What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. The Franchise Agreement requires you to resolve disputes with us by non-binding mediation and then litigation only in Texas. Out-of-state litigation may force you to accept a less favorable settlement for disputes. It may also cost you more to litigate with us in Texas than in your own home state.
2. The Franchise Agreement states that Texas law governs the Agreement, and this law may not provide the same protections and benefits as local law. You may want to compare these laws.
3. The spouse(s) of franchise owners must execute a personal guaranty placing the personal assets of the franchise owners and spouses at risk.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

ITEM 1

THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

To simplify the language in this Disclosure Document, "the Company," "SCI," or "we" means Sport Clips, Inc., the franchisor. "You" means the person who buys this franchise and your spouse and may include a corporation or a partnership. If a corporation or a partnership is the franchisee, "you" will also include the franchisee's owners.

The Company does business as Sport Clips, Inc. and Sport Clips, and we do not do business under any other name. Our principal address is 110 Sport Clips Way, Georgetown, Texas 78628. The Company is a Texas corporation that was incorporated on July 13, 1995.

The Company's agents for service of process are disclosed in Exhibit A.

The Company has sold franchises for the operation of retail stores known as "Sport Clips" since November 1995. As of December 31, 2023², the Company had 1,785⁴ franchised stores and 75⁴ Company-owned stores operating under the name "Sport Clips." The Company has never offered franchises under any other name or in any other line of business. We have operated Sport Clips stores of the type described in this Disclosure Document since 1993.

A Sport Clips business offers hair cutting and hair styling services to primarily men and boys and sells related hair care products within a sports themed environment. Sport Clips franchisees operate the franchise pursuant to our System, which includes our standards, specifications, approved products, methods and procedures. The System also includes the use of the trademark and trade name "Sport Clips." The services and products of Sport Clips stores are offered to all segments of the public, and the businesses are generally located in strip center locations. In addition to laws or regulations that apply to retail businesses generally, you will need to comply with local and state laws that regulate the operation of a hair care or cosmetology business, and your employees may be required to have a license issued by the state or other local government in order to provide hair cutting and related services. ~~In addition, most state and local health departments have enacted regulations that apply to Sport Clips stores in response to the Covid-19 pandemic. These regulations vary from state to state and may include a requirement that stylists and clients wear face masks and other personal protection equipment and limit the number of stylists and clients who may be in the store at any one time. You will need to consult with your local and state health departments to determine the specific regulations that will apply to your Sport Clips store during the Covid-19 pandemic.~~

Our Mission Statement is "To create a Championship Haircut Experience for men and boys in an exciting sports environment." As a Sport Clips franchisee, you will provide your customers with a relaxing atmosphere, surrounded by an exciting sports-themed environment, and be able to watch current and classic sporting events while they receive a consistently well-executed haircut. Some of the specific components of the Sport Clips environment include a flat-screen television in the front of the store, and television monitors at each haircutting station. The televisions are turned to live or recorded sports programming approved by the Company. Your store will also include specific signage and decorating items to create the "Sport Clips" look and atmosphere.

The Franchise Agreement includes a Supplemental Pre-Opening Services Agreement, under which the Company provides certain pre-opening services for a fee. These services will be provided to you either by the Company or its Area Developer, if there is an Area Developer in your area. See Item 5 for more information on the Supplemental Pre-Opening Services Agreement.

The Company offers a Multi-Unit Development Addendum ("MUDA") to the Franchise Agreement, which is included in Exhibit D to this Disclosure Document. Under a MUDA, you will open 3 or more Sport Clips stores within a specified time-period, and you pay a reduced initial

franchise fee for each additional store. We offer a 2 store MUDA if your store is in a city of less than 100,000 people and is at least 75 miles from any city that has more than 100,000 people. It is our policy to award a single-store Franchise Agreement only in specified circumstances. Examples of situations where we would award a single store Franchise Agreement or a 2 store MUDA would be: 1) a Sport Clips Store Manager who is approved to become a franchisee; 2) a Veteran of the US Armed Forces who does not financially qualify for additional licenses; or 3) in areas where we, in our sole discretion, determine that it would be advantageous for the Sport Clips system to award a single store Franchise Agreement or 2 store MUDA. Examples would be in a highly developed area where there is room for only a few more licenses to be awarded, or in high-cost areas.

All information in this Disclosure Document applies to the MUDA and the Supplemental Pre-Opening Services Agreement unless specifically and otherwise stated.

The Company has Area Developers in some areas. An Area Developer has purchased a territory, has the right to sell franchises in the territory on behalf of the Company, and provides certain support services to franchisees in the area. As of December 31, 2023, SCI had 78 Area Developers in 158 states. Depending upon your location, an Area Developer may provide certain services offered by the Company under the Franchise Agreement. This Disclosure Document is not an offer for an Area Development Agreement, nor does it contain an Area Development Agreement. Area Developers do not sign your Franchise Agreement and do not have responsibility for the management of sales or operations of franchisees.

You will compete with other businesses that offer a wide range of hair cutting and hair care services and that sell hair care products, similar to those offered by a Sport Clips business, including businesses which may be located in the same strip center as your Sport Clips franchise. Existing or new competitors in the market may offer similar goods and engage in aggressive promotions that may include discounting.

Note 1

All fees are imposed by and are payable to the Company unless otherwise stated in the chart above. All fees are non-refundable unless it is otherwise stated in these Notes. All fees are uniformly imposed; however, older existing franchise agreements may allow franchisees to currently pay a lower advertising fund contribution and training fee until the time of the franchisee's renewal.

Note 2

The Company has established and administers an Advertising Fund. Under the Franchise Agreement, you are required to pay the greater of \$300 each week, or 5% of your Net Sales for the previous week, as an Advertising Fund contribution. However, it is our current policy to charge you no more than \$600 per week as an Advertising Fund contribution. For example, if 5% of your Net Sales for the previous week exceeds \$600, we will only charge you a maximum of \$600 for that week. In addition, our current policy is not to charge a minimum of \$300 per week as an Advertising Fund fee after a store is open for 30 weeks. We can change ~~this policy~~these policies at any time, and we ~~plan to review the maximum amount payable~~these policies in December of each year. ~~However, u~~However, under the current Franchise Agreement we cannot charge you more than 5% of your Net Sales as an Advertising Fund Fee, with a minimum of \$300 each week.

There may be additional advertising requirements contained in your premises lease. The extent of such advertising requirements in your lease may or may not be subject to negotiation; consequently, the extent of any such advertising obligation, if any, may be unknown to the Company.

Note 3

Under the Franchise Agreement, you are required to pay a weekly Base Training Fee of \$25 per week, plus a Percentage Training Fee of \$60 or 1% of Net Sales, whichever is more. However, it is our current policy to charge you no more than \$120 per week as the Percentage Training Fee. For example, if 1% of your Net Sales for the previous week exceeds \$120, we will only charge you a maximum Percentage Training Fee of \$120 plus the Base Training Fee of \$25 for that week. We can change this policy at any time, and we plan to review the maximum amount payable in December of each year; however, under the current Franchise Agreement we cannot charge you more than the Base Training Fee of \$25 each week plus the greater of \$60 or 1% of your Net Sales each week as the Percentage Training Fee. Other than the weekly training fee, there is no additional charge for this training although you or your employees may incur expenses related to travel to attend the training.

Note 4

Under the Franchise Agreement, you are required to pay a Stylist Recruitment Fee of 1% of your Net Sales for the previous week. However, it is our current policy to charge you no more than \$35.00 per week as the Stylist Recruitment Fee. For example, if 1% of your Net Sales for the previous week exceeds \$35.00, we will only charge you a maximum of \$35.00 for that week. We can change this policy at any time, and we plan to review the maximum amount payable in December of each year.

Note 5

However, it is our current policy to charge you no more than \$70.00 per week as the Technology Fee. For example, if 1% of your Net Sales for the previous week exceeds \$70.00, we will only charge you a maximum of \$70.00 for that week. We can change this policy at any time, and we plan to review the maximum amount payable in December of each year.

Note 6

If franchisees owning 75% or more of the stores in your market area vote to establish a local advertising cooperative, you are required to participate in the local advertising cooperative membership. The local advertising cooperative can assess each member store a fee of up to \$300 per week. The amount of the fee is decided by a vote of the cooperative's members. Currently, there are no active advertising cooperatives. See Item 11 for more information on the local advertising cooperatives.

Note 7

If franchisees owning 75% or more of the stores in your market area vote to establish a local Stylist Recruitment Cooperative, you are required to participate in the local Stylist Recruitment Cooperative membership. The local Stylist Recruitment Cooperative can assess each member store a fee not to exceed 1% of Net Sales and can establish a minimum fee not to exceed \$100 per week. Decisions on how the funds are to be allocated are also made by a vote of the cooperative's members. Currently, there are no active Stylist Recruitment Cooperatives. See Item 11 for more information on the local Stylist Recruitment Cooperatives.

Note 8

The Sport Clips Eric Gozur - Wayne McGlone Memorial Relief Fund ("SCEGWMMRF") is an emergency assistance fund supported by and available only to Sport Clips franchisees, their employees, and SCI employees. SCEGWMMRF was started with a donation from SCI in the amount of \$25,000. Stores owned by SCI contribute to the SCEGWMMRF at the same rate as franchised stores.

Under the Franchise Agreement, you are required to make a weekly contribution of \$10 per week. Under the current Franchise Agreement, we cannot raise your contribution to more than \$10 each week.

Contributions to the fund may be tax deductible to you. All contributions to the SCEGWMMRF go into a general fund (not specified or designated for any particular emergency or hardship), and any distributions undergo the review process as designated by an Independent Selection Committee which is comprised of the then-current Sport Clips Area Manager of the Year, the then-current Sport Clips Coach of the Year, 2 franchisees selected by the Team Leader Advisory Council, and a representative of the Chisholm Trail Community Foundation. A copy of the Operating Agreement and tax filings for the SCEGWMMRF is made available to any franchisee upon written request.

In the event that the Fund balance exceeds \$150,000, the Independent Selection Committee has the ability to contribute to the local or national Red Cross or similar charities responding to emergencies occurring in areas where Sport Clips stores are located, and which have been declared a Federal Disaster Area. In this event, the SEGCWMMRF balance will not be depleted below \$100,000 by such contributions.

Note 9

If you sell your business to an existing Sport Clips franchisee, you pay a reduced fee of \$2,500 for the first store or license that is transferred to the existing franchisee, and \$1,000 for each additional store or license that is transferred.

Note 10

You are required to open your stores as stated on a Development Schedule that is Schedule A of your Franchise Agreement. If you do not open a store by the due date, you may request, and SCI may grant you at its option, a one-time, one-year extension to open the store if you pay a fee of \$5,000 for each store that does not open according to the date stated on Schedule A.

** Except for the initial franchise fee (which reflects the cost for up to 3 stores), the amounts in the chart above reflect the estimated cost to open one store. The median investment of 221 stores to open one Sport Clips store during the previous calendar year was \$31731,694,151.

Note 1

Except as stated in these Notes, none of the fees listed above are refundable once it is incurred by you. Neither the Company nor any affiliate of the Company offers financing for any of the fees listed above. See Item 10.

Note 2

When you sign a MUDA Agreement, the initial franchise fee is \$30,000 for the first store, \$24,500 for the second store, and \$15,000 for the third store. A total of \$69,500 is due in one lump sum when you sign the MUDA Agreement; therefore, there is no additional franchise fee due for the second and third stores. When you sign a 2 store MUDA Agreement, the initial franchise fee due is \$30,000 for the first store, and \$24,500 for the second store. A total of \$54,500 is due in one lump sum when you sign the MUDA Agreement; therefore, there is not additional franchise fee due for the second store. When you sign a single store Franchise Agreement, the initial franchise fee is \$30,000. If you purchase more than 3 franchises under a MUDA, the initial franchise fee is \$15,000 for each franchise that is in addition to 3 Sport Clips stores if these licenses are purchased at the time the MUDA is executed. If additional franchise licenses are purchased after the commencement of the MUDA, the cost is \$15,000 per license. See Item 5.

Note 3

Lease payments will vary significantly depending upon the geographic location, terms of the lease, the total area of your store, and various other fees for occupancy charged by the lessor. The typical space that the Company will approve will range from 1,000 to 1,500 square feet, although smaller or larger spaces may be approved in special situations. The rent may range from \$10.00 to \$60.00 (or higher) per square foot per year, depending on several factors. In most areas, rents typically run between \$30.00 and \$50.00 per square foot per year.

Note 4

The cost of initial inventory will vary depending on your store size. The estimated amount is based on our previous experience with franchisees. You are required to purchase an initial inventory of approved hair products for retail sale and in-store use.

Note 5

The cost of the fixtures and equipment will vary depending on the size, configuration, and location of your store. This amount includes such items as hair cutting furniture and equipment, television sets, merchandise displays, computer equipment, including a laptop for the store manager, and point-of-sale software. See Item 11 for a detailed description of computer equipment you are required to purchase for your store.

Note 6

The estimated amount for leasehold improvements is based on the Company's experience with existing franchisees during the past year for a space of 1,000 to 1,500 square feet, which is the size the Company will typically approve. Your cost of construction will depend upon the size of the space, whether the space is new construction or previously occupied, if there is a landlord allowance in the form of either cash or free rent, and your geographical area of the country. Depending on raw materials cost (such as steel, flooring, drywall and other construction materials), construction costs may vary significantly during the course of a year. Leasehold improvements for most stores will range from \$90,000 to \$150,000 before any allowance (if any) from the landlord. If a landlord allowance is available, it can range from \$10 to \$40 per square foot, with the average being approximately \$25 per square foot range for new construction and approximately \$10 per square foot range for existing centers.

Note 7

If we or an Area Developer in your geographical area offer Supplemental Services, you are required to participate in this service plan. Currently, we offer these services in all areas. If you sign a MUDA, we will charge you a Supplemental Services fee of \$5,000 for the first store, \$4,000 for the second store, and \$3,000 for the third store and any additional stores.

Note 8

This estimate includes the cost of initial legal, accounting and architectural services. Some cities and/or landlords may require that you use a professional architect or engineer to complete the plans beyond that which is provided by our store designer.

Note 9

The estimated amount for signage includes both store front and in-store signs. Pricing will vary depending on your landlord's sign criteria.

Note 10

This amount includes utility deposits, miscellaneous business licenses and permits. Some states require a tax deposit, which can be covered by a bond or interest-bearing deposit with a bank or with the state.

Note 11

Insurance requirements under the Franchise Agreement are summarized as follows:

Comprehensive General Liability	\$ 2,000,000
Worker's Compensation	Per state requirements
Commercial General Liability	\$ 2,000,000
Professional Liability	\$ 1,000,000
Business Interruption Insurance	\$ 200,000
Employment Practices Liability	\$ 500,000
Life Insurance (recommended)	\$ 1,000,000
Cyber Liability (recommended)	\$ 500,000

Insurance costs may not be uniform since premiums differ depending upon location, amounts of insurance acquired, the insurance company's assessment of risk, the location of the insured business and business premises, insurance requirements of the landlord as set forth in the business premises lease, and applicable law.

Note 12

The amount of \$30,000 is paid to the Sport Clips Ad Fund and is spent by the Ad Fund to promote your store in its local market area using a mix of public relations, promotions, advertisements, direct mail, coupons, and other marketing strategies determined by us and in our sole discretion. You may spend additional amounts on other promotional activities that are arranged by or approved by us.

Note 13

This estimates your initial start-up expenses. These expenses include payroll costs. These figures are estimates and we cannot guarantee that you will not have additional expenses starting the business. Your costs will depend on factors such as: How well you execute and how thoroughly you implement our methods and procedures; your management skill, experience and business acumen; local economic conditions; the local market for our product and services; the prevailing wage rate; competition; and the sales level reached during the initial period.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICE

You must purchase all equipment, supplies and inventory in accordance with specifications issued by the Company. These specifications include design, appearance and quality. You must also purchase inventory and equipment from our approved vendors. Our specifications for vendor approval include warranty, reliability and delivery. All specifications for inventory and vendors will be given to you upon your request.

In order to maintain a consistent image, store design and quality throughout the System, you are required to purchase for resale, and maintain a minimum inventory level of Paul Mitchell and other brands of hair care products as specified by Sport Clips from time to time. If you wish to purchase inventory or equipment not previously approved by the Company, or from an unapproved vendor, you must submit to us a written request. We will investigate the vendor and examine the product and assess whether or not the product will enhance the System's integrity and uniformity. We may charge you a fee that will not exceed the cost of our examination. Typically, we will give you a written response within 30 days. Our criteria for approving suppliers are available to franchisees at the franchisee's written request.

The Company maintains a National Vendor Program list. The vendors on the list are approved by us, and in many cases, we have negotiated purchase arrangements with these vendors, including price and credit terms. However, you are not prohibited from negotiating your own terms with these or other vendors.

We may purchase some supplies in large quantities to reduce the unit cost to you. These items are sold to you at our cost plus a markup to cover overhead and handling costs. Except for the salon point-of-sale software described below, you are not required to purchase these items from us, and these supplies will constitute less than 5% of your initial and on-going expenses. In the calendar year 2023~~2~~, our total revenue from the sale of supplies, including the point-of-sale software, to franchisees was \$4531,000, which was less than 1% of our total revenue. Our cost to purchase these supplies was approximately \$2215,500.

Your purchases from SCI or our designated or approved sources or under our specifications will be approximately 70% of your total initial investment (not including the initial franchise fee) and approximately 7% of your ongoing expenses (not including royalties, training and advertising fees) in the operation of the Franchised Business.

You must purchase the Sport Clips point-of-sale computer software system for your store from the Company, because we are the only supplier of this system. We purchase the point-of-sale software from OpenSpend, Inc., dba Salon Ultimate ("OSI") in bulk, and mark up the price when we sell it to franchisees in order to cover our costs, for licenses and hosting other technology platforms. In the calendar year ending December 31, 2022~~2023~~, our revenue from the sale of the point-of-sale system to franchisees was \$3145,000, which was less than 1% of our total revenue for the year 2023~~2~~. Our cost during the year of 2022-2023 to distribute the system and related supplies was \$2215,500. The cost of the point-of-sale software system from SCI is less than 1% of your total purchases in connection with establishment of your store. SCI's subsidiary, SCOS Investments, LLC, holds warrants in and a convertible note from OSI, but does not provide any services or products to franchisees. See Item 11 for more information on the computer software you are required to purchase.

CDW, in Vernon Hills, Illinois, is the only approved supplier of certain computer hardware you are required to purchase. OpenSpend, Inc. allows its proprietary software to be loaded onto the computer by CDW who tests it before selling it to you. Except for its agreement to supply Sport Clips franchisees and Area Developers with computer hardware, we are not affiliated with CDW and we do not derive any income from your purchase of computer hardware from CDW. The cost of the computer hardware that you are required to purchase from CDW is less than 2% of your total purchases in connection with establishment of your store. See Item 11 for more information on the computer you are required to purchase.

We do not seek or accept commissions or any other payments or consideration from approved vendors. Some vendors may contribute to the cost of hosting an annual or area meeting for franchisees. In this case, we may accept the contribution and, if the contribution is in cash, we will deposit the contribution into our general operating account.

If you are in an area that we or an Area Developer offers certain Supplemental Services, then the Company or the Area Developer is the only approved vendor for these services. These services include assistance with site review, working with the store designer or architect, soliciting and comparing construction bids, assistance with ordering signs, and coordination with your general contractor. The charge for Supplemental Services is less than 2% of your initial startup costs. During the calendar year of 2023~~2~~, our total revenue for supplemental services provided to franchisees was \$~~99484~~,000 and \$~~230,500~~ of this amount was paid to Area Developers for the services they provided. The remaining amount of \$~~450,574,000~~ from these fees was less than 1% of our total revenue for the year 2023~~2~~.

Your premises lease is subject to the Company's approval. In order to obtain our approval, the lease must include the following provisions:

- 1) The premises are used for the business licensed under the Franchise Agreement.
- 2) The Company will have the right to enter the premises to make any modifications necessary to protect our Proprietary Marks.
- 3) Upon the written request of the Company, the landlord will supply us with a written copy of the lease, your account information, sales reports, and any other related information.
- 4) The Company will have the option, but not the obligation, to assume the lease and occupy the business premises, with the right to sublease to another franchisee, upon the default, termination or expiration of the Franchise Agreement or the lease. The landlord will give the Company 30 days upon termination of your rights under the lease to exercise its option.
- 5) The lease may not be amended, assigned or sublet without the Company's prior written approval.

Insurance requirements under the Franchise Agreement are summarized as follows:

Comprehensive General Liability	\$ 2,000,000
Worker's Compensation	Per state requirements
Commercial General Liability	\$ 2,000,000
Professional Liability	\$ 1,000,000
Business Interruption Insurance	\$ 200,000
Employment Practices Liability	\$ 500,000
Life Insurance (recommended)	\$ 1,000,000
Cyber Liability (recommended)	\$ 500,000

You may purchase the required insurance from any source. Insurance costs may not be uniform since premiums differ depending upon location, amounts of insurance acquired, the

insurance company's assessment of risk, the location of the insured business and business premises, insurance requirements of the landlord as set forth in the business premises lease, and applicable law.

Other than as disclosed in this Item, neither the Company, nor any officer of the Company, nor any affiliate of the Company, is an approved supplier, the only approved supplier, or owns any interest in an approved supplier, for any products or services offered by you in a Sport Clips store, nor does the Company or any affiliate of the Company derive revenue or any other material consideration as a result of required purchases or leases.

As of the date of this Disclosure Document, there are no purchasing and distribution cooperatives in the Sport Clips System, except as disclosed in this Item. We provide no material benefits (such as renewal or granting additional franchises) based on your use of designated or approved sources.

Note 1

In some cases, we will guarantee your lease with a third party if you have acceptable credit and that is the only way to obtain an exceptional location. (Agreement to Guaranty Lease, Section 3). If we agree to guarantee your lease, you, your corporation and all the shareholders of your corporation, or all the members of your limited liability company must execute our Agreement to Guaranty Lease, a copy of which is included in Exhibit E to this Disclosure Document (See Item 22). We will charge you a fee for this guarantee, equal to two months' rent (including your "Triple Net Charges" that you pay to the landlord, which include Common Area Maintenance, taxes and insurance allocations) if you are a new franchisee, and one month's rent (including Triple Net Charges) if you already have at least one open Sport Clips store. For leases with terms of 10 years, these charges will be adjusted to an amount equal to four months' rent (including Triple Net Charges) if you are a new franchisee and two months' rent (including Triple Net Charges) if you already have at least one open Sport Clips store. We will require your personal guaranty, and the personal guaranty of all shareholders and members if you are a corporation or a limited liability company, and we will also require a security interest in your equipment and fixtures. (Agreement to

Guaranty Lease, Section 2). Generally, leases can be prepaid without penalty at any time during the term. We require that you pledge your fixtures, equipment and inventory as collateral for our guaranty (Agreement to Guaranty Lease, Section 9). If you do not make a rent payment on time and the landlord seeks payment from us, we have the right to collect the unpaid rent plus an additional two months' rent as liquidated damages. (Agreement to Guaranty Lease, Section 7). We can also obtain court costs and attorney's fees if a collection action is necessary. (Agreement to Guaranty Lease, Section 14).

Note 2

In some cases, we may guarantee your loan with a third-party lender for your second or other additional stores if you have acceptable credit and you have identified a location that we believe is an exceptional location. This program is not available for a first Sport Clips location owned by you. In order to qualify for this program, you must be in full compliance with your existing Franchise Agreements. If we agree to guarantee your loan, you and your corporation and the shareholders of your corporation or members of your limited liability company must execute our Guaranty, a copy of which is included in Exhibit F to this Disclosure Document (see Item 22). We require that you pledge your fixtures, equipment and inventory as collateral for the guaranty (Guaranty, Section 9). We charge a fee for this guarantee that is 5% of the loan amount, and you must pay this amount before closing the loan. If you do not make a note payment on time and the lender seeks payment from us, we have the right to collect the unpaid note payment plus an additional two months' payment under the note as liquidated damages (Guaranty, Section 7). We can also obtain court costs and attorney fees if a collection action is necessary (Guaranty, Section 14).

Except as disclosed in these Notes, the Company does not offer financing that requires you to waive notice, confess judgment or waive a defense against the Company, although you may lose your defenses against the Company and others in a collection action on a note that is sold or discounted. SCI does not have the practice or intent to sell, assign or discount to a third party any part of the financing arrangement. The Company does not receive direct or indirect payments for placing financing. The Company does not arrange financing from other sources.

Except as disclosed in Notes 1 and 2, the Company does not offer financing or guarantee your obligations to third parties.

ITEM 11

FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, the Company is not required to provide you with any assistance.

Before you open your business, the Company or the Area Developer will:

1) Review and approve your location within 30 days of your request, including a completed Site Package that conforms to our requirements for information to be included for us to make an informed decision regarding your proposed site, but this review and approval is not a warranty or guarantee of the likelihood of success of your Sport Clips business (Article IV.A.1). We do not own premises that are leased to franchisees.

The Company generally approves sites in shopping centers that have adequate parking, are in a market that serves at least 25,000 people, and are highly visible. Our approval of your site is not a guarantee of success, and we only verify that the site meets our minimum requirements. We do not verify the strength of co-tenants or the likelihood that the co-tenants may vacate the center in the future. We do not research highway department plans for roads in the area, and highway construction may affect the accessibility of your location. We do not research city, county, state or federal plans for future development in your area.

The Company may review a site before you sign the Franchise Agreement. However, you usually sign your Franchise Agreement before you have selected a site and before we have approved your site. We will approve or disapprove your site within 30 days of receiving written notice from you of a selected site, including a completed Site Package that conforms to our then-current requirements for information to be included for us to make an informed decision regarding your proposed site. You have one year from the date you sign a Franchise Agreement to obtain our approval for a location and to open a store. If you do not obtain our approval of a location and open a store within this one-year period, your Franchise Agreement and development rights will be terminated, and you will lose your initial franchise fee unless you pay the Extension Fee. See Item 6 for more information about the Extension Fee.

If you have signed a Franchise Agreement, and we become aware of a potential site in your area, we may refer you to the site for your appraisal. However, by referring the site to you for your appraisal, we are not recommending or endorsing the site. We maintain a written Real Estate Priority Policy that outlines how we notify franchisees in the same geographical area of available sites that come to our attention. Upon your request, you may review this Policy before you sign the Franchise Agreement.

2) Within 30 days of signing the Franchise Agreement, provide written specifications for store construction or remodeling and for all required and replacement equipment, inventory and supplies (Franchise Agreement, Article IV.A.3). See Item 8 of this Disclosure Document. We do not provide, install or deliver these items directly, but provide you with the names of approved suppliers.

3) Within 12 months of signing your Franchise Agreement, train and instruct you and one other person (Franchise Agreement, Article IV.A.4).

4) Within 12 months of signing your Franchise Agreement, and before you open your store, train your store manager (Franchise Agreement, Article IV.A.4). We may provide this training in your local market area if there is a training facility in the area. If there is no training facility, your manager will travel to another market area to receive this training. We do not charge a fee for this training, but you will need to pay the travel and living expenses for your store manager during the

training, which is usually 1 or 2 weeks in duration, depending on the skill level and experience of your manager.

5) Within 12 months of signing your Franchise Agreement, and during the week before your first store opens and for three to five days after your store opens, provide on-site assistance to you at your store location (Franchise Agreement, Article IV.A.5). The time that the Company or an Area Developer spends at your location will vary at our discretion but will typically decrease as you gain experience in opening stores. This on-site assistance may, at your request, include training of your stylists. We may provide some of this training at a central training center in your market area.

Franchisees typically open their first store from 6 to 12 months after signing the Franchise Agreement. The factors which affect this time include identification of an agreement on a site, lease negotiations with the landlord, permitting with the city or county, store construction, delayed installation of equipment, fixtures, and signs, and merchandising.

During the operation of your franchised business, the Company or the Area Developer will:

- 1) Provide you with the Company's updated standards and specifications.
- 2) Provide periodic inspections of your business and evaluate the products and services which you sell.
- 3) Provide recommended prices for services and products.

The Company is not obligated under the Franchise Agreement to conduct advertising. However, the Company operates advertising programs and provides marketing, advertising and public relations programs, creative resources and collateral materials and services to you through the Advertising Fund. Materials provided by the Advertising Fund to all franchisees are prepared by the Company's in-house marketing team, or by an outside professional advertising agency. The materials include audio and video assets to support traditional media channels such as radio and television, as well as digital, social and streaming creative needs. In addition, print advertisements and other collateral brand materials are developed by the SCI marketing team. You will receive these materials at no additional charge, and by request, or you may create materials using approved templates available on the Company's web-based marketing repository. The Advertising Fund also uses at least 80% of the weekly Ad Fund Contribution for consumer marketing, some of which may be spent in the markets where the funds were contributed although there is no requirement to spend any certain percentage of these funds in the areas where the stores that contributed are located. If you wish additional advertising over and above what is placed by the Company for you through the Advertising Fund, you must place these advertisements at your own cost.

You may develop advertising materials for your own use, by submitting an ad request form or, using pre-approved Sport Clips templates. You may also develop ads without using a pre-approved template at your own cost. However, the Company must approve, in advance and in writing, the use of any advertising materials that are not created by the Company or created without a pre-approved template. If you do not receive written disapproval from the Company within 30 days from the date we receive the materials, you may use the advertising materials. You may not advertise over the Internet except as approved by the Company.

In the past, the Company has negotiated fees paid to celebrities to represent Sport Clips. We are not paying any fees to celebrity spokespersons at this time. We will continue to consider the use of celebrities when we develop new advertising campaigns. Major League Baseball (MLB), National Basketball Association (NBA), National Hockey League (NHL), National Football League (NFL), NASCAR, National Collegiate Athletic Association (NCAA) and other sponsorship agreements may be paid out of the Advertising Fund to build the brand at a national as well as the regional and local level.

The Company is reimbursed by the Advertising Fund to cover the cost of administering the Fund. The Advertising Fund is used to promote the products and services sold by franchisees and is not used to sell additional franchises.

The Advertising Fund collects advertising contributions from all franchisees and from all Company-owned stores that contribute to the Advertising Fund on the same basis as franchisees. Company-owned stores contribute an amount to the Advertising Fund at the level that is charged to all new franchisees.

All payments to the Advertising Fund must be used for administration expenses, market research, cost of producing and distributing advertising materials, cost of promotional prizes and fulfillment, development and hosting of digital and social consumer marketing platforms, celebrity spokesperson fees, NASCAR or other sports sponsorships and associated activation costs, cause related sponsorships, public relations support, stylist recruitment advertising, and charges for placing consumer advertising in a variety of media selected by the Company. You must contribute the amounts described in Item 6, under Note 2.

The Advertising Fund is administered by the Company's Chief Marketing Officer (See Item 2). We administer the Fund to ensure uniformity of the marketing message, and to ensure the most cost-effective media mix. Sums that you contribute to the Advertising Fund are maintained in a separate account, and we allocate the funds as we deem appropriate in our sole discretion. We may make a reasonable allocation for overhead expenses we incur in administering and managing the Fund, including all or part of some employee salaries and their fringe benefits. During the last fiscal year (ending on December 31, 2023~~2~~), the Advertising Fund spent ~~92.09~~91.5% of its disbursements on consumer advertising, including but not limited to, media purchases, sports sponsorships, web platforms (including digital and social sites), creative development, app development, cause and veteran related programs, public relations, promotional items, and collateral materials. In 2023, 1.7; -1.5% of its disbursements ~~were~~ an advertising contribution to the Stylist Recruitment Fund and Technology Fund; and 6.5% ~~of its disbursements~~ on administrative expenses. The Company uses outside advertising agencies for a portion of the Fund's creative development and ad production. 2.7% of disbursements went to agency fees. The Company also uses digital agencies to place ads on a variety of media channels. Advertising fees not spent in the year they are collected remain part of the Advertising Fund and are carried forward to the next year. No part of the Advertising Fund is used exclusively to solicit franchisees, but we reserve the right to include a notation in any advertisement indicating that franchise opportunities are available. If the Company includes such notation, the Company will reimburse the Advertising Fund for its proportionate share of its use of the materials.

An annual unaudited accounting of the Advertising Fund expenditures is available to all Franchisees upon written request, usually in the first quarter of each year. The Company provides additional accountings and quarterly and/or annual plans to Franchisees as it deems necessary in its sole discretion, or upon a franchisee's written request.

The Company does not represent or warrant that contributions to the Advertising Fund will be spent in any local market in proportion to contributions made by franchisees in that market. The Company's right and discretion to place advertising and spend funds is not required to be proportionate to the Advertising Fund income received from any local market or from any particular franchisee. The Company is not required to spend any amount on advertising in your area or territory.

The Company may initiate marketing programs intended to enhance sales. These may include, by way of illustration and not of limitation, coupons, gift certificates, combination or interchange programs with other companies, print advertising, direct mail, and email, text, digital and social messaging. You are obligated to participate fully in all such programs according to their terms as prescribed by the Company, and you are required to honor discounts and redeem

coupons, up to a redeemed value of \$5,000 each year, that are part of any local, regional, or national marketing programs or promotions sponsored or approved by the Company or the Advertising Fund.

Currently, the Company consults with the Team Leader Advisory Council (“TLAC”) and the Area Developer Advisory Council (“ADAC”) to provide advice and counsel to the Company in preparation and execution of marketing programs. However, we have the final authority to direct expenditures from, and administer, the Advertising Fund. The TLAC consists of 5 franchisees elected by their peers, one franchisee appointed by the elected members, and one franchisee appointed by us. The ADAC consists of 3 Area Developers elected by their peers. Other than the TLAC and the ADAC, there is no committee or council of franchisees that has the primary purpose of advising the Company on, or participating in, the administration of the Advertising Fund.

Under the Franchise Agreement the Company does not have the power to require advertising cooperatives to be formed, charged, dissolved, or merged. However, under the Franchise Agreement, when franchisees owning 75% or more of the stores in your area market vote to establish a local advertising cooperative, you are required to participate in the local advertising cooperative membership. The rules of the local cooperative are established by the adoption of by-laws drafted by the participating stores and are subject to our approval. An annual financial statement available for review by the participating franchisees is a condition of our approval. This financial statement does not need to be audited unless the cooperative votes to require an audit. The cooperatives can include collective advertising for employee recruitment if there is no Stylist Recruitment Cooperative active in the area. Contributions to the cooperatives are determined by a majority vote of the franchisees within the respective areas, with each open store receiving one vote, but cannot be more than \$300.00 per week. If we own a store in the market area, our store will not vote to establish the local advertising cooperative, but our store will belong to the cooperative if it is formed. The Company-owned store will also pay the same contribution to the cooperative as franchised stores and will have the same voting rights within the cooperative as franchised stores. Currently, there are no advertising cooperatives that assess its members. You are not required to participate in any other advertising funds or programs that are not described in this Item.

Under the Franchise Agreement the Company does not have the power to require Stylist Recruitment Cooperatives to be formed, charged, dissolved, or merged. However, under the Franchise Agreement, when franchisees owning 75% or more of the stores in your market vote to establish a local Stylist Recruitment Cooperative, you are required to participate in the local Stylist Recruitment Cooperative membership. The rules of the local cooperative are established by the adoption of by-laws drafted by the participating stores and are subject to our approval. An annual financial statement available for review by the participating franchisees is a condition of our approval. This financial statement does not need to be audited unless the Cooperative votes to require an audit. Contributions to the Cooperatives are determined by a majority vote of the franchisees within the respective areas, with each open store receiving one vote. The local Stylist Recruitment Cooperative can assess each member store fee of up to \$100.00 per week or 1% of Net Sales, whichever is greater. If we own a store in the market area, our store will not vote to establish the local Cooperative, but our store will belong to the Cooperative if it is formed. The Company-owned store will also pay the same contribution to the Cooperative as franchised stores and will have the same voting rights within the Cooperative as franchised stores. Currently, there are not any Stylist Recruitment Cooperatives that assess its members. You are not required to participate in any other stylist recruitment funds or programs that are not described in this Item.

You must buy at least one Windows 10/11 computer system designated for POS (point-of-sale), up to four POS computer systems running Apple iOS (Tablets), up to two Client facing Self Check-In computer systems (Kiosks), a Client facing digital display to display the POS Wallboard, up to 2 EMV enabled integrated payment terminals, up to 2 EMV enabled mobile payment terminals,

store manager's portable notebook or laptop, cash drawer, the necessary software, and required peripherals for each of your Sport Clips stores to allow for electronic communications and point-of-sale (POS) recordings. The computer system keeps track of sales, cash received, and other data.

We have independent access to the sales, information and reports generated on this computer system, and we will poll your computer system at least daily to collect this information. The Franchise Agreement does not limit our ability to collect information through your computer system.

The cost of the computer system(s) and its required peripherals for the typical store design, including the Manager's laptop, is currently approximately \$7,500. You are also required to purchase the current mandated managed firewall IT Security solution and the included IT Security online tools. There is currently a cost of \$60 per month for the managed IT Security solution hardware. Some of these items must be purchased from OpenSpend, Inc., CDW, Best Buy, ~~Netsurion~~ Acumera or other approved vendors.

The cost of the point-of-sale software license that you must purchase from the Company is currently \$1,000 for each store. There also may be a POS license transfer fee which must be paid upon the transfer of your store. This fee is currently \$500 for OpenSpend POS. You must also have an always-on broadband Internet connection with a minimum of ~~60~~ 100 mbps download and 20 mbps upload speed in your store which runs through the mandated firewall IT Security solution for the POS. There is also Guest wi-fi available for Clients, which when turned on with the POS above, will require a minimum internet connection of 100 mbps download and 30 mpbs upload speed. An additional internet camera system may require much higher bandwidth needs depending on the solution. Under the Franchise Agreement, you are required to pay a Technology Fee of 1% of your Net Sales for the previous week. However, it is our current policy to charge you no more than \$70.00 per week as the Technology Fee. We can change this policy at any time, and we review the maximum amount payable in December of each year. Additional fees for PCI DSS compliance and computer security, up to but not exceeding \$100 per month, may also be mandated to ensure compliance with current credit card security standards.

You have an obligation under the Franchise Agreement to update or upgrade the store hardware or the software within a maximum of 4 years from purchase and/or when updates become available. We may ask you to upgrade your store hardware within 4 years if the operating system is no longer viable for our software platforms or is an IT Security risk. Additional fees will be mandated, up to \$250 a month per store, for the Company and or POS vendor to support equipment that is older than 4 years old. The Franchise Agreement does not set a limit on your obligation to keep current with computer updates. Currently, the software supplier (not SCI) charges you a monthly fee of \$165.00 to maintain the POS software system, and this fee includes upgrades and updates to the POS software system and telephone technical support. Except for upgrades to the POS software, we cannot predict the cost of future upgrades for other software or hardware, because these costs are set by the manufacturers.

You are required to adhere to the current Payment Card Industry Standards known as PCI-DSS 4.0 and/or any IT Security substitute mandated by the Company. You must pay the costs associated to comply with these standards. Under the Franchise Agreement, you are required to provide the Company, at our request, with evidence of the required computer security compliance and give to us all available copies of an audit, scanning results, or documents relating to your compliance. You are required to notify the Company within 4 business hours if you suspect or have been notified by any third party or government agency of a possible security breach related to the POS used in any store.

We host a web enabled application available via your browser which allows you to view data and reports from your Store and modify settings in your Store remotely via an Internet connection.

Upon registration in the initial training program, we will lend to you one copy of Sport Clips Operating Manuals that contain mandatory and suggested standards and procedures. The Manuals and the periodic updates are distributed through our intranet system. The Manuals are confidential and remain the Company's property. The Company may modify this Manual at any time, but the modifications will not alter your status and rights under the Franchise Agreement. The Operating Manual and the Franchise Agreement require you to keep your Sport Clips stores open all 7 days of the week, including Sundays, unless prohibited by law or your premises lease. The table of contents of the Manual is as follows:

See Item 2 for Ms. Trevino's experience. The minimum level of experience of the instructors in the field that is relevant to the subject taught and our operations is 32 years, and the average number of years of experience in the respective fields of the instructors is 2019.

The Company does not charge for the initial training program, but you must pay the travel and living expenses for you and one other person. Training materials consist of electronic copies of the Training presentations and various handouts.

The Company will bear the cost of instruction and training materials for your Manager, Coordinators and Stylists for most training, but you are required to pay for a mannequin tripod for training purposes as part of your initial investment. You will also need to pay for the cost of mannequin heads used by your Stylists in virtual haircutting classes sponsored by SCI. Currently, the cost of mannequin heads average \$37.

The Company holds an annual national meeting and area meetings to discuss sales techniques, merchandising, and advertising programs. Currently, we charge a registration fee between \$720 and \$845 per person for these meetings. You and your Manager are required to attend the national meeting. This fee may increase in the future but in no case will it exceed \$1,000 per person per year during the term of your Franchise Agreement. Your Assistant Manager and Stylists may also attend the national meeting if you pay the required registration fee which, for these employees, is currently a minimum of \$545 per person. You must pay all your travel and living expenses when you attend the annual or area meetings. These meetings are held at locations chosen by the Company. If you are not in default of the Franchise Agreement, and you and your Store Manager attend the entire annual national meeting and required seminars, we will pay you \$1,300 within 30 days after the annual national meeting. If your store is open for less than 12 months, or if you have been a party to this Franchise Agreement for less than 12 months, at the time your first attendance of the national meeting since the date of signing this Franchise Agreement, we will pay you \$100 for each full calendar month your store has been open and operating under that store's current Franchise Agreement at the time of the annual national meeting. You must be in compliance with and cure any existing defaults under the Franchise Agreement as well as complete all attendance requirements within 7 months of the conclusion of the annual national meeting or you will irrevocably forfeit the \$1,300.00 payment.

ITEM 12 TERRITORY

Each Sport Clips Franchise Agreement is for one specific location approved by the Company, and you must receive the Company's permission before relocating.

You will receive an exclusive territory during the initial 5-year term of your Franchise Agreement. The territory is the lesser of a 1-mile radius around your location or a radius around your location that encompasses a population of 25,000 people. During the initial term, we may not sell any franchises nor open any Company-owned Sport Clips stores in the territory. After the initial 5-year term, you do not have an exclusive territory, but we will give you the first right of refusal to open a location within the territory as long as you are not in default of the Franchise Agreement. To exercise your first right of refusal, you must sign a Franchise Agreement for the additional location within 30 days of receiving written notice from the Company. If you do not sign a Franchise Agreement, we are free to sell a franchise or open a Company-owned store within the territory. After the initial term, you will not have an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

If you sign a MUDA, we will define for you a non-exclusive territory (the "MUDA Territory") for you to open your store(s). We may sell franchises and open Company-owned stores within the MUDA Territory until you open a store and obtain a territory under a Franchise Agreement for that location as defined in this Agreement. After you sign a lease for a location, your territory will be the lesser of a 1-mile radius around your location or a radius around your location that encompasses a population of 25,000 people, as defined in the Franchise Agreement.

Except as described in this Item, your exclusive territory does not depend on achieving any sales volume, market penetration or other contingency, and there are no other circumstances that will allow the exclusive territory to be altered.

We will approve the relocation of your store if you obtain a new lease and site that we approve, and your proposed site meets our standard location criteria.

There are no restrictions on franchisees from soliciting or accepting orders outside of their defined territories, except that you may not sell hair care products by mail order or over the Internet except in accordance with the Company's Confidential Manual. Currently, under the Confidential Manual, the sale of hair care products by mail order or over the Internet is not permitted. You may solicit business outside your territory without paying any compensation.

There are no restrictions on the Company from soliciting or accepting orders within your defined territory through either mail order or the Internet. We currently do not solicit or accept orders except through our Company-owned stores. However, we may solicit or accept orders through the Internet or through mail order in the future, and we do not need to pay you compensation for orders solicited in your territory. You do not receive the right to acquire additional franchises within your territory under the Franchise Agreement except as expressly provided for in the Agreement.

Neither the Company nor its Affiliates are restricted by the Franchise Agreement from establishing other franchises or Company-owned outlets or other channels of distribution selling or leasing similar products or services under a different trademark, including through the Internet. We, or our Affiliates, may acquire companies with stores that offer hair cutting services and sell hair care supplies under a different trademark, including stores in your area. In this case, we or our affiliates may operate and franchise these stores.

ITEM 13

TRADEMARKS

The principal Sport Clips commercial symbol that we will license to you appears on the cover of this Disclosure Document.

The Company grants you the right to operate a store under the name "Sport Clips." By trademark, the Company means trade names, trademarks, service marks and logos used to identify your store. The Company and/or its Affiliates registered the below trademarks on the United States Patent and Trademark Office principal register, and when required all affidavits have been filed:

Sport Clips Haircuts (Design) (S/M) Registration No.: 4360713 Date: July 2, 2013

Sport Clips Haircuts (Words) (S/M) Registration No.: 3099213 Date: May 30, 2006

These trademarks are licensed exclusively to the Company by SCIP and SCLTD (see Item 1) through a Licensing Agreement between the Company, SCIP and SCLTD that is dated October 1, 1995. Under the Licensing Agreement, the Company has the exclusive and worldwide right to grant a license to use the trademarks. The Licensing Agreement's duration is perpetual and can only be terminated if the Company ceases to do business, becomes insolvent, or fails to enforce quality control standards throughout the System. The Licensing Agreement may be modified only with the consent of all parties to the Licensing Agreement.

There are currently no effective material determinations of the Patent and Trademark Office, Trademark Trial and Appeal Board, the Trademark Administrator of any state or any court, involving the Sport Clips trademarks, nor is there any pending infringement, opposition or cancellation proceedings, or material litigation involving the trademarks. No agreements limit the Company's right to use or license the use of the Company's trademarks.

You must notify the Company immediately when you learn about an infringement of or challenge to your use of our trademark. The Company will take the action we think appropriate. Under the Franchise Agreement, the Company is required to defend you against a claim against your use of our trademark, if you have used the trademark in an authorized manner. We have the right to control any administrative proceedings or litigation involving our trademarks. The Franchise Agreement does not require the Company to participate in your defense or indemnify you for expenses or damages if you are a party to an administrative or judicial proceeding involving our trademarks, or if the proceeding is resolved unfavorably to you. The Franchise Agreement provides you with no rights if you must discontinue the use of the trademark as a result of a proceeding or settlement.

You must follow our rules when you use this trademark. You cannot use a name or mark as part of a corporate name or with modifying words, designs, or symbols except for those which the Company licenses to you. You may not use the Company's registered name in connection with the sale of an unauthorized product or service or in a manner not authorized in writing by the Company. You may not use the Company's registered name or marks in connection with any Internet web site or Email address unless specifically authorized in writing by the Company.

The Company does not know of any superior rights or infringing uses which could materially affect your use of the trademarks.

ITEM 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

You do not receive the right to use an item covered by a patent or copyright, but you can use the proprietary information in the Company's Operating Manual.

Although the Company has not filed an application for a copyright registration for the Confidential Operating Manual, we claim a common law copyright and the information is proprietary. Proprietary information contained in the Operating Manual includes sales techniques, employee recruitment methods, and advertising strategies. The Company is not obligated to defend you against a claim against your use of the Operating Manual, but it is our policy to do so.

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

The Company does not require that you personally supervise the franchised business, but we recommend that you do and you are ultimately responsible for your franchised business. The business must be directly supervised "on-premises" by a manager who has successfully completed the Company's training program and approved by the Company to manage your location. The manager need not have an ownership interest in a corporate or partnership franchise, but the Company does require that the manager sign a confidentiality agreement to protect our trade secrets.

Each individual who owns a 5% and greater interest in the franchisee entity, and his or her spouse, must sign an agreement assuming and agreeing to personally discharge all obligations of the "Franchisee" under the Franchise Agreement. This agreement is included as Attachment D to the Franchise Agreement, which is Exhibit D to this Disclosure Document.

ITEM 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You may offer and sell only those goods and services that the Company has approved (See Item 8).

You must offer products and services that the Company designates as required for all franchisees. The required products and services are haircuts, hair care services, hair care products, and specified hair care accessories. All products sold in your store must be approved by the Company (See Item 8).

The Company has the right to change the brands and type of hair care products and accessories you sell in your store. However, the Company cannot change the nature of your store in that your store will always offer haircuts, hair care services, and hair care products. The Company does not restrict you from soliciting any customers, no matter whom they are or where they are located. However, you may not sell goods or services over the Internet or by mail except in accordance with the Company's Operating Manual. These sales are not currently authorized.

**ADDENDUM TO SPORT CLIPS, INC.
FRANCHISE DISCLOSURE DOCUMENT
STATE REGULATIONS**

FOR RESIDENTS OF THE STATE OF CALIFORNIA

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT. Item 2 is amended to state the following: Neither the franchisor nor any person in Item 2 of the UFDD is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in such association or exchange. The California Franchise Relations Act, Business and Professions Code Sections 20000 to 20043, provides the Franchisee with certain rights on termination or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control. The Franchise Agreement provides for termination upon bankruptcy. Federal bankruptcy law may prohibit termination of a franchise on filing of a petition in bankruptcy by a Franchisee (11 U.S.C.A. '101 et seq.). If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control. The Franchise Agreement contains a covenant not to compete that extends beyond the termination of the franchise. This provision may not be enforceable under California law. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California. The Franchise Agreement requires application of the law of the State of Texas. This provision may not be enforceable under California law. Section 31125 of the California Corporations Code requires us to give you a Disclosure Document, in a form containing the information that the commissioner may by rule or order require, before a solicitation of a proposed material modification of an existing franchise. You must sign a general release if you renew or transfer your franchise. California Corporations Code Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Sections 31000 through 31516). Business and Professions Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 through 20043).

OUR WEBSITE HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF BUSINESS OVERSIGHT. ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF BUSINESS OVERSIGHT AT www.corp.ca.gov.

FOR RESIDENTS OF THE STATE OF ILLINOIS

Illinois law governs the franchise agreement(s).

In conformance with Section 4 of the Illinois Franchise Disclosure Act, any provision in a franchise agreement that designates jurisdiction and venue in a forum outside of the State of Illinois is void. However, a franchise agreement may provide for arbitration to take place outside of Illinois.

Franchisees' rights upon termination and non-renewal are set forth in sections 19 and 20 of the Illinois Franchise Disclosure Act.

In conformance with Section 41 of the Illinois Franchise Disclosure Act, any condition, stipulation or provision purporting to bind any person acquiring any franchise to waiver compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void.

FOR RESIDENTS OF THE STATE OF MARYLAND

Item 17 is amended to provide that, pursuant to COMAR 01.01.08.16L, the general release required as a condition of renewal and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law, and to provide that the Franchisee may sue in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law. Item 17 is amended to state that any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise. The provision in the Franchise Agreement which provides for termination upon bankruptcy of the franchise may not be enforceable under federal bankruptcy law (11 U.S.C. Section 101 et seq.). This Amendment also applies to non-residents of Maryland who will operate a Sport Clips franchise in the state of Maryland.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other terms of any document executed in connection with the franchise.

FOR RESIDENTS OF THE STATE OF MINNESOTA

Minnesota statute §80C14 and Minnesota Rule 2860.4400J prohibit us from requiring litigation to be conducted outside Minnesota. In addition, nothing in the Disclosure Document or Franchise Agreement can abrogate or reduce any of your rights as provided for in Minnesota Statutes Chapter 80C, or your rights to any procedure, forum, or remedies provided for by the laws of jurisdiction.

Minnesota statute §80C14 provides: It shall be deemed unfair and inequitable for any person to:

(A) Terminate or cancel a franchise without first giving written notice setting forth all the reasons for the termination or cancellation to the Franchisee at least 90 days in advance of termination or cancellation, and the recipient of a notice fails to correct the reasons stated for cancellation or termination within 60 days within receipt of the notice, except that the notice shall be effective immediately upon receipt where the alleged grounds are:

- 1) Voluntary abandonment of the franchise relationship by the Franchisee;
- 2) The conviction of the Franchisee of an offense directly related to the business conducted pursuant to the franchise; or

3) Failure to cure a default under the Franchise Agreement which materially impairs the goodwill associated with the Franchisor's trade name, trademark, service mark, logotype or other commercial symbol after the Franchisee has received written notice to cure of at least 24 hours in advance thereof;

(B) Terminate or cancel a franchise except for good cause. "Good cause" shall be failure by the Franchisee substantially to comply with reasonable requirements imposed upon him by the franchise including, but not limited to:

- 1) The bankruptcy or insolvency of the Franchisee;
- 2) Assignment for the benefit of creditors or similar disposition of the assets of the franchise business;
- 3) Voluntary abandonment of the franchise business;
- 4) Conviction or a plea of guilty or no contest to a charge of violating any law relating to the franchise business; or
- 5) Any act by, or conduct of, the Franchisee which materially impairs the goodwill associated with the Franchisor's trademark, trade name, service mark, logotype or other commercial symbol; or

(C) Unless the failure to renew the franchise is for good cause as defined in clause (b), Franchisor may not fail to renew a franchise unless (i) the Franchisee has been given written notice of the intention not to renew at least 180 days in advance thereof and (ii) has been given an opportunity to operate the franchise over a sufficient period of time to enable the franchisee to recover the fair market value of the franchise as a going concern measured from the date of the failure to renew. No franchisor may refuse to renew a franchise if the refusal is for the purpose of converting the franchisee's business premises to an operation that will be owned by the franchisor for its own account.

A franchisor may not unreasonably withhold consent to an assignment, transfer, or sale of the franchise where the assignee meets the present qualifications and standards required of other franchisees.

Item 13 is modified as follows: The Minnesota Department of commerce requires that a Franchisor indemnify Minnesota franchisees against liability to third parties resulting from claims by third parties that the Franchisee's use of the trademark infringes trademark rights of the third party. The Company does not indemnify against the consequences of the Franchisee's use of the Company's trademark except in accordance with the requirements of the Franchise Agreement, and, as a condition to indemnification, the Franchisee must provide notice to the Company of any such claim within 10 days and tender the defense of the claim to the Company. If the Company accepts the tender of defense, the Company has the right to manage the defense of the claim including the right to compromise, settle or otherwise resolve the claim, and to determine whether to appeal a final determination of the claim.

Item 17 is amended to provide that you shall not be required to assent to a general release.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including, fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed with the franchise.

1. The following information is added to the cover page of the Franchise Disclosure Document:

INFORMATION COMPARING FRANCHISORS IS AVAILABLE. CALL THE STATE ADMINISTRATORS LISTED IN EXHIBIT A OR YOUR PUBLIC LIBRARY FOR SOURCES OF INFORMATION. REGISTRATION OF THIS FRANCHISE BY NEW YORK STATE DOES NOT MEAN THAT NEW YORK STATE RECOMMENDS IT OR HAS VERIFIED THE INFORMATION IN THIS FRANCHISE DISCLOSURE DOCUMENT. THE FRANCHISOR MAY, IF IT CHOOSES, NEGOTIATE WITH YOU ABOUT ITEMS COVERED IN THE FRANCHISE DISCLOSURE DOCUMENT. HOWEVER, THE FRANCHISOR CANNOT USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS WHICH ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.

2. The following is added at the end of Item 3:

Except as provided above, with regard to the franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor's principal trademark:

A. No such party has an administrative, criminal or civil action pending against that person alleging: a felony, a violation of a franchise, antitrust, or securities law, fraud, embezzlement, fraudulent conversion, misappropriation of property, unfair or deceptive practices, or comparable civil or misdemeanor allegations.

B. No such party has pending actions, other than routine litigation incidental to the business, which are significant in the context of the number of franchisees and the size, nature or financial condition of the franchise system or its business operations.

C. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the 10 year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud, or securities law; fraud; embezzlement; fraudulent conversion or misappropriation of property; or unfair or deceptive practices or comparable allegations.

D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

3. The following is added to the end of Item 4:

Neither the franchisor, its affiliate, its predecessor, officers, or general partner during the 10-year period immediately before the date of the offering circular: (a) filed as debtor (or had filed against it) a petition to start an action under the U.S. Bankruptcy Code; (b) obtained a discharge of its debts under the bankruptcy code; or (c) was a principal officer of a company or a general partner in a partnership that either filed as a debtor (or had filed against it) a petition to start an action under the U.S. Bankruptcy Code or that obtained a discharge of its debts under the U.S. Bankruptcy Code during or within 1 year after that officer or general partner of the franchisor held this position in the company or partnership.

4. The following is added to the end of Item 5:

The initial franchise fee constitutes part of our general operating funds and will be used as such in our discretion.

5. The following is added to the end of the “Summary” sections of Item 17(c), titled **“Requirements for franchisee to renew or extend,”** and Item 17(m), entitled **“Conditions for franchisor approval of transfer”**:

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687.4 and 687.5 be satisfied.

6. The following language replaces the “Summary” section of Item 17(d), titled **“Termination by franchisee”**:

You may terminate the agreement on any grounds available by law.

7. The following is added to the end of the “Summary” section of Item 17(j), titled **“Assignment of contract by franchisor”**:

However, no assignment will be made except to an assignee who in good faith and judgment of the franchisor, is willing and financially able to assume the franchisor’s obligations under the Franchise Agreement.

8. The following is added to the end of the “Summary” sections of Item 17(v), titled **“Choice of forum”**, and Item 17(w), titled **“Choice of law”**:

The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or upon the franchisee by Article 33 of the General Business Law of the State of New York.

FOR RESIDENTS OF THE STATE OF NORTH DAKOTA

A contractual requirement that a prospective franchisee sign a general release, waive trial by jury, or be required to litigate outside the State of North Dakota is unenforceable under North Dakota Law. These provisions are deleted in the Disclosure Document and the Franchise Agreement in the State of North Dakota. Post-termination covenants are generally considered unenforceable in the State of North Dakota. In the Franchise Agreement, the choice of law and choice of forum provisions are deleted in the state of North Dakota.

FOR RESIDENTS OF THE STATE OF RHODE ISLAND

Item 17 is amended to state that section 19-28-1-14 of the Rhode Island Franchise Investment Act provides that "A provision in a Franchise Agreement restricting jurisdiction or

venue to a forum outside this state or requiring the application of the laws of another state is void with respect to a claim otherwise enforceable under this Act."

FOR RESIDENTS OF THE STATE OF VIRGINIA

Item 4 is amended to state that neither the franchisor, any parent, any predecessor, any affiliate, any general partner of the franchisor, any officer of the franchisor, nor any individual who will have management responsibility relating to the sale or operation of the franchise being offered has filed as a debtor (or had filed against it) a petition under a foreign bankruptcy or has obtained a discharge of its debts under a foreign bankruptcy code.

In recognition of the restrictions contained in Section 13.1-564 of the Virginia Retail Franchising Act, the Franchise Disclosure Document for Sport Clips, Inc. for use in the Commonwealth of Virginia shall be amended as follows:

The following statements are added to Item 17.h: "Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any grounds for default or termination stated in the franchise agreement does not constitute "reasonable cause," as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable."

FOR RESIDENTS OF THE STATE OF WASHINGTON

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party

seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

FINANCIAL STATEMENTS

SPORT CLIPS, INC. AND SUBSIDIARIES

**CONSOLIDATED FINANCIAL STATEMENTS
AND INDEPENDENT AUDITOR'S REPORT**

**YEARS ENDED
DECEMBER 31, 2023, 2022, AND 2021**

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Stockholders
of Sport Clips, Inc.

Report on the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Sport Clips, Inc. and Subsidiaries (the Company), which comprise the consolidated balance sheets as of December 31, 2023, 2022, and 2021, and the related consolidated statements of income, changes in stockholders' equity, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Sport Clips, Inc. and Subsidiaries as of December 31, 2023, 2022, and 2021, and the results of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the consolidated financial statements are issued.

Auditor's Responsibilities for the Audits of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

All significant intercompany balances and transactions have been eliminated in consolidation. There were no 2023, 2022 or 2021 activities in the wholly owned SCOS Investments, LLC, Sport Clips Realty, Inc., and one less-than-wholly-owned subsidiary, SCRNY, LLC (formerly known as FV Haircuts, LLC) (See Note 21).

Sport Clips, Inc. was incorporated in the state of Texas on July 13, 1995. The Company is the franchisor of the Sport Clips System (Sport Clips), a system of hair cutting stores that are tailored to meet the needs of the male client. The Company has licensed the intellectual property from Sport Clips I Prop., Ltd. The Company licenses its system and provides support to franchisees as well as operating all Company-owned stores. During the year ended December 31, 2015, the Company opened its first salons focused on the beauty needs of the female client under the trade name of Vent Blotique. The last three Company-owned Vent Blotique salons were closed due to the COVID-19 pandemic with two of the three Vent Blotique salons subsequently sold during the year ended December 31, 2020. During the year ended December 31, 2019, the Company opened its first Gambuzza’s Barbershop, a modern upscale barbershop offering a blend of Italian barber tradition with the latest grooming trends and techniques. All fiscal years presented were 52-week fiscal years.

Cash and Cash Equivalents:

The Company considers all highly liquid investments with original maturities of three months or less to be cash equivalents.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Estimates:

The preparation of consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Accounts and Notes Receivable:

The Company follows the direct write-off method of expensing accounts and notes receivable when considered uncollectible. Based on the Company's historical bad debt experience and management's judgment, the effects of using this method (as compared to an allowance method) on the consolidated statements of income are immaterial.

Inventories:

Inventories, consisting primarily of hair care products available for retail product sale at company-owned stores, are valued at the lower of cost (first-in, first-out method) or market (net realizable value).

Property and Equipment:

Property and equipment are stated at cost and depreciated using the straight-line method over the estimated useful lives of the related assets. Leasehold improvements are amortized on a straight-line basis over the shorter of the estimated useful life of the related asset or the remaining life of the lease plus reasonable extensions included in the lease agreement. Upon retirement or disposition of property and equipment, the cost and related accumulated depreciation are removed from the accounts, and the gains or losses are reflected in the consolidated statements of income.

Leases:

The Company primarily leases office space, store space, vehicles, and office equipment from third parties (see Note 12 for leases with related party). The Company determines if a contract is a lease at inception. A contract contains a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. The lease term begins on the commencement date, which is the date the Company takes possession of the asset and may include options to extend or terminate the lease when it is reasonably certain that the option will be exercised. Certain of the Company's leases contain renewal options for varying periods which either require mutual agreement by both lessee and lessor or can be exercised solely at the control of the lessee. Leases are classified as operating or finance leases based on factors such as the lease term, lease payments, and the economic life, fair value and estimated residual value of the asset. Where leases include options to purchase the leased asset at the end of the lease term, this is assessed as a part of the Company's lease classification determination. The Company's leases have remaining lease terms ranging from less than 1 year to 10 years.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Leases - Continued:

Under Accounting Standards Codification (ASC) 842, the Company recognizes a right-of-use (“ROU”) asset and lease liability to account for its leases. ROU assets represent the Company’s right to use an underlying asset for the lease term and lease liabilities represent the Company’s obligation to make lease payments arising from the lease. ROU assets and lease liabilities are recognized on the commencement date based on the present value of lease payments over the lease term. ROU assets are based on the lease liability and are increased by prepaid lease payments and decreased by lease incentives received. Lease incentives are amortized through the lease asset as reductions of expense over the lease term. For leases where the Company is reasonably certain to exercise a renewal option, such option periods have been included in the determination of the Company’s ROU assets and lease liabilities.

The Company’s office space and store front leases contain rent escalations over the lease term. The Company recognizes expense for these leases on a straight-line basis over the lease term. Certain leases require the Company to pay taxes, insurance, maintenance, and other operating expenses associated with the leased asset. Such amounts are not included in the measurement of the ROU assets and lease liabilities to the extent they are variable in nature. These variable lease costs are recognized as a variable lease expense when incurred.

The Company elected to use a risk-free rate as the discount rate for all asset classes. The Company’s lease agreements do not contain any material residual value guarantees or material restrictive covenants.

As a practical expedient, lease agreements with lease and non-lease components are accounted for as a single lease component for all asset classes. The Company estimates contingent lease incentives when it is probable that the Company is entitled to the incentive at lease commencement. The Company elected the short-term lease recognition exemption for all leases that qualify. Therefore, leases with an initial term of 12 months or less are not recorded on the consolidated balance sheet; instead, lease payments are recognized as lease expense on a straight-line basis over the lease term. The depreciable life of the ROU assets and leasehold improvements are limited by the expected lease term unless the Company is reasonably certain of a transfer of title or purchase option.

Comprehensive Income:

The Company had no items of comprehensive income for each of the three years presented.

Treasury Stock:

The Company has repurchased shares of its common stock which are being held as treasury stock. The Company accounts for treasury stock under the cost method. Upon the retirement of treasury stock shares, the par value and any related paid-in capital are removed from their respective accounts.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Goodwill and Indefinite-Lived Intangible Assets:

The Company's indefinite-lived intangible assets consists of goodwill related to purchases of area development territories and Sport Clips stores (reporting units) which are not subject to amortization. On an annual basis or more frequently if management believes indicators of impairment exist, the Company reviews the recoverability of goodwill and indefinite-lived intangible assets. Such indicators could include, but are not limited to, significant prolonged financial losses, a more-likely-than-not expectation that a reporting unit will be sold or otherwise disposed of or significant adverse changes in business climate. The Company's qualitative evaluation of goodwill completed during the years ended December 31, 2023, 2022, and 2021, resulted in no need for further impairment consideration.

Amortization:

The cost of non-compete agreements acquired in prior years purchases of area development territories are being amortized over the agreement periods of thirty-six (36) months using the straight-line method (see Note 16). Amortization expense totaled \$317, \$360, and \$228 for the years ended December 31, 2023, 2022, and 2021. Estimated amortization expense for the year ended December 31, 2024, is \$72.

Advertising:

Advertising costs, except for costs associated with direct response advertising, are charged to operations when the advertising first takes place. Advertising costs for the Company for the years ended December 31, 2023, 2022, and 2021, included in expense are \$41,036, \$39,872, and \$35,673, respectively.

Revenue Recognition and Deferred Revenue:

Revenue recognized at point of sale

The Company retails to the public through Company-owned Sport Clips and Gambuzza's Barbershop stores. Services at Company-owned stores are recognized at the time when the services are provided. Product sales at Company-owned stores are recognized when the client receives and pays for the product. Also, the Company purchases software licenses in limited supplies and resells them to its franchisees. Software license sales are recognized when the franchisee receives and pays for the product.

Revenue recognized over time

Franchise revenues include continuing fees (royalties); training fees; advertising, recruiting and technology fund fees (fund revenues); license fees; upfront fees from area development (AD) agreements and other fees. Continuing fees, training fees, and fund revenues represent sales-based royalties that are recognized in the period in which the sales occur. These revenues are billed and collected weekly in arrears. Fund revenues and expenditures, which must be spent in accordance with the franchise agreements, are recorded on a gross basis within the consolidated statements of income. This increases both the gross amount of reported franchise revenues and expenses and generally has no impact on income from operations and net income.

YEARS ENDED DECEMBER 31, 2023, 2022, AND 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Revenue Recognition and Deferred Revenue - Continued:

Non-refundable initial license fees are billed and received upon the signing of the franchise agreement. The Company determined that \$5 of each initial license fee is attributable to the distinct and separate performance obligation of site guidance which includes market analysis, site identification and qualification and assistance with negotiations.

Recognition of this \$5 portion of these initial license fees is deferred until the store opening date. The recognition of the remaining initial license fees is deferred until the store opening date and then recognized on a straight-line method over the term of the franchise agreement, typically five years.

The Company incurs certain direct costs to obtain franchise agreements to include, but not limited to, commissions and broker fees. The Company capitalizes these direct fees which are deferred until the store opening and are then recognized on a straight-line basis over the term of the franchise agreement, typically five years. Under previous guidance, the initial franchise license fees and directly related expenses were recognized upon contract signing.

The Company's AD agreements convey to each AD the right to assist within a defined geographic area with the sales of franchises, training of franchisees and development of the Sport Clips System within that area. Upon adoption of ASC 606, the up-front non-refundable fee from an AD agreement is recognized using the straight-line method from the effective date of the AD agreement over the term specified in the agreement, typically ten years.

Upon termination of a franchise agreement, any related deferred revenue and license acquisition costs are recognized as revenue and expense, respectively.

Self-insurance:

The Company is substantially self-insured for employee health and dental benefits. Losses up to deductible amounts are estimated and accrued based upon known facts, historical trends and industry averages. As of December 31, 2023, 2022, and 2021, the Company fully accrued for the expected costs under self-insured programs. However, it is reasonably possible that recorded accruals may not be adequate to cover the future payments of claims. Adjustments, if any, to estimates recorded resulting from ultimate claim payments will be reflected in results of operations in future years. The Company carries a stop-loss insurance policy on each insured person and an aggregate policy for the insured group, both of which limit the Company's annual expenditures to set amounts.

Rounding:

Unless otherwise stated, all financial amounts have been rounded to the nearest one thousand. Immaterial rounding differences in totals presented in tables and financial statements may exist due to rounding in thousands.

Income Taxes:

Deferred tax assets and liabilities are recorded for the expected future tax consequences of temporary differences between the financial reporting and tax basis of assets and liabilities using enacted tax rates in effect for the year in which the differences are expected to reverse. FASB ASC 740, *Income Taxes*, requires extensive disclosures about uncertain income tax positions. The Company evaluates any uncertain tax positions using the provisions of FASB ASC 450, *Contingencies*. Accordingly, a loss contingency is recognized when it is probable that a liability has been incurred as of the date of the financial statements and the amount of the loss can be reasonably estimated. The amount recognized is subject to estimate and the management's judgment with respect to the likely outcome of each uncertain tax position. The amount that is ultimately sustained for an uncertain tax position or for all uncertain tax positions in the aggregate could differ from the amount recognized. The Company does not believe that it has engaged in any situation that would result in an uncertain tax position. As a result, the management does not believe that any uncertain tax positions currently exist and therefore, no loss contingency has been recognized in the financial statements for the years ended December 31, 2023, 2022, and 2021. The Company's policy is to record any income tax related penalties and interest incurred as operating expense. There were no income tax related penalties or interest for the years ended December 31, 2023, 2022, and 2021.

Fair value measurements:

FASB ASC 820-10 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820-10 are described as follows:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Derivative Instruments:

FASB ASC 815, *Derivatives and Hedging*, requires entities to recognize all of their derivative instruments as either assets or liabilities in the balance sheet at fair value. The accounting for changes in the fair value (i.e., gains or losses) of a derivative instrument depends on whether it has been designated and qualifies as part of a hedging relationship and, further, on the type of hedging relationship. For derivative instruments not designated as hedging instruments, the gain or loss is recognized in the statement of income during the current period.

The Company is engaged with OpenSpend, Inc. (OpenSpend), who provides point of sales solutions to stores which is integral to operations. The Company believes that it is important to have a vested interest in OpenSpend and as part of a January 20, 2023, amendment to the agreement between OpenSpend and the Company, the Company received a warrant (see Note 20). The Company determined that the warrant meets the definition of a derivative instrument, and as such is accounting for the warrant under ASC 815. The Company did not elect the application of hedge accounting for this derivative instrument.

Recently Adopted Accounting Standards:

On January 1, 2023, the Company adopted ASU No. 2017-04, *Intangibles-Goodwill and Other (Topic 350): Simplifying the Test for Goodwill Impairment*, which simplifies how an entity is required to test goodwill for impairment. This pronouncement requires that goodwill impairment be measured using the difference between the carrying amount and the fair value of the reporting unit and the loss recognized should not exceed the total amount of goodwill allocated to that reporting unit. The Company applied the standard on a prospective basis. There was no impact to the Company's results of operations or cash flows upon adoption of ASU No. 2017-04.

Recent Accounting Pronouncements:

In December 2023, the FASB issued Asu No. 2023-09, *Income Taxes (Topic 740): Improvements to Income Tax Disclosures*. Among other things, these amendments require that all entities disclose on an annual basis certain information about income taxes paid to include the amount of income taxes paid (net of refunds received) disaggregated by federal, state, and foreign taxes as well as by individual tax jurisdictions in which net income taxes paid is five percent or more of total net income taxes. The amendments also require that all entities disclose income (or loss) from continuing operations before income tax expense (or benefit) disaggregated as by federal, state, and foreign. The amendments of ASU No. 2023-09 should be applied on a prospective basis, but retrospective application is permitted. The ASU is effective for annual periods beginning after December 15, 2025, with early adoption permitted. The Company does not believe that there will be a material impact to the Company's results of operations or cash flows upon adoption of ASU No. 2023-09.

The major temporary differences that give rise to the deferred tax assets and liabilities are as follows: ASC 606 revenue recognition, goodwill, deferred compensation, prepaid expenses, depreciation, and start-up costs.

Notwithstanding anything in this paragraph, if the Franchisee's Sport Clips store licensed under this Agreement has been open less than twelve (12) full calendar months at the time of the annual national meeting, or the Franchisee has been a party to this Franchise Agreement as a renewal or transfer for less than twelve (12) months, the Franchisor shall pay to the Franchisee one hundred dollars (\$100.00) for each full calendar month the Franchisee's store has been open and operating. 2. Have plans drawn up by a store designer or architect approved by the Franchisor; plans must be approved by the Franchisor prior to soliciting bids for construction. Many jurisdictions require an architect and/or engineer to design the space; when this is the case, the Franchisee is encouraged to use the Sport Clips approved and recommended architectural firm to save time, ensure consistency with Sport Clips standards and specifications, and to ensure compatibility/fit with the store fixtures. If another architectural/engineering firm is used, final plans must be submitted to the Franchisor for final approval prior to soliciting bids for construction.

Franchisee shall promptly notify Franchisor of the date of completion of construction, and the Franchisee shall not open the Franchised Business without the express written authorization of the Franchisor. Alternatively, at the Franchisee's request, Franchisor shall provide this training to the Franchisee's employees at no charge to the Franchisee at the Franchised Business other than the cost of materials and supplies. Employee salaries and travel expenses if any shall be at the Franchisee's expense. Franchisees are responsible for hiring, managing and compensating their employees within the laws of any jurisdiction in which they operate and are encouraged to consult their own legal counsel to ensure their compliance with all applicable laws. Franchisee and Franchisor recognize that Franchisor neither dictates nor controls labor and employment matters for the Franchisee or the Franchisee's employees.

4. At the Franchisee's request, the Franchisor shall at no cost to the Franchisee make available to the Franchisee's employees training that will provide them with the knowledge they need to successfully deliver the Sport Clips Championship Haircut Experience in accordance with the Manuals. Employee salaries, the cost of materials and supplies, and travel expenses, if any, shall be at the Franchisee's expense. SCI shall not charge a training fee for SCI's labor in providing the training.

5. The Franchisee and the Franchisee's Manager shall be required to attend and complete to the Franchisor's satisfaction any additional training programs that the Franchisor may, from time-to-time, require.

6. The Franchisee and the Franchisee's Manager shall be required to attend the national convention sponsored by the Franchisor. The Franchisee shall pay a fee in connection with the national convention that shall not exceed one thousand dollars (\$1,000.00) per person each year.

G. The Franchisee shall use the premises of the Franchised Business solely for the operation of a Sport Clips store in strict accordance with the Operating Manuals and shall not use the premises of the Franchised Business for any other purpose.

H. The Franchisee shall continuously maintain the Franchised Business in the highest degree of sanitation, safety, repair and condition as regulatory agencies, governmental agencies and/or the Franchisor may require, and in connection therewith shall make such additions, alterations, repairs and replacements thereto (but not without the Franchisor's prior written consent) as may be required for that purpose, including without limitation, redecorating, replacement of inventory and replacement of obsolete signs, fixtures or materials as the Franchisor may reasonably direct, or as required under the lease for the Franchised Business.

I. The Franchisee shall operate the Franchised Business in conformity with the uniform methods, standards and specifications, and operating hours, including on Saturdays and Sundays, as the Franchisor may from time to time prescribe in the Operating Manual to ensure uniformity and a high degree of product quality and service. The Franchisee shall conduct its business in a manner, which reflects favorably at all times on the System and the Proprietary Marks. The Franchisee shall immediately correct any deficiencies detected during such inspections, including, without limitation, cease all use of products, equipment, inventory, advertising materials, supplies or other items that are not approved by the Franchisor. In the event the Franchisee fails or refuses to correct such deficiencies, the Franchisor shall have the right to enter upon the premises of the Franchised Business, without being guilty of trespass or any other tort, for the purpose of making or causing to be made such corrections as may be required, at the sole expense of the Franchisee, which the Franchisee agrees to pay upon demand.

O. The color, design and location of displays shall be specified by the Franchisor and may be changed from time to time in the sole discretion of the Franchisor. The Franchisee shall conspicuously display to customers any sign or notice designated by the Franchisor serving to notify and inform third parties that the Franchisor is engaged in the business of franchising and providing sufficient information to enable third parties to contact the Franchisor to inquire about prospective franchises. If franchisees owning 75% or more of the stores in the Franchisee's market area vote to establish a local area Stylist Recruitment Cooperative, the Franchisor shall have the right, but not the obligation, to require that the Franchisee participate in the local area Stylist Recruitment Cooperative. Once such a Cooperative is established, membership by all Sport Clips franchisees in the designated media market coverage area shall be mandatory. A local Stylist Recruitment Cooperative can, by a majority vote of its members, assess the Franchisee a fee not to exceed 1% of Net Sales and can establish a minimum fee not to exceed \$100 per week for each individual Franchised Business owned by the Franchisee. B. The Franchisor has the exclusive right to license the Proprietary Marks and the identification schemes, standards, specifications, operating procedures and other concepts embodied in the System. Any unauthorized use of the System and the Proprietary Marks is and shall be deemed an infringement of the Franchisor's rights and a breach of this Agreement. The Franchisor or its designated agents shall have the right at all reasonable times to audit, examine and copy, at the Franchisor's expense, all books, financial records, receipts, bank statements and tax returns of the Franchisee. The Franchisor shall also be entitled to review the tax returns of any individual who has an ownership interest in the Franchised Business or the Franchisee. If an inspection should reveal that Net Sales have been understated through any report to, or polling by, the Franchisor, the Franchisee shall immediately pay to the Franchisor the amount owed plus interest at a rate of ten percent (10%) per annum of the underpaid amount. If any inspection or audit discloses that Net Sales have been understated during any four (4) week period by two percent (2%) or more through any report to, or polling by, the Franchisor, the Franchisee shall then also pay for the Franchisor's costs in connection with the inspection or audit, including reasonable accountants' and attorneys' fees.

H. If any report required by this Article is not made on a timely basis, the Franchisee shall pay to the Franchisor one hundred dollars (\$100.00) for each week, or portion of a week, that the Franchisee has not submitted the required report, not as a penalty, but as liquidated damages incurred by the Franchisor.

IX. ADVERTISING

A. The Franchisee shall not use any advertising or promotional plans or materials that have not been approved in writing by the Franchisor, and the Franchisee shall cease to use any plans or materials promptly upon notice by the Franchisor. The Franchisee shall submit to the Franchisor for its prior written approval, samples of all promotional and marketing materials in whatever form that the Franchisee desires to use and which have not been previously supplied or approved by the Franchisor. If the Franchisor does not respond to the request to use advertising materials submitted by the Franchisee within thirty (30) days, the Franchisee shall be entitled to use the submitted materials until receiving notice otherwise from the Franchisor.

B. The Franchisor may, in its sole discretion, establish and maintain an Advertising and Promotion Fund (the "Fund"). All Advertising and Promotion Contributions made by the Franchisee shall be deposited by the Franchisor into the Fund. The Franchisor may make a reasonable allocation for its overhead expenses incurred in connection with the administration and management of the Fund, including employee salaries. However, in no event shall

administration and management expenses of the Fund exceed twenty percent (20%) of the collected amount.

C. The Franchisor shall spend at least eighty percent (80%) of the Fund on advertising and promotion of the Proprietary Marks and systemwide stylist recruitment as the Franchisor deems, in its sole discretion, to be useful and appropriate. The Franchisor does not promise or represent to the Franchisee that any particular level or amount of Advertising and Promotion Contributions made by the Franchisee to the Fund will be used for advertising or promotion in the Franchisee's Protected Territory or region. The Franchisor's determination of the allocation and use of the Contributions to the Fund shall not be challenged or contested by the Franchisee.

D. If Contributions made by the System to the Fund are not spent in the fiscal year in which they made, the Contributions shall remain in the Fund for use during the following year. It is understood and agreed that the Franchisor shall allocate advertising funds as it deems, in its sole discretion, to be appropriate.

E. If franchisees owning 75% or more of the stores in your market area vote to establish a local area advertising cooperative, the Franchisor shall have the right, but not the obligation, to require that the franchisees in that designated media market coverage area, including the Franchisee, form a local area advertising cooperative. Once such a cooperative is established, membership by all Sport Clips franchisees in the designated media market coverage area shall be mandatory. A local advertising cooperative can, by a majority vote of the member, assess each Franchisee up to \$300 per week for each individual Franchised Business owned by the Franchisee. The rules of the local cooperative will be established by the adoption of bylaws, which shall be subject to the approval of the Franchisor.

F. The Company may, in its sole discretion, initiate and promote national, regional and local marketing programs that include coupons and discounts. Coupons and discount offers may be advertised through direct mail, newspaper advertisements, radio, or any other medium chosen or approved by the Company. The Franchisee shall accept and redeem all such coupons, and honor all discounts included in any marketing program approved by or sponsored by the Company, but in no event shall the Franchisee be required to redeem coupons or honor discounts that collectively exceed a redeemed value of five thousand dollars (\$5,000.00) per calendar year.

X. INSURANCE

A. Prior to the opening of the Franchised Business and prior to the commencement of any construction at the Location, the Franchisee shall obtain, and thereafter maintain in full force and effect during the term of this Agreement, insurance that protects the Franchisee, the Franchisor, any Area Developer that is assigned to the Franchisee's Territory, and their respective officers, directors, partners and employees, against any loss, liability, personal injury, death, property damage or expense whatsoever from fire, lightning, theft, vandalism, malicious mischief and the perils included in the extended coverage endorsement, arising or occurring upon or in connection with the Franchised Business or the construction of or leasehold improvements to the Franchised Business, or by reason of the operation or occupancy of the Franchised Business.

B. The Franchisee shall submit to the Franchisor proof of insurance required by this Agreement prior to construction of the Franchise Business. Such insurance policy or policies shall be written by an insurance company satisfactory to the Franchisor in accordance with the standards and specifications set forth in the Manuals or otherwise in writing, and shall include, at a minimum (except as additional coverage and higher policy limits may reasonably be specified from time to time by the Franchisor in the Manuals or otherwise in writing) the following:

1. Comprehensive general liability insurance, including contractual liability, broad form property damage, personal injury, advertising injury, product liability, non-owned and hired auto liability, completed operations and independent contractors coverage, and fire damage coverage in the amount of at least two million dollars (\$2,000,000), or such higher amount as required by the lease, combined single limit, and naming the Franchisor and the Area Developer, if applicable, as an additional insured in each such policy or policies.

2. Worker's compensation and employer's liability insurance as well as such other insurance as may be required by statute or rule of the state in which the Franchised Business is located and operated.

3. Fire, vandalism and extended coverage insurance with primary and excess limits of not less than the full replacement value of the Franchised Business and its furniture, fixtures and equipment.

4. Business interruption insurance in amounts equal to at least the average annual royalties and Advertising and Promotion Fund Contributions payable to the Franchisor, but in no event not less than two hundred thousand dollars (\$200,000) annual coverage.

5. Professional liability insurance (Barbers and Beauticians) in the amount of at least one million dollars (\$1,000,000), combined single limit, and naming the Franchisor as an additional insured in each such policy or policies (which may be included in the basic policy by some insurers, or may be written as a separate policy by others).

6. A stand alone and separate Employment Practices Liability insurance policy ("EPL Insurance") in the amount of at least five hundred thousand dollars (\$500,000), combined single limit, and naming the Franchisor as an additional insured, with the ability of the Franchisor to retain its own and separate counsel.

C. The Franchisee shall not employ any general contractor to work at the Location unless the contractor submits to the Franchisee proof of comprehensive general liability insurance (with comprehensive automobile liability coverage for both owned and non-owned vehicles, builder's risk, product liability and independent contractors coverage) in at least the amount of one million dollars (\$1,000,000) with the Franchisor and any applicable Area Developer named as an additional insured, and worker's compensation and employer's liability insurance as required by state law. A copy of the Certificates of Insurance for all coverage shall be provided to the Franchisor prior to the commencement of construction of the leasehold improvements.

D. Should the Franchisee fail to procure or maintain the insurance required by this Agreement, the Franchisor shall have the right, but not the obligation, to procure such insurance for the benefit of the Franchisee, and the Franchisee shall promptly reimburse the Franchisor for the insurance premiums, together with a reasonable fee for the Franchisor's expenses in obtaining the insurance. The Franchisor may recover such reimbursement and expenses by drafting directly from the Franchisee's bank account.

XI. TRANSFER OF INTEREST AND INCAPACITY OF FRANCHISEE

A. The Franchisor shall have the unencumbered right, at any time, to assign this Agreement, and all or part of its rights and privileges hereunder, to any person, firm, corporation or other business entity.

B. Neither the Franchisee, nor any of the Franchisee's shareholders, members, or

partners, if any, shall transfer or sell five percent (5%) or more of the assets used in the Franchised Business, or mortgage or pledge as security any part of this Franchise Agreement, without obtaining the Franchisor's prior written consent.

C. If the Franchisee or any person with an ownership interest in the Franchised Business desires to accept an offer from a third party to purchase the Franchised Business in whole or in part, the Franchisee shall notify the Franchisor in writing and send a written copy of the signed offer to purchase. The Franchisor shall have the option, but not the obligation, exercisable within thirty (30) days after receipt of such written notification, to purchase the ownership interest on the same terms and conditions offered by the third party.

1. Any material change in the terms of any offer prior to closing shall constitute a new offer subject to the same right of first refusal by the Franchisor as in the case of an initial offer.

2. In the event that the Franchisor exercises its option to purchase the Franchised Business under this Section, the closing of the purchase shall occur by the later of: (i) the closing date specified in the third-party offer; or (ii) within sixty (60) days from the date the Franchisor sends written notice exercising its option.

3. In the event the consideration, terms and/or conditions offered by a third party are such that the Franchisor may not reasonably be required to furnish the same consideration, terms and/or conditions, then the Franchisor may purchase the ownership interest for the reasonable equivalent in cash. If Franchisor and Franchisee cannot agree, within a reasonable time, on the reasonable equivalent in cash of the consideration, terms and/or conditions offered by a third party, then each party, at its own expense, will designate an independent appraiser. The two appraisers attempt to agree as to the value and if they cannot agree to a value within in ten (10) days, the appraisers shall select a third independent appraiser and the independent appraiser's determination shall be final and binding. The cost of the third appraiser shall be borne equally by the Franchisor and the Franchisee. In the event the consideration, terms and/or conditions offered by a third party include the purchase of a business entity owned by the Franchisee that operates or has an interest in the Franchised Business, the Franchisor shall have the option to purchase only the assets of the Franchised Business at a price that is equivalent to the price offered by the third party to purchase the business entity.

D. The Franchisee must first obtain the Franchisor's written approval before the transfer or sale of any controlling interest in the Franchised Business. Neither the rights under this Agreement nor any part of the Franchised Business shall be transferred, sold, or assigned to another unless the Sport Clips store licensed by this Agreement has been open and operating for a minimum of three (3) months. The Franchisor's approval to a proposed transfer or assignment shall not be unreasonably withheld, but shall be conditioned upon the following:

1. The Franchisee shall not be in default of any part of this Agreement or any other Agreement between the Franchisee and Franchisor, including, but not limited to, monetary default.

2. The Franchisee and each of its partners, shareholders, officers and directors, if applicable, shall have executed a general release under seal, in a form satisfactory to the Franchisor, of any and all claims against the Franchisor and its officers, directors, shareholders and employees in their corporate and individual capacities.

3. The transferee shall demonstrate to the Franchisor's satisfaction that the transferee meets the Franchisor's educational, managerial and business standards; possesses a good moral character, business reputation and credit rating; has the aptitude and ability to operate

the Franchised Business (as may be evidenced by prior related experience, Franchisor's testing criteria or otherwise); has at least the same managerial and financial criteria required of new Franchisees; and has a credible plan and sufficient financial resources to adequately support the acquired location(s), especially if acquiring multiple locations.

4. In the event the transferee is an existing Sport Clips franchisee, the transferee shall not be in default, or have a history of being in default, of any existing Sport Clips franchise or other agreements with the Franchisor and show that the transferee has the financial resources and the ability to adequately operate and support additional Sport Clips stores.

5. The transferee shall enter into a written assignment, under seal and in a form satisfactory to the Franchisor, assuming and agreeing to discharge all of the Franchisee's obligations under this Agreement, and, if the transferee is not an individual, then the shareholders, partners or other owners of the transferee shall jointly and severally guarantee the obligations of the Franchisee under this Agreement in writing in a form satisfactory to the Franchisor. In the alternative, and at the Franchisor's option, the transferee shall execute the then-current form of the Sport Clips Franchise Agreement which may contain terms that are materially different from this Agreement, with a term ending on the expiration date of this Agreement but including any renewal terms as may be provided by this Agreement.

6. At least ten (10) days prior to the date of the transfer, the transferor must renovate and upgrade the Franchised Business to conform to the then-current specifications of the Franchisor.

7. The Franchisee shall be released from liability to the Franchisor for all obligations under the Franchise Agreement assumed by the transferee, except that the Franchisee shall continue to remain bound by all post-term covenants and obligations contained in this Agreement.

8. At the transferee's expense, and after signing the Sport Clips Franchise Agreement but prior to the transferee's commencement of operations of the new-acquired transferred Sport Clips store or stores, the transferee and its manager and employees shall complete any training programs then in effect for current franchisees upon such terms and conditions as the Franchisor may reasonably require except that, if the manager and employees of the Franchised Business have been trained previously by the Franchisor, they may not be required to attend any additional training programs as a result of the transfer if the Franchisor is satisfied that no further training is required.

9. The Franchisee shall pay to the Franchisor a transfer fee of five thousand dollars (\$5,000) for the first Franchised Business that is transferred and, provided the transfers take place in one simultaneous transaction, a transfer fee of one thousand dollars (\$1,000) for each additional Franchised Business (or license to open a Franchised Business) that is transferred.

10. The Franchisee must provide the Franchisor with a fully executed copy of the purchase and sale agreements of purchase and sale between the Franchisee and the transferee.

11. In the event the transferee was referred to the Franchisee by a business broker with whom the Franchisor has an on-going relationship, the Franchisee shall pay to that business broker the standard fee charged by the broker for similar transactions.

E. The Franchisee must obtain the Franchisor's written approval before the transfer or sale of any controlling interest in the Franchised Business to a corporation, limited liability company, partnership, or other business entity. The Franchisor's approval shall not be unreasonably withheld, but shall be conditioned upon the following:

1. The Franchisee shall be a newly organized business entity (unless such entity already has an existing relationship with the Franchisor) and the entity's articles of formation provide that the entity's business shall be confined to the operation and management of Sport Clips franchises.

2. The Franchisee shall provide the Franchisor with a true and correct copy of the business entity's articles of formation, state certificates of formation, bylaws, and any other similar documents requested by the Franchisor.

3. All owners of the business entity, regardless of the percentage of ownership, shall jointly and severally guarantee all obligations of the business entity under the Franchise Agreement, and agree to be personally bound by all post-termination covenants.

4. In the event the business entity issues any certificates of ownership, including but not limited to stock certificates, the certificates of ownership shall state in bold face and capital letters that the sale, transfer, assignment, pledge or encumbrance of the certificates of ownership are subject to the terms and conditions of a Franchise Agreement with Sport Clips, Inc. and the Franchisee.

5. The Franchisee shall maintain and provide to the Franchisor upon request a current list of all individual owners or partners of the business entity, together with the addresses and telephone numbers of each owner or partner.

6. The business entity shall file an assumed name registration with the county clerk of each county in which the Franchisee operates, and any other government agency that requires such a filing, stating that it is doing business under the name "Sport Clips," along with the business entity's legal name, and a copy of the filing shall be supplied to the Franchisor.

F. The Franchisee and anyone with an ownership interest in the Franchised Business must obtain the Franchisor's written approval before offering any ownership interest in the Franchised Business to the public by private or public offering or any stock exchange. The Franchisor's approval shall not be unreasonably withheld, but shall be conditioned upon the following:

1. All materials required by federal or state law, as well as any materials to be used to exempt the offering, shall be submitted to the Franchisor for review at least sixty (60) days prior to such documents being filed with any government agency or distributed to investors. Under no circumstances shall the Franchisee or anyone with an ownership interest in the Franchised Business imply by the use of the Proprietary Marks or otherwise that the Franchisor is participating in an underwriting, issuance or offering of the Franchisee's securities.

2. The Franchisee and any other participants in the offering must fully indemnify the Franchisor in connection with the offering pursuant to an indemnity agreement in form and substance satisfactory to the Franchisor and its counsel. For each proposed offering, the Franchisee shall pay to the Franchisor a non-refundable fee of no less than ten thousand dollars (\$10,000) to reimburse the Franchisor for its reasonable costs and expenses associated with reviewing the proposed offering, including, without limitation, legal and accounting fees.

G. Upon the death, mental incapacity or disability of the Franchisee or any person with an ownership interest in the Franchised Business, the Franchisor shall consent to the transfer of the ownership interest in the Franchised Business and in this Agreement to the spouse, heirs or relative by blood or by marriage, of the deceased, incapacitated or disabled person, whether

such transfer is made by will or by operation of law, if such person or persons meet the Franchisor's standards as set forth in Section XI.D. of this Agreement. If the transfer is not approved by the Franchisor, the executor, administrator or personal representative of the deceased, incapacitated or disabled person shall transfer the interest to a third party approved by the Franchisor within six (6) months after such death, mental incapacity or disability. Such transfer shall be subject to the Franchisor's right of first refusal and to the same conditions as set forth in Section XI.D. of this Agreement.

H. In the event that the Franchisee or the Franchisee's owners are absent or incapacitated for any reason, and in order to protect the Franchised Business and to prevent injury to the goodwill and reputation of the Proprietary Marks, the Franchisor shall have the right, but not the obligation, to operate the Franchised Business for as long as the Franchisor deems necessary and practical. If the Franchisor elects to operate the Franchised Business, all revenues from the operation of the Franchised Business during the period of operation by the Franchisor shall be kept in a separate account. All expenses of the Franchised Business, including but not limited to Royalty Fees, Advertising and Promotion Fund Contributions, SCWMMRF Contributions, Training Fees, any applicable Cooperative Fees, and compensation and expenses for the Franchisor's representative, shall be charged to and paid from the account. Disbursements to Franchisee will be made periodically at the sole discretion of Franchisor, taking into consideration the reasonable and necessary needs of the business. If the Franchisor elects to operate the Franchised Business under this Section on behalf of the Franchisee, the Franchisee shall indemnify and hold harmless the Franchisor from any and all claims arising from the acts and omissions of the Franchisor and its representatives in the operation of the Franchised Business.

XII. DEFAULT AND TERMINATION

A. The Franchisee shall be deemed to be in default and the Franchisor may, at its option, terminate this Agreement and all rights granted hereunder, without affording the Franchisee any opportunity to cure the default, effective immediately upon receipt of notice from the Franchisor to the Franchisee, upon the occurrence of any of the following events:

1. If the Franchisee becomes insolvent or makes a general assignment for the benefit of creditors, or if a petition in bankruptcy is filed by the Franchisee or such a petition is filed against and consented to by the Franchisee, or if the Franchisee is adjudicated bankrupt, or if a bill in equity or other proceeding for the appointment of a receiver of the Franchisee or other custodian for the Franchisee's business or assets is filed and consented to by the Franchisee, or if a receiver or other custodian (permanent or temporary) of the Franchisee's business or assets is appointed by any court of competent jurisdiction, or if proceedings for a conference with a committee of creditors under any state, federal or foreign law should be instituted by or against the Franchisee, or if a final judgment remains unsatisfied or of record for thirty (30) days or longer (unless *supersedes* bond is filed), or if execution is levied against the Franchisee's operating location or property, or if any substantial real or personal property of the Franchised Business shall be sold after levy thereupon by any sheriff, marshal or constable.

2. If the Franchisee ceases to do business at the Location for five (5) or more consecutive business days, relocates the Franchised Business without the Franchisor's consent, or loses the right to possession of the premises upon which the Franchised Business is located or otherwise forfeits the right to do or transact business where the Franchised Business is located; provided, however, that if any such loss of possession results from the governmental exercise of the power of eminent domain, or if, the premises are damaged or destroyed by a disaster such that they cannot, in the Franchisor's judgment, reasonably be restored within one hundred twenty (120) days, and the landlord (if the business location is leased) releases Franchisee from the

applicable lease, then, the Franchisee shall have ninety (90) days to identify an alternative location within the same market area as the Location for the operation of the Franchised Business (the "Substituted Site") and submit all information reasonably requested by the Franchisor in connection with the Substituted Site for its review and approval. Notwithstanding the foregoing, the Franchisor shall have a right to terminate this Agreement if the Franchisee is not in possession of the Substituted Site and open for business to the general public within six (6) months of its receipt of the Franchisor's approval.

3. If the Franchisee misuses or makes any unauthorized use of the Proprietary Marks, engages in any business or markets any service or products under a name or mark which is confusingly similar to the Proprietary Marks.

4. If the Franchisee attempts to modify the computerized point-of-sale computer system software without the prior written approval of Franchisor.

5. If the Franchisee understates by five percent (5%) or more its Net Sales in connection with any report required to be submitted to the Franchisor.

6. If a threat or danger to public safety results from the construction, maintenance or operation of the Franchised Business, or if the Franchisee operates the Franchised Business in an unlawful manner or without the proper licenses.

7. If the Franchisee is convicted of a crime of moral turpitude or any other crime or offense that the Franchisor reasonably believes is likely to have an adverse effect on the System and the Proprietary Marks, or if a judgment or a consent decree is entered against the Franchisee, or any of its officers, directors, shareholders or partners in any civil case or proceeding involving allegations of fraud, racketeering, unfair or improper trade practices or similar claim which the Franchisor reasonably believes is likely to have an adverse effect on the System or the Proprietary Marks.

8. If the Franchisee fails to obtain and maintain all required licenses under state and local law, so that the business is no longer able to operate as a Sport Clips franchised business.

9. If the Franchisee purports to transfer any rights or obligations under this Agreement to any third party without the Franchisor's prior written consent, or if the Franchisee moves or changes the Location without the Franchisor's prior consent.

10. If the Franchisee discloses, divulges or disseminates to an unauthorized third party the contents of the Manuals or any other designated trade secrets or confidential information provided to the Franchisee by the Franchisor.

11. If the Franchisee knowingly maintains false books or records or submits any false statements, applications or reports to the Franchisor.

12. If the Franchisee fails to present a Location for the Franchised Business and obtain the Franchisor's approval of the Location, or fails to sign the lease for the Location, or fails to open the Franchised Business within the time frames set forth in this Agreement.

13. If the Franchisee receives three (3) or more notices of default within any consecutive twenty-four (24) month period during the term of this Franchise Agreement, whether or not such defaults are timely cured by the Franchisee.

14. If the Franchisee defaults under its lease agreement for the Location and fails to cure the default within the applicable grace period.
15. If any other agreement, including any other Franchise Agreement, to which the Franchisee and the Franchisor are parties, or to which any of the Guarantors of this Franchise Agreement have also guaranteed, is terminated as a result of the Franchisee failing to cure any default within the grace period (if any) provided for in that agreement.
16. If the Franchisee makes any unauthorized sale of product that violates approved vendor or manufacturer policies regarding sale of product, such as re-selling professional hair care products to wholesalers or other retailers.
 - B. The Franchisee shall have thirty (30) days after receiving from the Franchisor a written notice of default to remedy any default described below. If any such default is not cured within that time, or such longer period as required by applicable state law, this Agreement, at Franchisor's option, shall terminate without further notice to the Franchisee effective immediately upon the expiration of the thirty (30) day period. Such defaults shall include, without limitation, the occurrence of any of the following events:
 1. If the Franchisee fails, refuses or neglects to pay promptly any monies owed to the Franchisor, its subsidiaries or affiliates, or to suppliers approved by the Franchisor, when due.
 2. If the Franchisee fails to maintain any of the standards or procedures prescribed by the Franchisor in this Agreement, the Manuals, any other written agreements between the parties or otherwise.
 3. If the Franchisee fails to comply with any material provision of this Agreement.
 4. If the Franchisee fails to maintain and submit to the Franchisor any financial reports or statements required by this Agreement, including tax returns and bank statements.
 5. If the Franchisee fails to install and maintain in good working condition computer hardware and software for a point-of-sale system as specified in the Manuals or fails to set up the point-of-sale system so that Franchisor can access the system to download data by high-speed Internet connection during store hours or after the store is closed each evening.
 6. If the Franchisee fails to maintain signage as required by the Franchisor in the Manuals.
 7. If the Franchisee, the Franchisee's manager or employees fail to attend and successfully complete any mandatory training program as required by the Franchisor. Attendance at the annual conference is mandatory and failure of the Franchisee and/or Franchisee's store manager to attend this conference shall be a default under this section.
 8. If the Franchisee fails to obtain the prior written approval of the Franchisor of any and all advertising, marketing or promotional plans and materials used by the Franchisee in connection with its promotion of the Franchised Business or otherwise fails to comply with Franchisor's policies and procedures with respect to advertising, marketing or promotion.
 9. If the Franchisee fails, refuses, or neglects to pay promptly when due any monies owing to a local area advertising cooperative or a local stylist recruitment cooperative of which the Franchisee is a member.

10. If the Franchisee fails to obtain and maintain all required licenses under state and local law, even if the business is able to continue to operate as a Sport Clips franchised business.

11. If the Franchisee offers through the Franchised Business or at the Location any product or service that is not approved by the Franchisor.

C. Termination of this Agreement for the reasons described in this Section shall be in addition to any other remedy that the Franchisor shall have in law or equity.

XIII. OBLIGATIONS UPON TERMINATION OR EXPIRATION OF FRANCHISE AGREEMENT

A. Upon termination or expiration of this Agreement, all rights granted to the Franchisee under this Agreement shall terminate immediately and the Franchisee shall have no further right to operate the Franchised Business.

B. Upon the termination or expiration of this Agreement, the Franchisee shall immediately cease to operate the Franchised Business and shall not thereafter, directly or indirectly, represent to the public or hold that the Franchisee is a Sport Clips franchisee.

C. Upon the termination or expiration of this Agreement, The Franchisee shall immediately cease to use, in any manner whatsoever, the Proprietary Marks, the Manuals, trade dress, customer database, programs, literature, and all procedures and techniques associated with the System and the name "Sport Clips."

D. Upon the termination or expiration of this Agreement, the Franchisee shall cancel any assumed name or equivalent registration which contains the Proprietary Marks or any other trademark, trade name or service mark of the Franchisor, and the Franchisee shall furnish the Franchisor with evidence satisfactory to the Franchisor of compliance with this obligation within thirty (30) days after termination or expiration of this Agreement.

E. Upon the termination or expiration of this Agreement, the Franchisee shall, at the Franchisor's option and upon the Franchisor's request, assign to the Franchisor any interest that the Franchisee has in any lease or sublease for the premises of the Franchised Business, and/or sell to the Franchisor any furniture, equipment, supplies or signs used in the Franchised Business.

1. In the event the Franchisor elects to exercise its option to acquire the lease or sublease of the Franchised Business, the Franchisor shall provide the Franchisee written notice of the Franchisor's election to exercise the option within thirty (30) days of the date of termination or expiration of the Franchise Agreement.

2. In the event the Franchisor elects to purchase from the Franchisee any furniture, equipment, supplies and signs used in the Franchised Business, the Franchisor shall provide the Franchisee written notice of the Franchisor's election to exercise the option within thirty (30) days of the date of termination or expiration of the Franchise Agreement. If the Franchisor elects to buy the furniture, equipment, supplies and signs, the Franchisor shall compensate the Franchisee for these items at the lesser of the (i) the Franchisee's book value, or (ii) fair market value. The Franchisor shall be entitled to deduct from the purchase price any sums of money owed by the Franchisee to the Franchisor. If Franchisor and Franchisee cannot agree, within a reasonable time, on the fair market value of the items to be purchased by the Franchisor, then each party, at its own expense, shall designate an independent appraiser; the two appraisers will then attempt to agree as to the value. In the event that the two appraisers cannot agree in a reasonable time,

then they will select a third independent appraiser and his determination shall be final and binding. The cost of the third appraiser shall be borne equally by both parties.

F. Upon the termination or expiration of this Agreement, and in the event that the Franchisor does not elect to exercise its option to assume the lease or sublease for the Franchised Business, the Franchisee shall make such modifications or alterations to the premises of the Franchised Business as may be necessary to distinguish the appearance of said premises from that of a business operating under the System. The Franchisee shall make such specific additional changes as the Franchisor may reasonably request including, but not be limited to, ceasing to use exterior signage identifying the store as a Sport Clips; all proprietary interior signage; equipment that is unique to or an integral part of the Sport Clips overall decor package, including the receptionist desk, reception area chairs, proprietary murals of crowd scenes and athletes, and styling stations. In the event the Franchisee fails or refuses to comply with the requirements of this Section XIV, the Franchisor shall have the right to enter upon the premises of the Franchised Business without being guilty of trespass or any other tort for the purpose of making or causing to be made such changes as may be required, at the expense of the Franchisee, which expense the Franchisee agrees to pay upon demand.

G. Upon the termination or expiration of this Agreement, the Franchisee shall immediately deliver to the Franchisor or the Franchisor's designee all Manuals, customer lists and customer databases, records, files, correspondence, brochures, and all other materials relating to the operation of the Franchised Business. The Franchisee shall not retain any copies of the material delivered to the Franchisor except for financial records required by law, correspondence between the parties and any other documents which the Franchisee reasonably needs for compliance with any provision of law. In addition to the foregoing, the Franchisee shall deliver to the Franchisor a complete list of all persons employed by the Franchisee during the three (3) years immediately preceding termination. The cost of delivering the materials as required by this paragraph shall be borne by the Franchisee.

H. Upon the termination or expiration of this Agreement, the Franchisee shall promptly notify the appropriate telephone company and all telephone directory listing agencies of the termination or expiration of the Franchisee's right to use any telephone number and any regular, classified or other telephone directory listings associated with the Proprietary Marks. The Franchisee shall authorize the transfer of all telephone numbers associated with the Proprietary Marks to the Franchisor or the Franchisor's designee. The Franchisee agrees to execute updated letters of direction to any telephone companies and telephone directory listing agencies that enforce the Franchisor's right to telephone numbers under this paragraph. The Franchisee acknowledges that as between the Franchisor and the Franchisee, the Franchisor has the sole right to and interest in all telephone numbers and directory listings associated with any Proprietary Marks. The Franchisee authorizes the Franchisor, and hereby appoints the Franchisor or any officer of the Franchisor as its attorney in fact, and coupled with an interest, to direct the appropriate telephone company and all listing agencies to transfer all applicable telephone numbers and telephone listings to the Franchisor upon the termination or expiration of this Agreement.

XIV. COVENANTS

A. The Franchisee specifically acknowledges that the Franchisee, through the Franchisee's relationship with the Franchisor and through this Agreement, shall receive valuable specialized training and confidential information regarding the business, promotion, sales, marketing and operational methods and techniques of the Franchisor and the System used for the retail sale of hair cutting and hair care services and related products.

B. The Franchisee covenants that during the term of this Agreement, and except as approved in writing by the Franchisor, neither the Franchisee nor any shareholder, partner, or other person with an ownership interest in the Franchisee, shall either directly or indirectly, for itself or through, on behalf of or in conjunction with any individual, partnership, corporation or other legal entity:

1. Divert or attempt to divert any business or customer of the Franchised Business to any competitor of the Franchised Business, by direct inducement or otherwise;

2. Own, manage, be employed by, advise, assist, invest in, make loans to, or have any interest in any business that offers hair cutting and hair care services and related products; or

3. Offer for sale hair cutting and hair care services and related services and products through any venue or business other than through, and on the premises of, the Franchised Business.

C. The Franchisee covenants that for a period of two (2) years upon the expiration or termination of this Agreement, and except as approved in writing by the Franchisor, neither the Franchisee nor any shareholder, partner, or other person with an ownership interest in the Franchisee, shall either directly or indirectly, for itself or through, on behalf of or in conjunction with any individual, partnership, corporation or other legal entity:

1. Divert or attempt to divert any business or customer of the Franchised Business to any competitor of the Franchised Business, by direct inducement or otherwise;

2. Own, manage, be employed by, advise, assist, invest in, make loans to, or have any interest in any business that offers hair cutting and hair care services and related product and that is within a ten (10) mile radius of the Location of the Franchised Business; or

3. Own, manage, be employed by, advise, assist, invest in, make loans to, or have any interest in any business that offers hair cutting and hair care services and related product and that is within a ten (10) mile radius of any business that is a franchisee of the Franchisor and does business under any of the Proprietary Marks.

D. If the period of time or the area specified above should be adjudged by any tribunal or court of competent jurisdiction to be unreasonable, then the period of time or the restricted area may be reduced so that the restrictions are deemed reasonable and enforceable by the presiding tribunal or court.

E. The Franchisee acknowledges and agrees that the covenants not-to-compete set forth in this Agreement are fair and reasonable and will not impose any undue hardship on the Franchisee, or the Franchisee's shareholders or partners, if the Franchisee is a corporation or partnership, since the Franchisee, its shareholders or partners have other considerable skills, experience and education which afford the Franchisee, its shareholders or partners the opportunity to derive income from other endeavors.

F. The parties agree that each covenant in this section of this Agreement shall be construed as independent of any other covenant or provision contained in this section of this Agreement. If any one covenant contained in this section is held unreasonable or unenforceable by a tribunal or court of competent jurisdiction, all other covenants deemed to be reasonable and enforceable shall remain in effect.

G. Notwithstanding anything to the contrary in this Agreement, the Franchisor shall have the right, in its sole discretion, to reduce the scope of any covenant set forth in this section of this Agreement, without prior notice to the Franchisee or without the Franchisee's consent. The reduction in scope of the covenants shall be effective immediately upon receipt by the Franchisee of written notice regarding the reduction, and the Franchisee agrees that it shall comply with any covenant as it may be modified by the Franchisor.

H. The Franchisee expressly agrees that the existence of any claims it may allege against the Franchisor, whether or not arising from this Agreement, shall not constitute a defense to the enforcement by the Franchisor of the covenants in this Agreement. The Franchisee agrees to pay all costs and expenses (including reasonable attorneys' fees) incurred by the Franchisor in connection with the enforcement of the covenants set forth in this Agreement.

I. The Franchisee acknowledges that violation of the covenants not to compete contained in this section of this Agreement will result in immediate and irreparable injury to the Franchisor for which no adequate remedy at law will be available. Accordingly, the Franchisee hereby consents to the entry of an injunction, without the necessity of Franchisor posting a bond, that prohibits any conduct by the Franchisee in violation of the terms of the covenants not to compete set forth in this Agreement.

XV. TAXES AND INDEBTEDNESS

A. The Franchisee shall promptly pay, when due, all taxes levied or assessed by any federal, state or local tax authority and any and all other indebtedness incurred by the Franchisee in the operation of the Franchised Business. The Franchisee shall pay to the Franchisor an amount equal to any sales tax, gross receipts tax or similar tax imposed on the Franchisor with respect to any payments to the Franchisor required under this Agreement, unless the tax is credited against income tax otherwise payable by the Franchisor.

B. In the event of any bona fide dispute as to liability for taxes assessed or other indebtedness, the Franchisee may contest the validity or the amount of the tax or indebtedness in accordance with procedures of the taxing authority or applicable law; provided, however, in no event shall the Franchisee permit a tax sale or seizure by levy of execution or similar writ or warrant, or attachment by a creditor, to occur against the premises of the Franchised Business or any improvements thereon.

C. The Franchisee shall notify the Franchisor in writing within three (3) days of the commencement of any action, suit or proceeding, and of the issuance of any order, writ, injunction, award or decree of any court, agency or other governmental instrumentality, which may adversely affect the operation or financial condition of the Franchised Business.

XVI. INDEPENDENT CONTRACTOR AND INDEMNIFICATION

A. This Agreement does not create a fiduciary or confidential relationship between the Franchisor and the Franchisee. The Franchisee acknowledges and agrees that the Franchisee is an independent business person and an independent contractor. Nothing in this Agreement is intended to make either party an agent, legal representative, subsidiary, joint venture, partner, employee or servant of the other for any purpose whatsoever.

B. During the term of this Agreement, the Franchisee shall hold itself out to the public as an independent contractor operating the Franchised Business pursuant to a license from the Franchisor and as an authorized user of the System and the Proprietary marks which are owned by the Franchisor. The Franchisee agrees to take such affirmative action as may be necessary to

do so, including exhibiting to customers a sign provided by Franchisor in a conspicuous place on the premises of the Franchised Business.

C. The Franchisor shall not have the power to hire, manage, compensate or fire the Franchisee's employees and it is expressly agreed that the Franchisor has no employment relationship with the Franchisee's employees. Except as herein expressly provided, the Franchisor may not control or have access to the Franchisee's funds or the premises of the Franchised Business, or in any other way exercise dominion or control over the Franchised Business.

D. It is understood and agreed that nothing in this Agreement authorizes the Franchisee to make any contract, agreement, warranty or representation on the Franchisor's behalf, or to incur any debt or other obligation in the Franchisor's name, and that the Franchisor shall in no event assume liability for or be deemed liable as a result of any such action or by reason of any act or omission of the Franchisee in the Franchisee's conduct of the Franchised Business or any claim or judgment arising therefrom against the Franchisee.

E. The Franchisee agrees at all times to defend at the Franchisee's expense, and agrees to indemnify and hold harmless to the fullest extent permitted by law, the Franchisor and its corporate parent, subsidiaries, affiliates, employees and agents (including any Area Developer that is assigned to the Franchisee's Territory), and their respective directors, officers, employees, agents, shareholders, designees, and representatives from all losses and expenses incurred in connection with any action, suit, proceeding, claim, demand, investigation, or formal or informal inquiry (regardless of whether same is reduced to judgment) or any settlement thereof, which arises out of the Franchised Business or, including, but not limited to, the following:

1. The Franchisee's infringement or any other alleged violation of any patent, trademark, or other proprietary right that is owned or controlled by any third party.

2. The Franchisee's alleged violation of any federal, state or local law, regulation or ordinance, or any directive of any industry standard.

3. The Franchisee's libel, slander or any other form of defamation.

4. The Franchisee's alleged violation or breach of any warranty, representation, agreement or obligation in this Agreement.

5. Any acts, errors or omissions of the Franchisee or any of its agents, servants, employees, contractors, partners, proprietors, affiliates, or representatives.

6. Latent or other defects of the premises of the Franchised Business, whether or not discoverable by the Franchisor or the Franchisee.

7. Any services or products provided by the Franchisee at, from or related to the operation at the Franchised Business.

8. Any injury that occurs on the premises for the Franchised Business, including the build-out of the premises or any construction activity.

9. Any action or inaction by the Franchisee or any other person resulting from or in connection with the operation of the Franchised Business.

Franchisor shall have the option, in its sole discretion, to defend any action with counsel of the Franchisor's choosing and for whom the Franchisee shall be responsible for full payment and indemnification, or to allow Franchisee to defend such action with counsel satisfactory to Franchisor.

XVII. APPLICABLE LAW, FORUM SELECTION, AND ELECTRONIC SIGNATURE

A. This Agreement shall take effect upon its acceptance and execution by the Franchisor in the state of Texas. This Agreement shall be interpreted and construed under the laws of the State of Texas, including the Texas Electronic Transactions Act, Tex. Bus. & Com. Code § 322.007, except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Section 1051, *et seq.*).

B. Except for any claims arising under the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Section 1051, *et seq.*), any and all disputes arising out of or are related to this Agreement that cannot be settled through face-to-face discussions, shall be submitted to non-binding mediation for a minimum of eight hours before a mediation organization approved by the parties, or a mediator appointed by a court if the parties cannot agree on a mediation organization. Such mediation shall be held at the offices of the Franchisor or such other site in the state of Texas designated by the Franchisor.

C. ANY LITIGATION BETWEEN THE PARTIES, OR BETWEEN THE FRANCHISEE AND THE COMPANY'S OFFICERS AND DIRECTORS, SHALL ONLY BE INSTITUTED IN THE WILLIAMSON COUNTY, TEXAS, DISTRICT COURT OR IN THE UNITED STATES DISTRICT COURT FOR THE WESTERN DISTRICT OF TEXAS. THE PARTIES AGREE THAT THIS FRANCHISE AGREEMENT WAS ENTERED INTO IN GEORGETOWN, TEXAS AND THAT SUBSTANTIAL PERFORMANCE OF ALL OBLIGATIONS HEREUNDER IS RENDERED IN GEORGETOWN, TEXAS AND THAT THERE IS A REGULAR STREAM OF BUSINESS ACTIVITY BETWEEN THE FRANCHISEE AND THE COMPANY FROM AND INTO WILLIAMSON COUNTY, TEXAS. ACCORDINGLY, THE PARTIES AGREE THAT VENUE IN ANY SUCH ACTION IS PROPERLY LAID IN EITHER SAID COURT.

D. Notwithstanding any provision contained in this Agreement, the Franchisor may seek injunctive relief in a court of competent jurisdiction for the purpose of protecting the Proprietary Marks or for the purpose of seeking other equitable relief against the Franchisee.

E. If any party institutes litigation in a court of law or equity, the non-prevailing party shall pay the prevailing party's reasonable attorneys' fees relating to the litigation.

F. Each party to this Agreement waives all rights to a jury trial with respect to any litigation that is instituted or brought in any court regarding any matter arising out of or related to this Agreement.

G. No right or remedy conferred upon or reserved by the Franchisor or the Franchisee by this Agreement is intended and it shall not be deemed to be exclusive of any other right or remedy provided or permitted herein, by law or at equity, but each right or remedy shall be cumulative of every other right or remedy.

H. This Agreement may be executed and delivered to the other party electronically, including by email, and each such electronic signature shall be as valid and binding as an original handwritten signature.

XVIII. NO WAIVER

A. No failure of the Franchisor to exercise any power reserved to it by this Agreement, or to insist upon strict compliance by the Franchisee with any obligation or condition hereunder, and no custom or practice of the parties at variance with the terms hereof, shall constitute a waiver of the Franchisor's right to demand exact compliance with any of the terms herein. Waiver by either party of any particular default by the other shall not affect or impair any rights with respect to any subsequent default of the same, similar or different nature, nor shall any delay, forbearance or omission of either party to exercise any power or right arising out of any breach or default by the other of any of the terms, provisions or covenants hereof affect or impair any right to exercise the same, nor shall such constitute a waiver of any right hereunder or the right to declare any subsequent breach or default and to terminate this Franchise Agreement prior to the expiration of its term. Subsequent acceptance by the Franchisor of any payments due to it hereunder shall not be deemed to be a waiver by the Franchisor of any preceding breach by the Franchisee of any terms, covenants or conditions of this Agreement.

XIX. NOTICES

Any and all notices required or permitted under this Agreement shall be in writing and shall be personally delivered or mailed by certified mail, return receipt requested, including electronic receipt, or dispatched by overnight delivery envelope, to the respective parties at the following addresses unless and until a different address has been designated by written notice to the other party:

XX. ENTIRE AGREEMENT

This Agreement, together with any Amendments and Attachments, if any, constitute the entire, full and complete agreement between the parties hereto concerning the subject matter hereof, and supersede all prior agreements. No amendment change or variance from this Agreement shall be binding on the parties hereto unless mutually agreed to by the parties and executed by themselves or their authorized officers or agents in writing. Nothing in this Agreement or in any related Agreements is intended to disclaim the representations in the Franchise Disclosure Document.

XXI. SEVERABILITY AND CONSTRUCTION

A. Except as expressly provided to the contrary in this Agreement, each section, part, term and/or provision of this Agreement shall be considered severable. If, for any reason, any section, part, term and/or provision is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation by a court or agency having valid jurisdiction, such shall not impair the operation of, or have any other effect upon, such other portions, sections, parts, terms and/or provisions of this Agreement as may remain otherwise intelligible, and the valid remainder of this Agreement shall continue to have full force and effect and bind the parties; provided, however, that if the Franchisor determines that such finding of invalidity or illegality adversely affects the underlying purpose of this Agreement, the Franchisor, at its option, may terminate this Agreement.

B. All captions in this Agreement are intended solely for the convenience of the parties, and none of the captions shall be deemed to affect the meaning or construction of any provision in this Agreement.

C. All references in this Agreement to the masculine, feminine, neuter or singular shall be construed to include the masculine, feminine, neuter or plural, where applicable, and all acknowledgments, promises, covenants, agreements and obligations made or undertaken by the Franchisee shall be deemed jointly and severally undertaken by all of the parties executing this Agreement in his individual capacity on behalf of the Franchisee. This Agreement may be executed in one or more originals, each of which shall be deemed an original.

D. As used in this Agreement, the term "Franchisee" shall include all persons who succeed to the interest of the original Franchisee by transfer or operation of law and shall be deemed to include not only the individual or entity defined as the "Franchisee" in the introductory paragraph of this Agreement, but shall also include all partners, shareholders, or members, as applicable of any business entity that executes this Agreement. By their signatures, all partners, shareholders, officers and directors of the entity that sign this Agreement as the Franchisee acknowledge and accept the duties and obligations imposed upon each of them, individually, by the terms of this Agreement.

E. As used in this Agreement, the term "employee" shall include all persons who are directly employed by Franchisee or other entities referenced in this Agreement, or who are "leased" from a Professional Employer Organization (PEO) under an arrangement commonly referred to as "employee leasing".

F. If, as a result of hurricane, tornado, typhoon, flooding, lightning, blizzard and other unusually severe weather, earthquake, avalanche, volcanic eruption, fire, riot, insurrection, war, explosion, unavoidable calamity or other act of God (a "Force Majeure"), compliance by any party with the terms of this Agreement is rendered impossible or would otherwise create an undue hardship upon any party, all parties shall be excused from their respective obligations hereunder for the duration of the Force Majeure and for a reasonable recovery period thereafter, but otherwise this Agreement shall continue in full force and effect.

XXII. ACKNOWLEDGMENTS

The Franchisee acknowledges that it has conducted an independent investigation of all aspects relating to the Franchised Business and recognizes that the business venture contemplated by this Agreement involves business risks and that its success will be largely dependent upon the skills and ability of the Franchisee as an independent business person or organization. The Franchisee acknowledges that it has received, read and understands this Agreement, and any Amendment and Attachments, if any, that the Franchisor has accorded the Franchisee ample time and opportunity to consult with advisors of the Franchisee's own choosing about the potential benefits and risks of entering into this Agreement.

THE SUCCESS OF THE FRANCHISEE IN OPERATING THIS FRANCHISE IS SPECULATIVE AND WILL DEPEND ON MANY FACTORS INCLUDING THE FRANCHISEE'S INDEPENDENT BUSINESS ABILITY. THE OBLIGATION TO TRAIN, MANAGE, PAY, RECRUIT AND SUPERVISE EMPLOYEES OF THE FRANCHISED BUSINESS RESTS SOLELY WITH THE FRANCHISEE. THE FRANCHISEE HAS NOT RELIED ON ANY WARRANTY OR REPRESENTATION, EXPRESSED OR IMPLIED, AS TO THE POTENTIAL SUCCESS OR PROJECTED INCOME OF THE BUSINESS VENTURE CONTEMPLATED BY THIS AGREEMENT

NO REPRESENTATIONS OR PROMISES HAVE BEEN MADE BY THE FRANCHISOR TO INDUCE THE FRANCHISEE TO ENTER INTO THIS AGREEMENT EXCEPT AS SPECIFICALLY INCLUDED WITHIN THIS AGREEMENT AND THE FRANCHISOR'S FRANCHISE DISCLOSURE DOCUMENT. THE FRANCHISOR HAS NOT MADE ANY REPRESENTATION, WARRANTY OR GUARANTY, EXPRESS OR IMPLIED, AS TO THE POTENTIAL REVENUES OR PROFITS OF THE BUSINESS VENTURE TO THE FRANCHISEE.

IN WITNESS WHEREOF, the parties hereto have duly executed, sealed and delivered this Agreement on the day and year first above written.

STATE ADDENDUM TO THE SPORT CLIPS FRANCHISE AGREEMENT

FOR THE RESIDENTS OF THE STATE OF CALIFORNIA

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT. I The California Franchise Relations Act, Business and Professions Code Sections 20000 to 20043, provides the Franchisee with certain rights on termination or non-renewal of a franchise. Federal bankruptcy law may prohibit termination of a franchise on filing of a petition in bankruptcy by a Franchisee. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control. The Franchise Agreement provides for termination upon bankruptcy. Federal bankruptcy law may prohibit termination of a franchise on filing of a petition in bankruptcy by a Franchisee (11 U.S.C.A. '101 et seq.). The Franchise Agreement contains a covenant not to compete that extends beyond the termination of the franchise. This provision may not be enforceable under California law. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California. The Franchise Agreement requires application of the law of the State of Texas. This provision may not be enforceable under California law. Section 31125 of the California Corporations Code requires us to give you a Disclosure Document, in a form containing the information that the commissioner may by rule or order require, before a solicitation of a proposed material modification of an existing franchise. You must sign a general release if you renew or transfer your franchise. California Corporations Code Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Sections 31000 through 31516). Business and Professions Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 through 20043).

FOR RESIDENTS OF THE STATE OF ILLINOIS

Illinois law governs the franchise agreement(s).

In conformance with Section 4 of the Illinois Franchise Disclosure Act, any provision in a franchise agreement that designates jurisdiction and venue in a forum outside of the State of Illinois is void. However, a franchise agreement may provide for arbitration to take place outside of Illinois.

Franchisees' rights upon termination and non-renewal are set forth in sections 19 and 20 of the Illinois Franchise Disclosure Act.

In conformance with Section 41 of the Illinois Franchise Disclosure Act, any condition, stipulation or provision purporting to bind any person acquiring any franchise to waiver compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void.

FOR THE STATE OF MARYLAND

This Addendum for the residents of the state of Maryland also applies to non-residents who will operate a Sport Clips franchise in the state of Maryland. No acknowledgements or disclaimers contained within the Franchise Agreement shall, nor are they intended to, serve as a release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law. Sections II.B.7 and XI.D.2 of the Franchise Agreement are amended to provide that a general release shall not be condition of renewal and/or assignment/transfer and shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law. Article XVII.C is amended to provide that the Franchisee may sue the Company in the State of Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law, and

any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.

No statement, questionnaire, or acknowledgment signed or agreed to be a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other terms of any document executed in connection with the franchise. Article 22 of the Franchise Agreement is deleted in its entirety.

FOR RESIDENTS OF THE STATE OF MINNESOTA

No section shall in any way abrogate or reduce any rights of the Franchisee as provided for in the Minnesota Statutes, Chapter 80C. Minnesota statutes §80C14 regulate termination, including at least 90 days written notice in advance of termination or cancellation, with 60 days in which to cure, except that the notice shall be effective immediately for certain grounds.

Pursuant to Minn. Stat. §80C.21 and Minn. Rule Part 2860.44005, Section XXIII of the Franchise Agreement shall not in any way abrogate or reduce any rights of the Franchisee as provided for in Minnesota Statutes, Chapter 80C, including, but not limited to, the right to submit matters to the jurisdiction of the courts of Minnesota.

Section II is amended to read that unless the franchise is not renewed for good cause as defined in Minnesota Statute §80C14(b), the Company may not fail to renew the Franchise Agreement unless (i) the Franchisee has been given written notice of the intention not to renew at least 180 days in advance and (ii) has been given an opportunity to operate the franchise over a sufficient period of time to enable the Franchisee to recover the fair market value of the franchise as a going concern measured from the date of the failure to renew. The Company may not refuse to renew the Franchise Agreement if the refusal is for the purpose of converting the Franchisee's business premises to an operation that will be owned by the Company for its own account.

Sections II.B.7 and XI.C.2 of the Franchise Agreement are amended to provide that a general release shall not be a condition or renewal and/or assignment/transfer.

Section VI.C is amended to read that the Company will indemnify the Franchisee against liability to third parties resulting from claims by third parties that the Franchisee's use of the Proprietary Marks infringes trademark rights of the third party. The Company does not indemnify against the consequences of the Franchisee's use of the Company's trademark except in accordance with the requirements of the Franchise Agreement, and as a condition of indemnification, the Franchisee must provide notice to the Company of any such claim within ten (10) days and tender the defense of the claim to the Company. If the Company accepts the tender of the defense, the Company has the right to manage the defense of the claim including the right to compromise, settle or otherwise resolve the claim, and to determine whether to appeal a final determination of the claim.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including, fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed with the franchise.

FOR THE RESIDENTS OF THE STATE OF NEW YORK

Section VIII.C is amended by adding the following: "Any new or different requirements set forth in the Operating Manual shall not unreasonably increase the Franchisee's obligations or place an excessive economic burden on the Franchisee's operations."

Section XII.A is amended by adding the following: "However, no assignment shall be made except to an assignee who in the good faith judgment of the Company is able to assume the Company's obligations under the Franchise Agreement."

Section XVII.C is amended by adding the following: "However, the foregoing choice of law should not be considered a waiver of any right conferred upon the Franchisee by the provisions of Article 33 of the New York State General Business Law."

FOR THE RESIDENTS OF THE STATE OF NORTH DAKOTA

Covenants not to compete, such as stated in Section XV of the Franchise Agreement, are generally considered unenforceable in the State of North Dakota. Section XVII.B of the Franchise Agreement is amended to provide that mediation shall take place at a location that is mutually agreeable to the parties. Sections II.B.7, XVII.A, XVII.C, and XVII.F of the Franchise Agreement are deleted in their entirety.

FOR RESIDENTS OF THE STATE OF RHODE ISLAND

Section 19-28.1-14 of the Rhode Island Franchise Investment Act provides that "A provision in a Franchise Agreement restricting jurisdiction or venue to a forum outside this state or requiring the application of the laws of another state is void with respect to a claim otherwise enforceable under this Act."

FOR RESIDENTS OF THE STATE OF WASHINGTON

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including, fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed with the franchise.

WHEREAS, Landlord acknowledges that Franchisor requires the modifications to the Lease set forth herein as a condition to its approving the Leased Premises as a site for the Franchised Business, and that Landlord agrees to modify and amend the Lease in accordance with the terms and conditions contained herein;

WHEREAS, according to the Sport Clips Franchise Agreement, all rights, title and interest in and to the Lease must be assigned to Franchisor, at Franchisor’s option, upon the termination of the Franchise Agreement; and

WHEREAS, it is the intent of the parties hereto to provide Franchisor with the opportunity to preserve the leased premises as a Franchised Business in the event of any default or termination of said Lease or Franchise Agreement and to assure the Landlord that in the event Franchisor exercises its rights herein contained, any defaults of Tenant under the Lease will be cured by Franchisor before it takes possession of the Leased Premises.

1. Use Clause. The Leased Premises shall be used for the operation of a retail business specializing in providing professional haircutting and hair care services and for the sale of sports-related accessories and identified by the mark **SPORT CLIPS** or any other name. The Leased Premises must be able to accommodate:

Hairstyling for a primarily male clientele, and sales of related products and services, including sports attire, collectibles, memorabilia and specialty items.

Landlord acknowledges that such use does not violate any then existing exclusives granted to any existing tenant of Landlord. Landlord further acknowledges that during the term of this Lease or any extension thereof, Landlord will not lease space to a business similar to Tenant’s business within the same shopping center or office building in which the Franchised Business is located. Privately owned full-service salons are agreed not to be a similar business.

Landlord represents and warrants that the Leased Premises does not violate any existing building code requirements and is properly zoned for its intended use.

2. Default of Tenant Under Lease. Landlord shall mail to Franchisor copies of any notice of default or termination it gives to Tenant concurrently with giving such notices to Tenant. If Tenant fails to cure any default within the period provided in the Lease, if any, Landlord shall give Franchisor immediate written notice of such failure to cure. Landlord shall thereupon offer to Franchisor, and Franchisor shall have the right to accept, an assignment of the Lease or a new lease containing the same terms and conditions as contained in the Lease, whichever Franchisor elects.

If Franchisor elects to continue the use of the Leased Premises under an assignment of the Lease or a new lease, it shall so notify Landlord in writing within thirty (30) days after it has received written notice from Landlord specifying the defaults Tenant has failed to cure within the grace period specified in the Lease. Upon receipt of such notice from Franchisor, Landlord shall promptly execute and deliver to Franchisor an assignment of the Lease or a new lease, whichever Franchisor requests, and Landlord shall deliver to Franchisor possession of the Leased Premises, free and clear of any rights of Tenant or any third party. Franchisor, before taking possession of the Leased Premises, shall promptly cure the defaults specified by Landlord in its notice to Franchisor and shall execute and deliver to Landlord its acceptance of the assignment of the Lease or of the new lease, as the case may be.

In the event that Franchisor elects to enter into a new lease with Landlord, Landlord shall do so upon terms and conditions no less favorable to Franchisor than those contained in the Lease.

3. Termination of the Franchise Agreement. If the Franchise Agreement between Franchisor and Tenant is terminated for any reason during the term of the Lease or any extension thereof, Tenant, upon the written request of Franchisor, shall assign to Franchisor all of its rights, title and interest in and to the Lease. If Franchisor elects to accept the assignment of the Lease from Tenant, it shall give Tenant and Landlord written notice of its election to acquire the leasehold interest. Landlord hereby consents to the assignment of the Lease from Tenant to Franchisor, subject to Tenant's and/or Franchisor's curing any defaults of Tenant under the Lease before Franchisor takes possession of the Leased Premises. Alternatively, in the event of a termination of the Franchise Agreement, Franchisor may elect to enter into a new lease with Landlord containing terms and conditions no less favorable to Franchisor than as are contained in the Lease. Upon Landlord's receipt of written notice from Franchisor advising Landlord that Franchisor elects to enter into a new lease, Landlord shall execute and deliver such new lease to Franchisor for its acceptance. Landlord and Tenant shall deliver possession of the Leased Premises to Franchisor, free and clear of all rights of Tenant or third parties, subject to Franchisor's curing any defaults of Tenant, under the Lease, and executing an acceptance of the assignment of Lease or new lease, as the case may be.

Franchisor shall indemnify, defend and hold Landlord harmless from any attempt to terminate the Lease or dispossess Tenant from the Leased Premises based upon a termination of the Franchise Agreement.

4. Tenant's Agreement to Vacate Leased Premises. Tenant agrees to peaceably and promptly vacate the Leased Premises and (subject to Franchisor's right to acquire any such property pursuant to its Franchise Agreement with Tenant) to remove its personal property therefrom upon the termination of the Franchise Agreement or upon Tenant's failure to timely cure all of its defaults under the Lease. Any property not removed or otherwise disposed of by Tenant shall be deemed abandoned.

5. Delivery of Possession. If it becomes necessary for Landlord to pursue legal action to evict Tenant in order to deliver possession of the Leased Premises to Franchisor, Franchisor

shall, on receipt of written request therefore from Landlord, pay into an interest-bearing escrow account all amounts necessary to cure any default of Tenant's, pending delivery of the Leased Premises to Franchisor. If Landlord may not legally obtain possession of the Leased Premises or if Landlord is unable to deliver the Leased Premises to Franchisor within six (6) months from the date Franchisor notifies Landlord of its election to continue the use of the Leased Premises, then Franchisor shall have the right at any time thereafter to rescind its election to acquire a leasehold interest in the Leased Premises, and to terminate the Lease or any new lease between it and Landlord for the Leased Premises, whereupon all amounts deposited by Franchisor in escrow, together with the interest earned thereon, shall be returned forthwith to Franchisor, and Landlord shall release Franchisor from all of its obligations under the Lease or any new lease.

6. Amendment of Lease. Landlord and Tenant agree not to amend the Lease in any respect, except with the prior written consent of Franchisor.

7. Franchisor Not a Guarantor. Landlord acknowledges and agrees that notwithstanding any terms or conditions contained in this Addendum or any other agreement, Franchisor shall in no way be construed as a guarantor or surety of Tenant's obligations under the Lease. Notwithstanding the foregoing, in the event Franchisor becomes Tenant by assignment of the Lease in accordance with the terms hereof or enters into a new lease with Landlord, then Franchisor shall be liable for all of the obligations of the Tenant on its part to be performed or observed under the Lease or a new lease arising subsequent to the date Franchisor so becomes the Tenant and becomes obligated under the said assignment or new lease. Landlord agrees Franchisor will not become a guarantor unless an assignment of lease or separate document is executed by Franchisor stating Franchisor is agreeing to become guarantor of lease.

8. Document to Govern. The terms and conditions contained herein modify and supplement the Lease. Whenever any inconsistency or conflict exists between this Addendum and the Lease, the terms of this Addendum shall prevail.

9. No Hazardous Materials. Landlord warrants and represents that no part of the Leased Premises, including the walls, ceilings, structural portions, steel, flooring, pipes or boilers is wrapped, insulated, fire-proofed or surfaced with any asbestos-containing materials (hereinafter "ACM") or other hazardous materials as the same may be identified from time to time by applicable federal, state or local laws or regulations ("Hazardous Materials"), and that no ACM materials or Hazardous Materials will be present in, on or about the Leased Premises as of the date Tenant takes possession thereof.

10. Assignment and Subletting. Notwithstanding anything set forth in the Lease to the contrary, Tenant shall have the right to assign this Lease or any interest therein, or sublet the Leased Premises or any portion thereof without the consent of Landlord, to a corporation or entity that is

- (a) a parent, subsidiary, or affiliate of Tenant;
- (b) Tenant's Franchisor or any successor or affiliate thereof;
- (c) wholly owned by Tenant, Tenant's parent or a subsidiary of Tenant;
- (d) a corporation with which Tenant merges.
- (e) a result of a reorganization, or the surviving corporation of a business

restructuring; or
(f) any bona fide franchisee of the ~~Franchisor, and Franchisor, and~~ all
renewal options
(if any) and other material provisions of the Lease shall remain in
force unchanged.

11. Special Provisions. Subject to Landlord's consent as to the method of installation, which consent shall not be unreasonably withheld, Tenant shall be permitted to install a small (36" diameter or less) satellite television antenna on the roof of the Premises, such installation to be at the sole expense of Tenant. Tenant will submit drawings to Landlord as to the method of installation prior to authorizing the antenna to be installed, and Tenant shall be responsible for any damage to the roof caused by such installation.

Tenant, as part of the standard Sport Clips signage plan shall be permitted to install the Store Front Vinyl or Plexiglas Window Sign Package as represented in Attachment "A" that describes the unique services and experiences offered by Sport Clips. These signs will be visible from the outside of the Premises. See Attachment "A" for sample of window sign package.

As part of the standard Sport Clips design package, Tenant may install in the waiting area of the store a large television (50" or larger) that may be visible from the exterior of the Premises.

12. Subordination. Landlord will subordinate its interest in the Tenant's equipment and personal property to any lender financing the same, and Landlord will further cooperate in executing all required documents to recognize such subordination.

13. Waiver. Failure of Franchisor to enforce or exercise any of its rights hereunder shall not constitute a waiver of the rights hereunder or a waiver of any subsequent enforcement or exercise of its rights hereunder.

14. Amendment of Agreement. This Agreement may be amended only in writing signed by all parties hereto.

15. Notices. All notices hereunder shall be sent by certified mail to Franchisor at 110 Sport Clips Way, Georgetown, Texas 78628 or to such other address(es) as Franchisor may, by written notice, designate.

16. Binding Effect. This Agreement shall be binding upon the parties hereto, their heirs, executors, successors, assigns and legal representatives.

17. Severability. If any provision of this Agreement or any part thereof is declared invalid by any court of competent jurisdiction, such act shall not affect the validity of this Agreement and the remainder of this Agreement shall remain in full force and effect according to the terms of the remaining provisions hereof.

18. Remedies. The rights and remedies created herein shall be deemed cumulative and no one of such rights or remedies shall be exclusive at law or in equity of the rights and remedies which Franchisor may have under this or any other agreement to which Franchisor and Tenant are parties.

19. Attorneys' Fees. If any action is instituted by any party to enforce any provision of this Agreement, the prevailing party shall be entitled to recover all attorneys' fees and costs incurred in connection therewith.

20. Construction. This agreement shall be governed by and construed in accordance with the laws of the State in which the Leased Premises are located.

21. Certain Acknowledgements. Landlord and Tenant acknowledge and agree that all interior and exterior signage and related items (collectively the "Leased/Licensed Assets") are the sole property of Franchisor. Tenant shall have no right to pledge in any manner the Leased/Licensed Assets and Landlord shall have no right to place any lien on or make any claim on or to the Leased/Licensed Assets.
