Marks; and to terminate this Agreement for a default. For any arbitration, the arbitrator(s) shall issue a reasoned award, with findings of fact and conclusions of law. The arbitration award and the decision on any appeal will be conclusive and binding on the parties. Actions to enforce an express obligation to pay money may be brought under the Expedited Procedures of the AAA's Commercial Arbitration Rules. The place of arbitration shall be in the state in which the Restaurant is located. The Federal Arbitration Act shall govern, excluding all state arbitration law. Massachusetts's law shall govern all other issues.~~

~~15.2 Scope of Arbitration: Disputes concerning the validity or scope of this Section, including whether a dispute is subject to arbitration, are beyond the authority of the arbitrator(s) and shall be determined by a court of competent jurisdiction pursuant to the Federal Arbitration Act, 9 U.S.C. §1 et seq., as amended from time to time. The provisions of this Section shall continue in full force and effect subsequent to any expiration or termination of this Agreement.~~

~~15.3 Appeals: Either of us may appeal the final award of the arbitrator(s) to the appropriate U.S. District Court. The Court's review of the arbitrator's findings of fact shall be under the clearly erroneous standard, and the Court's review of all legal rulings shall be de novo. If it is determined that this provision for federal court review is not enforceable, then either party may~~

appeal the arbitrator's final award to a panel of three arbitrators chosen under AAA procedures, employing the same standards of review stated immediately above.

SECTION 16. ~~SECTION 16. MISCELLANEOUS~~

~~16.0 If you directly or indirectly acquire ownership or control of the Premises, you must promptly give us written notice of such ownership or control and execute our then-standard agreement giving us the option to lease the Premises from you if you default under this Agreement or under any lease relating to the Restaurant or Premises. The lease will be for the then remaining term of this Agreement, including any extension or renewal, at "triple-net" fair market value rent for comparable Dunkin' locations with arms-length leases. If the parties cannot agree on the fair market value, they will consult a mutually acceptable real estate professional.~~

16.A ~~16.1~~ Relationship of the Parties. This Agreement does not create a fiduciary relationship between us and you. You have no authority, express or implied, to act as our or our affiliate's agent for any purpose. You are an independent contractor of ours and not our agent, partner or joint venturer. Neither party has the power to bind the other. Nothing in this Agreement contemplates a fiduciary relationship. Neither responsible for all obligations and liabilities of, and for all loss or damage to, the Restaurant and its business. We and you are not and do not intend to be partners, associates, or joint employers in any way, and we shall not be construed to be jointly liable for any of your acts or omissions under any circumstances. Neither party is liable for any act, omission, debt or any other obligation of the other, ~~and you and we agree to indemnify and save each other harmless from any such claim and the cost of defending such claim.~~

16.B ~~16.2~~ Waivers. Either we or you may by written instrument unilaterally waive or reduce any obligation of or restriction upon the other under this Agreement, effective upon delivery of written notice to the other or another effective date stated in the notice of waiver. However, no interpretation, change, termination or waiver of any of this Agreement's provisions shall be binding upon us unless in writing and executed by one of our officers, and which is specifically identified as an amendment, termination or waiver under this Agreement. Any waiver we grant will be without prejudice to our other rights and may be revoked at any time and for any reason, effective upon ten (10) days' prior written notice. Our waiver of your breach of any term provision of this Agreement or any Standard applies only to that one breach and that one term provision or Standard, and not to any subsequent breach of ~~any term. Acceptance by us~~ that provision or Standard or any other provision or Standard. Our acceptance of any payments due under this Agreement shall not be deemed to be ~~a our~~ waiver ~~by us~~ of any preceding breach ~~by you of any term~~. If we accept payments from any person or entity other than you, such payments will be deemed made by such person as your agent and not as your successor or assignee. We may waive or modify any obligation of other franchisees under agreements similar to this Agreement, without any obligation to grant a similar waiver or modification to you. If, for any reason, any provision of this Agreement is determined to be invalid or to conflict with an existing or future law, then the remaining provisions will continue to bind the parties and the invalid or conflicting provision will be deemed not to be a part of this Agreement.

~~16.3 The parties' rights and remedies are cumulative. Neither you nor your successor may create or assert any security interest or lien in this Agreement, without our prior written approval. You represent and warrant that you have established your operating agreement, by laws or partnership agreement in accordance with the requirements of this Agreement. In the event of any conflict between a provision in this Agreement and a provision in your~~

~~operating agreement, by laws or partnership agreement, the provision of this Agreement will control.~~

16.C Severability. Except as expressly provided to the contrary in this Agreement, each Section, subsection and provision of this Agreement is severable, and if, for any reason, any part is held to be invalid or contrary to or in conflict with any applicable present or future law or regulation in a final, unappealable ruling issued by any court or agency with competent jurisdiction, that ruling will not impair the operation of, or otherwise affect, any other portions of this Agreement, which will continue to have full force and effect and bind the parties. If any covenant which restricts competitive activity is deemed unenforceable by virtue of its scope in terms of area, business activity prohibited, and/or length of time, but would be enforceable if modified, we and you agree that the covenant will be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction whose law determines the covenant's validity. If any applicable and binding law or rule of any jurisdiction requires more notice than this Agreement requires of termination or of our refusal to enter into a renewal franchise agreement, or if, under any applicable and binding law or rule of any jurisdiction, any provision of this Agreement or any Standard is invalid, unenforceable or unlawful, the notice and/or other action required by the law or rule will be substituted for the comparable provisions of this Agreement, and we may modify the invalid or unenforceable provision or Standard to the extent required to be valid and enforceable or delete the unlawful provision in its entirety.

16.D ~~16.4~~ Interpretation. The preambles and exhibits are a part of this Agreement which, together with any riders or addenda executed at the same time as this Agreement, constitutes our and your entire agreement and supersedes all prior and contemporaneous oral or written agreements and understandings between them relating to the subject matter of this Agreement. There are no other oral or written representations, warranties, understandings or agreements between us and you relating to the subject matter of this Agreement. Notwithstanding the foregoing, nothing in this Agreement shall disclaim or require you to waive reliance on any representation that we made in the most recent disclosure document (including its exhibits and amendments) that we delivered to you or your representative. Any policies that we adopt and implement from time to time to guide us in our decision-making are subject to change, are not a part of this Agreement and are not binding on us. Except as provided in Section 9.D and Section 12.B, nothing in this Agreement is intended nor deemed to confer any rights or remedies upon any person or entity not a party to this Agreement. The parties' rights and remedies under this Agreement and applicable law are cumulative. You may not withhold payment of any amounts owed to us or our affiliates on the grounds of our or their alleged nonperformance of any of our or their obligations under this Agreement or any other agreement. Captions, paragraph designations and section or subsection headings are included in this Agreement for convenience only, and in no way define or limit the scope or intent of the provisions. ~~Wherever we use the word "including", it means "including"~~If two or more persons are at any time parties to this Agreement as the franchisee under this Agreement, whether as partners or joint venturers, their obligations and liabilities to us will be joint and several. The words "include," "including," and words of similar import shall be interpreted to mean "including, but not limited to," and the terms following such words shall be interpreted as examples of, and not an exhaustive list of, the appropriate subject matter. This Agreement may be executed by electronic signature and/or in multiple copies, each of which will be deemed an original.

16.E Binding Effect and Amendment. This Agreement is binding upon us and you and our and your respective executors, administrators, heirs, beneficiaries, permitted assigns and successors in interest. Subject to our rights to modify the Manuals, Standards and System, this

Agreement may not be amended or modified except by a written agreement executed by both us and you.

16.F Exercise of Our Judgment. Whenever we reserve discretion in a particular area or where we agree to exercise our rights reasonably or in good faith, we will satisfy our obligations whenever we exercise reasonable business judgment in making our decision or exercising our rights. Our decisions or actions will be deemed to be the result of reasonable business judgment, even if other reasonable or even arguably preferable alternatives are available, if our decision or action is intended, in whole or significant part, to promote or benefit the System or Dunkin' Restaurants generally even if the decision or action also promotes our financial or other individual interest. Examples of items that will promote or benefit the System or Dunkin' Restaurants include enhancing the value of the Proprietary Marks, improving customer service and satisfaction, improving product quality, improving uniformity, enhancing or encouraging modernization and improving the competitive position of the System or Dunkin' Restaurants.

16.G ~~16.5~~ Notices. All notices delivered pursuant to this Agreement shall be sent by nationally recognized overnight courier or certified mail to the addresses set forth in the Contract Data Schedule, or to such other addresses as you and we provide each other in writing. GUARANTY AND ASSUMPTION OF OBLIGATIONS

PERSONAL GUARANTEE

THIS GUARANTY AND ASSUMPTION OF OBLIGATIONS is given this ____ day of _____, 20____, by each of the undersigned parties.

A. In consideration of, and as an inducement to, the execution of that certain Franchise Agreement (together with all amendments or modifications, the "Agreement") on this date by **DUNKIN' DONUTS FRANCHISING LLC** ("Dunkin'"), each of the undersigned unconditionally (a) guarantees to Dunkin' and its successors and assigns, for the term of the Agreement (including extensions) and afterward as provided in the Agreement, that _____ ("Franchisee") will punctually pay and perform each and every undertaking, agreement, and covenant of Franchisee set forth in the Agreement; and (b) agrees to be bound by, and liable for the breach by Franchisee of, each and every provision in the Agreement, both monetary obligations and obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities, including, without limitation, the non-competition, confidentiality, and transfer requirements, except that (1) the undersigned shall not be required to personally be bound by the covenants in Section 1.B(1) of the Agreement, and (2) no guarantor shall have any liability with respect to another guarantor's failure to comply with any non-monetary obligations under the Agreement. In the event of a direct conflict between the foregoing clauses (1) or (2), on the one hand, and any other provision of this Guaranty or the Agreement, on the other hand, such clauses (1) or (2), as the case may be, shall govern to the extent of such direct conflict.

B. Each of the undersigned acknowledges that (a) they are either an owner (whether direct or indirect) of Franchisee or otherwise has a direct or indirect relationship with Franchisee or its affiliates; (b) they will benefit significantly from Dunkin's entering into the Agreement with Franchisee; and (c) Dunkin' would not enter into the Agreement unless each of the undersigned agrees to sign and comply with the terms of this Guaranty.

C. Each of the undersigned consents and agrees that: (a) their direct and immediate liability under this Guaranty will, except as set forth in Paragraph A, above, be joint and several, both with Franchisee and among other guarantors; (b) he, she or it will render any payment or performance required under the Agreement upon demand if Franchisee fails or refuses punctually to do so; (c) this liability will not be contingent or conditioned upon Dunkin's pursuit of any remedies against Franchisee or any other person or entity; (d) this liability will not be diminished, relieved, or otherwise affected by any extension of time, credit, or other indulgence which Dunkin' may from time to time grant to Franchisee or to any other person or entity, including, without limitation, the acceptance of any partial payment or performance or the compromise or release of any claims (including, without limitation, the release of other guarantors), none of which will in any way modify or amend this Guaranty, which will be continuing and irrevocable during the term of the Agreement (including extensions), for so long as any performance is or might be owed under the Agreement by Franchisee or any of its owners or guarantors, and for so long as Dunkin' has any cause of action against Franchisee or any of its owners or guarantors; and (e) this Guaranty will continue in full force and effect for (and as to) any extension or modification of the Agreement, and despite the transfer of any direct or indirect interest in the Agreement or Franchisee, and each of the undersigned waives notice of any and all renewals, extensions, modifications, amendments, or transfers.

D. Each of the undersigned waives: (a) all rights to payments and claims for reimbursement or subrogation that any of the undersigned may have against Franchisee arising as a result of the undersigned's execution of and performance under this Guaranty, for the express purpose that none of the undersigned shall be deemed a "creditor" of Franchisee under any applicable bankruptcy law with respect to Franchisee's obligations to Dunkin'; (b) all rights to require Dunkin' to proceed against Franchisee for any payment required under the Agreement, proceed against or exhaust any security from Franchisee, take any action to assist any of the undersigned in seeking reimbursement or subrogation in connection with this Guaranty or pursue, enforce or exhaust any remedy, including any legal or equitable relief, against Franchisee; (c) any benefit of, or any right to participate in, any security now or hereafter held by Dunkin'; and (d) acceptance and notice of acceptance by Dunkin' of his, her or its undertakings under this Guaranty, all presentments, demands and notices of demand for payment of any indebtedness or non-performance of any obligations hereby guaranteed, protest, notices of dishonor, notices of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed, and any other notices and legal or equitable defenses to which he, she or it may be entitled. Dunkin' shall have no present or future duty or obligation to the undersigned under this Guaranty, and each of the undersigned waives any right to claim or assert any such duty or obligation, to discover or disclose to the undersigned any information, financial or otherwise, concerning Franchisee, any other guarantor, or any collateral securing any obligations of Franchisee to Dunkin'. Without affecting the obligations of the undersigned under this Guaranty, Dunkin' may, without notice to the undersigned, extend, modify, supplement, waive strict compliance with, or release all or any provisions of the Agreement or any indebtedness or obligation of Franchisee, or settle, adjust, release, or compromise any claims against Franchisee or any other guarantor, make advances for the purpose of performing any obligations of Franchisee under the Agreement, and/or assign the Agreement or the right to receive any sum payable under the Agreement, and the undersigned each hereby jointly and severally waive notice of same. The undersigned expressly acknowledge that the obligations hereunder survive the expiration or termination of the Agreement.

E. In addition, the undersigned each waive any defense arising by reason of any of the following: (a) any disability, counterclaim, right of set-off or other defense of Franchisee, (b) any lack of authority of Franchisee with respect to the Agreement, (c) the cessation from any cause whatsoever of the liability of Franchisee, (d) any circumstance whereby the Agreement shall be void or voidable as against Franchisee or any of its creditors, including a trustee in bankruptcy of Franchisee, by reason of any fact or circumstance, (e) any event or circumstance that might otherwise constitute a legal or equitable discharge of the undersigned's obligations hereunder, except that the undersigned do not waive any defense arising from the due performance by Franchisee of the terms and conditions of the Agreement, (f) any right or claim of right to cause a marshaling of the assets of Franchisee or any other guarantor, and (g) any act or omission of Franchisee.

F. If Dunkin' is required to enforce this Guaranty in a judicial proceeding, and prevails in such proceeding, Dunkin' shall be entitled to reimbursement of its reasonable costs and expenses, including, but not limited to, reasonable accountants', attorneys', attorneys' assistants', and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses, whether incurred prior to, in preparation for, or in contemplation of the filing of any such proceeding.

G. Each of the undersigned agrees that all actions arising under this Guaranty or the Agreement, or otherwise as a result of the relationship between Dunkin' and the

undersigned, must be brought exclusively in the federal or state court of general jurisdiction located in Atlanta, Georgia. Each of the undersigned irrevocably submits to the jurisdiction of those courts and waives any objection he, she or it might have to either the jurisdiction of or venue in those courts. **EACH OF THE UNDERSIGNED IRREVOCABLY WAIVES TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, ARISING UNDER OR RELATING TO THIS GUARANTY OR ITS ENFORCEMENT.**

IN WITNESS WHEREOF, each of the undersigned has affixed his or her signature on the same day and year as the Agreement was executed.

SECTION 1. ~~SECTION 1.~~ PARTIES AND SYSTEM

1.A ~~1.0~~ Parties. This Agreement is our grant of a non-exclusive license to you, and your assumption of your obligation, to develop and operate a Dunkin' ~~/and~~ Baskin-Robbins ~~business granted by us and to you~~ combination restaurant business operating under the System (defined below) and the Proprietary Marks (defined below) (a "Combo Restaurant"). The franchisee, location ~~and term~~ of the Combo Restaurant covered by this Agreement (the "Restaurant"), Term and certain other terms of this Agreement are as specified in the accompanying Contract Data Schedule.

1.B Business Entity Franchisee. If you are a corporation, limited liability company or other entity, then you agree that:

SECTION 2. GRANT OF THE FRANCHISE

(1) your organizing documents shall provide that your purpose is limited to, and your business, operations and assets shall be limited to, developing, acquiring, owning and operating one or more Combo Restaurants (and, if applicable, Dunkin' and/or Baskin-Robbins restaurants) and conducting all business and financing activities related to those restaurants or as otherwise permitted by this Agreement, and except as provided below, you may not guarantee, co-sign, lend credit, pledge, mortgage or otherwise grant a security interest in any of your assets with respect to any business that is not related to those restaurants (although, if the Restaurant is in a shopping center or other site with multiple retail locations that your affiliate owns, then we will not unreasonably withhold our approval if you request to guarantee, co-sign, lend credit, pledge, mortgage or otherwise grant a security interest in any of your assets to secure a mortgage or other loan to that affiliate covering that site);

(2) Exhibit A to this Agreement completely and accurately describes all of your Owners (defined below) and their ownership interests in you. "Owner" means any person or entity holding a direct or indirect ownership interest (whether of record, beneficially, or otherwise) in you; and

(3) each Owner must execute an agreement in the form we designate undertaking personally to be bound by all provisions of this Agreement and any ancillary agreements between us and you (a "Guaranty"), the current version of which is attached to this Agreement.

1.C ~~2.0~~ System. As a result of the expenditure of time, effort and money, we have acquired experience and skill in the continued development of the Dunkin' and Baskin-Robbins ~~Systems (each a "System" and collectively, the "Systems")~~ franchise systems, which involves the conceptualization, design, specification, development, operation, marketing, franchising and licensing of restaurants and associated concepts for the sale of proprietary and non-proprietary food and beverage products-
, all of which we may periodically develop and modify (the "System"). ~~2.1~~ In connection with ~~each~~the System, we own or have the right to license certain intellectual property. This property, all of which we may periodically develop and modify, includes trademarks, service marks, logos, emblems, trade dress, trade names, ~~including Dunkin' Donuts®, Baskin-Robbins®~~ and other indicia of origin (collectively, the "Proprietary Marks"), as well as ~~patents and copyrights. The Proprietary Marks include trademarks on the Principal Register of the United States Patent and~~

Trademark Office. From time to time we may supplement or modify the list of Proprietary Marks associated with each System.

~~We also~~ 2.2 ~~As franchisor, Dunkin' and Baskin-Robbins each~~ have the right to periodically establish and modify "Standards" for various aspects of ~~their respective System~~ the System and the development and operation of Combo Restaurants that include the location, physical characteristics and quality of operating systems and other aspects of restaurants ~~and other concepts~~; the products ~~that are~~ sold and services provided; the qualifications of suppliers; the qualifications, organization and training of franchisees and their personnel; the timely marketing of products and ~~each brand~~ our brands, including execution of marketing windows; and all other things that we periodically specify affecting the experience of consumers who patronize ~~each System~~ Combo Restaurants. We make those Standards available to you in our Manuals and in other forms of communication, which we may update from time to time. Complete uniformity may not be possible or practical throughout ~~each~~ the System, and we may from time to time vary Standards as we deem necessary or desirable for ~~the Systems~~ one or more Combo Restaurants. As franchisee, you have the right and accept the obligation and responsibility to exercise day-to-day control over your franchised business to meet the Standards.

~~2.3. As franchisee, you are responsible for the conduct of your employees and for otherwise exercising day-to-day control over your franchised business. You also have the responsibility to adhere to the Standards of the System as they now exist and may from time to time be modified, and you acknowledge that at the heart of each System and this franchise relationship is your commitment to that responsibility. Furthermore, you acknowledge that your commitment is important to us, to you, and to other franchisees in order to promote the goodwill associated with our Systems and Proprietary Marks, and that this Agreement should be interpreted to give full effect to this paragraph.~~

We retain the right to operate or license others to operate Dunkin' and Baskin-Robbins restaurants and other concepts, and to grant other licenses relating to the Proprietary Marks, at such locations and on such terms as we choose. We may use or license others to use the Proprietary Marks in ways that compete with your location and that draw customers from the same area as your Restaurant.~~

We will conduct some training programs regarding Standards, and we may require you to conduct training programs through your own properly certified (by us) trainers or supervisors. These programs may be conducted, at our option, ~~in-at the~~ Restaurant or other site, or through the Internet or other electronic media. You agree to timely and successfully complete, and to require your management and other employees to timely and successfully complete, all training that we designate as mandatory regarding Standards. Some training programs or systems may require the payment of fees.

4.B ~~4.1~~ Costs for Training. You are responsible for your costs incurred in receiving any Standards training and in conducting your own training, including the cost of any materials and the salaries and travel expenses of yourself, your management, and your employees. ~~In-the event that~~ If the Restaurant ~~repeatedly~~ fails to meet Standards, then in addition to ~~whatever our~~ other remedies ~~-we may have~~, we may require you, your management and other Restaurant personnel to participate in additional training programs at your expense, and you may be required to reimburse us for the costs of providing such training.

4.C Assistance. SECTION 12. ~~SECTION 12.~~ INSURANCE AND INDEMNIFICATION

(1) ~~12.0 Prior to~~Before opening or operating the Restaurant for business, and ~~prior to constructing~~before beginning construction of the Restaurant ~~in the event if~~ you are developing the Restaurant, you agree to acquire insurance coverage of the type and in the amounts required by law, by any lease or sublease, and by us, as prescribed in our Standards. You must maintain such coverage in full force and effect throughout the ~~duration of this Agreement~~Term. We have the right to change these insurance requirements from time to time. All insurance must be placed and maintained with insurance companies with ratings that meet or exceed our Standards. At our request, you must provide us with proof of required insurance coverages.

~~12.1~~ We and any ~~affiliated party~~affiliate we designate must be named as additional insureds as our respective interests appear, and all policies must contain provisions denying to the insurer acquisition of rights of recovery against any named insured by subrogation. All policies shall include a provision prohibiting cancellations or material changes without thirty (30) days' prior written notice to all named insureds. Policies may not be limited in any way by reason of any insurance that we (or any named party) may maintain. Upon our request, you must produce proof that you currently have the insurance coverage described in this Agreement, ~~with all of the aforementioned provisions. In the event that, if~~ such insurance coverage is not in effect, then in addition to our other remedies, we have the right to purchase the necessary coverage for the Restaurant at your expense and to bill you for any premiums ~~and costs~~. This obligation to maintain insurance is separate and distinct from your obligation to indemnify us under the provisions below.

(2) ~~12.2~~ Both you and we waive any and all rights of recovery against each other ~~and~~ our respective officers, employees, agents, and representatives, for damage to the waiving party or for loss of its property or the property of others under its control, to the extent that the loss or damage is covered by insurance. To obtain the benefit of our waiver, you must have the required insurance coverage in effect. When you are obtaining the policies of insurance required by this subsection, you must give notice to your insurance carriers that the above mutual waiver of subrogation is contained in this Agreement. This obligation to maintain insurance is separate and distinct from your obligation to indemnify us under the provisions of Section ~~14.9~~12.B.

12.B Indemnification. You agree to defend, indemnify and hold us, our affiliates, and our and their respective owners, officers, directors, employees, agents, successors and assigns (collectively, the "Indemnified Parties"), harmless from all claims related in any way to your development, operation, possession or ownership of the Restaurant or the Premises, or any debt or obligation of yours. This indemnification covers all fees (including reasonable attorneys' fees), costs and other expenses incurred by us or on our behalf in the defense of any claims, except as provided below, and shall not be limited by the amount of insurance required under this Agreement. Our right to indemnity shall be valid notwithstanding that joint or concurrent liability may be imposed on us or any other Indemnified Party by law. No settlement of any claim against us shall be made without our prior written consent if we would be subjected to any liability not covered by you or your insurer. You will have the right to assume control of the defense of and otherwise respond to and address any claim or proceeding that is subject to this Section 12.B, provided however, that each Indemnified Party may at its election, by written notice to you, assume control of the defense of and otherwise respond to and address any such

claim or proceeding, but only if (1) the claim or proceeding involves a class action or action that involves more than just the Restaurant and other Combo Restaurants that you or your affiliates own, (2) a negative decision in the claim or proceeding would reasonably be expected to have a material adverse impact on the Dunkin' brand or Baskin-Robbins brand, or goodwill associated with the Proprietary Marks, or (3) you (or your insurance carrier) does not actively defend the Indemnified Party's interests in the claim or proceeding. If the Indemnified Party assumes control of the defense of any claim or proceeding pursuant to the preceding sentence, then (a) the Indemnified Party shall be responsible for its own fees (including reasonable attorneys' fees), costs and other expenses, and you may at your option retain separate co-counsel and otherwise participate in the defense at your sole cost and expense; and (b) your indemnification, defense and hold harmless obligations under this Section 12.B shall not apply with respect to that claim or proceeding. Your obligations under this Section 12.B will continue in full force and effect subsequent to and notwithstanding this Agreement's expiration or termination. To the extent that this Section 12.B directly conflicts with any specific defense, hold harmless or indemnification provisions in any other written contract between us or in any program or offering in which you participate, such as the Dunkin' and/or Baskin-Robbins Loyalty Program(s), such provisions will govern to the extent of such conflict.

SECTION 13. TRANSFERS

13.A ~~13.0~~ Transfer by Us: We may change our ownership or form and/or assign this Agreement and any other agreement between us and you (or any of your Owners or affiliates) without restriction. 14.B 14.4 Additional Remedies. In addition to ~~all the~~ our other rights and remedies ~~provided at law or by statute for the breach of this Agreement~~, we also have the following remedies:

(1) ~~14.4.1~~ If we believe a condition ~~of~~ at the Premises or the Restaurant or of any product ~~poses~~ posed poses a threat to the health or safety of your customers, employees or other persons, we have the right to take such action as we deem necessary to protect ~~these~~ those persons, and the goodwill enjoyed by our Proprietary Marks and ~~Systems. Such actions may include~~ System, including any or all of the following: ~~we may require~~ (i) requiring you to immediately close and suspend operation of the Restaurant and correct such conditions; ~~we may~~ (ii) immediately removing or destroying (or requiring you to immediately remove or ~~and~~ destroy) any products that we suspect are contaminated; and, (iii) entering the Restaurant and Premises, without being guilty of or liable for trespass or tort, to attempt to correct any hazardous condition if you fail to correct ~~a hazardous~~ that condition on demand, ~~and within a reasonable time, we and contractors we hire may enter the Restaurant without being guilty of, or liable for, trespass or tort, and correct the condition.~~ You are solely responsible for all losses or expenses incurred in complying with the provisions of this subsection. ~~Further, if you should discover a hazardous condition as described above, you agree to notify us immediately.~~

(2) ~~14.4.2~~ ~~If after proper notice and opportunity to cure, if we notify you that~~ you have not complied with a Standard involving the condition of the Restaurant, including maintenance, repair, and cleanliness, ~~we and contractors we hire and you fail to correct that non-compliance within thirty (30) days, then we and our representative es~~ may enter the Restaurant and Premises, without being guilty of, or liable for, trespass or tort, and correct the condition at your expense.

(3) ~~14.4.3~~ If you ~~are~~ repeatedly ~~in default or~~ fail to comply with this Agreement, we may disapprove your participation in the sale of new products or new programs until you cure your defaults and demonstrate to our reasonable satisfaction that you can maintain compliance with Standards.

14.C 14.4.4 Enforcement Expenses. You ~~will~~ agree to pay to us all costs and expenses, including reasonable payroll and travel expenses for our employees, and reasonable investigation and attorneys' fees, ~~incurred by us~~ that we incur in successfully enforcing (which includes achieving a settlement) any provisions of this Agreement.

14.D 14.5 Injunctive Relief. Because of the importance of your compliance with Standards to protect our ~~Systems, other franchisees,~~ System, the Combo Restaurant network and the goodwill enjoyed by our Proprietary Marks, you agree that the remedies described elsewhere in this Agreement, as well as monetary damages or termination at a future date, may be an insufficient remedy for your breach of ~~our Standards~~ any Standard or other provision of this Agreement. Accordingly, you agree not to contest the appropriateness of injunctive relief for

such breaches, and consent to the grant of an injunction in such cases without the showing of actual damages, irreparable harm or the lack of an adequate remedy at law. In order to obtain an injunction relating to any Standard, we must show only that the Standard in issue was adopted in good faith, ~~that it is a Standard of general applicability in that DMA or "region" (as that term is defined by us), and that you are violating or are about to violate that Standard. A Standard of general applicability is one that applies to all franchisees in the DMA or region, or throughout the Dunkin' and Baskin-Robbins Systems, and applies generally to Combo Restaurants in the same geographic region and that are similarly situated with the Restaurant.~~

14.E Obligations Upon Termination and Expiration. Upon termination or expiration of this Agreement, in addition to complying with Sections 10.B, 14.F, 14.G, and any other provision that expressly or by its nature survives the expiration or termination of this Agreement:

~~14.6 Termination and Expiration. If you commit a default referenced in section 14.2 or if you fail to timely cure any default that may be cured, we may terminate this Agreement. Termination will be effective immediately upon receipt of a written notice of termination unless a notice period is required by law, in which case that notice period will apply. Upon termination or expiration of this Agreement, you no longer have any rights granted by this Agreement. If we suffer your continued operation of the Restaurant while we seek judicial enforcement of our election to terminate, conducting business as if the Agreement had not been terminated in order to preserve the reputation of our Systems and goodwill associated with the Proprietary Marks, our adherence to the judicial process is neither a waiver of our election to terminate nor an extension of the termination date.~~

(1) you no longer have any rights granted by this Agreement, and we may, at our option, notify any of your suppliers, distributors and other third parties that you are no longer an authorized franchisee and the Restaurant is no longer an authorized Combo Restaurant or eligible to receive products and services as a Combo Restaurant;

~~14.7 In the event of termination or expiration of this Agreement:~~

~~14.7.1 You must pay all monies owed under this Agreement, including any fees and interest, within ten days.~~

(2) 14.7.2 Youyou must immediately cease operation of the Restaurant and no longer represent yourself to the public as our franchisee.

, and 14.7.3 You must immediately cease all use of our Proprietary Marks, ~~trade secrets, confidential information, and manuals,~~any colorable imitation of a Proprietary Mark, any trademark, service mark or commercial symbol that is confusingly similar to any Proprietary Mark, or any other indicia of a Combo Restaurant in any manner or for any purpose, and any Confidential Information, and Manuals, and cease to participate directly or indirectly in the use or benefits of our System-;

(3) 14.7.4 You must, within ten (10) days, after expiration or termination you must (a) pay all amounts owed under this Agreement, including any fees and interest; and (b) return all originals and copies of our operating manuals, plans, specifications, and all other materials of ours in your possession relating to the operation of the Restaurant, all of which you acknowledge to be our property. The remaining materials are your property. Manuals, plans, and other documents containing our Standards or other intellectual property; and

~~14.7.5 Upon our request within thirty days from the date of termination due to default, you agree to sell to us any or all of the furniture, fixtures, and equipment at its then-current fair market value, less any indebtedness on the equipment, and indebtedness to us;~~

~~14.7.6 Upon our request within thirty days from the date of termination or expiration, you must assign to us any leasehold interest you have in the Restaurant and Premises or any other agreement related to the Premises.~~

(4) ~~14.7.7 Upon~~upon our request within thirty (30) days ~~from the date of~~after expiration or termination ~~due to default or expiration~~, you must (a) remove from the Restaurant and Premises and return to us all signage and other indicia of our Proprietary Marks. ~~Further, you must;~~ (b) make such modifications or alterations to the Restaurant and Premises as we require in accordance with our Standards to distinguish the Restaurant and Premises from its former appearance and the premises of other ~~restaurants in the System. You must also~~Combo Restaurants so as to prevent a likelihood of confusion by the public; (c) disconnect and cease using any telephone ~~listings numbers~~that containare connected to our Proprietary Marks name; and (d) withdraw any fictitious name or similar registration containing any part of our Proprietary Marks. You hereby appoint us as your ~~attorney-in-fact~~attorney-in-fact, and in your name, to do any act necessary to accomplish the intent of this ~~section. In the event~~subsection (4). If you fail or refuse to comply with the requirements of this ~~section~~subsection (4), we have the right to enter upon the Premises, without being guilty of trespass or any other tort, for the purpose of making such changes as may be required, at your expense, ~~which and~~ you agree to ~~pay~~reimburse us for all costs and expenses we incur upon demand.

You acknowledge that if we conduct business as if the Agreement had not been terminated or otherwise suffer your continued operation of the Restaurant while we seek enforcement of our election to terminate or our other rights or remedies, we are doing so merely to preserve the reputation of the Combo Restaurant network and/or the goodwill associated with the Proprietary Marks, and that doing so is neither a waiver of our election to terminate nor an extension of the termination date.

14.F Option to Purchase. We have the option, exercisable by delivery of written notice within thirty (30) days after the termination or expiration of this Agreement, to purchase from you those Operating Assets and other assets used in the operation of the Restaurant that we designate (excluding personal assets and assets that are not used primarily in the operation of the Restaurant and other Combo restaurants then being acquired) (the "Purchased Assets"). The purchase price for the Purchased Assets (the "Purchase Price") will be their fair market value, but not as a Combo Restaurant as a going concern, except that the Purchase Price will not include any value for any rights granted by this Agreement, goodwill attributable to the Proprietary Marks or System, or participation in the network of Combo Restaurants. If we and you cannot agree on the Purchase Price for the Purchased Assets, it will be determined by an independent appraiser designated in accordance with the Standards, who will be bound by the provisions of this Section 14.F. We will pay the Purchase Price at the closing, which will take place on a date we designate, but we may set off against the Purchase Price, and reduce the Purchase Price by, any and all amounts you owe us or our affiliates relating to the Restaurant. We are entitled to all customary representations, warranties and indemnities in this asset purchase, and you (and your Owners) agree to execute our then current form of purchase agreement and related agreements and instruments (which shall be on reasonable and customary terms and conditions) in connection with the purchase. We also may at our option assign our rights under this Section 14.F, without recourse, to any assignee, who will then have all of our rights under this Section 14.F to purchase the Purchased Assets directly from you, and we shall have no further liability or obligation in connection with this Section 14.F with respect to that purchase.

14.G Option to Assume Lease. We also have the option, exercisable by delivery of written notice within thirty (30) days after the termination or expiration of this Agreement, to require you assign to us any leasehold interest you have in the Restaurant and Premises or any other agreement related to the Premises. You (and your Owners) agree to execute our then current form of lease assignment agreement and related agreements and instruments (all of which shall be on reasonable and customary terms and conditions) in connection with the transfer, which will be effective on the date we specify, which may be the closing date of the purchase under Section 14.F. We may at our option assign our rights under this Section 14.G, without recourse, to any assignee, who will then have all of our rights under this Section 14.G to assume the leasehold interest or other agreement related to the Premises directly from you, and we shall have no further liability or obligation in connection with this Section 14.G with respect to that assignment.

SECTION 15. DISPUTE RESOLUTION

15.A Governing Law. This Agreement, the franchise, and all claims arising from the relationship between us and you shall be governed by the laws of the State of Georgia, without regard to its conflict of laws rules; provided, however that any Georgia law regulating the sale of franchises or governing the relationship of a franchisor and its franchisee will not apply unless its jurisdictional requirements are met independently without reference to this Section 15.A.

15.B Choice of Forum. The parties agree that to the extent any disputes arise that cannot be resolved directly between the parties, you shall file any suit against us or our affiliates, and we shall file any suit against you or your owners, only in the federal or state court of general jurisdiction in Atlanta, Georgia. Each party irrevocably submits to the jurisdiction of those courts and waives any objection such party may have to either the jurisdiction of or venue in those courts.

15.C Waiver of Punitive Damages and Jury Trial. EXCEPT FOR PUNITIVE, EXEMPLARY, TREBLE AND OTHER FORMS OF MULTIPLE DAMAGES AVAILABLE TO ANY PARTY UNDER FEDERAL LAW OR OWED TO THIRD PARTIES WHICH ARE SUBJECT TO INDEMNIFICATION UNDER SECTION 9.D OR SECTION 12.B, WE AND YOU (AND YOUR OWNERS) WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT TO OR CLAIM FOR ANY PUNITIVE, EXEMPLARY, TREBLE OR OTHER FORMS OF MULTIPLE DAMAGES AGAINST THE OTHER AND AGREE THAT, IN THE EVENT OF A DISPUTE BETWEEN US AND YOU (OR YOUR OWNERS), THE PARTY MAKING A CLAIM WILL BE LIMITED TO EQUITABLE RELIEF AND TO RECOVERY OF ANY ACTUAL DAMAGES IT SUSTAINS.

WE AND YOU (AND YOUR OWNERS) IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER US OR YOU (OR YOUR OWNERS).

15.D ~~14.8~~ Claims Not a Defense. You agree that the existence of any claims against us, whether or not arising from this Agreement, shall not constitute a defense to the enforcement by us of any provision of this Agreement.

~~14.9 Indemnification. You will indemnify and hold us, our parent, subsidiaries and affiliates, including our and their respective members, officers, directors, employees, agents, successors and assigns, harmless from all claims related in any way to your operation, possession or ownership of the Restaurant or the Premises, or any debt or obligation of yours. This indemnification covers all fees (including reasonable attorneys' fees), costs and other expenses~~

~~incurred by us or on our behalf in the defense of any claims, and shall not be limited by the amount of insurance required under this Agreement. Our right to indemnity shall be valid notwithstanding that joint or concurrent liability may be imposed on us by statute, ordinance, regulation or other law. We will notify you of any claims covered by this paragraph, and you shall have the opportunity to assume the defense of the matter. We shall have the right to participate in any defense that is assumed by you, at our own cost and expense. No settlement of any claim against us shall be made without our prior written consent if we would be subjected to any liability not covered by you or your insurer.~~

SECTION 15. DISPUTE RESOLUTION

~~15.0 **Waiver of Rights:** Both we and you waive and agree not to include in any pleading or arbitration demand: class action claims; demand for trial by jury; claims for lost profits (expressly excluding any fees due to us now or in the future under this Agreement); or claims for punitive, multiple, or exemplary damages. If any pleading is filed that contains any of these claims or a jury demand, or if a court determines that all or any part of the waivers are ineffective, then the pleading shall be dismissed with prejudice, leaving the pleading party to its arbitration remedy. No claim by either of us can be consolidated with the claims of any other party. If such claims and demands cannot be waived by law, then the parties agree that any recovery will not exceed two (2) times actual damages.~~

~~15.1 **Arbitration:** Either of us, as plaintiff, may choose to submit a dispute to a court or to arbitration administered by the American Arbitration Association ("AAA") under its Commercial Arbitration Rules (or by another nationally established arbitration association acceptable to you and us) and under the Federal Rules of Evidence. The plaintiff's election to arbitrate or to submit the dispute to the court system, including any compulsory counterclaims, is binding on the parties except that we shall have the option to submit to a court any of the following actions: to collect fees due under this Agreement; for injunctive relief; to protect our intellectual property, including Proprietary Marks; and to terminate this Agreement for a default. For any arbitration, the arbitrator(s) shall issue a reasoned award, with findings of fact and conclusions of law. The arbitration award and the decision on any appeal will be conclusive and binding on the parties. Actions to enforce an express obligation to pay money may be brought under the Expedited Procedures of the AAA's Commercial Arbitration Rules. The place of arbitration shall be in the state in which the Restaurant is located. The Federal Arbitration Act shall govern, excluding all state arbitration law. Massachusetts's law shall govern all other issues.~~

~~15.2 **Scope of Arbitration:** Disputes concerning the validity or scope of this Section, including whether a dispute is subject to arbitration, are beyond the authority of the arbitrator(s) and shall be determined by a court of competent jurisdiction pursuant to the Federal Arbitration Act, 9 U.S.C. §1 *et seq.*, as amended from time to time. The provisions of this Section shall continue in full force and effect subsequent to any expiration or termination of this Agreement.~~

~~15.3 **Appeals:** Either of us may appeal the final award of the arbitrator(s) to the appropriate U.S. District Court. The Court's review of the arbitrator's findings of fact shall be under the clearly erroneous standard, and the Court's review of all legal rulings shall be *de novo*. If it is determined that this provision for federal court review is not enforceable, then either party may appeal the arbitrator's final award to a panel of three arbitrators chosen under AAA procedures, employing the same standards of review stated immediately above.~~

SECTION 16. SECTION 16. MISCELLANEOUS

~~16.0 If you directly or indirectly acquire ownership or control of the Premises, you must promptly give us written notice of such ownership or control and execute our then-standard agreement giving us the option to lease the Premises from you if you default under this Agreement or under any lease relating to the Restaurant or Premises. The lease will be for the then-remaining term of this Agreement, including any extension or renewal, at "triple-net" fair market value rent for comparable Dunkin' /Baskin-Robbins locations with arms-length leases. If~~

~~the parties cannot agree on the fair market value, they will consult a mutually acceptable real estate professional.~~

16.A 16.1 Relationship of the Parties. This Agreement does not create a fiduciary relationship between us and you. You have no authority, express or implied, to act as our or our affiliate's agent for any purpose. You are an independent contractor ~~of ours and not our agent, partner or joint venturer.~~ Neither party has the power to bind the other. ~~Nothing in this Agreement contemplates a fiduciary relationship. Neither~~ responsible for all obligations and liabilities of, and for all loss or damage to, the Restaurant and its business. We and you are not and do not intend to be partners, associates, or joint employers in any way, and we shall not be construed to be jointly liable for any of your acts or omissions under any circumstances. Neither party is liable for any act, omission, debt or any other obligation of the other, ~~and you and we agree to indemnify and save each other harmless from any such claim and the cost of defending such claim.~~

16.B 16.2 Waivers. Either we or you may by written instrument unilaterally waive or reduce any obligation of or restriction upon the other under this Agreement, effective upon delivery of written notice to the other or another effective date stated in the notice of waiver. However, no interpretation, change, termination or waiver of any of this Agreement's provisions shall be binding upon us unless in writing and executed by one of our officers, and which is specifically identified as an amendment, termination or waiver under this Agreement. Any waiver we grant will be without prejudice to our other rights and may be revoked at any time and for any reason, effective upon ten (10) days' prior written notice. Our waiver of your breach of any ~~term~~ provision of this Agreement or any Standard applies only to that one breach and that one ~~term~~ provision or Standard, and not to any subsequent breach of ~~any term. Acceptance by us~~ that provision or Standard or any other provision or Standard. Our acceptance of any payments due under this Agreement shall not be deemed to be ~~a~~our waiver ~~by us~~ of any preceding breach ~~by you of any term.~~ If we accept payments from any person or entity other than you, such payments will be deemed made by such person as your agent and not as your successor or assignee. We may waive or modify any obligation of other franchisees under agreements similar to this Agreement, without any obligation to grant a similar waiver or modification to you. ~~If, for any reason, any provision of this Agreement is determined to be invalid or to conflict with an existing or future law, then the remaining provisions will continue to bind the parties and the invalid or conflicting provision will be deemed not to be a part of this Agreement.~~

~~16.3 The parties' rights and remedies are cumulative. Neither you nor your successor may create or assert any security interest or lien in this Agreement, without our prior written approval. You represent and warrant that you have established your operating agreement, by laws or partnership agreement in accordance with the requirements of this Agreement. In the event of any conflict between a provision in this Agreement and a provision in your operating agreement, by laws or partnership agreement, the provision of this Agreement will control.~~

16.C Severability. Except as expressly provided to the contrary in this Agreement, each Section, subsection and provision of this Agreement is severable, and if, for any reason, any part is held to be invalid or contrary to or in conflict with any applicable present or future law or regulation in a final, unappealable ruling issued by any court or agency with competent jurisdiction, that ruling will not impair the operation of, or otherwise affect, any other portions of this Agreement, which will continue to have full force and effect and bind the parties. If any covenant which restricts competitive activity is deemed unenforceable by virtue of its scope in terms of area, business activity prohibited, and/or length of time, but would be enforceable if modified, we and you agree that the covenant will be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction whose law determines the covenant's validity. If any applicable and binding law or rule of any jurisdiction requires more

notice than this Agreement requires of termination or of our refusal to enter into a renewal franchise agreement, or if, under any applicable and binding law or rule of any jurisdiction, any provision of this Agreement or any Standard is invalid, unenforceable or unlawful, the notice and/or other action required by the law or rule will be substituted for the comparable provisions of this Agreement, and we may modify the invalid or unenforceable provision or Standard to the extent required to be valid and enforceable or delete the unlawful provision in its entirety.

16.D 16.4 Interpretation. The preambles and exhibits are a part of this Agreement which, together with any riders or addenda executed at the same time as this Agreement, constitutes our and your entire agreement and supersedes all prior and contemporaneous oral or written agreements and understandings between them relating to the subject matter of this Agreement. There are no other oral or written representations, warranties, understandings or agreements between us and you relating to the subject matter of this Agreement. Notwithstanding the foregoing, nothing in this Agreement shall disclaim or require you to waive reliance on any representation that we made in the most recent disclosure document (including its exhibits and amendments) that we delivered to you or your representative. Any policies that we adopt and implement from time to time to guide us in our decision-making are subject to change, are not a part of this Agreement and are not binding on us. Except as provided in Section 9.D and Section 12.B, nothing in this Agreement is intended nor deemed to confer any rights or remedies upon any person or entity not a party to this Agreement. The parties' rights and remedies under this Agreement and applicable law are cumulative. You may not withhold payment of any amounts owed to us or our affiliates on the grounds of our or their alleged nonperformance of any of our or their obligations under this Agreement or any other agreement. Captions, paragraph designations and section or subsection headings are included in this Agreement for convenience only, and in no way define or limit the scope or intent of the provisions. ~~Wherever we use the word "including", it means "including"~~ If two or more persons are at any time parties to this Agreement as the franchisee under this Agreement, whether as partners or joint venturers, their obligations and liabilities to us will be joint and several. The words "include," "including," and words of similar import shall be interpreted to mean "including, but not limited to:." and the terms following such words shall be interpreted as examples of, and not an exhaustive list of, the appropriate subject matter. This Agreement may be executed by electronic signature and/or in multiple copies, each of which will be deemed an original.

16.E Binding Effect and Amendment. This Agreement is binding upon us and you and our and your respective executors, administrators, heirs, beneficiaries, permitted assigns and successors in interest. Subject to our rights to modify the Manuals, Standards and System, this Agreement may not be amended or modified except by a written agreement executed by both us and you.

16.F Exercise of Our Judgment. Whenever we reserve discretion in a particular area or where we agree to exercise our rights reasonably or in good faith, we will satisfy our obligations whenever we exercise reasonable business judgment in making our decision or exercising our rights. Our decisions or actions will be deemed to be the result of reasonable business judgment, even if other reasonable or even arguably preferable alternatives are available, if our decision or action is intended, in whole or significant part, to promote or benefit the System or Combo Restaurants generally even if the decision or action also promotes our financial or other individual interest. Examples of items that will promote or benefit the System or Combo Restaurants include enhancing the value of the Proprietary Marks, improving customer service and satisfaction, improving product quality, improving uniformity, enhancing or encouraging modernization and improving the competitive position of the System or Combo Restaurants.

16.G ~~16.5~~ Notices. All notices delivered pursuant to this Agreement shall be sent by nationally recognized overnight courier or certified mail to the addresses set forth in the Contract Data Schedule, or to such other addresses as you and we provide each other in writing. All notices to ~~us shall be sent to us "c/o Dunkin' Brands, Inc., as Manager, Attention: Legal Department."~~

16.H No Related Party Liability. You agree that none of our past, present or future directors, officers, employees, incorporators, members, partners, stockholders, subsidiaries, affiliates, controlling parties, entities under common control, ownership or management, vendors, service providers, agents, attorneys or representatives will have any liability for: (1) any of our obligations or liabilities relating to or arising from this Agreement; (2) any claim against us based on, in respect of, or by reason of, the relationship between you and us; or (3) any claim against us based on any of our alleged unlawful acts or omissions.

~~16.6 This Agreement and the documents referred to herein shall be the entire, full and complete agreement between you and us concerning the subject matter of this Agreement, which supersedes all prior agreements. Nothing in this Section, however, is intended to disclaim the representations we made in the franchise disclosure document that we furnished to you. This Agreement is made in the Commonwealth of Massachusetts, USA, and shall be interpreted, construed and governed by the laws of the Commonwealth of Massachusetts. This Agreement may be executed in multiple counter-parts by facsimile or otherwise. This Agreement may only be modified in a writing signed by you and us.~~

~~16.7 Your success in this business is speculative and depends, to an important extent, upon your ability as an independent business owner. We do not represent or warrant that the Restaurant will achieve a certain level of sales or be profitable, notwithstanding our approval of the location. By your signature below, you acknowledge that you have entered into this Agreement after making an independent investigation of the Dunkin' and Baskin-Robbins Systems.~~

~~16.8 This Agreement grants you rights with respect to the Dunkin' and Baskin-Robbins brands. We have the right, at any time, to require you to execute and deliver separate contracts for each brand, each containing all of the terms of this Agreement pertaining to such brand. You agree to execute and return such replacement contracts to us within thirty (30) days after receipt thereof. If you fail to do so, we have the right to execute such instruments on your behalf and deliver a copy to you.~~

16.I ~~16.8~~ No Waiver or Disclaimer of Reliance in Certain States. The following provision applies only to franchisees and franchises that are subject to the state franchise disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington or Wisconsin:

No statement, questionnaire or acknowledgment signed or agreed by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on behalf of us. This provision supersedes any other term of any document executed in connection with the franchise.

(The remainder of this page is intentionally left blank.)

Intending to be legally bound hereby, the parties have duly executed and delivered this agreement ~~in duplicate~~, as of the date and year first written above. ~~You hereby acknowledge receipt of this Franchise Agreement, including any addenda referenced in Item J, at least seven (7) calendar days (or such longer period as is required by state law) prior to the date hereof. You further acknowledge having carefully read this agreement in its entirety, including all addenda identified above and the Personal Guarantee below (if applicable).~~

GUARANTY AND ASSUMPTION OF OBLIGATIONS

PERSONAL GUARANTEE

THIS GUARANTY AND ASSUMPTION OF OBLIGATIONS is given this ____ day of _____, 20____, by each of the undersigned parties.

A. In consideration of, and as an inducement to, the execution of that certain Franchise Agreement (together with all amendments or modifications, the "Agreement") on this date by DUNKIN' DONUTS FRANCHISING LLC ("Dunkin'") and BASKIN-ROBBINS FRANCHISING LLC ("Baskin-Robbins") and together with Dunkin', the "Franchisor"), each of the undersigned unconditionally (a) guarantees to Franchisor and its successors and assigns, for the term of the Agreement (including extensions) and afterward as provided in the Agreement, that _____ ("Franchisee") will punctually pay and perform each and every undertaking, agreement, and covenant of Franchisee set forth in the Agreement; and (b) agrees to be bound by, and liable for the breach by Franchisee of, each and every provision in the Agreement, both monetary obligations and obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities, including, without limitation, the non-competition, confidentiality, and transfer requirements, except that (1) the undersigned shall not be required to personally be bound by the covenants in Section 1.B(1) of the Agreement, and (2) no guarantor shall have any liability with respect to another guarantor's failure to comply with any non-monetary obligations under the Agreement. In the event of a direct conflict between the foregoing clauses (1) or (2), on the one hand, and any other provision of this Guaranty or the Agreement, on the other hand, such clauses (1) or (2), as the case may be, shall govern to the extent of such direct conflict.

B. Each of the undersigned acknowledges that (a) they are either an owner (whether direct or indirect) of Franchisee or otherwise has a direct or indirect relationship with Franchisee or its affiliates; (b) they will benefit significantly from Franchisor's entering into the Agreement with Franchisee; and (c) Franchisor would not enter into the Agreement unless each of the undersigned agrees to sign and comply with the terms of this Guaranty.

C. Each of the undersigned consents and agrees that: (a) their direct and immediate liability under this Guaranty will, except as set forth in Paragraph A above, be joint and several, both with Franchisee and among other guarantors; (b) he, she or it will render any payment or performance required under the Agreement upon demand if Franchisee fails or refuses punctually to do so; (c) this liability will not be contingent or conditioned upon Franchisor's pursuit of any remedies against Franchisee or any other person or entity; (d) this liability will not be diminished, relieved, or otherwise affected by any extension of time, credit, or other indulgence which Franchisor may from time to time grant to Franchisee or to any other person or entity, including, without limitation, the acceptance of any partial payment or performance or the compromise or release of any claims (including, without limitation, the release of other guarantors), none of which will in any way modify or amend this Guaranty, which will be continuing and irrevocable during the term of the Agreement (including extensions), for so long as any performance is or might be owed under the Agreement by Franchisee or any of its owners or guarantors, and for so long as Franchisor has any cause of action against Franchisee or any of its owners or guarantors; and (e) this Guaranty will continue in full force and effect for (and as to) any extension or modification of the Agreement, and despite the transfer of any direct or indirect interest in the Agreement or Franchisee, and each

of the undersigned waives notice of any and all renewals, extensions, modifications, amendments, or transfers.

D. Each of the undersigned waives: (a) all rights to payments and claims for reimbursement or subrogation that any of the undersigned may have against Franchisee arising as a result of the undersigned's execution of and performance under this Guaranty, for the express purpose that none of the undersigned shall be deemed a "creditor" of Franchisee under any applicable bankruptcy law with respect to Franchisee's obligations to Franchisor; (b) all rights to require Franchisor to proceed against Franchisee for any payment required under the Agreement, proceed against or exhaust any security from Franchisee, take any action to assist any of the undersigned in seeking reimbursement or subrogation in connection with this Guaranty or pursue, enforce or exhaust any remedy, including any legal or equitable relief, against Franchisee; (c) any benefit of, or any right to participate in, any security now or hereafter held by Franchisor; and (d) acceptance and notice of acceptance by Franchisor of his, her or its undertakings under this Guaranty, all presentments, demands and notices of demand for payment of any indebtedness or non-performance of any obligations hereby guaranteed, protest, notices of dishonor, notices of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed, and any other notices and legal or equitable defenses to which he, she or it may be entitled. Franchisor shall have no present or future duty or obligation to the undersigned under this Guaranty, and each of the undersigned waives any right to claim or assert any such duty or obligation, to discover or disclose to the undersigned any information, financial or otherwise, concerning Franchisee, any other guarantor, or any collateral securing any obligations of Franchisee to Franchisor. Without affecting the obligations of the undersigned under this Guaranty, Franchisor may, without notice to the undersigned, extend, modify, supplement, waive strict compliance with, or release all or any provisions of the Agreement or any indebtedness or obligation of Franchisee, or settle, adjust, release, or compromise any claims against Franchisee or any other guarantor, make advances for the purpose of performing any obligations of Franchisee under the Agreement, and/or assign the Agreement or the right to receive any sum payable under the Agreement, and the undersigned each hereby jointly and severally waive notice of same. The undersigned expressly acknowledge that the obligations hereunder survive the expiration or termination of the Agreement.

E. In addition, the undersigned each waive any defense arising by reason of any of the following: (a) any disability, counterclaim, right of set-off or other defense of Franchisee, (b) any lack of authority of Franchisee with respect to the Agreement, (c) the cessation from any cause whatsoever of the liability of Franchisee, (d) any circumstance whereby the Agreement shall be void or voidable as against Franchisee or any of its creditors, including a trustee in bankruptcy of Franchisee, by reason of any fact or circumstance, (e) any event or circumstance that might otherwise constitute a legal or equitable discharge of the undersigned's obligations hereunder, except that the undersigned do not waive any defense arising from the due performance by Franchisee of the terms and conditions of the Agreement, (f) any right or claim of right to cause a marshaling of the assets of Franchisee or any other guarantor, and (g) any act or omission of Franchisee.

F. If Franchisor is required to enforce this Guaranty in a judicial proceeding, and prevails in such proceeding, Franchisor shall be entitled to reimbursement of its reasonable costs and expenses, including, but not limited to, reasonable accountants', attorneys', attorneys' assistants', and expert witness fees, costs of investigation and proof of facts, court

costs, other litigation expenses, and travel and living expenses, whether incurred prior to, in preparation for, or in contemplation of the filing of any such proceeding.

G. Each of the undersigned agrees that all actions arising under this Guaranty or the Agreement, or otherwise as a result of the relationship between Franchisor and the undersigned, must be brought exclusively in the federal or state court of general jurisdiction located in Atlanta, Georgia. Each of the undersigned irrevocably submits to the jurisdiction of those courts and waives any objection he, she or it might have to either the jurisdiction of or venue in those courts. **EACH OF THE UNDERSIGNED IRREVOCABLY WAIVES TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, ARISING UNDER OR RELATING TO THIS GUARANTY OR ITS ENFORCEMENT.**

IN WITNESS WHEREOF, each of the undersigned has affixed his or her signature on the same day and year as the Agreement was executed.

MULTI-BRAND ADDENDUM TO THE FRANCHISE AGREEMENT

**2024 INSPIRE BRANDS' MULTI-BRAND
ADDENDUM TO THE FRANCHISE AGREEMENT**

This Addendum to Franchise Agreement (this “**Addendum**”) is entered into this ____ day of _____, 202__ by and between _____ (“**Franchisor**”) and _____ (“**Franchisee**”).

1. **Background.**

(a) Franchisor and Franchisee are parties to that certain _____® Franchise Agreement dated as of _____ (as amended, the “**Franchise Agreement**”) under which Franchisor has granted Franchisee the right to operate a _____® restaurant (a “**Brand Restaurant**”) at _____ (the Brand Restaurant at that location is called the “**Franchised Restaurant**”). All initial capitalized terms used but not defined in this Addendum have the meanings set forth in the Franchise Agreement.

(b) Franchisee operates or intends to operate the Franchised Restaurant at the premises of, and in combination with, the other brand restaurants listed on Exhibit A (collectively, and whether one or more, the “**Other Restaurants**”). The affiliate(s) of Franchisee listed on Exhibit A (collectively, and whether one or more, the “**Co-Operators**”) operate the Other Restaurants under the separate franchise agreement(s) listed on Exhibit A (collectively, and whether one or more, the “**Other Franchise Agreements**”) with the franchisor(s) listed on Exhibit A who are Franchisor’s affiliates (collectively, and whether one or more, the “**Other Franchisors**”).

(c) This Addendum reflects certain changes in and clarifications to the Franchise Agreement to reflect Franchisor’s modified requirements for a multi-brand location. Franchisee acknowledges that Franchisor is willing to enter into this Addendum and to permit the operation of the Franchised Restaurant as a multi-brand location only because of the relationship between Franchisor and the Other Franchisors and, if applicable, the relationship between Franchisee and its Co-Operators who operate the Other Restaurants.

2. **Ownership of Other Restaurants.** Notwithstanding the restrictions in the Franchise Agreement, Franchisor consents to Franchisee’s (and/or, as applicable, its Co-Operators’) ownership and operation of the Other Restaurants at the same premises as the Franchised Restaurant, provided Franchisee complies with the terms of the Franchise Agreement (including this Addendum) and Franchisee (or its Co-Operators) complies with the terms of the Other Franchise Agreements.

3. **Franchise Agreement Term and Renewal.** The term of the Franchise Agreement shall expire, unless sooner terminated, on _____, 20___. In addition to the conditions in the Franchise Agreement to obtain a renewal or successor franchise to continue operating the Franchised Restaurant as a Brand Restaurant, Franchisee (and/or, as applicable, its Co-Operators) also must be in compliance with, and, if Franchisor requires, renew or extend the term of, the Other Franchise Agreements.

4. **Operation as a Multi-Brand Location.** Franchisee agrees that Franchisor, at its option, may modify any of the terms of the franchise system applicable to the Franchised Restaurant, including any system standards, the layout and design requirements, the products and services offered, any mandatory or optional advertising, marketing and promotional programs, required equipment or products, required hours of operation, personnel training and staffing requirements, and other standards, specifications and requirements, in a manner that is different from the manner in which those terms apply to other Brand Restaurants, in order to reflect the Franchised Restaurant's status as a multi-brand location. Franchisee agrees to comply with all of those modifications. Without limiting the generality of the foregoing:

(a) Franchisee shall design and construct, and/or make modifications to, the Franchised Restaurant's layout, design, equipment and fixtures that Franchisor specifies to reflect the multi-brand location.

(b) Franchisee agrees that its (or Co-Operators') development and operation of the Other Restaurants shall not unreasonably interfere with or otherwise disrupt the Franchised Restaurant's operations. The operation of the Other Restaurants must be consistent with and complement Franchisee's operation of the Franchised Restaurant.

(c) Franchisee acknowledges that the services, guidance and assistance that Franchisor provides under the Franchise Agreement, including any training, may be intended for stand-alone Brand Restaurants and not tailored or specific to multi-brand locations like the Franchised Restaurant.

(d) Franchisee may not open and begin operating the Franchised Restaurant unless the Other Restaurants are also open and in operation. Franchisee shall ensure that the Other Restaurants are open and operating during all business hours that the Franchised Restaurant is open and operating.

(e) Franchisee must use paper products and other items bearing the Brand Restaurants' trademarks and trade names only at the Franchised Restaurant and with products served by the Franchised Restaurant, and Franchisee (or its Co-Operators) may not use them at the Other Restaurants or with products served by the Other Restaurants.

(f) Franchisee (and, if applicable, its Co-Operators) shall notify the customers of the Franchised Restaurant and the Other Restaurants, and the design and layout of the Franchised Restaurant and Other Restaurants shall reflect, all in the manner Franchisor periodically specifies, that the operation of the Other Restaurants is separate from and independent of the Franchised Restaurant. Without limiting the foregoing, at Franchisor's option, Franchisee (and, if applicable, its Co-Operators) may use certain areas of the premises and equipment (including point-of-sale systems and other computer equipment) only for the business associated with the Franchised Restaurant and not the Other Restaurants. Likewise, at Franchisor's option, Franchisee (and, if applicable, its Co-Operators) may use certain areas of the premises and equipment (including point-of-sale systems and other computer equipment) only for the business associated with the Other Restaurants and not the Franchised Restaurant. Unless Franchisor otherwise specifies or approves, none of the advertising, marketing or promotional materials associated with the

Franchised Restaurant may reference the Other Restaurants or the brand(s) under which the Other Restaurants operate.

(g) all of the Franchised Restaurant's sales must be entered only on the point-of-sale system that Franchisor approves for the Franchised Restaurant. Franchisee (and, if applicable, Co-Operators) shall maintain separate books and records for the Franchised Restaurant and the Other Restaurants and shall not commingle the revenues of the Franchised Restaurant with the revenues of the Other Restaurants. Franchisor and Franchisee agree that Franchisee shall pay royalties or continuing franchise fees, advertising/brand fund contributions or continuing advertising fees, and/or similar payments based on Gross Sales under the Franchise Agreement only on the Gross Sales derived from the Franchised Restaurant and not on the sales or revenue of the Other Restaurants. Franchisee agrees to deliver to Franchisor, at such times that Franchisor periodically specifies, sales information and other reports relating to the Other Restaurants.

(h) Franchisee acknowledges that Franchisor shall have no obligation to provide any training, services or other assistance with respect to the development or operation of the Other Restaurants.

5. **Personnel.** Franchisee must ensure that all employees providing services to customers of the Franchised Restaurant wear uniforms that are distinct from the uniforms and/or other apparel worn by the employees providing services to customers of the Other Restaurants. Franchisor may at its option modify its training, staffing and other similar requirements to address any employees that are cross-trained to operate both the Franchised Restaurant and the Other Restaurants. However, Franchisee must ensure that all employees who provide services to the Franchised Restaurant's customers or otherwise assist in the Franchised Restaurant's operation are properly trained to operate the Franchised Restaurant and otherwise satisfy Franchisor's requirements. Franchisee must pay Franchisor any training fees and additional expenses that Franchisor incurs in connection with any additional or specialized training required for the Franchised Restaurant's personnel due to its status as multi-brand location.

6. **Inspections and Audits.** In order to determine Franchisee's compliance with the Franchise Agreement (including this Addendum), Franchisor shall have the right to inspect the Other Restaurants and their operations, and audit the books and records associated with the Other Restaurants, in accordance with the terms of the Franchise Agreement to the same extent that it may do so with respect to the Franchised Restaurant, its operations, and its books and records. If Franchisee has Co-Operators operating the Other Restaurants, Franchisee must ensure that those Co-Operators provide Franchisor the rights under this Section 6.

7. **Refresh/Remodel of the Franchised Restaurant.** Franchisor, at its option, may modify the requirements for any required refresh or remodel of the Franchised Restaurant under the Franchise Agreement, including by accelerating or deferring any due dates, in order to correlate with the development, remodel and/or refresh requirements under any of the Other Franchise Agreements.

8. **Relationship With Other Franchise Agreements.** Franchisee acknowledges that Franchisor granted Franchisee the rights under the Franchise Agreement and this Addendum in

reliance upon, and that the operation of the Franchised Restaurant under the Franchise Agreement is dependent on and inextricably connected with, Franchisee's (or its Co-Operators) operation of the Other Restaurants pursuant to and in compliance with the Other Franchise Agreements. Therefore:

(a) Franchisee agrees to comply (or to cause Co-Operators to comply) with the Other Franchise Agreements in connection with the development and operation of the Other Restaurants (including with respect to paying amounts owed and complying with all applicable laws) and agrees that Franchisee's (or any Co-Operator's) failure to comply with any Other Franchise Agreement shall constitute a breach of, and a default under, the Franchise Agreement.

(b) upon any proposed transfer (as defined in the Franchise Agreement, if applicable) involving any direct or indirect ownership interest in Franchisee or all or substantially all of the assets of the Franchised Restaurant, in addition to the conditions for Franchisor's approval of that transfer under the Franchise Agreement, Franchisor may condition its consent to that transfer on the simultaneous transfer to the applicable assignee of other rights, obligations, assets and/or other interests associated with the Other Restaurants. Likewise, Franchisee (or, if applicable, its Co-Operators) may not transfer any direct or indirect ownership interest in Franchisee's affiliate or all or substantially all of the assets of the Other Restaurants without the simultaneous transfer to the applicable assignee of other rights, obligations, assets and/or other interests associated with the Franchised Restaurant, which transfer shall be subject to Franchisor's approval under the Franchise Agreement.

(c) Franchisor may terminate the Franchise Agreement, effective upon delivery of written notice to Franchisee, if any Other Franchise Agreement expires (without a renewal or successor franchise with the Other Franchisors) or terminates (regardless of the reason), or if Franchisee (or, if applicable, Co-Operators) abandons or otherwise ceases to operate any Other Restaurant for any reason.

(d) Franchisor acknowledges that certain post-termination obligations under the Franchise Agreement relating to Franchisor's right to acquire certain assets of the Franchised Restaurant and/or the lease for the Franchised Restaurant's premises may conflict with similar requirements under the Other Franchise Agreements, and in that case Franchisee agrees to comply (and, if applicable, to cause its Co-Operators to comply) with the requirements that Franchisor reasonably specifies.

9. **Miscellaneous.** This Addendum is an amendment to, and forms a part of, the Franchise Agreement. Except as amended by this Addendum, the Franchise Agreement will continue in full force and effect. The recitals to this Addendum are a part of this Addendum, which, together with the Franchise Agreement, constitutes the entire agreement between Franchisor and Franchisee, and there are no oral or other written understandings, representations or agreements between Franchisor and Franchisee, relating to the subject matter of this Addendum. No modification, change or alteration of this Addendum shall be effective unless in writing and executed by Franchisor and Franchisee. The words "include," "including," and words of similar import shall be interpreted to mean "including, but not limited to" and the terms following such

words shall be interpreted as examples of, and not an exhaustive list of, the appropriate subject matter. If there is a conflict between any provision of the Franchise Agreement and a provision of this Addendum, the provision of this Addendum controls.

IN WITNESS WHEREOF, the parties have executed and delivered this Addendum as of the date first above written.

RECITALS

RECITAL

A. We and you (or your affiliate) are parties to a Franchise Agreement dated as of _____, 20____ (as amended, the "Existing Franchise Agreement") under which you (or your affiliate) have the right and obligation to operate a Dunkin'® restaurant under the Proprietary Marks and our System (a "Dunkin' Restaurant"). All initial capitalized terms used but not defined in this Agreement shall have the meanings set forth in the Existing Franchise Agreement.

B. We and you are signing this Agreement to provide you the right and obligation to develop a number of Dunkin' Restaurants within a certain geographic area over a certain period of time.

AGREEMENT

~~We and you acknowledge receiving good and valuable consideration for this Agreement and~~ In consideration of the foregoing and the mutual covenants and consideration below, we and you agree as follows:

AGREEMENT

1. ~~1. Grant of Development Rights.~~ We hereby grant you the right, and you (on behalf of yourself and your Controlled Affiliates (defined below)) hereby accept the exclusive right and obligation, to sign Franchise Agreements (defined below) for, develop and open Dunkin' Restaurants (each a "Restaurant" or, and collectively, "Restaurants") within the Store Development Area geographic area described in Exhibit A (the "Store Development Area"). The required number of Restaurants and the that you (or your Controlled Affiliates) must develop, and the dates by which those Restaurants must be open and operating in accordance with the applicable Franchise Agreement (the "Required Opening Dates"), are set forth in the development schedule in Exhibit B (the "Development Schedule") are set forth in Exhibit B. The term of this grant is the duration of this Agreement, which expires on the date stated in Exhibit B, unless terminated earlier by agreement or operation of law. The exclusivity is limited by the terms of section 6. Only Restaurants that you or your Controlled Affiliates develop and open in the Store Development Area will count towards the Development Schedule, subject to Section 2. "Controlled Affiliate" means any corporation, limited liability company or other entity of which you (or, if you are an entity, your direct or indirect owners (collectively, the "Owners")) own, directly or indirectly, at least fifty-one percent (51%) of the total ownership interests, provided that the Controlled Affiliate's remaining direct and indirect owners satisfy our then-current requirements for non-controlling owners of Dunkin' Restaurant developers and obtain our approval. If you are an entity, then each Owner must sign an agreement in the form we designate undertaking personally to

be bound by all provisions of this Agreement and any ancillary agreements between us and you (a "Guaranty"), the current version of which is attached to this Agreement.

~~2. Initial Franchise Fees. You will pay an Initial Franchise Fee ("IFF") for each Restaurant in the amounts and at the times stated in Exhibit B. At our option, you will make all payments to us by electronic fund transfer ("EFT"), and provide us with authorization and bank account data necessary to set up EFT. These amounts are non-refundable and must be paid in full, without reduction or offset. You must pay your initial IFF Deposit set forth in Exhibit B with unencumbered cash and it cannot be borrowed.~~

2. ~~3.~~ Rights in Store Development Area and Opening Requirements SDOs.

A. If you are fully complying with this Agreement, and you and your affiliates are fully complying with the Existing Franchise Agreement and all other agreements with us and our affiliates relating to a Dunkin' Restaurant (together with this Agreement, collectively, the "Related Agreements"), then during the term of this Agreement only, neither we nor our affiliates will operate, or authorize any other party to operate, a Dunkin' Restaurant the physical premises of which are located within the Store Development Area, except for (i) franchises we grant to you and approved Controlled Affiliates; (ii) those Dunkin' Restaurants identified on Exhibit A, which are the restaurants in the Store Development Area that, as of the date of this Agreement, are owned and operated by our affiliates or other franchisees or are under development by our affiliates or other franchisees (and you agree that these restaurants may relocate to any other location within their trade areas that we approve); and (iii) as set forth in this Section 2. If the Store Development Area is defined as more than one contiguous geographic territory, then at the time you or your Controlled Affiliate signs a Franchise Agreement (defined below) for a Dunkin' Restaurant to be developed in any of those separate territories, the territorial protections and prohibitions under this Section 2.A will no longer apply to the applicable separate territory. We and our affiliates shall at all times have the right to engage in any activities we or they deem appropriate that are not expressly prohibited by this Agreement, whenever and wherever we or they desire, including rights to distribute Dunkin'® products and services of every kind and nature through any other channels of distribution (such as, for example, in a hotel room, an office or a supermarket (as distinguished from a Restaurant inside a supermarket)) and other rights that we now reserve in the Existing Franchise Agreement.

~~A. Although we may assist you in your search, it is solely your responsibility to search for and propose to us the site on which you wish to develop a Restaurant. You will secure the real estate for each Restaurant, through purchase agreement or binding lease, by its "Required Control Date," and open each Restaurant by its "Required Opening Date," all as specified in the Development Schedule in Exhibit B. You must submit the purchase agreement or binding lease to us by the Required Control Date. TIME IS OF THE ESSENCE in performing these obligations. A Restaurant location must be approved by us in writing prior to the Required Control Date. Before you commit to lease or purchase a location, you should provide us with a copy of the lease or purchase agreement, along with the acquisition, development and construction costs, and such other information as we reasonably request, so that we can evaluate the proposal. Each Restaurant must be constructed and equipped to our then current standards and specifications. Prior to opening each Restaurant, you must certify to us in writing that no more than ninety percent (90%) of the initial investment in the building, site and additional development, equipment, fixtures, and signs for the Restaurant has been borrowed ("Permitted Financing").~~

~~B. Franchise Agreement and Ownership Requirements. For each Restaurant, you will sign our then current version of Franchise Agreement. You must execute our Franchise Agreement and ancillary documents prior to the date you commence construction of the Restaurant. We entered into this Agreement based on your qualifications and your agreement that Developer and any entity organized by Developer to execute a Franchise Agreement shall provide that their purposes are limited to owning and operating Restaurants that we franchise to you, unless we otherwise agree in writing. If you propose to add or subtract owners or change the ownership percentages for a Franchise Agreement entered into under this Agreement, the proposal is subject to our prior written approval.~~

4. Renewal and Extension Options

~~A. Renewal of Rights. This Agreement and the development rights granted in it expire on the date stated in Exhibit B. If you wish to renew exclusive development rights for the same Store Development Area, you must advise us in writing within twelve (12) months prior to the expiration of this Agreement. We will then reassess the potential of the~~

~~Store Development Area for further development. If we and you agree that there is potential for additional Restaurants, we will offer you the first opportunity to enter into a new agreement for the Store Development Area, provided that you have timely, and without extension, amendment, or our election to waive any failure by you to meet the deadlines set forth in this agreement, met your Development Schedule under this Agreement, you are in compliance with all of your Dunkin' franchise agreements, you meet our then-current Criteria to Expand, and we and you can agree on a new development schedule. The agreement you sign will be our then-current, renewal store development agreement and the fees will be the then-current fees for that Store Development Area. The renewal store development agreement will be on substantially the same form as our then-current store development agreement but will contain no renewal rights. You will have 10 days from the time you receive the new agreement to sign and return it to us.~~

~~**B. Mid-Term Extension Option.** Provided you are not at that time in default under any terms of your SDA or any of your Franchise Agreements, then as of the date that you develop and open that certain Restaurant, which brings the percentage of Restaurants that you have developed and opened under the SDA to at least fifty percent (50%) of the total number of Restaurants that you are required to develop and open and continuing through the date that is one year prior to the SDA expiration date, you may request to us in writing that the parties negotiate an extension of the terms of the SDA, a modification to the Store Development Area, and an increase in the number of Restaurants that you will be required to develop and open within the Store Development Area. Notwithstanding anything to the contrary contained herein, although the parties agree to negotiate such an extension/expansion in good faith, both parties to the SDA expressly acknowledge and agree that (i) they may be unable to successfully negotiate the terms of such an extension/expansion in which case the SDA shall remain in full force and effect as if no request to extend/expand had been made and (ii) that any reduced Continuing Franchise Fees ("CFF") that may be set forth in the SDA shall not apply to any such extension/expansion (i.e., our standard CFF rates will apply).~~

~~**5. Source of Bakery Products.** For each Restaurant, you must secure a source for your bakery products that we have approved in writing.~~

~~**6. Exceptions to Exclusivity.**~~

~~**B.** A.—Special distribution opportunities for Dunkin' Restaurants ("SDOs") may arise within the Store Development Area that may or may not be available to you. Examples of SDOs include, ~~but are not limited to,~~ hospitals, train stations, airports, entertainment and sports complexes, convention centers, casinos and resorts, limited-access highway food facilities, military facilities, schools and colleges, office or factory food service facilities, gas/convenience stores, travel centers, travel plazas, department stores and "big box" super stores, mobile units, off-site sales accounts, supermarkets and home improvement retailers. We retain the right to pursue ~~such special distribution opportunities~~ and to operate (and grant rights to others to pursue and to operate) Dunkin' Restaurants at SDOs within your Store Development Area, but during the term of this Agreement we will offer you the ~~first~~ opportunity to become our franchisee for those ~~opportunities~~ SDOs ("SDO Notice") provided that ~~you, at the time we are prepared to deliver the SDO Notice:~~ (x) you and your affiliates are in compliance with all ~~material provisions of your agreements with our affiliates and us,~~ Related Agreements, (y) you meet ~~the~~ our then current Criteria to Expand, and (z) the party that controls the ~~opportunity~~ SDO permits us to do so. You will have ~~fifteen~~ thirty (15/30) days ~~to accept the offer in writing after we deliver the SDO Notice (or such longer period identified in the SDO Notice) to secure rights to the location.~~ Except as provided ~~in 6.B or 6.C, special distribution opportunities that you develop do not count toward the number of Restaurants you are required to develop under this Agreement, and the IFF below, the initial franchise fee that you (or your Controlled Affiliate) pay for any SDO will be our then-current initial franchise fee for similar SDOs and will be payable to us~~ is in addition to the IFF (defined below) required under this Agreement.~~

~~In addition, if there are Restaurants operated by other franchisees in the Store Development Area, then we reserve the right to approve the relocation of each such Restaurant within its trade area. Further, this Agreement only grants rights as to the operation of Restaurants. You have no other rights to the use, enjoyment or benefit of the Dunkin' name or trademarks. We retain the complete right to distribute Dunkin' products and services of every kind and nature through any other channels of distribution. This includes, without limitation, the distribution and use or sale of~~

~~Dunkin' trademarked products in a hotel room, an office or a supermarket (as distinguished from a Restaurant inside a supermarket).~~

(1) ~~B.~~—Although gas/convenience locations are expressly ~~excluded from this Store Development Agreement (“SDA”)~~ covered as SDOs in this Section 2.B, if you propose and we approve you (or your Controlled Affiliate) for a Restaurant ~~in~~at a gas/convenience location within the Store Development Area, we will consider the development of ~~such~~that location to satisfy one of the Restaurants you are required to develop pursuant to the ~~SDA's~~ Development Schedule, provided that: (a) we determine the proposal will result in a Restaurant that meets ~~certain~~our minimum then-current menu and design criteria for a traditional Dunkin' Restaurant and that opens by the applicable Required Opening Date in the SDA Development Schedule; and (b) ~~Initial Franchise Fees~~IFFs applicable under the ~~SDA's~~ Development Schedule are applied or paid for that SDO Restaurant regardless of the length of lease term (and any corresponding franchise term) that you or your Controlled Affiliate secure for that location.

(2) ~~C.~~—For all ~~special distribution opportunities~~SDOs other than gas/convenience locations (which are addressed in Subsection (1) above), ~~although the same are expressly excluded from this SDA,~~ if you propose and we approve you (or your Controlled Affiliate) for a Restaurant in ~~a special distribution opportunity~~an SDO location within the Store Development Area, we will consider the development of ~~such~~that location to satisfy one of the Restaurants you are required to develop pursuant to ~~this SDA's~~the Development Schedule, provided that: (a) we determine the proposal will result in a Restaurant that meets ~~certain~~our minimum then-current menu and design criteria for a traditional Dunkin' Restaurant and that opens by the applicable Required Opening Date in the SDA Development Schedule; (b) we retain final approval as to how many, if any, ~~such special distribution opportunities may be built~~SDOs may be developed in lieu of the Restaurants you were originally required to develop ~~pursuant to this SDA~~under the Development Schedule; (c) none of the ~~special distribution opportunities approved by us pursuant to this 6.C. will count towards any “excess development” incentive to the extent any such incentive is contained within this SDA; and (d) none of the special distribution opportunities approved by us pursuant to this 6.C.~~SDOs approved by us under this Section 2.B(2) will be included in the number of Restaurants used in the calculation set forth in 4.B. (Mid-Term Extension Option). To the extent we approve such a special distribution opportunity as set forth above, (e) the Initial Franchise Fees for such special distribution opportunity opened for determining whether you qualify for the Mid-Term Extension set forth in Section 6.B; and (d) the initial franchise fee payable for that SDO will be our then-current standard rate for ~~special distribution opportunities and SDOs, and we will apply as a credit towards the next payment due from you under this Agreement~~ the difference between the ~~SDA~~IFF deposit that you previously paid to us under this Agreement for the applicable Restaurant and the ~~Initial Franchise Fees for the special distribution opportunity will be applied as a credit to the next payment due from you to us pursuant to this SDA~~initial franchise fee for the SDO, unless there are no further payments ~~remaining to be paid by~~due from you ~~pursuant to~~under this ~~SDA Agreement~~, in which case the we will apply that difference ~~will be refunded to you within thirty (30) days after the special distribution opportunity Restaurant opens to serve the public;~~ and (f) unless we otherwise consent in writing, which consent may be granted or withheld in our sole and absolute discretion, ~~neither the special distribution opportunity itself nor the immediately following Restaurant that you develop pursuant to this SDA shall be permitted to qualify for the “early opening terms” set forth in any applicable incentive related to opening prior to the Required Opening Date.~~as a credit towards the Continuing Franchise Fee accrued under the Franchise Agreement for the SDO.

~~7. Confidential Information.~~ Except as necessary to perform your obligations under this Agreement, you will not provide Confidential Information concerning the development of Restaurants or the Dunkin' System to anyone. “Confidential Information” means information that is not generally available to the public.

3. Initial Franchise Fees. Subject to Section 2 above, you must pay us an Initial Franchise Fee (“IFF”) for each Restaurant to be developed pursuant to this Agreement in the amounts and at the times stated in Exhibit B. At our option, you will make all payments to us by electronic fund transfer (“EFT”), and provide us with authorization and bank account data necessary to set up EFT. These IFFs are non-refundable and

must be paid in full, without reduction or offset. However, subject to Section 2 above, we will apply the IFFs paid under this Agreement towards the initial franchise fees payable under each Franchise Agreement that you (or your Controlled Affiliate) signs pursuant to this Agreement, and the IFFs are due and payable on at the times stated in Exhibit B notwithstanding anything to the contrary in any Franchise Agreement.

4. Site Selection, Development and Opening of Restaurants and Signing Franchise Agreements.

A. Although we may assist you in your search, it is solely your responsibility to search for and propose to us the site on which you wish to develop a Restaurant. You must deliver to us for our review a complete site report and other materials and information we request for suitable site(s) within the Store Development Area in time to meet your obligations under the Development Schedule. You may only develop a Restaurant at a site that we have accepted. Despite any assistance, information or recommendations that we provide with respect to any site, we have made and will make no representations or warranties of any kind, express or implied, of the suitability of any site for a Dunkin' Restaurant or any other purpose. In addition to site information, you must submit information to us concerning the proposed layout and other aspects of the proposed Restaurant's design and appearance. You must make the changes to the proposed design and appearance that we require and develop the Restaurant only in accordance with our requirements. Each Restaurant must be constructed and equipped to our then-current standards and specifications.

B. You must submit to us the proposed purchase agreement or lease for the Restaurant's premises, along with the acquisition, development and construction costs, and such other information as we reasonably request, so that we can evaluate the proposal. Each purchase agreement or lease must meet our then-current minimum requirements designed to protect us, our affiliates, and our System. If you will lease the Restaurant's premises, the landlord must agree to our then-current form of Option to Assume the lease. You (or your Controlled Affiliate) must secure the real estate for each Restaurant, through an approved purchase agreement or binding lease, in time for you (or your Controlled Affiliate) to open and begin operating the Restaurant on or before the Required Opening Date for that Restaurant.

C. After receiving our notice to proceed, but in any event before beginning construction for the Restaurant, and provided that you (and your Controlled Affiliate) satisfy our then current Criteria to Expand, then you (or your Controlled Affiliate) must sign our then-current version of Franchise Agreement and related documents (as periodically modified, the "Franchise Agreement") for the Restaurant. You acknowledge that the terms of the Franchise Agreements for Restaurants may differ substantially from the terms contained in the Existing Franchise Agreement, except that, for each Franchise Agreement signed in compliance with this Agreement (but subject to Section 2), the IFF, continuing franchise fee, continuing advertising fee and marketing start-up fee shall be as set forth on Exhibit B. Notwithstanding the foregoing, if you fail to meet the Development Schedule or are otherwise in default under this Agreement, and we (at our sole option) allow the development of any Restaurant to continue despite that default, then the continuing franchise fee, continuing advertising fee and marketing start-up fee under that Franchise Agreement shall be our then-current fees instead of the fees set forth on Exhibit B.

5. **No License to Proprietary Marks or Confidential Information.** This Agreement does not grant you any right to use, or authorize others to use, the Proprietary Marks or Confidential Information in any manner. Your (or your Controlled Affiliate's) right to use the Proprietary Marks and Confidential Information arises only under franchise agreements with us.

6. Term, Extension and Renewal.

A. Term. The term of this Agreement begins on the date of this Agreement and expires on the date set forth on Exhibit B, unless the term is extended in accordance with Section 6.B or this Agreement is sooner terminated in accordance with Section 7.

B. Mid-Term Extension Option. Beginning on the date that you (or your Controlled Affiliates) open the first Restaurant that satisfies at least half of your development obligations under the Development Schedule and continuing for the period that ends one (1) year before the this Agreement expires (unless it is terminated sooner), and provided that you and your affiliates are fully complying with this Agreement and all other Related Agreements and satisfy our then-current Criteria to Expand, you may submit to us a written request to extend the term of this Agreement and increase in the number of Restaurants that you (or your Controlled Affiliates) must develop under this Agreement (the "Extension Request"). You understand that in calculating the number of Restaurants that you have opened to determine whether you have satisfied at least half of your development obligations, we will not count any non-gas/convenience store SDO developed pursuant to Section 2.B(2) above. Upon receiving your valid Extension Request, we and you agree to negotiate in good faith to determine the number of additional Dunkin' Restaurants to be developed (under our then-current initial franchise fee, continuing franchise fee and other franchise terms), their required opening dates, and any changes to the Store Development Area. However, although we and you agree to negotiate in good faith, both parties understand and agree that they may be unable to successfully determine the terms of this extension, in which case the terms of this Agreement will remain in full force and effect notwithstanding the Extension Request.

C. Renewal. When the Term expires, you will have an option to renew the right and obligation to develop Dunkin' Restaurants for one (1) additional term (the "Renewal Term") if, and only if, each and every one of the following conditions has been satisfied:

(1) you have given us written notice of your desire to exercise this renewal option at least twelve (12) months, but not more than eighteen (18) months before the end of the Term;

(2) you have timely, and without extension, amendment or waiver from us, satisfied the Development Schedule and you and your affiliates are then fully complying with this Agreement and all other Related Agreements and satisfy our then-current Criteria to Expand;

(3) we have reassessed the potential of the Store Development Area and determined that the Store Development Area has potential for additional Dunkin' Restaurant development; and

(4) we and you agree on a new development schedule for the Renewal Term.

If you have satisfied all of these conditions, then to effectuate the option for the Renewal Term, you (and your Owners, as applicable) must execute and deliver to us, within fourteen (14) days (or any longer period required by law) after delivery to you, both (i) our then-current form of termination and general release that confirms the termination of this Agreement and releases all claims that the parties may have against each other and their respective affiliates, and all of their respective officers, directors, owners and employees (provided, however, that each party's indemnification obligations for claims arising in connection with this Agreement shall survive termination of this Agreement and shall not be subject to the general release); and our then-current form of Store Development Agreement and related documents (including exhibits and ancillary agreements) that we are then offering to new developers at the time of renewal, the terms and conditions of which (including fee structures) may differ from this Agreement, and in addition, you pay us our then-current renewal fee when you executed that Store Development Agreement.

7. Termination and Suspension of Development Rights.

A. We may terminate this Agreement, effective immediately upon our delivery of written notice to you, and without providing you any opportunity to cure the default, if:

(1) you fail to meet any of the obligations set forth in the Development Schedule;

(2) you or any guarantor file a petition in bankruptcy or are adjudicated bankrupt, or a petition in bankruptcy is filed against you or any guarantor and is either consented to by you or the

guarantor or not dismissed within thirty (30) days; you or any guarantor becomes insolvent or admits in writing your or your guarantor's insolvency or inability to pay debts generally as they become due, or make an assignment for the benefit of creditors; a bill in equity or other proceeding for the appointment of a receiver or other custodian for your or any guarantor's business assets is filed and is either consented to by you or any guarantor or not dismissed within thirty (30) days, or such a receiver, trustee or other custodian is appointed; proceedings for composition with creditors is filed by or against you or any guarantor; or any of your or any guarantor's real or personal property is sold at levy; provided, however, that any such actions by a guarantor as described in this Section 7.A(2) shall not give rise to our termination right if you are able promptly to procure a replacement guarantor which guarantor is reasonably satisfactory to us and executes our then current form of Guaranty;

(3) you or any of your Owners commits a fraud upon us, our affiliate, or any third party relating to the business under this Agreement, the Existing Franchise Agreement, any Franchise Agreement signed pursuant to this Agreement, or any other franchise agreement between us (or any of our affiliates) and you (or any of your Owners or affiliates);

(4) you or any of your Owners is convicted of or pleads ~~guilty or no contest to a felony or crime~~ involving moral turpitude;

(5) there is any unauthorized transfer or assignment in violation of Section 8;

(6) the Existing Franchise Agreement, any Franchise Agreement signed pursuant to this Agreement, or any other franchise agreement between us (or any of our affiliates) and you (or any of your Owners or affiliates) relating to a Dunkin' Restaurant within any Designated Marketing Area(s) where the Store Development Area is located, is terminated before its term expires, regardless of the reason; or

(7) you fail to pay us (or our affiliate) any amount due, whether arising under this Agreement, the Existing Franchise Agreement, any Franchise Agreement signed pursuant to this Agreement, or any other franchise agreement between us (or any of our affiliates) and you (or any of your Owners or affiliates), or you fail to comply with any other provision of this Agreement (except as otherwise set forth in this Section 7), and do not cure the failure within seven (7) days after our delivery of written notice.

~~B. 8. Suspension of Development Rights; Default and Termination. We may terminate this Agreement if: (a) you default on a monetary obligation to us and do not cure the default within seven (7) days from the date you receive our written Notice to Cure; or (b) you default on any other provision of this Agreement and do not cure the default within thirty (30) days from the date you receive our written Notice to Cure. If state law requires a longer cure period, then that longer period shall apply. We may terminate this Agreement, without any opportunity to cure, if you violate the confidentiality provision, if you are convicted of or plead ~~guilty or no contest to a felony or crime~~ of moral turpitude, if you commit a fraud upon any of our affiliate(s) or us, or if we terminate any of your Franchise Agreements in the DMA in which this Store Development Area is located. If we terminate~~Upon the expiration or termination of this Agreement, all rights granted to you under this Agreement will automatically terminate. If this Agreement is terminated, then you must immediately pay us all unpaid ~~Initial Franchise Fees~~IFFs (as set forth in Exhibit B), without reduction or offset, even if you did not open any or all of the Restaurants.

C. If at any time you do not meet our then-current Criteria to Expand, we may suspend your right to develop Restaurants by a written notice to you. The suspension will be in effect until you are not in default and meet under any Related Agreement and otherwise satisfy our criteria for reinstatement under the Criteria to Expand. Any suspension will not alter your Development Schedule unless we, in our sole discretion judgment, grant an extension in writing. In addition to and without limiting our other rights and remedies under this Agreement, any other agreement or applicable law, upon the occurrence of any of the

events that give rise to our right to terminate this Agreement under this Section 7, we may, at our sole option and upon delivery of written notice to you, eliminate your protected territorial rights under Section 2 above in one or more parts of the Store Development Area, in which event we (and our affiliates) may thereafter operate, and authorize any other parties to operate, Dunkin' Restaurants the physical premises of which are located within that geographic area and engage, and allow others to engage, in any other activities we desire within that geographic area without any restrictions whatsoever, subject only to your (or your Controlled Affiliate's) rights under then existing franchise agreements with us.

8. ~~9. Transfers of Interest.~~

A. ~~A. Transfer by Us:~~ We may change our ownership or form and/or assign this Agreement and any other agreement between us and you, any Controlled Affiliate, or any of your or your Controlled Affiliates' owners or affiliates without restriction. This Agreement inures to the benefit of our successors and assigns, ~~and we may assign our rights to any person or entity that agrees in writing to assume all of our obligations.~~ Upon transfer, we will have no further obligation under this Agreement, except for any accrued liabilities.

B. ~~Transfer by You – Defined.~~ We entered into this Agreement based on and in reliance on our perceptions of your (or your Owners') individual or collective character, skill, aptitude, attitude, business ability and financial capacity. Therefore, neither this Agreement nor any direct or indirect interest in or rights or obligations under this Agreement, nor all or substantially all of your assets, nor any direct or indirect ownership interest in you (if you are a business entity), may be transferred (as defined below), whether directly or indirectly, without our prior written approval. A transfer of the ownership, possession or control your assets may be made only with a transfer of this Agreement. Any transfer without our approval is a breach of this Agreement and has no effect.

In this Agreement, the term "transfer," whether or not capitalized, includes any voluntary, involuntary, direct or indirect assignment, sale, gift or other disposition and includes the following events, whether they impact you (or your Owners) directly or indirectly: (a) transfer of record or beneficial ownership of any direct or indirect ownership interest in you or the right to receive all or a portion of your profits or losses or any capital appreciation relating to you or your business (whether directly or indirectly); (b) a merger, consolidation or exchange of ownership interests, or issuance of additional ownership interests or securities representing or potentially representing ownership interests, or a redemption of ownership interests; (c) any sale or exchange of voting interests or securities convertible to voting interests, or any management agreement or other arrangement granting the right to exercise or control the exercise of the voting rights of any Owner or to control your or your business' operations or affairs; (d) transfer in a divorce, insolvency or entity dissolution proceeding, or otherwise by operation of law, or by will, declaration of or transfer in trust, or under the laws of intestate succession; or (e) foreclosure upon or attachment or seizure of your business, any of your assets, or any direct or indirect ownership interest in you; or (f) transfer, surrender or loss of the possession, control or management of all or any material portion of your business (or its operation) or you.

A "Controlling Ownership Interest" in you (if you are an entity) means any transfer, or any series of transfers (regardless of the time period during which they take place), that results in any individual or entity (together with its affiliates), directly or indirectly acquiring or coming into possession or control of either (1) fifty percent (50%) or more of the direct or indirect ownership interests in you, or (2) any ownership interest or other direct or indirect right or interest in you that provides the right, power or authority to direct and control your management and policies, in either case, who did not own, possess or control such interest as of the Effective Date. A "Non-Controlling Ownership Interest" in you (if you are an entity) means the transfer or creation of any direct or indirect ownership interest in you that is not a Controlling Ownership Interest.

~~B. Transfer by You: We entered into this Agreement based on your qualifications. You may transfer a direct or indirect interest in this Agreement, but the Store Development Area and the associated rights and obligations are a package and are not themselves divisible in any way. Any transfer requires our prior written consent, which will not be unreasonably withheld. In the event a person holding a direct or indirect interest dies, that person's legal~~

~~representative must, within nine (9) months of the event, apply in writing to transfer that interest with notice to all other persons having a direct or indirect interest in this Agreement.~~

C. Conditions for Our Approval of Non-Control Transfer. We will not unreasonably withhold our consent to a transfer of a Non-Controlling Ownership Interest in you or your Owners if the proposed transferee and its direct and indirect owners (if the transferee is an entity) are of good character, otherwise meet our then applicable standards for non-controlling owners of Dunkin' Restaurants, and sign our then current form of Guaranty.

D. Conditions for Our Approval of Control Transfer. Subject to Sections 8.E and 8.G, we will not unreasonably withhold our consent to any transfer of this Agreement or any direct or indirect interest in, or rights or obligations under, this Agreement, or all or substantially all of your assets, or any Controlling Ownership Interest in you (if you are a business entity) (a "Control Transfer"), that complies with the following:

(1) each proposed transferee (and its direct and indirect owners, if the transferee is an entity) meets our then-current criteria and each guarantor signs our then current form of Guaranty;

(2) you have satisfied all of your outstanding obligations to us and you and your affiliates are otherwise in full compliance with this Agreement, any related agreement, the Existing Franchise Agreement, any Franchise Agreement signed pursuant to this Agreement, and any other franchise agreement between us (or any of our affiliates) and you (or any of your Owners or affiliates);

(3) we believe, in our reasonable judgment, that the sale price of the interest to be conveyed is not so high, and the terms of sale are not so onerous, that it is likely the transferee would be unable to properly develop the Dunkin' Restaurants in accordance with the Development Schedule and meet all financial and other obligations to us and to third parties;

(4) ~~C. Transfer Fee: At~~ at the time of transfer, you must execute a general release of us in our standard form, and pay us a Transfer Fee of \$10,000. In lieu of the Transfer Fee, we will only charge our then current Fixed Documentation Fee if the original signatories to this Agreement retain more than fifty percent (50%) of the interest in this Agreement after the transfer, or if any of the interests transfer to the spouse(s) or children of the original signatories, or if all of the interests transfer to beneficiaries or heirs of an owner who dies or becomes mentally incapacitated. and all of your Owners sign our then-current form of general release that releases all claims that you (or your Owners) may have against us, our affiliates, and our and their respective officers, directors, owners and employees (it being acknowledged that if after an approved transfer, an Owner no longer has an interest in the business, then such Owner is relieved of further obligations to us under the terms of this Agreement, except for money obligations through the date of transfer and post-termination obligations); and

(5) the transferee (if the transfer is of this Agreement) agrees to be bound by all terms and conditions of this Agreement for the remainder of the term.

E. Transfer Fees. For a Control Transfer, at the time of transfer, you must pay us a transfer fee equal to ten thousand dollars (\$10,000), whether or not we exercise our rights in Section 8.G. For a Non-Control Transfer, at the time of transfer, you must pay us our then-current fixed documentation fee.

F. Transfer on Death. Within twelve (12) months after the death of you or any of your Owners and notwithstanding any agreement to the contrary, the deceased's legal representative must propose to us in writing to transfer the interest of the deceased in this Agreement to one or more transferees. Any such transfer must occur within eighteen (18) months after such individual's death, and is subject to our prior written consent, which we will not unreasonably withhold, in accordance with this Section 8.

G. Right of First Refusal. If you or any of your Owners at any time determine to engage in any Control Transfer, then we will have a right of first refusal to be the purchaser of that interest under the same terms and conditions contained in the purchase and sale document (but subject to our rights under this Agreement and our standards). You must comply with our standards and requirements pertaining to our right of first refusal, including by providing us with a fully-executed copy of any offer or purchase and sale document (including any referenced documents) for the sale. We will have sixty (60) days following our receipt of the fully-executed purchase and sale documents (including any referenced documents) and other materials concerning the proposed transferee(s) and the transfer that we request, to notify you whether we are exercising our right of first refusal. Upon our exercise, we (or our assignee) will have the benefit of all of the rights and time periods that the original proposed transferee(s) had as of the date that they signed the purchase and sale documents, including any applicable diligence periods and periods before closing. We may at our option assign our right of first refusal under this Section 8.G, without recourse, to any assignee, who will then have all of our rights under this Section 8.G to purchase the interest directly from you (or your Owner), and we shall have no further liability or obligation in connection with this Section 8.G with respect to that transfer. If you do not complete the sale to the proposed buyer (with our approval) within ninety (90) days after we notify you that we do not intend to exercise our right of first refusal, or if there is a material change adverse to you in the terms of the offer (which you must tell us promptly), then we will have an additional right of first refusal during the sixty (60)-day period following either the expiration of the ninety (90)-day period or our receipt of notice of the material change in the offer's terms, on the modified terms.

9. Miscellaneous. Sections 9.E (System Confidential Information), 10 (Restrictive Covenants), 15 (Dispute Resolution) and 16 (Miscellaneous) of the Existing Franchise Agreement are incorporated by reference in this Agreement and will govern all aspects of our and your relationship and the construction of this Agreement as if fully restated within the text of this Agreement. You agree to comply, and ensure your Owners comply, with the provisions of Sections 9.E (System Confidential Information), 10 (Restrictive Covenants), 15 (Dispute Resolution) and 16 (Miscellaneous) of the Existing Franchise Agreement applicable to the franchisee. This Agreement, together with the Existing Franchise Agreement, supersedes all prior agreements and understandings, whether oral and written, between the parties relating to its subject matter, and there are no oral or other written understandings, representations, or agreements between the parties relating to the subject matter of this Agreement. Notwithstanding the foregoing, nothing in this Agreement shall disclaim or require you to waive reliance on any representation that we made in the most recent disclosure document (including its exhibits and amendments) that we delivered to you or your representative. This Agreement may be signed by written or electronic signature and in multiple counterparts, but all such counterparts together shall be considered one and the same instrument. The provisions of this Agreement may be amended or modified only by written agreement signed by the party to be bound.

~~D. Right of First Refusal: We have a right of first refusal for any proposed transfer. You must provide us with a copy of any agreement (and any amendment to the agreement) for the transfer, and we will have sixty (60) days after receipt to notify you that we are exercising our option to purchase the interest under the same terms and conditions. If we do so, you still are obligated to pay a Transfer Fee.~~

10. Dispute Resolution

~~A. Waiver of Rights: The parties waive and agree not to include in any pleading or arbitration demand: class action claims; demand for trial by jury; claims for lost profits; or claims for punitive, multiple, or exemplary damages. If any pleading is filed that contains any of these claims or a jury demand, or if a court determines that all or any part of the waivers are ineffective, then the pleading shall be dismissed with prejudice, leaving the pleading party to its arbitration remedy. No claim by you can be consolidated with the claims of any other holders of development rights. If such claims and demands cannot be waived by law, then the parties agree that any recovery shall not exceed two (2) times actual damages. Your actual damages are limited to your out of pocket expenses only and do not include any other form(s) of damages.~~

~~B. Arbitration: Either of us, as plaintiff, may choose to submit a dispute to a court or to arbitration administered by the American Arbitration Association ("AAA") under its Commercial Arbitration Rules (or another nationally established arbitration association acceptable to you and us) and under the Federal Rules of Evidence. The plaintiff's election to~~

~~arbitrate or to submit the dispute to the court system is binding on the parties, except that we shall have the option to submit to a court any of the following actions: to collect fees due under this Agreement; for injunctive relief; to protect our intellectual property, including Proprietary Marks; and to terminate this Agreement for a default. For any arbitration, the arbitrator(s) shall issue a reasoned award, with findings of fact and conclusions of law. The arbitration award and the decision on any appeal will be conclusive and binding on the parties. Actions to enforce an express obligation to pay money may be brought under the Expedited Procedures of the AAA's Commercial Arbitration Rules. The place of arbitration shall be in the state in which the majority of the Store Development Area is located. The Federal Arbitration Act shall govern, excluding all state arbitration law. Massachusetts's law shall govern all other issues. Any arbitration or court action must be commenced within two (2) years after discovery of facts giving rise to the claim.~~

~~C. Scope of Arbitration: Disputes concerning the validity or scope of this Section 10, including whether a dispute is subject to arbitration, is beyond the authority of the arbitrator(s) and shall be determined by a court of competent jurisdiction pursuant to the Federal Arbitration Act, 9 U.S.C. §1 et seq., as amended from time to time. The provisions of this Section 10 shall~~ **continue in full force and effect** ~~subsequent to any expiration or termination of this Agreement.~~

~~D. Appeals: Either party may appeal the final award of the arbitrator(s) to the U.S. District Court in which the arbitration was held. The Court's review of the arbitrator's findings of fact shall be under the clearly erroneous standard, and the Court's review of all legal rulings shall be de novo. If it is determined that this provision for federal court review is not enforceable, then either party may appeal the arbitrator's final award to a panel of three arbitrators chosen under AAA procedures, employing the same standards of review stated immediately above.~~

~~E. Attorneys' Fees: If either party hereto brings or commences legal proceedings to enforce any of~~ **the terms of this Agreement** ~~or to assert any rights hereunder, the successful party in such action shall be entitled to receive and shall receive from the other party hereto, a reasonable sum as attorney's fees and costs, such sum to be fixed by the court or arbitrator(s) in such action, as applicable.~~

11. Miscellaneous:

~~A. You are an independent contractor of ours. Neither party to this Agreement has the power to bind the other. Neither party is liable for any act, omission, debt or any other obligation of the other, and you and we agree to indemnify and save each other harmless from any such claim and the cost of defending such claim. The waiver by either party of a breach of any provision of this Agreement applies only to that one breach and only to that one provision. If we accept payments from any person or entity other than you, such payments will be deemed made by such person as your agent and not as your successor. If, for any reason, any provision of this Agreement is determined to be invalid or to conflict with an existing or future applicable law, then the remaining provisions will continue to bind the parties and the invalid or conflicting provision will be deemed not to be a part of this Agreement. Our rights and remedies are cumulative. The limited right to use the "Dunkin' Donuts" name and trademarks is granted in the Franchise Agreement you will sign for each Restaurant. It is not granted in this Agreement. Neither you nor your successor may create or assert any security interest or lien in this Agreement.~~

~~B. This Agreement and the documents referred to herein shall be the entire, full and complete agreement between you and us concerning the subject matter of this Agreement, which supersedes all prior agreements. Nothing in this Section, however, is intended to disclaim the representations we made in the franchise disclosure document that we furnished to you. This Agreement is made in the Commonwealth of Massachusetts, USA, and shall be interpreted, construed and governed by the laws of the Commonwealth of Massachusetts. This Agreement may be executed in multiple counter parts, by facsimile or otherwise. This Agreement may only be modified by the parties in writing.~~

~~C. All notices shall be sent by nationally recognized overnight courier or certified mail to us c/o Dunkin' Brands, Inc., as Manager to the address above, or to such other addresses as you and we provide each other in writing. All notices to us shall be sent to "Attention: Legal Department."~~

~~D. Your success in this business is speculative and depends, to an important extent, upon your ability as an independent business owner. We do not represent or warrant that any location(s) we approve will achieve a certain level of sales or be profitable. If we provide maps, demographics or other information to you in connection with the Store Development Area, we do so without any representation or warranty that the information is complete, accurate or current. We do not represent that you will be able to find or secure locations within the Store Development Area or that you will be able to develop all of the required Restaurants. By your signature below, you acknowledge that you~~

~~have entered into this Agreement after making an independent investigation of the Dunkin' System and the Store Development Area.~~

~~E. No Waiver or Disclaimer of Reliance in Certain States. The following provision applies only to franchisees and franchises that are subject to the state franchise disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington or Wisconsin:~~

~~No statement, questionnaire or acknowledgment signed or agreed by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on behalf of us. This provision supersedes any other term of any document executed in connection with the franchise.~~

THIS GUARANTY AND ASSUMPTION OF OBLIGATIONS is given this _____ day of _____, 20____, by each of the undersigned parties.

A. In consideration of, and as an inducement to, the execution of that certain Store Development Agreement (together with all amendments or modifications, the "Agreement") on this date by **DUNKIN' DONUTS FRANCHISING LLC** ("Dunkin'"), each of the undersigned unconditionally (a) guarantees to Dunkin' and its successors and assigns, for the term of the Agreement (including extensions) and afterward as provided in the Agreement, that _____ ("Developer") will punctually pay and perform each and every undertaking, agreement, and covenant of Developer set forth in the Agreement; and (b) agrees to be bound by, and liable for the breach by Developer of, each and every provision in the Agreement, both monetary obligations and obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities, including, without limitation, the non-competition, confidentiality, and transfer requirements, except that (1) the undersigned shall not be required to personally be bound by the covenants in Section 1.B(1) of the Agreement, and (2) no guarantor shall have any liability with respect to another guarantor's failure to comply with any non-monetary obligations under the Agreement. In the event of a direct conflict between the foregoing clauses (1) or (2), on the one hand, and any other provision of this Guaranty or the Agreement, on the other hand, such clauses (1) or (2), as the case may be, shall govern to the extent of such direct conflict.

B. Each of the undersigned acknowledges that (a) they are either an owner (whether direct or indirect) of Developer or otherwise has a direct or indirect relationship with Developer or its affiliates; (b) they will benefit significantly from Dunkin's entering into the Agreement with Developer; and (c) Dunkin' would not enter into the Agreement unless each of the undersigned agrees to sign and comply with the terms of this Guaranty.

C. Each of the undersigned consents and agrees that: (a) their direct and immediate liability under this Guaranty will, except as set forth in Paragraph A, above, be joint and several, both with Developer and among other guarantors; (b) he, she or it will render any payment or performance required under the Agreement upon demand if Developer fails or refuses punctually to do so; (c) this liability will not be contingent or conditioned upon Dunkin's pursuit of any remedies against Developer or any other person or entity; (d) this liability will not be diminished, relieved, or otherwise affected by any extension of time, credit, or other indulgence which Dunkin' may from time to time grant to Developer or to any other person or entity, including, without limitation, the acceptance of any partial payment or performance or the compromise or release of any claims (including, without limitation, the release of other guarantors), none of which will in any way modify or amend this Guaranty, which will be continuing and irrevocable during the term of the Agreement (including extensions), for so long as any performance is or might be owed under the Agreement by Developer or any of its owners or guarantors, and for so long as Dunkin' has any cause of action against Developer or any of its owners or guarantors; and (e) this Guaranty will continue in full force and effect for (and as to) any extension or modification of the Agreement, and despite the transfer of any direct or indirect interest in the Agreement or Developer, and each of the undersigned waives notice of any and all renewals, extensions, modifications, amendments, or transfers.

D. Each of the undersigned waives: (a) all rights to payments and claims for reimbursement or subrogation that any of the undersigned may have against Developer arising as a result of the undersigned's execution of and performance under this Guaranty, for the express purpose that none of the undersigned shall be deemed a "creditor" of Developer under any applicable bankruptcy law with respect to Developer's obligations to Dunkin'; (b) all rights to require Dunkin' to proceed against Developer for any payment required under the Agreement, proceed against or exhaust any security from Developer, take any

action to assist any of the undersigned in seeking reimbursement or Developer in connection with this Guaranty or pursue, enforce or exhaust any remedy, including any legal or equitable relief, against Developer; (c) any benefit of, or any right to participate in, any security now or hereafter held by Dunkin'; and (d) acceptance and notice of acceptance by Dunkin' of his, her or its undertakings under this Guaranty, all presentments, demands and notices of demand for payment of any indebtedness or non-performance of any obligations hereby guaranteed, protest, notices of dishonor, notices of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed, and any other notices and legal or equitable defenses to which he, she or it may be entitled. Dunkin' shall have no present or future duty or obligation to the undersigned under this Guaranty, and each of the undersigned waives any right to claim or assert any such duty or obligation, to discover or disclose to the undersigned any information, financial or otherwise, concerning Developer, any other guarantor, or any collateral securing any obligations of Developer to Dunkin'. Without affecting the obligations of the undersigned under this Guaranty, Dunkin' may, without notice to the undersigned, extend, modify, supplement, waive strict compliance with, or release all or any provisions of the Agreement or any indebtedness or obligation of Developer, or settle, adjust, release, or compromise any claims against Developer or any other guarantor, make advances for the purpose of performing any obligations of Developer under the Agreement, and/or assign the Agreement or the right to receive any sum payable under the Agreement, and the undersigned each hereby jointly and severally waive notice of same. The undersigned expressly acknowledge that the obligations hereunder survive the expiration or termination of the Agreement.

E. In addition, the undersigned each waive any defense arising by reason of any of the following: (a) any disability, counterclaim, right of set-off or other defense of Developer, (b) any lack of authority of Developer with respect to the Agreement, (c) the cessation from any cause whatsoever of the liability of Developer, (d) any circumstance whereby the Agreement shall be void or voidable as against Developer or any of its creditors, including a trustee in bankruptcy of Developer, by reason of any fact or circumstance, (e) any event or circumstance that might otherwise constitute a legal or equitable discharge of the undersigned's obligations hereunder, except that the undersigned do not waive any defense arising from the due performance by Developer of the terms and conditions of the Agreement, (f) any right or claim of right to cause a marshaling of the assets of Developer or any other guarantor, and (g) any act or omission of Developer.

F. If Dunkin' is required to enforce this Guaranty in a judicial proceeding, and prevails in such proceeding, Dunkin' shall be entitled to reimbursement of its reasonable costs and expenses, including, but not limited to, reasonable accountants', attorneys', attorneys' assistants', and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses, whether incurred prior to, in preparation for, or in contemplation of the filing of any such proceeding.

G. Each of the undersigned agrees that all actions arising under this Guaranty or the Agreement, or otherwise as a result of the relationship between Dunkin' and the undersigned, must be brought exclusively in the federal or state court of general jurisdiction located in Atlanta, Georgia. Each of the undersigned irrevocably submits to the jurisdiction of those courts and waives any objection he, she or it might have to either the jurisdiction of or venue in those courts. **EACH OF THE UNDERSIGNED IRREVOCABLY WAIVES TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, ARISING UNDER OR RELATING TO THIS GUARANTY OR ITS ENFORCEMENT.**

IN WITNESS WHEREOF, each of the undersigned has affixed his or her signature on the same day and year as the Agreement was executed.

RECITALS

A. We and you (or your affiliate) are parties to a Franchise Agreement dated as of _____, 20____ (as amended, the "Existing Franchise Agreement") under which you (or your affiliate) have the right and obligation to operate a Dunkin'® and Baskin-Robbins® Combo restaurant under the Proprietary Marks and our Systems (a "Combo Restaurant"). All initial capitalized terms used but not defined in this Agreement shall have the meanings set forth in the Existing Franchise Agreement.

B. We and you are signing this Agreement to provide you the right and obligation to develop a number of Combo Restaurants within a certain geographic area over a certain period of time.

AGREEMENT

~~We and you acknowledge receiving good and valuable consideration for this Agreement and~~ In consideration of the foregoing and the mutual covenants and consideration below, we and you agree as follows:

AGREEMENT

1. ~~1.-Grant of Development Rights.~~ 1.-Grant of Development Rights. We hereby grant you the right, and you (on behalf of yourself and your Controlled Affiliates (defined below)) hereby accept the ~~exclusive right and~~ obligation, to sign Franchise Agreements (defined below) for, develop and open ~~Dunkin' and Dunkin'/Baskin-Robbins Multi-Brand restaurants~~ Combo Restaurants (each a "Restaurant" ~~or~~ and collectively, "Restaurants") within the ~~Store Development Area~~ geographic area described in Exhibit A (the "Store Development Area"). The required number of Restaurants ~~and the~~ that you (or your Controlled Affiliates) must develop, and the dates by which those Restaurants must be open and operating in accordance with the applicable Franchise Agreement (the "Required Opening Dates"), are set forth in the development schedule in Exhibit B (the "Development Schedule") ~~are set forth in Exhibit B. The term of this grant is the duration of this Agreement, which expires on the dates stated in Exhibit B, for each brand respectively, unless terminated earlier by agreement or operation of law. The exclusivity is limited by the terms of section 6.~~ Only Restaurants that you or your Controlled Affiliates develop and open in the Store Development Area will count towards the Development Schedule, subject to Section 2. "Controlled Affiliate" means any corporation, limited liability company or other entity of which you (or, if you are

an entity, your direct or indirect owners (collectively, the "Owners")) own, directly or indirectly, at least fifty-one percent (51%) of the total ownership interests, provided that the Controlled Affiliate's remaining direct and indirect owners satisfy our then-current requirements for non-controlling owners of Combo Restaurant developers and obtain our approval. If you are an entity, then each Owner must sign an agreement in the form we designate undertaking personally to be bound by all provisions of this Agreement and any ancillary agreements between us and you (a "Guaranty"), the current version of which is attached to this Agreement.

~~2. Initial Franchise Fees. You will pay an Initial Franchise Fee ("IFF") for each Restaurant, in the amounts and at the times stated in Exhibit B. At our option, you will make all payments to us by electronic fund transfer ("EFT"), and provide us with authorization and bank account data necessary to set up EFT. These amounts are non-refundable and must be paid in full, without reduction or offset. You must pay your initial IFF Deposit set forth in Exhibit B with unencumbered cash and it cannot be borrowed.~~

2. ~~3.~~ Rights in Store Development Area and Opening Requirements SDOs.

A. If you are fully complying with this Agreement, and you and your affiliates are fully complying with the Existing Franchise Agreement and all other agreements with us and our affiliates relating to a Combo Restaurant (together with this Agreement, collectively, the "Related Agreements"), then during the term of this Agreement only, neither we nor our affiliates will operate, or authorize any other party to operate, a Combo Restaurant the physical premises of which are located within the Store Development Area, except for (i) franchises we grant to you and approved Controlled Affiliates; (ii) those Combo Restaurants identified on Exhibit A, which are the restaurants in the Store Development Area that, as of the date of this Agreement, are owned and operated by our affiliates or other franchisees or are under development by our affiliates or other franchisees (and you agree that these restaurants may relocate to any other location within their trade areas that we approve); and (iii) as set forth in this Section 2. If the Store Development Area is defined as more than one contiguous geographic territory, then at the time you or your Controlled Affiliate signs a Franchise Agreement (defined below) for a Combo Restaurant to be developed in any of those separate territories, the territorial protections and prohibitions under this Section 2.A will no longer apply to the applicable separate territory. We and our affiliates shall at all times have the right to engage in any activities we or they deem appropriate that are not expressly prohibited by this Agreement, whenever and wherever we or they desire, including rights to distribute Dunkin'® and Baskin-Robbins® products and services of every kind and nature through any other channels of distribution (such as, for example, in a hotel room, an office or a supermarket (as distinguished from a Restaurant inside a supermarket)) and other rights that we now reserve in the Existing Franchise Agreement.

~~A. Although we may assist you in your search, it is solely your responsibility to search for and propose to us the site on which you wish to develop a Restaurant. You will secure the real estate for each Restaurant, through purchase agreement or binding lease, by its "Required Control Date," and open each Restaurant by its "Required Opening Date," all as specified in the Development Schedule in Exhibit B. You must submit the purchase agreement or binding lease to us by the Required Control Date. TIME IS OF THE ESSENCE in performing these obligations. A Restaurant location must be approved by us in writing prior to the Required Control Date. Before you commit to lease or purchase a location, you should provide us with a copy of the lease or purchase agreement, along with the acquisition, development and construction costs, and such other information as we reasonably request, so that we can evaluate the proposal. Each Restaurant must be constructed and equipped to our then-current standards and specifications. Prior to opening each Restaurant, you must certify to us in writing that no more than ninety percent (90%) of the initial investment in the building, site and additional development, equipment, fixtures and signs for the Restaurant has been borrowed ("Permitted Financing").~~

~~B. Franchise Agreement and Ownership Requirements. For each Restaurant, you will sign our then-current version of Franchise Agreement. You must execute our Franchise Agreement and ancillary documents prior to the date you commence construction of the Restaurant. We entered into this Agreement based on your qualifications and your agreement that Developer and any entity organized by Developer to execute a Franchise Agreement shall provide that their purposes are limited to owning and operating Restaurants that we franchise to you, unless we otherwise agree in writing. If you propose to add or subtract owners or change the ownership percentages for a Franchise Agreement entered into under this Agreement, the proposal is subject to our prior written approval.~~

4. ~~Renewal and Extension Options~~

A. ~~Renewal of Rights.~~ This Agreement and the development rights granted in it expire on the date stated in ~~Exhibit B.~~ If you wish to renew exclusive development rights for the same Store Development Area, you must advise us in writing within twelve (12) months prior to the expiration of this Agreement. We will then reassess ~~the potential of the Store Development Area~~ for further development. If we and you agree that there is potential for additional Restaurants, we will offer you the first opportunity to enter into a new agreement for the Store Development Area, provided that ~~you have timely, and without extension, amendment,~~ or our election to waive any failure by you to meet the deadlines set forth in this Agreement, met your Development Schedule under this Agreement, you are in compliance with all of your Dunkin', Baskin-Robbins and/or Dunkin'/Baskin-Robbins Multi-Brand franchise agreements, you meet ~~our then current Criteria to Expand,~~ and we and you can agree on a new development schedule. The agreement you sign will be our then current, renewal store development agreement and the fees will be the then current fees for that Store Development Area. You will have 10 days from the time you receive the new agreement to sign and return it to us. The renewal store development agreement will be on substantially the same form as our then current store development agreement but will contain no renewal rights. Notwithstanding anything to the contrary contained in this Agreement, this Section 4, ~~Renewal of Rights,~~ is limited to the renewal of rights for the development of Dunkin' Restaurants, and will not pertain to the renewal rights for the development of Baskin-Robbins or Dunkin'/Baskin-Robbins combination Restaurants.

B. ~~Mid-Term Extension Option.~~ Provided you are not at that time in default under any terms of your SDA or any of your Franchise Agreements, then as of the date that you develop and open that certain Restaurant, which brings the percentage of Restaurants that you have developed and opened under the SDA to at least fifty percent (50%) of the total number of Restaurants that you are required to develop and open and continuing through the date that is one year prior to the SDA expiration date, you may request to us in writing that the parties negotiate an extension of the terms of the SDA, a modification to the Store Development Area, and an increase in the number of Restaurants that you will be required to develop and open within the Store Development Area. Notwithstanding anything to the contrary contained herein, although the parties agree to negotiate such an extension/expansion in good faith, both parties to the SDA expressly acknowledge and agree that (i) they may be unable to successfully negotiate the terms of such an extension/expansion in which case the SDA shall remain in full force and effect as if no request to extend/expand had been made and (ii) that any reduced Continuing Franchise Fees ("CFF") that may be set forth in the SDA shall not apply to any such extension/expansion (i.e., our standard CFF rates will apply).

5. ~~Source of Bakery Products.~~ For each Dunkin' and/or Dunkin' /Baskin-Robbins Multi-Brand Restaurant that you open under this Agreement, you must secure a source for your bakery products that we have approved in writing.

6. ~~Exceptions to Exclusivity.~~

B. ~~A.~~ Special distribution opportunities for Dunkin'® restaurants ("SDOs") may arise within the Store Development Area that may or may not be available to you. Examples of SDOs include, ~~but are not limited to,~~ hospitals, train stations, airports, entertainment and sports complexes, convention centers, casinos and resorts, limited-access highway food facilities, military facilities, schools and colleges, office or factory food service facilities, gas/convenience stores, travel centers, travel plazas, department stores and "big box" super stores, mobile units, off-site sales accounts, supermarkets and home improvement retailers. We retain the right to pursue ~~such special distribution opportunities~~ and to operate (and grant rights to others to pursue and to operate) Dunkin'® restaurants at SDOs within your Store Development Area, but during the term of this Agreement we will offer you the ~~first~~ opportunity to become ~~our~~ a Dunkin'® franchisee for those ~~opportunities~~ SDOs ("SDO Notice") provided that ~~you,~~ at the time we are prepared to deliver the SDO Notice: (x) you and your affiliates are in compliance with all ~~material provisions of your agreements with our affiliates and us,~~ Related Agreements, (y) you meet the ~~our then current~~ Criteria to Expand, and (z) the party that controls the opportunity SDO permits us to do so. You will have ~~fifteen~~ thirty (1530) days ~~to accept the offer in writing~~ after we deliver the SDO Notice (or such longer period identified in the SDO Notice) to secure rights to the location. Except as provided in 6.B, ~~special distribution opportunities that you develop do not count toward the number of Restaurants you are required to develop under this Agreement, and the IFF~~ below, the initial franchise fee that you (or your Controlled Affiliate) pay for any SDO will be our then-current initial franchise fee for similar SDOs and will be payable to us is in addition to the IFF (defined below) required under this Agreement.

~~In addition, if there are Restaurants operated by other franchisees in the Store Development Area, then we reserve the right to approve the relocation of each such Restaurant within its trade area. Further, this Agreement only grants rights as to the operation of Restaurants. You have no other rights to the use, enjoyment or benefit of the Dunkin' and/or Baskin-Robbins name(s) or trademarks. We retain the complete right to distribute Dunkin' and Baskin-Robbins products and services of every kind and nature through any other channels of distribution. This includes, without limitation, the distribution and use or sale of Dunkin' and Baskin-Robbins trademarked products in a hotel room, an office or a supermarket (as distinguished from a Restaurant inside a supermarket).~~

(1) B.—Although gas/convenience locations are expressly ~~excluded from this Store Development Agreement (“SDA”)~~covered as SDOs in this Section 2.B, if you propose and we approve you (or your Controlled Affiliate) for a Combo Restaurant ~~in at~~ a gas/convenience location within the Store Development Area, we will consider the development of such that location to satisfy one of the Restaurants you are required to develop pursuant to the ~~SDA's~~ Development Schedule, provided that: (a) we determine the proposal will result in a Restaurant that meets certain our minimum then-current menu and design criteria for a traditional Combo Restaurant and that opens by the applicable Required Opening Date in the ~~SDA~~Development Schedule; and (b) ~~Initial Franchise Fees~~IFFs applicable under the ~~SDA's~~ Development Schedule are applied or paid for that SDO Restaurant regardless of the length of lease term (and any corresponding franchise term) that you or your Controlled Affiliate secure for that location.

(2) C. ~~FOR DUNKIN' ONLY:~~ For all special distribution opportunities~~For all SDOs~~ other than gas/convenience locations (which are addressed in Subsection (1) above), ~~although the same are expressly excluded from this SDA,~~ if you propose and we approve you (or your Controlled Affiliate) for a Combo Restaurant in a special distribution opportunityan SDO location within the Store Development Area, we will consider the development of such that location to satisfy one of the Restaurants you are required to develop pursuant to ~~this SDA's~~the Development Schedule, provided that: (a) we determine the proposal will result in a Restaurant that meets certain our minimum then-current menu and design criteria for a traditional Combo Restaurant and that opens by the applicable Required Opening Date in the ~~SDA~~Development Schedule; (b) we retain final approval as to how many, if any, ~~such special distribution opportunities may be built~~SDOs may be developed in lieu of the Restaurants you were originally required to develop ~~pursuant to this SDA under the Development Schedule~~; (c) none of the ~~special distribution opportunities approved by us pursuant to this 6.C. will count towards any “excess development” incentive to the extent any such incentive is contained within this SDA; and (d) none of the special distribution opportunities approved by us pursuant to this 6.C.~~SDOs approved by us under this Section 2.B(2) will be included in the number of Restaurants used in the calculation set forth in 4.B. (Mid-Term Extension Option). To the extent we approve such a special distribution opportunity as set forth above, (e) the Initial Franchise Fees for such special distribution opportunity opened for determining whether you qualify for the Mid-Term Extension set forth in Section 6.B; and (d) the initial franchise fee payable for that SDO will be our then-current standard rate for special distribution opportunities and SDOs, and we will apply as a credit towards the next payment due from you under this Agreement the difference between the ~~SDA~~IFF deposit that you previously paid to us under this Agreement for the applicable Restaurant and the ~~Initial Franchise Fees for the special distribution opportunity will be applied as a credit to the next payment due from you to us pursuant to this SDA~~initial franchise fee for the SDO, unless there are no further payments ~~remaining to be paid by~~due from you ~~pursuant to~~under this ~~SDA~~Agreement, in which case the we will apply that difference ~~will be refunded to you within thirty (30) days after the special distribution opportunity Restaurant opens to serve the public), and (f) unless we otherwise consent in writing, which consent may be granted or withheld in our sole and absolute discretion, neither the special distribution opportunity itself nor the immediately following Restaurant that you develop pursuant to this SDA shall be permitted to qualify for the “early opening terms” set forth in any applicable incentive related to opening prior to the Required Opening Date as a credit towards the Continuing Franchise Fee accrued under the Franchise Agreement for the SDO.~~

3. Initial Franchise Fees. Subject to Section 2 above, you must pay us an Initial Franchise Fee (“IFF”) for each Restaurant to be developed pursuant to this Agreement in the amounts and at the times stated in

Exhibit B. At our option, you will make all payments to us by electronic fund transfer ("EFT"), and provide us with authorization and bank account data necessary to set up EFT. These IFFs are non-refundable and must be paid in full, without reduction or offset. However, subject to Section 2 above, we will apply the IFFs paid under this Agreement towards the initial franchise fees payable under each Franchise Agreement that you (or your Controlled Affiliate) signs pursuant to this Agreement, and the IFFs are due and payable on at the times stated in Exhibit B notwithstanding anything to the contrary in any Franchise Agreement.

4. Site Selection, Development and Opening of Restaurants and Signing Franchise Agreements.

A. Although we may assist you in your search, it is solely your responsibility to search for and propose to us the site on which you wish to develop a Restaurant. You must deliver to us for our review a complete site report and other materials and information we request for suitable site(s) within the Store Development Area in time to meet your obligations under the Development Schedule. You may only develop a Restaurant at a site that we have accepted. Despite any assistance, information or recommendations that we provide with respect to any site, we have made and will make no representations or warranties of any kind, express or implied, of the suitability of any site for a Combo Restaurant or any other purpose. In addition to site information, you must submit information to us concerning the proposed layout and other aspects of the proposed Restaurant's design and appearance. You must make the changes to the proposed design and appearance that we require and develop the Restaurant only in accordance with our requirements. Each Restaurant must be constructed and equipped to our then-current standards and specifications.

B. You must submit to us the proposed purchase agreement or lease for the Restaurant's premises, along with the acquisition, development and construction costs, and such other information as we reasonably request, so that we can evaluate the proposal. Each purchase agreement or lease must meet our then-current minimum requirements designed to protect us, our affiliates, and our System. If you will lease the Restaurant's premises, the landlord must agree to our then-current form of Option to Assume the lease. You (or your Controlled Affiliate) must secure the real estate for each Restaurant, through an approved purchase agreement or binding lease, in time for you (or your Controlled Affiliate) to open and begin operating the Restaurant on or before the Required Opening Date for that Restaurant.

C. After receiving our notice to proceed, but in any event before beginning construction for the Restaurant, and provided that you (and your Controlled Affiliate) satisfy our then current Criteria to Expand, then you (or your Controlled Affiliate) must sign our then-current version of Franchise Agreement and related documents (as periodically modified, the "Franchise Agreement") for the Restaurant. You acknowledge that the terms of the Franchise Agreements for Restaurants may differ substantially from the terms contained in the Existing Franchise Agreement, except that, for each Franchise Agreement signed in compliance with this Agreement (but subject to Section 2), the IFF, continuing franchise fee, continuing advertising fee and marketing start-up fee shall be as set forth on Exhibit B. Notwithstanding the foregoing, if you fail to meet the Development Schedule or are otherwise in default under this Agreement, and we (at our sole option) allow the development of any Restaurant to continue despite that default, then the continuing franchise fee, continuing advertising fee and marketing start-up fee under that Franchise Agreement shall be our then-current fees instead of the fees set forth on Exhibit B.

5. **No License to Proprietary Marks or Confidential Information.** This Agreement does not grant you any right to use, or authorize others to use, the Proprietary Marks or Confidential Information in any manner. Your (or your Controlled Affiliate's) right to use the Proprietary Marks and Confidential Information arises only under franchise agreements with us.

6. Term, Extension and Renewal.

~~D. We reserve the right to grant development rights for Baskin-Robbins restaurants within the Store Development Area. For the avoidance of doubt, you have the exclusive right to develop Dunkin' / Baskin' Robbins Combo Restaurants within the Store Development Area during the Term (including by the addition of a Baskin-Robbins restaurant to an existing Dunkin' restaurant).~~

~~7. Confidential Information.~~ Except as necessary to perform your obligations under this Agreement, you will not provide Confidential Information concerning the development of Restaurants or the Dunkin' and/or Baskin Robbins System(s) to anyone. "Confidential Information" means information that is not generally available to the public.

A. Term. The term of this Agreement begins on the date of this Agreement and expires on the date set forth on Exhibit B, unless the term is extended in accordance with Section 6.B or this Agreement is sooner terminated in accordance with Section 7.

B. Mid-Term Extension Option. Beginning on the date that you (or your Controlled Affiliates) open the first Restaurant that satisfies at least half of your development obligations under the Development Schedule and continuing for the period that ends one (1) year before the this Agreement expires (unless it is terminated sooner), and provided that you and your affiliates are fully complying with this Agreement and all other Related Agreements and satisfy our then-current Criteria to Expand, you may submit to us a written request to extend the term of this Agreement and increase in the number of Restaurants that you (or your Controlled Affiliates) must develop under this Agreement (the "Extension Request"). You understand that in calculating the number of Restaurants that you have opened to determine whether you have satisfied at least half of your development obligations, we will not count any non-gas/convenience store SDO developed pursuant to Section 2.B(2) above. Upon receiving your valid Extension Request, we and you agree to negotiate in good faith to determine the number of additional Combo Restaurants to be developed (under our then-current initial franchise fee, continuing franchise fee and other franchise terms), their required opening dates, and any changes to the Store Development Area. However, although we and you agree to negotiate in good faith, both parties understand and agree that they may be unable to successfully determine the terms of this extension, in which case the terms of this Agreement will remain in full force and effect notwithstanding the Extension Request.

C. Renewal. When the Term expires, you will have an option to renew the right and obligation to develop Combo Restaurants for one (1) additional term (the "Renewal Term") if, and only if, each and every one of the following conditions has been satisfied:

(1) you have given us written notice of your desire to exercise this renewal option at least twelve (12) months, but not more than eighteen (18) months before the end of the Term;

(2) you have timely, and without extension, amendment or waiver from us, satisfied the Development Schedule and you and your affiliates are then fully complying with this Agreement and all other Related Agreements and satisfy our then-current Criteria to Expand;

(3) we have reassessed the potential of the Store Development Area and determined that the Store Development Area has potential for additional Combo Restaurant development; and

(4) we and you agree on a new development schedule for the Renewal Term.

If you have satisfied all of these conditions, then to effectuate the option for the Renewal Term, you (and your Owners, as applicable) must execute and deliver to us, within fourteen (14) days (or any longer period required by law) after delivery to you, both (i) our then-current form of termination and general release that confirms the termination of this Agreement and releases all claims that the parties may have against each other and their respective affiliates, and all of their respective officers, directors, owners and employees (provided, however, that each party's indemnification obligations for claims arising in connection with this Agreement shall survive termination of this Agreement and shall not be subject to the general release); and our then-current form of Store Development Agreement and related documents (including exhibits and ancillary agreements) that we are then offering to new developers at the time of renewal, the terms and conditions of which (including fee structures) may differ from this Agreement, and in addition, you pay us our then-current renewal fee when you executed that Store Development Agreement.

7. Termination and Suspension of Development Rights.

A. We may terminate this Agreement, effective immediately upon our delivery of written notice to you, and without providing you any opportunity to cure the default, if:

(1) you fail to meet any of the obligations set forth in the Development Schedule;

(2) you or any guarantor file a petition in bankruptcy or are adjudicated bankrupt, or a petition in bankruptcy is filed against you or any guarantor and is either consented to by you or the guarantor or not dismissed within thirty (30) days; you or any guarantor becomes insolvent or admits in writing your or your guarantor's insolvency or inability to pay debts generally as they become due, or make an assignment for the benefit of creditors; a bill in equity or other proceeding for the appointment of a receiver or other custodian for your or any guarantor's business assets is filed and is either consented to by you or any guarantor or not dismissed within thirty (30) days, or such a receiver, trustee or other custodian is appointed; proceedings for composition with creditors is filed by or against you or any guarantor; or any of your or any guarantor's real or personal property is sold at levy; provided, however, that any such actions by a guarantor as described in this Section 7.A(2) shall not give rise to our termination right if you are able promptly to procure a replacement guarantor which guarantor is reasonably satisfactory to us and executes our then current form of Guaranty;

(3) you or any of your Owners commits a fraud upon us, our affiliate, or any third party relating to the business under this Agreement, the Existing Franchise Agreement, any Franchise Agreement signed pursuant to this Agreement, or any other franchise agreement between us (or any of our affiliates) and you (or any of your Owners or affiliates);

(4) you or any of your Owners is convicted of or pleads ~~guilty or no contest to a felony or crime~~ involving moral turpitude;

(5) there is any unauthorized transfer or assignment in violation of Section 8;

(6) the Existing Franchise Agreement, any Franchise Agreement signed pursuant to this Agreement, or any other franchise agreement between us (or any of our affiliates) and you (or any of your Owners or affiliates) relating to a Combo Restaurant within any Designated Marketing Area(s) where the ~~Store Development Area is located~~, is terminated before its term expires, regardless of the reason; or

(7) you fail to pay us (or our affiliate) any amount due, whether arising under this Agreement, the Existing Franchise Agreement, any Franchise Agreement signed pursuant to this Agreement, or any other franchise agreement between us (or any of our affiliates) and you (or any of your Owners or affiliates), or you fail to comply with any other provision of this Agreement (except as otherwise set forth in this Section 7), and do not cure the failure within seven (7) days after our delivery of written notice.

~~B. 8. Suspension of Development Rights; Default and Termination. We may terminate this Agreement if: (a) you default on a monetary obligation to us and do not cure the default within seven (7) days from the date you receive our written Notice to Cure; or (b) you default on any other provision of this Agreement and do not cure the default within thirty (30) days from the date you receive our written Notice to Cure. If state law requires a longer cure period, then that longer period shall apply. We may terminate this Agreement, without any opportunity to cure, if you violate the confidentiality provision, if you are convicted of or plead ~~guilty or no contest to a felony or crime~~ of moral turpitude, if you commit a fraud upon any of our affiliate(s) or us, or if we terminate any of your Franchise Agreements in the DMA in which this Store Development Area is located. If we terminate~~ Upon the expiration or termination of this Agreement, all rights granted to you under this Agreement will automatically terminate. If this Agreement is

terminated, then you must immediately pay us all unpaid ~~Initial Franchise Fees~~ IFFs (as set forth in Exhibit B), without reduction or offset, even if you did not open any or all of the Restaurants.

C. If at any time you do not meet our then-current Criteria to Expand, we may suspend your right to develop Restaurants by a written notice to you. The suspension will be in effect until you are not in default ~~and meet~~ under any Related Agreement and otherwise satisfy our criteria for reinstatement under the Criteria to Expand. Any suspension will not alter your Development Schedule unless we, in our sole ~~discretion~~ judgment, grant an extension in writing. In addition to and without limiting our other rights and remedies under this Agreement, any other agreement or applicable law, upon the occurrence of any of the events that give rise to our right to terminate this Agreement under this Section 7, we may, at our sole option and upon delivery of written notice to you, eliminate your protected territorial rights under Section 2 above in one or more parts of the Store Development Area, in which event we (and our affiliates) may thereafter operate, and authorize any other parties to operate, Combo Restaurants the physical premises of which are located within that geographic area and engage, and allow others to engage, in any other activities we desire within that geographic area without any restrictions whatsoever, subject only to your (or your Controlled Affiliate's) rights under then existing franchise agreements with us.

8. ~~9. Transfers of Interest.~~

A. ~~A. Transfer by Us:~~ We may change our ownership or form and/or assign this Agreement and any other agreement between us and you, any Controlled Affiliate, or any of your or your Controlled Affiliates' owners or affiliates without restriction. This Agreement inures to the benefit of our successors and assigns, ~~and we may assign our rights to any person or entity that agrees in writing to assume all of our obligations.~~ Upon transfer, we will have no further obligation under this Agreement, except for any accrued liabilities.

B. Transfer by You – Defined. We entered into this Agreement based on and in reliance on our perceptions of your (or your Owners') individual or collective character, skill, aptitude, attitude, business ability and financial capacity. Therefore, neither this Agreement nor any direct or indirect interest in or rights or obligations under this Agreement, nor all or substantially all of your assets, nor any direct or indirect ownership interest in you (if you are a business entity), may be transferred (as defined below), whether directly or indirectly, without our prior written approval. A transfer of the ownership, possession or control your assets may be made only with a transfer of this Agreement. Any transfer without our approval is a breach of this Agreement and has no effect.

In this Agreement, the term "transfer," whether or not capitalized, includes any voluntary, involuntary, direct or indirect assignment, sale, gift or other disposition and includes the following events, whether they impact you (or your Owners) directly or indirectly: (a) transfer of record or beneficial ownership of any direct or indirect ownership interest in you or the right to receive all or a portion of your profits or losses or any capital appreciation relating to you or your business (whether directly or indirectly); (b) a merger, consolidation or exchange of ownership interests, or issuance of additional ownership interests or securities representing or potentially representing ownership interests, or a redemption of ownership interests; (c) any sale or exchange of voting interests or securities convertible to voting interests, or any management agreement or other arrangement granting the right to exercise or control the exercise of the voting rights of any Owner or to control your or your business' operations or affairs; (d) transfer in a divorce, insolvency or entity dissolution proceeding, or otherwise by operation of law, or by will, declaration of or transfer in trust, or under the laws of intestate succession; or (e) foreclosure upon or attachment or seizure of your business, any of your assets, or any direct or indirect ownership interest in you; or (f) transfer, surrender or loss of the possession, control or management of all or any material portion of your business (or its operation) or you.

A "Controlling Ownership Interest" in you (if you are an entity) means any transfer, or any series of transfers (regardless of the time period during which they take place), that results in any individual or entity (together with its affiliates), directly or indirectly acquiring or coming into possession or control of either (1) fifty percent (50%) or more of the direct or indirect ownership interests in you, or (2) any ownership interest or other direct or indirect right or interest in you that provides the right, power or authority to direct and control

your management and policies, in either case, who did not own, possess or control such interest as of the Effective Date. A “Non-Controlling Ownership Interest” in you (if you are an entity) means the transfer or creation of any direct or indirect ownership interest in you that is not a Controlling Ownership Interest.

~~B. Transfer by You: We entered into this Agreement based on your qualifications. You may transfer a direct or indirect interest in this Agreement, but the Store Development Area and the associated rights and obligations are a package and are not themselves divisible in any way. Any transfer requires our prior written consent, which will not be unreasonably withheld. In the event a person holding a direct or indirect interest dies, that person’s legal representative must, within nine (9) months of the event, apply in writing to transfer that interest with notice to all other persons having a direct or indirect interest in this Agreement.~~

C. Conditions for Our Approval of Non-Control Transfer. We will not unreasonably withhold our consent to a transfer of a Non-Controlling Ownership Interest in you or your Owners if the proposed transferee and its direct and indirect owners (if the transferee is an entity) are of good character, otherwise meet our then applicable standards for non-controlling owners of Combo Restaurants, and sign our then current form of Guaranty.

D. Conditions for Our Approval of Control Transfer. Subject to Sections 8.E and 8.G, we will not unreasonably withhold our consent to any transfer of this Agreement or any direct or indirect interest in, or rights or obligations under, this Agreement, or all or substantially all of your assets, or any Controlling Ownership Interest in you (if you are a business entity) (a “Control Transfer”), that complies with the following:

(1) each proposed transferee (and its direct and indirect owners, if the transferee is an entity) meets our then-current criteria and each guarantor signs our then current form of Guaranty;

(2) you have satisfied all of your outstanding obligations to us and you and your affiliates are otherwise in full compliance with this Agreement, any related agreement, the Existing Franchise Agreement, any Franchise Agreement signed pursuant to this Agreement, and any other franchise agreement between us (or any of our affiliates) and you (or any of your Owners or affiliates);

(3) we believe, in our reasonable judgment, that the sale price of the interest to be conveyed is not so high, and the terms of sale are not so onerous, that it is likely the transferee would be unable to properly develop the Combo Restaurants in accordance with the Development Schedule and meet all financial and other obligations to us and to third parties;

~~(4) C. Transfer Fee: At the time of transfer, you ~~must execute a general release of us in our standard form, and pay us a Transfer Fee of \$10,000. In lieu of the Transfer Fee, we will only charge our then current Fixed Documentation Fee if the original signatories to this Agreement retain more than fifty percent (50%) of the interest in this Agreement after the transfer, or if any of the interests transfer to the spouse(s) or children of the original signatories, or if all of the interests transfer to beneficiaries or heirs of an owner who dies or becomes mentally incapacitated.~~ and all of your Owners sign our then-current form of general release that releases all claims that you (or your Owners) may have against us, our affiliates, and our and their respective officers, directors, owners and employees (it being acknowledged that if after an approved transfer, an Owner no longer has an interest in the business, then such Owner is relieved of further obligations to us under the terms of this Agreement, except for money obligations through the date of transfer and post-termination obligations); and~~

(5) the transferee (if the transfer is of this Agreement) agrees to be bound by all terms and conditions of this Agreement for the remainder of the term.

E. Transfer Fees. For a Control Transfer, at the time of transfer, you must pay us a transfer fee equal to ten thousand dollars (\$10,000), whether or not we exercise our rights in Section 8.G. For a Non-Control Transfer, at the time of transfer, you must pay us our then-current fixed documentation fee.

F. Transfer on Death. Within twelve (12) months after the death of you or any of your Owners and notwithstanding any agreement to the contrary, the deceased’s legal representative must propose to us in

writing to transfer the interest of the deceased in this Agreement to one or more transferees. Any such transfer must occur within eighteen (18) months after such individual's death, and is subject to our prior written consent, which we will not unreasonably withhold, in accordance with this Section 8.

G. Right of First Refusal. If you or any of your Owners at any time determine to engage in any Control Transfer, then we will have a right of first refusal to be the purchaser of that interest under the same terms and conditions contained in the purchase and sale document (but subject to our rights under this Agreement and our standards). You must comply with our standards and requirements pertaining to our right of first refusal, including by providing us with a fully-executed copy of any offer or purchase and sale document (including any referenced documents) for the sale. We will have sixty (60) days following our receipt of the fully-executed purchase and sale documents (including any referenced documents) and other materials concerning the proposed transferee(s) and the transfer that we request, to notify you whether we are exercising our right of first refusal. Upon our exercise, we (or our assignee) will have the benefit of all of the rights and time periods that the original proposed transferee(s) had as of the date that they signed the purchase and sale documents, including any applicable diligence periods and periods before closing. We may at our option assign our right of first refusal under this Section 8.G, without recourse, to any assignee, who will then have all of our rights under this Section 8.G to purchase the interest directly from you (or your Owner), and we shall have no further liability or obligation in connection with this Section 8.G with respect to that transfer. If you do not complete the sale to the proposed buyer (with our approval) within ninety (90) days after we notify you that we do not intend to exercise our right of first refusal, or if there is a material change adverse to you in the terms of the offer (which you must tell us promptly), then we will have an additional right of first refusal during the sixty (60)-day period following either the expiration of the ninety (90)-day period or our receipt of notice of the material change in the offer's terms, on the modified terms.

9. Miscellaneous. Sections 9.E (System Confidential Information), 10 (Restrictive Covenants), 15 (Dispute Resolution) and 16 (Miscellaneous) of the Existing Franchise Agreement are incorporated by reference in this Agreement and will govern all aspects of our and your relationship and the construction of this Agreement as if fully restated within the text of this Agreement. You agree to comply, and ensure your Owners comply, with the provisions of Sections 9.E (System Confidential Information), 10 (Restrictive Covenants), 15 (Dispute Resolution) and 16 (Miscellaneous) of the Existing Franchise Agreement applicable to the franchisee. This Agreement, together with the Existing Franchise Agreement, supersede all prior agreements and understandings, whether oral and written, between the parties relating to its subject matter, and there are no oral or other written understandings, representations, or agreements between the parties relating to the subject matter of this Agreement. Notwithstanding the foregoing, nothing in this Agreement shall disclaim or require you to waive reliance on any representation that we made in the most recent disclosure document (including its exhibits and amendments) that we delivered to you or your representative. This Agreement may be signed by written or electronic signature and in multiple counterparts, but all such counterparts together shall be considered one and the same instrument. The provisions of this Agreement may be amended or modified only by written agreement signed by the party to be bound.

~~D. Right of First Refusal: We have a right of first refusal for any proposed transfer. You must provide us with a copy of any agreement (and any amendment to the agreement) for the transfer, and we will have sixty (60) days after receipt to notify you that we are exercising our option to purchase the interest under the same terms and conditions. If we do so, you still are obligated to pay a Transfer Fee.~~

10. Dispute Resolution

~~A. Waiver of Rights: The parties waive and agree not to include in any pleading or arbitration demand: class action claims; demand for trial by jury; claims for lost profits; or claims for punitive, multiple, or exemplary damages. If any pleading is filed that contains any of these claims or a jury demand, or if a court determines that all or any part of the waivers are ineffective, then the pleading shall be dismissed with prejudice, leaving the pleading party to its arbitration remedy. No claim by you can be consolidated with the claims of any other holders of development rights. If such claims and demands cannot be waived by law, then the parties agree that any recovery shall not exceed two (2) times actual damages. Your actual damages are limited to your out of pocket expenses only and do not include any other form(s) of damages.~~

~~B. Arbitration: Either of us, as plaintiff, may choose to submit a dispute to a court or to arbitration administered by the American Arbitration Association (“AAA”) under its Commercial Arbitration Rules (or another nationally established arbitration association acceptable to you and us) and under the Federal Rules of Evidence. The plaintiff's election to arbitrate or to submit the dispute to the court system is binding on the parties, except that we shall have the option to submit to a court any of the following actions: to collect fees due under this Agreement; for injunctive relief; to protect our intellectual property, including Proprietary Marks; and to terminate this Agreement for a default. For any arbitration, the arbitrator(s) shall issue a reasoned award, with findings of fact and conclusions of law. The arbitration award and the decision on any appeal will be conclusive and binding on the parties. Actions to enforce an express obligation to pay money may be brought under the Expedited Procedures of the AAA’s Commercial Arbitration Rules. The place of arbitration shall be in the state the majority of the Store Development Area is located. The Federal Arbitration Act shall govern, excluding all state arbitration law. Massachusetts’s law shall govern all other issues. Any arbitration or court action must be commenced within two (2) years after discovery of facts giving rise to the claim.~~

~~C. Scope of Arbitration: Disputes concerning the validity or scope of this Section 10, including whether a dispute is subject to arbitration, is beyond the authority of the arbitrator(s) and shall be determined by a court of competent jurisdiction pursuant to the Federal Arbitration Act, 9 U.S.C. §1 et seq., as amended from time to time. The provisions of this Section 10 shall continue in full force and effect subsequent to any expiration or termination of this Agreement.~~

~~D. Appeals: Either party may appeal the final award of the arbitrator(s) to the U.S. District Court in which the arbitration was held. The Court’s review of the arbitrator’s findings of fact shall be under the clearly erroneous standard, and the Court’s review of all legal rulings shall be *de novo*. If it is determined that this provision for federal court review is not enforceable, then either party may appeal the arbitrator’s final award to a panel of three arbitrators chosen under AAA procedures, employing the same standards of review stated immediately above.~~

~~E. Attorneys’ Fees: If either party hereto brings or commences legal proceedings to enforce any of the terms of this Agreement or to assert any rights hereunder, the successful party in such action shall be entitled to receive and shall receive from the other party hereto, a reasonable sum as attorney’s fees and costs, such sum to be fixed by the court or arbitrator(s) in such action, as applicable.~~

~~11. Miscellaneous.~~

~~A. You are an independent contractor of ours. Neither party to this Agreement has the power to bind the other. Neither party is liable for any act, omission, debt or any other obligation of the other, and you and we agree to indemnify and save each other harmless from any such claim and the cost of defending such claim. The waiver by either party of a breach of any provision of this Agreement applies only to that one breach and only to that one provision. If we accept payments from any person or entity other than you, such payments will be deemed made by such person as your agent and not as your successor. If, for any reason, any provision of this Agreement is determined to be invalid or to conflict with an existing or future applicable law, then the remaining provisions will continue to bind the parties and the invalid or conflicting provision will be deemed not to be a part of this Agreement. Our rights and remedies are cumulative. The limited right to use the “Dunkin’ ” and/or “Baskin Robbins” name(s) and trademarks is granted in the Franchise Agreement you will sign for each Restaurant. It is not granted in this Agreement. Neither you nor your successor may create or assert any security interest or lien in this Agreement.~~

~~B. This Agreement and the documents referred to herein shall be the entire, full and complete agreement between you and us concerning the subject matter of this Agreement, which supersedes all prior agreements. Nothing in this Section, however, is intended to disclaim the representations we made in the franchise disclosure document that we furnished to you. This Agreement is made in the Commonwealth of Massachusetts, USA, and shall be interpreted, construed and governed by the laws of the Commonwealth of Massachusetts. This Agreement may be executed in multiple counter parts, by facsimile or otherwise. This Agreement may only be modified by the parties in writing.~~

~~C. All notices shall be sent by nationally recognized overnight courier or certified mail to us c/o Dunkin’ Brands, Inc., as Manager to the addresses above, or to such other addresses as you and we provide each other in writing. All notices to us shall be sent to “Attention: Legal Department.”~~

~~D. Your success in this business is speculative and depends, to an important extent, upon your ability as an independent business owner. We do not represent or warrant that any locations we approve will achieve a certain level of sales or be profitable. If we provide maps, demographics or other information to you in connection with the Store Development Area, we do so without any representation or warranty that the information is complete, accurate or current. We do not~~

~~represent that you will be able to find or secure locations within the Store Development Area or that you will be able to develop all of the required Restaurants. By your signature below, you acknowledge that you have entered into this Agreement after making an independent investigation of the Dunkin' and/or Baskin Robbins System(s) and the Store Development Area.~~

~~E. No Waiver or Disclaimer of Reliance in Certain States. The following provision applies only to franchisees and franchises that are subject to the state franchise disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington or Wisconsin:~~

~~No statement, questionnaire or acknowledgment signed or agreed by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on behalf of us. This provision supersedes any other term of any document executed in connection with the franchise.~~

THIS GUARANTY AND ASSUMPTION OF OBLIGATIONS is given this _____ day of _____, 20____, by each of the undersigned parties.

A. In consideration of, and as an inducement to, the execution of that certain Store Development Agreement (together with all amendments or modifications, the "Agreement") on this date by **DUNKIN' DONUTS FRANCHISING LLC** ("Dunkin'") and **BASKIN-ROBBINS FRANCHISING LLC** ("Baskin-Robbins") and together with Dunkin, the "Franchisor"), each of the undersigned unconditionally (a) guarantees to Franchisor and its successors and assigns, for the term of the Agreement (including extensions) and afterward as provided in the Agreement, that _____ ("Developer") will punctually pay and perform each and every undertaking, agreement, and covenant of Developer set forth in the Agreement; and (b) agrees to be bound by, and liable for the breach by Developer of, each and every provision in the Agreement, both monetary obligations and obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities, including, without limitation, the non-competition, confidentiality, and transfer requirements, except that (1) the undersigned shall not be required to personally be bound by the covenants in Section 1.B(1) of the Agreement, and (2) no guarantor shall have any liability with respect to another guarantor's failure to comply with any non-monetary obligations under the Agreement. In the event of a direct conflict between the foregoing clauses (1) or (2), on the one hand, and any other provision of this Guaranty or the Agreement, on the other hand, such clauses (1) or (2), as the case may be, shall govern to the extent of such direct conflict.

B. Each of the undersigned acknowledges that (a) they are either an owner (whether direct or indirect) of Developer or otherwise has a direct or indirect relationship with Developer or its affiliates; (b) they will benefit significantly from Franchisor's entering into the Agreement with Developer; and (c) Franchisor would not enter into the Agreement unless each of the undersigned agrees to sign and comply with the terms of this Guaranty.

C. Each of the undersigned consents and agrees that: (a) their direct and immediate liability under this Guaranty will, except as set forth in Paragraph A, above, be joint and several, both with Developer and among other guarantors; (b) he, she or it will render any payment or performance required under the Agreement upon demand if Developer fails or refuses punctually to do so; (c) this liability will not be contingent or conditioned upon Franchisor's pursuit of any remedies against Developer or any other person or entity; (d) this liability will not be diminished, relieved, or otherwise affected by any extension of time, credit, or other indulgence which Franchisor may from time to time grant to Developer or to any other person or entity, including, without limitation, the acceptance of any partial payment or performance or the compromise or release of any claims (including, without limitation, the release of other guarantors), none of which will in any way modify or amend this Guaranty, which will be continuing and irrevocable during the term of the Agreement (including extensions), for so long as any performance is or might be owed under the Agreement by Developer or any of its owners or guarantors, and for so long as Franchisor has any cause of action against Developer or any of its owners or guarantors; and (e) this Guaranty will continue in full force and effect for (and as to) any extension or modification of the Agreement, and despite the transfer of any direct or indirect interest in the Agreement or Developer, and each of the undersigned waives notice of any and all renewals, extensions, modifications, amendments, or transfers.

D. Each of the undersigned waives: (a) all rights to payments and claims for reimbursement or subrogation that any of the undersigned may have against Developer arising as a result of the undersigned's execution of and performance under this Guaranty, for the express purpose that none of the undersigned shall be deemed a "creditor" of Developer under any applicable bankruptcy law with respect to Developer's obligations to Franchisor; (b) all rights to require Franchisor to proceed against Developer for any payment

required under the Agreement, proceed against or exhaust any security from Developer, take any action to assist any of the undersigned in seeking reimbursement or Developer in connection with this Guaranty or pursue, enforce or exhaust any remedy, including any legal or equitable relief, against Developer; (c) any benefit of, or any right to participate in, any security now or hereafter held by Franchisor; and (d) acceptance and notice of acceptance by Franchisor of his, her or its undertakings under this Guaranty, all presentments, demands and notices of demand for payment of any indebtedness or non-performance of any obligations hereby guaranteed, protest, notices of dishonor, notices of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed, and any other notices and legal or equitable defenses to which he, she or it may be entitled. Franchisor shall have no present or future duty or obligation to the undersigned under this Guaranty, and each of the undersigned waives any right to claim or assert any such duty or obligation, to discover or disclose to the undersigned any information, financial or otherwise, concerning Developer, any other guarantor, or any collateral securing any obligations of Developer to Franchisor. Without affecting the obligations of the undersigned under this Guaranty, Franchisor may, without notice to the undersigned, extend, modify, supplement, waive strict compliance with, or release all or any provisions of the Agreement or any indebtedness or obligation of Developer, or settle, adjust, release, or compromise any claims against Developer or any other guarantor, make advances for the purpose of performing any obligations of Developer under the Agreement, and/or assign the Agreement or the right to receive any sum payable under the Agreement, and the undersigned each hereby jointly and severally waive notice of same. F. If Franchisor is required to enforce this Guaranty in a judicial proceeding, and prevails in such proceeding, Franchisor shall be entitled to reimbursement of its reasonable costs and expenses, including, but not limited to, reasonable accountants', attorneys', attorneys' assistants', and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses, whether incurred prior to, in preparation for, or in contemplation of the filing of any such proceeding.

G. Each of the undersigned agrees that all actions arising under this Guaranty or the Agreement, or otherwise as a result of the relationship between Franchisor and the undersigned, must be brought exclusively in the federal or state court of general jurisdiction located in Atlanta, Georgia. Each of the undersigned irrevocably submits to the jurisdiction of those courts and waives any objection he, she or it might have to either the jurisdiction of or venue in those courts. **EACH OF THE UNDERSIGNED IRREVOCABLY WAIVES TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, ARISING UNDER OR RELATING TO THIS GUARANTY OR ITS ENFORCEMENT.**

IN WITNESS WHEREOF, each of the undersigned has affixed his or her signature on the same day and year as the Agreement was executed.

**2024 INCENTIVES AMENDMENT
TO THE DUNKIN' STORE DEVELOPMENT AGREEMENT**

This Incentives Amendment to the Store Development Agreement (the "Amendment") is made and entered into on _____ (the "Effective Date"), by and between DUNKIN' DONUTS FRANCHISING LLC ("we," "us," or "our") and _____ ("you" or "your").

BACKGROUND

A. [Note: Only include this recital if the parties are signing a **new** Store Development Agreement to receive the incentives] Simultaneously with signing this Amendment, we and you are signing that certain Store Development Agreement dated as of the date hereof (the "Development Agreement") granting you the right to develop multiple Dunkin' Restaurants in the Store Development Area (the "New Commitments" or "Incentive Commitments"). All initial capitalized terms used but not defined in this Amendment shall have the meanings set forth in the Development Agreement.

B. [Note: Only include this recital if the parties are **amending an existing** Store Development Agreement to receive the incentives] Simultaneously with signing this Amendment, we and you are amending that certain Store Development Agreement dated _____ (as amended, the "Development Agreement") granting you the right to develop new, additional Dunkin' Restaurants in the Store Development Area (each a "New Commitment" and collectively, the "New Commitments"). You understand that the terms of this Amendment will apply to all New Commitments and any Dunkin' Restaurant(s) you agreed to develop before entering into this Amendment but have not opened as of the date you sign this Amendment (collectively, the "Incentive Commitments"). All initial capitalized terms used but not defined in this Amendment shall have the meanings set forth in the Development Agreement.

C. Before developing and operating each Incentive Commitment that you agree to open under the Development Agreement, you must sign the then-current form of Franchise Agreement (each a "Franchise Agreement" and, collectively, the "Franchise Agreements").

D. We and you are signing this Amendment because we have committed, upon the satisfaction of certain conditions, to modify certain requirements under each Franchise Agreement you signed in connection with the Development Agreement to reflect incentives we currently offer or previously offered.

AGREEMENT

NOW THEREFORE, in consideration of the mutual promises contained herein and in the Development Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **Application of Amendment.** We and you are signing this Amendment because we and you are signing or amending the Development Agreement on or before March 31, 2025 and the Incentive Commitments you agreed to develop under the Development Agreement may be eligible for one or more incentive programs described in this Amendment. Therefore, notwithstanding any terms in the Development Agreement to the contrary, if you meet the applicable incentive program conditions, then we agree that the Franchise Agreement(s) that we and you sign for certain Restaurant(s) developed under the Development Agreement will reflect the terms of the applicable incentive programs described in this Amendment.

2. **Select Developing Markets Incentive.** [Note: Only include if the franchisee qualifies for the Select Developing Markets Incentive] Because we and you are signing this Amendment before March 31, 2025 to develop one or more New Commitments within the Select Developing Territory (defined below), each Incentive Commitment you agree to develop under the Development Schedule will receive the benefits of our “Select Developing Markets Incentive” program, if (a) you and your affiliates are in substantial compliance with the Development Agreement and each other agreement between us and you or your affiliates, including the applicable Franchise Agreement, (b) you open and begin operating that Restaurant in compliance with the Development Agreement and the applicable Franchise Agreement on or before the deadline in the Development Schedule (the “Applicable Opening Deadline”), (c) you provide to us a report, in the format and containing the information that we reasonably specify, identifying the amounts that you spend in various categories relating to the development and opening of that Restaurant within 120 days after the Restaurant first opens for business, and (d) you build that Restaurant in the design, to the specifications, and at the location approved by us in compliance with the Development Agreement and the applicable Franchise Agreement, then you will receive the benefits of the Select Developing Markets incentive program described in this Section. OPTION TO ASSUME LEASE

This is a copy of Franchisor's standard Option to Assume Lease.
When Franchisee does not lease from a third party, another form of this agreement may be used, which contains similar provisions.

Option to Assume Lease (PC # _____)

1. If _____ ("Tenant") defaults under the Lease dated _____ ("Lease") by _____ and _____ between _____ ("Landlord") and Tenant for the premises located at _____ ("Premises"), or if Dunkin' Donuts Franchising LLC and/or Baskin-Robbins Franchising LLC (collectively and individually, "Franchisor") terminates Tenant's franchise agreement covering the Premises, Landlord and Tenant acknowledge and agree that Franchisor will have the option to assume the Lease pursuant to the terms of this Option which supplements and forms a part of the Lease.

2. Landlord agrees to give Franchisor written notice specifying all default(s) of Tenant under the Lease. Franchisor agrees to give written notice to Landlord if Franchisor terminates Tenant's franchise agreement and, in such notice, will request that Landlord provide Franchisor with a copy of the Lease and specify any of Tenant's defaults thereunder. All notices will be by nationally recognized overnight courier (with tracking capability).

3. Franchisor may, within 30 days from receipt of notice from Landlord that Tenant has defaulted under the Lease and failed to cure such default(s) as required or permitted by the terms of the Lease, or sending of notice to Landlord that Franchisor has terminated Tenant's franchise agreement covering the Premises, notify Landlord of Franchisor's decision to assume the Lease. If Franchisor exercises its right to assume the Lease by sending Landlord the required notice, immediately upon Franchisor's receipt of possession of the Premises, Franchisor will cure all of Tenant's monetary defaults under the Lease, begin curing all of Tenant's non-monetary defaults under the Lease, and execute an agreement pursuant to which Franchisor agrees to assume all of Tenant's rights and obligations under the Lease, subject to (i) Franchisor's right, without the need to obtain Landlord's consent, to sublet the Premises or assign the Lease to an approved franchisee of Franchisor provided Franchisor remains liable for the payment of rent and the performance of Tenant's duties under the Lease (ii) Franchisor not being subject to any provision of the Lease that requires Tenant to continuously operate a business in the Premises during any period that the Premises is closed for remodeling or while Franchisor is seeking to obtain and train a new franchisee, provided however, that such period of closure will not exceed 90 days in each instance and provided further that Franchisor continues to pay rent during such period of closure pursuant to the terms of the Lease; and (iii) Franchisor's right, if it subleases the Premises to a franchisee as provided above, to retain all consideration payable under such sublease.

4. If Franchisor exercises its right to assume the Lease, Tenant agrees to assign all of its right, title and interest in the Lease to Franchisor and, if Tenant does not do so within ten (10) days of Franchisor's written notice, Tenant appoints Franchisor as its agent to execute all documents that may be necessary for Franchisor to take assignment of the Lease. Notwithstanding anything to the contrary contained herein, Tenant shall remain liable to Landlord for all of its obligations under the Lease and to Franchisor for all amounts that Franchisor pays to Landlord to cure Tenant's defaults under the Lease, including

interest, reasonable collection costs and de-identification costs (the parties acknowledging that Franchisor may enter the Premises without being guilty of trespass or tort to de-identify the Premises). Franchisor may assign this Option and its rights hereunder to any affiliate, subsidiary or parent of Franchisor. This Option may be signed in any number of counterparts by facsimile or otherwise, each of which shall be deemed an original, but all of which shall constitute one and the same instrument. A facsimile signature may be used for any purpose in lieu of an original signature.

ELECTRONIC PAYMENT LOYALTY PROGRAM PARTICIPATION AGREEMENT

FORM OF LOYALTY PROGRAM PARTICIPATION AGREEMENT

Introduction

Dunkin' Brands, Inc., DBLF LLC, Dunkin' Donuts Franchising LLC and Baskin-Robbins Franchising LLC (collectively "Dunkin' Brands") have developed a consumer loyalty program where members earn points for purchases and can redeem points for rewards at Dunkin' restaurants. As part of the program, franchisees shall pay a portion of Loyalty Program Sales into a fund administered by Dunkin' Brands (the "Loyalty Fund") and shall receive reimbursement for redeemed rewards (the "Loyalty Program") from the Loyalty Fund. All Dunkin' Restaurants in the United States are required to participate in the Loyalty Program, except for locations that do not have compatible technology (as defined by Dunkin' Brands). The Loyalty Program is anticipated to change over time and participating Dunkin' restaurants are required to adhere to the changes to the Loyalty Program. Material changes to the Loyalty Program shall be reviewed (and/or approved, as applicable) in advance by the Brand Advisory Council.

The words "we", "us" and "our" mean Dunkin' Brands, Inc., Dunkin' Donuts Franchising LLC, Baskin-Robbins Franchising LLC and DBLF LLC, individually and collectively. In this Agreement, the words "you" and "your" mean the franchisee (and, where the context relates to the use of Loyalty Program services and Loyalty Program obligations, others the franchisee selects to use the Loyalty Program services, such as the franchisee's employees, accountant, financial advisor, or any other person or agent logging on for the franchisee).

Web Enroll System: With the use of a password and a user-id, our Web Enroll System ("Web Enroll") allows you to enroll in the Loyalty Program electronically. To enroll in the Loyalty Program, you must accept the Terms and Conditions set out below. This Loyalty Program Participation Agreement (the "Agreement") establishes the Terms and Conditions of your participation in the Loyalty Program. If you do not agree with the Terms and Conditions, do not log-on to Web Enroll. By clicking "I Accept" at the bottom of this Agreement, you accept and agree to be bound by all the Terms and Conditions of this Agreement.

The Terms and Conditions set forth in this Agreement are intended to be in alignment with the Memorandum of Understanding entered into on March 31, 2022 with respect to the Loyalty Program, between Dunkin' Brands and the Brand Advisory Council (the "MOU").

TERMS AND CONDITIONS

1) Adherence to the Loyalty Program and Payment Terms

You agree to comply with all the requirements of the Loyalty Program as the same may exist from time to time. These requirements include your obligation to support and participate in the Loyalty Program, and to maintain sufficient funds in your account to enable the successful transfer of funds on a weekly basis, follow required procedures for settlement of funds, and such other matters as are set forth below and as we may from time to time determine.

2) Loyalty Program Contribution and Redemption Reimbursement

Loyalty Program Contribution Payment ("LCP"). You agree to pay the LCP into the Loyalty Fund. The LCP from relaunch of the Loyalty Program (or such date that the Franchisee opens the Restaurant to the general public or assumes operations through a transfer) through the end of the first full fiscal year, shall be equal to 1.6% of Loyalty Program Sales ("LCP Rate"). The LCP shall be deducted via ACH transfer on a weekly basis for the prior calendar week's transactions

(inclusive of offline sales adjustments). Loyalty Program Sales are defined as Gross Sales (as defined in your Franchise Agreement) to Loyalty Program members for in-store sales of eligible products at your Restaurant, with product eligibility being determined from time to time pursuant to the MOU by Dunkin' Brands and, if and as applicable, the Brand Advisory Council. After the first fiscal year of the program, the LCP Rate will be the following:

From National Program relaunch through end of first full Fiscal Year thereafter:	1.6 percent
Second Fiscal Year:	1.6 percent
Third Fiscal Year:	1.4 percent
Fourth Fiscal Year:	1.4 percent
Fifth Fiscal Year and thereafter:	1.2 percent

The Loyalty Fund will be administered by Dunkin' Brands. The funds deposited into the Loyalty Fund shall only be used in furtherance of the Loyalty Program and shall not be used for general or administrative expenses, including but not limited to Dunkin' Brands headcount, for advertising or marketing expenses, or for loans or other payments to Dunkin' Brands. Notwithstanding, the Loyalty Funds may be used to repay the initial funding made by Dunkin' Brands to the Loyalty Fund to take into account the conversion and transition of current rewards program points into the new Loyalty Program.

Redemption Reimbursement. When a member redeems rewards at your restaurant, you will receive a reimbursement from the Loyalty Fund equal to the National Average Product Cost (including packaging and paper) (the "NAPC") for the redeemed item. The NAPC for each product shall be agreed to bi-annually by the Brand Advisory Council and Dunkin' Brands at the sub-category level. You will be reimbursed by ACH transfer on a weekly basis for reward redemptions at the Restaurant based on the NAPC for each item. You will not be reimbursed for product promotions or other offers that are not tied to reward redemptions. Each franchisee will be responsible for paying any taxes due on the reimbursements made to them under the Loyalty Program and a 1099 will be issued each calendar year. You should consult with your own advisors to determine whether any taxes may be due on such reimbursements.

3) Settlement of Funds/ ACH Authorization

a) You agree to follow all procedures we specify to facilitate the settlement of your LCP and the reimbursements described above through an automated clearing house transaction via a Designated Account provided through Web Enroll. You agree to maintain sufficient funds in the Designated Account to cover your LCP obligations. You represent that you have authority to agree to such transactions and that the Designated Account is a valid and legitimate account for the handling of these transactions. The ACH debits can be combined with other amounts deducted from the Designated Account by Dunkin' Brands under other agreements allowing for such deductions between Dunkin' Brands and you. All changes to the identification of the Designated Account under this authorization must be made either in writing in accordance with the Agreement, or by such other method as specified by Dunkin' Brands at such time. You acknowledge that the origination of ACH transactions to the Designated Account must comply with provisions of U.S. law. You agree to provide Dunkin' Brands with at least 15 days' advance written notice of a change to the Designated Account.

b) You authorize and agree that we may initiate debit entries, credit entries and other adjustments to a bank account designated by you to facilitate the settlement of Loyalty Program funds and you further agree that should any automated clearing house request or other request to transfer funds from any of your accounts be rejected, we may effect such transfer by electronic funds transfer or such other means as we may determine without the need of further consent from you.

4) Loyalty Program Defaults

A failure to enroll in the Loyalty Program via Web Enroll or to pay any amount due under this Agreement shall be deemed a default under your Franchise Agreement. In addition to the remedies stated in these Terms and Conditions, we shall have all rights and remedies afforded to us under the Franchise Agreement up to, and including, termination of the Franchise Agreement. Failure to pay the LCP when due may result in a suspension of Redemption Reimbursement after notice to Franchisee.

5) Exclusivity

During the term of this Agreement, other than your participation in the Program, you will not, either internally or through a third party, offer or participate in any other mobile or online ordering, purchasing or payment program or any other proprietary, closed network, online stored value card program at or through any Dunkin' or Baskin-Robbins restaurant. You may participate in "Hospitality Programs." Hospitality Programs are card programs that: (i) your restaurant is required to participate in by the host of such location (where the host is an entity within whose broader rules of operation the restaurant must operate, such as but not limited to, a school, university, hospital, or military PX); and (ii) do not involve the use of Dunkin' Brands, Inc.'s brands on the cards.

6) Transfer of Restaurant; Termination

a) Termination. Participation in the Loyalty Program and this Agreement shall terminate automatically with respect to the applicable Restaurant on the termination or expiration of your Franchise Agreement; provided, however that if the Franchise Agreement is terminated for convenience in connection with a renewal of term and the simultaneous entry by the Franchisee into a new Franchise Agreement for the same Restaurant, this Agreement and your participation in the Loyalty Program shall continue.

b) Transfer. Effective as of the transfer of the Restaurant, this Agreement is terminated and you will not be eligible to receive reimbursements for any redemptions claimed after the date of transfer or refunds of any LCP paid prior to the date of transfer, or any other rights under this Agreement; provided, however, that you will remain liable for any required payments due and other obligations pursuant to this Agreement arising through the date of transfer.

c) Effect of Termination. Upon termination of the Franchise Agreement and this Agreement, unpaid LCP for Loyalty Sales made prior to such termination shall become immediately due and payable. You will not be eligible to receive reimbursements for any redemptions made after the date of termination; provided, however, that you will remain liable for any required payments due and other obligations pursuant to this Agreement arising through the date of transfer/termination.

7) Limits on Our Responsibility

a) WE ARE NOT RESPONSIBLE FOR ANY LOSSES OF ANY KIND, DELAYS IN TRANSMISSION, OR CORRUPTION OR MISAPPROPRIATION OF DATA, WHETHER

NOR ARE WE RESPONSIBLE FOR ANY RISK RELATED TO THE LOSS OR THEFT OF, ALTERATION OR DAMAGE TO, OR FRAUDULENT, IMPROPER OR UNAUTHORIZED USE OF YOUR DATA, PASSWORD OR USER ID. b) IN NO EVENT SHALL WE OR OUR AFFILIATES BE LIABLE HEREUNDER TO YOU OR ANY THIRD PARTY FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, EXEMPLARY, PUNITIVE OR SPECIAL DAMAGES (INCLUDING LOST PROFITS), EVEN IF WE HAVE BEEN PREVIOUSLY ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. c) THIS WEB ENROLL IS PROVIDED “AS IS”.

8) Privacy Compliance

- a) Each party shall at all times comply with all laws applicable to its collection, use, sharing, or storage of personal information (as such term is defined under applicable law), including compliance with its own privacy policy. Except as required or limited by Section 8(b) below, Dunkin’ Brands shall own or have license to use for its own purposes all data transmitted between the parties, including all customer data (whether in identifiable, aggregate, or de-identified form).
- b) The parties recognize that in the course of operating the restaurant, we and you may exchange personal information for various purposes, including the provision of personal information processing services (the “Services”). In order to comply with applicable privacy laws, unless otherwise required by applicable law, the respective party supplying the Services shall:
 - a. Only process such personal information for the purpose for which it was collected or for providing the respective Services;
 - b. Not retain, use, or disclose such personal information: (i) for any purpose other than to perform the Services or for the purpose for which it was collected or (ii) outside of the direct business relationship between the parties;

12) Termination

a) Termination for Breach. We may terminate this Agreement upon written notice to you if you: (i) breach Section 4c), which shall be non-curable; (ii) materially breach Section 6) of this Agreement and fail to cure such breach within seven (7) days following written notice, (iii) materially breach any other section of this Agreement and fail to cure such breach within thirty (30) days following written notice, (iv) default under the Franchise Agreement or any other agreement with Dunkin' Brands, Inc. or one of its affiliates and such default remains uncured after the expiration of any applicable cure period. b) Termination for Other Reasons. This Agreement shall terminate on notice from us in the event that Dunkin' Brands no longer approves the use of the Program for franchisees in your market. This Agreement shall terminate automatically with respect to the applicable restaurant on the termination or expiration of your Franchise Agreement (provided there was no extension or renewal thereof by us). c) Effect of Termination. Upon termination of this Agreement, you shall immediately (i) cease using the Program websites or other Program Infrastructure, and (ii) certify to us within ten (10) days after termination that you have destroyed, or have returned to us all copies of all technology relating to the Program websites or other Program Infrastructure, whether or not modified or merged into other materials. All remedies available to us are cumulative.

13) Entire Agreement

This Agreement (and such Authorization Agreement(s) that you and your designee sign) contains the entire understanding of the parties and supersedes any and all prior agreements, arrangements and understandings relating to the subject matter hereof. No representation or inducement has been made by any party that is not embodied in this Agreement. Neither party is relying on anything other than the Terms and Conditions of this Agreement in deciding to enter into this Agreement. This Agreement cannot be amended except by written agreement signed by the party to be charged.

14) No Waiver

Any failure by us to exercise any power reserved to us hereunder, or to insist upon strict compliance by you with any term, covenant or condition in this Agreement, and any waiver by us of any breach of a term, covenant or condition shall not be deemed to be a waiver of such term, covenant or condition or any subsequent breach of the same or any other term, covenant or condition in this Agreement.

Subsequent acceptance by us of the payments due to us hereunder, in whole or in part, shall not be deemed to be a waiver by us of any preceding breach by you of any term, covenant or condition of this Agreement. We may, in our sole discretion, waive or modify any obligation of other Program participants and no such waiver or modification shall obligate us to grant you a similar waiver or modification. Our acceptance of payments due under this Agreement from any other person or entity shall be deemed to be acceptance from such person or entity as your agent and not as recognition of such person or entity as your assignee or successor.
